

Face Off
Season Premier 6
Tues. Aug. 13/9/8c

Syfy

1
00:00:40,820 --> 00:00:37,570
you know I've been around for a while

2
00:00:44,110 --> 00:00:40,830
I've met some interesting people done

3
00:00:47,630 --> 00:00:44,120
some crazy things so you'd think that

4
00:00:56,970 --> 00:00:47,640
there wasn't much that could take me by

5
00:01:03,460 --> 00:01:01,300
the world is full of stories and science

6
00:01:04,240 --> 00:01:03,470
and things that amazing confound the

7
00:01:06,310 --> 00:01:04,250
every single day

8
00:01:08,800 --> 00:01:06,320
incredible mysteries that keep me awake

9
00:01:13,510 --> 00:01:08,810
at night some I can answer and others

10
00:01:16,990 --> 00:01:13,520
just the high logic of aliens

11
00:01:18,609 --> 00:01:17,000
infiltrated the human race in Mexico a

12
00:01:21,219 --> 00:01:18,619
farmer finds a mysterious and terrifying

13
00:01:24,219 --> 00:01:21,229

creature that looks like nothing on

14

00:01:26,380 --> 00:01:24,229

earth I have invested thousands of

15

00:01:28,630 --> 00:01:26,390

dollars just trying to know what this

16

00:01:32,139 --> 00:01:28,640

creature is did pilots from another

17

00:01:34,389 --> 00:01:32,149

world crash land in Mexico in Arizona a

18

00:01:36,010 --> 00:01:34,399

woman claims to have been fathered by an

19

00:01:38,260 --> 00:01:36,020

ET and a top secret government

20

00:01:40,540 --> 00:01:38,270

experiment there are extra trusts was

21

00:01:43,840 --> 00:01:40,550

walking amongst us ten human and

22

00:01:46,990 --> 00:01:43,850

extraterrestrial DNA mixed together and

23

00:01:49,359 --> 00:01:47,000

in Nevada a u.s. serviceman of friends a

24

00:01:51,190 --> 00:01:49,369

colony of aliens living secretly on an

25

00:01:54,490 --> 00:01:51,200

Air Force Base they wouldn't hesitate

26
00:02:11,510 --> 00:01:54,500
for a second to kill a human yeah that's

27
00:02:15,720 --> 00:02:13,830
do you believe in aliens that's a

28
00:02:18,270 --> 00:02:15,730
question I'm asked quite a lot my answer

29
00:02:20,699 --> 00:02:18,280
is I try to keep an open mind I mean

30
00:02:22,710 --> 00:02:20,709
who's to say the water who is living in

31
00:02:25,199 --> 00:02:22,720
the far corners of the galaxy but think

32
00:02:27,600 --> 00:02:25,209
about it there's so much we don't know

33
00:02:30,030 --> 00:02:27,610
about our own planet could aliens

34
00:02:33,350 --> 00:02:30,040
already be here living among us could

35
00:02:36,330 --> 00:02:33,360
they be our friends or even our

36
00:02:38,790 --> 00:02:36,340
neighbors

37
00:02:41,850 --> 00:02:38,800
I knew there was something strange about

38
00:02:51,090 --> 00:02:41,860

those people you're always supposed to

39

00:02:51,100 --> 00:02:55,690

so they're impossible to live with

40

00:03:02,650 --> 00:02:59,979

may 26 2007 and met a peck near Mexico

41

00:03:07,720 --> 00:03:02,660

City a farmworkers going about his

42

00:03:14,650 --> 00:03:07,730

duties in the barn some of the years of

43

00:03:17,970 --> 00:03:14,660

disturbing sound that's coming from one

44

00:03:21,340 --> 00:03:17,980

of the traps he has set to catch friends

45

00:03:24,729 --> 00:03:21,350

hey mimosa is Mexico's foremost UFO

46

00:03:26,470 --> 00:03:24,739

investigator this preacher is something

47

00:03:31,330 --> 00:03:26,480

that you have never seen before the eyes

48

00:03:34,080 --> 00:03:31,340

are great and amazing the skin is like

49

00:03:37,030 --> 00:03:34,090

covered with oil you can see some hair

50

00:03:40,150 --> 00:03:37,040

you can see the feet the feet are like

51
00:03:43,270 --> 00:03:40,160
human the hands are like human the head

52
00:03:46,870 --> 00:03:43,280
it like a baby head the farm worker

53
00:03:53,020 --> 00:03:51,160
I can just imagine the surprise when

54
00:03:56,020 --> 00:03:53,030
they were seeing this creature moving

55
00:03:58,960 --> 00:03:56,030
and trying to escape they were very

56
00:04:01,560 --> 00:03:58,970
afraid their boss is a wealthy local

57
00:04:04,479 --> 00:04:01,570
businessman they marry her Moreno Lopez

58
00:04:07,090 --> 00:04:04,489
when Mario Mario Lopez saw the creature

59
00:04:08,020 --> 00:04:07,100
for the first time he just said what's

60
00:04:10,420 --> 00:04:08,030
the hell's that

61
00:04:12,819 --> 00:04:10,430
I never seen something like that what is

62
00:04:15,699 --> 00:04:12,829
that and nobody could answer to that

63
00:04:18,699 --> 00:04:15,709

question Lopez is fascinated by the

64

00:04:22,180 --> 00:04:18,709

creature the system's an opinion amazing

65

00:04:25,420 --> 00:04:22,190

clearly he didn't wanted hints

66

00:04:28,090 --> 00:04:25,430

in Canadian but they can't figure out

67

00:04:32,020 --> 00:04:28,100

what to do with it and a beast shrieking

68

00:04:33,790 --> 00:04:32,030

in agony they're all real Mario Lopez

69

00:04:37,390 --> 00:04:33,800

probably because he never told me that

70

00:04:39,850 --> 00:04:37,400

but probably he said drown it or kill it

71

00:04:42,250 --> 00:04:39,860

get rid of it they come up with a

72

00:04:44,620 --> 00:04:42,260

gruesome solution they'll kill the

73

00:04:45,760 --> 00:04:44,630

creature by immersing it in a toxic

74

00:04:48,760 --> 00:04:45,770

chemical bath

75

00:04:51,280 --> 00:04:48,770

these are terrible chemicals chemicals

76

00:05:01,260 --> 00:04:51,290

are used to cure later you put in your

77

00:05:08,010 --> 00:05:04,830

but then something inexplicable your

78

00:05:10,890 --> 00:05:08,020

animal refuses to tell the creatures

79

00:05:13,410 --> 00:05:10,900

survive inside these chemicals it could

80

00:05:14,450 --> 00:05:13,420

any anything on earth survive something

81

00:05:21,250 --> 00:05:14,460

like that

82

00:05:27,610 --> 00:05:24,490

Marie Lopez now has in his hands a dead

83

00:05:29,320 --> 00:05:27,620

creature he doesn't know what it is he

84

00:05:31,530 --> 00:05:29,330

knows he's not something normal

85

00:05:34,140 --> 00:05:31,540

Lopez brings the creature to my son

86

00:05:36,520 --> 00:05:34,150

believing only he can solve the mystery

87

00:05:39,400 --> 00:05:36,530

when I saw the creature for the first

88

00:05:42,430 --> 00:05:39,410

time I was very skeptical I didn't know

89

00:05:47,890 --> 00:05:42,440

if this was a joke they were trying to

90

00:05:50,320 --> 00:05:47,900

confuse me or to discredit me but my son

91

00:05:53,740 --> 00:05:50,330

is fascinated and decides to undertake

92

00:05:56,830 --> 00:05:53,750

an investigation he subjects the

93

00:06:00,310 --> 00:05:56,840

creature to a battery tests we have

94

00:06:02,700 --> 00:06:00,320

tested this DNA of this creature around

95

00:06:06,550 --> 00:06:02,710

the world and when the results come back

96

00:06:08,890 --> 00:06:06,560

Messiah is stunned the animal is

97

00:06:12,400 --> 00:06:08,900

genetically distinct from any species

98

00:06:14,350 --> 00:06:12,410

known to man we found in the DNA of this

99

00:06:16,720 --> 00:06:14,360

creature that is even closer than the

100

00:06:23,260 --> 00:06:16,730

chimpanzees to human being it's almost

101
00:06:24,850 --> 00:06:23,270
human Mouse and also believes the

102
00:06:28,510 --> 00:06:24,860
creature could have other even more

103
00:06:30,790 --> 00:06:28,520
bizarre origins we don't know how to

104
00:06:32,860 --> 00:06:30,800
test for alien DNA when I am very sure

105
00:06:35,650 --> 00:06:32,870
that the DNA of the aliens is very

106
00:06:39,130 --> 00:06:35,660
similar to the DNA of humans because the

107
00:06:40,480 --> 00:06:39,140
DNA is universal but Wawasan was trying

108
00:06:43,530 --> 00:06:40,490
to decipher the test results

109
00:06:46,840 --> 00:06:43,540
his investigation takes a macabre twist

110
00:06:48,820 --> 00:06:46,850
Mario Lopez the owner of the ranch where

111
00:06:51,970 --> 00:06:48,830
the creature was caught is found dead

112
00:06:53,740 --> 00:06:51,980
burned to death in his own car Mario

113
00:06:56,950 --> 00:06:53,750

Lopez brought the creature to me at the

114

00:06:59,740 --> 00:06:56,960

end of June 2007 just four weeks later

115

00:07:02,200 --> 00:06:59,750

he was murdered

116

00:07:04,270 --> 00:07:02,210

Lopez's unexplained death raises the

117

00:07:05,860 --> 00:07:04,280

chilling new possibility in a somehow

118

00:07:08,310 --> 00:07:05,870

connected with the death of the creature

119

00:07:11,070 --> 00:07:08,320

from Benedict

120

00:07:15,380 --> 00:07:11,080

a person brings something so strange I

121

00:07:17,640 --> 00:07:15,390

think he's murder what is going on today

122

00:07:21,510 --> 00:07:17,650

Mossad is still trying to solve the

123

00:07:23,730 --> 00:07:21,520

mystery these are the only creature of

124

00:07:29,220 --> 00:07:23,740

its kind around the world there is no

125

00:07:31,500 --> 00:07:29,230

more compelling and somewhat disturbing

126

00:07:33,600 --> 00:07:31,510

story Mexican workers find a creature

127

00:07:37,650 --> 00:07:33,610

that resembles something like a deformed

128

00:07:40,410 --> 00:07:37,660

human baby or some kind of alien they

129

00:07:42,840 --> 00:07:40,420

try and kill it and then it somehow

130

00:07:47,220 --> 00:07:42,850

takes revenge on an innocent man by

131

00:07:49,740 --> 00:07:47,230

murdering him good a little guy like

132

00:07:52,890 --> 00:07:49,750

this there's something like that

133

00:07:55,110 --> 00:07:52,900

it is this proof that aliens exist and

134

00:07:57,450 --> 00:07:55,120

are here on earth I mean miss Mexico

135

00:08:01,260 --> 00:07:57,460

were talking about all kinds crazy

136

00:08:06,750 --> 00:08:03,570

that could be a perfectly innocent

137

00:08:06,760 --> 00:08:19,709

there's this proof enough

138

00:08:19,719 --> 00:08:25,250

the baby

139

00:08:29,840 --> 00:08:28,020

logan hawks is the author of close

140

00:08:32,580 --> 00:08:29,850

encounters the Old West

141

00:08:34,770 --> 00:08:32,590

he believes the met effect creature is

142

00:08:36,690 --> 00:08:34,780

just the latest a long line of alien

143

00:08:39,540 --> 00:08:36,700

visitors that left their mark on that

144

00:08:41,850 --> 00:08:39,550

region if you look back into the myth

145

00:08:43,380 --> 00:08:41,860

and mythology of the people that lived

146

00:08:44,970 --> 00:08:43,390

in this neck of the woods

147

00:08:47,700 --> 00:08:44,980

the net effect creature very much looks

148

00:08:50,700 --> 00:08:47,710

like a little person described in some

149

00:08:52,920 --> 00:08:50,710

of these legends Hawks has an intriguing

150

00:08:54,810 --> 00:08:52,930

theory to explain the creatures origin

151

00:08:57,330 --> 00:08:54,820

I believe this extraterrestrial creature

152

00:08:59,310 --> 00:08:57,340

was a pilot of a craft that flew through

153

00:09:00,960 --> 00:08:59,320

the zone of silence it affected his

154

00:09:03,300 --> 00:09:00,970

guidance system his ability to control

155

00:09:09,800 --> 00:09:03,310

the ship he crashed on a farm where he

156

00:09:14,150 --> 00:09:12,379

the zone of silence according talks is a

157

00:09:17,600 --> 00:09:14,160

mysterious region of northern Mexico

158

00:09:20,809 --> 00:09:17,610

where aircraft inexplicably crash and

159

00:09:22,639 --> 00:09:20,819

UFO sightings are coming this is an area

160

00:09:25,009 --> 00:09:22,649

that could be compared to the Bermuda

161

00:09:26,420 --> 00:09:25,019

Triangle or The Devil's Triangle the

162

00:09:28,910 --> 00:09:26,430

region gets its name from a strange

163

00:09:30,340 --> 00:09:28,920

magnetic irregularity that affects

164

00:09:31,999 --> 00:09:30,350

everything that passes through it

165

00:09:34,009 --> 00:09:32,009

technology within the zone of silence

166

00:09:36,079 --> 00:09:34,019

doesn't work the way that it should not

167

00:09:38,239 --> 00:09:36,089

the way that it does in other places for

168

00:09:40,360 --> 00:09:38,249

example microwaves electronic equipment

169

00:09:43,309 --> 00:09:40,370

seems to I have a lot of interference

170

00:09:45,499 --> 00:09:43,319

for instance a handheld compass we

171

00:09:48,049 --> 00:09:45,509

cannot read magnetic north the needle

172

00:09:50,480 --> 00:09:48,059

will just spin and spin and spin the

173

00:09:52,639 --> 00:09:50,490

zone of silence exploded into headlights

174

00:09:56,030 --> 00:09:52,649

in 1970 when it caused two sophisticated

175

00:09:58,579 --> 00:09:56,040

u.s. Athena missile to crash the

176

00:09:59,749 --> 00:09:58,589

guidance system went very strange and it

177

00:10:02,480 --> 00:09:59,759

landed in the heart of the zone of

178

00:10:04,369 --> 00:10:02,490

silence it was carrying a nuclear

179

00:10:06,379 --> 00:10:04,379

payload so there was a great deal of

180

00:10:08,809 --> 00:10:06,389

controversy over an American missile

181

00:10:10,699 --> 00:10:08,819

crashing on foreign soil it was an

182

00:10:11,949 --> 00:10:10,709

extraction that happened and it's quite

183

00:10:14,420 --> 00:10:11,959

an interesting subject

184

00:10:17,629 --> 00:10:14,430

no one knows why the zone of silence

185

00:10:19,549 --> 00:10:17,639

causes electronics to go haywire Polacks

186

00:10:22,330 --> 00:10:19,559

believes the explanation is more

187

00:10:24,850 --> 00:10:22,340

supernatural than scientific

188

00:10:26,230 --> 00:10:24,860

there's something that you feel from the

189

00:10:27,550 --> 00:10:26,240

earth from the ground from the rocks

190

00:10:29,680 --> 00:10:27,560

from the mountains you can't put your

191

00:10:32,320 --> 00:10:29,690

finger on it it's like someone's in the

192

00:10:34,480 --> 00:10:32,330

room watching you was the medevac

193

00:10:37,930 --> 00:10:34,490

creature a member of an advanced alien

194

00:10:39,820 --> 00:10:37,940

race from our normal expert Timothy

195

00:10:42,730 --> 00:10:39,830

Bagley the medevac creature raises more

196

00:10:44,500 --> 00:10:42,740

questions than answers but had any great

197

00:10:46,900 --> 00:10:44,510

intelligence and was coming from afar

198

00:10:49,240 --> 00:10:46,910

why would it get trapped in some sort of

199

00:10:51,670 --> 00:10:49,250

animal trap and also where's this craft

200

00:10:53,200 --> 00:10:51,680

and where's this breathing apparatus so

201
00:10:55,600 --> 00:10:53,210
if the medevac creature wasn't a

202
00:10:59,350 --> 00:10:55,610
pint-sized alien pilot what was it

203
00:11:01,570 --> 00:10:59,360
I believe that there is a invisible race

204
00:11:04,030 --> 00:11:01,580
of beings that coexist right alongside

205
00:11:05,620 --> 00:11:04,040
of us on this planet I have had three a

206
00:11:07,690 --> 00:11:05,630
UFO sightings so I know that these

207
00:11:09,400 --> 00:11:07,700
things are real they're not hoaxes they

208
00:11:11,019 --> 00:11:09,410
are not hallucinations but I do not

209
00:11:13,300 --> 00:11:11,029
believe that most of the objects that

210
00:11:16,269 --> 00:11:13,310
have been seen are from outer space I

211
00:11:18,340 --> 00:11:16,279
think they are more closely akin to our

212
00:11:20,050 --> 00:11:18,350
own reality perhaps they come from

213
00:11:22,780 --> 00:11:20,060

another dimension perhaps they come from

214

00:11:24,340 --> 00:11:22,790

somewhere beneath the the earth but the

215

00:11:27,520 --> 00:11:24,350

sightings are real and people are

216

00:11:29,770 --> 00:11:27,530

reporting legitimate far-out things I'm

217

00:11:30,370 --> 00:11:29,780

convinced that this creature this

218

00:11:34,740 --> 00:11:30,380

so-called

219

00:11:38,320 --> 00:11:34,750

alien baby is what is known as a Jin a

220

00:11:41,860 --> 00:11:38,330

invisible supernatural being that exists

221

00:11:44,800 --> 00:11:41,870

on a parallel dimension the jinn or

222

00:11:46,960 --> 00:11:44,810

genies as it was also known as a being

223

00:11:51,040 --> 00:11:46,970

first described in the Muslim holy book

224

00:11:53,560 --> 00:11:51,050

the Quran they're said to appear out of

225

00:11:55,030 --> 00:11:53,570

nowhere to create mischief and of course

226

00:11:56,770 --> 00:11:55,040

we do know about the the genie in the

227

00:11:59,350 --> 00:11:56,780

lamp that have the ability to change

228

00:12:01,400 --> 00:11:59,360

shape sometimes they are seen as a small

229

00:12:03,739 --> 00:12:01,410

beast

230

00:12:05,019 --> 00:12:03,749

even more intriguing that the claims to

231

00:12:07,909 --> 00:12:05,029

have hard evidence of their existence

232

00:12:09,979 --> 00:12:07,919

I've compared it to photographs that

233

00:12:13,039 --> 00:12:09,989

people have taken of these these jinn

234

00:12:14,539 --> 00:12:13,049

and they look remarkably similar Beckley

235

00:12:16,400 --> 00:12:14,549

says further proof can be found in the

236

00:12:19,339 --> 00:12:16,410

death of Mario Lopez the rancher who

237

00:12:20,539 --> 00:12:19,349

found the creature they are evil

238

00:12:23,389 --> 00:12:20,549

sinister creatures

239

00:12:26,119 --> 00:12:23,399

if you kill or injure a jinn you can

240

00:12:27,859 --> 00:12:26,129

expect some form of repercussion the

241

00:12:30,319 --> 00:12:27,869

farmer who is responsible for the death

242

00:12:34,939 --> 00:12:30,329

of this creature felt the heavy hand of

243

00:12:36,519 --> 00:12:34,949

the jinn taxidermist robert Marberry is

244

00:12:38,779 --> 00:12:36,529

fascinated with the meditate creature

245

00:12:42,169 --> 00:12:38,789

but it is only Azalea or a

246

00:12:44,179 --> 00:12:42,179

transdimensional being he believes it's

247

00:12:48,529 --> 00:12:44,189

a hopeless I think the meta peg creature

248

00:12:51,259 --> 00:12:48,539

is a skinned spider monkey and how can

249

00:12:52,879 --> 00:12:51,269

you be so sure Marbury's director of the

250

00:12:55,759 --> 00:12:52,889

Minneapolis Association of rope

251

00:12:59,059 --> 00:12:55,769

taxidermists it's a group that creates

252

00:13:01,099 --> 00:12:59,069

artwork out of animal leftovers tell you

253

00:13:03,799 --> 00:13:01,109

about the the work that our members make

254

00:13:05,809 --> 00:13:03,809

some of them make cryptozoological

255

00:13:10,059 --> 00:13:05,819

animals animals that may or may not

256

00:13:12,829 --> 00:13:10,069

exist chupacabras feejee mermaids

257

00:13:15,349 --> 00:13:12,839

Capricorn's is the man that creature a

258

00:13:18,019 --> 00:13:15,359

piece of creative taxidermy glued

259

00:13:20,149 --> 00:13:18,029

together in somebody's garage to find

260

00:13:24,409 --> 00:13:20,159

out Marberry is going to demonstrate how

261

00:13:26,719 --> 00:13:24,419

easy it is to create one so the proposal

262

00:13:28,759 --> 00:13:26,729

is how do you create a meta Peck

263

00:13:31,819 --> 00:13:28,769

creature I'm on the east coast of the US

264

00:13:34,460 --> 00:13:31,829

I don't have access to monkeys I have

265

00:13:36,469 --> 00:13:34,470

access however to squirrels and in this

266

00:13:38,179 --> 00:13:36,479

particular piece is a roadkill so what

267

00:13:40,969 --> 00:13:38,189

I've done is I've taken this and I've

268

00:13:42,939 --> 00:13:40,979

skinned it I have a taxidermy friend

269

00:13:45,469 --> 00:13:42,949

that calls it taking off the pajamas

270

00:13:47,180 --> 00:13:45,479

robbery then covers the carcass and salt

271

00:13:49,740 --> 00:13:47,190

to dry it out

272

00:13:53,310 --> 00:13:49,750

assaults the best mama fire it takes all

273

00:13:55,680 --> 00:13:53,320

the liquids out of the tissue the next

274

00:13:59,310 --> 00:13:55,690

step a drastic makeover to take it from

275

00:14:03,150 --> 00:13:59,320

everyday rodent - cosmic commuter isn't

276

00:14:07,290 --> 00:14:03,160

it take so traditional Clippers and and

277

00:14:09,900 --> 00:14:07,300

really remove the head and replace it

278

00:14:11,640 --> 00:14:09,910

with this monkey skull which would allow

279

00:14:14,370 --> 00:14:11,650

it to be a little bit more like the mint

280

00:14:19,110 --> 00:14:14,380

pet creature Marbury then uses sandpaper

281

00:14:21,000 --> 00:14:19,120

to shape the skull of teeth as you can

282

00:14:22,800 --> 00:14:21,010

you can see very quickly how you can

283

00:14:25,260 --> 00:14:22,810

make it look more and more like a

284

00:14:26,610 --> 00:14:25,270

human's mouth and this point we we kind

285

00:14:30,210 --> 00:14:26,620

of feel like we've seen this guy

286

00:14:33,180 --> 00:14:30,220

somewhere before I think that's a little

287

00:14:36,960 --> 00:14:33,190

arrogant on our part to envision aliens

288

00:14:38,460 --> 00:14:36,970

as a diversion of me but with a big head

289

00:14:40,860 --> 00:14:38,470

I think when you get down to Occam's

290

00:14:44,100 --> 00:14:40,870

razor and the simplest explanation is

291

00:14:46,890 --> 00:14:44,110

often the correct one this to me is a

292

00:14:48,690 --> 00:14:46,900

spider monkey

293

00:14:52,200 --> 00:14:48,700

the met effect Bistro created through

294

00:14:54,990 --> 00:14:52,210

taxidermy is as a supernatural Jim from

295

00:14:57,329 --> 00:14:55,000

another dimension or is it an alien

296

00:15:13,210 --> 00:14:57,339

pilot that crash-landed in northern

297

00:15:17,319 --> 00:15:15,100

we've seen many strange and amazing

298

00:15:18,699 --> 00:15:17,329

things on this show but what have I told

299

00:15:20,829 --> 00:15:18,709

you that you're about to see something

300

00:15:22,660 --> 00:15:20,839

that's not only the most strange and the

301
00:15:23,439 --> 00:15:22,670
amazing thing ever that we're about to

302
00:15:25,150 --> 00:15:23,449
make history

303
00:15:28,780 --> 00:15:25,160
you see millions of people have claimed

304
00:15:31,119 --> 00:15:28,790
they've seen UFOs are met an alien but

305
00:15:33,340 --> 00:15:31,129
not one of them has any evidence no

306
00:15:34,720 --> 00:15:33,350
living proof well today we're about to

307
00:15:37,629 --> 00:15:34,730
change that once and for all because

308
00:15:40,389 --> 00:15:37,639
today's the day you are going to meet an

309
00:15:44,769 --> 00:15:40,399
alien not on some hazy City or in a lab

310
00:15:51,780 --> 00:15:44,779
no no no no no no face to face in person

311
00:15:58,540 --> 00:15:56,280
March 24th 1972 Omaha Nebraska

312
00:16:00,129 --> 00:15:58,550
Cynthia Crawford has just experienced

313
00:16:03,020 --> 00:16:00,139

the most joyful event of her life the

314

00:16:05,780 --> 00:16:04,700

but the pregnancy has been difficult and

315

00:16:06,470 --> 00:16:05,790

the doctors have made a strange

316

00:16:08,720 --> 00:16:06,480

discovery

317

00:16:11,690 --> 00:16:08,730

she has an exceptionally rare and

318

00:16:13,490 --> 00:16:11,700

mysterious blood type the thing was

319

00:16:16,850 --> 00:16:13,500

there was only two other people in the

320

00:16:20,030 --> 00:16:16,860

world that had the same antigen S was

321

00:16:21,260 --> 00:16:20,040

found in my blood it's not the first

322

00:16:23,800 --> 00:16:21,270

time she's been told she has bizarre

323

00:16:26,810 --> 00:16:23,810

physical abnormalities her body is just

324

00:16:30,770 --> 00:16:26,820

different and no one can tell her why

325

00:16:34,730 --> 00:16:30,780

her pills don't dilate normally her skin

326

00:16:36,890 --> 00:16:34,740

is strangely thick her bones are porous

327

00:16:39,950 --> 00:16:36,900

my twin sister has muscular dystrophy

328

00:16:42,170 --> 00:16:39,960

and when they went to see if they could

329

00:16:44,540 --> 00:16:42,180

do a transplant then we were

330

00:16:47,750 --> 00:16:44,550

incompatible but it's not only Cynthia's

331

00:16:51,500 --> 00:16:47,760

body that's extraordinary it's also her

332

00:16:55,850 --> 00:16:51,510

mind even as a toddler I realized how

333

00:16:57,620 --> 00:16:55,860

different I was because I was and always

334

00:17:01,220 --> 00:16:57,630

able to do things that my sisters

335

00:17:04,010 --> 00:17:01,230

couldn't do I remember drawing with

336

00:17:07,790 --> 00:17:04,020

crayons and so forth and all of a sudden

337

00:17:10,940 --> 00:17:07,800

I wanted a crane and I literally moved it

338

00:17:13,400 --> 00:17:10,950

with my mind to me I also was able to

339

00:17:15,579 --> 00:17:13,410

hear thoughts and they couldn't hear

340

00:17:17,649 --> 00:17:15,589

thoughts

341

00:17:22,210 --> 00:17:17,659

for years Cynthia searches in vain for

342

00:17:24,669 --> 00:17:22,220

an explanation then one day her father a

343

00:17:25,739 --> 00:17:24,679

retired CIA agent reveals the brutal

344

00:17:28,509 --> 00:17:25,749

truth

345

00:17:30,700 --> 00:17:28,519

she tells her she was part of a top

346

00:17:33,970 --> 00:17:30,710

secret government program with a dark

347

00:17:35,950 --> 00:17:33,980

condition my father told me that our

348

00:17:37,720 --> 00:17:35,960

government we're working with the German

349

00:17:40,330 --> 00:17:37,730

scientists that were brought over after

350

00:17:42,489 --> 00:17:40,340

World War two but a Cynthia pours over

351
00:17:46,389 --> 00:17:42,499
secret government documents she learned

352
00:17:49,450 --> 00:17:46,399
something even more mind-boggling she

353
00:17:53,620 --> 00:17:49,460
was created in a laboratory a product of

354
00:17:57,010 --> 00:17:53,630
her father's covert breeding program

355
00:17:59,530 --> 00:17:57,020
he had agreed to participate in an

356
00:18:03,610 --> 00:17:59,540
experiment in which they were making

357
00:18:05,740 --> 00:18:03,620
hybrid babies this alarming experiment

358
00:18:08,290 --> 00:18:05,750
aimed to mix genetic material from

359
00:18:11,170 --> 00:18:08,300
extraterrestrials with human DNA the way

360
00:18:14,050 --> 00:18:11,180
they created me in the petri dish was

361
00:18:15,960 --> 00:18:14,060
they used alien DNA but the German

362
00:18:18,790 --> 00:18:15,970
scientists brought over with them and

363
00:18:20,680 --> 00:18:18,800

the rest from my father and my mother

364

00:18:22,990 --> 00:18:20,690

and mixed it all together in the petri

365

00:18:27,190 --> 00:18:23,000

dish and then inserted it in my mother's

366

00:18:32,860 --> 00:18:27,200

womb I've been told that I'm 34 percent

367

00:18:36,340 --> 00:18:32,870

human 28 percent zetas and 38 percent on

368

00:18:37,630 --> 00:18:36,350

an aki and I'm not alone and I know that

369

00:18:39,850 --> 00:18:37,640

because I've had numerous phone calls

370

00:18:41,470 --> 00:18:39,860

and emails from people that know that

371

00:18:45,220 --> 00:18:41,480

they've come from other planets I've

372

00:18:47,860 --> 00:18:45,230

even met them Crawford is done by her

373

00:18:50,590 --> 00:18:47,870

father's confession my first reaction

374

00:18:52,330 --> 00:18:50,600

was anger I was very angry to think that

375

00:18:54,460 --> 00:18:52,340

that this would have been done to me

376

00:18:56,560 --> 00:18:54,470

because of all the abilities the things

377

00:19:00,580 --> 00:18:56,570

that I was able to do my whole life I

378

00:19:02,470 --> 00:19:00,590

was told I was a creep or a freak when

379

00:19:05,170 --> 00:19:02,480

the story sinks and it unlocks a secret

380

00:19:08,200 --> 00:19:05,180

past that's somehow remained dormant in

381

00:19:10,720 --> 00:19:08,210

the young woman's mind her entire life

382

00:19:15,490 --> 00:19:10,730

has been haunted by nightmares of alien

383

00:19:17,030 --> 00:19:15,500

encounters and weird lab experiments now

384

00:19:19,360 --> 00:19:17,040

she knows why

385

00:19:22,250 --> 00:19:19,370

they're real memories from her childhood

386

00:19:26,060 --> 00:19:22,260

and answered all these questions about

387

00:19:28,040 --> 00:19:26,070

why I was having visits from beings and

388

00:19:30,020 --> 00:19:28,050

why I've been taking up and ships on my

389

00:19:31,870 --> 00:19:30,030

life in my very first memory of an

390

00:19:34,870 --> 00:19:31,880

encounter with an extraterrestrial I

391

00:19:39,320 --> 00:19:34,880

remember standing up in my baby bit and

392

00:19:43,210 --> 00:19:39,330

holding on to the bars and I remember

393

00:19:45,620 --> 00:19:43,220

talking to a being giggling and laughing

394

00:19:47,210 --> 00:19:45,630

but Cynthia isn't traumatized

395

00:19:51,050 --> 00:19:47,220

instead she embraces her new identity

396

00:19:53,300 --> 00:19:51,060

and tries to find out more she learns

397

00:19:55,250 --> 00:19:53,310

the secret government program has only

398

00:19:59,440 --> 00:19:55,260

larger than one could possibly imagine

399

00:20:02,000 --> 00:19:59,450

but she's not the only one it created

400

00:20:04,390 --> 00:20:02,010

there are extra trance was walking

401
00:20:07,100 --> 00:20:04,400
amongst this we're talking about

402
00:20:14,200 --> 00:20:07,110
probably hundreds of thousands on this

403
00:20:22,220 --> 00:20:19,940
and kids rinsed why not Wow this is is a

404
00:20:24,220 --> 00:20:22,230
remarkable story and you know the more I

405
00:20:28,930 --> 00:20:24,230
look around

406
00:20:34,840 --> 00:20:28,940
convinced that aliens indeed could live

407
00:20:38,710 --> 00:20:34,850
among us and it's just one problem I

408
00:20:41,880 --> 00:20:38,720
don't understand why I mean if you were

409
00:20:47,620 --> 00:20:41,890
an alien why would you choose to live

410
00:20:53,340 --> 00:20:47,630
among the species like us would you go

411
00:20:53,350 --> 00:20:58,700
amoebas

412
00:21:03,180 --> 00:21:00,810
hypnotherapist Yvonne Smith has worked

413
00:21:06,060 --> 00:21:03,190

with Cynthia Crawford for years I find

414

00:21:08,180 --> 00:21:06,070

it to be very credible and a very honest

415

00:21:10,409 --> 00:21:08,190

person

416

00:21:11,960 --> 00:21:10,419

Yvonne doesn't think Cynthia is the

417

00:21:15,630 --> 00:21:11,970

product of a secret government program

418

00:21:16,440 --> 00:21:15,640

she says it's the aliens themselves who

419

00:21:20,130 --> 00:21:16,450

are responsible

420

00:21:24,240 --> 00:21:20,140

Cynthia fits the pattern of someone who

421

00:21:27,110 --> 00:21:24,250

has been abducted by alien beings she's

422

00:21:31,110 --> 00:21:27,120

had strange pregnancies she has had

423

00:21:32,669 --> 00:21:31,120

objects implanted in her body but what

424

00:21:34,730 --> 00:21:32,679

about Cynthia's memories of medical

425

00:21:37,740 --> 00:21:34,740

experiments in secret laboratories

426
00:21:41,519 --> 00:21:37,750
they're exactly what happens says Smith

427
00:21:43,889 --> 00:21:41,529
in a real alien abduction when someone

428
00:21:47,370 --> 00:21:43,899
has an abduction experience always with

429
00:21:49,680 --> 00:21:47,380
what it involves is Oba being taken from

430
00:21:52,140 --> 00:21:49,690
the women sperm being taken from the men

431
00:21:56,040 --> 00:21:52,150
it's not pleasant

432
00:21:58,710 --> 00:21:56,050
it it's not sexual it's very clinical

433
00:22:01,680 --> 00:21:58,720
these alien beings have an agenda and

434
00:22:03,600 --> 00:22:01,690
they're carrying out that agenda now

435
00:22:05,910 --> 00:22:03,610
ultimately what's going to happen with

436
00:22:09,810 --> 00:22:05,920
these hybrids is the million dollar

437
00:22:12,570 --> 00:22:09,820
question we don't know I just know and I

438
00:22:16,940 --> 00:22:12,580

will go out on a limb now after 20 years

439

00:22:22,080 --> 00:22:16,950

of research that these hybrids do exist

440

00:22:25,290 --> 00:22:22,090

they're here it's something that I never

441

00:22:28,290 --> 00:22:25,300

thought I would be saying years ago but

442

00:22:30,840 --> 00:22:28,300

why would extraterrestrial beings want

443

00:22:33,620 --> 00:22:30,850

to create human hybrids it's obvious

444

00:22:36,300 --> 00:22:33,630

that the aliens need something from us

445

00:22:37,410 --> 00:22:36,310

Malinda leslie has been a UFO researcher

446

00:22:40,320 --> 00:22:37,420

for over two decades

447

00:22:43,440 --> 00:22:40,330

she theorizes that Sofia was kidnapped

448

00:22:45,300 --> 00:22:43,450

by both aliens and humans as the victim

449

00:22:48,270 --> 00:22:45,310

of another top secret government program

450

00:22:51,060 --> 00:22:48,280

known as my lab my lab is an acronym

451
00:22:53,700 --> 00:22:51,070
meaning military abduction mal for

452
00:22:57,000 --> 00:22:53,710
military and AV for abduction and it

453
00:23:00,270 --> 00:22:57,010
refers to alien abductees who then are

454
00:23:02,360 --> 00:23:00,280
targeted by covert black ops human

455
00:23:05,370 --> 00:23:02,370
military and intelligence community

456
00:23:07,590 --> 00:23:05,380
agencies apparently the program targets

457
00:23:10,200 --> 00:23:07,600
anyone suspected of having contact with

458
00:23:12,270 --> 00:23:10,210
beings from other planets first you get

459
00:23:14,310 --> 00:23:12,280
abducted by aliens and then you get

460
00:23:16,170 --> 00:23:14,320
abducted re abducted by the government

461
00:23:18,510 --> 00:23:16,180
my lab abductions is much more common

462
00:23:20,130 --> 00:23:18,520
than we realize at least in alien

463
00:23:21,810 --> 00:23:20,140

abduction accounts that people have had

464

00:23:23,790 --> 00:23:21,820

the alien abduction experience and most

465

00:23:26,280 --> 00:23:23,800

major abduction researchers in the world

466

00:23:28,770 --> 00:23:26,290

agree that that number is is probably

467

00:23:32,160 --> 00:23:28,780

upwards of 10 15 percent of the world's

468

00:23:34,950 --> 00:23:32,170

population and then it seems that 10 or

469

00:23:37,230 --> 00:23:34,960

20 percent of those people have then had

470

00:23:39,330 --> 00:23:37,240

also the MyLab experience so once

471

00:23:41,430 --> 00:23:39,340

someone has had alien abduction for it

472

00:23:43,260 --> 00:23:41,440

to escalate into that into that place

473

00:23:44,990 --> 00:23:43,270

where there's a covert ops interest in

474

00:23:47,550 --> 00:23:45,000

them seems to be very common

475

00:23:49,950 --> 00:23:47,560

she says Crawford story bears all the

476

00:23:52,600 --> 00:23:49,960

signs of a classic my lab

477

00:23:54,610 --> 00:23:52,610

these are all alien abductees they've

478

00:23:56,620 --> 00:23:54,620

had harassment surveillance they've been

479

00:23:58,899 --> 00:23:56,630

rejected they've been taken to

480

00:24:01,090 --> 00:23:58,909

underground bases they've had medical

481

00:24:04,169 --> 00:24:01,100

procedures and done on them and have

482

00:24:06,159 --> 00:24:04,179

been interrogated about alien technology

483

00:24:06,970 --> 00:24:06,169

wouldn't work with the government to do

484

00:24:09,700 --> 00:24:06,980

such a thing

485

00:24:12,580 --> 00:24:09,710

they're interested in the optic TSI

486

00:24:15,370 --> 00:24:12,590

abilities meaning psychic does the

487

00:24:16,600 --> 00:24:15,380

abductee perform psychic abilities do

488

00:24:18,639 --> 00:24:16,610

they do telepathy

489

00:24:20,320 --> 00:24:18,649

psychokinesis can they move matter with

490

00:24:22,659 --> 00:24:20,330

their mind they are interested in

491

00:24:24,310 --> 00:24:22,669

abductees genetics have they been

492

00:24:26,379 --> 00:24:24,320

genetically enhanced have they been

493

00:24:31,450 --> 00:24:26,389

genetically altered or affected by the

494

00:24:33,879 --> 00:24:31,460

ETS could it be the CIA is using the

495

00:24:36,640 --> 00:24:33,889

program to prepare for an alien invasion

496

00:24:40,880 --> 00:24:38,990

covert intelligence and military

497

00:24:41,120 --> 00:24:40,890

agencies are trying in every way they

498

00:24:45,680 --> 00:24:41,130

can

499

00:24:46,690 --> 00:24:45,690

about the ETS about their motives and

500

00:24:49,340 --> 00:24:46,700

agendas

501
00:24:51,800 --> 00:24:49,350
Leslie believes if the my lap program

502
00:24:54,760 --> 00:24:51,810
were ever made public it would destroy

503
00:24:56,810 --> 00:24:54,770
the government it's immoral

504
00:24:58,670 --> 00:24:56,820
unconstitutional illegal to say the

505
00:25:01,340 --> 00:24:58,680
least these are humans mistreating

506
00:25:07,430 --> 00:25:04,460
yes Sylvia Crawford the victim of a

507
00:25:09,919 --> 00:25:07,440
sinister covert intelligence program if

508
00:25:12,350 --> 00:25:09,929
she the product of an alien program to

509
00:25:16,039 --> 00:25:12,360
create human hybrids or could there be

510
00:25:18,860 --> 00:25:16,049
another explanation physical

511
00:25:21,830 --> 00:25:18,870
anthropologist dr. Eugenie Scott says an

512
00:25:24,379 --> 00:25:21,840
alien human combination is impossible

513
00:25:26,480 --> 00:25:24,389

why would we assume that there's any

514

00:25:28,279 --> 00:25:26,490

similarity in the genes of an alien and

515

00:25:30,379 --> 00:25:28,289

the genes of a human and if you don't

516

00:25:32,230 --> 00:25:30,389

have the same genes you can't produce

517

00:25:35,210 --> 00:25:32,240

offspring you can't produce that hybrid

518

00:25:37,639 --> 00:25:35,220

dr. Scott thinks for hybrids to exist

519

00:25:39,259 --> 00:25:37,649

aliens would have to possess DNA the

520

00:25:41,539 --> 00:25:39,269

molecule that encodes the genetic

521

00:25:44,720 --> 00:25:41,549

blueprint for every living thing on

522

00:25:47,779 --> 00:25:44,730

earth what's the probability that the

523

00:25:49,639 --> 00:25:47,789

DNA of an alien would in any way shape

524

00:25:51,470 --> 00:25:49,649

or form line up with our DNA the

525

00:25:53,899 --> 00:25:51,480

probability is zero

526

00:25:55,879 --> 00:25:53,909

DNA is a chain like molecule that's

527

00:25:57,889 --> 00:25:55,889

found in every cell and among other

528

00:25:59,960 --> 00:25:57,899

functions it has to do with passing on

529

00:26:02,060 --> 00:25:59,970

the reddit area information which from

530

00:26:04,369 --> 00:26:02,070

generation to generation so if you're a

531

00:26:06,409 --> 00:26:04,379

mosquito or a single-celled organism a

532

00:26:09,169 --> 00:26:06,419

slime mold or human being you've got DNA

533

00:26:12,619 --> 00:26:09,179

and when mosquitoes or humans reproduce

534

00:26:15,919 --> 00:26:12,629

a strand of DNA from a male and a strand

535

00:26:18,649 --> 00:26:15,929

of DNA from a female link up and in that

536

00:26:20,509 --> 00:26:18,659

fertilized egg allow for these cells to

537

00:26:22,629 --> 00:26:20,519

divide and to differentiate in a new

538

00:26:25,549 --> 00:26:22,639

mosquito or a new human being to be born

539

00:26:27,289 --> 00:26:25,559

but if you take a strand of human DNA

540

00:26:29,119 --> 00:26:27,299

and a strand of mosquito DNA they're not

541

00:26:31,249 --> 00:26:29,129

going to link up so you're not gonna get

542

00:26:34,399 --> 00:26:31,259

a mosquito human-hybrid or you know too

543

00:26:36,619 --> 00:26:34,409

bad for the movie to fly but you human

544

00:26:37,869 --> 00:26:36,629

DNA just doesn't link up with the DNA of

545

00:26:40,789 --> 00:26:37,879

any other creature on this planet

546

00:26:42,380 --> 00:26:40,799

because a hybrid have been engineered in

547

00:26:45,650 --> 00:26:42,390

the secret Cold War

548

00:26:48,230 --> 00:26:45,660

the way cynthia crawford claims if you

549

00:26:52,340 --> 00:26:48,240

believe dr. scott it's been tried before

550

00:26:56,150 --> 00:26:52,350

with our closest living relative russian

551
00:26:58,730 --> 00:26:56,160
scientists back in the 30s and 40s tried

552
00:27:01,610 --> 00:26:58,740
unsuccessfully to make a hybrid between

553
00:27:03,320 --> 00:27:01,620
a human and a chimpanzee who knows

554
00:27:05,900 --> 00:27:03,330
whether such a thing could be done today

555
00:27:07,730 --> 00:27:05,910
it's probably very unlikely but what

556
00:27:09,980 --> 00:27:07,740
about Cynthia's memories there have been

557
00:27:11,630 --> 00:27:09,990
a lot of studies on people who have

558
00:27:14,480 --> 00:27:11,640
claimed to have had encounters with

559
00:27:17,840 --> 00:27:14,490
aliens the bottom line is there's never

560
00:27:19,370 --> 00:27:17,850
any actual evidence dr. Scott thinks

561
00:27:23,390 --> 00:27:19,380
Cynthia's claims require extraordinary

562
00:27:25,190 --> 00:27:23,400
proof if I told you that I had a colony

563
00:27:27,680 --> 00:27:25,200

of invisible fairies under my bed you'd

564

00:27:28,820 --> 00:27:27,690

say a genie where's your evidence for

565

00:27:31,670 --> 00:27:28,830

that night say we'll look at the dust

566

00:27:33,500 --> 00:27:31,680

invisible fairies cause dust you would

567

00:27:35,000 --> 00:27:33,510

probably say but dust can come from

568

00:27:37,610 --> 00:27:35,010

another cause maybe don't clean your

569

00:27:39,080 --> 00:27:37,620

house enough the doctor feels there's

570

00:27:41,540 --> 00:27:39,090

only one sure way to determine if

571

00:27:44,270 --> 00:27:41,550

Cynthia's claims are true I think that

572

00:27:47,360 --> 00:27:44,280

if anybody did a DNA test on her she

573

00:27:50,360 --> 00:27:47,370

would be found to have 100% human DNA is

574

00:27:51,909 --> 00:27:50,370

Cynthia Crawford an alien hybrid we just

575

00:27:56,240 --> 00:27:51,919

have to find out

576

00:28:01,100 --> 00:27:56,250

for the first time Cynthia has agreed to

577

00:28:02,990 --> 00:28:01,110

undergo a DNA analysis hi there how are

578

00:28:05,900 --> 00:28:03,000

you hi plane I'm just gonna do a quick

579

00:28:12,740 --> 00:28:08,090

well I got show use it for a Cynthia

580

00:28:16,520 --> 00:28:12,750

Crawford I mean DNA tests don't lie

581

00:28:18,080 --> 00:28:16,530

right it's incredible so that means just

582

00:28:20,780 --> 00:28:18,090

a tiny fragment of organic matter they

583

00:28:23,360 --> 00:28:20,790

can tell everything about what you're

584

00:28:26,180 --> 00:28:23,370

made of oh my goodness

585

00:28:27,640 --> 00:28:26,190

I made a pepperoni in a few days the

586

00:28:30,260 --> 00:28:27,650

results are back

587

00:28:32,780 --> 00:28:30,270

Cynthia I'm dr. bierd I have the results

588

00:28:35,420 --> 00:28:32,790

your DNA test are you ready yes okay

589

00:28:37,960 --> 00:28:35,430

dr. bear's tests looked for DNA

590

00:28:44,270 --> 00:28:37,970

inherited from both of Cynthia's parents

591

00:28:45,050 --> 00:28:44,280

did he find it we do DNA testing we do

592

00:28:46,880 --> 00:28:45,060

it all the time

593

00:28:48,080 --> 00:28:46,890

it was a little bit interesting to see

594

00:28:53,770 --> 00:28:48,090

whether we could pick up anything that

595

00:28:59,740 --> 00:28:53,780

would be different the test comes back

596

00:29:02,240 --> 00:28:59,750

conclusive so the bottom line Cynthia

597

00:29:06,560 --> 00:29:02,250

looks like you are human based on the

598

00:29:09,190 --> 00:29:06,570

results that are here Cynthia has DNA

599

00:29:13,520 --> 00:29:09,200

from a normal human mother and father

600

00:29:15,980 --> 00:29:13,530

but how did her father live I'm very

601
00:29:18,110 --> 00:29:15,990
saddened by it because I wanted to be

602
00:29:21,140 --> 00:29:18,120
able to have some kind of proof but in

603
00:29:23,960 --> 00:29:21,150
this remarkable story there's still one

604
00:29:26,540 --> 00:29:23,970
more twist even though we could not pick

605
00:29:28,310 --> 00:29:26,550
up any alien DNA in your profile doesn't

606
00:29:29,450 --> 00:29:28,320
mean that it's not there it means that

607
00:29:31,700 --> 00:29:29,460
we don't have the systems that are

608
00:29:33,860 --> 00:29:31,710
available to pick it up for Cynthia it's

609
00:29:36,830 --> 00:29:33,870
good news it means there's a chance her

610
00:29:39,110 --> 00:29:36,840
wild claims could yet be true they have

611
00:29:41,750 --> 00:29:39,120
absolutely no way of determining alien

612
00:29:43,580 --> 00:29:41,760
DNA there are no tests for alien DNA

613
00:29:47,389 --> 00:29:43,590

because they've never had aliens that

614

00:29:50,680 --> 00:29:47,399

they've been able to get DNA swabs from

615

00:29:53,690 --> 00:29:50,690

could Cynthia have alien DNA after all

616

00:29:57,139 --> 00:29:53,700

is she the victim of a sinister alien

617

00:29:58,909 --> 00:29:57,149

abduction or was she the target on a

618

00:30:01,489 --> 00:29:58,919

top-secret intelligence gathering

619

00:30:07,609 --> 00:30:01,499

operation whatever the truth

620

00:30:09,889 --> 00:30:07,619

this story is 100% weird or what a u.s.

621

00:30:12,049 --> 00:30:09,899

servicemen befriends an alien colony on

622

00:30:14,149 --> 00:30:12,059

a secret Air Force Base they wouldn't

623

00:30:16,099 --> 00:30:14,159

hesitate for a second to kill a human

624

00:30:18,229 --> 00:30:16,109

you know they Lian's are living here on

625

00:30:20,180 --> 00:30:18,239

earth did that a good job of hiding

626

00:30:21,950 --> 00:30:20,190

ourselves some take on the appearance of

627

00:30:23,839 --> 00:30:21,960

humans others look like animals but

628

00:30:27,619 --> 00:30:23,849

there's one place on earth that aliens

629

00:30:30,820 --> 00:30:27,629

can relax be themselves somewhere we're

630

00:30:40,619 --> 00:30:30,830

being totally strange and weird isn't

631

00:30:46,450 --> 00:30:44,859

zach-bots March 1965 at the height of

632

00:30:48,879 --> 00:30:46,460

the Cold War and the start of the

633

00:30:50,499 --> 00:30:48,889

conflict in Vietnam the US government is

634

00:30:53,049 --> 00:30:50,509

busy building the most powerful Air

635

00:30:55,720 --> 00:30:53,059

Force in history one of its new recruits

636

00:30:58,570 --> 00:30:55,730

is 20-year old Charles Hall Charles

637

00:31:00,639 --> 00:30:58,580

James Hall airman 2nd class US Air Force

638

00:31:03,399 --> 00:31:00,649

Hall is assigned to Nellis Air Force

639

00:31:05,200 --> 00:31:03,409

Base a vast and secret testing range in

640

00:31:09,310 --> 00:31:05,210

the Nevada desert located near the

641

00:31:11,710 --> 00:31:09,320

infamous area 51 Paul's job is to

642

00:31:15,220 --> 00:31:11,720

observe weather conditions in isolated

643

00:31:17,229 --> 00:31:15,230

areas I was walking from the weather

644

00:31:27,590 --> 00:31:17,239

station back to my barracks at about

645

00:31:33,799 --> 00:31:29,480

there were three of them out by the

646

00:31:33,809 --> 00:31:43,930

one of them was following me

647

00:31:50,259 --> 00:31:47,379

I thought that I was sleepwalking or

648

00:31:53,080 --> 00:31:50,269

dreaming as the days go on the sightings

649

00:31:56,529 --> 00:31:53,090

continue Paul wonders if he's losing his

650

00:31:58,570 --> 00:31:56,539

mind for the first six months I was in

651
00:31:59,919 --> 00:31:58,580
terror and even when they were standing

652
00:32:02,710 --> 00:31:59,929
in front of me I thought I was

653
00:32:04,930 --> 00:32:02,720
hallucinating I'm out there alone and I

654
00:32:07,090 --> 00:32:04,940
don't have any frame of reference the

655
00:32:10,299 --> 00:32:07,100
fear of the unknown is far worse than

656
00:32:12,009 --> 00:32:10,309
being shot at or anything else as the

657
00:32:14,529 --> 00:32:12,019
encounters continue Paul begins to

658
00:32:17,909 --> 00:32:14,539
accept a bizarre possibility they're not

659
00:32:21,669 --> 00:32:17,919
hallucinations they're extraterrestrials

660
00:32:24,549 --> 00:32:21,679
he even gives them a nickname the tall

661
00:32:27,460 --> 00:32:24,559
whites the reason I call them the tall

662
00:32:29,889 --> 00:32:27,470
White's is because their skin is as

663
00:32:32,740 --> 00:32:29,899

white as a piece of paper but why are

664

00:32:36,399 --> 00:32:32,750

they there the young airman soon

665

00:32:38,169 --> 00:32:36,409

discovers it's no accident not only are

666

00:32:40,810 --> 00:32:38,179

his Air Force superiors aware of the

667

00:32:43,240 --> 00:32:40,820

aliens presence there hosting them in a

668

00:32:46,180 --> 00:32:43,250

secret underground complex protected and

669

00:32:47,619 --> 00:32:46,190

hidden from outside view there was a

670

00:32:49,749 --> 00:32:47,629

very large space because it was all

671

00:32:51,009 --> 00:32:49,759

tunneled into the mountain in return

672

00:32:52,779 --> 00:32:51,019

they hope the visitors will share the

673

00:32:55,570 --> 00:32:52,789

secrets of their advanced technology I

674

00:32:58,060 --> 00:32:55,580

estimate that there were probably 204

675

00:32:59,799 --> 00:32:58,070

whites living on the base deciding to

676
00:33:02,549 --> 00:32:59,809
investigate further halt and cover

677
00:33:05,549 --> 00:33:02,559
something disturbing but all whites

678
00:33:07,899 --> 00:33:05,559
aren't quite friendly as they seem

679
00:33:09,340 --> 00:33:07,909
official records reveal many of his

680
00:33:11,970 --> 00:33:09,350
predecessors on duty at the weather

681
00:33:16,749 --> 00:33:11,980
station mysteriously lost their minds or

682
00:33:19,180 --> 00:33:16,759
were killed by the aliens 41 Airmen were

683
00:33:21,460 --> 00:33:19,190
sent out there before me many of them

684
00:33:22,779 --> 00:33:21,470
became so afraid of the desert and the

685
00:33:24,129 --> 00:33:22,789
tall Heights that they wouldn't go out

686
00:33:26,230 --> 00:33:24,139
and take a weather report at all

687
00:33:29,080 --> 00:33:26,240
others were attacked some were burned

688
00:33:32,200 --> 00:33:29,090

but why would they attack there's a

689

00:33:33,130 --> 00:33:32,210

simple answer the tall whites are a

690

00:33:36,070 --> 00:33:33,140

company

691

00:33:38,830 --> 00:33:36,080

by their children and the mothers are

692

00:33:40,780 --> 00:33:38,840

ruthlessly protective the Tahoe mother

693

00:33:43,630 --> 00:33:40,790

wouldn't hesitate for a second to kill a

694

00:33:44,230 --> 00:33:43,640

human Paul finds a way to earn their

695

00:33:46,930 --> 00:33:44,240

trust

696

00:33:50,630 --> 00:33:46,940

he rescues the child of an alien he

697

00:33:55,160 --> 00:33:52,550

I was how that range one one day and I

698

00:33:57,680 --> 00:33:55,170

saw the teachers daughter the who's name

699

00:33:59,510 --> 00:33:57,690

was the little butterfly trapped out in

700

00:34:02,420 --> 00:33:59,520

the sagebrush and I went out and broke

701
00:34:03,890 --> 00:34:02,430
down the sagebrush and rescued her as a

702
00:34:06,560 --> 00:34:03,900
result all has given extraordinary

703
00:34:08,360 --> 00:34:06,570
access to the creatures allowing him to

704
00:34:12,050 --> 00:34:08,370
study them up close for the next two

705
00:34:14,180 --> 00:34:12,060
years what he learns defies belief the

706
00:34:17,600 --> 00:34:14,190
young adults are about the same height

707
00:34:19,880 --> 00:34:17,610
that I am five Town but they're very

708
00:34:21,950 --> 00:34:19,890
frail their nervous system runs

709
00:34:24,350 --> 00:34:21,960
two-and-a-half or three times faster

710
00:34:26,930 --> 00:34:24,360
than ours and so when you're dealing

711
00:34:29,570 --> 00:34:26,940
with them they can move suddenly or do

712
00:34:32,909 --> 00:34:29,580
very unexpected things way faster than a

713
00:34:40,030 --> 00:34:37,150

the toll Heights had vehicles that they

714

00:34:42,280 --> 00:34:40,040

used the way we use cars to travel

715

00:34:44,230 --> 00:34:42,290

around the earth and between the earth

716

00:34:46,360 --> 00:34:44,240

and the moon and the inner solar system

717

00:34:48,430 --> 00:34:46,370

I'm not certain where they come from I

718

00:34:51,550 --> 00:34:48,440

believe they come here from the

719

00:34:54,550 --> 00:34:51,560

direction of the star Arcturus which

720

00:34:57,520 --> 00:34:54,560

lays out there at 36 light years but

721

00:34:59,890 --> 00:34:57,530

that is not their own planet my guess is

722

00:35:03,850 --> 00:34:59,900

that their home planet is a star that is

723

00:35:05,980 --> 00:35:03,860

roughly 105 light years away and it's

724

00:35:08,260 --> 00:35:05,990

our tourists is where they have a base I

725

00:35:11,080 --> 00:35:08,270

believe they've been here for a very

726
00:35:14,440 --> 00:35:11,090
long time I note that the ancient Greeks

727
00:35:18,940 --> 00:35:14,450
and the legends of ancient Greece the

728
00:35:21,490 --> 00:35:18,950
date from at least a 975 BC talked about

729
00:35:24,340 --> 00:35:21,500
a group of tall white gods that came

730
00:35:25,810 --> 00:35:24,350
here from the star Arcturus and the men

731
00:35:27,520 --> 00:35:25,820
of ancient Greece said that when you

732
00:35:29,860 --> 00:35:27,530
were when they were camping on the

733
00:35:32,140 --> 00:35:29,870
slopes of Mount Olympus in the warm

734
00:35:34,090 --> 00:35:32,150
summer nights these gods would come and

735
00:35:36,610 --> 00:35:34,100
stand just out of range of the fire

736
00:35:39,160 --> 00:35:36,620
light of the campfire light and watch

737
00:35:41,530 --> 00:35:39,170
everything they were doing if that seems

738
00:35:45,510 --> 00:35:41,540

implausible halls next claim borders on

739

00:35:47,700 --> 00:35:45,520

preposterous but

740

00:35:50,460 --> 00:35:47,710

they get bored sitting out on the base

741

00:35:52,350 --> 00:35:50,470

at Indian Springs and they like to come

742

00:35:56,400 --> 00:35:52,360

into Las Vegas and see the shows and

743

00:35:58,170 --> 00:35:56,410

Gamble and enjoy themselves paul weitz

744

00:36:01,280 --> 00:35:58,180

were very good gamblers because their

745

00:36:03,420 --> 00:36:01,290

eyesight was better than those of humans

746

00:36:05,490 --> 00:36:03,430

so they could look at the back of a

747

00:36:08,130 --> 00:36:05,500

carbon blackjack deck and always tell

748

00:36:10,350 --> 00:36:08,140

what the next card was Paul finished his

749

00:36:12,510 --> 00:36:10,360

military service in 1968 and never saw

750

00:36:15,080 --> 00:36:12,520

the tall White's again he believes

751
00:36:18,150 --> 00:36:15,090
they're still living at Indian Springs

752
00:36:20,460 --> 00:36:18,160
veteran UFO reporter Paula Harris spent

753
00:36:22,110 --> 00:36:20,470
months investigating Hall story they

754
00:36:24,090 --> 00:36:22,120
truly believe the credibility of this

755
00:36:24,990 --> 00:36:24,100
man and I believe this story it's truly

756
00:36:27,180 --> 00:36:25,000
an amazing story

757
00:36:29,520 --> 00:36:27,190
Harris obtained halls old airforce

758
00:36:30,450 --> 00:36:29,530
psychological tests to try to determine

759
00:36:31,220 --> 00:36:30,460
if he might have been mentally

760
00:36:34,290 --> 00:36:31,230
unbalanced

761
00:36:35,430 --> 00:36:34,300
she made a startling discovery Paul

762
00:36:38,970 --> 00:36:35,440
passed with flying colors

763
00:36:41,940 --> 00:36:38,980

it was a test on logic so Charles Hall

764

00:36:46,880 --> 00:36:41,950

is very controlled and he's very logical

765

00:36:49,140 --> 00:36:46,890

and he's very credible as a witness

766

00:36:51,210 --> 00:36:49,150

Harrison also learned that after his

767

00:36:53,490 --> 00:36:51,220

military service all completed to

768

00:36:55,590 --> 00:36:53,500

master's degrees and worked as a nuclear

769

00:36:57,819 --> 00:36:55,600

physicist before going public with the

770

00:37:00,890 --> 00:36:57,829

stories of tall whites

771

00:37:01,729 --> 00:37:00,900

that someone that educated simply be

772

00:37:04,309 --> 00:37:01,739

making it up

773

00:37:06,259 --> 00:37:04,319

she thinks halls account is simply too

774

00:37:09,279 --> 00:37:06,269

thorough and meticulous to have been

775

00:37:12,739 --> 00:37:09,289

invented Charles goes into detail about

776

00:37:15,679 --> 00:37:12,749

how these people live about their

777

00:37:17,479 --> 00:37:15,689

lifestyle I can tell when someone is

778

00:37:19,789 --> 00:37:17,489

telling the truth and I believe Charles

779

00:37:23,689 --> 00:37:19,799

halls story he tells it very clearly

780

00:37:27,890 --> 00:37:23,699

concisely and he also remembers details

781

00:37:31,039 --> 00:37:27,900

the man is incredible with details he he

782

00:37:33,589 --> 00:37:31,049

lived this he knows about this case and

783

00:37:36,049 --> 00:37:33,599

he it's been part of his his life could

784

00:37:38,179 --> 00:37:36,059

charles halls and testicle claims be

785

00:37:42,829 --> 00:37:38,189

true are aliens

786

00:37:45,769 --> 00:37:42,839

using earth as a second home or is there

787

00:37:47,749 --> 00:37:45,779

another answer a man claims to have

788

00:37:50,449 --> 00:37:47,759

lived with a colony of aliens on the US

789

00:37:54,980 --> 00:37:50,459

Air Force Base does his military

790

00:38:01,950 --> 00:37:57,300

psychotherapist Kimberly Moffett doesn't

791

00:38:03,930 --> 00:38:01,960

think so she's an shocked by all stories

792

00:38:06,930 --> 00:38:03,940

of living with aliens she's heard them

793

00:38:08,550 --> 00:38:06,940

before from her own patients I thought

794

00:38:10,380 --> 00:38:08,560

loss of schizophrenia patients talked

795

00:38:11,670 --> 00:38:10,390

about how they lived with aliens and in

796

00:38:15,300 --> 00:38:11,680

the mental health field this is very

797

00:38:17,690 --> 00:38:15,310

common muffles such missions could be a

798

00:38:22,440 --> 00:38:17,700

symptom of a rare condition known as

799

00:38:24,300 --> 00:38:22,450

grandiose delusion disorder grandiose

800

00:38:26,430 --> 00:38:24,310

delusional disorder is the type of

801
00:38:27,630 --> 00:38:26,440
delusion that happens when people think

802
00:38:29,730 --> 00:38:27,640
that they're kind of the strongest

803
00:38:34,920 --> 00:38:29,740
fastest and most intelligent person

804
00:38:36,090 --> 00:38:34,930
alive in some cases they're the

805
00:38:38,280 --> 00:38:36,100
delusions actually have like a

806
00:38:40,020 --> 00:38:38,290
supernatural or religious or science

807
00:38:43,020 --> 00:38:40,030
fiction type quality according to

808
00:38:44,910 --> 00:38:43,030
Moffitt one symptom of GDD is the

809
00:38:47,580 --> 00:38:44,920
subject has no idea they're delusional

810
00:38:48,000 --> 00:38:47,590
and are all the more believable because

811
00:38:49,440 --> 00:38:48,010
of it

812
00:38:51,360 --> 00:38:49,450
the way that I would explain the

813
00:38:54,360 --> 00:38:51,370

consistency of Charles Hall story is

814

00:38:57,690 --> 00:38:54,370

that he really does remember this as if

815

00:38:59,640 --> 00:38:57,700

it were facts happening so in any person

816

00:39:02,790 --> 00:38:59,650

that's experiencing a hallucination or

817

00:39:04,950 --> 00:39:02,800

delusion it is very real to them I can't

818

00:39:07,140 --> 00:39:04,960

emphasize that enough what he

819

00:39:09,270 --> 00:39:07,150

experienced it may not be real to any of

820

00:39:11,460 --> 00:39:09,280

us but in his own mind could have been

821

00:39:14,100 --> 00:39:11,470

very real and very detail-oriented

822

00:39:15,810 --> 00:39:14,110

almost as if it were a dream so you and

823

00:39:17,340 --> 00:39:15,820

I have dreams every night and we might

824

00:39:19,290 --> 00:39:17,350

wake up and feel a certain way and

825

00:39:20,640 --> 00:39:19,300

remember vividly what happened and this

826

00:39:22,440 --> 00:39:20,650

is the same way that somebody with a

827

00:39:23,430 --> 00:39:22,450

mental health disorder might remember a

828

00:39:26,710 --> 00:39:23,440

hallucination

829

00:39:29,620 --> 00:39:26,720

what if these memories are delusional

830

00:39:31,240 --> 00:39:29,630

what caused it Moffett Field was the

831

00:39:33,790 --> 00:39:31,250

very thing that brought him to Indian

832

00:39:36,550 --> 00:39:33,800

Springs in the first place military

833

00:39:39,160 --> 00:39:36,560

service we know that he did fight in

834

00:39:40,839 --> 00:39:39,170

Vietnam and a lot of times when war

835

00:39:42,490 --> 00:39:40,849

survivors come back they're incredibly

836

00:39:43,630 --> 00:39:42,500

traumatized sometimes that can be

837

00:39:45,400 --> 00:39:43,640

something that lasts for the rest of

838

00:39:47,560 --> 00:39:45,410

their life and can even push them into

839

00:39:49,180 --> 00:39:47,570

having other mental health issues with

840

00:39:50,980 --> 00:39:49,190

something like schizophrenia there is a

841

00:39:53,530 --> 00:39:50,990

genetic component that part has been

842

00:39:56,260 --> 00:39:53,540

proven so if you do have a family member

843

00:39:58,089 --> 00:39:56,270

or somebody who's been in Europe in your

844

00:39:59,230 --> 00:39:58,099

ancestry that has schizophrenia then

845

00:39:59,680 --> 00:39:59,240

there's a chance that you could have it

846

00:40:02,320 --> 00:39:59,690

too

847

00:40:04,630 --> 00:40:02,330

but people also it's kind of like a

848

00:40:05,650 --> 00:40:04,640

light switch going on and off and a lot

849

00:40:08,170 --> 00:40:05,660

of times we find that schizophrenia

850

00:40:09,940 --> 00:40:08,180

sufferers have their first experience

851
00:40:11,710 --> 00:40:09,950
when they're under an extreme amount of

852
00:40:14,260 --> 00:40:11,720
stress so it could be fighting in a war

853
00:40:15,940 --> 00:40:14,270
going through a traumatic experience or

854
00:40:17,650 --> 00:40:15,950
even you know being in music school or

855
00:40:18,970 --> 00:40:17,660
writing exams in law school that type of

856
00:40:20,770 --> 00:40:18,980
thing when people are really really

857
00:40:22,900 --> 00:40:20,780
stressed to the max we find that that's

858
00:40:24,250 --> 00:40:22,910
when they have their first episodes so

859
00:40:26,560 --> 00:40:24,260
that is definitely something that could

860
00:40:29,109 --> 00:40:26,570
trigger the onset of a delusional

861
00:40:31,329 --> 00:40:29,119
disorder good psychological trauma be

862
00:40:33,760 --> 00:40:31,339
the root of Charles false memories dead

863
00:40:36,910 --> 00:40:33,770

military service make him retreat into a

864

00:40:38,450 --> 00:40:36,920

fantasy world do tall whites exist only

865

00:40:41,850 --> 00:40:38,460

in his mind

866

00:40:46,020 --> 00:40:41,860

conspiracy expert Patrick White think so

867

00:40:48,960 --> 00:40:46,030

but not for the reason you might think

868

00:40:51,270 --> 00:40:48,970

he thinks Charles Hall was the victim of

869

00:40:54,570 --> 00:40:51,280

a secret government mind control program

870

00:40:57,600 --> 00:40:54,580

known as project MKULTRA it attempted to

871

00:41:00,330 --> 00:40:57,610

discover if LSD and other drugs can be

872

00:41:02,220 --> 00:41:00,340

used as weapons the CIA and the

873

00:41:04,470 --> 00:41:02,230

government were trying to find a virtual

874

00:41:06,840 --> 00:41:04,480

truth serum they were performing all

875

00:41:08,370 --> 00:41:06,850

kinds of weird and bizarre experiments

876

00:41:09,920 --> 00:41:08,380

on these individuals to basically see

877

00:41:11,850 --> 00:41:09,930

how they could get them to confess

878

00:41:14,160 --> 00:41:11,860

military secrets

879

00:41:16,770 --> 00:41:14,170

they were basically recruiting unwitting

880

00:41:19,800 --> 00:41:16,780

patients individuals were going into

881

00:41:23,300 --> 00:41:19,810

hospitals for anxiety depression

882

00:41:26,250 --> 00:41:23,310

disorders and for months they were just

883

00:41:28,410 --> 00:41:26,260

experimented on unknowingly and

884

00:41:32,790 --> 00:41:28,420

unwittingly the victims of the MKULTRA

885

00:41:36,510 --> 00:41:32,800

project were generally subjected to

886

00:41:38,340 --> 00:41:36,520

various forms of torture and abuse they

887

00:41:40,710 --> 00:41:38,350

were trying to break down the will of

888

00:41:42,600 --> 00:41:40,720

the individual and remove the

889

00:41:44,730 --> 00:41:42,610

personality completely so that they can

890

00:41:48,090 --> 00:41:44,740

program them in whichever way they saw

891

00:41:50,010 --> 00:41:48,100

fit so people were administered

892

00:41:52,530 --> 00:41:50,020

amphetamines where they would be

893

00:41:54,450 --> 00:41:52,540

completely jacked up for periods of time

894

00:41:56,610 --> 00:41:54,460

and then what they would be administered

895

00:41:58,670 --> 00:41:56,620

barbituates through an IV where they

896

00:42:02,250 --> 00:41:58,680

would can be completely brought down

897

00:42:05,250 --> 00:42:02,260

people were administered LSD and were

898

00:42:07,980 --> 00:42:05,260

forced to listen to repetitive audio

899

00:42:11,670 --> 00:42:07,990

loops over hours at a time people were

900

00:42:13,890 --> 00:42:11,680

put into drug induced comas basically

901
00:42:18,710 --> 00:42:13,900
anything that could be done to break the

902
00:42:24,840 --> 00:42:22,230
MKULTRA implant false stories into halls

903
00:42:26,130 --> 00:42:24,850
brain they could have programmed him to

904
00:42:28,110 --> 00:42:26,140
think he was a platypus

905
00:42:30,510 --> 00:42:28,120
and he would have believed they could

906
00:42:34,680 --> 00:42:30,520
have totally programmed him to think wow

907
00:42:40,020 --> 00:42:34,690
I've interacted worked lived and mingled

908
00:42:41,940 --> 00:42:40,030
with alien beings was Charles Hall the

909
00:42:43,080 --> 00:42:41,950
victim of secret government mind-control

910
00:42:45,480 --> 00:42:43,090
experiments

911
00:42:48,180 --> 00:42:45,490
is he suffering from a delusional

912
00:42:51,150 --> 00:42:48,190
psychological disorder or Duty really

913
00:43:05,170 --> 00:42:51,160

live among aliens at a u.s. Air Force
