4  
00:00:55,149 --> 00:00:52,070  
universe exploring the unexplained UFO s

5  
00:00:57,560 --> 00:00:55,159  
ghosts Lost Worlds

6  
00:01:01,399 --> 00:00:57,570  
cryptozoology as well as other

7  
00:01:06,529 --> 00:01:01,409  
dimensions it's time to take back the

8  
00:01:09,710 --> 00:01:06,539  
night now your electrifying hosts of

9  
00:01:12,219 --> 00:01:09,720  
exploring the bizarre Timothy Begley and

10  
00:01:15,469 --> 00:01:12,229  
team sports

11  
00:01:17,570 --> 00:01:15,479  
okay everybody whistles I could never

12  
00:01:22,580 --> 00:01:17,580  
whistle hey Tim O'Hara

13  
00:01:26,120 --> 00:01:22,590

are you in Indiana tonight just

14

00:01:29,059 --> 00:01:26,130

whistling along - hey we've got it we've

15

00:01:31,340 --> 00:01:29,069

got a fascinating show tonight in fact

16

00:01:35,300 --> 00:01:31,350

you know I'm sitting here at my desk and

17

00:01:39,740 --> 00:01:35,310

my office recliner and I'm imagining

18

00:01:43,520 --> 00:01:39,750

that I'm back in Warminster England and

19

00:01:46,279 --> 00:01:43,530

it's the early 1980s and I'm there at

20

00:01:49,249 --> 00:01:46,289

cradle Hill with my friend Arthur

21

00:01:52,040 --> 00:01:49,259

shuttle wood now I'm sure that a good

22

00:01:54,740 --> 00:01:52,050

percentage of our listeners have heard

23

00:01:59,089 --> 00:01:54,750

of warminster and the appearance of the

24

00:02:01,999 --> 00:01:59,099

thing which haunted this town not too

25

00:02:06,699 --> 00:02:02,009

far from Stone Edge just a few miles

26  
00:02:10,309 --> 00:02:06,709  
from Stonehenge as the crow flies or the

27  
00:02:12,290 --> 00:02:10,319  
whatever flies out there and the

28  
00:02:15,339 --> 00:02:12,300  
monoliths fly or maybe they don't fly

29  
00:02:19,280 --> 00:02:15,349  
but where the crop circles cross their

30  
00:02:21,589 --> 00:02:19,290  
crop circles and UFOs certainly have

31  
00:02:24,140 --> 00:02:21,599  
been seen in that area for a long long

32  
00:02:27,040 --> 00:02:24,150  
time there's all kinds of legend legends

33  
00:02:33,350 --> 00:02:27,050  
about strange things in the sky and

34  
00:02:36,770 --> 00:02:33,360  
starting back into 1963 there was a UFO

35  
00:02:39,860 --> 00:02:36,780  
flap that lasted well certainly more

36  
00:02:42,350 --> 00:02:39,870  
than a decade with thousands of people

37  
00:02:47,320 --> 00:02:42,360  
coming from all over Europe and from the

38  
00:02:51,110 --> 00:02:47,330

United States to witness UFO phenomena

39

00:02:54,860 --> 00:02:51,120  
in several different areas there

40

00:02:57,170 --> 00:02:54,870  
in fact a an associate of mine Bryce

41

00:02:58,850 --> 00:02:57,180  
bond who was now deceased he worked for

42

00:03:00,710 --> 00:02:58,860  
a local radio station here and he had

43

00:03:02,900 --> 00:03:00,720  
called me one day and he said he was

44

00:03:05,150 --> 00:03:02,910  
going over to England on a vacation and

45

00:03:08,240 --> 00:03:05,160  
what could he do in his spare time and I

46

00:03:10,400 --> 00:03:08,250  
suggested that he go and a chat up

47

00:03:13,180 --> 00:03:10,410  
Arthur shuttle Wood who was the editor

48

00:03:17,330 --> 00:03:13,190  
of the local newspaper in the warminster

49

00:03:19,130 --> 00:03:17,340  
journal at the time and he came back he

50

00:03:21,350 --> 00:03:19,140  
quit his job at a radio station where he

51  
00:03:25,250 --> 00:03:21,360  
was working as a disc jockey and went on

52  
00:03:28,960 --> 00:03:25,260  
to become a lecturer on metaphysical the

53  
00:03:31,700 --> 00:03:28,970  
subjects and a healer somehow he had a

54  
00:03:34,550 --> 00:03:31,710  
an abduction experience or walked into a

55  
00:03:35,000 --> 00:03:34,560  
UFO or something very strange happened

56  
00:03:37,610 --> 00:03:35,010  
to him

57  
00:03:39,410 --> 00:03:37,620  
while he was at the Cradle Hill he

58  
00:03:43,970 --> 00:03:39,420  
walked he saw a couple lights in the sky

59  
00:03:45,920 --> 00:03:43,980  
he walked into the field and apparently

60  
00:03:48,490 --> 00:03:45,930  
he disappeared for a period of an hour

61  
00:03:52,700 --> 00:03:48,500  
or so and when he came back he had this

62  
00:03:56,120 --> 00:03:52,710  
very bizarre a story to tell about

63  
00:03:59,650 --> 00:03:56,130

meeting human looking aliens and and

64

00:04:03,530 --> 00:03:59,660

that's so very unattractive space woman

65

00:04:06,170 --> 00:04:03,540

so and so at your suggestion Tim yes

66

00:04:08,420 --> 00:04:06,180

this guy had really a life-changing

67

00:04:10,310 --> 00:04:08,430

experience yes he did yes well many

68

00:04:12,560 --> 00:04:10,320

people who have UFO experiences of

69

00:04:15,470 --> 00:04:12,570

course it does alter their their life

70

00:04:17,450 --> 00:04:15,480

now Bryce was remotely interested in the

71

00:04:21,590 --> 00:04:17,460

subject because the reason we had been

72

00:04:24,140 --> 00:04:21,600

in touch is that he would post the the

73

00:04:26,300 --> 00:04:24,150

meetings that we had UFO meetings I was

74

00:04:28,070 --> 00:04:26,310

working for Jim Mosely at the time and

75

00:04:30,050 --> 00:04:28,080

every other week or so we would have

76

00:04:32,600 --> 00:04:30,060

meetings at one of the hotels along

77

00:04:35,720 --> 00:04:32,610

Times Square and he would announce it as

78

00:04:37,490 --> 00:04:35,730

a public service right and so you know

79

00:04:41,210 --> 00:04:37,500

we were kind of in touch but he only

80

00:04:43,340 --> 00:04:41,220

played Frank Sinatra records and jazz he

81

00:04:44,720 --> 00:04:43,350

did not like rock and roll so we didn't

82

00:04:47,540 --> 00:04:44,730

have it we did not have a lot in common

83

00:04:51,010 --> 00:04:47,550

as far as that went but when he came

84

00:04:54,320 --> 00:04:51,020

back he he did telephone me we ended up

85

00:04:56,600 --> 00:04:54,330

publishing his book unfortunately after

86

00:04:58,610 --> 00:04:56,610

he had passed away and we have an

87

00:05:01,460 --> 00:04:58,620

Edition out now that includes his UFO

88

00:05:04,010 --> 00:05:01,470

experiences it's called UFOs keys to

89

00:05:06,170 --> 00:05:04,020

inner perfection

90

00:05:09,529 --> 00:05:06,180

but so tonight we're going to go back

91

00:05:12,379 --> 00:05:09,539

and revisit warminster we're going to

92

00:05:15,640 --> 00:05:12,389

hear about the history of the town what

93

00:05:19,790 --> 00:05:15,650

happened there what people saw and

94

00:05:21,680 --> 00:05:19,800

perhaps find out what is still going on

95

00:05:24,830 --> 00:05:21,690

there if anything el our guest tonight

96

00:05:27,520 --> 00:05:24,840

I'm very happy to present is Steve will

97

00:05:32,499 --> 00:05:27,530

swim it on Facebook and he has a very

98

00:05:35,089 --> 00:05:32,509

upscale facebook page devoted to

99

00:05:38,480 --> 00:05:35,099

sightings current sightings past events

100

00:05:42,110 --> 00:05:38,490

at warminster and our old buddy Ben

101  
00:05:44,899 --> 00:05:42,120  
Emlyn Jones the porter who has his own

102  
00:05:47,170 --> 00:05:44,909  
YouTube channel and travels around

103  
00:05:49,939 --> 00:05:47,180  
England and has done actually a

104  
00:05:52,730 --> 00:05:49,949  
documentary or self documentary on the

105  
00:05:54,529 --> 00:05:52,740  
town of warminster so without further

106  
00:05:55,730 --> 00:05:54,539  
ado I want to I will tell about my

107  
00:05:59,270 --> 00:05:55,740  
sighting there in a little while but I

108  
00:06:03,409 --> 00:05:59,280  
want to get to the meat of the matter

109  
00:06:05,510 --> 00:06:03,419  
then you did do a documentary on the on

110  
00:06:07,459 --> 00:06:05,520  
the subject which is up there on YouTube

111  
00:06:09,409 --> 00:06:07,469  
when did you first learn about

112  
00:06:11,450 --> 00:06:09,419  
warminster and why were you so

113  
00:06:14,059 --> 00:06:11,460

interested in in following the the

114

00:06:18,050 --> 00:06:14,069

sightings there well I first heard about

115

00:06:19,999 --> 00:06:18,060

it through my interest in UFOs generally

116

00:06:22,909 --> 00:06:20,009

and I met Steve I know Steve and I've

117

00:06:25,249 --> 00:06:22,919

met him a few times and there was an

118

00:06:28,399 --> 00:06:25,259

event um last year to celebrate the 50th

119

00:06:30,469 --> 00:06:28,409

anniversary of the basically when a lot

120

00:06:34,700 --> 00:06:30,479

of people mark the start of the thing

121

00:06:36,050 --> 00:06:34,710

which was the the big event with the

122

00:06:39,610 --> 00:06:36,060

local authorities a town hall meeting

123

00:06:42,529 --> 00:06:39,620

which took place in August August 1965

124

00:06:44,180 --> 00:06:42,539

there was a 50th anniversary event of

125

00:06:46,219 --> 00:06:44,190

that which she took place 50 years to

126

00:06:49,610 --> 00:06:46,229

the day at a pub just up the road from

127

00:06:51,559 --> 00:06:49,620

the Town Hall called the Bell and it was

128

00:06:54,110 --> 00:06:51,569

amazing a really great event where I

129

00:06:57,860 --> 00:06:54,120

think hundreds of people more people

130

00:07:01,339 --> 00:06:57,870

attended and it's apparently it was the

131

00:07:04,070 --> 00:07:01,349

longest and UFO flap ever and it lasted

132

00:07:08,899 --> 00:07:04,080

from the mid 1960s right up to the early

133

00:07:10,640 --> 00:07:08,909

1980s and some of the sudden encounters

134

00:07:13,579 --> 00:07:10,650

and reports are really quite remarkable

135

00:07:15,860 --> 00:07:13,589

I was talking to Kevin Goodman last

136

00:07:16,940 --> 00:07:15,870

night actually he was telling about

137

00:07:19,760 --> 00:07:16,950

Arthur

138

00:07:22,190 --> 00:07:19,770

books shall woods books and quite man

139

00:07:23,480 --> 00:07:22,200

soon because they got an old copy of one

140

00:07:27,710 --> 00:07:23,490

of them but I'm glad they're coming back

141

00:07:30,980 --> 00:07:27,720

out into print and one the one guy

142

00:07:32,720 --> 00:07:30,990

reported for instance and some people

143

00:07:34,820 --> 00:07:32,730

had strange beings as well as seeing

144

00:07:38,240 --> 00:07:34,830

things in the sky and there are things

145

00:07:40,700 --> 00:07:38,250

like big long pokers hot pokers in the

146

00:07:41,120 --> 00:07:40,710

sky which exploded in light and things

147

00:07:45,320 --> 00:07:41,130

like that

148

00:07:48,800 --> 00:07:45,330

and then there was a guy up at Star Hill

149

00:07:51,440 --> 00:07:48,810

he he was driving up there in 1970 any

150

00:07:55,280 --> 00:07:51,450

encountered what you might describe as

151  
00:07:58,670 --> 00:07:55,290  
him one of the men in black and so it's

152  
00:08:01,730 --> 00:07:58,680  
really amazing occurrences now this and

153  
00:08:03,650 --> 00:08:01,740  
just a short distance from Warminster is

154  
00:08:06,140 --> 00:08:03,660  
the defense training estate which is a

155  
00:08:09,710 --> 00:08:06,150  
Ministry of Defense property which is

156  
00:08:12,110 --> 00:08:09,720  
basically used as a training center for

157  
00:08:14,990 --> 00:08:12,120  
soldiers and it's a very large area

158  
00:08:17,930 --> 00:08:15,000  
hundreds of square miles and a lot of

159  
00:08:20,300 --> 00:08:17,940  
the UFO skeptics they they basically say

160  
00:08:22,640 --> 00:08:20,310  
the thing is nothing more than activity

161  
00:08:24,800 --> 00:08:22,650  
at that location

162  
00:08:26,930 --> 00:08:24,810  
basically as flares there's trace of

163  
00:08:29,060 --> 00:08:26,940

fire from weapons there's loud noisy

164

00:08:31,310 --> 00:08:29,070

CITIC stares like the explosions which

165

00:08:33,440 --> 00:08:31,320

is what that woman heard she just all

166

00:08:35,960 --> 00:08:33,450

she was just exploding ordnance from the

167

00:08:38,030 --> 00:08:35,970

defense training estate its helicopters

168

00:08:39,830 --> 00:08:38,040

another strange aircraft which is

169

00:08:42,440 --> 00:08:39,840

basically what people were seeing in the

170

00:08:45,380 --> 00:08:42,450

sky but I mean them people who live in

171

00:08:47,060 --> 00:08:45,390

that area they pretty quickly get to

172

00:08:48,290 --> 00:08:47,070

know these things I mean Kevin Kevin

173

00:08:51,440 --> 00:08:48,300

made this point when he was speaking to

174

00:08:53,240 --> 00:08:51,450

me they they're familiar with these

175

00:08:56,930 --> 00:08:53,250

sites it's not it's not like these

176

00:08:58,760 --> 00:08:56,940

things just appeared overnight war

177

00:09:00,710 --> 00:08:58,770

ministers right next to the defense

178

00:09:03,530 --> 00:09:00,720

Trading Estate and knows exactly the

179

00:09:05,690 --> 00:09:03,540

people they're used to the normal things

180

00:09:08,060 --> 00:09:05,700

in the sky this was no doubt is highly

181

00:09:09,740 --> 00:09:08,070

unusual and the people in the town and

182

00:09:12,050 --> 00:09:09,750

all of them understood that it was

183

00:09:13,460 --> 00:09:12,060

something highly unusual other what and

184

00:09:16,300 --> 00:09:13,470

otherwise it would not have actually

185

00:09:18,950 --> 00:09:16,310

reacted the way I did the the actual

186

00:09:20,450 --> 00:09:18,960

1995 town hall meeting was so packed out

187

00:09:21,380 --> 00:09:20,460

people had to stand outside because

188

00:09:22,220 --> 00:09:21,390

there weren't enough room for everyone

189

00:09:25,520 --> 00:09:22,230

in the Town Hall

190

00:09:28,990 --> 00:09:25,530

now there were there was other odd

191

00:09:30,680 --> 00:09:29,000

phenomena reported I mean you mentioned

192

00:09:32,300 --> 00:09:30,690

invisible beings I know

193

00:09:34,490 --> 00:09:32,310

Arthur shuttle would tell me while I

194

00:09:37,879 --> 00:09:34,500

when I was there that he could actually

195

00:09:40,970 --> 00:09:37,889

hear the sound of somebody like

196

00:09:42,920 --> 00:09:40,980

trampling through the the brush near

197

00:09:44,660 --> 00:09:42,930

where he was standing and he wasn't the

198

00:09:48,980 --> 00:09:44,670

only person to hear this and they also

199

00:09:51,050 --> 00:09:48,990

even saw the the brushin and the and the

200

00:09:53,600 --> 00:09:51,060

terrain actually moved as if somebody

201  
00:09:55,879 --> 00:09:53,610  
was walking along there and apparently

202  
00:09:58,999 --> 00:09:55,889  
it was that they did at one point see

203  
00:10:02,240 --> 00:09:59,009  
the outline of a very tall figure and

204  
00:10:06,920 --> 00:10:02,250  
they estimated it to be probably around

205  
00:10:10,220 --> 00:10:06,930  
seven feet tall then they also had the

206  
00:10:11,900 --> 00:10:10,230  
phenomena of missing time now not

207  
00:10:14,420 --> 00:10:11,910  
missing time in the sense that people

208  
00:10:16,550 --> 00:10:14,430  
were being abducted although that did

209  
00:10:18,319 --> 00:10:16,560  
happen to my friend Arthur shuttle would

210  
00:10:21,230 --> 00:10:18,329  
they reported that there was all sorts

211  
00:10:25,189 --> 00:10:21,240  
of weird phenomenon with their watches

212  
00:10:28,069 --> 00:10:25,199  
and their clocks at home so that they

213  
00:10:30,650 --> 00:10:28,079

were missing time in the sense that time

214

00:10:33,079 --> 00:10:30,660

was going backward and and forward I

215

00:10:37,040 --> 00:10:33,089

mean it was just a whole it wasn't just

216

00:10:39,199 --> 00:10:37,050

author and in some you know UFO wannabes

217

00:10:41,689 --> 00:10:39,209

or UFO buffs it would it was the local

218

00:10:44,900 --> 00:10:41,699

banker it was the postmaster I mean

219

00:10:46,699 --> 00:10:44,910

these were a people of a pretty high you

220

00:10:50,300 --> 00:10:46,709

know caliber they weren't the type of

221

00:10:53,120 --> 00:10:50,310

people to have made any of this up in

222

00:10:55,400 --> 00:10:53,130

fact you know Arthur started out as a

223

00:10:58,850 --> 00:10:55,410

skeptic on this he like I said was a

224

00:11:01,490 --> 00:10:58,860

pretty typical journalist I don't think

225

00:11:03,559 --> 00:11:01,500

he never reported on a UFO sighting in

226

00:11:05,389 --> 00:11:03,569

his life and it firstly kind of a

227

00:11:07,519 --> 00:11:05,399

discredited or poo-pooed the whole

228

00:11:09,110 --> 00:11:07,529

phenomena but then as more and more

229

00:11:11,540 --> 00:11:09,120

people started getting in touch with him

230

00:11:13,910 --> 00:11:11,550

at the newspaper he went out and he

231

00:11:17,360 --> 00:11:13,920

started seeing these things in the sky

232

00:11:18,949 --> 00:11:17,370

for himself and plenty of photo of

233

00:11:22,129 --> 00:11:18,959

course you you guys would have to agree

234

00:11:26,360 --> 00:11:22,139

plenty of photographic evidence there

235

00:11:29,900 --> 00:11:26,370

was a fellow there who I met his name

236

00:11:33,769 --> 00:11:29,910

was Bob strong he was a retired RAF

237

00:11:38,240 --> 00:11:33,779

fighter pilot and this guy had six or

238

00:11:39,860 --> 00:11:38,250

seven photo albums full of UFO photos he

239

00:11:42,110 --> 00:11:39,870

would take his tripod and he would mount

240

00:11:43,460 --> 00:11:42,120

it on the top of the you know his car

241

00:11:44,540 --> 00:11:43,470

and they'd go out to you know star

242

00:11:47,449 --> 00:11:44,550

healer

243

00:11:49,790 --> 00:11:47,459

cradle hill and all these weird objects

244

00:11:52,490 --> 00:11:49,800

some of that look like giant bats some

245

00:11:54,530 --> 00:11:52,500

look like trains some look like hula

246

00:11:57,949 --> 00:11:54,540

hoops I mean you name it and he

247

00:11:59,840 --> 00:11:57,959

photographed it unfortunately he had all

248

00:12:02,180 --> 00:11:59,850

these kind people would come by and say

249

00:12:04,490 --> 00:12:02,190

geez you know Bob I'd really like to

250

00:12:06,889 --> 00:12:04,500

make a copy of that photograph and then

251  
00:12:10,460 --> 00:12:06,899  
you know what happens then you never see

252  
00:12:13,970 --> 00:12:10,470  
the picture again hmm and so so a lot of

253  
00:12:16,430 --> 00:12:13,980  
the photographs that he took had vet by

254  
00:12:19,160 --> 00:12:16,440  
time I got there in the early 1980s had

255  
00:12:21,320 --> 00:12:19,170  
completely vanished which was

256  
00:12:23,810 --> 00:12:21,330  
unfortunate but he did it he did have uh

257  
00:12:26,780 --> 00:12:23,820  
some to show me and some of which we've

258  
00:12:29,019 --> 00:12:26,790  
published in the in the various books

259  
00:12:31,730 --> 00:12:29,029  
and articles that we've put out on

260  
00:12:34,790 --> 00:12:31,740  
warminster and and so I did have a

261  
00:12:36,769 --> 00:12:34,800  
sighting there I I'm back I was invited

262  
00:12:39,590 --> 00:12:36,779  
by my friend the Earl of clan carny

263  
00:12:43,190 --> 00:12:39,600

Brinsley Laporte Trent to speak to with

264

00:12:45,860 --> 00:12:43,200

this UFO group that was that they had

265

00:12:48,860 --> 00:12:45,870

set up at the House of Lords an official

266

00:12:51,740 --> 00:12:48,870

UFO group but now I took the train out

267

00:12:53,840 --> 00:12:51,750

to warminster and went out with Arthur

268

00:12:55,639 --> 00:12:53,850

and a couple of other people and sure

269

00:12:57,500 --> 00:12:55,649

enough come along about 10 o'clock at

270

00:12:59,810 --> 00:12:57,510

night here's this object high up in the

271

00:13:02,720 --> 00:12:59,820

sky kind of blinking and flashing and

272

00:13:05,650 --> 00:13:02,730

bobbing and weaving and Arthur went to

273

00:13:08,150 --> 00:13:05,660

the trunk of his car and came out with

274

00:13:10,400 --> 00:13:08,160

he called it a flashlight but this was a

275

00:13:12,260 --> 00:13:10,410

huge torch light and blinked at the

276

00:13:15,250 --> 00:13:12,270

object blink blink blink blink and

277

00:13:18,560 --> 00:13:15,260

the object seemed to maneuver in the sky

278

00:13:20,600 --> 00:13:18,570

pretty much in response to his blinking

279

00:13:22,340 --> 00:13:20,610

the torch light added and then he gave

280

00:13:24,590 --> 00:13:22,350

the torch light to me and I blinked it

281

00:13:28,310 --> 00:13:24,600

blink blink blink blink and and

282

00:13:31,160 --> 00:13:28,320

sure enough it seemed to bob and weave

283

00:13:34,100 --> 00:13:31,170

as if responding to my trying to

284

00:13:36,319 --> 00:13:34,110

communicate with it and we watched the

285

00:13:38,900 --> 00:13:36,329

object I would say for a good 10 minutes

286

00:13:41,360 --> 00:13:38,910

or so and then the cloud covering came

287

00:13:45,260 --> 00:13:41,370

and it started to rain and we freaked

288

00:13:47,060 --> 00:13:45,270

out and left not because of the year not

289

00:13:47,389 --> 00:13:47,070

because of the UFO but because of the

290

00:13:51,800 --> 00:13:47,399

weather

291

00:13:54,620 --> 00:13:51,810

a typical Britain and but we did we did

292

00:13:57,890 --> 00:13:54,630

have a not only saw the UFO now by this

293

00:14:00,380 --> 00:13:57,900

time though there were no crowds

294

00:14:04,700 --> 00:14:00,390

I mean the crowds had vanished I guess

295

00:14:06,140 --> 00:14:04,710

it's at some point would you say Steve's

296

00:14:17,079 --> 00:14:06,150

that there were there were groups of

297

00:14:21,500 --> 00:14:19,820

yeah I I know that they they claimed

298

00:14:25,370 --> 00:14:21,510

that there were quite a few celebrities

299

00:14:27,130 --> 00:14:25,380

like David Bowie Mick Jagger that went

300

00:14:30,140 --> 00:14:27,140

up there and had UFO sightings

301  
00:14:33,440 --> 00:14:30,150  
themselves I guess it was the the place

302  
00:14:35,420 --> 00:14:33,450  
to to be and I don't think that anybody

303  
00:14:39,560 --> 00:14:35,430  
was really disappointed I don't suppose

304  
00:14:40,970 --> 00:14:39,570  
there were sightings you know every

305  
00:14:44,450 --> 00:14:40,980  
night of the week but enough to keep

306  
00:14:46,490 --> 00:14:44,460  
everybody's appetite wet and and coming

307  
00:14:50,810 --> 00:14:46,500  
in you know coming back to see what they

308  
00:14:52,670 --> 00:14:50,820  
might now Tim had you read up on the

309  
00:14:55,850 --> 00:14:52,680  
subject I mean were you familiar with it

310  
00:14:58,280 --> 00:14:55,860  
before our interview tonight our

311  
00:15:00,350 --> 00:14:58,290  
conversation oh definitely definitely I

312  
00:15:06,800 --> 00:15:00,360  
mean you know the the war minister thing

313  
00:15:09,260 --> 00:15:06,810

had I think I read about it very early

314

00:15:12,320 --> 00:15:09,270

on and that's one of the things that I'm

315

00:15:15,290 --> 00:15:12,330

curious about and maybe maybe somebody

316

00:15:18,470 --> 00:15:15,300

can answer this is had there been any

317

00:15:20,900 --> 00:15:18,480

other kind of activity in that area

318

00:15:23,570 --> 00:15:20,910

before the initial flap you know what

319

00:15:26,269 --> 00:15:23,580

started in what was at 62 63 something

320

00:15:31,130 --> 00:15:26,279

like that I mean or did all of this just

321

00:15:35,000 --> 00:15:31,140

kind of just explode out of nowhere you

322

00:15:39,260 --> 00:15:35,010

know I'm looking at a an article posted

323

00:15:41,420 --> 00:15:39,270

on Kevin Goodman's page on Facebook

324

00:15:44,720 --> 00:15:41,430

which everybody should actually go to

325

00:15:48,250 --> 00:15:44,730

and read up on this and he says that the

326

00:15:52,070 --> 00:15:48,260

the actual first sighting was May 19

327

00:15:54,680 --> 00:15:52,080

1965 the report came in to Arthur

328

00:15:58,699 --> 00:15:54,690

shuttleworth from Hilda a lady by the

329

00:16:00,350 --> 00:15:58,709

name of Hilda hedge bridge who informed

330

00:16:02,420 --> 00:16:00,360

shuttle would that three times during

331

00:16:06,470 --> 00:16:02,430

the week she saw unusual objects in the

332

00:16:10,100 --> 00:16:06,480

sky she first related this to the fleet

333

00:16:12,139 --> 00:16:10,110

street you have UFO a group who passed

334

00:16:14,470 --> 00:16:12,149

the information on to

335

00:16:16,879 --> 00:16:14,480

shuttle would I don't know how

336

00:16:20,960 --> 00:16:16,889

spectacular the the sightings were but I

337

00:16:24,139 --> 00:16:20,970

I think they did grow in intensity as

338

00:16:27,620 --> 00:16:24,149

the weeks passed that I guess it almost

339

00:16:30,470 --> 00:16:27,630

seems as if they were trying to get the

340

00:16:32,810 --> 00:16:30,480

attention of people I mean in MO in most

341

00:16:34,699 --> 00:16:32,820

UFO sightings you know an object appears

342

00:16:37,400 --> 00:16:34,709

and then it disappears maybe you might

343

00:16:38,990 --> 00:16:37,410

have a flap that lasts for a few days or

344

00:16:42,650 --> 00:16:39,000

a week at the most

345

00:16:45,460 --> 00:16:42,660

but this was persistent on a regular

346

00:16:48,019 --> 00:16:45,470

basis for like I say probably close to a

347

00:16:50,030 --> 00:16:48,029

decades there were books written on the

348

00:16:53,660 --> 00:16:50,040

subject books still being written on the

349

00:16:58,490 --> 00:16:53,670

the subject hundreds if not thousands of

350

00:17:01,790 --> 00:16:58,500

UFO sightings was there ever a been

351

00:17:03,920 --> 00:17:01,800

anything issued about the the flap over

352

00:17:07,370 --> 00:17:03,930

war of warminster by the minister of

353

00:17:10,130 --> 00:17:07,380

defense ministry that's not to my

354

00:17:12,409 --> 00:17:10,140

knowledge I mean there was as you refer

355

00:17:14,630 --> 00:17:12,419

to the House of Lords I know that soon

356

00:17:16,939 --> 00:17:14,640

that the atom of the Admiral of the

357

00:17:21,530 --> 00:17:16,949

fleet Lord Hill Norton who was actually

358

00:17:23,179 --> 00:17:21,540

a chairman of the very he's most

359

00:17:24,890 --> 00:17:23,189

seasoned man in charge base in charge of

360

00:17:26,809 --> 00:17:24,900

the UK armed forces and he was on the

361

00:17:28,309 --> 00:17:26,819

organizing committee for NATO he

362

00:17:29,900 --> 00:17:28,319

commanded a ship during the Battle of

363

00:17:32,570 --> 00:17:29,910

the Atlantic in world war ii he's very

364

00:17:34,909 --> 00:17:32,580

high-level man some not some loony and

365

00:17:37,130 --> 00:17:34,919

he was very very keen on the idea of

366

00:17:38,720 --> 00:17:37,140

this should be taken seriously the whole

367

00:17:41,090 --> 00:17:38,730

UFO phenomenon should be taken seriously

368

00:17:43,580 --> 00:17:41,100

everywhere and he I think he was aware

369

00:17:45,049 --> 00:17:43,590

of the war minister thing and I mean you

370

00:17:47,409 --> 00:17:45,059

spoke to him yourself you met the man

371

00:17:50,930 --> 00:17:47,419

and he passed away now sadly

372

00:17:53,120 --> 00:17:50,940

it's what what strikes me is it's the

373

00:17:56,360 --> 00:17:53,130

warminster things very very similar to

374

00:17:57,980 --> 00:17:56,370

the Mothman phenomena of West in your

375

00:17:59,539 --> 00:17:57,990

part of the world where you know we're

376

00:18:00,830 --> 00:17:59,549

going to be breaking away for a couple

377

00:18:14,529 --> 00:18:00,840

of minutes and then we're going to come

378

00:18:21,259 --> 00:18:18,680

now back to exploring the bazaars with

379

00:18:24,560 --> 00:18:21,269

two of the most electrifying researchers

380

00:18:33,350 --> 00:18:24,570

in the Paranoid your hosts Timothy Becca

381

00:18:36,019 --> 00:18:33,360

Lee and ting Swartz and we are back

382

00:18:40,310 --> 00:18:36,029

tonight talking about the warminster

383

00:18:42,680 --> 00:18:40,320

thing and Steve wills we have little a

384

00:18:44,480 --> 00:18:42,690

little trouble with your connection

385

00:18:45,950 --> 00:18:44,490

first half hour of the show but I think

386

00:18:48,769 --> 00:18:45,960

we've got that fixed you're sounding a

387

00:18:52,009 --> 00:18:48,779

lot better now so let's let's continue

388

00:18:55,039 --> 00:18:52,019

this conversation I wouldn't ask you

389

00:18:56,659 --> 00:18:55,049

what got you interested in the

390

00:19:00,230 --> 00:18:56,669

warminster thing or you know maybe just

391

00:19:04,190 --> 00:19:00,240

a whole UFO phenomenon in general well I

392

00:19:06,500 --> 00:19:04,200

mean for me personally obviously when

393

00:19:08,840 --> 00:19:06,510

the height of the the thing or the

394

00:19:11,990 --> 00:19:08,850

womans the phenomena I was a little bit

395

00:19:15,490 --> 00:19:12,000

too young I mean I was about when I was

396

00:19:18,110 --> 00:19:15,500

13 in about 1983 there was a series of

397

00:19:21,350 --> 00:19:18,120

magazines that came out with been might

398

00:19:24,830 --> 00:19:21,360

be aware of called the unexplained now

399

00:19:26,870 --> 00:19:24,840

these were a magazine is a I think it

400

00:19:29,930 --> 00:19:26,880

was fortnightly published

401

00:19:32,120 --> 00:19:29,940

might even be monthly but it bill up

402

00:19:35,029 --> 00:19:32,130

over over the weeks and months and then

403

00:19:37,970 --> 00:19:35,039

of course this covered all also a 40 and

404

00:19:41,450 --> 00:19:37,980

a sort of things from spontaneous human

405

00:19:44,090 --> 00:19:41,460

combustion to ghosts to UFOs the whole

406

00:19:46,639 --> 00:19:44,100

things are yeah that's what initially

407

00:19:49,549 --> 00:19:46,649

got me into it and later on I obviously

408

00:19:52,610 --> 00:19:49,559

picked up books regarding warminster in

409

00:19:54,680 --> 00:19:52,620

particularly but yeah I mean that that's

410

00:19:56,810 --> 00:19:54,690

where it I'm sort of started for me just

411

00:20:00,799 --> 00:19:56,820

an interest of reading the books and

412

00:20:03,830 --> 00:20:00,809

magazines published at the time yeah you

413

00:20:06,919 --> 00:20:03,840

know they actually here in the here in

414

00:20:10,810 --> 00:20:06,929

the United States they actually made a

415

00:20:18,009 --> 00:20:10,820

series of books from those magazines oh

416

00:20:21,019 --> 00:20:18,019

yes in the US okay yeah yeah so I mean I

417

00:20:21,680 --> 00:20:21,029

used to write I may still have a few

418

00:20:23,779 --> 00:20:21,690

years

419

00:20:25,279 --> 00:20:23,789

shoes by the time I was old enough to be

420

00:20:26,990 --> 00:20:25,289

able to find them they were already out

421

00:20:29,570 --> 00:20:27,000

of print but I got him on you know I can

422

00:20:35,049 --> 00:20:29,580

use bookstores and and and things like

423

00:20:37,999 --> 00:20:35,059

that so with the warminster thing now

424

00:20:41,330 --> 00:20:38,009

the the first reports that started

425

00:20:43,430 --> 00:20:41,340

coming in dealt rather with a with a

426  
00:20:45,289 --> 00:20:43,440  
strange sound that people were hurried

427  
00:20:47,230 --> 00:20:45,299  
rather than people seeing things flying

428  
00:20:49,159 --> 00:20:47,240  
around on the sky am I correct on that

429  
00:20:51,409 --> 00:20:49,169  
yeah that's right I mean there was a

430  
00:20:54,490 --> 00:20:51,419  
whole host of sounds that started in

431  
00:20:58,430 --> 00:20:54,500  
1964 around the Christmas time

432  
00:21:00,289 --> 00:20:58,440  
incidentally yeah people would say that

433  
00:21:03,710 --> 00:21:00,299  
you know the the sound of their roofs

434  
00:21:06,499 --> 00:21:03,720  
would collapsing or the the roof tiles

435  
00:21:09,799 --> 00:21:06,509  
are being lifted or something was being

436  
00:21:13,669 --> 00:21:09,809  
scraped across the surface of the roof

437  
00:21:16,730 --> 00:21:13,679  
in some cases there was no it sounded

438  
00:21:19,279 --> 00:21:16,740

like the roof the chimney stack was

439

00:21:21,740 --> 00:21:19,289

falling in for people to go outside and

440

00:21:22,810 --> 00:21:21,750

you know to say that nothing had

441

00:21:25,810 --> 00:21:22,820

happened so it is almost like a

442

00:21:28,580 --> 00:21:25,820

trickster element to some of this stuff

443

00:21:31,700 --> 00:21:28,590

hmm well now uh what's what people

444

00:21:37,639 --> 00:21:31,710

started seeing the actual UFOs were they

445

00:21:41,539 --> 00:21:37,649

still hearing the sound same oh man I

446

00:21:44,749 --> 00:21:41,549

think it's how the a lot of people ask

447

00:21:47,960 --> 00:21:44,759

how you know that the phrasing was

448

00:21:50,119 --> 00:21:47,970

coined that the thing I mean I I I kind

449

00:21:53,210 --> 00:21:50,129

of believe it was because in the first

450

00:21:56,060 --> 00:21:53,220

edition of the strange sounds that

451  
00:21:57,769 --> 00:21:56,070  
people who were here in it was a kind of

452  
00:22:02,240 --> 00:21:57,779  
ambiguous and I think that then later on

453  
00:22:06,379 --> 00:22:02,250  
rolled out to the UFOs UFO sightings as

454  
00:22:08,629 --> 00:22:06,389  
well but yeah I think I think I think

455  
00:22:10,879 --> 00:22:08,639  
there was one woman who actually heard

456  
00:22:13,509 --> 00:22:10,889  
the sound and saw what she described as

457  
00:22:16,159 --> 00:22:13,519  
a ball of light in conjunction with it

458  
00:22:18,740 --> 00:22:16,169  
yeah so I think the sounds are heard for

459  
00:22:22,249 --> 00:22:18,750  
five four to five months prior to the

460  
00:22:24,230 --> 00:22:22,259  
UFO sightings I think that's kind of

461  
00:22:27,740 --> 00:22:24,240  
generally accepted and then from there

462  
00:22:29,680 --> 00:22:27,750  
on him these people were were seeing you

463  
00:22:33,409 --> 00:22:29,690

know all these saw strange sort of

464

00:22:35,660 --> 00:22:33,419

elliptical shapes cigar shapes and you

465

00:22:38,660 --> 00:22:35,670

know and these orange balls of light we

466

00:22:47,690 --> 00:22:38,670

Arthur cleaned the phrase of amber

467

00:22:51,830 --> 00:22:47,700

gamblers that's a good name what about

468

00:22:56,060 --> 00:22:51,840

patterns I mean were there any any kind

469

00:22:57,950 --> 00:22:56,070

of patterns to these sightings you know

470

00:22:59,840 --> 00:22:57,960

like people see them you know especially

471

00:23:01,420 --> 00:22:59,850

on Wednesday nights or you know

472

00:23:04,850 --> 00:23:01,430

something along those lines

473

00:23:08,450 --> 00:23:04,860

what Wednesday not the old John keel

474

00:23:13,100 --> 00:23:08,460

sort of premise and I think they were

475

00:23:15,320 --> 00:23:13,110

pretty spread really evenly spread but a

476

00:23:18,200 --> 00:23:15,330

lot of the initial sightings were

477

00:23:20,990 --> 00:23:18,210

actually seen across the town as opposed

478

00:23:24,380 --> 00:23:21,000

to you know going out to the hills I

479

00:23:26,780 --> 00:23:24,390

think Arthur's the one in kind of first

480

00:23:29,480 --> 00:23:26,790

going to you know the whole sky watching

481

00:23:33,710 --> 00:23:29,490

thing in fact I think pretty much UK

482

00:23:37,100 --> 00:23:33,720

gets its sky watching context from

483

00:23:39,049 --> 00:23:37,110

probably people like after Sherwood will

484

00:23:41,419 --> 00:23:39,059

actually kind of took to the hills

485

00:23:43,520 --> 00:23:41,429

around warminster but you know it when

486

00:23:47,660 --> 00:23:43,530

we look at the phenomena we have the

487

00:23:50,240 --> 00:23:47,670

initial sort of 64 spraying sounds which

488

00:23:55,430 --> 00:23:50,250

then kind of went into the UFO sightings

489

00:23:58,100 --> 00:23:55,440

of 65 66 by that time there was you know

490

00:23:59,980 --> 00:23:58,110

a real premise of sky watching from the

491

00:24:02,390 --> 00:23:59,990

hills and therefore a lot of the

492

00:24:05,270 --> 00:24:02,400

sightings for Mehran in a wall from

493

00:24:08,690 --> 00:24:05,280

these kind of points of clay clay Hale

494

00:24:12,080 --> 00:24:08,700

Cradle Hill or Starr Hill battles burry

495

00:24:14,990 --> 00:24:12,090

and Lourdes Hill yeah that's where a lot

496

00:24:17,870 --> 00:24:15,000

of this or second second wave of

497

00:24:23,299 --> 00:24:17,880

sightings was seen if you like mm-hmm

498

00:24:28,100 --> 00:24:23,309

you are now nowadays people a lot of

499

00:24:32,630 --> 00:24:28,110

times associate UFO sightings with being

500

00:24:34,430 --> 00:24:32,640

close to two military bases was that was

501  
00:24:35,690 --> 00:24:34,440  
that taken into consideration there at

502  
00:24:37,760 --> 00:24:35,700  
the time I mean not so much by the

503  
00:24:38,930 --> 00:24:37,770  
skeptics you know saying that yeah the

504  
00:24:41,390 --> 00:24:38,940  
you know people were just seeing you

505  
00:24:43,700 --> 00:24:41,400  
know things going on but I mean did did

506  
00:24:45,200 --> 00:24:43,710  
you know anyone there in Warminster you

507  
00:24:47,180 --> 00:24:45,210  
know consider that there may have been a

508  
00:24:48,200 --> 00:24:47,190  
connection with all this in the the

509  
00:24:51,019 --> 00:24:48,210  
military base

510  
00:24:54,320 --> 00:24:51,029  
well yeah I mean as I think been said

511  
00:24:57,649 --> 00:24:54,330  
earlier on I mean warminster is right on

512  
00:24:59,930 --> 00:24:57,659  
the cusp of the souls be plane which is

513  
00:25:05,359 --> 00:24:59,940

the British Army's too kind of proven

514

00:25:08,570 --> 00:25:05,369

and training ground right right up near

515

00:25:10,909 --> 00:25:08,580

cradle here is sits the land warfare

516

00:25:13,669 --> 00:25:10,919

Center which was previously known as the

517

00:25:15,940 --> 00:25:13,679

school of infantry and as you say if you

518

00:25:21,440 --> 00:25:15,950

go on there certain nights you can see

519

00:25:24,109 --> 00:25:21,450

Flair's tracer fire you know new visits

520

00:25:27,470 --> 00:25:24,119

you know the army conducting different

521

00:25:31,940 --> 00:25:27,480

exercises and the like but yeah pretty

522

00:25:34,700 --> 00:25:31,950

much the local people kind of know if

523

00:25:37,220 --> 00:25:34,710

you like you know what's what people but

524

00:25:39,560 --> 00:25:37,230

I mean like say I'm pretty sure some of

525

00:25:42,859 --> 00:25:39,570

that stuff could be accounted I mean you

526

00:25:44,570 --> 00:25:42,869

know you know it's you know some of even

527

00:25:46,669 --> 00:25:44,580

some of the earliest set in these

528

00:25:49,190 --> 00:25:46,679

satellites of the sort of 60s passing

529

00:25:51,710 --> 00:25:49,200

you know yeah I think you know there

530

00:25:54,139 --> 00:25:51,720

must have been a prosaic explanation for

531

00:25:56,509 --> 00:25:54,149

some of it but you know I think there's

532

00:25:58,940 --> 00:25:56,519

one woman described it she saw what she

533

00:26:01,310 --> 00:25:58,950

described as a railway carriage in the

534

00:26:03,409 --> 00:26:01,320

sky now I don't know anything what the

535

00:26:07,159 --> 00:26:03,419

Army's got or any of the military which

536

00:26:10,779 --> 00:26:07,169

could account for that you know well

537

00:26:13,730 --> 00:26:10,789

yeah it's it's hard to say sometimes

538

00:26:17,060 --> 00:26:13,740

what the military may have up well well

539

00:26:19,759 --> 00:26:17,070

I saw some of those photographs that bob

540

00:26:21,769 --> 00:26:19,769

stronger took and there were a couple of

541

00:26:24,889 --> 00:26:21,779

them that looked like trains in the sky

542

00:26:26,899 --> 00:26:24,899

no doubt about it now undoubtedly some

543

00:26:29,180 --> 00:26:26,909

were taken on their you know time-lapse

544

00:26:31,310 --> 00:26:29,190

with time-lapse photography so I

545

00:26:33,080 --> 00:26:31,320

couldn't tell ya you know it's it's kind

546

00:26:34,999 --> 00:26:33,090

of hard hard to judge with having

547

00:26:37,970 --> 00:26:35,009

without having the photographer here to

548

00:26:39,739 --> 00:26:37,980

ask you know important questions but I

549

00:26:42,859 --> 00:26:39,749

had another thing it's just dawn let me

550

00:26:45,710 --> 00:26:42,869

happen to me okay so I had the siding

551  
00:26:47,899 --> 00:26:45,720  
and and we watched like I say this

552  
00:26:51,019 --> 00:26:47,909  
object seemingly maneuver above our

553  
00:26:52,789 --> 00:26:51,029  
heads in the sky now you know it wasn't

554  
00:26:55,909 --> 00:26:52,799  
it wasn't very large I mean I would say

555  
00:26:56,989 --> 00:26:55,919  
that it was a size of maybe a basketball

556  
00:27:00,139 --> 00:26:56,999  
or something but there's no way to

557  
00:27:01,790 --> 00:27:00,149  
determine how high up it really was okay

558  
00:27:04,580 --> 00:27:01,800  
so I took some photos

559  
00:27:06,530 --> 00:27:04,590  
now none of the object because I knew

560  
00:27:08,690 --> 00:27:06,540  
that that wasn't gonna come out but

561  
00:27:11,750 --> 00:27:08,700  
there was a lady there I believe from

562  
00:27:14,060 --> 00:27:11,760  
Scotland who was visiting if she had

563  
00:27:15,620 --> 00:27:14,070

come out on her own sky watch while her

564

00:27:16,820 --> 00:27:15,630

husband sat in the car because he was a

565

00:27:19,010 --> 00:27:16,830

disbeliever and didn't want to get

566

00:27:21,080 --> 00:27:19,020

involved and it turned out she was so

567

00:27:23,480 --> 00:27:21,090

surprised them to me she knew who I was

568

00:27:25,340 --> 00:27:23,490

and that she of course knew who Arthur

569

00:27:28,160 --> 00:27:25,350

shuttle would wasn't he he hadn't been

570

00:27:29,990 --> 00:27:28,170

out there neither had the Bob strong for

571

00:27:32,810 --> 00:27:30,000

I guess quite a while but since I was

572

00:27:34,730 --> 00:27:32,820

all the way from the the States they

573

00:27:36,200 --> 00:27:34,740

decided you know to take me and of

574

00:27:38,440 --> 00:27:36,210

course we were lucky enough to have this

575

00:27:42,980 --> 00:27:38,450

sighting okay so I took some photographs

576  
00:27:44,540 --> 00:27:42,990  
in the complete darkness and when the

577  
00:27:50,080 --> 00:27:44,550  
photographs they were slides were

578  
00:27:53,030 --> 00:27:50,090  
developed on the last two slides behind

579  
00:27:54,530 --> 00:27:53,040  
the the woman and I think Arthur or

580  
00:27:56,110 --> 00:27:54,540  
maybe was a woman and her husband if he

581  
00:28:01,910 --> 00:27:56,120  
had gotten out of the car by that time

582  
00:28:03,110 --> 00:28:01,920  
were these zigzag lines somewhere in the

583  
00:28:04,730 --> 00:28:03,120  
sky in the background

584  
00:28:07,220 --> 00:28:04,740  
you couldn't tell how far away they were

585  
00:28:11,920 --> 00:28:07,230  
anything but I've seen this same kind of

586  
00:28:14,330 --> 00:28:11,930  
pattern and photographs that other

587  
00:28:18,050 --> 00:28:14,340  
individuals contactees and silent

588  
00:28:20,720 --> 00:28:18,060

contactees have taken like Stella

589

00:28:23,090 --> 00:28:20,730

Lansing Tim you know took all these

590

00:28:25,220 --> 00:28:23,100

weird well you know I can't find the

591

00:28:27,740 --> 00:28:25,230

color slides now of course I like I say

592

00:28:29,960 --> 00:28:27,750

this was in the early 1980s and I have

593

00:28:31,580 --> 00:28:29,970

no doubt no idea where they are I did

594

00:28:32,780 --> 00:28:31,590

print one of them I know in the black

595

00:28:34,520 --> 00:28:32,790

and white but I can't even tell you

596

00:28:37,310 --> 00:28:34,530

where that is but that was another

597

00:28:40,400 --> 00:28:37,320

strange event that kind of culminated

598

00:28:42,050 --> 00:28:40,410

the the night so there were all kinds of

599

00:28:45,350 --> 00:28:42,060

strange things that were being seen in

600

00:28:47,810 --> 00:28:45,360

the in the sky but anyway were there any

601  
00:28:50,780 --> 00:28:47,820  
patterns I mean as far as the days of

602  
00:28:53,050 --> 00:28:50,790  
the week or or when they were at the

603  
00:28:56,860 --> 00:28:53,060  
times at night when they might appear

604  
00:29:07,000 --> 00:28:56,870  
I'm just one thing I feel like I said to

605  
00:29:10,040 --> 00:29:07,010  
Tim the other Tim like he had him too I

606  
00:29:11,480 --> 00:29:10,050  
think of a pretty year you know broad

607  
00:29:15,230 --> 00:29:11,490  
really I don't think there was any

608  
00:29:15,619 --> 00:29:15,240  
specific all other than was seen you

609  
00:29:20,590 --> 00:29:15,629  
know

610  
00:29:24,619 --> 00:29:20,600  
in the sky is after we describe them

611  
00:29:26,869 --> 00:29:24,629  
lits yeah so that yeah most of them

612  
00:29:29,299 --> 00:29:26,879  
would have been at night nocturnal ones

613  
00:29:30,979 --> 00:29:29,309

but yeah I mean I think it was quite an

614

00:29:33,049 --> 00:29:30,989

even spread really in terms of the

615

00:29:36,649 --> 00:29:33,059

sightings and we've seen in the daytime

616

00:29:39,080 --> 00:29:36,659

I'm not sure about days of the week in

617

00:29:41,180 --> 00:29:39,090

particular yeah that would probably be

618

00:29:43,729 --> 00:29:41,190

meaningless anyway because if you had a

619

00:29:45,590 --> 00:29:43,739

thousand sightings one one hour in one

620

00:29:47,869 --> 00:29:45,600

day is going to show up Nord anything

621

00:29:49,820 --> 00:29:47,879

else I never considered even John keels

622

00:29:51,979 --> 00:29:49,830

thing Wednesday night at nine o'clock to

623

00:29:54,200 --> 00:29:51,989

be too much of a pattern I mean because

624

00:29:55,339 --> 00:29:54,210

of some hour there's got to be more

625

00:29:58,549 --> 00:29:55,349

sightings than the other if you're

626

00:30:00,619 --> 00:29:58,559

accumulating hundreds of reports but

627

00:30:04,099 --> 00:30:00,629

Steve did you ever have a sighting there

628

00:30:06,889 --> 00:30:04,109

I mean yeah I mean we've seen from

629

00:30:10,549 --> 00:30:06,899

cradle he'll walk again what Arthur with

630

00:30:13,849 --> 00:30:10,559

the snipers elect light lit soar lights

631

00:30:17,210 --> 00:30:13,859

in the sky which you know a you know

632

00:30:19,580 --> 00:30:17,220

I'll buy the very kind of definition

633

00:30:21,649 --> 00:30:19,590

anomalous but I mean you know I wouldn't

634

00:30:23,690 --> 00:30:21,659

sort of Naomi sales on the maps didn't

635

00:30:27,259 --> 00:30:23,700

say that you know that was some sort of

636

00:30:29,149 --> 00:30:27,269

interplanetary craft of sorts but yes we

637

00:30:30,379 --> 00:30:29,159

see creasing source strange lights and

638

00:30:32,930 --> 00:30:30,389

it's no yeah for sure

639

00:30:33,589 --> 00:30:32,940

now I opened this up to it to both of

640

00:30:36,499 --> 00:30:33,599

you to comment

641

00:30:40,249 --> 00:30:36,509

I believe wasn't you Steve that sent me

642

00:30:43,969 --> 00:30:40,259

a video of the astronomer Patrick Moore

643

00:30:47,629 --> 00:30:43,979

is that okay yeah who apparently had it

644

00:30:49,129 --> 00:30:47,639

had a sighting and all there and nobody

645

00:30:52,849 --> 00:30:49,139

knows about it because of course he was

646

00:30:55,129 --> 00:30:52,859

you know very anti UFO very skeptical as

647

00:30:58,669 --> 00:30:55,139

far as the appearance of unexplained

648

00:31:03,259 --> 00:30:58,679

phenomena in the sky yeah I mean are

649

00:31:05,289 --> 00:31:03,269

appeared in a documentary and now can

650

00:31:09,289 --> 00:31:05,299

you speak the Newseum which was a

651  
00:31:11,899 --> 00:31:09,299  
documentary which was hosted by the yes

652  
00:31:14,659 --> 00:31:11,909  
domina british astronomer patrick moore

653  
00:31:18,649 --> 00:31:14,669  
now yeah apparently they were a punk

654  
00:31:21,109 --> 00:31:18,659  
Fadel hill and a couple of times there

655  
00:31:24,289 --> 00:31:21,119  
was a you know an object went across the

656  
00:31:27,529 --> 00:31:24,299  
top of the cops which practic more

657  
00:31:29,450 --> 00:31:27,539  
actually was there and observed now this

658  
00:31:32,930 --> 00:31:29,460  
wouldn't actually insert

659  
00:31:35,870 --> 00:31:32,940  
to the BBC documentary for whatever

660  
00:31:37,909 --> 00:31:35,880  
reason so we'll never know whatever that

661  
00:31:40,760 --> 00:31:37,919  
was a satellite which Patrick Moore

662  
00:31:46,250 --> 00:31:40,770  
contended it was or it was something a

663  
00:31:48,110 --> 00:31:46,260

little bit more exotic if you like even

664

00:31:51,139 --> 00:31:48,120

if it was something more exotic he never

665

00:31:53,990 --> 00:31:51,149

would have admitted it probably not yeah

666

00:31:56,289 --> 00:31:54,000

well now what's a Patrick Moore wasn't

667

00:31:59,510 --> 00:31:56,299

he alleged to have also have written the

668

00:32:03,350 --> 00:31:59,520

book what was it flying saucers from

669

00:32:05,630 --> 00:32:03,360

Mars yeah you all see the book and a

670

00:32:08,029 --> 00:32:05,640

pseudonym I can't remember the title of

671

00:32:10,880 --> 00:32:08,039

the book yeah Cedric's said was it

672

00:32:14,529 --> 00:32:10,890

Cedric alikum yeah that's it yes yeah

673

00:32:18,200 --> 00:32:14,539

because we have a reprint of the book

674

00:32:21,200 --> 00:32:18,210

yeah yeah of course I believe that we we

675

00:32:24,200 --> 00:32:21,210

combined that one it's a from the golden

676

00:32:26,600 --> 00:32:24,210

era of flying saucers attendant we

677

00:32:30,470 --> 00:32:26,610

combine them one with Dino crack respond

678

00:32:37,630 --> 00:32:30,480

Ian's a contact II story from South

679

00:32:40,760 --> 00:32:37,640

America and now the the photographs by

680

00:32:42,080 --> 00:32:40,770

Allingham are quite I guess you would

681

00:32:44,690 --> 00:32:42,090

say spectacular

682

00:32:47,990 --> 00:32:44,700

they resemble almost entirely Georgia

683

00:32:50,510 --> 00:32:48,000

damn skis pictures now of course UFO

684

00:32:53,180 --> 00:32:50,520

photos are fairly easy to fake even in

685

00:32:57,980 --> 00:32:53,190

those days perhaps easier to fake now

686

00:32:59,990 --> 00:32:57,990

than back in the early 1950s but the

687

00:33:04,180 --> 00:33:00,000

thing that that book had going for it

688

00:33:07,159 --> 00:33:04,190

was a photograph of a Martian right

689

00:33:10,669 --> 00:33:07,169

except that the the Martian was walking

690

00:33:14,690 --> 00:33:10,679

away from the camera so you never and it

691

00:33:16,070 --> 00:33:14,700

was and it was kind of blurred and there

692

00:33:19,760 --> 00:33:16,080

were there was there was a photograph

693

00:33:23,000 --> 00:33:19,770

release of supposedly of the author who

694

00:33:26,450 --> 00:33:23,010

didn't look like the astronomer at all

695

00:33:32,269 --> 00:33:26,460

no no yeah yeah I mean he obviously put

696

00:33:35,450 --> 00:33:32,279

a beard on somebody that's one of the

697

00:33:36,680 --> 00:33:35,460

that's one of the classic possibly a

698

00:33:40,129 --> 00:33:36,690

hoax

699

00:33:41,840 --> 00:33:40,139

contact stories I mean it's a good it's

700

00:33:43,370 --> 00:33:41,850

a good story and I think the book did

701  
00:33:46,430 --> 00:33:43,380  
very well

702  
00:33:49,250 --> 00:33:46,440  
for its time following on the heels of

703  
00:33:55,070 --> 00:33:49,260  
Georgia damn skis uh flying saucers have

704  
00:33:58,010 --> 00:33:55,080  
landed when our only uncurious gentlemen

705  
00:34:03,380 --> 00:33:58,020  
and you know either one of you can can't

706  
00:34:07,370 --> 00:34:03,390  
can answer this how long did it take for

707  
00:34:11,200 --> 00:34:07,380  
the the story to get out you know like a

708  
00:34:13,310 --> 00:34:11,210  
you know across across the nation and

709  
00:34:16,850 --> 00:34:13,320  
and then you know like the out-of-town

710  
00:34:19,850 --> 00:34:16,860  
crowd start started to show up to see

711  
00:34:22,600 --> 00:34:19,860  
for themselves well I think you know I

712  
00:34:26,180 --> 00:34:22,610  
think as I've said before I think the

713  
00:34:30,800 --> 00:34:26,190

the golden faulkner photo was pivotal in

714

00:34:34,159 --> 00:34:30,810

terms of since that photo kind of came

715

00:34:40,100 --> 00:34:34,169

out that went into the Daily Mirror

716

00:34:42,890 --> 00:34:40,110

which is a daily tabloid newspaper over

717

00:34:45,200 --> 00:34:42,900

here as soon as that kind of went into

718

00:34:46,970 --> 00:34:45,210

the into the pages of The Daily Mirror

719

00:34:50,720 --> 00:34:46,980

which they they actually printed a whole

720

00:34:53,270 --> 00:34:50,730

Center page spread about the phenomenon

721

00:34:56,480 --> 00:34:53,280

I think of actually got got the I've

722

00:34:58,670 --> 00:34:56,490

actually got the clip in here but yeah I

723

00:35:01,430 --> 00:34:58,680

think that was the pivotal point when it

724

00:35:02,810 --> 00:35:01,440

kind of the you know the UK and perhaps

725

00:35:04,490 --> 00:35:02,820

the rest of the world had sort of heard

726

00:35:06,290 --> 00:35:04,500

about the woman's the thing at that

727

00:35:12,320 --> 00:35:06,300

point they probably only heard little

728

00:35:13,910 --> 00:35:12,330

snippets here in there and I I mean are

729

00:35:17,030 --> 00:35:13,920

we talking about you know like just uh

730

00:35:18,650 --> 00:35:17,040

just a few people at a time or I mean

731

00:35:21,710 --> 00:35:18,660

did the town get overrun for a while

732

00:35:25,730 --> 00:35:21,720

well it did I mean something been said

733

00:35:28,940 --> 00:35:25,740

there on the August bank holiday over

734

00:35:32,300 --> 00:35:28,950

here in the UK there was a like an

735

00:35:34,340 --> 00:35:32,310

extraordinary me in which took place

736

00:35:36,530 --> 00:35:34,350

where the you know the local town

737

00:35:39,620 --> 00:35:36,540

councilor had to kind of allay the fears

738

00:35:41,120 --> 00:35:39,630

of the good townspeople that the you

739

00:35:52,970 --> 00:35:41,130

know the town wasn't actually being

740

00:35:56,750 --> 00:35:52,980

invaded by flying saucers well now when

741

00:35:59,300 --> 00:35:56,760

did okay so now we've gone

742

00:36:02,030 --> 00:35:59,310

from people hearing like strange noises

743

00:36:07,760 --> 00:36:02,040

in the sky and then and then started

744

00:36:11,080 --> 00:36:07,770

seeing UFOs when did people start then

745

00:36:16,310 --> 00:36:11,090

having experiences with you know like

746

00:36:18,620 --> 00:36:16,320

alleged entities well I mean the thing I

747

00:36:21,740 --> 00:36:18,630

think a lot of that came from the actual

748

00:36:23,570 --> 00:36:21,750

peep a lot of people who actually came

749

00:36:26,540 --> 00:36:23,580

to the town and you know people would

750

00:36:28,670 --> 00:36:26,550

sort of state you know stay you know for

751  
00:36:30,560 --> 00:36:28,680  
holidays so they could kind of spy watch

752  
00:36:34,340 --> 00:36:30,570  
for me you know in and around the

753  
00:36:37,340 --> 00:36:34,350  
locations I think a lot of that stuff

754  
00:36:40,130 --> 00:36:37,350  
occurred from you know the late 60s on

755  
00:36:44,620 --> 00:36:40,140  
towards the 70s for some of the kind of

756  
00:36:48,890 --> 00:36:44,630  
contact II type experiences yeah yeah

757  
00:36:51,590 --> 00:36:48,900  
well what I mean can you give us some

758  
00:36:55,670 --> 00:36:51,600  
example of you know like some of these

759  
00:37:02,660 --> 00:36:55,680  
you know and entity reports well I mean

760  
00:37:05,870 --> 00:37:02,670  
I think when Chris Trubridge he actually

761  
00:37:08,150 --> 00:37:05,880  
were alleged to have seen a you know

762  
00:37:13,160 --> 00:37:08,160  
some sort of object touching down in the

763  
00:37:16,340 --> 00:37:13,170

field not far from cradle Hill and on

764

00:37:19,700 --> 00:37:16,350

approach in there to his right hand side

765

00:37:24,500 --> 00:37:19,710

he saw what he described as a 7-foot

766

00:37:27,050 --> 00:37:24,510

tall humanoid tiny figure hmm this would

767

00:37:29,480 --> 00:37:27,060

have been who I think this is tail end

768

00:37:32,780 --> 00:37:29,490

of the seventies yeah but it was a

769

00:37:34,640 --> 00:37:32,790

couple you know the arm has been been

770

00:37:36,710 --> 00:37:34,650

will say you know Mike all them who

771

00:37:39,410 --> 00:37:36,720

someone who's known to both myself and

772

00:37:43,210 --> 00:37:39,420

ban he's had some strange experiences

773

00:37:45,770 --> 00:37:43,220

around the star arm star Hill which he

774

00:37:47,300 --> 00:37:45,780

be used to watch what he displayed was

775

00:37:51,710 --> 00:37:47,310

traffic coming down following the

776

00:37:55,430 --> 00:37:51,720

contours of battles brie landed and you

777

00:37:57,860 --> 00:37:55,440

know he had a lifetime of contact e.type

778

00:38:00,500 --> 00:37:57,870

experience with with people he he could

779

00:38:04,910 --> 00:38:00,510

he calls his space brothers you know I

780

00:38:06,950 --> 00:38:04,920

mean you know yeah it's so kind of the

781

00:38:09,110 --> 00:38:06,960

skeptics and you know even the mesial

782

00:38:10,680 --> 00:38:09,120

you know you find it kind of difficult

783

00:38:12,569 --> 00:38:10,690

believe that there's so

784

00:38:16,470 --> 00:38:12,579

any kind of reports that they see in and

785

00:38:18,420 --> 00:38:16,480

around the area now you know didn't

786

00:38:20,280 --> 00:38:18,430

these locations like Cradle Hill and

787

00:38:23,640 --> 00:38:20,290

Starr Hill didn't they kind of have a

788

00:38:26,010 --> 00:38:23,650

history of weird things going on there I

789

00:38:28,260 --> 00:38:26,020

mean Star Hill obviously got its name

790

00:38:30,740 --> 00:38:28,270

from something a hundred years ago

791

00:38:33,540 --> 00:38:30,750

but weren't there some urban legends or

792

00:38:36,270 --> 00:38:33,550

or folklore about other events that had

793

00:38:39,510 --> 00:38:36,280

happened there yeah I mean that's well

794

00:38:42,300 --> 00:38:39,520

you know the area is a kind of ancient

795

00:38:45,500 --> 00:38:42,310

hill full aren't they anyway so I mean

796

00:38:49,079 --> 00:38:45,510

they're steeped in mythology if you like

797

00:38:53,089 --> 00:38:49,089

but yeah clay Hill certainly which is a

798

00:38:56,490 --> 00:38:53,099

hill which is very close to the longleaf

799

00:38:59,550 --> 00:38:56,500

estate which is which is the UK's first

800

00:39:04,440 --> 00:38:59,560

kind of Safari Park there's a hill there

801  
00:39:08,130 --> 00:39:04,450  
which if you look at kind of ancient law

802  
00:39:10,319 --> 00:39:08,140  
there's stuff relating to fairies and

803  
00:39:13,380 --> 00:39:10,329  
elementals and lights seen around that

804  
00:39:15,839 --> 00:39:13,390  
hill right back you know right back to

805  
00:39:19,339 --> 00:39:15,849  
time immemorial so yeah it's certainly

806  
00:39:25,800 --> 00:39:19,349  
an area which is steep if you like in

807  
00:39:28,200 --> 00:39:25,810  
myth and folklore yeah for sure so no

808  
00:39:31,650 --> 00:39:28,210  
real surprise then that that that has

809  
00:39:34,349 --> 00:39:31,660  
continued on into modern times with kind

810  
00:39:36,240 --> 00:39:34,359  
of the modern and you know do get me

811  
00:39:41,040 --> 00:39:36,250  
wrong when I say the modern mythology of

812  
00:39:42,839 --> 00:39:41,050  
UFOs because it seems to play into the

813  
00:39:46,200 --> 00:39:42,849

same kind of activities that's been

814

00:39:50,190 --> 00:39:46,210

going on there from you know God knows

815

00:39:55,559 --> 00:39:50,200

when yeah absolutely yeah I mean if you

816

00:39:58,400 --> 00:39:55,569

look as tip as as Tim picked up you know

817

00:40:01,890 --> 00:39:58,410

we're about 17 miles away from

818

00:40:05,849 --> 00:40:01,900

Stonehenge so you know literally a

819

00:40:08,609 --> 00:40:05,859

stone's throw if you like the way he's

820

00:40:11,550 --> 00:40:08,619

very close nearby as you say you know

821

00:40:13,170 --> 00:40:11,560

are the crop circles which appear in and

822

00:40:15,780 --> 00:40:13,180

around the kind of will quirk of

823

00:40:19,140 --> 00:40:15,790

majority or in and around the Wiltshire

824

00:40:21,240 --> 00:40:19,150

area so yeah I mean it's a place you

825

00:40:23,609 --> 00:40:21,250

know the Romans were you know fairly

826

00:40:25,589 --> 00:40:23,619

close to around here you know

827

00:40:31,459 --> 00:40:25,599

and it's an area which as I say it's

828

00:40:38,609 --> 00:40:35,459

so when wouldn't Lee have sightings been

829

00:40:42,170 --> 00:40:38,619

taking place at these locations well I

830

00:40:45,559 --> 00:40:42,180

mean well what I'm currently working on

831

00:40:49,950 --> 00:40:45,569

as a contributor for a forthcoming book

832

00:40:53,339 --> 00:40:49,960

with John Hanson who there's the Haunted

833

00:40:57,839 --> 00:40:53,349

spy series which is almost an exciting

834

00:41:00,950 --> 00:40:57,849

pedia of UFO sightings in the UK and

835

00:41:04,859 --> 00:41:00,960

Europe and the rest of the world now

836

00:41:07,229 --> 00:41:04,869

through for research yet there have been

837

00:41:09,450 --> 00:41:07,239

a few sightings I mean most people

838

00:41:12,719 --> 00:41:09,460

contend that the kind of warminster

839

00:41:16,589 --> 00:41:12,729

phenomena started in 65 and kind of

840

00:41:19,920 --> 00:41:16,599

petered out towards the end of the 70s

841

00:41:22,170 --> 00:41:19,930

early 80s but yeah there's a you know

842

00:41:25,019 --> 00:41:22,180

we've I've I've certainly interviewed

843

00:41:28,559 --> 00:41:25,029

people who've seen you know I have

844

00:41:31,200 --> 00:41:28,569

reports but go on for the 80's 90's and

845

00:41:34,950 --> 00:41:31,210

you know it is even a couple of reports

846

00:41:37,620 --> 00:41:34,960

that you know into 2000 and 2005 but of

847

00:41:40,650 --> 00:41:37,630

course you know not to the intensity but

848

00:41:43,200 --> 00:41:40,660

it was back back then but yeah that

849

00:41:46,920 --> 00:41:43,210

certainly people still see things well

850

00:41:48,870 --> 00:41:46,930

note you sent me via Facebook a number

851  
00:41:52,559 --> 00:41:48,880  
of photographs are these of recent

852  
00:41:54,809 --> 00:41:52,569  
vintage yes I mean some of those are

853  
00:41:57,839 --> 00:41:54,819  
taken by my cell phone a skywatching

854  
00:42:01,859 --> 00:41:57,849  
sort of team oh my goodness okay you

855  
00:42:04,620 --> 00:42:01,869  
know yeah I mean yeah if I can't

856  
00:42:08,459 --> 00:42:04,630  
remember what's fair is you were four

857  
00:42:10,469 --> 00:42:08,469  
there were four photos in a cluster yes

858  
00:42:12,809 --> 00:42:10,479  
yeah well these are things over you know

859  
00:42:17,190 --> 00:42:12,819  
been taken by it by as in the last kind

860  
00:42:19,829 --> 00:42:17,200  
of year I mean again we know sorry yeah

861  
00:42:22,109 --> 00:42:19,839  
all right here we go with a break coming

862  
00:42:24,610 --> 00:42:22,119  
up and we'll be back in just a few

863  
00:42:35,589 --> 00:42:24,620

moments

864

00:42:42,280 --> 00:42:39,589

exploring the bazaars are your e-ticket

865

00:42:45,560 --> 00:42:42,290

00:42:49,870 --> 00:42:45,570

strap yourself via me as we traverse the

867

00:42:54,170 --> 00:42:49,880

universe exploring the unexplained UFO s

868

00:42:58,460 --> 00:42:54,180

ghosts Lost Worlds cryptozoology watch

869

00:43:02,960 --> 00:42:58,470

as well as other dimensions it's time to

870

00:43:05,210 --> 00:43:02,970

take back the night now your

871

00:43:14,230 --> 00:43:05,220

electrifying hosts of exploring the

872

00:43:22,220 --> 00:43:18,800

well there goes that electricity again

873

00:43:23,810 --> 00:43:22,230

I'm electrified I tell ya more I'm all

874

00:43:26,720 --> 00:43:23,820

charged up for the second half of the

875

00:43:30,349 --> 00:43:26,730

show adorned show

876

00:43:32,210 --> 00:43:30,359

hey Ben Ben I have a question here okay

877

00:43:34,550 --> 00:43:32,220

you've been involved in the the

878

00:43:37,280 --> 00:43:34,560

paranormal now for how many how many

879

00:43:39,140 --> 00:43:37,290

years oh it sees how that's hard to put

880

00:43:41,180 --> 00:43:39,150

start to it cuz I'm like Steve I used to

881

00:43:43,490 --> 00:43:41,190

read the unexplained I wish to watch

882

00:43:45,680 --> 00:43:43,500

Arthur c-class mysterious world and when

883

00:43:47,620 --> 00:43:45,690

I was one of I think I did that for as

884

00:43:50,720 --> 00:43:47,630

long as I can remember

885

00:43:52,490 --> 00:43:50,730

well okay now when did you first hear

886

00:43:54,620 --> 00:43:52,500

about the warminster and have you ever

887

00:43:57,440 --> 00:43:54,630

had anything strange happen to you out

888

00:44:00,829 --> 00:43:57,450

there well I heard about warminster and

889

00:44:02,210 --> 00:44:00,839

basic was when I visited it in 2010 it's

890

00:44:04,040 --> 00:44:02,220

not probably not as famous as it should

891

00:44:08,059 --> 00:44:04,050

be really woman stirring on terms of the

892

00:44:10,700 --> 00:44:08,069

the general UFO community I heard about

893

00:44:12,620 --> 00:44:10,710

all kinds of things I got a copy of copy

894

00:44:15,020 --> 00:44:12,630

of Arthur Shuttleworth book the first

895

00:44:17,569 --> 00:44:15,030

edition one on off a stall out at a

896

00:44:20,900 --> 00:44:17,579

conference and but I went there in 2010

897

00:44:23,599 --> 00:44:20,910

I went back there last year and and of

898

00:44:26,089 --> 00:44:23,609

course I've met lots of people including

899

00:44:28,040 --> 00:44:26,099

Steve himself who have talked to me

900

00:44:31,250 --> 00:44:28,050

about this about this phenomenon this

901  
00:44:32,720 --> 00:44:31,260  
the longest UFO flap in history I talked

902  
00:44:35,150 --> 00:44:32,730  
to Kevin Goodman just last night in

903  
00:44:36,470 --> 00:44:35,160  
Houston talking to me about it and the

904  
00:44:42,140 --> 00:44:36,480  
upcoming conference they got this year

905  
00:44:44,840 --> 00:44:42,150  
and sure it's in August so confidential

906  
00:44:46,940 --> 00:44:44,850  
Dave leaves in August and it's um

907  
00:44:49,820 --> 00:44:46,950  
yes come an annual thing I think it'll

908  
00:44:53,150 --> 00:44:49,830  
be an annual thing that's wonderful now

909  
00:44:54,770 --> 00:44:53,160  
what okay the the the conferences

910  
00:44:57,230 --> 00:44:54,780  
they're obviously open to the public and

911  
00:44:59,690 --> 00:44:57,240  
I'm sure you get a lot of people who are

912  
00:45:01,850 --> 00:44:59,700  
just becoming familiar with the subject

913  
00:45:05,420 --> 00:45:01,860

and with Warminster and the thing in

914

00:45:06,830 --> 00:45:05,430

general are there any of the original

915

00:45:10,280 --> 00:45:06,840

witnesses showing up to tell their

916

00:45:16,190 --> 00:45:10,290

stories what we had said Steve do we

917

00:45:20,000 --> 00:45:16,200

have some last year I mean remember is a

918

00:45:21,980 --> 00:45:20,010

lot of those original witnesses aren't

919

00:45:24,580 --> 00:45:21,990

no longer with us you know the passing

920

00:45:28,340 --> 00:45:24,590

of time we've lost a lot of them but

921

00:45:30,470 --> 00:45:28,350

yeah I mean as people who had veteran

922

00:45:33,530 --> 00:45:30,480

sky watches from the 70s in that which

923

00:45:36,920 --> 00:45:33,540

were who turns up at the conference

924

00:45:40,160 --> 00:45:36,930

which I co-organized with Kevin and

925

00:45:43,360 --> 00:45:40,170

Colleen last year I think I think the

926

00:45:46,130 --> 00:45:43,370

the the conference here is in September

927

00:45:48,950 --> 00:45:46,140

believe early September yep first

928

00:45:51,080 --> 00:45:48,960

weekend that's right how many how many

929

00:45:54,590 --> 00:45:51,090

years as the carpets been going on now

930

00:45:57,110 --> 00:45:54,600

oh wow last year with the 50th

931

00:45:59,810 --> 00:45:57,120

anniversary was the first one that I

932

00:46:02,980 --> 00:45:59,820

would involve with that it's been a

933

00:46:08,840 --> 00:46:02,990

there's been a number before which will

934

00:46:11,900 --> 00:46:08,850

which were 2010 and 2009 and 2010 there

935

00:46:14,120 --> 00:46:11,910

was a couple event in the town yeah but

936

00:46:16,040 --> 00:46:14,130

you know thanks to you I think Kevin and

937

00:46:19,460 --> 00:46:16,050

calling this it's going to be an annual

938

00:46:23,060 --> 00:46:19,470

thing now so yeah how many people have

939

00:46:25,400 --> 00:46:23,070

been attending well last year we had I

940

00:46:27,890 --> 00:46:25,410

mean the the the room we had was kind of

941

00:46:30,560 --> 00:46:27,900

a moderate sized room and we had over

942

00:46:32,450 --> 00:46:30,570

you know hundred and twenty hundred and

943

00:46:35,030 --> 00:46:32,460

thirty people ended for the 50th

944

00:46:38,150 --> 00:46:35,040

anniversary which you know it's you know

945

00:46:40,130 --> 00:46:38,160

four has been said for a phenomena which

946

00:46:42,740 --> 00:46:40,140

is kind of been forgotten was quite

947

00:46:47,650 --> 00:46:42,750

quite quite a lot of people attending

948

00:46:49,790 --> 00:46:47,660

yeah so hopefully you know long May

949

00:46:51,560 --> 00:46:49,800

let's hope we have an annual conference

950

00:46:53,360 --> 00:46:51,570

yeah and the media were there and the

951  
00:46:55,070 --> 00:46:53,370  
media were involved oh yeah the BBC

952  
00:46:56,750 --> 00:46:55,080  
Radio turned up and it was in the

953  
00:46:58,309 --> 00:46:56,760  
national newspapers again covering last

954  
00:47:00,049 --> 00:46:58,319  
year's conference is really good

955  
00:47:02,779 --> 00:47:00,059  
well now there were there was a an

956  
00:47:06,679 --> 00:47:02,789  
original town hall meeting in Warminster

957  
00:47:09,259 --> 00:47:06,689  
at the height of the UFO frenzy ended

958  
00:47:11,209 --> 00:47:09,269  
that didn't get that get about three or

959  
00:47:14,029 --> 00:47:11,219  
four hundred people show up and they all

960  
00:47:15,380 --> 00:47:14,039  
the mayor demanded an answer well no

961  
00:47:17,689 --> 00:47:15,390  
that no everyone could fit into the Town

962  
00:47:18,739 --> 00:47:17,699  
Hall it's sir Oh in the town's quite big

963  
00:47:20,749 --> 00:47:18,749

I mean it's just down the road from the

964

00:47:22,609 --> 00:47:20,759

pub where we had the meeting but I know

965

00:47:24,169 --> 00:47:22,619

that from that it was people they were

966

00:47:25,489 --> 00:47:24,179

so concerned this was a Sunday this

967

00:47:28,579 --> 00:47:25,499

happened notice it was an August bank

968

00:47:30,219 --> 00:47:28,589

holiday literally the 50s of the day

969

00:47:32,390 --> 00:47:30,229

that we had our conference Wyndham

970

00:47:33,919 --> 00:47:32,400

getting people out on a Sunday to talk

971

00:47:36,049 --> 00:47:33,929

about anything is pretty hard but the

972

00:47:37,519 --> 00:47:36,059

people there were all packed in and some

973

00:47:40,400 --> 00:47:37,529

people had to stand outside in the

974

00:47:43,099 --> 00:47:40,410

street but everyone was really concerned

975

00:47:45,650 --> 00:47:43,109

and then they say obviously wasn't some

976  
00:47:48,349 --> 00:47:45,660  
this was something very very unusual in

977  
00:47:50,539 --> 00:47:48,359  
that town this is kind of what happened

978  
00:47:55,179 --> 00:47:50,549  
in upstate New York here when they had

979  
00:47:58,039 --> 00:47:55,189  
the the sightings in Westchester County

980  
00:47:59,449 --> 00:47:58,049  
they use big boomerang shaped objects in

981  
00:48:01,939 --> 00:47:59,459  
there that were being seen in the sky

982  
00:48:04,459 --> 00:48:01,949  
and they were coming over and hovering

983  
00:48:05,989 --> 00:48:04,469  
right over it made no sound hovered

984  
00:48:08,689 --> 00:48:05,999  
right over people's homes and over their

985  
00:48:10,429 --> 00:48:08,699  
automobiles and hundreds of people saw

986  
00:48:12,349 --> 00:48:10,439  
and observed and photographed these

987  
00:48:14,899 --> 00:48:12,359  
things and they had a town hall meeting

988  
00:48:18,259 --> 00:48:14,909

there which I attended dr. Hynek showed

989

00:48:21,349 --> 00:48:18,269

up and Peter Gersten the UFO lawyer and

990

00:48:23,779 --> 00:48:21,359

they had about 300 or 400 you know

991

00:48:26,059 --> 00:48:23,789

people who demanded answers of course

992

00:48:27,439 --> 00:48:26,069

they never got any answers because what

993

00:48:30,199 --> 00:48:27,449

kind of answers can you give people

994

00:48:33,199 --> 00:48:30,209

except yeah there are unusual phenomena

995

00:48:36,199 --> 00:48:33,209

in the sky and you know here we we asked

996

00:48:38,689 --> 00:48:36,209

for disclosure Ben right I mean and you

997

00:48:42,559 --> 00:48:38,699

just interviewed the Steven Bessette did

998

00:48:43,640 --> 00:48:42,569

just a little while ago what's your take

999

00:48:47,079 --> 00:48:43,650

on disclosure

1000

00:48:49,370 --> 00:48:47,089

well the disclosure with meaning the

1001

00:48:50,719 --> 00:48:49,380

Frank and complete missions by the

1002

00:48:53,329 --> 00:48:50,729

government for everything they know

1003

00:48:56,870 --> 00:48:53,339

about this phenomenon that is what we

1004

00:48:58,489 --> 00:48:56,880

don't that's it that's what Steve is

1005

00:49:00,589 --> 00:48:58,499

campaigning for and a lot of other

1006

00:49:04,399 --> 00:49:00,599

people like dr. Steven Greer and others

1007

00:49:05,719 --> 00:49:04,409

are campaigning for and the the idea is

1008

00:49:07,219 --> 00:49:05,729

that the government actually do know an

1009

00:49:09,640 --> 00:49:07,229

awful lot that they're not telling us

1010

00:49:11,650 --> 00:49:09,650

for example they may well have

1011

00:49:14,980 --> 00:49:11,660

a wreckage they may well have actually

1012

00:49:17,620 --> 00:49:14,990

salvaged physical evidence in terms of

1013

00:49:19,269 --> 00:49:17,630

debris from crashed craft from the

1014

00:49:21,039 --> 00:49:19,279

Earth's surface and they're not told us

1015

00:49:23,859 --> 00:49:21,049

told anyone about it and the Roswell

1016

00:49:26,319 --> 00:49:23,869

incident of 1947 is the most famous by

1017

00:49:29,559 --> 00:49:26,329

no means the only one of these possible

1018

00:49:30,819 --> 00:49:29,569

events and Steve basic wants the

1019

00:49:33,249 --> 00:49:30,829

government to come clean on everything

1020

00:49:36,339 --> 00:49:33,259

they know about that which it's like to

1021

00:49:38,769 --> 00:49:36,349

be considerable I mean you think that

1022

00:49:40,690 --> 00:49:38,779

the government who what branch of the

1023

00:49:43,749 --> 00:49:40,700

government knows about this and this is

1024

00:49:44,950 --> 00:49:43,759

this is a good question because what do

1025

00:49:46,329 --> 00:49:44,960

you say government which government do

1026

00:49:50,319 --> 00:49:46,339

you mean what kind of government do you

1027

00:49:52,089 --> 00:49:50,329

mean because it's yeah that's a good

1028

00:49:54,160 --> 00:49:52,099

question it's becoming increasingly

1029

00:49:57,940 --> 00:49:54,170

clear the government is multi-layered

1030

00:50:02,230 --> 00:49:57,950

and it has a large what I would say is a

1031

00:50:03,910 --> 00:50:02,240

covert as super I think it's a level of

1032

00:50:06,249 --> 00:50:03,920

covert super government involved in this

1033

00:50:08,829 --> 00:50:06,259

world and I mean this is a big subject

1034

00:50:10,089 --> 00:50:08,839

and and I know that maybe not all the

1035

00:50:12,220 --> 00:50:10,099

listeners will go along with this but I

1036

00:50:14,099 --> 00:50:12,230

do think that is the case and it seems

1037

00:50:17,769 --> 00:50:14,109

that this phenomenon is handled by

1038

00:50:19,630 --> 00:50:17,779

probably by some area of that super

1039

00:50:21,670 --> 00:50:19,640

government I mean we earlier on in this

1040

00:50:23,680 --> 00:50:21,680

program he talks about Admiral of the

1041

00:50:24,940 --> 00:50:23,690

fleet Lord Hill Norton and he was a very

1042

00:50:27,999 --> 00:50:24,950

very senior member of the House for

1043

00:50:30,910 --> 00:50:28,009

Lords he was one he was extremely well

1044

00:50:35,489 --> 00:50:30,920

trusted I mean he had he was a part of

1045

00:50:38,079 --> 00:50:35,499

the strategy committee he was a chairman

1046

00:50:39,729 --> 00:50:38,089

he was chief of the Defence Staff he's

1047

00:50:42,670 --> 00:50:39,739

in charge of the military he was Parv

1048

00:50:44,859 --> 00:50:42,680

and NATO's strategy Committee on nuke on

1049

00:50:47,499 --> 00:50:44,869

the nuclear deterrent so he's not the

1050

00:50:49,299 --> 00:50:47,509

kind of guy that he's obviously someone

1051  
00:50:52,089 --> 00:50:49,309  
has mentally how his mental health very

1052  
00:50:53,680 --> 00:50:52,099  
carefully screened she's very very

1053  
00:50:54,849 --> 00:50:53,690  
trusted individual he commanded a

1054  
00:50:57,579 --> 00:50:54,859  
battleship in the Battle of the Atlantic

1055  
00:50:59,650 --> 00:50:57,589  
in World War two yet Sam he was

1056  
00:51:01,749 --> 00:50:59,660  
basically stonewalled when he tried to

1057  
00:51:02,950 --> 00:51:01,759  
make inquiries in spout there see I mean

1058  
00:51:04,359 --> 00:51:02,960  
basically the kind of guy who could tell

1059  
00:51:07,479 --> 00:51:04,369  
the Prime Minister what to do he's so

1060  
00:51:10,120 --> 00:51:07,489  
senior but he was he was abuse fobbed

1061  
00:51:11,440 --> 00:51:10,130  
off he was basically given you know the

1062  
00:51:13,539 --> 00:51:11,450  
brush-off letters and things like that

1063  
00:51:16,450 --> 00:51:13,549

in response which means we're dealing

1064

00:51:18,309 --> 00:51:16,460

with from a situation in which there's

1065

00:51:21,309 --> 00:51:18,319

there seems to be in or the level of

1066

00:51:22,160 --> 00:51:21,319

secrecy way above anything we're used to

1067

00:51:24,650 --> 00:51:22,170

with

1068

00:51:26,030 --> 00:51:24,660

in normal field of in terms of

1069

00:51:28,160 --> 00:51:26,040

confidentiality and things like that in

1070

00:51:30,500 --> 00:51:28,170

terms of government departments it's

1071

00:51:32,180 --> 00:51:30,510

it's aware where to look for the secrets

1072

00:51:33,470 --> 00:51:32,190

and who is actually keeping them that's

1073

00:51:35,450 --> 00:51:33,480

a good point that's a good question

1074

00:51:37,460 --> 00:51:35,460

I don't maybe I think Steve and maybe

1075

00:51:39,620 --> 00:51:37,470

dr. Steven Greer may not have quite

1076  
00:51:41,690 --> 00:51:39,630  
probed that deeply to actually to the

1077  
00:51:42,770 --> 00:51:41,700  
point where they can actually get in

1078  
00:51:46,600 --> 00:51:42,780  
touch with the people of keeping the

1079  
00:51:50,390 --> 00:51:46,610  
secrets of course here we have Hillary

1080  
00:51:54,820 --> 00:51:50,400  
Clinton who is running here for the

1081  
00:51:57,770 --> 00:51:54,830  
presidency over here and if she has

1082  
00:52:00,230 --> 00:51:57,780  
stated her interest in the subject in

1083  
00:52:02,420 --> 00:52:00,240  
getting whatever information released on

1084  
00:52:07,010 --> 00:52:02,430  
UFOs and on area 51

1085  
00:52:09,670 --> 00:52:07,020  
now I didn't notice that there didn't

1086  
00:52:12,260 --> 00:52:09,680  
seem unlike it the previous primary our

1087  
00:52:16,670 --> 00:52:12,270  
debater or whatever they had a you know

1088  
00:52:18,410 --> 00:52:16,680

like at the last election where anybody

1089

00:52:22,100 --> 00:52:18,420

who said that they had a UFO sighting

1090

00:52:25,280 --> 00:52:22,110

was kind of you know poo-pooed and

1091

00:52:27,110 --> 00:52:25,290

before that here nobody has really

1092

00:52:28,850 --> 00:52:27,120

seemed to have taken that approach with

1093

00:52:34,240 --> 00:52:28,860

the Hillary I guess she's got another

1094

00:52:36,650 --> 00:52:34,250

lot of other problems faced occur but

1095

00:52:38,840 --> 00:52:36,660

apparently she's she has stated her

1096

00:52:41,510 --> 00:52:38,850

interest in trying to get to the bottom

1097

00:52:44,540 --> 00:52:41,520

of this but they did that before I mean

1098

00:52:48,410 --> 00:52:44,550

a Jimmy Carter of course had a UFO

1099

00:52:49,850 --> 00:52:48,420

sighting and and tried to find out what

1100

00:52:51,980 --> 00:52:49,860

was going on and nobody would tell him

1101  
00:52:54,080 --> 00:52:51,990  
and of course good old Ronald Reagan who

1102  
00:52:56,510 --> 00:52:54,090  
should have been since he's a Republican

1103  
00:52:58,790 --> 00:52:56,520  
he should have gotten the inner in her

1104  
00:53:00,410 --> 00:52:58,800  
word but apparently he he knew nothing

1105  
00:53:02,570 --> 00:53:00,420  
and every time he tried to get up there

1106  
00:53:04,250 --> 00:53:02,580  
and and make a speech and include aliens

1107  
00:53:05,600 --> 00:53:04,260  
and it they they would write it out of

1108  
00:53:09,080 --> 00:53:05,610  
his speech you'd have to write it back

1109  
00:53:12,440 --> 00:53:09,090  
into it and of course and of course a

1110  
00:53:15,200 --> 00:53:12,450  
bill and and Hillary even met with

1111  
00:53:18,500 --> 00:53:15,210  
Laurance Rockefeller as part of the

1112  
00:53:21,800 --> 00:53:18,510  
Rockefeller initiative to try to get you

1113  
00:53:23,900 --> 00:53:21,810

know some information on this and you

1114

00:53:25,760 --> 00:53:23,910

know the the authorities whoever the

1115

00:53:26,960 --> 00:53:25,770

authorities may be like you say come

1116

00:53:28,700 --> 00:53:26,970

back and say well there's nothing

1117

00:53:32,150 --> 00:53:28,710

there's nothing to it and we closed

1118

00:53:34,340 --> 00:53:32,160

Project Blue Book in 1969 and we haven't

1119

00:53:35,749 --> 00:53:34,350

done any investigations since then and

1120

00:53:37,879 --> 00:53:35,759

and that's that's the

1121

00:53:41,949 --> 00:53:37,889

to be the final word I mean nobody

1122

00:53:46,099 --> 00:53:41,959

nobody has budge you know from that

1123

00:53:47,419 --> 00:53:46,109

statement in years and I think my

1124

00:53:50,889 --> 00:53:47,429

something just they're gonna stick with

1125

00:53:54,349 --> 00:53:50,899

it and unless there's some massive UFO

1126  
00:53:57,289 --> 00:53:54,359  
wave or sighting you know over the

1127  
00:53:58,969 --> 00:53:57,299  
Capitol or something lands outside the

1128  
00:54:00,949 --> 00:53:58,979  
Pentagon even then you know the

1129  
00:54:03,409 --> 00:54:00,959  
government has a way of covering things

1130  
00:54:05,269 --> 00:54:03,419  
up in changing their changing they as

1131  
00:54:08,149 --> 00:54:05,279  
the the facts

1132  
00:54:10,209 --> 00:54:08,159  
Ill don't it's up to them that's what I

1133  
00:54:12,829 --> 00:54:10,219  
would say if they whoever they maybe

1134  
00:54:15,139 --> 00:54:12,839  
want the public to know of their

1135  
00:54:17,659 --> 00:54:15,149  
existence they could do it in an hour

1136  
00:54:20,269 --> 00:54:17,669  
straight right well yeah I mean these

1137  
00:54:21,859 --> 00:54:20,279  
whatever these beings are this entity

1138  
00:54:25,370 --> 00:54:21,869

this intelligence that is behind this

1139

00:54:26,929 --> 00:54:25,380

phenomenon obviously it's it's hard to

1140

00:54:29,179 --> 00:54:26,939

know what it's actually thinking about

1141

00:54:31,099 --> 00:54:29,189

because it's not human I mean we can't

1142

00:54:32,989 --> 00:54:31,109

put ourselves in their shoes even if

1143

00:54:36,319 --> 00:54:32,999

they have two feet and two legs because

1144

00:54:38,149 --> 00:54:36,329

they may not but if we answer for more

1145

00:54:40,879 --> 00:54:38,159

thighs if we sort of say what would I do

1146

00:54:43,939 --> 00:54:40,889

if I were an alien it's it's a bit

1147

00:54:45,139 --> 00:54:43,949

tricky because in a sense they have

1148

00:54:47,179 --> 00:54:45,149

their own gender they have their own

1149

00:54:50,689 --> 00:54:47,189

outlook on the universe it may not be

1150

00:54:52,159 --> 00:54:50,699

the same as ours but I mean it's far as

1151  
00:54:54,499 --> 00:54:52,169  
the government go I mean I actually do

1152  
00:54:58,429 --> 00:54:54,509  
wonder if the government seems to be so

1153  
00:55:00,439 --> 00:54:58,439  
good at suppression and just distortion

1154  
00:55:01,789 --> 00:55:00,449  
and diversion which is what they these

1155  
00:55:05,439 --> 00:55:01,799  
methods they use in terms of psychology

1156  
00:55:07,999 --> 00:55:05,449  
and propaganda that I do wonder if

1157  
00:55:10,549 --> 00:55:08,009  
they're not capable of suppressing

1158  
00:55:12,259 --> 00:55:10,559  
information or no matter how what the

1159  
00:55:15,469 --> 00:55:12,269  
quality of the sighting they may well be

1160  
00:55:17,469 --> 00:55:15,479  
capable of them distracting people's

1161  
00:55:20,899 --> 00:55:17,479  
attention to the point where we deny it

1162  
00:55:22,279 --> 00:55:20,909  
now there have been cases of I mean the

1163  
00:55:23,329 --> 00:55:22,289

Roswell the Roswell incident for

1164

00:55:25,699 --> 00:55:23,339

nineteen forty-seven happened in a

1165

00:55:26,989 --> 00:55:25,709

remote part of New Mexico where there

1166

00:55:28,399 --> 00:55:26,999

wasn't many people around it was not

1167

00:55:31,089 --> 00:55:28,409

difficult for the government to seal off

1168

00:55:34,459 --> 00:55:31,099

the area and secretly salvage the debris

1169

00:55:35,809 --> 00:55:34,469

now the thing is people say well if that

1170

00:55:37,219 --> 00:55:35,819

happened in the middle of a city they

1171

00:55:39,679 --> 00:55:37,229

wouldn't be able to do it because too

1172

00:55:41,749 --> 00:55:39,689

many people would see it however there

1173

00:55:43,549 --> 00:55:41,759

have been cases in large densely

1174

00:55:47,929 --> 00:55:43,559

populated urban areas of similar events

1175

00:55:48,720 --> 00:55:47,939

in 1987 in 1980 in 1987 I believe there

1176

00:55:50,400 --> 00:55:48,730

was a very similar

1177

00:55:53,370 --> 00:55:50,410

Duras wallet took place place in

1178

00:55:54,750 --> 00:55:53,380

Nottinghamshire England not far from the

1179

00:55:56,760 --> 00:55:54,760

city of Nottingham in a very very

1180

00:56:00,480 --> 00:55:56,770

built-up area known as the Ashfield

1181

00:56:02,460 --> 00:56:00,490

district in 1996 there was a an event in

1182

00:56:05,040 --> 00:56:02,470

a very very similar densely populated

1183

00:56:06,960 --> 00:56:05,050

region of Brazil called Virginia it's

1184

00:56:10,980 --> 00:56:06,970

just almost in this just outside the

1185

00:56:13,890 --> 00:56:10,990

large city so we've got to ask ourselves

1186

00:56:15,540 --> 00:56:13,900

I mean if people see something in the

1187

00:56:17,820 --> 00:56:15,550

sky look at the Phoenix lights and the

1188

00:56:19,230 --> 00:56:17,830

Phoenix lights this Phoenix is a city

1189

00:56:21,750 --> 00:56:19,240

the size of a million people and

1190

00:56:23,940 --> 00:56:21,760

thousands of people saw this is unusual

1191

00:56:25,430 --> 00:56:23,950

object in the sky yet and Fife Symington

1192

00:56:27,150 --> 00:56:25,440

the governor of Arizona

1193

00:56:28,650 --> 00:56:27,160

successfully managed to suppress

1194

00:56:31,440 --> 00:56:28,660

interest in it and he later came forward

1195

00:56:34,020 --> 00:56:31,450

and confessed that he had deliberately

1196

00:56:35,850 --> 00:56:34,030

misled the public to avoid he didn't

1197

00:56:37,460 --> 00:56:35,860

want a public panic he just wanted to

1198

00:56:39,990 --> 00:56:37,470

maintain law and order within the state

1199

00:56:42,470 --> 00:56:40,000

but it makes you wonder man how many if

1200

00:56:45,000 --> 00:56:42,480

he confessed how many others have not

1201  
00:56:48,060 --> 00:56:45,010  
all right gentlemen we have a we have a

1202  
00:56:52,050 --> 00:56:48,070  
question here from Ryan in California

1203  
00:56:54,960 --> 00:56:52,060  
and this is open to Ben or Steve whoever

1204  
00:56:57,270 --> 00:56:54,970  
went to answer or both of you can Ryan

1205  
00:56:59,790 --> 00:56:57,280  
wants to know with the Department of

1206  
00:57:02,790 --> 00:56:59,800  
Defense from the UK releasing all their

1207  
00:57:10,100 --> 00:57:02,800  
UFO files was there any mention of the

1208  
00:57:16,890 --> 00:57:14,310  
yeah I mean as far as I'm aware the you

1209  
00:57:19,920 --> 00:57:16,900  
know the the raft of MOT releases which

1210  
00:57:24,180 --> 00:57:19,930  
we've had and I believe there's still a

1211  
00:57:27,390 --> 00:57:24,190  
kind of 18 which files still to come

1212  
00:57:29,460 --> 00:57:27,400  
which the mo D said that they'd lost and

1213  
00:57:32,280 --> 00:57:29,470

subsequently now have found and that

1214

00:57:37,410 --> 00:57:32,290

there were due to be released for my

1215

00:57:40,020 --> 00:57:37,420

knowledge there's not any MOT files

1216

00:57:43,890 --> 00:57:40,030

relating to warminster as far as I'm

1217

00:57:46,230 --> 00:57:43,900

aware you been I'm not familiar I'm not

1218

00:57:48,870 --> 00:57:46,240

exactly sure what they've actually I

1219

00:57:50,010 --> 00:57:48,880

know that there are more things to be

1220

00:57:51,780 --> 00:57:50,020

released I mean Nick Pope has been

1221

00:57:53,640 --> 00:57:51,790

talking about it about the fact there is

1222

00:57:57,120 --> 00:57:53,650

another batch of files to coming out to

1223

00:58:00,720 --> 00:57:57,130

the Ministry of Defense I'm not yeah I

1224

00:58:02,700 --> 00:58:00,730

mean I don't know exactly what the I'm

1225

00:58:05,670 --> 00:58:02,710

not exactly sure what the

1226

00:58:07,440 --> 00:58:05,680

the actual nature of the any of these

1227

00:58:08,370 --> 00:58:07,450

sightings up we may have to wait to find

1228

00:58:10,560 --> 00:58:08,380

out cuz I don't think they've been

1229

00:58:13,680 --> 00:58:10,570

released yet I think it's coming soon so

1230

00:58:18,930 --> 00:58:13,690

who knows you never know okay what do

1231

00:58:21,690 --> 00:58:18,940

you do you think then that these files

1232

00:58:24,390 --> 00:58:21,700

that are being released do you think

1233

00:58:27,960 --> 00:58:24,400

that they that they're really of any

1234

00:58:32,160 --> 00:58:27,970

substance or they're just releasing you

1235

00:58:33,660 --> 00:58:32,170

now the the the nutty files so to speak

1236

00:58:37,590 --> 00:58:33,670

you know nothing nothing that's really

1237

00:58:39,810 --> 00:58:37,600

you know meat and potatoes so to speak

1238

00:58:46,350 --> 00:58:39,820

they're keeping that to themselves come

1239

00:58:48,810 --> 00:58:46,360

on gather the you guys take time what I

1240

00:58:50,640 --> 00:58:48,820

mean you know I mean yeah I don't think

1241

00:58:52,800 --> 00:58:50,650

there's meat and potato all much flesh

1242

00:58:55,770 --> 00:58:52,810

on these I mean most of these reports

1243

00:59:00,410 --> 00:58:55,780

are ones that sent into the public to

1244

00:59:03,060 --> 00:59:00,420

the mo D themselves in fact a lot of the

1245

00:59:05,610 --> 00:59:03,070

the released files were actually

1246

00:59:08,420 --> 00:59:05,620

contained a lot of the stuff which UFO

1247

00:59:10,550 --> 00:59:08,430

investigators themselves sent out to

1248

00:59:13,260 --> 00:59:10,560

send to the MiG so these aren't

1249

00:59:14,940 --> 00:59:13,270

top-secret files although the press

1250

00:59:17,550 --> 00:59:14,950

liked to dress them up as that as when

1251

00:59:20,070 --> 00:59:17,560

they're released but yeah I think the

1252

00:59:23,540 --> 00:59:20,080

best stuffs been hidden and probably

1253

00:59:27,450 --> 00:59:23,550

won't ever come out and unfortunately

1254

00:59:30,780 --> 00:59:27,460

where do you think I mean where do you

1255

00:59:34,530 --> 00:59:30,790

think that the where's the last place

1256

00:59:36,270 --> 00:59:34,540

for the for a UFO report to go I mean

1257

00:59:38,640 --> 00:59:36,280

higher than the Ministry of Defense is

1258

00:59:41,010 --> 00:59:38,650

there some secret group that's keeping

1259

00:59:44,330 --> 00:59:41,020

tabs of this I mean era you know

1260

00:59:47,070 --> 00:59:44,340

sightings made by military pilots and

1261

00:59:48,990 --> 00:59:47,080

Rendlesham forest of course that doesn't

1262

00:59:52,860 --> 00:59:49,000

seem to go very high up when it was

1263

00:59:55,370 --> 00:59:52,870

originally reported right well there was

1264

00:59:59,180 --> 00:59:55,380

there are witnesses have spoken from

1265

01:00:02,640 --> 00:59:59,190

from inside aviation the Armed Forces

1266

01:00:05,100 --> 01:00:02,650

pilots air traffic controllers who have

1267

01:00:07,110 --> 01:00:05,110

come forward with remarkable stories and

1268

01:00:09,030 --> 01:00:07,120

they've attended confidence like the

1269

01:00:10,830 --> 01:00:09,040

various hearings and various press

1270

01:00:13,980 --> 01:00:10,840

conferences it's you may have seen over

1271

01:00:15,090 --> 01:00:13,990

the years which state that they have had

1272

01:00:16,320 --> 01:00:15,100

the most they've had the most remarkable

1273

01:00:18,660 --> 01:00:16,330

experiences they

1274

01:00:20,760 --> 01:00:18,670

put in official reports and these

1275

01:00:23,250 --> 01:00:20,770

reports they've spoken to people within

1276

01:00:26,700 --> 01:00:23,260

the authorities who then take the report

1277

01:00:29,550 --> 01:00:26,710

now these are things such answer pilots

1278

01:00:32,430 --> 01:00:29,560

who have seen aircraft the size of an

1279

01:00:34,830 --> 01:00:32,440

they've seen them spacecraft or objects

1280

01:00:37,560 --> 01:00:34,840

a mile across flying within a few

1281

01:00:39,570 --> 01:00:37,570

hundred feet of their aircraft and this

1282

01:00:41,180 --> 01:00:39,580

is not your man walking a dog and seen

1283

01:00:45,000 --> 01:00:41,190

the light in the sky this yea no

1284

01:00:48,030 --> 01:00:45,010

definitive yet if you if you go through

1285

01:00:50,910 --> 01:00:48,040

the emoji files you won't find things

1286

01:00:52,350 --> 01:00:50,920

like that there he won't find it's

1287

01:00:54,180 --> 01:00:52,360

obviously that some of the reports are

1288

01:00:55,410 --> 01:00:54,190

not found in the emoji they're not kept

1289

01:00:58,530 --> 01:00:55,420

by the Ministry of Defense they go

1290

01:00:59,850 --> 01:00:58,540

somewhere else I mean Nick Pope says you

1291

01:01:02,160 --> 01:00:59,860

know oh well they never told me about

1292

01:01:04,020 --> 01:01:02,170

this if this happened well with all due

1293

01:01:05,400 --> 01:01:04,030

respect sir Nick Pope he's he was the

1294

01:01:07,230 --> 01:01:05,410

public face of British you follow that

1295

01:01:08,790 --> 01:01:07,240

for many many years if he had a TV

1296

01:01:11,130 --> 01:01:08,800

program about UFOs you'd give Nick Pope

1297

01:01:12,780 --> 01:01:11,140

a call he's I mean if I had a saucer and

1298

01:01:14,760 --> 01:01:12,790

a hanger to quote his phrase he's the

1299

01:01:15,690 --> 01:01:14,770

last man on earth I would tell if I

1300

01:01:20,130 --> 01:01:15,700

wanted to keep a secret

1301

01:01:24,080 --> 01:01:20,140

I'm so so basically he's a he's a he's a

1302

01:01:27,900 --> 01:01:24,090

public public disinformation officer

1303

01:01:29,790 --> 01:01:27,910

whether he knows or not yeah and he in

1304

01:01:32,340 --> 01:01:29,800

the perfect position to actually miss

1305

01:01:36,720 --> 01:01:32,350

inform the public and even intentionally

1306

01:01:38,970 --> 01:01:36,730

unintentionally but I know that and that

1307

01:01:40,110 --> 01:01:38,980

obviously these the kind of experiences

1308

01:01:42,410 --> 01:01:40,120

you're talking about when you see these

1309

01:01:44,670 --> 01:01:42,420

these witnesses it's pretty obvious that

1310

01:01:46,140 --> 01:01:44,680

these reports are not being kept by the

1311

01:01:47,910 --> 01:01:46,150

Ministry of Defense and in their files

1312

01:01:49,260 --> 01:01:47,920

which they then get published these are

1313

01:01:50,730 --> 01:01:49,270

merely these files are merely

1314

01:01:52,800 --> 01:01:50,740  
confidential files they're not top

1315

01:01:54,540 --> 01:01:52,810  
secret now if you for instance

1316

01:01:55,980 --> 01:01:54,550  
Rendlesham forest is a perhaps an

1317

01:01:57,920 --> 01:01:55,990  
exception in a sense that there was

1318

01:02:00,120 --> 01:01:57,930  
there was an official report released

1319

01:02:01,980 --> 01:02:00,130  
the Holt memorandum was released

1320

01:02:03,780 --> 01:02:01,990  
witnesses came forward people like Larry

1321

01:02:06,990 --> 01:02:03,790  
Warren and some John Burroughs and

1322

01:02:08,520 --> 01:02:07,000  
others came forward after that which is

1323

01:02:09,960 --> 01:02:08,530  
I think maybe an indication of perhaps

1324

01:02:12,150 --> 01:02:09,970  
something that was meant to be

1325

01:02:13,980 --> 01:02:12,160  
top-secret did get into the public

1326

01:02:17,160 --> 01:02:13,990

domain but there's probably likely to be

1327

01:02:25,830 --> 01:02:20,160

that's why Colonel Hart despises Larry

1328

01:02:27,780 --> 01:02:25,840

Warren articles that's a longer that's a

1329

01:02:29,680 --> 01:02:27,790

long a story we did a previous show on

1330

01:02:34,630 --> 01:02:29,690

that what people could find in the

1331

01:02:39,069 --> 01:02:34,640

in the archives so that's a it is indeed

1332

01:02:41,829 --> 01:02:39,079

an interesting a tale now how about it

1333

01:02:43,750 --> 01:02:41,839

wasn't there a case where a a pilot was

1334

01:02:49,450 --> 01:02:43,760

actually told to lock and load in and

1335

01:02:59,609 --> 01:02:49,460

shoot at an object in 1947 but Milton

1336

01:03:02,770 --> 01:02:59,619

Torres um you and say Steve in in he's

1337

01:03:04,630 --> 01:03:02,780

sorry Milton Torres was a pilot he he

1338

01:03:07,660 --> 01:03:04,640

was actually a scramble is his aircraft

1339

01:03:11,380 --> 01:03:07,670

scrambled in 1957 and he deployed in his

1340

01:03:12,490 --> 01:03:11,390

jet fighter and he headed he was he was

1341

01:03:14,859 --> 01:03:12,500

actually I think he was at Woodbridge

1342

01:03:17,529 --> 01:03:14,869

Bentwaters I think was it so someone in

1343

01:03:20,020 --> 01:03:17,539

that area was at the base he headed out

1344

01:03:22,210 --> 01:03:20,030

into the North Sea east of Essex and he

1345

01:03:24,549 --> 01:03:22,220

got a massive radar return on a huge

1346

01:03:26,740 --> 01:03:24,559

object and he reported this in to his

1347

01:03:29,380 --> 01:03:26,750

controllers and they said over fire

1348

01:03:31,630 --> 01:03:29,390

they said engage and destroy so he armed

1349

01:03:33,460 --> 01:03:31,640

his missiles and and was about to open

1350

01:03:35,410 --> 01:03:33,470

fiber then this often happens actually

1351  
01:03:37,299 --> 01:03:35,420  
with the UFO encounters the electronics

1352  
01:03:39,519 --> 01:03:37,309  
on his aircraft failed and he was not

1353  
01:03:41,829 --> 01:03:39,529  
able to actually fire but he he

1354  
01:03:44,829 --> 01:03:41,839  
remembered it he reported this later on

1355  
01:03:46,299 --> 01:03:44,839  
in his life and he spoken out about it

1356  
01:03:48,779 --> 01:03:46,309  
his son is actually you're speaking out

1357  
01:03:51,609 --> 01:03:48,789  
about it as well as a remarkable case

1358  
01:03:55,960 --> 01:03:51,619  
well likely lucky for him though that is

1359  
01:03:57,849 --> 01:03:55,970  
after it failed well I mean went in

1360  
01:04:00,460 --> 01:03:57,859  
element in occasions when there's been

1361  
01:04:02,769 --> 01:04:00,470  
encounters between UFOs in terms of

1362  
01:04:07,930 --> 01:04:02,779  
combines in conduct combat between to

1363  
01:04:09,490 --> 01:04:07,940

the humans inevitably come off worse so

1364

01:04:14,019 --> 01:04:09,500

yeah he wouldn't be around to tell the

1365

01:04:16,480 --> 01:04:14,029

tale if he'd fired well what then what

1366

01:04:18,940 --> 01:04:16,490

would you say is the intelligence behind

1367

01:04:21,819 --> 01:04:18,950

these objects is there in it is there

1368

01:04:25,480 --> 01:04:21,829

one intelligence or several intelligence

1369

01:04:27,490 --> 01:04:25,490

or what's going on here like we're gonna

1370

01:04:29,620 --> 01:04:27,500

get it like we're gonna be able to sob

1371

01:04:31,539 --> 01:04:29,630

like we're gonna be able to solve the

1372

01:04:35,650 --> 01:04:31,549

the mystery in the last half hour

1373

01:04:37,870 --> 01:04:35,660

oh if we have unfortunate we

1374

01:04:40,299 --> 01:04:37,880

unfortunately don't seem to be actually

1375

01:04:41,980 --> 01:04:40,309

um any closer to actually answering that

1376

01:04:42,890 --> 01:04:41,990

question than we were maybe 50 years ago

1377

01:04:44,630 --> 01:04:42,900

I mean unfortunately

1378

01:04:46,400 --> 01:04:44,640

we're dealing with something that it's

1379

01:04:49,190 --> 01:04:46,410

obviously intelligent it's obviously has

1380

01:04:52,039 --> 01:04:49,200

an will of its own and a consciousness

1381

01:04:53,809 --> 01:04:52,049

of its own but what it is and where it

1382

01:04:57,349 --> 01:04:53,819

comes from I don't know I mean maybe

1383

01:04:59,539 --> 01:04:57,359

more than one place who knows that would

1384

01:05:03,049 --> 01:04:59,549

that would seem to be the the case and

1385

01:05:06,440 --> 01:05:03,059

of course people put different

1386

01:05:10,430 --> 01:05:06,450

significance on to the the subject some

1387

01:05:14,079 --> 01:05:10,440

people see it as a religious event in

1388

01:05:18,230 --> 01:05:14,089

their lives other people see it as a

1389

01:05:21,380 --> 01:05:18,240

hostile invasion of the the planet and

1390

01:05:29,089 --> 01:05:21,390

others are waiting for the arrival of

1391

01:05:33,680 --> 01:05:31,099

yeah all right yet demons we forgot to

1392

01:05:35,450 --> 01:05:33,690

mention that okay all right we'll save

1393

01:05:37,880 --> 01:05:35,460

that for our zone it could be all those

1394

01:05:38,980 --> 01:05:37,890

things and all right none of those

1395

01:05:44,510 --> 01:05:38,990

things

1396

01:05:46,609 --> 01:05:44,520

false flags it's a false a wagon oh my

1397

01:05:48,109 --> 01:05:46,619

goodness all right well we're gonna have

1398

01:05:50,440 --> 01:05:48,119

our last commercial break and then we'll

1399

01:05:55,039 --> 01:05:50,450

be coming back with the last half-hour

1400

01:05:57,829 --> 01:05:55,049

would been emmalin jones see Will's Tim

1401  
01:06:03,970 --> 01:05:57,839  
Schwartz and me I'm Tim Buckley in case

1402  
01:06:10,700 --> 01:06:08,150  
now back to exploring the bazaar with

1403  
01:06:13,700 --> 01:06:10,710  
two of the most electrifying researchers

1404  
01:06:21,769 --> 01:06:13,710  
in the Paranoid your hosts Timothy

1405  
01:06:23,539 --> 01:06:21,779  
becklynn and ting swaps area are in the

1406  
01:06:25,579 --> 01:06:23,549  
last segment of exploring the bazaar and

1407  
01:06:31,910 --> 01:06:25,589  
tonight we're talking with Ben m1 Jones

1408  
01:06:37,549 --> 01:06:31,920  
and Steve wills and Steve I was curious

1409  
01:06:41,420 --> 01:06:37,559  
about the the warminster UFO flap I know

1410  
01:06:44,480 --> 01:06:41,430  
when I was doing some just kind of warm

1411  
01:06:47,960 --> 01:06:44,490  
up research before the show tonight I

1412  
01:06:50,509 --> 01:06:47,970  
ran across stay an article that just you

1413  
01:06:52,849 --> 01:06:50,519

know definitively declared and and then

1414

01:06:56,089 --> 01:06:52,859

the title was you know the warminster

1415

01:06:59,089 --> 01:06:56,099

hoax and it was obvious from reading

1416

01:07:02,839 --> 01:06:59,099

this article that the the author had no

1417

01:07:04,400 --> 01:07:02,849

real knowledge of what had happened but

1418

01:07:07,130 --> 01:07:04,410

but this person's mind was completely

1419

01:07:08,870 --> 01:07:07,140

made up and I mean they you know they

1420

01:07:10,069 --> 01:07:08,880

they weren't going to be dissuaded you

1421

01:07:12,890 --> 01:07:10,079

know one way or the other it is

1422

01:07:16,489 --> 01:07:12,900

definitely a hoax so you know what was

1423

01:07:18,229 --> 01:07:16,499

the the the skeptical reaction I mean at

1424

01:07:22,539 --> 01:07:18,239

the beginning and you know continuing on

1425

01:07:26,960 --> 01:07:22,549

today with the warminster a UFO flap

1426

01:07:30,229 --> 01:07:26,970

well I think a lot of stems towards the

1427

01:07:32,180 --> 01:07:30,239

Gordon fault Faulkner photograph in the

1428

01:07:35,359 --> 01:07:32,190

first instance though that that

1429

01:07:38,930 --> 01:07:35,369

particular photo is is controversial and

1430

01:07:40,999 --> 01:07:38,940

for many people you know people say it's

1431

01:07:46,299 --> 01:07:41,009

hope some people say it isn't I mean

1432

01:07:48,680 --> 01:07:46,309

I've spoken to Gordon's daughter who

1433

01:07:50,839 --> 01:07:48,690

informs me she said well you know all

1434

01:07:53,630 --> 01:07:50,849

these years he's never let on to me that

1435

01:07:56,470 --> 01:07:53,640

it was faked if that was the case so he

1436

01:07:59,809 --> 01:07:56,480

still maintains that that photo is is

1437

01:08:01,430 --> 01:07:59,819

genuine but a lot of not of the may

1438

01:08:05,450 --> 01:08:01,440

sayers for one of the bear word the

1439

01:08:10,220 --> 01:08:05,460

skeptics tend to pinpoint that photo and

1440

01:08:12,559 --> 01:08:10,230

you know the whole raft of sightings you

1441

01:08:14,660 --> 01:08:12,569

know hundreds hundreds and hundreds of

1442

01:08:18,140 --> 01:08:14,670

sightings tend to get thrown out

1443

01:08:20,540 --> 01:08:18,150

so it's generally looked upon that that

1444

01:08:23,600 --> 01:08:20,550

photo and nothing else but the whole

1445

01:08:26,810 --> 01:08:23,610

phenomena if he likes you know ran for

1446

01:08:30,170 --> 01:08:26,820

at least kind of 15 years solid you know

1447

01:08:32,270 --> 01:08:30,180

so yeah I mean you know talking about

1448

01:08:33,980 --> 01:08:32,280

skeptics I mean there was kind of there

1449

01:08:36,500 --> 01:08:33,990

was a guy called David Simpson in the

1450

01:08:40,340 --> 01:08:36,510

70s who kind of perpetrated a number of

1451

01:08:43,940 --> 01:08:40,350

hoaxes on you know on some of the sky

1452

01:08:46,580 --> 01:08:43,950

watches he's done this for what he

1453

01:08:49,670 --> 01:08:46,590

describes as experimental reason to see

1454

01:08:52,310 --> 01:08:49,680

if you know people kind of embellish

1455

01:08:53,630 --> 01:08:52,320

stuff that they they'd seen but you know

1456

01:08:56,300 --> 01:08:53,640

a lot of the sightings

1457

01:08:59,900 --> 01:08:56,310

you know people seeing stuff you know up

1458

01:09:03,140 --> 01:08:59,910

on Cradle Hill you know for you know 50

1459

01:09:06,290 --> 01:09:03,150

years so I mean to you know to if you

1460

01:09:08,480 --> 01:09:06,300

dragged in you know the whole phenomena

1461

01:09:11,090 --> 01:09:08,490

and throughout just because of one photo

1462

01:09:14,840 --> 01:09:11,100

I think he'd be doing a Mis service

1463

01:09:17,840 --> 01:09:14,850

really like that's kind of like the crop

1464

01:09:22,280 --> 01:09:17,850

circles wasn't it John and Dave or David

1465

01:09:24,380 --> 01:09:22,290

somebody ya know they were responsible

1466

01:09:27,410 --> 01:09:24,390

for all of them I guess they must have

1467

01:09:30,050 --> 01:09:27,420

had quite a few sleepless nights they

1468

01:09:32,810 --> 01:09:30,060

had insomnia they were out there in the

1469

01:09:35,960 --> 01:09:32,820

dead of night with their stomping boards

1470

01:09:37,880 --> 01:09:35,970

making very amateurish ik crop circles

1471

01:09:41,780 --> 01:09:37,890

now how about the more recent ones which

1472

01:09:43,520 --> 01:09:41,790

are much more complex I mean are are you

1473

01:09:45,230 --> 01:09:43,530

fellows into the crop circles at all I

1474

01:09:50,300 --> 01:09:45,240

mean do you see that as being legitimate

1475

01:09:53,510 --> 01:09:50,310

or are we being true well I mean you

1476

01:09:55,970 --> 01:09:53,520

know I mean I think we all can kind of

1477

01:09:59,240 --> 01:09:55,980

you know we all know that people do make

1478

01:10:01,520 --> 01:09:59,250

these formations but you know whether or

1479

01:10:03,650 --> 01:10:01,530

not they make all of them it's kind of

1480

01:10:06,830 --> 01:10:03,660

open to debate I mean some of the very

1481

01:10:09,140 --> 01:10:06,840

first kind of basic crops that wish you

1482

01:10:12,290 --> 01:10:09,150

know in their essence for the first ones

1483

01:10:15,670 --> 01:10:12,300

were very very basic in origin just just

1484

01:10:18,740 --> 01:10:15,680

basic circles as the original phenomena

1485

01:10:21,710 --> 01:10:18,750

kind of you know I suppose you could

1486

01:10:24,320 --> 01:10:21,720

liken it to the Tully saucer Nestle UFO

1487

01:10:26,390 --> 01:10:24,330

landing neces what people call it a

1488

01:10:28,130 --> 01:10:26,400

number of those was seen in and around

1489

01:10:32,900 --> 01:10:28,140

cradle Hill

1490

01:10:34,850 --> 01:10:32,910

Bay Hill I think a brat and in 1980s I

1491

01:10:37,730 --> 01:10:34,860

think that's really when you know crop

1492

01:10:40,220 --> 01:10:37,740

circles research Colin Andrews was first

1493

01:10:41,930 --> 01:10:40,230

involved in that and that's where it

1494

01:10:43,670 --> 01:10:41,940

kind of gets its leg but before that

1495

01:10:45,590 --> 01:10:43,680

yeah it used to be basic circles

1496

01:10:48,800 --> 01:10:45,600

nowadays of course it's these elaborate

1497

01:10:50,240 --> 01:10:48,810

kind of pictograms so a number that some

1498

01:10:52,580 --> 01:10:50,250

where the aliens even in the middle of

1499

01:10:54,590 --> 01:10:52,590

it some women's I mean incredible

1500

01:10:56,630 --> 01:10:54,600

artwork I think you know it you know if

1501

01:11:00,560 --> 01:10:56,640

I think you have to tip your hat to some

1502

01:11:03,200 --> 01:11:00,570

of these guys who'd do it but you know

1503

01:11:07,400 --> 01:11:03,210

and thousand lead to my my you know I'd

1504

01:11:09,950 --> 01:11:07,410

say you know ninety percent man mate but

1505

01:11:12,350 --> 01:11:09,960

you know fantastic works of art

1506

01:11:16,700 --> 01:11:12,360

nonetheless well you know I haven't I

1507

01:11:19,400 --> 01:11:16,710

have a theory that since the UFO

1508

01:11:22,160 --> 01:11:19,410

entities the altered terrestrials as I

1509

01:11:25,640 --> 01:11:22,170

prefer to call them seem they have the

1510

01:11:30,170 --> 01:11:25,650

ability to mesmerize and control the

1511

01:11:32,900 --> 01:11:30,180

minds of many people that even what

1512

01:11:35,510 --> 01:11:32,910

makes somebody create a hoax maybe maybe

1513

01:11:39,170 --> 01:11:35,520

there maybe they are without realizing

1514

01:11:40,700 --> 01:11:39,180

it having their mind controlled to the

1515

01:11:43,760 --> 01:11:40,710

extent that they actually go out there

1516

01:11:46,430 --> 01:11:43,770

and and add to the phenomena whether to

1517

01:11:48,020 --> 01:11:46,440

confuse the people you know and maybe

1518

01:11:49,430 --> 01:11:48,030

maybe these wholesome terrestrials want

1519

01:11:50,900 --> 01:11:49,440

to confuse people or maybe they'd I

1520

01:11:52,670 --> 01:11:50,910

don't know what direction they're

1521

01:11:55,810 --> 01:11:52,680

heading in but some of the things that

1522

01:11:59,660 --> 01:11:55,820

you think may be a hoax may actually be

1523

01:12:03,200 --> 01:11:59,670

initiated by the alter terrestrials

1524

01:12:06,290 --> 01:12:03,210

themselves i I can think of a case in

1525

01:12:08,090 --> 01:12:06,300

fact I was trying to working on a a book

1526

01:12:11,750 --> 01:12:08,100

is called Operation alien mind control

1527

01:12:13,310 --> 01:12:11,760

and there's a case that goes back it was

1528

01:12:15,860 --> 01:12:13,320

reported by the aerial phenomena

1529

01:12:18,650 --> 01:12:15,870

research organization a pro I think in

1530

01:12:22,400 --> 01:12:18,660

the late 50s or early 60s it was at a

1531

01:12:24,740 --> 01:12:22,410

seaside resort in Brazil and I've

1532

01:12:27,410 --> 01:12:24,750

written this up I can't remember the the

1533

01:12:29,450 --> 01:12:27,420

name of the town but the UFO was

1534

01:12:31,160 --> 01:12:29,460

actually photographed it appeared over

1535

01:12:33,350 --> 01:12:31,170

the town I think for a couple of days in

1536

01:12:36,050 --> 01:12:33,360

a row at high noon and there were

1537

01:12:38,360 --> 01:12:36,060

numerous people in that town who did not

1538

01:12:42,040 --> 01:12:38,370

know each other who lived in separate

1539

01:12:44,650 --> 01:12:42,050

areas who started channel

1540

01:12:49,180 --> 01:12:44,660

and the messages that they received were

1541

01:12:51,700 --> 01:12:49,190

remarkably similar in nature so even

1542

01:12:54,820 --> 01:12:51,710

though the crafts are in the sky they

1543

01:12:58,740 --> 01:12:54,830

seem to have the ability to control the

1544

01:13:01,810 --> 01:12:58,750

minds of mirror Earthlings far below

1545

01:13:03,610 --> 01:13:01,820

yeah well yes it's an interesting I mean

1546

01:13:06,010 --> 01:13:03,620

you know you could say where where does

1547

01:13:08,620 --> 01:13:06,020

inspiration come from anyway can you but

1548

01:13:12,040 --> 01:13:08,630

some yeah but I mean even if even within

1549

01:13:14,770 --> 01:13:12,050

the man-made circles strange paranormal

1550

01:13:17,320 --> 01:13:14,780

type experiences people who you know

1551

01:13:19,300 --> 01:13:17,330

these strange balls of light seem don't

1552

01:13:21,670 --> 01:13:19,310

seem to mind whether they're man-made or

1553

01:13:26,020 --> 01:13:21,680

not they seem to be seen in and around

1554

01:13:29,410 --> 01:13:26,030

these formations people have seen what

1555

01:13:32,500 --> 01:13:29,420

they describe his shadow people in some

1556

01:13:34,570 --> 01:13:32,510

of the similarly informal other other

1557

01:13:37,150 --> 01:13:34,580

people who have had kind of healing

1558

01:13:40,500 --> 01:13:37,160

experiences within manmade manmade

1559

01:13:43,450 --> 01:13:40,510

circles so it's interesting isn't it

1560

01:13:46,480 --> 01:13:43,460

well you know there there seems to be no

1561

01:13:47,950 --> 01:13:46,490

no end of this I mean some people of

1562

01:13:49,780 --> 01:13:47,960

course just can't get into the groove

1563

01:13:52,330 --> 01:13:49,790

they think that it's all nonsense and in

1564

01:13:54,160 --> 01:13:52,340

nothing to it and it's a people's

1565

01:13:57,010 --> 01:13:54,170

fantasy you know fantasy prone

1566

01:13:59,140 --> 01:13:57,020

imagination and so forth but anybody who

1567

01:14:01,420 --> 01:13:59,150

is bothered to study this a read up on

1568

01:14:03,730 --> 01:14:01,430

it or or talk to a good you know half

1569

01:14:05,980 --> 01:14:03,740

dozen or dozen witnesses realize that

1570

01:14:08,290 --> 01:14:05,990

there's something here that really does

1571

01:14:11,230 --> 01:14:08,300

have an impact and controls there are

1572

01:14:13,990 --> 01:14:11,240

people's lives you know and you never

1573

01:14:16,540 --> 01:14:14,000

know what the next big thing or the next

1574

01:14:18,820 --> 01:14:16,550

big event is going to be and just when

1575

01:14:21,370 --> 01:14:18,830

you think well you know before the the

1576

01:14:24,130 --> 01:14:21,380

sightings in Chicago at the O'Hare

1577

01:14:27,010 --> 01:14:24,140

Airport there had not been a UFO

1578

01:14:28,930 --> 01:14:27,020

sighting or anything in the news for you

1579

01:14:31,780 --> 01:14:28,940

know for quite a while and then that hit

1580

01:14:35,170 --> 01:14:31,790

and it was in the news day after day

1581

01:14:37,990 --> 01:14:35,180

after a day for probably you know how

1582

01:14:40,590 --> 01:14:38,000

the the media if they latch on to

1583

01:14:42,790 --> 01:14:40,600

something they will fixate on it forever

1584

01:14:46,120 --> 01:14:42,800

you know I mean it's like there is no

1585

01:14:48,880 --> 01:14:46,130

other news event in in the world for for

1586

01:14:51,010 --> 01:14:48,890

a while and so you know just when you

1587

01:14:55,810 --> 01:14:51,020

think that the subject is dead and we'll

1588

01:15:00,839 --> 01:14:55,820

never really

1589

01:15:04,569 --> 01:15:00,849

just blow a bluster into the wind yeah

1590

01:15:06,669 --> 01:15:04,579

yeah yes yeah I mean and for hunt it's

1591

01:15:11,470 --> 01:15:06,679

done this for hundreds of years if not

1592

01:15:15,370 --> 01:15:11,480

perhaps longer than than that yes

1593

01:15:20,350 --> 01:15:15,380

absolutely yeah now no Ben besides that

1594

01:15:22,660 --> 01:15:20,360

UFOs you do tackle other phenomena any

1595

01:15:24,339 --> 01:15:22,670

anything happens out there that yeah

1596

01:15:28,689 --> 01:15:24,349

yeah that you might want to tell us

1597

01:15:31,600 --> 01:15:28,699

about oh well I was talking to range see

1598

01:15:33,310 --> 01:15:31,610

lady the other day who when she was a

1599

01:15:35,200 --> 01:15:33,320

young girl she was

1600

01:15:38,379 --> 01:15:35,210

I'm holiday with her grandparents and

1601

01:15:40,000 --> 01:15:38,389

this is an Angus in Scotland and she

1602

01:15:43,060 --> 01:15:40,010

came across she's walking down a country

1603

01:15:46,060 --> 01:15:43,070

lane she came across a a large creature

1604

01:15:48,970 --> 01:15:46,070

which was cover a humanoid upright

1605

01:15:50,709 --> 01:15:48,980

ape-like creature covered in fur exactly

1606

01:15:54,250 --> 01:15:50,719

like the Bigfoot you have in North

1607

01:15:56,950 --> 01:15:54,260

America and she was only seven years old

1608

01:15:59,950 --> 01:15:56,960

she turned around and ran screaming so

1609

01:16:03,850 --> 01:15:59,960

but she never forgotten it Charmaine

1610

01:16:05,680 --> 01:16:03,860

Fraser her name is and this she worked

1611

01:16:07,209 --> 01:16:05,690

out that they the Bigfoot might actually

1612

01:16:09,010 --> 01:16:07,219

exist in the British Isles

1613

01:16:11,260 --> 01:16:09,020

she's really quite incredible that's a

1614

01:16:13,000 --> 01:16:11,270

that son was one of the most unusual and

1615

01:16:15,879 --> 01:16:13,010

interesting things I've heard recently

1616

01:16:20,140 --> 01:16:15,889

you know speaking speaking of Scotland

1617

01:16:22,450 --> 01:16:20,150

the the Scottish UFO researcher group is

1618

01:16:25,720 --> 01:16:22,460

about to have their annual convention I

1619

01:16:28,000 --> 01:16:25,730

I don't remember the exact day yeah yeah

1620

01:16:35,649 --> 01:16:28,010

but it's coming up maybe the first or

1621

01:16:37,839 --> 01:16:35,659

second weekend in in June and if ok if

1622

01:16:40,810 --> 01:16:37,849

anybody was well I may have the the gal

1623

01:16:43,600 --> 01:16:40,820

who runs the the conference on the on

1624

01:16:45,370 --> 01:16:43,610

the air I've got a an email out to her

1625

01:16:47,350 --> 01:16:45,380

but anybody I guess who wants

1626

01:16:49,810 --> 01:16:47,360

information on that can always just

1627

01:16:52,990 --> 01:16:49,820

google what is the name of the the exact

1628

01:16:54,850 --> 01:16:53,000

name of the group do you know a fan it's

1629

01:16:57,640 --> 01:16:54,860

the Scottish UFO and paranormal

1630

01:16:58,990 --> 01:16:57,650

conference 2016 showers and Dunlop is I

1631

01:17:01,870 --> 01:16:59,000

think his lady you're talking about oh

1632

01:17:04,000 --> 01:17:01,880

yes Charlene's in the beam yeah mm-hmm

1633

01:17:07,750 --> 01:17:04,010

well the speakers talking about the

1634

01:17:09,760 --> 01:17:07,760

spots watch you know I I I wish it was

1635

01:17:12,160 --> 01:17:09,770

easier for me to travel not only

1636

01:17:13,960 --> 01:17:12,170

I have a few health issues but be darned

1637

01:17:17,860 --> 01:17:13,970

if I could stand alive three hours to

1638

01:17:19,300 --> 01:17:17,870

get into an airplane that you know yeah

1639

01:17:22,770 --> 01:17:19,310

you know you quit you're cramped on

1640

01:17:25,720 --> 01:17:22,780

you're cramped in once you get on and

1641

01:17:29,500 --> 01:17:25,730

before you get on it's even it's it's

1642

01:17:32,140 --> 01:17:29,510

even it's even more misery that confront

1643

01:17:34,000 --> 01:17:32,150

you you know I I mean it it bog it

1644

01:17:36,220 --> 01:17:34,010

bother it really boggles the mind why

1645

01:17:38,800 --> 01:17:36,230

they can't get this a little bit better

1646

01:17:40,810 --> 01:17:38,810

you know organized though why would take

1647

01:17:44,020 --> 01:17:40,820

three hours to go through a couple of

1648

01:17:46,770 --> 01:17:44,030

metal detectors and be Pat it down you

1649

01:17:49,540 --> 01:17:46,780

know I don't know it's just yeah it's

1650

01:17:51,970 --> 01:17:49,550

got me it's got not selling it's lonely

1651

01:17:55,420 --> 01:17:51,980

oh no it's got me going back on the

1652

01:17:57,400 --> 01:17:55,430

train and the bus and taking and what

1653

01:18:00,250 --> 01:17:57,410

I'm taking more and taking more local

1654

01:18:03,360 --> 01:18:00,260

trips yeah start saying you can't get

1655

01:18:07,150 --> 01:18:03,370

Scotland by my bus from Manhattan Jim

1656

01:18:09,520 --> 01:18:07,160

well you know I did take a course on my

1657

01:18:13,480 --> 01:18:09,530

trip to England back there in the 80s I

1658

01:18:18,670 --> 01:18:13,490

did take the the night coach from London

1659

01:18:23,320 --> 01:18:18,680

to to Inverness and I must say oh it was

1660

01:18:26,440 --> 01:18:23,330

the loveliest scenery that I have ever

1661

01:18:28,030 --> 01:18:26,450

seen anywhere in the world and I have I

1662

01:18:30,190 --> 01:18:28,040

have been to Tahiti I've been through

1663

01:18:34,320 --> 01:18:30,200

the Southwest I mean that I've been to a

1664

01:18:37,720 --> 01:18:34,330

lot of places but just you know rolling

1665

01:18:40,090 --> 01:18:37,730

hills and Grant greenery like you can't

1666

01:18:46,810 --> 01:18:40,100

imagine no wonder no wonder Nessie has

1667

01:18:51,010 --> 01:18:46,820

made its home there is lovely but why

1668

01:18:55,570 --> 01:18:51,020

come the last week of September the fog

1669

01:18:59,590 --> 01:18:55,580

rolls in and and the it gets really

1670

01:19:02,560 --> 01:18:59,600

really damp I mean it and and in town

1671

01:19:06,430 --> 01:19:02,570

the town of Inverness closes up in fact

1672

01:19:09,490 --> 01:19:06,440

for some reason I took the last I guess

1673

01:19:11,620 --> 01:19:09,500

the last weekend before the you know the

1674

01:19:14,140 --> 01:19:11,630

close of the season and I stayed at a

1675

01:19:17,140 --> 01:19:14,150

bed-and-breakfast very very charming

1676

01:19:19,230 --> 01:19:17,150

elderly lady in fact when she found out

1677

01:19:22,510 --> 01:19:19,240

that I had spoken at the House of Lords

1678

01:19:25,870 --> 01:19:22,520

she invited all her friends including

1679

01:19:28,420 --> 01:19:25,880

and the milkman and and the postman and

1680

01:19:30,850 --> 01:19:28,430

and and so forth and some of them had

1681

01:19:33,490 --> 01:19:30,860

some very good UFO sightings that took

1682

01:19:35,050 --> 01:19:33,500

place either directly over the Loch or

1683

01:19:37,570 --> 01:19:35,060

in the woods nearby

1684

01:19:42,240 --> 01:19:37,580

and one of my favorite stories is how

1685

01:19:45,010 --> 01:19:42,250

the milkman said that he would not drive

1686

01:19:47,740 --> 01:19:45,020

by that big mansion on the other side of

1687

01:19:50,290 --> 01:19:47,750

the lock that was occupied by the

1688

01:19:55,090 --> 01:19:50,300

rock-and-roll star because every time he

1689

01:19:57,580 --> 01:19:55,100

would drive by there his the dog his pet

1690

01:19:58,870 --> 01:19:57,590

dog that would happen the in the van

1691

01:20:01,120 --> 01:19:58,880

with him while he delivered him up would

1692

01:20:03,940 --> 01:20:01,130

go crazy and eat up the upholstery

1693

01:20:06,370 --> 01:20:03,950

mm-hmm and of course that was the the

1694

01:20:09,910 --> 01:20:06,380

mansion that was rented previously by

1695

01:20:19,300 --> 01:20:09,920

Aleister Crowley and later on by the Led

1696

01:20:20,680 --> 01:20:19,310

Zeppelin yeah so Jim and and of course

1697

01:20:23,500 --> 01:20:20,690

now I've done a little research

1698

01:20:26,470 --> 01:20:23,510

I know Kenneth Anger who I met under

1699

01:20:28,570 --> 01:20:26,480

very strange circumstances you know he

1700

01:20:33,310 --> 01:20:28,580

stayed there for a while and actually

1701

01:20:38,980 --> 01:20:33,320

got I guess Led Zeppelin to do the theme

1702

01:20:40,780 --> 01:20:38,990

for his little underground movie but

1703

01:20:42,160 --> 01:20:40,790

then but then the tapes disappeared and

1704

01:20:45,490 --> 01:20:42,170

there was a whole rigmarole about that

1705

01:20:47,620 --> 01:20:45,500

and I was gonna say heads were gonna

1706

01:20:49,330 --> 01:20:47,630

roll and they certainly did because some

1707

01:20:52,030 --> 01:20:49,340

of the people who had rented that

1708

01:20:52,750 --> 01:20:52,040

particular man should claim that at

1709

01:20:54,880 --> 01:20:52,760

night

1710

01:20:58,390 --> 01:20:54,890

something strange would roll down the

1711

01:20:59,380 --> 01:20:58,400

hallway and it looked like the the the

1712

01:21:03,910 --> 01:20:59,390

head of somebody who had been

1713

01:21:07,450 --> 01:21:03,920

decapitated he's a legend Aleister

1714

01:21:08,950 --> 01:21:07,460

Crowley see isochrone carried out a

1715

01:21:11,200 --> 01:21:08,960

spell there called the amber melon

1716

01:21:14,350 --> 01:21:11,210

working which was one of the most

1717

01:21:15,610 --> 01:21:14,360

dangerous spells you can actually do and

1718

01:21:18,850 --> 01:21:15,620

he did this in I think it was around

1719

01:21:21,610 --> 01:21:18,860

about 1900s turn the 20th century but he

1720

01:21:23,140 --> 01:21:21,620

got a letter from his solicitor on these

1721

01:21:25,150 --> 01:21:23,150

halfway through this spell which takes

1722

01:21:27,010 --> 01:21:25,160

six months to perform basically saying

1723

01:21:28,630 --> 01:21:27,020

he was in trouble someone was suing him

1724

01:21:30,250 --> 01:21:28,640

so he basically dropped everything and

1725

01:21:32,560 --> 01:21:30,260

went to Paris to deal with this legal

1726

01:21:34,750 --> 01:21:32,570

situation in France and he left the

1727

01:21:35,799 --> 01:21:34,760

spell unfinished and that's extremely

1728

01:21:38,770 --> 01:21:35,809

arduous and

1729

01:21:42,339 --> 01:21:38,780

that is why burlesque in houses and is

1730

01:21:46,149 --> 01:21:42,349

so is hotbed of paranormal activity to

1731

01:21:47,529 --> 01:21:46,159

this day well I would go ahead well I'm

1732

01:21:51,459 --> 01:21:47,539

just gonna say you know that that place

1733

01:21:53,109 --> 01:21:51,469

just burned down not too long ago you

1734

01:21:56,500 --> 01:21:53,119

know had a big fire there that's all

1735

01:22:00,339 --> 01:21:56,510

right well shame

1736

01:22:03,129 --> 01:22:00,349

that's a paranormal clip it was

1737

01:22:05,979 --> 01:22:03,139

destroyed some people claimed that of

1738

01:22:10,209 --> 01:22:05,989

course Aleister Crowley was responsible

1739

01:22:18,270 --> 01:22:10,219

for creating the Loch Ness monster

1740

01:22:28,029 --> 01:22:23,560

reputation for stroking the media of the

1741

01:22:31,390 --> 01:22:28,039

day and and so I I do suspect that we

1742

01:22:35,500 --> 01:22:31,400

can only take a small portion of what he

1743

01:22:39,819 --> 01:22:35,510

said at at the face value sorry Aleister

1744

01:22:42,310 --> 01:22:39,829

if you're listening it's the other Tim

1745

01:22:43,959 --> 01:22:42,320

who said that yeah I think people have

1746

01:22:46,000 --> 01:22:43,969

been were seeing the Loch Ness monster

1747

01:22:48,069 --> 01:22:46,010

long before Aleister Crowley was in the

1748

01:22:53,950 --> 01:22:48,079

area well I think the first sighting

1749

01:22:56,700 --> 01:22:53,960

goes to maybe 1500 or cell 1540 st. help

1750

01:22:59,859 --> 01:22:56,710

me out here cuz I'm not a Catholic saint

1751

01:23:02,200 --> 01:22:59,869

somebody or other st. Columba yes

1752

01:23:03,790 --> 01:23:02,210

Columbo yeah that was actually that was

1753

01:23:06,729 --> 01:23:03,800

rough yeah I think I was the fifth

1754

01:23:08,979 --> 01:23:06,739

century was much older but he apparently

1755

01:23:10,689 --> 01:23:08,989

saw this creature in when he was

1756

01:23:12,850 --> 01:23:10,699

crossing over the river Ness near Loch

1757

01:23:14,439 --> 01:23:12,860

Ness and apparently the creature

1758

01:23:16,479 --> 01:23:14,449

attacked him in the boat or something

1759

01:23:17,919 --> 01:23:16,489

but he said prayers and he went away I

1760

01:23:24,899 --> 01:23:17,929

thought you were going to say attacked

1761

01:23:32,919 --> 01:23:29,080

there's a fellow he's since deceased by

1762

01:23:34,839 --> 01:23:32,929

the name of holiday I don't remember his

1763

01:23:36,790 --> 01:23:34,849

first name like FW holiday or something

1764

01:23:38,919 --> 01:23:36,800

Frank I think he's nice Frank oh yeah

1765

01:23:42,520 --> 01:23:38,929

Frank holiday who who who wrote a couple

1766

01:23:45,520 --> 01:23:42,530

of books on on Loch Ness and even had an

1767

01:23:49,510 --> 01:23:45,530

incident involving the the men in black

1768

01:23:52,590 --> 01:23:49,520

who watched him from the shoreline

1769

01:23:57,270 --> 01:23:52,600

and he he said that throughout England

1770

01:24:00,940 --> 01:23:57,280

in many of the old cathedrals there were

1771

01:24:04,830 --> 01:24:00,950

carvings figures on the cathedral walls

1772

01:24:12,630 --> 01:24:04,840

like gargoyles and stuff of dragons and

1773

01:24:16,870 --> 01:24:12,640

etchings of disks so apparently this

1774

01:24:20,890 --> 01:24:16,880

phenomena unlocked NASA sea serpents

1775

01:24:23,590 --> 01:24:20,900

UFOs have been combined together over

1776

01:24:26,680 --> 01:24:23,600

the centuries almost as if it were you

1777

01:24:29,200 --> 01:24:26,690

know one one item and not not separated

1778

01:24:32,950 --> 01:24:29,210

until modern times I think it's only in

1779

01:24:38,100 --> 01:24:32,960

recent time since 1947 that ufologists

1780

01:24:40,420 --> 01:24:38,110

decided that the ETH extra-terrestrial

1781

01:24:43,990 --> 01:24:40,430

hypothesis was the only one that

1782

01:24:47,050 --> 01:24:44,000

deserved any form of recognition and I

1783

01:24:49,390 --> 01:24:47,060

think that you can't prove it kind of

1784

01:24:51,910 --> 01:24:49,400

can't disprove it either except that if

1785

01:24:55,540 --> 01:24:51,920

you look at all the the evidence and all

1786

01:24:57,760 --> 01:24:55,550

the reports it they do not behave as if

1787

01:25:01,330 --> 01:24:57,770

they were astronauts now I don't expect

1788

01:25:02,950 --> 01:25:01,340

them to behave like we would go you know

1789

01:25:05,560 --> 01:25:02,960

if we went to the moon or something but

1790

01:25:08,230 --> 01:25:05,570

boy do they act bizarre you know I mean

1791

01:25:10,360 --> 01:25:08,240

am i right but I mean they're just most

1792

01:25:15,610 --> 01:25:10,370

of these cases are just totally totally

1793

01:25:17,020 --> 01:25:15,620

off-the-wall yeah I mean a lot of when

1794

01:25:19,960 --> 01:25:17,030

people have these experiences they're

1795

01:25:21,250 --> 01:25:19,970

often in it's almost like they enter

1796

01:25:22,180 --> 01:25:21,260

another state of consciousness or

1797

01:25:24,520 --> 01:25:22,190

they're they're very physically

1798

01:25:25,960 --> 01:25:24,530

powerfully affected like Dee the lady

1799

01:25:28,600 --> 01:25:25,970

that Steve was talking about in

1800

01:25:31,720 --> 01:25:28,610

Warminster and who was hit by a sonic

1801

01:25:34,360 --> 01:25:31,730

boom very often they they find

1802

01:25:35,770 --> 01:25:34,370

themselves thinking and doing and saying

1803

01:25:39,070 --> 01:25:35,780

things they wouldn't normally think and

1804

01:25:41,830 --> 01:25:39,080

do and Jenny Randall's you follow gist

1805

01:25:42,640 --> 01:25:41,840

she has a phrase called the odds factor

1806

01:25:45,910 --> 01:25:42,650

that's correct

1807

01:25:47,470 --> 01:25:45,920

sort of it's it's like the winner when

1808

01:25:48,880 --> 01:25:47,480

you're in its no it's not just you see

1809

01:25:50,380 --> 01:25:48,890

something strange when when this thing

1810

01:25:52,870 --> 01:25:50,390

appears you it's like you're suddenly

1811

01:25:55,600 --> 01:25:52,880

found yourself in a a world almost like

1812

01:25:57,939 --> 01:25:55,610

you go nuts on one hand of ours

1813

01:25:59,320 --> 01:25:57,949

and you you're not it's almost like

1814

01:26:02,919 --> 01:25:59,330

you're in a different world when this

1815

01:26:05,890 --> 01:26:02,929

things around you know fellas I hate to

1816

01:26:08,560 --> 01:26:05,900

cut this cut you short but we're down to

1817

01:26:11,109 --> 01:26:08,570

the last four or five minutes here four

1818

01:26:13,570 --> 01:26:11,119

minutes till closing and I want to give

1819

01:26:16,479 --> 01:26:13,580

the both of you Ben and Steve the

1820

01:26:18,340 --> 01:26:16,489

opportunity to tell us what you're up to

1821

01:26:20,770 --> 01:26:18,350

how people can reach you what your

1822

01:26:22,479 --> 01:26:20,780

websites are our Facebook the next

1823

01:26:23,459 --> 01:26:22,489

events so when we start out with you

1824

01:26:26,700 --> 01:26:23,469

Steve

1825

01:26:30,669 --> 01:26:26,710

okay well like I said I'm currently

1826

01:26:32,859 --> 01:26:30,679

working on a book project with John

1827

01:26:37,359 --> 01:26:32,869

hands which will be a wheelchair edition

1828

01:26:40,510 --> 01:26:37,369

of UFO sightings from which wall mister

1829

01:26:43,479 --> 01:26:40,520

will be be fairly heavy and will be in

1830

01:26:45,660 --> 01:26:43,489

take it on so yeah look out look out for

1831

01:26:47,979 --> 01:26:45,670

that one that's coming out someone soon

1832

01:26:50,530 --> 01:26:47,989

if people want to reach me they can

1833

01:26:53,649 --> 01:26:50,540

catch me via the Facebook page which is

1834

01:26:56,080 --> 01:26:53,659

warminster UFO Stein watching hopefully

1835

01:26:58,149 --> 01:26:56,090

there'll be a dedicated website up soon

1836

01:27:00,970 --> 01:26:58,159

anyway but yeah that's the best way to

1837

01:27:03,459 --> 01:27:00,980

contact me very very fabulous material

1838

01:27:05,169 --> 01:27:03,469

information there and and then where do

1839

01:27:06,700 --> 01:27:05,179

people go to see your documentaries your

1840

01:27:09,370 --> 01:27:06,710

movie and they're quite they're quite

1841

01:27:10,990 --> 01:27:09,380

phenomenal I mean Ill I take them

1842

01:27:12,700 --> 01:27:11,000

seriously but I get a good chuckle out

1843

01:27:14,470 --> 01:27:12,710

of them you you're you're a really good

1844

01:27:17,410 --> 01:27:14,480

journalist man and you got your heart

1845

01:27:18,580 --> 01:27:17,420

into it and you know how to get down

1846

01:27:20,830 --> 01:27:18,590

with the public

1847

01:27:23,830 --> 01:27:20,840

well thanks mate well I'm I've got a

1848

01:27:24,879 --> 01:27:23,840

website which is HPA nwl hospital

1849

01:27:26,950 --> 01:27:24,889

porters against the New World Order

1850

01:27:28,359 --> 01:27:26,960

there's a main site which is also a

1851

01:27:29,859 --> 01:27:28,369

portal to all my other sites which

1852

01:27:32,260 --> 01:27:29,869

includes my youtube channel Ben the

1853

01:27:34,689 --> 01:27:32,270

junior port or junior Porter it's

1854

01:27:36,669 --> 01:27:34,699

actually originally jay-ar where I put

1855

01:27:38,439 --> 01:27:36,679

up videos every so often I'm like Steve

1856

01:27:41,140 --> 01:27:38,449

I'm writing a book at the moment and

1857

01:27:42,340 --> 01:27:41,150

it's cool um I finished Ashley so

1858

01:27:42,729 --> 01:27:42,350

hopefully that will be available very

1859

01:27:46,090 --> 01:27:42,739

soon

1860

01:27:47,950 --> 01:27:46,100

it's called Roswell rising a novel of

1861

01:27:51,100 --> 01:27:47,960

disclosure and it's a fictionalized

1862

01:27:54,939 --> 01:27:51,110

account of my various ideas to do with

1863

01:27:56,760 --> 01:27:54,949

the UFO issue and the disclosure and me

1864

01:28:00,010 --> 01:27:56,770

of it which we've been talking about

1865

01:28:03,850 --> 01:28:00,020

what what's your latest upload on

1866

01:28:06,040 --> 01:28:03,860

youtube well I'm a she uploaded

1867

01:28:08,980 --> 01:28:06,050

something right now which is called UFO

1868

01:28:11,860 --> 01:28:08,990

disclosure 2016

1869

01:28:14,620 --> 01:28:11,870

probe she's actually had a conference

1870

01:28:16,870 --> 01:28:14,630

about I've been to so it's a report on a

1871

01:28:19,870 --> 01:28:16,880

conference of just being too so well I

1872

01:28:22,690 --> 01:28:19,880

hope yeah I hope you record the the

1873

01:28:24,460 --> 01:28:22,700

conference in Warminster for all of

1874

01:28:25,750 --> 01:28:24,470

those who can't be there and you know I

1875

01:28:27,370 --> 01:28:25,760

wish there was a way that I could send a

1876

01:28:29,590 --> 01:28:27,380

little video chat or something to tell

1877

01:28:32,020 --> 01:28:29,600

about my sighting so maybe we can work

1878

01:28:35,560 --> 01:28:32,030

on that too oh whoa yeah yeah definitely

1879

01:28:39,610 --> 01:28:35,570

one absolutely yes

1880

01:28:43,330 --> 01:28:39,620

anyway we have come to a the close of

1881

01:28:45,580 --> 01:28:43,340

another episode of exploring the bizarre

1882

01:28:47,500 --> 01:28:45,590

and Tim we've been on I think we're up

1883

01:28:48,520 --> 01:28:47,510

to about almost 40 episodes or something

1884

01:28:52,000 --> 01:28:48,530

like that I mean we've been going

1885

01:28:54,910 --> 01:28:52,010

gung-ho on this now for four for quite a

1886

01:28:57,040 --> 01:28:54,920

while and then our youtube channel is

1887

01:29:00,790 --> 01:28:57,050

available we've got a probably eighty or

1888

01:29:02,770 --> 01:29:00,800

ninety of videos up at mr. ufos secret

1889

01:29:04,750 --> 01:29:02,780

files where you can just type in Tim

1890

01:29:07,330 --> 01:29:04,760

Buckley go to Amazon type in Tim Buckley

1891

01:29:09,910 --> 01:29:07,340

go to youtube type in Tim Buckley go to

1892

01:29:12,510 --> 01:29:09,920

Google type in Tim Buckley but don't

1893

01:29:15,010 --> 01:29:12,520

believe half of what you read yeah

1894

01:29:18,510 --> 01:29:15,020

that's right and be on the lookout for

1895

01:29:21,550 --> 01:29:18,520

our new book as well just just out today

1896

01:29:23,530 --> 01:29:21,560

indeed it is and anyway we will be back

1897

01:29:25,900 --> 01:29:23,540

next week and tell your friends and

1898

01:29:30,490 --> 01:29:25,910

invite them over and turn up the sound

1899

01:29:31,930 --> 01:29:30,500

and get ready to explore the bizarre

1900

01:29:34,000 --> 01:29:31,940

good night everybody

1901
