

1
00:00:05,359 --> 00:00:35,270
um

2
00:00:40,869 --> 00:00:37,590
sedona arizona

3
00:00:42,549 --> 00:00:40,879
the new roswell home of the vortex

4
00:00:44,389 --> 00:00:42,559
and today

5
00:00:45,910 --> 00:00:44,399
it's may 2nd

6
00:00:49,670 --> 00:00:45,920
2010

7
00:00:51,430 --> 00:00:49,680
we're going to be interviewing tom dondo

8
00:00:53,029 --> 00:00:51,440
so

9
00:00:55,029 --> 00:00:53,039
tom dango

10
00:00:57,270 --> 00:00:55,039
uh has taken a whole scrapbook of

11
00:00:59,270 --> 00:00:57,280
photographs of unusual

12
00:01:00,869 --> 00:00:59,280
objects here in sedona

13
00:01:02,630 --> 00:01:00,879

uh we're going to be finding out the

14

00:01:03,830 --> 00:01:02,640

support from him uh in a little while

15

00:01:06,230 --> 00:01:03,840

but in the

16

00:01:07,350 --> 00:01:06,240

meantime we've gone through time and

17

00:01:09,429 --> 00:01:07,360

space

18

00:01:12,550 --> 00:01:09,439

and we're here between

19

00:01:15,109 --> 00:01:12,560

bell rock and cathedral rock the some of

20

00:01:17,749 --> 00:01:15,119

the most beautiful country in the united

21

00:01:19,749 --> 00:01:17,759

states can be found here in sedona and

22

00:01:21,109 --> 00:01:19,759

some of the most unusual things and

23

00:01:23,030 --> 00:01:21,119

speaking of some

24

00:01:24,950 --> 00:01:23,040

unusual things we were just that the

25

00:01:27,429 --> 00:01:24,960

coffee pot

26

00:01:29,670 --> 00:01:27,439

uh restaurant for brunch

27

00:01:31,190 --> 00:01:29,680

and when i got my receipt and this was

28

00:01:34,789 --> 00:01:31,200

not pre-planned

29

00:01:35,590 --> 00:01:34,799

what did it come up but 2012.

30

00:01:37,910 --> 00:01:35,600

so

31

00:01:41,830 --> 00:01:37,920

i don't know it's too eerie and it's too

32

00:01:45,109 --> 00:01:41,840

spooky for me but on your next trip

33

00:01:47,830 --> 00:01:45,119

come on down to sedona arizona

34

00:01:49,830 --> 00:01:47,840

more ufos that you can shake a stick at

35

00:01:53,429 --> 00:01:49,840

more psychics more metaphysical

36

00:01:56,469 --> 00:01:53,439

bookstores and remember

37

00:01:58,709 --> 00:01:56,479

i can see you but you can't see me this

38

00:02:00,469 --> 00:01:58,719

is tim beckley for the conspiracy

39

00:02:02,469 --> 00:02:00,479

journal

40

00:02:06,069 --> 00:02:02,479

and uh it's

41

00:02:09,190 --> 00:02:06,079

our unfair unbalanced unedited report

42

00:02:45,110 --> 00:02:09,200

coming up with tom dango from sedona

43

00:02:45,120 --> 00:02:50,790

oh

44

00:02:54,309 --> 00:02:51,990

okay

45

00:02:56,390 --> 00:02:54,319

well we got we got tom back into the

46

00:02:58,869 --> 00:02:56,400

room here he just got finished with one

47

00:03:00,869 --> 00:02:58,879

of his tours around uh sedona

48

00:03:03,110 --> 00:03:00,879

and uh we're going to find out about tom

49

00:03:05,270 --> 00:03:03,120

together i mean when i was editor of ufo

50

00:03:08,390 --> 00:03:05,280

universe magazine i i know we did quite

51
00:03:10,630 --> 00:03:08,400
a story on um what was going on uh in

52
00:03:13,270 --> 00:03:10,640
town here because sedona certainly is

53
00:03:16,550 --> 00:03:13,280
the metaphysical capital of the uh

54
00:03:19,190 --> 00:03:16,560
of the world so tom first off

55
00:03:21,350 --> 00:03:19,200
how did you get to sedona

56
00:03:23,030 --> 00:03:21,360
well that's that's an interesting story

57
00:03:24,869 --> 00:03:23,040
and i've been asked that many many times

58
00:03:26,149 --> 00:03:24,879
it's kind of a

59
00:03:27,990 --> 00:03:26,159
actually it all started when i had

60
00:03:30,390 --> 00:03:28,000
sporting the store in reno and i was

61
00:03:32,869 --> 00:03:30,400
walking down the street one day and

62
00:03:34,710 --> 00:03:32,879
literally a pair of hands i've you know

63
00:03:36,070 --> 00:03:34,720

i had heard of this happening to other

64

00:03:38,149 --> 00:03:36,080

people it literally happened to me a

65

00:03:40,390 --> 00:03:38,159

pair of giant hands grabbed me by the

66

00:03:42,149 --> 00:03:40,400

shoulders steering me through down the

67

00:03:43,910 --> 00:03:42,159

street through a parking lot into a

68

00:03:46,229 --> 00:03:43,920

bookstore i went to the back of the

69

00:03:47,830 --> 00:03:46,239

bookstore in the hands i mean i'm not

70

00:03:50,390 --> 00:03:47,840

are we talking about physical hands no

71

00:03:51,830 --> 00:03:50,400

they're invisible yeah okay steering me

72

00:03:53,509 --> 00:03:51,840

right because i'm thinking about the old

73

00:03:55,430 --> 00:03:53,519

spiritualist days where the hands would

74

00:03:57,830 --> 00:03:55,440

you know materialize during the seasons

75

00:03:59,509 --> 00:03:57,840

but okay you've got an invisible force

76

00:04:01,910 --> 00:03:59,519

getting it to the back of the bookstore

77

00:04:03,509 --> 00:04:01,920

yeah so so that so i mean you know you

78

00:04:05,990 --> 00:04:03,519

couldn't see but you can feel it you can

79

00:04:07,670 --> 00:04:06,000

feel them so it bent me over like this

80

00:04:09,429 --> 00:04:07,680

and there was a book in the bottom shelf

81

00:04:11,270 --> 00:04:09,439

and i reached down it you know i noticed

82

00:04:13,270 --> 00:04:11,280

it and i pulled it out and it was seth

83

00:04:15,030 --> 00:04:13,280

speaks by jane roberts and this one

84

00:04:16,870 --> 00:04:15,040

started the whole thing

85

00:04:20,150 --> 00:04:16,880

and then uh after that i moved to santa

86

00:04:22,150 --> 00:04:20,160

cruz in uh great place yeah yeah

87

00:04:23,830 --> 00:04:22,160

and uh i was in the uh the berkeley

88

00:04:26,550 --> 00:04:23,840

psychic institute and the tibetan

89

00:04:27,430 --> 00:04:26,560

foundation which kind of eventually led

90

00:04:29,590 --> 00:04:27,440

to

91

00:04:30,469 --> 00:04:29,600

sedona because the tibetan foundation

92

00:04:33,590 --> 00:04:30,479

had a

93

00:04:34,790 --> 00:04:33,600

branch here and i i was i was a part of

94

00:04:37,030 --> 00:04:34,800

that for about a year and then they

95

00:04:40,950 --> 00:04:37,040

pulled how long ago was that i've been

96

00:04:42,870 --> 00:04:40,960

here 22 years 20 years ago yeah and

97

00:04:46,150 --> 00:04:42,880

when did you start when okay well what

98

00:04:48,310 --> 00:04:46,160

comes first the uh the card or the um

99

00:04:50,550 --> 00:04:48,320

uh or the horse did you see your first

100

00:04:51,430 --> 00:04:50,560

ufo sighting before you started your um

101
00:04:53,590 --> 00:04:51,440
tours

102
00:04:56,950 --> 00:04:53,600
no actually i had very little interest

103
00:04:58,710 --> 00:04:56,960
in ufos when i moved here but uh

104
00:05:00,870 --> 00:04:58,720
during the during the time i moved here

105
00:05:01,909 --> 00:05:00,880
in 87 and uh

106
00:05:03,990 --> 00:05:01,919
uh

107
00:05:06,310 --> 00:05:04,000
just before the harmonic convergence and

108
00:05:08,070 --> 00:05:06,320
i really had almost no interest in ufos

109
00:05:09,189 --> 00:05:08,080
or extraterrestrials or anything like

110
00:05:10,950 --> 00:05:09,199
that

111
00:05:13,189 --> 00:05:10,960
i was mainly here because of the tibetan

112
00:05:14,150 --> 00:05:13,199
foundation in the the teachings that

113
00:05:16,550 --> 00:05:14,160

they had

114

00:05:19,990 --> 00:05:16,560

uh but i have everywhere i went i kept

115

00:05:21,350 --> 00:05:20,000

running into ufo and alien uh

116

00:05:23,189 --> 00:05:21,360

occurrences

117

00:05:25,029 --> 00:05:23,199

so um

118

00:05:26,310 --> 00:05:25,039

so i started looking around a little bit

119

00:05:28,950 --> 00:05:26,320

and uh

120

00:05:30,390 --> 00:05:28,960

i already written a small book uh it was

121

00:05:32,550 --> 00:05:30,400

supposed to be a pamphlet and it was

122

00:05:35,430 --> 00:05:32,560

taken by somebody made into a book is

123

00:05:38,150 --> 00:05:35,440

still in print mysteries of sedona

124

00:05:40,390 --> 00:05:38,160

so uh

125

00:05:42,310 --> 00:05:40,400

uh i i i thought well

126

00:05:44,550 --> 00:05:42,320

i'm gonna start writing a book about the

127

00:05:47,110 --> 00:05:44,560

ufo activity in sedona and i got nothing

128

00:05:48,870 --> 00:05:47,120

i put ads in newspapers and everything

129

00:05:50,469 --> 00:05:48,880

you know looking for witnesses yeah

130

00:05:52,870 --> 00:05:50,479

anything i could get any kind of

131

00:05:54,790 --> 00:05:52,880

information i got absolutely nowhere and

132

00:05:57,110 --> 00:05:54,800

then suddenly as if somebody flicked a

133

00:05:59,270 --> 00:05:57,120

switch i was inundated from every

134

00:06:01,270 --> 00:05:59,280

direction where people would come to see

135

00:06:03,510 --> 00:06:01,280

me call me

136

00:06:05,510 --> 00:06:03,520

and i had more than enough

137

00:06:07,749 --> 00:06:05,520

information well i know

138

00:06:10,150 --> 00:06:07,759

my friend bill hamilton uh wrote

139

00:06:12,550 --> 00:06:10,160

something about this uh area when we

140

00:06:14,550 --> 00:06:12,560

published the cosmic top secret uh and

141

00:06:16,230 --> 00:06:14,560

of course ufo universe which we did an

142

00:06:18,629 --> 00:06:16,240

article uh quite a number of years i

143

00:06:20,550 --> 00:06:18,639

guess ten years ago maybe uh now uh on

144

00:06:22,230 --> 00:06:20,560

some of your adventures here okay well

145

00:06:23,270 --> 00:06:22,240

let's let's start out

146

00:06:26,469 --> 00:06:23,280

now

147

00:06:29,110 --> 00:06:26,479

uh sedona is the home of the vortex we

148

00:06:31,590 --> 00:06:29,120

hear about window areas and in places

149

00:06:33,270 --> 00:06:31,600

where people can go and see ufos that

150

00:06:36,070 --> 00:06:33,280

are supposed to be more predominant than

151

00:06:38,390 --> 00:06:36,080

other places john keel in his uh his

152

00:06:40,950 --> 00:06:38,400

various books mothman prophecies talks

153

00:06:42,710 --> 00:06:40,960

of uh trojan horse talks about these

154

00:06:44,230 --> 00:06:42,720

areas where apparently there's something

155

00:06:46,309 --> 00:06:44,240

there whether it's the ley lines that

156

00:06:47,990 --> 00:06:46,319

run through it or some sort of energy

157

00:06:49,749 --> 00:06:48,000

from another dimension where these

158

00:06:52,629 --> 00:06:49,759

things manifest

159

00:06:54,150 --> 00:06:52,639

themselves more readily here in sedona

160

00:06:56,390 --> 00:06:54,160

there are actually tours where people go

161

00:06:58,150 --> 00:06:56,400

to the vortex area i know there's one

162

00:07:00,629 --> 00:06:58,160

at the po where the post office is i

163

00:07:02,469 --> 00:07:00,639

think there's one where the airport what

164

00:07:04,070 --> 00:07:02,479

is a vortex in your mind

165

00:07:04,950 --> 00:07:04,080

and um

166

00:07:06,550 --> 00:07:04,960

uh

167

00:07:09,029 --> 00:07:06,560

what goes on there i mean why is a

168

00:07:10,309 --> 00:07:09,039

certain place of vortex in in some place

169

00:07:12,710 --> 00:07:10,319

else not

170

00:07:14,469 --> 00:07:12,720

well there's actually four popular

171

00:07:15,510 --> 00:07:14,479

vortexes but there are actually hundreds

172

00:07:17,430 --> 00:07:15,520

of them here

173

00:07:19,029 --> 00:07:17,440

uh back in the if you go back in the

174

00:07:20,550 --> 00:07:19,039

canyons there there are if you're

175

00:07:22,150 --> 00:07:20,560

sensitive to energy

176

00:07:25,510 --> 00:07:22,160

you can there are hundreds of vortexes

177

00:07:27,749 --> 00:07:25,520

here so that with the the entire area

178

00:07:29,430 --> 00:07:27,759

taken you know in context this whole

179

00:07:31,589 --> 00:07:29,440

area is is

180

00:07:33,749 --> 00:07:31,599

is is very different you know energy

181

00:07:36,309 --> 00:07:33,759

wise it is probably magnetic energy

182

00:07:38,309 --> 00:07:36,319

simple magnetic energy strong magnetic

183

00:07:39,990 --> 00:07:38,319

energy mixed with something that nobody

184

00:07:41,909 --> 00:07:40,000

can understand probably something that

185

00:07:43,670 --> 00:07:41,919

was here millions of years ago it's a

186

00:07:46,469 --> 00:07:43,680

residue

187

00:07:48,629 --> 00:07:46,479

i did the first two years i i uh lived

188

00:07:51,110 --> 00:07:48,639

in sedona i did vortex tours that's how

189

00:07:53,990 --> 00:07:51,120

i made my living so i got a good

190

00:07:56,869 --> 00:07:54,000

opportunity to watch how vortexes affect

191

00:07:59,189 --> 00:07:56,879

people and how did they well about half

192

00:08:01,909 --> 00:07:59,199

the people about 50 percent there's no

193

00:08:03,990 --> 00:08:01,919

no effect on them whatsoever the other

194

00:08:06,629 --> 00:08:04,000

50 percent they feel something and maybe

195

00:08:08,869 --> 00:08:06,639

20 percent of those people

196

00:08:11,430 --> 00:08:08,879

feel something dramatic and it's usually

197

00:08:13,670 --> 00:08:11,440

in the chest area in

198

00:08:15,510 --> 00:08:13,680

the stomach nausea that kind of stuff or

199

00:08:17,909 --> 00:08:15,520

shaking don't you shaking

200

00:08:20,390 --> 00:08:17,919

you know all the the uh hundreds of

201
00:08:22,550 --> 00:08:20,400
people i took to the vortexes i only saw

202
00:08:24,150 --> 00:08:22,560
one physical healing but there were many

203
00:08:25,270 --> 00:08:24,160
mental healings

204
00:08:27,110 --> 00:08:25,280
uh

205
00:08:28,869 --> 00:08:27,120
emotional problems whatnot there are

206
00:08:32,070 --> 00:08:28,879
many of those well where where are the

207
00:08:33,829 --> 00:08:32,080
actual uh hot spots

208
00:08:38,630 --> 00:08:33,839
well the ones that are well known is

209
00:08:40,709 --> 00:08:38,640
airport uh vortex cathedral rock vortex

210
00:08:43,190 --> 00:08:40,719
boynton canyon vortex and bellrock

211
00:08:45,509 --> 00:08:43,200
vortex and the strongest one of the four

212
00:08:47,670 --> 00:08:45,519
is uh airport vortex which is really

213
00:08:48,630 --> 00:08:47,680

easy to find you can anyone can feel the

214

00:08:50,070 --> 00:08:48,640

energy

215

00:08:51,829 --> 00:08:50,080

there and they're there at the top

216

00:08:53,269 --> 00:08:51,839

there's two hills right there there

217

00:08:56,389 --> 00:08:53,279

there's the very top of those two little

218

00:08:58,630 --> 00:08:56,399

hills now uh before we got together here

219

00:08:59,509 --> 00:08:58,640

we did a mini mini tour of the area and

220

00:09:02,150 --> 00:08:59,519

just took

221

00:09:04,310 --> 00:09:02,160

some uh uh photos beautiful beautiful uh

222

00:09:06,389 --> 00:09:04,320

country here i i don't think outside of

223

00:09:08,389 --> 00:09:06,399

maybe the grand canyon i'm not sure

224

00:09:11,190 --> 00:09:08,399

uh where you would go to find something

225

00:09:14,630 --> 00:09:11,200

as breathtaking as as this i mean you

226

00:09:16,310 --> 00:09:14,640

can feel the magic uh in the uh the air

227

00:09:17,910 --> 00:09:16,320

and of course this is this is quite the

228

00:09:20,949 --> 00:09:17,920

town also there are a lot of

229

00:09:23,269 --> 00:09:20,959

metaphysical bookstores crystal shops

230

00:09:26,710 --> 00:09:23,279

places to buy um

231

00:09:28,949 --> 00:09:26,720

jewelry native american and otherwise uh

232

00:09:32,470 --> 00:09:28,959

tons of art galleries and restaurants

233

00:09:37,750 --> 00:09:35,030

we found that out last night

234

00:09:40,470 --> 00:09:37,760

six o'clock everything closes though

235

00:09:42,630 --> 00:09:40,480

but yeah it's well you know the the ufo

236

00:09:46,389 --> 00:09:42,640

activity here uh i started to say a

237

00:09:48,070 --> 00:09:46,399

little bit earlier between 1970 uh 1987

238

00:09:50,389 --> 00:09:48,080

and 1994

239

00:09:51,990 --> 00:09:50,399

you could go out any night of the week

240

00:09:53,350 --> 00:09:52,000

any night and see something that would

241

00:09:56,389 --> 00:09:53,360

change your life

242

00:09:59,910 --> 00:09:56,399

the the activity was so dramatic here

243

00:10:02,070 --> 00:09:59,920

uh uh you know ufos uh well describe the

244

00:10:03,829 --> 00:10:02,080

craft what did they look like most most

245

00:10:06,310 --> 00:10:03,839

of them

246

00:10:10,310 --> 00:10:06,320

lights different shaped lights i've i've

247

00:10:12,070 --> 00:10:10,320

seen maybe a dozen actual metallic craft

248

00:10:14,150 --> 00:10:12,080

but most of them were very strange

249

00:10:16,310 --> 00:10:14,160

lights and some of these were as big as

250

00:10:18,550 --> 00:10:16,320

50 feet in diameter i've seen them

251

00:10:20,310 --> 00:10:18,560

50 feet in diameter the colors were

252

00:10:23,350 --> 00:10:20,320

usually crimson red

253

00:10:25,430 --> 00:10:23,360

blood red orange or white

254

00:10:28,069 --> 00:10:25,440

and these were visible to the naked eye

255

00:10:29,670 --> 00:10:28,079

yeah because you know sometimes you you

256

00:10:31,509 --> 00:10:29,680

talk to a group of people

257

00:10:33,030 --> 00:10:31,519

and one of the things that i noticed is

258

00:10:34,949 --> 00:10:33,040

that there could be let's say seven or

259

00:10:36,949 --> 00:10:34,959

eight people in a group and each person

260

00:10:39,910 --> 00:10:36,959

will see something slightly different

261

00:10:42,550 --> 00:10:39,920

it's not like the 100 that the everybody

262

00:10:44,710 --> 00:10:42,560

perceives the object uh the same uh the

263

00:10:47,350 --> 00:10:44,720

same way now do you think that there's

264

00:10:49,269 --> 00:10:47,360

an underground base here or how do you

265

00:10:50,710 --> 00:10:49,279

account for this activity

266

00:10:52,230 --> 00:10:50,720

well there's there's three underground

267

00:10:54,470 --> 00:10:52,240

bases here

268

00:10:56,949 --> 00:10:54,480

uh a friend of mine is a uh he's a

269

00:10:58,550 --> 00:10:56,959

counter terrorist expert found one of

270

00:11:01,269 --> 00:10:58,560

them he's had his life threatened three

271

00:11:03,750 --> 00:11:01,279

times i won't say exactly where it is

272

00:11:05,670 --> 00:11:03,760

but that one's it's near flagstaff

273

00:11:07,590 --> 00:11:05,680

and it is there it's an underground base

274

00:11:09,829 --> 00:11:07,600

it's probably connected to a

275

00:11:11,509 --> 00:11:09,839

uh he thinks it's an underground rail

276

00:11:13,430 --> 00:11:11,519

railway system

277

00:11:15,030 --> 00:11:13,440

and then there's the the secret canyon

278

00:11:16,790 --> 00:11:15,040

base which is well known i've written

279

00:11:17,750 --> 00:11:16,800

about it many times and then there's

280

00:11:19,269 --> 00:11:17,760

another

281

00:11:21,190 --> 00:11:19,279

base uh

282

00:11:22,949 --> 00:11:21,200

uh i wouldn't call it a base i call it

283

00:11:25,190 --> 00:11:22,959

installation it's underneath uh

284

00:11:27,110 --> 00:11:25,200

clarkdale which is about 15 miles south

285

00:11:29,030 --> 00:11:27,120

of here

286

00:11:31,190 --> 00:11:29,040

and they are being

287

00:11:32,870 --> 00:11:31,200

run by extraterrestrials in the u.s

288

00:11:35,110 --> 00:11:32,880

military they've been seen together

289

00:11:37,350 --> 00:11:35,120

numerous times this is sort of like a

290

00:11:38,389 --> 00:11:37,360

localized version of dulce new mexico

291

00:11:40,230 --> 00:11:38,399

where they're supposed to be these

292

00:11:42,630 --> 00:11:40,240

underground

293

00:11:45,430 --> 00:11:42,640

chambers where the aliens are on one

294

00:11:47,670 --> 00:11:45,440

level and i guess the military is on

295

00:11:50,710 --> 00:11:47,680

another level and some levels they're

296

00:11:52,310 --> 00:11:50,720

there together so you you put stock in

297

00:11:54,550 --> 00:11:52,320

the theory that ufos are coming here

298

00:11:56,550 --> 00:11:54,560

from some other planet

299

00:11:58,790 --> 00:11:56,560

no actually probably probably they are

300

00:12:00,550 --> 00:11:58,800

coming a few are coming here from

301
00:12:02,630 --> 00:12:00,560
another planet but mostly most of them

302
00:12:03,350 --> 00:12:02,640
i'm convinced they're interdimensional

303
00:12:06,550 --> 00:12:03,360
uh

304
00:12:07,670 --> 00:12:06,560
system

305
00:12:09,670 --> 00:12:07,680
um

306
00:12:11,430 --> 00:12:09,680
straight south of where we we are right

307
00:12:13,509 --> 00:12:11,440
now there's a there's a tunnel system

308
00:12:14,710 --> 00:12:13,519
that runs from secret canyon which is

309
00:12:15,430 --> 00:12:14,720
actually you can actually see it from

310
00:12:20,629 --> 00:12:15,440
here

311
00:12:22,150 --> 00:12:20,639
jerome which is an old mining town

312
00:12:25,590 --> 00:12:22,160
and uh

313
00:12:27,829 --> 00:12:25,600

there's 77 miles of of dry mining

314

00:12:30,870 --> 00:12:27,839

tunnels under jerome and the deepest one

315

00:12:33,509 --> 00:12:30,880

is 4 200 feet under jerome

316

00:12:35,190 --> 00:12:33,519

so anything could be down there now do

317

00:12:36,870 --> 00:12:35,200

you think that these this must be some

318

00:12:40,629 --> 00:12:36,880

of them must be ancient tunnel systems

319

00:12:43,030 --> 00:12:40,639

then no these were all uh uh when jerome

320

00:12:47,269 --> 00:12:43,040

was a copper mining town

321

00:12:48,790 --> 00:12:47,279

uh the the about 1885 to about 1920. so

322

00:12:51,110 --> 00:12:48,800

the

323

00:12:53,030 --> 00:12:51,120

tunnels

324

00:12:56,550 --> 00:12:53,040

yeah that's my guess because of the main

325

00:12:58,949 --> 00:12:56,560

the main tunnel goes straight to jerome

326

00:13:02,069 --> 00:12:58,959

have these objects been seen going into

327

00:13:04,470 --> 00:13:02,079

the tunnels or near the tunnels well

328

00:13:06,389 --> 00:13:04,480

um the interesting thing is out the

329

00:13:09,910 --> 00:13:06,399

window here you can see secret mountain

330

00:13:12,629 --> 00:13:09,920

and the top of it was burned about 1992

331

00:13:15,110 --> 00:13:12,639

and uh at that time secret mountain was

332

00:13:17,590 --> 00:13:15,120

the center of

333

00:13:19,509 --> 00:13:17,600

ufo activity in arizona a fire started

334

00:13:20,629 --> 00:13:19,519

on secret mountain

335

00:13:22,949 --> 00:13:20,639

and

336

00:13:25,110 --> 00:13:22,959

the the forest service let it burn for

337

00:13:27,430 --> 00:13:25,120

seven days it made no attempt to put it

338

00:13:30,150 --> 00:13:27,440

out and the a friend of mine

339

00:13:33,030 --> 00:13:30,160

who is very prominent in the

340

00:13:34,710 --> 00:13:33,040

ufo lecture circuit had a friend in the

341

00:13:36,470 --> 00:13:34,720

sedona fire department and the sedona

342

00:13:37,910 --> 00:13:36,480

fire department was ordered

343

00:13:39,269 --> 00:13:37,920

not to fight it

344

00:13:41,430 --> 00:13:39,279

and who ordered them

345

00:13:43,190 --> 00:13:41,440

well he's not he's not sure probably

346

00:13:44,790 --> 00:13:43,200

somebody in the government

347

00:13:46,710 --> 00:13:44,800

so it burnt you're burned out of control

348

00:13:49,110 --> 00:13:46,720

for seven days and what is that they're

349

00:13:51,750 --> 00:13:49,120

trying to rid the uh rid the place of

350

00:13:53,590 --> 00:13:51,760

extraterrestrials well whatever

351

00:13:55,350 --> 00:13:53,600

yellow smoke was coming off secret

352

00:13:57,990 --> 00:13:55,360

mountain and forest fires never burned

353

00:13:59,990 --> 00:13:58,000

yellow so something burned on secret

354

00:14:04,150 --> 00:14:00,000

mountain and since that fire there has

355

00:14:06,870 --> 00:14:04,160

been zero ufo activity on secret um now

356

00:14:09,509 --> 00:14:06,880

have you noticed any unusual uh

357

00:14:12,069 --> 00:14:09,519

government types or mib types men black

358

00:14:13,829 --> 00:14:12,079

types coming through sedona

359

00:14:15,189 --> 00:14:13,839

well in the late 80s and early 90s it

360

00:14:17,910 --> 00:14:15,199

was real common

361

00:14:19,829 --> 00:14:17,920

uh there were cia and fbi agents here

362

00:14:21,110 --> 00:14:19,839

almost all the time in the military it

363

00:14:22,310 --> 00:14:21,120

used to be uh

364

00:14:23,829 --> 00:14:22,320

there was there was something that

365

00:14:25,310 --> 00:14:23,839

happened here and i believe it was in uh

366

00:14:27,269 --> 00:14:25,320

it was memorial day

367

00:14:30,230 --> 00:14:27,279

1993.

368

00:14:32,230 --> 00:14:30,240

i think a ufo crashed near here is that

369

00:14:34,470 --> 00:14:32,240

right where we're about on house

370

00:14:36,230 --> 00:14:34,480

mountain which is about three miles uh

371

00:14:39,189 --> 00:14:36,240

south of where we sit

372

00:14:40,790 --> 00:14:39,199

this town was alive with military

373

00:14:43,430 --> 00:14:40,800

military vehicles

374

00:14:45,110 --> 00:14:43,440

and uh uh attack helicopters flying at

375

00:14:47,670 --> 00:14:45,120

treetop level

376

00:14:50,069 --> 00:14:47,680

loaded with missiles and

377

00:14:53,030 --> 00:14:50,079

i mean literally treetop level

378

00:14:54,310 --> 00:14:53,040

uh seven or eight of them in a line

379

00:14:56,790 --> 00:14:54,320

and uh

380

00:14:59,030 --> 00:14:56,800

military vehicles were everywhere down

381

00:15:00,150 --> 00:14:59,040

towards cottonwood so we think that

382

00:15:02,470 --> 00:15:00,160

um

383

00:15:06,069 --> 00:15:02,480

and there were military vehicles uh

384

00:15:07,269 --> 00:15:06,079

going north with uh the flat vents

385

00:15:09,750 --> 00:15:07,279

with a

386

00:15:10,870 --> 00:15:09,760

wreckage of something underneath very

387

00:15:12,550 --> 00:15:10,880

thick

388

00:15:14,389 --> 00:15:12,560

rubber robert tapley

389

00:15:16,629 --> 00:15:14,399

did you did you ever have somebody like

390

00:15:18,310 --> 00:15:16,639

peter gersten who lives in uh in town

391

00:15:20,389 --> 00:15:18,320

here and who is the uh

392

00:15:22,470 --> 00:15:20,399

uh lawyer for cause the citizens against

393

00:15:24,389 --> 00:15:22,480

ufo uh secrecy do you know if he ever

394

00:15:26,150 --> 00:15:24,399

tried to get any uh

395

00:15:28,470 --> 00:15:26,160

records for the freedom information act

396

00:15:30,150 --> 00:15:28,480

on it uh at the time peter was pretty

397

00:15:32,389 --> 00:15:30,160

much tied up with the stuff that he was

398

00:15:33,990 --> 00:15:32,399

doing yeah because sorry i don't think

399

00:15:35,829 --> 00:15:34,000

he had much interest in it because that

400

00:15:37,670 --> 00:15:35,839

would be interesting to see if dory of

401
00:15:38,949 --> 00:15:37,680
course if there was a ufo creation not

402
00:15:40,949 --> 00:15:38,959
going to be telling us

403
00:15:42,629 --> 00:15:40,959
uh too readily

404
00:15:45,189 --> 00:15:42,639
about it there seems to be an awful lot

405
00:15:46,949 --> 00:15:45,199
of so many ufo crashes i mean these guys

406
00:15:49,509 --> 00:15:46,959
can't fly too much better than weekend

407
00:15:51,350 --> 00:15:49,519
it would it would uh it would look like

408
00:15:53,749 --> 00:15:51,360
well how about how about your own your

409
00:15:55,829 --> 00:15:53,759
own experiences i mean you say what's

410
00:15:57,990 --> 00:15:55,839
the closest sighting you ever had

411
00:15:59,749 --> 00:15:58,000
well i've been on national tv about four

412
00:16:02,710 --> 00:15:59,759
times i think i saw you on the inside

413
00:16:03,670 --> 00:16:02,720

edition was it the paranormal borderline

414

00:16:05,990 --> 00:16:03,680

okay

415

00:16:07,670 --> 00:16:06,000

they did a reenactment of it but i was

416

00:16:09,509 --> 00:16:07,680

coming back from the bradshaw ranch i

417

00:16:11,030 --> 00:16:09,519

spent about four years on the bradshaw

418

00:16:13,430 --> 00:16:11,040

ranch and that was the world center for

419

00:16:15,110 --> 00:16:13,440

paranormal activity for

420

00:16:17,269 --> 00:16:15,120

probably six years

421

00:16:18,470 --> 00:16:17,279

and uh i spent about four years almost

422

00:16:21,110 --> 00:16:18,480

every night up there and it was an

423

00:16:22,949 --> 00:16:21,120

incredible experience we saw things and

424

00:16:24,310 --> 00:16:22,959

photograph things out there that

425

00:16:25,829 --> 00:16:24,320

probably only a handful of people on

426

00:16:27,430 --> 00:16:25,839

this planet have ever seen

427

00:16:30,069 --> 00:16:27,440

okay well let's let's talk about that

428

00:16:32,310 --> 00:16:30,079

then uh what where was the bradshaw

429

00:16:33,910 --> 00:16:32,320

ranch i understand now it's on

430

00:16:35,829 --> 00:16:33,920

government-owned property or it's

431

00:16:38,310 --> 00:16:35,839

government on land at the moment or but

432

00:16:40,389 --> 00:16:38,320

where is it exactly and who noticed the

433

00:16:42,710 --> 00:16:40,399

phenomena first and what exactly was

434

00:16:45,749 --> 00:16:42,720

going on there well the bradshaw ranch

435

00:16:48,150 --> 00:16:45,759

is located uh between sedona and

436

00:16:50,230 --> 00:16:48,160

cottonwood about five miles out in the

437

00:16:52,150 --> 00:16:50,240

desert it's completely

438

00:16:53,910 --> 00:16:52,160

by itself and surrounded by national

439

00:16:56,710 --> 00:16:53,920

forest

440

00:16:58,870 --> 00:16:56,720

linda bradshaw noticed at first

441

00:17:00,949 --> 00:16:58,880

she would drive in and out of the ranch

442

00:17:04,230 --> 00:17:00,959

and she stopped there's a one point that

443

00:17:06,870 --> 00:17:04,240

the the the views is pretty incredible

444

00:17:08,309 --> 00:17:06,880

so she stopped there even at one o'clock

445

00:17:10,309 --> 00:17:08,319

in the morning and what a full moon

446

00:17:12,470 --> 00:17:10,319

night and look around at the view

447

00:17:14,630 --> 00:17:12,480

but one night about a hundred balls of

448

00:17:17,829 --> 00:17:14,640

light came

449

00:17:19,350 --> 00:17:17,839

blinked on down the valley 100 balls of

450

00:17:21,350 --> 00:17:19,360

light yeah small ones they're about six

451

00:17:22,870 --> 00:17:21,360

inches like those lights we call them

452

00:17:24,150 --> 00:17:22,880

yeah yeah these are completely visible

453

00:17:26,230 --> 00:17:24,160

yeah

454

00:17:28,870 --> 00:17:26,240

and they came up

455

00:17:30,549 --> 00:17:28,880

and and i think came within about 50

456

00:17:32,070 --> 00:17:30,559

yards over and then stopped and i

457

00:17:32,789 --> 00:17:32,080

believe they disappeared i'm not i'm not

458

00:17:34,390 --> 00:17:32,799

sure

459

00:17:37,830 --> 00:17:34,400

so she's still alive

460

00:17:38,870 --> 00:17:37,840

yeah she's living in montana

461

00:17:41,110 --> 00:17:38,880

so

462

00:17:42,470 --> 00:17:41,120

she uh went up there again the next

463

00:17:43,990 --> 00:17:42,480

night brought a camera with her she

464

00:17:46,630 --> 00:17:44,000

wasn't able to get any

465

00:17:48,710 --> 00:17:46,640

back then like this pretty you know 35

466

00:17:50,230 --> 00:17:48,720

millimeter cameras were real

467

00:17:50,950 --> 00:17:50,240

yeah yeah

468

00:17:52,230 --> 00:17:50,960

so

469

00:17:54,390 --> 00:17:52,240

she tried to take pictures of them but

470

00:17:56,710 --> 00:17:54,400

they came up they came again

471

00:17:58,310 --> 00:17:56,720

and then she uh start

472

00:18:00,470 --> 00:17:58,320

she was taking photographs around the

473

00:18:03,270 --> 00:18:00,480

ranch and she started getting oars

474

00:18:05,430 --> 00:18:03,280

and the uh org photography started here

475

00:18:06,789 --> 00:18:05,440

in sedona in pine bush new york linda

476

00:18:09,029 --> 00:18:06,799

bradley oh yeah i was up to pine bush

477

00:18:11,029 --> 00:18:09,039

many times of course yes yeah

478

00:18:12,070 --> 00:18:11,039

linda bradshaw and linda crystal started

479

00:18:13,669 --> 00:18:12,080

warm flowers

480

00:18:16,549 --> 00:18:13,679

of course yeah

481

00:18:19,350 --> 00:18:16,559

and so since then it since then it's

482

00:18:20,549 --> 00:18:19,360

spread all over the world and uh so

483

00:18:23,350 --> 00:18:20,559

linda

484

00:18:24,870 --> 00:18:23,360

bradshaw sent me some photographs

485

00:18:26,549 --> 00:18:24,880

strange photographs that she'd gotten

486

00:18:27,830 --> 00:18:26,559

out there and they were orbs and i

487

00:18:29,590 --> 00:18:27,840

thought yeah these are pretty pretty

488

00:18:31,750 --> 00:18:29,600

unusual so i i've been wanting to go up

489

00:18:33,029 --> 00:18:31,760

to bradshaw ranch anyway

490

00:18:34,870 --> 00:18:33,039

so uh

491

00:18:36,470 --> 00:18:34,880

i went out and uh started taking

492

00:18:38,230 --> 00:18:36,480

photographs myself and i got some pretty

493

00:18:40,789 --> 00:18:38,240

strange stuff

494

00:18:42,070 --> 00:18:40,799

so that started a four-year research

495

00:18:43,669 --> 00:18:42,080

project you have you have some of those

496

00:18:45,990 --> 00:18:43,679

photos with you yeah all right well

497

00:18:48,549 --> 00:18:46,000

let's take a look at them yeah every

498

00:18:49,590 --> 00:18:48,559

case right in front over there

499

00:18:51,750 --> 00:18:49,600

and um

500

00:18:53,750 --> 00:18:51,760

we'll hold up to the camera and you want

501
00:18:56,549 --> 00:18:53,760
to tell people about your books as well

502
00:18:58,470 --> 00:18:56,559
so they can order them offline or online

503
00:19:01,110 --> 00:18:58,480
uh but let's see let's see what you have

504
00:19:02,549 --> 00:19:01,120
there and um

505
00:19:03,590 --> 00:19:02,559
you could maybe describe them a little

506
00:19:09,110 --> 00:19:03,600
bit as you

507
00:19:14,310 --> 00:19:10,870
yeah all right let me i'll actually i'm

508
00:19:15,350 --> 00:19:14,320
going to show one that's uh

509
00:19:18,230 --> 00:19:15,360
uh

510
00:19:21,110 --> 00:19:19,510
okay these aren't the ones that were

511
00:19:27,110 --> 00:19:21,120
taking the bradshaw ranch but these are

512
00:19:31,190 --> 00:19:28,789
but these these are taking on a recent

513
00:19:32,710 --> 00:19:31,200

tour i do ufo tours out near the

514

00:19:35,029 --> 00:19:32,720

bradshaw ranch

515

00:19:36,630 --> 00:19:35,039

and uh to finish what we started the

516

00:19:38,070 --> 00:19:36,640

bradshaw ranch was bought by the us

517

00:19:40,470 --> 00:19:38,080

government eight years ago and they shut

518

00:19:43,270 --> 00:19:40,480

it down it's completely closed and it's

519

00:19:44,150 --> 00:19:43,280

it's uh it really is falling apart

520

00:19:45,909 --> 00:19:44,160

uh

521

00:19:47,990 --> 00:19:45,919

now the government bought it yeah why

522

00:19:49,350 --> 00:19:48,000

would they buy it well

523

00:19:51,029 --> 00:19:49,360

they were going to turn it and turn it

524

00:19:51,830 --> 00:19:51,039

into a campground and they never did

525

00:19:55,270 --> 00:19:51,840

yeah

526

00:19:57,270 --> 00:19:55,280

so it's of course it's it's uh

527

00:19:58,390 --> 00:19:57,280

run by the uh the forest service but

528

00:19:59,430 --> 00:19:58,400

it's the government that owns it there

529

00:20:01,990 --> 00:19:59,440

are signs

530

00:20:03,590 --> 00:20:02,000

that these are amazing photographs yeah

531

00:20:05,990 --> 00:20:03,600

yeah it looks like if i didn't know

532

00:20:07,270 --> 00:20:06,000

better it looks like a painting yeah all

533

00:20:08,870 --> 00:20:07,280

right but it's not a painting i can

534

00:20:10,390 --> 00:20:08,880

attest to that all right all right i

535

00:20:11,830 --> 00:20:10,400

have i have hundreds of these

536

00:20:13,669 --> 00:20:11,840

one that just came out

537

00:20:14,870 --> 00:20:13,679

this was taken about a year ago

538

00:20:17,830 --> 00:20:14,880

now do you think that these are

539

00:20:20,630 --> 00:20:17,840

spacecraft or are to me they look um i

540

00:20:22,870 --> 00:20:20,640

don't know if you know um

541

00:20:25,190 --> 00:20:22,880

james constable who wrote they live in

542

00:20:26,870 --> 00:20:25,200

the sky many years ago he talked about

543

00:20:29,510 --> 00:20:26,880

there being um

544

00:20:31,669 --> 00:20:29,520

space animals or space creatures that uh

545

00:20:33,350 --> 00:20:31,679

uh you know are actually living uh

546

00:20:34,789 --> 00:20:33,360

out here you know i actually have a cop

547

00:20:37,110 --> 00:20:34,799

i have a photograph of one of those

548

00:20:39,590 --> 00:20:37,120

kinds of things it's probably one of the

549

00:20:42,470 --> 00:20:39,600

few in existence um

550

00:20:45,750 --> 00:20:42,480

have you ever heard of intelligent dust

551
00:20:50,710 --> 00:20:49,110
thus that records things no

552
00:20:51,909 --> 00:20:50,720
okay you'll have to look it up on the

553
00:20:54,149 --> 00:20:51,919
internet

554
00:20:55,510 --> 00:20:54,159
well my opinion of orbs is that that

555
00:20:56,789 --> 00:20:55,520
they're uh

556
00:20:58,710 --> 00:20:56,799
they're they're they're they're

557
00:21:01,029 --> 00:20:58,720
intelligent beings i have interacted

558
00:21:04,149 --> 00:21:01,039
with oral i mean and they have a

559
00:21:05,990 --> 00:21:04,159
a pretty high level of intelligence

560
00:21:08,070 --> 00:21:06,000
i mean by high level i would say about

561
00:21:11,270 --> 00:21:08,080
that of a dog something like something

562
00:21:13,110 --> 00:21:11,280
like that because we have played morse

563
00:21:13,990 --> 00:21:13,120

code games

564

00:21:16,070 --> 00:21:14,000

and

565

00:21:18,789 --> 00:21:16,080

well i did that when i was in warminster

566

00:21:21,110 --> 00:21:18,799

in england we actually um signaled to a

567

00:21:22,549 --> 00:21:21,120

um uh an object in the sky i don't know

568

00:21:23,830 --> 00:21:22,559

whether it was an orb now there's a good

569

00:21:26,870 --> 00:21:23,840

one what do we have there that looks

570

00:21:28,789 --> 00:21:26,880

like a more structured craft well

571

00:21:31,270 --> 00:21:28,799

uh

572

00:21:34,149 --> 00:21:31,280

well this this one is okay

573

00:21:36,070 --> 00:21:34,159

uh let me see what

574

00:21:37,190 --> 00:21:36,080

um

575

00:21:39,270 --> 00:21:37,200

okay

576

00:21:41,590 --> 00:21:39,280

uh

577

00:21:44,470 --> 00:21:41,600

this one okay this is one that's

578

00:21:46,230 --> 00:21:44,480

this this is used on on the book the

579

00:21:48,710 --> 00:21:46,240

back of my book and what's the title of

580

00:21:51,270 --> 00:21:48,720

the book uh emerging dimensions

581

00:21:53,029 --> 00:21:51,280

linda bradshaw and i wrote this

582

00:21:55,110 --> 00:21:53,039

uh about this all about the bradshaw

583

00:21:57,110 --> 00:21:55,120

ranch and then this book is all about

584

00:21:59,110 --> 00:21:57,120

the bradshaw ranch mysterious sedona

585

00:22:02,789 --> 00:21:59,120

this is all bradshaw ranch

586

00:22:04,390 --> 00:22:02,799

uh but this is this this photograph uh

587

00:22:06,230 --> 00:22:04,400

when i when i did a lot of lectures

588

00:22:07,590 --> 00:22:06,240

around the west this is one of the most

589

00:22:09,990 --> 00:22:07,600

interesting ones

590

00:22:11,590 --> 00:22:10,000

but i what linda bradshaw and i would do

591

00:22:14,710 --> 00:22:11,600

is walk around the ranch and just burn

592

00:22:15,430 --> 00:22:14,720

up 35 millimeter film and then next day

593

00:22:17,190 --> 00:22:15,440

look

594

00:22:18,470 --> 00:22:17,200

see what developed the stuff we couldn't

595

00:22:21,830 --> 00:22:18,480

see right

596

00:22:23,590 --> 00:22:21,840

so so what this is is an open field here

597

00:22:25,190 --> 00:22:23,600

and uh

598

00:22:27,990 --> 00:22:25,200

this is a photograph that i took so the

599

00:22:28,950 --> 00:22:28,000

next day we we developed the uh the

600

00:22:30,549 --> 00:22:28,960

film

601
00:22:31,990 --> 00:22:30,559
and i'm looking at this and wait a

602
00:22:33,510 --> 00:22:32,000
minute what the heck is that so here's a

603
00:22:34,870 --> 00:22:33,520
sandal foot

604
00:22:37,510 --> 00:22:34,880
uh now this is this is the middle of the

605
00:22:39,830 --> 00:22:37,520
wheel yeah it's about 20 degrees okay so

606
00:22:42,070 --> 00:22:39,840
there's a pant leg here

607
00:22:43,830 --> 00:22:42,080
i see that i see that uh-huh yeah

608
00:22:44,789 --> 00:22:43,840
there's an arm coming down here and

609
00:22:48,549 --> 00:22:44,799
whatever

610
00:22:49,510 --> 00:22:48,559
thing it's either i think it's either a

611
00:22:53,110 --> 00:22:49,520
weapon

612
00:22:54,310 --> 00:22:53,120
or um a device that keeps it invisible

613
00:22:55,990 --> 00:22:54,320

so here's the other half of the

614

00:22:58,070 --> 00:22:56,000

photograph i had to cut and paste here

615

00:23:00,630 --> 00:22:58,080

so you can see both sides but on the

616

00:23:02,230 --> 00:23:00,640

other one it looks like a pair of pants

617

00:23:03,909 --> 00:23:02,240

with lanyards and all that so there's

618

00:23:05,510 --> 00:23:03,919

this on one half the photograph and this

619

00:23:08,390 --> 00:23:05,520

on the other half

620

00:23:09,909 --> 00:23:08,400

so um you know

621

00:23:12,070 --> 00:23:09,919

it's pretty strange but but that was

622

00:23:13,669 --> 00:23:12,080

nothing there when when i

623

00:23:15,750 --> 00:23:13,679

you know i didn't see anything so you

624

00:23:18,390 --> 00:23:15,760

you have actually gotten um

625

00:23:21,830 --> 00:23:18,400

uh photos of beings as well as uh the

626

00:23:23,430 --> 00:23:21,840

ships yeah this is probably

627

00:23:25,990 --> 00:23:23,440

if i can find it

628

00:23:28,310 --> 00:23:26,000

this is probably the only i consider the

629

00:23:29,350 --> 00:23:28,320

only actual photograph

630

00:23:31,110 --> 00:23:29,360

of

631

00:23:32,630 --> 00:23:31,120

a uh

632

00:23:39,190 --> 00:23:32,640

an interdimensional

633

00:23:43,430 --> 00:23:41,510

uh well while i'm looking for this this

634

00:23:45,270 --> 00:23:43,440

is probably one of the best

635

00:23:46,630 --> 00:23:45,280

the most interesting photographs i have

636

00:23:48,070 --> 00:23:46,640

is this one here and some of the best

637

00:23:49,029 --> 00:23:48,080

photographers in the world have looked

638

00:23:52,710 --> 00:23:49,039

at this

639

00:23:54,390 --> 00:23:52,720

i mean top top movie producers and uh

640

00:23:56,470 --> 00:23:54,400

and directors and this one totally

641

00:23:58,470 --> 00:23:56,480

baffles them and this was done way this

642

00:24:00,230 --> 00:23:58,480

is way better well what is that

643

00:24:03,270 --> 00:24:00,240

no i don't have any ideas taken by a

644

00:24:05,990 --> 00:24:03,280

woman in illinois wow but uh

645

00:24:08,149 --> 00:24:06,000

this is way before photoshop uh

646

00:24:09,510 --> 00:24:08,159

this is what rock here uh this is in

647

00:24:11,590 --> 00:24:09,520

boynton canyon

648

00:24:14,230 --> 00:24:11,600

patina woman rock

649

00:24:15,830 --> 00:24:14,240

and uh this literally some of the

650

00:24:17,990 --> 00:24:15,840

world's photo experts have looked at

651
00:24:19,430 --> 00:24:18,000
this and they're completely baffled

652
00:24:21,029 --> 00:24:19,440
usually somebody will say oh it's a

653
00:24:22,630 --> 00:24:21,039
light leak it's a speck of dust on the

654
00:24:24,710 --> 00:24:22,640
camera or something like that

655
00:24:26,149 --> 00:24:24,720
but all of that was checked out and it

656
00:24:27,909 --> 00:24:26,159
isn't

657
00:24:30,630 --> 00:24:27,919
in fact when i first got this photograph

658
00:24:33,190 --> 00:24:30,640
i went to a

659
00:24:34,630 --> 00:24:33,200
camera shop a laboratory and we tried to

660
00:24:35,830 --> 00:24:34,640
figure out how this this could be a

661
00:24:37,510 --> 00:24:35,840
light leak

662
00:24:38,710 --> 00:24:37,520
and they after a while they gave up and

663
00:24:40,549 --> 00:24:38,720

they said they just said it's not a

664

00:24:41,990 --> 00:24:40,559

light leak but whatever it is it's not a

665

00:24:43,990 --> 00:24:42,000

lightly so

666

00:24:45,430 --> 00:24:44,000

so it's an incredible photograph and

667

00:24:48,310 --> 00:24:45,440

it's really it's really gotten around

668

00:24:51,029 --> 00:24:48,320

the internet it's all over the internet

669

00:24:53,510 --> 00:24:51,039

um oh and this uh oh interestingly

670

00:24:55,029 --> 00:24:53,520

enough his this other part [h__h] his

671

00:24:57,510 --> 00:24:55,039

this photograph what i just showed you

672

00:24:59,269 --> 00:24:57,520

now this was taken about a year ago by a

673

00:25:02,310 --> 00:24:59,279

woman from uh

674

00:25:05,510 --> 00:25:02,320

oregon and it's the same shape as this

675

00:25:06,950 --> 00:25:05,520

other object here but they were taken 10

676
00:25:09,590 --> 00:25:06,960
years apart

677
00:25:11,110 --> 00:25:09,600
so it's basically the same thing

678
00:25:12,390 --> 00:25:11,120
there was a movie years ago called

679
00:25:13,830 --> 00:25:12,400
kronos

680
00:25:15,590 --> 00:25:13,840
where they had a giant something or

681
00:25:17,510 --> 00:25:15,600
other like that come out of the earth

682
00:25:19,110 --> 00:25:17,520
yeah yeah this is maybe they watched the

683
00:25:20,870 --> 00:25:19,120
aliens watch that movie or something

684
00:25:22,710 --> 00:25:20,880
yeah well we have strange things that

685
00:25:24,230 --> 00:25:22,720
happen here i mean this sedona is a

686
00:25:27,029 --> 00:25:24,240
strange place

687
00:25:29,350 --> 00:25:27,039
uh it's not quite as as dramatic as it

688
00:25:31,110 --> 00:25:29,360

used to be but uh

689

00:25:32,870 --> 00:25:31,120

oh there's there's some wild patterns

690

00:25:33,750 --> 00:25:32,880

there yeah well this

691

00:25:36,710 --> 00:25:33,760

uh

692

00:25:38,149 --> 00:25:36,720

okay this supposedly i was getting a lot

693

00:25:39,909 --> 00:25:38,159

of these for a while and these these

694

00:25:42,870 --> 00:25:39,919

kind of folks these these photographs

695

00:25:45,029 --> 00:25:42,880

can be hoaxed yeah but i i know i know

696

00:25:46,549 --> 00:25:45,039

they are hopes yeah uh because i know

697

00:25:48,870 --> 00:25:46,559

the people that took them

698

00:25:50,630 --> 00:25:48,880

uh and i i was i get

699

00:25:52,470 --> 00:25:50,640

photographs sent to me by people from

700

00:25:53,990 --> 00:25:52,480

all over the world some of these i took

701

00:25:55,990 --> 00:25:54,000

but mostly i didn't

702

00:25:58,549 --> 00:25:56,000

when i in fact i mentioned just a while

703

00:26:00,789 --> 00:25:58,559

ago when i was in warminster england and

704

00:26:04,070 --> 00:26:00,799

we were signaling to this craft

705

00:26:05,269 --> 00:26:04,080

when i developed the um photographs not

706

00:26:07,590 --> 00:26:05,279

of the object because it was too far

707

00:26:09,750 --> 00:26:07,600

away to see but when i developed the the

708

00:26:12,230 --> 00:26:09,760

photographs of that role i took out on

709

00:26:15,430 --> 00:26:12,240

cradle hill there uh one or two of the

710

00:26:17,269 --> 00:26:15,440

last shots had stuff like that in it and

711

00:26:19,110 --> 00:26:17,279

there were no houses in the area there

712

00:26:20,950 --> 00:26:19,120

were no um

713

00:26:22,230 --> 00:26:20,960

uh street lamps there was nobody you

714

00:26:23,750 --> 00:26:22,240

know throwing a cigarette but that's a

715

00:26:25,990 --> 00:26:23,760

good way to get a little uh mothership

716

00:26:28,230 --> 00:26:26,000

to go across this yeah mostly uh the

717

00:26:30,230 --> 00:26:28,240

photo you know so i don't know who knows

718

00:26:31,830 --> 00:26:30,240

what it was but uh some weird stuff

719

00:26:34,070 --> 00:26:31,840

going on you know yeah

720

00:26:36,149 --> 00:26:34,080

well this this one uh

721

00:26:38,630 --> 00:26:36,159

this was taken at a rock concert in ohio

722

00:26:41,110 --> 00:26:38,640

and this one was taken by a guy in

723

00:26:43,430 --> 00:26:41,120

florida

724

00:26:44,950 --> 00:26:43,440

so yeah this uh interesting stuff let me

725

00:26:47,830 --> 00:26:44,960

see what else i got here come up with

726

00:26:51,750 --> 00:26:49,990

uh this is uh

727

00:26:53,350 --> 00:26:51,760

this is kind of odd we these two

728

00:26:54,710 --> 00:26:53,360

photographs here we this is the sort of

729

00:26:56,070 --> 00:26:54,720

stuff we got on the branch of our ranch

730

00:26:58,310 --> 00:26:56,080

these are beans that were standing right

731

00:27:00,470 --> 00:26:58,320

in front of us that we couldn't see

732

00:27:01,430 --> 00:27:00,480

uh and this this this photograph on the

733

00:27:02,870 --> 00:27:01,440

left

734

00:27:04,310 --> 00:27:02,880

there was a man standing in front

735

00:27:05,590 --> 00:27:04,320

probably less than three feet in front

736

00:27:07,029 --> 00:27:05,600

of me because the focal length of the

737

00:27:08,230 --> 00:27:07,039

camera was about three and a half feet

738

00:27:09,750 --> 00:27:08,240

so anything yeah these are probably not

739

00:27:10,950 --> 00:27:09,760

going to come out so uh too clear but

740

00:27:13,430 --> 00:27:10,960

i'm sure they're in one of your books

741

00:27:15,830 --> 00:27:13,440

right so yeah that will yeah hopefully

742

00:27:17,830 --> 00:27:15,840

people will get the uh the the books you

743

00:27:18,950 --> 00:27:17,840

know yep there's one here i do want to

744

00:27:21,510 --> 00:27:18,960

show

745

00:27:22,549 --> 00:27:21,520

this one is uh that is a reflection off

746

00:27:23,750 --> 00:27:22,559

again

747

00:27:25,750 --> 00:27:23,760

can you see that yeah i'm getting it

748

00:27:29,510 --> 00:27:25,760

yeah yeah there was a japanese film crew

749

00:27:34,630 --> 00:27:32,230

they uh uh a friend of mine took this

750

00:27:36,149 --> 00:27:34,640

photograph and all of that stuff you can

751

00:27:39,430 --> 00:27:36,159

see wasn't there

752

00:27:41,350 --> 00:27:39,440

the japanese film crews over here to my

753

00:27:42,549 --> 00:27:41,360

right here that's where the japanese

754

00:27:44,549 --> 00:27:42,559

film crew is

755

00:27:46,390 --> 00:27:44,559

and uh right after that they interviewed

756

00:27:48,870 --> 00:27:46,400

me and they had lights set up and it was

757

00:27:51,590 --> 00:27:48,880

about nine nine o'clock at night and a

758

00:27:55,269 --> 00:27:51,600

ufo materialized right behind them

759

00:27:57,430 --> 00:27:55,279

and uh this was on the video yeah yeah

760

00:28:00,230 --> 00:27:57,440

and uh

761

00:28:03,430 --> 00:28:00,240

so um i tried to uh

762

00:28:04,630 --> 00:28:03,440

they uh after the the cameraman was so

763

00:28:05,750 --> 00:28:04,640

shaken up

764

00:28:07,990 --> 00:28:05,760

you know he had a hundred thousand

765

00:28:09,909 --> 00:28:08,000

dollar camera so he got probably got the

766

00:28:12,230 --> 00:28:09,919

ufo full frame

767

00:28:13,990 --> 00:28:12,240

it was red and white the ufo

768

00:28:15,269 --> 00:28:14,000

uh and it was tilted at about a 10

769

00:28:17,510 --> 00:28:15,279

degree angle

770

00:28:19,029 --> 00:28:17,520

and uh he was he was so shaking he could

771

00:28:20,870 --> 00:28:19,039

hardly speak and one of the other guys

772

00:28:23,190 --> 00:28:20,880

had to say he's he's really excited

773

00:28:25,350 --> 00:28:23,200

because he's never seen the ufo before

774

00:28:27,110 --> 00:28:25,360

now what is the the photo on the bottom

775

00:28:29,909 --> 00:28:27,120

here this more it looks more like your

776

00:28:31,350 --> 00:28:29,919

structure type ufos well that was taken

777

00:28:33,669 --> 00:28:31,360

right here in sedona by a friend of

778

00:28:36,789 --> 00:28:33,679

mine's retired cia agent

779

00:28:38,389 --> 00:28:36,799

and these are basically rods and i i

780

00:28:40,470 --> 00:28:38,399

personally i think rods are absolutely

781

00:28:41,830 --> 00:28:40,480

real they're not bugs flying in front of

782

00:28:43,909 --> 00:28:41,840

lights i think

783

00:28:45,990 --> 00:28:43,919

that rods are real and so he took these

784

00:28:48,789 --> 00:28:46,000

in his backyard

785

00:28:51,029 --> 00:28:48,799

over about a one month period

786

00:28:52,230 --> 00:28:51,039

have any of the tourists that uh come

787

00:28:53,510 --> 00:28:52,240

here have they managed to get they've

788

00:28:54,710 --> 00:28:53,520

managed to get photographers as well

789

00:28:56,149 --> 00:28:54,720

obviously right

790

00:28:58,950 --> 00:28:56,159

yeah a lot of times they don't know what

791

00:29:00,870 --> 00:28:58,960

it is they uh take it home and you know

792

00:29:02,630 --> 00:29:00,880

there's something on there sometimes i

793

00:29:05,350 --> 00:29:02,640

end up seeing them and sometimes i don't

794

00:29:07,350 --> 00:29:05,360

but but uh

795

00:29:09,190 --> 00:29:07,360

now is there any way to

796

00:29:10,149 --> 00:29:09,200

uh okay let's say if i'm taking one of

797

00:29:11,830 --> 00:29:10,159

your uh

798

00:29:13,750 --> 00:29:11,840

uh jeep tours

799

00:29:15,269 --> 00:29:13,760

your tours here around sedona is there

800

00:29:16,149 --> 00:29:15,279

any way that you've found to bring them

801
00:29:17,750 --> 00:29:16,159
down

802
00:29:19,669 --> 00:29:17,760
i mean no we've tried everything and

803
00:29:21,269 --> 00:29:19,679
nothing works yeah i know i know about

804
00:29:23,830 --> 00:29:21,279
stephen greer and the stuff he does and

805
00:29:25,430 --> 00:29:23,840
we we've tried that stuff too with

806
00:29:27,590 --> 00:29:25,440
actually you know now that you mentioned

807
00:29:29,669 --> 00:29:27,600
it one thing they don't like

808
00:29:31,990 --> 00:29:29,679
right because i about a month ago i

809
00:29:34,230 --> 00:29:32,000
actually did this i have a green laser

810
00:29:35,669 --> 00:29:34,240
and green lasers are 5 000 times more

811
00:29:36,710 --> 00:29:35,679
powerful than a red laser and you can

812
00:29:38,389 --> 00:29:36,720
actually buy

813
00:29:41,190 --> 00:29:38,399

on the internet now green lasers that

814

00:29:43,430 --> 00:29:41,200

are weapons grade lasers but the one eye

815

00:29:46,710 --> 00:29:43,440

is 5 000 times more powerful than a red

816

00:29:49,110 --> 00:29:46,720

laser and i've actually shined this uh

817

00:29:51,269 --> 00:29:49,120

green laser on ufos they they absolutely

818

00:29:52,830 --> 00:29:51,279

do not like green lasers

819

00:29:55,110 --> 00:29:52,840

they won't stick around

820

00:29:57,029 --> 00:29:55,120

um so

821

00:29:59,029 --> 00:29:57,039

that's the only thing that other than

822

00:30:00,630 --> 00:29:59,039

flashing lights on the bradshaw ranch

823

00:30:03,190 --> 00:30:00,640

about three million candle power

824

00:30:04,710 --> 00:30:03,200

spotlights that's really the only

825

00:30:07,350 --> 00:30:04,720

thing we've ever done that's gotten a

826

00:30:10,549 --> 00:30:07,360

reaction as far as as being able to you

827

00:30:11,830 --> 00:30:10,559

know get them to come closer or whatever

828

00:30:15,990 --> 00:30:11,840

well let's talk a little bit more about

829

00:30:17,269 --> 00:30:16,000

the bradshaw uh ranch um how uh how many

830

00:30:19,430 --> 00:30:17,279

people had sightings there what were the

831

00:30:20,549 --> 00:30:19,440

most dramatic ones

832

00:30:22,630 --> 00:30:20,559

oh

833

00:30:24,389 --> 00:30:22,640

this is that travel constable photograph

834

00:30:25,830 --> 00:30:24,399

that i have is there are very few of

835

00:30:28,789 --> 00:30:25,840

these in existence but this is one of

836

00:30:33,110 --> 00:30:28,799

the living amoeba-like ufos

837

00:30:39,269 --> 00:30:34,149

well

838

00:30:41,909 --> 00:30:39,279

hundreds and hundreds of people out at

839

00:30:43,350 --> 00:30:41,919

the bradshaw ranch we invited scientists

840

00:30:45,830 --> 00:30:43,360

and

841

00:30:47,269 --> 00:30:45,840

psychics channelers you know the works

842

00:30:49,590 --> 00:30:47,279

just to see what

843

00:30:51,830 --> 00:30:49,600

what would happen with that those many

844

00:30:53,510 --> 00:30:51,840

people out there and see what would uh

845

00:30:54,789 --> 00:30:53,520

manifest

846

00:30:56,230 --> 00:30:54,799

um

847

00:30:58,149 --> 00:30:56,240

you know that you'd almost have to read

848

00:31:00,070 --> 00:30:58,159

my book my books are full of the things

849

00:31:00,870 --> 00:31:00,080

that happened

850

00:31:02,630 --> 00:31:00,880

but

851
00:31:04,950 --> 00:31:02,640
the most dramatic thing that happened on

852
00:31:06,870 --> 00:31:04,960
the ranch but we we noticed that we knew

853
00:31:08,549 --> 00:31:06,880
that if there were more than six people

854
00:31:10,389 --> 00:31:08,559
on out there nothing would happen

855
00:31:11,750 --> 00:31:10,399
whatever whatever the phenomenon was

856
00:31:12,630 --> 00:31:11,760
they didn't like a lot of people to be

857
00:31:15,029 --> 00:31:12,640
around

858
00:31:18,070 --> 00:31:15,039
so we were trying to have six people or

859
00:31:19,830 --> 00:31:18,080
less on the ranch and one night uh

860
00:31:22,070 --> 00:31:19,840
people asked me if anything that was

861
00:31:23,269 --> 00:31:22,080
anything really scary ever happened and

862
00:31:25,350 --> 00:31:23,279
uh

863
00:31:29,430 --> 00:31:25,360

we were never hurt in any way i think

864

00:31:31,669 --> 00:31:29,440

that that uh we we learned that uh

865

00:31:32,950 --> 00:31:31,679

once you have you don't have no fear of

866

00:31:35,510 --> 00:31:32,960

these things

867

00:31:37,750 --> 00:31:35,520

they're uh they they'll manifest and

868

00:31:39,110 --> 00:31:37,760

they'll come a lot closer

869

00:31:42,549 --> 00:31:39,120

so

870

00:31:45,110 --> 00:31:42,559

uh one night we uh

871

00:31:47,990 --> 00:31:45,120

was only linda and i and they they have

872

00:31:49,909 --> 00:31:48,000

seven dogs that uh that

873

00:31:51,430 --> 00:31:49,919

lived on the ranch and at the time a

874

00:31:52,950 --> 00:31:51,440

stray dog that came out of the race they

875

00:31:53,669 --> 00:31:52,960

would keep it

876

00:31:56,070 --> 00:31:53,679

so

877

00:31:58,149 --> 00:31:56,080

uh the dogs would bury themselves in the

878

00:31:59,509 --> 00:31:58,159

sand in the summer it was it was cool

879

00:32:01,110 --> 00:31:59,519

and in

880

00:32:02,950 --> 00:32:01,120

in the winter it was warm there were

881

00:32:05,669 --> 00:32:02,960

outside dogs

882

00:32:07,669 --> 00:32:05,679

so um

883

00:32:10,630 --> 00:32:07,679

one night we heard a growl

884

00:32:13,350 --> 00:32:10,640

a really loud growl and we linda and i

885

00:32:16,070 --> 00:32:13,360

were debating whether it was a

886

00:32:18,070 --> 00:32:16,080

you know a javelina a bear a mountain or

887

00:32:21,029 --> 00:32:18,080

what we could we couldn't quite

888

00:32:23,430 --> 00:32:21,039

we couldn't tell you know and uh

889

00:32:25,590 --> 00:32:23,440

so there was an apple orchard in front

890

00:32:28,149 --> 00:32:25,600

of us and whatever this thing was was

891

00:32:29,830 --> 00:32:28,159

making a circle around the apple orchard

892

00:32:30,950 --> 00:32:29,840

and uh this is the only night that we

893

00:32:33,430 --> 00:32:30,960

were really

894

00:32:35,190 --> 00:32:33,440

had any fear uh linda actually went in

895

00:32:37,190 --> 00:32:35,200

and got a gun

896

00:32:38,630 --> 00:32:37,200

uh for the four four years we spent out

897

00:32:40,470 --> 00:32:38,640

there that's the only night anything

898

00:32:41,990 --> 00:32:40,480

really scary happened

899

00:32:42,870 --> 00:32:42,000

but the uh

900

00:32:44,070 --> 00:32:42,880

uh

901
00:32:45,830 --> 00:32:44,080
the creature

902
00:32:48,149 --> 00:32:45,840
he got about halfway around the airport

903
00:32:49,509 --> 00:32:48,159
orchard and it it made a roar like an

904
00:32:51,350 --> 00:32:49,519
african lion

905
00:32:53,350 --> 00:32:51,360
scared the hell out of us

906
00:32:56,230 --> 00:32:53,360
and uh uh you know if you ever heard of

907
00:32:58,549 --> 00:32:56,240
an african lion roar and a zoo

908
00:33:00,310 --> 00:32:58,559
they can be heard literally miles away

909
00:33:02,230 --> 00:33:00,320
in the jungle i'm sure they can be heard

910
00:33:03,830 --> 00:33:02,240
you know three or four miles away

911
00:33:05,669 --> 00:33:03,840
so this thing roared like an african

912
00:33:06,789 --> 00:33:05,679
lion we knew we were in trouble there we

913
00:33:09,669 --> 00:33:06,799

knew something

914

00:33:12,029 --> 00:33:09,679

really big was going on and the dogs all

915

00:33:14,789 --> 00:33:12,039

seven of them jumped up

916

00:33:16,870 --> 00:33:14,799

simultaneously and took off on a dead

917

00:33:18,789 --> 00:33:16,880

run toward the

918

00:33:21,190 --> 00:33:18,799

the uh the creature

919

00:33:22,710 --> 00:33:21,200

and uh

920

00:33:24,070 --> 00:33:22,720

so

921

00:33:25,590 --> 00:33:24,080

linda and i couldn't do anything but

922

00:33:27,509 --> 00:33:25,600

just stand there and wait we thought we

923

00:33:28,950 --> 00:33:27,519

were going to hurt hear dogs being torn

924

00:33:30,870 --> 00:33:28,960

to pieces

925

00:33:33,350 --> 00:33:30,880

the next thing you know and actually

926
00:33:35,190 --> 00:33:33,360
no there was no sound whatsoever after

927
00:33:36,789 --> 00:33:35,200
about 10 minutes all the dogs just came

928
00:33:38,389 --> 00:33:36,799
trotting back and laid down so whatever

929
00:33:39,669 --> 00:33:38,399
that creature was they were familiar

930
00:33:43,029 --> 00:33:39,679
with it

931
00:33:44,710 --> 00:33:43,039
so there was a a uh a horse corral that

932
00:33:46,230 --> 00:33:44,720
went into the ranch and a horse car out

933
00:33:49,509 --> 00:33:46,240
the other end of the ranch and uh they

934
00:33:51,909 --> 00:33:49,519
each had uh two to five horses

935
00:33:54,710 --> 00:33:51,919
but as the creature got close to the the

936
00:33:56,789 --> 00:33:54,720
horses uh he was following a dry creek

937
00:33:58,389 --> 00:33:56,799
as it got close to the the uh the horses

938
00:33:59,830 --> 00:33:58,399

at the south end of the ranch the horses

939

00:34:01,269 --> 00:33:59,840

started screaming

940

00:34:04,310 --> 00:34:01,279

and it's like i've told people if you've

941

00:34:06,950 --> 00:34:04,320

never heard a horse scream like a woman

942

00:34:08,550 --> 00:34:06,960

it's it's a scary sound

943

00:34:10,629 --> 00:34:08,560

and the horses were screaming and trying

944

00:34:12,149 --> 00:34:10,639

to kick their way out of the corral the

945

00:34:14,230 --> 00:34:12,159

corral was that

946

00:34:15,829 --> 00:34:14,240

twelve by two boards i think they were

947

00:34:17,190 --> 00:34:15,839

trying to kick their way out of it the

948

00:34:19,669 --> 00:34:17,200

creature was getting really close to

949

00:34:21,990 --> 00:34:19,679

them and and the horses at the north in

950

00:34:24,790 --> 00:34:22,000

the ranch simultaneously started uh

951
00:34:27,990 --> 00:34:24,800
screaming now when you say creature

952
00:34:31,109 --> 00:34:28,000
did anybody actually see it

953
00:34:33,589 --> 00:34:31,119
well we uh got close to it

954
00:34:35,430 --> 00:34:33,599
whatever it was about 10 feet tall it

955
00:34:38,470 --> 00:34:35,440
weighed about a thousand pounds if that

956
00:34:40,470 --> 00:34:38,480
it left tracks it did cross a knoll and

957
00:34:42,869 --> 00:34:40,480
left round tracks

958
00:34:45,349 --> 00:34:42,879
and it took us a few days to figure out

959
00:34:47,589 --> 00:34:45,359
that it was a bigfoot type like creature

960
00:34:49,589 --> 00:34:47,599
that was standing on his tiptoes i have

961
00:34:52,149 --> 00:34:49,599
photographs of these tracks and you can

962
00:34:54,550 --> 00:34:52,159
actually see the the the ridge lines

963
00:34:57,349 --> 00:34:54,560

with the veins and all that work

964

00:34:59,829 --> 00:34:57,359

so uh we walked down there as close as

965

00:35:01,750 --> 00:34:59,839

we we dared to with our three million

966

00:35:03,990 --> 00:35:01,760

power

967

00:35:07,190 --> 00:35:04,000

flat of spotlights

968

00:35:09,190 --> 00:35:07,200

and uh mine died and linda's linda's

969

00:35:11,190 --> 00:35:09,200

spotlight was getting a little bit low

970

00:35:12,790 --> 00:35:11,200

and what we didn't know there was a

971

00:35:14,310 --> 00:35:12,800

line of trees in front of us we thought

972

00:35:16,310 --> 00:35:14,320

the creature was in the trees but it

973

00:35:18,950 --> 00:35:16,320

wasn't it was on the ridge looking down

974

00:35:20,150 --> 00:35:18,960

up at us and only his head was above the

975

00:35:23,109 --> 00:35:20,160

ridge

976

00:35:25,030 --> 00:35:23,119

so if we had if we had night vision uh

977

00:35:26,630 --> 00:35:25,040

binoculars at that time

978

00:35:28,710 --> 00:35:26,640

uh we would have seen it

979

00:35:31,589 --> 00:35:28,720

but it after that it left and then the

980

00:35:33,750 --> 00:35:31,599

next day we went up there yeah now i um

981

00:35:34,550 --> 00:35:33,760

i in my during my own investigations

982

00:35:36,790 --> 00:35:34,560

i've

983

00:35:39,030 --> 00:35:36,800

discovered we have quite a few of these

984

00:35:42,150 --> 00:35:39,040

what we call invisible uh beings i mean

985

00:35:44,550 --> 00:35:42,160

uh sometimes they do manifest um

986

00:35:46,230 --> 00:35:44,560

as physical form excuse me and they can

987

00:35:47,349 --> 00:35:46,240

take out all kinds of appearances from

988

00:35:49,510 --> 00:35:47,359

very um

989

00:35:52,550 --> 00:35:49,520

human looking entities to

990

00:35:54,790 --> 00:35:52,560

uh things that are uh frightening to the

991

00:35:56,310 --> 00:35:54,800

one to visualize if one is not familiar

992

00:35:58,310 --> 00:35:56,320

with with this

993

00:35:59,670 --> 00:35:58,320

so i have a lot of uh their presence

994

00:36:01,750 --> 00:35:59,680

been noted there do you think it's one

995

00:36:03,990 --> 00:36:01,760

group or more than one group that's

996

00:36:07,030 --> 00:36:04,000

well you know linda bradshaw's theory

997

00:36:08,550 --> 00:36:07,040

was that the bradshaw ranch was a portal

998

00:36:10,390 --> 00:36:08,560

from other dimensions and i think that's

999

00:36:11,589 --> 00:36:10,400

what it was creatures and beings from

1000

00:36:13,829 --> 00:36:11,599

other dimensions

1001
00:36:15,670 --> 00:36:13,839
would come out through that portal and

1002
00:36:18,230 --> 00:36:15,680
be on the ranch like halloween every

1003
00:36:19,829 --> 00:36:18,240
night yeah yeah and she could feel them

1004
00:36:21,030 --> 00:36:19,839
and we could smell them once in a while

1005
00:36:24,390 --> 00:36:21,040
that was weird

1006
00:36:27,109 --> 00:36:24,400
i mean there'd be smell there'd be a a

1007
00:36:28,230 --> 00:36:27,119
burning and tower was one odor and roses

1008
00:36:30,310 --> 00:36:28,240
was another

1009
00:36:31,430 --> 00:36:30,320
then the winter you'd suddenly smell

1010
00:36:32,390 --> 00:36:31,440
like you were in the middle of a rose

1011
00:36:33,750 --> 00:36:32,400
garden

1012
00:36:35,750 --> 00:36:33,760
smell roses well now that's kind of

1013
00:36:37,589 --> 00:36:35,760

funny too because um

1014

00:36:40,310 --> 00:36:37,599

uh in a lot of the apparitions like the

1015

00:36:42,230 --> 00:36:40,320

virgin mary and all they smell the uh

1016

00:36:45,750 --> 00:36:42,240

the the roses or sometimes you can see

1017

00:36:47,910 --> 00:36:45,760

the rose petals uh falling down from

1018

00:36:49,190 --> 00:36:47,920

the sky you know so that seems to be one

1019

00:36:51,190 --> 00:36:49,200

scent uh

1020

00:36:55,190 --> 00:36:51,200

of sulfur

1021

00:36:57,270 --> 00:36:55,200

well you know there was there was a one

1022

00:37:00,310 --> 00:36:57,280

night i went back into my van to reload

1023

00:37:04,069 --> 00:37:00,320

my camera the 35 millimeter camera and

1024

00:37:06,150 --> 00:37:04,079

there was a uh a tower-like smell

1025

00:37:07,829 --> 00:37:06,160

we could we smelled it earlier in the

1026
00:37:11,270 --> 00:37:07,839
evening and whatever it was followed me

1027
00:37:13,190 --> 00:37:11,280
into the van it gets to get so strong

1028
00:37:14,710 --> 00:37:13,200
whatever that creature was it was it was

1029
00:37:16,870 --> 00:37:14,720
in the van with me

1030
00:37:19,990 --> 00:37:16,880
and as i was as i was reloading my

1031
00:37:22,870 --> 00:37:20,000
camera i snapped it shut and we had the

1032
00:37:25,109 --> 00:37:22,880
habit of putting our finger over the red

1033
00:37:27,190 --> 00:37:25,119
or green light so that you couldn't see

1034
00:37:29,430 --> 00:37:27,200
the flash was powered up

1035
00:37:31,109 --> 00:37:29,440
and what i did was i still regret this

1036
00:37:35,109 --> 00:37:31,119
to the day this to this day because i

1037
00:37:37,109 --> 00:37:35,119
think i heard something very badly

1038
00:37:39,030 --> 00:37:37,119

i had my finger over the the power the

1039

00:37:40,390 --> 00:37:39,040

flash power up light i spun around real

1040

00:37:42,390 --> 00:37:40,400

quick in the in the

1041

00:37:44,710 --> 00:37:42,400

the open doors my van took a picture and

1042

00:37:47,109 --> 00:37:44,720

there was an explosion if you can if you

1043

00:37:49,990 --> 00:37:47,119

can visualize a daisy about four feet

1044

00:37:51,829 --> 00:37:50,000

across this thing exploded and it looked

1045

00:37:53,910 --> 00:37:51,839

like a daisy and then it just it just

1046

00:37:54,950 --> 00:37:53,920

wilted it just kind of collapsed like

1047

00:37:56,950 --> 00:37:54,960

that

1048

00:37:59,589 --> 00:37:56,960

so i whatever it was i took something

1049

00:38:03,109 --> 00:37:59,599

completely by surprise i think i heard

1050

00:38:06,710 --> 00:38:03,119

something with flash very badly

1051
00:38:08,790 --> 00:38:06,720
so okay where you say interdimensional i

1052
00:38:11,109 --> 00:38:08,800
mean is there do they

1053
00:38:12,950 --> 00:38:11,119
where do where do they uh like live or

1054
00:38:14,390 --> 00:38:12,960
reside or do they live in the sense that

1055
00:38:16,230 --> 00:38:14,400
we think of i mean do they have an

1056
00:38:17,990 --> 00:38:16,240
intelligence behind them

1057
00:38:19,270 --> 00:38:18,000
well you know it's like linda said it

1058
00:38:20,630 --> 00:38:19,280
was sometimes like being in the middle

1059
00:38:22,710 --> 00:38:20,640
of new york city but you couldn't see

1060
00:38:24,390 --> 00:38:22,720
the beings but you you could feel them

1061
00:38:26,710 --> 00:38:24,400
walking around us and chances are they

1062
00:38:28,150 --> 00:38:26,720
could see us and we couldn't see them

1063
00:38:30,550 --> 00:38:28,160

um

1064

00:38:34,310 --> 00:38:30,560

uh at times it was it was it was pretty

1065

00:38:35,109 --> 00:38:34,320

dramatic i mean you could literally feel

1066

00:38:36,230 --> 00:38:35,119

uh

1067

00:38:38,550 --> 00:38:36,240

beings

1068

00:38:40,790 --> 00:38:38,560

are all around you and chances are we

1069

00:38:43,109 --> 00:38:40,800

were there there might have been a place

1070

00:38:44,470 --> 00:38:43,119

where dimensions crossed and they might

1071

00:38:45,349 --> 00:38:44,480

have been aware of us they might not

1072

00:38:47,349 --> 00:38:45,359

have been

1073

00:38:49,910 --> 00:38:47,359

but we an incident that happened and it

1074

00:38:52,230 --> 00:38:49,920

happened here a year ago on july 9th

1075

00:38:56,710 --> 00:38:52,240

uh linda and i were where uh this is

1076

00:39:01,670 --> 00:38:58,870

about 1994

1077

00:39:04,550 --> 00:39:01,680

linda and i and another and a girl were

1078

00:39:07,109 --> 00:39:04,560

on the bradshaw ranch and

1079

00:39:08,310 --> 00:39:07,119

i had gone back to my van to reload my

1080

00:39:09,349 --> 00:39:08,320

camera again

1081

00:39:11,510 --> 00:39:09,359

and uh

1082

00:39:13,829 --> 00:39:11,520

linda and the girl were

1083

00:39:16,310 --> 00:39:13,839

oh maybe 50 yards from me with

1084

00:39:18,310 --> 00:39:16,320

spotlights and the dogs got up and

1085

00:39:19,589 --> 00:39:18,320

charged something again

1086

00:39:22,069 --> 00:39:19,599

and so

1087

00:39:24,390 --> 00:39:22,079

i went back and by then

1088

00:39:27,349 --> 00:39:24,400

uh the the linda and the girl were

1089

00:39:29,670 --> 00:39:27,359

shining the spotlight back and forth and

1090

00:39:31,430 --> 00:39:29,680

their lights fell on this man he'd been

1091

00:39:33,510 --> 00:39:31,440

standing uh

1092

00:39:35,030 --> 00:39:33,520

in the apple orchard by a fence post all

1093

00:39:37,109 --> 00:39:35,040

probably all the time we've been out

1094

00:39:38,870 --> 00:39:37,119

there which was ours

1095

00:39:41,829 --> 00:39:38,880

so

1096

00:39:43,829 --> 00:39:41,839

uh the dogs were catching up to him and

1097

00:39:45,750 --> 00:39:43,839

he walked diagonally away from us we got

1098

00:39:48,150 --> 00:39:45,760

a good look at him he was brown it was

1099

00:39:50,870 --> 00:39:48,160

about five foot six

1100

00:39:53,910 --> 00:39:50,880

brown hair brown skin brown clothes

1101
00:39:57,030 --> 00:39:53,920
brown shoes brown pants everything was a

1102
00:40:00,310 --> 00:39:57,040
light brown color the dogs caught up

1103
00:40:03,670 --> 00:40:02,150
and when they caught up to him he was

1104
00:40:05,829 --> 00:40:03,680
standing by a yucca bush so i know

1105
00:40:07,990 --> 00:40:05,839
exactly how tall he was and he never

1106
00:40:09,589 --> 00:40:08,000
turned his face towards us

1107
00:40:11,750 --> 00:40:09,599
just walked diagonally away from us kept

1108
00:40:12,950 --> 00:40:11,760
his face so we couldn't see it

1109
00:40:15,349 --> 00:40:12,960
and uh

1110
00:40:16,950 --> 00:40:15,359
obviously whatever it was didn't want us

1111
00:40:18,630 --> 00:40:16,960
to see his face

1112
00:40:20,390 --> 00:40:18,640
so as soon as the dogs caught up with

1113
00:40:22,150 --> 00:40:20,400

him unfortunately they moved the

1114

00:40:23,829 --> 00:40:22,160

spotlight so we didn't didn't see the

1115

00:40:25,190 --> 00:40:23,839

instant the dog caught it and dogs

1116

00:40:26,630 --> 00:40:25,200

caught up with it

1117

00:40:27,589 --> 00:40:26,640

but

1118

00:40:29,910 --> 00:40:27,599

the man

1119

00:40:32,870 --> 00:40:29,920

or whatever this creature was vanished

1120

00:40:35,349 --> 00:40:32,880

instantly right by the yucca plant

1121

00:40:37,589 --> 00:40:35,359

so the the dogs milled around and came

1122

00:40:40,069 --> 00:40:37,599

back

1123

00:40:41,750 --> 00:40:40,079

and then uh the next day we went down

1124

00:40:44,310 --> 00:40:41,760

there and there were no human tracks

1125

00:40:46,150 --> 00:40:44,320

there the the dirt was uh

1126

00:40:48,470 --> 00:40:46,160

uh

1127

00:40:50,470 --> 00:40:48,480

pumice powder

1128

00:40:52,470 --> 00:40:50,480

uh you know light anything would have

1129

00:40:54,550 --> 00:40:52,480

left the track and there were no

1130

00:40:56,390 --> 00:40:54,560

human tracks there so

1131

00:40:58,950 --> 00:40:56,400

whatever it was didn't leave tracks in

1132

00:41:01,270 --> 00:40:58,960

the ground there's only dog tracks there

1133

00:41:04,390 --> 00:41:01,280

so a year ago july 9th and this is in

1134

00:41:07,670 --> 00:41:04,400

the mufon journal the creature ran

1135

00:41:09,589 --> 00:41:07,680

this july 9th 2009. the creature ran

1136

00:41:11,190 --> 00:41:09,599

right through downtown sedona and it was

1137

00:41:12,790 --> 00:41:11,200

the same creature

1138

00:41:15,030 --> 00:41:12,800

it was all brown

1139

00:41:16,390 --> 00:41:15,040

and actually didn't make the papers

1140

00:41:18,470 --> 00:41:16,400

no no

1141

00:41:20,150 --> 00:41:18,480

oh yeah no that stuff never happened i

1142

00:41:22,470 --> 00:41:20,160

used to joke that they they could they

1143

00:41:24,150 --> 00:41:22,480

could drag a crashed ufo behind a pickup

1144

00:41:26,309 --> 00:41:24,160

truck in downtown sedona and they'd

1145

00:41:28,950 --> 00:41:26,319

never put in the paper yeah

1146

00:41:29,990 --> 00:41:28,960

so so uh

1147

00:41:31,990 --> 00:41:30,000

uh

1148

00:41:33,750 --> 00:41:32,000

the creature ran through downtown and he

1149

00:41:35,910 --> 00:41:33,760

and he he was going through across the

1150

00:41:38,069 --> 00:41:35,920

parking lot and he evidently came

1151

00:41:39,910 --> 00:41:38,079

eyeball eyeball with a man

1152

00:41:41,510 --> 00:41:39,920

and he said the guy said in no way was

1153

00:41:45,430 --> 00:41:41,520

this creature a human

1154

00:41:47,510 --> 00:41:45,440

it had huge black eyes and it it moved

1155

00:41:49,510 --> 00:41:47,520

way way way too fast for human you know

1156

00:41:51,670 --> 00:41:49,520

did you you interviewed the witness no i

1157

00:41:53,270 --> 00:41:51,680

don't know but yeah it was in the muslin

1158

00:41:54,230 --> 00:41:53,280

journal

1159

00:41:55,750 --> 00:41:54,240

you know

1160

00:41:57,910 --> 00:41:55,760

but man i didn't even know about it

1161

00:41:59,349 --> 00:41:57,920

until a couple years ago somebody called

1162

00:42:01,589 --> 00:41:59,359

me and read it to me out of the muslin

1163

00:42:03,910 --> 00:42:01,599

journal so

1164

00:42:05,430 --> 00:42:03,920

uh yeah that stuff has used to happen

1165

00:42:07,430 --> 00:42:05,440

around here a lot

1166

00:42:09,910 --> 00:42:07,440

why do you think it's not happening so

1167

00:42:11,750 --> 00:42:09,920

frequently anymore too many people

1168

00:42:12,950 --> 00:42:11,760

too many bright lights too many people

1169

00:42:14,790 --> 00:42:12,960

you know too many bright lights too many

1170

00:42:17,510 --> 00:42:14,800

people this is

1171

00:42:18,790 --> 00:42:17,520

five times the people here now as well i

1172

00:42:21,190 --> 00:42:18,800

noticed that i've been coming here maybe

1173

00:42:23,270 --> 00:42:21,200

20 years or more it's hard to get into

1174

00:42:24,790 --> 00:42:23,280

town

1175

00:42:26,710 --> 00:42:24,800

yeah yeah and they can the places that

1176

00:42:29,109 --> 00:42:26,720

used to be like boynton canyon used to

1177

00:42:31,109 --> 00:42:29,119

be you know sheer magic you know almost

1178

00:42:33,190 --> 00:42:31,119

nothing happens there now because

1179

00:42:35,030 --> 00:42:33,200

there's people here all the time so it's

1180

00:42:37,030 --> 00:42:35,040

just too many people

1181

00:42:39,030 --> 00:42:37,040

but obviously the word got out about all

1182

00:42:41,510 --> 00:42:39,040

this the sub degree and then people

1183

00:42:43,430 --> 00:42:41,520

started coming

1184

00:42:46,470 --> 00:42:43,440

well i mean it wasn't just the ufos

1185

00:42:48,950 --> 00:42:46,480

obviously but uh uh this is one of the

1186

00:42:50,950 --> 00:42:48,960

the the strongholds for the new age here

1187

00:42:52,790 --> 00:42:50,960

i mean i can't think of maybe outside of

1188

00:42:53,510 --> 00:42:52,800

roswell any other city that you can go

1189

00:42:58,470 --> 00:42:53,520

to

1190

00:43:00,710 --> 00:42:58,480

or crystal shop on every corner there

1191

00:43:03,109 --> 00:43:00,720

used to be 26 uh

1192

00:43:05,990 --> 00:43:03,119

metaphysical bookstores here

1193

00:43:07,990 --> 00:43:06,000

now now they're far less yeah well

1194

00:43:10,309 --> 00:43:08,000

that's the uh the the demise of the

1195

00:43:11,829 --> 00:43:10,319

bookstore yeah uh no matter where you go

1196

00:43:13,510 --> 00:43:11,839

you know pretty soon we're going to have

1197

00:43:17,829 --> 00:43:13,520

to go back to what the native americans

1198

00:43:19,750 --> 00:43:17,839

did in leaving our message on the rocks

1199

00:43:21,270 --> 00:43:19,760

that'll be the uh

1200

00:43:22,950 --> 00:43:21,280

the the way it said well you know

1201

00:43:25,030 --> 00:43:22,960

richard shaver who believed that there

1202

00:43:26,870 --> 00:43:25,040

was all this underground civilization he

1203

00:43:28,470 --> 00:43:26,880

claimed that by cutting rocks in half he

1204

00:43:29,750 --> 00:43:28,480

could actually see paintings of all

1205

00:43:31,910 --> 00:43:29,760

these things that happened you know

1206

00:43:34,950 --> 00:43:31,920

civilizations ago in atlantis and moo

1207

00:43:36,470 --> 00:43:34,960

and so forth maybe we've got maybe maybe

1208

00:43:38,550 --> 00:43:36,480

some of these rocks also contain some

1209

00:43:40,309 --> 00:43:38,560

information beyond what's just you know

1210

00:43:42,309 --> 00:43:40,319

actually carved on them maybe we'll end

1211

00:43:43,589 --> 00:43:42,319

up going back to doing uh you know doing

1212

00:43:45,910 --> 00:43:43,599

that in the future we'll have to leave

1213

00:43:47,670 --> 00:43:45,920

it on for future people to read because

1214

00:43:49,190 --> 00:43:47,680

there won't be any books anymore yet

1215

00:43:51,910 --> 00:43:49,200

you'll either have to have a kendall or

1216

00:43:53,829 --> 00:43:51,920

a rock that'll be the uh the trick yeah

1217

00:43:55,750 --> 00:43:53,839

but but you but you you do you think

1218

00:43:57,910 --> 00:43:55,760

that they're still here and they're just

1219

00:43:59,990 --> 00:43:57,920

not visible or or have they gone back

1220

00:44:01,349 --> 00:44:00,000

into their portal

1221

00:44:02,870 --> 00:44:01,359

well

1222

00:44:05,030 --> 00:44:02,880

they're still here but they they're

1223

00:44:06,390 --> 00:44:05,040

they've it's retreated way back into

1224

00:44:10,870 --> 00:44:06,400

remote areas

1225

00:44:13,510 --> 00:44:10,880

now the one place here that's

1226

00:44:15,910 --> 00:44:13,520

is hasn't changed is sycamore canyon

1227

00:44:18,150 --> 00:44:15,920

sycamore canyon is a scary place there's

1228

00:44:20,309 --> 00:44:18,160

things going on in sycamore canyon there

1229

00:44:22,390 --> 00:44:20,319

have been a lot of alien abductions in

1230

00:44:23,750 --> 00:44:22,400

sycamore canyon and just super

1231

00:44:27,990 --> 00:44:23,760

paranormal

1232

00:44:29,990 --> 00:44:28,000

uh activity they're taking the tourists

1233

00:44:32,069 --> 00:44:30,000

the objections

1234

00:44:33,430 --> 00:44:32,079

no no you don't want we don't want you

1235

00:44:34,630 --> 00:44:33,440

know you don't want to say no no no now

1236

00:44:37,829 --> 00:44:34,640

you don't want to mention the last six

1237

00:44:39,829 --> 00:44:37,839

tourists that disappeared no no no

1238

00:44:42,550 --> 00:44:39,839

no the last there have been people found

1239

00:44:46,069 --> 00:44:42,560

dead in sycamore canyon with no no

1240

00:44:47,829 --> 00:44:46,079

reason for uh they're just dead

1241

00:44:49,910 --> 00:44:47,839

uh

1242

00:44:51,270 --> 00:44:49,920

probably with hikers

1243

00:44:54,069 --> 00:44:51,280

but

1244

00:44:56,630 --> 00:44:54,079

sycamore canyon is if the abductions

1245

00:44:57,829 --> 00:44:56,640

have stopped stopped 15 years ago most

1246

00:44:59,430 --> 00:44:57,839

the abduction there hasn't been an

1247

00:45:00,870 --> 00:44:59,440

abduction around here that i know of in

1248

00:45:03,109 --> 00:45:00,880

15 years

1249

00:45:05,109 --> 00:45:03,119

but the strange activity strange lights

1250

00:45:07,510 --> 00:45:05,119

and things flying out of in sycamore

1251

00:45:10,309 --> 00:45:07,520

canyon still happens a lot and it's it's

1252

00:45:11,349 --> 00:45:10,319

a strange place you you put any stock in

1253

00:45:13,190 --> 00:45:11,359

channeling

1254

00:45:14,710 --> 00:45:13,200

yeah i used to teach it

1255

00:45:16,790 --> 00:45:14,720

used to teach it

1256

00:45:19,270 --> 00:45:16,800

and and so what does your your uh who do

1257

00:45:21,190 --> 00:45:19,280

you who did you or do you channel and

1258

00:45:23,750 --> 00:45:21,200

what did they say

1259

00:45:24,950 --> 00:45:23,760

well uh i got bored of channeling after

1260

00:45:26,950 --> 00:45:24,960

a while because i didn't know where the

1261

00:45:29,030 --> 00:45:26,960

information was coming from so i stopped

1262

00:45:30,150 --> 00:45:29,040

doing that about 15 years ago but it's a

1263

00:45:32,230 --> 00:45:30,160

it's a

1264

00:45:33,990 --> 00:45:32,240

there are a handful of authentic

1265

00:45:35,670 --> 00:45:34,000

channels in the world really authentic

1266

00:45:38,550 --> 00:45:35,680

they really are channeling the higher

1267

00:45:40,550 --> 00:45:38,560

being i would say a dozen at the most

1268

00:45:43,109 --> 00:45:40,560

unfortunately most channels i think are

1269

00:45:45,670 --> 00:45:43,119

channeling their own subconscious

1270

00:45:48,069 --> 00:45:45,680

do you you say okay are these higher

1271

00:45:48,950 --> 00:45:48,079

beings here some of them

1272

00:45:49,829 --> 00:45:48,960

uh

1273

00:45:52,550 --> 00:45:49,839

you mean

1274

00:45:54,470 --> 00:45:52,560

spiritual and sedona yeah

1275

00:45:55,829 --> 00:45:54,480

oh i'm sure there is they're everywhere

1276

00:45:57,990 --> 00:45:55,839

but you know my focus has been

1277

00:45:59,270 --> 00:45:58,000

extraterrestrials and they're not also

1278

00:46:00,950 --> 00:45:59,280

good

1279

00:46:01,990 --> 00:46:00,960

um well

1280

00:46:02,950 --> 00:46:02,000

you know

1281

00:46:04,950 --> 00:46:02,960

um

1282

00:46:06,550 --> 00:46:04,960

i'll make a comparison here

1283

00:46:09,349 --> 00:46:06,560

you know the gorman ranch in utah

1284

00:46:12,829 --> 00:46:09,359

skinwalker yes of course yeah well the

1285

00:46:14,390 --> 00:46:12,839

the the at the time

1286

00:46:16,550 --> 00:46:14,400

uh

1287

00:46:18,550 --> 00:46:16,560

when the skinwalker ranch started linda

1288

00:46:20,630 --> 00:46:18,560

bradshaw and i have been on the bradshaw

1289

00:46:23,030 --> 00:46:20,640

ranch for four years studying the exact

1290

00:46:24,470 --> 00:46:23,040

same thing we offered when we found out

1291

00:46:26,710 --> 00:46:24,480

what was going on on skin rock

1292

00:46:28,790 --> 00:46:26,720

skinwalker ranch we offered

1293

00:46:31,190 --> 00:46:28,800

to uh go up there and

1294

00:46:32,950 --> 00:46:31,200

consult with them we have we had a vast

1295

00:46:34,950 --> 00:46:32,960

experience with this stuff and they

1296

00:46:36,710 --> 00:46:34,960

completely ignored us

1297

00:46:38,550 --> 00:46:36,720

uh which we still to this day don't

1298

00:46:40,710 --> 00:46:38,560

understand because we had a vast

1299

00:46:42,710 --> 00:46:40,720

knowledge of experience with these these

1300

00:46:44,870 --> 00:46:42,720

creatures and these things do they do

1301

00:46:47,030 --> 00:46:44,880

the same ones up there no

1302

00:46:49,030 --> 00:46:47,040

well that's that that's that's the point

1303

00:46:51,750 --> 00:46:49,040

whatever happened on the the uh the

1304

00:46:54,950 --> 00:46:51,760

gorman ranch was absolute evil

1305

00:46:56,470 --> 00:46:54,960

i mean the the worst evil and on the

1306

00:47:00,069 --> 00:46:56,480

bradshaw ranch is the same kind of

1307

00:47:01,109 --> 00:47:00,079

activity but it was it was totally uh uh

1308

00:47:01,829 --> 00:47:01,119

uh

1309

00:47:04,390 --> 00:47:01,839

yeah

1310

00:47:05,829 --> 00:47:04,400

and uh

1311

00:47:08,470 --> 00:47:05,839

yeah it was benevolent it was very it

1312

00:47:11,349 --> 00:47:08,480

was very uh very uh

1313

00:47:12,069 --> 00:47:11,359

very non uh harmful

1314

00:47:12,870 --> 00:47:12,079

so

1315

00:47:16,230 --> 00:47:12,880

uh

1316

00:47:17,430 --> 00:47:16,240

it's a it's a curious thing because that

1317

00:47:19,829 --> 00:47:17,440

those two things are going on at the

1318

00:47:21,829 --> 00:47:19,839

same time then in the san luis valley in

1319

00:47:23,829 --> 00:47:21,839

colorado yeah in fact i'm interviewing

1320

00:47:26,150 --> 00:47:23,839

chris o'brien tomorrow yeah i'm going to

1321

00:47:27,910 --> 00:47:26,160

see him in his house

1322

00:47:29,990 --> 00:47:27,920

uh well warminster england where i

1323

00:47:31,670 --> 00:47:30,000

mentioned that we had signal to this ufo

1324

00:47:33,510 --> 00:47:31,680

the same thing people were hearing

1325

00:47:35,990 --> 00:47:33,520

footsteps behind them they turned around

1326

00:47:37,829 --> 00:47:36,000

they would see a like big brush

1327

00:47:39,510 --> 00:47:37,839

part yeah and like somebody was walking

1328

00:47:42,390 --> 00:47:39,520

through but of course uh nobody was

1329

00:47:45,430 --> 00:47:42,400

visible uh there they did see this one

1330

00:47:47,990 --> 00:47:45,440

time a giant being of some sort when he

1331

00:47:51,030 --> 00:47:48,000

passed through a barbed wire fence

1332

00:47:53,190 --> 00:47:51,040

which i guess didn't hurt him um

1333

00:47:55,109 --> 00:47:53,200

they could see the outline of this being

1334

00:47:56,710 --> 00:47:55,119

and he was like you know 10 or 11 feet

1335

00:48:00,550 --> 00:47:56,720

uh tall

1336

00:48:03,109 --> 00:48:00,560

well when uh when uh

1337

00:48:04,950 --> 00:48:03,119

boynton canyon was real active there

1338

00:48:06,550 --> 00:48:04,960

were there were creatures back there

1339

00:48:08,470 --> 00:48:06,560

virgil armstrong

1340

00:48:10,309 --> 00:48:08,480

who died about it

1341

00:48:11,430 --> 00:48:10,319

yeah he passed away yeah about a year

1342

00:48:13,670 --> 00:48:11,440

ago

1343

00:48:17,030 --> 00:48:13,680

virgil i went back there about

1344

00:48:19,190 --> 00:48:17,040

1990 by around 1990 and had a really

1345

00:48:21,510 --> 00:48:19,200

amazing experience with

1346

00:48:22,710 --> 00:48:21,520

the i don't think they were big foot

1347

00:48:24,230 --> 00:48:22,720

creatures either they were just some

1348

00:48:25,270 --> 00:48:24,240

kind of a creature that was very very

1349

00:48:27,430 --> 00:48:25,280

large

1350

00:48:28,630 --> 00:48:27,440

and we followed two of these creatures

1351

00:48:29,829 --> 00:48:28,640

uh

1352

00:48:32,309 --> 00:48:29,839

you couldn't really see them but you

1353

00:48:35,510 --> 00:48:32,319

could sense them easily because this the

1354

00:48:37,109 --> 00:48:35,520

energy is it and the the size they were

1355

00:48:40,549 --> 00:48:37,119

and i've taken tours back there and the

1356

00:48:41,589 --> 00:48:40,559

whole group could see the being

1357

00:48:43,670 --> 00:48:41,599

mentally

1358

00:48:46,390 --> 00:48:43,680

so originally i followed two of those

1359

00:48:48,230 --> 00:48:46,400

beings and one of them uh went away real

1360

00:48:50,710 --> 00:48:48,240

fast but another one went up on top of a

1361

00:48:53,030 --> 00:48:50,720

ridge where we closed our ledge

1362

00:48:54,790 --> 00:48:53,040

where we couldn't get to

1363

00:48:57,750 --> 00:48:54,800

and uh

1364

00:49:00,150 --> 00:48:57,760

we uh we walked as we would walk towards

1365

00:49:02,309 --> 00:49:00,160

that ledge we did it a half a dozen

1366

00:49:04,549 --> 00:49:02,319

times and the pressure on our chest got

1367

00:49:06,630 --> 00:49:04,559

so great we we couldn't couldn't breathe

1368

00:49:08,710 --> 00:49:06,640

we'd back off and we could breathe and

1369

00:49:10,230 --> 00:49:08,720

walk towards that ledge and whatever

1370

00:49:12,549 --> 00:49:10,240

this this energy was coming from the

1371

00:49:16,790 --> 00:49:12,559

creature probably a defensive thing

1372

00:49:19,750 --> 00:49:16,800

but uh i have seen uh

1373

00:49:22,150 --> 00:49:19,760

creatures i would say

1374

00:49:24,870 --> 00:49:22,160

the tallest one was probably i'd

1375

00:49:26,549 --> 00:49:24,880

estimate 20 feet tall it was invisible

1376

00:49:28,069 --> 00:49:26,559

it was invisible

1377

00:49:29,829 --> 00:49:28,079

this is weird

1378

00:49:33,349 --> 00:49:29,839

and i talked to a rancher here that was

1379

00:49:35,829 --> 00:49:33,359

uh here in 1949 he reluctantly said you

1380

00:49:37,349 --> 00:49:35,839

know i had the same experience you did

1381

00:49:39,670 --> 00:49:37,359

when i was out rounding up cattle one

1382

00:49:41,670 --> 00:49:39,680

time so for him to admit that

1383

00:49:43,670 --> 00:49:41,680

you know redneck arizona ranch you know

1384

00:49:45,990 --> 00:49:43,680

that was pretty significant but this

1385

00:49:48,230 --> 00:49:46,000

thing i said this is a very long story

1386

00:49:49,910 --> 00:49:48,240

but to make this story short

1387

00:49:52,390 --> 00:49:49,920

i was camped out there

1388

00:49:53,670 --> 00:49:52,400

and a creature walked through

1389

00:49:55,030 --> 00:49:53,680

dry trees

1390

00:49:55,750 --> 00:49:55,040

pine trees

1391

00:49:57,510 --> 00:49:55,760

and

1392

00:49:59,030 --> 00:49:57,520

by the sound that it made i would

1393

00:50:01,109 --> 00:49:59,040

estimate the thing was as tall as the

1394

00:50:01,990 --> 00:50:01,119

trees it was about 20 feet and you could

1395

00:50:07,190 --> 00:50:02,000

hear

1396

00:50:11,589 --> 00:50:09,910

so i went to where i had a vantage point

1397

00:50:12,870 --> 00:50:11,599

i turned on my spotlight the thing

1398

00:50:14,309 --> 00:50:12,880

stopped

1399

00:50:15,829 --> 00:50:14,319

didn't make no sound so i knew the thing

1400

00:50:18,630 --> 00:50:15,839

was watching me

1401

00:50:20,630 --> 00:50:18,640

it kind of made me real nervous

1402

00:50:22,790 --> 00:50:20,640

so the next day i stayed up all night in

1403

00:50:24,790 --> 00:50:22,800

the morning i went down there where this

1404

00:50:27,750 --> 00:50:24,800

all this noise was happening and there

1405

00:50:29,510 --> 00:50:27,760

was there was a deer a deer had walked

1406

00:50:31,430 --> 00:50:29,520

through there in the night other than

1407

00:50:32,790 --> 00:50:31,440

that if a rabbit had to run through

1408

00:50:33,589 --> 00:50:32,800

there it would have left track there was

1409

00:50:40,549 --> 00:50:33,599

no

1410

00:50:42,230 --> 00:50:40,559

on the ground but yet i listened to this

1411

00:50:44,390 --> 00:50:42,240

thing for 20 minutes crashing through

1412

00:50:46,790 --> 00:50:44,400

the trees down there and they left no

1413

00:50:48,950 --> 00:50:46,800

physical sign of being there at all

1414

00:50:50,470 --> 00:50:48,960

except the noise but you see you heard

1415

00:50:52,230 --> 00:50:50,480

him crash through the trees but he they

1416

00:50:57,510 --> 00:50:52,240

didn't break up any break off any

1417

00:51:01,510 --> 00:50:59,349

that was going to be my next question

1418

00:51:03,510 --> 00:51:01,520

how about as far as physical evidence uh

1419

00:51:05,750 --> 00:51:03,520

goes do they ever leave anything

1420

00:51:07,510 --> 00:51:05,760

physical behind uh yeah we've got

1421

00:51:09,109 --> 00:51:07,520

photographs of tracks and all kinds of

1422

00:51:10,950 --> 00:51:09,119

photographs my books are full of

1423

00:51:12,230 --> 00:51:10,960

photographs

1424

00:51:13,750 --> 00:51:12,240

unfortunately

1425

00:51:16,390 --> 00:51:13,760

when we were doing our research out

1426

00:51:18,549 --> 00:51:16,400

there they they uh

1427

00:51:20,390 --> 00:51:18,559

there were no outside of beta cam

1428

00:51:22,230 --> 00:51:20,400

cameras and we tried to get

1429

00:51:24,230 --> 00:51:22,240

universal studios and some of the

1430

00:51:26,790 --> 00:51:24,240

networks to come out there you know this

1431

00:51:27,990 --> 00:51:26,800

is i i must say i i do interviews uh all

1432

00:51:29,349 --> 00:51:28,000

the time i've been doing it for years

1433

00:51:31,190 --> 00:51:29,359

this is some of the most

1434

00:51:32,790 --> 00:51:31,200

amazing uh material i mean i've known

1435

00:51:34,230 --> 00:51:32,800

you for a while i you know i picked up

1436

00:51:35,750 --> 00:51:34,240

the book and we did publish an article

1437

00:51:38,069 --> 00:51:35,760

in ufo universe but i've never heard it

1438

00:51:40,230 --> 00:51:38,079

from the monsters not the horse's mouth

1439

00:51:42,790 --> 00:51:40,240

you know

1440

00:51:44,309 --> 00:51:42,800

and and it's just it's amazing stuff if

1441

00:51:46,069 --> 00:51:44,319

this were 15 years ago there'd be a

1442

00:51:47,670 --> 00:51:46,079

stampede of people

1443

00:51:49,349 --> 00:51:47,680

yeah yeah and i guess there was for a

1444

00:51:51,829 --> 00:51:49,359

while that came for the metaphysical

1445

00:51:54,630 --> 00:51:51,839

teachings and uh well you know we had we

1446

00:51:55,910 --> 00:51:54,640

had we had most of tv networks universal

1447

00:51:58,470 --> 00:51:55,920

studios

1448

00:51:59,829 --> 00:51:58,480

out there with the crews uh we were i've

1449

00:52:05,109 --> 00:51:59,839

been on national tv

1450

00:52:09,270 --> 00:52:07,270

but we we got the camera crews would be

1451
00:52:12,069 --> 00:52:09,280
out there and they'd see the stuff and

1452
00:52:13,270 --> 00:52:12,079
we like i remember universal studios in

1453
00:52:14,870 --> 00:52:13,280
particular

1454
00:52:17,430 --> 00:52:14,880
they said go back and talk to your

1455
00:52:19,589 --> 00:52:17,440
people and tell them

1456
00:52:21,829 --> 00:52:19,599
could we have a beta cam camera that's

1457
00:52:23,589 --> 00:52:21,839
the only thing at the time 50 000 camera

1458
00:52:25,270 --> 00:52:23,599
that would film at night

1459
00:52:26,790 --> 00:52:25,280
you can you can leave the camera with us

1460
00:52:27,990 --> 00:52:26,800
if you trust them yeah they should these

1461
00:52:29,510 --> 00:52:28,000
things shoot pretty good at night i'll

1462
00:52:31,750 --> 00:52:29,520
tell you that

1463
00:52:33,589 --> 00:52:31,760

well panasonic had one at the time in

1464

00:52:36,710 --> 00:52:33,599

the early 90s it did work at night we

1465

00:52:37,910 --> 00:52:36,720

didn't know about it it was affordable

1466

00:52:40,870 --> 00:52:37,920

um

1467

00:52:42,069 --> 00:52:40,880

so we but so we got the camera crews

1468

00:52:44,069 --> 00:52:42,079

would go back and say oh yeah with

1469

00:52:46,950 --> 00:52:44,079

incredible stuff going on out there no

1470

00:52:49,510 --> 00:52:46,960

no response for any of them it really

1471

00:52:51,109 --> 00:52:49,520

was like somebody like probably in the

1472

00:52:52,549 --> 00:52:51,119

governor was saying you know

1473

00:52:53,990 --> 00:52:52,559

no way well

1474

00:52:56,549 --> 00:52:54,000

let me tell you i've worked on the

1475

00:52:59,270 --> 00:52:56,559

movies and tv shows and stuff to get

1476

00:53:00,950 --> 00:52:59,280

anybody to make a move on anything it's

1477

00:53:03,190 --> 00:53:00,960

like you got to get a whole orchestra of

1478

00:53:04,309 --> 00:53:03,200

people to agree on something you know i

1479

00:53:06,790 --> 00:53:04,319

i mean just

1480

00:53:08,390 --> 00:53:06,800

it's it's uh my my friend john keel who

1481

00:53:10,390 --> 00:53:08,400

wrote the book mothman prophecies and

1482

00:53:13,109 --> 00:53:10,400

finally had richard gere starring the

1483

00:53:15,270 --> 00:53:13,119

movie that took that took him years and

1484

00:53:17,670 --> 00:53:15,280

years and years to get that made into a

1485

00:53:20,790 --> 00:53:17,680

film and you know the only way that

1486

00:53:23,270 --> 00:53:20,800

actually got into into a um a movie is

1487

00:53:25,750 --> 00:53:23,280

because of the delhi llama

1488

00:53:26,630 --> 00:53:25,760

the richard gere asked the deli being a

1489

00:53:29,750 --> 00:53:26,640

um

1490

00:53:32,549 --> 00:53:29,760

you know a buddhist ask the dalai lama

1491

00:53:35,109 --> 00:53:32,559

should he do the movie or not and one of

1492

00:53:38,710 --> 00:53:35,119

the beliefs of the tibetans

1493

00:53:41,589 --> 00:53:38,720

is this a giant garuda bird so the delhi

1494

00:53:44,470 --> 00:53:41,599

llama gave his approval and richard gere

1495

00:53:46,630 --> 00:53:44,480

agreed to go on on on board and so the

1496

00:53:48,069 --> 00:53:46,640

movie finally got made otherwise it'd

1497

00:53:49,670 --> 00:53:48,079

still be going in a circle somewhere

1498

00:53:51,750 --> 00:53:49,680

there in hollywood you know now since

1499

00:53:53,510 --> 00:53:51,760

that came out there's been

1500

00:53:56,549 --> 00:53:53,520

at least three or four other films

1501
00:53:58,710 --> 00:53:56,559
devoted to the uh uh mothman in fact it

1502
00:54:01,270 --> 00:53:58,720
was one on the sci-fi channel uh the

1503
00:54:03,670 --> 00:54:01,280
other day not based on you know anything

1504
00:54:06,390 --> 00:54:03,680
factual at all but uh you know some

1505
00:54:08,150 --> 00:54:06,400
heart uh sci-fi uh yeah

1506
00:54:09,270 --> 00:54:08,160
it was terrible

1507
00:54:10,630 --> 00:54:09,280
it's better

1508
00:54:14,309 --> 00:54:10,640
better than some though but it was it

1509
00:54:16,069 --> 00:54:14,319
was the mothman seeks revenge

1510
00:54:18,069 --> 00:54:16,079
i thought that was a cl i thought there

1511
00:54:19,349 --> 00:54:18,079
was a little clever twist there but uh

1512
00:54:22,309 --> 00:54:19,359
yeah uh

1513
00:54:25,670 --> 00:54:22,319

no no no no sign of any thunderbirds out

1514

00:54:30,549 --> 00:54:25,680

here that the atheists talk about no no

1515

00:54:33,190 --> 00:54:30,559

no no uh uh no no giant birds

1516

00:54:34,390 --> 00:54:33,200

but to get back to that uh

1517

00:54:36,230 --> 00:54:34,400

that the uh

1518

00:54:37,750 --> 00:54:36,240

if we had a camera like a beta cam

1519

00:54:39,190 --> 00:54:37,760

camera we could have got footage that

1520

00:54:41,910 --> 00:54:39,200

the world would still be talking about

1521

00:54:44,230 --> 00:54:41,920

today be all over youtube i mean we saw

1522

00:54:44,950 --> 00:54:44,240

that's a profit maker yeah yeah right

1523

00:54:46,950 --> 00:54:44,960

yeah

1524

00:54:48,870 --> 00:54:46,960

but we started we saw stuff with the

1525

00:54:50,870 --> 00:54:48,880

eyes linda and i used to tell each other

1526
00:54:52,950 --> 00:54:50,880
all the time if you hadn't been standing

1527
00:54:55,270 --> 00:54:52,960
right beside me i saw the same thing i i

1528
00:54:56,870 --> 00:54:55,280
just did you saw the same thing i would

1529
00:54:59,510 --> 00:54:56,880
have thought i was crazy

1530
00:55:01,829 --> 00:54:59,520
it was so incredible stuff we saw and we

1531
00:55:03,030 --> 00:55:01,839
tried to 35 millimeter cameras you

1532
00:55:06,309 --> 00:55:03,040
couldn't do it

1533
00:55:08,309 --> 00:55:06,319
and we we finally got a a a camera video

1534
00:55:10,069 --> 00:55:08,319
camera and it just didn't work it was a

1535
00:55:11,430 --> 00:55:10,079
good one and it just would not film in

1536
00:55:13,190 --> 00:55:11,440
low light

1537
00:55:15,270 --> 00:55:13,200
so uh do you think they were blocking

1538
00:55:17,109 --> 00:55:15,280

some no i just the quality of the

1539

00:55:19,109 --> 00:55:17,119

cameras now i mean now the sony's any

1540

00:55:20,950 --> 00:55:19,119

any song oh this i was going to say this

1541

00:55:23,750 --> 00:55:20,960

i i've said uh i've shot a couple of

1542

00:55:25,910 --> 00:55:23,760

like low budget horror films mr creepo i

1543

00:55:27,430 --> 00:55:25,920

shot a scene in a hurricane with this

1544

00:55:29,270 --> 00:55:27,440

thing out at night with the night vision

1545

00:55:30,309 --> 00:55:29,280

and it's it looks like it was shot with

1546

00:55:31,829 --> 00:55:30,319

the

1547

00:55:34,150 --> 00:55:31,839

really heavy duty equipment you know

1548

00:55:36,230 --> 00:55:34,160

yeah yeah well i have three sony cameras

1549

00:55:38,470 --> 00:55:36,240

in in in there they'll they'll film in

1550

00:55:40,150 --> 00:55:38,480

total darkness yeah any of the total

1551

00:55:43,030 --> 00:55:40,160

darkness yeah with the eye can see the

1552

00:55:44,549 --> 00:55:43,040

camera look at it and if we'd had cancer

1553

00:55:46,309 --> 00:55:44,559

if we'd had cameras like that back in

1554

00:55:49,030 --> 00:55:46,319

the late 80s and early 90s we could have

1555

00:55:50,630 --> 00:55:49,040

got some footage that was you know

1556

00:55:52,470 --> 00:55:50,640

literally unbelievable

1557

00:55:54,390 --> 00:55:52,480

but we had i had in one instance i had

1558

00:55:56,710 --> 00:55:54,400

one i won't name the studio one of the

1559

00:55:59,109 --> 00:55:56,720

big networks they had a meeting a top

1560

00:56:00,710 --> 00:55:59,119

level meeting in new york one guy got up

1561

00:56:03,430 --> 00:56:00,720

got up said we're not having anything to

1562

00:56:05,670 --> 00:56:03,440

do with this is the end of it it's dead

1563

00:56:08,390 --> 00:56:05,680

that's it sat down it killed it right

1564

00:56:10,309 --> 00:56:08,400

there this was a top level meeting

1565

00:56:11,910 --> 00:56:10,319

to uh to get involved in the stuff that

1566

00:56:14,230 --> 00:56:11,920

goes on out there

1567

00:56:15,430 --> 00:56:14,240

the bradshaw ranch so that's too bad you

1568

00:56:16,710 --> 00:56:15,440

could have gotten somebody like steve

1569

00:56:19,430 --> 00:56:16,720

spielberg

1570

00:56:21,910 --> 00:56:19,440

to get involved or interested in it yeah

1571

00:56:23,589 --> 00:56:21,920

we we tried to connect with him but we

1572

00:56:24,630 --> 00:56:23,599

had a friend of a friend a friend of a

1573

00:56:26,789 --> 00:56:24,640

friend

1574

00:56:28,870 --> 00:56:26,799

and well he spielberg knew about it

1575

00:56:30,470 --> 00:56:28,880

because he lived here for a while

1576

00:56:32,230 --> 00:56:30,480

and that was at the time that the

1577

00:56:33,829 --> 00:56:32,240

bradshaw ranch was world famous so i

1578

00:56:36,390 --> 00:56:33,839

know we knew about it

1579

00:56:39,030 --> 00:56:36,400

well that does seem to be the thing even

1580

00:56:40,870 --> 00:56:39,040

if people of something like cloud

1581

00:56:43,430 --> 00:56:40,880

know about something like this they

1582

00:56:45,990 --> 00:56:43,440

might film a fictionalized

1583

00:56:49,109 --> 00:56:46,000

uh film and put it in but they're scared

1584

00:56:51,510 --> 00:56:49,119

of having something that's actually

1585

00:56:53,670 --> 00:56:51,520

you know factual and what's the what's

1586

00:56:56,630 --> 00:56:53,680

the thinking on this as far as the like

1587

00:56:58,630 --> 00:56:56,640

the chamber of commerce uh goes

1588

00:57:01,190 --> 00:56:58,640

well the chamber of commerce promotes

1589

00:57:03,990 --> 00:57:01,200

the metaphysical but not the uf they

1590

00:57:07,270 --> 00:57:04,000

never the newspapers uh the the chamber

1591

00:57:08,950 --> 00:57:07,280

of commerce never talks about ufos or

1592

00:57:10,630 --> 00:57:08,960

extraterrestrial beings or anything like

1593

00:57:13,030 --> 00:57:10,640

that never has there ever been any

1594

00:57:13,910 --> 00:57:13,040

articles in the paper here on on ufo

1595

00:57:16,789 --> 00:57:13,920

sightings

1596

00:57:20,309 --> 00:57:18,630

interesting you brought that up

1597

00:57:21,990 --> 00:57:20,319

the newspaper interviewed me one time in

1598

00:57:23,670 --> 00:57:22,000

fact it was a half page interview of me

1599

00:57:24,390 --> 00:57:23,680

it was a good story too

1600

00:57:25,990 --> 00:57:24,400

and

1601
00:57:27,349 --> 00:57:26,000
at the time as the managing editor of

1602
00:57:28,390 --> 00:57:27,359
the newspaper

1603
00:57:30,549 --> 00:57:28,400
and uh

1604
00:57:31,750 --> 00:57:30,559
so i mean i i thought this is highly

1605
00:57:33,910 --> 00:57:31,760
unusual

1606
00:57:35,430 --> 00:57:33,920
uh i said i i so i asked him are you

1607
00:57:37,829 --> 00:57:35,440
gonna get fired over this i mean it's

1608
00:57:39,510 --> 00:57:37,839
never been done before yeah you know and

1609
00:57:43,270 --> 00:57:39,520
he says he says i'm the boss nobody can

1610
00:57:44,069 --> 00:57:43,280
fire me and he resigned two weeks later

1611
00:57:46,069 --> 00:57:44,079
so

1612
00:57:48,470 --> 00:57:46,079
they published the story well you know

1613
00:57:49,589 --> 00:57:48,480

angela joyner who has her own radio show

1614

00:57:51,750 --> 00:57:49,599

on the internet

1615

00:57:54,069 --> 00:57:51,760

she was the editor of the newspaper down

1616

00:57:56,309 --> 00:57:54,079

in stevensville the texas and she got

1617

00:57:58,789 --> 00:57:56,319

bounced because she met one of the

1618

00:58:00,230 --> 00:57:58,799

witnesses on her own time he wanted to

1619

00:58:01,910 --> 00:58:00,240

bring her like an update on what he'd

1620

00:58:03,990 --> 00:58:01,920

seen and they said no no more ufos

1621

00:58:05,589 --> 00:58:04,000

you're out of here yeah so but now she

1622

00:58:06,710 --> 00:58:05,599

has her own radio yeah

1623

00:58:08,390 --> 00:58:06,720

radio show

1624

00:58:10,789 --> 00:58:08,400

she'd like to do a book if anybody would

1625

00:58:12,630 --> 00:58:10,799

publish it and so forth you know uh well

1626
00:58:14,870 --> 00:58:12,640
we mentioned we mentioned about uh

1627
00:58:16,789 --> 00:58:14,880
justin passing are there any

1628
00:58:18,150 --> 00:58:16,799
native american stories about things

1629
00:58:19,510 --> 00:58:18,160
here i mean

1630
00:58:21,349 --> 00:58:19,520
have you talked to any of the tribal

1631
00:58:23,349 --> 00:58:21,359
members uh

1632
00:58:25,990 --> 00:58:23,359
because we certainly have a an abundance

1633
00:58:26,950 --> 00:58:26,000
of native uh jewelry here in fact my big

1634
00:58:28,630 --> 00:58:26,960
um

1635
00:58:30,950 --> 00:58:28,640
piece of jewelry i got here many many

1636
00:58:32,789 --> 00:58:30,960
years ago i mean this this does seem to

1637
00:58:35,829 --> 00:58:32,799
be something that they they would

1638
00:58:37,750 --> 00:58:35,839

recognize as part of their uh

1639

00:58:40,549 --> 00:58:37,760

well you know if you if you talk to the

1640

00:58:42,549 --> 00:58:40,559

the uh the indians in confidence they'll

1641

00:58:44,870 --> 00:58:42,559

most of them will talk about it in fact

1642

00:58:46,549 --> 00:58:44,880

i i had a project it's kind of i think

1643

00:58:47,510 --> 00:58:46,559

it may be starting up again for five

1644

00:58:48,870 --> 00:58:47,520

years

1645

00:58:51,190 --> 00:58:48,880

i talked

1646

00:58:55,109 --> 00:58:51,200

i tried to i have this i call it the

1647

00:58:56,870 --> 00:58:55,119

navajo project because the the the uh

1648

00:58:58,789 --> 00:58:56,880

the stuff that goes on the navajo

1649

00:58:59,670 --> 00:58:58,799

reservation is incredible it's like it

1650

00:59:01,829 --> 00:58:59,680

was

1651
00:59:03,750 --> 00:59:01,839
what goes on the navajo reservation now

1652
00:59:06,710 --> 00:59:03,760
is what used to happen in the 50s here

1653
00:59:09,109 --> 00:59:06,720
in this country i mean ufo landings

1654
00:59:11,670 --> 00:59:09,119
extraterrestrials getting out incredible

1655
00:59:14,230 --> 00:59:11,680
paranormal stuff like the skin walkers

1656
00:59:15,510 --> 00:59:14,240
skin walker is not folklore it's real

1657
00:59:17,990 --> 00:59:15,520
yeah

1658
00:59:19,510 --> 00:59:18,000
so anyway so i had this uh i tried to

1659
00:59:21,510 --> 00:59:19,520
raise 50 000

1660
00:59:22,630 --> 00:59:21,520
i was told no you better try a hundred

1661
00:59:24,789 --> 00:59:22,640
thousand i want to do a five year

1662
00:59:26,710 --> 00:59:24,799
research project on the navajo nation

1663
00:59:29,349 --> 00:59:26,720

now last night on the history channel

1664

00:59:30,870 --> 00:59:29,359

they had a very uh good two-part it's a

1665

00:59:33,030 --> 00:59:30,880

five-part series on the ancient

1666

00:59:34,789 --> 00:59:33,040

astronauts and and all and last night

1667

00:59:36,470 --> 00:59:34,799

they had quite a big um

1668

00:59:39,190 --> 00:59:36,480

part of the episode was on native

1669

00:59:41,349 --> 00:59:39,200

americans and uh the pictographs

1670

00:59:43,430 --> 00:59:41,359

and the the kachina and their contacts

1671

00:59:44,950 --> 00:59:43,440

and things like that i mean see the hide

1672

00:59:46,390 --> 00:59:44,960

it there are some of the elders and so

1673

00:59:48,470 --> 00:59:46,400

forth who do talk

1674

00:59:50,470 --> 00:59:48,480

uh about this the sky people certainly a

1675

00:59:53,349 --> 00:59:50,480

lot more readily than they than they

1676

00:59:55,990 --> 00:59:53,359

used to yeah and in fact uh uh noria

1677

00:59:57,750 --> 00:59:56,000

harakawa down there in dulce they had a

1678

00:59:59,589 --> 00:59:57,760

a little mini

1679

01:00:01,990 --> 00:59:59,599

seminar

1680

01:00:04,309 --> 01:00:02,000

six months or so ago because of all the

1681

01:00:06,230 --> 01:00:04,319

activity there and uh there were so many

1682

01:00:08,470 --> 01:00:06,240

people showed up it's not it's on uh

1683

01:00:10,069 --> 01:00:08,480

native uh reservation so many people

1684

01:00:12,150 --> 01:00:10,079

show up that showed up that they had to

1685

01:00:13,910 --> 01:00:12,160

move the location i think in the where

1686

01:00:15,670 --> 01:00:13,920

the city town hall or something where

1687

01:00:17,589 --> 01:00:15,680

they had the memes and everybody seemed

1688

01:00:18,950 --> 01:00:17,599

to go along with it they 34 they get a

1689

01:00:20,549 --> 01:00:18,960

lot of slack and people wouldn't want to

1690

01:00:22,710 --> 01:00:20,559

see them but they're even thinking about

1691

01:00:23,670 --> 01:00:22,720

doing a second meeting down there you

1692

01:00:27,510 --> 01:00:23,680

know

1693

01:00:29,510 --> 01:00:27,520

talking about this now it used to be a

1694

01:00:31,910 --> 01:00:29,520

fundamentalist

1695

01:00:33,670 --> 01:00:31,920

religion types were you know totally

1696

01:00:35,510 --> 01:00:33,680

against them even they're they're very

1697

01:00:37,910 --> 01:00:35,520

interested in it now

1698

01:00:40,950 --> 01:00:37,920

the uh the uh uh

1699

01:00:42,630 --> 01:00:40,960

the indians the navajos hopies in all

1700

01:00:43,990 --> 01:00:42,640

all the tribes there are things that go

1701

01:00:45,270 --> 01:00:44,000

on if you

1702

01:00:47,109 --> 01:00:45,280

if you

1703

01:00:49,349 --> 01:00:47,119

gain their trust they'll tell you what's

1704

01:00:51,750 --> 01:00:49,359

what's going on and it's it's incredible

1705

01:00:53,510 --> 01:00:51,760

so i i have offered to give

1706

01:00:57,750 --> 01:00:53,520

uh

1707

01:00:59,270 --> 01:00:57,760

history channel i said you guys can have

1708

01:01:01,190 --> 01:00:59,280

this idea

1709

01:01:11,589 --> 01:01:01,200

i gave them the whole thing you guys

1710

01:01:15,270 --> 01:01:13,349

on another blank tape and we haven't

1711

01:01:17,910 --> 01:01:15,280

finished yet so we're just rocking on

1712

01:01:19,430 --> 01:01:17,920

here in sedona okay could continue on

1713

01:01:21,430 --> 01:01:19,440

then um

1714

01:01:24,630 --> 01:01:21,440

uh where were we

1715

01:01:26,150 --> 01:01:24,640

2012 oh

1716

01:01:27,589 --> 01:01:26,160

i'm really hoping that there will be

1717

01:01:29,430 --> 01:01:27,599

direct alien

1718

01:01:30,870 --> 01:01:29,440

intervention in our affairs and i think

1719

01:01:33,349 --> 01:01:30,880

it might happen

1720

01:01:36,069 --> 01:01:33,359

uh i've i've interviewed i think eight

1721

01:01:36,950 --> 01:01:36,079

people that had uh

1722

01:01:39,910 --> 01:01:36,960

uh

1723

01:01:41,910 --> 01:01:39,920

alien contact with extraterrestrial

1724

01:01:43,430 --> 01:01:41,920

contact in every case it's been a human

1725

01:01:45,910 --> 01:01:43,440

extraterrestrial

1726

01:01:48,390 --> 01:01:45,920

and uh what did the human look like well

1727

01:01:50,230 --> 01:01:48,400

they look basically just like us

1728

01:01:51,589 --> 01:01:50,240

but with slight differences the ears are

1729

01:01:53,270 --> 01:01:51,599

a little bit different the chin might a

1730

01:01:54,710 --> 01:01:53,280

little bit pointed eyes might be a

1731

01:01:55,990 --> 01:01:54,720

little different but they're bonds

1732

01:01:57,589 --> 01:01:56,000

burnetts

1733

01:01:58,789 --> 01:01:57,599

everything everything everything so

1734

01:02:01,030 --> 01:01:58,799

they're just is

1735

01:02:03,589 --> 01:02:01,040

a week from them or

1736

01:02:05,270 --> 01:02:03,599

do you think um you know the only thing

1737

01:02:06,870 --> 01:02:05,280

that that they really talked about you

1738

01:02:08,630 --> 01:02:06,880

know the damage we're doing to the earth

1739

01:02:10,549 --> 01:02:08,640

and uh

1740

01:02:12,390 --> 01:02:10,559

that we really need to change

1741

01:02:15,030 --> 01:02:12,400

but the the thing that struck all of

1742

01:02:16,470 --> 01:02:15,040

them is how how wonderful these people

1743

01:02:17,829 --> 01:02:16,480

were to be around and they weren't from

1744

01:02:19,750 --> 01:02:17,839

this planet

1745

01:02:21,430 --> 01:02:19,760

um and they always prove their

1746

01:02:23,030 --> 01:02:21,440

extraterrestrials by showing them the

1747

01:02:25,270 --> 01:02:23,040

share for some device that couldn't

1748

01:02:27,510 --> 01:02:25,280

possibly have come from this planet

1749

01:02:30,710 --> 01:02:27,520

so for years no they sho who did they

1750

01:02:33,190 --> 01:02:30,720

show the president the the contactee

1751

01:02:35,430 --> 01:02:33,200

are we talking about anybody specific

1752

01:02:37,030 --> 01:02:35,440

uh yeah i know the names

1753

01:02:38,470 --> 01:02:37,040

uh

1754

01:02:40,789 --> 01:02:38,480

but in each case the the

1755

01:02:42,630 --> 01:02:40,799

extraterrestrial proved they were from

1756

01:02:44,950 --> 01:02:42,640

not not from the air they were they were

1757

01:02:46,870 --> 01:02:44,960

you know from outer space or whatever

1758

01:02:49,190 --> 01:02:46,880

uh and in two cases it was really

1759

01:02:51,190 --> 01:02:49,200

dramatic um

1760

01:02:52,230 --> 01:02:51,200

so

1761

01:02:54,230 --> 01:02:52,240

that

1762

01:02:55,589 --> 01:02:54,240

years i'd meditate you know i want to

1763

01:02:57,829 --> 01:02:55,599

meet an extraterrestrial let's you know

1764

01:02:59,910 --> 01:02:57,839

let's meet so but anyway from what i've

1765

01:03:01,109 --> 01:02:59,920

been able to draw from the conversations

1766

01:03:04,470 --> 01:03:01,119

that these people have had with

1767

01:03:07,109 --> 01:03:04,480

extraterrestrials i have a feeling that

1768

01:03:08,549 --> 01:03:07,119

they may intervene in our affairs soon

1769

01:03:10,630 --> 01:03:08,559

because we're we're doing too much

1770

01:03:13,270 --> 01:03:10,640

damage to ourselves on the planet

1771

01:03:15,670 --> 01:03:13,280

uh or some other catastrophic event may

1772

01:03:17,430 --> 01:03:15,680

may be coming that they're going to

1773

01:03:19,750 --> 01:03:17,440

they're either they're either going to

1774

01:03:21,430 --> 01:03:19,760

let the planet be destroyed or help us

1775

01:03:22,549 --> 01:03:21,440

one of the other i really do believe

1776

01:03:25,670 --> 01:03:22,559

that the extraterrestrials are going to

1777

01:03:27,670 --> 01:03:25,680

help us some group is going to intervene

1778

01:03:29,190 --> 01:03:27,680

but it's like uh i think it was bill

1779

01:03:31,190 --> 01:03:29,200

hamilton said that he interviewed

1780

01:03:33,190 --> 01:03:31,200

somebody and he the guy asked the

1781

01:03:34,870 --> 01:03:33,200

extraterrestrials says why don't you

1782

01:03:36,630 --> 01:03:34,880

guys come in to stop us before we you

1783

01:03:38,549 --> 01:03:36,640

know we destroy everything and the

1784

01:03:40,390 --> 01:03:38,559

extraterrestrial said we can't because

1785

01:03:41,190 --> 01:03:40,400

we would be responsible for whatever you

1786

01:03:43,190 --> 01:03:41,200

do

1787

01:03:45,029 --> 01:03:43,200

and a cosmic sense that would be a

1788

01:03:47,029 --> 01:03:45,039

disaster for us

1789

01:03:48,870 --> 01:03:47,039

i mean and and on the internet there's

1790

01:03:50,870 --> 01:03:48,880

been a was a special program about what

1791

01:03:52,950 --> 01:03:50,880

would happen if extraterrestrials did

1792

01:03:54,870 --> 01:03:52,960

come in and it would be pretty rough

1793

01:03:56,789 --> 01:03:54,880

the religions and the

1794

01:03:57,990 --> 01:03:56,799

uh economic collapse the changes in

1795

01:03:59,990 --> 01:03:58,000

governments well you've got all that

1796

01:04:02,150 --> 01:04:00,000

happening right now anyway yeah yeah

1797

01:04:04,390 --> 01:04:02,160

right so yeah this is the opportune time

1798

01:04:05,910 --> 01:04:04,400

right yeah the office fill in louisiana

1799

01:04:09,430 --> 01:04:05,920

how how

1800

01:04:11,270 --> 01:04:09,440

much it keeps every day you know

1801
01:04:13,349 --> 01:04:11,280
how much time so it can't get much worse

1802
01:04:15,910 --> 01:04:13,359
you know the air of the air and the

1803
01:04:17,910 --> 01:04:15,920
whole deal but one uh one night i was

1804
01:04:19,029 --> 01:04:17,920
coming out from the bradshaw ranch yeah

1805
01:04:20,789 --> 01:04:19,039
i had

1806
01:04:23,109 --> 01:04:20,799
i i'll spend the rest of my life

1807
01:04:24,950 --> 01:04:23,119
wondering what would have happened if i

1808
01:04:26,470 --> 01:04:24,960
had not done this

1809
01:04:28,230 --> 01:04:26,480
i used to come out from the bradshaw

1810
01:04:29,510 --> 01:04:28,240
ranch leave the branch range about one

1811
01:04:32,230 --> 01:04:29,520
o'clock in the morning it was a long

1812
01:04:33,589 --> 01:04:32,240
drive what ten uh about ten miles on a

1813
01:04:35,510 --> 01:04:33,599

bad dirt road

1814

01:04:38,470 --> 01:04:35,520

no houses on the road

1815

01:04:40,950 --> 01:04:38,480

so at one point i looked out there was a

1816

01:04:42,789 --> 01:04:40,960

white light paralleling my my car and i

1817

01:04:44,390 --> 01:04:42,799

said you know i said oh

1818

01:04:46,630 --> 01:04:44,400

oh [h__h] here we go this is a you know

1819

01:04:49,029 --> 01:04:46,640

typical abduction thing because here was

1820

01:04:50,549 --> 01:04:49,039

this white light or the border patrol

1821

01:04:52,069 --> 01:04:50,559

yeah

1822

01:04:53,829 --> 01:04:52,079

you know in the trees following me

1823

01:04:55,430 --> 01:04:53,839

through the trees so i after a while it

1824

01:04:58,309 --> 01:04:55,440

just was gone it was great because i was

1825

01:05:00,150 --> 01:04:58,319

tired hungry and in a really bad mood

1826

01:05:03,510 --> 01:05:00,160

i just wanted to get home go to bed get

1827

01:05:07,510 --> 01:05:06,549

i drove along another another

1828

01:05:10,309 --> 01:05:07,520

mile

1829

01:05:12,710 --> 01:05:10,319

or so and i came around a corner and and

1830

01:05:14,630 --> 01:05:12,720

there was there there was a ship sitting

1831

01:05:17,510 --> 01:05:14,640

uh right in the front of domestic no

1832

01:05:19,750 --> 01:05:17,520

more than maybe 150 feet off the ground

1833

01:05:21,910 --> 01:05:19,760

and this thing was a disc shape it was

1834

01:05:23,990 --> 01:05:21,920

about 50 feet across a multi-colored

1835

01:05:25,270 --> 01:05:24,000

flashing lights all around it

1836

01:05:31,829 --> 01:05:25,280

and

1837

01:05:33,910 --> 01:05:31,839

up this thing was going about 20 miles

1838

01:05:36,789 --> 01:05:33,920

an hour it was going to intersect

1839

01:05:37,750 --> 01:05:36,799

right at the base of dome mountain

1840

01:05:38,710 --> 01:05:37,760

uh

1841

01:05:40,549 --> 01:05:38,720

and

1842

01:05:43,349 --> 01:05:40,559

i'm looking at this thing going the same

1843

01:05:45,190 --> 01:05:43,359

speed i'm i'm going and in my mind i've

1844

01:05:47,750 --> 01:05:45,200

been on national tv with us a bunch of

1845

01:05:50,150 --> 01:05:47,760

times but what i actually said was in my

1846

01:05:51,670 --> 01:05:50,160

mind i'm really not in the mood for this

1847

01:05:53,829 --> 01:05:51,680

kind of [h__h] tonight

1848

01:05:55,190 --> 01:05:53,839

and just the instant that i thought that

1849

01:05:57,430 --> 01:05:55,200

in my mind they had been reading my

1850

01:05:59,910 --> 01:05:57,440

thoughts all along yesterday i thought

1851

01:06:01,829 --> 01:05:59,920

that in my mind this the ship stopped

1852

01:06:03,190 --> 01:06:01,839

dead in the air sat there for about five

1853

01:06:05,109 --> 01:06:03,200

seconds and then

1854

01:06:07,670 --> 01:06:05,119

in a split second it was gone over the

1855

01:06:09,190 --> 01:06:07,680

horizon so i stopped my car and got out

1856

01:06:11,670 --> 01:06:09,200

and stood in front of the car just

1857

01:06:14,630 --> 01:06:11,680

staring at the blank spot just told me

1858

01:06:16,470 --> 01:06:14,640

i'm flabbergasted and what had happened

1859

01:06:18,150 --> 01:06:16,480

and i realized that they probably wanted

1860

01:06:18,950 --> 01:06:18,160

to make contact with me we would have

1861

01:06:21,270 --> 01:06:18,960

met

1862

01:06:23,430 --> 01:06:21,280

in about another quarter mile

1863

01:06:25,510 --> 01:06:23,440

the ship and i would have been together

1864

01:06:27,029 --> 01:06:25,520

and what could have happened at that

1865

01:06:29,109 --> 01:06:27,039

point i have no idea i'll spend the rest

1866

01:06:30,870 --> 01:06:29,119

of my life wondering

1867

01:06:33,750 --> 01:06:30,880

what might have happened if i'd you know

1868

01:06:35,750 --> 01:06:33,760

just kept going and met the ship

1869

01:06:38,150 --> 01:06:35,760

but that night i was so tired and hungry

1870

01:06:39,109 --> 01:06:38,160

and uh you know not a great mood god

1871

01:06:41,190 --> 01:06:39,119

could have appeared in the middle of the

1872

01:06:44,470 --> 01:06:41,200

road i wouldn't you know wouldn't it

1873

01:06:48,630 --> 01:06:46,549

well you did say that you think they are

1874

01:06:51,750 --> 01:06:48,640

going to intervene in spite of what bill

1875

01:06:53,829 --> 01:06:51,760

hamilton said so what are your personal

1876
01:06:55,829 --> 01:06:53,839
feelings that's a good question because

1877
01:06:57,190 --> 01:06:55,839
you know all the time linda bradshaw and

1878
01:06:58,789 --> 01:06:57,200
i

1879
01:07:00,390 --> 01:06:58,799
spent on the bradshaw ranch we were

1880
01:07:02,390 --> 01:07:00,400
probably elbowed elbow these

1881
01:07:04,789 --> 01:07:02,400
extraterrestrials all these beings so we

1882
01:07:06,390 --> 01:07:04,799
absorbed some of what they were we

1883
01:07:09,910 --> 01:07:06,400
couldn't help them they had to hear a

1884
01:07:15,270 --> 01:07:11,990
so you're you're i got to get it out of

1885
01:07:17,270 --> 01:07:15,280
you what do you because i gotta know

1886
01:07:19,990 --> 01:07:17,280
what are your own feelings that as to

1887
01:07:22,309 --> 01:07:20,000
why you feel whether it's 212 or

1888
01:07:25,270 --> 01:07:22,319

whenever or sooner than that

1889

01:07:26,829 --> 01:07:25,280

that they will intervene

1890

01:07:30,549 --> 01:07:26,839

i have a feeling

1891

01:07:34,150 --> 01:07:30,559

of i do psychic work and so i am

1892

01:07:36,390 --> 01:07:34,160

connected psychically i do uh

1893

01:07:38,789 --> 01:07:36,400

medical intuitive work now too i'm very

1894

01:07:41,109 --> 01:07:38,799

good at it

1895

01:07:42,870 --> 01:07:41,119

but probably as a result of my psychic

1896

01:07:45,270 --> 01:07:42,880

impressions i feel that there is one

1897

01:07:47,029 --> 01:07:45,280

group that wants to openly intervene in

1898

01:07:48,150 --> 01:07:47,039

our affairs now and i think it's a human

1899

01:07:49,910 --> 01:07:48,160

group i think

1900

01:07:51,510 --> 01:07:49,920

and i'm really hoping that they're that

1901

01:07:53,990 --> 01:07:51,520

they will do it i believe that chomping

1902

01:07:57,190 --> 01:07:54,000

at the bed to wait to have the opening

1903

01:07:59,029 --> 01:07:57,200

come in and just you know

1904

01:08:01,029 --> 01:07:59,039

really intervene and what's going on on

1905

01:08:03,349 --> 01:08:01,039

this planet before we destroy everything

1906

01:08:05,109 --> 01:08:03,359

and do you know who the group is no

1907

01:08:06,710 --> 01:08:05,119

they're just they're human

1908

01:08:08,230 --> 01:08:06,720

they're human

1909

01:08:10,150 --> 01:08:08,240

now

1910

01:08:12,870 --> 01:08:10,160

what is it that bugs them the most are

1911

01:08:13,829 --> 01:08:12,880

you feeling that we do that is really

1912

01:08:15,670 --> 01:08:13,839

like

1913

01:08:17,749 --> 01:08:15,680

man they really need to quit that we

1914

01:08:18,870 --> 01:08:17,759

need it we need it that would get them

1915

01:08:25,030 --> 01:08:18,880

to

1916

01:08:26,870 --> 01:08:25,040

destroy the planet i think probably a

1917

01:08:27,829 --> 01:08:26,880

number of groups will come in but i i do

1918

01:08:30,390 --> 01:08:27,839

know that

1919

01:08:32,789 --> 01:08:30,400

we're we're they're they are afraid of

1920

01:08:34,550 --> 01:08:32,799

our violence we're a very very we're a

1921

01:08:37,110 --> 01:08:34,560

barbarian race

1922

01:08:38,950 --> 01:08:37,120

uh i think to most of them

1923

01:08:42,390 --> 01:08:38,960

they're they're afraid of what we would

1924

01:08:46,070 --> 01:08:42,400

we would do and do to us due to them

1925

01:08:48,870 --> 01:08:47,110

so

1926

01:08:51,590 --> 01:08:48,880

i think a lot of stuff on this planet is

1927

01:08:54,229 --> 01:08:51,600

orchestrated and people are played into

1928

01:08:56,229 --> 01:08:54,239

it i don't think the average human being

1929

01:08:59,030 --> 01:08:56,239

wants to be violent i think the average

1930

01:09:01,990 --> 01:08:59,040

human being really wants to be peaceful

1931

01:09:04,390 --> 01:09:02,000

but they are played into a role of

1932

01:09:06,149 --> 01:09:04,400

violence fear control yeah and there's

1933

01:09:07,669 --> 01:09:06,159

probably some extraterrestrial group

1934

01:09:10,149 --> 01:09:07,679

that's behind that

1935

01:09:12,870 --> 01:09:10,159

uh you know this there's there's i'll

1936

01:09:15,189 --> 01:09:12,880

tell you a story about 15 years ago i

1937

01:09:16,709 --> 01:09:15,199

had coffee i accept coffee with people

1938

01:09:18,149 --> 01:09:16,719

that was my office i'd meet people just

1939

01:09:19,829 --> 01:09:18,159

about every day

1940

01:09:22,229 --> 01:09:19,839

and this guy his father was in the

1941

01:09:23,669 --> 01:09:22,239

council of foreign relations and uh so

1942

01:09:25,430 --> 01:09:23,679

we we talked about you know like

1943

01:09:26,309 --> 01:09:25,440

government conspiracy stuff and alien

1944

01:09:28,229 --> 01:09:26,319

stuff

1945

01:09:29,910 --> 01:09:28,239

and uh mainly about government

1946

01:09:31,590 --> 01:09:29,920

conspiracies and what the government was

1947

01:09:33,269 --> 01:09:31,600

doing so about a week later he went to

1948

01:09:36,229 --> 01:09:33,279

his father his father knew everybody in

1949

01:09:38,950 --> 01:09:36,239

the world the club of rome council

1950

01:09:41,510 --> 01:09:38,960

uh foreign relations you name it and uh

1951

01:09:42,870 --> 01:09:41,520

you knew of them all and so he he talked

1952

01:09:44,870 --> 01:09:42,880

he told his father all the stuff he

1953

01:09:47,030 --> 01:09:44,880

talked about and his father got real

1954

01:09:49,269 --> 01:09:47,040

quiet for about five seconds and then he

1955

01:09:50,550 --> 01:09:49,279

said you know those people just aren't

1956

01:09:52,470 --> 01:09:50,560

that smart

1957

01:09:54,470 --> 01:09:52,480

i've thought about that a thousand times

1958

01:09:55,590 --> 01:09:54,480

and that's i'm sure that's true so that

1959

01:09:58,229 --> 01:09:55,600

would be

1960

01:10:00,310 --> 01:09:58,239

a clear clue that there's some greater

1961

01:10:02,229 --> 01:10:00,320

intelligence that's that's uh

1962

01:10:04,630 --> 01:10:02,239

we're being manipulated by some greater

1963

01:10:06,390 --> 01:10:04,640

intelligence probably

1964

01:10:08,390 --> 01:10:06,400

extraterrestrial and if you want to pick

1965

01:10:09,830 --> 01:10:08,400

a group it's probably the reptilians

1966

01:10:11,910 --> 01:10:09,840

because i've talked to people have seen

1967

01:10:13,830 --> 01:10:11,920

the reptilians they're real i think

1968

01:10:17,189 --> 01:10:13,840

there's some brilliant people on this

1969

01:10:19,430 --> 01:10:17,199

planet but they're played down and

1970

01:10:23,030 --> 01:10:19,440

they're made to be

1971

01:10:26,070 --> 01:10:23,040

uh the things they say are silenced or

1972

01:10:30,149 --> 01:10:28,470

we can't have that and the society is

1973

01:10:32,870 --> 01:10:30,159

being dumbed down but i really think

1974

01:10:36,149 --> 01:10:32,880

human beings are capable of

1975

01:10:37,750 --> 01:10:36,159

quite a lot of genius

1976

01:10:39,910 --> 01:10:37,760

well i think it's coming to a breakaway

1977

01:10:41,110 --> 01:10:39,920

point now is people are fed up i mean

1978

01:10:42,149 --> 01:10:41,120

now they're starting to really think for

1979

01:10:43,430 --> 01:10:42,159

themselves

1980

01:10:45,189 --> 01:10:43,440

and i i think you're going to see a

1981

01:10:46,550 --> 01:10:45,199

breakaway pretty soon it's prob it's

1982

01:10:48,709 --> 01:10:46,560

probably going to be a little bit

1983

01:10:50,390 --> 01:10:48,719

violent in some places but but people

1984

01:10:52,310 --> 01:10:50,400

have had enough i mean they're they're

1985

01:10:54,470 --> 01:10:52,320

tired of being pushed around

1986

01:10:56,870 --> 01:10:54,480

and uh there are some real thinkers out

1987

01:10:58,630 --> 01:10:56,880

there now i mean there's some real

1988

01:11:00,149 --> 01:10:58,640

original thinkers out there now that are

1989

01:11:02,149 --> 01:11:00,159

really starting to make a difference and

1990

01:11:05,590 --> 01:11:02,159

i think that's where it's going to break

1991

01:11:08,950 --> 01:11:07,430

can you name a few that you're impressed

1992

01:11:10,870 --> 01:11:08,960

with oh there's so many there's well

1993

01:11:12,790 --> 01:11:10,880

just name a handful of people that

1994

01:11:14,470 --> 01:11:12,800

you're impressed with and nowadays

1995

01:11:16,149 --> 01:11:14,480

because oh i don't know you could say

1996

01:11:17,590 --> 01:11:16,159

stephen grier

1997

01:11:19,030 --> 01:11:17,600

you know griers

1998

01:11:20,709 --> 01:11:19,040

you know i like him

1999

01:11:23,030 --> 01:11:20,719

yeah you know he's got he seems naive

2000

01:11:25,270 --> 01:11:23,040

though yeah well no he's got a he's got

2001

01:11:27,430 --> 01:11:25,280

you know he's got a thousand pound ego

2002

01:11:29,510 --> 01:11:27,440

but grier oh yeah you know he's done

2003

01:11:31,669 --> 01:11:29,520

he's done i mean he's he's done awesome

2004

01:11:33,510 --> 01:11:31,679

stuff to break things yeah

2005

01:11:34,870 --> 01:11:33,520

so does every politician in washington

2006

01:11:36,310 --> 01:11:34,880

so that maybe he puts about an equal

2007

01:11:38,070 --> 01:11:36,320

level there right

2008

01:11:39,030 --> 01:11:38,080

yeah

2009

01:11:40,790 --> 01:11:39,040

so you know

2010

01:11:42,310 --> 01:11:40,800

you know unfortunately i think there are

2011

01:11:43,510 --> 01:11:42,320

people out there that

2012

01:11:45,030 --> 01:11:43,520

look like they mean well that have

2013

01:11:47,189 --> 01:11:45,040

hidden agendas and those are the ones

2014

01:11:48,470 --> 01:11:47,199

i'm afraid of i'm really i'm real

2015

01:11:50,070 --> 01:11:48,480

nervous about those people that have

2016

01:11:52,310 --> 01:11:50,080

hidden agendas

2017

01:11:53,830 --> 01:11:52,320

like like obama probably

2018

01:11:55,510 --> 01:11:53,840

he could end up being one of the worst

2019

01:11:57,030 --> 01:11:55,520

in history

2020

01:11:58,470 --> 01:11:57,040

you know i'm hoping he's just a good guy

2021

01:12:00,390 --> 01:11:58,480

trying to make you know doing the best

2022

01:12:02,709 --> 01:12:00,400

he can but i don't think so i'm afraid

2023

01:12:05,350 --> 01:12:02,719

obama's got hitting the gym is it

2024

01:12:09,270 --> 01:12:05,360

gonna be so you think he's that smart

2025

01:12:12,310 --> 01:12:11,430

it appears that almost every president

2026

01:12:14,630 --> 01:12:12,320

uh

2027

01:12:16,229 --> 01:12:14,640

ever since roosevelt has done before has

2028

01:12:17,430 --> 01:12:16,239

very little knowledge of anything that's

2029

01:12:19,430 --> 01:12:17,440

going on certainly as far as the

2030

01:12:20,790 --> 01:12:19,440

extraterrestrials go they just haven't

2031

01:12:22,790 --> 01:12:20,800

been uh

2032

01:12:24,709 --> 01:12:22,800

told about there's probably only a few

2033

01:12:27,910 --> 01:12:24,719

people in the government that even have

2034

01:12:29,510 --> 01:12:27,920

any equine inclination about any of this

2035

01:12:31,430 --> 01:12:29,520

because the truth of the matter is how

2036

01:12:33,350 --> 01:12:31,440

do you what you just described here if

2037

01:12:36,790 --> 01:12:33,360

this is true how do you how do you tell

2038

01:12:37,590 --> 01:12:36,800

the american public who is too busy

2039

01:12:41,990 --> 01:12:37,600

getting

2040

01:12:43,590 --> 01:12:42,000

watching football sorry guys i love the

2041

01:12:46,950 --> 01:12:43,600

giants

2042

01:12:50,550 --> 01:12:48,709

to understand any of this they have no

2043

01:12:52,550 --> 01:12:50,560

the average american doesn't have uh you

2044

01:12:55,270 --> 01:12:52,560

know we're talking about one percent of

2045

01:12:57,510 --> 01:12:55,280

the population of that that even the uh

2046

01:12:59,590 --> 01:12:57,520

knows what a you know like anything

2047

01:13:01,830 --> 01:12:59,600

that's going on you know it's just

2048

01:13:04,550 --> 01:13:01,840

boggles the mind that after that after

2049

01:13:06,709 --> 01:13:04,560

50 something years of this uh it's the

2050

01:13:09,030 --> 01:13:06,719

three of us here in the room and maybe a

2051

01:13:11,990 --> 01:13:09,040

few other people we can't see but uh and

2052

01:13:12,709 --> 01:13:12,000

the cia guy across the hallway with his

2053

01:13:14,950 --> 01:13:12,719

uh

2054

01:13:16,149 --> 01:13:14,960

monitor on the glass or something yeah

2055

01:13:17,350 --> 01:13:16,159

well they don't even have to bother

2056

01:13:19,669 --> 01:13:17,360

because they you know they've heard the

2057

01:13:22,229 --> 01:13:19,679

cut they've heard us on tv and gotten on

2058

01:13:24,709 --> 01:13:22,239

you know copied it off the radio and all

2059

01:13:26,149 --> 01:13:24,719

that but uh yeah i mean it seems like

2060

01:13:28,229 --> 01:13:26,159

very few people really have any

2061

01:13:30,870 --> 01:13:28,239

inclination of

2062

01:13:32,709 --> 01:13:30,880

of what's going on and then even the

2063

01:13:34,149 --> 01:13:32,719

ones that do uh like the fellow who was

2064

01:13:35,830 --> 01:13:34,159

running for president you know had the

2065

01:13:38,229 --> 01:13:35,840

site with shirley mclean

2066

01:13:39,830 --> 01:13:38,239

and they asked him about it and

2067

01:13:41,910 --> 01:13:39,840

everybody made a laughing stock out of

2068

01:13:43,830 --> 01:13:41,920

him that probably lost him another five

2069

01:13:46,149 --> 01:13:43,840

you know points in the primary or

2070

01:13:47,990 --> 01:13:46,159

something the uh the giggle

2071

01:13:50,550 --> 01:13:48,000

factor or the laugh factor

2072

01:13:52,630 --> 01:13:50,560

it it seems that every news reporter

2073

01:13:54,390 --> 01:13:52,640

that goes to journalism school must be

2074

01:13:56,070 --> 01:13:54,400

taught in a secret class somewhere that

2075

01:13:58,470 --> 01:13:56,080

if they're interviewing anybody about

2076

01:14:02,149 --> 01:13:58,480

ufos they're supposed to end it with a

2077

01:14:03,830 --> 01:14:02,159

smirk and a snide comment yeah

2078

01:14:06,149 --> 01:14:03,840

well you know you know it's like i said

2079

01:14:07,189 --> 01:14:06,159

i i spent about four hours a day on the

2080

01:14:09,270 --> 01:14:07,199

internet

2081

01:14:11,110 --> 01:14:09,280

uh i get emails from all over the world

2082

01:14:12,790 --> 01:14:11,120

i'm in constant contact with some of the

2083

01:14:14,950 --> 01:14:12,800

most intelligent people on this planet

2084

01:14:16,709 --> 01:14:14,960

it's a spreading and you know and like i

2085

01:14:18,950 --> 01:14:16,719

say that the internet is the citizens

2086

01:14:20,790 --> 01:14:18,960

intelligence network i mean this without

2087

01:14:21,990 --> 01:14:20,800

the internet we'd be screwed

2088

01:14:23,430 --> 01:14:22,000

plato

2089

01:14:25,830 --> 01:14:23,440

we wouldn't have a chance it wasn't the

2090

01:14:27,669 --> 01:14:25,840

internet but but ideas you know

2091

01:14:30,070 --> 01:14:27,679

circulate freely over the internet and

2092

01:14:32,310 --> 01:14:30,080

there's some extraordinarily intelligent

2093

01:14:33,750 --> 01:14:32,320

people that are on the internet sharing

2094

01:14:35,430 --> 01:14:33,760

what they know and their their

2095

01:14:37,350 --> 01:14:35,440

photographs or whatever so everybody

2096

01:14:38,550 --> 01:14:37,360

everybody can sort through it and pick

2097

01:14:39,590 --> 01:14:38,560

and choose

2098

01:14:41,030 --> 01:14:39,600

so

2099

01:14:42,870 --> 01:14:41,040

through the internet work

2100

01:14:45,350 --> 01:14:42,880

we got a you know

2101

01:14:47,990 --> 01:14:45,360

good chance of coming on time why don't

2102

01:14:52,470 --> 01:14:48,000

we end this by inviting everybody up

2103

01:14:57,510 --> 01:14:53,990

i shouldn't even be in this thing but

2104

01:14:58,470 --> 01:14:57,520

back to sedona the unknown question here

2105

01:15:00,709 --> 01:14:58,480

you know

2106

01:15:02,950 --> 01:15:00,719

people like us and they all come to

2107

01:15:06,390 --> 01:15:02,960

sedona and those coming for the first

2108

01:15:08,470 --> 01:15:06,400

time are are struck like oh my god a

2109

01:15:10,390 --> 01:15:08,480

place like this exists you know it looks

2110

01:15:12,550 --> 01:15:10,400

like another planet here

2111

01:15:14,070 --> 01:15:12,560

what is a

2112

01:15:15,750 --> 01:15:14,080

if someone want to tell me i'm you know

2113

01:15:17,270 --> 01:15:15,760

i'm going to sedona what should i do

2114

01:15:19,430 --> 01:15:17,280

when i get there

2115

01:15:22,070 --> 01:15:19,440

i don't bring a lot of money a lot of

2116

01:15:24,149 --> 01:15:22,080

money but it's a good itinerary

2117

01:15:26,070 --> 01:15:24,159

for someone if you were to tell people

2118

01:15:27,590 --> 01:15:26,080

well if you're coming here you know yeah

2119

01:15:29,430 --> 01:15:27,600

bring a lot of money that's like las

2120

01:15:31,030 --> 01:15:29,440

vegas um

2121

01:15:32,390 --> 01:15:31,040

well you're going to have some fun

2122

01:15:34,709 --> 01:15:32,400

things to do

2123

01:15:37,270 --> 01:15:34,719

for people coming here for the first

2124

01:15:39,270 --> 01:15:37,280

time and they're metaphysical and they

2125

01:15:41,750 --> 01:15:39,280

they maybe they're hoping to see a ufo

2126

01:15:44,390 --> 01:15:41,760

but they probably won't but what what

2127

01:15:46,310 --> 01:15:44,400

what's a good itinerary you know i i you

2128

01:15:48,070 --> 01:15:46,320

know i've been asked that many many

2129

01:15:50,229 --> 01:15:48,080

times but i would tell you don't try to

2130

01:15:52,070 --> 01:15:50,239

do it one day you know give yourself at

2131

01:15:54,070 --> 01:15:52,080

least three or four days or a week and

2132

01:15:55,990 --> 01:15:54,080

then just just just have at it just

2133

01:15:57,350 --> 01:15:56,000

drive around and just go wherever you

2134

01:15:59,030 --> 01:15:57,360

want to see what you want to see and

2135

01:16:01,350 --> 01:15:59,040

talk about it talk to whoever you want

2136

01:16:03,110 --> 01:16:01,360

to see go to the chamber of commerce and

2137

01:16:06,709 --> 01:16:03,120

you know they'll find

2138

01:16:08,310 --> 01:16:06,719

infinite stuff to do and see

2139

01:16:11,430 --> 01:16:08,320

one of my favorite things because i've

2140

01:16:13,510 --> 01:16:11,440

i've been here many times but it went in

2141

01:16:16,229 --> 01:16:13,520

maybe three days at a time unfortunately

2142

01:16:18,709 --> 01:16:16,239

but i wanted to snugly hill one time

2143

01:16:21,030 --> 01:16:18,719

and that was so spiritual and there

2144

01:16:23,430 --> 01:16:21,040

weren't i was just up there by myself i

2145

01:16:25,910 --> 01:16:23,440

could see all of sedona

2146

01:16:27,189 --> 01:16:25,920

it was just so incredibly beautiful yes

2147

01:16:28,790 --> 01:16:27,199

they're fixing the road to snowboard

2148

01:16:31,510 --> 01:16:28,800

hill now but that schnebly hill road

2149

01:16:33,270 --> 01:16:31,520

would be a must see uh you used to be

2150

01:16:35,590 --> 01:16:33,280

almost impassable but they are fixed

2151

01:16:37,830 --> 01:16:35,600

completely fixing the road now so a car

2152

01:16:38,870 --> 01:16:37,840

can get up there but yeah that assembly

2153

01:16:41,510 --> 01:16:38,880

hill would be

2154

01:16:42,550 --> 01:16:41,520

chevrolet hill uh cathedral rock

2155

01:16:43,830 --> 01:16:42,560

definitely

2156

01:16:46,390 --> 01:16:43,840

uh uh

2157

01:16:48,950 --> 01:16:46,400

uh crescent moon state park

2158

01:16:50,870 --> 01:16:48,960

cathedral rock schnebly hill uh boynton

2159

01:16:52,709 --> 01:16:50,880

canyon and uh

2160

01:16:55,990 --> 01:16:52,719

oak creek canyon drive up oak creek

2161

01:16:57,750 --> 01:16:56,000

canyon towards flagstaff and in uh

2162

01:16:59,750 --> 01:16:57,760

in belle rock you know those are things

2163

01:17:03,189 --> 01:16:59,760

that are must-see is it going to be some

2164

01:17:04,550 --> 01:17:03,199

grand celebration here on 2012 uh no i

2165

01:17:10,470 --> 01:17:04,560

don't think so

2166

01:17:12,870 --> 01:17:10,480

um well let's end this now

2167

01:17:14,310 --> 01:17:12,880

uh by telling us where are the viewers

2168

01:17:16,070 --> 01:17:14,320

here uh we're probably gonna make a

2169

01:17:18,390 --> 01:17:16,080

transcript of this and get it in a

2170

01:17:20,790 --> 01:17:18,400

magazine and use it in a book and this

2171

01:17:22,950 --> 01:17:20,800

will be going for the next 20 years

2172

01:17:26,470 --> 01:17:22,960

tell everybody what are the titles again

2173

01:17:28,310 --> 01:17:26,480

of your books and how do they reach you

2174

01:17:31,030 --> 01:17:28,320

okay well i just called them up

2175

01:17:32,470 --> 01:17:31,040

not in order but the quest

2176

01:17:34,470 --> 01:17:32,480

uh everything you want to know about

2177

01:17:37,590 --> 01:17:34,480

sedona in a nutshell

2178

01:17:39,030 --> 01:17:37,600

ufo ufo sighting hot spots

2179

01:17:41,669 --> 01:17:39,040

uh

2180

01:17:43,189 --> 01:17:41,679

the alien tide

2181

01:17:44,550 --> 01:17:43,199

you've almost written as much as i have

2182

01:17:45,830 --> 01:17:44,560

yeah

2183

01:17:48,310 --> 01:17:45,840

that one i remember is that the first

2184

01:17:50,149 --> 01:17:48,320

one yeah yeah and that's called yeah

2185

01:17:52,550 --> 01:17:50,159

mysteries of saddam is my first one it's

2186

01:17:54,390 --> 01:17:52,560

still going and then unseen beings

2187

01:17:55,350 --> 01:17:54,400

unseen worlds

2188

01:17:58,709 --> 01:17:55,360

uh

2189

01:18:00,709 --> 01:17:58,719

merging merging dimensions and

2190

01:18:02,470 --> 01:18:00,719

this mysterious sedona this is my

2191

01:18:04,229 --> 01:18:02,480

favorite okay do you do you have a

2192

01:18:06,149 --> 01:18:04,239

website we can direct people to yeah

2193

01:18:07,189 --> 01:18:06,159

i'll probably uh sell blue some of these

2194

01:18:08,550 --> 01:18:07,199

books um

2195

01:18:09,669 --> 01:18:08,560

what's that what's the website i know

2196

01:18:11,750 --> 01:18:09,679

you have some videos on there and

2197

01:18:14,229 --> 01:18:11,760

different things yeah

2198

01:18:15,830 --> 01:18:14,239

southwest tours.com

2199

01:18:18,870 --> 01:18:15,840

one word and if you're gonna come to

2200

01:18:20,550 --> 01:18:18,880

sedona and you're gonna go for a tour

2201

01:18:23,830 --> 01:18:20,560

this is the one you'll get abducted on i

2202

01:18:28,470 --> 01:18:23,840

i i guarantee that yeah

2203

01:18:35,430 --> 01:18:31,910

all right so from sedona this is tim

2204

01:18:41,990 --> 01:18:35,440

and tom and they're there and have a

2205

01:18:46,709 --> 01:18:44,870

and uh remember this is tim beckley

2206

01:18:50,390 --> 01:18:46,719

reporting live for the conspiracy

2207

01:18:52,149 --> 01:18:50,400

journal you can't see me but i can see

2208

01:18:55,990 --> 01:18:52,159

you

2209

01:18:58,790 --> 01:18:56,000

unfair unbalanced unedited to next time

2210

01:19:03,990 --> 01:19:01,910

here we are this is snubbling

2211

01:19:07,110 --> 01:19:04,000

sniveling hills here

2212

01:19:09,830 --> 01:19:07,120

and with charlotte and um

2213

01:19:13,910 --> 01:19:09,840

tom dango in the van

2214

01:19:18,070 --> 01:19:13,920

and we got about five miles to the top

2215

01:19:19,990 --> 01:19:18,080

and this is a great view of sedona here

2216

01:19:20,950 --> 01:19:20,000

this is like nothing you've ever seen

2217

01:19:23,910 --> 01:19:20,960

before

2218

01:19:26,390 --> 01:19:23,920

but don't attempt to come up here unless

2219

01:19:27,750 --> 01:19:26,400

you got a vehicle that's a four-wheel

2220

01:19:29,270 --> 01:19:27,760

drive because you're not going to make

2221

01:19:31,030 --> 01:19:29,280

it very far

2222

01:19:32,470 --> 01:19:31,040

and uh i hear there's been some

2223

01:19:34,790 --> 01:19:32,480

abductions that well thompson you know

2224

01:19:35,590 --> 01:19:34,800

there's been things going on up here and

2225

01:19:37,990 --> 01:19:35,600

so

2226

01:19:59,830 --> 01:19:38,000

we're making our own investigation

2227

01:20:03,110 --> 01:20:01,669

it looks like an angel flying above the

2228

01:20:07,430 --> 01:20:03,120

rock

2229

01:20:11,590 --> 01:20:08,950

looks like

2230

01:20:13,750 --> 01:20:11,600

we have just had the most enormous ride

2231

01:20:15,990 --> 01:20:13,760

up uh this

2232

01:20:17,830 --> 01:20:16,000

place here this is just incredible do

2233

01:20:20,470 --> 01:20:17,840

not come up with your car because you

2234

01:20:23,350 --> 01:20:20,480

are not going to make it but the ufos

2235

01:20:34,470 --> 01:20:23,360

will save us as you can tell here comes

2236

01:20:38,149 --> 01:20:35,830

you would think we were these were

2237

01:20:40,149 --> 01:20:38,159

craters on the moon

2238

01:20:42,310 --> 01:20:40,159

no this is

2239

01:20:43,990 --> 01:20:42,320

the four-wheel drive you need one to

2240

01:20:45,590 --> 01:20:44,000

come up here fellas

2241

01:20:51,510 --> 01:20:45,600

girls don't

2242

01:20:51,520 --> 01:20:56,470

there's some people liking that

2243

01:21:17,750 --> 01:20:57,750

okay i'm gonna take a whiz over here

2244

01:21:21,750 --> 01:21:20,149

we are here at um

2245

01:21:22,950 --> 01:21:21,760

the top of the mountain and it's an

2246

01:21:25,510 --> 01:21:22,960

incredible

2247

01:21:26,950 --> 01:21:25,520

uh site what what do we know about ufo

2248

01:21:29,350 --> 01:21:26,960

sightings here

2249

01:21:32,070 --> 01:21:29,360

well this is schnebly hill

2250

01:21:33,990 --> 01:21:32,080

uh and it was well probably back in the

2251
01:21:36,229 --> 01:21:34,000
late 80s and early 90s one of the world

2252
01:21:39,350 --> 01:21:36,239
hot spots for ufo sightings

2253
01:21:42,550 --> 01:21:39,360
there are nightly dramatic ufo sightings

2254
01:21:44,470 --> 01:21:42,560
here mostly of red orbs or triangular

2255
01:21:45,990 --> 01:21:44,480
shaped craft

2256
01:21:49,430 --> 01:21:46,000
and some of them were very close to the

2257
01:21:52,149 --> 01:21:50,229
well

2258
01:21:53,270 --> 01:21:52,159
close to the ground where's the ground

2259
01:21:56,709 --> 01:21:53,280
yeah

2260
01:21:58,149 --> 01:21:56,719
they were very low they're below the

2261
01:22:00,430 --> 01:21:58,159
ridge what is the altitude that we are

2262
01:22:03,669 --> 01:22:00,440
at here we are at

2263
01:22:06,149 --> 01:22:03,679

55 500 feet right here

2264

01:22:07,990 --> 01:22:06,159

it's a remarkable site

2265

01:22:09,990 --> 01:22:08,000

i could see if i was coming from

2266

01:22:12,550 --> 01:22:10,000

somewhere else i would want to visit

2267

01:22:16,470 --> 01:22:14,470

and if you're going to come here best to

2268

01:22:20,229 --> 01:22:16,480

land in the ufo because the drive up

2269

01:22:22,390 --> 01:22:20,239

here better come in your best vehicle

2270

01:22:25,590 --> 01:22:22,400

because it is a trusting that there's

2271

01:22:27,990 --> 01:22:25,600

some little tiny maces in the distance

2272

01:22:30,550 --> 01:22:28,000

you know a little flat on the top

2273

01:22:32,229 --> 01:22:30,560

but this is all uh the ocean has come

2274

01:22:40,709 --> 01:22:32,239

and gone here seven times so everything

2275

01:22:45,510 --> 01:22:42,310

in the distance here is that the lights

2276

01:22:48,310 --> 01:22:45,520

of sedona all the way down there

2277

01:22:50,830 --> 01:22:48,320

i'm not even sure we can see that

2278

01:22:53,189 --> 01:22:50,840

because uh it gets us out of
