**CLYDE LEWIS**

1  
00:00:35,350 --> 00:00:39,590  
hello this is the president

2  
00:00:43,139 --> 00:00:41,090  
hello this is the President of the

3  
00:00:48,729 --> 00:00:43,149  
United States

4  
00:00:48,739 --> 00:00:55,329  
this is my private line how did you

5  
00:01:16,180 --> 00:01:00,950  
receive every day there is nothing

6  
00:01:16,190 --> 00:01:29,360  
there are monsters

7  
00:01:29,370 --> 00:02:23,030  
speaker spoke up and said sweetly

8  
00:02:23,040 --> 00:02:30,150  
call the Nature Boy

9  
00:02:34,530 --> 00:02:32,010  
go online check us out at our stream

10  
00:02:35,690 --> 00:02:34,540  
live calm at stop stream live.com with

11  
00:02:37,460 --> 00:02:35,700  
all the

12  
00:02:39,530 --> 00:02:37,470  
that have Ground Zero on for three hours

13  
00:02:41,240 --> 00:02:39,540

you can listen online if you aren't

14

00:02:42,830 --> 00:02:41,250

clear away or if your station doesn't

15

00:02:44,600 --> 00:02:42,840

carry the full three hours find one that

16

00:02:47,449 --> 00:02:44,610

does or call your program director and

17

00:02:48,890 --> 00:02:47,459

ask if we could have Ground Zero on for

18

00:02:51,500 --> 00:02:48,900

three hours in your neck of the woods

19

00:02:57,410 --> 00:02:51,510

happy awesome we like to get the whole

20

00:03:05,570 --> 00:03:02,479

as I show is actually based on a concern

21

00:03:06,740 --> 00:03:05,580

from listeners in Iowa about something

22

00:03:08,900 --> 00:03:06,750

that's happening there they said getting

23

00:03:11,630 --> 00:03:08,910

news reports and people are baffled

24

00:03:14,840 --> 00:03:11,640

about what's happening

25

00:03:17,120 --> 00:03:14,850

I think it's Muscatine County in Iowa

26

00:03:20,180 --> 00:03:17,130

southeastern Iowa sort of you know of

27

00:03:22,940 --> 00:03:20,190

course I would assume it's some country

28

00:03:25,729 --> 00:03:22,950

area some out-of-the-way place but the

29

00:03:27,860 --> 00:03:25,739

news reports are quite haunting listen

30

00:03:30,500 --> 00:03:27,870

to this top story tonight men in black

31

00:03:33,259 --> 00:03:30,510

trench coats jumping out of cars driving

32

00:03:35,690 --> 00:03:33,269

a dike I can remember back when I worked

33

00:03:37,340 --> 00:03:35,700

alongside Wolfgang Gossett the man who

34

00:03:39,890 --> 00:03:37,350

would later become known as well one of

35

00:03:42,110 --> 00:03:39,900

the suspects at a DB Cooper case and he

36

00:03:44,360 --> 00:03:42,120

told me about the men in black this is

37

00:03:45,949 --> 00:03:44,370

long before the cartoonish version that

38

00:03:47,750 --> 00:03:45,959

we have seen in the movies came along

39

00:03:50,300 --> 00:03:47,760

and he said that that we need to be

40

00:03:52,039 --> 00:03:50,310

aware of them that the black hats and

41

00:03:54,949 --> 00:03:52,049

the mirrored shades were covers for men

42

00:03:57,020 --> 00:03:54,959

who were not mentally part of his earth

43

00:03:59,660 --> 00:03:57,030

they're a moral attitudes and their

44

00:04:01,130 --> 00:03:59,670

stares were part of legends they were

45

00:04:02,270 --> 00:04:01,140

first presented by the likes of John

46

00:04:04,520 --> 00:04:02,280

keel in the book the Mothman Prophecies

47

00:04:07,039 --> 00:04:04,530

I remember hearing about the men in

48

00:04:09,620 --> 00:04:07,049

black in the Mauri Island situation in

49

00:04:11,750 --> 00:04:09,630

the northwest here Thomas a Bullard a

50

00:04:13,759 --> 00:04:11,760

folklorist a UFO investigator argues

51  
00:04:16,940 --> 00:04:13,769  
that the men in black stepped into the

52  
00:04:18,199 --> 00:04:16,950  
shoes vacated by angels and demons but

53  
00:04:19,729 --> 00:04:18,209  
have now been modified to reflect

54  
00:04:21,790 --> 00:04:19,739  
extraterrestrial rather than

55  
00:04:24,219 --> 00:04:21,800  
supernatural employment but clearly our

56  
00:04:27,409 --> 00:04:24,229  
functionaries of the same mold

57  
00:04:30,050 --> 00:04:27,419  
Jerome Clarke once wrote he actually

58  
00:04:31,600 --> 00:04:30,060  
talked about William woods 1973 book a

59  
00:04:34,010 --> 00:04:31,610  
history of the devil which says

60  
00:04:35,630 --> 00:04:34,020  
sometimes the devil wears green or gray

61  
00:04:37,210 --> 00:04:35,640  
but mostly is dressed in black and

62  
00:04:39,590 --> 00:04:37,220  
always is in the fashions of the day

63  
00:04:42,080 --> 00:04:39,600

it's also the strange song called down

64  
00:04:43,340 --> 00:04:42,090  
in the park by Gary Newman Newman who

65  
00:04:45,140 --> 00:04:43,350  
himself looks very much like an

66  
00:04:47,540 --> 00:04:45,150  
alien-human hybrid wrote the song about

67  
00:04:49,310 --> 00:04:47,550  
a vision he had about being in a park

68  
00:04:51,529 --> 00:04:49,320  
where the gray aliens called mock men

69  
00:04:53,120 --> 00:04:51,539  
which is described as anthropomorphic

70  
00:04:54,379 --> 00:04:53,130  
machines with human skins and abduct

71  
00:04:57,140 --> 00:04:54,389  
rape and kill human beings for

72  
00:05:00,650 --> 00:04:57,150  
entertainment can be argued that the

73  
00:05:02,750 --> 00:05:00,660  
mock men are like women in black in fact

74  
00:05:04,310 --> 00:05:02,760  
one of the mock men is called number 5

75  
00:05:05,810 --> 00:05:04,320  
and presents himself at first as a

76

00:05:09,370 --> 00:05:05,820

friend and then later is revealed that

77

00:05:10,720 --> 00:05:09,380

he literally is an abusive evil entity

78

00:05:12,790 --> 00:05:10,730

when we hear secret intelligence

79

00:05:14,830 --> 00:05:12,800

operations we have to realize within our

80

00:05:16,570 --> 00:05:14,840

government there is secret groups

81

00:05:18,100 --> 00:05:16,580

there's a secret government which is

82

00:05:19,960 --> 00:05:18,110

like an octopus with tentacles that

83

00:05:21,880 --> 00:05:19,970

reach into every aspect of our lives

84

00:05:23,440 --> 00:05:21,890

those government tendrils are in the

85

00:05:25,420 --> 00:05:23,450

media the schools and our neighborhoods

86

00:05:26,680 --> 00:05:25,430

and we have the government we see in

87

00:05:28,780 --> 00:05:26,690

another government that has been called

88

00:05:30,280 --> 00:05:28,790

the shadow government but by individuals

89

00:05:32,230 --> 00:05:30,290

in the shadows that use well-placed

90

00:05:34,300 --> 00:05:32,240

programming and covering the tracks of

91

00:05:35,800 --> 00:05:34,310

agents that act on behalf of what can we

92

00:05:37,870 --> 00:05:35,810

call the New World Order are the men in

93

00:05:39,760 --> 00:05:37,880

black that order or are they something

94

00:05:42,430 --> 00:05:39,770

more they like the mot men are they like

95

00:05:44,890 --> 00:05:42,440

machines with human skins are they more

96

00:05:46,720 --> 00:05:44,900

alien and why is that they always show

97

00:05:48,820 --> 00:05:46,730

up when supernatural activities happen

98

00:05:51,940 --> 00:05:48,830

or celestial events happen well tonight

99

00:05:53,440 --> 00:05:51,950

we ring on again as is always a pleasure

100

00:05:56,290 --> 00:05:53,450

to bring you on the program tonight Tim

the first Ghostbuster Brad Stigers real

115

00:06:25,030 --> 00:06:23,570

monsters gruesome critters and beasts

116

00:06:27,040 --> 00:06:25,040

from the darkside and real ghosts

117

00:06:28,810 --> 00:06:27,050

restless spirits in haunted places he's

118

00:06:30,010 --> 00:06:28,820

also the editor of the internet news

119

00:06:31,210 --> 00:06:30,020

that our conspiracy journal is

120

00:06:33,250 --> 00:06:31,220

considered one of the essential reading

121

00:06:35,980 --> 00:06:33,260

journals by paranormal researchers

122

00:06:38,320 --> 00:06:35,990

worldwide oh boy Tim Schwartz welcome to

123

00:06:40,300 --> 00:06:38,330

ground zero dubai thank you collide it's

124

00:06:41,920 --> 00:06:40,310

a pleasure being with you again tonight

125

00:06:43,150 --> 00:06:41,930

yeah it's amazing I had to call on you

126  
00:06:44,530 --> 00:06:43,160  
to come in and comment on this you know

127  
00:06:47,200 --> 00:06:44,540  
this is the first time I think in a long

128  
00:06:50,410 --> 00:06:47,210  
time I've heard a men and black story

129  
00:06:51,940 --> 00:06:50,420  
that certainly is mysterious because

130  
00:06:53,470 --> 00:06:51,950  
they don't really give too much detail

131  
00:06:55,170 --> 00:06:53,480  
only that they say that they're standing

132  
00:06:58,120 --> 00:06:55,180  
on the side of this country road

133  
00:06:59,380 --> 00:06:58,130  
harassing motorists and even jumping out

134  
00:07:02,860 --> 00:06:59,390  
in front of cars what do you make of

135  
00:07:05,620 --> 00:07:02,870  
this yeah you know this these stories

136  
00:07:08,350 --> 00:07:05,630  
sounds an awful lot like more along the

137  
00:07:11,710 --> 00:07:08,360  
lines of like the lovers laying ghosts

138  
00:07:13,750 --> 00:07:11,720

or cryptids that you usually happens

139

00:07:16,570 --> 00:07:13,760

along New York dark country roads you

140

00:07:19,679 --> 00:07:16,580

know I I checked on Google Maps and

141

00:07:23,159 --> 00:07:19,689

this county is just to the west

142

00:07:26,009 --> 00:07:23,169

Davenport Iowa and it's a it's a really

143

00:07:29,279 --> 00:07:26,019

rural area and you know unlike the

144

00:07:32,669 --> 00:07:29,289

traditional men and black reports which

145

00:07:35,699 --> 00:07:32,679

tend to be more on a personal level this

146

00:07:38,669 --> 00:07:35,709

just seems to be something going on to

147

00:07:43,699 --> 00:07:38,679

scare people you know I mean

148

00:07:47,069 --> 00:07:43,709

traditionally the the men in black would

149

00:07:49,589 --> 00:07:47,079

approach somebody who had you know say

150

00:07:52,169 --> 00:07:49,599

like a UFO sighting or something along

151

00:07:55,139 --> 00:07:52,179

those lines approach them while they

152

00:07:59,939 --> 00:07:55,149

were alone warned them not to talk or

153

00:08:03,989 --> 00:07:59,949

whatever and and then disappear you know

154

00:08:06,059 --> 00:08:03,999

this situation with the exception of

155

00:08:09,869 --> 00:08:06,069

night it's a little bit of research and

156

00:08:16,499 --> 00:08:09,879

you know there have been a number of UFO

157

00:08:18,479 --> 00:08:16,509

sightings in Eastern Iowa april/may

158

00:08:22,019 --> 00:08:18,489

Mazzoni there was an interesting case in

159

00:08:24,839 --> 00:08:22,029

Waterloo which is just north of this

160

00:08:28,739 --> 00:08:24,849

county where somebody said that they saw

161

00:08:33,089 --> 00:08:28,749

about 15 to 20 glowing figures in the

162

00:08:37,559 --> 00:08:33,099

sky floating overhead so you know that

163

00:08:40,230 --> 00:08:37,569

it's whenever you have a situation like

164

00:08:44,129 --> 00:08:40,240

what's going on now we're where there

165

00:08:45,780 --> 00:08:44,139

are strange people entities whatever you

166

00:08:49,110 --> 00:08:45,790

want to call them being seen alongside

167

00:08:51,480 --> 00:08:49,120

the roads walking along the road jumping

168

00:08:55,189 --> 00:08:51,490

out trying to get the cars to stop

169

00:08:59,059 --> 00:08:55,199

things like that you'll also find that

170

00:09:02,910 --> 00:08:59,069

there'll be an uptick of UFO reports

171

00:09:05,519 --> 00:09:02,920

ghostly incidents cryptids Bigfoot dog

172

00:09:07,850 --> 00:09:05,529

man you know things like that I was

173

00:09:09,990 --> 00:09:07,860

noticing that in fact there was a

174

00:09:11,850 --> 00:09:10,000

Janine's been sending me my feeling

175

00:09:14,249 --> 00:09:11,860

about sorry my wife now she's my wife

176

00:09:16,199 --> 00:09:14,259

yes my wife Jeanine has been sending me

177

00:09:18,660 --> 00:09:16,209

a lot of information about UFO sightings

178

00:09:20,280 --> 00:09:18,670

and she actually but I told her I was

179

00:09:23,850 --> 00:09:20,290

gonna talk about BMI B's of the men in

180

00:09:26,759 --> 00:09:23,860

black in Iowa she had sent me a report

181

00:09:28,949 --> 00:09:26,769

kasha was a while ago talking about how

182

00:09:31,019 --> 00:09:28,959

they were flying triangle scene over

183

00:09:32,410 --> 00:09:31,029

Iowa summer scene over Indiana where

184

00:09:37,030 --> 00:09:32,420

you're from

185

00:09:38,910 --> 00:09:37,040

you know Waterloo Iowa apparently there

186

00:09:41,680 --> 00:09:38,920

was a UFO sighting there as you said

187

00:09:44,320 --> 00:09:41,690

gosh I mean I can go down a list of is

188

00:09:46,240 --> 00:09:44,330

some in Des Moines we're seen there

189

00:09:48,670 --> 00:09:46,250

seems to be a flap over that area of the

190

00:09:50,620 --> 00:09:48,680

country right now and just bringing the

191

00:09:51,880 --> 00:09:50,630

the men and blacking of the picture make

192

00:09:53,830 --> 00:09:51,890

it even more intriguing

193

00:09:57,010 --> 00:09:53,840

you know the idea of why would they

194

00:09:59,560 --> 00:09:57,020

spend time in and especially thing about

195

00:10:01,450 --> 00:09:59,570

this too this is something that I think

196

00:10:03,640 --> 00:10:01,460

also needs to be brought up to him if

197

00:10:06,580 --> 00:10:03,650

this is a small town you know or a small

198

00:10:08,170 --> 00:10:06,590

area and you know and they see these men

199

00:10:09,820 --> 00:10:08,180

in black and the trench coat standing on

200

00:10:11,740 --> 00:10:09,830

the street and please say well it's

201  
00:10:13,120 --> 00:10:11,750  
probably teenagers pulling pranks how

202  
00:10:15,910 --> 00:10:13,130  
many people really live in that area

203  
00:10:18,820 --> 00:10:15,920  
would you recognize who these men are in

204  
00:10:20,590 --> 00:10:18,830  
the trench coats you know you feel

205  
00:10:21,940 --> 00:10:20,600  
exactly if it's a small town you'd know

206  
00:10:24,400 --> 00:10:21,950  
who they are unless they cover their

207  
00:10:26,530 --> 00:10:24,410  
faces in black or something but this the

208  
00:10:28,420 --> 00:10:26,540  
idea that the police I think are kind of

209  
00:10:30,280 --> 00:10:28,430  
neglecting their ability to investigate

210  
00:10:32,320 --> 00:10:30,290  
saying it may be teenagers and pranks

211  
00:10:34,540 --> 00:10:32,330  
like probably literally joking about it

212  
00:10:36,790 --> 00:10:34,550  
which i think is is weird but people are

213  
00:10:40,210 --> 00:10:36,800

terrified by this and it's out like you

214

00:10:41,740 --> 00:10:40,220

say in a very rural area of Iowa so

215

00:10:44,350 --> 00:10:41,750

you'd be able to recognize who the

216

00:10:47,500 --> 00:10:44,360

people are in the in the in the trench

217

00:10:49,690 --> 00:10:47,510

coats you know large people jumping out

218

00:10:52,120 --> 00:10:49,700

in front of cars or whatever people get

219

00:10:53,650 --> 00:10:52,130

these it's just it's just crazy what's

220

00:10:54,850 --> 00:10:53,660

going on in the world Tim Schwartz was

221

00:10:58,510 --> 00:10:54,860

tonight on Ground Zero the numbers you

222

00:11:00,640 --> 00:10:58,520

call triple 8 673 3700 that's triple 8 6

223

00:11:03,400 --> 00:11:00,650

7 3 3700 have you had an encounter with

224

00:11:05,050 --> 00:11:03,410

an MIB or a man in black or something

225

00:11:07,660 --> 00:11:05,060

that would be considered a shadow

226  
00:11:09,340 --> 00:11:07,670  
entity or a dark entity who knows moving

227  
00:11:10,810 --> 00:11:09,350  
on the side of the road or standing in

228  
00:11:16,190 --> 00:11:10,820  
front of you it's just creepy triple 8

229  
00:11:21,769 --> 00:11:18,230  
Nate writes me my wife and I were

230  
00:11:23,930 --> 00:11:21,779  
driving i-25 four years ago almost hit a

231  
00:11:26,210 --> 00:11:23,940  
man walking down the white line dividing

232  
00:11:29,629 --> 00:11:26,220  
lanes wearing a black trench coat it was

233  
00:11:31,370 --> 00:11:29,639  
shocking I guess the guy disappeared but

234  
00:11:32,569 --> 00:11:31,380  
Tim Schwartz with us tonight you know

235  
00:11:35,780 --> 00:11:32,579  
when we're talking about the men in

236  
00:11:39,889 --> 00:11:35,790  
black I have well I can say this I have

237  
00:11:42,560 --> 00:11:39,899  
met at least well one person who claimed

238  
00:11:44,360 --> 00:11:42,570

to be a man in black talked with him

239

00:11:46,639 --> 00:11:44,370

interviewed him a bit and found out what

240

00:11:49,430 --> 00:11:46,649

he was all about and then I I've seen

241

00:11:52,329 --> 00:11:49,440

men in black or I saw a group of men in

242

00:11:54,439 --> 00:11:52,339

black walking along a Portland Street

243

00:11:56,810 --> 00:11:54,449

actually it was in an area where there

244

00:11:58,280 --> 00:11:56,820

was this bar so I'm walking around was

245

00:11:59,840 --> 00:11:58,290

kind of shocked that I saw him and then

246

00:12:02,629 --> 00:11:59,850

he just disappeared couldn't find him

247

00:12:04,280 --> 00:12:02,639

after that and I always ask myself since

248

00:12:05,990 --> 00:12:04,290

you know that I would say the men in

249

00:12:07,670 --> 00:12:06,000

black are pretty much flesh and blood

250

00:12:09,680 --> 00:12:07,680

but there are those who say that these

251

00:12:11,139 --> 00:12:09,690

dark entities these shadow entities more

252

00:12:13,400 --> 00:12:11,149

like men and black entities are

253

00:12:15,769 --> 00:12:13,410

supernatural or many say they're like

254

00:12:18,379 --> 00:12:15,779

the mock men which they are almost like

255

00:12:19,910 --> 00:12:18,389

robots which they act weird they don't

256

00:12:22,519 --> 00:12:19,920

act human they act kind of like that

257

00:12:23,780 --> 00:12:22,529

they've been programmed what do you say

258

00:12:26,780 --> 00:12:23,790

Tim what do you think they are

259

00:12:28,340 --> 00:12:26,790

well actually quiet eyes I think it's

260

00:12:32,560 --> 00:12:28,350

like a little bit of a column and a

261

00:12:36,860 --> 00:12:32,570

little bit from column B I do think that

262

00:12:38,540 --> 00:12:36,870

there is you know I don't know whether

263

00:12:39,769 --> 00:12:38,550

it be a branch of an intelligence

264

00:12:43,189 --> 00:12:39,779

service or something just completely

265

00:12:45,170 --> 00:12:43,199

outside of you know what we think of as

266

00:12:49,670 --> 00:12:45,180

you know like normal government or

267

00:12:54,470 --> 00:12:49,680

military operations that maybe somewhere

268

00:12:56,930 --> 00:12:54,480

along the line has started to adopt the

269

00:12:58,519 --> 00:12:56,940

the ideals that people were reporting

270

00:13:01,100 --> 00:12:58,529

about them in a black you know because

271

00:13:03,019 --> 00:13:01,110

they saw that it was getting attention

272

00:13:05,210 --> 00:13:03,029

and it seemed to be effective and they

273

00:13:08,600 --> 00:13:05,220

actually you know started to you know

274

00:13:11,210 --> 00:13:08,610

deploy people dressed in black that used

275

00:13:15,250 --> 00:13:11,220

the same kind of techniques I do think

276

00:13:18,050 --> 00:13:15,260

however that based on a number of

277

00:13:20,329 --> 00:13:18,060

reports that I've read about and reports

278

00:13:24,620 --> 00:13:20,339

of people that personally people have

279

00:13:27,440 --> 00:13:24,630

told me that there seems to be

280

00:13:29,690 --> 00:13:27,450

and you know I use this word you know

281

00:13:31,870 --> 00:13:29,700

Apple quotation marks around it you love

282

00:13:34,340 --> 00:13:31,880

it of a supernatural or paranormal

283

00:13:36,350 --> 00:13:34,350

element and of course you know I mean

284

00:13:38,740 --> 00:13:36,360

you know what I say that it just means

285

00:13:41,480 --> 00:13:38,750

that we just don't quite understand

286

00:13:43,160 --> 00:13:41,490

what's what's actually going on you know

287

00:13:44,960 --> 00:13:43,170

a lot of people when you use the word

288

00:13:47,330 --> 00:13:44,970

paranormal is supernatural you know

289

00:13:48,710 --> 00:13:47,340

their eyes kind of glaze over and like I

290

00:13:51,590 --> 00:13:48,720

yeah you're just telling you know ghost

291

00:13:56,690 --> 00:13:51,600

stories but a lot of these men and black

292

00:14:00,050 --> 00:13:56,700

reports are very much like like ghosts

293

00:14:02,710 --> 00:14:00,060

or the shadow people or or just that

294

00:14:05,870 --> 00:14:02,720

there's this something not quite human

295

00:14:09,230 --> 00:14:05,880

about them you know the the recent

296

00:14:12,590 --> 00:14:09,240

uptick of people seen black-eyed

297

00:14:15,920 --> 00:14:12,600

children that's very reminiscent of a

298

00:14:20,000 --> 00:14:15,930

lot of the the the earlier men in black

299

00:14:22,880 --> 00:14:20,010

reports because a lot of these cases the

300

00:14:26,090 --> 00:14:22,890

the men in black would say would show up

301

00:14:28,130 --> 00:14:26,100

at your door and ask to be invited in

302

00:14:29,630 --> 00:14:28,140

and you know despite the fact that you

303

00:14:31,250 --> 00:14:29,640

know here's some strange-looking people

304

00:14:34,010 --> 00:14:31,260

on your front doorstep you've never seen

305

00:14:35,900 --> 00:14:34,020

them before most people will just open

306

00:14:37,850 --> 00:14:35,910

their door and yeah come on in and then

307

00:14:43,510 --> 00:14:37,860

afterwards they'll say I don't know why

308

00:14:46,070 --> 00:14:43,520

I did that I guess you feel sorry for

309

00:14:48,080 --> 00:14:46,080

these black-eyed children are these

310

00:14:50,480 --> 00:14:48,090

entities in fact I remember when I first

311

00:14:51,950 --> 00:14:50,490

heard of the the black-eyed children in

312

00:14:53,420 --> 00:14:51,960

fact it came here from the northwest

313

00:14:55,400 --> 00:14:53,430

somebody was actually stopping to get

314

00:14:57,140 --> 00:14:55,410

beer and a child comes up and knocks on

315

00:14:58,550 --> 00:14:57,150

the window and said you know let me in

316

00:15:00,110 --> 00:14:58,560

take me home and then when they took

317

00:15:02,360 --> 00:15:00,120

them to what believed what they believed

318

00:15:03,560 --> 00:15:02,370

was his house he walked out and said

319

00:15:05,780 --> 00:15:03,570

thank you when they looked again he was

320

00:15:07,070 --> 00:15:05,790

gone and they thought he'd disappeared

321

00:15:09,260 --> 00:15:07,080

same with these men and black they're

322

00:15:10,670 --> 00:15:09,270

being seen in Iowa you know they blink

323

00:15:11,570 --> 00:15:10,680

and you miss them or they jump out in

324

00:15:13,040 --> 00:15:11,580

front of the car you're free you're

325

00:15:14,120 --> 00:15:13,050

gonna drive off the road police just say

326

00:15:16,040 --> 00:15:14,130

we don't know what is but a lot of

327

00:15:18,080 --> 00:15:16,050

people are claiming they're seeing these

328

00:15:20,360 --> 00:15:18,090

men in black which makes me realize that

329

00:15:21,950 --> 00:15:20,370

you know there was a time with the g-men

330

00:15:23,030 --> 00:15:21,960

there was a time of these agents who

331

00:15:24,830 --> 00:15:23,040

were going in and telling people you

332

00:15:27,320 --> 00:15:24,840

didn't see anything no ufos or whatever

333

00:15:28,580 --> 00:15:27,330

you see the cartoonish men in black in

334

00:15:30,740 --> 00:15:28,590

the theaters when you go to the movies

335

00:15:32,960 --> 00:15:30,750

you see Will Smith and Tommy Lee Jones

336

00:15:33,860 --> 00:15:32,970

is the agents in the men in black and

337

00:15:35,990 --> 00:15:33,870

people seem to think there's some

338

00:15:38,270 --> 00:15:36,000

cartoon insanity but I

339

00:15:40,970 --> 00:15:38,280

appeared on shows I was on American

340

00:15:42,380 --> 00:15:40,980

monsters on a destination America and I

341

00:15:43,730 --> 00:15:42,390

thought you know from what I've

342

00:15:45,740 --> 00:15:43,740

experienced where I've seen is that the

343

00:15:47,540 --> 00:15:45,750

men in black will do anything maybe they

344

00:15:48,890 --> 00:15:47,550

would even harm you and there's so many

345

00:15:50,510 --> 00:15:48,900

different I guess you get

346

00:15:52,160 --> 00:15:50,520

personifications of this man in black

347

00:15:54,080 --> 00:15:52,170

anything you mentioned like the

348

00:15:55,880 --> 00:15:54,090

black-eyed children's one the shadow

349

00:15:59,420 --> 00:15:55,890

entities there's also the grinning man

350

00:16:00,530 --> 00:15:59,430

which at one time we did a show in fact

351

00:16:02,720 --> 00:16:00,540

we can even open up calls for the

352

00:16:05,180 --> 00:16:02,730

grinning man people dream about the

353

00:16:06,890 --> 00:16:05,190

grinning man they they see the grinning

354

00:16:08,870 --> 00:16:06,900

man standing there looking over them in

355

00:16:10,760 --> 00:16:08,880

their sleep and he has this grin on his

356

00:16:12,050 --> 00:16:10,770

face like he's about to eat you or he

357

00:16:14,570 --> 00:16:12,060

has his grin on his face it's kind of an

358

00:16:15,770 --> 00:16:14,580

evil smirk and people dream about this

359

00:16:17,750 --> 00:16:15,780

and they can't get it out of their heads

360

00:16:19,670 --> 00:16:17,760

and I remember I had a dream about the

361

00:16:21,440 --> 00:16:19,680

grinning man once and it was very creepy

362

00:16:23,630 --> 00:16:21,450

and I told somebody this story while a

363

00:16:25,700 --> 00:16:23,640

couple days ago as a matter of fact I

364

00:16:28,790 --> 00:16:25,710

was actually this is my dream I was

365

00:16:31,040 --> 00:16:28,800

actually in this meadow or this this

366

00:16:33,590 --> 00:16:31,050

farm area kind of like Iowa I guess in

367

00:16:37,430 --> 00:16:33,600

this farm area and what I saw was this

368

00:16:39,530 --> 00:16:37,440

beautiful sunset and if this beautiful

369

00:16:41,540 --> 00:16:39,540

sunset farm area I looked and I saw this

370

00:16:42,770 --> 00:16:41,550

you know those old windmills that you

371

00:16:44,690 --> 00:16:42,780

know at farms and they're kind of

372

00:16:46,760 --> 00:16:44,700

creaking and it's black silhouetted

373

00:16:49,520 --> 00:16:46,770

against the sunset and see this little

374

00:16:51,560 --> 00:16:49,530

farmhouse and and I could smell the

375

00:16:53,510 --> 00:16:51,570

grass I could hear that mosquitos

376

00:16:55,940 --> 00:16:53,520

buzzing and all this and then all of a

377

00:16:59,360 --> 00:16:55,950

sudden I heard something like the the

378

00:17:01,190 --> 00:16:59,370

the straw behind me crack and I look

379

00:17:04,850 --> 00:17:01,200

around and standing there is this

380

00:17:07,250 --> 00:17:04,860

grinning man he was wearing overalls and

381

00:17:09,140 --> 00:17:07,260

he had white hair just white long hair

382

00:17:10,220 --> 00:17:09,150

and he had the grin on his face he

383

00:17:11,809 --> 00:17:10,230

looked at me with his grin he was

384

00:17:15,050 --> 00:17:11,819

smiling and just with a grin he reached

385

00:17:19,220 --> 00:17:15,060

up he put his hands on both the sides of

386

00:17:22,250 --> 00:17:19,230

my my head and he twisted it and I woke

387

00:17:25,250 --> 00:17:22,260

up he twisted my neck I heard the crack

388

00:17:27,380 --> 00:17:25,260

and I woke up and I woke up with my

389

00:17:29,090 --> 00:17:27,390

heart pounding and terrified because it

390

00:17:30,830 --> 00:17:29,100

was just a split-second where everything

391

00:17:33,590 --> 00:17:30,840

was just like innocent and beautiful and

392

00:17:35,600 --> 00:17:33,600

pristine and then behind me lurk kiss

393

00:17:37,700 --> 00:17:35,610

grinning man with his evil grin on his

394

00:17:39,050 --> 00:17:37,710

face and they say that you know if you

395

00:17:40,280 --> 00:17:39,060

see the grinning man in your dreams that

396

00:17:41,570 --> 00:17:40,290

means something terrible is going to

397

00:17:43,520 --> 00:17:41,580

happen to somebody you know or it's

398

00:17:44,930 --> 00:17:43,530

already happened to someone but I don't

399

00:17:46,680 --> 00:17:44,940

even remember I don't even recall what

400

00:17:48,869 --> 00:17:46,690

happened after I saw this but there's so

401  
00:17:50,340 --> 00:17:48,879  
terrifying to be there in this pristine

402  
00:17:52,169 --> 00:17:50,350  
area feeling all safe and secure and

403  
00:17:54,299 --> 00:17:52,179  
then looking behind me there's this man

404  
00:17:56,039 --> 00:17:54,309  
with white hair wearing coveralls who's

405  
00:17:57,690 --> 00:17:56,049  
wearing colors look like a farmer you

406  
00:17:59,850 --> 00:17:57,700  
know you could have been a farmer like I

407  
00:18:01,919 --> 00:17:59,860  
was on some farmers land he steadied it

408  
00:18:04,289 --> 00:18:01,929  
with his grinning face and he had long

409  
00:18:06,360 --> 00:18:04,299  
white hair and kinda like Uncle Sam

410  
00:18:07,950 --> 00:18:06,370  
without the goatee comes up and looks me

411  
00:18:10,379 --> 00:18:07,960  
right in the face and smiles at me like

412  
00:18:12,990 --> 00:18:10,389  
yeah I I really think you're you're

413  
00:18:15,749 --> 00:18:13,000

wonderful kind of a weird creepy you

414

00:18:17,100 --> 00:18:15,759

know no spirit type of smile takes and

415

00:18:19,019 --> 00:18:17,110

grabs my head and just twist my neck

416

00:18:20,940 --> 00:18:19,029

until my neck breaks and it just it

417

00:18:22,680 --> 00:18:20,950

frightened me and woke me up and you

418

00:18:25,139 --> 00:18:22,690

know and that's different incarnations

419

00:18:27,450 --> 00:18:25,149

of the men in black myth and craziness

420

00:18:28,769 --> 00:18:27,460

in it and I and I tell you even talk

421

00:18:30,720 --> 00:18:28,779

about an else got me choked up and

422

00:18:33,539 --> 00:18:30,730

frightened but the mi B's the men in

423

00:18:34,889 --> 00:18:33,549

black in Iowa they're seeing them now on

424

00:18:38,879 --> 00:18:34,899

the road police have been investigating

425

00:18:41,220 --> 00:18:38,889

this in Muscatine Iowa it's a county

426

00:18:43,200 --> 00:18:41,230

have you seen crazy men in black in the

427

00:18:49,090 --> 00:18:43,210

grinning man will be back nice flight

428

00:18:53,590 --> 00:18:51,430

tonight the men in black just what are

429

00:18:56,919 --> 00:18:53,600

they reports have been in black

430

00:19:01,090 --> 00:18:56,929

appearing in Iowa startling motorists in

431

00:19:05,670 --> 00:19:01,100

a rural highway police are investigating

432

00:19:10,110 --> 00:19:07,650

and it gives us reason to discuss the

433

00:19:10,110 --> 00:19:10,120

men in black

434

00:19:14,700 --> 00:19:12,149

and the nightmare that exists inside all

435

00:19:17,070 --> 00:19:14,710

of us comes from the most primitive side

436

00:19:19,830 --> 00:19:17,080

of the brain it's horror that exists

437

00:19:22,080 --> 00:19:19,840

between dream time and consciousness

438

00:19:23,430 --> 00:19:22,090

it's the feeling of an ominous sense of

439

00:19:26,519 --> 00:19:23,440

doom as you realize that you are not

440

00:19:28,980 --> 00:19:26,529

alone in an otherwise safe and secure

441

00:19:31,950 --> 00:19:28,990

place it's even more chilling when you

442

00:19:33,510 --> 00:19:31,960

hear about the men in black under

443

00:19:35,519 --> 00:19:33,520

investigation because no one knows what

444

00:19:37,380 --> 00:19:35,529

they are two rural community those who

445

00:19:39,539 --> 00:19:37,390

don't know what's going on in Iowa now

446

00:19:41,279 --> 00:19:39,549

they are seeing or residents they are

447

00:19:43,889 --> 00:19:41,289

worried because the men in black are

448

00:19:45,419 --> 00:19:43,899

appearing on roadsides some of them are

449

00:19:47,399 --> 00:19:45,429

even jumping in front of traffic here's

450

00:19:49,860 --> 00:19:47,409

the report a top story tonight men in

451  
00:19:51,960 --> 00:19:49,870  
black trench coats jumping out of cars

452  
00:19:54,389 --> 00:19:51,970  
driving a dyke thanks for joining us I'm

453  
00:19:55,769 --> 00:19:54,399  
Gary the TVA and Paula sands police in

454  
00:19:57,539 --> 00:19:55,779  
Muscatine are trying to get to the

455  
00:20:00,149 --> 00:19:57,549  
bottom of this these reports about this

456  
00:20:01,440 --> 00:20:00,159  
mysterious several men in black out on

457  
00:20:03,330 --> 00:20:01,450  
the roads at night sometimes stepping

458  
00:20:05,700 --> 00:20:03,340  
right out in front of cars as they pass

459  
00:20:07,830 --> 00:20:05,710  
by the bus 15 County sheriff's office

460  
00:20:09,389 --> 00:20:07,840  
also says they have officers patrolling

461  
00:20:12,600 --> 00:20:09,399  
the areas where these men have already

462  
00:20:13,950 --> 00:20:12,610  
been spotted Tim Schwartz with us

463  
00:20:15,029 --> 00:20:13,960

tonight on ground sir you know after

464

00:20:16,799 --> 00:20:15,039

let's see our report I've been hearing

465

00:20:20,549 --> 00:20:16,809

that report about the men in black in

466

00:20:22,980 --> 00:20:20,559

Iowa and you did a search on Google Maps

467

00:20:26,730 --> 00:20:22,990

and you found that it was a very it's a

468

00:20:28,200 --> 00:20:26,740

rural area there so okay so these men in

469

00:20:30,870 --> 00:20:28,210

black are appearing on the side of the

470

00:20:32,669 --> 00:20:30,880

road they are scaring people driving

471

00:20:35,010 --> 00:20:32,679

down the road at night they step in

472

00:20:36,899 --> 00:20:35,020

front of traffic and they almost get hit

473

00:20:40,470 --> 00:20:36,909

they don't get yet okay there's been no

474

00:20:42,750 --> 00:20:40,480

fatalities question I have is if I were

475

00:20:44,190 --> 00:20:42,760

to see a man in a trench coat or in a

476  
00:20:46,110 --> 00:20:44,200  
black cape standing on the side of the

477  
00:20:48,840 --> 00:20:46,120  
road or at least walking in front of my

478  
00:20:51,750 --> 00:20:48,850  
vehicle I would stop the vehicle I would

479  
00:20:53,519 --> 00:20:51,760  
get out to see just who is in the trench

480  
00:20:55,860 --> 00:20:53,529  
coat or in the cape and I would try to

481  
00:20:58,889 --> 00:20:55,870  
tell them or at least confront them

482  
00:21:00,450 --> 00:20:58,899  
let's see where would they hide if they

483  
00:21:04,019 --> 00:21:00,460  
were to do this I mean if the motorists

484  
00:21:05,399 --> 00:21:04,029  
see them and they almost hit them where

485  
00:21:06,630 --> 00:21:05,409  
are they hiding so they can't be found

486  
00:21:08,820 --> 00:21:06,640  
and why did the police say that's a

487  
00:21:11,010 --> 00:21:08,830  
prank done my teenagers when you know

488  
00:21:12,480 --> 00:21:11,020

they can't find them or the people who

489

00:21:13,919 --> 00:21:12,490

see them don't pull over and say well

490

00:21:15,899 --> 00:21:13,929

what's going on here that's the thing I

491

00:21:18,090 --> 00:21:15,909

don't understand well and you have to

492

00:21:20,940 --> 00:21:18,100

realize also Clyde that you know in this

493

00:21:22,520 --> 00:21:20,950

day and age of social media in a small

494

00:21:24,440 --> 00:21:22,530

area like that

495

00:21:25,760 --> 00:21:24,450

if teenagers were involved it wouldn't

496

00:21:28,610 --> 00:21:25,770

be too long before they'll be bragging

497

00:21:32,600 --> 00:21:28,620

about it you know on a snapchat or

498

00:21:34,250 --> 00:21:32,610

Facebook and you know the the kind it

499

00:21:36,890 --> 00:21:34,260

suit it will spread through the

500

00:21:40,280 --> 00:21:36,900

community who's actually responsible but

501  
00:21:43,940 --> 00:21:40,290  
if you baseless on other instances

502  
00:21:45,830 --> 00:21:43,950  
throughout history probably nothing will

503  
00:21:48,440 --> 00:21:45,840  
ever be discovered nobody will ever

504  
00:21:50,690 --> 00:21:48,450  
admit to to have you know been

505  
00:21:53,000 --> 00:21:50,700  
responsible for this the police may

506  
00:21:54,890 --> 00:21:53,010  
actually go and arrest a couple of kids

507  
00:21:57,110 --> 00:21:54,900  
and say how we solved it but that a

508  
00:21:58,640 --> 00:21:57,120  
couple of weeks later you'll find out

509  
00:22:01,640 --> 00:21:58,650  
that you know these kids weren't really

510  
00:22:03,910 --> 00:22:01,650  
responsible and you know it'll just go

511  
00:22:06,350 --> 00:22:03,920  
down in the annals of history as being

512  
00:22:07,790 --> 00:22:06,360  
unsolved now the point that you made

513  
00:22:09,650 --> 00:22:07,800

about you know you would stop the car

514

00:22:11,570 --> 00:22:09,660

and you don't get out and you know see

515

00:22:13,820 --> 00:22:11,580

what was going on you know a lot of

516

00:22:17,060 --> 00:22:13,830

people who have these kinds of

517

00:22:22,370 --> 00:22:17,070

experiences they're there suddenly hits

518

00:22:25,310 --> 00:22:22,380

you know with gosh overwhelming feelings

519

00:22:27,800 --> 00:22:25,320

of fear and and and terror in a

520

00:22:30,890 --> 00:22:27,810

situation like then you know I mean it's

521

00:22:31,610 --> 00:22:30,900

just completely they'll say afterwards

522

00:22:33,380 --> 00:22:31,620

you know it's just completely

523

00:22:35,720 --> 00:22:33,390

unreasonable I mean you know they sure

524

00:22:38,480 --> 00:22:35,730

it's kind of a weird situation but I

525

00:22:39,980 --> 00:22:38,490

felt like that I was going to die what a

526

00:22:41,630 --> 00:22:39,990

lot of people say and they'll just hit

527

00:22:43,370 --> 00:22:41,640

the accelerator and get the heck out of

528

00:22:45,470 --> 00:22:43,380

there and quickly as they possibly get

529

00:22:46,670 --> 00:22:45,480

well and I was having a discussion and

530

00:22:48,800 --> 00:22:46,680

that's why I find it interesting that

531

00:22:50,150 --> 00:22:48,810

this story is finally it made a

532

00:22:53,300 --> 00:22:50,160

mainstream I was having a discussion

533

00:22:54,890 --> 00:22:53,310

with a gentleman that was at Sunday as a

534

00:22:57,410 --> 00:22:54,900

matter of fact it was during the game I

535

00:22:59,150 --> 00:22:57,420

was having wings with Liam my son we

536

00:23:00,950 --> 00:22:59,160

were standing there getting wings this

537

00:23:03,380 --> 00:23:00,960

guy recognized me and he was telling me

538

00:23:05,660 --> 00:23:03,390

about how after he got back from his

539

00:23:09,020 --> 00:23:05,670

tour in Iraq he said that he was having

540

00:23:11,300 --> 00:23:09,030

these vivid dreams of a shadow entity

541

00:23:12,770 --> 00:23:11,310

over his bed and he said he would wake

542

00:23:14,600 --> 00:23:12,780

up and he would see it looking down at

543

00:23:16,880 --> 00:23:14,610

him grinning at him looking as if it

544

00:23:18,440 --> 00:23:16,890

wanted to harm him and I was thinking

545

00:23:20,150 --> 00:23:18,450

wow what you know this is an amazing

546

00:23:21,590 --> 00:23:20,160

story it's a scary story I mean I've

547

00:23:23,270 --> 00:23:21,600

heard people talking about the incubi

548

00:23:25,280 --> 00:23:23,280

and succubi and I've had them talk about

549

00:23:27,290 --> 00:23:25,290

all these things with me and how these

550

00:23:29,030 --> 00:23:27,300

spirits show up in the bed or they show

551  
00:23:30,410 --> 00:23:29,040  
up on the side in a closet and they're

552  
00:23:32,690 --> 00:23:30,420  
hiding there and they're grinning or

553  
00:23:34,070 --> 00:23:32,700  
laughing one guy even called one night

554  
00:23:34,549 --> 00:23:34,080  
we were talking about as he said he bit

555  
00:23:38,119 --> 00:23:34,559  
one

556  
00:23:39,889 --> 00:23:38,129  
he bid it he said it was just a strange

557  
00:23:42,769 --> 00:23:39,899  
sensation in his mouth when he bit the

558  
00:23:44,269 --> 00:23:42,779  
thing and and but it was odd that this

559  
00:23:45,409 --> 00:23:44,279  
out of nowhere this gentleman was

560  
00:23:47,239 --> 00:23:45,419  
telling me the story about a shadow

561  
00:23:50,239 --> 00:23:47,249  
entity that appeared to him and I was

562  
00:23:52,430 --> 00:23:50,249  
reminiscing back that you know a lot of

563  
00:23:55,340 --> 00:23:52,440

these dark entities whether they be the

564

00:23:58,580 --> 00:23:55,350

the men in black that we see in UFO

565

00:24:00,139 --> 00:23:58,590

stories or perhaps like the Hat man many

566

00:24:02,810 --> 00:24:00,149

people talk about the Hat man now that's

567

00:24:05,720 --> 00:24:02,820

another story that has come about

568

00:24:07,039 --> 00:24:05,730

Slender Man a Tulpa the became it was

569

00:24:08,600 --> 00:24:07,049

created on a website and became a

570

00:24:11,570 --> 00:24:08,610

reality for two little girls who wanted

571

00:24:14,239 --> 00:24:11,580

to commit murder these dark denizens

572

00:24:16,639 --> 00:24:14,249

have have come from bad dreams and into

573

00:24:18,350 --> 00:24:16,649

our reality and when you look at the

574

00:24:20,779 --> 00:24:18,360

shadowy archetypes that have been known

575

00:24:22,159 --> 00:24:20,789

by by all of these names they give them

576

00:24:24,560 --> 00:24:22,169

the boogeyman names everything from the

577

00:24:26,450 --> 00:24:24,570

men in black to hat man - you know -

578

00:24:28,039 --> 00:24:26,460

Slender Man - the rake and in fact in

579

00:24:30,019 --> 00:24:28,049

this new movie the conjuring - they have

580

00:24:31,820 --> 00:24:30,029

the Crooked Man which is another

581

00:24:33,109 --> 00:24:31,830

character that's kind of creepy and it

582

00:24:34,430 --> 00:24:33,119

shows up and give me the willies this

583

00:24:37,389 --> 00:24:34,440

thing about it looked kind of like

584

00:24:40,669 --> 00:24:37,399

Slenderman so we have the same type of

585

00:24:43,009 --> 00:24:40,679

being that is seen by everyone and it

586

00:24:45,710 --> 00:24:43,019

makes me wonder if it's a default in in

587

00:24:48,230 --> 00:24:45,720

some respects or that there are many

588

00:24:49,820 --> 00:24:48,240

forms of this this boogeyman that is the

589

00:24:53,060 --> 00:24:49,830

dark man I mean I know that there are

590

00:24:54,919 --> 00:24:53,070

stories Native American stories of the

591

00:24:57,320 --> 00:24:54,929

black clothes man of the forest and how

592

00:24:59,299 --> 00:24:57,330

he's scared that many European tales are

593

00:25:01,369 --> 00:24:59,309

about these dark men or these these

594

00:25:03,830 --> 00:25:01,379

these black hooded men that walk the

595

00:25:06,859 --> 00:25:03,840

streets some say they're like vampires

596

00:25:09,409 --> 00:25:06,869

others say they eat human flesh and

597

00:25:12,259 --> 00:25:09,419

livestock I mean this legend all the way

598

00:25:14,330 --> 00:25:12,269

up to the reality is something that I

599

00:25:14,989 --> 00:25:14,340

think says something about who we are

600

00:25:17,840 --> 00:25:14,999

don't you think

601  
00:25:20,149 --> 00:25:17,850  
oh very much so I I really do think that

602  
00:25:24,049 --> 00:25:20,159  
these entities whatever they are are

603  
00:25:26,840 --> 00:25:24,059  
shaped by our social expectations you

604  
00:25:29,029 --> 00:25:26,850  
know it's the the Chinese would call

605  
00:25:31,399 --> 00:25:29,039  
these creatures especially you know like

606  
00:25:32,659 --> 00:25:31,409  
the black-eyed children and and and and

607  
00:25:35,810 --> 00:25:32,669  
the men obliged they would call them

608  
00:25:37,700 --> 00:25:35,820  
Hungry Ghost because they're there they

609  
00:25:39,409 --> 00:25:37,710  
attempt to get into your house for

610  
00:25:41,539 --> 00:25:39,419  
whatever reason but they have to ask

611  
00:25:43,490 --> 00:25:41,549  
permission first it's it's it's like the

612  
00:25:45,169 --> 00:25:43,500  
old vampire legends you know where the

613  
00:25:46,180 --> 00:25:45,179

vampire would stand outside the house

614

00:25:52,180 --> 00:25:46,190

and

615

00:25:53,740 --> 00:25:52,190

invited in you know but we're see we're

616

00:25:56,620 --> 00:25:53,750

not supposed to believe in vampires

617

00:25:59,620 --> 00:25:56,630

anymore but yet we're seeing these very

618

00:26:01,000 --> 00:25:59,630

same type of creatures but I mean

619

00:26:02,860 --> 00:26:01,010

they've taken on a more modern

620

00:26:05,170 --> 00:26:02,870

appearance in the 21st century you know

621

00:26:06,880 --> 00:26:05,180

uh parents yet they're playing the same

622

00:26:09,130 --> 00:26:06,890

games that they played you know a

623

00:26:10,750 --> 00:26:09,140

thousand years ago I was even reading

624

00:26:12,070 --> 00:26:10,760

that there are entities now that have

625

00:26:14,140 --> 00:26:12,080

been seeing that the black-eyed children

626

00:26:15,520 --> 00:26:14,150

the men in black we have the grinning

627

00:26:17,140 --> 00:26:15,530

man we have Slender Man we have all

628

00:26:18,340 --> 00:26:17,150

these characters that apparently people

629

00:26:19,630 --> 00:26:18,350

see or the experience or they're

630

00:26:21,640 --> 00:26:19,640

frightened of in their sleeper in their

631

00:26:23,320 --> 00:26:21,650

nightmares or they see them on the road

632

00:26:25,060 --> 00:26:23,330

you know and yet there was another

633

00:26:27,520 --> 00:26:25,070

account that I was reading that there

634

00:26:30,370 --> 00:26:27,530

are women now that are seen there they

635

00:26:31,840 --> 00:26:30,380

wear black eyeglasses they're pale and

636

00:26:33,520 --> 00:26:31,850

they wear wigs and they look they they

637

00:26:36,160 --> 00:26:33,530

say they look like they've had cancer

638

00:26:38,110 --> 00:26:36,170

and and they're very like you know the

639

00:26:39,610 --> 00:26:38,120

skins kind of wrinkled and kind of gray

640

00:26:42,430 --> 00:26:39,620

and some people say they even look alien

641

00:26:43,600 --> 00:26:42,440

like and they're wearing sunglasses and

642

00:26:45,940 --> 00:26:43,610

they're wearing black and and they

643

00:26:48,190 --> 00:26:45,950

appear and the thing is this is classic

644

00:26:50,350 --> 00:26:48,200

ghoulish nough something that i think

645

00:26:52,480 --> 00:26:50,360

comes from the consciousness i think

646

00:26:54,550 --> 00:26:52,490

that if we're all in this in this

647

00:26:57,490 --> 00:26:54,560

darkness which it seems the world is

648

00:26:58,720 --> 00:26:57,500

heading towards these manifestations if

649

00:27:01,060 --> 00:26:58,730

you believe in Tulpa man saying these

650

00:27:03,280 --> 00:27:01,070

manifestations can appear and many

651  
00:27:04,930 --> 00:27:03,290  
people are dreaming about them they're

652  
00:27:06,130 --> 00:27:04,940  
experiencing them they're seeing them

653  
00:27:08,260 --> 00:27:06,140  
like here and I would have seemed on the

654  
00:27:09,700 --> 00:27:08,270  
side of the road I mean this is

655  
00:27:11,440 --> 00:27:09,710  
something I think that says something

656  
00:27:14,410 --> 00:27:11,450  
about who we are and what we're going

657  
00:27:16,540 --> 00:27:14,420  
through right now very much so and you

658  
00:27:19,540 --> 00:27:16,550  
mentioned the the you know the the women

659  
00:27:22,390 --> 00:27:19,550  
in black I mean there have been we use

660  
00:27:24,070 --> 00:27:22,400  
the term in black as I mean that's just

661  
00:27:25,210 --> 00:27:24,080  
kind of a catch-all phrase but I mean

662  
00:27:27,850 --> 00:27:25,220  
right right from the very beginning

663  
00:27:30,130 --> 00:27:27,860

there have been reports of women in

664

00:27:31,660 --> 00:27:30,140

black you know rather than the maybe the

665

00:27:33,640 --> 00:27:31,670

traditional three men in black you would

666

00:27:36,400 --> 00:27:33,650

have like two men and a woman or

667

00:27:38,110 --> 00:27:36,410

sometimes just a man or a woman or as

668

00:27:40,000 --> 00:27:38,120

you had in Great Britain back in the

669

00:27:42,280 --> 00:27:40,010

1980s you know you had what we called

670

00:27:44,680 --> 00:27:42,290

the phantom social workers oh yeah which

671

00:27:47,200 --> 00:27:44,690

which were traditionally women who had

672

00:27:48,870 --> 00:27:47,210

come to generally it would be like a

673

00:27:51,150 --> 00:27:48,880

single mothers

674

00:27:52,380 --> 00:27:51,160

door and knock and you know ask then

675

00:27:53,970 --> 00:27:52,390

they said their you know they were from

676

00:27:55,410 --> 00:27:53,980

the you know the social services and

677

00:27:56,820 --> 00:27:55,420

that there'd been reports that the

678

00:27:59,910 --> 00:27:56,830

babies have been abused and they were

679

00:28:02,790 --> 00:27:59,920

gonna take them with it right and but

680

00:28:04,410 --> 00:28:02,800

when the you know when the mother would

681

00:28:06,030 --> 00:28:04,420

go and then call social services

682

00:28:07,740 --> 00:28:06,040

you know nobody had been set out there

683

00:28:09,510 --> 00:28:07,750

right yet nobody was able to trace these

684

00:28:11,640 --> 00:28:09,520

women down well and it's also triggered

685

00:28:13,100 --> 00:28:11,650

the satanic panic of the 80s as well are

686

00:28:16,140 --> 00:28:13,110

people who say they were Satanists

687

00:28:18,150 --> 00:28:16,150

taking them the children away and now we

688

00:28:20,190 --> 00:28:18,160

know the truth about the the so-called

689

00:28:21,870 --> 00:28:20,200

pedophile rings of England that may have

690

00:28:23,670 --> 00:28:21,880

been there in the 80s which is

691

00:28:25,410 --> 00:28:23,680

frightening to these social workers

692

00:28:27,240 --> 00:28:25,420

these phantom satanic social workers

693

00:28:29,070 --> 00:28:27,250

could have been very real and not some

694

00:28:30,630 --> 00:28:29,080

entity but people are experiencing these

695

00:28:31,650 --> 00:28:30,640

things maybe you've experienced them -

696

00:28:34,440 --> 00:28:31,660

we'd like to hear your phone calls

697

00:28:36,330 --> 00:28:34,450

tonight at triple-eight 673 3700 would

698

00:28:38,940 --> 00:28:36,340

trigger this conversation men in black

699

00:28:41,340 --> 00:28:38,950

seen on a country road in Iowa police

700

00:28:42,840 --> 00:28:41,350

are investigating I can't find what is

701  
00:28:44,700 --> 00:28:42,850  
going on they think it's a prank but

702  
00:28:47,130 --> 00:28:44,710  
they can't trace it especially with

703  
00:28:48,780 --> 00:28:47,140  
small rural community trip releasing 7 3

704  
00:28:50,700 --> 00:28:48,790  
3700 we'll be back

705  
00:28:52,830 --> 00:28:50,710  
hey Tim I can't pass up this call I want

706  
00:28:55,050 --> 00:28:52,840  
to go right - it's go to Ryan in Texas

707  
00:29:00,780 --> 00:28:55,060  
hi Ryan you say you're a sheriff tell us

708  
00:29:04,040 --> 00:29:00,790  
about what you've experienced 2013 about

709  
00:29:07,140 --> 00:29:04,050  
the same time of the year either late or

710  
00:29:09,360 --> 00:29:07,150  
late June early July and I was

711  
00:29:10,800 --> 00:29:09,370  
patrolling a rural road part of our

712  
00:29:14,280 --> 00:29:10,810  
County that has no houses on it

713  
00:29:17,820 --> 00:29:14,290

whatsoever very remote and I was riding

714

00:29:20,070 --> 00:29:17,830

down the road and all of a sudden I saw

715

00:29:23,070 --> 00:29:20,080

somebody on the side of the road at a

716

00:29:25,050 --> 00:29:23,080

distance as I got closer I realized it

717

00:29:27,090 --> 00:29:25,060

was somebody can off all black like

718

00:29:28,920 --> 00:29:27,100

float there's going back and explain

719

00:29:30,630 --> 00:29:28,930

today I had a hood on it flowed down his

720

00:29:32,850 --> 00:29:30,640

body I couldn't see any arms continued

721

00:29:34,650 --> 00:29:32,860

legs and all the way the ground and as I

722

00:29:38,700 --> 00:29:34,660

passed the subject it turned and looked

723

00:29:40,620 --> 00:29:38,710

towards me and doing my job I want to

724

00:29:41,940 --> 00:29:40,630

turn around or make contact with them

725

00:29:45,570 --> 00:29:41,950

and see who they are what they're doing

726  
00:29:48,150 --> 00:29:45,580  
out here and help or whatnot and I went

727  
00:29:52,230 --> 00:29:48,160  
maybe 40 yards past where I saw him

728  
00:29:54,000 --> 00:29:52,240  
turned around it was going so I thought

729  
00:29:55,650 --> 00:29:54,010  
well maybe they ran from me were you

730  
00:29:58,770 --> 00:29:55,660  
able to see this were you able to

731  
00:30:01,320 --> 00:29:58,780  
display the facial features on what it

732  
00:30:02,530 --> 00:30:01,330  
was was looking at you no facial

733  
00:30:04,150 --> 00:30:02,540  
features whatsoever

734  
00:30:06,430 --> 00:30:04,160  
just kind of turned to where I could see

735  
00:30:08,830 --> 00:30:06,440  
like the the hood of the cloak is the

736  
00:30:12,340 --> 00:30:08,840  
blacks hole in the hood the cloak that I

737  
00:30:13,750 --> 00:30:12,350  
could see and it just is the eerie

738  
00:30:16,330 --> 00:30:13,760

feeling when I turned and looked at me

739

00:30:18,450 --> 00:30:16,340

and but I couldn't see any facial

740

00:30:20,860 --> 00:30:18,460

features or anything like that at all

741

00:30:21,880 --> 00:30:20,870

there was no place for it to hide is

742

00:30:25,630 --> 00:30:21,890

that what you're telling me too that

743

00:30:27,130 --> 00:30:25,640

there was no way it could have both on

744

00:30:28,870 --> 00:30:27,140

both sides of the road opening cow

745

00:30:31,330 --> 00:30:28,880

pasture for several hundred yards before

746

00:30:33,790 --> 00:30:31,340

there was in woods or any brush and I

747

00:30:35,380 --> 00:30:33,800

spotlight at the whole area drove back

748

00:30:38,740 --> 00:30:35,390

and forth several times I've never found

749

00:30:40,600 --> 00:30:38,750

anybody Tim you have anything to add to

750

00:30:41,080 --> 00:30:40,610

this because this is this is creeping me

751

00:30:46,300 --> 00:30:41,090

out a little

752

00:30:48,130 --> 00:30:46,310

oh yeah sure story er well I want to

753

00:30:50,440 --> 00:30:48,140

know is I mean do you know have there

754

00:30:53,950 --> 00:30:50,450

been other reports of strange things

755

00:30:56,110 --> 00:30:53,960

going on in that area in the past you

756

00:30:58,510 --> 00:30:56,120

know traditionally an area you know the

757

00:31:00,370 --> 00:30:58,520

teenagers always know where you know the

758

00:31:02,110 --> 00:31:00,380

ghost star you know on the look like the

759

00:31:03,640 --> 00:31:02,120

haunted roads and things like that I

760

00:31:13,860 --> 00:31:03,650

mean do you are you aware of anything

761

00:31:19,420 --> 00:31:17,500

anything about no mysterious or weird

762

00:31:20,770 --> 00:31:19,430

going on out there do you have to report

763

00:31:22,500 --> 00:31:20,780

something like that Ryan or did you just

764

00:31:25,900 --> 00:31:22,510

keep it to yourself

765

00:31:27,310 --> 00:31:25,910

no I didn't I didn't have to report I

766

00:31:30,130 --> 00:31:27,320

didn't even put it out over the radio

767

00:31:31,750 --> 00:31:30,140

just because I I wouldn't have if I were

768

00:31:34,000 --> 00:31:31,760

to make contact with the person but I

769

00:31:36,430 --> 00:31:34,010

never was a person or thing or whatever

770

00:31:40,540 --> 00:31:36,440

it was I never saw it again after I

771

00:31:43,000 --> 00:31:40,550

passed the first time since Korea yeah

772

00:31:45,970 --> 00:31:43,010

it uh it bit shook me up for a couple

773

00:31:48,430 --> 00:31:45,980

days really and truly a few nights later

774

00:31:51,490 --> 00:31:48,440

I worked the same area down the road and

775

00:31:52,990 --> 00:31:51,500

I had this just kind of the lan crawl on

776

00:31:55,180 --> 00:31:53,000

the back of my neck feeling as I drove

777

00:31:57,190 --> 00:31:55,190

up it down the road just just unknown

778

00:31:58,990 --> 00:31:57,200

part of it you know what was it was it

779

00:32:00,730 --> 00:31:59,000

somebody playing a prank was it

780

00:32:03,580 --> 00:32:00,740

something else I don't know kind of

781

00:32:05,830 --> 00:32:03,590

stands apart that's a kind of a little

782

00:32:07,510 --> 00:32:05,840

bit kind of a very remote area to be

783

00:32:11,740 --> 00:32:07,520

performing some prank especially in

784

00:32:14,620 --> 00:32:11,750

front of a sheriff that said that's

785

00:32:17,530 --> 00:32:14,630

that basically gives me the creeps

786

00:32:19,120 --> 00:32:17,540

what's that what's that right out of

787

00:32:22,150 --> 00:32:19,130

seen their car too if it was somebody

788

00:32:23,760 --> 00:32:22,160

playing jokes you know there's no way

789

00:32:25,870 --> 00:32:23,770

they could have hit a car on this road

790

00:32:27,700 --> 00:32:25,880

anywhere about to be passing it I mean

791

00:32:30,880 --> 00:32:27,710

there's no side roads there's nothing

792

00:32:32,230 --> 00:32:30,890

one straight shot road Ryan your story

793

00:32:33,550 --> 00:32:32,240

just baffles me gives me the creeps

794

00:32:37,060 --> 00:32:33,560

thank you for kicking up the show

795

00:32:38,440 --> 00:32:37,070

tonight I really appreciate it and thank

796

00:32:41,370 --> 00:32:38,450

you for your service as a sheriff I

797

00:32:44,740 --> 00:32:41,380

really appreciate your work thank you

798

00:32:45,910 --> 00:32:44,750

good night Ryan a Texas sheriff out the

799

00:32:48,190 --> 00:32:45,920

middle nowhere sees a cloaked figure

800

00:32:49,660 --> 00:32:48,200

standing there gives him a look he goes

801  
00:32:52,660 --> 00:32:49,670  
back to investigate the figure

802  
00:32:55,360 --> 00:32:52,670  
disappears he sees no car no way anyone

803  
00:32:57,430 --> 00:32:55,370  
could have hoax that it just reminds me

804  
00:32:59,020 --> 00:32:57,440  
this story from Iowa

805  
00:33:03,010 --> 00:32:59,030  
Tim Schwartz with us tonight on ground

806  
00:33:05,110 --> 00:33:03,020  
zero triple 8 673 3,700 it's triple 867

807  
00:33:08,290 --> 00:33:05,120  
337 honey I'm seriously shaking that is

808  
00:33:09,850 --> 00:33:08,300  
a very frightening story Tim good thing

809  
00:33:22,280 --> 00:33:09,860  
we're taking a break right down Triple

810  
00:33:22,290 --> 00:33:28,989  
unplug ears

811  
00:33:34,689 --> 00:33:31,319  
you know I give you all the talking

812  
00:33:38,829 --> 00:33:34,699  
about the men in black tonight I could

813  
00:33:40,479 --> 00:33:38,839

also have my guest tonight Tim Schwartz

814

00:33:42,069 --> 00:33:40,489

do all the talking but before we go to

815

00:33:43,899 --> 00:33:42,079

Tim and before we talk to the callers I

816

00:33:45,339 --> 00:33:43,909

want to read something this is a

817

00:33:49,169 --> 00:33:45,349

Muscatine County Sheriff's Office

818

00:33:51,549 --> 00:33:49,179

Facebook page and it says this it says

819

00:33:53,109 --> 00:33:51,559

we've had several reports of men dressed

820

00:33:56,079 --> 00:33:53,119

in black entering the roadway in rural

821

00:33:57,669 --> 00:33:56,089

Muscatine County we don't have any new

822

00:34:01,299 --> 00:33:57,679

information about these people but we

823

00:34:02,769 --> 00:34:01,309

have also seen several posts on Facebook

824

00:34:04,509 --> 00:34:02,779

about the same type of activity it would

825

00:34:05,949 --> 00:34:04,519

be extremely helpful to the sheriff's

826

00:34:09,609 --> 00:34:05,959

office if you witnessed this type of

827

00:34:15,970 --> 00:34:09,619

activity you call 911 or help is greatly

828

00:34:19,569 --> 00:34:15,980

appreciated and there are a number of

829

00:34:22,299 --> 00:34:19,579

people who have commented about what's

830

00:34:25,539 --> 00:34:22,309

going on here and anything from there

831

00:34:28,119 --> 00:34:25,549

laughing of the sheriff's office they're

832

00:34:29,649 --> 00:34:28,129

laughing at people but there are some

833

00:34:32,259 --> 00:34:29,659

people who are very concerned because

834

00:34:34,629 --> 00:34:32,269

they say that it's been seen but these

835

00:34:38,019 --> 00:34:34,639

are these entities or whatever they may

836

00:34:41,470 --> 00:34:38,029

be have been seeing all over also seen

837

00:34:42,819 --> 00:34:41,480

in Illinois here's a guy Brad well

838

00:34:44,200 --> 00:34:42,829

playing games on the side of the road

839

00:34:45,730 --> 00:34:44,210

just put people's lives in danger you

840

00:34:47,259 --> 00:34:45,740

get the wrong person to panic or get

841

00:34:50,619 --> 00:34:47,269

scared by one of these idiots jumping

842

00:34:52,240 --> 00:34:50,629

out and they get overreacted cause a car

843

00:34:55,240 --> 00:34:52,250

accident or someone does get hurt or

844

00:34:57,309 --> 00:34:55,250

worse Connie says this I'm just saying

845

00:34:59,099 --> 00:34:57,319

these fools think they're funny scaring

846

00:35:00,999 --> 00:34:59,109

people

847

00:35:02,950 --> 00:35:01,009

Beatrice writes this this is an

848

00:35:06,160 --> 00:35:02,960

interesting post I would really

849

00:35:08,230 --> 00:35:06,170

appreciate it if this was made public

850

00:35:09,819 --> 00:35:08,240

through the radio TV or the journal my

851  
00:35:13,150 --> 00:35:09,829  
parents don't have a computer and all

852  
00:35:14,589 --> 00:35:13,160  
they know it's what we've told them my

853  
00:35:15,849 --> 00:35:14,599  
son has experienced this and it's no

854  
00:35:17,529 --> 00:35:15,859  
joke it was really a frightening

855  
00:35:20,470 --> 00:35:17,539  
experience to him and the concerns he

856  
00:35:21,970 --> 00:35:20,480  
has for his wife and son driving at

857  
00:35:27,180 --> 00:35:21,980  
night now is a concern for all of us I

858  
00:35:31,089 --> 00:35:29,680  
whether the image is a serious one are

859  
00:35:34,650 --> 00:35:31,099  
not a serious one they put an image of a

860  
00:35:38,529 --> 00:35:34,660  
ghost on the on the on the Facebook page

861  
00:35:42,670 --> 00:35:38,539  
Muscatine PD has no answers I've seen

862  
00:35:45,789 --> 00:35:42,680  
this it frightens me the the

863  
00:35:54,039 --> 00:35:52,870

someone jokes about aliens last night

864

00:35:55,420 --> 00:35:54,049

there was a similar occurrence but it

865

00:35:57,430 --> 00:35:55,430

was on the Illinois side just outside of

866

00:36:00,720 --> 00:35:57,440

Illinois City Hunter Kimball this is the

867

00:36:03,609 --> 00:36:00,730

post I was talking about last night uh

868

00:36:05,349 --> 00:36:03,619

here's another one from Don Lane and she

869

00:36:07,660 --> 00:36:05,359

says this has been going on for a while

870

00:36:09,309 --> 00:36:07,670

my daughter and her boyfriend saw the

871

00:36:12,190 --> 00:36:09,319

men in black 3 or 4 weeks ago on highway

872

00:36:13,900 --> 00:36:12,200

22 she told me about it but didn't seem

873

00:36:15,279 --> 00:36:13,910

too concerned or I just shrug it off a

874

00:36:16,690 --> 00:36:15,289

strange occurrence she didn't seem

875

00:36:20,920 --> 00:36:16,700

scared just thought it was really

876

00:36:22,599 --> 00:36:20,930

strange to me here says the only they

877

00:36:25,000 --> 00:36:22,609

are only showing up during significant

878

00:36:30,430 --> 00:36:25,010

dates and events be looking for

879

00:36:33,700 --> 00:36:30,440

something to happen on June 22nd because

880

00:36:35,140 --> 00:36:33,710

of highway 22 I get they say that they

881

00:36:38,650 --> 00:36:35,150

think that something scary is going to

882

00:36:42,250 --> 00:36:38,660

happen tomorrow what do you what do you

883

00:36:44,769 --> 00:36:42,260

think of that that you know Tim that

884

00:36:48,670 --> 00:36:44,779

that is just bizarre that this has

885

00:36:51,490 --> 00:36:48,680

happened I think it's a you know I I

886

00:36:53,740 --> 00:36:51,500

just Tim's back I think we just lost

887

00:36:56,680 --> 00:36:53,750

this call but you did you hear all these

888

00:36:58,120 --> 00:36:56,690

people calling from actually all the

889

00:36:59,829 --> 00:36:58,130

people posting on the Facebook page for

890

00:37:02,319 --> 00:36:59,839

the for the police department saying

891

00:37:04,000 --> 00:37:02,329

that the men in black that it's a very

892

00:37:05,410 --> 00:37:04,010

dangerous thing people are terrified a

893

00:37:07,210 --> 00:37:05,420

lot of people are terrified some people

894

00:37:08,440 --> 00:37:07,220

are joking but others are terrified

895

00:37:09,069 --> 00:37:08,450

about this thing they're saying that

896

00:37:11,589 --> 00:37:09,079

they don't know where they're coming

897

00:37:13,839 --> 00:37:11,599

from they said they were seeing these

898

00:37:15,160 --> 00:37:13,849

men in black in cemeteries they say they

899

00:37:17,650 --> 00:37:15,170

saw one guy walking around the cemetery

900

00:37:20,079 --> 00:37:17,660

with a trench coat someone else was

901  
00:37:23,049 --> 00:37:20,089  
saying they saw it in Illinois City on

902  
00:37:24,849 --> 00:37:23,059  
the Illinois side you know this is

903  
00:37:26,200 --> 00:37:24,859  
amazing maybe they said maybe they're

904  
00:37:28,690 --> 00:37:26,210  
migrating hell I don't know it's just

905  
00:37:30,370 --> 00:37:28,700  
it's just that the police are very

906  
00:37:32,680 --> 00:37:30,380  
serious they posted on their Facebook

907  
00:37:33,940 --> 00:37:32,690  
and the people are also very serious to

908  
00:37:35,620 --> 00:37:33,950  
try to figure out some people say it's a

909  
00:37:37,630 --> 00:37:35,630  
joke some people say that they're

910  
00:37:40,809 --> 00:37:37,640  
they're pranksters living in a hotel

911  
00:37:43,930 --> 00:37:40,819  
complex or some sort of hotel it's far

912  
00:37:46,539 --> 00:37:43,940  
away you know I don't know I mean I also

913  
00:37:48,250 --> 00:37:46,549

you know the the Texas sheriff that

914

00:37:49,539 --> 00:37:48,260

called also is something that we need to

915

00:37:51,370 --> 00:37:49,549

take into account saying that he saw

916

00:37:52,870 --> 00:37:51,380

something like this and that it

917

00:37:54,069 --> 00:37:52,880

disappeared and there was no car or

918

00:37:56,349 --> 00:37:54,079

anything there was down the middle of

919

00:37:59,890 --> 00:37:56,359

nowhere whatever this thing was and a

920

00:38:01,960 --> 00:37:59,900

cloak it looked right at him well you

921

00:38:07,210 --> 00:38:01,970

know a lot of these a lot of these cases

922

00:38:08,979 --> 00:38:07,220

Clyde they they seem to be you know

923

00:38:11,829 --> 00:38:08,989

ghostly in appearance but then you'll

924

00:38:13,420 --> 00:38:11,839

turn around and as I said people will

925

00:38:16,450 --> 00:38:13,430

actually see what I mean you know

926  
00:38:18,670 --> 00:38:16,460  
they'll swear are you know physical you

927  
00:38:20,349 --> 00:38:18,680  
know people walking on one side of the

928  
00:38:23,049 --> 00:38:20,359  
road or you know standing next to a

929  
00:38:25,769 --> 00:38:23,059  
cemetery or something like that it

930  
00:38:29,529 --> 00:38:25,779  
reminds me you know our good friend

931  
00:38:32,470 --> 00:38:29,539  
Timothy green Beckley he he has a theory

932  
00:38:35,700 --> 00:38:32,480  
that a lot of these men in black cases

933  
00:38:38,470 --> 00:38:35,710  
may actually be the form of almost like

934  
00:38:42,430 --> 00:38:38,480  
what do you refer to like like astro

935  
00:38:45,279 --> 00:38:42,440  
zombies almost that something will take

936  
00:38:48,660 --> 00:38:45,289  
over a person just anybody you know you

937  
00:38:51,609 --> 00:38:48,670  
me or anybody and they will then be

938  
00:38:54,370 --> 00:38:51,619

they'll go out and they will do

939

00:38:57,579 --> 00:38:54,380

something you know like a like take on

940

00:38:59,920 --> 00:38:57,589

the guise of a man in black do their

941

00:39:04,920 --> 00:38:59,930

dirty work go back and with no

942

00:39:07,509 --> 00:39:04,930

recollection of what they did and it

943

00:39:10,180 --> 00:39:07,519

that may explain I mean I know that you

944

00:39:11,739 --> 00:39:10,190

have talked to people before who who

945

00:39:13,660 --> 00:39:11,749

claimed that they were men in black and

946

00:39:16,089 --> 00:39:13,670

that they they said that they were you

947

00:39:17,589 --> 00:39:16,099

know like boring that way or yes help to

948

00:39:19,089 --> 00:39:17,599

do what they were doing they are born

949

00:39:20,890 --> 00:39:19,099

that way and they do this without even

950

00:39:22,359 --> 00:39:20,900

thinking about the morality of it all

951

00:39:25,150 --> 00:39:22,369

they do it because they feel that it's

952

00:39:25,839 --> 00:39:25,160

necessary to continue the progression of

953

00:39:27,430 --> 00:39:25,849

mankind

954

00:39:29,739 --> 00:39:27,440

they are like custodians they they are

955

00:39:31,359 --> 00:39:29,749

here to do do work they're here to do

956

00:39:33,609 --> 00:39:31,369

you know anything from if they're told

957

00:39:35,470 --> 00:39:33,619

that they have to bomb a shopping center

958

00:39:38,349 --> 00:39:35,480

the obama shopping center if they're

959

00:39:40,120 --> 00:39:38,359

told they have to save a little girl

960

00:39:42,069 --> 00:39:40,130

because this little girl's gonna be some

961

00:39:43,870 --> 00:39:42,079

famous person later on they have to go

962

00:39:45,640 --> 00:39:43,880

and do this kind of reminds me of the

963

00:39:47,499 --> 00:39:45,650

observers and the television show fringe

964

00:39:49,180 --> 00:39:47,509

where they were there to keep things

965

00:39:50,559 --> 00:39:49,190

moving along and to keep the progression

966

00:39:52,539 --> 00:39:50,569

when kind of cleaning up I don't know if

967

00:39:54,279 --> 00:39:52,549

you ever saw The Adjustment Bureau yes

968

00:39:55,749 --> 00:39:54,289

they are thinking of that they were

969

00:39:57,370 --> 00:39:55,759

there like those characters where they

970

00:39:59,620 --> 00:39:57,380

were saying that we step back we let you

971

00:40:00,759 --> 00:39:59,630

guys do things on your own and when we

972

00:40:04,150 --> 00:40:00,769

step back in the turn of the century

973

00:40:05,559 --> 00:40:04,160

into the 20th century we had World War 1

974

00:40:07,269 --> 00:40:05,569

World War two and we almost annihilated

975

00:40:09,080 --> 00:40:07,279

ourselves with a bomb then they step

976

00:40:10,910 --> 00:40:09,090

back in and took over again

977

00:40:12,350 --> 00:40:10,920

and the one guy says well the world's

978

00:40:14,210 --> 00:40:12,360

pretty screwed up now what are you doing

979

00:40:16,490 --> 00:40:14,220

says hey it's still here isn't it we're

980

00:40:18,350 --> 00:40:16,500

still keeping it together as much as we

981

00:40:20,780 --> 00:40:18,360

hate to tell you this it's on the brink

982

00:40:22,160 --> 00:40:20,790

of disaster but these men in black are

983

00:40:24,320 --> 00:40:22,170

these custodians whatever they may be

984

00:40:26,410 --> 00:40:24,330

are holding things together and they

985

00:40:29,420 --> 00:40:26,420

appear in the in the weirdest of places

986

00:40:31,070 --> 00:40:29,430

very much so you know that's why I'm

987

00:40:33,620 --> 00:40:31,080

thinking you know the the the phone call

988

00:40:35,600 --> 00:40:33,630

that we got from the the sheriff who saw

989

00:40:38,600 --> 00:40:35,610

the the figure that was dressed like

990

00:40:40,580 --> 00:40:38,610

like a monk yeah you know if you if you

991

00:40:42,500 --> 00:40:40,590

really look into that you know you had a

992

00:40:45,590 --> 00:40:42,510

cowl over his face and a long flowing

993

00:40:47,360 --> 00:40:45,600

type of robe you know I investigated a

994

00:40:49,640 --> 00:40:47,370

case here in Indiana where somebody was

995

00:40:52,490 --> 00:40:49,650

again it was driving down a rural road

996

00:40:56,360 --> 00:40:52,500

and they had to stop because there was a

997

00:40:57,890 --> 00:40:56,370

procession of beings or what our

998

00:40:59,840 --> 00:40:57,900

entities whatever you want to call all

999

00:41:02,210 --> 00:40:59,850

dressed the same dressed just like what

1000

00:41:04,250 --> 00:41:02,220

the sheriff described crossing the road

1001  
00:41:05,840 --> 00:41:04,260  
and I mean he you know he honked the

1002  
00:41:08,120 --> 00:41:05,850  
horns flashlight you know he thought

1003  
00:41:10,220 --> 00:41:08,130  
maybe it was some kind of you know who

1004  
00:41:12,140 --> 00:41:10,230  
knows he fell friend hey you thought

1005  
00:41:13,940 --> 00:41:12,150  
they were real yeah yeah you know but

1006  
00:41:15,950 --> 00:41:13,950  
they would they just kept slow and you

1007  
00:41:17,240 --> 00:41:15,960  
know he said there was like a hundred of

1008  
00:41:19,430 --> 00:41:17,250  
them it took him you know like 10

1009  
00:41:21,350 --> 00:41:19,440  
minutes to cross the road and he set

1010  
00:41:25,130 --> 00:41:21,360  
there and patiently waited for them to

1011  
00:41:27,170 --> 00:41:25,140  
get across and then after they did he

1012  
00:41:28,730 --> 00:41:27,180  
you know what forward a little bit and

1013  
00:41:30,980 --> 00:41:28,740

looked into the field that they had

1014

00:41:32,600 --> 00:41:30,990

walked into there was nobody there you

1015

00:41:34,190 --> 00:41:32,610

know he said there was there had been at

1016

00:41:35,660 --> 00:41:34,200

least a hundred people but they just had

1017

00:41:37,430 --> 00:41:35,670

just vanished and just disappeared I was

1018

00:41:39,710 --> 00:41:37,440

like I was saying earlier I mean there's

1019

00:41:43,060 --> 00:41:39,720

this what they call this multiverse or

1020

00:41:45,830 --> 00:41:43,070

this usually so yeah the multiverse

1021

00:41:49,820 --> 00:41:45,840

sometimes kicks out these strange

1022

00:41:51,380 --> 00:41:49,830

entities of these strange type of beings

1023

00:41:54,650 --> 00:41:51,390

and it's like what was said earlier

1024

00:41:57,680 --> 00:41:54,660

bullard had said that the men in black

1025

00:41:59,780 --> 00:41:57,690

are basically the human beings that fill

1026  
00:42:01,280 --> 00:41:59,790  
the shoes of angels and demons and they

1027  
00:42:02,840 --> 00:42:01,290  
do the work of angels and demons and

1028  
00:42:04,100 --> 00:42:02,850  
then like you say they wake up one day

1029  
00:42:05,900 --> 00:42:04,110  
and they realize that they have to put

1030  
00:42:07,070 --> 00:42:05,910  
on the clothes do the thing and go do

1031  
00:42:09,320 --> 00:42:07,080  
what they do and they're under the spell

1032  
00:42:11,090 --> 00:42:09,330  
of something that tells them they need

1033  
00:42:12,980 --> 00:42:11,100  
to do this and then you know it all goes

1034  
00:42:15,980 --> 00:42:12,990  
back to the what do you call this

1035  
00:42:18,230 --> 00:42:15,990  
zombified or or they or the sleeper or

1036  
00:42:20,150 --> 00:42:18,240  
they like you know they programmed you

1037  
00:42:21,720 --> 00:42:20,160  
or you've been programmed into you here

1038  
00:42:23,849 --> 00:42:21,730

like a trigger song

1039

00:42:26,400 --> 00:42:23,859

there was a there was a show I think it

1040

00:42:28,290 --> 00:42:26,410

was the blacklist where there was a girl

1041

00:42:29,220 --> 00:42:28,300

in the show and she'd hear that Inkspot

1042

00:42:32,280 --> 00:42:29,230

song called

1043

00:42:35,490 --> 00:42:32,290

my echo my shadow and me when she heard

1044

00:42:37,320 --> 00:42:35,500

that song my echo my shadow and me when

1045

00:42:38,400 --> 00:42:37,330

she heard that song it triggered her to

1046

00:42:40,820 --> 00:42:38,410

become somebody else

1047

00:42:44,640 --> 00:42:40,830

and she became like this this massive

1048

00:42:47,010 --> 00:42:44,650

killer this young girl who was like you

1049

00:42:49,950 --> 00:42:47,020

know seemed innocent and sweet and very

1050

00:42:51,960 --> 00:42:49,960

shy here's that Inkspot song and she

1051  
00:42:54,599 --> 00:42:51,970  
merely turns into this very capable

1052  
00:42:57,060 --> 00:42:54,609  
killer with guns and she goes out and

1053  
00:42:58,830 --> 00:42:57,070  
she does all kinds of criminal activity

1054  
00:43:00,240 --> 00:42:58,840  
comes back she is something else that

1055  
00:43:02,040 --> 00:43:00,250  
triggers her back into being who she is

1056  
00:43:03,359 --> 00:43:02,050  
and no one's the wiser kind of like I'd

1057  
00:43:05,580 --> 00:43:03,369  
Chuck Barris thing where he said he was

1058  
00:43:07,260 --> 00:43:05,590  
a CIA killer or whatever I mean that's

1059  
00:43:09,150 --> 00:43:07,270  
another way that we can explain this but

1060  
00:43:10,650 --> 00:43:09,160  
then there is that supernatural element

1061  
00:43:14,540 --> 00:43:10,660  
that everybody's seeing the black hat

1062  
00:43:16,710 --> 00:43:14,550  
man the the dark figure bogeyman the

1063  
00:43:19,080 --> 00:43:16,720

demonic dark figure in the bedroom

1064

00:43:20,700 --> 00:43:19,090

looking down at you it's system creepy

1065

00:43:22,530 --> 00:43:20,710

things that go bump in the night again

1066

00:43:23,849 --> 00:43:22,540

Tim Schwartz my guest tonight on Ground

1067

00:43:26,070 --> 00:43:23,859

Zero so glad to have on the program

1068

00:43:28,710 --> 00:43:26,080

tonight taking your phone calls men in

1069

00:43:30,810 --> 00:43:28,720

black have been seen in Iowa standing on

1070

00:43:32,760 --> 00:43:30,820

a rural Highway people are saying

1071

00:43:34,859 --> 00:43:32,770

they're gonna jump out and kill it get

1072

00:43:37,770 --> 00:43:34,869

killed or or something else is afoot I

1073

00:43:39,540 --> 00:43:37,780

mean no car nothing that gives them a

1074

00:43:41,880 --> 00:43:39,550

reason to hide they're just there

1075

00:43:43,290 --> 00:43:41,890

whatever they may be supernatural or

1076

00:43:45,720 --> 00:43:43,300

otherwise it's still under investigation

1077

00:43:47,250 --> 00:43:45,730

but many people in that area are

1078

00:43:49,440 --> 00:43:47,260

frightened they're worried that either

1079

00:43:51,870 --> 00:43:49,450

someone's gonna get killed or that it

1080

00:43:54,120 --> 00:43:51,880

may be something under you know

1081

00:43:57,300 --> 00:43:54,130

unearthly or beyond this world trouble

1082

00:43:59,700 --> 00:43:57,310

86 73 3700 move back with more Ground

1083

00:44:02,190 --> 00:43:59,710

Zero right here don't go away

1084

00:44:03,480 --> 00:44:02,200

in Muscatine County they're seeing many

1085

00:44:05,099 --> 00:44:03,490

black on the side of the road they're

1086

00:44:06,630 --> 00:44:05,109

wondering who they are they're wondered

1087

00:44:08,250 --> 00:44:06,640

they're pranksters but it's in the

1088

00:44:10,200 --> 00:44:08,260

middle of nowhere in a rural area and it

1089

00:44:11,670 --> 00:44:10,210

makes you wonder where they disappeared

1090

00:44:12,780 --> 00:44:11,680

to when the lights flash on them we've

1091

00:44:14,130 --> 00:44:12,790

already had an account from a sheriff

1092

00:44:15,450 --> 00:44:14,140

saying that he saw something similar in

1093

00:44:17,160 --> 00:44:15,460

Texas when he went to investigate

1094

00:44:19,140 --> 00:44:17,170

whatever it was that was in the road

1095

00:44:21,060 --> 00:44:19,150

with a cloak that disappeared

1096

00:44:22,320 --> 00:44:21,070

so I have to take the leap of logic and

1097

00:44:25,800 --> 00:44:22,330

think it may be supernatural what do you

1098

00:44:26,940 --> 00:44:25,810

say Tim well you know it's it's

1099

00:44:28,920 --> 00:44:26,950

interesting that you'd bring that up

1100

00:44:32,790 --> 00:44:28,930

Clyde because the

1101

00:44:35,880 --> 00:44:32,800

the supernatural I think probably fits

1102

00:44:38,430 --> 00:44:35,890

it very closely last year in that very

1103

00:44:42,360 --> 00:44:38,440

same County now we talked in an earlier

1104

00:44:45,510 --> 00:44:42,370

segment about satanic rituals and the

1105

00:44:51,000 --> 00:44:45,520

like in a very same County the Baxter

1106

00:44:53,610 --> 00:44:51,010

family lost 40 goats from they say over

1107

00:44:56,040 --> 00:44:53,620

a two-day period to night period from

1108

00:44:58,170 --> 00:44:56,050

what they said was a dog because they

1109

00:45:01,110 --> 00:44:58,180

could hear it barking these these were

1110

00:45:05,040 --> 00:45:01,120

regular-sized goats and this dog managed

1111

00:45:08,510 --> 00:45:05,050

to kill all but four of them in two

1112

00:45:14,070 --> 00:45:08,520

nights each one of these goats were

1113

00:45:16,260 --> 00:45:14,080

ripped apart and sacrificed basically so

1114

00:45:18,780 --> 00:45:16,270

now we're happy now we're seeing these

1115

00:45:21,210 --> 00:45:18,790

these dark figures in the very same

1116

00:45:23,280 --> 00:45:21,220

County and the strange thing is is that

1117

00:45:26,280 --> 00:45:23,290

the farmers shot at this dog he couldn't

1118

00:45:29,850 --> 00:45:26,290

see it clearly but he was never able to

1119

00:45:31,380 --> 00:45:29,860

hit it and every you know I don't know

1120

00:45:33,900 --> 00:45:31,390

you know if you know but you know it's

1121

00:45:36,450 --> 00:45:33,910

very hard for a dog to kill a goat maybe

1122

00:45:39,180 --> 00:45:36,460

you know he may be able to kill one but

1123

00:45:41,040 --> 00:45:39,190

almost 40 of them in a two-night period

1124

00:45:42,810 --> 00:45:41,050

there's something strange going on in

1125

00:45:44,700 --> 00:45:42,820

that incident and now we're seeing these

1126

00:45:46,860 --> 00:45:44,710

dark figures right we'll also sounds

1127

00:45:48,270 --> 00:45:46,870

like a chupacabra story - I mean all

1128

00:45:50,310 --> 00:45:48,280

right when the chupacabra story was

1129

00:45:51,750 --> 00:45:50,320

first reported I I talked to the

1130

00:45:54,150 --> 00:45:51,760

Department of Agriculture in Puerto Rico

1131

00:45:57,180 --> 00:45:54,160

and it was funny because either the

1132

00:45:59,040 --> 00:45:57,190

chupacabra was they they said that what

1133

00:46:00,690 --> 00:45:59,050

it was is they believed it was a dog it

1134

00:46:02,820 --> 00:46:00,700

was a special time in dog like a mutated

1135

00:46:05,700 --> 00:46:02,830

dog from a experiment that went awry

1136

00:46:07,410 --> 00:46:05,710

some chimera that went awry or something

1137

00:46:09,510 --> 00:46:07,420

but they had said from the beginning

1138

00:46:11,370 --> 00:46:09,520

that it was some sort of a dog or canine

1139

00:46:13,880 --> 00:46:11,380

and so whenever I see these reports of

1140

00:46:16,350 --> 00:46:13,890

these you know frail-looking animals

1141

00:46:17,850 --> 00:46:16,360

with these big teeth you know the double

1142

00:46:19,290 --> 00:46:17,860

rack teeth everything they say some Mad

1143

00:46:21,450 --> 00:46:19,300

Dog I'm not going well that's what the

1144

00:46:23,190 --> 00:46:21,460

chupacabra allegedly was with some Mad

1145

00:46:25,170 --> 00:46:23,200

Dog that an insatiable appetite for

1146

00:46:29,600 --> 00:46:25,180

blood mostly from goats and chickens so

1147

00:46:35,730 --> 00:46:33,360

the chupacabra son sons nearly 20 years

1148

00:46:37,770 --> 00:46:35,740

old hmm it's old blow the dust off of

1149

00:46:40,080 --> 00:46:37,780

that one from 1995 and Graham's ear was

1150

00:46:41,550 --> 00:46:40,090

in its infancy it did actually have a

1151

00:46:43,500 --> 00:46:41,560

debut on the art Belle show back in the

1152

00:46:45,780 --> 00:46:43,510

day Tim Schwartz with us on grounds are

1153

00:46:47,820 --> 00:46:45,790

talking about the strange creatures or

1154

00:46:50,400 --> 00:46:47,830

even the strange apparitions of the men

1155

00:46:53,670 --> 00:46:50,410

in black in rural areas especially Iowa

1156

00:46:55,410 --> 00:46:53,680

right now apparently in southeast Iowa

1157

00:46:57,270 --> 00:46:55,420

people are claiming they're seeing the

1158

00:46:59,760 --> 00:46:57,280

men in black standing on the street in

1159

00:47:02,130 --> 00:46:59,770

the middle of nowhere and people

1160

00:47:03,690 --> 00:47:02,140

motorists have almost run them over some

1161

00:47:05,040 --> 00:47:03,700

people say it's a joke other people are

1162

00:47:05,970 --> 00:47:05,050

saying no it's not it's something we

1163

00:47:09,570 --> 00:47:05,980

really need to take into consideration

1164

00:47:11,160 --> 00:47:09,580

it's really scary and once again this is

1165

00:47:13,020 --> 00:47:11,170

the visit of the tall man the grinning

1166

00:47:15,720 --> 00:47:13,030

man the the man with the black hat

1167

00:47:17,730 --> 00:47:15,730

Slenderman all of these strange dark

1168

00:47:18,840 --> 00:47:17,740

figures in our in our minds that are

1169

00:47:22,200 --> 00:47:18,850

approaching or although otherwise

1170

00:47:24,030 --> 00:47:22,210

manifesting so that's it's it's some

1171

00:47:26,460 --> 00:47:24,040

creepy stuff and Tim Schwartz is here to

1172

00:47:27,810 --> 00:47:26,470

talk about it with us I find it

1173

00:47:30,330 --> 00:47:27,820

interesting too that you know in rural

1174

00:47:32,790 --> 00:47:30,340

areas and you brought up the the

1175

00:47:34,110 --> 00:47:32,800

chupacabra I know that there have been

1176

00:47:35,820 --> 00:47:34,120

many news reports where people have

1177

00:47:37,410 --> 00:47:35,830

claimed to have shot one or at least had

1178

00:47:39,270 --> 00:47:37,420

one and they always say oh that's not a

1179

00:47:41,100 --> 00:47:39,280

chupacabra and I'm thinking well you

1180

00:47:42,780 --> 00:47:41,110

know what what is it super Cobras that

1181

00:47:45,030 --> 00:47:42,790

it'd be really classified one do they

1182

00:47:47,510 --> 00:47:45,040

really know what one is or I mean what

1183

00:47:49,860 --> 00:47:47,520

is it have to fit some supernatural

1184

00:47:52,500 --> 00:47:49,870

criteria in order for it to be real what

1185

00:47:55,020 --> 00:47:52,510

what do you think Tim well I don't you

1186

00:47:57,870 --> 00:47:55,030

know what we've got the name chupacabra

1187

00:48:00,810 --> 00:47:57,880

or you know goat sucker I mean we break

1188

00:48:02,520 --> 00:48:00,820

up the the image of the like you

1189

00:48:05,880 --> 00:48:02,530

described I mean it looked almost like a

1190

00:48:08,850 --> 00:48:05,890

reptilian gray type of creature you know

1191

00:48:11,730 --> 00:48:08,860

it had like big eyes but about the same

1192

00:48:14,970 --> 00:48:11,740

size but instead of a lot of times it

1193

00:48:17,370 --> 00:48:14,980

had scales and like used to somebody who

1194

00:48:20,400 --> 00:48:17,380

said they had a wings on their back and

1195

00:48:23,550 --> 00:48:20,410

they could fly for short distances right

1196

00:48:27,960 --> 00:48:23,560

but actually you know I think we're kind

1197

00:48:29,910 --> 00:48:27,970

of attaching a an image to that you know

1198

00:48:34,320 --> 00:48:29,920

that dark shadow in the night so to

1199

00:48:36,259 --> 00:48:34,330

speaking we've had stories throughout

1200

00:48:38,509 --> 00:48:36,269

history of things killing

1201

00:48:40,699 --> 00:48:38,519

animals and and even people but

1202

00:48:42,679 --> 00:48:40,709

especially livestock you get up in the

1203

00:48:46,519 --> 00:48:42,689

morning there's you know all of your

1204

00:48:48,529 --> 00:48:46,529

livestock mysteriously killed and and

1205

00:48:50,689 --> 00:48:48,539

then pretty soon in the the same areas

1206

00:48:53,629 --> 00:48:50,699

start to have reports of you know

1207

00:48:56,809 --> 00:48:53,639

ghostly figures you know the the men in

1208

00:48:59,239 --> 00:48:56,819

black or the the dark cow figures being

1209

00:49:01,279 --> 00:48:59,249

seen along the country lanes or in the

1210

00:49:05,319 --> 00:49:01,289

cemeteries and it almost makes me think

1211

00:49:07,789 --> 00:49:05,329

of you know the old necromancing

1212

00:49:11,269 --> 00:49:07,799

theories where you'd have a blood

1213

00:49:14,749 --> 00:49:11,279

sacrifice in order to call up the

1214

00:49:17,419 --> 00:49:14,759

spirits or the the demons or what have

1215

00:49:19,519 --> 00:49:17,429

you and so I mean you know did have we

1216

00:49:22,159 --> 00:49:19,529

seen a very similar situation there in

1217

00:49:26,029 --> 00:49:22,169

Iowa where you know you had 40 goats

1218

00:49:29,509 --> 00:49:26,039

killed in a matter of days reportedly by

1219

00:49:32,239 --> 00:49:29,519

an unknown dog or you know a black shuck

1220

00:49:34,909 --> 00:49:32,249

as they're called in Great Britain and

1221

00:49:38,089 --> 00:49:34,919

then we start seeing these almost

1222

00:49:40,609 --> 00:49:38,099

supernatural types of entities prowling

1223

00:49:43,039 --> 00:49:40,619

the roads at night scaring people now

1224

00:49:44,509 --> 00:49:43,049

how long is it going to be before some

1225

00:49:46,099 --> 00:49:44,519

of these residents will start seeing

1226

00:49:48,559 --> 00:49:46,109

these things you know in their house

1227

00:49:50,059 --> 00:49:48,569

right are like our last caller you know

1228

00:49:52,789 --> 00:49:50,069

the wake up and they'll be you know

1229

00:49:55,309 --> 00:49:52,799

these things coming out of the closet or

1230

00:49:57,349 --> 00:49:55,319

you know standing alongside their beds

1231

00:49:59,449 --> 00:49:57,359

or even you know regular doorbells in

1232

00:50:01,729 --> 00:49:59,459

the middle of the night yeah you'll

1233

00:50:03,199 --> 00:50:01,739

probably start seeing that so we did

1234

00:50:05,929 --> 00:50:03,209

have a full moon in the Solstice last

1235

00:50:08,689 --> 00:50:05,939

night and that's right many astrologists

1236

00:50:10,729 --> 00:50:08,699

or astrologers had said by the way you

1237

00:50:12,379 --> 00:50:10,739

know this means that it's the night of

1238

00:50:13,909 --> 00:50:12,389

rituals and night of all kinds of

1239

00:50:15,829 --> 00:50:13,919

craziness and maybe there were rituals

1240

00:50:17,419 --> 00:50:15,839

going on last night and and entities

1241

00:50:19,119 --> 00:50:17,429

were conjured or otherwise brought

1242

00:50:21,319 --> 00:50:19,129

forward we were just talking about that

1243

00:50:22,359 --> 00:50:21,329

there's a new movie called the conjuring

1244

00:50:24,349 --> 00:50:22,369

that came out and they actually

1245

00:50:26,869 --> 00:50:24,359

associated a number of attacks some

1246

00:50:29,599 --> 00:50:26,879

well-known a ghost and poltergeist cases

1247

00:50:33,679 --> 00:50:29,609

with this this demon that had nothing to

1248

00:50:36,559 --> 00:50:33,689

do with anything called fields vaak and

1249

00:50:38,119 --> 00:50:36,569

apparently VALIC had nothing to do with

1250

00:50:39,769 --> 00:50:38,129

these cases but they brought this demon

1251

00:50:42,109 --> 00:50:39,779

in it happens to be the demon which

1252

00:50:44,869 --> 00:50:42,119

shows up during a celestial events and

1253

00:50:45,499 --> 00:50:44,879

is the guardian of the the Viper pit to

1254

00:50:48,109 --> 00:50:45,509

the the

1255

00:50:50,269 --> 00:50:48,119

Viper's in the abyss I'm like boy they

1256

00:50:51,799 --> 00:50:50,279

sure tighten that one pretty well I

1257

00:50:53,989 --> 00:50:51,809

don't know about that it's gonna Brian

1258

00:50:57,169 --> 00:50:53,999

in Illinois Ryan hi you're run with Tim

1259

00:51:01,129 --> 00:50:57,179

Schwartz go ahead hi guys great show

1260

00:51:05,239 --> 00:51:01,139

tonight man my mine is not typical this

1261

00:51:07,729 --> 00:51:05,249

was back in 1956 I was five years old

1262

00:51:10,969 --> 00:51:07,739

but in kindergarten and it was in a

1263

00:51:12,649 --> 00:51:10,979

populous area of Chicago I woke up at

1264

00:51:15,289 --> 00:51:12,659

around 2 o'clock walked out into the

1265

00:51:16,429 --> 00:51:15,299

living room and there was the only light

1266

00:51:17,839 --> 00:51:16,439

in the room was coming from a

1267

00:51:19,969 --> 00:51:17,849

streetlight from outside through your

1268

00:51:22,879 --> 00:51:19,979

porch window and there was somebody

1269

00:51:27,649 --> 00:51:22,889

sitting in a chair a you know like

1270

00:51:29,120 --> 00:51:27,659

Alpine style hat but he was so black and

1271

00:51:31,189 --> 00:51:29,130

it was in an area that would have been

1272

00:51:33,319 --> 00:51:31,199

killing some light but it is like he was

1273

00:51:38,359 --> 00:51:33,329

sucking in all the light was that kind

1274

00:51:40,459 --> 00:51:38,369

of dark black black and I got I got sort

1275

00:51:43,699 --> 00:51:40,469

of scared and I went back to my room I

1276

00:51:45,159 --> 00:51:43,709

came back out it was gone but it's the

1277

00:51:48,259 --> 00:51:45,169

same thing I had this ominous feeling

1278

00:51:50,569 --> 00:51:48,269

yeah I don't know it's sort of weird

1279

00:51:52,459 --> 00:51:50,579

well they're all weird and you know I

1280

00:51:54,139 --> 00:51:52,469

never told anybody either well I'm glad

1281

00:51:55,879 --> 00:51:54,149

you're telling us I mean they do show up

1282

00:51:57,109 --> 00:51:55,889

from time to time I like I said I mean I

1283

00:51:58,669 --> 00:51:57,119

had the dream of the grinning man who

1284

00:52:00,589 --> 00:51:58,679

broke my neck and it just scared me I

1285

00:52:02,799 --> 00:52:00,599

have had shadow figures in my room

1286

00:52:03,919 --> 00:52:02,809

before who have spoken to me

1287

00:52:05,359 --> 00:52:03,929

telepathically

1288

00:52:07,639 --> 00:52:05,369

you know that's maybe once or twice I

1289

00:52:09,679 --> 00:52:07,649

mean it's not something obituaries had

1290

00:52:12,049 --> 00:52:09,689

that moment and it makes you wonder if

1291

00:52:13,309 --> 00:52:12,059

they appear from dream time or if they

1292

00:52:14,959 --> 00:52:13,319

find themselves like I say in a

1293

00:52:18,259 --> 00:52:14,969

multi-dimensional multiverse type way

1294

00:52:20,509 --> 00:52:18,269

where we see them but they're seen in

1295

00:52:23,059 --> 00:52:20,519

several different versions of what we

1296

00:52:25,249 --> 00:52:23,069

call our reality and so it's kind of

1297

00:52:27,289 --> 00:52:25,259

like they break through our protective

1298

00:52:29,120 --> 00:52:27,299

matrix that we live in and they show

1299

00:52:30,409 --> 00:52:29,130

themselves for reasons unknown it just

1300

00:52:32,689 --> 00:52:30,419

doesn't make any sense but it's still

1301

00:52:34,219 --> 00:52:32,699

something that is supernatural bizarre

1302

00:52:37,729 --> 00:52:34,229

let's go to Ryan in Oregon you're on

1303

00:52:39,199 --> 00:52:37,739

with Jim Schwartz go ahead yeah hi what

1304

00:52:41,419 --> 00:52:39,209

I heard you guys are talking about this

1305

00:52:44,209 --> 00:52:41,429

I was just floored

1306

00:52:47,029 --> 00:52:44,219

I had a something happen to me when I

1307

00:52:51,979 --> 00:52:47,039

was over the road driving truck in very

1308

00:52:54,259 --> 00:52:51,989

rural Arkansas I was a trainer and about

1309

00:52:55,819 --> 00:52:54,269

two o'clock in the morning my student he

1310

00:52:57,259 --> 00:52:55,829

woke up and he came through the curtain

1311

00:52:58,890 --> 00:52:57,269

and he set the other seat and I asked

1312

00:53:02,160 --> 00:52:58,900

what are you doing up

1313

00:53:05,430 --> 00:53:02,170

I just all of a sudden I couldn't sleep

1314

00:53:07,769 --> 00:53:05,440

and right about then I look up and it's

1315

00:53:11,490 --> 00:53:07,779

very rural there was no cars parked

1316

00:53:13,740 --> 00:53:11,500

along the road no houses just forest

1317

00:53:16,740 --> 00:53:13,750

there's somebody standing on the white

1318

00:53:17,849 --> 00:53:16,750

line on the freeway on the side of the

1319

00:53:20,789 --> 00:53:17,859

road and I hit them

1320

00:53:23,400 --> 00:53:20,799

click the cruise control off and slowed

1321

00:53:26,700 --> 00:53:23,410

down and started to move over in the

1322

00:53:28,589 --> 00:53:26,710

left lane and there was a guy in a black

1323

00:53:33,920 --> 00:53:28,599

suit and he was just standing there

1324

00:53:40,019 --> 00:53:36,900

really strange and I've tried over the

1325

00:53:44,579 --> 00:53:40,029

years to rationalize what that was and I

1326

00:53:47,549 --> 00:53:44,589

i I haven't been able to there was just

1327

00:53:49,230 --> 00:53:47,559

nothing around out there nothing yeah

1328

00:53:50,849 --> 00:53:49,240

that's the strangest part is when you're

1329

00:53:52,410 --> 00:53:50,859

out in the middle of nowhere and there's

1330

00:53:57,180 --> 00:53:52,420

no other explanation except something

1331

00:53:59,700 --> 00:53:57,190

supernatural something but the really

1332

00:54:01,500 --> 00:53:59,710

strange part was I was kind of freaked

1333

00:54:03,120 --> 00:54:01,510

out and kind of scared about it but my

1334

00:54:06,180 --> 00:54:03,130

student he'd be like well maybe we

1335

00:54:08,760 --> 00:54:06,190

should stop and see if he's okay I said

1336

00:54:10,589 --> 00:54:08,770

I'm not stopping and he was he was

1337

00:54:12,660 --> 00:54:10,599

really insistent that we stop and I

1338

00:54:15,210 --> 00:54:12,670

finally said well we get about two miles

1339

00:54:16,829 --> 00:54:15,220

down the road all pull over all wait

1340

00:54:20,670 --> 00:54:16,839

about an hour get out back I'm leaving

1341

00:54:24,029 --> 00:54:20,680

and he kind of hushed up then but he had

1342

00:54:27,390 --> 00:54:24,039

this like crazy sense that he needed to

1343

00:54:28,859 --> 00:54:27,400

go to this person interest and I had

1344

00:54:31,440 --> 00:54:28,869

just the opposite that I needed to get

1345

00:54:34,859 --> 00:54:31,450

the hell out of there no I would have

1346

00:54:36,870 --> 00:54:34,869

done that but it was strange and I

1347

00:54:40,500 --> 00:54:36,880

haven't told too many people but it was

1348

00:54:42,690 --> 00:54:40,510

yeah roll odd Orion was this go is this

1349

00:54:43,819 --> 00:54:42,700

guy looking at you as you approached him

1350

00:54:46,019 --> 00:54:43,829

in the trunk

1351  
00:54:48,900 --> 00:54:46,029  
he was looking straight into the

1352  
00:54:51,960 --> 00:54:48,910  
straight off into the freeway okay and

1353  
00:54:54,089 --> 00:54:51,970  
he didn't he didn't really move and the

1354  
00:54:56,700 --> 00:54:54,099  
only way I could describe really quickly

1355  
00:54:58,470 --> 00:54:56,710  
how he looked it was kind of like Agent

1356  
00:55:03,150 --> 00:54:58,480  
Smith on the matrix you know in a suit

1357  
00:55:05,730 --> 00:55:03,160  
yeah like that and I thought maybe he

1358  
00:55:09,700 --> 00:55:05,740  
drunk in a wedding party he's lost but

1359  
00:55:14,360 --> 00:55:12,560  
no no reason for anybody to be standing

1360  
00:55:15,320 --> 00:55:14,370  
out there especially in a suit right

1361  
00:55:17,420 --> 00:55:15,330  
exactly

1362  
00:55:18,440 --> 00:55:17,430  
hey that's how it is it's just they're

1363  
00:55:20,060 --> 00:55:18,450

just out of place that's why they're

1364

00:55:22,220 --> 00:55:20,070

noticed is they stick out like a sore

1365

00:55:23,600 --> 00:55:22,230

thumb Tim and and that's why you know

1366

00:55:24,500 --> 00:55:23,610

when I first saw this been in black

1367

00:55:25,760 --> 00:55:24,510

story they'd say oh it could be

1368

00:55:26,690 --> 00:55:25,770

pranksters but the police probably have

1369

00:55:28,640 --> 00:55:26,700

even bothered to go out there and

1370

00:55:31,010 --> 00:55:28,650

investigate because they just think that

1371

00:55:32,780 --> 00:55:31,020

people are seeing things and and but you

1372

00:55:34,340 --> 00:55:32,790

go to their Facebook page of the

1373

00:55:35,720 --> 00:55:34,350

sheriff's office and people are really

1374

00:55:36,980 --> 00:55:35,730

frightened about these these men in

1375

00:55:40,160 --> 00:55:36,990

trench coats they're really frightened

1376

00:55:41,420 --> 00:55:40,170

by them so yeah i like i like how the

1377

00:55:43,610 --> 00:55:41,430

sheriff's department put up the picture

1378

00:55:45,170 --> 00:55:43,620

of the sand man from The Nightmare

1379

00:55:46,550 --> 00:55:45,180

Before Christmas it's almost like

1380

00:55:48,710 --> 00:55:46,560

they're treating a little bit like a

1381

00:55:50,360 --> 00:55:48,720

joke yeah and then it's not people are

1382

00:55:52,120 --> 00:55:50,370

really frightened by it Ryan thank you

1383

00:55:54,650 --> 00:55:52,130

for the call let's see let's go down to

1384

00:55:59,300 --> 00:55:54,660

Clay in Ohio hi clay you're on ground

1385

00:56:00,350 --> 00:55:59,310

zero go ahead hello Tim good evening

1386

00:56:05,900 --> 00:56:00,360

gentlemen

1387

00:56:07,520 --> 00:56:05,910

I 43 years old and when I was a child

1388

00:56:10,520 --> 00:56:07,530

all the way up till I was in my early

1389

00:56:13,370 --> 00:56:10,530

teens I would have this such fear I

1390

00:56:16,040 --> 00:56:13,380

could not move I could open my eyes and

1391

00:56:18,860 --> 00:56:16,050

there will be a man when I did overalls

1392

00:56:22,190 --> 00:56:18,870

and I could work sure like when a plan

1393

00:56:25,010 --> 00:56:22,200

type work shirts white grace hair his

1394

00:56:28,310 --> 00:56:25,020

eyes were like black sunken and

1395

00:56:30,890 --> 00:56:28,320

underneath eyes and he had perfect teeth

1396

00:56:33,170 --> 00:56:30,900

when he smiled and when I was able to

1397

00:56:35,450 --> 00:56:33,180

focus on him he was flowed up through

1398

00:56:38,450 --> 00:56:35,460

the ceiling and I would have this for

1399

00:56:41,360 --> 00:56:38,460

many years and there's sometimes there

1400

00:56:44,390 --> 00:56:41,370

would be these like context problem was

1401  
00:56:49,880 --> 00:56:44,400  
black fish floating around the room when

1402  
00:56:51,710 --> 00:56:49,890  
he black fish I've never heard that by

1403  
00:56:54,050 --> 00:56:51,720  
them so they were black things swimming

1404  
00:56:56,210 --> 00:56:54,060  
around some people see black fish or

1405  
00:56:58,040 --> 00:56:56,220  
entities or things floating around and

1406  
00:57:01,520 --> 00:56:58,050  
what you know it sounds an awful lot

1407  
00:57:04,040 --> 00:57:01,530  
like a Robert Monroe you know who was

1408  
00:57:07,610 --> 00:57:04,050  
the wrote several books on astral

1409  
00:57:10,310 --> 00:57:07,620  
projection and he would say that in the

1410  
00:57:13,220 --> 00:57:10,320  
process of when he would first noir come

1411  
00:57:15,890 --> 00:57:13,230  
out of his body that that he would be

1412  
00:57:17,960 --> 00:57:15,900  
harassed sometimes by and he described

1413  
00:57:18,750 --> 00:57:17,970

him as kind of like almost like a fish

1414

00:57:22,050 --> 00:57:18,760

type of

1415

00:57:24,480 --> 00:57:22,060

entities that would attach themselves to

1416

00:57:27,270 --> 00:57:24,490

his spiritual body you know almost like

1417

00:57:29,880 --> 00:57:27,280

the that's what I call like not more a

1418

00:57:32,010 --> 00:57:29,890

heels but you know the those fish that

1419

00:57:34,770 --> 00:57:32,020

attach themselves you know just sharks

1420

00:57:36,390 --> 00:57:34,780

and whales and things like that and he

1421

00:57:38,069 --> 00:57:36,400

said he'd have a heck of a time trying

1422

00:57:40,109 --> 00:57:38,079

to get them off of him

1423

00:57:42,930 --> 00:57:40,119

he called it like parasites like

1424

00:57:44,700 --> 00:57:42,940

spiritual parasites spirit you're

1425

00:57:47,970 --> 00:57:44,710

kidding me really spiritual parasites

1426  
00:57:51,120 --> 00:57:47,980  
spiritual parasites because I'm doing an

1427  
00:57:53,040 --> 00:57:51,130  
investigation right now in not really

1428  
00:57:55,890 --> 00:57:53,050  
spiritual parasites but parasites or

1429  
00:57:58,560 --> 00:57:55,900  
bugs but a detecting now that basically

1430  
00:58:02,190 --> 00:57:58,570  
controlled the mind control the mind of

1431  
00:58:03,870 --> 00:58:02,200  
animals I - I'm getting that no I'm

1432  
00:58:06,720 --> 00:58:03,880  
getting these like what we call

1433  
00:58:08,040 --> 00:58:06,730  
overlapping things they're coincidences

1434  
00:58:10,770 --> 00:58:08,050  
and synchronicities about what I'm

1435  
00:58:14,010 --> 00:58:10,780  
talking about further in the show later

1436  
00:58:16,319 --> 00:58:14,020  
on in the week and boy that was right on

1437  
00:58:17,550 --> 00:58:16,329  
the money there Tim clay thank you so

1438  
00:58:20,130 --> 00:58:17,560

much for your call that was amazing

1439

00:58:21,210 --> 00:58:20,140

story and now we have more to come we'd

1440

00:58:24,000 --> 00:58:21,220

like to hear from you tonight triple

1441

00:58:26,910 --> 00:58:24,010

eight six seven three 3700 that's triple

1442

00:58:29,400 --> 00:58:26,920

18 603 3,700 the men in black the

1443

00:58:31,859 --> 00:58:29,410

gridding man the man with the hat the

1444

00:58:34,470 --> 00:58:31,869

black hat Slender Man all of these

1445

00:58:37,020 --> 00:58:34,480

creatures in all of these apparitions

1446

00:58:38,900 --> 00:58:37,030

are being seen by people right now in

1447

00:58:41,609 --> 00:58:38,910

Iowa though the police are investigating

1448

00:58:43,710 --> 00:58:41,619

appearances of these men in black trench

1449

00:58:45,120 --> 00:58:43,720

the trench coats no one knows what

1450

00:58:46,559 --> 00:58:45,130

they're doing there they're in the

1451  
00:58:47,790 --> 00:58:46,569  
middle of nowhere and people are

1452  
00:58:49,920 --> 00:58:47,800  
frightened they're afraid they're gonna

1453  
00:58:52,140 --> 00:58:49,930  
jump in front of cars get killed but

1454  
00:58:53,790 --> 00:58:52,150  
maybe they won't because they're just

1455  
00:58:55,800 --> 00:58:53,800  
not really there they're kind of

1456  
00:58:58,109 --> 00:58:55,810  
interdimensional or maybe they're just

1457  
00:58:59,520 --> 00:58:58,119  
to fight in the rural area frightened

1458  
00:59:02,520 --> 00:58:59,530  
the area they're frightened the people

1459  
00:59:03,089 --> 00:59:02,530  
in that rural area chevrolet 673 3700

1460  
00:59:04,319 --> 00:59:03,099  
we'll be back

1461  
00:59:09,420 --> 00:59:04,329  
you're on with Tim Schwartz on ground

1462  
00:59:14,609 --> 00:59:09,430  
zero go ahead I just wanted to talk

1463  
00:59:17,819 --> 00:59:14,619

about an experience I had in 1984 okay

1464

00:59:20,010 --> 00:59:17,829

there's Sun at night house then I was

1465

00:59:21,690 --> 00:59:20,020

well I went through the door because

1466

00:59:26,000 --> 00:59:21,700

they heard a knock and I looked outside

1467

00:59:28,500 --> 00:59:26,010

I know I saw like four people that were

1468

00:59:31,020 --> 00:59:28,510

almost kind of grey black

1469

00:59:35,610 --> 00:59:31,030

let's do women and two men

1470

00:59:37,880 --> 00:59:35,620

and all of them jet black sunglasses

1471

00:59:40,320 --> 00:59:37,890

then I was in the daytime and they were

1472

00:59:43,230 --> 00:59:40,330

well they were all just into kind of a

1473

00:59:45,690 --> 00:59:43,240

black you're kind of gray but they seem

1474

00:59:48,090 --> 00:59:45,700

to be kind of a vapor not really there

1475

00:59:51,270 --> 00:59:48,100

you know what I mean like paper but in

1476

00:59:53,730 --> 00:59:51,280

dark gray black and then they were

1477

00:59:57,570 --> 00:59:53,740

carrying a black suitcase and on they

1478

00:59:59,610 --> 00:59:57,580

had a black car which was old-fashioned

1479

01:00:04,560 --> 00:59:59,620

you know like those classic cars that

1480

01:00:06,030 --> 01:00:04,570

the bomb cars and then the yeah I asked

1481

01:00:08,190 --> 01:00:06,040

them and you know if I could help them

1482

01:00:10,710 --> 01:00:08,200

they said that they they were looking

1483

01:00:12,390 --> 01:00:10,720

for my sister and I told them that she

1484

01:00:14,220 --> 01:00:12,400

wasn't there at the moment and I just

1485

01:00:16,350 --> 01:00:14,230

said if they wanted to leave a message

1486

01:00:19,590 --> 01:00:16,360

and I went you know to let them know

1487

01:00:21,170 --> 01:00:19,600

they were and then they told me they

1488

01:00:24,570 --> 01:00:21,180

were from Avon

1489

01:00:26,070 --> 01:00:24,580

and I I just kind of didn't think so

1490

01:00:28,590 --> 01:00:26,080

because they didn't look to be able on

1491

01:00:31,560 --> 01:00:28,600

people they were just all dressed and in

1492

01:00:36,000 --> 01:00:31,570

but you know kind of said it's a great

1493

01:00:41,130 --> 01:00:36,010

but I really thought that it was a 1984

1494

01:00:43,440 --> 01:00:41,140

they said they were from Avon doesn't it

1495

01:00:45,420 --> 01:00:43,450

sound pretty archaic is the men in black

1496

01:00:51,600 --> 01:00:45,430

whatever they say stupid things they

1497

01:00:56,040 --> 01:00:51,610

think they sound hip really dumb I just

1498

01:00:57,330 --> 01:00:56,050

kind of like we're really Avon ladies

1499

01:00:58,920 --> 01:00:57,340

were there really Avon ladies of

1500

01:01:00,660 --> 01:00:58,930

Representatives in 1984 the go

1501

01:01:08,820 --> 01:01:00,670

door-to-door still I really don't think

1502

01:01:11,610 --> 01:01:08,830

so no it was unreal you know but they

1503

01:01:15,030 --> 01:01:11,620

did kind of seem to be vapor kind of not

1504

01:01:17,430 --> 01:01:15,040

really there you know home papers and I

1505

01:01:20,400 --> 01:01:17,440

think after after they told me they were

1506

01:01:21,660 --> 01:01:20,410

from Avon I saw one of them going to the

1507

01:01:24,590 --> 01:01:21,670

back of the house and they seemed like

1508

01:01:28,620 --> 01:01:24,600

they were looking for something and then

1509

01:01:30,390 --> 01:01:28,630

like the same idea came which is I'm not

1510

01:01:34,200 --> 01:01:30,400

sure how they arrived there and then I

1511

01:01:36,180 --> 01:01:34,210

never saw her left either so all I know

1512

01:01:37,680 --> 01:01:36,190

is they knocked and that's when I first

1513

01:01:40,740 --> 01:01:37,690

saw them but I don't know how they got

1514

01:01:42,430 --> 01:01:40,750

there they drove in and I didn't I'm

1515

01:01:47,330 --> 01:01:42,440

driving

1516

01:01:48,680 --> 01:01:47,340

there's just a story that I 1984 it's it

1517

01:01:50,450 --> 01:01:48,690

sounds like a classic men in black

1518

01:01:51,980 --> 01:01:50,460

encounter Tim I did like I was saying

1519

01:01:53,840 --> 01:01:51,990

earlier you know they told her they were

1520

01:01:57,110 --> 01:01:53,850

from Avon and I've heard stories that

1521

01:01:59,360 --> 01:01:57,120

the men in black sometimes they use

1522

01:02:02,330 --> 01:01:59,370

euphemism that are so a euphemism x' and

1523

01:02:04,910 --> 01:02:02,340

other words are so outdated and

1524

01:02:07,130 --> 01:02:04,920

irrelevant is that true have you heard

1525

01:02:09,620 --> 01:02:07,140

that as well Tim oh very very much so

1526

01:02:12,650 --> 01:02:09,630

there's there's been cases where they

1527

01:02:17,750 --> 01:02:12,660

have come to the door claiming to be

1528

01:02:22,670 --> 01:02:17,760

encyclopedia salesmen or you know or

1529

01:02:24,650 --> 01:02:22,680

taking like a census surveys or things

1530

01:02:28,040 --> 01:02:24,660

like that but yeah very much so I mean

1531

01:02:30,530 --> 01:02:28,050

and and I have heard like the caller

1532

01:02:31,850 --> 01:02:30,540

just said I have heard of them saying

1533

01:02:33,410 --> 01:02:31,860

that they were you know Avon

1534

01:02:35,750 --> 01:02:33,420

representatives that's bizarre

1535

01:02:36,740 --> 01:02:35,760

yeah Linda thank you thank you so much

1536

01:02:38,900 --> 01:02:36,750

for your experience and thank you for

1537

01:02:40,010 --> 01:02:38,910

your call see I'm great having you on

1538

01:02:41,960 --> 01:02:40,020

and we're gonna give you this

1539

01:02:43,490 --> 01:02:41,970

conversation all night long but having

1540

01:02:45,350 --> 01:02:43,500

you on board talking about it's amazing

1541

01:02:46,820 --> 01:02:45,360

if people want to contact you and get

1542

01:02:47,360 --> 01:02:46,830

your conspiracy newsletter how can they

1543

01:02:49,730 --> 01:02:47,370

do that

1544

01:02:54,320 --> 01:02:49,740

yes well all I have to do they go to my

1545

01:02:56,750 --> 01:02:54,330

website at conspiracy journal dot-com we

1546

01:02:58,280 --> 01:02:56,760

have a weekly email newsletter that we

1547

01:02:59,960 --> 01:02:58,290

send out for free you can sign up for

1548

01:03:00,800 --> 01:02:59,970

that and you know it's funny in that too

1549

01:03:02,900 --> 01:03:00,810

yeah we've been talking about this

1550

01:03:04,670 --> 01:03:02,910

subject tonight because Tim Beckley and

1551  
01:03:07,370 --> 01:03:04,680  
myself we've got a book coming out soon

1552  
01:03:09,160 --> 01:03:07,380  
called alien mind control so men and

1553  
01:03:11,000 --> 01:03:09,170  
black fit right in with that

1554  
01:03:12,080 --> 01:03:11,010  
fantastic Tim thank you so much for

1555  
01:03:14,150 --> 01:03:12,090  
being on the program tonight such a

1556  
01:03:15,680 --> 01:03:14,160  
pleasure having you on in such a great

1557  
01:03:18,710 --> 01:03:15,690  
topic to out-of-the-blue with these

1558  
01:03:20,780 --> 01:03:18,720  
strange men in black in iowa and thank

1559  
01:03:22,700 --> 01:03:20,790  
you so much for the I guess you call it

1560  
01:03:24,860 --> 01:03:22,710  
a geographical sense because not very

1561  
01:03:26,300 --> 01:03:24,870  
many people know the area and having

1562  
01:03:27,620 --> 01:03:26,310  
that information I think is also vital

1563  
01:03:29,270 --> 01:03:27,630

to the story so Tim thank you so much

1564

01:03:30,530 --> 01:03:29,280

for being on the program tonight Thank
