

1  
00:01:13,400 --> 00:00:40,850  
this is outrageous

2  
00:01:18,660 --> 00:01:15,900  
welcome everyone to the national UFO

3  
00:01:24,840 --> 00:01:18,670  
conference reunion cocktail party and

4  
00:01:39,170 --> 00:01:24,850  
dinner very good and here we are well

5  
00:01:41,670 --> 00:01:39,180  
that was that was 35 years ago one time

6  
00:01:44,670 --> 00:01:41,680  
we were having one of those things in

7  
00:01:48,499 --> 00:01:44,680  
New York you know and it ran Jean and I

8  
00:01:52,920 --> 00:01:48,509  
sat there for three days talking through

9  
00:01:56,460 --> 00:01:52,930  
the 1965 version of what we thought was

10  
00:02:00,270 --> 00:01:56,470  
true and we didn't sleep with just

11  
00:02:03,090 --> 00:02:00,280  
talked and on the third day he rose no

12  
00:02:06,540 --> 00:02:03,100  
that's a difference on the third day his

13  
00:02:10,790 --> 00:02:06,550

father who was a motormen on the train

14

00:02:13,320 --> 00:02:10,800

oh really yeah knocked on the door

15

00:02:16,110 --> 00:02:13,330

unknown to anybody my parents were in

16

00:02:19,800 --> 00:02:16,120

the next room okay nothing funny here

17

00:02:22,290 --> 00:02:19,810

but he came came in gave me a hard look

18

00:02:25,860 --> 00:02:22,300

kid you know Jane you haven't been home

19

00:02:27,780 --> 00:02:25,870

in three days three days we've just been

20

00:02:32,000 --> 00:02:27,790

sitting here talking for a while

21

00:02:37,050 --> 00:02:32,010

not a while Jean you've been here for

22

00:02:45,230 --> 00:02:37,060

three days and three nights 72 hours and

23

00:02:49,290 --> 00:02:45,240

44 minutes by my and he took him home

24

00:02:52,620 --> 00:02:49,300

call me oh that object was 40 feet from

25

00:02:54,839 --> 00:02:52,630

me 100 feet long women that means you

26

00:02:57,150 --> 00:02:54,849

have to be looking like this right and

27

00:03:01,050 --> 00:02:57,160

then I say what was the appearance size

28

00:03:02,420 --> 00:03:01,060

it was like a quarter window how can it

29

00:03:04,640 --> 00:03:02,430

sing be like a queer or

30

00:03:07,160 --> 00:03:04,650

lengths to be a hundred feet long and

31

00:03:09,970 --> 00:03:07,170

thirty feet from you think the details

32

00:03:12,699 --> 00:03:09,980

aren't adding up what that does is that

33

00:03:15,830 --> 00:03:12,709

to me really contaminates the database

34

00:03:26,240 --> 00:03:15,840

looking at your data and makes it much

35

00:03:36,780 --> 00:03:32,940

terms like rape very very sighs sighs

36

00:04:03,090 --> 00:03:36,790

great that was the right long and we try

37

00:04:06,990 --> 00:04:03,100

to do the same thing get just work has

38

00:04:11,870 --> 00:04:07,000

to be on a scale of zero to ten zero we

39

00:04:14,680 --> 00:04:11,880

have no idea different I'm virtually

40

00:04:18,979 --> 00:04:14,690

orally

41

00:04:22,370 --> 00:04:18,989

what other thing is the follow-up should

42

00:04:35,680 --> 00:04:22,380

include people in area that haven't had

43

00:04:39,830 --> 00:04:38,270

Allen can you just talk up a little I

44

00:04:52,540 --> 00:04:39,840

went over court this I went to hear both

45

00:05:34,100 --> 00:04:52,550

sides of conversation no no no no I hear

46

00:05:40,159 --> 00:05:34,110

in the back plus encounter the second

47

00:05:42,650 --> 00:05:40,169

time very close in my opinion it

48

00:05:46,000 --> 00:05:42,660

reinforces that seemingly absurd case

49

00:05:49,550 --> 00:05:46,010

because and I've had that happen where

50

00:05:52,670 --> 00:05:49,560

something that you look at digitally no

51  
00:05:54,980 --> 00:05:52,680  
way no way you know who's this guy of

52  
00:05:57,110 --> 00:05:54,990  
having a flashback from the 70s or

53  
00:05:58,820 --> 00:05:57,120  
something like that but then you dig

54  
00:06:00,380 --> 00:05:58,830  
into an awesome you find out that

55  
00:06:02,870 --> 00:06:00,390  
there's some collaborating witnesses out

56  
00:06:04,340 --> 00:06:02,880  
there who have seen something maybe a

57  
00:06:05,610 --> 00:06:04,350  
different slightly different take but

58  
00:06:07,440 --> 00:06:05,620  
they provide some insight

59  
00:06:09,900 --> 00:06:07,450  
you've got a look at that extra

60  
00:06:12,290 --> 00:06:09,910  
information on the real the real

61  
00:06:15,690 --> 00:06:12,300  
challenge we've got though is just

62  
00:06:18,780 --> 00:06:15,700  
number one the caseload we have coming

63  
00:06:20,460 --> 00:06:18,790

in that's the problem the caseload we

64

00:06:22,740 --> 00:06:20,470

have coming in as being able to handle

65

00:06:25,950 --> 00:06:22,750

and be able to deal with the cases we're

66

00:06:29,670 --> 00:06:25,960

getting like 300 cases a year with 13

67

00:06:33,420 --> 00:06:29,680

people now there you're talking quite a

68

00:06:35,370 --> 00:06:33,430

few cases and that's just no hype I'll

69

00:06:39,870 --> 00:06:35,380

let you know United Kingdom I don't

70

00:06:42,570 --> 00:06:39,880

think they have anybody move they had

71

00:06:45,320 --> 00:06:42,580

three people and I investigated a

72

00:06:47,610 --> 00:06:45,330

hundred some cases for them a year ago

73

00:06:50,640 --> 00:06:47,620

because they're investigators when they

74

00:06:53,310 --> 00:06:50,650

looked over the initial report unless it

75

00:06:54,659 --> 00:06:53,320

said unless it was like high-profile

76

00:06:55,580 --> 00:06:54,669

almost like a Rendlesham they didn't

77

00:06:59,159 --> 00:06:55,590

want touch it

78

00:06:59,540 --> 00:06:59,169

anyone waste your time and that was the

79

00:07:02,100 --> 00:06:59,550

problem

80

00:07:05,370 --> 00:07:02,110

let me get Dave especially under okay I

81

00:07:10,200 --> 00:07:05,380

wanted to reinforce that we made a

82

00:07:14,040 --> 00:07:10,210

terrific on the raccoon I do not know

83

00:07:15,870 --> 00:07:14,050

whether you intend to publish the web or

84

00:07:18,029 --> 00:07:15,880

not but I hope very much you will

85

00:07:21,270 --> 00:07:18,039

because I found that vastly more

86

00:07:23,670 --> 00:07:21,280

interesting than the unsolved but it

87

00:07:28,200 --> 00:07:23,680

seems to me that okay I mean there are

88

00:07:31,529 --> 00:07:28,210

solved UFO sightings that are quite for

89

00:07:35,790 --> 00:07:31,539

now someone does it doesn't recognize it

90

00:07:37,159 --> 00:07:35,800

that a spa or seafood odd atmospheric

91

00:07:40,339 --> 00:07:37,169

conditions of years

92

00:07:44,390 --> 00:07:40,349

that's happened to me also but this one

93

00:07:47,059 --> 00:07:44,400

it's a fastening but that we know the

94

00:07:49,790 --> 00:07:47,069

stimulus right and we know the

95

00:07:52,909 --> 00:07:49,800

construction the witness placed on this

96

00:07:55,969 --> 00:07:52,919

annulus and practically only the only

97

00:07:58,939 --> 00:07:55,979

detail that survives intact

98

00:08:01,929 --> 00:07:58,949

is the four legs but you would think is

99

00:08:06,159 --> 00:08:01,939

the last thing a person would notice

100

00:08:09,860 --> 00:08:06,169

upon hitting an animal but why does that

101  
00:08:12,920 --> 00:08:09,870  
detail register now it seems to me that

102  
00:08:15,439 --> 00:08:12,930  
the at least what I did you follow G

103  
00:08:18,700 --> 00:08:15,449  
many years ago the the question of

104  
00:08:21,860 --> 00:08:18,710  
things that turned out to have mundane

105  
00:08:24,110 --> 00:08:21,870  
stimuli we just sort of wrote off we

106  
00:08:26,269 --> 00:08:24,120  
were interested in the unknowns but you

107  
00:08:28,640 --> 00:08:26,279  
can learn nothing from the unknowns cuz

108  
00:08:31,399 --> 00:08:28,650  
all they are is unknown as from VC

109  
00:08:33,680 --> 00:08:31,409  
tastes like that raccoon you can learn

110  
00:08:39,949 --> 00:08:33,690  
as a mini cake right like that and

111  
00:08:43,490 --> 00:08:39,959  
they're put in this they're not solved

112  
00:08:45,439 --> 00:08:43,500  
as as being something other than an

113  
00:08:49,420 --> 00:08:45,449

interventional object yes you have

114

00:08:53,630 --> 00:08:49,430

answered that question but why a

115

00:08:56,060 --> 00:08:53,640

presumably sane human being under what

116

00:08:57,800 --> 00:08:56,070

amounts to ordinary circumstances and in

117

00:08:59,600 --> 00:08:57,810

the normal state of consciousness or

118

00:09:02,720 --> 00:08:59,610

even in an honorable most state of

119

00:09:06,199 --> 00:09:02,730

consciousness conjures up you know if

120

00:09:08,000 --> 00:09:06,209

you can even said I speak it's worthy of

121

00:09:09,860 --> 00:09:08,010

study in those cases are essentially

122

00:09:11,990 --> 00:09:09,870

discards it can put them all together

123

00:09:14,720 --> 00:09:12,000

they might think is gonna why go here it

124

00:09:16,970 --> 00:09:14,730

says because the Air Force class not

125

00:09:21,050 --> 00:09:16,980

just a Leone and what private you have

126

00:09:25,190 --> 00:09:21,060

even nuclear I eat there now can you

127

00:09:33,740 --> 00:09:29,590

details do you remember him already

128

00:09:36,800 --> 00:09:33,750

Fitzgerald it was late

129

00:09:41,000 --> 00:09:36,810

Sheffield Lake it was evolving this goes

130

00:09:44,180 --> 00:09:41,010

back 1950s 58 58 roughly there about

131

00:09:47,180 --> 00:09:44,190

then I excused you guys and yeah what

132

00:09:48,950 --> 00:09:47,190

would their in and reported an object by

133

00:09:50,690 --> 00:09:48,960

close to train tracks of which you

134

00:09:53,090 --> 00:09:50,700

remember right the Alex on by the air

135

00:09:55,220 --> 00:09:53,100

force was something really in fact or a

136

00:09:57,490 --> 00:09:55,230

river trailer right here for this was

137

00:10:00,290 --> 00:09:57,500

this was right it was the nickel plate

138

00:10:02,930 --> 00:10:00,300

railroad line it was near the lakeshore

139

00:10:06,290 --> 00:10:02,940

chef you lake is really close to the

140

00:10:10,700 --> 00:10:06,300

lake she was looking out her front

141

00:10:15,650 --> 00:10:10,710

window and saw a rather I really did a

142

00:10:19,730 --> 00:10:15,660

disc-shaped object lighted and some

143

00:10:21,770 --> 00:10:19,740

other structure I was it was a very for

144

00:10:25,070 --> 00:10:21,780

the time a very good close encounter

145

00:10:27,470 --> 00:10:25,080

case and you're right the Air Force said

146

00:10:30,980 --> 00:10:27,480

it was a tree said it was yes it was the

147

00:10:34,490 --> 00:10:30,990

Air Force said it was a Mars light on a

148

00:10:41,320 --> 00:10:34,500

train now on Mars light being a rail

149

00:10:45,740 --> 00:10:41,330

buff yes yes a red-and-white oscillating

150

00:10:48,470 --> 00:10:45,750

light it is used in adjacent with the

151

00:10:50,990 --> 00:10:48,480

regular blinding white headlight for

152

00:10:52,520 --> 00:10:51,000

visibility now they put ditch lights on

153

00:10:56,360 --> 00:10:52,530

them and other lights on local levels

154

00:10:58,100 --> 00:10:56,370

just to deter accidents and and they

155

00:11:00,590 --> 00:10:58,110

even the Air Force he'd even given the

156

00:11:02,900 --> 00:11:00,600

explanation saying as a train made the

157

00:11:04,760 --> 00:11:02,910

little snide comment well the nickel

158

00:11:08,270 --> 00:11:04,770

plate has a fast break called the Flying

159

00:11:10,550 --> 00:11:08,280

Saucer but it was a train the Flying

160

00:11:12,380 --> 00:11:10,560

Saucer was probably the flying saucer

161

00:11:15,080 --> 00:11:12,390

and the blue book report I mean here's a

162

00:11:17,410 --> 00:11:15,090

slower car about the size of a car the

163

00:11:20,030 --> 00:11:17,420

two time uses of time clock years ago

164

00:11:22,860 --> 00:11:20,040

that was to one main cardis for the

165

00:11:25,110 --> 00:11:22,870

report lon maybe one or two pages of

166

00:11:28,199 --> 00:11:25,120

but here's the investigators locally

167

00:11:30,449 --> 00:11:28,209

that had like 30 pages of documentation

168

00:11:32,400 --> 00:11:30,459

that was printed and published that they

169

00:11:34,129 --> 00:11:32,410

did and that's excluding all the other

170

00:11:37,040 --> 00:11:34,139

research they did behind it so any

171

00:11:42,139 --> 00:11:37,050

comparing it to

172

00:11:48,300 --> 00:11:45,480

so you basically prioritized you've

173

00:11:50,699 --> 00:11:48,310

gotta prioritize what bad part is when

174

00:11:53,100 --> 00:11:50,709

you get so many cases coming in number

175

00:11:55,230 --> 00:11:53,110

one it's a judgment call based on what

176

00:11:56,790 --> 00:11:55,240

what this report is until you get that

177

00:11:58,440 --> 00:11:56,800

wouldn't the investigator in contact

178

00:12:02,850 --> 00:11:58,450

with if you can

179

00:12:04,650 --> 00:12:02,860

the bad part we have now is you may try

180

00:12:06,000 --> 00:12:04,660

to call the witness up witness sees a

181

00:12:08,550 --> 00:12:06,010

cellphone number they don't recognize

182

00:12:11,550 --> 00:12:08,560

you don't respond back you leave a

183

00:12:12,870 --> 00:12:11,560

voicemail maybe they will emails I don't

184

00:12:15,840 --> 00:12:12,880

know how many emails I've had bounced

185

00:12:17,460 --> 00:12:15,850

back when I was doing the ones over in

186

00:12:20,069 --> 00:12:17,470

England they were actually better United

187

00:12:21,630 --> 00:12:20,079

States on to answering emails the ones

188

00:12:22,920 --> 00:12:21,640

over here I mean I could send an email

189

00:12:25,170 --> 00:12:22,930

out it's almost like everybody's

190

00:12:27,900 --> 00:12:25,180

antivirus was picking it up it was never

191

00:12:30,000 --> 00:12:27,910

getting through and it was just losing

192

00:12:32,610 --> 00:12:30,010

that contact that's just another factor

193

00:12:34,620 --> 00:12:32,620

in their goes into it but you have to

194

00:12:36,660 --> 00:12:34,630

make that judgment call unfortunately

195

00:12:39,240 --> 00:12:36,670

yeah this one looks really good

196

00:12:42,210 --> 00:12:39,250

this one doesn't and all the MUFON

197

00:12:44,040 --> 00:12:42,220

investigators are volunteers so when I'm

198

00:12:45,900 --> 00:12:44,050

driving down the Salt Fork which I went

199

00:12:48,750 --> 00:12:45,910

down there four times that's on my own

200

00:12:50,579 --> 00:12:48,760

dime paying all the money out of my own

201  
00:12:52,170 --> 00:12:50,589  
pocket for fuel and everything else all

202  
00:12:54,720 --> 00:12:52,180  
my investigating tools

203  
00:12:56,730 --> 00:12:54,730  
MUFON didn't buy anything my computer

204  
00:12:59,940 --> 00:12:56,740  
system at home I've got five monitors up

205  
00:13:02,160 --> 00:12:59,950  
oh yeah you look at my system it looks

206  
00:13:03,569 --> 00:13:02,170  
like the Starship Enterprise because I

207  
00:13:05,100 --> 00:13:03,579  
can have Google Earth here I can have

208  
00:13:08,280 --> 00:13:05,110  
solarium here again if another program

209  
00:13:08,870 --> 00:13:08,290  
here but it really helps track things

210  
00:13:11,120 --> 00:13:08,880  
down

211  
00:13:15,620 --> 00:13:11,130  
but here's several thousand dollars out

212  
00:13:18,410 --> 00:13:15,630  
of my own pocket for hobby no can you

213  
00:13:20,840 --> 00:13:18,420

say laughs and after analyzing and

214

00:13:22,790 --> 00:13:20,850

researching all these cases the

215

00:13:25,309 --> 00:13:22,800

difference between cases going back to

216

00:13:27,650 --> 00:13:25,319

the 1950s and 60s in the cases today are

217

00:13:29,269 --> 00:13:27,660

there any big differences that's a good

218

00:13:32,150 --> 00:13:29,279

question that's out on the way in this

219

00:13:34,759 --> 00:13:32,160

together because to me when you get

220

00:13:38,990 --> 00:13:34,769

cases from the 1950s looking at the data

221

00:13:41,329 --> 00:13:39,000

like in this case in the sky you had

222

00:13:43,460 --> 00:13:41,339

more pure information I think that then

223

00:13:45,199 --> 00:13:43,470

because now you've got some of the other

224

00:13:47,090 --> 00:13:45,209

options today how many planes do we have

225

00:13:48,910 --> 00:13:47,100

flying around right now we've got the

226

00:13:52,220 --> 00:13:48,920

ISS we've got all these other things

227

00:13:54,110 --> 00:13:52,230

back in the 60s I remember in a

228

00:13:55,960 --> 00:13:54,120

newspaper they published when echo was

229

00:13:58,550 --> 00:13:55,970

coming over hmm

230

00:14:00,889 --> 00:13:58,560

now I've got a dig down and do research

231

00:14:02,240 --> 00:14:00,899

and makes much more challenging well now

232

00:14:04,100 --> 00:14:02,250

of course of the old days we used to

233

00:14:06,860 --> 00:14:04,110

subscribe to several newspaper clipping

234

00:14:09,740 --> 00:14:06,870

services you've got a lot more detail to

235

00:14:12,319 --> 00:14:09,750

begin with in the newspaper so you knew

236

00:14:14,920 --> 00:14:12,329

where to start your questioning today

237

00:14:16,040 --> 00:14:14,930

whatever you see is usually so

238

00:14:18,290 --> 00:14:16,050

superficial

239

00:14:19,819 --> 00:14:18,300

you could you could easily bypass a case

240

00:14:22,150 --> 00:14:19,829

that might have some substance to it

241

00:14:24,379 --> 00:14:22,160

just looking at the initial little

242

00:14:27,379 --> 00:14:24,389

report maybe that's filed on the

243

00:14:29,090 --> 00:14:27,389

national UFO Center and so it's based on

244

00:14:31,040 --> 00:14:29,100

the witness report where the witness

245

00:14:32,240 --> 00:14:31,050

says check out the middle which says

246

00:14:35,780 --> 00:14:32,250

everything yeah

247

00:14:39,740 --> 00:14:35,790

noted video doesn't say what I really

248

00:14:41,720 --> 00:14:39,750

need is your story support usually

249

00:14:43,610 --> 00:14:41,730

there's no there's no details even if

250

00:14:45,230 --> 00:14:43,620

you see an incredible video there's no

251  
00:14:47,629 --> 00:14:45,240  
way of tracking it down nobody ever

252  
00:14:50,809 --> 00:14:47,639  
answers there everybody's just got some

253  
00:14:54,170 --> 00:14:50,819  
but stupid comment to it Mike yeah and

254  
00:14:56,420 --> 00:14:54,180  
that's why I've got a friend and

255  
00:14:59,900 --> 00:14:56,430  
fraction of from the contact and Russia

256  
00:15:03,559 --> 00:14:59,910  
hmm he sends me on an average of 15

257  
00:15:07,340 --> 00:15:03,569  
different YouTube videos a day on UFOs

258  
00:15:10,970 --> 00:15:09,319  
because I would rather see something

259  
00:15:13,610 --> 00:15:10,980  
come in direct from a witness rather

260  
00:15:16,370 --> 00:15:13,620  
than say check out this YouTube video on

261  
00:15:18,199 --> 00:15:16,380  
does that happen oh I've got I get

262  
00:15:20,090 --> 00:15:18,209  
different people reports it says and

263  
00:15:22,130 --> 00:15:20,100

check out this YouTube video it's great

264

00:15:23,930 --> 00:15:22,140

well the thing I mean behind that I'm

265

00:15:27,590 --> 00:15:23,940

not saying it's not potentially a great

266

00:15:29,930 --> 00:15:27,600

video I would never say that but the

267

00:15:31,670 --> 00:15:29,940

reality is I need to know exactly where

268

00:15:33,590 --> 00:15:31,680

you're located what director you're

269

00:15:36,259 --> 00:15:33,600

looking yeah what time what day it was

270

00:15:38,410 --> 00:15:36,269

yes temperature conditions I'm going to

271

00:15:41,210 --> 00:15:38,420

know the details behind that the data

272

00:15:44,060 --> 00:15:41,220

there's a great feeling if your

273

00:15:45,769 --> 00:15:44,070

anonymity of the internet it and and

274

00:15:48,470 --> 00:15:45,779

that's why that's one of my pet peeves

275

00:15:52,880 --> 00:15:48,480

but now I do like technology on the flip

276

00:15:56,930 --> 00:15:52,890

side because I had a individual turn in

277

00:16:02,240 --> 00:15:56,940

a picture of UFOs going across this

278

00:16:06,380 --> 00:16:02,250

video frame he sent me from he said it

279

00:16:08,060 --> 00:16:06,390

was Berea where we had Berea and he says

280

00:16:10,490 --> 00:16:08,070

look at check this out

281

00:16:12,740 --> 00:16:10,500

and I see a streetlight at the top of a

282

00:16:14,720 --> 00:16:12,750

streetlight and I see lights going

283

00:16:19,670 --> 00:16:14,730

across which first impression Chinese

284

00:16:21,170 --> 00:16:19,680

lanterns well I go and I have software

285

00:16:24,500 --> 00:16:21,180

that when he sent me his video

286

00:16:26,150 --> 00:16:24,510

I pulled the video up it told me because

287

00:16:30,620 --> 00:16:26,160

he had a must make one mistake

288

00:16:32,569 --> 00:16:30,630

and an iPhone 6 it had GPS in it and it

289

00:16:35,199 --> 00:16:32,579

impregnated the GPS coordinates he was

290

00:16:38,240 --> 00:16:35,209

at in the video and he didn't know about

291

00:16:40,189 --> 00:16:38,250

when you take a digital photograph it

292

00:16:42,590 --> 00:16:40,199

puts metadata information in your

293

00:16:44,030 --> 00:16:42,600

photograph and I pull that out when

294

00:16:47,030 --> 00:16:44,040

somebody sends me a photograph right

295

00:16:48,620 --> 00:16:47,040

away if it's available I pulled it up in

296

00:16:50,900 --> 00:16:48,630

there so it showed me not only what type

297

00:16:53,569 --> 00:16:50,910

of phone he was using it showed me the

298

00:16:57,290 --> 00:16:53,579

settings it showed me where he was at

299

00:16:58,880 --> 00:16:57,300

what direction he was looking and I said

300

00:17:00,500 --> 00:16:58,890

by the way you weren't really where

301  
00:17:01,850 --> 00:17:00,510  
North Olmstead and here's the phone with

302  
00:17:04,579 --> 00:17:01,860  
the telephone pole years

303  
00:17:06,560 --> 00:17:04,589  
and from Google Earth I took the picture

304  
00:17:10,460 --> 00:17:06,570  
of the tapas the same photos in this

305  
00:17:12,920 --> 00:17:10,470  
video and it's like now what makes you

306  
00:17:14,329 --> 00:17:12,930  
want to meet with what what makes me

307  
00:17:17,990 --> 00:17:14,339  
want to believe to rescue your story but

308  
00:17:19,970 --> 00:17:18,000  
he can tell me where you're at and what

309  
00:17:22,340 --> 00:17:19,980  
explanation would that I didn't know

310  
00:17:24,230 --> 00:17:22,350  
where they are no explanation he had no

311  
00:17:25,550 --> 00:17:24,240  
explanation other maybe in his mind he

312  
00:17:28,010 --> 00:17:25,560  
wanted to remain anonymous because he

313  
00:17:29,570 --> 00:17:28,020

saw something so unusual in his mind he

314

00:17:31,730 --> 00:17:29,580

didn't want a report but there's a whole

315

00:17:48,440 --> 00:17:31,740

nother psychological scenario for later

316

00:17:49,790 --> 00:17:48,450

I was five miles away from where the

317

00:17:52,340 --> 00:17:49,800

video was taken that but I think

318

00:17:54,860 --> 00:17:52,350

what in his case was more than likely

319

00:17:56,780 --> 00:17:54,870

that he was saying those his weight

320

00:18:01,840 --> 00:17:56,790

remaining anonymous he didn't want to

321

00:18:04,730 --> 00:18:01,850

let people know that he actually know

322

00:18:05,720 --> 00:18:04,740

but on a flip psycho I like the idea of

323

00:18:09,560 --> 00:18:05,730

being able to extract that information

324

00:18:12,770 --> 00:18:09,570

from videos there was just a tremendous

325

00:18:16,610 --> 00:18:12,780

aid for me because I can go back and I

326

00:18:18,890 --> 00:18:16,620

did some of works where people send me

327

00:18:21,890 --> 00:18:18,900

pictures of trailer like trail cams I

328

00:18:23,060 --> 00:18:21,900

get a lot of it I get ones at night and

329

00:18:26,300 --> 00:18:23,070

if people say look at these orbs

330

00:18:29,710 --> 00:18:26,310

floating around well I had five pictures

331

00:18:34,820 --> 00:18:29,720

come in from southern Ohio orbs orbs

332

00:18:37,280 --> 00:18:34,830

norms norms orbs when I pulled up the

333

00:18:40,820 --> 00:18:37,290

metadata information flash fired Flay's

334

00:18:43,220 --> 00:18:40,830

fired no flash no flash of inflation the

335

00:18:46,010 --> 00:18:43,230

data right there told me alone all the

336

00:18:48,890 --> 00:18:46,020

photographs in which deflation fired had

337

00:18:50,270 --> 00:18:48,900

orbs the ones which not fire and they're

338

00:18:53,510 --> 00:18:50,280

all taken thin a minute of each other

339

00:18:55,580 --> 00:18:53,520

couple minutes had no words why because

340

00:18:58,460 --> 00:18:55,590

the flash is so close to the lens in

341

00:18:59,850 --> 00:18:58,470

proximity no it's picking up the dust in

342

00:19:02,340 --> 00:18:59,860

the air

343

00:19:06,660 --> 00:19:02,350

was causing me orbs can you tell a real

344

00:19:08,880 --> 00:19:06,670

orb from a dust particle that I'm not an

345

00:19:11,130 --> 00:19:08,890

expert I won't claim to be the expert on

346

00:19:13,410 --> 00:19:11,140

that part but the thing I just had to

347

00:19:15,960 --> 00:19:13,420

look at as the immediately mm-hmm on it

348

00:19:17,280 --> 00:19:15,970

and if it been another situation of

349

00:19:19,650 --> 00:19:17,290

where he'd had orbs and every one of

350

00:19:22,320 --> 00:19:19,660

them and a flesh and fire to not flaky

351

00:19:34,530 --> 00:19:22,330

fire well then there goes that whole

352

00:19:34,540 --> 00:19:38,370

and people

353

00:19:38,380 --> 00:19:42,409

to share just briefly

354

00:19:42,419 --> 00:19:47,250

you didn't help

355

00:19:59,500 --> 00:19:49,600

yeah kidding why don't you stand in

356

00:20:04,180 --> 00:19:59,510

front and turn around and speak well

357

00:20:07,269 --> 00:20:04,190

what happened the first thing I saw they

358

00:20:13,240 --> 00:20:07,279

could be classified to see I've never

359

00:20:15,190 --> 00:20:13,250

seen well I would classify but at this

360

00:20:15,940 --> 00:20:15,200

time I was standing in the Atlantic

361

00:20:19,600 --> 00:20:15,950

Ocean

362

00:20:27,370 --> 00:20:19,610

probably in 1949 or 50 I was 2 or 3

363

00:20:37,210 --> 00:20:27,380

years old and another kid about my age

364

00:20:39,909 --> 00:20:37,220

says there goes a soul Wow that my

365

00:20:43,510 --> 00:20:39,919

friend in my opinion is the most

366

00:20:48,610 --> 00:20:43,520

significant part of the

367

00:20:51,730 --> 00:20:48,620

the overall mystery of UFOs it says

368

00:20:56,290 --> 00:20:51,740

what's going on in people's minds at

369

00:20:59,870 --> 00:20:56,300

some primal level religion plays a

370

00:21:07,270 --> 00:21:02,690

Pew survey move unless every time they

371

00:21:11,150 --> 00:21:09,740

there's also considerable scientific

372

00:21:12,960 --> 00:21:11,160

evidence that there's something

373

00:21:19,060 --> 00:21:12,970

hardwired that

374

00:21:29,210 --> 00:21:23,420

what that kid was interpreting but then

375

00:21:47,800 --> 00:21:29,220

unfamiliar thing in my country may be a

376

00:21:52,310 --> 00:21:50,600

well I think I I mentioned the last

377

00:21:54,470 --> 00:21:52,320

night over supper one of these

378

00:22:01,670 --> 00:21:54,480

synchronicities that that I found very

379

00:22:04,370 --> 00:22:01,680

significant was that June 24th which is

380

00:22:11,320 --> 00:22:04,380

the anniversary Kenneth Arnold sighting

381

00:22:13,760 --> 00:22:11,330

you know 1947 over Mount Rainier is

382

00:22:16,730 --> 00:22:13,770

anyway a number of people including

383

00:22:20,840 --> 00:22:16,740

Jackie Gleason Frank Edwards Frank

384

00:22:23,810 --> 00:22:20,850

Edwards publisher died on that that day

385

00:22:26,540 --> 00:22:23,820

I mean which is a significant day in UFO

386

00:22:31,070 --> 00:22:26,550

history not on the same year but that

387

00:22:32,810 --> 00:22:31,080

seems to be a reoccurring theme there

388

00:22:35,420 --> 00:22:32,820

must be four or five maybe six people

389

00:22:38,360 --> 00:22:35,430

that have passed away on that that date

390

00:22:40,700 --> 00:22:38,370

well it turns out I found out through

391

00:22:42,230 --> 00:22:40,710

correspondent with Kenneth one of

392

00:22:45,320 --> 00:22:42,240

Kenneth Arnold's daughters and I had

393

00:22:47,360 --> 00:22:45,330

also read this in a newspaper story many

394

00:22:49,940 --> 00:22:47,370

many years ago Kenneth Arnold did not

395

00:22:52,370 --> 00:22:49,950

believe that the craft that he saw were

396

00:22:54,530 --> 00:22:52,380

from outer space he thought that they

397

00:22:56,750 --> 00:22:54,540

were some sort of vessels that were

398

00:23:01,520 --> 00:22:56,760

taking in the souls of the newly

399

00:23:04,250 --> 00:23:01,530

departed from this realm over to the

400

00:23:06,950 --> 00:23:04,260

next realm and years ago I did a book

401  
00:23:10,040 --> 00:23:06,960  
called the passport to heaven and we had

402  
00:23:13,510 --> 00:23:10,050  
a significant number of cases where

403  
00:23:17,240 --> 00:23:13,520  
people actually say that they met their

404  
00:23:19,460 --> 00:23:17,250  
beloved on board a craft there or are

405  
00:23:21,120 --> 00:23:19,470  
they were abducted and they were there

406  
00:23:23,430 --> 00:23:21,130  
in

407  
00:23:26,160 --> 00:23:23,440  
physical form of course the most famous

408  
00:23:45,480 --> 00:23:26,170  
would be yam ski which was the case in

409  
00:23:47,750 --> 00:23:45,490  
the in England yeah right anyway there

410  
00:23:51,000 --> 00:23:47,760  
are there are many levels to this

411  
00:23:54,360 --> 00:23:51,010  
mystery right it's just very many levels

412  
00:23:57,270 --> 00:23:54,370  
to this and most people just go into it

413  
00:23:58,560 --> 00:23:57,280

and want to see it from one level they

414

00:24:10,890 --> 00:23:58,570

wouldn't want to see it as a you know

415

00:24:10,900 --> 00:24:14,780

their fingers

416

00:24:19,280 --> 00:24:17,870

from all of those and not go out expect

417

00:24:21,980 --> 00:24:19,290

people find that

418

00:24:24,950 --> 00:24:21,990

this is either a natural phenomenon

419

00:24:26,870 --> 00:24:24,960

that's the end of it or this is an

420

00:24:31,550 --> 00:24:26,880

unknown and therefore probably a

421

00:24:33,860 --> 00:24:31,560

spacecraft well that's why I always say

422

00:24:35,960 --> 00:24:33,870

we're all whether we like it or not

423

00:24:39,230 --> 00:24:35,970

we're all in this together whether it

424

00:24:42,140 --> 00:24:39,240

was you know pre-ordained or just

425

00:24:44,960 --> 00:24:42,150

something that we casually the fell into

426

00:24:59,900 --> 00:24:44,970

so outside of billy meier I try not to

427

00:25:01,970 --> 00:24:59,910

mock anybody but just getting us to work

428

00:25:04,370 --> 00:25:01,980

together and share information

429

00:25:06,710 --> 00:25:04,380

why that's never worked and that's the

430

00:25:11,420 --> 00:25:06,720

problem because it's like if I know more

431

00:25:17,190 --> 00:25:11,430

than you and I've got the writing

432

00:25:21,930 --> 00:25:19,590

but going into all the other events of

433

00:25:23,580 --> 00:25:21,940

like Billy Meyer has no well they're

434

00:25:27,900 --> 00:25:23,590

made up that's why you don't have it

435

00:25:29,880 --> 00:25:27,910

that and I'm another one it's not when I

436

00:25:33,870 --> 00:25:29,890

look at Billy Meyer stuff I'm like oh

437

00:25:35,430 --> 00:25:33,880

okay well I mean first of all they got

438

00:25:37,800 --> 00:25:35,440

one this thing that the wedding cake

439

00:25:39,510 --> 00:25:37,810

right it's on sitting on top of the roof

440

00:25:42,180 --> 00:25:39,520

of a card there's two photographs to

441

00:25:43,440 --> 00:25:42,190

when he publishes and and and the you

442

00:25:45,180 --> 00:25:43,450

know the other stuff that the

443

00:25:47,760 --> 00:25:45,190

researchers have one of the trees that

444

00:25:50,760 --> 00:25:47,770

he shows this thing that's circling

445

00:25:52,380 --> 00:25:50,770

around doesn't even exist it you know he

446

00:25:55,170 --> 00:25:52,390

moved it it made a little model and move

447

00:25:59,600 --> 00:25:55,180

the fake tree over there anybody who has

448

00:26:02,550 --> 00:25:59,610

any rudimental knowledge of photography

449

00:26:04,560 --> 00:26:02,560

can look at that in five minutes and say

450

00:26:07,080 --> 00:26:04,570

this is just total nonsense and yet

451  
00:26:09,210 --> 00:26:07,090  
people persist in believing yet and and

452  
00:26:11,370 --> 00:26:09,220  
the stuff that he tries to push off he's

453  
00:26:13,290 --> 00:26:11,380  
the only one that's you know persisting

454  
00:26:15,240 --> 00:26:13,300  
and having these contacts and they're

455  
00:26:18,660 --> 00:26:15,250  
telling him like he's the only person

456  
00:26:21,360 --> 00:26:18,670  
why and his his representatives here are

457  
00:26:23,610 --> 00:26:21,370  
just totally obnoxious totally I'm

458  
00:26:33,650 --> 00:26:23,620  
noxious you know myself I'd rather

459  
00:26:42,620 --> 00:26:40,290  
Oh Jackie Gleason was one yet and and

460  
00:26:48,120 --> 00:26:42,630  
Lyle Stewart who was Frank Edwards as

461  
00:26:50,700 --> 00:26:48,130  
publisher yet okay the answer has to be

462  
00:26:54,510 --> 00:26:50,710  
yes there are red lot there are lots of

463  
00:26:57,600 --> 00:26:54,520

random yeah and and I have four sheets

464

00:26:59,850 --> 00:26:57,610

this afternoon that say that there are a

465

00:27:02,130 --> 00:26:59,860

lot of them that are not random

466

00:27:05,100 --> 00:27:02,140

coincidences exactly is it so that

467

00:27:07,350 --> 00:27:05,110

candidly coincidence yes yes is that

468

00:27:09,690 --> 00:27:07,360

coincidence that's another question is

469

00:27:12,150 --> 00:27:09,700

it coincidence that John Adams and

470

00:27:16,680 --> 00:27:12,160

Thomas Jefferson both died on July 4th

471

00:27:19,940 --> 00:27:16,690

1826 is it coincidence that Barney Hill

472

00:27:25,110 --> 00:27:19,950

died almost 5 years almost of the day

473

00:27:26,760 --> 00:27:25,120

after his experience first well I I say

474

00:27:29,790 --> 00:27:26,770

no because I think we're part of

475

00:27:30,570 --> 00:27:29,800

somebody's big cosmic game and we're

476

00:27:33,330 --> 00:27:30,580

existing

477

00:27:35,460 --> 00:27:33,340

in a computerized the matrix I mean

478

00:27:37,440 --> 00:27:35,470

that's my and you know you can laugh but

479

00:27:39,150 --> 00:27:37,450

that's my theory ok I'm you know I'm a

480

00:27:41,220 --> 00:27:39,160

nutty little guy who's only been doing

481

00:27:44,100 --> 00:27:41,230

this for fifty five years and I don't

482

00:27:46,230 --> 00:27:44,110

see any evidence of spaceships okay but

483

00:27:47,640 --> 00:27:46,240

that that that may be possible I think

484

00:27:52,440 --> 00:27:47,650

there may be more mundane explanation

485

00:27:54,990 --> 00:27:52,450

yes psychological lines of why certain

486

00:27:57,480 --> 00:27:55,000

days are vulnerable things for people

487

00:27:59,970 --> 00:27:57,490

for people to die now I'm going to want

488

00:28:02,340 --> 00:27:59,980

to move on to what is sort of related to

489

00:28:05,220 --> 00:28:02,350

this which is if we stop looking at the

490

00:28:07,950 --> 00:28:05,230

case of what's reported and look instead

491

00:28:10,290 --> 00:28:07,960

at the witnesses that very mysterious

492

00:28:12,180 --> 00:28:10,300

case you described of the older man and

493

00:28:14,550 --> 00:28:12,190

the younger man fishing reminds me very

494

00:28:17,730 --> 00:28:14,560

much of Pascagoula nineteen senators

495

00:28:20,120 --> 00:28:17,740

were not in the not in what was

496

00:28:22,760 --> 00:28:20,130

experienced right but in the

497

00:28:26,250 --> 00:28:22,770

constellation of the experiencers

498

00:28:28,710 --> 00:28:26,260

Pascagoula passively because they cannot

499

00:28:31,560 --> 00:28:28,720

have had the experience they say they do

500

00:28:34,200 --> 00:28:31,570

even if you think people would be are

501  
00:28:36,480 --> 00:28:34,210  
being kidnapped by space beings the

502  
00:28:39,270 --> 00:28:36,490  
space means that X N and the other one

503  
00:28:42,360 --> 00:28:39,280  
whose name I forget Parker that Parker

504  
00:28:45,240 --> 00:28:42,370  
yes that doesn't correspond to anything

505  
00:28:48,990 --> 00:28:45,250  
that anyone else has ever experienced

506  
00:28:52,530 --> 00:28:49,000  
but I've listened to as I'm sure many of

507  
00:28:54,540 --> 00:28:52,540  
you have to the tape of where that would

508  
00:28:56,400 --> 00:28:54,550  
name were they were there they came to

509  
00:28:59,490 --> 00:28:56,410  
the police station to report it the

510  
00:29:02,190 --> 00:28:59,500  
police put on a tape recorder

511  
00:29:04,410 --> 00:29:02,200  
unbeknownst to them and expected that to

512  
00:29:07,440 --> 00:29:04,420  
hear all we really pulled one over on

513  
00:29:08,910 --> 00:29:07,450

those cops and cetera so then Jesus

514

00:29:21,790 --> 00:29:08,920

you're never going to understand what

515

00:29:27,950 --> 00:29:24,890

no nonsense and you know why because

516

00:29:31,190 --> 00:29:27,960

Calvin Parker showed up in one of my

517

00:29:32,870 --> 00:29:31,200

conferences and I was either I think was

518

00:29:36,799 --> 00:29:32,880

Phoenix it might have been San Diego and

519

00:29:40,280 --> 00:29:36,809

he told a totally concocted story about

520

00:29:43,160 --> 00:29:40,290

how he was taken into a separate room

521

00:29:45,290 --> 00:29:43,170

and had sex with a space woman and that

522

00:29:48,080 --> 00:29:45,300

the aliens were responsible for bringing

523

00:29:53,230 --> 00:29:48,090

aids to earth this is the story that he

524

00:29:55,610 --> 00:29:53,240

told in it one of my and my counsels of

525

00:29:58,970 --> 00:29:55,620

its just you if you know your aunt too

526

00:30:03,380 --> 00:29:58,980

they enter the story as they as they go

527

00:30:05,870 --> 00:30:03,390

along yeah but you know you can you can

528

00:30:07,640 --> 00:30:05,880

add a little bit of mystique to your

529

00:30:09,860 --> 00:30:07,650

story I'm sure both of us have been

530

00:30:13,160 --> 00:30:09,870

accused of doing that over the over the

531

00:30:15,380 --> 00:30:13,170

years but to make up something like that

532

00:30:17,299 --> 00:30:15,390

just because maybe there are 75 of

533

00:30:37,040 --> 00:30:17,309

people in the audience and he was trying

534

00:30:40,100 --> 00:30:37,050

to get a TV show to come up with

535

00:30:41,120 --> 00:30:40,110

something for people's expectations is

536

00:30:43,670 --> 00:30:41,130

so great

537

00:30:46,640 --> 00:30:43,680

that the pressure is on have something

538

00:30:48,350 --> 00:30:46,650

to say to the individual wants to hear

539

00:30:51,500 --> 00:30:48,360

or the or the group of people that want

540

00:30:54,080 --> 00:30:51,510

to hear an expansion of the story is

541

00:30:56,720 --> 00:30:54,090

just sort of something that you know arm

542

00:31:00,650 --> 00:30:56,730

twist it is he doing marker and an

543

00:31:03,470 --> 00:31:00,660

interview not two years ago had tears in

544

00:31:05,350 --> 00:31:03,480

his eyes talking about the same crap and

545

00:31:08,510 --> 00:31:05,360

I'll polygraph that you're talking about

546

00:31:11,210 --> 00:31:08,520

but I think that it is oh yeah it's an

547

00:31:14,390 --> 00:31:11,220

add-on but maybe it's dreams that he had

548

00:31:16,370 --> 00:31:14,400

later maybe it's nightmares induced by

549

00:31:18,770 --> 00:31:16,380

an initial experience that was so

550

00:31:20,690 --> 00:31:18,780

luminous that you have to add on you

551  
00:31:23,240 --> 00:31:20,700  
could say the same thing about Joseph

552  
00:31:25,430 --> 00:31:23,250  
Smith and there are millions of Mormons

553  
00:31:28,250 --> 00:31:25,440  
with this mood that they're the you

554  
00:31:32,270 --> 00:31:28,260  
could say the same thing about the the

555  
00:31:34,550 --> 00:31:32,280  
the the apostles you know as this as the

556  
00:31:36,440 --> 00:31:34,560  
time went on the story got more

557  
00:31:38,510 --> 00:31:36,450  
elaborate and by the time the Gospels

558  
00:31:42,920 --> 00:31:38,520  
were written there was nobody left alive

559  
00:31:46,370 --> 00:31:42,930  
to contradict it that's a phenomenal the

560  
00:31:48,140 --> 00:31:46,380  
human body to expand upon and embroider

561  
00:31:53,660 --> 00:31:48,150  
the story but it doesn't mean there

562  
00:31:55,910 --> 00:31:53,670  
isn't some singular source some contact

563  
00:31:58,820 --> 00:31:55,920

with the what's I don't know I if you

564

00:32:01,220 --> 00:31:58,830

add on if you add on a state if you add

565

00:32:03,260 --> 00:32:01,230

on a story when it was fresh if you add

566

00:32:06,620 --> 00:32:03,270

on a story like that it's taking it to

567

00:32:09,140 --> 00:32:06,630

the to the you know tenth level it's

568

00:32:10,850 --> 00:32:09,150

just not adding on you know the to say

569

00:32:14,120 --> 00:32:10,860

that there were six space men in there

570

00:32:15,590 --> 00:32:14,130

instead of four or five its concocting

571

00:32:17,930 --> 00:32:15,600

an entire story you know whether that's

572

00:32:20,330 --> 00:32:17,940

true or not you know I mean I don't

573

00:32:29,390 --> 00:32:20,340

think that there's a next point you know

574

00:32:31,310 --> 00:32:29,400

you made it up not in this case yeah and

575

00:32:33,500 --> 00:32:31,320

it may be in some cases yes but in

576

00:32:35,660 --> 00:32:33,510

something like this I'm sorry when you

577

00:32:37,430 --> 00:32:35,670

tell me that you had sex with a woman on

578

00:32:39,620 --> 00:32:37,440

board a spectrum when you didn't report

579

00:32:42,070 --> 00:32:39,630

it initially and then you say that she

580

00:32:46,850 --> 00:32:42,080

tells you that they were responsible for

581

00:32:49,100 --> 00:32:46,860

the AIDS epidemic now I don't think it's

582

00:32:52,050 --> 00:32:49,110

a dreamlike State I don't think it's a

583

00:32:56,790 --> 00:32:52,060

cosmic consciousness it's you

584

00:32:59,070 --> 00:32:56,800

I know the story I've had I have the

585

00:33:00,540 --> 00:32:59,080

actually the original painting I have

586

00:33:02,190 --> 00:33:00,550

the original painting that they did

587

00:33:04,890 --> 00:33:02,200

under hypnosis I mean I'm familiar with

588

00:33:06,870 --> 00:33:04,900

the story and I did invite Calvin Parker

589

00:33:10,460 --> 00:33:06,880

and it's the only public appearance that

590

00:33:13,290 --> 00:33:10,470

he's ever made and I can see why

591

00:33:15,450 --> 00:33:13,300

maybe he had maybe he had note maybe he

592

00:33:17,160 --> 00:33:15,460

had no memory of the original experience

593

00:33:19,230 --> 00:33:17,170

or very little of it and he certainly

594

00:33:21,420 --> 00:33:19,240

added on to it when he showed up and

595

00:33:24,540 --> 00:33:21,430

gave his workshop in charged I don't

596

00:33:27,450 --> 00:33:24,550

know 25 or 30 dollars he had a full

597

00:33:42,900 --> 00:33:27,460

hours worth of the story to relate you

598

00:33:44,730 --> 00:33:42,910

know anyway glad you're here because man

599

00:33:46,650 --> 00:33:44,740

this is this is the spark we need it

600

00:33:48,510 --> 00:33:46,660

this morning we got a slow start but

601  
00:33:51,050 --> 00:33:48,520  
only two questions

602  
00:33:54,120 --> 00:33:51,060  
where's the point Tom could you possibly

603  
00:33:56,340 --> 00:33:54,130  
make the inference of speaking of

604  
00:33:58,410 --> 00:33:56,350  
Phyllis about the cup meeting tonight

605  
00:33:59,970 --> 00:33:58,420  
details and you've got the details and

606  
00:34:02,880 --> 00:33:59,980  
I've got the details of everything

607  
00:34:06,630 --> 00:34:02,890  
second you won't be you won't believe

608  
00:34:08,070 --> 00:34:06,640  
how many people ask me if I do a little

609  
00:34:11,340 --> 00:34:08,080  
talk for a little group here and there

610  
00:34:15,660 --> 00:34:11,350  
about the trouble counting case and for

611  
00:34:17,730 --> 00:34:15,670  
some reason or other people kind of have

612  
00:34:20,520 --> 00:34:17,740  
an inkling of it but it's a significant

613  
00:34:24,660 --> 00:34:20,530

thing could you give us a synopsis and

614

00:34:27,570 --> 00:34:24,670

give you brief synopsis on there the

615

00:34:31,670 --> 00:34:27,580

Trumbull County case happened in 1994

616

00:34:34,410 --> 00:34:31,680

the date I say is approximately somber

617

00:34:36,690 --> 00:34:34,420

some right around there because yeah

618

00:34:38,670 --> 00:34:36,700

leaven their twelfth piston the thing is

619

00:34:41,210 --> 00:34:38,680

there's question about the exact date at

620

00:34:44,160 --> 00:34:41,220

that time because what happened is is

621

00:34:45,960 --> 00:34:44,170

Kenny young who is doing some tremendous

622

00:34:48,159 --> 00:34:45,970

work on here and unfortunately passed

623

00:34:51,010 --> 00:34:48,169

way before his time

624

00:34:55,539 --> 00:34:51,020

happened to get here about this case in

625

00:34:58,510 --> 00:34:55,549

an area called Liberty which is down in

626  
00:34:59,579 --> 00:34:58,520  
actually close to the 8th Liberty Police

627  
00:35:03,339 --> 00:34:59,589  
Department was the one he was

628  
00:35:05,049 --> 00:35:03,349  
questioning because there is a remember

629  
00:35:07,990 --> 00:35:05,059  
correctly as a police chief down there

630  
00:35:09,190 --> 00:35:08,000  
who had reported a crazed you have a

631  
00:35:11,799 --> 00:35:09,200  
word down UFO

632  
00:35:14,650 --> 00:35:11,809  
so Kenny young hears about this I got to

633  
00:35:16,780 --> 00:35:14,660  
check this out so he starts tracking it

634  
00:35:21,039 --> 00:35:16,790  
down and you have to put yourself back

635  
00:35:22,900 --> 00:35:21,049  
to 1994 in 1994 our cellphones didn't

636  
00:35:25,599 --> 00:35:22,910  
have as much capability now that we knew

637  
00:35:28,000 --> 00:35:25,609  
you right now so he's trying to track

638  
00:35:29,740 --> 00:35:28,010

down Liberty Police Department calls

639

00:35:32,859 --> 00:35:29,750

directory assistance name connected with

640

00:35:34,390 --> 00:35:32,869

Liberty Township Police Department which

641

00:35:37,859 --> 00:35:34,400

is in the opposite corner to state yeah

642

00:35:41,500 --> 00:35:37,869

and he says I'd like to know about this

643

00:35:42,849 --> 00:35:41,510

UFO case that was reported down oh yeah

644

00:35:45,940 --> 00:35:42,859

we know about that one it happened two

645

00:35:48,250 --> 00:35:45,950

years ago the date he was looking for it

646

00:35:50,440 --> 00:35:48,260

wasn't two years ago so when he saw that

647

00:35:52,839 --> 00:35:50,450

the dates didn't coincide a red flag

648

00:35:55,150 --> 00:35:52,849

went up right away say hey maybe I got

649

00:35:57,849 --> 00:35:55,160

something better yet yeah and that's

650

00:35:59,410 --> 00:35:57,859

what he stumbled across and it took him

651  
00:36:02,500 --> 00:35:59,420  
if I remember right about two years to

652  
00:36:04,720 --> 00:36:02,510  
recover the 9-1-1 tapes they hear this

653  
00:36:06,089 --> 00:36:04,730  
little box shows up tape two wrapped in

654  
00:36:09,970 --> 00:36:06,099  
a box because the original tapes

655  
00:36:12,609 --> 00:36:09,980  
reportedly disappeared and on the tapes

656  
00:36:15,069 --> 00:36:12,619  
the opening the local clipping was in

657  
00:36:17,770 --> 00:36:15,079  
there it said something the effect of

658  
00:36:18,280 --> 00:36:17,780  
you now have to real you of your real

659  
00:36:22,240 --> 00:36:18,290  
tapes

660  
00:36:25,390 --> 00:36:22,250  
be prepared for something you know

661  
00:36:27,160 --> 00:36:25,400  
something you won't believe and it was

662  
00:36:30,309 --> 00:36:27,170  
all done in clippings from newspapers

663  
00:36:32,109 --> 00:36:30,319

mmm like a kidnapping type yeah because

664

00:36:33,670 --> 00:36:32,119

the people who put that stuff together

665

00:36:36,400 --> 00:36:33,680

who stored a tape and put that stuff

666

00:36:37,790 --> 00:36:36,410

together that does jokes at least that

667

00:36:39,890 --> 00:36:37,800

was a story behind it

668

00:36:41,450 --> 00:36:39,900

he received a box he listened to the

669

00:36:42,110 --> 00:36:41,460

tapes he find out he's got something way

670

00:36:44,690 --> 00:36:42,120

bigger

671

00:36:48,080 --> 00:36:44,700

well I'm History Channel - did the the

672

00:36:50,540 --> 00:36:48,090

segment but also in UFO Hunters a do Co

673

00:36:53,150 --> 00:36:50,550

did one where they went out they got a

674

00:36:54,770 --> 00:36:53,160

hold of the main people involved and

675

00:36:57,050 --> 00:36:54,780

they went through the whole scenario

676

00:36:59,540 --> 00:36:57,060

where an individual on it and the drive

677

00:37:03,160 --> 00:36:59,550

called Sampson drive which by the way

678

00:37:11,600 --> 00:37:06,020

Sampson drive the witness reported

679

00:37:14,060 --> 00:37:11,610

seeing a greenish type light to 9-1-1

680

00:37:17,060 --> 00:37:14,070

he's describing the object there that

681

00:37:18,590 --> 00:37:17,070

you see there they see the 911 operator

682

00:37:21,920 --> 00:37:18,600

it's this classic it's kind of like oh

683

00:37:23,920 --> 00:37:21,930

really okay yeah just a fax okay let's

684

00:37:26,570 --> 00:37:23,930

document you know very matter-of-fact

685

00:37:29,090 --> 00:37:26,580

but then as the evening progresses he

686

00:37:32,480 --> 00:37:29,100

starts getting more phone calls and you

687

00:37:33,920 --> 00:37:32,490

see her nature changing the way meant

688

00:37:36,920 --> 00:37:33,930

this isn't so funny anymore

689

00:37:38,630 --> 00:37:36,930

she calls up her chief chief there's

690

00:37:40,280 --> 00:37:38,640

people reporting out here you know stop

691

00:37:41,840 --> 00:37:40,290

I'll check it out you want me to call

692

00:37:43,910 --> 00:37:41,850

base no don't worry about calling base

693

00:37:45,830 --> 00:37:43,920

I'll check it out you know she goes to

694

00:37:49,100 --> 00:37:45,840

I'm not kidding you and the language

695

00:37:50,570 --> 00:37:49,110

even starts deteriorating her language

696

00:37:54,320 --> 00:37:50,580

starts using much more colorful

697

00:37:56,300 --> 00:37:54,330

metaphors loved the conversation and it

698

00:37:59,720 --> 00:37:56,310

even gets to the point that she does

699

00:38:01,040 --> 00:37:59,730

call the air base up she's asking radar

700

00:38:04,370 --> 00:38:01,050

if they have an English sa-do's no

701  
00:38:06,020 --> 00:38:04,380  
nothing out here 486 miles or 60 miles

702  
00:38:09,050 --> 00:38:06,030  
maybe it was nothing on the radar

703  
00:38:10,610 --> 00:38:09,060  
whatsoever out there and she goes why

704  
00:38:12,830 --> 00:38:10,620  
gotta come up with some answer and you

705  
00:38:14,450 --> 00:38:12,840  
told me something and he comes up with

706  
00:38:16,610 --> 00:38:14,460  
some story about maybe there's like a

707  
00:38:20,990 --> 00:38:16,620  
temperature inversion she goes that'll

708  
00:38:24,380 --> 00:38:21,000  
work and that's you know it's just crazy

709  
00:38:25,640 --> 00:38:24,390  
I mean an officer does go out Toby

710  
00:38:27,890 --> 00:38:25,650  
Marrero goes out

711  
00:38:29,540 --> 00:38:27,900  
toby Burrell by the way it went home to

712  
00:38:31,610 --> 00:38:29,550  
bubblegum machines my Lobby and I said

713  
00:38:32,840 --> 00:38:31,620

if he ever comes in the building kidnap

714

00:38:35,840 --> 00:38:32,850

him bring him back in my office because

715

00:38:37,790 --> 00:38:35,850

I've got talked to that guy but he was

716

00:38:42,860 --> 00:38:37,800

the one who drove down Sampson drive his

717

00:38:46,580 --> 00:38:42,870

car engine dies stops right there his

718

00:38:49,040 --> 00:38:46,590

car dies he gets out an object is above

719

00:38:51,950 --> 00:38:49,050

his cart and he's just looking up the

720

00:38:54,440 --> 00:38:51,960

thing and when he hear that the details

721

00:38:56,510 --> 00:38:54,450

from UFO Hunters they said he considered

722

00:38:58,640 --> 00:38:56,520

drawing his gun he actually did they're

723

00:39:01,730 --> 00:38:58,650

all his gun and he considered taking a

724

00:39:03,460 --> 00:39:01,740

shot at it but thought better well the

725

00:39:07,100 --> 00:39:03,470

thing just huggers earning gradually

726

00:39:09,050 --> 00:39:07,110

disappears but people all over that

727

00:39:10,820 --> 00:39:09,060

region had been reported and there is

728

00:39:13,760 --> 00:39:10,830

likely it may be 7 to 11 different

729

00:39:16,130 --> 00:39:13,770

district law enforcement groups had also

730

00:39:17,780 --> 00:39:16,140

seen the same thing but when you hear

731

00:39:20,620 --> 00:39:17,790

the tapes now this is where you have to

732

00:39:23,210 --> 00:39:20,630

say some of this may have been paranoia

733

00:39:25,520 --> 00:39:23,220

because ok you're seeing it over here

734

00:39:28,010 --> 00:39:25,530

I'll see it over here maybe an officer

735

00:39:30,830 --> 00:39:28,020

even makes a joke about it just kind of

736

00:39:33,650 --> 00:39:30,840

keep the things rolling but to me it's

737

00:39:36,530 --> 00:39:33,660

one of the better three cases we've had

738

00:39:40,070 --> 00:39:36,540

in Ohio the other ones being Portage

739

00:39:43,250 --> 00:39:40,080

County in 1966 and the other is the coin

740

00:39:46,440 --> 00:39:43,260

case back to 1970s those are probably

741

00:39:50,640 --> 00:39:46,450

two top three cases in the state

742

00:39:54,150 --> 00:39:50,650

and they're tremendous and we want to

743

00:39:57,960 --> 00:39:54,160

reopen by the way the coin case and do

744

00:39:59,789 --> 00:39:57,970

it as a project honor for a group that's

745

00:40:01,710 --> 00:39:59,799

our excuse me that's why I wanted to

746

00:40:02,670 --> 00:40:01,720

come in because for 30 years I worked

747

00:40:05,339 --> 00:40:02,680

for the power company as a

748

00:40:07,200 --> 00:40:05,349

troubleshooter and all this and it's in

749

00:40:08,849 --> 00:40:07,210

the net they bought the Cleveland lights

750

00:40:12,420 --> 00:40:08,859

and I speaking with these gentlemen

751

00:40:14,579 --> 00:40:12,430

earlier we used to go down to the South

752

00:40:16,950 --> 00:40:14,589

margin off to shore we put our big booms

753

00:40:19,740 --> 00:40:16,960

in the air right go up there look and

754

00:40:22,170 --> 00:40:19,750

and I saw the one over there by channel

755

00:40:24,269 --> 00:40:22,180

8 and the South London off and the big

756

00:40:27,450 --> 00:40:24,279

military aircraft come down and it's

757

00:40:28,890 --> 00:40:27,460

refueling and my sister told me there's

758

00:40:29,759 --> 00:40:28,900

some home and that has to be allowed

759

00:40:31,829 --> 00:40:29,769

they live right on the lake

760

00:40:33,390 --> 00:40:31,839

then her housekeeper saw those big

761

00:40:36,240 --> 00:40:33,400

planes out and late

762

00:40:39,019 --> 00:40:36,250

and here they're having dis I'm not just

763

00:40:42,539 --> 00:40:39,029

being the far-right debunk or whatever

764

00:40:45,269 --> 00:40:42,549

but a lot of people are commenting about

765

00:40:46,829 --> 00:40:45,279

that Cleveland lights and I live by

766

00:40:49,650 --> 00:40:46,839

Cleveland Hopkins Airport and they're

767

00:40:51,450 --> 00:40:49,660

out there planes over darle I was the

768

00:40:55,529 --> 00:40:51,460

one so does Burke Lakefront Airport I

769

00:40:56,759 --> 00:40:55,539

was one in 2009 2010 who again this is

770

00:41:00,480 --> 00:40:56,769

another Christmas card I won't be

771

00:41:02,099 --> 00:41:00,490

getting because the guy didn't like it

772

00:41:02,340 --> 00:41:02,109

was actually a young gentleman over and

773

00:41:03,990 --> 00:41:02,350

you

774

00:41:07,710 --> 00:41:04,000

who reported seeing lights like nine

775

00:41:09,180 --> 00:41:07,720

days in a row and this is where you just

776

00:41:11,340 --> 00:41:09,190

can't talk to him you talk to other

777

00:41:13,020 --> 00:41:11,350

people around the room and I found out

778

00:41:14,580 --> 00:41:13,030

that he just moved into an apartment a

779

00:41:17,730 --> 00:41:14,590

couple months beforehand overlooking the

780

00:41:19,910 --> 00:41:17,740

lake he moved from a ranch house he was

781

00:41:22,200 --> 00:41:19,920

also trying to get into theater you know

782

00:41:25,230 --> 00:41:22,210

at that point because I found his name

783

00:41:27,840 --> 00:41:25,240

on Playhouse Square trying to be getting

784

00:41:30,330 --> 00:41:27,850

a small acting jobs but the biggest

785

00:41:33,540 --> 00:41:30,340

thing was is he was seeing aircraft and

786

00:41:35,760 --> 00:41:33,550

I nailed it 20 different ways I talked

787

00:41:41,000 --> 00:41:35,770

to pilots and building altitude hair

788

00:41:49,010 --> 00:41:45,060

mean if you make them out to be stupid I

789

00:41:55,630 --> 00:41:52,440

one time I did an experiment twice

790

00:42:01,590 --> 00:41:59,280

on an arbitrary game from the

791

00:42:02,440 --> 00:42:01,600

I thought it was kind enough to pay for

792

00:42:07,270 --> 00:42:02,450

workers

793

00:42:09,349 --> 00:42:07,280

there's a citywide Atlanta area was

794

00:42:11,870 --> 00:42:09,359

conserved smaller

795

00:42:14,450 --> 00:42:11,880

you upper sky watch which I'm the

796

00:42:14,460 --> 00:42:17,349

the

797

00:42:17,359 --> 00:42:20,280

every day

798

00:42:33,690 --> 00:42:29,880

you say that my theory was that if you

799

00:42:37,150 --> 00:42:33,700

call a citywide Skywatch

800

00:42:40,230 --> 00:42:37,160

if your foes have something to do

801  
00:42:48,290 --> 00:42:43,630  
some ill-defined but interesting way

802  
00:42:51,620 --> 00:42:48,300  
there will be reports of lots of

803  
00:42:54,440 --> 00:42:51,630  
simply because I

804  
00:42:59,479 --> 00:42:54,450  
10 or 12 words say UFOs Skywatch

805  
00:43:01,759 --> 00:42:59,489  
citywide all this if not that I would

806  
00:43:04,849 --> 00:43:01,769  
get few calls and didn't Leslie be you

807  
00:43:07,470 --> 00:43:04,859  
know haha right I got a few calls we got

808  
00:43:10,260 --> 00:43:07,480  
hundreds of balls ok well

809  
00:43:16,500 --> 00:43:10,270  
but one dime is some of them were good

810  
00:43:16,510 --> 00:43:20,340  
bringing it

811  
00:43:27,329 --> 00:43:23,230  
treetop level in English away

812  
00:43:30,760 --> 00:43:27,339  
give us number feet or at the level and

813  
00:43:34,569 --> 00:43:30,770

it happens that on one occasion that I

814

00:43:37,660 --> 00:43:34,579

was very polite with these southern

815

00:43:42,900 --> 00:43:40,660

understand southern weather stick with

816

00:43:51,039 --> 00:43:42,910

your man or not unless you're ready to

817

00:43:53,620 --> 00:43:51,049

keep the Minotaur hang me for something

818

00:43:55,480 --> 00:43:53,630

like this I had this very neutral voice

819

00:43:58,880 --> 00:43:55,490

but sometimes people would add what do

820

00:44:01,989 --> 00:43:58,890

you think that was and a guy calls

821

00:44:03,849 --> 00:44:01,999

and he describes Venus

822

00:44:05,390 --> 00:44:03,859

we were at this was neglecting the

823

00:44:11,730 --> 00:44:05,400

sixties

824

00:44:11,740 --> 00:44:18,010

what you're describing it that

825

00:44:18,020 --> 00:44:23,870

and still see it because

826

00:44:23,880 --> 00:44:29,359

I'm a veteran yes

827

00:44:36,529 --> 00:44:33,609

it shows that the man and invested

828

00:44:40,880 --> 00:44:36,539

something of himself so that this bright

829

00:44:43,549 --> 00:44:40,890

light as that was this was him and the

830

00:44:44,529 --> 00:44:43,559

infinite I'm a better than if I was in

831

00:44:52,910 --> 00:44:44,539

the Air Force

832

00:44:55,640 --> 00:44:52,920

well I refuel plant the point is that

833

00:44:59,089 --> 00:44:55,650

the man responded within the nation

834

00:45:02,319 --> 00:44:59,099

right yes and like I had said you were a

835

00:45:05,209 --> 00:45:02,329

coward and an evil person because you

836

00:45:07,339 --> 00:45:05,219

identified something so you're adults

837

00:45:10,009 --> 00:45:07,349

and that's responded with with his

838

00:45:11,900 --> 00:45:10,019

greatest credit and life the thing that

839

00:45:23,839 --> 00:45:11,910

he was most proud of this was the UNAM

840

00:45:27,170 --> 00:45:23,849

era so he had probably or why are they

841

00:45:29,950 --> 00:45:27,180

probably mean a fool and a bad person

842

00:45:32,390 --> 00:45:29,960

don't you understand that I saw

843

00:45:36,319 --> 00:45:32,400

something that gave me a glimpse of the

844

00:45:37,729 --> 00:45:36,329

infinite right and you're right dude I

845

00:45:40,099 --> 00:45:37,739

thanks for my investigators that you

846

00:45:41,959 --> 00:45:40,109

have to also have a thick skin being an

847

00:45:43,219 --> 00:45:41,969

investigation because you're going to

848

00:45:45,589 --> 00:45:43,229

get the point where you're gonna have

849

00:45:48,259 --> 00:45:45,599

you can be a Southern gentleman

850

00:45:50,839 --> 00:45:48,269

you can present I wasn't it so and I

851

00:45:53,059 --> 00:45:50,849

even presented details but it's that

852

00:45:55,339 --> 00:45:53,069

indict a communication that they run

853

00:45:58,099 --> 00:45:55,349

into your debunking me know not be

854

00:46:01,029 --> 00:45:58,109

bunking I'm just presenting facts I even

855

00:46:05,660 --> 00:46:01,039

was down on the lake with my iPad

856

00:46:07,219 --> 00:46:05,670

pulling up flight over where these two

857

00:46:09,019 --> 00:46:07,229

young kids were down there with me

858

00:46:10,640 --> 00:46:09,029

always doing party investigation this

859

00:46:12,920 --> 00:46:10,650

guy had seen the objects eight days in a

860

00:46:14,959 --> 00:46:12,930

row now if you see objects at eight days

861

00:46:16,339 --> 00:46:14,969

were on the same area of the sky it kind

862

00:46:19,670 --> 00:46:16,349

of makes you think maybe there's a

863

00:46:21,319 --> 00:46:19,680

natural explanation so I'm founder eight

864

00:46:23,579 --> 00:46:21,329

days Moreau in March

865

00:46:25,680 --> 00:46:23,589

freezing my little bananas

866

00:46:28,349 --> 00:46:25,690

down there because it was cold down here

867

00:46:30,059 --> 00:46:28,359

in March on the lake and two kids are

868

00:46:32,309 --> 00:46:30,069

down there seeing her you reported you

869

00:46:33,870 --> 00:46:32,319

know like cameras set up all over the

870

00:46:36,599 --> 00:46:33,880

place I think um you look like a

871

00:46:39,569 --> 00:46:36,609

reporter no I'm not a reporter you think

872

00:46:42,539 --> 00:46:39,579

we're gonna see a flying saucer and I

873

00:46:44,130 --> 00:46:42,549

had my pad out and I could see it was

874

00:46:45,900 --> 00:46:44,140

like at that time a United Airlines

875

00:46:48,390 --> 00:46:45,910

flight coming in from Minneapolis st.

876

00:46:50,279 --> 00:46:48,400

Paul they go about two minutes and

877

00:46:52,620 --> 00:46:50,289

Mitchum the scene was right out there

878

00:46:54,630 --> 00:46:52,630

this light pops up in two minutes in

879

00:46:56,880 --> 00:46:54,640

these kids are like how could you know

880

00:46:59,700 --> 00:46:56,890

that and they didn't know what I was

881

00:47:01,440 --> 00:46:59,710

looking at on my pad yeah and what

882

00:47:03,479 --> 00:47:01,450

happened to is you'd have one flight

883

00:47:05,309 --> 00:47:03,489

coming in after another one and if

884

00:47:07,709 --> 00:47:05,319

you've ever been like knit wear a court

885

00:47:09,809 --> 00:47:07,719

like oh here were to stack up one after

886

00:47:12,569 --> 00:47:09,819

the other one it makes his gyration

887

00:47:15,059 --> 00:47:12,579

around me and the witness again could

888

00:47:16,979 --> 00:47:15,069

even listen to what he was saying even

889

00:47:18,509 --> 00:47:16,989

on the news broadcast he says I can't

890

00:47:21,359 --> 00:47:18,519

understand why they always turn to the

891

00:47:24,299 --> 00:47:21,369

Southwest because that was a final

892

00:47:25,979 --> 00:47:24,309

approach for Hopkins every one of me

893

00:47:28,140 --> 00:47:25,989

would not listen to himself but when I

894

00:47:31,680 --> 00:47:28,150

brought it up and they said well here's

895

00:47:34,349 --> 00:47:31,690

the thing he did I was out there I said

896

00:47:35,910 --> 00:47:34,359

I got an angle above the horizon I could

897

00:47:39,749 --> 00:47:35,920

see lights coming and Turing at a point

898

00:47:42,630 --> 00:47:39,759

I contacted a pilot in Delta I said

899

00:47:44,489 --> 00:47:42,640

where you turn it on your final approach

900

00:47:47,160 --> 00:47:44,499

does what we head towards Euclid which

901  
00:47:49,259 --> 00:47:47,170  
is where was that we make a turn heading

902  
00:47:50,489 --> 00:47:49,269  
back in I said what's your altitude he

903  
00:47:52,950 --> 00:47:50,499  
was one of the five thousand feet

904  
00:47:55,249 --> 00:47:52,960  
heading up to it or not took that five

905  
00:47:58,700 --> 00:47:55,259  
thousand feet my angle above the horizon

906  
00:48:01,859 --> 00:47:58,710  
it tricked out to be 11 miles out of it

907  
00:48:04,440 --> 00:48:01,869  
11 miles is worried he said basically

908  
00:48:07,620 --> 00:48:04,450  
where they're returning it it matched

909  
00:48:11,279 --> 00:48:07,630  
their I had my group in Euclid add

910  
00:48:12,959 --> 00:48:11,289  
another group in Lakewood they're

911  
00:48:17,069 --> 00:48:12,969  
watching the lights go across the sky

912  
00:48:20,039 --> 00:48:17,079  
this way dim they would be bright

913  
00:48:22,349 --> 00:48:20,049

towards me then I'd say when I look when

914

00:48:23,849 --> 00:48:22,359

I call you let me know what happens but

915

00:48:25,229 --> 00:48:23,859

when the lights start dimming towards me

916

00:48:26,459 --> 00:48:25,239

and I started hitting the Southwest I

917

00:48:27,989 --> 00:48:26,469

called him and said well what's up the

918

00:48:31,530 --> 00:48:27,999

old lights are getting bright enough and

919

00:48:33,150 --> 00:48:31,540

they could see aircraft coming in we

920

00:48:38,100 --> 00:48:33,160

that's think twenty different ways but

921

00:48:39,990 --> 00:48:38,110

this kid goes you're crazy you should

922

00:48:41,490 --> 00:48:40,000

have taken an airplane out and the one

923

00:48:44,070 --> 00:48:41,500

out there and investigated that when an

924

00:48:46,710 --> 00:48:44,080

airplane or helicopter I said but here's

925

00:48:49,740 --> 00:48:46,720

the reality as argumentative before he

926  
00:48:51,600 --> 00:48:49,750  
as he was I said I could go on out there

927  
00:48:54,570 --> 00:48:51,610  
splattered on the windscreen of that

928  
00:48:56,010 --> 00:48:54,580  
United Airlines plane and your comeback

929  
00:48:58,410 --> 00:48:56,020  
would have been oh that just happen to

930  
00:48:59,730 --> 00:48:58,420  
be a random plaintiff in the area it's a

931  
00:49:01,800 --> 00:48:59,740  
no-win situation

932  
00:49:03,630 --> 00:49:01,810  
and I wrote a whole story on this one by

933  
00:49:05,720 --> 00:49:03,640  
the way about his comment saying and we

934  
00:49:07,560 --> 00:49:05,730  
have to know it's time in the line

935  
00:49:11,250 --> 00:49:07,570  
because you're never gonna win that

936  
00:49:12,600 --> 00:49:11,260  
argument out there but anyone and you

937  
00:49:14,670 --> 00:49:12,610  
mentioned on your buddy at the meeting

938  
00:49:16,740 --> 00:49:14,680

that I mean this one mentioned it

939

00:49:18,990 --> 00:49:16,750

I'm from the clean me follow G projects

940

00:49:20,970 --> 00:49:19,000

who is co-director very clerk we're

941

00:49:24,210 --> 00:49:20,980

having a meeting tonight at tri-c West

942

00:49:26,100 --> 00:49:24,220

if anybody's interested in coming help

943

00:49:28,320 --> 00:49:26,110

Phyllis buddy who's gonna be here later

944

00:49:30,300 --> 00:49:28,330

is gonna be out there tonight and she's

945

00:49:32,040 --> 00:49:30,310

gonna be expanding more tonight out

946

00:49:34,140 --> 00:49:32,050

there that okay but it's a very nice

947

00:49:36,540 --> 00:49:34,150

location at tri-c West we have monthly

948

00:49:37,650 --> 00:49:36,550

meetings out there purism and I can

949

00:49:40,710 --> 00:49:37,660

always get you the contact information

950

00:49:42,120 --> 00:49:40,720

if you're yeah I've got into I've got

951  
00:49:44,160 --> 00:49:42,130  
then well I mean for the directions

952  
00:49:47,100 --> 00:49:44,170  
tonight and we always vary the topics

953  
00:49:48,200 --> 00:49:47,110  
each month we rotate it around we touch

954  
00:49:51,150 --> 00:49:48,210  
on a little bit of everything because

955  
00:49:53,880 --> 00:49:51,160  
who knows the relationship all this

956  
00:49:57,930 --> 00:49:53,890  
stuff comes together you know

957  
00:49:59,760 --> 00:49:57,940  
there's so many different fields and I'm

958  
00:50:02,820 --> 00:49:59,770  
one of us very open-minded somebody says

959  
00:50:07,740 --> 00:50:02,830  
you know where to come from no I don't

960  
00:50:09,540 --> 00:50:07,750  
have the answer when you do you have

961  
00:50:12,690 --> 00:50:09,550  
people like screen your reports that

962  
00:50:14,940 --> 00:50:12,700  
come in here well let me ask you the

963  
00:50:16,470 --> 00:50:14,950

epic or not I'm very very honest when I

964

00:50:18,060 --> 00:50:16,480

when people ask me about the

965

00:50:21,390 --> 00:50:18,070

organization's I'm with and I don't lie

966

00:50:23,790 --> 00:50:21,400

I got into it the other day on the phone

967

00:50:26,910 --> 00:50:23,800

with one of the people in our media and

968

00:50:29,250 --> 00:50:26,920

I said you know what a phone call comes

969

00:50:32,520 --> 00:50:29,260

in to MUFON it goes into our national

970

00:50:33,990 --> 00:50:32,530

database which is in California what

971

00:50:35,990 --> 00:50:34,000

they do is they've got people who go

972

00:50:38,700 --> 00:50:36,000

back and they clean those off and say

973

00:50:40,710 --> 00:50:38,710

this one's Ohio send it to Hollywood

974

00:50:42,480 --> 00:50:40,720

this one's California goes to California

975

00:50:44,820 --> 00:50:42,490

they send it back to the States

976  
00:50:46,500 --> 00:50:44,830  
but my first thing is if you have

977  
00:50:48,060 --> 00:50:46,510  
somebody separating those out to begin

978  
00:50:50,150 --> 00:50:48,070  
with without a computer doing it

979  
00:50:52,440 --> 00:50:50,160  
automatically with no human intervention

980  
00:50:58,740 --> 00:50:52,450  
how do you know something isn't cleaned

981  
00:51:02,120 --> 00:50:58,750  
off at some point is when now of course

982  
00:51:05,010 --> 00:51:02,130  
they come in to you you find yourself

983  
00:51:06,560 --> 00:51:05,020  
without reports community you find

984  
00:51:08,030 --> 00:51:06,570  
yourself maybe you

985  
00:51:10,130 --> 00:51:08,040  
on your own you're finding out something

986  
00:51:12,710 --> 00:51:10,140  
else when you go investigate and Alan

987  
00:51:16,090 --> 00:51:12,720  
was talking about people that might have

988  
00:51:18,350 --> 00:51:16,100

liked the neighbors that you have no

989

00:51:21,350 --> 00:51:18,360

they don't have the interest in whatever

990

00:51:24,830 --> 00:51:21,360

this was saying you find yourself being

991

00:51:26,390 --> 00:51:24,840

unwelcome at times when you you can even

992

00:51:28,940 --> 00:51:26,400

find yourself being kind of shut down

993

00:51:30,370 --> 00:51:28,950

because you may have neighbors that

994

00:51:32,900 --> 00:51:30,380

don't care for the neighbor next door

995

00:51:34,070 --> 00:51:32,910

you may have people to say I want to

996

00:51:36,410 --> 00:51:34,080

talk about anything like that you know I

997

00:51:39,770 --> 00:51:36,420

may because of personal beliefs whatever

998

00:51:41,300 --> 00:51:39,780

no when you look like you know we're

999

00:51:43,970 --> 00:51:41,310

talking about those two guys it was a

1000

00:51:45,530 --> 00:51:43,980

soft word did they ask you to come and

1001  
00:51:47,410 --> 00:51:45,540  
talk to them did you go down there you

1002  
00:51:49,510 --> 00:51:47,420  
just went down they filed the report

1003  
00:51:51,980 --> 00:51:49,520  
with our national headquarters

1004  
00:51:54,980 --> 00:51:51,990  
headquarters gave me their phone numbers

1005  
00:51:56,390 --> 00:51:54,990  
my contact the demo and one of the

1006  
00:51:58,730 --> 00:51:56,400  
things I told my want to do is I'm going

1007  
00:52:00,200 --> 00:51:58,740  
to take you back down basin to me like

1008  
00:52:02,420 --> 00:52:00,210  
the lion's den we're gonna right back to

1009  
00:52:03,890 --> 00:52:02,430  
the Lions never right now I want to see

1010  
00:52:06,770 --> 00:52:03,900  
the reaction I want to see everything as

1011  
00:52:09,080 --> 00:52:06,780  
immediate as I can also I'm not giving

1012  
00:52:10,750 --> 00:52:09,090  
them time if somebody's gonna fabricate

1013  
00:52:12,500 --> 00:52:10,760

something the less time they have

1014

00:52:14,960 --> 00:52:12,510

they're not get a chance to maybe

1015

00:52:16,510 --> 00:52:14,970

fabricating as much stuff or forget

1016

00:52:19,430 --> 00:52:16,520

stuff that's gonna be fresh in the line

1017

00:52:22,460 --> 00:52:19,440

and they went down without hesitation on

1018

00:52:24,620 --> 00:52:22,470

it I was very impressed in the gentleman

1019

00:52:27,440 --> 00:52:24,630

downer because of health forthcoming

1020

00:52:29,390 --> 00:52:27,450

appear and then this is where you start

1021

00:52:31,700 --> 00:52:29,400

reaching out in other areas because I

1022

00:52:36,380 --> 00:52:31,710

went down visit him at their house which

1023

00:52:40,370 --> 00:52:36,390

is down in the barber there and the week

1024

00:52:43,250 --> 00:52:40,380

after it happened the 40 Turell and his

1025

00:52:45,350 --> 00:52:43,260

wife the 19 year old who's the boyfriend

1026  
00:52:46,670 --> 00:52:45,360  
of the guy's daughter we're all sleeping

1027  
00:52:50,480 --> 00:52:46,680  
in the living room at night because

1028  
00:52:51,870 --> 00:52:50,490  
they're too terrified to go outside they

1029  
00:52:53,670 --> 00:52:51,880  
were too scared

1030  
00:52:55,440 --> 00:52:53,680  
they said we won't go outside they

1031  
00:52:56,609 --> 00:52:55,450  
didn't work for three days because he

1032  
00:52:59,069 --> 00:52:56,619  
could they didn't know how to reason I

1033  
00:53:00,839 --> 00:52:59,079  
mean he owns his own business even like

1034  
00:53:04,319 --> 00:53:00,849  
construction he says I couldn't want to

1035  
00:53:07,319 --> 00:53:04,329  
work for three days a week later he

1036  
00:53:09,779 --> 00:53:07,329  
still upset couple weeks later still

1037  
00:53:12,329 --> 00:53:09,789  
upset and you can see a lot of body

1038  
00:53:14,099 --> 00:53:12,339

language on and then this is where you

1039

00:53:17,039 --> 00:53:14,109

reach on to some of the other things I

1040

00:53:19,380 --> 00:53:17,049

said you know sometimes I have any usual

1041

00:53:22,079 --> 00:53:19,390

feelings myself because like I don't

1042

00:53:23,609 --> 00:53:22,089

want to say I'm psychic no claims of

1043

00:53:28,230 --> 00:53:23,619

being psychic so I'll go ahead and say

1044

00:53:30,930 --> 00:53:28,240

it I'm psychic damn it no sometimes I've

1045

00:53:34,200 --> 00:53:30,940

had sensations yeah and I've talked to

1046

00:53:35,549 --> 00:53:34,210

Phyllis about these and some goes back

1047

00:53:36,779 --> 00:53:35,559

to I mean we've all heard about the

1048

00:53:39,029 --> 00:53:36,789

remote viewing and all these other

1049

00:53:42,740 --> 00:53:39,039

things who knows how much power the

1050

00:53:45,769 --> 00:53:42,750

human mind really has who knows how much

1051  
00:53:48,240 --> 00:53:45,779  
when I was down here at the State Park

1052  
00:53:49,440 --> 00:53:48,250  
I'm one that I went back down the

1053  
00:53:51,240 --> 00:53:49,450  
following weekend at three in the

1054  
00:53:54,900 --> 00:53:51,250  
morning by myself walking around the

1055  
00:53:56,819 --> 00:53:54,910  
state park it doesn't bother the one

1056  
00:53:59,880 --> 00:53:56,829  
night I was down if the 19 year old on

1057  
00:54:01,519 --> 00:53:59,890  
the original report though he's bouncing

1058  
00:54:05,249 --> 00:54:01,529  
all over the walls I mean is so nervous

1059  
00:54:07,740 --> 00:54:05,259  
one time I felt I called an energy off

1060  
00:54:10,289 --> 00:54:07,750  
in one direction he reacted and I felt

1061  
00:54:11,730 --> 00:54:10,299  
something out there feels like

1062  
00:54:15,190 --> 00:54:11,740  
something's out there is just like five

1063  
00:54:18,279 --> 00:54:15,200

seconds going didn't happen

1064

00:54:20,710 --> 00:54:18,289

following weekend when I went down I'm

1065

00:54:23,259 --> 00:54:20,720

walking all around the park it was like

1066

00:54:23,829 --> 00:54:23,269

a u-shaped area that there were over

1067

00:54:26,259 --> 00:54:23,839

here

1068

00:54:28,660 --> 00:54:26,269

I checked the instruments everything I

1069

00:54:30,479 --> 00:54:28,670

had I couldn't detect anything and a

1070

00:54:33,339 --> 00:54:30,489

residual energy of any sort down there

1071

00:54:36,609 --> 00:54:33,349

I'm walking over this other big clearing

1072

00:54:39,999 --> 00:54:36,619

on the other side and hear him in front

1073

00:54:40,630 --> 00:54:40,009

of his tree completely dark like 4:00 in

1074

00:54:43,450 --> 00:54:40,640

the morning

1075

00:54:45,279 --> 00:54:43,460

I've got Trifield meters and stuff out

1076

00:54:47,289 --> 00:54:45,289

I'm looking at just for curiosity so if

1077

00:54:52,269 --> 00:54:47,299

there's anything on those and I'm

1078

00:54:55,120 --> 00:54:52,279

looking to meet her awesome like son of

1079

00:54:57,579 --> 00:54:55,130

a I'm feeling something right here

1080

00:55:01,620 --> 00:54:57,589

and I looked down I was standing in a

1081

00:55:05,769 --> 00:55:03,640

circular-shaped mom dead center in the

1082

00:55:09,099 --> 00:55:05,779

bull's eye and that was the only path to

1083

00:55:10,359 --> 00:55:09,109

catch I found in that whole area but I

1084

00:55:13,900 --> 00:55:10,369

took samples I've got for Phil's

1085

00:55:15,519 --> 00:55:13,910

employer but I'm like I don't know what

1086

00:55:17,229 --> 00:55:15,529

it was but if I kind of felt an energy

1087

00:55:18,999 --> 00:55:17,239

would have lasted for about a minute a

1088

00:55:22,089 --> 00:55:19,009

sensation was going over masive

1089

00:55:23,739 --> 00:55:22,099

something was here I don't know what but

1090

00:55:27,640 --> 00:55:23,749

that state parks also got other

1091

00:55:29,979 --> 00:55:27,650

paranormal things down there and when it

1092

00:55:33,339 --> 00:55:29,989

was in his house I felt something really

1093

00:55:34,170 --> 00:55:33,349

unusual and I said I have a question for

1094

00:55:39,940 --> 00:55:34,180

you

1095

00:55:42,160 --> 00:55:39,950

here he goes right across the street

1096

00:55:44,760 --> 00:55:42,170

they were on a their road was a little

1097

00:55:48,490 --> 00:55:44,770

small country road that came came back

1098

00:55:51,390 --> 00:55:48,500

there on one side he owned 55 acres the

1099

00:55:54,250 --> 00:55:51,400

other side of the road was Indian nose

1100

00:55:57,880 --> 00:55:54,260

and I just had a sensation was something

1101  
00:56:01,890 --> 00:55:57,890  
like that there in the region I've also

1102  
00:56:05,319 --> 00:56:01,900  
had and this is a really wild world I

1103  
00:56:07,180 --> 00:56:05,329  
wrote an article about how at times I

1104  
00:56:09,220 --> 00:56:07,190  
think investigators in this field may

1105  
00:56:12,310 --> 00:56:09,230  
actually have a close connection back to

1106  
00:56:15,579 --> 00:56:12,320  
this for another reason that maybe we've

1107  
00:56:17,020 --> 00:56:15,589  
had our own experiences in Singapore and

1108  
00:56:19,599 --> 00:56:17,030  
I kind of call it like a moth being

1109  
00:56:21,130 --> 00:56:19,609  
drawn back to a flame did you keep

1110  
00:56:24,190 --> 00:56:21,140  
coming back for some reason like a bug

1111  
00:56:27,700 --> 00:56:24,200  
zapper you know why did a investigation

1112  
00:56:30,130 --> 00:56:27,710  
long distance on the porter repo where

1113  
00:56:32,859 --> 00:56:30,140

the witness from Puerto Rico called

1114

00:56:34,030 --> 00:56:32,869

MUFON up they have no investigators they

1115

00:56:35,620 --> 00:56:34,040

said would you reach out and call the

1116

00:56:39,880 --> 00:56:35,630

witness up we talked to her get her

1117

00:56:42,339 --> 00:56:39,890

story I called her up and she's just

1118

00:56:45,760 --> 00:56:42,349

describing a UFO follow me or mom down

1119

00:56:48,250 --> 00:56:45,770

the road which he doesn't believe mom

1120

00:56:51,040 --> 00:56:48,260

pulls in the dry of mom says UFO follows

1121

00:56:53,200 --> 00:56:51,050

her and the daughter doesn't believe it

1122

00:56:55,780 --> 00:56:53,210

about her goes out mom pulls on the car

1123

00:56:57,150 --> 00:56:55,790

goes down the road UFO actually followed

1124

00:56:59,530 --> 00:56:57,160

it down the road

1125

00:57:02,140 --> 00:56:59,540

and the daughters kind of blown away by

1126

00:57:04,120 --> 00:57:02,150

this so the daughter follows the files

1127

00:57:06,760 --> 00:57:04,130

to report

1128

00:57:10,180 --> 00:57:06,770

as we're talking this is where the whole

1129

00:57:11,920 --> 00:57:10,190

story takes in the return she pauses for

1130

00:57:15,160 --> 00:57:11,930

a bit she's thinking he just hears

1131

00:57:18,970 --> 00:57:15,170

silence on the other end before she says

1132

00:57:21,370 --> 00:57:18,980

another word I'm sitting at my desk my

1133

00:57:25,630 --> 00:57:21,380

office on there and I'm making notes all

1134

00:57:28,510 --> 00:57:25,640

sudden I see a vision in my mind of

1135

00:57:30,220 --> 00:57:28,520

somebody setting in a dark room and I'm

1136

00:57:32,710 --> 00:57:30,230

that person like looking in a dark room

1137

00:57:34,450 --> 00:57:32,720

looking towards Windows I see windows

1138

00:57:36,310 --> 00:57:34,460

going all across the far side of the

1139

00:57:39,370 --> 00:57:36,320

room and I'm not making this up it's

1140

00:57:41,220 --> 00:57:39,380

good story though but I'm seeing these

1141

00:57:45,040 --> 00:57:41,230

windows go all the way across the room

1142

00:57:48,310 --> 00:57:45,050

I'm sitting in a dark room and also and

1143

00:57:50,920 --> 00:57:48,320

I see this shadowy figure on the other

1144

00:57:53,500 --> 00:57:50,930

side of the room shorter than room

1145

00:57:57,460 --> 00:57:53,510

height and also short and stature thick

1146

00:57:59,110 --> 00:57:57,470

figure and she says well me and my

1147

00:58:00,640 --> 00:57:59,120

mother have also had some other things

1148

00:58:06,460 --> 00:58:00,650

over the years - what I've talked to you

1149

00:58:09,160 --> 00:58:06,470

about she goes well one night I was

1150

00:58:11,680 --> 00:58:09,170

sitting in my living room nice to

1151  
00:58:13,210 --> 00:58:11,690  
describe your Lydia she goes well I was

1152  
00:58:16,120 --> 00:58:13,220  
looking towards the window is in my

1153  
00:58:17,740 --> 00:58:16,130  
living room and she goes I said what

1154  
00:58:21,880 --> 00:58:17,750  
type of with us well they stretch all

1155  
00:58:23,740 --> 00:58:21,890  
the way across the wall and I said tell

1156  
00:58:25,420 --> 00:58:23,750  
me more and she goes well the night

1157  
00:58:28,720 --> 00:58:25,430  
light was coming it was like ambient

1158  
00:58:30,130 --> 00:58:28,730  
light light which I'd seen and she goes

1159  
00:58:31,690 --> 00:58:30,140  
I'm looking at these windows I can't

1160  
00:58:35,800 --> 00:58:31,700  
believe I'm seeing a figure standing

1161  
00:58:37,300 --> 00:58:35,810  
directly in front of the windows and I

1162  
00:58:40,240 --> 00:58:37,310  
said really

1163  
00:58:41,920 --> 00:58:40,250

what about that figure she as well as a

1164

00:58:43,420 --> 00:58:41,930

short blue any day couldn't make any

1165

00:58:47,980 --> 00:58:43,430

characteristics I was just and I don't

1166

00:58:50,050 --> 00:58:47,990

mind him the night sky you know okay so

1167

00:58:51,910 --> 00:58:50,060

I'm she can picture me right now I'm

1168

00:58:55,330 --> 00:58:51,920

trying to figure out okay let's get as

1169

00:58:57,400 --> 00:58:55,340

much details we can finally after about

1170

00:58:58,960 --> 00:58:57,410

twenty minutes she goes well I said

1171

00:59:01,240 --> 00:58:58,970

describe your room to me how it was

1172

00:59:02,800 --> 00:59:01,250

physically laid out you know she goes

1173

00:59:04,540 --> 00:59:02,810

well where was that you walk out and he

1174

00:59:07,990 --> 00:59:04,550

stepped down to a lower section to the

1175

00:59:11,620 --> 00:59:08,000

living room because it's something and I

1176

00:59:15,130 --> 00:59:11,630

reckon one damn I nailed that I don't

1177

00:59:17,110 --> 00:59:15,140

know how but the shorter figure and

1178

00:59:18,490 --> 00:59:17,120

stature I saw was actually sunk in the

1179

00:59:21,550 --> 00:59:18,500

sunken living room below were lovable

1180

00:59:23,500 --> 00:59:21,560

and I saw it in my mind before she ever

1181

00:59:26,170 --> 00:59:23,510

spoke algorithm uttered one word about

1182

00:59:27,880 --> 00:59:26,180

the scribing the whole thing so at times

1183

00:59:31,690 --> 00:59:27,890

I think maybe some of us have

1184

00:59:36,300 --> 00:59:31,700

connections bad based on maybe prior

1185

00:59:38,610 --> 00:59:36,310

experiences of some sort good good yeah

1186

00:59:41,710 --> 00:59:38,620

commenting on that on Puerto Rico one

1187

00:59:44,620 --> 00:59:41,720

all the houses are built on slabs so

1188

00:59:46,930 --> 00:59:44,630

there is no step found to the people are

1189

00:59:48,790 --> 00:59:46,940

very superstitious she wasn't a more of

1190

00:59:50,140 --> 00:59:48,800

a she wasn't all that house okay when

1191

00:59:52,180 --> 00:59:50,150

you were talking to Porto Rico and then

1192

00:59:56,170 --> 00:59:52,190

over there last year

1193

00:59:58,480 --> 00:59:56,180

change into 2015 they discovered Chinese

1194

01:00:01,480 --> 00:59:58,490

lanterns so everybody was sent him up or

1195

01:00:03,580 --> 01:00:01,490

now they got a suit and anybody in the

1196

01:00:06,070 --> 01:00:03,590

cities right sending them up they're

1197

01:00:07,720 --> 01:00:06,080

gonna get lawsuit on hmm another thing

1198

01:00:10,270 --> 01:00:07,730

which people seeing things flying around

1199

01:00:12,190 --> 01:00:10,280

over there the government has a lot of

1200

01:00:14,560 --> 01:00:12,200

naval bases over there and they're

1201

01:00:19,900 --> 01:00:14,570

flying drones all over the place over

1202

01:00:22,030 --> 01:00:19,910

there and because I know a third thing

1203

01:00:23,590 --> 01:00:22,040

is about a MUFON investigator my

1204

01:00:25,090 --> 01:00:23,600

question that they had how did I see

1205

01:00:25,330 --> 01:00:25,100

that in my mind before she ever said a

1206

01:00:28,480 --> 01:00:25,340

word

1207

01:00:31,600 --> 01:00:28,490

yeah well answer that one yeah the human

1208

01:00:33,400 --> 01:00:31,610

condition how's that okay you wanna get

1209

01:00:35,200 --> 01:00:33,410

with the speedy stops by the doctor how

1210

01:00:36,370 --> 01:00:35,210

can I visualize everything without

1211

01:00:39,070 --> 01:00:36,380

meeting her in any way

1212

01:00:41,710 --> 01:00:39,080

I don't know that question but nothing

1213

01:00:42,980 --> 01:00:41,720

over there is uh you said that we'll

1214

01:00:47,930 --> 01:00:42,990

find any investigator

1215

01:00:50,750 --> 01:00:47,940

and become a they had that guy on

1216

01:00:52,820 --> 01:00:50,760

Cluster coast that he's leading that big

1217

01:00:54,470 --> 01:00:52,830

UFO investigation over there in Puerto

1218

01:00:57,109 --> 01:00:54,480

Rico are not always here that you may

1219

01:00:59,030 --> 01:00:57,119

have he's not American he's an American

1220

01:01:01,520 --> 01:00:59,040

guy over there yeah but they made they

1221

01:01:03,650 --> 01:01:01,530

may have people go down yeah he said he

1222

01:01:05,210 --> 01:01:03,660

was sac I mean he was going down but I

1223

01:01:08,060 --> 01:01:05,220

was getting assigned cases because he

1224

01:01:11,120 --> 01:01:08,070

didn't have him England had three people

1225

01:01:14,750 --> 01:01:11,130

till they all basically quit yeah Canada

1226

01:01:16,640 --> 01:01:14,760

until two years ago had really only a

1227

01:01:18,470 --> 01:01:16,650

handful of people for whole country

1228

01:01:20,599 --> 01:01:18,480

well no are you just talking about MUFON

1229

01:01:22,849 --> 01:01:20,609

people because there are Canadian yeah

1230

01:01:25,010 --> 01:01:22,859

UFO researchers are there so it there's

1231

01:01:26,240 --> 01:01:25,020

their analysis goes through the group

1232

01:01:28,760 --> 01:01:26,250

that's like French or something that

1233

01:01:30,230 --> 01:01:28,770

gets a little bit of separate from the

1234

01:01:32,450 --> 01:01:30,240

MUFON they don't get involved I know

1235

01:01:35,150 --> 01:01:32,460

their UFO researchers all over the world

1236

01:01:42,700 --> 01:01:35,160

is certainly England has a huge efforts

1237

01:01:46,099 --> 01:01:42,710

for some reason with MUFON it is not mmm

1238

01:02:09,650 --> 01:01:46,109

Jamie my middle son here was I wouldn't

1239

01:02:15,740 --> 01:02:09,660

send him out what years was something 66

1240

01:02:19,550 --> 01:02:15,750

mm-hmm so there was nothing more done in

1241

01:02:24,620 --> 01:02:19,560

the area but one interesting thing did

1242

01:02:26,540 --> 01:02:24,630

he happen back in at the 2002 National

1243

01:02:28,280 --> 01:02:26,550

Convention down in Cincinnati

1244

01:02:30,420 --> 01:02:28,290

Kenny Young was one of the sponsors

1245

01:02:36,900 --> 01:02:30,430

Donnie blessing

1246

01:02:40,560 --> 01:02:36,910

I talked to a woman who was lived in the

1247

01:02:45,720 --> 01:02:40,570

West 109 what's 117 from the rain area

1248

01:02:48,510 --> 01:02:45,730

okay she was just close by and she was

1249

01:02:50,940 --> 01:02:48,520

telling me yeah oh yeah who used to she

1250

01:02:52,350 --> 01:02:50,950

was a kid I used to see stuff in the sky

1251  
01:02:54,780 --> 01:02:52,360  
and then she said you know there was

1252  
01:02:57,240 --> 01:02:54,790  
this old neighbor of mine that used to

1253  
01:02:58,880 --> 01:02:57,250  
talk about love duction this happened

1254  
01:03:01,680 --> 01:02:58,890  
back in the 1920s

1255  
01:03:04,920 --> 01:03:01,690  
syllabuses talked about some sort of

1256  
01:03:07,920 --> 01:03:04,930  
strange of being abducted by some

1257  
01:03:11,040 --> 01:03:07,930  
strange weird thing the neighbor never

1258  
01:03:12,060 --> 01:03:11,050  
really said that much about it but and

1259  
01:03:14,490 --> 01:03:12,070  
Here I am I just

1260  
01:03:16,620 --> 01:03:14,500  
this was means absolutely nothing just

1261  
01:03:18,090 --> 01:03:16,630  
this anecdote a little comment from

1262  
01:03:21,300 --> 01:03:18,100  
somebody from the old neighborhood

1263  
01:03:23,040 --> 01:03:21,310

but apparently maybe some others so

1264

01:03:24,510 --> 01:03:23,050

strange things were going on and this

1265

01:03:27,330 --> 01:03:24,520

was right the West other name what's

1266

01:03:29,100 --> 01:03:27,340

under 17 from Lorraine area just just a

1267

01:03:34,380 --> 01:03:29,110

stone's throw away from where the sky

1268

01:03:35,590 --> 01:03:34,390

watchers so there you have a a window

1269

01:03:39,440 --> 01:03:35,600

here

1270

01:03:41,450 --> 01:03:39,450

just the justice out a little bit

1271

01:03:44,420 --> 01:03:41,460

ancient history but it's a little

1272

01:03:47,840 --> 01:03:44,430

Cleveland history that's it

1273

01:03:56,350 --> 01:03:47,850

is there any windows now in the area no

1274

01:04:07,280 --> 01:03:59,660

kind of got lost contact with the with

1275

01:04:10,160 --> 01:04:07,290

Dave whose house it was we were at I was

1276

01:04:13,070 --> 01:04:10,170

busy with college and then working Eddie

1277

01:04:17,720 --> 01:04:13,080

Bebo went to college and went the law

1278

01:04:19,370 --> 01:04:17,730

school for a while we never although we

1279

01:04:21,530 --> 01:04:19,380

would see each other you know socially

1280

01:04:22,430 --> 01:04:21,540

every now and then no we never did any

1281

01:04:23,960 --> 01:04:22,440

more skywatching

1282

01:04:26,180 --> 01:04:23,970

I always wanted to go back I always

1283

01:04:28,210 --> 01:04:26,190

wanted to try it again and his may

1284

01:04:30,320 --> 01:04:28,220

effect back in the early 1970s I was

1285

01:04:32,600 --> 01:04:30,330

really trying to get something together

1286

01:04:35,030 --> 01:04:32,610

put together to head back over there but

1287

01:04:40,610 --> 01:04:35,040

I've never really found out but how far

1288

01:04:43,730 --> 01:04:40,620

was that from here completely miles

1289

01:04:46,060 --> 01:04:43,740

maybe seven miles basically north of

1290

01:04:46,070 --> 01:04:53,060

in the heart of the West West societally

1291

01:05:02,070 --> 01:04:54,960

okay.what but there were other an

1292

01:05:06,120 --> 01:05:02,080

anomalous phenomena as well as UFOs not

1293

01:05:10,410 --> 01:05:06,130

that I'm really aware of although I did

1294

01:05:13,710 --> 01:05:10,420

a friend of mine who recently passed

1295

01:05:20,160 --> 01:05:13,720

away he worked for the East Ohio gas

1296

01:05:23,970 --> 01:05:20,170

company major local suppliers and he was

1297

01:05:28,160 --> 01:05:23,980

talking to a homeowner in the general

1298

01:05:32,670 --> 01:05:28,170

neighborhood in the old neighborhood and

1299

01:05:37,920 --> 01:05:32,680

they would do like inspections emergency

1300

01:05:39,960 --> 01:05:37,930

calls here furnace out problem hot water

1301

01:05:41,910 --> 01:05:39,970

tape networking they would try their

1302

01:05:43,320 --> 01:05:41,920

best to Leiter to check it out and if it

1303

01:05:46,260 --> 01:05:43,330

was dangerous they'd have to shut the

1304

01:05:48,120 --> 01:05:46,270

gas off or shut the gas off and refer

1305

01:05:50,880 --> 01:05:48,130

them to her apparently you know gas

1306

01:05:54,740 --> 01:05:50,890

leaks whatever but he was down in a

1307

01:05:57,600 --> 01:05:54,750

basement in that neighborhood and the

1308

01:05:59,940 --> 01:05:57,610

homeowner was juices talking and said I

1309

01:06:03,840 --> 01:05:59,950

used to have a buddy that lived in this

1310

01:06:08,220 --> 01:06:03,850

neighborhood me and this stuff like that

1311

01:06:12,530 --> 01:06:08,230

he's got to talking about something UFOs

1312

01:06:18,700 --> 01:06:14,599

welcome the homeowner had a number of

1313

01:06:21,890 --> 01:06:18,710

wanting incident so possibly possibly

1314

01:06:23,810 --> 01:06:21,900

back in the day I was not I wasn't one

1315

01:06:25,970 --> 01:06:23,820

of the ghost chaser plumbers yeah yeah

1316

01:06:32,480 --> 01:06:25,980

you know I didn't I didn't really you

1317

01:06:35,150 --> 01:06:32,490

know look for that but it was a rather I

1318

01:06:38,330 --> 01:06:35,160

mean is it just because we were

1319

01:06:40,609 --> 01:06:38,340

persistent that we would show up at this

1320

01:06:43,130 --> 01:06:40,619

one particular house if we would have

1321

01:06:46,970 --> 01:06:43,140

gone to a house maybe fifteen blocks

1322

01:06:48,470 --> 01:06:46,980

later or further west or east or south

1323

01:06:50,000 --> 01:06:48,480

or what happened with the same thing

1324

01:06:52,670 --> 01:06:50,010

have happened I don't know miss we never

1325

01:06:55,220 --> 01:06:52,680

tried it we did however with the October

1326

01:06:57,530 --> 01:06:55,230

9th case from 65 where the big

1327

01:06:59,330 --> 01:06:57,540

dissipated disc was seen yeah we've seen

1328

01:07:02,000 --> 01:06:59,340

all over the west side of Cleveland and

1329

01:07:04,490 --> 01:07:02,010

from that location to but does that

1330

01:07:13,220 --> 01:07:04,500

qualify as a window I don't know is it

1331

01:07:16,250 --> 01:07:13,230

coincidence it very well could maybe we

1332

01:07:17,960 --> 01:07:16,260

have to work in Reverse format and ask

1333

01:07:20,000 --> 01:07:17,970

people who have hauntings whether they

1334

01:07:22,940 --> 01:07:20,010

have UFO experiences well I think he'll

1335

01:07:25,340 --> 01:07:22,950

did that - yeah he'll did that - and in

1336

01:07:31,609 --> 01:07:25,350

many instances yes they would have some

1337

01:07:35,090 --> 01:07:31,619

paranormal experiences yeah well III

1338

01:07:37,730 --> 01:07:35,100

have visited your you're more likely to

1339

01:07:40,160 --> 01:07:37,740

find out details when you go to a small

1340

01:07:41,870 --> 01:07:40,170

very rural area you couldn't do it in

1341

01:07:43,970 --> 01:07:41,880

that you couldn't do it in the city or

1342

01:07:46,490 --> 01:07:43,980

metropolitan area it doesn't it doesn't

1343

01:07:50,359 --> 01:07:46,500

quite work but now I remember

1344

01:07:53,109 --> 01:07:50,369

uh a year or so ago I was on coast to

1345

01:07:55,880 --> 01:07:53,119

coast that I talked about this area in

1346

01:07:58,849 --> 01:07:55,890

Massachusetts that had it was a road

1347

01:08:01,280 --> 01:07:58,859

where they had like the ghost lights and

1348

01:08:02,660 --> 01:08:01,290

I supposed to be a crazy witch or

1349

01:08:05,270 --> 01:08:02,670

something that lived there 100 years ago

1350

01:08:10,599 --> 01:08:05,280

alright so I went with my psychic friend

1351

01:08:14,150 --> 01:08:10,609

Maria Deandra and we found the road okay

1352

01:08:16,490 --> 01:08:14,160

but when we asked people whether they

1353

01:08:19,010 --> 01:08:16,500

knew anything about this urban legend

1354

01:08:20,420 --> 01:08:19,020

about the witch two people at least

1355

01:08:23,390 --> 01:08:20,430

while we only talked to three I think

1356

01:08:25,420 --> 01:08:23,400

but two people he said nah you know I

1357

01:08:27,490 --> 01:08:25,430

only vaguely heard of it or it was

1358

01:08:28,900 --> 01:08:27,500

you know something the kids used to like

1359

01:08:32,650 --> 01:08:28,910

frighten their girlfriends or something

1360

01:08:33,970 --> 01:08:32,660

when they were young but both of them

1361

01:08:36,160 --> 01:08:33,980

said but you know I got this strange

1362

01:08:37,930 --> 01:08:36,170

stuff that's going on in my house and

1363

01:08:40,810 --> 01:08:37,940

this one guy said you know we got it's

1364

01:08:42,520 --> 01:08:40,820

like The Exorcist or something the stuff

1365

01:08:43,360 --> 01:08:42,530

is falling off the bookcase and this and

1366

01:08:45,040 --> 01:08:43,370

that the other thing is that he

1367

01:08:48,130 --> 01:08:45,050

disappeared he didn't seem to want to

1368

01:08:50,080 --> 01:08:48,140

talk about it at any length but you know

1369

01:08:51,780 --> 01:08:50,090

maybe this is going on a lot more than

1370

01:08:54,820 --> 01:08:51,790

we realized and people are just not

1371

01:08:58,870 --> 01:08:54,830

talking about it yeah yeah in rural

1372

01:09:03,280 --> 01:08:58,880

areas I just just one figured out we

1373

01:09:06,700 --> 01:09:03,290

when I was in high school later we had a

1374

01:09:08,200 --> 01:09:06,710

cottage Adam this is prime attuning lake

1375

01:09:12,040 --> 01:09:08,210

which is basically in the Ohio

1376

01:09:15,070 --> 01:09:12,050

Pennsylvania border in the northern part

1377

01:09:19,720 --> 01:09:15,080

of the state Ohio and being I was a

1378

01:09:23,470 --> 01:09:19,730

Seabee fan still then and spent my

1379

01:09:26,320 --> 01:09:23,480

summers out there and we installed an

1380

01:09:29,439 --> 01:09:26,330

antenna on the other side of the cottage

1381

01:09:32,260 --> 01:09:29,449

and I would get what are the

1382

01:09:38,559 --> 01:09:32,270

the unit's out and plug it in and talk

1383

01:09:42,880 --> 01:09:38,569

and one night got talking about UFOs for

1384

01:09:45,340 --> 01:09:42,890

somebody and oh yeah no lines done seed

1385

01:09:47,890 --> 01:09:45,350

stuff and you'd be surprised how many

1386

01:09:50,410 --> 01:09:47,900

people heard it broken in the

1387

01:09:53,680 --> 01:09:50,420

conversation and started telling us

1388

01:09:57,340 --> 01:09:53,690

about their sightings and this was in an

1389

01:10:02,169 --> 01:09:57,350

ear well probably in the area trying to

1390

01:10:06,610 --> 01:10:02,179

think probably people within a ten-mile

1391

01:10:09,100 --> 01:10:06,620

radius where I was reporting in so yeah

1392

01:10:12,250 --> 01:10:09,110

there was there was a lot of activity I

1393

01:10:15,430 --> 01:10:12,260

know that particular location my

1394

01:10:18,640 --> 01:10:15,440

grandmother saw some orb like things

1395

01:10:20,860 --> 01:10:18,650

back before they were fashionable she

1396

01:10:25,090 --> 01:10:20,870

called them like balls of fire mm-hmm

1397

01:10:28,209 --> 01:10:25,100

she was she had insomnia and she would

1398

01:10:30,970 --> 01:10:28,219

just sit up and she saw the the window

1399

01:10:33,880 --> 01:10:30,980

several times this involved going right

1400

01:10:37,600 --> 01:10:33,890

by the house manning towards the cottage

1401  
01:10:40,810 --> 01:10:37,610  
behind us going that way another night

1402  
01:10:44,650 --> 01:10:40,820  
she would see a going the other way and

1403  
01:10:48,040 --> 01:10:44,660  
so I was kind of interested in that and

1404  
01:10:51,490 --> 01:10:48,050  
seeing that thing myself but I never

1405  
01:10:54,490 --> 01:10:51,500  
could wake up I had a grandmother I told

1406  
01:10:56,770 --> 01:10:54,500  
her and told my mom it's she sees

1407  
01:10:58,900 --> 01:10:56,780  
something like that you know

1408  
01:11:02,100 --> 01:10:58,910  
wake me up was when she tried to wake me

1409  
01:11:04,540 --> 01:11:02,110  
up one night would wake up

1410  
01:11:08,529 --> 01:11:04,550  
but there were a lot of a lot of strange

1411  
01:11:10,089 --> 01:11:08,539  
reports in that area to do you why do

1412  
01:11:13,450 --> 01:11:10,099  
you feel that you've been pulled into

1413  
01:11:15,819 --> 01:11:13,460

this field and have lasted so many years

1414

01:11:19,089 --> 01:11:15,829

and I do you see anything significance

1415

01:11:22,140 --> 01:11:19,099

behind it or I don't know it's always

1416

01:11:24,609 --> 01:11:22,150

fascinated me and some some level I

1417

01:11:27,100 --> 01:11:24,619

always thought it was I never thought it

1418

01:11:31,029 --> 01:11:27,110

was nonsense I always took the subject

1419

01:11:33,489 --> 01:11:31,039

seriously quite frankly there is this

1420

01:11:34,959 --> 01:11:33,499

the Allan Greenfield there probably

1421

01:11:38,200 --> 01:11:34,969

taught me to talk about this better than

1422

01:11:40,600 --> 01:11:38,210

that good but I felt this this sense of

1423

01:11:43,029 --> 01:11:40,610

I liked I referred to as a sense of

1424

01:11:45,370 --> 01:11:43,039

wonder dreaming in awe at the whole

1425

01:11:48,009 --> 01:11:45,380

phenomena and that's that's what I feel

1426

01:11:50,229 --> 01:11:48,019

to this day still or else I wouldn't be

1427

01:11:52,180 --> 01:11:50,239

doing what I'm doing now I'm banning my

1428

01:11:54,910 --> 01:11:52,190

head against the stone wall trying to

1429

01:12:01,390 --> 01:11:54,920

keep the print publication alive yeah

1430

01:12:04,000 --> 01:12:01,400

indeed sure I don't question the truth

1431

01:12:07,779 --> 01:12:04,010

of what you say that how Monogram those

1432

01:12:09,060 --> 01:12:07,789

classified ads and they got results

1433

01:12:12,489 --> 01:12:09,070

what I'm having a little trouble

1434

01:12:14,979 --> 01:12:12,499

envisioning is exactly how that worked

1435

01:12:16,540 --> 01:12:14,989

because presumably if I'm reading the

1436

01:12:20,140 --> 01:12:16,550

clients I thought it is although that

1437

01:12:22,750 --> 01:12:20,150

didn't go actually what he did what the

1438

01:12:26,529 --> 01:12:22,760

hell did was he had some Flyers printed

1439

01:12:29,470 --> 01:12:26,539

on cardstock much cardstock and it was

1440

01:12:31,540 --> 01:12:29,480

the ads were just an ancillary sort of

1441

01:12:36,069 --> 01:12:31,550

thing that we did just just for the heck

1442

01:12:38,500 --> 01:12:36,079

of it he personally I helped him on this

1443

01:12:41,700 --> 01:12:38,510

we took them to the Cleveland Press the

1444

01:12:44,770 --> 01:12:41,710

Cleveland Plain Dealer to the city desks

1445

01:12:50,410 --> 01:12:44,780

here we are there's we did a newsletter

1446

01:12:51,850 --> 01:12:50,420

back at the time I did some of my stuff

1447

01:12:54,040 --> 01:12:51,860

we could pass out some of our stuff

1448

01:12:56,310 --> 01:12:54,050

we're not just nuts on the street this

1449

01:12:59,500 --> 01:12:56,320

is a group we meet at the central YMCA

1450

01:13:02,500 --> 01:12:59,510

we have this hotline could you post it

1451  
01:13:04,629 --> 01:13:02,510  
and you get something they didn't order

1452  
01:13:07,000 --> 01:13:04,639  
her people they would say call the air

1453  
01:13:09,700 --> 01:13:07,010  
force called the airport but now we got

1454  
01:13:12,129 --> 01:13:09,710  
into the act and we were proactive and

1455  
01:13:14,290 --> 01:13:12,139  
we started posting these things we went

1456  
01:13:16,450 --> 01:13:14,300  
to the teeth two three then we even had

1457  
01:13:19,779 --> 01:13:16,460  
three TV stations we were two almost

1458  
01:13:21,879 --> 01:13:19,789  
three TV stations in person handed them

1459  
01:13:23,200 --> 01:13:21,889  
to the somebody could get them to the

1460  
01:13:27,459 --> 01:13:23,210  
general manager we're going to get to

1461  
01:13:28,569 --> 01:13:27,469  
the news desk and a lot of the radios

1462  
01:13:30,100 --> 01:13:28,579  
they couldn't have all the radio

1463  
01:13:33,580 --> 01:13:30,110

stations because so you know we get all

1464

01:13:36,879 --> 01:13:33,590

the major radio stations the most help

1465

01:13:40,120 --> 01:13:36,889

of all was it was then called KYW later

1466

01:13:42,549 --> 01:13:40,130

WKYC they had the ufology round table

1467

01:13:46,719 --> 01:13:42,559

remember and you remember listening to

1468

01:13:49,899 --> 01:13:46,729

that I know yeah on the radio there's

1469

01:13:52,089 --> 01:13:49,909

like Thursdays from 8:00 to 11:00

1470

01:13:53,500 --> 01:13:52,099

whatever 8:00 to midnight or I can't

1471

01:13:56,799 --> 01:13:53,510

remember anymore

1472

01:13:58,870 --> 01:13:56,809

and they have a girl that would be on

1473

01:14:01,330 --> 01:13:58,880

there quite quickly I was on there al

1474

01:14:03,910 --> 01:14:01,340

Manac whoever was gues Kehoe was on

1475

01:14:06,489 --> 01:14:03,920

there was a great quick talk radio I

1476

01:14:07,649 --> 01:14:06,499

think was in its heyday it was very

1477

01:14:11,129 --> 01:14:07,659

exciting times

1478

01:14:13,919 --> 01:14:11,139

and they gave us a lot of publicity -

1479

01:14:15,540 --> 01:14:13,929

that was when you know I always back in

1480

01:14:18,390 --> 01:14:15,550

those days back in those days if you

1481

01:14:21,209 --> 01:14:18,400

were if you were on a show I remember

1482

01:14:23,160 --> 01:14:21,219

the first time I was on Long John and I

1483

01:14:24,959 --> 01:14:23,170

told people to write in if they had a

1484

01:14:27,419 --> 01:14:24,969

sighting or a report or something next

1485

01:14:29,189 --> 01:14:27,429

time I went up there and I asked him did

1486

01:14:30,660 --> 01:14:29,199

you get any mail they opened the bottom

1487

01:14:33,270 --> 01:14:30,670

of the drawer and it was full like maybe

1488

01:14:40,350 --> 01:14:33,280

400 but today you go on a show you're

1489

01:14:46,979 --> 01:14:43,379

would which sponsored Kehoe coming in in

1490

01:14:53,610 --> 01:14:46,989

1964 I think Frank Edwards in 1965 with

1491

01:14:54,840 --> 01:14:53,620

Professor trials made we would hold

1492

01:14:57,840 --> 01:14:54,850

these at the Lakewood Civic Auditorium

1493

01:14:59,250 --> 01:14:57,850

which is a big auditorium in a western

1494

01:15:01,729 --> 01:14:59,260

suburb of Cleveland the great big

1495

01:15:04,709 --> 01:15:01,739

southern huge auditorium we would get

1496

01:15:07,229 --> 01:15:04,719

nine hundred people coming to these

1497

01:15:11,370 --> 01:15:07,239

things and we would publicize them well

1498

01:15:12,810 --> 01:15:11,380

the the first I think the first time I

1499

01:15:14,640 --> 01:15:12,820

came down for this group which is maybe

1500

01:15:15,899 --> 01:15:14,650

the second year there were a couple of

1501

01:15:18,450 --> 01:15:15,909

those meetings I had three four hundred

1502

01:15:21,360 --> 01:15:18,460

young people - was it the Parma high

1503

01:15:26,879 --> 01:15:21,370

school or the first one the second was

1504

01:15:32,790 --> 01:15:26,889

the 65 was Valley Forge No Pleasant

1505

01:15:34,080 --> 01:15:32,800

Valley junior high school yeah oh is

1506

01:15:41,040 --> 01:15:34,090

that way that was proud of me I yeah

1507

01:15:43,200 --> 01:15:41,050

yeah yeah yeah there was about 400

1508

01:15:44,640 --> 01:15:43,210

people that wanted robably and then we

1509

01:15:47,280 --> 01:15:44,650

used to hold it at Valley Forge High

1510

01:15:56,170 --> 01:15:47,290

School and 66

1511

01:15:59,710 --> 01:15:56,180

got good credit we used to get coming

1512

01:16:01,780 --> 01:15:59,720

back to the to these hotlines so the way

1513

01:16:04,060 --> 01:16:01,790

it would normally work with me I see

1514

01:16:07,680 --> 01:16:04,070

something on the sky I can't identify I

1515

01:16:15,390 --> 01:16:07,690

phone the radios yeah they've got your

1516

01:16:21,610 --> 01:16:15,400

number on brand bags with a police call

1517

01:16:24,430 --> 01:16:21,620

no because I would think that they would

1518

01:16:26,500 --> 01:16:24,440

really need that that would be a godsend

1519

01:16:30,730 --> 01:16:26,510

the back end those back in those days

1520

01:16:33,880 --> 01:16:30,740

the police really they would say girl

1521

01:16:35,950 --> 01:16:33,890

call the airport now didn't then lens

1522

01:16:51,880 --> 01:16:35,960

string field did he have the police

1523

01:16:52,210 --> 01:16:51,890

because I did that because now even a

1524

01:16:55,000 --> 01:16:52,220

village

1525

01:16:57,460 --> 01:16:55,010

I don't know a Peter Davenport now his

1526

01:17:00,400 --> 01:16:57,470

number is is one that's been left all

1527

01:17:02,260 --> 01:17:00,410

over the place 800 number or something

1528

01:17:04,660 --> 01:17:02,270

like that and I think that's the one

1529

01:17:07,960 --> 01:17:04,670

that people are still referred to if

1530

01:17:09,760 --> 01:17:07,970

they call them yeah cause yeah yeah but

1531

01:17:14,050 --> 01:17:09,770

I mean this was just strictly locally

1532

01:17:15,820 --> 01:17:14,060

and it worked for us and over the years

1533

01:17:20,820 --> 01:17:15,830

I always work hospice after even after

1534

01:17:29,370 --> 01:17:26,120

northern Ohio and we have a hotline -

1535

01:17:33,030 --> 01:17:29,380

for several years ago this one we put in

1536

01:17:35,850 --> 01:17:33,040

the advertising the phone he put in the

1537

01:17:38,100 --> 01:17:35,860

phone and did the same thing but how

1538

01:17:48,420 --> 01:17:38,110

would people find that I see something

1539

01:17:51,870 --> 01:17:48,430

in the sky what do I look at us now in

1540

01:17:53,510 --> 01:17:51,880

in New York you had saucer news but then

1541

01:17:56,040 --> 01:17:53,520

you'd have to know how to look

1542

01:17:58,200 --> 01:17:56,050

understood looking in the saucer and

1543

01:18:02,610 --> 01:17:58,210

then the one that everybody called was

1544

01:18:05,190 --> 01:18:02,620

Jim rig burg because of saucer news yeah

1545

01:18:08,550 --> 01:18:05,200

a flying saucer news bookstore and he

1546

01:18:10,380 --> 01:18:08,560

actually had it in bold and he got quite

1547

01:18:14,700 --> 01:18:10,390

a few calls but my god he didn't know

1548

01:18:16,410 --> 01:18:14,710

what to do with it poor J yeah yeah well

1549

01:18:17,970 --> 01:18:16,420

I was see you know that way you were

1550

01:18:19,710 --> 01:18:17,980

with us so that we went over to his book

1551

01:18:22,620 --> 01:18:19,720

story on New Year's Eve right at

1552

01:18:24,030 --> 01:18:22,630

midnight or he opened at 9:00 and he was

1553

01:18:29,970 --> 01:18:24,040

afraid of getting mugged that he had

1554

01:18:31,710 --> 01:18:29,980

been mugged a couple of times and so he

1555

01:18:35,340 --> 01:18:31,720

sold the same books for years though I

1556

01:18:38,580 --> 01:18:35,350

yeah yeah flying around trip to hell in

1557

01:18:39,900 --> 01:18:38,590

a flying saucer yeah yeah he did yeah he

1558

01:18:41,730 --> 01:18:39,910

was about the only place for a while

1559

01:18:46,140 --> 01:18:41,740

there in New York did you get it yeah

1560

01:18:58,979 --> 01:18:46,150

good get any books in it right well I I

1561

01:19:05,250 --> 01:19:03,860

oh really yeah yeah as doing effect I

1562

01:19:07,200 --> 01:19:05,260

thought maybe

1563

01:19:10,620 --> 01:19:07,210

Wendy Connery's or whether somewhere is

1564

01:19:15,420 --> 01:19:10,630

I've isn't to say there was a case in

1565

01:19:20,930 --> 01:19:15,430

early 1967 Perkins Township I'm trying

1566

01:19:24,000 --> 01:19:20,940

to think of me sheriff Jerry Butler

1567

01:19:27,870 --> 01:19:24,010

Sheriff Gary Butler up near the plum

1568

01:19:30,000 --> 01:19:27,880

Brook atomic station and we investigated

1569

01:19:33,690 --> 01:19:30,010

Earl and Iowa investigated that and

1570

01:19:35,820 --> 01:19:33,700

somehow I had my tape recorder yeah he

1571

01:19:38,430 --> 01:19:35,830

Earl and I were asking him questions we

1572

01:19:40,110 --> 01:19:38,440

sent them a report on the night yeah I

1573

01:19:42,750 --> 01:19:40,120

don't know how the tape survivor how

1574

01:19:43,830 --> 01:19:42,760

world matter who got but it's on there

1575

01:19:46,290 --> 01:19:43,840

if I hurt myself

1576

01:19:49,080 --> 01:19:46,300

yeah Earl Grey back it's all this

1577

01:19:52,080 --> 01:19:49,090

amazing stuff by honors he must be done

1578

01:19:54,600 --> 01:19:52,090

I gave the place stuff - 2 nd condors a

1579

01:20:00,479 --> 01:19:54,610

lot of my stuff that she but I didn't

1580

01:20:05,479 --> 01:20:00,489

have this I forgot I was David's going

1581

01:20:11,130 --> 01:20:05,489

oh ok ok

1582

01:20:12,540 --> 01:20:11,140

delay you yo 4 minutes this is kind of a

1583

01:20:19,310 --> 01:20:12,550

trip down memory lane

1584

01:20:25,290 --> 01:20:19,320

I remember that I'd forgotten that our

1585

01:20:29,640 --> 01:20:25,300

1964 Congress was the first non-contact

1586

01:20:33,810 --> 01:20:29,650

day UFO Congress and I remember how

1587

01:20:38,640 --> 01:20:33,820

excited I was as it drew near I was at

1588

01:20:42,180 --> 01:20:38,650

the time in 11th grade and I've been

1589

01:20:43,080 --> 01:20:42,190

corresponding with Rick with the late

1590

01:20:47,850 --> 01:20:43,090

day already

1591

01:20:55,600 --> 01:20:50,620

while you I think were the only one that

1592

01:20:58,719 --> 01:20:55,610

I've met face yes that and that I had

1593

01:21:01,000 --> 01:20:58,729

the sense that I was part of that we

1594

01:21:04,209 --> 01:21:01,010

didn't use the word yet invisible

1595

01:21:12,100 --> 01:21:04,219

college or at least invisible high

1596

01:21:18,370 --> 01:21:12,110

school in our case yes yes colleagues we

1597

01:21:21,910 --> 01:21:18,380

had turned away from the heedless high

1598

01:21:24,790 --> 01:21:21,920

school and entertainments of dates and

1599

01:21:29,379 --> 01:21:24,800

the parties and dances to give ourselves

1600

01:21:31,989 --> 01:21:29,389

over to the pursuit of truth sometime

1601

01:21:34,689 --> 01:21:31,999

later that I actually got up the nerve

1602

01:21:37,509 --> 01:21:34,699

to ask a girl out on a date

1603

01:21:40,689 --> 01:21:37,519

and started getting invited to parties

1604

01:21:42,040 --> 01:21:40,699

and I found out that that wasn't such

1605

01:21:46,629 --> 01:21:42,050

bad stuff either

1606

01:21:50,709 --> 01:21:46,639

yeah but for her but for a few years I

1607

01:21:54,209 --> 01:21:50,719

was I was part of this invisible college

1608

01:21:56,739 --> 01:21:54,219

again I the moment most of you here are

1609

01:21:59,949 --> 01:21:56,749

not all of you wants to be a very close

1610

01:22:03,580 --> 01:21:59,959

to my age so you can probably remember

1611

01:22:06,609 --> 01:22:03,590

how exciting the mailbox was in those

1612

01:22:10,509 --> 01:22:06,619

days nowadays it's just you've got you

1613

01:22:12,969 --> 01:22:10,519

get junk and get bills if you ordered

1614

01:22:17,790 --> 01:22:12,979

magazines the magazines you're lucky if

1615

01:22:26,160 --> 01:22:23,040

but back then especially for kind of

1616

01:22:32,439 --> 01:22:26,170

socially fringy people like me the

1617

01:22:36,160 --> 01:22:32,449

mailbox was where you got the exciting

1618

01:22:39,850 --> 01:22:36,170

contact with the great world out there

1619

01:22:41,949 --> 01:22:39,860

notably the invisible college and for

1620

01:22:45,120 --> 01:22:41,959

that I think as anyone who's part of it

1621

01:22:49,280 --> 01:22:45,130

remembers it was almost exclusively male

1622

01:22:52,520 --> 01:22:49,290

that the gender ratio and

1623

01:22:55,640 --> 01:22:52,530

does not surprise me in the least I'm

1624

01:22:58,730 --> 01:22:55,650

not sure why it was the case but it was

1625

01:23:03,260 --> 01:22:58,740

born his teenage boys who were into

1626  
01:23:07,960 --> 01:23:03,270  
ufology the girls I don't know they were

1627  
01:23:11,690 --> 01:23:07,970  
I don't know there weren't other things

1628  
01:23:18,350 --> 01:23:11,700  
I remember I think you spoke Rick about

1629  
01:23:22,040 --> 01:23:18,360  
a meeting at Dale's house in 1964 right

1630  
01:23:24,860 --> 01:23:22,050  
yeah because I remember man you remarked

1631  
01:23:28,400 --> 01:23:24,870  
on how long-distance telephone calls

1632  
01:23:32,210 --> 01:23:28,410  
were not the humdrum routine and I

1633  
01:23:34,580 --> 01:23:32,220  
remember how I can I got changed with

1634  
01:23:37,700 --> 01:23:34,590  
three or four dollars and the whole

1635  
01:23:40,820 --> 01:23:37,710  
stack of quarters and walk down to the

1636  
01:23:43,670 --> 01:23:40,830  
little town shopping center I could not

1637  
01:23:50,120 --> 01:23:43,680  
have phoned you from home or my father

1638  
01:23:53,320 --> 01:23:50,130

would I remember well I had to pay my

1639

01:23:57,760 --> 01:23:53,330

mother in advance for the call so a

1640

01:24:00,560 --> 01:23:57,770

bunch of bills in my dad hit the roof I

1641

01:24:04,130 --> 01:24:00,570

stand standing in that frigid phone

1642

01:24:06,890 --> 01:24:04,140

booth for the privilege of three minutes

1643

01:24:08,990 --> 01:24:06,900

talk with the real ufology and now isn't

1644

01:24:10,610 --> 01:24:09,000

it funny when you could call all day for

1645

01:24:16,510 --> 01:24:10,620

nothing nobody ever telephones each

1646

01:24:19,370 --> 01:24:16,520

other it was a different world and I

1647

01:24:22,340 --> 01:24:19,380

remember how eagerly I look forward to

1648

01:24:26,360 --> 01:24:22,350

actually meeting these people face to

1649

01:24:32,080 --> 01:24:26,370

face that in our school there they

1650

01:24:34,970 --> 01:24:32,090

showed a film of some of the great

1651  
01:24:37,820 --> 01:24:34,980  
physicists or something around the year

1652  
01:24:39,790 --> 01:24:37,830  
1900 and they were they had sort of

1653  
01:24:41,740 --> 01:24:39,800  
dramatized scenes

1654  
01:24:44,020 --> 01:24:41,750  
and you saw these people coming to a

1655  
01:25:02,070 --> 01:24:44,030  
meeting you know these mutton shop

1656  
01:25:06,250 --> 01:25:02,080  
whiskers no I asked people last night

1657  
01:25:08,890 --> 01:25:06,260  
about whether the team ufology still

1658  
01:25:12,100 --> 01:25:08,900  
exists on the overwhelming answer I got

1659  
01:25:15,610 --> 01:25:12,110  
was no which I heard earlier from Jerry

1660  
01:25:18,090 --> 01:25:15,620  
Clark well but do we actually know the

1661  
01:25:21,070 --> 01:25:18,100  
age of the people that were

1662  
01:25:22,930 --> 01:25:21,080  
corresponding with like I mean I get I

1663  
01:25:24,940 --> 01:25:22,940

don't get as many hard lis any as many

1664

01:25:27,220 --> 01:25:24,950

sightings and reports or anything but I

1665

01:25:29,080 --> 01:25:27,230

don't often ask the people who are

1666

01:25:29,470 --> 01:25:29,090

buying my books or something how old are

1667

01:25:32,290 --> 01:25:29,480

you

1668

01:25:35,710 --> 01:25:32,300

they do seem to run the the the gamut

1669

01:25:37,420 --> 01:25:35,720

from some teenagers the podcast scene

1670

01:25:50,290 --> 01:25:37,430

the people that are running the podcast

1671

01:25:54,160 --> 01:25:50,300

seem to be fairly young not quite as

1672

01:25:56,860 --> 01:25:54,170

much maybe but to some degree of course

1673

01:25:58,960 --> 01:25:56,870

now i-i've maybe that was just this

1674

01:26:00,550 --> 01:25:58,970

group though because certainly a lot of

1675

01:26:04,240 --> 01:26:00,560

places around the country that I had

1676  
01:26:06,400 --> 01:26:04,250  
lectured at least in the audience there

1677  
01:26:08,410 --> 01:26:06,410  
there were any number of you know

1678  
01:26:11,350 --> 01:26:08,420  
females I met any number of girlfriends

1679  
01:26:14,620 --> 01:26:11,360  
over the years at different you know

1680  
01:26:17,020 --> 01:26:14,630  
meetings and things like that so they

1681  
01:26:19,980 --> 01:26:17,030  
they were there and and some of them are

1682  
01:26:22,750 --> 01:26:19,990  
now a you know like involved in move on

1683  
01:26:25,270 --> 01:26:22,760  
estate directors and and things along

1684  
01:26:27,640 --> 01:26:25,280  
that line I don't know is if anybody

1685  
01:26:29,890 --> 01:26:27,650  
ever takes a survey or a poll on any of

1686  
01:26:32,080 --> 01:26:29,900  
this I mean that's one of the things we

1687  
01:26:34,150 --> 01:26:32,090  
really we really don't know and you know

1688  
01:26:35,830 --> 01:26:34,160

you talk about groups well now there are

1689

01:26:38,260 --> 01:26:35,840

groups all over the place I know from

1690

01:26:40,180 --> 01:26:38,270

Facebook because I belong to about 150

1691

01:26:41,800 --> 01:26:40,190

of them because I post everything that I

1692

01:26:45,460 --> 01:26:41,810

think they might be interested on their

1693

01:26:48,100 --> 01:26:45,470

in their groups I'm having a guy on next

1694

01:26:49,930 --> 01:26:48,110

week I think on my podcast he runs some

1695

01:26:52,450 --> 01:26:49,940

group in st. Louis never knew he existed

1696

01:26:53,169 --> 01:26:52,460

until he started sending me some

1697

01:26:54,969 --> 01:26:53,179

information

1698

01:26:56,319 --> 01:26:54,979

so there are there are groups than there

1699

01:27:01,770 --> 01:26:56,329

are people out there doing this thing

1700

01:27:04,120 --> 01:27:01,780

we've just become disconnected and that

1701

01:27:07,299 --> 01:27:04,130

there was there more of a connection

1702

01:27:12,100 --> 01:27:07,309

when it was just on letters yes III

1703

01:27:14,350 --> 01:27:12,110

think that's the case yes yeah because

1704

01:27:15,879 --> 01:27:14,360

even even though I'm up til I think four

1705

01:27:17,739 --> 01:27:15,889

thousand friends on Facebook or

1706

01:27:19,779 --> 01:27:17,749

something when somebody comes in now

1707

01:27:22,629 --> 01:27:19,789

I've gotten to the point I'll actually

1708

01:27:24,520 --> 01:27:22,639

look where it says about to see what

1709

01:27:26,439 --> 01:27:24,530

they've posted and some of them have

1710

01:27:27,489 --> 01:27:26,449

some peripheral information I'll say you

1711

01:27:29,109 --> 01:27:27,499

know come on the shower

1712

01:27:31,120 --> 01:27:29,119

tell me more you know tell me more about

1713

01:27:33,609 --> 01:27:31,130

it and some of them doing and some of

1714

01:27:36,609 --> 01:27:33,619

them you never hear from again you know

1715

01:27:38,799 --> 01:27:36,619

I don't know but yeah I I would say like

1716

01:27:42,310 --> 01:27:38,809

with the the Facebook people most of

1717

01:27:44,469 --> 01:27:42,320

them I've got some rock and roll people

1718

01:27:45,699 --> 01:27:44,479

a couple of wrestling wrestling groups

1719

01:27:50,100 --> 01:27:45,709

because I had a girlfriend who was a

1720

01:27:53,290 --> 01:27:50,110

wrestler and mainly paranormal and and

1721

01:27:55,330 --> 01:27:53,300

UFOs Oh in horror films sorry it's it's

1722

01:27:57,609 --> 01:27:55,340

a pretty it's a pretty mixed bag but I

1723

01:28:01,270 --> 01:27:57,619

yeah there there see they're females

1724

01:28:02,259 --> 01:28:01,280

they're women in there and now and maybe

1725

01:28:05,589 --> 01:28:02,269

they're just not running the

1726

01:28:12,069 --> 01:28:05,599

organizations or something you know it's

1727

01:28:14,259 --> 01:28:12,079

really interesting when here's another

1728

01:28:16,509 --> 01:28:14,269

interesting thing Jim mostly used to say

1729

01:28:19,540 --> 01:28:16,519

why is it that there are no Afro

1730

01:28:21,699 --> 01:28:19,550

Americans and the UFO field well not

1731

01:28:23,080 --> 01:28:21,709

only are there your Afro Americans

1732

01:28:27,520 --> 01:28:23,090

involved in it they have their own UFO

1733

01:28:31,359 --> 01:28:27,530

groups they've got there yes and and

1734

01:28:34,569 --> 01:28:31,369

they've got more members than we do yes

1735

01:28:36,759 --> 01:28:34,579

there's there's what there's one a group

1736

01:28:39,609 --> 01:28:36,769

that's up in Harlem and they have all

1737

01:28:41,080 --> 01:28:39,619

their stuff posted on on YouTube and

1738

01:28:42,549 --> 01:28:41,090

they have meetings I don't know once or

1739

01:28:46,870 --> 01:28:42,559

twice a year and they seem to have their

1740

01:28:49,989 --> 01:28:46,880

own versions of us yes yes which it is

1741

01:28:52,419 --> 01:28:49,999

it I mean I look in the index yeah of

1742

01:28:55,379 --> 01:28:52,429

Jeff Jarrett Clark's yeah massive UFO

1743

01:28:58,109 --> 01:28:55,389

encyclopedia which is unexplored

1744

01:29:00,120 --> 01:28:58,119

work for Louis Farrakhan yeah no

1745

01:29:05,010 --> 01:29:00,130

reference yeah yeah Louis Farrakhan is

1746

01:29:09,959 --> 01:29:05,020

the most well known UFO abductees hmm in

1747

01:29:12,140 --> 01:29:09,969

the world say he god I don't think that

1748

01:29:15,930 --> 01:29:12,150

uses that phrase

1749

01:29:19,260 --> 01:29:15,940

well Muhammad Ali of course - he's a

1750

01:29:21,840 --> 01:29:19,270

follower of the Elijah Muhammad right

1751

01:29:24,270 --> 01:29:21,850

and part of their he gave me when I

1752

01:29:25,800 --> 01:29:24,280

first met him he gave me a copy the book

1753

01:29:27,890 --> 01:29:25,810

Elijah Muhammad speaks and there's a

1754

01:29:30,689 --> 01:29:27,900

whole chapter in there what they call

1755

01:29:32,399 --> 01:29:30,699

the wheel within a wheel they think that

1756

01:29:35,310 --> 01:29:32,409

there's a giant mothership up there

1757

01:29:37,140 --> 01:29:35,320

that's well at first it was they gonna

1758

01:29:38,850 --> 01:29:37,150

just save the black people but now it

1759

01:29:41,370 --> 01:29:38,860

looks like it's it's got a little bit

1760

01:29:43,350 --> 01:29:41,380

more interracial as they've they've

1761

01:29:45,780 --> 01:29:43,360

gotten along or something but yeah it's

1762

01:29:47,310 --> 01:29:45,790

part of their belief system so they

1763

01:29:49,109 --> 01:29:47,320

don't have to talk about it because it's

1764

01:29:50,970 --> 01:29:49,119

like going to church you don't talk

1765

01:29:54,570 --> 01:29:50,980

about Ezekiel every year a week with you

1766

01:29:57,600 --> 01:29:54,580

there so I mean this is all something

1767

01:30:03,350 --> 01:29:57,610

that really I would really love to do to

1768

01:30:12,180 --> 01:30:10,320

I have what I consider to be a broader

1769

01:30:14,280 --> 01:30:12,190

spectrum of interests that are

1770

01:30:17,300 --> 01:30:14,290

interrelated

1771

01:30:22,209 --> 01:30:17,310

very involved in the broader

1772

01:30:28,170 --> 01:30:25,239

very involved in science fiction

1773

01:30:28,180 --> 01:30:36,320

and I see them as part of a spectrum

1774

01:30:42,950 --> 01:30:39,530

I mean I will comment briefly that the

1775

01:30:45,520 --> 01:30:42,960

Moorish science church which is also an

1776

01:30:51,580 --> 01:30:45,530

offspring of the same outfit with the

1777

01:30:58,100 --> 01:30:56,030

deformity in the broad sense has been

1778

01:31:02,320 --> 01:30:58,110

incorporated into their fundamental

1779

01:31:06,290 --> 01:31:02,330

belief systems so that I have also heard

1780

01:31:11,990 --> 01:31:06,300

members of a very awkward for associates

1781

01:31:12,000 --> 01:31:16,960

they're too big

1782

01:31:25,060 --> 01:31:20,770

probably baby boomers

1783

01:31:28,030 --> 01:31:25,070

but in all of these areas with the same

1784

01:31:29,020 --> 01:31:28,040

exception of science fiction that all

1785

01:31:31,839 --> 01:31:29,030

age

1786

01:31:35,979 --> 01:31:31,849

all season

1787

01:31:39,640 --> 01:31:35,989

and there was a huge upsurge of interest

1788

01:31:46,270 --> 01:31:39,650

beginning in the case in ethology early

1789

01:31:52,790 --> 01:31:48,210

to stay

1790

01:31:55,089 --> 01:31:52,800

or those people have extensions of

1791

01:31:57,609 --> 01:31:55,099

marinating

1792

01:32:00,339 --> 01:31:57,619

so you would have to assume that in fact

1793

01:32:04,720 --> 01:32:00,349

it is a generational thing that the team

1794

01:32:06,129 --> 01:32:04,730

ufology is not reproducing no and I

1795

01:32:08,500 --> 01:32:06,139

think that's true in these other areas

1796

01:32:11,530 --> 01:32:08,510

as well with the state of exception of

1797

01:32:14,109 --> 01:32:11,540

science fiction they're not aging there

1798

01:32:17,649 --> 01:32:14,119

they have a new generation and it's

1799

01:32:20,919 --> 01:32:17,659

larger much much larger it's becoming in

1800

01:32:23,129 --> 01:32:20,929

fact too large for my tastes

1801  
01:32:25,629 --> 01:32:23,139  
and it's become sort of a commercial

1802  
01:32:28,649 --> 01:32:25,639  
institution whereas these other

1803  
01:32:31,240 --> 01:32:28,659  
community college and even

1804  
01:32:34,629 --> 01:32:31,250  
parapsychology which is considered you

1805  
01:32:38,319 --> 01:32:34,639  
know borderline normal academic interest

1806  
01:32:43,419 --> 01:32:38,329  
it's the same guys that were around in

1807  
01:32:48,500 --> 01:32:43,429  
the 1960s and 70s as undergraduates who

1808  
01:32:54,840 --> 01:32:52,410  
senior scientists now but they're still

1809  
01:32:57,720 --> 01:32:54,850  
in that same French community and there

1810  
01:32:59,760 --> 01:32:57,730  
there aren't any follow-ups the closest

1811  
01:33:02,220 --> 01:32:59,770  
thing to followers and other people that

1812  
01:33:04,110 --> 01:33:02,230  
are younger but who take the more

1813  
01:33:07,950 --> 01:33:04,120

science fiction

1814

01:33:14,839 --> 01:33:07,960

approach example the interest in more
