53
00:02:49,330 --> 00:02:47,269
hidden mysteries not know that's not my

54
00:02:49,830 --> 00:02:49,340
that was my printers oh I'm sorry I

55
00:02:52,470 --> 00:02:49,840
thought it

56
00:02:55,550 --> 00:02:52,480
that's okay but you know hey I got a

57
00:02:59,400 --> 00:02:55,560
great deal here we just started our own

58
00:03:01,290 --> 00:02:59,410
paranormal a channel on youtube so it's

59
00:03:02,850 --> 00:03:01,300
free I think this about a dozen

60
00:03:06,839 --> 00:03:02,860
interviews up their posts that you know

61
00:03:08,880 --> 00:03:06,849
I take my little camera with me as I

62
00:03:11,130 --> 00:03:08,890
travel around the country and I

63
00:03:13,890 --> 00:03:11,140

interview some fabulous of people people

64

00:03:17,699 --> 00:03:13,900

have had experiences people who claim

65

00:03:19,890 --> 00:03:17,709

they've seen entities got aboard UFOs

66

00:03:23,150 --> 00:03:19,900

it's all wild and wooly and of course

67

00:03:27,030 --> 00:03:23,160

it's up to the viewer or the listener to

68

00:03:31,979 --> 00:03:27,040

decide but you can go over to a YouTube

69

00:03:34,100 --> 00:03:31,989

it's mr. UFOs secret files and there's

70

00:03:36,710 --> 00:03:34,110

some really good interviews in fact our

71

00:03:39,420 --> 00:03:36,720

show list show was posted up there and

72

00:03:43,140 --> 00:03:39,430

got some great stuff check your Tom Don

73

00:03:45,710 --> 00:03:43,150

go out and Ted Phillips I think to the

74

00:03:48,750 --> 00:03:45,720

best interviews up there it lie live

75

00:03:52,199 --> 00:03:48,760

live and I take my little camera with me

76

00:03:56,160 --> 00:03:52,209

and it's not Hollywood but it's an

77

00:04:02,160 --> 00:03:56,170

unbalanced unfair and uncensored and

78

00:04:04,140 --> 00:04:02,170

unedited there's a little lot to keep it

79

00:04:05,879 --> 00:04:04,150

added to tonight's where FCC regulator

80

00:04:09,089 --> 00:04:05,889

well that's that's all right now just

81

00:04:12,479 --> 00:04:09,099

you've got the thing that I'm used to

82

00:04:16,110 --> 00:04:12,489

Mike uh we don't know we do not have it

83

00:04:18,210 --> 00:04:16,120

at a college uh well anyway no on so Tim

84

00:04:19,440 --> 00:04:18,220

beckley welcome back to paradise by

85

00:04:22,050 --> 00:04:19,450

third or fourth time on the show I

86

00:04:24,240 --> 00:04:22,060

believe it's like yeah it's like we're

87

00:04:26,790 --> 00:04:24,250

like family we are if everyone see you

88

00:04:29,839 --> 00:04:26,800

next week okay I'm taking Ben's room he

89

00:04:32,490 --> 00:04:29,849

doesn't know it yet okay you can have it

90

00:04:35,310 --> 00:04:32,500

you also bringing the excavator yourself

91

00:04:38,820 --> 00:04:35,320

hey Elise let's start a little something

92

00:04:40,980 --> 00:04:38,830

a local um new local entrance interest

93

00:04:43,230 --> 00:04:40,990

entrance interest to our audience here

94

00:04:44,850 --> 00:04:43,240

in when Sonic at the late great Joe

95

00:04:47,850 --> 00:04:44,860

farrier hosted the afternoon talk show

96

00:04:50,310 --> 00:04:47,860

here on 112 40 for 50 years and he was

97

00:04:52,740 --> 00:04:50,320

on before us some some weeks as well and

98

00:04:56,310 --> 00:04:52,750

he was a prominent UFO researcher there

99

00:04:58,610 --> 00:04:56,320

in the 1960s how and when did you get to

100

00:05:02,459 --> 00:04:58,620

know Joe well you know when I was a

101
00:05:03,710 --> 00:05:02,469
teenager I put out a newsletter I've

102
00:05:05,000 --> 00:05:03,720
published

103
00:05:07,820 --> 00:05:05,010
I don't know how many newsletters

104
00:05:10,670 --> 00:05:07,830
magazines edited stuff on the newsstand

105
00:05:14,740 --> 00:05:10,680
I mean I guess that's been my kind of

106
00:05:17,150 --> 00:05:14,750
line of work magazine packager in book

107
00:05:20,200 --> 00:05:17,160
publisher not just for myself but for

108
00:05:22,340 --> 00:05:20,210
other people anyway when I was a teen

109
00:05:23,750 --> 00:05:22,350
there were a lot of teenagers that were

110
00:05:25,730 --> 00:05:23,760
interested in the field in fact some of

111
00:05:29,180 --> 00:05:25,740
them are still around the kind of you

112
00:05:30,680 --> 00:05:29,190
know retired they're all kind of my we

113
00:05:33,620 --> 00:05:30,690

were teenage you follow just now were

114

00:05:37,390 --> 00:05:33,630

senior citizen ufologist you know my how

115

00:05:40,250 --> 00:05:37,400

the years do go by but I put out a

116

00:05:42,790 --> 00:05:40,260

little mini bath magazine called the

117

00:05:45,980 --> 00:05:42,800

interplanetary News Service report and

118

00:05:47,780 --> 00:05:45,990

Joe had a publication now later on he

119

00:05:51,020 --> 00:05:47,790

put out a pretty slick magazine called

120

00:05:53,810 --> 00:05:51,030

probe but he had another little magazine

121

00:05:56,330 --> 00:05:53,820

that he was also a memory of graphing he

122

00:05:58,070 --> 00:05:56,340

had a partner his name is armand look

123

00:06:02,960 --> 00:05:58,080

fraud who lived around here i guess like

124

00:06:04,760 --> 00:06:02,970

we use exchange newsletters people

125

00:06:07,790 --> 00:06:04,770

disappearing i remember yet an article

126

00:06:09,860 --> 00:06:07,800

about a woman who went out to take the

127

00:06:12,230 --> 00:06:09,870

clothes off her line closed life she was

128

00:06:14,030 --> 00:06:12,240

never seen again around here you know i

129

00:06:16,280 --> 00:06:14,040

don't remember i mean i could lie and

130

00:06:18,710 --> 00:06:16,290

say yes but that's fifty years ago and i

131

00:06:20,420 --> 00:06:18,720

don't know you know maybe she'll appear

132

00:06:23,240 --> 00:06:20,430

in the studio tonight with the dirty

133

00:06:25,969 --> 00:06:23,250

laundry or maybe clean laundry i'm not

134

00:06:27,710 --> 00:06:25,979

sure but anyway so we exchanged

135

00:06:30,370 --> 00:06:27,720

magazines and then those days people

136

00:06:32,630 --> 00:06:30,380

actually correspondent we wrote letters

137

00:06:33,800 --> 00:06:32,640

terrible typewriters looking back at him

138

00:06:37,159 --> 00:06:33,810

i don't know how anybody could read the

139

00:06:39,020 --> 00:06:37,169

stuff on onion skin paper which is like

140

00:06:40,730 --> 00:06:39,030

the thinnest paper in the world mariner

141

00:06:44,180 --> 00:06:40,740

what you can make six or seven copies

142

00:06:45,710 --> 00:06:44,190

and then you would send the carbons to

143

00:06:48,020 --> 00:06:45,720

other people so you can share in the

144

00:06:50,150 --> 00:06:48,030

correspondence that was the kind of like

145

00:06:53,780 --> 00:06:50,160

a you know an internet group would be

146

00:06:55,969 --> 00:06:53,790

today or even an email and then it got

147

00:06:57,800 --> 00:06:55,979

to the point where we were sending

148

00:06:59,600 --> 00:06:57,810

cassette and not cassette tapes they

149

00:07:01,460 --> 00:06:59,610

were real the real tapes more once we

150

00:07:03,800 --> 00:07:01,470

had a little portable reel-to-reel we'd

151
00:07:05,810 --> 00:07:03,810
send that around and so I guess I talked

152
00:07:09,890 --> 00:07:05,820
to Joe a few times on the the telephone

153
00:07:11,680 --> 00:07:09,900
we exchanged the magazines and then I

154
00:07:15,320 --> 00:07:11,690
guess he invited me up to do the show

155
00:07:18,469 --> 00:07:15,330
that he was the host on

156
00:07:19,820 --> 00:07:18,479
and so this is actually a I don't know

157
00:07:22,339 --> 00:07:19,830
how about almost 50 years I don't

158
00:07:25,279 --> 00:07:22,349
remember exact date but if anybody there

159
00:07:28,100 --> 00:07:25,289
out in the listener land has an old copy

160
00:07:29,899 --> 00:07:28,110
of the midnight newspaper which was the

161
00:07:32,270 --> 00:07:29,909
globe that turned into the globe that's

162
00:07:35,119 --> 00:07:32,280
at the sold in the supermarket there was

163
00:07:38,270 --> 00:07:35,129

at the Boston Globe no no no this is the

164

00:07:39,890 --> 00:07:38,280

yellow there was the tabloid yes yes and

165

00:07:42,529 --> 00:07:39,900

in those days it was a lot you know a

166

00:07:44,749 --> 00:07:42,539

lot stranger than it is now anyway I

167

00:07:47,149 --> 00:07:44,759

remember the headline story was I had

168

00:07:50,240 --> 00:07:47,159

investigated the sightings made by

169

00:07:53,029 --> 00:07:50,250

astronauts UFO Assizes oh yeah long long

170

00:07:54,860 --> 00:07:53,039

time ago and for some reason i guess the

171

00:07:56,779 --> 00:07:54,870

paper asked me to send today you know

172

00:07:58,580 --> 00:07:56,789

photograph to use with the article and I

173

00:08:00,740 --> 00:07:58,590

had one I guess that Joe had sent me of

174

00:08:03,589 --> 00:08:00,750

setting here at the microphone not to

175

00:08:05,209 --> 00:08:03,599

say a location for the studio but he and

176

00:08:06,920 --> 00:08:05,219

I were in the studio and he was

177

00:08:08,629 --> 00:08:06,930

interviewing me well I don't know how

178

00:08:12,379 --> 00:08:08,639

young I was I wish I could find a

179

00:08:14,600 --> 00:08:12,389

photograph I had a crew cut black

180

00:08:16,820 --> 00:08:14,610

horn-rimmed glasses and the acne still

181

00:08:18,260 --> 00:08:16,830

showed that my face so I must have been

182

00:08:21,230 --> 00:08:18,270

I don't know 18 years old in the

183

00:08:24,230 --> 00:08:21,240

photograph so that had to be pushing 50

184

00:08:27,320 --> 00:08:24,240

50 years ago between 47 50 years ago and

185

00:08:30,019 --> 00:08:27,330

then Joe and I stayed in touch but not

186

00:08:33,430 --> 00:08:30,029

all that you know much he had his career

187

00:08:36,680 --> 00:08:33,440

he did publish a magazine later on he

188

00:08:38,389 --> 00:08:36,690

took some incredible UFO photographs now

189

00:08:39,889 --> 00:08:38,399

if you go to the internet and you type

190

00:08:43,009 --> 00:08:39,899

in joseph i believe it is a middle

191

00:08:45,380 --> 00:08:43,019

initial was I farrier you'll get some

192

00:08:47,569 --> 00:08:45,390

really wild the photographs i mean i

193

00:08:49,880 --> 00:08:47,579

think that these things were real and i

194

00:08:54,380 --> 00:08:49,890

saw photographs that he showed me and I

195

00:08:56,750 --> 00:08:54,390

have somewhere in my huge huge files if

196

00:08:58,430 --> 00:08:56,760

I ever find anything photographs that I

197

00:09:00,579 --> 00:08:58,440

mean there was one that showed a

198

00:09:03,680 --> 00:09:00,589

cigar-shaped mothership in the sky

199

00:09:07,730 --> 00:09:03,690

surrounded by five of these kind of

200

00:09:09,139 --> 00:09:07,740

bell-shaped craft Scout craft I was

201
00:09:10,939 --> 00:09:09,149
taken I believe in Cumberland Rhode

202
00:09:13,819 --> 00:09:10,949
Island do what looks like it was taken

203
00:09:15,470 --> 00:09:13,829
outside his window hmm I did worse I

204
00:09:18,259 --> 00:09:15,480
don't know there are some people who

205
00:09:20,180 --> 00:09:18,269
seem to have the knack of attracting

206
00:09:22,100 --> 00:09:20,190
UFOs and being able to photograph them

207
00:09:24,470 --> 00:09:22,110
there is a strange thing okay there's a

208
00:09:27,850 --> 00:09:24,480
another fellow who's deceased now as

209
00:09:30,160 --> 00:09:27,860
well by the appalled villa

210
00:09:31,960 --> 00:09:30,170
who is from New Mexico and he had these

211
00:09:34,120 --> 00:09:31,970
things they landed in the you know they

212
00:09:36,130 --> 00:09:34,130
were landing outside his trailer where

213
00:09:38,110 --> 00:09:36,140

he lived now he had a lot of stuff to

214

00:09:39,280 --> 00:09:38,120

the and this is also on the internet in

215

00:09:42,610 --> 00:09:39,290

fact we published a book of his

216

00:09:44,550 --> 00:09:42,620

photographs uh and you know you can see

217

00:09:46,540 --> 00:09:44,560

well maybe toss something in the sky and

218

00:09:48,519 --> 00:09:46,550

photographed it but you know the

219

00:09:50,440 --> 00:09:48,529

weirdest thing is is he's got this dog

220

00:09:52,750 --> 00:09:50,450

shaped craft there looks like it's got

221

00:09:55,780 --> 00:09:52,760

bored holes around it and in the sky are

222

00:09:59,350 --> 00:09:55,790

these three or four metallic balls I

223

00:10:02,170 --> 00:09:59,360

mean is he a juggling did all the stuff

224

00:10:04,269 --> 00:10:02,180

at the same time same for Joe I mean I I

225

00:10:08,139 --> 00:10:04,279

didn't know Joe that well I don't think

226

00:10:11,440 --> 00:10:08,149

he was a hoaxer and how do you get a

227

00:10:14,230 --> 00:10:11,450

mothership in in five Scout craft into

228

00:10:15,310 --> 00:10:14,240

the sky unless it doesn't look like it

229

00:10:17,740 --> 00:10:15,320

was I know a little bit about

230

00:10:20,440 --> 00:10:17,750

photography it doesn't look like it was

231

00:10:22,449 --> 00:10:20,450

done in a dark room and this is of

232

00:10:25,150 --> 00:10:22,459

course the long before a photo shop in

233

00:10:27,910 --> 00:10:25,160

the internet and there and any guy and

234

00:10:29,530 --> 00:10:27,920

he was on the air here you did it in

235

00:10:31,360 --> 00:10:29,540

view once I believe it's in your

236

00:10:34,300 --> 00:10:31,370

archives yeah where he tells some

237

00:10:36,069 --> 00:10:34,310

bizarre stories about this couple he got

238

00:10:37,750 --> 00:10:36,079

into the back of their what it will be

239

00:10:39,370 --> 00:10:37,760

like as he was a girl he was hiking or

240

00:10:42,130 --> 00:10:39,380

something Oxford Beth yeah yeah and

241

00:10:45,130 --> 00:10:42,140

there were these weird blinking black

242

00:10:48,069 --> 00:10:45,140

boxes in the back of the car and he

243

00:10:50,019 --> 00:10:48,079

asked him well this is before Homeland

244

00:10:54,000 --> 00:10:50,029

Security or today and you know stopped

245

00:10:56,530 --> 00:10:54,010

and called 911 okay so he asked them

246

00:10:58,329 --> 00:10:56,540

what they were doing with this and he

247

00:11:00,340 --> 00:10:58,339

said the couple said well we really

248

00:11:02,259 --> 00:11:00,350

can't talk about it but it's for

249

00:11:05,319 --> 00:11:02,269

something to the effect for the the

250

00:11:08,050 --> 00:11:05,329

security or the benefit of your planet

251

00:11:09,579 --> 00:11:08,060

so he must have known even at the

252

00:11:11,560 --> 00:11:09,589

whatever young age that there was

253

00:11:15,160 --> 00:11:11,570

something peculiar about this couple

254

00:11:16,630 --> 00:11:15,170

because why would somebody say something

255

00:11:19,420 --> 00:11:16,640

like that every morning we weren't even

256

00:11:21,280 --> 00:11:19,430

in to kind of like UFO motif today now

257

00:11:22,960 --> 00:11:21,290

if some New Ager said something like

258

00:11:25,300 --> 00:11:22,970

that he wouldn't really didn't think

259

00:11:28,180 --> 00:11:25,310

twice about it yeah but what were those

260

00:11:30,280 --> 00:11:28,190

black boxes who was this couple and why

261

00:11:31,689 --> 00:11:30,290

would you make up a story like that you

262

00:11:34,780 --> 00:11:31,699

know i don't know and he had some other

263

00:11:36,550 --> 00:11:34,790

he took these photographs and then there

264

00:11:38,530 --> 00:11:36,560

was another gentleman i guess maybe they

265

00:11:40,510 --> 00:11:38,540

were there they were friends i'm not

266

00:11:41,260 --> 00:11:40,520

even sure what their relationship was

267

00:11:43,510 --> 00:11:41,270

there was another

268

00:11:45,790 --> 00:11:43,520

fella by the name of Harold Trudell who

269

00:11:48,250 --> 00:11:45,800

I guess lived in the area here who also

270

00:11:50,110 --> 00:11:48,260

is credited for taking some of the

271

00:11:52,630 --> 00:11:50,120

photographs but I see some of them are

272

00:11:54,910 --> 00:11:52,640

credited Joe and one website and some of

273

00:11:57,880 --> 00:11:54,920

them are credited to Harold on the other

274

00:12:01,990 --> 00:11:57,890

so I'm not sure yeah which is what now

275

00:12:03,550 --> 00:12:02,000

my former associate Harold Sultan who we

276

00:12:06,100 --> 00:12:03,560

also shared an apartment in New York for

277

00:12:10,410 --> 00:12:06,110

a couple of years actually co-published

278

00:12:12,760 --> 00:12:10,420

this magazine with the gel called probe

279

00:12:14,740 --> 00:12:12,770

but they didn't really know too much

280

00:12:17,470 --> 00:12:14,750

about distribution and I think there was

281

00:12:20,080 --> 00:12:17,480

only a couple of issues printed but they

282

00:12:22,090 --> 00:12:20,090

got some pretty fantastic photographs in

283

00:12:26,020 --> 00:12:22,100

there i think i'm going to take do a

284

00:12:27,370 --> 00:12:26,030

book on UFO contactee repeaters the

285

00:12:29,530 --> 00:12:27,380

people that take you off of photographs

286

00:12:31,570 --> 00:12:29,540

all the time because it's outside of the

287

00:12:32,890 --> 00:12:31,580

Joe and Paul villa I forget about billy

288

00:12:35,290 --> 00:12:32,900

meier I don't believe his pictures but

289

00:12:38,560 --> 00:12:35,300

there are a lot of other people that had

290

00:12:40,180 --> 00:12:38,570

had this talent and they never get any

291

00:12:42,400 --> 00:12:40,190

credit because nobody really cares

292

00:12:44,110 --> 00:12:42,410

mm-hmm there was a woman who lived up in

293

00:12:46,390 --> 00:12:44,120

New Hampshire by the name is Stella

294

00:12:48,190 --> 00:12:46,400

Lansing now you give this woman an

295

00:12:50,350 --> 00:12:48,200

8-millimeter camera and you take the

296

00:12:52,510 --> 00:12:50,360

film out and you project it in there

297

00:12:54,730 --> 00:12:52,520

were all kind of our faces on there and

298

00:12:57,880 --> 00:12:54,740

there were clocks and all kinds of weird

299

00:12:59,320 --> 00:12:57,890

things that were going she never you

300

00:13:01,180 --> 00:12:59,330

give her any kind of camera and

301
00:13:03,220 --> 00:13:01,190
something strange was happening and of

302
00:13:05,500 --> 00:13:03,230
course the the scientists just like

303
00:13:07,210 --> 00:13:05,510
today that I it's a fake and phony it's

304
00:13:09,490 --> 00:13:07,220
like getting into the camera and is that

305
00:13:11,320 --> 00:13:09,500
well it wasn't you know I mean it is

306
00:13:15,400 --> 00:13:11,330
just she was doing something strange I I

307
00:13:17,470 --> 00:13:15,410
think now most of this is mental I don't

308
00:13:21,130 --> 00:13:17,480
mean mental in the sense that you know

309
00:13:24,160 --> 00:13:21,140
the Austin wall or whacka ding hi or

310
00:13:25,630 --> 00:13:24,170
anything like that it's it's a psychic

311
00:13:28,840 --> 00:13:25,640
thing some people have the ability to

312
00:13:30,220 --> 00:13:28,850
bring in the phenomena and weird things

313
00:13:32,920 --> 00:13:30,230

happen around them and I'm sure it's the

314

00:13:35,470 --> 00:13:32,930

same way you guys know in the normal the

315

00:13:37,930 --> 00:13:35,480

ted serious yet serious yeah I knew his

316

00:13:40,360 --> 00:13:37,940

is the here at the eyepiece yeah he can

317

00:13:42,190 --> 00:13:40,370

actually look at the lens of a camera or

318

00:13:44,740 --> 00:13:42,200

even a pack of film that wasn't even any

319

00:13:46,180 --> 00:13:44,750

camera yet he was thinking would appear

320

00:13:47,590 --> 00:13:46,190

when I saw him do it yeah well this is

321

00:13:49,300 --> 00:13:47,600

the same Stella Lance he could do the

322

00:13:52,090 --> 00:13:49,310

same thing too I think it got to the

323

00:13:53,210 --> 00:13:52,100

point where she didn't have to put the

324

00:13:55,429 --> 00:13:53,220

film in the camera

325

00:13:58,309 --> 00:13:55,439

yeah without you know even Betty hill I

326

00:14:00,619 --> 00:13:58,319

know during the day I know Kathy

327

00:14:02,240 --> 00:14:00,629

Martin's on yeah yeah well Betty used to

328

00:14:03,889 --> 00:14:02,250

go on Barney Hill kill ya Betty used to

329

00:14:05,210 --> 00:14:03,899

go out at night with her camera and see

330

00:14:06,650 --> 00:14:05,220

all kinds of strange things describe

331

00:14:08,660 --> 00:14:06,660

people say oh she's just seeing

332

00:14:09,920 --> 00:14:08,670

airplanes and he wants to believe are

333

00:14:12,559 --> 00:14:09,930

they coming back and said well I don't

334

00:14:13,579 --> 00:14:12,569

know I I I knew Betty someone I mean I

335

00:14:16,850 --> 00:14:13,589

talked to her on the phone a couple of

336

00:14:19,160 --> 00:14:16,860

times of course met her and in all but I

337

00:14:22,730 --> 00:14:19,170

don't know they just seem to be some

338

00:14:24,290 --> 00:14:22,740

people who attract paranormal yeah well

339

00:14:26,749 --> 00:14:24,300

i'm thinking of jerry Warner to Ben

340

00:14:28,540 --> 00:14:26,759

Jerry this is he's not a UFO

341

00:14:31,369 --> 00:14:28,550

photographer but he gets these strange

342

00:14:33,410 --> 00:14:31,379

cloud almost like smoke art yes and

343

00:14:35,809 --> 00:14:33,420

we've I've looked at that very closely

344

00:14:37,550 --> 00:14:35,819

and he he just we found him on the show

345

00:14:39,559 --> 00:14:37,560

and it seems to me to be legitimate

346

00:14:42,860 --> 00:14:39,569

certain people as you say do tend to

347

00:14:45,019 --> 00:14:42,870

attract certain sorts of photographic

348

00:14:47,090 --> 00:14:45,029

evidence ok when I here's a question for

349

00:14:50,259 --> 00:14:47,100

you is it the people that are attracting

350

00:14:54,710 --> 00:14:50,269

it or is it because they're in some a

351
00:14:57,769 --> 00:14:54,720
window area or some area that's prone to

352
00:15:00,889 --> 00:14:57,779
have paranormal I'm thinking of a couple

353
00:15:03,379 --> 00:15:00,899
of places they're under YouTube the mr.

354
00:15:06,379 --> 00:15:03,389
UFO secret files there's an interview

355
00:15:10,519 --> 00:15:06,389
that I did with Tom dango in Sedona now

356
00:15:11,990 --> 00:15:10,529
tom has a huge scrapbook is it bigger

357
00:15:14,869 --> 00:15:12,000
than any of the books that I that I

358
00:15:17,059 --> 00:15:14,879
bought in today to give you guys and

359
00:15:19,160 --> 00:15:17,069
it's all filled with color photographs

360
00:15:21,460 --> 00:15:19,170
of orbs but we're not talking about

361
00:15:26,389 --> 00:15:21,470
lights but you know light specs or aura

362
00:15:28,429 --> 00:15:26,399
we call the raindrops well oh yeah yeah

363
00:15:30,230 --> 00:15:28,439

we're talking about thanks growing this

364

00:15:32,509 --> 00:15:30,240

way going that way different colors and

365

00:15:34,910 --> 00:15:32,519

all and most of his orbs were taken on

366

00:15:38,240 --> 00:15:34,920

this place called the Bradshaw ranch

367

00:15:40,160 --> 00:15:38,250

which were in in Sedona it was borne out

368

00:15:43,249 --> 00:15:40,170

by the daughters yeah it was yeah it was

369

00:15:44,540 --> 00:15:43,259

brought out by the the government to I

370

00:15:47,629 --> 00:15:44,550

think they were going to make it into a

371

00:15:48,889 --> 00:15:47,639

oh I don't know something for children

372

00:15:50,329 --> 00:15:48,899

they brought it out and they've never

373

00:15:52,069 --> 00:15:50,339

used it in the course now there's no

374

00:15:54,530 --> 00:15:52,079

trespassing signs all over the place but

375

00:15:56,119 --> 00:15:54,540

people do manage the the sneak in

376

00:15:58,600 --> 00:15:56,129

because the the wires are down in the

377

00:16:01,669 --> 00:15:58,610

fence is rotted and stuff like that but

378

00:16:02,960 --> 00:16:01,679

Tom's even done a couple of books just

379

00:16:04,429 --> 00:16:02,970

with all these photographs of all these

380

00:16:05,620 --> 00:16:04,439

weird lights and of course that he got

381

00:16:08,410 --> 00:16:05,630

the skinwalker ranch

382

00:16:10,330 --> 00:16:08,420

oh my which is fairly a famous your

383

00:16:12,850 --> 00:16:10,340

agile connecticut now we were the wee

384

00:16:14,470 --> 00:16:12,860

bit of work again which other yeah what

385

00:16:16,690 --> 00:16:14,480

would we call a connecticut skinwalker

386

00:16:18,400 --> 00:16:16,700

ranch is that right yeah you have to

387

00:16:19,720 --> 00:16:18,410

come to wag some hard we're just going

388

00:16:22,630 --> 00:16:19,730

to say I you know I haven't done a real

389

00:16:25,690 --> 00:16:22,640

good in person paranormal investigation

390

00:16:28,600 --> 00:16:25,700

we'll talk about that hey girl yeah but

391

00:16:32,020 --> 00:16:28,610

there's another place of Black Forest in

392

00:16:33,520 --> 00:16:32,030

Colorado where this fellow lives on this

393

00:16:36,010 --> 00:16:33,530

property this has been on I think it's

394

00:16:39,490 --> 00:16:36,020

on strange universe or maybe with

395

00:16:42,130 --> 00:16:39,500

sightings sightings has a cabin lives in

396

00:16:44,590 --> 00:16:42,140

the ghetto in the forest a very nice cat

397

00:16:47,620 --> 00:16:44,600

lochivan I mean expensive my slaw Cabot

398

00:16:49,810 --> 00:16:47,630

and all these weird lights and stuff for

399

00:16:52,450 --> 00:16:49,820

seen coming out of the trees coming out

400

00:16:55,540 --> 00:16:52,460

of mirrors in the house in fact he's had

401
00:16:57,010 --> 00:16:55,550
several researchers and I think local

402
00:16:59,470 --> 00:16:57,020
politician one of the Senators were

403
00:17:03,610 --> 00:16:59,480
there and it's writing that it sounds

404
00:17:06,189 --> 00:17:03,620
more like a poltergeist than a UFO but

405
00:17:08,860 --> 00:17:06,199
he blade he blames it on on the the CIA

406
00:17:10,720 --> 00:17:08,870
in mind control he thinks that the

407
00:17:14,829 --> 00:17:10,730
government has some sort of underground

408
00:17:16,809 --> 00:17:14,839
or bass or something yeah he's seen up

409
00:17:18,790 --> 00:17:16,819
he claims he's seen you know like guys

410
00:17:22,150 --> 00:17:18,800
dressed in black or military ops

411
00:17:24,309 --> 00:17:22,160
uniforms going into the barn the dog

412
00:17:26,949 --> 00:17:24,319
house or something something there so he

413
00:17:28,090 --> 00:17:26,959

that's how he explains it but it kind of

414

00:17:29,920 --> 00:17:28,100

all looks to say maybe they could

415

00:17:31,570 --> 00:17:29,930

duplicate the phenomena or maybe they're

416

00:17:33,690 --> 00:17:31,580

out there investigating it and trying to

417

00:17:37,840 --> 00:17:33,700

girls tried to chase him off the land

418

00:17:39,340 --> 00:17:37,850

like a scooby-doo kind of thing I

419

00:17:41,860 --> 00:17:39,350

wouldn't ask you to him one thing Joe

420

00:17:43,870 --> 00:17:41,870

told us and several times and I believe

421

00:17:45,100 --> 00:17:43,880

you mentioned on that show where he said

422

00:17:46,590 --> 00:17:45,110

that he had said things yet he never

423

00:17:51,310 --> 00:17:46,600

said publicly that's right you know is

424

00:17:53,470 --> 00:17:51,320

that he this all kind of started to get

425

00:17:55,270 --> 00:17:53,480

to him yes and he said he wanted his

426

00:17:57,250 --> 00:17:55,280

life to go back to normal so he gave it

427

00:17:59,860 --> 00:17:57,260

all up which is why it's meant mostly

428

00:18:02,500 --> 00:17:59,870

the old timers in the field I've heard

429

00:18:04,660 --> 00:18:02,510

of Joe younger ones having and he said

430

00:18:06,340 --> 00:18:04,670

he gave it up gave up the magazine probe

431

00:18:08,560 --> 00:18:06,350

magazine on stuff numbers and his life

432

00:18:10,540 --> 00:18:08,570

went back to normal well you know about

433

00:18:12,190 --> 00:18:10,550

how come people like you and I yeah I

434

00:18:14,320 --> 00:18:12,200

can't say I have a normal life but I

435

00:18:18,060 --> 00:18:14,330

don't know about you well I my life is

436

00:18:20,940 --> 00:18:18,070

pretty abstract maybe get used to have

437

00:18:22,440 --> 00:18:20,950

I i would say I've never been i think we

438

00:18:25,200 --> 00:18:22,450

discussed this before i'm not much of

439

00:18:28,160 --> 00:18:25,210

authority I've always been my own my

440

00:18:31,620 --> 00:18:28,170

renegade selfie ever since I was a

441

00:18:35,030 --> 00:18:31,630

teenager I've never done don't feel mold

442

00:18:40,260 --> 00:18:35,040

no no I'm not another brick of the oleo

443

00:18:41,490 --> 00:18:40,270

my brick is crumbled I'm afraid but I

444

00:18:44,580 --> 00:18:41,500

thought that was an interesting comment

445

00:18:46,830 --> 00:18:44,590

but you know I don't see I you know I

446

00:18:50,070 --> 00:18:46,840

never wear when I was growing up and

447

00:18:52,260 --> 00:18:50,080

where I live I never tried to get

448

00:18:53,970 --> 00:18:52,270

attention drawn to me like in the note

449

00:18:57,930 --> 00:18:53,980

local newspaper or something like that

450

00:18:59,250 --> 00:18:57,940

you know 50 miles away was fine if I

451
00:19:00,690 --> 00:18:59,260
went to Cleveland there's something you

452
00:19:03,870 --> 00:19:00,700
could put me on the front page I'm not

453
00:19:06,210 --> 00:19:03,880
you know on the local newspaper because

454
00:19:09,420 --> 00:19:06,220
I had a deal would deal with people you

455
00:19:11,430 --> 00:19:09,430
know the mayor but today you know today

456
00:19:14,970 --> 00:19:11,440
first of all I wouldn't I don't care and

457
00:19:18,510 --> 00:19:14,980
I don't think the subject has that much

458
00:19:20,400 --> 00:19:18,520
of an ax stigma is it may be used to but

459
00:19:22,410 --> 00:19:20,410
again perhaps I I'm where you you know

460
00:19:25,500 --> 00:19:22,420
what community it is that you you live

461
00:19:27,060 --> 00:19:25,510
in I know Jesus I remember one time I

462
00:19:29,730 --> 00:19:27,070
had graduated from school many many

463
00:19:33,480 --> 00:19:29,740

years before and I read into my English

464

00:19:36,150 --> 00:19:33,490

teacher in the street and I was not a

465

00:19:37,770 --> 00:19:36,160

very good student in fact when it came

466

00:19:39,930 --> 00:19:37,780

to English should just barely pass but I

467

00:19:41,820 --> 00:19:39,940

published two hundred books so I guess

468

00:19:44,840 --> 00:19:41,830

that kind of worked out a because he

469

00:19:47,460 --> 00:19:44,850

never told me you can hire a proofreader

470

00:19:49,200 --> 00:19:47,470

there well anyway he came up to me on

471

00:19:51,210 --> 00:19:49,210

the street mesa I understand you're a

472

00:19:53,790 --> 00:19:51,220

writer and publisher can you get me

473

00:19:55,230 --> 00:19:53,800

published oh my god okay but you know

474

00:19:58,050 --> 00:19:55,240

you know what I told him and I've told a

475

00:20:00,870 --> 00:19:58,060

lot of people this mine is a very small

476

00:20:02,340 --> 00:20:00,880

niche market here I've tried other

477

00:20:04,140 --> 00:20:02,350

things I've written a lot of music books

478

00:20:07,830 --> 00:20:04,150

I you know I met Jimi Hendrix I knew his

479

00:20:10,140 --> 00:20:07,840

chauffeur pretty good John Lennon came

480

00:20:13,230 --> 00:20:10,150

to one of my rock and roll concerts and

481

00:20:15,630 --> 00:20:13,240

any time I tried to deviate and get into

482

00:20:18,060 --> 00:20:15,640

something else the books would stack up

483

00:20:20,760 --> 00:20:18,070

in the garage it just wasn't what I was

484

00:20:22,710 --> 00:20:20,770

what I was doing it and they're the same

485

00:20:25,590 --> 00:20:22,720

distributors who handle strange saga

486

00:20:28,410 --> 00:20:25,600

teal absent Groppo are not the same ones

487

00:20:31,549 --> 00:20:28,420

that are going to sell you know a music

488

00:20:33,259 --> 00:20:31,559

books in fact they turned down

489

00:20:36,590 --> 00:20:33,269

I mean I wouldn't even offer it took

490

00:20:38,119 --> 00:20:36,600

because it just isn't done well I had

491

00:20:39,409 --> 00:20:38,129

another question here you you're one of

492

00:20:42,980 --> 00:20:39,419

the few people who has been at this

493

00:20:45,350 --> 00:20:42,990

really since almost the beginning my

494

00:20:47,450 --> 00:20:45,360

second ji I consider my sec myself

495

00:20:49,850 --> 00:20:47,460

second generation generation right Jim

496

00:20:51,499 --> 00:20:49,860

Mosley great Barker surely they would

497

00:20:57,830 --> 00:20:51,509

have been first generation anybody who

498

00:21:01,129 --> 00:20:57,840

was in it from 1945 on which are very

499

00:21:04,639 --> 00:21:01,139

few I guess Stanton would go back a few

500

00:21:06,409 --> 00:21:04,649

years well I was joking he started in

501
00:21:10,669 --> 00:21:06,419
the UFO research when I was in

502
00:21:13,669 --> 00:21:10,679
kindergarten uh 1957 1958 been back a

503
00:21:16,249 --> 00:21:13,679
little bit before but yeah I got into it

504
00:21:18,109 --> 00:21:16,259
I think the first magazine i bought well

505
00:21:19,700 --> 00:21:18,119
i bought fake magazine on the on the

506
00:21:22,519 --> 00:21:19,710
newsstand it was thirty-five cents in

507
00:21:24,680 --> 00:21:22,529
the old tree yeah it had 30 pages of

508
00:21:27,350 --> 00:21:24,690
advertising either you know magazines

509
00:21:29,960 --> 00:21:27,360
were sure the the internet agree of the

510
00:21:32,930 --> 00:21:29,970
day got paid for articles and pay for

511
00:21:34,970 --> 00:21:32,940
ads and today it's all a trade outer or

512
00:21:39,049 --> 00:21:34,980
does ticket office up to get up here

513
00:21:42,019 --> 00:21:39,059

right ah but anyway so i bought fake

514

00:21:43,669 --> 00:21:42,029

magazine and then I think in 1957 would

515

00:21:45,409 --> 00:21:43,679

have been ten years old there was a

516

00:21:47,320 --> 00:21:45,419

magazine on the newsstand I think it was

517

00:21:49,460 --> 00:21:47,330

the same people who put out a

518

00:21:51,889 --> 00:21:49,470

confidential magazine which all the

519

00:21:55,100 --> 00:21:51,899

scandals in it because it was a garish

520

00:21:59,600 --> 00:21:55,110

red and yellow cover in this one was

521

00:22:01,700 --> 00:21:59,610

something like true space mysteries and

522

00:22:04,639 --> 00:22:01,710

ice no I still have a copy of it it's

523

00:22:08,060 --> 00:22:04,649

kind of folded in half from the you know

524

00:22:10,249 --> 00:22:08,070

for the turning of the dust after all

525

00:22:11,749 --> 00:22:10,259

these years but it had actually some of

526

00:22:12,799 --> 00:22:11,759

the same UFO photographs that they show

527

00:22:15,320 --> 00:22:12,809

today because they aren't really all

528

00:22:16,909 --> 00:22:15,330

that many pictures and and you know i

529

00:22:20,149 --> 00:22:16,919

read that magazine over and over and

530

00:22:21,859 --> 00:22:20,159

then I went and I took every book that I

531

00:22:23,119 --> 00:22:21,869

could find in the library and read it in

532

00:22:25,609 --> 00:22:23,129

those days it would have been like major

533

00:22:28,340 --> 00:22:25,619

Keyhoe when I was in the fourth grade

534

00:22:30,799 --> 00:22:28,350

and this gets back to my synchronicities

535

00:22:33,980 --> 00:22:30,809

and I'm not sure whether I told this on

536

00:22:36,499 --> 00:22:33,990

the air before but when I was in the

537

00:22:38,690 --> 00:22:36,509

fourth grade I read a book by grey

538

00:22:41,690 --> 00:22:38,700

Barker called they knew too much about

539

00:22:43,909 --> 00:22:41,700

flying saucers it was the original book

540

00:22:45,230 --> 00:22:43,919

on the men in black told about how this

541

00:22:47,300 --> 00:22:45,240

Connecticut researcher

542

00:22:50,870 --> 00:22:47,310

Kate bender had been visited by these

543

00:22:52,910 --> 00:22:50,880

three men with black fedoras and trench

544

00:22:55,160 --> 00:22:52,920

coats and you know blasters and whatever

545

00:22:58,220 --> 00:22:55,170

and they they silenced them and warned

546

00:23:00,850 --> 00:22:58,230

him never to talk about UFOs again and

547

00:23:05,510 --> 00:23:00,860

he suspended publication of his magazine

548

00:23:07,520 --> 00:23:05,520

space world so anyway I wrote a this

549

00:23:09,680 --> 00:23:07,530

review of this book when I was in the

550

00:23:12,050 --> 00:23:09,690

fourth grade I remember it was in red

551
00:23:14,780 --> 00:23:12,060
pen red pen I think I have it there

552
00:23:18,380 --> 00:23:14,790
somewhere online the notebook paper and

553
00:23:21,560 --> 00:23:18,390
I got a b-plus well heaven forbid for me

554
00:23:24,290 --> 00:23:21,570
to get a b-plus on anything was a

555
00:23:26,570 --> 00:23:24,300
miracle in those days well little did I

556
00:23:29,030 --> 00:23:26,580
know that my first three books would be

557
00:23:33,500 --> 00:23:29,040
published by grey black hair mm-hmm and

558
00:23:35,540 --> 00:23:33,510
that when he passed away I went and I

559
00:23:37,070 --> 00:23:35,550
bought the last 50 hardcover copies of

560
00:23:39,290 --> 00:23:37,080
they knew too much about flying saucers

561
00:23:41,060 --> 00:23:39,300
which was the book that I did the book

562
00:23:43,100 --> 00:23:41,070
report on when I was in the book bag on

563
00:23:45,380 --> 00:23:43,110

I guess that's a that's a kind of a

564

00:23:46,670 --> 00:23:45,390

synchronous eye doctor I always have

565

00:23:48,710 --> 00:23:46,680

said that you know when I grew up I

566

00:23:50,930 --> 00:23:48,720

wanted to be like Jim Mosley and great

567

00:23:54,530 --> 00:23:50,940

worker and some people poop poop me to

568

00:23:56,570 --> 00:23:54,540

this day for that but I have a

569

00:23:58,850 --> 00:23:56,580

controversial I guess background yeah

570

00:24:00,620 --> 00:23:58,860

yeah how was your former search changed

571

00:24:02,180 --> 00:24:00,630

since those days you know what are the

572

00:24:04,880 --> 00:24:02,190

current people peter robbins laughs yeah

573

00:24:08,510 --> 00:24:04,890

we know so well you know i'm not sure

574

00:24:10,940 --> 00:24:08,520

that it has to be to be honest it has

575

00:24:14,030 --> 00:24:10,950

got nowhere what yeah I would well you

576

00:24:15,920 --> 00:24:14,040

know any of the to me any of this I read

577

00:24:17,660 --> 00:24:15,930

my synchronicities here and and I have a

578

00:24:19,160 --> 00:24:17,670

few more that I I marked out that have

579

00:24:24,290 --> 00:24:19,170

happened since I was on the show and

580

00:24:26,180 --> 00:24:24,300

last and to me most of this it's for the

581

00:24:28,430 --> 00:24:26,190

person that's involved in it you know a

582

00:24:32,050 --> 00:24:28,440

person has a UFO experience as a society

583

00:24:34,220 --> 00:24:32,060

or maybe in an abduction experience and

584

00:24:36,560 --> 00:24:34,230

what does it mean to the person that

585

00:24:39,020 --> 00:24:36,570

lives down the block I mean how do you

586

00:24:41,300 --> 00:24:39,030

prove you know these people are yelling

587

00:24:42,860 --> 00:24:41,310

for disclosure well you either believe

588

00:24:44,900 --> 00:24:42,870

it or you don't believe it what do you

589

00:24:47,660 --> 00:24:44,910

care what the government tells you about

590

00:24:49,730 --> 00:24:47,670

aliens anyway I mean to me it just

591

00:24:52,400 --> 00:24:49,740

doesn't seem what's the difference it's

592

00:24:53,930 --> 00:24:52,410

like telling you that you the government

593

00:24:56,210 --> 00:24:53,940

should come out and say that God exists

594

00:24:57,620 --> 00:24:56,220

if you don't believe in God you're never

595

00:24:57,940 --> 00:24:57,630

going to believe in God whether the

596

00:24:59,649 --> 00:24:57,950

governor

597

00:25:02,320 --> 00:24:59,659

tells you not in the same thing with

598

00:25:03,610 --> 00:25:02,330

aliens and UFOs if they tell you that

599

00:25:05,889 --> 00:25:03,620

they're from Alpha Centauri you're

600

00:25:08,169 --> 00:25:05,899

probably lying anyway here because they

601
00:25:10,629 --> 00:25:08,179
do about everything else and not only

602
00:25:13,389 --> 00:25:10,639
that maybe they don't know any too much

603
00:25:15,820 --> 00:25:13,399
more than we do even if they happen even

604
00:25:18,100 --> 00:25:15,830
if they have you know wreckage and a

605
00:25:20,860 --> 00:25:18,110
couple of bodies this is got a name tag

606
00:25:22,690 --> 00:25:20,870
on mm-hmm but what does it say what

607
00:25:24,850 --> 00:25:22,700
could they tell by this the SEC thing or

608
00:25:27,100 --> 00:25:24,860
doing an autopsy on an alien it's not

609
00:25:28,450 --> 00:25:27,110
human doesn't tell you whether it comes

610
00:25:29,860 --> 00:25:28,460
from another planet doesn't tell you

611
00:25:31,720 --> 00:25:29,870
whether he's got a base on the ground

612
00:25:34,389 --> 00:25:31,730
doesn't tell you much anything that I

613
00:25:37,120 --> 00:25:34,399

know of and in fact even if the Roswell

614

00:25:38,850 --> 00:25:37,130

craft did the crash to take place and I

615

00:25:41,950 --> 00:25:38,860

think it was a government experience

616

00:25:43,180 --> 00:25:41,960

experiment my so they've supposedly had

617

00:25:44,919 --> 00:25:43,190

this thing that has some writing on it

618

00:25:47,350 --> 00:25:44,929

but nobody can decipher the writing and

619

00:25:49,060 --> 00:25:47,360

maybe the right the writing just says

620

00:25:53,470 --> 00:25:49,070

like eatin shows or something you know

621

00:25:55,389 --> 00:25:53,480

maybe it's a potential so even you know

622

00:25:57,159 --> 00:25:55,399

I mean it's like if you what is

623

00:25:58,930 --> 00:25:57,169

somewhere you found the wreckage to up

624

00:26:02,080 --> 00:25:58,940

to a boat or something let's say that a

625

00:26:03,549 --> 00:26:02,090

vessel that had sank you know a hundred

626

00:26:05,560 --> 00:26:03,559

years ago what can you tell by looking

627

00:26:07,060 --> 00:26:05,570

at it really you know maybe if you'd go

628

00:26:08,470 --> 00:26:07,070

deep daddy might well because you can

629

00:26:10,750 --> 00:26:08,480

understand the language or something but

630

00:26:13,000 --> 00:26:10,760

a a craft from some other planet and you

631

00:26:14,980 --> 00:26:13,010

know what is it it's a piece of space

632

00:26:16,960 --> 00:26:14,990

debris exactly yeah well speaking of

633

00:26:19,960 --> 00:26:16,970

commercials it's time for our bodily our

634

00:26:22,000 --> 00:26:19,970

break and you're listening to behind the

635

00:26:24,610 --> 00:26:22,010

paranormal with paul and benny know and

636

00:26:26,680 --> 00:26:24,620

this evening with tim beckley as well wo

637

00:26:28,269 --> 00:26:26,690

and 12 40 in the winglets beautiful

638

00:26:35,170 --> 00:26:28,279

Blackstone River Valley and we will be

639

00:26:46,010 --> 00:26:35,180

right back okay oh thank you Michael

640

00:26:48,980 --> 00:26:46,020

same old yourself okay I all the time no

641

00:26:51,590 --> 00:26:48,990

but we have an angel I don't try well

642

00:26:59,570 --> 00:26:51,600

you know I've had two agents in my life

643

00:27:01,610 --> 00:26:59,580

and you know what really fun before we

644

00:27:03,200 --> 00:27:01,620

get back to our guests our fascinating

645

00:27:04,790 --> 00:27:03,210

discussion I just wanted to remind you

646

00:27:08,600 --> 00:27:04,800

of several of the charities Ben and I

647

00:27:09,920 --> 00:27:08,610

have adopted including USA cares or does

648

00:27:11,840 --> 00:27:09,930

great things financially for our

649

00:27:14,270 --> 00:27:11,850

veterans and Canadian veterans advocacy

650

00:27:16,370 --> 00:27:14,280

for our neighbors to the north also used

651
00:27:18,380 --> 00:27:16,380
mentoring connection or ymc in Los

652
00:27:20,900 --> 00:27:18,390
Angeles doing amazing things for at-risk

653
00:27:23,210 --> 00:27:20,910
youth using ancient wisdom check that

654
00:27:25,040 --> 00:27:23,220
out at youth mentoring org Tony Lara has

655
00:27:26,390 --> 00:27:25,050
been on our show doing great things so

656
00:27:28,700 --> 00:27:26,400
check that out please so let's get back

657
00:27:30,770 --> 00:27:28,710
to our conversation with a date timothy

658
00:27:32,960 --> 00:27:30,780
green beckley who is certainly one of

659
00:27:34,580 --> 00:27:32,970
the original our least second generation

660
00:27:36,410 --> 00:27:34,590
as he said did you say it was immortal

661
00:27:39,050 --> 00:27:36,420
or something like that yes yes yeah we

662
00:27:42,530 --> 00:27:39,060
are we are not we are not stingy in our

663
00:27:45,800 --> 00:27:42,540

praise all right nominee President Tim

664

00:27:48,350 --> 00:27:45,810

Becker yes yes I can really go help a on

665

00:27:50,270 --> 00:27:48,360

st. you made the man who lives forever

666

00:27:52,490 --> 00:27:50,280

yes well you do not look your age or

667

00:27:54,620 --> 00:27:52,500

must say that thank you okay a lot of

668

00:27:56,690 --> 00:27:54,630

good that does me but that's so we took

669

00:27:58,790 --> 00:27:56,700

them a little bit about how UFO research

670

00:28:00,380 --> 00:27:58,800

maybe has not changed have UFOs

671

00:28:02,780 --> 00:28:00,390

themselves change i'm thinking of Ted

672

00:28:05,180 --> 00:28:02,790

Phillips and summers in his interpreter

673

00:28:07,750 --> 00:28:05,190

you the most money whatever okay here's

674

00:28:10,340 --> 00:28:07,760

here's how it changed the inn in a sense

675

00:28:12,820 --> 00:28:10,350

when I was growing up I was a teenager

676

00:28:17,210 --> 00:28:12,830

there probably were at least a dozen

677

00:28:19,370 --> 00:28:17,220

teenage UFO groups there was a kill

678

00:28:20,930 --> 00:28:19,380

break he's still active at people who I

679

00:28:23,960 --> 00:28:20,940

see every once in a while he lives out

680

00:28:28,190 --> 00:28:23,970

in Tucson Dale Redick who I had one of

681

00:28:29,720 --> 00:28:28,200

my synchronicities with by showing a

682

00:28:32,030 --> 00:28:29,730

friend with the thing about Allen Diwan

683

00:28:33,380 --> 00:28:32,040

and the restaurant where I was in San

684

00:28:34,490 --> 00:28:33,390

Francisco and he walked through the door

685

00:28:35,810 --> 00:28:34,500

and he didn't even know I was in town

686

00:28:38,090 --> 00:28:35,820

and boys ran just been talking about

687

00:28:40,010 --> 00:28:38,100

five minutes before he passed away

688

00:28:42,159 --> 00:28:40,020

anyway so there were all these active

689

00:28:43,919 --> 00:28:42,169

you a teenage UFO

690

00:28:48,129 --> 00:28:43,929

groups and we all shared information

691

00:28:51,669 --> 00:28:48,139

today there are no Tina as far as I know

692

00:28:52,899 --> 00:28:51,679

teenage UFO groups of course I don't

693

00:28:54,789 --> 00:28:52,909

know who's running all these internet

694

00:28:57,070 --> 00:28:54,799

sites except maybe the roll out ghost

695

00:28:59,529 --> 00:28:57,080

hunting at this okay yeah maybe but yeah

696

00:29:01,479 --> 00:28:59,539

I think that's how it's changed and of

697

00:29:03,580 --> 00:29:01,489

course everybody was now in those days

698

00:29:05,470 --> 00:29:03,590

everybody thought I I believe that the

699

00:29:07,440 --> 00:29:05,480

UFOs were interplanetary I mean that's

700

00:29:10,509 --> 00:29:07,450

kind of everybody had read the books by

701
00:29:12,549 --> 00:29:10,519
major Donald Kehoe and Edward repelled

702
00:29:13,869 --> 00:29:12,559
and they said you know UFOs were from

703
00:29:15,700 --> 00:29:13,879
outer space they had this advanced

704
00:29:20,769 --> 00:29:15,710
technology thousands of years ahead of

705
00:29:24,129 --> 00:29:20,779
us well it ain't so I mean I guess a lot

706
00:29:26,799 --> 00:29:24,139
of us have split camps here where people

707
00:29:30,009 --> 00:29:26,809
like Stanton Friedman are still into the

708
00:29:31,749 --> 00:29:30,019
nuts and bolts and people like myself

709
00:29:35,019 --> 00:29:31,759
and a lot of others are just into the

710
00:29:37,029 --> 00:29:35,029
nut stuff i think you know i don't know

711
00:29:40,659 --> 00:29:37,039
I've become to believe there may be a

712
00:29:42,399 --> 00:29:40,669
few hardcore UFOs here but where do they

713
00:29:44,379 --> 00:29:42,409

come and where do they go and what are

714

00:29:46,779 --> 00:29:44,389

they doing I mean they they just appear

715

00:29:48,849 --> 00:29:46,789

in the sky for Joe Ferrier and then they

716

00:29:52,239 --> 00:29:48,859

disappear where do they go to mm-hmm and

717

00:29:54,099 --> 00:29:52,249

why I mean it doesn't seem okay they

718

00:29:55,749 --> 00:29:54,109

don't have to follow our plan we would

719

00:29:57,609 --> 00:29:55,759

send an astronaut to the moon and then

720

00:29:59,229 --> 00:29:57,619

and go out and pick up some soil or you

721

00:30:01,029 --> 00:29:59,239

know plant the American flabby not

722

00:30:03,759 --> 00:30:01,039

unexpected but there's got to be some

723

00:30:06,639 --> 00:30:03,769

rhyme or reason behind it and there's no

724

00:30:08,710 --> 00:30:06,649

rhyme or reason for fifty or a hundred

725

00:30:10,269 --> 00:30:08,720

or a thousand years of they've been here

726

00:30:12,820 --> 00:30:10,279

all the time or human rhyme or reason

727

00:30:14,529 --> 00:30:12,830

huh or human rhyme or that's that's

728

00:30:17,409 --> 00:30:14,539

that's correct that's the whole key here

729

00:30:18,970 --> 00:30:17,419

we expect them to behave pretty much the

730

00:30:21,340 --> 00:30:18,980

way we would Behe yes they're not

731

00:30:23,979 --> 00:30:21,350

operating to me they're not operating on

732

00:30:26,320 --> 00:30:23,989

that same mindset if I I don't know is

733

00:30:28,749 --> 00:30:26,330

if they have a brain worm unlike we

734

00:30:30,879 --> 00:30:28,759

think of it they are able they are able

735

00:30:32,619 --> 00:30:30,889

to communicate through synchronicities I

736

00:30:35,859 --> 00:30:32,629

think maybe through crop circles of some

737

00:30:38,739 --> 00:30:35,869

of those are our legitimate by coming

738

00:30:41,349 --> 00:30:38,749

into your dreams maybe by making you

739

00:30:43,810 --> 00:30:41,359

think that you were abducted baby were I

740

00:30:45,279 --> 00:30:43,820

don't know but just know even even for

741

00:30:49,419 --> 00:30:45,289

all these abductions what's the rhyme a

742

00:30:52,869 --> 00:30:49,429

purpose of it I can't go as far is all

743

00:30:54,580 --> 00:30:52,879

the the fellow there in Pennsylvania I

744

00:30:56,169 --> 00:30:54,590

can't even think of his name

745

00:31:00,310 --> 00:30:56,179

that's a historian on the on the

746

00:31:01,810 --> 00:31:00,320

abductions and stuff anyway he may be

747

00:31:03,760 --> 00:31:01,820

there I'm blanking yeah yeah blanking

748

00:31:08,019 --> 00:31:03,770

out okay see the aliens have blanked out

749

00:31:11,019 --> 00:31:08,029

our mind man you're not even old no no I

750

00:31:12,970 --> 00:31:11,029

feel it starts young anyway so I don't

751
00:31:14,919 --> 00:31:12,980
know what's what's the purpose they see

752
00:31:17,740 --> 00:31:14,929
a dire threat well if the aliens wanted

753
00:31:19,510 --> 00:31:17,750
to take us over either physically they

754
00:31:22,090 --> 00:31:19,520
could have done that if they wanted to

755
00:31:23,409 --> 00:31:22,100
take us over you know mentally they

756
00:31:24,720 --> 00:31:23,419
could have done that too and maybe they

757
00:31:27,220 --> 00:31:24,730
have on some cases we've written

758
00:31:28,600 --> 00:31:27,230
articles and chapters in our book on UFO

759
00:31:31,299 --> 00:31:28,610
possessions and stuff but they don't

760
00:31:32,799 --> 00:31:31,309
seem to have a real rhyme or reason even

761
00:31:35,860 --> 00:31:32,809
Whitley schreiber who's had some

762
00:31:38,230 --> 00:31:35,870
incredible experiences he changes his

763
00:31:40,000 --> 00:31:38,240

opinion every time he has a new book out

764

00:31:41,560 --> 00:31:40,010

and and that's kind of what I do too I

765

00:31:43,630 --> 00:31:41,570

mean to be out and be honest with you

766

00:31:45,730 --> 00:31:43,640

because you would figure after 50 years

767

00:31:47,830 --> 00:31:45,740

you wouldn't be caught in the same rut

768

00:31:49,539 --> 00:31:47,840

that you were you can't say no Ted

769

00:31:52,810 --> 00:31:49,549

Phillips is another one he started out

770

00:31:54,850 --> 00:31:52,820

with the physical trace cases and he

771

00:31:56,769 --> 00:31:54,860

doesn't go in for I think too much of

772

00:31:59,409 --> 00:31:56,779

the interplanetary ships now they you

773

00:32:02,919 --> 00:31:59,419

know nanami the interview that I did

774

00:32:04,180 --> 00:32:02,929

with him this is on the YouTube I of

775

00:32:06,549 --> 00:32:04,190

course that his big thing was he was

776

00:32:08,230 --> 00:32:06,559

going to i believe hungry to investigate

777

00:32:10,750 --> 00:32:08,240

the status of the cave i call my iron

778

00:32:12,519 --> 00:32:10,760

man or something that's down there but

779

00:32:14,289 --> 00:32:12,529

you can say where he hasn't gotten he

780

00:32:17,169 --> 00:32:14,299

has gotten to do it i guess he's had

781

00:32:18,490 --> 00:32:17,179

some IDs tied up with marley woods well

782

00:32:21,310 --> 00:32:18,500

he hasn't i don't think he's doing up to

783

00:32:22,930 --> 00:32:21,320

date on that either I the Marley woods

784

00:32:24,460 --> 00:32:22,940

isn't that unusual these ghost ghost

785

00:32:26,049 --> 00:32:24,470

lights are spook lights they're all over

786

00:32:28,330 --> 00:32:26,059

the place i as the price they don't have

787

00:32:30,190 --> 00:32:28,340

them up here somewhere no I don't know

788

00:32:32,110 --> 00:32:30,200

there with you I think you know there's

789

00:32:34,090 --> 00:32:32,120

the whole East Coast at the Brown

790

00:32:36,460 --> 00:32:34,100

Mountain lights are for ya bottle down

791

00:32:40,149 --> 00:32:36,470

there shortly Joshua yeah yeah Joshua

792

00:32:42,870 --> 00:32:40,159

wardens yeah oh yeah yeah yeah so but so

793

00:32:45,909 --> 00:32:42,880

you've made a nice transition Tim into

794

00:32:47,139 --> 00:32:45,919

synchronicities yes yes so again we've

795

00:32:49,060 --> 00:32:47,149

had some of our most fascinating

796

00:32:50,350 --> 00:32:49,070

conversations on the subject so what is

797

00:32:52,659 --> 00:32:50,360

the synchronicity for those who didn't

798

00:32:54,130 --> 00:32:52,669

hear the last show our guests here for

799

00:32:57,899 --> 00:32:54,140

example here's a couple of things that

800

00:33:00,700 --> 00:32:57,909

have happened since I last talked to you

801
00:33:03,490 --> 00:33:00,710
sometimes late at night i go into a

802
00:33:05,139 --> 00:33:03,500
pizza place right across the street from

803
00:33:05,980 --> 00:33:05,149
the Empire State Building because I live

804
00:33:08,049 --> 00:33:05,990
in Manhattan yeah

805
00:33:09,610 --> 00:33:08,059
yeah they have the doors that open and

806
00:33:13,210 --> 00:33:09,620
and usually I go in and I read my

807
00:33:15,130 --> 00:33:13,220
newspaper my latest fight magazine or

808
00:33:17,260 --> 00:33:15,140
something like that you know and and so

809
00:33:20,470 --> 00:33:17,270
I'm sitting there I had the 14 times and

810
00:33:24,490 --> 00:33:20,480
it was in a nevel up like a Federal

811
00:33:26,470 --> 00:33:24,500
Express or UPS envelope and the place is

812
00:33:28,330 --> 00:33:26,480
pretty crowded and there was a couple

813
00:33:33,310 --> 00:33:28,340

the guy was sitting next to me and there

814

00:33:34,630 --> 00:33:33,320

was a girl a lot across me I guess they

815

00:33:37,750 --> 00:33:34,640

look like they're in her late teens

816

00:33:40,330 --> 00:33:37,760

early 20s so the girl gets up and she

817

00:33:42,790 --> 00:33:40,340

says are you Timothy beckley and at

818

00:33:45,880 --> 00:33:42,800

first I was ready to sign autographs and

819

00:33:47,710 --> 00:33:45,890

hit my hand out and I said well you know

820

00:33:50,500 --> 00:33:47,720

I kind of mumbled well how do you know

821

00:33:55,030 --> 00:33:50,510

that she said oh I saw the name on your

822

00:33:58,710 --> 00:33:55,040

on the envelope here and my boyfriend's

823

00:34:02,020 --> 00:33:58,720

name is Timothy and my name is Becky

824

00:34:04,900 --> 00:34:02,030

okay now you know I thought about it and

825

00:34:06,640 --> 00:34:04,910

I said well that isn't that much of a

826

00:34:08,770 --> 00:34:06,650

synchronicity but you know what the

827

00:34:10,930 --> 00:34:08,780

synchronicity is why would she ask me

828

00:34:13,119 --> 00:34:10,940

that unless somebody told her that I was

829

00:34:16,480 --> 00:34:13,129

at the synchronicities you see what I'm

830

00:34:18,730 --> 00:34:16,490

saying it's it's so bizarre that that's

831

00:34:20,280 --> 00:34:18,740

the important part of it not that she

832

00:34:22,450 --> 00:34:20,290

thought you know that there was some

833

00:34:24,639 --> 00:34:22,460

rationalization or coincidence or there

834

00:34:27,879 --> 00:34:24,649

is that she she didn't ask the guy next

835

00:34:30,010 --> 00:34:27,889

to me across the way or anything it's me

836

00:34:32,740 --> 00:34:30,020

who's on all these shows talking about

837

00:34:36,430 --> 00:34:32,750

it and she picks me to ask this question

838

00:34:40,270 --> 00:34:36,440

you know also a couple of weeks ago my

839

00:34:43,419 --> 00:34:40,280

friend April had to go to New Jersey she

840

00:34:45,639 --> 00:34:43,429

lives in the Manhattan to see her

841

00:34:47,320 --> 00:34:45,649

dentist he moved at a park avenue in and

842

00:34:49,300 --> 00:34:47,330

went to to say for something like that

843

00:34:52,540 --> 00:34:49,310

she's had some problem with her teeth

844

00:34:56,320 --> 00:34:52,550

she's had braces orthodontic work as I

845

00:34:58,240 --> 00:34:56,330

was Paul okay so she wanted me she

846

00:35:00,550 --> 00:34:58,250

didn't know exactly where the place was

847

00:35:03,720 --> 00:35:00,560

so she wanted me to go with her on the

848

00:35:05,950 --> 00:35:03,730

bus to make sure that she got there ok

849

00:35:07,960 --> 00:35:05,960

which he got to the office were setting

850

00:35:09,930 --> 00:35:07,970

up the rest of the patients and there's

851
00:35:13,330 --> 00:35:09,940
two I guess it's Saturday so it's a

852
00:35:14,920 --> 00:35:13,340
dental day for kids I never see seen

853
00:35:18,180 --> 00:35:14,930
more kids anxious to have their teeth

854
00:35:21,370 --> 00:35:18,190
examined and certainly not me

855
00:35:24,700 --> 00:35:21,380
but okay they had some little toys and

856
00:35:28,240 --> 00:35:24,710
stuff for kids to play with in the in

857
00:35:30,910 --> 00:35:28,250
the doctor in the dentist office so the

858
00:35:33,010 --> 00:35:30,920
kids pick up an abacus now I don't even

859
00:35:34,630 --> 00:35:33,020
know if a lot of people know what an

860
00:35:37,569 --> 00:35:34,640
advocate says the old Chinese a

861
00:35:39,790 --> 00:35:37,579
calculator by a Jewish does admiring the

862
00:35:42,760 --> 00:35:39,800
buttons across the need to keep count on

863
00:35:44,859 --> 00:35:42,770

it but I don't think anybody uses it but

864

00:35:46,299 --> 00:35:44,869

maybe kids do in kitty garden because

865

00:35:50,170 --> 00:35:46,309

they seem to be playing or they knew

866

00:35:53,079 --> 00:35:50,180

what it was okay so i was telling i had

867

00:35:55,960 --> 00:35:53,089

my telephone with me and I told April I

868

00:35:57,339 --> 00:35:55,970

said I'm gonna look up abacus need to

869

00:36:00,220 --> 00:35:57,349

find out what the row of beads and all

870

00:36:01,660 --> 00:36:00,230

mean okay so i type in abacus and it

871

00:36:04,569 --> 00:36:01,670

gives me some information and then at

872

00:36:07,000 --> 00:36:04,579

the bottom of the screen it says

873

00:36:10,270 --> 00:36:07,010

something about Microsoft and then under

874

00:36:13,660 --> 00:36:10,280

that other things you may be interested

875

00:36:16,690 --> 00:36:13,670

in and it says it's spelled out on the

876

00:36:19,839 --> 00:36:16,700

phone bottom teeth braces bottom teeth

877

00:36:21,880 --> 00:36:19,849

hurt on the bots on the bottom of the

878

00:36:24,609 --> 00:36:21,890

smartphone underneath all this other

879

00:36:27,309 --> 00:36:24,619

information about the abacus no reason

880

00:36:30,640 --> 00:36:27,319

for it to be there that strut so every

881

00:36:33,190 --> 00:36:30,650

FBI range yeah I mean the list the list

882

00:36:35,950 --> 00:36:33,200

goes on and on Oh last time I i think i

883

00:36:37,870 --> 00:36:35,960

mentioned how sometimes i'm able to meet

884

00:36:39,520 --> 00:36:37,880

people that i haven't seen for years by

885

00:36:42,220 --> 00:36:39,530

just going to particular location or a

886

00:36:43,690 --> 00:36:42,230

towel okay there's one that I didn't

887

00:36:46,359 --> 00:36:43,700

talk about there's a fella by the name

888

00:36:49,120 --> 00:36:46,369

of George faucet he was one of the first

889

00:36:51,660 --> 00:36:49,130

generations of UFO researchers and he

890

00:36:54,039 --> 00:36:51,670

had an incredible collection of UFO

891

00:36:56,410 --> 00:36:54,049

photographs and sightings and all he

892

00:36:59,740 --> 00:36:56,420

when I first met him when I was a kid he

893

00:37:02,500 --> 00:36:59,750

lived in Pennsylvania and he ran the New

894

00:37:04,720 --> 00:37:02,510

Jersey Pennsylvania UFO mom um um

895

00:37:07,240 --> 00:37:04,730

whatever whatever it was and I visited

896

00:37:09,460 --> 00:37:07,250

his home a couple of times and we stayed

897

00:37:11,349 --> 00:37:09,470

we stayed in touch correspondent he come

898

00:37:14,010 --> 00:37:11,359

out with some little newsletter and he'd

899

00:37:17,770 --> 00:37:14,020

send it and I publish it in the magazine

900

00:37:22,660 --> 00:37:17,780

okay I hadn't seen him in years I'm on

901
00:37:25,270 --> 00:37:22,670
the plane and the plane is a stopover in

902
00:37:28,539 --> 00:37:25,280
st. Louis okay so i get off the plate

903
00:37:29,450 --> 00:37:28,549
and i go to the restaurant in a diner or

904
00:37:31,190 --> 00:37:29,460
whatever's in the airport

905
00:37:32,930 --> 00:37:31,200
to get a bite to eat and something that

906
00:37:35,630 --> 00:37:32,940
you know a beer or something a drink us

907
00:37:38,300 --> 00:37:35,640
is probably to our weight so I get into

908
00:37:40,870 --> 00:37:38,310
the restaurant I get into the restaurant

909
00:37:43,970 --> 00:37:40,880
and lo and behold who is sitting at the

910
00:37:46,970 --> 00:37:43,980
table but George faucet who I hadn't

911
00:37:49,010 --> 00:37:46,980
seen and I don't know maybe 20 years or

912
00:37:52,210 --> 00:37:49,020
something like that but I figured oh

913
00:37:55,010 --> 00:37:52,220

he's on his way to the same you fought a

914

00:37:57,230 --> 00:37:55,020

conference in Denver and we both stopped

915

00:37:59,240 --> 00:37:57,240

that's not too much was secretive city

916

00:38:00,710 --> 00:37:59,250

size and George you're going to the moon

917

00:38:02,870 --> 00:38:00,720

conference he said no I didn't even know

918

00:38:06,170 --> 00:38:02,880

this am you fond conference I'm going to

919

00:38:08,270 --> 00:38:06,180

Roswell to see about donating my library

920

00:38:10,579 --> 00:38:08,280

to them so here's a guy I meet in the

921

00:38:12,859 --> 00:38:10,589

airport you know 2,000 miles away from

922

00:38:15,109 --> 00:38:12,869

where i live in another 2,000 miles away

923

00:38:16,849 --> 00:38:15,119

from hela where he lives and we're just

924

00:38:18,320 --> 00:38:16,859

both going about our business we hadn't

925

00:38:20,900 --> 00:38:18,330

seen each other in 20 years and he said

926

00:38:23,570 --> 00:38:20,910

hi and you know you know a lot of people

927

00:38:25,700 --> 00:38:23,580

wonder is there something more behind

928

00:38:27,650 --> 00:38:25,710

this than just coincidence me some of

929

00:38:29,960 --> 00:38:27,660

these things are just so bizarre behind

930

00:38:31,790 --> 00:38:29,970

the paranormal exactly yeah yeah that

931

00:38:34,130 --> 00:38:31,800

there would be you know there was one

932

00:38:36,140 --> 00:38:34,140

one fellow iron is a good friend of mine

933

00:38:38,329 --> 00:38:36,150

and he lives over here in smithfield

934

00:38:41,480 --> 00:38:38,339

rhode island and he was in Scotland on

935

00:38:42,650 --> 00:38:41,490

the Isle of Skye middle of nowhere he

936

00:38:45,020 --> 00:38:42,660

and his wife are going to have dinner

937

00:38:47,420 --> 00:38:45,030

this little pub with four seats in at

938

00:38:49,400 --> 00:38:47,430

middle of some little lamed wasn't even

939

00:38:52,250 --> 00:38:49,410

paved and he walked in there and

940

00:38:55,460 --> 00:38:52,260

obviously heard hey Jack huh and it was

941

00:38:58,339 --> 00:38:55,470

a guy who Smithfield all right yeah and

942

00:39:00,920 --> 00:38:58,349

I me I looked at up this like 20 million

943

00:39:02,750 --> 00:39:00,930

to one yes the chances of that well it's

944

00:39:08,150 --> 00:39:02,760

been oh yeah it's going to happen every

945

00:39:10,250 --> 00:39:08,160

once in a blue moon I mean okay and you

946

00:39:12,910 --> 00:39:10,260

can say but to have it happening

947

00:39:16,010 --> 00:39:12,920

repeatedly a time and time again now

948

00:39:20,290 --> 00:39:16,020

there's a fellow he's deceased about it

949

00:39:24,290 --> 00:39:20,300

even John see Lily John see lily I was a

950

00:39:25,609 --> 00:39:24,300

scientist and he did communications with

951
00:39:28,540 --> 00:39:25,619
dolphins I guess that's what he's best

952
00:39:31,160 --> 00:39:28,550
known for but he had so many

953
00:39:32,270 --> 00:39:31,170
synchronicities in his life that he

954
00:39:36,859 --> 00:39:32,280
thought that there was actually a

955
00:39:40,280 --> 00:39:36,869
governing board he called it e CCO earth

956
00:39:41,540 --> 00:39:40,290
coincidence control office and and he

957
00:39:43,820 --> 00:39:41,550
believed that these coincidences

958
00:39:45,740 --> 00:39:43,830
mrs. were really put in front of people

959
00:39:47,420 --> 00:39:45,750
to kind of guide them and lead them in

960
00:39:50,810 --> 00:39:47,430
their lives towards maybe a certain

961
00:39:52,520 --> 00:39:50,820
destiny or something like that I i think

962
00:39:55,250 --> 00:39:52,530
that there's somebody controlling some

963
00:39:58,130 --> 00:39:55,260

of this I mean I I it can't be random

964

00:40:00,710 --> 00:39:58,140

maybe it could prove that there's a god

965

00:40:03,790 --> 00:40:00,720

but i'm not i'm not an atheist but I'm

966

00:40:07,010 --> 00:40:03,800

not a believer either it could prove

967

00:40:09,140 --> 00:40:07,020

we're part of somebody's matrix and this

968

00:40:12,610 --> 00:40:09,150

could be you know the engineers at some

969

00:40:15,820 --> 00:40:12,620

giant computer board and this is there

970

00:40:18,080 --> 00:40:15,830

they're playing a Nintendo with us I

971

00:40:20,420 --> 00:40:18,090

mean I don't know I don't know what it

972

00:40:23,270 --> 00:40:20,430

proves now maybe some people have

973

00:40:26,900 --> 00:40:23,280

synchronicities that tell them to play

974

00:40:28,670 --> 00:40:26,910

to certain slot machine or the window

975

00:40:32,270 --> 00:40:28,680

you know the race at the pie I haven't

976
00:40:35,900 --> 00:40:32,280
had anything as monumental as that but

977
00:40:38,390 --> 00:40:35,910
it certainly proved to me that there is

978
00:40:40,250 --> 00:40:38,400
some sort of outside intelligence I

979
00:40:41,960 --> 00:40:40,260
don't believe that I mean the list is

980
00:40:45,170 --> 00:40:41,970
getting longer and longer that it could

981
00:40:48,770 --> 00:40:45,180
possibly be that random and why do they

982
00:40:51,830 --> 00:40:48,780
seemingly pick some people like myself

983
00:40:53,990 --> 00:40:51,840
and not other people or maybe they do

984
00:40:55,760 --> 00:40:54,000
and other people just kind of brush it

985
00:40:59,180 --> 00:40:55,770
off or don't notice it because they're

986
00:41:01,850 --> 00:40:59,190
not interested in here yeah what out of

987
00:41:04,880 --> 00:41:01,860
the look looking at well Chris maybe I'm

988
00:41:07,280 --> 00:41:04,890

he's given me angrier no well yeah

989

00:41:09,560 --> 00:41:07,290

because now I after all these years I

990

00:41:10,910 --> 00:41:09,570

kind of didn't want to do any talk shows

991

00:41:13,090 --> 00:41:10,920

anymore because I got tired talking

992

00:41:15,350 --> 00:41:13,100

about my three UFO sightings and

993

00:41:17,060 --> 00:41:15,360

personalities and stuff so now I got

994

00:41:20,360 --> 00:41:17,070

something else because I've been into

995

00:41:22,160 --> 00:41:20,370

the paranormal you know my grandfather

996

00:41:24,500 --> 00:41:22,170

and my father's side of the family so a

997

00:41:26,240 --> 00:41:24,510

headless horseman really like yeah my

998

00:41:28,670 --> 00:41:26,250

life was saved in my him say I've ever

999

00:41:30,920 --> 00:41:28,680

had Irish yet my life might have been

1000

00:41:33,560 --> 00:41:30,930

saved by a guardian angel is something

1001
00:41:35,530 --> 00:41:33,570
like mine was boys yeah okay so I know

1002
00:41:38,450 --> 00:41:35,540
that there is something out there

1003
00:41:39,950 --> 00:41:38,460
besides us maybe they're trying to

1004
00:41:41,600 --> 00:41:39,960
communicate with us just like we're

1005
00:41:43,820 --> 00:41:41,610
trying to communicate with them but

1006
00:41:46,460 --> 00:41:43,830
maybe we're using the wrong language I

1007
00:41:49,190 --> 00:41:46,470
cut you or you must be familiar with

1008
00:41:52,190 --> 00:41:49,200
leann akhiyan no key in the language of

1009
00:41:54,950 --> 00:41:52,200
job because our ancestor but not Joe

1010
00:41:57,620 --> 00:41:54,960
lead you know i'm joking

1011
00:42:00,920 --> 00:41:57,630
good one good at that distance in time

1012
00:42:02,390 --> 00:42:00,930
at all everybody's antsy okay but anyway

1013
00:42:05,450 --> 00:42:02,400

they were trying they came up with a

1014

00:42:07,339 --> 00:42:05,460

language to to speak with the angels

1015

00:42:09,410 --> 00:42:07,349

which you've ever tried it is pretty

1016

00:42:10,910 --> 00:42:09,420

incomprehensible I'm sorry I'm it's uh

1017

00:42:12,740 --> 00:42:10,920

some people who spent their whole

1018

00:42:14,930 --> 00:42:12,750

lifetime trying to figure out the enoki

1019

00:42:17,930 --> 00:42:14,940

and the Alliance they're like that it is

1020

00:42:20,030 --> 00:42:17,940

it's like a giant decoder if you've ever

1021

00:42:21,349 --> 00:42:20,040

seen it it's like one layer on top of

1022

00:42:22,940 --> 00:42:21,359

another layer and you got to turn this

1023

00:42:24,650 --> 00:42:22,950

thing one way and to come up with a

1024

00:42:26,900 --> 00:42:24,660

meeting to say it's pretty it's pretty

1025

00:42:29,930 --> 00:42:26,910

strange but people have long thought

1026

00:42:32,120 --> 00:42:29,940

that there's a way to connect with the

1027

00:42:34,430 --> 00:42:32,130

Angels over some of this outside and now

1028

00:42:36,920 --> 00:42:34,440

we tried burning candles and levitating

1029

00:42:38,599 --> 00:42:36,930

tables during the Spiritualist movement

1030

00:42:40,940 --> 00:42:38,609

but I'm not sure that that really told

1031

00:42:43,250 --> 00:42:40,950

us too much either maybe some of the

1032

00:42:46,300 --> 00:42:43,260

phenomena is real and maybe a lot of it

1033

00:42:49,280 --> 00:42:46,310

wasn't it's kind of hard to say but

1034

00:42:50,839 --> 00:42:49,290

we're trying to talk to them but maybe

1035

00:42:52,579 --> 00:42:50,849

they're being more successful in

1036

00:42:54,530 --> 00:42:52,589

communicating with us but we don't know

1037

00:42:56,390 --> 00:42:54,540

what language you're using well maybe

1038

00:42:58,339 --> 00:42:56,400

not well of course of the reader the

1039

00:43:00,890 --> 00:42:58,349

we'd read ism speaking as a writer the

1040

00:43:02,420 --> 00:43:00,900

listeners know that we rely a lot of the

1041

00:43:05,510 --> 00:43:02,430

multiverse idea is rightly or wrongly

1042

00:43:07,730 --> 00:43:05,520

and I would tend to look toward that

1043

00:43:09,770 --> 00:43:07,740

perhaps a term people might understand

1044

00:43:13,730 --> 00:43:09,780

will be the collective unconscious that

1045

00:43:16,700 --> 00:43:13,740

young would use and we have all sorts of

1046

00:43:19,760 --> 00:43:16,710

parallel lives we're living according to

1047

00:43:21,140 --> 00:43:19,770

this anyway that's all part of us and

1048

00:43:23,570 --> 00:43:21,150

really ultimately we're all part of each

1049

00:43:26,030 --> 00:43:23,580

other and I think that might be the the

1050

00:43:29,240 --> 00:43:26,040

highway or the network or the matrix

1051

00:43:31,670 --> 00:43:29,250

perhaps by which these coincidences may

1052

00:43:34,310 --> 00:43:31,680

occur these synchronicity so that's I

1053

00:43:36,620 --> 00:43:34,320

don't know I I think I think yes maybe

1054

00:43:40,040 --> 00:43:36,630

in some cases but it has to go beyond

1055

00:43:43,220 --> 00:43:40,050

that I don't know it is again control so

1056

00:43:46,640 --> 00:43:43,230

can't really trying to either trying to

1057

00:43:49,280 --> 00:43:46,650

you know like this is what is a recycle

1058

00:43:51,440 --> 00:43:49,290

or a funny bone yeah oh and think that

1059

00:43:53,089 --> 00:43:51,450

they're you know like being playful

1060

00:43:55,040 --> 00:43:53,099

where there is a sense of humor behind

1061

00:43:57,170 --> 00:43:55,050

yeah yeah one thinks of the Greeks and

1062

00:43:59,180 --> 00:43:57,180

Romans in the bleeding that the gods are

1063

00:44:01,910 --> 00:43:59,190

actually literally played with us as

1064

00:44:03,980 --> 00:44:01,920

just for their own entertainment welcome

1065

00:44:06,560 --> 00:44:03,990

to iCarly in Charles forums the charles

1066

00:44:08,300 --> 00:44:06,570

fort fort thought that we were like

1067

00:44:10,160 --> 00:44:08,310

chess pieces you know

1068

00:44:12,860 --> 00:44:10,170

and some big game and we were being

1069

00:44:15,230 --> 00:44:12,870

controlled or somebody's manipulating as

1070

00:44:17,450 --> 00:44:15,240

I I wouldn't say that that's impossible

1071

00:44:22,400 --> 00:44:17,460

but I don't want to get too paranoid

1072

00:44:24,260 --> 00:44:22,410

about it I've you know Charlie fort

1073

00:44:25,760 --> 00:44:24,270

wrote twice about Woonsocket is a matter

1074

00:44:30,170 --> 00:44:25,770

of fact is that right yeah charles fort

1075

00:44:32,660 --> 00:44:30,180

was a renowned chronicler of odd

1076

00:44:34,220 --> 00:44:32,670

phenomenon he was and he spent a great

1077

00:44:35,960 --> 00:44:34,230

deal of time in the New York Public

1078

00:44:37,790 --> 00:44:35,970

Library they did what he was born in

1079

00:44:39,410 --> 00:44:37,800

England yes but then he moved to the

1080

00:44:40,910 --> 00:44:39,420

United States you know you knew you were

1081

00:44:44,420 --> 00:44:40,920

gonna live in New York someday so he was

1082

00:44:47,480 --> 00:44:44,430

mostly true you know he's buried in the

1083

00:44:50,030 --> 00:44:47,490

rural cemetery outside of Albany and

1084

00:44:53,420 --> 00:44:50,040

there have been some mysterious things

1085

00:44:56,750 --> 00:44:53,430

going on up there there's a lady that I

1086

00:44:58,820 --> 00:44:56,760

that I know I color the MIB lady who

1087

00:45:01,340 --> 00:44:58,830

lives outside of Albany and we've not up

1088

00:45:03,680 --> 00:45:01,350

there and there's a well what are the

1089

00:45:06,050 --> 00:45:03,690

vice one of the presidents is a buried

1090

00:45:09,560 --> 00:45:06,060

there they can't think it is Oh Franklin

1091

00:45:12,350 --> 00:45:09,570

Pierce I think of yeah okay but anyway

1092

00:45:16,550 --> 00:45:12,360

there's a reflection pool there and in

1093

00:45:19,460 --> 00:45:16,560

and sometimes these black cars show up

1094

00:45:21,830 --> 00:45:19,470

and they circle the the reflecting pool

1095

00:45:23,090 --> 00:45:21,840

and disappear now I'm wondering if the

1096

00:45:24,620 --> 00:45:23,100

president that's buried there wasn't a

1097

00:45:26,090 --> 00:45:24,630

member of some secret society or

1098

00:45:27,980 --> 00:45:26,100

something like that black cars in a

1099

00:45:30,140 --> 00:45:27,990

cemetery on to unusual but disappearing

1100

00:45:32,360 --> 00:45:30,150

it great Oh in fact that they've had

1101
00:45:34,280 --> 00:45:32,370
they've had a couple that have been seen

1102
00:45:37,910 --> 00:45:34,290
in their pajamas flying over the

1103
00:45:40,280 --> 00:45:37,920
tombstones at night vidura a dress more

1104
00:45:43,100 --> 00:45:40,290
appropriately where they go there and

1105
00:45:47,090 --> 00:45:43,110
then uh dogs with the you know like red

1106
00:45:48,650 --> 00:45:47,100
eyes and things like that and and then

1107
00:45:50,660 --> 00:45:48,660
the cars it disappeared they'll go down

1108
00:45:52,460 --> 00:45:50,670
the lanes and never come out again and

1109
00:45:54,620 --> 00:45:52,470
when they pass people who are sitting in

1110
00:45:56,450 --> 00:45:54,630
the driver's seat they won't hear any

1111
00:45:58,940 --> 00:45:56,460
grass or gravel but they won't hear any

1112
00:46:00,950 --> 00:45:58,950
sounds or anything is nothing weird but

1113
00:46:02,900 --> 00:46:00,960

I'm sorry did me to cut you off to oh no

1114

00:46:04,400 --> 00:46:02,910

no no no I hadn't heard of that case but

1115

00:46:05,810 --> 00:46:04,410

yeah no that's all really all I was

1116

00:46:07,460 --> 00:46:05,820

gonna say about that was it you know 10

1117

00:46:10,610 --> 00:46:07,470

he wrote a possibility vote about here

1118

00:46:12,620 --> 00:46:10,620

oh yes yes yeah well one was Marie

1119

00:46:15,530 --> 00:46:12,630

Rose farron who was known locally as

1120

00:46:18,320 --> 00:46:15,540

sort of a still as a worldwide following

1121

00:46:20,210 --> 00:46:18,330

as sort of a saint okay she had the

1122

00:46:20,480 --> 00:46:20,220

stigmata this must be like the wounds of

1123

00:46:22,190 --> 00:46:20,490

car

1124

00:46:26,390 --> 00:46:22,200

so then she looked over here on asylum

1125

00:46:28,850 --> 00:46:26,400

street for a while and said that

1126

00:46:30,620 --> 00:46:28,860

Providence state as well but you know I

1127

00:46:32,810 --> 00:46:30,630

never paid too much attention to that

1128

00:46:34,250 --> 00:46:32,820

except that I was in the cemetery one

1129

00:46:35,980 --> 00:46:34,260

day over here Precious Blood cemetery

1130

00:46:38,300 --> 00:46:35,990

and taking on a black stone mass border

1131

00:46:42,280 --> 00:46:38,310

taking some photographs just because the

1132

00:46:44,690 --> 00:46:42,290

governor pas ta has a beautiful

1133

00:46:46,340 --> 00:46:44,700

mausoleum I thought it might illustrate

1134

00:46:47,990 --> 00:46:46,350

my talks I don't usually get too much of

1135

00:46:49,400 --> 00:46:48,000

the cemetery is that is that something

1136

00:46:50,750 --> 00:46:49,410

to get a better place when you died and

1137

00:46:53,210 --> 00:46:50,760

when you're alive that sort of thing

1138

00:46:54,950 --> 00:46:53,220

exactly he's really more expensive but

1139

00:46:56,600 --> 00:46:54,960

her grave was there's flat stone very

1140

00:46:58,790 --> 00:46:56,610

unusual flowers are honor than her bio

1141

00:47:00,770 --> 00:46:58,800

was there on a little card and took five

1142

00:47:04,340 --> 00:47:00,780

shots the first one was completely black

1143

00:47:07,250 --> 00:47:04,350

and they became brighter as they went

1144

00:47:10,850 --> 00:47:07,260

this is this a slide kodachrome you know

1145

00:47:12,080 --> 00:47:10,860

slide photography and it was amazing it

1146

00:47:14,120 --> 00:47:12,090

looks as though there was light coming

1147

00:47:16,120 --> 00:47:14,130

from the grinning and uh and I have a

1148

00:47:18,170 --> 00:47:16,130

sort of a control shot with the same

1149

00:47:19,670 --> 00:47:18,180

shot of this clouds in the background

1150

00:47:22,070 --> 00:47:19,680

you can see at the same time in place

1151
00:47:23,060 --> 00:47:22,080
and I've never really been able to

1152
00:47:26,690 --> 00:47:23,070
explain it but I thought it was

1153
00:47:28,099 --> 00:47:26,700
interesting so he wrote about her and I

1154
00:47:31,310 --> 00:47:28,109
believe he also wrote about the The

1155
00:47:33,710 --> 00:47:31,320
Devil's Hole for now yes yeah we

1156
00:47:38,050 --> 00:47:33,720
supposedly is on the Woonsocket hill

1157
00:47:39,770 --> 00:47:38,060
here right back where we live where the

1158
00:47:41,240 --> 00:47:39,780
wolves were coming out of the ground

1159
00:47:43,160 --> 00:47:41,250
demons and all the sort of thing and

1160
00:47:45,020 --> 00:47:43,170
some pride notice the cat in your yard

1161
00:47:46,460 --> 00:47:45,030
his hair was standing on end so big oh

1162
00:47:49,160 --> 00:47:46,470
yeah well I yeah the neighbor Canada

1163
00:47:51,950 --> 00:47:49,170

think six hours yeah yes it was the

1164

00:47:53,960 --> 00:47:51,960

first one he met with Tim Tim arrived

1165

00:47:55,820 --> 00:47:53,970

but so yeah charles fort was aware of

1166

00:47:57,859 --> 00:47:55,830

woonsocket and it is a very interesting

1167

00:48:00,200 --> 00:47:57,869

place of course with Joe farrier here a

1168

00:48:01,880 --> 00:48:00,210

lot of UFO sightings and still going on

1169

00:48:04,070 --> 00:48:01,890

we get calls what we do shows about that

1170

00:48:06,590 --> 00:48:04,080

so and it's coming close to that time of

1171

00:48:10,340 --> 00:48:06,600

year isn't it is already October true

1172

00:48:12,620 --> 00:48:10,350

yes yes it is so interesting so well

1173

00:48:14,150 --> 00:48:12,630

tell us before we run out of time here

1174

00:48:15,770 --> 00:48:14,160

serious i go to youtube its am what a

1189

00:49:02,120 --> 00:48:57,420

1190

00:49:03,290 --> 00:49:02,130

come on mr. UFOs secret files and you

1191

00:49:05,990 --> 00:49:03,300

can find some pretty interesting

1192

00:49:08,720 --> 00:49:06,000

interviews I mean people say oh he asks

1193

00:49:10,550 --> 00:49:08,730

the right questions and hopefully they

1194

00:49:11,780 --> 00:49:10,560

give the right answers well you can't

1195

00:49:15,350 --> 00:49:11,790

get the right answers if you ask the

1196

00:49:17,060 --> 00:49:15,360

wrong cat right oh yes so so Tim tell us

1197

00:49:18,560 --> 00:49:17,070

that we don't deal much with in there

1198

00:49:22,310 --> 00:49:18,570

last year this year Batman will give us

1199

00:49:24,440 --> 00:49:22,320

a signal yes no conspiracy journal thing

1200

00:49:25,940 --> 00:49:24,450

we as I mentioned in the truck on the

1201

00:49:27,650 --> 00:49:25,950

way over here I've never been a

1202

00:49:30,290 --> 00:49:27,660

conspiracy theorist but I'm getting

1203

00:49:32,840 --> 00:49:30,300

there what what do you believe about

1204

00:49:36,740 --> 00:49:32,850

conspiracies a lot of us in kind you

1205

00:49:39,920 --> 00:49:36,750

know I don't okay um I'm not that much

1206

00:49:42,320 --> 00:49:39,930

of a first of all the website is Tim

1207

00:49:44,690 --> 00:49:42,330

schwartzky the you know associate of mine

1208

00:49:48,220 --> 00:49:44,700

he does the website put out say puts out

1209

00:49:53,090 --> 00:49:48,230

a weekly newsletter that's emailed free

1210

00:49:56,840 --> 00:49:53,100

2000s of people my conspiracies a course

1211

00:50:00,950 --> 00:49:56,850

are more paranormal in nature but we've

1212

00:50:02,330 --> 00:50:00,960

talked about attempts to course prevent

1213

00:50:05,000 --> 00:50:02,340

people from getting information about

1214

00:50:08,530 --> 00:50:05,010

like a free energy sources Nikola Tesla

1215

00:50:12,770 --> 00:50:08,540

there's a lot of books on that subject

1216

00:50:14,270 --> 00:50:12,780

I'm big I probably in the the publishers

1217

00:50:17,090 --> 00:50:14,280

put out more books on the inner earth

1218

00:50:18,740 --> 00:50:17,100

and Hollow Earth mysteries that the

1219

00:50:20,300 --> 00:50:18,750

planet may in fact where the Schreiber

1220

00:50:21,980 --> 00:50:20,310

is just that a book called the alien

1221

00:50:24,110 --> 00:50:21,990

hunter or underground or something oh

1222

00:50:27,800 --> 00:50:24,120

yeah yeah just came out I guess a couple

1223

00:50:30,530 --> 00:50:27,810

of weeks ago and you know I've written

1224

00:50:31,820 --> 00:50:30,540

about that for I don't know 40 years or

1225

00:50:33,410 --> 00:50:31,830

50 years that's one of the first books

1226

00:50:34,820 --> 00:50:33,420

that i did was a shaver mystery in the

1227

00:50:36,890 --> 00:50:34,830

Inner Earth which is now the

1228

00:50:39,080 --> 00:50:36,900

subterranean world's insider that you

1229

00:50:42,320 --> 00:50:39,090

get on Amazon or you can just go to

1230

00:50:45,050 --> 00:50:42,330

Amazon and type of my name Timothy

1231

00:50:46,840 --> 00:50:45,060

beckley and I don't know 200 days or

1232

00:50:49,180 --> 00:50:46,850

something will appear because I was just

1233

00:50:51,040 --> 00:50:49,190

my name on it is just as editor or

1234

00:50:54,250 --> 00:50:51,050

something so that's easier to just okay

1235

00:50:56,680 --> 00:50:54,260

do an order from amazon or us or you

1236

00:50:58,900 --> 00:50:56,690

know Bart okay library and their their

1237

00:51:00,880 --> 00:50:58,910

links to your sites from our site behind

1238

00:51:02,260 --> 00:51:00,890

the prey great great you know and thank

1239

00:51:04,690 --> 00:51:02,270

you by the way for coming all the way up

1240

00:51:06,340 --> 00:51:04,700

from Gotham City to be with us but I see

1241

00:51:09,100 --> 00:51:06,350

I had to do this because like i said

1242

00:51:11,560 --> 00:51:09,110

i've done a thousand show's over the

1243

00:51:15,520 --> 00:51:11,570

years radio TV and all I haven't been in

1244

00:51:17,260 --> 00:51:15,530

an actual radio studio it in ages

1245

00:51:20,350 --> 00:51:17,270

because most people just want you to do

1246

00:51:22,840 --> 00:51:20,360

it on the telephone or skype yes skype I

1247

00:51:24,700 --> 00:51:22,850

just I just put skype on my tablet but I

1248

00:51:26,200 --> 00:51:24,710

still live a little shaky about they're

1249

00:51:28,270 --> 00:51:26,210

using it no we have to use it for

1250

00:51:32,020 --> 00:51:28,280

overseas I have you I have a I have a

1251

00:51:34,300 --> 00:51:32,030

land line no in fact I do a show I

1252

00:51:37,600 --> 00:51:34,310

co-host the second Sunday of every month

1253

00:51:41,950 --> 00:51:37,610

it's on the edge the outer edge

1254

00:51:45,160 --> 00:51:41,960

radio.com and next month or this month

1255

00:51:47,320 --> 00:51:45,170

I'm having Larry airborne next sunday

1256

00:51:51,790 --> 00:51:47,330

night at midnight and then the following

1257

00:51:55,120 --> 00:51:51,800

a second sunday of November I'm having

1258

00:51:58,390 --> 00:51:55,130

Bruce on from China and we're gonna do

1259

00:52:01,720 --> 00:51:58,400

that from mainland China yeah I met him

1260

00:52:03,580 --> 00:52:01,730

through a synchronicity is well I I had

1261

00:52:04,780 --> 00:52:03,590

to get a refund or credit on a travel

1262

00:52:07,390 --> 00:52:04,790

ticket this is back when they were

1263

00:52:09,430 --> 00:52:07,400

actual travel ticket so I just gotten a

1264

00:52:10,990 --> 00:52:09,440

travel agency I went to the office of

1265

00:52:12,430 --> 00:52:11,000

where I had gotten a ticket and they

1266

00:52:14,620 --> 00:52:12,440

said oh go see that fellow over there

1267

00:52:16,480 --> 00:52:14,630

you know so I'm trying to explain to him

1268

00:52:18,250 --> 00:52:16,490

about the ticket being all messed up and

1269

00:52:19,450 --> 00:52:18,260

he agrees with me and then we'll figure

1270

00:52:21,190 --> 00:52:19,460

out that he was some credit or your

1271

00:52:22,330 --> 00:52:21,200

money back or something and during the

1272

00:52:24,040 --> 00:52:22,340

course of the conversation while I

1273

00:52:25,240 --> 00:52:24,050

figuring out how to do this you know

1274

00:52:27,550 --> 00:52:25,250

what do you do by the way they said oh

1275

00:52:29,640 --> 00:52:27,560

you know I lecture and right on the

1276

00:52:32,800 --> 00:52:29,650

paranormal and mainly UFOs and he says

1277

00:52:34,630 --> 00:52:32,810

that's interesting well about four years

1278

00:52:37,630 --> 00:52:34,640

later having a party given by a local

1279

00:52:39,520 --> 00:52:37,640

contact e and he's there hmm and I

1280

00:52:41,770 --> 00:52:39,530

didn't recognize him at first and we got

1281

00:52:43,450 --> 00:52:41,780

to talk at ease yeah I know you you came

1282

00:52:44,470 --> 00:52:43,460

into the travel agent to get a refund on

1283

00:52:45,820 --> 00:52:44,480

your ticket that's what what are you

1284

00:52:47,890 --> 00:52:45,830

doing here you didn't have that interest

1285

00:52:49,270 --> 00:52:47,900

in study said no but after I talked to

1286

00:52:51,310 --> 00:52:49,280

you I went out and read a couple of

1287

00:52:53,860 --> 00:52:51,320

things and you know I became interested

1288

00:52:56,230 --> 00:52:53,870

I met Mike and fellow she work for local

1289

00:52:58,530 --> 00:52:56,240

TV station there in New York and he went

1290

00:53:01,680 --> 00:52:58,540

on along with a lady did he

1291

00:53:03,380 --> 00:53:01,690

I think he married a later on Marjorie

1292

00:53:05,670 --> 00:53:03,390

pie from Australia they actually found

1293

00:53:07,770 --> 00:53:05,680

pyramids they uncovered pyramids in

1294

00:53:09,180 --> 00:53:07,780

Australia well we know now that their

1295

00:53:11,220 --> 00:53:09,190

pyramids all over the world even though

1296

00:53:16,560 --> 00:53:11,230

officially were only told about the ones

1297

00:53:18,240 --> 00:53:16,570

in Egypt and maybe Mexico sure go in

1298

00:53:20,430 --> 00:53:18,250

with natural America's over like that

1299

00:53:24,240 --> 00:53:20,440

but during Australia there in China and

1300

00:53:25,770 --> 00:53:24,250

you know gosh knows where else and I

1301
00:53:27,270 --> 00:53:25,780
mean you can see by the landscape well

1302
00:53:29,550 --> 00:53:27,280
let's appear but yeah so what no it

1303
00:53:32,190 --> 00:53:29,560
isn't you know rubbish piled I'm sorry

1304
00:53:34,410 --> 00:53:32,200
guy so anyway he that was a little

1305
00:53:36,420 --> 00:53:34,420
synchronicity and what it is it's

1306
00:53:37,410 --> 00:53:36,430
amazing it's full of them okay Ben let's

1307
00:53:39,840 --> 00:53:37,420
