let's say a sense it's at today they

3  
00:01:10,219 --> 00:01:07,409

explode I can soak up a rock jazz rogram

4  
00:01:13,750 --> 00:01:10,229

the scripts you son of a [h\_\_\h] you never

5  
00:01:16,109 --> 00:01:13,760

realized I was thus i judge

[Music]

9  
00:01:36,200 --> 00:01:34,200

I first became interested in UFOs back

10  
00:01:38,719 --> 00:01:36,210

when I was ten years old I had a

11  
00:01:40,730 --> 00:01:38,729

sighting of three objects in the sky in

12  
00:01:43,459 --> 00:01:40,740

fact this is probably a fairly good

13  
00:01:45,969 --> 00:01:43,469

representation of what I what I saw I

14

00:01:48,319 --> 00:01:45,979

was sitting out on the front stoop of

15

00:01:53,240 --> 00:01:48,329

the home that islander with my parents

16

00:01:55,520 --> 00:01:53,250

and it was around Oh sunset maybe just

17

00:01:57,139 --> 00:01:55,530

the way after sunset someone came

18

00:01:58,190 --> 00:01:57,149

running over to where we were seated on

19

00:02:00,469 --> 00:01:58,200

the front porch because in those days

20

00:02:01,789 --> 00:02:00,479

there was no air conditioner and

21

00:02:03,499 --> 00:02:01,799

conditioning or anything you just had to

22

00:02:06,199 --> 00:02:03,509

sit outside until the cooled off enough

23

00:02:08,569 --> 00:02:06,209

to go inside so somebody came running

24

00:02:10,850 --> 00:02:08,579

over they pointed out two objects in the

25

00:02:12,319 --> 00:02:10,860

sky one was directly overhead over the

26  
00:02:14,390 --> 00:02:12,329  
building and one was across the street

27  
00:02:21,319 --> 00:02:14,400  
over the Bandit factory building well

28  
00:02:23,150 --> 00:02:21,329  
these things is rotating in the sky and

29  
00:02:25,130 --> 00:02:23,160  
the one that was over the abandoned

30  
00:02:27,229 --> 00:02:25,140  
factory building would come spin around

31  
00:02:29,240 --> 00:02:27,239  
and come over the house and the one that

32  
00:02:31,460 --> 00:02:29,250  
was over the house would go over to

33  
00:02:33,740 --> 00:02:31,470  
where the one over the abandoned factory

34  
00:02:35,930 --> 00:02:33,750  
building was then after about 10 or 15

35  
00:02:37,460 --> 00:02:35,940  
minutes the one across the street it

36  
00:02:45,140 --> 00:02:37,470  
looked like somebody had pulled a light

37  
00:02:46,789 --> 00:02:45,150  
switch it just dim and went out and went

38  
00:02:48,620 --> 00:02:46,799

inside the next day there was a little

39

00:02:50,809 --> 00:02:48,630

item in the newspaper to the effect that

40

00:02:52,910 --> 00:02:50,819

other people had witnessed these unknown

41

00:02:54,680 --> 00:02:52,920

objects but the authorities were saying

42

00:02:56,839 --> 00:02:54,690

that they were nothing more mysterious

43

00:02:58,910 --> 00:02:56,849

than weather balloons well I knew even

44

00:03:00,080 --> 00:02:58,920

at the age of 10 that these were not

45

00:03:01,759 --> 00:03:00,090

weather balloons things were not

46

00:03:03,860 --> 00:03:01,769

something that was floating in the

47

00:03:05,990 --> 00:03:03,870

nighttime sky this was something that

48

00:03:27,730 --> 00:03:06,000

was a luminous and seemed to be other

49

00:03:32,120 --> 00:03:30,380

periods what do they look like it says

50

00:03:34,520 --> 00:03:32,130

these physical descriptions are compiled

51  
00:03:37,730 --> 00:03:34,530  
from a large database of reptilian-human

52  
00:03:39,650 --> 00:03:37,740  
contacts in some cases the experimenter

53  
00:03:41,210 --> 00:03:39,660  
may recall only one physical

54  
00:03:43,880 --> 00:03:41,220  
characteristic of the nonhuman entity

55  
00:03:46,340 --> 00:03:43,890  
that was encountered on the other hand

56  
00:03:48,410 --> 00:03:46,350  
other people have vivid memories are and

57  
00:03:51,560 --> 00:03:48,420  
are able to provide detailed report of

58  
00:03:53,660 --> 00:03:51,570  
the reptilian beings Anatomy her

59  
00:03:55,130 --> 00:03:53,670  
encounter and then it goes on to say

60  
00:03:57,410 --> 00:03:55,140  
that generally speaking there are three

61  
00:04:01,190 --> 00:03:57,420  
basic reptilian physical types the

62  
00:04:03,470 --> 00:04:01,200  
Reptoid or the humanoid crossbreed that

63  
00:04:06,890 --> 00:04:03,480

the various reptilian great cross beat

64

00:04:10,220 --> 00:04:06,900

types and the repertory echo which are

65

00:04:12,320 --> 00:04:10,230

actually winged reptilian beings I guess

66

00:04:14,960 --> 00:04:12,330

this would be pretty close to what is

67

00:04:18,970 --> 00:04:14,970

described throughout the Middle Ages as

68

00:04:21,320 --> 00:04:18,980

the Dragons actually the reptilian being

69

00:04:23,330 --> 00:04:21,330

species are divided into three basic

70

00:04:26,030 --> 00:04:23,340

types these are the physical features

71

00:04:27,680 --> 00:04:26,040

that are shared by almost all and it

72

00:04:29,870 --> 00:04:27,690

goes on the destroyer that described a

73

00:04:31,870 --> 00:04:29,880

various Reptoids the Drac oh the

74

00:04:33,950 --> 00:04:31,880

reptilian great cross breeds and

75

00:04:35,840 --> 00:04:33,960

hundreds of reports have been gathered

76  
00:04:38,540 --> 00:04:35,850  
from all over the planet of people who

77  
00:04:41,330 --> 00:04:38,550  
claim that they've actually either been

78  
00:04:44,330 --> 00:04:41,340  
attacked abducted or had some sort of

79  
00:04:47,750 --> 00:04:44,340  
face-to-face encounter with these

80  
00:04:49,790 --> 00:04:47,760  
reptilian beings and their most often

81  
00:04:52,460 --> 00:04:49,800  
associated with the subterranean origin

82  
00:04:54,650 --> 00:04:52,470  
of UFOs people who accept this as a

83  
00:04:57,980 --> 00:04:54,660  
reality many of them that they're

84  
00:04:57,990 --> 00:05:04,420  
you

85  
00:05:11,779 --> 00:05:08,149  
are the the underground race of beings

86  
00:05:15,350 --> 00:05:11,789  
some of them describe them as being a

87  
00:05:18,320 --> 00:05:15,360  
reptilian in nature a Richard shaver was

88  
00:05:21,469 --> 00:05:18,330

a automobile mechanic or welder actually

89

00:05:24,890 --> 00:05:21,479

back in the 1940s he was working on an

90

00:05:27,339 --> 00:05:24,900

assembly line in Detroit every time he

91

00:05:30,170 --> 00:05:27,349

would pick up the welding gun to rivet

92

00:05:32,689 --> 00:05:30,180

the the automobile that he was working

93

00:05:34,760 --> 00:05:32,699

on he would start to hear voices the

94

00:05:37,490 --> 00:05:34,770

voices told him over a period of time

95

00:05:40,760 --> 00:05:37,500

about this vast underground world that

96

00:05:42,140 --> 00:05:40,770

existed the caverns below our feet he

97

00:05:44,629 --> 00:05:42,150

discovered that there were a race of

98

00:05:46,850 --> 00:05:44,639

what he called demented robots living

99

00:05:50,300 --> 00:05:46,860

there a race there was thousands of

100

00:05:54,409 --> 00:05:50,310

years old that had gone underground Dero

101  
00:05:56,330 --> 00:05:54,419  
was a short for demented robot I guess

102  
00:05:58,850 --> 00:05:56,340  
because they all were kind of in unison

103  
00:06:01,309 --> 00:05:58,860  
as a pack very little individual

104  
00:06:10,370 --> 00:06:01,319  
thinking and very much opposed to the

105  
00:06:25,230 --> 00:06:14,159  
in fact he claimed that the plant evil

106  
00:06:27,570 --> 00:06:25,240  
thoughts in our mind they're responsible

107  
00:06:30,360 --> 00:06:27,580  
for a lot of havoc that takes place here

108  
00:06:34,050 --> 00:06:30,370  
on the surface anyway it was a bizarre

109  
00:06:35,490 --> 00:06:34,060  
story and he submitted it to a science

110  
00:06:38,640 --> 00:06:35,500  
fiction magazine that was published in

111  
00:06:43,050 --> 00:06:38,650  
the 1940s a very popular magazine that

112  
00:06:44,400 --> 00:06:43,060  
was edited by Raymond Palmer now he had

113  
00:06:46,409 --> 00:06:44,410

received Palmer had received a a

114

00:06:48,540 --> 00:06:46,419

manuscript from Shaker what that he

115

00:06:52,200 --> 00:06:48,550

didn't know where he was and he gave it

116

00:06:53,969 --> 00:06:52,210

to his associate editor to read over and

117

00:06:56,670 --> 00:06:53,979

when he came back to the office the next

118

00:06:57,960 --> 00:06:56,680

day he has his editor what happened to

119

00:07:01,850 --> 00:06:57,970

the manuscript that had come in the mail

120

00:07:04,320 --> 00:07:01,860

was very crudely typed in all Kaman a.m.

121

00:07:05,940 --> 00:07:04,330

manila envelope and the guy said all

122

00:07:08,909 --> 00:07:05,950

this gibberish I I threw it in the trash

123

00:07:10,710 --> 00:07:08,919

so Palmer thinking that there might be

124

00:07:12,240 --> 00:07:10,720

something to the manuscript wanting to

125

00:07:14,610 --> 00:07:12,250

know more about it picked it up out of

126

00:07:16,290 --> 00:07:14,620

the trash and read it and it was about

127

00:07:18,840 --> 00:07:16,300

this on the ground race he published it

128

00:07:21,120 --> 00:07:18,850

in amazing stories which was basically

129

00:07:22,710 --> 00:07:21,130

science fiction magazine but thousands

130

00:07:25,250 --> 00:07:22,720

of readers all over the country wrote in

131

00:07:27,719 --> 00:07:25,260

and said that they had had a similar

132

00:07:29,820 --> 00:07:27,729

experiences that they also heard voices

133

00:07:32,520 --> 00:07:29,830

in their head and they also knew about

134

00:07:34,590 --> 00:07:32,530

this underground the race of beings that

135

00:07:36,779 --> 00:07:34,600

existed in the caverns below the earth

136

00:07:39,240 --> 00:07:36,789

that were tens of thousands of years old

137

00:07:41,610 --> 00:07:39,250

and that was the beginning actually of

138

00:07:43,440 --> 00:07:41,620

the so-called shaver mystery and the

139

00:07:45,360 --> 00:07:43,450

mystery of the dear obese beings that

140

00:07:47,760 --> 00:07:45,370

live underground some of whom were said

141

00:07:49,890 --> 00:07:47,770

to be reptilian in nature covered in

142

00:08:06,720 --> 00:07:49,900

scales some of them are said to actually

143

00:08:10,990 --> 00:08:09,100

it was claimed by Richard shaver and

144

00:08:13,570 --> 00:08:11,000

others that had were kidnapped and had

145

00:08:14,740 --> 00:08:13,580

these horrendous experiences with the

146

00:08:17,620 --> 00:08:14,750

deer oh the people that lived

147

00:08:19,930 --> 00:08:17,630

underground that they had these ancient

148

00:08:22,240 --> 00:08:19,940

machines called tell odd machines that

149

00:08:25,060 --> 00:08:22,250

were actually able to fry people's

150

00:08:26,620 --> 00:08:25,070

brains that control their mind and and

151

00:08:28,510 --> 00:08:26,630

some people a lot of people that are

152

00:08:30,910 --> 00:08:28,520

supposedly in mental institutions here

153

00:08:32,980 --> 00:08:30,920

on the surface are actually being

154

00:08:34,830 --> 00:08:32,990

controlled by these beings that lived

155

00:08:51,490 --> 00:08:34,840

underground and by these ancient

156

00:08:57,650 --> 00:08:54,350

there's a fellow in England who was a

157

00:09:02,240 --> 00:08:57,660

very popular speaker his name is David

158

00:09:05,840 --> 00:09:02,250

lcke he's a retired soccer player he

159

00:09:10,880 --> 00:09:05,850

also ran for political office in the UK

160

00:09:14,060 --> 00:09:10,890

on the Green Party ticket he tells us a

161

00:09:16,820 --> 00:09:14,070

whopping a fantastic story about how

162

00:09:28,190 --> 00:09:16,830

many of the world leaders are actually

163

00:09:31,430 --> 00:09:28,200

shapeshifters about how they are

164

00:09:33,230 --> 00:09:31,440

actually reptilians but they are able to

165

00:09:37,010 --> 00:09:33,240

disguise themselves so that they look

166

00:09:39,140 --> 00:09:37,020

like humans to the outside world like to

167

00:09:41,140 --> 00:09:39,150

the rest of the world and that they are

168

00:09:44,270 --> 00:09:41,150

actually part of this mysterious

169

00:09:50,930 --> 00:09:44,280

bloodline that dates back hundreds of

170

00:10:08,300 --> 00:09:50,940

years you shouldn't necessarily believe

171

00:10:13,410 --> 00:10:11,550

the Nephilim Giants and bigfoot-type

172

00:10:15,780 --> 00:10:13,420

creatures and of course we have to

173

00:10:17,640 --> 00:10:15,790

probably throw the the Bigfoot some of

174

00:10:19,650 --> 00:10:17,650

that into the Giants category because

175

00:10:21,510 --> 00:10:19,660

they're over 10 feet tall so that would

176

00:10:24,480 --> 00:10:21,520

make them a giant even if they're

177

00:10:28,050 --> 00:10:24,490

covered with hair and Mount Shasta is

178

00:10:30,120 --> 00:10:28,060

one of the probably the the four most

179

00:10:31,860 --> 00:10:30,130

places in North America were these

180

00:10:33,900 --> 00:10:31,870

giants and all sorts of weird things

181

00:10:36,600 --> 00:10:33,910

have been going on and have been

182

00:10:39,090 --> 00:10:36,610

reported I've seen newspaper clippings

183

00:10:43,730 --> 00:10:39,100

going back well over 100 years that

184

00:10:47,820 --> 00:10:43,740

describe beings and people living on

185

00:10:51,510 --> 00:10:47,830

Mount Shasta in California which do not

186

00:10:53,430 --> 00:10:51,520

seem to belong to the normal human race

187

00:10:56,450 --> 00:10:53,440

they've actually heard the sounds of

188

00:10:59,490 --> 00:10:56,460

these bigfoot-type creatures screaming

189

00:11:01,950 --> 00:10:59,500

in the night communicated with each

190

00:11:03,420 --> 00:11:01,960

other or what happened so this is this

191

00:11:05,550 --> 00:11:03,430

is one place where a lot of people have

192

00:11:06,660 --> 00:11:05,560

had experiences and there are quite a

193

00:11:09,960 --> 00:11:06,670

few others through that we've actually

194

00:11:11,420 --> 00:11:09,970

mapped out in various the books and so

195

00:11:13,740 --> 00:11:11,430

forth where people would have these in

196

00:11:15,300 --> 00:11:13,750

encounters but also even here in the

197

00:11:19,470 --> 00:11:15,310

United States there have been bones

198

00:11:22,710 --> 00:11:19,480

found of beings that are like 50 / 15

199

00:11:25,680 --> 00:11:22,720

feet tall some of them lived around the

200

00:11:28,650 --> 00:11:25,690

area of the Grand Canyon there have been

201  
00:11:32,490 --> 00:11:28,660  
a bugs haven't found the desert if Olson

202  
00:11:34,560 --> 00:11:32,500  
in even armor that these giants of war

203  
00:11:36,930 --> 00:11:34,570  
there seems to have been a distinct race

204  
00:11:40,710 --> 00:11:36,940  
of other beings that were not of this

205  
00:11:43,830 --> 00:11:40,720  
earth probably or if they were it was a

206  
00:11:44,970 --> 00:11:43,840  
separate race that normal humans and

207  
00:11:46,790 --> 00:11:44,980  
they have been described throughout

208  
00:11:49,200 --> 00:11:46,800  
history in all kinds of different texts

209  
00:11:51,720 --> 00:11:49,210  
so even though most people think up

210  
00:11:55,200 --> 00:11:51,730  
Giants as the jack and the beanstalk it

211  
00:11:58,200 --> 00:11:55,210  
goes much beyond that well there there's

212  
00:12:00,540 --> 00:11:58,210  
actually over the last decade there have

213  
00:12:03,570 --> 00:12:00,550

been dozens of reports of giants coming

214

00:12:06,180 --> 00:12:03,580

down in UFOs there was a story I

215

00:12:10,950 --> 00:12:06,190

remember that I come

216

00:12:12,720 --> 00:12:10,960

one of my UFO magazines about a fellow

217

00:12:14,790 --> 00:12:12,730

who is walking around I think was either

218

00:12:17,340 --> 00:12:14,800

brighton beach at Coney Island and he

219

00:12:18,750 --> 00:12:17,350

reported this bright light that landed

220

00:12:21,090 --> 00:12:18,760

on the edge of the water one night while

221

00:12:23,580 --> 00:12:21,100

he was out walking and an adorably

222

00:12:26,310 --> 00:12:23,590

opened in the craft and some a giant

223

00:12:27,690 --> 00:12:26,320

being technology of the crap he

224

00:12:30,780 --> 00:12:27,700

described him i think is being about

225

00:12:33,690 --> 00:12:30,790

nine or ten feet tall other in all these

226

00:12:36,300 --> 00:12:33,700

cases in israel in the in the holy land

227

00:12:38,010 --> 00:12:36,310

over the last 10 or 12 years where

228

00:12:40,050 --> 00:12:38,020

people have seen these giants not only

229

00:12:42,150 --> 00:12:40,060

come out of the ship but have actually

230

00:12:45,360 --> 00:12:42,160

even left their imprints in the ground

231

00:12:46,770 --> 00:12:45,370

in the sand and in the soil and some of

232

00:12:49,410 --> 00:12:46,780

the researchers there believe that this

233

00:12:52,080 --> 00:12:49,420

is referring to the giants emil and the

234

00:12:55,370 --> 00:12:52,090

old testament that they are returning it

235

00:12:58,470 --> 00:12:55,380

at this time and is part of the the

236

00:13:02,370 --> 00:12:58,480

jewish ship prophecies what we cool like

237

00:13:06,570 --> 00:13:02,380

I say we do collect stories from from

238

00:13:08,310 --> 00:13:06,580

many different places and people this

239

00:13:10,860 --> 00:13:08,320

goes back as far as the Bible the Bible

240

00:13:12,930 --> 00:13:10,870

talks about the Giants and Genesis it

241

00:13:15,420 --> 00:13:12,940

begins Lee of the Bible by describing

242

00:13:18,240 --> 00:13:15,430

about how these Giants came down from

243

00:13:22,620 --> 00:13:18,250

the sky and they found the human female

244

00:13:26,820 --> 00:13:22,630

so fair that they made it with them hey

245

00:13:29,430 --> 00:13:26,830

sexy lady how you do it hi pretty cute

246

00:13:32,610 --> 00:13:29,440

you're pretty cool-looking let me get it

247

00:13:33,720 --> 00:13:32,620

in you're scaring me a little and of

248

00:13:36,300 --> 00:13:33,730

course there are other stories in the

249

00:13:38,820 --> 00:13:36,310

Bible that refer to do Giants the the

250

00:13:41,370 --> 00:13:38,830

the book is Bible especially the Old

251

00:13:43,460 --> 00:13:41,380

Testament is full of stories of giants I

252

00:13:46,380 --> 00:13:43,470

included of course probably the most

253

00:13:49,620 --> 00:13:46,390

recognizable one would be the story of a

254

00:13:52,280 --> 00:13:49,630

David and Goliath my own personal

255

00:13:54,980 --> 00:13:52,290

feeling is that most of the most of the

256

00:13:57,420 --> 00:13:54,990

stories that are told in the Bible are

257

00:13:59,579 --> 00:13:57,430

based on something that happened I don't

258

00:14:01,829 --> 00:13:59,589

take them as literal truth Lex but there

259

00:14:04,470 --> 00:14:01,839

were very religious people or

260

00:14:07,140 --> 00:14:04,480

fundamentalist would take them but I do

261

00:14:07,730 --> 00:14:07,150

think that they are stories that do have

262

00:14:09,830 --> 00:14:07,740

an L

263

00:14:13,430 --> 00:14:09,840

truth to it so there have been stories

264

00:14:15,740 --> 00:14:13,440

throughout all the ages of giants and

265

00:14:17,150 --> 00:14:15,750

the giant I guess the Bible represented

266

00:14:19,340 --> 00:14:17,160

everything that was going on in that

267

00:14:21,380 --> 00:14:19,350

part of the world at that time so people

268

00:14:24,110 --> 00:14:21,390

were seeing Giants and encountering them

269

00:14:26,060 --> 00:14:24,120

and having experiences with them they

270

00:14:28,820 --> 00:14:26,070

reported on it they wrote it down and

271

00:14:30,680 --> 00:14:28,830

passed it out in the word to the person

272

00:14:33,020 --> 00:14:30,690

the person and it eventually got into

273

00:14:35,060 --> 00:14:33,030

the biblical text so it is something

274

00:15:06,810 --> 00:14:35,070

that goes back thousands thousands of

275

00:15:13,420 --> 00:15:10,810

and of course of erich von daniken who

276

00:15:18,400 --> 00:15:13,430

wrote the book Chariots of the Gods he

277

00:15:20,290 --> 00:15:18,410

would be the I guess the individual who

278

00:15:23,500 --> 00:15:20,300

has raised more than anybody else on the

279

00:15:25,630 --> 00:15:23,510

underside UFOs and aliens and antiquity

280

00:15:30,910 --> 00:15:25,640

but you also have you have easy kills

281

00:15:33,190 --> 00:15:30,920

the wheel you have another story of a

282

00:15:37,180 --> 00:15:33,200

biblical prophet that was taken up in a

283

00:15:48,050 --> 00:15:37,190

whirlwind and came back here years i

284

00:15:55,350 --> 00:15:53,280

so dark also the Israelites when they

285

00:15:58,290 --> 00:15:55,360

were crossing the desert they were

286

00:16:01,380 --> 00:15:58,300

followed by strange clouds during the

287

00:16:03,570 --> 00:16:01,390

day at pillars of fire by night and of

288

00:16:05,670 --> 00:16:03,580

course the only food that they had for a

289

00:16:08,790 --> 00:16:05,680

while to kept up going was this mana

290

00:16:10,170 --> 00:16:08,800

that dropped from the sky so somebody

291

00:16:11,519 --> 00:16:10,180

had to be dropping it and they were just

292

00:16:14,460 --> 00:16:11,529

like we have an airlift that we would

293

00:16:16,710 --> 00:16:14,470

drop out food to to the hungry you know

294

00:16:18,990 --> 00:16:16,720

people after a disaster or something it

295

00:16:21,810 --> 00:16:19,000

could well be that these these UFO

296

00:16:24,269 --> 00:16:21,820

beings we're throwing out food this

297

00:16:28,290 --> 00:16:24,279

manner to the Israel is realized so I

298

00:16:31,850 --> 00:16:28,300

think in the Bible is full of UFO UFO

299

00:16:33,990 --> 00:16:31,860

stories in fact there are a number of

300

00:16:36,120 --> 00:16:34,000

ministers who have actually written not

301

00:16:37,650 --> 00:16:36,130

just myself written about this but that

302

00:16:40,170 --> 00:16:37,660

have actually studied this trouble

303

00:16:42,930 --> 00:16:40,180

scholarly a viewpoint I in fact even the

304

00:16:45,090 --> 00:16:42,940

the Catholic Church has come out and

305

00:16:47,250 --> 00:16:45,100

said that you know people often say well

306

00:16:48,300 --> 00:16:47,260

Elliott's they have to be demonic well

307

00:16:50,640 --> 00:16:48,310

there's nothing in the Bible that says

308

00:16:52,890 --> 00:16:50,650

you are people from other planets or our

309

00:16:55,199 --> 00:16:52,900

demonic in fact even the the Catholic

310

00:16:57,540 --> 00:16:55,209

Church came out recently and said it was

311

00:17:00,360 --> 00:16:57,550

all right for people to believe in

312

00:17:03,750 --> 00:17:00,370

aliens and beings on other planets and

313

00:17:05,040 --> 00:17:03,760

that if God created life on Earth

314

00:17:07,490 --> 00:17:05,050

there's no reason to think that he

315

00:17:10,590 --> 00:17:07,500

didn't create it somewhere else as well

316

00:17:12,990 --> 00:17:10,600

all old history books are full of us

317

00:17:17,850 --> 00:17:13,000

stories of strange objects in the sky

318

00:17:20,669 --> 00:17:17,860

it's part of our history it's part of

319

00:17:24,770 --> 00:17:20,679

the destiny of the other planet and I do

320

00:17:29,669 --> 00:17:24,780

think that the UFO phenomena will have

321

00:17:31,940 --> 00:17:29,679

much more validity in the coming in the

322

00:17:34,710 --> 00:17:31,950

coming years people will start churning

323

00:17:36,600 --> 00:17:34,720

turned into the sky once again just like

324

00:17:39,480 --> 00:17:36,610

they did in ancient times to look for

325

00:17:40,409 --> 00:17:39,490

knowledge and wisdom and perhaps some

326

00:17:49,780 --> 00:17:40,419

way out of there

327

00:17:57,260 --> 00:17:54,140

the UFO bigs are a wide variety all the

328

00:17:59,930 --> 00:17:57,270

way from the reptilians to the Giants to

329

00:18:02,830 --> 00:17:59,940

small people to people that look exactly

330

00:18:11,120 --> 00:18:02,840

like you and I

331

00:18:11,130 --> 00:18:19,590

you

332

00:18:26,050 --> 00:18:22,420

on a magazine I was a managing editor of

333

00:18:27,250 --> 00:18:26,060

a magazine called saucer news and yet I

334

00:18:30,250 --> 00:18:27,260

would get to the office maybe around

335

00:18:31,840 --> 00:18:30,260

eleven in the morning and on some

336

00:18:34,060 --> 00:18:31,850

mornings at Mary would call Mary

337

00:18:36,700 --> 00:18:34,070

Robinson would call and she claimed that

338

00:18:39,340 --> 00:18:36,710

after Jack her husband left their

339

00:18:41,980 --> 00:18:39,350

apartment in the Jersey City to go to

340

00:18:43,810 --> 00:18:41,990

Manhattan he worked in a bank over there

341

00:18:45,580 --> 00:18:43,820

he would take the pair trade over and

342

00:18:47,680 --> 00:18:45,590

after he would leave she would get

343

00:18:50,500 --> 00:18:47,690

herself organized and she would go out

344

00:18:51,700 --> 00:18:50,510

to do the shopping and Mary said that

345

00:18:53,710 --> 00:18:51,710

often when she went out to do the

346

00:18:56,290 --> 00:18:53,720

shopping a couple of times a week she

347

00:18:58,540 --> 00:18:56,300

noticed in the doorway I just down the

348

00:19:00,880 --> 00:18:58,550

street from where their partner was this

349

00:19:12,960 --> 00:19:00,890

man dressed in black with a black hat

350

00:19:19,210 --> 00:19:16,330

just standing there seemingly monitoring

351

00:19:21,340 --> 00:19:19,220

the activity of people going in and out

352

00:19:23,620 --> 00:19:21,350

of that particular apartment building

353

00:19:26,080 --> 00:19:23,630

the sightings are these experiences with

354

00:19:28,930 --> 00:19:26,090

the men in black are been a part of UFO

355

00:19:29,980 --> 00:19:28,940

lore for many many years people who

356

00:19:31,600 --> 00:19:29,990

claim that they've actually been

357

00:19:42,870 --> 00:19:31,610

threatened by these individuals and not

358

00:19:46,800 --> 00:19:44,880

anyway very cold out a couple of

359

00:19:49,050 --> 00:19:46,810

occasions to say that would Jacqueline

360

00:19:50,970 --> 00:19:49,060

to work this person very strange-looking

361

00:19:52,890 --> 00:19:50,980

person dressed in black and black hat

362

00:19:55,260 --> 00:19:52,900

over face with a black cadillac parked

363

00:19:57,900 --> 00:19:55,270

the car would be staring at her watching

364

00:19:59,370 --> 00:19:57,910

her coming up and down the street so we

365

00:20:01,440 --> 00:19:59,380

decided what we didn't know but whether

366

00:20:02,610 --> 00:20:01,450

they were just maybe trying to to get us

367

00:20:05,040 --> 00:20:02,620

excited about some of their other

368

00:20:06,900 --> 00:20:05,050

experiences that they had written about

369

00:20:08,730 --> 00:20:06,910

so we published it anyway we weren't

370

00:20:10,290 --> 00:20:08,740

sure we figured well let's go over there

371

00:20:12,510 --> 00:20:10,300

without telling Jack and Mary network

372

00:20:15,210 --> 00:20:12,520

that we're coming to see if there really

373

00:20:20,520 --> 00:20:15,220

is this strange person standing in the

374

00:20:22,080 --> 00:20:20,530

doorway for away so we got in the card

375

00:20:23,580 --> 00:20:22,090

room mostly I got in the car by eight

376

00:20:25,980 --> 00:20:23,590

o'clock one morning we drove over in the

377

00:20:27,510 --> 00:20:25,990

peers of the city without letting Jack

378

00:20:28,770 --> 00:20:27,520

and Mary know that we were coming we

379

00:20:31,980 --> 00:20:28,780

pulled in front of their building and

380

00:20:34,110 --> 00:20:31,990

sure enough there was a black car parked

381

00:20:37,140 --> 00:20:34,120

just down the street a couple of feet at

382

00:20:39,030 --> 00:20:37,150

standing in the doorway was this figure

383

00:20:40,620 --> 00:20:39,040

a variation looking if I remember

384

00:20:42,330 --> 00:20:40,630

correctly and I have a photograph of it

385

00:20:43,740 --> 00:20:42,340

could lift up the photograph and it may

386

00:20:45,540 --> 00:20:43,750

be the only authentic photograph

387

00:20:48,000 --> 00:20:45,550

implemented black and you can see it on

388

00:20:50,510 --> 00:20:48,010

the history channel there was a signal

389

00:20:53,970 --> 00:20:50,520

vigil standing there best total in black

390

00:20:57,090 --> 00:20:53,980

with a hat on stone cold just has

391

00:20:58,950 --> 00:20:57,100

recessed back into the doorway very very

392

00:21:02,100 --> 00:20:58,960

odd no reason for him to be on the block

393

00:21:04,200 --> 00:21:02,110

at all Jim Mosley was driving the car I

394

00:21:07,020 --> 00:21:04,210

was in the passenger seat I picked up

395

00:21:09,690 --> 00:21:07,030

his camera ended up the window took a

396

00:21:11,220 --> 00:21:09,700

photograph of both this individual

397

00:21:13,800 --> 00:21:11,230

standing in the doorway and one of the

398

00:21:16,080 --> 00:21:13,810

car we decided we're going to drive

399

00:21:17,550 --> 00:21:16,090

around the block come back try to party

400

00:21:18,900 --> 00:21:17,560

on will be up this early in the morning

401  
00:21:20,220 --> 00:21:18,910  
and there's a lot of cars double parked

402  
00:21:22,950 --> 00:21:20,230  
there they'll come around the corner

403  
00:21:25,260 --> 00:21:22,960  
park the car art and tried to confront

404  
00:21:26,220 --> 00:21:25,270  
this person and ask why were they

405  
00:21:30,480 --> 00:21:26,230  
standing there maybe there was a

406  
00:21:32,130 --> 00:21:30,490  
rational explanation when we pull around

407  
00:21:33,720 --> 00:21:32,140  
the block probably took four or five

408  
00:21:36,000 --> 00:21:33,730  
minutes because of the traffic came back

409  
00:21:37,570 --> 00:21:36,010  
the individual the so-called man in

410  
00:21:41,620 --> 00:21:37,580  
black was God from the

411  
00:21:43,300 --> 00:21:41,630  
from the Norway the car was gone and the

412  
00:21:45,520 --> 00:21:43,310  
strange thing was is even though that

413  
00:21:47,380 --> 00:21:45,530

mary has seen her down at this person or

414

00:21:50,560 --> 00:21:47,390

individual or whatever was on a regular

415

00:21:53,530 --> 00:21:50,570

basis she never saw him again so it's

416

00:21:56,350 --> 00:21:53,540

like we blew the cover of the men in

417

00:21:57,940 --> 00:21:56,360

black and this is I've written about the

418

00:21:59,670 --> 00:21:57,950

minute black of course if it doesn't the

419

00:22:02,410 --> 00:21:59,680

cases some a lot more frightening than

420

00:22:24,150 --> 00:22:02,420

that I've written about that it might

421

00:22:28,690 --> 00:22:26,770

and I do I do not believe even though

422

00:22:31,840 --> 00:22:28,700

the stories of the serpents and all talk

423

00:22:34,060 --> 00:22:31,850

about these sinister type alien beings

424

00:22:36,640 --> 00:22:34,070

for the most part I see no reason to

425

00:22:40,470 --> 00:22:36,650

think that the UFO entities would want

426  
00:22:45,370 --> 00:22:40,480  
to call them our demonic or of Satan or

427  
00:22:48,150 --> 00:22:45,380  
necessarily evil what's up Frank hey

428  
00:22:52,360 --> 00:22:48,160  
Pablo I think a lot of them have a

429  
00:22:58,840 --> 00:22:52,370  
certain wisdom to depart to us if only

430  
00:23:00,940 --> 00:22:58,850  
we would bother to listen and of course

431  
00:23:02,710 --> 00:23:00,950  
for the most part we haven't people are

432  
00:23:07,450 --> 00:23:02,720  
still skeptical about this they still

433  
00:23:08,980 --> 00:23:07,460  
think it's a lot of nonsense that people

434  
00:23:11,530 --> 00:23:08,990  
are making up these stories are letter

435  
00:23:13,570 --> 00:23:11,540  
they are hallucinating and that's an

436  
00:23:15,790 --> 00:23:13,580  
attitude that has been fostered by our

437  
00:23:19,030 --> 00:23:15,800  
own government our own military and

438  
00:23:33,600 --> 00:23:19,040

certainly by the the mainstream media at

439

00:23:40,990 --> 00:23:37,440

you shouldn't necessarily believe what

440

00:23:42,640 --> 00:23:41,000

the authorities tell you and I think a

441

00:23:46,810 --> 00:23:42,650

lot of in fact that's one thing about

442

00:23:49,720 --> 00:23:46,820

UFOs I think it is a symbol of freedom

443

00:23:52,060 --> 00:23:49,730

from mind control it is something that

444

00:23:55,120 --> 00:23:52,070

tells us that there is something here

445

00:23:57,399 --> 00:23:55,130

that we cannot explain and that people

446

00:24:00,580 --> 00:23:57,409

want to keep hidden because there is a

447

00:24:03,010 --> 00:24:00,590

technology and there is some power

448

00:24:06,250 --> 00:24:03,020

behind these crafts that if we could

449

00:24:09,070 --> 00:24:06,260

have it revealed to us as to what they

450

00:24:12,010 --> 00:24:09,080

are I do believe that it would push a

451  
00:24:13,690 --> 00:24:12,020  
human kind further into the future and

452  
00:24:16,060 --> 00:24:13,700  
we would have some great discoveries

453  
00:24:18,310 --> 00:24:16,070  
before we could probably have a cure for

454  
00:24:20,740 --> 00:24:18,320  
cancer and some of the other disastrous

455  
00:24:22,630 --> 00:24:20,750  
diseases that strike us we might be able

456  
00:24:25,990 --> 00:24:22,640  
to learn how to control the weather it

457  
00:24:27,730 --> 00:24:26,000  
certainly would be a great form of of

458  
00:24:30,130 --> 00:24:27,740  
power where we would not have to use a

459  
00:24:31,000 --> 00:24:30,140  
fossil fuel any longer although that's

460  
00:24:34,450 --> 00:24:31,010  
another story I don't necessarily

461  
00:24:36,669 --> 00:24:34,460  
believe that oil is from fossils but hey

462  
00:24:38,799 --> 00:24:36,679  
be that as it may there is something

463  
00:24:41,350 --> 00:24:38,809

about UFOs that if we can break the code

464

00:24:45,880 --> 00:24:41,360

and reveal the mystery that i think

465

00:24:48,279 --> 00:24:45,890

would lead the human race along a path

466

00:24:50,740 --> 00:24:48,289

of greatness and there are powers out

467

00:24:54,669 --> 00:24:50,750

there whether they be the Serpent's the

468

00:24:56,889 --> 00:24:54,679

bureau or the government's that are in

469

00:24:58,570 --> 00:24:56,899

control of us that do not want this

470

00:25:01,269 --> 00:24:58,580

knowledge to come out because they

471

00:25:03,519 --> 00:25:01,279

realize that this could lead them to be

472

00:25:19,799 --> 00:25:03,529

powerless and they want to stay in

473

00:25:26,430 --> 00:25:23,140

my name is Tim beckley and I've been

474

00:25:30,190 --> 00:25:26,440

studying investigating UFOs since the

475

00:25:31,600 --> 00:25:30,200

early mid 1960s where I became rather

476

00:25:33,850 --> 00:25:31,610

than enthused about the subject and I

477

00:25:35,950 --> 00:25:33,860

began reading all the literature that I

478

00:25:37,870 --> 00:25:35,960

could find and I've made one of the few

479

00:25:40,210 --> 00:25:37,880

people actually have made a career about

480

00:25:44,590 --> 00:25:40,220

writing about UFOs and paranormal

481

00:25:45,909 --> 00:25:44,600

phenomena and now I'm a publisher I have

482

00:25:48,580 --> 00:25:45,919

a company called inner light global

483

00:25:50,169 --> 00:25:48,590

communications we have out over 200

484

00:25:53,470 --> 00:25:50,179

books by authors like brad steiger

485

00:25:56,590 --> 00:25:53,480

commander x Tim Schwartz of course

486

00:25:59,289 --> 00:25:56,600

myself we also publish on a bi-monthly

487

00:26:00,880 --> 00:25:59,299

basis a magazine which is actually a

488

00:26:03,279 --> 00:26:00,890

catalogue of our product called the

489

00:26:04,750 --> 00:26:03,289

conspiracy journal in fact this is our

490

00:26:07,180 --> 00:26:04,760

eighth anniversary issue we're

491

00:27:21,310 --> 00:26:07,190

celebrating 45 years of internet global

492

00:27:21,320 --> 00:27:28,200

Wow

493

00:27:28,210 --> 00:27:31,420

No
