00:00:35,729 --> 00:00:34,139
welcome and unraveling the secrets where

2
00:00:37,350 --> 00:00:35,739
we explore the connecting links between

3
00:00:39,299 --> 00:00:37,360
the delicious feeds of a group of

4
00:00:41,009 --> 00:00:39,309
secrets inside the outlaws we're

5
00:00:43,170 --> 00:00:41,019
creating a tightly controlled rural

6
00:00:45,720 --> 00:00:43,180
society with them as bosses in your eye

7
00:00:48,090 --> 00:00:45,730
as slaves to their system up your way

8
00:00:50,790 --> 00:00:48,100
known as the new world research

9
00:00:53,160 --> 00:00:50,800
indicates that most of the unexpected

10
00:00:55,529 --> 00:00:53,170
our skies up from somewhere on or inside

11
00:00:57,119 --> 00:00:55,539
our planet displayed your research of

12
00:00:59,069 --> 00:00:57,129
the hard-working subterranean theories

13
00:01:01,860 --> 00:00:59,079

in the nineteen eighties nineties which

14

00:01:03,540 --> 00:01:01,870

in turn led through realization that the

15

00:01:05,219 --> 00:01:03,550

answers we seek are the control the

16

00:01:07,590 --> 00:01:05,229

number of the latest groups and secret

17

00:01:09,870 --> 00:01:07,600

societies that we call collectively the

18

00:01:11,700 --> 00:01:09,880

controllers use a quick look at recent

19

00:01:13,620 --> 00:01:11,710

world events should convince anyone that

20

00:01:14,390 --> 00:01:13,630

the controller's plan is working very

21

00:01:16,910 --> 00:01:14,400

well

22

00:01:18,980 --> 00:01:16,920

all around us and increasing on a daily

27

00:01:37,250 --> 00:01:34,290

00:01:58,550 --> 00:01:56,310

balanced today instead of being

45

00:02:29,840 --> 00:02:26,010

unbalanced and she apologizes for her

46

00:02:32,720 --> 00:02:29,850

at the doctor this week but I have more

56
00:03:02,840 --> 00:02:59,310
important oh I I heard part of that

57
00:03:04,340 --> 00:03:02,850
experience on a kid that if you're not

58
00:03:06,979 --> 00:03:04,350
half dead already they'll kill you

59
00:03:09,320 --> 00:03:06,989
completely yeah that's what that's for

60
00:03:11,960 --> 00:03:09,330
the audience mr. Thomas brilliant well

61
00:03:14,030 --> 00:03:11,970
we can do a whole show on that some

62
00:03:16,400 --> 00:03:14,040
other time anyway our first guest

63
00:03:22,460 --> 00:03:16,410

tonight all the way out there in st.

64

00:03:26,060 --> 00:03:22,470

ansgar Iowa is my old bud Diane tessman

65

00:03:30,290 --> 00:03:26,070

now Diana Testament and I go way back

66

00:03:32,630 --> 00:03:30,300

way back I can way back I mean like like

67

00:03:35,270 --> 00:03:32,640

babies and pacifiers way back baby's

68

00:03:40,309 --> 00:03:35,280

pacifier before probably before we were

69

00:03:42,199 --> 00:03:40,319

even born whoa way back but I met Diane

70

00:03:44,720 --> 00:03:42,209

that would she was living in Florida and

71

00:03:47,740 --> 00:03:44,730

she moved around the world swiftly she

72

00:03:51,500 --> 00:03:47,750

was in Ireland she lived in Joshua Tree

73

00:03:55,190 --> 00:03:51,510

California for a while right near the

74

00:03:57,860 --> 00:03:55,200

famous Death Valley and giant rock where

75

00:04:01,130 --> 00:03:57,870

George Van Tassel built is rejuvenation

76
00:04:03,620 --> 00:04:01,140
machine the integratron and today she's

77
00:04:07,220 --> 00:04:03,630
living in Iowa she's back where she was

78
00:04:12,520 --> 00:04:07,230
born and raised on the same in the same

79
00:04:14,479 --> 00:04:12,530
rural area that she had her first UFO

80
00:04:16,159 --> 00:04:14,489
experience I guess maybe abduction

81
00:04:18,530 --> 00:04:16,169
experience we should call it yeah in

82
00:04:21,289 --> 00:04:18,540
powder I prefer encounter but yes

83
00:04:24,680 --> 00:04:21,299
affectionately all right well let's go

84
00:04:28,280 --> 00:04:24,690
back Diane let's start when we first met

85
00:04:30,140 --> 00:04:28,290
you were in Florida at the time and I

86
00:04:32,540 --> 00:04:30,150
think you had written me a letter

87
00:04:35,090 --> 00:04:32,550
something about some weird experiences

88
00:04:38,690 --> 00:04:35,100

that were taking place in your house

89

00:04:41,090 --> 00:04:38,700

that were tied in with a a disaster that

90

00:04:43,310 --> 00:04:41,100

took place down there well yeah it

91

00:04:47,330 --> 00:04:43,320

turned out they were tied in with the

92

00:04:50,540 --> 00:04:47,340

skyway bridge well DeBarge hit one span

93

00:04:53,090 --> 00:04:50,550

of the Skyway between st. Petersburg and

94

00:04:55,520 --> 00:04:53,100

bradenton florida and i had a whole

95

00:04:57,680 --> 00:04:55,530

series of weird paranormal type of

96

00:05:00,200 --> 00:04:57,690

things for about a year before that

97

00:05:04,010 --> 00:05:00,210

happened and it started working with the

98

00:05:05,870 --> 00:05:04,020

Mothman in fact I saw a mount Mothman go

99

00:05:09,340 --> 00:05:05,880

over it worked in with the Silver Bridge

100

00:05:12,909 --> 00:05:09,350

disaster that John keel wrote about and

101

00:05:15,320 --> 00:05:12,919

I wrote to you I was teaching school

102

00:05:18,640 --> 00:05:15,330

respective I was a respectable scroll

103

00:05:23,060 --> 00:05:18,650

feature until you met me when I met you

104

00:05:26,990 --> 00:05:23,070

and yeah I might I had beeps in the

105

00:05:29,870 --> 00:05:27,000

house and several UFO sightings so it

106

00:05:31,790 --> 00:05:29,880

might not have been entirely paranormal

107

00:05:33,290 --> 00:05:31,800

it was also UFO and of course maybe

108

00:05:37,400 --> 00:05:33,300

there is a connection there and maybe

109

00:05:40,580 --> 00:05:37,410

there isn't what kind of UFO sightings

110

00:05:44,380 --> 00:05:40,590

did you have well strangely enough my

111

00:05:47,180 --> 00:05:44,390

daughter who was about nine at the time

112

00:05:48,890 --> 00:05:47,190

keeps talking about a UFO that was

113

00:05:51,680 --> 00:05:48,900

revolving and fairly

114

00:05:55,999 --> 00:05:51,690

that we watch from our yard and our

115

00:05:58,820 --> 00:05:56,009

house was about a block from where we

116

00:06:00,650 --> 00:05:58,830

could see the skyway bridge so we were

117

00:06:03,290 --> 00:06:00,660

actually quite close to where it finally

118

00:06:05,600 --> 00:06:03,300

got crashed into but these things

119

00:06:10,730 --> 00:06:05,610

happened before there before the

120

00:06:13,279 --> 00:06:10,740

accident and I do not remember that at

121

00:06:16,310 --> 00:06:13,289

all and she says yes I was right there

122

00:06:19,820 --> 00:06:16,320

and it was very it was a revolving type

123

00:06:24,500 --> 00:06:19,830

of spinning type of UFO a saucer but

124

00:06:26,840 --> 00:06:24,510

then we did watch two large herbs white

125

00:06:31,279 --> 00:06:26,850

orbs that had almost a translucent

126

00:06:33,920 --> 00:06:31,289

quality over Tampa Bay from the park

127

00:06:36,950 --> 00:06:33,930

that was overlooking the skyway bridge

128

00:06:40,700 --> 00:06:36,960

and we watched him along well we watched

129

00:06:43,279 --> 00:06:40,710

one of them for hours i was looking at

130

00:06:46,820 --> 00:06:43,289

one and kind of trying to communicate

131

00:06:48,980 --> 00:06:46,830

with it is this it disappeared all of a

132

00:06:51,589 --> 00:06:48,990

sudden why'd you say karna how big was

133

00:06:53,629 --> 00:06:51,599

it giant these were large orbs I would

134

00:06:56,500 --> 00:06:53,639

say maybe the size of Earth from the

135

00:06:58,939 --> 00:06:56,510

moon you know in those pay a large um

136

00:07:02,420 --> 00:06:58,949

you know like a planet might be in a

137

00:07:04,670 --> 00:07:02,430

science fiction um and not huge but a

138

00:07:06,560 --> 00:07:04,680

good size may one like the moon

139

00:07:08,930 --> 00:07:06,570

appointed me more when you looked up and

140

00:07:10,580 --> 00:07:08,940

look like the size of the moon yeah but

141

00:07:12,200 --> 00:07:10,590

they were much lower but they were

142

00:07:17,899 --> 00:07:12,210

giving like the size of a football field

143

00:07:20,029 --> 00:07:17,909

or like a stadium no but I don't they I

144

00:07:22,100 --> 00:07:20,039

don't know anyone was around and then

145

00:07:24,830 --> 00:07:22,110

that was round like a look at yes and I

146

00:07:28,399 --> 00:07:24,840

have their their height was not van high

147

00:07:30,560 --> 00:07:28,409

so they must so they were sincerely yeah

148

00:07:32,930 --> 00:07:30,570

but that's huge if you look one to the

149

00:07:35,659 --> 00:07:32,940

other yeah and they weren't water

150

00:07:37,879 --> 00:07:35,669

balloons they never moved at all but one

151
00:07:40,189 --> 00:07:37,889
blinked out I was trying telepathic

152
00:07:43,790 --> 00:07:40,199
communication and it got rude and just

153
00:07:46,700 --> 00:07:43,800
blinked out when I so but the one stayed

154
00:07:48,260 --> 00:07:46,710
for hours and finally I had to teach

155
00:07:49,610 --> 00:07:48,270
school in the morning I finally gave up

156
00:07:51,500 --> 00:07:49,620
and went home and I had taken my

157
00:07:54,830 --> 00:07:51,510
daughter home a couple hours before that

158
00:07:57,260 --> 00:07:54,840
my daughter and the dog but she doesn't

159
00:07:59,209 --> 00:07:57,270
remember that at all so I don't remember

160
00:08:01,610 --> 00:07:59,219
one thing and she doesn't remember the

161
00:08:02,420 --> 00:08:01,620
other and that all happened within a

162
00:08:04,970 --> 00:08:02,430
year or so

163
00:08:06,650 --> 00:08:04,980

of the skyway does that you know that

164

00:08:08,210 --> 00:08:06,660

seems to be it that seems to be a

165

00:08:11,270 --> 00:08:08,220

frequent occurrence with with people

166

00:08:13,820 --> 00:08:11,280

memory and not remembering incidents now

167

00:08:16,640 --> 00:08:13,830

I know that I went to the town of Pine

168

00:08:18,710 --> 00:08:16,650

Bush New York several times right i know

169

00:08:21,200 --> 00:08:18,720

i went with ellen crystal and Harry

170

00:08:23,240 --> 00:08:21,210

a-levels and Harry work for omni a

171

00:08:24,620 --> 00:08:23,250

magazine before he decided he didn't

172

00:08:28,250 --> 00:08:24,630

want to live in New York anymore and

173

00:08:29,690 --> 00:08:28,260

move to Miami in fact whenever I talk

174

00:08:31,700 --> 00:08:29,700

about synchronicities and all of that

175

00:08:33,470 --> 00:08:31,710

whenever he did not have a phone he

176

00:08:35,780 --> 00:08:33,480

didn't want anybody to bother him but

177

00:08:37,160 --> 00:08:35,790

whenever I went down to Miami and this

178

00:08:40,310 --> 00:08:37,170

was on an intellect may be once or twice

179

00:08:42,170 --> 00:08:40,320

a year I would always run into Harry on

180

00:08:44,150 --> 00:08:42,180

the first day standing in front of

181

00:08:46,880 --> 00:08:44,160

burger king or the post office he had a

182

00:08:48,380 --> 00:08:46,890

post office box there but anyway Ellen

183

00:08:50,510 --> 00:08:48,390

crystal had all these signs up on Pine

184

00:08:53,450 --> 00:08:50,520

Bush in in all and I guess I went there

185

00:08:55,340 --> 00:08:53,460

a couple of times because my name is

186

00:08:59,450 --> 00:08:55,350

etched on the bathroom wall in the

187

00:09:01,340 --> 00:08:59,460

barbershop I go that's not yet yeah well

188

00:09:03,800 --> 00:09:01,350

I know that sounds peculiar but the guy

189

00:09:05,990 --> 00:09:03,810

who runs the barbershop it's just like

190

00:09:08,120 --> 00:09:06,000

it's kind of like balance of Carla he

191

00:09:10,280 --> 00:09:08,130

has UFO photos around the place and I

192

00:09:11,960 --> 00:09:10,290

guess every UFO researcher who came in

193

00:09:13,700 --> 00:09:11,970

he put their name on the plaque and the

194

00:09:16,760 --> 00:09:13,710

best we could do is have it hanging on

195

00:09:18,290 --> 00:09:16,770

the bathroom wall hi in his barbershop I

196

00:09:20,120 --> 00:09:18,300

think he's still there cuz i saw money

197

00:09:23,060 --> 00:09:20,130

on the you know the barber shop on the

198

00:09:24,260 --> 00:09:23,070

internet and up but supposedly i went up

199

00:09:26,090 --> 00:09:24,270

to i don't remember being in his

200

00:09:28,550 --> 00:09:26,100

barbershop to be honest but that doesn't

201
00:09:30,020 --> 00:09:28,560
really mean anything supposedly Ill ran

202
00:09:32,000 --> 00:09:30,030
into somebody a couple years ago they

203
00:09:34,970 --> 00:09:32,010
said oh we went to pine bush with you

204
00:09:36,230 --> 00:09:34,980
and you started channeling you know so

205
00:09:38,360 --> 00:09:36,240
the beings that were in these lights

206
00:09:40,460 --> 00:09:38,370
that were coming uh you know overhead or

207
00:09:42,470 --> 00:09:40,470
something and and i said to this person

208
00:09:44,900 --> 00:09:42,480
while I knew they'd this they're not the

209
00:09:46,490 --> 00:09:44,910
type of person to lie but I think I

210
00:09:51,170 --> 00:09:46,500
would remember that that was not doing

211
00:09:53,180 --> 00:09:51,180
my alcohol period so I I go I die I just

212
00:09:54,860 --> 00:09:53,190
don't remember it I you know I mean it

213
00:09:57,080 --> 00:09:54,870

could have happened but I don't remember

214

00:09:59,180 --> 00:09:57,090

channeling ashtar at least on that

215

00:10:03,050 --> 00:09:59,190

occasion I have to I've put it out of my

216

00:10:04,910 --> 00:10:03,060

mind but now the experiences that you

217

00:10:06,980 --> 00:10:04,920

had in your house wasn't this the fire

218

00:10:09,980 --> 00:10:06,990

alarm or the was going off and your

219

00:10:13,460 --> 00:10:09,990

toaster was popping up or something it

220

00:10:15,230 --> 00:10:13,470

wasn't the toaster that I remember but

221

00:10:17,150 --> 00:10:15,240

the fire alarm okay

222

00:10:19,220 --> 00:10:17,160

finally came to the morning plan the

223

00:10:21,019 --> 00:10:19,230

bridge disaster happen not that we knew

224

00:10:24,199 --> 00:10:21,029

it was going to and I was getting ready

225

00:10:26,389 --> 00:10:24,209

to go to school it was seven thirty five

226

00:10:29,030 --> 00:10:26,399

in the morning and the smoke alarm

227

00:10:31,340 --> 00:10:29,040

started almost a Morse code type of

228

00:10:33,110 --> 00:10:31,350

thing and I I saw told the batteries

229

00:10:37,670 --> 00:10:33,120

couldn't be low i just put them in and

230

00:10:39,740 --> 00:10:37,680

and it wasn't an alarm and we soon heard

231

00:10:42,800 --> 00:10:39,750

of a disaster when we had the news on

232

00:10:45,139 --> 00:10:42,810

happened at seven thirty five is when an

233

00:10:48,199 --> 00:10:45,149

entire Greyhound bus went off that span

234

00:10:50,180 --> 00:10:48,209

there were over 30 people killed it was

235

00:10:53,269 --> 00:10:50,190

way back in the late 70s so not too many

236

00:10:57,920 --> 00:10:53,279

people remember but in several cars and

237

00:11:00,050 --> 00:10:57,930

it was exactly at the time that the

238

00:11:01,970 --> 00:11:00,060

smoke alarm but nobody knew more is cold

239

00:11:03,920 --> 00:11:01,980

in my house my parents would made didn't

240

00:11:07,639 --> 00:11:03,930

know and gianna was doesn't know it

241

00:11:11,060 --> 00:11:07,649

either my daughter um so but I had been

242

00:11:13,100 --> 00:11:11,070

having beats in the house just like the

243

00:11:16,040 --> 00:11:13,110

wall with beep and the lamp would beep

244

00:11:19,579 --> 00:11:16,050

and I even took a cassette tape recorder

245

00:11:22,370 --> 00:11:19,589

on batteries way out like to the edge of

246

00:11:24,699 --> 00:11:22,380

the yard and it beeped at me so I had a

247

00:11:27,319 --> 00:11:24,709

case of the biebs for about a year

248

00:11:30,380 --> 00:11:27,329

culminated by the Morse code on the

249

00:11:32,480 --> 00:11:30,390

smoke alarm and it was exactly the

250

00:11:34,490 --> 00:11:32,490

moment that that happened and we live

251
00:11:36,319 --> 00:11:34,500
very close to it actually what would you

252
00:11:38,000 --> 00:11:36,329
saw the Mothman go over it what what

253
00:11:41,360 --> 00:11:38,010
does that what was that like describe

254
00:11:44,810 --> 00:11:41,370
that when I saw fide did you say you saw

255
00:11:47,990 --> 00:11:44,820
the Mothman I was a mom it yes I did

256
00:11:49,940 --> 00:11:48,000
this was again getting up to the time

257
00:11:52,160 --> 00:11:49,950
that the bridge thing happened I was out

258
00:11:54,889 --> 00:11:52,170
you know looking for UFOs and all I'd

259
00:11:57,530 --> 00:11:54,899
well I was a field investigator actually

260
00:11:59,930 --> 00:11:57,540
i would say state section director for

261
00:12:04,310 --> 00:11:59,940
MUFON for a fairly brief time that that

262
00:12:09,260 --> 00:12:04,320
makes you very important yeah right

263
00:12:11,300 --> 00:12:09,270

don't ask me about new anyway I was

264

00:12:15,290 --> 00:12:11,310

always a looking and something covered

265

00:12:18,110 --> 00:12:15,300

the sky just in an old pake black it

266

00:12:20,569 --> 00:12:18,120

that was just switching over and it was

267

00:12:23,540 --> 00:12:20,579

outlined in sort of a blood-red a dark

268

00:12:25,880 --> 00:12:23,550

red and it was too big to have been a

269

00:12:28,220 --> 00:12:25,890

bird I mean there are you know water

270

00:12:31,610 --> 00:12:28,230

birds in Florida but

271

00:12:34,040 --> 00:12:31,620

I I don't know it was like a guy with a

272

00:12:37,640 --> 00:12:34,050

cape that pushed over it was fairly low

273

00:12:40,670 --> 00:12:37,650

and it was fairly large maybe the size

274

00:12:44,720 --> 00:12:40,680

of a piper airplane but no noise a Piper

275

00:12:47,050 --> 00:12:44,730

Cub but no noise and so I call it

276

00:12:49,190 --> 00:12:47,060

Mothman I didn't meet him but um

277

00:12:52,220 --> 00:12:49,200

something went over that was kind of

278

00:12:54,740 --> 00:12:52,230

very strange well I know dyad you and I

279

00:12:57,800 --> 00:12:54,750

had a kind of a mystifying experience we

280

00:13:01,340 --> 00:12:57,810

were having a brunch was it in la jolla

281

00:13:03,650 --> 00:13:01,350

or san diego yeah yeah yeah yeah yeah

282

00:13:06,590 --> 00:13:03,660

yeah we look we looked out over the

283

00:13:08,300 --> 00:13:06,600

veranda over the ocean in here came this

284

00:13:10,460 --> 00:13:08,310

I don't know what would you call a drone

285

00:13:14,810 --> 00:13:10,470

or something like that but decades

286

00:13:18,080 --> 00:13:14,820

before there was a sergeant decades

287

00:13:20,240 --> 00:13:18,090

decades yes I don't know uh-huh but yeah

288

00:13:23,570 --> 00:13:20,250

and that was our were citing it together

289

00:13:25,160 --> 00:13:23,580

yeah yeah but it is a phenomenon I

290

00:13:28,730 --> 00:13:25,170

cannot look into it with various people

291

00:13:30,800 --> 00:13:28,740

that sometimes they remember a little

292

00:13:33,770 --> 00:13:30,810

bit but the person they were with

293

00:13:35,690 --> 00:13:33,780

remembers quite exciting and and then

294

00:13:38,450 --> 00:13:35,700

vice versa I had that happen with a

295

00:13:40,790 --> 00:13:38,460

friend to out in California along black

296

00:13:45,470 --> 00:13:40,800

mountain road before it was all built up

297

00:13:49,130 --> 00:13:45,480

I saw a big light with string of pearls

298

00:13:51,620 --> 00:13:49,140

like shuttlecraft or something around it

299

00:13:54,890 --> 00:13:51,630

and my friend who was all into this kind

300

00:13:57,020 --> 00:13:54,900

of thing barely remembers it um so

301
00:13:59,420 --> 00:13:57,030
there's another one and I never I

302
00:14:03,830 --> 00:13:59,430
thought maybe it was a refueling from

303
00:14:05,840 --> 00:14:03,840
miramar air or navy base but it doesn't

304
00:14:09,200 --> 00:14:05,850
line up with what that looks like I've

305
00:14:12,110 --> 00:14:09,210
looked into that well you know I guess

306
00:14:15,260 --> 00:14:12,120
that is kind of a heavy area as far as

307
00:14:18,110 --> 00:14:15,270
the military traffic goes oh yeah also

308
00:14:20,120 --> 00:14:18,120
as far as UFO traffic wet you know

309
00:14:23,170 --> 00:14:20,130
that's a you let you live probably what

310
00:14:25,970 --> 00:14:23,180
within 10 miles of giant rock airport I

311
00:14:30,200 --> 00:14:25,980
did it and judge between this attraction

312
00:14:34,730 --> 00:14:30,210
highway yeah um yeah the Joshua tree

313
00:14:36,980 --> 00:14:34,740

area had a sighting again with the same

314

00:14:38,780 --> 00:14:36,990

friend and and her friend and my

315

00:14:41,689 --> 00:14:38,790

daughter out in the desert i wrote about

316

00:14:45,289 --> 00:14:41,699

that in your Mojave oh yes

317

00:14:47,569 --> 00:14:45,299

the Haunted Mojave yes yes well you know

318

00:14:51,289 --> 00:14:47,579

that that that that place has been a

319

00:14:55,069 --> 00:14:51,299

gold mine of UFO sightings since the

320

00:14:57,019 --> 00:14:55,079

late 1940s in fact i was on the History

321

00:15:00,710 --> 00:14:57,029

Channel a couple of weeks ago and there

322

00:15:02,989 --> 00:15:00,720

was an episode it's called the mysteries

323

00:15:05,840 --> 00:15:02,999

in the national parks and and they

324

00:15:08,090 --> 00:15:05,850

filmed in Joshua Tree even though I was

325

00:15:11,119 --> 00:15:08,100

in Toronto I never got roster tree but I

326

00:15:13,909 --> 00:15:11,129

have been their course and they had

327

00:15:15,889 --> 00:15:13,919

quite a number of people they had George

328

00:15:20,179 --> 00:15:15,899

Van Tassel's grandson and they had his

329

00:15:22,519 --> 00:15:20,189

son in law a law a Daniel Boone who

330

00:15:23,900 --> 00:15:22,529

always told the story about how one

331

00:15:25,429 --> 00:15:23,910

night he had to go use the outhouse

332

00:15:27,079 --> 00:15:25,439

because they are no plumbing or anything

333

00:15:28,729 --> 00:15:27,089

there and he went out without his

334

00:15:30,559 --> 00:15:28,739

coveralls on because he knew he wouldn't

335

00:15:32,780 --> 00:15:30,569

run into anything and lo and behold he

336

00:15:34,309 --> 00:15:32,790

runs into a land at flying saucer and

337

00:15:36,259 --> 00:15:34,319

he's very embarrassed when they asked

338

00:15:37,909 --> 00:15:36,269

him to come aboard but if they said

339

00:15:40,400 --> 00:15:37,919

basically I didn't matter you know they

340

00:15:42,710 --> 00:15:40,410

were used to little nudity and so I

341

00:15:46,099 --> 00:15:42,720

guess he climbed on board you know

342

00:15:48,559 --> 00:15:46,109

without as well with well with little

343

00:15:50,239 --> 00:15:48,569

close out which is certainly it's not

344

00:15:52,549 --> 00:15:50,249

the first experience like that because I

345

00:15:56,139 --> 00:15:52,559

remember on the planet I mean I mean woody

346

00:15:58,819 --> 00:15:56,149

derenberger claim that the they had like

347

00:16:00,470 --> 00:15:58,829

nudity I way every call it nude nudist

348

00:16:02,239 --> 00:16:00,480

it was a nudist the planet I mean nobody

349

00:16:04,189 --> 00:16:02,249

nobody got dressed up unless they were

350

00:16:05,989 --> 00:16:04,199

coming to Earth I suppose you know then

351

00:16:08,479 --> 00:16:05,999

you got it he got it then you gotta put

352

00:16:11,509 --> 00:16:08,489

on your fineries you know I wrote this

353

00:16:14,029 --> 00:16:11,519

big deep article the other day for UFO

354

00:16:17,299 --> 00:16:14,039

casebook on the possibility of future

355

00:16:20,179 --> 00:16:17,309

humans being some of the UFO occupants

356

00:16:22,489 --> 00:16:20,189

and it was like a really deep article I

357

00:16:24,979 --> 00:16:22,499

worked on this it's one of my pet ideas

358

00:16:27,859 --> 00:16:24,989

for a long time and the only response I

359

00:16:32,509 --> 00:16:27,869

got was some guy said world were they

360

00:16:34,879 --> 00:16:32,519

naked or did they come close I could

361

00:16:38,449 --> 00:16:34,889

just strangle him but luckily he wasn't

362

00:16:40,549 --> 00:16:38,459

any sickness out on line 1 1 million 1

363

00:16:42,499 --> 00:16:40,559

million years in the future and we've

364

00:16:45,409 --> 00:16:42,509

lost our underwear how about that that

365

00:16:47,869 --> 00:16:45,419

talk about advancements right okay well

366

00:16:50,809 --> 00:16:47,879

let's get back to the serious events

367

00:16:53,210 --> 00:16:50,819

here you you had some strange markings i

368

00:16:54,420 --> 00:16:53,220

remember you you showing me how did that

369

00:16:56,850 --> 00:16:54,430

all come about

370

00:17:00,389 --> 00:16:56,860

well the strangest thing I don't think I

371

00:17:05,179 --> 00:17:00,399

had fully understood back in our heyday

372

00:17:08,280 --> 00:17:05,189

Tim um I had I knew I had a scar on the

373

00:17:10,770 --> 00:17:08,290

front side of my face between my nose

374

00:17:13,260 --> 00:17:10,780

and my lip just answer linus an

375

00:17:14,910 --> 00:17:13,270

interpreter yes of course yeah and you

376

00:17:17,880 --> 00:17:14,920

saw that well I thought that was the

377

00:17:20,970 --> 00:17:17,890

scar and a couple years ago I got to

378

00:17:24,449 --> 00:17:20,980

realizing the membrane that is inside

379

00:17:27,510 --> 00:17:24,459

that same area is gone on me just lon I

380

00:17:29,490 --> 00:17:27,520

checked with my daughter and I know most

381

00:17:31,850 --> 00:17:29,500

people have it it's just that skin that

382

00:17:36,030 --> 00:17:31,860

kind of connects your your lip to your

383

00:17:39,030 --> 00:17:36,040

above your your front teeth does

384

00:17:42,270 --> 00:17:39,040

everybody have it well anyway I don't

385

00:17:43,770 --> 00:17:42,280

anything right now I don't mean how did

386

00:17:45,990 --> 00:17:43,780

you find that you didn't have it that

387

00:17:48,570 --> 00:17:46,000

way well I know you don't know what you

388

00:17:51,180 --> 00:17:48,580

don't have I mean I well I figured out

389

00:17:53,070 --> 00:17:51,190

that there's there's I find out you

390

00:17:56,760 --> 00:17:53,080

didn't have it whether it's kind of

391

00:17:59,310 --> 00:17:56,770

bumpy scar tissue on the inside and it's

392

00:18:01,169 --> 00:17:59,320

just simply I checked other people that

393

00:18:04,140 --> 00:18:01,179

my daughter and I'm friend and I

394

00:18:06,540 --> 00:18:04,150

realized it is a little membrane there

395

00:18:09,900 --> 00:18:06,550

or a fair-sized membrane actually as

396

00:18:13,590 --> 00:18:09,910

membranes go anyway I just it's removed

397

00:18:18,419 --> 00:18:13,600

up right up to under my nose I there's

398

00:18:22,320 --> 00:18:18,429

nothing except some bumpy skin um and I

399

00:18:25,169 --> 00:18:22,330

I asked my parents about the scar I

400

00:18:27,510 --> 00:18:25,179

didn't can't quite both my parents are

401
00:18:29,610 --> 00:18:27,520
dead and I hadn't cried discovered this

402
00:18:32,580 --> 00:18:29,620
actual membrane saying it took me years

403
00:18:35,940 --> 00:18:32,590
to figure it out but I said did I have

404
00:18:37,950 --> 00:18:35,950
any kind of birthday little birth defect

405
00:18:40,919 --> 00:18:37,960
that was fixed or did they take me to

406
00:18:43,200 --> 00:18:40,929
the doctor the dentist um any and they

407
00:18:45,510 --> 00:18:43,210
both said no and they were very doting

408
00:18:47,100 --> 00:18:45,520
parents and my mother would have been

409
00:18:51,090 --> 00:18:47,110
happy to say yes because she didn't like

410
00:18:55,560 --> 00:18:51,100
my UFO interest and but they both said

411
00:18:57,900 --> 00:18:55,570
no and so anyway I have you know there

412
00:19:01,440 --> 00:18:57,910
might be a reasonable explanation to it

413
00:19:03,990 --> 00:19:01,450

but there really isn't so I guess you

414

00:19:05,970 --> 00:19:04,000

could mouth tissue is supposed to be

415

00:19:07,830 --> 00:19:05,980

some of the best to clone so there might

416

00:19:08,220 --> 00:19:07,840

be some more of me but that's just you

417

00:19:10,440 --> 00:19:08,230

know that

418

00:19:15,210 --> 00:19:10,450

sounds amazing that that wouldn't be a

419

00:19:18,510 --> 00:19:15,220

bad thing Cantwell well I so Diane you

420

00:19:23,159 --> 00:19:18,520

eventually ended up in the University of

421

00:19:25,590 --> 00:19:23,169

Wyoming with dr. sprinkle now did you go

422

00:19:29,669 --> 00:19:25,600

there because of the the scar or had you

423

00:19:32,880 --> 00:19:29,679

had a memory of being abducted or

424

00:19:35,430 --> 00:19:32,890

examined or something well I I went

425

00:19:37,530 --> 00:19:35,440

because I was so fascinated with UFOs

426

00:19:39,840 --> 00:19:37,540

was a field investigator tried to be

427

00:19:43,140 --> 00:19:39,850

very objective but I knew that there was

428

00:19:45,270 --> 00:19:43,150

a personal reason behind that and I

429

00:19:46,980 --> 00:19:45,280

didn't know what it was I suspected

430

00:19:51,060 --> 00:19:46,990

something because you read about

431

00:19:53,730 --> 00:19:51,070

abductees and whatnot and so that was

432

00:19:58,080 --> 00:19:53,740

just the general wanting to know the the

433

00:20:00,480 --> 00:19:58,090

truth trying to go back into it and dr.

434

00:20:02,100 --> 00:20:00,490

sprenkle is still a good friend he

435

00:20:04,770 --> 00:20:02,110

wasn't a friend at the time it was an

436

00:20:06,840 --> 00:20:04,780

objective he did he gave me

437

00:20:11,070 --> 00:20:06,850

psychological tests and I did quite well

438

00:20:13,980 --> 00:20:11,080

on them i see not to be crazy and in

439

00:20:16,730 --> 00:20:13,990

fact i'm a person that handles reality

440

00:20:20,070 --> 00:20:16,740

all the time I mean I'm very functional

441

00:20:22,580 --> 00:20:20,080

so anyway he when he regressed me it

442

00:20:27,510 --> 00:20:22,590

came very clearly and fairly quickly

443

00:20:29,640 --> 00:20:27,520

that I had been taken the board the the

444

00:20:33,090 --> 00:20:29,650

details are in the transformation the

445

00:20:35,909 --> 00:20:33,100

book that you publish Tim oh yes um and

446

00:20:38,220 --> 00:20:35,919

there's a few years back few years ago

447

00:20:39,780 --> 00:20:38,230

but all of dr. sprinkles notes are there

448

00:20:42,600 --> 00:20:39,790

about what I go there there's a lot of

449

00:20:45,450 --> 00:20:42,610

detail excellent excellent book that's

450

00:20:48,480 --> 00:20:45,460

gone through quite a number of additions

451

00:20:51,060 --> 00:20:48,490

and a it's your it's available now on

452

00:20:54,570 --> 00:20:51,070

amazon from you i mean i guess yeah I'm

453

00:20:57,810 --> 00:20:54,580

abanico kindle and i also have copies

454

00:20:59,039 --> 00:20:57,820

myself if anybody wanted a favor ruin

455

00:21:00,330 --> 00:20:59,049

the book for me if you tell me what

456

00:21:04,350 --> 00:21:00,340

happened though because I like books

457

00:21:08,789 --> 00:21:04,360

anyway so so what happened well um I

458

00:21:11,789 --> 00:21:08,799

there was one I saw beings around that

459

00:21:15,510 --> 00:21:11,799

were both that were small humans almost

460

00:21:18,960 --> 00:21:15,520

like the wharf humans and not the

461

00:21:22,050 --> 00:21:18,970

classic ETS with the the goggle eyes but

462

00:21:24,360 --> 00:21:22,060

then also sort of insect right beans

463

00:21:26,460 --> 00:21:24,370

but I don't know fear and I've looked

464

00:21:29,430 --> 00:21:26,470

into the fact other people feel that

465

00:21:32,790 --> 00:21:29,440

perhaps they can control fear ennis if

466

00:21:35,340 --> 00:21:32,800

they want to it seems some people are so

467

00:21:37,050 --> 00:21:35,350

traumatized by abductions but I'm scared

468

00:21:39,780 --> 00:21:37,060

of thanks anyway though I was just be

469

00:21:41,970 --> 00:21:39,790

freaked out by a giant insects oh yeah

470

00:21:44,790 --> 00:21:41,980

where I was called was four years old

471

00:21:48,750 --> 00:21:44,800

and so I was a very competent for a year

472

00:21:51,840 --> 00:21:48,760

old i was you know smart and and really

473

00:21:53,400 --> 00:21:51,850

had it together for fedora brothers

474

00:21:54,870 --> 00:21:53,410

actually i was actually more open to

475

00:21:56,460 --> 00:21:54,880

nature when i was four though you know i

476
00:21:59,400 --> 00:21:56,470
mean i develop yeah here for bugs you

477
00:22:01,350 --> 00:21:59,410
know otherwise you know who yeah I I was

478
00:22:04,650 --> 00:22:01,360
very open to nature and very shy and

479
00:22:10,670 --> 00:22:04,660
quiet and maybe I was strange from the

480
00:22:14,010 --> 00:22:10,680
beginning but um uh I was four and and I

481
00:22:19,170 --> 00:22:14,020
there was this one being a man who was

482
00:22:22,110 --> 00:22:19,180
sort of my guide and he had amber eyes

483
00:22:24,960 --> 00:22:22,120
he was not human you don't see a human

484
00:22:27,570 --> 00:22:24,970
with the coloring or quite the facial

485
00:22:30,960 --> 00:22:27,580
features he had but he was I could

486
00:22:33,710 --> 00:22:30,970
appreciate you know that he was nice

487
00:22:37,440 --> 00:22:33,720
enough looking he wasn't so strange

488
00:22:39,480 --> 00:22:37,450

course if there are if they are advanced

489

00:22:44,250 --> 00:22:39,490

energy beings maybe that was a

490

00:22:47,820 --> 00:22:44,260

conventional ization for my benefit but

491

00:22:50,850 --> 00:22:47,830

he he had tawny colored hair kind of it

492

00:22:53,880 --> 00:22:50,860

was a very golden feeling because his

493

00:22:55,950 --> 00:22:53,890

skin was fairly dark alley colored amber

494

00:23:00,060 --> 00:22:55,960

eyes that were almost translucent and

495

00:23:02,970 --> 00:23:00,070

very almost reticent to talk to me we

496

00:23:04,680 --> 00:23:02,980

sat on a bench quite a distance from

497

00:23:06,390 --> 00:23:04,690

each other you know people have asked me

498

00:23:09,090 --> 00:23:06,400

especially these days what do you think

499

00:23:12,300 --> 00:23:09,100

it was some memory of being molested and

500

00:23:15,330 --> 00:23:12,310

you just no absolutely not you know that

501
00:23:17,910 --> 00:23:15,340
isn't the i never had that in my in my

502
00:23:21,060 --> 00:23:17,920
background at all and this was nothing

503
00:23:23,460 --> 00:23:21,070
like that it was something that turned

504
00:23:27,660 --> 00:23:23,470
out to be so influential and beautiful

505
00:23:29,490 --> 00:23:27,670
in my life and and eye-opening and

506
00:23:32,970 --> 00:23:29,500
vistas that I never would have known

507
00:23:35,640 --> 00:23:32,980
otherwise and then it I'm so

508
00:23:38,910 --> 00:23:35,650
tender-hearted toward animals and

509
00:23:43,080 --> 00:23:38,920
frankly you know my level of

510
00:23:45,320 --> 00:23:43,090
consciousness is is where I'm proud of

511
00:23:47,940 --> 00:23:45,330
it I know I can go further and that

512
00:23:51,120 --> 00:23:47,950
humanity has to to raise his

513
00:23:53,670 --> 00:23:51,130

consciousness to and I'm a I'm a human I

514

00:23:56,370 --> 00:23:53,680

don't pretend to you know that I just

515

00:23:58,950 --> 00:23:56,380

landed from Venus but it's been such an

516

00:24:02,340 --> 00:23:58,960

influence in my life that those I had

517

00:24:05,310 --> 00:24:02,350

two encounters that I remember the other

518

00:24:08,190 --> 00:24:05,320

one was in a cabin in Canada we were up

519

00:24:11,340 --> 00:24:08,200

there on vacation and i don't mean I've

520

00:24:14,460 --> 00:24:11,350

never gone into details on that I'm in

521

00:24:17,040 --> 00:24:14,470

hypnosis but I know that the same being

522

00:24:19,020 --> 00:24:17,050

walked in the door of the cabin I was in

523

00:24:22,650 --> 00:24:19,030

the cabin by myself it shall would you

524

00:24:26,190 --> 00:24:22,660

then for because it was the same year in

525

00:24:28,860 --> 00:24:26,200

nineteen i had to date myself 1952 and

526

00:24:32,220 --> 00:24:28,870

there were UFO sightings locally that

527

00:24:34,740 --> 00:24:32,230

same year i have found out recently so

528

00:24:36,780 --> 00:24:34,750

um I don't know it's all a big puzzle

529

00:24:41,040 --> 00:24:36,790

that I've been putting together slowly

530

00:24:43,080 --> 00:24:41,050

for years and Ashley since the Tim and I

531

00:24:46,830 --> 00:24:43,090

knew each other well we don't know each

532

00:24:48,900 --> 00:24:46,840

other so well but since our heyday I've

533

00:24:52,260 --> 00:24:48,910

put a lot of more of the puzzle together

534

00:24:54,480 --> 00:24:52,270

actually I've kind of gone in Word and

535

00:24:57,810 --> 00:24:54,490

figured it out through research and

536

00:25:00,720 --> 00:24:57,820

articles that I've written and I don't

537

00:25:03,030 --> 00:25:00,730

know it just kind of keeps it all make

538

00:25:06,600 --> 00:25:03,040

sense I mean it's like a plan to it's

539

00:25:09,150 --> 00:25:06,610

not a random or crazy thing it's um

540

00:25:12,330 --> 00:25:09,160

there's clues there's part I don't know

541

00:25:14,850 --> 00:25:12,340

but it's all about really and yet it's

542

00:25:17,210 --> 00:25:14,860

something about human consciousness I

543

00:25:20,520 --> 00:25:17,220

really think it's more about our

544

00:25:23,190 --> 00:25:20,530

perception and the evolution than it is

545

00:25:28,740 --> 00:25:23,200

about any one race of ETS or time

546

00:25:33,360 --> 00:25:28,750

travelers or it's something intended for

547

00:25:35,360 --> 00:25:33,370

us humans to help us now it's what when

548

00:25:37,950 --> 00:25:35,370

you saw when you when you met this

549

00:25:39,720 --> 00:25:37,960

individual who you have identified in

550

00:25:43,230 --> 00:25:39,730

your books and newsletters of Kaiba's

551
00:25:45,720 --> 00:25:43,240
correct all right yeah corrected my man

552
00:25:46,800 --> 00:25:45,730
taken a drink of water yeah did and we

553
00:25:49,880 --> 00:25:46,810
you're not allowed to do that you're

554
00:25:55,980 --> 00:25:54,690
hey ok so now did he speak to you

555
00:25:58,500 --> 00:25:55,990
verbally like we're having a

556
00:26:00,900 --> 00:25:58,510
conversation or was it telepathic

557
00:26:03,150 --> 00:26:00,910
because in a lot of these a contact

558
00:26:06,690 --> 00:26:03,160
experiences people say that it's a you

559
00:26:08,880 --> 00:26:06,700
know as a mind to mind thing I suspect

560
00:26:12,780 --> 00:26:08,890
it was telepathic but hey I was four I

561
00:26:14,910 --> 00:26:12,790
don't know no i don't i don't think it

562
00:26:20,820 --> 00:26:14,920
was verbal i think it was telepathic and

563
00:26:23,520 --> 00:26:20,830

i can't tell you the details of body

564

00:26:26,280 --> 00:26:23,530

said i don't have the i think that they

565

00:26:28,680 --> 00:26:26,290

show up in my channeling throughout the

566

00:26:34,080 --> 00:26:28,690

because i have channeled him now for

567

00:26:36,180 --> 00:26:34,090

over 30 years I Tim you help me start

568

00:26:39,030 --> 00:26:36,190

the star network Hartline started in

569

00:26:41,640 --> 00:26:39,040

nineteen eighty-three in San Diego right

570

00:26:47,340 --> 00:26:41,650

san diego wanna know garage sale

571

00:26:49,350 --> 00:26:47,350

typewriter nobody yes and then the

572

00:26:51,780 --> 00:26:49,360

change times quarterly newsletter

573

00:26:54,450 --> 00:26:51,790

started in nineteen ninety in amsterdam

574

00:26:57,770 --> 00:26:54,460

when i had the right away to europe and

575

00:27:02,670 --> 00:26:57,780

I've channeled I probably channeled

576

00:27:05,880 --> 00:27:02,680

enough paper to reach the moon I've

577

00:27:09,390 --> 00:27:05,890

written an awful lot and I've never

578

00:27:13,080 --> 00:27:09,400

really come to huge prominence because I

579

00:27:16,170 --> 00:27:13,090

tend to be kind of stubborn and and just

580

00:27:18,390 --> 00:27:16,180

under then I I don't really have a huge

581

00:27:21,300 --> 00:27:18,400

amount of money for glossy stuff and to

582

00:27:24,450 --> 00:27:21,310

launch myself is some big personality

583

00:27:27,480 --> 00:27:24,460

but I have kind of kept it the ways I'm

584

00:27:30,030 --> 00:27:27,490

comfortable with it which is just

585

00:27:33,090 --> 00:27:30,040

plugging along and I meant so many

586

00:27:34,950 --> 00:27:33,100

wonderful I call them star people Franz

587

00:27:37,530 --> 00:27:34,960

that have been one lady's been with me

588

00:27:41,910 --> 00:27:37,540

since the first issue of the hardline

589

00:27:45,330 --> 00:27:41,920

may 1983 she's now 90 years old and she

590

00:27:49,970 --> 00:27:45,340

she was 60 I guess when she when she

591

00:27:52,650 --> 00:27:49,980

started and and you okay so you moved to

592

00:27:56,610 --> 00:27:52,660

Holland the Netherlands did you have any

593

00:28:00,420 --> 00:27:56,620

experiences while you were there no but

594

00:28:02,250 --> 00:28:00,430

I was very troubled with things like Oh

595

00:28:06,720 --> 00:28:02,260

getting my stuff out of

596

00:28:08,880 --> 00:28:06,730

of costumes and then the government

597

00:28:11,610 --> 00:28:08,890

decided we couldn't stay there when they

598

00:28:16,020 --> 00:28:11,620

had said we could and I was just kind of

599

00:28:18,030 --> 00:28:16,030

besieged with practical problems so I

600

00:28:21,720 --> 00:28:18,040

went to Ireland after six months and

601
00:28:26,760 --> 00:28:21,730
amsterdam and there I mother Ireland

602
00:28:29,820 --> 00:28:26,770
talked to me and I had messages from the

603
00:28:33,030 --> 00:28:29,830
Tour de donon that were the ancient

604
00:28:35,880 --> 00:28:33,040
people there recently some other people

605
00:28:39,300 --> 00:28:35,890
have been mentioning the two of did on

606
00:28:41,340 --> 00:28:39,310
and I noticed it looks like tarafa be

607
00:28:43,610 --> 00:28:41,350
done on if you're not ringing but it's

608
00:28:47,610 --> 00:28:43,620
hot girls receive these messages I'm

609
00:28:49,430 --> 00:28:47,620
channeling and they just branded my head

610
00:28:53,700 --> 00:28:49,440
its I've never had a voice in my head

611
00:28:57,930 --> 00:28:53,710
it's just they identified themselves as

612
00:28:59,610 --> 00:28:57,940
that and you know I tried to get away

613
00:29:01,680 --> 00:28:59,620

from the channeling a little and like

614

00:29:05,430 --> 00:29:01,690

these science speculation articles

615

00:29:08,040 --> 00:29:05,440

because but I still hold on to the

616

00:29:10,410 --> 00:29:08,050

channeling to with my newsletters but I

617

00:29:13,500 --> 00:29:10,420

really believe that on up the road of

618

00:29:16,440 --> 00:29:13,510

our evolution spirit and science need to

619

00:29:17,730 --> 00:29:16,450

come together because we tend to say the

620

00:29:21,780 --> 00:29:17,740

scientists will say well that's a

621

00:29:23,010 --> 00:29:21,790

rainbow its water going in a prism you

622

00:29:24,960 --> 00:29:23,020

know through a raindrop from the

623

00:29:27,960 --> 00:29:24,970

sunshine and then the spiritual people

624

00:29:30,660 --> 00:29:27,970

say no it's a symbol of hope and and

625

00:29:33,170 --> 00:29:30,670

maybe that rainbow really changed their

626

00:29:36,600 --> 00:29:33,180

lives they give them hope so it has

627

00:29:38,720 --> 00:29:36,610

concrete consequences spirit counts I

628

00:29:42,720 --> 00:29:38,730

mean scientists tend to just discount

629

00:29:45,540 --> 00:29:42,730

anything spiritual um but you can't

630

00:29:47,370 --> 00:29:45,550

really count out science either so it

631

00:29:49,290 --> 00:29:47,380

shouldn't be in contradiction and I

632

00:29:52,890 --> 00:29:49,300

think you know we've got that bridge in

633

00:29:56,430 --> 00:29:52,900

our brain that isn't fully activated I

634

00:29:59,070 --> 00:29:56,440

should know its name but I forgotten but

635

00:30:02,280 --> 00:29:59,080

I think maybe when we're when we evolve

636

00:30:05,670 --> 00:30:02,290

maybe we'll be fully activated and we

637

00:30:08,040 --> 00:30:05,680

won't contradict there's no need for for

638

00:30:12,540 --> 00:30:08,050

contradicting each other all the time

639

00:30:16,080 --> 00:30:12,550

with science religion spirit we just

640

00:30:18,930 --> 00:30:16,090

need to to see things in a larger

641

00:30:20,430 --> 00:30:18,940

a more than two sum of the parts the

642

00:30:23,490 --> 00:30:20,440

whole is more than the sum of those

643

00:30:26,580 --> 00:30:23,500

parts if that makes any sense yeah well

644

00:30:28,950 --> 00:30:26,590

I think I'll remember Diane when you were

645

00:30:31,169 --> 00:30:28,960

living in the countryside there in

646

00:30:33,390 --> 00:30:31,179

kilkenny that used to send me

647

00:30:35,669 --> 00:30:33,400

photographs beautiful photographs but

648

00:30:38,220 --> 00:30:35,679

also too I weren't you studying the

649

00:30:40,049 --> 00:30:38,230

celtic shamanism I mean I remember

650

00:30:45,060 --> 00:30:40,059

seeing all these what would you call

651
00:30:47,130 --> 00:30:45,070
them markers or or tombs only standing

652
00:30:49,110 --> 00:30:47,140
stones Harley well that's right yeah yes

653
00:30:52,019 --> 00:30:49,120
that's right standings updated back to

654
00:30:55,200 --> 00:30:52,029
pagan days but the church took them over

655
00:30:57,539 --> 00:30:55,210
another Church surely wealth and many

656
00:31:02,190 --> 00:30:57,549
churches especially in Ireland were

657
00:31:04,649 --> 00:31:02,200
built on on old pagan sites and yeah I

658
00:31:09,299 --> 00:31:04,659
in Ireland I kind of embraced being a

659
00:31:13,049 --> 00:31:09,309
proud pagan I I think nature is God and

660
00:31:16,139 --> 00:31:13,059
mother Ireland man what a a part of the

661
00:31:17,909 --> 00:31:16,149
the female god she just especially in

662
00:31:21,690 --> 00:31:17,919
the 90s I don't know if it's gotten a

663
00:31:23,399 --> 00:31:21,700

little more security minded or something

664

00:31:26,789 --> 00:31:23,409

but in the nineties you could go visit

665

00:31:29,730 --> 00:31:26,799

Oh go up old stairways that led nowhere

666

00:31:32,610 --> 00:31:29,740

and crumbling old castles and nobody

667

00:31:35,549 --> 00:31:32,620

stopped you and they probably now have

668

00:31:38,669 --> 00:31:35,559

tightened up for fear of lawsuits but

669

00:31:41,430 --> 00:31:38,679

you could lay down on a dolmen I had a

670

00:31:43,289 --> 00:31:41,440

visitor who laid down on a dolmen

671

00:31:45,419 --> 00:31:43,299

thinking he would get great psychic

672

00:31:48,659 --> 00:31:45,429

input and he got such a headache said he

673

00:31:51,389 --> 00:31:48,669

had to go back home to the state's early

674

00:31:54,750 --> 00:31:51,399

he really apparently you shouldn't take

675

00:31:56,970 --> 00:31:54,760

a nap on the top of a Leah of a dolmen I

676
00:31:59,159 --> 00:31:56,980
would you don't you don't have to go to

677
00:32:01,260 --> 00:31:59,169
Ireland to find the dolmen in fact I

678
00:32:02,880 --> 00:32:01,270
must have told you the story of fact I

679
00:32:05,010 --> 00:32:02,890
was with your daughter we went to I

680
00:32:09,419 --> 00:32:05,020
think like superior on just a little

681
00:32:12,899 --> 00:32:09,429
outing 111 weekend and it was raining

682
00:32:15,000 --> 00:32:12,909
out so they had a tour that the the park

683
00:32:16,680 --> 00:32:15,010
ranger that would come to the hotel and

684
00:32:19,019 --> 00:32:16,690
take people on a walking tour you know

685
00:32:20,940 --> 00:32:19,029
along the trails and stuff but it was

686
00:32:22,260 --> 00:32:20,950
raining out and frankly though he wanted

687
00:32:24,210 --> 00:32:22,270
to go I don't think it mattered what it

688
00:32:25,950 --> 00:32:24,220

was raining mean I so I stopped to talk

689

00:32:27,810 --> 00:32:25,960

to the the nice lady who was a park

690

00:32:29,880 --> 00:32:27,820

ranger and you know there had been

691

00:32:32,160 --> 00:32:29,890

reports of course of UFOs over Lake

692

00:32:33,600 --> 00:32:32,170

you know superior in all and I asked her

693

00:32:35,220 --> 00:32:33,610

I said has there been any recent reports

694

00:32:38,280 --> 00:32:35,230

UFOs you know anything about it she said

695

00:32:41,160 --> 00:32:38,290

oh that's not my my particular you know

696

00:32:43,020 --> 00:32:41,170

area of expertise but come back to the

697

00:32:45,840 --> 00:32:43,030

Ranger you know the headquarters with me

698

00:32:48,750 --> 00:32:45,850

you know introduce you to Ranger Dan or

699

00:32:50,250 --> 00:32:48,760

Rick or whatever his name was and we

700

00:32:52,380 --> 00:32:50,260

went back there and I asked them I i

701
00:32:54,300 --> 00:32:52,390
said i had heard i said she told me that

702
00:32:57,540 --> 00:32:54,310
there had been a UFO crash or something

703
00:32:58,950 --> 00:32:57,550
way back out you know through the the

704
00:33:01,470 --> 00:32:58,960
wooded area you know because a lot of

705
00:33:03,360 --> 00:33:01,480
campers and stuffs there too and he said

706
00:33:06,150 --> 00:33:03,370
I maybe that was a meteorite he said but

707
00:33:08,280 --> 00:33:06,160
you know I had this a couple that came

708
00:33:10,260 --> 00:33:08,290
by here and they were they wanted to go

709
00:33:11,970 --> 00:33:10,270
canoeing and I had it like you know like

710
00:33:14,190 --> 00:33:11,980
go back about a mile and a half in the

711
00:33:16,260 --> 00:33:14,200
woods carrying their canoe and they

712
00:33:17,940 --> 00:33:16,270
stopped under one of these chambers with

713
00:33:20,310 --> 00:33:17,950

the dolmen you know the top and all and

714

00:33:21,990 --> 00:33:20,320

he said for two nights in a row they had

715

00:33:23,520 --> 00:33:22,000

UFO sightings this ball of light or

716

00:33:26,930 --> 00:33:23,530

whatever it was would come right over

717

00:33:29,250 --> 00:33:26,940

the the the top of the the chamber and

718

00:33:31,730 --> 00:33:29,260

finally I guess they decided that maybe

719

00:33:34,110 --> 00:33:31,740

they would do their canoeing or hiking

720

00:33:36,090 --> 00:33:34,120

somewhere else but he said there have

721

00:33:38,310 --> 00:33:36,100

been other reports and stuff there now I

722

00:33:41,310 --> 00:33:38,320

guess the the Vikings aren't they

723

00:33:42,960 --> 00:33:41,320

usually a thought of as big but we don't

724

00:33:44,910 --> 00:33:42,970

know that's a case either because some

725

00:33:46,610 --> 00:33:44,920

of these places have writing on it and

726

00:33:50,010 --> 00:33:46,620

nobody knows who wrote them you know and

727

00:33:52,710 --> 00:33:50,020

it's all a mystery well yeah I've heard

728

00:33:54,930 --> 00:33:52,720

the Celts also made it into the st.

729

00:33:58,560 --> 00:33:54,940

Lawrence lot away and into the Great

730

00:34:01,710 --> 00:33:58,570

Lakes and my my second sighting was on a

731

00:34:05,310 --> 00:34:01,720

Canadian lake and those are our I have a

732

00:34:07,770 --> 00:34:05,320

friend who still goes out to see the

733

00:34:10,830 --> 00:34:07,780

orbs over the lake and she's a very

734

00:34:12,810 --> 00:34:10,840

objective observer but there's there's

735

00:34:15,710 --> 00:34:12,820

all sorts of activity over Canadian

736

00:34:20,280 --> 00:34:15,720

Lakes my second encounter was by lake

737

00:34:21,840 --> 00:34:20,290

eagle lake which is in ontario really

738

00:34:24,450 --> 00:34:21,850

the only time i'm telling me that well

739

00:34:27,600 --> 00:34:24,460

that's the head tell us that yeah that

740

00:34:31,290 --> 00:34:27,610

worked there isn't I don't have Pete

741

00:34:33,120 --> 00:34:31,300

Townsend much of it but um we we went up

742

00:34:34,800 --> 00:34:33,130

there for my cousin's first birthday and

743

00:34:38,490 --> 00:34:34,810

we were the same age so I know I was

744

00:34:40,980 --> 00:34:38,500

four and my parents are we rented a

745

00:34:42,930 --> 00:34:40,990

cabin it had just a hole for a toilet

746

00:34:43,710 --> 00:34:42,940

that horrified me I never seen such a

747

00:34:47,760 --> 00:34:43,720

thing it was in the

748

00:34:51,149 --> 00:34:47,770

Adam but just a deep hole and a very

749

00:34:52,770 --> 00:34:51,159

primitive cabin and usually my mother

750

00:34:54,359 --> 00:34:52,780

wouldn't have left me alone I don't

751
00:34:56,849 --> 00:34:54,369
think you know if we were just there for

752
00:34:59,250 --> 00:34:56,859
one day and one night I guess but I

753
00:35:01,500 --> 00:34:59,260
remembered that this was in the daytime

754
00:35:04,560 --> 00:35:01,510
but for some reason my parents were

755
00:35:06,930 --> 00:35:04,570
apparently out talking with my uncle and

756
00:35:09,420 --> 00:35:06,940
his wife who also they were the parents

757
00:35:12,990 --> 00:35:09,430
of the kid that had the birthday and we

758
00:35:16,770 --> 00:35:13,000
met up there the two families and so I

759
00:35:19,620 --> 00:35:16,780
was alone in the cabin and this being

760
00:35:22,470 --> 00:35:19,630
that I had encountered came in the door

761
00:35:25,470 --> 00:35:22,480
with dark glasses on a red checkered

762
00:35:27,240 --> 00:35:25,480
shirt and blue jeans and strangely

763
00:35:30,950 --> 00:35:27,250

enough I have talked to three other

764

00:35:36,120 --> 00:35:30,960

people over the years that suspected

765

00:35:38,849 --> 00:35:36,130

future humans who were who they met who

766

00:35:41,250 --> 00:35:38,859

said they had on or one of them had on a

767

00:35:43,740 --> 00:35:41,260

red checkered shirt in blue jeans so

768

00:35:45,570 --> 00:35:43,750

it's kind of like the computer on the

769

00:35:48,750 --> 00:35:45,580

starship must say oh you're going to

770

00:35:51,270 --> 00:35:48,760

20th century earth or 21st century you

771

00:35:54,150 --> 00:35:51,280

need a red checkered shirt and blue

772

00:35:56,280 --> 00:35:54,160

jeans here anyway he had on dark glasses

773

00:35:58,470 --> 00:35:56,290

which he put up a wreath head when he

774

00:36:02,160 --> 00:35:58,480

came in and he says diane do you

775

00:36:05,640 --> 00:36:02,170

remember me and i said yes and he said

776

00:36:07,710 --> 00:36:05,650

are you afraid and I said no and I was

777

00:36:10,710 --> 00:36:07,720

holding my little golden book I don't

778

00:36:12,960 --> 00:36:10,720

know if Tim's old enough and did you

779

00:36:15,210 --> 00:36:12,970

have any little Goldberg said oh yeah

780

00:36:17,550 --> 00:36:15,220

yeah surely yeah they were in a series

781

00:36:21,540 --> 00:36:17,560

and the my favorite was twice in the

782

00:36:26,400 --> 00:36:21,550

Arab I I read them now even generating

783

00:36:28,410 --> 00:36:26,410

them and I actually that's it my

784

00:36:30,500 --> 00:36:28,420

favorite one was Toys in the Attic which

785

00:36:33,089 --> 00:36:30,510

is about not being afraid of the unknown

786

00:36:35,820 --> 00:36:33,099

which is whether coincidence so I was

787

00:36:38,099 --> 00:36:35,830

holding my little phone book and that's

788

00:36:41,490 --> 00:36:38,109

all I remember that but the strange

789

00:36:43,950 --> 00:36:41,500

thing is my little girl so you know that

790

00:36:47,460 --> 00:36:43,960

could be I have no other recollection of

791

00:36:49,859 --> 00:36:47,470

what happened but um my little golden

792

00:36:52,260 --> 00:36:49,869

book from there after had a strange

793

00:36:54,990 --> 00:36:52,270

substance on it and I wish I had kept

794

00:36:57,029 --> 00:36:55,000

that book now I had it until I was about

795

00:36:59,640 --> 00:36:57,039

20 and they

796

00:37:03,029 --> 00:36:59,650

and our black helicopters coming she was

797

00:37:04,979 --> 00:37:03,039

just a helicopter going over and then it

798

00:37:07,469 --> 00:37:04,989

was lost we moved to the Virgin Islands

799

00:37:09,900 --> 00:37:07,479

one for my first teaching job and our

800

00:37:11,609 --> 00:37:09,910

shipment got lost part of our Shiva and

801
00:37:15,059 --> 00:37:11,619
that book would have been in there it

802
00:37:18,539 --> 00:37:15,069
was but anyway back to four years old um

803
00:37:20,339 --> 00:37:18,549
it had a strange substance on it that my

804
00:37:22,319 --> 00:37:20,349
mother said well how did you get large

805
00:37:25,229 --> 00:37:22,329
on your books she decided it was lard

806
00:37:27,659 --> 00:37:25,239
she hated large she was very health

807
00:37:31,349 --> 00:37:27,669
minded she we didn't have lured in the

808
00:37:34,109 --> 00:37:31,359
cabin she didn't and um it was it went

809
00:37:35,909 --> 00:37:34,119
through every page of the book it was

810
00:37:38,849 --> 00:37:35,919
almost like the book got slimed from

811
00:37:41,819 --> 00:37:38,859
ghostbusters Jordan wasn't slimy it was

812
00:37:44,339 --> 00:37:41,829
a softer and so I don't know if that has

813
00:37:48,209 --> 00:37:44,349

any bearing on anything but to create a

814

00:37:51,120 --> 00:37:48,219

kicker of this is 30 years later as Aunt

815

00:37:54,959 --> 00:37:51,130

Marge the kids mother called my mother

816

00:37:57,900 --> 00:37:54,969

she divorced her house the bill the

817

00:37:59,819 --> 00:37:57,910

others her husband and we hadn't heard

818

00:38:01,289 --> 00:37:59,829

from march four years but she wanted to

819

00:38:04,589 --> 00:38:01,299

talk to my mother just the same Merry

820

00:38:07,079 --> 00:38:04,599

Christmas she asked how was Diane and my

821

00:38:09,809 --> 00:38:07,089

mother says oh she's investigating UFOs

822

00:38:12,659 --> 00:38:09,819

and Marge says well you know bill and I

823

00:38:16,199 --> 00:38:12,669

saw two years UFOs when we were in a

824

00:38:17,729 --> 00:38:16,209

canoe on Eagle Lake that time she had

825

00:38:19,890 --> 00:38:17,739

never said that that was not a

826
00:38:22,349 --> 00:38:19,900
suggestion that I get we had never heard

827
00:38:25,259 --> 00:38:22,359
that before so it was kind of confirmed

828
00:38:27,599 --> 00:38:25,269
at least that there was UFO activity now

829
00:38:29,609 --> 00:38:27,609
how old you weren't for years old when

830
00:38:34,709 --> 00:38:29,619
this one happened I was for both times

831
00:38:38,099 --> 00:38:34,719
as far as the mainland that Leo help me

832
00:38:41,549 --> 00:38:38,109
remember um I I have no way of knowing I

833
00:38:43,169 --> 00:38:41,559
figured out I was four or five but this

834
00:38:45,839 --> 00:38:43,179
one I know I was four because I was the

835
00:38:51,719 --> 00:38:45,849
same age as my cousin and he had his

836
00:38:55,949 --> 00:38:51,729
birthday up there now as Titus ever told

837
00:38:58,890 --> 00:38:55,959
you why he picked you to it you know to

838
00:39:03,329 --> 00:38:58,900

be his as a friend or however you would

839

00:39:08,309 --> 00:39:03,339

yeah whatever to call that um no I have

840

00:39:10,769 --> 00:39:08,319

a theory on it of course I have a

841

00:39:13,649 --> 00:39:10,779

half-brother who's ten years older

842

00:39:17,609 --> 00:39:13,659

so when I was four he was 14 he was

843

00:39:19,699 --> 00:39:17,619

having a lot of minerals or the purity

844

00:39:25,109 --> 00:39:19,709

problems he was just a very unhappy kid

845

00:39:27,479 --> 00:39:25,119

very smart but he had nightmares of

846

00:39:31,739 --> 00:39:27,489

three little guys he named Mulholland

847

00:39:36,089 --> 00:39:31,749

Powell in the same year very creative

848

00:39:39,239 --> 00:39:36,099

very creative and he was so dangerous

849

00:39:41,399 --> 00:39:39,249

that in the daytime he was so scared of

850

00:39:43,769 --> 00:39:41,409

these guys they were it was a recurring

851
00:39:46,380 --> 00:39:43,779
nightmare that my mother said don't go

852
00:39:48,929 --> 00:39:46,390
in Norman's room he's got a baseball bat

853
00:39:52,079 --> 00:39:48,939
and a knife and was we were actually

854
00:39:55,109 --> 00:39:52,089
afraid of him for a while but he was

855
00:39:58,169 --> 00:39:55,119
scared am Ojo and pole and my experience

856
00:39:59,609 --> 00:39:58,179
that maybe a saucer went over and so

857
00:40:02,669 --> 00:39:59,619
well there's two little kids down there

858
00:40:05,219 --> 00:40:02,679
for our get to know a human program they

859
00:40:08,099 --> 00:40:05,229
tried my brother and he wasn't a good he

860
00:40:09,479 --> 00:40:08,109
wasn't passing us not a good subject not

861
00:40:11,579 --> 00:40:09,489
a good subject for interplanetary

862
00:40:14,870 --> 00:40:11,589
relations you know you want to put him

863
00:40:18,929 --> 00:40:14,880

in your father's but you still like me

864

00:40:21,739 --> 00:40:18,939

and then well just briefly the same

865

00:40:25,679 --> 00:40:21,749

season I tried with an old guy recently

866

00:40:27,689 --> 00:40:25,689

who said that his cousin saw two little

867

00:40:31,380 --> 00:40:27,699

guy friend in a saucer five miles away

868

00:40:34,079 --> 00:40:31,390

from where I grew up the same year they

869

00:40:36,449 --> 00:40:34,089

got out of their saucer they put water

870

00:40:38,399 --> 00:40:36,459

in a vessel from a stream this his

871

00:40:41,399 --> 00:40:38,409

cousin was bailing hay out in the field

872

00:40:43,349 --> 00:40:41,409

they put water in the vessel and they

873

00:40:45,289 --> 00:40:43,359

got back in the saucer and flew away and

874

00:40:48,689 --> 00:40:45,299

he said his cousin was so afraid of

875

00:40:51,390 --> 00:40:48,699

community laughter and derision he never

876

00:40:55,169 --> 00:40:51,400

told anybody but just this one okay I

877

00:40:58,259 --> 00:40:55,179

talked to and so that was like strange

878

00:41:01,289 --> 00:40:58,269

confirmation or near confirmation 60

879

00:41:03,689 --> 00:41:01,299

years later he add this we were talking

880

00:41:06,359 --> 00:41:03,699

about UFOs me in this old guy who just

881

00:41:09,779 --> 00:41:06,369

what he knew my brother is right he go

882

00:41:12,719 --> 00:41:09,789

into my driveway but they're saying

883

00:41:16,890 --> 00:41:12,729

senior there was a foster landing five

884

00:41:19,319 --> 00:41:16,900

miles away what your Europe you you have

885

00:41:21,449 --> 00:41:19,329

a wealth of information on all this and

886

00:41:22,690 --> 00:41:21,459

and that's why I think I've always kind

887

00:41:27,440 --> 00:41:22,700

of

888

00:41:29,240 --> 00:41:27,450

appreciate it the way you attack this if

889

00:41:31,670 --> 00:41:29,250

that's the right word because you know

890

00:41:34,460 --> 00:41:31,680

most people are who are like pie in the

891

00:41:38,060 --> 00:41:34,470

sky new-age bliss bunnies i call them

892

00:41:42,740 --> 00:41:38,070

you know what what do you call them

893

00:41:45,470 --> 00:41:42,750

bliss many if I Carlin was that's it but

894

00:41:47,360 --> 00:41:45,480

it was affected with affection yeah okay

895

00:41:49,760 --> 00:41:47,370

well mine isn't quite so much affection

896

00:41:51,830 --> 00:41:49,770

but no no I've had listen I've had the

897

00:41:54,470 --> 00:41:51,840

lady friends who are really deepen right

898

00:41:56,450 --> 00:41:54,480

now I tolerate I talk I tolerate almost

899

00:41:59,870 --> 00:41:56,460

anything to be honest with you but now

900

00:42:02,450 --> 00:41:59,880

gone with your accomplice of me yes my

901
00:42:04,100 --> 00:42:02,460
feet are more firmly you know it's kind

902
00:42:05,330 --> 00:42:04,110
of interesting because people see all

903
00:42:07,850 --> 00:42:05,340
the books that I've published and it's

904
00:42:09,590 --> 00:42:07,860
well over 200 two titles now and and

905
00:42:11,570 --> 00:42:09,600
think that I'm some wild fanatic who

906
00:42:14,720 --> 00:42:11,580
believes everything and I have to tell

907
00:42:16,880 --> 00:42:14,730
them to slow down because if anything

908
00:42:19,850 --> 00:42:16,890
I'm a little bit i'm either a fence

909
00:42:22,600 --> 00:42:19,860
center or I'm you know a prone to be a

910
00:42:25,550 --> 00:42:22,610
little bit more conservative by a UFO

911
00:42:27,680 --> 00:42:25,560
thinking because I don't know anybody

912
00:42:30,140 --> 00:42:27,690
you know this is a field UFOs being

913
00:42:32,510 --> 00:42:30,150

unidentified flying object you you can

914

00:42:34,910 --> 00:42:32,520

believe anything you want about them and

915

00:42:38,510 --> 00:42:34,920

chances are have what you believe is

916

00:42:41,420 --> 00:42:38,520

true yeah yeah I you know I know exactly

917

00:42:45,890 --> 00:42:41,430

where you're coming from and so as you

918

00:42:48,050 --> 00:42:45,900

were saying about me um yeah I have a

919

00:42:51,740 --> 00:42:48,060

little different attitude than a lot of

920

00:42:53,810 --> 00:42:51,750

New Agers and yet i'm not a skeptic i'm

921

00:42:56,540 --> 00:42:53,820

certainly not as good but i try to I've

922

00:42:59,570 --> 00:42:56,550

tried to piece it together I give the

923

00:43:01,760 --> 00:42:59,580

messages that try this once given and I

924

00:43:04,790 --> 00:43:01,770

I can't the old boy I'm not terribly

925

00:43:06,860 --> 00:43:04,800

serious about I mean he's not and he

926
00:43:10,580 --> 00:43:06,870
doesn't want to be an ascended master or

927
00:43:13,040 --> 00:43:10,590
or or a commander I always bristle a

928
00:43:16,520 --> 00:43:13,050
little bit at military titles for these

929
00:43:19,250 --> 00:43:16,530
peoples beings I Titus doesn't like that

930
00:43:22,460 --> 00:43:19,260
but then again you see he comes he

931
00:43:25,940 --> 00:43:22,470
reflects me I'm a bit of a level so i

932
00:43:28,700 --> 00:43:25,950
don't know but i like your attitude to

933
00:43:32,300 --> 00:43:28,710
tim i respect it and i'm a little

934
00:43:34,960 --> 00:43:32,310
different but I'm not we we have this

935
00:43:38,010 --> 00:43:34,970
room for everybody

936
00:43:42,730 --> 00:43:38,020
in this field isn't that right angel

937
00:43:46,450 --> 00:43:42,740
angel is that isn't that right Carla

938
00:43:49,600 --> 00:43:46,460

that is right Oh cousin said that

939

00:43:52,000 --> 00:43:49,610

doesn't sound like Carla Carla hold on

940

00:43:55,750 --> 00:43:52,010

let me uh let me feminized my voice here

941

00:43:59,170 --> 00:43:55,760

a little bit okay that is really okay

942

00:44:00,700 --> 00:43:59,180

okay banjo yeah that's all right that

943

00:44:05,290 --> 00:44:00,710

that's for the funny show that we do on

944

00:44:09,640 --> 00:44:05,300

Wednesday night yeah okay so from from

945

00:44:12,400 --> 00:44:09,650

how long were you in Ireland ibis there

946

00:44:15,610 --> 00:44:12,410

five years and you speak with it can you

947

00:44:18,700 --> 00:44:15,620

speak with an Irish accent no but I

948

00:44:20,830 --> 00:44:18,710

studied the Irish language and it comes

949

00:44:23,560 --> 00:44:20,840

that's a hard language but you know that

950

00:44:25,750 --> 00:44:23,570

they have armed like the sword of light

951

00:44:30,190 --> 00:44:25,760

you might have a word for this isn't

952

00:44:32,650 --> 00:44:30,200

exact but this is a example is something

953

00:44:35,920 --> 00:44:32,660

like writing has one level of meaning

954

00:44:38,520 --> 00:44:35,930

and then there's the sword of light on a

955

00:44:42,820 --> 00:44:38,530

deeper level but it's the same word and

956

00:44:45,940 --> 00:44:42,830

it's just a crazy language very hard to

957

00:44:49,390 --> 00:44:45,950

learn did did Titus visit you were when

958

00:44:51,340 --> 00:44:49,400

you were in Ireland why he was he sure

959

00:44:54,280 --> 00:44:51,350

to have a lot i had an old word

960

00:44:56,590 --> 00:44:54,290

processor that drove me nuts and had an

961

00:44:59,350 --> 00:44:56,600

old cabin oh i did take some amazing

962

00:45:02,110 --> 00:44:59,360

photos in ireland of my part I call my

963

00:45:04,960 --> 00:45:02,120

flying gummy bear in that all that's

964

00:45:06,790 --> 00:45:04,970

that's a good that's a great photo oh it

965

00:45:10,870 --> 00:45:06,800

is where nobody's ever debunked it

966

00:45:15,160 --> 00:45:10,880

either I defy anybody to debunk fencing

967

00:45:17,380 --> 00:45:15,170

I took it on a camera to cross 15 points

968

00:45:21,550 --> 00:45:17,390

which was you know like twenty dollars

969

00:45:24,070 --> 00:45:21,560

or something a cheap camera and my cat

970

00:45:26,980 --> 00:45:24,080

is in the picture and yeah it is again

971

00:45:28,870 --> 00:45:26,990

also there's the second frame and the

972

00:45:31,180 --> 00:45:28,880

life-form has changed from the flying

973

00:45:33,840 --> 00:45:31,190

gummy bear into a disc shape into a kind

974

00:45:37,480 --> 00:45:33,850

of a gobby disc shape so it changed and

975

00:45:40,720 --> 00:45:37,490

there's a second frame so it isn't right

976

00:45:43,360 --> 00:45:40,730

of be sitting on the camera it just

977

00:45:46,060 --> 00:45:43,370

isn't yeah we're going to have a fellow

978

00:45:48,970 --> 00:45:46,070

on the program in a couple of weeks

979

00:45:50,950 --> 00:45:48,980

maybe next week even he's written a book

980

00:45:53,109 --> 00:45:50,960

I don't know the exact title his name is

981

00:45:55,690 --> 00:45:53,119

Chris let's just call it food of the

982

00:46:00,240 --> 00:45:55,700

gods it's like the interrelationship

983

00:46:04,840 --> 00:46:00,250

between food and liquids and aliens and

984

00:46:07,450 --> 00:46:04,850

bigfoot and fairies okay yeah it's

985

00:46:12,460 --> 00:46:07,460

different I obvious and he's got a book

986

00:46:14,500 --> 00:46:12,470

that just came out on it huh sounds

987

00:46:16,510 --> 00:46:14,510

interesting yeah it is i'm looking

988

00:46:18,520 --> 00:46:16,520

forward to speaking with me I just had

989

00:46:21,300 --> 00:46:18,530

the book published it's only been out

990

00:46:24,099 --> 00:46:21,310

for a few days and so you know it'll be

991

00:46:26,980 --> 00:46:24,109

coming up because we like to get people

992

00:46:29,200 --> 00:46:26,990

on the show here who are not overexposed

993

00:46:31,120 --> 00:46:29,210

we want to hear you know I want to get

994

00:46:33,460 --> 00:46:31,130

people on whose stories that I want to

995

00:46:36,760 --> 00:46:33,470

hear that i can I can learn something

996

00:46:38,800 --> 00:46:36,770

from their relating their experiences to

997

00:46:40,750 --> 00:46:38,810

me and some of the regulars there all

998

00:46:44,170 --> 00:46:40,760

right you know but we've heard it you

999

00:46:46,270 --> 00:46:44,180

know 50 times and so let's move on and

1000

00:46:49,210 --> 00:46:46,280

talk about something that you know more

1001
00:46:52,390 --> 00:46:49,220
you know realistic but speaking of

1002
00:46:54,640 --> 00:46:52,400
realistic you from I remember you you

1003
00:46:58,180 --> 00:46:54,650
moved it at that point from Ireland to

1004
00:47:01,090 --> 00:46:58,190
Joshua Tree yes I did that and you took

1005
00:47:04,090 --> 00:47:01,100
your cats with you oh I thought I came

1006
00:47:06,340 --> 00:47:04,100
back into the states with 15 cats and a

1007
00:47:09,400 --> 00:47:06,350
st. Bernard and a big golden Labrador

1008
00:47:11,740 --> 00:47:09,410
and it was before nine eleven I never

1009
00:47:13,990 --> 00:47:11,750
would have made it to JFK you were

1010
00:47:17,740 --> 00:47:14,000
waiting trim on the other side oh you

1011
00:47:19,510 --> 00:47:17,750
ask I guess with your prose all that but

1012
00:47:23,620 --> 00:47:19,520
they just let they just laughed me

1013
00:47:28,359 --> 00:47:23,630

through the customs a director didn't

1014

00:47:30,790 --> 00:47:28,369

want anything to do as I was waiting on

1015

00:47:33,580 --> 00:47:30,800

the other side you had rented a van or

1016

00:47:35,200 --> 00:47:33,590

something and then you then your

1017

00:47:37,690 --> 00:47:35,210

daughter came in and met me I don't

1018

00:47:39,099 --> 00:47:37,700

think the day or two later or something

1019

00:47:40,210 --> 00:47:39,109

because I know she wasn't with you or

1020

00:47:42,040 --> 00:47:40,220

maybe she hung out with me i don't

1021

00:47:45,370 --> 00:47:42,050

remember that's quite a while ago but

1022

00:47:48,330 --> 00:47:45,380

you have had a much i was manoj is that

1023

00:47:52,720 --> 00:47:48,340

the right word I menagerie a menagerie

1024

00:47:56,040 --> 00:47:52,730

actually that's the word oh but just

1025

00:47:58,390 --> 00:47:56,050

don't just on ended in at wha and you I

1026
00:48:01,839 --> 00:47:58,400
got off on the wrong guy I was thinking

1027
00:48:04,970 --> 00:48:01,849
the wrong person so yes

1028
00:48:08,930 --> 00:48:04,980
well I might have had a ménage i mighta

1029
00:48:12,740 --> 00:48:08,940
had a ménage with my guess but I really

1030
00:48:14,539 --> 00:48:12,750
I've ever 11 old hoochie had who was

1031
00:48:18,490 --> 00:48:14,549
just a favorite of mine although

1032
00:48:21,950 --> 00:48:18,500
sometimes he got on my case was a Ripley

1033
00:48:24,049 --> 00:48:21,960
Ripley the Sheep no idea although he

1034
00:48:26,630 --> 00:48:24,059
does what I you know I was thinking of

1035
00:48:28,460 --> 00:48:26,640
him the other just the other day uh you

1036
00:48:31,160 --> 00:48:28,470
know that he if he's up in doggie heaven

1037
00:48:35,529 --> 00:48:31,170
or something like I'm sure he is rolling

1038
00:48:38,630 --> 00:48:35,539

around and ready to bite my ankles

1039

00:48:41,930 --> 00:48:38,640

together so well referee went to

1040

00:48:46,339 --> 00:48:41,940

Amsterdam with me and he died there it's

1041

00:48:48,259 --> 00:48:46,349

but yeah he he was a great old dog he

1042

00:48:50,809 --> 00:48:48,269

used to talk in the back of the car you

1043

00:48:54,109 --> 00:48:50,819

go people relax cuz it looks like he was

1044

00:48:57,190 --> 00:48:54,119

talking he would slap his jaw and people

1045

00:48:59,930 --> 00:48:57,200

in other cars were like laughing at us

1046

00:49:01,910 --> 00:48:59,940

well he was here he was a he was he was

1047

00:49:05,359 --> 00:49:01,920

a character but you you certainly

1048

00:49:06,890 --> 00:49:05,369

haven't treated your animals well and I

1049

00:49:08,630 --> 00:49:06,900

was asking you the other day if any of

1050

00:49:11,359 --> 00:49:08,640

them were still you know living from

1051
00:49:14,390 --> 00:49:11,369
joshua tree and on you said no that they

1052
00:49:17,299 --> 00:49:14,400
weren't right but i do have a virtual

1053
00:49:19,999 --> 00:49:17,309
cat sanctuary here because i have 10

1054
00:49:22,609 --> 00:49:20,009
acres and a big barn and a big old

1055
00:49:25,249 --> 00:49:22,619
farmhouse it doesn't vary fan isn't

1056
00:49:27,559 --> 00:49:25,259
worth much of anything else and there

1057
00:49:30,079 --> 00:49:27,569
isn't an animal shelter in this county

1058
00:49:34,579 --> 00:49:30,089
in iowa it's a big farming corporate

1059
00:49:37,099 --> 00:49:34,589
farming county and so the cats releases

1060
00:49:40,160 --> 00:49:37,109
just feels like in winter it's really

1061
00:49:42,319 --> 00:49:40,170
brutal and there used to be family farms

1062
00:49:45,019 --> 00:49:42,329
that had passed and maybe would give a

1063
00:49:46,670 --> 00:49:45,029

melt from the cows or but now the family

1064

00:49:49,460 --> 00:49:46,680

farms really don't exist it's our

1065

00:49:52,370 --> 00:49:49,470

corporate and I've you know feral cats

1066

00:49:56,329 --> 00:49:52,380

have become my best friends and one of

1067

00:49:59,599 --> 00:49:56,339

them is my office can i got over 70 cats

1068

00:50:02,599 --> 00:49:59,609

here on 10 acres and I always I'm always

1069

00:50:04,460 --> 00:50:02,609

looking for donations quite frankly

1070

00:50:06,769 --> 00:50:04,470

because it's a lie I mean they're in

1071

00:50:11,150 --> 00:50:06,779

good health they get vaccinations good

1072

00:50:13,690 --> 00:50:11,160

food and but it's I you know I wanted to

1073

00:50:17,140 --> 00:50:13,700

give back to the animal I have to

1074

00:50:19,420 --> 00:50:17,150

dogs you said pan but that kind of found

1075

00:50:21,610 --> 00:50:19,430

homes for most of them but they were my

1076

00:50:24,460 --> 00:50:21,620

only friends in childhood I did have

1077

00:50:26,620 --> 00:50:24,470

invincible they weren't friends they

1078

00:50:28,830 --> 00:50:26,630

were just a presence on when I was seven

1079

00:50:31,780 --> 00:50:28,840

or eight I called them the remembers and

1080

00:50:34,990 --> 00:50:31,790

but outside the ad I was kind of a

1081

00:50:38,290 --> 00:50:35,000

lonely kid because they just weren't any

1082

00:50:40,270 --> 00:50:38,300

other kids around on the farm and the

1083

00:50:42,340 --> 00:50:40,280

cats and dogs for my friends and I

1084

00:50:45,400 --> 00:50:42,350

didn't want to just buy this place and

1085

00:50:47,920 --> 00:50:45,410

not do something good with it I didn't

1086

00:50:51,130 --> 00:50:47,930

want to just walk around 10 acres so I

1087

00:50:54,940 --> 00:50:51,140

if they come they can if they shall calm

1088

00:50:57,070 --> 00:50:54,950

they can stay as far as well I know I

1089

00:50:59,380 --> 00:50:57,080

know even though it didn't the local

1090

00:51:01,810 --> 00:50:59,390

newspaper do an article about you and

1091

00:51:04,120 --> 00:51:01,820

there's a one of the dogs at all and

1092

00:51:07,300 --> 00:51:04,130

they did here for a while the old German

1093

00:51:12,520 --> 00:51:07,310

Shepherd yes he's not with us anymore he

1094

00:51:16,030 --> 00:51:12,530

was old when I took him in but also i've

1095

00:51:18,820 --> 00:51:16,040

been on the local TV station my dog can

1096

00:51:20,890 --> 00:51:18,830

and I Burke out against dog fighting

1097

00:51:23,620 --> 00:51:20,900

because she was used as bait in a dog

1098

00:51:25,990 --> 00:51:23,630

fighting ring before I adopted her I

1099

00:51:29,260 --> 00:51:26,000

have a friend who does a Rottweiler

1100

00:51:31,390 --> 00:51:29,270

Rescue Service kalyani that's chris

1101

00:51:34,450 --> 00:51:31,400

Christie we've known for a long time

1102

00:51:36,340 --> 00:51:34,460

anyway where we're coming up on the oh

1103

00:51:39,100 --> 00:51:36,350

and I guess seven or eight minutes here

1104

00:51:41,110 --> 00:51:39,110

so Diane tell it now you've written the

1105

00:51:45,010 --> 00:51:41,120

course I published a couple of your your

1106

00:51:48,910 --> 00:51:45,020

books yet my favorite is passport to

1107

00:51:50,560 --> 00:51:48,920

heaven I internet Brock yeah that tells

1108

00:51:52,990 --> 00:51:50,570

about people who have had experience of

1109

00:51:57,160 --> 00:51:53,000

seeing loved ones either emerging from

1110

00:52:00,550 --> 00:51:57,170

UFOs or somehow associated with aliens

1111

00:52:03,430 --> 00:52:00,560

and half of it and I wrote half of it

1112

00:52:06,490 --> 00:52:03,440

yeah and I guess technically it was in

1113

00:52:08,650 --> 00:52:06,500

print until my my storage if Edmund had

1114

00:52:10,660 --> 00:52:08,660

all these books the weather got to it

1115

00:52:13,210 --> 00:52:10,670

the flood got to it the rats got to it

1116

00:52:14,380 --> 00:52:13,220

and frankly I mean book sales have

1117

00:52:16,780 --> 00:52:14,390

changed you know where you can sell

1118

00:52:20,230 --> 00:52:16,790

hundreds of books before you put it on

1119

00:52:22,870 --> 00:52:20,240

the you know amazon and you know pray to

1120

00:52:25,550 --> 00:52:22,880

the the gods that you know somebody you

1121

00:52:29,510 --> 00:52:25,560

know what I exactly a hard time

1122

00:52:32,990 --> 00:52:29,520

yeah for Eddie anyway you have a reprint

1123

00:52:36,080 --> 00:52:33,000

of the transformation is your original

1124

00:52:39,470 --> 00:52:36,090

your original UFO experiences and your

1125

00:52:42,410 --> 00:52:39,480

nation know that I business right my

1126
00:52:44,120 --> 00:52:42,420
main reasons of titles and then my first

1127
00:52:46,610 --> 00:52:44,130
channeling and many people say that's

1128
00:52:49,310 --> 00:52:46,620
their favorite book and it makes them

1129
00:52:51,290 --> 00:52:49,320
cry but that's that's a good thing I

1130
00:52:53,270 --> 00:52:51,300
guess but it's that I always I always

1131
00:52:56,270 --> 00:52:53,280
liked that book because there's a

1132
00:52:59,720 --> 00:52:56,280
photograph of you standing next to a

1133
00:53:01,100 --> 00:52:59,730
stuffed alien with antennae on its head

1134
00:53:05,750 --> 00:53:01,110
that somebody had left on the front

1135
00:53:09,200 --> 00:53:05,760
porch in a sec it's easy call home BP

1136
00:53:11,630 --> 00:53:09,210
became my identity Oh gone home yeah

1137
00:53:13,130 --> 00:53:11,640
yeah yeah because at that at that point

1138
00:53:16,910 --> 00:53:13,140

I think we were getting a little bit too

1139

00:53:18,350 --> 00:53:16,920

much local publicity and many others in

1140

00:53:22,160 --> 00:53:18,360

our I think there was an article in the

1141

00:53:24,530 --> 00:53:22,170

paper I had come yes it was I am yes I

1142

00:53:26,300 --> 00:53:24,540

was a bit upset at the thai kind of

1143

00:53:28,640 --> 00:53:26,310

scared almost at the time because I said

1144

00:53:31,490 --> 00:53:28,650

who would do they was on my doorstep it

1145

00:53:34,550 --> 00:53:31,500

was kind of but looking back on it life

1146

00:53:36,470 --> 00:53:34,560

haha yeah I I think that was where I

1147

00:53:38,600 --> 00:53:36,480

think that was kind of hysterical I mean

1148

00:53:41,000 --> 00:53:38,610

I don't think it was I've had worse I've

1149

00:53:42,920 --> 00:53:41,010

certainly have worse frights then than

1150

00:53:44,600 --> 00:53:42,930

that okay and you have a new book that I

1151
00:53:46,340 --> 00:53:44,610
haven't even seen because you didn't

1152
00:53:49,250 --> 00:53:46,350
send me a topic it's called you are for

1153
00:53:54,620 --> 00:53:49,260
agenda do you want to know the truth yes

1154
00:53:56,690 --> 00:53:54,630
and that is me I say that's how do I say

1155
00:53:59,810 --> 00:53:56,700
this its private channeling media I

1156
00:54:02,570 --> 00:53:59,820
decided to say in joking it's a little

1157
00:54:06,200 --> 00:54:02,580
different in science speculation about

1158
00:54:11,240 --> 00:54:06,210
it's got the 10 most likely sources of

1159
00:54:14,560 --> 00:54:11,250
UFO occupants Dark Matter plasma future

1160
00:54:17,870 --> 00:54:14,570
humans dimensional other-dimensional

1161
00:54:20,870 --> 00:54:17,880
anyway I listed 10 and not the only 10

1162
00:54:24,470 --> 00:54:20,880
sources but it's got all sorts of crazy

1163
00:54:27,920 --> 00:54:24,480

thoughts in it far out you know are they

1164

00:54:29,630 --> 00:54:27,930

is it is this your science book I would

1165

00:54:32,330 --> 00:54:29,640

call up my science book but I'm sure as

1166

00:54:34,670 --> 00:54:32,340

scientists would say it's not very

1167

00:54:36,440 --> 00:54:34,680

scientific it's a sign it's almost

1168

00:54:39,290 --> 00:54:36,450

science fiction only at science

1169

00:54:42,770 --> 00:54:39,300

speculation there's no story to it it's

1170

00:54:44,630 --> 00:54:42,780

it's you know what if humans do manage

1171

00:54:48,620 --> 00:54:44,640

to time travel then they'd be coming

1172

00:54:50,690 --> 00:54:48,630

back to us and anyway it's things like

1173

00:54:54,020 --> 00:54:50,700

that and then reasons why maybe that

1174

00:54:56,240 --> 00:54:54,030

might be well next time you come on and

1175

00:54:59,420 --> 00:54:56,250

you will be back on again I assure you

1176
00:55:02,780 --> 00:54:59,430
that we need to talk about the captain

1177
00:55:04,670 --> 00:55:02,790
kirk and Star Trek talk about that any

1178
00:55:07,430 --> 00:55:04,680
day yeah yeah because I know that I

1179
00:55:10,430 --> 00:55:07,440
you're you're you're a more than just a

1180
00:55:13,360 --> 00:55:10,440
fan of the the show I mean but it's a

1181
00:55:16,520 --> 00:55:13,370
little bit too deep to get into at the

1182
00:55:18,410 --> 00:55:16,530
moment right but we could just teach

1183
00:55:19,940 --> 00:55:18,420
them and say that there was a

1184
00:55:22,340 --> 00:55:19,950
possibility that some of these

1185
00:55:24,860 --> 00:55:22,350
characters were more than just

1186
00:55:27,860 --> 00:55:24,870
characters on a TV show well I don't

1187
00:55:32,000 --> 00:55:27,870
yeah i think the Star Trek was an

1188
00:55:34,370 --> 00:55:32,010

implanted vision and that the characters

1189

00:55:37,910 --> 00:55:34,380

wouldn't be exactly like on the TV show

1190

00:55:39,530 --> 00:55:37,920

but just to give us the idea that we

1191

00:55:41,650 --> 00:55:39,540

could be out there in the galaxy and

1192

00:55:44,480 --> 00:55:41,660

maybe we are in some maybe our

1193

00:55:46,540 --> 00:55:44,490

grandchildren are but not just

1194

00:55:49,040 --> 00:55:46,550

grandchildren it's more of a matter of

1195

00:55:51,650 --> 00:55:49,050

evolving our consciousness so that we

1196

00:55:53,600 --> 00:55:51,660

actually one of my brother's things is

1197

00:55:56,060 --> 00:55:53,610

that I think we're on the threshold of

1198

00:55:59,690 --> 00:55:56,070

becoming a new species I think Homo

1199

00:56:02,480 --> 00:55:59,700

sapiens is not the end of our line and I

1200

00:56:05,210 --> 00:56:02,490

heard Clyde Lewis did a host show on

1201
00:56:08,510 --> 00:56:05,220
that the other night to new species of

1202
00:56:10,760 --> 00:56:08,520
aliens and humans the hybrids anyway

1203
00:56:13,580 --> 00:56:10,770
Diane I want to thank you for coming on

1204
00:56:15,170 --> 00:56:13,590
are you doing it yeah well we've got we

1205
00:56:18,410 --> 00:56:15,180
got off to a grand start we haven't

1206
00:56:20,960 --> 00:56:18,420
talked in a while and so we we put this

1207
00:56:24,290 --> 00:56:20,970
all in front of the the public and how

1208
00:56:29,500 --> 00:56:24,300
do people get in touch with you I'm

1209
00:56:31,970 --> 00:56:29,510
online at Diane Testament 0 @ gmail.com

1210
00:56:35,330 --> 00:56:31,980
Diane has been all written together in

1211
00:56:40,010 --> 00:56:35,340
little letters and then zero dot com I

1212
00:56:43,550 --> 00:56:40,020
have a lovely website wws change

1213
00:56:45,830 --> 00:56:43,560

predictions calm I got a lot of

1214

00:56:49,400 --> 00:56:45,840

compliments on it if a friend designed

1215

00:56:52,549 --> 00:56:49,410

it it's rather unique and if they would

1216

00:56:55,249 --> 00:56:52,559

want to order the transformation or you

1217

00:56:57,679 --> 00:56:55,259

for agenda for me in paper for my

1218

00:57:04,519 --> 00:56:57,689

00:57:12,289 --> 00:57:09,150

well again they can go to my postings on

1221

00:57:13,969 --> 00:57:12,299

facebook and I know I must have posted

1222

00:57:16,999 --> 00:57:13,979

the announcement about tonight's show

1223

00:57:19,789 --> 00:57:17,009

probably on 50 different sites on

1224

00:57:22,400 --> 00:57:19,799

facebook like I do every week and they

1225

00:57:23,809 --> 00:57:22,410

could find all this information and look

1226

00:57:27,079 --> 00:57:23,819

at the photographs of you and your cat

1227

00:57:29,209 --> 00:57:27,089

and look at photo of you and and I wanna

1228

00:57:31,759 --> 00:57:29,219

thank you for being on tonight and we

1229

00:57:34,039 --> 00:57:31,769

will we will do this again and thank you

1230

00:57:37,160 --> 00:57:34,049

for being the lovely person that you are

1231

00:57:40,249 --> 00:57:37,170

and yes take it take take take it away

1232

00:57:47,239 --> 00:57:40,259

their st. ansgar okay all right all

1233

00:57:49,880 --> 00:57:47,249

right bye for now and angel my god went

1234

00:57:52,009 --> 00:57:49,890

back well what an integer that what what

1235

00:57:54,439 --> 00:57:52,019

an interview that was with Diana Tessman

1236

00:57:58,599 --> 00:57:54,449

we learned all about her travels around

1237

00:58:02,329 --> 00:57:58,609

the world and her experiences with the

1238

00:58:05,380 --> 00:58:02,339

being known as is Titus I mean she's you

1239

00:58:07,880 --> 00:58:05,390

know she's like one of the few

1240

00:58:10,309 --> 00:58:07,890

channelers and abductee Thai people that

1241

00:58:12,650 --> 00:58:10,319

I can kind of get into because she's

1242

00:58:15,859 --> 00:58:12,660

sensible it's not like her you know her

1243

00:58:18,259 --> 00:58:15,869

mind is out on the clouded niner on some

1244

00:58:20,929 --> 00:58:18,269

other planet it's it's right down here

1245

00:58:24,079 --> 00:58:20,939

but speaking of being right down here

1246

00:58:27,609 --> 00:58:24,089

out in Long Island we have with us my

1247

00:58:29,929 --> 00:58:27,619

favorite psychic Maria d'andrea

1248

00:58:32,779 --> 00:58:29,939

professional psychic who was born in

1249

00:58:36,620 --> 00:58:32,789

Budapest she was born in putted budapest

1250

00:58:38,839 --> 00:58:36,630

hungary and she's demonstrated spiritual

1251

00:58:42,289 --> 00:58:38,849

awareness and psychic ability since

1252

00:58:44,239 --> 00:58:42,299

childhood over her lifetime as a

1253

00:58:46,370 --> 00:58:44,249

an expensive deck of tarot go down and

1273

00:59:36,310 --> 00:59:33,290

spend a dollar to dollar store for a

1274

00:59:39,430 --> 00:59:36,320

packet a regular ordinary cards and

1275

00:59:42,070 --> 00:59:39,440

you're all set right Maria yes you are

1276

00:59:44,500 --> 00:59:42,080

hi how are you thank you so much for

1277

00:59:49,990 --> 00:59:44,510

having me on the show well I would have

1278

00:59:55,150 --> 00:59:50,000

you anywhere I mean whoa all about a

1279

00:59:59,020 --> 00:59:55,160

year ah geez I I usually put my my foot

1280

01:00:01,480 --> 00:59:59,030

in my mouth deep in there are almost it

1281

01:00:03,310 --> 01:00:01,490

there yet uh you know we a water

1282

01:00:06,160 --> 01:00:03,320

underneath squishing your search on

1283

01:00:08,650 --> 01:00:06,170

deepest Keith we always we oh we always

1284

01:00:11,080 --> 01:00:08,660

start at the beginning and you know my

1285

01:00:13,960 --> 01:00:11,090

my grandparents came from hungry as well

1286

01:00:15,790 --> 01:00:13,970

and my grandmother was she had some

1287

01:00:18,460 --> 01:00:15,800

psychic is for the whole family I did

1288

01:00:20,380 --> 01:00:18,470

but she had a she kept a diary which was

1289

01:00:21,910 --> 01:00:20,390

in Hungarian so I couldn't read it about

1290

01:00:24,100 --> 01:00:21,920

some of her dreams and things like that

1291

01:00:26,380 --> 01:00:24,110

and I think I can help you with that

1292

01:00:28,030 --> 01:00:26,390

yeah well I don't have I don't have it

1293

01:00:30,070 --> 01:00:28,040

anymore but one of the day yeah what

1294

01:00:32,560 --> 01:00:30,080

yeah what are two of our books have

1295

01:00:34,990 --> 01:00:32,570

actually been published in Hungarian and

1296

01:00:36,580 --> 01:00:35,000

believing they say they play big

1297

01:00:38,080 --> 01:00:36,590

advances like two or three hundred

1298

01:00:40,030 --> 01:00:38,090

dollars i mean you're going to get a

1299

01:00:42,160 --> 01:00:40,040

hungarian authors must really make a

1300

01:00:45,430 --> 01:00:42,170

living actually today they probably make

1301
01:00:47,470 --> 01:00:45,440
more than american authors do and that

1302
01:00:50,500 --> 01:00:47,480
and that's that's pretty sad anyway

1303
01:00:53,590 --> 01:00:50,510
tight as it maria take it from take it

1304
01:00:56,080 --> 01:00:53,600
from the beginning you escaped from you

1305
01:00:59,620 --> 01:00:56,090
escaped from cheslav chess lavake

1306
01:01:02,650 --> 01:00:59,630
adoring the the communist check came

1307
01:01:04,750 --> 01:01:02,660
over the revolution in hungary goes and

1308
01:01:07,270 --> 01:01:04,760
then we were in austria for about a year

1309
01:01:10,390 --> 01:01:07,280
and then we came to this country and

1310
01:01:11,920 --> 01:01:10,400
it's actually really funny my father you

1311
01:01:14,140 --> 01:01:11,930
know who's passed away my parents have

1312
01:01:17,440 --> 01:01:14,150
passed away a while ago and my father

1313
01:01:19,300 --> 01:01:17,450

was always psychic and then with my

1314

01:01:21,640 --> 01:01:19,310

mother both my grandpa

1315

01:01:23,590 --> 01:01:21,650

parents with trans medium it skipped

1316

01:01:25,480 --> 01:01:23,600

hard but she was just you know inter

1317

01:01:28,570 --> 01:01:25,490

herbs but you know everybody in Europe

1318

01:01:31,990 --> 01:01:28,580

is into herbs and then both my sons are

1319

01:01:34,750 --> 01:01:32,000

psychic so it wait honey we believe

1320

01:01:36,490 --> 01:01:34,760

everybody is so let me let me stop you

1321

01:01:38,860 --> 01:01:36,500

there a minute when you say trance

1322

01:01:40,240 --> 01:01:38,870

mediums when what does that were they

1323

01:01:42,400 --> 01:01:40,250

physical mediums that they have

1324

01:01:44,770 --> 01:01:42,410

ectoplasm of forming in the room and

1325

01:01:48,100 --> 01:01:44,780

tables tipping and levitating and all of

1326

01:01:49,900 --> 01:01:48,110

that no trance medium just means that

1327

01:01:53,950 --> 01:01:49,910

you're getting your stuff out of the way

1328

01:01:56,740 --> 01:01:53,960

for spirit to come through you and give

1329

01:01:59,680 --> 01:01:56,750

information using your body as opposed

1330

01:02:01,180 --> 01:01:59,690

to a this informant and example when

1331

01:02:03,520 --> 01:02:01,190

you're working on a different level

1332

01:02:05,470 --> 01:02:03,530

you're getting information from spirit

1333

01:02:07,660 --> 01:02:05,480

is an example psychically you're just

1334

01:02:09,790 --> 01:02:07,670

getting information from your source or

1335

01:02:12,220 --> 01:02:09,800

some spirit or wherever you're tuned

1336

01:02:13,900 --> 01:02:12,230

into an appositive level and you're

1337

01:02:16,060 --> 01:02:13,910

passing on information where you're one

1338

01:02:18,160 --> 01:02:16,070

hundred percent aware and you are you

1339

01:02:20,680 --> 01:02:18,170

one hundred percent in control you're

1340

01:02:24,100 --> 01:02:20,690

not allowing anything to come through

1341

01:02:26,770 --> 01:02:24,110

you you know I find I've done trans

1342

01:02:29,110 --> 01:02:26,780

medium work but I honestly try to stay

1343

01:02:31,420 --> 01:02:29,120

away from it because unfortunately I

1344

01:02:33,490 --> 01:02:31,430

Melia or some one of those people where

1345

01:02:37,960 --> 01:02:33,500

I don't like to keep up on the person

1346

01:02:42,400 --> 01:02:37,970

control it so this way when i get

1347

01:02:45,340 --> 01:02:42,410

psychic information you know i'm getting

1348

01:02:48,130 --> 01:02:45,350

it from my source and like i do believe

1349

01:02:50,170 --> 01:02:48,140

in divine power so it's like tuning into

1350

01:02:52,150 --> 01:02:50,180

a source for information to be able to

1351

01:02:55,810 --> 01:02:52,160

pass it on but it's not literally

1352

01:02:58,290 --> 01:02:55,820

stewart taking over my body you're

1353

01:03:00,970 --> 01:02:58,300

you're one of your models is due only

1354

01:03:04,450 --> 01:03:00,980

positive what what exactly do you mean

1355

01:03:06,010 --> 01:03:04,460

by that well first of all i'm a shaman

1356

01:03:08,710 --> 01:03:06,020

through europe and i'm also an

1357

01:03:10,540 --> 01:03:08,720

interfaith minister and i truly believe

1358

01:03:13,090 --> 01:03:10,550

that whatever you put out good better

1359

01:03:15,640 --> 01:03:13,100

and different always comes back to you

1360

01:03:18,520 --> 01:03:15,650

so i am a very strong believer and only

1361

01:03:20,440 --> 01:03:18,530

doing positive work whether it's go to

1362

01:03:22,300 --> 01:03:20,450

work or anything personal in your life

1363

01:03:27,460 --> 01:03:22,310

like oh I don't know unimportant things

1364

01:03:30,520 --> 01:03:27,470

like ethics so I really feel that even

1365

01:03:33,070 --> 01:03:30,530

when I teach classes I speech I teach

1366

01:03:35,770 --> 01:03:33,080

you know spiritual metaphysical psych

1367

01:03:38,410 --> 01:03:35,780

paranormal classes I only teach the

1368

01:03:40,750 --> 01:03:38,420

positive side because I really feel the

1369

01:03:42,460 --> 01:03:40,760

more people can do for themselves the

1370

01:03:44,500 --> 01:03:42,470

more they can help others and the better

1371

01:03:47,470 --> 01:03:44,510

the world gets so if the only on a

1372

01:03:49,510 --> 01:03:47,480

positive level yeah but let's be

1373

01:03:52,060 --> 01:03:49,520

realistic don't a lot of people that

1374

01:03:53,800 --> 01:03:52,070

want to see a psychic or a gypsy or

1375

01:03:57,160 --> 01:03:53,810

somebody aren't they looking for the

1376

01:03:59,590 --> 01:03:57,170

gris-gris and the black magic yes they

1377

01:04:01,690 --> 01:03:59,600

are this is it but there's always a

1378

01:04:03,420 --> 01:04:01,700

positive way to accomplish just about

1379

01:04:06,460 --> 01:04:03,430

everything if somebody is looking

1380

01:04:07,990 --> 01:04:06,470

literally for negative work they just

1381

01:04:11,530 --> 01:04:08,000

going to have to find somebody other

1382

01:04:13,990 --> 01:04:11,540

than me I don't do- you know and I

1383

01:04:16,210 --> 01:04:14,000

really believe like I said whatever you

1384

01:04:18,910 --> 01:04:16,220

put out comes back but on a positive

1385

01:04:21,400 --> 01:04:18,920

level you can pretty much accomplished

1386

01:04:23,670 --> 01:04:21,410

just about anything so it's totally not

1387

01:04:25,270 --> 01:04:23,680

limited even when you're working

1388

01:04:27,400 --> 01:04:25,280

cyclically people have a

1389

01:04:30,160 --> 01:04:27,410

misunderstanding of it people always

1390

01:04:32,500 --> 01:04:30,170

think with psychic information that it's

1391

01:04:35,140 --> 01:04:32,510

written in stone and I know Tim you've

1392

01:04:37,600 --> 01:04:35,150

heard that one before and it really

1393

01:04:40,390 --> 01:04:37,610

isn't psychic information is really

1394

01:04:42,790 --> 01:04:40,400

meant as a guide so as an example if I'm

1395

01:04:44,950 --> 01:04:42,800

doing the reading what I do is I'm

1396

01:04:47,110 --> 01:04:44,960

telling people something positive if

1397

01:04:49,330 --> 01:04:47,120

they leave their life alone that's

1398

01:04:51,700 --> 01:04:49,340

exactly how it's coming up it's the

1399

01:04:54,460 --> 01:04:51,710

natural path of life if I'm telling them

1400

01:04:56,860 --> 01:04:54,470

something negative it will always tell

1401

01:04:58,960 --> 01:04:56,870

them what caused the negative situation

1402

01:05:01,390 --> 01:04:58,970

and then it will always tell them what

1403

01:05:04,030 --> 01:05:01,400

they can do themselves not me where they

1404

01:05:07,030 --> 01:05:04,040

can do themselves to avoid it improve it

1405

01:05:09,430 --> 01:05:07,040

or change it in some manner so that it's

1406

01:05:11,410 --> 01:05:09,440

a much better situation and then it's

1407

01:05:13,780 --> 01:05:11,420

their free will whether they make the

1408

01:05:15,490 --> 01:05:13,790

change your not if something negative is

1409

01:05:17,890 --> 01:05:15,500

coming up and they have absolutely no

1410

01:05:20,050 --> 01:05:17,900

control at all I would never get the

1411

01:05:21,130 --> 01:05:20,060

information because there's no point you

1412

01:05:23,380 --> 01:05:21,140

know it's not like somebody upstairs

1413

01:05:25,060 --> 01:05:23,390

called haha won't work zip it and

1414

01:05:29,080 --> 01:05:25,070

actually most of my clients are

1415

01:05:32,140 --> 01:05:29,090

businessmen because I like details yeah

1416

01:05:34,240 --> 01:05:32,150

so I think with businessmen visually

1417

01:05:37,090 --> 01:05:34,250

can't afford to play with company money

1418

01:05:39,040 --> 01:05:37,100

thank you that's right you didn't you

1419

01:05:42,940 --> 01:05:39,050

tell me about an experience you had with

1420

01:05:45,190 --> 01:05:42,950

somebody in the military oh yeah I used

1421

01:05:46,240 --> 01:05:45,200

to work with the military I was a

1422

01:05:49,300 --> 01:05:46,250

tracker

1423

01:05:52,930 --> 01:05:49,310

and it was really funny with years ago

1424

01:05:56,290 --> 01:05:52,940

and you know I was hired really to find

1425

01:05:58,840 --> 01:05:56,300

missing objects people and this

1426
01:06:02,380 --> 01:05:58,850
wonderful gentleman that was a captain

1427
01:06:04,750 --> 01:06:02,390
in the army he called me up everybody

1428
01:06:07,150 --> 01:06:04,760
went up for maneuvers in upstate New

1429
01:06:09,580 --> 01:06:07,160
York and they came back and they're

1430
01:06:11,470 --> 01:06:09,590
missing a jeep so he called me up and he

1431
01:06:12,700 --> 01:06:11,480
wanted me to find the Jeep and I said to

1432
01:06:18,100 --> 01:06:12,710
him the first thing I said to him was

1433
01:06:20,440 --> 01:06:18,110
asked the guys where they left it but no

1434
01:06:22,360 --> 01:06:20,450
you know sometimes you're the captain

1435
01:06:25,420 --> 01:06:22,370
really doesn't want to tell people that

1436
01:06:28,570 --> 01:06:25,430
they lost the Jeep so I told him that I

1437
01:06:30,280 --> 01:06:28,580
felt that it was in their armoury so he

1438
01:06:33,070 --> 01:06:30,290

went he checked and he came back and

1439

01:06:35,140 --> 01:06:33,080

called me and he said it wasn't there so

1440

01:06:37,270 --> 01:06:35,150

we just about three months on and off

1441

01:06:39,550 --> 01:06:37,280

for three months I kept sanctum it feels

1442

01:06:41,560 --> 01:06:39,560

to me like it's in the armory and he

1443

01:06:43,660 --> 01:06:41,570

called me back and he go no it isn't and

1444

01:06:46,180 --> 01:06:43,670

then after three months he called me up

1445

01:06:48,640 --> 01:06:46,190

and he apologized because what actually

1446

01:06:52,630 --> 01:06:48,650

happened was when they came back from

1447

01:06:55,540 --> 01:06:52,640

maneuvers the people in beyond me they

1448

01:06:57,280 --> 01:06:55,550

took apart the Jeep to refurbish it so

1449

01:06:59,350 --> 01:06:57,290

it was in the armory the whole time he

1450

01:07:01,420 --> 01:06:59,360

just said it was in little pieces all

1451

01:07:03,070 --> 01:07:01,430

over the place and the reason that they

1452

01:07:04,480 --> 01:07:03,080

found it is because after the three

1453

01:07:09,850 --> 01:07:04,490

months they had it all put back together

1454

01:07:14,290 --> 01:07:09,860

again you never know how it's actually

1455

01:07:16,930 --> 01:07:14,300

going to work how exactly where did you

1456

01:07:19,110 --> 01:07:16,940

become like a word that I mean did you

1457

01:07:21,970 --> 01:07:19,120

have a vision that it comes from reading

1458

01:07:23,740 --> 01:07:21,980

no honestly there's no other way to

1459

01:07:26,520 --> 01:07:23,750

explain it sometimes it's just I just

1460

01:07:29,560 --> 01:07:26,530

know there's no other way to put it it's

1461

01:07:32,740 --> 01:07:29,570

an example somebody will ask a question

1462

01:07:34,570 --> 01:07:32,750

and I'll get them an answer and after I

1463

01:07:38,650 --> 01:07:34,580

give them an answer I go oh how do I do

1464

01:07:41,800 --> 01:07:38,660

that is so it just comes sometimes I get

1465

01:07:45,190 --> 01:07:41,810

clairvoyance which is psychic leasing so

1466

01:07:48,040 --> 01:07:45,200

I'll see people or objects or a map as

1467

01:07:50,470 --> 01:07:48,050

an example sometimes often does that

1468

01:07:52,690 --> 01:07:50,480

happen cuz that how often does that

1469

01:07:56,460 --> 01:07:52,700

happen compared to where you just have a

1470

01:07:59,510 --> 01:07:56,470

vision or just you just know it well

1471

01:08:01,130 --> 01:07:59,520

because I do this full time

1472

01:08:05,210 --> 01:08:01,140

ninety percent of the time it said I

1473

01:08:07,520 --> 01:08:05,220

just know but I do get visions so it

1474

01:08:09,920 --> 01:08:07,530

really depends on the situation I truly

1475

01:08:12,350 --> 01:08:09,930

never know ahead of time how I'm going

1476

01:08:14,180 --> 01:08:12,360

to get the information people always

1477

01:08:16,370 --> 01:08:14,190

assume that if you work in one

1478

01:08:17,750 --> 01:08:16,380

particular modality that's the way

1479

01:08:21,320 --> 01:08:17,760

you're always going to get the

1480

01:08:24,170 --> 01:08:21,330

information but it really isn't it's it

1481

01:08:26,720 --> 01:08:24,180

changes next sometimes I get automatic

1482

01:08:28,309 --> 01:08:26,730

writing sometimes I have different

1483

01:08:31,579 --> 01:08:28,319

experiences like you know I have

1484

01:08:35,660 --> 01:08:31,589

out-of-body experiences or I didn't tell

1485

01:08:40,510 --> 01:08:35,670

a genetic so you know it's a little bit

1486

01:08:42,800 --> 01:08:40,520

different yeah it's different each time

1487

01:08:45,019 --> 01:08:42,810

Carla have you ever had a psychic

1488

01:08:46,970 --> 01:08:45,029

reading I think we lost Carlo again I

1489

01:08:52,309 --> 01:08:46,980

don't know what's going on with her hmm

1490

01:08:54,410 --> 01:08:52,319

ok ok neatly lumpy so you can get a

1491

01:08:55,970 --> 01:08:54,420

record oh but anyway yeah I had a second

1492

01:08:57,590 --> 01:08:55,980

experience actually I lived in a house

1493

01:09:00,559 --> 01:08:57,600

that I had all kind of psychic psychic

1494

01:09:03,590 --> 01:09:00,569

activity true story when we first moved

1495

01:09:06,079 --> 01:09:03,600

to Miami from New Orleans was this

1496

01:09:09,620 --> 01:09:06,089

really old home and I was maybe like

1497

01:09:11,450 --> 01:09:09,630

nine or ten years old and I actually

1498

01:09:13,099 --> 01:09:11,460

seen a couple things happen I saw ki

1499

01:09:16,490 --> 01:09:13,109

slide from one corner of the desk to

1500

01:09:18,740 --> 01:09:16,500

another by themselves I saw the TV turn

1501
01:09:20,420 --> 01:09:18,750
on and off a bunch of times by itself my

1502
01:09:23,000 --> 01:09:20,430
mother and blue really saw a lot of

1503
01:09:24,590 --> 01:09:23,010
activity of the house though I i had a

1504
01:09:26,570 --> 01:09:24,600
like I told me it got so bad that would

1505
01:09:29,720 --> 01:09:26,580
like to left the house after a couple

1506
01:09:33,829 --> 01:09:29,730
months of being there that's why are you

1507
01:09:35,630 --> 01:09:33,839
back with this car yes I am oh I was I

1508
01:09:39,620 --> 01:09:35,640
was asking you have you ever had a

1509
01:09:43,610 --> 01:09:39,630
psychic reading oh yeah several and

1510
01:09:52,849 --> 01:09:43,620
would you say that um that they better

1511
01:09:55,370 --> 01:09:52,859
fit at you um they uh I mean I don't I

1512
01:09:56,870 --> 01:09:55,380
mean I really feel like oh well I don't

1513
01:09:59,120 --> 01:09:56,880

think I've had a psychic reading I had

1514

01:10:02,150 --> 01:09:59,130

to call my courts read well that's a

1515

01:10:03,860 --> 01:10:02,160

second reading yeah my stepmother my

1516

01:10:06,410 --> 01:10:03,870

stepmother does a card reading she read

1517

01:10:08,840 --> 01:10:06,420

my article times it was funny i'm about

1518

01:10:11,240 --> 01:10:08,850

ready eight and a half ten years ago she

1519

01:10:12,740 --> 01:10:11,250

did the first reading for me and I was

1520

01:10:13,070 --> 01:10:12,750

just starting to work at this travel

1521

01:10:15,170 --> 01:10:13,080

agency

1522

01:10:17,540 --> 01:10:15,180

and they had found out about that I had

1523

01:10:18,710 --> 01:10:17,550

to start this new job and it was the

1524

01:10:19,760 --> 01:10:18,720

first time I ever got a reading she

1525

01:10:22,010 --> 01:10:19,770

started going through the cards and she

1526

01:10:23,960 --> 01:10:22,020

goes to me I see you're gonna be leaving

1527

01:10:27,020 --> 01:10:23,970

in a hurry you know pretty soon to go on

1528

01:10:29,360 --> 01:10:27,030

some kind of a trip you know this was

1529

01:10:31,160 --> 01:10:29,370

gonna happen with a trip and sure enough

1530

01:10:33,260 --> 01:10:31,170

about two months later went on the trip

1531

01:10:35,060 --> 01:10:33,270

but then I started thinking to myself

1532

01:10:39,350 --> 01:10:35,070

like wait a second she knows I'm a

1533

01:10:41,060 --> 01:10:39,360

travel agent trip I actually got

1534

01:10:42,380 --> 01:10:41,070

divorced Donna I say I don't think you

1535

01:10:45,110 --> 01:10:42,390

have to be a psychic to know that I was

1536

01:10:46,640 --> 01:10:45,120

eventually gonna go out on a trip to

1537

01:10:49,670 --> 01:10:46,650

realize i was gonna get divorced that's

1538

01:10:51,110 --> 01:10:49,680

how I divorced uh no no nowadays with

1539

01:10:54,530 --> 01:10:51,120

the way that the way the divorce rate is

1540

01:10:56,420 --> 01:10:54,540

you have to be a psychic to know what's

1541

01:11:00,260 --> 01:10:56,430

gonna happen your statistic yeah that's

1542

01:11:01,730 --> 01:11:00,270

my second reading the woman up first she

1543

01:11:03,980 --> 01:11:01,740

was reading my palm and she said blah

1544

01:11:05,330 --> 01:11:03,990

blah bah i see that he's you were dating

1545

01:11:07,130 --> 01:11:05,340

a lot you're trying to settle down I

1546

01:11:08,810 --> 01:11:07,140

said I'm married and she was told she

1547

01:11:10,010 --> 01:11:08,820

was holding the hand with my eyes I said

1548

01:11:15,770 --> 01:11:10,020

you're holding the hand with my ring on

1549

01:11:17,420 --> 01:11:15,780

it she said oh she said I don't at that

1550

01:11:20,660 --> 01:11:17,430

point the reading is over I'm sorry

1551

01:11:23,780 --> 01:11:20,670

that's that's a wrap I'd love tipsy

1552

01:11:25,430 --> 01:11:23,790

flexpay and okay I think you're putting

1553

01:11:27,290 --> 01:11:25,440

something out there that you're asking

1554

01:11:29,270 --> 01:11:27,300

yourself really and I think that you

1555

01:11:32,840 --> 01:11:29,280

kind of resolve it yourself if you're

1556

01:11:36,920 --> 01:11:32,850

kind of open to it i mean i think a lot

1557

01:11:38,840 --> 01:11:36,930

of times like I think somehow your your

1558

01:11:41,930 --> 01:11:38,850

answer your own questions with a psychic

1559

01:11:43,750 --> 01:11:41,940

reading well it depends on the psychic

1560

01:11:46,070 --> 01:11:43,760

it depends of the person actually is

1561

01:11:48,320 --> 01:11:46,080

intuitive or the person is just doing it

1562

01:11:50,540 --> 01:11:48,330

to make money and it's a hoaxer really

1563

01:11:52,700 --> 01:11:50,550

depends i do believe it fortunately we

1564

01:11:55,190 --> 01:11:52,710

have a lot of people in the field that

1565

01:11:56,360 --> 01:11:55,200

are not real there was only about that

1566

01:11:58,340 --> 01:11:56,370

but i think it's a little bit more

1567

01:12:01,100 --> 01:11:58,350

dominant nowadays because of the media

1568

01:12:03,530 --> 01:12:01,110

and everything else that's out there and

1569

01:12:05,390 --> 01:12:03,540

people going to assume that everybody's

1570

01:12:07,850 --> 01:12:05,400

like that i know some wonderful people

1571

01:12:10,970 --> 01:12:07,860

in my field but there were very few of

1572

01:12:13,340 --> 01:12:10,980

them honestly i looked at for years you

1573

01:12:15,620 --> 01:12:13,350

know what one of the biggest names in

1574

01:12:17,330 --> 01:12:15,630

the psychic world was Sophia brown and

1575

01:12:19,580 --> 01:12:17,340

so Gibran turned out to be one of the

1576

01:12:21,920 --> 01:12:19,590

biggest like hoaxers are liars you know

1577

01:12:23,360 --> 01:12:21,930

she's dead now but there was a one time

1578

01:12:24,800 --> 01:12:23,370

that she was on the Montel Williams read

1579

01:12:26,540 --> 01:12:24,810

review we're familiar than she was on a

1580

01:12:28,430 --> 01:12:26,550

show like that yeah

1581

01:12:29,810 --> 01:12:28,440

and she was on the show and she was

1582

01:12:31,280 --> 01:12:29,820

talking to some people in the audience

1583

01:12:32,810 --> 01:12:31,290

as she's tell him about how their son is

1584

01:12:34,760 --> 01:12:32,820

dead because they didn't he was missing

1585

01:12:36,290 --> 01:12:34,770

the North was and she tells him all he's

1586

01:12:38,740 --> 01:12:36,300

dead you know he passed away and he's in

1587

01:12:41,419 --> 01:12:38,750

the river so he goes on and on and on

1588

01:12:42,830 --> 01:12:41,429

the Sun wasn't dead it was a girlfriend

1589

01:12:44,899 --> 01:12:42,840

somewhere he just disappeared for a

1590

01:12:47,240 --> 01:12:44,909

couple weeks yeah well you know somebody

1591

01:12:49,609 --> 01:12:47,250

that removing all the kick wouldn't ever

1592

01:12:51,200 --> 01:12:49,619

have said that even if the situation was

1593

01:12:53,290 --> 01:12:51,210

that they wouldn't afford like that

1594

01:12:55,780 --> 01:12:53,300

because you know what you're sure

1595

01:12:58,760 --> 01:12:55,790

apparently yeah yeah you know what yeah

1596

01:13:00,589 --> 01:12:58,770

yeah but even in private you would never

1597

01:13:03,290 --> 01:13:00,599

say it like that to somebody that's like

1598

01:13:05,540 --> 01:13:03,300

you might as well just hit them yeah you

1599

01:13:06,919 --> 01:13:05,550

know emotionally I did I did have an

1600

01:13:09,290 --> 01:13:06,929

interesting experience though in the

1601
01:13:11,810 --> 01:13:09,300
neighborhood I was at the salon and I

1602
01:13:13,220 --> 01:13:11,820
I've been at my salon for 11 years in

1603
01:13:15,200 --> 01:13:13,230
one place and it's not like I had the

1604
01:13:16,939 --> 01:13:15,210
money to move it because this town is

1605
01:13:19,129 --> 01:13:16,949
booming so much that it's just

1606
01:13:20,959 --> 01:13:19,139
everything has gotten very expensive and

1607
01:13:22,729 --> 01:13:20,969
it's very hard to get your inspections

1608
01:13:24,859 --> 01:13:22,739
and it's you really need deep pockets to

1609
01:13:28,669 --> 01:13:24,869
try to open a business around here at

1610
01:13:30,979 --> 01:13:28,679
this stage of the game and no this weird

1611
01:13:33,379 --> 01:13:30,989
little endian guy i thought i could

1612
01:13:35,120 --> 01:13:33,389
describe and came into my salon little

1613
01:13:38,270 --> 01:13:35,130

turpin on to i never saw this guy before

1614

01:13:40,760 --> 01:13:38,280

he's like a little my good lady and he

1615

01:13:42,260 --> 01:13:40,770

wanted to read me it was it was

1616

01:13:44,149 --> 01:13:42,270

completely random out of nowhere but

1617

01:13:45,589 --> 01:13:44,159

this helped my place is I all these

1618

01:13:48,620 --> 01:13:45,599

characters just walk in and out all the

1619

01:13:50,479 --> 01:13:48,630

time you don't know I embrace them even

1620

01:13:52,430 --> 01:13:50,489

have you even had a toll Elliot told why

1621

01:13:55,399 --> 01:13:52,440

dayley yeah yeah I had a tall white came

1622

01:13:58,189 --> 01:13:55,409

in there I just but this guy came in

1623

01:14:00,410 --> 01:13:58,199

here from Planet MBA no but I told my

1624

01:14:03,109 --> 01:14:00,420

sis money I really don't have any money

1625

01:14:04,939 --> 01:14:03,119

you know for reading he said I'll let me

1626

01:14:06,709 --> 01:14:04,949

just do it and he told me all these

1627

01:14:09,500 --> 01:14:06,719

things that were ridiculously

1628

01:14:11,299 --> 01:14:09,510

unbelievable and I had to say they they

1629

01:14:12,680 --> 01:14:11,309

and it was such a positive reading that

1630

01:14:13,970 --> 01:14:12,690

I want to give him 20 bucks anyway I

1631

01:14:16,250 --> 01:14:13,980

fished it out of the drawer even I'm

1632

01:14:18,379 --> 01:14:16,260

like here just just the fabulous just t

1633

01:14:19,640 --> 01:14:18,389

money even though you wanted 30 at the

1634

01:14:22,310 --> 01:14:19,650

end of it but I only gave him 20 that's

1635

01:14:24,350 --> 01:14:22,320

all I had but I have to say looking back

1636

01:14:26,089 --> 01:14:24,360

all these things happen and they were

1637

01:14:27,919 --> 01:14:26,099

really quite remarkable things that I

1638

01:14:29,540 --> 01:14:27,929

would have never guessed in the time

1639

01:14:31,819 --> 01:14:29,550

frame that this guy came out of no I

1640

01:14:34,580 --> 01:14:31,829

never saw him again he kind of walked in

1641

01:14:36,859 --> 01:14:34,590

told me all this positive stuff and then

1642

01:14:38,390 --> 01:14:36,869

it actually started to happen i mean i

1643

01:14:39,979 --> 01:14:38,400

did move the business i did find the

1644

01:14:40,140 --> 01:14:39,989

money you know what I mean I did you

1645

01:14:42,570 --> 01:14:40,150

know

1646

01:14:45,540 --> 01:14:42,580

just one thing after another and it is

1647

01:14:47,700 --> 01:14:45,550

pretty strange you know so I forgot all

1648

01:14:50,640 --> 01:14:47,710

about it because it was so random you

1649

01:14:53,340 --> 01:14:50,650

know what's funny house works too

1650

01:14:55,290 --> 01:14:53,350

because people always assume that you're

1651
01:14:56,910 --> 01:14:55,300
reading them you know because I work

1652
01:14:59,010 --> 01:14:56,920
internationally because I can read over

1653
01:15:00,630 --> 01:14:59,020
the phone or in person and people always

1654
01:15:02,340 --> 01:15:00,640
think they have to be in front of you

1655
01:15:05,010 --> 01:15:02,350
but they don't because it's not like

1656
01:15:06,570 --> 01:15:05,020
you're doing body language or you know

1657
01:15:10,020 --> 01:15:06,580
some people that are not real they're

1658
01:15:12,120 --> 01:15:10,030
going to look at you know the colors

1659
01:15:14,430 --> 01:15:12,130
that you're wearing and you can't really

1660
01:15:16,260 --> 01:15:14,440
read some of the colors that somebody's

1661
01:15:18,360 --> 01:15:16,270
wearing because what if there was what

1662
01:15:21,300 --> 01:15:18,370
is everything else was in the wash you

1663
01:15:23,880 --> 01:15:21,310

know but basically the way we actually

1664

01:15:25,740 --> 01:15:23,890

read is we're not reading the person

1665

01:15:27,750 --> 01:15:25,750

because that's a telepathy then we're

1666

01:15:30,030 --> 01:15:27,760

telling them what they want to hear what

1667

01:15:32,520 --> 01:15:30,040

we're doing actually is tuning in to a

1668

01:15:35,300 --> 01:15:32,530

source whether you call it divine power

1669

01:15:37,950 --> 01:15:35,310

or God or whatever you want to call it

1670

01:15:40,680 --> 01:15:37,960

it's like we're tuning into a source to

1671

01:15:42,810 --> 01:15:40,690

get information for them and about them

1672

01:15:45,810 --> 01:15:42,820

we're not actually running to the person

1673

01:15:51,060 --> 01:15:45,820

could you give me a reading sure was it

1674

01:15:52,740 --> 01:15:51,070

too personal no I honestly never know

1675

01:15:54,899 --> 01:15:52,750

what's going to come up until at the

1676
01:15:58,320 --> 01:15:54,909
moment what if anything comes up let me

1677
01:16:00,240 --> 01:15:58,330
know let me guess are you getting any

1678
01:16:03,689 --> 01:16:00,250
feelings that the other guy on the line

1679
01:16:10,740 --> 01:16:03,699
here is kind of a funny dude second one

1680
01:16:13,950 --> 01:16:10,750
which one hey I've got I've got a list

1681
01:16:17,820 --> 01:16:13,960
of subjects a here because you know

1682
01:16:19,830 --> 01:16:17,830
Maria is really so versatile I mean most

1683
01:16:22,530 --> 01:16:19,840
people in the psychic field you know

1684
01:16:24,540 --> 01:16:22,540
they read cards maybe they read ruin

1685
01:16:26,250 --> 01:16:24,550
stones I had a girlfriend one time when

1686
01:16:28,050 --> 01:16:26,260
I was running the New York School of

1687
01:16:30,149 --> 01:16:28,060
occult arts and sciences which was one

1688
01:16:33,750 --> 01:16:30,159

of the first metaphysical centers in the

1689

01:16:36,479 --> 01:16:33,760

country she red candle wax she would

1690

01:16:38,669 --> 01:16:36,489

take a candle and drip the wax into a

1691

01:16:40,290 --> 01:16:38,679

glass of water and do a reading from

1692

01:16:42,660 --> 01:16:40,300

that and you know she was doing accurate

1693

01:16:44,189 --> 01:16:42,670

I had a girlfriend who did other things

1694

01:16:46,439 --> 01:16:44,199

with wax wait we can't talk about them

1695

01:16:50,070 --> 01:16:46,449

yeah yeah what was gonna mention that's

1696

01:16:52,160 --> 01:16:50,080

not on this show anyway yeah that's on

1697

01:16:55,730 --> 01:16:52,170

skywatchers that's Wednesday night

1698

01:16:57,230 --> 01:16:55,740

yeah any anyway so you know what we're

1699

01:17:02,780 --> 01:16:57,240

gonna do we're gonna play a little game

1700

01:17:05,360 --> 01:17:02,790

Marie and I haha uh I'm engaged yeah i'm

1701

01:17:08,320 --> 01:17:05,370

going to throw out a word or a series of

1702

01:17:10,730 --> 01:17:08,330

word words and i want you to tell me

1703

01:17:12,140 --> 01:17:10,740

what your thoughts are on the subject

1704

01:17:15,500 --> 01:17:12,150

what you know about it and whether

1705

01:17:18,080 --> 01:17:15,510

you've ever practiced it okay let's

1706

01:17:21,610 --> 01:17:18,090

start out with what state and let's

1707

01:17:25,340 --> 01:17:21,620

start out with an easy one psychokinesis

1708

01:17:28,400 --> 01:17:25,350

okay now psychokinesis and I've had that

1709

01:17:33,020 --> 01:17:28,410

experience psychokinesis is basically a

1710

01:17:35,990 --> 01:17:33,030

field where your mind is very very

1711

01:17:39,710 --> 01:17:36,000

focused and it's a combination of

1712

01:17:44,540 --> 01:17:39,720

psychic energy and mental focus to be

1713

01:17:46,910 --> 01:17:44,550

able to move objects okay so it's a but

1714

01:17:49,910 --> 01:17:46,920

it is a conscious now the funny part is

1715

01:17:52,300 --> 01:17:49,920

I've had that experience where I was

1716

01:17:54,890 --> 01:17:52,310

working psychically and metaphysically

1717

01:17:56,960 --> 01:17:54,900

for a couple of months constantly

1718

01:17:59,990 --> 01:17:56,970

because this is what I do full-time and

1719

01:18:03,290 --> 01:18:00,000

I was with a friend of mine and we were

1720

01:18:05,090 --> 01:18:03,300

to diner and I was talking to him and I

1721

01:18:07,460 --> 01:18:05,100

went to touch his arm he was sitting

1722

01:18:09,830 --> 01:18:07,470

across the table for me and as I went to

1723

01:18:12,590 --> 01:18:09,840

move the butter dish just moved right

1724

01:18:14,090 --> 01:18:12,600

along with me on the table and all i

1725

01:18:19,130 --> 01:18:14,100

could think who was please don't let

1726

01:18:21,230 --> 01:18:19,140

anybody see this and just because i had

1727

01:18:23,720 --> 01:18:21,240

a lot of extra energy things like that

1728

01:18:27,080 --> 01:18:23,730

hat tend to happen to me so it was funny

1729

01:18:30,440 --> 01:18:27,090

because every now and then objects will

1730

01:18:32,420 --> 01:18:30,450

move around the room i had a very nice

1731

01:18:35,060 --> 01:18:32,430

lady that came to me for reading a while

1732

01:18:37,100 --> 01:18:35,070

ago couple of years ago and i'm talking

1733

01:18:39,500 --> 01:18:37,110

to her and as I'm talking to hide a

1734

01:18:41,630 --> 01:18:39,510

bookshelf with some books on it and the

1735

01:18:44,060 --> 01:18:41,640

book started flying across the room just

1736

01:18:46,280 --> 01:18:44,070

because my energy was so high and she

1737

01:18:50,240 --> 01:18:46,290

kept go now i believe i believe and I'm

1738

01:18:52,370 --> 01:18:50,250

like no it's not on purpose maybe I was

1739

01:18:54,110 --> 01:18:52,380

causing I couldn't shut it off because I

1740

01:18:56,200 --> 01:18:54,120

wasn't doing it on purpose you don't

1741

01:18:59,720 --> 01:18:56,210

draw it on you if psychokinesis is

1742

01:19:01,960 --> 01:18:59,730

consciously trying to move something but

1743

01:19:05,870 --> 01:19:01,970

you know sometimes we get fallout

1744

01:19:12,709 --> 01:19:08,419

she draw what I said you don't drive do

1745

01:19:14,510 --> 01:19:12,719

you not after I work honestly if I'm

1746

01:19:17,149 --> 01:19:14,520

working for a couple of hours I will not

1747

01:19:20,600 --> 01:19:17,159

get in the car to drive otherwise yes ya

1748

01:19:22,010 --> 01:19:20,610

know cuz I'm not working where's my

1749

01:19:23,750 --> 01:19:22,020

heart my energy [h__h] because what

1750

01:19:25,939 --> 01:19:23,760

happens is and this actually happened to

1751

01:19:29,390 --> 01:19:25,949

me years ago which is why I gave up

1752

01:19:31,610 --> 01:19:29,400

driving after i was working somewhere

1753

01:19:33,530 --> 01:19:31,620

doing a lecture and the lecture ended up

1754

01:19:36,379 --> 01:19:33,540

really late and i was in new york on the

1755

01:19:39,080 --> 01:19:36,389

parkway it was a lie one or two in the

1756

01:19:41,209 --> 01:19:39,090

morning and i saw this wonderful native

1757

01:19:42,890 --> 01:19:41,219

american walking across the block white

1758

01:19:45,729 --> 01:19:42,900

but i didn't see where the car in front

1759

01:19:48,890 --> 01:19:45,739

of me was and I jammed on the brake

1760

01:19:50,720 --> 01:19:48,900

unfortunately a couple of guys behind me

1761

01:19:53,090 --> 01:19:50,730

you know there would have been closer in

1762

01:19:55,399 --> 01:19:53,100

the car for some reason they didn't see

1763

01:19:59,090 --> 01:19:55,409

the dead person the Native Americans oh

1764

01:20:00,950 --> 01:19:59,100

yeah you know but they were far behind

1765

01:20:03,740 --> 01:20:00,960

me because it happened to be about one

1766

01:20:06,169 --> 01:20:03,750

or two in the morning so it didn't cause

1767

01:20:08,000 --> 01:20:06,179

a problem but it might have so after

1768

01:20:11,600 --> 01:20:08,010

that I just stopped driving after I work

1769

01:20:14,720 --> 01:20:11,610

yeah yeah what I had yeah yeah I care

1770

01:20:17,120 --> 01:20:14,730

for Native American good I I knew this

1771

01:20:20,300 --> 01:20:17,130

one fellow who was a psychic healer in

1772

01:20:22,399 --> 01:20:20,310

fact I I talked to John Lennon and Yoko

1773

01:20:25,459 --> 01:20:22,409

Ono on the telephone that's going back a

1774

01:20:27,709 --> 01:20:25,469

long time ago Michelle this fella this

1775

01:20:30,919 --> 01:20:27,719

fellow had been written up in the the

1776

01:20:32,810 --> 01:20:30,929

newspaper his name is Dean craft I just

1777

01:20:34,760 --> 01:20:32,820

found out he actually died like a year

1778

01:20:36,979 --> 01:20:34,770

and a half or two years ago I went to

1779

01:20:39,410 --> 01:20:36,989

his wedding I went to his wedding and I

1780

01:20:41,300 --> 01:20:39,420

was his publicist actually paid

1781

01:20:43,910 --> 01:20:41,310

publicist for a while I had my own

1782

01:20:45,379 --> 01:20:43,920

public relations company and he was

1783

01:20:46,939 --> 01:20:45,389

getting very well known he actually had

1784

01:20:49,700 --> 01:20:46,949

clients and they were paying money and

1785

01:20:51,830 --> 01:20:49,710

he was doing lectures and even I think

1786

01:20:55,430 --> 01:20:51,840

he did some experiments by me Maimonides

1787

01:20:57,260 --> 01:20:55,440

dream lab or something anyway I I was

1788

01:20:58,939 --> 01:20:57,270

over his house one day and I think his

1789

01:21:02,300 --> 01:20:58,949

father was in the room in my associate

1790

01:21:05,000 --> 01:21:02,310

Harold silcoon was there and he had a

1791

01:21:06,950 --> 01:21:05,010

pen in his hand and after we had a

1792

01:21:09,649 --> 01:21:06,960

conversation I know that maybe lasted a

1793

01:21:14,959 --> 01:21:09,659

half an hour so he tossed the pen on the

1794

01:21:17,810 --> 01:21:14,969

floor and moved his hands behind it or

1795

01:21:19,820 --> 01:21:17,820

in front of it and without touching the

1796

01:21:23,780 --> 01:21:19,830

pen it followed the path

1797

01:21:25,070 --> 01:21:23,790

of his of his fingers he didn't I'm sure

1798

01:21:27,230 --> 01:21:25,080

he didn't have a stranger you know a

1799

01:21:30,500 --> 01:21:27,240

wire or anything like that attached to

1800

01:21:32,420 --> 01:21:30,510

it now uh John Lennon the course was

1801

01:21:35,120 --> 01:21:32,430

always fascinated with UFOs II and his

1802

01:21:37,850 --> 01:21:35,130

own UFO sighting which is described in

1803

01:21:39,650 --> 01:21:37,860

our book Shirley MacLaine meets the

1804

01:21:42,500 --> 01:21:39,660

Palladian switch just came out it's a

1805

01:21:45,200 --> 01:21:42,510

celebrity UFO encounters a book it's

1806

01:21:46,880 --> 01:21:45,210

only bit about out about a week but John

1807

01:21:49,910 --> 01:21:46,890

Lennon of course had a UFO sighting even

1808

01:21:53,480 --> 01:21:49,920

wrote about it on road lyrics for one of

1809

01:21:56,000 --> 01:21:53,490

his songs strange days indeed I think

1810

01:21:57,530 --> 01:21:56,010

the song is but anyway he was fascinated

1811

01:22:00,320 --> 01:21:57,540

with the he was afraid of Uri Geller

1812

01:22:03,110 --> 01:22:00,330

stewing and was fascinated with UFOs in

1813

01:22:06,320 --> 01:22:03,120

the paranormal and all and dean crest

1814

01:22:08,540 --> 01:22:06,330

was over his apartment when they lived

1815

01:22:09,980 --> 01:22:08,550

in the Dakota and according to John

1816

01:22:13,070 --> 01:22:09,990

Lennon I have the notes on this here

1817

01:22:15,350 --> 01:22:13,080

somewhere adine a craft passed his hand

1818

01:22:17,330 --> 01:22:15,360

over the candy dish that was on the

1819

01:22:19,760 --> 01:22:17,340

coffee table and a couple of hard

1820

01:22:21,500 --> 01:22:19,770

candies kind of rolled out and went

1821

01:22:23,300 --> 01:22:21,510

across the coffee table and fell onto

1822

01:22:25,370 --> 01:22:23,310

the floor I mean that's one of the

1823

01:22:28,280 --> 01:22:25,380

reasons that we took him on as a as a

1824

01:22:30,740 --> 01:22:28,290

client because he did seem to have these

1825

01:22:32,260 --> 01:22:30,750

uncanny ability not only to heal there's

1826

01:22:35,960 --> 01:22:32,270

certain people but also they have these

1827

01:22:41,390 --> 01:22:35,970

paranormal experiences all right next

1828

01:22:43,700 --> 01:22:41,400

term here numerology okay well that's a

1829

01:22:45,950 --> 01:22:43,710

very ancient system and it's using

1830

01:22:49,580 --> 01:22:45,960

numbers whether it's your birthday or

1831

01:22:52,760 --> 01:22:49,590

the year or are sometimes actually they

1832

01:22:55,250 --> 01:22:52,770

use numbers connected to the alphabet so

1833

01:22:57,770 --> 01:22:55,260

that it connects to your name and it's a

1834

01:22:59,750 --> 01:22:57,780

way of predicting what's going to come

1835

01:23:02,360 --> 01:22:59,760

up in the future what's going on with

1836

01:23:06,260 --> 01:23:02,370

you now it's according to the numbers

1837

01:23:10,130 --> 01:23:06,270

however there are some fields like

1838

01:23:13,300 --> 01:23:10,140

numerology palmistry and astrology

1839

01:23:16,820 --> 01:23:13,310

they're considered more of a science and

1840

01:23:19,280 --> 01:23:16,830

then after that if somebody psychic they

1841

01:23:21,470 --> 01:23:19,290

add in their intuitive abilities and the

1842

01:23:23,870 --> 01:23:21,480

reason it's considered more of a science

1843

01:23:25,430 --> 01:23:23,880

is because it's more sexual as an

1844

01:23:28,370 --> 01:23:25,440

example with astrology and with

1845

01:23:30,650 --> 01:23:28,380

numerology once you know the numerology

1846

01:23:33,320 --> 01:23:30,660

you know what the numbers relate to then

1847

01:23:36,590 --> 01:23:33,330

you just look up the meanings same thing

1848

01:23:38,360 --> 01:23:36,600

with astrology you have shorts so with

1849

01:23:40,880 --> 01:23:38,370

numerology you have a different type of

1850

01:23:42,920 --> 01:23:40,890

torts and astrology but it still comes

1851

01:23:44,570 --> 01:23:42,930

down to pretty much the same thing they

1852

01:23:47,300 --> 01:23:44,580

look at it as the vibration of the

1853

01:23:50,300 --> 01:23:47,310

numbers connect to you as an example

1854

01:23:53,660 --> 01:23:50,310

with somebody's birthday if their

1855

01:23:56,750 --> 01:23:53,670

birthday has say a lot of tues in it

1856

01:23:59,300 --> 01:23:56,760

like februari whatever if it has a lot

1857

01:24:01,310 --> 01:23:59,310

of to the tendency for the person is to

1858

01:24:04,400 --> 01:24:01,320

be very good dealing with other people

1859

01:24:07,550 --> 01:24:04,410

and they tend to be very good counselors

1860

01:24:09,860 --> 01:24:07,560

teachers people along that line rather

1861

01:24:14,150 --> 01:24:09,870

than somebody that wants to work all by

1862

01:24:16,120 --> 01:24:14,160

themselves and say run a business so it

1863

01:24:18,500 --> 01:24:16,130

correlates but it's more a matter of

1864

01:24:20,900 --> 01:24:18,510

science and the reason they say it like

1865

01:24:24,350 --> 01:24:20,910

that is because and all metaphysics

1866

01:24:26,630 --> 01:24:24,360

happens to be based on science they look

1867

01:24:29,600 --> 01:24:26,640

at it as its cause and effect so they're

1868

01:24:33,260 --> 01:24:29,610

looking at it as if you repeat the same

1869

01:24:35,420 --> 01:24:33,270

situation hundreds of times and you

1870

01:24:38,480 --> 01:24:35,430

always get the same result you know

1871

01:24:40,040 --> 01:24:38,490

science then they start passing on the

1872

01:24:43,340 --> 01:24:40,050

knowledge and that's the same way that

1873

01:24:45,500 --> 01:24:43,350

the paranormal world works it's the

1874

01:24:48,590 --> 01:24:45,510

oldest science magic is really the

1875

01:24:50,390 --> 01:24:48,600

oldest signs like alchemy little

1876

01:24:53,120 --> 01:24:50,400

chemistry as an example chemistry came

1877

01:24:56,810 --> 01:24:53,130

out of alchemy physics actually came out

1878

01:24:58,580 --> 01:24:56,820

of metaphysics yeah so it's considered

1879

01:25:00,770 --> 01:24:58,590

assigns it snowing the numbers in the

1880

01:25:02,990 --> 01:25:00,780

vibrations and the frequency of how it

1881

01:25:06,020 --> 01:25:03,000

relates to the individual is the

1882

01:25:08,840 --> 01:25:06,030

situation well you know Maria one of the

1883

01:25:12,200 --> 01:25:08,850

books you wrote that we publishes secret

1884

01:25:15,980 --> 01:25:12,210

magical elixirs of life and that reminds

1885

01:25:21,260 --> 01:25:15,990

me you mentioned that alchemy count

1886

01:25:24,770 --> 01:25:21,270

saint-germain do you know who he was of

1887

01:25:28,070 --> 01:25:24,780

course Thank You menos get to the violet

1888

01:25:32,150 --> 01:25:28,080

flame when we talk about little bit yeah

1889

01:25:34,480 --> 01:25:32,160

yeah absolutely how he's what he's what

1890

01:25:38,450 --> 01:25:34,490

he's one of the the most fascinating

1891

01:25:40,250 --> 01:25:38,460

characters in all of occultism next to

1892

01:25:43,400 --> 01:25:40,260

maybe John D and that'll be the next

1893

01:25:46,590 --> 01:25:43,410

character right because basically you

1894

01:25:49,140 --> 01:25:46,600

know he was very very heavy into alchemy

1895

01:25:50,880 --> 01:25:49,150

and very very knowledgeable and again we

1896

01:25:54,180 --> 01:25:50,890

look at the science because it's cause

1897

01:25:56,370 --> 01:25:54,190

an effect and he was also connected to

1898

01:25:59,160 --> 01:25:56,380

what they call the violet flame because

1899

01:26:01,560 --> 01:25:59,170

he felt that if you're visualizing the

1900

01:26:04,770 --> 01:26:01,570

violet flame around you and going

1901

01:26:06,780 --> 01:26:04,780

through you it was cleansing energy it's

1902

01:26:09,930 --> 01:26:06,790

very high energies connected to your

1903

01:26:12,600 --> 01:26:09,940

crown chakra and they look at it as when

1904

01:26:14,250 --> 01:26:12,610

you're running that violet flame through

1905

01:26:16,620 --> 01:26:14,260

you and around you it's a cleansing

1906

01:26:19,590 --> 01:26:16,630

energy because they literally look at it

1907

01:26:22,140 --> 01:26:19,600

as a flame that it burns away everything

1908

01:26:25,110 --> 01:26:22,150

that is blocking or stopping you from

1909

01:26:26,850 --> 01:26:25,120

getting ahead in your life and he was

1910

01:26:30,060 --> 01:26:26,860

one of the first people that talked

1911

01:26:33,390 --> 01:26:30,070

about the violet flame and how it

1912

01:26:36,660 --> 01:26:33,400

affects everybody and what you can do

1913

01:26:38,520 --> 01:26:36,670

consciously to raise that energy or to

1914

01:26:40,980 --> 01:26:38,530

do a meditation with the violet flame

1915

01:26:42,210 --> 01:26:40,990

it's going to get rid of the blocks that

1916

01:26:44,780 --> 01:26:42,220

are slowing you down in your life

1917

01:26:49,080 --> 01:26:44,790

whether it's physical emotional mental

1918

01:26:52,470 --> 01:26:49,090

but he was very very well known in the

1919

01:26:56,070 --> 01:26:52,480

paranormal field well he he was he was

1920

01:26:58,890 --> 01:26:56,080

friends with the queens and royalty and

1921

01:27:01,080 --> 01:26:58,900

the funny thing was he would disappear

1922

01:27:03,810 --> 01:27:01,090

for it you know several decades and then

1923

01:27:05,700 --> 01:27:03,820

he would show up again he's believed to

1924

01:27:08,040 --> 01:27:05,710

be over five or six hundred years old

1925

01:27:09,840 --> 01:27:08,050

and the rumor has it that he was also

1926

01:27:14,790 --> 01:27:09,850

there at the signing of the Declaration

1927

01:27:16,800 --> 01:27:14,800

of Independence but hey well they do say

1928

01:27:21,060 --> 01:27:16,810

that that flame takes care of a lot of

1929

01:27:23,940 --> 01:27:21,070

different things well no we have he was

1930

01:27:26,100 --> 01:27:23,950

very well known though for being able to

1931

01:27:28,860 --> 01:27:26,110

work with alchemy and that's part of

1932

01:27:31,830 --> 01:27:28,870

alchemy is longevity well also too I

1933

01:27:35,070 --> 01:27:31,840

guess he had he was like by the the high

1934

01:27:36,870 --> 01:27:35,080

courtesans because he he was all oh I

1935

01:27:39,570 --> 01:27:36,880

guess he was kind of like the Liberace

1936

01:27:42,780 --> 01:27:39,580

of his day he was always decked out he

1937

01:27:46,230 --> 01:27:42,790

didn't have he didn't say well not that

1938

01:27:48,270 --> 01:27:46,240

okay he didn't he didn't he didn't seem

1939

01:27:51,240 --> 01:27:48,280

to have he didn't see how much they

1940

01:27:55,350 --> 01:27:51,250

didn't seem to have a job right right

1941

01:27:57,810 --> 01:27:55,360

problem he traveled all over Europe he

1942

01:28:00,420 --> 01:27:57,820

spoke 20 have a lot of his bills in his

1943

01:28:02,190 --> 01:28:00,430

travel but they also like to because

1944

01:28:04,710 --> 01:28:02,200

he had all this a jewelry and I guess

1945

01:28:06,840 --> 01:28:04,720

that he did give some of the day away I

1946

01:28:08,400 --> 01:28:06,850

know I would certainly like to have

1947

01:28:12,630 --> 01:28:08,410

a-you know something from counseling

1948

01:28:14,520 --> 01:28:12,640

germania in my collection tonight that

1949

01:28:16,680 --> 01:28:14,530

would that that would certainly be a you

1950

01:28:18,960 --> 01:28:16,690

know collector's piece but them we had a

1951

01:28:20,250 --> 01:28:18,970

psychic who's now deceased very well

1952

01:28:23,850 --> 01:28:20,260

known and we've published a lot of his

1953

01:28:26,610 --> 01:28:23,860

book William Alexander oribello and he

1954

01:28:28,830 --> 01:28:26,620

he he gave a workshop one time I think

1955

01:28:30,540 --> 01:28:28,840

in Philadelphia we were and we have a

1956

01:28:32,340 --> 01:28:30,550

psychic fair and in some workshops in

1957

01:28:36,210 --> 01:28:32,350

after what people could sign up for and

1958

01:28:40,380 --> 01:28:36,220

he channeled uh count saint-germain and

1959

01:28:42,930 --> 01:28:40,390

when we went and looked at the the VHS

1960

01:28:45,840 --> 01:28:42,940

that was the the video at the moment

1961

01:28:48,930 --> 01:28:45,850

looked at the VHS tape there he was

1962

01:28:50,460 --> 01:28:48,940

surrounded in this violet light and that

1963

01:28:52,500 --> 01:28:50,470

you know I I mean I was in the room when

1964

01:28:55,140 --> 01:28:52,510

this was going on there was no you know

1965

01:28:57,390 --> 01:28:55,150

there was no it was my camera there was

1966

01:28:59,430 --> 01:28:57,400

no gels on the camera there was no weird

1967

01:29:01,590 --> 01:28:59,440

lighting in the ceiling or anything in

1968

01:29:03,450 --> 01:29:01,600

fact we still have them we put that out

1969

01:29:06,270 --> 01:29:03,460

on the DVD and that was quite a job to

1970

01:29:08,940 --> 01:29:06,280

do because those VHS tapes were not very

1971

01:29:10,800 --> 01:29:08,950

good you know quality and we didn't

1972

01:29:13,470 --> 01:29:10,810

shoot it in a you know some fancy

1973

01:29:14,910 --> 01:29:13,480

Hollywood the studio I had the hit I had

1974

01:29:16,830 --> 01:29:14,920

the tribe you know holding onto the

1975

01:29:19,440 --> 01:29:16,840

tripod for dear life that it didn't fall

1976

01:29:22,590 --> 01:29:19,450

over your tripod always lost a leg

1977

01:29:25,320 --> 01:29:22,600

somewhere along the line but I I you

1978

01:29:27,300 --> 01:29:25,330

know for sure count saint-germain is to

1979

01:29:30,180 --> 01:29:27,310

me is a real character so how about John

1980

01:29:32,340 --> 01:29:30,190

D and well actually just one more thing

1981

01:29:34,740 --> 01:29:32,350

with saint-germain I teach a lot of

1982

01:29:36,720 --> 01:29:34,750

classes or one of them is on the violet

1983

01:29:40,250 --> 01:29:36,730

flame and we go through a meditation so

1984

01:29:42,690 --> 01:29:40,260

that everybody can have that feeling of

1985

01:29:44,850 --> 01:29:42,700

energy and of the cleansing and it's

1986

01:29:46,980 --> 01:29:44,860

amazing how many people actually feel

1987

01:29:49,050 --> 01:29:46,990

like they have like little electrical

1988

01:29:50,790 --> 01:29:49,060

energy going through them you know

1989

01:29:53,400 --> 01:29:50,800

because we do get feedback some people

1990

01:29:54,930 --> 01:29:53,410

feel that some people don't but it works

1991

01:29:57,390 --> 01:29:54,940

whether you feel it or not but it's

1992

01:30:01,740 --> 01:29:57,400

amazing how many people actually feel

1993

01:30:03,510 --> 01:30:01,750

that you know oh and by the way I was

1994

01:30:07,710 --> 01:30:03,520

going to mention we're talking earlier

1995

01:30:11,250 --> 01:30:07,720

about Tesla yes remember I was going to

1996

01:30:13,500 --> 01:30:11,260

mention that Kessler people just don't

1997

01:30:13,979 --> 01:30:13,510

understand how much he actually did in

1998

01:30:16,410 --> 01:30:13,989

the power

1999

01:30:19,709 --> 01:30:16,420

normal field besides everything else

2000

01:30:22,080 --> 01:30:19,719

that he did and one of the reasons I was

2001

01:30:24,330 --> 01:30:22,090

telling you that I really love Tesla is

2002

01:30:26,549 --> 01:30:24,340

because he was very analytical in the

2003

01:30:30,149 --> 01:30:26,559

scientist but he was also very spiritual

2004

01:30:34,770 --> 01:30:30,159

and he's the one that did the place

2005

01:30:38,910 --> 01:30:34,780

that's correct the Tesla played in every

2006

01:30:41,149 --> 01:30:38,920

place yes we do now in fact one way one

2007

01:30:44,399 --> 01:30:41,159

of the other hosts on the PSN network

2008

01:30:46,290 --> 01:30:44,409

Tim Schwartz was on ancient aliens last

2009

01:30:48,750 --> 01:30:46,300

night that the programmer the episode

2010

01:30:51,060 --> 01:30:48,760

was on Tesla and of course he's written

2011

01:30:54,419 --> 01:30:51,070

several books on the topic including

2012

01:30:56,430 --> 01:30:54,429

lost Reynolds Nikola Tesla and I you

2013

01:30:58,470 --> 01:30:56,440

know a number of books which are

2014

01:31:00,089 --> 01:30:58,480

available on Amazon and so they were

2015

01:31:03,359 --> 01:31:00,099

interviewing him because he's one of the

2016

01:31:05,100 --> 01:31:03,369

experts on the on the subject and the

2017

01:31:07,950 --> 01:31:05,110

reason I brought it up actually was

2018

01:31:11,910 --> 01:31:07,960

because the place of violet you know

2019

01:31:15,330 --> 01:31:11,920

from the violet flame connection so the

2020

01:31:17,910 --> 01:31:15,340

g can actually be tested scientifically

2021

01:31:20,370 --> 01:31:17,920

on a vibrational frequency level that it

2022

01:31:23,129 --> 01:31:20,380

gives off a different frequency if you

2023

01:31:25,140 --> 01:31:23,139

may make it exactly the way he said to

2024

01:31:27,779 --> 01:31:25,150

make them because i know the ones that

2025

01:31:29,310 --> 01:31:27,789

you have and i always tell people to get

2026

01:31:31,680 --> 01:31:29,320

it from you because you have the real

2027

01:31:33,479 --> 01:31:31,690

ones and then people have knockoffs and

2028

01:31:35,399 --> 01:31:33,489

they wonder why the vibration doesn't

2029

01:31:38,069 --> 01:31:35,409

work but they have to have that they

2030

01:31:41,479 --> 01:31:38,079

have to have this special symbol that's

2031

01:31:45,839 --> 01:31:41,489

that's stamped into them anyway John Dee

2032

01:31:48,989 --> 01:31:45,849

ok well I find with john d i have an

2033

01:31:52,950 --> 01:31:48,999

interest in john d but apparently not as

2034

01:31:57,419 --> 01:31:52,960

much as some other people but i find

2035

01:31:58,950 --> 01:31:57,429

that he was very very positive the lack

2036

01:32:00,870 --> 01:31:58,960

of a better term emotion i think i've

2037

01:32:03,239 --> 01:32:00,880

had to say that he was very very

2038

01:32:06,750 --> 01:32:03,249

positive when he was known as an

2039

01:32:08,520 --> 01:32:06,760

extremely heavy well i was going to say

2040

01:32:10,049 --> 01:32:08,530

a heavy hitter but then i was trying to

2041

01:32:14,100 --> 01:32:10,059

think of a better word for it in the

2042

01:32:16,470 --> 01:32:14,110

paranormal field and i find he was the

2043

01:32:20,069 --> 01:32:16,480

rams yeah he was known for conjuring up

2044

01:32:22,649 --> 01:32:20,079

angels right but everything and that's a

2045

01:32:24,479 --> 01:32:22,659

normal way of dealing and he's the one

2046

01:32:27,840 --> 01:32:24,489

that came up with the Enochian language

2047

01:32:29,910 --> 01:32:27,850

of the angels the elf Enochian alphabet

2048

01:32:32,520 --> 01:32:29,920

in fact I'm saying will finish him one's

2049

01:32:34,860 --> 01:32:32,530

an occultist because of that plus tuning

2050

01:32:38,190 --> 01:32:34,870

in psychically in the in the book as a

2051
01:32:40,380 --> 01:32:38,200
angel spells that you worked on uh we

2052
01:32:42,300 --> 01:32:40,390
had a lengthy a section in the book on

2053
01:32:44,190 --> 01:32:42,310
the Enochian the language in the

2054
01:32:46,920 --> 01:32:44,200
charging symbols and all which is very

2055
01:32:53,750 --> 01:32:46,930
hard for the average person including me

2056
01:33:01,170 --> 01:32:56,130
symbols that the average person could

2057
01:33:03,870 --> 01:33:01,180
use to contact their back directly at

2058
01:33:07,170 --> 01:33:03,880
the party yeah with their guardian angel

2059
01:33:08,760 --> 01:33:07,180
and you know my friend Alan Greenfield

2060
01:33:11,310 --> 01:33:08,770
who's been on the show as several times

2061
01:33:15,530 --> 01:33:11,320
here he was on the ground at zero with

2062
01:33:19,590 --> 01:33:15,540
Clyde Lewis and he read one of your

2063
01:33:22,830 --> 01:33:19,600

meter on he recited one of the rituals

2064

01:33:26,520 --> 01:33:22,840

from meter on which is the angel of the

2065

01:33:28,920 --> 01:33:26,530

whirlwind and you know the next day the

2066

01:33:31,260 --> 01:33:28,930

roof of the radio station where ground

2067

01:33:33,960 --> 01:33:31,270

zeroes broadcast blew off and you know

2068

01:33:35,700 --> 01:33:33,970

at first I at first I thought at first I

2069

01:33:37,830 --> 01:33:35,710

thought Clyde was you know telling a

2070

01:33:40,170 --> 01:33:37,840

story because Clyde can go on for you

2071

01:33:42,120 --> 01:33:40,180

know 20 or 30 minutes just on one thing

2072

01:33:43,890 --> 01:33:42,130

yeah yeah but I checked it I checked

2073

01:33:46,440 --> 01:33:43,900

that I googled it and sure enough here's

2074

01:33:49,130 --> 01:33:46,450

a video on YouTube early as the roof of

2075

01:33:51,720 --> 01:33:49,140

the building sitting in the street ok

2076

01:33:53,340 --> 01:33:51,730

now for any other party yet you gotta

2077

01:33:55,470 --> 01:33:53,350

you gotta work you gotta watch a memory

2078

01:33:57,480 --> 01:33:55,480

with some of those you know angel spells

2079

01:34:00,000 --> 01:33:57,490

well you know what it is it's really

2080

01:34:03,660 --> 01:34:00,010

funny the way I asked she got them was

2081

01:34:05,700 --> 01:34:03,670

sooo trance because between combination

2082

01:34:08,130 --> 01:34:05,710

of meditation to get into the trends

2083

01:34:10,920 --> 01:34:08,140

that's really how I got the symbols and

2084

01:34:13,860 --> 01:34:10,930

the symbols basically I just saw as a

2085

01:34:16,140 --> 01:34:13,870

vision and then the rest of it really

2086

01:34:18,780 --> 01:34:16,150

just came to me the colors and whatever

2087

01:34:22,590 --> 01:34:18,790

matched with it you know the symbols so

2088

01:34:25,260 --> 01:34:22,600

if you stick exactly to what it says you

2089

01:34:27,960 --> 01:34:25,270

know you actually calling in off angels

2090

01:34:29,970 --> 01:34:27,970

and angels on a very specific level and

2091

01:34:32,790 --> 01:34:29,980

really you're not going to find that

2092

01:34:34,590 --> 01:34:32,800

anywhere else because I got it as direct

2093

01:34:36,990 --> 01:34:34,600

information it's not something I looked

2094

01:34:40,590 --> 01:34:37,000

up you know it came to me specifically

2095

01:34:41,580 --> 01:34:40,600

and I always put in books before you do

2096

01:34:45,330 --> 01:34:41,590

anything like

2097

01:34:47,070 --> 01:34:45,340

you always put up some form of psychic

2098

01:34:49,530 --> 01:34:47,080

self-defense some form of protection

2099

01:34:52,530 --> 01:34:49,540

because even if you're calling in a

2100

01:34:55,050 --> 01:34:52,540

positive angelic fourth you're opening a

2101
01:34:57,089 --> 01:34:55,060
portal or a gateway and when you open

2102
01:34:59,040 --> 01:34:57,099
the portal even if you're asking for a

2103
01:35:01,709 --> 01:34:59,050
positive angel is an example or a

2104
01:35:03,570 --> 01:35:01,719
positive spirit to come to you you can

2105
01:35:06,089 --> 01:35:03,580
have an open portal you don't know what

2106
01:35:08,370 --> 01:35:06,099
you're talking along yeah that's like

2107
01:35:11,160 --> 01:35:08,380
everybody was calling in angels for a

2108
01:35:13,290 --> 01:35:11,170
while and they still are but when you're

2109
01:35:15,120 --> 01:35:13,300
just calling in an angel in general

2110
01:35:16,649 --> 01:35:15,130
people forget there are fallen angels

2111
01:35:18,750 --> 01:35:16,659
you don't know what you're getting if

2112
01:35:23,220 --> 01:35:18,760
you're not calling it in correctly or by

2113
01:35:26,220 --> 01:35:23,230

name so how do you how do you protect

2114

01:35:30,120 --> 01:35:26,230

yourself from getting a a fallen angel

2115

01:35:32,399 --> 01:35:30,130

well she has specific instructions well

2116

01:35:34,620 --> 01:35:32,409

first of all there's really a very heavy

2117

01:35:38,189 --> 01:35:34,630

technique but honestly it takes a couple

2118

01:35:41,070 --> 01:35:38,199

of hours to actually teach that but on a

2119

01:35:42,870 --> 01:35:41,080

minimal level what works is if you put

2120

01:35:46,700 --> 01:35:42,880

out something like as an example if you

2121

01:35:49,229 --> 01:35:46,710

focus on say divine power protect me

2122

01:35:51,750 --> 01:35:49,239

okay or whoever you believe in I happen

2123

01:35:54,359 --> 01:35:51,760

to believe in God okay but if you sing

2124

01:35:56,459 --> 01:35:54,369

divine power or God or whoever you

2125

01:35:58,919 --> 01:35:56,469

believe in it has to be who you believe

2126
01:36:01,080 --> 01:35:58,929
in as your source because otherwise the

2127
01:36:03,600 --> 01:36:01,090
energy doesn't match your frequency and

2128
01:36:06,660 --> 01:36:03,610
it will work okay so whatever label you

2129
01:36:08,640 --> 01:36:06,670
use as an example you would say God

2130
01:36:10,709 --> 01:36:08,650
protect me and you're saying who your

2131
01:36:13,290 --> 01:36:10,719
source is you're telling your source

2132
01:36:15,000 --> 01:36:13,300
what you want done but you have to say

2133
01:36:17,580 --> 01:36:15,010
it with a lot of respect and you have to

2134
01:36:19,530 --> 01:36:17,590
be really serious in your heart when you

2135
01:36:22,830 --> 01:36:19,540
say it or it's truly not going to work

2136
01:36:25,890 --> 01:36:22,840
so on a minimal level that would help

2137
01:36:28,140 --> 01:36:25,900
but you need to do your own technique or

2138
01:36:31,020 --> 01:36:28,150

like I said mine takes a cut pretty much

2139

01:36:34,500 --> 01:36:31,030

it's an all-day class so well it may

2140

01:36:36,439 --> 01:36:34,510

also come but definitely thought also to

2141

01:36:40,830 --> 01:36:36,449

Maria if you're if you're using a

2142

01:36:43,729 --> 01:36:40,840

ritualistic altar to do your work you

2143

01:36:48,060 --> 01:36:43,739

can put out what rose petals water in a

2144

01:36:51,180 --> 01:36:48,070

scrying Bowl and of course / no white

2145

01:36:54,600 --> 01:36:51,190

candles right and put sea salt in the

2146

01:36:55,319 --> 01:36:54,610

water that will do that and the scrying

2147

01:36:57,810 --> 01:36:55,329

I love the

2148

01:37:00,389 --> 01:36:57,820

scrying bowls because you can see so

2149

01:37:02,339 --> 01:37:00,399

much in there but for the protection if

2150

01:37:04,379 --> 01:37:02,349

you just put water and rose petals in

2151

01:37:07,109 --> 01:37:04,389

there a little bit sea salt because

2152

01:37:09,810 --> 01:37:07,119

that's a very very ancient technique you

2153

01:37:11,790 --> 01:37:09,820

know it isn't something new and I find

2154

01:37:16,259 --> 01:37:11,800

that I love working with the ancient

2155

01:37:18,659 --> 01:37:16,269

techniques because they're very very

2156

01:37:21,569 --> 01:37:18,669

simple they're very direct and they're

2157

01:37:24,779 --> 01:37:21,579

very powerful they really work and then

2158

01:37:26,939 --> 01:37:24,789

when you have people that updated you

2159

01:37:28,649 --> 01:37:26,949

know when they update ancient systems or

2160

01:37:31,020 --> 01:37:28,659

rituals if they know what they're

2161

01:37:33,449 --> 01:37:31,030

updating its great but a lot of people

2162

01:37:35,310 --> 01:37:33,459

updated because they read something in

2163

01:37:38,310 --> 01:37:35,320

one book they mixed it with another book

2164

01:37:40,439 --> 01:37:38,320

and they don't realize they're diluting

2165

01:37:42,899 --> 01:37:40,449

it it's not going to work it's like a

2166

01:37:46,109 --> 01:37:42,909

recipe if your great-grandmother had a

2167

01:37:47,849 --> 01:37:46,119

wonderful recipe for something and they

2168

01:37:50,339 --> 01:37:47,859

test it down and everybody sticks

2169

01:37:52,739 --> 01:37:50,349

exactly to the recipe it's going to be

2170

01:37:55,169 --> 01:37:52,749

perfect every time if they keep changing

2171

01:37:58,379 --> 01:37:55,179

it they're going to wander down the road

2172

01:38:01,409 --> 01:37:58,389

why it doesn't taste the same same

2173

01:38:05,939 --> 01:38:01,419

principle that's good point okay

2174

01:38:08,219 --> 01:38:05,949

crystals do they really work yes our

2175

01:38:11,040 --> 01:38:08,229

first of all if you look at crystals you

2176

01:38:13,229 --> 01:38:11,050

know gemstones are herbs and oils they

2177

01:38:15,959 --> 01:38:13,239

all work the same way the work on the

2178

01:38:19,049 --> 01:38:15,969

vibrational level and with all of them

2179

01:38:21,540 --> 01:38:19,059

as long as they're within three feet of

2180

01:38:24,119 --> 01:38:21,550

your body they will work for you it

2181

01:38:26,009 --> 01:38:24,129

works as a magnet if it's farther than

2182

01:38:28,829 --> 01:38:26,019

three feet away from you they still work

2183

01:38:30,629 --> 01:38:28,839

there just not attracting to you so they

2184

01:38:33,419 --> 01:38:30,639

will attract positive things they will

2185

01:38:35,939 --> 01:38:33,429

repel negative and think of it more

2186

01:38:38,909 --> 01:38:35,949

literally as a magnet so depending on

2187

01:38:40,919 --> 01:38:38,919

the properties of the gemstone that's

2188

01:38:44,339 --> 01:38:40,929

what it attracts to you so as an example

2189

01:38:47,399 --> 01:38:44,349

if you were using say let's see pyrite

2190

01:38:50,389 --> 01:38:47,409

which is also called fool's gold that

2191

01:38:53,459 --> 01:38:50,399

actually attract finance or the

2192

01:38:57,119 --> 01:38:53,469

opportunity for finance into your life

2193

01:39:00,089 --> 01:38:57,129

oh I'm talking about protection if you

2194

01:39:03,959 --> 01:39:00,099

use the gemstone tiger eye which is a

2195

01:39:06,149 --> 01:39:03,969

brownstone if you use Title I that also

2196

01:39:09,010 --> 01:39:06,159

is a level of protection it just means

2197

01:39:12,030 --> 01:39:09,020

you need to carry it with you

2198

01:39:14,740 --> 01:39:12,040

so as an example if you're using pyrite

2199

01:39:17,230 --> 01:39:14,750

there's an occult law that says likely

2200

01:39:20,590 --> 01:39:17,240

tracks like to the point of carrying

2201

01:39:22,930 --> 01:39:20,600

that is because it looks like gold or if

2202

01:39:24,730 --> 01:39:22,940

you had gold jewelry as an example like

2203

01:39:28,690 --> 01:39:24,740

attracts like so the more you carry

2204

01:39:31,690 --> 01:39:28,700

situations and you know things that have

2205

01:39:33,820 --> 01:39:31,700

value the more you attracted in that's

2206

01:39:36,580 --> 01:39:33,830

like I was at a radio station of the

2207

01:39:38,350 --> 01:39:36,590

KISS FM a couple of years ago and I was

2208

01:39:39,700 --> 01:39:38,360

talking to some of the rappers you know

2209

01:39:42,700 --> 01:39:39,710

the room while you're waiting to go on

2210

01:39:45,310 --> 01:39:42,710

and they really have a lot of gold

2211

01:39:48,760 --> 01:39:45,320

chains and the reason they have that is

2212

01:39:51,070 --> 01:39:48,770

that working from a metaphysical point

2213

01:39:53,380 --> 01:39:51,080

they actually look at it as the more you

2214

01:39:54,700 --> 01:39:53,390

have on the more money you attract so

2215

01:39:58,750 --> 01:39:54,710

I'm thinking to myself have to go out

2216

01:40:01,360 --> 01:39:58,760

and get some more gold or learn how to

2217

01:40:04,390 --> 01:40:01,370

wrap one of the other exactly need more

2218

01:40:06,100 --> 01:40:04,400

bling but a lot of the new Raptors

2219

01:40:08,580 --> 01:40:06,110

really didn't understand the principle

2220

01:40:11,200 --> 01:40:08,590

but it did come from a spiritualist

2221

01:40:13,660 --> 01:40:11,210

church from a spiritualist outlook

2222

01:40:15,970 --> 01:40:13,670

originally that you know the more you

2223

01:40:17,950 --> 01:40:15,980

wear or the more you carried the more

2224

01:40:20,670 --> 01:40:17,960

the tracks but there is vehicle of like

2225

01:40:23,350 --> 01:40:20,680

attracts like which means as an example

2226

01:40:24,820 --> 01:40:23,360

you ever noticed that if you're a

2227

01:40:27,400 --> 01:40:24,830

positive person you feel comfortable

2228

01:40:29,380 --> 01:40:27,410

around positive people around up people

2229

01:40:31,170 --> 01:40:29,390

you're not going to feel comfortable

2230

01:40:34,030 --> 01:40:31,180

around people that lie and cheat and

2231

01:40:35,320 --> 01:40:34,040

negative if somebody is naked if they're

2232

01:40:38,380 --> 01:40:35,330

not going to feel comfortable around

2233

01:40:40,930 --> 01:40:38,390

positive people you know so you can

2234

01:40:42,310 --> 01:40:40,940

actually watch it it's funny yeah it's

2235

01:40:47,140 --> 01:40:42,320

the secret it's of the laws of

2236

01:40:53,020 --> 01:40:47,150

attraction you know how does how does

2237

01:40:56,830 --> 01:40:53,030

what you do differ from okay you're in a

2238

01:40:59,980 --> 01:40:56,840

cultist is that correct yes okay how

2239

01:41:03,280 --> 01:40:59,990

does that differ from Wicca or

2240

01:41:06,340 --> 01:41:03,290

witchcraft okay um basically they're all

2241

01:41:08,410 --> 01:41:06,350

the same this is the thing a coach just

2242

01:41:10,690 --> 01:41:08,420

means ancient wisdom and hidden

2243

01:41:13,680 --> 01:41:10,700

knowledge it isn't positive and negative

2244

01:41:16,990 --> 01:41:13,690

it's not religion the practitioner is

2245

01:41:19,600 --> 01:41:17,000

positive or negative so as an accomplice

2246

01:41:22,629 --> 01:41:19,610

you really use whatever situation or

2247

01:41:25,000 --> 01:41:22,639

modality fits what you're working on

2248

01:41:28,540 --> 01:41:25,010

so as an example it doesn't matter if

2249

01:41:31,509 --> 01:41:28,550

it's wicker if it's voodoo because that

2250

01:41:34,540 --> 01:41:31,519

started out as a positive religion you

2251
01:41:37,419 --> 01:41:34,550
know or if you're using European magic

2252
01:41:38,649 --> 01:41:37,429
or macumba or Haitian if as long as

2253
01:41:40,529 --> 01:41:38,659
you're working on the positive side

2254
01:41:43,659 --> 01:41:40,539
you're going to get positive results

2255
01:41:45,729 --> 01:41:43,669
okay but a cult is a cult it doesn't

2256
01:41:47,139 --> 01:41:45,739
matter which modality do you use you

2257
01:41:48,850 --> 01:41:47,149
just have to actually know what you're

2258
01:41:52,149 --> 01:41:48,860
doing because they're all ancient and

2259
01:41:54,159 --> 01:41:52,159
pretty much if you really look at all

2260
01:41:56,830 --> 01:41:54,169
the modalities they all have the same

2261
01:41:59,500 --> 01:41:56,840
base as an example were saying like

2262
01:42:03,189 --> 01:41:59,510
attracts like every single modality

2263
01:42:05,649 --> 01:42:03,199

believes that so the base is the same

2264

01:42:07,839 --> 01:42:05,659

it's just really a preference it's like

2265

01:42:11,739 --> 01:42:07,849

years ago I was doing the reading for

2266

01:42:15,310 --> 01:42:11,749

lady and she was actually from I think

2267

01:42:16,479 --> 01:42:15,320

Barbados and everything I got for her in

2268

01:42:19,199 --> 01:42:16,489

the reading that had to do with

2269

01:42:21,790 --> 01:42:19,209

metaphysics you know with a cult

2270

01:42:24,429 --> 01:42:21,800

connected her to England which actually

2271

01:42:26,139 --> 01:42:24,439

didn't make any logical sense she

2272

01:42:28,419 --> 01:42:26,149

actually told me she was from Barbados

2273

01:42:32,229 --> 01:42:28,429

before we started England made no sense

2274

01:42:34,569 --> 01:42:32,239

and after we were done with the reading

2275

01:42:36,549 --> 01:42:34,579

she was laughing because I kept saying I

2276

01:42:38,439 --> 01:42:36,559

don't know why England and she was

2277

01:42:41,020 --> 01:42:38,449

laughing so she said most of her family

2278

01:42:43,060 --> 01:42:41,030

for generations happened to be from

2279

01:42:46,179 --> 01:42:43,070

England and they worked on the occult

2280

01:42:48,699 --> 01:42:46,189

side on the positive side with ministry

2281

01:42:51,429 --> 01:42:48,709

and with shamanism and other modalities

2282

01:42:54,639 --> 01:42:51,439

but they were all from England and she

2283

01:43:00,040 --> 01:42:54,649

was the first generation in Barbados so

2284

01:43:03,609 --> 01:43:00,050

you never know right oh wow what how did

2285

01:43:07,899 --> 01:43:03,619

you learn okay so you do you utilize

2286

01:43:11,080 --> 01:43:07,909

like ruin stones a tarot cards regular

2287

01:43:14,290 --> 01:43:11,090

deck of cards numerology how did you

2288

01:43:17,500 --> 01:43:14,300

learn all this well some of it I

2289

01:43:20,830 --> 01:43:17,510

actually learned with Hungarian

2290

01:43:22,989 --> 01:43:20,840

shamanism okay and by the way I'm a

2291

01:43:25,959 --> 01:43:22,999

shaman so hungry but I'm also a shaman

2292

01:43:28,870 --> 01:43:25,969

with the Tuscarora tribe in North

2293

01:43:31,149 --> 01:43:28,880

Carolina I'm an honorary member and it's

2294

01:43:34,209 --> 01:43:31,159

funny they're always teasing me that I'm

2295

01:43:35,890 --> 01:43:34,219

the first Hungarian Native American

2296

01:43:39,860 --> 01:43:35,900

because there's no such thing

2297

01:43:42,740 --> 01:43:39,870

either one or the other but a lot of it

2298

01:43:45,790 --> 01:43:42,750

I learned through shamanism from you

2299

01:43:48,500 --> 01:43:45,800

know from Hungary and a lot of it I

2300

01:43:50,900 --> 01:43:48,510

learned two books just like everybody

2301

01:43:53,600 --> 01:43:50,910

else but most of it I really learned

2302

01:43:56,060 --> 01:43:53,610

through visions and meditation they just

2303

01:43:59,750 --> 01:43:56,070

come to me and then the more I do it and

2304

01:44:01,460 --> 01:43:59,760

I realize that they work then I can

2305

01:44:03,950 --> 01:44:01,470

actually work with it for other people

2306

01:44:05,660 --> 01:44:03,960

but it takes years that you get to the

2307

01:44:07,820 --> 01:44:05,670

point where you feel like okay it really

2308

01:44:11,060 --> 01:44:07,830

works every time I do this particular

2309

01:44:14,630 --> 01:44:11,070

formula now Yuri you read you've worked

2310

01:44:17,690 --> 01:44:14,640

on this book on the reading the playing

2311

01:44:19,850 --> 01:44:17,700

cards but you also read tarot now how

2312

01:44:22,280 --> 01:44:19,860

did it two of those differ that did the

2313

01:44:24,860 --> 01:44:22,290

or did the tarot cards where they

2314

01:44:26,240 --> 01:44:24,870

derived from a regular deck of cards or

2315

01:44:29,180 --> 01:44:26,250

was it the other way around or is there

2316

01:44:33,320 --> 01:44:29,190

no connection at all no they're actually

2317

01:44:36,680 --> 01:44:33,330

connected the tarot card has a minor

2318

01:44:39,110 --> 01:44:36,690

arcana which basically connects to your

2319

01:44:41,900 --> 01:44:39,120

everyday life it's telling you about

2320

01:44:44,120 --> 01:44:41,910

your job your love life you know what's

2321

01:44:46,580 --> 01:44:44,130

going on in your life on in the mundane

2322

01:44:49,130 --> 01:44:46,590

or the physical plane okay and the

2323

01:44:51,470 --> 01:44:49,140

hierarch anna tells you more about your

2324

01:44:55,100 --> 01:44:51,480

goals your spiritual levels what

2325

01:44:57,260 --> 01:44:55,110

direction to go in what path now the

2326

01:44:59,660 --> 01:44:57,270

court the playing card so actually the

2327

01:45:02,330 --> 01:44:59,670

lower Arcana that's what they came from

2328

01:45:06,920 --> 01:45:02,340

so if you know the lower I can and the

2329

01:45:09,050 --> 01:45:06,930

panel back you can read the cause now so

2330

01:45:11,510 --> 01:45:09,060

time they've readjusted a lot of the

2331

01:45:14,930 --> 01:45:11,520

basic laws so that they also have their

2332

01:45:18,920 --> 01:45:14,940

own leaning so now it's a combination of

2333

01:45:22,640 --> 01:45:18,930

the two well now what with the playing

2334

01:45:25,970 --> 01:45:22,650

cards you've actually derived spells you

2335

01:45:27,680 --> 01:45:25,980

could use the cards to perform psychic

2336

01:45:31,280 --> 01:45:27,690

spells of health spells with them oh

2337

01:45:33,500 --> 01:45:31,290

definitely basically any tool that you

2338

01:45:36,250 --> 01:45:33,510

have whether its ruins or the cause or

2339

01:45:39,140 --> 01:45:36,260

tea leaves anything that you have that

2340

01:45:40,880 --> 01:45:39,150

connected on the energetic level to

2341

01:45:43,850 --> 01:45:40,890

psychic information and basically

2342

01:45:45,320 --> 01:45:43,860

they're all just focus because we don't

2343

01:45:48,620 --> 01:45:45,330

actually need the tools that give you

2344

01:45:49,430 --> 01:45:48,630

that extra focus and I find that it

2345

01:45:51,140 --> 01:45:49,440

looks like what the rule

2346

01:45:55,310 --> 01:45:51,150

as an example they just give me more

2347

01:45:57,229 --> 01:45:55,320

detail but when you're using the cards

2348

01:45:58,790 --> 01:45:57,239

you can actually as long as you know

2349

01:46:01,880 --> 01:45:58,800

what the cards mean and it's in the book

2350

01:46:03,979 --> 01:46:01,890

you can actually perform spells to bring

2351

01:46:06,770 --> 01:46:03,989

in positive things into your life and to

2352

01:46:08,900 --> 01:46:06,780

help you and the way I got most of it

2353

01:46:11,479 --> 01:46:08,910

again I get most of my information very

2354

01:46:14,030 --> 01:46:11,489

direct and that's why you know sometimes

2355

01:46:15,170 --> 01:46:14,040

we you and I laugh because they're not

2356

01:46:17,410 --> 01:46:15,180

going to be written anywhere else

2357

01:46:20,720 --> 01:46:17,420

because I got it two visions and through

2358

01:46:22,790 --> 01:46:20,730

meditation sometimes but a lot of times

2359

01:46:25,400 --> 01:46:22,800

I just know there's no other way to put

2360

01:46:27,650 --> 01:46:25,410

that or with the cards I was actually

2361

01:46:29,360 --> 01:46:27,660

seeing them in layouts and how to put

2362

01:46:30,800 --> 01:46:29,370

them and what to do with them and then I

2363

01:46:33,680 --> 01:46:30,810

just have to remember to write it down

2364

01:46:35,870 --> 01:46:33,690

quick before it disappears on me and I

2365

01:46:38,930 --> 01:46:35,880

know it was a while to make sure that it

2366

01:46:41,570 --> 01:46:38,940

actually works before I would tell

2367

01:46:44,780 --> 01:46:41,580

anybody else about it well I have to say

2368

01:46:47,600 --> 01:46:44,790

Maria that as far as i know you are the

2369

01:46:50,990 --> 01:46:47,610

most knowledgeable person on the over

2370

01:46:53,300 --> 01:46:51,000

all aspects of the of the occult I mean

2371

01:46:56,209 --> 01:46:53,310

most people have this have their

2372

01:46:58,520 --> 01:46:56,219

specialties but you have a good

2373

01:47:01,459 --> 01:46:58,530

background in all of this and it

2374

01:47:03,200 --> 01:47:01,469

certainly has to be intuitive it's not

2375

01:47:06,920 --> 01:47:03,210

something you know that you can just

2376

01:47:08,930 --> 01:47:06,930

pick up from a books you know it has to

2377

01:47:12,170 --> 01:47:08,940

be something that comes to you naturally

2378

01:47:15,590 --> 01:47:12,180

now we're coming we're closing in on the

2379

01:47:17,510 --> 01:47:15,600

the hour and i do want to give you the

2380

01:47:18,820 --> 01:47:17,520

opportunity to tell our listeners where

2381

01:47:21,979 --> 01:47:18,830

they could get in touch with you and

2382

01:47:24,350 --> 01:47:21,989

find out about your services but I do

2383

01:47:26,600 --> 01:47:24,360

just want to tell the listeners also

2384

01:47:29,120 --> 01:47:26,610

that I'm making a very rare public

2385

01:47:31,820 --> 01:47:29,130

appearance I will be at the Reunion

2386

01:47:35,270 --> 01:47:31,830

meeting the 51st reunion of the national

2387

01:47:41,209 --> 01:47:35,280

UFO Congress which is being held in

2388

01:47:44,090 --> 01:47:41,219

Cleveland Ohio jun 19 to the 22nd so

2389

01:47:46,340 --> 01:47:44,100

anybody's around in Ohio or West

2390

01:47:48,650 --> 01:47:46,350

Virginia or you want to take a little

2391

01:47:51,350 --> 01:47:48,660

trip I'm I'm taking the train myself

2392

01:47:53,990 --> 01:47:51,360

it's about 14 hours from Manhattan here

2393

01:47:57,070 --> 01:47:54,000

but I love the Train and I like to look

2394

01:48:01,220 --> 01:47:57,080

outside the window and it should be

2395

01:48:03,050 --> 01:48:01,230

enjoyable and there's no you know people

2396

01:48:09,710 --> 01:48:03,060

yes

2397

01:48:11,210 --> 01:48:09,720

you I'm just thinking about it well why

2398

01:48:13,130 --> 01:48:11,220

did you cause Gary I was given her

2399

01:48:14,930 --> 01:48:13,140

approval that's all maybe i will Oliver

2400

01:48:16,790 --> 01:48:14,940

I would like you to do I would like you

2401

01:48:19,040 --> 01:48:16,800

to do that any anyway that'll be

2402

01:48:23,300 --> 01:48:19,050

delighted I see how far as well you

2403

01:48:25,340 --> 01:48:23,310

gotta come from Miami you know I was

2404

01:48:27,290 --> 01:48:25,350

gonna go I was gonna see I was gonna go

2405

01:48:29,540 --> 01:48:27,300

see my friend Charlotte who lives in

2406

01:48:31,550 --> 01:48:29,550

Tucson by train actually I would

2407

01:48:37,400 --> 01:48:31,560

continue on from Cleveland to Tucson

2408

01:48:39,770 --> 01:48:37,410

it's a 59 our trip well no I'm not I'm

2409

01:48:42,500 --> 01:48:39,780

not going i just said you know i do not

2410

01:48:44,810 --> 01:48:42,510

do it some other time that and then

2411

01:48:47,120 --> 01:48:44,820

coming back you gotta add the fifty nine

2412

01:48:49,160 --> 01:48:47,130

hours plus the 13 hours or something

2413

01:48:53,000 --> 01:48:49,170

every day plus it from New York to

2414

01:48:55,970 --> 01:48:53,010

Colorado I did do that once yes that's

2415

01:48:58,580 --> 01:48:55,980

like days yeah three days yeah yeah but

2416

01:49:00,140 --> 01:48:58,590

is it worse for you can get to you can

2417

01:49:03,290 --> 01:49:00,150

get to Denver like I'm on the highway

2418

01:49:04,910 --> 01:49:03,300

but you can't go between likely you know

2419

01:49:06,920 --> 01:49:04,920

there's too many there's mountains it's

2420

01:49:08,390 --> 01:49:06,930

what it is and the the tunnels you know

2421

01:49:10,250 --> 01:49:08,400

they spent billions of dollars to put

2422

01:49:12,800 --> 01:49:10,260

tunnels through the the mountains there

2423

01:49:15,740 --> 01:49:12,810

and it's slow if you try to drive it

2424

01:49:17,720 --> 01:49:15,750

it's a slow is taking the train maybe

2425

01:49:20,480 --> 01:49:17,730

even slower because I I tried driving

2426

01:49:22,970 --> 01:49:20,490

one time for my Thank You Phoenix to to

2427

01:49:25,070 --> 01:49:22,980

Colorado and it took forever because

2428

01:49:26,510 --> 01:49:25,080

everything was like 10 mile 10 miles an

2429

01:49:28,640 --> 01:49:26,520

hour you know it's all winding roads

2430

01:49:31,460 --> 01:49:28,650

through the mountains and you just you

2431

01:49:33,500 --> 01:49:31,470

just you know it you need you need to

2432

01:49:36,950 --> 01:49:33,510

stay awake and it's impossible and it

2433

01:49:38,270 --> 01:49:36,960

takes forever anyway Maria we're getting

2434

01:49:40,280 --> 01:49:38,280

be down for a couple of days but I try

2457

01:50:49,709 --> 01:50:46,809

the best way to get in touch with me

2458
