

IN JERSEY

CARLA ANDI

NEW YORK CITY:

BRINKERHOFF

1
00:00:34,730 --> 00:00:33,110
welcome and unraveling the secrets were

2
00:00:36,350 --> 00:00:34,740
rich for the connecting links between

3
00:00:38,840 --> 00:00:36,360
the delicious feeds of the group of

4
00:00:40,670 --> 00:00:38,850
secret society outlaws we're creating a

5
00:00:42,740 --> 00:00:40,680
tightly controlled rural society with

6
00:00:45,260 --> 00:00:42,750
them as bosses and you and I as slaves

7
00:00:47,720 --> 00:00:45,270
to their system popularly known as the

8
00:00:49,790 --> 00:00:47,730
New World Order research indicates that

9
00:00:52,340 --> 00:00:49,800
most of the unexplained crafts we see in

10
00:00:54,590 --> 00:00:52,350
our skies from somewhere on or inside

11
00:00:56,270 --> 00:00:54,600
our planet display the research of the

12
00:00:58,310 --> 00:00:56,280
hard-working subterranean theories in

13
00:01:00,860 --> 00:00:58,320

the nineteen eighties nineties which in

14

00:01:02,540 --> 00:01:00,870

turn led to the realization but the

15

00:01:04,220 --> 00:01:02,550

answers we seek are the control or the

16

00:01:06,590 --> 00:01:04,230

number of other latest groups and secret

17

00:01:08,870 --> 00:01:06,600

societies that we call collectively the

18

00:01:10,880 --> 00:01:08,880

controllers need a quick look at recent

19

00:01:12,380 --> 00:01:10,890

world events should convince anyone that

20

00:01:14,570 --> 00:01:12,390

the controllers plan is working very

21

00:01:16,760 --> 00:01:14,580

well it is these things

22

00:01:19,190 --> 00:01:16,770

you reach for on this radio show join us

23

00:01:24,270 --> 00:01:19,200

as we work towards unraveling the

24

00:01:31,029 --> 00:01:27,370

good evening ladies and gentlemen this

25

00:01:33,120 --> 00:01:31,039

is Timothy green Beckley mr. UFO and we

26

00:01:36,700 --> 00:01:33,130

are on the air with another episode of

27

00:01:39,010 --> 00:01:36,710

unraveling the secrets and tonight we're

28

00:01:42,760 --> 00:01:39,020

going to ask the question are there

29

00:01:45,160 --> 00:01:42,770

aliens living amongst us it's a subject

30

00:01:47,609 --> 00:01:45,170

that certainly is titillating and

31

00:01:50,039 --> 00:01:47,619

fascinating to a lot of people

32

00:01:52,029 --> 00:01:50,049

supposedly there are are

33

00:01:55,510 --> 00:01:52,039

extraterrestrials or alter terrestrials

34

00:01:57,339 --> 00:01:55,520

living right here beside us because why

35

00:02:00,039 --> 00:01:57,349

is that possible or how is that possible

36

00:02:02,520 --> 00:02:00,049

because they look very human they are

37

00:02:04,929 --> 00:02:02,530

not scary monsters they are not

38

00:02:09,490 --> 00:02:04,939

insecticides they are not reptilians

39

00:02:11,470 --> 00:02:09,500

they are normal-looking men and women

40

00:02:14,229 --> 00:02:11,480

perhaps a little bit on the good-looking

41

00:02:19,270 --> 00:02:14,239

side I kind of described them as your

42

00:02:22,780 --> 00:02:19,280

typical soap opera star and on the other

43

00:02:25,990 --> 00:02:22,790

side of the Hudson River in Jersey City

44

00:02:29,050 --> 00:02:26,000

we have that unbalanced balance girl

45

00:02:30,819 --> 00:02:29,060

Carla Anderson College evening how was

46

00:02:32,680 --> 00:02:30,829

your weekend you know I had that that

47

00:02:36,160 --> 00:02:32,690

that big white come in that time he was

48

00:02:38,800 --> 00:02:36,170

very good-looking there you go well yep

49

00:02:41,680 --> 00:02:38,810

these are now the big white man of taste

50

00:02:43,180 --> 00:02:41,690

man of taste coming to balance they they

51
00:02:45,520 --> 00:02:43,190
are usually the big ways usually

52
00:02:48,120 --> 00:02:45,530
described as rather being rather tall

53
00:02:50,650 --> 00:02:48,130
these would be average size

54
00:02:53,979 --> 00:02:50,660
extraterrestrials in fact we're going to

55
00:02:56,589 --> 00:02:53,989
talk this evening about a particular et

56
00:02:59,620 --> 00:02:56,599
by the name of valiant Thor who

57
00:03:01,270 --> 00:02:59,630
supposedly lived inside the Pentagon for

58
00:03:03,910 --> 00:03:01,280
three years with the permission of the

59
00:03:07,960 --> 00:03:03,920
USA a government he had no fingerprints

60
00:03:11,800 --> 00:03:07,970
his a uniform could not be torn or cut

61
00:03:14,710 --> 00:03:11,810
or burned and he was willing to share

62
00:03:16,809 --> 00:03:14,720
information with the US government and

63
00:03:21,069 --> 00:03:16,819

he lived here amongst us supposedly for

64

00:03:23,650 --> 00:03:21,079

three years and Craig Campos eye is the

65

00:03:25,030 --> 00:03:23,660

producer of a film called stranger to

66

00:03:27,890 --> 00:03:25,040

Pentagon which is based on this

67

00:03:43,870 --> 00:03:27,900

particular incident we've heard of you

68

00:03:51,470 --> 00:03:47,750

maybe what was gonna happen to you this

69

00:03:53,030 --> 00:03:51,480

proposal is quite extraordinary capital

70

00:03:54,140 --> 00:03:53,040

city's president is considering signing

71

00:04:04,180 --> 00:03:54,150

an agreement with them for their

72

00:04:10,010 --> 00:04:07,670

we also have mark Brinkerhoff who has

73

00:04:13,270 --> 00:04:10,020

been on our shows before here on the PSN

74

00:04:16,610 --> 00:04:13,280

radio network and he of course has had

75

00:04:19,880 --> 00:04:16,620

et contacts since he was very very young

76

00:04:22,220 --> 00:04:19,890

and he has the amazing ability to go out

77

00:04:24,530 --> 00:04:22,230

he lives here in Manhattan but he can go

78

00:04:26,840 --> 00:04:24,540

outside of his apartment or down to

79

00:04:28,760 --> 00:04:26,850

Central Park with his camera and pointed

80

00:04:32,000 --> 00:04:28,770

into the sky and take some rather

81

00:04:32,990 --> 00:04:32,010

amazing pictures of weird things that

82

00:04:34,670 --> 00:04:33,000

cannot be explained

83

00:04:36,620 --> 00:04:34,680

two things I don't think he's been on

84

00:04:38,450 --> 00:04:36,630

this show yet though well yes you're

85

00:04:40,880 --> 00:04:38,460

right he's been on the outer edge which

86

00:04:43,850 --> 00:04:40,890

was the program that I was co-hosting

87

00:04:46,490 --> 00:04:43,860

previously with the Tim Schwartz ed

88

00:04:47,570 --> 00:04:46,500

Michael my but he's been on a program

89

00:04:50,110 --> 00:04:47,580

surfing I've known him for quite a

90

00:04:53,330 --> 00:04:50,120

number of years and even though his

91

00:04:57,200 --> 00:04:53,340

experiences are rather far-fetched and

92

00:04:59,890 --> 00:04:57,210

far out he does have the evidence in the

93

00:05:02,000 --> 00:04:59,900

way of photographs in fact I just

94

00:05:03,980 --> 00:05:02,010

completed a book which we published a

95

00:05:06,800 --> 00:05:03,990

couple of weeks ago called the UFO

96

00:05:09,770 --> 00:05:06,810

repeaters the camera does not lie it's

97

00:05:12,920 --> 00:05:09,780

about 14 individuals who have this

98

00:05:15,620 --> 00:05:12,930

unmistakable ability to have some sort

99

00:05:16,340 --> 00:05:15,630

of mental contact with these altered

100

00:05:18,620 --> 00:05:16,350

terrestrials

101
00:05:21,770 --> 00:05:18,630
and they instruct them at specific times

102
00:05:23,720 --> 00:05:21,780
to to go outside and aim their camera at

103
00:05:27,170 --> 00:05:23,730
the sky and when they develop the photos

104
00:05:30,620 --> 00:05:27,180
there are UFOs on them and some of them

105
00:05:32,630 --> 00:05:30,630
are really humdingers of the objects I

106
00:05:34,970 --> 00:05:32,640
mean we're not just talking about you

107
00:05:37,420 --> 00:05:34,980
know lights in the sky and in satellites

108
00:05:40,180 --> 00:05:37,430
and stuff like that we're talking about

109
00:05:42,409 --> 00:05:40,190
strange things that just cannot be

110
00:05:44,300 --> 00:05:42,419
explained I mean they are they are

111
00:05:46,940 --> 00:05:44,310
oddball objects and they are definitely

112
00:05:49,460 --> 00:05:46,950
UFOs some have a structure to them now

113
00:05:52,430 --> 00:05:49,470

some of the photographs that mark is

114

00:05:55,969 --> 00:05:52,440

taken you can actually see inside the

115

00:05:57,590 --> 00:05:55,979

port of the of the craft and there's one

116

00:06:00,830 --> 00:05:57,600

picture of what I call a shot

117

00:06:03,410 --> 00:06:00,840

albian see a silhouette of someone or

118

00:06:05,390 --> 00:06:03,420

something standing there so the way we

119

00:06:08,500 --> 00:06:05,400

could see the pictures Tim well they are

120

00:06:11,330 --> 00:06:08,510

online yes if you go to Marc's web

121

00:06:14,480 --> 00:06:11,340

website or even go to Facebook because I

122

00:06:16,340 --> 00:06:14,490

posted them this afternoon and if you go

123

00:06:18,500 --> 00:06:16,350

to his website you'll see a lot more are

124

00:06:20,210 --> 00:06:18,510

they in the book the UFO repeaters they

125

00:06:23,150 --> 00:06:20,220

are the UFO repeaters yes they are in a

126

00:06:24,320 --> 00:06:23,160

book a good many of our but mark is

127

00:06:27,020 --> 00:06:24,330

actually taking so many that you

128

00:06:30,320 --> 00:06:27,030

couldn't put them all uh in there but

129

00:06:32,650 --> 00:06:30,330

he's a markable young gentleman and he

130

00:06:34,880 --> 00:06:32,660

has a very unique story to tell and

131

00:06:38,210 --> 00:06:34,890

we're even going to find out about his

132

00:06:40,700 --> 00:06:38,220

higher self which he says is actually on

133

00:06:44,140 --> 00:06:40,710

board of one of these craft that visit

134

00:06:47,990 --> 00:06:44,150

him on a regular basis here in Manhattan

135

00:06:50,330 --> 00:06:48,000

now this you know the idea or the

136

00:06:51,770 --> 00:06:50,340

concept that they are among us is not

137

00:06:55,210 --> 00:06:51,780

really that new I mean I have been

138

00:06:58,400 --> 00:06:55,220

hearing stories for quite a number of

139

00:07:01,400 --> 00:06:58,410

years I remember back I think it was

140

00:07:03,620 --> 00:07:01,410

even in the late 60s or early 70s I was

141

00:07:06,380 --> 00:07:03,630

giving a lecture and up in Michigan

142

00:07:09,080 --> 00:07:06,390

somewhere and after the program or my

143

00:07:10,820 --> 00:07:09,090

presentation was over one of the

144

00:07:13,520 --> 00:07:10,830

individuals in the audience who was a

145

00:07:15,890 --> 00:07:13,530

professor actually approached me and he

146

00:07:19,190 --> 00:07:15,900

said I want to tell you a story but I

147

00:07:20,840 --> 00:07:19,200

don't want you to use my name and you

148

00:07:23,390 --> 00:07:20,850

know I don't want to be involved with it

149

00:07:26,960 --> 00:07:23,400

personally but supposedly he knew a

150

00:07:30,680 --> 00:07:26,970

woman a very good character who had been

151
00:07:32,210 --> 00:07:30,690
driving outside of town a rather late at

152
00:07:35,080 --> 00:07:32,220
night or at least after sunset

153
00:07:39,770 --> 00:07:35,090
now she so off to the side of the road

154
00:07:42,530 --> 00:07:39,780
uh a very bright light which as she got

155
00:07:45,890 --> 00:07:42,540
closer she could see was a ship of some

156
00:07:48,200 --> 00:07:45,900
sorts resting there on a landing year

157
00:07:49,820 --> 00:07:48,210
now she kind of pulled onto the side of

158
00:07:52,780 --> 00:07:49,830
the road to shut her headlights off

159
00:07:55,130 --> 00:07:52,790
because obviously she didn't want to be

160
00:07:56,450 --> 00:07:55,140
observed because she didn't know what

161
00:07:58,370 --> 00:07:56,460
that you know she didn't know what this

162
00:08:02,150 --> 00:07:58,380
was about who these people were but she

163
00:08:03,950 --> 00:08:02,160

did know that it was pretty unusual that

164

00:08:05,990 --> 00:08:03,960

this craft would be there it didn't look

165

00:08:08,180 --> 00:08:06,000

like anything it wasn't a helicopter it

166

00:08:10,190 --> 00:08:08,190

wasn't an airplane there were no drones

167

00:08:11,490 --> 00:08:10,200

in those days this did not something

168

00:08:14,250 --> 00:08:11,500

that appeared to be made

169

00:08:18,090 --> 00:08:14,260

so from a safe distance she watched as

170

00:08:20,660 --> 00:08:18,100

several individuals came out of the of

171

00:08:23,610 --> 00:08:20,670

the object and got into an earthly made

172

00:08:27,120 --> 00:08:23,620

automobile a black car usually is

173

00:08:30,120 --> 00:08:27,130

described and she saw she saw enough of

174

00:08:32,339 --> 00:08:30,130

their facial features she said that if

175

00:08:35,580 --> 00:08:32,349

she ever saw them again she would

176
00:08:39,600 --> 00:08:35,590
recognize them well sure enough she was

177
00:08:42,300 --> 00:08:39,610
in a supermarket two or three days later

178
00:08:44,820 --> 00:08:42,310
she was getting into the checkout line

179
00:08:47,610 --> 00:08:44,830
when she noticed like two individuals up

180
00:08:49,260 --> 00:08:47,620
in front of her one of the men that she

181
00:08:52,230 --> 00:08:49,270
had seen get out of the craft and get

182
00:08:55,290 --> 00:08:52,240
into the automobile she decided to

183
00:08:58,470 --> 00:08:55,300
follow him and to see you know if she

184
00:09:00,210 --> 00:08:58,480
could engage him in conversation well of

185
00:09:03,360 --> 00:09:00,220
course it took her maybe a minute or two

186
00:09:05,640 --> 00:09:03,370
to get out of the check-out line after

187
00:09:07,320 --> 00:09:05,650
he had proceeded out the door when she

188
00:09:09,630 --> 00:09:07,330

got out the door there was no sign of

189

00:09:14,910 --> 00:09:09,640

this particular individual or any

190

00:09:17,340 --> 00:09:14,920

vehicle that he arrived in and to this

191

00:09:18,930 --> 00:09:17,350

day or the last time you know anybody

192

00:09:21,120 --> 00:09:18,940

spoke to her about this she was

193

00:09:23,040 --> 00:09:21,130

convinced that this was someone not of

194

00:09:26,730 --> 00:09:23,050

this planet and there are other stories

195

00:09:29,460 --> 00:09:26,740

that I've heard in this to this regard

196

00:09:32,760 --> 00:09:29,470

down in Highbridge New Jersey back in

197

00:09:35,910 --> 00:09:32,770

the 70s and 80s there were people coming

198

00:09:38,820 --> 00:09:35,920

into the house of a farmhouse that was

199

00:09:40,980 --> 00:09:38,830

owned by a Howard measure at the time

200

00:09:42,750 --> 00:09:40,990

now Howard a claim that since he was

201
00:09:45,330 --> 00:09:42,760
about I think about seven or eight years

202
00:09:47,340 --> 00:09:45,340
old he had these repeated experiences

203
00:09:49,200 --> 00:09:47,350
and took photographs outside of his

204
00:09:50,970 --> 00:09:49,210
place there in High Bridge New Jersey

205
00:09:53,550 --> 00:09:50,980
and these people were coming into the

206
00:09:55,470 --> 00:09:53,560
into the house and they were not even

207
00:09:57,660 --> 00:09:55,480
bothering to disguise themselves they

208
00:10:00,300 --> 00:09:57,670
looked so remarkably human that they

209
00:10:02,310 --> 00:10:00,310
easily pet passed as living amongst us

210
00:10:04,920 --> 00:10:02,320
here and one of the stories that were

211
00:10:06,810 --> 00:10:04,930
going to talk with Craig tonight deals

212
00:10:09,600 --> 00:10:06,820
with this specific case of Howard

213
00:10:11,820 --> 00:10:09,610

meander and this individual known as

214

00:10:15,210 --> 00:10:11,830

valve Thor that has been seen numerous

215

00:10:18,600 --> 00:10:15,220

times living here amongst us so I think

216

00:10:20,670 --> 00:10:18,610

at this point perhaps we'll have a short

217

00:10:26,280 --> 00:10:20,680

break and then we'll bring in the boys

218

00:10:32,830 --> 00:10:29,610

it's another fascinating night here on

219

00:10:33,850 --> 00:10:32,840

unraveling the secrets with Tim Beckley

220

00:10:36,370 --> 00:10:33,860

that would be me

221

00:10:39,130 --> 00:10:36,380

with Carla Anderson over in Jersey City

222

00:10:42,970 --> 00:10:39,140

that would be her with angel the jackal

223

00:10:45,040 --> 00:10:42,980

down in Miami very smug as he usually is

224

00:10:48,100 --> 00:10:45,050

because the weather is almost always

225

00:10:51,370 --> 00:10:48,110

nice in Miami except when a hurricane

226

00:10:54,190 --> 00:10:51,380

comes through there and with us tonight

227

00:10:58,390 --> 00:10:54,200

we have the one and only mark

228

00:11:01,450 --> 00:10:58,400

Brinkerhoff that amazing man who has the

229

00:11:04,810 --> 00:11:01,460

ability to have telepathic contact he

230

00:11:07,090 --> 00:11:04,820

says with extraterrestrial beings and go

231

00:11:10,390 --> 00:11:07,100

out with his camera and pointed in

232

00:11:12,850 --> 00:11:10,400

specific spots in the sky and when the

233

00:11:15,040 --> 00:11:12,860

film is developed or I guess is digital

234

00:11:17,740 --> 00:11:15,050

today I don't know what that process is

235

00:11:19,930 --> 00:11:17,750

called but anyway when the the film is

236

00:11:23,350 --> 00:11:19,940

looked at there are what you can only

237

00:11:24,910 --> 00:11:23,360

describe as unknown craft we're not

238

00:11:27,550 --> 00:11:24,920

talking about just lights in the sky

239

00:11:29,650 --> 00:11:27,560

we're talking about things with shape

240

00:11:32,620 --> 00:11:29,660

and structure in fact there's one

241

00:11:34,900 --> 00:11:32,630

photograph that I like I think of it's

242

00:11:37,480 --> 00:11:34,910

the best of all of them that mark is

243

00:11:40,120 --> 00:11:37,490

taken and he's taking probably well over

244

00:11:42,430 --> 00:11:40,130

100 in fact and our just published book

245

00:11:44,680 --> 00:11:42,440

the UFO repeaters the camera doesn't lie

246

00:11:46,120 --> 00:11:44,690

we have quite a layout of some of the

247

00:11:48,579 --> 00:11:46,130

photographs that mark has taken

248

00:11:52,420 --> 00:11:48,589

including one that I call the shadow

249

00:11:55,480 --> 00:11:52,430

being which seems to be a being of some

250

00:11:57,970 --> 00:11:55,490

type with his hands on his hip looking

251

00:12:02,260 --> 00:11:57,980

out the port very strange very unusual

252

00:12:06,790 --> 00:12:02,270

very unexplainable and with us from

253

00:12:09,280 --> 00:12:06,800

Craig are you in California I am you are

254

00:12:13,090 --> 00:12:09,290

so you're in a nutty another another

255

00:12:14,470 --> 00:12:13,100

warm spot on the globe are you the low

256

00:12:18,329 --> 00:12:14,480

say are you in Los Angeles

257

00:12:22,600 --> 00:12:18,339

yes Los Angeles an alum Earth Day yeah

258

00:12:25,090 --> 00:12:22,610

and and you know I I want to get the

259

00:12:27,370 --> 00:12:25,100

correct correct pronunciation of your

260

00:12:31,270 --> 00:12:27,380

last name it's camp Posey okay

261

00:12:33,940 --> 00:12:31,280

now camp robot though so examples in it

262

00:12:35,660 --> 00:12:33,950

if you stay with an Italian flair you'll

263

00:12:39,350 --> 00:12:35,670

never forget your uncle

264

00:12:42,020 --> 00:12:39,360

Oh Campobasso but if you were to give it

265

00:12:45,320 --> 00:12:42,030

with that you'll remember okay but

266

00:12:48,110 --> 00:12:45,330

anyway we're glad to have a Craig aboard

267

00:12:52,400 --> 00:12:48,120

with us this evening he is the producer

268

00:12:56,330 --> 00:12:52,410

of a film called stranger at the

269

00:12:58,660 --> 00:12:56,340

Pentagon and for you who have been

270

00:13:00,470 --> 00:12:58,670

living in a black hole in space

271

00:13:03,970 --> 00:13:00,480

somewhere

272

00:13:06,320 --> 00:13:03,980

the stranger took the Pentagon is a

273

00:13:10,430 --> 00:13:06,330

really unbelievable story at least even

274

00:13:13,430 --> 00:13:10,440

to me it's about a space man by the name

275

00:13:16,070 --> 00:13:13,440

of valiant Thor who landed in a craft

276

00:13:18,080 --> 00:13:16,080

here outside of Washington DC and was

277

00:13:21,230 --> 00:13:18,090

escorted and lived inside the Pentagon

278

00:13:23,450 --> 00:13:21,240

for three years one of the individuals

279

00:13:25,640 --> 00:13:23,460

that spoke with him on a number of

280

00:13:28,730 --> 00:13:25,650

occasions is a gentleman who is now

281

00:13:32,570 --> 00:13:28,740

deceased by the name of Reverend Frank

282

00:13:34,190 --> 00:13:32,580

E strangers now I'll think before we have

283

00:13:37,280 --> 00:13:34,200

our we're going to have a round table

284

00:13:39,020 --> 00:13:37,290

discussion here this evening on aliens

285

00:13:41,660 --> 00:13:39,030

amongst us they really live here on

286

00:13:45,920 --> 00:13:41,670

earth alongside of us but I think we

287

00:13:48,320 --> 00:13:45,930

should turn the microphone over to Craig

288

00:13:51,200 --> 00:13:48,330

to have him tell us a little bit about

289

00:13:54,470 --> 00:13:51,210

this gentleman by the name of valiant

290

00:13:58,790 --> 00:13:54,480

Thor and when he arrived here under what

291

00:14:02,060 --> 00:13:58,800

circumstances and what makes him believe

292

00:14:03,890 --> 00:14:02,070

that this is an actual individual that

293

00:14:07,010 --> 00:14:03,900

lived here who was not a birthday origin

294

00:14:09,470 --> 00:14:07,020

and why we can assume that it wasn't

295

00:14:16,450 --> 00:14:09,480

just the hoax of some sort when did this

296

00:14:23,650 --> 00:14:16,460

happen uh it was from night March 16th

297

00:14:28,190 --> 00:14:23,660

1957 to March 16th 1960 and that's when

298

00:14:32,930 --> 00:14:28,200

he arrived on I believe it was a

299

00:14:36,130 --> 00:14:32,940

Saturday in a agricultural field in

300

00:14:38,930 --> 00:14:36,140

Alexandria Virginia at 8 a.m. in the

301
00:14:43,400 --> 00:14:38,940
morning there were a couple of police

302
00:14:47,180 --> 00:14:43,410
officers first on the scene anyway he

303
00:14:48,860 --> 00:14:47,190
was taken directly to the Pentagon

304
00:14:51,980 --> 00:14:48,870
actually by the way

305
00:14:54,680 --> 00:14:51,990
when these officers actually laid eyes

306
00:14:56,810 --> 00:14:54,690
on this man

307
00:14:58,970 --> 00:14:56,820
all of their fears and everything washed

308
00:15:02,120 --> 00:14:58,980
away and they actually walked up and had

309
00:15:05,750 --> 00:15:02,130
a conversation with a fast he was in a

310
00:15:08,570 --> 00:15:05,760
craft yes so and all the crafts and all

311
00:15:10,580 --> 00:15:08,580
of that stuff can also be seen on the

312
00:15:14,330 --> 00:15:10,590
web sites change with the Pentagon so if

313
00:15:16,420 --> 00:15:14,340

the listeners are one a sort of forage

314

00:15:19,730 --> 00:15:16,430

through the website as we're speaking

315

00:15:24,290 --> 00:15:19,740

there's some blueprints and things as

316

00:15:28,040 --> 00:15:24,300

well to the craft the craft are 300 feet

317

00:15:37,070 --> 00:15:28,050

in diameter and they're double-decker

318

00:15:39,440 --> 00:15:37,080

the crew is 200 and I think it's 97 feet

319

00:15:41,840 --> 00:15:39,450

from top to bottom so they're they're

320

00:15:45,020 --> 00:15:41,850

quite large they're called Victor class

321

00:15:47,810 --> 00:15:45,030

saucers so that's how about what ran

322

00:15:51,430 --> 00:15:47,820

that explained them what did he like got

323

00:15:54,440 --> 00:15:51,440

escorted that what they do at the craft

324

00:15:57,800 --> 00:15:54,450

is all in plain sight the craft and

325

00:16:00,560 --> 00:15:57,810

being a student uh-huh yes yeah and and

326

00:16:03,340 --> 00:16:00,570

he's a very handsome man there's actual

327

00:16:12,110 --> 00:16:03,350

photographs that were taken of him a

328

00:16:13,490 --> 00:16:12,120

much later at a Howard major UFO you

329

00:16:15,590 --> 00:16:13,500

know used to have as little UFO

330

00:16:21,530 --> 00:16:15,600

conventions in the backyard in hybrids

331

00:16:23,360 --> 00:16:21,540

New Jersey so August Roberts who is it

332

00:16:26,620 --> 00:16:23,370

was a UFO gist who had one of the

333

00:16:32,810 --> 00:16:26,630

largest collections at the time of

334

00:16:36,620 --> 00:16:32,820

flying saucers and unidentified flying

335

00:16:39,500 --> 00:16:36,630

objects as well was like I said a

336

00:16:41,930 --> 00:16:39,510

retired Air Force photographer so he's

337

00:16:47,030 --> 00:16:41,940

the gentleman that took those photos he

338

00:16:48,230 --> 00:16:47,040

believed at the time that he and the

339

00:16:50,630 --> 00:16:48,240

people that were with him were

340

00:16:52,910 --> 00:16:50,640

definitely not from here

341

00:16:55,520 --> 00:16:52,920

he said because that there was this

342

00:17:01,040 --> 00:16:55,530

energy that was vibrating from them but

343

00:17:07,910 --> 00:17:05,329

no hand prints or fingerprints when he

344

00:17:10,669 --> 00:17:07,920

was talking he noticed that as well and

345

00:17:12,860 --> 00:17:10,679

he just said when he looked at him he

346

00:17:16,699 --> 00:17:12,870

could feel him look right through him

347

00:17:19,160 --> 00:17:16,709

like he knew his entire soul history and

348

00:17:21,470 --> 00:17:19,170

he knew it and it's interesting because

349

00:17:25,069 --> 00:17:21,480

dr. Frank said the first time that he

350

00:17:27,140 --> 00:17:25,079

met valiant Thor that he knew he knew

351

00:17:29,480 --> 00:17:27,150

that he knew everything about him in his

352

00:17:32,570 --> 00:17:29,490

entire soul history which I found

353

00:17:36,580 --> 00:17:32,580

fascinating so but anyway just the basis

354

00:17:42,799 --> 00:17:36,590

of the story is he came he met with

355

00:17:45,530 --> 00:17:42,809

Eisenhower and Nixon and manat yes well

356

00:17:47,240 --> 00:17:45,540

she came alone but the people who ever

357

00:17:52,850 --> 00:17:47,250

were driving the craft took off

358

00:17:56,660 --> 00:17:52,860

afterwards so but he came alone and he's

359

00:17:59,240 --> 00:17:56,670

evidently eisenhower and themselves a

360

00:18:02,150 --> 00:17:59,250

great goodwill coming from him so they

361

00:18:05,030 --> 00:18:02,160

asked him to be a guest of the

362

00:18:07,790 --> 00:18:05,040

government for three years and they sort

363

00:18:11,210 --> 00:18:07,800

of briefly discussed why he came which

364

00:18:16,400 --> 00:18:11,220

was he had a proposal which was to help

365

00:18:20,210 --> 00:18:16,410

eliminate sickness disease poverty and

366

00:18:22,700 --> 00:18:20,220

to prolong life and and they thought

367

00:18:25,430 --> 00:18:22,710

that three years would be a good time

368

00:18:27,200 --> 00:18:25,440

frame to discuss the proposal see if

369

00:18:30,080 --> 00:18:27,210

they could implement it throughout the

370

00:18:32,240 --> 00:18:30,090

United States and then if proven

371

00:18:37,100 --> 00:18:32,250

successful share it with the rest of the

372

00:18:40,159 --> 00:18:37,110

world so so what happened to that plan

373

00:18:43,700 --> 00:18:40,169

well by the end of the three years it

374

00:18:49,460 --> 00:18:43,710

was they they actually turned it down

375

00:18:53,200 --> 00:18:49,470

for the reasons being that it would put

376

00:18:55,490 --> 00:18:53,210

doctors nurses pharmaceutical companies

377

00:19:01,750 --> 00:18:55,500

everybody out of business and the

378

00:19:04,850 --> 00:19:01,760

economy would crash scumbags where Pat

379

00:19:09,890 --> 00:19:04,860

Scott scumbags I'm just saying that a

380

00:19:15,510 --> 00:19:09,900

grab bag that said I was like what

381

00:19:17,880 --> 00:19:15,520

we don't we don't pull anything we don't

382

00:19:21,960 --> 00:19:17,890

I let him particularly miss we love that

383

00:19:25,200 --> 00:19:21,970

we love that yes so you know so anyway

384

00:19:27,660 --> 00:19:25,210

there you know Kenna I read the story in

385

00:19:30,090 --> 00:19:27,670

the 80s I found it fascinating I saw the

386

00:19:31,730 --> 00:19:30,100

photographs of alien Thor his vice

387

00:19:34,440 --> 00:19:31,740

commander dawn

388

00:19:37,860 --> 00:19:34,450

there was a lady picture two gorgeous

389

00:19:40,710 --> 00:19:37,870

blonde lady who was referred to as Jill

390

00:19:42,690 --> 00:19:40,720

who I later found out from dr. Frank was

391

00:19:49,800 --> 00:19:42,700

the wife of another vice commander on

392

00:19:52,560 --> 00:19:49,810

board names and za and N and I've never

393

00:19:55,820 --> 00:19:52,570

met these beings dr. Frank was in

394

00:19:59,700 --> 00:19:55,830

contact with them throughout the years

395

00:20:03,090 --> 00:19:59,710

he sat with him when I was writing the

396

00:20:06,000 --> 00:20:03,100

feature-length script for many years

397

00:20:09,690 --> 00:20:06,010

going over stories and all kinds of

398

00:20:13,680 --> 00:20:09,700

things of his experiences and then you

399

00:20:18,060 --> 00:20:13,690

know I put it together and and then you

400

00:20:23,460 --> 00:20:18,070

know dr. Frank passed away so and that

401
00:20:29,430 --> 00:20:23,470
was in November of 2008 and I just woke

402
00:20:33,720 --> 00:20:29,440
up one morning in 2013 and there it was

403
00:20:36,720 --> 00:20:33,730
I think the fall of 2012 and what I do

404
00:20:41,550 --> 00:20:36,730
for a living in my primary job is

405
00:20:43,200 --> 00:20:41,560
casting film and television and I was

406
00:20:45,060 --> 00:20:43,210
one of the casting directors on Sky

407
00:20:47,160 --> 00:20:45,070
Captain in the world of tomorrow with

408
00:20:51,960 --> 00:20:47,170
Jude Law and Angelina Jolie and Gwyneth

409
00:20:57,930 --> 00:20:51,970
Paltrow and that film was who has

410
00:21:01,950 --> 00:20:57,940
conceived by the writer director who did

411
00:21:04,910 --> 00:21:01,960
a short film and then I sold got it off

412
00:21:07,350 --> 00:21:04,920
to a producer they raised the financing

413
00:21:09,600 --> 00:21:07,360

independently a lot of people don't know

414

00:21:11,640 --> 00:21:09,610

that that sky captain actually was an

415

00:21:14,970 --> 00:21:11,650

independently financed film that was

416

00:21:18,090 --> 00:21:14,980

then in its incarnation when it was all

417

00:21:20,700 --> 00:21:18,100

done sold off to Paramount ampere map

418

00:21:22,320 --> 00:21:20,710

distributed the film's so so they were

419

00:21:23,460 --> 00:21:22,330

able to make the film of their own

420

00:21:26,340 --> 00:21:23,470

volition

421

00:21:28,980 --> 00:21:26,350

um so a lot of films are now done by

422

00:21:30,990 --> 00:21:28,990

making a short film so that you can sort

423

00:21:33,840 --> 00:21:31,000

of give your vision back in the day when

424

00:21:35,940 --> 00:21:33,850

George Lucas did Star Wars they had Fox

425

00:21:38,880 --> 00:21:35,950

had no idea what he was talking about

426
00:21:42,299 --> 00:21:38,890
when he was when he was describing the

427
00:21:45,270 --> 00:21:42,309
world so he had to go and get a really

428
00:21:47,880 --> 00:21:45,280
high-end airbrush artist to do these

429
00:21:51,659 --> 00:21:47,890
sort of giant paintings on board on

430
00:21:53,820 --> 00:21:51,669
boards I worked on the original dune

431
00:21:58,980 --> 00:21:53,830
with David Lynch as well for four years

432
00:22:01,409 --> 00:21:58,990
and and back then there was not we

433
00:22:03,480 --> 00:22:01,419
didn't have CGI what we had is Albert

434
00:22:05,460 --> 00:22:03,490
Whitlock who was an incredible matte

435
00:22:08,070 --> 00:22:05,470
painter who used to paint these scenes

436
00:22:11,070 --> 00:22:08,080
on glass which were then photographed

437
00:22:14,399 --> 00:22:11,080
and inserted into the film so so we had

438
00:22:18,270 --> 00:22:14,409

lots of airbrush artist on on Dumba one

439

00:22:21,299 --> 00:22:18,280

I think his name was something Shelton I

440

00:22:23,190 --> 00:22:21,309

believe Wow that's a memory whew that's

441

00:22:26,310 --> 00:22:23,200

going back far but anyway long story

442

00:22:28,169 --> 00:22:26,320

short he did these so is so that

443

00:22:30,360 --> 00:22:28,179

everybody would get an idea of what the

444

00:22:33,960 --> 00:22:30,370

landscapes were so that's the same thing

445

00:22:38,580 --> 00:22:33,970

is what I did with the short film um ya

446

00:22:41,070 --> 00:22:38,590

know it again do you believe in the

447

00:22:42,870 --> 00:22:41,080

short film do you believe we learn a

448

00:22:45,930 --> 00:22:42,880

stranger to Pentagon yeah do you believe

449

00:22:48,299 --> 00:22:45,940

it I you know I I think it I think

450

00:22:52,320 --> 00:22:48,309

everybody should make their their own

451
00:22:56,360 --> 00:22:52,330
decision about it I'd had my you know my

452
00:22:59,820 --> 00:22:56,370
own experiences knowing dr. Frank and

453
00:23:02,039 --> 00:22:59,830
the UH is this a story of science

454
00:23:03,870 --> 00:23:02,049
fiction or is it a story of science fact

455
00:23:08,190 --> 00:23:03,880
I think it should be left up to the

456
00:23:11,850 --> 00:23:08,200
viewer to decide um but let me interject

457
00:23:15,240 --> 00:23:11,860
something here um just for a moment now

458
00:23:16,950 --> 00:23:15,250
I knew uh I guess we should describe or

459
00:23:20,700 --> 00:23:16,960
talk a little bit about the Frank

460
00:23:24,020 --> 00:23:20,710
strangers we we was uh he was he was a

461
00:23:26,549 --> 00:23:24,030
minister now it's quite unusual for a

462
00:23:28,110 --> 00:23:26,559
Christian I wouldn't I don't know if

463
00:23:29,430 --> 00:23:28,120

you'd really call him a fundamentalist I

464

00:23:31,500 --> 00:23:29,440

don't think in this case we could call

465

00:23:34,320 --> 00:23:31,510

him that but he was a ministry he had

466

00:23:37,320 --> 00:23:34,330

his own congregation but what made it so

467

00:23:40,169 --> 00:23:37,330

unusual is that he on many occasions

468

00:23:42,690 --> 00:23:40,179

got up on the pulpit and discussed his

469

00:23:45,499 --> 00:23:42,700

belief in flying saucers back when he

470

00:23:47,850 --> 00:23:45,509

was in seminary school I think he

471

00:23:49,950 --> 00:23:47,860

someone that he knew or maybe somebody

472

00:23:52,169 --> 00:23:49,960

that had he had gone the seminary school

473

00:23:55,409 --> 00:23:52,179

with had had UFO sightings so he started

474

00:23:58,529 --> 00:23:55,419

studying all these cases and having an

475

00:24:00,659 --> 00:23:58,539

interest in the in the subject and he

476

00:24:02,729 --> 00:24:00,669

was giving a lecture I guess one day

477

00:24:05,249 --> 00:24:02,739

when this woman approached him and said

478

00:24:09,539 --> 00:24:05,259

Frank can you obey orders and he said

479

00:24:11,999 --> 00:24:09,549

yes ma'am I and she said well I want to

480

00:24:14,549 --> 00:24:12,009

take you to the Pentagon to meet someone

481

00:24:16,109 --> 00:24:14,559

who is living there who is very unusual

482

00:24:17,700 --> 00:24:16,119

but I think you should meet him because

483

00:24:21,690 --> 00:24:17,710

Frank at that point was talking about

484

00:24:23,489 --> 00:24:21,700

UFOs on a regular basis so he went with

485

00:24:26,549 --> 00:24:23,499

this woman to the Pentagon and he

486

00:24:29,489 --> 00:24:26,559

managed somehow to get a insight she

487

00:24:31,289 --> 00:24:29,499

told him to to follow his/her

488

00:24:34,979 --> 00:24:31,299

instructions precisely and he did he got

489

00:24:36,659 --> 00:24:34,989

inside the Pentagon he met a individual

490

00:24:39,330 --> 00:24:36,669

valiant Thor who had no fingerprints

491

00:24:42,389 --> 00:24:39,340

whose uniform could not be a set on fire

492

00:24:44,879 --> 00:24:42,399

or cut or anything else and he remained

493

00:24:47,369 --> 00:24:44,889

in contact with him over the course of

494

00:24:50,159 --> 00:24:47,379

actually many years because even after

495

00:24:52,259 --> 00:24:50,169

he left the Pentagon I guess he would

496

00:24:56,310 --> 00:24:52,269

have conversations go to Frank's house

497

00:24:59,249 --> 00:24:56,320

in Los Angeles and continue this

498

00:25:02,669 --> 00:24:59,259

communications in fact Frank claims that

499

00:25:08,489 --> 00:25:02,679

he actually even introduced valiant Thor

500

00:25:09,930 --> 00:25:08,499

to Ted Kennedy before Ted Kennedy Bobby

501
00:25:13,169 --> 00:25:09,940
come on what do you think of that on

502
00:25:16,019 --> 00:25:13,179
this Oh button about all the bottom

503
00:25:17,580 --> 00:25:16,029
floor know yeah about I mean you know

504
00:25:20,340 --> 00:25:17,590
you said that you've been on space

505
00:25:23,700 --> 00:25:20,350
crafts you've had contact what do you

506
00:25:27,149 --> 00:25:23,710
think about all this well true story it

507
00:25:29,489 --> 00:25:27,159
is yes oh just let me just let me just

508
00:25:32,580 --> 00:25:29,499
let me finish it'll take just a couple

509
00:25:35,489 --> 00:25:32,590
of seconds here all right okay so here

510
00:25:37,049 --> 00:25:35,499
now I knew dr. Frank fairly well I don't

511
00:25:38,849 --> 00:25:37,059
have many friends that are in the

512
00:25:41,009 --> 00:25:38,859
ministry but Frank was an unusual

513
00:25:43,529 --> 00:25:41,019

individual he was very kind-hearted he

514

00:25:43,919 --> 00:25:43,539

wasn't your typical preacher to say the

515

00:25:46,799 --> 00:25:43,929

least

516

00:25:49,499 --> 00:25:46,809

anyway somewhere along the line now he

517

00:25:51,710 --> 00:25:49,509

he hosted a lot of our UFO conferences

518

00:25:54,650 --> 00:25:51,720

that we had in San Diego and

519

00:25:57,350 --> 00:25:54,660

Palm Springs and so forth and always did

520

00:26:00,110 --> 00:25:57,360

a remarkable job he was a great platform

521

00:26:03,770 --> 00:26:00,120

speaker somewhere along the line I think

522

00:26:06,200 --> 00:26:03,780

around probably the mid to latter 70s I

523

00:26:09,110 --> 00:26:06,210

have a public relations company here in

524

00:26:11,200 --> 00:26:09,120

New York and somehow I met Frank's

525

00:26:14,090 --> 00:26:11,210

brother now he came from a family of

526

00:26:17,270 --> 00:26:14,100

ministers but Frank's brother I believe

527

00:26:21,020 --> 00:26:17,280

his name was a Dave we were talking

528

00:26:22,640 --> 00:26:21,030

after one of his sermons right it was

529

00:26:24,049 --> 00:26:22,650

kind of like a Pentecostal meeting where

530

00:26:25,340 --> 00:26:24,059

the people they're talking tongues and

531

00:26:27,650 --> 00:26:25,350

threw themselves on the ground and so

532

00:26:29,630 --> 00:26:27,660

forth and you know I asked his brother

533

00:26:31,730 --> 00:26:29,640

about Frank I said you know what do you

534

00:26:34,610 --> 00:26:31,740

think about you know a valiant Thor and

535

00:26:35,870 --> 00:26:34,620

your brothers talking about UFOs and all

536

00:26:38,330 --> 00:26:35,880

and you know what he told me he said you

537

00:26:40,970 --> 00:26:38,340

know my brother Frank would be much more

538

00:26:45,650 --> 00:26:40,980

successful if he gave up this UFO and

539

00:26:47,540 --> 00:26:45,660

valiant Thor concept and just stuck to

540

00:26:49,340 --> 00:26:47,550

the regular Christian ministry and you

541

00:26:51,799 --> 00:26:49,350

know I thought about that he was exactly

542

00:26:54,440 --> 00:26:51,809

right because Frank would have been very

543

00:26:56,570 --> 00:26:54,450

successful if he didn't talk about the

544

00:26:58,669 --> 00:26:56,580

spaceman inside the Pentagon but he

545

00:27:00,890 --> 00:26:58,679

decided to do it because he knew it to

546

00:27:03,169 --> 00:27:00,900

be the truth and if Franklin to be the

547

00:27:05,450 --> 00:27:03,179

truth I I give it some I give it a high

548

00:27:07,220 --> 00:27:05,460

level of credibility now whether this

549

00:27:10,549 --> 00:27:07,230

individual really was from outer space

550

00:27:12,740 --> 00:27:10,559

or whether the government had done some

551
00:27:15,080 --> 00:27:12,750
sort of ploy for disinformation purposes

552
00:27:16,580 --> 00:27:15,090
we'll never know I mean we can't say for

553
00:27:18,680 --> 00:27:16,590
sure that he didn't have fingerprints

554
00:27:19,760 --> 00:27:18,690
because we don't have an ink pad he

555
00:27:21,049 --> 00:27:19,770
thought we didn't we didn't do the

556
00:27:24,560 --> 00:27:21,059
testing we didn't try to burn his

557
00:27:28,160 --> 00:27:24,570
clothes or anything else but valiant

558
00:27:30,440 --> 00:27:28,170
Thor has shown up on different occasions

559
00:27:32,390 --> 00:27:30,450
to different people and as the night

560
00:27:34,190 --> 00:27:32,400
goes on I will reveal at least one more

561
00:27:35,660 --> 00:27:34,200
story about that but go ahead mark I

562
00:27:38,840 --> 00:27:35,670
didn't mean to take the microphone out

563
00:27:41,030 --> 00:27:38,850

of your and head yet you tell us you

564

00:27:42,620 --> 00:27:41,040

tell us about some of your experiences

565

00:27:45,080 --> 00:27:42,630

because what we're talking about here is

566

00:27:48,320 --> 00:27:45,090

not just volume Thor but the fact that

567

00:27:50,570 --> 00:27:48,330

there may be uh humanoids from other

568

00:27:53,090 --> 00:27:50,580

planets or extraterrestrials walking

569

00:27:55,130 --> 00:27:53,100

right amongst us and the the individuals

570

00:27:58,390 --> 00:27:55,140

that you claim to be in contact with

571

00:28:01,669 --> 00:27:58,400

from an early age or not that you know

572

00:28:02,390 --> 00:28:01,679

creatures monsters or hairy a boys or

573

00:28:04,450 --> 00:28:02,400

anything like that

574

00:28:06,460 --> 00:28:04,460

they are

575

00:28:09,220 --> 00:28:06,470

human-looking in exit terrestrials

576

00:28:10,989 --> 00:28:09,230

pretty much right pretty much well kind

577

00:28:12,609 --> 00:28:10,999

of but they wouldn't fit in here as you

578

00:28:16,180 --> 00:28:12,619

know they're like seven eight feet nine

579

00:28:19,239 --> 00:28:16,190

feet tall yeah long gated eyes law

580

00:28:21,639 --> 00:28:19,249

bronze color golden skin and they don't

581

00:28:24,789 --> 00:28:21,649

so they don't look like us well we just

582

00:28:26,139 --> 00:28:24,799

resemble people but they're not they

583

00:28:28,359 --> 00:28:26,149

would be a little warm in order but not

584

00:28:30,159 --> 00:28:28,369

human looking right they could look like

585

00:28:31,629 --> 00:28:30,169

a human kind of but that's about it that

586

00:28:34,090 --> 00:28:31,639

you could tell them in a crowd that's in

587

00:28:37,470 --> 00:28:34,100

me no I there are people in New York

588

00:28:40,749 --> 00:28:37,480

that are not from here or from Earth and

589

00:28:43,029 --> 00:28:40,759

I wrote my old friend Ingo Swann he

590

00:28:45,850 --> 00:28:43,039

tells a story in his book penetration

591

00:28:48,129 --> 00:28:45,860

where he actually saw a girl woman

592

00:28:52,930 --> 00:28:48,139

actually in California a grocery stand

593

00:28:56,200 --> 00:28:52,940

and described her as very tall um over

594

00:28:58,239 --> 00:28:56,210

six feet tall so and they're very

595

00:29:00,249 --> 00:28:58,249

telepathic they can read minds and

596

00:29:02,680 --> 00:29:00,259

everything and like valiant Florida they

597

00:29:05,470 --> 00:29:02,690

would they can see you and know all

598

00:29:08,789 --> 00:29:05,480

about you they like met their masters in

599

00:29:11,499 --> 00:29:08,799

the in essence so the beings I met from

600

00:29:14,529 --> 00:29:11,509

first ones on network where I call my

601
00:29:15,909 --> 00:29:14,539
space family because I don't come from

602
00:29:19,090 --> 00:29:15,919
Earth either it's like reincarnated

603
00:29:21,100 --> 00:29:19,100
thing but they took me on board

604
00:29:24,279 --> 00:29:21,110
I went willingly I was never held will

605
00:29:25,840 --> 00:29:24,289
you first time was five years old and

606
00:29:29,409 --> 00:29:25,850
then where were you tell us how it all

607
00:29:32,560 --> 00:29:29,419
went down York yeah so tell mr. Saul

608
00:29:35,859 --> 00:29:32,570
story I had to go but when you're five

609
00:29:37,899 --> 00:29:35,869
so what happened it's I snuck out of the

610
00:29:39,310 --> 00:29:37,909
house because I was telepathic being

611
00:29:40,840 --> 00:29:39,320
called to just come up to the field

612
00:29:45,580 --> 00:29:40,850
because I would go up to the field and

613
00:29:47,350 --> 00:29:45,590

then with my dog it's the school field

614

00:29:49,690 --> 00:29:47,360

from my house was only if you ran up the

615

00:29:52,600 --> 00:29:49,700

hill thirty Seconds to get there it was

616

00:29:54,039 --> 00:29:52,610

not far so I would sneak out run up

617

00:29:58,810 --> 00:29:54,049

there and run back and this is in the

618

00:30:01,779 --> 00:29:58,820

time 1950 5758 those days no one's

619

00:30:04,480 --> 00:30:01,789

around up there and I would come back so

620

00:30:06,549 --> 00:30:04,490

the first when this happened the first

621

00:30:07,899 --> 00:30:06,559

UFO I saw up the stayin at that field

622

00:30:09,940 --> 00:30:07,909

was around three o'clock in the

623

00:30:11,950 --> 00:30:09,950

afternoon over the football fields and

624

00:30:15,609 --> 00:30:11,960

came as a giant silver sphere

625

00:30:17,769 --> 00:30:15,619

looked like a shiny chrome pinball it

626
00:30:18,400 --> 00:30:17,779
was probably I estimate today 30 feet

627
00:30:21,070 --> 00:30:18,410
annular

628
00:30:23,770 --> 00:30:21,080
because it was over the trees it was

629
00:30:25,390 --> 00:30:23,780
huge and had telepathic contact with

630
00:30:27,490 --> 00:30:25,400
that with the sphere and I knew there

631
00:30:30,400 --> 00:30:27,500
were people in it and they talked to me

632
00:30:33,640 --> 00:30:30,410
and anyway that that's my first contact

633
00:30:35,860 --> 00:30:33,650
and after that came I was called to go

634
00:30:38,140 --> 00:30:35,870
back to the field and it was a warm

635
00:30:42,820 --> 00:30:38,150
night and I went up to the field and uh

636
00:30:44,740 --> 00:30:42,830
I actually started asking for to go

637
00:30:47,410 --> 00:30:44,750
you know I said hey come here take me

638
00:30:50,170 --> 00:30:47,420

home so this big giant object looks like

639

00:30:52,660 --> 00:30:50,180

a super bright star shows up stops

640

00:30:54,850 --> 00:30:52,670

overhead comes down and as it comes down

641

00:30:57,340 --> 00:30:54,860

gets to about the size of a quarter in

642

00:31:00,790 --> 00:30:57,350

the sky at arm's length then moves to my

643

00:31:03,070 --> 00:31:00,800

right and hovers over the field it

644

00:31:04,600 --> 00:31:03,080

didn't land and it was behind the

645

00:31:08,500 --> 00:31:04,610

schools so you couldn't see anything

646

00:31:10,840 --> 00:31:08,510

from the road and balance out five years

647

00:31:13,510 --> 00:31:10,850

old okay but just about five years old

648

00:31:15,400 --> 00:31:13,520

so it happened a couple times when you

649

00:31:16,270 --> 00:31:15,410

were dead weight it happened again when

650

00:31:18,610 --> 00:31:16,280

I was about seven

651
00:31:20,380 --> 00:31:18,620
and I was in the woods near to school

652
00:31:22,000 --> 00:31:20,390
there was a big giant rock you could go

653
00:31:23,830 --> 00:31:22,010
sit on and just meditate and just sit

654
00:31:26,230 --> 00:31:23,840
there and there was a clear opening to

655
00:31:28,480 --> 00:31:26,240
the sky and one time of being levitated

656
00:31:29,740 --> 00:31:28,490
there close to me there's a lot of

657
00:31:33,070 --> 00:31:29,750
different little things that happened

658
00:31:35,290 --> 00:31:33,080
and another time I was around twelve

659
00:31:37,660 --> 00:31:35,300
they were coming back and forth when I

660
00:31:39,310 --> 00:31:37,670
was turned eleven and twelve coming back

661
00:31:41,500 --> 00:31:39,320
any time I asked they'd come back at

662
00:31:43,480 --> 00:31:41,510
eight o'clock or 9 o'clock at night come

663
00:31:45,580 --> 00:31:43,490

over my house and anyone with me would

664

00:31:49,060 --> 00:31:45,590

see them and if I visited some friends

665

00:31:50,860 --> 00:31:49,070

at night after school and they'd

666

00:31:52,630 --> 00:31:50,870

always I didn't have a lot of friends

667

00:31:55,330 --> 00:31:52,640

but the ones that ask me is it can come

668

00:31:57,640 --> 00:31:55,340

over to dinner and I said oh you know

669

00:32:00,310 --> 00:31:57,650

right shared guest stuff and at eight

670

00:32:02,650 --> 00:32:00,320

o'clock I would hear they would ask them

671

00:32:04,840 --> 00:32:02,660

like to come where I am they said we can

672

00:32:06,430 --> 00:32:04,850

always locate you that kind of thing so

673

00:32:09,340 --> 00:32:06,440

I would hear come outside

674

00:32:10,750 --> 00:32:09,350

and anybody with me with the kids or any

675

00:32:12,940 --> 00:32:10,760

they come out need to see them stopped

676

00:32:15,730 --> 00:32:12,950

over their house and stopped over us in

677

00:32:17,020 --> 00:32:15,740

the driveway and to go up and down for

678

00:32:19,330 --> 00:32:17,030

you ask questions and back and forth for

679

00:32:21,810 --> 00:32:19,340

no questions for the kids I would hear

680

00:32:23,980 --> 00:32:21,820

them telepathically say yes whatever and

681

00:32:26,770 --> 00:32:23,990

then they would take off and leave and

682

00:32:30,310 --> 00:32:26,780

it goes in the way what did your parents

683

00:32:32,080 --> 00:32:30,320

think my parents at first my father

684

00:32:34,690 --> 00:32:32,090

always listened to me

685

00:32:37,060 --> 00:32:34,700

to that information back then they was

686

00:32:40,390 --> 00:32:37,070

from space and I had no knowledge that

687

00:32:42,880 --> 00:32:40,400

at four years old and so he watch me was

688

00:32:44,500 --> 00:32:42,890

very metaphysical away he had like

689

00:32:47,980 --> 00:32:44,510

subscribe to fake magazine at one time

690

00:32:51,370 --> 00:32:47,990

so he was open to this and we missed him

691

00:32:53,500 --> 00:32:51,380

with me they came over our backyard two

692

00:32:54,820 --> 00:32:53,510

of them one opened a window big giant

693

00:32:57,779 --> 00:32:54,830

window around the whole side of the ship

694

00:33:01,360 --> 00:32:57,789

and it was six silhouettes waist up and

695

00:33:03,730 --> 00:33:01,370

one on the left starts waving to us and

696

00:33:06,700 --> 00:33:03,740

my father saw at that moment then they

697

00:33:08,980 --> 00:33:06,710

turned the ship's man on with a little

698

00:33:12,130 --> 00:33:08,990

energy and glowed in the window to stop

699

00:33:13,720 --> 00:33:12,140

and closed up and they shot one of them

700

00:33:15,960 --> 00:33:13,730

on the right side shot a beam into the

701
00:33:19,149 --> 00:33:15,970
yard and I knew that that was a

702
00:33:21,370 --> 00:33:19,159
telekinetic teleportation being but my

703
00:33:24,700 --> 00:33:21,380
first feeling when I saw was it was at a

704
00:33:26,460 --> 00:33:24,710
light being being beamed that can hear

705
00:33:29,169 --> 00:33:26,470
and know what's going on holy are you

706
00:33:33,960 --> 00:33:29,179
like being a probe being what year was

707
00:33:37,330 --> 00:33:33,970
this 1967 okay

708
00:33:39,700 --> 00:33:37,340
February 10th is cold and snow is on the

709
00:33:41,500 --> 00:33:39,710
ground and I said to the mommy chip to

710
00:33:43,120 --> 00:33:41,510
school telegraphic lean out loud I said

711
00:33:45,070 --> 00:33:43,130
to backyard dance I'll be gentle

712
00:33:46,389 --> 00:33:45,080
and they started hovering very slowly

713
00:33:49,409 --> 00:33:46,399

and going towards the school and then it

714

00:33:51,730 --> 00:33:49,419

hovered over the top of the school and

715

00:33:54,970 --> 00:33:51,740

thank my father drove me up to the

716

00:33:56,289 --> 00:33:54,980

pissed car quickly took to the field he

717

00:33:58,330 --> 00:33:56,299

didn't say in the feel because he didn't

718

00:34:00,730 --> 00:33:58,340

have a jacket that was windy and cold my

719

00:34:02,320 --> 00:34:00,740

dog came with me and we went on into the

720

00:34:04,330 --> 00:34:02,330

field where I used to go that's where

721

00:34:05,680 --> 00:34:04,340

they picked me up and they came from

722

00:34:07,930 --> 00:34:05,690

over the school and hovered over me in

723

00:34:10,930 --> 00:34:07,940

the field and my father was watching and

724

00:34:13,780 --> 00:34:10,940

I got hit with a lot of warm energy from

725

00:34:15,250 --> 00:34:13,790

the crowd so we would state my dog and I

726

00:34:17,290 --> 00:34:15,260

were just sitting on the snow basically

727

00:34:22,300 --> 00:34:17,300

most of the night my father went back to

728

00:34:23,740 --> 00:34:22,310

the house and they did some show for me

729

00:34:24,970 --> 00:34:23,750

in the sky when one airplane showed up

730

00:34:27,639 --> 00:34:24,980

they would just to shut off and

731

00:34:28,990 --> 00:34:27,649

disappear and pop back on later on so

732

00:34:30,430 --> 00:34:29,000

that's kind of that thing out

733

00:34:32,109 --> 00:34:30,440

telepathically talking with them and

734

00:34:33,310 --> 00:34:32,119

they didn't want it they say we can't

735

00:34:39,280 --> 00:34:33,320

land because it causes too much

736

00:34:41,859 --> 00:34:39,290

commotion and in that time the 1960s so

737

00:34:45,450 --> 00:34:41,869

when did they take you up hmm when did

738

00:34:47,819 --> 00:34:45,460

they take you up now 1958

739

00:34:49,470 --> 00:34:47,829

that's what they took you up in 58 yeah

740

00:34:53,369 --> 00:34:49,480

I was 5 years old we went behind the

741

00:34:55,799 --> 00:34:53,379

moon went towards Saturn and I know

742

00:34:57,059 --> 00:34:55,809

there's people in the moon and they told

743

00:34:58,380 --> 00:34:57,069

me about the moon because there he knew

744

00:34:59,760 --> 00:34:58,390

about some of it because I told my

745

00:35:01,770 --> 00:34:59,770

father there's people in the moon and

746

00:35:03,420 --> 00:35:01,780

then they took because I'm going to show

747

00:35:07,160 --> 00:35:03,430

it to me from behind the moon they went

748

00:35:11,700 --> 00:35:07,170

off with Saturn but what was it the mom

749

00:35:13,380 --> 00:35:11,710

well the moon is um you know it's a

750

00:35:15,510 --> 00:35:13,390

spaceship it's a giant spatia

751
00:35:18,030 --> 00:35:15,520
the good moon had set up there millions

752
00:35:19,980 --> 00:35:18,040
of years ago it was brought in after a

753
00:35:21,990 --> 00:35:19,990
planet had exploding the solar system

754
00:35:24,240 --> 00:35:22,000
caused the disk and imbalance in the

755
00:35:28,049 --> 00:35:24,250
system so they brought this ancient

756
00:35:30,630 --> 00:35:28,059
let's say core of an old climate

757
00:35:32,940 --> 00:35:30,640
somewhere looks like another better dust

758
00:35:35,430 --> 00:35:32,950
thing they have an inside he carved it

759
00:35:38,160 --> 00:35:35,440
out so clean and metal inside there's a

760
00:35:40,950 --> 00:35:38,170
ship inside their bases they come on

761
00:35:43,740 --> 00:35:40,960
yeah there's a ship in the month it was

762
00:35:46,770 --> 00:35:43,750
no moon like margins moon - no moon

763
00:35:48,450 --> 00:35:46,780

those are awesome hidden aspects crash

764

00:35:49,740 --> 00:35:48,460

like what he's probably yeah what he's

765

00:35:53,069 --> 00:35:49,750

trying to say is that the moon is an

766

00:35:55,500 --> 00:35:53,079

artificial satellite right and yeah I

767

00:35:57,569 --> 00:35:55,510

was in an out-of-body and when I told

768

00:36:00,329 --> 00:35:57,579

Ingo Swann about that he had been out

769

00:36:01,770 --> 00:36:00,339

there out-of-body he said to me no one's

770

00:36:03,569 --> 00:36:01,780

been there except no one's seen that

771

00:36:05,220 --> 00:36:03,579

scene except you have ever met any

772

00:36:07,049 --> 00:36:05,230

better a whole planet anything he says

773

00:36:09,839 --> 00:36:07,059

you've seen what I've seen in unison

774

00:36:13,410 --> 00:36:09,849

yeah there's people in there scientific

775

00:36:15,120 --> 00:36:13,420

very scientific and they always sit they

776

00:36:17,130 --> 00:36:15,130

always did say the man in the moon right

777

00:36:19,410 --> 00:36:17,140

yeah there was a couple of kindly

778

00:36:21,359 --> 00:36:19,420

beauties a month of look human they

779

00:36:22,710 --> 00:36:21,369

could walk around here and there's

780

00:36:25,140 --> 00:36:22,720

others that are little humanoid-looking

781

00:36:27,030 --> 00:36:25,150

so they wouldn't walk on the earth but

782

00:36:28,859 --> 00:36:27,040

they have still kind of human-like

783

00:36:32,339 --> 00:36:28,869

features they might have larger eyes or

784

00:36:36,240 --> 00:36:32,349

tall and skinnier slender and like the

785

00:36:37,289 --> 00:36:36,250

greys no I didn't seem great actually I

786

00:36:39,839 --> 00:36:37,299

know there's probably something there

787

00:36:43,079 --> 00:36:39,849

probably today but and so I were there

788

00:36:49,370 --> 00:36:43,089

was what color were they uh they looked

789

00:36:52,799 --> 00:36:49,380

very white the ones that I saw and

790

00:36:54,900 --> 00:36:52,809

almost super white I can't get how you

791

00:36:56,490 --> 00:36:54,910

explain that so once that limit the man

792

00:36:58,320 --> 00:36:56,500

come to me question do they have like

793

00:37:00,120 --> 00:36:58,330

seen their eyes were they

794

00:37:02,100 --> 00:37:00,130

like oval over they have corneas like

795

00:37:04,260 --> 00:37:02,110

ours the ones that I saw excuse the

796

00:37:06,980 --> 00:37:04,270

first ones I saw look human and they

797

00:37:09,480 --> 00:37:06,990

were tall but they had very white skin

798

00:37:11,700 --> 00:37:09,490

the other ones I saw that looked human

799

00:37:13,110 --> 00:37:11,710

that could fit in had are kind of

800

00:37:16,950 --> 00:37:13,120

different types of color skin is very

801
00:37:20,160 --> 00:37:16,960
dark tans in a very beige look more like

802
00:37:22,410 --> 00:37:20,170
tans and then some other beings were

803
00:37:24,180 --> 00:37:22,420
more skinny very kind of strange or

804
00:37:26,930 --> 00:37:24,190
alien like looking but they did not look

805
00:37:29,540 --> 00:37:26,940
like greys they had irises in their hive

806
00:37:33,840 --> 00:37:29,550
yeah to hand all your sister

807
00:37:37,050 --> 00:37:33,850
insecticides no I've seen those outside

808
00:37:38,700 --> 00:37:37,060
up and out of body yeah but um the thing

809
00:37:42,510 --> 00:37:38,710
is that they could hear in there they're

810
00:37:44,490 --> 00:37:42,520
there and they told me they monitor that

811
00:37:46,170 --> 00:37:44,500
telepathically I got they're monitoring

812
00:37:48,230 --> 00:37:46,180
everything in the solar system and

813
00:37:51,930 --> 00:37:48,240

that's been there for millions of years

814

00:37:54,630 --> 00:37:51,940

so come on yeah it just goes to show you

815

00:37:56,880 --> 00:37:54,640

surface our systems are older than the

816

00:37:59,880 --> 00:37:56,890

solar system there's more systems okay

817

00:38:01,470 --> 00:37:59,890

Oh certain psychology see they've been

818

00:38:02,100 --> 00:38:01,480

monitoring this planet for millions of

819

00:38:04,440 --> 00:38:02,110

years that

820

00:38:07,920 --> 00:38:04,450

well when the moon was set up to be the

821

00:38:09,840 --> 00:38:07,930

moon gotta stay back in beyond dinosaur

822

00:38:12,270 --> 00:38:09,850

times to because there was a ancient

823

00:38:14,850 --> 00:38:12,280

know the earth is has looked a couple of

824

00:38:16,290 --> 00:38:14,860

times and there's my fourth time now

825

00:38:17,700 --> 00:38:16,300

we're on where like the fourth wrong

826

00:38:19,290 --> 00:38:17,710

because when we went around three times

827

00:38:24,480 --> 00:38:19,300

oh there's one around so you'll find

828

00:38:26,280 --> 00:38:24,490

will for any old artifacts that date

829

00:38:28,920 --> 00:38:26,290

from millions of years ago you have the

830

00:38:30,900 --> 00:38:28,930

giants and other kinds of artifacts

831

00:38:32,850 --> 00:38:30,910

remember the OOP osseous how to place

832

00:38:36,180 --> 00:38:32,860

objects like the battery in the in the

833

00:38:39,920 --> 00:38:36,190

geode take some geo to form right

834

00:38:43,610 --> 00:38:39,930

million years ago so trite it's um not a

835

00:38:45,840 --> 00:38:43,620

way back battery but I've got a battery

836

00:38:47,640 --> 00:38:45,850

are you talking about the Baghdad

837

00:38:49,530 --> 00:38:47,650

battery for example yeah remember they

838

00:38:50,940 --> 00:38:49,540

discovered battery inside of a geode

839

00:38:52,860 --> 00:38:50,950

that was cut open right

840

00:38:55,410 --> 00:38:52,870

yeah the Exide battery but it wasn't

841

00:38:58,380 --> 00:38:55,420

like our modern battery but right right

842

00:39:00,210 --> 00:38:58,390

but I had the same basic idea of what

843

00:39:01,680 --> 00:39:00,220

our batteries do yeah yeah could you

844

00:39:03,870 --> 00:39:01,690

just see the et walking by enough

845

00:39:07,790 --> 00:39:03,880

unknown Beach of the shores or something

846

00:39:10,800 --> 00:39:07,800

talking but whoops I'd lost it somewhere

847

00:39:12,120 --> 00:39:10,810

but now when I was in England I was on

848

00:39:13,890 --> 00:39:12,130

there too on the ship so

849

00:39:17,370 --> 00:39:13,900

it we had different different

850

00:39:21,420 --> 00:39:17,380

experiences and now mark how many how

851
00:39:22,560 --> 00:39:21,430
many contacts you say that you've had I

852
00:39:26,370 --> 00:39:22,570
mean I guess you would have to estimate

853
00:39:28,470 --> 00:39:26,380
them and how many actually have actual

854
00:39:30,480 --> 00:39:28,480
photographs have you taken because I

855
00:39:32,880 --> 00:39:30,490
know some of them are in the UFO

856
00:39:34,740 --> 00:39:32,890
repeaters book but solely not all of

857
00:39:36,660 --> 00:39:34,750
them you have more on your website how

858
00:39:38,850 --> 00:39:36,670
many different pictures have you taken

859
00:39:40,710 --> 00:39:38,860
and and how did that actually start were

860
00:39:43,140 --> 00:39:40,720
you told to go out with your camera and

861
00:39:46,050 --> 00:39:43,150
start taking photographs it started when

862
00:39:47,760 --> 00:39:46,060
I met Tim and Harold and one of your Tim

863
00:39:51,210 --> 00:39:47,770

seminars he had in New York City back in

864

00:39:54,060 --> 00:39:51,220

1976 I think I don't know it was on the

865

00:39:55,500 --> 00:39:54,070

East 50s I think when you had the

866

00:39:58,820 --> 00:39:55,510

building they're angels building and he

867

00:40:02,370 --> 00:39:58,830

had like a I'm an auditorium with sheets

868

00:40:04,920 --> 00:40:02,380

well let's see I had a place on 14th

869

00:40:06,900 --> 00:40:04,930

Street that was the main headquarters uh

870

00:40:08,730 --> 00:40:06,910

but then we did we rented out uh

871

00:40:10,410 --> 00:40:08,740

you know different auditoriums we were

872

00:40:12,510 --> 00:40:10,420

expecting a bigger crowd or something

873

00:40:14,910 --> 00:40:12,520

like that was the people I think Tim

874

00:40:16,800 --> 00:40:14,920

O'Reilly was there too oh yeah well we

875

00:40:18,720 --> 00:40:16,810

we had just about everybody who was uh

876

00:40:21,840 --> 00:40:18,730

up and coming up and coming in the world

877

00:40:24,360 --> 00:40:21,850

of the paranormal and UFOs without

878

00:40:26,190 --> 00:40:24,370

exception I think we were one of the

879

00:40:29,340 --> 00:40:26,200

first if not the first metaphysical

880

00:40:31,380 --> 00:40:29,350

centers uh in the chili on the East

881

00:40:34,080 --> 00:40:31,390

Coast on the west coast they had been

882

00:40:36,720 --> 00:40:34,090

doing this for a long long time but it

883

00:40:39,150 --> 00:40:36,730

never really occurred on here in New

884

00:40:41,400 --> 00:40:39,160

York and but we gave it you know we gave

885

00:40:44,630 --> 00:40:41,410

it a good shot for many many years but

886

00:40:47,400 --> 00:40:44,640

or you know my my mind you know like it

887

00:40:50,430 --> 00:40:47,410

it's been a long time since I've known

888

00:40:52,140 --> 00:40:50,440

you certainly but refresh my memory how

889

00:40:55,470 --> 00:40:52,150

did that come about that you went out

890

00:40:57,390 --> 00:40:55,480

with the camera um right after I went to

891

00:40:59,190 --> 00:40:57,400

that meeting where you had people with

892

00:41:02,370 --> 00:40:59,200

UFO experiences come like Betty hill

893

00:41:07,290 --> 00:41:02,380

Stella Lansing and who've been who

894

00:41:09,480 --> 00:41:07,300

witnessed the Fatima UFO mimic were

895

00:41:10,620 --> 00:41:09,490

there I don't know their names but I

896

00:41:13,470 --> 00:41:10,630

just remembered that I don't remember

897

00:41:15,180 --> 00:41:13,480

either not a witness they were kids when

898

00:41:17,730 --> 00:41:15,190

it happened a neighbor in that field and

899

00:41:19,110 --> 00:41:17,740

the craft came down spinning in with

900

00:41:21,390 --> 00:41:19,120

lights and everything and ride did not

901
00:41:25,290 --> 00:41:21,400
everything um so I found that really

902
00:41:25,590 --> 00:41:25,300
great and I think Tim Wilely was helping

903
00:41:26,910 --> 00:41:25,600
to

904
00:41:30,000 --> 00:41:26,920
on something at that building maybe

905
00:41:32,400 --> 00:41:30,010
that's how he also met him and pin talks

906
00:41:34,860 --> 00:41:32,410
about angels and dolphins that's correct

907
00:41:38,040 --> 00:41:34,870
I remember him from I remember him from

908
00:41:39,900 --> 00:41:38,050
the harmonic convergence where in the

909
00:41:42,120 --> 00:41:39,910
Central Park ed I think bearing some

910
00:41:44,760 --> 00:41:42,130
crystals or something in he had he and I

911
00:41:50,220 --> 00:41:44,770
have on the brightest colorful shirts of

912
00:41:53,700 --> 00:41:50,230
anybody among the crowd around 90th

913
00:41:55,230 --> 00:41:53,710

Street you know what Tim yeah I can't go

914

00:41:56,940 --> 00:41:55,240

on with any casual conversation after

915

00:41:58,860 --> 00:41:56,950

mark just said that he's been with all

916

00:42:00,570 --> 00:41:58,870

these aliens you know I'm still I'm

917

00:42:02,490 --> 00:42:00,580

still not like how does this affect your

918

00:42:07,170 --> 00:42:02,500

life has it affected your life

919

00:42:08,730 --> 00:42:07,180

no brother has it um I mean I mean did

920

00:42:10,710 --> 00:42:08,740

it make you nervous did it make you feel

921

00:42:13,500 --> 00:42:10,720

empowered I mean you know the show since

922

00:42:15,870 --> 00:42:13,510

you were five I have it I felt like that

923

00:42:17,070 --> 00:42:15,880

by that that new things and wasn't

924

00:42:19,860 --> 00:42:17,080

allowed to say anything because no one

925

00:42:22,380 --> 00:42:19,870

would ever understand and I was giving

926
00:42:23,550 --> 00:42:22,390
information and couldn't share it at all

927
00:42:26,580 --> 00:42:23,560
for 47 years

928
00:42:28,530 --> 00:42:26,590
and they told me that we we sit now so

929
00:42:31,820 --> 00:42:28,540
I've been doing that since um what

930
00:42:35,150 --> 00:42:31,830
information well it's actually had a

931
00:42:38,010 --> 00:42:35,160
protocols and how to besides

932
00:42:40,710 --> 00:42:38,020
telepathically linked up to your higher

933
00:42:42,360 --> 00:42:40,720
self or over Souls and stuff um making

934
00:42:43,590 --> 00:42:42,370
that connection and people have

935
00:42:45,810 --> 00:42:43,600
experience and when I give these talks

936
00:42:47,670 --> 00:42:45,820
we do this and uh some people have

937
00:42:50,850 --> 00:42:47,680
actually called and emailed us and said

938
00:42:53,040 --> 00:42:50,860

you know it worked I experienced this

939

00:42:54,350 --> 00:42:53,050

and within a week because I don't say

940

00:42:57,060 --> 00:42:54,360

it's going to happen right then it could

941

00:43:01,110 --> 00:42:57,070

depending how psychic a person is or how

942

00:43:03,780 --> 00:43:01,120

in tune but it's just something we my

943

00:43:05,970 --> 00:43:03,790

wife and we teach this at little

944

00:43:09,840 --> 00:43:05,980

lectures we do but this other

945

00:43:11,700 --> 00:43:09,850

information was uh just I mean I saw

946

00:43:14,760 --> 00:43:11,710

futures I saw different things happening

947

00:43:16,500 --> 00:43:14,770

and told my father about it when I was

948

00:43:18,090 --> 00:43:16,510

about four or five years old and he

949

00:43:20,100 --> 00:43:18,100

years would go by and the whole thing

950

00:43:22,140 --> 00:43:20,110

come true and he'd go to me you told me

951
00:43:24,360 --> 00:43:22,150
down your little kid and I would go

952
00:43:25,350 --> 00:43:24,370
Thanks if something happened because I

953
00:43:28,340 --> 00:43:25,360
wasn't sure what was going to happen

954
00:43:32,250 --> 00:43:28,350
anymore you know but I really thought

955
00:43:36,530 --> 00:43:32,260
hmm do you believe in God oh yes creator

956
00:43:38,550 --> 00:43:36,540
yeah so what do you think this that's in

957
00:43:39,269 --> 00:43:38,560
what do you think's going on we're

958
00:43:41,729 --> 00:43:39,279
trying unravel

959
00:43:44,009 --> 00:43:41,739
secrets what do you think okay well the

960
00:43:45,689 --> 00:43:44,019
space people that I know and those like

961
00:43:47,039 --> 00:43:45,699
from there's another command different

962
00:43:49,620 --> 00:43:47,049
commands around our solar system and

963
00:43:51,479 --> 00:43:49,630

people have heard bashed are the astral

964

00:43:54,779 --> 00:43:51,489

command these are actual people I've met

965

00:43:56,189 --> 00:43:54,789

them they are existing and they are

966

00:43:58,949 --> 00:43:56,199

friends of ours action to the whole

967

00:44:00,719 --> 00:43:58,959

galaxy is universal spot on our galaxy

968

00:44:02,699 --> 00:44:00,729

in our solar system so they're there is

969

00:44:05,130 --> 00:44:02,709

they're trying to be the benevolent

970

00:44:07,979 --> 00:44:05,140

being they are but they also bring with

971

00:44:09,989 --> 00:44:07,989

them love extreme beauty and love and

972

00:44:11,849 --> 00:44:09,999

what Valley and Fleur was speaking about

973

00:44:14,880 --> 00:44:11,859

was exactly the same thing bringing

974

00:44:17,579 --> 00:44:14,890

health healing wellness to the physical

975

00:44:20,099 --> 00:44:17,589

dimension of space of birth these 3d

976
00:44:22,829 --> 00:44:20,109
realities on those realities they come

977
00:44:25,069 --> 00:44:22,839
from the lyric and higher there's no

978
00:44:27,239 --> 00:44:25,079
sickness there's no pain like that and

979
00:44:30,449 --> 00:44:27,249
part of the message from the crew in the

980
00:44:32,669 --> 00:44:30,459
space beings was to not just valley but

981
00:44:36,390 --> 00:44:32,679
others they come and come for our

982
00:44:38,009 --> 00:44:36,400
governments and asked to join with them

983
00:44:41,219 --> 00:44:38,019
because then we could have

984
00:44:43,829 --> 00:44:41,229
transportation in space as well but it

985
00:44:46,169 --> 00:44:43,839
seems like Earth lets the earth just

986
00:44:48,329 --> 00:44:46,179
wants to have the power or the weapons

987
00:44:50,459 --> 00:44:48,339
they don't trust each other I guess and

988
00:44:53,249 --> 00:44:50,469

like them beings that I know heavily

989

00:44:55,439 --> 00:44:53,259

said the earth has the people of Earth

990

00:44:57,120 --> 00:44:55,449

have to see the planet that like the

991

00:44:59,909 --> 00:44:57,130

astronauts need space

992

00:45:01,769 --> 00:44:59,919

the planet is one it's like a family

993

00:45:04,439 --> 00:45:01,779

it's like a house all the people on the

994

00:45:05,969 --> 00:45:04,449

planet planet or a family stop just

995

00:45:08,039 --> 00:45:05,979

boring and stop seeing each other in

996

00:45:10,319 --> 00:45:08,049

different countries and continents stop

997

00:45:13,169 --> 00:45:10,329

seeing races these are all tests things

998

00:45:14,640 --> 00:45:13,179

people go through and the physical

999

00:45:16,949 --> 00:45:14,650

bodies are like our automobiles we're

1000

00:45:18,419 --> 00:45:16,959

traveling in the souls within them no

1001
00:45:19,589 --> 00:45:18,429
one sees the soul totally but when

1002
00:45:21,359 --> 00:45:19,599
you're out way out in those high

1003
00:45:23,489 --> 00:45:21,369
frequency dimensional spaces even your

1004
00:45:24,929 --> 00:45:23,499
soul traveling out of body and well you

1005
00:45:26,929 --> 00:45:24,939
can see your true self the way you

1006
00:45:31,349 --> 00:45:26,939
actually look earth is just for now

1007
00:45:32,429 --> 00:45:31,359
mirror you looking that's just now what

1008
00:45:34,380 --> 00:45:32,439
do you think about stories about

1009
00:45:35,159 --> 00:45:34,390
abduction so like horrible abductions

1010
00:45:37,620 --> 00:45:35,169
and things that have happened

1011
00:45:39,899 --> 00:45:37,630
frightening things I promise you want

1012
00:45:41,279 --> 00:45:39,909
like really nice aliens yeah well yeah

1013
00:45:42,929 --> 00:45:41,289

I've had friends I've had the horrible

1014

00:45:46,469 --> 00:45:42,939

scary ones with the babies and

1015

00:45:51,120 --> 00:45:46,479

everything and they usually were very

1016

00:45:53,490 --> 00:45:51,130

frightened I like an alien so no doesn't

1017

00:45:57,960 --> 00:45:53,500

up my shirt those are the

1018

00:46:02,850 --> 00:45:57,970

let's say scientific I'm their physical

1019

00:46:05,760 --> 00:46:02,860

and earth well you know out west via let

1020

00:46:07,590 --> 00:46:05,770

the beings have a place underground to

1021

00:46:10,380 --> 00:46:07,600

have a place because their planet was

1022

00:46:11,640 --> 00:46:10,390

dying and the space beings I know told

1023

00:46:14,250 --> 00:46:11,650

me all these different things about them

1024

00:46:17,310 --> 00:46:14,260

way before and when I heard about Betty

1025

00:46:19,320 --> 00:46:17,320

hill when I was a kid and I said to my

1026
00:46:22,770 --> 00:46:19,330
father someday I'm going to meet her I

1027
00:46:25,700 --> 00:46:22,780
was like seven eight years old and she

1028
00:46:28,380 --> 00:46:25,710
missed it I'm gonna have to get know

1029
00:46:30,120 --> 00:46:28,390
maybe I was seven eight years old in

1030
00:46:33,150 --> 00:46:30,130
1961 so she uh

1031
00:46:35,130 --> 00:46:33,160
my father says how could you meet her

1032
00:46:37,230 --> 00:46:35,140
you don't even know where she is someday

1033
00:46:39,450 --> 00:46:37,240
I'm going to meet her sure enough 1976 I

1034
00:46:43,110 --> 00:46:39,460
meet that eagle and stayed up there with

1035
00:46:44,790 --> 00:46:43,120
her for a week and then came back and

1036
00:46:47,730 --> 00:46:44,800
stole away what did you discuss with her

1037
00:46:50,190 --> 00:46:47,740
I actually asked her if she's still

1038
00:46:53,310 --> 00:46:50,200

upset about those ETS the little ones

1039

00:46:55,520 --> 00:46:53,320

that took her and she said at first I

1040

00:46:58,290 --> 00:46:55,530

was I was very upset and angry and

1041

00:47:01,380 --> 00:46:58,300

frightened and as I went two years go by

1042

00:47:03,810 --> 00:47:01,390

she said ah I noticed women they didn't

1043

00:47:05,520 --> 00:47:03,820

hurt me as bad as some doctors have and

1044

00:47:08,700 --> 00:47:05,530

she started to that's that's their door

1045

00:47:11,970 --> 00:47:08,710

right hmm that that's that's for sure

1046

00:47:13,440 --> 00:47:11,980

now you know actually though just before

1047

00:47:15,270 --> 00:47:13,450

she passed away a couple years before

1048

00:47:17,460 --> 00:47:15,280

she passed away she would go out

1049

00:47:20,040 --> 00:47:17,470

actually on a regular basis she had a

1050

00:47:23,040 --> 00:47:20,050

favorite site where she would go with

1051
00:47:25,470 --> 00:47:23,050
her camera and sit there and wait for

1052
00:47:28,020 --> 00:47:25,480
them to return and she did get some

1053
00:47:29,400 --> 00:47:28,030
photographs of some unusual it there you

1054
00:47:31,980 --> 00:47:29,410
know most people don't realize that

1055
00:47:35,910 --> 00:47:31,990
there actually was a history of UFO

1056
00:47:38,580 --> 00:47:35,920
related experiences in her family going

1057
00:47:40,560 --> 00:47:38,590
back I think it was her grandparents it

1058
00:47:42,420 --> 00:47:40,570
was actually a landing on a farm or some

1059
00:47:46,230 --> 00:47:42,430
place that the they had I don't think

1060
00:47:49,980 --> 00:47:46,240
Betty was even born at that time but she

1061
00:47:52,980 --> 00:47:49,990
did become interested you know in making

1062
00:47:54,330 --> 00:47:52,990
some sort of communication with them and

1063
00:47:56,760 --> 00:47:54,340

of course a lot of people thought that

1064

00:47:58,860 --> 00:47:56,770

oh you know she's just getting elderly

1065

00:48:01,020 --> 00:47:58,870

and she's imagining this and so forth

1066

00:48:02,820 --> 00:48:01,030

and so on but I do believe that you know

1067

00:48:05,070 --> 00:48:02,830

she was very sincere about this and of

1068

00:48:06,930 --> 00:48:05,080

course Stella Lansing I kind of helped

1069

00:48:09,599 --> 00:48:06,940

to discover her if there's

1070

00:48:12,450 --> 00:48:09,609

two thing in the UFO a field she was one

1071

00:48:14,609 --> 00:48:12,460

remarkable lady now you talk about going

1072

00:48:17,910 --> 00:48:14,619

out with the camera in fact if you go to

1073

00:48:21,839 --> 00:48:17,920

my YouTube beside Tim Buckley or mr.

1074

00:48:24,180 --> 00:48:21,849

UFOs secret files there is a broadcast

1075

00:48:26,849 --> 00:48:24,190

the TV broadcast from one of the shows

1076

00:48:28,620 --> 00:48:26,859

back in the 70s that runs about six or

1077

00:48:30,599 --> 00:48:28,630

seven minutes about stellar Lansing and

1078

00:48:32,370 --> 00:48:30,609

all the amazing things that she took

1079

00:48:35,400 --> 00:48:32,380

with her 8 and 16 millimeter movie

1080

00:48:38,420 --> 00:48:35,410

cameras now today of course we've got

1081

00:48:41,910 --> 00:48:38,430

the Photoshop and other forms of

1082

00:48:45,120 --> 00:48:41,920

animation where you can more easily hoax

1083

00:48:48,210 --> 00:48:45,130

a UFO photo but these were not even UFOs

1084

00:48:49,020 --> 00:48:48,220

photos these were things in the sky that

1085

00:48:52,109 --> 00:48:49,030

shouldn't be there

1086

00:48:54,079 --> 00:48:52,119

she got faces she got clocks she got

1087

00:48:55,680 --> 00:48:54,089

airplanes that were flying upside-down

1088

00:48:58,339 --> 00:48:55,690

you name it

1089

00:49:00,390 --> 00:48:58,349

stellar Lansing you know was

1090

00:49:02,280 --> 00:49:00,400

photographed it but you know I want to

1091

00:49:04,200 --> 00:49:02,290

get back to Craig for for a minute

1092

00:49:05,849 --> 00:49:04,210

because it Craig you did have some

1093

00:49:09,329 --> 00:49:05,859

experiences maybe not with valiant Thor

1094

00:49:11,220 --> 00:49:09,339

but you did have experiences with with

1095

00:49:14,309 --> 00:49:11,230

masters and beings from somewhere else

1096

00:49:17,309 --> 00:49:14,319

isn't that correct yeah I did I had a

1097

00:49:23,000 --> 00:49:17,319

spiritual awakening when I was 26 years

1098

00:49:25,200 --> 00:49:23,010

old and and it was on the inner with

1099

00:49:27,300 --> 00:49:25,210

master teachers who actually came and

1100

00:49:30,150 --> 00:49:27,310

woke up myself which is sort of like

1101
00:49:33,300 --> 00:49:30,160
waking up your what Mark was talking

1102
00:49:39,180 --> 00:49:33,310
about your higher self or your over self

1103
00:49:43,370 --> 00:49:39,190
and that awakening lasted for almost a

1104
00:49:47,010 --> 00:49:43,380
year and the first eight months were

1105
00:49:48,980 --> 00:49:47,020
probably the most beautiful thing that I

1106
00:49:51,510 --> 00:49:48,990
ever experienced because I was suddenly

1107
00:49:55,740 --> 00:49:51,520
asleep and then all of a sudden I was

1108
00:49:59,069 --> 00:49:55,750
awake and I was awake in what creation

1109
00:50:03,300 --> 00:49:59,079
was and every little thing I every

1110
00:50:07,020 --> 00:50:03,310
living thing I looked at I saw the

1111
00:50:09,150 --> 00:50:07,030
beauty behind the creation of it and I

1112
00:50:11,520 --> 00:50:09,160
started seeing into other people's souls

1113
00:50:13,829 --> 00:50:11,530

and me who were seeing actors on a daily

1114

00:50:16,740 --> 00:50:13,839

basis I would somebody would walk in and

1115

00:50:19,710 --> 00:50:16,750

I would see and feel this incredible

1116

00:50:20,740 --> 00:50:19,720

beauty coming from them that I literally

1117

00:50:23,230 --> 00:50:20,750

would saw

1118

00:50:27,600 --> 00:50:23,240

em sob and saw but they were beautiful

1119

00:50:31,440 --> 00:50:27,610

sobs and and then I started connecting

1120

00:50:35,980 --> 00:50:31,450

to the Earth's heart and soul and never

1121

00:50:38,110 --> 00:50:35,990

realizing that this was a great mother

1122

00:50:40,710 --> 00:50:38,120

who was taking care of all of us and

1123

00:50:44,290 --> 00:50:40,720

that we needed to also take care of her

1124

00:50:47,380 --> 00:50:44,300

so there were all of those experiences

1125

00:50:51,670 --> 00:50:47,390

that went on and and that's sort of what

1126

00:50:55,270 --> 00:50:51,680

catapulted the the writing and all of

1127

00:50:56,820 --> 00:50:55,280

that and that's where my my trilogy the

1128

00:51:02,500 --> 00:50:56,830

autobiography of an extraterrestrial

1129

00:51:07,150 --> 00:51:02,510

saga stems from was from a lot of those

1130

00:51:10,930 --> 00:51:07,160

awakenings and stuff so that websites

1131

00:51:13,540 --> 00:51:10,940

autobiography up a.m. et , people want

1132

00:51:16,960 --> 00:51:13,550

to look at its book 1 & 2 around I'm

1133

00:51:20,140 --> 00:51:16,970

writing book 3 now but but I did have

1134

00:51:24,280 --> 00:51:20,150

one experience that I would love to

1135

00:51:28,840 --> 00:51:24,290

share I'll keep it brief when dr. Frank

1136

00:51:31,600 --> 00:51:28,850

was alive I had gone to a restaurant I

1137

00:51:35,050 --> 00:51:31,610

ate some fish that didn't agree with me

1138

00:51:37,330 --> 00:51:35,060

and I literally was bedridden for three

1139

00:51:40,900 --> 00:51:37,340

days I on the third day I had to call a

1140

00:51:44,050 --> 00:51:40,910

friend to come pick me up she rushed me

1141

00:51:46,810 --> 00:51:44,060

to the doctor they they they just kept

1142

00:51:49,720 --> 00:51:46,820

giving me things for my stomach and when

1143

00:51:51,940 --> 00:51:49,730

that proved unsuccessful they threw me

1144

00:51:55,450 --> 00:51:51,950

in an ambulance and rushed me to the

1145

00:51:56,830 --> 00:51:55,460

hospital they took x-rays and they

1146

00:51:58,690 --> 00:51:56,840

discovered that I had a bowel

1147

00:52:01,330 --> 00:51:58,700

obstruction they were going to keep me

1148

00:52:03,610 --> 00:52:01,340

overnight and then operate first thing

1149

00:52:06,250 --> 00:52:03,620

in the morning one of the vice

1150

00:52:13,150 --> 00:52:06,260

commanders who is on Victor 1 her name

1151
00:52:17,380 --> 00:52:13,160
is teal and anyway she she's very

1152
00:52:19,900 --> 00:52:17,390
gregarious and uh and very very smart

1153
00:52:23,320 --> 00:52:19,910
she's uh one of the smartest people on

1154
00:52:27,400 --> 00:52:23,330
the crew dr. frank said on the alien on

1155
00:52:30,790 --> 00:52:27,410
the yeah yeah yeah but they look human

1156
00:52:34,450 --> 00:52:30,800
and she's she would is what you would

1157
00:52:34,690 --> 00:52:34,460
say would have a voluptuous body and she

1158
00:52:38,560 --> 00:52:34,700
has

1159
00:52:42,609 --> 00:52:38,570
red hair green eyes and a sort of

1160
00:52:45,910 --> 00:52:42,619
porcelain white skin and anyway long

1161
00:52:47,109 --> 00:52:45,920
story short I was laying there in the in

1162
00:52:49,270 --> 00:52:47,119
the middle of the night I should've woke

1163
00:52:51,579 --> 00:52:49,280

up in between Twilight you know when

1164

00:52:55,240 --> 00:52:51,589

you're in that Twilight stage and I just

1165

00:52:57,250 --> 00:52:55,250

felt her around me and all of a sudden I

1166

00:53:00,670 --> 00:52:57,260

started to feel bubbles going through my

1167

00:53:02,410 --> 00:53:00,680

intestines and it was a strangest

1168

00:53:05,349 --> 00:53:02,420

feeling and I knew when I woke up I was

1169

00:53:08,370 --> 00:53:05,359

going to be fine and interestingly

1170

00:53:12,880 --> 00:53:08,380

enough when I woke up in the morning I

1171

00:53:15,790 --> 00:53:12,890

was on my side and I looked right there

1172

00:53:18,880 --> 00:53:15,800

sitting in the chair with dr. Frank and

1173

00:53:20,950 --> 00:53:18,890

I said what are you doing here and he

1174

00:53:23,319 --> 00:53:20,960

said he'll called me this morning and

1175

00:53:28,240 --> 00:53:23,329

told me she fixed you up last night so

1176

00:53:31,000 --> 00:53:28,250

I'm here to tell you that so I had

1177

00:53:34,750 --> 00:53:31,010

x-rays done immediately when the doctor

1178

00:53:37,030 --> 00:53:34,760

came again to uh I didn't tell him the

1179

00:53:38,800 --> 00:53:37,040

experience of course and everything was

1180

00:53:41,530 --> 00:53:38,810

fine and I was released from the

1181

00:53:43,690 --> 00:53:41,540

hospital that day so that was that was

1182

00:53:45,309 --> 00:53:43,700

sort of my experience with it how did

1183

00:53:47,260 --> 00:53:45,319

you go how did you have the spiritual

1184

00:53:49,540 --> 00:53:47,270

awakening in the first place I mean were

1185

00:53:52,120 --> 00:53:49,550

you in some kind of deep meditation were

1186

00:53:56,670 --> 00:53:52,130

you abducted up at a beam do they come

1187

00:54:00,550 --> 00:53:56,680

down to you now it started it started

1188

00:54:02,920 --> 00:54:00,560

where I would just wake up inside of

1189

00:54:08,620 --> 00:54:02,930

another realm is what I called sort of

1190

00:54:13,359 --> 00:54:08,630

like Lucy uh uh was it 26 years old okay

1191

00:54:16,780 --> 00:54:13,369

yeah so um interestingly enough I had

1192

00:54:18,940 --> 00:54:16,790

just finished working for a season and a

1193

00:54:22,530 --> 00:54:18,950

half on Spielberg's Amazing Stories

1194

00:54:28,450 --> 00:54:22,540

remember that TV show from long ago and

1195

00:54:32,079 --> 00:54:28,460

it began right right after that and and

1196

00:54:34,660 --> 00:54:32,089

it just started where I would just be in

1197

00:54:39,490 --> 00:54:34,670

this other realm that I would wake up in

1198

00:54:42,040 --> 00:54:39,500

and I saw these three beings we I mean

1199

00:54:44,680 --> 00:54:42,050

what did you do in a dream nope nope

1200

00:54:48,170 --> 00:54:44,690

didn't expect didn't expect any of it

1201

00:54:52,010 --> 00:54:48,180

but it didn't feel unfamiliar either

1202

00:54:54,650 --> 00:54:52,020

it I was never there was no fear there

1203

00:55:00,290 --> 00:54:54,660

was nothing attached it was complete and

1204

00:55:02,240 --> 00:55:00,300

utter unconditional love oh yeah oh yes

1205

00:55:06,740 --> 00:55:02,250

of course I believe in God but I believe

1206

00:55:09,680 --> 00:55:06,750

in God that everything is God that the

1207

00:55:13,700 --> 00:55:09,690

whole all of creation of God were all

1208

00:55:15,290 --> 00:55:13,710

God and we're all we're all part of it

1209

00:55:17,960 --> 00:55:15,300

it's it's interesting you know when

1210

00:55:20,180 --> 00:55:17,970

children come into the world they're

1211

00:55:24,460 --> 00:55:20,190

still coming from another realm

1212

00:55:27,859 --> 00:55:24,470

and my niece when she was quite young

1213

00:55:30,950 --> 00:55:27,869

she she was I think about seven years

1214

00:55:32,720 --> 00:55:30,960

old between five and seven I was I was

1215

00:55:34,339 --> 00:55:32,730

like holding her and she looked at me

1216

00:55:36,799 --> 00:55:34,349

and she said you know Uncle Craig you

1217

00:55:39,950 --> 00:55:36,809

know what's really beautiful I'm God

1218

00:55:41,270 --> 00:55:39,960

you're God and we're all God and my

1219

00:55:45,829 --> 00:55:41,280

sister looked at me and said don't look

1220

00:55:47,510 --> 00:55:45,839

at me I didn't tell her that and I just

1221

00:55:52,549 --> 00:55:47,520

you know I found that really really

1222

00:55:55,760 --> 00:55:52,559

fascinating and but yeah I do believe

1223

00:55:59,180 --> 00:55:55,770

that that we are all one in the same and

1224

00:56:03,039 --> 00:55:59,190

so do so do I believe all of the

1225

00:56:09,400 --> 00:56:03,049

advanced beings and everything as well

1226
00:56:12,770 --> 00:56:09,410
what well I agree with those yeah yeah I

1227
00:56:16,819 --> 00:56:12,780
don't share that experience no I've

1228
00:56:25,640 --> 00:56:16,829
never met any in the physical or have

1229
00:56:28,309 --> 00:56:25,650
been taken I've I've been uh sometimes I

1230
00:56:32,740 --> 00:56:28,319
will like when I was especially doing a

1231
00:56:35,420 --> 00:56:32,750
lot of work with dr. Frank I would

1232
00:56:38,390 --> 00:56:35,430
remember being in different parts of the

1233
00:56:40,039 --> 00:56:38,400
craft and looking and studying the

1234
00:56:44,000 --> 00:56:40,049
different parts that I would be writing

1235
00:56:47,299 --> 00:56:44,010
about so that was my experience with

1236
00:56:50,569 --> 00:56:47,309
that but now I would love a physical

1237
00:56:56,059 --> 00:56:50,579
experience I think what what he's what

1238
00:56:58,700 --> 00:56:56,069

he's experienced is incredible and it's

1239

00:56:59,520 --> 00:56:58,710

really quite humbling isn't it mark and

1240

00:57:02,810 --> 00:56:59,530

we go

1241

00:57:05,850 --> 00:57:02,820

yeah they call us all of us they're all

1242

00:57:10,080 --> 00:57:05,860

royal brothers and sisters and more in

1243

00:57:11,670 --> 00:57:10,090

light and they see us as are younger as

1244

00:57:13,830 --> 00:57:11,680

their younger brothers and sisters who

1245

00:57:15,450 --> 00:57:13,840

are just a few rungs on the ladder over

1246

00:57:16,800 --> 00:57:15,460

here and there are a couple upside of

1247

00:57:18,450 --> 00:57:16,810

reaching down their hand to pull us up

1248

00:57:21,810 --> 00:57:18,460

to the next few rungs and that's what

1249

00:57:25,110 --> 00:57:21,820

Jarvis helped you know and they've

1250

00:57:27,300 --> 00:57:25,120

exactly to sing what we believe is

1251
00:57:28,710 --> 00:57:27,310
aspects of creator were all aspects of

1252
00:57:32,550 --> 00:57:28,720
the Creator like I've not multifaceted

1253
00:57:34,650 --> 00:57:32,560
diamond and yeah we all have an

1254
00:57:38,430 --> 00:57:34,660
individual personality or reality like

1255
00:57:40,830 --> 00:57:38,440
that and yet we are all part of it all

1256
00:57:42,390 --> 00:57:40,840
so it's the creators experiencing

1257
00:57:44,430 --> 00:57:42,400
everything for everybody and everything

1258
00:57:46,800 --> 00:57:44,440
yeah it's when I have to fill our I talk

1259
00:57:48,240 --> 00:57:46,810
to it alexia a tree I'll pet it in the

1260
00:57:51,870 --> 00:57:48,250
nature kingdom nature spirit to

1261
00:57:53,700 --> 00:57:51,880
photograph them I've seen them and you

1262
00:57:56,250 --> 00:57:53,710
know they're there and they're just on

1263
00:57:58,710 --> 00:57:56,260

the next frequency so when people get

1264

00:58:01,170 --> 00:57:58,720

tuned up tuned in and all I start have

1265

00:58:04,080 --> 00:58:01,180

more intuitive ability and that purify

1266

00:58:06,840 --> 00:58:04,090

their body cleanser button or eat that

1267

00:58:09,720 --> 00:58:06,850

purified food sing higher thoughts be

1268

00:58:11,490 --> 00:58:09,730

loving care I don't care I don't you

1269

00:58:13,080 --> 00:58:11,500

know check off the booze everything like

1270

00:58:15,240 --> 00:58:13,090

that doesn't create some energy around

1271

00:58:17,880 --> 00:58:15,250

the body that right now they've now more

1272

00:58:20,070 --> 00:58:17,890

cast fireflies you had told me you had

1273

00:58:22,890 --> 00:58:20,080

told me earlier today about an

1274

00:58:24,780 --> 00:58:22,900

experience with an individual that

1275

00:58:27,150 --> 00:58:24,790

appeared materialized at the foot of

1276

00:58:28,950 --> 00:58:27,160

your bread and you have every reason to

1277

00:58:32,580 --> 00:58:28,960

believe that this might be valiant Thor

1278

00:58:37,980 --> 00:58:32,590

um I've always I always remembered the

1279

00:58:39,540 --> 00:58:37,990

person who helped me and I told Tim

1280

00:58:42,930 --> 00:58:39,550

today's if this had happened probably

1281

00:58:44,850 --> 00:58:42,940

well then I'll say eight years old or so

1282

00:58:47,010 --> 00:58:44,860

I was riding my bike my cousin was with

1283

00:58:49,710 --> 00:58:47,020

me behind me going down a dirt road that

1284

00:58:51,840 --> 00:58:49,720

we knew very you know just sandy type of

1285

00:58:53,610 --> 00:58:51,850

dirt road and my neighbor's dogs would

1286

00:58:54,990 --> 00:58:53,620

play with us and chase us so three of

1287

00:58:56,850 --> 00:58:55,000

the dogs are playing with me they always

1288

00:58:59,610 --> 00:58:56,860

loved us you know and they're just

1289

00:59:01,590 --> 00:58:59,620

running alongside the bike and I looked

1290

00:59:04,500 --> 00:59:01,600

down to the dog and I said no Mandy

1291

00:59:07,170 --> 00:59:04,510

don't get too close and she was just

1292

00:59:09,150 --> 00:59:07,180

running along and all sudden I'm on the

1293

00:59:11,490 --> 00:59:09,160

spaceship which is like you go out of

1294

00:59:13,200 --> 00:59:11,500

body or soul travel I was on the ship

1295

00:59:16,290 --> 00:59:13,210

and I was having

1296

00:59:18,570 --> 00:59:16,300

toughing and next thing i left next

1297

00:59:21,270 --> 00:59:18,580

thing I find out I'm on my parents bed

1298

00:59:25,590 --> 00:59:21,280

when my mom with a cool cloth on my head

1299

00:59:27,630 --> 00:59:25,600

my forehead and my father is there

1300

00:59:29,310 --> 00:59:27,640

my mother and my cousin she's off to the

1301
00:59:32,370 --> 00:59:29,320
far left of the bed I can probably see

1302
00:59:37,170 --> 00:59:32,380
her and at the end of the bed is a man

1303
00:59:39,620 --> 00:59:37,180
in a suit a young guy dark hair very

1304
00:59:41,820 --> 00:59:39,630
good-looking and very clean looking

1305
00:59:43,680 --> 00:59:41,830
really clean he just didn't look like a

1306
00:59:46,980 --> 00:59:43,690
guy you'd see and I'm looking at this

1307
00:59:48,750 --> 00:59:46,990
guy and I said what happened yeah I was

1308
00:59:50,370 --> 00:59:48,760
I think I can't say where I was because

1309
00:59:53,130 --> 00:59:50,380
I I wouldn't have told my mother that I

1310
00:59:57,630 --> 00:59:53,140
said what happened and she saw this man

1311
00:59:59,610 --> 00:59:57,640
brought you home and I was like what

1312
01:00:00,900 --> 00:59:59,620
happened and I remembered I was riding

1313
01:00:04,590 --> 01:00:00,910

the bike I was all I remember looking

1314

01:00:06,780 --> 01:00:04,600

down the dog and my eye they told me

1315

01:00:08,580 --> 01:00:06,790

that well he went down on the ground

1316

01:00:11,100 --> 01:00:08,590

with the bike just my cousin said he

1317

01:00:12,750 --> 01:00:11,110

went slowly down onto the ground and she

1318

01:00:14,610 --> 01:00:12,760

thought I was fooling around she came

1319

01:00:17,250 --> 01:00:14,620

over to me and dog was kissing my face I

1320

01:00:19,830 --> 01:00:17,260

was just smiling and she could shaking

1321

01:00:23,220 --> 01:00:19,840

and I wouldn't wake up and then he pulls

1322

01:00:26,820 --> 01:00:23,230

up suddenly in a car and stops gets out

1323

01:00:28,110 --> 01:00:26,830

he says let me help and he but he had to

1324

01:00:30,090 --> 01:00:28,120

follow my cousin to my mother's house

1325

01:00:33,090 --> 01:00:30,100

which my parents house which wasn't far

1326
01:00:35,070 --> 01:00:33,100
and my another neighbor who showed up

1327
01:00:37,710 --> 01:00:35,080
from the where took my bike and brought

1328
01:00:39,630 --> 01:00:37,720
it home so that's how I found out that I

1329
01:00:43,230 --> 01:00:39,640
got brought upstairs and he stayed until

1330
01:00:46,200 --> 01:00:43,240
I woke up but he did say we're going to

1331
01:00:47,940 --> 01:00:46,210
be okay now so that was the end of that

1332
01:00:50,430 --> 01:00:47,950
he leaves and I'm laying there going

1333
01:00:53,580 --> 01:00:50,440
that was a space person I knew it my

1334
01:00:56,160 --> 01:00:53,590
head I knew was from space until I saw

1335
01:00:57,810 --> 01:00:56,170
the pictures of Valiant floor in the

1336
01:01:00,540 --> 01:00:57,820
book Frank strange as years and years

1337
01:01:03,540 --> 01:01:00,550
ago many years ago I think Tim gave me

1338
01:01:05,400 --> 01:01:03,550

the book actually oh my I recognized a

1339

01:01:07,920 --> 01:01:05,410

guy and I said Nick and it looks like

1340

01:01:11,660 --> 01:01:07,930

the guy in my bed in my mom's bed was

1341

01:01:16,110 --> 01:01:11,670

just look like him but when I asked them

1342

01:01:18,270 --> 01:01:16,120

the name that he gave was Val and at

1343

01:01:21,660 --> 01:01:18,280

that time I had golden retriever got

1344

01:01:23,970 --> 01:01:21,670

named Prince Valiant and I thought I

1345

01:01:26,940 --> 01:01:23,980

wonder if his name was Val you think

1346

01:01:27,180 --> 01:01:26,950

like dogs so isn't that weird that's the

1347

01:01:28,890 --> 01:01:27,190

weir

1348

01:01:30,030 --> 01:01:28,900

thing that's ever done here but I always

1349

01:01:31,890 --> 01:01:30,040

knew the guy at the end of the bed was

1350

01:01:34,200 --> 01:01:31,900

not from Earth just by his face he

1351

01:01:34,770 --> 01:01:34,210

looked at me and the telepathy I felt

1352

01:01:36,920 --> 01:01:34,780

from him

1353

01:01:38,250 --> 01:01:36,930

he was telling me you're gonna be okay

1354

01:01:40,440 --> 01:01:38,260

you're okay

1355

01:01:43,050 --> 01:01:40,450

that was nothing wrong I said to him

1356

01:01:44,460 --> 01:01:43,060

actually I focused I said I was out

1357

01:01:46,140 --> 01:01:44,470

there I'm like my friends I'm the

1358

01:01:47,730 --> 01:01:46,150

spaceship that's why I was probably

1359

01:01:49,020 --> 01:01:47,740

smiling and like my cousin said you were

1360

01:01:51,300 --> 01:01:49,030

smiling I couldn't make give him to do

1361

01:01:52,559 --> 01:01:51,310

making the joke of this but I was

1362

01:01:54,900 --> 01:01:52,569

actually totally unconscious you know

1363

01:01:59,390 --> 01:01:54,910

I'd read really doubt deep and soul

1364

01:02:01,530 --> 01:01:59,400

travel so that happened way back then

1365

01:02:03,120 --> 01:02:01,540

and because I've already had UFO

1366

01:02:05,609 --> 01:02:03,130

extenders with the crew different guys

1367

01:02:08,099 --> 01:02:05,619

and different things there I just felt

1368

01:02:09,450 --> 01:02:08,109

and knew this was not a human I thought

1369

01:02:10,620 --> 01:02:09,460

sure you guys invited me at the right

1370

01:02:13,950 --> 01:02:10,630

time somehow I didn't even know what

1371

01:02:16,730 --> 01:02:13,960

have well you know after we come back

1372

01:02:21,630 --> 01:02:16,740

from our short break here I'm going to

1373

01:02:24,210 --> 01:02:21,640

relate another incident involving Val

1374

01:02:27,270 --> 01:02:24,220

Thor where somebody apparently someone

1375

01:02:29,760 --> 01:02:27,280

else apparently had contact with him

1376

01:02:31,500 --> 01:02:29,770

without realizing it for a number of

1377

01:02:34,020 --> 01:02:31,510

years until they saw that photograph and

1378

01:02:37,050 --> 01:02:34,030

stranger to Pentagon before we go on our

1379

01:02:39,300 --> 01:02:37,060

break why don't you fellows give us the

1380

01:02:40,650 --> 01:02:39,310

listeners out there your web sites so

1381

01:02:44,099 --> 01:02:40,660

that they can go to it while we're on

1382

01:02:50,309 --> 01:02:44,109

the break or write it down mark go ahead

1383

01:02:52,829 --> 01:02:50,319

okay intergalactic mission calm and in

1384

01:02:56,030 --> 01:02:52,839

info an intergalactic mission comedy

1385

01:02:58,620 --> 01:02:56,040

email and there's some really

1386

01:03:01,079 --> 01:02:58,630

fascinating photographs there I mean

1387

01:03:03,900 --> 01:03:01,089

these things are pardoning expression

1388

01:03:06,870 --> 01:03:03,910

from out of this world and Craig how

1389

01:03:10,440 --> 01:03:06,880

about you're aware can our listeners see

1390

01:03:12,599 --> 01:03:10,450

a trailer of strangers Pentagon sure

1391

01:03:15,059 --> 01:03:12,609

they can they can actually watch the

1392

01:03:18,599 --> 01:03:15,069

short film there as well it's a stranger

1393

01:03:21,050 --> 01:03:18,609

at the Pentagon calm and the

1394

01:03:25,920 --> 01:03:21,060

autobiography of an extraterrestrial

1395

01:03:28,890 --> 01:03:25,930

trilogy is autobiography of on et

1396

01:03:31,920 --> 01:03:28,900

dot-com and then my regular website is

1397

01:03:34,530 --> 01:03:31,930

Craig campobasso dot-com now quick how

1398

01:03:38,970 --> 01:03:34,540

long does this version of the movie la

1399

01:03:40,210 --> 01:03:38,980

how long is it the actual UH movie is

1400

01:03:45,190 --> 01:03:40,220

about seven

1401

01:03:47,290 --> 01:03:45,200

ten minutes uh uh and then you know we

1402

01:03:50,589 --> 01:03:47,300

have our main title credits and then we

1403

01:03:52,690 --> 01:03:50,599

have our entitle credits and it was a

1404

01:03:55,089 --> 01:03:52,700

film that was made by the people for the

1405

01:03:58,300 --> 01:03:55,099

people because the people wanted to see

1406

01:04:01,839 --> 01:03:58,310

it so I wanted to give everybody I

1407

01:04:03,730 --> 01:04:01,849

wanted to put everybody's name who had

1408

01:04:06,670 --> 01:04:03,740

something to do with it because all of

1409

01:04:08,980 --> 01:04:06,680

these people created it so in real

1410

01:04:11,589 --> 01:04:08,990

length it's 24 minutes but the actual

1411

01:04:15,280 --> 01:04:11,599

film and a brief excerpt from dr. Frank

1412

01:04:16,960 --> 01:04:15,290

is about 17 now do you plan at some

1413

01:04:19,690 --> 01:04:16,970

future date to continue with this and

1414

01:04:23,680 --> 01:04:19,700

make it into a full-length feature yes

1415

01:04:26,020 --> 01:04:23,690

I'm actually raising we have right now

1416

01:04:29,710 --> 01:04:26,030

at 23 million dollar budget to do the

1417

01:04:32,740 --> 01:04:29,720

feature yeah so I'm in the midst of

1418

01:04:35,260 --> 01:04:32,750

raising that so any listeners out there

1419

01:04:38,200 --> 01:04:35,270

you know if you got a big nice checkbook

1420

01:04:40,930 --> 01:04:38,210

call me well you know I I used to know

1421

01:04:41,530 --> 01:04:40,940

India a - I remember - I remember a

1422

01:04:43,390 --> 01:04:41,540

mystery

1423

01:04:45,490 --> 01:04:43,400

I remember Missouri I remember I

1424

01:04:47,890 --> 01:04:45,500

remember in the old days they used to

1425

01:04:49,829 --> 01:04:47,900

say sometimes it's easier to get big

1426

01:04:52,329 --> 01:04:49,839

sums of money than it is the edge of

1427

01:04:54,640 --> 01:04:52,339

\$50,000 because your pay back is it

1428

01:04:57,550 --> 01:04:54,650

gonna be anywhere near as big that's

1429

01:05:01,630 --> 01:04:57,560

right okay so while we contemplate these

1430

01:05:03,550 --> 01:05:01,640

numbers we're going to go on a short

1431

01:05:06,760 --> 01:05:03,560

break and we'll be back in a few minutes

1432

01:05:09,370 --> 01:05:06,770

with our fascinating conversation with

1433

01:05:12,940 --> 01:05:09,380

some fascinating guests and some really

1434

01:05:19,720 --> 01:05:17,170

all right we're back in the mix we're

1435

01:05:23,770 --> 01:05:19,730

back in the swirl of things where is

1436

01:05:26,500 --> 01:05:23,780

deep into this black hole as we're

1437

01:05:31,030 --> 01:05:26,510

possibly ever going to get and we're

1438

01:05:33,339 --> 01:05:31,040

here with our amazing co-host Carla

1439

01:05:36,760 --> 01:05:33,349

Anderson hello and then we're traveling

1440

01:05:38,370 --> 01:05:36,770

the secrets and down there down there

1441

01:05:43,000 --> 01:05:38,380

down am I happy

1442

01:05:45,310 --> 01:05:43,010

Wow down are we behave we've been

1443

01:05:48,220 --> 01:05:45,320

promising to unravel the secrets for

1444

01:05:50,920 --> 01:05:48,230

weeks and everything you give it Wow

1445

01:05:52,720 --> 01:05:50,930

getting that we're we're getting there

1446

01:05:55,150 --> 01:05:52,730

yes we only got a hundred more shows the

1447

01:05:58,120 --> 01:05:55,160

go and down in Miami we've got the

1448

01:06:00,880 --> 01:05:58,130

jackal on on the the doing the

1449

01:06:04,960 --> 01:06:00,890

engineering and producing this evening

1450

01:06:07,210 --> 01:06:04,970

and we have here in New York we have our

1451

01:06:10,859 --> 01:06:07,220

friend mark and out on the west coast we

1452

01:06:13,240 --> 01:06:10,869

have Craig who is the producer of

1453

01:06:15,579 --> 01:06:13,250

stranger the Pentagon at least the movie

1454

01:06:19,089 --> 01:06:15,589

version of it and you know I want to

1455

01:06:21,700 --> 01:06:19,099

tell about Thor story question oh I knew

1456

01:06:23,980 --> 01:06:21,710

Howard manager fairly well we were

1457

01:06:26,859 --> 01:06:23,990

fairly you know tight as as much as a

1458

01:06:29,859 --> 01:06:26,869

UFO researcher and a contact II can be

1459

01:06:34,390 --> 01:06:29,869

in fact on several occasions he

1460

01:06:37,630 --> 01:06:34,400

graciously consented to appear at our

1461

01:06:39,819 --> 01:06:37,640

UFO conferences on the west coast now he

1462

01:06:41,380 --> 01:06:39,829

hadn't spoken in years you know he wrote

1463

01:06:43,780 --> 01:06:41,390

this book from outer space to you in

1464

01:06:45,849 --> 01:06:43,790

which he talked about his experiences

1465

01:06:48,370 --> 01:06:45,859

there in Highbridge new jersey where

1466

01:06:50,800 --> 01:06:48,380

these beings were landing in his apple

1467

01:06:53,410 --> 01:06:50,810

orchard and you know there were some

1468

01:06:56,470 --> 01:06:53,420

independent witnesses to this it wasn't

1469

01:06:58,569 --> 01:06:56,480

just his experiences there were people

1470

01:07:00,130 --> 01:06:58,579

that even told me that they had gone

1471

01:07:01,599 --> 01:07:00,140

there without telling you Howard that

1472

01:07:03,910 --> 01:07:01,609

the you know they were going to plan a

1473

01:07:06,640 --> 01:07:03,920

visit they would park in the back of his

1474

01:07:09,250 --> 01:07:06,650

house back in the apple orchard or back

1475

01:07:11,380 --> 01:07:09,260

in that vicinity and late at night they

1476

01:07:13,630 --> 01:07:11,390

would see strange objects in the sky

1477

01:07:15,760 --> 01:07:13,640

that would come down in land and on one

1478

01:07:18,220 --> 01:07:15,770

occasion a gentleman who was an engineer

1479

01:07:20,230 --> 01:07:18,230

told me that he had missing time he

1480

01:07:22,359 --> 01:07:20,240

remembers pulling in listening to the

1481

01:07:24,010 --> 01:07:22,369

Long John Neville show it was about 1

1482

01:07:26,090 --> 01:07:24,020

o'clock in the morning and the next

1483

01:07:28,430 --> 01:07:26,100

thing he knew the Sun was come

1484

01:07:31,970 --> 01:07:28,440

and he could never explain what happened

1485

01:07:34,910 --> 01:07:31,980

to him during that period of maybe four

1486

01:07:36,400 --> 01:07:34,920

hours where he had miss I guess missing

1487

01:07:39,440 --> 01:07:36,410

time is the best way to describe it

1488

01:07:42,800 --> 01:07:39,450

except his whole life changed or

1489

01:07:45,620 --> 01:07:42,810

something triggered him to go out buy a

1490

01:07:49,460 --> 01:07:45,630

trailer sell his home break up with his

1491

01:07:51,470 --> 01:07:49,470

wife and he started I guess tinkering is

1492

01:07:53,360 --> 01:07:51,480

the best way I could describe it and

1493

01:07:56,330 --> 01:07:53,370

working on different inventions and all

1494

01:07:59,060 --> 01:07:56,340

it was like something had put

1495

01:08:03,290 --> 01:07:59,070

information into his mind and he was

1496

01:08:05,720 --> 01:08:03,300

trying to relate that experience and and

1497

01:08:07,370 --> 01:08:05,730

and you know work on whatever it was

1498

01:08:09,440 --> 01:08:07,380

that they were trying to tell him kind

1499

01:08:12,050 --> 01:08:09,450

of like George Noory not George Noory

1500

01:08:14,000 --> 01:08:12,060

I'm the fellow at Dreyfuss in the the

1501

01:08:15,830 --> 01:08:14,010

film Close Encounters remember where he

1502

01:08:19,520 --> 01:08:15,840

was building the The Devil's Tower and

1503

01:08:21,140 --> 01:08:19,530

almost before yeah we've heard other

1504

01:08:23,720 --> 01:08:21,150

stories like that where people have been

1505

01:08:25,520 --> 01:08:23,730

implanted with thought and have gone out

1506

01:08:28,630 --> 01:08:25,530

and tried to invent something or come up

1507

01:08:31,310 --> 01:08:28,640

with some device that they were told

1508

01:08:34,300 --> 01:08:31,320

would be of benefit to all of humanity

1509

01:08:36,170 --> 01:08:34,310

which brings me to this this story

1510

01:08:39,770 --> 01:08:36,180

regarding a gentleman by the name of

1511

01:08:41,510 --> 01:08:39,780

Joseph Fourier now one of my friends is

1512

01:08:45,590 --> 01:08:41,520

a talk-show host by the name of Paul II

1513

01:08:48,050 --> 01:08:45,600

know he has a program on a small Rhode

1514

01:08:51,290 --> 01:08:48,060

Island radio station called behind the

1515

01:08:54,050 --> 01:08:51,300

paranormal in fact he was on the show oh

1516

01:08:56,950 --> 01:08:54,060

I think three weeks ago now talking

1517

01:09:00,349 --> 01:08:56,960

about Charles fort and some of the early

1518

01:09:02,150 --> 01:09:00,359

experiences of people here in America

1519

01:09:04,310 --> 01:09:02,160

with the occult and the supernatural

1520

01:09:06,520 --> 01:09:04,320

going back to the seventeen hundreds

1521

01:09:10,849 --> 01:09:06,530

poltergeists and

1522

01:09:12,620 --> 01:09:10,859

hauntings and other straight vampires in

1523

01:09:13,910 --> 01:09:12,630

fact most people don't realize that

1524

01:09:17,960 --> 01:09:13,920

according to Paul there were vampires

1525

01:09:20,120 --> 01:09:17,970

living in New England and he wrote up

1526

01:09:22,340 --> 01:09:20,130

some of these experiences for one of our

1527

01:09:26,540 --> 01:09:22,350

books that just came out called the Bell

1528

01:09:29,270 --> 01:09:26,550

Witch Project anyway at the same radio

1529

01:09:31,460 --> 01:09:29,280

station which is W oon in Woonsocket

1530

01:09:34,820 --> 01:09:31,470

Rhode Island there was a gentleman that

1531

01:09:38,110 --> 01:09:34,830

I knew there from fifty years ago his

1532

01:09:40,070 --> 01:09:38,120

name was Joseph farrier and he had a

1533

01:09:43,010 --> 01:09:40,080

talk show there

1534

01:09:44,870 --> 01:09:43,020

but he also was interested in UFOs but

1535

01:09:46,820 --> 01:09:44,880

he really didn't discuss that on the on

1536

01:09:50,240 --> 01:09:46,830

the air that really wasn't one of his

1537

01:09:53,360 --> 01:09:50,250

main subjects but as a teenager we

1538

01:09:55,670 --> 01:09:53,370

exchange publications I had a newsletter

1539

01:09:58,040 --> 01:09:55,680

called the interplanetary news service

1540

01:10:00,620 --> 01:09:58,050

report and he put out the controversial

1541

01:10:02,420 --> 01:10:00,630

phenomena bulletin and we swap

1542

01:10:04,310 --> 01:10:02,430

publications in the mail and we

1543

01:10:07,070 --> 01:10:04,320

correspond to each year with each other

1544

01:10:10,400 --> 01:10:07,080

and we converse of the phone at some

1545

01:10:12,710 --> 01:10:10,410

point he invited me up to his to do his

1546

01:10:15,130 --> 01:10:12,720

talk-show and again it was not a UFO

1547

01:10:17,030 --> 01:10:15,140

talk show it was just more or less a

1548

01:10:19,220 --> 01:10:17,040

what would you call it was a Drivetime

1549

01:10:20,990 --> 01:10:19,230

show like in the in the early evening

1550

01:10:23,420 --> 01:10:21,000

while people are coming home from work

1551
01:10:25,790 --> 01:10:23,430
you know that's kind of usually the the

1552
01:10:27,530 --> 01:10:25,800
best time for a radio station to sell

1553
01:10:30,590 --> 01:10:27,540
ads and almost that's their biggest

1554
01:10:32,840 --> 01:10:30,600
audience and it was usually local would

1555
01:10:34,460 --> 01:10:32,850
news a lot like a lot of civic things

1556
01:10:37,120 --> 01:10:34,470
going on in the neighborhood you know in

1557
01:10:41,810 --> 01:10:37,130
in Woonsocket in Cumberland and so forth

1558
01:10:43,910 --> 01:10:41,820
anyway he was receiving a number of

1559
01:10:45,920 --> 01:10:43,920
phone calls from listeners who said that

1560
01:10:48,920 --> 01:10:45,930
they were seeing these mysterious

1561
01:10:51,200 --> 01:10:48,930
cigar-shaped objects in the sky in a

1562
01:10:54,980 --> 01:10:51,210
wooded area just outside the town of

1563
01:10:57,710 --> 01:10:54,990

Cumberland so he went there and he was

1564

01:10:59,180 --> 01:10:57,720

directed mentally to take photographs of

1565

01:11:01,460 --> 01:10:59,190

this object in the sky now there's a

1566

01:11:03,380 --> 01:11:01,470

cigar shaped object and there are the

1567

01:11:05,390 --> 01:11:03,390

dish shaped the craft was some sort of

1568

01:11:07,700 --> 01:11:05,400

ball shaped landing gear underneath kind

1569

01:11:10,310 --> 01:11:07,710

of look like the George Adamski craft

1570

01:11:12,860 --> 01:11:10,320

but Joe had experiences going back to

1571

01:11:15,050 --> 01:11:12,870

when he was four or five years old which

1572

01:11:17,960 --> 01:11:15,060

he remembers seeing a giant rocket in

1573

01:11:20,320 --> 01:11:17,970

the sky which he was said resembled

1574

01:11:22,760 --> 01:11:20,330

something right out of a Flash Gordon

1575

01:11:25,880 --> 01:11:22,770

movie he remembers playing in a you know

1576

01:11:27,920 --> 01:11:25,890

in a sand box and seeing this thing you

1577

01:11:29,870 --> 01:11:27,930

know come overhead and throughout his

1578

01:11:32,030 --> 01:11:29,880

childhood he had a number of these weird

1579

01:11:34,760 --> 01:11:32,040

UFO experiences but didn't really think

1580

01:11:36,140 --> 01:11:34,770

that much you know about it unlike mark

1581

01:11:38,630 --> 01:11:36,150

he didn't feel that he was you know

1582

01:11:40,460 --> 01:11:38,640

programmed to do something you know to

1583

01:11:42,980 --> 01:11:40,470

carry out the word or that he was chosen

1584

01:11:44,990 --> 01:11:42,990

to do you know to to be a representative

1585

01:11:47,090 --> 01:11:45,000

of the space of people it was just

1586

01:11:48,770 --> 01:11:47,100

something that he had seen and he had

1587

01:11:50,960 --> 01:11:48,780

noted and he thought was very unusual

1588

01:11:53,689 --> 01:11:50,970

and it got him I guess affecting and he

1589

01:11:55,580 --> 01:11:53,699

put out this newsletter because he was

1590

01:11:57,979 --> 01:11:55,590

became fascinated with the subject

1591

01:12:01,040 --> 01:11:57,989

anyway when he was a teenager he's about

1592

01:12:02,689 --> 01:12:01,050

17 years old he was hitchhiking which

1593

01:12:04,360 --> 01:12:02,699

was something he normally didn't do but

1594

01:12:07,280 --> 01:12:04,370

he had to get somewhere and he had no

1595

01:12:10,700 --> 01:12:07,290

transportation so he hit the open road

1596

01:12:13,070 --> 01:12:10,710

and somebody stopped and picked him up

1597

01:12:17,150 --> 01:12:13,080

and he said it was a very clean-cut

1598

01:12:19,490 --> 01:12:17,160

couple a man and a woman very attractive

1599

01:12:20,900 --> 01:12:19,500

and they asked him where he was going

1600

01:12:23,060 --> 01:12:20,910

and Joe said while he was going maybe

1601
01:12:24,560 --> 01:12:23,070
about 25 or 30 miles from where they

1602
01:12:27,530 --> 01:12:24,570
picked him up and they said well they

1603
01:12:29,900 --> 01:12:27,540
could take him pretty close to there his

1604
01:12:31,880 --> 01:12:29,910
destination they told him he could sit

1605
01:12:33,290 --> 01:12:31,890
in the back seat of the car okay so he

1606
01:12:35,419 --> 01:12:33,300
got in the back seat of the car and he

1607
01:12:37,330 --> 01:12:35,429
noticed on the back seat on the floor

1608
01:12:42,080 --> 01:12:37,340
and on the seat next to him were a

1609
01:12:43,669 --> 01:12:42,090
series of small black boxes and they

1610
01:12:46,180 --> 01:12:43,679
were making a little humming sound or

1611
01:12:48,020 --> 01:12:46,190
you know he could tell that they were

1612
01:12:51,350 --> 01:12:48,030
activated that's the best way I could

1613
01:12:53,330 --> 01:12:51,360

describe it and so his curiosity got the

1614

01:12:55,490 --> 01:12:53,340

better of him nes the couple in the

1615

01:12:57,590 --> 01:12:55,500

front you know the front seat of the car

1616

01:12:59,780 --> 01:12:57,600

what are these strange boxes back here

1617

01:13:01,550 --> 01:12:59,790

and they said oh whatever you do don't

1618

01:13:03,860 --> 01:13:01,560

touch them we're going around the

1619

01:13:05,950 --> 01:13:03,870

country and we're leaving them with

1620

01:13:09,860 --> 01:13:05,960

certain people because they're helping

1621

01:13:11,570 --> 01:13:09,870

regulate the vibrations of the planet to

1622

01:13:13,910 --> 01:13:11,580

bring up the vibration something to that

1623

01:13:15,590 --> 01:13:13,920

effect it's not as the exact words but

1624

01:13:18,380 --> 01:13:15,600

that's the you know the impression that

1625

01:13:20,510 --> 01:13:18,390

he gave about this okay so they left him

1626

01:13:22,550 --> 01:13:20,520

off at his at the destination where he

1627

01:13:25,340 --> 01:13:22,560

wants you know near where he was going

1628

01:13:26,390 --> 01:13:25,350

and you know he didn't think really too

1629

01:13:28,430 --> 01:13:26,400

much about it he said well that's a

1630

01:13:31,550 --> 01:13:28,440

strange experience the couple were very

1631

01:13:34,360 --> 01:13:31,560

nice the woman is very attractive and

1632

01:13:36,560 --> 01:13:34,370

they had these a you know series of

1633

01:13:38,270 --> 01:13:36,570

boxes in the back of the car that he

1634

01:13:39,890 --> 01:13:38,280

couldn't explain well now of course the

1635

01:13:40,370 --> 01:13:39,900

first thing you would do would be the

1636

01:13:42,740 --> 01:13:40,380

cola

1637

01:13:44,120 --> 01:13:42,750

you know the security or or or something

1638

01:13:45,680 --> 01:13:44,130

and you know they would think it would

1639

01:13:48,680 --> 01:13:45,690

naturally was a terrorist instead of a

1640

01:13:52,610 --> 01:13:48,690

space people all right but many years

1641

01:13:55,189 --> 01:13:52,620

ago he later he met August see Roberts

1642

01:13:58,520 --> 01:13:55,199

now Auggie Roberts had a huge collection

1643

01:14:00,560 --> 01:13:58,530

of UFO photographs and Augie took the

1644

01:14:03,470 --> 01:14:00,570

the pictures out at the Howard mattress

1645

01:14:06,919 --> 01:14:03,480

place of this couple and his gentlemen

1646

01:14:08,120 --> 01:14:06,929

who Frank stranger said was well Thor so

1647

01:14:10,879 --> 01:14:08,130

Joe Ferrier

1648

01:14:13,879 --> 01:14:10,889

is thumbing through the book the

1649

01:14:16,189 --> 01:14:13,889

stranger to Pentagon that he had been or

1650

01:14:17,810 --> 01:14:16,199

he Robertson given him just to check out

1651

01:14:19,879 --> 01:14:17,820

the pictures the many pictures of flying

1652

01:14:21,530 --> 01:14:19,889

saucers and all that was in there

1653

01:14:24,020 --> 01:14:21,540

because basically was a picture book and

1654

01:14:27,770 --> 01:14:24,030

he came to the photograph of this couple

1655

01:14:30,020 --> 01:14:27,780

at Howard menders property attending a

1656

01:14:32,209 --> 01:14:30,030

UFO conference and he said to Augie

1657

01:14:35,660 --> 01:14:32,219

robbery she said this is the couple

1658

01:14:38,030 --> 01:14:35,670

definitely no doubt about it this is the

1659

01:14:41,510 --> 01:14:38,040

couple that picked me up and took me to

1660

01:14:44,360 --> 01:14:41,520

my destination and had the black boxes

1661

01:14:47,840 --> 01:14:44,370

in the back seat of the car so this is

1662

01:14:50,479 --> 01:14:47,850

another I guess a story relating to two

1663

01:14:54,169 --> 01:14:50,489

valve Thor putting it more in the you

1664

01:14:56,180 --> 01:14:54,179

know in the area of believability I mean

1665

01:14:59,209 --> 01:14:56,190

that there's a if there's smoke there's

1666

01:15:04,550 --> 01:14:59,219

fire and in that fire seems to be a

1667

01:15:10,419 --> 01:15:04,560

valiant Thor right and I'm just trying

1668

01:15:15,169 --> 01:15:14,209

Harley bird who is the part of Project

1669

01:15:17,390 --> 01:15:15,179

Blue Book

1670

01:15:20,149 --> 01:15:17,400

back when who was transferred from the

1671

01:15:22,430 --> 01:15:20,159

Navy into Project Blue Book also

1672

01:15:24,320 --> 01:15:22,440

confirmed the story uh here's just like

1673

01:15:26,540 --> 01:15:24,330

a little brief excerpt but well you know

1674

01:15:29,300 --> 01:15:26,550

something I hate to say this but I

1675

01:15:31,250 --> 01:15:29,310

wouldn't believe one word that Harley

1676

01:15:33,020 --> 01:15:31,260

bird said because we checked them out he

1677

01:15:35,720 --> 01:15:33,030

claimed he was related to Admiral Byrd

1678

01:15:39,430 --> 01:15:35,730

no truth whatsoever and that historic

1679

01:15:41,930 --> 01:15:39,440

Aaron Jamie I'm sorry he right yeah well

1680

01:15:43,820 --> 01:15:41,940

you could say what you want but there

1681

01:15:45,410 --> 01:15:43,830

are documents to prove that he worked

1682

01:15:49,010 --> 01:15:45,420

for Project Blue Book so that's not

1683

01:15:51,050 --> 01:15:49,020

what's in contention here so I don't

1684

01:15:55,100 --> 01:15:51,060

know if he's related to Admiral Byrd or

1685

01:15:58,010 --> 01:15:55,110

not but anyway so there was that and

1686

01:16:02,770 --> 01:15:58,020

then do you know major George filer he's

1687

01:16:07,760 --> 01:16:02,780

on your on your side okay yeah yeah and

1688

01:16:12,050 --> 01:16:07,770

George George went to work at the

1689

01:16:14,840 --> 01:16:12,060

Pentagon I believe in 1961 and he told

1690

01:16:17,750 --> 01:16:14,850

me that he had heard the Inklings of the

1691

01:16:20,890 --> 01:16:17,760

Exeter Estoril man who had previously

1692

01:16:22,600 --> 01:16:20,900

been there for three years so

1693

01:16:25,540 --> 01:16:22,610

I've been meeting people out of the

1694

01:16:30,700 --> 01:16:25,550

woodwork who have seen him uh over the

1695

01:16:34,660 --> 01:16:30,710

years as well so the more and more this

1696

01:16:36,130 --> 01:16:34,670

comes out uh it seems that there's a lot

1697

01:16:40,060 --> 01:16:36,140

of people have had some sort of contact

1698

01:16:42,730 --> 01:16:40,070

so well it wasn't he supposed to have a

1699

01:16:47,470 --> 01:16:42,740

ship that was parked in an underground

1700

01:16:51,100 --> 01:16:47,480

or undersea base somewhere up it was it

1701

01:16:55,120 --> 01:16:51,110

in Nevada you know if you the the craft

1702

01:16:57,970 --> 01:16:55,130

is stationed at Lake Mead there's me

1703

01:17:01,510 --> 01:16:57,980

yeah yeah there's several there it's not

1704

01:17:03,190 --> 01:17:01,520

underwater though but there are from

1705

01:17:06,070 --> 01:17:03,200

what dr. Frank said and all these

1706

01:17:10,080 --> 01:17:06,080

locations are listed in stranger at the

1707

01:17:12,940 --> 01:17:10,090

Pentagon as well I think there's about

1708

01:17:17,920 --> 01:17:12,950

287 locations where all the victor class

1709

01:17:20,530 --> 01:17:17,930

saucers are and then the the starship is

1710

01:17:23,140 --> 01:17:20,540

14 miles long and 7 miles wide and

1711

01:17:25,570 --> 01:17:23,150

that's what sends out the beams that the

1712

01:17:28,180 --> 01:17:25,580

craft actually follow and can do all the

1713

01:17:29,680 --> 01:17:28,190

amazing maneuvers and things like that

1714

01:17:33,550 --> 01:17:29,690

I'm not really quite sure how it works

1715

01:17:37,000 --> 01:17:33,560

but dr. Frank's had mentioned that as

1716

01:17:39,880 --> 01:17:37,010

well so that was fascinating well I know

1717

01:17:42,700 --> 01:17:39,890

Frank said that he actually was on board

1718

01:17:45,160 --> 01:17:42,710

the ship a couple of times yes yeah and

1719

01:17:49,270 --> 01:17:45,170

I am he told me on board the starship as

1720

01:17:51,730 --> 01:17:49,280

well mmm well it's a you know I I

1721

01:17:53,530 --> 01:17:51,740

believe the part obviously about the the

1722

01:17:56,950 --> 01:17:53,540

stranger to Pentagon because actually

1723

01:17:59,830 --> 01:17:56,960

Frank did show me uh some documents that

1724

01:18:01,810 --> 01:17:59,840

had been Declassified where the Kai you

1725

01:18:04,240 --> 01:18:01,820

know it's mentioned about this person

1726

01:18:06,790 --> 01:18:04,250

living there course some people will say

1727

01:18:08,860 --> 01:18:06,800

well it was a bit of disinformation that

1728

01:18:11,770 --> 01:18:08,870

the government I mean some people tried

1729

01:18:14,110 --> 01:18:11,780

to say well it was you know a a project

1730

01:18:16,600 --> 01:18:14,120

to see what people would think about the

1731

01:18:18,910 --> 01:18:16,610

possibility that there were ETS living

1732

01:18:21,010 --> 01:18:18,920

amongst us yeah so but it's it's

1733

01:18:23,320 --> 01:18:21,020

certainly a credible story it's it ranks

1734

01:18:27,070 --> 01:18:23,330

up there high among the more believable

1735

01:18:29,590 --> 01:18:27,080

cases as far as the contact experiences

1736

01:18:32,410 --> 01:18:29,600

go yeah and like I say I did it I knew

1737

01:18:34,279 --> 01:18:32,420

Frank fairly well and and I I think he

1738

01:18:38,419 --> 01:18:34,289

was a very credible person

1739

01:18:40,009 --> 01:18:38,429

yes yeah and an incredible human being a

1740

01:18:43,009 --> 01:18:40,019

lot of people don't know he was also a

1741

01:18:46,600 --> 01:18:43,019

marshal he was a chaplain he did a lot

1742

01:18:51,020 --> 01:18:46,610

of work with pelea immigration

1743

01:18:55,399 --> 01:18:51,030

organization immigration uh I traveled

1744

01:18:57,979 --> 01:18:55,409

with him so I when we checked in he

1745

01:18:59,600 --> 01:18:57,989

showed his martial badge and I mean

1746

01:19:00,709 --> 01:18:59,610

that's a great thing about traveling if

1747

01:19:02,569 --> 01:19:00,719

you're traveling with the marshal they

1748

01:19:05,419 --> 01:19:02,579

give you great you know they take you on

1749

01:19:09,310 --> 01:19:05,429

board immediately I am with you all the

1750

01:19:11,779 --> 01:19:09,320

time dr. Frank so but you know another

1751

01:19:14,569 --> 01:19:11,789

fascinating thing as well because you

1752

01:19:16,640 --> 01:19:14,579

had mentioned about you know that could

1753

01:19:18,830 --> 01:19:16,650

have been employed for them to see what

1754

01:19:25,399 --> 01:19:18,840

the the people might have thought about

1755

01:19:31,939 --> 01:19:25,409

it but back when the Day the Earth Stood

1756

01:19:35,029 --> 01:19:31,949

Still was made a doctor or George filer

1757

01:19:37,189 --> 01:19:35,039

told me he had met Michael Rennie on an

1758

01:19:41,060 --> 01:19:37,199

airplane and Michael Rennie had told him

1759

01:19:42,770 --> 01:19:41,070

that the US government funded that film

1760

01:19:48,229 --> 01:19:42,780

now I'm not sure if that's correct or

1761

01:19:50,959 --> 01:19:48,239

not but to actually see what the

1762

01:19:54,589 --> 01:19:50,969

reaction to the public would be about

1763

01:19:58,459 --> 01:19:54,599

that film and then that came out in

1764

01:20:02,839 --> 01:19:58,469

either 52 or 53 and then we have valiant

1765

01:20:05,330 --> 01:20:02,849

Thor coming into the scene in 57 to 60

1766

01:20:07,240 --> 01:20:05,340

and then he returned the year later and

1767

01:20:10,399 --> 01:20:07,250

has been here ever since

1768

01:20:12,290 --> 01:20:10,409

well it's rather interesting a lot of

1769

01:20:14,839 --> 01:20:12,300

people claim that the especially the

1770

01:20:19,220 --> 01:20:14,849

early sci-fi movies were an attempt by

1771

01:20:23,149 --> 01:20:19,230

the government to to program us I don't

1772

01:20:25,729 --> 01:20:23,159

know and in some way to believe in the

1773

01:20:27,799 --> 01:20:25,739

existence of the ETS and of course now

1774

01:20:29,689 --> 01:20:27,809

The Day the Earth Stood Still which of

1775

01:20:32,509 --> 01:20:29,699

course is one of my favorite in fact

1776

01:20:35,299 --> 01:20:32,519

Robert Weiss who produced and directed

1777

01:20:37,669 --> 01:20:35,309

the film he actually came to one of our

1778

01:20:39,439 --> 01:20:37,679

conferences and gave a talk about the

1779

01:20:44,180 --> 01:20:39,449

making of the about the making of the

1780

01:20:45,379 --> 01:20:44,190

movie okay very good now he didn't he

1781

01:20:47,339 --> 01:20:45,389

didn't seem to believe that there was

1782

01:20:49,830 --> 01:20:47,349

any you know government

1783

01:20:52,049 --> 01:20:49,840

conspiracy or involvement with that was

1784

01:20:54,029 --> 01:20:52,059

in his pitch but it's rather interesting

1785

01:20:55,919 --> 01:20:54,039

about how the fact that that's one of

1786

01:20:59,819 --> 01:20:55,929

the few science fiction movies outside

1787

01:21:03,209 --> 01:20:59,829

of maybe Close Encounters where there

1788

01:21:05,399 --> 01:21:03,219

was a positive spin on the the visitors

1789

01:21:07,709 --> 01:21:05,409

coming here because most of the movies

1790

01:21:10,379 --> 01:21:07,719

that have been made you know have been

1791

01:21:12,629 --> 01:21:10,389

showing the aliens as Martians that will

1792

01:21:14,669 --> 01:21:12,639

blow you out of the sky or insects that

1793

01:21:17,580 --> 01:21:14,679

will take your grandmother away or or

1794

01:21:19,889 --> 01:21:17,590

something along that along that line and

1795

01:21:22,560 --> 01:21:19,899

there have been of course you know there

1796

01:21:25,310 --> 01:21:22,570

seems to be here in the UFO field and

1797

01:21:30,689 --> 01:21:25,320

I've studied this for many many decades

1798

01:21:32,879 --> 01:21:30,699

there is a positive and negative you

1799

01:21:35,429 --> 01:21:32,889

know experiences some people are drawn

1800

01:21:38,040 --> 01:21:35,439

to this like Mark and believe that it

1801

01:21:41,729 --> 01:21:38,050

you know that the UFO beings are here to

1802

01:21:44,189 --> 01:21:41,739

help humanity and other people the claim

1803

01:21:46,409 --> 01:21:44,199

that UFOs are here to suck out our

1804

01:21:50,219 --> 01:21:46,419

innards and take us out to lunch not in

1805

01:21:54,060 --> 01:21:50,229

a positive way and there there are cases

1806

01:21:56,489 --> 01:21:54,070

that support both of contentions now

1807

01:21:59,279 --> 01:21:56,499

mark you you say that you've never met a

1808

01:22:01,560 --> 01:21:59,289

an alien that you didn't like never met

1809

01:22:03,989 --> 01:22:01,570

a negative evil thing or evil alien or

1810

01:22:07,020 --> 01:22:03,999

anything but I feel that because the

1811

01:22:09,479 --> 01:22:07,030

crew I work with or my fam I call them

1812

01:22:11,759 --> 01:22:09,489

but I've always said never think about

1813

01:22:14,759 --> 01:22:11,769

these types because when I asked about

1814

01:22:16,770 --> 01:22:14,769

Benny Hill I was 11 12 years old I said

1815

01:22:19,409 --> 01:22:16,780

you know then they said we know of them

1816

01:22:22,379 --> 01:22:19,419

but do not call them toward you because

1817

01:22:24,179 --> 01:22:22,389

they're like scientific trick some of

1818

01:22:25,919 --> 01:22:24,189

them are tricksters in the way too so I

1819

01:22:27,449 --> 01:22:25,929

tell people do not think about them

1820

01:22:29,279 --> 01:22:27,459

don't be afraid don't sense fear out

1821

01:22:31,439 --> 01:22:29,289

because the energy comes back the same

1822

01:22:35,939 --> 01:22:31,449

way like they read that in energy fields

1823

01:22:39,419 --> 01:22:35,949

but they um the government the ETS that

1824

01:22:42,000 --> 01:22:39,429

I know may told me the story in 80's how

1825

01:22:43,469 --> 01:22:42,010

the government's made that choice with

1826

01:22:45,629 --> 01:22:43,479

the crew that they got to one so they're

1827

01:22:49,919 --> 01:22:45,639

out there under the ground the heat even

1828

01:22:51,239 --> 01:22:49,929

so I guess so you know they they came to

1829

01:22:52,759 --> 01:22:51,249

their planet was messed up so they came

1830

01:22:54,810 --> 01:22:52,769

here and tried to do that but the

1831

01:22:56,549 --> 01:22:54,820

positive ETS I would say but everyone

1832

01:22:59,099 --> 01:22:56,559

ones of the solar system warned the

1833

01:23:00,700 --> 01:22:59,109

government ahead of time and said don't

1834

01:23:02,439 --> 01:23:00,710

make a contract with them

1835

01:23:04,030 --> 01:23:02,449

they're known to trick you know they

1836

01:23:06,550 --> 01:23:04,040

will do anything they'll sign anything

1837

01:23:11,260 --> 01:23:06,560

but they won't follow through and again

1838

01:23:13,510 --> 01:23:11,270

kind of like the Iranians next and then

1839

01:23:15,310 --> 01:23:13,520

so they didn't follow through and what

1840

01:23:17,530 --> 01:23:15,320

happens - were getting abducted and all

1841

01:23:21,070 --> 01:23:17,540

that stuff around but there's so much -

1842

01:23:23,350 --> 01:23:21,080

that there are negative beings yes but

1843

01:23:25,750 --> 01:23:23,360

the majority of the universal energy or

1844

01:23:29,880 --> 01:23:25,760

let's say omniverse because there's many

1845

01:23:32,680 --> 01:23:29,890

Universal energy are benevolent and

1846

01:23:36,700 --> 01:23:32,690

majority of living beings of sort like

1847

01:23:39,790 --> 01:23:36,710

beings in all there's 70% that's light

1848

01:23:42,250 --> 01:23:39,800

and energy dimensional beings the 30% or

1849

01:23:44,950 --> 01:23:42,260

physical densities and that's what I've

1850

01:23:47,430 --> 01:23:44,960

learned from the crew so they said the

1851

01:23:49,930 --> 01:23:47,440

3d reality is a testing grounds they

1852

01:23:51,610 --> 01:23:49,940

soul test itself you know it's like we

1853

01:23:53,830 --> 01:23:51,620

call it cosmic boot camp on earth as a

1854

01:23:56,200 --> 01:23:53,840

joke but it's true right like you go

1855

01:23:58,479 --> 01:23:56,210

through everything here and that's right

1856

01:24:00,820 --> 01:23:58,489

they've always told me I've never taken

1857

01:24:02,290 --> 01:24:00,830

drugs or anything they always told me as

1858

01:24:05,020 --> 01:24:02,300

a child they said these are all Chester

1859

01:24:07,330 --> 01:24:05,030

put here so keep as clean as you can the

1860

01:24:09,310 --> 01:24:07,340

body is your temple it's a vessel it's

1861

01:24:11,680 --> 01:24:09,320

like you know not feeding your card more

1862

01:24:13,540 --> 01:24:11,690

oil so make it good oil you know things

1863

01:24:17,040 --> 01:24:13,550

like that so I try to tell people to

1864

01:24:20,229 --> 01:24:17,050

help that do their body is good you know

1865

01:24:22,570 --> 01:24:20,239

purified detox no wonder no wonder I

1866

01:24:25,149 --> 01:24:22,580

haven't had any space contacts lately

1867

01:24:27,280 --> 01:24:25,159

well but you can still have it out of

1868

01:24:29,770 --> 01:24:27,290

bodies and I feel the Kreg headed I feel

1869

01:24:30,729 --> 01:24:29,780

strong you should lucid dream that's

1870

01:24:32,680 --> 01:24:30,739

when you're out of body when you're

1871

01:24:34,090 --> 01:24:32,690

right there yeah we went on the ships

1872

01:24:36,250 --> 01:24:34,100

they have ships around the earth they

1873

01:24:37,870 --> 01:24:36,260

called teaching ships and you're on

1874

01:24:41,169 --> 01:24:37,880

right worth just densities in six to

1875

01:24:42,880 --> 01:24:41,179

seven so people can go out of body or be

1876
01:24:44,800 --> 01:24:42,890
taken there by their Guardians and well

1877
01:24:46,930 --> 01:24:44,810
well let's let's say s Carly are you

1878
01:24:54,669 --> 01:24:46,940
ready for a contact experience Carla oh

1879
01:24:57,010 --> 01:24:54,679
I don't know I was just thinking I was

1880
01:24:58,570 --> 01:24:57,020
just thinking I mean you know could you

1881
01:25:00,010 --> 01:24:58,580
reach his consciousness with meditation

1882
01:25:02,350 --> 01:25:00,020
or something

1883
01:25:04,360 --> 01:25:02,360
you know is it is it something that's

1884
01:25:07,300 --> 01:25:04,370
that's with it or acid is it something

1885
01:25:09,970 --> 01:25:07,310
that's within you yeah it's within

1886
01:25:12,820 --> 01:25:09,980
everybody of course yeah well well you

1887
01:25:14,320 --> 01:25:12,830
know the shamans of course they take a

1888
01:25:16,930 --> 01:25:14,330

light a Cal

1889

01:25:19,390 --> 01:25:16,940

rasca and they see UFOs and they see

1890

01:25:22,530 --> 01:25:19,400

space beings and they look remarkably

1891

01:25:26,970 --> 01:25:22,540

similar to the ones that you guys

1892

01:25:29,590 --> 01:25:26,980

describe in fact a dr. John Mack uh

1893

01:25:32,500 --> 01:25:29,600

traveled I think to the Amazon and and

1894

01:25:34,450 --> 01:25:32,510

you know converse with the shamans about

1895

01:25:36,850 --> 01:25:34,460

this and they had all kinds of paintings

1896

01:25:39,310 --> 01:25:36,860

of things that could be UFOs and aliens

1897

01:25:41,350 --> 01:25:39,320

and so there is some belief among

1898

01:25:43,690 --> 01:25:41,360

certain people that the shamanistic

1899

01:25:46,030 --> 01:25:43,700

approach will also take you to a higher

1900

01:25:47,920 --> 01:25:46,040

consciousness not that I follow that one

1901

01:25:50,770 --> 01:25:47,930

myself either but you know I'm just

1902

01:25:53,470 --> 01:25:50,780

saying that there there seems to be many

1903

01:25:57,340 --> 01:25:53,480

different ways to the top of the

1904

01:25:59,350 --> 01:25:57,350

mountains yeah the primitive ways - from

1905

01:26:03,760 --> 01:25:59,360

ancient times you know people please be

1906

01:26:05,710 --> 01:26:03,770

careful it's still a strong type of a

1907

01:26:09,010 --> 01:26:05,720

medicine would say that goes into the

1908

01:26:10,540 --> 01:26:09,020

pot or I I do I think it's kind of hard

1909

01:26:16,390 --> 01:26:10,550

to get ayahuasca in New York but if you

1910

01:26:19,150 --> 01:26:16,400

go over to Jersey City maybe anything

1911

01:26:22,120 --> 01:26:19,160

over here yeah your local high school

1912

01:26:24,610 --> 01:26:22,130

you'll find it yeah yeah right hand

1913

01:26:27,730 --> 01:26:24,620

corner you know why because if you

1914

01:26:29,230 --> 01:26:27,740

trigger a Kundalini or an energy

1915

01:26:33,070 --> 01:26:29,240

experience I was not ready yet for that

1916

01:26:35,020 --> 01:26:33,080

physical form it can take dangerous what

1917

01:26:37,780 --> 01:26:35,030

routes that can make chakras open up

1918

01:26:39,610 --> 01:26:37,790

prematurely or a Kundalini occur sudden

1919

01:26:41,020 --> 01:26:39,620

suddenly or spontaneously which can

1920

01:26:42,280 --> 01:26:41,030

actually launch a person in the air

1921

01:26:44,590 --> 01:26:42,290

which has happened to people I've known

1922

01:26:46,690 --> 01:26:44,600

and so you've got to be careful with the

1923

01:26:48,940 --> 01:26:46,700

body a lot of times it happens naturally

1924

01:26:52,000 --> 01:26:48,950

but the way it happens naturally is the

1925

01:26:54,610 --> 01:26:52,010

focus meditate if you need on the third

1926

01:26:57,520 --> 01:26:54,620

eye area and the crown chakra area with

1927

01:26:59,440 --> 01:26:57,530

a little gentle energy and light and you

1928

01:27:01,630 --> 01:26:59,450

will gently and gradually raise up the

1929

01:27:04,600 --> 01:27:01,640

energy frequencies of your chakras and

1930

01:27:06,970 --> 01:27:04,610

the spiritual bodies taking the rubs of

1931

01:27:08,650 --> 01:27:06,980

any kind is dangerous and imput drink

1932

01:27:10,330 --> 01:27:08,660

brings in openings for the lower astral

1933

01:27:13,630 --> 01:27:10,340

to come around so I always try to warn

1934

01:27:16,390 --> 01:27:13,640

people about that now you know now in a

1935

01:27:19,990 --> 01:27:16,400

couple of weeks I don't want to stick a

1936

01:27:23,310 --> 01:27:20,000

a poker in the fire but in a couple of

1937

01:27:26,520 --> 01:27:23,320

weeks we will have on Adam go rightly

1938

01:27:28,240 --> 01:27:26,530

who has written about the some of these

1939

01:27:31,060 --> 01:27:28,250

shamanistic

1940

01:27:33,310 --> 01:27:31,070

sneaks and he has some interesting

1941

01:27:36,100 --> 01:27:33,320

stories to tell in his researching a

1942

01:27:38,470 --> 01:27:36,110

book on the contactees believe it or not

1943

01:27:40,210 --> 01:27:38,480

in fact he asked me all about you mark

1944

01:27:42,190 --> 01:27:40,220

and I said well you know after you get

1945

01:27:48,130 --> 01:27:42,200

off your next ayahuasca trip maybe give

1946

01:27:51,100 --> 01:27:48,140

McCall yeah I I actually met Adam with

1947

01:27:55,120 --> 01:27:51,110

dr. Frank out at the integratron I think

1948

01:27:58,330 --> 01:27:55,130

that yes has been five or 2007 Anton I

1949

01:28:00,400 --> 01:27:58,340

said hi I will indeed well also too you

1950

01:28:03,370 --> 01:28:00,410

know I I didn't actually get to meet him

1951

01:28:06,070 --> 01:28:03,380

but I went to a screening of Travis

1952

01:28:08,020 --> 01:28:06,080

Waltons uh new movie which I believe is

1953

01:28:11,320 --> 01:28:08,030

called Travis it's actually a movie it's

1954

01:28:13,420 --> 01:28:11,330

a documentary about his initial

1955

01:28:16,390 --> 01:28:13,430

experience it's interesting for people

1956

01:28:17,710 --> 01:28:16,400

who are not up to speed on what

1957

01:28:20,140 --> 01:28:17,720

originally happened to him and it's got

1958

01:28:22,720 --> 01:28:20,150

a lot of good footage from that period

1959

01:28:27,750 --> 01:28:22,730

and interviews with of course the other

1960

01:28:30,730 --> 01:28:27,760

five witnesses who have seldom been

1961

01:28:32,860 --> 01:28:30,740

interviewed and it's interesting to hear

1962

01:28:35,680 --> 01:28:32,870

them talk about how the you know the

1963

01:28:38,260 --> 01:28:35,690

sheriff threatened to throw them in the

1964

01:28:41,560 --> 01:28:38,270

pokey throw away the key and charge them

1965

01:28:44,080 --> 01:28:41,570

with murder because Travis disappeared

1966

01:28:48,040 --> 01:28:44,090

for like five days before he showed up

1967

01:28:50,320 --> 01:28:48,050

and nobody knew where he was and it is

1968

01:28:54,340 --> 01:28:50,330

certainly one of the more credible

1969

01:28:56,800 --> 01:28:54,350

abduction experiences and you know you

1970

01:28:59,230 --> 01:28:56,810

talk about like negative experiences now

1971

01:29:00,790 --> 01:28:59,240

for many years Travis thought well these

1972

01:29:03,220 --> 01:29:00,800

were not the kind of souls in the

1973

01:29:05,230 --> 01:29:03,230

universe I mean they kind of poked and

1974

01:29:07,060 --> 01:29:05,240

they had they probed and in the movie I

1975

01:29:10,990 --> 01:29:07,070

think they even take his eye out which

1976

01:29:13,180 --> 01:29:11,000

is not a according to what really

1977

01:29:15,340 --> 01:29:13,190

happened yet you know they had one of a

1978

01:29:17,200 --> 01:29:15,350

problem you know in the book he doesn't

1979

01:29:19,030 --> 01:29:17,210

talk about them - no no no no but you

1980

01:29:21,070 --> 01:29:19,040

know what happened in the in the movie

1981

01:29:23,230 --> 01:29:21,080

version I think they told him at some

1982

01:29:25,690 --> 01:29:23,240

point hey you got to change some of this

1983

01:29:27,610 --> 01:29:25,700

because there's myself Hollywood

1984

01:29:29,620 --> 01:29:27,620

yes well yeah but also - there had been

1985

01:29:30,790 --> 01:29:29,630

another a movie that had just come out

1986

01:29:32,860 --> 01:29:30,800

or was in the works

1987

01:29:34,330 --> 01:29:32,870

and it was too similar so they said yeah

1988

01:29:36,730 --> 01:29:34,340

we gotta you know we got to make some

1989

01:29:39,460 --> 01:29:36,740

little changes here and of course Tracy

1990

01:29:41,020 --> 01:29:39,470

Torme who was the scriptwriter and one

1991

01:29:42,159 --> 01:29:41,030

of the producers on it didn't like that

1992

01:29:43,929 --> 01:29:42,169

idea at all and

1993

01:29:45,520 --> 01:29:43,939

Travis didn't you know feel too

1994

01:29:48,279 --> 01:29:45,530

comfortable with it but hey they got a

1995

01:29:51,459 --> 01:29:48,289

movie and in that that uh you know that

1996

01:29:52,659 --> 01:29:51,469

opened up the the case to millions and

1997

01:29:55,689 --> 01:29:52,669

millions of people who would have never

1998

01:29:57,429 --> 01:29:55,699

heard of it and you know previously and

1999

01:29:59,589 --> 01:29:57,439

who probably have followed you and I

2000

01:30:01,330 --> 01:29:59,599

certainly know most people that when I

2001

01:30:04,929 --> 01:30:01,340

told them today that I was going to you

2002

01:30:06,429 --> 01:30:04,939

know this Travis more than them meaning

2003

01:30:08,199 --> 01:30:06,439

they they know who he was I mean even

2004

01:30:10,359 --> 01:30:08,209

people that don't know Travis there by

2005

01:30:11,949 --> 01:30:10,369

the way yes he was he was there but I

2006

01:30:14,620 --> 01:30:11,959

didn't get a chance to say hello to him

2007

01:30:17,169 --> 01:30:14,630

I only stayed about a half an hour it

2008

01:30:19,589 --> 01:30:17,179

was held in a yoga studio and it was

2009

01:30:23,379 --> 01:30:19,599

kind of cramped in the back and I am I

2010

01:30:25,629 --> 01:30:23,389

am I am claustrophobic to say the least

2011

01:30:27,790 --> 01:30:25,639

but I got to say hello to Peter - Peter

2012

01:30:29,859 --> 01:30:27,800

Robbins who is one of the producers of

2013

01:30:33,669 --> 01:30:29,869

the film and I guess they're on a out on

2014

01:30:35,589 --> 01:30:33,679

a short tour showing the the movie and

2015

01:30:37,479 --> 01:30:35,599

and I wish him well with it and I it

2016

01:30:41,500 --> 01:30:37,489

what it is very well made and I'm sure

2017

01:30:45,100 --> 01:30:41,510

it'll be on demand shortly or sure it's

2018

01:30:48,310 --> 01:30:45,110

been called pilatus yeah and what it won

2019

01:30:52,479 --> 01:30:48,320

the Film Festival over at the UFO

2020

01:30:56,799 --> 01:30:52,489

Congress I was there I was there and and

2021

01:31:02,439 --> 01:30:56,809

by the way I just saw Yvonne Smith at

2022

01:31:06,429 --> 01:31:02,449

zero had Travis Tracy Torme and Debbie

2023

01:31:09,939 --> 01:31:06,439

who is the you know the lady who the

2024

01:31:12,729 --> 01:31:09,949

book intruders was done after so yes so

2025

01:31:14,889 --> 01:31:12,739

actually Tracy did put that to rest what

2026
01:31:16,929 --> 01:31:14,899
everybody had been wondering about the

2027
01:31:20,350 --> 01:31:16,939
ending of the movie he had originally

2028
01:31:23,169 --> 01:31:20,360
made intruders first and weirdly enough

2029
01:31:25,959 --> 01:31:23,179
it was repeating on television a

2030
01:31:28,299 --> 01:31:25,969
paramount exact saw it and said oh my

2031
01:31:31,449 --> 01:31:28,309
god this is too much like like your film

2032
01:31:34,509 --> 01:31:31,459
you have to change the ending and and

2033
01:31:36,850 --> 01:31:34,519
they were at this quagmire of you know

2034
01:31:38,290 --> 01:31:36,860
do they make the movie or do they not

2035
01:31:39,520 --> 01:31:38,300
make the movie because they weren't

2036
01:31:42,669 --> 01:31:39,530
going to make the movie unless you

2037
01:31:46,109 --> 01:31:42,679
changed it so they tried to do it with

2038
01:31:49,409 --> 01:31:46,119

symbology and Travis explained that uh

2039

01:31:53,529 --> 01:31:49,419

with certain things but in the long run

2040

01:31:55,840 --> 01:31:53,539

you're right you're uh Tim it got out

2041

01:31:58,960 --> 01:31:55,850

and and people

2042

01:31:59,680 --> 01:31:58,970

got to learn from it as well but but in

2043

01:32:03,370 --> 01:31:59,690

the end

2044

01:32:06,100 --> 01:32:03,380

Travis believes that that whatever the

2045

01:32:07,840 --> 01:32:06,110

energy of the ship hurt him and in the

2046

01:32:10,450 --> 01:32:07,850

end what they did is they had to bring

2047

01:32:12,880 --> 01:32:10,460

him on board and revive him and that's

2048

01:32:15,280 --> 01:32:12,890

his latest like that yeah he discussed

2049

01:32:17,470 --> 01:32:15,290

that with me back in 2009 actually when

2050

01:32:19,090 --> 01:32:17,480

I had him on the show rappers fun and I

2051
01:32:21,490 --> 01:32:19,100
were talking about that we mentioned

2052
01:32:23,950 --> 01:32:21,500
that what if the beam actually killed

2053
01:32:25,390 --> 01:32:23,960
him and they revived them and he agreed

2054
01:32:26,710 --> 01:32:25,400
that could very possibly have been and

2055
01:32:28,870 --> 01:32:26,720
he's been talking about that more

2056
01:32:30,160 --> 01:32:28,880
recently now also right it's very very

2057
01:32:34,750 --> 01:32:30,170
possible that's exactly what happened

2058
01:32:36,460 --> 01:32:34,760
yeah yeah and anyway but yeah it was

2059
01:32:39,990 --> 01:32:36,470
just fascinating and I always wondered

2060
01:32:42,250 --> 01:32:40,000
about that ending but Tracy was there to

2061
01:32:44,470 --> 01:32:42,260
do that of course they weren't happy

2062
01:32:46,420 --> 01:32:44,480
about it but if you're you've got a

2063
01:32:49,090 --> 01:32:46,430

studio giving you the money to make a

2064

01:32:50,980 --> 01:32:49,100

movie like that you know that's why I'm

2065

01:32:53,410 --> 01:32:50,990

going the independent route on the

2066

01:32:55,450 --> 01:32:53,420

stranger at the Pentagon so we don't run

2067

01:33:03,250 --> 01:32:55,460

into them making valiant Thor

2068

01:33:05,650 --> 01:33:03,260

captain universe so that's right well it

2069

01:33:07,330 --> 01:33:05,660

just just one last quick thing Craig

2070

01:33:10,960 --> 01:33:07,340

any other movies that you know that are

2071

01:33:15,400 --> 01:33:10,970

being made up there with a wire on the

2072

01:33:16,930 --> 01:33:15,410

subject matter they are make it well

2073

01:33:18,960 --> 01:33:16,940

they're making Independence Day -

2074

01:33:22,960 --> 01:33:18,970

they're going to start shooting that in

2075

01:33:27,730 --> 01:33:22,970

the summertime I know Will Smith is back

2076

01:33:30,610 --> 01:33:27,740

and I almost miss I'll wave that in it

2077

01:33:31,900 --> 01:33:30,620

no no Jeff Goldblum is coming back a lot

2078

01:33:34,210 --> 01:33:31,910

of the cast members are but he's not

2079

01:33:35,950 --> 01:33:34,220

they just hired another actor to play

2080

01:33:36,790 --> 01:33:35,960

the grown-up version of the little kid

2081

01:33:40,540 --> 01:33:36,800

from the first movie

2082

01:33:43,210 --> 01:33:40,550

ah but not Will Smith he's back yeah

2083

01:33:46,780 --> 01:33:43,220

Swiss eye squad with Warner Brothers

2084

01:33:50,250 --> 01:33:46,790

instead of uh instead of that yeah I'm a

2085

01:33:53,500 --> 01:33:50,260

bit of that of that nature that's the UH

2086

01:33:56,200 --> 01:33:53,510

uh be out the only one that I that I

2087

01:33:58,150 --> 01:33:56,210

know of at the moment besides you know

2088

01:34:00,820 --> 01:33:58,160

us trying to get the feature-length

2089

01:34:02,550 --> 01:34:00,830

first Ranger going so and I guess on on

2090

01:34:05,710 --> 01:34:02,560

the paranormal side we would have

2091

01:34:09,660 --> 01:34:05,720

ghostbusters those three or four maybe

2092

01:34:13,890 --> 01:34:09,670

even five rolled up together well

2093

01:34:17,100 --> 01:34:13,900

actually a new Ghostbusters whoo

2094

01:34:19,439 --> 01:34:17,110

right up my alley I think it is with

2095

01:34:23,250 --> 01:34:19,449

Melissa McCarthy as the legals Busters

2096

01:34:25,890 --> 01:34:23,260

on Richard Ghostbuster girls Wow I weigh

2097

01:34:28,590 --> 01:34:25,900

my the way yeah we got it we got a

2098

01:34:31,709 --> 01:34:28,600

gentleman lady we have to close up

2099

01:34:33,660 --> 01:34:31,719

because the other Tim is taking over Tim

2100

01:34:36,540 --> 01:34:33,670

sorts and Michael mutt will be on here

2101
01:34:38,160 --> 01:34:36,550
in a few minutes and so we got to call

2102
01:34:42,240 --> 01:34:38,170
it an evening but we'll be back next

2103
01:34:44,130 --> 01:34:42,250
week at the same time I know it well at

2104
01:34:47,280 --> 01:34:44,140
the regular time and we want to thank

2105
01:34:49,830 --> 01:34:47,290
Mark and Craig and go to the website

2106
01:34:51,770 --> 01:34:49,840
check out their web you know what they

2107
01:34:54,959 --> 01:34:51,780
have to say look at marks photographs uh

2108
01:34:57,780 --> 01:34:54,969
get the book the UFO repeaters go to

2109
01:35:00,180 --> 01:34:57,790
Carla's a shop get your hair cut look at

2110
01:35:03,330 --> 01:35:00,190
the paintings on the wall and listen to

2111
01:35:06,330 --> 01:35:03,340
all the shows on the PS and radio

2112
01:35:07,970 --> 01:35:06,340
network with the jackal good night

2113
01:35:11,310 --> 01:35:07,980

everybody
