

1
00:00:05,680 --> 00:00:56,869
um

2
00:00:56,879 --> 00:01:04,469
cheers

3
00:01:15,510 --> 00:01:07,190
starlight video presents

4
00:01:30,789 --> 00:01:17,749
we begin our adventure overlooking the

5
00:01:51,510 --> 00:01:33,030
and just across the way is the ancient

6
00:01:56,069 --> 00:01:54,469
is five to six thousand years old up to

7
00:01:57,910 --> 00:01:56,079
one thousand years older than the

8
00:02:00,069 --> 00:01:57,920
egyptian purim is

9
00:02:02,630 --> 00:02:00,079
each year at the crack of dawn at the

10
00:02:05,510 --> 00:02:02,640
winter solstice the sun's first ray

11
00:02:07,429 --> 00:02:05,520
reaches the inner chamber and the entire

12
00:02:09,990 --> 00:02:07,439
temple flows

13
00:02:12,070 --> 00:02:10,000

newgrange is said to be a passage grave

14

00:02:13,190 --> 00:02:12,080

constructed by the druids in ancient

15

00:02:15,750 --> 00:02:13,200

times

16

00:02:16,790 --> 00:02:15,760

three ley lines converge under new

17

00:02:18,949 --> 00:02:16,800

grange

18

00:02:21,430 --> 00:02:18,959

note the white quartz

19

00:02:23,350 --> 00:02:21,440

which is all across the front of the

20

00:02:26,309 --> 00:02:23,360

chamber

21

00:02:28,309 --> 00:02:26,319

the power of crystals when taken inside

22

00:02:31,030 --> 00:02:28,319

is greatly enhanced

23

00:02:33,509 --> 00:02:31,040

new range retains many secrets and the

24

00:02:44,150 --> 00:02:33,519

real reason it was built may never be

25

00:02:49,110 --> 00:02:46,550

hi star people this is diane

26

00:02:51,589 --> 00:02:49,120

there are many haunted houses in ireland

27

00:02:52,630 --> 00:02:51,599

this one is the john boyle o'reilly

28

00:02:54,630 --> 00:02:52,640

house

29

00:02:56,390 --> 00:02:54,640

and the local people tell us there are

30

00:02:59,190 --> 00:02:56,400

many ghost stories connected with this

31

00:03:01,990 --> 00:02:59,200

house the most common one seems to be of

32

00:03:04,229 --> 00:03:02,000

an irish soldier lady from the 1916

33

00:03:07,030 --> 00:03:04,239

rising at the time when ireland won her

34

00:03:34,149 --> 00:03:07,040

independence he's been seen here on many

35

00:03:36,789 --> 00:03:35,350

hello

36

00:03:40,149 --> 00:03:36,799

i'm sitting here in the middle of the

37

00:03:42,630 --> 00:03:40,159

ferry circle in the middle of non road

38

00:03:43,830 --> 00:03:42,640

over to my right is the shore river

39

00:03:45,750 --> 00:03:43,840

valley

40

00:03:47,509 --> 00:03:45,760

the druids always built their temples

41

00:03:49,910 --> 00:03:47,519

and their passage graves on top of

42

00:03:51,670 --> 00:03:49,920

hilltops overlooking rivers

43

00:03:53,589 --> 00:03:51,680

because as you know they felt that the

44

00:03:56,070 --> 00:03:53,599

rivers and spirits

45

00:03:59,670 --> 00:03:56,080

with new grange is the des moines river

46

00:04:02,710 --> 00:03:59,680

and with nacro is the river shore

47

00:04:05,670 --> 00:04:02,720

then over to the left behind me

48

00:04:28,950 --> 00:04:05,680

is the mountain of the woman and guelka

49

00:04:32,550 --> 00:04:30,710

leaving knock bro up at the top of the

50

00:04:35,030 --> 00:04:32,560

hill let's go down to the river shore

51
00:05:08,950 --> 00:04:35,040
and have a cleansing healing meditation

52
00:05:12,870 --> 00:05:10,469
and here we are

53
00:05:15,189 --> 00:05:12,880
on the banks of the shore river

54
00:05:17,749 --> 00:05:15,199
knock row is just up the hill

55
00:05:20,629 --> 00:05:17,759
and i'm going to be doing a meditation

56
00:05:22,790 --> 00:05:20,639
with an empowerment stone

57
00:05:25,189 --> 00:05:22,800
a piece of slate which came from this

58
00:05:28,469 --> 00:05:25,199
very place this is the place where we

59
00:05:30,870 --> 00:05:28,479
get the impermanent stone space from

60
00:05:32,469 --> 00:05:30,880
the symbol on this environment stone is

61
00:05:36,550 --> 00:05:32,479
for the beech tree

62
00:05:38,469 --> 00:05:36,560
it's the arm symbol that's ogh am but

63
00:05:39,990 --> 00:05:38,479

it's pronounced arms

64

00:05:41,830 --> 00:05:40,000

for the beech tree

65

00:05:44,550 --> 00:05:41,840

now the beech tree is my favorite of the

66

00:05:46,150 --> 00:05:44,560

disciples trees because they grow so

67

00:05:48,390 --> 00:05:46,160

large and they're so

68

00:05:50,310 --> 00:05:48,400

strong and beautiful

69

00:05:53,029 --> 00:05:50,320

they come sometimes in a copper colored

70

00:05:55,590 --> 00:05:53,039

seed also as well as green

71

00:05:57,430 --> 00:05:55,600

beaches so they're quite special

72

00:06:01,110 --> 00:05:57,440

i also have here

73

00:06:03,590 --> 00:06:01,120

seven blue lace agates

74

00:06:06,550 --> 00:06:03,600

which i like to work with because they

75

00:06:09,990 --> 00:06:06,560

look so much like urge from space

76

00:06:13,510 --> 00:06:10,000

they've got the swirls of the clouds

77

00:06:20,790 --> 00:06:17,110

so i'm going to begin my meditation

78

00:06:23,350 --> 00:06:20,800

by simply taking a deep breath

79

00:06:26,469 --> 00:06:23,360

and breathing in the very fresh pure air

80

00:06:28,550 --> 00:06:26,479

here by the river shore

81

00:06:34,150 --> 00:06:28,560

and filling myself with the golden white

82

00:06:38,070 --> 00:06:36,469

next i'm going to

83

00:06:41,110 --> 00:06:38,080

fill

84

00:06:44,950 --> 00:06:41,120

the plate in caramel stone acquaint

85

00:06:46,550 --> 00:06:44,960

myself with its individual ripples

86

00:06:49,110 --> 00:06:46,560

and curves

87

00:06:51,430 --> 00:06:49,120

and feel it's becoming warm

88

00:06:53,189 --> 00:06:51,440

and empowered

89

00:06:55,830 --> 00:06:53,199

and i can actually feel it getting

90

00:06:59,189 --> 00:06:55,840

warmer as i hold it

91

00:07:02,710 --> 00:06:59,199

i'll place it down in front of me

92

00:07:06,950 --> 00:07:02,720

in the grass i also have a nice

93

00:07:12,710 --> 00:07:10,309

and after i place it down

94

00:07:15,670 --> 00:07:12,720

i'm going to take the first of the lace

95

00:07:20,469 --> 00:07:15,680

against and put it to the north or the

96

00:07:27,670 --> 00:07:23,990

as i do this i'm going to be sending

97

00:07:29,029 --> 00:07:27,680

my healing energy to our earth mother

98

00:07:33,189 --> 00:07:29,039

to gaia

99

00:07:33,199 --> 00:07:39,110

plays down the next one

100

00:07:45,110 --> 00:07:41,350

and i can feel my healing energy

101
00:07:48,309 --> 00:07:45,120
traveling into the earth beneath me

102
00:07:54,950 --> 00:07:51,909
the river behind me which is just like

103
00:07:58,710 --> 00:07:54,960
gaia's bloodstream

104
00:08:01,350 --> 00:07:58,720
the air is just like

105
00:08:04,070 --> 00:08:01,360
the air we breathe into our lungs and

106
00:08:07,189 --> 00:08:04,080
it's her air also

107
00:08:09,990 --> 00:08:07,199
because she is our mother

108
00:08:13,830 --> 00:08:10,000
and we can feel her crying

109
00:08:16,309 --> 00:08:13,840
and we want to help and heal her

110
00:08:18,550 --> 00:08:16,319
now i'm going to take

111
00:08:20,230 --> 00:08:18,560
the hand my hand that i feel is my

112
00:08:21,830 --> 00:08:20,240
psychic hand

113
00:08:24,150 --> 00:08:21,840

you know we've talked about each of us

114

00:08:26,309 --> 00:08:24,160

has a hand that we feel is our more

115

00:08:29,350 --> 00:08:26,319

psychic hand i've always felt my left

116

00:08:32,310 --> 00:08:29,360

foot has more psychic energy

117

00:08:35,430 --> 00:08:32,320

so i'm going to pass my hands seven

118

00:08:40,389 --> 00:08:35,440

times around the circle

119

00:08:44,070 --> 00:08:40,399

in order to open the energy one two

120

00:08:47,509 --> 00:08:44,080

and as i pass my hand around

121

00:08:50,389 --> 00:08:47,519

i can feel that energy opening

122

00:08:51,750 --> 00:08:50,399

the spirals from the circles of time

123

00:08:54,870 --> 00:08:51,760

melt away

124

00:08:57,269 --> 00:08:54,880

and there's nothing but pure raw healing

125

00:08:59,509 --> 00:08:57,279

energy

126

00:09:05,910 --> 00:08:59,519

and i can actually feel a pull and a

127

00:09:10,630 --> 00:09:06,829

this is

128

00:09:12,710 --> 00:09:10,640

tybus i come to you in love and life

129

00:09:15,990 --> 00:09:12,720

and i want you to know that i am here

130

00:09:17,910 --> 00:09:16,000

with you in this healing endeavor

131

00:09:20,389 --> 00:09:17,920

and i want you to know

132

00:09:23,269 --> 00:09:20,399

that your star guardians

133

00:09:25,110 --> 00:09:23,279

are here with me also

134

00:09:27,670 --> 00:09:25,120

and that we are

135

00:09:29,190 --> 00:09:27,680

trying our hardest

136

00:09:31,910 --> 00:09:29,200

just as you are

137

00:09:34,389 --> 00:09:31,920

to see this troubled planet through to a

138

00:09:36,949 --> 00:09:34,399

new and a better age

139

00:09:39,750 --> 00:09:36,959

there is so much potential

140

00:09:41,269 --> 00:09:39,760

potential is the seed and just like the

141

00:09:43,509 --> 00:09:41,279

mighty beach

142

00:09:45,110 --> 00:09:43,519

that potential can grow from a small

143

00:09:47,190 --> 00:09:45,120

seed into a

144

00:09:49,030 --> 00:09:47,200

beautiful strong

145

00:09:52,470 --> 00:09:49,040

healthy tree

146

00:09:55,110 --> 00:09:52,480

we just must all work together

147

00:09:56,550 --> 00:09:55,120

we must all work our hardest

148

00:10:00,949 --> 00:09:56,560

our purest

149

00:10:10,310 --> 00:10:05,269

i can feel gaia here with me as well

150

00:10:13,110 --> 00:10:10,320

the spirit of earth in body in gaia

151

00:10:15,430 --> 00:10:13,120

she is troubled but she's smiling

152

00:10:18,389 --> 00:10:15,440

because she knows

153

00:10:21,670 --> 00:10:18,399

how much we're trying and she knows that

154

00:10:23,910 --> 00:10:21,680

we love her we haven't forgotten her has

155

00:10:39,350 --> 00:10:23,920

humankind has forgotten her and abused

156

00:10:39,360 --> 00:10:42,550

this is diane

157

00:10:49,030 --> 00:10:45,430

we'll close our meditation

158

00:10:50,389 --> 00:10:49,040

by closing the circle the vortex that we

159

00:10:52,710 --> 00:10:50,399

opened

160

00:11:01,590 --> 00:10:52,720

passing our hand around it

161

00:11:09,110 --> 00:11:03,829

and taking a deep breath and just

162

00:11:13,110 --> 00:11:11,030

listen

163

00:11:14,470 --> 00:11:13,120

to the brook

164

00:11:19,829 --> 00:11:14,480

to the wind

165

00:11:22,470 --> 00:11:20,949

and just

166

00:11:25,990 --> 00:11:22,480

feel the light

167

00:12:09,350 --> 00:11:30,069

be refreshed and rejuvenated my hands

168

00:12:15,509 --> 00:12:13,190

well here we are in the witchy know

169

00:12:19,269 --> 00:12:15,519

the slave pit where the empowerment

170

00:12:21,990 --> 00:12:19,279

stones come from is right outside there

171

00:12:23,030 --> 00:12:22,000

and we made our way in a very narrow

172

00:12:25,350 --> 00:12:23,040

path

173

00:12:26,470 --> 00:12:25,360

and i'm just barely holding on to this

174

00:12:29,110 --> 00:12:26,480

rock

175

00:12:30,550 --> 00:12:29,120

because the gravity is very strange in

176

00:12:32,949 --> 00:12:30,560

here and i'm

177

00:12:35,910 --> 00:12:32,959

i'm falling down rapidly but

178

00:12:38,870 --> 00:12:35,920

anyway the local legend is that

179

00:12:40,949 --> 00:12:38,880

the fairies live here and teenagers are

180

00:12:43,190 --> 00:12:40,959

dared to spend the night here by other

181

00:12:44,949 --> 00:12:43,200

teenagers but very seldom do they stay

182

00:13:03,670 --> 00:12:44,959

the whole night

183

00:13:03,680 --> 00:13:32,230

let your lovely

184

00:13:32,240 --> 00:13:44,629

i dress

185

00:13:44,639 --> 00:13:52,150

me

186

00:14:34,790 --> 00:14:28,629

is

187

00:14:38,230 --> 00:14:34,800

also called lock on scale in guelgo

188

00:14:40,790 --> 00:14:38,240

the dolmen is about 6 000 years old and

189

00:14:42,710 --> 00:14:40,800

it's called the tomb of the heroes but i

190

00:14:45,030 --> 00:14:42,720

have always felt that these things

191

00:14:47,350 --> 00:14:45,040

aren't just tombs they're just too

192

00:14:48,389 --> 00:14:47,360

incredible and the energy emanating from

193

00:14:50,150 --> 00:14:48,399

them is

194

00:14:52,389 --> 00:14:50,160

just too intense

195

00:14:55,030 --> 00:14:52,399

to be mere tuned

196

00:14:56,949 --> 00:14:55,040

uh star friend visited me and he managed

197

00:15:00,870 --> 00:14:56,959

to stamp her up on

198

00:15:02,150 --> 00:15:00,880

the cap stone and lean back and he had

199

00:15:04,230 --> 00:15:02,160

the most incredible he stayed there

200

00:15:06,069 --> 00:15:04,240

about 10 minutes and he had the most

201
00:15:08,069 --> 00:15:06,079
incredible experience he was just

202
00:15:10,550 --> 00:15:08,079
supercharged with energy

203
00:15:13,189 --> 00:15:10,560
the capstone of course has

204
00:15:15,990 --> 00:15:13,199
courts embedded in it they always chose

205
00:15:16,870 --> 00:15:16,000
a capstone that was just scattered with

206
00:15:19,030 --> 00:15:16,880
quartz

207
00:15:19,829 --> 00:15:19,040
embedded in it all over the place

208
00:15:21,990 --> 00:15:19,839
and

209
00:15:24,629 --> 00:15:22,000
behind me there are beautiful chunks of

210
00:15:31,110 --> 00:15:24,639
pink quartz embedded in this

211
00:15:35,670 --> 00:15:33,509
here's a better view of the capstone

212
00:15:37,590 --> 00:15:35,680
notice all the pink and white quartz

213
00:15:59,030 --> 00:15:37,600

that are embedded in it

214

00:16:03,910 --> 00:16:01,350
notice that the stone on the left

215

00:16:18,550 --> 00:16:03,920
doesn't even touch the capstone so it's

216

00:16:23,749 --> 00:16:21,030
hi we're standing at the very tip top of

217

00:16:26,550 --> 00:16:23,759
the macro slate pit area

218

00:16:29,749 --> 00:16:26,560
and i'm going to take the ego out of

219

00:16:32,550 --> 00:16:29,759
this meditation and simply let the

220

00:16:35,430 --> 00:16:32,560
camera show you the beauty of this area

221

00:16:36,949 --> 00:16:35,440
as i do a couple of channelings for you

222

00:16:38,790 --> 00:16:36,959
be sure and keep your eye out for the

223

00:16:40,389 --> 00:16:38,800
swallows because they're really flying

224

00:16:43,670 --> 00:16:40,399
around this morning before they get

225

00:16:45,910 --> 00:16:43,680
ready to head off for the autumn to to

226

00:16:47,509 --> 00:16:45,920

north africa i believe they go to so

227

00:16:57,110 --> 00:16:47,519

keep your eye out for swallows and

228

00:17:03,829 --> 00:17:01,110

we are the tua d'ida we are beings of

229

00:17:07,029 --> 00:17:03,839

the light and we send love to all who

230

00:17:09,909 --> 00:17:07,039

read these words and hear these words

231

00:17:12,309 --> 00:17:09,919

before the great pyramid was constructed

232

00:17:15,669 --> 00:17:12,319

before stonehenge was erected in its

233

00:17:18,789 --> 00:17:15,679

first incarnation and before the great

234

00:17:21,750 --> 00:17:18,799

greek and roman cultures flourished it

235

00:17:25,029 --> 00:17:21,760

was we who built new grange

236

00:17:28,470 --> 00:17:25,039

we disappeared into a safe dimension a

237

00:17:31,510 --> 00:17:28,480

secure level of existence when humankind

238

00:17:33,510 --> 00:17:31,520

veered from nature's path and thus from

239

00:17:34,630 --> 00:17:33,520

god's intent

240

00:17:37,110 --> 00:17:34,640

however

241

00:17:37,909 --> 00:17:37,120

we will soon be back in the world you

242

00:17:41,190 --> 00:17:37,919

know

243

00:17:42,549 --> 00:17:41,200

not to take it from you nor to conquer

244

00:17:44,710 --> 00:17:42,559

but to share

245

00:17:47,270 --> 00:17:44,720

to help to heal

246

00:17:50,070 --> 00:17:47,280

to teach and to learn

247

00:17:55,430 --> 00:17:50,080

and there is so much you can give us as

248

00:18:00,150 --> 00:17:57,350

we always knew we would come back

249

00:18:03,029 --> 00:18:00,160

someday when the mundane dimension which

250

00:18:05,830 --> 00:18:03,039

we could not bear was about to give way

251
00:18:07,350 --> 00:18:05,840
to a higher frequency which is like home

252
00:18:10,470 --> 00:18:07,360
to us

253
00:18:12,950 --> 00:18:10,480
in fact the world you know was our home

254
00:18:15,350 --> 00:18:12,960
since before recorded history

255
00:18:17,270 --> 00:18:15,360
that was before the mundane frequency

256
00:18:19,990 --> 00:18:17,280
became dominant

257
00:18:23,190 --> 00:18:20,000
our days would be as even

258
00:18:26,470 --> 00:18:23,200
to use one of your terms but then greed

259
00:18:27,510 --> 00:18:26,480
became good and power became king and we

260
00:18:29,669 --> 00:18:27,520
left

261
00:18:32,310 --> 00:18:29,679
but we did not leave

262
00:18:35,029 --> 00:18:32,320
that is not a contradiction we stayed

263
00:18:39,830 --> 00:18:35,039

with our mother planet but we did not

264

00:18:44,789 --> 00:18:42,310

during the millennia when we lived in

265

00:18:47,750 --> 00:18:44,799

our other dimensional refuge we

266

00:18:49,590 --> 00:18:47,760

encountered space aliens who had the

267

00:18:52,070 --> 00:18:49,600

means to travel to other earth

268

00:18:53,990 --> 00:18:52,080

dimensions as well as to the physical

269

00:18:56,310 --> 00:18:54,000

earth plane

270

00:18:59,270 --> 00:18:56,320

since we had come from the sky according

271

00:19:01,430 --> 00:18:59,280

to our own legends we felt kindred to

272

00:19:06,549 --> 00:19:01,440

these space aliens who were also

273

00:19:09,990 --> 00:19:07,669

however

274

00:19:12,710 --> 00:19:10,000

some of these aliens proved to be not of

275

00:19:15,110 --> 00:19:12,720

the life there were battles with them

276

00:19:16,710 --> 00:19:15,120

battles more of mind and soul than

277

00:19:19,190 --> 00:19:16,720

physical battles

278

00:19:22,150 --> 00:19:19,200

we soon found that the positive space

279

00:19:24,310 --> 00:19:22,160

aliens were more than friends they were

280

00:19:26,870 --> 00:19:24,320

like brothers and sisters to us in our

281

00:19:29,510 --> 00:19:26,880

battle to rid our other dimensional

282

00:19:32,549 --> 00:19:29,520

refuge of the negative aliens who had

283

00:19:34,549 --> 00:19:32,559

gotten a foothold there

284

00:19:36,870 --> 00:19:34,559

the positive space aliens fought our

285

00:19:38,470 --> 00:19:36,880

battles with us and often guided and

286

00:19:41,190 --> 00:19:38,480

protected us

287

00:19:44,630 --> 00:19:41,200

we sometimes could do the same for them

288

00:19:47,830 --> 00:19:44,640

a great alliance a linkage and love

289

00:19:51,350 --> 00:19:47,840

arose between us and the aliens of the

290

00:19:57,990 --> 00:19:51,360

light today you can hardly tell us apart

291

00:19:58,000 --> 00:20:03,750

we are the tua didanan

292

00:20:03,760 --> 00:20:11,190

and we close with our unconditional love

293

00:20:19,029 --> 00:20:14,789

star people this is tybus

294

00:20:23,110 --> 00:20:21,590

a psychic gift which star people tend to

295

00:20:25,190 --> 00:20:23,120

take for granted

296

00:20:26,789 --> 00:20:25,200

is their empathy with animals and with

297

00:20:29,190 --> 00:20:26,799

nature

298

00:20:31,110 --> 00:20:29,200

you see an animal on the street

299

00:20:32,549 --> 00:20:31,120

and a clear message comes to you from

300

00:20:34,549 --> 00:20:32,559

that animal

301

00:20:36,950 --> 00:20:34,559

someone who is less psychically

302

00:20:38,710 --> 00:20:36,960

sensitive passes the same animal and

303

00:20:40,710 --> 00:20:38,720

receives nothing

304

00:20:42,950 --> 00:20:40,720

you take a walk in a meadow and you

305

00:20:46,070 --> 00:20:42,960

receive an impression from that medal as

306

00:20:47,669 --> 00:20:46,080

a living breathing ecosystem

307

00:20:50,549 --> 00:20:47,679

someone else walks through it and

308

00:20:53,270 --> 00:20:50,559

receives nothing

309

00:20:55,990 --> 00:20:53,280

this gift of feeling what another life

310

00:20:58,230 --> 00:20:56,000

form is feeling is a precious gift and

311

00:21:01,190 --> 00:20:58,240

it is every bit as meaningful and as

312

00:21:03,830 --> 00:21:01,200

important as the more flashy psychic

313

00:21:06,230 --> 00:21:03,840

gift of predicting what film actor will

314

00:21:08,950 --> 00:21:06,240

divorce what other filmmaker

315

00:21:11,430 --> 00:21:08,960

in fact the gift of psychic psychic

316

00:21:13,990 --> 00:21:11,440

empathy is more cherished but the

317

00:21:17,110 --> 00:21:14,000

mundane world can only understand psyche

318

00:21:19,510 --> 00:21:17,120

in terms of silly mundane predictions

319

00:21:22,149 --> 00:21:19,520

we strongly suggest that you go to an

320

00:21:25,029 --> 00:21:22,159

animal you do not already know well and

321

00:21:27,110 --> 00:21:25,039

see what he or she says to you

322

00:21:29,510 --> 00:21:27,120

i need more exercise

323

00:21:31,510 --> 00:21:29,520

i miss having a human friend

324

00:21:33,750 --> 00:21:31,520

i love the sunshine

325

00:21:36,950 --> 00:21:33,760

or more complicated

326

00:21:40,149 --> 00:21:36,960

or go to an ecosystem in nature a metal

327

00:21:41,909 --> 00:21:40,159

a glen a mountain a hillside a river a

328

00:21:44,549 --> 00:21:41,919

seashore a park

329

00:21:57,190 --> 00:21:44,559

and see what this personified area says

330

00:22:02,230 --> 00:21:59,590

obviously you have already communicated

331

00:22:04,230 --> 00:22:02,240

intimately with your own special area so

332

00:22:06,789 --> 00:22:04,240

we are referring to an area other than

333

00:22:09,029 --> 00:22:06,799

the special place this suggestion may

334

00:22:11,110 --> 00:22:09,039

seem repetitive to you because star

335

00:22:13,909 --> 00:22:11,120

people already do these things as we've

336

00:22:16,470 --> 00:22:13,919

just said but this time do it formally

337

00:22:18,630 --> 00:22:16,480

and with forethought do it on purpose

338

00:22:21,270 --> 00:22:18,640

and watch what is happening psychically

339

00:22:23,510 --> 00:22:21,280

as you do it the psychic reaction is not

340

00:22:25,110 --> 00:22:23,520

a flashy one and you can barely discern

341

00:22:27,510 --> 00:22:25,120

it from normal thought

342

00:22:30,149 --> 00:22:27,520

but it is input from beyond the

343

00:22:33,270 --> 00:22:30,159

practical daily mental input

344

00:22:36,149 --> 00:22:33,280

then stop to meditate on your star

345

00:22:38,470 --> 00:22:36,159

guardian's contact being very similar

346

00:22:40,950 --> 00:22:38,480

this goes for other higher beings

347

00:22:42,549 --> 00:22:40,960

contact also of course

348

00:22:44,470 --> 00:22:42,559

some of you look for a flash of

349

00:22:45,909 --> 00:22:44,480

lightning when your star guardian is

350

00:22:48,710 --> 00:22:45,919

contacting you

351

00:22:51,669 --> 00:22:48,720

thus it seems not to happen too often

352

00:22:54,230 --> 00:22:51,679

when in fact the contact contact is like

353

00:22:56,710 --> 00:22:54,240

the nose on your face it is there but

354

00:22:59,029 --> 00:22:56,720

you fail to perceive it just like the

355

00:23:00,710 --> 00:22:59,039

person who hears or feels nothing when

356

00:23:03,190 --> 00:23:00,720

he walks through the meadow

357

00:23:05,990 --> 00:23:03,200

we know you want to re perceive our

358

00:23:08,710 --> 00:23:06,000

contact but you must trust yourself and

359

00:23:11,430 --> 00:23:08,720

learn to perceive it even when there has

360

00:23:14,149 --> 00:23:11,440

been clear contact you may feel it has

361

00:23:17,190 --> 00:23:14,159

faded away at times and so this message

362

00:23:20,710 --> 00:23:17,200

applies to you as well we are there we

363

00:23:22,710 --> 00:23:20,720

are here for you and we are with you

364

00:23:42,070 --> 00:23:22,720

may the healing light of god and

365

00:23:42,080 --> 00:23:55,750

since love is

366

00:23:59,990 --> 00:23:58,310

hi i'm here at the ahini

367

00:24:05,669 --> 00:24:00,000

high crosses

368

00:24:07,990 --> 00:24:05,679

back to the 100s or perhaps before

369

00:24:09,909 --> 00:24:08,000

nobody's really quite sure they're from

370

00:24:12,070 --> 00:24:09,919

the celtic catholic church rather than

371

00:24:14,310 --> 00:24:12,080

the roman catholic church and they were

372

00:24:18,070 --> 00:24:14,320

hand carved by monks

373

00:24:19,190 --> 00:24:18,080

in the haunted ireland book i mentioned

374

00:24:20,870 --> 00:24:19,200

that

375

00:24:21,990 --> 00:24:20,880

one of the crosses in particular is

376

00:24:23,590 --> 00:24:22,000

haunted

377

00:24:30,789 --> 00:24:23,600

and we'll take a closer look at them in

378

00:24:36,870 --> 00:24:33,669

as you can see this high cross has a

379

00:24:40,549 --> 00:24:36,880

capstone perfectly in place

380

00:24:42,950 --> 00:24:40,559

and there are very minute uh inscribing

381

00:24:44,950 --> 00:24:42,960

and sculpturing on the cross it's been

382

00:24:48,950 --> 00:24:44,960

worn away by the weather

383

00:24:51,110 --> 00:24:48,960

but you can still see the world

384

00:25:27,909 --> 00:24:51,120

similar to the book of kells kind of

385

00:25:33,029 --> 00:25:30,549

now as you can see this high cross

386

00:25:35,269 --> 00:25:33,039

doesn't have its original capstone

387

00:25:37,510 --> 00:25:35,279

and the local story says that the farmer

388

00:25:40,789 --> 00:25:37,520

across the road decided to take this

389

00:25:43,110 --> 00:25:40,799

capstone to prop up some machinery so he

390

00:25:45,590 --> 00:25:43,120

came over here and he started to take

391

00:25:47,909 --> 00:25:45,600

the capstone he looked over to his house

392

00:25:49,669 --> 00:25:47,919

and saw it was on fire so he left the

393

00:25:51,990 --> 00:25:49,679

capstone and he ran to his house when he

394

00:25:54,149 --> 00:25:52,000

got there it wasn't on fire so he came

395

00:25:56,870 --> 00:25:54,159

back he said well that was funny so he

396

00:25:59,110 --> 00:25:56,880

went ahead to get the stone and he got

397

00:26:01,750 --> 00:25:59,120

it started to get it down and he looked

398

00:26:03,590 --> 00:26:01,760

over oh my gosh his house was on fire so

399

00:26:05,269 --> 00:26:03,600

he dropped the capstone and it cracked

400

00:26:07,669 --> 00:26:05,279

and he ran over to his house and there

401
00:26:08,950 --> 00:26:07,679
was nothing he was fine so the third

402
00:26:10,630 --> 00:26:08,960
time he came over he says i'm going to

403
00:26:12,470 --> 00:26:10,640
get the stone this time

404
00:26:14,390 --> 00:26:12,480
he picked up the two parts and he walked

405
00:26:17,269 --> 00:26:14,400
to a thousand when he got there it was

406
00:26:19,110 --> 00:26:17,279
nothing but a smoldering

407
00:26:24,789 --> 00:26:19,120
nothing just

408
00:26:28,149 --> 00:26:26,789
now we're at the

409
00:26:31,029 --> 00:26:28,159
high cross

410
00:26:32,549 --> 00:26:31,039
now you'll notice that this capstone is

411
00:26:35,029 --> 00:26:32,559
in place so there hasn't been any

412
00:26:36,470 --> 00:26:35,039
thieving farmer at this site

413
00:26:38,870 --> 00:26:36,480

there's beautiful

414

00:26:40,630 --> 00:26:38,880

scroll work on this one as well

415

00:26:42,710 --> 00:26:40,640

and i'll let you take a look at it and

416

00:26:44,789 --> 00:26:42,720

then we're going to go over and see the

417

00:27:35,430 --> 00:26:44,799

kilcar holy well which is just over

418

00:27:35,440 --> 00:27:56,230

so

419

00:27:59,110 --> 00:27:57,909

look what we found on the way to the

420

00:28:10,789 --> 00:27:59,120

holy well

421

00:28:30,470 --> 00:28:14,950

and here are old pre-christian vessels

422

00:28:30,480 --> 00:28:35,669

and here is think karen's holy well

423

00:28:40,310 --> 00:28:37,990

this water has been used to cure

424

00:28:44,310 --> 00:28:40,320

headaches and other diseases and

425

00:28:46,470 --> 00:28:44,320

ailments since long before christianity

426

00:28:49,110 --> 00:28:46,480

now it's used by christianity as well

427

00:28:51,430 --> 00:28:49,120

which is a beautiful blending of the two

428

00:28:53,830 --> 00:28:51,440

and over here

429

00:28:57,510 --> 00:28:53,840

we have the holy water font

430

00:28:57,520 --> 00:29:07,590

the water feels very warm and soft

431

00:29:12,950 --> 00:29:09,830

here we are at ahervilla

432

00:29:15,269 --> 00:29:12,960

it's a very old fortress probably from

433

00:29:17,510 --> 00:29:15,279

around the nine or ten hundreds

434

00:29:18,470 --> 00:29:17,520

and you can see in the main building

435

00:29:19,350 --> 00:29:18,480

here

436

00:29:22,230 --> 00:29:19,360

that

437

00:29:23,830 --> 00:29:22,240

the windows are long and narrow because

438

00:29:25,990 --> 00:29:23,840

in those days they only had bow and

439

00:29:27,990 --> 00:29:26,000

arrows so the people inside felt

440

00:29:30,630 --> 00:29:28,000

protected by the narrow windows because

441

00:29:33,269 --> 00:29:30,640

an arrow was less likely to hit the mark

442

00:29:35,350 --> 00:29:33,279

by going through the narrow window

443

00:29:37,510 --> 00:29:35,360

now in a minute we'll take you inside

444

00:30:20,230 --> 00:29:37,520

this building and also back to the round

445

00:30:20,240 --> 00:31:00,789

here we are inside the round tower

446

00:31:05,350 --> 00:31:03,350

apparently the round tower was used as a

447

00:31:07,269 --> 00:31:05,360

lookout post and they think that it used

448

00:31:09,350 --> 00:31:07,279

to be much taller

449

00:31:11,269 --> 00:31:09,360

uh in later years it was used for grain

450

00:31:12,230 --> 00:31:11,279

storage say three or four hundred years

451
00:31:13,990 --> 00:31:12,240
ago

452
00:31:15,830 --> 00:31:14,000
but right now i'm standing at the

453
00:31:18,789 --> 00:31:15,840
entrance to the main

454
00:31:25,430 --> 00:31:18,799
fortress at ahervilla let's go inside

455
00:31:29,430 --> 00:31:27,350
now here's the window that the arrow

456
00:31:30,830 --> 00:31:29,440
would have trouble zinging through

457
00:31:33,590 --> 00:31:30,840
from the

458
00:31:35,029 --> 00:31:33,600
inside and you can see

459
00:31:37,509 --> 00:31:35,039
how

460
00:31:38,710 --> 00:31:37,519
haunted and ancient the rest of this

461
00:31:40,310 --> 00:31:38,720
place is

462
00:31:42,310 --> 00:31:40,320
inside

463
00:31:44,710 --> 00:31:42,320

the light is spraying through those tiny

464

00:32:54,310 --> 00:31:44,720

windows and archways

465

00:33:09,509 --> 00:32:56,389

how would you like to climb steps like

466

00:33:14,149 --> 00:33:11,909

hello we're up here in county temporary

467

00:33:15,110 --> 00:33:14,159

near the town of ballengary

468

00:33:17,750 --> 00:33:15,120

and

469

00:33:19,430 --> 00:33:17,760

we're here to investigate a ufo sighting

470

00:33:20,950 --> 00:33:19,440

that happened last week

471

00:33:22,630 --> 00:33:20,960

i'll have to leave my thistle here i've

472

00:33:24,789 --> 00:33:22,640

fallen in love with it but i'll get on

473

00:33:26,310 --> 00:33:24,799

with business

474

00:33:29,269 --> 00:33:26,320

last week

475

00:33:31,430 --> 00:33:29,279

a farmer was out in his field

476

00:33:34,230 --> 00:33:31,440

and he was cutting what's called here

477

00:33:37,190 --> 00:33:34,240

ragboard and i'll show you

478

00:33:38,710 --> 00:33:37,200

it's i believe what's called ragweed in

479

00:33:40,389 --> 00:33:38,720

the states

480

00:33:41,430 --> 00:33:40,399

anyway he was cutting the ragwort

481

00:33:43,909 --> 00:33:41,440

because

482

00:33:46,310 --> 00:33:43,919

they say that if a farmer has ragwort

483

00:33:47,590 --> 00:33:46,320

and he's filled he's a bad farmer

484

00:33:50,149 --> 00:33:47,600

so he was

485

00:33:52,950 --> 00:33:50,159

was uh just whacking away at all the

486

00:33:56,070 --> 00:33:52,960

ragbart in his field and incidentally

487

00:33:59,029 --> 00:33:56,080

you'll have to excuse the flies here

488

00:34:01,669 --> 00:33:59,039

um the this field seems to be alive with

489

00:34:04,389 --> 00:34:01,679

them that's because cows are nearby

490

00:34:06,630 --> 00:34:04,399

but at any rate he was out about the

491

00:34:07,750 --> 00:34:06,640

same time as we are here about 7 30 in

492

00:34:08,710 --> 00:34:07,760

the evening

493

00:34:11,750 --> 00:34:08,720

and

494

00:34:14,629 --> 00:34:11,760

he looked over to that hedge

495

00:34:17,589 --> 00:34:14,639

uh it's a there's a small maple-ish

496

00:34:20,550 --> 00:34:17,599

leafed looking bush over there

497

00:34:22,230 --> 00:34:20,560

he looked over and he saw he heard of

498

00:34:24,149 --> 00:34:22,240

russell he said

499

00:34:26,310 --> 00:34:24,159

and a small

500

00:34:27,829 --> 00:34:26,320

man about three feet tall

501
00:34:30,550 --> 00:34:27,839
came through

502
00:34:31,990 --> 00:34:30,560
that hedge just walked through

503
00:34:34,069 --> 00:34:32,000
he said he may have come through a

504
00:34:35,829 --> 00:34:34,079
little bit easier than a human being can

505
00:34:37,990 --> 00:34:35,839
actually get through that

506
00:34:40,389 --> 00:34:38,000
almost as if perhaps he was walking

507
00:34:43,909 --> 00:34:40,399
through the molecules of the leaves

508
00:34:46,310 --> 00:34:43,919
now this man's name is donald he doesn't

509
00:34:49,589 --> 00:34:46,320
want the rest of his name used

510
00:34:52,710 --> 00:34:49,599
he's 65 he doesn't drink

511
00:34:54,790 --> 00:34:52,720
and he seems very intelligent and sober

512
00:34:57,109 --> 00:34:54,800
he's uh a man of the people he isn't

513
00:34:59,349 --> 00:34:57,119

highly educated but he's very believable

514

00:35:01,829 --> 00:34:59,359

and very intelligent

515

00:35:03,430 --> 00:35:01,839

so i find him to be a credible witness

516

00:35:04,390 --> 00:35:03,440

now the little man

517

00:35:05,829 --> 00:35:04,400

he said

518

00:35:08,710 --> 00:35:05,839

had on

519

00:35:11,349 --> 00:35:08,720

he he had heard his

520

00:35:13,510 --> 00:35:11,359

parents talk about fairies but he never

521

00:35:15,589 --> 00:35:13,520

really quite believed in him

522

00:35:18,150 --> 00:35:15,599

and he said besides this little man had

523

00:35:20,310 --> 00:35:18,160

on something like an orange dancing suit

524

00:35:23,190 --> 00:35:20,320

and he knew that fairies were

525

00:35:24,150 --> 00:35:23,200

you know green rustic suits that was his

526
00:35:26,630 --> 00:35:24,160
logic

527
00:35:28,790 --> 00:35:26,640
and the closer the little thing came or

528
00:35:31,510 --> 00:35:28,800
the little creature the more convinced

529
00:35:34,710 --> 00:35:31,520
he was it wasn't a fairy he just

530
00:35:37,750 --> 00:35:34,720
felt a space alien presence and yet this

531
00:35:39,990 --> 00:35:37,760
man donald is not interested in

532
00:35:43,670 --> 00:35:40,000
ufos in space but he even used the word

533
00:35:45,510 --> 00:35:43,680
he says i just knew he was a space alien

534
00:35:48,069 --> 00:35:45,520
the little man had on an orange he

535
00:35:50,470 --> 00:35:48,079
called it like a dancing suit but the

536
00:35:52,950 --> 00:35:50,480
closest i could uh come to was that it

537
00:35:54,390 --> 00:35:52,960
was a jumpsuit kind of thing

538
00:35:55,910 --> 00:35:54,400

in orange

539

00:35:57,750 --> 00:35:55,920

the little creature walked closer and

540

00:35:58,790 --> 00:35:57,760

closer to him and donald got more and

541

00:36:01,349 --> 00:35:58,800

more

542

00:36:03,349 --> 00:36:01,359

scared now he said he wasn't scared like

543

00:36:05,750 --> 00:36:03,359

somebody was coming at him with a knife

544

00:36:08,069 --> 00:36:05,760

but he was scared as if he was

545

00:36:09,910 --> 00:36:08,079

encountering something entirely unknown

546

00:36:12,550 --> 00:36:09,920

which i think is a very good description

547

00:36:13,910 --> 00:36:12,560

his just his whole being just panicked

548

00:36:16,550 --> 00:36:13,920

and the next thing he knew the little

549

00:36:19,589 --> 00:36:16,560

man got within about he said about this

550

00:36:22,310 --> 00:36:19,599

close to him just walked right up like a

551
00:36:23,510 --> 00:36:22,320
uh an animal might just walk up to you

552
00:36:26,069 --> 00:36:23,520
and then

553
00:36:28,710 --> 00:36:26,079
donald lost consciousness he apparently

554
00:36:30,710 --> 00:36:28,720
just fainted or perhaps the creature

555
00:36:33,270 --> 00:36:30,720
did something to him to make him pass

556
00:36:40,950 --> 00:36:34,790
now we'll go on with the rest of the

557
00:36:44,390 --> 00:36:43,349
we're now about 50 feet away from where

558
00:36:46,150 --> 00:36:44,400
we were

559
00:36:47,910 --> 00:36:46,160
and i just have to

560
00:36:49,750 --> 00:36:47,920
to mention here i'm standing beside the

561
00:36:51,750 --> 00:36:49,760
most lovely scotch broom

562
00:36:54,150 --> 00:36:51,760
bush it has yellow

563
00:36:56,230 --> 00:36:54,160

flowers in the springtime and it was

564

00:36:57,030 --> 00:36:56,240

used by the ancients for herbal purposes

565

00:36:59,829 --> 00:36:57,040

it's

566

00:37:02,470 --> 00:36:59,839

got great verbal properties and right

567

00:37:04,790 --> 00:37:02,480

now it's got its pods here it even

568

00:37:08,230 --> 00:37:04,800

makes a nice shaking sound

569

00:37:11,430 --> 00:37:08,240

anyway i keep getting distracted

570

00:37:13,910 --> 00:37:11,440

so donald woke up he has really no idea

571

00:37:16,550 --> 00:37:13,920

how much later i'll tell you in a minute

572

00:37:19,430 --> 00:37:16,560

the time frame of this whole thing but

573

00:37:20,470 --> 00:37:19,440

he woke up it was dark now the sun goes

574

00:37:25,270 --> 00:37:20,480

down

575

00:37:28,950 --> 00:37:25,280

o'clock here so

576

00:37:31,990 --> 00:37:28,960

he uh it was dark when he woke up

577

00:37:34,390 --> 00:37:32,000

he woke up over by this little uh water

578

00:37:37,030 --> 00:37:34,400

pump uh shed that's a

579

00:37:39,270 --> 00:37:37,040

casing that holds a water pump

580

00:37:41,190 --> 00:37:39,280

for the cows in the pasture that little

581

00:37:43,190 --> 00:37:41,200

cement box there

582

00:37:46,870 --> 00:37:43,200

he woke up next to it sort of propped up

583

00:37:51,430 --> 00:37:49,109

and he had a bad headache

584

00:37:53,030 --> 00:37:51,440

but he noticed

585

00:37:55,430 --> 00:37:53,040

well later on i'm getting ahead of the

586

00:37:57,589 --> 00:37:55,440

story but he apparently he had cut

587

00:38:00,630 --> 00:37:57,599

himself with the side that he was using

588

00:38:03,109 --> 00:38:00,640

to cut the rag with earlier and

589

00:38:05,750 --> 00:38:03,119

miraculously he noticed the next morning

590

00:38:07,510 --> 00:38:05,760

that that cut had healed but at the

591

00:38:09,109 --> 00:38:07,520

moment he woke up he had a terrible

592

00:38:12,630 --> 00:38:09,119

headache

593

00:38:15,589 --> 00:38:12,640

he looked over about 50 feet away

594

00:38:17,829 --> 00:38:15,599

to where he had first been cutting

595

00:38:20,870 --> 00:38:17,839

ragwork where he saw the the little

596

00:38:24,790 --> 00:38:20,880

creature and he saw a round

597

00:38:27,349 --> 00:38:24,800

silverish craft or a oblong round he

598

00:38:29,829 --> 00:38:27,359

said egg-shaped only

599

00:38:32,710 --> 00:38:29,839

flat not not an entire egg

600

00:38:34,790 --> 00:38:32,720

and it glowed with a silver light

601
00:38:36,470 --> 00:38:34,800
and at first all he could think of was

602
00:38:37,829 --> 00:38:36,480
one of those child's

603
00:38:40,310 --> 00:38:37,839
birthday balloons that's sort of

604
00:38:42,790 --> 00:38:40,320
aluminum or whatever the but they're

605
00:38:45,430 --> 00:38:42,800
silver but he said it was much much

606
00:38:48,550 --> 00:38:45,440
bigger it's as big as a car a large car

607
00:38:49,430 --> 00:38:48,560
and it seemed to be hovering in the spot

608
00:38:51,109 --> 00:38:49,440
where

609
00:38:52,069 --> 00:38:51,119
the little man had first walked up to

610
00:38:53,430 --> 00:38:52,079
him

611
00:38:55,030 --> 00:38:53,440
and then

612
00:38:58,630 --> 00:38:55,040
as he was watching it

613
00:39:01,670 --> 00:38:58,640

it began to rise very slowly at first

614

00:39:03,990 --> 00:39:01,680

and he thought he could see windows

615

00:39:06,790 --> 00:39:04,000

uh round windows but they were more on

616

00:39:07,990 --> 00:39:06,800

the other side rather than facing him he

617

00:39:10,630 --> 00:39:08,000

just saw

618

00:39:12,550 --> 00:39:10,640

uh like a half a window on

619

00:39:14,069 --> 00:39:12,560

he just somehow perceived that they were

620

00:39:16,390 --> 00:39:14,079

probably windows but they weren't

621

00:39:18,470 --> 00:39:16,400

directly facing him

622

00:39:20,790 --> 00:39:18,480

and then after it got to a certain

623

00:39:23,109 --> 00:39:20,800

height above the trees it took off in a

624

00:39:25,349 --> 00:39:23,119

tremendous just upward at a tremendous

625

00:39:26,829 --> 00:39:25,359

rate and he says then i knew it wasn't a

626

00:39:29,510 --> 00:39:26,839

child's birthday

627

00:39:32,550 --> 00:39:29,520

balloon now we've looked at the landing

628

00:39:34,550 --> 00:39:32,560

site where he saw it which is the 50

629

00:39:36,390 --> 00:39:34,560

feet away where we first started and i'd

630

00:39:38,870 --> 00:39:36,400

like to go back there and show you the

631

00:39:40,870 --> 00:39:38,880

only evidence of it well which isn't

632

00:39:44,310 --> 00:39:40,880

much but we'll take a look at the

633

00:39:47,670 --> 00:39:46,790

now here we are at the landing site

634

00:39:50,310 --> 00:39:47,680

again

635

00:39:52,790 --> 00:39:50,320

now it's not the most impressive circle

636

00:39:55,510 --> 00:39:52,800

or landing site in the world but it's

637

00:39:57,910 --> 00:39:55,520

interesting in several respects

638

00:40:00,150 --> 00:39:57,920

two days after this happened a professor

639

00:40:01,430 --> 00:40:00,160

from university college dublin that's

640

00:40:02,790 --> 00:40:01,440

ucd

641

00:40:04,069 --> 00:40:02,800

came down

642

00:40:06,470 --> 00:40:04,079

and

643

00:40:09,190 --> 00:40:06,480

noticed several things he said it had an

644

00:40:13,190 --> 00:40:09,200

unusual electromagnetic reading

645

00:40:15,750 --> 00:40:13,200

around the squirrel the outer swirl

646

00:40:17,190 --> 00:40:15,760

but he noticed that the inside of it not

647

00:40:19,670 --> 00:40:17,200

only wasn't

648

00:40:22,790 --> 00:40:19,680

matted down but there were little bushes

649

00:40:25,270 --> 00:40:22,800

that were left still standing and he

650

00:40:26,550 --> 00:40:25,280

said whatever it was apparently had an

651
00:40:28,150 --> 00:40:26,560
uh strange

652
00:40:30,230 --> 00:40:28,160
electromagnetism

653
00:40:32,630 --> 00:40:30,240
around the outer ring

654
00:40:34,630 --> 00:40:32,640
but had none to speak of in the middle

655
00:40:37,349 --> 00:40:34,640
and of course this would be consistent

656
00:40:39,510 --> 00:40:37,359
with ufo sightings that have seen an

657
00:40:41,270 --> 00:40:39,520
outer rotating ring

658
00:40:42,950 --> 00:40:41,280
whereas the middle seems to be more

659
00:40:45,109 --> 00:40:42,960
solid

660
00:40:47,190 --> 00:40:45,119
now as for our friend donald

661
00:40:48,310 --> 00:40:47,200
he says he'd really like to forget the

662
00:40:49,910 --> 00:40:48,320
whole thing

663
00:40:52,550 --> 00:40:49,920

he says he feels there was a little bit

664

00:40:54,390 --> 00:40:52,560

of good and a little bit of bad the bad

665

00:40:57,109 --> 00:40:54,400

thing was he got a terrible fright and a

666

00:40:59,270 --> 00:40:57,119

terrible headache but the good thing was

667

00:41:01,670 --> 00:40:59,280

a fairly nasty cut that he had on his

668

00:41:04,630 --> 00:41:01,680

hand was healed the next day

669

00:41:05,430 --> 00:41:04,640

so with a certain resigned humor he says

670

00:41:07,349 --> 00:41:05,440

well

671

00:41:09,349 --> 00:41:07,359

you know he just as soon forget about it

672

00:41:11,109 --> 00:41:09,359

he feels that he came out even in that

673

00:41:12,390 --> 00:41:11,119

one

674

00:41:17,430 --> 00:41:12,400

so this is

675

00:41:23,910 --> 00:41:20,630

here i am at the wine gap cemetery

676
00:41:25,589 --> 00:41:23,920
and it's an extra beautiful cemetery so

677
00:41:27,829 --> 00:41:25,599
i'm going to let you take a look around

678
00:41:29,750 --> 00:41:27,839
and note the white courts that line the

679
00:41:31,030 --> 00:41:29,760
whole walkway here up to the top of the

680
00:41:33,430 --> 00:41:31,040
hillside

681
00:42:26,470 --> 00:41:33,440
and after you've taken a look around

682
00:42:31,109 --> 00:42:29,030
now there is the village of wine gap

683
00:42:32,069 --> 00:42:31,119
there is a forest preserve just beyond

684
00:42:35,349 --> 00:42:32,079
it

685
00:42:48,309 --> 00:42:35,359
and i live about a half a mile outside

686
00:42:54,069 --> 00:42:51,030
now here's the white quartz tower

687
00:42:55,910 --> 00:42:54,079
and it's at the very top of the cemetery

688
00:42:57,829 --> 00:42:55,920

and we'll go on up to it and i'll tell

689

00:43:06,630 --> 00:42:57,839

you of a ufo encounter i've been told

690

00:43:11,670 --> 00:43:09,750

here we are at the white courts tower

691

00:43:14,710 --> 00:43:11,680

now this is the same as the front of

692

00:43:16,550 --> 00:43:14,720

newgrange and i found that irish white

693

00:43:18,150 --> 00:43:16,560

quartz is the best thing for channeling

694

00:43:21,349 --> 00:43:18,160

and i know quite a few have ordered it

695

00:43:23,589 --> 00:43:21,359

from me and it's just lovely uh when you

696

00:43:26,630 --> 00:43:23,599

look at the individual pieces there are

697

00:43:29,190 --> 00:43:26,640

huge crystals in it both of the opaque

698

00:43:31,589 --> 00:43:29,200

white cords and also of clear cords and

699

00:43:33,270 --> 00:43:31,599

there is also the pink quartz that we

700

00:43:36,069 --> 00:43:33,280

mentioned at the harris town dolmen that

701
00:43:40,230 --> 00:43:36,079
was used so much by the ancients

702
00:43:42,790 --> 00:43:40,240
now the ufo account that happened here

703
00:43:45,190 --> 00:43:42,800
was when there was a

704
00:43:48,069 --> 00:43:45,200
family burying a loved one down in the

705
00:43:49,190 --> 00:43:48,079
cemetery it was about 10 30 on a monday

706
00:43:51,589 --> 00:43:49,200
morning

707
00:43:53,829 --> 00:43:51,599
it was in the winter time and there was

708
00:43:55,910 --> 00:43:53,839
about 20 witnesses to this i've talked

709
00:43:57,670 --> 00:43:55,920
to three of them they're mostly from the

710
00:44:00,150 --> 00:43:57,680
winegap area because they're the ones

711
00:44:02,470 --> 00:44:00,160
that use the cemetery

712
00:44:06,230 --> 00:44:02,480
what they saw they all agree

713
00:44:08,630 --> 00:44:06,240

was a round or an oval-shaped craft and

714

00:44:10,630 --> 00:44:08,640

it seemed to be hovering over this

715

00:44:11,750 --> 00:44:10,640

quartz tower which you see is at the top

716

00:44:13,990 --> 00:44:11,760

of the hill

717

00:44:15,510 --> 00:44:14,000

uh the cemetery is more nestled in the

718

00:44:17,990 --> 00:44:15,520

side of the hill

719

00:44:20,150 --> 00:44:18,000

it hovered over and they they looked up

720

00:44:22,470 --> 00:44:20,160

forgetting about the burial they said

721

00:44:25,030 --> 00:44:22,480

they washed it about three minutes it

722

00:44:27,109 --> 00:44:25,040

hubble hovered over this white quartz

723

00:44:29,349 --> 00:44:27,119

tower

724

00:44:31,030 --> 00:44:29,359

i said you know what size was it and

725

00:44:32,630 --> 00:44:31,040

apparently it was bigger than our friend

726

00:44:35,670 --> 00:44:32,640

donald's uh

727

00:44:38,150 --> 00:44:35,680

car size ufo they all agreed it was

728

00:44:39,910 --> 00:44:38,160

about the size of a double decker bus

729

00:44:41,910 --> 00:44:39,920

now double decker buses are used in

730

00:44:43,109 --> 00:44:41,920

dublin so that was a quick reference for

731

00:44:45,750 --> 00:44:43,119

them

732

00:44:48,710 --> 00:44:45,760

then they said when it took off

733

00:44:51,109 --> 00:44:48,720

it went well that way

734

00:44:53,829 --> 00:44:51,119

and just seemed to zoom away not at a

735

00:44:54,870 --> 00:44:53,839

hugely high speed it just

736

00:44:56,870 --> 00:44:54,880

kind of

737

00:44:58,550 --> 00:44:56,880

hummed away they said and they mentioned

738

00:45:02,069 --> 00:44:58,560

a humming noise

739

00:45:16,870 --> 00:45:02,079

and that's the winegas cemetery ufo

740

00:45:21,349 --> 00:45:18,950

greetings star people

741

00:45:23,030 --> 00:45:21,359

my name is gianna tessman for those of

742

00:45:25,030 --> 00:45:23,040

you who don't know me i'm dianne's

743

00:45:27,030 --> 00:45:25,040

daughter

744

00:45:29,109 --> 00:45:27,040

recently while traveling in san

745

00:45:31,750 --> 00:45:29,119

francisco and los angeles

746

00:45:34,950 --> 00:45:31,760

i had a couple of very strange but

747

00:45:37,430 --> 00:45:34,960

wonderful soul encounters of my very own

748

00:45:44,069 --> 00:45:37,440

which inspired me to pursue the same

749

00:45:47,990 --> 00:45:45,349

these events

750

00:45:51,589 --> 00:45:48,000

involved a rather new entity known as

751
00:45:54,390 --> 00:45:51,599
the high angel ephemera

752
00:45:55,510 --> 00:45:54,400
and she has a child message for all of

753
00:45:57,750 --> 00:45:55,520
you

754
00:46:00,069 --> 00:45:57,760
i channeled this message from her last

755
00:46:02,309 --> 00:46:00,079
night so i hope you don't mind i'll be

756
00:46:04,470 --> 00:46:02,319
reading it

757
00:46:06,790 --> 00:46:04,480
then in a moment diane and tylus will

758
00:46:08,230 --> 00:46:06,800
return

759
00:46:10,390 --> 00:46:08,240
first i'd just like to take this

760
00:46:12,630 --> 00:46:10,400
opportunity to say

761
00:46:15,270 --> 00:46:12,640
thanks to all of you

762
00:46:23,109 --> 00:46:15,280
for sharing this experience with us

763
00:46:32,790 --> 00:46:27,750

blessed be gathered the earth mother

765

00:46:42,390 --> 00:46:38,079

766

00:46:47,190 --> 00:46:44,710

be this godfather

767

00:46:48,950 --> 00:46:47,200

may his holy light bring health

768

00:46:51,270 --> 00:46:48,960

healing and protection

769

00:46:55,109 --> 00:46:51,280

770

00:47:02,470 --> 00:46:58,150

blessed be the universal law

771

00:47:02,480 --> 00:47:07,270

let it shine its power unto me

772

00:47:14,069 --> 00:47:11,589

let it fill your hearts with wisdom

773

00:47:16,230 --> 00:47:14,079

774

00:47:17,829 --> 00:47:16,240

and in your darkest hours of doubt in

775

00:47:22,390 --> 00:47:17,839

despair

776

00:47:27,270 --> 00:47:25,190

blessed be the animals upon gaia for

777

00:47:30,470 --> 00:47:27,280

they are the innocent children of the

778

00:47:36,390 --> 00:47:33,990

blessed be the future of humanity

779

00:47:39,990 --> 00:47:36,400

for you have come too far to turn back

780

00:47:49,910 --> 00:47:42,790

in love and light

781

00:47:56,069 --> 00:47:53,030

first off i want to thank my intrepid

782

00:47:58,309 --> 00:47:56,079

camerawoman my daughter gianna who's

783

00:48:01,109 --> 00:47:58,319

really quite an artist with the camera

784

00:48:02,470 --> 00:48:01,119

and for doing a very difficult job very

785

00:48:04,550 --> 00:48:02,480

very well

786

00:48:07,109 --> 00:48:04,560

you really wouldn't believe the trouble

787

00:48:08,390 --> 00:48:07,119

we've had making this video it seemed

788

00:48:11,190 --> 00:48:08,400

like it was

789

00:48:12,870 --> 00:48:11,200

dogged by negative energies

790

00:48:14,710 --> 00:48:12,880

as an example when we were at the

791

00:48:15,910 --> 00:48:14,720

natural slave pit

792

00:48:17,990 --> 00:48:15,920

yesterday

793

00:48:19,270 --> 00:48:18,000

and we were attempting to film the

794

00:48:21,750 --> 00:48:19,280

swallows

795

00:48:23,829 --> 00:48:21,760

sailing over the lake in

796

00:48:24,630 --> 00:48:23,839

peace and serenity

797

00:48:26,710 --> 00:48:24,640

and

798

00:48:28,470 --> 00:48:26,720

poor gianna was down on her stomach in

799

00:48:31,430 --> 00:48:28,480

the sharp place

800

00:48:33,270 --> 00:48:31,440

looking at the length of the camera well

801
00:48:34,630 --> 00:48:33,280
there is a part of the placement that is

802
00:48:35,750 --> 00:48:34,640
still pouring

803
00:48:38,710 --> 00:48:35,760
nearby

804
00:48:41,109 --> 00:48:38,720
and the man drove up in a big truck and

805
00:48:43,270 --> 00:48:41,119
started this bulldozer and we just we

806
00:48:45,750 --> 00:48:43,280
couldn't believe it we just had

807
00:48:48,470 --> 00:48:45,760
a terrible time but i feel that we've

808
00:48:50,950 --> 00:48:48,480
we've overcome at least the summit step

809
00:48:53,190 --> 00:48:50,960
i think to a pretty good one and looking

810
00:48:54,870 --> 00:48:53,200
back on it we really had a great time

811
00:48:56,549 --> 00:48:54,880
making it

812
00:48:59,109 --> 00:48:56,559
it was a time at least we'll always

813
00:49:06,549 --> 00:49:02,230

sitting before me here is a piece of

814

00:49:09,349 --> 00:49:06,559

white horse from down by not row

815

00:49:12,390 --> 00:49:09,359

and i'm going to be using it

816

00:49:13,589 --> 00:49:12,400

in my healing meditation for you star

817

00:49:16,309 --> 00:49:13,599

people

818

00:49:18,870 --> 00:49:16,319

and our star guardians will be of course

819

00:49:21,750 --> 00:49:18,880

with me on this one i was guided to get

820

00:49:23,510 --> 00:49:21,760

this particular piece and again i had to

821

00:49:26,950 --> 00:49:23,520

sort of overcome

822

00:49:28,470 --> 00:49:26,960

a lot of uh bad conditions to get it i

823

00:49:31,030 --> 00:49:28,480

wouldn't want to see me tracing through

824

00:49:32,630 --> 00:49:31,040

the bog trying to to get this one out of

825

00:49:34,950 --> 00:49:32,640

the creek bed

826

00:49:36,870 --> 00:49:34,960

uh that's down by nacro but it's got

827

00:49:39,190 --> 00:49:36,880

some beautiful

828

00:49:41,430 --> 00:49:39,200

uh crystals in it

829

00:49:42,870 --> 00:49:41,440

and it's a very powerful piece of white

830

00:49:45,430 --> 00:49:42,880

quartz and since

831

00:49:48,309 --> 00:49:45,440

the theme of the irish white horse that

832

00:49:50,870 --> 00:49:48,319

the druid juice so much has sort of run

833

00:49:52,710 --> 00:49:50,880

throughout this video because new range

834

00:49:54,390 --> 00:49:52,720

of course is

835

00:49:55,750 --> 00:49:54,400

the front of nuke range is covered in

836

00:49:57,910 --> 00:49:55,760

white quartz

837

00:50:00,390 --> 00:49:57,920

and i suppose the theme has run through

838

00:50:02,630 --> 00:50:00,400

the video because the theme runs through

839

00:50:05,910 --> 00:50:02,640

the mysticism of ireland

840

00:50:06,870 --> 00:50:05,920

the white horse is used uh on the the

841

00:50:08,710 --> 00:50:06,880

dolmen

842

00:50:09,990 --> 00:50:08,720

also the pink porch that we've pointed

843

00:50:13,589 --> 00:50:10,000

out

844

00:50:15,829 --> 00:50:13,599

it's a inaugural excavation site uh

845

00:50:17,750 --> 00:50:15,839

there was a uh it was very tempting

846

00:50:19,910 --> 00:50:17,760

actually to take a few but we didn't

847

00:50:22,950 --> 00:50:19,920

because we felt that would be uh

848

00:50:25,430 --> 00:50:22,960

a travesty a wrongdoing to take it from

849

00:50:27,430 --> 00:50:25,440

the actual side but there are chunks

850

00:50:28,710 --> 00:50:27,440

that was lined up that they have chipped

851
00:50:30,630 --> 00:50:28,720
away from

852
00:50:32,390 --> 00:50:30,640
they're just beginning to get down you

853
00:50:33,750 --> 00:50:32,400
see they are digging

854
00:50:37,510 --> 00:50:33,760
on the roof

855
00:50:38,870 --> 00:50:37,520
it's been covered by centuries and

856
00:50:40,230 --> 00:50:38,880
centuries of

857
00:50:44,150 --> 00:50:40,240
of

858
00:50:46,710 --> 00:50:44,160
dirt and bog and rain and debris

859
00:50:49,109 --> 00:50:46,720
and as they dig it out

860
00:50:52,390 --> 00:50:49,119
they're covering coming up with these

861
00:50:55,670 --> 00:50:52,400
white quartz chunks that are apparently

862
00:50:58,630 --> 00:50:55,680
covered the front or the entire body

863
00:51:00,790 --> 00:50:58,640

building of nacro as well

864

00:51:01,589 --> 00:51:00,800

so they're lined up there but we left

865

00:51:03,910 --> 00:51:01,599

them

866

00:51:06,390 --> 00:51:03,920

but the excavation is going very slowly

867

00:51:07,910 --> 00:51:06,400

because they're out of funds again they

868

00:51:10,150 --> 00:51:07,920

are funded by the

869

00:51:12,230 --> 00:51:10,160

european economic union

870

00:51:13,430 --> 00:51:12,240

but they're not giving much but every

871

00:51:15,430 --> 00:51:13,440

once in a while

872

00:51:16,710 --> 00:51:15,440

just about every summer maybe every

873

00:51:17,430 --> 00:51:16,720

other summer

874

00:51:19,670 --> 00:51:17,440

they

875

00:51:22,069 --> 00:51:19,680

get funds to continue working on it and

876

00:51:23,190 --> 00:51:22,079

i can't wait to see what is finally

877

00:51:25,670 --> 00:51:23,200

uncovered

878

00:51:27,910 --> 00:51:25,680

the original sonic soundings when they

879

00:51:30,470 --> 00:51:27,920

begin the excavation work

880

00:51:35,430 --> 00:51:30,480

indicated a building larger than new

881

00:51:42,710 --> 00:51:38,630

star people this is titus

882

00:51:48,870 --> 00:51:44,710

throughout these years

883

00:51:52,069 --> 00:51:48,880

you have meant so much to me personally

884

00:51:54,790 --> 00:51:52,079

and so much to us as a whole

885

00:52:02,630 --> 00:51:54,800

we could not have done our work without

886

00:52:07,750 --> 00:52:05,190

we are here because of you

887

00:52:09,190 --> 00:52:07,760

and in a sense you were here because of

888

00:52:10,230 --> 00:52:09,200

us

889

00:52:12,069 --> 00:52:10,240

but then

890

00:52:14,470 --> 00:52:12,079

we are one

891

00:52:17,510 --> 00:52:14,480

we are co-workers

892

00:52:19,750 --> 00:52:17,520

and we are on a mutual mission together

893

00:52:21,270 --> 00:52:19,760

from the beginning to the end when you

894

00:52:23,030 --> 00:52:21,280

will return

895

00:52:27,829 --> 00:52:23,040

to the home dimension and we shall

896

00:52:33,349 --> 00:52:31,349

but we know that living on mundane earth

897

00:52:37,349 --> 00:52:33,359

takes its toll

898

00:52:39,589 --> 00:52:37,359

believe me we are aware of this

899

00:52:41,510 --> 00:52:39,599

you may feel that we're not or that we

900

00:52:44,069 --> 00:52:41,520

have it easy

901
00:52:45,990 --> 00:52:44,079
and in a sense we do

902
00:52:48,069 --> 00:52:46,000
we have problems that you may not be

903
00:52:50,309 --> 00:52:48,079
aware of

904
00:52:52,390 --> 00:52:50,319
but you do have the rougher end of the

905
00:52:53,910 --> 00:52:52,400
mission

906
00:52:56,150 --> 00:52:53,920
and so

907
00:52:58,790 --> 00:52:56,160
we wish to send

908
00:53:02,710 --> 00:52:58,800
healing rays to you at this time

909
00:53:04,230 --> 00:53:02,720
as we do periodically from time to time

910
00:53:07,030 --> 00:53:04,240
so that

911
00:53:09,190 --> 00:53:07,040
you will be renewed and refreshed and so

912
00:53:11,750 --> 00:53:09,200
that you will be healed up whatever

913
00:53:13,190 --> 00:53:11,760

ailments have developed in your physical

914

00:53:16,230 --> 00:53:13,200

vessel

915

00:53:23,030 --> 00:53:16,240

as you attempt to live in this world and

916

00:53:31,190 --> 00:53:26,150

at this time we are sending you

917

00:53:36,069 --> 00:53:33,109

it is twinned

918

00:53:37,990 --> 00:53:36,079

with a beautiful deep

919

00:53:40,950 --> 00:53:38,000

rose healing gray

920

00:53:43,349 --> 00:53:40,960

the two run along together like twin sun

921

00:53:46,549 --> 00:53:43,359

beams

922

00:53:51,510 --> 00:53:46,559

this combination is truly magical

923

00:53:57,030 --> 00:53:53,990

and it will heal

924

00:53:59,990 --> 00:53:57,040

what is wrong with you

925

00:54:02,390 --> 00:54:00,000

we are aware that every star person has

926
00:54:06,309 --> 00:54:02,400
something wrong

927
00:54:10,630 --> 00:54:06,319
in most cases it's merely stress

928
00:54:14,790 --> 00:54:10,640
and stress takes its toll

929
00:54:20,150 --> 00:54:17,510
at this time feel

930
00:54:21,670 --> 00:54:20,160
the deep purple and the deep rose twin

931
00:54:23,670 --> 00:54:21,680
rays

932
00:54:26,549 --> 00:54:23,680
come into your

933
00:54:32,549 --> 00:54:29,910
and spread healing energy

934
00:54:33,910 --> 00:54:32,559
feel the warmth

935
00:54:48,790 --> 00:54:33,920
bear

936
00:54:53,510 --> 00:54:50,870
these rays travel down to your neck

937
00:54:55,349 --> 00:54:53,520
which may have tension

938
00:54:57,990 --> 00:54:55,359

and stress

939

00:54:59,910 --> 00:54:58,000

for the neck also absorbs the stress of

940

00:55:03,270 --> 00:54:59,920

the mundane dimension

941

00:55:07,990 --> 00:55:03,280

feel that stress ease

942

00:55:14,790 --> 00:55:10,150

now many of you have trouble breathing

943

00:55:18,630 --> 00:55:14,800

the air is truly poisonous these days

944

00:55:21,190 --> 00:55:18,640

poor planet herbs her air should be pure

945

00:55:23,109 --> 00:55:21,200

but it has been contaminated

946

00:55:24,870 --> 00:55:23,119

thanks to humanity

947

00:55:26,390 --> 00:55:24,880

and so you may have trouble breathing

948

00:55:27,589 --> 00:55:26,400

many of you have

949

00:55:29,750 --> 00:55:27,599

asthma

950

00:55:32,870 --> 00:55:29,760

and allergies

951
00:55:36,069 --> 00:55:32,880
fill the deep purple ray and the rose

952
00:55:38,710 --> 00:55:36,079
ray spread through your lungs and heal

953
00:55:38,720 --> 00:55:43,750
sending in purified air

954
00:55:43,760 --> 00:55:48,390
take three deep breaths

955
00:55:55,109 --> 00:55:50,950
feel the magic feel the miracle

956
00:56:01,829 --> 00:55:57,829
now allow the rays to wash on down

957
00:56:09,109 --> 00:56:04,150
allow them to take away the aches that

958
00:56:09,119 --> 00:56:14,950
feel even your toes relax

959
00:56:19,910 --> 00:56:17,349
all star people be healed

960
00:56:23,670 --> 00:56:19,920
and be cleansed

961
00:56:25,190 --> 00:56:23,680
that you may go on with your mission

962
00:56:27,910 --> 00:56:25,200
know how

963
00:56:31,589 --> 00:56:27,920

much we love you beyond work

964

00:56:35,349 --> 00:56:31,599

an unconditional love a timeless love

965

00:56:37,349 --> 00:56:35,359

know that we are always with you

966

00:56:41,109 --> 00:56:37,359

always

967

00:56:46,950 --> 00:56:44,309

these change times are moving on however

968

00:56:49,270 --> 00:56:46,960

recklessly and however dangerously they

969

00:56:54,549 --> 00:56:49,280

are moving on and we are making a

970

00:56:59,589 --> 00:56:56,870

diane feels the energy

971

00:57:01,990 --> 00:56:59,599

traveling in her body

972

00:57:05,030 --> 00:57:02,000

and she knows that this is a pure and a

973

00:57:07,829 --> 00:57:05,040

good cleansing and healing and feminine

974

00:57:15,270 --> 00:57:07,839

working cleansing and healing

975

00:57:20,470 --> 00:57:18,309

feel our love voicing through you

976
00:57:23,030 --> 00:57:20,480
know that we are near know that we are

977
00:57:24,309 --> 00:57:23,040
right with you at this moment because

978
00:57:35,990 --> 00:57:24,319
we are

979
00:57:41,030 --> 00:57:37,430
and now

980
00:57:45,109 --> 00:57:41,040
i am preparing to lead you

981
00:57:48,069 --> 00:57:47,030
always with the love of your own star

982
00:57:50,710 --> 00:57:48,079
guardian

983
00:57:51,910 --> 00:57:50,720
always with the love of god the creator

984
00:57:53,190 --> 00:57:51,920
spirit

985
00:57:56,710 --> 00:57:53,200
go out

986
00:58:00,470 --> 00:57:56,720
and heal your plan of star people

987
00:58:00,480 --> 00:58:03,349
be healed

988
00:58:09,270 --> 00:58:05,670

may the healing light of god and

989

00:58:12,470 --> 00:58:09,280

goodness surround you always

990

00:58:12,480 --> 00:58:24,630

ending transmission

991

00:58:28,309 --> 00:58:25,990

well now

992

00:58:30,390 --> 00:58:28,319

this is miss cincy

993

00:58:32,710 --> 00:58:30,400

she's accountable for the dirt on the

994

00:58:34,789 --> 00:58:32,720

wall behind you

995

00:58:38,150 --> 00:58:34,799

which was we noticed was there during my

996

00:58:40,789 --> 00:58:38,160

channeling but well we love our animals

997

00:58:42,309 --> 00:58:40,799

so our house isn't perfect now miss

998

00:58:44,630 --> 00:58:42,319

cincy

999

00:58:47,270 --> 00:58:44,640

is a starship captain in a former

1000

00:58:51,430 --> 00:58:47,280

lifetime she's very ambitious and very

1001
00:58:55,750 --> 00:58:53,829
we got chased in today by the irish

1002
00:58:57,349 --> 00:58:55,760
weather we had planned to do that

1003
00:58:59,270 --> 00:58:57,359
channeling outside

1004
00:59:01,030 --> 00:58:59,280
and we had planned to have the animals

1005
00:59:04,390 --> 00:59:01,040
more in their natural habitat although

1006
00:59:06,069 --> 00:59:04,400
they do live in the house with us

1007
00:59:08,309 --> 00:59:06,079
which is why

1008
00:59:10,549 --> 00:59:08,319
the wall's dirty isn't it miss cynthia

1009
00:59:14,230 --> 00:59:10,559
but anyway she came in

1010
00:59:16,309 --> 00:59:14,240
to say hello to the star people

1011
00:59:18,950 --> 00:59:16,319
and so that's that she's a golden lab

1012
00:59:20,390 --> 00:59:18,960
and she's irish we got her here when we

1013
00:59:21,670 --> 00:59:20,400

first moved

1014

00:59:22,950 --> 00:59:21,680

sit up

1015

00:59:25,589 --> 00:59:22,960

do a trick

1016

00:59:27,750 --> 00:59:25,599

oh now see now there

1017

00:59:30,829 --> 00:59:27,760

there's a brilliant dog but she really

1018

00:59:36,710 --> 00:59:34,470

huh oh come on um

1019

00:59:39,829 --> 00:59:36,720

oh well okay

1020

00:59:43,030 --> 00:59:39,839

say goodbye miss cincy

1021

00:59:48,630 --> 00:59:46,549

this is miss diva our resident saint

1022

00:59:49,990 --> 00:59:48,640

bernard or as they say over here saint

1023

00:59:52,309 --> 00:59:50,000

bernard

1024

00:59:53,990 --> 00:59:52,319

she came from california with us she

1025

00:59:55,910 --> 00:59:54,000

went through six months of quarantine

1026

00:59:58,230 --> 00:59:55,920

which is the irish law

1027

01:00:01,270 --> 00:59:58,240

she's been through amsterdam

1028

01:00:04,309 --> 01:00:01,280

and she's a registered saint bernard and

1029

01:00:06,470 --> 01:00:04,319

she's a lovely creature so is cincy but

1030

01:00:08,549 --> 01:00:06,480

she's so hyperactive you can't even

1031

01:00:10,150 --> 01:00:08,559

catch her half the time she's like a a

1032

01:00:12,470 --> 01:00:10,160

greased pig or something but steve is a

1033

01:00:13,990 --> 01:00:12,480

big loving teddy bear

1034

01:00:16,710 --> 01:00:14,000

say hello miss steve but show them your

1035

01:00:18,470 --> 01:00:16,720

eyes i think saying burner skin i think

1036

01:00:20,710 --> 01:00:18,480

say birders

1037

01:00:21,990 --> 01:00:20,720

i think say birds have small eyes so

1038

01:00:25,109 --> 01:00:22,000

that they don't

1039

01:00:27,190 --> 01:00:25,119

um freeze in the the snow because as you

1040

01:00:29,109 --> 01:00:27,200

know they are real whole weather dogs

1041

01:00:30,950 --> 01:00:29,119

and the small eyes are protected in the

1042

01:00:33,430 --> 01:00:30,960

snow

1043

01:00:43,430 --> 01:00:33,440

well there she goes

1044

01:00:50,230 --> 01:00:46,230

okay now for a few of the

1045

01:00:53,349 --> 01:00:50,240

cats here at the glen this is igomo

1046

01:00:55,510 --> 01:00:53,359

he's a himalayan i believe although

1047

01:00:58,710 --> 01:00:55,520

ah his mother was a stray and he was a

1048

01:01:00,630 --> 01:00:58,720

kitten under my mother's mobile home so

1049

01:01:02,630 --> 01:01:00,640

i rescued the whole family

1050

01:01:05,190 --> 01:01:02,640

and i've had all four of them

1051

01:01:06,870 --> 01:01:05,200

both in amsterdam and arlen

1052

01:01:09,510 --> 01:01:06,880

so they're from california originally

1053

01:01:11,030 --> 01:01:09,520

but he looks like a registered himalayan

1054

01:01:13,109 --> 01:01:11,040

is beautiful

1055

01:01:15,910 --> 01:01:13,119

and he's a bit of a bully

1056

01:01:17,589 --> 01:01:15,920

a bit of a spoiled boy and heavy

1057

01:01:21,190 --> 01:01:17,599

i'm noticing as i stand here and told

1058

01:01:27,910 --> 01:01:25,589

igomo is an american indian word for cat

1059

01:01:30,789 --> 01:01:27,920

i'm not sure which american indian tribe

1060

01:01:37,270 --> 01:01:30,799

but igomo is cat

1061

01:01:42,150 --> 01:01:39,910

now this is the puka

1062

01:01:44,549 --> 01:01:42,160

you will remember sakima the spiritual

1063

01:01:47,109 --> 01:01:44,559

head of my household and probably my

1064

01:01:49,670 --> 01:01:47,119

familiar who died last year

1065

01:01:51,349 --> 01:01:49,680

well phuket is his arab parent in fact

1066

01:01:52,710 --> 01:01:51,359

i'm not sure he's not the keema come

1067

01:01:55,030 --> 01:01:52,720

back

1068

01:01:57,829 --> 01:01:55,040

he's i found him as a little kitten who

1069

01:01:59,750 --> 01:01:57,839

he wrote in under my car as a framework

1070

01:02:01,750 --> 01:01:59,760

and it took him months to recover he was

1071

01:02:04,150 --> 01:02:01,760

so weak he didn't play

1072

01:02:07,430 --> 01:02:04,160

and now he's a real character

1073

01:02:09,030 --> 01:02:07,440

big and fast and he's strangely taking

1074

01:02:11,589 --> 01:02:09,040

on a lot of the characteristics the

1075

01:02:13,270 --> 01:02:11,599

little traits that sakema had so he's

1076

01:02:14,549 --> 01:02:13,280

sort of my most special right now he's

1077

01:02:16,630 --> 01:02:14,559

my spiritual

1078

01:02:19,829 --> 01:02:16,640

mystical cat connection

1079

01:02:22,470 --> 01:02:19,839

and his name is the puka after an irish

1080

01:02:33,030 --> 01:02:22,480

legendary creature that roams

1081

01:02:38,950 --> 01:02:36,870

now this is isis and she is part siamese

1082

01:02:41,109 --> 01:02:38,960

you can see how mystical and same easy

1083

01:02:43,109 --> 01:02:41,119

she is she's a black chinese and they're

1084

01:02:45,670 --> 01:02:43,119

supposed to be the most mystical of the

1085

01:02:48,069 --> 01:02:45,680

the siamese i got her from an old witchy

1086

01:02:49,910 --> 01:02:48,079

woman on the the rosie clown male i

1087

01:02:52,549 --> 01:02:49,920

think i wrote about her and bracken at

1088

01:02:54,549 --> 01:02:52,559

the time i called her ragwort but i

1089

01:02:56,309 --> 01:02:54,559

decided she was just too

1090

01:02:58,950 --> 01:02:56,319

too great to be a ragwort and then she

1091

01:03:00,950 --> 01:02:58,960

was sage but i think we settled on isis

1092

01:03:04,150 --> 01:03:00,960

so she's very egyptian

1093

01:03:14,150 --> 01:03:04,160

lovely cat very mystical terribly

1094

01:03:18,069 --> 01:03:16,390

now here's nutmeg she came to me only

1095

01:03:20,390 --> 01:03:18,079

last year as a kitten but she's kind of

1096

01:03:22,789 --> 01:03:20,400

blown up into a humongous size here

1097

01:03:24,789 --> 01:03:22,799

she's fat she had a bad cold when she

1098

01:03:27,109 --> 01:03:24,799

came and i took her to the bed about 10

1099

01:03:28,309 --> 01:03:27,119

times and i also worked on healing her

1100

01:03:30,069 --> 01:03:28,319

myself

1101

01:03:32,230 --> 01:03:30,079

and as you can see she's right at his

1102

01:03:34,710 --> 01:03:32,240

range she's a lovely cat

1103

01:03:36,069 --> 01:03:34,720

very sweet very gentle she even matches

1104

01:03:38,789 --> 01:03:36,079

my outfit

1105

01:03:41,670 --> 01:03:38,799

don't you know me

1106

01:03:47,829 --> 01:03:41,680

she's a real sweetie

1107

01:03:50,950 --> 01:03:49,990

and last but not least this is our

1108

01:03:53,990 --> 01:03:50,960

latest

1109

01:03:55,670 --> 01:03:54,000

comer his name is flavius

1110

01:03:57,349 --> 01:03:55,680

and he's a weak kitten that a neighbor

1111

01:03:59,510 --> 01:03:57,359

bought in

1112

01:04:01,109 --> 01:03:59,520

she couldn't keep him

1113

01:04:03,829 --> 01:04:01,119

nobody wanted him

1114

01:04:06,789 --> 01:04:03,839

he was a bit weak a bit in bad shape but

1115

01:04:09,829 --> 01:04:06,799

he's very frisky now as you can see

1116

01:04:11,910 --> 01:04:09,839

and this is our latest addition

1117

01:04:14,789 --> 01:04:11,920

i won't get the the rest of the cat i

1118

01:04:16,630 --> 01:04:14,799

have a total of 25 now so we we won't go

1119

01:04:19,349 --> 01:04:16,640

through all of them but we thought

1120

01:04:22,230 --> 01:04:19,359

we saved the best of the last

1121

01:04:23,109 --> 01:04:22,240

year say hello ladies oh he's he just is

1122

01:04:28,630 --> 01:04:23,119

not

1123

01:04:32,230 --> 01:04:30,230

oh here it goes

1124

01:04:41,670 --> 01:04:32,240

right over my shoulder

1125

01:04:47,270 --> 01:04:44,630

and so in the wild irish wind we'll bid

1126

01:04:48,789 --> 01:04:47,280

you goodbye for this video my star

1127

01:04:50,950 --> 01:04:48,799

friends it's been almost like being

1128

01:04:53,589 --> 01:04:50,960

together i really feel that

1129

01:04:55,829 --> 01:04:53,599

and so for a big finale we're going to

1130

01:04:57,829 --> 01:04:55,839

show you a little uh the front door of

1131

01:04:59,750 --> 01:04:57,839

the glen and our swallow nets that we're

1132

01:05:01,750 --> 01:04:59,760

very proud of or at least some of them

1133

01:05:03,670 --> 01:05:01,760

we actually have a total of nine nests

1134

01:05:05,750 --> 01:05:03,680

this year at the

1135

01:05:08,069 --> 01:05:05,760

the glen and in the shed that's at the

1136

01:05:10,069 --> 01:05:08,079

back but we're not going to show you all

1137

01:05:11,990 --> 01:05:10,079

but we'll show you a couple of them

1138

01:05:13,029 --> 01:05:12,000

my daughter says i get all excited every

1139

01:05:14,870 --> 01:05:13,039

time i

1140

01:05:16,549 --> 01:05:14,880

mention swallows and i'm not quite sure

1141

01:05:18,950 --> 01:05:16,559

why

1142

01:05:21,270 --> 01:05:18,960

but anyway i really like them

1143

01:05:22,789 --> 01:05:21,280

now this the glen isn't quite this

1144

01:05:24,470 --> 01:05:22,799

pitiful

1145

01:05:26,230 --> 01:05:24,480

this is the old part of the glen and

1146

01:05:28,789 --> 01:05:26,240

this is sort of a work room there is

1147

01:05:31,190 --> 01:05:28,799

chris and there's fioli chris means

1148

01:05:34,150 --> 01:05:31,200

shivery and irish and fiona means fat

1149

01:05:35,910 --> 01:05:34,160

and irish or meaty

1150

01:05:38,390 --> 01:05:35,920

they're in the older part and this is

1151

01:05:41,109 --> 01:05:38,400

really the very tag in the work room

1152

01:05:43,029 --> 01:05:41,119

of the older part of the gland

1153

01:05:45,750 --> 01:05:43,039

now if we move over here

1154

01:05:49,029 --> 01:05:45,760

you see part of the glen is abreast

1155

01:05:51,349 --> 01:05:49,039

three four hundred years old and this

1156

01:05:53,670 --> 01:05:51,359

is the older part

1157

01:05:54,950 --> 01:05:53,680

however it's still very livable

1158

01:05:57,750 --> 01:05:54,960

most uh

1159

01:05:59,270 --> 01:05:57,760

the animals live out here mostly uh a

1160

01:06:01,109 --> 01:05:59,280

good share of the cats live in the main

1161

01:06:02,390 --> 01:06:01,119

part too but a share of them live out

1162

01:06:04,710 --> 01:06:02,400

here

1163

01:06:07,270 --> 01:06:04,720

they've got a sofa and everything in

1164

01:06:09,349 --> 01:06:07,280

there and i see their their little faces

1165

01:06:11,270 --> 01:06:09,359

come onto the window anyway this is the

1166

01:06:12,390 --> 01:06:11,280

old part of the the glen and then as we

1167

01:06:14,710 --> 01:06:12,400

move on

1168

01:06:18,470 --> 01:06:14,720

past my castor bean that i'm very proud

1169

01:06:20,789 --> 01:06:18,480

of it's a an excellent herbal remedy

1170

01:06:23,430 --> 01:06:20,799

and this is my castor bean plant

1171

01:06:26,630 --> 01:06:23,440

as we come around past the

1172

01:06:28,150 --> 01:06:26,640

electrical control box uh this is the

1173

01:06:30,829 --> 01:06:28,160

getting into the new part of the gland

1174

01:06:33,750 --> 01:06:30,839

this is the front door

1175

01:06:35,910 --> 01:06:33,760

and uh you see both the old part and the

1176

01:06:38,390 --> 01:06:35,920

new part have upstairs

1177

01:06:39,349 --> 01:06:38,400

so the new part was really built right

1178

01:06:42,309 --> 01:06:39,359

on

1179

01:06:44,230 --> 01:06:42,319

to the old part the new part now i was

1180

01:06:47,190 --> 01:06:44,240

the first person to live in it so it's

1181

01:06:48,470 --> 01:06:47,200

it's brand new and this is what i say

1182

01:06:50,870 --> 01:06:48,480

the front door

1183

01:06:52,789 --> 01:06:50,880

and then i've got some plants here

1184

01:06:55,349 --> 01:06:52,799

which

1185

01:06:59,190 --> 01:06:55,359

the swallows

1186

01:07:03,589 --> 01:07:01,430

or just above

1187

01:07:05,589 --> 01:07:03,599

and when the babies are in the nest my

1188

01:07:06,870 --> 01:07:05,599

plants get well fertilized

1189

01:07:08,390 --> 01:07:06,880

because the little babies will stick

1190

01:07:11,029 --> 01:07:08,400

their rear ends out of the nest they

1191

01:07:13,270 --> 01:07:11,039

don't go in the nest and the droppings

1192

01:07:15,270 --> 01:07:13,280

can be pretty heavy and i can hear the

1193

01:07:16,710 --> 01:07:15,280

swallows as we're talking they're

1194

01:07:18,150 --> 01:07:16,720

they're chirping they've had a huge

1195

01:07:21,510 --> 01:07:18,160

family this year

1196

01:07:22,950 --> 01:07:21,520

and uh there's a flock of them swarming

1197

01:07:26,390 --> 01:07:22,960

around our heads

1198

01:07:28,630 --> 01:07:26,400

and so from the front door of the glen

1199

01:07:29,589 --> 01:07:28,640

i'll say goodbye for now and i'll say i

1200

01:07:31,990 --> 01:07:29,599

love you
