the loud speaker spoke up and said

8
00:01:38,130 --> 00:02:17,540

18

00:02:50,580 --> 00:02:48,730

discussing the show there are skeptics

19

00:02:54,509 --> 00:02:50,590

believers all kinds of people in that

20

00:02:57,720 --> 00:02:54,519

chat room they discuss what is being

21

00:02:58,860 --> 00:02:57,730

said it's a behind-the-scenes chat and

22

00:03:00,839 --> 00:02:58,870

you'd be involved with by going to

23

00:03:02,039 --> 00:03:00,849

ground zero media org see what people

24

00:03:04,740 --> 00:03:02,049

are thinking with what they're saying

25

00:03:06,179 --> 00:03:04,750

about the show the guests you name it

26

00:03:09,000 --> 00:03:06,189

it's kind of a behind the scenes thing

27

00:03:11,280 --> 00:03:09,010

and we do that well you're the only talk

28

00:03:14,210 --> 00:03:11,290

show that I know of that has the kind of

29

00:03:16,979 --> 00:03:14,220

national appeal that has a chat room and

30

00:03:18,300 --> 00:03:16,989

we like to see what people have to say

31

00:03:21,300 --> 00:03:18,310

about what we're talking about and

32

00:03:22,830 --> 00:03:21,310

monitor as well tonight we have a

33

00:03:28,770 --> 00:03:22,840

special show and what's what's odd about

34

00:03:30,270 --> 00:03:28,780

this show is that there was a person

35

00:03:32,750 --> 00:03:30,280

named Sarah who was on my facebook you

36

00:03:36,360 --> 00:03:32,760

can go to my facebook page at

37

00:03:41,580 --> 00:03:36,370

facebook.com slash ground zero radio and

38

00:03:44,580 --> 00:03:41,590

she posted a story that she found called

39

00:03:46,680 --> 00:03:44,590

men with black hats or it was something

40

00:03:50,039 --> 00:03:46,690

that in fact a black hat man and it was

41

00:03:52,710 --> 00:03:50,049

called the black hat man and she told me

42

00:03:56,009 --> 00:03:52,720

she said didn't you encounter a black

43

00:03:59,640 --> 00:03:56,019

hat man a while ago and you just didn't

44

00:04:06,770 --> 00:03:59,650

elaborate and I thought yeah that's true

45

00:04:09,000 --> 00:04:06,780

I did and that was back on February 1st

46

00:04:11,969 --> 00:04:09,010

it was February 1st

47

00:04:13,949 --> 00:04:11,979

I was out paying bills running errands I

48

00:04:14,640 --> 00:04:13,959

had to have a meeting with the people of

49

00:04:16,830 --> 00:04:14,650

LegalShield

50

00:04:18,240 --> 00:04:16,840

actually on that day was I was having a

51
00:04:21,060 --> 00:04:18,250
meeting with them talked about the show

52
00:04:23,610 --> 00:04:21,070
we were planning and I was out near my

53
00:04:25,800 --> 00:04:23,620
old neighborhood there was a bar out

54
00:04:28,409 --> 00:04:25,810
there called Sookie's it's right there

55
00:04:32,390 --> 00:04:28,419
near the freeway and it's right there

56
00:04:36,360 --> 00:04:32,400
near the 12 bus goes by there and in the

57
00:04:40,020 --> 00:04:36,370
southwest neighborhood and I looked

58
00:04:43,680 --> 00:04:40,030
across the street and I saw this tall he

59
00:04:46,310 --> 00:04:43,690
was about 6 foot 2 maybe pedal he looked

60
00:04:51,240 --> 00:04:46,320
like he was tall standing there

61
00:04:54,180 --> 00:04:51,250
well-dressed he was wearing a black hat

62
00:04:57,240 --> 00:04:54,190
black overcoat wore white shirt and a

63
00:04:59,180 --> 00:04:57,250

black tie and he had no eyebrows at his

64

00:05:01,740 --> 00:04:59,190

dead looking expression on his face and

65

00:05:04,410 --> 00:05:01,750

he also appeared to have no hair and

66

00:05:06,480 --> 00:05:04,420

it's because I didn't see any hair above

67

00:05:08,250 --> 00:05:06,490

the collar near the collar he was

68

00:05:09,900 --> 00:05:08,260

working on black hats I mean he could

69

00:05:11,160 --> 00:05:09,910

have hair on top of his head but he just

70

00:05:13,170 --> 00:05:11,170

looked like he was pretty clean he had

71

00:05:17,510 --> 00:05:13,180

no eyebrows either

72

00:05:19,980 --> 00:05:17,520

I saw him polite say hello

73

00:05:21,750 --> 00:05:19,990

he stopped turned to look back at me

74

00:05:24,840 --> 00:05:21,760

while I was passing I kept going and

75

00:05:29,300 --> 00:05:24,850

then I realized that the man looked very

76

00:05:32,010 --> 00:05:29,310

much like and it might be a man in black

77

00:05:35,010 --> 00:05:32,020

so I decided to turn back and follow him

78

00:05:37,050 --> 00:05:35,020

and I grabbed my new cell phone camera

79

00:05:39,000 --> 00:05:37,060

that I have I myself a cell phone I this

80

00:05:41,880 --> 00:05:39,010

camera and I tried to position to get a

81

00:05:44,010 --> 00:05:41,890

picture of him I kept going and snap the

82

00:05:45,300 --> 00:05:44,020

picture and I looked at my cell phone

83

00:05:45,990 --> 00:05:45,310

and he didn't appear on my cell phone

84

00:05:48,240 --> 00:05:46,000

pic

85

00:05:50,340 --> 00:05:48,250

it was really weird I couldn't get him

86

00:05:52,770 --> 00:05:50,350

on a cell phone pic so I was following

87

00:05:54,180 --> 00:05:52,780

him but I'm gonna find out who this guy

88

00:05:56,400 --> 00:05:54,190

is but I didn't want to act like I was

89

00:05:58,890 --> 00:05:56,410

stalking him because I didn't want to

90

00:06:00,720 --> 00:05:58,900

have him get suspicious of me following

91

00:06:04,470 --> 00:06:00,730

him with a camera I wasn't about to

92

00:06:06,990 --> 00:06:04,480

bother him or anything so you know cuz I

93

00:06:09,150 --> 00:06:07,000

had to get to an appointment but I lost

94

00:06:12,120 --> 00:06:09,160

the guy I think he jumped into Sookie's

95

00:06:13,290 --> 00:06:12,130

or he may have walked into the hotel or

96

00:06:14,400 --> 00:06:13,300

something I don't know if he disappeared

97

00:06:18,900 --> 00:06:14,410

into thin air but was almost as if he

98

00:06:21,120 --> 00:06:18,910

did and so I went with my appointment

99

00:06:22,920 --> 00:06:21,130

and it was at the Starbucks here at the

100

00:06:25,170 --> 00:06:22,930

office and I told the person at my

101
00:06:26,820 --> 00:06:25,180
interview what had happened I said I I

102
00:06:32,880 --> 00:06:26,830
saw this man in black standing on the

103
00:06:34,200 --> 00:06:32,890
street and and she was saying to me

104
00:06:35,730 --> 00:06:34,210
because I was meeting with Jean lighter

105
00:06:37,800 --> 00:06:35,740
and and his assistant and the

106
00:06:38,909 --> 00:06:37,810
representative for Legal Shield and she

107
00:06:40,950 --> 00:06:38,919
said to me that it sound like I was

108
00:06:44,820 --> 00:06:40,960
watching too much fringe because Jean of

109
00:06:46,620 --> 00:06:44,830
course is a fringe affection Otto and so

110
00:06:48,240 --> 00:06:46,630
am I and we were talking about the

111
00:06:49,800 --> 00:06:48,250
observers and I said they were kind of

112
00:06:52,920 --> 00:06:49,810
like looked kind of like one of those

113
00:06:54,480 --> 00:06:52,930

observer guys on fringe and I kind of

114

00:06:56,310 --> 00:06:54,490

giggled in the grade and then we saw

115

00:07:00,450 --> 00:06:56,320

three other men in black come into the

116

00:07:02,400 --> 00:07:00,460

Starbucks and she kind of looked over

117

00:07:04,920 --> 00:07:02,410

and I kind of looked over and thought

118

00:07:08,790 --> 00:07:04,930

whoa this is kind of weird

119

00:07:10,890 --> 00:07:08,800

and I said you notice this I'm not

120

00:07:12,689 --> 00:07:10,900

imagining it those guys are wearing

121

00:07:15,570 --> 00:07:12,699

black coats and they're standing here at

122

00:07:17,640 --> 00:07:15,580

the Starbucks and they just are standing

123

00:07:21,689 --> 00:07:17,650

there and she said well they're probably

124

00:07:23,610 --> 00:07:21,699

Mormons and I laughed I said yeah

125

00:07:26,279 --> 00:07:23,620

probably they're Mormons they these guys

126
00:07:28,469 --> 00:07:26,289
had hair by the way they didn't have you

127
00:07:30,450 --> 00:07:28,479
know they didn't have any they didn't

128
00:07:34,529 --> 00:07:30,460
have any weird looks like this guy that

129
00:07:35,909 --> 00:07:34,539
was over by Sookie's and so I wrote

130
00:07:37,379 --> 00:07:35,919
about the encounter first of all in an

131
00:07:38,640 --> 00:07:37,389
article called signposts you can get on

132
00:07:42,240 --> 00:07:38,650
my website of good grounds for immediate

133
00:07:46,650 --> 00:07:42,250
org and you know for me the paranormal

134
00:07:48,779 --> 00:07:46,660
the strange I attract it and so when I

135
00:07:51,420 --> 00:07:48,789
track stuff like that I just kind of

136
00:07:54,900 --> 00:07:51,430
take it in stride with the the thing is

137
00:07:56,760 --> 00:07:54,910
a Sarah the woman who actually posted on

138
00:07:58,589 --> 00:07:56,770

my Facebook about black hat man this

139

00:08:03,150 --> 00:07:58,599

tall lanky guy with a big black brimmed

140

00:08:09,029 --> 00:08:03,160

hat um she told me she said if you read

141

00:08:10,650 --> 00:08:09,039

this column that was just posted you see

142

00:08:12,600 --> 00:08:10,660

this carbon was posted it says that if

143

00:08:14,820 --> 00:08:12,610

you see one you might as well you know

144

00:08:16,620 --> 00:08:14,830

it's a it's a bad omen to see a man in

145

00:08:17,490 --> 00:08:16,630

black and I thought to myself okay well

146

00:08:21,000 --> 00:08:17,500

I've seen him before I've even

147

00:08:22,500 --> 00:08:21,010

interviewed one last time I had a bad

148

00:08:27,270 --> 00:08:22,510

encounter with mana black my car was

149

00:08:28,529 --> 00:08:27,280

bombed but she brought up something I

150

00:08:29,850 --> 00:08:28,539

didn't even think about anything platoon

151
00:08:31,529 --> 00:08:29,860
do together because you know people tend

152
00:08:34,170 --> 00:08:31,539
to think that I think about this stuff

153
00:08:36,810 --> 00:08:34,180
and I don't like to think overtly

154
00:08:38,310 --> 00:08:36,820
paranoid but after I saw that man in

155
00:08:40,380 --> 00:08:38,320
black and after I talked with the people

156
00:08:43,140 --> 00:08:40,390
at LegalShield and after I had my

157
00:08:44,519 --> 00:08:43,150
appointment I came in to do the show and

158
00:08:46,170 --> 00:08:44,529
it was a show that was gonna be doing it

159
00:08:48,480 --> 00:08:46,180
will actually did with H Michael Sweeney

160
00:08:51,449 --> 00:08:48,490
and we were talking about less than

161
00:08:54,870 --> 00:08:51,459
lethal weapons that night psionic

162
00:08:57,690 --> 00:08:54,880
weapons weapons that they used to you

163
00:08:59,100 --> 00:08:57,700

know it's called the act acts Active

164

00:09:01,410 --> 00:08:59,110

Denial weapons where they caused you to

165

00:09:02,880 --> 00:09:01,420

collapse or they caused you to you know

166

00:09:05,310 --> 00:09:02,890

feel like your skin's on fire they

167

00:09:10,350 --> 00:09:05,320

caused all kinds of things to to go

168

00:09:12,690 --> 00:09:10,360

wrong and Dave I want you to come on for

169

00:09:15,180 --> 00:09:12,700

a minute this so that we can have

170

00:09:16,980 --> 00:09:15,190

confirmation here mm-hmm what happened

171

00:09:18,440 --> 00:09:16,990

that night when I was talking with H

172

00:09:23,150 --> 00:09:18,450

Michael Sweeney

173

00:09:26,180 --> 00:09:23,160

well we had to call an ambulance for you

174

00:09:29,569 --> 00:09:26,190

but but put it bluntly it was just a

175

00:09:31,670 --> 00:09:29,579

really strange night because it just got

176

00:09:33,379 --> 00:09:31,680

weirder and weirder you know and and the

177

00:09:36,590 --> 00:09:33,389

caller's weren't necessarily weird weird

178

00:09:38,420 --> 00:09:36,600

they were more in tune and of course the

179

00:09:39,829 --> 00:09:38,430

the Lord was lit up like a Christmas

180

00:09:42,980 --> 00:09:39,839

tree a lot of callers and whatever else

181

00:09:44,960 --> 00:09:42,990

but then I I at 10 o'clock I go in the

182

00:09:46,430 --> 00:09:44,970

other room start writing stories for the

183

00:09:49,370 --> 00:09:46,440

news in the newsroom and I was doing

184

00:09:51,439 --> 00:09:49,380

that and then I forget how much time

185

00:09:54,680 --> 00:09:51,449

went by half an hour or more and then

186

00:09:59,569 --> 00:09:54,690

all of a sudden it's you we hear you

187

00:10:01,879 --> 00:09:59,579

saying call me an ambulance yeah and

188

00:10:04,370 --> 00:10:01,889

we're just like did he just say that

189

00:10:07,400 --> 00:10:04,380

yeah and it was you were dead serious

190

00:10:10,730 --> 00:10:07,410

and I was collapsed I was glad you went

191

00:10:14,389 --> 00:10:10,740

yeah I I couldn't I couldn't continue

192

00:10:16,280 --> 00:10:14,399

the show oh never happens not we can't

193

00:10:18,980 --> 00:10:16,290

say never anymore but it was just just

194

00:10:20,660 --> 00:10:18,990

very peculiar like yeah and here's

195

00:10:22,250 --> 00:10:20,670

something I want to tell you and I've

196

00:10:24,829 --> 00:10:22,260

told this many people and there are

197

00:10:27,650 --> 00:10:24,839

people who can back me up on this people

198

00:10:30,769 --> 00:10:27,660

who I've worked with in the past I have

199

00:10:33,889 --> 00:10:30,779

done radio shows I have presented radio

200

00:10:35,569 --> 00:10:33,899

programs on the air and not even not

201
00:10:39,410 --> 00:10:35,579
even demonstrating it but I have done

202
00:10:41,750 --> 00:10:39,420
shows with two things bad two things

203
00:10:43,280 --> 00:10:41,760
I've done shows with backaches back

204
00:10:45,410 --> 00:10:43,290
problems all kinds of things you know

205
00:10:47,720 --> 00:10:45,420
I've got a backache or a toothache I've

206
00:10:49,100 --> 00:10:47,730
done shows where I'm throwing up I have

207
00:10:51,079 --> 00:10:49,110
to run in the bathroom and run back and

208
00:10:52,699 --> 00:10:51,089
go back and forth like that and people

209
00:10:54,410 --> 00:10:52,709
do that radio you don't know that the

210
00:10:56,569 --> 00:10:54,420
kind of scenes sometimes I mean we have

211
00:10:58,130 --> 00:10:56,579
to come on the air we can't miss days so

212
00:11:00,410 --> 00:10:58,140
some days we come on the air and we

213
00:11:06,079 --> 00:11:00,420

could be horf anof the air and you don't

214

00:11:08,420 --> 00:11:06,089

even know it we could be tossing a gun

215

00:11:10,550 --> 00:11:08,430

oh you're gonna hear us out that

216

00:11:12,079 --> 00:11:10,560

wonderful smile of Clyde Lewis talking

217

00:11:15,079 --> 00:11:12,089

about the extra-terrestrial right

218

00:11:19,040 --> 00:11:15,089

exactly and you know and I've even you

219

00:11:23,960 --> 00:11:19,050

know this I even did a show one night at

220

00:11:28,309 --> 00:11:23,970

ko TK when the studios at ke o TK were

221

00:11:30,740 --> 00:11:28,319

on fire but yeah you man the ship yes

222

00:11:31,790 --> 00:11:30,750

I kept it going we had the dumpsters on

223

00:11:34,130 --> 00:11:31,800

fire underneath

224

00:11:36,380 --> 00:11:34,140

the building I smelled smoke that the

225

00:11:40,370 --> 00:11:36,390

alarms are going off and I was doing my

226

00:11:42,139 --> 00:11:40,380

show and in fact one of my friends had

227

00:11:44,360 --> 00:11:42,149

to call the fire department and tell him

228

00:11:47,360 --> 00:11:44,370

the guy on the air is a [h__h] because

229

00:11:49,069 --> 00:11:47,370

he's not gonna leave the studio and it's

230

00:11:53,930 --> 00:11:49,079

true I was doing the show in the middle

231

00:11:58,100 --> 00:11:53,940

of a fire okay so to have an ambulance

232

00:11:59,870 --> 00:11:58,110

called while I'm doing a show with a guy

233

00:12:02,480 --> 00:11:59,880

who is called give us the professional

234

00:12:05,060 --> 00:12:02,490

paranoid telling me about non-lethal

235

00:12:08,060 --> 00:12:05,070

weapons or less than lethal weapons that

236

00:12:10,850 --> 00:12:08,070

can apprehend you or shut you down or or

237

00:12:13,880 --> 00:12:10,860

have you collapsed literally and then I

238

00:12:15,740 --> 00:12:13,890

collapse because I'm in pain makes me

239

00:12:19,069 --> 00:12:15,750

wonder and so it was brought up today to

240

00:12:20,870 --> 00:12:19,079

me about it the paramedics showed up now

241

00:12:24,139 --> 00:12:20,880

the strange thing about this whole

242

00:12:26,449 --> 00:12:24,149

affair was now I've had I've had health

243

00:12:28,430 --> 00:12:26,459

problems in the past it's no secret but

244

00:12:31,280 --> 00:12:28,440

the situation was is that my blood

245

00:12:33,319 --> 00:12:31,290

pressure was sky-high when the

246

00:12:34,519 --> 00:12:33,329

paramedics got here yeah you shared the

247

00:12:37,250 --> 00:12:34,529

numbers with me we don't have to go

248

00:12:40,550 --> 00:12:37,260

there it was you you were walking dead

249

00:12:42,230 --> 00:12:40,560

yeah I was I was guy he was ready for

250

00:12:43,460 --> 00:12:42,240

stroke but people who don't do radio

251
00:12:44,960 --> 00:12:43,470
need to understand you were there and I

252
00:12:46,519 --> 00:12:44,970
just want to interject this the show

253
00:12:48,680 --> 00:12:46,529
must go on

254
00:12:53,019 --> 00:12:48,690
you do yeah you were rendered academic

255
00:12:56,150 --> 00:12:53,029
that yeah I was done and I was gone and

256
00:12:58,699 --> 00:12:56,160
so I ended up getting transported by

257
00:13:03,519 --> 00:12:58,709
ambulance to Hsu the doctor said I was

258
00:13:06,380 --> 00:13:03,529
stabilized and fine I went home and then

259
00:13:10,490 --> 00:13:06,390
I'm still curious as to what happened

260
00:13:13,250 --> 00:13:10,500
that day and and I'm kind of you know

261
00:13:15,350 --> 00:13:13,260
now wondering because of all the strange

262
00:13:16,550 --> 00:13:15,360
stuff going down to the beach that we

263
00:13:18,949 --> 00:13:16,560

went down to the beach we did our thing

264

00:13:20,990 --> 00:13:18,959

there we were told that there was some

265

00:13:22,579 --> 00:13:21,000

strange stuff going on there and yes I'm

266

00:13:25,340 --> 00:13:22,589

getting I'm getting emails from people

267

00:13:28,100 --> 00:13:25,350

saying oh it's a hoax no it's not a hoax

268

00:13:30,560 --> 00:13:28,110

the story may not be true that you're

269

00:13:35,019 --> 00:13:30,570

reading but it did happen down there and

270

00:13:37,550 --> 00:13:35,029

we did have authorities telling us that

271

00:13:40,220 --> 00:13:37,560

you know we had authorities telling us

272

00:13:42,380 --> 00:13:40,230

about what may have been blown up out

273

00:13:44,420 --> 00:13:42,390

there we've had all kinds of strange

274

00:13:45,610 --> 00:13:44,430

stories we're still trying to make heads

275

00:13:48,880 --> 00:13:45,620

or tails of this whole thing

276

00:13:51,250 --> 00:13:48,890

but I want to tell you what I do here

277

00:13:53,200 --> 00:13:51,260

and when people you know say things like

278

00:13:53,740 --> 00:13:53,210

I think this is all phony or this is all

279

00:13:57,420 --> 00:13:53,750

crazy

280

00:14:01,180 --> 00:13:57,430

look I don't intentionally or try to

281

00:14:04,750 --> 00:14:01,190

create a hoax of this program what I do

282

00:14:06,310 --> 00:14:04,760

is real I get in there I roll my arms up

283

00:14:07,600 --> 00:14:06,320

and I get into the middle of it and I

284

00:14:10,360 --> 00:14:07,610

try to figure out if it's real or not

285

00:14:13,360 --> 00:14:10,370

and I experience these things I will

286

00:14:15,430 --> 00:14:13,370

tell you if I'm pulling your leg or not

287

00:14:17,590 --> 00:14:15,440

I will then stop everything and say by

288

00:14:21,550 --> 00:14:17,600

the way I'm pulling your leg no this is

289

00:14:23,050 --> 00:14:21,560

real it's reality and so I had to talk

290

00:14:25,180 --> 00:14:23,060

about this tonight because it's been on

291

00:14:27,340 --> 00:14:25,190

my mind for a while from the February

292

00:14:30,100 --> 00:14:27,350

first show the signposts article now the

293

00:14:32,740 --> 00:14:30,110

exploration into the beaches the boxes

294

00:14:34,780 --> 00:14:32,750

all this craziness and now the men in

295

00:14:37,660 --> 00:14:34,790

black I want to talk about the mi B's

296

00:14:39,940 --> 00:14:37,670

tonight and I'm going to do that also if

297

00:14:43,570 --> 00:14:39,950

you if any of you it was it was actually

298

00:14:47,560 --> 00:14:43,580

the day before that UFO was seen over

299

00:14:49,900 --> 00:14:47,570

Oregon where that that contrail made

300

00:14:51,579 --> 00:14:49,910

that 90-degree turn and everybody called

301
00:14:53,620 --> 00:14:51,589
through the FAA for the Municipal

302
00:14:56,350 --> 00:14:53,630
Airport saying we didn't know what that

303
00:14:58,090 --> 00:14:56,360
was Clyde it may have been a rocket or

304
00:15:00,280 --> 00:14:58,100
maybe been something else it all

305
00:15:02,829 --> 00:15:00,290
happened in sequence and then the Box

306
00:15:04,960 --> 00:15:02,839
story and everything else you gotta try

307
00:15:06,460 --> 00:15:04,970
to piece together what is real and what

308
00:15:08,380 --> 00:15:06,470
isn't real and I'll tell you it this is

309
00:15:10,480 --> 00:15:08,390
very real for those who are reporting it

310
00:15:12,070 --> 00:15:10,490
and for those that are involved we'll be

311
00:15:14,170 --> 00:15:12,080
talking about the men in black tonight a

312
00:15:15,579 --> 00:15:14,180
little bit and asking for your calls and

313
00:15:17,500 --> 00:15:15,589

your experiences at five oh three four

314

00:15:18,850 --> 00:15:17,510

320

00:15:45,270 --> 00:15:32,270

one back to Ground Zero with Clyde Lewis

321

00:15:53,129 --> 00:15:51,180

business has each in the alliance with

322

00:15:54,960 --> 00:15:53,139

tonight we'll be bringing onto the green

323

00:15:56,910 --> 00:15:54,970

Beckley and Claudia Cunningham the men

324

00:15:58,680 --> 00:15:56,920

in black of course Timothy green Beckley

325

00:16:00,180 --> 00:15:58,690

is a UFO paranormal pioneer he's written

326

00:16:01,800 --> 00:16:00,190

several books will be talking with him

327

00:16:03,960 --> 00:16:01,810

in just a bit and also Claudia about the

328

00:16:05,519 --> 00:16:03,970

men in black and their findings my

329

00:16:07,559 --> 00:16:05,529

experience about a man in black from the

330

00:16:09,449 --> 00:16:07,569

man in black situation February 1st and

331

00:16:11,999 --> 00:16:09,459

on that day in fact it was brought up to

332

00:16:14,160 --> 00:16:12,009

me by a listener who was in my facebook

333

00:16:15,600 --> 00:16:14,170

she said that she was reading a story

334

00:16:17,999 --> 00:16:15,610

about black hat man

335

00:16:20,160 --> 00:16:18,009

I guess it's this this mean that they're

336

00:16:22,769 --> 00:16:20,170

starting on I'm sorry I just posted on

337

00:16:24,509 --> 00:16:22,779

the chat room above top-secret black hat

338

00:16:27,379 --> 00:16:24,519

man is this character with this huge

339

00:16:30,329 --> 00:16:27,389

brimmed hat wearing black tall lanky guy

340

00:16:32,220 --> 00:16:30,339

and I saw a man in black on February 1st

341

00:16:33,420 --> 00:16:32,230

it was basically the same thing and on

342

00:16:35,999 --> 00:16:33,430

that night I was rushed to the hospital

343

00:16:37,650 --> 00:16:36,009

with some sort of a malady what's up I I

344

00:16:38,460 --> 00:16:37,660

have to like if you don't mind I have

345

00:16:41,639 --> 00:16:38,470

two questions

346

00:16:43,199 --> 00:16:41,649

um okay first of all what a man in black

347

00:16:45,629 --> 00:16:43,209

looks like I mean can you just feel it

348

00:16:50,220 --> 00:16:45,639

do you just know I mean is it it's not

349

00:16:52,920 --> 00:16:50,230

not like like DITA come on no Ill could

350

00:16:55,139 --> 00:16:52,930

have all Timothy and Claudia discussed

351

00:16:56,910 --> 00:16:55,149

that because I've come in contact I

352

00:16:59,429 --> 00:16:56,920

interviewed one I came in contact with

353

00:17:01,019 --> 00:16:59,439

one prior to my car being bombed in Salt

354

00:17:02,879 --> 00:17:01,029

Lake City which that's another story if

355

00:17:05,130 --> 00:17:02,889

I get in that later if that's the case

356

00:17:07,799 --> 00:17:05,140

but and then of course the one that was

357

00:17:10,380 --> 00:17:07,809

seen that I saw in February first and

358

00:17:12,419 --> 00:17:10,390

you say that's bad luck so we might have

359

00:17:14,189 --> 00:17:12,429

a question and you know just throw that

360

00:17:16,829 --> 00:17:14,199

through earth department right what we

361

00:17:18,899 --> 00:17:16,839

were feeling here that this was so

362

00:17:21,000 --> 00:17:18,909

surreal I mean I'm kind of reliving it

363

00:17:22,620 --> 00:17:21,010

now it's kind of tingly in the air or

364

00:17:25,559 --> 00:17:22,630

whatever and then and then you sit made

365

00:17:27,120 --> 00:17:25,569

that whatever when you said we do but

366

00:17:30,149 --> 00:17:27,130

when you got to the point where you had

367

00:17:32,310 --> 00:17:30,159

to say mm-hmm call an ambulance for me

368

00:17:34,350 --> 00:17:32,320

now right what were you going through

369

00:17:35,880 --> 00:17:34,360

you know where were you swimming well

370

00:17:38,190 --> 00:17:35,890

there was a sharp pain that came from my

371

00:17:40,710 --> 00:17:38,200

back went up into my side in my area I

372

00:17:42,330 --> 00:17:40,720

have this area where it didn't heal

373

00:17:44,490 --> 00:17:42,340

properly after my cancer surgery went to

374

00:17:46,710 --> 00:17:44,500

that area then it went and it came all

375

00:17:48,720 --> 00:17:46,720

the way up my chest into my throat and I

376

00:17:51,840 --> 00:17:48,730

felt like I was having a heart attack it

377

00:17:54,450 --> 00:17:51,850

was a strange feeling ever excuse me

378

00:17:56,490 --> 00:17:54,460

never experienced it before ever and and

379

00:17:58,740 --> 00:17:56,500

it was just really bad and I just was

380

00:18:00,840 --> 00:17:58,750

your head swimming was it just no no I I

381

00:18:02,700 --> 00:18:00,850

felt a real go I actually felt like I

382

00:18:03,810 --> 00:18:02,710

was going to I was going to fall it was

383

00:18:06,690 --> 00:18:03,820

going to fall right down

384

00:18:10,110 --> 00:18:06,700

Wow so anyway you know there you go

385

00:18:12,570 --> 00:18:10,120

that's what happened so it was just a

386

00:18:14,040 --> 00:18:12,580

bizarre a bar a bizarre feeling let's go

387

00:18:15,330 --> 00:18:14,050

to the phone quickly Thomas wants to

388

00:18:19,080 --> 00:18:15,340

call me Thomas how you're on ground zero

389

00:18:22,980 --> 00:18:19,090

go ahead okay hey I just want to say I

390

00:18:25,790 --> 00:18:22,990

actually saw that man like um February

391

00:18:29,970 --> 00:18:25,800

1st right across the street from cities

392

00:18:32,100 --> 00:18:29,980

on the corner so you were there well I

393

00:18:34,170 --> 00:18:32,110

was driving by in my car and I saw this

394

00:18:36,120 --> 00:18:34,180

guy and he just looked really kind of

395

00:18:37,740 --> 00:18:36,130

out of place he was just solids looks

396

00:18:39,650 --> 00:18:37,750

kind of stone cold with a long trench

397

00:18:42,480 --> 00:18:39,660

coat on right there by the 405 right

398

00:18:44,700 --> 00:18:42,490

yeah yeah and he was like he was down on

399

00:18:46,680 --> 00:18:44,710

the side of the street and as that drove

400

00:18:48,000 --> 00:18:46,690

by I had my window cracked tonight I

401
00:18:50,520 --> 00:18:48,010
kind of hollered at him right at the

402
00:18:52,980 --> 00:18:50,530
girl I went hey and he didn't even

403
00:18:54,300 --> 00:18:52,990
flinch and I really thought was weird

404
00:18:57,120 --> 00:18:54,310
and so I was listening to your show that

405
00:18:59,370 --> 00:18:57,130
night and then like I was trying to call

406
00:19:01,530 --> 00:18:59,380
in that night oh when I first announced

407
00:19:04,530 --> 00:19:01,540
it well I was trying to call him right

408
00:19:05,610 --> 00:19:04,540
at 10:30 I was I was you know I didn't

409
00:19:08,370 --> 00:19:05,620
know that you know you had a situation

410
00:19:10,230 --> 00:19:08,380
going on but I mean and the odd thing

411
00:19:11,700 --> 00:19:10,240
about this story is what happened to me

412
00:19:12,780 --> 00:19:11,710
that night is that you know I went to

413
00:19:15,210 --> 00:19:12,790

sleep kind of freaked out you know

414

00:19:16,860 --> 00:19:15,220

through the experience of trying to get

415

00:19:22,850 --> 00:19:16,870

in and having you know your show go to

416

00:19:26,640 --> 00:19:22,860

the repeat I woke up that night to a

417

00:19:29,010 --> 00:19:26,650

helicopter like shaking my bed so you

418

00:19:30,450 --> 00:19:29,020

know I just kinda I'm not trying to tie

419

00:19:31,920 --> 00:19:30,460

everything all together but it was

420

00:19:34,050 --> 00:19:31,930

really kind of strange I've never had

421

00:19:36,330 --> 00:19:34,060

that experience so okay so you saw so I

422

00:19:38,160 --> 00:19:36,340

guess then you saw me Ben did you see me

423

00:19:39,810 --> 00:19:38,170

walking down the street did you see me

424

00:19:41,520 --> 00:19:39,820

there yeah I tell you I was trying to

425

00:19:43,200 --> 00:19:41,530

call in and say that I had I saw you

426
00:19:44,400 --> 00:19:43,210
that day and I was wondering what you

427
00:19:47,040 --> 00:19:44,410
thought of that guy and I actually drew

428
00:19:49,980 --> 00:19:47,050
a sketch of this guy you did can you can

429
00:19:52,230 --> 00:19:49,990
you can you scan it and send it to you

430
00:19:54,060 --> 00:19:52,240
to my email or send it to all off at

431
00:19:56,370 --> 00:19:54,070
anomalies dotnet we can get up on the

432
00:19:57,570 --> 00:19:56,380
get it up on the website that's amazing

433
00:19:58,800 --> 00:19:57,580
I didn't know that anybody else thought

434
00:20:00,780 --> 00:19:58,810
I thought well there was a lot of cars

435
00:20:02,640 --> 00:20:00,790
of course that whole area is a big a car

436
00:20:04,110 --> 00:20:02,650
thing but yeah I had no idea because I

437
00:20:06,660 --> 00:20:04,120
was running to try and get to an

438
00:20:08,250 --> 00:20:06,670

appointment it was a lot of traffic and

439

00:20:10,110 --> 00:20:08,260

I try to actually go around the block

440

00:20:11,820 --> 00:20:10,120

and I normally carry but I didn't have

441

00:20:13,470 --> 00:20:11,830

it alright alright well do this sketch

442

00:20:14,880 --> 00:20:13,480

send it off Thank You Thomas for calling

443

00:20:16,170 --> 00:20:14,890

thank you so much well we got a witness

444

00:20:16,680 --> 00:20:16,180

that's good we'll be back with more

445

00:20:22,290 --> 00:20:16,690

keeping

446

00:20:25,140 --> 00:20:22,300

Ground Zero FM news 101 kxl more with

447

00:20:36,900 --> 00:20:25,150

Clyde Lewis and ground zero radio on FM

448

00:20:40,190 --> 00:20:36,910

news 101 KX and he started to encounter

449

00:20:44,930 --> 00:20:40,200

a very very bizarre feeling it was pure

450

00:20:48,810 --> 00:20:44,940

and when I looked

451
00:20:55,860 --> 00:20:48,820
I'm very tall like a man walking towards

452
00:21:01,720 --> 00:20:55,870
me but he aimed out of place and run

453
00:21:06,830 --> 00:21:04,460
we other people who make sure things

454
00:21:51,180 --> 00:21:06,840
happen according to plan we monitor each

455
00:21:58,570 --> 00:21:54,160
you'll wonder now to stop the call

456
00:22:01,400 --> 00:21:58,580
Guinness catastrophic plan designed by

457
00:22:08,450 --> 00:22:03,670
I'm quite Lewis so this is ground zero

458
00:22:11,390 --> 00:22:08,460
tonight the men in black the black hat

459
00:22:12,680 --> 00:22:11,400
man seems to be the story going around

460
00:22:14,930 --> 00:22:12,690
the internet right now Timothy green

461
00:22:18,530 --> 00:22:14,940
Beckley is a UFO paranormal pioneer

462
00:22:20,600 --> 00:22:18,540

463
00:22:22,940 --> 00:22:20,610

he has his house he was raised in he

465

00:22:27,530 --> 00:22:25,140

thought to be haunted he underwent a

466

00:22:30,890 --> 00:22:27,540

number of out-of-body experiences at age

467

00:22:32,630 --> 00:22:30,900

six he sighs first of three UFOs when he

468

00:22:37,970 --> 00:22:35,070

30 books on everything from rock music -

470

00:22:39,200 --> 00:22:37,980

the secret mj-12 papers today is the

471

00:22:44,210 --> 00:22:41,040

communications an editor of conspiracy

473

00:22:45,830 --> 00:22:44,220

journal and bizarre bizarre he's on now

474

00:22:48,320 --> 00:22:45,840

with Claudia Cunningham we're gonna

475

00:22:50,750 --> 00:22:48,330

bring both of them on now hi Claudia hi

476
00:22:52,970 --> 00:22:50,760
Tim you're on ground zero hey how are ya

477
00:22:54,770 --> 00:22:52,980
how are you guys I'm having me I'm

478
00:22:56,600 --> 00:22:54,780
excited to have you both on because of

479
00:22:58,370 --> 00:22:56,610
your expertise and you could explain to

480
00:23:00,290 --> 00:22:58,380
the audience about the men in black we

481
00:23:02,930 --> 00:23:00,300
have as a matter of fact on the front

482
00:23:04,490 --> 00:23:02,940
page of ground zero media org a picture

483
00:23:06,170 --> 00:23:04,500
that you're famous for to him a picture

484
00:23:10,430 --> 00:23:06,180
of a man in black you took what did you

485
00:23:16,790 --> 00:23:10,440
take this MIB well this goes back to the

486
00:23:18,800 --> 00:23:16,800
summer of 1966 there was a wave a flap

487
00:23:21,740 --> 00:23:18,810
of UFO sightings well not just sightings

488
00:23:25,550 --> 00:23:21,750

but of creature reports in the

489

00:23:29,440 --> 00:23:25,560

metropolitan area actually in the town

490

00:23:34,490 --> 00:23:29,450

of I believe was Passaic New Jersey some

491

00:23:39,100 --> 00:23:34,500

teenagers had been out in the park one

492

00:23:41,840 --> 00:23:39,110

evening just after dark and they had had

493

00:23:44,630 --> 00:23:41,850

a UFO sighting but the the object

494

00:23:46,730 --> 00:23:44,640

apparently had landed and some beings

495

00:23:48,530 --> 00:23:46,740

came out of the ship I I think if I

496

00:23:50,720 --> 00:23:48,540

remember correctly there were more

497

00:23:51,950 --> 00:23:50,730

creature types than humanoids yeah and

498

00:23:53,540 --> 00:23:51,960

you know what I'm saying that yeah I

499

00:23:56,480 --> 00:23:53,550

don't know if they look like a moth man

500

00:23:58,760 --> 00:23:56,490

or or Bigfoot or what but they were

501
00:24:01,310 --> 00:23:58,770
hairy little monsters if I recall but

502
00:24:03,440 --> 00:24:01,320
correctly okay so a word of the sighting

503
00:24:06,550 --> 00:24:03,450
had gotten out I guess they had reported

504
00:24:11,480 --> 00:24:06,560
it to the police not knowing any better

505
00:24:13,490 --> 00:24:11,490
and the UFO investigators came in and

506
00:24:15,080 --> 00:24:13,500
started interviewing them apparently the

507
00:24:17,119 --> 00:24:15,090
sighting went on for

508
00:24:18,739 --> 00:24:17,129
quite a few minutes until the young

509
00:24:21,340 --> 00:24:18,749
fellows kind of panicked and got

510
00:24:23,720 --> 00:24:21,350
squeamish about this because after all

511
00:24:25,669 --> 00:24:23,730
UFOs are not known to be landing in

512
00:24:27,680 --> 00:24:25,679
parks and Paramus I mean it just doesn't

513
00:24:29,690 --> 00:24:27,690

happen every day maybe once a week but

514

00:24:31,879 --> 00:24:29,700

not that often you know so they got the

515

00:24:34,070 --> 00:24:31,889

heck out of there right and they went

516

00:24:36,590 --> 00:24:34,080

home to their parents and I think they

517

00:24:38,899 --> 00:24:36,600

were all know around the 15/16 their

518

00:24:41,060 --> 00:24:38,909

year-old age level you know teenagers

519

00:24:44,269 --> 00:24:41,070

they went home reported to the parents

520

00:24:46,879 --> 00:24:44,279

there's a big commotion about it and the

521

00:24:50,330 --> 00:24:46,889

UFO investigators came in investigate

522

00:24:53,330 --> 00:24:50,340

the case now they were on the perimeter

523

00:24:55,310 --> 00:24:53,340

of the park telling the their

524

00:24:57,680 --> 00:24:55,320

experiences to this fellow who was

525

00:25:00,379 --> 00:24:57,690

representative of a magazine called

526

00:25:03,139 --> 00:25:00,389

saucer news which I was on the staff of

527

00:25:06,619 --> 00:25:03,149

at the time and the fella his name is

528

00:25:10,129 --> 00:25:06,629

George Smyth and the backup man there

529

00:25:13,279 --> 00:25:10,139

was a John Robinson John J Robinson he's

530

00:25:15,109 --> 00:25:13,289

since deceased but Jack as we call him

531

00:25:17,119 --> 00:25:15,119

he was a regular guest on like the Long

532

00:25:18,019 --> 00:25:17,129

John Neville show you know and love Long

533

00:25:20,930 --> 00:25:18,029

John Neverland

534

00:25:22,730 --> 00:25:20,940

oh I grew up with life wasn't for long

535

00:25:24,470 --> 00:25:22,740

time Neverland I wouldn't be sitting

536

00:25:25,730 --> 00:25:24,480

here talking to Clyde Lewis I wouldn't

537

00:25:28,159 --> 00:25:25,740

be I would be here either if it weren't

538

00:25:29,840 --> 00:25:28,169

for Long John Neville I love ya yeah

539

00:25:31,340 --> 00:25:29,850

yeah well you know I was I was a guest

540

00:25:33,560 --> 00:25:31,350

on the show a few times but let's get

541

00:25:35,659 --> 00:25:33,570

back to the siding here so anyway they

542

00:25:38,779 --> 00:25:35,669

were they were revealing the details of

543

00:25:40,129 --> 00:25:38,789

their experience and they noticed one of

544

00:25:44,830 --> 00:25:40,139

the researchers happened to notice about

545

00:25:47,659 --> 00:25:44,840

a half a block down was this big black

546

00:25:50,480 --> 00:25:47,669

Cadillac or big black car you know mmm

547

00:25:52,820 --> 00:25:50,490

Sudan of some type and the window was

548

00:25:55,850 --> 00:25:52,830

rolled just partly down and they could

549

00:25:58,249 --> 00:25:55,860

see a couple of gentlemen inside the the

550

00:25:59,840 --> 00:25:58,259

vehicle appearing out you know just over

551
00:26:01,580 --> 00:25:59,850
the top of the glass and of course the

552
00:26:04,399 --> 00:26:01,590
blast was blacking out so you couldn't

553
00:26:05,419 --> 00:26:04,409
see in well at first they felt well

554
00:26:07,310 --> 00:26:05,429
maybe they were from the police

555
00:26:09,259 --> 00:26:07,320
department I just keeping an eye on what

556
00:26:11,180 --> 00:26:09,269
was going on there seeing that there

557
00:26:12,830 --> 00:26:11,190
wasn't any vandalism or that the kids

558
00:26:14,359 --> 00:26:12,840
weren't drunk or high on drugs course

559
00:26:16,909 --> 00:26:14,369
back in those days there wasn't very

560
00:26:21,850 --> 00:26:16,919
much drugs or alcohol going around you

561
00:26:24,590 --> 00:26:21,860
know and not among teenagers anyway and

562
00:26:26,029 --> 00:26:24,600
so the they filed a report with the

563
00:26:28,980 --> 00:26:26,039

saucer news magazine

564

00:26:32,040 --> 00:26:28,990

okay now Jack lived over in in

565

00:26:33,419 --> 00:26:32,050

city which you take the path training it

566

00:26:35,970 --> 00:26:33,429

takes about 15 minutes to get there from

567

00:26:37,980 --> 00:26:35,980

midtown Manhattan we had an office on

568

00:26:40,410 --> 00:26:37,990

Fifth Avenue it wasn't glamorous it was

569

00:26:42,030 --> 00:26:40,420

a small office and a gym Moseley was a

570

00:26:44,760 --> 00:26:42,040

publisher and editor associate news it

571

00:26:46,470 --> 00:26:44,770

had a fairly large circulation you know

572

00:26:49,950 --> 00:26:46,480

for for those days he was like the

573

00:26:52,620 --> 00:26:49,960

kingpin of the UFO publishing right and

574

00:26:55,500 --> 00:26:52,630

we kept getting repeated the telephone

575

00:26:57,840 --> 00:26:55,510

calls from a Jackie Robinson's wife Mary

576

00:26:59,310 --> 00:26:57,850

now like I said they lived in Jersey

577

00:27:01,460 --> 00:26:59,320

City which through the past trying to

578

00:27:04,560 --> 00:27:01,470

get there about maybe 15 to 20 minutes

579

00:27:07,230 --> 00:27:04,570

according to Mary when her husband Jack

580

00:27:09,000 --> 00:27:07,240

would go to work in in the city in

581

00:27:10,919 --> 00:27:09,010

Manhattan he would take the PATH train

582

00:27:12,330 --> 00:27:10,929

over he worked in the bank when he would

583

00:27:17,669 --> 00:27:12,340

leave to work she would go out and do

584

00:27:19,620 --> 00:27:17,679

her errands and she noticed while she

585

00:27:21,980 --> 00:27:19,630

would be coming back that there was a

586

00:27:26,040 --> 00:27:21,990

strange individual dressed all in black

587

00:27:27,860 --> 00:27:26,050

in including the Hat and so a black

588

00:27:30,180 --> 00:27:27,870

shoes and black pants and the whole bit

589

00:27:34,950 --> 00:27:30,190

standing in the adjacent doorway

590

00:27:37,110 --> 00:27:34,960

seemingly keeping tabs on whoever was

591

00:27:38,760 --> 00:27:37,120

coming into their apartment building now

592

00:27:41,220 --> 00:27:38,770

they didn't have an office or anything

593

00:27:43,080 --> 00:27:41,230

there so that's kind of like peculiar I

594

00:27:46,200 --> 00:27:43,090

don't think they had a lot of in and out

595

00:27:48,330 --> 00:27:46,210

activity as far as UFO stuff one I mean

596

00:27:50,100 --> 00:27:48,340

we did have remember having meetings and

597

00:27:52,140 --> 00:27:50,110

Jack always was kind of like the

598

00:27:53,340 --> 00:27:52,150

secretary of the the group he kept the

599

00:27:55,710 --> 00:27:53,350

minutes and everything but it was any

600

00:27:57,210 --> 00:27:55,720

big deal there were dozens of people

601
00:27:58,620 --> 00:27:57,220
maybe a handful people might come over

602
00:28:01,140 --> 00:27:58,630
in the evening around the weekend or

603
00:28:03,380 --> 00:28:01,150
something but Jack found that he was

604
00:28:05,820 --> 00:28:03,390
having trouble with his fellow phone the

605
00:28:08,280 --> 00:28:05,830
lines of conversations were being cut

606
00:28:12,900 --> 00:28:08,290
off you know in the middle of talking to

607
00:28:16,260 --> 00:28:12,910
someone the I think some of his files

608
00:28:18,930 --> 00:28:16,270
were a rifled through when he was out of

609
00:28:20,910 --> 00:28:18,940
the house nothing missing but they'd be

610
00:28:22,440 --> 00:28:20,920
you know the the door the file cabinet

611
00:28:24,810 --> 00:28:22,450
would be slit open then he knew we had

612
00:28:26,400 --> 00:28:24,820
closed it and sometimes some of the

613
00:28:28,110 --> 00:28:26,410

stuff would be on on the floor and

614

00:28:30,090 --> 00:28:28,120

tapers scattered around and it didn't

615

00:28:31,020 --> 00:28:30,100

seem possible that anybody else was

616

00:28:34,470 --> 00:28:31,030

coming in and out of the apartment

617

00:28:37,590 --> 00:28:34,480

because only a Jackson's wife Mary had

618

00:28:39,000 --> 00:28:37,600

the keys so she would call us you know

619

00:28:41,159 --> 00:28:39,010

we'd get to work about ten o'clock in

620

00:28:41,930 --> 00:28:41,169

the morning and there'd be a message on

621

00:28:43,310 --> 00:28:41,940

the machine

622

00:28:45,200 --> 00:28:43,320

actually I think we had an answering

623

00:28:47,630 --> 00:28:45,210

services at time you know call him call

624

00:28:49,010 --> 00:28:47,640

Mary and we call Mary and she was

625

00:28:52,910 --> 00:28:49,020

getting more concerned about this

626

00:28:56,780 --> 00:28:52,920

individual that was apparently hunkering

627

00:28:58,310 --> 00:28:56,790

down in the doorway next door so you

628

00:29:02,090 --> 00:28:58,320

know we didn't know whether she was like

629

00:29:03,500 --> 00:29:02,100

yanking our chain or welfare you know if

630

00:29:04,700 --> 00:29:03,510

she was being sincere about this because

631

00:29:06,590 --> 00:29:04,710

she didn't fool around with the Ouija

632

00:29:09,260 --> 00:29:06,600

board and she had she was a little bit

633

00:29:11,870 --> 00:29:09,270

less nuts-and-bolts than than her

634

00:29:13,670 --> 00:29:11,880

husband Jack he was more of the stable

635

00:29:16,730 --> 00:29:13,680

individual in the house and and Mary was

636

00:29:20,180 --> 00:29:16,740

more of the the paranormal a psychic

637

00:29:22,190 --> 00:29:20,190

type you know talk to spirits or fairies

638

00:29:24,020 --> 00:29:22,200

and the trees outside and and so forth

639

00:29:29,210 --> 00:29:24,030

so we figured well maybe she's just

640

00:29:31,580 --> 00:29:29,220

having a relapse or something exactly we

641

00:29:33,710 --> 00:29:31,590

decided we decided what morning at Clyde

642

00:29:35,930 --> 00:29:33,720

that we were going to go over drive over

643

00:29:37,670 --> 00:29:35,940

through the Lincoln Tunnel and go over

644

00:29:40,340 --> 00:29:37,680

to palisade Avenue where they live

645

00:29:41,890 --> 00:29:40,350

without telling them so this way we

646

00:29:45,710 --> 00:29:41,900

could see if there was anything unusual

647

00:29:49,220 --> 00:29:45,720

going on in the neighborhood any

648

00:29:53,480 --> 00:29:49,230

headless creatures or levitating genies

649

00:29:56,690 --> 00:29:53,490

or what have you done so we get we get

650

00:29:58,910 --> 00:29:56,700

over there and it's a rush hour and now

651
00:30:01,040 --> 00:29:58,920
rush hour at Jersey City is not rush

652
00:30:03,230 --> 00:30:01,050
hour in Manhattan but you might have

653
00:30:05,180 --> 00:30:03,240
five or six cars on the block right and

654
00:30:08,150 --> 00:30:05,190
it was pretty if I remember correctly

655
00:30:09,770 --> 00:30:08,160
was a pretty narrow street and people

656
00:30:11,720 --> 00:30:09,780
will double parked there's probably a

657
00:30:14,120 --> 00:30:11,730
bagel shop on the corner or something

658
00:30:15,590 --> 00:30:14,130
and in a barber shop I think if you look

659
00:30:18,500 --> 00:30:15,600
at the photograph you can see up a

660
00:30:21,110 --> 00:30:18,510
barber pole is sticking out there you

661
00:30:22,580 --> 00:30:21,120
know kind of an older a neighborhood

662
00:30:25,220 --> 00:30:22,590
something you might expect to see like

663
00:30:26,630 --> 00:30:25,230

maybe around Mulberry Street it probably

664

00:30:29,360 --> 00:30:26,640

the best recollection I could you know

665

00:30:30,650 --> 00:30:29,370

come up anyway so we decide we got to

666

00:30:32,720 --> 00:30:30,660

pull in over there and we're going to

667

00:30:35,570 --> 00:30:32,730

get to the bottom of this mystery as

668

00:30:38,210 --> 00:30:35,580

soon as we can you know and it's just

669

00:30:39,950 --> 00:30:38,220

put it all out on the table so we get

670

00:30:42,890 --> 00:30:39,960

there now and I could say the traffic is

671

00:30:45,530 --> 00:30:42,900

kind of just crawling along and indeed

672

00:30:51,350 --> 00:30:45,540

there is someone standing in the doorway

673

00:30:53,150 --> 00:30:51,360

and there is a black car a parked in the

674

00:30:55,670 --> 00:30:53,160

spot you know not a hundred feet away

675

00:30:59,540 --> 00:30:55,680

from where this individual was standing

676

00:31:01,700 --> 00:30:59,550

so Jim Mosley hands me his camera he was

677

00:31:03,710 --> 00:31:01,710

driving and I was sitting in the

678

00:31:05,960 --> 00:31:03,720

passenger seat up front you know he

679

00:31:08,060 --> 00:31:05,970

hands me his camera and says take some

680

00:31:10,010 --> 00:31:08,070

pictures so I stick it out the window

681

00:31:13,010 --> 00:31:10,020

I took the photographs of the gentleman

682

00:31:14,870 --> 00:31:13,020

standing zombie-like in the doorway if

683

00:31:17,360 --> 00:31:14,880

I'm very rigid I mean you can just tell

684

00:31:19,400 --> 00:31:17,370

this is very very unusual nobody stands

685

00:31:20,720 --> 00:31:19,410

room like that right well why is

686

00:31:23,060 --> 00:31:20,730

somebody where I I don't know it just

687

00:31:26,150 --> 00:31:23,070

wasn't somebody suggested well maybe he

688

00:31:27,980 --> 00:31:26,160

was a pole bear well if he was he came

689

00:31:31,550 --> 00:31:27,990

out of the movie phantasm or something

690

00:31:35,210 --> 00:31:31,560

like Galaga tall men and phantasm you

691

00:31:37,400 --> 00:31:35,220

know so anyway we decided we took a

692

00:31:40,220 --> 00:31:37,410

photograph of the vehicle and of this

693

00:31:43,280 --> 00:31:40,230

MIB or member or whatever whoever he was

694

00:31:46,190 --> 00:31:43,290

we're going to go around the block and

695

00:31:47,930 --> 00:31:46,200

come back try to find a parking space or

696

00:31:51,500 --> 00:31:47,940

double Park like all the other yo-yos

697

00:31:54,140 --> 00:31:51,510

and see if we can't have a word to get

698

00:31:56,510 --> 00:31:54,150

to the bottom of all of this - gentleman

699

00:31:57,980 --> 00:31:56,520

in a residential neighborhood standing

700

00:32:03,320 --> 00:31:57,990

in the doorway of an apartment building

701
00:32:05,030 --> 00:32:03,330
of a us or researcher know that so he we

702
00:32:06,620 --> 00:32:05,040
come back it takes us probably around

703
00:32:11,150 --> 00:32:06,630
maybe five or six seven minutes to

704
00:32:13,430 --> 00:32:11,160
circle the block because of the traffic

705
00:32:16,580 --> 00:32:13,440
in the narrow streets and the people

706
00:32:19,130 --> 00:32:16,590
just double parking we get back the car

707
00:32:22,280 --> 00:32:19,140
is gone and the gentleman is gone

708
00:32:25,220 --> 00:32:22,290
well okay so he packed up his black bag

709
00:32:26,780 --> 00:32:25,230
and went somewhere else but kind of the

710
00:32:29,390 --> 00:32:26,790
strange thing is is maybe he had

711
00:32:31,820 --> 00:32:29,400
appeared there seven eight nine ten

712
00:32:34,240 --> 00:32:31,830
times to Mary over the period of a

713
00:32:37,130 --> 00:32:34,250

couple of weeks he never showed up again

714

00:32:39,590 --> 00:32:37,140

it's like we frightened though it's kind

715

00:32:42,110 --> 00:32:39,600

of like a reverse psychology here

716

00:32:44,540 --> 00:32:42,120

instead of the men in black frightening

717

00:32:46,370 --> 00:32:44,550

us off we frighten him off well most of

718

00:32:47,720 --> 00:32:46,380

the time yeah most of the time I had a

719

00:32:49,730 --> 00:32:47,730

feeling that when I saw this guy

720

00:32:52,120 --> 00:32:49,740

standing he was near the 405 near

721

00:32:54,350 --> 00:32:52,130

Sookie's as a matter of fact the the

722

00:32:56,260 --> 00:32:54,360

this sketch is on the website right now

723

00:32:59,150 --> 00:32:56,270

just below your men in black photos yeah

724

00:33:01,280 --> 00:32:59,160

you know and it was odd it did look like

725

00:33:03,950 --> 00:33:01,290

that he kind of had he was bald had that

726

00:33:05,240 --> 00:33:03,960

hat he had a coat III even remember

727

00:33:07,190 --> 00:33:05,250

maybe something - they looked like a

728

00:33:07,980 --> 00:33:07,200

walking stick I'm not sure that there's

729

00:33:10,230 --> 00:33:07,990

Rick

730

00:33:12,240 --> 00:33:10,240

sorry it's great it's great you got a

731

00:33:14,130 --> 00:33:12,250

witness that fellow that just called up

732

00:33:16,830 --> 00:33:14,140

and they had seen it from his you know

733

00:33:18,299 --> 00:33:16,840

passing by in is the automobile I mean

734

00:33:20,460 --> 00:33:18,309

there's their certification if they're

735

00:33:21,120 --> 00:33:20,470

ever well it's a very busy we're asking

736

00:33:23,400 --> 00:33:21,130

yeah go ahead

737

00:33:26,280 --> 00:33:23,410

you were asking you were asking what the

738

00:33:29,250 --> 00:33:26,290

the men and black can look like well the

739

00:33:32,280 --> 00:33:29,260

men in black in the the Will Smith movie

740

00:33:33,930 --> 00:33:32,290

are way too slick yeah I mean these guys

741

00:33:36,240 --> 00:33:33,940

are always wearing like usually wearing

742

00:33:38,520 --> 00:33:36,250

crumpled clothes they look like the

743

00:33:39,930 --> 00:33:38,530

Blues Brothers that's the best way that

744

00:33:42,740 --> 00:33:39,940

I can describe them and you know

745

00:33:45,210 --> 00:33:42,750

something it turns out I found out that

746

00:33:48,090 --> 00:33:45,220

Dan Aykroyd who of course was in the

747

00:33:50,070 --> 00:33:48,100

Blues Brothers and wrote the you the

748

00:33:53,730 --> 00:33:50,080

script of course it's a big UFO a

749

00:33:57,060 --> 00:33:53,740

believer it has even a video out on UFOs

750

00:34:00,090 --> 00:33:57,070

mhm and apparently he's even had a mid

751

00:34:02,010 --> 00:34:00,100

experience now that came after he had a

752

00:34:04,290 --> 00:34:02,020

membe experience while he was talking to

753

00:34:05,610 --> 00:34:04,300

Britney Spears on the phone it's a hard

754

00:34:07,020 --> 00:34:05,620

thing to explain and I don't know

755

00:34:08,700 --> 00:34:07,030

whether it really nice yeah I mean dan

756

00:34:10,169 --> 00:34:08,710

Aykroyd had several experiences I'd love

757

00:34:13,139 --> 00:34:10,179

to get him on the air with me because he

758

00:34:15,000 --> 00:34:13,149

seems to be the man who and even now one

759

00:34:17,190 --> 00:34:15,010

of his good friends Fran Drescher claims

760

00:34:20,609 --> 00:34:17,200

that she was abducted by aliens III

761

00:34:23,399 --> 00:34:20,619

understand that we know of his his

762

00:34:25,440 --> 00:34:23,409

father what was big in the the

763

00:34:28,340 --> 00:34:25,450

spiritualist community in fact his dad

764

00:34:31,080 --> 00:34:28,350

dan Aykroyd father has a book out on

765

00:34:34,710 --> 00:34:31,090

spiritualism on ghosts that he wrote

766

00:34:36,889 --> 00:34:34,720

apparently the some of the parents

767

00:34:39,629 --> 00:34:36,899

grandparents were involved in the early

768

00:34:43,230 --> 00:34:39,639

spiritualist movement so they lived in a

769

00:34:46,109 --> 00:34:43,240

place up there in in Canada I guess it's

770

00:34:48,330 --> 00:34:46,119

Canadian you know and and had all these

771

00:34:50,399 --> 00:34:48,340

experience he grew up around the

772

00:34:52,500 --> 00:34:50,409

paranormal in ghosts and so forth and

773

00:34:54,210 --> 00:34:52,510

you know of course Ghostbusters 3 I

774

00:34:56,700 --> 00:34:54,220

think they're just in the middle of

775

00:34:57,750 --> 00:34:56,710

shooting that now and you know he's

776

00:34:59,880 --> 00:34:57,760

always had an interest in this

777

00:35:01,230 --> 00:34:59,890

paranormal so he's one of the guys up

778

00:35:03,450 --> 00:35:01,240

there and in Hollywood in the

779

00:35:05,640 --> 00:35:03,460

entertainment business is kind of just

780

00:35:07,200 --> 00:35:05,650

you know move this into to what he does

781

00:35:08,940 --> 00:35:07,210

for a living which is really cool any

782

00:35:13,740 --> 00:35:08,950

guy any guy who promotes Crystal Skull

783

00:35:16,830 --> 00:35:13,750

vodka is alright by me on the air but

784

00:35:18,440 --> 00:35:16,840

that is pretty good vodka yeah went on

785

00:35:20,150 --> 00:35:18,450

my tiki bar yes

786

00:35:22,280 --> 00:35:20,160

yeah Timothy green Beckley's with us

787

00:35:23,930 --> 00:35:22,290

tonight on ground zero and we're glad to

788

00:35:25,609 --> 00:35:23,940

have him here Claudia Cunningham we'll

789

00:35:27,740 --> 00:35:25,619

be hearing for her from her coming up as

790

00:35:30,500 --> 00:35:27,750

well having both on the air discussing

791

00:35:32,180 --> 00:35:30,510

the men in black the mi B's I saw a man

792

00:35:33,380 --> 00:35:32,190

in black on February 1st right there on

793

00:35:35,660 --> 00:35:33,390

the 405 right there you're Sookie's

794

00:35:37,789 --> 00:35:35,670

fourth area right in there we had a

795

00:35:40,130 --> 00:35:37,799

witness Thomas who said that he saw that

796

00:35:41,390 --> 00:35:40,140

same man in black he sketched the man in

797

00:35:43,900 --> 00:35:41,400

black picture he's got it on my website

798

00:35:46,370 --> 00:35:43,910

right now and also we have Timothy

799

00:35:49,220 --> 00:35:46,380

Beckley's picture that he took as well

800

00:35:51,410 --> 00:35:49,230

of a man in black coming up we also have

801
00:35:53,930 --> 00:35:51,420
a caller who said he may have seen one

802
00:35:55,670 --> 00:35:53,940
in Newberg five oh three four one seven

803
00:35:57,319 --> 00:35:55,680
nine five nine five or one eight seven

804
00:35:59,839 --> 00:35:57,329
seven seven three three one oh one one

805
00:36:03,410 --> 00:35:59,849
they seem to be all over we'll find out

806
00:36:05,690 --> 00:36:03,420
we're coming up on Ground Zero got an

807
00:36:09,020 --> 00:36:05,700
opinion call kxl now

808
00:36:12,109 --> 00:36:09,030
five-o three four one seven nine kxl or

809
00:36:14,809 --> 00:36:12,119
eight seven seven seven three three 101

810
00:36:23,450 --> 00:36:14,819
one this is ground zero

811
00:36:27,980 --> 00:36:26,839
Ron zero with Clyde Lewis tonight on

812
00:36:29,630 --> 00:36:27,990
ground zero we're talking about the men

813
00:36:31,549 --> 00:36:29,640

in black with Timothy green Beckley and

814

00:36:33,530 --> 00:36:31,559

Claudia Cunningham having a bowl of the

815

00:36:36,109 --> 00:36:33,540

show is quite an honor tonight

816

00:36:38,030 --> 00:36:36,119

discussing the men in black and the

817

00:36:39,980 --> 00:36:38,040

history of the men in black what to look

818

00:36:42,109 --> 00:36:39,990

for in fact we've got Matt right now

819

00:36:44,599 --> 00:36:42,119

calling in from Portland Matt hi you're

820

00:36:47,390 --> 00:36:44,609

on ground zero hey Clyde hey what's up

821

00:36:49,670 --> 00:36:47,400

hey not much hey I just wanted a I you

822

00:36:54,500 --> 00:36:49,680

know I I Drive a truck and I have a

823

00:36:56,150 --> 00:36:54,510

Robison Newberg and I I was in your show

824

00:36:59,000 --> 00:36:56,160

and I had to call in because I've seen

825

00:37:00,410 --> 00:36:59,010

this and I saw a guy I don't know if

826

00:37:03,740 --> 00:37:00,420

you're familiar with the town or not

827

00:37:05,299 --> 00:37:03,750

yeah I've been through many times so you

828

00:37:06,559 --> 00:37:05,309

know if you're going through 9 9 w and

829

00:37:10,250 --> 00:37:06,569

you're heading towards like McMinnville

830

00:37:12,680 --> 00:37:10,260

right before you get to you know the

831

00:37:15,319 --> 00:37:12,690

take a ride in your gut George Fox

832

00:37:18,559 --> 00:37:15,329

University mmm there was a guy standing

833

00:37:20,900 --> 00:37:18,569

right there and I saw him and I thought

834

00:37:23,690 --> 00:37:20,910

nothing much of it and I can take me off

835

00:37:25,220 --> 00:37:23,700

my route well I have you know a lot of

836

00:37:27,460 --> 00:37:25,230

stops over there I was there for four or

837

00:37:30,440 --> 00:37:27,470

five hours the guy never moved and

838

00:37:32,210 --> 00:37:30,450

looking at sky he's like this and he

839

00:37:34,190 --> 00:37:32,220

just you know he's staring off into

840

00:37:37,430 --> 00:37:34,200

space kind of but you know looking back

841

00:37:40,280 --> 00:37:37,440

and forth you know everybody he just

842

00:37:42,980 --> 00:37:40,290

never really had any emotion nothing at

843

00:37:45,730 --> 00:37:42,990

all to him and I had to call and let you

844

00:37:47,630 --> 00:37:45,740

know I mean it was just it was just so

845

00:37:50,359 --> 00:37:47,640

everything you're saying about this it

846

00:37:51,650 --> 00:37:50,369

was just so weird this guy yeah I mean

847

00:37:53,329 --> 00:37:51,660

that's the point I mean you get a

848

00:37:55,160 --> 00:37:53,339

feeling when you see these guys it's not

849

00:37:57,680 --> 00:37:55,170

like you know anybody walking buying a

850

00:37:59,870 --> 00:37:57,690

coat to hat doesn't faze you but there's

851
00:38:02,990 --> 00:37:59,880
something about a man in black you know

852
00:38:05,180 --> 00:38:03,000
it's him by his mannerisms and and by

853
00:38:07,490 --> 00:38:05,190
how he seems like he's a robot he seems

854
00:38:09,410 --> 00:38:07,500
like he's plastic or he seems like he's

855
00:38:12,049 --> 00:38:09,420
a he's a zombie and a coke Claudia

856
00:38:13,730 --> 00:38:12,059
Claudia what do you say to that you you

857
00:38:17,150 --> 00:38:13,740
concur that this is what we're looking

858
00:38:21,520 --> 00:38:17,160
at is lifeless types of beings and coats

859
00:38:23,870 --> 00:38:21,530
I agree with that but I did see one

860
00:38:26,390 --> 00:38:23,880
actually at a shopping center which I'll

861
00:38:29,150 --> 00:38:26,400
tell you about a little bit later but my

862
00:38:33,109 --> 00:38:29,160
guy was probably about five four maybe

863
00:38:35,630 --> 00:38:33,119

five four and a half completely in black

864

00:38:36,980 --> 00:38:35,640

in fact his outfit looked like it just

865

00:38:38,720 --> 00:38:36,990

came out of

866

00:38:41,000 --> 00:38:38,730

Maci's I mean he looked like he just

867

00:38:44,359 --> 00:38:41,010

bought all new clothes

868

00:38:47,120 --> 00:38:44,369

even the the shirt was had creased in it

869

00:38:51,080 --> 00:38:47,130

and his pants were creased but there was

870

00:38:53,180 --> 00:38:51,090

something I can't explain it something

871

00:38:57,380 --> 00:38:53,190

in this smile it was very creepy he

872

00:39:00,140 --> 00:38:57,390

moved normally no but he kind of well it

873

00:39:02,330 --> 00:39:00,150

kind of goes into this the first part of

874

00:39:04,730 --> 00:39:02,340

my story that I'll tell you it was kind

875

00:39:08,330 --> 00:39:04,740

of a confirmation of what my friend had

876
00:39:10,490 --> 00:39:08,340
seen in the cemetery okay which has it's

877
00:39:11,840 --> 00:39:10,500
very haunted but I have no doubt in my

878
00:39:13,460 --> 00:39:11,850
mind thinking about it that that's

879
00:39:15,710 --> 00:39:13,470
exactly what I saw

880
00:39:16,970 --> 00:39:15,720
well Matt Matt you here Claudia what

881
00:39:19,010 --> 00:39:16,980
she's saying we're gonna hear her story

882
00:39:20,120 --> 00:39:19,020
coming up in the next hour Matt thank

883
00:39:20,660 --> 00:39:20,130
you so much for sharing that with us

884
00:39:22,609 --> 00:39:20,670
tonight

885
00:39:26,150 --> 00:39:22,619
ain't no problem and you just let her

886
00:39:28,609 --> 00:39:26,160
know I he kind of he didn't have a

887
00:39:31,070 --> 00:39:28,619
through his body but he moved it he

888
00:39:34,400 --> 00:39:31,080

moved his head yeah it's just strange

889

00:39:37,910 --> 00:39:34,410

like that that's for sure I have a lot

890

00:39:39,230 --> 00:39:37,920

more to add to that well hope will hold

891

00:39:40,670 --> 00:39:39,240

you over well hold you over just for a

892

00:39:41,150 --> 00:39:40,680

little bit okay hold on we'll be right

893

00:39:42,590 --> 00:39:41,160

with you

894

remarkable people Timothy green Beckley

936
00:41:43,039 --> 00:41:40,920
Claudia Cunningham cinnamon ground zero

937
00:41:45,170 --> 00:41:43,049
to talk about the infamous men in black

938
00:41:46,789 --> 00:41:45,180

now that I seem to have a lot of

939

00:41:49,069 --> 00:41:46,799

encounters with the men in black I've

940

00:41:50,870 --> 00:41:49,079

had at least three that I know of I'm

941

00:41:52,339 --> 00:41:50,880

gonna bring Matt on to finish his story

942

00:41:53,539 --> 00:41:52,349

Matt you were talking about new breezes

943

00:41:55,069 --> 00:41:53,549

you want to add one more thing to this

944

00:41:58,640 --> 00:41:55,079

story about the man standing there near

945

00:42:00,049 --> 00:41:58,650

the college what did you see well you

946

00:42:02,569 --> 00:42:00,059

know wasn't anything to really add to

947

00:42:05,180 --> 00:42:02,579

that story oh you said you wanted to add

948

00:42:07,579 --> 00:42:05,190

something to it right oh yeah yeah of

949

00:42:10,160 --> 00:42:07,589

course I want to add to it I was just

950

00:42:14,720 --> 00:42:10,170

saying you know there's a lot of things

951
00:42:16,220 --> 00:42:14,730
that you know I see you know listening

952
00:42:19,700 --> 00:42:16,230
to your shows and listen the other shows

953
00:42:22,729 --> 00:42:19,710
and you know it's it people came out

954
00:42:24,700 --> 00:42:22,739
plain times before saying that you know

955
00:42:26,299 --> 00:42:24,710
the government knows about

956
00:42:26,690 --> 00:42:26,309
extraterrestrials and the government

957
00:42:28,640 --> 00:42:26,700
knows

958
00:42:31,460 --> 00:42:28,650
things that are going on now you see

959
00:42:33,319 --> 00:42:31,470
these huge camps being built you know

960
00:42:35,660 --> 00:42:33,329
and all over the country and these

961
00:42:37,220 --> 00:42:35,670
cities have you heard of these trainings

962
00:42:38,510 --> 00:42:37,230
that are being built with shackles and

963
00:42:40,550 --> 00:42:38,520

these train cars would be little

964

00:42:43,460 --> 00:42:40,560

shackles in them and I'm going what is

965

00:42:45,380 --> 00:42:43,470

really going on here yeah well nobody

966

00:42:47,210 --> 00:42:45,390

really knows and it makes a guy worry

967

00:42:51,829 --> 00:42:47,220

when you start seeing you start seeing

968

00:42:54,140 --> 00:42:51,839

90-degree angles I came by the name

969

00:42:55,970 --> 00:42:54,150

those clouds that you can't the the

970

00:42:58,099 --> 00:42:55,980

contrail you saw everybody saw that they

971

00:43:00,020 --> 00:42:58,109

were battle but that was the day after

972

00:43:00,530 --> 00:43:00,030

that man in black was seen in Oregon

973

00:43:02,930 --> 00:43:00,540

Portland

974

00:43:05,150 --> 00:43:02,940

exactly exactly any sort seen things

975

00:43:08,810 --> 00:43:05,160

like that and you 13 I worked I work at

976

00:43:10,609 --> 00:43:08,820

night and and all right I don't need

977

00:43:12,620 --> 00:43:10,619

more sorry but I work tonight for five

978

00:43:15,470 --> 00:43:12,630

years so when I get off work I always

979

00:43:18,290 --> 00:43:15,480

you know I'm a Nighthawk so I I look up

980

00:43:21,650 --> 00:43:18,300

and see these I see stuff in the sky all

981

00:43:23,150 --> 00:43:21,660

the time mm-hmm and I'm going what is

982

00:43:24,500 --> 00:43:23,160

really going on here and what are they

983

00:43:28,220 --> 00:43:24,510

not telling us and what is being

984

00:43:30,650 --> 00:43:28,230

prepared you know and it makes a person

985

00:43:32,089 --> 00:43:30,660

just worried well you shouldn't worry

986

00:43:33,440 --> 00:43:32,099

Matt you shouldn't worry you should

987

00:43:34,880 --> 00:43:33,450

prepare yourself and that's why I've

988

00:43:36,530 --> 00:43:34,890

been telling you you should do this you

989

00:43:38,089 --> 00:43:36,540

should do these things like explain to

990

00:43:39,500 --> 00:43:38,099

you to do you know it's like I was

991

00:43:41,480 --> 00:43:39,510

explaining to a friend of mine I said

992

00:43:44,690 --> 00:43:41,490

you know I bring on sponsors that I feel

993

00:43:47,210 --> 00:43:44,700

that need to help you prepare and that

994

00:43:48,650 --> 00:43:47,220

is exactly why I have people like

995

00:43:50,690 --> 00:43:48,660

Portland preparedness center I have

996

00:43:52,760 --> 00:43:50,700

people like Portland Gold Buyers and of

997

00:43:54,380 --> 00:43:52,770

course Legal Shield which is a new

998

00:43:55,730 --> 00:43:54,390

sponsor she'll protect you with lawyers

999

00:43:57,710 --> 00:43:55,740

you know I'm prepaid legal you have a

1000

00:43:59,270 --> 00:43:57,720

lawyer for you if you need it things are

1001
00:44:02,390 --> 00:43:59,280
changing laws are changing that's why

1002
00:44:04,460 --> 00:44:02,400
it's important that we prepare ourselves

1003
00:44:06,109 --> 00:44:04,470
once again Timothy green Beckley and

1004
00:44:08,180 --> 00:44:06,119
Claudia Cunningham Claudia you are going

1005
00:44:10,160 --> 00:44:08,190
to relate a story about your men in

1006
00:44:11,839 --> 00:44:10,170
black encounter I wanted to hear about

1007
00:44:13,460 --> 00:44:11,849
this because it sounded fascinate you

1008
00:44:14,750 --> 00:44:13,470
were talking about first of all one you

1009
00:44:15,980 --> 00:44:14,760
saw in a shopping mall but then there

1010
00:44:17,480 --> 00:44:15,990
was another thing you want to relate to

1011
00:44:20,690 --> 00:44:17,490
you didn't quite get to it I'd like to

1012
00:44:23,260 --> 00:44:20,700
have you talk about it okay well I'll

1013
00:44:26,120 --> 00:44:23,270

start by saying I've always rather

1014

00:44:28,370 --> 00:44:26,130

embraced or been interested in the

1015

00:44:31,700 --> 00:44:28,380

unknown or the arcane

1016

00:44:34,370 --> 00:44:31,710

you know the mysterious all my life but

1017

00:44:37,640 --> 00:44:34,380

my I guess you might say my entree into

1018

00:44:39,680 --> 00:44:37,650

the men and black situation actually

1019

00:44:42,710 --> 00:44:39,690

started with an incident

1020

00:44:45,650 --> 00:44:42,720

in this haunted cemetery near Albany New

1021

00:44:47,960 --> 00:44:45,660

York which is where I live which is

1022

00:44:53,210 --> 00:44:47,970

about a hundred and forty miles north of

1023

00:44:55,460 --> 00:44:53,220

Manhattan and it started in 1973 and I

1024

00:44:57,589 --> 00:44:55,470

remember because I just got my 73

1025

00:45:01,670 --> 00:44:57,599

Mustang convertible which I was very

1026
00:45:04,640 --> 00:45:01,680
proud of and my sister-in-law and I were

1027
00:45:06,829 --> 00:45:04,650
out riding around and her little

1028
00:45:07,430 --> 00:45:06,839
daughter who was like three years old at

1029
00:45:11,120 --> 00:45:07,440
the time

1030
00:45:13,160 --> 00:45:11,130
my niece Lisa was with us and we were

1031
00:45:16,220 --> 00:45:13,170
feeling silly so I said let's go in the

1032
00:45:18,500 --> 00:45:16,230
cemetery the cemetery is really an

1033
00:45:22,069 --> 00:45:18,510
imposing place it's like something out

1034
00:45:25,099 --> 00:45:22,079
of a gothic horror movie and it was near

1035
00:45:26,750 --> 00:45:25,109
dusk and we pulled in and we were like

1036
00:45:31,150 --> 00:45:26,760
the only ones there as far as I could

1037
00:45:36,309 --> 00:45:31,160
see and there are these rows and rows of

1038
00:45:39,170 --> 00:45:36,319

very ornate vaults or crypts for the

1039

00:45:42,490 --> 00:45:39,180

actually was for the aristocracy of the

1040

00:45:45,559 --> 00:45:42,500

area Albany was originally a Dutch

1041

00:45:49,760 --> 00:45:45,569

settlement in the 1600s and a lot of the

1042

00:45:51,680 --> 00:45:49,770

founding fathers the money the landed

1043

00:45:55,540 --> 00:45:51,690

gentry as what I guess you could call

1044

00:45:59,180 --> 00:45:55,550

them are buried there and one of the

1045

00:46:01,819 --> 00:45:59,190

vaults belonged to it said John Boyd

1046

00:46:05,420 --> 00:46:01,829

Thatcher which got my attention right

1047

00:46:08,720 --> 00:46:05,430

off the bat he was very notable early

1048

00:46:10,250 --> 00:46:08,730

mayor of Albany so I said to Dottie my

1049

00:46:12,020 --> 00:46:10,260

sister and I so let's go over and take a

1050

00:46:13,609 --> 00:46:12,030

look in this thing and she said oh no

1051

00:46:15,980 --> 00:46:13,619

you're crazy I'm not going to go over

1052

00:46:18,230 --> 00:46:15,990

there so I took the baby by the hand you

1053

00:46:21,829 --> 00:46:18,240

know little Lisa and I probably got

1054

00:46:23,890 --> 00:46:21,839

within maybe four feet of the thing and

1055

00:46:27,880 --> 00:46:23,900

it sounded like and the only thing I can

1056

00:46:31,520 --> 00:46:27,890

equate it to is someone who had a

1057

00:46:34,099 --> 00:46:31,530

metallic something throwing it against

1058

00:46:37,730 --> 00:46:34,109

the wall on the inside of the script it

1059

00:46:39,319 --> 00:46:37,740

was a bang and I literally jumped out of

1060

00:46:41,720 --> 00:46:39,329

my skin I threw that kid over my

1061

00:46:43,220 --> 00:46:41,730

shoulder jumped in that car and I think

1062

00:46:46,910 --> 00:46:43,230

we went out of there 40 miles an hour

1063

00:46:48,349 --> 00:46:46,920

backwards I mean it was really scary and

1064

00:46:50,630 --> 00:46:48,359

I kind of put that away

1065

00:46:53,009 --> 00:46:50,640

and you know was just an interesting

1066

00:46:55,829 --> 00:46:53,019

story that I told through the years

1067

00:46:59,789 --> 00:46:55,839

but you know synchronicity will have its

1068

00:47:02,130 --> 00:46:59,799

way and years later I had come in

1069

00:47:04,949 --> 00:47:02,140

contact with Tim Beckley's really great

1070

00:47:06,870 --> 00:47:04,959

book on the men in black called the

1071

00:47:09,779 --> 00:47:06,880

silencers which will give you nightmares

1072

00:47:11,130 --> 00:47:09,789

which is why I love it and about once a

1073

00:47:14,699 --> 00:47:11,140

year I'll get the book out and I'll read

1074

00:47:16,649 --> 00:47:14,709

it and I was really into the you know

1075

00:47:19,079 --> 00:47:16,659

reading it one night and I don't know

1076

00:47:22,079 --> 00:47:19,089

maybe a week later ten days later my

1077

00:47:25,709 --> 00:47:22,089

friend Linda called me now Linda is a

1078

00:47:28,620 --> 00:47:25,719

nurse at local Veterans Hospital in

1079

00:47:30,449 --> 00:47:28,630

Albany and I think her experience with

1080

00:47:34,229 --> 00:47:30,459

the occult or whatever you want to call

1081

00:47:36,269 --> 00:47:34,239

it goes as far as maybe going to a Carol

1082

00:47:38,880 --> 00:47:36,279

card reader she was completely in the

1083

00:47:41,729 --> 00:47:38,890

dark about anything like this she

1084

00:47:47,039 --> 00:47:41,739

recently moved across the street from

1085

00:47:50,609 --> 00:47:47,049

Albany were you there are you there

1086

00:47:53,130 --> 00:47:50,619

Bobbi yeah yes okay go ahead yeah you

1087

00:47:56,819 --> 00:47:53,140

gotta go ahead how are you sir again

1088

00:47:58,499 --> 00:47:56,829

yeah anyway I did get a phone call about

1089

00:48:00,749 --> 00:47:58,509

a year and a half ago after reading

1090

00:48:02,699 --> 00:48:00,759

Tim's book for the hundreds of time and

1091

00:48:05,159 --> 00:48:02,709

it was from my friend Linda who's a

1092

00:48:07,739 --> 00:48:05,169

nurse at the Veterans Hospital in Albany

1093

00:48:10,109 --> 00:48:07,749

and she was all excited and you know

1094

00:48:13,379 --> 00:48:10,119

she's 56 years old and she's not a coupe

1095

00:48:14,989 --> 00:48:13,389

she's very you know level-headed and she

1096

00:48:18,209 --> 00:48:14,999

said you know I know that you're really

1097

00:48:19,709 --> 00:48:18,219

interested in weird things and she says

1098

00:48:23,909 --> 00:48:19,719

I really need your opinion on something

1099

00:48:25,109 --> 00:48:23,919

I said sure well first can I just tell

1100

00:48:26,789 --> 00:48:25,119

you about this cemetery because this

1101

00:48:30,139 --> 00:48:26,799

leads to the men in black it's only

1102

00:48:35,579 --> 00:48:30,149

making room ok I want to set the scene

1103

00:48:36,929 --> 00:48:35,589

it you know I did a little I went on the

1104

00:48:39,499 --> 00:48:36,939

internet and got some information about

1105

00:48:42,839 --> 00:48:39,509

it it's really an interesting place

1106

00:48:45,719 --> 00:48:42,849

years and years ago the city of Albany

1107

00:48:48,779 --> 00:48:45,729

was flooded and some of the cemeteries

1108

00:48:51,899 --> 00:48:48,789

the coffins came to the surface so the

1109

00:48:54,919 --> 00:48:51,909

founding fathers moved cemetery for

1110

00:48:58,649 --> 00:48:54,929

miles out of the city proper to a little

1111

00:49:01,049 --> 00:48:58,659

village called minions and it's the

1112

00:49:03,859 --> 00:49:01,059

albany rural cemetery it's on a hill and

1113

00:49:06,589 --> 00:49:03,869

it's huge it really is it has little

1114

00:49:11,180 --> 00:49:06,599

hills within hills

1115

00:49:14,690 --> 00:49:11,190

tiny side roads gravel gravel roads so

1116

00:49:16,370 --> 00:49:14,700

one day she said you know I after work I

1117

00:49:17,539 --> 00:49:16,380

was bored and I figured I'd take a

1118

00:49:21,410 --> 00:49:17,549

historical tour

1119

00:49:23,329 --> 00:49:21,420

well many notable people are buried

1120

00:49:25,670 --> 00:49:23,339

there like a President of the United

1121

00:49:27,589 --> 00:49:25,680

States by the name of Chester Arthur who

1122

00:49:31,219 --> 00:49:27,599

is one of the more little-known

1123

00:49:33,229 --> 00:49:31,229

presidents there is civil war heroes

1124

00:49:36,469 --> 00:49:33,239

there is the Secretary of the Navy under

1125

00:49:39,289 --> 00:49:36,479

Roosevelt you know everybody's in there

1126
00:49:40,759 --> 00:49:39,299
and the big star of the place which I

1127
00:49:45,109 --> 00:49:40,769
didn't know and almost fell over

1128
00:49:48,079 --> 00:49:45,119
backwards charles fort himself oh really

1129
00:49:50,420 --> 00:49:48,089
charles ford's buried there yes i'm a

1130
00:49:53,180 --> 00:49:50,430
portly and myself so i I find that very

1131
00:49:56,269 --> 00:49:53,190
fascinating yeah I didn't find this out

1132
00:49:58,190 --> 00:49:56,279
until I I did a search on the internet

1133
00:50:01,460 --> 00:49:58,200
after Linda told me this and I almost

1134
00:50:04,190 --> 00:50:01,470
died so anyway she said this is what

1135
00:50:06,650 --> 00:50:04,200
happened to her she went through the big

1136
00:50:08,509 --> 00:50:06,660
iron gates into the main entrance and

1137
00:50:12,739 --> 00:50:08,519
you go over a little railroad track on

1138
00:50:15,410 --> 00:50:12,749

the left as a gothic looking grey stone

1139

00:50:18,200 --> 00:50:15,420

building that's the office but it

1140

00:50:20,509 --> 00:50:18,210

contains all the information on who's

1141

00:50:23,599 --> 00:50:20,519

buried there a little bit up is the

1142

00:50:26,420 --> 00:50:23,609

crematorium which is so creepy I can't

1143

00:50:28,549 --> 00:50:26,430

believe it and after that there's a side

1144

00:50:31,269 --> 00:50:28,559

Hill and Linda said I went up this hill

1145

00:50:33,769 --> 00:50:31,279

and it was a gravel road and that day

1146

00:50:35,779 --> 00:50:33,779

we're you know what milkweed is yes

1147

00:50:37,519 --> 00:50:35,789

annoying yeah it was like all over the

1148

00:50:39,170 --> 00:50:37,529

cemetery it was all over her car she had

1149

00:50:42,289 --> 00:50:39,180

her windshield wipers on it was you know

1150

00:50:44,329 --> 00:50:42,299

and no one was there and she said she

1151

00:50:46,549 --> 00:50:44,339

had her windows open and if she if

1152

00:50:48,200 --> 00:50:46,559

anyone was coming and back or in front

1153

00:50:51,999 --> 00:50:48,210

or to the side she would have heard it

1154

00:50:54,739 --> 00:50:52,009

because of the gravel drive driveway and

1155

00:50:58,339 --> 00:50:54,749

no one was there and she said I pulled

1156

00:51:02,479 --> 00:50:58,349

over and she said I looked down to take

1157

00:51:05,299 --> 00:51:02,489

keys out of the ignition and within you

1158

00:51:08,209 --> 00:51:05,309

know a split second she says I looked in

1159

00:51:12,200 --> 00:51:08,219

my rearview and here was this huge big

1160

00:51:15,529 --> 00:51:12,210

black shiny SUV military-looking thing

1161

00:51:18,019 --> 00:51:15,539

like a huge Hummer with jet black

1162

00:51:20,480 --> 00:51:18,029

windows no milkweed on this thing at all

1163

00:51:23,030 --> 00:51:20,490

it looks brand-new

1164

00:51:24,920 --> 00:51:23,040

she said it was really really eerie and

1165

00:51:26,360 --> 00:51:24,930

she says it just took my breath away and

1166

00:51:28,760 --> 00:51:26,370

she said the thing that went through my

1167

00:51:31,550 --> 00:51:28,770

mind was either I was going to get

1168

00:51:32,840 --> 00:51:31,560

robbed or killed or something she she

1169

00:51:36,290 --> 00:51:32,850

didn't equate it with anything

1170

00:51:38,540 --> 00:51:36,300

supernatural but she said I decided to

1171

00:51:40,100 --> 00:51:38,550

put the car and forward and just kind of

1172

00:51:42,380 --> 00:51:40,110

creep away and see if this thing was

1173

00:51:44,690 --> 00:51:42,390

going to follow me instead it backed up

1174

00:51:47,480 --> 00:51:44,700

and it appeared to go down one of the

1175

00:51:50,210 --> 00:51:47,490

side roads so she watched it until the

1176
00:51:53,120 --> 00:51:50,220
top of the thing disappeared and she has

1177
00:51:54,560 --> 00:51:53,130
a temper I mean me I would have had a

1178
00:51:58,010 --> 00:51:54,570
heart attack but she was going to follow

1179
00:51:59,680 --> 00:51:58,020
it so she said I turned around and I

1180
00:52:02,300 --> 00:51:59,690
went exactly where this thing

1181
00:52:05,750 --> 00:52:02,310
disappeared into and nothing was there

1182
00:52:08,510 --> 00:52:05,760
no Road only a chain-link fence beyond

1183
00:52:09,890 --> 00:52:08,520
this fence looking for graves oh my god

1184
00:52:11,810 --> 00:52:09,900
so yeah

1185
00:52:14,450 --> 00:52:11,820
so with that Jesus I turned around went

1186
00:52:16,610 --> 00:52:14,460
down the road and right in front of the

1187
00:52:18,560 --> 00:52:16,620
office this thing was parked and she

1188
00:52:19,880 --> 00:52:18,570

says I know that thing was waiting for

1189

00:52:23,000 --> 00:52:19,890

me I just had a feeling

1190

00:52:24,710 --> 00:52:23,010

outside of this thing on the driver's

1191

00:52:28,820 --> 00:52:24,720

side like he was talking to the driver

1192

00:52:31,640 --> 00:52:28,830

only the window was up was at all weird

1193

00:52:33,890 --> 00:52:31,650

looking man with a pork pie hat like

1194

00:52:36,500 --> 00:52:33,900

something you'd see in the fifties crime

1195

00:52:40,280 --> 00:52:36,510

movie you know like a Blues Brothers hat

1196

00:52:45,980 --> 00:52:40,290

all dressed in black a dark complected

1197

00:52:47,990 --> 00:52:45,990

man wraparound black sunglasses the

1198

00:52:50,090 --> 00:52:48,000

whole thing and she said I you know I

1199

00:52:51,920 --> 00:52:50,100

was watching him in my mirror and she

1200

00:52:53,240 --> 00:52:51,930

says I just punched it she's I stepped

1201
00:52:55,730 --> 00:52:53,250
on the ignition I went to get out of

1202
00:52:59,660 --> 00:52:55,740
there and this guy just vanished right

1203
00:53:01,820 --> 00:52:59,670
into thin air just disappeared so I was

1204
00:53:05,900 --> 00:53:01,830
breathless you know I I was so excited

1205
00:53:07,790 --> 00:53:05,910
so she doesn't have a computer or didn't

1206
00:53:10,100 --> 00:53:07,800
back then so we got on my computer and I

1207
00:53:11,750 --> 00:53:10,110
kind of googled the cemetery I found all

1208
00:53:15,620 --> 00:53:11,760
this stuff out I'm going to find out

1209
00:53:19,750 --> 00:53:15,630
it's haunted by and I quote sinister men

1210
00:53:23,270 --> 00:53:19,760
and black black vehicles a black dog

1211
00:53:26,630 --> 00:53:23,280
orbs that disappear or appear at dusk

1212
00:53:29,240 --> 00:53:26,640
and a couple who float over the

1213
00:53:30,950 --> 00:53:29,250

headstones holding hands well you know

1214

00:53:32,690 --> 00:53:30,960

interesting that you bring out the date

1215

00:53:33,440 --> 00:53:32,700

that it's that the cemetery is haunted

1216

00:53:37,099 --> 00:53:33,450

by

1217

00:53:38,930 --> 00:53:37,109

of you when we're taking a break I'll

1218

00:53:40,280 --> 00:53:38,940

run some things by both of you since

1219

00:53:42,829 --> 00:53:40,290

I've had encounters has been in black

1220

00:53:46,430 --> 00:53:42,839

I've done research on men in black and

1221

00:53:48,980 --> 00:53:46,440

they seem to be thousands of years old a

1222

00:53:50,420 --> 00:53:48,990

lot of these encounters of men and black

1223

00:53:51,560 --> 00:53:50,430

they've been talked about in several

1224

00:53:54,140 --> 00:53:51,570

areas they've been talked about

1225

00:53:56,150 --> 00:53:54,150

biblically they've been talked about in

1226

00:53:58,880 --> 00:53:56,160

many other I mean it's not really that

1227

00:54:01,819 --> 00:53:58,890

much of a modern phenomenon even though

1228

00:54:04,970 --> 00:54:01,829

we do see them and as I said before you

1229

00:54:07,310 --> 00:54:04,980

know you know or perhaps your commute

1230

00:54:09,890 --> 00:54:07,320

you have this complex feeling whatever

1231

00:54:13,359 --> 00:54:09,900

you see a man in black for some reason

1232

00:54:15,109 --> 00:54:13,369

they strike you as out of the ordinary

1233

00:54:17,540 --> 00:54:15,119

something that sticks out like a sore

1234

00:54:19,520 --> 00:54:17,550

thumb it doesn't belong there and you're

1235

00:54:22,010 --> 00:54:19,530

thinking what is that doing there is the

1236

00:54:24,800 --> 00:54:22,020

man just standing there dressed nicely

1237

00:54:26,450 --> 00:54:24,810

or is it something else and it gives you

1238

00:54:29,780 --> 00:54:26,460

this feeling of dread

1239

00:54:32,000 --> 00:54:29,790

it's a strange unexplainable feeling of

1240

00:54:34,609 --> 00:54:32,010

anyone's experienced an encounter with a

1241

00:54:36,620 --> 00:54:34,619

man in black a shadowy figure perhaps

1242

00:54:37,819 --> 00:54:36,630

with a cloak or in a hat like to hear

opinion call kxl now five oh three four

1249

00:54:59,640 --> 00:54:53,730

one seven nine kxl or eight seven seven

1250

00:55:04,650 --> 00:55:02,340

everyone is in on the secrets and big

1251

00:55:08,960 --> 00:55:04,660

things are being planned call Klein

1252

00:55:14,640 --> 00:55:13,410

so coming up on ground zero this Friday

1253

00:55:15,870 --> 00:55:14,650

we're gonna have David journalist doing

1254

00:55:18,000 --> 00:55:15,880

the news again and we're gonna do

1255

00:55:21,900 --> 00:55:18,010

reversals on the news there was

1256

00:55:23,730 --> 00:55:21,910

something didn't really that dr. Burgess

1257

00:55:26,250 --> 00:55:23,740

had called to tell me about David John

1258

00:55:29,490 --> 00:55:26,260

Oates and he went to but get together

1259

00:55:32,130 --> 00:55:29,500

that was there in West Linn and I know a

1260

00:55:35,400 --> 00:55:32,140

number of people who went because he

1261

00:55:37,500 --> 00:55:35,410

reported to me that it happened but one

1262

00:55:42,630 --> 00:55:37,510

of the discussions that went on during

1263

00:55:45,510 --> 00:55:42,640

his free seminar was the idea of a

1264

00:55:48,480 --> 00:55:45,520

career opportunity with reverse speech

1265

00:55:51,810 --> 00:55:48,490

which I thought was interesting because

1266

00:55:54,030 --> 00:55:51,820

he had told me that with this new deal

1267

00:55:56,250 --> 00:55:54,040

that they were making in London they

1268

00:55:58,140 --> 00:55:56,260

would have all kinds of work available

1269

00:56:01,050 --> 00:55:58,150

for people who want to become trainers

1270

00:56:04,320 --> 00:56:01,060

or at least to reverse speech analysts

1271

00:56:06,060 --> 00:56:04,330

and I thought okay that'd be fine you

1272

00:56:08,610 --> 00:56:06,070

know maybe just a few bucks here and

1273

00:56:12,180 --> 00:56:08,620

there or or maybe something like that

1274

00:56:14,310 --> 00:56:12,190

but no no no no this is something where

1275

00:56:18,630 --> 00:56:14,320

the money is good because there's gonna

1276

00:56:23,070 --> 00:56:18,640

be a lot of stuff that there's a lot of

1277

00:56:26,310 --> 00:56:23,080

stuff going on where you can make from

1278

00:56:27,570 --> 00:56:26,320

what I heard depending and I don't know

1279

00:56:29,940 --> 00:56:27,580

maybe Davey will have to tell us this

1280

00:56:32,220 --> 00:56:29,950

when it comes on but you could make

1281

00:56:35,640 --> 00:56:32,230

close to if not more than a hundred

1282

00:56:38,490 --> 00:56:35,650

dollars an hour doing this reverse

1283

00:56:40,020 --> 00:56:38,500

speech analyzing and you become a

1284

00:56:43,770 --> 00:56:40,030

reverse be challenged the only thing is

1285

00:56:47,490 --> 00:56:43,780

though is that you have to go to his

1286

00:56:48,990 --> 00:56:47,500

yeah you have to learn from him and if

1287

00:56:51,720 --> 00:56:49,000

you're willing to put in the time and

1288

00:56:54,210 --> 00:56:51,730

the effort and the investment you

1289

00:56:57,990 --> 00:56:54,220

actually can learn how to do the reverse

1290

00:57:00,510 --> 00:56:58,000

speech do do reverse speech analyzing

1291

00:57:03,780 --> 00:57:00,520

and that would be great because then you

1292

00:57:06,420 --> 00:57:03,790

could be an an analysis you do analysis

1293

00:57:08,820 --> 00:57:06,430

reverse speech and get paid a lot of

1294

00:57:12,930 --> 00:57:08,830

money to do it he told me that there are

1295

00:57:13,710 --> 00:57:12,940

a lot of opportunities available and he

1296

00:57:15,300 --> 00:57:13,720

will tell you more

1297

00:57:18,480 --> 00:57:15,310

that and I want to just make sure that

1298

00:57:20,190 --> 00:57:18,490

it's clear that David Joe David Joe

1299

00:57:22,140 --> 00:57:20,200

notes will be on again Friday and you

1300

00:57:25,170 --> 00:57:22,150

can ask them about that or you can go to

1301

00:57:26,280 --> 00:57:25,180

reverse speech comm reverse speech comm

1302

00:57:27,870 --> 00:57:26,290

is the place to go to find out more

1303

00:57:29,730 --> 00:57:27,880

about the opportunities that are

1304

00:57:32,070 --> 00:57:29,740

available and you can also hear about

1305

00:57:33,570 --> 00:57:32,080

the seminars that he's having he's here

1306

00:57:36,089 --> 00:57:33,580

in Portland for a long time he's been

1307

00:57:37,470 --> 00:57:36,099

doing seminars and his information is

1308

00:57:40,020 --> 00:57:37,480

available right now at reverse speech

1309

00:57:41,910 --> 00:57:40,030

1310

00:57:43,800 --> 00:57:41,920

in this because look I can think of

1311

00:57:46,589 --> 00:57:43,810

worse things to do than listen to

1312

00:57:48,780 --> 00:57:46,599

reverse speech and analyze it so he has

1313

00:57:50,910 --> 00:57:48,790

some career opportunities available with

1314

00:57:52,770 --> 00:57:50,920

all this new stuff this movie that's

1315

00:57:55,380 --> 00:57:52,780

coming out this documentary all this

1316

00:57:57,930 --> 00:57:55,390

stuff he needs these people available to

1317

00:58:00,000 --> 00:57:57,940

be analysts you can call tonight five oh

1318

00:58:02,190 --> 00:58:00,010

three four one seven nine five nine five

1319

00:58:04,800 --> 00:58:02,200

1322

00:58:13,620 --> 00:58:10,840

have you seen a man dressed in black no

1323

00:58:16,020 --> 00:58:13,630

eyebrows bald with a hat some people

1324

00:58:17,880 --> 00:58:16,030

call him black hat man we know him as

1325

00:58:21,839 --> 00:58:17,890

the MIB YZ tonight we talk more about

1326
00:58:23,890 --> 00:58:21,849
these strange people coming up on Ground

1327
00:58:26,760 --> 00:58:23,900
Zero don't go away

1328
00:58:29,589 --> 00:58:26,770
i'm craig lewis so this is ground zero

1329
00:58:31,750 --> 00:58:29,599
so now we talk about the men in black

1330
00:58:36,279 --> 00:58:31,760
what are they who are they wonder what

1331
00:58:37,660 --> 00:58:36,289
is their purpose today we're taking your

1332
00:58:40,210 --> 00:58:37,670
calls at five oh three four one seven

1333
00:58:43,779 --> 00:58:40,220
nine five nine five that's nine kxl or

1334
00:58:45,460 --> 00:58:43,789
one in seven seven seven three three 101

1335
00:58:47,680 --> 00:58:45,470
once we discussed the men in black

1336
00:58:50,380 --> 00:58:47,690
they're nothing like what you see in the

1337
00:58:51,940 --> 00:58:50,390
movie MIT that's kind of a comic relief

1338
00:58:53,789 --> 00:58:51,950

thing most the time these guys are

1339

00:58:55,900 --> 00:58:53,799

pretty sinister and pretty scary

1340

00:58:57,549 --> 00:58:55,910

selectivity green Beckley's with us and

1341

00:58:58,599 --> 00:58:57,559

also Claudia Cunningham to talk more

1342

00:59:02,650 --> 00:58:58,609

about the MIB

1343

00:59:04,079 --> 00:59:02,660

and I just wanted to ask Timothy you

1344

00:59:06,130 --> 00:59:04,089

know you've written books for 30 years

1345

00:59:08,529 --> 00:59:06,140

you know what's the difference between

1346

00:59:10,569 --> 00:59:08,539

in fact somebody joked in the in the in

1347

00:59:13,299 --> 00:59:10,579

the in my facebook saying some guy in an

1348

00:59:15,010 --> 00:59:13,309

overcoat must be an MIB what what makes

1349

00:59:16,720 --> 00:59:15,020

an MIB different what makes them stick

1350

00:59:23,319 --> 00:59:16,730

out and what are we looking at when we

1351
00:59:28,380 --> 00:59:23,329
see a typical man in black are you there

1352
00:59:31,750 --> 00:59:28,390
Timothy Timothy hello are you there

1353
00:59:32,710 --> 00:59:31,760
Claudia are you there I'm here I don't

1354
00:59:34,210 --> 00:59:32,720
know what happened to Timothy we're

1355
00:59:37,539 --> 00:59:34,220
gonna have to find out what happened to

1356
00:59:39,549 --> 00:59:37,549
Tim we'll just out call him right back

1357
00:59:40,809 --> 00:59:39,559
but anyway I mean when you when you saw

1358
00:59:42,760 --> 00:59:40,819
your man in black what made him

1359
00:59:44,859 --> 00:59:42,770
different I mean you know when you see

1360
00:59:46,890 --> 00:59:44,869
somebody on the street and he looks out

1361
00:59:49,809 --> 00:59:46,900
of place what made him different for you

1362
00:59:52,089 --> 00:59:49,819
well this happened a couple months after

1363
00:59:54,670 --> 00:59:52,099

this thing with my girlfriend happened

1364

00:59:57,910 --> 00:59:54,680

and it was on my mind a lot that's all I

1365

01:00:00,609 --> 00:59:57,920

could think about and I guess I in my I

1366

01:00:03,880 --> 01:00:00,619

guess I needed a confirmation that this

1367

01:00:05,620 --> 01:00:03,890

really happened and so one day I was

1368

01:00:07,779 --> 01:00:05,630

over to the shopping center I had my

1369

01:00:09,279 --> 01:00:07,789

mother in the car with me and we pulled

1370

01:00:11,410 --> 01:00:09,289

up in front of one of the dollar stores

1371

01:00:13,870 --> 01:00:11,420

and you know I left her in the car went

1372

01:00:16,660 --> 01:00:13,880

in got my purchase and came back and I

1373

01:00:21,010 --> 01:00:16,670

started the car up and there was I

1374

01:00:22,599 --> 01:00:21,020

noticed a big black SUV to the right of

1375

01:00:24,069 --> 01:00:22,609

where we were parked and I joked to my

1376

01:00:26,230 --> 01:00:24,079

mother I said hey maybe that's one of

1377

01:00:29,650 --> 01:00:26,240

those guys at Linda's so we kind of

1378

01:00:31,450 --> 01:00:29,660

chuckled I no longer I just I just got

1379

01:00:35,109 --> 01:00:31,460

the words out of my mouth and from in

1380

01:00:37,540 --> 01:00:35,119

back of this black SUV came this little

1381

01:00:39,220 --> 01:00:37,550

man and they stopped right out

1382

01:00:41,830 --> 01:00:39,230

where my mother was sitting and he

1383

01:00:44,740 --> 01:00:41,840

literally bent over and like peeked in

1384

01:00:46,630 --> 01:00:44,750

the window and I thought you know the he

1385

01:00:50,680 --> 01:00:46,640

had a hat on like John Lennon were in

1386

01:00:55,600 --> 01:00:50,690

the 60s it was like a black visor black

1387

01:00:57,610 --> 01:00:55,610

cap black like I said before brand-new

1388

01:00:59,860 --> 01:00:57,620

black outfit black shirt black

1389

01:01:03,280 --> 01:00:59,870

everything was black black sunglasses

1390

01:01:06,760 --> 01:01:03,290

and he stepped up on the curb and he

1391

01:01:09,730 --> 01:01:06,770

just turned around and took his glasses

1392

01:01:12,580 --> 01:01:09,740

down and kind of looked at me and the

1393

01:01:14,380 --> 01:01:12,590

creepy smile it was not right you know

1394

01:01:17,890 --> 01:01:14,390

how like you said you just something is

1395

01:01:19,360 --> 01:01:17,900

not right about this guy right and then

1396

01:01:21,370 --> 01:01:19,370

I thought well maybe maybe he's a

1397

01:01:23,110 --> 01:01:21,380

chauffeur maybe there's a limo parked

1398

01:01:26,500 --> 01:01:23,120

you know somewhere but there was nothing

1399

01:01:27,940 --> 01:01:26,510

there he really stood out he didn't

1400

01:01:30,010 --> 01:01:27,950

belong there there was actually a movie

1401

01:01:31,600 --> 01:01:30,020

that I saw I don't know if you've ever

1402

01:01:34,780 --> 01:01:31,610

seen had Betty Davidson and Oliver Reed

1403

01:01:37,270 --> 01:01:34,790

called burnt offerings and I missed that

1404

01:01:38,650 --> 01:01:37,280

one there in that film in in the

1405

01:01:41,740 --> 01:01:38,660

creepiest thing ever they have this

1406

01:01:44,290 --> 01:01:41,750

hearse that goes through the strange

1407

01:01:46,330 --> 01:01:44,300

hearse that comes driving by and the guy

1408

01:01:48,970 --> 01:01:46,340

who drives the hearse is this thin wiry

1409

01:01:50,890 --> 01:01:48,980

pale man with these glasses these black

1410

01:01:53,020 --> 01:01:50,900

glasses and he looks like a hearse

1411

01:01:55,780 --> 01:01:53,030

driver and he comes in and Betty Davis

1412

01:01:57,700 --> 01:01:55,790

is screaming in agony she's in pain

1413

01:01:59,410 --> 01:01:57,710

because she's sick and he turns out to

1414

01:02:01,000 --> 01:01:59,420

be like a mortician and he takes this

1415

01:02:02,860 --> 01:02:01,010

casket and throws it at her and kills

1416

01:02:04,660 --> 01:02:02,870

her and it's just a really frightening

1417

01:02:07,210 --> 01:02:04,670

and it's like the the tall man a

1418

01:02:10,450 --> 01:02:07,220

phantasm is Timothy I mentioned that

1419

01:02:13,300 --> 01:02:10,460

these these men and black I mean they

1420

01:02:16,900 --> 01:02:13,310

just don't look like they belong in in

1421

01:02:19,120 --> 01:02:16,910

the scenery and I mean when people die

1422

01:02:21,010 --> 01:02:19,130

have the sketch that I put on the

1423

01:02:23,770 --> 01:02:21,020

website doesn't do justice to what I saw

1424

01:02:27,160 --> 01:02:23,780

this guy didn't I mean I'll tell you

1425

01:02:28,810 --> 01:02:27,170

this okay I have and I and I and I can't

1426

01:02:30,850 --> 01:02:28,820

explain why maybe some people can relate

1427

01:02:34,210 --> 01:02:30,860

to this have you ever seen somebody

1428

01:02:37,810 --> 01:02:34,220

who's put a nylon stocking over their

1429

01:02:41,860 --> 01:02:37,820

head and when they put a nylon stocking

1430

01:02:43,180 --> 01:02:41,870

over their head they lose all definition

1431

01:02:45,640 --> 01:02:43,190

of the face because it's crunches it

1432

01:02:47,950 --> 01:02:45,650

together and pulls it apart that's what

1433

01:02:50,140 --> 01:02:47,960

this guy looked like he was I mean he

1434

01:02:50,920 --> 01:02:50,150

didn't look right he didn't look like he

1435

01:02:52,870 --> 01:02:50,930

was four

1436

01:02:55,930 --> 01:02:52,880

well he didn't have any detail to his

1437

01:02:58,510 --> 01:02:55,940

face really he had no eyebrows he was

1438

01:03:00,490 --> 01:02:58,520

bald he had this hat his black hat he

1439

01:03:01,990 --> 01:03:00,500

had an overcoat on no he didn't look

1440

01:03:03,730 --> 01:03:02,000

like a guy that was cold in fact that

1441

01:03:04,750 --> 01:03:03,740

day was a nice day wasn't a bad day

1442

01:03:06,460 --> 01:03:04,760

wasn't cold at all

1443

01:03:08,710 --> 01:03:06,470

he didn't look like a cold man in the

1444

01:03:11,349 --> 01:03:08,720

wintertime walking the streets he looked

1445

01:03:14,140 --> 01:03:11,359

like a guy with a nylon stocking over

1446

01:03:16,240 --> 01:03:14,150

his head wearing a hat and he and he

1447

01:03:17,980 --> 01:03:16,250

gave me this look like he didn't know

1448

01:03:19,750 --> 01:03:17,990

what what you know he didn't know what I

1449

01:03:21,579 --> 01:03:19,760

was I said hello - he looked at me like

1450

01:03:23,049 --> 01:03:21,589

what did you say to me and then I turned

1451

01:03:24,490 --> 01:03:23,059

around I went to snap a picture I'm good

1452

01:03:26,230 --> 01:03:24,500

and get him on camera that doesn't mean

1453

01:03:28,930 --> 01:03:26,240

and somebody asked the question no you

1454

01:03:30,190 --> 01:03:28,940

can take pictures of these guys I didn't

1455

01:03:32,260 --> 01:03:30,200

get a picture of the guy so I wondered

1456

01:03:34,680 --> 01:03:32,270

what was going on I followed I didn't

1457

01:03:37,180 --> 01:03:34,690

want to stalk him but I certainly think

1458

01:03:38,319 --> 01:03:37,190

that I mean he disappeared he ducked out

1459

01:03:40,180 --> 01:03:38,329

out of the way because I think he knew

1460

01:03:42,160 --> 01:03:40,190

that I was following him but it just

1461

01:03:44,319 --> 01:03:42,170

seemed to me that the circumstances and

1462

01:03:46,059 --> 01:03:44,329

the synchronicities that happened on

1463

01:03:48,520 --> 01:03:46,069

that night the night that I collapsed

1464

01:03:52,359 --> 01:03:48,530

while I was on the air the idea that

1465

01:03:55,000 --> 01:03:52,369

I've been in I've been in I've seen men

1466

01:03:58,870 --> 01:03:55,010

in black before show up especially when

1467

01:04:01,510 --> 01:03:58,880

it comes to UFO or flying saucer or or

1468

01:04:04,510 --> 01:04:01,520

anything like that they have some sort

1469

01:04:05,920 --> 01:04:04,520

of a organization that backs them up or

1470

01:04:07,150 --> 01:04:05,930

they're doing this on there and they

1471

01:04:08,640 --> 01:04:07,160

think that they're born this way to be

1472

01:04:11,770 --> 01:04:08,650

this way or whatever I interviewed a guy

1473

01:04:13,150 --> 01:04:11,780

actually I met him at the Rialto bar

1474

01:04:15,910 --> 01:04:13,160

when I first moved to Portland called

1475

01:04:18,819 --> 01:04:15,920

himself mr. n I interviewed him he

1476

01:04:21,789 --> 01:04:18,829

claimed to be a man in black he was he

1477

01:04:24,250 --> 01:04:21,799

was another bald lookin strange guy with

1478

01:04:26,230 --> 01:04:24,260

weird features he had spikes in his lips

1479

01:04:29,319 --> 01:04:26,240

he looked weird as heck who's wearing

1480

01:04:31,690 --> 01:04:29,329

black my husband haha well he just

1481

01:04:34,569 --> 01:04:31,700

seemed to be peculiar and he and he

1482

01:04:37,329 --> 01:04:34,579

actually said that the actually this was

1483

01:04:39,520 --> 01:04:37,339

prior to 9/11 he actually said that the

1484

01:04:41,710 --> 01:04:39,530

men in black were gathering to bring us

1485

01:04:44,680 --> 01:04:41,720

into our next event that was going to

1486

01:04:46,569 --> 01:04:44,690

thrust us into our new thought process

1487

01:04:48,430 --> 01:04:46,579

and it would involve the deaths of many

1488

01:04:50,589 --> 01:04:48,440

thousands of people in a major city and

1489

01:04:53,380 --> 01:04:50,599

he said that this is what was going to

1490

01:04:55,990 --> 01:04:53,390

happen and and I have the interview in

1491

01:04:57,220 --> 01:04:56,000

my in my vault somewhere but people who

1492

01:04:58,450 --> 01:04:57,230

are fans of the show who have been

1493

01:05:00,579 --> 01:04:58,460

listening to my show for as many years

1494

01:05:02,500 --> 01:05:00,589

as they have been listening know that I

1495

01:05:04,720 --> 01:05:02,510

interviewed a gentleman on the show that

1496

01:05:07,300 --> 01:05:04,730

stated for the record that he was a

1497

01:05:09,250 --> 01:05:07,310

in black he worked he worked as a man in

1498

01:05:10,960 --> 01:05:09,260

black he says he had no organization

1499

01:05:13,270 --> 01:05:10,970

behind him he said it was like an

1500

01:05:14,680 --> 01:05:13,280

octopus with no head he said you cut off

1501

01:05:17,530 --> 01:05:14,690

one tentacle there's another person

1502

01:05:19,000 --> 01:05:17,540

ready to do the job they move about they

1503

01:05:22,000 --> 01:05:19,010

move about and doing what they do

1504

01:05:24,849 --> 01:05:22,010

without any thought of how it might harm

1505

01:05:26,700 --> 01:05:24,859

or otherwise help somebody they do what

1506

01:05:29,320 --> 01:05:26,710

needs to be done and that is their job

1507

01:05:31,990 --> 01:05:29,330

and it's exactly what you see we what's

1508

01:05:34,060 --> 01:05:32,000

that they seem to appear a lot of times

1509

01:05:36,820 --> 01:05:34,070

before a tragedy like the Silver Bridge

1510

01:05:39,310 --> 01:05:36,830

and the Mothman yeah see by John keel

1511

01:05:40,870 --> 01:05:39,320

yes exactly did they show up they show

1512

01:05:44,680 --> 01:05:40,880

up before tragedies they show up after

1513

01:05:46,690 --> 01:05:44,690

tragedies you know it's kind of like the

1514

01:05:49,599 --> 01:05:46,700

the whole story of the agents from the

1515

01:05:53,050 --> 01:05:49,609

matrix or the the observers from fringe

1516

01:05:55,030 --> 01:05:53,060

or The Adjustment Bureau that was

1517

01:05:58,690 --> 01:05:55,040

another movie that was dealing in Dark

1518

01:06:01,630 --> 01:05:58,700

City where it has to do with keeping the

1519

01:06:02,920 --> 01:06:01,640

timeline intact or keeping the the

1520

01:06:04,480 --> 01:06:02,930

motions of whatever it is they're

1521

01:06:07,060 --> 01:06:04,490

supposed to happen intact as if they

1522

01:06:09,040 --> 01:06:07,070

know simultaneously both past present

1523

01:06:11,859 --> 01:06:09,050

and future what's supposed to happen and

1524

01:06:13,030 --> 01:06:11,869

they make it happen in it if it doesn't

1525

01:06:14,859 --> 01:06:13,040

happen the way it's supposed to they

1526

01:06:17,849 --> 01:06:14,869

give it that push or they give it that

1527

01:06:20,770 --> 01:06:17,859

shove and and that's why they appear so

1528

01:06:22,180 --> 01:06:20,780

they always show up in times where they

1529

01:06:24,550 --> 01:06:22,190

tell you you didn't see this or you

1530

01:06:28,330 --> 01:06:24,560

weren't a part of this or and it just

1531

01:06:30,010 --> 01:06:28,340

seems to be you know kind of odd the way

1532

01:06:31,599 --> 01:06:30,020

they just pop up out of nowhere

1533

01:06:33,550 --> 01:06:31,609

let's bring Timothy back I know we lost

1534

01:06:35,260 --> 01:06:33,560

Timothy Timothy when we're talking about

1535

01:06:36,820 --> 01:06:35,270

what we're talking about em IDs and I

1536

01:06:38,770 --> 01:06:36,830

was talking with Claudia about this

1537

01:06:40,780 --> 01:06:38,780

we're talk about MIB is what sets them

1538

01:06:42,820 --> 01:06:40,790

apart why is it what what can we do to

1539

01:06:44,380 --> 01:06:42,830

say okay we're looking at an MIB this is

1540

01:06:46,359 --> 01:06:44,390

a man in black other than some guy who's

1541

01:06:48,970 --> 01:06:46,369

just wearing a coat and a tie and just I

1542

01:06:51,580 --> 01:06:48,980

guess was miss the bus for church how

1543

01:06:55,150 --> 01:06:51,590

can we tell the difference what church

1544

01:06:58,450 --> 01:06:55,160

would they go well I am yeah you know

1545

01:07:00,609 --> 01:06:58,460

well the one thing I think it stands out

1546

01:07:02,560 --> 01:07:00,619

usually is they do something odd that

1547

01:07:07,030 --> 01:07:02,570

just doesn't fit the mold of a normal

1548

01:07:10,420 --> 01:07:07,040

person like I remember one time there

1549

01:07:15,400 --> 01:07:10,430

was a doctor who had been investigating

1550

01:07:18,700 --> 01:07:15,410

a UFO case he'd actually had the witness

1551

01:07:21,250 --> 01:07:18,710

in his house I think today previous

1552

01:07:25,270 --> 01:07:21,260

and this he saw this man he came up the

1553

01:07:26,680 --> 01:07:25,280

driveway stood by the door and and the

1554

01:07:29,950 --> 01:07:26,690

doctor I guess he had his you know

1555

01:07:31,270 --> 01:07:29,960

offices in his house and so forth and he

1556

01:07:32,770 --> 01:07:31,280

went to the door because he's figured

1557

01:07:34,690 --> 01:07:32,780

why isn't a guy knocking or something

1558

01:07:37,300 --> 01:07:34,700

and he's just standing there very very

1559

01:07:38,740 --> 01:07:37,310

rigid well he thought obviously the guy

1560

01:07:40,210 --> 01:07:38,750

must be sick or something wrong with it

1561

01:07:44,010 --> 01:07:40,220

so it doesn't well coming to the office

1562

01:07:47,410 --> 01:07:44,020

and sat down well the guy stood like

1563

01:07:50,349 --> 01:07:47,420

just comatose up against the in the wall

1564

01:07:53,109 --> 01:07:50,359

never said anything in the beginning and

1565

01:07:56,220 --> 01:07:53,119

then he started just repeating that he

1566

01:07:58,930 --> 01:07:56,230

wanted to know about this particular UFO

1567

01:08:02,170 --> 01:07:58,940

event to give to turn over his files and

1568

01:08:04,480 --> 01:08:02,180

so forth but he was odd looking I mean

1569

01:08:07,270 --> 01:08:04,490

he had it look like the fellow had was

1570

01:08:08,859 --> 01:08:07,280

very pale and he had like lipstick on

1571

01:08:10,960 --> 01:08:08,869

which wouldn't be that unusual in this

1572

01:08:12,930 --> 01:08:10,970

day and age I suppose but then it was

1573

01:08:15,999 --> 01:08:12,940

like he couldn't draw a straight line

1574

01:08:17,800 --> 01:08:16,009

it's something right like looking like

1575

01:08:19,240 --> 01:08:17,810

Clarabel the clown or something like

1576

01:08:20,950 --> 01:08:19,250

that well it was funny because I was

1577

01:08:22,570 --> 01:08:20,960

telling Claudia about this this man in

1578

01:08:24,690 --> 01:08:22,580

black I saw he looked like he was

1579

01:08:27,670 --> 01:08:24,700

wearing a nylon stocking over his head

1580

01:08:29,470 --> 01:08:27,680

yet his definition was off something was

1581

01:08:32,410 --> 01:08:29,480

wrong about him he looked like yeah and

1582

01:08:35,769 --> 01:08:32,420

and they I remember one time the guy was

1583

01:08:38,140 --> 01:08:35,779

eating like was offered some jello or

1584

01:08:40,809 --> 01:08:38,150

something to eat but didn't sell any and

1585

01:08:42,999 --> 01:08:40,819

seemed to know how to eat it I mean just

1586

01:08:45,430 --> 01:08:43,009

things that just don't seem to fit the

1587

01:08:48,130 --> 01:08:45,440

the pattern but of course to really

1588

01:08:50,200 --> 01:08:48,140

where things would be is when they come

1589

01:08:53,229 --> 01:08:50,210

and go and we'll I mean you know this

1590

01:08:55,809 --> 01:08:53,239

all started back for the record well of

1591

01:08:57,670 --> 01:08:55,819

course Maury island there also a coast

1592

01:08:58,930 --> 01:08:57,680

of Washington State and that was just

1593

01:09:01,539 --> 01:08:58,940

around the time of the Kenneth Arnold

1594

01:09:04,300 --> 01:09:01,549

that you know signing back in 1947 right

1595

01:09:05,680 --> 01:09:04,310

I'll these do two fishermen where we're

1596

01:09:07,809 --> 01:09:05,690

out on their boat with their dog and

1597

01:09:09,690 --> 01:09:07,819

this UFO came over in the bottom of the

1598

01:09:14,200 --> 01:09:09,700

craft opened up and it looked like it

1599

01:09:15,789 --> 01:09:14,210

some material liquid slag or metal

1600

01:09:19,240 --> 01:09:15,799

molten metal or someone came out and

1601
01:09:22,420 --> 01:09:19,250
fell all over the the river there and

1602
01:09:24,700 --> 01:09:22,430
they killed the dog you know and injured

1603
01:09:27,550 --> 01:09:24,710
the the wrecked boat I guess on them you

1604
01:09:29,800 --> 01:09:27,560
know and in fact Kenneth Arnold who was

1605
01:09:32,170 --> 01:09:29,810
the first UFO Sider he joined the clear

1606
01:09:34,390 --> 01:09:32,180
term flying saucer I

1607
01:09:35,580 --> 01:09:34,400
he went to investigate it and you know

1608
01:09:38,200 --> 01:09:35,590
while he was in the hotel room

1609
01:09:40,570 --> 01:09:38,210
interviewing the witnesses apparently

1610
01:09:42,220 --> 01:09:40,580
there was a newspaper reporter who knew

1611
01:09:44,980 --> 01:09:42,230
exactly what was going on and what was

1612
01:09:47,260 --> 01:09:44,990
being said in the hotel room there was

1613
01:09:48,580 --> 01:09:47,270

like you know an invisible intruder or

1614

01:09:52,630 --> 01:09:48,590

something like that

1615

01:09:54,100 --> 01:09:52,640

Alba Kate bender who ray Barker wrote

1616

01:09:56,410 --> 01:09:54,110

the of the book they knew too much about

1617

01:09:58,510 --> 01:09:56,420

flying saucers well that was the first

1618

01:10:02,130 --> 01:09:58,520

really inkling to the public about any

1619

01:10:06,130 --> 01:10:02,140

of this the book came out in 1955 or

1620

01:10:08,260 --> 01:10:06,140

1956 and it was an instant hit and the

1621

01:10:11,440 --> 01:10:08,270

Barker told about the silencing of this

1622

01:10:12,970 --> 01:10:11,450

fellow Albert a bender advocate bender

1623

01:10:15,490 --> 01:10:12,980

ran the International Flying Saucer

1624

01:10:18,670 --> 01:10:15,500

Bureau at a Bridgeport to Connecticut

1625

01:10:21,580 --> 01:10:18,680

and he put out a fairly well received

1626

01:10:23,920 --> 01:10:21,590

UFO publication called I think it's

1627

01:10:25,750 --> 01:10:23,930

called space review mm-hmm and then it

1628

01:10:27,280 --> 01:10:25,760

he reported these sightings of the

1629

01:10:29,530 --> 01:10:27,290

members of the organization I think he

1630

01:10:32,010 --> 01:10:29,540

had about 2,500 members this would have

1631

01:10:36,520 --> 01:10:32,020

been the first UFO a group maybe around

1632

01:10:39,400 --> 01:10:36,530

1953 year or so mmm apparently he

1633

01:10:42,580 --> 01:10:39,410

stumbled upon the secret to the origin

1634

01:10:46,320 --> 01:10:42,590

of where flying saucers come from these

1635

01:10:50,470 --> 01:10:46,330

three men materialized inside his

1636

01:10:52,630 --> 01:10:50,480

bedroom right and they were they were

1637

01:10:54,040 --> 01:10:52,640

didn't respected you know we just been

1638

01:10:57,760 --> 01:10:54,050

describing the men in black with the

1639

01:11:01,260 --> 01:10:57,770

hats and so forth in the dark trench

1640

01:11:04,330 --> 01:11:01,270

coats and they warned him telepathically

1641

01:11:07,600 --> 01:11:04,340

to give up his investigation into the

1642

01:11:09,820 --> 01:11:07,610

flying saucers or that something serious

1643

01:11:12,850 --> 01:11:09,830

would happen to him or members of his

1644

01:11:17,380 --> 01:11:12,860

family ring and they mentioned the name

1645

01:11:20,110 --> 01:11:17,390

of a researcher who lived in Australia

1646

01:11:21,370 --> 01:11:20,120

bender had a this international flying

1647

01:11:23,710 --> 01:11:21,380

saucer beYOU had a worldwide

1648

01:11:26,170 --> 01:11:23,720

organization and he had branches all

1649

01:11:29,800 --> 01:11:26,180

over the world he had one in Australia

1650

01:11:33,100 --> 01:11:29,810

that was run by a John Stewart now in my

1651
01:11:36,400 --> 01:11:33,110
book cursive Leah men and black

1652
01:11:38,890 --> 01:11:36,410
UFO terrorists I printed the entire

1653
01:11:41,950 --> 01:11:38,900
story the manuscript that Jon Stewart

1654
01:11:45,970 --> 01:11:41,960
did and he tells about how his group was

1655
01:11:47,650 --> 01:11:45,980
investigating a UFO waves over

1656
01:11:49,390 --> 01:11:47,660
Sydney Australia at the time and they

1657
01:11:51,490 --> 01:11:49,400
were having some low-level sightings

1658
01:11:53,290 --> 01:11:51,500
some of them in fact right at you know

1659
01:11:55,410 --> 01:11:53,300
High Noon where hundreds of people were

1660
01:11:57,640 --> 01:11:55,420
observing these things on the street

1661
01:11:59,440 --> 01:11:57,650
anyway they had the same thing that they

1662
01:12:02,020 --> 01:11:59,450
had these invisible beings that would

1663
01:12:04,570 --> 01:12:02,030

materialize in there in their

1664

01:12:08,290 --> 01:12:04,580

headquarters and one of them was this

1665

01:12:10,330 --> 01:12:08,300

really terribly smelling the creature I

1666

01:12:13,150 --> 01:12:10,340

mean what wasn't men in black in the

1667

01:12:14,830 --> 01:12:13,160

sense that we think about it and there

1668

01:12:16,750 --> 01:12:14,840

was a woman who was involved she was

1669

01:12:20,229 --> 01:12:16,760

like vice-president of the group and she

1670

01:12:22,360 --> 01:12:20,239

was actually molested by this creature

1671

01:12:25,060 --> 01:12:22,370

that would come into their her apartment

1672

01:12:27,760 --> 01:12:25,070

at night finally they closed down the

1673

01:12:31,030 --> 01:12:27,770

organization and the last anyone had

1674

01:12:34,770 --> 01:12:31,040

heard of the investigator is that he was

1675

01:12:38,440 --> 01:12:34,780

standing on the top of a escalator in a

1676

01:12:41,290 --> 01:12:38,450

department store there and someone or

1677

01:12:42,820 --> 01:12:41,300

something totally unseen apparently came

1678

01:12:45,850 --> 01:12:42,830

up behind him gave him a shoving with

1679

01:12:47,530 --> 01:12:45,860

the flying down the escalator headfirst

1680

01:12:51,550 --> 01:12:47,540

or something like well and of course the

1681

01:12:54,240 --> 01:12:51,560

that also John keel had written when the

1682

01:12:57,010 --> 01:12:54,250

Mothman proper the Mothman Prophecies

1683

01:12:59,890 --> 01:12:57,020

were being written he spoke of a woman

1684

01:13:02,830 --> 01:12:59,900

that lived in Point Pleasant who was

1685

01:13:04,720 --> 01:13:02,840

actually being harassed by a man in

1686

01:13:07,030 --> 01:13:04,730

black and threatening that he would kill

1687

01:13:09,760 --> 01:13:07,040

her they were also saying that a number

1688

01:13:12,250 --> 01:13:09,770

of of the men in black would go door to

1689

01:13:15,220 --> 01:13:12,260

door during this time offering them

1690

01:13:16,450 --> 01:13:15,230

these pills and when they had the pills

1691

01:13:18,729 --> 01:13:16,460

analyzed they found out they were for

1692

01:13:20,290 --> 01:13:18,739

urinary tract infections and they were

1693

01:13:22,390 --> 01:13:20,300

giving these pills for urinary tract

1694

01:13:24,880 --> 01:13:22,400

infections to the the two people in in

1695

01:13:26,470 --> 01:13:24,890

Point Pleasant and I just felt that it

1696

01:13:29,110 --> 01:13:26,480

was just bizarre how these men in black

1697

01:13:31,270 --> 01:13:29,120

would do these crazy antics during this

1698

01:13:34,120 --> 01:13:31,280

whole time of the Mothman sightings well

1699

01:13:36,160 --> 01:13:34,130

see that I think if people I've come to

1700

01:13:40,120 --> 01:13:36,170

the conclusion after all these years is

1701

01:13:43,420 --> 01:13:40,130

that most of the UFO phenomena is a

1702

01:13:44,950 --> 01:13:43,430

paranormal in nature we are not per se

1703

01:13:47,520 --> 01:13:44,960

dealing with visitors from other planets

1704

01:13:50,740 --> 01:13:47,530

now every once in a while there may be a

1705

01:13:53,620 --> 01:13:50,750

spaceship as we think of it coming you

1706

01:13:56,979 --> 01:13:53,630

know coming there through this way but

1707

01:13:58,209 --> 01:13:56,989

these are beings whoever they may be and

1708

01:14:00,120 --> 01:13:58,219

I don't even think that they're

1709

01:14:03,760 --> 01:14:00,130

necessarily beings

1710

01:14:09,810 --> 01:14:03,770

as we think of living you know creatures

1711

01:14:11,950 --> 01:14:09,820

there are some sort of plasmatic

1712

01:14:15,100 --> 01:14:11,960

intelligence that that's the best way

1713

01:14:17,590 --> 01:14:15,110

that I can describe them and they are

1714

01:14:19,479 --> 01:14:17,600

able to actually know these men and

1715

01:14:21,330 --> 01:14:19,489

black I think are kind of their agents

1716

01:14:23,770 --> 01:14:21,340

and these are people these are

1717

01:14:27,760 --> 01:14:23,780

earthlings as far as I can detect who

1718

01:14:31,240 --> 01:14:27,770

have actually mentally been taken over

1719

01:14:33,879 --> 01:14:31,250

they've kind of had the souls sucked at

1720

01:14:35,439 --> 01:14:33,889

that month your your your your very

1721

01:14:37,030 --> 01:14:35,449

great and I'll tell you why he's the man

1722

01:14:38,620 --> 01:14:37,040

in black that allegedly told me he was a

1723

01:14:41,229 --> 01:14:38,630

man in black I interviewed said that he

1724

01:14:42,430 --> 01:14:41,239

felt as though he was called all of a

1725

01:14:43,870 --> 01:14:42,440

sudden one day he woke up and he

1726

01:14:46,570 --> 01:14:43,880

realized that this is what his calling

1727

01:14:49,180 --> 01:14:46,580

was and that somehow something took over

1728

01:14:53,110 --> 01:14:49,190

and he renamed himself he called himself

1729

01:14:54,879 --> 01:14:53,120

mr. n and and and that's what he called

1730

01:14:58,120 --> 01:14:54,889

himself after that that he that he was a

1731

01:14:59,860 --> 01:14:58,130

normal guy in a book was that I did a

1732

01:15:01,780 --> 01:14:59,870

book called the round trip to hell in a

1733

01:15:04,300 --> 01:15:01,790

flying saucer which is available on

1734

01:15:06,479 --> 01:15:04,310

Kindle as well as a night edition and

1735

01:15:10,360 --> 01:15:06,489

and we described in there some of these

1736

01:15:12,220 --> 01:15:10,370

people and the shenanigans and and how

1737

01:15:15,430 --> 01:15:12,230

they they just seemed to have actually

1738

01:15:18,100 --> 01:15:15,440

had their souls taken away from them and

1739

01:15:19,990 --> 01:15:18,110

maybe maybe even possessed by and we'll

1740

01:15:21,850 --> 01:15:20,000

talk about that coming out to Timothy

1741

01:15:23,290 --> 01:15:21,860

green Beckley and also quality cutting

1742

01:15:25,300 --> 01:15:23,300

hand with a son ground zero tonight

1743

01:15:26,610 --> 01:15:25,310

we'll be back with more keep it here on

1744

01:15:30,229 --> 01:15:26,620

ground zero

1745

01:15:32,340 --> 01:15:30,239

run jewelry replied Lewis

1746

01:15:35,070 --> 01:15:32,350

tonight we have Timothy green Beckley

1747

01:15:36,600 --> 01:15:35,080

UFO paranormal pioneer and also Claudia

1748

01:15:40,080 --> 01:15:36,610

Cunningham with us on the show talking

1749

01:15:41,910 --> 01:15:40,090

about the men in black there is a meme

1750

01:15:45,330 --> 01:15:41,920

now going around the internet about

1751

01:15:47,970 --> 01:15:45,340

black hat man and it is literally a man

1752

01:15:52,229 --> 01:15:47,980

in black people have been discussing

1753

01:15:54,180 --> 01:15:52,239

that this black hat man also shows up

1754

01:15:56,970 --> 01:15:54,190

and is in the same realm as the shadow

1755

01:15:59,340 --> 01:15:56,980

people and that people have seen shadowy

1756

01:16:00,870 --> 01:15:59,350

figures in their dreams their nightmares

1757

01:16:02,490 --> 01:16:00,880

they have shown up that people are

1758

01:16:05,160 --> 01:16:02,500

dreaming these things they're dreaming

1759

01:16:08,760 --> 01:16:05,170

about these men with black hats and

1760

01:16:10,200 --> 01:16:08,770

glasses now as I said I saw what

1761

01:16:12,000 --> 01:16:10,210

appeared to be a man in black that

1762

01:16:13,830 --> 01:16:12,010

people say was just a guy wearing a suit

1763

01:16:17,790 --> 01:16:13,840

and tie and it was cold he was running

1764

01:16:19,410 --> 01:16:17,800

overcoat no we saw well I saw and of

1765

01:16:22,560 --> 01:16:19,420

course the person I met with an

1766

01:16:25,350 --> 01:16:22,570

appointment saw men in overcoats these

1767

01:16:28,140 --> 01:16:25,360

men we saw having coffee had it had hats

1768

01:16:31,979 --> 01:16:28,150

they had they had hair but the one I saw

1769

01:16:34,650 --> 01:16:31,989

looked like he had no no uh you know

1770

01:16:37,430 --> 01:16:34,660

detail on his face it looked just

1771

01:16:39,240 --> 01:16:37,440

bizarre he looked like you had a

1772

01:16:41,310 --> 01:16:39,250

stocking over his face

1773

01:16:43,110 --> 01:16:41,320

and I didn't want to stalk him I did

1774

01:16:45,630 --> 01:16:43,120

want to follow him but I certainly know

1775

01:16:48,630 --> 01:16:45,640

what I saw and it wasn't some guy just

1776

01:16:51,900 --> 01:16:48,640

wearing an overcoat and I was fine but

1777

01:16:54,479 --> 01:16:51,910

then that night after her I had I had

1778

01:16:57,570 --> 01:16:54,489

the sighting I collapsed while I was on

1779

01:16:58,890 --> 01:16:57,580

the air and it said it has been said

1780

01:17:01,860 --> 01:16:58,900

that if you come in contact with these

1781

01:17:05,090 --> 01:17:01,870

guys or whatever they can vex you I had

1782

01:17:06,570 --> 01:17:05,100

an encounter with a man in black in

1783

01:17:10,140 --> 01:17:06,580

1995-1996

1784

01:17:13,110 --> 01:17:10,150

after my encounter my car was bombed and

1785

01:17:16,709 --> 01:17:13,120

it was destroyed literally and that's a

1786

01:17:19,020 --> 01:17:16,719

matter of record and it's it's just been

1787

01:17:20,550 --> 01:17:19,030

the situation men in black seem to come

1788

01:17:22,410 --> 01:17:20,560

around five oh three four one seven nine

1789

01:17:23,810 --> 01:17:22,420

five nine five or wedding seven seven

1790

01:17:25,760 --> 01:17:23,820

seven three three 101 one

1791

01:17:33,260 --> 01:17:25,770

tonight talking about the men in black

1792

01:17:35,690 --> 01:17:33,270

of course Saab man in black Saab men in

1793

01:17:40,550 --> 01:17:35,700

black that was over there by Sookie's

1794

01:17:43,130 --> 01:17:40,560

bar the south of town hanging out near

1795

01:17:44,780 --> 01:17:43,140

the freeway and he just seemed out of

1796

01:17:46,280 --> 01:17:44,790

place didn't seem like you belong there

1797

01:17:47,570 --> 01:17:46,290

that's the trouble with men in black you

1798

01:17:50,000 --> 01:17:47,580

see them you're wondering what am I

1799

01:17:52,730 --> 01:17:50,010

looking at and they tend to throw you

1800

01:17:55,100 --> 01:17:52,740

off of it you say gosh you know they

1801

01:17:56,720 --> 01:17:55,110

just have this countenance of death but

1802

01:17:58,850 --> 01:17:56,730

they look like they're they have no

1803

01:18:01,370 --> 01:17:58,860

detail to their face they they almost

1804

01:18:04,550 --> 01:18:01,380

looks pale and skull like some people

1805

01:18:06,620 --> 01:18:04,560

even say alien like because they look

1806

01:18:09,680 --> 01:18:06,630

plastic the jaw looks plastic they don't

1807

01:18:11,720 --> 01:18:09,690

look real and I guess you'd have to see

1808

01:18:14,420 --> 01:18:11,730

one to understand one because a lot of

1809

01:18:15,830 --> 01:18:14,430

people I'm sure probably don't

1810

01:18:17,330 --> 01:18:15,840

understand what they're looking for I

1811

01:18:20,420 --> 01:18:17,340

mean we're not just looking for guys

1812

01:18:22,280 --> 01:18:20,430

dressed in black suits and ties we tend

1813

01:18:23,900 --> 01:18:22,290

to you know think that this is what it

1814

01:18:26,870 --> 01:18:23,910

all is because of the movies and the

1815

01:18:29,420 --> 01:18:26,880

Blues Brothers and and also I I always

1816

01:18:32,300 --> 01:18:29,430

thought you know the the the agents that

1817

01:18:34,370 --> 01:18:32,310

they're across between what you see in

1818

01:18:36,040 --> 01:18:34,380

dark city and what you saw in the matrix

1819

01:18:39,740 --> 01:18:36,050

wouldn't wouldn't you agree with that

1820

01:18:42,560 --> 01:18:39,750

Claudia I would say so

1821

01:18:47,810 --> 01:18:42,570

the one that that I saw you know he

1822

01:18:50,870 --> 01:18:47,820

didn't look completely abnormal but just

1823

01:18:52,970 --> 01:18:50,880

his his actions and you know the way he

1824

01:18:54,740 --> 01:18:52,980

just kind of dropped his glasses down to

1825

01:18:56,420 --> 01:18:54,750

the middle of his nose and kind of

1826

01:18:58,850 --> 01:18:56,430

looked at me and kind of gave me a

1827

01:19:00,860 --> 01:18:58,860

creepy smile and it was almost like he

1828

01:19:04,220 --> 01:19:00,870

was saying to me well you wanted to see

1829

01:19:06,080 --> 01:19:04,230

one well here I am you know it was it

1830

01:19:07,460 --> 01:19:06,090

was chilling or that smile on their face

1831

01:19:09,050 --> 01:19:07,470

they look like they're about to eat you

1832

01:19:10,520 --> 01:19:09,060

you know they're that good on their face

1833

01:19:12,200 --> 01:19:10,530

saying you know if that door wasn't

1834

01:19:16,160 --> 01:19:12,210

locked I'd be in there right now just

1835

01:19:18,350 --> 01:19:16,170

you know eating your brain and I just

1836

01:19:19,850 --> 01:19:18,360

pray that that's the kind of I mean they

1837

01:19:21,140 --> 01:19:19,860

have the look of death they have the

1838

01:19:24,410 --> 01:19:21,150

look of this

1839

01:19:26,240 --> 01:19:24,420

you just can't I mean when I met okay

1840

01:19:30,140 --> 01:19:26,250

the one man in black that I met before

1841

01:19:35,120 --> 01:19:30,150

my car was bombed actually believe it or

1842

01:19:37,699 --> 01:19:35,130

not came off as he was very he seemed

1843

01:19:40,549 --> 01:19:37,709

like he was from the 1950s

1844

01:19:42,830 --> 01:19:40,559

because he said things like nifty and he

1845

01:19:45,529 --> 01:19:42,840

said things like keen oh that's keen and

1846

01:19:47,779 --> 01:19:45,539

I'm thinking keen you know what you know

1847

01:19:50,000 --> 01:19:47,789

that sounds all peachy and he used

1848

01:19:51,259 --> 01:19:50,010

phrases like that and I'm thinking who

1849

01:19:52,850 --> 01:19:51,269

the hell is this guy

1850

01:19:55,040 --> 01:19:52,860

and he had a mustache that was kind of

1851
01:19:57,799 --> 01:19:55,050
bizarre too he had a little mustache a

1852
01:19:59,479 --> 01:19:57,809
little thin mustache near his lip it

1853
01:20:01,219 --> 01:19:59,489
wasn't like a big thick one he just had

1854
01:20:03,379 --> 01:20:01,229
this little thin hairy mustache it's

1855
01:20:06,049 --> 01:20:03,389
almost like it was penciled in above his

1856
01:20:08,629 --> 01:20:06,059
lip he was just a weird-looking guy well

1857
01:20:10,310 --> 01:20:08,639
well like Tim says the one guy you know

1858
01:20:12,729 --> 01:20:10,320
he had like a like lipstick cuz he had

1859
01:20:17,299 --> 01:20:12,739
no mouth so he had a like paint on a

1860
01:20:19,219 --> 01:20:17,309
lips it's bizarre and I know in one of

1861
01:20:21,040 --> 01:20:19,229
the books I think it was John keel again

1862
01:20:23,779 --> 01:20:21,050
might have been the molest man

1863
01:20:26,270 --> 01:20:23,789

prophecies one of these characters

1864

01:20:28,879 --> 01:20:26,280

walked into a luncheonette in order to

1865

01:20:29,959 --> 01:20:28,889

stake and when he came he just stared at

1866

01:20:32,359 --> 01:20:29,969

it he didn't know what to do with the

1867

01:20:34,729 --> 01:20:32,369

utensils so the waitress had to show him

1868

01:20:36,290 --> 01:20:34,739

and another guy tried to drink jello he

1869

01:20:39,259 --> 01:20:36,300

didn't know what it was

1870

01:20:41,120 --> 01:20:39,269

so I mean they're really far out well

1871

01:20:43,129 --> 01:20:41,130

it's like whatever they are one of the

1872

01:20:45,290 --> 01:20:43,139

one of the most interesting shows on TV

1873

01:20:49,489 --> 01:20:45,300

right now is Fringe in one of the

1874

01:20:52,040 --> 01:20:49,499

observers is named September and he

1875

01:20:53,419 --> 01:20:52,050

actually shows up in one of the episodes

1876

01:20:56,419 --> 01:20:53,429

I can't remember which it is but it's an

1877

01:20:59,270 --> 01:20:56,429

episode where an earthquake is about to

1878

01:21:00,709 --> 01:20:59,280

happen near a worksite he comes in he

1879

01:21:06,770 --> 01:21:00,719

sits down at his restaurant and he

1880

01:21:08,270 --> 01:21:06,780

orders himself a sandwich it's a roast

1881

01:21:10,429 --> 01:21:08,280

beef sandwich he piles at height with

1882

01:21:13,429 --> 01:21:10,439

roast beef then he piles it with about

1883

01:21:17,239 --> 01:21:13,439

16 jalapeno peppers and then he piles on

1884

01:21:18,949 --> 01:21:17,249

pepper and then he eats the sandwich and

1885

01:21:20,569 --> 01:21:18,959

when they asked him why he does that he

1886

01:21:21,890 --> 01:21:20,579

says I don't have any taste buds I can't

1887

01:21:23,359 --> 01:21:21,900

taste anything so I have to have

1888

01:21:26,689 --> 01:21:23,369

something with flavor and I can't taste

1889

01:21:29,660 --> 01:21:26,699

anything that's the weird stuff about

1890

01:21:32,330 --> 01:21:29,670

these men back there just these outcast

1891

01:21:34,429 --> 01:21:32,340

misfits they'd look like on one hand you

1892

01:21:36,469 --> 01:21:34,439

know you could you know make fun of them

1893

01:21:37,819 --> 01:21:36,479

beat the crap out of but then they also

1894

01:21:40,310 --> 01:21:37,829

give you this look like they could kill

1895

01:21:42,910 --> 01:21:40,320

you if you get in the way of what their

1896

01:21:50,840 --> 01:21:46,219

okay great Nick what we have here though

1897

01:21:53,330 --> 01:21:50,850

- we have two different things a foul

1898

01:21:56,150 --> 01:21:53,340

we talked about the the men in black but

1899

01:21:59,540 --> 01:21:56,160

they're part of a larger group that I

1900

01:22:03,260 --> 01:21:59,550

would define as the UFO silencers some

1901

01:22:06,130 --> 01:22:03,270

of which could be UF could be government

1902

01:22:08,450 --> 01:22:06,140

agents or foreign agents they could be

1903

01:22:12,040 --> 01:22:08,460

representative of representatives of

1904

01:22:15,020 --> 01:22:12,050

some secret organization or secret

1905

01:22:17,060 --> 01:22:15,030

society who is trying to prevent people

1906

01:22:19,550 --> 01:22:17,070

from talking about this now

1907

01:22:21,560 --> 01:22:19,560

there was a episode a big slap of

1908

01:22:24,560 --> 01:22:21,570

sightings of a big wave of sightings

1909

01:22:27,200 --> 01:22:24,570

over wanted the Waunakee Reservoir in

1910

01:22:28,750 --> 01:22:27,210

New Jersey back in nineteen around the

1911

01:22:30,920 --> 01:22:28,760

same time actually coming thinking about

1912

01:22:33,320 --> 01:22:30,930

1965 wow you know you do you know the

1913

01:22:35,210 --> 01:22:33,330

vortex / Waunakee the the the time

1914

01:22:38,000 --> 01:22:35,220

vortex at Waunakee you know about that

1915

01:22:40,310 --> 01:22:38,010

well you know I investigated that the

1916

01:22:42,020 --> 01:22:40,320

case before and I wrote it up for fate

1917

01:22:44,090 --> 01:22:42,030

magazine back at the time when it was

1918

01:22:45,590 --> 01:22:44,100

happening we did there was an incident

1919

01:22:47,480 --> 01:22:45,600

that was reported and I wasn't there

1920

01:22:49,970 --> 01:22:47,490

when it happened but supposedly a car

1921

01:22:52,820 --> 01:22:49,980

what was driving out of one of the the

1922

01:22:54,470 --> 01:22:52,830

side roads around the reservoir and it

1923

01:22:56,330 --> 01:22:54,480

disappeared right in front of the the

1924

01:22:58,670 --> 01:22:56,340

witnesses who was following and right

1925

01:23:01,430 --> 01:22:58,680

exactly this is pretty real strong right

1926

01:23:03,830 --> 01:23:01,440

okay well yeah what I was going to say

1927

01:23:05,960 --> 01:23:03,840

though is that the the sightings got so

1928

01:23:07,610 --> 01:23:05,970

plentiful in that area you know it was

1929

01:23:09,980 --> 01:23:07,620

the police officers and reservoir

1930

01:23:12,020 --> 01:23:09,990

reservoir security guards and all that

1931

01:23:14,440 --> 01:23:12,030

we're seeing this thing and the one UFO

1932

01:23:17,210 --> 01:23:14,450

came right down over the reservoir and

1933

01:23:20,480 --> 01:23:17,220

beamed up some kind of raid down on the

1934

01:23:22,280 --> 01:23:20,490

ice and put a hole in the in the ice you

1935

01:23:25,040 --> 01:23:22,290

know which was quite thick at the time

1936

01:23:27,470 --> 01:23:25,050

and they had actually a meeting a

1937

01:23:29,180 --> 01:23:27,480

town-hall meeting of witnesses and all

1938

01:23:31,220 --> 01:23:29,190

because they were getting a pretty upset

1939

01:23:32,960 --> 01:23:31,230

about this you know they didn't know

1940

01:23:34,940 --> 01:23:32,970

whether the UFOs were a hostile nature

1941

01:23:38,030 --> 01:23:34,950

but they certainly didn't seem to be

1942

01:23:39,740 --> 01:23:38,040

overly friendly either now during the

1943

01:23:41,600 --> 01:23:39,750

town hall meeting or following the town

1944

01:23:44,480 --> 01:23:41,610

hall meeting they they noticed some of

1945

01:23:46,100 --> 01:23:44,490

the witnesses including the mayor and

1946

01:23:49,010 --> 01:23:46,110

the Chief of Police noticed that there

1947

01:23:50,630 --> 01:23:49,020

was some strange and odd people there

1948

01:23:53,240 --> 01:23:50,640

that were hanging around the this

1949

01:23:55,430 --> 01:23:53,250

meeting which was mainly made up of town

1950

01:23:57,440 --> 01:23:55,440

residents you know residence that the

1951

01:23:59,030 --> 01:23:57,450

people that had sightings and wanted to

1952

01:24:00,950 --> 01:23:59,040

know what was going on and directly

1953

01:24:03,980 --> 01:24:00,960

concerned them and so forth anyway there

1954

01:24:04,660 --> 01:24:03,990

were these the agents mysterious agents

1955

01:24:07,150 --> 01:24:04,670

that look like

1956

01:24:09,340 --> 01:24:07,160

you know CIA or FBI type seal dressed in

1957

01:24:11,979 --> 01:24:09,350

black and sunglasses a little bit hmm

1958

01:24:14,430 --> 01:24:11,989

and at first when they asked for

1959

01:24:16,660 --> 01:24:14,440

identification they pulled out

1960

01:24:19,590 --> 01:24:16,670

membership cards belonging to the

1961

01:24:22,209 --> 01:24:19,600

National investigations committee on UFO

1962

01:24:24,400 --> 01:24:22,219

not major key house a group which is

1963

01:24:27,820 --> 01:24:24,410

very active at the time and and a lot of

1964

01:24:30,130 --> 01:24:27,830

these were the oh the scientific types

1965

01:24:31,390 --> 01:24:30,140

and I would call them nerds and stuff

1966

01:24:32,979 --> 01:24:31,400

like that you know with their notebooks

1967

01:24:34,780 --> 01:24:32,989

and taking notes and stuff like this

1968

01:24:36,459 --> 01:24:34,790

thinking that they would gain some

1969

01:24:38,770 --> 01:24:36,469

knowledge about the UFO phenomena from

1970

01:24:40,900 --> 01:24:38,780

doing this anyway though there was one

1971

01:24:43,090 --> 01:24:40,910

particular witness who had a very close

1972

01:24:45,850 --> 01:24:43,100

sighting of the object and he was taken

1973

01:24:49,150 --> 01:24:45,860

aside by one of these these agents and

1974

01:24:52,030 --> 01:24:49,160

the guy said you know we prefer it if

1975

01:24:55,300 --> 01:24:52,040

you don't talk about what you've seen

1976

01:24:59,820 --> 01:24:55,310

and as sort of adding a little bit more

1977

01:25:03,040 --> 01:24:59,830

clout to his warning he pushed aside the

1978

01:25:05,830 --> 01:25:03,050

black suit jacket that he was wearing

1979

01:25:10,120 --> 01:25:05,840

and there was a pistol in the waistband

1980

01:25:11,979 --> 01:25:10,130

of the of the you know the jacket the

1981

01:25:14,890 --> 01:25:11,989

pants he was wearing huh

1982

01:25:18,430 --> 01:25:14,900

so of course obviously for about 35

1983

01:25:20,020 --> 01:25:18,440

years or so the supervision was so

1984

01:25:21,520 --> 01:25:20,030

frightened that he just backed off and

1985

01:25:24,700 --> 01:25:21,530

refused to tell anybody about what he

1986

01:25:27,340 --> 01:25:24,710

had seen and I did see a post about this

1987

01:25:29,830 --> 01:25:27,350

filing where he started discussing the

1988

01:25:32,020 --> 01:25:29,840

fact that he was actually threatened now

1989

01:25:33,640 --> 01:25:32,030

people ask me they say well have anybody

1990

01:25:37,780 --> 01:25:33,650

actually been killed or injured you know

1991

01:25:39,430 --> 01:25:37,790

well maybe yes maybe no it's one of

1992

01:25:43,630 --> 01:25:39,440

these things the dead don't tell no

1993

01:25:45,910 --> 01:25:43,640

tales well and in my situation with my

1994

01:25:48,939 --> 01:25:45,920

car it was basically see what had

1995

01:25:52,090 --> 01:25:48,949

happened is when my show first went on

1996

01:25:53,890 --> 01:25:52,100

the air we offered 10 million dollars

1997

01:25:55,120 --> 01:25:53,900

for proof of a UFO we bought out an

1998

01:25:58,150 --> 01:25:55,130

insurance policy this is a publicity

1999

01:25:59,770 --> 01:25:58,160

stunt we did it was we spent five

2000

01:26:03,490 --> 01:25:59,780

hundred hundred on a premium down

2001

01:26:05,620 --> 01:26:03,500

payment for a 10 million dollar UFO

2002

01:26:07,780 --> 01:26:05,630

insurance policy that if someone brought

2003

01:26:09,970 --> 01:26:07,790

us a UFO on a flatbed or a flying saucer

2004

01:26:11,770 --> 01:26:09,980

on a flatbed truck or something and they

2005

01:26:13,120 --> 01:26:11,780

there was all this criteria that they

2006

01:26:14,650 --> 01:26:13,130

had to meet otherwise they wouldn't get

2007

01:26:16,030 --> 01:26:14,660

the 10 million it was he was almost it

2008

01:26:17,720 --> 01:26:16,040

was it was a publicity stunt was almost

2009

01:26:19,670 --> 01:26:17,730

impossible to do this so

2010

01:26:24,020 --> 01:26:19,680

what happens we had a thing on the day

2011

01:26:25,610 --> 01:26:24,030

that the the the swallows will come back

2012

01:26:27,620 --> 01:26:25,620

to Capistrano and the buzzards are

2013

01:26:29,270 --> 01:26:27,630

supposed to come back to Ohio we did a

2014

01:26:31,820 --> 01:26:29,280

thing where the UFOs are supposed to

2015

01:26:34,280 --> 01:26:31,830

land in Utah and if that UFO lands it

2016

01:26:36,260 --> 01:26:34,290

could mean 10 million dollars for that

2017

01:26:37,970 --> 01:26:36,270

lucky person who is bringing this UFO

2018

01:26:40,070 --> 01:26:37,980

but what happened is that what we're

2019

01:26:41,300 --> 01:26:40,080

doing this little bagel social out in

2020

01:26:43,310 --> 01:26:41,310

the middle of the parking lot like

2021

01:26:46,220 --> 01:26:43,320

actually with with another colleague of

2022

01:26:48,350 --> 01:26:46,230

mine made a UFO landing strip it was a

2023

01:26:51,560 --> 01:26:48,360

round circle with a big alien headed and

2024

01:26:53,690 --> 01:26:51,570

said UFO on it we were actually we had

2025

01:26:55,190 --> 01:26:53,700

news crews there waiting for the UFOs to

2026

01:26:57,320 --> 01:26:55,200

land of course they they just knew it

2027

01:26:59,840 --> 01:26:57,330

was an interesting story at the time we

2028

01:27:01,880 --> 01:26:59,850

were serving bagels and my colleague at

2029

01:27:03,320 --> 01:27:01,890

the time said because it was these two

2030

01:27:05,150 --> 01:27:03,330

men standing that they were wearing

2031

01:27:07,160 --> 01:27:05,160

black coats they looked strange and out

2032

01:27:08,750 --> 01:27:07,170

of the ordinary and he laughed he says

2033

01:27:10,610 --> 01:27:08,760

hey you guys over there standing by the

2034

01:27:12,680 --> 01:27:10,620

bagels you guys look like you need to

2035

01:27:14,960 --> 01:27:12,690

cheer up but I have a cup of coffee yeah

2036

01:27:17,090 --> 01:27:14,970

they just stood there stoic didn't do a

2037

01:27:18,050 --> 01:27:17,100

damn thing and he says all come on you

2038

01:27:19,729 --> 01:27:18,060

guys act like you work for the

2039

01:27:23,330 --> 01:27:19,739

government where do you work they said

2040

01:27:26,050 --> 01:27:23,340

both in unison the government and and

2041

01:27:29,990 --> 01:27:26,060

it's almost like it was rehearsed and

2042

01:27:32,570 --> 01:27:30,000

what had happened is that afterwards a

2043

01:27:34,100 --> 01:27:32,580

guy came up to me he showed me a picture

2044

01:27:35,360 --> 01:27:34,110

that looked like an alien that was out

2045

01:27:37,220 --> 01:27:35,370

in the middle of the West Desert I

2046

01:27:38,479 --> 01:27:37,230

posted on my website that was the

2047

01:27:40,820 --> 01:27:38,489

biggest mistake I could have done

2048

01:27:43,070 --> 01:27:40,830

because at the time it was something

2049

01:27:45,470 --> 01:27:43,080

that they wanted me to take down I

2050

01:27:47,000 --> 01:27:45,480

refused to take down and when I refused

2051

01:27:48,920 --> 01:27:47,010

to take it down I got in my car one

2052

01:27:51,890 --> 01:27:48,930

morning I hit the gas and there was a

2053

01:27:55,220 --> 01:27:51,900

magnesium pack on my carburetor that

2054

01:27:57,140 --> 01:27:55,230

ignited because the the gas got into the

2055

01:28:01,640 --> 01:27:57,150

spark plugs ignited the pack and blew

2056

01:28:03,410 --> 01:28:01,650

the hood off the front of my car and it

2057

01:28:05,000 --> 01:28:03,420

frightened me and it scared me and I

2058

01:28:07,550 --> 01:28:05,010

just didn't know what to do after that

2059

01:28:09,080 --> 01:28:07,560

and I and I have to admit you know I

2060

01:28:11,360 --> 01:28:09,090

also had a guy come in who was dressed

2061

01:28:13,070 --> 01:28:11,370

in black who videotaped me and then he

2062

01:28:14,450 --> 01:28:13,080

gave me he said it was for the sittings

2063

01:28:16,040 --> 01:28:14,460

with the insurance company so that what

2064

01:28:17,660 --> 01:28:16,050

the insurance company I want a videotape

2065

01:28:19,010 --> 01:28:17,670

this I says well I don't have any

2066

01:28:21,470 --> 01:28:19,020

insurance on my car and he said to me he

2067

01:28:23,810 --> 01:28:21,480

says well no this is insurance this is

2068

01:28:25,640 --> 01:28:23,820

our insurance for the the apartment

2069

01:28:27,560 --> 01:28:25,650

complex and then at the end of the

2070

01:28:29,570 --> 01:28:27,570

videotaping he handed me this tape but

2071

01:28:30,990 --> 01:28:29,580

it was just like this small I never seen

2072

01:28:34,320 --> 01:28:31,000

anything like it it was this

2073

01:28:36,360 --> 01:28:34,330

tiny little cartridge and I wish I still

2074

01:28:38,430 --> 01:28:36,370

had it because I lost it when I moved

2075

01:28:40,020 --> 01:28:38,440

from Utah to Portland tiny little

2076

01:28:42,180 --> 01:28:40,030

cartridge it he handed to I go what's

2077

01:28:43,650 --> 01:28:42,190

this he goes this is the contents of

2078

01:28:45,030 --> 01:28:43,660

what we just recorded and says I thought

2079

01:28:47,280 --> 01:28:45,040

it was for the insurance company he says

2080

01:28:49,080 --> 01:28:47,290

no it's for insurance like what kind of

2081

01:28:51,770 --> 01:28:49,090

insurance is insurance that you will

2082

01:28:56,580 --> 01:28:51,780

keep your mouth shut when you're told to

2083

01:28:58,380 --> 01:28:56,590

and I went what and then he took off and

2084

01:29:00,000 --> 01:28:58,390

why did he give you the tape another

2085

01:29:02,370 --> 01:29:00,010

isn't that because he wanted me to he

2086

01:29:03,840 --> 01:29:02,380

wanted me he was hoping that somehow I

2087

01:29:05,280 --> 01:29:03,850

would find a way I think was just like a

2088

01:29:06,840 --> 01:29:05,290

little magnetic tape I think he was

2089

01:29:08,340 --> 01:29:06,850

hoping that I would watch it over again

2090

01:29:10,290 --> 01:29:08,350

or find something you couldn't get

2091

01:29:12,270 --> 01:29:10,300

extracted watch it over and over again

2092

01:29:15,870 --> 01:29:12,280

as I relate the story of why my car blew

2093

01:29:17,370 --> 01:29:15,880

up and why I was being harassed by a man

2094

01:29:19,710 --> 01:29:17,380

because a man showed up at the station

2095

01:29:22,140 --> 01:29:19,720

wearing a black overcoat demanding I

2096

01:29:23,550 --> 01:29:22,150

take it down and at first he wanted to

2097

01:29:25,110 --> 01:29:23,560

meet with the program director and talk

2098

01:29:27,210 --> 01:29:25,120

to the program director about some

2099

01:29:30,330 --> 01:29:27,220

possible inflammatory stuff that was

2100

01:29:32,160 --> 01:29:30,340

said about one of the talk-show hosts

2101
01:29:34,260 --> 01:29:32,170
and the daughter of the mayor who they

2102
01:29:36,390 --> 01:29:34,270
thought he said that he was just a

2103
01:29:38,400 --> 01:29:36,400
strange traces didn't that talk-show

2104
01:29:40,200 --> 01:29:38,410
host that came on before you demanded

2105
01:29:42,270 --> 01:29:40,210
the raping of the mayor's daughter and I

2106
01:29:44,220 --> 01:29:42,280
go what are you talking about and in

2107
01:29:45,990 --> 01:29:44,230
this war you Clyde Lewis I said yes it's

2108
01:29:48,240 --> 01:29:46,000
oh you're the guy with the guy we want

2109
01:29:49,710 --> 01:29:48,250
to see about the West Desert alien photo

2110
01:29:51,720 --> 01:29:49,720
and I'm going where do you go from

2111
01:29:54,570 --> 01:29:51,730
raping the mayor's daughter to talking

2112
01:29:55,860 --> 01:29:54,580
about this photo of this alien alleged

2113
01:29:58,530 --> 01:29:55,870

alien that was given to me at this

2114

01:30:00,960 --> 01:29:58,540

gathering it was just the most bizarre

2115

01:30:02,610 --> 01:30:00,970

thing that ever happened in my life and

2116

01:30:05,130 --> 01:30:02,620

then when the car blew up I knew then

2117

01:30:07,800 --> 01:30:05,140

and there that I had been been at least

2118

01:30:10,080 --> 01:30:07,810

marked by the mi B's or whomever some

2119

01:30:11,810 --> 01:30:10,090

agency telling me to shut my mouth about

2120

01:30:13,860 --> 01:30:11,820

this and come to find out a number of

2121

01:30:16,440 --> 01:30:13,870

servicemen who came from Camp Williams

2122

01:30:18,420 --> 01:30:16,450

in their civilian clothes told me that

2123

01:30:20,130 --> 01:30:18,430

what I had what the guy had snapped was

2124

01:30:21,690 --> 01:30:20,140

not an alien he said that it was a

2125

01:30:23,550 --> 01:30:21,700

camouflage they were experimenting with

2126
01:30:24,840 --> 01:30:23,560
for the nuke for the Gulf War they were

2127
01:30:26,670 --> 01:30:24,850
to go back in the Gulf and fight the war

2128
01:30:29,220 --> 01:30:26,680
again it was some camouflage it would

2129
01:30:30,840 --> 01:30:29,230
render a guy invisible and I kind of

2130
01:30:32,520 --> 01:30:30,850
bought the story but I also thought it

2131
01:30:34,200 --> 01:30:32,530
was bizarre they that there had to be

2132
01:30:35,610 --> 01:30:34,210
some men in black showing up at my

2133
01:30:38,580 --> 01:30:35,620
doorstep threatening me like this

2134
01:30:41,340 --> 01:30:38,590
telling me not to post the pictures well

2135
01:30:44,979 --> 01:30:41,350
you know I've had a couple of incidents

2136
01:30:47,589 --> 01:30:44,989
where I was threatened by

2137
01:30:49,959 --> 01:30:47,599
these ghouls or whatever they are now I

2138
01:30:52,120 --> 01:30:49,969

don't think of them necessarily is in

2139

01:30:54,339 --> 01:30:52,130

terms of you know MIB is wearing a dark

2140

01:30:58,020 --> 01:30:54,349

clothes right you know but these these

2141

01:31:00,220 --> 01:30:58,030

are our people or whoever that have been

2142

01:31:01,540 --> 01:31:00,230

possessed is the best way I guess that

2143

01:31:03,580 --> 01:31:01,550

that's the way I see it because they

2144

01:31:06,009 --> 01:31:03,590

they act too bizarre intimidate we're

2145

01:31:07,629 --> 01:31:06,019

gonna take a break we got a break one

2146

01:31:08,649 --> 01:31:07,639

moment we got a break we'll be back I

2147

01:31:10,000 --> 01:31:08,659

know there's a lot of things to talk

2148

01:31:12,959 --> 01:31:10,010

about and get to on the show we got to

2149

01:31:16,089 --> 01:31:12,969

take a break we'll be back with more

2150

01:31:19,120 --> 01:31:16,099

from Timothy green tonight on ground

2151
01:31:23,830 --> 01:31:19,130
zero and we're very grateful that they

2152
01:31:26,709 --> 01:31:23,840
both both he and our other guests

2153
01:31:28,000 --> 01:31:26,719
tonight cloudy cutting have come on the

2154
01:31:36,479 --> 01:31:28,010
program we'll be back with more keep it

2155
01:31:46,470 --> 01:31:43,690
FM news 101 kxl got an opinion call kxl

2156
01:31:49,390 --> 01:31:46,480
now five oh three four one seven nine

2157
01:31:58,330 --> 01:31:49,400
kxl or eight seven seven seven three

2158
01:32:01,720 --> 01:31:58,340
three 101 one this is not a test it is

2159
01:32:03,640 --> 01:32:01,730
the future ground zero with Clyde Lewis

2160
01:32:05,620 --> 01:32:03,650
I know we have a short segment before we

2161
01:32:07,270 --> 01:32:05,630
go to the news but I wanted Timothy to

2162
01:32:08,740 --> 01:32:07,280
continue his story that you were saying

2163
01:32:10,810 --> 01:32:08,750

you're saying something about how you

2164

01:32:12,400 --> 01:32:10,820

feel that these men and black for you to

2165

01:32:14,350 --> 01:32:12,410

possess or they're dead or what happened

2166

01:32:17,370 --> 01:32:14,360

what have you you know there is a there

2167

01:32:21,880 --> 01:32:17,380

is something called Rephaim which is a

2168

01:32:23,440 --> 01:32:21,890

cult term meaning they're not living or

2169

01:32:26,410 --> 01:32:23,450

they're not dead they're just kind of

2170

01:32:28,000 --> 01:32:26,420

there and and they're easily programmed

2171

01:32:30,400 --> 01:32:28,010

that that seems to be what you're

2172

01:32:33,670 --> 01:32:30,410

referring to well there was this one

2173

01:32:35,950 --> 01:32:33,680

fellow who actually now would call I I

2174

01:32:39,610 --> 01:32:35,960

have a number that I never give out it's

2175

01:32:44,470 --> 01:32:39,620

not listed I don't tell anybody where I

2176

01:32:46,330 --> 01:32:44,480

am because I have had death threats it's

2177

01:32:48,070 --> 01:32:46,340

the best way I could describe it now

2178

01:32:50,940 --> 01:32:48,080

these were not from these these men and

2179

01:32:53,470 --> 01:32:50,950

all the guys at the Dan Akroyd so or

2180

01:32:55,900 --> 01:32:53,480

these seem to be ones that are really

2181

01:32:57,310 --> 01:32:55,910

even God beyond the the tale now we

2182

01:32:59,140 --> 01:32:57,320

could say well maybe these these are

2183

01:33:00,490 --> 01:32:59,150

just kind of like Lucifer canons of

2184

01:33:03,100 --> 01:33:00,500

society out there but I don't know

2185

01:33:06,040 --> 01:33:03,110

there's this one fellow and I have his

2186

01:33:08,080 --> 01:33:06,050

name I know who he is he would call at

2187

01:33:10,870 --> 01:33:08,090

all hours of the day and night and and

2188

01:33:12,670 --> 01:33:10,880

threaten me to assassinate me and not

2189

01:33:16,090 --> 01:33:12,680

only that but the mayor of New York and

2190

01:33:18,340 --> 01:33:16,100

some gal who had a music show on the

2191

01:33:20,020 --> 01:33:18,350

classic rock station which just isn't

2192

01:33:22,570 --> 01:33:20,030

quite fitted I don't know she had an

2193

01:33:25,270 --> 01:33:22,580

interest in UFOs or not and this guy

2194

01:33:27,040 --> 01:33:25,280

would would call me and it was like he

2195

01:33:28,570 --> 01:33:27,050

knew what it was like he knew what I was

2196

01:33:31,150 --> 01:33:28,580

doing I mean it was more to it than just

2197

01:33:32,440 --> 01:33:31,160

the the idle threats you know so finally

2198

01:33:33,850 --> 01:33:32,450

I got to the point where I said well I

2199

01:33:36,460 --> 01:33:33,860

got to take some action here because

2200

01:33:38,140 --> 01:33:36,470

this guy's going to maybe you know come

2201
01:33:40,990 --> 01:33:38,150
after me I'm mad you know I'm gonna be

2202
01:33:43,030 --> 01:33:41,000
walking to a dark alley or something

2203
01:33:44,410 --> 01:33:43,040
that the night cuz I'm a night type you

2204
01:33:46,570 --> 01:33:44,420
know person and

2205
01:33:49,780 --> 01:33:46,580
and I out all hours of the day and night

2206
01:33:51,729 --> 01:33:49,790
sometimes kind of spooky even in New

2207
01:33:53,080 --> 01:33:51,739
York you know kind of coming home at

2208
01:33:56,020 --> 01:33:53,090
five o'clock in the morning and it's

2209
01:33:57,609 --> 01:33:56,030
still dark out so you know I'm watching

2210
01:34:00,160 --> 01:33:57,619
my back as they say sometimes I even

2211
01:34:01,570 --> 01:34:00,170
walked towards the off the sidewalk in

2212
01:34:03,990 --> 01:34:01,580
the street there so I don't have to pass

2213
01:34:07,359 --> 01:34:04,000

you know other people I take cautionary

2214

01:34:10,540 --> 01:34:07,369

measures and you know measures of about

2215

01:34:12,850 --> 01:34:10,550

this I'm a got a got a got to keep

2216

01:34:14,530 --> 01:34:12,860

myself safe well you should because you

2217

01:34:17,740 --> 01:34:14,540

know like I got a I got a save the

2218

01:34:19,419 --> 01:34:17,750

universe that means well yeah they think

2219

01:34:21,160 --> 01:34:19,429

they're doing it do by eliminating you

2220

01:34:23,109 --> 01:34:21,170

that's the whole problem yeah yeah well

2221

01:34:24,640 --> 01:34:23,119

that yeah that's true so anyway he kept

2222

01:34:27,790 --> 01:34:24,650

calling and I got to the point where I

2223

01:34:29,709 --> 01:34:27,800

said well I called the telephone company

2224

01:34:32,109 --> 01:34:29,719

said can you trace the calls and they

2225

01:34:33,820 --> 01:34:32,119

traced it to Grand Central Station

2226

01:34:35,890 --> 01:34:33,830

apparently I don't we saw homeless

2227

01:34:37,930 --> 01:34:35,900

promise person or something you know and

2228

01:34:39,729 --> 01:34:37,940

he's he's stalking they're there and

2229

01:34:42,399 --> 01:34:39,739

they call and not just me but other

2230

01:34:45,609 --> 01:34:42,409

other people as as well

2231

01:34:47,260 --> 01:34:45,619

finally he must have gotten really over

2232

01:34:49,859 --> 01:34:47,270

the edge one night and he leaves a phone

2233

01:34:53,859 --> 01:34:49,869

number and I called the phone number and

2234

01:34:55,899 --> 01:34:53,869

it's his parents elderly parents retired

2235

01:34:58,149 --> 01:34:55,909

down in Florida Wow

2236

01:35:00,040 --> 01:34:58,159

and I said I and I said you know I don't

2237

01:35:02,530 --> 01:35:00,050

know what is wrong with your son he

2238

01:35:04,359 --> 01:35:02,540

obviously needs some sort of it got some

2239

01:35:06,370 --> 01:35:04,369

mental health issues and he needs some

2240

01:35:09,760 --> 01:35:06,380

you know care is there anything you

2241

01:35:13,060 --> 01:35:09,770

could do before he harms a you know some
