

1
00:00:14,920 --> 00:00:31,669
mmm

2
00:00:35,350 --> 00:00:34,150
today we have with us joshua p warren

3
00:00:38,630 --> 00:00:35,360
famed ghost hunter

4
00:00:40,150 --> 00:00:38,640
and expert on the brown mountain lights

5
00:00:43,270 --> 00:00:40,160
of north carolina

6
00:00:45,990 --> 00:00:43,280
and host of speaking of

7
00:00:47,830 --> 00:00:46,000
strange there you go broadcast every

8
00:00:50,790 --> 00:00:47,840
saturday night

9
00:00:54,310 --> 00:00:50,800
on the internet and on radio station

10
00:00:55,510 --> 00:00:54,320
news radio 570 wwnc the talk of the

11
00:00:58,229 --> 00:00:55,520
mountains

12
00:00:59,349 --> 00:00:58,239
there you go i am a radio and josh and i

13
00:01:02,229 --> 00:00:59,359

actually met under

14

00:01:03,670 --> 00:01:02,239

somewhat very peculiar uh circumstances

15

00:01:07,350 --> 00:01:03,680

that had nothing to do with the

16

00:01:11,350 --> 00:01:07,360

the paranormal uh we both also make

17

00:01:13,830 --> 00:01:11,360

movies yes josh and i are b movie makers

18

00:01:14,469 --> 00:01:13,840

and joshua made a movie which is proud

19

00:01:18,230 --> 00:01:14,479

of called

20

00:01:23,590 --> 00:01:21,749

and we went we were both at a um

21

00:01:27,910 --> 00:01:23,600

a um horror conference what would you

22

00:01:32,310 --> 00:01:30,710

outside of syracuse so far outside of

23

00:01:34,950 --> 00:01:32,320

syracuse that we can't even tell you

24

00:01:36,630 --> 00:01:34,960

what the name of the town was

25

00:01:39,109 --> 00:01:36,640

although surprisingly enough i believe

26
00:01:39,990 --> 00:01:39,119
president clinton went to that same town

27
00:01:43,749 --> 00:01:40,000
about two weeks

28
00:01:47,030 --> 00:01:43,759
later so it must be a melting pot of the

29
00:01:49,350 --> 00:01:47,040
upstate new york area but anyway it was

30
00:01:51,670 --> 00:01:49,360
held in a little catering hall

31
00:01:53,190 --> 00:01:51,680
and few people attended and it was a

32
00:01:56,709 --> 00:01:53,200
sweltering day if i remember

33
00:01:58,950 --> 00:01:56,719
yeah and so josh and i met in the bar

34
00:02:00,709 --> 00:01:58,960
yes we did and we talked b movies not

35
00:02:02,069 --> 00:02:00,719
realizing that he was here

36
00:02:04,389 --> 00:02:02,079
with one of the greatest

37
00:02:06,069 --> 00:02:04,399
parapsychologists and ufo researchers

38
00:02:08,150 --> 00:02:06,079

and i certainly did not know that he was

39

00:02:09,830 --> 00:02:08,160

a ghost hunter until i found him many

40

00:02:11,910 --> 00:02:09,840

months later in a used bookstore

41

00:02:13,110 --> 00:02:11,920

yeah yeah isn't that weird that's

42

00:02:15,589 --> 00:02:13,120

strange yeah so we

43

00:02:16,550 --> 00:02:15,599

missed the opportunity to talk about all

44

00:02:17,990 --> 00:02:16,560

this stuff

45

00:02:20,390 --> 00:02:18,000

of course i've been a guest on the show

46

00:02:22,390 --> 00:02:20,400

forever on and off over the years

47

00:02:24,150 --> 00:02:22,400

and it's a wonderful program and we're

48

00:02:27,910 --> 00:02:24,160

going to interview

49

00:02:31,750 --> 00:02:27,920

josh for our continuing uh series of

50

00:02:34,309 --> 00:02:31,760

videos uh called our alien planet

51
00:02:35,430 --> 00:02:34,319
so josh how did you become a ghost

52
00:02:38,070 --> 00:02:35,440
hunter

53
00:02:39,910 --> 00:02:38,080
well i started by writing fictional

54
00:02:42,630 --> 00:02:39,920
ghost stories and other spooky tales

55
00:02:45,830 --> 00:02:42,640
when i was just a teenager about 14

56
00:02:46,710 --> 00:02:45,840
or 15 years old and because of that i

57
00:02:49,750 --> 00:02:46,720
got a job

58
00:02:52,070 --> 00:02:49,760
working for the local newspaper and my

59
00:02:53,910 --> 00:02:52,080
first article came out around halloween

60
00:02:56,309 --> 00:02:53,920
and so it seemed natural to

61
00:02:56,949 --> 00:02:56,319
write a story about places in the area

62
00:03:01,270 --> 00:02:56,959
that

63
00:03:03,670 --> 00:03:01,280

are supposedly haunted and oddly enough

64

00:03:05,509 --> 00:03:03,680

no one had ever written a book of

65

00:03:07,190 --> 00:03:05,519

asheville ghost stories and so when some

66

00:03:09,270 --> 00:03:07,200

of these articles came out

67

00:03:10,309 --> 00:03:09,280

there was a great response uh people

68

00:03:12,309 --> 00:03:10,319

really enjoyed them

69

00:03:13,750 --> 00:03:12,319

started calling me sending me letters

70

00:03:14,070 --> 00:03:13,760

telling me about other places i should

71

00:03:16,949 --> 00:03:14,080

go

72

00:03:17,430 --> 00:03:16,959

investigate and eventually little did

73

00:03:20,309 --> 00:03:17,440

they know

74

00:03:21,910 --> 00:03:20,319

that you were 15 oh yeah that at the

75

00:03:23,750 --> 00:03:21,920

time they had no idea no no

76

00:03:25,990 --> 00:03:23,760

because i started out too when i was 13.

77

00:03:29,030 --> 00:03:26,000

yeah so and here we are now at

78

00:03:31,990 --> 00:03:29,040

19 or 20. yeah yeah sure

79

00:03:33,830 --> 00:03:32,000

and so um you know it seemed natural to

80

00:03:34,229 --> 00:03:33,840

eventually compile them together into a

81

00:03:37,350 --> 00:03:34,239

book

82

00:03:40,390 --> 00:03:37,360

and the more i interviewed people

83

00:03:42,149 --> 00:03:40,400

who had experienced the paranormal

84

00:03:43,589 --> 00:03:42,159

the more convinced i became that maybe

85

00:03:45,830 --> 00:03:43,599

there was something more

86

00:03:47,910 --> 00:03:45,840

to all of the stories rather than some

87

00:03:50,390 --> 00:03:47,920

just purely subjective

88

00:03:51,270 --> 00:03:50,400

experience like a hallucination or their

89

00:03:53,670 --> 00:03:51,280

imagination

90

00:03:54,390 --> 00:03:53,680

i mean i interviewed a chief of police

91

00:03:57,589 --> 00:03:54,400

and

92

00:03:59,910 --> 00:03:57,599

had

93

00:04:01,990 --> 00:03:59,920

nothing to gain and if anything a lot to

94

00:04:02,789 --> 00:04:02,000

lose by admitting to these experiences

95

00:04:04,390 --> 00:04:02,799

and so

96

00:04:06,229 --> 00:04:04,400

uh when i started really taking it

97

00:04:07,030 --> 00:04:06,239

seriously is when i started my team

98

00:04:08,949 --> 00:04:07,040

lemur

99

00:04:10,710 --> 00:04:08,959

which stands for the league of energy

100

00:04:11,830 --> 00:04:10,720

materialization and unexplained

101
00:04:14,309 --> 00:04:11,840
phenomena

102
00:04:15,270 --> 00:04:14,319
never knew what that was it's quite a

103
00:04:18,150 --> 00:04:15,280
mouthful

104
00:04:20,069 --> 00:04:18,160
and it's a team of people who have

105
00:04:23,350 --> 00:04:20,079
various backgrounds

106
00:04:25,189 --> 00:04:23,360
and we all go together to places where

107
00:04:28,070 --> 00:04:25,199
something strange has been reported and

108
00:04:30,310 --> 00:04:28,080
divide the task of gathering data

109
00:04:31,990 --> 00:04:30,320
and try to determine if indeed there is

110
00:04:35,030 --> 00:04:32,000
something that we can measure or

111
00:04:35,830 --> 00:04:35,040
document that is inexplicable now what

112
00:04:39,110 --> 00:04:35,840
is the

113
00:04:40,710 --> 00:04:39,120

um or the case uh would you say that was

114

00:04:41,430 --> 00:04:40,720

most convincing that proves to you that

115

00:04:44,310 --> 00:04:41,440

there was something

116

00:04:46,150 --> 00:04:44,320

paranormal going on well there are at

117

00:04:46,629 --> 00:04:46,160

least two or three that stand out in my

118

00:04:48,629 --> 00:04:46,639

mind

119

00:04:50,150 --> 00:04:48,639

uh well for example the first time i

120

00:04:53,590 --> 00:04:50,160

ever saw something that

121

00:04:56,790 --> 00:04:53,600

really struck me in an impressive way

122

00:04:58,790 --> 00:04:56,800

was objects flying off walls at a house

123

00:05:01,590 --> 00:04:58,800

in south carolina

124

00:05:03,749 --> 00:05:01,600

sort of poltergeist type activity in

125

00:05:06,469 --> 00:05:03,759

fact i saw a little ceramic

126
00:05:08,710 --> 00:05:06,479
dove hanging on the wall more or less

127
00:05:10,870 --> 00:05:08,720
explode off of the wall

128
00:05:12,230 --> 00:05:10,880
right in front of me and all the pieces

129
00:05:14,550 --> 00:05:12,240
hit the floor

130
00:05:15,670 --> 00:05:14,560
uh and i was so impressed by that that i

131
00:05:17,590 --> 00:05:15,680
said i

132
00:05:19,189 --> 00:05:17,600
want to come back to this house with as

133
00:05:21,670 --> 00:05:19,199
many cameras as i can

134
00:05:22,710 --> 00:05:21,680
find and not leave until i shoot some of

135
00:05:24,790 --> 00:05:22,720
this and we did

136
00:05:26,710 --> 00:05:24,800
the team went back and we ended up

137
00:05:29,830 --> 00:05:26,720
getting some footage which is actually

138
00:05:32,710 --> 00:05:29,840

freely available on our website of

139

00:05:35,270 --> 00:05:32,720

a uh a meter that weighs about a pound a

140

00:05:37,830 --> 00:05:35,280

tri-filled natural em meter sitting

141

00:05:40,270 --> 00:05:37,840

in the corner of the room and you hear

142

00:05:42,070 --> 00:05:40,280

the meter squeal as it picks up some

143

00:05:44,550 --> 00:05:42,080

electromagnetic field

144

00:05:45,430 --> 00:05:44,560

and then the meter actually moves or

145

00:05:49,110 --> 00:05:45,440

some might say

146

00:05:51,670 --> 00:05:49,120

was not forward and then up on its side

147

00:05:53,510 --> 00:05:51,680

to perpendicular lines of motion so that

148

00:05:55,270 --> 00:05:53,520

was impressive but i think the number

149

00:05:57,590 --> 00:05:55,280

one would have to be

150

00:05:58,550 --> 00:05:57,600

the one and only time i have actually

151
00:06:01,990 --> 00:05:58,560
seen

152
00:06:05,029 --> 00:06:02,000
an apparitional form with my naked eyes

153
00:06:09,590 --> 00:06:05,039
and was even able to touch it

154
00:06:12,390 --> 00:06:09,600
yeah you touched yeah i touched a ghost

155
00:06:15,189 --> 00:06:12,400
um this was well i would i would say

156
00:06:16,230 --> 00:06:15,199
i've been to between 500 and 1000 places

157
00:06:17,909 --> 00:06:16,240
that are supposedly

158
00:06:19,270 --> 00:06:17,919
well let's not run away from this so

159
00:06:19,749 --> 00:06:19,280
quickly although maybe you did at the

160
00:06:22,550 --> 00:06:19,759
time

161
00:06:23,990 --> 00:06:22,560
how did you touch the ghost or other

162
00:06:25,189 --> 00:06:24,000
what circumstances being that this is

163
00:06:27,990 --> 00:06:25,199

the only time

164

00:06:28,469 --> 00:06:28,000

that i've ever seen something like this

165

00:06:32,070 --> 00:06:28,479

i was

166

00:06:34,150 --> 00:06:32,080

of a house

167

00:06:36,469 --> 00:06:34,160

and the young lady who lived there

168

00:06:38,309 --> 00:06:36,479

contacted me because she had been seeing

169

00:06:39,029 --> 00:06:38,319

this misty form floating around the

170

00:06:41,189 --> 00:06:39,039

house

171

00:06:43,189 --> 00:06:41,199

sometimes it would look to her more

172

00:06:44,790 --> 00:06:43,199

distinctly like a human and she even

173

00:06:47,430 --> 00:06:44,800

called 911

174

00:06:47,990 --> 00:06:47,440

the first time she saw this figure

175

00:06:50,950 --> 00:06:48,000

thinking

176
00:06:53,189 --> 00:06:50,960
that someone had broken into her house

177
00:06:54,870 --> 00:06:53,199
and so

178
00:06:56,230 --> 00:06:54,880
she started seeing this thing appearing

179
00:06:57,909 --> 00:06:56,240
in her bedroom and it

180
00:06:59,749 --> 00:06:57,919
frightened her and she wanted to move

181
00:07:01,670 --> 00:06:59,759
and she was

182
00:07:03,510 --> 00:07:01,680
going back and forth debating whether or

183
00:07:05,270 --> 00:07:03,520
not something could be done to stop the

184
00:07:07,029 --> 00:07:05,280
activity and finally she woke up

185
00:07:08,950 --> 00:07:07,039
at 4 30 in the morning and this thing

186
00:07:11,830 --> 00:07:08,960
was in the bed with her

187
00:07:12,629 --> 00:07:11,840
and so she said screw this i'm getting

188
00:07:15,189 --> 00:07:12,639

out of here

189

00:07:16,629 --> 00:07:15,199

she left and called me and that's when i

190

00:07:18,870 --> 00:07:16,639

agreed to come

191

00:07:20,150 --> 00:07:18,880

and investigate her house now i am not a

192

00:07:22,390 --> 00:07:20,160

ghost buster

193

00:07:24,230 --> 00:07:22,400

or an exorcist i mean i don't know that

194

00:07:26,390 --> 00:07:24,240

there is necessarily a way

195

00:07:28,150 --> 00:07:26,400

that you can get rid of a ghost i'm just

196

00:07:30,550 --> 00:07:28,160

there to try to understand as much

197

00:07:32,710 --> 00:07:30,560

as possible about the activity and so

198

00:07:34,710 --> 00:07:32,720

the second time i was at her house

199

00:07:35,990 --> 00:07:34,720

i was up in the attic with another

200

00:07:38,550 --> 00:07:36,000

researcher

201
00:07:39,510 --> 00:07:38,560
and i was actually about to leave we'd

202
00:07:41,990 --> 00:07:39,520
been up there for

203
00:07:43,589 --> 00:07:42,000
a little while and the other researchers

204
00:07:45,749 --> 00:07:43,599
said josh look

205
00:07:48,230 --> 00:07:45,759
and i turned around and he and i were

206
00:07:50,469 --> 00:07:48,240
about three feet away from each other

207
00:07:52,390 --> 00:07:50,479
and right there between us was this blue

208
00:07:54,550 --> 00:07:52,400
gray mist

209
00:07:57,270 --> 00:07:54,560
just floating in the air and it was a

210
00:08:00,309 --> 00:07:57,280
patch that was maybe two to three feet

211
00:08:02,150 --> 00:08:00,319
and i'll never forget one thing that was

212
00:08:04,629 --> 00:08:02,160
so strange about it

213
00:08:05,510 --> 00:08:04,639

was that unlike smoke that has some sort

214

00:08:09,029 --> 00:08:05,520

of swirls

215

00:08:12,070 --> 00:08:09,039

and curls and uh it had

216

00:08:13,909 --> 00:08:12,080

facets almost like a gem these flat

217

00:08:15,189 --> 00:08:13,919

panels that we're still sort of shifting

218

00:08:17,029 --> 00:08:15,199

around i've never seen

219

00:08:18,710 --> 00:08:17,039

a structure quite like it now that kind

220

00:08:20,710 --> 00:08:18,720

of sounds like the

221

00:08:22,150 --> 00:08:20,720

ufo that's supposedly landed in bent

222

00:08:23,749 --> 00:08:22,160

waters you know that

223

00:08:25,510 --> 00:08:23,759

the case in england very famous case

224

00:08:26,550 --> 00:08:25,520

where the military surrounded this

225

00:08:28,390 --> 00:08:26,560

object and that

226
00:08:29,830 --> 00:08:28,400
was kind of blowing up the glowing thing

227
00:08:32,709 --> 00:08:29,840
with yeah

228
00:08:33,029 --> 00:08:32,719
i'm not sure that well it had panels uh

229
00:08:35,829 --> 00:08:33,039
two

230
00:08:36,149 --> 00:08:35,839
panels and yeah that might i'd like to

231
00:08:37,990 --> 00:08:36,159
go

232
00:08:39,430 --> 00:08:38,000
and study that case a little more now

233
00:08:40,630 --> 00:08:39,440
that you mentioned that possible

234
00:08:43,029 --> 00:08:40,640
connection

235
00:08:44,790 --> 00:08:43,039
so uh i reached out to touch it because

236
00:08:46,790 --> 00:08:44,800
again i was just mesmerized and

237
00:08:48,150 --> 00:08:46,800
i was actually in retrospect wasting

238
00:08:49,509 --> 00:08:48,160

valuable time because i should have had

239

00:08:51,430 --> 00:08:49,519

all my meters up there take

240

00:08:52,710 --> 00:08:51,440

but no i was just face to face with this

241

00:08:54,310 --> 00:08:52,720

thing both of us were

242

00:08:55,910 --> 00:08:54,320

we were looking at this from two

243

00:08:57,430 --> 00:08:55,920

opposite sides and it was you know

244

00:09:00,870 --> 00:08:57,440

three-dimensional

245

00:09:04,070 --> 00:09:00,880

so i reached out and touched it and

246

00:09:07,670 --> 00:09:04,080

when my hand broke the surface

247

00:09:10,470 --> 00:09:07,680

of this mist the facets kind of

248

00:09:11,750 --> 00:09:10,480

shifted and rippled a little bit around

249

00:09:13,590 --> 00:09:11,760

my hand

250

00:09:15,350 --> 00:09:13,600

and it was very cold in the middle and

251
00:09:16,470 --> 00:09:15,360
it made the hair stand up on the back of

252
00:09:18,470 --> 00:09:16,480
my hand and then i

253
00:09:20,310 --> 00:09:18,480
when i withdrew my hand it sort of

254
00:09:23,670 --> 00:09:20,320
popped back into place

255
00:09:26,310 --> 00:09:23,680
and it was just it was amazing um so

256
00:09:27,350 --> 00:09:26,320
it started to dim after about 20 or 30

257
00:09:30,470 --> 00:09:27,360
seconds

258
00:09:32,470 --> 00:09:30,480
and it wasn't until it began to dim that

259
00:09:34,150 --> 00:09:32,480
i realized oh my gosh i need to take a

260
00:09:35,670 --> 00:09:34,160
picture so i had my digital camera

261
00:09:38,790 --> 00:09:35,680
around my neck

262
00:09:41,590 --> 00:09:38,800
and i snapped a photograph of this form

263
00:09:43,670 --> 00:09:41,600

just before it disappeared so i don't

264

00:09:45,269 --> 00:09:43,680

have a photo that shows it as distinctly

265

00:09:47,110 --> 00:09:45,279

as it looked to us

266

00:09:49,030 --> 00:09:47,120

but still you can see it and it

267

00:09:52,230 --> 00:09:49,040

demonstrates this this is not

268

00:09:54,550 --> 00:09:52,240

but then we're we're talking more about

269

00:09:57,350 --> 00:09:54,560

something that looks like uh an object

270

00:09:59,430 --> 00:09:57,360

rather than a disembodied spirit

271

00:10:00,870 --> 00:09:59,440

well i mean i i guess that's the

272

00:10:02,630 --> 00:10:00,880

question really you know

273

00:10:04,550 --> 00:10:02,640

was this what we would call a

274

00:10:05,990 --> 00:10:04,560

disembodied spirit is a ghost a

275

00:10:09,269 --> 00:10:06,000

disembodied spirit

276

00:10:12,069 --> 00:10:09,279

not necessarily for example we have

277

00:10:15,509 --> 00:10:12,079

ghosts of inanimate objects as well

278

00:10:17,030 --> 00:10:15,519

you have ghostly ships and stage coaches

279

00:10:18,949 --> 00:10:17,040

as well as the horses pulling them

280

00:10:21,509 --> 00:10:18,959

trains with train tracks never existed

281

00:10:23,590 --> 00:10:21,519

even so i don't know that that was the

282

00:10:24,870 --> 00:10:23,600

spirit of a dead person but my

283

00:10:26,870 --> 00:10:24,880

definition of a ghost

284

00:10:29,030 --> 00:10:26,880

is some paranormal aspect of the

285

00:10:30,550 --> 00:10:29,040

physical form and or mental presence

286

00:10:32,630 --> 00:10:30,560

that appears

287

00:10:33,750 --> 00:10:32,640

to exist apart from the original

288

00:10:35,350 --> 00:10:33,760

physical form

289

00:10:37,030 --> 00:10:35,360

and that word appears is integral

290

00:10:39,590 --> 00:10:37,040

because it shows you that you might not

291

00:10:45,509 --> 00:10:39,600

be able to always differentiate

292

00:10:47,750 --> 00:10:45,519

seeing a ghost from a hallucination

293

00:10:50,230 --> 00:10:47,760

in other cases it could be something

294

00:10:53,110 --> 00:10:50,240

that uh is a remnant of the past an

295

00:10:54,710 --> 00:10:53,120

imprint uh or in some cases it could

296

00:10:56,870 --> 00:10:54,720

simply be an atmospheric

297

00:10:58,550 --> 00:10:56,880

phenomenon that isn't understood and so

298

00:10:59,670 --> 00:10:58,560

for the time being we think of it

299

00:11:02,949 --> 00:10:59,680

according to that

300

00:11:04,630 --> 00:11:02,959

definition so ufos

301
00:11:06,790 --> 00:11:04,640
could be ghosts in your definition

302
00:11:07,350 --> 00:11:06,800
absolutely yeah ufos could be considered

303
00:11:10,630 --> 00:11:07,360
ghosts

304
00:11:11,829 --> 00:11:10,640
certainly i would say ghostly um and

305
00:11:13,910 --> 00:11:11,839
and that there's an interesting

306
00:11:14,949 --> 00:11:13,920
connection there between ufos and ghosts

307
00:11:18,069 --> 00:11:14,959
because

308
00:11:20,150 --> 00:11:18,079
whatever these ufos are if they do

309
00:11:21,829 --> 00:11:20,160
indeed demonstrate some of the qualities

310
00:11:24,389 --> 00:11:21,839
that people talk about

311
00:11:25,190 --> 00:11:24,399
attaining huge or very high speeds or

312
00:11:28,310 --> 00:11:25,200
sort of

313
00:11:30,550 --> 00:11:28,320

materializing and vanishing

314

00:11:31,750 --> 00:11:30,560

whatever they are or or wherever they

315

00:11:33,910 --> 00:11:31,760

are from whether or not

316

00:11:35,590 --> 00:11:33,920

they themselves are conscious or being

317

00:11:39,509 --> 00:11:35,600

operated by conscious

318

00:11:42,230 --> 00:11:39,519

beings the the operators of the ufos

319

00:11:43,430 --> 00:11:42,240

understand how to manipulate matter and

320

00:11:46,790 --> 00:11:43,440

energy

321

00:11:49,269 --> 00:11:46,800

because at some level

322

00:11:50,550 --> 00:11:49,279

the physicality of the manifestation is

323

00:11:53,829 --> 00:11:50,560

irrelevant

324

00:11:57,350 --> 00:11:53,839

because if if you can master

325

00:12:00,310 --> 00:11:57,360

using matter and energy enough to

326

00:12:02,150 --> 00:12:00,320

utilize it for a vehicle whether they

327

00:12:03,030 --> 00:12:02,160

came from another dimension or another

328

00:12:05,910 --> 00:12:03,040

planet

329

00:12:07,509 --> 00:12:05,920

well then also uh that applies perhaps

330

00:12:10,790 --> 00:12:07,519

to understanding

331

00:12:13,590 --> 00:12:10,800

more about what a human is

332

00:12:14,550 --> 00:12:13,600

and whether or not there are aspects of

333

00:12:17,350 --> 00:12:14,560

ourselves that

334

00:12:18,069 --> 00:12:17,360

can still remain once this physical

335

00:12:20,389 --> 00:12:18,079

layer

336

00:12:22,790 --> 00:12:20,399

is shed and so you can you can sort of

337

00:12:24,870 --> 00:12:22,800

see a connection there between

338

00:12:27,509 --> 00:12:24,880

understanding more about ufos and

339

00:12:30,150 --> 00:12:27,519

understanding ghosts as well as

340

00:12:31,430 --> 00:12:30,160

considering that even with basic space

341

00:12:35,190 --> 00:12:31,440

travel if we send

342

00:12:39,990 --> 00:12:35,200

men to mars using linear propulsion

343

00:12:43,110 --> 00:12:40,000

and a linear path we have to understand

344

00:12:45,750 --> 00:12:43,120

what happens to the human body

345

00:12:47,350 --> 00:12:45,760

being subjected to those kinds of forces

346

00:12:50,389 --> 00:12:47,360

for that period of time

347

00:12:52,790 --> 00:12:50,399

and learning more about what a human is

348

00:12:54,150 --> 00:12:52,800

and how a human is composed in

349

00:12:55,829 --> 00:12:54,160

space-time

350

00:12:57,910 --> 00:12:55,839

and how that can be affected by

351

00:13:00,790 --> 00:12:57,920

traveling through space-time

352

00:13:03,990 --> 00:13:00,800

in extreme ways all relate to these

353

00:13:07,750 --> 00:13:04,000

questions of exactly what is reality and

354

00:13:10,629 --> 00:13:07,760

these phenomena seem to be good examples

355

00:13:11,750 --> 00:13:10,639

of rare glimpses of things that we might

356

00:13:15,110 --> 00:13:11,760

someday master

357

00:13:17,829 --> 00:13:15,120

technologically ourselves so it's

358

00:13:19,430 --> 00:13:17,839

time travel i think there's a great

359

00:13:20,150 --> 00:13:19,440

possibility that we're looking at some

360

00:13:23,509 --> 00:13:20,160

time travel

361

00:13:25,350 --> 00:13:23,519

here well for one thing we know that

362

00:13:27,829 --> 00:13:25,360

time travel is possible

363

00:13:29,750 --> 00:13:27,839

we know that time is a flexible thing

364

00:13:31,269 --> 00:13:29,760

and that a clock in your basement runs

365

00:13:32,710 --> 00:13:31,279

slower than a clock in your attic

366

00:13:34,710 --> 00:13:32,720

because the one in your basement is

367

00:13:35,590 --> 00:13:34,720

closer to the earth's gravitational

368

00:13:39,350 --> 00:13:35,600

field

369

00:13:43,110 --> 00:13:39,360

so knowing that that time travel is

370

00:13:45,430 --> 00:13:43,120

feasible the only other question is

371

00:13:47,670 --> 00:13:45,440

will it ever be possible for a human to

372

00:13:49,670 --> 00:13:47,680

actually time travel into the past

373

00:13:51,430 --> 00:13:49,680

and if not a human then something

374

00:13:54,470 --> 00:13:51,440

comparable to a human

375

00:13:58,069 --> 00:13:54,480

because if ever ever in the future

376

00:14:00,550 --> 00:13:58,079

the infinite future some intelligent

377

00:14:03,189 --> 00:14:00,560

being is going to figure out how to time

378

00:14:05,750 --> 00:14:03,199

travel back into the past

379

00:14:06,310 --> 00:14:05,760

well then it seems perfectly reasonable

380

00:14:09,670 --> 00:14:06,320

that they

381

00:14:12,710 --> 00:14:09,680

have done so and may even be

382

00:14:14,470 --> 00:14:12,720

controlling us to some extent to the

383

00:14:24,069 --> 00:14:14,480

benefit of

384

00:14:27,829 --> 00:14:25,430

actually i had that it happened in the

385

00:14:29,269 --> 00:14:27,839

middle of a movie one time oh okay

386

00:14:30,870 --> 00:14:29,279

and then i had to sit there and explain

387

00:14:32,870 --> 00:14:30,880

while everything was going on

388

00:14:35,269 --> 00:14:32,880

why i couldn't talk but go ahead all

389

00:14:38,230 --> 00:14:35,279

right yeah so if if indeed

390

00:14:40,069 --> 00:14:38,240

uh beings are ever going to learn how to

391

00:14:43,030 --> 00:14:40,079

travel into the past

392

00:14:44,710 --> 00:14:43,040

then we can safely presume they probably

393

00:14:47,110 --> 00:14:44,720

have done so

394

00:14:49,189 --> 00:14:47,120

they probably are here or at least they

395

00:14:53,030 --> 00:14:49,199

have been here and may even be

396

00:14:55,910 --> 00:14:53,040

manipulating events now to the benefit

397

00:14:56,230 --> 00:14:55,920

of their future world and so it's funny

398

00:15:01,670 --> 00:14:56,240

it's

399

00:15:04,629 --> 00:15:01,680

paranoid mindset you could even say

400

00:15:06,230 --> 00:15:04,639

but one might make the case that we are

401
00:15:08,470 --> 00:15:06,240
being

402
00:15:11,590 --> 00:15:08,480
controlled by people of the future and

403
00:15:14,310 --> 00:15:11,600
there's nothing we can ever do about it

404
00:15:16,310 --> 00:15:14,320
now there are there is a archaeological

405
00:15:19,110 --> 00:15:16,320
evidence that

406
00:15:20,150 --> 00:15:19,120
either some other race occupied the

407
00:15:21,990 --> 00:15:20,160
planet at

408
00:15:23,350 --> 00:15:22,000
the same time the disempass before they

409
00:15:25,590 --> 00:15:23,360
were supposed to be humans

410
00:15:26,629 --> 00:15:25,600
beings here or some people theorize that

411
00:15:29,350 --> 00:15:26,639
these may be

412
00:15:30,949 --> 00:15:29,360
proofs of time travelers going back into

413
00:15:33,430 --> 00:15:30,959

the ancient past

414

00:15:34,870 --> 00:15:33,440

have you seen evidence of that or i've

415

00:15:36,949 --> 00:15:34,880

seen it in books i know

416

00:15:38,710 --> 00:15:36,959

brad steiger has written a lot about

417

00:15:41,509 --> 00:15:38,720

some of the fossilized

418

00:15:43,749 --> 00:15:41,519

tennis shoe prints and or uh you know

419

00:15:48,230 --> 00:15:43,759

spark plugs that are found in layers of

420

00:15:49,910 --> 00:15:48,240

rock um and if indeed those are valid

421

00:15:51,509 --> 00:15:49,920

fossils then i think that that is a

422

00:15:54,790 --> 00:15:51,519

wonderful example of

423

00:15:57,110 --> 00:15:54,800

the fact that indeed um

424

00:15:58,870 --> 00:15:57,120

we may reach a point when people are

425

00:15:59,910 --> 00:15:58,880

frequently traveling back thousands of

426
00:16:01,910 --> 00:15:59,920
years ago

427
00:16:03,670 --> 00:16:01,920
for all we know the bible and all these

428
00:16:04,389 --> 00:16:03,680
other ancient texts may have actually

429
00:16:07,189 --> 00:16:04,399
been

430
00:16:08,150 --> 00:16:07,199
written by future time travelers who

431
00:16:11,350 --> 00:16:08,160
were trying to

432
00:16:13,110 --> 00:16:11,360
change our morals and ethics in some way

433
00:16:14,550 --> 00:16:13,120
beginning thousands of years ago because

434
00:16:15,670 --> 00:16:14,560
religion is the earliest form of

435
00:16:18,230 --> 00:16:15,680
government

436
00:16:18,790 --> 00:16:18,240
so um once you go down that road of

437
00:16:20,790 --> 00:16:18,800
course

438
00:16:22,710 --> 00:16:20,800

anything is possible and that's that's

439

00:16:24,230 --> 00:16:22,720

frustrating for a lot of people

440

00:16:26,870 --> 00:16:24,240

they don't want to talk about it because

441

00:16:28,629 --> 00:16:26,880

they say well uh what's the point

442

00:16:30,550 --> 00:16:28,639

if people from the future are coming

443

00:16:32,230 --> 00:16:30,560

back to the past then you can explain

444

00:16:33,189 --> 00:16:32,240

everything that way and it's just too

445

00:16:35,350 --> 00:16:33,199

convenient

446

00:16:38,790 --> 00:16:35,360

okay so be it but that still doesn't

447

00:16:43,749 --> 00:16:41,110

now outside of a ghostly phenomenon i

448

00:16:46,389 --> 00:16:43,759

guess this is also a ghostly phenomena

449

00:16:47,829 --> 00:16:46,399

you're probably the well you are the the

450

00:16:49,829 --> 00:16:47,839

world's leading authority on the brown

451
00:16:52,870 --> 00:16:49,839
mountain lights

452
00:16:53,670 --> 00:16:52,880
which is a phenomena that's been seen

453
00:16:57,430 --> 00:16:53,680
for

454
00:16:59,910 --> 00:16:57,440
hundreds of years were to take it in the

455
00:17:00,870 --> 00:16:59,920
blue ridge mountains yes of north

456
00:17:03,269 --> 00:17:00,880
carolina

457
00:17:05,350 --> 00:17:03,279
and i was down there myself many many

458
00:17:07,990 --> 00:17:05,360
years ago with

459
00:17:09,510 --> 00:17:08,000
jim mosley and alan green field and

460
00:17:12,230 --> 00:17:09,520
quite a few other uh

461
00:17:13,110 --> 00:17:12,240
individuals and we staked out the brown

462
00:17:15,669 --> 00:17:13,120
mountain lights

463
00:17:16,789 --> 00:17:15,679

we didn't have didn't really see too

464

00:17:18,549 --> 00:17:16,799

much strange

465

00:17:20,309 --> 00:17:18,559

maybe one flash of light off into the

466

00:17:21,189 --> 00:17:20,319

woods which may have or may not have

467

00:17:23,829 --> 00:17:21,199

been

468

00:17:24,549 --> 00:17:23,839

a brown mountain light but we did have

469

00:17:26,470 --> 00:17:24,559

the

470

00:17:28,630 --> 00:17:26,480

opportunity to meet with this uh

471

00:17:29,990 --> 00:17:28,640

gentleman who was the local contactee by

472

00:17:32,549 --> 00:17:30,000

the name of ralph lail

473

00:17:34,230 --> 00:17:32,559

who had little convenience store a

474

00:17:36,390 --> 00:17:34,240

little shack i guess you would call it

475

00:17:37,270 --> 00:17:36,400

and a little man under the under the

476
00:17:38,549 --> 00:17:37,280
counter

477
00:17:40,549 --> 00:17:38,559
which we don't know whether he was a

478
00:17:42,470 --> 00:17:40,559
pygmy or something from another planet

479
00:17:45,270 --> 00:17:42,480
but ralph claimed that he was

480
00:17:47,190 --> 00:17:45,280
uh in in contact on a regular basis with

481
00:17:49,190 --> 00:17:47,200
the beings who

482
00:17:51,350 --> 00:17:49,200
resided or had a base at least inside

483
00:17:52,870 --> 00:17:51,360
the mountain and to convince us of the

484
00:17:55,830 --> 00:17:52,880
truth of his stories

485
00:17:56,230 --> 00:17:55,840
he had boxes full of giant crystals

486
00:17:58,710 --> 00:17:56,240
which

487
00:18:00,070 --> 00:17:58,720
were used as some energizing device or

488
00:18:02,950 --> 00:18:00,080

something by the aliens

489

00:18:04,470 --> 00:18:02,960

or perhaps by himself to entice people

490

00:18:06,470 --> 00:18:04,480

to buy his little booklet for a buck and

491

00:18:09,669 --> 00:18:06,480

a quarter and a bottle of diet coke

492

00:18:12,310 --> 00:18:09,679

yeah so that was

493

00:18:13,830 --> 00:18:12,320

it seems like almost at every locale of

494

00:18:14,950 --> 00:18:13,840

this nature you always find one or two

495

00:18:17,990 --> 00:18:14,960

individuals who

496

00:18:19,190 --> 00:18:18,000

have some interesting story to tell but

497

00:18:20,470 --> 00:18:19,200

how did you first find out about the

498

00:18:21,909 --> 00:18:20,480

brown mountain lights or did you just

499

00:18:23,830 --> 00:18:21,919

walk upon one one night

500

00:18:26,470 --> 00:18:23,840

well uh having lived in western north

501
00:18:28,710 --> 00:18:26,480
carolina my whole life i'd always heard

502
00:18:29,909 --> 00:18:28,720
legends growing up regarding the brown

503
00:18:30,950 --> 00:18:29,919
mountain lights in fact there was a

504
00:18:32,990 --> 00:18:30,960
popular

505
00:18:34,710 --> 00:18:33,000
bluegrass song that was sung in the

506
00:18:36,390 --> 00:18:34,720
1950s

507
00:18:38,870 --> 00:18:36,400
sort of a hit in our region called the

508
00:18:41,270 --> 00:18:38,880
ballad of the brown mountain light

509
00:18:42,710 --> 00:18:41,280
and so uh in my father he used to talk

510
00:18:44,549 --> 00:18:42,720
about it quite a bit uh

511
00:18:46,150 --> 00:18:44,559
because he liked the song and so when i

512
00:18:47,990 --> 00:18:46,160
was uh

513
00:18:50,630 --> 00:18:48,000

probably i don't know maybe around 12 or

514

00:18:52,630 --> 00:18:50,640

13 my parents took me and my sister up

515

00:18:55,110 --> 00:18:52,640

to the overlook

516

00:18:56,789 --> 00:18:55,120

is that plaque still there no uh there

517

00:18:58,470 --> 00:18:56,799

is um

518

00:19:00,230 --> 00:18:58,480

supposedly there's a plaque somewhere on

519

00:19:02,390 --> 00:19:00,240

the parkway uh

520

00:19:04,470 --> 00:19:02,400

that has been recently put up but not at

521

00:19:07,110 --> 00:19:04,480

the overlook that i usually go to

522

00:19:08,549 --> 00:19:07,120

the 181 overlook in fact it's it's kind

523

00:19:10,150 --> 00:19:08,559

of odd because

524

00:19:11,909 --> 00:19:10,160

i have talked to some of the people in

525

00:19:13,909 --> 00:19:11,919

burke county before about putting

526

00:19:16,870 --> 00:19:13,919

more signs up but they don't want to

527

00:19:20,470 --> 00:19:16,880

they say that it inspires vandalism

528

00:19:23,110 --> 00:19:20,480

uh and even at wiseman's view there is

529

00:19:24,950 --> 00:19:23,120

a plaque that has all of the mountains

530

00:19:26,630 --> 00:19:24,960

there and points out the names of the

531

00:19:28,230 --> 00:19:26,640

mountains and there's nothing related to

532

00:19:29,510 --> 00:19:28,240

the brown mountain lights on this plaque

533

00:19:31,830 --> 00:19:29,520

even so it's almost like

534

00:19:33,830 --> 00:19:31,840

they in some cases intentionally do not

535

00:19:36,230 --> 00:19:33,840

talk about it

536

00:19:37,909 --> 00:19:36,240

and in fact i tried to get the tourism

537

00:19:38,630 --> 00:19:37,919

commission to work with me one time

538

00:19:40,390 --> 00:19:38,640

about

539

00:19:41,909 --> 00:19:40,400

you know maybe a festival or something a

540

00:19:43,029 --> 00:19:41,919

brown mountain lights festival because i

541

00:19:44,230 --> 00:19:43,039

heard that they were doing that in

542

00:19:46,470 --> 00:19:44,240

martha texas

543

00:19:49,029 --> 00:19:46,480

with the marfa lights they were not

544

00:19:51,669 --> 00:19:49,039

interested in doing that and

545

00:19:53,510 --> 00:19:51,679

so and recently there is a private group

546

00:19:55,350 --> 00:19:53,520

of people that have done a festival for

547

00:19:58,070 --> 00:19:55,360

the past couple years

548

00:19:59,909 --> 00:19:58,080

but uh the the world of official dom

549

00:20:02,630 --> 00:19:59,919

really doesn't want to acknowledge

550

00:20:04,310 --> 00:20:02,640

much about the lights which is odd

551
00:20:06,230 --> 00:20:04,320
especially when you consider that you

552
00:20:07,350 --> 00:20:06,240
know i've talked to a lot of people

553
00:20:10,070 --> 00:20:07,360
there

554
00:20:11,990 --> 00:20:10,080
locals who have told me about weird

555
00:20:14,070 --> 00:20:12,000
military activity

556
00:20:15,830 --> 00:20:14,080
that may or may not be related to the

557
00:20:18,230 --> 00:20:15,840
light but if not it's certainly a bit

558
00:20:21,750 --> 00:20:18,240
much for coincidence

559
00:20:24,630 --> 00:20:21,760
i'll give you some examples of course

560
00:20:25,270 --> 00:20:24,640
let me start by saying that after about

561
00:20:27,350 --> 00:20:25,280
15

562
00:20:29,669 --> 00:20:27,360
years of camping up there and getting

563
00:20:31,510 --> 00:20:29,679

permits from the forest service and

564

00:20:33,990 --> 00:20:31,520

bringing all kinds of scientists up

565

00:20:34,789 --> 00:20:34,000

there my team and i concluded that the

566

00:20:37,350 --> 00:20:34,799

lights are

567

00:20:38,549 --> 00:20:37,360

most likely in many well most of the

568

00:20:39,669 --> 00:20:38,559

lights that are considered brown

569

00:20:42,310 --> 00:20:39,679

mountain lights

570

00:20:43,830 --> 00:20:42,320

are likely plasmas which are being

571

00:20:46,390 --> 00:20:43,840

naturally produced

572

00:20:47,430 --> 00:20:46,400

by the mountain because the mountain has

573

00:20:49,669 --> 00:20:47,440

some special

574

00:20:52,549 --> 00:20:49,679

geologic and atmospheric conditions and

575

00:20:55,350 --> 00:20:52,559

now i also know for a fact

576

00:20:56,870 --> 00:20:55,360

that the military has been working on

577

00:20:59,990 --> 00:20:56,880

using plasma

578

00:21:00,870 --> 00:21:00,000

for weapons for quite some time and so

579

00:21:04,310 --> 00:21:00,880

it may be

580

00:21:06,230 --> 00:21:04,320

the military learned a long time

581

00:21:08,149 --> 00:21:06,240

ago that brown mountain was producing

582

00:21:10,950 --> 00:21:08,159

plasmas and has been

583

00:21:13,190 --> 00:21:10,960

studying them in nature in order to

584

00:21:15,990 --> 00:21:13,200

determine the best way to

585

00:21:17,830 --> 00:21:16,000

condense it into some sort of technology

586

00:21:19,590 --> 00:21:17,840

so that might be some motivation for the

587

00:21:21,510 --> 00:21:19,600

government but the types of stories i'm

588

00:21:23,350 --> 00:21:21,520

talking about

589

00:21:25,669 --> 00:21:23,360

are stories from hunters for example i

590

00:21:27,990 --> 00:21:25,679

talked to a hunter who told me that

591

00:21:28,710 --> 00:21:28,000

uh he was on way out in the middle of

592

00:21:30,310 --> 00:21:28,720

the woods

593

00:21:31,830 --> 00:21:30,320

thought he was pretty much alone and all

594

00:21:35,350 --> 00:21:31,840

of a sudden this

595

00:21:37,029 --> 00:21:35,360

uh government vehicle sort of uh i don't

596

00:21:39,029 --> 00:21:37,039

forget what it was but some kind of

597

00:21:39,909 --> 00:21:39,039

all-terrain vehicle just came blazing

598

00:21:41,590 --> 00:21:39,919

past him

599

00:21:43,350 --> 00:21:41,600

almost ran over him he said where did

600

00:21:45,110 --> 00:21:43,360

this thing come from and he walked a

601
00:21:48,390 --> 00:21:45,120
little farther down the trail

602
00:21:50,070 --> 00:21:48,400
and the trail of the roadway ended and

603
00:21:52,070 --> 00:21:50,080
he said

604
00:21:53,909 --> 00:21:52,080
where did it go where did it come from

605
00:21:55,029 --> 00:21:53,919
and then when he finally worked his way

606
00:21:57,270 --> 00:21:55,039
back to the gate

607
00:21:58,950 --> 00:21:57,280
for the road he said the gate had

608
00:22:01,110 --> 00:21:58,960
recently been painted

609
00:22:02,390 --> 00:22:01,120
and he noticed that it had been painted

610
00:22:03,990 --> 00:22:02,400
shut

611
00:22:05,510 --> 00:22:04,000
and he could tell that the gate had not

612
00:22:08,230 --> 00:22:05,520
been opened so

613
00:22:09,830 --> 00:22:08,240

this vehicle appeared out of nowhere and

614

00:22:12,950 --> 00:22:09,840

then disappeared

615

00:22:14,630 --> 00:22:12,960

he thought it must have gone inside

616

00:22:16,070 --> 00:22:14,640

the mountain there must have been some

617

00:22:17,830 --> 00:22:16,080

hole because he didn't get the

618

00:22:19,510 --> 00:22:17,840

impression it was going to fly away or

619

00:22:22,070 --> 00:22:19,520

dematerialize it

620

00:22:22,549 --> 00:22:22,080

and i've also talked to people for

621

00:22:26,390 --> 00:22:22,559

example

622

00:22:27,750 --> 00:22:26,400

there is a local cafeteria there that

623

00:22:28,630 --> 00:22:27,760

claims that once in a while they get

624

00:22:32,789 --> 00:22:28,640

these big

625

00:22:34,470 --> 00:22:32,799

contracts to feed hundreds of men

626

00:22:36,310 --> 00:22:34,480

who are related to the military and all

627

00:22:37,990 --> 00:22:36,320

they do is show up with a couple of

628

00:22:41,669 --> 00:22:38,000

trucks with all this food

629

00:22:43,590 --> 00:22:41,679

and they meet uh some mps at a gate

630

00:22:45,190 --> 00:22:43,600

and give them the food and they never

631

00:22:47,909 --> 00:22:45,200

say what it's for

632

00:22:49,029 --> 00:22:47,919

and they never see where it goes uh and

633

00:22:52,789 --> 00:22:49,039

then i've talked to

634

00:22:54,470 --> 00:22:52,799

hikers who have seen um

635

00:22:56,870 --> 00:22:54,480

okay well here's here's a good one i was

636

00:22:58,310 --> 00:22:56,880

talking to a uh a hiker i think it might

637

00:22:59,350 --> 00:22:58,320

have been 100 also i forget it was a

638

00:23:02,470 --> 00:22:59,360

hike or 100

639

00:23:06,310 --> 00:23:02,480

told me that one day he was out

640

00:23:09,669 --> 00:23:06,320

walking around and saw something shining

641

00:23:11,430 --> 00:23:09,679

in a nearby field something metallic

642

00:23:13,110 --> 00:23:11,440

and when he made his way over to the

643

00:23:15,190 --> 00:23:13,120

spot he couldn't

644

00:23:16,710 --> 00:23:15,200

find out what was shining but he noticed

645

00:23:18,310 --> 00:23:16,720

that at the spot where he thought

646

00:23:20,310 --> 00:23:18,320

something was shining there was a little

647

00:23:21,830 --> 00:23:20,320

hole in the ground

648

00:23:23,430 --> 00:23:21,840

and he couldn't tell how deep it went

649

00:23:26,950 --> 00:23:23,440

but he just thought that was odd

650

00:23:28,070 --> 00:23:26,960

so later that evening when he was about

651
00:23:31,110 --> 00:23:28,080
to go back

652
00:23:31,590 --> 00:23:31,120
home he realized that there was a lot of

653
00:23:33,750 --> 00:23:31,600
light

654
00:23:35,029 --> 00:23:33,760
in the area of the field where he had

655
00:23:37,909 --> 00:23:35,039
earlier seen

656
00:23:40,549 --> 00:23:37,919
this strange shiny spot and so he went

657
00:23:43,029 --> 00:23:40,559
back over there and now

658
00:23:44,230 --> 00:23:43,039
all of these government vehicles were in

659
00:23:46,470 --> 00:23:44,240
a big

660
00:23:47,510 --> 00:23:46,480
formation with their headlights turned

661
00:23:49,430 --> 00:23:47,520
on

662
00:23:51,110 --> 00:23:49,440
and they were examining something at

663
00:23:53,110 --> 00:23:51,120

this particular spot

664

00:23:54,789 --> 00:23:53,120

and he thought huh this is weird they

665

00:23:55,430 --> 00:23:54,799

must be looking at what i was looking at

666

00:23:57,110 --> 00:23:55,440

earlier

667

00:23:58,789 --> 00:23:57,120

and he started to walk over and ask them

668

00:24:00,870 --> 00:23:58,799

and he said all of a sudden

669

00:24:02,870 --> 00:24:00,880

three or four people just let loose with

670

00:24:03,750 --> 00:24:02,880

machine guns and started he said it was

671

00:24:06,789 --> 00:24:03,760

the most

672

00:24:08,230 --> 00:24:06,799

terrifying racket he'd ever heard and he

673

00:24:09,750 --> 00:24:08,240

turned and hauled ass and he said they

674

00:24:11,750 --> 00:24:09,760

weren't shooting at him he didn't think

675

00:24:14,549 --> 00:24:11,760

they even knew he was there

676
00:24:15,269 --> 00:24:14,559
they were shooting at something else at

677
00:24:18,230 --> 00:24:15,279
that same

678
00:24:20,149 --> 00:24:18,240
spot and he said well were they shooting

679
00:24:21,510 --> 00:24:20,159
at plasma

680
00:24:23,269 --> 00:24:21,520
i don't know why they would shoot a

681
00:24:24,870 --> 00:24:23,279
plasma

682
00:24:27,350 --> 00:24:24,880
well could you even see pla is this in

683
00:24:28,390 --> 00:24:27,360
the daytime uh well the shooting was

684
00:24:31,430 --> 00:24:28,400
happening at night

685
00:24:34,390 --> 00:24:31,440
but now a plasma that appears during

686
00:24:35,430 --> 00:24:34,400
daytime can reflect sunlight so if there

687
00:24:36,870 --> 00:24:35,440
was a plasma

688
00:24:39,430 --> 00:24:36,880

coming from the ground there if there

689

00:24:40,870 --> 00:24:39,440

were one it might also look like a shiny

690

00:24:42,870 --> 00:24:40,880

metallic object but

691

00:24:45,350 --> 00:24:42,880

how that relates to all of these

692

00:24:47,510 --> 00:24:45,360

military people

693

00:24:49,430 --> 00:24:47,520

ape [h__h] and firing all their guns off

694

00:24:51,110 --> 00:24:49,440

like that at something at that spot i

695

00:24:53,909 --> 00:24:51,120

mean i don't know

696

00:24:55,269 --> 00:24:53,919

but let's just say no use our

697

00:24:58,070 --> 00:24:55,279

imagination

698

00:24:59,750 --> 00:24:58,080

maybe there are ufos that are coming to

699

00:25:02,310 --> 00:24:59,760

brown mountain

700

00:25:03,669 --> 00:25:02,320

because they also are utilizing these

701
00:25:05,990 --> 00:25:03,679
natural forces

702
00:25:08,070 --> 00:25:06,000
maybe that plays into the dynamics of

703
00:25:11,269 --> 00:25:08,080
their crap ralph leo was right

704
00:25:13,350 --> 00:25:11,279
maybe and so there may be an alien

705
00:25:15,590 --> 00:25:13,360
presence there as well

706
00:25:17,430 --> 00:25:15,600
and it's possible that the military sees

707
00:25:19,830 --> 00:25:17,440
that as a conflict and for all i know

708
00:25:23,430 --> 00:25:19,840
they were shooting at aliens

709
00:25:26,630 --> 00:25:23,440
well now you know the only thing that

710
00:25:29,190 --> 00:25:26,640
takes me away from the plasma

711
00:25:29,830 --> 00:25:29,200
theory that you speak of is uh i've

712
00:25:31,669 --> 00:25:29,840
talked to

713
00:25:33,110 --> 00:25:31,679

a number of people there back in my

714

00:25:34,070 --> 00:25:33,120

travels and on the telephone over the

715

00:25:36,630 --> 00:25:34,080

years

716

00:25:38,149 --> 00:25:36,640

and they describe what appears to be an

717

00:25:39,669 --> 00:25:38,159

intelligence behind

718

00:25:41,350 --> 00:25:39,679

these balls of light and one would

719

00:25:43,990 --> 00:25:41,360

assume that plasma

720

00:25:44,549 --> 00:25:44,000

is not intelligent no there it shouldn't

721

00:25:47,029 --> 00:25:44,559

be

722

00:25:47,990 --> 00:25:47,039

um well i have some thoughts on that as

723

00:25:50,789 --> 00:25:48,000

well uh

724

00:25:51,990 --> 00:25:50,799

first off i've seen the lights numerous

725

00:25:54,230 --> 00:25:52,000

times and i've never

726
00:25:56,789 --> 00:25:54,240
seen personally what i would consider an

727
00:25:59,510 --> 00:25:56,799
intelligent interactive behavior

728
00:26:01,269 --> 00:25:59,520
so i would need to see that to try to

729
00:26:02,390 --> 00:26:01,279
see what patterns and correlations could

730
00:26:04,549 --> 00:26:02,400
be gleaned from i've

731
00:26:06,549 --> 00:26:04,559
i've blinked lights at them and all that

732
00:26:08,470 --> 00:26:06,559
and i've never gotten a response

733
00:26:10,149 --> 00:26:08,480
so i don't know if maybe someone is

734
00:26:13,590 --> 00:26:10,159
seeing the lights

735
00:26:15,830 --> 00:26:13,600
and and reading something into that um

736
00:26:17,350 --> 00:26:15,840
that you know someone sees the lights

737
00:26:19,430 --> 00:26:17,360
maneuver in a certain way because the

738
00:26:21,510 --> 00:26:19,440

lights do interact with each other

739

00:26:23,430 --> 00:26:21,520

which could be explained by plasmas

740

00:26:24,149 --> 00:26:23,440

having an electromagnetic field that

741

00:26:27,110 --> 00:26:24,159

naturally

742

00:26:28,390 --> 00:26:27,120

balances off of other fields on the

743

00:26:30,549 --> 00:26:28,400

other hand

744

00:26:31,990 --> 00:26:30,559

just because that many of these lights

745

00:26:34,630 --> 00:26:32,000

manifest in a form

746

00:26:36,470 --> 00:26:34,640

that we call plasma that doesn't mean it

747

00:26:38,149 --> 00:26:36,480

accounts for all the activity it may be

748

00:26:40,390 --> 00:26:38,159

that when you have a place

749

00:26:41,750 --> 00:26:40,400

that naturally produces so much energy

750

00:26:46,470 --> 00:26:41,760

it also triggers

751
00:26:49,830 --> 00:26:47,830
you know just gonna make one more

752
00:26:54,870 --> 00:26:49,840
comment about the lights having

753
00:26:57,110 --> 00:26:54,880
intelligence um i have talked to people

754
00:26:58,710 --> 00:26:57,120
who have sworn that they have seen a

755
00:27:00,710 --> 00:26:58,720
light close up

756
00:27:04,310 --> 00:27:00,720
and there is a little person inside of

757
00:27:07,350 --> 00:27:04,320
it like a fairy or a form of some sort

758
00:27:10,549 --> 00:27:07,360
now i've never seen anything like that

759
00:27:11,510 --> 00:27:10,559
and i've also talked to people who say

760
00:27:13,350 --> 00:27:11,520
they've touched

761
00:27:15,029 --> 00:27:13,360
uh well i talked to one guy who said he

762
00:27:17,990 --> 00:27:15,039
touched delight

763
00:27:20,070 --> 00:27:18,000

he said it was i think he said about the

764

00:27:21,750 --> 00:27:20,080

size of a basketball or a little larger

765

00:27:22,630 --> 00:27:21,760

and hovering about three feet over the

766

00:27:24,230 --> 00:27:22,640

ground and

767

00:27:26,950 --> 00:27:24,240

he walked up and touched it and it

768

00:27:28,870 --> 00:27:26,960

shocked him it did not discharge it but

769

00:27:30,950 --> 00:27:28,880

it definitely also contributes to the

770

00:27:32,630 --> 00:27:30,960

electrical part if that's indeed true

771

00:27:34,389 --> 00:27:32,640

now i i know people who have claimed

772

00:27:36,389 --> 00:27:34,399

that they have

773

00:27:37,830 --> 00:27:36,399

followed the lights and of course

774

00:27:38,950 --> 00:27:37,840

whenever they get

775

00:27:40,470 --> 00:27:38,960

to where they think they're going to be

776

00:27:41,430 --> 00:27:40,480

close to the lights they're not close to

777

00:27:43,430 --> 00:27:41,440

the lights at all

778

00:27:44,549 --> 00:27:43,440

the light will suddenly appear behind

779

00:27:46,950 --> 00:27:44,559

them

780

00:27:48,070 --> 00:27:46,960

or have moved without seemingly have

781

00:27:49,590 --> 00:27:48,080

moved

782

00:27:51,590 --> 00:27:49,600

that would appear to be some

783

00:27:54,950 --> 00:27:51,600

intelligence beyond

784

00:27:56,710 --> 00:27:54,960

well it depends because if you are

785

00:27:58,630 --> 00:27:56,720

walking in an area where you have these

786

00:28:01,750 --> 00:27:58,640

layers that are discharging

787

00:28:04,389 --> 00:28:01,760

the energy creating the plasmas

788

00:28:05,590 --> 00:28:04,399

it seems like that it can actually

789

00:28:08,549 --> 00:28:05,600

transfer

790

00:28:09,510 --> 00:28:08,559

through the layer and so for example you

791

00:28:11,750 --> 00:28:09,520

might have

792

00:28:13,510 --> 00:28:11,760

two lights and one of them will dim

793

00:28:15,029 --> 00:28:13,520

while the other one brightens

794

00:28:16,710 --> 00:28:15,039

and then vice versa we have video

795

00:28:18,549 --> 00:28:16,720

footage of this happening if you're

796

00:28:21,190 --> 00:28:18,559

standing between each of them

797

00:28:22,230 --> 00:28:21,200

you might think that one single light is

798

00:28:24,230 --> 00:28:22,240

actually

799

00:28:25,269 --> 00:28:24,240

re-materializing a different position or

800

00:28:27,430 --> 00:28:25,279

something like that

801

00:28:29,190 --> 00:28:27,440

but we can't be sure that they don't

802

00:28:30,549 --> 00:28:29,200

have intelligence because if they have

803

00:28:32,950 --> 00:28:30,559

intelligence

804

00:28:35,269 --> 00:28:32,960

then it would certainly be more complex

805

00:28:36,870 --> 00:28:35,279

than anything we know how to understand

806

00:28:39,269 --> 00:28:36,880

and to say that they are a plasma

807

00:28:41,190 --> 00:28:39,279

doesn't necessarily imply that they have

808

00:28:42,070 --> 00:28:41,200

no intelligence any more than saying a

809

00:28:44,470 --> 00:28:42,080

human

810

00:28:46,870 --> 00:28:44,480

is a solid means that we have no

811

00:28:50,149 --> 00:28:46,880

intelligence that's just a description

812

00:28:53,350 --> 00:28:50,159

of our physical composition um

813

00:28:55,590 --> 00:28:53,360

it may be that uh

814

00:28:56,710 --> 00:28:55,600

well if you believe that the earth is

815

00:28:59,350 --> 00:28:56,720

itself is

816

00:29:00,950 --> 00:28:59,360

isn't an intelligent living thing and i

817

00:29:03,350 --> 00:29:00,960

sort of do actually well that's

818

00:29:04,549 --> 00:29:03,360

the concept this book uh that we did our

819

00:29:07,110 --> 00:29:04,559

alien planet this year

820

00:29:09,510 --> 00:29:07,120

earth's right yes yeah and i tend to

821

00:29:12,870 --> 00:29:09,520

think that the earth is a living thing

822

00:29:15,510 --> 00:29:12,880

and so um it may very well be

823

00:29:16,789 --> 00:29:15,520

some aspect of the earth trying to

824

00:29:19,990 --> 00:29:16,799

communicate

825

00:29:22,470 --> 00:29:20,000

or if not communicating

826

00:29:24,149 --> 00:29:22,480

at least some aspect that does bear

827

00:29:26,630 --> 00:29:24,159

consciousness

828

00:29:27,669 --> 00:29:26,640

now why why do you think that there

829

00:29:31,029 --> 00:29:27,679

seems to be such

830

00:29:33,510 --> 00:29:31,039

a negative attitude among the

831

00:29:34,630 --> 00:29:33,520

like scientific community or an attempt

832

00:29:36,549 --> 00:29:34,640

to

833

00:29:38,549 --> 00:29:36,559

sweep this all under the uh the carpet

834

00:29:41,510 --> 00:29:38,559

because if it were true

835

00:29:43,510 --> 00:29:41,520

would this not tell us a little bit more

836

00:29:46,789 --> 00:29:43,520

about our planet our environment

837

00:29:48,230 --> 00:29:46,799

and intelligence and matter and physics

838

00:29:49,510 --> 00:29:48,240

and so forth and so on

839

00:29:51,669 --> 00:29:49,520

well there actually are a lot of

840

00:29:53,590 --> 00:29:51,679

scientists who are interested i mean

841

00:29:55,269 --> 00:29:53,600

i've gone up there with uh

842

00:29:57,269 --> 00:29:55,279

for example a physicist from the oak

843

00:29:59,909 --> 00:29:57,279

ridge national laboratory

844

00:30:00,310 --> 00:29:59,919

and he agrees that they're also plasmas

845

00:30:02,710 --> 00:30:00,320

and

846

00:30:04,789 --> 00:30:02,720

i've our work has been applauded by the

847

00:30:07,750 --> 00:30:04,799

navy physics laboratory

848

00:30:08,310 --> 00:30:07,760

we made the cover of a science journal

849

00:30:10,070 --> 00:30:08,320

however

850

00:30:12,230 --> 00:30:10,080

you know you you have a handful of

851
00:30:12,630 --> 00:30:12,240
people out there usually who know very

852
00:30:15,909 --> 00:30:12,640
little

853
00:30:18,950 --> 00:30:15,919
about the phenomena that say they don't

854
00:30:22,310 --> 00:30:18,960
want to take it seriously just because

855
00:30:24,149 --> 00:30:22,320
that for so many years it was called uh

856
00:30:25,990 --> 00:30:24,159
ghosts you know these are these it's an

857
00:30:27,669 --> 00:30:26,000
old ghost story these were spirits of

858
00:30:29,909 --> 00:30:27,679
native americans

859
00:30:31,990 --> 00:30:29,919
who are battling or there's a story

860
00:30:34,389 --> 00:30:32,000
about being a slave

861
00:30:35,830 --> 00:30:34,399
searching for his master because the

862
00:30:37,430 --> 00:30:35,840
master never came back good thing

863
00:30:38,230 --> 00:30:37,440

there's not a train track there because

864

00:30:40,870 --> 00:30:38,240

it's always yeah

865

00:30:42,070 --> 00:30:40,880

this conductor yeah that's right uh

866

00:30:43,590 --> 00:30:42,080

although there is a place

867

00:30:45,590 --> 00:30:43,600

like that in north carolina i've been

868

00:30:46,710 --> 00:30:45,600

there for mako the track they they tour

869

00:30:49,669 --> 00:30:46,720

the train track

870

00:30:50,149 --> 00:30:49,679

yeah it's not there anymore um so you

871

00:30:53,430 --> 00:30:50,159

know i

872

00:30:55,909 --> 00:30:53,440

think that uh it's just the people who

873

00:30:57,909 --> 00:30:55,919

who don't want to go out and do what we

874

00:30:59,830 --> 00:30:57,919

have done for themselves to see it

875

00:31:01,750 --> 00:30:59,840

find that it's easier to simply say well

876

00:31:04,630 --> 00:31:01,760

these guys are just ghost hunters

877

00:31:05,830 --> 00:31:04,640

so why should i trust them and you know

878

00:31:07,269 --> 00:31:05,840

it's it's a matter of putting the

879

00:31:09,669 --> 00:31:07,279

blinders on

880

00:31:11,110 --> 00:31:09,679

in fact at this point in time i don't

881

00:31:14,230 --> 00:31:11,120

know if anybody

882

00:31:16,870 --> 00:31:14,240

who can really intelligently debate

883

00:31:18,230 --> 00:31:16,880

the fact that these are are not possibly

884

00:31:21,029 --> 00:31:18,240

plasmas i mean

885

00:31:22,870 --> 00:31:21,039

in fact one guy who was a critic of ours

886

00:31:26,070 --> 00:31:22,880

for a long time

887

00:31:27,430 --> 00:31:26,080

named dr dan kayton from appalachian

888

00:31:30,310 --> 00:31:27,440

state university

889

00:31:31,590 --> 00:31:30,320

was always the guy that the newspapers

890

00:31:34,149 --> 00:31:31,600

would go to

891

00:31:35,830 --> 00:31:34,159

to to have like you know that one fella

892

00:31:37,190 --> 00:31:35,840

who's gonna say everything that we say

893

00:31:39,269 --> 00:31:37,200

is [h__h] you know you

894

00:31:40,230 --> 00:31:39,279

they they call that balance supposedly

895

00:31:43,110 --> 00:31:40,240

that's

896

00:31:44,950 --> 00:31:43,120

and so um for the longest time he said

897

00:31:45,509 --> 00:31:44,960

ah there are no brown mountain lights

898

00:31:46,950 --> 00:31:45,519

and

899

00:31:48,870 --> 00:31:46,960

there are all these condescending

900

00:31:52,950 --> 00:31:48,880

remarks made about

901
00:31:55,669 --> 00:31:52,960
me and about our organization and

902
00:31:56,630 --> 00:31:55,679
in fact when i i met him in person one

903
00:31:59,669 --> 00:31:56,640
time

904
00:32:01,430 --> 00:31:59,679
and asked him to you know debate this

905
00:32:02,710 --> 00:32:01,440
you know in a gentlemanly way you know

906
00:32:04,870 --> 00:32:02,720
and he wouldn't do it he would

907
00:32:06,230 --> 00:32:04,880
he won't debate it he won't ask me any

908
00:32:07,750 --> 00:32:06,240
questions when i give him the

909
00:32:08,870 --> 00:32:07,760
opportunity but then he'll go around

910
00:32:10,870 --> 00:32:08,880
otherwise and say

911
00:32:12,149 --> 00:32:10,880
or he used to say to people you know

912
00:32:12,870 --> 00:32:12,159
that we didn't know what we were talking

913
00:32:15,750 --> 00:32:12,880

about well now

914

00:32:17,269 --> 00:32:15,760

even he has begun telling people that he

915

00:32:19,430 --> 00:32:17,279

thinks there's a good chance these are

916

00:32:22,230 --> 00:32:19,440

plasmas like ball lightning as well

917

00:32:22,789 --> 00:32:22,240

and almost like he has discovered this

918

00:32:25,110 --> 00:32:22,799

though

919

00:32:26,870 --> 00:32:25,120

so you know it's a little bit

920

00:32:29,990 --> 00:32:26,880

frustrating that there are people

921

00:32:30,789 --> 00:32:30,000

who will simply see i don't ask anybody

922

00:32:34,149 --> 00:32:30,799

to believe

923

00:32:36,549 --> 00:32:34,159

me i say here is this report

924

00:32:38,870 --> 00:32:36,559

of exactly what we did because for 15

925

00:32:41,430 --> 00:32:38,880

years we took meticulous notes

926
00:32:42,710 --> 00:32:41,440
every piece of equipment every day we

927
00:32:45,830 --> 00:32:42,720
went up there

928
00:32:49,710 --> 00:32:45,840
what the conditions were what we found

929
00:32:51,990 --> 00:32:49,720
all of this is free on our website

930
00:32:53,029 --> 00:32:52,000
brownmountainlights.com it's in the

931
00:32:57,269 --> 00:32:53,039
public domain

932
00:32:59,990 --> 00:32:57,279
we have given it to the world and

933
00:33:00,870 --> 00:33:00,000
i i want people to go take the same

934
00:33:03,990 --> 00:33:00,880
equipment that we

935
00:33:05,669 --> 00:33:04,000
use and go there and see for themselves

936
00:33:07,029 --> 00:33:05,679
and document it for themselves you don't

937
00:33:09,750 --> 00:33:07,039
have to take my word for it in fact

938
00:33:11,509 --> 00:33:09,760

we've come up with four different

939

00:33:13,669 --> 00:33:11,519

factors that will help you predict when

940

00:33:15,509 --> 00:33:13,679

the lights can be seen

941

00:33:17,509 --> 00:33:15,519

and once you get to the point where you

942

00:33:19,190 --> 00:33:17,519

can kind of predict

943

00:33:20,710 --> 00:33:19,200

when something's going to happen well

944

00:33:21,590 --> 00:33:20,720

that's when you're getting close to

945

00:33:24,630 --> 00:33:21,600

really

946

00:33:25,990 --> 00:33:24,640

solving the mystery fact that's you know

947

00:33:27,509 --> 00:33:26,000

when it comes to ghosts

948

00:33:30,630 --> 00:33:27,519

if we ever get to the point where i can

949

00:33:33,830 --> 00:33:30,640

tell you uh all right tim

950

00:33:37,590 --> 00:33:33,840

go to this house on this street at this

951
00:33:40,710 --> 00:33:37,600
time on this date and old man withers

952
00:33:42,310 --> 00:33:40,720
will come from the claws then that's

953
00:33:45,590 --> 00:33:42,320
when you'll know that ghosts

954
00:33:46,950 --> 00:33:45,600
are truly real so to speak and uh it's

955
00:33:48,950 --> 00:33:46,960
all about being able to

956
00:33:50,470 --> 00:33:48,960
to predict when these things are going

957
00:33:53,509 --> 00:33:50,480
to appear

958
00:33:54,389 --> 00:33:53,519
now are you able to predict when a ghost

959
00:33:56,389 --> 00:33:54,399
will appear uh

960
00:33:58,630 --> 00:33:56,399
or any other manifestation oh yeah the

961
00:34:00,630 --> 00:33:58,640
brown mountain lights uh we're

962
00:34:02,710 --> 00:34:00,640
quite quite good i mean it's still a

963
00:34:03,110 --> 00:34:02,720

very complicated system you know because

964

00:34:05,029 --> 00:34:03,120

it's

965

00:34:07,669 --> 00:34:05,039

mother nature and you know science is

966

00:34:10,950 --> 00:34:07,679

designed to help us solve the simplest

967

00:34:11,750 --> 00:34:10,960

problems first and all of the variables

968

00:34:14,389 --> 00:34:11,760

involved

969

00:34:16,389 --> 00:34:14,399

in something like this what we think is

970

00:34:17,990 --> 00:34:16,399

a natural phenomenon on brown mountain

971

00:34:19,909 --> 00:34:18,000

makes it difficult to tell with

972

00:34:21,270 --> 00:34:19,919

100 degree certainty but i think it

973

00:34:23,510 --> 00:34:21,280

certainly is possible

974

00:34:24,950 --> 00:34:23,520

that we'll reach that point uh the four

975

00:34:27,510 --> 00:34:24,960

factors right now

976
00:34:29,750 --> 00:34:27,520
are number one uh time of year you're

977
00:34:31,990 --> 00:34:29,760
better off if you go looking for them in

978
00:34:35,990 --> 00:34:32,000
late october or early november

979
00:34:38,950 --> 00:34:36,000
let's go tonight yeah and uh in fact

980
00:34:39,589 --> 00:34:38,960
the one reason for that might be because

981
00:34:41,270 --> 00:34:39,599
uh and

982
00:34:43,430 --> 00:34:41,280
i haven't really explained how i think

983
00:34:45,669 --> 00:34:43,440
the lights are created i don't know if

984
00:34:49,750 --> 00:34:45,679
we want to get into that it's up to you

985
00:34:53,270 --> 00:34:49,760
but um but probably [\h__\h] my position

986
00:34:55,750 --> 00:34:53,280
um but one is

987
00:34:57,750 --> 00:34:55,760
the time of year because it seems like

988
00:34:59,510 --> 00:34:57,760

at night when the mountain cools and

989

00:35:01,589 --> 00:34:59,520

contracts it produces

990

00:35:02,630 --> 00:35:01,599

the activity and there is a greater

991

00:35:04,390 --> 00:35:02,640

temperature

992

00:35:06,230 --> 00:35:04,400

difference between night and day in the

993

00:35:08,230 --> 00:35:06,240

fall than other times of year

994

00:35:10,630 --> 00:35:08,240

and also the leaves are off the trees in

995

00:35:14,829 --> 00:35:10,640

the fall and you have better visibility

996

00:35:17,990 --> 00:35:14,839

number two is if the kp

997

00:35:19,589 --> 00:35:18,000

index is a five or above

998

00:35:21,630 --> 00:35:19,599

now this is a measurement of how

999

00:35:24,470 --> 00:35:21,640

disturbed the earth's

1000

00:35:26,390 --> 00:35:24,480

magnetosphere is and also if you go to

1001
00:35:28,230 --> 00:35:26,400
the website brownmountainlights.com

1002
00:35:30,870 --> 00:35:28,240
you'll see a little

1003
00:35:31,910 --> 00:35:30,880
indicator there with that information

1004
00:35:34,870 --> 00:35:31,920
third is if it's

1005
00:35:36,550 --> 00:35:34,880
during or just after a rainy period

1006
00:35:38,230 --> 00:35:36,560
because the rain water that goes through

1007
00:35:38,630 --> 00:35:38,240
the mountains seems to build up some of

1008
00:35:41,829 --> 00:35:38,640
these

1009
00:35:44,550 --> 00:35:41,839
charges and then lastly is

1010
00:35:46,470 --> 00:35:44,560
if there happens to be an excessive

1011
00:35:49,190 --> 00:35:46,480
amount of carbon in the air

1012
00:35:50,950 --> 00:35:49,200
from campfires or even a forest fire the

1013
00:35:52,390 --> 00:35:50,960

time that i saw them most prominently

1014

00:35:54,630 --> 00:35:52,400

was when there was a big forest fire

1015

00:35:56,630 --> 00:35:54,640

that was a few miles down the road

1016

00:35:58,069 --> 00:35:56,640

and the extra carbon in the air seems to

1017

00:36:01,990 --> 00:35:58,079

act as a fuel

1018

00:36:03,750 --> 00:36:02,000

to help create the lights and so um

1019

00:36:05,190 --> 00:36:03,760

yeah those are the four best things for

1020

00:36:07,510 --> 00:36:05,200

the time being but

1021

00:36:09,510 --> 00:36:07,520

you know i think that our work again

1022

00:36:12,069 --> 00:36:09,520

it's out there it's available and now i

1023

00:36:13,750 --> 00:36:12,079

want other people to reproduce it so

1024

00:36:14,710 --> 00:36:13,760

they can verify it themselves and

1025

00:36:18,710 --> 00:36:14,720

hopefully

1026

00:36:22,550 --> 00:36:21,670

i i guess uh let's end this by just

1027

00:36:24,150 --> 00:36:22,560

talking about your

1028

00:36:25,750 --> 00:36:24,160

current projects what are you working on

1029

00:36:29,829 --> 00:36:25,760

next what's what are we gonna

1030

00:36:32,150 --> 00:36:29,839

expect from joshua well um

1031

00:36:33,750 --> 00:36:32,160

i probably i'm not ready to talk about

1032

00:36:35,190 --> 00:36:33,760

this new movie that i'm shooting right

1033

00:36:36,069 --> 00:36:35,200

now but i am working on an independent

1034

00:36:39,430 --> 00:36:36,079

production

1035

00:36:40,069 --> 00:36:39,440

a documentary and uh i will say that it

1036

00:36:43,349 --> 00:36:40,079

has

1037

00:36:45,030 --> 00:36:43,359

to do with religion and

1038

00:36:47,990 --> 00:36:45,040

some of the strange things associated

1039

00:36:51,430 --> 00:36:48,000

with religion now aside from that

1040

00:36:53,589 --> 00:36:51,440

um well let's see in the coming year

1041

00:36:55,510 --> 00:36:53,599

i'm going to be taking more trips i'm

1042

00:36:56,550 --> 00:36:55,520

going to go to some islands i've never

1043

00:36:58,710 --> 00:36:56,560

been to

1044

00:37:00,069 --> 00:36:58,720

in the caribbean investigating pirate

1045

00:37:02,069 --> 00:37:00,079

ghosts

1046

00:37:03,270 --> 00:37:02,079

i keep finding i got an old i got an old

1047

00:37:06,230 --> 00:37:03,280

book here by uh

1048

00:37:08,310 --> 00:37:06,240

harold t wilkins on captain kidd that

1049

00:37:09,109 --> 00:37:08,320

was done in 1937 that i'm going to

1050

00:37:11,190 --> 00:37:09,119

reprint

1051

00:37:12,630 --> 00:37:11,200

oh i've i've got to have a copy of that

1052

00:37:14,790 --> 00:37:12,640

well there you go

1053

00:37:15,910 --> 00:37:14,800

it could be the basis of a tour oh it's

1054

00:37:19,349 --> 00:37:15,920

certainly good yeah

1055

00:37:25,510 --> 00:37:23,109

i guess just in summary one thing that i

1056

00:37:27,670 --> 00:37:25,520

i think is really important is to take

1057

00:37:30,630 --> 00:37:27,680

more of the stuff that we have learned

1058

00:37:31,750 --> 00:37:30,640

in the field for for so many years and

1059

00:37:34,870 --> 00:37:31,760

apply it to

1060

00:37:36,390 --> 00:37:34,880

laboratory experiments that's something

1061

00:37:37,349 --> 00:37:36,400

that has not been done much in this

1062

00:37:40,069 --> 00:37:37,359

field

1063

00:37:42,150 --> 00:37:40,079

and i've spent you know 15 years out

1064

00:37:42,630 --> 00:37:42,160

there collecting a lot of field data and

1065

00:37:45,990 --> 00:37:42,640

i re

1066

00:37:50,550 --> 00:37:46,000

i now i'm ready to sit down and

1067

00:37:52,150 --> 00:37:50,560

adapt those or adapt that information to

1068

00:37:54,069 --> 00:37:52,160

experiments i mean that's what we did

1069

00:37:56,470 --> 00:37:54,079

with brown mountain we eventually

1070

00:37:58,550 --> 00:37:56,480

created a plasma chamber

1071

00:38:00,230 --> 00:37:58,560

and reproduced a phenomenon like the

1072

00:38:01,430 --> 00:38:00,240

brown mountain lights on a miniature

1073

00:38:03,510 --> 00:38:01,440

scale

1074

00:38:05,270 --> 00:38:03,520

and that's why we earned the cover of

1075

00:38:07,430 --> 00:38:05,280

the science journal because we

1076

00:38:09,910 --> 00:38:07,440

demonstrated something in a laboratory

1077

00:38:12,230 --> 00:38:09,920

when we knew what all the variables were

1078

00:38:14,470 --> 00:38:12,240

and so i have a whole list of

1079

00:38:15,990 --> 00:38:14,480

experiments that i want to do and

1080

00:38:17,829 --> 00:38:16,000

because i see all the data the field

1081

00:38:19,510 --> 00:38:17,839

data just keep piling up and piling up

1082

00:38:21,750 --> 00:38:19,520

and finally i'm ready to start doing

1083

00:38:23,990 --> 00:38:21,760

more with it and we have some

1084

00:38:25,990 --> 00:38:24,000

experiments that are very simple

1085

00:38:27,750 --> 00:38:26,000

that have just never been done if if

1086

00:38:29,990 --> 00:38:27,760

they've been done you i think i would

1087

00:38:33,510 --> 00:38:30,000

have heard about it by now for example

1088

00:38:34,390 --> 00:38:33,520

we have a guy who is creating a box for

1089

00:38:37,750 --> 00:38:34,400

us

1090

00:38:39,670 --> 00:38:37,760

that has 100 leds or thereabouts that's

1091

00:38:42,470 --> 00:38:39,680

the idea of 100

1092

00:38:43,270 --> 00:38:42,480

and the leds range from infrared through

1093

00:38:45,829 --> 00:38:43,280

the visible

1094

00:38:47,829 --> 00:38:45,839

spectrum into ultraviolet so you

1095

00:38:48,550 --> 00:38:47,839

shouldn't be able to see the leds on

1096

00:38:50,310 --> 00:38:48,560

either end

1097

00:38:52,790 --> 00:38:50,320

just the section in the middle then

1098

00:38:54,630 --> 00:38:52,800

we're going to take 100 people

1099

00:38:56,870 --> 00:38:54,640

50 who say they've seen something

1100

00:38:59,589 --> 00:38:56,880

ghostly 50 who say they have not

1101
00:39:01,910 --> 00:38:59,599
and test their eyes and see specifically

1102
00:39:03,990 --> 00:39:01,920
what frequency ranges they're seeing

1103
00:39:05,750 --> 00:39:04,000
and to try to determine if there is some

1104
00:39:08,150 --> 00:39:05,760
consistency there

1105
00:39:09,829 --> 00:39:08,160
and those who have or have not seen a

1106
00:39:11,750 --> 00:39:09,839
ghost you could throw in a few ufo

1107
00:39:13,190 --> 00:39:11,760
observers too yeah that's right

1108
00:39:15,190 --> 00:39:13,200
you could expand it to any of these

1109
00:39:17,910 --> 00:39:15,200
strange things that people observe

1110
00:39:18,310 --> 00:39:17,920
so there are many experiments like that

1111
00:39:21,589 --> 00:39:18,320
that

1112
00:39:23,670 --> 00:39:21,599
are simple are relatively inexpensive

1113
00:39:25,510 --> 00:39:23,680

to produce but just take some time and

1114

00:39:27,589 --> 00:39:25,520

effort and access to

1115

00:39:29,109 --> 00:39:27,599

those the right people trustworthy

1116

00:39:29,990 --> 00:39:29,119

people you know you get them to fill out

1117

00:39:33,030 --> 00:39:30,000

a survey

1118

00:39:35,190 --> 00:39:33,040

and then you learn more about how we

1119

00:39:37,829 --> 00:39:35,200

perceive these things

1120

00:39:39,750 --> 00:39:37,839

because it may be that we never are

1121

00:39:42,950 --> 00:39:39,760

going to be satisfied

1122

00:39:43,750 --> 00:39:42,960

by just getting some random field that

1123

00:39:45,589 --> 00:39:43,760

moves through

1124

00:39:46,950 --> 00:39:45,599

at the same time someone reports

1125

00:39:49,670 --> 00:39:46,960

something weird because

1126
00:39:51,270 --> 00:39:49,680
at most you can say well that was really

1127
00:39:53,030 --> 00:39:51,280
interesting we can't explain it but

1128
00:39:54,390 --> 00:39:53,040
nobody knows exactly what to do from

1129
00:39:56,790 --> 00:39:54,400
that point on

1130
00:39:59,349 --> 00:39:56,800
so uh we have to also know more about

1131
00:40:01,150 --> 00:39:59,359
how these fields are affecting

1132
00:40:03,190 --> 00:40:01,160
people not just by triggering

1133
00:40:05,750 --> 00:40:03,200
hallucinations

1134
00:40:06,309 --> 00:40:05,760
but also trying to determine if the

1135
00:40:09,589 --> 00:40:06,319
human

1136
00:40:11,829 --> 00:40:09,599
is capable of documenting these things

1137
00:40:14,069 --> 00:40:11,839
that cannot otherwise be measured

1138
00:40:15,270 --> 00:40:14,079

with a little box that beeps and has

1139

00:40:16,710 --> 00:40:15,280

lights on it

1140

00:40:19,270 --> 00:40:16,720

and i'd like to take some of these

1141

00:40:21,430 --> 00:40:19,280

people who call themselves ghost hunters

1142

00:40:23,510 --> 00:40:21,440

regardless of whether you see them on tv

1143

00:40:26,550 --> 00:40:23,520

or if it's the guy down the street

1144

00:40:28,950 --> 00:40:26,560

and ask him what is an electromagnetic

1145

00:40:33,270 --> 00:40:30,870

how does that little box that you have

1146

00:40:35,829 --> 00:40:33,280

in your hand actually work

1147

00:40:37,109 --> 00:40:35,839

and i think you would be surprised by

1148

00:40:38,790 --> 00:40:37,119

how few people

1149

00:40:40,150 --> 00:40:38,800

can tell you what an electromagnetic

1150

00:40:41,589 --> 00:40:40,160

field is after they've been sitting

1151

00:40:43,430 --> 00:40:41,599

there talking about getting

1152

00:40:45,670 --> 00:40:43,440

strange electromagnetic field readings

1153

00:40:47,910 --> 00:40:45,680

all night so we need to do some more

1154

00:40:50,470 --> 00:40:47,920

basic you know elementary stuff in terms

1155

00:40:51,589 --> 00:40:50,480

of educating people about how to use the

1156

00:40:54,470 --> 00:40:51,599

equipment

1157

00:40:55,670 --> 00:40:54,480

as well as exploring how that these

1158

00:40:58,630 --> 00:40:55,680

things can be

1159

00:41:00,470 --> 00:40:58,640

sensed by humans in addition to the

1160

00:41:02,150 --> 00:41:00,480

equipment

1161

00:41:04,069 --> 00:41:02,160

all right well i think that will give us

1162

00:41:07,750 --> 00:41:04,079

a very nice interview here

1163

00:41:08,710 --> 00:41:07,760

and utilizing it to our fullest

1164

00:41:10,790 --> 00:41:08,720

advantage
