00:01:44,660 --> 00:01:40,680

here for my next round with Muhammad Ali

12
00:01:47,120 --> 00:01:44,670

you know the the champ the world's best

13
00:01:51,200 --> 00:01:47,130

prize fighter ever well me and him were

14

00:01:53,540 --> 00:01:51,210

like this at one point in mahomet man he

15

00:01:56,150 --> 00:01:53,550

was into UFOs he really does that stuff

16

00:01:58,310 --> 00:01:56,160

he had like 20 sightings pop pop pop pop

17

00:02:01,010 --> 00:01:58,320

18

00:02:03,109 --> 00:02:01,020

let's hear about what Ali had to say

19

00:02:07,060 --> 00:02:03,119

about those otherworldly visitors Paw

20

00:02:10,760 --> 00:02:07,070

Paw Paw Paw Paw Paw years ago I spent

21

00:02:15,220 --> 00:02:10,770

some time as a stringer for the national

22

00:02:18,410 --> 00:02:15,230

tabloid The Enquirer the globe all

23

00:02:20,930 --> 00:02:18,420

famous publications you can still buy to

24

00:02:25,250 --> 00:02:20,940

this day at the supermarket checkout

25

00:02:30,110 --> 00:02:25,260

counter one of my Jobs was to spend time

26
00:02:32,720 --> 00:02:30,120
and interview famous people oh I asked

27
00:02:34,790 --> 00:02:32,730
them a lot of questions about who they

28
00:02:37,550 --> 00:02:34,800
were dating what their home life was

29
00:02:39,620 --> 00:02:37,560
like what their what they enjoyed doing

30
00:02:44,780 --> 00:02:39,630
of course all the question do you expect

31
00:02:46,760 --> 00:02:44,790
to see yes that a gossip interview but

32
00:02:49,070 --> 00:02:46,770
of course with my own interest in the

33
00:02:51,620 --> 00:02:49,080
paranormal and UFOs I was also

34
00:02:52,840 --> 00:02:51,630
interested in quizzing them perhaps a

35
00:02:55,630 --> 00:02:52,850
little bit

36
00:02:57,280 --> 00:02:55,640
off the beaten track about things that

37
00:03:00,040 --> 00:02:57,290
the public was not aware of that they

38
00:03:03,160 --> 00:03:00,050

might have an interest in as far as the

39

00:03:05,620 --> 00:03:03,170

unknown goes of all the famous people I

40

00:03:07,630 --> 00:03:05,630

way I spoke with it will discuss UFOs

41

00:03:11,560 --> 00:03:07,640

with and series regarding

42

00:03:13,510 --> 00:03:11,570

extraterrestrials I believe that the the

43

00:03:15,370 --> 00:03:13,520

person that had seemed had the most

44

00:03:17,980 --> 00:03:15,380

interest who followed the subject for a

45

00:03:21,550 --> 00:03:17,990

long time was the heavyweight boxing

46

00:03:23,890 --> 00:03:21,560

champion will have a balloon I went to

47

00:03:26,920 --> 00:03:23,900

his home several times in Cherry Hill

48

00:03:29,650 --> 00:03:26,930

New Jersey had a quite a collection of

49

00:03:31,950 --> 00:03:29,660

classic cars in the driveway and people

50

00:03:35,800 --> 00:03:31,960

coming and going and what a spectacular

51
00:03:38,440 --> 00:03:35,810
mansion I guess we would call Ellie was

52
00:03:41,200 --> 00:03:38,450
a really nice guy as I guess most people

53
00:03:43,770 --> 00:03:41,210
running everywhere and certainly very

54
00:03:46,060 --> 00:03:43,780
talkative one of the few celebrities you

55
00:03:48,340 --> 00:03:46,070
couldn't really get away from I mean he

56
00:03:50,980 --> 00:03:48,350
would follow you right out to the out to

57
00:03:54,790 --> 00:03:50,990
the parking area to consider continue

58
00:03:57,970 --> 00:03:54,800
the conversation Ellie was fascinated

59
00:04:02,710 --> 00:03:57,980
with UFOs because it was actually part

60
00:04:05,410 --> 00:04:02,720
of his religious faith and he had had

61
00:04:09,130 --> 00:04:05,420
numerous sightings in fact he claimed he

62
00:04:14,410 --> 00:04:09,140
told me that he had seen UFOs on at

63
00:04:16,270 --> 00:04:14,420

least 20 if not more occasions one of

64

00:04:18,039 --> 00:04:16,280

the first sightings that he had was

65

00:04:21,520 --> 00:04:18,049

while he was out the spreading around

66

00:04:26,020 --> 00:04:21,530

the jogging trail and manhattans Central

67

00:04:28,410 --> 00:04:26,030

Park up around 80 estreet entity Pope it

68

00:04:31,600 --> 00:04:28,420

was around five a.m. in the morning and

69

00:04:33,719 --> 00:04:31,610

he was with his longtime friend and

70

00:04:35,909 --> 00:04:33,729

trainer Angelo Dundee

71

00:04:38,879 --> 00:04:35,919

in fact when I met him it was up at the

72

00:04:41,100 --> 00:04:38,889

park along the sad jogging track when I

73

00:04:43,079 --> 00:04:41,110

met him for the first time and he

74

00:04:45,029 --> 00:04:43,089

suggested that I jog right along with

75

00:04:47,309 --> 00:04:45,039

him well luckily I was in a little bit

76

00:04:51,920 --> 00:04:47,319

better shape in those days it was a much

77

00:04:55,170 --> 00:04:51,930

younger firmer a trimmer mr. creeper

78

00:04:57,269 --> 00:04:55,180

anyway the knockout cake explained to me

79

00:04:58,769 --> 00:04:57,279

that it was on a morning much like the

80

00:05:01,170 --> 00:04:58,779

one we were jogging around the park on

81

00:05:05,399 --> 00:05:01,180

around five o'clock when he happened to

82

00:05:07,649 --> 00:05:05,409

notice behind an apartment building off

83

00:05:10,829 --> 00:05:07,659

of the business outside of the park a

84

00:05:14,969 --> 00:05:10,839

large object it was seem to be floating

85

00:05:17,999 --> 00:05:14,979

over the city and he told me and these

86

00:05:20,279 --> 00:05:18,009

are his words he said I happened to look

87

00:05:22,529 --> 00:05:20,289

up just before dawn as I often do all

88

00:05:24,779 --> 00:05:22,539

running and they're hovering above us

89

00:05:27,989 --> 00:05:24,789

was his brilliant light hanging as if

90

00:05:30,360 --> 00:05:27,999

from an invisible throw at first I

91

00:05:32,339 --> 00:05:30,370

thought it was a helicopter or a beacon

92

00:05:34,679 --> 00:05:32,349

projection from the helicopter but

93

00:05:37,980 --> 00:05:34,689

moments later a similar object passed in

94

00:05:41,760 --> 00:05:37,990

front of us the second UFO had a glowing

95

00:05:44,399 --> 00:05:41,770

red trail behind it I brought it to the

96

00:05:47,519 --> 00:05:44,409

attention of my my trainer who was

97

00:05:49,800 --> 00:05:47,529

standing nearby we watched them come

98

00:05:51,839 --> 00:05:49,810

from behind the skyline and move slowly

99

00:05:54,659 --> 00:05:51,849

across the sky for at least 15 minutes

100

00:05:58,070 --> 00:05:54,669

the best I could describe deciding is to

101
00:06:04,230 --> 00:05:58,080
say that it they were just big and round

102
00:06:08,339 --> 00:06:04,240
and he did file a report with the local

103
00:06:10,589 --> 00:06:08,349
police department and in fact he found

104
00:06:13,139 --> 00:06:10,599
out later on he was told that a pilot

105
00:06:16,320 --> 00:06:13,149
coming in for landing at newark airport

106
00:06:21,480 --> 00:06:16,330
I had also seen something strange in the

107
00:06:24,449 --> 00:06:21,490
sky that particular day later on we went

108
00:06:26,730 --> 00:06:24,459
back to the hotel I was with the herald

109
00:06:28,350 --> 00:06:26,740
Salkin associate of mine who works with

110
00:06:31,290 --> 00:06:28,360
me at the global communications and

111
00:06:33,480 --> 00:06:31,300
another reporter and Ali took the time

112
00:06:36,089 --> 00:06:33,490
to tell us about his experiences with

113
00:06:38,730 --> 00:06:36,099

UFOs apparently on a number of occasions

114

00:06:41,129 --> 00:06:38,740

he had actually seen them fairly close

115

00:06:43,260 --> 00:06:41,139

up in fact in the book

116

00:06:45,950 --> 00:06:43,270

that I did several years ago called UFOs

117

00:06:49,649 --> 00:06:45,960

among the stars there's an autographed a

118

00:06:52,830 --> 00:06:49,659

copy of a droid Ali did of one of the

119

00:07:26,660 --> 00:06:52,840

ships it's a mighty Magnus employ prey

120

00:07:35,730 --> 00:07:32,879

well you know you don't know serious UFO

121

00:07:40,220 --> 00:07:35,740

investigator lilius malden that cracked

122

00:07:43,620 --> 00:07:40,230

up to be and if you're a UFO witness

123

00:07:46,350 --> 00:07:43,630

heaven help you all kinds of strange

124

00:07:51,770 --> 00:07:46,360

things aren't likely to happen let's

125

00:07:55,850 --> 00:07:51,780

take the case for example of God Clark

126
00:08:13,510 --> 00:07:55,860
because things really started to happen

127
00:08:20,890 --> 00:08:17,320
the following is an excerpt from the

128
00:08:25,749 --> 00:08:20,900
book strange encounters bizarre and

129
00:08:30,010 --> 00:08:25,759
eerie contact with UF o-- occupant it's

130
00:08:33,670 --> 00:08:30,020
the case of john which contains just

131
00:08:36,940 --> 00:08:33,680
about every strangeness effect a UFO

132
00:08:39,659 --> 00:08:36,950
researcher is likely to run into during

133
00:08:43,060 --> 00:08:39,669
the course of a single investigation

134
00:08:45,850 --> 00:08:43,070
though we do not as yet know why certain

135
00:08:48,790 --> 00:08:45,860
individuals seem to attract the unknown

136
00:08:53,310 --> 00:08:48,800
John Clark in this respect certainly

137
00:08:58,150 --> 00:08:53,320
turned out to be a paranormal Backman

138
00:09:00,610 --> 00:08:58,160

from the book in the classic film Close

139

00:09:03,000 --> 00:09:00,620

Encounters of the Third Kind you will

140

00:09:05,980 --> 00:09:03,010

see how the sudden appearance of a UFO

141

00:09:09,760 --> 00:09:05,990

eventually comes to radically change the

142

00:09:13,240 --> 00:09:09,770

lifestyle of Roy Neary following his

143

00:09:15,340 --> 00:09:13,250

brush with a jesse de craft the power

144

00:09:18,400 --> 00:09:15,350

linesman finds he is the subject of

145

00:09:22,810 --> 00:09:18,410

considerable ridicule even by members of

146

00:09:24,970 --> 00:09:22,820

his own family his wife leaves him his

147

00:09:28,150 --> 00:09:24,980

children are the brunt of neighborhood

148

00:09:31,510 --> 00:09:28,160

jokes and he finds himself out in the

149

00:09:36,730 --> 00:09:31,520

street without a job because he was in

150

00:09:39,460 --> 00:09:36,740

the wrong place at the right time and

151
00:09:43,210 --> 00:09:39,470
even though it Close Encounters was

152
00:09:44,769 --> 00:09:43,220
basically a science fiction epic almost

153
00:09:48,010 --> 00:09:44,779
everything that happened in the motion

154
00:09:51,069 --> 00:09:48,020
picture has transpired at one time or

155
00:09:54,760 --> 00:09:51,079
another in reality the appearance of

156
00:09:58,660 --> 00:09:54,770
UFOs have indeed had bizarre effects on

157
00:10:02,170 --> 00:09:58,670
many witnesses take the case of John

158
00:10:04,660 --> 00:10:02,180
client things both good and bad has been

159
00:10:07,960 --> 00:10:04,670
happening all around him since he saw a

160
00:10:11,079 --> 00:10:07,970
landed spaceship way back in nineteen

161
00:10:13,720 --> 00:10:11,089
seventy five Clark was on vacation with

162
00:10:16,680 --> 00:10:13,730
his wife when he underwent an experience

163
00:10:18,950 --> 00:10:16,690

he is certainly not

164

00:10:22,160 --> 00:10:18,960

to forget

165

00:10:24,920 --> 00:10:22,170

after the incident John's life turned

166

00:10:29,690 --> 00:10:24,930

around a truck driver for the San

167

00:10:32,600 --> 00:10:29,700

Francisco Chronicle Clark 140 thousand

168

00:10:35,090 --> 00:10:32,610

dollars in a contest and he admits his

169

00:10:38,270 --> 00:10:35,100

luck may have had something to do with

170

00:10:42,710 --> 00:10:38,280

what transpired in that day many years

171

00:10:45,480 --> 00:10:42,720

ago in the Sequoia National Park

172

00:10:50,190 --> 00:10:45,490

unfortunately John marks luck has not

173

00:10:53,100 --> 00:10:50,200

been all good he maintains that his good

174

00:10:57,509 --> 00:10:53,110

and fortunes are paralleled by negative

175

00:11:00,540 --> 00:10:57,519

happenings for example tornadoes have

176

00:11:02,790 --> 00:11:00,550

leveled hotels where he'll stay and in

177

00:11:05,660 --> 00:11:02,800

addition several times the engine of a

178

00:11:11,430 --> 00:11:05,670

plane he will be flying in will cut off

179

00:11:14,490 --> 00:11:11,440

mysteriously to date John Clark has gone

180

00:11:16,949 --> 00:11:14,500

to see crease psychics and psychiatrists

181

00:11:19,130 --> 00:11:16,959

in an attempt to find out what has been

182

00:11:23,069 --> 00:11:19,140

causing these strange things to

183

00:11:26,430 --> 00:11:23,079

transpire around them so far no one

184

00:11:28,650 --> 00:11:26,440

seems to have all the answers for Clark

185

00:11:31,290 --> 00:11:28,660

it all began in the summer of nineteen

186

00:11:33,930 --> 00:11:31,300

seventy five and he was on vacation with

187

00:11:37,230 --> 00:11:33,940

his wife and they have since the divorce

188

00:11:40,829 --> 00:11:37,240

but when John tell the story himself

189

00:11:43,380 --> 00:11:40,839

tonight Chloe my former wife and I were

190

00:11:46,590 --> 00:11:43,390

camping with an older couple I heard

191

00:11:50,310 --> 00:11:46,600

something and woke up I saw this thing

192

00:11:54,060 --> 00:11:50,320

about nine feet tall with long blond

193

00:11:57,060 --> 00:11:54,070

hair kind of illuminated sort of gliding

194

00:12:03,180 --> 00:11:57,070

across the clearing my from saw it too

195

00:12:05,699 --> 00:12:03,190

and ran for his gun then it was gone the

196

00:12:08,600 --> 00:12:05,709

next day Clark says his wife took out a

197

00:12:12,910 --> 00:12:08,610

Ouija board and tried to communicate

198

00:12:16,950 --> 00:12:12,920

with whoever or whatever it was

199

00:12:21,900 --> 00:12:19,170

her hands began to move of their own

200

00:12:25,320 --> 00:12:21,910

accord and little by little a strange

201
00:12:28,830 --> 00:12:25,330
message is given on the board the board

202
00:12:32,340 --> 00:12:28,840
spelled out the name Hugh on that's Q

203
00:12:34,800 --> 00:12:32,350
dash 0 n indicating that it was a source

204
00:12:37,470 --> 00:12:34,810
of communication for the universe with a

205
00:12:41,040 --> 00:12:37,480
station position of approximately five

206
00:12:43,230 --> 00:12:41,050
million light-years away in space the

207
00:12:47,490 --> 00:12:43,240
Clarks had seen your Bigfoot an alien

208
00:12:52,380 --> 00:12:47,500
the crash there in 1863 from the planet

209
00:12:54,270 --> 00:12:52,390
Pluto and it gets more bizarre the

210
00:12:57,660 --> 00:12:54,280
message stayed with the Bigfoot was a

211
00:13:00,120 --> 00:12:57,670
vegetarian and lived in cage and this is

212
00:13:01,650 --> 00:13:00,130
something we followed for a long time if

213
00:13:03,930 --> 00:13:01,660

you're interested in the shaver mystery

214

00:13:06,720 --> 00:13:03,940

and the acceptor aenean world will be

215

00:13:08,940 --> 00:13:06,730

[h__\h] you about it later it is said

216

00:13:11,640 --> 00:13:08,950

that the alien have been shot twice by

217

00:13:13,410 --> 00:13:11,650

humans shaken by what had been told

218

00:13:15,660 --> 00:13:13,420

through the Ouija board John and his

219

00:13:18,360 --> 00:13:15,670

wife tell steel device into the nearest

220

00:13:20,550 --> 00:13:18,370

trash can perhaps they should have held

221

00:13:24,660 --> 00:13:20,560

on to it in order to sort out what was

222

00:13:27,240 --> 00:13:24,670

to happen over the next several years as

223

00:13:28,770 --> 00:13:27,250

time went on Park became more disturbed

224

00:13:32,040 --> 00:13:28,780

over the session with the Ouija board

225

00:13:34,440 --> 00:13:32,050

and the sighting i was called being he

226

00:13:37,200 --> 00:13:34,450

went around consulting so-called experts

227

00:13:40,230 --> 00:13:37,210

he went to see several ministers who

228

00:13:43,170 --> 00:13:40,240

simply tell them that I bumped into the

229

00:13:45,080 --> 00:13:43,180

devil on the other hand representatives

230

00:13:48,210 --> 00:13:45,090

of the Academy of psychic Sciences

231

00:13:50,280 --> 00:13:48,220

located in San Diego strongly suggested

232

00:13:52,620 --> 00:13:50,290

that he had seen a mammal that hadn't

233

00:13:55,280 --> 00:13:52,630

escaped Greenland during the Ice Age

234

00:13:58,560 --> 00:13:55,290

others talked in terms of ghosts and

235

00:14:01,260 --> 00:13:58,570

supernatural experiences nobody seemed

236

00:14:06,420 --> 00:14:03,810

eventually according to a column of the

237

00:14:09,420 --> 00:14:06,430

San Francisco Chronicle Clark was placed

238

00:14:11,460 --> 00:14:09,430

into hypnotic trance the paper printed

239

00:14:13,310 --> 00:14:11,470

the session of what took place during

240

00:14:17,000 --> 00:14:13,320

the regression

241

00:14:18,950 --> 00:14:17,010

now you're back in Sequoia part the

242

00:14:20,960 --> 00:14:18,960

night it happened you're going to raise

243

00:14:24,020 --> 00:14:20,970

your left hand and bring it across your

244

00:14:26,330 --> 00:14:24,030

chest to hypnotist said now there's

245

00:14:29,540 --> 00:14:26,340

nothing to be afraid of you can tell us

246

00:14:32,240 --> 00:14:29,550

what happened that night Clark started

247

00:14:35,180 --> 00:14:32,250

to talk his speech was like warm milk I

248

00:14:38,630 --> 00:14:35,190

was surrounded by a blue light a bright

249

00:14:41,570 --> 00:14:38,640

blue light I was cold he said did you

250

00:14:46,550 --> 00:14:41,580

feel any sensation the hypnotist ass I

251
00:14:48,950 --> 00:14:46,560
was being a lifted Clark respondent what

252
00:14:52,070 --> 00:14:48,960
happened then the hypnotist wanted to

253
00:14:54,740 --> 00:14:52,080
know I'm lying on a table there's a

254
00:14:57,890 --> 00:14:54,750
bright white light above me there's big

255
00:15:01,460 --> 00:14:57,900
eyes looking down at me what color are

256
00:15:04,160 --> 00:15:01,470
the eyes yellow big yellow eyes they had

257
00:15:07,460 --> 00:15:04,170
black slits in them I couldn't see their

258
00:15:09,590 --> 00:15:07,470
bodies could you feel anything something

259
00:15:11,240 --> 00:15:09,600
something cold in my stomach something

260
00:15:13,340 --> 00:15:11,250
sticking in and out of my stomach like

261
00:15:15,530 --> 00:15:13,350
steel pins you mean like they were

262
00:15:19,250 --> 00:15:15,540
probing you yes yes that's what I mean

263
00:15:21,500 --> 00:15:19,260

can you remember anything else no John

264

00:15:24,230 --> 00:15:21,510

Clark is still not satisfied that he has

265

00:15:26,510 --> 00:15:24,240

all the answers he plans to continue to

266

00:15:29,000 --> 00:15:26,520

probe deeper to find out exactly what

267

00:15:32,210 --> 00:15:29,010

happened on that night several years ago

268

00:15:36,170 --> 00:15:32,220

we don't have the answers either maybe

269

00:15:39,410 --> 00:15:36,180

you I bet you that was a little bit more

270

00:15:40,150 --> 00:15:39,420

than the average person would like the

271

00:15:43,070 --> 00:15:40,160

hand

272

00:15:45,550 --> 00:15:43,080

well outside of dating that forty

273

00:15:49,040 --> 00:15:45,560

thousand dollars but it went downhill

274

00:15:52,700 --> 00:15:49,050

from there wonder what John is doing

275

00:16:00,490 --> 00:15:52,710

these days how his luck has turned and

276

00:16:04,250 --> 00:16:00,500

whether he seemed at any more UFOs huh

277

00:16:07,910 --> 00:16:04,260

baby baby light my fire here hey huh

278

00:16:13,850 --> 00:16:07,920

come on now we're gonna hear about the

279

00:16:17,450 --> 00:16:13,860

people downstairs and I don't mean my

280

00:16:22,250 --> 00:16:17,460

cousin Bell Zebub we're gonna talk about

281

00:16:27,380 --> 00:16:22,260

the shaver mystery Ray Palmer and the

282

00:16:33,020 --> 00:16:27,390

people down below you guys down there

283

00:16:38,030 --> 00:16:33,030

you're coming up now all right whoa what

284

00:16:40,990 --> 00:16:38,040

a my interest is in subterranean world

285

00:16:44,090 --> 00:16:41,000

the strange things that go on

286

00:16:46,370 --> 00:16:44,100

underground right beneath our feet that

287

00:16:49,790 --> 00:16:46,380

we're not that most people are not aware

288

00:16:52,190 --> 00:16:49,800

of because there's a strange world that

289

00:16:55,730 --> 00:16:52,200

exists a world that we normally don't

290

00:16:58,520 --> 00:16:55,740

have contact but there are strange

291

00:17:02,720 --> 00:16:58,530

things afoot and I discussed that in my

292

00:17:04,910 --> 00:17:02,730

book subterranean world insider in 1967

293

00:17:07,340 --> 00:17:04,920

I set out to publish a collection of

294

00:17:10,520 --> 00:17:07,350

essays discussing the controversial

295

00:17:12,770 --> 00:17:10,530

claims of Richard shaver the man who

296

00:17:15,620 --> 00:17:12,780

with the help of publisher Ray Palmer

297

00:17:17,750 --> 00:17:15,630

had bought a collective wrath of

298

00:17:18,949 --> 00:17:17,760

organized sighs fiction down upon their

299

00:17:21,620 --> 00:17:18,959

head

300

00:17:24,169 --> 00:17:21,630

my interest in shaver was perhaps of

301
00:17:26,000 --> 00:17:24,179
itself unusual for my research had

302
00:17:28,309 --> 00:17:26,010
centered almost exclusively at that

303
00:17:31,610 --> 00:17:28,319
point about the study of unidentified

304
00:17:33,740 --> 00:17:31,620
flying objects when we're marking about

305
00:17:35,480 --> 00:17:33,750
this to other researchers however I was

306
00:17:38,269 --> 00:17:35,490
surprised to find that throughout

307
00:17:39,830 --> 00:17:38,279
ufology which is the study UFOs was a

308
00:17:43,310 --> 00:17:39,840
widespread interest in the shaver

309
00:17:44,930 --> 00:17:43,320
mystery if only because it had been

310
00:17:47,480 --> 00:17:44,940
considered as one of the many theories

311
00:17:50,450 --> 00:17:47,490
to explain the origin and purposes of

312
00:17:52,580 --> 00:17:50,460
the flying saucer once I began putting

313
00:17:54,980 --> 00:17:52,590

this book together I was once again

314

00:17:57,710 --> 00:17:54,990

surprised at the direction shaver had

315

00:18:01,010 --> 00:17:57,720

led me i discovered that the interior of

316

00:18:04,159 --> 00:18:01,020

our world was aside from shaving Bureau

317

00:18:06,649 --> 00:18:04,169

in Tarot these demented little beings

318

00:18:10,789 --> 00:18:06,659

who are said to live in caverns and

319

00:18:14,240 --> 00:18:10,799

cause all kinds of chaos up here on the

320

00:18:15,409 --> 00:18:14,250

other surface that other conference

321

00:18:17,659 --> 00:18:15,419

around the world were allegedly

322

00:18:20,360 --> 00:18:17,669

populated by a variety of other denizens

323

00:18:23,360 --> 00:18:20,370

of the deep all discovered and created

324

00:18:25,909 --> 00:18:23,370

by a great variety of writers and

325

00:18:28,130 --> 00:18:25,919

researchers throughout history although

326

00:18:30,529 --> 00:18:28,140

many of these underworld ideas differed

327

00:18:33,260 --> 00:18:30,539

from a shaver a common thread prevailed

328

00:18:35,090 --> 00:18:33,270

there probably were as many people i

329

00:18:38,779 --> 00:18:35,100

discovered living beneath the earth as

330

00:18:41,240 --> 00:18:38,789

odd the surface as my collection of

331

00:18:43,190 --> 00:18:41,250

material grew i realized that the book

332

00:18:46,130 --> 00:18:43,200

that i was later to turn out should not

333

00:18:48,409 --> 00:18:46,140

be just a resume of the shaver mystery

334

00:18:50,930 --> 00:18:48,419

but of the whole spectrum of legends and

335

00:18:55,519 --> 00:18:50,940

evidence about strange happenings

336

00:18:57,380 --> 00:18:55,529

beneath the surface of the earth the

337

00:18:59,149 --> 00:18:57,390

original book became the shaver mystery

338

00:19:01,370 --> 00:18:59,159

and the inner earth and later

339

00:19:02,500 --> 00:19:01,380

subterranean worlds inside earth which

340

00:19:05,000 --> 00:19:02,510

is the printed

341

00:19:07,810 --> 00:19:05,010

this book has been perhaps the best

342

00:19:10,430 --> 00:19:07,820

received of my early literary efforts

343

00:19:12,770 --> 00:19:10,440

during the 25 years since the first

344

00:19:14,510 --> 00:19:12,780

inner earth book was published I've had

345

00:19:16,790 --> 00:19:14,520

the opportunity to collect more ideas

346

00:19:20,420 --> 00:19:16,800

from a variety of sources and bring them

347

00:19:23,120 --> 00:19:20,430

together I have vast files of material

348

00:19:25,850 --> 00:19:23,130

proving that we are not alone on this

349

00:19:29,810 --> 00:19:25,860

earth that there are other beings that

350

00:19:32,510 --> 00:19:29,820

reside here alongside of us and one of

351

00:19:36,230 --> 00:19:32,520

the chapters in the book which I titled

352

00:19:40,610 --> 00:19:36,240

agreed children of woof Peters I tell a

353

00:19:46,250 --> 00:19:40,620

very strange story concerning to young

354

00:19:48,880 --> 00:19:46,260

people if a shaver claims various races

355

00:19:52,220 --> 00:19:48,890

of people live underground it is only

356

00:19:55,220 --> 00:19:52,230

reasonable that they should emerge upon

357

00:19:58,250 --> 00:19:55,230

occasion the most famous case involving

358

00:20:01,970 --> 00:19:58,260

the discovery of two subsurface people

359

00:20:05,540 --> 00:20:01,980

in the year 1100 took place in the small

360

00:20:09,080 --> 00:20:05,550

English town of woof Peter the entire

361

00:20:11,240 --> 00:20:09,090

story is related in an article done at a

362

00:20:15,440 --> 00:20:11,250

time by a betrayal of the nearby

363

00:20:18,080 --> 00:20:15,450

community of Coghill we quote from this

364

00:20:19,850 --> 00:20:18,090

text cleaning it up a little bit so that

365

00:20:23,690 --> 00:20:19,860

is more understandable in your modern

366

00:20:26,660 --> 00:20:23,700

people this boy and girl brother and

367

00:20:29,299 --> 00:20:26,670

sister came out of holes at Mount Mary

368

00:20:31,970 --> 00:20:29,309

DeWolf Peters next to the edge of a pit

369

00:20:34,400 --> 00:20:31,980

foul though they had all the members

370

00:20:36,799 --> 00:20:34,410

like those of other men but in the color

371

00:20:39,530 --> 00:20:36,809

of skin they differed from other mortals

372

00:20:42,790 --> 00:20:39,540

of Earth for the surface of their skin

373

00:20:45,680 --> 00:20:42,800

none could understand it at that time

374

00:20:48,110 --> 00:20:45,690

weeping inconsolably they were take it

375

00:20:51,140 --> 00:20:48,120

out of astonishment to the house of

376

00:20:53,600 --> 00:20:51,150

richard de con and wilkes red and other

377

00:20:55,700 --> 00:20:53,610

food was placed before them but they

378

00:20:58,640 --> 00:20:55,710

would not eat and indeed would great

379

00:21:01,750 --> 00:20:58,650

hunger from fasting they were a long

380

00:21:05,060 --> 00:21:01,760

time tormented

381

00:21:07,280 --> 00:21:05,070

because as the girl confessed that all

382

00:21:10,100 --> 00:21:07,290

the food could not be consumed by that

383

00:21:11,930 --> 00:21:10,110

however at last beans cut off are torn

384

00:21:15,770 --> 00:21:11,940

from stalks were brought to the house

385

00:21:17,900 --> 00:21:15,780

and they fell on them with great care

386

00:21:19,730 --> 00:21:17,910

now these beans were given to them and

387

00:21:21,680 --> 00:21:19,740

they broke open the beanstalks not the

388

00:21:23,780 --> 00:21:21,690

pod or shells of the beans evidently

389

00:21:26,150 --> 00:21:23,790

supporting that the beans were contained

390

00:21:27,830 --> 00:21:26,160

in the hollows of the stalk but not

391

00:21:30,290 --> 00:21:27,840

finding beans with Alice thought they'd

392

00:21:32,060 --> 00:21:30,300

be again began to weep which when the

393

00:21:34,550 --> 00:21:32,070

bystanders noticed they open the shells

394

00:21:36,170 --> 00:21:34,560

and show them the beans themselves we're

395

00:21:38,750 --> 00:21:36,180

upon with great joyfulness they ate

396

00:21:41,510 --> 00:21:38,760

beans for a long time entirely and would

397

00:21:43,550 --> 00:21:41,520

touch no other food the boy however grew

398

00:21:45,810 --> 00:21:43,560

weaker and weaker and died in a short

399

00:21:48,660 --> 00:21:45,820

period of time

400

00:21:51,270 --> 00:21:48,670

the girl indeed always enjoyed good food

401
00:21:54,420 --> 00:21:51,280
and growing accustomed to whatever food

402
00:21:57,090 --> 00:21:54,430
was placed or set before her completely

403
00:21:59,700 --> 00:21:57,100
lost the green color of her skin and by

404
00:22:02,760 --> 00:21:59,710
degrees regained a normal red-blooded

405
00:22:05,760 --> 00:22:02,770
complexion of a normal person's body and

406
00:22:07,740 --> 00:22:05,770
after being regenerated by the holy

407
00:22:09,690 --> 00:22:07,750
waters of baptism for many years

408
00:22:11,970 --> 00:22:09,700
remained in the service of the soldier

409
00:22:14,700 --> 00:22:11,980
that she had stayed with she eventually

410
00:22:16,830 --> 00:22:14,710
affirmed that all who dwelt in her

411
00:22:20,670 --> 00:22:16,840
Lander who lived there were colored

412
00:22:22,800 --> 00:22:20,680
green and no son would be perceived

413
00:22:25,320 --> 00:22:22,810

there but that a brightness or shining

414

00:22:27,960 --> 00:22:25,330

such as would happen after sunset was

415

00:22:29,880 --> 00:22:27,970

visible at all time as in what manner

416

00:22:32,640 --> 00:22:29,890

she had come from the land with the boy

417

00:22:35,610 --> 00:22:32,650

she replied that they were following

418

00:22:38,250 --> 00:22:35,620

sheep and arrived at a certain cavern on

419

00:22:39,990 --> 00:22:38,260

entering it they heard a certain sound

420

00:22:42,570 --> 00:22:40,000

of bells and in trying to reach the

421

00:22:44,700 --> 00:22:42,580

sweet sound they wanted for a long time

422

00:22:47,670 --> 00:22:44,710

through the cavern until they came to

423

00:22:50,280 --> 00:22:47,680

its end emerging the excessive

424

00:22:52,590 --> 00:22:50,290

brightness of our Sun and the warm

425

00:22:55,530 --> 00:22:52,600

temperature of our air astonished and

426
00:22:58,500 --> 00:22:55,540
terrified them for a long time they laid

427
00:23:01,050 --> 00:22:58,510
upon the edge of the cave when overcome

428
00:23:03,180 --> 00:23:01,060
with dread they wish to flee but they

429
00:23:05,190 --> 00:23:03,190
could not in the least find entrance to

430
00:23:08,370 --> 00:23:05,200
the cavern until they were seized by the

431
00:23:09,570 --> 00:23:08,380
people of the countryside there are

432
00:23:12,030 --> 00:23:09,580
other stories that have been collected

433
00:23:14,670 --> 00:23:12,040
over the year of other people coming up

434
00:23:17,370 --> 00:23:14,680
from underground cities and worlds it

435
00:23:20,400 --> 00:23:17,380
seems that many of the UFOs that have

436
00:23:23,100 --> 00:23:20,410
been observed may not originate in outer

437
00:23:26,520 --> 00:23:23,110
space but may be coming from this world

438
00:23:27,990 --> 00:23:26,530

beneath our feet well [\h__\h] growing up I

439

00:23:30,480 --> 00:23:28,000

thought all the kids in my neighborhood

440

00:23:33,540 --> 00:23:30,490

with green eye I didn't think that was

441

00:23:36,750 --> 00:23:33,550

too strange and I never asked them where

442

00:23:39,030 --> 00:23:36,760

the heck it was that they came from but

443

00:23:41,820 --> 00:23:39,040

you know huh thank goodness look at this

444

00:23:46,650 --> 00:23:41,830

you know this this burning timber

445

00:23:49,789 --> 00:23:46,660

reminds me of a lost mine story how

446

00:23:53,389 --> 00:23:49,799

would you like to hear about

447

00:23:58,399 --> 00:23:53,399

mr. X is dealing with this strange being

448

00:24:01,039 --> 00:23:58,409

in a deserted old mind out west it might

449

00:24:04,070 --> 00:24:01,049

spook you you might want to go and hide

450

00:24:09,710 --> 00:24:04,080

under the bed but huh after all this is

451
00:24:13,090 --> 00:24:09,720
creepos Twilight tales continuing with

452
00:24:19,489 --> 00:24:13,100
our interest in the subterranean world

453
00:24:22,369 --> 00:24:19,499
let me tell you the story mr. back in

454
00:24:24,320 --> 00:24:22,379
the 1960s I was good friends with a

455
00:24:28,190 --> 00:24:24,330
gentleman by the name of John jo

456
00:24:31,580 --> 00:24:28,200
Robinson Jack lived over in Jersey City

457
00:24:34,700 --> 00:24:31,590
and he was a collector a massive

458
00:24:39,200 --> 00:24:34,710
collector of material on UFOs the shaver

459
00:24:41,450 --> 00:24:39,210
mystery and anything unusual we used to

460
00:24:44,180 --> 00:24:41,460
be the jacks house Oh every couple of

461
00:24:46,999 --> 00:24:44,190
weeks group of us would sit around Audie

462
00:24:49,999 --> 00:24:47,009
Roberts well-known photographer who had

463
00:24:52,669 --> 00:24:50,009

taken snapshots of UFOs over the works

464

00:24:54,979 --> 00:24:52,679

and skyline and dominate blue Chessie

465

00:24:58,549 --> 00:24:54,989

who was always dabbling in free energy

466

00:25:02,779 --> 00:24:58,559

and anti-gravity devices he'd like to

467

00:25:05,289 --> 00:25:02,789

tinker with Jim Mosley editor of the

468

00:25:09,440 --> 00:25:05,299

saucer news we'd sit around and we

469

00:25:10,940 --> 00:25:09,450

[h__\h] for a jackpot just up all night

470

00:25:14,690 --> 00:25:10,950

to the wee hours discussing these

471

00:25:17,629 --> 00:25:14,700

subjects a jack was a regular guest on

472

00:25:20,810 --> 00:25:17,639

the all night talk show Long John double

473

00:25:24,529 --> 00:25:20,820

a long job was of course woman pioneers

474

00:25:28,580 --> 00:25:24,539

main pioneer in late-night talk shows

475

00:25:31,279 --> 00:25:28,590

took phone calls from listeners in 30

476

00:25:33,769 --> 00:25:31,289

states and had on a lot of people who

477

00:25:36,769 --> 00:25:33,779

claim some pretty far out stuff from

478

00:25:39,619 --> 00:25:36,779

those like a Howard venture and George

479

00:25:41,690 --> 00:25:39,629

Adamski who said but they had taken

480

00:25:45,200 --> 00:25:41,700

trips up board flying saucers to other

481

00:25:45,940 --> 00:25:45,210

planets and settled it in a very sincere

482

00:25:48,279 --> 00:25:45,950

manner

483

00:25:50,529 --> 00:25:48,289

and made you want to believe it to

484

00:25:55,060 --> 00:25:50,539

people like a jack who was an

485

00:25:58,450 --> 00:25:55,070

investigator in the collect anyway Jack

486

00:26:01,389 --> 00:25:58,460

related to story it to me and I

487

00:26:03,460 --> 00:26:01,399

published it in the subterranean world's

488

00:26:07,060 --> 00:26:03,470

inside earth and basically it's told in

489

00:26:09,430 --> 00:26:07,070

the words of mr. X himself Jack never

490

00:26:10,840 --> 00:26:09,440

did tell me the name of the individual

491

00:26:13,330 --> 00:26:10,850

the actual name of the individual

492

00:26:15,220 --> 00:26:13,340

because the fellow was not interested as

493

00:26:17,320 --> 00:26:15,230

you understand why just a few minutes

494

00:26:18,430 --> 00:26:17,330

and any sort of publicity or to get his

495

00:26:21,399 --> 00:26:18,440

name around he didn't want to be

496

00:26:28,210 --> 00:26:21,409

pestered by investigators he just wanted

497

00:26:31,180 --> 00:26:28,220

to keep so mr. x's story started when i

498

00:26:33,840 --> 00:26:31,190

was 17 i had just graduated from high

499

00:26:36,730 --> 00:26:33,850

school I spent my summer vacation

500

00:26:39,700 --> 00:26:36,740

visiting a former schoolmate who have

501
00:26:42,220 --> 00:26:39,710
moved from Los Angeles his family had

502
00:26:44,500 --> 00:26:42,230
moved to a small town northwest of Los

503
00:26:47,019 --> 00:26:44,510
Angeles and we had a range that I would

504
00:26:49,720 --> 00:26:47,029
visit him for the summer whenever I

505
00:26:52,149 --> 00:26:49,730
graduate Fred suggested that since he

506
00:26:54,610 --> 00:26:52,159
had to leave on the late bus we visit a

507
00:26:57,250 --> 00:26:54,620
place even he had never been to a

508
00:27:00,789 --> 00:26:57,260
section of country only three hours of

509
00:27:03,580 --> 00:27:00,799
fast cycling from the town it was a

510
00:27:07,060 --> 00:27:03,590
place the townspeople called the Haunted

511
00:27:10,210 --> 00:27:07,070
mine the townspeople usually avoided it

512
00:27:12,190 --> 00:27:10,220
he said I asked him why the mine was

513
00:27:14,379 --> 00:27:12,200

said to be haunted and he told me that

514

00:27:16,360 --> 00:27:14,389

the people who had dug the mine ran into

515

00:27:19,419 --> 00:27:16,370

some sort of long cave like a tunnel

516

00:27:23,159 --> 00:27:19,429

after they had that dug down quite a

517

00:27:27,580 --> 00:27:23,169

ways it was after this that they had had

518

00:27:30,190 --> 00:27:27,590

trouble what sort of trouble mr. X right

519

00:27:32,350 --> 00:27:30,200

well he didn't exactly know but

520

00:27:34,360 --> 00:27:32,360

according to what he had heard miners

521

00:27:37,810 --> 00:27:34,370

had been killed when portions of this

522

00:27:39,700 --> 00:27:37,820

tunnel well in on them other miners had

523

00:27:41,590 --> 00:27:39,710

disappeared and he understood that a

524

00:27:44,769 --> 00:27:41,600

couple of the deaths of investors in the

525

00:27:46,659 --> 00:27:44,779

mind had been seemingly strange but he

526

00:27:49,450 --> 00:27:46,669

didn't really have all the details any

527

00:27:51,460 --> 00:27:49,460

at any rate all the troubles seemed to

528

00:27:54,730 --> 00:27:51,470

start after they broke into this

529

00:27:57,639 --> 00:27:54,740

underground space the mine had evidently

530

00:27:59,030 --> 00:27:57,649

petered out and what with all the

531

00:28:02,120 --> 00:27:59,040

trouble it was dessert

532

00:28:06,290 --> 00:28:02,130

as a complete loss no one visited the

533

00:28:08,390 --> 00:28:06,300

mine or lived near it anymore I asked

534

00:28:10,700 --> 00:28:08,400

Fred how we would manage to locate the

535

00:28:13,310 --> 00:28:10,710

mine if he had never been there what

536

00:28:15,500 --> 00:28:13,320

Fred said that a friend of his had

537

00:28:18,950 --> 00:28:15,510

visited the mine and told him about the

538

00:28:22,040 --> 00:28:18,960

roads and how to locate it when I asked

539

00:28:24,260 --> 00:28:22,050

Fred my friend if he could persuade his

540

00:28:26,330 --> 00:28:24,270

friend to go along Fred said that the

541

00:28:28,220 --> 00:28:26,340

friend had broken his neck falling from

542

00:28:31,280 --> 00:28:28,230

a cliff he was climbing the day after he

543

00:28:32,750 --> 00:28:31,290

had visited the mine that's odd isn't it

544

00:28:35,750 --> 00:28:32,760

i asked Fred and he told me the only

545

00:28:38,120 --> 00:28:35,760

thing odd about it was that his friend

546

00:28:40,430 --> 00:28:38,130

had climbed the cliff when a path

547

00:28:42,890 --> 00:28:40,440

leading to the top was only a 10-minute

548

00:28:45,110 --> 00:28:42,900

walk from where he was found clutching a

549

00:28:46,550 --> 00:28:45,120

piece of black cloth in his hand I guess

550

00:28:48,890 --> 00:28:46,560

he spotted the piece of black cloth

551
00:28:51,590 --> 00:28:48,900
climbed up to get it and fell when he

552
00:28:53,180 --> 00:28:51,600
reached for it we started out for the

553
00:28:56,120 --> 00:28:53,190
Haunted mine early that morning and

554
00:28:58,130 --> 00:28:56,130
cycled on increasingly poor roads until

555
00:29:00,680 --> 00:28:58,140
we were somewhere way up in the

556
00:29:03,110 --> 00:29:00,690
mountains we had to leave our bicycles

557
00:29:05,960 --> 00:29:03,120
because the road we came to was so bad

558
00:29:08,240 --> 00:29:05,970
that it was impassable full of trees

559
00:29:12,350 --> 00:29:08,250
edel and a row and large rocks had

560
00:29:14,480 --> 00:29:12,360
rolled down the side of the mountain we

561
00:29:17,690 --> 00:29:14,490
left our cycles and started to climb up

562
00:29:20,180 --> 00:29:17,700
the road Fred told me the opening to the

563
00:29:22,460 --> 00:29:20,190

mind was located on that road but that

564

00:29:24,530 --> 00:29:22,470

the road led around the other side of

565

00:29:27,200 --> 00:29:24,540

the mountain who climbed the road for

566

00:29:31,270 --> 00:29:27,210

about 20 minutes and then we rounded the

567

00:29:34,790 --> 00:29:31,280

mountain and came upon a spur of rock

568

00:29:37,730 --> 00:29:34,800

when we continued on the road around the

569

00:29:39,380 --> 00:29:37,740

rock we came to a cleared area which had

570

00:29:43,880 --> 00:29:39,390

several deserted buildings standing

571

00:29:46,820 --> 00:29:43,890

together on the edge of the map past the

572

00:29:51,360 --> 00:29:46,830

building's lube the pile of debris which

573

00:29:57,630 --> 00:29:54,960

when we continued on the road around the

574

00:29:59,700 --> 00:29:57,640

rock we came to a cleared area which had

575

00:30:01,940 --> 00:29:59,710

several deserted buildings standing

576

00:30:04,920 --> 00:30:01,950

together on the edge of the mountain

577

00:30:08,910 --> 00:30:04,930

past the building's loomed a pile of

578

00:30:11,250 --> 00:30:08,920

debris which had evidently been dug from

579

00:30:13,350 --> 00:30:11,260

the ground and allowed to slide past the

580

00:30:16,590 --> 00:30:13,360

top of the pile down the side of the

581

00:30:19,110 --> 00:30:16,600

mountain the entrance to the mine was

582

00:30:20,790 --> 00:30:19,120

evidently located behind one of the

583

00:30:23,400 --> 00:30:20,800

buildings and on the other side of the

584

00:30:25,560 --> 00:30:23,410

pile of debris we passed the building to

585

00:30:27,240 --> 00:30:25,570

start started around the pile from the

586

00:30:30,630 --> 00:30:27,250

mine when suddenly we came to the

587

00:30:32,880 --> 00:30:30,640

entrance it was then we saw it standing

588

00:30:36,030 --> 00:30:32,890

on the edge of the mind as if I'm guard

589

00:30:39,450 --> 00:30:36,040

was the most frightening creature I had

590

00:30:41,610 --> 00:30:39,460

ever seen the beam that's what i call

591

00:30:45,720 --> 00:30:41,620

him the being was about four and a half

592

00:30:49,860 --> 00:30:45,730

feet tall but very large around with

593

00:30:52,850 --> 00:30:49,870

eyes large and circular and the head

594

00:30:55,350 --> 00:30:52,860

seemed to be covered with a sort of foot

595

00:30:58,230 --> 00:30:55,360

while it seemed to have wings which were

596

00:31:01,440 --> 00:30:58,240

folded around in front of it he saw no

597

00:31:04,080 --> 00:31:01,450

arms the portion of the body on what

598

00:31:07,560 --> 00:31:04,090

might be a person's chest was covered

599

00:31:12,890 --> 00:31:07,570

with large scales of almost a reptilian

600

00:31:15,419 --> 00:31:12,900

nature like the skin of a huge snake

601
00:31:17,610 --> 00:31:15,429
there was a projection that seemed to

602
00:31:21,240 --> 00:31:17,620
come up from what might be termed the

603
00:31:24,510 --> 00:31:21,250
shoulders and outlined the back of the

604
00:31:26,549 --> 00:31:24,520
lower portion of the head the big the

605
00:31:29,900 --> 00:31:26,559
creature whatever you want to call it

606
00:31:33,330 --> 00:31:29,910
had no neck projecting behind it like a

607
00:31:36,750 --> 00:31:33,340
spread cloak seemed to be a huge bird

608
00:31:38,760 --> 00:31:36,760
like tail the legs were short and chunky

609
00:31:41,370 --> 00:31:38,770
and the feet if that's what they were

610
00:31:44,760 --> 00:31:41,380
seemed to be in case in a sort of box

611
00:31:47,860 --> 00:31:44,770
like boot or if it were not a boot to be

612
00:31:50,080 --> 00:31:47,870
more like the type of a hoof

613
00:31:53,020 --> 00:31:50,090

what appeared to be the face had eyes

614

00:31:56,590 --> 00:31:53,030

and a mouth and with what might have

615

00:32:00,970 --> 00:31:56,600

been termed a nose it reminded me of the

616

00:32:04,600 --> 00:32:00,980

look of a demon from hell frightening

617

00:32:07,930 --> 00:32:04,610

story you bet and it goes on mr. X could

618

00:32:11,920 --> 00:32:07,940

clearly when the being saw let out a

619

00:32:13,890 --> 00:32:11,930

scream like an animal and started around

620

00:32:17,500 --> 00:32:13,900

the edge of the mind towards us it

621

00:32:21,400 --> 00:32:17,510

rustled its wings or cloak as if it had

622

00:32:23,530 --> 00:32:21,410

arms but we did not stop to see we broke

623

00:32:27,970 --> 00:32:23,540

out of the paralysis of fright and

624

00:32:29,890 --> 00:32:27,980

wheeled in retreat at full speed we

625

00:32:34,990 --> 00:32:29,900

covered the 20 more minutes of hillside

626
00:32:37,990 --> 00:32:35,000
road in less than five believe me we got

627
00:32:41,280 --> 00:32:38,000
out of there in a hurry we grabbed our

628
00:32:45,250 --> 00:32:41,290
bicycles and set off at break neck speed

629
00:32:48,340 --> 00:32:45,260
over the road for home we rowed so fast

630
00:32:52,480 --> 00:32:48,350
that we covered that three-hour journey

631
00:32:54,760 --> 00:32:52,490
in less than two and a half hours Fred

632
00:32:57,070 --> 00:32:54,770
drove directly to the bus station where

633
00:32:59,890 --> 00:32:57,080
he checked his cycle and got on the bus

634
00:33:03,010 --> 00:32:59,900
which took off before the one he had

635
00:33:04,900 --> 00:33:03,020
expected to take i lock my bike outside

636
00:33:08,710 --> 00:33:04,910
the local motion picture theater and

637
00:33:10,330 --> 00:33:08,720
took in the show during the latter part

638
00:33:13,060 --> 00:33:10,340

of the pitcher I noticed a rather short

639

00:33:15,160 --> 00:33:13,070

person with a dark face even in the dim

640

00:33:19,240 --> 00:33:15,170

theater was seem to be going up and down

641

00:33:21,370 --> 00:33:19,250

the aisle evidently looking for some he

642

00:33:25,090 --> 00:33:21,380

seemed to stop very often at the row of

643

00:33:28,720 --> 00:33:25,100

seats I was in and glanced down them in

644

00:33:30,730 --> 00:33:28,730

my direction at the end of the picture I

645

00:33:32,860 --> 00:33:30,740

left the show with a crowd of people as

646

00:33:35,380 --> 00:33:32,870

I started to ride my cycle home to

647

00:33:38,340 --> 00:33:35,390

fred's house I sell I felt as if someone

648

00:33:40,750 --> 00:33:38,350

or something was following me and

649

00:33:42,910 --> 00:33:40,760

assembling street intersections I

650

00:33:45,250 --> 00:33:42,920

noticed people who seem to be similar to

651
00:33:48,760 --> 00:33:45,260
the person dressed in black who had

652
00:33:50,980 --> 00:33:48,770
proud the aisle of the theater when I

653
00:33:53,680 --> 00:33:50,990
passed rapidly these people always seem

654
00:33:55,260 --> 00:33:53,690
to be watching me but since it was dark

655
00:33:57,930 --> 00:33:55,270
by that I could

656
00:34:00,000 --> 00:33:57,940
you sure at one time a short person

657
00:34:02,670 --> 00:34:00,010
breasted black dived out of an alley

658
00:34:05,220 --> 00:34:02,680
toward me on a deserted Street but I

659
00:34:08,790 --> 00:34:05,230
swerved around and continued on my

660
00:34:11,480 --> 00:34:08,800
journey back to friends house I wrote

661
00:34:14,100 --> 00:34:11,490
frantically down a tree covered lay

662
00:34:16,110 --> 00:34:14,110
toward home or at least where I was

663
00:34:19,110 --> 00:34:16,120

staying when suddenly a huge limb of a

664

00:34:22,500 --> 00:34:19,120

tree broke off above me were it not for

665

00:34:24,659 --> 00:34:22,510

my speed limit have crushed me beneath

666

00:34:26,850 --> 00:34:24,669

it as it was the leaves on the outer

667

00:34:29,820 --> 00:34:26,860

horse branches whipped across my back

668

00:34:32,220 --> 00:34:29,830

and the rear wheel of my bicycle i

669

00:34:34,320 --> 00:34:32,230

arrived at freds home and drove up the

670

00:34:36,690 --> 00:34:34,330

driveway leaving my cycle at the foot of

671

00:34:38,790 --> 00:34:36,700

the port I dived up the stairs and rang

672

00:34:41,220 --> 00:34:38,800

the bell frantically as I did so I

673

00:34:44,030 --> 00:34:41,230

noticed a short figure start towards the

674

00:34:46,560 --> 00:34:44,040

house from a corner about 200 yards away

675

00:34:48,870 --> 00:34:46,570

Fred's mother answered the door in tow'

676

00:34:51,450 --> 00:34:48,880

and I told her that I was tired and was

677

00:34:54,780 --> 00:34:51,460

going to bed at once when I reached the

678

00:34:57,510 --> 00:34:54,790

attic room I drew the blinds and lit the

679

00:34:59,250 --> 00:34:57,520

lights and packed all my clothes after

680

00:35:01,890 --> 00:34:59,260

that I put out the light and cracked

681

00:35:04,800 --> 00:35:01,900

them line as I looked out I felt sure

682

00:35:08,070 --> 00:35:04,810

that I could see a dark form squatting

683

00:35:10,800 --> 00:35:08,080

in the tree limb which came close to the

684

00:35:12,960 --> 00:35:10,810

window in the nearest tree although the

685

00:35:15,750 --> 00:35:12,970

night was hot I did not open the window

686

00:35:17,790 --> 00:35:15,760

nor did I sleep at all instead I kept

687

00:35:20,460 --> 00:35:17,800

watch all that night and I know that

688

00:35:23,460 --> 00:35:20,470

there was someone in that tree for his

689

00:35:27,240 --> 00:35:23,470

shadow drifted down the side of the tree

690

00:35:30,750 --> 00:35:27,250

and crossed the lawn shortly before

691

00:35:32,280 --> 00:35:30,760

daylight in the morning I told Fred's

692

00:35:35,220 --> 00:35:32,290

mother that I had called home that

693

00:35:36,960 --> 00:35:35,230

evening from a pay station and that my

694

00:35:39,450 --> 00:35:36,970

parents had asked me to return home at

695

00:35:41,520 --> 00:35:39,460

once I left for Los Angeles on the first

696

00:35:44,240 --> 00:35:41,530

bus that morning and kept a close watch

697

00:35:47,490 --> 00:35:44,250

to make sure I was not being followed

698

00:35:49,350 --> 00:35:47,500

after I arrived home I waited a day and

699

00:35:51,330 --> 00:35:49,360

then went to a pay station and called

700

00:35:53,490 --> 00:35:51,340

Fred his mother said the Fred had

701

00:35:55,620 --> 00:35:53,500

arrived home today I left but that he

702

00:35:58,890 --> 00:35:55,630

had gone off on his bicycle that morning

703

00:36:01,020 --> 00:35:58,900

to make a long story short Fred cycle

704

00:36:03,750 --> 00:36:01,030

was later found at the beginning of the

705

00:36:06,150 --> 00:36:03,760

impassable road to the haunted mine this

706

00:36:07,359 --> 00:36:06,160

day fred has never been found and to

707

00:36:09,730 --> 00:36:07,369

this day I am

708

00:36:15,130 --> 00:36:09,740

frey that whoever or whatever it was

709

00:36:17,769 --> 00:36:15,140

pass before I was to see Muhammad Ali

719

00:37:02,589 --> 00:37:00,289

again which is to be expected

720

00:37:05,170 --> 00:37:02,599

considering the fact that he is such

721

00:37:07,960 --> 00:37:05,180

entourage including my friend Harold

728

00:37:26,380 --> 00:37:23,150

Salkin healthrider Herbert Bailey and

732

00:37:36,579 --> 00:37:34,640

intelligence and has the ability to bed

733

00:37:38,410 --> 00:37:36,589

spoons metals and control a lot of

734

00:37:40,180 --> 00:37:38,420

things with his mind very controversial

735

00:37:44,049 --> 00:37:40,190

individual you've probably seen him on a

736

00:37:45,700 --> 00:37:44,059

lot of the late night talk programs in

737

00:37:48,579 --> 00:37:45,710

addition to finding out more about Ali's

738

00:37:50,349 --> 00:37:48,589

UFO experiences Ali expressed interest

739

00:37:52,150 --> 00:37:50,359

in meeting the young Israeli sensitive

740

00:37:53,769 --> 00:37:52,160

who was said to have the power to bend

741

00:37:57,759 --> 00:37:53,779

metal utensils and make objects

742

00:38:00,249 --> 00:37:57,769

disappear and reappear upon command for

743

00:38:02,349 --> 00:38:00,259

the record and I read from UFOs among

744

00:38:04,870 --> 00:38:02,359

the stars Geller put on quite a show

745

00:38:06,729 --> 00:38:04,880

that afternoon I remember him standing

746

00:38:08,890 --> 00:38:06,739

in the outside doorway of one of the

747

00:38:12,309 --> 00:38:08,900

buildings on the campsite with Ali's

748

00:38:15,729 --> 00:38:12,319

ex-wife malignant clasping her hand in

749

00:38:17,799 --> 00:38:15,739

his Yuri asked her to tell him when she

750

00:38:20,620 --> 00:38:17,809

felt something unusual happening

751
00:38:23,799 --> 00:38:20,630
after a minute or two she commented that

752
00:38:25,689 --> 00:38:23,809
she felt her rig getting warm after

753
00:38:28,589 --> 00:38:25,699
another minute or so she commented that

754
00:38:30,519 --> 00:38:28,599
she felt her rig getting even warmer

755
00:38:32,620 --> 00:38:30,529
after another minute of deep

756
00:38:36,009 --> 00:38:32,630
concentration Geller removed his hand

757
00:38:39,609 --> 00:38:36,019
and everyone standing around gasped out

758
00:38:41,079 --> 00:38:39,619
loud without applying any physical

759
00:38:44,109 --> 00:38:41,089
strength that was visible to the naked

760
00:38:46,599 --> 00:38:44,119
eye the stone inside Belinda's ring had

761
00:38:49,569 --> 00:38:46,609
vanished from its setting and was

762
00:38:52,900 --> 00:38:49,579
nowhere to be found hopefully it wasn't

763
00:38:55,479 --> 00:38:52,910

a valuable stone because I do not recall

764

00:38:57,719 --> 00:38:55,489

it being returned like all professional

765

00:39:01,660 --> 00:38:57,729

magicians would do as part of their act

766

00:39:03,759 --> 00:39:01,670

later uri geller was talking with one of

767

00:39:06,519 --> 00:39:03,769

Ali's sparring partners when he asked if

768

00:39:08,289 --> 00:39:06,529

he could demonstrate his powers again he

769

00:39:11,319 --> 00:39:08,299

held a very heavy religious medal that

770

00:39:14,199 --> 00:39:11,329

was around the boxers neck and by merely

771

00:39:16,150 --> 00:39:14,209

touching it and without pressing hard on

772

00:39:18,279 --> 00:39:16,160

it even Geller made a considerable

773

00:39:20,349 --> 00:39:18,289

impression in the metal with his

774

00:39:23,140 --> 00:39:20,359

fingertip again everyone was impressed

775

00:39:25,839 --> 00:39:23,150

and there was no logical explanation as

776

00:39:28,689 --> 00:39:25,849

to how this extraordinary feat was

777

00:39:31,479 --> 00:39:28,699

accomplished meanwhile back in the main

778

00:39:33,849 --> 00:39:31,489

house Muhammad Ali was doing some fancy

779

00:39:36,549 --> 00:39:33,859

trick work of his own it turns out that

780

00:39:38,529 --> 00:39:36,559

the champ is a bit of a magician and

781

00:39:41,769 --> 00:39:38,539

thinks he can do everything Geller can

782

00:39:44,229 --> 00:39:41,779

do by sleight of hand he did accomplish

783

00:39:46,380 --> 00:39:44,239

an impressive rope trick where a piece

784

00:39:48,969 --> 00:39:46,390

of heavy hemp was sliced into pieces

785

00:39:51,219 --> 00:39:48,979

only to have it turned back into a

786

00:39:53,349 --> 00:39:51,229

single piece of rope probably something

787

00:39:56,890 --> 00:39:53,359

you've seen him or other magicians do on

788

00:39:58,749 --> 00:39:56,900

the late night Johnny Carson Jane leno

789

00:40:01,419 --> 00:39:58,759

show apparently some of Ali's

790

00:40:05,199 --> 00:40:01,429

professional magician friends had told

791

00:40:07,900 --> 00:40:05,209

him that everything Gaillard Geller did

792

00:40:10,419 --> 00:40:07,910

was not the real thing and to be leery

793

00:40:13,630 --> 00:40:10,429

about what he was planning to accomplish

794

00:40:15,459 --> 00:40:13,640

because it may once the magical

795

00:40:18,130 --> 00:40:15,469

interlude of our visit was out of the

796

00:40:20,589 --> 00:40:18,140

way Ali happily returned to the topic of

797

00:40:23,219 --> 00:40:20,599

UFOs that he seemed genuinely more

798

00:40:25,650 --> 00:40:23,229

comfortable with the psychic phenomena

799

00:40:27,939 --> 00:40:25,660

remember how I told you about Elijah

800

00:40:29,829 --> 00:40:27,949

Muhammad's belief in a large mothership

801

00:40:31,600 --> 00:40:29,839

circling the earth well I think this is

802

00:40:35,620 --> 00:40:31,610

what I observed recently over my

803

00:40:38,320 --> 00:40:35,630

Trading camp here Ali told me probing

804

00:40:39,790 --> 00:40:38,330

into giving additional details Ali

805

00:40:41,650 --> 00:40:39,800

seemed willing to talk about his

806

00:40:43,570 --> 00:40:41,660

sighting which had taken place over a

807

00:40:47,260 --> 00:40:43,580

two night period on a Friday and

808

00:40:48,880 --> 00:40:47,270

Saturday during the summer Ali told me I

809

00:40:51,520 --> 00:40:48,890

have been training for three hours in

810

00:40:54,400 --> 00:40:51,530

the afternoon getting ready to do battle

811

00:40:56,380 --> 00:40:54,410

with George Foreman after a light supper

812

00:40:59,650 --> 00:40:56,390

I decided to take a stroll around the

813

00:41:02,590 --> 00:40:59,660

ground and around 9pm and it had just

814

00:41:05,050 --> 00:41:02,600

gotten dark I walked up a gravel path

815

00:41:07,630 --> 00:41:05,060

that runs along back of our log cabin

816

00:41:10,150 --> 00:41:07,640

Jim the nighttime sky was his

817

00:41:12,610 --> 00:41:10,160

picturesque as one of my poems he

818

00:41:14,920 --> 00:41:12,620

injected sort of laughing as he went on

819

00:41:17,670 --> 00:41:14,930

the Sun had been down for quite a short

820

00:41:20,560 --> 00:41:17,680

while and the sky was still quite light

821

00:41:22,360 --> 00:41:20,570

suddenly seemingly out of nowhere at

822

00:41:25,690 --> 00:41:22,370

least I caught a glimpse of a bright

823

00:41:28,090 --> 00:41:25,700

glowing orb off in the distance at first

824

00:41:30,460 --> 00:41:28,100

i thought this flickr was the north star

825

00:41:32,470 --> 00:41:30,470

rising in the heavens he told me however

826

00:41:35,340 --> 00:41:32,480

within moments i could tell i was

827

00:41:39,040 --> 00:41:35,350

watching something out of the ordinary

828

00:41:41,530 --> 00:41:39,050

Ali went on talking with unusual candor

829

00:41:43,870 --> 00:41:41,540

and he told me before I could blink my

830

00:41:46,540 --> 00:41:43,880

eyes this light if that's what it was

831

00:41:48,910 --> 00:41:46,550

had come down toward the mountains until

832

00:41:51,100 --> 00:41:48,920

it hovered right above the valley where

833

00:41:53,590 --> 00:41:51,110

we are I knew I couldn't be dreaming

834

00:41:55,600 --> 00:41:53,600

sure enough it was still there this had

835

00:41:58,030 --> 00:41:55,610

to be one of those big ships they talked

836

00:42:00,460 --> 00:41:58,040

about the UFO was streamlined and shaped

837

00:42:02,590 --> 00:42:00,470

sort of like a cigar but blunt on both

838

00:42:05,020 --> 00:42:02,600

ends I couldn't see any windows or

839

00:42:08,920 --> 00:42:05,030

anything but I'm certain there must have

840

00:42:11,710 --> 00:42:08,930

been people on board I asked how he knew

841

00:42:13,600 --> 00:42:11,720

it wasn't a helicopter and airplane Ali

842

00:42:16,030 --> 00:42:13,610

said that the object acted like no

843

00:42:18,790 --> 00:42:16,040

conventional aircraft he was familiar

844

00:42:21,340 --> 00:42:18,800

with first it would stand still he told

845

00:42:23,830 --> 00:42:21,350

me and then move about jumping from one

846

00:42:26,470 --> 00:42:23,840

portion of the sky to another from time

847

00:42:28,420 --> 00:42:26,480

to time it would speed away up to the

848

00:42:31,030 --> 00:42:28,430

far reaches of the heavens and then

849

00:42:33,070 --> 00:42:31,040

minutes later it would come down toward

850

00:42:36,370 --> 00:42:33,080

us again it did this numerous times

851
00:42:38,500 --> 00:42:36,380
during the two hours i watched it sounds

852
00:42:41,290 --> 00:42:38,510
like quite a spectacular sighting only

853
00:42:43,990 --> 00:42:41,300
one of many told to be by muhammad ali

854
00:42:45,300 --> 00:42:44,000
and other celebrities as recounted in

855
00:42:49,110 --> 00:42:45,310
the book UFOs

856
00:42:51,960 --> 00:42:49,120
the Stars man between this fire and

857
00:42:53,790 --> 00:42:51,970
going them have three rounds I didn't

858
00:42:57,030 --> 00:42:53,800
think I'd ever take him down but Papa

859
00:43:00,180 --> 00:42:57,040
papa ah man are you ready for some more

860
00:43:15,630 --> 00:43:00,190
tales from creepo script you've gone

861
00:43:21,030 --> 00:43:15,640
babe we all live in a yellow submarine a

862
00:43:24,360 --> 00:43:21,040
yellow submarine and yellows hey you

863
00:43:26,250 --> 00:43:24,370

know not only your average person out

864

00:43:28,730 --> 00:43:26,260

there had seen UFOs and encounter the

865

00:43:33,300 --> 00:43:28,740

unknown but quite a few celebrities to

866

00:43:36,840 --> 00:43:33,310

take John Lennon and his one-time

867

00:43:39,090 --> 00:43:36,850

girlfriend may pag they encountered one

868

00:43:42,930 --> 00:43:39,100

of them and it wasn't out in the country

869

00:43:45,930 --> 00:43:42,940

it was right in New York City she told

870

00:43:50,790 --> 00:43:45,940

me the story first hand and so let's

871

00:43:55,950 --> 00:43:50,800

hear it for John Lennon's Big Apple UFO

872

00:44:04,990 --> 00:43:55,960

while we try not to set we closed a

873

00:44:13,400 --> 00:44:09,920

this is John Lennon's Big Apple UFO

874

00:44:16,220 --> 00:44:13,410

story though we'll never know for sure

875

00:44:18,140 --> 00:44:16,230

we hope the aliens aboard the craft that

876

00:44:21,500 --> 00:44:18,150

buzz John Lennon's fifty-third Street

877

00:44:23,570 --> 00:44:21,510

penthouse apartment weren't shy for

878

00:44:25,910 --> 00:44:23,580

according to late Beatles ex-girlfriend

879

00:44:28,180 --> 00:44:25,920

the fame that Maude rocker was standing

880

00:44:31,040 --> 00:44:28,190

on the balcony in his birthday suit

881

00:44:33,980 --> 00:44:31,050

enjoying the view when his quiet evening

882

00:44:38,810 --> 00:44:33,990

at home was interrupted by the likes of

883

00:44:40,940 --> 00:44:38,820

a vehicle from god-knows-where may pag

884

00:44:43,460 --> 00:44:40,950

is one of the warmest people you'll ever

885

00:44:45,920 --> 00:44:43,470

want to meet she's quick to smile and

886

00:44:47,210 --> 00:44:45,930

bring you into her confidence for unlike

887

00:44:48,560 --> 00:44:47,220

many others in the rock and roll

888

00:44:50,900 --> 00:44:48,570

business who can sometimes take

889

00:44:53,330 --> 00:44:50,910

themselves way too seriously may is

890

00:44:55,280 --> 00:44:53,340

happy to share her remembrances about

891

00:44:58,670 --> 00:44:55,290

one of the greatest legends of rock and

892

00:45:01,400 --> 00:44:58,680

roll of all time an american-born young

893

00:45:04,220 --> 00:45:01,410

lady of Chinese ancestry may work for

894

00:45:06,440 --> 00:45:04,230

Lennon as his assistant for almost three

895

00:45:08,800 --> 00:45:06,450

years living with the beetle during the

896

00:45:11,870 --> 00:45:08,810

time he was separated from Yoko Ono

897

00:45:13,550 --> 00:45:11,880

seated in her spacious apartment may

898

00:45:15,080 --> 00:45:13,560

doesn't mind talking about the old days

899

00:45:17,540 --> 00:45:15,090

and sharing her wisdom and knowledge

900

00:45:19,730 --> 00:45:17,550

with those who are truly fascinated with

901
00:45:22,490 --> 00:45:19,740
Lennon's contribution to the culture of

902
00:45:26,360 --> 00:45:22,500
the 60s and the 70s before he was cut

903
00:45:28,820 --> 00:45:26,370
down by a madman bullet John was always

904
00:45:31,430 --> 00:45:28,830
fascinated with the unknown may explain

905
00:45:33,560 --> 00:45:31,440
handing me his once treasured copy of

906
00:45:36,470 --> 00:45:33,570
the e Ching that she still has on her

907
00:45:39,740 --> 00:45:36,480
library shelf he was always caught up in

908
00:45:41,780 --> 00:45:39,750
his faith his destiny he was it seems

909
00:45:44,630 --> 00:45:41,790
trying to understand his greatness in

910
00:45:47,210 --> 00:45:44,640
the impact he had on millions growing up

911
00:45:51,260 --> 00:45:47,220
in the very confused almost lost

912
00:45:53,390 --> 00:45:51,270
generation in an interview Lennon had

913
00:45:56,570 --> 00:45:53,400

once admitted that he held a particular

914

00:45:58,910 --> 00:45:56,580

fascination with psychic phenomena going

915

00:46:01,670 --> 00:45:58,920

back to when he was a kid he says I used

916

00:46:03,740 --> 00:46:01,680

to literally trance out into the alpha I

917

00:46:06,560 --> 00:46:03,750

didn't know what it was called then I

918

00:46:08,390 --> 00:46:06,570

found out years later that there was a

919

00:46:11,090 --> 00:46:08,400

name for these conditions but I would

920

00:46:13,250 --> 00:46:11,100

find myself seeing a loosen Atari images

921

00:46:15,530 --> 00:46:13,260

of my face changing and becoming cosmic

922

00:46:19,550 --> 00:46:15,540

and complete it caused me

923

00:46:21,380 --> 00:46:19,560

always to be a rebel by own inkling that

924

00:46:23,540 --> 00:46:21,390

John was truly fascinated with the

925

00:46:25,190 --> 00:46:23,550

paranormal k well I was doing an article

926
00:46:28,310 --> 00:46:25,200
on a faith healer by the name of Dean

927
00:46:30,800 --> 00:46:28,320
craft who it was said had a remarkable

928
00:46:33,860 --> 00:46:30,810
ability to move objects across the floor

929
00:46:35,900 --> 00:46:33,870
or a tabletop without touching them it

930
00:46:38,510 --> 00:46:35,910
had been reported that John Lennon had

931
00:46:40,220 --> 00:46:38,520
befriended the gifted sensitive and had

932
00:46:43,160 --> 00:46:40,230
invited Dean craft over to his apartment

933
00:46:46,490 --> 00:46:43,170
in the historic Dakota building across

934
00:46:48,200 --> 00:46:46,500
from Central Park yes confirmed lent it

935
00:46:50,990 --> 00:46:48,210
in a telephone conversation that I had

936
00:46:55,100 --> 00:46:51,000
with him Dean apparently does have these

937
00:46:57,650 --> 00:46:55,110
powers in fact Lennon told me one night

938
00:46:59,960 --> 00:46:57,660

recently Yoko and I watch as he made

939

00:47:02,240 --> 00:46:59,970

some hard candies still wrapped in their

940

00:47:05,120 --> 00:47:02,250

cellophane just jump out of a candy dish

941

00:47:08,420 --> 00:47:05,130

and move across the table top until they

942

00:47:11,830 --> 00:47:08,430

landed on the floor at no time insisted

943

00:47:13,940 --> 00:47:11,840

Lennon did he ever touch them

944

00:47:16,430 --> 00:47:13,950

unfortunately with the exception of a

945

00:47:20,480 --> 00:47:16,440

concert I gave and which his personal

946

00:47:22,730 --> 00:47:20,490

backup band elephant's memory appeared I

947

00:47:25,460 --> 00:47:22,740

never really got to speak with job again

948

00:47:27,380 --> 00:47:25,470

however may pag was more than willing to

949

00:47:31,580 --> 00:47:27,390

give me the scoop on John's Big Apple

950

00:47:34,370 --> 00:47:31,590

UFO encounter and I quote from what she

951
00:47:36,680 --> 00:47:34,380
told me we had just ordered some pizza

952
00:47:39,520 --> 00:47:36,690
and since it was a warm evening we

953
00:47:42,230 --> 00:47:39,530
decided to step out onto the terrace

954
00:47:44,480 --> 00:47:42,240
there were no windows directly facing us

955
00:47:46,250 --> 00:47:44,490
from across the street so John just

956
00:47:48,470 --> 00:47:46,260
stepped outside with nothing on in order

957
00:47:51,200 --> 00:47:48,480
to catch a cool breeze that was coming

958
00:47:52,910 --> 00:47:51,210
in right off the East River I remember I

959
00:47:55,280 --> 00:47:52,920
was just inside the bedroom getting

960
00:47:57,950 --> 00:47:55,290
dressed when John started shouting for

961
00:47:59,420 --> 00:47:57,960
me to come out onto the terrace I yelled

962
00:48:01,130 --> 00:47:59,430
back that I would be right there but he

963
00:48:03,950 --> 00:48:01,140

kept screaming for me to join him that

964

00:48:05,620 --> 00:48:03,960

instant as I walked out onto the terrace

965

00:48:08,690 --> 00:48:05,630

my eyes caught this large circular

966

00:48:11,300 --> 00:48:08,700

object coming towards us it was shaped

967

00:48:14,270 --> 00:48:11,310

like a flattened cone and on top was a

968

00:48:16,490 --> 00:48:14,280

large brilliant red light not pulsating

969

00:48:19,400 --> 00:48:16,500

as on any of the aircraft we'd see

970

00:48:21,680 --> 00:48:19,410

heading for a landing at newark airport

971

00:48:24,650 --> 00:48:21,690

may says she had John stood there

972

00:48:28,069 --> 00:48:24,660

mesmerized unable to believe what they

973

00:48:30,859 --> 00:48:28,079

were in the process of observing when it

974

00:48:32,930 --> 00:48:30,869

came a little closer she told me we

975

00:48:35,359 --> 00:48:32,940

could make out a row or a circle of

976
00:48:38,720 --> 00:48:35,369
white lights that ran around the entire

977
00:48:40,819 --> 00:48:38,730
river the craft these were also flashing

978
00:48:44,079 --> 00:48:40,829
on and off there were so many of these

979
00:48:49,130 --> 00:48:44,089
lights that it was dazzling to the

980
00:48:51,349 --> 00:48:49,140
certainly psychedelic spellbound the

981
00:48:53,450 --> 00:48:51,359
couple watch the UFO move directly over

982
00:48:56,690 --> 00:48:53,460
the building next to play where they

983
00:48:59,480 --> 00:48:56,700
resided it was I would estimate the size

984
00:49:01,549 --> 00:48:59,490
of a Learjet and it was so close that if

985
00:49:03,559 --> 00:49:01,559
we had something to throw at it we

986
00:49:06,680 --> 00:49:03,569
probably could have hit it quite easily

987
00:49:08,750 --> 00:49:06,690
may recall during the time that it was

988
00:49:13,550 --> 00:49:08,760

almost directly overhead may says that

989

00:49:17,370 --> 00:49:15,359

we often had held

990

00:49:21,120 --> 00:49:17,380

after flying about us but this was a

991

00:49:25,559 --> 00:49:21,130

silent as the night 17 stories up above

992

00:49:28,859 --> 00:49:25,569

street level finally the object passed

993

00:49:31,200 --> 00:49:28,869

from view leaving John and may feeling

994

00:49:34,319 --> 00:49:31,210

that the excitement was over for one

995

00:49:37,799 --> 00:49:34,329

evening but as it turned out the UFO

996

00:49:40,829 --> 00:49:37,809

return the light was so brilliant coming

997

00:49:43,829 --> 00:49:40,839

from the craft may recalls years later

998

00:49:45,870 --> 00:49:43,839

that no additional detail could be seen

999

00:49:49,859 --> 00:49:45,880

we did take a couple of pictures but

1000

00:49:51,989 --> 00:49:49,869

they turned out overexposed immediately

1001

00:49:54,120 --> 00:49:51,999

John and may telephoned the Daily News

1002

00:49:57,120 --> 00:49:54,130

and we're told at least seven other

1003

00:49:59,069 --> 00:49:57,130

reports had been received we even called

1004

00:50:01,920 --> 00:49:59,079

the police that's how excited we were

1005

00:50:04,829 --> 00:50:01,930

and they told us to keep calm that

1006

00:50:07,739 --> 00:50:04,839

others had seen it too according to may

1007

00:50:10,259 --> 00:50:07,749

all night long John Lennon kept saying I

1008

00:50:15,420 --> 00:50:10,269

can't believe it I can't believe it I've

1009

00:50:22,430 --> 00:50:15,430

finally seen a flying saucer and that is

1010

00:50:28,640 --> 00:50:22,440

folks John Lennon's Big Apple UFO story

1011

00:50:31,830 --> 00:50:28,650

so next time you're near Central Park

1012

00:50:35,490 --> 00:50:31,840

Strawberry Fields think of John Lennon
