

A close-up shot of a man with light hair and a beard, wearing a dark jacket over a light-colored shirt. He appears to be speaking or listening intently. The background is slightly blurred, showing vertical lines that could be window blinds or a wall. Overlaid on the lower half of the image is a large block of white text with a black outline.

**A lot of ancient writings
speak of underground
worlds. Do you think that
clues have been supplied
to mankind?**

1
00:00:14,920 --> 00:00:28,830
mmm

2
00:00:28,840 --> 00:00:47,990
ah

3
00:00:57,510 --> 00:00:51,910
well with the ufo conspiracies of course

4
00:01:02,150 --> 00:01:00,950
we were seeing men in black and cia

5
00:01:05,910 --> 00:01:02,160
conspiracies

6
00:01:08,789 --> 00:01:05,920
in every corner and whatever

7
00:01:11,030 --> 00:01:08,799
was happening i think all of those of us

8
00:01:12,070 --> 00:01:11,040
who were involved in ufo research at the

9
00:01:16,390 --> 00:01:12,080
time

10
00:01:20,550 --> 00:01:16,400
had several experiences with

11
00:01:24,070 --> 00:01:20,560
someone who seemed to be

12
00:01:26,469 --> 00:01:24,080
sometimes acting on behalf

13
00:01:28,590 --> 00:01:26,479

of the government and sometimes they

14

00:01:31,670 --> 00:01:28,600

really did seem to be

15

00:01:35,109 --> 00:01:31,680

extraterrestrials so again some of this

16

00:01:36,550 --> 00:01:35,119

perhaps was imagination some of it was

17

00:01:38,870 --> 00:01:36,560

paranoia

18

00:01:40,710 --> 00:01:38,880

and then the government air force didn't

19

00:01:44,950 --> 00:01:40,720

do any favor at all

20

00:01:48,550 --> 00:01:44,960

by i think in some cases actually

21

00:01:53,109 --> 00:01:48,560

if not silencing certainly obfuscating

22

00:01:56,870 --> 00:01:56,149

would you say that that the government

23

00:01:59,190 --> 00:01:56,880

has

24

00:02:01,109 --> 00:01:59,200

used the ufo's this information

25

00:02:03,350 --> 00:02:01,119

involving the offers to mislead the

26

00:02:05,270 --> 00:02:03,360

public and ufo researchers

27

00:02:06,550 --> 00:02:05,280

you know after all these years i'm not

28

00:02:08,630 --> 00:02:06,560

really certain

29

00:02:10,469 --> 00:02:08,640

i think in some cases some

30

00:02:12,869 --> 00:02:10,479

investigations were done in a very

31

00:02:15,830 --> 00:02:12,879

clumsy and heavy-handed way

32

00:02:19,670 --> 00:02:15,840

and that fed the paranoia at the time

33

00:02:25,830 --> 00:02:22,790

there actually was a deliberate effort

34

00:02:27,830 --> 00:02:25,840

to make it appear deliberately

35

00:02:28,949 --> 00:02:27,840

as though extraterrestrials were

36

00:02:32,470 --> 00:02:28,959

invading us

37

00:02:35,830 --> 00:02:32,480

i think when i went through the project

38

00:02:36,949 --> 00:02:35,840

blue book files and did project blue

39

00:02:40,790 --> 00:02:36,959

book

40

00:02:43,190 --> 00:02:40,800

reports

41

00:02:44,309 --> 00:02:43,200

in triplicate that were very interesting

42

00:02:46,630 --> 00:02:44,319

to me because

43

00:02:48,790 --> 00:02:46,640

it demonstrated clearly that there were

44

00:02:51,750 --> 00:02:48,800

members of the air force

45

00:02:54,150 --> 00:02:51,760

sincerely believed that we were being

46

00:02:55,830 --> 00:02:54,160

invaded by extraterrestrials

47

00:02:57,670 --> 00:02:55,840

there were others then that scoffed

48

00:02:59,990 --> 00:02:57,680

openly at this now

49

00:03:01,350 --> 00:03:00,000

if it was as some people suggest that

50

00:03:04,149 --> 00:03:01,360

the government deliberately

51
00:03:06,470 --> 00:03:04,159
fed the idea of extraterrestrials or if

52
00:03:08,390 --> 00:03:06,480
the air force or the investigators the

53
00:03:11,589 --> 00:03:08,400
government whatever you want to say

54
00:03:13,990 --> 00:03:11,599
was genuinely divided in their

55
00:03:16,869 --> 00:03:14,000
interpretation of the phenomena

56
00:03:18,790 --> 00:03:16,879
it spread like wildfire among the

57
00:03:21,030 --> 00:03:18,800
civilian investigators

58
00:03:22,070 --> 00:03:21,040
and as i said i don't think there were

59
00:03:25,270 --> 00:03:22,080
any

60
00:03:28,229 --> 00:03:25,280
feel

61
00:03:28,949 --> 00:03:28,239
that we might have our telephone lines

62
00:03:30,949 --> 00:03:28,959
tapped

63
00:03:33,030 --> 00:03:30,959

that people were watching us people were

64

00:03:36,470 --> 00:03:33,040

spying on us and sometimes we had

65

00:03:38,949 --> 00:03:36,480

good evidence that they were

66

00:03:40,869 --> 00:03:38,959

what would be the ultimate reason for

67

00:03:43,509 --> 00:03:40,879

the government to mislead

68

00:03:44,550 --> 00:03:43,519

people as far as what is the hidden in

69

00:03:47,670 --> 00:03:44,560

general

70

00:03:49,509 --> 00:03:47,680

yeah that's the big then back in the 50s

71

00:03:52,550 --> 00:03:49,519

and 60s we were convinced

72

00:03:52,949 --> 00:03:52,560

that of course they felt that we simply

73

00:03:56,390 --> 00:03:52,959

weren't

74

00:03:59,350 --> 00:03:56,400

ready for this we couldn't our entire

75

00:04:00,470 --> 00:03:59,360

culture would collapse our politics our

76

00:04:04,149 --> 00:04:00,480

religion

77

00:04:06,229 --> 00:04:04,159

and as far-fetched as that seems

78

00:04:07,429 --> 00:04:06,239

that actually probably would be a very

79

00:04:11,270 --> 00:04:07,439

good reason

80

00:04:14,470 --> 00:04:11,280

uh i think that as i have

81

00:04:17,830 --> 00:04:14,480

explored and grown in this field i see

82

00:04:19,990 --> 00:04:17,840

that that people

83

00:04:20,870 --> 00:04:20,000

the great masses of people i think would

84

00:04:24,390 --> 00:04:20,880

be

85

00:04:26,870 --> 00:04:24,400

in spite of movies like et

86

00:04:27,990 --> 00:04:26,880

movies like independence day that

87

00:04:30,629 --> 00:04:28,000

display this and

88

00:04:32,950 --> 00:04:30,639

and in independence day of course we

89

00:04:35,430 --> 00:04:32,960

rally and we defeat the invaders

90

00:04:37,030 --> 00:04:35,440

i think we really know deep inside that

91

00:04:39,390 --> 00:04:37,040

if there was

92

00:04:41,430 --> 00:04:39,400

a culture that was capable of

93

00:04:44,710 --> 00:04:41,440

extraterrestrial

94

00:04:47,189 --> 00:04:44,720

probably excuse me interplanetary flight

95

00:04:48,469 --> 00:04:47,199

and if they were the slightest bit

96

00:04:51,430 --> 00:04:48,479

hostile to us

97

00:04:51,990 --> 00:04:51,440

we wouldn't stand a chance that we would

98

00:04:55,350 --> 00:04:52,000

be

99

00:04:56,950 --> 00:04:55,360

series v

100

00:04:59,510 --> 00:04:56,960

i think it would happen almost

101
00:05:02,390 --> 00:04:59,520
immediately so that's why

102
00:05:03,110 --> 00:05:02,400
i think we have to cherish the image of

103
00:05:05,189 --> 00:05:03,120
the et

104
00:05:09,270 --> 00:05:05,199
and the cute cuddlies but then the

105
00:05:13,350 --> 00:05:12,629
i i think tim you said it very well way

106
00:05:16,710 --> 00:05:13,360
back

107
00:05:18,230 --> 00:05:16,720
when the berlin wall collapsed

108
00:05:20,870 --> 00:05:18,240
i don't know if you remember but in

109
00:05:22,950 --> 00:05:20,880
telephone conversation you said then

110
00:05:24,310 --> 00:05:22,960
now we're going to switch to worrying

111
00:05:26,629 --> 00:05:24,320
about aliens

112
00:05:27,590 --> 00:05:26,639
and that's when a lot of these movies

113
00:05:30,150 --> 00:05:27,600

came that

114

00:05:32,310 --> 00:05:30,160

that indicated once again not the big

115

00:05:34,790 --> 00:05:32,320

monsters that we had in the 50s

116

00:05:37,029 --> 00:05:34,800

but the more subtle type of invasion

117

00:05:39,590 --> 00:05:37,039

from outer

118

00:05:40,870 --> 00:05:39,600

some of the space conspiracy theorists

119

00:05:44,070 --> 00:05:40,880

have suggested

120

00:05:47,110 --> 00:05:44,080

that even the abduction phenomena

121

00:05:53,830 --> 00:05:47,120

is being directed by members of the

122

00:05:57,749 --> 00:05:55,670

well you see with the abduction that's

123

00:05:59,510 --> 00:05:57,759

the classic as we were talking before

124

00:06:03,189 --> 00:05:59,520

with invasion

125

00:06:05,189 --> 00:06:03,199

now when the vikings were batting down

126
00:06:06,230 --> 00:06:05,199
the doors of rome i mean was to say we

127
00:06:08,070 --> 00:06:06,240
have to fight

128
00:06:10,070 --> 00:06:08,080
because they're going to come in and

129
00:06:12,230 --> 00:06:10,080
they're going to rape our women

130
00:06:13,990 --> 00:06:12,240
they're going to subvert our culture

131
00:06:17,350 --> 00:06:14,000
things will never be the same

132
00:06:19,590 --> 00:06:17,360
so what are the ufo abductors doing

133
00:06:21,189 --> 00:06:19,600
they of course are experimenting

134
00:06:24,469 --> 00:06:21,199
sexually with us they're

135
00:06:28,230 --> 00:06:24,479
they're implanting uh they're implanting

136
00:06:31,350 --> 00:06:28,240
embryos and fetuses and and the emphasis

137
00:06:34,909 --> 00:06:31,360
is on sex which i think is extraordinary

138
00:06:36,629 --> 00:06:34,919

now i believe in altered terrestrials or

139

00:06:38,790 --> 00:06:36,639

multi-dimensional beings

140

00:06:40,710 --> 00:06:38,800

and this phenomena has been going on for

141

00:06:42,950 --> 00:06:40,720

centuries i think it's the same as the

142

00:06:45,110 --> 00:06:42,960

fairy lore what is the fairy myth

143

00:06:46,469 --> 00:06:45,120

they take us to another world there's

144

00:06:49,270 --> 00:06:46,479

missing time

145

00:06:50,070 --> 00:06:49,280

and again what they're primarily

146

00:06:53,110 --> 00:06:50,080

interested

147

00:06:53,830 --> 00:06:53,120

in the sexual aspect and they even

148

00:06:56,309 --> 00:06:53,840

exchange

149

00:06:57,589 --> 00:06:56,319

children with is the changing child is

150

00:07:00,710 --> 00:06:57,599

put into the place

151

00:07:03,909 --> 00:07:00,720

so it seems to be you can say

152

00:07:04,390 --> 00:07:03,919

on the aspect of myth that is an age old

153

00:07:06,870 --> 00:07:04,400

myth

154

00:07:08,469 --> 00:07:06,880

that rallies you in defense of your own

155

00:07:11,270 --> 00:07:08,479

kind your own species

156

00:07:12,469 --> 00:07:11,280

your own nationality your own culture in

157

00:07:16,070 --> 00:07:12,479

this case your own

158

00:07:20,029 --> 00:07:16,080

world culture or it is

159

00:07:22,550 --> 00:07:20,039

an actual multi-dimensional

160

00:07:23,350 --> 00:07:22,560

extraterrestrial if you will species

161

00:07:26,550 --> 00:07:23,360

that really

162

00:07:29,510 --> 00:07:26,560

is slowly inculcating itself

163

00:07:31,749 --> 00:07:29,520

in breeding itself into our own species

164

00:07:34,710 --> 00:07:31,759

but then maybe that's how we began maybe

165

00:07:36,629 --> 00:07:34,720

this began with neanderthal or pro-mania

166

00:07:37,749 --> 00:07:36,639

and this is how the species progresses

167

00:07:40,550 --> 00:07:37,759

maybe we are

168

00:07:41,189 --> 00:07:40,560

all a little bit from out there and

169

00:07:44,869 --> 00:07:41,199

maybe

170

00:07:48,309 --> 00:07:44,879

a little bit we feel the longing and we

171

00:07:51,830 --> 00:07:48,319

feel the binding with this strange

172

00:07:53,830 --> 00:07:51,840

force that seems at once to be

173

00:07:55,909 --> 00:07:53,840

interacting with us interbreeding with

174

00:08:16,869 --> 00:07:55,919

us and then trying to take

175

00:08:23,990 --> 00:08:20,309

well our take on it if

176

00:08:25,350 --> 00:08:24,000

if i may say that in clone masters of

177

00:08:28,629 --> 00:08:25,360

the universe that

178

00:08:31,350 --> 00:08:28,639

for interlight press you that was

179

00:08:33,190 --> 00:08:31,360

the serpent people the the idea of

180

00:08:36,230 --> 00:08:33,200

reptilian

181

00:08:36,469 --> 00:08:36,240

travelers from other worlds uh you know

182

00:08:42,149 --> 00:08:36,479

i

183

00:08:42,949 --> 00:08:42,159

60s and 70s and developed there that

184

00:08:45,670 --> 00:08:42,959

they are

185

00:08:47,509 --> 00:08:45,680

interacting with us uh i don't see it

186

00:08:49,590 --> 00:08:47,519

you know that kings and queens

187

00:08:50,870 --> 00:08:49,600

you know are reptilian and change and

188

00:08:52,870 --> 00:08:50,880

that

189

00:08:54,949 --> 00:08:52,880

members of our political uh

190

00:08:57,190 --> 00:08:54,959

establishment

191

00:08:58,550 --> 00:08:57,200

are sacrificing babies and eating

192

00:09:03,269 --> 00:08:58,560

children and so forth

193

00:09:06,470 --> 00:09:05,590

but i think there is something in

194

00:09:10,150 --> 00:09:06,480

particular yeah

195

00:09:11,190 --> 00:09:10,160

george bush i i think there there is a

196

00:09:15,829 --> 00:09:11,200

great deal

197

00:09:19,829 --> 00:09:15,839

of of truth in the idea that we are

198

00:09:20,710 --> 00:09:19,839

interacting with a reptilian species or

199

00:09:24,389 --> 00:09:20,720

that we did

200

00:09:26,710 --> 00:09:24,399

centuries ago or or eons ago

201
00:09:28,630 --> 00:09:26,720
i i think the idea you know that the

202
00:09:29,190 --> 00:09:28,640
feathered serpent caught the koala and

203
00:09:32,389 --> 00:09:29,200
they

204
00:09:35,750 --> 00:09:32,399
the culture bearers of nearly

205
00:09:39,670 --> 00:09:35,760
every civilization has been reptilian

206
00:09:48,829 --> 00:09:39,680
or amphibian so i think there is a basic

207
00:09:54,310 --> 00:09:50,949
memory

208
00:09:58,070 --> 00:09:54,320
well we're here on clear lake

209
00:10:02,069 --> 00:09:58,080
in iowa with sherry stagger

210
00:10:05,190 --> 00:10:02,079
all bundled up and diane tessman

211
00:10:07,269 --> 00:10:05,200
whose blonde hair shows through and the

212
00:10:09,030 --> 00:10:07,279
color meter is really going off the

213
00:10:13,030 --> 00:10:09,040

scale with this green

214

00:10:16,790 --> 00:10:14,790

and we're waiting we're waiting for brad

215

00:10:20,150 --> 00:10:16,800

to show up any minute

216

00:10:23,430 --> 00:10:20,160

but this is this is actually

217

00:10:26,949 --> 00:10:23,440

this is actually the famous clear lake

218

00:10:27,750 --> 00:10:26,959

frozen over now yeah no we're frozen

219

00:10:30,829 --> 00:10:27,760

over now

220

00:10:34,630 --> 00:10:30,839

but this is the spot where in

221

00:10:37,030 --> 00:10:34,640

1950 buddy holly

222

00:10:39,110 --> 00:10:37,040

richie valance and the big bopper took

223

00:10:41,030 --> 00:10:39,120

off from the surf ballroom which still

224

00:10:42,470 --> 00:10:41,040

exists here in this town and they got

225

00:10:45,350 --> 00:10:42,480

caught in a snowstorm

226
00:10:46,389 --> 00:10:45,360
and went down on the other side of the

227
00:10:49,509 --> 00:10:46,399
lake a

228
00:10:52,949 --> 00:10:49,519
sad and tragic moment in the history of

229
00:10:56,389 --> 00:10:55,509
there we go and brad has just shown up

230
00:10:58,790 --> 00:10:56,399
here

231
00:11:00,230 --> 00:10:58,800
we're taking a brief brief break from

232
00:11:03,509 --> 00:11:00,240
our uh

233
00:11:05,110 --> 00:11:03,519
weekend of videotaping interviews and

234
00:11:05,910 --> 00:11:05,120
freezing our nubs off just for you

235
00:11:08,230 --> 00:11:05,920
people

236
00:11:15,190 --> 00:11:08,240
in the warm states so let's go and

237
00:11:16,870 --> 00:11:15,200
venture out on the ice

238
00:11:18,949 --> 00:11:16,880

well i've heard brad that you can walk

239

00:11:20,550 --> 00:11:18,959

on water so

240

00:11:21,910 --> 00:11:20,560

it has to get a little colder every

241

00:11:25,030 --> 00:11:21,920

morning i don't know it's pretty cold

242

00:11:37,829 --> 00:11:28,310

i i believe you could sing

243

00:11:46,790 --> 00:11:43,509

here we go i should be walking backwards

244

00:11:49,269 --> 00:11:46,800

well i'll follow you guys

245

00:11:51,509 --> 00:11:49,279

tomorrowland well we'll follow friend

246

00:11:54,310 --> 00:11:51,519

because

247

00:11:59,990 --> 00:11:54,320

i'm trying to set aside bread up uh to

248

00:12:03,590 --> 00:12:01,750

for those of you out there who haven't

249

00:12:05,670 --> 00:12:03,600

seen our mr creepo videos

250

00:12:07,269 --> 00:12:05,680

they're slightly different than our

251

00:12:10,470 --> 00:12:07,279

conspiracy

252

00:12:19,430 --> 00:12:10,480

and the new age products and i

253

00:12:19,440 --> 00:12:23,110

right right we've lost

254

00:12:27,190 --> 00:12:26,310

okay here we go all right hey see i'm

255

00:12:28,790 --> 00:12:27,200

out here

256

00:12:31,269 --> 00:12:28,800

when you have to be your own producer

257

00:12:33,350 --> 00:12:31,279

cameraman director and interviewer

258

00:12:34,310 --> 00:12:33,360

this is what you get but sherry's taking

259

00:12:38,870 --> 00:12:34,320

over the health

260

00:12:41,750 --> 00:12:38,880

so now i'm gonna go out on the ice

261

00:12:42,870 --> 00:12:41,760

so momentarily whoa okay we're here in

262

00:12:46,629 --> 00:12:42,880

the back of brad

263

00:12:50,790 --> 00:12:46,639

and sherry hansen's staggers limousine

264

00:12:53,990 --> 00:12:50,800

headed to look for the memorial site

265

00:12:55,350 --> 00:12:54,000

i believe you would call it near clear

266

00:12:58,550 --> 00:12:55,360

lake iowa where

267

00:13:00,790 --> 00:12:58,560

richie valance the big bopper and buddy

268

00:13:04,030 --> 00:13:00,800

holly went down in the

269

00:13:05,670 --> 00:13:04,040

famous plane crash back on february 3rd

270

00:13:07,269 --> 00:13:05,680

1959.

271

00:13:09,110 --> 00:13:07,279

and sherry is up there looking at the

272

00:13:09,509 --> 00:13:09,120

map hold up the lap here trying to

273

00:13:11,910 --> 00:13:09,519

figure

274

00:13:12,949 --> 00:13:11,920

out okay there you go there's the map

275

00:13:14,550 --> 00:13:12,959

and uh

276

00:13:16,069 --> 00:13:14,560

it's kind of dark in here so you can't

277

00:13:18,629 --> 00:13:16,079

see the map really too

278

00:13:19,990 --> 00:13:18,639

okay oh i have a contribution to make

279

00:13:22,550 --> 00:13:20,000

when i lived in ireland

280

00:13:23,990 --> 00:13:22,560

the irish were singing as they drank all

281

00:13:27,190 --> 00:13:24,000

night they were singing

282

00:13:28,389 --> 00:13:27,200

bye bye miss american pie and they knew

283

00:13:31,430 --> 00:13:28,399

it was about

284

00:13:33,750 --> 00:13:31,440

buddy holly and and so their the fame of

285

00:13:35,350 --> 00:13:33,760

the crash spread around the world

286

00:13:37,990 --> 00:13:35,360

and they're singing about it in in

287

00:13:39,590 --> 00:13:38,000

waterford ireland as we speak

288

00:13:45,670 --> 00:13:39,600

well then we should go by the surf

289

00:13:45,680 --> 00:14:00,790

frozen over today

290

00:14:05,509 --> 00:14:02,310

i'm getting all kinds of warning lights

291

00:14:07,269 --> 00:14:05,519

here if buddy holly were alive today

292

00:14:09,430 --> 00:14:07,279

he'd be

293

00:14:11,670 --> 00:14:09,440

flirting flirting flirting with you at

294

00:14:25,189 --> 00:14:11,680

the bar

295

00:14:29,350 --> 00:14:26,870

maybe there's something that he said

296

00:14:32,629 --> 00:14:29,360

maybe there's something to be said about

297

00:14:38,389 --> 00:14:32,639

dying in your prime there probably is

298

00:14:45,829 --> 00:14:42,790

my goodness aging is not persistent

299

00:14:48,949 --> 00:14:45,839

no aging is a pitch

300

00:14:52,389 --> 00:14:48,959

yeah well the four of us have managed to

301
00:14:53,990 --> 00:14:52,399
hold on to oh yes

302
00:14:56,310 --> 00:14:54,000
we haven't discovered this okay now

303
00:14:57,990 --> 00:14:56,320
we're in buddy holly place

304
00:15:01,829 --> 00:14:58,000
yeah there's buddy holly place and we're

305
00:15:08,389 --> 00:15:05,030
here it comes world's famous

306
00:15:12,150 --> 00:15:08,399
well it might be actually the the oldest

307
00:15:13,269 --> 00:15:12,160
uh continuously run um but didn't it

308
00:15:16,150 --> 00:15:13,279
just burn down

309
00:15:16,790 --> 00:15:16,160
no i don't think so it didn't burn down

310
00:15:19,670 --> 00:15:16,800
recently

311
00:15:33,509 --> 00:15:19,680
no oh i must have dreamed that maybe

312
00:15:39,269 --> 00:15:37,189
well i i think there again without

313
00:15:41,590 --> 00:15:39,279

trading on toes

314

00:15:43,670 --> 00:15:41,600

i think we can see here again the symbol

315

00:15:45,990 --> 00:15:43,680

of christianity is a fish

316

00:15:47,910 --> 00:15:46,000

i i think we have that relationship

317

00:15:51,030 --> 00:15:47,920

between

318

00:15:52,870 --> 00:15:51,040

the the water aspect of the water that

319

00:15:55,189 --> 00:15:52,880

we may have come from the sea

320

00:15:57,269 --> 00:15:55,199

that we may have come that our culture

321

00:16:00,870 --> 00:15:57,279

bearers came from the sea

322

00:16:03,430 --> 00:16:00,880

via the stars we have this and this the

323

00:16:07,670 --> 00:16:03,440

serpent that mooses

324

00:16:10,870 --> 00:16:07,680

extends in the desert uh the the

325

00:16:14,790 --> 00:16:10,880

idea of the serpent

326

00:16:17,990 --> 00:16:14,800

as a teacher as an instructor

327

00:16:19,990 --> 00:16:18,000

is is multicultural

328

00:16:21,110 --> 00:16:20,000

and the interesting thing about it is

329

00:16:23,829 --> 00:16:21,120

that

330

00:16:24,790 --> 00:16:23,839

you know an actual snake itself poor

331

00:16:27,350 --> 00:16:24,800

creature

332

00:16:28,550 --> 00:16:27,360

is is really very helpless and not that

333

00:16:30,790 --> 00:16:28,560

intelligent and

334

00:16:32,069 --> 00:16:30,800

they can't hear very well they sense

335

00:16:34,470 --> 00:16:32,079

with their tongue

336

00:16:36,949 --> 00:16:34,480

so what what is it that a serpent would

337

00:16:39,910 --> 00:16:36,959

be wise that a serpent would be teacher

338

00:16:42,629 --> 00:16:39,920

but it may be someone who appeared as a

339

00:16:44,550 --> 00:16:42,639

serpent or as a reptilian being that

340

00:16:46,790 --> 00:16:44,560

came from the stars or came from

341

00:16:47,509 --> 00:16:46,800

somewhere else another dimension another

342

00:16:50,310 --> 00:16:47,519

time

343

00:16:52,230 --> 00:16:50,320

spectrum and interacted with with us

344

00:16:55,590 --> 00:16:52,240

throughout our civilization

345

00:16:58,230 --> 00:16:55,600

many of the the great literature of

346

00:16:59,189 --> 00:16:58,240

the ages have talked about these hippie

347

00:17:02,310 --> 00:16:59,199

races

348

00:17:04,549 --> 00:17:02,320

or these underground uh world you think

349

00:17:07,510 --> 00:17:04,559

that clues have been supplied to

350

00:17:09,230 --> 00:17:07,520

mankind from time to time it's

351

00:17:12,549 --> 00:17:09,240

fascinating again how

352

00:17:14,630 --> 00:17:12,559

multicultural the idea of a species

353

00:17:16,710 --> 00:17:14,640

beneath the surface of the earth

354

00:17:18,150 --> 00:17:16,720

now some people can theorize that that

355

00:17:21,350 --> 00:17:18,160

represents the hidden

356

00:17:24,390 --> 00:17:21,360

self the unconscious the hidden self

357

00:17:28,470 --> 00:17:24,400

and the layers of our intellect

358

00:17:32,390 --> 00:17:28,480

and that is the emotional self but again

359

00:17:35,990 --> 00:17:32,400

there has to be some reason why

360

00:17:39,190 --> 00:17:36,000

from the earliest time we have looked

361

00:17:42,470 --> 00:17:39,200

to creatures under the earth

362

00:17:44,230 --> 00:17:42,480

and from the stars now again as whatever

363

00:17:46,310 --> 00:17:44,240

credence you want to put in some of the

364

00:17:47,350 --> 00:17:46,320

contact t literature and some of the

365

00:17:50,710 --> 00:17:47,360

sightings

366

00:17:52,230 --> 00:17:50,720

not contact teas those who regularly

367

00:17:54,950 --> 00:17:52,240

report them but people who made

368

00:17:56,789 --> 00:17:54,960

sightings of course of ufos coming from

369

00:17:58,070 --> 00:17:56,799

from within the earth coming from within

370

00:18:02,710 --> 00:17:58,080

the sea

371

00:18:05,830 --> 00:18:02,720

think is it is a natural hiding place

372

00:18:09,830 --> 00:18:05,840

but the idea you know agartha and

373

00:18:13,190 --> 00:18:09,840

the uh the the ancient uh serpent people

374

00:18:16,390 --> 00:18:13,200

the the naga uh of india

375

00:18:17,110 --> 00:18:16,400

i mean always this is a serpentine race

376

00:18:20,310 --> 00:18:17,120

that lives

377

00:18:22,549 --> 00:18:20,320

but yet very handsome a very uh

378

00:18:24,789 --> 00:18:22,559

intelligent that appears below the

379

00:18:25,590 --> 00:18:24,799

surface and thrives below the surface of

380

00:18:27,110 --> 00:18:25,600

our earth

381

00:18:29,270 --> 00:18:27,120

again whether it's the symbol for the

382

00:18:30,070 --> 00:18:29,280

inner self or the self that can be

383

00:18:33,430 --> 00:18:30,080

revealed

384

00:18:35,270 --> 00:18:33,440

or again an actual species

385

00:18:37,909 --> 00:18:35,280

that we've been interacting with the

386

00:18:41,430 --> 00:18:37,919

wise ones from the caves

387

00:18:44,710 --> 00:18:41,440

well why doesn't orthodox

388

00:18:49,669 --> 00:18:47,190

about this about these other races that

389

00:18:51,750 --> 00:18:49,679

have co-existed

390

00:18:52,789 --> 00:18:51,760

well i think we are learning more and

391

00:18:55,590 --> 00:18:52,799

more about

392

00:18:56,870 --> 00:18:55,600

other races other species and i'm

393

00:19:00,230 --> 00:18:56,880

fascinated by

394

00:19:02,789 --> 00:19:00,240

the early history of humankind

395

00:19:05,110 --> 00:19:02,799

we've always believed that we've

396

00:19:08,870 --> 00:19:05,120

progressed in an orderly kind of

397

00:19:10,789 --> 00:19:08,880

ladder situation and now anthropologists

398

00:19:13,750 --> 00:19:10,799

suggest that there may have been as many

399

00:19:15,430 --> 00:19:13,760

as seven hominid species coexisting on

400

00:19:18,710 --> 00:19:15,440

earth at the same time

401
00:19:21,590 --> 00:19:18,720
in which it appears homo sapiens our

402
00:19:24,710 --> 00:19:21,600
particular species emerge triumphant

403
00:19:27,830 --> 00:19:24,720
well did we or did we absorb these other

404
00:19:29,430 --> 00:19:27,840
species or races if you choose to use

405
00:19:32,230 --> 00:19:29,440
that word

406
00:19:33,350 --> 00:19:32,240
why don't the religions teach about them

407
00:19:35,270 --> 00:19:33,360
well in fact

408
00:19:36,870 --> 00:19:35,280
many of them do i mean we find this in

409
00:19:39,190 --> 00:19:36,880
the hindu

410
00:19:41,510 --> 00:19:39,200
religion we we talk about the great

411
00:19:42,470 --> 00:19:41,520
battles about the vamanas the flying

412
00:19:45,590 --> 00:19:42,480
machines

413
00:19:47,909 --> 00:19:45,600

the people from many different levels of

414

00:19:51,029 --> 00:19:47,919

of uh what shall we say existence

415

00:19:55,110 --> 00:19:53,750

how about any any how about anything how

416

00:19:57,510 --> 00:19:55,120

about how about any like

417

00:19:59,590 --> 00:19:57,520

famous cases we might have done heard it

418

00:20:01,270 --> 00:19:59,600

no but just kind of steady saying yeah

419

00:20:03,350 --> 00:20:01,280

yeah that's what this guy he had a car

420

00:20:05,430 --> 00:20:03,360

he was [h__h] hunting one night

421

00:20:06,630 --> 00:20:05,440

another night he was on patrol and a

422

00:20:09,830 --> 00:20:06,640

blue light

423

00:20:10,710 --> 00:20:09,840

open spaces too those are the stories

424

00:20:14,630 --> 00:20:10,720

you get

425

00:20:19,990 --> 00:20:17,190

he had his neighbors come over and tell

426

00:20:22,310 --> 00:20:20,000

me about it

427

00:20:24,310 --> 00:20:22,320

when my dad was alive you know a farmer

428

00:20:24,950 --> 00:20:24,320

said boy it comes around so regularly

429

00:20:28,630 --> 00:20:24,960

you can set

430

00:20:31,909 --> 00:20:28,640

your watch by my dad

431

00:20:35,029 --> 00:20:31,919

you know he was good iowa farmer

432

00:20:36,789 --> 00:20:35,039

norwegian lutheran right if you can't

433

00:20:38,470 --> 00:20:36,799

see it or taste it or touch it

434

00:20:39,990 --> 00:20:38,480

yeah that's why i'm kind of shocked at

435

00:20:43,190 --> 00:20:40,000

that and uh

436

00:20:44,950 --> 00:20:43,200

boy when they came someone gave them

437

00:20:46,710 --> 00:20:44,960

one of the police officers gave him some

438

00:20:48,470 --> 00:20:46,720

binoculars and i thought i was afraid

439

00:20:48,710 --> 00:20:48,480

he's going to give himself black eyes

440

00:20:53,510 --> 00:20:48,720

and

441

00:20:55,830 --> 00:20:53,520

drove home that night he said well

442

00:20:56,630 --> 00:20:55,840

you know i've never talked about it but

443

00:21:00,950 --> 00:20:56,640

i've always

444

00:21:06,710 --> 00:21:04,549

he says supposedly when i was seven

445

00:21:07,830 --> 00:21:06,720

that on the farm near singapore that a

446

00:21:11,029 --> 00:21:07,840

crab

447

00:21:11,669 --> 00:21:11,039

came down and i first encountered tybus

448

00:21:15,669 --> 00:21:11,679

i guess

449

00:21:17,830 --> 00:21:15,679

or or beings and i'm really

450

00:21:18,789 --> 00:21:17,840

myself every day kind of skeptical

451
00:21:22,230 --> 00:21:18,799
because the

452
00:21:23,350 --> 00:21:22,240
area is so frozen chosen lutheran that

453
00:21:25,110 --> 00:21:23,360
you figure

454
00:21:26,630 --> 00:21:25,120
well there's never been a spaceship with

455
00:21:36,310 --> 00:21:26,640
it

456
00:21:40,549 --> 00:21:38,630
we're we're following the map that

457
00:21:42,310 --> 00:21:40,559
sherry has in her hands looking for the

458
00:21:44,470 --> 00:21:42,320
memorial site

459
00:21:45,590 --> 00:21:44,480
and we're going past some grain bins but

460
00:21:47,270 --> 00:21:45,600
we've been going great

461
00:21:53,029 --> 00:21:47,280
past grain beds for the last half an

462
00:21:59,990 --> 00:21:55,909
uh i i think brad i think this is

463
00:22:07,029 --> 00:22:03,350

whoops okay

464

00:22:07,039 --> 00:22:23,270

well great yard

465

00:22:27,750 --> 00:22:25,590

boom the hood of your car comes down a

466

00:22:29,190 --> 00:22:27,760

foot or something

467

00:22:31,190 --> 00:22:29,200

all right i don't know to go out and

468

00:22:33,029 --> 00:22:31,200

walk in that field i think with me

469

00:22:35,350 --> 00:22:33,039

yeah that doesn't really yeah who's

470

00:22:38,710 --> 00:22:35,360

gonna do that

471

00:22:41,270 --> 00:22:38,720

oh memorial half mile we have to walk

472

00:22:44,230 --> 00:22:41,280

that way how far does your zoom work

473

00:22:45,350 --> 00:22:44,240

maybe the zoom well that depends on what

474

00:22:47,190 --> 00:22:45,360

whether it's you know like

475

00:22:48,950 --> 00:22:47,200

when you say small memorial or what does

476
00:22:50,390 --> 00:22:48,960
that mean a head start you know a little

477
00:22:51,909 --> 00:22:50,400
stone that's in the ground and

478
00:22:53,510 --> 00:22:51,919
flat then you won't find it you don't

479
00:22:55,350 --> 00:22:53,520
even have a picture of it we've seen

480
00:22:57,430 --> 00:22:55,360
pictures of it of course every time they

481
00:22:59,430 --> 00:22:57,440
do the budding hallways

482
00:23:00,549 --> 00:22:59,440
yeah they do make a truck on here you

483
00:23:03,590 --> 00:23:00,559
know this is a car

484
00:23:06,870 --> 00:23:03,600
i mean this is the friends for all

485
00:23:08,710 --> 00:23:06,880
right i'll be happy to

486
00:23:09,830 --> 00:23:08,720
hand you a lens in my camera you can go

487
00:23:10,470 --> 00:23:09,840
out there you know there's another

488
00:23:13,830 --> 00:23:10,480

fencer

489

00:23:16,950 --> 00:23:13,840

just walk along the fence is fitzrolls

490

00:23:19,510 --> 00:23:16,960

yeah so well some people

491

00:23:21,029 --> 00:23:19,520

have suggested some conspiracy theorists

492

00:23:23,029 --> 00:23:21,039

have suggested that

493

00:23:25,190 --> 00:23:23,039

the technology that we see in the sky

494

00:23:26,470 --> 00:23:25,200

these ufos are not really interplanetary

495

00:23:29,909 --> 00:23:26,480

that there has been

496

00:23:33,909 --> 00:23:29,919

an alternative energy form

497

00:23:35,990 --> 00:23:33,919

either teleportation or anti-gravity

498

00:23:37,510 --> 00:23:36,000

that the new world order or secret

499

00:23:39,110 --> 00:23:37,520

branches of our own

500

00:23:41,430 --> 00:23:39,120

government have been working on over the

501

00:23:42,950 --> 00:23:41,440

years and they try to hide that

502

00:23:44,789 --> 00:23:42,960

with mysterious lights in the sky and

503

00:23:45,750 --> 00:23:44,799

making the public think that we're being

504

00:23:47,590 --> 00:23:45,760

visited by

505

00:23:49,909 --> 00:23:47,600

uh extraterrestrials yeah i think you

506

00:23:53,269 --> 00:23:49,919

have to give credence to that

507

00:23:55,830 --> 00:23:53,279

possibility and i think uh here again

508

00:23:59,350 --> 00:23:55,840

you can build a strong case for us

509

00:24:01,830 --> 00:23:59,360

conspiracy of using lights in the skies

510

00:24:02,549 --> 00:24:01,840

to mass technology i mean we know with

511

00:24:07,430 --> 00:24:02,559

the

512

00:24:09,750 --> 00:24:07,440

have been perfected

513

00:24:10,710 --> 00:24:09,760

that people saw those people got

514

00:24:13,830 --> 00:24:10,720

glimpses of them

515

00:24:14,630 --> 00:24:13,840

and and the air force was more than

516

00:24:17,350 --> 00:24:14,640

happy

517

00:24:17,990 --> 00:24:17,360

to say well then and help spread the

518

00:24:20,149 --> 00:24:18,000

rumor that

519

00:24:21,830 --> 00:24:20,159

it was ufos that they've come from

520

00:24:22,870 --> 00:24:21,840

another world to mask what they were

521

00:24:26,390 --> 00:24:22,880

doing

522

00:24:30,070 --> 00:24:26,400

the time travel technology again from

523

00:24:33,909 --> 00:24:30,080

all we understand about physics today

524

00:24:36,390 --> 00:24:33,919

is that it is currently impossible

525

00:24:37,430 --> 00:24:36,400

uh for more than a few seconds now

526

00:24:40,390 --> 00:24:37,440

mentally

527

00:24:42,950 --> 00:24:40,400

and i think uh in the spirit i think

528

00:24:45,510 --> 00:24:42,960

time travel happens a great deal

529

00:24:46,950 --> 00:24:45,520

uh numerous accounts of people who have

530

00:24:49,110 --> 00:24:46,960

seen and witnessed

531

00:24:50,549 --> 00:24:49,120

a scene from the past and then be able

532

00:24:53,430 --> 00:24:50,559

to document it

533

00:24:55,269 --> 00:24:53,440

uh some cases battles have been seen and

534

00:24:57,190 --> 00:24:55,279

and people have had the presence of mind

535

00:24:59,269 --> 00:24:57,200

to write down the sequence and then

536

00:25:01,029 --> 00:24:59,279

matched it against the actual battle and

537

00:25:02,549 --> 00:25:01,039

it was precise

538

00:25:05,029 --> 00:25:02,559

so these things are happening there are

539

00:25:07,590 --> 00:25:05,039

classic paranormal cases of

540

00:25:09,430 --> 00:25:07,600

viewing the past now viewing the future

541

00:25:10,390 --> 00:25:09,440

i think people have had those visions

542

00:25:12,549 --> 00:25:10,400

too and they've

543

00:25:14,710 --> 00:25:12,559

probably some of our great inventors and

544

00:25:15,750 --> 00:25:14,720

geniuses have translated their visions

545

00:25:18,070 --> 00:25:15,760

of the future

546

00:25:19,750 --> 00:25:18,080

into something that we could use in

547

00:25:23,190 --> 00:25:19,760

contemporary times

548

00:25:26,149 --> 00:25:23,200

as far as a conspiracy of this regard

549

00:25:28,070 --> 00:25:26,159

i i think we have to give certain

550

00:25:31,669 --> 00:25:28,080

credence to

551
00:25:34,149 --> 00:25:31,679
a conspiracy that was very individual

552
00:25:35,909 --> 00:25:34,159
i mean among certain alchemists among

553
00:25:39,110 --> 00:25:35,919
certain people who had

554
00:25:42,070 --> 00:25:39,120
perfected a technology and for

555
00:25:43,590 --> 00:25:42,080
various reasons wanted to keep it quiet

556
00:25:45,750 --> 00:25:43,600
wanted to keep it secret

557
00:25:48,070 --> 00:25:45,760
so they wouldn't be stolen from them or

558
00:25:50,470 --> 00:25:48,080
that it wouldn't be misused some

559
00:25:52,549 --> 00:25:50,480
uh people of technology believe it or

560
00:25:55,750 --> 00:25:52,559
not do have a conscience

561
00:25:55,990 --> 00:25:55,760
and are fearful that some inventions

562
00:25:58,789 --> 00:25:56,000
will

563
00:25:59,830 --> 00:25:58,799

fall into the wrong hands so i think

564

00:26:02,070 --> 00:25:59,840

perhaps

565

00:26:04,950 --> 00:26:02,080

there have been small groups of people

566

00:26:07,590 --> 00:26:04,960

that have kept technological advances

567

00:26:08,830 --> 00:26:07,600

secret and private and used it for their

568

00:26:11,750 --> 00:26:08,840

own

569

00:26:14,230 --> 00:26:11,760

welfare what what do you see

570

00:26:16,470 --> 00:26:14,240

as the positive things that people

571

00:26:18,789 --> 00:26:16,480

should be looking for in the near future

572

00:26:20,549 --> 00:26:18,799

and what are some of the negative things

573

00:26:24,310 --> 00:26:20,559

that might be

574

00:26:27,350 --> 00:26:24,320

bearing down on us as a civilization

575

00:26:31,110 --> 00:26:27,360

well i've i'm just amazed because

576

00:26:34,870 --> 00:26:31,120

uh being a cockeyed optimist from youth

577

00:26:37,350 --> 00:26:34,880

i somehow saw the year 2000 as

578

00:26:38,950 --> 00:26:37,360

that there would be no prejudice there

579

00:26:46,549 --> 00:26:38,960

would be no

580

00:26:47,909 --> 00:26:46,559

ethnic cleansings now in the year 2000

581

00:26:51,669 --> 00:26:47,919

in the present time

582

00:26:55,750 --> 00:26:51,679

we see the forces of fundamentalism and

583

00:26:57,590 --> 00:26:55,760

and uh perpetuations of old

584

00:27:00,070 --> 00:26:57,600

traditions and customs that should have

585

00:27:00,950 --> 00:27:00,080

been outmoded long ago in terms of our

586

00:27:04,070 --> 00:27:00,960

thinking

587

00:27:06,390 --> 00:27:04,080

exclusive

588

00:27:09,190 --> 00:27:06,400

that they are better than other people i

589

00:27:12,549 --> 00:27:09,200

i'm just amazed that this continues so

590

00:27:15,669 --> 00:27:12,559

what we have to focus in the future

591

00:27:19,269 --> 00:27:15,679

is education we have to go

592

00:27:22,389 --> 00:27:19,279

back to a very basic form of

593

00:27:24,789 --> 00:27:22,399

people understanding philosophy people

594

00:27:27,350 --> 00:27:24,799

really reading people not just going to

595

00:27:30,070 --> 00:27:27,360

the computer and playing computer games

596

00:27:31,269 --> 00:27:30,080

we have to recognize our humanity we

597

00:27:35,990 --> 00:27:31,279

have to recognize

598

00:27:39,269 --> 00:27:36,000

that

599

00:27:42,389 --> 00:27:39,279

if we are going to survive as a species

600

00:27:44,389 --> 00:27:42,399

it will be because of our cooperation

601
00:27:46,470 --> 00:27:44,399
because of our recognizing and

602
00:27:49,430 --> 00:27:46,480
celebrating our similarities

603
00:27:51,269 --> 00:27:49,440
and not our differences wouldn't you say

604
00:27:53,750 --> 00:27:51,279
then that some of our

605
00:27:55,510 --> 00:27:53,760
founding fathers did have the secret

606
00:27:57,110 --> 00:27:55,520
information that they passed on among

607
00:27:59,669 --> 00:27:57,120
themselves

608
00:28:00,230 --> 00:27:59,679
i think are following that they might

609
00:28:04,149 --> 00:28:00,240
have gotten

610
00:28:07,750 --> 00:28:04,159
from a higher uplifting source

611
00:28:14,470 --> 00:28:11,029
i suppose in a sense

612
00:28:17,590 --> 00:28:14,480
i would i would understand

613
00:28:19,990 --> 00:28:17,600

those who called the united states

614

00:28:21,350 --> 00:28:20,000

as many secret societies have the new

615

00:28:25,669 --> 00:28:21,360

atlantis

616

00:28:29,830 --> 00:28:25,679

or may not

617

00:28:32,950 --> 00:28:29,840

ever existed i suspect some

618

00:28:35,669 --> 00:28:32,960

planetary culture did exist at one time

619

00:28:37,510 --> 00:28:35,679

but i think the ideals and the

620

00:28:39,350 --> 00:28:37,520

inspiration

621

00:28:41,269 --> 00:28:39,360

and i have to be very careful on this

622

00:28:43,669 --> 00:28:41,279

because we'll go right back then

623

00:28:44,630 --> 00:28:43,679

to what i think we should guard against

624

00:28:50,950 --> 00:28:44,640

that

625

00:28:51,669 --> 00:28:50,960

is enlightened and guided by god any

626
00:28:54,070 --> 00:28:51,679
more than

627
00:28:54,710 --> 00:28:54,080
one football team can claim god is on

628
00:28:58,149 --> 00:28:54,720
its side

629
00:29:00,710 --> 00:28:58,159
more than another but i think we had

630
00:29:01,909 --> 00:29:00,720
in our early years and i think we have

631
00:29:06,070 --> 00:29:01,919
always had

632
00:29:09,190 --> 00:29:06,080
in america columbus was

633
00:29:10,149 --> 00:29:09,200
columbus believed that the land he

634
00:29:13,510 --> 00:29:10,159
founded

635
00:29:14,549 --> 00:29:13,520
was a place where those in the last days

636
00:29:19,029 --> 00:29:14,559
would come

637
00:29:22,230 --> 00:29:19,039
so we as a culture and in the beginning

638
00:29:22,630 --> 00:29:22,240

from the revolution to the civil war we

639

00:29:27,830 --> 00:29:22,640

have

640

00:29:30,389 --> 00:29:27,840

always been an times oriented society

641

00:29:31,830 --> 00:29:30,399

uh culturally and religiously and this

642

00:29:34,149 --> 00:29:31,840

has been very subtle

643

00:29:34,870 --> 00:29:34,159

but but this is our entire nation you

644

00:29:38,070 --> 00:29:34,880

know they

645

00:29:38,389 --> 00:29:38,080

the frontier preacher we have this has

646

00:29:40,389 --> 00:29:38,399

been

647

00:29:41,830 --> 00:29:40,399

a part of our culture that isn't really

648

00:29:44,950 --> 00:29:41,840

recognized today

649

00:29:47,590 --> 00:29:44,960

is the foundation of of who

650

00:29:48,470 --> 00:29:47,600

or what we were and what we thought we

651
00:29:51,830 --> 00:29:48,480
were

652
00:29:52,789 --> 00:29:51,840
has driven this nation and and we

653
00:29:55,830 --> 00:29:52,799
struggle

654
00:29:59,350 --> 00:29:55,840
between being what we think we are

655
00:30:01,909 --> 00:29:59,360
a true nation of god

656
00:30:02,789 --> 00:30:01,919
under god and we see now a violent

657
00:30:05,909 --> 00:30:02,799
reaction

658
00:30:09,350 --> 00:30:05,919
to eliminate that concept and to

659
00:30:11,830 --> 00:30:09,360
focus on the totally secular and i think

660
00:30:14,149 --> 00:30:11,840
you know that again we have to recognize

661
00:30:14,870 --> 00:30:14,159
our spiritual foundation our spiritual

662
00:30:19,110 --> 00:30:14,880
awards

663
00:30:23,029 --> 00:30:19,120

roots and the guidance that those true

664

00:30:26,870 --> 00:30:23,039

leaders who truly tune into the source

665

00:30:27,350 --> 00:30:26,880

are have left for us the footsteps to

666

00:30:30,789 --> 00:30:27,360

follow

667

00:30:34,389 --> 00:30:30,799

and to build this nation but it can't be

668

00:30:36,710 --> 00:30:34,399

on superiority it has to be on the true
