

**IN JERSEY CITY:**

**IN NEW YORK CITY:**

**IN MIAMI:**

**CARLA ANDERSON**

**CALL IN # [786] 245-8127**

**TIMOTHY GREEN BECKLEY**

**ANGEL ESPINO**

1  
00:00:35,180 --> 00:00:33,500  
focus and run level the secret to reach

2  
00:00:36,860 --> 00:00:35,190  
for the connecting link between the

3  
00:00:39,440 --> 00:00:36,870  
delicious feeds of a group of secret

4  
00:00:41,420 --> 00:00:39,450  
society outlaws we're creating a tightly

5  
00:00:43,280 --> 00:00:41,430  
controlled rural society with them as

6  
00:00:45,590 --> 00:00:43,290  
bosses in your eyes slaves to their

7  
00:00:48,200 --> 00:00:45,600  
system popular win elements the New

8  
00:00:51,229 --> 00:00:48,210  
World Order research indicates that most

9  
00:00:53,299 --> 00:00:51,239  
of the unexpected our skies from

10  
00:00:55,009 --> 00:00:53,309  
somewhere on or inside our planet

11  
00:00:56,540 --> 00:00:55,019  
display the research of the homework

12  
00:00:58,759 --> 00:00:56,550  
each other aenean theories in the

13  
00:01:01,070 --> 00:00:58,769

nineteen eighties nineties which in turn

14

00:01:02,720 --> 00:01:01,080

west through realization that the

15

00:01:04,100 --> 00:01:02,730

answers we seek are in the control the

16

00:01:05,570 --> 00:01:04,110

number of of the latest groups and

17

00:01:08,330 --> 00:01:05,580

secret societies that we call

18

00:01:10,130 --> 00:01:08,340

collectively the controllers needs a

19

00:01:11,690 --> 00:01:10,140

quick look at recent world events should

20

00:01:12,399 --> 00:01:11,700

convince anyone that the controllers

21

00:01:15,279 --> 00:01:12,409

plan

22

00:01:17,739 --> 00:01:15,289

very well it is the second Rick store

23

00:01:24,770 --> 00:01:17,749

and this radio show join us as we work

24

00:01:33,140 --> 00:01:29,370

good evening America good evening around

25

00:01:36,900 --> 00:01:33,150

the world good evening two ships at sea

26

00:01:41,240 --> 00:01:36,910

good evening two ships in the heaven

27

00:01:45,510 --> 00:01:41,250

this is timothy green beckley co-host of

28

00:01:49,080 --> 00:01:45,520

unraveling the secrets with Carla

29

00:01:52,470 --> 00:01:49,090

anderson in jersey city and engineering

30

00:01:55,469 --> 00:01:52,480

and producing down in Miami angel Espino

31

00:02:00,210 --> 00:01:55,479

the jackal and we're here for another

32

00:02:03,420 --> 00:02:00,220

evening of paranormal fun fun fun and

33

00:02:05,640 --> 00:02:03,430

enlightenment Carla how's it going how

34

00:02:08,280 --> 00:02:05,650

you doing yeah doing good tonight can't

35

00:02:10,710 --> 00:02:08,290

wait and then waiting for tonight any

36

00:02:14,580 --> 00:02:10,720

UFO sightings over there and at balance

37

00:02:17,670 --> 00:02:14,590

no no not yet well not tonight uh bit

38

00:02:19,050 --> 00:02:17,680

out sky watching oh no no skies kind of

39

00:02:21,420 --> 00:02:19,060

clear tonight but I have been out still

40

00:02:23,790 --> 00:02:21,430

little cold out oh it's so a couple

41

00:02:26,670 --> 00:02:23,800

weeks yeah weeks will be out and about

42

00:02:29,490 --> 00:02:26,680

we were told that soon the weather will

43

00:02:32,310 --> 00:02:29,500

be changing and the weather pattern will

44

00:02:35,220 --> 00:02:32,320

not be coming from the Arctic it will be

45

00:02:38,160 --> 00:02:35,230

coming from the Pacific and i'm getting

46

00:02:39,930 --> 00:02:38,170

my grass skirt out because i have a tiki

47

00:02:42,750 --> 00:02:39,940

bar in my apartment hey nice savings

48

00:02:44,490 --> 00:02:42,760

today too oh I'm glad you reminded me

49

00:02:47,330 --> 00:02:44,500

that gives us an extra hour on the air

50

00:02:51,840 --> 00:02:47,340

right now it doesn't start till two

51  
00:02:54,210 --> 00:02:51,850  
don't oh my goodness my goodness my

52  
00:02:57,360 --> 00:02:54,220  
goodness well I I know we're going to

53  
00:02:59,160 --> 00:02:57,370  
have an exciting show this evening and

54  
00:03:02,160 --> 00:02:59,170  
we've had some pretty good shows darn

55  
00:03:05,040 --> 00:03:02,170  
good shows I think today then we've got

56  
00:03:09,930 --> 00:03:05,050  
some interesting features coming up

57  
00:03:11,820 --> 00:03:09,940  
we're going well beyond the normal way

58  
00:03:14,039 --> 00:03:11,830  
that the shows are done we're trying to

59  
00:03:21,420 --> 00:03:14,049  
do a little bit something different here

60  
00:03:22,949 --> 00:03:21,430  
at unraveling the secrets and and in

61  
00:03:28,410 --> 00:03:22,959  
fact we're going to be putting together

62  
00:03:30,780 --> 00:03:28,420  
a fort fest in honor and tribute to the

63  
00:03:34,740 --> 00:03:30,790

late charles fort who is a collector of

64

00:03:36,510 --> 00:03:34,750

all kinds of weird phenomena and we're

65

00:03:39,570 --> 00:03:36,520

going to have a

66

00:03:43,080 --> 00:03:39,580

conference call to the UK in a couple of

67

00:03:46,520 --> 00:03:43,090

weeks they will soon be celebrating the

68

00:03:49,140 --> 00:03:46,530

50th anniversary of the thing which is

69

00:03:51,810 --> 00:03:49,150

the sightings celebrating the sightings

70

00:03:54,120 --> 00:03:51,820

over the town of warminster England

71

00:03:57,150 --> 00:03:54,130

where I actually had a chance to see a

72

00:04:00,240 --> 00:03:57,160

UFO which I did and even perhaps

73

00:04:03,180 --> 00:04:00,250

communicate with an object that was

74

00:04:07,200 --> 00:04:03,190

hovering in the sky not far far away

75

00:04:08,640 --> 00:04:07,210

from us but accept him well I of course

76

00:04:10,260 --> 00:04:08,650

I want to save all the information for

77

00:04:12,930 --> 00:04:10,270

the show when when we do it but

78

00:04:15,780 --> 00:04:12,940

basically I was invited over by my

79

00:04:18,350 --> 00:04:15,790

friend who was the 8th earl of clan

80

00:04:21,440 --> 00:04:18,360

kardi a member of the House of Lords

81

00:04:25,650 --> 00:04:21,450

Brinsley laporte trench and after I

82

00:04:27,600 --> 00:04:25,660

delivered a talk and our comp discussion

83

00:04:30,600 --> 00:04:27,610

on the subject you UFOs before this

84

00:04:33,450 --> 00:04:30,610

unofficial a group that was a member of

85

00:04:35,640 --> 00:04:33,460

parliament there was there like even the

86

00:04:37,710 --> 00:04:35,650

you went here has groups that not that

87

00:04:39,150 --> 00:04:37,720

are not officially sanctioned but they

88

00:04:41,070 --> 00:04:39,160

have meetings and discuss different

89

00:04:45,180 --> 00:04:41,080

subject so I was invited over there to

90

00:04:46,830 --> 00:04:45,190

discuss UFOs and after that I hopped on

91

00:04:49,580 --> 00:04:46,840

a train and I headed out for Stonehenge

92

00:04:52,860 --> 00:04:49,590

and I went to visit this little town

93

00:04:55,560 --> 00:04:52,870

population about 8,000 not too far from

94

00:04:57,890 --> 00:04:55,570

Stonehenge about maybe 0 7 or 8 miles 10

95

00:05:00,180 --> 00:04:57,900

miles from there where there had been a

96

00:05:02,430 --> 00:05:00,190

cluster of UFO sightings in fact the

97

00:05:04,770 --> 00:05:02,440

whole wave of UFO sightings were for

98

00:05:06,450 --> 00:05:04,780

over a decade I mean people were going

99

00:05:08,310 --> 00:05:06,460

out in certain areas just outside of

100

00:05:10,530 --> 00:05:08,320

town one was cradled hill the other one

101  
00:05:12,690 --> 00:05:10,540  
was star hill and they were watching all

102  
00:05:15,450 --> 00:05:12,700  
sorts of objects of flashing and

103  
00:05:17,940 --> 00:05:15,460  
hovering in the in the sky I in fact we

104  
00:05:21,570 --> 00:05:17,950  
just published a book called UFOs keys

105  
00:05:24,750 --> 00:05:21,580  
to inner perception by the late price

106  
00:05:26,670 --> 00:05:24,760  
bond who has a radio commentator while

107  
00:05:28,860 --> 00:05:26,680  
he was actually this jockey here in New

108  
00:05:30,540 --> 00:05:28,870  
York and he quit his job after coming

109  
00:05:32,850 --> 00:05:30,550  
back from warminster he had some sort of

110  
00:05:35,400 --> 00:05:32,860  
abduction experience or contact

111  
00:05:37,620 --> 00:05:35,410  
experience face-to-face contact and he

112  
00:05:40,560 --> 00:05:37,630  
came back and be quit his job at the

113  
00:05:42,330 --> 00:05:40,570

radio station which most people would

114

00:05:45,030 --> 00:05:42,340

figure that's a fairly you know

115

00:05:47,550 --> 00:05:45,040

glamorous occupation and went out and

116

00:05:50,399 --> 00:05:47,560

became a psychic healer it changed the

117

00:05:52,129 --> 00:05:50,409

experience changes entire life anyway

118

00:05:54,329 --> 00:05:52,139

I had the opportunity to meet with

119

00:05:56,009 --> 00:05:54,339

Arthur shuttle would who had written

120

00:05:59,549 --> 00:05:56,019

several books on the subject and he was

121

00:06:01,290 --> 00:05:59,559

the main focal point of the UFO activity

122

00:06:03,419 --> 00:06:01,300

he was the editor in the daily newspaper

123

00:06:05,429 --> 00:06:03,429

he had started out as a skeptic and

124

00:06:07,379 --> 00:06:05,439

ended up interviewing all these people

125

00:06:12,209 --> 00:06:07,389

in witnessing all these objects himself

126

00:06:13,919 --> 00:06:12,219

and we stood just uh in cradle Hill we

127

00:06:15,749 --> 00:06:13,929

lucked up into the sky and he said there

128

00:06:17,429 --> 00:06:15,759

there's an object now there's one of

129

00:06:18,570 --> 00:06:17,439

them and then there was this ball of

130

00:06:20,729 --> 00:06:18,580

light that's the best way I could

131

00:06:22,589 --> 00:06:20,739

describe it it was like maybe the size

132

00:06:24,449 --> 00:06:22,599

of a street lamp but it was up in the

133

00:06:26,249 --> 00:06:24,459

sky and there were no streetlamps there

134

00:06:29,509 --> 00:06:26,259

we're out in the world in the country

135

00:06:33,419 --> 00:06:29,519

there's no there's no farms there's no

136

00:06:34,949 --> 00:06:33,429

no houses nearby so he says watch this

137

00:06:36,989 --> 00:06:34,959

watch what happens and he goes to the

138

00:06:39,329 --> 00:06:36,999

trunk of his car and he pulls out a

139

00:06:41,579 --> 00:06:39,339

flashlight well not really a flashlight

140

00:06:43,739 --> 00:06:41,589

a torchlight like you would use if your

141

00:06:45,719 --> 00:06:43,749

car was disabled on the side of the road

142

00:06:47,999 --> 00:06:45,729

and he starts flashing this at the

143

00:06:50,399 --> 00:06:48,009

object in the sky but bump a bump a bump

144

00:06:52,319 --> 00:06:50,409

and every time he would flash it the

145

00:06:55,049 --> 00:06:52,329

object would kind of swing back and

146

00:06:57,809 --> 00:06:55,059

forth almost as if it were on a string

147

00:07:00,149 --> 00:06:57,819

and if it as if it were acknowledging

148

00:07:04,829 --> 00:07:00,159

our attempt to communicate with it so

149

00:07:06,689 --> 00:07:04,839

maybe I did have a the opportunity to to

150

00:07:08,909 --> 00:07:06,699

signal and receive some sort of

151

00:07:10,350 --> 00:07:08,919

communication back I can't say like

152

00:07:12,929 --> 00:07:10,360

other people there who claimed that they

153

00:07:15,029 --> 00:07:12,939

had actual telepathic contact I won't go

154

00:07:17,369 --> 00:07:15,039

that far but something weird was going

155

00:07:20,279 --> 00:07:17,379

on in the neighborhood that's for darn

156

00:07:22,919 --> 00:07:20,289

sure people still go there that try to

157

00:07:26,040 --> 00:07:22,929

have a UFO sighting it's not quite as

158

00:07:28,529 --> 00:07:26,050

active any longer there are so people

159

00:07:31,109 --> 00:07:28,539

that have some sightings there but every

160

00:07:35,639 --> 00:07:31,119

a year for the last few years Kevin

161

00:07:38,129 --> 00:07:35,649

Goodman organizes a warminster summit

162

00:07:40,169 --> 00:07:38,139

and this I believe is the 50th

163

00:07:42,119 --> 00:07:40,179

anniversary that they're celebrating and

164

00:07:43,499 --> 00:07:42,129

he has people you know come and talk

165

00:07:45,209 --> 00:07:43,509

about their UFO sightings that they've

166

00:07:48,719 --> 00:07:45,219

had their and other people around

167

00:07:51,149 --> 00:07:48,729

England who are dedicated to the the

168

00:07:53,659 --> 00:07:51,159

subject discussing various aspects of it

169

00:07:58,199 --> 00:07:53,669

so that's coming up and in fact I've

170

00:08:00,119 --> 00:07:58,209

posted on Facebook a flyer about his

171

00:08:02,249 --> 00:08:00,129

program and we'll have him on in a

172

00:08:04,520 --> 00:08:02,259

couple of weeks and we're also going to

173

00:08:07,170 --> 00:08:04,530

have a

174

00:08:10,200 --> 00:08:07,180

Congress of scientific ufologists

175

00:08:14,150 --> 00:08:10,210

roundtable where these fellows that I

176

00:08:17,670 --> 00:08:14,160

met 50 years ago started an organization

177

00:08:19,350 --> 00:08:17,680

which it for it had a different name in

178

00:08:21,210 --> 00:08:19,360

the beginning national UFO group or

179

00:08:22,230 --> 00:08:21,220

whatever it was and then later the name

180

00:08:24,029 --> 00:08:22,240

was changed to the Congress of

181

00:08:26,159 --> 00:08:24,039

scientific ufologist so we're going to

182

00:08:31,080 --> 00:08:26,169

have a roundtable discussion comparing

183

00:08:33,389 --> 00:08:31,090

UFO activity from the night in 1960s

184

00:08:36,540 --> 00:08:33,399

when we all met we're all teenagers then

185

00:08:38,250 --> 00:08:36,550

and we're still we're still active

186

00:08:41,490 --> 00:08:38,260

believe it or not I mean we may be some

187

00:08:45,510 --> 00:08:41,500

of the few ufologist in the field who

188

00:08:47,579 --> 00:08:45,520

have you know stayed with this for that

189

00:08:50,100 --> 00:08:47,589

long amount of time yeah you've been

190

00:08:55,170 --> 00:08:50,110

doing this forever I I have indeed it

191

00:08:56,970 --> 00:08:55,180

started out when I was uh um well bout I

192

00:09:01,710 --> 00:08:56,980

had my first sighting when I was ten

193

00:09:03,480 --> 00:09:01,720

years old uh and then well it was a two

194

00:09:04,949 --> 00:09:03,490

objects in the sky actually when they

195

00:09:07,949 --> 00:09:04,959

were hovering one was hovering over my

196

00:09:10,250 --> 00:09:07,959

house and one was over an abandoned

197

00:09:13,019 --> 00:09:10,260

factory building across the street and

198

00:09:14,730 --> 00:09:13,029

it remained there the two objects remain

199

00:09:17,519 --> 00:09:14,740

there for about 15 or 20 minutes and

200

00:09:20,460 --> 00:09:17,529

then the one across the street it seems

201  
00:09:23,820 --> 00:09:20,470  
like somebody has shut the light switch

202  
00:09:25,110 --> 00:09:23,830  
off it just wasn't there anymore and the

203  
00:09:27,630 --> 00:09:25,120  
next day there was a little item in the

204  
00:09:29,310 --> 00:09:27,640  
newspaper that other people had

205  
00:09:31,079 --> 00:09:29,320  
witnesses but the authorities were

206  
00:09:32,940 --> 00:09:31,089  
saying that it was nothing more

207  
00:09:34,560 --> 00:09:32,950  
unconventional than a weather balloon

208  
00:09:36,269 --> 00:09:34,570  
and it wasn't it was something that

209  
00:09:39,360 --> 00:09:36,279  
seemed to be under intelligent control

210  
00:09:42,590 --> 00:09:39,370  
so I've had three sightings so far and

211  
00:09:46,350 --> 00:09:42,600  
the first one was I would say a

212  
00:09:48,329 --> 00:09:46,360  
certainly a wake-up call but tonight

213  
00:09:51,240 --> 00:09:48,339

we're going to get a little bit more

214

00:09:54,740 --> 00:09:51,250

down to earth in a sense we're going to

215

00:09:58,949 --> 00:09:54,750

be talking to two individuals who are

216

00:10:01,980 --> 00:09:58,959

icons in the field Paul Dale Roberts who

217

00:10:05,280 --> 00:10:01,990

is an esoteric detective he has his own

218

00:10:08,130 --> 00:10:05,290

paranormal group in California and has

219

00:10:11,900 --> 00:10:08,140

been a professional investigator with

220

00:10:15,720 --> 00:10:11,910

nine hundred cases under his belt since

221

00:10:17,400 --> 00:10:15,730

2004 and he's investigated investigated

222

00:10:18,030 --> 00:10:17,410

everything from the chupacabra UFOs

223

00:10:20,610 --> 00:10:18,040

crops

224

00:10:23,220 --> 00:10:20,620

those girls told the guys demons and a

225

00:10:26,879 --> 00:10:23,230

heck of a lot more he's been on all the

226

00:10:28,319 --> 00:10:26,889

TV you know shows UFO hunters in fact he

227

00:10:30,569 --> 00:10:28,329

was on a program and I want to find out

228

00:10:32,129 --> 00:10:30,579

about this that was about Michael

229

00:10:34,670 --> 00:10:32,139

Jackson I don't know exactly how that

230

00:10:37,259 --> 00:10:34,680

ties into the subject but he's also

231

00:10:39,300 --> 00:10:37,269

interested in Bigfoot and his track big

232

00:10:41,100 --> 00:10:39,310

foot down and we're going he has a

233

00:10:44,370 --> 00:10:41,110

really if he has a killer moonwalk

234

00:10:46,769 --> 00:10:44,380

that's why yeah hahaha and we're going

235

00:10:49,920 --> 00:10:46,779

to be we're talking to be discussing the

236

00:10:52,800 --> 00:10:49,930

mysteries of Mount Shasta so is um is

237

00:10:55,050 --> 00:10:52,810

Paul out there now do you think I don't

238

00:10:57,870 --> 00:10:55,060

believe ready we we can get on a be

239

00:10:59,100 --> 00:10:57,880

alright yes indeed yes absolutely all

240

00:11:02,639 --> 00:10:59,110

right give me a second and more being

241

00:11:03,660 --> 00:11:02,649

all into the show here we should really

242

00:11:06,449 --> 00:11:03,670

get a sound effect of that what he's

243

00:11:13,800 --> 00:11:06,459

like I absolutely or we could almost

244

00:11:22,740 --> 00:11:13,810

blue door so what a what a way to greet

245

00:11:25,050 --> 00:11:22,750

a guest that's what I'm all are you

246

00:11:29,280 --> 00:11:25,060

there all your Roberts I'm right here

247

00:11:31,079 --> 00:11:29,290

Tim hey angel has it on somebody hey hey

248

00:11:33,720 --> 00:11:31,089

you can hear me pretty good then huh

249

00:11:36,870 --> 00:11:33,730

this is it let's have let's clink the

250

00:11:38,970 --> 00:11:36,880

beer bottles and toast the hell I how

251  
00:11:40,680 --> 00:11:38,980  
you doing I'm good how you doing see

252  
00:11:43,439 --> 00:11:40,690  
Paul online I don't think these folks

253  
00:11:46,980 --> 00:11:43,449  
get our closer friends you and I are me

254  
00:11:51,750 --> 00:11:46,990  
and pointed back we go way back we have

255  
00:11:54,509 --> 00:11:51,760  
babies and pacifiers hi added and

256  
00:11:57,660 --> 00:11:54,519  
Timothy and I go back to because I'm

257  
00:11:59,639 --> 00:11:57,670  
still yes I I mean my articles are in

258  
00:12:03,449 --> 00:11:59,649  
his books and we've been connecting for

259  
00:12:06,420 --> 00:12:03,459  
quite some time yeah you know you up all

260  
00:12:07,980 --> 00:12:06,430  
you got interested in this and well how

261  
00:12:10,679 --> 00:12:07,990  
did you get interested in it actually I

262  
00:12:13,590 --> 00:12:10,689  
know you said your investigation cyber

263  
00:12:16,400 --> 00:12:13,600

started about 2004 but how did you

264

00:12:19,590 --> 00:12:16,410

actually decide you wanted to be

265

00:12:21,569 --> 00:12:19,600

involved in the paranormal while I

266

00:12:24,329 --> 00:12:21,579

actually lived in a haunted house on

267

00:12:25,980 --> 00:12:24,339

every street in fresno and all kinds of

268

00:12:28,439 --> 00:12:25,990

terrible things were happening to me i

269

00:12:29,790 --> 00:12:28,449

was thrown into a heater all kinds of

270

00:12:31,290 --> 00:12:29,800

crazy stuff

271

00:12:33,329 --> 00:12:31,300

and at some point in time I start

272

00:12:35,790 --> 00:12:33,339

doubting myself as I got older and I

273

00:12:40,650 --> 00:12:35,800

said did that really happen or was that

274

00:12:42,780 --> 00:12:40,660

like childhood nightmares and so I

275

00:12:45,780 --> 00:12:42,790

started reading a lot about the

276

00:12:49,290 --> 00:12:45,790

paranormal I got interested in it my

277

00:12:52,889 --> 00:12:49,300

life just going down that path becoming

278

00:12:54,569 --> 00:12:52,899

an army investigator with CID Criminal

279

00:12:56,639 --> 00:12:54,579

Investigation Division military

280

00:12:58,110 --> 00:12:56,649

intelligence and stuff like that let me

281

00:13:01,050 --> 00:12:58,120

down towards the path of being a

282

00:13:04,040 --> 00:13:01,060

paranormal investigator and before I

283

00:13:06,810 --> 00:13:04,050

knew it I was out there investing

284

00:13:11,310 --> 00:13:06,820

investigating ghost Bigfoot UFOs

285

00:13:14,430 --> 00:13:11,320

everything and and now i'm actually the

286

00:13:16,710 --> 00:13:14,440

owner of halo paranormal investigations

287

00:13:18,690 --> 00:13:16,720

while i'm a co-owner my wife Dianna

288

00:13:23,340 --> 00:13:18,700

Jackson still since the other co-owner

289

00:13:26,759 --> 00:13:23,350

oh yes yes hi Carla how you I [h\_\_h] it so

290

00:13:30,150 --> 00:13:26,769

you started doing this in 2004 about two

291

00:13:32,850 --> 00:13:30,160

thousand four right but on my own before

292

00:13:35,760 --> 00:13:32,860

I was a paranormal investigating I was

293

00:13:39,420 --> 00:13:35,770

paranormal investigating on my own so

294

00:13:44,340 --> 00:13:39,430

it's like I I went to Thailand out the

295

00:13:46,680 --> 00:13:44,350

bridge River Kwai and just because of

296

00:13:49,650 --> 00:13:46,690

all the people all the torture murders

297

00:13:51,780 --> 00:13:49,660

and killings over there I had to go

298

00:13:54,030 --> 00:13:51,790

there for myself just to see if all

299

00:13:56,310 --> 00:13:54,040

experienced anything I didn't have

300

00:13:59,010 --> 00:13:56,320

recorders or anything like that but I

301  
00:14:02,490 --> 00:13:59,020  
just had to go there and experience it

302  
00:14:05,010 --> 00:14:02,500  
so I was sort of like doing an

303  
00:14:08,100 --> 00:14:05,020  
investigation on my own but not really

304  
00:14:11,519 --> 00:14:08,110  
thinking of it as an investigation mhm

305  
00:14:13,350 --> 00:14:11,529  
and go into places like Stonehenge and

306  
00:14:16,949 --> 00:14:13,360  
stuff like that so would you come up

307  
00:14:19,980 --> 00:14:16,959  
with it the river kwai but since you've

308  
00:14:23,189 --> 00:14:19,990  
walked around there I mean the air is so

309  
00:14:25,680 --> 00:14:23,199  
thick it mean you can feel depression

310  
00:14:28,829 --> 00:14:25,690  
you can feel like there's something

311  
00:14:31,860 --> 00:14:28,839  
really bad happen there and I'm not a

312  
00:14:34,110 --> 00:14:31,870  
psychic but I was talking to some of the

313  
00:14:37,110 --> 00:14:34,120

other curse and they were feeling the

314

00:14:40,829 --> 00:14:37,120

same thing so they're just something

315

00:14:42,240 --> 00:14:40,839

there you can just fill it okay and and

316

00:14:43,449 --> 00:14:42,250

and did that actually happen to you when

317

00:14:46,840 --> 00:14:43,459

you were a kid do you think

318

00:14:49,090 --> 00:14:46,850

oh absolutely now that I think belt

319

00:14:51,179 --> 00:14:49,100

about it and as a paranormal

320

00:14:53,379 --> 00:14:51,189

investigator out at some point of time I

321

00:14:57,309 --> 00:14:53,389

wasn't even believing in the paranormal

322

00:15:01,090 --> 00:14:57,319

because I nothing was happening than one

323

00:15:03,040 --> 00:15:01,100

incident one crazy incident and I heard

324

00:15:04,239 --> 00:15:03,050

this little girl giggling and angels

325

00:15:06,369 --> 00:15:04,249

probably heard this story about a

326

00:15:08,679 --> 00:15:06,379

thousand times but I heard this little

327

00:15:10,629 --> 00:15:08,689

girl giggling and I go wow you can hear

328

00:15:13,509 --> 00:15:10,639

this I mean I could hear it with my ears

329

00:15:15,160 --> 00:15:13,519

and those five investigators in that

330

00:15:18,249 --> 00:15:15,170

room they said yeah we're recording it

331

00:15:21,009 --> 00:15:18,259

too and I said there there she goes

332

00:15:22,960 --> 00:15:21,019

again she's giggling and I said she's no

333

00:15:25,419 --> 00:15:22,970

more than three feet in front of me

334

00:15:28,989 --> 00:15:25,429

sitting on the corner of this bed but I

335

00:15:30,790 --> 00:15:28,999

can't see her but I can sure hear oh my

336

00:15:33,249 --> 00:15:30,800

god and you know and she giggled again

337

00:15:36,210 --> 00:15:33,259

so I put my face down where I heard the

338

00:15:40,449 --> 00:15:36,220

giggle and I said hello and she she goes

339

00:15:43,090 --> 00:15:40,459

hello right back at me and I go oh my

340

00:15:46,569 --> 00:15:43,100

god I believe in the afterlife I believe

341

00:15:48,789 --> 00:15:46,579

in the paranormal this is real stuff and

342

00:15:51,100 --> 00:15:48,799

after that I was hooked did you ever get

343

00:15:54,039 --> 00:15:51,110

back to the house where you grew up to

344

00:15:56,919 --> 00:15:54,049

see what was going on there I heard they

345

00:15:59,439 --> 00:15:56,929

demolished it sound erson nothing left

346

00:16:02,710 --> 00:15:59,449

in fact they got a new home there or

347

00:16:05,549 --> 00:16:02,720

something like that so um but I've been

348

00:16:10,109 --> 00:16:05,559

on something like 900 investigations up

349

00:16:14,439 --> 00:16:10,119

like I said I dig UFOs Bigfoot

350

00:16:16,239 --> 00:16:14,449

chupacabra you name it ghosts demons the

351

00:16:19,329 --> 00:16:16,249

whole works and not only do we

352

00:16:21,759 --> 00:16:19,339

investigate but we also to believe in

353

00:16:24,429 --> 00:16:21,769

cleansing the home so I do a Catholic

354

00:16:29,230 --> 00:16:24,439

blessing and my wife she does a a

355

00:16:31,660 --> 00:16:29,240

regular saging mm-hmm went out Paul when

356

00:16:35,439 --> 00:16:31,670

you and I first I think came in the

357

00:16:38,230 --> 00:16:35,449

contact you were out investigating a

358

00:16:42,579 --> 00:16:38,240

Bigfoot was this around Mount Shasta oh

359

00:16:46,660 --> 00:16:42,589

absolutely yeah I'm and we did the wood

360

00:16:49,569 --> 00:16:46,670

on wood communication because it's known

361

00:16:53,860 --> 00:16:49,579

that Bigfoot will communicate by

362

00:16:56,800 --> 00:16:53,870

striking wood with wood so I I would do

363

00:16:59,380 --> 00:16:56,810

and there was one time over Mount Shasta

364

00:17:03,670 --> 00:16:59,390

and I hit a tree three times with a

365

00:17:06,699 --> 00:17:03,680

piece of wood and at the creek near me

366

00:17:09,400 --> 00:17:06,709

there was a rock those thrown into the

367

00:17:11,710 --> 00:17:09,410

creek three times and there was nobody

368

00:17:13,750 --> 00:17:11,720

around and it was like it was

369

00:17:16,990 --> 00:17:13,760

communicating with me by throwing a rock

370

00:17:19,569 --> 00:17:17,000

into the creek three times what you know

371

00:17:21,730 --> 00:17:19,579

maybe we should start out there probably

372

00:17:24,550 --> 00:17:21,740

a lot of people especially on the East

373

00:17:28,120 --> 00:17:24,560

Coast who are not at all familiar with

374

00:17:30,790 --> 00:17:28,130

the mystery surrounding amount Shasta

375

00:17:36,610 --> 00:17:30,800

now Mount Shasta of course the legends

376

00:17:40,030 --> 00:17:36,620

about this fabulous monument to nature I

377

00:17:42,040 --> 00:17:40,040

guess you would call it his the legends

378

00:17:46,240 --> 00:17:42,050

go back to the the tales of the Indians

379

00:17:48,160 --> 00:17:46,250

in fact we had a fellow here who one of

380

00:17:50,380 --> 00:17:48,170

my best friend's blue ocean who is a

381

00:17:53,140 --> 00:17:50,390

native american who was actually raised

382

00:17:56,350 --> 00:17:53,150

on Mount Shasta I believe it or not even

383

00:17:59,350 --> 00:17:56,360

though the the Census Bureau claims that

384

00:18:01,330 --> 00:17:59,360

there were no Indians on Manchester and

385

00:18:03,760 --> 00:18:01,340

known that you know Native Americans

386

00:18:05,380 --> 00:18:03,770

there he knows where he was born in fact

387

00:18:08,620 --> 00:18:05,390

I was here in the office of one day

388

00:18:10,990 --> 00:18:08,630

while he was trying to call the town of

389

00:18:13,300 --> 00:18:11,000

weed which would be the closest town to

390

00:18:14,680 --> 00:18:13,310

Mount Shasta trying to get his birth

391

00:18:17,260 --> 00:18:14,690

certificate because he was having some

392

00:18:19,810 --> 00:18:17,270

problems with the social security and

393

00:18:21,820 --> 00:18:19,820

all that but he told me that he had

394

00:18:24,460 --> 00:18:21,830

quite a number of experiences growing up

395

00:18:28,060 --> 00:18:24,470

there on Mount Shasta in fact there was

396

00:18:30,330 --> 00:18:28,070

a group of little little people that

397

00:18:33,460 --> 00:18:30,340

used to congregate and throw rocks at

398

00:18:37,360 --> 00:18:33,470

some of the the locals and they heard

399

00:18:39,370 --> 00:18:37,370

weird they heard weird you know noises

400

00:18:41,620 --> 00:18:39,380

and sounds at nights of all kinds of

401

00:18:44,290 --> 00:18:41,630

animals and things and possibly a

402

00:18:46,870 --> 00:18:44,300

Bigfoot you know he thought but amount

403

00:18:49,450 --> 00:18:46,880

chefs has also said to be the capital of

404

00:18:52,780 --> 00:18:49,460

the subterranean world of Telos there's

405

00:18:56,260 --> 00:18:52,790

legends about this mysterious man count

406

00:18:59,380 --> 00:18:56,270

saint-germain who walks the area he's

407

00:19:02,620 --> 00:18:59,390

supposedly the man who lives forever so

408

00:19:05,950 --> 00:19:02,630

it's it is a place where many people go

409

00:19:08,590 --> 00:19:05,960

to have mystical experiences can you add

410

00:19:09,629 --> 00:19:08,600

anything to that all Tim Tim that

411

00:19:13,289 --> 00:19:09,639

mountain has some

412

00:19:18,089 --> 00:19:13,299

stories one of the stories is back in

413

00:19:20,430 --> 00:19:18,099

the 1920s this up this farmer was

414

00:19:23,759 --> 00:19:20,440

actually visited by these little people

415

00:19:28,169 --> 00:19:23,769

who had bags of gold and they want to

416

00:19:30,569 --> 00:19:28,179

buy a Cal and and this farmer swears up

417

00:19:33,060 --> 00:19:30,579

and down this actually happened and

418

00:19:36,209 --> 00:19:33,070

there's reports of little people seen

419

00:19:38,549 --> 00:19:36,219

but also to there's reports that you

420

00:19:40,319 --> 00:19:38,559

know the last of the Lemurians live in

421

00:19:43,649 --> 00:19:40,329

the caverns there and there's been

422

00:19:46,699 --> 00:19:43,659

reports by various people who claim that

423

00:19:52,669 --> 00:19:46,709

they've seen tall men in white robes

424

00:19:56,989 --> 00:19:52,679

with a I in there on their forehead and

425

00:20:01,499 --> 00:19:56,999

one of the stories is that these campers

426

00:20:03,749 --> 00:20:01,509

um were over there cooking some hot dogs

427

00:20:06,419 --> 00:20:03,759

and they saw these three guys off on the

428

00:20:08,940 --> 00:20:06,429

hill and they're wearing white robes and

429

00:20:12,479 --> 00:20:08,950

they descended from the mountain they

430

00:20:16,829 --> 00:20:12,489

were floating like three feet above the

431

00:20:19,199 --> 00:20:16,839

ground and they came down and just sort

432

00:20:21,659 --> 00:20:19,209

of vanished and but they noticed that

433

00:20:23,339 --> 00:20:21,669

they did have an eye on their forehead

434

00:20:25,499 --> 00:20:23,349

and there's just so many different

435

00:20:30,119 --> 00:20:25,509

stories what we're talking about Cyclops

436

00:20:33,989 --> 00:20:30,129

um well some people theorize that these

437

00:20:37,109 --> 00:20:33,999

are Lemurians now when i actually did my

438

00:20:39,690 --> 00:20:37,119

investigation there um I had the

439

00:20:42,659 --> 00:20:39,700

Secretary of Sylvia Browne with me she

440

00:20:44,909 --> 00:20:42,669

was one of our psychics and she was

441

00:20:47,759 --> 00:20:44,919

really good and filling things around

442

00:20:49,649 --> 00:20:47,769

her and she goes Paul take a picture of

443

00:20:53,310 --> 00:20:49,659

me now because you're going to be very

444

00:20:57,079 --> 00:20:53,320

surprised so I take a photo of her and

445

00:21:01,769 --> 00:20:57,089

right in the background is a tilted

446

00:21:04,199 --> 00:21:01,779

silver disk UFO and I didn't see it with

447

00:21:08,969 --> 00:21:04,209

my eyes but when I took the picture of

448

00:21:12,060 --> 00:21:08,979

her right behind her there's the UFO so

449

00:21:14,279 --> 00:21:12,070

that I experience and also to the

450

00:21:17,219 --> 00:21:14,289

communication with Bigfoot where I have

451  
00:21:20,909 --> 00:21:17,229  
no explanation how three rocks hit the

452  
00:21:22,940 --> 00:21:20,919  
creek after I hit wood on wood three

453  
00:21:25,010 --> 00:21:22,950  
times so as communicate

454  
00:21:27,560 --> 00:21:25,020  
came back to me three times now we've

455  
00:21:30,590 --> 00:21:27,570  
also heard several people have told me

456  
00:21:33,230 --> 00:21:30,600  
this that the mountain seems to be very

457  
00:21:35,960 --> 00:21:33,240  
magical it even has healing powers I

458  
00:21:37,700 --> 00:21:35,970  
know one person says that they told me

459  
00:21:39,530 --> 00:21:37,710  
that they that they went there and they

460  
00:21:42,740 --> 00:21:39,540  
had terrible eyesight i mean you know i

461  
00:21:45,620 --> 00:21:42,750  
mean just bottle glasses and after being

462  
00:21:48,980 --> 00:21:45,630  
on Mount Shasta for a day or so their

463  
00:21:50,540 --> 00:21:48,990

eyesight was greatly improved I mean you

464

00:21:52,250 --> 00:21:50,550

know I can't vouch for that but I have

465

00:21:55,880 --> 00:21:52,260

no reason not to take the word of that

466

00:21:58,580 --> 00:21:55,890

particular individual there do there

467

00:22:02,270 --> 00:21:58,590

does seem to be certain places around

468

00:22:06,110 --> 00:22:02,280

the planet that are great energy sources

469

00:22:10,130 --> 00:22:06,120

another one would be a course of Sedona

470

00:22:14,270 --> 00:22:10,140

in Arizona and probably Stonehenge or

471

00:22:18,260 --> 00:22:14,280

around that area certainly the pyramids

472

00:22:21,230 --> 00:22:18,270

in Egypt have you found in other areas

473

00:22:24,050 --> 00:22:21,240

that you think are magical pool I've

474

00:22:28,790 --> 00:22:24,060

been a stone henge and that place does

475

00:22:31,000 --> 00:22:28,800

feel mystical I can't explain it but you

476

00:22:33,950 --> 00:22:31,010

just you're sort of like you're

477

00:22:39,320 --> 00:22:33,960

overwhelmed with sort of like happiness

478

00:22:43,370 --> 00:22:39,330

and that's what I felt there um yes

479

00:22:46,490 --> 00:22:43,380

there's many many places that um have

480

00:22:49,340 --> 00:22:46,500

that strong pull mystical pole like

481

00:22:52,040 --> 00:22:49,350

Mount Shasta and I think everything is

482

00:22:53,450 --> 00:22:52,050

connected by a ley line I wish I was

483

00:22:55,880 --> 00:22:53,460

just gonna I was just going to say that

484

00:22:57,710 --> 00:22:55,890

you read my mind but the heck that's the

485

00:23:02,960 --> 00:22:57,720

type of program we're on here right yeah

486

00:23:05,480 --> 00:23:02,970

exactly yeah and you know here's a funny

487

00:23:08,570 --> 00:23:05,490

thing to buy Mount Shasta ah basque

488

00:23:11,480 --> 00:23:08,580

watch was seen in mount st. helens it

489

00:23:15,110 --> 00:23:11,490

was seen in Mount Rainier and now it's

490

00:23:18,440 --> 00:23:15,120

seen at Mount Shasta bow that Squatch

491

00:23:23,660 --> 00:23:18,450

yes Beth Squatch no come on you're

492

00:23:24,830 --> 00:23:23,670

teasing us no no no yeah is that the guy

493

00:23:28,460 --> 00:23:24,840

in the wait is that the guy in the

494

00:23:31,340 --> 00:23:28,470

Weekly World News no no no it's a it's a

495

00:23:33,230 --> 00:23:31,350

creature that looks like a bat and I've

496

00:23:35,450 --> 00:23:33,240

talked to angel about this before and

497

00:23:36,140 --> 00:23:35,460

has bat wings and the whole it's sort of

498

00:23:39,110 --> 00:23:36,150

like moth

499

00:23:42,320 --> 00:23:39,120

yeah and what's kind of funny is that

500

00:23:46,310 --> 00:23:42,330

Mount Rainier Mount st. Helens and Mount

501  
00:23:49,220 --> 00:23:46,320  
Shasta are all same mountain range the

502  
00:23:51,710 --> 00:23:49,230  
Cascades so it seems like there's some

503  
00:23:55,580 --> 00:23:51,720  
kind of connection for the basquash go

504  
00:23:58,940 --> 00:23:55,590  
from a mount Mount Rainier Mount Saint

505  
00:24:01,580 --> 00:23:58,950  
Helens and now Mount Shasta why aren't

506  
00:24:03,920 --> 00:24:01,590  
that squash instead of a like a moth man

507  
00:24:06,410 --> 00:24:03,930  
what because that mean they're playing

508  
00:24:08,300 --> 00:24:06,420  
around with the word sasquatch yeah and

509  
00:24:10,990 --> 00:24:08,310  
they call it bat Squatch because it

510  
00:24:14,930 --> 00:24:11,000  
looks like a bat and it has bat wings

511  
00:24:19,340 --> 00:24:14,940  
man it also to looks like a sasquatch is

512  
00:24:20,810 --> 00:24:19,350  
very hairy mm-hmm well that I tell you

513  
00:24:25,400 --> 00:24:20,820

if I saw one of those coming at me I

514

00:24:27,830 --> 00:24:25,410

think I'd really be yeah i'm i'm at a

515

00:24:30,410 --> 00:24:27,840

i'm out of breath easy but boy I would I

516

00:24:32,930 --> 00:24:30,420

would you know click my heels and take

517

00:24:35,570 --> 00:24:32,940

off on that one yeah slide slide down

518

00:24:41,960 --> 00:24:35,580

the side of the mountain and now how

519

00:24:45,350 --> 00:24:41,970

tall is Mount Shasta oh I I really don't

520

00:24:47,330 --> 00:24:45,360

know um yeah I I couldn't give you the

521

00:24:50,240 --> 00:24:47,340

correct answer to that I'll have to

522

00:24:54,230 --> 00:24:50,250

Wikipedia on that one yeah yeah okay but

523

00:24:56,960 --> 00:24:54,240

I mean it is it is a people climb yes

524

00:24:59,990 --> 00:24:56,970

a big mount is a very big mountain and

525

00:25:02,210 --> 00:25:00,000

it's very and Timothy you've been there

526  
00:25:03,830 --> 00:25:02,220  
right no I haven't just because I

527  
00:25:05,060 --> 00:25:03,840  
published it a couple of books on the

528  
00:25:07,250 --> 00:25:05,070  
subject no I've never been there

529  
00:25:08,870 --> 00:25:07,260  
actually I know I got I haven't either i

530  
00:25:15,320 --> 00:25:08,880  
don't yet so how do you how do you get

531  
00:25:17,840 --> 00:25:15,330  
there okay oh you take i-5 north and you

532  
00:25:20,090 --> 00:25:17,850  
go through reading when you hit reading

533  
00:25:23,540 --> 00:25:20,100  
you're gonna see it I mean that's how

534  
00:25:26,720 --> 00:25:23,550  
big of a mountain it is yeah and there's

535  
00:25:30,080 --> 00:25:26,730  
always snow on top in their cities slim

536  
00:25:33,800 --> 00:25:30,090  
tick particular clouds that's always

537  
00:25:37,310 --> 00:25:33,810  
surrounding it and some people say that

538  
00:25:39,620 --> 00:25:37,320

is some of them are natural but some of

539

00:25:44,360 --> 00:25:39,630

them are not natural and that somehow

540

00:25:47,330 --> 00:25:44,370

these UFOs put out a missed a cloudy

541

00:25:48,350 --> 00:25:47,340

mist around their ships and they hover

542

00:25:52,250 --> 00:25:48,360

over

543

00:25:55,039 --> 00:25:52,260

Mount Shasta and this one lady said that

544

00:25:58,100 --> 00:25:55,049

looks like a UFO that's surrounded by

545

00:26:00,200 --> 00:25:58,110

clouds and she she used her binoculars

546

00:26:02,660 --> 00:26:00,210

she kept on looking at it and looking at

547

00:26:07,340 --> 00:26:02,670

it and looking at it and before she knew

548

00:26:10,730 --> 00:26:07,350

it she saw silver metal within those

549

00:26:13,700 --> 00:26:10,740

clouds she knew there was a UFO hidden

550

00:26:16,820 --> 00:26:13,710

inside those clouds well the clouds do

551

00:26:19,820 --> 00:26:16,830

look like UFOs in fact I'm pretty sure

552

00:26:22,970 --> 00:26:19,830

that that's where Steven Spielberg musta

553

00:26:25,909 --> 00:26:22,980

got the you know the idea for the UFOs

554

00:26:28,460 --> 00:26:25,919

in Close Encounters that were hidden in

555

00:26:30,460 --> 00:26:28,470

the clouds it is pretty common i mean

556

00:26:34,070 --> 00:26:30,470

people say oh that's just the cloud

557

00:26:35,630 --> 00:26:34,080

inside that cloud or god knows what you

558

00:26:38,330 --> 00:26:35,640

know i mean where they're coming from or

559

00:26:40,400 --> 00:26:38,340

whatever now do you think a poll that

560

00:26:44,330 --> 00:26:40,410

there really is a base inside of Mount

561

00:26:47,150 --> 00:26:44,340

Shasta well some people who go into the

562

00:26:51,950 --> 00:26:47,160

caverns have claimed up and down that

563

00:26:54,799 --> 00:26:51,960

they heard running machinery and there's

564

00:27:00,770 --> 00:26:54,809

no explanation for it UFOs are seen

565

00:27:04,549 --> 00:27:00,780

coming in and out also 20 American

566

00:27:07,490 --> 00:27:04,559

fighter jets haven't actually been seen

567

00:27:09,409 --> 00:27:07,500

going into the mountain and coming out

568

00:27:13,280 --> 00:27:09,419

of the mountain so there could be a

569

00:27:17,870 --> 00:27:13,290

secret military base sir a secret UFO

570

00:27:20,360 --> 00:27:17,880

base maybe a combination of both so

571

00:27:23,210 --> 00:27:20,370

that's really interesting and also to

572

00:27:27,020 --> 00:27:23,220

there have been witnesses who have seen

573

00:27:30,080 --> 00:27:27,030

UFOs and after they saw the UFOs they

574

00:27:34,250 --> 00:27:30,090

saw Bigfoot so it seems like Bigfoot is

575

00:27:37,130 --> 00:27:34,260

associated with UFO activity also to

576

00:27:40,010 --> 00:27:37,140

this one witness claims that he saw a

577

00:27:45,020 --> 00:27:40,020

Bigfoot working with a reptilian a

578

00:27:47,299 --> 00:27:45,030

Nordic and a gray and there was a UFO

579

00:27:51,860 --> 00:27:47,309

there the Bigfoot was working alongside

580

00:27:55,700 --> 00:27:51,870

all three well that's I don't you know I

581

00:27:57,799 --> 00:27:55,710

try to keep my that's that's pretty wild

582

00:27:59,870 --> 00:27:57,809

I mean I I know some people would

583

00:28:01,640 --> 00:27:59,880

believe that I'd have to have a some

584

00:28:02,090 --> 00:28:01,650

sort of evidence I you know I want to

585

00:28:04,700 --> 00:28:02,100

see some

586

00:28:08,000 --> 00:28:04,710

oh that that's the altitude of races

587

00:28:09,260 --> 00:28:08,010

there I mean Travis when Travis you know

588

00:28:12,080 --> 00:28:09,270

had his experience I mean he saw

589

00:28:15,880 --> 00:28:12,090

humanoid though no humans and he saw the

590

00:28:18,440 --> 00:28:15,890

Grays on the ship so there there is that

591

00:28:20,090 --> 00:28:18,450

history to this I mean there have been

592

00:28:22,159 --> 00:28:20,100

other sightings we know he has mixed

593

00:28:24,380 --> 00:28:22,169

species but to have Bigfoot also

594

00:28:26,870 --> 00:28:24,390

connected that's a little bit weird and

595

00:28:29,539 --> 00:28:26,880

we got a throat we've gotta throw in the

596

00:28:32,960 --> 00:28:29,549

the dinosaur that the Carla is holding

597

00:28:34,279 --> 00:28:32,970

and in her face market picture yeah

598

00:28:36,710 --> 00:28:34,289

that's that yeah that's from another

599

00:28:39,710 --> 00:28:36,720

planet alright yes yes you know you know

600

00:28:41,870 --> 00:28:39,720

in the book that the pole you and I

601  
00:28:45,080 --> 00:28:41,880  
worked on Mount Shasta dweller on two

602  
00:28:48,169 --> 00:28:45,090  
planets now that book was actually a

603  
00:28:50,810 --> 00:28:48,179  
channeled backer i think around eighteen

604  
00:28:53,710 --> 00:28:50,820  
ninety or so was first published in 1905

605  
00:28:57,039 --> 00:28:53,720  
and we bought out a slightly modified

606  
00:28:59,510 --> 00:28:57,049  
edition with the the language kind of

607  
00:29:03,409 --> 00:28:59,520  
what would you say modernized so it'd be

608  
00:29:07,370 --> 00:29:03,419  
easier to read but in that book there

609  
00:29:13,730 --> 00:29:07,380  
are actual artwork actual drawings made

610  
00:29:15,980 --> 00:29:13,740  
by the channeler that show objects

611  
00:29:17,779 --> 00:29:15,990  
cigar-shaped object said look remarkably

612  
00:29:20,360 --> 00:29:17,789  
similar to the photographs at georgia

613  
00:29:23,930 --> 00:29:20,370

damn see the contactee George Adamski

614

00:29:26,480 --> 00:29:23,940

took many years and later in in in the

615

00:29:28,669 --> 00:29:26,490

state of California as as well and these

616

00:29:31,279 --> 00:29:28,679

objects are said to be able to actually

617

00:29:32,990 --> 00:29:31,289

submerge on their bodies of water and

618

00:29:35,360 --> 00:29:33,000

these things look exactly like the

619

00:29:37,850 --> 00:29:35,370

photographs of UFOs that are taken today

620

00:29:39,830 --> 00:29:37,860

so something strange is definitely going

621

00:29:43,610 --> 00:29:39,840

on in the neighborhood of Mount Shasta

622

00:29:45,830 --> 00:29:43,620

now did you have a sighting you said

623

00:29:47,450 --> 00:29:45,840

that you heard some kind of knocking on

624

00:29:51,200 --> 00:29:47,460

wood there but did any of your team

625

00:29:53,289 --> 00:29:51,210

actually have a physical sighting of a

626

00:29:57,320 --> 00:29:53,299

Bigfoot or any of these other creatures

627

00:30:00,049 --> 00:29:57,330

no we did a UFO observation at night and

628

00:30:02,810 --> 00:30:00,059

about three investigators claim up and

629

00:30:06,529 --> 00:30:02,820

down that they did see UFO activity

630

00:30:09,320 --> 00:30:06,539

where they saw objects moving it like

631

00:30:13,190 --> 00:30:09,330

hyper speed from point A to point B and

632

00:30:15,560 --> 00:30:13,200

then zap out I didn't see that but three

633

00:30:18,470 --> 00:30:15,570

investigators claim they did so

634

00:30:20,090 --> 00:30:18,480

um no and when I went in and one of the

635

00:30:22,610 --> 00:30:20,100

articles that I think we printed I'm not

636

00:30:24,790 --> 00:30:22,620

sure if it's I in that Booker or not I

637

00:30:26,840 --> 00:30:24,800

think there were some photographs even

638

00:30:28,220 --> 00:30:26,850

that were taken I don't know if they

639

00:30:31,070 --> 00:30:28,230

were your team members or people that

640

00:30:35,000 --> 00:30:31,080

you were working with or observers that

641

00:30:38,750 --> 00:30:35,010

gave you the pictures later on ah yes

642

00:30:41,900 --> 00:30:38,760

I'm um oh boy that's an old article too

643

00:30:43,700 --> 00:30:41,910

ah yeah well I got you know it's funny I

644

00:30:45,680 --> 00:30:43,710

can't find my keys and I don't remember

645

00:30:48,080 --> 00:30:45,690

my phone number but i can tell you

646

00:30:49,310 --> 00:30:48,090

letters they were written to be 50 years

647

00:30:51,830 --> 00:30:49,320

ago and where they are in my file

648

00:30:54,560 --> 00:30:51,840

cabinet hahaha that's why I'm the

649

00:30:57,110 --> 00:30:54,570

world's greatest ufologist that's nice

650

00:30:59,030 --> 00:30:57,120

are you headed outside of Nick Redford

651  
00:31:01,940 --> 00:30:59,040  
I'm sure because we r we gonna have him

652  
00:31:03,680 --> 00:31:01,950  
out a little while what 900 of vest

653  
00:31:06,830 --> 00:31:03,690  
geishas everything becomes a gray area

654  
00:31:09,500 --> 00:31:06,840  
but deal the one photo that stands out

655  
00:31:11,300 --> 00:31:09,510  
in my mind from Mount Shasta is where

656  
00:31:13,610 --> 00:31:11,310  
I'm taking a picture of the psychic and

657  
00:31:17,990 --> 00:31:13,620  
right behind her yeah it's a tilted

658  
00:31:20,480 --> 00:31:18,000  
silver disc UFO and broad daylight yeah

659  
00:31:24,080 --> 00:31:20,490  
so that one sticks out in my mind and

660  
00:31:26,330 --> 00:31:24,090  
there are certain things that in my

661  
00:31:31,460 --> 00:31:26,340  
investigations that will stick out other

662  
00:31:34,640 --> 00:31:31,470  
things fade away yeah now how about it

663  
00:31:37,520 --> 00:31:34,650

okay so you've investigated the UFOs

664

00:31:41,530 --> 00:31:37,530

Bigfoot how about the Men in Black you

665

00:31:46,340 --> 00:31:41,540

ever had a confrontation with them um

666

00:31:49,460 --> 00:31:46,350

mmm I had a situation where I did an

667

00:31:52,940 --> 00:31:49,470

interview with a guy who claimed he was

668

00:31:55,930 --> 00:31:52,950

a former men in black in fact that

669

00:31:59,780 --> 00:31:55,940

interview is still on the internet it

670

00:32:01,790 --> 00:31:59,790

caused an uproar in fact i had almost

671

00:32:06,140 --> 00:32:01,800

every ufologists calling me on the

672

00:32:08,950 --> 00:32:06,150

telephone about it but this guy claims

673

00:32:12,260 --> 00:32:08,960

that somewhere in the South Pacific that

674

00:32:14,690 --> 00:32:12,270

at a young age he was trying to be a min

675

00:32:16,550 --> 00:32:14,700

and black and what was unique and I

676  
00:32:18,770 --> 00:32:16,560  
can't think of the island's name I would

677  
00:32:22,340 --> 00:32:18,780  
have to look at the interview again but

678  
00:32:24,260 --> 00:32:22,350  
they uh these ufologist said that's not

679  
00:32:27,530 --> 00:32:24,270  
really advertise that much but there's a

680  
00:32:28,700 --> 00:32:27,540  
lot of UFO activity on the island that

681  
00:32:31,010 --> 00:32:28,710  
he was talking about

682  
00:32:33,769 --> 00:32:31,020  
and because the fact that there wasn't

683  
00:32:36,409 --> 00:32:33,779  
that much publicity about it they felt

684  
00:32:40,549 --> 00:32:36,419  
there was some form of truth on what he

685  
00:32:43,220 --> 00:32:40,559  
was saying and what they think is that

686  
00:32:46,850 --> 00:32:43,230  
he's not a min and black but he was a

687  
00:32:48,230 --> 00:32:46,860  
disinformation officer that contacted me

688  
00:32:50,090 --> 00:32:48,240

because he knew I was going to put out

689

00:32:55,880 --> 00:32:50,100

the information what he was telling me

690

00:32:57,649 --> 00:32:55,890

and that's what caused the uproar you

691

00:33:00,669 --> 00:32:57,659

know what I was I was very curious about

692

00:33:04,039 --> 00:33:00,679

it in your credits here you mentioned a

693

00:33:06,260 --> 00:33:04,049

a special that you were on Michael

694

00:33:08,810 --> 00:33:06,270

Jackson you are not alone in search of

695

00:33:11,360 --> 00:33:08,820

his spirit how did you manage to get on

696

00:33:13,450 --> 00:33:11,370

a show about Michael Jackson and how

697

00:33:19,070 --> 00:33:13,460

does that relate to the paranormal

698

00:33:26,659 --> 00:33:19,080

Simone hahahaha okay I wrote an article

699

00:33:28,419 --> 00:33:26,669

about let me get my glove here tent go

700

00:33:32,000 --> 00:33:28,429

ahead I wrote I wrote an article about

701  
00:33:34,490 --> 00:33:32,010  
Richard Trenton Chase aka the vampire of

702  
00:33:37,130 --> 00:33:34,500  
Sacramento and he was a serial killer

703  
00:33:41,060 --> 00:33:37,140  
right here in Sacramento and because of

704  
00:33:43,220 --> 00:33:41,070  
that 24 Productions in England got a

705  
00:33:47,029 --> 00:33:43,230  
hold on me and they made a documentary

706  
00:33:50,000 --> 00:33:47,039  
about this serial killer well because

707  
00:33:52,490 --> 00:33:50,010  
they knew me they're also to doing a

708  
00:33:56,029 --> 00:33:52,500  
documentary on looking for the ghost of

709  
00:33:59,570 --> 00:33:56,039  
Michael Jackson so they contacted me and

710  
00:34:01,519 --> 00:33:59,580  
said hey meet us down to Los Angeles

711  
00:34:05,299 --> 00:34:01,529  
because we're doing this documentary and

712  
00:34:08,720 --> 00:34:05,309  
boom that's how I got in there so did

713  
00:34:11,270 --> 00:34:08,730

you contact michael jackson uh we got an

714

00:34:13,060 --> 00:34:11,280

EVP and i don't think it's michael

715

00:34:16,099 --> 00:34:13,070

jackson but i think it's a ghost

716

00:34:19,190 --> 00:34:16,109

imitating Michael Jackson because we go

717

00:34:21,820 --> 00:34:19,200

Wow yeah we go Michael are you here and

718

00:34:27,109 --> 00:34:21,830

it's like a little child's voice says

719

00:34:29,359 --> 00:34:27,119

Michael and yeah exactly and okay i

720

00:34:32,030 --> 00:34:29,369

won't i won't i won't go near that one

721

00:34:34,460 --> 00:34:32,040

even in the afterlife he has he has

722

00:34:37,790 --> 00:34:34,470

impersonators that's amazing yeah it is

723

00:34:41,540 --> 00:34:37,800

and yeah yeah and yet we have six

724

00:34:42,530 --> 00:34:41,550

cameras okay that were filming us and I

725

00:34:45,350 --> 00:34:42,540

do quick and dirty

726  
00:34:47,690 --> 00:34:45,360  
EVPs that means quick and dirty what I

727  
00:34:51,350 --> 00:34:47,700  
do is I'll say something simple are you

728  
00:34:55,250 --> 00:34:51,360  
here talk to me and I pause give it time

729  
00:34:57,260 --> 00:34:55,260  
to talk and then play it back is a quick

730  
00:35:00,020 --> 00:34:57,270  
and dirty so I'm over here Michael if

731  
00:35:03,080 --> 00:35:00,030  
you're here and also to now check this

732  
00:35:06,460 --> 00:35:03,090  
out we actually had a piece of his scalp

733  
00:35:10,760 --> 00:35:06,470  
and we have some of his hair any a

734  
00:35:12,050 --> 00:35:10,770  
janitor piece of his scalp yes I'm not

735  
00:35:16,100 --> 00:35:12,060  
one of the pieces that were right at

736  
00:35:19,040 --> 00:35:16,110  
hand Lord you get that remember 1984 the

737  
00:35:21,800 --> 00:35:19,050  
Pepsi commercial in his haircut fun yeah

738  
00:35:24,440 --> 00:35:21,810

okay here he was dancing on stage his

739

00:35:27,710 --> 00:35:24,450

hair catches on fire we're at the same

740

00:35:31,460 --> 00:35:27,720

theater where they filmed that it was

741

00:35:35,750 --> 00:35:31,470

called a shrine auditorium and uh this

742

00:35:41,210 --> 00:35:35,760

janitor found it went on ebay sold his

743

00:35:44,210 --> 00:35:41,220

scalp in him for a Chow \$10,000 so this

744

00:35:46,790 --> 00:35:44,220

guy wanted for ten thousand dollars

745

00:35:50,870 --> 00:35:46,800

brought to scalp brought the hair and

746

00:35:53,810 --> 00:35:50,880

Bobby March chest Jesco okay who's a

747

00:35:56,750 --> 00:35:53,820

channeler channel Michael Jackson says

748

00:35:59,540 --> 00:35:56,760

okay I'm channeling him I had the scalp

749

00:36:01,460 --> 00:35:59,550

i am the hair here Paul do your thing so

750

00:36:04,070 --> 00:36:01,470

I'm doing these quick and dirty I got

751  
00:36:07,430 --> 00:36:04,080  
six cameras on me and I said Michael are

752  
00:36:09,730 --> 00:36:07,440  
you here taught to me and I play it back

753  
00:36:16,360 --> 00:36:09,740  
in front of six cameras and I get

754  
00:36:20,750 --> 00:36:16,370  
Michael does sound like my god no that's

755  
00:36:22,100 --> 00:36:20,760  
that was him doing my you know you know

756  
00:36:24,470 --> 00:36:22,110  
how you can tell when it's a Michael

757  
00:36:31,990 --> 00:36:24,480  
Jackson authentic EVP for Michael

758  
00:36:37,910 --> 00:36:34,730  
that's the only real Michael Jackson EVP

759  
00:36:41,450 --> 00:36:37,920  
so sure about what does someone even

760  
00:36:43,640 --> 00:36:41,460  
mean I don't know but you do that this

761  
00:36:45,500 --> 00:36:43,650  
is that good yeah yeah look that's how

762  
00:36:47,120 --> 00:36:45,510  
great market was he can make up words

763  
00:36:52,130 --> 00:36:47,130

and they look like toe that's a hit song

764

00:36:55,160 --> 00:36:52,140

shamone but now you know what it means

765

00:36:56,530 --> 00:36:55,170

but it's great Paul you mentioned in

766

00:37:00,260 --> 00:36:56,540

your ear

767

00:37:03,530 --> 00:37:00,270

bio hear that you've also investigated

768

00:37:06,200 --> 00:37:03,540

the poltergeists and demons well now do

769

00:37:08,660 --> 00:37:06,210

you think that Michael Jackson I mean

770

00:37:13,570 --> 00:37:08,670

the voice that's coming through possibly

771

00:37:16,160 --> 00:37:13,580

a demon's have the ability to mimic

772

00:37:17,690 --> 00:37:16,170

people I mean you know people that have

773

00:37:20,270 --> 00:37:17,700

passed over that might have been loved

774

00:37:23,210 --> 00:37:20,280

ones friends and so forth do you think

775

00:37:24,770 --> 00:37:23,220

that demons first of all do exist then

776

00:37:28,100 --> 00:37:24,780

and second of all do they have that

777

00:37:31,100 --> 00:37:28,110

capability Oh Michael Jackson oh yeah

778

00:37:33,620 --> 00:37:31,110

absolutely I I do not believe that was

779

00:37:37,040 --> 00:37:33,630

Michael Jackson okay I think it was

780

00:37:40,600 --> 00:37:37,050

something an entity could be a demon it

781

00:37:44,450 --> 00:37:40,610

could be a ghost mischievous ghost uh

782

00:37:46,220 --> 00:37:44,460

saying Michael so yeah I I definitely

783

00:37:48,950 --> 00:37:46,230

don't believe us Michael and it could be

784

00:37:50,390 --> 00:37:48,960

a demon Smart Play they're appalled her

785

00:37:52,190 --> 00:37:50,400

Roberts cuz the Michael Jackson fans

786

00:37:54,100 --> 00:37:52,200

were eaten your life if you actually

787

00:37:56,690 --> 00:37:54,110

would said that was Michael Jackson

788

00:37:59,210 --> 00:37:56,700

hahaha you know they're rabid man I

789

00:38:01,670 --> 00:37:59,220

still get all have a scalp that's yeah

790

00:38:04,490 --> 00:38:01,680

that's bananas yeah like yeah that guy

791

00:38:07,490 --> 00:38:04,500

paid ten thousand dollars for a piece of

792

00:38:09,770 --> 00:38:07,500

escape that's hair yeah well learn

793

00:38:12,980 --> 00:38:09,780

people some people might think that he

794

00:38:15,560 --> 00:38:12,990

got scalped but Jesus oh my god uses the

795

00:38:18,350 --> 00:38:15,570

secrets unraveled oh my goodness and now

796

00:38:24,500 --> 00:38:18,360

check this out he's taken that scalp and

797

00:38:27,140 --> 00:38:24,510

hair and making a diamond well how how

798

00:38:30,770 --> 00:38:27,150

yeah how does that work they compress it

799

00:38:32,930 --> 00:38:30,780

so hard they actually create a diamond

800

00:38:36,290 --> 00:38:32,940

yeah yeah this guy's got too much money

801  
00:38:39,230 --> 00:38:36,300  
yeah well you too much time on his hands

802  
00:38:43,280 --> 00:38:39,240  
yeah he was yeah he was definitely rich

803  
00:38:45,470 --> 00:38:43,290  
yeah well he pickin why doesn't he he

804  
00:38:49,850 --> 00:38:45,480  
could sponsor the show then that's a

805  
00:38:52,400 --> 00:38:49,860  
shame hey so what what about demons then

806  
00:38:56,630 --> 00:38:52,410  
I mean are they really the the henchmen

807  
00:38:59,390 --> 00:38:56,640  
of Satan d believe in the angels and

808  
00:39:02,810 --> 00:38:59,400  
Satan and the biblical you know

809  
00:39:05,810 --> 00:39:02,820  
references to all of this I definitely

810  
00:39:08,810 --> 00:39:05,820  
believe in angels uh and if there's

811  
00:39:09,980 --> 00:39:08,820  
angels it's got to be demons um there's

812  
00:39:13,910 --> 00:39:09,990  
only a couple k

813  
00:39:16,340 --> 00:39:13,920

this is where I actually thought it was

814

00:39:19,670 --> 00:39:16,350

demonic everything else I kind of think

815

00:39:21,920 --> 00:39:19,680

is BS a lot of people ago we got a demon

816

00:39:24,200 --> 00:39:21,930

in house and I see a demon in carpet

817

00:39:28,040 --> 00:39:24,210

blah blah blah do you see the demon face

818

00:39:30,410 --> 00:39:28,050

oh oh I'm possessed but how come you're

819

00:39:34,760 --> 00:39:30,420

not spider walking on the ceiling it's

820

00:39:37,160 --> 00:39:34,770

like you know I you don't deserve Carl

821

00:39:39,590 --> 00:39:37,170

and I think that all the time I've done

822

00:39:40,730 --> 00:39:39,600

that twice this weekend yeah I'm so so

823

00:39:43,340 --> 00:39:40,740

what do you think the difference is with

824

00:39:47,570 --> 00:39:43,350

the UFOs and and the angels and the

825

00:39:50,330 --> 00:39:47,580

demons there's really not much because

826

00:39:53,300 --> 00:39:50,340

they're all extraterrestrial if you look

827

00:39:55,940 --> 00:39:53,310

at it demons if they were fallen angels

828

00:39:58,010 --> 00:39:55,950

angels are from the heavens heavens that

829

00:40:01,220 --> 00:39:58,020

means they're not trust role that they

830

00:40:04,670 --> 00:40:01,230

are extraterrestrial and also to I

831

00:40:06,350 --> 00:40:04,680

believe that entities may have there's

832

00:40:08,660 --> 00:40:06,360

entities out there they have matter

833

00:40:10,580 --> 00:40:08,670

bodies there's entities and out there

834

00:40:14,630 --> 00:40:10,590

they have matter bodies that can

835

00:40:16,810 --> 00:40:14,640

transform into energy bodies and I think

836

00:40:18,830 --> 00:40:16,820

there's entities I mean

837

00:40:21,710 --> 00:40:18,840

extraterrestrials out there who have

838

00:40:23,480 --> 00:40:21,720

pure energy bottle bodies and that's why

839

00:40:26,300 --> 00:40:23,490

you here last stories your UFO

840

00:40:28,910 --> 00:40:26,310

abductions where the aliens the grace

841

00:40:31,550 --> 00:40:28,920

are going through the wall and when they

842

00:40:33,980 --> 00:40:31,560

abduct somebody they bring the abductee

843

00:40:35,750 --> 00:40:33,990

through the wall and they don't know how

844

00:40:37,910 --> 00:40:35,760

it happens but they're going right

845

00:40:40,790 --> 00:40:37,920

through the wall why because they're

846

00:40:45,230 --> 00:40:40,800

going from matter to energy and they're

847

00:40:47,240 --> 00:40:45,240

going right to the wall hmm so do you

848

00:40:49,430 --> 00:40:47,250

think that you think that the aliens are

849

00:40:51,880 --> 00:40:49,440

so you think there's aliens angels and

850

00:40:54,650 --> 00:40:51,890

demons or do you think that the aliens

851  
00:40:56,270 --> 00:40:54,660  
could be demonic it's because it's been

852  
00:40:59,090 --> 00:40:56,280  
coming up lately in the show so I'm just

853  
00:41:00,170 --> 00:40:59,100  
wonder what your take is on it what do

854  
00:41:02,540 --> 00:41:00,180  
you think they're angels do you think

855  
00:41:07,220 --> 00:41:02,550  
that they're either well the Anunnaki

856  
00:41:10,030 --> 00:41:07,230  
supposedly looked like us and it seems

857  
00:41:13,010 --> 00:41:10,040  
like the ancient people confuse them for

858  
00:41:16,609 --> 00:41:13,020  
angels they saw them flowing around and

859  
00:41:18,349 --> 00:41:16,619  
everything else they considered some of

860  
00:41:22,850 --> 00:41:18,359  
them as angels and then some of the

861  
00:41:29,090 --> 00:41:22,860  
Anunnaki were mating with human females

862  
00:41:32,390 --> 00:41:29,100  
and so the it could be all originating

863  
00:41:34,760 --> 00:41:32,400

from the uninor key that they are they

864

00:41:38,840 --> 00:41:34,770

people confuse them and or call them

865

00:41:42,070 --> 00:41:38,850

angels and maybe they are angels uh who

866

00:41:45,770 --> 00:41:42,080

knows and some of them go against uh

867

00:41:47,810 --> 00:41:45,780

inky uh which is the half-brother to in

868

00:41:51,710 --> 00:41:47,820

lil and that's I read something else

869

00:41:53,120 --> 00:41:51,720

yeah I find that really interesting if

870

00:41:56,030 --> 00:41:53,130

you don't believe you don't believe in

871

00:41:57,980 --> 00:41:56,040

that do you Tim I'm not yeah you know I

872

00:42:00,290 --> 00:41:57,990

don't know the thing with the Annunaki

873

00:42:02,180 --> 00:42:00,300

I'm kind of skeptical about because why

874

00:42:04,550 --> 00:42:02,190

why wasn't anybody researching this

875

00:42:06,770 --> 00:42:04,560

you're talking about this until Zecharia

876

00:42:09,230 --> 00:42:06,780

Sitchin it came along you know yeah I

877

00:42:10,670 --> 00:42:09,240

mean it's just like hey somebody says

878

00:42:12,290 --> 00:42:10,680

something and they jump on it you know

879

00:42:14,990 --> 00:42:12,300

the bandwagon and all of a sudden

880

00:42:17,480 --> 00:42:15,000

everybody's got information and and

881

00:42:19,490 --> 00:42:17,490

stories I mean suppose zecharia sitchin

882

00:42:21,140 --> 00:42:19,500

is wrong and then so all these stories

883

00:42:23,330 --> 00:42:21,150

are just for naught I don't know who

884

00:42:26,180 --> 00:42:23,340

knows I'm actually no itching he was to

885

00:42:29,090 --> 00:42:26,190

choose a biblical uh no no no hockey on

886

00:42:31,640 --> 00:42:29,100

or we could do a whole program we could

887

00:42:34,190 --> 00:42:31,650

do actually what he was not actually our

888

00:42:35,780 --> 00:42:34,200

checkout Sitchin is wrong calm he could

889

00:42:38,240 --> 00:42:35,790

never provide any proof that he was a

890

00:42:41,000 --> 00:42:38,250

scholar in any language he was taken to

891

00:42:43,400 --> 00:42:41,010

task and he was dared to debate by a

892

00:42:46,700 --> 00:42:43,410

gentleman who he would not dare to

893

00:42:50,720 --> 00:42:46,710

confront now though the one time that I

894

00:42:53,990 --> 00:42:50,730

saw him he came to our a new york 14

895

00:42:56,360 --> 00:42:54,000

society meeting to give a talk and when

896

00:42:58,460 --> 00:42:56,370

anybody would ask him a question in the

897

00:43:00,710 --> 00:42:58,470

audience he would say it's in the book

898

00:43:02,480 --> 00:43:00,720

he wouldn't he wouldn't directly answer

899

00:43:04,760 --> 00:43:02,490

anything I don't know I'm skeptical

900

00:43:06,800 --> 00:43:04,770

about you know by the way Michael dr.

901  
00:43:08,090 --> 00:43:06,810  
michael heizer is the the person I'm

902  
00:43:10,160 --> 00:43:08,100  
talking about and I really should look

903  
00:43:12,260 --> 00:43:10,170  
into what he put together he was on

904  
00:43:15,260 --> 00:43:12,270  
coast to coast and he openly challenged

905  
00:43:17,600 --> 00:43:15,270  
zecharia sitchin to debate him yes agent

906  
00:43:19,610 --> 00:43:17,610  
turned him down he knows yes yes fiction

907  
00:43:22,160 --> 00:43:19,620  
wrote how many he is written at he wrote

908  
00:43:23,750 --> 00:43:22,170  
a dozen books on this which seems to be

909  
00:43:26,000 --> 00:43:23,760  
kind of why waste your life on something

910  
00:43:27,620 --> 00:43:26,010  
that you really don't believe in or you

911  
00:43:29,210 --> 00:43:27,630  
have no evidence of any way there's

912  
00:43:31,100 --> 00:43:29,220  
money to buy it in there my friend money

913  
00:43:33,040 --> 00:43:31,110

well you know come on a call this

914

00:43:35,450 --> 00:43:33,050

morning led by the book too I'm

915

00:43:36,470 --> 00:43:35,460

surprised you surprised how much money

916

00:43:38,690 --> 00:43:36,480

he makes is going down

917

00:43:40,310 --> 00:43:38,700

little tours when he was done oh come

918

00:43:43,490 --> 00:43:40,320

buddy he lectured for thirty-five

919

00:43:46,520 --> 00:43:43,500

dollars here you know that's now that

920

00:43:47,990 --> 00:43:46,530

you know that the idea surprise yep you

921

00:43:49,910 --> 00:43:48,000

would be surprised angel because I've

922

00:43:51,530 --> 00:43:49,920

been doing this for 50 years the amount

923

00:43:53,660 --> 00:43:51,540

of money you didn't you didn't have the

924

00:43:56,570 --> 00:43:53,670

the whole Annunaki thing behind you well

925

00:43:58,970 --> 00:43:56,580

that's that's true that's a major that's

926

00:44:01,250 --> 00:43:58,980

a myth it's giant it's giant it's

927

00:44:02,840 --> 00:44:01,260

gigantic anyway in high and he's more

928

00:44:04,490 --> 00:44:02,850

you made a lot about a lot of books give

929

00:44:06,890 --> 00:44:04,500

me money on his books believe time time

930

00:44:10,580 --> 00:44:06,900

time is rolling along and appending

931

00:44:11,810 --> 00:44:10,590

anyway up or can you just tell us what

932

00:44:14,510 --> 00:44:11,820

are you working on now what's your

933

00:44:16,450 --> 00:44:14,520

current investigation and how to how do

934

00:44:19,490 --> 00:44:16,460

people find out about what you're doing

935

00:44:21,320 --> 00:44:19,500

okay okay well one thing is all they

936

00:44:24,410 --> 00:44:21,330

have to do is google my name Paul Dale

937

00:44:26,750 --> 00:44:24,420

Roberts and they will find all my

938

00:44:31,310 --> 00:44:26,760

articles everything so I'm really easy

939

00:44:36,080 --> 00:44:31,320

to find and a lot of my information it's

940

00:44:38,690 --> 00:44:36,090

right at ww jasma online we got some

941

00:44:40,970 --> 00:44:38,700

cases coming up we're supposed to have

942

00:44:43,520 --> 00:44:40,980

one in santa rosa is supposed to be

943

00:44:46,580 --> 00:44:43,530

demonic the people are freaked out so

944

00:44:48,740 --> 00:44:46,590

we're going to check that out we're

945

00:44:54,140 --> 00:44:48,750

gonna go back to Mount Shasta hopefully

946

00:44:58,730 --> 00:44:54,150

um the summer so um oh maybe maybe I'll

947

00:45:01,940 --> 00:44:58,740

join our sky dive in hahaha baby me and

948

00:45:05,090 --> 00:45:01,950

Carla will skydive oh yeah an angel will

949

00:45:07,970 --> 00:45:05,100

be piling on the plane I want no part of

950

00:45:10,609 --> 00:45:07,980

that plane I like my feet on the ground

951  
00:45:12,140 --> 00:45:10,619  
thank you very much anyway anyway Paul I

952  
00:45:14,780 --> 00:45:12,150  
want to thank you for being on you have

953  
00:45:17,810 --> 00:45:14,790  
some fascinating information and I'm

954  
00:45:20,480 --> 00:45:17,820  
sure we will hook up again and rock and

955  
00:45:24,020 --> 00:45:20,490  
roll all night and watch out for Bigfoot

956  
00:45:26,780 --> 00:45:24,030  
that's all I can say and what oh thank

957  
00:45:29,690 --> 00:45:26,790  
you carla Tim and angel it was really

958  
00:45:37,630 --> 00:45:29,700  
nice talking to everybody and it's break

959  
00:45:47,360 --> 00:45:41,420  
we have with us Nick Redfern the

960  
00:45:50,060 --> 00:45:47,370  
ultimate UFO pop star Nick now depending

961  
00:45:52,010 --> 00:45:50,070  
upon when this abaayo i have here in

962  
00:45:54,620 --> 00:45:52,020  
front of me was written nick has

963  
00:45:56,870 --> 00:45:54,630

authored more than 30 books on UFOs Lake

964

00:46:01,040 --> 00:45:56,880

Monsters Bigfoot the abominable snowman

965

00:46:02,750 --> 00:46:01,050

Hollywood scandals memories of some of

966

00:46:05,440 --> 00:46:02,760

the titles or memories of a monster

967

00:46:08,150 --> 00:46:05,450

hunter the real men in black the NASA

968

00:46:11,510 --> 00:46:08,160

conspiracies keep out the pyramids and

969

00:46:15,440 --> 00:46:11,520

the Pentagon the list goes on and on and

970

00:46:18,110 --> 00:46:15,450

on and nick is a great writer I mean

971

00:46:19,880 --> 00:46:18,120

it's Omni [h\_\_\h] that's well we'll get to

972

00:46:21,500 --> 00:46:19,890

that in just a second but Nick is a

973

00:46:23,630 --> 00:46:21,510

great writer you know there are other

974

00:46:26,510 --> 00:46:23,640

people who could turn out volume after

975

00:46:29,180 --> 00:46:26,520

volume but there they leave a lot of

976

00:46:31,310 --> 00:46:29,190

loose ends well nick is it not only is

977

00:46:34,850 --> 00:46:31,320

he a good author but he's a good

978

00:46:37,910 --> 00:46:34,860

researcher as well and a friend of mine

979

00:46:40,100 --> 00:46:37,920

and I welcome him to the microphone here

980

00:46:43,370 --> 00:46:40,110

this evening Nick how are you down there

981

00:46:45,680 --> 00:46:43,380

in Texas hi guys I'm doing good thanks

982

00:46:49,600 --> 00:46:45,690

yeah I know we you were scheduled to be

983

00:46:53,180 --> 00:46:49,610

on the last week but you got silenced

984

00:46:56,060 --> 00:46:53,190

forget about the man in black also the

985

00:46:58,670 --> 00:46:56,070

same cousin has was the men in black

986

00:47:01,250 --> 00:46:58,680

yeah it was just the weather and it

987

00:47:03,470 --> 00:47:01,260

knocked everything out and actually

988

00:47:06,110 --> 00:47:03,480

wednesday on thursday this week we got

989

00:47:09,050 --> 00:47:06,120

another four inches of snow and it's

990

00:47:11,780 --> 00:47:09,060

sort of yes that's that's my business

991

00:47:14,180 --> 00:47:11,790

even that's my biggest fear is during a

992

00:47:16,220 --> 00:47:14,190

snowstorm to to be in a black out as

993

00:47:18,770 --> 00:47:16,230

well you know because it's just way too

994

00:47:20,450 --> 00:47:18,780

much you know no you know well I grew up

995

00:47:22,430 --> 00:47:20,460

in England we get a lot of snow there

996

00:47:24,280 --> 00:47:22,440

and so if you don't really bother me i

997

00:47:27,200 --> 00:47:24,290

was out my driving any or whatever but

998

00:47:28,820 --> 00:47:27,210

you know when you sort of lose your

999

00:47:32,690 --> 00:47:28,830

electric or whatever and that's not much

1000

00:47:36,380 --> 00:47:32,700

fun yeah not that now Nick how long have

1001  
00:47:38,390 --> 00:47:36,390  
you been searching researching all of

1002  
00:47:39,980 --> 00:47:38,400  
this now I've known you oh I don't know

1003  
00:47:43,430 --> 00:47:39,990  
I guess we did our first radio show

1004  
00:47:47,420 --> 00:47:43,440  
maybe six years ago or so in fact you

1005  
00:47:49,370 --> 00:47:47,430  
you told us about a very strange

1006  
00:47:51,590 --> 00:47:49,380  
incident in your home where you

1007  
00:47:53,110 --> 00:47:51,600  
saw something that resembled a werewolf

1008  
00:47:56,180 --> 00:47:53,120  
and of course we want to hear about that

1009  
00:47:58,940 --> 00:47:56,190  
but you were you were writing about

1010  
00:48:01,220 --> 00:47:58,950  
music is that correct ya well what what

1011  
00:48:03,650 --> 00:48:01,230  
was when I finished school back in

1012  
00:48:08,270 --> 00:48:03,660  
England I wasn't I wasn't really the

1013  
00:48:11,690 --> 00:48:08,280

best pupil you know Ashley's how to say

1014

00:48:14,000 --> 00:48:11,700

the least you know as one of these who I

1015

00:48:15,860 --> 00:48:14,010

didn't really understand why I needed to

1016

00:48:17,300 --> 00:48:15,870

learn algebra because who uses algebra

1017

00:48:20,180 --> 00:48:17,310

when you left school when you leave

1018

00:48:22,760 --> 00:48:20,190

school nobody uses it you know what you

1019

00:48:25,340 --> 00:48:22,770

saw at me to know what the rainfall is

1020

00:48:27,200 --> 00:48:25,350

in Argentina or something you know and I

1021

00:48:29,360 --> 00:48:27,210

just didn't enjoy her getting like the

1022

00:48:32,060 --> 00:48:29,370

fat tire to wear a stupid school uniform

1023

00:48:34,190 --> 00:48:32,070

and office business and so I just

1024

00:48:37,540 --> 00:48:34,200

literally well I got pushy could leave

1025

00:48:40,100 --> 00:48:37,550

school at sixteen in England and and

1026

00:48:42,440 --> 00:48:40,110

what happened was I was still due to

1027

00:48:45,920 --> 00:48:42,450

have another year but you can lease are

1028

00:48:47,360 --> 00:48:45,930

just as i'm done and walked out and I

1029

00:48:49,160 --> 00:48:47,370

didn't know what I was going to do you

1030

00:48:52,490 --> 00:48:49,170

know as went from being at school to be

1031

00:48:54,650 --> 00:48:52,500

in the big wide world and didn't

1032

00:48:59,020 --> 00:48:54,660

graduate on nothing I was you know as

1033

00:49:02,390 --> 00:48:59,030

one of those destined for I do you know

1034

00:49:04,700 --> 00:49:02,400

writing books or I don't know what but

1035

00:49:06,620 --> 00:49:04,710

anyway what happened was just purely by

1036

00:49:09,320 --> 00:49:06,630

chance I was looking around and I saw

1037

00:49:11,720 --> 00:49:09,330

that there was an opening on a new

1038

00:49:14,740 --> 00:49:11,730

magazine that was being launched called

1039

00:49:17,330 --> 00:49:14,750

zero and it was basically for sort of

1040

00:49:20,900 --> 00:49:17,340

teenagers and you know penned in the 20s

1041

00:49:23,270 --> 00:49:20,910

and it would cover my music fashion

1042

00:49:25,580 --> 00:49:23,280

entertain and that kind of thing and

1043

00:49:27,560 --> 00:49:25,590

they were looking to take people on just

1044

00:49:29,840 --> 00:49:27,570

you know just out of school and whatever

1045

00:49:31,280 --> 00:49:29,850

so I've already said the interest since

1046

00:49:32,990 --> 00:49:31,290

I went for the interview and they said

1047

00:49:35,060 --> 00:49:33,000

well you know you'll be sort of

1048

00:49:37,220 --> 00:49:35,070

interviewing bands and go to concerts

1049

00:49:40,220 --> 00:49:37,230

and reviewing them and as I said that

1050

00:49:43,940 --> 00:49:40,230

down you know they didn't own them it

1051  
00:49:45,740 --> 00:49:43,950  
kinda shows perfect you know and and I

1052  
00:49:47,990 --> 00:49:45,750  
did too worked on this magazine for

1053  
00:49:51,110 --> 00:49:48,000  
about two years and they sort of taught

1054  
00:49:54,230 --> 00:49:51,120  
me all the aspects of writing and

1055  
00:49:56,300 --> 00:49:54,240  
editing and proofreading and you know

1056  
00:49:59,150 --> 00:49:56,310  
how to structure articles and that kind

1057  
00:50:00,920 --> 00:49:59,160  
of thing and and although it wasn't very

1058  
00:50:03,230 --> 00:50:00,930  
good at school I'd always always enjoyed

1059  
00:50:05,080 --> 00:50:03,240  
reading you know as a big reader

1060  
00:50:08,630 --> 00:50:05,090  
no wasn't particularly good at school

1061  
00:50:10,930 --> 00:50:08,640  
and so it that appeal to me and you know

1062  
00:50:13,520 --> 00:50:10,940  
it's kind of one of these things where I

1063  
00:50:15,410 --> 00:50:13,530

guess different people can do different

1064

00:50:17,140 --> 00:50:15,420

things i found i could write you know

1065

00:50:19,609 --> 00:50:17,150

somebody else could be like a great

1066

00:50:22,820 --> 00:50:19,619

carpenters somebody else could be you

1067

00:50:25,600 --> 00:50:22,830

know some an artist or a car mechanic

1068

00:50:29,060 --> 00:50:25,610

you know they just got that talent and

1069

00:50:31,790 --> 00:50:29,070

and so I enjoy doing it and got sort of

1070

00:50:34,160 --> 00:50:31,800

positive results and you know i could

1071

00:50:37,010 --> 00:50:34,170

just turn up in jeans and t-shirt and

1072

00:50:39,109 --> 00:50:37,020

get paid for interviews bands and that

1073

00:50:41,570 --> 00:50:39,119

kind of thing well you know the music

1074

00:50:45,080 --> 00:50:41,580

the music field was certainly a training

1075

00:50:47,330 --> 00:50:45,090

ground for for many a writer in fact i

1076  
00:50:51,410 --> 00:50:47,340  
went through that period is well of

1077  
00:50:52,910 --> 00:50:51,420  
course i was more of a rock and rock and

1078  
00:50:55,910 --> 00:50:52,920  
roller i guess would be considered

1079  
00:50:59,030 --> 00:50:55,920  
classic rock today but it was the pseudo

1080  
00:51:03,280 --> 00:50:59,040  
of forerunners of a heavy metal in fact

1081  
00:51:06,410 --> 00:51:03,290  
the first band that I went backstage and

1082  
00:51:08,750 --> 00:51:06,420  
the hang out with was Black Sabbath I

1083  
00:51:13,040 --> 00:51:08,760  
was walking by the I was walking by the

1084  
00:51:15,770 --> 00:51:13,050  
fillmore east and there was a biker who

1085  
00:51:17,840 --> 00:51:15,780  
was like his working security standing

1086  
00:51:19,880 --> 00:51:17,850  
there and for some reason instead of

1087  
00:51:22,310 --> 00:51:19,890  
growling at me like a lot of bikers

1088  
00:51:24,800 --> 00:51:22,320

would we get into a conversation and the

1089

00:51:26,510 --> 00:51:24,810

guy said to me you want to go inside you

1090

00:51:29,359 --> 00:51:26,520

want to go backstage and I said sure so

1091

00:51:33,620 --> 00:51:29,369

I went back stage and I've never come

1092

00:51:35,810 --> 00:51:33,630

out I think that I spent I spent 40

1093

00:51:38,510 --> 00:51:35,820

years i think i spent 40 years backstage

1094

00:51:40,490 --> 00:51:38,520

with just about every band from Black

1095

00:51:42,500 --> 00:51:40,500

Sabbath to the rolling stones in Madison

1096

00:51:46,099 --> 00:51:42,510

Square Garden and I had some interesting

1097

00:51:48,170 --> 00:51:46,109

times I mean it was a I can't say that

1098

00:51:49,599 --> 00:51:48,180

it was one big party after another but

1099

00:51:52,430 --> 00:51:49,609

they're certainly where a few parties

1100

00:51:56,240 --> 00:51:52,440

thrown in and I met a lot of interesting

1101

00:51:58,220 --> 00:51:56,250

people and promoted a few bands that I'm

1102

00:52:01,310 --> 00:51:58,230

still can contact with on you know on

1103

00:52:03,740 --> 00:52:01,320

facebook and all and it was a heck of an

1104

00:52:05,510 --> 00:52:03,750

experience but then I've written about

1105

00:52:07,550 --> 00:52:05,520

me I've written about everything I you

1106

00:52:10,160 --> 00:52:07,560

know I get I've edited 30 different

1107

00:52:11,300 --> 00:52:10,170

magazines most of which had never lasted

1108

00:52:14,420 --> 00:52:11,310

more than like two or three issues

1109

00:52:16,940 --> 00:52:14,430

except for UFO universe which lasted 11

1110

00:52:19,520 --> 00:52:16,950

years before the bottom of the

1111

00:52:21,530 --> 00:52:19,530

magazine publishing business fell out

1112

00:52:23,480 --> 00:52:21,540

now I notice that there seems to be

1113

00:52:25,490 --> 00:52:23,490

obviously more magazines published in

1114

00:52:28,460 --> 00:52:25,500

England to this day than there are here

1115

00:52:30,319 --> 00:52:28,470

in the United States I mean it just it

1116

00:52:32,599 --> 00:52:30,329

hardly exists don't know what that is

1117

00:52:35,060 --> 00:52:32,609

because I mean it's not like you know

1118

00:52:37,609 --> 00:52:35,070

the Internet is any less present in the

1119

00:52:40,550 --> 00:52:37,619

UK but people still like to go out and

1120

00:52:42,920 --> 00:52:40,560

buy magazines and it's like in England

1121

00:52:45,410 --> 00:52:42,930

learn you know about a dozen or so daily

1122

00:52:46,910 --> 00:52:45,420

national newspapers you know that

1123

00:52:48,260 --> 00:52:46,920

assault all across the country whereas

1124

00:52:49,940 --> 00:52:48,270

you know over here you get like the new

1125

00:52:52,370 --> 00:52:49,950

york times or the Dallas Morning News

1126  
00:52:54,470 --> 00:52:52,380  
you get national newspapers and they

1127  
00:52:56,450 --> 00:52:54,480  
sell like the Sun and the Daily Mail

1128  
00:52:58,730 --> 00:52:56,460  
they sell millions of copies every day

1129  
00:53:00,170 --> 00:52:58,740  
you know and so I don't know why that is

1130  
00:53:02,420 --> 00:53:00,180  
I guess it's just you know different

1131  
00:53:04,130 --> 00:53:02,430  
trends but different countries but under

1132  
00:53:06,980 --> 00:53:04,140  
well it might it must be something too

1133  
00:53:09,589 --> 00:53:06,990  
about the way magazines are distributed

1134  
00:53:11,390 --> 00:53:09,599  
over there because here and I know I've

1135  
00:53:13,609 --> 00:53:11,400  
been in you know in involved in many

1136  
00:53:15,950 --> 00:53:13,619  
aspects of publishing you end up

1137  
00:53:18,200 --> 00:53:15,960  
printing you know 90,000 magazines in

1138  
00:53:22,040 --> 00:53:18,210

the end they end up selling you know a

1139

00:53:24,770 --> 00:53:22,050

certain percentage like 25 35 maybe 40

1140

00:53:26,390 --> 00:53:24,780

percent and the rest of them are into

1141

00:53:29,450 --> 00:53:26,400

the shredder or sold at flea markets

1142

00:53:31,460 --> 00:53:29,460

with the top of the front page a ripped

1143

00:53:33,230 --> 00:53:31,470

offer or something but there's no where

1144

00:53:35,470 --> 00:53:33,240

to buy a magazine anymore outside of

1145

00:53:38,390 --> 00:53:35,480

barnes and noble even here in Manhattan

1146

00:53:39,650 --> 00:53:38,400

just like one place down in Greenwich

1147

00:53:41,780 --> 00:53:39,660

Village that I know of that has a

1148

00:53:43,609 --> 00:53:41,790

selection of magazines otherwise the

1149

00:53:48,339 --> 00:53:43,619

magazine shops are now selling lottery

1150

00:53:52,700 --> 00:53:48,349

tickets and cigars excuse me gentlemen

1151  
00:53:54,349 --> 00:53:52,710  
gentlemen yes oh I hate to interrupt

1152  
00:53:59,720 --> 00:53:54,359  
that's all I hear back I want to hear

1153  
00:54:05,030 --> 00:53:59,730  
about the werewolf like a long time like

1154  
00:54:06,589 --> 00:54:05,040  
it was after just one other thing I

1155  
00:54:09,470 --> 00:54:06,599  
would say I still actually do a lot of

1156  
00:54:11,450 --> 00:54:09,480  
sort of music stuff and just mainstream

1157  
00:54:13,579 --> 00:54:11,460  
journalism because you know a lot of

1158  
00:54:16,579 --> 00:54:13,589  
people i'm sure most Hypno's you know

1159  
00:54:18,800 --> 00:54:16,589  
writing can be a very sort of precarious

1160  
00:54:20,210 --> 00:54:18,810  
job self-employed you know it's gotta be

1161  
00:54:22,940 --> 00:54:20,220  
a passion you go have a passion for each

1162  
00:54:24,829 --> 00:54:22,950  
but it's your job as well you know it is

1163  
00:54:28,190 --> 00:54:24,839

a precarious job unless you're like

1164

00:54:30,230 --> 00:54:28,200

stephen king or JK Rowling's so you know

1165

00:54:30,800 --> 00:54:30,240

I do a lot of people so that I guess

1166

00:54:33,440 --> 00:54:30,810

know me

1167

00:54:35,930 --> 00:54:33,450

right in the books but I mean I do a lot

1168

00:54:38,510 --> 00:54:35,940

of regular magazine and newspaper work

1169

00:54:41,030 --> 00:54:38,520

and I'm like actually a regular feature

1170

00:54:43,520 --> 00:54:41,040

writer for Pentos and a lot of people

1171

00:54:45,230 --> 00:54:43,530

don't know that well I used to be the

1172

00:54:47,480 --> 00:54:45,240

movie I used to be the movie review

1173

00:54:49,670 --> 00:54:47,490

critic for hustler magazine and they're

1174

00:54:52,160 --> 00:54:49,680

still there's actually one gal who does

1175

00:54:54,410 --> 00:54:52,170

promotion at penthouse that I I still

1176  
00:54:56,210 --> 00:54:54,420  
know and a fellow who used to work there

1177  
00:54:58,610 --> 00:54:56,220  
who lives in Texas somewhere maybe it's

1178  
00:55:02,150 --> 00:54:58,620  
New Mexico tom there's a old-time a

1179  
00:55:03,800 --> 00:55:02,160  
friend of mine so yeah yeah I'm

1180  
00:55:06,770 --> 00:55:03,810  
surprised a kind of the they're still

1181  
00:55:09,560 --> 00:55:06,780  
publishing because most of the Delta

1182  
00:55:11,450 --> 00:55:09,570  
entertainment or male sophisticates or

1183  
00:55:13,910 --> 00:55:11,460  
what they really known of in the

1184  
00:55:16,370 --> 00:55:13,920  
magazine trade our online that now

1185  
00:55:19,280 --> 00:55:16,380  
they're to find a newstand yeah yeah

1186  
00:55:22,280 --> 00:55:19,290  
even 7-eleven you can't find a playboy

1187  
00:55:23,960 --> 00:55:22,290  
anymore I don't think not that I little

1188  
00:55:25,930 --> 00:55:23,970

higher than I've looked yet I've always

1189

00:55:28,880 --> 00:55:25,940

thought off of the articles myself yeah

1190

00:55:33,110 --> 00:55:28,890

okay you gotta look high at him high

1191

00:55:35,090 --> 00:55:33,120

shelves you know me Oh dick dick so what

1192

00:55:37,130 --> 00:55:35,100

changes direction for music to all the

1193

00:55:39,140 --> 00:55:37,140

sudden writing about other things um

1194

00:55:41,000 --> 00:55:39,150

well it wasn't so much alike sort of

1195

00:55:42,530 --> 00:55:41,010

changed as I said I still do a lot of it

1196

00:55:45,020 --> 00:55:42,540

I guess you should see more you have an

1197

00:55:47,870 --> 00:55:45,030

experience that led you down that that's

1198

00:55:49,880 --> 00:55:47,880

here no i didn't but my dad did he was

1199

00:55:51,890 --> 00:55:49,890

in the British Royal Air Force and

1200

00:55:55,970 --> 00:55:51,900

worked on radar and he had a couple of

1201  
00:55:57,530 --> 00:55:55,980  
UFO incidents where they were tracking

1202  
00:55:59,840 --> 00:55:57,540  
these weird things flying across the

1203  
00:56:02,510 --> 00:55:59,850  
English Channel and the North seeing it

1204  
00:56:05,150 --> 00:56:02,520  
sort of fantastic speeds and doing all

1205  
00:56:06,800 --> 00:56:05,160  
sorts of weird maneuvers and so even

1206  
00:56:09,230 --> 00:56:06,810  
though this is back in the 50s and even

1207  
00:56:10,760 --> 00:56:09,240  
though you know they had no idea what

1208  
00:56:12,230 --> 00:56:10,770  
they were the first thought was well

1209  
00:56:15,020 --> 00:56:12,240  
it's got to be the Russians even though

1210  
00:56:17,240 --> 00:56:15,030  
that seemed unlikely so they scrambled

1211  
00:56:19,700 --> 00:56:17,250  
aircraft to try and intercept them and

1212  
00:56:24,220 --> 00:56:19,710  
the pilots just couldn't get close but

1213  
00:56:26,270 --> 00:56:24,230

the guys are reading the radar screens

1214

00:56:28,010 --> 00:56:26,280

we're saying that the objects were

1215

00:56:29,330 --> 00:56:28,020

clearly reacting to the presence of the

1216

00:56:31,220 --> 00:56:29,340

aircraft you know they'd move away and

1217

00:56:33,830 --> 00:56:31,230

play like games of cat-and-mouse with

1218

00:56:36,380 --> 00:56:33,840

them and my dad was brought in because

1219

00:56:38,330 --> 00:56:36,390

he was a radar mechanic and he so he was

1220

00:56:40,370 --> 00:56:38,340

brought in to check if the equipment was

1221

00:56:41,900 --> 00:56:40,380

actually malfunctioning and it was

1222

00:56:43,460 --> 00:56:41,910

causing you a glitch that wasn't really

1223

00:56:44,240 --> 00:56:43,470

there but he actually wasn't and then

1224

00:56:46,580 --> 00:56:44,250

they found out

1225

00:56:49,010 --> 00:56:46,590

other bases along the east coast of

1226

00:56:51,620 --> 00:56:49,020

England we're also tracking them this

1227

00:56:53,750 --> 00:56:51,630

happened other three nights and my dad

1228

00:56:56,660 --> 00:56:53,760

is basically they're all told you you

1229

00:56:59,810 --> 00:56:56,670

want to talk about this and my dad

1230

00:57:02,330 --> 00:56:59,820

didn't tell me till I was about 13 14

1231

00:57:05,180 --> 00:57:02,340

and that's what got me interested but as

1232

00:57:07,910 --> 00:57:05,190

I said I'd always been a big reader and

1233

00:57:10,910 --> 00:57:07,920

you know I was reading sort of John Cale

1234

00:57:12,500 --> 00:57:10,920

stuff you know 13 14 after you know my

1235

00:57:15,650 --> 00:57:12,510

dad saw me restored it got interesting

1236

00:57:19,400 --> 00:57:15,660

like John Cale and brad steiger things

1237

00:57:21,230 --> 00:57:19,410

like that and after doing the sort of

1238

00:57:23,810 --> 00:57:21,240

magazine work for a few years I thought

1239

00:57:25,340 --> 00:57:23,820

well why not try and combine the two the

1240

00:57:29,120 --> 00:57:25,350

background had sort of developed in

1241

00:57:31,490 --> 00:57:29,130

writing and combine it with the interest

1242

00:57:33,320 --> 00:57:31,500

that I developed in paranormal stuff so

1243

00:57:35,900 --> 00:57:33,330

that's pretty much what kicked it off

1244

00:57:40,640 --> 00:57:35,910

was sort of my dad telling me about his

1245

00:57:45,890 --> 00:57:40,650

experience mm-hmm and so I got him to

1246

00:57:48,110 --> 00:57:45,900

blame it on again yes so it's only

1247

00:57:50,810 --> 00:57:48,120

because people seem to enjoy Tim said

1248

00:57:53,240 --> 00:57:50,820

you did a book on zombies as well yeah

1249

00:57:55,340 --> 00:57:53,250

that one came out last year was called

1250

00:57:58,160 --> 00:57:55,350

the zombie book very stunningly original

1251  
00:58:00,740 --> 00:57:58,170  
name and then what was your take on the

1252  
00:58:03,500 --> 00:58:00,750  
zombies I hate zombies oh you do oh well

1253  
00:58:05,180 --> 00:58:03,510  
they baby bed not read the book no no

1254  
00:58:06,470 --> 00:58:05,190  
watch walking there Jesus yeah I mean

1255  
00:58:07,910 --> 00:58:06,480  
everybody wants to survive I don't want

1256  
00:58:09,440 --> 00:58:07,920  
to survive it just sounds like a

1257  
00:58:13,130 --> 00:58:09,450  
horrible way to live you know I just

1258  
00:58:15,830 --> 00:58:13,140  
don't look like much fun well basically

1259  
00:58:17,930 --> 00:58:15,840  
the book is like eight I think they

1260  
00:58:21,710 --> 00:58:17,940  
actually the longest book I've done it's

1261  
00:58:25,340 --> 00:58:21,720  
like 400 pages and about 150 thousand

1262  
00:58:27,320 --> 00:58:25,350  
words he's like an A to Z style book on

1263  
00:58:31,400 --> 00:58:27,330

everything to do with zombies whether in

1264

00:58:33,710 --> 00:58:31,410

movies TVs novels but also in the real

1265

00:58:37,910 --> 00:58:33,720

world you know with their entries like

1266

00:58:40,640 --> 00:58:37,920

on voodoo and attempts in the past to

1267

00:58:43,190 --> 00:58:40,650

raise the dead and and things like this

1268

00:58:46,130 --> 00:58:43,200

and entries on viruses and how real

1269

00:58:49,700 --> 00:58:46,140

world viruses work versus the sort of

1270

00:58:52,310 --> 00:58:49,710

the fictional viruses of a zombie movies

1271

00:58:54,020 --> 00:58:52,320

and also entries on how zombies have

1272

00:58:57,020 --> 00:58:54,030

changed over the years you know if you

1273

00:58:57,950 --> 00:58:57,030

get today zombies are either shambling

1274

00:59:00,680 --> 00:58:57,960

or fast running

1275

00:59:02,359 --> 00:59:00,690

but it's all connected like viruses in

1276

00:59:04,550 --> 00:59:02,369

the end of the world which is go back to

1277

00:59:07,099 --> 00:59:04,560

like the movies in the 30s and the 40s

1278

00:59:09,589 --> 00:59:07,109

like I walk with a zombie and king of

1279

00:59:11,120 --> 00:59:09,599

the zombies never all they weren't

1280

00:59:13,490 --> 00:59:11,130

actually people are dead they were they

1281

00:59:16,640 --> 00:59:13,500

were sort of mind control via voodoo

1282

00:59:19,970 --> 00:59:16,650

yeah hypnotic techniques and so in other

1283

00:59:22,490 --> 00:59:19,980

words it was really only with a George

1284

00:59:24,170 --> 00:59:22,500

Romero and a couple of earlier feels

1285

00:59:27,950 --> 00:59:24,180

like plague of the zombies and the last

1286

00:59:31,579 --> 00:59:27,960

man on earth that really sorted to cross

1287

00:59:34,099 --> 00:59:31,589

over where zombies from the servicemen

1288

00:59:36,020 --> 00:59:34,109

late sixties onwards because it's only

1289

00:59:39,170 --> 00:59:36,030

associate you would like the apocalypse

1290

00:59:41,660 --> 00:59:39,180

rather a photo unit completely a

1291

00:59:44,089 --> 00:59:41,670

complete each genre Nick real quick i'm

1292

00:59:45,980 --> 00:59:44,099

going back to your father's experience

1293

00:59:47,270 --> 00:59:45,990

how do you think had he not had that

1294

00:59:49,670 --> 00:59:47,280

experience that you would still be

1295

00:59:53,329 --> 00:59:49,680

interested in UFOs you volunteer the

1296

00:59:55,609 --> 00:59:53,339

paranormal oh and may I mean I think you

1297

00:59:57,530 --> 00:59:55,619

know if you're interested you're going

1298

01:00:00,740 --> 00:59:57,540

to gravitate to it at some point anyway

1299

01:00:03,680 --> 01:00:00,750

so maybe but I mean certainly that was

1300

01:00:06,200 --> 01:00:03,690

one of the things this if not the sort

1301

01:00:07,849 --> 01:00:06,210

of defining thing that may be the way

1302

01:00:09,680 --> 01:00:07,859

you know not just because it was my own

1303

01:00:11,990 --> 01:00:09,690

dad but also because he was you know in

1304

01:00:14,750 --> 01:00:12,000

the military and knew had to read the

1305

01:00:16,609 --> 01:00:14,760

radar equipment and so he just SAT you

1306

01:00:17,780 --> 01:00:16,619

down did he sit you down until you to

1307

01:00:21,349 --> 01:00:17,790

tell you about this like did it affect

1308

01:00:23,690 --> 01:00:21,359

him well actually what it was we went to

1309

01:00:28,400 --> 01:00:23,700

see thee Close Encounters of the Third

1310

01:00:29,720 --> 01:00:28,410

Kind movie they came out and I forget

1311

01:00:32,000 --> 01:00:29,730

what you wear that was but I was like I

1312

01:00:33,890 --> 01:00:32,010

know 11 or something like that so that's

1313

01:00:36,910 --> 01:00:33,900

suddenly how I'm I think women sometimes

1314

01:00:39,500 --> 01:00:36,920

I am whatever year it was I don't know

1315

01:00:41,660 --> 01:00:39,510

but anyway he told me the store when we

1316

01:00:44,060 --> 01:00:41,670

got back home he was like well you know

1317

01:00:45,650 --> 01:00:44,070

what did you think of the film oh it's

1318

01:00:48,140 --> 01:00:45,660

pretty good yeah I'm matching a light

1319

01:00:50,750 --> 01:00:48,150

hora stuff actually not ironic a big fan

1320

01:00:52,640 --> 01:00:50,760

of sci-fi but I thought the film was

1321

01:00:54,380 --> 01:00:52,650

pretty good and I said that to him and

1322

01:00:56,540 --> 01:00:54,390

he's like well you know there's I'll

1323

01:00:59,150 --> 01:00:56,550

tell you a story but when we were in the

1324

01:01:01,220 --> 01:00:59,160

Air Force and what's interesting is that

1325

01:01:04,280 --> 01:01:01,230

since he told me that story actually

1326

01:01:06,020 --> 01:01:04,290

managed to track down other people who

1327

01:01:09,440 --> 01:01:06,030

were also involved in the incidence of

1328

01:01:11,600 --> 01:01:09,450

the radar people up and down the same

1329

01:01:14,360 --> 01:01:11,610

goes like at the exact same time

1330

01:01:16,940 --> 01:01:14,370

but at a different pace and so that sort

1331

01:01:20,360 --> 01:01:16,950

of got me interested and then I guess

1332

01:01:21,860 --> 01:01:20,370

you know that during journalism that

1333

01:01:24,260 --> 01:01:21,870

made me think wow you know if it's sort

1334

01:01:26,750 --> 01:01:24,270

of investing a Miss and write about it

1335

01:01:28,460 --> 01:01:26,760

but I guess I'll never really know you

1336

01:01:31,610 --> 01:01:28,470

know if you hadn't told me I might have

1337

01:01:32,750 --> 01:01:31,620

just sort of stayed in more normal gym

1338

01:01:33,890 --> 01:01:32,760

would have been he would have been doing

1339

01:01:37,670 --> 01:01:33,900

like a cooking show or something like

1340

01:01:40,490 --> 01:01:37,680

that yeah you know it's funny uh the

1341

01:01:42,400 --> 01:01:40,500

movie actually came on in 1977 a mouth

1342

01:01:46,490 --> 01:01:42,410

before I was a month before I was born

1343

01:01:51,920 --> 01:01:46,500

uh-huh you might realize that's good for

1344

01:01:53,660 --> 01:01:51,930

you next and here we are all these years

1345

01:01:54,950 --> 01:01:53,670

later mate Nick can you remember the

1346

01:01:58,010 --> 01:01:54,960

first article that you wrote on the

1347

01:02:01,880 --> 01:01:58,020

subject what it was about about UFOs

1348

01:02:05,390 --> 01:02:01,890

yeah um and where do you get your

1349

01:02:08,870 --> 01:02:05,400

information for the very good question

1350

01:02:10,610 --> 01:02:08,880

them well actually not a pretty I forget

1351

01:02:13,610 --> 01:02:10,620

what he was I'm pretty sure it was a UFO

1352

01:02:16,220 --> 01:02:13,620

book I can tell you is for those in

1353

01:02:18,470 --> 01:02:16,230

England up until that 2005 there was a

1354

01:02:20,900 --> 01:02:18,480

magazine newsome magazine cool UFO

1355

01:02:23,360 --> 01:02:20,910

magazine put out by name but well the

1356

01:02:27,650 --> 01:02:23,370

quality gram died in the magazine folded

1357

01:02:29,810 --> 01:02:27,660

back in the mid 80s graven is for the

1358

01:02:32,000 --> 01:02:29,820

mark they put out like a self-published

1359

01:02:34,460 --> 01:02:32,010

fanzine called quest you know they

1360

01:02:37,490 --> 01:02:34,470

literally fell just op-ed from gray I

1361

01:02:39,380 --> 01:02:37,500

had some copies exchange applications

1362

01:02:40,850 --> 01:02:39,390

then yeah yeah and he's like a typical

1363

01:02:43,580 --> 01:02:40,860

thing you know where they just hand

1364

01:02:45,590 --> 01:02:43,590

designed the cover and stapled it and

1365

01:02:47,360 --> 01:02:45,600

photocopied it and it was that was for

1366

01:02:49,550 --> 01:02:47,370

the magazine that I did the first thing

1367

01:02:52,460 --> 01:02:49,560

for and I'm pretty sure it was a book

1368

01:02:53,990 --> 01:02:52,470

review but i can remember which one are

1369

01:02:55,730 --> 01:02:54,000

you saying about what was the

1370

01:02:57,350 --> 01:02:55,740

inspiration did you say yeah ya know

1371

01:02:59,000 --> 01:02:57,360

when you get yeah what do you work where

1372

01:03:02,120 --> 01:02:59,010

do you get your information to write the

1373

01:03:03,410 --> 01:03:02,130

book sorry well you're oh yes you want

1374

01:03:05,060 --> 01:03:03,420

you to give out your suppose you give

1375

01:03:07,250 --> 01:03:05,070

your sources live on air no I'm not

1376

01:03:09,080 --> 01:03:07,260

expect like you know like like you know

1377

01:03:11,780 --> 01:03:09,090

like the different topics that you that

1378

01:03:13,670 --> 01:03:11,790

you write about is it something that

1379

01:03:15,470 --> 01:03:13,680

you're interested the tie were two

1380

01:03:18,080 --> 01:03:15,480

people bring things to you and then you

1381

01:03:20,150 --> 01:03:18,090

investigate it well you attach makes for

1382

01:03:22,460 --> 01:03:20,160

a combination of things like that we're

1383

01:03:25,130 --> 01:03:22,470

certainly today when you know I've done

1384

01:03:27,200 --> 01:03:25,140

a lot of books if you write books people

1385

01:03:29,450 --> 01:03:27,210

come to you now they contact you through

1386

01:03:30,890 --> 01:03:29,460

your blog or Facebook or you know

1387

01:03:32,269 --> 01:03:30,900

they'll send a letter to the publisher

1388

01:03:34,250 --> 01:03:32,279

that kind of meal before wording on that

1389

01:03:36,529 --> 01:03:34,260

sort of thing so a lot of the stuff i

1390

01:03:38,870 --> 01:03:36,539

investigate today is based on leads from

1391

01:03:40,880 --> 01:03:38,880

people who speak to me now and I'm

1392

01:03:43,190 --> 01:03:40,890

always happy to chat with people and you

1393

01:03:45,019 --> 01:03:43,200

know sort of it also to as you know if

1394

01:03:47,150 --> 01:03:45,029

you've been in the field for a lot of

1395

01:03:49,009 --> 01:03:47,160

you know a long time you you know the

1396

01:03:51,049 --> 01:03:49,019

right person to contact about a

1397

01:03:53,029 --> 01:03:51,059

particular subject just like just like

1398

01:03:55,940 --> 01:03:53,039

doing the show I mean you know it's like

1399

01:03:58,490 --> 01:03:55,950

you want to put together a roundtable on

1400

01:04:00,470 --> 01:03:58,500

the you know charles fort or something

1401

01:04:03,799 --> 01:04:00,480

well you know who to call if you've been

1402

01:04:05,690 --> 01:04:03,809

doing this for X number of years it just

1403

01:04:07,400 --> 01:04:05,700

kind of come naturally now some people

1404

01:04:09,410 --> 01:04:07,410

will hang up on you when you call but

1405

01:04:13,130 --> 01:04:09,420

yeah you let it that only happens rarely

1406

01:04:15,200 --> 01:04:13,140

that not all that much Sun which which

1407

01:04:17,779 --> 01:04:15,210

which which at which investigation up to

1408

01:04:22,309 --> 01:04:17,789

now is the one that you think you know

1409

01:04:24,049 --> 01:04:22,319

is the most remarkable um well I think

1410

01:04:25,730 --> 01:04:24,059

one of the things i right about a lot of

1411

01:04:28,220 --> 01:04:25,740

actually going new book coming out on

1412

01:04:29,779 --> 01:04:28,230

the subject fishing Oregon to is the man

1413

01:04:33,829 --> 01:04:29,789

in black mystery that's one that sort of

1414

01:04:35,359 --> 01:04:33,839

really fascinates me because there are

1415

01:04:36,980 --> 01:04:35,369

different aspects to it you know a lot

1416

01:04:38,450 --> 01:04:36,990

of people today their views on the men

1417

01:04:40,490 --> 01:04:38,460

in black of sort of influenced by the

1418

01:04:43,370 --> 01:04:40,500

movies with Tommy Lee Jones and Will

1419

01:04:45,289 --> 01:04:43,380

Smith but if you go back and read the

1420

01:04:47,420 --> 01:04:45,299

original story some Albert bender right

1421

01:04:49,640 --> 01:04:47,430

through junk healing the sick stories

1422

01:04:52,039 --> 01:04:49,650

Mothman and everything else there

1423

01:04:54,529 --> 01:04:52,049

they're clearly not government agents

1424

01:04:56,120 --> 01:04:54,539

they're sort of more I never hesitate to

1425

01:05:00,650 --> 01:04:56,130

say they're alien the one almost like

1426

01:05:03,349 --> 01:05:00,660

paranormal a cult based in many cases he

1427

01:05:06,710 --> 01:05:03,359

had a very skinny pale that kind of look

1428

01:05:11,089 --> 01:05:06,720

like you know ghouls or something like

1429

01:05:13,009 --> 01:05:11,099

that laughs get zombies well thats

1430

01:05:15,579 --> 01:05:13,019

married yeah that's kind of what i

1431

01:05:17,569 --> 01:05:15,589

concluded was that yeah these are mine

1432

01:05:22,160 --> 01:05:17,579

humans that are being mind controlled

1433

01:05:25,099 --> 01:05:22,170

are manipulated by outside forces or

1434

01:05:28,039 --> 01:05:25,109

entities or shapeshifters or demons or

1435

01:05:29,660 --> 01:05:28,049

whatever these things are but yeah I

1436

01:05:33,259 --> 01:05:29,670

mean there's all sorts of theories you

1437

01:05:35,509 --> 01:05:33,269

know aliens a cold mind control time

1438

01:05:37,279 --> 01:05:35,519

travelers and I think because there's so

1439

01:05:38,660 --> 01:05:37,289

many different theories and you know

1440

01:05:40,580 --> 01:05:38,670

fascinating cases

1441

01:05:43,130 --> 01:05:40,590

that's one of the things that sort of

1442

01:05:45,590 --> 01:05:43,140

really interests me and I think it's

1443

01:05:46,940 --> 01:05:45,600

always important to you know be

1444

01:05:50,300 --> 01:05:46,950

enthusiastic about what you're writing

1445

01:05:52,730 --> 01:05:50,310

about so that's one of the things often

1446

01:05:54,830 --> 01:05:52,740

again like having done a couple of books

1447

01:05:57,410 --> 01:05:54,840

on the menu black people can't happen

1448

01:05:59,720 --> 01:05:57,420

with a lot of cases and but the other

1449

01:06:03,350 --> 01:05:59,730

thing I used to do I don't do so much

1450

01:06:05,480 --> 01:06:03,360

today I wrote a number of books of the

1451

01:06:08,000 --> 01:06:05,490

late 90s through the meat to thousands

1452

01:06:10,130 --> 01:06:08,010

on government files on various subjects

1453

01:06:12,980 --> 01:06:10,140

and that you see vol like going to the

1454

01:06:15,230 --> 01:06:12,990

National Archives in London and in the

1455

01:06:17,360 --> 01:06:15,240

United States and using the Freedom of

1456

01:06:19,280 --> 01:06:17,370

Information Act and so that that was

1457

01:06:21,650 --> 01:06:19,290

another way of doing it was sort of you

1458

01:06:26,450 --> 01:06:21,660

know using declassified government files

1459

01:06:27,920 --> 01:06:26,460

economy huge element in black um you

1460

01:06:31,130 --> 01:06:27,930

know there actually are a few files on

1461

01:06:33,890 --> 01:06:31,140

the man in black it's ironic but I mean

1462

01:06:35,030 --> 01:06:33,900

cable know this it's ironic that you

1463

01:06:37,430 --> 01:06:35,040

know everybody thinks that many black

1464

01:06:40,460 --> 01:06:37,440

from the government but they're actually

1465

01:06:41,990 --> 01:06:40,470

a couple of Air Force and FBI documents

1466

01:06:43,910 --> 01:06:42,000

from the sixties where the Air Force are

1467

01:06:45,290 --> 01:06:43,920

actually saying you know we've heard

1468

01:06:46,940 --> 01:06:45,300

about these reports of the men in black

1469

01:06:49,430 --> 01:06:46,950

if you see them all you know of anybody

1470

01:06:50,990 --> 01:06:49,440

who's had a report get the report

1471

01:06:53,870 --> 01:06:51,000

quickly so we can track these guys down

1472

01:06:55,670 --> 01:06:53,880

you know so in other words every 16 the

1473

01:06:57,710 --> 01:06:55,680

air force behind the government beyond

1474

01:06:59,570 --> 01:06:57,720

the men in black and then behind the

1475

01:07:01,730 --> 01:06:59,580

scenes the Air Force is same well who

1476

01:07:05,290 --> 01:07:01,740

the hell are the man in black yeah yeah

1477

01:07:08,260 --> 01:07:05,300

well in a certain cases they were using

1478

01:07:12,110 --> 01:07:08,270

apparently fake government

1479

01:07:16,010 --> 01:07:12,120

identification and then also to some

1480

01:07:19,250 --> 01:07:16,020

people misconstrue construed who some of

1481

01:07:20,510 --> 01:07:19,260

these investigators were like we used to

1482

01:07:23,390 --> 01:07:20,520

have nightcap the National

1483

01:07:25,490 --> 01:07:23,400

investigations Committee on aerial

1484

01:07:27,350 --> 01:07:25,500

phenomena and they would go and talk to

1485

01:07:29,570 --> 01:07:27,360

UFO witness and some of their

1486

01:07:32,540 --> 01:07:29,580

investigators were a little bit pushy

1487

01:07:34,520 --> 01:07:32,550

and they'd flash their you know their

1488

01:07:36,590 --> 01:07:34,530

their membership card or something that

1489

01:07:39,230 --> 01:07:36,600

they paid fifteen dollars a year for and

1490

01:07:41,240 --> 01:07:39,240

so people thought well you know this is

1491

01:07:43,010 --> 01:07:41,250

an official representative of the

1492

01:07:45,020 --> 01:07:43,020

government and of course they were not

1493

01:07:47,840 --> 01:07:45,030

an official representative of any

1494

01:07:50,630 --> 01:07:47,850

government the same to say the least

1495

01:07:52,640 --> 01:07:50,640

they were a representative of anything

1496

01:07:55,250 --> 01:07:52,650

perhaps the major Donald

1497

01:07:57,339 --> 01:07:55,260

keauhou was the head of the group and a

1498

01:08:00,799 --> 01:07:57,349

best-selling book author of that

1499

01:08:03,190 --> 01:08:00,809

particular period now you wrote a book

1500

01:08:06,740 --> 01:08:03,200

recently with brad steiger on zombies

1501

01:08:09,650 --> 01:08:06,750

mmm well yeah that's Betsy with the A to

1502

01:08:13,730 --> 01:08:09,660

Z 1 and baby what it is we sort of split

1503

01:08:16,780 --> 01:08:13,740

it sort of i did about 75% branded about

1504

01:08:19,910 --> 01:08:16,790

25 and we combined all our stuff and I

1505

01:08:23,209 --> 01:08:19,920

sort of did more of the up-to-date

1506

01:08:25,010 --> 01:08:23,219

zombie stuff and you know stood where

1507

01:08:28,010 --> 01:08:25,020

zombies appearing novels and movies and

1508

01:08:29,990 --> 01:08:28,020

TV but where Brad stuff really scored he

1509

01:08:33,559 --> 01:08:30,000

was very extremely sort of well versed

1510

01:08:36,860 --> 01:08:33,569

in like a zombie voodoo stuff and you

1511

01:08:39,499 --> 01:08:36,870

know the earlier Laura that thought of

1512

01:08:41,570 --> 01:08:39,509

really you know that was the one part

1513

01:08:43,820 --> 01:08:41,580

that I wasn't that familiar with so it

1514

01:08:47,149 --> 01:08:43,830

was called it you know we danced on

1515

01:08:48,979 --> 01:08:47,159

board for that but I mean people have

1516

01:08:51,380 --> 01:08:48,989

enjoyed the book because as I said it

1517

01:08:53,390 --> 01:08:51,390

you know it doesn't just talk about like

1518

01:08:56,749 --> 01:08:53,400

a walking dead but it's you know it

1519

01:08:57,979 --> 01:08:56,759

covers the idea of you know what what

1520

01:09:00,380 --> 01:08:57,989

death actually is you know you've got

1521

01:09:02,780 --> 01:09:00,390

like clinical death and brain death and

1522

01:09:04,070 --> 01:09:02,790

you know when doctors remove organs you

1523

01:09:05,959 --> 01:09:04,080

know there could be brain dead but what

1524

01:09:08,689 --> 01:09:05,969

does that mean you know so there's like

1525

01:09:12,410 --> 01:09:08,699

entries on all different aspects of

1526

01:09:14,840 --> 01:09:12,420

anything to do sort of with with zombies

1527

01:09:17,930 --> 01:09:14,850

and you know people like in the 19th

1528

01:09:21,200 --> 01:09:17,940

19th century trying to reanimate corpses

1529

01:09:22,689 --> 01:09:21,210

and that kind of thing and sucking you

1530

01:09:25,039 --> 01:09:22,699

where you really believe that they're

1531

01:09:28,640 --> 01:09:25,049

zombies do you think do they do they

1532

01:09:32,360 --> 01:09:28,650

really exist well I mean certainly if

1533

01:09:34,399 --> 01:09:32,370

you look at for example at Ward Davis's

1534

01:09:37,160 --> 01:09:34,409

book for serpent and the rainbow oh yes

1535

01:09:39,590 --> 01:09:37,170

I met the author yeah well that's a very

1536

01:09:41,300 --> 01:09:39,600

good book and it and he deals with you

1537

01:09:44,780 --> 01:09:41,310

know the whole idea of sort of mind

1538

01:09:47,390 --> 01:09:44,790

control in people but using sort of

1539

01:09:49,269 --> 01:09:47,400

various substances that will affect the

1540

01:09:52,459 --> 01:09:49,279

human mind and make per person

1541

01:09:54,439 --> 01:09:52,469

susceptible to control now that in

1542

01:09:56,090 --> 01:09:54,449

essence is the image of the old-school

1543

01:09:59,060 --> 01:09:56,100

zombie but of course everybody think you

1544

01:10:01,939 --> 01:09:59,070

think you know just people today could

1545

01:10:04,160 --> 01:10:01,949

zombies actually occur they what you

1546

01:10:06,380 --> 01:10:04,170

they're actually asking is are the dead

1547

01:10:08,690 --> 01:10:06,390

can arise up an attack the living

1548

01:10:10,700 --> 01:10:08,700

and if you ask me honestly I'd no I

1549

01:10:12,260 --> 01:10:10,710

don't think they are you know I don't

1550

01:10:14,930 --> 01:10:12,270

think it's possible that people are

1551

01:10:16,970 --> 01:10:14,940

going to die and then rise up and attack

1552

01:10:18,740 --> 01:10:16,980

people and eat them you know the Walking

1553

01:10:20,720 --> 01:10:18,750

Dead's call and they'd make it look

1554

01:10:23,480 --> 01:10:20,730

really realistic but that's not going to

1555

01:10:25,340 --> 01:10:23,490

happen what about the zombies that

1556

01:10:26,660 --> 01:10:25,350

bothers me even I mean it's not even

1557

01:10:29,330 --> 01:10:26,670

about the fact that they were already

1558

01:10:32,210 --> 01:10:29,340

dead it's more about the fact that it's

1559

01:10:34,070 --> 01:10:32,220

a group of people that have a one-track

1560

01:10:35,870 --> 01:10:34,080

mind on eating you you know what I mean

1561

01:10:37,790 --> 01:10:35,880

that's really the part you know whether

1562

01:10:38,810 --> 01:10:37,800

a virus you should watch warm Bob you

1563

01:10:41,540 --> 01:10:38,820

know what I mean whether they've just

1564

01:10:45,080 --> 01:10:41,550

gone insane crazy people scare me really

1565

01:10:47,540 --> 01:10:45,090

crazy for you well Gary no I don't think

1566

01:10:49,370 --> 01:10:47,550

I don't want to be like a zombie

1567

01:10:51,680 --> 01:10:49,380

apocalypse liking for example the

1568

01:10:53,930 --> 01:10:51,690

walking dead or World War Z what could

1569

01:10:57,080 --> 01:10:53,940

happen not the case that if you had

1570

01:10:59,630 --> 01:10:57,090

something like a new virus like for

1571

01:11:02,990 --> 01:10:59,640

example the closest thing in humans to

1572

01:11:05,300 --> 01:11:03,000

the zombie virus is the rabies virus now

1573

01:11:06,920 --> 01:11:05,310

you know when people get rabies when

1574

01:11:09,350 --> 01:11:06,930

during the latter stages I mean they

1575

01:11:12,320 --> 01:11:09,360

have to be restrained not just for their

1576

01:11:14,540 --> 01:11:12,330

own safety but for everybody else's

1577

01:11:17,000 --> 01:11:14,550

safety you know they go literally insane

1578

01:11:20,720 --> 01:11:17,010

and they become extremely violent and

1579

01:11:23,420 --> 01:11:20,730

erratic and now there's the rabies virus

1580

01:11:25,130 --> 01:11:23,430

ironically actually can take weeks for

1581

01:11:26,660 --> 01:11:25,140

it to take effect before the symptoms

1582

01:11:29,150 --> 01:11:26,670

start to show you know you get bitten by

1583

01:11:31,280 --> 01:11:29,160

a rabid dog and you think you got over

1584

01:11:34,040 --> 01:11:31,290

it but the symptoms start to manifest

1585

01:11:36,170 --> 01:11:34,050

weeks later now that's obviously the

1586

01:11:37,910 --> 01:11:36,180

opposite in the most of the TV shows

1587

01:11:39,860 --> 01:11:37,920

where sometimes you know they start like

1588

01:11:42,440 --> 01:11:39,870

in World War Z they change after like 10

1589

01:11:45,440 --> 01:11:42,450

seconds then he knows there's no virus

1590

01:11:48,770 --> 01:11:45,450

that works that quick but if there was

1591

01:11:51,640 --> 01:11:48,780

like some sort of mutated form of rabies

1592

01:11:54,020 --> 01:11:51,650

or something created in a lab where

1593

01:11:56,270 --> 01:11:54,030

rabies can be sort of more synthesized

1594

01:11:58,400 --> 01:11:56,280

you could have something where and

1595

01:12:00,320 --> 01:11:58,410

particularly if it was one thing is that

1596

01:12:02,840 --> 01:12:00,330

you know the it's been or it could be

1597

01:12:04,490 --> 01:12:02,850

mixed with the measles virus which could

1598

01:12:07,310 --> 01:12:04,500

be a bore oh you know I hate when people

1599

01:12:11,990 --> 01:12:07,320

get formulas for mass destruction on the

1600

01:12:13,550 --> 01:12:12,000

air you were saying though you're saying

1601

01:12:15,530 --> 01:12:13,560

Nick I'm taking notes that would just

1602

01:12:17,720 --> 01:12:15,540

kill everyone it's like okay thanks I'm

1603

01:12:18,360 --> 01:12:17,730

taking notes go ahead continue well I

1604

01:12:20,040 --> 01:12:18,370

mean

1605

01:12:22,290 --> 01:12:20,050

theory is that you know you could take

1606

01:12:25,830 --> 01:12:22,300

something like the rabies virus which

1607

01:12:28,740 --> 01:12:25,840

has to be spread by you know by tour by

1608

01:12:31,830 --> 01:12:28,750

saliva and combine it with another virus

1609

01:12:33,630 --> 01:12:31,840

that is airborne and essentially you

1610

01:12:38,010 --> 01:12:33,640

could have unless somebody's you know

1611

01:12:40,020 --> 01:12:38,020

not he has immunity you or you had the

1612

01:12:42,600 --> 01:12:40,030

you know inoculation you had the you

1613

01:12:44,880 --> 01:12:42,610

know the killer then a lot of people

1614

01:12:47,640 --> 01:12:44,890

millions could potentially be exposed to

1615

01:12:49,350 --> 01:12:47,650

something a form of rabies where they

1616

01:12:51,030 --> 01:12:49,360

would become extremely violent in

1617

01:12:53,070 --> 01:12:51,040

Atlantic they wouldn't be the dead

1618

01:12:55,080 --> 01:12:53,080

rising up attacking the living and it

1619

01:12:57,600 --> 01:12:55,090

certainly wouldn't give them a sudden

1620

01:12:59,160 --> 01:12:57,610

appetite to keep eating people but if

1621

01:13:02,370 --> 01:12:59,170

you imagine millions of people affected

1622

01:13:04,860 --> 01:13:02,380

by rabies roaming around yeah that's

1623

01:13:07,560 --> 01:13:04,870

actually not far off you know something

1624

01:13:09,450 --> 01:13:07,570

like a zombie apocalypse well now the

1625

01:13:12,230 --> 01:13:09,460

government have some scenario or

1626

01:13:15,320 --> 01:13:12,240

something to do with zombies recently I

1627

01:13:18,120 --> 01:13:15,330

will it's funny you mention that because

1628

01:13:20,280 --> 01:13:18,130

as bizarre as it sounds a lot of

1629

01:13:22,260 --> 01:13:20,290

government agencies have actually put on

1630

01:13:25,800 --> 01:13:22,270

their websites information perhaps a

1631

01:13:27,780 --> 01:13:25,810

fighter a zombie apocalypse this is

1632

01:13:29,850 --> 01:13:27,790

giving writer like zombie compare their

1633

01:13:33,300 --> 01:13:29,860

conspiracy theories for example the

1634

01:13:34,950 --> 01:13:33,310

Centers for Disease Control the CDC in

1635

01:13:37,170 --> 01:13:34,960

Atlanta Georgia which is actually

1636

01:13:40,350 --> 01:13:37,180

featured in The Walking Dead your plate

1637

01:13:42,930 --> 01:13:40,360

got blown up in the series but the CDC

1638

01:13:46,380 --> 01:13:42,940

actually has an entire section at its

1639

01:13:48,120 --> 01:13:46,390

website all about how to survive a

1640

01:13:51,120 --> 01:13:48,130

zombie apocalypse and it talks about if

1641

01:13:53,730 --> 01:13:51,130

it ever happens how you know they're

1642

01:13:57,170 --> 01:13:53,740

being emergency management laws to round

1643

01:14:00,270 --> 01:13:57,180

people up and isolate the infected from

1644

01:14:01,740 --> 01:14:00,280

you know the uninfected and that kind of

1645

01:14:04,560 --> 01:14:01,750

thing and it's you know it's not done

1646

01:14:07,980 --> 01:14:04,570

from a spoof perspective and it was

1647

01:14:11,130 --> 01:14:07,990

shared with for example FEMA with FEMA

1648

01:14:14,430 --> 01:14:11,140

actually linked to the CDA's article and

1649

01:14:17,190 --> 01:14:14,440

you know a number of agencies have put

1650

01:14:19,800 --> 01:14:17,200

these artists on their website and you

1651

01:14:22,880 --> 01:14:19,810

know people of legitimately ask well did

1652

01:14:25,980 --> 01:14:22,890

I know how did I know something we don't

1653

01:14:27,480 --> 01:14:25,990

well that's that's that's I don't know

1654

01:14:29,340 --> 01:14:27,490

you never know about to what the

1655

01:14:31,299 --> 01:14:29,350

government is getting money today what

1656

01:14:32,799 --> 01:14:31,309

the government is spending money and

1657

01:14:34,959 --> 01:14:32,809

research but they won't in they won't

1658

01:14:36,819 --> 01:14:34,969

investigate UFOs but they have a

1659

01:14:38,409 --> 01:14:36,829

scenario about zombies while they are

1660

01:14:40,540 --> 01:14:38,419

you know they do have a lot of the phone

1661

01:14:42,459 --> 01:14:40,550

so they really do investigate UFOs is

1662

01:14:43,569 --> 01:14:42,469

just gonna say it out loud perhaps

1663

01:14:47,439 --> 01:14:43,579

that's how you that's why you keep the

1664

01:14:49,359 --> 01:14:47,449

secret what else speaking of UFOs NICU

1665

01:14:51,719 --> 01:14:49,369

you what do you what do you make out of

1666

01:14:56,759 --> 01:14:51,729

this I mean I know you wrote a book

1667

01:14:59,399 --> 01:14:56,769

about some individuals in the government

1668

01:15:04,989 --> 01:14:59,409

the different branches of the government

1669

01:15:06,699 --> 01:15:04,999

being convinced that UFOs are demonic in

1670

01:15:10,389 --> 01:15:06,709

nature which seems to come up almost

1671

01:15:12,669 --> 01:15:10,399

every every show that we do somebody on

1672

01:15:15,819 --> 01:15:12,679

the panel or one of the guests seems to

1673

01:15:18,989 --> 01:15:15,829

think that this is a possible scenario

1674

01:15:22,049 --> 01:15:18,999

do you take that with a grain of salt

1675

01:15:24,040 --> 01:15:22,059

Peter or do you think that there's a

1676

01:15:27,099 --> 01:15:24,050

sulfur or do you think that there's

1677

01:15:28,599 --> 01:15:27,109

something good into that well I don't

1678

01:15:30,639 --> 01:15:28,609

think there's something to it but sort

1679

01:15:32,949 --> 01:15:30,649

of typical image that most people have a

1680

01:15:34,809 --> 01:15:32,959

you know most people think of demons you

1681

01:15:36,759 --> 01:15:34,819

know they think like four tails horns

1682

01:15:38,529 --> 01:15:36,769

and fiery pits and all that kind of

1683

01:15:40,659 --> 01:15:38,539

thing that's that's that's a belief

1684

01:15:44,349 --> 01:15:40,669

system that has been instilled through

1685

01:15:46,540 --> 01:15:44,359

imagery and indoctrination but I guess

1686

01:15:48,759 --> 01:15:46,550

like a lot of people you know I when I

1687

01:15:50,949 --> 01:15:48,769

was a kid the whole thing with the UFO

1688

01:15:52,509 --> 01:15:50,959

subject was there not some old alien

1689

01:15:55,469 --> 01:15:52,519

spacecraft you know aliens are coming

1690

01:15:58,059 --> 01:15:55,479

here for whatever reason blah blah blah

1691

01:16:00,719 --> 01:15:58,069

but then as I got older I began to

1692

01:16:03,369 --> 01:16:00,729

realize like with the many black cases

1693

01:16:05,199 --> 01:16:03,379

there's like this crossover with the

1694

01:16:06,939 --> 01:16:05,209

world of the paranormal and the occult

1695

01:16:09,520 --> 01:16:06,949

and it's quite a lot in Point Pleasant

1696

01:16:12,040 --> 01:16:09,530

West Virginia the men in black in UFOs

1697

01:16:16,149 --> 01:16:12,050

in Point Pleasant be all said Mothman

1698

01:16:18,849 --> 01:16:16,159

you know this weird winged creature you

1699

01:16:20,979 --> 01:16:18,859

find a lot of parallels between today's

1700

01:16:24,790 --> 01:16:20,989

alien abduction stories and things like

1701

01:16:27,009 --> 01:16:24,800

sleep paralysis and also you know fairy

1702

01:16:29,139 --> 01:16:27,019

encounters as this strange sounds in

1703

01:16:31,209 --> 01:16:29,149

England in the middle age is where the

1704

01:16:34,659 --> 01:16:31,219

diminutive fairies would steal children

1705

01:16:37,239 --> 01:16:34,669

and they were then transferred all sand

1706

01:16:40,779 --> 01:16:37,249

you know they have missing time and it's

1707

01:16:43,000 --> 01:16:40,789

a like a old equivalent if you like of

1708

01:16:45,130 --> 01:16:43,010

today's abduction stories and I think to

1709

01:16:48,340 --> 01:16:45,140

my view is that there's no doubt

1710

01:16:52,030 --> 01:16:48,350

there's a genuine real UFO phenomenon

1711

01:16:53,860 --> 01:16:52,040

but I guess certainly on the last 15 20

1712

01:16:56,500 --> 01:16:53,870

years I've become more convinced that it

1713

01:16:59,320 --> 01:16:56,510

may not be extraterrestrial that could

1714

01:17:01,390 --> 01:16:59,330

be more what is able to recall in two

1715

01:17:04,720 --> 01:17:01,400

dimensional something that coexist with

1716

01:17:07,090 --> 01:17:04,730

us and that crosses various aspects of

1717

01:17:10,870 --> 01:17:07,100

the paranormal in ways we don't

1718

01:17:13,020 --> 01:17:10,880

understand you know it sort of seems to

1719

01:17:16,240 --> 01:17:13,030

use technology but it also seems

1720

01:17:18,010 --> 01:17:16,250

converse and we'd like ancient rituals

1721

01:17:20,080 --> 01:17:18,020

and their colds and things like that and

1722

01:17:23,560 --> 01:17:20,090

you have these crossovers like for

1723

01:17:26,050 --> 01:17:23,570

example Jack Parsons the famous rocket

1724

01:17:27,940 --> 01:17:26,060

scientists in the forties he actually

1725

01:17:30,460 --> 01:17:27,950

tried claim to have like opened a

1726

01:17:32,470 --> 01:17:30,470

doorway or a portal to allow you if I

1727

01:17:36,040 --> 01:17:32,480

was to come through but doing it by

1728

01:17:38,740 --> 01:17:36,050

using ancient rituals so although I

1729

01:17:41,380 --> 01:17:38,750

don't think the phenomenon is literal

1730

01:17:44,140 --> 01:17:41,390

demons as people understand it I do

1731

01:17:45,610 --> 01:17:44,150

think there's like a paranormal aspect

1732

01:17:49,090 --> 01:17:45,620

to the subject and some of these

1733

01:17:51,810 --> 01:17:49,100

entities whatever they are are sort of

1734

01:17:54,400 --> 01:17:51,820

negative and hostile to the human race

1735

01:17:57,160 --> 01:17:54,410

but I don't think they're literally

1736

01:17:58,960 --> 01:17:57,170

coming from like a fiery hell I think it

1737

01:18:01,990 --> 01:17:58,970

could be something like coexists with us

1738

01:18:05,830 --> 01:18:02,000

but essentially just doesn't like us and

1739

01:18:09,460 --> 01:18:05,840

manipulators it's going to do the

1740

01:18:11,710 --> 01:18:09,470

serpent people well you know I think all

1741

01:18:16,150 --> 01:18:11,720

this kind of stuff sort of ties in I

1742

01:18:17,830 --> 01:18:16,160

mean you know as Jim mentioned i mean

1743

01:18:20,800 --> 01:18:17,840

this this whole issue of people being

1744

01:18:22,660 --> 01:18:20,810

mind-controlled by the man in black or

1745

01:18:25,120 --> 01:18:22,670

as the man in black i should say you

1746

01:18:27,790 --> 01:18:25,130

know there are many black cases I've got

1747

01:18:29,140 --> 01:18:27,800

a record where people have been visited

1748

01:18:31,480 --> 01:18:29,150

by the man in black and then they've

1749

01:18:34,900 --> 01:18:31,490

experienced violent poltergeist activity

1750

01:18:37,660 --> 01:18:34,910

in the harm I've got people have been

1751

01:18:40,330 --> 01:18:37,670

visited by were clearly men in black but

1752

01:18:43,750 --> 01:18:40,340

they've never a UFO encounter but the am

1753

01:18:46,090 --> 01:18:43,760

I being sighting or the MIB visits began

1754

01:18:48,340 --> 01:18:46,100

when the people started using Ouija

1755

01:18:49,780 --> 01:18:48,350

boards just doubling and plane and then

1756

01:18:52,990 --> 01:18:49,790

suddenly the man in black turned up so

1757

01:18:55,630 --> 01:18:53,000

in other words you do find examples like

1758

01:18:58,900 --> 01:18:55,640

this where in different aspects of the

1759

01:19:01,270 --> 01:18:58,910

UFO phenomenon you suddenly find these

1760

01:19:04,510 --> 01:19:01,280

but the lines are blurred between nuts

1761

01:19:06,610 --> 01:19:04,520

and bolts UFOs and and something else

1762

01:19:10,840 --> 01:19:06,620

you know and I don't pretend to

1763

01:19:12,880 --> 01:19:10,850

understand how or why but I mean as

1764

01:19:15,070 --> 01:19:12,890

table tell you you know as well that you

1765

01:19:18,730 --> 01:19:15,080

can find a lot of parallels between the

1766

01:19:21,580 --> 01:19:18,740

UFO subject and ancient mythology and

1767

01:19:24,610 --> 01:19:21,590

even you know certainly there be a cult

1768

01:19:27,310 --> 01:19:24,620

and religion you know it keeps going

1769

01:19:29,710 --> 01:19:27,320

back at this lil yeah yeah yeah and i

1770

01:19:33,280 --> 01:19:29,720

think i think what when it comes down to

1771

01:19:34,930 --> 01:19:33,290

is that everybody has belief systems you

1772

01:19:37,480 --> 01:19:34,940

know i always try and stay away from

1773

01:19:40,300 --> 01:19:37,490

belief systems because you mind is sort

1774

01:19:42,580 --> 01:19:40,310

of cold i i just i and buy it because

1775

01:19:44,950 --> 01:19:42,590

you believe in it so i try and just work

1776

01:19:47,200 --> 01:19:44,960

on evidence but I think we know we're

1777

01:19:49,660 --> 01:19:47,210

all human we all do have belief systems

1778

01:19:52,420 --> 01:19:49,670

and I think what's happened is that you

1779

01:19:54,760 --> 01:19:52,430

know the image of I don't like a demon

1780

01:19:57,790 --> 01:19:54,770

for one person is like I said like a

1781

01:20:00,910 --> 01:19:57,800

fork-tailed thing with horns that lives

1782

01:20:03,190 --> 01:20:00,920

in hell do you know does the work of the

1783

01:20:05,530 --> 01:20:03,200

devil for somebody else a demon may

1784

01:20:07,960 --> 01:20:05,540

actually be sort of how the ancients

1785

01:20:09,580 --> 01:20:07,970

describe something hostile that sort of

1786

01:20:11,530 --> 01:20:09,590

coexisted with us in some other

1787

01:20:14,350 --> 01:20:11,540

dimension you know you could actually

1788

01:20:16,570 --> 01:20:14,360

make a good case that hell is like

1789

01:20:20,200 --> 01:20:16,580

another realm of existence another

1790

01:20:23,740 --> 01:20:20,210

dimension other people think that things

1791

01:20:27,070 --> 01:20:23,750

like the Djinn but you know that rather

1792

01:20:29,050 --> 01:20:27,080

than being just some sort of folkloric

1793

01:20:32,770 --> 01:20:29,060

thing that they could be sort of like an

1794

01:20:34,540 --> 01:20:32,780

interdimensional entity and you know

1795

01:20:38,470 --> 01:20:34,550

it's kind of like the whole ancient

1796

01:20:41,020 --> 01:20:38,480

aliens thing you know how many cases

1797

01:20:45,060 --> 01:20:41,030

that sound biblical and religious you

1798

01:20:48,040 --> 01:20:45,070

could reinterpret from a UFO perspective

1799

01:20:51,130 --> 01:20:48,050

and of course the UFO people say well

1800

01:20:53,980 --> 01:20:51,140

yeah you know something like Ezekiel's

1801  
01:20:56,350 --> 01:20:53,990  
wheel was a UFO and then a Christian

1802  
01:20:58,150 --> 01:20:56,360  
would say that's blasphemous you know of

1803  
01:21:01,780 --> 01:20:58,160  
course it's not a UFO that was a

1804  
01:21:03,820 --> 01:21:01,790  
religious event and so you know that

1805  
01:21:05,350 --> 01:21:03,830  
that's what belief does and I mean that

1806  
01:21:07,390 --> 01:21:05,360  
that's why I have so many people what

1807  
01:21:09,730 --> 01:21:07,400  
people got a war you know because they

1808  
01:21:11,470 --> 01:21:09,740  
just argue over somebody's each of his

1809  
01:21:12,570 --> 01:21:11,480  
belief systems and before you know you

1810  
01:21:16,080 --> 01:21:12,580  
know the guns are come

1811  
01:21:17,880 --> 01:21:16,090  
yeah for sure now you did it you did

1812  
01:21:20,640 --> 01:21:17,890  
another book a couple of years ago is

1813  
01:21:24,480 --> 01:21:20,650

close encounters of the fatal kind now

1814

01:21:27,330 --> 01:21:24,490

yeah ok now that would seem like I guess

1815

01:21:29,850 --> 01:21:27,340

a airplane pilots Close Encounters of

1816

01:21:31,290 --> 01:21:29,860

things along that line er well I'm so

1817

01:21:33,660 --> 01:21:31,300

some of them yeah I mean that book

1818

01:21:35,490 --> 01:21:33,670

actually came out last year and I've

1819

01:21:38,040 --> 01:21:35,500

always been sort of interested in these

1820

01:21:39,210 --> 01:21:38,050

claims and stories of you know people

1821

01:21:42,390 --> 01:21:39,220

who've died under mysterious

1822

01:21:43,860 --> 01:21:42,400

circumstances in the UFO field I was

1823

01:21:45,600 --> 01:21:43,870

quite surprised you know that nobody

1824

01:21:48,660 --> 01:21:45,610

ever really written a full-length book

1825

01:21:50,880 --> 01:21:48,670

on all the cases and you know there's a

1826

01:21:52,470 --> 01:21:50,890

lot of them and of course you know you

1827

01:21:54,390 --> 01:21:52,480

have to be sort of balance because at

1828

01:21:57,060 --> 01:21:54,400

the end of that would all human and you

1829

01:21:59,730 --> 01:21:57,070

know people I've car accidents people

1830

01:22:01,440 --> 01:21:59,740

have heart attacks in the twenties even

1831

01:22:03,840 --> 01:22:01,450

sometimes or somebody else commit

1832

01:22:06,210 --> 01:22:03,850

suicide you know just because you're

1833

01:22:09,720 --> 01:22:06,220

ufologist doesn't mean he died

1834

01:22:12,150 --> 01:22:09,730

mysteriously you know they have to be

1835

01:22:13,770 --> 01:22:12,160

careful as to balance out you know which

1836

01:22:17,250 --> 01:22:13,780

cases are evidence of something

1837

01:22:21,840 --> 01:22:17,260

mysterious but what case what is its

1838

01:22:23,940 --> 01:22:21,850

would you say the most uh well yeah i

1839

01:22:25,650 --> 01:22:23,950

mean what i try to do with the book was

1840

01:22:27,510 --> 01:22:25,660

not just go i'll roll ground i mean the

1841

01:22:29,820 --> 01:22:27,520

worst certain cases i had to include

1842

01:22:32,820 --> 01:22:29,830

because they're essential like for

1843

01:22:34,890 --> 01:22:32,830

example james forrestal the Secretary of

1844

01:22:37,740 --> 01:22:34,900

Defense who jumped or was pushed out of

1845

01:22:40,440 --> 01:22:37,750

the window at the Bethesda Naval

1846

01:22:44,040 --> 01:22:40,450

Hospital but all and also like morris

1847

01:22:46,590 --> 01:22:44,050

jessup and if you know I I have to

1848

01:22:48,920 --> 01:22:46,600

correct you on morris jessup there's

1849

01:22:53,130 --> 01:22:48,930

something that most people don't realize

1850

01:22:55,830 --> 01:22:53,140

a week before morris jessup committed

1851  
01:22:58,140 --> 01:22:55,840  
suicide and most people thank you that

1852  
01:23:01,710 --> 01:22:58,150  
it was under mysterious circumstances he

1853  
01:23:03,930 --> 01:23:01,720  
actually wrote a letter to Long John

1854  
01:23:05,610 --> 01:23:03,940  
Neville the original radio talk show

1855  
01:23:07,920 --> 01:23:05,620  
host who delved into the paranormal

1856  
01:23:12,630 --> 01:23:07,930  
saying that he was going to take his own

1857  
01:23:14,700 --> 01:23:12,640  
life uh I know Jim Mosley wrote about it

1858  
01:23:16,890 --> 01:23:14,710  
I mean you know it's kind of common

1859  
01:23:18,750 --> 01:23:16,900  
knowledge but most people in the field

1860  
01:23:21,810 --> 01:23:18,760  
just I wouldn't say they overlook it but

1861  
01:23:23,400 --> 01:23:21,820  
they're just not aware of this um you

1862  
01:23:25,800 --> 01:23:23,410  
know I fairly was something that was

1863  
01:23:26,220 --> 01:23:25,810

plan yes yeah i mean i actually do

1864

01:23:28,110 --> 01:23:26,230

men

1865

01:23:30,630 --> 01:23:28,120

this the fact that you know his mind was

1866

01:23:32,400 --> 01:23:30,640

sort of in this sort of state of turmoil

1867

01:23:35,760 --> 01:23:32,410

leading up to his death but there are

1868

01:23:38,400 --> 01:23:35,770

some weird and interesting things when I

1869

01:23:42,870 --> 01:23:38,410

was doing the research for the book or

1870

01:23:44,700 --> 01:23:42,880

the chapter should say on Jessup I found

1871

01:23:47,310 --> 01:23:44,710

that you know for example not before

1872

01:23:50,850 --> 01:23:47,320

long before he died he had like a really

1873

01:23:53,010 --> 01:23:50,860

weird car accident where he suddenly

1874

01:23:55,530 --> 01:23:53,020

found himself you know bae sit at the

1875

01:23:57,630 --> 01:23:55,540

edge of the road in a ditch and he

1876

01:23:59,400 --> 01:23:57,640

actually said that he felt as if he

1877

01:24:01,710 --> 01:23:59,410

being something had compelled him to

1878

01:24:04,440 --> 01:24:01,720

sort of literally drive himself off the

1879

01:24:06,780 --> 01:24:04,450

road and he also talked about getting

1880

01:24:10,530 --> 01:24:06,790

weird hang-up phone calls and people

1881

01:24:13,200 --> 01:24:10,540

following him and so I sort of speculate

1882

01:24:16,290 --> 01:24:13,210

that yes he really did kill himself but

1883

01:24:17,790 --> 01:24:16,300

what if he was sort of driven to it was

1884

01:24:20,520 --> 01:24:17,800

some sort of weird mind control thing

1885

01:24:22,920 --> 01:24:20,530

and now something like my father no

1886

01:24:24,540 --> 01:24:22,930

words and the eighties yeah something

1887

01:24:26,490 --> 01:24:24,550

like so that's too extreme but you know

1888

01:24:28,560 --> 01:24:26,500

when you actually find that he said he

1889

01:24:30,330 --> 01:24:28,570

had this car accidents and he said he

1890

01:24:32,550 --> 01:24:30,340

couldn't understand how it happened he

1891

01:24:35,460 --> 01:24:32,560

just sort of you leech at all but like

1892

01:24:39,660 --> 01:24:35,470

fight to not drive off the edge of the

1893

01:24:42,180 --> 01:24:39,670

road you know so for things like that do

1894

01:24:44,700 --> 01:24:42,190

make me wonder if some of these case son

1895

01:24:46,890 --> 01:24:44,710

they are a genuine suicide but it has

1896

01:24:51,090 --> 01:24:46,900

something had an outside assigned to

1897

01:24:53,040 --> 01:24:51,100

propel well you take your life yeah but

1898

01:24:54,960 --> 01:24:53,050

but there's other ones I mean I like

1899

01:24:56,640 --> 01:24:54,970

I've got a chapter in the book on the

1900

01:24:59,760 --> 01:24:56,650

Kennedy assassination there's a lot of

1901

01:25:02,100 --> 01:24:59,770

weird tions between people in the UFO

1902

01:25:04,440 --> 01:25:02,110

subject and people in the Kennedy

1903

01:25:05,700 --> 01:25:04,450

assassination like guy banister for

1904

01:25:08,640 --> 01:25:05,710

example it was one of the people

1905

01:25:12,360 --> 01:25:08,650

allegedly linked with the assassination

1906

01:25:13,890 --> 01:25:12,370

former FBI agents he was actually one of

1907

01:25:16,729 --> 01:25:13,900

the earliest people to get heavily

1908

01:25:20,090 --> 01:25:16,739

involved in the UFO subject in 47

1909

01:25:22,740 --> 01:25:20,100

investigating UFOs for junior Gover and

1910

01:25:25,740 --> 01:25:22,750

you know of course we've got Fred

1911

01:25:29,210 --> 01:25:25,750

christman involved in the notorious

1912

01:25:31,950 --> 01:25:29,220

Maury island case in 47 of an alleged

1913

01:25:34,500 --> 01:25:31,960

exploding flying saucer over Washington

1914

01:25:37,260 --> 01:25:34,510

State who then pops up also in the

1915

01:25:39,330 --> 01:25:37,270

Kennedy assassination with people

1916

01:25:43,560 --> 01:25:39,340

suspected he was one of the gunmen

1917

01:25:45,390 --> 01:25:43,570

also it's a way of things now did you

1918

01:25:49,620 --> 01:25:45,400

talk at all though about some of these

1919

01:25:52,350 --> 01:25:49,630

cases where the air player aircraft

1920

01:25:54,510 --> 01:25:52,360

actually had Close Encounters and maybe

1921

01:25:58,379 --> 01:25:54,520

we're even shot at or we shot at the

1922

01:26:00,750 --> 01:25:58,389

UFOs yeah I mean obviously I included

1923

01:26:04,080 --> 01:26:00,760

man tell but and also like the Frederick

1924

01:26:05,430 --> 01:26:04,090

valenta case but you know there are

1925

01:26:07,379 --> 01:26:05,440

other ones as well I mean you made a

1926

01:26:09,689 --> 01:26:07,389

good point about you know where we've

1927

01:26:13,050 --> 01:26:09,699

tried to blast these things out at the

1928

01:26:14,790 --> 01:26:13,060

sky and he actually hasn't ended up

1929

01:26:16,169 --> 01:26:14,800

fatally for the pilot but what has

1930

01:26:19,260 --> 01:26:16,179

happened is you know they've just found

1931

01:26:22,010 --> 01:26:19,270

their weapon systems disabled so as I

1932

01:26:24,600 --> 01:26:22,020

point out in some cases it seems that

1933

01:26:27,419 --> 01:26:24,610

you know it's not always the case that

1934

01:26:30,000 --> 01:26:27,429

it's sort of overtly hostile it's more

1935

01:26:32,720 --> 01:26:30,010

of a warning but the book is sort of

1936

01:26:35,160 --> 01:26:32,730

roughly fifty percent split between

1937

01:26:37,859 --> 01:26:35,170

mysterious deaths at the hands of the

1938

01:26:39,810 --> 01:26:37,869

UFO phenomenon itself and the rest are

1939

01:26:42,030 --> 01:26:39,820

sort of at the hands of you know we

1940

01:26:43,649 --> 01:26:42,040

don't really know who but you know where

1941

01:26:45,930 --> 01:26:43,659

the person's died under mysterious

1942

01:26:48,300 --> 01:26:45,940

circumstances or whatever a weird car

1943

01:26:51,770 --> 01:26:48,310

accidents where suggest more something

1944

01:26:55,399 --> 01:26:51,780

like you know a man in black type

1945

01:26:58,050 --> 01:26:55,409

situation or some sort of shadow

1946

01:27:00,810 --> 01:26:58,060

government or shadow organization being

1947

01:27:04,410 --> 01:27:00,820

behind it so I I mean do you think that

1948

01:27:07,160 --> 01:27:04,420

some of these UFOs are are hostile well

1949

01:27:09,689 --> 01:27:07,170

I think they're hostile depending on the

1950

01:27:12,149 --> 01:27:09,699

circumstances I mean it's kind of the

1951

01:27:13,830 --> 01:27:12,159

same with you know gets in the field of

1952

01:27:15,959 --> 01:27:13,840

ufology to what we might call like a

1953

01:27:18,770 --> 01:27:15,969

shadow agency i mean you know most

1954

01:27:21,270 --> 01:27:18,780

people in ufology don't die mysteriously

1955

01:27:23,640 --> 01:27:21,280

but the you know i think there's a

1956

01:27:26,250 --> 01:27:23,650

substantial number of at least 30 or 40

1957

01:27:28,680 --> 01:27:26,260

that that i actually could fall into

1958

01:27:30,930 --> 01:27:28,690

that category now 40 or sell might not

1959

01:27:32,399 --> 01:27:30,940

sound a lot out of you know all the

1960

01:27:34,760 --> 01:27:32,409

thousands of people have been in ufology

1961

01:27:37,709 --> 01:27:34,770

over the years but so the trend i think

1962

01:27:39,810 --> 01:27:37,719

exists is that you know obviously it

1963

01:27:42,540 --> 01:27:39,820

most people ufology don't get taken out

1964

01:27:45,209 --> 01:27:42,550

under sinister circumstances and I think

1965

01:27:46,979 --> 01:27:45,219

it's when when they do I think it's when

1966

01:27:49,919 --> 01:27:46,989

they've got a little bit too close to

1967

01:27:51,570 --> 01:27:49,929

something or somebody stare to plug Nick

1968

01:27:53,750 --> 01:27:51,580

what's that what do you consider to be

1969

01:27:57,689 --> 01:27:53,760

the most sinister that you

1970

01:28:00,410 --> 01:27:57,699

and well I mean one of the most sinister

1971

01:28:04,879 --> 01:28:00,420

ones and it's a fascinating one as well

1972

01:28:07,649 --> 01:28:04,889

that occurred in the UK in the 1980s now

1973

01:28:10,290 --> 01:28:07,659

the backstory is that this is in the

1974

01:28:13,320 --> 01:28:10,300

early eighties when Ronald Reagan was

1975

01:28:15,600 --> 01:28:13,330

president he set up this strategic

1976

01:28:18,000 --> 01:28:15,610

defense initiative Star Wars as it

1977

01:28:21,540 --> 01:28:18,010

became known to have like this orbiting

1978

01:28:23,850 --> 01:28:21,550

armada of laser weapons to deter the

1979

01:28:25,890 --> 01:28:23,860

Russians from launching a sneak nuclear

1980

01:28:28,649 --> 01:28:25,900

attack well a lot of the research that

1981

01:28:32,160 --> 01:28:28,659

was actually contracted out to a British

1982

01:28:33,990 --> 01:28:32,170

company called Marconi and now a lot of

1983

01:28:36,629 --> 01:28:34,000

stories began to surface also in the

1984

01:28:39,390 --> 01:28:36,639

eighties about how Reagan started to

1985

01:28:40,890 --> 01:28:39,400

elude about hostile aliens and how we'd

1986

01:28:42,689 --> 01:28:40,900

all need to sort of band together to

1987

01:28:45,060 --> 01:28:42,699

protect ourselves it would unite the

1988

01:28:47,609 --> 01:28:45,070

planet people wondered if he was trying

1989

01:28:49,530 --> 01:28:47,619

to tell us something and this coincided

1990

01:28:52,200 --> 01:28:49,540

would be with the Star Wars SDI program

1991

01:28:54,390 --> 01:28:52,210

people began to suggest that it was

1992

01:28:56,340 --> 01:28:54,400

actually not designed to just fight off

1993

01:28:59,820 --> 01:28:56,350

the Russians but potentially hostile

1994

01:29:03,510 --> 01:28:59,830

aliens well what happened was there as i

1995

01:29:05,850 --> 01:29:03,520

said the lot of the work was contracted

1996

01:29:11,570 --> 01:29:05,860

out to this british company Marconi now

1997

01:29:14,490 --> 01:29:11,580

between 1982 and 1991 no less than 31

1998

01:29:18,090 --> 01:29:14,500

Marconi Sciences computer programmers

1999

01:29:19,950 --> 01:29:18,100

technicians killed themselves or died in

2000

01:29:22,229 --> 01:29:19,960

a very weird circumstance you cost nine

2001

01:29:24,959 --> 01:29:22,239

months first nine years which is 31 of

2002

01:29:28,919 --> 01:29:24,969

them some of them literally sat in the

2003

01:29:31,169 --> 01:29:28,929

car and set themselves on fire other /

2004

01:29:34,470 --> 01:29:31,179

the wrists others jumped off bridge is

2005

01:29:37,680 --> 01:29:34,480

one in nine years yes 31 in nine years a

2006

01:29:40,379 --> 01:29:37,690

lot of people yeah and they all their

2007

01:29:42,060 --> 01:29:40,389

behavior they were prior to that being

2008

01:29:44,430 --> 01:29:42,070

treated for anything strange almost like

2009

01:29:47,189 --> 01:29:44,440

morris jessup where they just I've got

2010

01:29:48,930 --> 01:29:47,199

you know so I'm did leave notes but

2011

01:29:51,780 --> 01:29:48,940

there was no reason why they you know

2012

01:29:54,479 --> 01:29:51,790

that behavior suddenly changed there are

2013

01:29:56,370 --> 01:29:54,489

others who felt compelled to you know

2014

01:29:59,550 --> 01:29:56,380

they're driving down the equivalent of a

2015

01:30:01,800 --> 01:29:59,560

you know the highways over here and felt

2016

01:30:05,290 --> 01:30:01,810

compelled to drive into the front of the

2017

01:30:07,270 --> 01:30:05,300

oncoming traffic things like that

2018

01:30:10,660 --> 01:30:07,280

now the thing one of the theories is it

2019

01:30:13,510 --> 01:30:10,670

granted a controversial one well if Star

2020

01:30:15,820 --> 01:30:13,520

Wars was designed to fend off

2021

01:30:17,110 --> 01:30:15,830

extraterrestrials and he was being deep

2022

01:30:19,450 --> 01:30:17,120

part of it was being developed by

2023

01:30:21,250 --> 01:30:19,460

bismarck County scientists what if the

2024

01:30:23,980 --> 01:30:21,260

aliens themselves use some sort of mind

2025

01:30:26,830 --> 01:30:23,990

control to start to wipe out the

2026

01:30:28,630 --> 01:30:26,840

scientists one by one you know that that

2027

01:30:31,270 --> 01:30:28,640

would be the ideal way to put the

2028

01:30:33,430 --> 01:30:31,280

program on hold would be to literally

2029

01:30:35,890 --> 01:30:33,440

mind control them to kill themselves one

2030

01:30:37,780 --> 01:30:35,900

way or another but he permitted Google

2031

01:30:40,900 --> 01:30:37,790

marconi scientists deaths you'll find

2032

01:30:43,090 --> 01:30:40,910

the story and he sort of fascinating and

2033

01:30:45,730 --> 01:30:43,100

weird story of all these guys who

2034

01:30:49,020 --> 01:30:45,740

literally just you know kill themselves

2035

01:30:51,610 --> 01:30:49,030

under the most bizarre circumstances I

2036

01:30:55,030 --> 01:30:51,620

give you one classic example a talk

2037

01:30:58,120 --> 01:30:55,040

about bizarre one guy killed himself

2038

01:31:00,190 --> 01:30:58,130

with carbon monoxide poison in his

2039

01:31:02,320 --> 01:31:00,200

garage and what he did you know just

2040

01:31:04,600 --> 01:31:02,330

open the garage door as he got home for

2041

01:31:07,390 --> 01:31:04,610

work close the door and kept the engine

2042

01:31:08,860 --> 01:31:07,400

running now loads of people have done

2043

01:31:11,050 --> 01:31:08,870

that over the years you say well what's

2044

01:31:13,000 --> 01:31:11,060

strange about it or what he did some

2045

01:31:14,650 --> 01:31:13,010

weird reason he chose to get out of the

2046

01:31:17,230 --> 01:31:14,660

driver's seat which most people don't do

2047

01:31:19,270 --> 01:31:17,240

he got out the driver's seat and and lay

2048

01:31:21,940 --> 01:31:19,280

on the floor and back to world over and

2049

01:31:25,030 --> 01:31:21,950

so he could lie horizontal underneath

2050

01:31:26,620 --> 01:31:25,040

the car and so when the police are

2051  
01:31:29,020 --> 01:31:26,630  
called because somebody the next door

2052  
01:31:30,760 --> 01:31:29,030  
neighbor could smell carbon monoxide he

2053  
01:31:33,130 --> 01:31:30,770  
was coming out from under the ghost or

2054  
01:31:35,140 --> 01:31:33,140  
the police finally got in it took him

2055  
01:31:37,450 --> 01:31:35,150  
like 10 minutes to find him because the

2056  
01:31:40,870 --> 01:31:37,460  
car you know it was filled with carbon

2057  
01:31:42,340 --> 01:31:40,880  
monoxide there was nobody sitting inside

2058  
01:31:43,750 --> 01:31:42,350  
the car and actually look took 10

2059  
01:31:46,060 --> 01:31:43,760  
minutes to find out he was actually

2060  
01:31:47,560 --> 01:31:46,070  
lying underneath the car you know he

2061  
01:31:49,990 --> 01:31:47,570  
just managed to crawl under the space

2062  
01:31:51,610 --> 01:31:50,000  
below it you know yeah but something so

2063  
01:31:55,510 --> 01:31:51,620

bizarre why would you even think about

2064

01:31:59,590 --> 01:31:55,520

doing that in here oh you know it cut it

2065

01:32:01,120 --> 01:31:59,600

kind of brings me up to you know how

2066

01:32:02,830 --> 01:32:01,130

about deaths as far as people that

2067

01:32:05,800 --> 01:32:02,840

worked at the NASA you know the Space

2068

01:32:07,810 --> 01:32:05,810

Administration because here we are you

2069

01:32:10,600 --> 01:32:07,820

know like how many years decades later

2070

01:32:12,370 --> 01:32:10,610

and we've never been back to the moon I

2071

01:32:15,790 --> 01:32:12,380

mean is there a connection do you think

2072

01:32:17,830 --> 01:32:15,800

that any of these people who work for

2073

01:32:19,209 --> 01:32:17,840

NASA who got us to the moon have you

2074

01:32:23,500 --> 01:32:19,219

checked to see if there's any strange

2075

01:32:25,600 --> 01:32:23,510

that's going on there um to be honest

2076  
01:32:27,430 --> 01:32:25,610  
having sort of Doug too much into just a

2077  
01:32:29,049 --> 01:32:27,440  
sort of straightforward space program

2078  
01:32:31,750 --> 01:32:29,059  
although you know that is a legitimate

2079  
01:32:34,299 --> 01:32:31,760  
area the main reason being i was just

2080  
01:32:36,700 --> 01:32:34,309  
sort of trying to focus on you know just

2081  
01:32:38,200 --> 01:32:36,710  
mysterious jetseal of the space race or

2082  
01:32:42,250 --> 01:32:38,210  
whatever but just where there was a

2083  
01:32:44,709 --> 01:32:42,260  
direct UFO angle but I mean what I would

2084  
01:32:48,250 --> 01:32:44,719  
say is that there are a lot of cases on

2085  
01:32:49,870 --> 01:32:48,260  
file we're with you know not the third

2086  
01:32:52,350 --> 01:32:49,880  
really looked into NASA science the West

2087  
01:32:56,200 --> 01:32:52,360  
scientists have died under odd

2088  
01:32:59,439 --> 01:32:56,210

circumstances I said we've Marconi you

2089

01:33:03,100 --> 01:32:59,449

know scientists computer operators and

2090

01:33:05,379 --> 01:33:03,110

technicians it was 31 now there are

2091

01:33:10,180 --> 01:33:05,389

other Marconi odd look at marconi deaths

2092

01:33:12,700 --> 01:33:10,190

in the early 70s as well and you know

2093

01:33:16,029 --> 01:33:12,710

you have these sort of cases like this

2094

01:33:17,799 --> 01:33:16,039

and for example in the 2000s there was a

2095

01:33:20,160 --> 01:33:17,809

spate of deaths in the four in the

2096

01:33:22,509 --> 01:33:20,170

United States and the UK the field of

2097

01:33:25,450 --> 01:33:22,519

microbiology people who deal with like

2098

01:33:28,450 --> 01:33:25,460

biological warfare and viruses having

2099

01:33:31,839 --> 01:33:28,460

any Google microbiology scientists

2100

01:33:34,209 --> 01:33:31,849

deaths in the 2000s there's dozens

2101

01:33:39,310 --> 01:33:34,219

there's like 30 or 40 other and I'm not

2102

01:33:40,959 --> 01:33:39,320

exaggerating he dropping like flies and

2103

01:33:43,419 --> 01:33:40,969

one of the theories was that some of

2104

01:33:44,979 --> 01:33:43,429

they were working on like alien viruses

2105

01:33:49,299 --> 01:33:44,989

that kind of thing you know trying to

2106

01:33:51,370 --> 01:33:49,309

perfect a virus derived from alien DNA

2107

01:33:53,560 --> 01:33:51,380

essentially know where we would feed the

2108

01:33:57,729 --> 01:33:53,570

targeted enemy would have no immunity to

2109

01:34:00,189 --> 01:33:57,739

an alien virus so who's behind this do

2110

01:34:03,489 --> 01:34:00,199

you think well I mean people often ask

2111

01:34:06,160 --> 01:34:03,499

me that and where I differ into a low

2112

01:34:08,439 --> 01:34:06,170

ufologist is that I actually don't think

2113

01:34:10,299 --> 01:34:08,449

you know people saw the CIA the FBI the

2114

01:34:12,279 --> 01:34:10,309

government they're all the bad guys I

2115

01:34:15,129 --> 01:34:12,289

actually don't think they are and i'll

2116

01:34:16,660 --> 01:34:15,139

explain what i mean by that i mean we

2117

01:34:18,879 --> 01:34:16,670

all know through the freedom information

2118

01:34:21,759 --> 01:34:18,889

up the CIA the FBI and everybody else

2119

01:34:24,459 --> 01:34:21,769

sort of looked into the UFO subject but

2120

01:34:26,620 --> 01:34:24,469

i don't think they were the people re

2121

01:34:30,009 --> 01:34:26,630

sitting on like there it is of what

2122

01:34:32,800 --> 01:34:30,019

happened at Roswell or whatever what I

2123

01:34:35,650 --> 01:34:32,810

think is that the government the CIA

2124

01:34:36,670 --> 01:34:35,660

FBI are actually innocent of all this I

2125

01:34:38,230 --> 01:34:36,680

don't think the government's the bad

2126  
01:34:41,080 --> 01:34:38,240  
guys what I think is that there's some

2127  
01:34:44,140 --> 01:34:41,090  
sort of like a shadow government but

2128  
01:34:46,870 --> 01:34:44,150  
operates outside the regular confines of

2129  
01:34:50,200 --> 01:34:46,880  
government and law but isn't even known

2130  
01:34:52,300 --> 01:34:50,210  
to or overseen by Congress that gets its

2131  
01:34:54,310 --> 01:34:52,310  
budget through like blackfoot budget

2132  
01:34:56,550 --> 01:34:54,320  
funding things like that and I think

2133  
01:34:59,620 --> 01:34:56,560  
they're the people that are

2134  
01:35:02,110 --> 01:34:59,630  
orchestrating all this but I honestly

2135  
01:35:04,720 --> 01:35:02,120  
don't believe that the elected

2136  
01:35:06,640 --> 01:35:04,730  
government has any more awareness and

2137  
01:35:08,620 --> 01:35:06,650  
awareness awareness of it the way do I

2138  
01:35:11,740 --> 01:35:08,630

think it really is something that's so

2139

01:35:15,400 --> 01:35:11,750

deeply buried it's like a rogue agency

2140

01:35:18,910 --> 01:35:15,410

that basically is just running itself I

2141

01:35:21,310 --> 01:35:18,920

with hello Versailles it yeah well

2142

01:35:26,770 --> 01:35:21,320

that's most scary yeah probably more

2143

01:35:28,120 --> 01:35:26,780

scary that the reptilians or a court of

2144

01:35:31,150 --> 01:35:28,130

course there are some people who think

2145

01:35:33,130 --> 01:35:31,160

that the reptilians are in league with

2146

01:35:37,660 --> 01:35:33,140

the Illuminati the New World Order and

2147

01:35:39,760 --> 01:35:37,670

the shadow government well yeah I mean I

2148

01:35:41,590 --> 01:35:39,770

mean these stories are interesting but I

2149

01:35:44,020 --> 01:35:41,600

mean personally I don't think the royal

2150

01:35:47,680 --> 01:35:44,030

british royal family are reptiles you

2151  
01:35:50,140 --> 01:35:47,690  
know you can even melt ice yeah but well

2152  
01:35:53,470 --> 01:35:50,150  
this is a point or qualified by saying

2153  
01:35:56,650 --> 01:35:53,480  
that there's enough solid good reports

2154  
01:36:01,090 --> 01:35:56,660  
on file I think to suggest there is like

2155  
01:36:03,130 --> 01:36:01,100  
a reptilian phenomenon particularly in

2156  
01:36:04,810 --> 01:36:03,140  
certain alien abduction cases you get

2157  
01:36:07,020 --> 01:36:04,820  
people who said you know the event was

2158  
01:36:10,180 --> 01:36:07,030  
sort of been overseen by the reptilians

2159  
01:36:13,720 --> 01:36:10,190  
and I actually do think another a

2160  
01:36:16,990 --> 01:36:13,730  
legitimate number of good quality cases

2161  
01:36:19,360 --> 01:36:17,000  
but I think that's a big step from

2162  
01:36:22,200 --> 01:36:19,370  
saying you know that Prince Charles or

2163  
01:36:25,120 --> 01:36:22,210

Prince William and you know k2

2164

01:36:27,210 --> 01:36:25,130

shape-shifting reptiles I don't believe

2165

01:36:29,410 --> 01:36:27,220

that at all leave it at that first I

2166

01:36:32,110 --> 01:36:29,420

don't know Bruce Charles I could see him

2167

01:36:34,720 --> 01:36:32,120

as reptilian thanks Harry well you know

2168

01:36:36,550 --> 01:36:34,730

that doesn't take away the fact that you

2169

01:36:39,070 --> 01:36:36,560

know there's a there's a foot of a

2170

01:36:40,750 --> 01:36:39,080

reptilian phenomenon you know the

2171

01:36:44,170 --> 01:36:40,760

reptilians of the serpent race were

2172

01:36:46,600 --> 01:36:44,180

always associated with the underworld

2173

01:36:49,510 --> 01:36:46,610

the Inner Earth the

2174

01:36:53,109 --> 01:36:49,520

shaver mystery I mean there have been

2175

01:36:55,180 --> 01:36:53,119

cases where miners and spelunkers have

2176  
01:36:59,100 --> 01:36:55,190  
been deep down inside the earth and

2177  
01:37:01,870 --> 01:36:59,110  
they've encountered some pretty strange

2178  
01:37:03,970 --> 01:37:01,880  
beings in fact there's an article that I

2179  
01:37:06,189 --> 01:37:03,980  
read and I don't think it's a hoax that

2180  
01:37:10,149 --> 01:37:06,199  
appeared in in one of the papers in Los

2181  
01:37:12,250 --> 01:37:10,159  
Angeles maybe around nineteen fifty or

2182  
01:37:14,439 --> 01:37:12,260  
so and it talked about somebody

2183  
01:37:18,520 --> 01:37:14,449  
encountering what was an obvious

2184  
01:37:20,709 --> 01:37:18,530  
reptilian in the source system here we

2185  
01:37:23,590 --> 01:37:20,719  
only have crocodiles and the sources to

2186  
01:37:26,680 --> 01:37:23,600  
be parking we're void of reptilians

2187  
01:37:27,790 --> 01:37:26,690  
maybe we can swap a couple but well you

2188  
01:37:30,520 --> 01:37:27,800

know it's interesting you say that

2189

01:37:33,070 --> 01:37:30,530

because I mean if you look you know the

2190

01:37:35,859 --> 01:37:33,080

dinosaurs died out like 65 million years

2191

01:37:37,750 --> 01:37:35,869

ago but studies which you can find

2192

01:37:40,300 --> 01:37:37,760

online you know people done studies to

2193

01:37:42,240 --> 01:37:40,310

try to figure out you know they survived

2194

01:37:44,189 --> 01:37:42,250

or small parking of them has survived

2195

01:37:46,750 --> 01:37:44,199

what would have happened to them and

2196

01:37:49,930 --> 01:37:46,760

they would have adapted like you know

2197

01:37:53,140 --> 01:37:49,940

unchanged as all species do over time

2198

01:37:57,430 --> 01:37:53,150

and he has been suggested they would

2199

01:38:00,070 --> 01:37:57,440

have become shorter smaller more

2200

01:38:02,470 --> 01:38:00,080

intelligence and took unlike a bipedal

2201

01:38:05,080 --> 01:38:02,480

stance like us and you know for all

2202

01:38:07,810 --> 01:38:05,090

except one you know intents and purposes

2203

01:38:10,950 --> 01:38:07,820

they would be like a reptilian so I do

2204

01:38:13,180 --> 01:38:10,960

sometimes wonder if these reptilians as

2205

01:38:15,250 --> 01:38:13,190

controversial as it might sound could

2206

01:38:18,160 --> 01:38:15,260

actually be something like a surviving

2207

01:38:19,930 --> 01:38:18,170

relic from the dinosaur that's here and

2208

01:38:22,149 --> 01:38:19,940

that's sort of coexisted with us and

2209

01:38:23,890 --> 01:38:22,159

that for the most part do live

2210

01:38:26,169 --> 01:38:23,900

underground and you know in that sense

2211

01:38:28,000 --> 01:38:26,179

there would be like the original rulers

2212

01:38:30,209 --> 01:38:28,010

of the planet you know the dinosaurs but

2213

01:38:33,160 --> 01:38:30,219

today they're sort of relegated to a

2214

01:38:35,590 --> 01:38:33,170

perhaps a you know a secondary level

2215

01:38:38,320 --> 01:38:35,600

where in many respects they may we may

2216

01:38:41,020 --> 01:38:38,330

be they superior in terms of number but

2217

01:38:42,600 --> 01:38:41,030

in terms of you know what's going on in

2218

01:38:45,189 --> 01:38:42,610

the underworld they would be the

2219

01:38:47,830 --> 01:38:45,199

superiors down there so I do wonder you

2220

01:38:50,290 --> 01:38:47,840

know if it could be literal sort of

2221

01:38:52,600 --> 01:38:50,300

reptilians lizard people but it's like

2222

01:38:54,430 --> 01:38:52,610

an ancient terrestrial race you know

2223

01:38:59,050 --> 01:38:54,440

that we think could be actually

2224

01:39:00,520 --> 01:38:59,060

terrestrial one hour there are cases i

2225

01:39:01,960 --> 01:39:00,530

know in fat

2226

01:39:04,150 --> 01:39:01,970

I'm trying to remember the name of the

2227

01:39:07,360 --> 01:39:04,160

fellow that I met years ago who came to

2228

01:39:10,600 --> 01:39:07,370

my door conferences nah it was a fellow

2229

01:39:16,240 --> 01:39:10,610

who actually had gotten into I think the

2230

01:39:19,360 --> 01:39:16,250

Amazon in search of real dinosaurs so I

2231

01:39:22,290 --> 01:39:19,370

mean that there in fact um Harold T

2232

01:39:25,870 --> 01:39:22,300

Wilkins who was a fellow a British er

2233

01:39:28,960 --> 01:39:25,880

wrote several books in the early 1950s I

2234

01:39:32,230 --> 01:39:28,970

know we have a book on his research that

2235

01:39:35,260 --> 01:39:32,240

we compiled and he talked about cases

2236

01:39:38,020 --> 01:39:35,270

where dinosaurs were actually is still

2237

01:39:40,810 --> 01:39:38,030

being observed up until you know a

2238

01:39:43,330 --> 01:39:40,820

decade or so ago if not even more recent

2239

01:39:45,240 --> 01:39:43,340

and you know the case down in is it

2240

01:39:48,070 --> 01:39:45,250

South America where there seemed to be a

2241

01:39:51,400 --> 01:39:48,080

dinosaurs and humans on the pottery

2242

01:39:53,470 --> 01:39:51,410

bowls yeah I mean that there are a lot

2243

01:39:55,510 --> 01:39:53,480

of interesting and weird stories sort of

2244

01:39:57,970 --> 01:39:55,520

you know weight puts the sort of

2245

01:40:01,120 --> 01:39:57,980

timelines into a sort of dispute I mean

2246

01:40:02,560 --> 01:40:01,130

I think certainly I mean look for

2247

01:40:04,540 --> 01:40:02,570

example if you look at the coelacanth

2248

01:40:06,700 --> 01:40:04,550

this particular fish that was caught off

2249

01:40:11,140 --> 01:40:06,710

the coast of South Africa nice i wanna

2250

01:40:13,060 --> 01:40:11,150

die no fish yeah now that that was

2251

01:40:14,920 --> 01:40:13,070

presumed to become extinct literally

2252

01:40:17,320 --> 01:40:14,930

millions and millions of years ago until

2253

01:40:21,610 --> 01:40:17,330

one was holding as i said in the night

2254

01:40:23,380 --> 01:40:21,620

in insider 19 35 or 36 with theories

2255

01:40:25,780 --> 01:40:23,390

have been suggesting for the Loch Ness

2256

01:40:26,740 --> 01:40:25,790

monsters at their Plesiosaurus I don't

2257

01:40:30,910 --> 01:40:26,750

know if they are but that's you know

2258

01:40:33,780 --> 01:40:30,920

that's one viable theory then you have

2259

01:40:36,460 --> 01:40:33,790

stories not they asked you down the fish

2260

01:40:38,770 --> 01:40:36,470

yes oh no you know recently they went

2261

01:40:40,630 --> 01:40:38,780

they found it in the 1930s but they

2262

01:40:42,490 --> 01:40:40,640

actually researched it recently very

2263

01:40:44,590 --> 01:40:42,500

very deep in the ocean I mean there's

2264

01:40:46,660 --> 01:40:44,600

other cases this doesn't really go all

2265

01:40:48,760 --> 01:40:46,670

the way back to the dinosaur era but

2266

01:40:51,640 --> 01:40:48,770

there are reports up until the 1800s

2267

01:40:54,460 --> 01:40:51,650

from canada and russia of people

2268

01:40:57,010 --> 01:40:54,470

claiming to see mammoths now you know

2269

01:40:58,900 --> 01:40:57,020

Alice above became extinct 10,000 years

2270

01:41:01,240 --> 01:40:58,910

ago but he wouldn't surprise me if there

2271

01:41:04,390 --> 01:41:01,250

were isolated pockets you know up to a

2272

01:41:06,460 --> 01:41:04,400

few hundred years ago you know when the

2273

01:41:07,900 --> 01:41:06,470

earth wasn't raining was still not as

2274

01:41:09,340 --> 01:41:07,910

well traveled as it is to that I don't

2275

01:41:12,010 --> 01:41:09,350

think mammoths are running around now

2276

01:41:13,899 --> 01:41:12,020

but he wouldn't be surprise me if they

2277

01:41:17,259 --> 01:41:13,909

you know there actually were few

2278

01:41:19,390 --> 01:41:17,269

that lasted longer than science tells us

2279

01:41:20,949 --> 01:41:19,400

you know and I think soft in our

2280

01:41:25,270 --> 01:41:20,959

arrogance to think we know everything

2281

01:41:28,659 --> 01:41:25,280

that's still around you know we actually

2282

01:41:30,520 --> 01:41:28,669

we actually don't you know now where do

2283

01:41:35,339 --> 01:41:30,530

all these creatures hide though I mean

2284

01:41:38,589 --> 01:41:35,349

there seems to be a aspect of even this

2285

01:41:40,779 --> 01:41:38,599

Bigfoot in all being paranormal in

2286

01:41:44,620 --> 01:41:40,789

nature where there's seen one minute and

2287

01:41:47,169 --> 01:41:44,630

disappear the the next well yeah I mean

2288

01:41:51,989 --> 01:41:47,179

certainly there's no way that you could

2289

01:41:54,909 --> 01:41:51,999

have like a colony of like 20 or 30 a

2290

01:41:57,969 --> 01:41:54,919

brontosaurus or Tyrannosaurus Rex you

2291

01:42:00,009 --> 01:41:57,979

know Rama and African nobody know these

2292

01:42:02,199 --> 01:42:00,019

things would probably become scaled down

2293

01:42:03,790 --> 01:42:02,209

by now and i think the ones will

2294

01:42:05,500 --> 01:42:03,800

probably survive and wouldn't be found

2295

01:42:07,839 --> 01:42:05,510

but it will be the ones that live in the

2296

01:42:11,109 --> 01:42:07,849

water you know that don't need to

2297

01:42:13,449 --> 01:42:11,119

surface that often that with like pretty

2298

01:42:16,029 --> 01:42:13,459

large huge prehistoric fish that kind of

2299

01:42:17,080 --> 01:42:16,039

thing you know there's no way we're

2300

01:42:20,679 --> 01:42:17,090

going to find it like i said a

2301

01:42:22,540 --> 01:42:20,689

brontosaurus or anything like that but

2302

01:42:25,330 --> 01:42:22,550

there are reporters I'm sure you know

2303

01:42:28,149 --> 01:42:25,340

Jim like from down the texas-mexico

2304

01:42:30,009 --> 01:42:28,159

border where people play just seen some

2305

01:42:32,649 --> 01:42:30,019

things that look like pterodactyls and

2306

01:42:35,140 --> 01:42:32,659

you can find stories of pterodactyl type

2307

01:42:40,750 --> 01:42:35,150

creatures all throughout the last 100

2308

01:42:42,850 --> 01:42:40,760

years of paranormal law if you like but

2309

01:42:45,159 --> 01:42:42,860

as far as Bigfoot concerned you know

2310

01:42:48,159 --> 01:42:45,169

there's a couple of theories one is just

2311

01:42:50,949 --> 01:42:48,169

that it's a North American ape which you

2312

01:42:52,359 --> 01:42:50,959

know I don't hold to that FIRREA written

2313

01:42:54,489 --> 01:42:52,369

quite extensively on Bigfoot and

2314

01:42:57,729 --> 01:42:54,499

although I think it's real I think it's

2315

01:42:59,379 --> 01:42:57,739

far stranger than just a dorfa merican

2316

01:43:01,929 --> 01:42:59,389

equivalent of an African gorilla it's

2317

01:43:03,580 --> 01:43:01,939

not you know this there's some stranger

2318

01:43:05,819 --> 01:43:03,590

things going on with it as well these

2319

01:43:09,040 --> 01:43:05,829

sort of appearances and disappearances

2320

01:43:12,819 --> 01:43:09,050

and ties with the sightings of strange

2321

01:43:16,209 --> 01:43:12,829

lights in the sky and you know I mean

2322

01:43:19,089 --> 01:43:16,219

you know I was just a kid everyone okay

2323

01:43:21,310 --> 01:43:19,099

well remember back in the 70s there are

2324

01:43:23,859 --> 01:43:21,320

huge waves where they'll be Bigfoot in

2325

01:43:26,330 --> 01:43:23,869

UFO sightings all at the same time yeah

2326

01:43:30,260 --> 01:43:26,340

pennsylvania pennsylvania and

2327

01:43:33,229 --> 01:43:30,270

in Ohio now I remember I was

2328

01:43:36,350 --> 01:43:33,239

investigating a case in the tiny little

2329

01:43:38,750 --> 01:43:36,360

town of Athens Ohio I had to go to

2330

01:43:41,629 --> 01:43:38,760

Cincinnati on some magazine work

2331

01:43:43,070 --> 01:43:41,639

actually and i had read an article there

2332

01:43:44,600 --> 01:43:43,080

was a little article in the newspaper

2333

01:43:47,030 --> 01:43:44,610

here in New York I mean just like a

2334

01:43:51,260 --> 01:43:47,040

couple of paragraphs that an object had

2335

01:43:54,410 --> 01:43:51,270

landed in a cornfield behind some

2336

01:43:58,070 --> 01:43:54,420

farmer's house and had left indentions

2337

01:43:59,930 --> 01:43:58,080

in the ground and so forth well I figure

2338

01:44:02,959 --> 01:43:59,940

well since I'm going to be there let me

2339

01:44:04,939 --> 01:44:02,969

let me check out the neighborhood and I

2340

01:44:08,750 --> 01:44:04,949

went and I talked to the farmer actually

2341

01:44:11,540 --> 01:44:08,760

it was his teenage son who saw the the

2342

01:44:12,919 --> 01:44:11,550

object land and it wasn't much of a

2343

01:44:15,109 --> 01:44:12,929

cornfield I mean when you think of

2344

01:44:17,600 --> 01:44:15,119

cornfields you know you you think of

2345

01:44:19,879 --> 01:44:17,610

like acres and acres of corn this was

2346

01:44:21,350 --> 01:44:19,889

like a little corn patch behind his

2347

01:44:24,020 --> 01:44:21,360

house you know I mean nothing dramatic

2348

01:44:25,700 --> 01:44:24,030

and of course you couldn't see whether

2349

01:44:28,220 --> 01:44:25,710

there were anything had landed there

2350

01:44:30,379 --> 01:44:28,230

because all the corn had been stomped

2351

01:44:33,890 --> 01:44:30,389

out by people are going to see if the

2352

01:44:36,020 --> 01:44:33,900

court had been stomped out so that was

2353

01:44:40,370 --> 01:44:36,030

that way but okay so it was an

2354

01:44:42,680 --> 01:44:40,380

interesting story and other period will

2355

01:44:45,500 --> 01:44:42,690

let me canvass the the neighborhood let

2356

01:44:47,270 --> 01:44:45,510

me be a UFO snoop you know now this was

2357

01:44:50,540 --> 01:44:47,280

around the time that John keel started

2358

01:44:53,270 --> 01:44:50,550

talking about the silent contactees in a

2359

01:44:55,640 --> 01:44:53,280

Saudi associating UFOs with some of

2360

01:44:59,620 --> 01:44:55,650

these other oddities that were taking

2361

01:45:02,570 --> 01:44:59,630

place so I went and I actually bang on

2362

01:45:04,250 --> 01:45:02,580

doors front doors back doors Ryan

2363

01:45:07,339 --> 01:45:04,260

buzzers now we're talking about a real

2364

01:45:09,500 --> 01:45:07,349

rural community so it's not like going

2365

01:45:12,620 --> 01:45:09,510

to you know a bigger apartment complex

2366

01:45:16,089 --> 01:45:12,630

or something and believe it or not most

2367

01:45:19,100 --> 01:45:16,099

everybody had some sort of experience

2368

01:45:22,370 --> 01:45:19,110

one woman said well you see down the

2369

01:45:23,899 --> 01:45:22,380

road there i saw a cigar-shaped object

2370

01:45:25,310 --> 01:45:23,909

in the sky and I said well it was it

2371

01:45:27,919 --> 01:45:25,320

wasn't around the same time in the same

2372

01:45:29,839 --> 01:45:27,929

night that this object supposedly landed

2373

01:45:31,850 --> 01:45:29,849

she said oh no i've seen in numerous

2374

01:45:34,300 --> 01:45:31,860

times i don't know what it's connected

2375

01:45:38,839 --> 01:45:34,310

with that or not and she said you know

2376

01:45:40,260 --> 01:45:38,849

Bigfoot hangs out behind my house I've

2377

01:45:42,420 --> 01:45:40,270

said Bigfoot hangs

2378

01:45:44,220 --> 01:45:42,430

up behind your house why would he do

2379

01:45:47,130 --> 01:45:44,230

that well she said I'm not quite sure

2380

01:45:49,920 --> 01:45:47,140

but maybe he's drinking the water that's

2381

01:45:52,440 --> 01:45:49,930

dripping from the air conditioning well

2382

01:45:54,390 --> 01:45:52,450

I said well how do you know that he's

2383

01:45:57,180 --> 01:45:54,400

hanging up behind your house she said

2384

01:46:00,240 --> 01:45:57,190

well we've seen the the muddy dirt

2385

01:46:02,280 --> 01:46:00,250

tracks or his you know a footprints

2386

01:46:04,830 --> 01:46:02,290

underneath the air conditioner with the

2387

01:46:06,600 --> 01:46:04,840

water drips and and we've heard some

2388

01:46:08,730 --> 01:46:06,610

banging around out there night but

2389

01:46:10,230 --> 01:46:08,740

nobody you know we're not armed and

2390

01:46:13,080 --> 01:46:10,240

nobody wants to go out and find out what

2391

01:46:15,180 --> 01:46:13,090

this you know what's going on so here

2392

01:46:16,560 --> 01:46:15,190

was somebody you know who had it and

2393

01:46:18,420 --> 01:46:16,570

there were several other people in the

2394

01:46:21,270 --> 01:46:18,430

same little town who had similar

2395

01:46:25,560 --> 01:46:21,280

experiences and one woman even told me

2396

01:46:28,650 --> 01:46:25,570

that her oil burner or electric heater

2397

01:46:31,890 --> 01:46:28,660

was communicating with her rapping

2398

01:46:33,480 --> 01:46:31,900

rapping and tapping and in hissing and

2399

01:46:35,910 --> 01:46:33,490

popping or whatever water heater does

2400

01:46:38,040 --> 01:46:35,920

and she was quite serious about this she

2401

01:46:43,620 --> 01:46:38,050

said you know I can't invite you in I

2402

01:46:45,210 --> 01:46:43,630

can't talk to you about this really but

2403

01:46:47,630 --> 01:46:45,220

an hour later I was still standing

2404

01:46:50,520 --> 01:46:47,640

behind the screen door in the back porch

2405

01:46:52,530 --> 01:46:50,530

as she continued to do you know I should

2406

01:46:56,700 --> 01:46:52,540

have taken notes but again this was back

2407

01:46:57,930 --> 01:46:56,710

in the 1970s you know and I I still have

2408

01:47:00,360 --> 01:46:57,940

all my notes from everything I've ever

2409

01:47:02,070 --> 01:47:00,370

investigated but I don't know if if I

2410

01:47:04,890 --> 01:47:02,080

yeah I probably still have it here

2411

01:47:08,160 --> 01:47:04,900

somewhere when I when I pass away from

2412

01:47:10,080 --> 01:47:08,170

this mortal coil miles Lewis is supposed

2413

01:47:13,530 --> 01:47:10,090

to take my collection here and put it in

2414

01:47:15,180 --> 01:47:13,540

is a library there they have a his group

2415

01:47:17,760 --> 01:47:15,190

has a library down in Texas I think

2416

01:47:19,440 --> 01:47:17,770

actually and and so that's a you know

2417

01:47:21,420 --> 01:47:19,450

I've got all these cases you know I've

2418

01:47:24,630 --> 01:47:21,430

investigating but after all these years

2419

01:47:26,340 --> 01:47:24,640

like you Nick I'm kind of stumped I mean

2420

01:47:29,370 --> 01:47:26,350

I don't know really what it what it what

2421

01:47:31,350 --> 01:47:29,380

it means except that there's a heck of a

2422

01:47:34,980 --> 01:47:31,360

lot of weird stuff going on that we can

2423

01:47:37,860 --> 01:47:34,990

account for and academia and the

2424

01:47:40,530 --> 01:47:37,870

scientific community doesn't want to

2425

01:47:42,390 --> 01:47:40,540

hear about it they say that they think

2426

01:47:44,880 --> 01:47:42,400

that we're out of our minds but they

2427

01:47:47,850 --> 01:47:44,890

just really they just want to fluff it

2428

01:47:49,800 --> 01:47:47,860

off because it doesn't fit in with their

2429

01:47:53,109 --> 01:47:49,810

paradigm it only fits in with ours

2430

01:47:54,939 --> 01:47:53,119

perhaps you know yeah

2431

01:47:57,129 --> 01:47:54,949

the one thing I guess sort of I've

2432

01:47:59,169 --> 01:47:57,139

learned more than anything else is that

2433

01:48:00,609 --> 01:47:59,179

a lot of these things like i said

2434

01:48:04,359 --> 01:48:00,619

earlier cross over there sort of

2435

01:48:06,939 --> 01:48:04,369

interlinked but you know i don't know

2436

01:48:08,830 --> 01:48:06,949

why i think john cale got close to the

2437

01:48:11,859 --> 01:48:08,840

answers when he talked about the idea of

2438

01:48:14,799 --> 01:48:11,869

some sort of phenomenon that manipulates

2439

01:48:16,629 --> 01:48:14,809

US and almost in a sometimes in a

2440

01:48:19,929 --> 01:48:16,639

playful fashion but sometimes in a

2441

01:48:21,969 --> 01:48:19,939

bananas or even malevolent fashion and

2442

01:48:23,919 --> 01:48:21,979

it can whatever the phenomenon easy sort

2443

01:48:26,739 --> 01:48:23,929

of manifest in different ways you know

2444

01:48:28,929 --> 01:48:26,749

one person's alien is somebody else's d

2445

01:48:31,569 --> 01:48:28,939

many somebody else is gobbling or

2446

01:48:34,229 --> 01:48:31,579

whatever that kind of thing and you know

2447

01:48:37,989 --> 01:48:34,239

the idea that the originating

2448

01:48:39,879 --> 01:48:37,999

intelligence can actually manipulate the

2449

01:48:42,000 --> 01:48:39,889

way it appears for different or

2450

01:48:44,529 --> 01:48:42,010

manipulating human mind wishes say to

2451

01:48:48,189 --> 01:48:44,539

you know in terms of how we interpret

2452

01:48:50,379 --> 01:48:48,199

what these things are so but there's no

2453

01:48:53,560 --> 01:48:50,389

doubt that you know Bigfoot not among

2454

01:48:56,139 --> 01:48:53,570

UFOs exist the big question is if

2455

01:48:59,979 --> 01:48:56,149

they're all interlinked how can they be

2456

01:49:02,560 --> 01:48:59,989

and and what's the whole goal you know

2457

01:49:04,600 --> 01:49:02,570

why is it that we sort of taunted with

2458

01:49:07,000 --> 01:49:04,610

sightings of these things that suddenly

2459

01:49:10,119 --> 01:49:07,010

then vanish and pop up somewhere else

2460

01:49:12,069 --> 01:49:10,129

and you know take a people's lives and

2461

01:49:13,869 --> 01:49:12,079

in terms investigated I'm you know

2462

01:49:15,399 --> 01:49:13,879

what's the whole purpose behind it I

2463

01:49:17,799 --> 01:49:15,409

think that's what we're still struggling

2464

01:49:20,500 --> 01:49:17,809

to find out well maybe maybe there is no

2465

01:49:22,449 --> 01:49:20,510

purpose behind it I got a question for

2466

01:49:24,659 --> 01:49:22,459

you Nick how much is the how much of it

2467

01:49:27,729 --> 01:49:24,669

do you think is misinterpretation of

2468

01:49:29,770 --> 01:49:27,739

data really from people years back

2469

01:49:31,479 --> 01:49:29,780

especially let's go back a thousand

2470

01:49:33,609 --> 01:49:31,489

years ago if an alien ship lands

2471

01:49:35,139 --> 01:49:33,619

anywhere on the planet back then they're

2472

01:49:36,189 --> 01:49:35,149

not going to see it as alien beings

2473

01:49:38,319 --> 01:49:36,199

they're going to see it as demonic

2474

01:49:40,989 --> 01:49:38,329

that's just the way what I'll sure would

2475

01:49:42,729 --> 01:49:40,999

look at or gods yeah I completely

2476  
01:49:44,350 --> 01:49:42,739  
misinterpreted as something completely

2477  
01:49:46,290 --> 01:49:44,360  
different than what they really are

2478  
01:49:48,989 --> 01:49:46,300  
which is aliens or extraterrestrials

2479  
01:49:51,279 --> 01:49:48,999  
yeah that's such a good point because

2480  
01:49:53,409 --> 01:49:51,289  
you know you as i said earlier with

2481  
01:49:55,299 --> 01:49:53,419  
stories like fairies and people being

2482  
01:49:56,799 --> 01:49:55,309  
take right that's all for my cereal yeah

2483  
01:49:57,909 --> 01:49:56,809  
that's been material yeah Harry's

2484  
01:49:59,679 --> 01:49:57,919  
leprechauns and all these mythologies

2485  
01:50:01,569 --> 01:49:59,689  
are yeah well if you read these stories

2486  
01:50:04,149 --> 01:50:01,579  
you know you would find that they would

2487  
01:50:05,889 --> 01:50:04,159  
steal babies and they would leave what's

2488  
01:50:06,670 --> 01:50:05,899

called a changeling which looks like a

2489

01:50:09,040 --> 01:50:06,680

like vague

2490

01:50:10,900 --> 01:50:09,050

like a human beast or if you read in

2491

01:50:13,780 --> 01:50:10,910

class you they sound like today stories

2492

01:50:16,150 --> 01:50:13,790

of hybrid babies and things like that

2493

01:50:19,750 --> 01:50:16,160

and even the black-eyed children where

2494

01:50:21,250 --> 01:50:19,760

they sort of a sort of described as you

2495

01:50:23,650 --> 01:50:21,260

know that the fairy children will

2496

01:50:25,600 --> 01:50:23,660

slightly like us but there are

2497

01:50:29,050 --> 01:50:25,610

differences and have a kind of menacing

2498

01:50:32,830 --> 01:50:29,060

and disturbing and you know people go to

2499

01:50:34,690 --> 01:50:32,840

the fairy Kingdom either they would come

2500

01:50:36,340 --> 01:50:34,700

back thinking two hours have gone by in

2501  
01:50:38,170 --> 01:50:36,350  
two days have gone by which is like a

2502  
01:50:40,810 --> 01:50:38,180  
classic thing with the amazingness of

2503  
01:50:43,050 --> 01:50:40,820  
time you know in today's abductions so

2504  
01:50:46,180 --> 01:50:43,060  
so yeah right i mean you can go back

2505  
01:50:49,270 --> 01:50:46,190  
2,000 3,000 years ancient babylonian

2506  
01:50:51,010 --> 01:50:49,280  
stories about malevolent entities that

2507  
01:50:53,710 --> 01:50:51,020  
were into people's bedrooms at night

2508  
01:50:56,350 --> 01:50:53,720  
Lilith is one of the you know the story

2509  
01:50:59,770 --> 01:50:56,360  
of Lilith sort of female demonic

2510  
01:51:01,900 --> 01:50:59,780  
character and you know the story of

2511  
01:51:06,790 --> 01:51:01,910  
Lilith was that she would literally sort

2512  
01:51:09,400 --> 01:51:06,800  
of take human sperm from men and create

2513  
01:51:11,530 --> 01:51:09,410

these hybrid demonic children well

2514

01:51:14,620 --> 01:51:11,540

that's really now given subjugate have

2515

01:51:16,990 --> 01:51:14,630

done today in claiming you know that DNA

2516

01:51:20,140 --> 01:51:17,000

or eggs and sperm was taken as part of

2517

01:51:21,790 --> 01:51:20,150

some alien experiments that's just it's

2518

01:51:24,460 --> 01:51:21,800

just a different you know you know so

2519

01:51:27,250 --> 01:51:24,470

what happens a position Rumpelstiltskin

2520

01:51:30,310 --> 01:51:27,260

wasn't there something with that oh yeah

2521

01:51:32,500 --> 01:51:30,320

you mean a rip van winkle the lady that

2522

01:51:34,540 --> 01:51:32,510

was on the first show memorized but yeah

2523

01:51:37,030 --> 01:51:34,550

yeah no no no no as far as as far as a

2524

01:51:41,550 --> 01:51:37,040

like a story goes was there something

2525

01:51:43,540 --> 01:51:41,560

behind I'm pretty sure of kind of

2526

01:51:46,150 --> 01:51:43,550

somebody's just see their new that was

2527

01:51:47,800 --> 01:51:46,160

no Kate but they don't really show that

2528

01:51:49,960 --> 01:51:47,810

story to be on us and maybe it was just

2529

01:51:52,240 --> 01:51:49,970

telling cook it was repaired it was

2530

01:51:55,810 --> 01:51:52,250

repaired winkle yes it was yes I by me

2531

01:51:58,930 --> 01:51:55,820

uh too much hanging out with Dino the

2532

01:52:00,640 --> 01:51:58,940

dinosaur there come on my god but yeah I

2533

01:52:03,460 --> 01:52:00,650

do think you know that like one person

2534

01:52:06,040 --> 01:52:03,470

Lily at least somebody else's God if

2535

01:52:08,820 --> 01:52:06,050

somebody else is mainly somebody else's

2536

01:52:11,110 --> 01:52:08,830

d many somebody else's space brother or

2537

01:52:14,200 --> 01:52:11,120

alien gray or whatever you know I think

2538

01:52:17,440 --> 01:52:14,210

it's and maybe the phenomenon itself

2539

01:52:20,290 --> 01:52:17,450

actually physically alters its you know

2540

01:52:22,419 --> 01:52:20,300

it's a non-physical t-shape or a

2541

01:52:24,970 --> 01:52:22,429

perhaps he could manipulate the human

2542

01:52:27,700 --> 01:52:24,980

mind so it appears in a way that's

2543

01:52:30,580 --> 01:52:27,710

acceptable of the people of that era so

2544

01:52:32,109 --> 01:52:30,590

maybe the way we see Grey's today maybe

2545

01:52:34,510 --> 01:52:32,119

they really did see something like

2546

01:52:36,549 --> 01:52:34,520

goblins or demons because it was sort of

2547

01:52:39,100 --> 01:52:36,559

more acceptable to their belief systems

2548

01:52:42,669 --> 01:52:39,110

but you know the idea of the human mind

2549

01:52:45,069 --> 01:52:42,679

being manipulated to see what the

2550

01:52:47,160 --> 01:52:45,079

phenomenon wants us to see you know we

2551

01:52:49,450 --> 01:52:47,170

may never have seen it really in its

2552

01:52:53,049 --> 01:52:49,460

genuine form you know maybe we'll always

2553

01:52:54,729 --> 01:52:53,059

be manipulated by so one of the final

2554

01:52:58,479 --> 01:52:54,739

questions here because I do see that

2555

01:53:01,780 --> 01:52:58,489

time is running in the opposite direct

2556

01:53:05,169 --> 01:53:01,790

direction are any of these objects

2557

01:53:08,049 --> 01:53:05,179

spacecraft did the did the object that

2558

01:53:10,209 --> 01:53:08,059

crashed or supposedly crashed outside

2559

01:53:15,149 --> 01:53:10,219

the town of Roswell or Kingman Arizona

2560

01:53:17,470 --> 01:53:15,159

or Aztec where any of these spacecraft

2561

01:53:19,390 --> 01:53:17,480

well I mean that's a good question i

2562

01:53:22,569 --> 01:53:19,400

mean if they're literally coming from

2563

01:53:25,569 --> 01:53:22,579

other solar systems then i would say yes

2564

01:53:29,189 --> 01:53:25,579

if they're interdimensional then

2565

01:53:31,810 --> 01:53:29,199

technically they wouldn't be spacecrafts

2566

01:53:34,990 --> 01:53:31,820

so you know it's it's kind of really

2567

01:53:36,760 --> 01:53:35,000

hard to say the problem is you know we

2568

01:53:39,819 --> 01:53:36,770

interpret the idea of strange things

2569

01:53:43,750 --> 01:53:39,829

coming out of strange craft well it's

2570

01:53:46,660 --> 01:53:43,760

got to be alien you know but that's sort

2571

01:53:49,720 --> 01:53:46,670

of based on our perceptions I mean I

2572

01:53:52,600 --> 01:53:49,730

actually quite like the whole theory the

2573

01:53:55,209 --> 01:53:52,610

you have a time-travel theory that it's

2574

01:53:57,879 --> 01:53:55,219

sort of us in the future when the human

2575

01:54:02,260 --> 01:53:57,889

race is degraded and you know they've

2576

01:54:05,290 --> 01:54:02,270

got to come back to first actually like

2577

01:54:07,810 --> 01:54:05,300

to reap DNA in excess perm because the

2578

01:54:09,459 --> 01:54:07,820

human race is on the decline so what we

2579

01:54:11,560 --> 01:54:09,469

do if you want to do that and you don't

2580

01:54:14,649 --> 01:54:11,570

want the people of today to find out

2581

01:54:16,990 --> 01:54:14,659

what's going on you might well present

2582

01:54:19,060 --> 01:54:17,000

yourself as aliens you might go about

2583

01:54:21,520 --> 01:54:19,070

500 years ago and present yourself as

2584

01:54:25,030 --> 01:54:21,530

fairies and demons before that because

2585

01:54:27,250 --> 01:54:25,040

it all acts as a good camouflage and so

2586

01:54:29,080 --> 01:54:27,260

in that sense you know I kind of like

2587

01:54:31,689 --> 01:54:29,090

having obviously its dependence on where

2588

01:54:33,879 --> 01:54:31,699

the time travels real but I kind of like

2589

01:54:37,299 --> 01:54:33,889

that sort of you know that

2590

01:54:39,100 --> 01:54:37,309

that the phenomenon may be may be

2591

01:54:41,379 --> 01:54:39,110

logically UFO angle maybe like a

2592

01:54:44,049 --> 01:54:41,389

camouflage but the time travelers you

2593

01:54:46,600 --> 01:54:44,059

what well there is some evidence what we

2594

01:54:49,719 --> 01:54:46,610

call but strange artifacts that are at a

2595

01:54:53,889 --> 01:54:49,729

time that does seem to be embedded in

2596

01:54:57,339 --> 01:54:53,899

rocks and volcanic yeah yeah that just

2597

01:54:59,290 --> 01:54:57,349

does they don't belong there uh but

2598

01:55:02,020 --> 01:54:59,300

that's not the same as saying that the

2599

01:55:04,719 --> 01:55:02,030

people travel back and forth in time and

2600

01:55:08,529 --> 01:55:04,729

well we've got the Kecksburg UFO no

2601  
01:55:12,549 --> 01:55:08,539  
that's a strange case too but we could

2602  
01:55:13,659 --> 01:55:12,559  
go on and on and on Nick with talking to

2603  
01:55:16,000 --> 01:55:13,669  
you because you have a wealth of

2604  
01:55:19,689 --> 01:55:16,010  
information and how many books have you

2605  
01:55:21,819 --> 01:55:19,699  
actually written I've done about 32 now

2606  
01:55:24,449 --> 01:55:21,829  
I'm going to do more out this year I've

2607  
01:55:26,649 --> 01:55:24,459  
got one on the topic I've got one on

2608  
01:55:28,839 --> 01:55:26,659  
call the Bigfoot book which is like the

2609  
01:55:30,639 --> 01:55:28,849  
zombie books it's like an A to Z type

2610  
01:55:33,370 --> 01:55:30,649  
thing and then I've got one called

2611  
01:55:35,100 --> 01:55:33,380  
chupacabra road trip which is basically

2612  
01:55:38,739 --> 01:55:35,110  
about all the expedition's have been on

2613  
01:55:41,169 --> 01:55:38,749

looking for the chupacabra in Mexico the

2614

01:55:44,439 --> 01:55:41,179

US border rico over the last 10 years

2615

01:55:47,109 --> 01:55:44,449

and the that'll be out in September hmm

2616

01:55:49,899 --> 01:55:47,119

and do you think that will ever have an

2617

01:55:53,169 --> 01:55:49,909

answer to to any of this I mean it well

2618

01:55:56,049 --> 01:55:53,179

I'm you know that it's difficult to say

2619

01:55:57,250 --> 01:55:56,059

I mean you look all the research not to

2620

01:55:59,830 --> 01:55:57,260

be pessimistic because all the

2621

01:56:02,259 --> 01:55:59,840

researchers have come before us you know

2622

01:56:05,949 --> 01:56:02,269

and to what extent that they sold it I

2623

01:56:08,109 --> 01:56:05,959

think it's solvable but it's almost like

2624

01:56:09,609 --> 01:56:08,119

the phenomenon so elusive as well but

2625

01:56:12,790 --> 01:56:09,619

it's always one step ahead of us and

2626

01:56:15,009 --> 01:56:12,800

manipulating us and I said the big

2627

01:56:17,469 --> 01:56:15,019

question is why I mean that's what I

2628

01:56:21,069 --> 01:56:17,479

don't get I think I think we can all

2629

01:56:24,100 --> 01:56:21,079

agree that Barack Obama is not going to

2630

01:56:27,279 --> 01:56:24,110

go on the six o'clock news and that tell

2631

01:56:29,409 --> 01:56:27,289

us that there are aliens here and

2632

01:56:32,319 --> 01:56:29,419

disclose the full the truth like some of

2633

01:56:34,629 --> 01:56:32,329

these disclosure people say it's going

2634

01:56:37,149 --> 01:56:34,639

to happen it isn't happening the best

2635

01:56:39,339 --> 01:56:37,159

that Barack Obama could say is buy one

2636

01:56:41,620 --> 01:56:39,349

of those books by Nick Redford and Tim

2637

01:56:44,859 --> 01:56:41,630

Becker and decide and decide for

2638

01:56:47,229 --> 01:56:44,869

yourself they're probably privy to the

2639

01:56:47,650 --> 01:56:47,239

same infamy I'm sure they have cat you

2640

01:56:49,720 --> 01:56:47,660

know right

2641

01:56:52,000 --> 01:56:49,730

our cases and close encounters and stuff

2642

01:56:54,790 --> 01:56:52,010

too but their privy to the same overall

2643

01:56:56,080 --> 01:56:54,800

information that we r and n is if you

2644

01:56:58,780 --> 01:56:56,090

pointed out in some of your literature

2645

01:57:00,160 --> 01:56:58,790

there are some uh you know people in the

2646

01:57:01,540 --> 01:57:00,170

government who believe that UFOs are

2647

01:57:03,880 --> 01:57:01,550

real and some people who don't give a

2648

01:57:07,530 --> 01:57:03,890

hoot about it you know and think it's a

2649

01:57:10,420 --> 01:57:07,540

waste of time and then people like maybe

2650

01:57:12,280 --> 01:57:10,430

you know Dick Cheney who may have the

2651  
01:57:14,080 --> 01:57:12,290  
the answers but that's doubtful even

2652  
01:57:16,240 --> 01:57:14,090  
then cuz I don't know if well yes the

2653  
01:57:18,460 --> 01:57:16,250  
answer to anything yeah I mean if you

2654  
01:57:20,170 --> 01:57:18,470  
forgot alien bodies or body strange

2655  
01:57:22,240 --> 01:57:20,180  
bodies that doesn't really tell you what

2656  
01:57:24,970 --> 01:57:22,250  
they are or where they're from it's like

2657  
01:57:26,410 --> 01:57:24,980  
with bras well even if something we did

2658  
01:57:28,360 --> 01:57:26,420  
crash at Roswell on the button the

2659  
01:57:30,880 --> 01:57:28,370  
government or an agency has like

2660  
01:57:32,830 --> 01:57:30,890  
wreckage and body stored away that

2661  
01:57:34,330 --> 01:57:32,840  
doesn't tell you what they are aware

2662  
01:57:35,850 --> 01:57:34,340  
that from or what they want it just

2663  
01:57:38,740 --> 01:57:35,860

means you've got some strange bodies

2664

01:57:41,050 --> 01:57:38,750

absolute away absolutely not anyway I

2665

01:57:44,670 --> 01:57:41,060

hear the mothership coming closer and

2666

01:57:48,040 --> 01:57:44,680

and it's it's time to pick up our

2667

01:57:50,560 --> 01:57:48,050

knapsacks and head out into the woods to

2668

01:57:52,870 --> 01:57:50,570

get away from them and once again I want

2669

01:57:55,630 --> 01:57:52,880

to thank you Nick for being on and our

2670

01:58:00,070 --> 01:57:55,640

earlier guests to pull Dale Roberts and

2671

01:58:03,640 --> 01:58:00,080

of course Carla and angel down in

2672

01:58:06,390 --> 01:58:03,650

Florida and I'm beckley and we will be

2673

01:58:10,240 --> 01:58:06,400

back next week same time with some great

2674

01:58:14,350 --> 01:58:10,250

conversation and remember there are
