

**RICK
HILLBERG**

**TIM
BECKLEY**

**T ALLEN
GREENFIELD**

**TIM
SWARTZ**

**CARLA
ANDERSON**

1
00:00:14,920 --> 00:00:28,830
um

2
00:00:34,709 --> 00:00:31,269
hmm

3
00:00:35,270 --> 00:00:34,719
it's unraveling the secrets and this is

4
00:00:38,310 --> 00:00:35,280
another

5
00:00:41,830 --> 00:00:38,320
episode and i am typically bettly

6
00:00:42,549 --> 00:00:41,840
mr ufo and on the other side of the

7
00:00:45,990 --> 00:00:42,559
hudson

8
00:00:48,150 --> 00:00:46,000
we have carla anderson

9
00:00:49,350 --> 00:00:48,160
carla how are you this evening i'm good

10
00:00:51,270 --> 00:00:49,360
how you doing

11
00:00:52,549 --> 00:00:51,280
well you know if anything can go wrong

12
00:00:54,470 --> 00:00:52,559
it will go wrong

13
00:00:56,150 --> 00:00:54,480

yeah we're getting a rough start we're

14

00:01:01,830 --> 00:00:56,160

here here

15

00:01:03,510 --> 00:01:01,840

and a half an hour short but yeah work

16

00:01:03,990 --> 00:01:03,520

with your folks and we're gonna make up

17

00:01:06,390 --> 00:01:04,000

for it

18

00:01:08,550 --> 00:01:06,400

with some of the most lively discussions

19

00:01:11,429 --> 00:01:08,560

on the paranormal and ufo

20

00:01:13,750 --> 00:01:11,439

because we've got some great guests and

21

00:01:17,830 --> 00:01:13,760

we've also got a great producer in

22

00:01:19,350 --> 00:01:17,840

edinger down here i'm usually saying i'm

23

00:01:20,710 --> 00:01:19,360

used to saying angel down there in

24

00:01:23,429 --> 00:01:20,720

florida but no

25

00:01:24,789 --> 00:01:23,439

uh up there or sideways or somewhere in

26

00:01:33,670 --> 00:01:24,799

indiana

27

00:01:37,510 --> 00:01:35,510

you'll have to you have to back off from

28

00:01:39,510 --> 00:01:37,520

your computer a little bit because i can

29

00:01:42,230 --> 00:01:39,520

hear everybody echoing through your uh

30

00:01:43,910 --> 00:01:42,240

speakers there

31

00:01:49,109 --> 00:01:43,920

ever since we have this men in black

32

00:01:49,119 --> 00:01:53,510

the truth comes out

33

00:01:59,749 --> 00:01:57,270

you can't mention the men in black

34

00:02:00,469 --> 00:01:59,759

oh i just did that's right and that

35

00:02:03,590 --> 00:02:00,479

voice there

36

00:02:10,790 --> 00:02:03,600

that's that's alan greenfield hi alan hi

37

00:02:17,830 --> 00:02:13,830

no no tim beckley i'm just like this

38

00:02:22,309 --> 00:02:17,840

yes yes tim well i don't know

39

00:02:24,150 --> 00:02:22,319

ellen yes what are you doing

40

00:02:25,990 --> 00:02:24,160

and looking at the computer like it's

41

00:02:27,750 --> 00:02:26,000

going to do something instead of just

42

00:02:30,790 --> 00:02:27,760

talking about tonight alan

43

00:02:32,390 --> 00:02:30,800

uh we're going to talk about uh the what

44

00:02:34,949 --> 00:02:32,400

do you want to talk about

45

00:02:35,750 --> 00:02:34,959

what i want to talk about is why we have

46

00:02:39,670 --> 00:02:35,760

had this

47

00:02:40,790 --> 00:02:39,680

false dichotomy where ufos are concerned

48

00:02:44,070 --> 00:02:40,800

for the last

49

00:02:47,589 --> 00:02:44,080

60 years since way before i even got

50

00:02:49,670 --> 00:02:47,599

into it and i got into it 1960

51

00:02:52,070 --> 00:02:49,680

this this notion that either we're

52

00:02:54,150 --> 00:02:52,080

dealing with misidentification of

53

00:02:55,990 --> 00:02:54,160

natural objects or hoaxes

54

00:02:57,910 --> 00:02:56,000

or they've got to be spaceships from

55

00:03:00,949 --> 00:02:57,920

another planet it was like that was

56

00:03:03,149 --> 00:03:00,959

out there bingo right after the

57

00:03:04,630 --> 00:03:03,159

the term flying saucer was coined in

58

00:03:06,949 --> 00:03:04,640

1947

59

00:03:09,229 --> 00:03:06,959

and i don't think either of those things

60

00:03:12,630 --> 00:03:09,239

is the case i mean there are a lot of

61

00:03:15,750 --> 00:03:12,640

misidentified cases but we haven't

62

00:03:18,949 --> 00:03:15,760

seen ufos and

63

00:03:20,390 --> 00:03:18,959

ufo beings and abductions anywhere but

64

00:03:22,470 --> 00:03:20,400
on the earth

65

00:03:23,750 --> 00:03:22,480
so the question becomes why would that

66

00:03:26,070 --> 00:03:23,760
be the automatic

67

00:03:28,229 --> 00:03:26,080
first assumption about these things

68

00:03:31,270 --> 00:03:28,239
particularly if you get into as

69

00:03:34,949 --> 00:03:31,280
a few writers akiel and jacques villa

70

00:03:35,509 --> 00:03:34,959
and myself have gotten into cases from

71

00:03:39,270 --> 00:03:35,519
the

72

00:03:42,949 --> 00:03:39,280
flying saucer was

73

00:03:46,390 --> 00:03:42,959
uh coined around the ken arnold case

74

00:03:49,030 --> 00:03:46,400
june 24 1947 so

75

00:03:51,910 --> 00:03:49,040
they go back a long long way that

76

00:03:54,550 --> 00:03:51,920

eliminates the secret weapon idea

77

00:03:55,429 --> 00:03:54,560

it makes it a part of the history of the

78

00:03:58,309 --> 00:03:55,439

earth

79

00:04:00,149 --> 00:03:58,319

it makes it a part of our history and

80

00:04:02,309 --> 00:04:00,159

the question becomes

81

00:04:04,149 --> 00:04:02,319

why this assumption that they come from

82

00:04:06,470 --> 00:04:04,159

elsewhere they're not seen elsewhere

83

00:04:08,710 --> 00:04:06,480

they're not seen to come from elsewhere

84

00:04:10,390 --> 00:04:08,720

there is a general idea and i think it's

85

00:04:12,710 --> 00:04:10,400

probably true that there is life

86

00:04:15,750 --> 00:04:12,720

elsewhere in the universe but the

87

00:04:19,270 --> 00:04:15,760

distances are tremendous

88

00:04:21,430 --> 00:04:19,280

i think the reason that ufology has

89

00:04:23,350 --> 00:04:21,440

really gotten nowhere is first of all it

90

00:04:25,430 --> 00:04:23,360

hasn't applied a lot of the

91

00:04:27,430 --> 00:04:25,440

scientific principles that are involved

92

00:04:29,110 --> 00:04:27,440

in paranormal research

93

00:04:30,629 --> 00:04:29,120

at least in classical paranormal

94

00:04:32,790 --> 00:04:30,639

research we're not talking about the

95

00:04:34,629 --> 00:04:32,800

three plumbers on tv chasing ghosts

96

00:04:41,670 --> 00:04:34,639

that's

97

00:04:42,550 --> 00:04:41,680

entertaining if you like that sort of

98

00:04:44,469 --> 00:04:42,560

thing but not

99

00:04:46,070 --> 00:04:44,479

real useful from a scientific point of

100

00:04:49,909 --> 00:04:46,080

view so

101
00:04:53,189 --> 00:04:49,919
i think we need to shift the focus

102
00:04:54,950 --> 00:04:53,199
and not have this dichotomy of either

103
00:04:57,030 --> 00:04:54,960
or but rather say there are a whole

104
00:04:59,749 --> 00:04:57,040
range of possibilities

105
00:05:00,230 --> 00:04:59,759
and probably the direction that i have

106
00:05:03,270 --> 00:05:00,240
gone

107
00:05:07,110 --> 00:05:03,280
in most in the last 15

108
00:05:10,230 --> 00:05:07,120
20 years with increasing

109
00:05:13,830 --> 00:05:10,240
likelihood is that we are dealing with

110
00:05:17,110 --> 00:05:13,840
uh things that have to do with quantum

111
00:05:20,310 --> 00:05:17,120
mechanics and quantum reality and uh

112
00:05:23,670 --> 00:05:20,320
probably the multiple um

113
00:05:26,550 --> 00:05:23,680

uh world's uh uh interpretation of

114

00:05:29,510 --> 00:05:26,560

quantum theory which is that we are

115

00:05:31,909 --> 00:05:29,520

basically we coincide with many other

116

00:05:35,510 --> 00:05:31,919

realities that are just

117

00:05:37,189 --> 00:05:35,520

uh distances are really a useless

118

00:05:40,150 --> 00:05:37,199

measure but just say hairs

119

00:05:42,230 --> 00:05:40,160

distanced from us and once in a while

120

00:05:45,749 --> 00:05:42,240

they interpenetrate our reality

121

00:05:47,350 --> 00:05:45,759

and we're not really evolved to

122

00:05:51,270 --> 00:05:47,360

if you believe in that sort of thing

123

00:05:57,110 --> 00:05:54,390

eat avoid getting eaten and reproduce

124

00:05:57,749 --> 00:05:57,120

and so we don't have the sensory system

125

00:06:01,189 --> 00:05:57,759

to

126

00:06:03,510 --> 00:06:01,199

really see these things or or resolve

127

00:06:05,830 --> 00:06:03,520

them in any kind of realistic way so we

128

00:06:06,629 --> 00:06:05,840

resolve them according to our cultural

129

00:06:09,189 --> 00:06:06,639

background

130

00:06:10,629 --> 00:06:09,199

and circumstances and whatever but

131

00:06:13,990 --> 00:06:10,639

they're there all the time

132

00:06:16,230 --> 00:06:14,000

they're here right next to me right now

133

00:06:17,350 --> 00:06:16,240

or within me or outside of me and with

134

00:06:19,749 --> 00:06:17,360

you and with

135

00:06:21,189 --> 00:06:19,759

all the people that might be listening

136

00:06:23,350 --> 00:06:21,199

to us

137

00:06:25,830 --> 00:06:23,360

but once in a while they sort of break

138

00:06:29,189 --> 00:06:25,840

through and you get either

139

00:06:32,629 --> 00:06:29,199

you get you get their their music

140

00:06:35,749 --> 00:06:32,639

you get you get strange noises you

141

00:06:37,189 --> 00:06:35,759

see a ghost you see a ufo you you feel

142

00:06:40,550 --> 00:06:37,199

like you've been abducted

143

00:06:41,029 --> 00:06:40,560

maybe you have momentarily transported

144

00:06:43,909 --> 00:06:41,039

because

145

00:06:45,029 --> 00:06:43,919

time may be entirely different a second

146

00:06:47,510 --> 00:06:45,039

in a

147

00:06:49,350 --> 00:06:47,520

an alternate reality might seem like

148

00:06:52,469 --> 00:06:49,360

hours days weeks

149

00:06:54,390 --> 00:06:52,479

centuries even so um i

150

00:06:56,230 --> 00:06:54,400

i think that direction would be a lot

151

00:07:00,230 --> 00:06:56,240

more productive and i've been

152

00:07:03,830 --> 00:07:00,240

touting that for a long time but

153

00:07:05,189 --> 00:07:03,840

it gets very little play i even showed

154

00:07:07,990 --> 00:07:05,199

doesn't prove anything about their

155

00:07:12,309 --> 00:07:08,000

nature but i even showed a

156

00:07:16,230 --> 00:07:12,319

a way to predict in certain instances

157

00:07:19,430 --> 00:07:16,240

when a major ufo event is going to occur

158

00:07:20,950 --> 00:07:19,440

in one of my books and i've been waiting

159

00:07:24,629 --> 00:07:20,960

for somebody

160

00:07:27,670 --> 00:07:24,639

to duplicate the work that i did

161

00:07:28,870 --> 00:07:27,680

so that they could see you know prove it

162

00:07:30,710 --> 00:07:28,880

or disprove it

163

00:07:32,150 --> 00:07:30,720

and the interesting thing is that

164

00:07:35,189 --> 00:07:32,160

particular

165

00:07:39,029 --> 00:07:35,199

volume and its sequel have reached

166

00:07:42,870 --> 00:07:39,039

oh 50 60 000 people

167

00:07:45,270 --> 00:07:42,880

over the years and

168

00:07:47,029 --> 00:07:45,280

i have yet to hear i hear people you

169

00:07:47,749 --> 00:07:47,039

know i hear from people who want to know

170

00:07:51,029 --> 00:07:47,759

about it

171

00:07:53,270 --> 00:07:51,039

who who say a great book blah blah blah

172

00:07:54,070 --> 00:07:53,280

also people you crazy nut why don't you

173

00:07:56,629 --> 00:07:54,080

shut up or

174

00:07:57,589 --> 00:07:56,639

you know you're obviously one of them or

175

00:08:01,350 --> 00:07:57,599

whatever they

176

00:08:05,430 --> 00:08:01,360

care to say but nobody who has

177

00:08:08,790 --> 00:08:05,440

taken the trouble to duplicate the um

178

00:08:11,110 --> 00:08:08,800

the system that that i laid out

179

00:08:13,830 --> 00:08:11,120

and that seems very strange to me it's

180

00:08:16,710 --> 00:08:13,840

like a resistance to resolving this

181

00:08:18,950 --> 00:08:16,720

maybe we love a mystery so much that we

182

00:08:21,350 --> 00:08:18,960

want to keep it mysterious i really

183

00:08:23,189 --> 00:08:21,360

actually want to even if it turns out to

184

00:08:24,469 --> 00:08:23,199

be very different from the direction of

185

00:08:26,150 --> 00:08:24,479

my own thinking

186

00:08:28,309 --> 00:08:26,160

i really would like to see it resolved

187

00:08:30,230 --> 00:08:28,319

but as long as people are chasing nuts

188

00:08:33,350 --> 00:08:30,240

and bolts spacecraft

189

00:08:36,709 --> 00:08:33,360

i really think they're they're chasing a

190

00:08:43,509 --> 00:08:41,190

that's what i want to talk about

191

00:08:45,190 --> 00:08:43,519

well apparently i'm alone here alone no

192

00:08:46,710 --> 00:08:45,200

you're not alone i think that's a very i

193

00:08:47,190 --> 00:08:46,720

think that's a very no no you're you're

194

00:08:50,550 --> 00:08:47,200

definitely

195

00:08:54,870 --> 00:08:50,560

never alone

196

00:08:55,590 --> 00:08:54,880

alan speaking as a bishop putting on my

197

00:08:57,030 --> 00:08:55,600

other hat

198

00:08:59,110 --> 00:08:57,040

oh no no i have to take off my

199

00:09:01,190 --> 00:08:59,120

headphones to put on my miter

200

00:09:02,310 --> 00:09:01,200

uh we're never alone but that has

201
00:09:03,110 --> 00:09:02,320
nothing to do with what we're talking

202
00:09:05,110 --> 00:09:03,120
about

203
00:09:06,870 --> 00:09:05,120
that's right well okay for anybody

204
00:09:07,990 --> 00:09:06,880
interested the other uh the other voices

205
00:09:09,750 --> 00:09:08,000
you heard chiming in there

206
00:09:11,269 --> 00:09:09,760
is uh rick hilberg rick how are you

207
00:09:13,350 --> 00:09:11,279
doing tonight i'm not

208
00:09:15,350 --> 00:09:13,360
doing too bad at all how are you fellows

209
00:09:18,870 --> 00:09:15,360
dude yeah we're doing all right

210
00:09:21,030 --> 00:09:18,880
let's see carla are you still with us

211
00:09:23,829 --> 00:09:21,040
oh my gosh i've been talking this whole

212
00:09:25,670 --> 00:09:23,839
time

213
00:09:27,430 --> 00:09:25,680

how did you everybody saying rick

214

00:09:28,710 --> 00:09:27,440

hilbeck so what do you think about

215

00:09:29,750 --> 00:09:28,720

because since we're unraveling the

216

00:09:30,870 --> 00:09:29,760

secrets what do you think about what

217

00:09:32,630 --> 00:09:30,880

alan said

218

00:09:34,710 --> 00:09:32,640

well i think a lot of what he said is

219

00:09:36,230 --> 00:09:34,720

absolutely true i think there's been too

220

00:09:39,590 --> 00:09:36,240

much of an emphasis

221

00:09:40,230 --> 00:09:39,600

placed on you know chasing lights in the

222

00:09:42,389 --> 00:09:40,240

sky

223

00:09:44,310 --> 00:09:42,399

and under the assumption as he he

224

00:09:46,949 --> 00:09:44,320

brought up that we're dealing with some

225

00:09:49,430 --> 00:09:46,959

sort of extraterrestrial spaceships

226

00:09:51,190 --> 00:09:49,440

uh i think that's pretty well you know

227

00:09:52,230 --> 00:09:51,200

permeated the field since the very

228

00:09:54,310 --> 00:09:52,240

beginning or

229

00:09:56,389 --> 00:09:54,320

really right after the beginning i think

230

00:09:58,710 --> 00:09:56,399

in the early days of ufos right after

231

00:10:00,230 --> 00:09:58,720

the arnold siting at 47

232

00:10:01,829 --> 00:10:00,240

uh most of the people are thinking you

233

00:10:03,670 --> 00:10:01,839

know well these are probably secret

234

00:10:05,110 --> 00:10:03,680

weapons either from the united states or

235

00:10:07,030 --> 00:10:05,120

from you know russia

236

00:10:08,630 --> 00:10:07,040

and that was the assumption for a while

237

00:10:10,310 --> 00:10:08,640

and of course you had the

238

00:10:11,829 --> 00:10:10,320

all the cold war tensions and the

239

00:10:14,870 --> 00:10:11,839

explosion of uh

240

00:10:17,509 --> 00:10:14,880

all the very you know science fiction uh

241

00:10:19,590 --> 00:10:17,519

movies that that hit the the scene such

242

00:10:21,990 --> 00:10:19,600

as the day the earth stood still

243

00:10:23,350 --> 00:10:22,000

uh the thing from another world etc etc

244

00:10:26,310 --> 00:10:23,360

and those talked about you know

245

00:10:27,829 --> 00:10:26,320

visitation uh by extraterrestrials and i

246

00:10:31,670 --> 00:10:27,839

think that's that that's when this

247

00:10:35,190 --> 00:10:31,680

whole thing became popular um

248

00:10:36,870 --> 00:10:35,200

what alan brought up of course is

249

00:10:38,790 --> 00:10:36,880

he he called it at one time the

250

00:10:40,150 --> 00:10:38,800

alternate reality theory which is

251
00:10:42,150 --> 00:10:40,160
basically you know

252
00:10:44,310 --> 00:10:42,160
quantum physics is something that i

253
00:10:46,550 --> 00:10:44,320
really don't even understand

254
00:10:47,590 --> 00:10:46,560
even talking to the one of the

255
00:10:50,310 --> 00:10:47,600
godfathers

256
00:10:51,030 --> 00:10:50,320
of ufology the late uh dr j allen

257
00:10:53,190 --> 00:10:51,040
heineck

258
00:10:54,069 --> 00:10:53,200
he even admitted to to me and several

259
00:10:57,430 --> 00:10:54,079
other people

260
00:11:00,710 --> 00:10:57,440
that he had barely an inkling of

261
00:11:02,069 --> 00:11:00,720
of quantum theory it was all greek to

262
00:11:04,790 --> 00:11:02,079
him literally

263
00:11:06,389 --> 00:11:04,800

so uh we are dealing with some sort of

264

00:11:09,590 --> 00:11:06,399

tremendous mystery

265

00:11:12,230 --> 00:11:09,600

and um we are obviously going

266

00:11:13,590 --> 00:11:12,240

about investigating it in the wrong way

267

00:11:15,910 --> 00:11:13,600

maybe if we

268

00:11:17,910 --> 00:11:15,920

we open the parameters of our

269

00:11:20,550 --> 00:11:17,920

investigation a weed bits

270

00:11:21,829 --> 00:11:20,560

to include the evidence that's been

271

00:11:26,389 --> 00:11:21,839

excluded

272

00:11:28,150 --> 00:11:26,399

uh uh all these many years maybe we

273

00:11:29,670 --> 00:11:28,160

will finally come to some answers

274

00:11:31,350 --> 00:11:29,680

because there's just certain things that

275

00:11:34,870 --> 00:11:31,360

are unacceptable

276

00:11:37,670 --> 00:11:34,880

um any sort of paranormal aspect to a

277

00:11:39,190 --> 00:11:37,680

sighting uh in the past anyway has been

278

00:11:42,230 --> 00:11:39,200

you know that's it's been the

279

00:11:43,990 --> 00:11:42,240

the kiss of death the investigators do

280

00:11:46,230 --> 00:11:44,000

not want to hear about anything like

281

00:11:49,350 --> 00:11:46,240

that they don't want to hear about any

282

00:11:51,350 --> 00:11:49,360

sort of unusual occurrences of beings

283

00:11:53,590 --> 00:11:51,360

fading in and out walking through walls

284

00:11:56,949 --> 00:11:53,600

etc etc

285

00:11:59,910 --> 00:11:56,959

and it's only been and since the

286

00:12:00,710 --> 00:11:59,920

the explosion of the alleged abductions

287

00:12:02,710 --> 00:12:00,720

which

288

00:12:05,430 --> 00:12:02,720

took over the field literally back in

289

00:12:08,829 --> 00:12:05,440

the late 1970s and early 80s when

290

00:12:10,550 --> 00:12:08,839

some of these paranormal-like

291

00:12:12,629 --> 00:12:10,560

experiences become

292

00:12:15,590 --> 00:12:12,639

become accepted by certain researchers i

293

00:12:17,910 --> 00:12:15,600

think there's 10 back on the line now

294

00:12:19,990 --> 00:12:17,920

and you know am i back on the line i

295

00:12:23,670 --> 00:12:20,000

wonder

296

00:12:26,949 --> 00:12:23,680

yes but rick please continue this is

297

00:12:30,949 --> 00:12:29,750

well when people agree with me i find it

298

00:12:33,190 --> 00:12:30,959

fascinating

299

00:12:35,269 --> 00:12:33,200

and well of course and me too you know

300

00:12:37,670 --> 00:12:35,279

but but what you said before too

301

00:12:39,030 --> 00:12:37,680

also it we we have been dealing with

302

00:12:42,550 --> 00:12:39,040

basically the same

303

00:12:44,389 --> 00:12:42,560

phenomena going or phenomenon or maybe

304

00:12:46,230 --> 00:12:44,399

phenomena plural

305

00:12:47,829 --> 00:12:46,240

going throughout history if you if you

306

00:12:51,030 --> 00:12:47,839

look at some of the

307

00:12:52,069 --> 00:12:51,040

the abduction cases the small creatures

308

00:12:55,030 --> 00:12:52,079

etc you go back

309

00:12:56,629 --> 00:12:55,040

a few years into the past instead of

310

00:12:58,069 --> 00:12:56,639

grey aliens we're talking about little

311

00:12:59,030 --> 00:12:58,079

dwarves that would come out of these

312

00:13:00,550 --> 00:12:59,040

ufos

313

00:13:02,710 --> 00:13:00,560

if you go back further and further back

314

00:13:04,829 --> 00:13:02,720

into history we go back to the airship

315

00:13:07,590 --> 00:13:04,839

cases of 1896

316

00:13:10,550 --> 00:13:07,600

1897 um you'll get you know

317

00:13:12,230 --> 00:13:10,560

a few uh instances of diminutive

318

00:13:12,710 --> 00:13:12,240

creatures but a lot of times this you

319

00:13:14,470 --> 00:13:12,720

know

320

00:13:16,389 --> 00:13:14,480

normal looking humans if you go further

321

00:13:19,829 --> 00:13:16,399

back then you get into fairy lore

322

00:13:22,629 --> 00:13:19,839

and you find a certain you know uh

323

00:13:25,990 --> 00:13:22,639

similarity between the actions of the

324

00:13:28,230 --> 00:13:26,000

the the we folk and the you folk uh

325

00:13:29,829 --> 00:13:28,240

so uh we're really dealing with some

326

00:13:30,550 --> 00:13:29,839

sort of cultural phenomena that's been

327

00:13:33,269 --> 00:13:30,560

going on for

328

00:13:35,269 --> 00:13:33,279

for eons and i think the investigators

329

00:13:38,710 --> 00:13:35,279

these days and some of the major ufo

330

00:13:43,189 --> 00:13:38,720

organizations are are focusing too much

331

00:13:44,069 --> 00:13:43,199

on uh just looking at certain aspects of

332

00:13:46,310 --> 00:13:44,079

these cases

333

00:13:48,150 --> 00:13:46,320

and basically all that they're doing now

334

00:13:50,150 --> 00:13:48,160

is just chronicling cases

335

00:13:53,030 --> 00:13:50,160

uh getting them on file cards or on

336

00:13:54,710 --> 00:13:53,040

computer programs or whatever

337

00:13:56,389 --> 00:13:54,720

they're looking for patterns that

338

00:13:58,389 --> 00:13:56,399

probably don't exist

339

00:13:59,670 --> 00:13:58,399

because we are dealing with things that

340

00:14:02,870 --> 00:13:59,680

you would need

341

00:14:06,069 --> 00:14:02,880

even to

342

00:14:09,750 --> 00:14:06,079

to remotely find any kind of pattern

343

00:14:15,269 --> 00:14:09,760

in it hey hey everybody guess who's back

344

00:14:17,750 --> 00:14:15,279

hey the host has been shut out

345

00:14:19,269 --> 00:14:17,760

we're so busy over here too i i i know

346

00:14:20,629 --> 00:14:19,279

i've been it's very strange i've been

347

00:14:22,949 --> 00:14:20,639

hearing the conversation

348

00:14:24,629 --> 00:14:22,959

yes but uh i have not been able to get

349

00:14:27,670 --> 00:14:24,639

back on but now i have

350

00:14:28,550 --> 00:14:27,680

and i'm pulling in the rains and you

351
00:14:30,870 --> 00:14:28,560
know

352
00:14:32,310 --> 00:14:30,880
why because we're missing we're missing

353
00:14:33,269 --> 00:14:32,320
part of the purpose here i don't think

354
00:14:35,110 --> 00:14:33,279
we've talked about

355
00:14:36,550 --> 00:14:35,120
really why we're meeting here tonight

356
00:14:37,509 --> 00:14:36,560
and why is it that we're meeting here

357
00:14:40,710 --> 00:14:37,519
tonight because

358
00:14:41,750 --> 00:14:40,720
it is the 51st anniversary of the

359
00:14:46,069 --> 00:14:41,760
formation

360
00:14:52,389 --> 00:14:46,079
of a group that we were all involved in

361
00:14:56,150 --> 00:14:55,110
i don't know what you're talking about

362
00:15:00,069 --> 00:14:56,160
well

363
00:15:05,030 --> 00:15:02,150

hey let's we'll get back to all of this

364

00:15:08,150 --> 00:15:05,040

but let's go back to 1964.

365

00:15:12,470 --> 00:15:08,160

and and let's start in the beginning

366

00:15:14,550 --> 00:15:12,480

uh april 24th 1965

367

00:15:15,670 --> 00:15:14,560

a police officer by the name of lonnie

368

00:15:17,750 --> 00:15:15,680

zamora

369

00:15:19,990 --> 00:15:17,760

was driving through the small town of

370

00:15:24,949 --> 00:15:20,000

sakura new mexico

371

00:15:27,829 --> 00:15:24,959

uh he was chasing a speeding automobile

372

00:15:29,350 --> 00:15:27,839

and uh all of a sudden he heard a loud

373

00:15:33,189 --> 00:15:29,360

explosion that shook

374

00:15:35,990 --> 00:15:33,199

the interior of his uh patrol car

375

00:15:37,110 --> 00:15:36,000

uh he thought it was a dynamite shack on

376

00:15:40,470 --> 00:15:37,120

the edge of town

377

00:15:42,310 --> 00:15:40,480

that had exploded uh he uh

378

00:15:43,509 --> 00:15:42,320

gave up his chase of the speeding

379

00:15:47,189 --> 00:15:43,519

automobile

380

00:15:49,189 --> 00:15:47,199

and went to check on the um

381

00:15:50,629 --> 00:15:49,199

where the explosion was coming from on

382

00:15:53,990 --> 00:15:50,639

the way to this uh

383

00:15:57,749 --> 00:15:54,000

area he saw uh in a

384

00:15:59,990 --> 00:15:57,759

slight decline uh an object oval-shaped

385

00:16:00,949 --> 00:16:00,000

object kind of uh egg-shaped i

386

00:16:04,150 --> 00:16:00,959

understand

387

00:16:07,269 --> 00:16:04,160

resting on tripod uh landing gear

388

00:16:08,710 --> 00:16:07,279

with two humanoid beings uh

389

00:16:11,350 --> 00:16:08,720

in in front of it there were some

390

00:16:13,590 --> 00:16:11,360

strange symbols on the craft

391

00:16:14,470 --> 00:16:13,600

and i asked ted phillips who was a guest

392

00:16:16,550 --> 00:16:14,480

on the show

393

00:16:18,150 --> 00:16:16,560

uh oh about a month or so ago because he

394

00:16:18,949 --> 00:16:18,160

was there right on the scene within a

395

00:16:21,590 --> 00:16:18,959

couple of days

396

00:16:22,310 --> 00:16:21,600

how what was the dimension of the object

397

00:16:25,910 --> 00:16:22,320

and he said

398

00:16:28,230 --> 00:16:25,920

it was about 18 feet

399

00:16:30,310 --> 00:16:28,240

in height and i said well how about the

400

00:16:32,870 --> 00:16:30,320

little men how tall would they have been

401
00:16:34,629 --> 00:16:32,880
and he said probably in the neighborhood

402
00:16:37,910 --> 00:16:34,639
of about four or four and a half

403
00:16:39,910 --> 00:16:37,920
feet now this story made

404
00:16:41,509 --> 00:16:39,920
uh the news coverage all over the

405
00:16:42,550 --> 00:16:41,519
country was picked up by the wire

406
00:16:45,269 --> 00:16:42,560
service

407
00:16:46,310 --> 00:16:45,279
and uh it's still talked about to this

408
00:16:49,590 --> 00:16:46,320
day

409
00:16:52,710 --> 00:16:49,600
it's still classified by the air force

410
00:16:53,030 --> 00:16:52,720
as being unidentified and obviously it's

411
00:16:55,749 --> 00:16:53,040
had

412
00:16:56,629 --> 00:16:55,759
an impact on a lot of people who still

413
00:16:59,269 --> 00:16:56,639

remember it

414

00:16:59,829 --> 00:16:59,279

now at the same time that lonnie zamora

415

00:17:01,749 --> 00:16:59,839

was

416

00:17:03,670 --> 00:17:01,759

observing this strange craft in the new

417

00:17:07,750 --> 00:17:03,680

mexico desert

418

00:17:11,110 --> 00:17:07,760

in cleveland ohio a group of teenagers

419

00:17:14,230 --> 00:17:11,120

were getting together to form their own

420

00:17:16,069 --> 00:17:14,240

organization rick you were one of the

421

00:17:17,350 --> 00:17:16,079

the founding members and are still a

422

00:17:19,189 --> 00:17:17,360

permanent

423

00:17:20,710 --> 00:17:19,199

member of the organizing committee which

424

00:17:22,549 --> 00:17:20,720

i believe i still am too

425

00:17:26,230 --> 00:17:22,559

i came a year later i didn't show up to

426

00:17:29,190 --> 00:17:26,240

the first meeting i was there in 1965.

427

00:17:30,830 --> 00:17:29,200

yes you were there in 65 that's correct

428

00:17:33,909 --> 00:17:30,840

what prompted you

429

00:17:36,630 --> 00:17:33,919

to start this organization which

430

00:17:37,590 --> 00:17:36,640

has had its ups and downs over the years

431

00:17:40,710 --> 00:17:37,600

uh it's been

432

00:17:44,390 --> 00:17:40,720

inactive for a few years uh now

433

00:17:46,230 --> 00:17:44,400

but it's springing back to life uh

434

00:17:47,590 --> 00:17:46,240

this summer in cleveland where you're

435

00:17:50,630 --> 00:17:47,600

going to be holding your first

436

00:17:51,990 --> 00:17:50,640

meeting in the in many years uh

437

00:17:54,150 --> 00:17:52,000

and what's the date on that that's

438

00:17:55,029 --> 00:17:54,160

coming up rick it's going to be coming

439

00:18:01,750 --> 00:17:55,039

up the weekend

440

00:18:04,950 --> 00:18:01,760

of friday the 19th 20th and 21st of june

441

00:18:06,549 --> 00:18:04,960

but we want to know what made you

442

00:18:09,110 --> 00:18:06,559

start this organization and what were

443

00:18:10,710 --> 00:18:09,120

you doing before you started it

444

00:18:12,390 --> 00:18:10,720

well that's that's the key to the whole

445

00:18:16,310 --> 00:18:12,400

thing tim because

446

00:18:18,470 --> 00:18:16,320

as you were and as alan greenfield was

447

00:18:19,830 --> 00:18:18,480

i was also one of those teenage

448

00:18:23,270 --> 00:18:19,840

ufologists

449

00:18:25,510 --> 00:18:23,280

ufo fans and alan and i

450

00:18:26,470 --> 00:18:25,520

happened to be in an organization

451
00:18:29,590 --> 00:18:26,480
together

452
00:18:31,430 --> 00:18:29,600
and we at the time we were kind of

453
00:18:33,350 --> 00:18:31,440
tape spawning back and forth to each

454
00:18:34,950 --> 00:18:33,360
other the days before the internet

455
00:18:37,029 --> 00:18:34,960
and of course we had telephones back

456
00:18:38,549 --> 00:18:37,039
then we may have had gas radios and

457
00:18:41,110 --> 00:18:38,559
refrigerators but we had

458
00:18:42,870 --> 00:18:41,120
we did have a tape recorder but anyway

459
00:18:44,630 --> 00:18:42,880
uh we would tapes bond

460
00:18:46,789 --> 00:18:44,640
between each other back and forth and

461
00:18:49,510 --> 00:18:46,799
send one tape and answer it but you know

462
00:18:50,870 --> 00:18:49,520
so on and so forth and uh allen brought

463
00:18:53,669 --> 00:18:50,880

up a point i think uh

464

00:18:54,710 --> 00:18:53,679

probably sometime in the summer of 1963

465

00:18:56,710 --> 00:18:54,720

saying you know

466

00:18:59,350 --> 00:18:56,720

they're they're there are all sorts of

467

00:19:02,070 --> 00:18:59,360

uh of conventions being held for

468

00:19:03,750 --> 00:19:02,080

the contactees those people who claimed

469

00:19:05,750 --> 00:19:03,760

you know contact with their space

470

00:19:07,110 --> 00:19:05,760

brothers and and that and getting all

471

00:19:09,909 --> 00:19:07,120

sorts of philosophical

472

00:19:11,909 --> 00:19:09,919

wisdom from them etc etc like giant rock

473

00:19:13,510 --> 00:19:11,919

california out in the uh the desert in

474

00:19:16,789 --> 00:19:13,520

their 29 palms

475

00:19:20,310 --> 00:19:16,799

and i think gabriel green had uh held a

476

00:19:23,190 --> 00:19:20,320

a large contact defest in los

477

00:19:23,750 --> 00:19:23,200

vegas that even featured the likes of

478

00:19:27,110 --> 00:19:23,760

chief

479

00:19:28,470 --> 00:19:27,120

standing beau who's uh had i don't know

480

00:19:30,950 --> 00:19:28,480

hundreds of contacts with

481

00:19:31,590 --> 00:19:30,960

extraterrestrials and some of the flying

482

00:19:34,950 --> 00:19:31,600

saucers

483

00:19:37,029 --> 00:19:34,960

were shaped like bows okay

484

00:19:38,070 --> 00:19:37,039

yeah he was he was a little known

485

00:19:40,870 --> 00:19:38,080

contactee but

486

00:19:41,190 --> 00:19:40,880

quite a quite colorful one uh actually

487

00:19:44,310 --> 00:19:41,200

so

488

00:19:46,870 --> 00:19:44,320

yeah you're right the contactee um

489

00:19:47,830 --> 00:19:46,880

the contact piece kind of controlled the

490

00:19:51,270 --> 00:19:47,840

ufo

491

00:19:52,630 --> 00:19:51,280

convention uh scene until you guys came

492

00:19:54,870 --> 00:19:52,640

along

493

00:19:56,150 --> 00:19:54,880

that's right that's right and and uh

494

00:19:58,950 --> 00:19:56,160

alan feld and i

495

00:19:59,669 --> 00:19:58,960

thought that also that it was time that

496

00:20:02,390 --> 00:19:59,679

that uh

497

00:20:03,909 --> 00:20:02,400

the the more serious side uh we kind of

498

00:20:04,870 --> 00:20:03,919

quote and quote the serious side of

499

00:20:07,590 --> 00:20:04,880

mythology

500

00:20:09,990 --> 00:20:07,600

had a chance to uh to have their own

501
00:20:12,230 --> 00:20:10,000
convention and that's basically why we

502
00:20:13,270 --> 00:20:12,240
we tried to form the first one to get

503
00:20:15,350 --> 00:20:13,280
various people

504
00:20:17,270 --> 00:20:15,360
representing other organizations to get

505
00:20:17,830 --> 00:20:17,280
together and see if we could all work

506
00:20:21,190 --> 00:20:17,840
together

507
00:20:23,830 --> 00:20:21,200
towards some common uh good namely being

508
00:20:26,070 --> 00:20:23,840
to try to solve the ufo mystery

509
00:20:27,750 --> 00:20:26,080
and we were joined in our quest by

510
00:20:29,990 --> 00:20:27,760
another member of that organization the

511
00:20:30,549 --> 00:20:30,000
lake dale reddick and dale just passed

512
00:20:33,830 --> 00:20:30,559
away this

513
00:20:34,310 --> 00:20:33,840

uh i believe this past september he was

514

00:21:05,750 --> 00:20:34,320

a

515

00:21:07,990 --> 00:21:05,760

don't we get together so

516

00:21:08,789 --> 00:21:08,000

that that's that's why we're doing it

517

00:21:11,990 --> 00:21:08,799

and well

518

00:21:15,270 --> 00:21:12,000

also to the rick i think we should

519

00:21:17,990 --> 00:21:15,280

kind of mention and bring in here that

520

00:21:18,549 --> 00:21:18,000

cleveland was at that point or around

521

00:21:21,669 --> 00:21:18,559

that time

522

00:21:24,230 --> 00:21:21,679

maybe starting even earlier the hub of

523

00:21:25,909 --> 00:21:24,240

ufo activity i don't know where it would

524

00:21:29,270 --> 00:21:25,919

be necessarily today

525

00:21:32,070 --> 00:21:29,280

but cleveland was humming it had a buzz

526
00:21:32,950 --> 00:21:32,080
as far as ufo went you had the cleveland

527
00:21:36,070 --> 00:21:32,960
you fell

528
00:21:36,950 --> 00:21:36,080
ufology round table you had earl nep you

529
00:21:39,750 --> 00:21:36,960
had a weekly

530
00:21:40,630 --> 00:21:39,760
uh radio show i know i used to pick it

531
00:21:43,190 --> 00:21:40,640
up on my

532
00:21:45,350 --> 00:21:43,200
ham uh radio on a regular ben but we had

533
00:21:47,029 --> 00:21:45,360
a big you know antenna on the roof

534
00:21:49,029 --> 00:21:47,039
was it every tuesday night or something

535
00:21:51,190 --> 00:21:49,039
you know and uh

536
00:21:52,149 --> 00:21:51,200
cleveland was the hub of this i mean you

537
00:21:55,430 --> 00:21:52,159
guys had

538
00:21:58,470 --> 00:21:55,440

structure and organization and there was

539

00:22:01,350 --> 00:21:58,480

almanac and ron pelger was it

540

00:22:02,230 --> 00:22:01,360

yes yes ron pilger al manik al manik

541

00:22:03,750 --> 00:22:02,240

actually was

542

00:22:05,830 --> 00:22:03,760

the chairman of cleveland ufology

543

00:22:07,270 --> 00:22:05,840

project at the time that was the major

544

00:22:07,830 --> 00:22:07,280

organization here in cleveland there was

545

00:22:10,630 --> 00:22:07,840

even a

546

00:22:11,990 --> 00:22:10,640

cleveland ufo society plus another a few

547

00:22:14,710 --> 00:22:12,000

other little independent groups

548

00:22:16,390 --> 00:22:14,720

and the group in akron too yeah right

549

00:22:17,750 --> 00:22:16,400

the flying saucer investigating

550

00:22:19,270 --> 00:22:17,760

committee and then there was another one

551
00:22:21,830 --> 00:22:19,280
that was uh of goodyear

552
00:22:22,549 --> 00:22:21,840
the goodyear tire plant employees had

553
00:22:25,110 --> 00:22:22,559
their own

554
00:22:27,350 --> 00:22:25,120
ufo society for a while so yes it was

555
00:22:30,630 --> 00:22:27,360
indeed a hotbed and we did have that

556
00:22:33,990 --> 00:22:30,640
uh uh weekly radio show was a ufo

557
00:22:35,590 --> 00:22:34,000
roundtable and it was on kyw radio

558
00:22:37,750 --> 00:22:35,600
that's what we're doing tonight this is

559
00:22:38,149 --> 00:22:37,760
why this is why i put this show together

560
00:22:41,990 --> 00:22:38,159
see

561
00:22:45,590 --> 00:22:42,000
this is the round table of the air

562
00:22:48,310 --> 00:22:45,600
you can't see it okay all right so

563
00:22:48,950 --> 00:22:48,320

that it was it was the hub of ufo

564

00:22:51,830 --> 00:22:48,960

activity

565

00:22:54,789 --> 00:22:51,840

now what made it so was there a lot of

566

00:22:58,390 --> 00:22:54,799

ufo activity were there sightings of

567

00:23:00,549 --> 00:22:58,400

flying saucers well there were

568

00:23:02,470 --> 00:23:00,559

flying saucers ufos whatever you want to

569

00:23:05,029 --> 00:23:02,480

call them were just sighted everywhere i

570

00:23:08,549 --> 00:23:05,039

i really don't know why cleveland

571

00:23:09,430 --> 00:23:08,559

was the hotbed uh i i have absolutely no

572

00:23:11,909 --> 00:23:09,440

idea but it

573

00:23:12,870 --> 00:23:11,919

indeed was and and had been for a number

574

00:23:14,630 --> 00:23:12,880

of years

575

00:23:15,990 --> 00:23:14,640

but one thing you you brought up and

576

00:23:18,470 --> 00:23:16,000

this is kind of you know

577

00:23:20,310 --> 00:23:18,480

uh getting into the nitty-gritty of the

578

00:23:24,310 --> 00:23:20,320

history of the whole thing is

579

00:23:27,190 --> 00:23:24,320

as the the socorro case

580

00:23:28,390 --> 00:23:27,200

uh the the lonnie zamora case on april

581

00:23:32,149 --> 00:23:28,400

24th was

582

00:23:33,590 --> 00:23:32,159

was not the not an isolated incident

583

00:23:34,149 --> 00:23:33,600

there were other things that were going

584

00:23:37,990 --> 00:23:34,159

on

585

00:23:41,110 --> 00:23:38,000

thursday

586

00:23:44,630 --> 00:23:41,120

the 23rd two people saw an

587

00:23:47,029 --> 00:23:44,640

egg-shaped uh object over albuquerque

588

00:23:49,029 --> 00:23:47,039

at about between 3 30 and 4 o'clock in

589

00:23:51,990 --> 00:23:49,039

the afternoon

590

00:23:52,390 --> 00:23:52,000

and it was quite similar in retrospect

591

00:23:55,269 --> 00:23:52,400

to what

592

00:23:56,789 --> 00:23:55,279

zamora saw and again you know just about

593

00:24:00,070 --> 00:23:56,799

the same time

594

00:24:01,990 --> 00:24:00,080

um back east in newark valley new york

595

00:24:04,950 --> 00:24:02,000

there was a fellow farmer named

596

00:24:06,230 --> 00:24:04,960

by the name of gary wilcox who had a

597

00:24:09,269 --> 00:24:06,240

contact with two

598

00:24:10,549 --> 00:24:09,279

with uh he was a contact he had contact

599

00:24:12,549 --> 00:24:10,559

with two beings

600

00:24:14,230 --> 00:24:12,559

from an egg-shaped object that landed in

601
00:24:16,830 --> 00:24:14,240
his field and he had a

602
00:24:18,950 --> 00:24:16,840
discussion they asked to leave him they

603
00:24:23,909 --> 00:24:18,960
asked him to leave them

604
00:24:28,870 --> 00:24:25,830
when i tell people that i know for a

605
00:24:31,830 --> 00:24:28,880
fact that ufos are full of bs

606
00:24:34,230 --> 00:24:31,840
[h__\h] rats that's the case that

607
00:24:38,710 --> 00:24:34,240
proves it right there

608
00:24:43,110 --> 00:24:40,710
and these two beings were were the

609
00:24:44,549 --> 00:24:43,120
classic men from mars because they

610
00:24:45,430 --> 00:24:44,559
claimed that they were from the planet

611
00:24:46,950 --> 00:24:45,440
mars

612
00:24:48,630 --> 00:24:46,960
and they were interested in earthly

613
00:24:50,149 --> 00:24:48,640

farming techniques because things were

614

00:24:53,669 --> 00:24:50,159

different on mars

615

00:24:56,310 --> 00:24:53,679

and they they were trying to grow food

616

00:24:56,950 --> 00:24:56,320

and so they were quite curious about the

617

00:25:02,710 --> 00:24:56,960

earth

618

00:25:03,750 --> 00:25:02,720

and also there was keksburg around that

619

00:25:07,830 --> 00:25:03,760

time that was uh

620

00:25:09,110 --> 00:25:07,840

december of 1965. no yeah in 65 you had

621

00:25:27,190 --> 00:25:09,120

the kecksburg case

622

00:25:31,350 --> 00:25:29,669

was it the following year uh brooksville

623

00:25:34,470 --> 00:25:31,360

florida

624

00:25:38,190 --> 00:25:34,480

yeah uh brooksville was an ongoing

625

00:25:39,669 --> 00:25:38,200

series of of events all the way from the

626

00:25:43,029 --> 00:25:39,679

mid-1960s

627

00:25:46,230 --> 00:25:43,039

uh well it may still be going on but i

628

00:25:48,390 --> 00:25:46,240

continued to to go there and investigate

629

00:25:49,269 --> 00:25:48,400

uh with the late joan reitner and other

630

00:25:52,149 --> 00:25:49,279

people

631

00:25:52,630 --> 00:25:52,159

all the way up into the 1970s and it was

632

00:25:55,830 --> 00:25:52,640

still

633

00:25:59,110 --> 00:25:55,840

actively going on it centered on a guy

634

00:26:02,149 --> 00:25:59,120

named john reeves who was a

635

00:26:02,789 --> 00:26:02,159

not a classical contactee somewhere

636

00:26:06,230 --> 00:26:02,799

between

637

00:26:08,950 --> 00:26:06,240

an abductee as their more currently

638

00:26:11,029 --> 00:26:08,960

defined and your classical contactee

639

00:26:12,950 --> 00:26:11,039

with the big message story only he

640

00:26:14,470 --> 00:26:12,960

didn't have a big message he just had

641

00:26:17,430 --> 00:26:14,480

the experience of

642

00:26:19,029 --> 00:26:17,440

being abducted and then re-abducted and

643

00:26:22,310 --> 00:26:19,039

reabducted over and over

644

00:26:24,070 --> 00:26:22,320

to the point that you would think

645

00:26:25,830 --> 00:26:24,080

well why does he have a sign out in

646

00:26:27,909 --> 00:26:25,840

front of his shack that says flying

647

00:26:30,950 --> 00:26:27,919

saucer landing area there's a

648

00:26:32,390 --> 00:26:30,960

great photo of my father showing his

649

00:26:34,549 --> 00:26:32,400

contempt for the whole thing

650

00:26:35,830 --> 00:26:34,559

playing off front of the flying saucer

651
00:26:39,430 --> 00:26:35,840
landing area sign

652
00:26:40,630 --> 00:26:39,440
but in any case as i got more deeply

653
00:26:44,310 --> 00:26:40,640
into it

654
00:26:46,630 --> 00:26:44,320
it isn't just about this guy all around

655
00:26:48,470 --> 00:26:46,640
that area of florida on the west coast

656
00:26:51,830 --> 00:26:48,480
of florida which was then

657
00:26:53,669 --> 00:26:51,840
much more sparsely inhabited than it is

658
00:26:57,510 --> 00:26:53,679
today

659
00:26:59,510 --> 00:26:57,520
florida was an east coast uh

660
00:27:01,110 --> 00:26:59,520
tourist destination but the florida west

661
00:27:04,549 --> 00:27:01,120
coast was

662
00:27:07,750 --> 00:27:04,559
other than st petersburg a

663
00:27:10,230 --> 00:27:07,760

a relatively untamed territory it's

664

00:27:11,110 --> 00:27:10,240

been developed since then but we're

665

00:27:14,470 --> 00:27:11,120

talking about

666

00:27:17,350 --> 00:27:14,480

in the late 1960s no interstate there

667

00:27:19,110 --> 00:27:17,360

whatever and sinkholes on what roads

668

00:27:22,389 --> 00:27:19,120

there were that just occurred

669

00:27:24,870 --> 00:27:22,399

abruptly i remember one time i

670

00:27:25,909 --> 00:27:24,880

was riding towards brooksville which is

671

00:27:32,549 --> 00:27:25,919

where

672

00:27:35,510 --> 00:27:32,559

a truck dropped into a

673

00:27:35,830 --> 00:27:35,520

hole in the ground and i shouldn't laugh

674

00:27:37,750 --> 00:27:35,840

because

675

00:27:40,470 --> 00:27:37,760

i think the driver was killed but it was

676
00:27:43,510 --> 00:27:40,480
just you know the bottom dropped out

677
00:27:46,710 --> 00:27:43,520
however there are many

678
00:27:51,029 --> 00:27:46,720
uh close encounters of the

679
00:27:54,070 --> 00:27:51,039
second kind close but not

680
00:27:57,830 --> 00:27:54,080
not lights in the sky but not uh

681
00:28:02,630 --> 00:27:57,840
encounters with quote alien beings

682
00:28:05,590 --> 00:28:02,640
that is non-human perceived entities

683
00:28:06,230 --> 00:28:05,600
all around that same area by people who

684
00:28:09,750 --> 00:28:06,240
had

685
00:28:17,029 --> 00:28:09,760
them

686
00:28:17,430 --> 00:28:17,039
there were insects that we collected

687
00:28:20,789 --> 00:28:17,440
that

688
00:28:24,470 --> 00:28:20,799

uh seem to be uh

689

00:28:27,669 --> 00:28:24,480

of a variety that no one could identify

690

00:28:28,630 --> 00:28:27,679

as of any variety that that that was

691

00:28:30,630 --> 00:28:28,640

then known to

692

00:28:33,430 --> 00:28:30,640

what entomologists is that the correct

693

00:28:40,149 --> 00:28:36,870

and it was a great

694

00:28:41,990 --> 00:28:40,159

complex of cases centered on port richie

695

00:28:44,549 --> 00:28:42,000

newport richie and brooksville

696

00:28:45,990 --> 00:28:44,559

and was ongoing for years at the time i

697

00:28:48,389 --> 00:28:46,000

think in the

698

00:28:49,669 --> 00:28:48,399

uh rick mentioned the alternate horizons

699

00:28:51,190 --> 00:28:49,679

newsletter i said

700

00:28:53,029 --> 00:28:51,200

one thing you could say about this is

701
00:28:56,149 --> 00:28:53,039
that it's a beach head

702
00:28:58,230 --> 00:28:56,159
and of course i took this information to

703
00:29:00,470 --> 00:28:58,240
the we then called it the congress of

704
00:29:02,230 --> 00:29:00,480
scientific ufologists later the national

705
00:29:05,590 --> 00:29:02,240
ufo conference

706
00:29:09,510 --> 00:29:09,029
the one of the stuffy ufo organizations

707
00:29:11,669 --> 00:29:09,520
that

708
00:29:12,950 --> 00:29:11,679
in those days didn't hold conventions

709
00:29:16,070 --> 00:29:12,960
because that was not

710
00:29:18,070 --> 00:29:16,080
stuffy enough for them apro also

711
00:29:20,630 --> 00:29:18,080
investigated this case and interestingly

712
00:29:24,630 --> 00:29:20,640
enough even though they tended to be

713
00:29:26,310 --> 00:29:24,640

violently anti-contact-e

714

00:29:28,710 --> 00:29:26,320

basically it was two people and their

715

00:29:32,310 --> 00:29:28,720

friends but uh um

716

00:29:35,669 --> 00:29:32,320

uh in arizona but um

717

00:29:38,230 --> 00:29:35,679

uh they gave it their stamp of approval

718

00:29:40,310 --> 00:29:38,240

as well so you know that i mean it's not

719

00:29:44,310 --> 00:29:40,320

like their word counts for more than me

720

00:29:47,110 --> 00:29:44,320

their their background in this was

721

00:29:47,909 --> 00:29:47,120

not in any way superior to mine

722

00:29:50,870 --> 00:29:47,919

nevertheless

723

00:29:52,950 --> 00:29:50,880

they had more uh establishment

724

00:29:55,430 --> 00:29:52,960

credentials if you will and i found that

725

00:29:58,710 --> 00:29:55,440

interesting that unexpectedly

726

00:29:59,669 --> 00:29:58,720

they also gave uh uh reeves this stamp

727

00:30:02,710 --> 00:29:59,679

of approval

728

00:30:04,149 --> 00:30:02,720

there are other cases well also you know

729

00:30:05,430 --> 00:30:04,159

what was very interesting though about

730

00:30:07,590 --> 00:30:05,440

the reeves case

731

00:30:09,830 --> 00:30:07,600

didn't he profess to have some sort of

732

00:30:11,669 --> 00:30:09,840

physical evidence he was given a scroll

733

00:30:13,430 --> 00:30:11,679

with some writing on it by a robot that

734

00:30:14,389 --> 00:30:13,440

he met in the bushes or the swamp or

735

00:30:17,029 --> 00:30:14,399

something

736

00:30:17,990 --> 00:30:17,039

no it's not a swamp it's it's it's just

737

00:30:21,750 --> 00:30:18,000

you're chipping

738

00:30:21,990 --> 00:30:21,760

the whole area is uh swampy scrub land

739

00:30:25,750 --> 00:30:22,000

it

740

00:30:29,669 --> 00:30:25,760

hard to describe he had

741

00:30:32,789 --> 00:30:29,679

he did make a plaster cast of footprints

742

00:30:35,990 --> 00:30:32,799

uh he had this scroll which by the way

743

00:30:39,110 --> 00:30:36,000

just like in the lonnie zamora case

744

00:30:40,230 --> 00:30:39,120

for someone who tries to look at all of

745

00:30:43,750 --> 00:30:40,240

these different

746

00:30:46,789 --> 00:30:43,760

whatsits as part of us a spectrum

747

00:30:47,669 --> 00:30:46,799

that is things that occur in paranormal

748

00:30:51,750 --> 00:30:47,679

research

749

00:30:55,190 --> 00:30:51,760

uh in cryptozoology in ufology

750

00:30:58,230 --> 00:30:55,200

and even in occultism they seem to be

751
00:31:00,470 --> 00:30:58,240
sort of the same thing viewed through

752
00:31:01,909 --> 00:31:00,480
uh different lenses different cultural

753
00:31:05,590 --> 00:31:01,919
lenses different interests

754
00:31:09,509 --> 00:31:05,600
whatever but uh the the insignia

755
00:31:11,669 --> 00:31:09,519
on the side that uh zamora before he

756
00:31:13,029 --> 00:31:11,679
changed his story probably under a lot

757
00:31:16,149 --> 00:31:13,039
of pressure being

758
00:31:19,669 --> 00:31:16,159
a local cop and uh and

759
00:31:22,789 --> 00:31:19,679
getting a lot of flack it was a

760
00:31:26,389 --> 00:31:22,799
magical sigil and the

761
00:31:29,909 --> 00:31:26,399
the document um that

762
00:31:32,710 --> 00:31:29,919
that reeves had probably i have a photo

763
00:31:33,750 --> 00:31:32,720

copy of that somewhere in digitized form

764

00:31:36,789 --> 00:31:33,760

but

765

00:31:38,149 --> 00:31:36,799

it's all magical sigils established

766

00:31:41,110 --> 00:31:38,159

magical sigils

767

00:31:42,149 --> 00:31:41,120

and believe me this guy has never read a

768

00:31:46,710 --> 00:31:42,159

medieval

769

00:31:49,190 --> 00:31:46,720

magical tractate in his life he was

770

00:31:50,389 --> 00:31:49,200

i wouldn't say an ignorant person but a

771

00:31:54,950 --> 00:31:50,399

simple person

772

00:31:59,509 --> 00:31:54,960

and then the notion that he was uh

773

00:32:02,389 --> 00:31:59,519

able to to uh he had carpentry skills

774

00:32:04,630 --> 00:32:02,399

so he could have done the the footprints

775

00:32:07,669 --> 00:32:04,640

he later built a flying saucer and it

776

00:32:10,710 --> 00:32:07,679

literally got picked up by a tornado

777

00:32:12,070 --> 00:32:10,720

and flown away i'm not i don't make

778

00:32:14,470 --> 00:32:12,080

these things up folks

779

00:32:15,750 --> 00:32:14,480

this really happened then he built

780

00:32:17,990 --> 00:32:15,760

himself a tomb

781

00:32:19,990 --> 00:32:18,000

and advertised for a wife to be buried

782

00:32:22,950 --> 00:32:20,000

with him yeah i mean

783

00:32:24,470 --> 00:32:22,960

it's a nutty sort of guy but he was also

784

00:32:28,549 --> 00:32:24,480

backed by the fact that

785

00:32:29,350 --> 00:32:28,559

these things had these magical sigils

786

00:32:33,029 --> 00:32:29,360

there were the

787

00:32:35,990 --> 00:32:33,039

surrounding him

788

00:32:37,190 --> 00:32:36,000

that post-date not pre-date as far as i

789

00:32:39,830 --> 00:32:37,200

was able to assess

790

00:32:41,269 --> 00:32:39,840

post-state his experience it was like

791

00:32:44,310 --> 00:32:41,279

that was the beginning

792

00:32:48,310 --> 00:32:44,320

and then this whole area was

793

00:32:51,269 --> 00:32:48,320

close encounters with whatever ufos

794

00:32:53,190 --> 00:32:51,279

are and given the fact that this is sits

795

00:32:55,909 --> 00:32:53,200

on

796

00:32:58,149 --> 00:32:55,919

unfirmed ground and that sinkholes are

797

00:33:01,029 --> 00:32:58,159

all over the area one could

798

00:33:01,509 --> 00:33:01,039

uh relate it to the shaver mystery or or

799

00:33:05,029 --> 00:33:01,519

or

800

00:33:08,149 --> 00:33:07,269

perhaps to that mysterious sound that i

801
00:33:12,149 --> 00:33:08,159
just heard

802
00:33:15,669 --> 00:33:12,159
or or to to um

803
00:33:19,110 --> 00:33:15,679
high frequency or ultra low frequency

804
00:33:21,350 --> 00:33:19,120
uh uh waves that may produce

805
00:33:23,830 --> 00:33:21,360
some contact between our dimension and

806
00:33:27,110 --> 00:33:23,840
another and that comes and goes

807
00:33:30,230 --> 00:33:27,120
may last four years may last forever

808
00:33:32,950 --> 00:33:30,240
may last for two seconds and uh

809
00:33:33,830 --> 00:33:32,960
that was uh sort of the beginning of my

810
00:33:35,669 --> 00:33:33,840
feeling about that

811
00:33:38,230 --> 00:33:35,679
another case like that that you were

812
00:33:40,870 --> 00:33:38,240
involved with tim was the um

813
00:33:42,950 --> 00:33:40,880

the ralph lail experience at brown

814

00:33:45,269 --> 00:33:42,960

mountain of course

815

00:33:46,549 --> 00:33:45,279

i was just going to mention that that

816

00:33:49,509 --> 00:33:46,559

seems to be almost

817

00:33:51,990 --> 00:33:49,519

a a parallel uh incident at least as far

818

00:33:53,830 --> 00:33:52,000

as the personality of the

819

00:33:55,029 --> 00:33:53,840

gentleman in involved by the name of

820

00:33:58,470 --> 00:33:55,039

ralph laro

821

00:34:00,710 --> 00:33:58,480

now it was you allen and um

822

00:34:03,789 --> 00:34:00,720

jim mosley and myself and we went there

823

00:34:05,269 --> 00:34:03,799

i think it was a christmas uh week of

824

00:34:08,710 --> 00:34:05,279

1968.

825

00:34:11,990 --> 00:34:08,720

it was the same week as as the um

826

00:34:14,069 --> 00:34:12,000

um um the first

827

00:34:15,030 --> 00:34:14,079

circling of the moon apollo eight was

828

00:34:17,510 --> 00:34:15,040

that that's okay

829

00:34:19,109 --> 00:34:17,520

right because i believe yeah okay yeah

830

00:34:20,550 --> 00:34:19,119

that's right

831

00:34:22,149 --> 00:34:20,560

back to your hotel room they were

832

00:34:24,710 --> 00:34:22,159

reading the bible and i said oh god

833

00:34:26,230 --> 00:34:24,720

they're in trouble

834

00:34:27,750 --> 00:34:26,240

well that's probably the only thing we

835

00:34:28,950 --> 00:34:27,760

had to read being in that neighborhood

836

00:34:30,790 --> 00:34:28,960

uh you know the part of the

837

00:34:32,310 --> 00:34:30,800

country he didn't read it the guys on

838

00:34:43,669 --> 00:34:32,320

the moon were

839

00:34:47,030 --> 00:34:45,909

was quite an interesting character now

840

00:34:50,790 --> 00:34:47,040

uh he had

841

00:34:53,190 --> 00:34:50,800

um a little uh uh what museum

842

00:34:54,790 --> 00:34:53,200

it was the outer space museum he sold

843

00:34:57,829 --> 00:34:54,800

like a beef jerky

844

00:34:59,430 --> 00:34:57,839

and and soda pop it was right up on top

845

00:35:01,589 --> 00:34:59,440

of the mountain near where the

846

00:35:02,550 --> 00:35:01,599

observation area was for the brown

847

00:35:04,230 --> 00:35:02,560

mountain lights

848

00:35:05,349 --> 00:35:04,240

and for listeners who are not familiar

849

00:35:05,990 --> 00:35:05,359

with the brown mountain lights and i

850

00:35:07,910 --> 00:35:06,000

can't imagine

851
00:35:09,510 --> 00:35:07,920
anybody that would be listening to this

852
00:35:12,950 --> 00:35:09,520
show it's a

853
00:35:16,150 --> 00:35:12,960
an area in the mountains uh near

854
00:35:18,310 --> 00:35:16,160
morganton north carolina

855
00:35:19,589 --> 00:35:18,320
where these mysterious we call them

856
00:35:22,150 --> 00:35:19,599
spook lights

857
00:35:23,829 --> 00:35:22,160
uh plasma balls have been seen for

858
00:35:25,990 --> 00:35:23,839
hundreds of years the

859
00:35:27,030 --> 00:35:26,000
legends even go back to the native

860
00:35:29,910 --> 00:35:27,040
americans who live

861
00:35:31,510 --> 00:35:29,920
in that uh area and basically the balls

862
00:35:35,030 --> 00:35:31,520
on certain occasions

863
00:35:35,670 --> 00:35:35,040

a wander around the the mountaintops and

864

00:35:38,470 --> 00:35:35,680

and down

865

00:35:40,550 --> 00:35:38,480

into the valley uh they have been

866

00:35:43,430 --> 00:35:40,560

photographed now on several occasions

867

00:35:45,190 --> 00:35:43,440

by um joshua p warren who of course is

868

00:35:48,069 --> 00:35:45,200

the host of speaking strange and

869

00:35:48,790 --> 00:35:48,079

he's probably the local authority on the

870

00:35:51,510 --> 00:35:48,800

subject but

871

00:35:53,109 --> 00:35:51,520

ralph laurel claims that he actually had

872

00:35:55,670 --> 00:35:53,119

contact with the beings

873

00:35:56,310 --> 00:35:55,680

who were responsible for these uh spook

874

00:35:58,470 --> 00:35:56,320

lights

875

00:35:59,349 --> 00:35:58,480

and went into the mountain on several

876

00:36:01,270 --> 00:35:59,359

occasions

877

00:36:02,470 --> 00:36:01,280

apparently the the mountain is covered

878

00:36:04,150 --> 00:36:02,480

in crystal because

879

00:36:06,870 --> 00:36:04,160

that's another thing he had in his shop

880

00:36:07,430 --> 00:36:06,880

he had a mummified alien or so he

881

00:36:09,190 --> 00:36:07,440

claimed

882

00:36:10,790 --> 00:36:09,200

and some giant crystal that he had

883

00:36:13,109 --> 00:36:10,800

purportedly gotten from

884

00:36:14,470 --> 00:36:13,119

inside the mountain and he claims that

885

00:36:17,750 --> 00:36:14,480

he actually went

886

00:36:18,390 --> 00:36:17,760

uh for a ride in their spacecraft to

887

00:36:20,069 --> 00:36:18,400

some

888

00:36:21,829 --> 00:36:20,079

uh planet that we've never heard of i

889

00:36:23,510 --> 00:36:21,839

can't think fabulous

890

00:36:27,030 --> 00:36:23,520

no no no that was woody derenberg you

891

00:36:29,349 --> 00:36:27,040

know this was some a totally wrong

892

00:36:30,950 --> 00:36:29,359

there you go okay p1 i've been there two

893

00:36:34,069 --> 00:36:30,960

or three times but i don't you know

894

00:36:35,829 --> 00:36:34,079

only only on saturdays but um anyway he

895

00:36:36,870 --> 00:36:35,839

was he was an interesting character and

896

00:36:38,950 --> 00:36:36,880

also to

897

00:36:40,230 --> 00:36:38,960

somewhat of a simple gentleman very

898

00:36:43,750 --> 00:36:40,240

kind-hearted

899

00:36:45,670 --> 00:36:43,760

uh very you know

900

00:36:46,790 --> 00:36:45,680

these are almost like folklorists i

901
00:36:48,390 --> 00:36:46,800
guess you would say

902
00:36:50,310 --> 00:36:48,400
very great you know you'd want to have a

903
00:36:52,470 --> 00:36:50,320
conversa you could be mesmerized

904
00:36:54,069 --> 00:36:52,480
by these people for you know a period of

905
00:36:56,630 --> 00:36:54,079
time while they told you

906
00:36:58,069 --> 00:36:56,640
they're tall tales now how much of it

907
00:36:59,910 --> 00:36:58,079
was legitimate and

908
00:37:01,910 --> 00:36:59,920
you know or genuine that really happened

909
00:37:04,950 --> 00:37:01,920
to them and how much was uh

910
00:37:07,109 --> 00:37:04,960
perhaps um encased in their mind through

911
00:37:10,190 --> 00:37:07,119
mind control of some type or

912
00:37:11,589 --> 00:37:10,200
or some outside oz effect by the

913
00:37:13,670 --> 00:37:11,599

ultra-terrestrials

914

00:37:15,190 --> 00:37:13,680

uh we can only ponder that and perhaps

915

00:37:19,670 --> 00:37:15,200

we will in the next

916

00:37:23,270 --> 00:37:19,680

hour but then we move on from 1965 now

917

00:37:26,390 --> 00:37:23,280

just before we leave 64 and get into 65

918

00:37:27,750 --> 00:37:26,400

there were also quite a few uh sightings

919

00:37:31,109 --> 00:37:27,760

if i recall around

920

00:37:34,390 --> 00:37:31,119

military installations uh

921

00:37:36,150 --> 00:37:34,400

radar reports as well as

922

00:37:39,670 --> 00:37:36,160

pilots are seeing these things in the in

923

00:37:41,430 --> 00:37:39,680

the in the sky and yeah

924

00:37:43,910 --> 00:37:41,440

there were even a number of cases around

925

00:37:47,349 --> 00:37:43,920

the washington dc area between

926

00:37:50,230 --> 00:37:47,359

the the end of 64 and early into

927

00:37:51,670 --> 00:37:50,240

into 65 so there was a lot of stuff that

928

00:37:53,430 --> 00:37:51,680

was happening at that time

929

00:37:56,950 --> 00:37:53,440

and in fact i have a uh there's an

930

00:37:59,349 --> 00:37:56,960

interview on our youtube channel mr

931

00:38:00,150 --> 00:37:59,359

ufo secret falls with a gentleman by the

932

00:38:02,950 --> 00:38:00,160

name of paul

933

00:38:03,430 --> 00:38:02,960

dickey who actually was involved in one

934

00:38:07,109 --> 00:38:03,440

of those

935

00:38:10,150 --> 00:38:07,119

flaps over washington dc uh he's a

936

00:38:11,670 --> 00:38:10,160

elderly gentleman and he i remember when

937

00:38:12,950 --> 00:38:11,680

i was over his house he lives near

938

00:38:15,190 --> 00:38:12,960

tucson

939

00:38:16,069 --> 00:38:15,200

he actually took out embarrassingly took

940

00:38:17,910 --> 00:38:16,079

out notes

941

00:38:19,910 --> 00:38:17,920

and he said i'm sorry i have to refer to

942

00:38:21,670 --> 00:38:19,920

them and i said to him you know i wish

943

00:38:22,950 --> 00:38:21,680

other people had notes they could refer

944

00:38:25,109 --> 00:38:22,960

to them as

945

00:38:26,710 --> 00:38:25,119

as well and he told a a number of

946

00:38:28,230 --> 00:38:26,720

incidences that took place outside of

947

00:38:29,990 --> 00:38:28,240

the washington dc area

948

00:38:32,310 --> 00:38:30,000

and this would have been in the late 50s

949

00:38:35,589 --> 00:38:32,320

uh mid 60s up into the late

950

00:38:40,550 --> 00:38:35,599

uh 60s so there was a lot of activity

951
00:38:44,069 --> 00:38:40,560
and then of course came 1965

952
00:38:46,870 --> 00:38:44,079
and the stump gas incident in

953
00:38:48,390 --> 00:38:46,880
ann arbor michigan and dexter where the

954
00:38:49,990 --> 00:38:48,400
college students primarily but there

955
00:38:53,270 --> 00:38:50,000
were other witnesses as well

956
00:38:54,950 --> 00:38:53,280
saw this object or series of objects

957
00:38:56,550 --> 00:38:54,960
actually it's turned out to be if you

958
00:38:57,990 --> 00:38:56,560
actually study the case and go back and

959
00:39:01,109 --> 00:38:58,000
read the reports

960
00:39:01,430 --> 00:39:01,119
uh saw this object in a swampy area kind

961
00:39:03,750 --> 00:39:01,440
of

962
00:39:06,310 --> 00:39:03,760
going up and down rising and lowering

963
00:39:09,030 --> 00:39:06,320

but it was a metallic structure

964

00:39:10,390 --> 00:39:09,040

and it was it was not swamp gas i mean

965

00:39:12,150 --> 00:39:10,400

of course dr heineck

966

00:39:13,510 --> 00:39:12,160

kind of got pinned with this and and for

967

00:39:15,990 --> 00:39:13,520

a long time people

968

00:39:16,870 --> 00:39:16,000

uh you know kind of spoofed or performed

969

00:39:19,510 --> 00:39:16,880

him as being

970

00:39:21,270 --> 00:39:19,520

you know dr swamp guest but these were

971

00:39:21,670 --> 00:39:21,280

legitimate objects of one type or

972

00:39:23,990 --> 00:39:21,680

another

973

00:39:26,550 --> 00:39:24,000

they were not just little uh you know

974

00:39:29,750 --> 00:39:26,560

plasmas or balls of light or flickering

975

00:39:30,550 --> 00:39:29,760

uh wickets it seemed to be something

976
00:39:33,190 --> 00:39:30,560
under

977
00:39:34,069 --> 00:39:33,200
intelligent control and of course that

978
00:39:37,349 --> 00:39:34,079
made the mass

979
00:39:37,990 --> 00:39:37,359
media even walter concrete talked about

980
00:39:41,190 --> 00:39:38,000
it on

981
00:39:45,030 --> 00:39:41,200
cbs news and it caused quite

982
00:39:46,790 --> 00:39:45,040
quite a stir to say the least and um

983
00:39:48,870 --> 00:39:46,800
it was followed by quite a few other

984
00:39:52,470 --> 00:39:48,880
sightings in in reports

985
00:39:56,310 --> 00:39:52,480
were you guys involved in any of that

986
00:39:58,950 --> 00:39:56,320
not involved in the the stuff up around

987
00:40:00,870 --> 00:39:58,960
dexter michigan though that was in 66 by

988
00:40:04,069 --> 00:40:00,880

the way not 65

989

00:40:05,589 --> 00:40:04,079

but getting back to 65 well let me back

990

00:40:06,550 --> 00:40:05,599

up a little bit now we were talking

991

00:40:09,750 --> 00:40:06,560

about you know

992

00:40:10,630 --> 00:40:09,760

ralph lail and and and the reeves case

993

00:40:13,589 --> 00:40:10,640

and whatnot

994

00:40:15,510 --> 00:40:13,599

you you it seemed to me you had a lot of

995

00:40:17,270 --> 00:40:15,520

contactees who were rather you know

996

00:40:20,870 --> 00:40:17,280

bucolic at nature

997

00:40:21,910 --> 00:40:20,880

uh you had buck nelson another prime

998

00:40:24,150 --> 00:40:21,920

example

999

00:40:26,069 --> 00:40:24,160

um you had the fellow that that claimed

1000

00:40:27,030 --> 00:40:26,079

he was a native american you know i

1001

00:40:29,270 --> 00:40:27,040

figured with that

1002

00:40:31,430 --> 00:40:29,280

what his name was but i got stuck on a

1003

00:40:34,230 --> 00:40:31,440

radio or tv show with uh

1004

00:40:35,270 --> 00:40:34,240

i believe with him uh he claimed he was

1005

00:40:38,630 --> 00:40:35,280

in contact with

1006

00:40:40,790 --> 00:40:38,640

uh people from the planet orion or

1007

00:40:43,750 --> 00:40:40,800

something like that in some other galaxy

1008

00:40:44,390 --> 00:40:43,760

was that chief standing of course it

1009

00:40:49,829 --> 00:40:44,400

could be

1010

00:40:50,309 --> 00:40:49,839

and gray and i were on trying to promote

1011

00:40:52,710 --> 00:40:50,319

our

1012

00:40:55,109 --> 00:40:52,720

convention in 68 in cleveland curiously

1013

00:40:58,309 --> 00:40:55,119

enough and we went on the allen douglas

1014

00:41:00,230 --> 00:40:58,319

show and uh he happened yeah

1015

00:41:01,750 --> 00:41:00,240

and this this the guy in the headdress

1016

00:41:03,270 --> 00:41:01,760

happened to show up we thought we were

1017

00:41:05,510 --> 00:41:03,280

just going to be interviewed about the

1018

00:41:06,390 --> 00:41:05,520

the convention and it turned into a

1019

00:41:08,550 --> 00:41:06,400

circus

1020

00:41:10,069 --> 00:41:08,560

but anyway you know you have these you

1021

00:41:13,190 --> 00:41:10,079

have these characters

1022

00:41:15,589 --> 00:41:13,200

uh these contactees turn out to be

1023

00:41:17,990 --> 00:41:15,599

rather simple people but you know

1024

00:41:19,750 --> 00:41:18,000

they're they're a character

1025

00:41:22,390 --> 00:41:19,760

is there some reason is there a

1026
00:41:24,230 --> 00:41:22,400
possibility that whatever is behind

1027
00:41:25,750 --> 00:41:24,240
the mystery the ultra-terrestrials

1028
00:41:28,550 --> 00:41:25,760
whatever you want to call them is just

1029
00:41:29,589 --> 00:41:28,560
some reason why these people are more

1030
00:41:31,430 --> 00:41:29,599
receptive

1031
00:41:33,030 --> 00:41:31,440
to their visits uh through their

1032
00:41:34,390 --> 00:41:33,040
influence you know there's another good

1033
00:41:38,150 --> 00:41:34,400
question there

1034
00:41:41,349 --> 00:41:38,160
there's uh a theory that schizophrenia

1035
00:41:42,309 --> 00:41:41,359
is not a disease but it's the opening up

1036
00:41:45,190 --> 00:41:42,319
of another

1037
00:41:46,550 --> 00:41:45,200
sense that we don't ordinarily have to

1038
00:41:49,829 --> 00:41:46,560

things that we don't or

1039

00:41:53,109 --> 00:41:49,839

that are just as real as things that we

1040

00:41:55,190 --> 00:41:53,119

all experience with our regular set of

1041

00:41:57,589 --> 00:41:55,200

senses if you want to call them that

1042

00:41:59,109 --> 00:41:57,599

the things we've evolved and the

1043

00:42:03,270 --> 00:41:59,119

difference between

1044

00:42:04,710 --> 00:42:03,280

a prophet or seer and a schizophrenic as

1045

00:42:08,230 --> 00:42:04,720

a schizophrenic

1046

00:42:10,550 --> 00:42:08,240

is unable to to articulate and handle it

1047

00:42:11,670 --> 00:42:10,560

or only articulates it in some sort of

1048

00:42:14,630 --> 00:42:11,680

bizarre way

1049

00:42:15,270 --> 00:42:14,640

like david koresh or whatever you hear

1050

00:42:18,230 --> 00:42:15,280

voices

1051
00:42:19,190 --> 00:42:18,240
and you presume things about them that

1052
00:42:22,230 --> 00:42:19,200
go beyond

1053
00:42:25,510 --> 00:42:22,240
what what you're actually experiencing

1054
00:42:27,510 --> 00:42:25,520
and that divides those who are

1055
00:42:28,790 --> 00:42:27,520
the only thing that really matters are

1056
00:42:31,670 --> 00:42:28,800
you functional

1057
00:42:32,390 --> 00:42:31,680
as a human being and in society and able

1058
00:42:34,550 --> 00:42:32,400
to

1059
00:42:36,950 --> 00:42:34,560
get by and look both ways when you cross

1060
00:42:38,150 --> 00:42:36,960
the street or are you dysfunctional if

1061
00:42:41,030 --> 00:42:38,160
you're dysfunctional

1062
00:42:42,630 --> 00:42:41,040
you're nuts if you're not if you're able

1063
00:42:45,750 --> 00:42:42,640

to handle these things

1064

00:42:48,470 --> 00:42:45,760

it's opening the doors of perception to

1065

00:42:51,270 --> 00:42:48,480

borrow a term from huxley who borrowed

1066

00:42:56,470 --> 00:42:54,309

18th century help me here somebody

1067

00:42:58,950 --> 00:42:56,480

that's literate

1068

00:43:00,069 --> 00:42:58,960

well one of those great philosophers and

1069

00:43:01,750 --> 00:43:00,079

also a terrific

1070

00:43:03,190 --> 00:43:01,760

artist whose name escapes me at the

1071

00:43:05,510 --> 00:43:03,200

moment and that's

1072

00:43:08,470 --> 00:43:05,520

that's going to throw me off you don't

1073

00:43:21,750 --> 00:43:10,230

too it must not be there because i'm

1074

00:43:25,030 --> 00:43:23,510

william blake william blake william

1075

00:43:28,390 --> 00:43:25,040

blake william blake

1076

00:43:29,670 --> 00:43:28,400

coined the term which was if the doors

1077

00:43:31,990 --> 00:43:29,680

of perception

1078

00:43:33,270 --> 00:43:32,000

were cleansed we would see the universe

1079

00:43:36,470 --> 00:43:33,280

as it truly is

1080

00:43:37,910 --> 00:43:36,480

infinite i'm paraphrasing it slightly

1081

00:43:40,790 --> 00:43:37,920

but that's the essence

1082

00:43:42,550 --> 00:43:40,800

and aldous huxley much later uh wrote

1083

00:43:45,670 --> 00:43:42,560

the book doors of perception

1084

00:43:48,710 --> 00:43:45,680

and of course jim morrison took the name

1085

00:43:51,349 --> 00:43:48,720

for the uh band and uh the

1086

00:43:51,990 --> 00:43:51,359

the work that he did uh in his brief

1087

00:43:55,270 --> 00:43:52,000

life

1088

00:43:57,990 --> 00:43:55,280

for the doors and we go on and on i

1089

00:44:00,309 --> 00:43:58,000

i think that that actually is true and i

1090

00:44:02,870 --> 00:44:00,319

think that these

1091

00:44:04,470 --> 00:44:02,880

simple-minded people perhaps are more

1092

00:44:06,870 --> 00:44:04,480

open

1093

00:44:09,109 --> 00:44:06,880

to experience because they don't have

1094

00:44:12,710 --> 00:44:09,119

all the acculturation that says no no

1095

00:44:14,550 --> 00:44:12,720

no no we can't have that we know that if

1096

00:44:16,470 --> 00:44:14,560

somebody is walking down the street and

1097

00:44:18,550 --> 00:44:16,480

their feet are not on the ground

1098

00:44:20,870 --> 00:44:18,560

this needs to be canceled out of our

1099

00:44:22,470 --> 00:44:20,880

minds so we don't see it

1100

00:44:24,150 --> 00:44:22,480

well you know with that with that bit of

1101

00:44:26,069 --> 00:44:24,160

philosophical thought uh

1102

00:44:28,230 --> 00:44:26,079

tim do you think we should have a little

1103

00:44:30,069 --> 00:44:28,240

uh momentary break here

1104

00:44:31,829 --> 00:44:30,079

yes it's uh this is a perfect

1105

00:44:34,630 --> 00:44:31,839

opportunity to uh

1106

00:44:36,390 --> 00:44:34,640

go to a break and to give everybody a

1107

00:44:38,550 --> 00:44:36,400

chance to uh

1108

00:44:39,589 --> 00:44:38,560

refresh their drinks and everything like

1109

00:44:41,510 --> 00:44:39,599

that so

1110

00:44:46,470 --> 00:44:41,520

i have a motorman's friend i don't need

1111

00:44:50,550 --> 00:44:48,470

we will come back and we will we will

1112

00:44:52,230 --> 00:44:50,560

move through the decade and we will talk

1113

00:44:53,190 --> 00:44:52,240

a little bit about the history of the

1114

00:44:56,550 --> 00:44:53,200

organization

1115

00:44:57,670 --> 00:44:56,560

itself some of the uh high points and

1116

00:44:59,829 --> 00:44:57,680

perhaps some of the

1117

00:45:01,910 --> 00:44:59,839

low points like the year the uh

1118

00:45:03,190 --> 00:45:01,920

conference was cancelled because of 9

1119

00:45:05,349 --> 00:45:03,200

11.

1120

00:45:06,470 --> 00:45:05,359

and then we're going to talk about the

1121

00:45:10,069 --> 00:45:06,480

plans for the

1122

00:45:11,750 --> 00:45:10,079

event this uh coming summer which i plan

1123

00:45:14,390 --> 00:45:11,760

to be at and i'm sure

1124

00:45:16,230 --> 00:45:14,400

that um in fact a bit uh indrid cold

1125

00:45:24,710 --> 00:45:16,240

said he was coming i believe it was

1126

00:45:28,870 --> 00:45:26,790

don't give away our secret anyway let's

1127

00:45:29,750 --> 00:45:28,880

go to a break and we will be back in a

1128

00:45:33,270 --> 00:45:29,760

few minutes

1129

00:45:36,390 --> 00:45:33,280

with rick hillberg alan greenfield

1130

00:45:40,069 --> 00:45:36,400

carla anderson

1131

00:45:43,109 --> 00:45:40,079

tim schwartz and me which is

1132

00:45:46,150 --> 00:45:43,119

timothy green beckley mr ufo

1133

00:45:48,069 --> 00:45:46,160

and you are listening to unraveling

1134

00:45:58,829 --> 00:45:48,079

the secrets so we're going to get

1135

00:46:11,270 --> 00:46:04,550

back

1136

00:46:14,150 --> 00:46:11,280

the secrets and we've got a

1137

00:46:15,750 --> 00:46:14,160

good conversation going here we're

1138

00:46:18,550 --> 00:46:15,760

trucking right along

1139

00:46:21,109 --> 00:46:18,560

down the highway of you follow me now i

1140

00:46:24,550 --> 00:46:21,119

had a question for alan tim

1141

00:46:28,309 --> 00:46:24,560

well okay okay i just wanted to

1142

00:46:31,670 --> 00:46:28,319

reintroduce the guests rick hillberg

1143

00:46:35,430 --> 00:46:31,680

alan greenfield tim schwartz

1144

00:46:36,950 --> 00:46:35,440

uh carla anderson and perhaps ed biebel

1145

00:46:37,510 --> 00:46:36,960

if he shows up towards the end of the

1146

00:46:40,950 --> 00:46:37,520

show

1147

00:46:47,349 --> 00:46:40,960

today was ed's birthday and he went to a

1148

00:46:51,430 --> 00:46:50,309

that's so bad but i would hire a couple

1149

00:46:54,710 --> 00:46:51,440

of strippers

1150

00:46:57,349 --> 00:46:54,720

but i'd want to i went to a uh a

1151
00:47:00,870 --> 00:46:57,359
mufa meeting to celebrate so in tucson

1152
00:47:00,880 --> 00:47:05,670
man

1153
00:47:14,710 --> 00:47:10,950
yeah not a member

1154
00:47:22,829 --> 00:47:14,720
okay carla you have the floor oh uh alan

1155
00:47:22,839 --> 00:47:33,990
hahaha

1156
00:47:37,030 --> 00:47:35,510
so you were just talking about uh

1157
00:47:38,950 --> 00:47:37,040
schizophrenia you know and being in

1158
00:47:41,270 --> 00:47:38,960
touch with that other sense

1159
00:47:43,030 --> 00:47:41,280
and uh that perhaps somebody is walking

1160
00:47:44,710 --> 00:47:43,040
by floating above the ground and your

1161
00:47:46,790 --> 00:47:44,720
mind can't slit out

1162
00:47:48,870 --> 00:47:46,800
and because it's something maybe maybe

1163
00:47:50,870 --> 00:47:48,880

it's a reality that we can't handle

1164

00:47:51,990 --> 00:47:50,880

and so we create our own reality which

1165

00:47:53,270 --> 00:47:52,000

is that everyone's just walking

1166

00:47:55,270 --> 00:47:53,280

around when maybe people are just

1167

00:47:56,069 --> 00:47:55,280

floating by and we just can't deal with

1168

00:47:58,230 --> 00:47:56,079

it

1169

00:47:59,190 --> 00:47:58,240

and i think a lot of the times maybe the

1170

00:48:00,549 --> 00:47:59,200

reason that

1171

00:48:02,549 --> 00:48:00,559

no one's getting anywhere with the whole

1172

00:48:04,390 --> 00:48:02,559

ufo research or

1173

00:48:05,670 --> 00:48:04,400

or what the whole mystery of it is is

1174

00:48:06,950 --> 00:48:05,680

that maybe it's something that we just

1175

00:48:09,589 --> 00:48:06,960

really can't process

1176
00:48:10,549 --> 00:48:09,599
i'm a hairdresser and i talk to people

1177
00:48:12,069 --> 00:48:10,559
all day

1178
00:48:13,270 --> 00:48:12,079
and i'll you know i'll show them ufo

1179
00:48:14,710 --> 00:48:13,280
videos in the middle of their haircut

1180
00:48:15,589 --> 00:48:14,720
and we'll just get into a conversation

1181
00:48:17,030 --> 00:48:15,599
about it

1182
00:48:18,950 --> 00:48:17,040
because you know because i am doing the

1183
00:48:20,630 --> 00:48:18,960
show and because tim's been my friend

1184
00:48:21,910 --> 00:48:20,640
for a very long time and i've had ufo

1185
00:48:24,549 --> 00:48:21,920
art my salon and

1186
00:48:25,829 --> 00:48:24,559
the topic comes up a lot and people

1187
00:48:26,470 --> 00:48:25,839
knowing that i'm involved with all that

1188
00:48:29,270 --> 00:48:26,480

will come in

1189

00:48:29,670 --> 00:48:29,280

and talk to me about it as well but you

1190

00:48:33,670 --> 00:48:29,680

could

1191

00:48:35,990 --> 00:48:33,680

something that looks

1192

00:48:37,109 --> 00:48:36,000

like it was an actual sighting you can

1193

00:48:38,390 --> 00:48:37,119

talk about

1194

00:48:40,790 --> 00:48:38,400

all the things that people have talked

1195

00:48:42,309 --> 00:48:40,800

about and you know that 250 million

1196

00:48:43,510 --> 00:48:42,319

people have claimed to be abducted you

1197

00:48:45,750 --> 00:48:43,520

could tell them all that

1198

00:48:46,950 --> 00:48:45,760

and they just you know they just they

1199

00:48:48,230 --> 00:48:46,960

just cancel it right out of their head

1200

00:48:50,069 --> 00:48:48,240

and get on with their day again it's

1201

00:48:51,750 --> 00:48:50,079

like people i think can't handle it

1202

00:48:53,670 --> 00:48:51,760

can't process the thought you know i

1203

00:48:56,150 --> 00:48:53,680

think it's something that

1204

00:48:58,150 --> 00:48:56,160

it just goes right over their head i

1205

00:49:02,069 --> 00:48:58,160

think that in some cases

1206

00:49:04,870 --> 00:49:02,079

um people will see different things

1207

00:49:06,230 --> 00:49:04,880

because we're not really seeing the the

1208

00:49:09,270 --> 00:49:06,240

reality

1209

00:49:10,870 --> 00:49:09,280

uh we may not even be capable of seeing

1210

00:49:13,990 --> 00:49:10,880

the reality if something

1211

00:49:15,109 --> 00:49:14,000

is multi-dimensional and phasing in and

1212

00:49:17,910 --> 00:49:15,119

phasing out

1213

00:49:20,470 --> 00:49:17,920

somebody might see a bigfoot type

1214

00:49:22,790 --> 00:49:20,480

creature somebody might see a mothman

1215

00:49:25,910 --> 00:49:22,800

someone might see a man in black or

1216

00:49:28,950 --> 00:49:25,920

three men in black or two or seventeen

1217

00:49:30,790 --> 00:49:28,960

some people might see a ufo some people

1218

00:49:32,630 --> 00:49:30,800

might see nothing at all the vast

1219

00:49:35,349 --> 00:49:32,640

majority would see nothing at all

1220

00:49:36,870 --> 00:49:35,359

but it could be from the same stimulus

1221

00:49:40,470 --> 00:49:36,880

there's a great book

1222

00:49:43,109 --> 00:49:40,480

written by edward edwin abbott it goes

1223

00:49:44,230 --> 00:49:43,119

back to the 1890s and is available as a

1224

00:49:47,349 --> 00:49:44,240

free pdf

1225

00:49:50,710 --> 00:49:47,359

just google it called flatland

1226
00:49:53,270 --> 00:49:50,720
and it's about two dimensional creatures

1227
00:49:54,790 --> 00:49:53,280
encountering a three-dimensional being

1228
00:49:56,390 --> 00:49:54,800
you know like us

1229
00:49:57,990 --> 00:49:56,400
and what they would see and what they

1230
00:49:59,910 --> 00:49:58,000
wouldn't see and how they would

1231
00:50:01,990 --> 00:49:59,920
process it and how they wouldn't process

1232
00:50:04,630 --> 00:50:02,000
it the vast majority of course

1233
00:50:05,109 --> 00:50:04,640
are like your clients they simply deny

1234
00:50:08,710 --> 00:50:05,119
that it

1235
00:50:10,829 --> 00:50:08,720
it say no no

1236
00:50:12,069 --> 00:50:10,839
i know that this exists but what they're

1237
00:50:14,710 --> 00:50:12,079
describing

1238
00:50:15,510 --> 00:50:14,720

is only just the edge of the reality

1239

00:50:18,549 --> 00:50:15,520

because

1240

00:50:21,750 --> 00:50:18,559

if you encounter a three-dimensional

1241

00:50:22,870 --> 00:50:21,760

object uh say us southerners have a

1242

00:50:26,230 --> 00:50:22,880

problem with this word

1243

00:50:27,030 --> 00:50:26,240

spear sphere help me rick you're from

1244

00:50:31,109 --> 00:50:27,040

ohio

1245

00:50:34,150 --> 00:50:31,119

that's the american accent yes fear

1246

00:50:36,630 --> 00:50:34,160

spear right they appear to see it

1247

00:50:37,990 --> 00:50:36,640

they can't see it because they're not

1248

00:50:40,630 --> 00:50:38,000

evolved to see that

1249

00:50:42,309 --> 00:50:40,640

what they will see is a is a an edge

1250

00:50:45,589 --> 00:50:42,319

that goes

1251

00:50:47,510 --> 00:50:45,599

uh that's just the touching of the

1252

00:50:49,589 --> 00:50:47,520

three-dimensional object to their

1253

00:50:51,670 --> 00:50:49,599

two-dimensional reality

1254

00:50:52,870 --> 00:50:51,680

and of course the book is fiction but

1255

00:50:55,190 --> 00:50:52,880

the point is

1256

00:50:56,390 --> 00:50:55,200

that and at the end of the book it it

1257

00:50:58,790 --> 00:50:56,400

does talk about

1258

00:50:59,910 --> 00:50:58,800

what if there are four and five and six

1259

00:51:05,190 --> 00:50:59,920

dimensions

1260

00:51:05,200 --> 00:51:16,470

exactly

1261

00:51:16,480 --> 00:51:34,790

i won't talk until the world is

1262

00:51:39,030 --> 00:51:37,270

from their galaxy and that's okay with

1263

00:51:43,190 --> 00:51:39,040

me

1264

00:51:45,109 --> 00:51:43,200

i love the aliens they're so weird

1265

00:51:47,030 --> 00:51:45,119

did i answer your question carlo or did

1266

00:51:47,990 --> 00:51:47,040

i ramble on like an old man i know you

1267

00:51:51,190 --> 00:51:48,000

answered my question

1268

00:51:51,829 --> 00:51:51,200

i i what do you think tim well you know

1269

00:51:54,390 --> 00:51:51,839

i i think

1270

00:51:55,790 --> 00:51:54,400

let it let us just get back to the uh to

1271

00:52:01,430 --> 00:51:55,800

uh

1272

00:52:06,390 --> 00:52:04,230

there's a man who loves now we've

1273

00:52:09,349 --> 00:52:06,400

squeezed 47 years

1274

00:52:11,270 --> 00:52:09,359

into about 45 minutes i think you're on

1275

00:52:15,270 --> 00:52:11,280

66 but go ahead sweetie

1276

00:52:18,309 --> 00:52:15,280

okay all right we are past the um

1277

00:52:19,750 --> 00:52:18,319

the swamp gas incident and uh

1278

00:52:21,349 --> 00:52:19,760

let's talk a little bit about the

1279

00:52:24,630 --> 00:52:21,359

organization itself now

1280

00:52:25,510 --> 00:52:24,640

i know when i first uh attended uh the

1281

00:52:31,990 --> 00:52:25,520

uh

1282

00:52:34,790 --> 00:52:32,000

high school in parma ohio

1283

00:52:36,390 --> 00:52:34,800

was that the second one rick uh well

1284

00:52:39,589 --> 00:52:36,400

actually the second one was

1285

00:52:41,910 --> 00:52:39,599

at a junior high school in parma it was

1286

00:52:46,549 --> 00:52:43,910

we had two kinds of sessions and it's

1287

00:52:48,870 --> 00:52:46,559

important we had we had a hotel which

1288

00:52:49,910 --> 00:52:48,880

had a marquee that said welcome ufo

1289

00:52:53,349 --> 00:52:49,920

people or whatever

1290

00:52:55,670 --> 00:52:53,359

yeah yeah american ufo whatever

1291

00:52:57,270 --> 00:52:55,680

and uh or whatever it was yeah so we

1292

00:52:58,790 --> 00:52:57,280

were we hastened to get our picture

1293

00:53:00,150 --> 00:52:58,800

taken in front of that because it made

1294

00:53:02,390 --> 00:53:00,160

us feel important and then we

1295

00:53:04,950 --> 00:53:02,400

we adjourned to the high school and for

1296

00:53:07,990 --> 00:53:04,960

the first and i think only time

1297

00:53:10,790 --> 00:53:08,000

yona ibn aaron gave a fabulous

1298

00:53:11,270 --> 00:53:10,800

talk which was over the head of the

1299

00:53:13,990 --> 00:53:11,280

rather

1300

00:53:15,750 --> 00:53:14,000

good-sized audience that there are about

1301

00:53:18,630 --> 00:53:15,760

500 people there if i remember but i

1302

00:53:19,190 --> 00:53:18,640

sure wish that that had been recorded

1303

00:53:22,950 --> 00:53:19,200

because

1304

00:53:26,870 --> 00:53:22,960

jonah was way way ahead of his time

1305

00:53:29,510 --> 00:53:26,880

and uh the more i have learned and the

1306

00:53:31,430 --> 00:53:29,520

the further my education is gone and

1307

00:53:35,030 --> 00:53:31,440

comparative religion and what not

1308

00:53:36,150 --> 00:53:35,040

uh um uh that the more i have come to

1309

00:53:39,510 --> 00:53:36,160

respect uh

1310

00:53:41,510 --> 00:53:39,520

yonah's uh point of view which was

1311

00:53:44,230 --> 00:53:41,520

so far ahead of the time i think that

1312

00:53:46,710 --> 00:53:44,240

even we who fancied ourselves

1313

00:53:48,069 --> 00:53:46,720

way ahead of everybody else in ufology

1314

00:53:52,069 --> 00:53:48,079

and we were

1315

00:53:53,910 --> 00:53:52,079

uh nevertheless uh he was

1316

00:53:56,230 --> 00:53:53,920

under appreciated and that's the only

1317

00:53:57,910 --> 00:53:56,240

time i can ever recall him speaking i'm

1318

00:53:59,910 --> 00:53:57,920

maybe for the discussion and lecture

1319

00:54:02,309 --> 00:53:59,920

committee tim did he speak

1320

00:54:04,309 --> 00:54:02,319

yes uh yeah now that would have been

1321

00:54:04,710 --> 00:54:04,319

even maybe perhaps a little bit before i

1322

00:54:06,870 --> 00:54:04,720

got

1323

00:54:08,630 --> 00:54:06,880

involved in it and you know there's very

1324

00:54:11,670 --> 00:54:08,640

little that you can find about

1325

00:54:13,430 --> 00:54:11,680

or by iona on the internet i mean i

1326

00:54:15,109 --> 00:54:13,440

i've even often thought about maybe

1327

00:54:16,710 --> 00:54:15,119

reprinting some of his collective

1328

00:54:18,630 --> 00:54:16,720

articles from saucer news

1329

00:54:20,069 --> 00:54:18,640

but i cannot find anything because now

1330

00:54:23,030 --> 00:54:20,079

yonah uh

1331

00:54:24,950 --> 00:54:23,040

the rabbi he he wrote he was the first

1332

00:54:25,990 --> 00:54:24,960

to uh certainly among the first to write

1333

00:54:30,069 --> 00:54:26,000

about the

1334

00:54:34,390 --> 00:54:30,079

uh concept of ancient uh beings uh

1335

00:54:36,549 --> 00:54:34,400

aliens thanks to rick i have all of the

1336

00:54:39,349 --> 00:54:36,559

all of the ones from saucer news but

1337

00:54:39,750 --> 00:54:39,359

there's a whole series of articles from

1338

00:54:42,069 --> 00:54:39,760

the

1339

00:54:44,549 --> 00:54:42,079

consultants committee on semitic

1340

00:54:47,910 --> 00:54:44,559

philology that was edited by

1341

00:54:48,309 --> 00:54:47,920

by uh jack robinson and yonah and there

1342

00:54:51,750 --> 00:54:48,319

were

1343

00:54:52,710 --> 00:54:51,760

same thing if i can get them all

1344

00:54:54,069 --> 00:54:52,720

together

1345

00:54:55,750 --> 00:54:54,079

like that would be that would be

1346

00:54:58,069 --> 00:54:55,760

marvelous for the the

1347

00:54:59,349 --> 00:54:58,079

uh you know small audience i'll put it

1348

00:55:01,990 --> 00:54:59,359

together and you probably

1349

00:55:02,870 --> 00:55:02,000

should okay absolutely you're right the

1350

00:55:09,829 --> 00:55:02,880

introduction

1351

00:55:13,430 --> 00:55:12,390

i think the biggest convention obviously

1352

00:55:15,349 --> 00:55:13,440

that was held

1353

00:55:17,190 --> 00:55:15,359

was the one that jim mosley sponsored at

1354

00:55:23,510 --> 00:55:17,200

the hotel commodore

1355

00:55:28,230 --> 00:55:25,910

that's correct and i know i was i was

1356

00:55:28,789 --> 00:55:28,240

one of jim's assistants on the assistant

1357

00:55:32,710 --> 00:55:28,799

on that

1358

00:55:34,950 --> 00:55:32,720

i ran the telephone realm were you okay

1359

00:55:36,150 --> 00:55:34,960

you and gene steinberg were tied up and

1360

00:55:39,270 --> 00:55:36,160

bound in a room

1361

00:55:42,630 --> 00:55:39,280

where you were 24 hours a day

1362

00:55:43,789 --> 00:55:42,640

who are getting calls two or three

1363

00:55:47,349 --> 00:55:43,799

phones were ringing

1364

00:55:49,510 --> 00:55:47,359

simultaneously in fact i got so tired of

1365

00:55:51,349 --> 00:55:49,520

answering questions i'd be i pretended

1366

00:55:53,349 --> 00:55:51,359

to be an answering machine

1367

00:55:55,109 --> 00:55:53,359

so i would just rattle off for about one

1368

00:55:58,710 --> 00:55:55,119

minute and go on to the next call

1369

00:56:00,390 --> 00:55:58,720

were there answering machines no just me

1370

00:56:03,750 --> 00:56:00,400

i was the answering machine

1371

00:56:06,549 --> 00:56:03,760

okay uh and but what a marvelous turnout

1372

00:56:07,589 --> 00:56:06,559

there were close to somewhere between 10

1373

00:56:10,950 --> 00:56:07,599

and 12

1374

00:56:15,270 --> 00:56:10,960

000 people uh showed up to hear

1375

00:56:19,670 --> 00:56:15,280

the likes of vibe venus um

1376

00:56:22,309 --> 00:56:19,680

who else was on the program the amazing

1377

00:56:23,670 --> 00:56:22,319

long john neville was there roy finished

1378

00:56:26,710 --> 00:56:23,680

i introduced him

1379

00:56:27,589 --> 00:56:26,720

one of the times yeah dennis was there

1380

00:56:29,510 --> 00:56:27,599

briefly

1381

00:56:31,430 --> 00:56:29,520

yeah that's true he was under the

1382

00:56:33,750 --> 00:56:31,440

weather as it were yes yes

1383

00:56:34,789 --> 00:56:33,760

i got in an elevator with him and his

1384

00:56:37,750 --> 00:56:34,799

then wife

1385

00:56:38,950 --> 00:56:37,760

and and steinberg and me and i was

1386

00:56:42,069 --> 00:56:38,960

trying to be cool

1387

00:56:44,549 --> 00:56:42,079

and gene being gene

1388

00:56:45,349 --> 00:56:44,559

took his picture in his face with a

1389

00:56:48,549 --> 00:56:45,359

flash

1390

00:56:51,069 --> 00:56:48,559

little camera and i was going oh god get

1391

00:56:53,430 --> 00:56:51,079

me to the floor i'm going to this is

1392

00:56:56,390 --> 00:56:53,440

humiliating

1393

00:56:57,829 --> 00:56:56,400

we even had spies from the east village

1394

00:56:59,990 --> 00:56:57,839

other who thought we were

1395

00:57:01,270 --> 00:57:00,000

into something much darker than we were

1396

00:57:04,710 --> 00:57:01,280

frank strange's was

1397

00:57:07,510 --> 00:57:04,720

there uh fresh food

1398

00:57:09,349 --> 00:57:07,520

edward made a surprise appearance dr

1399

00:57:12,230 --> 00:57:09,359

condon was there because he would

1400

00:57:12,549 --> 00:57:12,240

love to see us acting as uh as he would

1401

00:57:15,670 --> 00:57:12,559

think

1402

00:57:17,829 --> 00:57:15,680

silly as we did but nevertheless it had

1403

00:57:21,030 --> 00:57:17,839

i think that was john keele's first

1404

00:57:26,150 --> 00:57:24,829

how about louis who was the newest

1405

00:57:32,390 --> 00:57:26,160

candidate

1406

00:57:39,030 --> 00:57:35,910

anyway he really saw the 1960s

1407

00:57:40,950 --> 00:57:39,040

in full flower at that condition i've

1408

00:57:43,270 --> 00:57:40,960

always said that the contact e

1409

00:57:45,430 --> 00:57:43,280

conventions that preceded us

1410

00:57:47,430 --> 00:57:45,440

were really the birth of the new age

1411

00:57:50,150 --> 00:57:47,440

movement that is still ongoing

1412

00:57:51,150 --> 00:57:50,160

and our convention really was was kind

1413

00:57:56,470 --> 00:57:51,160

of the

1414

00:57:58,789 --> 00:57:56,480

the 60s which

1415

00:58:00,390 --> 00:57:58,799

they mean the late 60s because every

1416

00:58:02,150 --> 00:58:00,400

element of that was there

1417

00:58:05,030 --> 00:58:02,160

i'm not not sure that the weather

1418

00:58:05,430 --> 00:58:05,040

underground in its nastiest form wasn't

1419

00:58:07,510 --> 00:58:05,440

there

1420

00:58:09,030 --> 00:58:07,520

but uh in fact i'm pretty sure it was

1421

00:58:11,670 --> 00:58:09,040

but we won't go into that

1422

00:58:13,109 --> 00:58:11,680

in any detail as there are still some

1423

00:58:14,710 --> 00:58:13,119

current warrants out there

1424

00:58:16,870 --> 00:58:14,720

i didn't say that i didn't say that that

1425

00:58:17,910 --> 00:58:16,880

was that was my schizophrenic side i was

1426

00:58:21,109 --> 00:58:17,920

channeling

1427

00:58:24,710 --> 00:58:21,119

the people from p1 but

1428

00:58:27,030 --> 00:58:24,720

1968 it was a great year 68 let's skip

1429

00:58:28,549 --> 00:58:27,040

yeah you would think that jim would have

1430

00:58:29,190 --> 00:58:28,559

made some money on that with all the

1431

00:58:32,630 --> 00:58:29,200

people but

1432

00:58:35,349 --> 00:58:32,640

no he just about broke even you know why

1433

00:58:37,510 --> 00:58:35,359

because the way the hotel was set up uh

1434

00:58:38,630 --> 00:58:37,520

people in order to save the two or three

1435

00:58:41,349 --> 00:58:38,640

dollars admission

1436

00:58:42,230 --> 00:58:41,359

would get off on the mezzanine floor and

1437

00:58:44,390 --> 00:58:42,240

walk down

1438

00:58:46,309 --> 00:58:44,400

one flight instead of taking the

1439

00:58:47,670 --> 00:58:46,319

elevator and the doors would open and

1440

00:58:52,030 --> 00:58:47,680

there would be the people there to take

1441

00:58:58,549 --> 00:58:55,030

1967 which was steep for

1442

00:59:02,549 --> 00:58:58,559

jim when when when i tried to uh do

1443

00:59:04,710 --> 00:59:02,559

uh in what was in 1995 a

1444

00:59:06,710 --> 00:59:04,720

i was kind of talked into it a really

1445

00:59:09,430 --> 00:59:06,720

big convention it cost us the same

1446

00:59:11,750 --> 00:59:09,440

amount but that was in 1995

1447

00:59:13,270 --> 00:59:11,760

and we broke even so i think in both

1448

00:59:15,750 --> 00:59:13,280

cases

1449

00:59:16,870 --> 00:59:15,760

uh we broke even on the really really

1450

00:59:19,910 --> 00:59:16,880

really really big

1451

00:59:21,910 --> 00:59:19,920

conventions but nothing ever equal was

1452

00:59:25,270 --> 00:59:21,920

that the one in atlanta

1453

00:59:28,470 --> 00:59:25,280

yep that was yeah it was the second one

1454

00:59:31,109 --> 00:59:28,480

yeah the first one was in 90 or 80 or

1455

00:59:36,069 --> 00:59:31,119

73 the first atlanta convention was in

1456

00:59:42,470 --> 00:59:39,829

about the convention is the hotel

1457

00:59:44,549 --> 00:59:42,480

if you remember we had we had closed

1458

00:59:47,270 --> 00:59:44,559

sessions in the hotel

1459

00:59:49,190 --> 00:59:47,280

yeah this is this was the usual thing

1460

00:59:52,230 --> 00:59:49,200

closed meaning people who were

1461

00:59:54,549 --> 00:59:52,240

delegates which was ill-defined but it

1462

00:59:56,549 --> 00:59:54,559

was basically whoever we decided

1463

00:59:57,910 --> 00:59:56,559

was actually a ufologist and not a

1464

01:00:00,789 --> 00:59:57,920

spectator

1465

01:00:02,470 --> 01:00:00,799

and uh we had open sessions which were

1466

01:00:04,789 --> 01:00:02,480

for people who just wanted to hear the

1467

01:00:06,710 --> 01:00:04,799

speakers and in that year it was at the

1468

01:00:08,390 --> 01:00:06,720

linux square auditorium across the

1469

01:00:11,750 --> 01:00:08,400

street from the hotel

1470

01:00:15,270 --> 01:00:11,760

and uh gray barker spoke and uh

1471

01:00:18,230 --> 01:00:15,280

who else um um i know that uh breedman

1472

01:00:18,870 --> 01:00:18,240

uh yeah uh stan friedman we got him and

1473

01:00:22,789 --> 01:00:18,880

uh

1474

01:00:27,030 --> 01:00:22,799

crowd and

1475

01:00:30,069 --> 01:00:27,040

actually uh uh

1476

01:00:32,789 --> 01:00:30,079

a lot of people that i hadn't seen in

1477

01:00:35,349 --> 01:00:32,799

20 years meaning from my childhood

1478

01:00:38,630 --> 01:00:35,359

showed up at that convention so that was

1479

01:00:39,589 --> 01:00:38,640

very memorable for me but uh the one in

1480

01:00:41,910 --> 01:00:39,599

95 was

1481

01:00:43,990 --> 01:00:41,920

i got talked into that and it was

1482

01:00:47,829 --> 01:00:44,000

literally the last time that my

1483

01:00:50,230 --> 01:00:47,839

late uh best friend uh

1484

01:00:51,430 --> 01:00:50,240

oscar samson orion who was one of the

1485

01:00:53,109 --> 01:00:51,440

other sponsors

1486

01:00:54,950 --> 01:00:53,119

the last time i ever saw him he had

1487

01:00:59,270 --> 01:00:54,960

joined a cult and

1488

01:01:01,750 --> 01:00:59,280

later died in a rather predictable

1489

01:01:02,789 --> 01:01:01,760

car wreck because he was a speed demon

1490

01:01:05,589 --> 01:01:02,799

known to every

1491

01:01:06,710 --> 01:01:05,599

uh motorcycle cop in the city of atlanta

1492

01:01:09,990 --> 01:01:06,720

and

1493

01:01:13,990 --> 01:01:10,000

didn't make it to 50 but

1494

01:01:14,670 --> 01:01:14,000

uh he uh told me he was getting married

1495

01:01:17,670 --> 01:01:14,680

at

1496

01:01:20,150 --> 01:01:17,680

46 47 which was you know

1497

01:01:22,470 --> 01:01:20,160

something that was never going to happen

1498

01:01:26,309 --> 01:01:22,480

uh did the convention but apparently

1499

01:01:28,630 --> 01:01:26,319

he had told me something that i found to

1500

01:01:31,670 --> 01:01:28,640

be untrue he said but we agreed that if

1501

01:01:33,990 --> 01:01:31,680

i say this is the voice of god

1502

01:01:35,990 --> 01:01:34,000

you will believe it i said yeah but this

1503

01:01:37,510 --> 01:01:36,000

just isn't true it isn't the voice of

1504

01:01:39,750 --> 01:01:37,520

god it's the voice of sam

1505

01:01:41,190 --> 01:01:39,760

i never saw him again he did his duty

1506

01:01:43,670 --> 01:01:41,200

and he and his brother who is

1507

01:01:44,789 --> 01:01:43,680

still a friend of mine dr hilliard

1508

01:01:47,750 --> 01:01:44,799

gastrin

1509

01:01:49,190 --> 01:01:47,760

um they walked off and i'm still friends

1510

01:01:52,549 --> 01:01:49,200

with hilly although he lives in

1511

01:01:55,910 --> 01:01:52,559

alaska or somewhere that physicists go

1512

01:01:57,510 --> 01:01:55,920

and uh um and

1513

01:01:59,670 --> 01:01:57,520

that was the last time i ever laid eyes

1514

01:02:01,910 --> 01:01:59,680

on sam

1515

01:02:04,230 --> 01:02:01,920

very sad in its own way but it was an

1516

01:02:06,470 --> 01:02:04,240

interesting convention

1517

01:02:07,589 --> 01:02:06,480

i remember i remember the conference

1518

01:02:11,510 --> 01:02:07,599

that the gym and i

1519

01:02:13,829 --> 01:02:11,520

uh co-sponsored in on miami beach

1520

01:02:15,190 --> 01:02:13,839

yeah we had we had a fairly good uh

1521

01:02:18,950 --> 01:02:15,200

attendance for that

1522

01:02:22,309 --> 01:02:18,960

except we had it on the weekend of

1523

01:02:24,069 --> 01:02:22,319

mother's day yes and up until four

1524

01:02:26,150 --> 01:02:24,079

o'clock in the afternoon

1525

01:02:27,750 --> 01:02:26,160

i think we had two people who paid to

1526

01:02:31,190 --> 01:02:27,760

come in on that uh

1527

01:02:34,470 --> 01:02:31,200

sunday but the conference itself uh

1528

01:02:37,670 --> 01:02:34,480

we featured ed walters who

1529

01:02:40,789 --> 01:02:37,680

of course was the

1530

01:02:42,230 --> 01:02:40,799

fellow from gulf breeze florida who

1531

01:02:46,230 --> 01:02:42,240

maintained that he was

1532

01:02:49,270 --> 01:02:46,240

in contact with the

1533

01:02:50,230 --> 01:02:49,280

ufo entities occupants and was able to

1534

01:02:52,870 --> 01:02:50,240

photograph

1535

01:02:53,510 --> 01:02:52,880

uh ufos kind of with the the drop of a

1536

01:02:56,309 --> 01:02:53,520

dime

1537

01:02:57,190 --> 01:02:56,319

in fact now tim schwartz and i have just

1538

01:03:00,470 --> 01:02:57,200

completed

1539

01:03:01,270 --> 01:03:00,480

a book with um scott corrales and sean

1540

01:03:03,829 --> 01:03:01,280

castillo

1541

01:03:04,950 --> 01:03:03,839

called the ufo repeaters the camera

1542

01:03:06,230 --> 01:03:04,960

doesn't lie

1543

01:03:08,150 --> 01:03:06,240

and we were going to talk about that a

1544

01:03:08,710 --> 01:03:08,160

little this evening but we got preempted

1545

01:03:11,750 --> 01:03:08,720

by

1546

01:03:13,190 --> 01:03:11,760

skype and so we really won't get into it

1547

01:03:14,870 --> 01:03:13,200

except to say that the book is now

1548

01:03:17,750 --> 01:03:14,880

available on amazon

1549

01:03:18,230 --> 01:03:17,760

and it recounts the experiences of i

1550

01:03:21,510 --> 01:03:18,240

think

1551

01:03:24,549 --> 01:03:21,520

is it about 14 individuals um

1552

01:03:27,829 --> 01:03:24,559

tim yes yeah something like that okay

1553

01:03:30,549 --> 01:03:27,839

yes and tim i'll make sure that

1554

01:03:30,950 --> 01:03:30,559

i talk about it a little bit uh on the

1555

01:03:33,190 --> 01:03:30,960

uh

1556

01:03:34,390 --> 01:03:33,200

the show coming up right after this one

1557

01:03:37,029 --> 01:03:34,400

the outer edge

1558

01:03:37,750 --> 01:03:37,039

wait wait yes indeed this is a four

1559

01:03:41,270 --> 01:03:37,760

hours of

1560

01:03:51,190 --> 01:03:41,280

back to back madness paranoia

1561

01:03:56,150 --> 01:03:54,390

i don't know okay

1562

01:03:58,230 --> 01:03:56,160

rick you've edited how many different

1563

01:04:01,670 --> 01:03:58,240

ufo publications now

1564

01:04:04,230 --> 01:04:01,680

too many too many

1565

01:04:06,069 --> 01:04:04,240

the same one for many years four or five

1566

01:04:08,309 --> 01:04:06,079

must be four or five yeah

1567

01:04:10,470 --> 01:04:08,319

you may have you may have outside of the

1568

01:04:10,710 --> 01:04:10,480

uf uh the conspiracy journal that we put

1569

01:04:13,589 --> 01:04:10,720

out

1570

01:04:14,710 --> 01:04:13,599

occasionally you may have the only

1571

01:04:17,430 --> 01:04:14,720

regularly scheduled

1572

01:04:20,069 --> 01:04:17,440

printed publication the flying saucer

1573

01:04:23,109 --> 01:04:20,079

digest which is not really a digest

1574

01:04:24,069 --> 01:04:23,119

right was it ever a digest it's sort of

1575

01:04:29,510 --> 01:04:24,079

indigestion

1576

01:04:34,069 --> 01:04:31,349

hey i'm playing this lounge all week

1577

01:04:37,589 --> 01:04:35,670

seriously though yeah i believe it is

1578

01:04:38,470 --> 01:04:37,599

the last i like to say it's the last

1579

01:04:40,950 --> 01:04:38,480

traditional you

1580

01:04:42,470 --> 01:04:40,960

eufo as gray barker would have called it

1581

01:04:44,069 --> 01:04:42,480

or saucer zine

1582

01:04:46,230 --> 01:04:44,079

yes it is there are several others that

1583

01:04:46,630 --> 01:04:46,240

are still printed on on ink and paper

1584

01:04:48,789 --> 01:04:46,640

but

1585

01:04:51,430 --> 01:04:48,799

they don't really deal exclusively with

1586

01:04:51,829 --> 01:04:51,440

ufos well the only magazine that i know

1587

01:04:54,390 --> 01:04:51,839

of

1588

01:04:56,870 --> 01:04:54,400

in the english language that is still

1589

01:04:59,990 --> 01:04:56,880

published on a regular basis

1590

01:05:03,589 --> 01:05:00,000

is called the australian ufologist

1591

01:05:06,069 --> 01:05:03,599

okay and uh i have seen it

1592

01:05:07,990 --> 01:05:06,079

once in a you know like every 10 years

1593

01:05:10,710 --> 01:05:08,000

it will show up at barnes and noble

1594

01:05:11,589 --> 01:05:10,720

but it is still a printed publication

1595

01:05:15,430 --> 01:05:11,599

and of course

1596

01:05:17,750 --> 01:05:15,440

there are now several uh e

1597

01:05:18,549 --> 01:05:17,760

magazines but you know i hate to say

1598

01:05:20,309 --> 01:05:18,559

this

1599

01:05:22,470 --> 01:05:20,319

but these guys can't get it out on a

1600

01:05:23,270 --> 01:05:22,480

regular basis i mean you know they start

1601
01:05:26,470 --> 01:05:23,280
a magazine

1602
01:05:28,950 --> 01:05:26,480
and uh you know months go by

1603
01:05:30,870 --> 01:05:28,960
and uh then they may get it out and they

1604
01:05:33,029 --> 01:05:30,880
may not get it out and that's not the

1605
01:05:35,430 --> 01:05:33,039
way to put out a magazine

1606
01:05:36,470 --> 01:05:35,440
as we know and i've been involved in

1607
01:05:38,710 --> 01:05:36,480
putting out over the years

1608
01:05:40,789 --> 01:05:38,720
numerous ufo publications that were

1609
01:05:42,789 --> 01:05:40,799
actually sold on the newsstand

1610
01:05:44,150 --> 01:05:42,799
uh there were quite a few magazines in

1611
01:05:45,990 --> 01:05:44,160
fact uh

1612
01:05:47,349 --> 01:05:46,000
somebody interviewing me for a

1613
01:05:51,109 --> 01:05:47,359

publication called

1614

01:05:53,270 --> 01:05:51,119

digest and the first issue has an

1615

01:05:55,270 --> 01:05:53,280

interview with phyllis goldy who of

1616

01:05:58,150 --> 01:05:55,280

course is the publisher of fate magazine

1617

01:05:59,589 --> 01:05:58,160

it's all about digest publications that

1618

01:06:01,670 --> 01:05:59,599

have come out over the

1619

01:06:03,990 --> 01:06:01,680

years not just about the paranormal i

1620

01:06:06,630 --> 01:06:04,000

mean you know everything from coronet to

1621

01:06:07,990 --> 01:06:06,640

a couple of little girly books and sex

1622

01:06:08,470 --> 01:06:08,000

digest i don't know whatever they would

1623

01:06:10,710 --> 01:06:08,480

call

1624

01:06:12,069 --> 01:06:10,720

baseball digest wrestling digest you

1625

01:06:15,430 --> 01:06:12,079

know there used to be

1626

01:06:18,789 --> 01:06:15,440

quite a number of digest magazines now

1627

01:06:22,870 --> 01:06:18,799

i think it's hillary queen isaac asimov

1628

01:06:23,990 --> 01:06:22,880

and sci-fi fantasy or something like

1629

01:06:27,670 --> 01:06:24,000

they're very few

1630

01:06:29,510 --> 01:06:27,680

uh even soap opera digest the last i saw

1631

01:06:30,150 --> 01:06:29,520

it was not a digest anymore but still

1632

01:06:33,510 --> 01:06:30,160

being uh

1633

01:06:34,630 --> 01:06:33,520

well look uh they they really served uh

1634

01:06:36,870 --> 01:06:34,640

uh

1635

01:06:37,910 --> 01:06:36,880

i've especially in the science fiction

1636

01:06:40,549 --> 01:06:37,920

universe and

1637

01:06:43,190 --> 01:06:40,559

uh actually you can make an argument

1638

01:06:46,390 --> 01:06:43,200

that uh that fate was the offspring of

1639

01:06:49,029 --> 01:06:46,400

amazing and fantastic i mean so that

1640

01:06:49,430 --> 01:06:49,039

as as digest things and for that matter

1641

01:06:58,150 --> 01:06:49,440

uh

1642

01:07:02,710 --> 01:07:01,109

even even magazines like time and

1643

01:07:05,910 --> 01:07:02,720

newsweek are having trouble

1644

01:07:08,549 --> 01:07:05,920

staying in print editions and i i read

1645

01:07:12,150 --> 01:07:08,559

their online editions and frankly

1646

01:07:13,190 --> 01:07:12,160

uh i continued to to publish the para

1647

01:07:16,549 --> 01:07:13,200

ufologists

1648

01:07:19,990 --> 01:07:16,559

off and on into the 1990s but as

1649

01:07:23,190 --> 01:07:20,000

i got into being

1650

01:07:26,789 --> 01:07:23,200

a presence on the internet i could reach

1651
01:07:30,069 --> 01:07:26,799
so many more people so much more quickly

1652
01:07:31,750 --> 01:07:30,079
with so much less physical effort i'm

1653
01:07:32,870 --> 01:07:31,760
not saying the intellectual effort

1654
01:07:36,069 --> 01:07:32,880
suffers but

1655
01:07:39,109 --> 01:07:36,079
the physical effort involved in you know

1656
01:07:42,470 --> 01:07:39,119
collating and i mean at one time it was

1657
01:07:44,390 --> 01:07:42,480
a one-man thing and you

1658
01:07:45,589 --> 01:07:44,400
my father's company unknown to my

1659
01:07:48,150 --> 01:07:45,599
father's company

1660
01:07:50,789 --> 01:07:48,160
was producing the magazine on its big

1661
01:07:53,349 --> 01:07:50,799
mimeograph machines and then i would

1662
01:07:55,109 --> 01:07:53,359
put the pages around the table and spend

1663
01:07:57,029 --> 01:07:55,119

the whole night going around the table

1664

01:07:59,190 --> 01:07:57,039

collating and then stapling

1665

01:08:01,270 --> 01:07:59,200

putting them in envelopes putting the

1666

01:08:03,829 --> 01:08:01,280

stickers on the envelopes or hand

1667

01:08:06,069 --> 01:08:03,839

addressing them send them out and maybe

1668

01:08:07,109 --> 01:08:06,079

maybe i'd reach 300 people at the

1669

01:08:09,829 --> 01:08:07,119

maximum

1670

01:08:11,430 --> 01:08:09,839

i i use the ironing board to pile it up

1671

01:08:13,910 --> 01:08:11,440

you can get like

1672

01:08:16,789 --> 01:08:13,920

10 different sheets on an ironing board

1673

01:08:20,149 --> 01:08:16,799

and then you move on to the couch

1674

01:08:21,269 --> 01:08:20,159

exactly exactly i mean you know i have

1675

01:08:23,669 --> 01:08:21,279

to say this

1676

01:08:25,189 --> 01:08:23,679

i like to read a physical publication i

1677

01:08:27,590 --> 01:08:25,199

have a hard time

1678

01:08:28,390 --> 01:08:27,600

online reading something that holds my

1679

01:08:31,269 --> 01:08:28,400

attention

1680

01:08:34,229 --> 01:08:31,279

now the kindle i like it's the best

1681

01:08:36,070 --> 01:08:34,239

thing i just bought a kindle for 84.

1682

01:08:37,669 --> 01:08:36,080

this thing is marvelous never mind

1683

01:08:39,990 --> 01:08:37,679

movies music

1684

01:08:41,590 --> 01:08:40,000

books half of which are free thanks to

1685

01:08:47,189 --> 01:08:41,600

uh

1686

01:08:49,829 --> 01:08:47,199

even even the kindle book is is easy to

1687

01:08:51,990 --> 01:08:49,839

read i was just going over ufo repeaters

1688

01:08:53,269 --> 01:08:52,000

uh the other night and uh there are no

1689

01:08:54,870 --> 01:08:53,279

errors in the book

1690

01:08:57,189 --> 01:08:54,880

thanks to sean casteel he does an

1691

01:08:58,070 --> 01:08:57,199

excellent job of uh organizing and

1692

01:09:00,070 --> 01:08:58,080

proofreading

1693

01:09:02,149 --> 01:09:00,080

and tim does the cover magnificent

1694

01:09:04,470 --> 01:09:02,159

covers along with bill kern

1695

01:09:05,349 --> 01:09:04,480

and uh so i can read on kindle but i'd

1696

01:09:08,630 --> 01:09:05,359

much rather

1697

01:09:09,590 --> 01:09:08,640

uh also too you know alan when you send

1698

01:09:11,110 --> 01:09:09,600

out 300

1699

01:09:12,550 --> 01:09:11,120

magazines except for the ones that get

1700

01:09:13,590 --> 01:09:12,560

chopped up in the mail or come back

1701

01:09:15,590 --> 01:09:13,600

because the person has

1702

01:09:17,110 --> 01:09:15,600

moved six times in a year you know that

1703

01:09:19,669 --> 01:09:17,120

the publication is being

1704

01:09:21,110 --> 01:09:19,679

read when you send out 5 000 copies of

1705

01:09:23,269 --> 01:09:21,120

your newsletter on the internet

1706

01:09:25,590 --> 01:09:23,279

chances are nobody's paying which is not

1707

01:09:27,189 --> 01:09:25,600

a good thing and and you have no way of

1708

01:09:29,430 --> 01:09:27,199

determining how many people have

1709

01:09:32,229 --> 01:09:29,440

actually opened up your publication and

1710

01:09:34,390 --> 01:09:32,239

got past the first page

1711

01:09:36,070 --> 01:09:34,400

you can't you can know by the feedback

1712

01:09:39,189 --> 01:09:36,080

that you get for example

1713

01:09:41,030 --> 01:09:39,199

if i advertise say a book that you and i

1714

01:09:43,749 --> 01:09:41,040

collaborated on

1715

01:09:44,149 --> 01:09:43,759

the sales of the book goes go up and

1716

01:09:48,070 --> 01:09:44,159

that

1717

01:09:49,669 --> 01:09:48,080

and you can put a counter on a website

1718

01:09:51,349 --> 01:09:49,679

and they're they're all sort of i

1719

01:09:54,470 --> 01:09:51,359

understand that yeah yeah yeah

1720

01:09:54,870 --> 01:09:54,480

on on on wordpress you actually you know

1721

01:09:57,750 --> 01:09:54,880

they

1722

01:09:58,630 --> 01:09:57,760

you have have charts that are available

1723

01:10:01,270 --> 01:09:58,640

only to the

1724

01:10:02,070 --> 01:10:01,280

to the owner of that site that shows you

1725

01:10:04,229 --> 01:10:02,080

how many

1726

01:10:06,630 --> 01:10:04,239

people have viewed it that particular

1727

01:10:08,310 --> 01:10:06,640

day and the entire history going back to

1728

01:10:10,950 --> 01:10:08,320

the first day you were there

1729

01:10:11,669 --> 01:10:10,960

i am i'm going to turn over my internet

1730

01:10:15,270 --> 01:10:11,679

department

1731

01:10:21,590 --> 01:10:19,030

bs brother no offense

1732

01:10:24,470 --> 01:10:21,600

oh zone writer is on what does that mean

1733

01:10:27,189 --> 01:10:24,480

that's uh that's a word in enochian

1734

01:10:28,630 --> 01:10:27,199

zone it's actually the start of a very

1735

01:10:29,270 --> 01:10:28,640

bad word that you don't want to do

1736

01:10:32,390 --> 01:10:29,280

because

1737

01:10:35,830 --> 01:10:32,400

it'll cause storms in seattle

1738

01:10:41,590 --> 01:10:39,350

who's zombies zod rider is the uh

1739

01:10:44,149 --> 01:10:41,600

the the producer of several other

1740

01:10:46,550 --> 01:10:44,159

programs here on the psn radio network

1741

01:10:47,189 --> 01:10:46,560

well he just tuned in and horned in on

1742

01:10:50,550 --> 01:10:47,199

our time

1743

01:10:53,830 --> 01:10:50,560

so well since since

1744

01:10:55,830 --> 01:10:53,840

since we're on uh sunday night uh uh

1745

01:10:57,110 --> 01:10:55,840

when when normally we're on on saturday

1746

01:10:59,990 --> 01:10:57,120

nights i i

1747

01:11:00,950 --> 01:11:00,000

i wonder if zod didn't uh think that

1748

01:11:02,870 --> 01:11:00,960

well

1749

01:11:04,630 --> 01:11:02,880

anybody was on broadcasting right now we

1750

01:11:07,430 --> 01:11:04,640

actually had a caller and we insulted

1751

01:11:10,709 --> 01:11:07,440

him that's not right

1752

01:11:28,229 --> 01:11:10,719

i insulted him it's entirely mia mia

1753

01:11:31,830 --> 01:11:29,750

but then i looked closer and i realized

1754

01:11:34,149 --> 01:11:31,840

it wasn't uh and uh

1755

01:11:35,270 --> 01:11:34,159

so there we go all right let's get on

1756

01:11:38,709 --> 01:11:35,280

with it here now

1757

01:11:41,030 --> 01:11:38,719

uh the uh the conference that

1758

01:11:42,790 --> 01:11:41,040

we could talk about that never was was

1759

01:11:45,189 --> 01:11:42,800

of course the uh the one that

1760

01:11:45,990 --> 01:11:45,199

took place uh was supposed to take place

1761

01:11:49,430 --> 01:11:46,000

the week of

1762

01:11:50,070 --> 01:11:49,440

9 11. and that was uh rick was that to

1763

01:11:53,270 --> 01:11:50,080

be in

1764

01:11:55,189 --> 01:11:53,280

houston austin or somewhere in texas i

1765

01:11:58,709 --> 01:11:55,199

believe it was san antonio

1766

01:12:02,229 --> 01:11:58,719

san antonio that was smiles louis

1767

01:12:03,430 --> 01:12:02,239

yes he had done a great job actually of

1768

01:12:06,950 --> 01:12:03,440

um

1769

01:12:09,990 --> 01:12:06,960

organizing the event yeah and then

1770

01:12:11,830 --> 01:12:10,000

the catastrophe struck and uh

1771

01:12:13,430 --> 01:12:11,840

i think the the conference of course was

1772

01:12:15,270 --> 01:12:13,440

called off because at that point

1773

01:12:16,790 --> 01:12:15,280

you couldn't even get anywhere on a

1774

01:12:19,189 --> 01:12:16,800

plane if you you wanted to

1775

01:12:21,270 --> 01:12:19,199

so was there any was there other any

1776

01:12:23,189 --> 01:12:21,280

other conference that had a uh

1777

01:12:24,870 --> 01:12:23,199

a disaster along that line where it was

1778

01:12:25,350 --> 01:12:24,880

canceled at the last moment or something

1779

01:12:28,630 --> 01:12:25,360

went on

1780

01:12:31,590 --> 01:12:28,640

well there was uh i believe it was one

1781

01:12:33,990 --> 01:12:31,600

uh in the in the 80s when we had the air

1782

01:12:35,430 --> 01:12:34,000

traffic controllers go out on strike and

1783

01:12:38,229 --> 01:12:35,440

there was talk of you know

1784

01:12:39,750 --> 01:12:38,239

a massive airline shutdowns and whatnot

1785

01:12:41,830 --> 01:12:39,760

until reagan you know you know

1786

01:12:43,510 --> 01:12:41,840

forced them all back to work or whatever

1787

01:12:45,110 --> 01:12:43,520

that i think that was like green bay

1788

01:12:47,669 --> 01:12:45,120

wisconsin

1789

01:12:49,510 --> 01:12:47,679

and was in the late 70s or no hadn't

1790

01:12:50,870 --> 01:12:49,520

been in the 80s of course if reagan did

1791

01:12:53,990 --> 01:12:50,880

it

1792

01:12:56,070 --> 01:12:54,000

yeah yeah so that was the closest we

1793

01:12:57,830 --> 01:12:56,080

ever came there were really no disasters

1794

01:13:00,229 --> 01:12:57,840

or anything other than

1795

01:13:01,030 --> 01:13:00,239

september 11th but you know it was

1796

01:13:02,390 --> 01:13:01,040

backing up

1797

01:13:04,470 --> 01:13:02,400

going back you know we were talking

1798

01:13:07,669 --> 01:13:04,480

about the organization and the

1799

01:13:12,310 --> 01:13:07,679

the closed sessions versus the open

1800

01:13:14,390 --> 01:13:12,320

sessions okay and i just just

1801
01:13:15,510 --> 01:13:14,400
one of the things i've always thought is

1802
01:13:19,030 --> 01:13:15,520
the reason

1803
01:13:22,790 --> 01:13:19,040
that the convention never really

1804
01:13:25,430 --> 01:13:22,800
took off like the mufon symposia have

1805
01:13:27,750 --> 01:13:25,440
is because it was not held by a you know

1806
01:13:31,430 --> 01:13:27,760
a monolithic organization

1807
01:13:32,709 --> 01:13:31,440
um we we had the closed sessions which

1808
01:13:34,630 --> 01:13:32,719
was supposed to be

1809
01:13:35,910 --> 01:13:34,640
for the delegates and the delegates were

1810
01:13:37,990 --> 01:13:35,920
it was supposed it was a loose

1811
01:13:40,070 --> 01:13:38,000
confederation of people

1812
01:13:41,350 --> 01:13:40,080
and we were supposed to be cooperating

1813
01:13:43,110 --> 01:13:41,360

and working together and

1814

01:13:44,630 --> 01:13:43,120

of course that never really happens you

1815

01:13:46,229 --> 01:13:44,640

know everybody has their

1816

01:13:47,750 --> 01:13:46,239

their own thing they want to do their

1817

01:13:47,990 --> 01:13:47,760

own thing their own publication their

1818

01:13:50,229 --> 01:13:48,000

own

1819

01:13:51,990 --> 01:13:50,239

well and also two people people came and

1820

01:13:55,030 --> 01:13:52,000

went uh you know on a regular

1821

01:13:58,390 --> 01:13:55,040

basis uh we here we three

1822

01:14:00,229 --> 01:13:58,400

uh men here have uh uh uh

1823

01:14:02,070 --> 01:14:00,239

stuck with it well i'm thinking of dead

1824

01:14:04,630 --> 01:14:02,080

people who's not here but uh

1825

01:14:06,310 --> 01:14:04,640

we we've stuck with it i mean uh we are

1826

01:14:09,669 --> 01:14:06,320

the the mighty uh you know

1827

01:14:11,910 --> 01:14:09,679

uh trio here who have uh uh said that

1828

01:14:14,070 --> 01:14:11,920

we're going to fight this to the end

1829

01:14:15,830 --> 01:14:14,080

and and certainly we are proving you

1830

01:14:18,310 --> 01:14:15,840

that uh that point

1831

01:14:20,630 --> 01:14:18,320

and um i do you think this will be a

1832

01:14:24,310 --> 01:14:20,640

regular uh

1833

01:14:27,669 --> 01:14:24,320

conference uh it it it certainly

1834

01:14:28,229 --> 01:14:27,679

was not planned to be uh initially it

1835

01:14:31,270 --> 01:14:28,239

was just

1836

01:14:31,669 --> 01:14:31,280

supposed to be a gathering of some of

1837

01:14:36,950 --> 01:14:31,679

the

1838

01:14:38,470 --> 01:14:36,960

that aren't dead that are still alive

1839

01:14:39,110 --> 01:14:38,480

yeah they're still reasonable although

1840

01:14:42,229 --> 01:14:39,120

the dead

1841

01:14:43,430 --> 01:14:42,239

are welcome yes really yeah

1842

01:14:45,270 --> 01:14:43,440

that would be that would be at the

1843

01:14:48,870 --> 01:14:45,280

closed session alan

1844

01:14:51,590 --> 01:14:48,880

yeah the the very closed session

1845

01:14:52,790 --> 01:14:51,600

uh very close coming in by ouija board

1846

01:14:56,229 --> 01:14:52,800

you know and uh

1847

01:14:58,070 --> 01:14:56,239

we can talk to jim and gray and

1848

01:14:59,590 --> 01:14:58,080

they they'd love it you know if we said

1849

01:15:04,630 --> 01:14:59,600

oh we i'm

1850

01:15:11,030 --> 01:15:07,750

50 shades of grey barker there you go

1851

01:15:11,750 --> 01:15:11,040

yes well uh one piece of trivia and i

1852

01:15:13,270 --> 01:15:11,760

want to

1853

01:15:14,870 --> 01:15:13,280

you know before we run out of time i

1854

01:15:16,709 --> 01:15:14,880

want to discuss what happened to the

1855

01:15:18,070 --> 01:15:16,719

convention because i think we were very

1856

01:15:21,430 --> 01:15:18,080

successful and it was

1857

01:15:24,390 --> 01:15:21,440

is still the longest running convention

1858

01:15:25,910 --> 01:15:24,400

ever you know annual convention piece of

1859

01:15:28,310 --> 01:15:25,920

trivia

1860

01:15:30,870 --> 01:15:28,320

do you remember where we had the banquet

1861

01:15:31,830 --> 01:15:30,880

at the 1980 the second one we had in new

1862

01:15:35,750 --> 01:15:31,840

york city

1863

01:15:38,870 --> 01:15:35,760

where our banquet was held yes i do

1864

01:15:42,630 --> 01:15:38,880

yes i do yeah and how does it relate to

1865

01:15:48,870 --> 01:15:45,990

windows on the world yes we were at the

1866

01:15:50,310 --> 01:15:48,880

top of the uh the the restaurant at the

1867

01:15:52,790 --> 01:15:50,320

top of the twin towers

1868

01:15:53,750 --> 01:15:52,800

and beautiful view of the city that no

1869

01:15:56,950 --> 01:15:53,760

one will ever see

1870

01:15:59,910 --> 01:15:56,960

again uh thanks to our our dear arabic

1871

01:16:02,310 --> 01:15:59,920

uh buddies over there who we've been at

1872

01:16:03,910 --> 01:16:02,320

war with now for the last 3 000 years

1873

01:16:07,189 --> 01:16:03,920

apparently

1874

01:16:10,070 --> 01:16:07,199

with minimal success but uh there's so

1875

01:16:13,110 --> 01:16:10,080

many of them to kill i don't

1876

01:16:15,270 --> 01:16:13,120

never mind i didn't i disavow

1877

01:16:16,950 --> 01:16:15,280

all the other people who would never say

1878

01:16:20,310 --> 01:16:16,960

any such thing and

1879

01:16:22,390 --> 01:16:20,320

it's just my my my personal

1880

01:16:24,550 --> 01:16:22,400

biases i can't go to that restaurant

1881

01:16:26,550 --> 01:16:24,560

anymore and i'm furious about it

1882

01:16:31,110 --> 01:16:26,560

but be that is it me eddie i'm glad you

1883

01:16:37,189 --> 01:16:34,229

huh betty hill was there

1884

01:16:38,149 --> 01:16:37,199

yes betty hill was there and uh yeah uh

1885

01:16:40,310 --> 01:16:38,159

there were there's an

1886

01:16:42,870 --> 01:16:40,320

unknown little feature i was there that

1887

01:16:45,189 --> 01:16:42,880

was at the very end of my marriage to

1888

01:16:46,070 --> 01:16:45,199

uh my first wife we won't mention her

1889

01:16:48,070 --> 01:16:46,080

name to

1890

01:16:49,830 --> 01:16:48,080

so that it doesn't embarrass her we're

1891

01:16:52,149 --> 01:16:49,840

on good terms but

1892

01:16:54,070 --> 01:16:52,159

uh it seems that while we were having a

1893

01:16:56,149 --> 01:16:54,080

convention in one hotel at a hotel

1894

01:16:58,149 --> 01:16:56,159

across the street ronald reagan was

1895

01:17:01,830 --> 01:16:58,159

campaigning for president

1896

01:17:04,390 --> 01:17:01,840

so she being an old campaigner for peace

1897

01:17:06,709 --> 01:17:04,400

opened the the window in our high hotel

1898

01:17:10,709 --> 01:17:06,719

room and flashed ronnie

1899

01:17:12,709 --> 01:17:10,719

that was a little unknown part of the

1900

01:17:15,189 --> 01:17:12,719

convention but i thought that it was

1901

01:17:16,229 --> 01:17:15,199

worth mentioning in this historical

1902

01:17:18,310 --> 01:17:16,239

context

1903

01:17:20,149 --> 01:17:18,320

let me mention briefly about the end of

1904

01:17:23,750 --> 01:17:20,159

the convention because

1905

01:17:24,310 --> 01:17:23,760

i think what happened was jim mosley who

1906

01:17:26,950 --> 01:17:24,320

did an

1907

01:17:29,350 --> 01:17:26,960

excellent job of being the permanent

1908

01:17:31,110 --> 01:17:29,360

chairman for many years decided to give

1909

01:17:33,350 --> 01:17:31,120

it up uh he

1910

01:17:35,030 --> 01:17:33,360

would have eventually i'm sure time and

1911

01:17:38,070 --> 01:17:35,040

time being what they are

1912

01:17:42,470 --> 01:17:38,080

but he trusted some

1913

01:17:46,310 --> 01:17:42,480

people in in l.a and they s

1914

01:17:48,790 --> 01:17:46,320

can i say the word screw the hell yeah

1915

01:17:49,750 --> 01:17:48,800

they screwed us go out ahead they

1916

01:17:51,510 --> 01:17:49,760

screwed us

1917

01:17:53,189 --> 01:17:51,520

royally because they said they were

1918

01:17:53,669 --> 01:17:53,199

gonna you know continue the convention

1919

01:17:55,910 --> 01:17:53,679

they did

1920

01:17:58,149 --> 01:17:55,920

one convention and then they just

1921

01:17:59,990 --> 01:17:58,159

abruptly and unceremoniously

1922

01:18:02,550 --> 01:18:00,000

dropped it i knew that was going to

1923

01:18:05,350 --> 01:18:02,560

happen when jim said he was doing that

1924

01:18:07,270 --> 01:18:05,360

i um it was the second time jim made

1925

01:18:08,070 --> 01:18:07,280

noises about giving it up for the first

1926

01:18:09,669 --> 01:18:08,080

time

1927

01:18:12,229 --> 01:18:09,679

i took the convention that year because

1928

01:18:15,510 --> 01:18:12,239

he called me i was

1929

01:18:17,110 --> 01:18:15,520

down in augusta georgia uh writing

1930

01:18:18,950 --> 01:18:17,120

secret site for the euphenots at the

1931

01:18:20,470 --> 01:18:18,960

time and he called me and he said you

1932

01:18:21,990 --> 01:18:20,480

know i'm thinking about not having a

1933

01:18:24,310 --> 01:18:22,000

convention next year

1934

01:18:25,030 --> 01:18:24,320

so that's when i called sam and hilly

1935

01:18:28,149 --> 01:18:25,040

and the

1936

01:18:29,830 --> 01:18:28,159

members of the occult group that i was

1937

01:18:32,070 --> 01:18:29,840

involved in in atlanta and i said hey

1938

01:18:33,910 --> 01:18:32,080

can we put together a convention because

1939

01:18:37,110 --> 01:18:33,920

i don't want this to end so that was

1940

01:18:39,669 --> 01:18:37,120

where the 1995 convention happened

1941

01:18:40,310 --> 01:18:39,679

but i didn't hear about the deal with uh

1942

01:18:42,709 --> 01:18:40,320

people

1943

01:18:43,669 --> 01:18:42,719

in l.a it's actually one person is it

1944

01:18:47,750 --> 01:18:43,679

not but uh

1945

01:18:50,470 --> 01:18:47,760

yes but in any case

1946

01:18:52,790 --> 01:18:50,480

it didn't end because it had petered out

1947

01:18:56,070 --> 01:18:52,800

or had lost its charm or had

1948

01:18:58,709 --> 01:18:56,080

it it just simply was taken over by

1949

01:19:02,390 --> 01:18:58,719

someone who was just not part of the

1950

01:19:05,830 --> 01:19:02,400

the historical context of it and uh

1951

01:19:08,550 --> 01:19:05,840

after what was it 40 some odd years

1952

01:19:09,430 --> 01:19:08,560

ran for 40 years it had a 40-year run

1953

01:19:12,310 --> 01:19:09,440

yeah that

1954

01:19:14,229 --> 01:19:12,320

it just stopped it might yeah be

1955

01:19:17,270 --> 01:19:14,239

continuing even now had it

1956

01:19:18,950 --> 01:19:17,280

been entrusted to someone who was

1957

01:19:20,790 --> 01:19:18,960

one of those people who would you know

1958

01:19:24,310 --> 01:19:20,800

keep it going uh tell

1959

01:19:27,110 --> 01:19:24,320

death do them part and uh um that's

1960

01:19:27,510 --> 01:19:27,120

uh that's just that's one of the reasons

1961

01:19:33,990 --> 01:19:27,520

uh

1962

01:19:37,110 --> 01:19:34,000

you did it was not backed up by a large

1963

01:19:39,189 --> 01:19:37,120

organization such as mufon or you know

1964

01:19:40,630 --> 01:19:39,199

yeah well is that an argument before or

1965

01:19:42,470 --> 01:19:40,640

against mufon though

1966

01:19:44,709 --> 01:19:42,480

no no not an argument for against me

1967

01:19:48,310 --> 01:19:44,719

font but it it it's a

1968

01:19:50,709 --> 01:19:48,320

a large organization is much better able

1969

01:19:51,669 --> 01:19:50,719

to have an annual convention simply

1970

01:19:53,430 --> 01:19:51,679

because they have

1971

01:19:55,189 --> 01:19:53,440

members you know in different parts of

1972

01:19:56,229 --> 01:19:55,199

the country who are willing or foolish

1973

01:19:59,430 --> 01:19:56,239

enough or

1974

01:20:02,229 --> 01:19:59,440

crazy enough to shell out all the money

1975

01:20:04,149 --> 01:20:02,239

uh to get speakers and etc etc and put

1976

01:20:07,430 --> 01:20:04,159

together the big show

1977

01:20:11,030 --> 01:20:07,440

and uh that's that's i think where the

1978

01:20:13,830 --> 01:20:11,040

the the national ufo conference you know

1979

01:20:16,950 --> 01:20:13,840

it is a monumental amount of work i mean

1980

01:20:20,790 --> 01:20:20,070

is you really need a staff in order to

1981

01:20:23,110 --> 01:20:20,800

do it now

1982

01:20:24,070 --> 01:20:23,120

i did it on a on a regular basis in

1983

01:20:26,790 --> 01:20:24,080

several uh

1984

01:20:29,110 --> 01:20:26,800

uh states i did at the course of san

1985

01:20:32,149 --> 01:20:29,120

diego

1986

01:20:33,830 --> 01:20:32,159

yes yes absolutely and you really you

1987

01:20:36,950 --> 01:20:33,840

really need a staff now

1988

01:20:39,030 --> 01:20:36,960

my problem is my staff has got got older

1989

01:20:40,550 --> 01:20:39,040

and some of them or quite a few of them

1990

01:20:43,830 --> 01:20:40,560

actually have gone

1991

01:20:44,550 --> 01:20:43,840

on to the other side and and so it was

1992

01:20:46,629 --> 01:20:44,560

just

1993

01:20:47,910 --> 01:20:46,639

since we've gotten away from actual

1994

01:20:49,990 --> 01:20:47,920

meetings not only

1995

01:20:52,390 --> 01:20:50,000

as far as the yearly conference goes but

1996

01:20:54,709 --> 01:20:52,400

from localized meetings uh even

1997

01:20:56,550 --> 01:20:54,719

uh it's harder to find people who are

1998

01:20:59,669 --> 01:20:56,560

not who are available

1999

01:21:00,950 --> 01:20:59,679

to spend their time basically for free

2000

01:21:03,030 --> 01:21:00,960

to donate their time to

2001
01:21:04,229 --> 01:21:03,040
to be involved in something uh like this

2002
01:21:06,550 --> 01:21:04,239
that is true it's

2003
01:21:07,750 --> 01:21:06,560
it is so great to see that this is

2004
01:21:11,830 --> 01:21:07,760
getting back together

2005
01:21:13,830 --> 01:21:11,840
i am going to get myself on a bus

2006
01:21:16,550 --> 01:21:13,840
and head for cleveland i might do it

2007
01:21:20,229 --> 01:21:19,430
you'll be a bit early but that's fine

2008
01:21:23,189 --> 01:21:20,239
i'll help you

2009
01:21:25,350 --> 01:21:23,199
i'll i'll help senate i'll help help set

2010
01:21:29,910 --> 01:21:25,360
the chairs

2011
01:21:33,430 --> 01:21:32,629
but but all seriousness aside here

2012
01:21:36,629 --> 01:21:33,440
anyway if

2013
01:21:39,030 --> 01:21:36,639

if we should if we should uh you know

2014

01:21:39,910 --> 01:21:39,040

have another one and it's that's not

2015

01:21:42,070 --> 01:21:39,920

that

2016

01:21:44,390 --> 01:21:42,080

we did not intend to make this an

2017

01:21:46,470 --> 01:21:44,400

another annual event or to re

2018

01:21:47,750 --> 01:21:46,480

you know to resurrect the old national

2019

01:21:50,310 --> 01:21:47,760

ufo conference

2020

01:21:51,189 --> 01:21:50,320

but i think it's it's an opportunity at

2021

01:21:54,229 --> 01:21:51,199

least

2022

01:21:57,270 --> 01:21:54,239

to have some serious discussion

2023

01:21:58,950 --> 01:21:57,280

about the state of the ufo field and you

2024

01:22:01,990 --> 01:21:58,960

know some of the stuff that we've been

2025

01:22:03,430 --> 01:22:02,000

you know talking about uh tonight and a

2026

01:22:04,390 --> 01:22:03,440

lot of stuff that we haven't talked

2027

01:22:06,470 --> 01:22:04,400

about tonight

2028

01:22:08,070 --> 01:22:06,480

it's it's a good if in the beginning

2029

01:22:09,669 --> 01:22:08,080

this is how it all started

2030

01:22:11,350 --> 01:22:09,679

there were these all diverse people

2031

01:22:12,629 --> 01:22:11,360

getting together and

2032

01:22:14,550 --> 01:22:12,639

what are you doing well what are you

2033

01:22:16,390 --> 01:22:14,560

doing what do you think and that's the

2034

01:22:18,629 --> 01:22:16,400

real fun of the whole field

2035

01:22:20,310 --> 01:22:18,639

staying up all night and and talking

2036

01:22:20,950 --> 01:22:20,320

shop and this is essentially what we're

2037

01:22:22,470 --> 01:22:20,960

going to do

2038

01:22:24,310 --> 01:22:22,480

we're not going to have an audience that

2039

01:22:26,550 --> 01:22:24,320

we have to please we don't have to have

2040

01:22:28,070 --> 01:22:26,560

oh you're on at two o'clock and you're

2041

01:22:31,750 --> 01:22:28,080

on at three o'clock

2042

01:22:32,229 --> 01:22:31,760

um we can all do our own thing and uh if

2043

01:22:36,550 --> 01:22:32,239

we

2044

01:22:38,229 --> 01:22:36,560

i'll help you with this project you

2045

01:22:39,910 --> 01:22:38,239

helped me with that project it's going

2046

01:22:41,189 --> 01:22:39,920

to work out for the good who knows maybe

2047

01:22:42,950 --> 01:22:41,199

there will be others

2048

01:22:44,870 --> 01:22:42,960

but at least i think it's a it's an

2049

01:22:47,910 --> 01:22:44,880

opportunity for folks to get together

2050

01:22:51,510 --> 01:22:47,920

and and discuss the state of the ufo

2051
01:22:54,629 --> 01:22:51,520
field today i think i learned more

2052
01:22:57,590 --> 01:22:54,639
about what the subject is really

2053
01:22:59,430 --> 01:22:57,600
all about at the delegate sessions over

2054
01:23:01,110 --> 01:22:59,440
the years i we were recording them

2055
01:23:02,470 --> 01:23:01,120
there's always a recorder in the room

2056
01:23:04,550 --> 01:23:02,480
but i don't know if any of those

2057
01:23:06,950 --> 01:23:04,560
recordings still exist

2058
01:23:08,709 --> 01:23:06,960
i learned more there that i've learned

2059
01:23:11,910 --> 01:23:08,719
from any book on the subject

2060
01:23:14,709 --> 01:23:11,920
or or or or anything else other than

2061
01:23:17,189 --> 01:23:14,719
direct field investigations uh you know

2062
01:23:20,390 --> 01:23:17,199
that i that i've participated in

2063
01:23:21,830 --> 01:23:20,400

i have often said on radio and tv

2064

01:23:23,830 --> 01:23:21,840

programs when they say well the air

2065

01:23:27,189 --> 01:23:23,840

force knows the secret i said

2066

01:23:29,830 --> 01:23:27,199

i'm pretty sure i know more about

2067

01:23:31,750 --> 01:23:29,840

what the ufo phenomena is really about

2068

01:23:34,950 --> 01:23:31,760

than the air force ever did

2069

01:23:35,669 --> 01:23:34,960

and when i say that the context isn't

2070

01:23:38,310 --> 01:23:35,679

some

2071

01:23:40,229 --> 01:23:38,320

vast knowledge that i have but from the

2072

01:23:42,229 --> 01:23:40,239

back and forth that took place at the

2073

01:23:44,629 --> 01:23:42,239

delegate sessions at the annual

2074

01:23:47,189 --> 01:23:44,639

conventions for so many years

2075

01:23:48,310 --> 01:23:47,199

so i i think that kind of you know

2076

01:23:51,709 --> 01:23:48,320

open-ended

2077

01:23:54,950 --> 01:23:51,719

uh not some kind of uh uh uh

2078

01:23:56,790 --> 01:23:54,960

ritualized uh uh gathering of people who

2079

01:23:59,189 --> 01:23:56,800

all believe the same thing you know

2080

01:24:02,870 --> 01:23:59,199

singing to the choir type of thing

2081

01:24:06,790 --> 01:24:02,880

uh is is is is the essence

2082

01:24:09,110 --> 01:24:06,800

of of what a living ufology

2083

01:24:09,830 --> 01:24:09,120

needs to be about and i'm hoping that

2084

01:24:13,189 --> 01:24:09,840

some

2085

01:24:15,750 --> 01:24:13,199

you know next generation ufologist will

2086

01:24:17,590 --> 01:24:15,760

show up and document it or be inspired

2087

01:24:18,950 --> 01:24:17,600

and maybe do something on their own that

2088

01:24:22,229 --> 01:24:18,960

will continue

2089

01:24:24,470 --> 01:24:22,239

that kind of interplay for the future

2090

01:24:25,350 --> 01:24:24,480

until this thing gets solved and i think

2091

01:24:28,629 --> 01:24:25,360

that once they

2092

01:24:30,950 --> 01:24:28,639

once we get past the uh the the false

2093

01:24:31,350 --> 01:24:30,960

dichotomy that i talk about i think that

2094

01:24:33,350 --> 01:24:31,360

uh

2095

01:24:35,510 --> 01:24:33,360

it will be solved or solved to the

2096

01:24:37,189 --> 01:24:35,520

extent that it can be

2097

01:24:38,550 --> 01:24:37,199

and i don't think you'll i don't think

2098

01:24:41,510 --> 01:24:38,560

you'll ever

2099

01:24:42,149 --> 01:24:41,520

be able to solve this because people

2100

01:24:45,189 --> 01:24:42,159

have such

2101
01:24:46,070 --> 01:24:45,199
diverse opinions on this that some

2102
01:24:47,910 --> 01:24:46,080
people have

2103
01:24:49,590 --> 01:24:47,920
some thinking that would be totally

2104
01:24:52,790 --> 01:24:49,600
radically different than ours

2105
01:24:55,830 --> 01:24:52,800
and they are not about to change their

2106
01:24:56,709 --> 01:24:55,840
opinion now i hate to cut this short but

2107
01:24:59,110 --> 01:24:56,719
uh

2108
01:25:00,550 --> 01:24:59,120
tim who has so graciously produced and

2109
01:25:03,590 --> 01:25:00,560
engineered our show

2110
01:25:06,550 --> 01:25:03,600
it has to segue to his own

2111
01:25:07,350 --> 01:25:06,560
program uh the outer edge which will be

2112
01:25:10,629 --> 01:25:07,360
coming on

2113
01:25:13,350 --> 01:25:10,639

uh at the midnight uh eastern

2114

01:25:14,149 --> 01:25:13,360

time here so i do want to go one more

2115

01:25:17,590 --> 01:25:14,159

time

2116

01:25:18,629 --> 01:25:17,600

around the table and rick why don't you

2117

01:25:21,590 --> 01:25:18,639

just start out

2118

01:25:23,270 --> 01:25:21,600

and tell us about this forthcoming event

2119

01:25:25,270 --> 01:25:23,280

how can people learn about it

2120

01:25:26,709 --> 01:25:25,280

where is it going to be when is it going

2121

01:25:30,149 --> 01:25:26,719

to happen

2122

01:25:31,430 --> 01:25:30,159

and uh who's going to be there well it's

2123

01:25:34,870 --> 01:25:31,440

going to be held

2124

01:25:39,030 --> 01:25:34,880

as i said the weekend of of

2125

01:25:40,790 --> 01:25:39,040

june 19th 20th and 21st this coming june

2126
01:25:42,870 --> 01:25:40,800
and it's going to be held at the crown

2127
01:25:45,430 --> 01:25:42,880
plaza cleveland airport

2128
01:25:48,390 --> 01:25:45,440
hotel which is on angle road middleburg

2129
01:25:52,070 --> 01:25:50,950
basically there's no fee to attend uh

2130
01:25:55,669 --> 01:25:52,080
it's

2131
01:25:58,629 --> 01:25:55,679
you come and we have we're going to have

2132
01:26:00,550 --> 01:25:58,639
like a little things going on a cop

2133
01:26:01,669 --> 01:26:00,560
cocktail reception on friday night and

2134
01:26:03,189 --> 01:26:01,679
then saturday we're going to have

2135
01:26:04,709 --> 01:26:03,199
discussions all day

2136
01:26:06,310 --> 01:26:04,719
pretty much what we you know what we're

2137
01:26:06,709 --> 01:26:06,320
going to talk about what we want to talk

2138
01:26:08,629 --> 01:26:06,719

about

2139

01:26:10,310 --> 01:26:08,639

then that evening there's going to be a

2140

01:26:11,910 --> 01:26:10,320

special meeting of the cleveland ufology

2141

01:26:12,550 --> 01:26:11,920

project that we're all going to carpool

2142

01:26:14,229 --> 01:26:12,560

through

2143

01:26:16,310 --> 01:26:14,239

and they they promise that we're going

2144

01:26:19,510 --> 01:26:16,320

to have a nifty program

2145

01:26:22,709 --> 01:26:19,520

now alex what is the the wordpress um

2146

01:26:23,750 --> 01:26:22,719

address for people to to to access the

2147

01:26:26,310 --> 01:26:23,760

page and get all the

2148

01:26:28,070 --> 01:26:26,320

the information on the internet gosh i

2149

01:26:29,830 --> 01:26:28,080

don't know but the best way to do that

2150

01:26:30,390 --> 01:26:29,840

is what i you know they always say what

2151
01:26:33,510 --> 01:26:30,400
do you want

2152
01:26:34,390 --> 01:26:33,520
wanna on radio programs and podcasts and

2153
01:26:36,709 --> 01:26:34,400
stuff they say well

2154
01:26:38,149 --> 01:26:36,719
well where what site can we go to i said

2155
01:26:38,950 --> 01:26:38,159
i've been on the internet since before

2156
01:26:40,870 --> 01:26:38,960
it was the internet

2157
01:26:42,470 --> 01:26:40,880
google my name alan greenfield well in

2158
01:26:44,950 --> 01:26:42,480
this case google

2159
01:26:46,870 --> 01:26:44,960
national ufo conference reunion and

2160
01:26:50,070 --> 01:26:46,880
it'll give you the pages

2161
01:26:51,750 --> 01:26:50,080
okay there you go and uh that way i

2162
01:26:54,550 --> 01:26:51,760
don't have to remember the long

2163
01:26:56,229 --> 01:26:54,560

wordpress sticklock that you rake out

2164

01:26:58,229 --> 01:26:56,239

outside of the conference

2165

01:26:59,669 --> 01:26:58,239

uh how do people find out about your

2166

01:27:03,030 --> 01:26:59,679

newsletter

2167

01:27:04,629 --> 01:27:03,040

facebook right yeah yeah well

2168

01:27:06,629 --> 01:27:04,639

you're going to have to go to get what

2169

01:27:08,790 --> 01:27:06,639

they used to call a stamp

2170

01:27:10,310 --> 01:27:08,800

and one of those funny things called an

2171

01:27:13,189 --> 01:27:10,320

envelope and some

2172

01:27:14,950 --> 01:27:13,199

paper and i'll give you if if people

2173

01:27:16,149 --> 01:27:14,960

want a sample copy i'll send them a

2174

01:27:18,709 --> 01:27:16,159

sample copy

2175

01:27:20,070 --> 01:27:18,719

can i give the address it's the best

2176

01:27:23,270 --> 01:27:20,080

news

2177

01:27:26,870 --> 01:27:23,280

yeah yeah 377 race

2178

01:27:30,830 --> 01:27:26,880

race street and that's uh

2179

01:27:33,350 --> 01:27:30,840

berea the erea ohio

2180

01:27:35,669 --> 01:27:33,360

44017 and that the publication is called

2181

01:27:38,470 --> 01:27:35,679

flying saucer digest so just send it to

2182

01:27:41,350 --> 01:27:38,480

flying saucer digest or fst

2183

01:27:43,270 --> 01:27:41,360

tell you you know tell me you heard us

2184

01:27:44,070 --> 01:27:43,280

here tonight and i'll send you sample

2185

01:27:46,550 --> 01:27:44,080

copy

2186

01:27:47,669 --> 01:27:46,560

well rick you have done a tremendous job

2187

01:27:49,990 --> 01:27:47,679

over the years

2188

01:27:51,590 --> 01:27:50,000

and you can do continue to do a

2189

01:27:54,550 --> 01:27:51,600

tremendous job of

2190

01:27:56,629 --> 01:27:54,560

awakening and enlightening the public

2191

01:28:00,070 --> 01:27:56,639

not that some of them deserve it

2192

01:28:03,030 --> 01:28:00,080

but you have done a great job and you

2193

01:28:04,390 --> 01:28:03,040

bishop greenfield uh outside

2194

01:28:07,590 --> 01:28:04,400

contributing yes

2195

01:28:08,870 --> 01:28:07,600

outside of contributing a very great

2196

01:28:11,990 --> 01:28:08,880

section of the book

2197

01:28:12,390 --> 01:28:12,000

april of angel spells which continues to

2198

01:28:15,110 --> 01:28:12,400

sell

2199

01:28:16,709 --> 01:28:15,120

among on a monumental level on amazon

2200

01:28:20,709 --> 01:28:16,719

that's angel spells

2201

01:28:23,270 --> 01:28:20,719

by tim beckley and sean castillo and

2202

01:28:23,990 --> 01:28:23,280

alan greenfield what else have you got

2203

01:28:27,430 --> 01:28:24,000

in your

2204

01:28:29,430 --> 01:28:27,440

back pocket in my back pocket let's see

2205

01:28:31,669 --> 01:28:29,440

well i'll give you that same thing

2206

01:28:33,550 --> 01:28:31,679

uh google my name because there's always

2207

01:28:37,950 --> 01:28:33,560

something going on it's

2208

01:28:39,669 --> 01:28:37,960

a-l-l-e-n allen greenfield

2209

01:28:41,430 --> 01:28:39,679

g-r-e-e-n-f-i-e-l-d

2210

01:28:43,750 --> 01:28:41,440

and there will be thousands of things

2211

01:28:46,229 --> 01:28:43,760

but the first 10 or 15 or so

2212

01:28:47,189 --> 01:28:46,239

will be stuff that i do currently i also

2213

01:28:50,470 --> 01:28:47,199

have a book out

2214

01:28:51,350 --> 01:28:50,480

on a seemingly unrelated subject unless

2215

01:28:53,910 --> 01:28:51,360

you've read

2216

01:28:56,229 --> 01:28:53,920

secret my book secret rituals of the men

2217

01:28:59,510 --> 01:28:56,239

in black which is available as a free

2218

01:29:02,629 --> 01:28:59,520

free pdf online just google that

2219

01:29:06,070 --> 01:29:02,639

uh the complete right

2220

01:29:10,310 --> 01:29:06,080

of memphis which is also on

2221

01:29:13,030 --> 01:29:10,320

amazon and is selling fantastically well

2222

01:29:14,870 --> 01:29:13,040

and i would suggest that anyone who

2223

01:29:19,430 --> 01:29:14,880

wants to look more deeply

2224

01:29:22,629 --> 01:29:19,440

into this mystery from differing angles

2225

01:29:24,629 --> 01:29:22,639

will find that if they read that along

2226

01:29:25,510 --> 01:29:24,639

with angel spells especially the part

2227

01:29:27,350 --> 01:29:25,520

where i can tell

2228

01:29:28,709 --> 01:29:27,360

i tell them in the back of the book how

2229

01:29:31,990 --> 01:29:28,719

to predict

2230

01:29:33,110 --> 01:29:32,000

the next ufo case and be there waiting

2231

01:29:35,669 --> 01:29:33,120

with your camera

2232

01:29:36,229 --> 01:29:35,679

if you only take the trouble to do so

2233

01:29:39,830 --> 01:29:36,239

then

2234

01:29:42,470 --> 01:29:39,840

um you will probably be uh

2235

01:29:44,790 --> 01:29:42,480

a whole new person in terms of these

2236

01:29:48,629 --> 01:29:44,800

mysteries that we grapple with

2237

01:29:51,990 --> 01:29:48,639

and last but not least over in jersey

2238

01:29:53,350 --> 01:29:52,000

city which is a short swim from the new

2239

01:29:56,870 --> 01:29:53,360

york side of the hudson

2240

01:30:00,790 --> 01:29:56,880

river you try it yeah

2241

01:30:04,629 --> 01:30:00,800

well carla anderson and

2242

01:30:07,750 --> 01:30:04,639

the owner and proprietor and chief

2243

01:30:08,310 --> 01:30:07,760

hairstylist at balance what's on your

2244

01:30:09,830 --> 01:30:08,320

agenda

2245

01:30:11,590 --> 01:30:09,840

and carla i'm going to try to get you to

2246

01:30:13,350 --> 01:30:11,600

come to cleveland with me

2247

01:30:14,790 --> 01:30:13,360

because that will increase that will

2248

01:30:16,629 --> 01:30:14,800

increase the uh

2249

01:30:19,430 --> 01:30:16,639

the audience people will want to come

2250

01:30:21,189 --> 01:30:19,440

and meet you and dino the dinosaur

2251

01:30:22,709 --> 01:30:21,199

yeah i thought the guests were very good

2252

01:30:25,910 --> 01:30:22,719

tonight i learned a lot

2253

01:30:28,790 --> 01:30:25,920

as usual on the unraveling the secrets

2254

01:30:30,550 --> 01:30:28,800

very stimulating conversations tonight

2255

01:30:32,229 --> 01:30:30,560

you guys really go way back it's it's

2256

01:30:33,990 --> 01:30:32,239

very impressive

2257

01:30:36,149 --> 01:30:34,000

yeah we do man we didn't even tell you

2258

01:30:39,270 --> 01:30:36,159

about our john through central park

2259

01:30:40,550 --> 01:30:39,280

on new year's eve uh we will do that and

2260

01:30:43,189 --> 01:30:40,560

we didn't even mention

2261

01:30:45,350 --> 01:30:43,199

gene steinberg who is also a survivor

2262

01:30:47,110 --> 01:30:45,360

from from that early period and was on

2263

01:30:50,550 --> 01:30:47,120

that walk in the park

2264

01:30:52,070 --> 01:30:50,560

with our switchblades well you know to

2265

01:30:55,430 --> 01:30:52,080

remember the show they had over here at

2266

01:30:59,270 --> 01:30:56,790

remember the show that was over here at

2267

01:31:01,510 --> 01:30:59,280

the lowe's yes i do

2268

01:31:03,189 --> 01:31:01,520

whoever put that together i don't know

2269

01:31:04,390 --> 01:31:03,199

but i i think that i think a lot of

2270

01:31:05,750 --> 01:31:04,400

young people will be interested in

2271

01:31:07,350 --> 01:31:05,760

what's going on

2272

01:31:08,870 --> 01:31:07,360

you know i think a lot of young people i

2273

01:31:12,229 --> 01:31:08,880

think if you put it out there

2274

01:31:15,430 --> 01:31:12,239

i was on a another a psn radio uh show

2275

01:31:17,110 --> 01:31:15,440

uh sky watch uh about a month or so ago

2276

01:31:19,590 --> 01:31:17,120

we had a gentleman on there who

2277

01:31:21,270 --> 01:31:19,600

talked a big game about sponsoring a a

2278

01:31:22,870 --> 01:31:21,280

giant ufo conference so

2279

01:31:24,550 --> 01:31:22,880

we're waiting to hear back from him

2280

01:31:26,790 --> 01:31:24,560

anyway i know that

2281

01:31:27,830 --> 01:31:26,800

tim schwartz is here and he wants to

2282

01:31:30,390 --> 01:31:27,840

take over

2283

01:31:31,110 --> 01:31:30,400

the controls because he's about to come

2284

01:31:33,669 --> 01:31:31,120

on the air

2285

01:31:35,510 --> 01:31:33,679

in a few minutes with with his uh

2286

01:31:39,030 --> 01:31:35,520

program that he co-host with

2287

01:31:41,510 --> 01:31:39,040

michael bach and so we're going to

2288

01:31:42,470 --> 01:31:41,520

segue out of here and we'll see you

2289

01:31:44,470 --> 01:31:42,480

again

2290

01:31:45,830 --> 01:31:44,480

next week or we won't see you we'll hear

2291

01:31:48,070 --> 01:31:45,840

you or you'll hear us

2292

01:31:49,270 --> 01:31:48,080

somehow we'll get together on this and

2293

01:31:51,750 --> 01:31:49,280

um

2294

01:31:53,510 --> 01:31:51,760

we'll be doing this again hopefully on a

2295

01:31:57,189 --> 01:31:53,520

saturday night but remember it's all

2296

01:32:01,189 --> 01:31:57,199

archived on psn radio and a lot of it is

2297

01:32:03,430 --> 01:32:01,199

on youtube now uh peter bernard has done

2298

01:32:05,830 --> 01:32:03,440

a great job of editing all the stuff and

2299

01:32:09,590 --> 01:32:05,840

adding a few photos and graphics and

2300

01:32:11,590 --> 01:32:09,600

so if you go to mr ufo secret files

2301

01:32:13,189 --> 01:32:11,600

and type in the name of the uh the

2302

01:32:13,669 --> 01:32:13,199

individuals that are on that particular

2303

01:32:16,550 --> 01:32:13,679

uh

2304

01:32:18,550 --> 01:32:16,560

program you will you will get the the

2305

01:32:20,229 --> 01:32:18,560

audio with some little graphics up there

2306

01:32:23,750 --> 01:32:20,239

and you can listen to the show

2307

01:32:26,629 --> 01:32:23,760

and watch it like i do on my 40 inch

2308

01:32:28,790 --> 01:32:26,639

smart tv and again have a great night

2309

01:32:32,550 --> 01:32:28,800

and this is tim beckley signing off for
