00:02:17,400 --> 00:02:15,250  
to Paulino as well he's an author of the

12  
00:02:19,380 --> 00:02:17,410  
Bell Witch Project is a new book that's

13  
00:02:21,030 --> 00:02:19,390

out which is many stories about the

14

00:02:23,780 --> 00:02:21,040

frontier ghosts and haunts it's all

15

00:02:26,460 --> 00:02:23,790

coming up on ground zero don't go away

16

00:02:29,340 --> 00:02:26,470

Trish Myers who has been a producer of

17

00:02:31,380 --> 00:02:29,350

many wonderful programs as her own heavy

18

00:02:33,870 --> 00:02:31,390

metal show online mm-hmm what's it

19

00:02:36,600 --> 00:02:33,880

called well I have two of them one is

20

00:02:41,160 --> 00:02:36,610

metal ishes and then the other is temple

21

00:02:43,440 --> 00:02:41,170

of Arcanum yeah that's awesome

22

00:02:45,540 --> 00:02:43,450

great and wonderful person's gonna join

23

00:02:48,210 --> 00:02:45,550

you tonight to give us the story it's

24

00:02:49,890 --> 00:02:48,220

Paulino now when I heard Paulino was

25

00:02:52,350 --> 00:02:49,900

gonna be on the show this one boy this

26  
00:02:55,260 --> 00:02:52,360  
is gonna be the coolest because this guy

27  
00:02:56,790 --> 00:02:55,270  
is well he's called the intelligent

28  
00:02:58,140 --> 00:02:56,800  
elegant voice of the paranormal he does

29  
00:03:00,120 --> 00:02:58,150  
a lot of heavy research he's been

30  
00:03:03,690 --> 00:03:00,130  
involved investigating the paranormal

31  
00:03:06,300 --> 00:03:03,700  
since the 1970s and he did it while he

32  
00:03:09,030 --> 00:03:06,310  
was studying for the priesthood and and

33  
00:03:11,900 --> 00:03:09,040  
he actually worked with Ed and Lorraine

34  
00:03:15,000 --> 00:03:11,910  
Warren and they are the paranormal

35  
00:03:17,250 --> 00:03:15,010  
people that were in the conjuring and of

36  
00:03:20,520 --> 00:03:17,260  
course that's I think it's the Peron

37  
00:03:23,070 --> 00:03:20,530  
family story and of course the Annabelle

38  
00:03:24,270 --> 00:03:23,080

story about the doll river and it all

39

00:03:28,080 --> 00:03:24,280

came in the studio when I was holding

40

00:03:28,979 --> 00:03:28,090

her there yeah and and he also worked

41

00:03:31,680 --> 00:03:28,989

with father John

42

00:03:34,350 --> 00:03:31,690

Jane Nicola he's a Technol advisor of

43

00:03:36,330 --> 00:03:34,360

the film The Exorcist so this guy he's

44

00:03:39,120 --> 00:03:36,340

well known well rounded welcome to the

45

00:03:40,590 --> 00:03:39,130

show Paul II know hey Paul hey Clyde

46

00:03:41,130 --> 00:03:40,600

thanks for having me whip they're having

47

00:03:42,509 --> 00:03:41,140

me out tonight

48

00:03:45,949 --> 00:03:42,519

I'm so honored I'm so honored to have

49

00:03:50,630 --> 00:03:45,959

you on the program and I also noted that

50

00:03:52,289 --> 00:03:50,640

who is it Brad Steiger is a Brad stager

51

00:03:55,289 --> 00:03:52,299

that's Brad stager

52

00:03:58,350 --> 00:03:55,299

that's Tiger highly recommends you well

53

00:04:00,720 --> 00:03:58,360

that's very kind and I am I am a God

54

00:04:02,460 --> 00:04:00,730

with him man I love Brad Stigers so if

55

00:04:06,080 --> 00:04:02,470

he says you're awesome you haven't be

56

00:04:09,990 --> 00:04:06,090

awesome well I guess I must be off

57

00:04:13,140 --> 00:04:10,000

so you wrote this book called the Bell

58

00:04:14,820 --> 00:04:13,150

Witch Project while I was a contributor

59

00:04:17,849 --> 00:04:14,830

to the book okay you contributed a book

60

00:04:20,219 --> 00:04:17,859

and and you wrote you wrote about

61

00:04:23,040 --> 00:04:20,229

Bell Witch and several other stories

62

00:04:25,290 --> 00:04:23,050

which deal with I guess ghost stories

63

00:04:29,550 --> 00:04:25,300

and stories have happened when America

64

00:04:31,890 --> 00:04:29,560

first was settled by people like like of

65

00:04:34,459 --> 00:04:31,900

course the Belles and others right sure

66

00:04:35,999 --> 00:04:34,469

well early New England stories primarily

67

00:04:38,279 --> 00:04:36,009

Massachusetts in some of the Rhode

68

00:04:39,390 --> 00:04:38,289

Island vampire stories now the Rhode

69

00:04:41,730 --> 00:04:39,400

Island vampire stories are very

70

00:04:42,809 --> 00:04:41,740

fascinating and I also and I'm gonna

71

00:04:45,119 --> 00:04:42,819

throw this out there and I don't know if

72

00:04:47,159 --> 00:04:45,129

you know that you probably do Roanoke

73

00:04:49,499 --> 00:04:47,169

you know Roanoke the Virginia story oh

74

00:04:50,909 --> 00:04:49,509

good good good good as I talked to max

75

00:04:52,769 --> 00:04:50,919

Brooks about Roanoke cuz that's one of

76  
00:04:55,110 --> 00:04:52,779  
the most fascinating stories ever for me

77  
00:04:56,129 --> 00:04:55,120  
was that really a zombie attack that

78  
00:04:57,959 --> 00:04:56,139  
they really eat each other

79  
00:04:59,909 --> 00:04:57,969  
I mean Max Brooks thinks that they ate

80  
00:05:01,140 --> 00:04:59,919  
each other that they were they got sick

81  
00:05:02,550 --> 00:05:01,150  
and they basically like had some a

82  
00:05:05,279 --> 00:05:02,560  
zombie disease and they eat each other

83  
00:05:07,649 --> 00:05:05,289  
well I don't know about the zombie thing

84  
00:05:10,619 --> 00:05:07,659  
I actually studied that in Haiti in 1984

85  
00:05:12,809 --> 00:05:10,629  
but actually one of the other hats I

86  
00:05:14,939 --> 00:05:12,819  
wear is that of historian which can come

87  
00:05:17,459 --> 00:05:14,949  
in handy in cases like historical

88  
00:05:20,790 --> 00:05:17,469

paranormal cases the zombie thing I mean

89

00:05:22,559 --> 00:05:20,800

the Roanoke thing has is an example of a

90

00:05:24,059 --> 00:05:22,569

number of times in history when that has

91

00:05:25,950 --> 00:05:24,069

happened people have actually resorted

92

00:05:27,719 --> 00:05:25,960

to cannibalism one of the most famous

93

00:05:30,089 --> 00:05:27,729

examples from American history is the

94

00:05:32,010 --> 00:05:30,099

Donner Party yes you know and the whole

95

00:05:33,209 --> 00:05:32,020

business people simply if you get hungry

96

00:05:34,769 --> 00:05:33,219

enough you'll do pretty much anything

97

00:05:36,990 --> 00:05:34,779

there's something you'd never consider

98

00:05:38,879 --> 00:05:37,000

right whether there was zombies involved

99

00:05:40,170 --> 00:05:38,889

in it I don't think that's the case well

100

00:05:44,070 --> 00:05:40,180

he said it was some sort of disease or

101  
00:05:45,719 --> 00:05:44,080  
they all got its sake like hunger well

102  
00:05:48,510 --> 00:05:45,729  
yeah that and it but he said it was

103  
00:05:50,610 --> 00:05:48,520  
something like kuru they developed by

104  
00:05:52,769 --> 00:05:50,620  
kuru or something like that and that's

105  
00:05:55,890 --> 00:05:52,779  
how he died is it was like some brain

106  
00:05:58,010 --> 00:05:55,900  
wasting disease like you know like you

107  
00:06:00,360 --> 00:05:58,020  
know mad cow or bovine spongiform

108  
00:06:01,740 --> 00:06:00,370  
encephalopathy or whatever it was and he

109  
00:06:04,019 --> 00:06:01,750  
said that it was something that he felt

110  
00:06:06,600 --> 00:06:04,029  
would turn them into these like not

111  
00:06:09,029 --> 00:06:06,610  
necessarily you know zombies we'd see in

112  
00:06:10,110 --> 00:06:09,039  
The Walking Dead but more or less

113  
00:06:12,300 --> 00:06:10,120

zombies that were like they were

114

00:06:14,159 --> 00:06:12,310

completely you know they were drained of

115

00:06:15,450 --> 00:06:14,169

energy but the only way they could give

116

00:06:17,010 --> 00:06:15,460

the nutrients they needed was to eat the

117

00:06:18,300 --> 00:06:17,020

animals flesh first when they ran out of

118

00:06:20,070 --> 00:06:18,310

that they started eating each other and

119

00:06:20,369 --> 00:06:20,080

that's why they disappeared without a

120

00:06:22,320 --> 00:06:20,379

trace

121

00:06:24,209 --> 00:06:22,330

well there are physical conditions that

122

00:06:25,949 --> 00:06:24,219

can cause psychosis but I think again we

123

00:06:27,659 --> 00:06:25,959

don't know it's all circumstantial and

124

00:06:29,519 --> 00:06:27,669

the hearsay it very much like to tell

125

00:06:30,380 --> 00:06:29,529

which case well thank you for telling me

126

00:06:31,430 --> 00:06:30,390

about Roanoke

127

00:06:32,690 --> 00:06:31,440

just wanted to throw that out there cuz

128

00:06:34,700 --> 00:06:32,700

that's one of my favorite stories when

129

00:06:35,780 --> 00:06:34,710

my favorite mysteries next to the Bell

130

00:06:37,430 --> 00:06:35,790

which of course we're taught by that

131

00:06:39,200 --> 00:06:37,440

coming up with Paul II know tonight on

132

00:06:40,970 --> 00:06:39,210

ground zero and Tricia Myers with us as

133

00:06:42,320 --> 00:06:40,980

well from that neck of the woods we're

134

00:06:46,040 --> 00:06:42,330

gonna talk to her about her experience

135

00:06:47,870 --> 00:06:46,050

at the cave which she has a lot to tell

136

00:06:50,570 --> 00:06:47,880

us about the cave tonight on ground zero

137

00:06:52,340 --> 00:06:50,580

triple eight six seven three thirty 700s

138

00:06:56,300 --> 00:06:52,350

triple eight six seven three 3,700 we'll

139

00:06:58,580 --> 00:06:56,310

be back I'm quite Lewis that you're

140

00:07:00,350 --> 00:06:58,590

listening to ground zero light Church

141

00:07:03,200 --> 00:07:00,360

Myers with us and Paul II knows with

142

00:07:05,570 --> 00:07:03,210

it's one of the remark all historians

143

00:07:07,580 --> 00:07:05,580

and fact-checkers about myths and

144

00:07:09,020 --> 00:07:07,590

legends and some of the earlier

145

00:07:11,270 --> 00:07:09,030

paranormal stories that are historic

146

00:07:12,470 --> 00:07:11,280

paranormal stories Paul I was talking

147

00:07:14,330 --> 00:07:12,480

with Tricia during the break she's been

148

00:07:15,410 --> 00:07:14,340

to the Red River and and also you were

149

00:07:17,150 --> 00:07:15,420

saying you were born in Lynchburg

150

00:07:19,100 --> 00:07:17,160

Virginia yep which is very close to

151

00:07:20,420 --> 00:07:19,110

Roanoke see it's it's just weird that

152

00:07:22,700 --> 00:07:20,430

she's on the show I call it a come on

153

00:07:26,270 --> 00:07:22,710

the show tonight now she's tell me she

154

00:07:28,670 --> 00:07:26,280

lived you lived in Clarksville which is

155

00:07:30,050 --> 00:07:28,680

near Adams yeah and then now you say

156

00:07:31,070 --> 00:07:30,060

we're born in Lynchburg Virginia which

157

00:07:33,320 --> 00:07:31,080

is right next to Rowan oh absolutely

158

00:07:37,750 --> 00:07:33,330

this is a creepy show Paul I think we

159

00:07:43,670 --> 00:07:41,840

so Paul we're gonna lean on you now you

160

00:07:45,260 --> 00:07:43,680

have a lot of stories and then you want

161

00:07:47,660 --> 00:07:45,270

to you know I set it straight on

162

00:07:49,880 --> 00:07:47,670

everything I would love to hear your

163

00:07:52,460 --> 00:07:49,890

opinions and your ideas about this story

164

00:07:54,020 --> 00:07:52,470

because to me like I said it's second

165

00:07:56,360 --> 00:07:54,030

only to Roanoke is one of my favorite

166

00:07:57,530 --> 00:07:56,370

stories about the settlements in America

167

00:07:59,690 --> 00:07:57,540

and paranormal stories that surround

168

00:08:03,020 --> 00:07:59,700

them tell us about the Red River area

169

00:08:04,520 --> 00:08:03,030

tell us about its Robertson County all

170

00:08:05,510 --> 00:08:04,530

that area and what it's like for you

171

00:08:08,600 --> 00:08:05,520

have you been there you've been there

172

00:08:11,150 --> 00:08:08,610

haven't you yes only once but I have

173

00:08:12,770 --> 00:08:11,160

yeah I was on my way back from Alabama

174

00:08:14,990 --> 00:08:12,780

addressing the National Convention of

175

00:08:17,450 --> 00:08:15,000

Mensa if you could believe that but in

176

00:08:19,520 --> 00:08:17,460

any case I believe the the Red River if

177

00:08:21,380 --> 00:08:19,530

I'm not mistaken his name more for the

178

00:08:23,630 --> 00:08:21,390

sedimentary rock particularly sandstone

179

00:08:26,690 --> 00:08:23,640

that sort of gives it a bit of a cholera

180

00:08:29,420 --> 00:08:26,700

did at one point I could be that's my

181

00:08:32,420 --> 00:08:29,430

belief but the thing that attracted me

182

00:08:34,400 --> 00:08:32,430

to this case Clyde and Trisha was uh I

183

00:08:35,719 --> 00:08:34,410

was interested in it from the normal

184

00:08:37,130 --> 00:08:35,729

point of view of anyone who knows about

185

00:08:39,380 --> 00:08:37,140

the history of the paranormal in this

186

00:08:41,089 --> 00:08:39,390

country but some years ago when they

187

00:08:43,100 --> 00:08:41,099

were making the film American haunting

188

00:08:43,790 --> 00:08:43,110

the producers content we actually heard

189

00:08:45,440 --> 00:08:43,800

me on the radio

190

00:08:47,930 --> 00:08:45,450

San Diego and then wanted to meet and

191

00:08:51,740 --> 00:08:47,940

they were interested in having me work

192

00:08:54,380 --> 00:08:51,750

with a few other people and make a a DVD

193

00:08:56,660 --> 00:08:54,390

at the time to accompany the release of

194

00:08:58,699 --> 00:08:56,670

the American haunting film which of

195

00:09:00,650 --> 00:08:58,709

course was it was based on this case not

196

00:09:04,759 --> 00:09:00,660

particularly the the Bell which by Brett

197

00:09:08,600 --> 00:09:04,769

Monahan and as a result I was able to do

198

00:09:11,480 --> 00:09:08,610

a lot of research on this case and I was

199

00:09:14,120 --> 00:09:11,490

struck not necessarily by the facts or

200

00:09:16,400 --> 00:09:14,130

the alleged facts or the fact that you

201  
00:09:19,069 --> 00:09:16,410  
can't really tell whether this happened

202  
00:09:21,170 --> 00:09:19,079  
I was struck by the pattern of the case

203  
00:09:23,480 --> 00:09:21,180  
which is what I had seen time and time

204  
00:09:25,850 --> 00:09:23,490  
again in real poltergeist cases that I

205  
00:09:28,069 --> 00:09:25,860  
experienced and I said Wow would either

206  
00:09:31,460 --> 00:09:28,079  
somebody either this has some truth to

207  
00:09:34,519 --> 00:09:31,470  
it or someone who made the story up knew

208  
00:09:35,960 --> 00:09:34,529  
all about how poltergeists work so that

209  
00:09:39,170 --> 00:09:35,970  
was kind of the basis by which I got

210  
00:09:40,880 --> 00:09:39,180  
started I was very intrigued by the the

211  
00:09:43,370 --> 00:09:40,890  
notion which I and I'd happened to watch

212  
00:09:45,139 --> 00:09:43,380  
the beginning of the of the A&E series

213  
00:09:47,810 --> 00:09:45,149

tonight as I was waiting for your call

214

00:09:51,829 --> 00:09:47,820

and I was struck by the fact that they

215

00:09:55,100 --> 00:09:51,839

did not seem to bring in the idea of

216

00:09:57,980 --> 00:09:55,110

this the vision that John they'll

217

00:09:59,780 --> 00:09:57,990

supposedly had of this creature with the

218

00:10:01,639 --> 00:09:59,790

glowing eyes in the head of the body of

219

00:10:04,610 --> 00:10:01,649

a Roy never was head of a rabid although

220

00:10:07,730 --> 00:10:04,620

I have it as a big black dog and this

221

00:10:09,740 --> 00:10:07,740

sort of thing that got me very intrigued

222

00:10:11,180 --> 00:10:09,750

as this is how a number of cases have

223

00:10:14,269 --> 00:10:11,190

started in my experience not necessarily

224

00:10:17,030 --> 00:10:14,279

with dogs but with something small red

225

00:10:19,639 --> 00:10:17,040

eyes under furniture growling sounds

226

00:10:22,579 --> 00:10:19,649

this sort of thing right and so the so

227

00:10:24,170 --> 00:10:22,589

that struck me they start small and they

228

00:10:25,730 --> 00:10:24,180

get bigger and bigger and bigger what

229

00:10:27,260 --> 00:10:25,740

happened after the dog sighting well the

230

00:10:30,470 --> 00:10:27,270

pounding started on the walls of the

231

00:10:32,060 --> 00:10:30,480

house things got crazier and crazier as

232

00:10:33,769 --> 00:10:32,070

people god I think there's a reason for

233

00:10:36,740 --> 00:10:33,779

this as people got more annoyed more

234

00:10:40,069 --> 00:10:36,750

frightened more angry the thing got

235

00:10:42,170 --> 00:10:40,079

stronger so it was like a that's that's

236

00:10:45,110 --> 00:10:42,180

how poltergeists operate it's like they

237

00:10:47,720 --> 00:10:45,120

are well the poltergeists are usually

238

00:10:48,680 --> 00:10:47,730

they usually feed off of energy so

239

00:10:50,780 --> 00:10:48,690

they're more of a psychokinetic

240

00:10:52,800 --> 00:10:50,790

phenomenon rather than a ghost well I

241

00:10:54,360 --> 00:10:52,810

don't think so I know

242

00:10:56,250 --> 00:10:54,370

that from what I've seen of those old

243

00:10:57,420 --> 00:10:56,260

explanations really don't they're not

244

00:11:00,030 --> 00:10:57,430

good enough okay

245

00:11:01,170 --> 00:11:00,040

and my son and I we have a whole theory

246

00:11:03,150 --> 00:11:01,180

about what this especially with the

247

00:11:05,700 --> 00:11:03,160

physical experiences I've had with that

248

00:11:07,850 --> 00:11:05,710

OC you had physical experiences of

249

00:11:10,590 --> 00:11:07,860

poltergeist activity when you were doing

250

00:11:13,320 --> 00:11:10,600

physical confrontations whether one and

251

00:11:15,570 --> 00:11:13,330

when 1970 fallen trying to protect a

252

00:11:18,420 --> 00:11:15,580

little girl who was being attacked by

253

00:11:20,370 --> 00:11:18,430

one and it was I felt skeletal structure

254

00:11:22,140 --> 00:11:20,380

oh my god in this thing it was

255

00:11:23,550 --> 00:11:22,150

absolutely astounding and I was a

256

00:11:26,100 --> 00:11:23,560

seminarian at the time I thought these

257

00:11:28,110 --> 00:11:26,110

were demons yeah and they did it was

258

00:11:29,700 --> 00:11:28,120

just beyond all that somehow well I'll

259

00:11:31,829 --> 00:11:29,710

tell you what we're gonna go more in

260

00:11:33,090 --> 00:11:31,839

detail with that that's that's uh that's

261

00:11:34,710 --> 00:11:33,100

shocking right there the skeletal

262

00:11:36,600 --> 00:11:34,720

structure because I do know that it was

263

00:11:38,070 --> 00:11:36,610

a show we did a while back with a

264

00:11:40,410 --> 00:11:38,080

gentleman who claimed he was possessed

265

00:11:42,060 --> 00:11:40,420

and he said that he came in contact with

266

00:11:44,040 --> 00:11:42,070

an entity that he could fill the

267

00:11:46,890 --> 00:11:44,050

skeletal structures it felt like that it

268

00:11:49,170 --> 00:11:46,900

was a very light human being that he it

269

00:11:51,840 --> 00:11:49,180

felt like the skin was like peeling off

270

00:11:53,750 --> 00:11:51,850

that appeared to him and and frightened

271

00:11:56,220 --> 00:11:53,760

him so much that he sold his soul to it

272

00:11:57,210 --> 00:11:56,230

it talked him into selling his soul and

273

00:11:59,010 --> 00:11:57,220

he did so and that's why he was

274

00:12:01,200 --> 00:11:59,020

possessed and so the idea of possession

275

00:12:04,770 --> 00:12:01,210

the idea of whether or not there really

276

00:12:06,630 --> 00:12:04,780

was a witch there in that area of

277

00:12:09,180 --> 00:12:06,640

Tennessee remains to be seen whether or

278

00:12:11,550 --> 00:12:09,190

not was some sort of Tulpa or energy or

279

00:12:13,380 --> 00:12:11,560

some sort of a dark energy that was

280

00:12:15,630 --> 00:12:13,390

released by demons or anything it

281

00:12:17,430 --> 00:12:15,640

there's a lot of things at stake here

282

00:12:19,440 --> 00:12:17,440

Paulino is gonna set it straight on this

283

00:12:21,170 --> 00:12:19,450

and Trish Myers with us tonight to give

284

00:12:24,270 --> 00:12:21,180

us more information about the area of

285

00:12:26,340 --> 00:12:24,280

that place in Tennessee where the Bell

286

00:12:28,590 --> 00:12:26,350

Witch once walked or still walks today

287

00:12:30,660 --> 00:12:28,600

triple-eight 673 3,700 that's

288

00:12:31,800 --> 00:12:30,670

triple-eight 673 3,700 and we will be

289

00:12:33,119 --> 00:12:31,810

back

290

00:12:35,129 --> 00:12:33,129

like Lewis you're listening to ground

291

00:12:39,540 --> 00:12:35,139

zero tonight the bill which and other

292

00:12:41,160 --> 00:12:39,550

assorted it's carries in America there's

293

00:12:44,670 --> 00:12:41,170

nothing scarier than ghosts made in

294

00:12:46,379 --> 00:12:44,680

America at least felt I'm biased

295

00:12:48,679 --> 00:12:46,389

the ghosts everywhere England but

296

00:12:50,730 --> 00:12:48,689

America has some of the scariest ones

297

00:12:52,590 --> 00:12:50,740

scariest paranormal events we've talked

298

00:12:54,569 --> 00:12:52,600

about some of them died with Holly you

299

00:12:58,079 --> 00:12:54,579

know and Trish is with us tonight

300

00:13:02,819 --> 00:12:58,089

Trish Myers of course she is uh she's

301  
00:13:04,499 --> 00:13:02,829  
the person who lived there we want to

302  
00:13:07,319 --> 00:13:04,509  
bring her along for the ride just to get

303  
00:13:08,610 --> 00:13:07,329  
an overview or an idea well you know

304  
00:13:10,110 --> 00:13:08,620  
that's another thing to Paul you were

305  
00:13:12,600 --> 00:13:10,120  
saying when Trish was saying where she

306  
00:13:14,160 --> 00:13:12,610  
was living and what she had done and how

307  
00:13:16,110 --> 00:13:14,170  
she's been in the area and she's seen

308  
00:13:18,600 --> 00:13:16,120  
all these tombstones and cemeteries and

309  
00:13:22,920 --> 00:13:18,610  
and farmland you said wait till you hear

310  
00:13:23,939 --> 00:13:22,930  
my story well I want to hear it all

311  
00:13:26,429 --> 00:13:23,949  
right let me tell you what I think the

312  
00:13:28,650 --> 00:13:26,439  
Bell Witch situation really was now bear

313  
00:13:30,420 --> 00:13:28,660

in mind that when there's an odd woman

314

00:13:31,980 --> 00:13:30,430

around and the people think she's a

315

00:13:33,480 --> 00:13:31,990

witch and all this business it's going

316

00:13:36,059 --> 00:13:33,490

to get carried down through history so I

317

00:13:37,949 --> 00:13:36,069

think perhaps Kate batts is one of the

318

00:13:39,540 --> 00:13:37,959

were is one of the the most unfortunate

319

00:13:41,369 --> 00:13:39,550

victims in this whole story because

320

00:13:42,780 --> 00:13:41,379

history looks at her is this this witch

321

00:13:44,670 --> 00:13:42,790

and everything else and Wiccans might

322

00:13:46,559 --> 00:13:44,680

have something to say about that or is

323

00:13:50,269 --> 00:13:46,569

their religion is very positive however

324

00:13:51,960 --> 00:13:50,279

I think that that we search for

325

00:13:54,420 --> 00:13:51,970

explanations

326

00:13:56,129 --> 00:13:54,430

when we encounter things of this

327

00:13:57,809 --> 00:13:56,139

magnitude the things that we can't

328

00:13:59,040 --> 00:13:57,819

explain we look for explanations that we

329

00:14:01,170 --> 00:13:59,050

can understand whether they're the

330

00:14:02,730 --> 00:14:01,180

proper explanations are not right I

331

00:14:05,610 --> 00:14:02,740

think what we're really dealing with

332

00:14:12,360 --> 00:14:05,620

here rather than a witch doing something

333

00:14:15,360 --> 00:14:12,370

is above I think for unemployed tribal

334

00:14:17,749 --> 00:14:15,370

gods otherwise known in my son's

335

00:14:20,939 --> 00:14:17,759

parlance of mind parasites

336

00:14:24,179 --> 00:14:20,949

now parasites paranormal parasites are

337

00:14:27,960 --> 00:14:24,189

the explanations I believe for our

338

00:14:30,509 --> 00:14:27,970

folklore of demons servants of state and

339

00:14:33,660 --> 00:14:30,519

then even vampires because what did the

340

00:14:35,160 --> 00:14:33,670

ancient Babylonians call what happens

341

00:14:37,199 --> 00:14:35,170

when these things come along they called

342

00:14:39,569 --> 00:14:37,209

them life-sucking ghosts that's how it

343

00:14:41,790 --> 00:14:39,579

translates because when we deal with

344

00:14:42,820 --> 00:14:41,800

people who have been victims of these

345

00:14:45,190 --> 00:14:42,830

things and

346

00:14:48,280 --> 00:14:45,200

not spirits there they're life-forms in

347

00:14:51,580 --> 00:14:48,290

our opinion who moved between parallel

348

00:14:54,850 --> 00:14:51,590

worlds such as our almost pretty much

349

00:14:57,520 --> 00:14:54,860

proven by quantum physics now they they

350

00:14:59,440 --> 00:14:57,530

have to eat as any other life-forms do

351

00:15:02,110 --> 00:14:59,450

and that is what I see in poltergeist

352

00:15:04,620 --> 00:15:02,120

cases I don't see recurrent spontaneous

353

00:15:06,610 --> 00:15:04,630

psychokinesis at the way that the

354

00:15:09,910 --> 00:15:06,620

parapsychologist try to make it fit into

355

00:15:11,170 --> 00:15:09,920

modern science which it doesn't do and I

356

00:15:12,970 --> 00:15:11,180

think that's what was happening in the

357

00:15:15,280 --> 00:15:12,980

Bell case as I say it started out with

358

00:15:17,380 --> 00:15:15,290

this this apparition of this dog or

359

00:15:19,690 --> 00:15:17,390

whatever it was it got bigger and bigger

360

00:15:22,540 --> 00:15:19,700

and bigger as the family became more

361

00:15:24,700 --> 00:15:22,550

agitated these things fed on this and

362

00:15:27,940 --> 00:15:24,710

this has actually happened to me fed on

363

00:15:30,640 --> 00:15:27,950

this got stronger took form I believe it

364

00:15:32,470 --> 00:15:30,650

was for just just from the nature of

365

00:15:35,890 --> 00:15:32,480

what is described if it happened this

366

00:15:38,460 --> 00:15:35,900

way you've got the the the so-called

367

00:15:41,950 --> 00:15:38,470

which singing in beautiful voice

368

00:15:43,060 --> 00:15:41,960

repeating word-for-word sermons and just

369

00:15:45,550 --> 00:15:43,070

about every different Church in

370

00:15:48,310 --> 00:15:45,560

Robertson County every Sunday telling

371

00:15:49,870 --> 00:15:48,320

hilarious jokes gaining recognition from

372

00:15:53,020 --> 00:15:49,880

all sorts of people who would come to

373

00:15:55,540 --> 00:15:53,030

see it and you have a classic situation

374

00:15:57,670 --> 00:15:55,550

that might have occurred in a remote

375

00:15:59,680 --> 00:15:57,680

past because when you look at ancient

376

00:16:02,380 --> 00:15:59,690

history and that not to broaden our

377

00:16:04,660 --> 00:16:02,390

scope that much but you have the ancient

378

00:16:06,040 --> 00:16:04,670

Babylonians who started out really the

379

00:16:07,990 --> 00:16:06,050

ancient people started out many people

380

00:16:11,740 --> 00:16:08,000

don't realize this apparently worshipping

381

00:16:15,460 --> 00:16:11,750

one God yeah or three-door mother father

382

00:16:16,840 --> 00:16:15,470

and child family divine family kind of

383

00:16:18,970 --> 00:16:16,850

thing with us as the child whatever

384

00:16:21,790 --> 00:16:18,980

something like that right back to the

385

00:16:23,080 --> 00:16:21,800

Aborigines in Australia the Bushman and

386

00:16:25,870 --> 00:16:23,090

Africa and things of this kind all of a

387

00:16:28,090 --> 00:16:25,880

sudden along come the Sumerians and it's

388

00:16:30,010 --> 00:16:28,100

like something happened to them about

389

00:16:32,230 --> 00:16:30,020

8,000 years ago it's like they were

390

00:16:33,790 --> 00:16:32,240

being farmers one week and lawyers and

391

00:16:36,460 --> 00:16:33,800

doctors the next it wasn't quite that

392

00:16:38,200 --> 00:16:36,470

quick but it was very quick and along

393

00:16:41,290 --> 00:16:38,210

with these great changes of advancements

394

00:16:44,290 --> 00:16:41,300

came a move from one or three gods to

395

00:16:46,960 --> 00:16:44,300

like 5,000 in a relatively short time

396

00:16:48,850 --> 00:16:46,970

sure I think these parasites literally

397

00:16:50,260 --> 00:16:48,860

took over ancient communities had not

398

00:16:52,390 --> 00:16:50,270

had this not been a 19th century

399

00:16:55,759 --> 00:16:52,400

Protestant community in Adams Tennessee

400

00:16:57,859 --> 00:16:55,769

in 1817 1821

401  
00:16:59,269 --> 00:16:57,869  
these things might very well have taken

402  
00:17:01,220 --> 00:16:59,279  
over you know it's interesting you bring

403  
00:17:02,569 --> 00:17:01,230  
up a parasite thing because well there

404  
00:17:06,669 --> 00:17:02,579  
are number of reasons why one I had a

405  
00:17:08,929 --> 00:17:06,679  
guest on a few days ago who actually his

406  
00:17:10,610 --> 00:17:08,939  
version of the world is the left-hand

407  
00:17:15,199 --> 00:17:10,620  
path he actually is a practicing

408  
00:17:17,210 --> 00:17:15,209  
Satanist and he told me that the the

409  
00:17:19,220 --> 00:17:17,220  
paranormal or that these entities these

410  
00:17:20,840 --> 00:17:19,230  
dark entities that we experience are

411  
00:17:23,240 --> 00:17:20,850  
parasitic as well and he said they

412  
00:17:25,039 --> 00:17:23,250  
attached to you I also had a guest on

413  
00:17:27,740 --> 00:17:25,049

the talked about the jinn we had a

414

00:17:31,039 --> 00:17:27,750

number of soldiers veterans who fought

415

00:17:32,510 --> 00:17:31,049

in the wars in Afghanistan and Iraq and

416

00:17:34,490 --> 00:17:32,520

Iran and all these areas where they were

417

00:17:37,159 --> 00:17:34,500

and they said that they felt like that

418

00:17:39,169 --> 00:17:37,169

when they left these areas they felt

419

00:17:41,899 --> 00:17:39,179

like they had attachments of some sort

420

00:17:45,769 --> 00:17:41,909

of a parasitic or some sort of an evil

421

00:17:48,409 --> 00:17:45,779

spirit attaching to them and I was

422

00:17:50,240 --> 00:17:48,419

actually saying that you know in fact

423

00:17:51,680 --> 00:17:50,250

the movie The Exorcist takes place the

424

00:17:54,740 --> 00:17:51,690

first scenes take place in the Middle

425

00:17:56,630 --> 00:17:54,750

East in Iraq or Nineveh or wherever you

426

00:17:58,399 --> 00:17:56,640

want to call it and Trish told me

427

00:18:00,620 --> 00:17:58,409

something when I met with her this

428

00:18:03,289 --> 00:18:00,630

morning about her experience when she

429

00:18:06,830 --> 00:18:03,299

went back to Adams and you were telling

430

00:18:09,830 --> 00:18:06,840

me Trish you were feeling a little well

431

00:18:12,019 --> 00:18:09,840

let's just say you were very sick yes my

432

00:18:16,490 --> 00:18:12,029

mother and I went out to visit the cave

433

00:18:19,340 --> 00:18:16,500

and there like I said there were six of

434

00:18:22,340 --> 00:18:19,350

us and I'm a tour guide who went down

435

00:18:25,430 --> 00:18:22,350

there and you know it was I don't know I

436

00:18:29,750 --> 00:18:25,440

can't explain it while we were in the

437

00:18:31,039 --> 00:18:29,760

cave I kept seeing something but every

438

00:18:34,279 --> 00:18:31,049

time I would look over there there's

439

00:18:35,810 --> 00:18:34,289

nothing right and you know I was trying

440

00:18:37,129 --> 00:18:35,820

to listen to the tour guide she was

441

00:18:38,960 --> 00:18:37,139

giving us information about the

442

00:18:43,700 --> 00:18:38,970

surrounding area but I kept getting

443

00:18:45,139 --> 00:18:43,710

distracted by something and you know we

444

00:18:48,500 --> 00:18:45,149

went through the tour and everything was

445

00:18:48,980 --> 00:18:48,510

fine but literally the second we got out

446

00:18:52,730 --> 00:18:48,990

of there

447

00:18:55,370 --> 00:18:52,740

I got into my car with my mom we went

448

00:18:58,430 --> 00:18:55,380

home I got extremely sick I must have

449

00:19:04,000 --> 00:18:58,440

went home and slept for like ten hours I

450

00:19:08,180 --> 00:19:04,010

was exhausted just plain exhausted

451  
00:19:09,440 --> 00:19:08,190  
another thing to Paul is I was I'm a fan

452  
00:19:13,159 --> 00:19:09,450  
of Sleepy Hollow

453  
00:19:14,269 --> 00:19:13,169  
the TV show and they did a show a while

454  
00:19:17,419 --> 00:19:14,279  
back about the tooth fairy

455  
00:19:19,370 --> 00:19:17,429  
and they talked about a demon called oh

456  
00:19:21,950 --> 00:19:19,380  
we suit and it's a demon that I had a

457  
00:19:24,169 --> 00:19:21,960  
contact with a seance unfortunately when

458  
00:19:26,240 --> 00:19:24,179  
I was doing an investigation at a place

459  
00:19:27,680 --> 00:19:26,250  
called The Rose and rain drop which was

460  
00:19:30,080 --> 00:19:27,690  
to be a funeral home but they turn it

461  
00:19:32,330 --> 00:19:30,090  
into a bar and what it was as always

462  
00:19:34,070 --> 00:19:32,340  
suited was this this demon that eats

463  
00:19:35,840 --> 00:19:34,080

children or it goes after the children

464

00:19:37,549 --> 00:19:35,850

while in the womb or it attacks women

465

00:19:38,750 --> 00:19:37,559

before they can conceive and we were

466

00:19:39,919 --> 00:19:38,760

having a seance and obvious who showed

467

00:19:40,970 --> 00:19:39,929

up and attacked all the women in the

468

00:19:43,759 --> 00:19:40,980

room and they all doubled over and got

469

00:19:46,730 --> 00:19:43,769

sick but what was interesting is in in

470

00:19:48,740 --> 00:19:46,740

the TV show Sleepy Hollow there were

471

00:19:51,799 --> 00:19:48,750

children that were saying that at night

472

00:19:53,090 --> 00:19:51,809

they would see this demon show up and it

473

00:19:54,919 --> 00:19:53,100

was after they would lose their teeth

474

00:19:56,810 --> 00:19:54,929

like if they had a loose tooth they'd

475

00:19:58,039 --> 00:19:56,820

pull their tooth and it would they

476  
00:19:59,870 --> 00:19:58,049  
they'd have to put it under their pillow

477  
00:20:01,129 --> 00:19:59,880  
well of course you know there's always

478  
00:20:03,470 --> 00:20:01,139  
an answer for that because think about

479  
00:20:06,169 --> 00:20:03,480  
crane is there to tell the history and I

480  
00:20:07,310 --> 00:20:06,179  
look at Sleepy Hollow as ground zero 101

481  
00:20:09,139 --> 00:20:07,320  
for paranormal because it talks about

482  
00:20:10,430 --> 00:20:09,149  
all the characters that either I've

483  
00:20:13,070 --> 00:20:10,440  
encountered or talked about or whatever

484  
00:20:14,240 --> 00:20:13,080  
and what they did is they said and this

485  
00:20:17,090 --> 00:20:14,250  
is what I thought was interesting is

486  
00:20:20,029 --> 00:20:17,100  
Ichabod Crane told the police he said

487  
00:20:22,669 --> 00:20:20,039  
you know the the the kids tell me that

488  
00:20:23,720 --> 00:20:22,679

this this this creature or this person

489

00:20:27,379 --> 00:20:23,730

that shows up at night it's a tooth

490

00:20:29,269 --> 00:20:27,389

fairy and and he said and he said

491

00:20:31,159 --> 00:20:29,279

something really interesting he said you

492

00:20:34,100 --> 00:20:31,169

know this tooth fairy idea he says all

493

00:20:37,129 --> 00:20:34,110

of these you know legends of like the

494

00:20:39,740 --> 00:20:37,139

tooth fairy or even Santa Claus all have

495

00:20:41,870 --> 00:20:39,750

dark origins and he said that to the

496

00:20:44,330 --> 00:20:41,880

tooth fairy could vary quite possibly be

497

00:20:47,210 --> 00:20:44,340

over Seuss and that this Mesopotamian

498

00:20:48,860 --> 00:20:47,220

demon attacks children because when

499

00:20:51,799 --> 00:20:48,870

their teeth fall out or when their loose

500

00:20:54,259 --> 00:20:51,809

tooth comes out they infect the area of

501  
00:20:56,149 --> 00:20:54,269  
the tooth and enter in there and that's

502  
00:20:58,039 --> 00:20:56,159  
how the children are eaten alive by

503  
00:21:00,470 --> 00:20:58,049  
these demons because they lose a tooth

504  
00:21:02,210 --> 00:21:00,480  
and that they don't put as if their

505  
00:21:03,680 --> 00:21:02,220  
parents don't put a silver dollar or a

506  
00:21:06,019 --> 00:21:03,690  
silver coin under the pillow

507  
00:21:07,850 --> 00:21:06,029  
the demons attacked them and that's what

508  
00:21:10,060 --> 00:21:07,860  
that's was the old traditions were or

509  
00:21:12,169 --> 00:21:10,070  
that you'd put silver under the pillow

510  
00:21:13,610 --> 00:21:12,179  
take the tooth away and that would

511  
00:21:15,049 --> 00:21:13,620  
protect the child from the demon

512  
00:21:17,930 --> 00:21:15,059  
attacking them and I thought it was

513  
00:21:19,610 --> 00:21:17,940

fascinating because it once again lends

514

00:21:21,470 --> 00:21:19,620

credence to the idea that you're putting

515

00:21:23,090 --> 00:21:21,480

forth tonight that a lot of what we

516

00:21:24,919 --> 00:21:23,100

experienced this

517

00:21:27,350 --> 00:21:24,929

paranormal possessions if they are

518

00:21:30,560 --> 00:21:27,360

literally demon possessions or like in

519

00:21:31,850 --> 00:21:30,570

the Bell Witch situation where there

520

00:21:33,710 --> 00:21:31,860

were there were these these these

521

00:21:35,840 --> 00:21:33,720

thought-forms he's anger these vengeance

522

00:21:37,370 --> 00:21:35,850

off horns between Kate batts and John

523

00:21:39,980 --> 00:21:37,380

Bell and Betsy Bell and all these guys

524

00:21:42,980 --> 00:21:39,990

that quite frankly a there could be

525

00:21:45,620 --> 00:21:42,990

those parasitic dark entities that can

526  
00:21:47,510 --> 00:21:45,630  
attach and this could be the reason why

527  
00:21:50,210 --> 00:21:47,520  
they were having these these situations

528  
00:21:51,890 --> 00:21:50,220  
and well this would this fit well I

529  
00:21:54,680 --> 00:21:51,900  
think so one thing you have to bear in

530  
00:21:59,180 --> 00:21:54,690  
mind Clyde I think is is that the myth

531  
00:22:02,690 --> 00:21:59,190  
and folklore are the vessels of ours the

532  
00:22:05,270 --> 00:22:02,700  
memory of our species we have myths and

533  
00:22:08,120 --> 00:22:05,280  
myths that exist in legends they exist

534  
00:22:09,830 --> 00:22:08,130  
for four reasons and any folklorist will

535  
00:22:12,529 --> 00:22:09,840  
tell you that at the basis of every

536  
00:22:14,419 --> 00:22:12,539  
story no matter how crazy it is is some

537  
00:22:16,010 --> 00:22:14,429  
grain of truth something that happened

538  
00:22:18,020 --> 00:22:16,020

that affected our psyches you know right

539

00:22:20,299 --> 00:22:18,030

and I think that's the with the the

540

00:22:23,029 --> 00:22:20,309

activity these parasites not at all by

541

00:22:24,799 --> 00:22:23,039

you know putting dollars and demons

542

00:22:27,980 --> 00:22:24,809

getting in bodies but then again you

543

00:22:33,350 --> 00:22:27,990

never know with ten possession cases

544

00:22:35,029 --> 00:22:33,360

right and they were very well traumatic

545

00:22:37,610 --> 00:22:35,039

shall I say especially one where the

546

00:22:39,500 --> 00:22:37,620

thing addressed me but this was in the

547

00:22:41,060 --> 00:22:39,510

context of psychiatric hospitals where

548

00:22:42,590 --> 00:22:41,070

things were happening that the doctors

549

00:22:44,270 --> 00:22:42,600

couldn't explain and if you could put

550

00:22:46,370 --> 00:22:44,280

this in the context of the remote past

551  
00:22:47,539 --> 00:22:46,380  
you'd have the origin of a lot of these

552  
00:22:49,880 --> 00:22:47,549  
legends but I think we're essentially

553  
00:22:53,240 --> 00:22:49,890  
basic we're essentially dealing with

554  
00:22:55,070 --> 00:22:53,250  
life forms that need to eat and that

555  
00:22:56,930 --> 00:22:55,080  
itself raises serious questions about

556  
00:22:59,149 --> 00:22:56,940  
what the purpose of the human race might

557  
00:23:00,500 --> 00:22:59,159  
be who messed with our genetics if that

558  
00:23:03,529 --> 00:23:00,510  
occurred and certainly seems to have

559  
00:23:05,060 --> 00:23:03,539  
occurred because there are 223 genes in

560  
00:23:08,210 --> 00:23:05,070  
the human genome that should be there

561  
00:23:09,680 --> 00:23:08,220  
right and etc etc so yeah I think

562  
00:23:12,380 --> 00:23:09,690  
there's something to this and we may

563  
00:23:14,000 --> 00:23:12,390

cast it in one story or another one guys

564

00:23:16,430 --> 00:23:14,010

or another but I think it goes back to

565

00:23:17,779 --> 00:23:16,440

the same point well it's it's it's it's

566

00:23:19,789 --> 00:23:17,789

it's amazing that you bring up this

567

00:23:22,190 --> 00:23:19,799

theory because I have been you know I've

568

00:23:24,020 --> 00:23:22,200

been like I said I'm willing to listen

569

00:23:26,149 --> 00:23:24,030

and try to understand each theory that

570

00:23:27,700 --> 00:23:26,159

comes about but lately there has been I

571

00:23:31,039 --> 00:23:27,710

mean we had freighter X on the show

572

00:23:33,230 --> 00:23:31,049

Diablo's Rex on the show we had a

573

00:23:36,130 --> 00:23:33,240

poltergeist show and every one of those

574

00:23:39,160 --> 00:23:36,140

shows someone was say

575

00:23:42,700 --> 00:23:39,170

but for some reason and for some reason

576

00:23:44,560 --> 00:23:42,710

now and hell knows why we are getting we

577

00:23:47,320 --> 00:23:44,570

are actually opening ourselves to be

578

00:23:49,030 --> 00:23:47,330

well these attachments these parasitic

579

00:23:52,330 --> 00:23:49,040

attachments and it happens when we leave

580

00:23:54,310 --> 00:23:52,340

ourselves vulnerable where we either do

581

00:23:57,640 --> 00:23:54,320

drugs like really harsh drugs like

582

00:23:59,980 --> 00:23:57,650

methamphetamine or we do you know we do

583

00:24:02,290 --> 00:23:59,990

ecstasy or there's this new drug called

584

00:24:04,330 --> 00:24:02,300

flaca which is very frightening i've

585

00:24:05,680 --> 00:24:04,340

seen the the what Apple look like

586

00:24:07,420 --> 00:24:05,690

they're possessed they freak out on it

587

00:24:09,970 --> 00:24:07,430

in fact it was just one story about

588

00:24:12,310 --> 00:24:09,980

flaca where a girl was so possessed with

589

00:24:13,810 --> 00:24:12,320

his drug she licked every inch of a

590

00:24:17,140 --> 00:24:13,820

dance floor and shredded her tongue

591

00:24:20,710 --> 00:24:17,150

that's how freaked out it was and so the

592

00:24:23,830 --> 00:24:20,720

mind can open up to all of these chaotic

593

00:24:26,460 --> 00:24:23,840

frequencies and and whatever is there

594

00:24:28,780 --> 00:24:26,470

can attach itself and it won't let go

595

00:24:30,850 --> 00:24:28,790

because you're inviting with you with

596

00:24:34,300 --> 00:24:30,860

your with your you know drugs your

597

00:24:36,700 --> 00:24:34,310

alcohol maybe even I I heard a story of

598

00:24:38,500 --> 00:24:36,710

a person who got who it was being

599

00:24:41,680 --> 00:24:38,510

tormented by demons because of a tattoo

600

00:24:43,330 --> 00:24:41,690

she got and it was infected and so you

601  
00:24:44,680 --> 00:24:43,340  
know these things you know you can chalk

602  
00:24:46,540 --> 00:24:44,690  
them up to having some physical

603  
00:24:48,850 --> 00:24:46,550  
abnormality that's creating these types

604  
00:24:52,090 --> 00:24:48,860  
of possessions or whatever they are but

605  
00:24:54,430 --> 00:24:52,100  
it just seems to me that it leaves more

606  
00:24:57,400 --> 00:24:54,440  
and more to that idea that around us all

607  
00:24:58,480 --> 00:24:57,410  
the time are these chaotic parasites or

608  
00:25:00,360 --> 00:24:58,490  
these chaotic that's what I call

609  
00:25:03,880 --> 00:25:00,370  
paranormal it's it's beyond whatever

610  
00:25:05,710 --> 00:25:03,890  
parasite it can hit us and we don't know

611  
00:25:07,240 --> 00:25:05,720  
where it comes from but it's the

612  
00:25:11,260 --> 00:25:07,250  
equivalent of psychosis it's the

613  
00:25:12,730 --> 00:25:11,270

equivalent of a psychotic break it's the

614

00:25:14,440 --> 00:25:12,740

equivalent of feeling like everything is

615

00:25:16,390 --> 00:25:14,450

falling apart around you it's possession

616

00:25:18,970 --> 00:25:16,400

it's feeling a need for God it's really

617

00:25:20,470 --> 00:25:18,980

a need for something and and that's why

618

00:25:21,820 --> 00:25:20,480

now there seems to be this like for

619

00:25:24,430 --> 00:25:21,830

example I talked about in the first hour

620

00:25:26,860 --> 00:25:24,440

before this program is on A&E that

621

00:25:29,680 --> 00:25:26,870

destination America is gonna broadcast a

622

00:25:32,290 --> 00:25:29,690

first seance on the air or now stands an

623

00:25:35,290 --> 00:25:32,300

exorcism and I'm I told them that is a

624

00:25:36,370 --> 00:25:35,300

new achievement in idiocy well we'll get

625

00:25:39,130 --> 00:25:36,380

your comments on that coming up we I

626

00:25:41,530 --> 00:25:39,140

would like to get some opinions on this

627

00:25:43,000 --> 00:25:41,540

because I was thinking yes I wouldn't

628

00:25:44,590 --> 00:25:43,010

even do an exorcism on the air but let's

629

00:25:46,720 --> 00:25:44,600

let's talk about that too coming up

630

00:25:49,020 --> 00:25:46,730

Trish Myers with us tonight on ground

631

00:25:52,680 --> 00:25:49,030

zero Paulino a very fascination

632

00:25:54,240 --> 00:25:52,690

about paranormal parasitic attacks it's

633

00:25:57,570 --> 00:25:54,250

just an amazing theory we've got good

634

00:26:00,810 --> 00:25:57,580

more cubed here eliciting Kevin writes

635

00:26:02,040 --> 00:26:00,820

he says that the mystery of of Roanoke

636

00:26:03,420 --> 00:26:02,050

didn't happen in Roanoke Virginia

637

00:26:06,510 --> 00:26:03,430

happened in Roanoke Island North

638

00:26:07,650 --> 00:26:06,520

Carolina that's what he says so I I

639

00:26:10,020 --> 00:26:07,660

stand corrected

640

00:26:11,910 --> 00:26:10,030

is that right I don't know as do i yes

641

00:26:13,650 --> 00:26:11,920

we all do but let's see that's easy to

642

00:26:16,260 --> 00:26:13,660

screw up because I haven't really I mean

643

00:26:17,730 --> 00:26:16,270

the Roanoke story is something that you

644

00:26:19,440 --> 00:26:17,740

know immediately I thought it's the

645

00:26:20,790 --> 00:26:19,450

first settlement that kind of gets

646

00:26:23,340 --> 00:26:20,800

crossed off the list here because of

647

00:26:24,810 --> 00:26:23,350

what happened and so you really don't

648

00:26:26,850 --> 00:26:24,820

have much to stand on we talk about

649

00:26:27,420 --> 00:26:26,860

except your own over Jane yeah Lynchburg

650

00:26:30,240 --> 00:26:27,430

I don't know

651  
00:26:32,040 --> 00:26:30,250  
so Kevin thank you for correcting us all

652  
00:26:35,220 --> 00:26:32,050  
right we all feel stupid and now we'll

653  
00:26:36,840 --> 00:26:35,230  
move on so here's the deal this this

654  
00:26:38,490 --> 00:26:36,850  
whole theory of yours Paul is just

655  
00:26:43,380 --> 00:26:38,500  
intriguing me and is scaring the hell

656  
00:26:45,150 --> 00:26:43,390  
out of Tricia yes so so that means we

657  
00:26:47,100 --> 00:26:45,160  
wade into waters I mean you studied the

658  
00:26:49,830 --> 00:26:47,110  
priesthood so what's let's talk it in a

659  
00:26:51,570 --> 00:26:49,840  
God way you know you're waiting into bad

660  
00:26:53,880 --> 00:26:51,580  
waters what are the bad waters you're

661  
00:26:55,320 --> 00:26:53,890  
waiting into to get these parasites well

662  
00:26:56,490 --> 00:26:55,330  
one reason that's one reason they threw

663  
00:26:59,930 --> 00:26:56,500

me out of the seminary because they

664

00:27:03,570 --> 00:26:59,940

didn't want me doing this but the priest

665

00:27:06,150 --> 00:27:03,580

priestly training does not include the

666

00:27:08,310 --> 00:27:06,160

paranormal oddly enough right and I got

667

00:27:11,930 --> 00:27:08,320

into what on my own for reasons that I

668

00:27:18,500 --> 00:27:11,940

probably don't have time to explain but

669

00:27:21,330 --> 00:27:18,510

the whole idea of us applying terms and

670

00:27:23,310 --> 00:27:21,340

notions that we can understand to things

671

00:27:24,750 --> 00:27:23,320

that are beyond us really kind of

672

00:27:28,680 --> 00:27:24,760

includes the things that might have to

673

00:27:31,020 --> 00:27:28,690

do with God and our terms alone whatever

674

00:27:33,060 --> 00:27:31,030

one thing our languages are especially

675

00:27:34,680 --> 00:27:33,070

English is really as much as I love the

676

00:27:37,290 --> 00:27:34,690

English language really is not up to

677

00:27:40,080 --> 00:27:37,300

actually talking about this stuff I know

678

00:27:41,760 --> 00:27:40,090

I'll say the word soul and you will

679

00:27:43,320 --> 00:27:41,770

think of one thing I might think of

680

00:27:46,770 --> 00:27:43,330

something entirely different even God

681

00:27:48,750 --> 00:27:46,780

what is God he-she it or them depends

682

00:27:51,210 --> 00:27:48,760

who you talk to what does it mean are we

683

00:27:53,880 --> 00:27:51,220

part of God are we separate from God are

684

00:27:57,720 --> 00:27:53,890

we Islands into ourselves or we one big

685

00:27:59,370 --> 00:27:57,730

guy alike organism right these are all

686

00:28:00,840 --> 00:27:59,380

questions that you have to resolve

687

00:28:01,650 --> 00:28:00,850

before you can even talk about this

688

00:28:04,140 --> 00:28:01,660

stuff

689

00:28:05,940 --> 00:28:04,150

but theologically I didn't think that

690

00:28:08,190 --> 00:28:05,950

was good enough either just as the old

691

00:28:10,680 --> 00:28:08,200

spiritualist ideas of what say what

692

00:28:12,420 --> 00:28:10,690

ghosts are poltergeists or the

693

00:28:14,820 --> 00:28:12,430

scientific ideas that were poltergeist

694

00:28:17,460 --> 00:28:14,830

might be they just aren't good enough

695

00:28:19,370 --> 00:28:17,470

maybe the people who have come up with

696

00:28:22,320 --> 00:28:19,380

the theories have never experienced them

697

00:28:24,060 --> 00:28:22,330

probably maybe not as much as I have

698

00:28:25,680 --> 00:28:24,070

although not in recent well and not only

699

00:28:27,840 --> 00:28:25,690

that Paul but you know you're looking at

700

00:28:28,890 --> 00:28:27,850

a number of people who say I'll believe

701

00:28:30,660 --> 00:28:28,900

in this stuff means I haven't

702

00:28:33,030 --> 00:28:30,670

experienced anything but the truth of

703

00:28:34,320 --> 00:28:33,040

matter is they don't know what the

704

00:28:35,880 --> 00:28:34,330

experience is they don't know what it's

705

00:28:37,290 --> 00:28:35,890

like and let somebody points it out to

706

00:28:39,030 --> 00:28:37,300

them and says you see that did you see

707

00:28:41,760 --> 00:28:39,040

that that was that wasn't an apparition

708

00:28:43,470 --> 00:28:41,770

oh sure it looks like smoke to me no

709

00:28:46,020 --> 00:28:43,480

okay tell me how that smoke come from

710

00:28:47,730 --> 00:28:46,030

out of nowhere or look at that that

711

00:28:50,040 --> 00:28:47,740

thing floating by Oh what is that

712

00:28:51,330 --> 00:28:50,050

that's an orb or even those they don't

713

00:28:53,370 --> 00:28:51,340

they don't notice these things because

714

00:28:54,660 --> 00:28:53,380

they're too busy looking elsewhere I was

715

00:28:55,950 --> 00:28:54,670

in the middle of something one time and

716

00:28:58,710 --> 00:28:55,960

I had to make a shock of my life we were

717

00:29:00,480 --> 00:28:58,720

doing a ghost investigation and while I

718

00:29:02,430 --> 00:29:00,490

was on the air I actually heard a ghost

719

00:29:03,810 --> 00:29:02,440

whisper into the microphone it was one

720

00:29:06,300 --> 00:29:03,820

of the strangest things I ever heard and

721

00:29:07,800 --> 00:29:06,310

I had never experienced that before I've

722

00:29:09,150 --> 00:29:07,810

seen ghosts I've seen apparitions but

723

00:29:11,250 --> 00:29:09,160

I've never heard anybody whisper into a

724

00:29:12,900 --> 00:29:11,260

microphone we were talking about taking

725

00:29:14,580 --> 00:29:12,910

the ghost out of the room and one of the

726

00:29:15,900 --> 00:29:14,590

ghosts woke up and said you know make

727

00:29:17,910 --> 00:29:15,910

sure that I'm not cold

728

00:29:19,800 --> 00:29:17,920

you know I leave and I just thought that

729

00:29:21,720 --> 00:29:19,810

was interesting that these things are

730

00:29:22,950 --> 00:29:21,730

being said and and that you know people

731

00:29:25,080 --> 00:29:22,960

who don't experience these things often

732

00:29:26,670 --> 00:29:25,090

are very critical but you give them the

733

00:29:28,560 --> 00:29:26,680

opportunity to say okay let's spend the

734

00:29:29,120 --> 00:29:28,570

night somewhere scary and they go oh no

735

00:29:31,920 --> 00:29:29,130

uh-uh

736

00:29:33,030 --> 00:29:31,930

Paulino with us tonight Trish Myers was

737

00:29:34,770 --> 00:29:33,040

tight as well we'll talk more about the

738

00:29:37,340 --> 00:29:34,780

Bell Witch and other strange scariness

739

00:29:39,750 --> 00:29:37,350

and your phone calls at triple-eight 673

740

00:29:42,360 --> 00:29:39,760

3700 we'll be back don't go away

741

00:29:44,190 --> 00:29:42,370

triple 867 3 3,700

742

00:29:47,610 --> 00:29:44,200

Paulino with his tonight on ground zero

743

00:29:51,840 --> 00:29:47,620

the book is called the Blair the bolt

744

00:29:55,320 --> 00:29:51,850

the belt about bulb it's the Bell Witch

745

00:29:57,380 --> 00:29:55,330

Project there we go trying to separate

746

00:29:59,520 --> 00:29:57,390

the Blair and the Bell in the bowl and

747

00:30:01,890 --> 00:29:59,530

we're giving you no bull were you me the

748

00:30:03,360 --> 00:30:01,900

bell the Bell which Paul you know

749

00:30:05,070 --> 00:30:03,370

tonight with us and it's glad to have

750

00:30:06,690 --> 00:30:05,080

him aboard because he's getting my mind

751

00:30:09,270 --> 00:30:06,700

thinking and that's awesome that he's

752

00:30:11,670 --> 00:30:09,280

with us getting our minds thinking about

753

00:30:15,030 --> 00:30:11,680

what could be and giving his expert

754

00:30:17,180 --> 00:30:15,040

opinion you know when when theories like

755

00:30:19,590 --> 00:30:17,190

this come about or the idea come about

756

00:30:21,570 --> 00:30:19,600

it seems that people more and more

757

00:30:23,340 --> 00:30:21,580

earnestly trying to figure out the truth

758

00:30:27,419 --> 00:30:23,350

behind these demon possessions or the

759

00:30:30,600 --> 00:30:27,429

truth behind incarnations of spirits or

760

00:30:32,010 --> 00:30:30,610

whatever and one of the problems I have

761

00:30:33,840 --> 00:30:32,020

and one of the things that sets us back

762

00:30:36,450 --> 00:30:33,850

in investigations is when everybody

763

00:30:37,799 --> 00:30:36,460

tends to say that every spirit and every

764

00:30:40,110 --> 00:30:37,809

ghost and everything out there is just a

765

00:30:43,799 --> 00:30:40,120

demon what do you say to people say that

766

00:30:46,710 --> 00:30:43,809

everything is a demon well I tell them

767

00:30:49,290 --> 00:30:46,720

that they have not really experienced

768

00:30:52,350 --> 00:30:49,300

the phenomena because none of that as I

769

00:30:55,140 --> 00:30:52,360

say holds up the whole demon thing is is

770

00:30:57,180 --> 00:30:55,150

often a retreat into an easy explanation

771

00:31:00,690 --> 00:30:57,190

for those with certain religious beliefs

772

00:31:02,250 --> 00:31:00,700

okay however so is the notion of

773

00:31:04,049 --> 00:31:02,260

spiritualism when it comes to

774

00:31:05,340 --> 00:31:04,059

interpreting ghosts they have to be

775

00:31:05,850 --> 00:31:05,350

spirits of the Dead right what else

776

00:31:07,710 --> 00:31:05,860

could they be

777

00:31:09,750 --> 00:31:07,720

let me ask you a question Clyde before

778

00:31:12,270 --> 00:31:09,760

the break you mentioned an experience of

779

00:31:14,190 --> 00:31:12,280

a ghost whispering into a microphone

780

00:31:17,040 --> 00:31:14,200

well how did that ghost do that if it

781

00:31:19,980 --> 00:31:17,050

didn't have vocal cords how does the

782

00:31:22,560 --> 00:31:19,990

sound around it it did what it used the

783

00:31:25,230 --> 00:31:22,570

sound that was in the room it was the

784

00:31:26,310 --> 00:31:25,240

sounds of a compression engines

785

00:31:27,750 --> 00:31:26,320

everything else and I heard the

786

00:31:31,590 --> 00:31:27,760

compression engine and we have it on

787

00:31:33,660 --> 00:31:31,600

tape it said it and not only that but I

788

00:31:35,700 --> 00:31:33,670

also have a theory that when you go out

789

00:31:37,140 --> 00:31:35,710

on EVP hunts and stuff like that but

790

00:31:38,430 --> 00:31:37,150

you're projecting that stuff into the

791

00:31:39,960 --> 00:31:38,440

tape or you're projecting that stuff

792

00:31:42,380 --> 00:31:39,970

into the recording I think there are

793

00:31:45,270 --> 00:31:42,390

many cases that's correct I think that

794

00:31:47,520 --> 00:31:45,280

you you go for it you asked for it and

795

00:31:49,440 --> 00:31:47,530

whatever energy is out there then it's

796

00:31:52,410 --> 00:31:49,450

an intelligent energy like a quote ghost

797

00:31:54,900 --> 00:31:52,420

it goes through you and it comes out of

798

00:31:55,240 --> 00:31:54,910

you or it it doesn't kind of you vocally

799

00:31:58,060 --> 00:31:55,250

but

800

00:32:01,750 --> 00:31:58,070

out of you somehow or it uses the sound

801  
00:32:03,670 --> 00:32:01,760  
around you to create the EVP because it

802  
00:32:05,290 --> 00:32:03,680  
doesn't have vocal cords but it does

803  
00:32:07,300 --> 00:32:05,300  
have a way to because that's why

804  
00:32:09,610 --> 00:32:07,310  
batteries tend to die when you're out

805  
00:32:12,760 --> 00:32:09,620  
doing a ghost investigation mm-hmm that

806  
00:32:14,200 --> 00:32:12,770  
is why because they take the energy and

807  
00:32:16,300 --> 00:32:14,210  
they rob the energy from whatever source

808  
00:32:16,750 --> 00:32:16,310  
they can including you so that's why

809  
00:32:18,820 --> 00:32:16,760  
though

810  
00:32:21,820 --> 00:32:18,830  
yes yeah that's what it anyone I have to

811  
00:32:23,830 --> 00:32:21,830  
talk some more figures I like that okay

812  
00:32:26,230 --> 00:32:23,840  
I've heard it before but you know and I

813  
00:32:27,850 --> 00:32:26,240

wish my son Ben was with us because he's

814

00:32:29,890 --> 00:32:27,860

a sound expert he has a degree from

815

00:32:32,500 --> 00:32:29,900

Emerson College in that subject and he

816

00:32:34,330 --> 00:32:32,510

can really talk about EVPs of what

817

00:32:36,100 --> 00:32:34,340

people think reavie pieces frame but in

818

00:32:38,290 --> 00:32:36,110

any case to get back to your question if

819

00:32:40,300 --> 00:32:38,300

I may the whole demon thing I say you

820

00:32:42,670 --> 00:32:40,310

know it's again it's not not good enough

821

00:32:44,230 --> 00:32:42,680

none of it is good enough and I tell

822

00:32:47,020 --> 00:32:44,240

people well there are many people who

823

00:32:48,850 --> 00:32:47,030

are very positive experiences and I'll

824

00:32:50,410 --> 00:32:48,860

tell them that and I'll also say that

825

00:32:52,330 --> 00:32:50,420

the demons quote-unquote that I've

826

00:32:54,220 --> 00:32:52,340

tangled with including during exorcisms

827

00:32:56,680 --> 00:32:54,230

and I haven't performed exorcisms I'm

828

00:32:59,890 --> 00:32:56,690

not qualified but I've assisted at them

829

00:33:03,460 --> 00:32:59,900

with a priest in the early days that

830

00:33:06,190 --> 00:33:03,470

those don't fit the bill either they

831

00:33:08,680 --> 00:33:06,200

they will respond very often to to the

832

00:33:10,870 --> 00:33:08,690

name of Isis for example yeah depending

833

00:33:12,970 --> 00:33:10,880

on the person's religious belief exactly

834

00:33:15,820 --> 00:33:12,980

they are in nature

835

00:33:18,010 --> 00:33:15,830

mimics much like you see their walking

836

00:33:19,810 --> 00:33:18,020

sticks that you know that things animals

837

00:33:21,970 --> 00:33:19,820

are insects that will blend into their

838

00:33:24,460 --> 00:33:21,980

environment to avoid being eaten well

839

00:33:25,750 --> 00:33:24,470

these peril or - or when they prey upon

840

00:33:27,460 --> 00:33:25,760

other creatures

841

00:33:29,650 --> 00:33:27,470

I think these parasites will do the same

842

00:33:32,320 --> 00:33:29,660

thing they will conform to what you want

843

00:33:34,870 --> 00:33:32,330

them to be in many cases yeah that would

844

00:33:38,710 --> 00:33:34,880

explain a lot and it's also interesting

845

00:33:40,180 --> 00:33:38,720

that when ever you hear the exorcisms

846

00:33:43,510 --> 00:33:40,190

are what like for example was what was

847

00:33:46,180 --> 00:33:43,520

shown in William Friedkin's Exorcist was

848

00:33:48,550 --> 00:33:46,190

when father Karras was in the room with

849

00:33:49,510 --> 00:33:48,560

Reagan Reagan was saying everything and

850

00:33:51,040 --> 00:33:49,520

doing everything that would get on

851  
00:33:53,530 --> 00:33:51,050  
father Karras has nerves or aggravate

852  
00:33:55,900 --> 00:33:53,540  
him you know where your mother's in with

853  
00:33:58,030 --> 00:33:55,910  
in here Karras or you know number of

854  
00:33:59,740 --> 00:33:58,040  
things like that and and that's because

855  
00:34:01,870 --> 00:33:59,750  
there's some sort of psychology

856  
00:34:04,750 --> 00:34:01,880  
parapsychology I guess some sort of

857  
00:34:07,470 --> 00:34:04,760  
psychology behind demon appearances

858  
00:34:11,910 --> 00:34:07,480  
demon possession and it's not that

859  
00:34:15,390 --> 00:34:11,920  
they read your mind they somehow respond

860  
00:34:16,860 --> 00:34:15,400  
to emotional electric electrical impulse

861  
00:34:19,590 --> 00:34:16,870  
is provided by the chemicals and

862  
00:34:20,850 --> 00:34:19,600  
emotional responses in the brain and

863  
00:34:22,800 --> 00:34:20,860

that doesn't mean you're hallucinating

864

00:34:24,210 --> 00:34:22,810

it means that there are powers out there

865

00:34:27,000 --> 00:34:24,220

that respond to you because you are a

866

00:34:29,400 --> 00:34:27,010

transmitter you are a conductor of this

867

00:34:31,950 --> 00:34:29,410

type of spiritual or what you could call

868

00:34:33,960 --> 00:34:31,960

electromagnetic bombardment from

869

00:34:35,430 --> 00:34:33,970

whatever it is it's out there that's or

870

00:34:38,460 --> 00:34:35,440

trying to organize itself through your

871

00:34:40,230 --> 00:34:38,470

through your energy well that may very

872

00:34:41,670 --> 00:34:40,240

well be part of it but let me go you one

873

00:34:45,000 --> 00:34:41,680

better you really want to be creeped out

874

00:34:47,730 --> 00:34:45,010

okay what's some of this if you look at

875

00:34:50,030 --> 00:34:47,740

this whole multiverse theory and take it

876

00:34:53,180 --> 00:34:50,040

to its logical or illogical conclusion

877

00:34:56,970 --> 00:34:53,190

there seem to be points at which we are

878

00:34:58,800 --> 00:34:56,980

one or there is an identity between us

879

00:35:01,530 --> 00:34:58,810

and not only other versions of ourselves

880

00:35:03,810 --> 00:35:01,540

in these other worlds but other versions

881

00:35:05,940 --> 00:35:03,820

of everything else I began to wonder

882

00:35:07,770 --> 00:35:05,950

about this very seriously when I was

883

00:35:09,240 --> 00:35:07,780

lecturing one time at a college Mountain

884

00:35:11,490 --> 00:35:09,250

I had a college up near Boston and I

885

00:35:12,930 --> 00:35:11,500

love it when I lecture at college is in

886

00:35:14,790 --> 00:35:12,940

the end they put me in a big armchair

887

00:35:16,260 --> 00:35:14,800

like Santa Claus and all the students

888

00:35:19,140 --> 00:35:16,270

come up and tell me they're stars right

889

00:35:21,690 --> 00:35:19,150

and this particular there were two

890

00:35:26,310 --> 00:35:21,700

freshmen came up to two girls and they

891

00:35:27,750 --> 00:35:26,320

said we were sisters from the start and

892

00:35:29,490 --> 00:35:27,760

that never met each other before never

893

00:35:31,830 --> 00:35:29,500

knew each other we saw each other across

894

00:35:34,320 --> 00:35:31,840

a crowded room at registration day and

895

00:35:35,640 --> 00:35:34,330

sisters from the start why was that and

896

00:35:37,950 --> 00:35:35,650

I've been talking about human

897

00:35:41,190 --> 00:35:37,960

relationships in the multiverse and I

898

00:35:43,790 --> 00:35:41,200

said because at some point somewhere and

899

00:35:49,170 --> 00:35:43,800

some when among all these many worlds

900

00:35:51,000 --> 00:35:49,180

you are each other and I think at some

901  
00:35:53,520 --> 00:35:51,010  
point in the possession cases I've

902  
00:35:56,970 --> 00:35:53,530  
witnessed that at some point that

903  
00:35:59,580 --> 00:35:56,980  
parasite and that person are each other

904  
00:36:02,430 --> 00:35:59,590  
and since parasites seemed to have a lot

905  
00:36:05,430 --> 00:36:02,440  
of free rein moving among worlds they

906  
00:36:07,470 --> 00:36:05,440  
are attracted by the dinner bell of what

907  
00:36:09,960 --> 00:36:07,480  
we've discussed the emotions the pain

908  
00:36:11,970 --> 00:36:09,970  
and they reached the point where they

909  
00:36:15,150 --> 00:36:11,980  
are this person and that's what happens

910  
00:36:17,220 --> 00:36:15,160  
I've never seen an identity in the sense

911  
00:36:19,200 --> 00:36:17,230  
of a physical identity with the parasite

912  
00:36:20,180 --> 00:36:19,210  
totally controlling it is a cooperation

913  
00:36:22,040 --> 00:36:20,190

right

914

00:36:24,559 --> 00:36:22,050

I've always seen that the person who is

915

00:36:28,700 --> 00:36:24,569

possessed quote-unquote must tacitly

916

00:36:30,050 --> 00:36:28,710

agree to it oh yeah or say that they're

917

00:36:31,520 --> 00:36:30,060

possessed and they're doon they're

918

00:36:34,670 --> 00:36:31,530

doomed or done for so they'll do nothing

919

00:36:35,900 --> 00:36:34,680

to overcome it the the cure-all for it

920

00:36:37,910 --> 00:36:35,910

or the exorcism whatever it is the

921

00:36:39,290 --> 00:36:37,920

person who is being exorcised has to go

922

00:36:40,670 --> 00:36:39,300

into it thinking that the exercise

923

00:36:43,220 --> 00:36:40,680

exorcism is gonna work

924

00:36:44,599 --> 00:36:43,230

I find it also I applaud you for

925

00:36:46,250 --> 00:36:44,609

speaking about the idea that you can

926

00:36:48,140 --> 00:36:46,260

call demons out of people by calling out

927

00:36:49,910 --> 00:36:48,150

Isis or some other God because people

928

00:36:52,069 --> 00:36:49,920

always seem to think the rebuking

929

00:36:54,290 --> 00:36:52,079

process that demons only answer to Jesus

930

00:36:58,970 --> 00:36:54,300

and that's not true I have been on I've

931

00:37:01,670 --> 00:36:58,980

been on several investigations dealt

932

00:37:04,460 --> 00:37:01,680

with several demons and many of the

933

00:37:06,950 --> 00:37:04,470

demons that are there or that identify

934

00:37:08,270 --> 00:37:06,960

themselves are demons that are not in I

935

00:37:11,780 --> 00:37:08,280

guess you could call them the hierarchy

936

00:37:14,180 --> 00:37:11,790

what is in the Bible demons like Pazuzu

937

00:37:16,579 --> 00:37:14,190

for example or always sooth or lamashtu

938

00:37:17,780 --> 00:37:16,589

or several other demons I've had

939

00:37:19,550 --> 00:37:17,790

encounters with her or at least have

940

00:37:21,589 --> 00:37:19,560

shown up not even knowing their names

941

00:37:22,880 --> 00:37:21,599

giving their names to us not even

942

00:37:24,559 --> 00:37:22,890

knowing they exist and having to go back

943

00:37:29,270 --> 00:37:24,569

and say oh my gosh they really do exist

944

00:37:31,130 --> 00:37:29,280

and the truth which is hotly doubts well

945

00:37:32,870 --> 00:37:31,140

I mean but why would they use names I

946

00:37:34,400 --> 00:37:32,880

mean it's the idea that I didn't know

947

00:37:37,849 --> 00:37:34,410

who the hell Oh be sooth was until I was

948

00:37:39,050 --> 00:37:37,859

until I was at a seance in a bar and and

949

00:37:41,750 --> 00:37:39,060

all these women were doubling over in

950

00:37:42,950 --> 00:37:41,760

pain because the demon came in because

951  
00:37:46,069 --> 00:37:42,960  
there was a woman sitting in a seance

952  
00:37:50,000 --> 00:37:46,079  
table who had a baby in her womb and was

953  
00:37:51,829 --> 00:37:50,010  
drinking alcohol boy and that triggered

954  
00:37:53,510 --> 00:37:51,839  
and because I told people I said if

955  
00:37:55,520 --> 00:37:53,520  
you're coming to the seance we're using

956  
00:37:57,319 --> 00:37:55,530  
a number of Oracle's including a Ouija

957  
00:37:58,940 --> 00:37:57,329  
board ladies and gentlemen we're using a

958  
00:38:01,030 --> 00:37:58,950  
Ouija board and therefore if we're in

959  
00:38:04,609 --> 00:38:01,040  
this room using a Ouija board we cannot

960  
00:38:06,650 --> 00:38:04,619  
allow for any drinking of alcohol any

961  
00:38:08,329 --> 00:38:06,660  
impairment due to drugs or anything else

962  
00:38:10,940 --> 00:38:08,339  
because that will freak the board out

963  
00:38:13,640 --> 00:38:10,950

now we did it all well to Paul we had

964

00:38:16,730 --> 00:38:13,650

corners we had people standing at every

965

00:38:18,380 --> 00:38:16,740

corner to guard the entire seance from

966

00:38:19,910 --> 00:38:18,390

having any kind of demon enter in and

967

00:38:22,190 --> 00:38:19,920

the problem I have is all of them were

968

00:38:23,690 --> 00:38:22,200

female and when that demon entered it

969

00:38:25,970 --> 00:38:23,700

they all doubled over in pain because

970

00:38:28,400 --> 00:38:25,980

they felt that thing enter into them and

971

00:38:29,599 --> 00:38:28,410

they was looking for that child I rush

972

00:38:31,040 --> 00:38:29,609

that woman out of the room because I

973

00:38:32,910 --> 00:38:31,050

didn't know why I just felt I needed to

974

00:38:35,100 --> 00:38:32,920

and when I came back

975

00:38:37,320 --> 00:38:35,110

I realized oh my gosh what is this and

976

00:38:38,820 --> 00:38:37,330

and the girl that I was with who doesn't

977

00:38:41,100 --> 00:38:38,830

believe in any of this stuff she was the

978

00:38:45,000 --> 00:38:41,110

she was described she said to me she

979

00:38:46,950 --> 00:38:45,010

said the demons name is obese Authority

980

00:38:48,150 --> 00:38:46,960

soothe or something always suit and we

981

00:38:50,070 --> 00:38:48,160

looked it up and found out it was a

982

00:38:51,330 --> 00:38:50,080

Mesopotamian demon that would attack

983

00:38:52,800 --> 00:38:51,340

children the same demon they were

984

00:38:54,720 --> 00:38:52,810

talking about on Sleepy Hollow two or

985

00:38:55,980 --> 00:38:54,730

three weeks ago I was like blown away

986

00:38:57,360 --> 00:38:55,990

and they even talk about in the

987

00:38:59,790 --> 00:38:57,370

possession that movie about the Dybbuk

988

00:39:01,440 --> 00:38:59,800

and I haven't know the guy like Kevin

989

00:39:03,630 --> 00:39:01,450

Mannis who had that Dybbuk box he lives

990

00:39:06,210 --> 00:39:03,640

here in Oregon but it's just that the

991

00:39:09,390 --> 00:39:06,220

whole idea here is that there are demons

992

00:39:11,820 --> 00:39:09,400

out there that aren't typical that don't

993

00:39:13,650 --> 00:39:11,830

come from the times of Jesus the people

994

00:39:15,660 --> 00:39:13,660

all think that the rebuking of Jesus is

995

00:39:16,680 --> 00:39:15,670

the is the bacterial solvent that will

996

00:39:18,450 --> 00:39:16,690

get rid of all of it and it doesn't

997

00:39:19,890 --> 00:39:18,460

happen that way especially when we're

998

00:39:21,660 --> 00:39:19,900

dealing with Middle Eastern demons like

999

00:39:24,990 --> 00:39:21,670

jinn and others that may be inhabiting

1000

00:39:26,430 --> 00:39:25,000

people well I hear you clawed well I

1001  
00:39:28,320 --> 00:39:26,440  
remember one of the exorcisms that I

1002  
00:39:30,600 --> 00:39:28,330  
shouldn't three of three of them I

1003  
00:39:33,120 --> 00:39:30,610  
participated in about ten three of them

1004  
00:39:35,010 --> 00:39:33,130  
were on the same person which I thought

1005  
00:39:36,270 --> 00:39:35,020  
was not a good idea because I'm a young

1006  
00:39:38,880 --> 00:39:36,280  
student I mean like they're gonna listen

1007  
00:39:40,230 --> 00:39:38,890  
to me right right so and in the end it

1008  
00:39:42,410 --> 00:39:40,240  
seemed to be successful but there were

1009  
00:39:45,510 --> 00:39:42,420  
plenty that just were not successful

1010  
00:39:46,880 --> 00:39:45,520  
using those methods which Rob's of

1011  
00:39:48,630 --> 00:39:46,890  
course were Roman Catholic

1012  
00:39:51,600 --> 00:39:48,640  
institutionalized methods as you

1013  
00:39:52,620 --> 00:39:51,610

described right well and not only that

1014

00:39:55,770 --> 00:39:52,630

but another thing that irritates me is

1015

00:39:57,320 --> 00:39:55,780

these ghost shows that I watch and they

1016

00:40:00,000 --> 00:39:57,330

have ghosts and they say go to the light

1017

00:40:02,100 --> 00:40:00,010

and I go what you pick that up from

1018

00:40:03,390 --> 00:40:02,110

poltergeist they say how would you like

1019

00:40:04,680 --> 00:40:03,400

it if I said to you go to the bathroom

1020

00:40:06,270 --> 00:40:04,690

and you didn't have to go to the

1021

00:40:07,830 --> 00:40:06,280

bathroom would you go to the bathroom no

1022

00:40:09,750 --> 00:40:07,840

I know then why do you tell ghost to go

1023

00:40:12,030 --> 00:40:09,760

to the light I mean they don't have to

1024

00:40:13,650 --> 00:40:12,040

go to like you tell them to it says that

1025

00:40:15,000 --> 00:40:13,660

it's a dumbest thing I've ever seen and

1026

00:40:16,260 --> 00:40:15,010

whenever I go on a ghost hunt I hear

1027

00:40:17,880 --> 00:40:16,270

stories they go to light I said get the

1028

00:40:20,460 --> 00:40:17,890

hell out of here I don't want you around

1029

00:40:23,340 --> 00:40:20,470

here cuz you're a [h\_\_h] and you gonna

1030

00:40:25,200 --> 00:40:23,350

tempt or piss off the ghost or the demon

1031

00:40:26,430 --> 00:40:25,210

whatever it is it's in this room I don't

1032

00:40:29,190 --> 00:40:26,440

have anything to do with you so I mean

1033

00:40:31,380 --> 00:40:29,200

thank heaven for you Paulie no I just

1034

00:40:32,460 --> 00:40:31,390

thank you for acknowledging the

1035

00:40:34,830 --> 00:40:32,470

conversation of the paranormal because

1036

00:40:36,510 --> 00:40:34,840

quite frankly there's so many amateurs

1037

00:40:37,860 --> 00:40:36,520

out and I want to get more on the bail

1038

00:40:39,810 --> 00:40:37,870

which because we have a relative the

1039

00:40:41,880 --> 00:40:39,820

bail which waiting on line but I also

1040

00:40:45,330 --> 00:40:41,890

want to talk about this exorcism coming

1041

00:40:45,780 --> 00:40:45,340

up on on this this destination America I

1042

00:40:47,550 --> 00:40:45,790

want

1043

00:40:50,010 --> 00:40:47,560

- and how this may be a backfire

1044

00:40:51,540 --> 00:40:50,020

triple-eight 673 3,700 will be back

1045

00:40:54,210 --> 00:40:51,550

because of the fact that there's new

1046

00:40:56,750 --> 00:40:54,220

interest in the in the bill which

1047

00:40:59,310 --> 00:40:56,760

investigation you know so much

1048

00:41:03,120 --> 00:40:59,320

information or very little information

1049

00:41:06,180 --> 00:41:03,130

about Kate batts she was deemed the

1050

00:41:09,000 --> 00:41:06,190

witch okay now this is where it gets

1051  
00:41:13,020 --> 00:41:09,010  
confusing this guy who's doing the show

1052  
00:41:15,990 --> 00:41:13,030  
tonight on a and E claims and he comes

1053  
00:41:18,840 --> 00:41:16,000  
from a family line from I believe Kate

1054  
00:41:20,490 --> 00:41:18,850  
batts that he was that that I guess John

1055  
00:41:22,970 --> 00:41:20,500  
Bell had an affair with Kate batts is

1056  
00:41:25,170 --> 00:41:22,980  
that true well he claims that he had a

1057  
00:41:26,580 --> 00:41:25,180  
it was descended from the Bell family

1058  
00:41:29,490 --> 00:41:26,590  
well I'll tell you something about Kate

1059  
00:41:34,080 --> 00:41:29,500  
batts Clyde my genealogical information

1060  
00:41:37,170 --> 00:41:34,090  
is that Kate batts was the niece of Lucy

1061  
00:41:40,220 --> 00:41:37,180  
Williams a Lucy Williams Bell John bells

1062  
00:41:43,500 --> 00:41:40,230  
wife so she was his niece by marriage

1063  
00:41:47,100 --> 00:41:43,510

much more interesting is the idea that

1064

00:41:50,280 --> 00:41:47,110

there was sexual abuse going on by John

1065

00:41:52,290 --> 00:41:50,290

Bell of the daughter Betsy the pattern

1066

00:41:55,320 --> 00:41:52,300

of the phenomena is very interesting in

1067

00:41:58,920 --> 00:41:55,330

that light so I think that we may have a

1068

00:42:01,010 --> 00:41:58,930

case right as I say I think Kate is sort

1069

00:42:03,720 --> 00:42:01,020

of the the historical victim in this

1070

00:42:06,240 --> 00:42:03,730

there isn't there was no evidence that

1071

00:42:07,890 --> 00:42:06,250

I've ever found of any layin dispute

1072

00:42:09,540 --> 00:42:07,900

that said that she put a curse on the

1073

00:42:10,920 --> 00:42:09,550

family matter fact there's no evidence

1074

00:42:12,960 --> 00:42:10,930

that she was a witch at all whatever

1075

00:42:15,170 --> 00:42:12,970

that may mean yeah I think we've got

1076

00:42:18,750 --> 00:42:15,180

John bell ringing the dinner bell for

1077

00:42:22,110 --> 00:42:18,760

parasites by perhaps sexually abusing

1078

00:42:23,760 --> 00:42:22,120

lose should say yeah Lucy that that came

1079

00:42:26,760 --> 00:42:23,770

out later in her life supposedly when

1080

00:42:29,220 --> 00:42:26,770

she was married and much later and the

1081

00:42:32,250 --> 00:42:29,230

whole pattern of the abuse of Lucy by

1082

00:42:34,380 --> 00:42:32,260

the entity and then the thing turning on

1083

00:42:36,750 --> 00:42:34,390

John Bell supposedly killing him it's

1084

00:42:38,490 --> 00:42:36,760

something I think is exaggerated right

1085

00:42:40,230 --> 00:42:38,500

it's much more interesting to me than

1086

00:42:42,090 --> 00:42:40,240

any story about Kate batts well I'll get

1087

00:42:43,650 --> 00:42:42,100

on is that Lesley she's calling from San

1088

00:42:45,570 --> 00:42:43,660

Diego California and Lesley says that

1089

00:42:50,570 --> 00:42:45,580

she is a relative of Kate batts go ahead

1090

00:42:54,510 --> 00:42:50,580

Lesley you're on the Pali no you guys

1091

00:42:56,460 --> 00:42:54,520

tonight I've learned actually a little

1092

00:42:59,000 --> 00:42:56,470

bit so far that I didn't really know

1093

00:43:02,660 --> 00:42:59,010

before concerning the story

1094

00:43:04,820 --> 00:43:02,670

I call Quietus because I was thinking

1095

00:43:06,680 --> 00:43:04,830

about this as a result of you covering

1096

00:43:09,800 --> 00:43:06,690

it on the show tonight and I remember an

1097

00:43:13,010 --> 00:43:09,810

aspect of the story where the spirit the

1098

00:43:16,640 --> 00:43:13,020

poltergeist that was involved in this

1099

00:43:19,730 --> 00:43:16,650

situation was actually given sermons in

1100

00:43:22,850 --> 00:43:19,740

a house of the Bell family right and it

1101  
00:43:25,130 --> 00:43:22,860  
was yeah and it was later discovered

1102  
00:43:27,920 --> 00:43:25,140  
that Ashleigh the spirit this

1103  
00:43:31,220 --> 00:43:27,930  
poltergeist was mimicking sermons that

1104  
00:43:35,690 --> 00:43:31,230  
were going on 3040 miles away I think by

1105  
00:43:38,090 --> 00:43:35,700  
a Baptist preacher which always kind of

1106  
00:43:42,350 --> 00:43:38,100  
astounded me because that tells me that

1107  
00:43:44,450 --> 00:43:42,360  
there's some type of on-time transient I

1108  
00:43:46,640 --> 00:43:44,460  
don't know how you would how would you

1109  
00:43:49,400 --> 00:43:46,650  
turn that quiet I would say maybe I've

1110  
00:43:52,100 --> 00:43:49,410  
said before transitory some sort of

1111  
00:43:54,140 --> 00:43:52,110  
transitory mimicking where they were

1112  
00:43:56,000 --> 00:43:54,150  
aware or the spirit was aware of what

1113  
00:43:57,440 --> 00:43:56,010

this priest was talking there and and

1114

00:43:59,960 --> 00:43:57,450

Paul wouldn't there be like some sort of

1115

00:44:01,880 --> 00:43:59,970

a if there was a problem here because I

1116

00:44:03,740 --> 00:44:01,890

remember what that minister Johnston was

1117

00:44:06,050 --> 00:44:03,750

there as well could they have been in on

1118

00:44:08,330 --> 00:44:06,060

some sort of an abusive situation where

1119

00:44:09,470 --> 00:44:08,340

the where the Baptist minister there

1120

00:44:11,420 --> 00:44:09,480

would turn the other way and maybe

1121

00:44:13,160 --> 00:44:11,430

that's why you would have a demon

1122

00:44:14,960 --> 00:44:13,170

quoting scripture because I've said

1123

00:44:16,520 --> 00:44:14,970

before you know when when Jesus was in

1124

00:44:19,610 --> 00:44:16,530

the wilderness the Saint would quote

1125

00:44:21,230 --> 00:44:19,620

scripture no problem sure sure well

1126

00:44:23,660 --> 00:44:21,240

anything is possible quiet I mean

1127

00:44:25,010 --> 00:44:23,670

especially at this distance in time what

1128

00:44:27,080 --> 00:44:25,020

I think might have been happening here

1129

00:44:29,450 --> 00:44:27,090

is as you say a time sort of thing and

1130

00:44:31,100 --> 00:44:29,460

the entire idea the multiverse comes

1131

00:44:33,320 --> 00:44:31,110

really from the general theory of

1132

00:44:34,550 --> 00:44:33,330

relativity Albert Einstein's theory then

1133

00:44:36,290 --> 00:44:34,560

essentially amount to the idea that

1134

00:44:38,810 --> 00:44:36,300

there is no past there is no future

1135

00:44:40,160 --> 00:44:38,820

everything of simultaneous and when you

1136

00:44:41,810 --> 00:44:40,170

when you're like these parasites that

1137

00:44:43,430 --> 00:44:41,820

we've seen reaching into different

1138

00:44:45,560 --> 00:44:43,440

worlds at the same time feeding on

1139

00:44:48,020 --> 00:44:45,570

different kinds of life-forms right

1140

00:44:50,710 --> 00:44:48,030

including us then you can see that that

1141

00:44:52,970 --> 00:44:50,720

this this thing could very easily be

1142

00:44:54,980 --> 00:44:52,980

aware of what's going on in the church

1143

00:44:56,720 --> 00:44:54,990

40 miles away and what's going on in the

1144

00:44:58,460 --> 00:44:56,730

Bell house it's nothing to it yeah that

1145

00:45:01,400 --> 00:44:58,470

and let's say I've never heard that

1146

00:45:03,620 --> 00:45:01,410

before and that would really be a creepy

1147

00:45:06,380 --> 00:45:03,630

thing that if the entity was there

1148

00:45:09,190 --> 00:45:06,390

quoting sermons from a minister that's

1149

00:45:11,240 --> 00:45:09,200

40 miles away that that would be just

1150

00:45:12,839 --> 00:45:11,250

hiding that just seeing that or even

1151

00:45:17,130 --> 00:45:12,849

experiencing that would be enough to

1152

00:45:20,069 --> 00:45:17,140

anybody out sure yeah well Keith was my

1153

00:45:21,690 --> 00:45:20,079

she was my father's grandmother's sister

1154

00:45:25,529 --> 00:45:21,700

I'm sorry my father's

1155

00:45:27,749 --> 00:45:25,539

great-grandmother's sister okay and so

1156

00:45:29,430 --> 00:45:27,759

you know that that always that kind of

1157

00:45:31,739 --> 00:45:29,440

surprised me because my dad didn't tell

1158

00:45:34,819 --> 00:45:31,749

me about this until I was older but

1159

00:45:37,140 --> 00:45:34,829

Robertson County was also named after my

1160

00:45:40,109 --> 00:45:37,150

great-great-great uncle who was General

1161

00:45:43,920 --> 00:45:40,119

James Robertson so there is some family

1162

00:45:45,150 --> 00:45:43,930

history of mine in Tennessee personally

1163

00:45:47,430 --> 00:45:45,160

you know just in clothing because I

1164

00:45:49,920 --> 00:45:47,440

don't take up too much time I don't

1165

00:45:52,319 --> 00:45:49,930

really agree with what Keith at did in

1166

00:45:55,559 --> 00:45:52,329

reference to this curse thing you know

1167

00:45:58,499 --> 00:45:55,569

so on but I do do I also want to make a

1168

00:46:00,630 --> 00:45:58,509

comment the cave the Bell Witch cave I

1169

00:46:02,219 --> 00:46:00,640

did a little bit of reading on that and

1170

00:46:05,009 --> 00:46:02,229

it appears that there's some kind of

1171

00:46:08,339 --> 00:46:05,019

electromagnetic magnetic activity going

1172

00:46:10,109 --> 00:46:08,349

on a cave right yeah is there a lot of

1173

00:46:12,870 --> 00:46:10,119

crystal in the cave are we looking at

1174

00:46:14,549 --> 00:46:12,880

basalt and crystal in the cave looks

1175

00:46:16,680 --> 00:46:14,559

just like much many of those caves have

1176

00:46:18,950 --> 00:46:16,690

that and that has always been the

1177

00:46:21,329 --> 00:46:18,960

situation where crystals anything with

1178

00:46:23,459 --> 00:46:21,339

crystalline type substances and caves or

1179

00:46:26,039 --> 00:46:23,469

even water aquifers sometimes attract

1180

00:46:28,319 --> 00:46:26,049

spirits because of the there's a lot of

1181

00:46:29,910 --> 00:46:28,329

energy that absorbs in crystal and of

1182

00:46:32,400 --> 00:46:29,920

course running water gives off the

1183

00:46:38,430 --> 00:46:32,410

negative ions that can create that sort

1184

00:46:40,529 --> 00:46:38,440

of feeling as well yeah that's true

1185

00:46:42,749 --> 00:46:40,539

limestone does it as well Leslie you

1186

00:46:44,039 --> 00:46:42,759

know I want to thank you for calling the

1187

00:46:45,989 --> 00:46:44,049

program that give us a little bit inside

1188

00:46:48,569 --> 00:46:45,999

of the area also letting us know about

1189

00:46:50,370 --> 00:46:48,579

how Kate batts is is your relative

1190

00:46:52,769 --> 00:46:50,380

that's amazing that we have somebody

1191

00:46:54,450 --> 00:46:52,779

listening who who has family and they're

1192

00:46:56,880 --> 00:46:54,460

really close to this and I really thank

1193

00:46:58,859 --> 00:46:56,890

you for calling the program tonight okay

1194

00:47:00,390 --> 00:46:58,869

thank you have a great night take care

1195

00:47:01,709 --> 00:47:00,400

Paulina with his tonight on grounds

1196

00:47:03,299 --> 00:47:01,719

they're a great call from Leslie calling

1197

00:47:05,279 --> 00:47:03,309

in from San Diego night about her family

1198

00:47:07,499 --> 00:47:05,289

Kate batts of course the alleged witch

1199

00:47:10,890 --> 00:47:07,509

in the Bell Witch case Trevor Elaine 673

1200

00:47:12,390 --> 00:47:10,900

3700 as triple-eight 673 3,700 more to

1201  
00:47:14,560 --> 00:47:12,400  
come with Polly know right here on

1202  
00:47:18,400 --> 00:47:14,570  
ground don't go away

1203  
00:47:21,400 --> 00:47:18,410  
the thing that's most interesting is

1204  
00:47:22,960 --> 00:47:21,410  
that whatever you have all you have an

1205  
00:47:24,780 --> 00:47:22,970  
interesting conversation or you have an

1206  
00:47:27,100 --> 00:47:24,790  
intelligent conversation about people

1207  
00:47:28,540 --> 00:47:27,110  
like you for example they've experienced

1208  
00:47:30,520 --> 00:47:28,550  
the paranormal had a background in in

1209  
00:47:32,170 --> 00:47:30,530  
religious studies and I mean a

1210  
00:47:34,870 --> 00:47:32,180  
background religious studies that are

1211  
00:47:38,290 --> 00:47:34,880  
not biased to one pantheon or another

1212  
00:47:39,370 --> 00:47:38,300  
you know people take offense if you tell

1213  
00:47:41,830 --> 00:47:39,380

them that everything that you've been

1214

00:47:44,980 --> 00:47:41,840

taught to ward off ghosts or spirits or

1215

00:47:46,960 --> 00:47:44,990

whatever I throw it out because I had a

1216

00:47:48,400 --> 00:47:46,970

situation where I was doing a an

1217

00:47:51,900 --> 00:47:48,410

investigation a preliminary

1218

00:47:54,280 --> 00:47:51,910

investigation of a poltergeist story and

1219

00:47:55,660 --> 00:47:54,290

the woman I got the woman on the phone

1220

00:47:58,150 --> 00:47:55,670

and they had already been visited by a

1221

00:47:59,920 --> 00:47:58,160

ghost hunter group that came in and they

1222

00:48:01,750 --> 00:47:59,930

you know turn on their lights and did

1223

00:48:03,850 --> 00:48:01,760

their booga-booga and you know flash

1224

00:48:05,680 --> 00:48:03,860

their little uh you know light beams

1225

00:48:07,810 --> 00:48:05,690

everywhere and did this thing and then

1226  
00:48:09,610 --> 00:48:07,820  
walked out and said we feel nothing and

1227  
00:48:11,080 --> 00:48:09,620  
yet this poor little girl that was

1228  
00:48:13,300 --> 00:48:11,090  
letting the house was traumatized and

1229  
00:48:15,190 --> 00:48:13,310  
the mother didn't know what to think and

1230  
00:48:17,380 --> 00:48:15,200  
then the ghost group went out and they

1231  
00:48:18,700 --> 00:48:17,390  
basically used all their information and

1232  
00:48:21,040 --> 00:48:18,710  
put on their Facebook page and didn't

1233  
00:48:23,590 --> 00:48:21,050  
ask permission and and definitely

1234  
00:48:25,960 --> 00:48:23,600  
exploited the case and I'm thinking to

1235  
00:48:27,130 --> 00:48:25,970  
myself you know this is where we have to

1236  
00:48:28,150 --> 00:48:27,140  
be careful this is where we have to put

1237  
00:48:30,610 --> 00:48:28,160  
ourselves on guard because there are

1238  
00:48:32,080 --> 00:48:30,620

people out there they they say well

1239

00:48:33,640 --> 00:48:32,090

there is a ghost hunting thing because

1240

00:48:35,140 --> 00:48:33,650

this is a spiritual experience is there

1241

00:48:36,580 --> 00:48:35,150

is their way to avoid going to church

1242

00:48:38,080 --> 00:48:36,590

it's their way to can't avoid you know

1243

00:48:39,130 --> 00:48:38,090

studying a religion or anything else

1244

00:48:41,020 --> 00:48:39,140

like that they think this is my

1245

00:48:42,430 --> 00:48:41,030

spiritual experiences hunting ghosts is

1246

00:48:43,810 --> 00:48:42,440

my spiritual experience and it doesn't

1247

00:48:46,090 --> 00:48:43,820

have and it's not supposed to be that

1248

00:48:47,320 --> 00:48:46,100

way and so I talked to her about a few

1249

00:48:48,460 --> 00:48:47,330

things and I said to her like for

1250

00:48:51,100 --> 00:48:48,470

example this is gonna throw everybody

1251

00:48:53,440 --> 00:48:51,110

off I said where I said the only dream

1252

00:48:55,150 --> 00:48:53,450

catchers in the house she's everywhere I

1253

00:48:56,890 --> 00:48:55,160

says take him out of there now take him

1254

00:48:59,770 --> 00:48:56,900

put him somewhere hide them because they

1255

00:49:00,910 --> 00:48:59,780

attract they attract these spirits

1256

00:49:03,240 --> 00:49:00,920

you're having in the house because it

1257

00:49:06,070 --> 00:49:03,250

was some sort of a dark spirit it was a

1258

00:49:07,540 --> 00:49:06,080

it was sort of this one of these child

1259

00:49:09,700 --> 00:49:07,550

catching type spirits poltergeist

1260

00:49:11,530 --> 00:49:09,710

activity and and then I asked the

1261

00:49:13,810 --> 00:49:11,540

question I says how many crosses do you

1262

00:49:15,700 --> 00:49:13,820

have hanging on your wall just every

1263

00:49:17,050 --> 00:49:15,710

wall has a cross I go take him down take

1264

00:49:19,810 --> 00:49:17,060

him down and a lot of people don't

1265

00:49:21,250 --> 00:49:19,820

realize that I've learned this I learned

1266

00:49:22,510 --> 00:49:21,260

this from priests actually in a told me

1267

00:49:25,960 --> 00:49:22,520

this maybe you learn the same thing

1268

00:49:27,430 --> 00:49:25,970

but they say that crucifixes and crosses

1269

00:49:27,920 --> 00:49:27,440

are not to be used as ornaments on a

1270

00:49:31,970 --> 00:49:27,930

house

1271

00:49:34,250 --> 00:49:31,980

they're used for thinking and

1272

00:49:36,349 --> 00:49:34,260

contemplating and and and meditation

1273

00:49:39,049 --> 00:49:36,359

with God and some people go overboard

1274

00:49:41,359 --> 00:49:39,059

with the crosses on the walls and what

1275

00:49:43,730 --> 00:49:41,369

that does is that attracts certain types

1276

00:49:45,559 --> 00:49:43,740

of things that maybe aren't desirable

1277

00:49:47,420 --> 00:49:45,569

that a cross alone is not going to

1278

00:49:49,519 --> 00:49:47,430

protect you from an entity that wants to

1279

00:49:51,140 --> 00:49:49,529

challenge that cross and you tell that

1280

00:49:53,089 --> 00:49:51,150

if you lay oh no no the cross of God

1281

00:49:55,940 --> 00:49:53,099

protects me or they take the Bible and

1282

00:49:57,950 --> 00:49:55,950

they use it as a way to ward off the

1283

00:49:59,870 --> 00:49:57,960

spirit these things are not supposed to

1284

00:50:04,160 --> 00:49:59,880

be used for that purpose am I correct

1285

00:50:08,380 --> 00:50:04,170

here well actually you are I wish you

1286

00:50:12,140 --> 00:50:10,430

more to you because I think that you and

1287

00:50:14,660 --> 00:50:12,150

I both have basically trained in the

1288

00:50:16,519 --> 00:50:14,670

same places because I mean I I shake my

1289

00:50:18,349 --> 00:50:16,529

head at what I see on TV I shake my head

1290

00:50:19,549 --> 00:50:18,359

it at exorcisms that they're gonna have

1291

00:50:20,960 --> 00:50:19,559

on television stuff like that because

1292

00:50:22,490 --> 00:50:20,970

they don't do them right they just don't

1293

00:50:24,260 --> 00:50:22,500

oh it's terrible

1294

00:50:26,299 --> 00:50:24,270

well I will tell you that the worst

1295

00:50:28,190 --> 00:50:26,309

cases I've seen of poltergeist or what

1296

00:50:30,049 --> 00:50:28,200

people might call demonic infestation

1297

00:50:33,440 --> 00:50:30,059

have been in homes where people have

1298

00:50:35,480 --> 00:50:33,450

strong old-time religious beliefs that

1299

00:50:36,890 --> 00:50:35,490

are really very negative your crosses on

1300

00:50:38,990 --> 00:50:36,900

every wall as you say in all this

1301  
00:50:41,240 --> 00:50:39,000  
business including the Bridgeport case

1302  
00:50:43,069 --> 00:50:41,250  
74 worked out at Lorraine Warren on that

1303  
00:50:45,079 --> 00:50:43,079  
and we were all convinced it was demons

1304  
00:50:46,640 --> 00:50:45,089  
there the things that be torn off the

1305  
00:50:49,760 --> 00:50:46,650  
wall thrown on the floor and things of

1306  
00:50:51,980 --> 00:50:49,770  
this kind yeah because and icons and

1307  
00:50:54,500 --> 00:50:51,990  
crucifixes should be used for prayer yes

1308  
00:50:56,450 --> 00:50:54,510  
as you say and and that's the thing is

1309  
00:50:58,519 --> 00:50:56,460  
you don't use God as an ornament and

1310  
00:51:00,170 --> 00:50:58,529  
people do and and that's and that's the

1311  
00:51:01,970 --> 00:51:00,180  
thing is that it is those types of

1312  
00:51:03,829 --> 00:51:01,980  
things that you know they always say

1313  
00:51:05,000 --> 00:51:03,839

well you say things about God you're

1314

00:51:06,829 --> 00:51:05,010

mocking I'm going you know what's more

1315

00:51:09,980 --> 00:51:06,839

mocking than anything else is using

1316

00:51:12,529 --> 00:51:09,990

Jesus as a as a token or an ornament on

1317

00:51:14,660 --> 00:51:12,539

your wall all the time or right or not

1318

00:51:16,700 --> 00:51:14,670

using him in prayer or not thinking and

1319

00:51:18,140 --> 00:51:16,710

contemplating the cross when you're when

1320

00:51:19,609 --> 00:51:18,150

you're there on your knees rather than

1321

00:51:21,289 --> 00:51:19,619

having it in front of you on a wall all

1322

00:51:22,940 --> 00:51:21,299

the time which is attracting and

1323

00:51:24,589 --> 00:51:22,950

challenging spirits to attack and I know

1324

00:51:26,359 --> 00:51:24,599

this is uncomfortable for people to hear

1325

00:51:29,029 --> 00:51:26,369

but we're learning more and more about

1326  
00:51:30,890 --> 00:51:29,039  
how these entities operate and I always

1327  
00:51:32,690 --> 00:51:30,900  
say you know Jesus is the cleanser that

1328  
00:51:34,760 --> 00:51:32,700  
gets most of them out of there but when

1329  
00:51:35,990 --> 00:51:34,770  
you're having a hard time and I said

1330  
00:51:37,370 --> 00:51:36,000  
this was its own disagreement when

1331  
00:51:40,940 --> 00:51:37,380  
you're having our time you have the

1332  
00:51:41,570 --> 00:51:40,950  
power as a human being to call upon the

1333  
00:51:43,010 --> 00:51:41,580  
hierarchies

1334  
00:51:44,420 --> 00:51:43,020  
the warrior angels to take out these

1335  
00:51:45,770 --> 00:51:44,430  
demons if you need to and they will

1336  
00:51:47,120 --> 00:51:45,780  
respond to a lot of Angels because they

1337  
00:51:48,470 --> 00:51:47,130  
they're basically on the same page

1338  
00:51:50,510 --> 00:51:48,480

except they're fallen or they're

1339

00:51:51,710 --> 00:51:50,520

otherwise part of some hierarchy that

1340

00:51:52,700 --> 00:51:51,720

they understand who these people are and

1341

00:51:55,250 --> 00:51:52,710

they're afraid of them

1342

00:51:56,600 --> 00:51:55,260

they simply are I hear you because there

1343

00:51:58,640 --> 00:51:56,610

are many times in the Gospels that Jesus

1344

00:52:00,380 --> 00:51:58,650

heal somebody and said it's your faith

1345

00:52:03,350 --> 00:52:00,390

who's made that's made you well

1346

00:52:04,850 --> 00:52:03,360

yes exactly no and it the power has to

1347

00:52:06,910 --> 00:52:04,860

come from inside the person you see that

1348

00:52:10,370 --> 00:52:06,920

time and time again I've seen children

1349

00:52:13,280 --> 00:52:10,380

protected by teddy bears yes because

1350

00:52:15,260 --> 00:52:13,290

it's it's a conduit for their own power

1351

00:52:17,050 --> 00:52:15,270

yeah I did and then people need to

1352

00:52:19,610 --> 00:52:17,060

understand that they have more power

1353

00:52:21,950 --> 00:52:19,620

against these entities and that is a

1354

00:52:24,710 --> 00:52:21,960

last resort you rebuke as a last resort

1355

00:52:26,510 --> 00:52:24,720

you you you go and you get an exorcist

1356

00:52:28,760 --> 00:52:26,520

as a last resort you need to have a

1357

00:52:30,680 --> 00:52:28,770

house cleansed because people need to

1358

00:52:32,360 --> 00:52:30,690

remember that they're not powerless to

1359

00:52:33,980 --> 00:52:32,370

these entities and I get people all the

1360

00:52:35,270 --> 00:52:33,990

time saying oh man you must side with

1361

00:52:37,070 --> 00:52:35,280

Satan you talk about this all the time I

1362

00:52:39,170 --> 00:52:37,080

said get a clue guys it's Halloween it's

1363

00:52:40,760 --> 00:52:39,180

a Halloween time I'm talking about

1364

00:52:42,710 --> 00:52:40,770

paranormal more so than I usually do at

1365

00:52:45,170 --> 00:52:42,720

Halloween and it's not because I'm some

1366

00:52:46,880 --> 00:52:45,180

Satanist or some spiritualist that

1367

00:52:48,620 --> 00:52:46,890

believes in the devil more so that I

1368

00:52:49,970 --> 00:52:48,630

believe in Jesus I also know that wick

1369

00:52:51,980 --> 00:52:49,980

is a great religion for people who

1370

00:52:54,020 --> 00:52:51,990

practice Wicca and I do know though

1371

00:52:55,970 --> 00:52:54,030

they're witches out there but do have

1372

00:52:57,620 --> 00:52:55,980

intercourses was Satan that's okay

1373

00:52:58,850 --> 00:52:57,630

because they do that and then but I'm

1374

00:53:00,530 --> 00:52:58,860

trying to differentiate you can't always

1375

00:53:02,990 --> 00:53:00,540

do that so the good witches know who

1376

00:53:04,940 --> 00:53:03,000

they are and I have to guy I wish I

1377

00:53:06,500 --> 00:53:04,950

didn't have to step down and say no I'm

1378

00:53:08,240 --> 00:53:06,510

not poking putting every witch in the

1379

00:53:09,890 --> 00:53:08,250

same category as a witch they would have

1380

00:53:11,300 --> 00:53:09,900

some sort of intercourse with Satan I

1381

00:53:12,920 --> 00:53:11,310

wouldn't want that and I wouldn't say

1382

00:53:13,850 --> 00:53:12,930

that about all witches but of course

1383

00:53:15,020 --> 00:53:13,860

everybody else paints them with the

1384

00:53:17,510 --> 00:53:15,030

brush so it has to be like everybody

1385

00:53:19,340 --> 00:53:17,520

else and it's not that way well it's

1386

00:53:20,990 --> 00:53:19,350

true I'm astounded by the people who

1387

00:53:22,490 --> 00:53:21,000

blame me for not embracing their

1388

00:53:24,650 --> 00:53:22,500

religious beliefs and they don't even

1389

00:53:25,940 --> 00:53:24,660

understand their own religion so you

1390

00:53:27,170 --> 00:53:25,950

don't know that you had a background in

1391

00:53:29,000 --> 00:53:27,180

the priesthood they don't know and I and

1392

00:53:31,190 --> 00:53:29,010

I tell people you know little do you

1393

00:53:32,750 --> 00:53:31,200

know I'm secular because it makes it

1394

00:53:34,550 --> 00:53:32,760

more open for everybody but the truth is

1395

00:53:36,380 --> 00:53:34,560

I have a background in religion I have a

1396

00:53:38,150 --> 00:53:36,390

background is studying Latin and and

1397

00:53:39,440 --> 00:53:38,160

theology and I had to do it because I

1398

00:53:41,420 --> 00:53:39,450

wanted to understand more than just what

1399

00:53:43,400 --> 00:53:41,430

the Bible gave me and I won't understand

1400

00:53:45,140 --> 00:53:43,410

more than you know I had read a book of

1401  
00:53:46,640 --> 00:53:45,150  
Enoch that the book of Maccabees I was

1402  
00:53:47,660 --> 00:53:46,650  
reading I was reading every day I get my

1403  
00:53:49,610 --> 00:53:47,670  
hands on so I know a little bit about

1404  
00:53:51,620 --> 00:53:49,620  
religion about everybody's belief

1405  
00:53:52,430 --> 00:53:51,630  
systems and cultures that's why I

1406  
00:53:54,710 --> 00:53:52,440  
studied Hebrew

1407  
00:53:56,480 --> 00:53:54,720  
oh you did okay I could

1408  
00:53:58,640 --> 00:53:56,490  
this isn't the original innocent that's

1409  
00:54:01,430 --> 00:53:58,650  
a pretty amazing story but for another

1410  
00:54:05,510 --> 00:54:01,440  
show I learned Latin so I could read I

1411  
00:54:06,800 --> 00:54:05,520  
read Latin briefs I was taught by the

1412  
00:54:09,230 --> 00:54:06,810  
Catholic priests to learn a little bit

1413  
00:54:10,520 --> 00:54:09,240

Latin and I because I speak Spanish and

1414

00:54:12,680 --> 00:54:10,530

I figured hey Latin it's not far of a

1415

00:54:13,970 --> 00:54:12,690

jump I knew that too oh it's a great

1416

00:54:15,500 --> 00:54:13,980

help with the Romance language it is

1417

00:54:17,210 --> 00:54:15,510

it's really awesome let's go to Joe and

1418

00:54:20,930 --> 00:54:17,220

Arizona hi Joe here on ground zero

1419

00:54:23,920 --> 00:54:20,940

oh hi thanks for taking the call yeah I

1420

00:54:26,390 --> 00:54:23,930

actually in 1916 I was in the service

1421

00:54:27,920 --> 00:54:26,400

stations and stationed in Hopkinsville

1422

00:54:30,920 --> 00:54:27,930

Kentucky which is right next to

1423

00:54:33,260 --> 00:54:30,930

Clarksville Tennessee now kind of mine a

1424

00:54:36,710 --> 00:54:33,270

friend of what you know three of us we

1425

00:54:40,190 --> 00:54:36,720

had a leave and you know we can leave so

1426  
00:54:41,870 --> 00:54:40,200  
he said well you know somehow I don't

1427  
00:54:43,940 --> 00:54:41,880  
know where it came from the Bell which

1428  
00:54:48,230 --> 00:54:43,950  
came up okay

1429  
00:54:52,099 --> 00:54:48,240  
the Dulwich story and he said he knew

1430  
00:54:54,140 --> 00:54:52,109  
where the cave was so the Bell what's

1431  
00:54:57,440 --> 00:54:54,150  
called the Bell Witch cave again I don't

1432  
00:54:59,180 --> 00:54:57,450  
know Andrew Jackson's coach supposedly

1433  
00:55:01,339 --> 00:54:59,190  
went by there once and got freaked out

1434  
00:55:02,900 --> 00:55:01,349  
and you know there was all kinds of

1435  
00:55:05,150 --> 00:55:02,910  
stories I don't remember them all

1436  
00:55:08,240 --> 00:55:05,160  
because it's just - just so long ago

1437  
00:55:11,270 --> 00:55:08,250  
anyway we went looking for it very near

1438  
00:55:13,310 --> 00:55:11,280

it I remember a snake pit it was

1439

00:55:16,250 --> 00:55:13,320

actually oh it was a marked off limit on

1440

00:55:17,329 --> 00:55:16,260

one of our boards or bulletin boards

1441

00:55:19,940 --> 00:55:17,339

that we weren't supposed to go in that

1442

00:55:22,160 --> 00:55:19,950

area because of this snake pit and we

1443

00:55:25,160 --> 00:55:22,170

did we were near there and that was near

1444

00:55:26,960 --> 00:55:25,170

the Bell Witch cave apparently all I can

1445

00:55:29,359 --> 00:55:26,970

remember about that snake that was that

1446

00:55:31,790 --> 00:55:29,369

was well named I mean this thing was

1447

00:55:36,050 --> 00:55:31,800

nothing but a deep pit and he's rather

1448

00:55:38,300 --> 00:55:36,060

warm you know there by the close to the

1449

00:55:42,109 --> 00:55:38,310

edges and there I mean I swear to God

1450

00:55:43,700 --> 00:55:42,119

every every ledge every walk looked like

1451

00:55:45,770 --> 00:55:43,710

it had allowed snake said not at a

1452

00:55:48,380 --> 00:55:45,780

timber rattler it was amazing the most

1453

00:55:50,690 --> 00:55:48,390

amazing thing I ever saw Wow anyway to

1454

00:55:53,210 --> 00:55:50,700

the bail which case he knew where it was

1455

00:55:55,400 --> 00:55:53,220

he will you know walking up this hill

1456

00:55:58,730 --> 00:55:55,410

and then walking through the woods you

1457

00:56:01,579 --> 00:55:58,740

know how to get to it and as we

1458

00:56:04,280 --> 00:56:01,589

approached all right this what he said

1459

00:56:06,770 --> 00:56:04,290

what is there is and it was big it was a

1460

00:56:08,780 --> 00:56:06,780

good-sized mound I won't call it a

1461

00:56:12,980 --> 00:56:08,790

mountain but I'll call it a good size

1462

00:56:17,360 --> 00:56:12,990

and you know world wide opening and as

1463

00:56:19,280 --> 00:56:17,370

we approached and I heard the gentleman

1464

00:56:23,660 --> 00:56:19,290

your guest mentioned something about a

1465

00:56:26,240 --> 00:56:23,670

dog yeah dog yeah well this was this was

1466

00:56:29,570 --> 00:56:26,250

a rabbit and it was the size of a dog I

1467

00:56:32,030 --> 00:56:29,580

mean I'd say a medium-sized dog it was

1468

00:56:35,300 --> 00:56:32,040

all white and had a black leg it's left

1469

00:56:36,560 --> 00:56:35,310

leg was black with a black foot in other

1470

00:56:39,370 --> 00:56:36,570

words it was like that was the only

1471

00:56:43,190 --> 00:56:39,380

black on that was that as we approached

1472

00:56:44,690 --> 00:56:43,200

you know because I guess we're here we

1473

00:56:47,120 --> 00:56:44,700

want to go check it out of it you know

1474

00:56:51,800 --> 00:56:47,130

little spooked I'd appreciate I remember

1475

00:56:54,190 --> 00:56:51,810

you spooked ourselves a little bit as we

1476  
00:56:57,080 --> 00:56:54,200  
approach this thing turned on us and

1477  
00:57:00,830 --> 00:56:57,090  
literally stood us off and like a

1478  
00:57:02,930 --> 00:57:00,840  
watchdog and we I mean not much of a

1479  
00:57:04,490 --> 00:57:02,940  
story but we just gave us and say hey I

1480  
00:57:07,760 --> 00:57:04,500  
ain't going near that I mean this was

1481  
00:57:10,610 --> 00:57:07,770  
like kennel I don't know how to compare

1482  
00:57:12,590 --> 00:57:10,620  
it to other than a Monty Python movies I

1483  
00:57:16,220 --> 00:57:12,600  
was thinking about the killer rabbit you

1484  
00:57:17,750 --> 00:57:16,230  
know Kyle panel you know I mean I swear

1485  
00:57:19,790 --> 00:57:17,760  
to God oh you know this big I thought

1486  
00:57:24,140 --> 00:57:19,800  
was going to kill us I did and it you

1487  
00:57:26,120 --> 00:57:24,150  
know he had the eyes weren't red per se

1488  
00:57:27,290 --> 00:57:26,130

they were you know well I mean kind of

1489

00:57:29,690 --> 00:57:27,300

red I guess but they weren't like

1490

00:57:34,280 --> 00:57:29,700

glowing red or frightening red like

1491

00:57:35,990 --> 00:57:34,290

you've seen some photo or I want to ask

1492

00:57:38,030 --> 00:57:36,000

a question before we go to break you

1493

00:57:41,540 --> 00:57:38,040

know Joe brings up this animal is this

1494

00:57:44,540 --> 00:57:41,550

indication Paul is this indication of

1495

00:57:46,130 --> 00:57:44,550

perhaps a unfamiliar that perhaps was

1496

00:57:50,630 --> 00:57:46,140

some sort of a mutant or something that

1497

00:57:52,400 --> 00:57:50,640

the that was seen by mr. Bell John Bell

1498

00:57:54,140 --> 00:57:52,410

well I tend to think it might have been

1499

00:57:56,150 --> 00:57:54,150

a total like thing you mentioned the

1500

00:57:57,620 --> 00:57:56,160

word taupe and I was impressed earlier

1501  
00:58:00,710 --> 00:57:57,630  
in the show I think these things come

1502  
00:58:02,180 --> 00:58:00,720  
and go much as the natives will tell you

1503  
00:58:03,830 --> 00:58:02,190  
that Bigfoot comes and goes in the

1504  
00:58:05,330 --> 00:58:03,840  
tracks I'm starting to fail today the

1505  
00:58:07,100 --> 00:58:05,340  
tracks of a certain creature went to a

1506  
00:58:08,870 --> 00:58:07,110  
certain point disappeared I think they

1507  
00:58:10,760 --> 00:58:08,880  
are multiversal creatures that come and

1508  
00:58:13,130 --> 00:58:10,770  
go probably not not of their own

1509  
00:58:14,720 --> 00:58:13,140  
volition one possibility

1510  
00:58:15,980 --> 00:58:14,730  
Joe remarkable call thank you for

1511  
00:58:17,420 --> 00:58:15,990  
sharing that with us because that does

1512  
00:58:20,450 --> 00:58:17,430  
check out because of course in the

1513  
00:58:21,690 --> 00:58:20,460

history John Bell saw something on his

1514

00:58:23,850 --> 00:58:21,700

farm like that at big dog

1515

00:58:26,430 --> 00:58:23,860

what a dog with a rabbit's head I've

1516

00:58:28,110 --> 00:58:26,440

seen depictions of Wu headed dogs you

1517

00:58:29,700 --> 00:58:28,120

know it was definitely a rabbit I mean

1518

00:58:31,880 --> 00:58:29,710

it was the shape of a rabbit but it was

1519

00:58:34,530 --> 00:58:31,890

besides yeah I'd say the medium so I

1520

00:58:36,660 --> 00:58:34,540

size of my dog kill that I have right

1521

00:58:38,490 --> 00:58:36,670

now at a medium-sized dog oh my god

1522

00:58:40,200 --> 00:58:38,500

thing that's I just didn't want to mess

1523

00:58:42,630 --> 00:58:40,210

with it I said I ain't don't forget it

1524

00:58:44,340 --> 00:58:42,640

John but I'm done with this let's go you

1525

00:58:46,170 --> 00:58:44,350

know let's go to Nashville well huh I

1526

00:58:49,740 --> 00:58:46,180

can deal with a rabbit headed dog but if

1527

00:58:51,960 --> 00:58:49,750

it growl at me I'd be gone and it starts

1528

00:58:53,700 --> 00:58:51,970

come towards you ah I don't want no part

1529

00:58:55,170 --> 00:58:53,710

of it no that's the story thank you for

1530

00:58:56,820 --> 00:58:55,180

taking a call thank you it's like that

1531

00:58:58,350 --> 00:58:56,830

spider in Gilligan's Island where the

1532

00:59:00,150 --> 00:58:58,360

spiders I say they into the cave and

1533

00:59:01,380 --> 00:59:00,160

they're like being blocked by I saw that

1534

00:59:03,120 --> 00:59:01,390

thing in it even though was fake it

1535

00:59:04,380 --> 00:59:03,130

scared the hell out of me this is that

1536

00:59:05,550 --> 00:59:04,390

same feeling you know you're looking at

1537

00:59:07,530 --> 00:59:05,560

something you don't understand what it

1538

00:59:10,590 --> 00:59:07,540

is it's an animal of some kind whether

1539

00:59:11,910 --> 00:59:10,600

it's a huge cat or maybe a dog with you

1540

00:59:14,580 --> 00:59:11,920

know maybe a Jackalope for all we care

1541

00:59:16,140 --> 00:59:14,590

I'm just saying something like that is

1542

00:59:17,490 --> 00:59:16,150

definitely something you don't want to

1543

00:59:19,110 --> 00:59:17,500

mess with or deal with especially when

1544

00:59:21,360 --> 00:59:19,120

it doesn't look familiar to you so

1545

00:59:22,590 --> 00:59:21,370

anyway Paulina with us tonight on ground

1546

00:59:24,780 --> 00:59:22,600

zero such a joy to have him on the

1547

00:59:28,380 --> 00:59:24,790

program and it's true he's one of the

1548

00:59:30,270 --> 00:59:28,390

most intelligent paranormal guys that

1549

00:59:31,410 --> 00:59:30,280

I've ever had a discussion with he is

1550

00:59:33,240 --> 00:59:31,420

he's right on the money

1551  
00:59:35,460 --> 00:59:33,250  
I mean maybe we even went to the same

1552  
00:59:38,190 --> 00:59:35,470  
schools or whatever and I just I just

1553  
00:59:39,750 --> 00:59:38,200  
know though that what he's saying I just

1554  
00:59:41,820 --> 00:59:39,760  
gels with me because these are some of

1555  
00:59:42,900 --> 00:59:41,830  
the thoughts that I've expressed when

1556  
00:59:44,400 --> 00:59:42,910  
investigating these things and then

1557  
00:59:47,390 --> 00:59:44,410  
looking into these things and believe me

1558  
00:59:50,070 --> 00:59:47,400  
you know the more you find yourself

1559  
00:59:52,620 --> 00:59:50,080  
looking at these situations the more you

1560  
00:59:55,230 --> 00:59:52,630  
find yourself questioning even the idea

1561  
00:59:56,730 --> 00:59:55,240  
of having any of these things be part of

1562  
00:59:58,800 --> 00:59:56,740  
an afterlife maybe a dimensional thing

1563  
01:00:00,540 --> 00:59:58,810

or like we were talking about the idea

1564

01:00:04,170 --> 01:00:00,550

of what are not known as a causal

1565

01:00:05,460 --> 01:00:04,180

entities that hover in the timeline but

1566

01:00:07,050 --> 01:00:05,470

don't there you have no beginning or end

1567

01:00:08,940 --> 01:00:07,060

they're just there to make sure things

1568

01:00:12,090 --> 01:00:08,950

move along and then they leave Tripoli's

1569

01:00:14,299 --> 01:00:12,100

have seven three three triple 87 three

1570

01:00:16,579 --> 01:00:14,309

3,700 we'll be back

1571

01:00:18,090 --> 01:00:16,589

Louis's around 0 Paul he knows my guest

1572

01:00:19,920 --> 01:00:18,100

tonight

1573

01:00:24,150 --> 01:00:19,930

quickly while I wanted to get your

1574

01:00:25,710 --> 01:00:24,160

opinion on the of a ghost nothing goes

1575

01:00:27,450 --> 01:00:25,720

the exorcism the first exorcism being

1576

01:00:29,640 --> 01:00:27,460

broadcast on television we've been

1577

01:00:32,760 --> 01:00:29,650

dancing around it what's your opinion on

1578

01:00:34,500 --> 01:00:32,770

this what what could go wrong well the

1579

01:00:37,380 --> 01:00:34,510

producers informed me of this and my

1580

01:00:39,630 --> 01:00:37,390

comment was new achievement and idiocy

1581

01:00:42,090 --> 01:00:39,640

one of the problems with these parasites

1582

01:00:44,070 --> 01:00:42,100

is more recognition they get so to speak

1583

01:00:46,200 --> 01:00:44,080

of the more attention the stronger they

1584

01:00:48,660 --> 01:00:46,210

can get here you have you know a good

1585

01:00:50,520 --> 01:00:48,670

part of a nation paying attention to

1586

01:00:52,350 --> 01:00:50,530

this thing which if it's if it's a

1587

01:00:54,960 --> 01:00:52,360

legitimate exorcism I'd be extremely

1588

01:00:56,580 --> 01:00:54,970

surprised but even if it's contrived

1589

01:00:58,080 --> 01:00:56,590

you're giving a lot of attention to

1590

01:01:00,510 --> 01:00:58,090

something very negative and that's a

1591

01:01:02,610 --> 01:01:00,520

really really stupid thing to do well

1592

01:01:04,170 --> 01:01:02,620

and they the hype is what bothers me

1593

01:01:05,790 --> 01:01:04,180

we're going to the house where the first

1594

01:01:08,610 --> 01:01:05,800

exorcism was held on the basis for the

1595

01:01:10,400 --> 01:01:08,620

Exorcist and I'm like thinking okay you

1596

01:01:12,210 --> 01:01:10,410

know why would you go there first of all

1597

01:01:13,620 --> 01:01:12,220

second of all I don't think there are

1598

01:01:14,940 --> 01:01:13,630

any demons there because the you know

1599

01:01:18,690 --> 01:01:14,950

quite frankly they have an exorcism

1600

01:01:20,250 --> 01:01:18,700

there and and then so the demons have

1601  
01:01:22,800 --> 01:01:20,260  
been exorcised so why go to the house

1602  
01:01:24,330 --> 01:01:22,810  
where the the exorcism took place was

1603  
01:01:25,080 --> 01:01:24,340  
the basis for the The Exorcist it

1604  
01:01:28,200 --> 01:01:25,090  
doesn't make any sense

1605  
01:01:32,670 --> 01:01:28,210  
that's ridiculous yeah and then so there

1606  
01:01:34,080 --> 01:01:32,680  
are times when you know because I I see

1607  
01:01:36,210 --> 01:01:34,090  
some of these shows and I figure that

1608  
01:01:38,250 --> 01:01:36,220  
they are a either their conversion shows

1609  
01:01:40,650 --> 01:01:38,260  
where there's always some element of the

1610  
01:01:43,260 --> 01:01:40,660  
occult being used to say this is why it

1611  
01:01:45,420 --> 01:01:43,270  
happened and then they eventually say oh

1612  
01:01:46,920 --> 01:01:45,430  
I changed my life I no longer dabbled in

1613  
01:01:49,410 --> 01:01:46,930

the occult I'm thinking yeah these are

1614

01:01:51,120 --> 01:01:49,420

these are nice little you know

1615

01:01:54,720 --> 01:01:51,130

paranormal shows disguises Jack Chick

1616

01:01:57,270 --> 01:01:54,730

tracts I don't know but I wish though

1617

01:01:58,920 --> 01:01:57,280

that you know with all of the variety of

1618

01:02:00,480 --> 01:01:58,930

these ghost shows I wish they would kind

1619

01:02:02,430 --> 01:02:00,490

of trim the fat a bit and put only the

1620

01:02:03,600 --> 01:02:02,440

good ones on the guys are really you

1621

01:02:06,240 --> 01:02:03,610

know they're really doing a great job

1622

01:02:08,910 --> 01:02:06,250

and always come up with you know pretty

1623

01:02:10,230 --> 01:02:08,920

smart you know conclusions that aren't

1624

01:02:11,940 --> 01:02:10,240

necessarily but I don't believe

1625

01:02:13,470 --> 01:02:11,950

anything's happening I mean no one's you

1626  
01:02:15,300 --> 01:02:13,480  
know people are calling you to come to

1627  
01:02:17,540 --> 01:02:15,310  
the place to investigate it they have

1628  
01:02:19,650 --> 01:02:17,550  
the they've seen this they've

1629  
01:02:21,420 --> 01:02:19,660  
experienced it and then some ghost

1630  
01:02:23,070 --> 01:02:21,430  
groups shows up for like three days and

1631  
01:02:24,300 --> 01:02:23,080  
says Ivan's to you anything so obviously

1632  
01:02:26,940 --> 01:02:24,310  
nothing's happening that doesn't make

1633  
01:02:29,010 --> 01:02:26,950  
any sense well we're always making

1634  
01:02:30,480 --> 01:02:29,020  
pilots and being contacted by producers

1635  
01:02:32,010 --> 01:02:30,490  
but I'll tell you collide they

1636  
01:02:34,410 --> 01:02:32,020  
always come back and say in so many

1637  
01:02:36,150 --> 01:02:34,420  
words you're too intelligent yeah that's

1638  
01:02:38,310 --> 01:02:36,160

the problem and that's against one of

1639

01:02:40,170 --> 01:02:38,320

the reasons why I'm hardly used on these

1640

01:02:42,480 --> 01:02:40,180

TV shows because I don't feel right

1641

01:02:43,500 --> 01:02:42,490

about making stuff up it's like I was

1642

01:02:45,570 --> 01:02:43,510

saying the beginning the show when the

1643

01:02:46,830 --> 01:02:45,580

whole Blair Witch thing happened and I

1644

01:02:48,270 --> 01:02:46,840

was introduced to Heather Donahue and I

1645

01:02:50,250 --> 01:02:48,280

was introduced to head were Eduardo

1646

01:02:51,510 --> 01:02:50,260

Sanchez I had him on the show and I

1647

01:02:53,460 --> 01:02:51,520

immediately realized and Heather Donaghy

1648

01:02:55,410 --> 01:02:53,470

was the girl in the frickin movie she

1649

01:02:57,540 --> 01:02:55,420

will she wasn't the producer they said

1650

01:03:00,390 --> 01:02:57,550

she was I'm sitting there going I get

1651

01:03:01,740 --> 01:03:00,400

this this is this is fake and then

1652

01:03:03,750 --> 01:03:01,750

making it sound like it's real now

1653

01:03:05,460 --> 01:03:03,760

if I say it's fake I'm spoiling the

1654

01:03:06,720 --> 01:03:05,470

spoiler for everybody and I don't want

1655

01:03:10,410 --> 01:03:06,730

to be a spoiler because everybody tells

1656

01:03:11,490 --> 01:03:10,420

me I'm a spoiler anyway hmm so and

1657

01:03:12,359 --> 01:03:11,500

that's why I'm having a hard time

1658

01:03:14,700 --> 01:03:12,369

holding back what happened on the

1659

01:03:18,500 --> 01:03:14,710

walking dead last night damn it anyway

1660

01:03:20,670 --> 01:03:18,510

but Paul great show intelligent

1661

01:03:21,420 --> 01:03:20,680

1662

01:03:23,550 --> 01:03:21,430

1663
