

CALL IN # [786] 245-8127

Listen Live: www.psn-radio.com

THE HOST'S

**TIMOTHY BECKLEY
CARLA ANDERSON
ANGEL ESPINO**

1
00:00:37,610 --> 00:00:35,930
for the connecting links between the

2
00:00:39,799 --> 00:00:37,620
pernicious feeds of the group of secret

3
00:00:41,630 --> 00:00:39,809
society outlaws who are creating a

4
00:00:43,910 --> 00:00:41,640
tightly controlled rural society with

5
00:00:46,340 --> 00:00:43,920
them as bosses and yet I as slaves to

6
00:00:48,950 --> 00:00:46,350
their system popularly known as the New

7
00:00:50,869 --> 00:00:48,960
World Order research indicates that most

8
00:00:53,600 --> 00:00:50,879
of the unexplained crap we're seeing our

9
00:00:55,490 --> 00:00:53,610
skies from somewhere on or inside our

10
00:00:57,320 --> 00:00:55,500
planet despite the research of the

11
00:00:59,509 --> 00:00:57,330
Harwood and subterranean theories in the

12
00:01:02,150 --> 00:00:59,519
nineteen eighties nineties which in turn

13
00:01:03,860 --> 00:01:02,160

led to the realization that the answers

14

00:01:05,210 --> 00:01:03,870

we seek are the control of the number of

15

00:01:07,550 --> 00:01:05,220

other latest groups and secret societies

16

00:01:09,830 --> 00:01:07,560

that we call collectively the

17

00:01:11,630 --> 00:01:09,840

controllers need a quick look at recent

18

00:01:13,550 --> 00:01:11,640

world events should convince anyone that

19

00:01:14,590 --> 00:01:13,560

the controller's plan is working very

20

00:01:16,840 --> 00:01:14,600

well

21

00:01:18,910 --> 00:01:16,850

is this vector explore and miss radio

22

00:01:30,570 --> 00:01:18,920

show join us as we work towards

23

00:01:39,010 --> 00:01:35,560

good evening is Saturday night and this

24

00:01:41,590 --> 00:01:39,020

is timothy green beckley on the New York

25

00:01:45,789 --> 00:01:41,600

City side of the Hudson River and we

26

00:01:48,460 --> 00:01:45,799

have on in jersey city Carla Anderson

27

00:01:51,930 --> 00:01:48,470

the cutting edge the paranormal and

28

00:01:54,490 --> 00:01:51,940

tonight our subject is 50 shades of grey

29

00:01:55,960 --> 00:01:54,500

alien and we've got quite a show for you

30

00:01:58,570 --> 00:01:55,970

we're a little late in getting started

31

00:02:00,700 --> 00:01:58,580

and we're going to be introducing it

32

00:02:02,889 --> 00:02:00,710

just in a few minutes our first guest

33

00:02:05,200 --> 00:02:02,899

Carla how are you I'm doing good you

34

00:02:07,810 --> 00:02:05,210

know the snow outside it's cold here but

35

00:02:10,389 --> 00:02:07,820

i will get i was out earlier tonight

36

00:02:12,759 --> 00:02:10,399

went to a movie and made it just in back

37

00:02:14,470 --> 00:02:12,769

just in time before the snow started

38

00:02:16,900 --> 00:02:14,480

coming down now this is kind of

39

00:02:18,460 --> 00:02:16,910

interesting because here in Manhattan we

40

00:02:20,890 --> 00:02:18,470

really haven't had that much snow this

41

00:02:23,440 --> 00:02:20,900

season we've had a lot of cold and I

42

00:02:25,660 --> 00:02:23,450

mean really bitter cold down to 0 1

43

00:02:28,000 --> 00:02:25,670

degree we set a couple of Records but

44

00:02:31,600 --> 00:02:28,010

today they said there would be some snow

45

00:02:33,309 --> 00:02:31,610

showers some flurries maybe an inch well

46

00:02:35,979 --> 00:02:33,319

when I came in it looked like a blizzard

47

00:02:37,810 --> 00:02:35,989

without the outside it is a lizard right

48

00:02:41,350 --> 00:02:37,820

we're right in the middle of a blizzard

49

00:02:43,840 --> 00:02:41,360

and poor angel down in Miami you've

50

00:02:46,900 --> 00:02:43,850

never seen snow is that correct never

51
00:02:49,289 --> 00:02:46,910
seen snow north on come on come on up

52
00:02:53,800 --> 00:02:49,299
here bring up your snowshoes here and

53
00:02:55,810 --> 00:02:53,810
join in joining the activities yes and

54
00:02:59,050 --> 00:02:55,820
it's been that it's been quite a week

55
00:03:02,170 --> 00:02:59,060
we've been busy of course there's been a

56
00:03:04,780 --> 00:03:02,180
lot of UFO activity in fact them I was

57
00:03:07,569 --> 00:03:04,790
just going over some reviewing some

58
00:03:09,910 --> 00:03:07,579
videotape that was taken in near

59
00:03:13,060 --> 00:03:09,920
Portland Oregon and it shows some

60
00:03:15,729 --> 00:03:13,070
strange objects unexplainable Clyde

61
00:03:17,170 --> 00:03:15,739
Lewis on Ground Zero has been

62
00:03:18,610 --> 00:03:17,180
investigating it if anybody's been

63
00:03:22,180 --> 00:03:18,620

listening to the show I was on the other

64

00:03:25,539 --> 00:03:22,190

night and people were calling in to the

65

00:03:27,729 --> 00:03:25,549

the station and the Peter Davenport was

66

00:03:30,250 --> 00:03:27,739

on and going over all the reviews of the

67

00:03:32,680 --> 00:03:30,260

different objects in the sky that were

68

00:03:36,370 --> 00:03:32,690

being seen so it does look like we're in

69

00:03:40,570 --> 00:03:36,380

the middle of a small UFO and mini wave

70

00:03:43,839 --> 00:03:40,580

and perhaps it will be continuing I hope

71

00:03:44,200 --> 00:03:43,849

there's some activity moving east we

72

00:03:46,780 --> 00:03:44,210

haven't

73

00:03:49,630 --> 00:03:46,790

too many sightings that solid the

74

00:03:51,130 --> 00:03:49,640

sightings here but hopefully in the very

75

00:03:53,800 --> 00:03:51,140

near future we're going to have some

76

00:03:55,900 --> 00:03:53,810

reports and if there is activity in the

77

00:03:58,600 --> 00:03:55,910

sky remember you can call us and tell us

78

00:04:04,240 --> 00:03:58,610

about your experiences what is that the

79

00:04:06,610 --> 00:04:04,250

phone number angel 7862 458 127 and so

80

00:04:08,050 --> 00:04:06,620

later on if you're hoping this gonna be

81

00:04:10,510 --> 00:04:08,060

sightings here in the East I know I'm

82

00:04:13,690 --> 00:04:10,520

not why not afraid of you afraid of

83

00:04:15,520 --> 00:04:13,700

being abducted yes I am I am I am what's

84

00:04:16,810 --> 00:04:15,530

so scary about being abducted I'm just

85

00:04:18,460 --> 00:04:16,820

saying I'm standing a little too close

86

00:04:20,710 --> 00:04:18,470

to everybody who was I'm just saying

87

00:04:22,960 --> 00:04:20,720

just a little bit too close I actually

88

00:04:24,880 --> 00:04:22,970

well I welcome the experience myself I

89

00:04:28,030 --> 00:04:24,890

kind of hope yeah I hope one day i get

90

00:04:29,860 --> 00:04:28,040

that knock in the window yeah and it's a

91

00:04:32,860 --> 00:04:29,870

little great guy saying hey come outside

92

00:04:34,180 --> 00:04:32,870

and play but see you should think you're

93

00:04:35,740 --> 00:04:34,190

something that Carla you know like some

94

00:04:37,210 --> 00:04:35,750

people would get they get like that beam

95

00:04:38,740 --> 00:04:37,220

that hits them and then again I sucked

96

00:04:40,870 --> 00:04:38,750

through the walls and it's like all

97

00:04:42,790 --> 00:04:40,880

scary and stuff and yeah yeah they don't

98

00:04:44,500 --> 00:04:42,800

need to do that just knock on my window

99

00:04:46,240 --> 00:04:44,510

I'll open the door I'll even go outside

100

00:04:47,770 --> 00:04:46,250

he told me a rope ladder you got to beam

101
00:04:50,170 --> 00:04:47,780
me up Robbie a rope ladder I'll climb up

102
00:04:51,670 --> 00:04:50,180
to the ship I'm there I'm trying to wrap

103
00:04:53,740 --> 00:04:51,680
my mind around the whole thing but it's

104
00:04:55,870 --> 00:04:53,750
just the whole thing freaks me out so

105
00:04:56,800 --> 00:04:55,880
hey take a ride around the cosmos what's

106
00:04:58,600 --> 00:04:56,810
the worst that could happen where they

107
00:05:01,300 --> 00:04:58,610
kill ya well I don't know that's right

108
00:05:02,410 --> 00:05:01,310
he would you plan to live forever no no

109
00:05:04,300 --> 00:05:02,420
I just don't want to be used you know

110
00:05:05,740 --> 00:05:04,310
body parts that you know you hear

111
00:05:07,090 --> 00:05:05,750
different things you know you just yet

112
00:05:10,720 --> 00:05:07,100
if you're dead who cares will be easy

113
00:05:12,760 --> 00:05:10,730

for but I'm not dead yet boys love dead

114

00:05:14,770 --> 00:05:12,770

weights off dead than rock on you know

115

00:05:16,570 --> 00:05:14,780

what I mean no I as long as I get a cool

116

00:05:19,120 --> 00:05:16,580

experience out of it I don't care yeah

117

00:05:21,310 --> 00:05:19,130

well you know you could automate be seen

118

00:05:23,710 --> 00:05:21,320

angel do you think though here here we

119

00:05:26,710 --> 00:05:23,720

are good having this discussion and

120

00:05:28,480 --> 00:05:26,720

we're on every Saturday night at the

121

00:05:30,820 --> 00:05:28,490

same time at eleven o'clock eastern

122

00:05:33,400 --> 00:05:30,830

eight o'clock pacific talking mainly

123

00:05:35,560 --> 00:05:33,410

about UFOs although we do get into other

124

00:05:37,120 --> 00:05:35,570

aspects of the paranormal do you think

125

00:05:39,640 --> 00:05:37,130

if we went on the air and told our

126

00:05:42,880 --> 00:05:39,650

listeners that we were abducted or had

127

00:05:44,500 --> 00:05:42,890

an experience that they'd believe us um

128

00:05:46,360 --> 00:05:44,510

that's a good question i don't know

129

00:05:48,400 --> 00:05:46,370

that's a good question me some would

130

00:05:51,160 --> 00:05:48,410

probably yes i'm probably would believe

131

00:05:53,170 --> 00:05:51,170

you some might not wanna with our

132

00:05:55,450 --> 00:05:53,180

audience triple or would we lose our

133

00:05:58,070 --> 00:05:55,460

audience you'll probably triple your

134

00:05:59,899 --> 00:05:58,080

audience because there is a much bigger

135

00:06:01,730 --> 00:05:59,909

fan base for the believers than the

136

00:06:04,820 --> 00:06:01,740

non-believers well now you're right

137

00:06:05,839 --> 00:06:04,830

about that i would guess and it is a few

138

00:06:08,990 --> 00:06:05,849

minutes we're going to have our first

139

00:06:11,540 --> 00:06:09,000

guest the up and i'm anxious to find out

140

00:06:13,429 --> 00:06:11,550

about her because i don't really well I

141

00:06:15,679 --> 00:06:13,439

I know that she's into the abduction

142

00:06:18,200 --> 00:06:15,689

phenomena she's had some experiences

143

00:06:21,170 --> 00:06:18,210

herself she says that she has markings

144

00:06:22,580 --> 00:06:21,180

on on her body from I guess we're

145

00:06:25,010 --> 00:06:22,590

they've done either experiments on ur

146

00:06:26,600 --> 00:06:25,020

done some kind of testing or well we'll

147

00:06:31,459 --> 00:06:26,610

find out exactly why the markings are

148

00:06:33,619 --> 00:06:31,469

there and now violet hybrid now this is

149

00:06:35,869 --> 00:06:33,629

the name that we're using because for

150

00:06:38,990 --> 00:06:35,879

security and for privacy readings she

151
00:06:41,119 --> 00:06:39,000
doesn't want her real you know name to

152
00:06:43,790 --> 00:06:41,129
go public at least at the moment but

153
00:06:46,459 --> 00:06:43,800
they seem to be watching her or

154
00:06:49,339 --> 00:06:46,469
following her or doing something rather

155
00:06:52,839 --> 00:06:49,349
strange because not only does she have

156
00:06:56,240 --> 00:06:52,849
these markings on her body but she also

157
00:06:58,189 --> 00:06:56,250
has taken photographs outside of her

158
00:06:59,540 --> 00:06:58,199
home and I think she said what we're

159
00:07:03,019 --> 00:06:59,550
going to find out more but I believe

160
00:07:05,570 --> 00:07:03,029
she's down taking photographs outside of

161
00:07:07,550 --> 00:07:05,580
a homophobic ship sir yeah yeah well

162
00:07:10,490 --> 00:07:07,560
I'll strange out unexplainable objects

163
00:07:11,869 --> 00:07:10,500

from the sky you know ships well that's

164

00:07:14,839 --> 00:07:11,879

kind of hard to say you know when does

165

00:07:17,600 --> 00:07:14,849

the UFO become a ship when you know we

166

00:07:19,760 --> 00:07:17,610

need to see a an alien waving to you

167

00:07:21,769 --> 00:07:19,770

from a port window or something like

168

00:07:23,269 --> 00:07:21,779

that you know now these are lights in

169

00:07:26,480 --> 00:07:23,279

the sky but we'll have to find out

170

00:07:28,399 --> 00:07:26,490

exactly Center well she'll tell us I

171

00:07:31,670 --> 00:07:28,409

think she's some new years from Florida

172

00:07:34,100 --> 00:07:31,680

but I learned it she's certainly not in

173

00:07:35,689 --> 00:07:34,110

she's certainly not in New York because

174

00:07:39,740 --> 00:07:35,699

nobody would go out on a night like this

175

00:07:42,019 --> 00:07:39,750

to do any any sky watching although I

176

00:07:44,240 --> 00:07:42,029

worry about it oh man I brought it well

177

00:07:49,519 --> 00:07:44,250

i just noticed the temperature has gone

178

00:07:51,709 --> 00:07:49,529

up to the freezing mark so yeah so it

179

00:07:55,279 --> 00:07:51,719

was why it was below freezing before all

180

00:07:59,450 --> 00:07:55,289

well last night it set a record it was

181

00:08:00,800 --> 00:07:59,460

like one degree nice all i'm in this

182

00:08:05,240 --> 00:08:00,810

call to say eighteen hundreds or

183

00:08:06,980 --> 00:08:05,250

something yeah helen and where i'd say

184

00:08:09,529 --> 00:08:06,990

i'm waiting you know the one thing i

185

00:08:11,900 --> 00:08:09,539

know spring campus who are behind was

186

00:08:14,870 --> 00:08:11,910

the manager of the Yankees was on

187

00:08:18,050 --> 00:08:14,880

TV talking about the the lineup for

188

00:08:21,460 --> 00:08:18,060

spring training so I am keeping my

189

00:08:24,860 --> 00:08:21,470

fingers crossed that we won't you know

190

00:08:27,530 --> 00:08:24,870

be going through too much of this and

191

00:08:29,810 --> 00:08:27,540

the Yankees are not was here before for

192

00:08:31,130 --> 00:08:29,820

coming well I felt like I felt like they

193

00:08:32,540 --> 00:08:31,140

were going into spring I started

194

00:08:34,370 --> 00:08:32,550

painting my apartment I was feeling very

195

00:08:35,779 --> 00:08:34,380

spring-like even though it was cold and

196

00:08:37,940 --> 00:08:35,789

then it snowed like this today and it

197

00:08:40,719 --> 00:08:37,950

just really brought me down by the way

198

00:08:44,570 --> 00:08:40,729

um it's 71 degrees here in Florida yeah

199

00:08:46,370 --> 00:08:44,580

God well nice and sunny will be down

200

00:08:48,370 --> 00:08:46,380

you're together to the next we'll be

201
00:08:50,270 --> 00:08:48,380
down to the next show that's for sure

202
00:08:53,930 --> 00:08:50,280
precipitation is ninety-three percent

203
00:08:55,970 --> 00:08:53,940
humidity 78 percent that's fine way my

204
00:08:57,560 --> 00:08:55,980
60 miles per hour my time in the

205
00:08:59,630 --> 00:08:57,570
summertime is next to impossible to

206
00:09:01,790 --> 00:08:59,640
breathe down there but their events much

207
00:09:04,010 --> 00:09:01,800
that's not true some of that warrant now

208
00:09:05,600 --> 00:09:04,020
I love Florida to Islam down with

209
00:09:07,040 --> 00:09:05,610
Florida all year long everyone complains

210
00:09:08,930 --> 00:09:07,050
I don't I'm not I'm not even worried

211
00:09:10,460 --> 00:09:08,940
about it out of this alive had options

212
00:09:13,300 --> 00:09:10,470
to move out of florida for work-related

213
00:09:17,150 --> 00:09:13,310

the rapini a ton of money I said no

214

00:09:20,420 --> 00:09:17,160

there's a reason why I love Florida I'm

215

00:09:22,550 --> 00:09:20,430

like everywhere I was any tidings option

216

00:09:24,800 --> 00:09:22,560

angel has there been any reported you

217

00:09:27,290 --> 00:09:24,810

know what recently of UFOs down there

218

00:09:33,260 --> 00:09:27,300

not really not in a while not nothing

219

00:09:35,630 --> 00:09:33,270

major to be honest I saw the girls

220

00:09:38,330 --> 00:09:35,640

facebook i saw violets facebook i saw

221

00:09:41,060 --> 00:09:38,340

the markings and the picture of the

222

00:09:43,520 --> 00:09:41,070

craft that she took well why don't we

223

00:09:45,320 --> 00:09:43,530

get prepared to maybe have a rod well

224

00:09:48,200 --> 00:09:45,330

that's a great idea i'm actually i tried

225

00:09:49,970 --> 00:09:48,210

skyping her and such a request and so

226

00:09:51,980 --> 00:09:49,980

far i haven't heard back from her so I'm

227

00:09:54,290 --> 00:09:51,990

still about waiting for that oh wait

228

00:09:56,690 --> 00:09:54,300

nevermind she just accepted oh yeah oh

229

00:09:59,270 --> 00:09:56,700

there you go say it's all coming

230

00:10:04,790 --> 00:09:59,280

together see it's all synchronicity and

231

00:10:07,820 --> 00:10:04,800

then and we're back with our guest this

232

00:10:10,100 --> 00:10:07,830

evening we have violet hybrid again

233

00:10:13,160 --> 00:10:10,110

she's using this name for security and

234

00:10:14,720 --> 00:10:13,170

privacy reasons because she's had these

235

00:10:16,970 --> 00:10:14,730

experiences and we're going to find out

236

00:10:19,280 --> 00:10:16,980

if what nature they are if they're

237

00:10:21,020 --> 00:10:19,290

frightening and and what revelation

238

00:10:22,250 --> 00:10:21,030

she's had violent one she started the

239

00:10:25,380 --> 00:10:22,260

beginning tell us a little bit about

240

00:10:28,050 --> 00:10:25,390

your background and how you

241

00:10:29,460 --> 00:10:28,060

you got involved in UFOs and so is it a

242

00:10:31,790 --> 00:10:29,470

natural thing have you been interested

243

00:10:35,310 --> 00:10:31,800

in a long time or did it just suddenly

244

00:10:37,800 --> 00:10:35,320

come upon you um well I've only put an

245

00:10:40,440 --> 00:10:37,810

interest I definitely always knew that

246

00:10:43,800 --> 00:10:40,450

something else was out there but I

247

00:10:47,940 --> 00:10:43,810

really didn't get into the abduction

248

00:10:50,940 --> 00:10:47,950

topic and so almost about a year ago as

249

00:10:54,780 --> 00:10:50,950

your background pilot I used to be in

250

00:10:57,540 --> 00:10:54,790

the medical field now I do alternative

251

00:11:01,560 --> 00:10:57,550

skin treatments for clients and is this

252

00:11:04,590 --> 00:11:01,570

is this as in the past year no no I've

253

00:11:09,360 --> 00:11:04,600

been doing that for like a dermatologist

254

00:11:11,790 --> 00:11:09,370

skin together um well I could i do

255

00:11:16,110 --> 00:11:11,800

because i have a medical background but

256

00:11:21,090 --> 00:11:16,120

it's more vegan and natural stuff and I

257

00:11:23,940 --> 00:11:21,100

don't want to have you know chemicals ok

258

00:11:26,280 --> 00:11:23,950

ok I've even a call yes I follow you I

259

00:11:28,890 --> 00:11:26,290

follow you so so you said the past year

260

00:11:35,610 --> 00:11:28,900

you got interested in the abduction part

261

00:11:39,930 --> 00:11:35,620

um yes initially i was watching the TV

262

00:11:41,760 --> 00:11:39,940

show that mentioned the MUFON are ya the

263

00:11:45,300 --> 00:11:41,770

new font organization and i actually had

264

00:11:48,780 --> 00:11:45,310

no idea what it was and i looked it up

265

00:11:53,490 --> 00:11:48,790

and saw that they had a silver Vesta

266

00:11:56,070 --> 00:11:53,500

Gator you know something you could do

267

00:12:00,780 --> 00:11:56,080

and I found that quite interesting and I

268

00:12:04,500 --> 00:12:00,790

met one here locally and we sat down and

269

00:12:06,900 --> 00:12:04,510

I told her about some stuff so just so

270

00:12:08,190 --> 00:12:06,910

you'd need you had an experience prior

271

00:12:09,990 --> 00:12:08,200

to this and then you look them up

272

00:12:12,360 --> 00:12:10,000

because you felt like you had experience

273

00:12:14,310 --> 00:12:12,370

well tell us about no I mean again if I

274

00:12:17,550 --> 00:12:14,320

was it's always just been an interest so

275

00:12:19,020 --> 00:12:17,560

I just happen to catch the show and I

276

00:12:20,550 --> 00:12:19,030

thought it was great and they kept

277

00:12:23,070 --> 00:12:20,560

mentioning move on and so I looked them

278

00:12:27,180 --> 00:12:23,080

up so you were always interested in UFOs

279

00:12:31,560 --> 00:12:27,190

and aliens all right ah yes just because

280

00:12:37,540 --> 00:12:31,570

I've had sightings quite consistently

281

00:12:45,490 --> 00:12:43,990

okay and yeah came upon the show and

282

00:12:48,100 --> 00:12:45,500

just found it quite interesting and then

283

00:12:50,410 --> 00:12:48,110

I talked to the investigator and we sat

284

00:12:52,780 --> 00:12:50,420

down and had to do is a very long

285

00:12:56,019 --> 00:12:52,790

conversation then when I finally

286

00:12:57,840 --> 00:12:56,029

realized what was going on with me so

287

00:13:01,530 --> 00:12:57,850

you had never heard of move on really i

288

00:13:05,470 --> 00:13:01,540

didn't know I've never heard of it um

289

00:13:10,150 --> 00:13:05,480

you know just did you do art bell in the

290

00:13:12,970 --> 00:13:10,160

90s at all um I was aware of art doll

291

00:13:16,480 --> 00:13:12,980

yes but I never tuned in but I

292

00:13:18,460 --> 00:13:16,490

definitely usually was so offended knows

293

00:13:23,500 --> 00:13:18,470

a support group then when you be that

294

00:13:24,639 --> 00:13:23,510

you decided to contact them yes I just I

295

00:13:28,360 --> 00:13:24,649

was very interested in being an

296

00:13:29,980 --> 00:13:28,370

investigator okay okay well that's what

297

00:13:33,190 --> 00:13:29,990

that was my initial contact with

298

00:13:34,480 --> 00:13:33,200

somebody from from MUFON setting up with

299

00:13:36,850 --> 00:13:34,490

every two days actually go out and

300

00:13:40,590 --> 00:13:36,860

investigate a any any sightings that

301
00:13:45,760 --> 00:13:40,600
other people had reported actually know

302
00:13:49,300 --> 00:13:45,770
when we sat down and talked and all

303
00:13:52,060 --> 00:13:49,310
these revelations came out and she was

304
00:13:55,329 --> 00:13:52,070
the expert so she you know gave me some

305
00:14:01,470 --> 00:13:55,339
opinions and advice of what she thought

306
00:14:06,220 --> 00:14:04,000
well I just decided maybe I don't want

307
00:14:11,079 --> 00:14:06,230
to be investigator because I need to

308
00:14:16,660 --> 00:14:11,089
investigate myself never had a hypnosis

309
00:14:19,079 --> 00:14:16,670
regression therapy um I have thought

310
00:14:22,300 --> 00:14:19,089
about that and I've been a little bit

311
00:14:25,840 --> 00:14:22,310
you know I've talked about that idea

312
00:14:27,490 --> 00:14:25,850
quite a bit and you might have been

313
00:14:31,569 --> 00:14:27,500

locking out some major information have

314

00:14:34,620 --> 00:14:31,579

you been affected before you know when

315

00:14:40,300 --> 00:14:34,630

you learn about something like this and

316

00:14:43,449 --> 00:14:40,310

you know I really step back and thought

317

00:14:47,439 --> 00:14:43,459

about the things in my life even prior

318

00:14:49,210 --> 00:14:47,449

to nineteen ninety-three and I really

319

00:14:51,340 --> 00:14:49,220

believe that this has been going on for

320

00:14:54,190 --> 00:14:51,350

a very long time so can I just

321

00:14:56,530 --> 00:14:54,200

truck for a second so so you so you had

322

00:14:57,460 --> 00:14:56,540

two days of conversation thinking that

323

00:14:59,650 --> 00:14:57,470

you were going there to be an

324

00:15:01,510 --> 00:14:59,660

investigator you SAT there with an

325

00:15:03,370 --> 00:15:01,520

investigator for two days and talking

326

00:15:05,860 --> 00:15:03,380

and then you started to realize that

327

00:15:07,600 --> 00:15:05,870

that that what really brought you there

328

00:15:11,170 --> 00:15:07,610

was that you felt like you had some kind

329

00:15:13,720 --> 00:15:11,180

of experience that's what you get that's

330

00:15:16,240 --> 00:15:13,730

what you came down to is that you have

331

00:15:18,370 --> 00:15:16,250

you only want hear ya know what i don't

332

00:15:20,500 --> 00:15:18,380

realize what it is what did you realize

333

00:15:23,620 --> 00:15:20,510

that the two days you're talking what

334

00:15:26,740 --> 00:15:23,630

would a fool you ah well I told her

335

00:15:32,080 --> 00:15:26,750

specifically about a very realistic

336

00:15:34,750 --> 00:15:32,090

dream that I had um that I felt like it

337

00:15:40,180 --> 00:15:34,760

was so real it was really happening what

338

00:15:43,930 --> 00:15:40,190

was it tell us when yeah I woke up

339

00:15:48,550 --> 00:15:43,940

outside of my house in the name is a

340

00:15:53,560 --> 00:15:48,560

dream or every dream what yes in what

341

00:15:58,330 --> 00:15:53,570

they quote to the dream okay yes getting

342

00:16:00,190 --> 00:15:58,340

um on the patio of my backyard and my

343

00:16:07,200 --> 00:16:00,200

whole body I could not move except for

344

00:16:09,640 --> 00:16:07,210

my eyes and I knew it yeah you could see

345

00:16:12,010 --> 00:16:09,650

decide with even when you look straight

346

00:16:17,110 --> 00:16:12,020

you could see yeah I've heard of sleep

347

00:16:20,200 --> 00:16:17,120

paralysis it was like that um yes I

348

00:16:22,140 --> 00:16:20,210

believe so guy was yeah my body I

349

00:16:27,130 --> 00:16:22,150

couldn't lose nothing except for my eyes

350

00:16:28,960 --> 00:16:27,140

right bro I which yes I I knew somebody

351
00:16:36,010 --> 00:16:28,970
was standing behind me and I knew that

352
00:16:41,910 --> 00:16:36,020
person was very small and and what I

353
00:16:46,840 --> 00:16:41,920
thought was a huge craft right above me

354
00:16:50,110 --> 00:16:46,850
okay that was titanium very large in the

355
00:16:51,700 --> 00:16:50,120
room no outside she had she had the

356
00:16:55,510 --> 00:16:51,710
dream this whole dinner drink she

357
00:16:58,590 --> 00:16:55,520
welcomed allied young people yeah I

358
00:17:01,840 --> 00:16:58,600
missed that part sorry yeah and I

359
00:17:04,570 --> 00:17:01,850
remember the lights that were they were

360
00:17:05,140 --> 00:17:04,580
blue and white they're very piercing in

361
00:17:10,590 --> 00:17:05,150
color

362
00:17:14,050 --> 00:17:10,600
and I just remember looking up at it and

363
00:17:17,460 --> 00:17:14,060

my next memory was of me being inside of

364

00:17:20,050 --> 00:17:17,470

the ship standing in a very tall window

365

00:17:25,060 --> 00:17:20,060

looking out that window and watching my

366

00:17:26,710 --> 00:17:25,070

house and get further away and again

367

00:17:31,120 --> 00:17:26,720

looking through the side of these I

368

00:17:36,010 --> 00:17:31,130

could be I've even know what to call it

369

00:17:37,420 --> 00:17:36,020

people walking behind me as if nothing

370

00:17:40,450 --> 00:17:37,430

you know they weren't paying really any

371

00:17:42,250 --> 00:17:40,460

attention to get all the fixes ya know

372

00:17:44,830 --> 00:17:42,260

there but three people were just walking

373

00:17:47,860 --> 00:17:44,840

to actually we're walking and another

374

00:17:51,580 --> 00:17:47,870

one was sitting in a chair uh-huh in the

375

00:17:55,300 --> 00:17:51,590

craft in the craft uh-huh you know I

376

00:17:57,910 --> 00:17:55,310

don't have any memory of their face what

377

00:17:59,950 --> 00:17:57,920

they look like I never saw hands and

378

00:18:06,360 --> 00:17:59,960

never soft feet but I do remember seeing

379

00:18:09,880 --> 00:18:06,370

suits tight fitted suits that were blue

380

00:18:13,990 --> 00:18:09,890

somewhat gray in color mm-hmm but more

381

00:18:17,320 --> 00:18:14,000

definitely on the blue side mm-hmm and

382

00:18:18,700 --> 00:18:17,330

then was up well that long how are you

383

00:18:22,750 --> 00:18:18,710

feeling I mean did you know it was a

384

00:18:27,910 --> 00:18:22,760

dream that it was happening to you or no

385

00:18:32,170 --> 00:18:27,920

because when I woke up I woke up in I

386

00:18:36,940 --> 00:18:32,180

was startled like where am I I mean I

387

00:18:43,300 --> 00:18:36,950

woke up and just looking around where I

388

00:18:44,710 --> 00:18:43,310

was but it was so real that I was

389

00:18:46,870 --> 00:18:44,720

questioning whether that happened or not

390

00:18:49,870 --> 00:18:46,880

and then did you see marks right after

391

00:18:55,090 --> 00:18:49,880

that he said you had marks um you know

392

00:18:57,670 --> 00:18:55,100

what I actually didn't this is before I

393

00:19:00,700 --> 00:18:57,680

met the new phone investigator so I

394

00:19:02,650 --> 00:19:00,710

brushed that off as a dream okay but it

395

00:19:04,530 --> 00:19:02,660

stuck in my head for a few days because

396

00:19:11,080 --> 00:19:04,540

it was so real I couldn't get over it

397

00:19:14,950 --> 00:19:11,090

and the markings happened right after I

398

00:19:18,680 --> 00:19:14,960

met her okay Polly want a month after I

399

00:19:24,980 --> 00:19:20,680

no one day I'll just sit on my couch and

400

00:19:26,990 --> 00:19:24,990

notice two marks on myself and about

401
00:19:29,150 --> 00:19:27,000
they're quite odd because they look so

402
00:19:30,620 --> 00:19:29,160
perfect and they're so bright they look

403
00:19:35,410 --> 00:19:30,630
like they would hurt that they didn't

404
00:19:41,870 --> 00:19:35,420
uh-huh and so I took a picture of it and

405
00:19:45,520 --> 00:19:41,880
I sent it to her and next day I checked

406
00:19:49,100 --> 00:19:45,530
it again and there was a third mark and

407
00:19:54,020 --> 00:19:49,110
12 pitch that which as you guys know

408
00:19:55,370 --> 00:19:54,030
there are my on my page and then Bob

409
00:19:56,840 --> 00:19:55,380
well I haven't seen the page can you

410
00:20:01,430 --> 00:19:56,850
give the URL so the audience is

411
00:20:03,920 --> 00:20:01,440
listening kid I look at the marks what

412
00:20:05,210 --> 00:20:03,930
bad um they haven't seen the page and

413
00:20:07,160 --> 00:20:05,220

I'm sure the audience hasn't either d

414

00:20:08,930 --> 00:20:07,170

can you give us the URL so anybody

415

00:20:14,480 --> 00:20:08,940

listening in to look at the other photos

416

00:20:18,800 --> 00:20:14,490

oh yes that's on facebook and you'll

417

00:20:22,430 --> 00:20:18,810

find it under violet UFO they're also

418

00:20:25,850 --> 00:20:22,440

just got justice nautica what beach no

419

00:20:27,980 --> 00:20:25,860

no no it's not on the Facebook too I so

420

00:20:29,600 --> 00:20:27,990

so there were two marks and then I mean

421

00:20:32,120 --> 00:20:29,610

I really couldn't where are they like he

422

00:20:36,770 --> 00:20:32,130

really couldn't tell by the picture um

423

00:20:39,020 --> 00:20:36,780

they were on my right leg like talking

424

00:20:41,840 --> 00:20:39,030

about of my life the inner part of my

425

00:20:42,980 --> 00:20:41,850

leg okay okay then I saw the two and

426

00:20:46,160 --> 00:20:42,990

then by the time you had the three look

427

00:20:49,880 --> 00:20:46,170

like you had a triangle yes yep that's

428

00:20:54,380 --> 00:20:49,890

exactly what it was on the third no

429

00:21:00,590 --> 00:20:54,390

second day and I long ago today that was

430

00:21:04,910 --> 00:21:00,600

I believe I believe in July the

431

00:21:11,750 --> 00:21:04,920

specialist well this past July yep any

432

00:21:14,990 --> 00:21:11,760

more weird dreams um yes okay um I

433

00:21:22,580 --> 00:21:15,000

actually remember being put back into my

434

00:21:25,760 --> 00:21:22,590

bed I was coming down onto my bed and I

435

00:21:29,690 --> 00:21:25,770

woke up and I just remember turning

436

00:21:31,990 --> 00:21:29,700

myself turning my head and I could see

437

00:21:35,740 --> 00:21:32,000

myself or feel myself and go down

438

00:21:39,460 --> 00:21:35,750

bed and next thing you know I was out

439

00:21:41,620 --> 00:21:39,470

again really fast and I slept a long

440

00:21:44,050 --> 00:21:41,630

time that morning and that's that's very

441

00:21:52,150 --> 00:21:44,060

unusual for me I don't do that deal it

442

00:21:56,710 --> 00:21:52,160

alone yes any animals I've to catch any

443

00:22:00,250 --> 00:21:56,720

strange behavior in your house um oh yes

444

00:22:03,670 --> 00:22:00,260

all the time listen I have a two-story

445

00:22:06,510 --> 00:22:03,680

house and they tend to fixate on the

446

00:22:09,730 --> 00:22:06,520

stairs quite a bit what do you think Tim

447

00:22:12,460 --> 00:22:09,740

went out of the violet did you you you

448

00:22:14,230 --> 00:22:12,470

you were not able to actually see these

449

00:22:17,530 --> 00:22:14,240

beings you could feel their presence or

450

00:22:19,720 --> 00:22:17,540

did you actually see them when I was

451
00:22:24,480 --> 00:22:19,730
being put back into my bed I did not I

452
00:22:28,930 --> 00:22:24,490
just knew that I was in the position of

453
00:22:31,240 --> 00:22:28,940
you know looking up at the ceiling going

454
00:22:34,930 --> 00:22:31,250
down onto my back and waking up in the

455
00:22:38,830 --> 00:22:34,940
middle of that did they did they touch

456
00:22:41,770 --> 00:22:38,840
you with any point or i don't remember i

457
00:22:43,770 --> 00:22:41,780
don't i don't think they were not not

458
00:22:46,030 --> 00:22:43,780
when i was being put back into my bed

459
00:22:49,440 --> 00:22:46,040
how do you think you got the the

460
00:22:52,950 --> 00:22:49,450
markings then how did that come about I

461
00:22:55,660 --> 00:22:52,960
wish I remembered okay I don't know

462
00:22:58,900 --> 00:22:55,670
that's why I asked how do you recommend

463
00:23:01,810 --> 00:22:58,910

the heaven hypnosis done yes I actually

464

00:23:04,000 --> 00:23:01,820

had more martinis this month on the

465

00:23:08,440 --> 00:23:04,010

fifth and I document about on facebook

466

00:23:10,930 --> 00:23:08,450

as well and and I saw that you had a

467

00:23:12,820 --> 00:23:10,940

picture of a UFO outside your house was

468

00:23:18,220 --> 00:23:12,830

that at the same time as you had the

469

00:23:21,250 --> 00:23:18,230

markings no that was actually in 2011 I

470

00:23:23,410 --> 00:23:21,260

went outside to go over the super moon

471

00:23:26,950 --> 00:23:23,420

that night and I walked outside to go

472

00:23:31,870 --> 00:23:26,960

see it and I was out there for maybe two

473

00:23:36,010 --> 00:23:31,880

minutes and here they come they're

474

00:23:38,830 --> 00:23:36,020

coming from the west and passed right in

475

00:23:42,419 --> 00:23:38,840

front of my house that particular one I

476
00:23:45,080 --> 00:23:42,429
actually have on video as well mm-hmm

477
00:23:48,620 --> 00:23:45,090
they pass slowly that you could

478
00:23:51,740 --> 00:23:48,630
a video what we did it was low and they

479
00:23:54,830 --> 00:23:51,750
didn't be formed if you see in the

480
00:23:59,750 --> 00:23:54,840
picture there's a triangle there what

481
00:24:01,340 --> 00:23:59,760
actually that formed in front of in

482
00:24:05,390 --> 00:24:01,350
front of me they didn't come in like

483
00:24:08,780 --> 00:24:05,400
that mm-hmm now do you do you live in a

484
00:24:12,530 --> 00:24:08,790
rural area or add downtown that the

485
00:24:17,690 --> 00:24:12,540
Tucson proper I know it's its role I

486
00:24:20,270 --> 00:24:17,700
mean it's a suburb of tooth on and so

487
00:24:21,830 --> 00:24:20,280
how high up in the sky would you say

488
00:24:23,750 --> 00:24:21,840

that they were I mean what made you

489

00:24:26,060 --> 00:24:23,760

think that they were UFOs instead of

490

00:24:29,390 --> 00:24:26,070

just airplanes coming in the land there

491

00:24:32,150 --> 00:24:29,400

at the tucson airport while they were

492

00:24:35,600 --> 00:24:32,160

too low and you didn't hear anything and

493

00:24:39,830 --> 00:24:35,610

they they flew to perfect in formation

494

00:24:45,790 --> 00:24:39,840

it was just it was all too perfect and

495

00:24:53,120 --> 00:24:45,800

how long with a visible of violence um I

496

00:24:55,640 --> 00:24:53,130

think about five minutes mm-hmm and did

497

00:25:01,700 --> 00:24:55,650

they did they move around or where they

498

00:25:05,600 --> 00:25:01,710

will stay in one pattern they came in in

499

00:25:11,300 --> 00:25:05,610

one form and then they changed into the

500

00:25:12,920 --> 00:25:11,310

triangle form so violent oh sorry Tim

501
00:25:15,650 --> 00:25:12,930
yeah i know i was just when he do you

502
00:25:17,750 --> 00:25:15,660
think that they were well do you think

503
00:25:19,730 --> 00:25:17,760
because of your background and trying to

504
00:25:22,970 --> 00:25:19,740
get entire getting in contact with new

505
00:25:25,820 --> 00:25:22,980
fun it was this a little a deliberate

506
00:25:27,980 --> 00:25:25,830
attempt to you think make contact or at

507
00:25:29,930 --> 00:25:27,990
least have you see them I mean is there

508
00:25:35,210 --> 00:25:29,940
a feeling that you have that they

509
00:25:38,090 --> 00:25:35,220
specifically picked you well again I

510
00:25:41,840 --> 00:25:38,100
don't know because you know again I have

511
00:25:48,290 --> 00:25:41,850
felt that this has gone way back I mean

512
00:25:50,510 --> 00:25:48,300
maybe even as early as two years old and

513
00:25:53,750 --> 00:25:50,520

like how does that influence your life

514

00:25:55,940 --> 00:25:53,760

and what do you think when you say you

515

00:25:58,640 --> 00:25:55,950

think that this goes been going on exam

516

00:25:59,930 --> 00:25:58,650

I'm saying you know if you went to the

517

00:26:01,370 --> 00:25:59,940

do you follow that all of a sudden

518

00:26:04,070 --> 00:26:01,380

you're talking to the woman more things

519

00:26:07,310 --> 00:26:04,080

on move on but no one we all thought

520

00:26:09,460 --> 00:26:07,320

yeah well there's a goof on there is a

521

00:26:12,920 --> 00:26:09,470

good father shouts the roots to da no

522

00:26:15,890 --> 00:26:12,930

question though you said you had your

523

00:26:18,760 --> 00:26:15,900

first inciting probably 93 were you two

524

00:26:22,520 --> 00:26:18,770

years old I 93 hold of you exactly I'm

525

00:26:26,990 --> 00:26:22,530

41 okay so you weren't 23 years old at

526

00:26:28,760 --> 00:26:27,000

93 so she's lighting right well was he

527

00:26:30,770 --> 00:26:28,770

have enough said she said that she might

528

00:26:38,420 --> 00:26:30,780

go back even further into the age of

529

00:26:40,130 --> 00:26:38,430

three perhaps right I learned that at

530

00:26:41,750 --> 00:26:40,140

the age of two and a half I'm from

531

00:26:48,230 --> 00:26:41,760

actually I'm from Southern California

532

00:26:51,860 --> 00:26:48,240

and I learned on the night of the fourth

533

00:26:55,130 --> 00:26:51,870

of July night out on a beach in

534

00:26:59,690 --> 00:26:55,140

California that I had went missing for

535

00:27:03,230 --> 00:26:59,700

30 minutes and my mom and authorities

536

00:27:04,760 --> 00:27:03,240

were looking for me and how long when

537

00:27:07,280 --> 00:27:04,770

this happened you were two years old

538

00:27:11,780 --> 00:27:07,290

then I was yeah I was two and a half

539

00:27:16,520 --> 00:27:11,790

years old and when I reach what beach

540

00:27:18,290 --> 00:27:16,530

was is from harbour beach and how did

541

00:27:19,730 --> 00:27:18,300

you manage though to disappear I mean

542

00:27:22,160 --> 00:27:19,740

were you you were there with your

543

00:27:25,700 --> 00:27:22,170

parents obviously weren't running around

544

00:27:28,400 --> 00:27:25,710

the beach by yourself you know that's a

545

00:27:32,950 --> 00:27:28,410

pretty good question i don't know i

546

00:27:37,280 --> 00:27:32,960

don't know with the questions yeah the i

547

00:27:42,050 --> 00:27:37,290

I really I can't answer that I just know

548

00:27:44,300 --> 00:27:42,060

that I was missing um I do actually

549

00:27:46,400 --> 00:27:44,310

remember coming back though I mean

550

00:27:50,750 --> 00:27:46,410

that's such a young age to even have a

551
00:27:53,410 --> 00:27:50,760
memory but I do remember uh walking on

552
00:27:58,730 --> 00:27:53,420
the beach trying to find my way back

553
00:28:00,440 --> 00:27:58,740
it's big but I remember it and where did

554
00:28:02,320 --> 00:28:00,450
you it wasn't your parents it found you

555
00:28:08,870 --> 00:28:02,330
or the police are out looking for you or

556
00:28:11,360 --> 00:28:08,880
yes yeah my mom initially can found me

557
00:28:14,150 --> 00:28:11,370
wandering back and then

558
00:28:18,250 --> 00:28:14,160
course the authorities came and you know

559
00:28:24,610 --> 00:28:18,260
so they were involved as well but ah ah

560
00:28:28,100 --> 00:28:24,620
but now that's I bring that up because

561
00:28:30,170 --> 00:28:28,110
we have learned anybody that's done any

562
00:28:34,340 --> 00:28:30,180
research and this field is also now

563
00:28:37,330 --> 00:28:34,350

there's supposed to be something going

564

00:28:41,120 --> 00:28:37,340

on and under the beaches or the ocean of

565

00:28:43,250 --> 00:28:41,130

California so you know I don't know what

566

00:28:46,250 --> 00:28:43,260

the stretch that is but it sure makes me

567

00:28:49,490 --> 00:28:46,260

wonder what what happened to me because

568

00:28:54,710 --> 00:28:49,500

literally nobody could find me my mom

569

00:28:57,440 --> 00:28:54,720

caught my mom said I just showed up you

570

00:28:59,330 --> 00:28:57,450

know from like from nowhere has this

571

00:29:03,320 --> 00:28:59,340

happened to you again or was this the

572

00:29:09,950 --> 00:29:03,330

only time no that was that was the only

573

00:29:11,390 --> 00:29:09,960

time and but you have no well obviously

574

00:29:13,549 --> 00:29:11,400

it did two and a half you wouldn't have

575

00:29:18,169 --> 00:29:13,559

much of a recollection of what had

576
00:29:21,310 --> 00:29:18,179
transpired but now you say more recently

577
00:29:27,440 --> 00:29:21,320
you when you start to talk you have a

578
00:29:29,660 --> 00:29:27,450
electronic voice yes it's very random

579
00:29:36,730 --> 00:29:29,670
and it happens anytime but on the right

580
00:29:41,710 --> 00:29:36,740
side of my head through my ear I feel I

581
00:29:45,200 --> 00:29:41,720
found robotic and whatever has happened

582
00:29:49,880 --> 00:29:45,210
yeah I was you know yeah i said can you

583
00:29:55,580 --> 00:29:49,890
hear that you know but I hear something

584
00:29:59,630 --> 00:29:55,590
and nobody can hear it just me and can

585
00:30:02,000 --> 00:29:59,640
you describe to us exactly what it what

586
00:30:03,860 --> 00:30:02,010
it sounds like I mean you're hearing it

587
00:30:06,680 --> 00:30:03,870
but other people aren't or it can other

588
00:30:09,049 --> 00:30:06,690

people right no one know that no one can

589

00:30:13,240 --> 00:30:09,059

hear about me so when I talk all of a

590

00:30:16,850 --> 00:30:13,250

sudden I almost to do it's almost like

591

00:30:18,919 --> 00:30:16,860

electronic interference like I'm talking

592

00:30:24,880 --> 00:30:18,929

I feel like I'm talking to my venting

593

00:30:27,350 --> 00:30:24,890

monocle hello yeah yes so now

594

00:30:28,820 --> 00:30:27,360

does it doesn't repeat the same thing I

595

00:30:32,900 --> 00:30:28,830

mean do you get a message like a

596

00:30:35,360 --> 00:30:32,910

millionaire here or no no it's just like

597

00:30:37,820 --> 00:30:35,370

I said it's very random it there's no

598

00:30:40,340 --> 00:30:37,830

specific time I Adams be feeling a

599

00:30:43,790 --> 00:30:40,350

certain way for it to happen it just

600

00:30:47,000 --> 00:30:43,800

happens and also I understand that

601
00:30:48,440 --> 00:30:47,010
you've had some situations with your

602
00:30:51,620 --> 00:30:48,450
eyes something's happening to your eye

603
00:30:59,420 --> 00:30:51,630
while you're in there going this um yes

604
00:31:02,060 --> 00:30:59,430
I was actually at my desk and you know

605
00:31:04,940 --> 00:31:02,070
just writing some things down and in my

606
00:31:11,660 --> 00:31:04,950
right eye which is also the same side

607
00:31:14,180 --> 00:31:11,670
that I hear that I have the very bright

608
00:31:16,730 --> 00:31:14,190
light in fact it almost reminded me of

609
00:31:20,360 --> 00:31:16,740
the life I fell in the usl it was like

610
00:31:24,350 --> 00:31:20,370
that it was very bright and there at the

611
00:31:26,450 --> 00:31:24,360
corner of my eye and it happened for

612
00:31:27,740 --> 00:31:26,460
about one to two minutes and I started

613
00:31:32,830 --> 00:31:27,750

panicking because I didn't know what was

614

00:31:38,270 --> 00:31:35,330

immediately started in your life or

615

00:31:39,490 --> 00:31:38,280

after the two minutes after the two

616

00:31:45,020 --> 00:31:39,500

minutes and it's never happened again

617

00:31:46,790 --> 00:31:45,030

but it was very very bright now what did

618

00:31:48,260 --> 00:31:46,800

you get a sensation along with it I mean

619

00:31:52,460 --> 00:31:48,270

did you feel you were losing your sight

620

00:31:54,770 --> 00:31:52,470

or well obviously while that has never

621

00:31:58,460 --> 00:31:54,780

happened to me before so I had no idea

622

00:32:01,910 --> 00:31:58,470

what was going on with me um but when

623

00:32:07,550 --> 00:32:01,920

when it didn't stop I definitely started

624

00:32:11,330 --> 00:32:07,560

panicking and then it just immediately

625

00:32:16,450 --> 00:32:11,340

stopped there wasn't it didn't fade out

626

00:32:18,950 --> 00:32:16,460

it didn't you know they're just taught

627

00:32:26,810 --> 00:32:18,960

did you ever talk to a physician about

628

00:32:31,300 --> 00:32:26,820

any of this no and I have been thinking

629

00:32:35,390 --> 00:32:31,310

about going to the doctor just to see if

630

00:32:38,390 --> 00:32:35,400

I'm never sick so I'm trying to figure

631

00:32:38,540 --> 00:32:38,400

out how I can see my doctor and make up

632

00:32:41,060 --> 00:32:38,550

the

633

00:32:47,890 --> 00:32:41,070

good enough excuse to go to scan done

634

00:32:50,630 --> 00:32:47,900

just to see if they find anything but

635

00:32:52,460 --> 00:32:50,640

you know when you don't have any

636

00:32:57,110 --> 00:32:52,470

symptoms that would call for that it's

637

00:32:58,610 --> 00:32:57,120

so hard to do so that's one of the

638

00:33:02,630 --> 00:32:58,620

reasons why i made my pages because

639

00:33:05,980 --> 00:33:02,640

really I'm just looking for I know a lot

640

00:33:10,970 --> 00:33:05,990

of people out there with resources and

641

00:33:13,180 --> 00:33:10,980

ideas and that's yeah you know we're

642

00:33:16,400 --> 00:33:13,190

about to get to our next guest Tim and

643

00:33:19,190 --> 00:33:16,410

and he and what's his specialty because

644

00:33:21,410 --> 00:33:19,200

david estrada structure alice is the

645

00:33:25,700 --> 00:33:21,420

going to be on in just a little while

646

00:33:28,100 --> 00:33:25,710

now he's investigated humanoid sightings

647

00:33:30,200 --> 00:33:28,110

humanoid reports mainly from South

648

00:33:33,710 --> 00:33:30,210

America he is probably the leading

649

00:33:36,760 --> 00:33:33,720

expert on sightings in the

650

00:33:38,810 --> 00:33:36,770

spanish-speaking the world South America

651
00:33:40,340 --> 00:33:38,820
Porter and the little peoples out

652
00:33:42,380 --> 00:33:40,350
because she saw a little purse it's out

653
00:33:45,440 --> 00:33:42,390
the little presence as well these are

654
00:33:48,640 --> 00:33:45,450
what we call humanoids they don't seem

655
00:33:51,020 --> 00:33:48,650
to be the top of the intellectual ladder

656
00:33:54,200 --> 00:33:51,030
in some of these cases that people

657
00:33:55,370 --> 00:33:54,210
report like the the tall whites that one

658
00:33:58,880 --> 00:33:55,380
of these individuals that might have

659
00:34:01,340 --> 00:33:58,890
come into your shop Carla these beings

660
00:34:03,290 --> 00:34:01,350
of what we would call the all the

661
00:34:05,000 --> 00:34:03,300
Nordics their human looking in

662
00:34:06,410 --> 00:34:05,010
appearance they seem to have the ability

663
00:34:10,970 --> 00:34:06,420

I mean sometimes they do communicate

664

00:34:12,830 --> 00:34:10,980

telepathically but often they speak the

665

00:34:16,820 --> 00:34:12,840

language of whatever the person it is

666

00:34:20,180 --> 00:34:16,830

that they're in countering violent did

667

00:34:22,790 --> 00:34:20,190

has there been any attempt to verbalize

668

00:34:24,860 --> 00:34:22,800

or contact you where you might actually

669

00:34:32,600 --> 00:34:24,870

be speaking whether it's verbally or

670

00:34:37,370 --> 00:34:32,610

telepathically to someone um honestly I

671

00:34:40,190 --> 00:34:37,380

don't remember I just if I had to say I

672

00:34:41,870 --> 00:34:40,200

had a telepathic communication I would

673

00:34:43,190 --> 00:34:41,880

say it was the one that was very

674

00:34:47,150 --> 00:34:43,200

indirect that I didn't realize that

675

00:34:50,720 --> 00:34:47,160

happened back in two thousand eight when

676

00:34:52,370 --> 00:34:50,730

I got out of my bed at three o'clock in

677

00:34:56,630 --> 00:34:52,380

the morning

678

00:35:00,860 --> 00:34:56,640

and for some reason felt like I had to

679

00:35:07,400 --> 00:35:00,870

go outside and I went outside and I saw

680

00:35:10,970 --> 00:35:07,410

very bright orange lights I say put on a

681

00:35:13,370 --> 00:35:10,980

show because lights are just dancing all

682

00:35:15,610 --> 00:35:13,380

over the sky for over an hour and I

683

00:35:17,750 --> 00:35:15,620

thought they're on my patio and watched

684

00:35:19,160 --> 00:35:17,760

how many times have you actually seen

685

00:35:21,170 --> 00:35:19,170

these objects and you took the

686

00:35:23,960 --> 00:35:21,180

photographs once was that a video

687

00:35:26,860 --> 00:35:23,970

photograph video or was it still photos

688

00:35:29,660 --> 00:35:26,870

did you take you to the cell phone um

689

00:35:34,090 --> 00:35:29,670

the one that i have on video was taken

690

00:35:37,220 --> 00:35:34,100

with a cell phone as well as the pitcher

691

00:35:40,450 --> 00:35:37,230

mm-hmm do they do they do they dance

692

00:35:45,370 --> 00:35:40,460

around in the sky would you say that

693

00:35:48,020 --> 00:35:45,380

incident in 2008 my gosh they were

694

00:35:54,500 --> 00:35:48,030

forming shapes disappearing reappearing

695

00:35:57,440 --> 00:35:54,510

um just making all kinds of you know

696

00:36:00,220 --> 00:35:57,450

they made shoot up they come back down I

697

00:36:03,230 --> 00:36:00,230

mean it was quite amazing actually and

698

00:36:05,260 --> 00:36:03,240

and you never had anybody with you while

699

00:36:09,380 --> 00:36:05,270

you well you have these settings either

700

00:36:13,460 --> 00:36:09,390

I actually I've had two sightings like

701

00:36:15,740 --> 00:36:13,470

the one I have the pictures up I too

702

00:36:21,470 --> 00:36:15,750

like that outside of my house and both

703

00:36:23,320 --> 00:36:21,480

times there were witnesses now do you

704

00:36:26,150 --> 00:36:23,330

have a do you think this is a

705

00:36:28,060 --> 00:36:26,160

progressive thing I mean is it going to

706

00:36:32,680 --> 00:36:28,070

continue do you think that they will

707

00:36:35,810 --> 00:36:32,690

reveal themselves to you I mean is there

708

00:36:38,030 --> 00:36:35,820

some reason to believe that there there

709

00:36:45,160 --> 00:36:38,040

is some communication channel being

710

00:36:49,070 --> 00:36:45,170

opened I think that there is I really do

711

00:36:52,790 --> 00:36:49,080

and I'd like to know because um I don't

712

00:36:56,030 --> 00:36:52,800

feel scared I think I'm more curious I'm

713

00:36:58,820 --> 00:36:56,040

luxury has been scared in fact when I do

714

00:37:04,160 --> 00:36:58,830

have excited I get pretty excited about

715

00:37:06,250 --> 00:37:04,170

it yeah it makes me happy ah you know

716

00:37:08,360 --> 00:37:06,260

it's

717

00:37:10,010 --> 00:37:08,370

natural Oh once they had abducted to

718

00:37:11,930 --> 00:37:10,020

Angela wants to get up ducted as well

719

00:37:13,280 --> 00:37:11,940

can I go to Arizona move in with you for

720

00:37:16,130 --> 00:37:13,290

a while so I can I get abducted because

721

00:37:17,600 --> 00:37:16,140

I'm dying to yeah he wants to take a

722

00:37:19,550 --> 00:37:17,610

ride he said they're single I'm single

723

00:37:22,600 --> 00:37:19,560

will move in together awesome aliens

724

00:37:26,290 --> 00:37:22,610

it's all good there you go there you go

725

00:37:29,840 --> 00:37:26,300

now that's a wee Florida that would suck

726

00:37:33,080 --> 00:37:29,850

aliens on it in mesa arizona is a good

727

00:37:34,370 --> 00:37:33,090

second choice yes I hang out with Travis

728

00:37:37,940 --> 00:37:34,380

he's a buddy of mine we can hang out and

729

00:37:38,960 --> 00:37:37,950

have a couple beers and swap stories so

730

00:37:40,940 --> 00:37:38,970

you know will tell me about his

731

00:37:43,490 --> 00:37:40,950

abduction case and I thought about my

732

00:37:45,740 --> 00:37:43,500

amazing abduction cases and what's

733

00:37:47,870 --> 00:37:45,750

happening in my thinking was a lot of

734

00:37:50,330 --> 00:37:47,880

protein I'm thinking that we might need

735

00:37:52,000 --> 00:37:50,340

to move on to the next guest and see if

736

00:37:54,530 --> 00:37:52,010

he has some answers about this as well

737

00:37:55,970 --> 00:37:54,540

serious say that whether it's South

738

00:37:57,500 --> 00:37:55,980

America where everybody I want to hear

739

00:38:04,040 --> 00:37:57,510

more about me getting abducted though to

740

00:38:06,110 --> 00:38:04,050

be honest with you I like the idea no

741

00:38:07,970 --> 00:38:06,120

I'm not afraid man some people are

742

00:38:09,650 --> 00:38:07,980

scared of the experience i welcome it

743

00:38:11,870 --> 00:38:09,660

like a knock on my window you're not

744

00:38:14,630 --> 00:38:11,880

like you know get all like an old high

745

00:38:16,430 --> 00:38:14,640

tech and be no being me anywhere or is

746

00:38:20,930 --> 00:38:16,440

that me with any breagan or anything

747

00:38:23,390 --> 00:38:20,940

like that just what we are violent when

748

00:38:25,760 --> 00:38:23,400

was your last experiences have you had

749

00:38:29,870 --> 00:38:25,770

anything recently that's happened um

750

00:38:34,070 --> 00:38:29,880

just the body markings um again on my

751

00:38:37,640 --> 00:38:34,080

right side ah they stay there are they

752

00:38:40,310 --> 00:38:37,650

permanent no no just a couple of days I

753

00:38:41,720 --> 00:38:40,320

keep a journal and where their impairs

754

00:38:43,490 --> 00:38:41,730

to us all some photos in it looks like

755

00:38:47,060 --> 00:38:43,500

they're like two little marks in pairs

756

00:38:49,670 --> 00:38:47,070

does that happened on coffin or you know

757

00:38:51,590 --> 00:38:49,680

just to roll this one actually didn't

758

00:38:54,800 --> 00:38:51,600

have a third mark I was looking for it

759

00:38:58,540 --> 00:38:54,810

um but this one did not it was just the

760

00:39:02,060 --> 00:38:58,550

two marks that look very similar to uh

761

00:39:07,400 --> 00:39:02,070

the first day you know I saw the two

762

00:39:12,650 --> 00:39:07,410

marks on when I noticed that the last

763

00:39:14,780 --> 00:39:12,660

time last year okay now you know you and

764

00:39:17,720 --> 00:39:14,790

one of these experiences in the this

765

00:39:19,250 --> 00:39:17,730

dream you were looking at the WIC the

766

00:39:20,960 --> 00:39:19,260

report or the window

767

00:39:27,140 --> 00:39:20,970

board the ship could you see the Earth's

768

00:39:31,100 --> 00:39:27,150

at that point um I just the last thing I

769

00:39:35,030 --> 00:39:31,110

saw with my house that's writing to be

770

00:39:40,160 --> 00:39:35,040

focused on and then after that I don't

771

00:39:42,410 --> 00:39:40,170

want all well do you think that that I

772

00:39:47,270 --> 00:39:42,420

mean are you you seem to have a fairly

773

00:39:49,700 --> 00:39:47,280

positive attitude toward this you know

774

00:39:51,800 --> 00:39:49,710

we're using the name violet hybrid do

775

00:39:54,410 --> 00:39:51,810

you believe that there are hybrids are

776

00:39:57,490 --> 00:39:54,420

there your people here on this planet

777

00:39:59,300 --> 00:39:57,500

that are a cross between the

778

00:40:00,500 --> 00:39:59,310

extraterrestrials aliens also

779

00:40:06,490 --> 00:40:00,510

terrestrials whatever you want to call

780

00:40:09,620 --> 00:40:06,500

them and earth people I believe so um

781

00:40:12,880 --> 00:40:09,630

I'm definitely doing more research but

782

00:40:17,600 --> 00:40:12,890

the more research i do it makes me feel

783

00:40:20,990 --> 00:40:17,610

that yes maybe maybe there are some out

784

00:40:23,210 --> 00:40:21,000

there it is there it is there an

785

00:40:25,760 --> 00:40:23,220

ultimate I mean we hear about on the

786

00:40:29,930 --> 00:40:25,770

media now in recent times disclosure

787

00:40:32,330 --> 00:40:29,940

disclosure disclosure UFO people are

788

00:40:33,950 --> 00:40:32,340

asking for the government to come clean

789

00:40:36,140 --> 00:40:33,960

about this do you think that they are

790

00:40:41,680 --> 00:40:36,150

there's going to come a time that they

791

00:40:49,250 --> 00:40:45,550

gotta know their information well no

792

00:40:50,690 --> 00:40:49,260

alien beings themselves are they going

793

00:40:54,050 --> 00:40:50,700

to let us know are they going to give us

794

00:40:56,810 --> 00:40:54,060

more no confirmation or is this a close

795

00:41:00,620 --> 00:40:56,820

the society meant just for a handful of

796

00:41:07,190 --> 00:41:00,630

people know I I do think at some point

797

00:41:11,060 --> 00:41:07,200

yes you know my thought is that um you

798

00:41:13,280 --> 00:41:11,070

know it's people like me and you and you

799

00:41:16,340 --> 00:41:13,290

just keep talking about it you know

800

00:41:20,060 --> 00:41:16,350

maybe we're here to do that we're here

801
00:41:22,430 --> 00:41:20,070
to get the rest of society prepared you

802
00:41:24,170 --> 00:41:22,440
know I I really don't know how long

803
00:41:28,630 --> 00:41:24,180
that's the way I like to think of it

804
00:41:31,700 --> 00:41:28,640
because um I think it's going to happen

805
00:41:32,660 --> 00:41:31,710
well tell me I think it may be in a few

806
00:41:34,520 --> 00:41:32,670
minutes we're going

807
00:41:37,579 --> 00:41:34,530
close out this session is there anything

808
00:41:39,470 --> 00:41:37,589
that you would like to tell are the the

809
00:41:41,569 --> 00:41:39,480
listeners I mean as far as what they

810
00:41:43,760 --> 00:41:41,579
should be looking for I mean is there a

811
00:41:46,660 --> 00:41:43,770
way that we could all have to share in

812
00:41:49,339 --> 00:41:46,670
this experience or see a UFO perhaps and

813
00:41:53,720 --> 00:41:49,349

attract the good guys of course of

814

00:41:57,740 --> 00:41:53,730

course um no just ah if I had any advice

815

00:42:04,370 --> 00:41:57,750

just keep an open mind you know keep

816

00:42:06,859 --> 00:42:04,380

asking questions and you know just just

817

00:42:10,700 --> 00:42:06,869

do good just do that that's all i have

818

00:42:13,099 --> 00:42:10,710

to say is doing good I certainly I'm

819

00:42:16,700 --> 00:42:13,109

sure we will be in touch with you we

820

00:42:19,099 --> 00:42:16,710

want to see how this progresses and if

821

00:42:21,549 --> 00:42:19,109

you do have you no further experiences

822

00:42:24,349 --> 00:42:21,559

i'm sure you'll be posting them on

823

00:42:26,660 --> 00:42:24,359

facebook and on the internet and do it

824

00:42:28,940 --> 00:42:26,670

let us know how can people find you on

825

00:42:33,549 --> 00:42:28,950

facebook what do they what do they type

826

00:42:36,920 --> 00:42:33,559

in uh of just type in violet UFO and

827

00:42:39,799 --> 00:42:36,930

I'll be right there ready to be your

828

00:42:42,650 --> 00:42:39,809

friend come on I when I was a thank you

829

00:42:44,329 --> 00:42:42,660

for coming on and sharing the your

830

00:42:46,910 --> 00:42:44,339

experiences that I know that this is the

831

00:42:50,359 --> 00:42:46,920

first public appearance that you made

832

00:42:53,980 --> 00:42:50,369

and once again our guest has been violet

833

00:42:57,470 --> 00:42:53,990

hybrid or violent UFO as she's known on

834

00:42:59,450 --> 00:42:57,480

facebook and I guess she would all we

835

00:43:01,460 --> 00:42:59,460

would all agree that she should continue

836

00:43:03,319 --> 00:43:01,470

to to look up and again thank you so

837

00:43:05,270 --> 00:43:03,329

much for being thank you violent this

838

00:43:07,039 --> 00:43:05,280

evening thank you all very much for

839

00:43:09,440 --> 00:43:07,049

having me i really appreciate it thank

840

00:43:14,299 --> 00:43:09,450

you value take you thank you you too

841

00:43:15,589 --> 00:43:14,309

okay good night rose oh so you guys what

842

00:43:17,359 --> 00:43:15,599

do you met what do you make of that I

843

00:43:19,010 --> 00:43:17,369

mean do you think that the Irish has

844

00:43:21,890 --> 00:43:19,020

gotten over the ice isn't it experience

845

00:43:26,059 --> 00:43:21,900

he is very pretty isn't she oh very

846

00:43:29,089 --> 00:43:26,069

pretty yeah I think I'm gonna tell

847

00:43:32,599 --> 00:43:29,099

everybody that's one thing angel went

848

00:43:34,970 --> 00:43:32,609

and Carla when I decided to do this

849

00:43:36,049 --> 00:43:34,980

program and of course I've been on

850

00:43:38,870 --> 00:43:36,059

you're trying to get me hooked up with a

851
00:43:40,880 --> 00:43:38,880
girl in Arizona actually rejuvenator but

852
00:43:43,309 --> 00:43:40,890
better better than Alaska I would say

853
00:43:44,960 --> 00:43:43,319
right but I you know I was determined

854
00:43:46,279 --> 00:43:44,970
it's true if I'm going to do this

855
00:43:48,829 --> 00:43:46,289
program I

856
00:43:50,539 --> 00:43:48,839
bring on people who have not been on you

857
00:43:53,150 --> 00:43:50,549
know dozens and dozens of times and

858
00:43:55,459 --> 00:43:53,160
repeated their experiences if we're

859
00:43:58,370 --> 00:43:55,469
going to find out anything about this

860
00:44:02,089 --> 00:43:58,380
we've got to have some fresh new faces

861
00:44:04,609 --> 00:44:02,099
and some fresh new voices and perhaps

862
00:44:05,989 --> 00:44:04,619
headed in in some other direction to

863
00:44:09,409 --> 00:44:05,999

find out what's going on because we've

864

00:44:11,329 --> 00:44:09,419

been doing this for 50 60 years and it's

865

00:44:14,059 --> 00:44:11,339

pretty much the same as it was in the

866

00:44:15,349 --> 00:44:14,069

beginning now I guess we're going to go

867

00:44:17,179 --> 00:44:15,359

to a break angel and then we're going to

868

00:44:20,769 --> 00:44:17,189

come back on with the Scots to Ellis who

869

00:44:25,249 --> 00:44:20,779

is the predominant researcher of

870

00:44:27,859 --> 00:44:25,259

humanoid the sightings in South America

871

00:44:29,539 --> 00:44:27,869

and Puerto Rico and he's even

872

00:44:31,130 --> 00:44:29,549

investigated some cases i know in

873

00:44:34,339 --> 00:44:31,140

kuebler he wrote an article many years

874

00:44:36,979 --> 00:44:34,349

ago about Cuba do other sightings and we

875

00:44:39,799 --> 00:44:36,989

have people these humanoid conspiracies

876
00:44:42,799 --> 00:44:39,809
in South America yeah but wait yeah but

877
00:44:44,749 --> 00:44:42,809
wait a second well I can i yeah yeah

878
00:44:47,809 --> 00:44:44,759
whatwhat's given like well human or you

879
00:44:49,969 --> 00:44:47,819
know head torso two legs two or never

880
00:44:52,130 --> 00:44:49,979
family was saying it that was so what's

881
00:44:55,159 --> 00:44:52,140
what's human right sweetie well we'll

882
00:44:56,870 --> 00:44:55,169
have to ask Scott happy with the define

883
00:44:58,969 --> 00:44:56,880
a humanoid it no way they're not they're

884
00:45:01,789 --> 00:44:58,979
not human looking they're not these the

885
00:45:04,609 --> 00:45:01,799
Nordics or the tall whites they're not

886
00:45:06,949 --> 00:45:04,619
grazed there somewhere in between and

887
00:45:09,649 --> 00:45:06,959
they're actually many descriptions of

888
00:45:12,079 --> 00:45:09,659

these of these beings but they're

889

00:45:15,049 --> 00:45:12,089

unusual each case what one reason that I

890

00:45:17,539 --> 00:45:15,059

find is human a case is very interesting

891

00:45:23,329 --> 00:45:17,549

is that each one is very individual

892

00:45:26,749 --> 00:45:23,339

interesting and welcome back to

893

00:45:30,049 --> 00:45:26,759

unraveling the secrets and our guests

894

00:45:32,419 --> 00:45:30,059

coming up right now is scott ellis who

895

00:45:34,669 --> 00:45:32,429

is a writer and translator of UFO and

896

00:45:37,099 --> 00:45:34,679

paranormal subjects with an interest in

897

00:45:39,380 --> 00:45:37,109

high strangeness aspects of the

898

00:45:41,439 --> 00:45:39,390

phenomena he his books include

899

00:45:44,059 --> 00:45:41,449

chupacabra and other mysteries

900

00:45:47,359 --> 00:45:44,069

flashpoint hi strangers in Puerto Rico

901
00:45:51,109 --> 00:45:47,369
and forbid knee Mexico he's written for

902
00:45:53,719 --> 00:45:51,119
fate UFO a universe and dozens and

903
00:45:57,259 --> 00:45:53,729
dozens of other publications he is

904
00:45:59,900 --> 00:45:57,269
without a doubt the leading expert on

905
00:46:02,180 --> 00:45:59,910
humanoid sightings and

906
00:46:05,240 --> 00:46:02,190
South America and he directs the

907
00:46:07,370 --> 00:46:05,250
Institute for Hispanic youth fala g and

908
00:46:11,839 --> 00:46:07,380
i'm proud to say that I've known Scott

909
00:46:14,930 --> 00:46:11,849
for many many years and I'm anxious to

910
00:46:18,260 --> 00:46:14,940
hear about humanoid conspiracies in

911
00:46:22,220 --> 00:46:18,270
South America and so here we are with

912
00:46:24,589 --> 00:46:22,230
the 50 shades of grey aliens and Scott

913
00:46:26,359 --> 00:46:24,599

how are you doing this evening good

914

00:46:28,520 --> 00:46:26,369

evening Tim so good to talk to you again

915

00:46:31,190 --> 00:46:28,530

hello Carla hello Angelo how do I guess

916

00:46:32,980 --> 00:46:31,200

real earth thanks you must be frozen

917

00:46:35,510 --> 00:46:32,990

over there in Pennsylvania as well

918

00:46:37,549 --> 00:46:35,520

certainly am it's been about maybe five

919

00:46:40,039 --> 00:46:37,559

inches of snow on the ground so far and

920

00:46:45,109 --> 00:46:40,049

it's been one heck of a week lucky I've

921

00:46:47,359 --> 00:46:45,119

never seen snow oh I'm so lucky by the

922

00:46:49,430 --> 00:46:47,369

way y'all Scott it it's 71 degrees here

923

00:46:51,799 --> 00:46:49,440

in sunny South for what could you some

924

00:46:53,720 --> 00:46:51,809

of that it's beautiful down here like

925

00:46:59,079 --> 00:46:53,730

rubbing it in just say it oh yeah please

926
00:47:01,039 --> 00:46:59,089
do some good the sub-site tail go ahead

927
00:47:02,960 --> 00:47:01,049
now I was gonna say remember that chain

928
00:47:05,120 --> 00:47:02,970
letter that used to go around about uh

929
00:47:06,769 --> 00:47:05,130
you know about the girl that she moves

930
00:47:08,450 --> 00:47:06,779
to the country and it's like it's like

931
00:47:10,160 --> 00:47:08,460
they want it's like this this thing that

932
00:47:11,990 --> 00:47:10,170
was going around but if it was like day

933
00:47:13,760 --> 00:47:12,000
one oh I love the country it's oh so

934
00:47:15,170 --> 00:47:13,770
beautiful I'm so glad I moved here and

935
00:47:17,359 --> 00:47:15,180
then y'all like like like week 2 or

936
00:47:19,190 --> 00:47:17,369
whatever it's like oh I just saw a deer

937
00:47:20,599 --> 00:47:19,200
you know there's such beautiful animals

938
00:47:22,670 --> 00:47:20,609

why do people hate deer and then it goes

939

00:47:24,170 --> 00:47:22,680

like you know like four weeks it's like

940

00:47:26,420 --> 00:47:24,180

oh it started to snow and then it's like

941

00:47:28,370 --> 00:47:26,430

six weeks a goddamn snow almost hit a

942

00:47:30,529 --> 00:47:28,380

freakin deer today you know what I mean

943

00:47:32,299 --> 00:47:30,539

I you know it that just the whole thing

944

00:47:33,500 --> 00:47:32,309

just unravels out angel you think you

945

00:47:35,870 --> 00:47:33,510

want to see snow I'm telling you right

946

00:47:38,000 --> 00:47:35,880

now I'm dying I'm tell me I spent

947

00:47:40,519 --> 00:47:38,010

winters in places where you are its nose

948

00:47:42,500 --> 00:47:40,529

and therefore someone godly reason I get

949

00:47:44,480 --> 00:47:42,510

there and it doesn't still like here's

950

00:47:45,650 --> 00:47:44,490

in jersey or something that's all you

951
00:47:47,450 --> 00:47:45,660
know a new you are that's what I'm left

952
00:47:51,200 --> 00:47:47,460
after like move some more north like a

953
00:47:52,279 --> 00:47:51,210
couple years after a little meant that

954
00:47:53,900 --> 00:47:52,289
you can tell what we're going through

955
00:47:55,190 --> 00:47:53,910
but anyway what's in North Carolina few

956
00:47:56,240 --> 00:47:55,200
years ago and it was during the winter

957
00:47:57,710 --> 00:47:56,250
and I was so excited I was like we're

958
00:48:00,589 --> 00:47:57,720
gonna see snow man it's gonna be great

959
00:48:02,870 --> 00:48:00,599
no snow it's overrated it's overrated

960
00:48:05,990 --> 00:48:02,880
but if you've never seen it how can you

961
00:48:09,319 --> 00:48:06,000
/ read it you read it it's wet and nasty

962
00:48:12,260 --> 00:48:09,329
and yeah yeah but so is toilet water and

963
00:48:13,250 --> 00:48:12,270

owners and only hybrid children like it

964

00:48:14,900 --> 00:48:13,260

okay I want to get to

965

00:48:20,210 --> 00:48:14,910

follow the whole humanoid thing what's

966

00:48:22,400 --> 00:48:20,220

a humanoid Scott oh boy well that's that

967

00:48:23,810 --> 00:48:22,410

we're talking about when we ever speed

968

00:48:26,930 --> 00:48:23,820

we say the word human and we're trying

969

00:48:29,710 --> 00:48:26,940

to talk about an entity that looks human

970

00:48:32,930 --> 00:48:29,720

in most respects it can be sometimes

971

00:48:36,770 --> 00:48:32,940

cartoonish in its similarity to the

972

00:48:39,080 --> 00:48:36,780

human form or it can have traits that

973

00:48:41,240 --> 00:48:39,090

make it human but not quite let's say

974

00:48:44,570 --> 00:48:41,250

very long arms very long legs strange

975

00:48:48,920 --> 00:48:44,580

eyes up ahead that's much too large for

976

00:48:53,090 --> 00:48:48,930

it the variations of that basic human

977

00:48:55,190 --> 00:48:53,100

form four extremities and ahead and been

978

00:48:57,200 --> 00:48:55,200

a binocular vision but basically they

979

00:48:59,540 --> 00:48:57,210

deported but basically the human

980

00:49:01,340 --> 00:48:59,550

structure had torso arms legs as a

981

00:49:03,620 --> 00:49:01,350

matter of it stretched or in different

982

00:49:06,170 --> 00:49:03,630

proportions but the basic human design

983

00:49:09,380 --> 00:49:06,180

or that is what okay yes that is correct

984

00:49:10,970 --> 00:49:09,390

I want to hear everything Karl I said

985

00:49:12,170 --> 00:49:10,980

that earlier Carla how did you get them

986

00:49:14,900 --> 00:49:12,180

how did you get involved with this I

987

00:49:17,330 --> 00:49:14,910

mean it's one thing to be interested in

988

00:49:20,780 --> 00:49:17,340

UFOs but it's another thing to say hey

989

00:49:24,950 --> 00:49:20,790

I'm going to specialize in high

990

00:49:27,170 --> 00:49:24,960

strangest cases and in humanoids now

991

00:49:30,230 --> 00:49:27,180

you've been involved in investigating a

992

00:49:32,630 --> 00:49:30,240

UFO sir how many years got uh I'm gonna

993

00:49:35,150 --> 00:49:32,640

say actively since about nineteen ninety

994

00:49:37,610 --> 00:49:35,160

before that I was just another spectator

995

00:49:40,130 --> 00:49:37,620

and in fact as you know Tim Wood brought

996

00:49:42,310 --> 00:49:40,140

me into the field actively was the fact

997

00:49:44,420 --> 00:49:42,320

that i read jacques valets book

998

00:49:45,800 --> 00:49:44,430

dimensions i believe it was and he

999

00:49:47,860 --> 00:49:45,810

mentioned toward the end of the book

1000

00:49:50,870 --> 00:49:47,870

that Salvador they share those

1001
00:49:53,800 --> 00:49:50,880
monumental work of de fin de manos de

1002
00:49:56,270 --> 00:49:53,810
los dioses beware of the gods remained

1003
00:49:57,800 --> 00:49:56,280
untranslated in English and I thought

1004
00:50:01,130 --> 00:49:57,810
well I've got to do something about that

1005
00:50:05,180 --> 00:50:01,140
and that's when I became active just

1006
00:50:08,060 --> 00:50:05,190
trying to as a little bit of a

1007
00:50:11,600 --> 00:50:08,070
digression in the end or Latino a yes

1008
00:50:14,450 --> 00:50:11,610
exactamente uh in the 1980s we started

1009
00:50:17,320 --> 00:50:14,460
to move away from what you follow G had

1010
00:50:19,610 --> 00:50:17,330
more or less established in the 70s the

1011
00:50:21,710 --> 00:50:19,620
interdimensional origin of the UFO

1012
00:50:25,010 --> 00:50:21,720
phenomenon we started moving into this

1013
00:50:27,010 --> 00:50:25,020

more of an ET abduction John Lear kind

1014

00:50:31,420 --> 00:50:27,020

of thing and I thought it's

1015

00:50:33,670 --> 00:50:31,430

someone had to try to let people

1016

00:50:36,250 --> 00:50:33,680

remember what had been done before and

1017

00:50:39,280 --> 00:50:36,260

certainly please share those work is a

1018

00:50:42,100 --> 00:50:39,290

landmark preparing all of who was the

1019

00:50:44,050 --> 00:50:42,110

Jesuit priest that is correct yep that's

1020

00:50:45,880 --> 00:50:44,060

for something Jesuit so I was the

1021

00:50:48,370 --> 00:50:45,890

translation what was his thinking on the

1022

00:50:51,760 --> 00:50:48,380

subject guide yeah he not take a rather

1023

00:50:53,170 --> 00:50:51,770

negative of you absolutely absolutely in

1024

00:50:55,750 --> 00:50:53,180

fact he just published something

1025

00:50:57,670 --> 00:50:55,760

recently in espacio compartido a

1026
00:51:00,850 --> 00:50:57,680
newsletter that comes out of Spain and

1027
00:51:05,770 --> 00:51:00,860
he's reiterated his point about these

1028
00:51:08,730 --> 00:51:05,780
contacts being very old up possibly as

1029
00:51:12,880 --> 00:51:08,740
old as humanity being in the caves and

1030
00:51:16,150 --> 00:51:12,890
not being very positively disposed to

1031
00:51:18,540 --> 00:51:16,160
humans playing tricks with us much like

1032
00:51:21,460 --> 00:51:18,550
the jinn of the Islamic tradition ah

1033
00:51:23,830 --> 00:51:21,470
they're not human they occupy a

1034
00:51:26,530 --> 00:51:23,840
territory between humans and angels I'm

1035
00:51:29,410 --> 00:51:26,540
talking about the gym now but these gods

1036
00:51:32,130 --> 00:51:29,420
that fit a shadow up is that is talking

1037
00:51:34,930 --> 00:51:32,140
about or I think what we have mistakenly

1038
00:51:39,550 --> 00:51:34,940

construed as extraterrestrials and that

1039

00:51:42,160 --> 00:51:39,560

is the main premise of his work so he

1040

00:51:43,450 --> 00:51:42,170

believes that there are they're coming

1041

00:51:45,580 --> 00:51:43,460

here from where then they're not from a

1042

00:51:48,760 --> 00:51:45,590

an outside source they actually inhabit

1043

00:51:50,590 --> 00:51:48,770

our own planet uh in some cases he

1044

00:51:52,510 --> 00:51:50,600

suggests that yes they do come from that

1045

00:51:54,970 --> 00:51:52,520

from our own planet that they predate

1046

00:51:57,910 --> 00:51:54,980

humanity and will be here long after our

1047

00:51:59,890 --> 00:51:57,920

species is gone so I say he said they're

1048

00:52:04,510 --> 00:51:59,900

like they actually are God's not aliens

1049

00:52:05,890 --> 00:52:04,520

no no no no I in them let me try to let

1050

00:52:09,700 --> 00:52:05,900

me see if I can go back to his original

1051
00:52:13,660 --> 00:52:09,710
premise um his premise is that there are

1052
00:52:16,990 --> 00:52:13,670
levels of existence and as you progress

1053
00:52:18,850 --> 00:52:17,000
much like on the column of life on earth

1054
00:52:20,560 --> 00:52:18,860
where you have in vertebrates you have

1055
00:52:24,070 --> 00:52:20,570
your vertebrates and then you're going

1056
00:52:27,510 --> 00:52:24,080
to have something else intelligence at

1057
00:52:29,920 --> 00:52:27,520
the other end up you would have I'm

1058
00:52:33,670 --> 00:52:29,930
guessing you would have humans you would

1059
00:52:35,080 --> 00:52:33,680
have demigod entities and finally you

1060
00:52:38,410 --> 00:52:35,090
would have gods who would have

1061
00:52:40,120 --> 00:52:38,420
tremendous powers they would demand what

1062
00:52:40,870 --> 00:52:40,130
were these entities demand from us they

1063
00:52:43,540 --> 00:52:40,880

demand

1064

00:52:46,990 --> 00:52:43,550

not because they need it they simply

1065

00:52:48,340 --> 00:52:47,000

enjoy it worship to them is let's say

1066

00:52:50,020 --> 00:52:48,350

the pleasure that we would get from

1067

00:52:51,580 --> 00:52:50,030

smoking a cigarette a drinking cup of

1068

00:52:55,230 --> 00:52:51,590

coffee it's just something pleasurable

1069

00:52:57,910 --> 00:52:55,240

not essential so throughout history the

1070

00:52:59,820 --> 00:52:57,920

gods have manifested themselves and

1071

00:53:03,220 --> 00:52:59,830

demanded one thing blood sacrifice

1072

00:53:07,270 --> 00:53:03,230

because they get a high as he puts it

1073

00:53:09,250 --> 00:53:07,280

from human Wars from conflicts from

1074

00:53:11,070 --> 00:53:09,260

getting people to kill each other what

1075

00:53:13,510 --> 00:53:11,080

we see in the Middle East right now is

1076
00:53:15,390 --> 00:53:13,520
exactly what he has been saying was

1077
00:53:19,570 --> 00:53:15,400
going on thousands of years ago and

1078
00:53:21,880 --> 00:53:19,580
pleasing the group of non-human entities

1079
00:53:25,060 --> 00:53:21,890
that masqueraded as gods to the people

1080
00:53:28,260 --> 00:53:25,070
living at the time and that is the

1081
00:53:31,060 --> 00:53:28,270
opening chapter of beware of the gods

1082
00:53:32,530 --> 00:53:31,070
well this is very all very frightening I

1083
00:53:34,750 --> 00:53:32,540
know you wrote about some of this in a

1084
00:53:36,280 --> 00:53:34,760
book that I did the we put together

1085
00:53:41,200 --> 00:53:36,290
called round trip to hell on the flying

1086
00:53:43,600 --> 00:53:41,210
saucer haha yes right in fact this is a

1087
00:53:45,490 --> 00:53:43,610
Jesuit priests I guess he is no longer

1088
00:53:47,290 --> 00:53:45,500

Jesuit priest today did they

1089

00:53:50,710 --> 00:53:47,300

excommunicated because of his views on

1090

00:53:57,160 --> 00:53:50,720

UFOs are actually it is funny he was

1091

00:54:00,550 --> 00:53:57,170

excommunicated by the bishops of Caracas

1092

00:54:04,890 --> 00:54:00,560

because of a book he published on human

1093

00:54:11,680 --> 00:54:08,920

courtship marriage and sex in the

1094

00:54:13,630 --> 00:54:11,690

Catholic tradition and they thought it

1095

00:54:18,250 --> 00:54:13,640

was very much a racy very controversial

1096

00:54:21,310 --> 00:54:18,260

no doubt is much too and he's been in

1097

00:54:25,870 --> 00:54:21,320

prison he was imprisoned uh he's always

1098

00:54:27,730 --> 00:54:25,880

been at the edge of trouble and right

1099

00:54:30,520 --> 00:54:27,740

now he's bleeding back in Spain he's

1100

00:54:32,560 --> 00:54:30,530

happily married still writing his last

1101

00:54:35,560 --> 00:54:32,570

work I think was going to be proving

1102

00:54:39,340 --> 00:54:35,570

that Columbus was in fact not Italian

1103

00:54:41,050 --> 00:54:39,350

but from northwestern Spain and with

1104

00:54:42,430 --> 00:54:41,060

that project ever got done I don't know

1105

00:54:45,070 --> 00:54:42,440

but he's still active he just wrote

1106

00:54:46,540 --> 00:54:45,080

something this month so so let's get

1107

00:54:47,710 --> 00:54:46,550

back to that I want to get back to the

1108

00:54:51,700 --> 00:54:47,720

humanoid thinking if you don't mind

1109

00:54:53,740 --> 00:54:51,710

because I'm fascinated so so is he

1110

00:54:54,820 --> 00:54:53,750

looking at this as a priest is this a

1111

00:54:59,380 --> 00:54:54,830

spirit

1112

00:55:02,230 --> 00:54:59,390

is well as as as far as far as the

1113

00:55:04,090 --> 00:55:02,240

negativity goes as far as I mean do they

1114

00:55:06,520 --> 00:55:04,100

have some influence now the way he said

1115

00:55:08,290 --> 00:55:06,530

with the war that's going on do they

1116

00:55:13,540 --> 00:55:08,300

still influence us now these these these

1117

00:55:15,190 --> 00:55:13,550

gods and uh is this like an evil at this

1118

00:55:16,750 --> 00:55:15,200

this is what we're talking about again

1119

00:55:18,460 --> 00:55:16,760

you know I'll go back to this in every

1120

00:55:20,080 --> 00:55:18,470

shell because I'm always trying to get

1121

00:55:23,500 --> 00:55:20,090

to the bottom of this you know I was

1122

00:55:26,230 --> 00:55:23,510

trying to make some sense of you know

1123

00:55:28,720 --> 00:55:26,240

religion you know um Brian right and and

1124

00:55:31,510 --> 00:55:28,730

all this you know and what people saw or

1125

00:55:33,610 --> 00:55:31,520

what's actually going on or you know um

1126
00:55:38,320 --> 00:55:33,620
but I mean it was he talking as a priest

1127
00:55:39,850 --> 00:55:38,330
when he said that that was something

1128
00:55:41,950 --> 00:55:39,860
that influences they are they flying

1129
00:55:43,960 --> 00:55:41,960
around or they are they just sightings

1130
00:55:46,270 --> 00:55:43,970
in the woods I mean you know what was he

1131
00:55:47,620 --> 00:55:46,280
what was he going on well let's say let

1132
00:55:50,290 --> 00:55:47,630
well this would be separate from the

1133
00:55:51,700 --> 00:55:50,300
humanoids up he's if you want to go back

1134
00:55:54,780 --> 00:55:51,710
to talking but for sure those view on

1135
00:55:58,320 --> 00:55:54,790
the gods yeah I did yes his premise is

1136
00:56:02,140 --> 00:55:58,330
you have these entities that have been

1137
00:56:04,630 --> 00:56:02,150
to tulare to humanity humanity they make

1138
00:56:08,950 --> 00:56:04,640

uses it speak English to meet you Scott

1139

00:56:10,570 --> 00:56:08,960

yeah well I find it hard I but sometimes

1140

00:56:13,390 --> 00:56:10,580

you'll have to forgive me but let's see

1141

00:56:15,580 --> 00:56:13,400

that people that you have entities that

1142

00:56:18,970 --> 00:56:15,590

are superior to humans and have taken a

1143

00:56:20,710 --> 00:56:18,980

paternalistic approach to us sometimes

1144

00:56:23,280 --> 00:56:20,720

they're kind sometimes you're not kind

1145

00:56:26,500 --> 00:56:23,290

but they're not really interested in us

1146

00:56:28,360 --> 00:56:26,510

they are no more interested than an

1147

00:56:31,900 --> 00:56:28,370

example uses in this book that a hunter

1148

00:56:35,020 --> 00:56:31,910

is in the rabbits in the field unless he

1149

00:56:36,760 --> 00:56:35,030

happens to be hunting for rabbits um the

1150

00:56:39,450 --> 00:56:36,770

gods would sooner just ignore us all

1151

00:56:41,770 --> 00:56:39,460

together but if we do something that

1152

00:56:44,170 --> 00:56:41,780

gives them some kind of benefit like

1153

00:56:47,110 --> 00:56:44,180

whatever energy we release in our wars

1154

00:56:50,290 --> 00:56:47,120

that energy we release in sporting

1155

00:56:52,480 --> 00:56:50,300

events to he suggests is also something

1156

00:56:55,180 --> 00:56:52,490

any kind of conflict any generation of

1157

00:56:58,320 --> 00:56:55,190

great emotion which is why he says for

1158

00:57:01,480 --> 00:56:58,330

example up when people attend seances um

1159

00:57:04,380 --> 00:57:01,490

and you're told you must empty your mind

1160

00:57:08,800 --> 00:57:04,390

he says no no no you must keep your mind

1161

00:57:12,910 --> 00:57:08,810

type well shut and your eyes wide open

1162

00:57:15,820 --> 00:57:12,920

exactly what's going on now his beware

1163

00:57:19,360 --> 00:57:15,830

of the gods is let's say continuation of

1164

00:57:21,520 --> 00:57:19,370

an even larger book about parapsychology

1165

00:57:24,280 --> 00:57:21,530

that was really really became a handbook

1166

00:57:27,120 --> 00:57:24,290

in Latin American parapsychology in the

1167

00:57:32,430 --> 00:57:27,130

1970s and he covered the gamut from

1168

00:57:35,260 --> 00:57:32,440

ghosts to demonology to telekinesis and

1169

00:57:38,110 --> 00:57:35,270

it was always with this thing about

1170

00:57:41,890 --> 00:57:38,120

where do these powers come from and of

1171

00:57:43,960 --> 00:57:41,900

course ultimately who benefits so when

1172

00:57:45,610 --> 00:57:43,970

we're talking about conflicts if you if

1173

00:57:47,350 --> 00:57:45,620

we share the was here in our

1174

00:57:49,600 --> 00:57:47,360

conversation he would say look

1175

00:57:52,260 --> 00:57:49,610

whatever's going on in the Middle East

1176

00:57:55,240 --> 00:57:52,270

right now has been going on for

1177

00:57:57,790 --> 00:57:55,250

thousands of years and it's always a new

1178

00:58:00,970 --> 00:57:57,800

group of entities that comes through and

1179

00:58:03,730 --> 00:58:00,980

of course you know it's very hard to

1180

00:58:06,010 --> 00:58:03,740

just condense um he's written so much

1181

00:58:07,990 --> 00:58:06,020

but he don't want to just circumscribed

1182

00:58:09,550 --> 00:58:08,000

him to one book he has an even more

1183

00:58:11,860 --> 00:58:09,560

controversial book but I don't think

1184

00:58:15,220 --> 00:58:11,870

we'll ever get translated called Israel

1185

00:58:18,580 --> 00:58:15,230

the contactee people ah that book has

1186

00:58:20,860 --> 00:58:18,590

gotten to very serious trouble and that

1187

00:58:24,160 --> 00:58:20,870

he insists that that forget everything

1188

00:58:27,070 --> 00:58:24,170

else that is his main work so tell us

1189

00:58:29,050 --> 00:58:27,080

what that work is it was ok now Israel

1190

00:58:32,380 --> 00:58:29,060

bug the contactee nation or Israeli

1191

00:58:36,070 --> 00:58:32,390

public contact or in Spanish uh tries to

1192

00:58:42,310 --> 00:58:36,080

look at the Bible up all the books of of

1193

00:58:45,370 --> 00:58:42,320

Genesis as from an alien or non-human

1194

00:58:47,320 --> 00:58:45,380

Chronicle he doesn't go as far as ETS

1195

00:58:48,610 --> 00:58:47,330

that's not something he believes and not

1196

00:58:51,220 --> 00:58:48,620

something less on the best on a belief

1197

00:58:53,560 --> 00:58:51,230

that I share either but he says look

1198

00:58:55,470 --> 00:58:53,570

these entities look at them look at all

1199

00:58:58,660 --> 00:58:55,480

the descriptions throughout Scripture

1200

00:59:01,360 --> 00:58:58,670

look at the Ark of the Covenant look at

1201
00:59:05,410 --> 00:59:01,370
these things that suggests the presence

1202
00:59:08,890 --> 00:59:05,420
of this higher order of entities taking

1203
00:59:12,280 --> 00:59:08,900
advantage manipulating contradicting

1204
00:59:15,340 --> 00:59:12,290
themselves simply for their own benefit

1205
00:59:18,340 --> 00:59:15,350
using humans as puppets that is the

1206
00:59:21,790 --> 00:59:18,350
premise of that book and of course he

1207
00:59:22,630 --> 00:59:21,800
does he does play fast and loose with a

1208
00:59:24,849 --> 00:59:22,640
lot of concept

1209
00:59:27,120 --> 00:59:24,859
I think a lot of people would read the

1210
00:59:29,470 --> 00:59:27,130
book and translation and would find it

1211
00:59:30,910 --> 00:59:29,480
prejudiced so that's why I think that

1212
00:59:33,759 --> 00:59:30,920
book will never see the light of day in

1213
00:59:36,160 --> 00:59:33,769

English or in any other language now

1214

00:59:38,859 --> 00:59:36,170

what would you say then that he would

1215

00:59:41,740 --> 00:59:38,869

warn us to stay away from seances and

1216

00:59:43,930 --> 00:59:41,750

Ouija boards and perhaps that go out and

1217

00:59:46,990 --> 00:59:43,940

tried to make contact me some stellar

1218

00:59:49,089 --> 00:59:47,000

visitor absolutely and I think this is

1219

00:59:52,029 --> 00:59:49,099

something he made clear in yet another

1220

00:59:54,849 --> 00:59:52,039

book called na minha sex at history

1221

00:59:58,299 --> 00:59:54,859

which is what the alien menace Felicio

1222

01:00:00,430 --> 00:59:58,309

had a nephew I think hope I hope he

1223

01:00:03,099 --> 01:00:00,440

still has a nephew who became involved

1224

01:00:05,980 --> 01:00:03,109

with a contact he group and found

1225

01:00:08,859 --> 01:00:05,990

himself getting into automatic writing

1226

01:00:10,779 --> 01:00:08,869

and the automatic writing messages kept

1227

01:00:13,210 --> 01:00:10,789

telling him come out to these woods come

1228

01:00:16,089 --> 01:00:13,220

out to meet us come out to have true

1229

01:00:18,660 --> 01:00:16,099

physical contact Michelle go told us

1230

01:00:21,670 --> 01:00:18,670

nephew do not do this this is how

1231

01:00:23,859 --> 01:00:21,680

contact experiences tend to go awry and

1232

01:00:26,940 --> 01:00:23,869

I mean if we go back to our own contact

1233

01:00:29,319 --> 01:00:26,950

e tradition you know up Howard menger oh

1234

01:00:31,839 --> 01:00:29,329

you can see how would people when

1235

01:00:35,019 --> 01:00:31,849

meetings go out into the darkness into

1236

01:00:37,539 --> 01:00:35,029

the woods anything can happen to the

1237

01:00:41,380 --> 01:00:37,549

human we are the vulnerable ones in

1238

01:00:43,150 --> 01:00:41,390

these exchanges and whether it's someone

1239

01:00:46,329 --> 01:00:43,160

who says look I'm a grey alien from this

1240

01:00:49,109 --> 01:00:46,339

planet or I'm a kind space brother the

1241

01:00:51,249 --> 01:00:49,119

minute we are separated from the fold

1242

01:00:53,140 --> 01:00:51,259

that's when we set ourselves up for

1243

01:00:55,329 --> 01:00:53,150

possible disaster many times it doesn't

1244

01:00:56,799 --> 01:00:55,339

happen many times you get another

1245

01:01:00,279 --> 01:00:56,809

phenomenon that we share though loves

1246

01:01:03,130 --> 01:01:00,289

the phenomenon of illumination uh he has

1247

01:01:04,900 --> 01:01:03,140

studied the Illuminati not the political

1248

01:01:07,210 --> 01:01:04,910

Illuminati of our world but people who

1249

01:01:10,930 --> 01:01:07,220

have actually undergone the illumination

1250

01:01:12,759 --> 01:01:10,940

experience and he has a couple of cases

1251

01:01:15,069 --> 01:01:12,769

that I've always found very suggestive

1252

01:01:18,509 --> 01:01:15,079

he mentions even people that we consider

1253

01:01:21,849 --> 01:01:18,519

to be hoaxers now like Sai Baba in India

1254

01:01:23,849 --> 01:01:21,859

he approaches them from the position of

1255

01:01:26,499 --> 01:01:23,859

people who were just normal human beings

1256

01:01:29,650 --> 01:01:26,509

underwent to contact experience of some

1257

01:01:34,340 --> 01:01:29,660

sort and gained powers some of them

1258

01:01:36,770 --> 01:01:34,350

became demigods and he mentions

1259

01:01:39,040 --> 01:01:36,780

sai Baba and he mentioned sooo boood who

1260

01:01:42,770 --> 01:01:39,050

also had was also a mystical leader

1261

01:01:44,720 --> 01:01:42,780

within the Middle Eastern tradition who

1262

01:01:48,050 --> 01:01:44,730

could predict could perform what we call

1263

01:01:50,240 --> 01:01:48,060

miracles and that's he free Elsa always

1264

01:01:51,980 --> 01:01:50,250

found that very very intriguing but what

1265

01:01:54,500 --> 01:01:51,990

happens to these people after

1266

01:01:56,210 --> 01:01:54,510

enlightenment according to fresh air

1267

01:01:59,000 --> 01:01:56,220

though they usually come to a sticky end

1268

01:02:02,180 --> 01:01:59,010

and many times they have they die in

1269

01:02:05,090 --> 01:02:02,190

strange ways the only one that he

1270

01:02:08,780 --> 01:02:05,100

mentions it did seem to have you know a

1271

01:02:11,660 --> 01:02:08,790

normal end for this kind of character is

1272

01:02:14,390 --> 01:02:11,670

sung jung woon who also seems to have

1273

01:02:18,890 --> 01:02:14,400

had some kind of illumination experience

1274

01:02:20,420 --> 01:02:18,900

early in his life well you know I

1275

01:02:22,250 --> 01:02:20,430

actually worked with a I worked with a

1276

01:02:25,970 --> 01:02:22,260

guy who actually uh was a follower Sai

1277

01:02:28,520 --> 01:02:25,980

Baba and has people are the urban people

1278

01:02:31,070 --> 01:02:28,530

have come forward to bunk him I mean how

1279

01:02:33,320 --> 01:02:31,080

do we know that he was a false prophet

1280

01:02:35,810 --> 01:02:33,330

er well see now this is what I

1281

01:02:37,660 --> 01:02:35,820

understand remember now that being a

1282

01:02:40,970 --> 01:02:37,670

skeptic seems to be all the rage

1283

01:02:42,800 --> 01:02:40,980

everything that was ever put forward in

1284

01:02:44,510 --> 01:02:42,810

the field of UFO parapsychology

1285

01:02:47,630 --> 01:02:44,520

everything was a lie was a

1286

01:02:52,400 --> 01:02:47,640

misunderstanding it was a hoax a lot of

1287

01:02:54,500 --> 01:02:52,410

people still believe that Sai Baba was

1288

01:02:56,330 --> 01:02:54,510

real I have not studied it so I can't

1289

01:02:57,980 --> 01:02:56,340

tell you one way or another but people

1290

01:03:00,530 --> 01:02:57,990

who never really were involved beyond

1291

01:03:03,770 --> 01:03:00,540

having an image of his on the wall would

1292

01:03:05,360 --> 01:03:03,780

finally collecting ash believe me I used

1293

01:03:08,240 --> 01:03:05,370

to make fun of them on a daily basis for

1294

01:03:11,900 --> 01:03:08,250

even thinking this guy was a legit right

1295

01:03:14,060 --> 01:03:11,910

hey Messiah hey listen uh it it's like

1296

01:03:15,440 --> 01:03:14,070

making fun of any other religion anyone

1297

01:03:17,390 --> 01:03:15,450

else will follow and I do that and I

1298

01:03:19,100 --> 01:03:17,400

children of God or anything to that now

1299

01:03:20,750 --> 01:03:19,110

it's fine i mean but i'm saying i have

1300

01:03:24,110 --> 01:03:20,760

not studied this i'm just telling you

1301

01:03:26,600 --> 01:03:24,120

what well trying to I'm taking the great

1302

01:03:27,560 --> 01:03:26,610

it's very daring on my part to presume

1303

01:03:29,840 --> 01:03:27,570

this is what if they show that was

1304

01:03:31,970 --> 01:03:29,850

actually going with this but he does

1305

01:03:35,300 --> 01:03:31,980

mention sai baba he does mention an

1306

01:03:38,480 --> 01:03:35,310

incident that involves four American

1307

01:03:40,640 --> 01:03:38,490

movie makers who went to India and these

1308

01:03:41,690 --> 01:03:40,650

guys were being how cynical Hollywood

1309

01:03:44,360 --> 01:03:41,700

types and they were going to do a

1310

01:03:46,940 --> 01:03:44,370

documentary about this Indian you know

1311

01:03:47,720 --> 01:03:46,950

calm a mystic a mountebank whatever you

1312

01:03:49,730 --> 01:03:47,730

want to call

1313

01:03:52,520 --> 01:03:49,740

and one of them said you know the when I

1314

01:03:54,410 --> 01:03:52,530

meet this character the very first thing

1315

01:03:57,800 --> 01:03:54,420

I'm going to ask him is to make me a

1316

01:04:00,020 --> 01:03:57,810

rainbow so there they are there you know

1317

01:04:01,790 --> 01:04:00,030

bang through the roads of Indiana bleep

1318

01:04:04,280 --> 01:04:01,800

or whatever they were doing they get to

1319

01:04:07,220 --> 01:04:04,290

the ashram and the first thing they see

1320

01:04:09,620 --> 01:04:07,230

is an amazing sight a rainbow a

1321

01:04:12,950 --> 01:04:09,630

beautiful perfect rainbow rising from

1322

01:04:15,080 --> 01:04:12,960

the ground vertically into a cloud not

1323

01:04:18,130 --> 01:04:15,090

not a bow but it's a column of rainbow

1324

01:04:22,070 --> 01:04:18,140

light saibaba approaches the group and

1325

01:04:24,890 --> 01:04:22,080

ask them so characters what do you think

1326

01:04:26,540 --> 01:04:24,900

about the rainbow now all I can tell you

1327

01:04:29,240 --> 01:04:26,550

about that I've not looked into this

1328

01:04:31,130 --> 01:04:29,250

this is just anecdotal but one of the

1329

01:04:32,690 --> 01:04:31,140

characters one of the one of the the

1330

01:04:34,970 --> 01:04:32,700

Hollywood movie makers made a movie

1331

01:04:37,010 --> 01:04:34,980

called the night they raided minsky's

1332

01:04:40,880 --> 01:04:37,020

that's that's all I remember about it as

1333

01:04:44,300 --> 01:04:40,890

a move from the 60s and they said yeah

1334

01:04:46,099 --> 01:04:44,310

you know they had no there was no way

1335

01:04:48,380 --> 01:04:46,109

that saibaba could have heard them

1336

01:04:51,050 --> 01:04:48,390

talking during the ride to the ashram

1337

01:04:55,550 --> 01:04:51,060

and yet there was the rainbow and the

1338

01:04:57,500 --> 01:04:55,560

word character had been used so um you

1339

01:05:00,500 --> 01:04:57,510

know take it take it for what it's worth

1340

01:05:03,590 --> 01:05:00,510

I mean if if you believe that this is

1341

01:05:06,190 --> 01:05:03,600

all trickery that you know over the past

1342

01:05:09,140 --> 01:05:06,200

40 years we have just been subsisting on

1343

01:05:11,599 --> 01:05:09,150

hearsay and gossip and misunderstanding

1344

01:05:14,270 --> 01:05:11,609

sure sirs let's get let's get let's get

1345

01:05:17,570 --> 01:05:14,280

to your humanoids down yeah what about

1346

01:05:23,270 --> 01:05:17,580

them well ignorance so now yes and now

1347

01:05:27,320 --> 01:05:23,280

your research is my research started

1348

01:05:29,180 --> 01:05:27,330

with okay first of all my main goal and

1349

01:05:30,740 --> 01:05:29,190

getting involved in ufology was to let

1350

01:05:33,980 --> 01:05:30,750

people know what's going on in South

1351

01:05:36,890 --> 01:05:33,990

America and Spain and interested

1352

01:05:39,950 --> 01:05:36,900

humanoids is just one of the many up

1353

01:05:43,849 --> 01:05:39,960

arrows in my quiver um if you want to

1354

01:05:45,290 --> 01:05:43,859

start with well what kind of weak

1355

01:05:47,750 --> 01:05:45,300

against we could start wherever you want

1356

01:05:49,250 --> 01:05:47,760

to start I mean oh yeah wherever you

1357

01:05:51,170 --> 01:05:49,260

want to start with whatever inglis if

1358

01:05:55,580 --> 01:05:51,180

you want to talk about yeah what looks

1359

01:05:57,920 --> 01:05:55,590

like what why South America in Spain or

1360

01:05:59,960 --> 01:05:57,930

something keep going on there or you or

1361

01:06:01,730 --> 01:05:59,970

that's just who you want to inform

1362

01:06:03,620 --> 01:06:01,740

that's a bear you want to cover

1363

01:06:06,500 --> 01:06:03,630

well let's say take a very academic

1364

01:06:11,260 --> 01:06:06,510

approach to everything and i figured

1365

01:06:15,620 --> 01:06:11,270

it's important for me personally that

1366

01:06:18,140 --> 01:06:15,630

readers in the UK and the USA in canada

1367

01:06:20,510 --> 01:06:18,150

and australia know what's going on in

1368

01:06:23,960 --> 01:06:20,520

Latin America and Spain simply to have a

1369

01:06:26,720 --> 01:06:23,970

complete record I see that my mindset is

1370

01:06:30,350 --> 01:06:26,730

very much of the 1970s I still think

1371

01:06:32,660 --> 01:06:30,360

that ufology the parapsychology etc has

1372

01:06:34,460 --> 01:06:32,670

to be in written form and what we're

1373

01:06:36,950 --> 01:06:34,470

trying to do is to inform other

1374

01:06:39,200 --> 01:06:36,960

researchers so that they can incorporate

1375

01:06:41,630 --> 01:06:39,210

all this knowledge into their own work

1376

01:06:43,130 --> 01:06:41,640

now that doesn't seem to be working now

1377

01:06:45,230 --> 01:06:43,140

it's all entertainment now it's all

1378

01:06:48,620 --> 01:06:45,240

podcast or television or how can I get a

1379

01:06:51,109 --> 01:06:48,630

TV show but my way of doing things is

1380

01:06:53,030 --> 01:06:51,119

simply a way people to know what's

1381

01:06:54,830 --> 01:06:53,040

happening what happened and if you want

1382

01:06:56,300 --> 01:06:54,840

to start with the humanoids I could go

1383

01:06:58,490 --> 01:06:56,310

to the chupacabras I could go anywhere

1384

01:07:01,160 --> 01:06:58,500

you want me to but with the humanoids

1385

01:07:05,080 --> 01:07:01,170

you would have to go to the year 15 17

1386

01:07:07,730 --> 01:07:05,090

ah in the middle of the Aztec empire

1387

01:07:10,970 --> 01:07:07,740

shortly before the arrival of the

1388

01:07:14,540 --> 01:07:10,980

Spaniards you had the first UFO flap of

1389

01:07:16,960 --> 01:07:14,550

the Americas and it was documented by

1390

01:07:18,980 --> 01:07:16,970

the sages of the Aztec empire who were

1391

01:07:23,090 --> 01:07:18,990

there the service of the Emperor

1392

01:07:26,240 --> 01:07:23,100

Moctezuma and they described all the

1393

01:07:30,800 --> 01:07:26,250

paranormal events at to their mindset to

1394

01:07:33,770 --> 01:07:30,810

their cosmology up described the ending

1395

01:07:36,590 --> 01:07:33,780

of their age once all these events

1396

01:07:39,590 --> 01:07:36,600

happen that they were undergoing up the

1397

01:07:41,330 --> 01:07:39,600

end of times and in that end of times

1398

01:07:44,870 --> 01:07:41,340

they were seeing creatures they recalled

1399

01:07:47,060 --> 01:07:44,880

la consola in nahuatl and these were the

1400

01:07:49,010 --> 01:07:47,070

two-headed men they were seeing these

1401
01:07:52,340 --> 01:07:49,020
humanoid figures that would run around

1402
01:07:53,900 --> 01:07:52,350
with two heads and of course it sounds

1403
01:07:56,570 --> 01:07:53,910
very funny seller running around with

1404
01:08:01,550 --> 01:07:56,580
two heads these were terrifying images

1405
01:08:05,120 --> 01:08:01,560
to people living in Mesoamerica in the

1406
01:08:07,099 --> 01:08:05,130
year 1517 out one of them was captured

1407
01:08:10,250 --> 01:08:07,109
and actually brought before the Emperor

1408
01:08:11,900 --> 01:08:10,260
and it was described I mean that is the

1409
01:08:14,240 --> 01:08:11,910
this is the very first description that

1410
01:08:15,170 --> 01:08:14,250
we have of something paranormal on this

1411
01:08:17,419 --> 01:08:15,180
side of the world

1412
01:08:19,880 --> 01:08:17,429
so that's how are you so what happened

1413
01:08:21,220 --> 01:08:19,890

what happened with the it was described

1414

01:08:24,229 --> 01:08:21,230

and then what and then what happened

1415

01:08:25,760 --> 01:08:24,239

apparently was imprisoned and then it

1416

01:08:28,340 --> 01:08:25,770

disappeared like like all these things

1417

01:08:30,860 --> 01:08:28,350

you know that you don't really know how

1418

01:08:32,979 --> 01:08:30,870

much of it was myth how much of it was

1419

01:08:36,050 --> 01:08:32,989

real but the fact that it became

1420

01:08:38,870 --> 01:08:36,060

something so terrifying for it to them

1421

01:08:40,910 --> 01:08:38,880

that the Emperor had let's say court

1422

01:08:43,430 --> 01:08:40,920

sorcerers court magicians much like a

1423

01:08:45,890 --> 01:08:43,440

European ruler and they said you know my

1424

01:08:49,970 --> 01:08:45,900

lord we have no idea but this is this is

1425

01:08:52,370 --> 01:08:49,980

big medicine shall we say ah before you

1426

01:08:55,340 --> 01:08:52,380

knew it a couple of years later the year

1427

01:08:57,829 --> 01:08:55,350

1519 rolls around the first Europeans

1428

01:09:01,729 --> 01:08:57,839

come in and then Curtis and his band of

1429

01:09:04,280 --> 01:09:01,739

Spanish conquistadores and there you go

1430

01:09:08,050 --> 01:09:04,290

that is the end of their civilization

1431

01:09:12,380 --> 01:09:08,060

these images these UFOs that were seen

1432

01:09:14,959 --> 01:09:12,390

the boiling of Lake Texcoco from menorah

1433

01:09:17,450 --> 01:09:14,969

but completely unknown reasons probably

1434

01:09:20,150 --> 01:09:17,460

some kind of volcanic activity are the

1435

01:09:22,880 --> 01:09:20,160

discovery of I think it was a heron a

1436

01:09:25,280 --> 01:09:22,890

heron that had a mirror in its head some

1437

01:09:27,260 --> 01:09:25,290

kind of marriage structure that actually

1438

01:09:29,780 --> 01:09:27,270

showed them the arrival of the Spaniards

1439

01:09:32,240 --> 01:09:29,790

I mean these things just blew their

1440

01:09:33,620 --> 01:09:32,250

minds now you can tell you can ask me so

1441

01:09:37,360 --> 01:09:33,630

how do you know this is real we don't

1442

01:09:39,979 --> 01:09:37,370

know more than we know yeah but any

1443

01:09:41,780 --> 01:09:39,989

document from antiquity I mean we just

1444

01:09:44,090 --> 01:09:41,790

can't get into a time machine and go and

1445

01:09:47,180 --> 01:09:44,100

corroborate but this is where we start

1446

01:09:52,189 --> 01:09:47,190

reckoning the paranormal in Latin

1447

01:09:54,740 --> 01:09:52,199

America is with the 15-17 UFO flap and

1448

01:09:57,350 --> 01:09:54,750

then you start having so where do we go

1449

01:09:59,390 --> 01:09:57,360

from there you start going to the bub

1450

01:10:02,240 --> 01:09:59,400

the Europeans you start i believe the

1451
01:10:04,370 --> 01:10:02,250
chroniclers of the spanish conquest who

1452
01:10:06,470 --> 01:10:04,380
were coming up against the paranormal

1453
01:10:09,320 --> 01:10:06,480
you have the first chroniclers who were

1454
01:10:11,209 --> 01:10:09,330
describing Bigfoot or the bear man as

1455
01:10:13,459 --> 01:10:11,219
they called it and they were saying look

1456
01:10:15,200 --> 01:10:13,469
the natives believe in this and they see

1457
01:10:17,450 --> 01:10:15,210
it and they have records and they have

1458
01:10:20,800 --> 01:10:17,460
pelts so you start getting into your

1459
01:10:24,520 --> 01:10:20,810
early cryptozoology there then in the

1460
01:10:27,919 --> 01:10:24,530
Christopher Columbus starts describing

1461
01:10:29,330 --> 01:10:27,929
strange white-haired humanoids when he

1462
01:10:34,380 --> 01:10:29,340
arrives in

1463
01:10:36,030 --> 01:10:34,390

santo domingo and i think those were

1464

01:10:38,370 --> 01:10:36,040

tried they tried to make those seem at

1465

01:10:41,520 --> 01:10:38,380

one point that they were some kind of

1466

01:10:45,090 --> 01:10:41,530

avatars or some kind of entities that

1467

01:10:47,130 --> 01:10:45,100

were again paternalistic of the natives

1468

01:10:50,280 --> 01:10:47,140

of hispaniola of the island of

1469

01:10:52,320 --> 01:10:50,290

hispaniola of santo domingo um as you

1470

01:10:55,850 --> 01:10:52,330

start moving into South America the

1471

01:10:58,380 --> 01:10:55,860

conquest starts having very very strange

1472

01:11:02,010 --> 01:10:58,390

supernatural stories of entities

1473

01:11:04,560 --> 01:11:02,020

intervening on the side of either the

1474

01:11:07,560 --> 01:11:04,570

Indians or the Spaniards in in battle

1475

01:11:09,060 --> 01:11:07,570

and there's even a yep so what was one

1476

01:11:10,950 --> 01:11:09,070

of the big histories of I alone so they

1477

01:11:12,979 --> 01:11:10,960

have Celia who conquered it was the

1478

01:11:16,380 --> 01:11:12,989

chronicler of the conquest of Chile ah

1479

01:11:19,320 --> 01:11:16,390

there's a huge battle and they say that

1480

01:11:21,750 --> 01:11:19,330

one of the patrons of salve of Spain

1481

01:11:23,939 --> 01:11:21,760

actually appears on horseback in the

1482

01:11:26,010 --> 01:11:23,949

middle of the battle and now this is

1483

01:11:29,640 --> 01:11:26,020

something else that dovetails back to

1484

01:11:32,910 --> 01:11:29,650

free shadows belief that during major

1485

01:11:35,720 --> 01:11:32,920

conflicts in antiquity you would

1486

01:11:39,330 --> 01:11:35,730

actually have let's say avatars of

1487

01:11:42,240 --> 01:11:39,340

non-human forces getting into battles to

1488

01:11:45,150 --> 01:11:42,250

tip it one way or another to whichever

1489

01:11:47,820 --> 01:11:45,160

way would be more convenient which force

1490

01:11:49,709 --> 01:11:47,830

should win that would benefit us more or

1491

01:11:53,580 --> 01:11:49,719

which for should win they'll create more

1492

01:11:56,550 --> 01:11:53,590

bloodshed so we can absorb this energy

1493

01:11:59,370 --> 01:11:56,560

of the spilled blood so you see soap

1494

01:12:02,220 --> 01:11:59,380

soap with it it's it's not just a a

1495

01:12:05,250 --> 01:12:02,230

single avenue of research it's uh it's

1496

01:12:08,250 --> 01:12:05,260

more like a tree or bush it has branches

1497

01:12:11,189 --> 01:12:08,260

that go every which way and some of the

1498

01:12:13,400 --> 01:12:11,199

others branches of humanoid experience

1499

01:12:16,050 --> 01:12:13,410

come right up to the present I think Tim

1500

01:12:17,610 --> 01:12:16,060

remembers one of the famous cases of the

1501

01:12:22,590 --> 01:12:17,620

50s and I think it's a one that people

1502

01:12:26,220 --> 01:12:22,600

remember the most um the hairy dwarf

1503

01:12:30,300 --> 01:12:26,230

like humanoid in Caracas that attacked

1504

01:12:33,240 --> 01:12:30,310

the two guys who were walking by um one

1505

01:12:35,250 --> 01:12:33,250

of the men takes out a knife stabs one

1506

01:12:38,459 --> 01:12:35,260

of these hairy humanoids and i think the

1507

01:12:40,470 --> 01:12:38,469

knife bends because they're so dense or

1508

01:12:42,839 --> 01:12:40,480

they're so powerful and now one of them

1509

01:12:44,609 --> 01:12:42,849

is they start dragging toward

1510

01:12:46,589 --> 01:12:44,619

a sorcerer or some kind of craft and

1511

01:12:48,509 --> 01:12:46,599

it's only because they put up this

1512

01:12:51,419 --> 01:12:48,519

tremendous struggle or another vehicle

1513

01:12:53,879 --> 01:12:51,429

comes that that would would have been an

1514

01:12:56,580 --> 01:12:53,889

early abduction experience gets

1515

01:12:59,429 --> 01:12:56,590

interrupted and that is one of those

1516

01:13:02,909 --> 01:12:59,439

early landmark cases from the 1950s now

1517

01:13:05,279 --> 01:13:02,919

before that we had been having um up

1518

01:13:07,649 --> 01:13:05,289

other experiences involving humanoid

1519

01:13:10,969 --> 01:13:07,659

creatures but those were always woven

1520

01:13:16,139 --> 01:13:10,979

into the traditions of let's say

1521

01:13:18,899 --> 01:13:16,149

Mountain spirits or um let's say in in

1522

01:13:22,709 --> 01:13:18,909

in the Andes down in South America they

1523

01:13:25,109 --> 01:13:22,719

always have figures that help mountain

1524

01:13:27,750 --> 01:13:25,119

climbers and seem to be guardians of the

1525

01:13:29,699 --> 01:13:27,760

mountain whereas in Mexico these are the

1526

01:13:32,069 --> 01:13:29,709

humanoid figures that look kind of human

1527

01:13:34,109 --> 01:13:32,079

but weren't seemed to be interested in

1528

01:13:37,649 --> 01:13:34,119

guarding treasure protecting treasure in

1529

01:13:41,489 --> 01:13:37,659

many cases luring people into caves who

1530

01:13:43,770 --> 01:13:41,499

would then die um for some reason so so

1531

01:13:47,399 --> 01:13:43,780

if you start looking through the what

1532

01:13:50,639 --> 01:13:47,409

happened between the UFO era of 1947 and

1533

01:13:52,709 --> 01:13:50,649

the earlier conquest everything that

1534

01:13:54,810 --> 01:13:52,719

happened in between just seemed to be to

1535

01:13:59,819 --> 01:13:54,820

become part of the paranormal the ghost

1536

01:14:02,520 --> 01:13:59,829

tradition the tradition of shall we say

1537

01:14:05,819 --> 01:14:02,530

I don't want to use the word avatars

1538

01:14:07,290 --> 01:14:05,829

let's say elementals and a lot of those

1539

01:14:10,349 --> 01:14:07,300

things were just simply sandwiched in

1540

01:14:11,879 --> 01:14:10,359

there and became part of you know go

1541

01:14:16,049 --> 01:14:11,889

stories on whatever book survived from

1542

01:14:18,179 --> 01:14:16,059

the time now these early reports what

1543

01:14:19,649 --> 01:14:18,189

was the they were getting some press

1544

01:14:22,139 --> 01:14:19,659

coverage because I remember things and

1545

01:14:24,659 --> 01:14:22,149

even some foreign clippings going back

1546

01:14:29,219 --> 01:14:24,669

many many years how did the the press

1547

01:14:33,540 --> 01:14:29,229

treat these sightings it depended on the

1548

01:14:36,270 --> 01:14:33,550

newspaper um remember South America

1549

01:14:39,000 --> 01:14:36,280

maybe not today I can't tell you for

1550

01:14:41,969 --> 01:14:39,010

sure chilly definitely Argentina perhaps

1551

01:14:44,389 --> 01:14:41,979

they still have different editions of

1552

01:14:46,439 --> 01:14:44,399

the newspaper you get your morning paper

1553

01:14:49,199 --> 01:14:46,449

and you have the afternoon than the

1554

01:14:51,060 --> 01:14:49,209

Bulldog edition and sometimes an evening

1555

01:14:53,609 --> 01:14:51,070

paper as people are coming out of the

1556

01:14:55,040 --> 01:14:53,619

office and going home so it dependent of

1557

01:14:57,020 --> 01:14:55,050

what time of day

1558

01:14:59,570 --> 01:14:57,030

uh they would get either more

1559

01:15:02,510 --> 01:14:59,580

seriousness or perhaps a bit more levity

1560

01:15:05,720 --> 01:15:02,520

applied to whatever was going on and you

1561

01:15:07,790 --> 01:15:05,730

have the little tabloids that much like

1562

01:15:11,690 --> 01:15:07,800

in vallejo in Puerto Rico which covered

1563

01:15:14,330 --> 01:15:11,700

most of the chupacabras incidents of the

1564

01:15:16,760 --> 01:15:14,340

1990s it was these little tabloid

1565

01:15:20,900 --> 01:15:16,770

stories that would either give you

1566

01:15:23,420 --> 01:15:20,910

completely crazy impossible clearly made

1567

01:15:25,460 --> 01:15:23,430

up sensational stories or they would

1568

01:15:28,460 --> 01:15:25,470

just say look this is so crazy when it

1569

01:15:32,420 --> 01:15:28,470

straight if a cab driver tells you that

1570

01:15:34,700 --> 01:15:32,430

a humanoid feline entity ran across the

1571

01:15:36,980 --> 01:15:34,710

street while he was picking up a fare

1572

01:15:40,730 --> 01:15:36,990

that is so crazy you don't have to

1573

01:15:44,150 --> 01:15:40,740

embellish it if another cap a taxi

1574

01:15:46,910 --> 01:15:44,160

driver says that he was driving taking

1575

01:15:50,330 --> 01:15:46,920

what is it up the Antonio sabato to be

1576

01:15:53,300 --> 01:15:50,340

unaware of a case of 1953 he was driving

1577

01:15:56,030 --> 01:15:53,310

an American couple from Mexico City in

1578

01:15:57,890 --> 01:15:56,040

his taxi cab back to the US border which

1579

01:16:00,440 --> 01:15:57,900

is right then on the end itself i mean

1580

01:16:04,820 --> 01:16:00,450

that's that's kind of nutty uh his cab

1581

01:16:06,350 --> 01:16:04,830

breaks down and he runs into UFO aliens

1582

01:16:08,510 --> 01:16:06,360

or whatever he construe them to be

1583

01:16:11,540 --> 01:16:08,520

that's crazy enough you don't have to

1584

01:16:15,370 --> 01:16:11,550

embellish it run the story so we have a

1585

01:16:19,190 --> 01:16:15,380

lot of stories from less than ideal

1586

01:16:21,680 --> 01:16:19,200

newspapers that turned out to be

1587

01:16:25,190 --> 01:16:21,690

factually true as far as the person

1588

01:16:27,950 --> 01:16:25,200

understood the events to be now local

1589

01:16:32,000 --> 01:16:27,960

newspapers in let's say in Veracruz or

1590

01:16:34,510 --> 01:16:32,010

let's say up north and went away they

1591

01:16:37,190 --> 01:16:34,520

were trying to be very faithful because

1592

01:16:39,380 --> 01:16:37,200

this was the community they were

1593

01:16:41,300 --> 01:16:39,390

discussing you don't want to make your

1594

01:16:45,410 --> 01:16:41,310

community look silly and you certainly

1595

01:16:47,660 --> 01:16:45,420

don't want the rage of your readers you

1596

01:16:50,120 --> 01:16:47,670

don't want to lose readers so pretty

1597

01:16:52,400 --> 01:16:50,130

much whenever researchers started

1598

01:16:54,110 --> 01:16:52,410

looking back in on the stories they

1599

01:16:56,390 --> 01:16:54,120

could interview the witnesses you would

1600

01:17:01,160 --> 01:16:56,400

find that their stories held water as

1601
01:17:03,880 --> 01:17:01,170
far as something completely outrageously

1602
01:17:08,450 --> 01:17:03,890
nonsensical seeming can hold water and

1603
01:17:09,110 --> 01:17:08,460
that's we go by um I'm trying to think

1604
01:17:14,420 --> 01:17:09,120
but

1605
01:17:17,030 --> 01:17:14,430
going back to the the case in an Caracas

1606
01:17:19,190 --> 01:17:17,040
the Ponzi case as it was called this

1607
01:17:22,550 --> 01:17:19,200
really received coverage than flying

1608
01:17:25,370 --> 01:17:22,560
saucer review which unfortunately is one

1609
01:17:29,570 --> 01:17:25,380
of those great forgotten sources of

1610
01:17:31,820 --> 01:17:29,580
information that it's we i look around

1611
01:17:33,950 --> 01:17:31,830
now and I think we don't have anything

1612
01:17:37,010 --> 01:17:33,960
like flying saucer review we don't have

1613
01:17:38,540 --> 01:17:37,020

a publication of record that can say

1614

01:17:41,750 --> 01:17:38,550

look this is from around the world from

1615

01:17:43,730 --> 01:17:41,760

China from South America from Africa we

1616

01:17:45,770 --> 01:17:43,740

don't have it now it's simply you know

1617

01:17:50,120 --> 01:17:45,780

people grasp for information wherever we

1618

01:17:52,700 --> 01:17:50,130

can and like Carla's why said white boy

1619

01:17:55,820 --> 01:17:52,710

Latin America why Spain I've taken upon

1620

01:17:59,420 --> 01:17:55,830

myself no one's asked me up to simply be

1621

01:18:02,000 --> 01:17:59,430

the one let's say pick up the shreds of

1622

01:18:05,750 --> 01:18:02,010

the mantle that Gordon Crichton left and

1623

01:18:08,770 --> 01:18:05,760

be the one to just say okay guys look if

1624

01:18:12,890 --> 01:18:08,780

you should want to know what's going on

1625

01:18:15,260 --> 01:18:12,900

with traditional UFO cases or what's

1626

01:18:19,280 --> 01:18:15,270

happening right now right now there's a

1627

01:18:20,990 --> 01:18:19,290

there's a um what seems to be a new UFO

1628

01:18:23,480 --> 01:18:21,000

flap taking care taking place in

1629

01:18:26,000 --> 01:18:23,490

Argentina which happens every every five

1630

01:18:28,790 --> 01:18:26,010

to ten years I've come over to in

1631

01:18:32,840 --> 01:18:28,800

explicarte we have the information we

1632

01:18:34,700 --> 01:18:32,850

have the correspondence and we're not

1633

01:18:36,770 --> 01:18:34,710

trying to we're not trying to tell

1634

01:18:39,980 --> 01:18:36,780

stories I mean we're not dissing for me

1635

01:18:41,450 --> 01:18:39,990

it's a spokesman spokesman purely purely

1636

01:18:44,360 --> 01:18:41,460

the way we're just trying to get the

1637

01:18:46,280 --> 01:18:44,370

information out there for the record and

1638

01:18:48,290 --> 01:18:46,290

I've been telling people I've been doing

1639

01:18:51,350 --> 01:18:48,300

radio for many many years I did some

1640

01:18:54,410 --> 01:18:51,360

television back in the day none of this

1641

01:18:57,290 --> 01:18:54,420

information is going to help us now this

1642

01:18:59,390 --> 01:18:57,300

information that we've gathered up is

1643

01:19:02,570 --> 01:18:59,400

going to be of the benefit of people who

1644

01:19:04,250 --> 01:19:02,580

haven't been born yet who have will have

1645

01:19:08,300 --> 01:19:04,260

the mother the four side will have the

1646

01:19:11,060 --> 01:19:08,310

ability to look back and say hey we can

1647

01:19:13,520 --> 01:19:11,070

link those cases together that

1648

01:19:15,080 --> 01:19:13,530

chupacabras incident with that Mothman

1649

01:19:17,240 --> 01:19:15,090

incident over there maybe even that

1650

01:19:19,190 --> 01:19:17,250

Bigfoot incident over there all these

1651

01:19:22,100 --> 01:19:19,200

crypto things will tie together maybe

1652

01:19:24,859 --> 01:19:22,110

the flap in Argentina

1653

01:19:26,750 --> 01:19:24,869

right now coincidence Anna what's going

1654

01:19:28,430 --> 01:19:26,760

on over there they've been having lights

1655

01:19:32,450 --> 01:19:28,440

they've been seeing a lot of strange

1656

01:19:35,330 --> 01:19:32,460

lights you know it and again Tim knows

1657

01:19:39,109 --> 01:19:35,340

what I mean what I'm saying that the

1658

01:19:41,000 --> 01:19:39,119

case is that I even Sanderson would have

1659

01:19:46,070 --> 01:19:41,010

thrown out automatically the lights in

1660

01:19:49,129 --> 01:19:46,080

the sky lately the c/e ones are now what

1661

01:19:51,020 --> 01:19:49,139

is the what is the rage worldwide people

1662

01:19:54,020 --> 01:19:51,030

want more videos they want more

1663

01:19:56,180 --> 01:19:54,030

photographs of these things at my god

1664

01:19:58,520 --> 01:19:56,190

they're coming out of South America like

1665

01:20:01,640 --> 01:19:58,530

crazy well you just you know I've

1666

01:20:04,640 --> 01:20:01,650

noticed I've noticed that the on YouTube

1667

01:20:07,189 --> 01:20:04,650

for example that the the videos that get

1668

01:20:09,379 --> 01:20:07,199

the most hits are not the the interviews

1669

01:20:11,990 --> 01:20:09,389

like i like i do you know i try to have

1670

01:20:14,689 --> 01:20:12,000

a serious conversation with with someone

1671

01:20:16,459 --> 01:20:14,699

people do want to see the the phenomena

1672

01:20:18,649 --> 01:20:16,469

most of it i mean as far as I'm

1673

01:20:22,669 --> 01:20:18,659

concerned it's not very spectacular true

1674

01:20:26,120 --> 01:20:22,679

and the end the the YouTube alien the

1675

01:20:28,609 --> 01:20:26,130

videos process are totally absurd you

1676
01:20:30,709 --> 01:20:28,619
got you gotta laugh and you know some

1677
01:20:32,149 --> 01:20:30,719
people want to be titillated by this

1678
01:20:34,669 --> 01:20:32,159
they want entertainment and they don't

1679
01:20:37,070 --> 01:20:34,679
care really one way or another whether

1680
01:20:39,700 --> 01:20:37,080
it's legitimate or not and who's to say

1681
01:20:41,390 --> 01:20:39,710
probably some of the most ridiculous a

1682
01:20:43,100 --> 01:20:41,400
photograph so the ones that are

1683
01:20:45,859 --> 01:20:43,110
legitimate and the ones that look like

1684
01:20:50,090 --> 01:20:45,869
structured craft probably are you know

1685
01:20:52,879 --> 01:20:50,100
like pie pans tossed in the sky now how

1686
01:20:56,320 --> 01:20:52,889
does the sightings of humanoids vary

1687
01:20:59,090 --> 01:20:56,330
from one country to another is there any

1688
01:21:01,550 --> 01:20:59,100

variation well of course now as far as I

1689

01:21:03,740 --> 01:21:01,560

know no shoot two humanoids actually

1690

01:21:06,830 --> 01:21:03,750

ever look the same I mean it seems like

1691

01:21:08,810 --> 01:21:06,840

it's a potluck the draw exactly what it

1692

01:21:10,550 --> 01:21:08,820

is that you're going to encounter but

1693

01:21:13,959 --> 01:21:10,560

are there any patterns that have emerged

1694

01:21:17,060 --> 01:21:13,969

you know I think Tim the only the only

1695

01:21:19,750 --> 01:21:17,070

similarity in creatures I think was back

1696

01:21:21,859 --> 01:21:19,760

when France was having that wave of

1697

01:21:24,530 --> 01:21:21,869

humanoids you know blonde haired guys

1698

01:21:27,609 --> 01:21:24,540

and tight silver suits back in the 50s I

1699

01:21:30,459 --> 01:21:27,619

got what we look at my closet right now

1700

01:21:32,629 --> 01:21:30,469

za easy breathing still turn it's like a

1701

01:21:35,610 --> 01:21:32,639

Prince Albert in the bell I would come

1702

01:21:38,130 --> 01:21:35,620

out I don't know about the alien haha

1703

01:21:40,320 --> 01:21:38,140

but you know these are these guys these

1704

01:21:44,850 --> 01:21:40,330

cases back from the 50s you did see that

1705

01:21:47,580 --> 01:21:44,860

commonality uh but not in in the Latin

1706

01:21:50,010 --> 01:21:47,590

American countries you still had aliens

1707

01:21:51,660 --> 01:21:50,020

that were described a short old men they

1708

01:21:54,630 --> 01:21:51,670

elected with the features of old men

1709

01:21:57,090 --> 01:21:54,640

then Brazil had that tradition of giants

1710

01:21:59,900 --> 01:21:57,100

the giant humanoids that were talking

1711

01:22:03,690 --> 01:21:59,910

about six feet tall nine feet tall um

1712

01:22:06,330 --> 01:22:03,700

the Argentine have someone say six feet

1713

01:22:08,010 --> 01:22:06,340

are 60 tall in it which one giant uh he

1714

01:22:10,800 --> 01:22:08,020

only had one I could wear things like

1715

01:22:12,720 --> 01:22:10,810

that's right that's right in Argentina

1716

01:22:17,880 --> 01:22:12,730

and then you have the the 0 Hania

1717

01:22:20,910 --> 01:22:17,890

Douglas case of 1963 um at the 1963 or

1718

01:22:23,100 --> 01:22:20,920

66 a camera call but these were also

1719

01:22:26,040 --> 01:22:23,110

giant humanoids you had this truck

1720

01:22:27,990 --> 01:22:26,050

driver tried to make it as destination

1721

01:22:30,660 --> 01:22:28,000

you know it's hard enough I'm sure that

1722

01:22:33,560 --> 01:22:30,670

his dispatcher was on his case and all

1723

01:22:36,510 --> 01:22:33,570

of a sudden he has to stop this light

1724

01:22:39,330 --> 01:22:36,520

knocks out the power to his truck he

1725

01:22:41,130 --> 01:22:39,340

comes out he sees these giant aliens on

1726

01:22:44,010 --> 01:22:41,140

the road they're trying to get him he

1727

01:22:47,480 --> 01:22:44,020

whips out a gun and it's one of the most

1728

01:22:50,370 --> 01:22:47,490

visual dramatic cases that I know of in

1729

01:22:52,890 --> 01:22:50,380

UFO history and yet of course you know

1730

01:22:54,690 --> 01:22:52,900

top his back and forth did it exists did

1731

01:22:58,890 --> 01:22:54,700

it happen did he have a gun were they in

1732

01:23:01,920 --> 01:22:58,900

fact 9 to 12 feet tall you have to go

1733

01:23:05,190 --> 01:23:01,930

with the information that we were given

1734

01:23:08,280 --> 01:23:05,200

and of course a lot of people who are

1735

01:23:09,870 --> 01:23:08,290

now who were let's say active believer

1736

01:23:13,650 --> 01:23:09,880

researchers of the time now become

1737

01:23:16,350 --> 01:23:13,660

skeptics still stand by the research

1738

01:23:18,630 --> 01:23:16,360

they did and they said look we

1739

01:23:21,390 --> 01:23:18,640

interviewed okay and you're Douglas and

1740

01:23:24,480 --> 01:23:21,400

he was not crazy he was not drunk this

1741

01:23:27,900 --> 01:23:24,490

is what he believes he saw and we go by

1742

01:23:31,080 --> 01:23:27,910

that now there was an an even bigger

1743

01:23:34,770 --> 01:23:31,090

case in 1975 covered the initial yanka

1744

01:23:38,640 --> 01:23:34,780

case anthony co yanka was another truck

1745

01:23:41,370 --> 01:23:38,650

driver in Argentina who was stopped by

1746

01:23:45,420 --> 01:23:41,380

these blond aliens I think he was taken

1747

01:23:47,970 --> 01:23:45,430

aboard a saucer you know typical blood

1748

01:23:49,140 --> 01:23:47,980

work you know things at the that seemed

1749

01:23:53,090 --> 01:23:49,150

to be the

1750

01:23:56,610 --> 01:23:53,100

stock and trade of cd3 is back then um

1751

01:23:58,590 --> 01:23:56,620

he was psychoanalyze they apparently he

1752

01:24:01,080 --> 01:23:58,600

had some kind of posthypnotic suggestion

1753

01:24:03,630 --> 01:24:01,090

and he disappeared and they said well

1754

01:24:06,150 --> 01:24:03,640

since he disappeared he must have been

1755

01:24:08,700 --> 01:24:06,160

another mountebank out to make a couple

1756

01:24:11,900 --> 01:24:08,710

of pesos you know as best he could the

1757

01:24:14,460 --> 01:24:11,910

guy resurfaced last year the year before

1758

01:24:16,800 --> 01:24:14,470

he's been quietly all these years

1759

01:24:19,080 --> 01:24:16,810

staying out of the way working as a

1760

01:24:21,240 --> 01:24:19,090

mechanic in the south of Argentina and

1761

01:24:23,490 --> 01:24:21,250

people went to look for him and he's

1762

01:24:25,890 --> 01:24:23,500

like oh not you again let's not start

1763

01:24:28,680 --> 01:24:25,900

with that yeah that happened don't ask

1764

01:24:31,440 --> 01:24:28,690

me I'm not talking about it so we go

1765

01:24:34,620 --> 01:24:31,450

right back to the witness what and I

1766

01:24:37,260 --> 01:24:34,630

said I know that someone wiser than me

1767

01:24:39,750 --> 01:24:37,270

has said this that when we look at UFOs

1768

01:24:43,200 --> 01:24:39,760

you're studying the human aspect of the

1769

01:24:46,860 --> 01:24:43,210

phenomenon d whatever is magical or

1770

01:24:49,920 --> 01:24:46,870

alien or bizarre is not within our grasp

1771

01:24:52,320 --> 01:24:49,930

and of course in that and when you see

1772

01:24:54,960 --> 01:24:52,330

if that way you can actually say yes the

1773

01:24:56,760 --> 01:24:54,970

scientists the skeptics are right when

1774

01:24:59,580 --> 01:24:56,770

they say look when we have a flying

1775

01:25:02,520 --> 01:24:59,590

saucer in our hand or a dead humanoid or

1776

01:25:06,240 --> 01:25:02,530

a live humanoid even better than we can

1777

01:25:08,850 --> 01:25:06,250

talk but all that we can do is hold on

1778

01:25:11,550 --> 01:25:08,860

to that human experience whether we just

1779

01:25:15,210 --> 01:25:11,560

try to do a straight interview or we try

1780

01:25:17,550 --> 01:25:15,220

to hypnotize or psychoanalyze or somehow

1781

01:25:19,080 --> 01:25:17,560

get to the root of the story it's all we

1782

01:25:22,170 --> 01:25:19,090

have is the person we have the

1783

01:25:25,050 --> 01:25:22,180

experiencer and that's it otherwise

1784

01:25:27,510 --> 01:25:25,060

we're out of luck well now why do you

1785

01:25:30,840 --> 01:25:27,520

think I started that the the humanoid

1786

01:25:33,720 --> 01:25:30,850

encounters never really had court has

1787

01:25:36,000 --> 01:25:33,730

caught out here in the in America I mean

1788

01:25:39,690 --> 01:25:36,010

we've had a few like Lonnie Zamora saw

1789

01:25:43,470 --> 01:25:39,700

the two beings and coveralls outside the

1790

01:25:45,720 --> 01:25:43,480

craft fair in Socorro New Mexico but for

1791

01:25:50,250 --> 01:25:45,730

the most part at least in the early days

1792

01:25:53,370 --> 01:25:50,260

the beings were almost angelic Nordic

1793

01:25:57,900 --> 01:25:53,380

types of blue eyes blonde hair not

1794

01:26:00,090 --> 01:25:57,910

necessarily all of that but we don't

1795

01:26:02,669 --> 01:26:00,100

seem to have here no bright anywhere

1796

01:26:05,189 --> 01:26:02,679

near anywhere near the number of

1797

01:26:06,270 --> 01:26:05,199

it's of strange entities like the

1798

01:26:09,299 --> 01:26:06,280

humanoids that have been reported

1799

01:26:11,759 --> 01:26:09,309

throughout South America well I've just

1800

01:26:14,509 --> 01:26:11,769

what angel just said no black aliens you

1801

01:26:17,250 --> 01:26:14,519

know that is true with one exception

1802

01:26:21,149 --> 01:26:17,260

there have been cases in Brazil where

1803

01:26:23,160 --> 01:26:21,159

you have up call them nonhumans or if

1804

01:26:27,689 --> 01:26:23,170

you want to call the occupants of lights

1805

01:26:31,319 --> 01:26:27,699

or craft that are of clearly either

1806

01:26:36,179 --> 01:26:31,329

native Brazilian stock that's happens to

1807

01:26:38,219 --> 01:26:36,189

be Carioca or with African influences to

1808

01:26:44,850 --> 01:26:38,229

them now of course as part of the

1809

01:26:47,819 --> 01:26:44,860

abductee of paradigm of the 1990s these

1810

01:26:50,910 --> 01:26:47,829

were seen as hybrids possibly human

1811

01:26:52,799 --> 01:26:50,920

human human and non-human hybrids notice

1812

01:26:56,209 --> 01:26:52,809

I'm not saying alien human and non-human

1813

01:26:59,729 --> 01:26:56,219

hybrids that have you been a nonhuman

1814

01:27:01,859 --> 01:26:59,739

what exactly that mean I'm human human

1815

01:27:03,989 --> 01:27:01,869

no no no no no excuse me no human are

1816

01:27:05,790 --> 01:27:03,999

over alien with the worst the whole

1817

01:27:08,819 --> 01:27:05,800

excuse more else excuse me the word

1818

01:27:12,029 --> 01:27:08,829

alien unfortunately has been co-opted to

1819

01:27:16,290 --> 01:27:12,039

mean extraterrestrial nowadays so I'm

1820

01:27:19,399 --> 01:27:16,300

always very own mexican um what a hit

1821

01:27:24,390 --> 01:27:19,409

what I always say is we're talking about

1822

01:27:26,939 --> 01:27:24,400

nonhumans para humans ah ultra

1823

01:27:28,469 --> 01:27:26,949

terrestrials to say that these are these

1824

01:27:32,129 --> 01:27:28,479

are beings that somehow come into our

1825

01:27:34,979 --> 01:27:32,139

reality but we cannot say for sure until

1826

01:27:37,500 --> 01:27:34,989

you know I think arthur arthur c clarke

1827

01:27:39,839 --> 01:27:37,510

said it facetiously back in the 1950s

1828

01:27:42,959 --> 01:27:39,849

it's not alien unless you see the

1829

01:27:44,219 --> 01:27:42,969

Martian license plate and it was funny

1830

01:27:45,660 --> 01:27:44,229

back then maybe it's not so funny now

1831

01:27:48,600 --> 01:27:45,670

but it's still something to keep in mind

1832

01:27:52,709 --> 01:27:48,610

but you were asking me about the racial

1833

01:27:56,669 --> 01:27:52,719

differences up that's the only case that

1834

01:27:59,339 --> 01:27:56,679

I know of where you have a humanoid

1835

01:28:02,399 --> 01:27:59,349

creatures that look of another ethnic

1836

01:28:04,410 --> 01:28:02,409

group of another racial group are the

1837

01:28:06,870 --> 01:28:04,420

ones in Brazil described in the 1990s

1838

01:28:09,839 --> 01:28:06,880

but these are already under the

1839

01:28:11,370 --> 01:28:09,849

abduction paradigm now going back to

1840

01:28:13,589 --> 01:28:11,380

what Tim was saying about how come we

1841

01:28:16,709 --> 01:28:13,599

only had listened the scorer aliens if

1842

01:28:18,779 --> 01:28:16,719

you look back at but the year of the hue

1843

01:28:22,529 --> 01:28:18,789

mid nineteen seventy three you were

1844

01:28:25,469 --> 01:28:22,539

getting everything and you had the short

1845

01:28:27,479 --> 01:28:25,479

ones tall ones humanoid ones helmeted

1846

01:28:30,719 --> 01:28:27,489

ones ones that seem to be able to

1847

01:28:33,989 --> 01:28:30,729

breathe the atmosphere in Latin America

1848

01:28:37,109 --> 01:28:33,999

you were getting strange bizarre

1849

01:28:40,799 --> 01:28:37,119

monsters like in Peru you had some very

1850

01:28:44,689 --> 01:28:40,809

strange aliens um in Brazil us have we

1851
01:28:48,239 --> 01:28:44,699
had the Giants Argentina only recently

1852
01:28:51,810 --> 01:28:48,249
started getting diminutive aliens and in

1853
01:28:55,259 --> 01:28:51,820
fact up during the craze of the greys in

1854
01:28:59,640 --> 01:28:55,269
the 1990s we were not getting any cases

1855
01:29:01,560 --> 01:28:59,650
of the so-called ebe s or whatever in

1856
01:29:03,629 --> 01:29:01,570
South America that that came later

1857
01:29:06,120 --> 01:29:03,639
that's sort of a you might even say some

1858
01:29:07,979 --> 01:29:06,130
kind of an acculturation process where

1859
01:29:10,109 --> 01:29:07,989
people now start reporting what they've

1860
01:29:11,819 --> 01:29:10,119
been seeing that they've been seeing on

1861
01:29:16,739 --> 01:29:11,829
the cover of books are seeing in on

1862
01:29:18,509 --> 01:29:16,749
documentaries are these uh how

1863
01:29:21,020 --> 01:29:18,519

intelligent are they I mean we should

1864

01:29:24,359 --> 01:29:21,030

say I we know they they scooped up soil

1865

01:29:25,919 --> 01:29:24,369

sometimes they paralyze witnesses that

1866

01:29:28,919 --> 01:29:25,929

seems to be pretty common I think right

1867

01:29:32,370 --> 01:29:28,929

but on the intel on the intelligence

1868

01:29:37,109 --> 01:29:32,380

scale between 0 and 10 where would you

1869

01:29:41,569 --> 01:29:37,119

put these humanoids ah that i think you

1870

01:29:45,660 --> 01:29:41,579

get a mixed bag going back to to Spain

1871

01:29:47,939 --> 01:29:45,670

1950s you had the humanoids the blonde

1872

01:29:50,879 --> 01:29:47,949

humanoids in the tight space suits that

1873

01:29:54,060 --> 01:29:50,889

were actually giving up this one

1874

01:29:56,569 --> 01:29:54,070

particular contactee information that

1875

01:30:00,080 --> 01:29:56,579

later made him a very wealthy man and

1876

01:30:03,989 --> 01:30:00,090

they would pay him there as I said this

1877

01:30:06,029 --> 01:30:03,999

it falls into the contactee tradition

1878

01:30:07,799 --> 01:30:06,039

but since this man is still with us and

1879

01:30:10,589 --> 01:30:07,809

did physically benefit from the

1880

01:30:13,469 --> 01:30:10,599

information he was just a hotel owner

1881

01:30:15,060 --> 01:30:13,479

and these blond entities would come in

1882

01:30:17,729 --> 01:30:15,070

they would walk they did not he never

1883

01:30:19,589 --> 01:30:17,739

saw a spaceship he never saw crafts they

1884

01:30:22,259 --> 01:30:19,599

would come to visit him and ask

1885

01:30:24,299 --> 01:30:22,269

questions and they would they wanted two

1886

01:30:26,640 --> 01:30:24,309

things they wanted milk and bread which

1887

01:30:29,310 --> 01:30:26,650

he was willing to sell them and they

1888

01:30:30,450 --> 01:30:29,320

would pay pay him with gold nuggets from

1889

01:30:33,000 --> 01:30:30,460

the local River

1890

01:30:34,680 --> 01:30:33,010

and he said wait a minute were you guys

1891

01:30:36,810 --> 01:30:34,690

getting this gold is it down the river

1892

01:30:39,630 --> 01:30:36,820

in fact when we're done with our mission

1893

01:30:43,050 --> 01:30:39,640

we will show you where the gold is now

1894

01:30:46,610 --> 01:30:43,060

this man went ahead and after these

1895

01:30:49,290 --> 01:30:46,620

encounters were over he found the a

1896

01:30:51,690 --> 01:30:49,300

great concentration of placer gold in

1897

01:30:54,540 --> 01:30:51,700

the river and went on to become an

1898

01:30:57,209 --> 01:30:54,550

industrialist so he'd this whatever was

1899

01:31:00,780 --> 01:30:57,219

going on here he did benefit there was

1900

01:31:02,370 --> 01:31:00,790

some kind of tangible outcome to this

1901

01:31:04,020 --> 01:31:02,380

encounter and there was a lot of

1902

01:31:07,560 --> 01:31:04,030

scientific information being given to

1903

01:31:09,660 --> 01:31:07,570

this person at the time now you have the

1904

01:31:11,370 --> 01:31:09,670

the ones who just run around and maybe

1905

01:31:15,360 --> 01:31:11,380

scream or they scurry when they see

1906

01:31:18,260 --> 01:31:15,370

humans uh you have cases that drivers

1907

01:31:20,790 --> 01:31:18,270

come upon landed craft and they'll see

1908

01:31:22,620 --> 01:31:20,800

humanoids engaging in strange activity

1909

01:31:26,340 --> 01:31:22,630

collecting soil samples they don't seem

1910

01:31:27,720 --> 01:31:26,350

to be doing much else um and I'm trying

1911

01:31:31,320 --> 01:31:27,730

to think of other cases where they may

1912

01:31:32,820 --> 01:31:31,330

have been a higher intelligence shown

1913

01:31:34,979 --> 01:31:32,830

and there's those are usually the ones

1914

01:31:37,740 --> 01:31:34,989

where you are taken into what you think

1915

01:31:40,170 --> 01:31:37,750

is some kind of craft or into it and

1916

01:31:43,320 --> 01:31:40,180

Latin America is called a syndra with it

1917

01:31:46,020 --> 01:31:43,330

with an X which is simply a gigantic

1918

01:31:49,680 --> 01:31:46,030

light on the ground it looks like

1919

01:31:51,450 --> 01:31:49,690

nothing but a gigantic sodium light but

1920

01:31:54,209 --> 01:31:51,460

you can walk into it and that's where

1921

01:31:57,810 --> 01:31:54,219

the encounter takes place but again now

1922

01:32:00,570 --> 01:31:57,820

you're talking about the contactee

1923

01:32:03,410 --> 01:32:00,580

tradition overlapping into what you

1924

01:32:06,540 --> 01:32:03,420

might call with serious ufology or

1925

01:32:09,650 --> 01:32:06,550

mainstream ufology when you talk about

1926
01:32:11,640 --> 01:32:09,660
these other beliefs now what about the

1927
01:32:14,010 --> 01:32:11,650
we've seen here in the United States

1928
01:32:17,630 --> 01:32:14,020
likes the high meanest on to get more

1929
01:32:20,729 --> 01:32:17,640
reports of objects in humanoids from

1930
01:32:23,370 --> 01:32:20,739
Mexico would you say that Mexico is the

1931
01:32:25,890 --> 01:32:23,380
most active country now as far as the

1932
01:32:27,959 --> 01:32:25,900
UFO phenomena goes or is it somewhere

1933
01:32:30,120 --> 01:32:27,969
else we should be paying attention to i

1934
01:32:36,300 --> 01:32:30,130
would say in argentina i would say

1935
01:32:39,110 --> 01:32:36,310
argentina um a lot of the videos and

1936
01:32:42,150 --> 01:32:39,120
photographs of humanoids coming out of

1937
01:32:43,710 --> 01:32:42,160
Mexico unfortunately have proved to be

1938
01:32:47,460 --> 01:32:43,720

less than impressive

1939

01:32:51,060 --> 01:32:47,470

when you know finally analyzed under the

1940

01:32:54,390 --> 01:32:51,070

could I've reason but what we're getting

1941

01:32:58,140 --> 01:32:54,400

out of Argentina for the past I'm gonna

1942

01:33:01,200 --> 01:32:58,150

say going back to the beginning of the

1943

01:33:04,500 --> 01:33:01,210

2000s has been very impressive we're

1944

01:33:08,340 --> 01:33:04,510

getting a lot of traditional ce3 s you

1945

01:33:13,170 --> 01:33:08,350

can still count on decency e2s however

1946

01:33:16,770 --> 01:33:13,180

in recent years up the increase in

1947

01:33:19,440 --> 01:33:16,780

people having model aviation that they

1948

01:33:22,340 --> 01:33:19,450

get to pass off as UFOs lights in the

1949

01:33:26,670 --> 01:33:22,350

sky you have people with drones now um

1950

01:33:28,320 --> 01:33:26,680

that's sort of skewed the photography

1951

01:33:31,110 --> 01:33:28,330

and the video aspect sometimes you don't

1952

01:33:33,030 --> 01:33:31,120

know what it is you're looking at but

1953

01:33:35,910 --> 01:33:33,040

when it comes to the cases you have

1954

01:33:39,330 --> 01:33:35,920

cases still involving police officers

1955

01:33:42,780 --> 01:33:39,340

are home undergone strange experiences

1956

01:33:47,610 --> 01:33:42,790

with UFOs on the ground experiences with

1957

01:33:50,910 --> 01:33:47,620

humanoid creatures that look schleck

1958

01:33:53,850 --> 01:33:50,920

short short human-like creatures in

1959

01:33:58,130 --> 01:33:53,860

spacesuits maybe with the features are

1960

01:34:00,480 --> 01:33:58,140

different and these go back to maybe

1961

01:34:03,150 --> 01:34:00,490

2006-2007 so we're talking still within

1962

01:34:06,450 --> 01:34:03,160

the past 10 years so I think anyone who

1963

01:34:08,670 --> 01:34:06,460

wants to go down and really get their

1964

01:34:11,130 --> 01:34:08,680

hands dirty would do well to go to

1965

01:34:13,500 --> 01:34:11,140

Argentina rather than Mexico now are

1966

01:34:16,710 --> 01:34:13,510

there are there individuals and groups

1967

01:34:19,650 --> 01:34:16,720

that are actively investigating these

1968

01:34:22,440 --> 01:34:19,660

kind of cases today because here in the

1969

01:34:25,830 --> 01:34:22,450

US we pretty much just have new fun and

1970

01:34:29,070 --> 01:34:25,840

then of course Peter Davenport collects

1971

01:34:31,800 --> 01:34:29,080

the data data and puts it on his his UFO

1972

01:34:34,920 --> 01:34:31,810

site but there were you know in the old

1973

01:34:37,590 --> 01:34:34,930

days and I keep mentioning this you know

1974

01:34:39,990 --> 01:34:37,600

the local papers around the country

1975

01:34:41,340 --> 01:34:40,000

would print reports of UFOs and they

1976

01:34:43,740 --> 01:34:41,350

would mention the name of the person and

1977

01:34:46,620 --> 01:34:43,750

often given the address right I would

1978

01:34:49,140 --> 01:34:46,630

could call these witnesses on the on the

1979

01:34:50,850 --> 01:34:49,150

telephone interview them we had

1980

01:34:54,290 --> 01:34:50,860

magazines in those vases with actually

1981

01:34:57,120 --> 01:34:54,300

purchase our material so you had a

1982

01:34:59,580 --> 01:34:57,130

limited amount of funding at least

1983

01:35:01,379 --> 01:34:59,590

do some field work whether it was on the

1984

01:35:03,689 --> 01:35:01,389

telephone or actually you know buying

1985

01:35:05,669 --> 01:35:03,699

that getting into your car and pumping

1986

01:35:08,399 --> 01:35:05,679

some gasoline and driving a couple

1987

01:35:13,050 --> 01:35:08,409

hundred miles on the road today outside

1988

01:35:14,610 --> 01:35:13,060

of new fun I don't see that at all well

1989

01:35:16,800 --> 01:35:14,620

it's interesting I think that right now

1990

01:35:19,680 --> 01:35:16,810

going back to Argentina they have the

1991

01:35:22,439 --> 01:35:19,690

most groups they have the Argentine UFO

1992

01:35:26,160 --> 01:35:22,449

foundation from the son of Nero he

1993

01:35:29,520 --> 01:35:26,170

cotton Tina they actually have groups

1994

01:35:32,189 --> 01:35:29,530

that do feel research uh whether its

1995

01:35:35,240 --> 01:35:32,199

crop circles whether it's siii tues

1996

01:35:38,310 --> 01:35:35,250

whether it's interviewing witnesses

1997

01:35:40,379 --> 01:35:38,320

conducting hypnotic regressions they do

1998

01:35:43,140 --> 01:35:40,389

it you have a lot of other private

1999

01:35:44,790 --> 01:35:43,150

groups bands of people who go in in

2000

01:35:47,910 --> 01:35:44,800

their own parts of the country see it's

2001

01:35:49,439 --> 01:35:47,920

it's hard to as Americans we just think

2002

01:35:52,020 --> 01:35:49,449

well you know we get on the interstate

2003

01:35:54,570 --> 01:35:52,030

and we're gonna drive over to Kansas and

2004

01:35:56,100 --> 01:35:54,580

we're gonna you can't do that in South

2005

01:35:59,430 --> 01:35:56,110

America many times you just have dirt

2006

01:36:01,530 --> 01:35:59,440

roads many times you will not have buses

2007

01:36:05,520 --> 01:36:01,540

or you don't have any filling stations

2008

01:36:07,950 --> 01:36:05,530

if you don't have a people in the area

2009

01:36:10,470 --> 01:36:07,960

to help you out let's say whether it's a

2010

01:36:14,399 --> 01:36:10,480

local police sometimes a local librarian

2011

01:36:17,129 --> 01:36:14,409

or what they call glue is M Eagles

2012

01:36:19,530 --> 01:36:17,139

recharge fanclubs of the subject up to

2013

01:36:21,930 --> 01:36:19,540

help you out you're very much left on to

2014

01:36:24,629 --> 01:36:21,940

your own devices and that's what makes

2015

01:36:26,640 --> 01:36:24,639

it hard getting around to where an

2016

01:36:28,500 --> 01:36:26,650

alleged landing to place where an

2017

01:36:30,020 --> 01:36:28,510

alleged flap took place is a lot harder

2018

01:36:32,520 --> 01:36:30,030

in South America than it is here

2019

01:36:35,399 --> 01:36:32,530

particularly in Argentina Mexico is a

2020

01:36:37,290 --> 01:36:35,409

lot easier but now you know with the

2021

01:36:41,160 --> 01:36:37,300

drug situation the way it is you could

2022

01:36:43,830 --> 01:36:41,170

run afoul of drug cartel people and

2023

01:36:45,090 --> 01:36:43,840

never come back I know that some people

2024

01:36:48,419 --> 01:36:45,100

were asking me well we want to get to

2025

01:36:49,950 --> 01:36:48,429

the zone of silence in the state of

2026

01:36:53,879 --> 01:36:49,960

Durango and I thought well listen that

2027

01:36:56,520 --> 01:36:53,889

is pretty much cartel territory you'll

2028

01:36:58,470 --> 01:36:56,530

be seeing a lot more than alien that's

2029

01:37:00,240 --> 01:36:58,480

really the zone of silence like yeah

2030

01:37:03,689 --> 01:37:00,250

here you'll be really silent you can't

2031

01:37:05,760 --> 01:37:03,699

go there well now now Scott okay so we

2032

01:37:07,470 --> 01:37:05,770

have reports of lights in the sky which

2033

01:37:09,689 --> 01:37:07,480

are pretty predominant here in this

2034

01:37:10,950 --> 01:37:09,699

country the video tapes and the still

2035

01:37:13,410 --> 01:37:10,960

photos and

2036

01:37:16,459 --> 01:37:13,420

so forth there have been some pretty

2037

01:37:20,100 --> 01:37:16,469

spectacular cases in in South America

2038

01:37:22,650 --> 01:37:20,110

involving the Air Force i think is it in

2039

01:37:24,810 --> 01:37:22,660

brazil that actually had the night of

2040

01:37:26,729 --> 01:37:24,820

the UFO where they set up interceptors

2041

01:37:29,310 --> 01:37:26,739

and closed it on these objects and of

2042

01:37:32,760 --> 01:37:29,320

course the objects bed you know away

2043

01:37:35,720 --> 01:37:32,770

fairly quickly outdistance the planes

2044

01:37:38,160 --> 01:37:35,730

right you have a certain degree of

2045

01:37:41,550 --> 01:37:38,170

disclosure there that you certainly

2046

01:37:44,540 --> 01:37:41,560

don't have in this country have any of

2047

01:37:47,090 --> 01:37:44,550

these the South American Nations

2048

01:37:49,590 --> 01:37:47,100

published anything or at least any

2049

01:37:52,350 --> 01:37:49,600

official documents on the humanoids or

2050

01:37:54,959 --> 01:37:52,360

is it all just patterns of the lights in

2051

01:37:58,410 --> 01:37:54,969

the sky no I think right now there's

2052

01:38:02,780 --> 01:37:58,420

there's an interesting paradigm going on

2053

01:38:06,180 --> 01:38:02,790

down there you have the Air Force's

2054

01:38:08,640 --> 01:38:06,190

setting up these boards of inquiry in

2055

01:38:12,270 --> 01:38:08,650

Brazil in Argentina and Chile and in

2056

01:38:14,400 --> 01:38:12,280

Peru you're not talking about MUFON

2057

01:38:17,340 --> 01:38:14,410

Koufos types you're talking about the

2058

01:38:19,440 --> 01:38:17,350

military and what they're telling is

2059

01:38:21,440 --> 01:38:19,450

that look guys please don't think that

2060

01:38:23,850 --> 01:38:21,450

we're out to prove the existence of

2061

01:38:26,370 --> 01:38:23,860

extraterrestrials we're trying to get to

2062

01:38:29,850 --> 01:38:26,380

the bottom of UFOs as a hazard to

2063

01:38:32,280 --> 01:38:29,860

aviation military and civilian that's

2064

01:38:34,950 --> 01:38:32,290

where they're coming from so they're

2065

01:38:36,690 --> 01:38:34,960

trying to declassify whatever it is that

2066

01:38:40,770 --> 01:38:36,700

they've had you know and you have right

2067

01:38:42,990 --> 01:38:40,780

now there's a major endeavor by a group

2068

01:38:46,200 --> 01:38:43,000

called Sephora in Argentina to get

2069

01:38:48,390 --> 01:38:46,210

Argentina you to classify I think

2070

01:38:51,020 --> 01:38:48,400

they've actually managed to give up

2071

01:38:54,420 --> 01:38:51,030

documents a request in hand to president

2072

01:38:58,620 --> 01:38:54,430

could we see that critter um about this

2073

01:39:00,479 --> 01:38:58,630

but Scott information hi karta hai no

2074

01:39:02,520 --> 01:39:00,489

you have to start wrapping this up so

2075

01:39:04,500 --> 01:39:02,530

what so what message you won't leave us

2076

01:39:07,500 --> 01:39:04,510

with about about what's going on and

2077

01:39:10,229 --> 01:39:07,510

what do you think a the sacred yeah the

2078

01:39:13,440 --> 01:39:10,239

takeaway here would be uh there's a look

2079

01:39:16,620 --> 01:39:13,450

south if you want to see truly amazing

2080

01:39:19,170 --> 01:39:16,630

work being done and cases that you would

2081

01:39:21,150 --> 01:39:19,180

not believe and that one wishes one

2082

01:39:23,910 --> 01:39:21,160

could go down look south look at Latin

2083

01:39:24,310 --> 01:39:23,920

America look across at the ocean up to

2084

01:39:27,160 --> 01:39:24,320

Spain

2085

01:39:28,689 --> 01:39:27,170

up take a look at Brazil them what their

2086

01:39:34,450 --> 01:39:28,699

militaries doing for the classification

2087

01:39:37,649 --> 01:39:34,460

and the longest published magazine and

2088

01:39:40,300 --> 01:39:37,659

latin in the spanish-speaking world is

2089

01:39:42,010 --> 01:39:40,310

lavista woo for out of Brazil I mean

2090

01:39:43,540 --> 01:39:42,020

that is simply that's one of a kind

2091

01:39:45,729 --> 01:39:43,550

that's the only one that's left and

2092

01:39:48,220 --> 01:39:45,739

whatever contact and what contact the

2093

01:39:49,270 --> 01:39:48,230

foe do you have if anybody wants to talk

2094

01:39:51,550 --> 01:39:49,280

any further because we really have to

2095

01:39:54,399 --> 01:39:51,560

wrap this up now okay you could just

2096

01:39:58,089 --> 01:39:54,409

email me at the Lauren is one at

2097

01:39:59,919 --> 01:39:58,099

outlook.com and stop by in explicarte at

2098

01:40:02,649 --> 01:39:59,929

blogspot com for the latest information

2099

01:40:04,959 --> 01:40:02,659

on UFO research in Latin America and

2100

01:40:07,240 --> 01:40:04,969

Spain great thank you so much Tim well

2101
01:40:10,600 --> 01:40:07,250
and well you know you know Scott I wish

2102
01:40:13,240 --> 01:40:10,610
we had more time and also wish we had

2103
01:40:16,899 --> 01:40:13,250
some publications that we could share

2104
01:40:20,140 --> 01:40:16,909
this information with because I think

2105
01:40:22,660 --> 01:40:20,150
the only evil speaking of a magazine in

2106
01:40:24,970 --> 01:40:22,670
print anymore is the Australian

2107
01:40:28,149 --> 01:40:24,980
ufologist that's it that's correct I

2108
01:40:30,729 --> 01:40:28,159
don't know of any other publication in

2109
01:40:33,280 --> 01:40:30,739
English outside as a couple now that

2110
01:40:36,069 --> 01:40:33,290
have developed in England that are on

2111
01:40:38,890 --> 01:40:36,079
the internet and they're very attractive

2112
01:40:42,459 --> 01:40:38,900
publications but boy I just can't quite

2113
01:40:46,169 --> 01:40:42,469

get into reading a magazine or a book I

2114

01:40:48,850 --> 01:40:46,179

don't know it's hard to do maybe it's my

2115

01:40:51,430 --> 01:40:48,860

eyesight maybe it's an alien mind

2116

01:40:54,720 --> 01:40:51,440

control but I sure in the heck I wish

2117

01:40:57,310 --> 01:40:54,730

that somebody would come forth with a

2118

01:41:00,310 --> 01:40:57,320

publication now open minds was very very

2119

01:41:02,050 --> 01:41:00,320

well done and very elaborate in fact

2120

01:41:03,640 --> 01:41:02,060

probably too elaborate because I do

2121

01:41:06,370 --> 01:41:03,650

believe that people are not looking for

2122

01:41:08,919 --> 01:41:06,380

gloss and color they're looking for

2123

01:41:11,890 --> 01:41:08,929

content but this kind of weather thank

2124

01:41:13,950 --> 01:41:11,900

you and for finding started this evening

2125

01:41:16,180 --> 01:41:13,960

thank you so much Carla thanks angel

2126

01:41:19,120 --> 01:41:16,190

it's always a pleasure to talk with you

2127

01:41:23,379 --> 01:41:19,130

and I'm sure that we will be doing more

2128

01:41:26,109 --> 01:41:23,389

research down the road and angel I want

2129

01:41:29,620 --> 01:41:26,119

to know you were at your assistance

2130

01:41:33,370 --> 01:41:29,630

tonight as engineer and producers and

2131

01:41:35,979 --> 01:41:33,380

Carla keep looking at the up at the sky

2132

01:41:38,229 --> 01:41:35,989

and we'll looks at it looks apps and

2133

01:41:40,689 --> 01:41:38,239

look sound thank you and remember

2134

01:41:45,430 --> 01:41:40,699

you're in jersey city gone over to

2135

01:41:47,500 --> 01:41:45,440

balance and look at the UFO paintings on

2136

01:41:49,569 --> 01:41:47,510

the wall inspect the inside of the

2137

01:41:52,870 --> 01:41:49,579

spaceship and what look after the great

2138

01:41:55,419 --> 01:41:52,880

lights burn and get and don't forget to

2139

01:41:58,299 --> 01:41:55,429

get your hair done while you're over

2140

01:42:00,850 --> 01:41:58,309

there ten send me a box of ice then send

2141

01:42:02,830 --> 01:42:00,860

me a box of snow I'm gonna throw a

2142

01:42:05,770 --> 01:42:02,840

snowball your way look sad look stop

2143

01:42:07,209 --> 01:42:05,780

angel we move north I am sorry it's

2144

01:42:09,009 --> 01:42:07,219

better it's better than looking for the

2145

01:42:12,089 --> 01:42:09,019

bread Carla we're looking for the ice

2146

01:42:15,279 --> 01:42:12,099

now yeah anyway this has this has been

2147

01:42:19,000 --> 01:42:15,289

unraveling the secrets and visit with us

2148

01:42:22,270 --> 01:42:19,010

again next Saturday evening at the same

2149

01:42:25,239 --> 01:42:22,280

time with the same host and with some

2150

01:42:30,129 --> 01:42:25,249

more exciting a guest remember it's less

2151

01:42:32,739 --> 01:42:30,139

chatter and more investigation here with

2152

01:42:35,919 --> 01:42:32,749

our world of UFOs and the paranoia
