

A man with a mustache, wearing a dark suit jacket over a red shirt, stands in front of an Egyptian museum exhibit. To his right is a golden sarcophagus with a black and gold striped nemes. The background consists of grey stone blocks.

**JOHN
VENTRE**

**"HANGAR
ONE"**

1
00:00:14,920 --> 00:00:31,589
um

2
00:00:35,430 --> 00:00:33,670
welcome to unraveling the secrets where

3
00:00:36,870 --> 00:00:35,440
we explore the connecting links between

4
00:00:38,630 --> 00:00:36,880
the pernicious deeds of the group of

5
00:00:40,310 --> 00:00:38,640
secret society outlaws

6
00:00:42,310 --> 00:00:40,320
who are creating a tightly controlled

7
00:00:42,869 --> 00:00:42,320
world society with them as bosses and

8
00:00:45,270 --> 00:00:42,879
you and i

9
00:00:47,270 --> 00:00:45,280
as slaves to their system popularly

10
00:00:49,110 --> 00:00:47,280
known as the new world order

11
00:00:51,270 --> 00:00:49,120
research indicates that most of the

12
00:00:53,270 --> 00:00:51,280
unexplained craft we see in our skies

13
00:00:55,110 --> 00:00:53,280

are from somewhere on or inside our

14

00:00:55,670 --> 00:00:55,120

planet this led to research of the

15

00:00:57,590 --> 00:00:55,680

hollywood

16

00:00:58,790 --> 00:00:57,600

subterranean theories in the 1980s and

17

00:01:01,349 --> 00:00:58,800

90s which

18

00:01:03,110 --> 00:01:01,359

in turn led to the realization that the

19

00:01:04,789 --> 00:01:03,120

answers we seek are in the control of a

20

00:01:06,950 --> 00:01:04,799

number of elitist groups and secret

21

00:01:09,190 --> 00:01:06,960

societies that we call collectively

22

00:01:10,310 --> 00:01:09,200

the controllers even a quick look at

23

00:01:11,510 --> 00:01:10,320

recent world events

24

00:01:14,230 --> 00:01:11,520

should convince anyone that the

25

00:01:16,070 --> 00:01:14,240

controller's plan is working very well

26

00:01:17,510 --> 00:01:16,080

it is these things we explore on this

27

00:01:19,749 --> 00:01:17,520

radio show join us

28

00:01:22,789 --> 00:01:19,759

as we work towards unraveling the

29

00:01:26,630 --> 00:01:25,590

greetings once again and welcome to

30

00:01:29,830 --> 00:01:26,640

unraveling

31

00:01:32,550 --> 00:01:29,840

the secrets at a new time with fabulous

32

00:01:33,670 --> 00:01:32,560

new hosts join us for our second week as

33

00:01:36,230 --> 00:01:33,680

we jaunt around

34

00:01:37,270 --> 00:01:36,240

the universe this is timothy green

35

00:01:40,710 --> 00:01:37,280

beckley mr

36

00:01:43,350 --> 00:01:40,720

ufo on the manhattan side of the hudson

37

00:01:44,710 --> 00:01:43,360

and across the river in jersey city we

38

00:01:46,950 --> 00:01:44,720

have carla anderson

39

00:01:47,910 --> 00:01:46,960

representing the cutting edge of the

40

00:01:51,030 --> 00:01:47,920

paranormal

41

00:01:53,910 --> 00:01:51,040

happy valentine's day carla

42

00:01:55,350 --> 00:01:53,920

hello happy valentine's day tim well

43

00:01:57,670 --> 00:01:55,360

there we are

44

00:01:59,350 --> 00:01:57,680

yeah uh did you do anything special on

45

00:02:01,590 --> 00:01:59,360

valentine's day

46

00:02:03,670 --> 00:02:01,600

oh i worked today then i had some dinner

47

00:02:04,950 --> 00:02:03,680

and then i took a nap and here i am this

48

00:02:06,149 --> 00:02:04,960

is what i'm doing special this is my

49

00:02:08,949 --> 00:02:06,159

special

50

00:02:09,830 --> 00:02:08,959

well i'm glad we're all around the

51
00:02:17,270 --> 00:02:09,840
campfire

52
00:02:19,830 --> 00:02:17,280
and down in miami very chic miami

53
00:02:20,550 --> 00:02:19,840
we have the custodian of the airways the

54
00:02:24,309 --> 00:02:20,560
jackal

55
00:02:27,589 --> 00:02:24,319
angel espino ceo of the psn

56
00:02:31,190 --> 00:02:27,599
radio network and i feel like singing

57
00:02:34,229 --> 00:02:31,200
a chorus of moon over miami shine on

58
00:02:37,990 --> 00:02:34,239
my love and me so we can stroll

59
00:02:41,670 --> 00:02:38,000
beside the role of the rolling sea

60
00:02:45,190 --> 00:02:41,680
angel welcome thank you sir

61
00:02:48,229 --> 00:02:45,200
to be on again mr ufo and carla yeah

62
00:02:51,430 --> 00:02:48,239
and uh we have one heck of a show

63
00:02:54,550 --> 00:02:51,440

this evening we're going to

64

00:02:57,030 --> 00:02:54,560

uh first be talking um

65

00:02:57,670 --> 00:02:57,040

to our friend our new friend actually

66

00:03:01,430 --> 00:02:57,680

laurie

67

00:03:04,070 --> 00:03:01,440

mcdonald uh who is an abduction

68

00:03:05,190 --> 00:03:04,080

uh therapist and we're going to find out

69

00:03:07,670 --> 00:03:05,200

exactly

70

00:03:08,229 --> 00:03:07,680

how her work differs from that of the

71

00:03:11,030 --> 00:03:08,239

late

72

00:03:12,309 --> 00:03:11,040

bud hopkins and here's some of her case

73

00:03:14,070 --> 00:03:12,319

histories

74

00:03:16,470 --> 00:03:14,080

you know the abduction phenomena of

75

00:03:19,990 --> 00:03:16,480

course is a rather controversial

76

00:03:21,430 --> 00:03:20,000

a part of the whole ufo uh package

77

00:03:23,190 --> 00:03:21,440

there's some there are many people i

78

00:03:25,350 --> 00:03:23,200

don't know angel how many people now

79

00:03:26,309 --> 00:03:25,360

uh supposedly according to a poll say

80

00:03:29,350 --> 00:03:26,319

that they've been

81

00:03:33,830 --> 00:03:29,360

abducted by uh extraterrestrials it's a

82

00:03:38,070 --> 00:03:36,309

of extraterrestrials no no no abducted i

83

00:03:39,750 --> 00:03:38,080

i think even if there's like you know

84

00:03:43,670 --> 00:03:39,760

one percent of the population

85

00:03:46,309 --> 00:03:43,680

it's a huge huge uh figure of people who

86

00:03:48,229 --> 00:03:46,319

maintain that they've actually been uh

87

00:03:51,430 --> 00:03:48,239

absconded uh they're taken up

88

00:03:52,630 --> 00:03:51,440

uh approached and patterned and uh god

89

00:03:54,789 --> 00:03:52,640

knows what now

90

00:03:56,149 --> 00:03:54,799

uh lori though is not just a an

91

00:03:58,630 --> 00:03:56,159

abduction um

92

00:03:59,990 --> 00:03:58,640

therapist but she also is involved with

93

00:04:03,270 --> 00:04:00,000

the uh

94

00:04:04,550 --> 00:04:03,280

con contactees so you know contactees

95

00:04:07,670 --> 00:04:04,560

have usually have a

96

00:04:09,990 --> 00:04:07,680

a pattern of beneficial enlightenment

97

00:04:11,270 --> 00:04:10,000

from their extraterrestrial friends

98

00:04:14,550 --> 00:04:11,280

while a people like

99

00:04:16,629 --> 00:04:14,560

betty hill uh would have been a

100

00:04:18,550 --> 00:04:16,639

hardcore abductee one of the first of

101
00:04:21,590 --> 00:04:18,560
course uh and usually

102
00:04:24,710 --> 00:04:21,600
uh their uh experiences turned to

103
00:04:27,909 --> 00:04:24,720
out to be uh fairly uh negative so

104
00:04:30,230 --> 00:04:27,919
we're gonna hear all sides of the of the

105
00:04:31,909 --> 00:04:30,240
controversy this evening from lori and

106
00:04:33,670 --> 00:04:31,919
then later on in the show

107
00:04:35,110 --> 00:04:33,680
we're going to have the host of the

108
00:04:38,870 --> 00:04:35,120
history channels

109
00:04:41,350 --> 00:04:38,880
uh hangar one program john ventry

110
00:04:41,990 --> 00:04:41,360
uh who's involved with the investigation

111
00:04:45,430 --> 00:04:42,000
from

112
00:04:48,230 --> 00:04:45,440
pennsylvania so

113
00:04:48,550 --> 00:04:48,240

we've got quite a show uh going sounds

114

00:04:51,270 --> 00:04:48,560

like

115

00:04:51,909 --> 00:04:51,280

it sounds good that's a great guess john

116

00:04:54,070 --> 00:04:51,919

ventry

117

00:04:55,670 --> 00:04:54,080

good show to anger one so i think uh

118

00:04:57,189 --> 00:04:55,680

well at this point maybe we should have

119

00:04:59,189 --> 00:04:57,199

a break or should we just bring

120

00:05:00,230 --> 00:04:59,199

uh lori right on well that was uh pretty

121

00:05:00,950 --> 00:05:00,240

quick you know weren't you going to do

122

00:05:03,189 --> 00:05:00,960

10 minutes

123

00:05:04,150 --> 00:05:03,199

well let's let's give the let's give the

124

00:05:06,710 --> 00:05:04,160

guests the time

125

00:05:07,430 --> 00:05:06,720

less patter less chatter and more

126

00:05:08,950 --> 00:05:07,440

interviewing

127

00:05:10,710 --> 00:05:08,960

this evening we're going to unravel a

128

00:05:13,909 --> 00:05:10,720

lot of secrets or as many as we can

129

00:05:16,230 --> 00:05:13,919

actually all right

130

00:05:17,029 --> 00:05:16,240

we're back here on unraveling these

131

00:05:20,150 --> 00:05:17,039

secrets

132

00:05:23,510 --> 00:05:20,160

and our first guest is someone uh

133

00:05:25,029 --> 00:05:23,520

i'm very uh anxious to uh to to speak

134

00:05:26,070 --> 00:05:25,039

with i really don't know too much about

135

00:05:29,189 --> 00:05:26,080

her work

136

00:05:29,430 --> 00:05:29,199

and i'm impatient to to find out what it

137

00:05:32,629 --> 00:05:29,440

is

138

00:05:34,790 --> 00:05:32,639

that she exactly does laurie mcdonald

139

00:05:37,350 --> 00:05:34,800

is a graduate of the dale carnegie

140

00:05:41,189 --> 00:05:37,360

effective speaking and human relations

141

00:05:43,430 --> 00:05:41,199

and a graduate of the uk hypnotherapy

142

00:05:44,790 --> 00:05:43,440

institute now why don't you give us a

143

00:05:45,749 --> 00:05:44,800

little background because like i say i

144

00:05:49,350 --> 00:05:45,759

really don't know

145

00:05:52,150 --> 00:05:49,360

too much about you i met you on facebook

146

00:05:53,749 --> 00:05:52,160

recently and it's seen well uh here's

147

00:05:56,469 --> 00:05:53,759

you know with the passing of

148

00:05:57,749 --> 00:05:56,479

bud hopkins uh you know there's been

149

00:06:00,390 --> 00:05:57,759

sort of a uh

150

00:06:01,189 --> 00:06:00,400

a vacuum an empty vacuum in the uh

151
00:06:02,550 --> 00:06:01,199
abduction

152
00:06:04,550 --> 00:06:02,560
field why don't you give us a little bit

153
00:06:05,270 --> 00:06:04,560
about your background what it is you do

154
00:06:07,510 --> 00:06:05,280
and how

155
00:06:09,830 --> 00:06:07,520
you differ from what the the work that

156
00:06:12,950 --> 00:06:09,840
bud hopkins was involved in

157
00:06:15,029 --> 00:06:12,960
i am a certified clinical hypnotherapist

158
00:06:17,430 --> 00:06:15,039
i own a private practice true

159
00:06:20,070 --> 00:06:17,440
hypnotherapy here in sacramento

160
00:06:22,550 --> 00:06:20,080
i'm the founder and the organizer of the

161
00:06:23,749 --> 00:06:22,560
sacramento alien abduction and contacty

162
00:06:26,629 --> 00:06:23,759
support group

163
00:06:27,029 --> 00:06:26,639

we have 70 plus members who meet once a

164

00:06:28,790 --> 00:06:27,039

month

165

00:06:30,469 --> 00:06:28,800

to discuss either their abduction

166

00:06:32,790 --> 00:06:30,479

experience or their contact

167

00:06:34,150 --> 00:06:32,800

experience we try to shed a little light

168

00:06:36,550 --> 00:06:34,160

on the subject

169

00:06:37,830 --> 00:06:36,560

i'm on the mental health referral list

170

00:06:41,189 --> 00:06:37,840

for mufon

171

00:06:44,790 --> 00:06:41,199

as well as opus and the new organization

172

00:06:47,749 --> 00:06:44,800

free which is really moving ahead

173

00:06:48,230 --> 00:06:47,759

strongly they have an amazing advisory

174

00:06:51,990 --> 00:06:48,240

board

175

00:06:55,390 --> 00:06:52,000

they have kathleen martin mary rodwell

176

00:06:57,589 --> 00:06:55,400

whitley strieber rudy shield the

177

00:06:58,390 --> 00:06:57,599

astrophysicist i believe edgar mitchell

178

00:07:01,430 --> 00:06:58,400

the former

179

00:07:04,629 --> 00:07:01,440

apollo 14 astronaut

180

00:07:07,270 --> 00:07:04,639

and they're putting together

181

00:07:09,430 --> 00:07:07,280

something completely new in ufology

182

00:07:10,909 --> 00:07:09,440

they're compiling reports with all of

183

00:07:13,830 --> 00:07:10,919

these

184

00:07:15,830 --> 00:07:13,840

interdisciplinary and scientific reports

185

00:07:16,870 --> 00:07:15,840

where we can get all of these views to

186

00:07:20,390 --> 00:07:16,880

really see

187

00:07:23,430 --> 00:07:20,400

exactly what's going on in my practice

188

00:07:26,469 --> 00:07:23,440

i see people who have been abducted

189

00:07:27,350 --> 00:07:26,479

by extraterrestrials some claim

190

00:07:30,550 --> 00:07:27,360

interaction

191

00:07:34,070 --> 00:07:30,560

with other entities such as uh

192

00:07:37,110 --> 00:07:34,080

gray zeta or reptilian entities

193

00:07:39,110 --> 00:07:37,120

these encounters are often unpleasant

194

00:07:42,070 --> 00:07:39,120

when it falls under the category of

195

00:07:44,550 --> 00:07:42,080

of abduction because by the very name

196

00:07:46,150 --> 00:07:44,560

it's against one's will

197

00:07:48,629 --> 00:07:46,160

so there's certainly a lot going on

198

00:07:51,830 --> 00:07:48,639

there and i've recently put together

199

00:07:54,150 --> 00:07:51,840

five distinct categories of abduction

200

00:07:56,629 --> 00:07:54,160

um what we can expect what we can

201
00:07:58,150 --> 00:07:56,639
anticipate from that particular type of

202
00:08:00,230 --> 00:07:58,160
uh event

203
00:08:03,670 --> 00:08:00,240
i'm also trying to put together the

204
00:08:06,790 --> 00:08:03,680
psyche of the extraterrestrial involved

205
00:08:07,909 --> 00:08:06,800
say you find yourself face to face eye

206
00:08:11,189 --> 00:08:07,919
to eye with a

207
00:08:11,510 --> 00:08:11,199
gray alien it would be good to know how

208
00:08:16,150 --> 00:08:11,520
to

209
00:08:18,710 --> 00:08:16,160
react so that you can control the

210
00:08:21,189 --> 00:08:18,720
situation to the best of your ability

211
00:08:22,790 --> 00:08:21,199
such as the mantis the insight into

212
00:08:26,230 --> 00:08:22,800
their psyche which is

213
00:08:29,110 --> 00:08:26,240

very strange so all of it hopefully

214

00:08:30,869 --> 00:08:29,120

helping people get more insight and a

215

00:08:32,230 --> 00:08:30,879

better understanding of what's happening

216

00:08:34,389 --> 00:08:32,240

and hopefully

217

00:08:36,469 --> 00:08:34,399

advancing it into some type of a

218

00:08:38,550 --> 00:08:36,479

consciousness expansion for them so that

219

00:08:40,870 --> 00:08:38,560

they can really use it to

220

00:08:42,389 --> 00:08:40,880

possibly fulfill their human potential

221

00:08:44,389 --> 00:08:42,399

whatever that may be

222

00:08:45,910 --> 00:08:44,399

and now how would you say that this

223

00:08:49,350 --> 00:08:45,920

differs from like the work of

224

00:08:50,470 --> 00:08:49,360

bud hopkins and and other uh researchers

225

00:08:53,269 --> 00:08:50,480

in the field

226

00:08:54,710 --> 00:08:53,279

well tell you what i think um my work

227

00:08:57,910 --> 00:08:54,720

differs when i run a

228

00:09:01,590 --> 00:08:57,920

huge support group where we have

229

00:09:04,630 --> 00:09:01,600

uh 20 25 or plus people meeting at once

230

00:09:06,790 --> 00:09:04,640

uh discussing the phenomena from

231

00:09:09,030 --> 00:09:06,800

different angles he did one-on-one

232

00:09:12,310 --> 00:09:09,040

research i do that as well

233

00:09:14,710 --> 00:09:12,320

uh but where i'm able to

234

00:09:16,070 --> 00:09:14,720

take it to the next step and then the

235

00:09:17,990 --> 00:09:16,080

next step of course

236

00:09:20,150 --> 00:09:18,000

with the abduction phenomena the next

237

00:09:21,350 --> 00:09:20,160

logical step of course is the hybrid

238

00:09:24,630 --> 00:09:21,360

program

239

00:09:25,430 --> 00:09:24,640
they're said to have been having

240

00:09:28,389 --> 00:09:25,440
genetics

241

00:09:29,910 --> 00:09:28,399
just uh extracted either ovum or semen

242

00:09:31,110 --> 00:09:29,920
or both depending on who's being

243

00:09:33,030 --> 00:09:31,120
abducted

244

00:09:34,829 --> 00:09:33,040
and what are they doing with it you know

245

00:09:37,829 --> 00:09:34,839
creating some type of hybrid

246

00:09:40,790 --> 00:09:37,839
human alien

247

00:09:42,070 --> 00:09:40,800
child for possible integration into our

248

00:09:44,070 --> 00:09:42,080
own society

249

00:09:45,990 --> 00:09:44,080
there would certainly be major

250

00:09:47,030 --> 00:09:46,000
ramifications if something like that

251
00:09:50,230 --> 00:09:47,040
were to happen

252
00:09:52,070 --> 00:09:50,240
in our medical industry

253
00:09:54,550 --> 00:09:52,080
infrastructure everything would be

254
00:09:57,269 --> 00:09:54,560
affected but what i'm looking at

255
00:09:58,389 --> 00:09:57,279
is how it affects one's consciousness i

256
00:10:01,509 --> 00:09:58,399
think it's not

257
00:10:03,190 --> 00:10:01,519
even so much what extraterrestrial they

258
00:10:06,630 --> 00:10:03,200
saw or encountered

259
00:10:09,030 --> 00:10:06,640
or even what ufo they saw you know what

260
00:10:09,750 --> 00:10:09,040
type of ship whether it's a ufo or an

261
00:10:13,430 --> 00:10:09,760
avc

262
00:10:14,870 --> 00:10:13,440
whether it's cigar shaped or dome shaped

263
00:10:17,670 --> 00:10:14,880

it's not important

264

00:10:18,150 --> 00:10:17,680

i think what's more important is the

265

00:10:20,150 --> 00:10:18,160

fact

266

00:10:21,990 --> 00:10:20,160

that they had the experience and the

267

00:10:25,509 --> 00:10:22,000

reality has changed

268

00:10:28,550 --> 00:10:25,519

now the reality has expanded

269

00:10:31,190 --> 00:10:28,560

to believe in the unseen

270

00:10:33,910 --> 00:10:31,200

or unbelievable so they are no longer

271

00:10:37,110 --> 00:10:33,920

the same their core belief system has

272

00:10:40,470 --> 00:10:37,120

adjusted to accept the phenomena

273

00:10:41,030 --> 00:10:40,480

the next step after that is what we do

274

00:10:43,110 --> 00:10:41,040

with that

275

00:10:44,829 --> 00:10:43,120

as far as our consciousness goes and i

276

00:10:46,470 --> 00:10:44,839

think that's where we see a lot of the

277

00:10:48,389 --> 00:10:46,480

contactees

278

00:10:50,150 --> 00:10:48,399

where they're beyond the abduction

279

00:10:53,430 --> 00:10:50,160

phenomena but they have

280

00:10:57,430 --> 00:10:53,440

contact with entities in much

281

00:11:01,110 --> 00:10:57,440

deeper space beyond a frequency band

282

00:11:03,750 --> 00:11:01,120

more into very deep space

283

00:11:04,710 --> 00:11:03,760

and these entities are supposedly very

284

00:11:07,750 --> 00:11:04,720

altruistic

285

00:11:08,710 --> 00:11:07,760

very advanced uh they don't require a

286

00:11:12,150 --> 00:11:08,720

body

287

00:11:15,269 --> 00:11:12,160

they're basically a consciousness

288

00:11:17,670 --> 00:11:15,279

or an energetic entity because the

289

00:11:19,430 --> 00:11:17,680
contactees that report having

290

00:11:22,790 --> 00:11:19,440
interaction with them

291

00:11:26,230 --> 00:11:22,800
report them as having a

292

00:11:30,470 --> 00:11:26,240
specific color silhouette

293

00:11:33,430 --> 00:11:30,480
not features so much just a silhouette

294

00:11:34,470 --> 00:11:33,440
so so can i just ask questions

295

00:11:39,190 --> 00:11:34,480
absolutely

296

00:11:41,430 --> 00:11:39,200
so um so these 25 people are so they get

297

00:11:42,710 --> 00:11:41,440
that come together uh in your meetings

298

00:11:45,350 --> 00:11:42,720
uh they they

299

00:11:47,350 --> 00:11:45,360
have been abducted or they're or they're

300

00:11:49,190 --> 00:11:47,360
contactees or abductees

301
00:11:50,949 --> 00:11:49,200
yeah they're 25 to come together and

302
00:11:52,710 --> 00:11:50,959
they're trying to they're trying to

303
00:11:54,550 --> 00:11:52,720
get a deeper meaning like they're trying

304
00:11:56,150 --> 00:11:54,560
to not be so freaked out

305
00:11:58,230 --> 00:11:56,160
because they've been abducted and try to

306
00:11:59,670 --> 00:11:58,240
understand what is it that

307
00:12:01,350 --> 00:11:59,680
because are they getting contacted over

308
00:12:03,910 --> 00:12:01,360
and over again

309
00:12:04,550 --> 00:12:03,920
right within the different categories of

310
00:12:06,470 --> 00:12:04,560
contact

311
00:12:07,910 --> 00:12:06,480
you see some have two to five

312
00:12:10,389 --> 00:12:07,920
experiences

313
00:12:11,750 --> 00:12:10,399

uh some are channelers who have an

314

00:12:14,310 --> 00:12:11,760

extraterrestrial speak

315

00:12:16,230 --> 00:12:14,320

through them others are victims of the

316

00:12:17,110 --> 00:12:16,240

abduction phenomena and other people

317

00:12:20,230 --> 00:12:17,120

have very

318

00:12:24,269 --> 00:12:20,240

pleasant uh interaction where they feel

319

00:12:25,670 --> 00:12:24,279

either a mission or some type of

320

00:12:27,590 --> 00:12:25,680

agenda-oriented

321

00:12:29,190 --> 00:12:27,600

where they're collecting information and

322

00:12:32,230 --> 00:12:29,200

interacting uh

323

00:12:33,030 --> 00:12:32,240

with the extraterrestrial saying that

324

00:12:35,590 --> 00:12:33,040

they believe

325

00:12:36,230 --> 00:12:35,600

they have an agreement to do so on some

326

00:12:39,350 --> 00:12:36,240

type of a

327

00:12:40,949 --> 00:12:39,360

soul level that they would have they i'm

328

00:12:42,629 --> 00:12:40,959

sure that it affected the way they feel

329

00:12:45,190 --> 00:12:42,639

about their religious beliefs too

330

00:12:46,790 --> 00:12:45,200

i would think right i mean depending on

331

00:12:48,710 --> 00:12:46,800

the person's belief system

332

00:12:50,550 --> 00:12:48,720

uh the filter that they see things

333

00:12:51,990 --> 00:12:50,560

through will be religious if they were

334

00:12:55,430 --> 00:12:52,000

raised that way

335

00:12:59,030 --> 00:12:55,440

or more spiritual um but still

336

00:13:02,870 --> 00:12:59,040

even religion has a number

337

00:13:04,150 --> 00:13:02,880

of references to extraterrestrials or

338

00:13:05,269 --> 00:13:04,160

craft

339

00:13:06,790 --> 00:13:05,279

i would think they would lose their

340

00:13:07,910 --> 00:13:06,800

religion really if they saw something

341

00:13:11,030 --> 00:13:07,920

like this

342

00:13:13,430 --> 00:13:11,040

i mean i does it you know it makes

343

00:13:15,509 --> 00:13:13,440

question it absolutely and this is where

344

00:13:17,430 --> 00:13:15,519

our reality and our consciousness begins

345

00:13:20,470 --> 00:13:17,440

to change and expand

346

00:13:22,629 --> 00:13:20,480

we must question what's happening

347

00:13:24,629 --> 00:13:22,639

and how it affects us and where our past

348

00:13:25,910 --> 00:13:24,639

what our past really means

349

00:13:27,990 --> 00:13:25,920

i mean and then all of the big

350

00:13:30,710 --> 00:13:28,000

philosophical questions you know

351

00:13:31,750 --> 00:13:30,720

start to rise into your consciousness

352

00:13:33,910 --> 00:13:31,760

such as you know

353

00:13:35,509 --> 00:13:33,920

what are we why are we here so on and so

354

00:13:37,110 --> 00:13:35,519

forth they're very big ones

355

00:13:39,110 --> 00:13:37,120

and what's the government doing that

356

00:13:40,069 --> 00:13:39,120

that that that

357

00:13:42,710 --> 00:13:40,079

we're going through this all by

358

00:13:44,870 --> 00:13:42,720

ourselves too what's going on there

359

00:13:46,790 --> 00:13:44,880

you know i heard speaking earlier you

360

00:13:47,750 --> 00:13:46,800

know the fact is that what's currently

361

00:13:50,870 --> 00:13:47,760

reported

362

00:13:52,230 --> 00:13:50,880

in the abduction phenomena is 280

363

00:13:55,269 --> 00:13:52,240

million people

364

00:13:56,629 --> 00:13:55,279

have reported that worldwide that's

365

00:14:00,150 --> 00:13:56,639

based on a 4

366

00:14:02,230 --> 00:14:00,160

value system that number is i believe

367

00:14:03,910 --> 00:14:02,240

quite low because even in the group that

368

00:14:07,110 --> 00:14:03,920

i run i say there's

369

00:14:08,790 --> 00:14:07,120

over 70 members i can only see 20 or 25

370

00:14:11,350 --> 00:14:08,800

at a time in a support group otherwise

371

00:14:15,030 --> 00:14:11,360

it's just too many to handle

372

00:14:19,430 --> 00:14:15,040

nobody gets a fair chance to speak but

373

00:14:22,389 --> 00:14:19,440

i asked several times how many here

374

00:14:25,030 --> 00:14:22,399

reported their experience and i think

375

00:14:26,790 --> 00:14:25,040

out of 70 i had two people

376

00:14:29,269 --> 00:14:26,800

well who would you report it to outside

377

00:14:33,269 --> 00:14:29,279

of you or hopkins

378

00:14:34,310 --> 00:14:33,279

move on or to opus or to an organization

379

00:14:37,670 --> 00:14:34,320

that collects this

380

00:14:40,710 --> 00:14:37,680

icar uh they've done an amazing job

381

00:14:41,910 --> 00:14:40,720

they've done uh blood samples because

382

00:14:44,069 --> 00:14:41,920

we're looking at

383

00:14:45,990 --> 00:14:44,079

we need we see that not only in the

384

00:14:47,350 --> 00:14:46,000

abduction phenomena but contact these

385

00:14:49,430 --> 00:14:47,360

are generational

386

00:14:51,509 --> 00:14:49,440

it goes back many generations in the

387

00:14:52,310 --> 00:14:51,519

family and so we have to look now at

388

00:14:55,350 --> 00:14:52,320

blood type

389

00:14:58,710 --> 00:14:55,360

and dna how do

390

00:15:02,310 --> 00:14:58,720

how do these people find you well

391

00:15:05,590 --> 00:15:02,320

i run the experiencers group uh

392

00:15:09,110 --> 00:15:05,600

in 2013 at san jose ufo con

393

00:15:11,829 --> 00:15:09,120

i'm doing it again this march 27th in

394

00:15:14,949 --> 00:15:11,839

san jose ufo con

395

00:15:17,509 --> 00:15:14,959

online i do

396

00:15:18,470 --> 00:15:17,519

as much public speaking regarding it

397

00:15:21,750 --> 00:15:18,480

because

398

00:15:23,350 --> 00:15:21,760

really believe that people have the

399

00:15:26,069 --> 00:15:23,360

right to be able to speak

400

00:15:27,189 --> 00:15:26,079

freely about their see without the

401
00:15:29,430 --> 00:15:27,199
ridicule

402
00:15:30,710 --> 00:15:29,440
without people telling them that they're

403
00:15:34,069 --> 00:15:30,720
crazy they're already

404
00:15:35,590 --> 00:15:34,079
having to question their own sanity um

405
00:15:37,990 --> 00:15:35,600
after going through this unless of

406
00:15:38,790 --> 00:15:38,000
course they're a lifelong experimenter

407
00:15:41,110 --> 00:15:38,800
and they've

408
00:15:42,230 --> 00:15:41,120
they've psychologically adapted to this

409
00:15:44,310 --> 00:15:42,240
and accepted it

410
00:15:46,150 --> 00:15:44,320
as part of their own reality from a very

411
00:15:46,949 --> 00:15:46,160
early age so it is in their belief

412
00:15:49,990 --> 00:15:46,959
system

413
00:15:51,829 --> 00:15:50,000

well now run it run it through to us if

414

00:15:55,189 --> 00:15:51,839

somebody comes to you

415

00:15:56,870 --> 00:15:55,199

uh how do you know that they've had an

416

00:15:58,550 --> 00:15:56,880

actual experience that they're just not

417

00:16:01,590 --> 00:15:58,560

making either making it up

418

00:16:04,870 --> 00:16:01,600

or uh that they're

419

00:16:06,790 --> 00:16:04,880

hallucinating it or are just not

420

00:16:09,350 --> 00:16:06,800

balanced correctly whatever the word is

421

00:16:09,829 --> 00:16:09,360

yes sure somebody's hearing voices you

422

00:16:12,069 --> 00:16:09,839

know

423

00:16:14,069 --> 00:16:12,079

you're ruling out uh such things as

424

00:16:17,269 --> 00:16:14,079

auditory hallucinations

425

00:16:20,470 --> 00:16:17,279

and schizophrenia perhaps even

426

00:16:22,310 --> 00:16:20,480

demonic possession uh

427

00:16:25,670 --> 00:16:22,320

there's you know a number what what do

428

00:16:25,680 --> 00:16:30,389

just exactly what it says

429

00:16:34,389 --> 00:16:31,749

so do you believe in the paranormal as

430

00:16:36,150 --> 00:16:34,399

well well i think that the two subjects

431

00:16:38,629 --> 00:16:36,160

definitely bleed together

432

00:16:39,509 --> 00:16:38,639

it seems to me that once that part of

433

00:16:42,790 --> 00:16:39,519

our consciousness

434

00:16:45,749 --> 00:16:42,800

is open to accepting the unseen

435

00:16:47,670 --> 00:16:45,759

um or we begin to investigate it i think

436

00:16:48,710 --> 00:16:47,680

as soon as we start to take steps in

437

00:16:52,870 --> 00:16:48,720

that area we

438

00:16:55,350 --> 00:16:52,880

grow in that area so people who have had

439

00:16:57,110 --> 00:16:55,360

extraterrestrial experiences increase

440

00:16:59,110 --> 00:16:57,120

things like psychism

441

00:17:00,470 --> 00:16:59,120

uh they'll see a ghost or some other

442

00:17:03,030 --> 00:17:00,480

type of operation

443

00:17:04,309 --> 00:17:03,040

there's a one woman in the group who it

444

00:17:07,350 --> 00:17:04,319

does paranormal

445

00:17:09,510 --> 00:17:07,360

a research and a work and

446

00:17:10,870 --> 00:17:09,520

she has probably some of the most

447

00:17:14,309 --> 00:17:10,880

spectacular

448

00:17:15,669 --> 00:17:14,319

evps i've ever heard and they're not

449

00:17:19,909 --> 00:17:15,679

like words here and there they're

450

00:17:27,510 --> 00:17:23,590

so yeah absolutely i mean based on

451
00:17:29,830 --> 00:17:27,520
many things such as the drake equation

452
00:17:32,630 --> 00:17:29,840
for the existence of life on extra pla

453
00:17:33,430 --> 00:17:32,640
on other planets and the fact that i've

454
00:17:37,029 --> 00:17:33,440
personally

455
00:17:40,070 --> 00:17:37,039
have had um an out-of-body experience

456
00:17:40,789 --> 00:17:40,080
i know that we can exist and live and

457
00:17:44,070 --> 00:17:40,799
have full

458
00:17:45,750 --> 00:17:44,080
consciousness outside the body um

459
00:17:47,830 --> 00:17:45,760
so yeah i believe that there's certainly

460
00:17:48,310 --> 00:17:47,840
a whole lot more than what meets the eye

461
00:17:51,430 --> 00:17:48,320
but

462
00:17:52,870 --> 00:17:51,440
again i'm aware of the definition of the

463
00:17:56,070 --> 00:17:52,880

word human

464

00:17:59,750 --> 00:17:56,080

hue being the ancient definition and

465

00:18:02,950 --> 00:17:59,760

modern days we use it to describe the

466

00:18:03,590 --> 00:18:02,960

intensity of light so it's a measurement

467

00:18:06,230 --> 00:18:03,600

of light

468

00:18:06,950 --> 00:18:06,240

and man being short for manifestation a

469

00:18:09,750 --> 00:18:06,960

human

470

00:18:10,710 --> 00:18:09,760

is a light embodied entity and with that

471

00:18:13,029 --> 00:18:10,720

reality

472

00:18:14,470 --> 00:18:13,039

we have the option to really move and

473

00:18:18,630 --> 00:18:14,480

expand the mind

474

00:18:20,710 --> 00:18:18,640

into multiple realities and dimensions

475

00:18:22,630 --> 00:18:20,720

by very definition of what we are

476

00:18:26,830 --> 00:18:22,640

composed of

477

00:18:32,310 --> 00:18:29,750

i um went to the alchemical hypnotherapy

478

00:18:33,590 --> 00:18:32,320

institute of sacramento to become a

479

00:18:36,630 --> 00:18:33,600

master hypnotist

480

00:18:37,029 --> 00:18:36,640

and then transferred to santa fe where i

481

00:18:40,070 --> 00:18:37,039

went

482

00:18:43,029 --> 00:18:40,080

uh to become a clinical uh

483

00:18:43,909 --> 00:18:43,039

hypnotherapist and in order to pass

484

00:18:47,190 --> 00:18:43,919

these tests

485

00:18:49,830 --> 00:18:47,200

i had to do a regression um

486

00:18:51,590 --> 00:18:49,840

in front of a panel for the ach which is

487

00:18:53,909 --> 00:18:51,600

the american council for

488

00:18:55,350 --> 00:18:53,919

hypnotherapy examiners made sure i can

489

00:18:56,950 --> 00:18:55,360

regress somebody to the

490

00:18:59,270 --> 00:18:56,960

different levels of consciousness and

491

00:19:02,710 --> 00:18:59,280

then bring them back up safely

492

00:19:06,070 --> 00:19:02,720

and so in doing so the subject

493

00:19:10,230 --> 00:19:06,080

came to me for a

494

00:19:11,350 --> 00:19:10,240

hidden creativity and changed during the

495

00:19:15,270 --> 00:19:11,360

regression to

496

00:19:17,830 --> 00:19:15,280

seeing a ufo of being with his brother

497

00:19:18,310 --> 00:19:17,840

having it land having the entities come

498

00:19:20,870 --> 00:19:18,320

out

499

00:19:23,110 --> 00:19:20,880

and then when i asked him to describe

500

00:19:27,270 --> 00:19:23,120

what entity he was seeing

501
00:19:29,830 --> 00:19:27,280
in front of me a like softball-sized

502
00:19:30,870 --> 00:19:29,840
sphere of light appeared above his head

503
00:19:34,310 --> 00:19:30,880
and just

504
00:19:37,110 --> 00:19:34,320
scanned down his body and disappeared

505
00:19:39,029 --> 00:19:37,120
relatively quickly i looked over my

506
00:19:42,150 --> 00:19:39,039
shoulder at the judges

507
00:19:43,270 --> 00:19:42,160
who indicated to me to continue and

508
00:19:46,630 --> 00:19:43,280
their like jaws

509
00:19:47,430 --> 00:19:46,640
were wide open and um i tried to

510
00:19:49,510 --> 00:19:47,440
continue

511
00:19:51,669 --> 00:19:49,520
with the ufo stuff and it seemed like

512
00:19:54,150 --> 00:19:51,679
his memory was just gone

513
00:19:55,190 --> 00:19:54,160

and he went back to his original session

514

00:19:58,230 --> 00:19:55,200

i finished it

515

00:19:59,510 --> 00:19:58,240

brought him back up and who wouldn't be

516

00:20:02,710 --> 00:19:59,520

intrigued

517

00:20:04,470 --> 00:20:02,720

yeah so so you you had uh

518

00:20:05,990 --> 00:20:04,480

an experience right there was that the

519

00:20:08,630 --> 00:20:06,000

first or had in your own

520

00:20:09,830 --> 00:20:08,640

private uh life had you had other

521

00:20:17,750 --> 00:20:09,840

experiences

522

00:20:21,110 --> 00:20:17,760

um as a young child i um

523

00:20:23,510 --> 00:20:21,120

definitely saw the the very beautiful

524

00:20:26,470 --> 00:20:23,520

violet colored silhouette ones that

525

00:20:30,390 --> 00:20:26,480

people refer to as celestial entities

526

00:20:30,830 --> 00:20:30,400

which um exist above the frequency band

527

00:20:32,549 --> 00:20:30,840

where

528

00:20:34,470 --> 00:20:32,559

extraterrestrial there's a bit of a

529

00:20:37,310 --> 00:20:34,480

hierarchy it's sort of like

530

00:20:39,669 --> 00:20:37,320

subterranean then terrestrial

531

00:20:42,549 --> 00:20:39,679

extraterrestrial celestial

532

00:20:44,310 --> 00:20:42,559

and so uh depending on the type of

533

00:20:47,029 --> 00:20:44,320

entity was what they live in

534

00:20:49,270 --> 00:20:47,039

so the ones that appear just in

535

00:20:51,270 --> 00:20:49,280

energetic colors like that i saw from a

536

00:20:54,470 --> 00:20:51,280

relatively early age

537

00:20:54,950 --> 00:20:54,480

didn't think anything of it they were

538

00:21:02,149 --> 00:20:54,960

actually

539

00:21:06,230 --> 00:21:02,159

yeah i they i could hear them speak

540

00:21:09,990 --> 00:21:06,240

in what was a extraordinarily lovely

541

00:21:13,590 --> 00:21:10,000

uh high frequency feminine

542

00:21:16,870 --> 00:21:13,600

voice and yeah

543

00:21:21,909 --> 00:21:16,880

absolutely so thought that um

544

00:21:27,510 --> 00:21:25,510

so now how how when i think of

545

00:21:29,149 --> 00:21:27,520

abductions i think of betty hill now her

546

00:21:32,310 --> 00:21:29,159

experience was in the

547

00:21:34,789 --> 00:21:32,320

1960s that seems to have been

548

00:21:37,190 --> 00:21:34,799

the the first uh abduction certainly the

549

00:21:41,270 --> 00:21:37,200

first one that got any public attention

550

00:21:43,590 --> 00:21:41,280

how come the earlier uh contactees

551
00:21:45,909 --> 00:21:43,600
seem to have a a different approach to

552
00:21:48,870 --> 00:21:45,919
all of this most of their experiences

553
00:21:49,430 --> 00:21:48,880
were very positive they told about

554
00:21:51,990 --> 00:21:49,440
meeting

555
00:21:53,190 --> 00:21:52,000
the space brothers and being given uh

556
00:21:55,990 --> 00:21:53,200
cosmic

557
00:21:56,789 --> 00:21:56,000
wisdom of one kind or another and then

558
00:22:00,390 --> 00:21:56,799
later on

559
00:22:02,950 --> 00:22:00,400
the experiences with travis walton uh

560
00:22:04,149 --> 00:22:02,960
betty hill and and all these other

561
00:22:07,190 --> 00:22:04,159
abductees

562
00:22:10,310 --> 00:22:07,200
became much more frightening in nature

563
00:22:13,029 --> 00:22:10,320

why the the flip as far as these

564

00:22:13,909 --> 00:22:13,039

encounters and experiences go different

565

00:22:17,190 --> 00:22:13,919

entities

566

00:22:21,830 --> 00:22:17,200

i mean the indigenous people

567

00:22:24,870 --> 00:22:21,840

of the americas uh spoke of star people

568

00:22:28,870 --> 00:22:24,880

who brought them uh information in

569

00:22:31,909 --> 00:22:28,880

and help in such things as agriculture

570

00:22:34,909 --> 00:22:31,919

and natural medicine

571

00:22:36,310 --> 00:22:34,919

and they were considered very good but

572

00:22:40,070 --> 00:22:36,320

simultaneously

573

00:22:43,190 --> 00:22:40,080

in other parts of the world people spoke

574

00:22:46,029 --> 00:22:43,200

of what was called the jinn and they

575

00:22:49,830 --> 00:22:46,039

were considered some type of a

576

00:22:53,510 --> 00:22:49,840

extraterrestrial or demon i mean in fact

577

00:22:53,990 --> 00:22:53,520

if when it's uh translated in palestine

578

00:22:59,909 --> 00:22:54,000

they

579

00:23:02,870 --> 00:22:59,919

very similar things where the body

580

00:23:04,870 --> 00:23:02,880

becomes paralyzed they're unable to move

581

00:23:07,510 --> 00:23:04,880

they sense the entities in their room

582

00:23:09,510 --> 00:23:07,520

and then at the same time since

583

00:23:10,549 --> 00:23:09,520

other entities in the room and those

584

00:23:13,110 --> 00:23:10,559

similarities

585

00:23:15,430 --> 00:23:13,120

have not changed in the abduction part

586

00:23:17,029 --> 00:23:15,440

now the contact part that that's a

587

00:23:20,149 --> 00:23:17,039

different category

588

00:23:27,190 --> 00:23:24,230

on one interaction like many

589

00:23:29,430 --> 00:23:27,200

and many indigenous peoples as well even

590

00:23:31,430 --> 00:23:29,440

charles hall back in the 60s claimed

591

00:23:33,029 --> 00:23:31,440

that the tall whites were on the indian

592

00:23:36,390 --> 00:23:33,039

springs reservation

593

00:23:38,310 --> 00:23:36,400

or not reservation but um

594

00:23:39,669 --> 00:23:38,320

a military base they had their own

595

00:23:41,909 --> 00:23:39,679

barracks

596

00:23:43,510 --> 00:23:41,919

and actually had families a playground

597

00:23:45,750 --> 00:23:43,520

where their children lived in and they

598

00:23:47,669 --> 00:23:45,760

were an extraterrestrial entity that

599

00:23:50,149 --> 00:23:47,679

looks rather similar

600

00:23:52,230 --> 00:23:50,159

to a human and can slightly disguise

601
00:23:54,710 --> 00:23:52,240
themselves to blend in

602
00:23:55,990 --> 00:23:54,720
they gave good information but were not

603
00:23:58,549 --> 00:23:56,000
exactly

604
00:23:59,110 --> 00:23:58,559
you know altruistic it depends on the

605
00:24:02,830 --> 00:23:59,120
entity

606
00:24:06,470 --> 00:24:02,840
people have reptiles uh

607
00:24:08,789 --> 00:24:06,480
those those interactions with reptoids

608
00:24:10,390 --> 00:24:08,799
are quite frightening

609
00:24:11,909 --> 00:24:10,400
i'm not sure it's not all mixed up

610
00:24:13,669 --> 00:24:11,919
though you know the when you know

611
00:24:15,110 --> 00:24:13,679
we talk about paranormal or we talk

612
00:24:18,230 --> 00:24:15,120
about the extraterrestrial

613
00:24:19,909 --> 00:24:18,240

because i just kind of feel like

614

00:24:21,350 --> 00:24:19,919

because you're going between these these

615

00:24:23,590 --> 00:24:21,360

two different planes

616

00:24:25,430 --> 00:24:23,600

you know that you don't need a body like

617

00:24:27,110 --> 00:24:25,440

everything that's described like that

618

00:24:30,710 --> 00:24:27,120

just sounds like

619

00:24:33,590 --> 00:24:30,720

maybe that was you know the origin of

620

00:24:35,590 --> 00:24:33,600

of what people call demons and angels

621

00:24:37,190 --> 00:24:35,600

and all this so i i mean i'm not so sure

622

00:24:40,310 --> 00:24:37,200

it's not all wrapped up

623

00:24:44,390 --> 00:24:40,320

well i i agree i mean

624

00:24:47,190 --> 00:24:44,400

you know yeah it's the terminology

625

00:24:48,070 --> 00:24:47,200

that uh the people use at the time i

626
00:24:50,310 --> 00:24:48,080
mean

627
00:24:51,750 --> 00:24:50,320
and it does bleed in and then yeah

628
00:24:54,390 --> 00:24:51,760
absolutely then there's your whole

629
00:24:56,630 --> 00:24:54,400
interdimensional beings

630
00:24:58,470 --> 00:24:56,640
that people talk about and they come

631
00:25:00,070 --> 00:24:58,480
through dimensionally

632
00:25:01,669 --> 00:25:00,080
which is different than

633
00:25:04,710 --> 00:25:01,679
extraterrestrially one is

634
00:25:06,549 --> 00:25:04,720
parallel one is horizontal parallel is

635
00:25:09,029 --> 00:25:06,559
the dimension aspect

636
00:25:10,230 --> 00:25:09,039
and these are different entities we hear

637
00:25:14,070 --> 00:25:10,240
people talk about

638
00:25:16,870 --> 00:25:14,080

to them as shadow people or

639

00:25:18,230 --> 00:25:16,880

the hat men so on and so forth and that

640

00:25:22,390 --> 00:25:18,240

definitely is

641

00:25:25,110 --> 00:25:22,400

more paranormal yeah i've i've kind of

642

00:25:26,310 --> 00:25:25,120

put these all under the category of

643

00:25:28,390 --> 00:25:26,320

alter

644

00:25:29,830 --> 00:25:28,400

terrestrials uh because we don't we

645

00:25:31,669 --> 00:25:29,840

don't really know

646

00:25:33,669 --> 00:25:31,679

whether i mean you know just because an

647

00:25:35,430 --> 00:25:33,679

entity i'm sure you found this out too

648

00:25:36,950 --> 00:25:35,440

just because an entity tells you

649

00:25:39,350 --> 00:25:36,960

that they're from somewhere or they're

650

00:25:40,789 --> 00:25:39,360

due they're here to do a specific job it

651
00:25:43,190 --> 00:25:40,799
doesn't necessarily mean

652
00:25:44,390 --> 00:25:43,200
that that's the case i in the early

653
00:25:46,149 --> 00:25:44,400
contact d

654
00:25:48,310 --> 00:25:46,159
experiences and the people who claim

655
00:25:50,630 --> 00:25:48,320
that they had face-to-face encounters

656
00:25:52,230 --> 00:25:50,640
they said these beings were coming from

657
00:25:55,430 --> 00:25:52,240
venus and mars

658
00:25:57,350 --> 00:25:55,440
and had civilizations on saturn well

659
00:26:00,070 --> 00:25:57,360
we know in the physical sense that this

660
00:26:03,110 --> 00:26:00,080
is uh an impossibility so

661
00:26:03,750 --> 00:26:03,120
uh the um the ufo being the the ufo

662
00:26:06,070 --> 00:26:03,760
beings

663
00:26:06,950 --> 00:26:06,080

sometimes can be tricksters they tell

664

00:26:09,669 --> 00:26:06,960

you what

665

00:26:11,110 --> 00:26:09,679

they want you to believe not what is

666

00:26:13,669 --> 00:26:11,120

necessarily the truth

667

00:26:15,350 --> 00:26:13,679

i absolutely agree with that i i see

668

00:26:18,630 --> 00:26:15,360

that all the time

669

00:26:21,669 --> 00:26:18,640

there's a huge type of manipulation

670

00:26:22,710 --> 00:26:21,679

in that phenomena and we have to be very

671

00:26:26,070 --> 00:26:22,720

careful

672

00:26:27,750 --> 00:26:26,080

i mean really you hear a voice we need

673

00:26:28,390 --> 00:26:27,760

to know where that's coming from you

674

00:26:31,990 --> 00:26:28,400

know as much

675

00:26:34,549 --> 00:26:32,000

research as possible

676

00:26:35,590 --> 00:26:34,559

the large amount of people that it's

677

00:26:37,590 --> 00:26:35,600

affecting

678

00:26:39,269 --> 00:26:37,600

i mean people who are exploring and

679

00:26:40,630 --> 00:26:39,279

researching the paranormal

680

00:26:42,789 --> 00:26:40,640

they're getting quite a lot of

681

00:26:45,909 --> 00:26:42,799

information too but we need to

682

00:26:46,549 --> 00:26:45,919

see something like basically the next

683

00:26:50,070 --> 00:26:46,559

step

684

00:26:54,230 --> 00:26:50,080

how do we interact at will

685

00:26:56,310 --> 00:26:54,240

or if these beings do have a a program

686

00:26:57,350 --> 00:26:56,320

and did you say or i know i've heard it

687

00:27:00,070 --> 00:26:57,360

said that

688

00:27:00,549 --> 00:27:00,080

there are 70 races of beings coming here

689

00:27:02,149 --> 00:27:00,559

well

690

00:27:04,070 --> 00:27:02,159

that to my way of thinking seems a

691

00:27:06,310 --> 00:27:04,080

little bit uh uh

692

00:27:08,230 --> 00:27:06,320

you know off the wall should i say

693

00:27:10,789 --> 00:27:08,240

because i mean there's no way of proving

694

00:27:12,230 --> 00:27:10,799

that uh a lot of these entities they

695

00:27:13,590 --> 00:27:12,240

outside of the ones that are

696

00:27:15,430 --> 00:27:13,600

human-looking and

697

00:27:16,950 --> 00:27:15,440

the tall whites that carla knows about

698

00:27:17,909 --> 00:27:16,960

because she thinks one of them came into

699

00:27:21,430 --> 00:27:17,919

her uh

700

00:27:23,909 --> 00:27:21,440

uh a hair a salon balance in jersey city

701
00:27:24,950 --> 00:27:23,919
uh do that that would be something a

702
00:27:27,110 --> 00:27:24,960
hybrid

703
00:27:29,269 --> 00:27:27,120
or a tall white would do just to have

704
00:27:31,990 --> 00:27:29,279
the experience so they learn how to

705
00:27:34,389 --> 00:27:32,000
integrate into our society better but go

706
00:27:38,549 --> 00:27:34,399
on sorry

707
00:27:40,470 --> 00:27:38,559
go on tim yeah well um so now what

708
00:27:42,630 --> 00:27:40,480
what is the outcome of all of this where

709
00:27:45,669 --> 00:27:42,640
where are we going to uh

710
00:27:47,510 --> 00:27:45,679
ahead with this exactly

711
00:27:49,990 --> 00:27:47,520
all right let's take let's take a little

712
00:27:52,710 --> 00:27:50,000
uh break here for a moment okay and

713
00:27:54,470 --> 00:27:52,720

then we'll we'll come back with the uh

714

00:28:20,549 --> 00:27:54,480

with some more of this very

715

00:28:25,510 --> 00:28:23,590

we're back with laurie mcdonald and on

716

00:28:28,950 --> 00:28:25,520

the other side of the hudson river in

717

00:28:32,389 --> 00:28:28,960

jersey city balancing us all out

718

00:28:35,430 --> 00:28:32,399

is carla anderson hello hello

719

00:28:38,470 --> 00:28:35,440

and down in miami is the

720

00:28:41,269 --> 00:28:38,480

jackal who's keeping this all

721

00:28:42,149 --> 00:28:41,279

organized okay uh laurie we haven't it

722

00:28:43,990 --> 00:28:42,159

would have been funny if you would have

723

00:28:47,350 --> 00:28:44,000

said a float because i came on a boat

724

00:28:50,070 --> 00:28:47,360

to this country did you come on a boat

725

00:28:50,789 --> 00:28:50,080

i did i'm cuban so you came on a boat

726

00:28:52,070 --> 00:28:50,799

yeah

727

00:28:54,070 --> 00:28:52,080

automatically you don't want to boat if

728

00:28:55,909 --> 00:28:54,080

you're from cuba do you have to

729

00:28:57,430 --> 00:28:55,919

especially if you came into the 1990

730

00:28:58,870 --> 00:28:57,440

1980 mario boat boatlift

731

00:29:01,350 --> 00:28:58,880

that's how i came into this country oh

732

00:29:01,750 --> 00:29:01,360

well well i came into this country on a

733

00:29:05,750 --> 00:29:01,760

boat

734

00:29:07,909 --> 00:29:05,760

great okay and we're all going to leave

735

00:29:10,549 --> 00:29:07,919

on a spaceship according to laurie

736

00:29:12,470 --> 00:29:10,559

that's my wish that's my dream i didn't

737

00:29:14,149 --> 00:29:12,480

say that

738

00:29:15,830 --> 00:29:14,159

are we are we going to be lifted up is

739

00:29:19,269 --> 00:29:15,840

there some end times thing

740

00:29:20,149 --> 00:29:19,279

prophecy coming here no i i don't

741

00:29:22,470 --> 00:29:20,159

believe so

742

00:29:23,669 --> 00:29:22,480

i do believe though that there is a bit

743

00:29:26,950 --> 00:29:23,679

of uh

744

00:29:29,430 --> 00:29:26,960

evolution happening as it should

745

00:29:30,470 --> 00:29:29,440

so it's a mental thing instead of a an

746

00:29:33,750 --> 00:29:30,480

actual it's a

747

00:29:36,310 --> 00:29:33,760

mental liftoff instead of a physical

748

00:29:38,470 --> 00:29:36,320

uh liftoff i'm not saying that it can't

749

00:29:40,149 --> 00:29:38,480

be a physical liftoff as well tim

750

00:29:42,070 --> 00:29:40,159

i mean i think it could be a purge

751
00:29:43,669 --> 00:29:42,080

myself

752
00:29:45,430 --> 00:29:43,679

you know right like like over time like

753
00:29:45,669 --> 00:29:45,440

we've been purged several times you know

754
00:29:47,830 --> 00:29:45,679

and

755
00:29:49,350 --> 00:29:47,840

as we you know then earth has come back

756
00:29:50,870 --> 00:29:49,360

you know to something else and then to

757
00:29:53,430 --> 00:29:50,880

something else and i'm i think it's

758
00:29:53,990 --> 00:29:53,440

i think it's coming toward a perch yeah

759
00:29:56,710 --> 00:29:54,000

i mean that's

760
00:29:58,630 --> 00:29:56,720

definitely possible but it's never ended

761
00:30:00,710 --> 00:29:58,640

times it only ended

762
00:30:02,070 --> 00:30:00,720

those times those times and then it went

763
00:30:03,909 --> 00:30:02,080

on to a new time

764

00:30:06,389 --> 00:30:03,919

that's right and hopefully each and

765

00:30:08,789 --> 00:30:06,399

every one was a little bit better

766

00:30:09,669 --> 00:30:08,799

in some way i mean i do like to look

767

00:30:12,950 --> 00:30:09,679

back at

768

00:30:16,070 --> 00:30:12,960

history in broad strokes to see

769

00:30:17,269 --> 00:30:16,080

if fundamentally people have changed

770

00:30:20,470 --> 00:30:17,279

that they have

771

00:30:24,070 --> 00:30:20,480

been able to rise up to be fully

772

00:30:25,669 --> 00:30:24,080

human and kinder more aware um

773

00:30:27,590 --> 00:30:25,679

and i hope that we are moving in that

774

00:30:29,029 --> 00:30:27,600

direction well i mean you know i think

775

00:30:31,029 --> 00:30:29,039

that

776

00:30:32,549 --> 00:30:31,039

six thousand years ago we probably had a

777

00:30:34,549 --> 00:30:32,559

lot of knowledge already

778

00:30:36,070 --> 00:30:34,559

and yet 200 years ago we're walking

779

00:30:38,710 --> 00:30:36,080

around in the dark

780

00:30:40,549 --> 00:30:38,720

you know in pilgrim times you know i

781

00:30:42,470 --> 00:30:40,559

think it's weird that

782

00:30:44,149 --> 00:30:42,480

that you know that you find you know in

783

00:30:44,870 --> 00:30:44,159

the old drawings and all this all the

784

00:30:46,310 --> 00:30:44,880

ancient

785

00:30:48,710 --> 00:30:46,320

drawings that it looks like we had all

786

00:30:50,149 --> 00:30:48,720

kinds of technology back then

787

00:30:52,310 --> 00:30:50,159

and then all of a sudden we were brought

788

00:30:54,630 --> 00:30:52,320

back to a place where we're you know

789

00:30:55,510 --> 00:30:54,640

trying to rub two sticks together again

790

00:30:57,669 --> 00:30:55,520

you know

791

00:31:00,149 --> 00:30:57,679

because whenever we become very

792

00:31:01,590 --> 00:31:00,159

technically advanced instead of using

793

00:31:04,950 --> 00:31:01,600

that technology

794

00:31:06,630 --> 00:31:04,960

for the betterment of mankind it's

795

00:31:10,070 --> 00:31:06,640

turned into a weapon

796

00:31:12,950 --> 00:31:10,080

such as tesla's scalar waves and

797

00:31:14,870 --> 00:31:12,960

and every other type of psychotronic

798

00:31:16,950 --> 00:31:14,880

radionic

799

00:31:18,950 --> 00:31:16,960

mind control device that they use and

800

00:31:20,950 --> 00:31:18,960

instead of using that to perpetuate

801
00:31:22,310 --> 00:31:20,960
the betterment they use it to control

802
00:31:24,630 --> 00:31:22,320
people to a negative

803
00:31:26,310 --> 00:31:24,640
that's our problem we're still not doing

804
00:31:29,269 --> 00:31:26,320
it for the betterment

805
00:31:29,830 --> 00:31:29,279
i think i think i think everything

806
00:31:31,590 --> 00:31:29,840
everyone

807
00:31:32,950 --> 00:31:31,600
i think we have all this knowledge then

808
00:31:35,669 --> 00:31:32,960
we blow ourselves up

809
00:31:36,389 --> 00:31:35,679
somehow somehow we get purged we purge

810
00:31:38,230 --> 00:31:36,399
ourselves

811
00:31:39,669 --> 00:31:38,240
then we have to start all over again and

812
00:31:41,909 --> 00:31:39,679
and we're working it out

813
00:31:42,710 --> 00:31:41,919

it's really now that you mention it it's

814

00:31:45,029 --> 00:31:42,720

strange

815

00:31:46,470 --> 00:31:45,039

well yeah i think that's what it is you

816

00:31:48,630 --> 00:31:46,480

know ladies are tired the

817

00:31:49,909 --> 00:31:48,640

time is a clicking away here but uh

818

00:31:52,070 --> 00:31:49,919

laurie what did you tell

819

00:31:54,070 --> 00:31:52,080

why don't you yes that's correct yeah

820

00:31:56,950 --> 00:31:54,080

why don't you tell us

821

00:31:58,310 --> 00:31:56,960

a couple of brief examples of the type

822

00:32:01,430 --> 00:31:58,320

of experiences that

823

00:32:03,909 --> 00:32:01,440

are uh reported to you maybe uh one

824

00:32:06,870 --> 00:32:03,919

abduction and one contact

825

00:32:08,870 --> 00:32:06,880

well what's very common in the abduction

826

00:32:12,149 --> 00:32:08,880

and i see the same type of

827

00:32:15,430 --> 00:32:12,159

case over and over again are women

828

00:32:15,830 --> 00:32:15,440

who come to me and they say that they've

829

00:32:17,789 --> 00:32:15,840

had

830

00:32:19,269 --> 00:32:17,799

eggs taken from them from

831

00:32:22,470 --> 00:32:19,279

extraterrestrials

832

00:32:23,430 --> 00:32:22,480

that they're absolutely terrified that

833

00:32:25,509 --> 00:32:23,440

later

834

00:32:27,269 --> 00:32:25,519

they're brought on to what they believe

835

00:32:30,149 --> 00:32:27,279

is a craft or to some

836

00:32:30,630 --> 00:32:30,159

facility they don't always know for sure

837

00:32:34,630 --> 00:32:30,640

and

838

00:32:36,549 --> 00:32:34,640

a extraterrestrial human

839

00:32:37,830 --> 00:32:36,559

child is put into their arms you know

840

00:32:40,789 --> 00:32:37,840

some women

841

00:32:43,029 --> 00:32:40,799

are very repulsed but they keep getting

842

00:32:45,909 --> 00:32:43,039

this message from the

843

00:32:46,230 --> 00:32:45,919

usually it's a grey alien uh telling

844

00:32:48,230 --> 00:32:46,240

them

845

00:32:49,350 --> 00:32:48,240

you know to nurture and help out the

846

00:32:52,470 --> 00:32:49,360

child

847

00:32:55,509 --> 00:32:52,480

one woman you know that i'm dealing with

848

00:32:55,990 --> 00:32:55,519

the child didn't survive and she

849

00:32:58,470 --> 00:32:56,000

suffered

850

00:33:01,350 --> 00:32:58,480

another set of trauma on there you know

851
00:33:03,750 --> 00:33:01,360
felt it as if she had lost her own

852
00:33:05,350 --> 00:33:03,760
baby i mean we call that post-abduction

853
00:33:08,470 --> 00:33:05,360
stress disorder

854
00:33:11,590 --> 00:33:08,480
and people you know need help after this

855
00:33:14,149 --> 00:33:11,600
but this is what's happening women

856
00:33:15,669 --> 00:33:14,159
now are saying okay you know i'm past

857
00:33:20,630 --> 00:33:15,679
the abduction part

858
00:33:23,590 --> 00:33:20,640
i'm healed from that i want my baby back

859
00:33:23,990 --> 00:33:23,600
what are we gonna do with that those are

860
00:33:27,350 --> 00:33:24,000
half

861
00:33:30,630 --> 00:33:27,360
human children and they have a very

862
00:33:33,190 --> 00:33:30,640
strong maternal instinct and

863
00:33:34,630 --> 00:33:33,200

they feel that their human rights were

864

00:33:37,990 --> 00:33:34,640

violated and they most

865

00:33:41,110 --> 00:33:38,000

certainly are correct about that so

866

00:33:42,230 --> 00:33:41,120

that's pretty typical as far as contact

867

00:33:45,269 --> 00:33:42,240

goes it falls into

868

00:33:47,830 --> 00:33:45,279

multiple categories but what i see

869

00:33:49,029 --> 00:33:47,840

is people who have contact who believe

870

00:33:52,870 --> 00:33:49,039

that

871

00:33:56,070 --> 00:33:52,880

here

872

00:33:59,190 --> 00:33:56,080

monitoring and compiling information

873

00:34:00,470 --> 00:33:59,200

on human or let's just kind of see like

874

00:34:04,789 --> 00:34:00,480

if we are

875

00:34:08,389 --> 00:34:04,799

misusing that technology that we have

876

00:34:09,909 --> 00:34:08,399

they report things like our balance in

877

00:34:13,669 --> 00:34:09,919

our ecosystem

878

00:34:16,069 --> 00:34:13,679

our ecologies our levels of pollution

879

00:34:18,149 --> 00:34:16,079

um and they say that they have

880

00:34:21,430 --> 00:34:18,159

interaction and i have a

881

00:34:21,750 --> 00:34:21,440

handful of people that i'm working with

882

00:34:24,389 --> 00:34:21,760

who

883

00:34:25,109 --> 00:34:24,399

say that you know for some it's really

884

00:34:27,909 --> 00:34:25,119

difficult

885

00:34:29,190 --> 00:34:27,919

they don't want to be subjected to this

886

00:34:31,190 --> 00:34:29,200

type of information

887

00:34:32,389 --> 00:34:31,200

they don't want to know about it the

888

00:34:35,909 --> 00:34:32,399

others do

889

00:34:39,109 --> 00:34:35,919

and so what what is the ultimate

890

00:34:40,230 --> 00:34:39,119

outcome of this i mean is there going to

891

00:34:42,470 --> 00:34:40,240

be a day

892

00:34:44,710 --> 00:34:42,480

of disclosure i mean not in the sense of

893

00:34:46,069 --> 00:34:44,720

that we have disclosure like uh

894

00:34:47,750 --> 00:34:46,079

they're talking about in a political

895

00:34:48,550 --> 00:34:47,760

sense that obama is going to get on tv

896

00:34:50,629 --> 00:34:48,560

and say hey there are

897

00:34:52,069 --> 00:34:50,639

aliens here but is there going to be

898

00:34:54,790 --> 00:34:52,079

some ultimate

899

00:34:56,710 --> 00:34:54,800

time when this will be known to everyone

900

00:34:57,270 --> 00:34:56,720

not just the four or five percent of the

901
00:34:59,670 --> 00:34:57,280
people

902
00:35:00,870 --> 00:34:59,680
that have had these experiences well

903
00:35:04,069 --> 00:35:00,880
remember that

904
00:35:07,190 --> 00:35:04,079
four or five percent of the people is

905
00:35:09,270 --> 00:35:07,200
hundreds of millions of people and

906
00:35:10,550 --> 00:35:09,280
that's a very large number and will we

907
00:35:12,470 --> 00:35:10,560
have disclosure well

908
00:35:14,790 --> 00:35:12,480
the only lobbyist in the united states

909
00:35:16,470 --> 00:35:14,800
of america is stephen bassett

910
00:35:18,230 --> 00:35:16,480
and he's been pushing for that and

911
00:35:20,790 --> 00:35:18,240
they've done up already a mock

912
00:35:21,510 --> 00:35:20,800
congressional hearing and petitions are

913
00:35:23,829 --> 00:35:21,520

going around

914

00:35:24,790 --> 00:35:23,839

signatures are being collected globally

915

00:35:27,069 --> 00:35:24,800

the un

916

00:35:29,750 --> 00:35:27,079

is having a meeting to discuss the

917

00:35:32,630 --> 00:35:29,760

extraterrestrial presence on the planet

918

00:35:33,750 --> 00:35:32,640

huge countries like brazil 12 other

919

00:35:36,870 --> 00:35:33,760

countries have put

920

00:35:39,030 --> 00:35:36,880

all of their ufo information together

921

00:35:42,550 --> 00:35:39,040

and they're actually working with

922

00:35:45,270 --> 00:35:42,560

their air forces and ufo researchers

923

00:35:46,870 --> 00:35:45,280

to see where this is going disclosure

924

00:35:49,510 --> 00:35:46,880

will come

925

00:35:51,349 --> 00:35:49,520

maybe this year maybe not i don't think

926
00:35:53,030 --> 00:35:51,359
that it's political suicide

927
00:35:54,710 --> 00:35:53,040
but for those people who have

928
00:35:57,030 --> 00:35:54,720
experienced it

929
00:35:58,150 --> 00:35:57,040
they don't need proof and they certainly

930
00:36:02,470 --> 00:35:58,160
don't need some

931
00:36:05,030 --> 00:36:02,480
four or eight term uh temporary

932
00:36:06,310 --> 00:36:05,040
position of authority to tell them that

933
00:36:08,630 --> 00:36:06,320
this is real

934
00:36:09,750 --> 00:36:08,640
because it's real to them and so they

935
00:36:12,550 --> 00:36:09,760
don't have to

936
00:36:14,630 --> 00:36:12,560
rely on that external source well well

937
00:36:18,470 --> 00:36:14,640
that's your absolutely

938
00:36:19,990 --> 00:36:18,480

you're absolutely 100 correct about this

939

00:36:21,990 --> 00:36:20,000

i've always said that people have had

940

00:36:23,589 --> 00:36:22,000

these experiences people who

941

00:36:25,349 --> 00:36:23,599

are knowledgeable about the subject you

942

00:36:27,910 --> 00:36:25,359

don't really need to tell them

943

00:36:29,430 --> 00:36:27,920

uh what's real and what isn't all right

944

00:36:32,470 --> 00:36:29,440

well lori you've made a

945

00:36:34,390 --> 00:36:32,480

a a lot of sense tonight and

946

00:36:35,589 --> 00:36:34,400

i'm happy that we did get together and

947

00:36:36,950 --> 00:36:35,599

discuss this and

948

00:36:39,030 --> 00:36:36,960

we'll have to do it again in the future

949

00:36:40,790 --> 00:36:39,040

why don't you tell our

950

00:36:43,349 --> 00:36:40,800

audience there how they can get in touch

951
00:36:44,550 --> 00:36:43,359
with you and um

952
00:36:47,109 --> 00:36:44,560
have you written any books on the

953
00:36:47,829 --> 00:36:47,119
subject or i'm currently writing a book

954
00:36:49,829 --> 00:36:47,839
right now

955
00:36:51,270 --> 00:36:49,839
entitled the extraterrestrial

956
00:36:53,109 --> 00:36:51,280
interference

957
00:36:57,030 --> 00:36:53,119
um they can get a hold of me through my

958
00:36:59,190 --> 00:36:57,040
website [www.trueyou hypnotherapy.com](http://www.trueyouhypnotherapy.com) or

959
00:37:01,990 --> 00:36:59,200
come out to uh ufocon

960
00:37:04,069 --> 00:37:02,000
in san jose march 27th i'm on the

961
00:37:06,230 --> 00:37:04,079
abduction panel there and then

962
00:37:08,310 --> 00:37:06,240
the following sunday free of charge i'll

963
00:37:10,069 --> 00:37:08,320

be running an experiencers group

964

00:37:11,510 --> 00:37:10,079

if you have an experience you've

965

00:37:13,670 --> 00:37:11,520

encountered something and you want an

966

00:37:14,190 --> 00:37:13,680

opportunity to finally speak about it in

967

00:37:17,510 --> 00:37:14,200

a

968

00:37:19,910 --> 00:37:17,520

opportunity

969

00:37:20,790 --> 00:37:19,920

well you certainly are the person to go

970

00:37:23,109 --> 00:37:20,800

see about this

971

00:37:24,790 --> 00:37:23,119

and let's keep in contact and i

972

00:37:26,950 --> 00:37:24,800

certainly want to

973

00:37:29,109 --> 00:37:26,960

see how this plays out in the future

974

00:37:29,829 --> 00:37:29,119

because no doubt other people will be

975

00:37:33,030 --> 00:37:29,839

having

976
00:37:35,270 --> 00:37:33,040
some pretty strange experiences and

977
00:37:36,950 --> 00:37:35,280
so lori thank you for being on and we'll

978
00:37:39,990 --> 00:37:36,960
continue in just a few minutes

979
00:37:51,750 --> 00:37:40,000
with john ventry thank you lloyd thanks

980
00:37:55,510 --> 00:37:51,760
it's been my pleasure

981
00:37:58,069 --> 00:37:55,520
hey we are back on the air and this is

982
00:38:00,150 --> 00:37:58,079
unraveling the secrets and we've

983
00:38:02,950 --> 00:38:00,160
unraveled a few already tonight

984
00:38:04,150 --> 00:38:02,960
and we're going to unravel even more

985
00:38:08,069 --> 00:38:04,160
with our next guest

986
00:38:11,190 --> 00:38:08,079
john ventry now i watched john ventri

987
00:38:14,470 --> 00:38:11,200
on tv last night for several hours

988
00:38:15,910 --> 00:38:14,480

because he is the host on history two

989

00:38:19,270 --> 00:38:15,920

history channel two

990

00:38:21,349 --> 00:38:19,280

of uh hangar one

991

00:38:23,270 --> 00:38:21,359

and and so we've got a lot of questions

992

00:38:24,950 --> 00:38:23,280

to uh to ask and uh

993

00:38:26,550 --> 00:38:24,960

john is the state director for the

994

00:38:28,790 --> 00:38:26,560

mutual ufo uh

995

00:38:30,630 --> 00:38:28,800

network from the state of pennsylvania

996

00:38:31,589 --> 00:38:30,640

he's written for a lot of magazines on

997

00:38:33,589 --> 00:38:31,599

the subject

998

00:38:34,790 --> 00:38:33,599

he's written several books that we're

999

00:38:37,270 --> 00:38:34,800

going to learn about

1000

00:38:38,710 --> 00:38:37,280

and he's got a great background in this

1001

00:38:40,630 --> 00:38:38,720

uh john why don't you just give us a

1002

00:38:42,310 --> 00:38:40,640

little bit of a scoop on what it is

1003

00:38:44,630 --> 00:38:42,320

you're doing how you got involved

1004

00:38:45,589 --> 00:38:44,640

in in all of this because as far as i

1005

00:38:47,990 --> 00:38:45,599

know you're

1006

00:38:49,750 --> 00:38:48,000

uh compared to me at least a relatively

1007

00:38:51,990 --> 00:38:49,760

uh newcomer i guess your

1008

00:38:53,270 --> 00:38:52,000

your interest goes back to the flap in

1009

00:38:56,150 --> 00:38:53,280

in pennsylvania

1010

00:38:57,670 --> 00:38:56,160

in in pittsburgh well uh actually the

1011

00:39:02,230 --> 00:38:57,680

way i got started in this

1012

00:39:04,870 --> 00:39:02,240

was back in uh 90 1996

1013

00:39:07,190 --> 00:39:04,880

i i actually had no interest in ufos you

1014

00:39:09,829 --> 00:39:07,200

know it's almost 40 years old

1015

00:39:11,270 --> 00:39:09,839

and i decided i wanted to write a book a

1016

00:39:14,150 --> 00:39:11,280

sci-fi book

1017

00:39:15,270 --> 00:39:14,160

on uh you know end time prophecy the

1018

00:39:18,310 --> 00:39:15,280

mayan calendar

1019

00:39:21,589 --> 00:39:18,320

so as i started investigating uh

1020

00:39:23,750 --> 00:39:21,599

end time prophecies and other cultures

1021

00:39:25,349 --> 00:39:23,760

i kept coming across these other

1022

00:39:28,790 --> 00:39:25,359

cultures talking about

1023

00:39:31,109 --> 00:39:28,800

uh star people flying shields

1024

00:39:32,470 --> 00:39:31,119

people from the stars so i said you know

1025

00:39:35,349 --> 00:39:32,480

what i'm going to look into

1026

00:39:38,870 --> 00:39:35,359

uh ufos so i really didn't get involved

1027

00:39:42,390 --> 00:39:38,880

in ufos until 1998 when i joined

1028

00:39:43,910 --> 00:39:42,400

mufon so it's been 17 years just about

1029

00:39:46,150 --> 00:39:43,920

17 years now

1030

00:39:47,589 --> 00:39:46,160

but that's how i got started really was

1031

00:39:50,630 --> 00:39:47,599

researching uh

1032

00:39:52,390 --> 00:39:50,640

end time prophecy in the mayan calendar

1033

00:39:53,829 --> 00:39:52,400

so you obviously see that there's a

1034

00:39:56,950 --> 00:39:53,839

connection

1035

00:40:00,230 --> 00:39:56,960

between ufos and star people

1036

00:40:02,550 --> 00:40:00,240

in a lot of these prophecies and even

1037

00:40:04,470 --> 00:40:02,560

biblical matters is that correct yeah

1038

00:40:06,230 --> 00:40:04,480

absolutely uh you know you

1039

00:40:09,430 --> 00:40:06,240

i i don't know how you look at the

1040

00:40:11,990 --> 00:40:09,440

ancient history and not realize that

1041

00:40:12,630 --> 00:40:12,000

somebody was there helping us you know

1042

00:40:15,270 --> 00:40:12,640

uh

1043

00:40:15,829 --> 00:40:15,280

i don't know how much or maybe hindering

1044

00:40:20,550 --> 00:40:15,839

us

1045

00:40:23,190 --> 00:40:20,560

making a slaves to build their temples

1046

00:40:24,309 --> 00:40:23,200

but uh yeah it definitely it seemed to

1047

00:40:28,069 --> 00:40:24,319

me that uh

1048

00:40:29,829 --> 00:40:28,079

you know gold yeah mining the gold also

1049

00:40:30,230 --> 00:40:29,839

yeah the technology the technology

1050

00:40:33,750 --> 00:40:30,240

though

1051

00:40:36,550 --> 00:40:33,760

too yeah yeah hi john

1052

00:40:38,069 --> 00:40:36,560

yeah so hey how are you doing so yeah so

1053

00:40:38,630 --> 00:40:38,079

that's how i got that's how i got

1054

00:40:41,190 --> 00:40:38,640

involved

1055

00:40:42,309 --> 00:40:41,200

in this and uh you know it's really the

1056

00:40:45,109 --> 00:40:42,319

the first

1057

00:40:46,470 --> 00:40:45,119

big flap we had in pennsylvania uh was

1058

00:40:49,990 --> 00:40:46,480

that bucks county

1059

00:40:51,750 --> 00:40:50,000

flap in 2008 and uh you know so so

1060

00:40:53,510 --> 00:40:51,760

that's really how i got involved with

1061

00:40:54,790 --> 00:40:53,520

the ufology

1062

00:40:57,030 --> 00:40:54,800

well why don't you tell us a little bit

1063

00:40:59,589 --> 00:40:57,040

about that flap i know it's uh

1064

00:41:01,990 --> 00:40:59,599

uh a part of the uh is it the discovery

1065

00:41:03,910 --> 00:41:02,000

channels ufos over earth

1066

00:41:06,390 --> 00:41:03,920

yeah you know it's funny it's it's been

1067

00:41:08,230 --> 00:41:06,400

on uh the discovery channel a couple of

1068

00:41:11,349 --> 00:41:08,240

times i've done three different

1069

00:41:12,150 --> 00:41:11,359

shows uh short discovery on destination

1070

00:41:15,270 --> 00:41:12,160

america

1071

00:41:16,790 --> 00:41:15,280

the discovery science and discovery with

1072

00:41:17,990 --> 00:41:16,800

the bucks county we haven't done a

1073

00:41:20,230 --> 00:41:18,000

history channel

1074

00:41:22,470 --> 00:41:20,240

show yet on that on hanger one but we'll

1075

00:41:24,150 --> 00:41:22,480

i'm sure we'll get to it but uh

1076

00:41:26,390 --> 00:41:24,160

you know it was an interesting it was

1077

00:41:29,829 --> 00:41:26,400

like uh really started around

1078

00:41:31,430 --> 00:41:29,839

april of 2008 and uh

1079

00:41:33,510 --> 00:41:31,440

went through the summer and you know i

1080

00:41:33,990 --> 00:41:33,520

was getting these phone calls from

1081

00:41:37,030 --> 00:41:34,000

people

1082

00:41:37,990 --> 00:41:37,040

up in east lake ohio and they were

1083

00:41:40,630 --> 00:41:38,000

telling me well

1084

00:41:41,910 --> 00:41:40,640

they see these uh these lights coming in

1085

00:41:44,150 --> 00:41:41,920

from lake erie

1086

00:41:45,430 --> 00:41:44,160

and uh next thing you know i'll get a

1087

00:41:48,309 --> 00:41:45,440

you know either

1088

00:41:49,270 --> 00:41:48,319

you know a sighting reported to mufon or

1089

00:41:51,589 --> 00:41:49,280

a phone call

1090

00:41:52,630 --> 00:41:51,599

telling me that they see them coming in

1091

00:41:55,030 --> 00:41:52,640

uh from

1092

00:41:56,630 --> 00:41:55,040

the lake over wheeling west virginia

1093

00:41:58,870 --> 00:41:56,640

then over pittsburgh then we were

1094

00:42:01,030 --> 00:41:58,880

getting them over state college then

1095

00:42:02,230 --> 00:42:01,040

uh heading across the state over bucks

1096

00:42:04,309 --> 00:42:02,240

county so

1097

00:42:06,710 --> 00:42:04,319

you know in some instances it it almost

1098

00:42:09,910 --> 00:42:06,720

seemed like it was the same ufo

1099

00:42:10,710 --> 00:42:09,920

that was reported and you know 10 15

1100

00:42:15,190 --> 00:42:10,720

minutes later

1101

00:42:16,790 --> 00:42:15,200

it was 300 miles you know away so

1102

00:42:19,030 --> 00:42:16,800

so we had some really good cases

1103

00:42:20,230 --> 00:42:19,040

although it started out of lake erie and

1104

00:42:23,030 --> 00:42:20,240

in pittsburgh

1105

00:42:24,870 --> 00:42:23,040

the bulk of the cases occurred in bucks

1106

00:42:28,390 --> 00:42:24,880

county pennsylvania

1107

00:42:31,670 --> 00:42:28,400

and uh you know we went from getting 97

1108

00:42:33,589 --> 00:42:31,680

cases a year for the entire state

1109

00:42:35,589 --> 00:42:33,599

and and then all of a sudden in that

1110

00:42:39,030 --> 00:42:35,599

10-week period over the summer

1111

00:42:40,950 --> 00:42:39,040

we got about 250 cases so

1112

00:42:43,190 --> 00:42:40,960

you know that's why i call it a flap

1113

00:42:44,309 --> 00:42:43,200

because the amount of cases we got

1114

00:42:47,109 --> 00:42:44,319

nearly tripled

1115

00:42:49,589 --> 00:42:47,119

in in a two and a half month period but

1116

00:42:52,870 --> 00:42:49,599

the two of the cases in particular

1117

00:42:54,950 --> 00:42:52,880

were very good uh one was

1118

00:42:56,550 --> 00:42:54,960

happened in levittown this woman by the

1119

00:42:59,829 --> 00:42:56,560

name of denise

1120

00:43:02,309 --> 00:42:59,839

her dogs barking and wakes her up she

1121

00:43:03,910 --> 00:43:02,319

she goes to her window sliding glass

1122

00:43:06,550 --> 00:43:03,920

door she goes outside

1123

00:43:08,790 --> 00:43:06,560

and it was three or four occasions she

1124

00:43:12,150 --> 00:43:08,800

saw this triangular craft in

1125

00:43:15,349 --> 00:43:12,160

in the sky and uh on one occasion

1126

00:43:19,109 --> 00:43:15,359

it dropped these metallic uh probes or

1127

00:43:20,550 --> 00:43:19,119

sprinkles into her tree so what we did

1128

00:43:22,790 --> 00:43:20,560

was we took uh

1129

00:43:24,950 --> 00:43:22,800

samples of the leaves then we took

1130

00:43:26,550 --> 00:43:24,960

control samples from other trees in the

1131

00:43:28,950 --> 00:43:26,560

yard and around the corner

1132

00:43:30,550 --> 00:43:28,960

you know down the street and only the

1133

00:43:33,190 --> 00:43:30,560

ones in her yard

1134

00:43:34,230 --> 00:43:33,200

uh turned out that they had boron on the

1135

00:43:37,750 --> 00:43:34,240

leaves

1136

00:43:39,190 --> 00:43:37,760

and boron is doesn't reflect radar which

1137

00:43:41,270 --> 00:43:39,200

is kind of interesting

1138

00:43:42,230 --> 00:43:41,280

they use it in stealth aircraft they use

1139

00:43:45,109 --> 00:43:42,240

it in paints

1140

00:43:46,550 --> 00:43:45,119

in nuclear reactors but so when she said

1141

00:43:48,550 --> 00:43:46,560

something happened in her tree

1142

00:43:50,870 --> 00:43:48,560

something you know did happen because

1143

00:43:52,870 --> 00:43:50,880

there were high levels of boron

1144

00:43:55,430 --> 00:43:52,880

one of the other lamp tests showed that

1145

00:43:58,150 --> 00:43:55,440

the leaves were subject to high heat

1146

00:43:59,750 --> 00:43:58,160

or radiation they they showed kind of a

1147

00:44:02,950 --> 00:43:59,760

burning on them like

1148

00:44:05,030 --> 00:44:02,960

lasers were used on them and

1149

00:44:06,630 --> 00:44:05,040

how how long did her sighting last and

1150

00:44:08,230 --> 00:44:06,640

how low down

1151
00:44:10,630 --> 00:44:08,240
was the object i mean was it right over

1152
00:44:11,510 --> 00:44:10,640
the trees yeah i'd say it was maybe in

1153
00:44:14,630 --> 00:44:11,520
the area of

1154
00:44:15,990 --> 00:44:14,640
500 feet high was the uh ufo three to

1155
00:44:19,030 --> 00:44:16,000
five hundred feet

1156
00:44:20,150 --> 00:44:19,040
and uh you know that lasted for about 15

1157
00:44:22,950 --> 00:44:20,160
minutes or so

1158
00:44:25,030 --> 00:44:22,960
and you know that that case actually got

1159
00:44:26,950 --> 00:44:25,040
me on the anderson cooper show so

1160
00:44:29,109 --> 00:44:26,960
i don't know how many people in this

1161
00:44:32,550 --> 00:44:29,119
field have been on anderson cooper

1162
00:44:35,829 --> 00:44:32,560
but i was in uh april of 2012

1163
00:44:36,470 --> 00:44:35,839

and and we went into that case and uh

1164

00:44:40,309 --> 00:44:36,480

that

1165

00:44:43,829 --> 00:44:40,319

experience

1166

00:44:46,390 --> 00:44:43,839

because it was a pre-taped show and uh

1167

00:44:49,270 --> 00:44:46,400

joe nichol was the skeptic that was on

1168

00:44:51,670 --> 00:44:49,280

and uh you know it was funny that a lot

1169

00:44:54,550 --> 00:44:51,680

of the answers i gave were edited

1170

00:44:55,670 --> 00:44:54,560

out when the show aired 10 days later

1171

00:44:57,270 --> 00:44:55,680

they left this

1172

00:44:58,870 --> 00:44:57,280

they left in basically everything that

1173

00:45:00,870 --> 00:44:58,880

joe nichols said

1174

00:45:02,230 --> 00:45:00,880

but you know on everything joe said

1175

00:45:03,670 --> 00:45:02,240

anderson would say to me

1176

00:45:05,910 --> 00:45:03,680

john what do you got say and i gave some

1177

00:45:07,190 --> 00:45:05,920

good answers you know and they they cut

1178

00:45:10,390 --> 00:45:07,200

out what i said about

1179

00:45:13,670 --> 00:45:10,400

uh you know we got into other cases and

1180

00:45:15,910 --> 00:45:13,680

i was talking about the o'hare case and

1181

00:45:17,750 --> 00:45:15,920

you know joe said it was a hole punch

1182

00:45:19,349 --> 00:45:17,760

cloud and i said well that's not

1183

00:45:21,750 --> 00:45:19,359

possible because

1184

00:45:23,589 --> 00:45:21,760

it was 53 degrees that day and it has to

1185

00:45:24,390 --> 00:45:23,599

be freezing temperatures to have a hole

1186

00:45:26,870 --> 00:45:24,400

punch cloud

1187

00:45:28,950 --> 00:45:26,880

well they cut that out and there was one

1188

00:45:30,470 --> 00:45:28,960

point i said something the the whole

1189

00:45:32,150 --> 00:45:30,480

audience applauded

1190

00:45:33,829 --> 00:45:32,160

because i said something about the three

1191

00:45:36,230 --> 00:45:33,839

female witnesses we had there

1192

00:45:36,950 --> 00:45:36,240

they cut that out uh there was one point

1193

00:45:39,349 --> 00:45:36,960

where

1194

00:45:41,270 --> 00:45:39,359

joe nichols said well they these women

1195

00:45:42,950 --> 00:45:41,280

saw the planet jupiter

1196

00:45:45,270 --> 00:45:42,960

and the whole audience broke out

1197

00:45:46,790 --> 00:45:45,280

laughing they dubbed out the laughter i

1198

00:45:49,750 --> 00:45:46,800

mean it was so

1199

00:45:51,030 --> 00:45:49,760

obvious they didn't want the ufo uh

1200

00:45:53,349 --> 00:45:51,040

topic to

1201
00:45:54,630 --> 00:45:53,359
look credible and you know one thing i

1202
00:45:56,230 --> 00:45:54,640
did say on that show

1203
00:45:57,990 --> 00:45:56,240
because i had just read it in wired

1204
00:46:00,150 --> 00:45:58,000
magazine was

1205
00:46:02,309 --> 00:46:00,160
you know anderson said the government

1206
00:46:05,349 --> 00:46:02,319
can't keep secrets et cetera et cetera

1207
00:46:08,550 --> 00:46:05,359
and uh you know i gave some examples of

1208
00:46:10,550 --> 00:46:08,560
uh manhattan project the stealth fighter

1209
00:46:11,829 --> 00:46:10,560
and then you know i i said something

1210
00:46:15,430 --> 00:46:11,839
about the nsa

1211
00:46:18,230 --> 00:46:15,440
is uh recording every email every

1212
00:46:18,870 --> 00:46:18,240
every cell phone call every every text

1213
00:46:20,309 --> 00:46:18,880

everything

1214

00:46:21,910 --> 00:46:20,319

and he and you know he kind of shrugged

1215

00:46:24,950 --> 00:46:21,920

it off like not or not

1216

00:46:25,910 --> 00:46:24,960

and uh that story didn't break until a

1217

00:46:29,109 --> 00:46:25,920

year later

1218

00:46:32,069 --> 00:46:29,119

in it was like the spring of 2013. but

1219

00:46:33,829 --> 00:46:32,079

i've got it documented in april of 12

1220

00:46:35,910 --> 00:46:33,839

on the anderson cooper show because i

1221

00:46:38,069 --> 00:46:35,920

had just read it in wired magazine

1222

00:46:38,950 --> 00:46:38,079

that that was going on so it kind of you

1223

00:46:41,430 --> 00:46:38,960

kind of wonder

1224

00:46:42,390 --> 00:46:41,440

how much manipulation there is out there

1225

00:46:46,150 --> 00:46:42,400

because

1226

00:46:49,030 --> 00:46:46,160

uh even our congress people and every

1227

00:46:51,589 --> 00:46:49,040

major network tv show said they knew

1228

00:46:54,150 --> 00:46:51,599

nothing about what the nsa was doing

1229

00:46:55,990 --> 00:46:54,160

but um you know i brought it up on

1230

00:46:57,589 --> 00:46:56,000

anderson cooper's show a year before the

1231

00:47:01,270 --> 00:46:57,599

story broke and it's even in

1232

00:47:03,030 --> 00:47:01,280

one of my books so uh but i'm sorry

1233

00:47:05,750 --> 00:47:03,040

yeah what do you think their agenda is

1234

00:47:08,069 --> 00:47:05,760

to not want to talk about it

1235

00:47:10,069 --> 00:47:08,079

the government's agenda the media oh do

1236

00:47:10,710 --> 00:47:10,079

you talk about ufos not talk about ufos

1237

00:47:15,109 --> 00:47:10,720

yeah

1238

00:47:17,430 --> 00:47:15,119

with the the government is

1239

00:47:18,950 --> 00:47:17,440

the u.s government is after the

1240

00:47:22,230 --> 00:47:18,960

technology

1241

00:47:23,109 --> 00:47:22,240

absolutely um when you look at the ufo

1242

00:47:26,470 --> 00:47:23,119

field

1243

00:47:28,470 --> 00:47:26,480

basically the united states and the uk

1244

00:47:30,309 --> 00:47:28,480

investigate ufos through their

1245

00:47:32,549 --> 00:47:30,319

departments of defense

1246

00:47:33,510 --> 00:47:32,559

where south america looks at it through

1247

00:47:36,549 --> 00:47:33,520

their faa

1248

00:47:38,790 --> 00:47:36,559

as if it's an air safety issue but you

1249

00:47:41,030 --> 00:47:38,800

know we go after to shoot them down

1250

00:47:43,349 --> 00:47:41,040

and that's still a standing order since

1251

00:47:45,510 --> 00:47:43,359

uh 1952 with truman

1252

00:47:47,109 --> 00:47:45,520

if they if you can't talk them down

1253

00:47:49,589 --> 00:47:47,119

shoot them down

1254

00:47:51,829 --> 00:47:49,599

and uh you know you look at china you

1255

00:47:52,470 --> 00:47:51,839

look at japan they have ufo reporting

1256

00:47:54,950 --> 00:47:52,480

centers

1257

00:47:56,390 --> 00:47:54,960

and uh so really for us it's it's all

1258

00:47:57,270 --> 00:47:56,400

about getting our hands on the

1259

00:47:59,349 --> 00:47:57,280

technology

1260

00:48:01,430 --> 00:47:59,359

also too i think john you're you're

1261

00:48:04,150 --> 00:48:01,440

quoted as saying here the world is

1262

00:48:05,190 --> 00:48:04,160

neither good or evil it's just

1263

00:48:07,589 --> 00:48:05,200

controlled by

1264

00:48:09,030 --> 00:48:07,599

money and that that certainly has a lot

1265

00:48:11,589 --> 00:48:09,040

yeah that certainly has

1266

00:48:12,549 --> 00:48:11,599

a lot to do with this in the form of the

1267

00:48:15,670 --> 00:48:12,559

uh

1268

00:48:16,710 --> 00:48:15,680

energy and the technology because as we

1269

00:48:19,349 --> 00:48:16,720

know today

1270

00:48:20,710 --> 00:48:19,359

big corporations uh pretty much control

1271

00:48:23,829 --> 00:48:20,720

what goes on

1272

00:48:24,870 --> 00:48:23,839

uh in on the on the hill on capitol hill

1273

00:48:26,870 --> 00:48:24,880

i mean it just

1274

00:48:28,710 --> 00:48:26,880

it it boggles the mind to think that the

1275

00:48:31,030 --> 00:48:28,720

bankers and the oil companies

1276

00:48:32,630 --> 00:48:31,040

have so much uh influence in a country

1277

00:48:35,349 --> 00:48:32,640

that's supposed to be uh

1278

00:48:36,710 --> 00:48:35,359

you know uh run by the the people it's

1279

00:48:39,510 --> 00:48:36,720

not it's run by

1280

00:48:41,270 --> 00:48:39,520

corporations just as dwight eisenhower

1281

00:48:43,829 --> 00:48:41,280

predicted it would happen

1282

00:48:45,589 --> 00:48:43,839

uh back uh when he was president he said

1283

00:48:49,270 --> 00:48:45,599

to be very leery

1284

00:48:52,950 --> 00:48:49,280

of the military industrial complex

1285

00:48:55,589 --> 00:48:52,960

absolutely and uh i i think we would

1286

00:48:56,309 --> 00:48:55,599

really really be surprised how much of

1287

00:48:59,750 --> 00:48:56,319

the news

1288

00:49:02,549 --> 00:48:59,760

is spun and manipulated and written the

1289

00:49:04,870 --> 00:49:02,559

day before it happens uh

1290

00:49:06,950 --> 00:49:04,880

you know i i there's so many things it's

1291

00:49:08,950 --> 00:49:06,960

like you know you look at nbc

1292

00:49:10,870 --> 00:49:08,960

and uh you know they edited out the

1293

00:49:14,069 --> 00:49:10,880

information on trayvon martin

1294

00:49:14,950 --> 00:49:14,079

you just had their number one uh guy on

1295

00:49:18,069 --> 00:49:14,960

television

1296

00:49:20,390 --> 00:49:18,079

you know fabricating a story that his he

1297

00:49:24,150 --> 00:49:20,400

was in a helicopter got shot down

1298

00:49:25,030 --> 00:49:24,160

uh you know i i watched the stock market

1299

00:49:27,430 --> 00:49:25,040

real close

1300

00:49:29,030 --> 00:49:27,440

and for the last two years i mean i'll

1301

00:49:30,790 --> 00:49:29,040

bet my bottom dollar that

1302

00:49:33,750 --> 00:49:30,800

it's all price fixed for the last two

1303

00:49:35,030 --> 00:49:33,760

years what what what really scares me is

1304

00:49:37,030 --> 00:49:35,040

how bad would they how much would they

1305

00:49:37,430 --> 00:49:37,040

sell us out for the technology that they

1306

00:49:38,950 --> 00:49:37,440

want

1307

00:49:40,309 --> 00:49:38,960

you know like like abduct as many people

1308

00:49:41,030 --> 00:49:40,319

as you want do whatever you want to do

1309

00:49:43,270 --> 00:49:41,040

to them

1310

00:49:44,870 --> 00:49:43,280

you know experiment them on them all you

1311

00:49:45,829 --> 00:49:44,880

want for hybrids or whatever it is

1312

00:49:48,069 --> 00:49:45,839

they're doing

1313

00:49:49,349 --> 00:49:48,079

i think i think that that the fact they

1314

00:49:51,510 --> 00:49:49,359

don't want to acknowledge

1315

00:49:52,950 --> 00:49:51,520

you know anything that's been going on

1316

00:49:54,870 --> 00:49:52,960

all this time it's just

1317

00:49:56,470 --> 00:49:54,880

you know it kind of scares me because

1318

00:49:57,589 --> 00:49:56,480

thinking you know how much would they

1319

00:50:01,430 --> 00:49:57,599

sell out

1320

00:50:05,109 --> 00:50:01,440

you know uh you know their the

1321

00:50:08,069 --> 00:50:05,119

their constituents yeah well you know uh

1322

00:50:09,510 --> 00:50:08,079

it's kind of like a catch 22. every

1323

00:50:11,589 --> 00:50:09,520

every radio show i do

1324

00:50:13,349 --> 00:50:11,599

you know i point the finger at the cia

1325

00:50:16,309 --> 00:50:13,359

because that's where the cover-up

1326

00:50:16,950 --> 00:50:16,319

is but you know i also got to say that i

1327

00:50:19,670 --> 00:50:16,960

i think

1328

00:50:21,510 --> 00:50:19,680

that they do this in some perverted way

1329

00:50:23,990 --> 00:50:21,520

to protect us

1330

00:50:25,910 --> 00:50:24,000

you know get the technology keep this

1331

00:50:27,109 --> 00:50:25,920

thing quiet and they're really trying to

1332

00:50:29,510 --> 00:50:27,119

protect

1333

00:50:31,589 --> 00:50:29,520

america but you know what are you going

1334

00:50:35,510 --> 00:50:31,599

to do if a species shows

1335

00:50:37,589 --> 00:50:35,520

up and they make you an offer and uh

1336

00:50:39,750 --> 00:50:37,599

you know the other choice is if you say

1337

00:50:41,589 --> 00:50:39,760

no well okay we're going to go to this

1338

00:50:42,309 --> 00:50:41,599

china country or we're going to go to

1339

00:50:44,150 --> 00:50:42,319

russia

1340

00:50:46,069 --> 00:50:44,160

and make them the same offer so you got

1341

00:50:46,630 --> 00:50:46,079

to get in bed with the devil you really

1342

00:50:49,349 --> 00:50:46,640

do

1343

00:50:50,230 --> 00:50:49,359

and and you know in a lot of cases i

1344

00:50:51,750 --> 00:50:50,240

think some of this

1345

00:50:54,069 --> 00:50:51,760

is demonic i don't think it's

1346

00:50:56,309 --> 00:50:54,079

extraterrestrial i think it's flat out

1347

00:50:56,710 --> 00:50:56,319

demonic when you talk about abductions

1348

00:50:58,309 --> 00:50:56,720

and

1349

00:51:00,390 --> 00:50:58,319

some of the other stuff going on you

1350

00:51:03,030 --> 00:51:00,400

know some of this is eating

1351
00:51:03,910 --> 00:51:03,040
you know ancient alien stuff uh but it

1352
00:51:05,990 --> 00:51:03,920
seems to me that

1353
00:51:08,630 --> 00:51:06,000
a lot since world war ii with the foo

1354
00:51:09,349 --> 00:51:08,640
fired fighters and uh a lot of this

1355
00:51:11,910 --> 00:51:09,359
stuff i think

1356
00:51:14,069 --> 00:51:11,920
is nothing more than end of days demonic

1357
00:51:15,670 --> 00:51:14,079
stuff

1358
00:51:17,270 --> 00:51:15,680
of course now i don't know to me it's

1359
00:51:17,510 --> 00:51:17,280
kind of hard to to pin that down you

1360
00:51:19,109 --> 00:51:17,520
know

1361
00:51:21,270 --> 00:51:19,119
we did a book called round trip to hell

1362
00:51:23,430 --> 00:51:21,280
in a flying saucer and we had

1363
00:51:24,390 --> 00:51:23,440

a number of you know serious students of

1364

00:51:26,950 --> 00:51:24,400

the uh

1365

00:51:28,470 --> 00:51:26,960

phenomena debate the issue and to bring

1366

00:51:30,309 --> 00:51:28,480

up the evidence that uh

1367

00:51:31,589 --> 00:51:30,319

there is something very negative about

1368

00:51:33,829 --> 00:51:31,599

this and there certainly

1369

00:51:35,270 --> 00:51:33,839

is i mean uh people who have reported

1370

00:51:38,470 --> 00:51:35,280

being abducted

1371

00:51:39,670 --> 00:51:38,480

they have been literally uh stripped of

1372

00:51:41,670 --> 00:51:39,680

everything that they uh

1373

00:51:42,950 --> 00:51:41,680

that they own mentally and and

1374

00:51:44,470 --> 00:51:42,960

physically uh

1375

00:51:46,390 --> 00:51:44,480

and you know these objects have the

1376

00:51:47,270 --> 00:51:46,400

ability to change shape as well as the

1377

00:51:49,670 --> 00:51:47,280

occupants

1378

00:51:50,390 --> 00:51:49,680

uh they often tell us things that turn

1379

00:51:52,549 --> 00:51:50,400

out to be just

1380

00:51:53,430 --> 00:51:52,559

contrary uh to the information that

1381

00:51:55,750 --> 00:51:53,440

they're uh

1382

00:51:57,750 --> 00:51:55,760

giving us it's really almost impossible

1383

00:52:00,230 --> 00:51:57,760

to say for sure

1384

00:52:02,309 --> 00:52:00,240

uh where this is all uh leading you know

1385

00:52:03,270 --> 00:52:02,319

are there forces of good and forces of

1386

00:52:05,750 --> 00:52:03,280

evil

1387

00:52:07,589 --> 00:52:05,760

in the the universe and how is this all

1388

00:52:09,190 --> 00:52:07,599

going to uh to play out

1389

00:52:11,190 --> 00:52:09,200

uh it seems to me that this has been

1390

00:52:13,510 --> 00:52:11,200

going on for a heck of a long time

1391

00:52:14,309 --> 00:52:13,520

and it doesn't really seem to come to

1392

00:52:17,670 --> 00:52:14,319

any

1393

00:52:20,710 --> 00:52:17,680

continuous

1394

00:52:22,870 --> 00:52:20,720

going back to the pages of history

1395

00:52:23,910 --> 00:52:22,880

now i noticed john one of the things

1396

00:52:27,190 --> 00:52:23,920

you've also written

1397

00:52:29,990 --> 00:52:27,200

on is the history of ufo

1398

00:52:30,950 --> 00:52:30,000

as far as art goes what were you able to

1399

00:52:33,430 --> 00:52:30,960

find out about

1400

00:52:34,790 --> 00:52:33,440

that i know there are some uh several

1401

00:52:37,589 --> 00:52:34,800

instances of

1402

00:52:39,670 --> 00:52:37,599

paintings religious paintings where ufos

1403

00:52:42,470 --> 00:52:39,680

apparently have been

1404

00:52:43,030 --> 00:52:42,480

a part of the the background yeah well

1405

00:52:45,109 --> 00:52:43,040

you know i

1406

00:52:46,150 --> 00:52:45,119

i give i don't know five or six

1407

00:52:49,109 --> 00:52:46,160

different lectures

1408

00:52:51,109 --> 00:52:49,119

and i try to every year because i run

1409

00:52:52,630 --> 00:52:51,119

three conferences here in pennsylvania i

1410

00:52:54,790 --> 00:52:52,640

try to create a new

1411

00:52:55,750 --> 00:52:54,800

uh lecture i don't want to say the same

1412

00:52:58,710 --> 00:52:55,760

stuff so

1413

00:52:59,990 --> 00:52:58,720

when ancient aliens came on uh hit the

1414

00:53:02,150 --> 00:53:00,000

scene eight years ago

1415

00:53:04,150 --> 00:53:02,160

whatever it was um and i said you know

1416

00:53:07,670 --> 00:53:04,160

let me let me look into this uh

1417

00:53:09,750 --> 00:53:07,680

ufos and art and history and try to put

1418

00:53:11,510 --> 00:53:09,760

together a presentation on that

1419

00:53:12,950 --> 00:53:11,520

and you know i think most of the stuff i

1420

00:53:15,109 --> 00:53:12,960

put in that presentation

1421

00:53:16,150 --> 00:53:15,119

six years ago a problem has probably all

1422

00:53:18,309 --> 00:53:16,160

been shown on

1423

00:53:20,309 --> 00:53:18,319

ancient aliens but uh you know the

1424

00:53:23,349 --> 00:53:20,319

history of this just goes back

1425

00:53:24,390 --> 00:53:23,359

so far and it makes you laugh when you

1426

00:53:26,549 --> 00:53:24,400

you know you're doing

1427

00:53:29,030 --> 00:53:26,559

an interview or an anderson cooper show

1428

00:53:30,150 --> 00:53:29,040

and it's well it started in roswell in

1429

00:53:33,990 --> 00:53:30,160

1947

1430

00:53:35,990 --> 00:53:34,000

no it didn't and uh and that fact as far

1431

00:53:39,349 --> 00:53:36,000

as i'm concerned the modern ufo

1432

00:53:40,390 --> 00:53:39,359

era started in 1942 with the battle of

1433

00:53:42,470 --> 00:53:40,400

la

1434

00:53:44,390 --> 00:53:42,480

because if you look into that one uh you

1435

00:53:44,870 --> 00:53:44,400

know we recovered a craft off the coast

1436

00:53:47,270 --> 00:53:44,880

of

1437

00:53:49,910 --> 00:53:47,280

los angeles and uh we couldn't shoot

1438

00:53:51,349 --> 00:53:49,920

these things down after firing 1400

1439

00:53:52,870 --> 00:53:51,359

rounds at them so

1440

00:53:54,710 --> 00:53:52,880

you know it wasn't even roswell they

1441

00:53:57,030 --> 00:53:54,720

were really good cases uh

1442

00:53:59,670 --> 00:53:57,040

years before roswell but uh when you

1443

00:54:02,150 --> 00:53:59,680

look at the ancient history i mean

1444

00:54:02,950 --> 00:54:02,160

some of these paintings it's you know

1445

00:54:04,790 --> 00:54:02,960

when you were

1446

00:54:08,150 --> 00:54:04,800

the people who made these paintings in

1447

00:54:11,510 --> 00:54:08,160

the 1600s and 1400s they pretty much

1448

00:54:13,349 --> 00:54:11,520

painted what they saw it wasn't the

1449

00:54:15,270 --> 00:54:13,359

you know abstract art they didn't have a

1450

00:54:18,390 --> 00:54:15,280

salvator dolly to

1451

00:54:20,549 --> 00:54:18,400

you know back then and uh you know there

1452

00:54:23,829 --> 00:54:20,559

there are paintings that show

1453

00:54:24,549 --> 00:54:23,839

ufos that are are you know shining a

1454

00:54:26,630 --> 00:54:24,559

light down

1455

00:54:28,549 --> 00:54:26,640

during the birth of jesus there's

1456

00:54:31,109 --> 00:54:28,559

paintings that show the madonna

1457

00:54:32,870 --> 00:54:31,119

with the ufo in the background and you

1458

00:54:34,470 --> 00:54:32,880

know there's a man and his dog looking

1459

00:54:34,950 --> 00:54:34,480

up at it it's actually a mother ship

1460

00:54:37,910 --> 00:54:34,960

with

1461

00:54:39,109 --> 00:54:37,920

a couple of ufos coming out of it and uh

1462

00:54:42,710 --> 00:54:39,119

then you get the rock

1463

00:54:44,390 --> 00:54:42,720

uh drawings and petroglyphs that go back

1464

00:54:46,710 --> 00:54:44,400

thousands of years you know i think the

1465

00:54:47,510 --> 00:54:46,720

ones in africa are ten thousand years

1466

00:54:50,630 --> 00:54:47,520

old and

1467

00:54:54,150 --> 00:54:50,640

same thing in australia so uh you know

1468

00:54:57,430 --> 00:54:54,160

this planet i think has been visited for

1469

00:54:59,109 --> 00:54:57,440

a very long time it's a very rich planet

1470

00:55:01,510 --> 00:54:59,119

and uh you know i read something in one

1471

00:55:03,430 --> 00:55:01,520

of major kehoe's books where

1472

00:55:05,270 --> 00:55:03,440

he kind of made a good example he said

1473

00:55:08,390 --> 00:55:05,280

if you put your hand out

1474

00:55:12,069 --> 00:55:08,400

earth and and your hand would be the uh

1475

00:55:14,549 --> 00:55:12,079

milky way galaxy earth is located

1476

00:55:16,069 --> 00:55:14,559

in like the top digit of your ring

1477

00:55:17,030 --> 00:55:16,079

finger so if you just put your hand out

1478

00:55:19,349 --> 00:55:17,040

and look at it

1479

00:55:20,470 --> 00:55:19,359

that's where we're located so it's a

1480

00:55:23,109 --> 00:55:20,480

launching point

1481

00:55:24,390 --> 00:55:23,119

for those civilizations that can leave

1482

00:55:26,630 --> 00:55:24,400

this galaxy

1483

00:55:27,829 --> 00:55:26,640

and go to another one and they come here

1484

00:55:30,390 --> 00:55:27,839

to refuel

1485

00:55:31,190 --> 00:55:30,400

retool restock do whatever they got to

1486

00:55:32,710 --> 00:55:31,200

do

1487

00:55:34,470 --> 00:55:32,720

and uh you know the other ones that

1488

00:55:36,230 --> 00:55:34,480

don't leave the galaxy

1489

00:55:38,549 --> 00:55:36,240

you know they come here and it's kind of

1490

00:55:40,549 --> 00:55:38,559

a science experiment you know

1491

00:55:42,150 --> 00:55:40,559

it may be in all their textbooks well

1492

00:55:44,390 --> 00:55:42,160

you got to make a visit to earth

1493

00:55:46,069 --> 00:55:44,400

and observe that civilization you know

1494

00:55:48,230 --> 00:55:46,079

but you don't interfere

1495

00:55:50,069 --> 00:55:48,240

uh i i think they do with the fear there

1496

00:55:51,670 --> 00:55:50,079

are certain species that do and

1497

00:55:53,270 --> 00:55:51,680

and that's what's in that one book i

1498

00:55:55,829 --> 00:55:53,280

just wrote last year

1499

00:55:57,270 --> 00:55:55,839

an alternative history of mankind well

1500

00:56:00,230 --> 00:55:57,280

when you say that they're demonic

1501
00:56:01,030 --> 00:56:00,240
so what what is that well there is uh

1502
00:56:03,549 --> 00:56:01,040
there is a

1503
00:56:05,510 --> 00:56:03,559
portion of this when i look at

1504
00:56:09,270 --> 00:56:05,520
abductions

1505
00:56:11,510 --> 00:56:09,280
and even cattle mutilations and uh

1506
00:56:12,630 --> 00:56:11,520
i you know this group out there and i

1507
00:56:14,390 --> 00:56:12,640
don't know if you've talked to any of

1508
00:56:16,069 --> 00:56:14,400
the people from the free

1509
00:56:18,230 --> 00:56:16,079
organization have you heard about that

1510
00:56:20,630 --> 00:56:18,240
they're looking into abductions

1511
00:56:21,430 --> 00:56:20,640
um but they got a real good lineup of

1512
00:56:24,309 --> 00:56:21,440
people but

1513
00:56:25,109 --> 00:56:24,319

they kind of lean towards the abductions

1514

00:56:27,750 --> 00:56:25,119

being

1515

00:56:28,150 --> 00:56:27,760

uh kind of left-wing liberals that are

1516

00:56:31,349 --> 00:56:28,160

here

1517

00:56:32,309 --> 00:56:31,359

to help us with the environment and free

1518

00:56:34,630 --> 00:56:32,319

technology

1519

00:56:37,190 --> 00:56:34,640

and also sounds like a good sounds like

1520

00:56:38,789 --> 00:56:37,200

a good reason for coming here

1521

00:56:40,390 --> 00:56:38,799

if they weren't so frightening they

1522

00:56:43,829 --> 00:56:40,400

weren't so frightening and probing

1523

00:56:45,670 --> 00:56:43,839

yeah there's two camps there's that camp

1524

00:56:48,230 --> 00:56:45,680

that kind of says well you know they're

1525

00:56:50,710 --> 00:56:48,240

here for uh you know all the reasons

1526
00:56:51,510 --> 00:56:50,720
uh to help us and then there's the other

1527
00:56:54,630 --> 00:56:51,520
camp

1528
00:56:58,549 --> 00:56:54,640
that has uh you know dr david jacob

1529
00:57:00,630 --> 00:56:58,559
skye malone uh nick redfearn myself

1530
00:57:02,549 --> 00:57:00,640
uh others that that say well wait a

1531
00:57:04,470 --> 00:57:02,559
minute let's take a look at this

1532
00:57:06,710 --> 00:57:04,480
they're they're they're showing up they

1533
00:57:09,670 --> 00:57:06,720
have the ability to communicate

1534
00:57:10,950 --> 00:57:09,680
but they don't they show up at you know

1535
00:57:13,030 --> 00:57:10,960
after midnight

1536
00:57:15,190 --> 00:57:13,040
and they're in the shadows and they kind

1537
00:57:18,230 --> 00:57:15,200
of stun you

1538
00:57:18,789 --> 00:57:18,240

take you so it's a kidnapping and uh you

1539

00:57:20,950 --> 00:57:18,799

know men

1540

00:57:22,870 --> 00:57:20,960

and women it becomes a rape where they

1541

00:57:25,990 --> 00:57:22,880

you know they're either taking egg or

1542

00:57:27,910 --> 00:57:26,000

or semen and and in some cases the

1543

00:57:29,349 --> 00:57:27,920

actual act is performed and then they

1544

00:57:32,390 --> 00:57:29,359

come back and they take

1545

00:57:33,190 --> 00:57:32,400

uh the fetus i mean how is that a good

1546

00:57:36,309 --> 00:57:33,200

thing

1547

00:57:37,990 --> 00:57:36,319

yeah yeah and and i mean

1548

00:57:40,549 --> 00:57:38,000

the demonic thing when you say that

1549

00:57:42,789 --> 00:57:40,559

because you know because i'm thinking

1550

00:57:43,990 --> 00:57:42,799

that what people think is demonic is

1551
00:57:47,270 --> 00:57:44,000
actually these

1552
00:57:50,150 --> 00:57:47,280
these uh uh aliens well so

1553
00:57:50,950 --> 00:57:50,160
there's an overlap there's absolutely an

1554
00:57:53,670 --> 00:57:50,960
overlap

1555
00:57:54,069 --> 00:57:53,680
and uh but i when i look at some of that

1556
00:57:57,589 --> 00:57:54,079
stuff

1557
00:57:58,390 --> 00:57:57,599
going on and uh you know to me i'm not

1558
00:58:00,910 --> 00:57:58,400
so sure

1559
00:58:02,390 --> 00:58:00,920
certain that some of that is these

1560
00:58:05,750 --> 00:58:02,400
extraterrestrials

1561
00:58:06,789 --> 00:58:05,760
uh you know in the demonic sense i think

1562
00:58:09,190 --> 00:58:06,799
they would

1563
00:58:11,270 --> 00:58:09,200

you know satan would want us to believe

1564

00:58:13,109 --> 00:58:11,280

in extraterrestrials

1565

00:58:14,789 --> 00:58:13,119

because they're going to come here and

1566

00:58:16,390 --> 00:58:14,799

help us and it's almost like you could

1567

00:58:17,910 --> 00:58:16,400

create a religion out of it

1568

00:58:20,150 --> 00:58:17,920

that they're here to give us you know

1569

00:58:21,109 --> 00:58:20,160

all the things we need and superior

1570

00:58:23,510 --> 00:58:21,119

technology

1571

00:58:24,710 --> 00:58:23,520

and what does that do it pulls you away

1572

00:58:26,789 --> 00:58:24,720

from religion

1573

00:58:28,470 --> 00:58:26,799

which would be what satan's goal would

1574

00:58:30,069 --> 00:58:28,480

be you know some people need

1575

00:58:31,990 --> 00:58:30,079

some people need to be pulled away from

1576

00:58:34,549 --> 00:58:32,000

religion yeah i mean

1577

00:58:35,109 --> 00:58:34,559

as we see on the world this stage today

1578

00:58:37,109 --> 00:58:35,119

you know

1579

00:58:38,789 --> 00:58:37,119

i mean could satan be could satan be an

1580

00:58:41,430 --> 00:58:38,799

alien that was left here or

1581

00:58:42,549 --> 00:58:41,440

somebody who like the subterranean

1582

00:58:45,910 --> 00:58:42,559

reptilian

1583

00:58:46,549 --> 00:58:45,920

could he be one of them that was left

1584

00:58:49,109 --> 00:58:46,559

here

1585

00:58:51,430 --> 00:58:49,119

and and just hates us it could be a

1586

00:58:55,270 --> 00:58:51,440

complete uh

1587

00:58:55,990 --> 00:58:55,280

you know misidentification of angels and

1588

00:58:58,870 --> 00:58:56,000

demons

1589

00:59:00,150 --> 00:58:58,880

actually extraterrestrials and the one

1590

00:59:03,349 --> 00:59:00,160

book i wrote actually

1591

00:59:05,670 --> 00:59:03,359

leans that way that it's always been

1592

00:59:07,910 --> 00:59:05,680

them they it's them that we've been

1593

00:59:09,910 --> 00:59:07,920

seeing the extraterrestrials but yeah

1594

00:59:11,670 --> 00:59:09,920

and that when when we were primitive

1595

00:59:12,309 --> 00:59:11,680

people this is what we described it as

1596

00:59:14,309 --> 00:59:12,319

something

1597

00:59:16,630 --> 00:59:14,319

you know right but i still but but you

1598

00:59:18,069 --> 00:59:16,640

know i'm i'm still raised a christian so

1599

00:59:21,270 --> 00:59:18,079

i'm still thinking

1600

00:59:23,910 --> 00:59:21,280

that somewhere because i have to

1601
00:59:24,710 --> 00:59:23,920
because it's just you know part of me

1602
00:59:27,829 --> 00:59:24,720
that jesus

1603
00:59:29,589 --> 00:59:27,839
is somehow an advocate in all this

1604
00:59:30,710 --> 00:59:29,599
so i don't know i'm still trying to i'm

1605
00:59:32,309 --> 00:59:30,720
trying to unravel the statements i'm

1606
00:59:34,309 --> 00:59:32,319
trying to get why i gotta i gotta take

1607
00:59:37,030 --> 00:59:34,319
the other side of the fence i don't i

1608
00:59:38,549 --> 00:59:37,040
don't yeah i i'm not a i'm not an

1609
00:59:40,630 --> 00:59:38,559
atheist i'm a searcher

1610
00:59:42,309 --> 00:59:40,640
and i just don't see the connection with

1611
00:59:49,750 --> 00:59:42,319
the you know with the

1612
00:59:53,910 --> 00:59:51,990
religious mythology you know and i think

1613
00:59:55,990 --> 00:59:53,920

some of it is true and some of it isn't

1614

00:59:57,510 --> 00:59:56,000

and uh everybody's got to make up their

1615

01:00:00,230 --> 00:59:57,520

own uh you know

1616

01:00:00,870 --> 01:00:00,240

mind and when you say communicating with

1617

01:00:02,710 --> 01:00:00,880

us well

1618

01:00:03,990 --> 01:00:02,720

i think that they communicate with us

1619

01:00:06,230 --> 01:00:04,000

but they communicate

1620

01:00:08,069 --> 01:00:06,240

try to communicate with us or only are

1621

01:00:08,549 --> 01:00:08,079

able to communicate with us on a

1622

01:00:10,950 --> 01:00:08,559

different

1623

01:00:12,549 --> 01:00:10,960

level we're looking for like the city

1624

01:00:15,190 --> 01:00:12,559

people are looking for

1625

01:00:16,870 --> 01:00:15,200

uh radio signals well maybe they don't

1626

01:00:17,990 --> 01:00:16,880

like to listen to radio maybe they have

1627

01:00:20,230 --> 01:00:18,000

no interest in that

1628

01:00:21,510 --> 01:00:20,240

maybe they're not on the same frequency

1629

01:00:23,829 --> 01:00:21,520

as um as

1630

01:00:25,270 --> 01:00:23,839

signals uh go digital in the last you

1631

01:00:26,710 --> 01:00:25,280

know 20 30 years

1632

01:00:28,309 --> 01:00:26,720

we're actually sending less and less

1633

01:00:30,150 --> 01:00:28,319

signals into space

1634

01:00:32,069 --> 01:00:30,160

so it's going to get to a point within

1635

01:00:34,230 --> 01:00:32,079

the next 50 years maybe 100 years where

1636

01:00:35,510 --> 01:00:34,240

we're sending no signals at auto space

1637

01:00:37,750 --> 01:00:35,520

because we're all going to be 100

1638

01:00:40,150 --> 01:00:37,760

digital and everything so there's

1639

01:00:41,270 --> 01:00:40,160

there's not going to be a trace of us in

1640

01:00:42,789 --> 01:00:41,280

the cosmos

1641

01:00:44,470 --> 01:00:42,799

and that's us imagine if you're a

1642

01:00:45,589 --> 01:00:44,480

million years advanced there would be no

1643

01:00:47,589 --> 01:00:45,599

signals at all

1644

01:00:49,270 --> 01:00:47,599

if they're that much more advanced so

1645

01:00:49,670 --> 01:00:49,280

seti has been wasting their time for the

1646

01:00:51,510 --> 01:00:49,680

last

1647

01:00:53,349 --> 01:00:51,520

oh yeah that's it's just that it's an

1648

01:00:56,390 --> 01:00:53,359

important thing

1649

01:00:58,069 --> 01:00:56,400

to get a waste of time a complete

1650

01:01:00,069 --> 01:00:58,079

object is to get funding from the

1651

01:01:02,230 --> 01:01:00,079

government or uh

1652

01:01:03,430 --> 01:01:02,240

who whoever else they can they totally

1653

01:01:05,829 --> 01:01:03,440

ignore the

1654

01:01:07,030 --> 01:01:05,839

uh ufos which are below treetop level

1655

01:01:07,750 --> 01:01:07,040

and they're looking out you know a

1656

01:01:10,549 --> 01:01:07,760

million

1657

01:01:12,630 --> 01:01:10,559

uh light years in space where it hardly

1658

01:01:15,109 --> 01:01:12,640

really matters to be honest with you

1659

01:01:15,990 --> 01:01:15,119

and this is the whole attitude of the uh

1660

01:01:18,789 --> 01:01:16,000

the so-called

1661

01:01:19,510 --> 01:01:18,799

academic and scientific community uh

1662

01:01:21,990 --> 01:01:19,520

ignore

1663

01:01:23,750 --> 01:01:22,000

what's right under your nose right and

1664

01:01:27,030 --> 01:01:23,760

get get the funding

1665

01:01:29,589 --> 01:01:27,040

it's all about the money it's all about

1666

01:01:32,150 --> 01:01:29,599

the money yeah but you know that was my

1667

01:01:32,950 --> 01:01:32,160

presentation at the mufon symposium last

1668

01:01:34,549 --> 01:01:32,960

july

1669

01:01:36,230 --> 01:01:34,559

uh you know to go in hand-in-hand with

1670

01:01:37,349 --> 01:01:36,240

what you said just think about your

1671

01:01:40,390 --> 01:01:37,359

cable tv

1672

01:01:42,150 --> 01:01:40,400

once we put cables you know underground

1673

01:01:43,750 --> 01:01:42,160

there's no signals being sent out to

1674

01:01:47,190 --> 01:01:43,760

space and seti

1675

01:01:49,349 --> 01:01:47,200

is the biggest placebo going it's all

1676

01:01:52,950 --> 01:01:49,359

about the funding they can never

1677

01:01:54,390 --> 01:01:52,960

ever admit that not one case was real

1678

01:01:57,270 --> 01:01:54,400

because then they wouldn't get any

1679

01:01:58,630 --> 01:01:57,280

funding and it's it's a city they might

1680

01:02:01,190 --> 01:01:58,640

here i don't know if you know this but

1681

01:02:03,589 --> 01:02:01,200

frank drake who founded seti

1682

01:02:04,230 --> 01:02:03,599

well back uh i don't remember the exact

1683

01:02:07,190 --> 01:02:04,240

year

1684

01:02:09,190 --> 01:02:07,200

he was in charge of he wasn't in charge

1685

01:02:13,270 --> 01:02:09,200

he was second in command of project

1686

01:02:17,029 --> 01:02:13,280

osma and they put signals out

1687

01:02:19,510 --> 01:02:17,039

and got a return contact was made

1688

01:02:20,950 --> 01:02:19,520

so the air force immediately shut down

1689

01:02:24,069 --> 01:02:20,960

project osma

1690

01:02:27,430 --> 01:02:24,079

moved it to arecibo puerto rico

1691

01:02:29,349 --> 01:02:27,440

and it's a true story and they put uh

1692

01:02:31,510 --> 01:02:29,359

then took frank drake who was on that

1693

01:02:34,630 --> 01:02:31,520

project and rewarded him

1694

01:02:35,589 --> 01:02:34,640

with seti which was initially funded by

1695

01:02:38,470 --> 01:02:35,599

congress

1696

01:02:40,950 --> 01:02:38,480

so frank drake was part of a program

1697

01:02:43,670 --> 01:02:40,960

that made contact and it was shut down

1698

01:02:45,670 --> 01:02:43,680

sent to arecibo under air force control

1699

01:02:47,670 --> 01:02:45,680

so that none of that information gets

1700

01:02:49,589 --> 01:02:47,680

out so seti is completely phony

1701

01:02:52,390 --> 01:02:49,599

but getting back to what i was saying

1702

01:02:55,510 --> 01:02:52,400

about angels uh ufos and demons

1703

01:02:55,829 --> 01:02:55,520

or angels and ufos uh you know i read a

1704

01:02:59,190 --> 01:02:55,839

book

1705

01:03:00,950 --> 01:02:59,200

recently by nick redfearn and uh i i've

1706

01:03:01,430 --> 01:03:00,960

been having a lot of paranormal type

1707

01:03:03,430 --> 01:03:01,440

stuff

1708

01:03:05,190 --> 01:03:03,440

happen in my house it's happened for

1709

01:03:08,390 --> 01:03:05,200

quite a while so

1710

01:03:10,390 --> 01:03:08,400

i've got interest you know in that but

1711

01:03:12,390 --> 01:03:10,400

and then the first book i wrote first

1712

01:03:13,109 --> 01:03:12,400

two were you know end time prophecy

1713

01:03:15,589 --> 01:03:13,119

books so

1714

01:03:17,589 --> 01:03:15,599

i i have nick redfearn come and speak at

1715

01:03:19,750 --> 01:03:17,599

my pittsburgh conference in

1716

01:03:21,190 --> 01:03:19,760

last november just a few months ago so i

1717

01:03:24,470 --> 01:03:21,200

picked up his book called

1718

01:03:25,430 --> 01:03:24,480

final events and what an interesting

1719

01:03:28,470 --> 01:03:25,440

book

1720

01:03:30,470 --> 01:03:28,480

it's based on information

1721

01:03:31,670 --> 01:03:30,480

given to the nebraska mufon state

1722

01:03:34,950 --> 01:03:31,680

director who

1723

01:03:38,150 --> 01:03:34,960

is a uh he's a pastor and

1724

01:03:39,589 --> 01:03:38,160

it talks about a group a branch of the

1725

01:03:41,829 --> 01:03:39,599

cia

1726

01:03:42,870 --> 01:03:41,839

called the collins elites have you ever

1727

01:03:44,710 --> 01:03:42,880

heard about that

1728

01:03:45,990 --> 01:03:44,720

oh yeah well we've uh interviewed nick

1729

01:03:48,309 --> 01:03:46,000

on the subject and i've written

1730

01:03:49,510 --> 01:03:48,319

a couple of my books too yeah it's uh

1731

01:03:51,349 --> 01:03:49,520

you know but again

1732

01:03:53,430 --> 01:03:51,359

you know when you say the military and

1733

01:03:55,670 --> 01:03:53,440

the government there seem to be

1734

01:03:57,109 --> 01:03:55,680

a lot of factions in there too where

1735

01:03:58,470 --> 01:03:57,119

some people believe that they're very

1736

01:03:58,789 --> 01:03:58,480

negative and other people think that

1737

01:04:01,029 --> 01:03:58,799

they're

1738

01:04:03,029 --> 01:04:01,039

they've come here for you know uh

1739

01:04:05,670 --> 01:04:03,039

sweetness and light their purposes so

1740

01:04:07,589 --> 01:04:05,680

even among the military that's not an

1741

01:04:10,069 --> 01:04:07,599

official policy that's where people

1742

01:04:11,829 --> 01:04:10,079

uh have their own specific interest in

1743

01:04:13,510 --> 01:04:11,839

it and that's the path that they

1744

01:04:15,190 --> 01:04:13,520

decided to take because certainly a lot

1745

01:04:15,910 --> 01:04:15,200

of people in the government and the

1746

01:04:19,029 --> 01:04:15,920

military

1747

01:04:21,910 --> 01:04:19,039

would be part of this uh christian

1748

01:04:23,750 --> 01:04:21,920

background and christian uh movement

1749

01:04:25,270 --> 01:04:23,760

yeah and uh you know i thought it made a

1750

01:04:28,069 --> 01:04:25,280

lot of sense at

1751

01:04:30,309 --> 01:04:28,079

how they're trying to you know control

1752

01:04:31,750 --> 01:04:30,319

these demonic powers i i don't agree

1753

01:04:34,390 --> 01:04:31,760

with the concept that

1754

01:04:36,150 --> 01:04:34,400

there are no ufos and it's all demonic

1755

01:04:39,430 --> 01:04:36,160

you know that was kind of the uh

1756

01:04:41,910 --> 01:04:39,440

the uh the content in the book but uh

1757

01:04:43,670 --> 01:04:41,920

some of it made sense that the there

1758

01:04:45,190 --> 01:04:43,680

would be a branch of the cia that would

1759

01:04:47,750 --> 01:04:45,200

be looking into this but

1760

01:04:48,309 --> 01:04:47,760

you know my personal belief is that some

1761

01:04:50,710 --> 01:04:48,319

of this

1762

01:04:51,910 --> 01:04:50,720

is definitely when you look at these

1763

01:04:53,190 --> 01:04:51,920

abductions

1764

01:04:55,029 --> 01:04:53,200

and some of the horrible things that

1765

01:04:56,950 --> 01:04:55,039

happen uh you know they make a point

1766

01:04:58,150 --> 01:04:56,960

that even the cattle mutilations that

1767

01:05:01,349 --> 01:04:58,160

those are

1768

01:05:03,910 --> 01:05:01,359

being done as almost uh sacrificial

1769

01:05:05,589 --> 01:05:03,920

ritual ritual you know is what they're

1770

01:05:09,029 --> 01:05:05,599

doing with the with the cattle

1771

01:05:11,990 --> 01:05:09,039

to satisfy these the demonic entities

1772

01:05:13,510 --> 01:05:12,000

um i don't know so so i might you know

1773

01:05:14,150 --> 01:05:13,520

might the way i look at it because i've

1774

01:05:17,029 --> 01:05:14,160

had

1775

01:05:18,630 --> 01:05:17,039

paranormal stuff happen uh you know over

1776

01:05:20,789 --> 01:05:18,640

the past 25 years

1777

01:05:22,150 --> 01:05:20,799

well what what what sort of paranormal

1778

01:05:24,950 --> 01:05:22,160

things well uh

1779

01:05:26,710 --> 01:05:24,960

you know it started out years ago when i

1780

01:05:31,190 --> 01:05:26,720

moved to oklahoma just

1781

01:05:34,549 --> 01:05:31,200

some voices uh heavy heavy footsteps

1782

01:05:36,230 --> 01:05:34,559

from there we moved to new jersey and

1783

01:05:38,309 --> 01:05:36,240

that house was like the amityville

1784

01:05:40,950 --> 01:05:38,319

horror it was the incredible

1785

01:05:41,510 --> 01:05:40,960

uh black shadows moving across the

1786

01:05:43,990 --> 01:05:41,520

ceiling

1787

01:05:45,589 --> 01:05:44,000

everybody in the house saw it family

1788

01:05:48,870 --> 01:05:45,599

members

1789

01:05:50,950 --> 01:05:48,880

you know a dark cloud moving uh people

1790

01:05:51,750 --> 01:05:50,960

saying they hear voices and a baby

1791

01:05:53,910 --> 01:05:51,760

crying

1792

01:05:55,349 --> 01:05:53,920

and and um you know my son would say

1793

01:05:57,430 --> 01:05:55,359

he'd lay down at night

1794

01:05:58,710 --> 01:05:57,440

and in the wall a voice would say i'm

1795

01:06:02,470 --> 01:05:58,720

going to get you

1796

01:06:04,870 --> 01:06:02,480

uh you know he he actually saw

1797

01:06:06,870 --> 01:06:04,880

uh he was brushing his teeth and he

1798

01:06:07,510 --> 01:06:06,880

sourced this creature walk across the

1799

01:06:09,510 --> 01:06:07,520

door

1800

01:06:11,270 --> 01:06:09,520

both him and his cat saw it and they

1801

01:06:14,309 --> 01:06:11,280

both turned and looked

1802

01:06:16,230 --> 01:06:14,319

and uh it was just a very creepy house

1803

01:06:18,230 --> 01:06:16,240

so then from there i moved here

1804

01:06:20,470 --> 01:06:18,240

and it seems to follow me because it

1805

01:06:22,309 --> 01:06:20,480

doesn't follow my kids thank god

1806

01:06:23,750 --> 01:06:22,319

but you know in the same thing tapping

1807

01:06:25,190 --> 01:06:23,760

on the walls and

1808

01:06:27,349 --> 01:06:25,200

and different things have happened here

1809

01:06:28,789 --> 01:06:27,359

but it seemed to have escalated the last

1810

01:06:32,710 --> 01:06:28,799

couple of years

1811

01:06:34,630 --> 01:06:32,720

and uh one night we uh we went to i was

1812

01:06:36,150 --> 01:06:34,640

on the board of juvenile diabetes so we

1813

01:06:38,789 --> 01:06:36,160

came home from the gala

1814

01:06:40,870 --> 01:06:38,799

and we went to bed so my daughter my son

1815

01:06:42,150 --> 01:06:40,880

and his fiance in another room and then

1816

01:06:43,990 --> 01:06:42,160

myself in my room

1817

01:06:45,829 --> 01:06:44,000

and my daughter comes bursting into my

1818

01:06:47,349 --> 01:06:45,839

room at three in the morning says dad

1819

01:06:49,510 --> 01:06:47,359

you're not gonna believe what happened

1820

01:06:50,549 --> 01:06:49,520

i went downstairs to get a bottle of

1821

01:06:52,150 --> 01:06:50,559

water and i

1822

01:06:53,990 --> 01:06:52,160

didn't have any in the refrigerator so i

1823

01:06:55,750 --> 01:06:54,000

went to the basement refrigerator

1824

01:06:57,990 --> 01:06:55,760

and she said something was standing

1825

01:06:58,950 --> 01:06:58,000

behind me she said i could feel it all

1826

01:07:01,589 --> 01:06:58,960

the hair on my

1827

01:07:03,750 --> 01:07:01,599

neck went up she says i went upstairs i

1828

01:07:04,870 --> 01:07:03,760

laid down in bed and this thing laid on

1829

01:07:07,190 --> 01:07:04,880

top of me

1830

01:07:07,910 --> 01:07:07,200

and she said it went into my body i

1831

01:07:11,270 --> 01:07:07,920

couldn't move

1832

01:07:13,270 --> 01:07:11,280

it was painful and she said i could hear

1833

01:07:15,109 --> 01:07:13,280

all these voices in my head

1834

01:07:16,710 --> 01:07:15,119

and it pulls out of me she said it was

1835

01:07:18,870 --> 01:07:16,720

the most painful thing

1836

01:07:20,230 --> 01:07:18,880

and then she says it happens again so

1837

01:07:23,029 --> 01:07:20,240

she says this time she

1838

01:07:25,270 --> 01:07:23,039

she can move her eyes and in the mirror

1839

01:07:28,230 --> 01:07:25,280

she sees like the shadow man standing

1840

01:07:28,630 --> 01:07:28,240

in the doorway and in her head she hears

1841

01:07:32,309 --> 01:07:28,640

like

1842

01:07:35,190 --> 01:07:32,319

says she hears this

1843

01:07:35,589 --> 01:07:35,200

shadow man say to whatever's in her when

1844

01:07:38,870 --> 01:07:35,599

you're

1845

01:07:40,150 --> 01:07:38,880

done with her i want to try out the

1846

01:07:43,029 --> 01:07:40,160

other two

1847

01:07:44,710 --> 01:07:43,039

meaning my son and his fiance now the

1848

01:07:46,230 --> 01:07:44,720

way she worded it i know she didn't make

1849

01:07:48,789 --> 01:07:46,240

that up that was just

1850

01:07:50,390 --> 01:07:48,799

you know so so that happened uh then

1851
01:07:52,549 --> 01:07:50,400
there's been other things that that have

1852
01:07:54,069 --> 01:07:52,559
happened with loud bangs and

1853
01:07:56,069 --> 01:07:54,079
really came to a head recently and

1854
01:07:57,589 --> 01:07:56,079
that's why i'm looking at more of the

1855
01:08:00,870 --> 01:07:57,599
demonic side is

1856
01:08:01,990 --> 01:08:00,880
in june i'm here in the house i go

1857
01:08:04,069 --> 01:08:02,000
upstairs

1858
01:08:05,510 --> 01:08:04,079
and there's this horrible smell coming

1859
01:08:07,510 --> 01:08:05,520
out of the bathroom

1860
01:08:09,270 --> 01:08:07,520
i thought i have 108 pound doberman i

1861
01:08:13,109 --> 01:08:09,280
thought he went in there and took

1862
01:08:15,109 --> 01:08:13,119
did his business but uh you know i i

1863
01:08:16,870 --> 01:08:15,119

thought yeah well that's what it

1864

01:08:18,470 --> 01:08:16,880

initially smelled like it then i'm

1865

01:08:22,309 --> 01:08:18,480

smelling it i said this smells like

1866

01:08:24,789 --> 01:08:22,319

rotting flesh you know and uh

1867

01:08:26,789 --> 01:08:24,799

it was horrible so i put the fan on i go

1868

01:08:27,990 --> 01:08:26,799

downstairs and i'm watching the baseball

1869

01:08:30,309 --> 01:08:28,000

game

1870

01:08:31,669 --> 01:08:30,319

my dog comes over to me and he always

1871

01:08:32,789 --> 01:08:31,679

says either has this thing where he lays

1872

01:08:35,990 --> 01:08:32,799

across my lap

1873

01:08:38,229 --> 01:08:36,000

so all of a sudden on the wall inside

1874

01:08:40,709 --> 01:08:38,239

the house you know boom

1875

01:08:42,550 --> 01:08:40,719

it's the loudest bang you can imagine

1876

01:08:44,950 --> 01:08:42,560

there's a picture on the wall it kind of

1877

01:08:47,590 --> 01:08:44,960

flips up like an inch off the wall

1878

01:08:50,550 --> 01:08:47,600

i have these two indian headdresses on

1879

01:08:53,749 --> 01:08:50,560

the sides they kind of blow to the side

1880

01:08:55,510 --> 01:08:53,759

uh so then from there i go upstairs when

1881

01:08:57,829 --> 01:08:55,520

the baseball game's over

1882

01:08:58,630 --> 01:08:57,839

i check that bathroom still smells now

1883

01:09:02,789 --> 01:08:58,640

it

1884

01:09:03,829 --> 01:09:02,799

another bathroom on the three floors of

1885

01:09:06,709 --> 01:09:03,839

my house

1886

01:09:07,189 --> 01:09:06,719

only that bathroom smells upstairs right

1887

01:09:11,030 --> 01:09:07,199

so

1888

01:09:14,229 --> 01:09:11,040

bedroom

1889

01:09:15,829 --> 01:09:14,239

my dog all of a sudden gets up walks

1890

01:09:18,789 --> 01:09:15,839

down the hallway

1891

01:09:19,349 --> 01:09:18,799

he looks up the adam's attic stairs and

1892

01:09:22,630 --> 01:09:19,359

goes

1893

01:09:23,829 --> 01:09:22,640

absolutely berserk barking growling i

1894

01:09:26,789 --> 01:09:23,839

mean you know when a dog

1895

01:09:28,550 --> 01:09:26,799

sees something so uh you know i go and

1896

01:09:29,990 --> 01:09:28,560

look i don't see anything but i still

1897

01:09:32,550 --> 01:09:30,000

smell the smell

1898

01:09:33,189 --> 01:09:32,560

so then i i go in my bedroom my dog

1899

01:09:35,349 --> 01:09:33,199

sleeps

1900

01:09:38,229 --> 01:09:35,359

right at the foot foot of the bed

1901

01:09:39,990 --> 01:09:38,239

there's a chair there so he claims that

1902

01:09:41,349 --> 01:09:40,000

so i put the news on so i could still

1903

01:09:44,709 --> 01:09:41,359

see the dog's head

1904

01:09:45,510 --> 01:09:44,719

and again there's this loud bang inside

1905

01:09:47,669 --> 01:09:45,520

my back

1906

01:09:48,789 --> 01:09:47,679

and both me and the dog our heads turn

1907

01:09:50,390 --> 01:09:48,799

and we look at it

1908

01:09:52,149 --> 01:09:50,400

same thing as down in you know

1909

01:09:52,390 --> 01:09:52,159

downstairs during the baseball game when

1910

01:09:56,149 --> 01:09:52,400

it

1911

01:09:58,550 --> 01:09:56,159

kind of flipped up so uh that

1912

01:09:59,990 --> 01:09:58,560

that kind of scared me because uh my

1913

01:10:02,550 --> 01:10:00,000

daughter uh

1914

01:10:03,110 --> 01:10:02,560

saw that shadow person and it pulled out

1915

01:10:05,430 --> 01:10:03,120

of her

1916

01:10:06,630 --> 01:10:05,440

and you know so so that happened to the

1917

01:10:09,990 --> 01:10:06,640

kids and

1918

01:10:12,070 --> 01:10:10,000

then what happened uh it was april of uh

1919

01:10:14,070 --> 01:10:12,080

2014. you're saying the dog with the

1920

01:10:16,630 --> 01:10:14,080

with the um with the seller steps

1921

01:10:17,510 --> 01:10:16,640

with the attic steps oh okay so so the

1922

01:10:20,790 --> 01:10:17,520

dog was

1923

01:10:23,669 --> 01:10:20,800

uh was uh barking

1924

01:10:24,149 --> 01:10:23,679

viciously uh you know at the attic and

1925

01:10:27,430 --> 01:10:24,159

then

1926

01:10:30,870 --> 01:10:27,440

what happened was uh we go to bed

1927

01:10:33,990 --> 01:10:30,880

and again there's this big loud bang

1928

01:10:36,229 --> 01:10:34,000

uh against my wall and both you know the

1929

01:10:38,390 --> 01:10:36,239

dog heard it because his head turned

1930

01:10:40,149 --> 01:10:38,400

my head turned so both times that the

1931

01:10:41,590 --> 01:10:40,159

big bang happened we both heard it so

1932

01:10:44,149 --> 01:10:41,600

it's not something that's

1933

01:10:45,510 --> 01:10:44,159

psychological because the dog heard it

1934

01:10:48,070 --> 01:10:45,520

also

1935

01:10:49,189 --> 01:10:48,080

and uh you know what happened just right

1936

01:10:51,830 --> 01:10:49,199

before that also

1937

01:10:53,830 --> 01:10:51,840

a couple of months earlier i have this

1938

01:10:54,630 --> 01:10:53,840

home theater so i have this projector on

1939

01:10:57,270 --> 01:10:54,640

the ceiling

1940

01:10:57,990 --> 01:10:57,280

and i'm talking to my son and his fiance

1941

01:11:00,470 --> 01:10:58,000

and we see

1942

01:11:01,669 --> 01:11:00,480

this i don't know what it was the light

1943

01:11:04,390 --> 01:11:01,679

of the projector

1944

01:11:05,189 --> 01:11:04,400

we see this thing snake across the

1945

01:11:07,750 --> 01:11:05,199

ceiling

1946

01:11:09,350 --> 01:11:07,760

you know some sort of a spirit and it

1947

01:11:10,709 --> 01:11:09,360

looked almost like a snake the way it

1948

01:11:13,030 --> 01:11:10,719

moved across the ceiling

1949

01:11:15,189 --> 01:11:13,040

and my son says to me what is that i

1950

01:11:18,470 --> 01:11:15,199

said i have no idea what that was

1951

01:11:21,990 --> 01:11:18,480

but uh so these things have happened

1952

01:11:22,310 --> 01:11:22,000

and uh it really concerned me you know

1953

01:11:25,990 --> 01:11:22,320

so

1954

01:11:28,470 --> 01:11:26,000

happened to me is it demonic

1955

01:11:30,149 --> 01:11:28,480

uh is it you know extraterrestrial i

1956

01:11:32,470 --> 01:11:30,159

mean one night i woke up

1957

01:11:33,350 --> 01:11:32,480

and i see this person standing down the

1958

01:11:36,470 --> 01:11:33,360

hallway

1959

01:11:39,189 --> 01:11:36,480

and i'm awake i mean the attic light

1960

01:11:40,630 --> 01:11:39,199

seems to be on so the stairs are backlit

1961

01:11:42,790 --> 01:11:40,640

there's this

1962

01:11:44,310 --> 01:11:42,800

like six and a half seven foot tall

1963

01:11:47,350 --> 01:11:44,320

person standing there

1964

01:11:49,910 --> 01:11:47,360

it looked like the the the uh creatures

1965

01:11:50,709 --> 01:11:49,920

in in district nine they had almost no

1966

01:11:54,070 --> 01:11:50,719

waste

1967

01:11:57,590 --> 01:11:54,080

really long arms and uh

1968

01:12:00,310 --> 01:11:57,600

like a uh like a helmet on you know so

1969

01:12:02,229 --> 01:12:00,320

i'm looking at it and i'm awake i

1970

01:12:04,790 --> 01:12:02,239

crawled to the foot of the bed

1971

01:12:06,470 --> 01:12:04,800

so now it's like 10 15 seconds i see

1972

01:12:08,950 --> 01:12:06,480

this guy standing there

1973

01:12:09,830 --> 01:12:08,960

so i kind of jump up put the light on

1974

01:12:13,030 --> 01:12:09,840

and he's gone

1975

01:12:15,430 --> 01:12:13,040

and the backlight is off also uh from

1976

01:12:17,189 --> 01:12:15,440

from the uh attic you know so i don't

1977

01:12:18,790 --> 01:12:17,199

know what that was so i'm trying to

1978

01:12:20,229 --> 01:12:18,800

did you start having these experiences

1979

01:12:21,430 --> 01:12:20,239

that when you started to investigate the

1980

01:12:23,910 --> 01:12:21,440

ufos

1981

01:12:26,630 --> 01:12:23,920

exactly what i was going to ask no

1982

01:12:28,870 --> 01:12:26,640

because they started in 1989 when i

1983

01:12:30,550 --> 01:12:28,880

moved to oklahoma and uh you know it's

1984

01:12:33,110 --> 01:12:30,560

almost like the poltergeist

1985

01:12:34,950 --> 01:12:33,120

movie i read an article that they built

1986

01:12:38,070 --> 01:12:34,960

it was i had a brand new house

1987

01:12:38,550 --> 01:12:38,080

and the subdivision next to us they

1988

01:12:40,550 --> 01:12:38,560

found

1989

01:12:42,149 --> 01:12:40,560

indian you know burial ground they had

1990

01:12:45,030 --> 01:12:42,159

already built homes there

1991

01:12:46,470 --> 01:12:45,040

but it started in oklahoma but when i

1992

01:12:47,990 --> 01:12:46,480

got to new jersey

1993

01:12:49,510 --> 01:12:48,000

you know it's still i was not involved

1994

01:12:51,830 --> 01:12:49,520

in ufos i was

1995

01:12:52,950 --> 01:12:51,840

you know not a member of mufon had no

1996

01:12:55,270 --> 01:12:52,960

interest in it so

1997

01:12:56,470 --> 01:12:55,280

in my mind that stuff was all spirit

1998

01:12:59,590 --> 01:12:56,480

world you know

1999

01:13:02,950 --> 01:12:59,600

uh but so but you know then

2000

01:13:06,149 --> 01:13:02,960

you know also when you look at ufos

2001

01:13:09,430 --> 01:13:06,159

the uh i joined mufon in 98

2002

01:13:13,030 --> 01:13:09,440

in 99 i went to my first uh mufon

2003

01:13:16,310 --> 01:13:13,040

symposium so uh i come home

2004

01:13:18,149 --> 01:13:16,320

and and and i'm at the symposium i

2005

01:13:20,229 --> 01:13:18,159

i meet this woman there i just you know

2006

01:13:20,870 --> 01:13:20,239

i saw her in the audience i made sure

2007

01:13:22,470 --> 01:13:20,880

that i

2008

01:13:24,070 --> 01:13:22,480

kind of went over to her at lunchtime

2009

01:13:27,750 --> 01:13:24,080

and i'm speaking to her

2010

01:13:31,510 --> 01:13:27,760

and a very strange looking person uh

2011

01:13:34,630 --> 01:13:31,520

very pale bloodshot gray bloodshot eyes

2012

01:13:36,870 --> 01:13:34,640

very just unusual looking person

2013

01:13:38,709 --> 01:13:36,880

and uh it's funny we had lunch went back

2014

01:13:41,189 --> 01:13:38,719

to the symposium she was gone

2015

01:13:43,110 --> 01:13:41,199

you know so i personally i think she

2016

01:13:45,990 --> 01:13:43,120

might have been a hybrid you know

2017

01:13:47,669 --> 01:13:46,000

so uh i get home from the symposium was

2018

01:13:50,870 --> 01:13:47,679

fourth of july weekend

2019

01:13:53,189 --> 01:13:50,880

and uh all of a sudden for that whole

2020

01:13:55,430 --> 01:13:53,199

week i have the weirdest dreams

2021

01:13:56,790 --> 01:13:55,440

and you know again i just joined mufon i

2022

01:13:59,990 --> 01:13:56,800

didn't know a lot about

2023

01:14:00,950 --> 01:14:00,000

ufos i have out of body experience i

2024

01:14:02,630 --> 01:14:00,960

could see the

2025

01:14:04,310 --> 01:14:02,640

top of my house and my car in the

2026

01:14:07,669 --> 01:14:04,320

driveway uh

2027

01:14:08,470 --> 01:14:07,679

i'm waking up like every hour i can't

2028

01:14:10,630 --> 01:14:08,480

sleep

2029

01:14:11,910 --> 01:14:10,640

like something is in the room with me

2030

01:14:14,070 --> 01:14:11,920

you know i i

2031

01:14:16,149 --> 01:14:14,080

one time i woke up i swung my fist at

2032

01:14:17,350 --> 01:14:16,159

the air i hit the headboard i almost

2033

01:14:20,070 --> 01:14:17,360

broke my wrist

2034

01:14:22,229 --> 01:14:20,080

i'm having these dreams of this hairy

2035

01:14:25,430 --> 01:14:22,239

creature standing next to the bed

2036

01:14:28,149 --> 01:14:25,440

another dream is this kid

2037

01:14:29,910 --> 01:14:28,159

he looks like he's about 10 years old

2038

01:14:32,550 --> 01:14:29,920

but he's got these big

2039

01:14:34,390 --> 01:14:32,560

popeye forearms with the the bone of the

2040

01:14:38,390 --> 01:14:34,400

elbow really sticks out

2041

01:14:39,590 --> 01:14:38,400

uh no hair and my dog i have my doberman

2042

01:14:41,830 --> 01:14:39,600

i've always had dopamine

2043

01:14:44,310 --> 01:14:41,840

my dopamine is kind of floating in the

2044

01:14:46,470 --> 01:14:44,320

air and he's poking him in the ribs

2045

01:14:47,990 --> 01:14:46,480

and i keep yelling at the kid stop

2046

01:14:50,229 --> 01:14:48,000

poking my dog but he keeps

2047

01:14:51,910 --> 01:14:50,239

you know keeps poking him so it was it

2048

01:14:52,870 --> 01:14:51,920

was like weird what was that i don't

2049

01:14:55,350 --> 01:14:52,880

know if that was

2050

01:14:56,950 --> 01:14:55,360

uh an abduction you know my girlfriend

2051
01:14:57,510 --> 01:14:56,960
actually went to the website and looked

2052
01:15:00,149 --> 01:14:57,520
up

2053
01:15:01,350 --> 01:15:00,159
what happened in the area that night and

2054
01:15:02,870 --> 01:15:01,360
the night that i got home in the

2055
01:15:04,870 --> 01:15:02,880
out-of-body experience

2056
01:15:06,630 --> 01:15:04,880
and she says to me john there was a ufo

2057
01:15:09,750 --> 01:15:06,640
sighting in state college there was

2058
01:15:11,830 --> 01:15:09,760
another one in morgantown west virginia

2059
01:15:13,750 --> 01:15:11,840
your house is in direct line of those

2060
01:15:15,990 --> 01:15:13,760
two cases that happened

2061
01:15:17,830 --> 01:15:16,000
that night that i got home so you know i

2062
01:15:18,870 --> 01:15:17,840
don't know so i don't know if that stuff

2063
01:15:20,950 --> 01:15:18,880

is an abduction

2064

01:15:21,990 --> 01:15:20,960

i don't know if this stuff is demonic

2065

01:15:25,110 --> 01:15:22,000

but i i

2066

01:15:26,390 --> 01:15:25,120

i met this woman in august and i mean i

2067

01:15:28,870 --> 01:15:26,400

don't know how many

2068

01:15:30,470 --> 01:15:28,880

women you know that can recite the

2069

01:15:32,470 --> 01:15:30,480

exorcism rights

2070

01:15:34,070 --> 01:15:32,480

but you know i just kind of you know i i

2071

01:15:35,510 --> 01:15:34,080

do maybe you

2072

01:15:36,950 --> 01:15:35,520

yeah you actually did oh yeah you

2073

01:15:39,590 --> 01:15:36,960

actually that's kind of that's kind of

2074

01:15:41,910 --> 01:15:39,600

most of my friends actually yeah

2075

01:15:42,870 --> 01:15:41,920

hey you know but john i was just

2076

01:15:44,470 --> 01:15:42,880

thinking i i

2077

01:15:45,990 --> 01:15:44,480

i did a book a couple of years ago

2078

01:15:48,070 --> 01:15:46,000

called ufo terrorists

2079

01:15:49,990 --> 01:15:48,080

curse of the men in black in a lot of

2080

01:15:51,830 --> 01:15:50,000

the earlier cases of the men in black

2081

01:15:52,630 --> 01:15:51,840

you know showing up to silence ufo

2082

01:15:55,590 --> 01:15:52,640

witnesses

2083

01:15:56,310 --> 01:15:55,600

we had a lot of uh instances of of this

2084

01:15:59,110 --> 01:15:56,320

like

2085

01:16:00,310 --> 01:15:59,120

uh entities appearing in in houses and

2086

01:16:02,950 --> 01:16:00,320

in warning people

2087

01:16:04,550 --> 01:16:02,960

and uh driving individuals off the road

2088

01:16:07,510 --> 01:16:04,560

and then the cars would

2089

01:16:08,630 --> 01:16:07,520

disappear uh even the albert k bender

2090

01:16:11,110 --> 01:16:08,640

who was uh

2091

01:16:12,310 --> 01:16:11,120

headed one of the first ufo groups the

2092

01:16:13,910 --> 01:16:12,320

bureau

2093

01:16:15,430 --> 01:16:13,920

put out a magazine called space a

2094

01:16:18,830 --> 01:16:15,440

newsletter uh he

2095

01:16:21,910 --> 01:16:18,840

he reported that these mib these tall

2096

01:16:23,110 --> 01:16:21,920

lanky uh beings dressed in black uh with

2097

01:16:27,669 --> 01:16:23,120

the

2098

01:16:30,630 --> 01:16:27,679

head and so forth

2099

01:16:31,590 --> 01:16:30,640

came into their uh his home and actually

2100

01:16:34,790 --> 01:16:31,600

warned him

2101
01:16:37,270 --> 01:16:34,800
about discussing the ufo topic he was

2102
01:16:39,350 --> 01:16:37,280
told that he had come too close to

2103
01:16:40,950 --> 01:16:39,360
the explanation for ufos as if there's

2104
01:16:43,030 --> 01:16:40,960
only one right

2105
01:16:45,110 --> 01:16:43,040
and and that he should stop talking

2106
01:16:47,189 --> 01:16:45,120
about it and we had a lot of cases where

2107
01:16:48,870 --> 01:16:47,199
people were being molested just like you

2108
01:16:49,430 --> 01:16:48,880
described and there was one instance

2109
01:16:53,350 --> 01:16:49,440
where

2110
01:16:55,430 --> 01:16:53,360
a australian researcher john stewart

2111
01:16:57,189 --> 01:16:55,440
reported that he was almost thrown down

2112
01:16:59,350 --> 01:16:57,199
an escalator in a large

2113
01:17:00,390 --> 01:16:59,360

uh department store by an invisible

2114

01:17:03,270 --> 01:17:00,400

being so

2115

01:17:05,830 --> 01:17:03,280

this has happened to to a lot of people

2116

01:17:07,910 --> 01:17:05,840

in fact even in my family my sister had

2117

01:17:09,830 --> 01:17:07,920

some of the same things that you uh

2118

01:17:11,110 --> 01:17:09,840

described with the voices and sounds

2119

01:17:13,830 --> 01:17:11,120

coming from the basement

2120

01:17:14,390 --> 01:17:13,840

and from an abandoned well and the the

2121

01:17:17,510 --> 01:17:14,400

children

2122

01:17:18,870 --> 01:17:17,520

seeing some sort of being uh dressed in

2123

01:17:20,790 --> 01:17:18,880

coveralls in the back uh

2124

01:17:23,990 --> 01:17:20,800

in the back uh uh area of the house

2125

01:17:27,830 --> 01:17:26,630

no no no uh no this was actually down

2126
01:17:29,590 --> 01:17:27,840
the um

2127
01:17:31,830 --> 01:17:29,600
down the road maybe a couple of miles

2128
01:17:32,229 --> 01:17:31,840
but it did seem to follow them around i

2129
01:17:35,110 --> 01:17:32,239
mean

2130
01:17:36,950 --> 01:17:35,120
my sister always seemed to be connected

2131
01:17:39,910 --> 01:17:36,960
to this in fact it seems to run

2132
01:17:41,510 --> 01:17:39,920
it seemed to have run in the family my

2133
01:17:42,149 --> 01:17:41,520
grandfather on my father's side of the

2134
01:17:44,149 --> 01:17:42,159
family

2135
01:17:45,510 --> 01:17:44,159
actually had an encounter with a

2136
01:17:47,270 --> 01:17:45,520
headless horseman

2137
01:17:49,270 --> 01:17:47,280
and it wasn't halloween or anything like

2138
01:17:49,990 --> 01:17:49,280

that but he would he would never talk

2139

01:17:52,550 --> 01:17:50,000

about it

2140

01:17:54,310 --> 01:17:52,560

uh because he was a good baptist and he

2141

01:17:56,229 --> 01:17:54,320

thought it was uh demonic

2142

01:17:58,630 --> 01:17:56,239

but then on the other hand at the age of

2143

01:18:00,870 --> 01:17:58,640

three uh my life might have been saved

2144

01:18:04,550 --> 01:18:00,880

by a guardian uh

2145

01:18:06,709 --> 01:18:04,560

angel we were driving along a a back uh

2146

01:18:07,669 --> 01:18:06,719

mountainous road on the way to kentucky

2147

01:18:09,510 --> 01:18:07,679

to kentucky

2148

01:18:11,030 --> 01:18:09,520

that's where my aunt and uncle lived you

2149

01:18:12,709 --> 01:18:11,040

know my father's brother

2150

01:18:14,070 --> 01:18:12,719

and uh it was getting it was getting

2151

01:18:14,950 --> 01:18:14,080

very late and it was getting very

2152

01:18:17,910 --> 01:18:14,960

overcast

2153

01:18:19,750 --> 01:18:17,920

he was getting foggy actually and my

2154

01:18:21,910 --> 01:18:19,760

mother insisted that my father

2155

01:18:23,830 --> 01:18:21,920

immediately stop at the side of the uh

2156

01:18:25,669 --> 01:18:23,840

the road because she was afraid of

2157

01:18:27,110 --> 01:18:25,679

you know oncoming traffic and so forth

2158

01:18:30,070 --> 01:18:27,120

not being able to see it

2159

01:18:30,470 --> 01:18:30,080

and my father said no no no uh it was

2160

01:18:32,149 --> 01:18:30,480

only

2161

01:18:33,590 --> 01:18:32,159

you know 100 miles or so to go and he

2162

01:18:35,830 --> 01:18:33,600

was getting tired and he just wanted to

2163

01:18:38,149 --> 01:18:35,840

drive on not park on the road

2164

01:18:39,830 --> 01:18:38,159

anyway my mother being the forceful lady

2165

01:18:42,550 --> 01:18:39,840

that she was my father stopped

2166

01:18:43,990 --> 01:18:42,560

stopped and they parked well when the

2167

01:18:46,790 --> 01:18:44,000

the sun rose in the morning

2168

01:18:47,910 --> 01:18:46,800

and the fog broke it turned out that we

2169

01:18:51,189 --> 01:18:47,920

were just on the

2170

01:18:52,149 --> 01:18:51,199

edge of a um a cliff and i would have

2171

01:18:54,470 --> 01:18:52,159

been

2172

01:18:55,350 --> 01:18:54,480

dead meat for the buzzards down in the

2173

01:18:57,830 --> 01:18:55,360

ravine

2174

01:18:58,390 --> 01:18:57,840

if it wasn't for something telling my uh

2175

01:19:00,790 --> 01:18:58,400

mother

2176
01:19:02,630 --> 01:19:00,800
to have my dad stop the car immediately

2177
01:19:04,790 --> 01:19:02,640
so you know as we go through life we

2178
01:19:07,430 --> 01:19:04,800
find that there is negative and there is

2179
01:19:08,630 --> 01:19:07,440
positive throughout us uh in you know in

2180
01:19:11,030 --> 01:19:08,640
the universe

2181
01:19:12,070 --> 01:19:11,040
and some call them demons and some call

2182
01:19:14,630 --> 01:19:12,080
them spirits and

2183
01:19:15,510 --> 01:19:14,640
uh some are just not decided uh what

2184
01:19:17,030 --> 01:19:15,520
they are but

2185
01:19:18,790 --> 01:19:17,040
a lot of people have reported these

2186
01:19:21,030 --> 01:19:18,800
experiences i know i

2187
01:19:22,229 --> 01:19:21,040
i've often gone out and interviewed

2188
01:19:24,310 --> 01:19:22,239

people who have had

2189

01:19:25,830 --> 01:19:24,320

uh close encounters and then gotten back

2190

01:19:28,709 --> 01:19:25,840

in touch with them

2191

01:19:29,590 --> 01:19:28,719

later on and they will have had a series

2192

01:19:32,870 --> 01:19:29,600

of poltergeists

2193

01:19:34,630 --> 01:19:32,880

phenomena it's like the ufos uh you know

2194

01:19:36,470 --> 01:19:34,640

what were seen outdoors but all these

2195

01:19:39,110 --> 01:19:36,480

strange things would start suddenly

2196

01:19:39,590 --> 01:19:39,120

to come into their home yeah i mean it's

2197

01:19:42,709 --> 01:19:39,600

uh

2198

01:19:45,189 --> 01:19:42,719

it's an amazing topic that you know i

2199

01:19:48,709 --> 01:19:45,199

had no interest in really prior to

2200

01:19:50,550 --> 01:19:48,719

40 years old so the ufos

2201

01:19:52,709 --> 01:19:50,560

uh none of this actually you know i was

2202

01:19:54,229 --> 01:19:52,719

kind of like a comic-con

2203

01:19:56,470 --> 01:19:54,239

you know i collected the horror

2204

01:19:57,669 --> 01:19:56,480

magazines famous monsters of film land

2205

01:20:00,229 --> 01:19:57,679

that type of stuff and

2206

01:20:01,110 --> 01:20:00,239

i seem to got drawn into this uh yeah

2207

01:20:02,709 --> 01:20:01,120

really no

2208

01:20:04,790 --> 01:20:02,719

and most of the people in this like you

2209

01:20:06,629 --> 01:20:04,800

talk to any mufon state director

2210

01:20:07,830 --> 01:20:06,639

they'll tell you at 10 years old they

2211

01:20:11,030 --> 01:20:07,840

were reading every

2212

01:20:13,030 --> 01:20:11,040

you know yeah magazines

2213

01:20:14,470 --> 01:20:13,040

i had no interest in really in any of

2214

01:20:16,950 --> 01:20:14,480

that you know i collected some

2215

01:20:17,750 --> 01:20:16,960

comic books and stuff but uh you know

2216

01:20:20,629 --> 01:20:17,760

but i kind of

2217

01:20:21,990 --> 01:20:20,639

got pulled into it and uh when you talk

2218

01:20:24,070 --> 01:20:22,000

to somebody

2219

01:20:25,110 --> 01:20:24,080

who's never had any of this happen no

2220

01:20:27,590 --> 01:20:25,120

spiritual stuff

2221

01:20:29,270 --> 01:20:27,600

no poltergeist stuff no ufo interest

2222

01:20:29,669 --> 01:20:29,280

they look at you like you're nuts you

2223

01:20:31,990 --> 01:20:29,679

know

2224

01:20:33,270 --> 01:20:32,000

they really they actually do it's just

2225

01:20:35,910 --> 01:20:33,280

it's amazing how

2226

01:20:37,350 --> 01:20:35,920

some people seem to be open to this and

2227

01:20:40,390 --> 01:20:37,360

have experiences

2228

01:20:41,750 --> 01:20:40,400

others nothing at all hey i i notice

2229

01:20:44,629 --> 01:20:41,760

here that you own a

2230

01:20:46,790 --> 01:20:44,639

mexican restaurant called flying salsa

2231

01:20:47,270 --> 01:20:46,800

well that was something i tried uh i

2232

01:20:50,390 --> 01:20:47,280

don't

2233

01:20:52,470 --> 01:20:50,400

up let's say

2234

01:20:54,149 --> 01:20:52,480

now but i thought that was such a cool

2235

01:20:56,149 --> 01:20:54,159

uh idea

2236

01:20:57,350 --> 01:20:56,159

to have a mexican restaurant called

2237

01:20:59,590 --> 01:20:57,360

flying salsa

2238

01:21:01,430 --> 01:20:59,600

out of this world mexican food so you

2239

01:21:01,750 --> 01:21:01,440

know what we end up doing now is that

2240

01:21:04,229 --> 01:21:01,760

our

2241

01:21:06,149 --> 01:21:04,239

conferences we uh you know we got this

2242

01:21:07,750 --> 01:21:06,159

big banner that says that and

2243

01:21:09,270 --> 01:21:07,760

where we serve the food for lunch and

2244

01:21:10,390 --> 01:21:09,280

stuff you know it wasn't like

2245

01:21:13,350 --> 01:21:10,400

copywriting like

2246

01:21:14,070 --> 01:21:13,360

uh writing a book you know you you can't

2247

01:21:17,350 --> 01:21:14,080

like uh

2248

01:21:19,270 --> 01:21:17,360

copyright that name you you have like 18

2249

01:21:21,189 --> 01:21:19,280

months to put a restaurant in place

2250

01:21:22,629 --> 01:21:21,199

and then you know that's the end of that

2251

01:21:23,830 --> 01:21:22,639

you know but i just thought it was a

2252

01:21:25,430 --> 01:21:23,840

cool

2253

01:21:27,350 --> 01:21:25,440

name we did have another fellow i

2254

01:21:30,550 --> 01:21:27,360

remember years ago he since the

2255

01:21:32,149 --> 01:21:30,560

deceased miguel who had a mexican

2256

01:21:35,350 --> 01:21:32,159

restaurant in

2257

01:21:38,629 --> 01:21:35,360

reno and he had the ufo pictures and all

2258

01:21:41,669 --> 01:21:38,639

over the place and he once tried to

2259

01:21:43,430 --> 01:21:41,679

put together a ufo conference and got me

2260

01:21:47,030 --> 01:21:43,440

to be the uh

2261

01:21:50,790 --> 01:21:47,040

the the mc he picked the local

2262

01:21:52,550 --> 01:21:50,800

rodeo venue which was uh a place that

2263

01:21:54,390 --> 01:21:52,560

seated like six thousand people

2264

01:21:56,310 --> 01:21:54,400

kind of indoors and outdoors well the

2265

01:21:58,310 --> 01:21:56,320

pigeons were flying overhead

2266

01:22:00,070 --> 01:21:58,320

and and the rafters was falling down on

2267

01:22:01,830 --> 01:22:00,080

the uh the speakers which uh

2268

01:22:04,550 --> 01:22:01,840

i guess uh the number of people in

2269

01:22:07,830 --> 01:22:04,560

attendance were maybe about 150 or so

2270

01:22:09,990 --> 01:22:07,840

and he tried to fill a giant ufo uh

2271

01:22:11,270 --> 01:22:10,000

balloon with helium and it never quite

2272

01:22:14,310 --> 01:22:11,280

got off the ground

2273

01:22:17,189 --> 01:22:14,320

we had a lot of good speakers but uh it

2274

01:22:19,590 --> 01:22:17,199

the cow palace was just not the place to

2275

01:22:20,470 --> 01:22:19,600

have a ufo uh conference i'm afraid you

2276

01:22:22,390 --> 01:22:20,480

know it just

2277

01:22:24,229 --> 01:22:22,400

just didn't just didn't work and there

2278

01:22:25,510 --> 01:22:24,239

have been some strange ufo conferences

2279

01:22:27,590 --> 01:22:25,520

over the uh

2280

01:22:29,030 --> 01:22:27,600

the years now how did your conference

2281

01:22:30,950 --> 01:22:29,040

turn out this year

2282

01:22:32,550 --> 01:22:30,960

oh good you know it's funny ours have

2283

01:22:35,030 --> 01:22:32,560

gotten better every year

2284

01:22:36,709 --> 01:22:35,040

so this will be our eighth year of doing

2285

01:22:38,870 --> 01:22:36,719

them in pennsylvania we do

2286

01:22:41,350 --> 01:22:38,880

erie pennsylvania which is coming up in

2287

01:22:43,990 --> 01:22:41,360

may and then october is

2288

01:22:45,669 --> 01:22:44,000

philly and then november is pittsburgh

2289

01:22:46,950 --> 01:22:45,679

and uh you know the crowds get a little

2290

01:22:49,510 --> 01:22:46,960

bigger each time

2291

01:22:50,470 --> 01:22:49,520

but you know even when they say that a

2292

01:22:53,110 --> 01:22:50,480

good crowd

2293

01:22:55,750 --> 01:22:53,120

for us is 300. you know you know what i

2294

01:22:57,750 --> 01:22:55,760

did i did pittsburgh i did a car i

2295

01:23:00,550 --> 01:22:57,760

i would i can't say i was the originator

2296

01:23:03,110 --> 01:23:00,560

of ufo uh conferences and shows because

2297

01:23:04,470 --> 01:23:03,120

actually the first one was held in a

2298

01:23:08,149 --> 01:23:04,480

hotel in

2299

01:23:10,229 --> 01:23:08,159

los angeles in 1952

2300

01:23:11,510 --> 01:23:10,239

i believe max miller was the organizer

2301

01:23:14,070 --> 01:23:11,520

now max miller

2302

01:23:14,790 --> 01:23:14,080

put out a little uh magazine during the

2303

01:23:16,790 --> 01:23:14,800

50s

2304

01:23:18,550 --> 01:23:16,800

called saucers it was actually one of

2305

01:23:21,990 --> 01:23:18,560

the uh the more professional

2306

01:23:23,669 --> 01:23:22,000

printed of zines in those uh days

2307

01:23:25,350 --> 01:23:23,679

uh anyway he had a conference and i

2308

01:23:26,629 --> 01:23:25,360

guess it had about a thousand people and

2309

01:23:28,070 --> 01:23:26,639

over the years

2310

01:23:30,149 --> 01:23:28,080

you know there's been big conferences

2311

01:23:31,910 --> 01:23:30,159

and small conferences the largest one

2312

01:23:33,669 --> 01:23:31,920

that i was affiliated with was the one

2313

01:23:36,470 --> 01:23:33,679

that jim mosley put together

2314

01:23:37,030 --> 01:23:36,480
in 1967 at the hotel commodore in new

2315

01:23:39,430 --> 01:23:37,040
york

2316

01:23:40,870 --> 01:23:39,440
it was the largest indoor conference it

2317

01:23:42,950 --> 01:23:40,880
attracted about uh

2318

01:23:45,430 --> 01:23:42,960
12 000 people over the course of the

2319

01:23:49,030 --> 01:23:45,440
weekend and there's never been anything

2320

01:23:52,470 --> 01:23:49,040
like that again

2321

01:23:52,870 --> 01:23:52,480
at least in a inside uh you know a venue

2322

01:23:56,149 --> 01:23:52,880
but

2323

01:23:57,189 --> 01:23:56,159
i did try pittsburgh and we were on am

2324

01:23:59,669 --> 01:23:57,199
pittsburgh uh

2325

01:24:00,229 --> 01:23:59,679
with a different speaker uh every day of

2326

01:24:02,950 --> 01:24:00,239

the week

2327

01:24:04,709 --> 01:24:02,960

just before the uh the conference and uh

2328

01:24:08,390 --> 01:24:04,719

i think we had the show at the y

2329

01:24:10,709 --> 01:24:08,400

and we had 150 people or so you know

2330

01:24:12,709 --> 01:24:10,719

we promoted it we promoted it oh this

2331

01:24:14,310 --> 01:24:12,719

was 25 years ago

2332

01:24:17,270 --> 01:24:14,320

uh you know we promoted it pretty

2333

01:24:19,590 --> 01:24:17,280

heavily but the public just

2334

01:24:21,430 --> 01:24:19,600

then wasn't i think uh you know that

2335

01:24:23,910 --> 01:24:21,440

into it uh

2336

01:24:25,030 --> 01:24:23,920

yet you know it's sometimes you win and

2337

01:24:26,390 --> 01:24:25,040

sometimes you lose but

2338

01:24:28,149 --> 01:24:26,400

at least you have you have a pretty

2339

01:24:30,070 --> 01:24:28,159

strong base being that there

2340

01:24:31,270 --> 01:24:30,080

probably are quite a few mufon members

2341

01:24:34,070 --> 01:24:31,280

in in

2342

01:24:35,189 --> 01:24:34,080

pennsylvania yeah i mean i've got about

2343

01:24:38,310 --> 01:24:35,199

170

2344

01:24:40,310 --> 01:24:38,320

uh mufon members in pa but you know

2345

01:24:41,830 --> 01:24:40,320

it's funny i you know i said in one of

2346

01:24:43,910 --> 01:24:41,840

my books in my lectures that

2347

01:24:44,950 --> 01:24:43,920

you know the cia has been behind this

2348

01:24:47,910 --> 01:24:44,960

whole uh

2349

01:24:48,790 --> 01:24:47,920

clamping down on on ufology and you look

2350

01:24:51,270 --> 01:24:48,800

at the best

2351
01:24:52,149 --> 01:24:51,280
ufo conferences now i don't care which

2352
01:24:53,830 --> 01:24:52,159
one it is

2353
01:24:55,910 --> 01:24:53,840
they really don't get more than about

2354
01:24:59,189 --> 01:24:55,920
400 450 people

2355
01:25:00,070 --> 01:24:59,199
per day to show up but yet the san diego

2356
01:25:03,110 --> 01:25:00,080
comic con

2357
01:25:06,310 --> 01:25:03,120
gets 200 000 people so

2358
01:25:07,270 --> 01:25:06,320
amazing can you imagine if the cia had

2359
01:25:09,990 --> 01:25:07,280
targeted

2360
01:25:10,790 --> 01:25:10,000
comic books in the 1950s well i think

2361
01:25:12,629 --> 01:25:10,800
they did

2362
01:25:14,550 --> 01:25:12,639
or somebody did right didn't they try to

2363
01:25:17,350 --> 01:25:14,560

outlaw comic books there for a while

2364

01:25:19,350 --> 01:25:17,360

or yeah at a sensor board or something

2365

01:25:19,669 --> 01:25:19,360

that only made it more popular i think

2366

01:25:23,910 --> 01:25:19,679

uh

2367

01:25:27,030 --> 01:25:23,920

successful with

2368

01:25:27,350 --> 01:25:27,040

trying to kill ufos but you know there's

2369

01:25:29,830 --> 01:25:27,360

no

2370

01:25:30,390 --> 01:25:29,840

we talked about this uh on sky watchers

2371

01:25:31,910 --> 01:25:30,400

on one of

2372

01:25:34,470 --> 01:25:31,920

uh angel's other programs a couple of

2373

01:25:35,030 --> 01:25:34,480

weeks ago there is very little crossover

2374

01:25:38,390 --> 01:25:35,040

perhaps

2375

01:25:38,870 --> 01:25:38,400

none between comic uh the book people

2376

01:25:46,870 --> 01:25:38,880

and

2377

01:25:48,709 --> 01:25:46,880

saying though i think it's saying more

2378

01:25:50,790 --> 01:25:48,719

that that people would rather

2379

01:25:52,550 --> 01:25:50,800

go to comic-con and and look at all

2380

01:25:54,470 --> 01:25:52,560

these these uh

2381

01:25:56,390 --> 01:25:54,480

these things for entertainment that

2382

01:25:57,910 --> 01:25:56,400

actually delve into anything real

2383

01:26:00,070 --> 01:25:57,920

yeah but understand also that a lot of

2384

01:26:00,950 --> 01:26:00,080

the stuff that we that we see in comic

2385

01:26:04,070 --> 01:26:00,960

books for example

2386

01:26:06,229 --> 01:26:04,080

has a lot of lore in it uh yes

2387

01:26:08,310 --> 01:26:06,239

just tied with ufology tied with

2388

01:26:09,910 --> 01:26:08,320

conspiracies tied with paranormal

2389

01:26:11,510 --> 01:26:09,920

uh you can look at captain america for

2390

01:26:12,550 --> 01:26:11,520

example and it's tied in with the aliens

2391

01:26:14,629 --> 01:26:12,560

and all kinds of stuff

2392

01:26:15,590 --> 01:26:14,639

i mean that's all over the comic book

2393

01:26:16,870 --> 01:26:15,600

universe

2394

01:26:18,950 --> 01:26:16,880

so i mean they draw a lot of their

2395

01:26:21,270 --> 01:26:18,960

mythology from a lot of the older shows

2396

01:26:22,950 --> 01:26:21,280

well well i mean look at look at the the

2397

01:26:24,470 --> 01:26:22,960

movie men in black it was based on a

2398

01:26:26,629 --> 01:26:24,480

comic book with the same title

2399

01:26:27,510 --> 01:26:26,639

when actually uh albuquerque bender and

2400

01:26:28,790 --> 01:26:27,520

john keel

2401

01:26:30,470 --> 01:26:28,800

is where they got most of their

2402

01:26:30,950 --> 01:26:30,480

information for but they fictionalized

2403

01:26:32,950 --> 01:26:30,960

it and

2404

01:26:34,149 --> 01:26:32,960

ordered it down and fictionalized this

2405

01:26:36,709 --> 01:26:34,159

word though

2406

01:26:37,669 --> 01:26:36,719

but it made it silly yeah i mean that

2407

01:26:39,750 --> 01:26:37,679

that's what i would say

2408

01:26:40,709 --> 01:26:39,760

let's try to make a comment yeah yeah

2409

01:26:42,629 --> 01:26:40,719

yeah but

2410

01:26:43,910 --> 01:26:42,639

you know i mean a lot a lot of the

2411

01:26:46,229 --> 01:26:43,920

movies

2412

01:26:47,510 --> 01:26:46,239

at least the current crop of uh you know

2413

01:26:54,149 --> 01:26:47,520

movies like paul

2414

01:26:59,110 --> 01:26:57,510

i think it's adam sandler yeah that was

2415

01:27:01,030 --> 01:26:59,120

said that the neighborhood

2416

01:27:02,629 --> 01:27:01,040

yeah yeah that's right yeah just make it

2417

01:27:05,189 --> 01:27:02,639

let's just make it silly and

2418

01:27:07,110 --> 01:27:05,199

uh people will have a good laugh at it

2419

01:27:09,590 --> 01:27:07,120

but you know it's funny uh

2420

01:27:10,470 --> 01:27:09,600

when i do do you know they'll ask me in

2421

01:27:13,830 --> 01:27:10,480

pennsylvania

2422

01:27:17,270 --> 01:27:13,840

to be a speaker and have a table at a uh

2423

01:27:19,590 --> 01:27:17,280

horicon you know and uh there is no

2424

01:27:20,709 --> 01:27:19,600

interest those people have no interest

2425

01:27:22,629 --> 01:27:20,719

in ufos

2426

01:27:24,950 --> 01:27:22,639

i'll have all my books there and my

2427

01:27:27,110 --> 01:27:24,960

lecture dvds and stuff and

2428

01:27:27,990 --> 01:27:27,120

i'm lucky i sell one or two books the

2429

01:27:30,310 --> 01:27:28,000

whole weekend

2430

01:27:32,310 --> 01:27:30,320

absolutely i i had a fellow there's a

2431

01:27:35,669 --> 01:27:32,320

fellow out in um

2432

01:27:38,149 --> 01:27:35,679

tucson who has a weekly public access

2433

01:27:38,950 --> 01:27:38,159

show and it's on ufos but he owns a

2434

01:27:41,270 --> 01:27:38,960

comic book

2435

01:27:42,070 --> 01:27:41,280

store and a place that sells you know uh

2436

01:27:43,990 --> 01:27:42,080

mod uh

2437

01:27:45,750 --> 01:27:44,000

toy figurines and models and things like

2438

01:27:47,350 --> 01:27:45,760

that you know and uh

2439

01:27:49,350 --> 01:27:47,360

i tried to get him to carry my books and

2440

01:27:50,950 --> 01:27:49,360

he said no because he would lose his

2441

01:27:53,510 --> 01:27:50,960

comic book customers

2442

01:27:55,590 --> 01:27:53,520

yeah if he ever brought in any uh ufo

2443

01:27:57,510 --> 01:27:55,600

literature and books and stuff like that

2444

01:27:59,270 --> 01:27:57,520

and that's just the way it goes because

2445

01:28:00,229 --> 01:27:59,280

the comic book of the science fiction

2446

01:28:03,750 --> 01:28:00,239

people

2447

01:28:06,070 --> 01:28:03,760

i i hate to say this but they are

2448

01:28:08,629 --> 01:28:06,080

ignorant of the facts and also too they

2449

01:28:11,030 --> 01:28:08,639

are too easily swayed by

2450

01:28:11,830 --> 01:28:11,040

what they see as the icons in the giants

2451
01:28:13,750 --> 01:28:11,840
in the field

2452
01:28:15,189 --> 01:28:13,760
you know it's like magicians like

2453
01:28:18,390 --> 01:28:15,199
houdini and in

2454
01:28:20,390 --> 01:28:18,400
the unamazing randy who

2455
01:28:21,750 --> 01:28:20,400
you know who tell everybody well there's

2456
01:28:22,709 --> 01:28:21,760
nothing to this at all they've never

2457
01:28:25,030 --> 01:28:22,719
investigated

2458
01:28:26,629 --> 01:28:25,040
this you know i shared an office space

2459
01:28:29,910 --> 01:28:26,639
with the amazing randy

2460
01:28:30,229 --> 01:28:29,920
uh back in the 60s and and 70s he had no

2461
01:28:31,990 --> 01:28:30,239
wind

2462
01:28:33,750 --> 01:28:32,000
he had a radio show he took over for

2463
01:28:34,470 --> 01:28:33,760

long john and he had guests on about the

2464

01:28:36,390 --> 01:28:34,480

subject

2465

01:28:37,750 --> 01:28:36,400

but he had no interest in anything

2466

01:28:40,149 --> 01:28:37,760

except entertainment

2467

01:28:41,430 --> 01:28:40,159

and getting his name in print so if he

2468

01:28:43,990 --> 01:28:41,440

could say you know like

2469

01:28:44,950 --> 01:28:44,000

there's no ufos or yuri geller is making

2470

01:28:47,270 --> 01:28:44,960

this all up and

2471

01:28:48,310 --> 01:28:47,280

and and so forth to get attention and

2472

01:28:49,510 --> 01:28:48,320

that's what he's done and that's what

2473

01:28:52,709 --> 01:28:49,520

these skeptics

2474

01:28:55,350 --> 01:28:52,719

never really to bother

2475

01:28:56,390 --> 01:28:55,360

investigating anything i remember years

2476

01:28:59,430 --> 01:28:56,400

and years ago

2477

01:29:01,110 --> 01:28:59,440

uh uh john fuller who wrote uh incident

2478

01:29:02,390 --> 01:29:01,120

at exeter in the interrupted journey

2479

01:29:04,709 --> 01:29:02,400

about betty and barney hill

2480

01:29:05,990 --> 01:29:04,719

was on maybe it was meet the press or

2481

01:29:07,830 --> 01:29:06,000

something it was a very

2482

01:29:09,110 --> 01:29:07,840

you know very high brow with a show like

2483

01:29:10,950 --> 01:29:09,120

on sunday morning because

2484

01:29:12,310 --> 01:29:10,960

this was when there was a huge amount of

2485

01:29:15,430 --> 01:29:12,320

ufo activity

2486

01:29:17,510 --> 01:29:15,440

and he was on with um donald

2487

01:29:18,709 --> 01:29:17,520

menzel and they were talking about ufos

2488

01:29:19,350 --> 01:29:18,719

for a half an hour and this side and the

2489

01:29:22,070 --> 01:29:19,360

other thing

2490

01:29:23,510 --> 01:29:22,080

and donald menzel didn't even know where

2491

01:29:25,189 --> 01:29:23,520

exeter was

2492

01:29:27,030 --> 01:29:25,199

i mean like you get these people on

2493

01:29:30,470 --> 01:29:27,040

there and they don't do

2494

01:29:32,390 --> 01:29:30,480

the most minimal amount of uh research

2495

01:29:34,310 --> 01:29:32,400

and of course they're so hostile that

2496

01:29:34,790 --> 01:29:34,320

the the witnesses won't even talk to

2497

01:29:36,310 --> 01:29:34,800

them

2498

01:29:37,669 --> 01:29:36,320

you know there's one thing hey you know

2499

01:29:38,070 --> 01:29:37,679

i can be skeptical about what you're

2500

01:29:40,470 --> 01:29:38,080

saying

2501
01:29:41,350 --> 01:29:40,480
uh john and you know i don't agree with

2502
01:29:43,430 --> 01:29:41,360
everything that the

2503
01:29:45,030 --> 01:29:43,440
the uh the first guest we had laurie

2504
01:29:46,229 --> 01:29:45,040
have to say but i don't have to be

2505
01:29:48,790 --> 01:29:46,239
hostile about it

2506
01:29:49,990 --> 01:29:48,800
you know i mean and i don't have to call

2507
01:29:52,310 --> 01:29:50,000
name-calling

2508
01:29:53,750 --> 01:29:52,320
is a part of what they do that's the

2509
01:29:56,070 --> 01:29:53,760
only thing that they can

2510
01:29:57,830 --> 01:29:56,080
that they can say if they've got nothing

2511
01:30:00,229 --> 01:29:57,840
else to say they could say you're fat or

2512
01:30:01,510 --> 01:30:00,239
or or whatever it is you know it it's

2513
01:30:03,910 --> 01:30:01,520

it's just a uh

2514

01:30:05,990 --> 01:30:03,920

it's like an abbott and costello routine

2515

01:30:08,310 --> 01:30:06,000

or maybe more like a laurel and hardy or

2516

01:30:09,830 --> 01:30:08,320

something like that

2517

01:30:11,669 --> 01:30:09,840

yeah well you know when i was on that

2518

01:30:13,510 --> 01:30:11,679

anderson cooper show and joe nickell was

2519

01:30:14,390 --> 01:30:13,520

on there he he did the same thing you

2520

01:30:16,390 --> 01:30:14,400

know to the

2521

01:30:19,189 --> 01:30:16,400

we had three witnesses there and two

2522

01:30:20,790 --> 01:30:19,199

were young girls like 22 years old and

2523

01:30:21,510 --> 01:30:20,800

of course he's asking him were you doing

2524

01:30:22,870 --> 01:30:21,520

drugs and

2525

01:30:24,390 --> 01:30:22,880

you know i think what you would do when

2526

01:30:25,110 --> 01:30:24,400

you were drinking or doing drugs and

2527

01:30:27,990 --> 01:30:25,120

then you saw

2528

01:30:28,709 --> 01:30:28,000

something and uh you know they they try

2529

01:30:32,149 --> 01:30:28,719

to just

2530

01:30:33,430 --> 01:30:32,159

apply logic and they never ever look

2531

01:30:35,430 --> 01:30:33,440

into the cases and

2532

01:30:37,669 --> 01:30:35,440

and that's that's exactly what you run

2533

01:30:39,669 --> 01:30:37,679

into with skeptics so now have you uh

2534

01:30:40,790 --> 01:30:39,679

you know i remember uh hearing that

2535

01:30:42,550 --> 01:30:40,800

there were quite a few

2536

01:30:44,390 --> 01:30:42,560

bigfoot sightings in pennsylvania that

2537

01:30:45,990 --> 01:30:44,400

might have been associated with ufos

2538

01:30:47,669 --> 01:30:46,000

have you ever had people call you about

2539

01:30:50,629 --> 01:30:47,679

reports of of these

2540

01:30:52,470 --> 01:30:50,639

giant harry smelly creatures yeah

2541

01:30:54,709 --> 01:30:52,480

absolutely and uh

2542

01:30:56,470 --> 01:30:54,719

you know it's it's a funny thing like

2543

01:30:57,910 --> 01:30:56,480

even you know like we say the horror

2544

01:30:59,990 --> 01:30:57,920

stuff and ufos

2545

01:31:01,510 --> 01:31:00,000

well you know the bigfoot people don't

2546

01:31:03,430 --> 01:31:01,520

like the ufo people

2547

01:31:04,870 --> 01:31:03,440

and the ufo people don't like the ghost

2548

01:31:06,149 --> 01:31:04,880

people and the ghost people don't like

2549

01:31:08,470 --> 01:31:06,159

the bigfoot people

2550

01:31:10,550 --> 01:31:08,480

it's it's actually it's an amazing thing

2551

01:31:12,390 --> 01:31:10,560

to watch but yeah we have had

2552

01:31:14,310 --> 01:31:12,400

cases like that and that's kind of like

2553

01:31:15,669 --> 01:31:14,320

one of the debates that comes up or is

2554

01:31:17,990 --> 01:31:15,679

bigfoot actually

2555

01:31:20,070 --> 01:31:18,000

uh an extraterrestrial creature or are

2556

01:31:21,830 --> 01:31:20,080

there other different types of bigfoot

2557

01:31:23,270 --> 01:31:21,840

one being a primate that's not

2558

01:31:25,510 --> 01:31:23,280

discovered and one being

2559

01:31:26,950 --> 01:31:25,520

an extraterrestrial we had a case here

2560

01:31:30,070 --> 01:31:26,960

in pennsylvania

2561

01:31:33,110 --> 01:31:30,080

uh back actually in 1973 with stan

2562

01:31:35,270 --> 01:31:33,120

gordon it was in uniontown pa oh yeah he

2563

01:31:36,470 --> 01:31:35,280

a great researcher i mean he's really

2564

01:31:39,430 --> 01:31:36,480

uncovered a lot of uh

2565

01:31:40,550 --> 01:31:39,440

information on sightings like this yeah

2566

01:31:42,070 --> 01:31:40,560

you know he lives about

2567

01:31:44,390 --> 01:31:42,080

two miles from me that's which is a

2568

01:31:46,790 --> 01:31:44,400

coincidence you know he was a mufon

2569

01:31:48,629 --> 01:31:46,800

state director in pa for about 15 years

2570

01:31:51,030 --> 01:31:48,639

and i've had it for almost 10 now

2571

01:31:51,830 --> 01:31:51,040

but we live right in the same town uh

2572

01:31:55,430 --> 01:31:51,840

but

2573

01:31:56,149 --> 01:31:55,440

in that case there was a uh a farmer and

2574

01:31:58,149 --> 01:31:56,159

his son

2575

01:32:00,070 --> 01:31:58,159

and they see this bigfoot on their

2576

01:32:03,270 --> 01:32:00,080

property but they also see

2577

01:32:04,070 --> 01:32:03,280

a ufo so they fire at the bigfoot and

2578

01:32:06,470 --> 01:32:04,080

they said i

2579

01:32:07,189 --> 01:32:06,480

they had a rifle i know i hid it is what

2580

01:32:09,270 --> 01:32:07,199

they said

2581

01:32:11,590 --> 01:32:09,280

i hit that thing and it just kind of

2582

01:32:12,950 --> 01:32:11,600

like uh i it walked away and then kind

2583

01:32:15,910 --> 01:32:12,960

of like disappeared

2584

01:32:16,390 --> 01:32:15,920

and but they have this ufo hovering

2585

01:32:19,669 --> 01:32:16,400

there

2586

01:32:21,910 --> 01:32:19,679

and then the ufo takes off so uh stan

2587

01:32:22,870 --> 01:32:21,920

gordon and his guys and the state police

2588

01:32:26,229 --> 01:32:22,880

go up there

2589

01:32:27,110 --> 01:32:26,239

and where the ufo was a round spot

2590

01:32:30,310 --> 01:32:27,120

that's still

2591

01:32:32,390 --> 01:32:30,320

glowing at night and uh

2592

01:32:34,229 --> 01:32:32,400

and stan said one of his investigators

2593

01:32:36,629 --> 01:32:34,239

walked into the center of it

2594

01:32:37,669 --> 01:32:36,639

and he collapsed and he actually started

2595

01:32:39,910 --> 01:32:37,679

howling

2596

01:32:41,750 --> 01:32:39,920

and and kind of like barking like a dog

2597

01:32:42,310 --> 01:32:41,760

they had to grab them and pull them out

2598

01:32:45,030 --> 01:32:42,320

of

2599

01:32:46,390 --> 01:32:45,040

nowhere who was this that did that uh

2600

01:32:50,229 --> 01:32:46,400

one of the investigators

2601

01:32:52,950 --> 01:32:50,239

stan gordon yeah it was one of the

2602

01:32:54,629 --> 01:32:52,960

gordon's guys but uh that's one of you

2603

01:32:55,750 --> 01:32:54,639

know one of the better ones i mean stan

2604

01:32:57,830 --> 01:32:55,760

is that he's really

2605

01:32:59,350 --> 01:32:57,840

into the bigfoot stuff yeah you know

2606

01:33:01,189 --> 01:32:59,360

he's had uh

2607

01:33:03,669 --> 01:33:01,199

cases where the bigfoot's come up to

2608

01:33:05,270 --> 01:33:03,679

like a bathroom window a bedroom window

2609

01:33:07,189 --> 01:33:05,280

and kind of looked in and the people

2610

01:33:07,990 --> 01:33:07,199

have seen it and you know it has that

2611

01:33:10,950 --> 01:33:08,000

sulfur type

2612

01:33:13,270 --> 01:33:10,960

smell to it and stuff but but this area

2613

01:33:16,310 --> 01:33:13,280

it's kind of weird here in western pa

2614

01:33:19,270 --> 01:33:16,320

uh this area has like

2615

01:33:20,070 --> 01:33:19,280

one of the most bigfoot sightings ufo

2616

01:33:22,310 --> 01:33:20,080

sightings

2617

01:33:24,470 --> 01:33:22,320

popular mechanics actually did an

2618

01:33:27,750 --> 01:33:24,480

article in 2009

2619

01:33:29,910 --> 01:33:27,760

about counties that have the most ufo

2620

01:33:33,110 --> 01:33:29,920

sightings in counties that don't have a

2621

01:33:35,350 --> 01:33:33,120

major city in it like los angeles county

2622

01:33:37,510 --> 01:33:35,360

and the number one county once

2623

01:33:38,870 --> 01:33:37,520

westmoreland county which is 30 miles

2624

01:33:41,830 --> 01:33:38,880

outside of pittsburgh

2625

01:33:43,669 --> 01:33:41,840

we get the most ufo cases in the country

2626
01:33:44,870 --> 01:33:43,679
for a county that doesn't have a major

2627
01:33:47,510 --> 01:33:44,880
city in it

2628
01:33:48,470 --> 01:33:47,520
well you know i was always skeptical uh

2629
01:33:51,110 --> 01:33:48,480
about the

2630
01:33:52,070 --> 01:33:51,120
the connection between a bigfoot and

2631
01:33:54,149 --> 01:33:52,080
ufos

2632
01:33:55,189 --> 01:33:54,159
i mean i knew ivan c sanderson who of

2633
01:33:57,669 --> 01:33:55,199
course was a the

2634
01:33:58,390 --> 01:33:57,679
the first uh investigator of the bigfoot

2635
01:34:01,669 --> 01:33:58,400
uh he

2636
01:34:04,470 --> 01:34:01,679
used to be on nbc he was a

2637
01:34:06,390 --> 01:34:04,480
animal curator you know and it had the

2638
01:34:06,709 --> 01:34:06,400

credentials and and so forth and he did

2639

01:34:11,110 --> 01:34:06,719

a

2640

01:34:14,709 --> 01:34:11,120

first one on the uh

2641

01:34:16,310 --> 01:34:14,719

abonable snowman

2642

01:34:18,229 --> 01:34:16,320

but i didn't see any real connection

2643

01:34:19,189 --> 01:34:18,239

until i actually went and investigated a

2644

01:34:22,229 --> 01:34:19,199

case

2645

01:34:24,470 --> 01:34:22,239

um in athens ohio

2646

01:34:26,310 --> 01:34:24,480

there was a little item in the newspaper

2647

01:34:29,270 --> 01:34:26,320

in the new york post about someone

2648

01:34:30,870 --> 01:34:29,280

who had seen an object land in the field

2649

01:34:32,310 --> 01:34:30,880

there it had left some indentions in the

2650

01:34:34,070 --> 01:34:32,320

ground you know and i just happened to

2651
01:34:35,590 --> 01:34:34,080
be going to ohio on some business so i

2652
01:34:37,669 --> 01:34:35,600
figured well let me go and

2653
01:34:39,270 --> 01:34:37,679
interview the people who had seen this

2654
01:34:41,430 --> 01:34:39,280
object in the back of their house in the

2655
01:34:44,470 --> 01:34:41,440
cornfield what wasn't really a cornfield

2656
01:34:48,310 --> 01:34:46,950
a small patch of corn let's say but i

2657
01:34:50,550 --> 01:34:48,320
decided let me go out

2658
01:34:52,070 --> 01:34:50,560
after i done my investigation there and

2659
01:34:53,109 --> 01:34:52,080
talk to some of the neighbors to see if

2660
01:34:55,830 --> 01:34:53,119
they had seen

2661
01:34:56,470 --> 01:34:55,840
any unusual things in the sky well there

2662
01:35:00,470 --> 01:34:56,480
were a few

2663
01:35:01,910 --> 01:35:00,480

uh reports of ufos but um

2664

01:35:03,990 --> 01:35:01,920

people started telling me about their

2665

01:35:05,109 --> 01:35:04,000

experiences with these creatures one

2666

01:35:06,709 --> 01:35:05,119

woman said that

2667

01:35:08,470 --> 01:35:06,719

there were big footprints behind your

2668

01:35:11,350 --> 01:35:08,480

air conditioner you know when they uh

2669

01:35:12,550 --> 01:35:11,360

where the footprints had been left in

2670

01:35:14,550 --> 01:35:12,560

the ground you know under the

2671

01:35:15,750 --> 01:35:14,560

muddy soil caused by the dripping of the

2672

01:35:17,510 --> 01:35:15,760

water and so forth

2673

01:35:19,189 --> 01:35:17,520

and there were other people who said

2674

01:35:21,030 --> 01:35:19,199

that the bigfoot was

2675

01:35:22,950 --> 01:35:21,040

banging on the side of their house and

2676

01:35:25,910 --> 01:35:22,960

it you know it all became uh

2677

01:35:27,830 --> 01:35:25,920

inter intertwined uh and and so i you

2678

01:35:29,430 --> 01:35:27,840

know i don't know i said after that well

2679

01:35:30,709 --> 01:35:29,440

there must be some connection with it

2680

01:35:32,149 --> 01:35:30,719

and then i started doing my own

2681

01:35:34,629 --> 01:35:32,159

investigation and hearing

2682

01:35:37,270 --> 01:35:34,639

uh people describe similar uh you know

2683

01:35:40,709 --> 01:35:37,280

situations and sightings

2684

01:35:42,950 --> 01:35:40,719

yeah well you know uh this area is huge

2685

01:35:44,950 --> 01:35:42,960

for hunters uh deer hunter to like the

2686

01:35:47,590 --> 01:35:44,960

movie deer you know deer hunting and

2687

01:35:48,070 --> 01:35:47,600

uh um so when you talk about bigfoot

2688

01:35:49,910 --> 01:35:48,080

here

2689

01:35:51,350 --> 01:35:49,920

you got a lot of these guys come out and

2690

01:35:53,270 --> 01:35:51,360

say they've they've seen

2691

01:35:55,270 --> 01:35:53,280

stuff they've heard stuff in the woods

2692

01:35:57,830 --> 01:35:55,280

things that didn't sound right to them

2693

01:35:59,109 --> 01:35:57,840

and uh so so actually when you do the

2694

01:36:01,669 --> 01:35:59,119

bigfoot conference

2695

01:36:03,750 --> 01:36:01,679

in this area it draws a bigger crowd

2696

01:36:05,669 --> 01:36:03,760

than the ufo conference does so

2697

01:36:07,910 --> 01:36:05,679

uh you know every now and then i try to

2698

01:36:09,430 --> 01:36:07,920

have a bigfoot speaker or ghost speaker

2699

01:36:11,510 --> 01:36:09,440

at my ufo conferences

2700

01:36:14,310 --> 01:36:11,520

just to try to bring the other crowd in

2701

01:36:18,790 --> 01:36:17,189

so do you think that these beings are

2702

01:36:20,950 --> 01:36:18,800

these bigfoot are being controlled by

2703

01:36:23,350 --> 01:36:20,960

somebody on board the ship or are they

2704

01:36:24,390 --> 01:36:23,360

i don't think that they would be

2705

01:36:26,390 --> 01:36:24,400

piloting them

2706

01:36:29,030 --> 01:36:26,400

necessarily are they coming through some

2707

01:36:30,950 --> 01:36:29,040

window area from some other dimension

2708

01:36:33,030 --> 01:36:30,960

well you know uh i i'm not a big

2709

01:36:34,550 --> 01:36:33,040

believer that the the bigfoot is that

2710

01:36:37,750 --> 01:36:34,560

related to ufos

2711

01:36:39,430 --> 01:36:37,760

i do have uh one of my like my chief

2712

01:36:41,910 --> 01:36:39,440

investigator who's also the west

2713

01:36:43,830 --> 01:36:41,920

virginia state director fred saluger

2714

01:36:45,510 --> 01:36:43,840

he's into bigfoot and ufos and he's

2715

01:36:46,229 --> 01:36:45,520

convinced that there is a connection

2716

01:36:48,709 --> 01:36:46,239

there

2717

01:36:51,189 --> 01:36:48,719

i kind of think bigfoot's probably uh

2718

01:36:54,229 --> 01:36:51,199

you know just a primate that hasn't been

2719

01:36:55,270 --> 01:36:54,239

discovered uh the the funny thing is

2720

01:36:58,470 --> 01:36:55,280

though when you look at

2721

01:36:59,189 --> 01:36:58,480

all of the stuff you got to be able to

2722

01:37:00,870 --> 01:36:59,199

explain

2723

01:37:02,550 --> 01:37:00,880

everything you know and i kind of keep

2724

01:37:04,070 --> 01:37:02,560

saying to myself i got to come up with

2725

01:37:07,030 --> 01:37:04,080

the string theory

2726
01:37:08,790 --> 01:37:07,040
of everything unexplained you know the

2727
01:37:11,030 --> 01:37:08,800
ghostly stuff the creatures that are

2728
01:37:13,270 --> 01:37:11,040
unexplained ufos etc

2729
01:37:14,070 --> 01:37:13,280
and you know the best explanation that i

2730
01:37:16,310 --> 01:37:14,080
can come up with

2731
01:37:17,109 --> 01:37:16,320
is that it's interdimensional which

2732
01:37:18,709 --> 01:37:17,119
would explain

2733
01:37:20,870 --> 01:37:18,719
you know how they just kind of appear

2734
01:37:23,109 --> 01:37:20,880
they disappear it takes care of all the

2735
01:37:25,350 --> 01:37:23,119
legends you know a lot of ufos even kind

2736
01:37:27,270 --> 01:37:25,360
of just blink out they disappear

2737
01:37:28,470 --> 01:37:27,280
you know so uh you know if it's

2738
01:37:31,109 --> 01:37:28,480

interdimensional

2739

01:37:32,790 --> 01:37:31,119

that kind of explains how maybe a lot of

2740

01:37:35,830 --> 01:37:32,800

this work comes from

2741

01:37:37,510 --> 01:37:35,840

last week we had on ted phillips uh who

2742

01:37:39,669 --> 01:37:37,520

of course was dr heineck's

2743

01:37:41,750 --> 01:37:39,679

uh you know associate for many many

2744

01:37:42,950 --> 01:37:41,760

years and of course he started to you

2745

01:37:45,030 --> 01:37:42,960

know started out uh

2746

01:37:46,229 --> 01:37:45,040

back in the 1960s investigating the

2747

01:37:49,270 --> 01:37:46,239

socorro ufo

2748

01:37:51,830 --> 01:37:49,280

landing there um and you know he became

2749

01:37:52,950 --> 01:37:51,840

convinced in the last few years uh by

2750

01:37:55,189 --> 01:37:52,960

investigating this uh

2751

01:37:56,950 --> 01:37:55,199

incidences uh in marley woods where

2752

01:37:57,510 --> 01:37:56,960

these objects appear and disappear and

2753

01:38:04,470 --> 01:37:57,520

they

2754

01:38:06,149 --> 01:38:04,480

across to 20 feet in in diameter and now

2755

01:38:07,750 --> 01:38:06,159

they're starting to get into the homes

2756

01:38:09,590 --> 01:38:07,760

of the people there so

2757

01:38:11,430 --> 01:38:09,600

he started out believing that ufos were

2758

01:38:15,109 --> 01:38:11,440

all extraterrestrial in origin

2759

01:38:17,750 --> 01:38:15,119

and now definitely believes uh it's um

2760

01:38:19,430 --> 01:38:17,760

you know paranormal in in nature yeah

2761

01:38:20,149 --> 01:38:19,440

you know i kind of agree with that uh

2762

01:38:21,990 --> 01:38:20,159

mufon

2763

01:38:24,310 --> 01:38:22,000

stance because it's a scientific

2764

01:38:26,070 --> 01:38:24,320

organization has been pretty much

2765

01:38:28,790 --> 01:38:26,080

nuts and bolts they fly here from

2766

01:38:30,709 --> 01:38:28,800

another you know solar system etc

2767

01:38:32,470 --> 01:38:30,719

and uh you know because they want to

2768

01:38:35,350 --> 01:38:32,480

investigate the scientific

2769

01:38:37,350 --> 01:38:35,360

aspect of it and that's you know what

2770

01:38:39,030 --> 01:38:37,360

they they kind of lean towards

2771

01:38:41,910 --> 01:38:39,040

when you start talking about the

2772

01:38:43,030 --> 01:38:41,920

paranormal and interdimensional and that

2773

01:38:45,510 --> 01:38:43,040

type of stuff

2774

01:38:46,390 --> 01:38:45,520

uh most of the mufon people start to

2775

01:38:49,669 --> 01:38:46,400

back away

2776

01:38:51,270 --> 01:38:49,679

yeah but you know i i i i see

2777

01:38:54,149 --> 01:38:51,280

because i've had all the paranormal

2778

01:38:55,750 --> 01:38:54,159

stuff happen uh i've never seen the ufo

2779

01:38:57,350 --> 01:38:55,760

but that's why i kind of say you know

2780

01:38:59,189 --> 01:38:57,360

interdimensional

2781

01:39:01,510 --> 01:38:59,199

it kind of explains a lot of it you know

2782

01:39:03,109 --> 01:39:01,520

even if you're religious like i said

2783

01:39:03,750 --> 01:39:03,119

where i think some of this is demonic

2784

01:39:05,270 --> 01:39:03,760

well

2785

01:39:07,109 --> 01:39:05,280

what would that be you know there's a

2786

01:39:07,830 --> 01:39:07,119

dimension which is heaven there's a

2787

01:39:10,229 --> 01:39:07,840

dimension

2788

01:39:11,830 --> 01:39:10,239

which is hell with that satan rules you

2789

01:39:13,910 --> 01:39:11,840

know then there's these other dimensions

2790

01:39:16,070 --> 01:39:13,920

with these creatures and other beings

2791

01:39:16,950 --> 01:39:16,080

and and they come through so for me the

2792

01:39:20,390 --> 01:39:16,960

string theory

2793

01:39:23,030 --> 01:39:20,400

of everything is uh inter-dimensional

2794

01:39:23,669 --> 01:39:23,040

now here's a little bit of something i

2795

01:39:25,590 --> 01:39:23,679

picked up

2796

01:39:27,109 --> 01:39:25,600

you know a kenneth arnold is often

2797

01:39:30,149 --> 01:39:27,119

credited uh

2798

01:39:32,070 --> 01:39:30,159

as uh being uh the individual who

2799

01:39:33,910 --> 01:39:32,080

uh i guess described the ufos as

2800

01:39:35,830 --> 01:39:33,920

skipping over uh water like a

2801

01:39:37,189 --> 01:39:35,840

like a saucer so that's how the name

2802

01:39:40,149 --> 01:39:37,199

flying saucer came about

2803

01:39:40,709 --> 01:39:40,159

now he's not really not really well okay

2804

01:39:43,189 --> 01:39:40,719

oh well

2805

01:39:44,870 --> 01:39:43,199

now you oh okay but let's get on the

2806

01:39:47,270 --> 01:39:44,880

back

2807

01:39:48,709 --> 01:39:47,280

well let him correct you go ahead john

2808

01:39:50,470 --> 01:39:48,719

what was your first description

2809

01:39:51,510 --> 01:39:50,480

yeah the only reason i say that is and

2810

01:39:52,229 --> 01:39:51,520

you can then you can say what you're

2811

01:39:55,270 --> 01:39:52,239

gonna say

2812

01:39:58,310 --> 01:39:55,280

is uh everybody credits kenneth

2813

01:40:00,390 --> 01:39:58,320

arnold with saying flying saucers as

2814

01:40:00,870 --> 01:40:00,400

being the originator of that term but he

2815

01:40:04,070 --> 01:40:00,880

wasn't

2816

01:40:07,270 --> 01:40:04,080

it was used in a dallas newspaper

2817

01:40:09,430 --> 01:40:07,280

in like 1879 it's actually in my book an

2818

01:40:10,790 --> 01:40:09,440

alternative history of mankind nobody

2819

01:40:12,310 --> 01:40:10,800

knows that fact but

2820

01:40:14,950 --> 01:40:12,320

you know i could actually tell you the

2821

01:40:17,430 --> 01:40:14,960

exact date and who the guy was but

2822

01:40:19,030 --> 01:40:17,440

it originally showed up about 70 years

2823

01:40:21,270 --> 01:40:19,040

before kenneth arnold but

2824

01:40:22,149 --> 01:40:21,280

again yeah say what you're going to say

2825

01:40:25,830 --> 01:40:22,159

okay anyway

2826

01:40:26,149 --> 01:40:25,840

so so kenneth arnold is often credited

2827

01:40:30,950 --> 01:40:26,159

as

2828

01:40:32,229 --> 01:40:30,960

being the start of the modern ufo area

2829

01:40:33,109 --> 01:40:32,239

although we know it goes back along

2830

01:40:35,910 --> 01:40:33,119

before that

2831

01:40:36,950 --> 01:40:35,920

uh and he saw these nine uh kind of

2832

01:40:39,590 --> 01:40:36,960

heel-shaped

2833

01:40:40,310 --> 01:40:39,600

objects they weren't actually discs uh

2834

01:40:43,270 --> 01:40:40,320

at all

2835

01:40:44,310 --> 01:40:43,280

flying uh just above the cloud layer in

2836

01:40:47,189 --> 01:40:44,320

mount rainier

2837

01:40:48,310 --> 01:40:47,199

rainier uh in washington street uh state

2838

01:40:50,550 --> 01:40:48,320

actually yakima

2839

01:40:51,750 --> 01:40:50,560

was the area that he was flying over

2840

01:40:54,550 --> 01:40:51,760

which is known for its

2841

01:40:55,109 --> 01:40:54,560

ufo uh activity it is a there is an

2842

01:40:57,030 --> 01:40:55,119

indian

2843

01:40:58,229 --> 01:40:57,040

reservation there and they actually had

2844

01:40:59,189 --> 01:40:58,239

for many years i don't know if it's

2845

01:41:01,990 --> 01:40:59,199

still there or not

2846

01:41:05,109 --> 01:41:02,000

uh ufo sky watch tower where they would

2847

01:41:07,109 --> 01:41:05,119

see these weird lights coming up from uh

2848

01:41:08,870 --> 01:41:07,119

far below you know so he had these

2849

01:41:09,910 --> 01:41:08,880

sightings that he's often credited for

2850

01:41:13,350 --> 01:41:09,920

being the

2851

01:41:15,750 --> 01:41:13,360

uh the the daddy of the ufo uh

2852

01:41:16,950 --> 01:41:15,760

phenomena as we know it but he didn't

2853

01:41:20,149 --> 01:41:16,960

really believe

2854

01:41:21,830 --> 01:41:20,159

that ufos were extraterrestrial uh in

2855

01:41:24,470 --> 01:41:21,840

fact there have been a couple of

2856

01:41:26,790 --> 01:41:24,480

interviews with his uh i think a

2857

01:41:30,390 --> 01:41:26,800

daughter and his granddaughter uh on

2858

01:41:31,990 --> 01:41:30,400

podcast and he beli he believed that

2859

01:41:34,310 --> 01:41:32,000

they were interdimensional perhaps

2860

01:41:35,270 --> 01:41:34,320

maybe negative in origin he thought that

2861

01:41:38,310 --> 01:41:35,280

they were some

2862

01:41:38,950 --> 01:41:38,320

sort of craft that took the souls of the

2863

01:41:42,310 --> 01:41:38,960

dead

2864

01:41:44,390 --> 01:41:42,320

over to the other other side and he had

2865

01:41:45,750 --> 01:41:44,400

he had a case where he talked about a

2866

01:41:47,109 --> 01:41:45,760

rocking chair in his living room that

2867

01:41:49,030 --> 01:41:47,119

would move back and forth

2868

01:41:50,709 --> 01:41:49,040

and there was no you know no one seated

2869

01:41:51,350 --> 01:41:50,719

in it he had some things that were

2870

01:41:53,510 --> 01:41:51,360

happening

2871

01:41:55,030 --> 01:41:53,520

with weird lights in the trees outside

2872

01:41:57,430 --> 01:41:55,040

of his his home

2873

01:41:59,430 --> 01:41:57,440

but one of the weird things and i i

2874

01:42:02,709 --> 01:41:59,440

think the way one of the ways that these

2875

01:42:04,310 --> 01:42:02,719

beings can converse with us is is that

2876

01:42:05,350 --> 01:42:04,320

there obviously is some sort of a

2877

01:42:07,270 --> 01:42:05,360

language barrier

2878

01:42:09,590 --> 01:42:07,280

but i think that there is a relationship

2879

01:42:13,590 --> 01:42:09,600

between coincidence and synchronicity

2880

01:42:17,189 --> 01:42:13,600

now a number of ufo uh investigators

2881

01:42:19,189 --> 01:42:17,199

have uh passed away on the uh

2882

01:42:20,310 --> 01:42:19,199

on the same day that kenneth arnold had

2883

01:42:23,350 --> 01:42:20,320

his um

2884

01:42:23,750 --> 01:42:23,360

ufo sighting june 24th well isn't it

2885

01:42:25,669 --> 01:42:23,760

very

2886

01:42:27,669 --> 01:42:25,679

interesting that they passed away on

2887

01:42:27,990 --> 01:42:27,679

that date and he believed that the ufos

2888

01:42:30,310 --> 01:42:28,000

that he

2889

01:42:31,510 --> 01:42:30,320

saw were containers that carried the

2890

01:42:33,590 --> 01:42:31,520

spirits of

2891

01:42:35,430 --> 01:42:33,600

the deceased over to the other side i

2892

01:42:36,790 --> 01:42:35,440

don't know i just think it's a kind of a

2893

01:42:38,709 --> 01:42:36,800

weird uh

2894

01:42:40,310 --> 01:42:38,719

coincidence it's really just kind of too

2895

01:42:43,590 --> 01:42:40,320

eerie for me

2896

01:42:46,709 --> 01:42:43,600

yeah he also uh did an interview in the

2897

01:42:48,470 --> 01:42:46,719

early mid 50s and he also said he

2898

01:42:49,830 --> 01:42:48,480

came to the conclusion that he thought

2899

01:42:53,030 --> 01:42:49,840

that those crafts were

2900

01:42:53,669 --> 01:42:53,040

living were like almost living creatures

2901

01:42:56,390 --> 01:42:53,679

that they had

2902

01:42:57,270 --> 01:42:56,400

skin on them and uh didn't think that

2903

01:43:00,310 --> 01:42:57,280

they were actually

2904

01:43:01,270 --> 01:43:00,320

metallic so uh right i mean who knows i

2905

01:43:03,510 --> 01:43:01,280

mean you know and then

2906

01:43:05,590 --> 01:43:03,520

you talk about taking the souls again

2907

01:43:07,270 --> 01:43:05,600

then see i keep reverting back to the

2908

01:43:07,830 --> 01:43:07,280

religious side because i believe in

2909

01:43:09,990 --> 01:43:07,840

jesus

2910

01:43:11,189 --> 01:43:10,000

and i do think that there is pure evil

2911

01:43:13,910 --> 01:43:11,199

out there and a demon

2912

01:43:15,189 --> 01:43:13,920

and demons and uh you know maybe you

2913

01:43:17,590 --> 01:43:15,199

know that's part of it too

2914

01:43:18,470 --> 01:43:17,600

to steal our souls what do they do with

2915

01:43:24,390 --> 01:43:18,480

them

2916

01:43:26,070 --> 01:43:24,400

yeah like phantasm you know they have a

2917

01:43:28,390 --> 01:43:26,080

big tall white guy just yeah

2918

01:43:29,430 --> 01:43:28,400

oh yeah container for the left-wing

2919

01:43:32,310 --> 01:43:29,440

liberals you know

2920

01:43:33,189 --> 01:43:32,320

uh that would be me yeah they're here to

2921

01:43:40,229 --> 01:43:33,199

serve

2922

01:43:45,270 --> 01:43:43,189

so john what's happening in pennsylvania

2923

01:43:47,270 --> 01:43:45,280

now is there anything going on

2924

01:43:48,870 --> 01:43:47,280

well you know we get uh you know it's

2925

01:43:51,990 --> 01:43:48,880

funny since we had that

2926

01:43:53,510 --> 01:43:52,000

ufo wave in 2008 like i said we were

2927

01:43:57,430 --> 01:43:53,520

getting about 90

2928

01:44:03,270 --> 01:43:57,440

95 97 cases since 08

2929

01:44:04,070 --> 01:44:03,280

we have gotten a steady 325 to 350 cases

2930

01:44:05,990 --> 01:44:04,080

a year

2931

01:44:08,149 --> 01:44:06,000

so the activity activity's gone up to

2932

01:44:09,590 --> 01:44:08,159

where we get six and sometimes seven

2933

01:44:11,830 --> 01:44:09,600

cases a week

2934

01:44:12,709 --> 01:44:11,840

uh you know one of my guys he's an

2935

01:44:14,870 --> 01:44:12,719

attorney

2936

01:44:16,629 --> 01:44:14,880

and uh he did a study look at two

2937

01:44:20,550 --> 01:44:16,639

thousand cases

2938

01:44:21,590 --> 01:44:20,560

of orange orbs uh not not the small ball

2939

01:44:23,910 --> 01:44:21,600

lightning you know the

2940

01:44:25,350 --> 01:44:23,920

large ones that are seen in the sky and

2941

01:44:27,270 --> 01:44:25,360

uh he wrote a book and he actually came

2942

01:44:30,470 --> 01:44:27,280

to the conclusion there are four

2943

01:44:31,669 --> 01:44:30,480

bases they sh they they show up at like

2944

01:44:34,550 --> 01:44:31,679

8 30 at night they

2945

01:44:35,270 --> 01:44:34,560

they leave about 10 30 at night and he

2946

01:44:38,229 --> 01:44:35,280

tracked

2947

01:44:38,870 --> 01:44:38,239

the 2000 reports and he says there's a

2948

01:44:43,189 --> 01:44:38,880

base

2949

01:44:45,189 --> 01:44:43,199

off of los angeles and i think we all

2950

01:44:46,229 --> 01:44:45,199

you know have heard about that catalina

2951

01:44:48,310 --> 01:44:46,239

island

2952

01:44:51,030 --> 01:44:48,320

there's a base in lake erie which is

2953

01:44:53,750 --> 01:44:51,040

where a lot of my cases and ohio's

2954

01:44:55,990 --> 01:44:53,760

uh ufo sightings come out of lake erie

2955

01:44:58,790 --> 01:44:56,000

and then he says there's two other bases

2956

01:45:00,550 --> 01:44:58,800

one off of miami and then one that's

2957

01:45:02,229 --> 01:45:00,560

where i'm at by the way yeah oh okay and

2958

01:45:04,310 --> 01:45:02,239

then one off of the gulf side

2959

01:45:05,990 --> 01:45:04,320

so he did a lot of analysis on that i

2960

01:45:07,990 --> 01:45:06,000

got some really good people in my group

2961

01:45:10,550 --> 01:45:08,000

here i got 30 investigators

2962

01:45:13,109 --> 01:45:10,560

almost 170 members but like i said we

2963

01:45:15,510 --> 01:45:13,119

get we get almost a case uh

2964

01:45:16,390 --> 01:45:15,520

a case a day but i've got five other

2965

01:45:18,310 --> 01:45:16,400

states i'm

2966

01:45:20,470 --> 01:45:18,320

one of the few or maybe even the only

2967

01:45:23,109 --> 01:45:20,480

multi-state director for mufon

2968

01:45:24,310 --> 01:45:23,119

i've got six states i've got delaware

2969

01:45:26,629 --> 01:45:24,320

and then i have four

2970

01:45:29,669 --> 01:45:26,639

new england states and when i get cases

2971

01:45:32,070 --> 01:45:29,679

out of vermont new hampshire

2972

01:45:33,109 --> 01:45:32,080

maine in particular i'm telling you

2973

01:45:36,229 --> 01:45:33,119

those those are

2974

01:45:36,629 --> 01:45:36,239

paranormal i get the weirdest cases out

2975

01:45:38,229 --> 01:45:36,639

of

2976

01:45:40,149 --> 01:45:38,239

new england you know what what are the

2977

01:45:41,830 --> 01:45:40,159

best cases that i remember from years

2978

01:45:44,390 --> 01:45:41,840

ago do you know about the

2979

01:45:46,629 --> 01:45:44,400

case in bangor maine where somebody

2980

01:45:48,149 --> 01:45:46,639

actually shot at a ufo and heard the uh

2981

01:45:50,470 --> 01:45:48,159

the bullet ricochet

2982

01:45:51,590 --> 01:45:50,480

oh no i'm not familiar with that one see

2983

01:45:54,629 --> 01:45:51,600

i go way

2984

01:45:56,149 --> 01:45:54,639

back yeah i mean i had the cases this

2985

01:45:57,030 --> 01:45:56,159

woman called me and i think she was in

2986

01:45:59,270 --> 01:45:57,040

new hampshire

2987

01:46:00,310 --> 01:45:59,280

and she goes john i i you know i live on

2988

01:46:02,390 --> 01:46:00,320

a farm and

2989

01:46:03,430 --> 01:46:02,400

she says it's like nobody else that's

2990

01:46:06,629 --> 01:46:03,440

pitch black

2991

01:46:07,750 --> 01:46:06,639

she says i'll she says she'll see like a

2992

01:46:09,590 --> 01:46:07,760

laser light

2993

01:46:11,430 --> 01:46:09,600

being pointed through her windows i said

2994

01:46:11,990 --> 01:46:11,440

well maybe that's just kids messing with

2995

01:46:14,149 --> 01:46:12,000

you and stuff

2996

01:46:15,270 --> 01:46:14,159

you know and she goes now there's

2997

01:46:17,669 --> 01:46:15,280

something out there

2998

01:46:19,109 --> 01:46:17,679

she says uh all of a sudden the house

2999

01:46:21,590 --> 01:46:19,119

will kind of like light up

3000

01:46:22,629 --> 01:46:21,600

you know from above there's a light

3001

01:46:24,470 --> 01:46:22,639

shining on the house

3002

01:46:26,709 --> 01:46:24,480

and she says she called her boyfriend

3003

01:46:29,669 --> 01:46:26,719

and she says i'm watching out the window

3004

01:46:31,590 --> 01:46:29,679

i see my boyfriend come to the gate he

3005

01:46:33,109 --> 01:46:31,600

gets out to open the gate it's kind of

3006

01:46:35,350 --> 01:46:33,119

like a ranch type

3007

01:46:36,629 --> 01:46:35,360

of thing you know and she says i see

3008

01:46:39,350 --> 01:46:36,639

this thing

3009

01:46:41,669 --> 01:46:39,360

kneeling down on the at the other end of

3010

01:46:44,550 --> 01:46:41,679

the gate it stands up it's got to

3011

01:46:45,109 --> 01:46:44,560

be like seven feet tall and she says it

3012

01:46:47,590 --> 01:46:45,119

runs

3013

01:46:49,750 --> 01:46:47,600

through like the cornfield and she says

3014

01:46:50,390 --> 01:46:49,760

i can see it running at about 30 miles

3015

01:46:51,990 --> 01:46:50,400

an hour

3016

01:46:53,510 --> 01:46:52,000

and the path it's making through the

3017

01:46:55,270 --> 01:46:53,520

cornfield i mean i

3018

01:46:57,109 --> 01:46:55,280

i get these phone calls at like one in

3019

01:46:58,709 --> 01:46:57,119

the morning like that and and but the

3020

01:46:59,189 --> 01:46:58,719

stuff that comes out of the new england

3021

01:47:01,270 --> 01:46:59,199

area

3022

01:47:02,390 --> 01:47:01,280

is the creepiest creepiest stuff what

3023

01:47:04,550 --> 01:47:02,400

else what else you got

3024

01:47:05,590 --> 01:47:04,560

uh well there's just a lot of that type

3025

01:47:07,510 --> 01:47:05,600

of stuff one

3026

01:47:09,030 --> 01:47:07,520

you know one guy called me and he said

3027

01:47:10,070 --> 01:47:09,040

that you know he keeps having these

3028

01:47:12,709 --> 01:47:10,080

recurring like

3029

01:47:14,390 --> 01:47:12,719

out of body experiences and again he was

3030

01:47:16,390 --> 01:47:14,400

up in that new england area

3031

01:47:18,070 --> 01:47:16,400

where he's in a field and there's a

3032

01:47:20,390 --> 01:47:18,080

woman there and

3033

01:47:21,270 --> 01:47:20,400

you know as he gets closer and closer to

3034

01:47:24,070 --> 01:47:21,280

her then she

3035

01:47:24,790 --> 01:47:24,080

turns into something else you know it's

3036

01:47:31,109 --> 01:47:24,800

like

3037

01:47:33,270 --> 01:47:31,119

normal you know ufo cases you know i get

3038

01:47:33,750 --> 01:47:33,280

very few of the bigfoots and i don't

3039

01:47:35,590 --> 01:47:33,760

think i

3040

01:47:37,350 --> 01:47:35,600

ever get any that i i would say well

3041

01:47:39,189 --> 01:47:37,360

this is you know this sounds like

3042

01:47:39,750 --> 01:47:39,199

paranormal stuff to me but the new

3043

01:47:43,109 --> 01:47:39,760

england

3044

01:47:45,430 --> 01:47:43,119

that's just very creepy up there

3045

01:47:47,430 --> 01:47:45,440

are you in touch like any any of the

3046

01:47:49,109 --> 01:47:47,440

ghost hunters or paranormal researchers

3047

01:47:50,790 --> 01:47:49,119

i mean sharing information at all

3048

01:47:52,629 --> 01:47:50,800

uh you know i'm friends with all of them

3049

01:47:54,470 --> 01:47:52,639

i try to stay neutral you know and i

3050

01:47:57,189 --> 01:47:54,480

like i said i try to invite the bigfoot

3051

01:47:59,510 --> 01:47:57,199

society uh i go to their conferences

3052

01:48:00,950 --> 01:47:59,520

as a member of the pennsylvania bigfoot

3053

01:48:04,229 --> 01:48:00,960

but they don't want to come to

3054

01:48:05,990 --> 01:48:04,239

the ufo conference uh the paranormal

3055

01:48:08,070 --> 01:48:06,000

people i actually you know i tried

3056

01:48:09,109 --> 01:48:08,080

starting out with that before i joined

3057

01:48:11,430 --> 01:48:09,119

mufon

3058

01:48:13,030 --> 01:48:11,440

yeah you know so i stay open to all of

3059

01:48:14,790 --> 01:48:13,040

that mainly because i've had the

3060

01:48:16,390 --> 01:48:14,800

paranormal experiences and i

3061

01:48:18,070 --> 01:48:16,400

i have those speakers come to our

3062

01:48:18,470 --> 01:48:18,080

conferences but i wouldn't say that

3063

01:48:20,709 --> 01:48:18,480

we're

3064

01:48:22,070 --> 01:48:20,719

you know in close contact sharing

3065

01:48:25,430 --> 01:48:22,080

information

3066

01:48:27,990 --> 01:48:25,440

probably half of my investigators what i

3067

01:48:30,390 --> 01:48:28,000

started doing in pa was recruiting

3068

01:48:31,350 --> 01:48:30,400

people from the paranormal the ghost

3069

01:48:33,189 --> 01:48:31,360

hunting

3070

01:48:34,149 --> 01:48:33,199

not too many bigfoot people a couple of

3071

01:48:35,590 --> 01:48:34,159

them because they know how to

3072

01:48:36,550 --> 01:48:35,600

investigate you know and they're kind of

3073

01:48:38,149 --> 01:48:36,560

open-minded

3074

01:48:40,229 --> 01:48:38,159

and they've actually been very good

3075

01:48:41,350 --> 01:48:40,239

investigators for me so when we have

3076

01:48:43,109 --> 01:48:41,360

something like that

3077

01:48:44,229 --> 01:48:43,119

i'll turn it over to them and then they

3078

01:48:46,149 --> 01:48:44,239

pro they're the ones that are

3079

01:48:49,030 --> 01:48:46,159

communicating back to these other groups

3080

01:48:51,350 --> 01:48:49,040

it's not me are there any are there any

3081

01:48:54,149 --> 01:48:51,360

kind of patterns that are emerging

3082

01:48:55,109 --> 01:48:54,159

uh you know we we were having the uh

3083

01:48:58,310 --> 01:48:55,119

orange orbs

3084

01:49:00,629 --> 01:48:58,320

a lot of those uh recently back in 08 it

3085

01:49:02,310 --> 01:49:00,639

was the triangular craft

3086

01:49:05,510 --> 01:49:02,320

which you know now i kind of look at the

3087

01:49:07,510 --> 01:49:05,520

wave over 2008 that happened over pa

3088

01:49:09,109 --> 01:49:07,520

and i can't help but wonder if it wasn't

3089

01:49:11,350 --> 01:49:09,119

the tr-3b

3090

01:49:13,430 --> 01:49:11,360

that maybe it was a military craft the

3091

01:49:13,990 --> 01:49:13,440

triangular craft with the light on the

3092

01:49:16,870 --> 01:49:14,000

through each

3093

01:49:17,750 --> 01:49:16,880

end three lights that's sprinkled into

3094

01:49:19,189 --> 01:49:17,760

the tree

3095

01:49:20,950 --> 01:49:19,199

well i don't know what they white it

3096

01:49:23,830 --> 01:49:20,960

would be sprinkling uh

3097

01:49:24,149 --> 01:49:23,840

you know probes into a tree but it kind

3098

01:49:29,189 --> 01:49:24,159

of

3099

01:49:31,109 --> 01:49:29,199

it probes or waste

3100

01:49:32,950 --> 01:49:31,119

no no it was a it was like a probe they

3101
01:49:34,390 --> 01:49:32,960
were like these metallic sprinkles that

3102
01:49:35,910 --> 01:49:34,400
dropped into the tree

3103
01:49:37,910 --> 01:49:35,920
and they were glittering they were lit

3104
01:49:39,270 --> 01:49:37,920
up and then they kind of got pulled back

3105
01:49:41,350 --> 01:49:39,280
up into the craft like

3106
01:49:42,310 --> 01:49:41,360
with a magnet just sucked them right

3107
01:49:44,470 --> 01:49:42,320
back up no

3108
01:49:46,229 --> 01:49:44,480
we used to get we had test tubes of

3109
01:49:49,270 --> 01:49:46,239
stuff that was pretty similar to that

3110
01:49:49,910 --> 01:49:49,280
if i i remember on one side was slightly

3111
01:49:52,390 --> 01:49:49,920
pink

3112
01:49:53,270 --> 01:49:52,400
was it was that any uh of the substance

3113
01:49:55,589 --> 01:49:53,280

that you saw

3114

01:49:57,109 --> 01:49:55,599

did you see it the substance uh no i

3115

01:49:59,589 --> 01:49:57,119

didn't see anything on the leaves but

3116

01:50:01,830 --> 01:49:59,599

the leaves were starting this is july

3117

01:50:03,510 --> 01:50:01,840

may june july and the leaves were

3118

01:50:06,149 --> 01:50:03,520

turning brown and they were

3119

01:50:08,149 --> 01:50:06,159

lacerated like uh like a laser or

3120

01:50:09,750 --> 01:50:08,159

something had burned the leaves

3121

01:50:12,109 --> 01:50:09,760

so uh you know it was weird the leaves

3122

01:50:13,589 --> 01:50:12,119

were producing an enzyme called

3123

01:50:16,229 --> 01:50:13,599

anthrocyanine

3124

01:50:18,629 --> 01:50:16,239

which is a natural occurring enzyme when

3125

01:50:20,550 --> 01:50:18,639

it's subject to high heat or radiation

3126

01:50:22,470 --> 01:50:20,560

and it was only that tree i mean the

3127

01:50:23,589 --> 01:50:22,480

tree next to it didn't have that

3128

01:50:25,350 --> 01:50:23,599

the tree in the front of the house

3129

01:50:25,830 --> 01:50:25,360

didn't have it so why would the military

3130

01:50:27,910 --> 01:50:25,840

be

3131

01:50:28,870 --> 01:50:27,920

so low over i don't know you know that

3132

01:50:30,629 --> 01:50:28,880

that one didn't

3133

01:50:32,870 --> 01:50:30,639

that doesn't really fit the military but

3134

01:50:34,629 --> 01:50:32,880

the description of the triangular craft

3135

01:50:37,030 --> 01:50:34,639

which is the tr-3 bay

3136

01:50:38,070 --> 01:50:37,040

fit a lot of the sightings that we had

3137

01:50:39,669 --> 01:50:38,080

over that summer

3138

01:50:41,990 --> 01:50:39,679

but you know we just had a case in

3139

01:50:44,390 --> 01:50:42,000

delaware because i have delaware also

3140

01:50:45,109 --> 01:50:44,400

and uh it again it's these orbs up in

3141

01:50:47,350 --> 01:50:45,119

the sky

3142

01:50:49,030 --> 01:50:47,360

and people will say that they're chinese

3143

01:50:51,270 --> 01:50:49,040

lanterns but

3144

01:50:52,149 --> 01:50:51,280

there was like nine of them and they

3145

01:50:54,229 --> 01:50:52,159

filmed them

3146

01:50:55,669 --> 01:50:54,239

and then all of a sudden one at a time

3147

01:50:57,109 --> 01:50:55,679

they started taking off

3148

01:50:59,270 --> 01:50:57,119

you know and if they were chinese

3149

01:51:01,189 --> 01:50:59,280

lanterns they would move together

3150

01:51:03,109 --> 01:51:01,199

but eight of them leave one of them is

3151
01:51:04,310 --> 01:51:03,119
still hovering there and it doesn't seem

3152
01:51:07,510 --> 01:51:04,320
to be going anywhere

3153
01:51:09,589 --> 01:51:07,520
it ejects something on fire

3154
01:51:11,350 --> 01:51:09,599
and then it takes off it actually takes

3155
01:51:13,750 --> 01:51:11,360
off in the opposite direction

3156
01:51:14,470 --> 01:51:13,760
from the other eight but this burning

3157
01:51:16,709 --> 01:51:14,480
piece of

3158
01:51:17,910 --> 01:51:16,719
something comes down and this guy

3159
01:51:21,350 --> 01:51:17,920
recovers it so

3160
01:51:24,629 --> 01:51:21,360
he calls us and we get a portion of it

3161
01:51:27,750 --> 01:51:24,639
and it looks like insulation uh so

3162
01:51:29,430 --> 01:51:27,760
and and it's too big to be uh it's

3163
01:51:31,189 --> 01:51:29,440

definitely insulation but it couldn't be

3164

01:51:32,950 --> 01:51:31,199

from a chinese lantern because

3165

01:51:34,310 --> 01:51:32,960

you couldn't lift it it was too big of a

3166

01:51:37,030 --> 01:51:34,320

piece it was like

3167

01:51:37,589 --> 01:51:37,040

12 14 inches long and then two inches

3168

01:51:39,270 --> 01:51:37,599

thick

3169

01:51:42,149 --> 01:51:39,280

you couldn't lift that with a chinese

3170

01:51:45,270 --> 01:51:42,159

lantern so we take it we send a

3171

01:51:47,669 --> 01:51:45,280

piece of it to phyllis buttinger in ohio

3172

01:51:48,550 --> 01:51:47,679

frontier labs and she does the analysis

3173

01:51:50,790 --> 01:51:48,560

she says john

3174

01:51:53,350 --> 01:51:50,800

this is insulation but it's coated with

3175

01:51:56,390 --> 01:51:53,360

a chemical for waterproofing

3176

01:51:58,950 --> 01:51:56,400

and she said we just invented this type

3177

01:52:00,149 --> 01:51:58,960

of insulation about 18 months ago so she

3178

01:52:02,550 --> 01:52:00,159

says

3179

01:52:04,950 --> 01:52:02,560

she was surprised that you know if it

3180

01:52:06,790 --> 01:52:04,960

was used in a military craft

3181

01:52:08,390 --> 01:52:06,800

it would be kind of quick that you know

3182

01:52:09,830 --> 01:52:08,400

because it was just invented so

3183

01:52:11,910 --> 01:52:09,840

i don't know what we recovered it was

3184

01:52:13,109 --> 01:52:11,920

something from a ufo whether it was a

3185

01:52:16,470 --> 01:52:13,119

military uh

3186

01:52:16,709 --> 01:52:16,480

craft or a real ufo but we have a piece

3187

01:52:19,189 --> 01:52:16,719

of

3188

01:52:20,550 --> 01:52:19,199

a ufo that we analyzed and we're going

3189

01:52:20,870 --> 01:52:20,560

to actually talk about that at the

3190

01:52:23,910 --> 01:52:20,880

moment

3191

01:52:25,990 --> 01:52:23,920

why would they eject uh it was on fire

3192

01:52:27,510 --> 01:52:26,000

and uh what phyllis said is she she

3193

01:52:29,669 --> 01:52:27,520

believes it was used in an

3194

01:52:31,510 --> 01:52:29,679

energy storage area it must have caused

3195

01:52:33,910 --> 01:52:31,520

there must have been a fire in there

3196

01:52:35,510 --> 01:52:33,920

and it kind of like ejected it or they

3197

01:52:38,470 --> 01:52:35,520

threw it out of the craft

3198

01:52:39,109 --> 01:52:38,480

and and then they were able to you know

3199

01:52:41,750 --> 01:52:39,119

move on

3200

01:52:42,790 --> 01:52:41,760

on on their way but uh you know that was

3201

01:52:44,470 --> 01:52:42,800

her analysis

3202

01:52:46,629 --> 01:52:44,480

that there was a fire and it they

3203

01:52:48,310 --> 01:52:46,639

ejected out the uh insulation that was

3204

01:52:51,109 --> 01:52:48,320

on fire

3205

01:52:51,910 --> 01:52:51,119

also too one of the first cases uh maury

3206

01:52:53,910 --> 01:52:51,920

island

3207

01:52:55,669 --> 01:52:53,920

back in the washington state which was

3208

01:52:56,550 --> 01:52:55,679

even before kenneth arnold sighting by a

3209

01:52:59,750 --> 01:52:56,560

few days

3210

01:53:01,669 --> 01:52:59,760

involved uh substances like

3211

01:53:03,270 --> 01:53:01,679

molting uh metals that would drop from

3212

01:53:05,030 --> 01:53:03,280

the uh the sky that

3213

01:53:07,189 --> 01:53:05,040

damaged the boat and killed the dog of

3214

01:53:10,709 --> 01:53:07,199

the the owner in fact we have to have

3215

01:53:12,790 --> 01:53:10,719

ken thomas on some night to discuss that

3216

01:53:14,950 --> 01:53:12,800

and it ties in actually with the

3217

01:53:18,470 --> 01:53:14,960

assassination of jfk

3218

01:53:20,950 --> 01:53:18,480

anyway yes that's correct yeah

3219

01:53:22,070 --> 01:53:20,960

anyway we are winding down the the

3220

01:53:23,750 --> 01:53:22,080

evening here and uh

3221

01:53:25,830 --> 01:53:23,760

john uh give us a little bit of

3222

01:53:27,430 --> 01:53:25,840

information where listeners can get in

3223

01:53:29,430 --> 01:53:27,440

touch uh with you

3224

01:53:31,589 --> 01:53:29,440

uh tell us your books are they available

3225

01:53:32,149 --> 01:53:31,599

on amazon.com and what's your website

3226

01:53:35,109 --> 01:53:32,159

and

3227

01:53:37,270 --> 01:53:35,119

when is the new hangar one going to be

3228

01:53:40,390 --> 01:53:37,280

on and what's the first episode about

3229

01:53:41,910 --> 01:53:40,400

okay hangout one uh will air april 3rd

3230

01:53:43,830 --> 01:53:41,920

it was actually supposed to start

3231

01:53:46,390 --> 01:53:43,840

last night but then they postponed it to

3232

01:53:48,390 --> 01:53:46,400

april 3rd so season 2 is going to start

3233

01:53:51,510 --> 01:53:48,400

april 3rd i don't know the order

3234

01:53:52,709 --> 01:53:51,520

of the shows but there's 12 episodes

3235

01:53:55,109 --> 01:53:52,719

this year

3236

01:53:57,030 --> 01:53:55,119

and 18 members in the cast so there were

3237

01:53:58,070 --> 01:53:57,040

eight last year and nine and eight

3238

01:54:00,709 --> 01:53:58,080

episodes

3239

01:54:02,070 --> 01:54:00,719

so we have a bigger cast and four more

3240

01:54:04,310 --> 01:54:02,080

episodes uh

3241

01:54:05,990 --> 01:54:04,320

as far as myself goes all my books and

3242

01:54:08,990 --> 01:54:06,000

lectures and dvds

3243

01:54:10,669 --> 01:54:09,000

are on my website johnventury.com that's

3244

01:54:13,910 --> 01:54:10,679

v-e-n-t-r-e

3245

01:54:18,550 --> 01:54:13,920

johnventury.com and uh our conferences

3246

01:54:19,990 --> 01:54:18,560

are on our website mufonpa.com we do

3247

01:54:22,470 --> 01:54:20,000

three conferences

3248

01:54:25,030 --> 01:54:22,480

we have erie in may we have philly in

3249

01:54:26,709 --> 01:54:25,040

october and pittsburgh in november so

3250

01:54:28,149 --> 01:54:26,719

if you're anywhere on the east coast

3251

01:54:29,990 --> 01:54:28,159

northeast midwest

3252

01:54:31,510 --> 01:54:30,000

you know we get people flying in from

3253

01:54:34,709 --> 01:54:31,520

you know canada texas

3254

01:54:36,390 --> 01:54:34,719

florida well you put on you put on a

3255

01:54:40,629 --> 01:54:36,400

very good uh conference

3256

01:54:43,510 --> 01:54:40,639

and uh carla speaking of erie uh carlos

3257

01:54:44,870 --> 01:54:43,520

salon used to be notice i didn't say

3258

01:54:47,030 --> 01:54:44,880

saloon her salon

3259

01:54:49,030 --> 01:54:47,040

used to be on erie street but where are

3260

01:54:50,629 --> 01:54:49,040

you located now in case anybody wants to

3261

01:54:51,270 --> 01:54:50,639

go over and get clipped i mean get their

3262

01:54:56,149 --> 01:54:51,280

hair

3263

01:54:57,830 --> 01:54:56,159

that's why we say it's the cutting edge

3264

01:55:01,270 --> 01:54:57,840

of the paranormal yes i am

3265

01:55:04,390 --> 01:55:01,280

i am 353 second street

3266

01:55:08,629 --> 01:55:04,400

uh jersey city downtown new jersey

3267

01:55:10,629 --> 01:55:08,639

very good balance salon jc.com

3268

01:55:12,629 --> 01:55:10,639

yeah you're not too far from us if you

3269

01:55:13,109 --> 01:55:12,639

want to swing by in october and come to

3270

01:55:14,629 --> 01:55:13,119

the

3271

01:55:16,950 --> 01:55:14,639

philly conference we do it in bucks

3272

01:55:17,990 --> 01:55:16,960

county you can just go straight across

3273

01:55:20,790 --> 01:55:18,000

78 and

3274

01:55:21,750 --> 01:55:20,800

uh you'll make your way into us i have a

3275

01:55:24,070 --> 01:55:21,760

friend in melbourne

3276

01:55:24,870 --> 01:55:24,080

too yeah yeah you guys should come

3277

01:55:27,270 --> 01:55:24,880

you're not that far

3278

01:55:29,030 --> 01:55:27,280

absolutely absolutely well now now we're

3279

01:55:29,589 --> 01:55:29,040

back in the full gear maybe we can bring

3280

01:55:32,149 --> 01:55:29,599

down our

3281

01:55:32,950 --> 01:55:32,159

i also do a um you know a i have a

3282

01:55:36,149 --> 01:55:32,960

channel

3283

01:55:38,149 --> 01:55:36,159

on youtube it's mr ufos secret files

3284

01:55:39,430 --> 01:55:38,159

and we've got some very uh good

3285

01:55:41,589 --> 01:55:39,440

interviews up there i

3286

01:55:43,430 --> 01:55:41,599

take my camera with me and i i travel

3287

01:55:45,589 --> 01:55:43,440

around and uh

3288

01:55:46,470 --> 01:55:45,599

it's for fun and not necessarily for

3289

01:55:48,950 --> 01:55:46,480

profit

3290

01:55:49,910 --> 01:55:48,960

it's uh you know totally unedited and

3291

01:55:51,990 --> 01:55:49,920

unorganized

3292

01:55:53,589 --> 01:55:52,000

but there's some great stuff up there

3293

01:55:56,310 --> 01:55:53,599

anyway

3294

01:55:57,030 --> 01:55:56,320

anyone who wants to get in touch with me

3295

01:56:00,709 --> 01:55:57,040

my email

3296

01:56:03,750 --> 01:56:00,719

address is mr ufo mr ufo8

3297

01:56:06,550 --> 01:56:03,760

hotmail.com and if you want to

3298

01:56:07,030 --> 01:56:06,560

learn all about our exciting books we

3299

01:56:10,070 --> 01:56:07,040

have some

3300

01:56:10,550 --> 01:56:10,080

200 titles by many many authors in the

3301

01:56:13,510 --> 01:56:10,560

field

3302

01:56:15,109 --> 01:56:13,520

i suggest you just go to amazon.com and

3303

01:56:17,830 --> 01:56:15,119

type in timothy beckley

3304

01:56:18,950 --> 01:56:17,840

and all these great books will pop up in

3305

01:56:21,350 --> 01:56:18,960

front of your eye

3306

01:56:22,229 --> 01:56:21,360

and keep me motivated by ordering

3307

01:56:24,550 --> 01:56:22,239

something and

3308

01:56:26,310 --> 01:56:24,560

so we've rock and roll and i want to say

3309

01:56:30,310 --> 01:56:26,320

good night to our listeners out there

3310

01:56:33,109 --> 01:56:30,320

and see you next week same time

3311

01:56:33,990 --> 01:56:33,119

same host tell your friends go to the

3312

01:56:37,149 --> 01:56:34,000

archive

3313

01:56:38,310 --> 01:56:37,159

pass it along and remember we're
