CLAUDIA CUNNINGHAM

TIM BECKLEY

1
00:00:39,200 --> 00:00:36,030
we interrupt this program for a special

2
00:00:42,840 --> 00:00:40,920
incredible as it may seem

3
00:00:45,060 --> 00:00:42,850
both the observations of science and the

4
00:00:46,649 --> 00:00:45,070
evidence of our eyes lead to the

5
00:00:48,240 --> 00:00:46,659
inescapable assumption that those

6
00:00:51,570 --> 00:00:48,250
strange beings who landed in the jersey

7
00:00:53,869 --> 00:00:51,580
farmlands tonight are the vanguard of an

8
00:00:55,530 --> 00:00:53,879
invading army from the planet Mars

9
00:00:59,939 --> 00:00:55,540
mysteries surrounding

10
00:01:01,740 --> 00:00:59,949
captivate us and a Loris joined Shawn

11
00:01:05,550 --> 00:01:01,750
for kur and launched strickler's they

12
00:01:11,910 --> 00:01:05,560
take you beyond the edge and into the

13
00:01:15,179 --> 00:01:11,920

arcane investigating myth legends and

14

00:01:21,460 --> 00:01:15,189

modern mysteries explored the strange

15

00:01:26,320 --> 00:01:24,280

the arcane and good evening folks

16

00:01:28,330 --> 00:01:26,330

welcome back arcane radio I'm Sean the

17

00:01:30,940 --> 00:01:28,340

fork chopped for kur joined with butch

18

00:01:33,580 --> 00:01:30,950

wachowski and launched Strickler and our

19

00:01:35,050 --> 00:01:33,590

special guests tonight Tim Beck Lee and

20

00:01:37,840 --> 00:01:35,060

miss Claudia we're going to be talking

21

00:01:40,660 --> 00:01:37,850

about some very strange happening so

22

00:01:42,790 --> 00:01:40,670

guys thanks for joining us tonight

23

00:01:45,190 --> 00:01:42,800

I got a copy of your book right here

24

00:01:48,580 --> 00:01:45,200

cryptid creatures from dark domains and

25

00:01:50,290 --> 00:01:48,590

I'm excited too let's get to it good and

26

00:01:52,390 --> 00:01:50,300

Butch how are you this evening

27

00:01:54,220 --> 00:01:52,400

I'm fine Tim how are you doing hanging

28

00:01:58,320 --> 00:01:54,230

in here hanging in the air with all

29

00:02:01,540 --> 00:01:58,330

kinds of craziness and sounds in my ear

30

00:02:04,000 --> 00:02:01,550

but well we're waiting on going we're up

31

00:02:09,969 --> 00:02:04,010

we're up and alive and we're ready to go

32

00:02:12,160 --> 00:02:09,979

deep into the woods I'm ready well

33

00:02:14,230 --> 00:02:12,170

apparently in the book you're seeing the

34

00:02:15,940 --> 00:02:14,240

devil butchers I'm looking at you right

35

00:02:18,580 --> 00:02:15,950

here this lovely photograph that I also

36

00:02:21,430 --> 00:02:18,590

use of Butch wachowski in the book on

37

00:02:23,050 --> 00:02:21,440

page 7 so let's start from the top Tim

38

00:02:24,850 --> 00:02:23,060

our listeners might not be too familiar

39

00:02:26,050 --> 00:02:24,860

with you and if they are fantastic but

40

00:02:27,910 --> 00:02:26,060

I'm not tell me a little bit about

41

00:02:29,979 --> 00:02:27,920

yourself and then Claudia will do the

42

00:02:34,229 --> 00:02:29,989

same for you oh boy you got an hour a

43

00:02:37,090 --> 00:02:34,239

discussion right there well let me see I

44

00:02:40,600 --> 00:02:37,100

got involved in all of this well the

45

00:02:42,670 --> 00:02:40,610

house I was raised in had pulled a guy's

46

00:02:46,630 --> 00:02:42,680

phenomena you know lights going on and

47

00:02:49,180 --> 00:02:46,640

off and doors opening and closing and at

48

00:02:53,770 --> 00:02:49,190

one point people were even hearing the

49

00:02:55,630 --> 00:02:53,780

sound of a baby crying in the in the

50

00:02:59,979 --> 00:02:55,640

house there and we we found that later

51
00:03:02,590 --> 00:02:59,989
on that there had been a oh I guess a an

52
00:03:06,840 --> 00:03:02,600
epidemic like typhoid epidemic right

53
00:03:10,120 --> 00:03:06,850
after World War one and there was a

54
00:03:11,770 --> 00:03:10,130
woman who had given them birth to a baby

55
00:03:13,900 --> 00:03:11,780
and died within a couple of days and

56
00:03:16,060 --> 00:03:13,910
they had awake with both of them in the

57
00:03:19,050 --> 00:03:16,070
same coffin so we assumed if one

58
00:03:22,540 --> 00:03:19,060
believes in the paranormal aspect of

59
00:03:24,699 --> 00:03:22,550
ghosts and so forth spirits that this

60
00:03:27,250 --> 00:03:24,709
might have been them coming back or

61
00:03:30,190 --> 00:03:27,260
haunting in the place but perhaps the

62
00:03:33,250 --> 00:03:30,200
most relevant thing was when I was a 10

63
00:03:35,680 --> 00:03:33,260

years old I had the first of three UFO

64

00:03:38,670 --> 00:03:35,690

sightings and UFO

65

00:03:42,700 --> 00:03:38,680

I guess are really what's kept me going

66

00:03:46,150 --> 00:03:42,710

over all these years you know I'm

67

00:03:47,800 --> 00:03:46,160

probably have more but I have a small

68

00:03:50,620 --> 00:03:47,810

publishing company called inner light

69

00:03:53,170 --> 00:03:50,630

global communications we have about 250

70

00:03:57,280 --> 00:03:53,180

books published over a period of almost

71

00:04:00,780 --> 00:03:57,290

half a century authors like Brad Steiger

72

00:04:05,650 --> 00:04:00,790

tea lamps and Krampus Shawn Castile

73

00:04:09,280 --> 00:04:05,660

myself and a multitude of others and we

74

00:04:13,210 --> 00:04:09,290

have a youtube channel which is mr. UFO

75

00:04:17,470 --> 00:04:13,220

secret file our own weekly podcast which

76

00:04:20,920 --> 00:04:17,480

is exploring the bizarre and kco our

77

00:04:23,830 --> 00:04:20,930

radio I organized some of the first the

78

00:04:26,560 --> 00:04:23,840

UFO conferences around the country and

79

00:04:29,710 --> 00:04:26,570

have been involved in putting out many

80

00:04:33,240 --> 00:04:29,720

many UFO journals and magazines which

81

00:04:36,330 --> 00:04:33,250

sold on the newsstand but going back to

82

00:04:40,620 --> 00:04:36,340

1957 I was 10 years old at the time and

83

00:04:43,890 --> 00:04:40,630

we were in the middle of a summer UFO

84

00:04:47,620 --> 00:04:43,900

wave of UFO sightings known as a flap

85

00:04:48,970 --> 00:04:47,630

now we were seated on the front porch

86

00:04:51,940 --> 00:04:48,980

where I was seated on the front porch of

87

00:04:53,440 --> 00:04:51,950

my parents home in New Jersey which was

88

00:04:55,240 --> 00:04:53,450

pretty common because we just kind of

89

00:04:58,230 --> 00:04:55,250

stayed outside till they cooled off no

90

00:05:02,710 --> 00:04:58,240

air conditioners in those days and

91

00:05:05,230 --> 00:05:02,720

someone came running up to where we were

92

00:05:08,020 --> 00:05:05,240

seated and pointed out two objects in

93

00:05:10,960 --> 00:05:08,030

the sky one was across the street over

94

00:05:13,210 --> 00:05:10,970

an abandoned factory building and one

95

00:05:15,790 --> 00:05:13,220

was right above the the house where I

96

00:05:19,060 --> 00:05:15,800

was living with my parents and these

97

00:05:20,920 --> 00:05:19,070

things circled in the sky for Oh 15 or

98

00:05:23,170 --> 00:05:20,930

20 minutes and then the one across the

99

00:05:26,170 --> 00:05:23,180

street just blinked out like somebody

100

00:05:27,670 --> 00:05:26,180

had pulled the the light switch and the

101
00:05:31,600 --> 00:05:27,680
other one continued to circle overhead

102
00:05:35,470 --> 00:05:31,610
for a period of time now this kind of

103
00:05:37,180 --> 00:05:35,480
whetted my curiosity and the next day or

104
00:05:39,159 --> 00:05:37,190
the following day there was an item in

105
00:05:41,050 --> 00:05:39,169
the paper that other people had

106
00:05:42,880 --> 00:05:41,060
witnessed this but the authorities were

107
00:05:44,880 --> 00:05:42,890
saying that it was nothing more

108
00:05:48,130 --> 00:05:44,890
unconventional than a weather balloon

109
00:05:49,600 --> 00:05:48,140
well fellows even at the age of 10 I

110
00:05:52,540 --> 00:05:49,610
knew that this was some

111
00:05:54,969 --> 00:05:52,550
that seemed to be under in Cantel

112
00:05:56,619 --> 00:05:54,979
intelligent control it wasn't something

113
00:05:59,230 --> 00:05:56,629

that was bobbing and weaving with the

114

00:06:02,649 --> 00:05:59,240

wooden current or anything like that so

115

00:06:04,990 --> 00:06:02,659

I wrote a letter to the local newspaper

116

00:06:06,909 --> 00:06:05,000

and they published it and I asked for

117

00:06:10,600 --> 00:06:06,919

people to share their sightings and all

118

00:06:12,820 --> 00:06:10,610

with me and they started mailing me in

119

00:06:14,709 --> 00:06:12,830

the reports and calling on the the

120

00:06:17,320 --> 00:06:14,719

telephone and I started putting out a

121

00:06:21,100 --> 00:06:17,330

little newsletter started out printing

122

00:06:25,330 --> 00:06:21,110

75 copies of the first issue it was ten

123

00:06:29,709 --> 00:06:25,340

pages long by time I gave it over to a

124

00:06:33,010 --> 00:06:29,719

larger publisher it was 50 pages long

125

00:06:35,260 --> 00:06:33,020

and we had 1500 subscribers which in

126

00:06:38,589 --> 00:06:35,270

those days was quite a bit in fact

127

00:06:40,959 --> 00:06:38,599

we had as many subscribers as appro

128

00:06:43,869 --> 00:06:40,969

which is the second largest UFO group

129

00:06:45,610 --> 00:06:43,879

had had members so I've traveled all

130

00:06:47,610 --> 00:06:45,620

over the world investigating UFOs

131

00:06:50,740 --> 00:06:47,620

talking to people who have had

132

00:06:52,409 --> 00:06:50,750

experiences on the subject some people

133

00:06:55,629 --> 00:06:52,419

may think I have a rather radical

134

00:06:59,409 --> 00:06:55,639

viewpoint on this and and my viewpoints

135

00:07:01,719 --> 00:06:59,419

are subject to change you know over over

136

00:07:05,469 --> 00:07:01,729

time I I guess when I first started out

137

00:07:07,899 --> 00:07:05,479

my concept were that these were all are

138

00:07:11,309 --> 00:07:07,909

mostly all extraterrestrial in origin I

139

00:07:14,829 --> 00:07:11,319

tend to discredit that theory today to a

140

00:07:17,939 --> 00:07:14,839

to an extent I think that some of these

141

00:07:20,890 --> 00:07:17,949

objects are made right here on earth

142

00:07:24,820 --> 00:07:20,900

advanced technology perhaps a part of a

143

00:07:28,629 --> 00:07:24,830

secret space program or a program that

144

00:07:30,490 --> 00:07:28,639

was started in affiliation with the Nazi

145

00:07:34,240 --> 00:07:30,500

German scientists that came over here

146

00:07:37,269 --> 00:07:34,250

after World War two under the auspices

147

00:07:39,129 --> 00:07:37,279

of project paper clip and I think that a

148

00:07:42,519 --> 00:07:39,139

lot of the early UFO sightings at least

149

00:07:45,909 --> 00:07:42,529

were covered up by the government

150

00:07:48,820 --> 00:07:45,919

because because they didn't want us you

151

00:07:51,059 --> 00:07:48,830

are so simply you US citizens to know

152

00:07:57,070 --> 00:07:51,069

that they were in collaboration with

153

00:07:59,139 --> 00:07:57,080

Nazi sympathizers and and that's kind of

154

00:08:00,579 --> 00:07:59,149

Anna in a nutshell my my background in

155

00:08:04,580 --> 00:08:00,589

and like I say I've traveled all over

156

00:08:08,060 --> 00:08:04,590

the world I spoke at the

157

00:08:10,400 --> 00:08:08,070

House of Lords in England they had a UFO

158

00:08:13,430 --> 00:08:10,410

a group they were a way ahead of

159

00:08:16,130 --> 00:08:13,440

everybody else on disclosure in the

160

00:08:19,520 --> 00:08:16,140

early 1980s I was invited over by my

161

00:08:22,540 --> 00:08:19,530

friend the Earl of Cheryl of clan cardi

162

00:08:24,830 --> 00:08:22,550

Brinsley Laporte wrench and he was a

163

00:08:28,460 --> 00:08:24,840

member of the House of Lords and he had

164

00:08:31,400 --> 00:08:28,470

this UFO group and they were trying to

165

00:08:34,010 --> 00:08:31,410

get her Majesty to release their

166

00:08:36,760 --> 00:08:34,020

findings on UFOs of course there were

167

00:08:38,780 --> 00:08:36,770

maybe about 25 or 30 years too early but

168

00:08:41,510 --> 00:08:38,790

eventually of course a lot of those

169

00:08:43,990 --> 00:08:41,520

reports were released and I continued my

170

00:08:45,830 --> 00:08:44,000

investigation of my publishing today and

171

00:08:47,840 --> 00:08:45,840

even though I'm supposed to be

172

00:08:49,900 --> 00:08:47,850

semi-retired I'm probably more active

173

00:08:52,430 --> 00:08:49,910

than ever

174

00:08:55,040 --> 00:08:52,440

you know not everybody can say they've

175

00:08:56,750 --> 00:08:55,050

been invited to speak by an earl that is

176

00:08:59,390 --> 00:08:56,760

true that is true I think there were

177

00:09:03,340 --> 00:08:59,400

only two people from the United States

178

00:09:08,120 --> 00:09:03,350

and maybe nine or ten other

179

00:09:10,790 --> 00:09:08,130

investigators altogether the group met

180

00:09:13,460 --> 00:09:10,800

like I say unofficially maybe once every

181

00:09:17,300 --> 00:09:13,470

other month or so I think they had about

182

00:09:20,120 --> 00:09:17,310

a hundred members from both the House of

183

00:09:23,180 --> 00:09:20,130

Lords and Parliament some of whom were

184

00:09:27,470 --> 00:09:23,190

not even believers but you know even the

185

00:09:30,320 --> 00:09:27,480

United Nations here for many years had

186

00:09:33,170 --> 00:09:30,330

an unofficial UFO a group I don't

187

00:09:35,330 --> 00:09:33,180

believe it's at an event yeah yeah

188

00:09:38,930 --> 00:09:35,340

active any longer but there was a

189

00:09:41,480 --> 00:09:38,940

meeting hall you across the street cuz I

190

00:09:43,670 --> 00:09:41,490

remember one time somebody rented it for

191

00:09:45,800 --> 00:09:43,680

a wedding he would see it you know like

192

00:09:47,390 --> 00:09:45,810

it you and the reception hall or

193

00:09:50,330 --> 00:09:47,400

something and they had the they had

194

00:09:54,080 --> 00:09:50,340

meeting rooms and so if you were you

195

00:09:56,170 --> 00:09:54,090

know involved in the u.s. UN in in some

196

00:09:58,820 --> 00:09:56,180

function and of course if thousands of

197

00:10:00,740 --> 00:09:58,830

employees from all over the world you

198

00:10:01,880 --> 00:10:00,750

could have your own group so I'm sure

199

00:10:03,620 --> 00:10:01,890

they had every group that you could

200

00:10:05,210 --> 00:10:03,630

think of Under the Sun but they had a

201
00:10:07,610 --> 00:10:05,220
paranormal group and they had a UFO

202
00:10:09,350 --> 00:10:07,620
group and and they invited speakers to

203
00:10:12,020 --> 00:10:09,360
come in it did not necessarily mean that

204
00:10:14,510 --> 00:10:12,030
they endorsed them it certainly was not

205
00:10:16,430 --> 00:10:14,520
sanctioned by the world body itself but

206
00:10:17,060 --> 00:10:16,440
they did exchange information on this

207
00:10:22,330 --> 00:10:17,070
and somewhere

208
00:10:27,080 --> 00:10:22,340
more interested than others interesting

209
00:10:32,120 --> 00:10:27,090
colonia then you're known as the MIB

210
00:10:34,760 --> 00:10:32,130
lane that start well you know let me

211
00:10:36,740 --> 00:10:34,770
just say i've always been interested in

212
00:10:38,990 --> 00:10:36,750
the unknown because it's so much more

213
00:10:41,840 --> 00:10:39,000

exciting than the dull material world

214

00:10:44,030 --> 00:10:41,850

and even as a little child I would have

215

00:10:46,280 --> 00:10:44,040

pajama parties for my little friends and

216

00:10:48,080 --> 00:10:46,290

I would off-the-cuff just tell them

217

00:10:50,900 --> 00:10:48,090

these stories to scare them to death and

218

00:10:53,330 --> 00:10:50,910

I'd get in trouble and I always believed

219

00:10:55,430 --> 00:10:53,340

a monster lived in my closet like a lot

220

00:10:58,280 --> 00:10:55,440

of little kids do but what doesn't it

221

00:11:01,340 --> 00:10:58,290

well I think it did yes I really do I

222

00:11:04,370 --> 00:11:01,350

think that's the story for another day

223

00:11:07,040 --> 00:11:04,380

I have had two UFO sightings I've had

224

00:11:09,380 --> 00:11:07,050

what they call an old hag experience

225

00:11:11,840 --> 00:11:09,390

where something will attack you during

226

00:11:15,380 --> 00:11:11,850

the night actually I had two of those

227

00:11:18,260 --> 00:11:15,390

but as I got older and kind of more

228

00:11:20,900 --> 00:11:18,270

mature but not that much more mature my

229

00:11:22,700 --> 00:11:20,910

interest kind of turned to life after

230

00:11:24,710 --> 00:11:22,710

death why are we here

231

00:11:29,120 --> 00:11:24,720

why you know what is it what's it all

232

00:11:32,240 --> 00:11:29,130

about Alfie you know why why just where

233

00:11:35,560 --> 00:11:32,250

do bad things happen to good people so

234

00:11:38,780 --> 00:11:35,570

I've always been kind of an investigator

235

00:11:40,580 --> 00:11:38,790

not professionally but I started out as

236

00:11:43,460 --> 00:11:40,590

just somebody who had a whole lot of

237

00:11:46,480 --> 00:11:43,470

questions and it took me into some very

238

00:11:50,780 --> 00:11:46,490

strange terrain but what happened in

239

00:11:53,930 --> 00:11:50,790

2009 was a friend of mine who is a nurse

240

00:11:56,900 --> 00:11:53,940

at the local Veterans Hospital in Albany

241

00:11:59,480 --> 00:11:56,910

New York where I live which is about 160

242

00:12:01,970 --> 00:11:59,490

miles north of Tim's own hometown in

243

00:12:06,230 --> 00:12:01,980

Manhattan halfway between New York City

244

00:12:08,480 --> 00:12:06,240

and Montreal she called me one day and

245

00:12:11,090 --> 00:12:08,490

she said you know you're probably one of

246

00:12:12,830 --> 00:12:11,100

the crazier people I know and you're

247

00:12:15,410 --> 00:12:12,840

probably the only person I could tell

248

00:12:18,070 --> 00:12:15,420

this to who won't laugh at me but she

249

00:12:21,050 --> 00:12:18,080

said I went to the albany rural cemetery

250

00:12:23,480 --> 00:12:21,060

on a beautiful afternoon last week and

251
00:12:26,000 --> 00:12:23,490
she said what happened to me was so

252
00:12:27,890 --> 00:12:26,010
shocking and she said I don't know what

253
00:12:30,710 --> 00:12:27,900
to do about it so I kind of helped her

254
00:12:31,350 --> 00:12:30,720
through it but she actually saw a black

255
00:12:47,750 --> 00:12:31,360
s

256
00:12:50,699 --> 00:12:47,760
nowhere

257
00:12:53,550 --> 00:12:50,709
completely black looked like it was just

258
00:12:55,980 --> 00:12:53,560
rolled out of the showroom huge big

259
00:12:57,870 --> 00:12:55,990
black tires everything tinted windows

260
00:13:00,840 --> 00:12:57,880
and she said Oh My heavens you know I'm

261
00:13:04,170 --> 00:13:00,850
going to be attacked or robbed or worse

262
00:13:06,180 --> 00:13:04,180
so she said then I got kind of mad you

263
00:13:08,100 --> 00:13:06,190

know where are they doing this to me so

264

00:13:09,600 --> 00:13:08,110

she kind of inched up a little bit and

265

00:13:13,079 --> 00:13:09,610

she's looking in the mirror the whole

266

00:13:15,900 --> 00:13:13,089

time and instead of you know the vehicle

267

00:13:17,940 --> 00:13:15,910

trying to you know keep pace with her it

268

00:13:21,690 --> 00:13:17,950

kind of turned around and went down a

269

00:13:23,970 --> 00:13:21,700

side road so she said I was really mad I

270

00:13:26,310 --> 00:13:23,980

had to find out who that was so she

271

00:13:28,440 --> 00:13:26,320

followed that and when she got to the

272

00:13:30,360 --> 00:13:28,450

point where she saw it take a right down

273

00:13:33,540 --> 00:13:30,370

the hill there was nothing there but a

274

00:13:36,569 --> 00:13:33,550

chain-link fence with a lot of graves on

275

00:13:39,060 --> 00:13:36,579

the other side so she turned around and

276

00:13:41,370 --> 00:13:39,070

went out the way that she came in which

277

00:13:43,500 --> 00:13:41,380

was a big black macadam Road it should

278

00:13:45,150 --> 00:13:43,510

come into this huge old cemetery it

279

00:13:47,730 --> 00:13:45,160

looks like something out of a monster

280

00:13:50,910 --> 00:13:47,740

movie and here in the middle of the

281

00:13:54,210 --> 00:13:50,920

macadam road was a black this black SUV

282

00:13:57,660 --> 00:13:54,220

with a man in black he had black

283

00:13:59,699 --> 00:13:57,670

wraparound sunglasses all in black she

284

00:14:01,800 --> 00:13:59,709

said it looked like his clothes just

285

00:14:05,639 --> 00:14:01,810

came out of a you know from Macy's a

286

00:14:07,769 --> 00:14:05,649

brand new clothing black patent-leather

287

00:14:09,840 --> 00:14:07,779

shoes everything black even black hair

288

00:14:12,689 --> 00:14:09,850

and she said I looked at him and he gave

289

00:14:15,689 --> 00:14:12,699

me the creepiest smile and she said as I

290

00:14:17,730 --> 00:14:15,699

pushed Nick I know beyond this vehicle I

291

00:14:22,740 --> 00:14:17,740

looked in the mirror and it completely

292

00:14:24,960 --> 00:14:22,750

blinked out so that got me investigating

293

00:14:27,689 --> 00:14:24,970

the whole subject of men in black and

294

00:14:30,420 --> 00:14:27,699

what I found was the cemetery is a

295

00:14:33,269 --> 00:14:30,430

virtual Disneyland of paranormal

296

00:14:35,970 --> 00:14:33,279

activity and three months later I had my

297

00:14:38,280 --> 00:14:35,980

own man in black experience at a

298

00:14:41,250 --> 00:14:38,290

shopping center in a little town called

299

00:14:44,040 --> 00:14:41,260

Del Mar New York I had my late mother

300

00:14:45,240 --> 00:14:44,050

and my dog in the car with me and I went

301

00:14:47,220 --> 00:14:45,250

into the dollar store and I

302

00:14:49,440 --> 00:14:47,230

left him in the car and of course I was

303

00:14:51,290 --> 00:14:49,450

all psyched up over this Linda thing

304

00:14:53,910 --> 00:14:51,300

because I had I had read Kim Beckley's

305

00:14:56,640 --> 00:14:53,920

excellent book on the men in black you

306

00:14:58,830 --> 00:14:56,650

know several years before and I thought

307

00:15:02,760 --> 00:14:58,840

you know this sounds like one of these

308

00:15:04,620 --> 00:15:02,770

guys that Kim wrote about so I pulled up

309

00:15:06,930 --> 00:15:04,630

went in got my purchase got back in the

310

00:15:10,250 --> 00:15:06,940

car and this little creepy man came out

311

00:15:12,960 --> 00:15:10,260

of the back kind of like from the

312

00:15:15,000 --> 00:15:12,970

parking lot and it was a big black van

313

00:15:16,560 --> 00:15:15,010

parked next to the car and I said to my

314

00:15:18,300 --> 00:15:16,570

mother gee that that looks like

315

00:15:21,270 --> 00:15:18,310

something one of those men that Linda

316

00:15:24,030 --> 00:15:21,280

saw might drive well this little guy was

317

00:15:25,050 --> 00:15:24,040

a pork pie hat like something out of a

318

00:15:27,030 --> 00:15:25,060

1940's

319

00:15:31,530 --> 00:15:27,040

crime movie you know that like the

320

00:15:33,270 --> 00:15:31,540

fedora type while in black where he

321

00:15:36,690 --> 00:15:33,280

stuck his head in the window and he said

322

00:15:39,090 --> 00:15:36,700

hello like just oh my god and then he

323

00:15:40,890 --> 00:15:39,100

walked in front of the car took a couple

324

00:15:42,870 --> 00:15:40,900

of steps turned around and kind of put

325

00:15:45,360 --> 00:15:42,880

his glasses down and looked over the top

326

00:15:48,000 --> 00:15:45,370

of his glasses and it was the creepiest

327

00:15:51,350 --> 00:15:48,010

look I've ever seen in my life he did

328

00:15:55,290 --> 00:15:51,360

not belong there he came out of nowhere

329

00:15:57,210 --> 00:15:55,300

it's my that town is loaded with I call

330

00:15:58,860 --> 00:15:57,220

them it's like a yuppie haven you know

331

00:16:02,100 --> 00:15:58,870

little you know very normal looking

332

00:16:04,350 --> 00:16:02,110

people this guy did not fit there and I

333

00:16:06,150 --> 00:16:04,360

always regretted not following him

334

00:16:09,990 --> 00:16:06,160

because he did not look right he just

335

00:16:12,570 --> 00:16:10,000

did not and so I I wrote a letter

336

00:16:14,820 --> 00:16:12,580

emailed Kim Beckley I mean who has been

337

00:16:17,340 --> 00:16:14,830

kind of a hero to me since maybe the

338

00:16:19,620 --> 00:16:17,350

early 70s when I started to get some of

339

00:16:21,150 --> 00:16:19,630

his publications because I remembered

340

00:16:24,329 --> 00:16:21,160

the book that I had about the men in

341

00:16:27,150 --> 00:16:24,339

black and I I wanted to know what he

342

00:16:30,600 --> 00:16:27,160

thought of all this crazy stuff and he

343

00:16:33,360 --> 00:16:30,610

liked my letter and he asked me to go on

344

00:16:35,760 --> 00:16:33,370

coast-to-coast am with George Noory and

345

00:16:38,670 --> 00:16:35,770

tell my tale and that kind of kicked off

346

00:16:40,650 --> 00:16:38,680

nice friendship with Tim he's come up to

347

00:16:44,190 --> 00:16:40,660

Albany several times we've gone to the

348

00:16:48,150 --> 00:16:44,200

cemetery shot footage and lo and behold

349

00:16:50,970 --> 00:16:48,160

I found out that charles fort the father

350

00:16:53,310 --> 00:16:50,980

of the paranormal movement in america is

351
00:16:57,260 --> 00:16:53,320
buried there so that really blew my mind

352
00:17:00,650 --> 00:16:57,270
so that's how I kind of got into

353
00:17:04,550 --> 00:17:00,660
all this craziness and I've been on the

354
00:17:06,260 --> 00:17:04,560
road of the strange ever since that's

355
00:17:09,170 --> 00:17:06,270
all right I tell you I read your

356
00:17:11,120 --> 00:17:09,180
accountant about the albany rural

357
00:17:14,870 --> 00:17:11,130
cemetery i didn't realize the place was

358
00:17:18,260 --> 00:17:14,880
that big but some of the stuff that goes

359
00:17:20,750 --> 00:17:18,270
on there is pretty interesting i saw the

360
00:17:23,870 --> 00:17:20,760
videos and then i read you know I've

361
00:17:27,050 --> 00:17:23,880
read your segments in the book it's very

362
00:17:30,830 --> 00:17:27,060
interesting I I am definitely gonna make

363
00:17:32,420 --> 00:17:30,840

a stop if I ever go up there because you

364

00:17:34,850 --> 00:17:32,430

know I know you know I actually knew the

365

00:17:40,160 --> 00:17:34,860

Chester authors buried there but I knew

366

00:17:43,390 --> 00:17:40,170

that Charles fort was buried there there

367

00:17:47,180 --> 00:17:43,400

within a stone's throw almost are they

368

00:17:51,220 --> 00:17:47,190

not too far not too far away I know in

369

00:17:54,350 --> 00:17:51,230

fact the entire charles fort family is

370

00:17:55,670 --> 00:17:54,360

buried there i guess most people are a

371

00:17:58,700 --> 00:17:55,680

lot of people were under the impression

372

00:18:01,370 --> 00:17:58,710

that he lived in britain but he did a

373

00:18:04,280 --> 00:18:01,380

part he spent part of his life there but

374

00:18:07,160 --> 00:18:04,290

his family claudia my correct was from

375

00:18:11,590 --> 00:18:07,170

the Albany area yes yes he was born in

376

00:18:14,420 --> 00:18:11,600

Albany yeah and there are nine I believe

377

00:18:17,660 --> 00:18:14,430

tombstones representing members of his

378

00:18:19,910 --> 00:18:17,670

his family but some of the things that

379

00:18:23,570 --> 00:18:19,920

have happened there of course we're all

380

00:18:26,270 --> 00:18:23,580

interested in the cryptids have been

381

00:18:28,160 --> 00:18:26,280

pretty bizarre I mean how many sightings

382

00:18:31,100 --> 00:18:28,170

of these hellhounds do you think have

383

00:18:33,920 --> 00:18:31,110

been made there oh well okay what I

384

00:18:36,260 --> 00:18:33,930

found through some investigation and one

385

00:18:37,940 --> 00:18:36,270

my niece who is also very interested in

386

00:18:40,250 --> 00:18:37,950

this stuff when she was going to college

387

00:18:41,990 --> 00:18:40,260

she took the bus up to Hudson Valley

388

00:18:44,900 --> 00:18:42,000

Community College and every morning

389

00:18:46,520 --> 00:18:44,910

there would be a young guy on the bus

390

00:18:50,480 --> 00:18:46,530

and they kind of became friends and he

391

00:18:52,370 --> 00:18:50,490

was the caretaker and Albany rural and

392

00:18:55,250 --> 00:18:52,380

he actually opened up the cemetery in

393

00:18:57,380 --> 00:18:55,260

the morning before dawn actually and she

394

00:18:59,480 --> 00:18:57,390

said oh my god how aren't you afraid to

395

00:19:01,370 --> 00:18:59,490

go in there and he goes no he said as a

396

00:19:03,710 --> 00:19:01,380

matter of fact I see a ghost every other

397

00:19:05,900 --> 00:19:03,720

day and so I mean she was flourish this

398

00:19:07,790 --> 00:19:05,910

is what do you mean and he said well

399

00:19:10,730 --> 00:19:07,800

I'll go in I'll open up the gates and

400

00:19:11,210 --> 00:19:10,740

I'll be you know taking the flowers off

401

00:19:14,210 --> 00:19:11,220

the grave

402

00:19:16,789 --> 00:19:14,220

mowing or whatever and all of a sudden I

403

00:19:18,440 --> 00:19:16,799

know when she is going to appear and she

404

00:19:21,110 --> 00:19:18,450

says I turn around and here's this

405

00:19:22,970 --> 00:19:21,120

little old lady all in black and she

406

00:19:25,850 --> 00:19:22,980

walks right past him within like five

407

00:19:28,070 --> 00:19:25,860

feet and she just very quietly nods and

408

00:19:29,450 --> 00:19:28,080

she says good morning and he'll say good

409

00:19:32,260 --> 00:19:29,460

morning and he'll turn around and she'll

410

00:19:36,500 --> 00:19:32,270

be gone so that that's one thing but

411

00:19:40,669 --> 00:19:36,510

there are reports even to this day as I

412

00:19:44,000 --> 00:19:40,679

am now finding out that if it's usually

413

00:19:47,210 --> 00:19:44,010

at dusk and now Albany rural like I said

414

00:19:49,580 --> 00:19:47,220

it's like going to Disneyland uh nasod

415

00:19:52,610 --> 00:19:49,590

if you're in it's just completely crazy

416

00:19:55,850 --> 00:19:52,620

in there a lot of activity but when

417

00:19:58,070 --> 00:19:55,860

people are walking their dog down this

418

00:20:00,289 --> 00:19:58,080

macadam Road which is the main road into

419

00:20:03,950 --> 00:20:00,299

the cemetery and it's it's huge it

420

00:20:05,899 --> 00:20:03,960

really is it goes back to the 1600s then

421

00:20:07,850 --> 00:20:05,909

the lights go on they have what

422

00:20:10,520 --> 00:20:07,860

streetlights in the cemetery and the

423

00:20:12,020 --> 00:20:10,530

main road and they'll be walking their

424

00:20:14,480 --> 00:20:12,030

dog and this one lady had a little

425

00:20:16,490 --> 00:20:14,490

poodle and all of a sudden out the

426
00:20:19,610 --> 00:20:16,500
corner of her eyes she'll see this huge

427
00:20:22,399 --> 00:20:19,620
dog bigger than a Great Dane and it's

428
00:20:25,159 --> 00:20:22,409
all black it has a red cast to his eye

429
00:20:26,960 --> 00:20:25,169
and it'll pace the people all the way

430
00:20:30,830 --> 00:20:26,970
until they leave it doesn't do anything

431
00:20:32,390 --> 00:20:30,840
it just looks at them and the dog the

432
00:20:34,760 --> 00:20:32,400
people who have the dogs on the leash

433
00:20:37,480 --> 00:20:34,770
they don't react which is really weird

434
00:20:41,419 --> 00:20:37,490
to me because you hear about animals

435
00:20:43,640 --> 00:20:41,429
sensing the paranormal they sense the

436
00:20:47,480 --> 00:20:43,650
spirit world they they growl they cower

437
00:20:50,659 --> 00:20:47,490
they they crow under the bed but nothing

438
00:20:54,190 --> 00:20:50,669

and that Jane happens so this is going

439

00:20:59,840 --> 00:20:54,200

on even right now another thing back in

440

00:21:01,820 --> 00:20:59,850

1809 the cemetery is located in a little

441

00:21:04,970 --> 00:21:01,830

town called minions New York which is

442

00:21:07,250 --> 00:21:04,980

like two miles out of Albany proper out

443

00:21:09,500 --> 00:21:07,260

of the city of Albany and right below

444

00:21:13,250 --> 00:21:09,510

minions is another little town called

445

00:21:17,630 --> 00:21:13,260

Waterville eat and apparently back in

446

00:21:19,970 --> 00:21:17,640

the 1800s a man was on a kind of a

447

00:21:22,220 --> 00:21:19,980

buckboard like a you know wagon was a

448

00:21:24,230 --> 00:21:22,230

horse and the horse got spooked and he

449

00:21:25,039 --> 00:21:24,240

started to run down Broadway in the

450

00:21:27,560 --> 00:21:25,049

direction of the

451
00:21:29,869 --> 00:21:27,570
Metiria the man jumped off and the horse

452
00:21:33,080 --> 00:21:29,879
ran into the cemetery and crashed into

453
00:21:37,039 --> 00:21:33,090
the home of the superintendent who has a

454
00:21:40,190 --> 00:21:37,049
little cottage there and died it was

455
00:21:41,810 --> 00:21:40,200
killed and for even up until now on

456
00:21:44,419 --> 00:21:41,820
certain nights of the week over the year

457
00:21:46,759 --> 00:21:44,429
people see this horse walking around the

458
00:21:48,499 --> 00:21:46,769
building and if they approach it it will

459
00:21:53,060 --> 00:21:48,509
just melt away

460
00:21:54,739 --> 00:21:53,070
it'll just vanish away so now there are

461
00:21:58,159 --> 00:21:54,749
other things that go on there if I just

462
00:22:00,919 --> 00:21:58,169
could quickly tell you at dusk there is

463
00:22:03,470 --> 00:22:00,929

a couple who hold hands and float over

464

00:22:08,539 --> 00:22:03,480

the tombstones and their pajamas how

465

00:22:11,269 --> 00:22:08,549

romantic yes and there's a big pond

466

00:22:14,539 --> 00:22:11,279

actually it's right almost at the foot

467

00:22:15,859 --> 00:22:14,549

of Charles Ford's grave a very pretty

468

00:22:18,259 --> 00:22:15,869

pond people go up there they have

469

00:22:20,060 --> 00:22:18,269

picnics in the daytime people jog they

470

00:22:23,690 --> 00:22:20,070

walk their dog it's a beautiful place

471

00:22:27,229 --> 00:22:23,700

and that's another time at you know in

472

00:22:29,960 --> 00:22:27,239

the fall toward the end of like maybe

473

00:22:31,570 --> 00:22:29,970

toward what do they say the Halloween

474

00:22:35,409 --> 00:22:31,580

season late you know late in the fall

475

00:22:38,259 --> 00:22:35,419

people will see an old funeral

476

00:22:41,419 --> 00:22:38,269

procession going around the pond and

477

00:22:44,149 --> 00:22:41,429

ladies have the dark veils they're all

478

00:22:47,779 --> 00:22:44,159

dressed in mourning clothes and there's

479

00:22:50,659 --> 00:22:47,789

a casket in a wagon drawn by two black

480

00:22:53,899 --> 00:22:50,669

horses and if you approach it it will

481

00:22:55,970 --> 00:22:53,909

just fade away they don't hurt anybody

482

00:22:59,029 --> 00:22:55,980

but you know they they like to be seen

483

00:23:01,820 --> 00:22:59,039

apparently there show up well you know

484

00:23:04,820 --> 00:23:01,830

let me tell you my MIB story I would

485

00:23:07,220 --> 00:23:04,830

come into Manhattan every day and we

486

00:23:08,960 --> 00:23:07,230

were getting this was the around the

487

00:23:12,590 --> 00:23:08,970

time of the marsh gas sightings in

488

00:23:14,899 --> 00:23:12,600

Michigan and there were the news media

489

00:23:18,859 --> 00:23:14,909

was full of reports of UFOs it was one

490

00:23:23,029 --> 00:23:18,869

of the real peak years for UFO sightings

491

00:23:26,509 --> 00:23:23,039

in North America there was 1952

492

00:23:30,830 --> 00:23:26,519

well 1947 of course the first flap 1950

493

00:23:33,700 --> 00:23:30,840

to 1957 that is skipped about that 10 10

494

00:23:37,460 --> 00:23:33,710

years and we were in the middle like a

495

00:23:41,360 --> 00:23:37,470

summer a wave of UFO sightings

496

00:23:43,940 --> 00:23:41,370

one of the incidents that we had heard

497

00:23:47,090 --> 00:23:43,950

about involved a group of teenagers I

498

00:23:51,200 --> 00:23:47,100

think for teenage boys who had seen an

499

00:23:54,620 --> 00:23:51,210

object land in a park in Passaic New

500

00:23:56,860 --> 00:23:54,630

Jersey and apparently several small

501
00:23:59,450 --> 00:23:56,870
creatures got out of the craft and

502
00:24:02,080 --> 00:23:59,460
scurried around and did whatever small

503
00:24:05,570 --> 00:24:02,090
creatures that come out of crafts do and

504
00:24:07,850 --> 00:24:05,580
they were very excited what teenage boy

505
00:24:11,149 --> 00:24:07,860
wouldn't be they didn't have any

506
00:24:13,549 --> 00:24:11,159
Nintendo in those days right so they

507
00:24:15,230 --> 00:24:13,559
were very excited about this Yule and it

508
00:24:18,289 --> 00:24:15,240
UFO and the little men that they had

509
00:24:21,980 --> 00:24:18,299
seen scurrying around it so they called

510
00:24:25,940 --> 00:24:21,990
the oh I guess a local researcher by the

511
00:24:28,010 --> 00:24:25,950
name of John J Robinson and he was an

512
00:24:29,539 --> 00:24:28,020
assistant editor for saucer knew zero

513
00:24:32,779 --> 00:24:29,549

wasn't a full-time job he would just

514

00:24:35,180 --> 00:24:32,789

send in reports and occasionally from

515

00:24:38,539 --> 00:24:35,190

time to time Jim Mosely the publisher

516

00:24:40,190 --> 00:24:38,549

and John would be on the lawn John

517

00:24:42,110 --> 00:24:40,200

Neville the show and they would bring up

518

00:24:45,380 --> 00:24:42,120

all these reports and so forth

519

00:24:47,870 --> 00:24:45,390

well anyway several weeks after the

520

00:24:49,730 --> 00:24:47,880

sighting they had a meeting with the

521

00:24:52,730 --> 00:24:49,740

teenage boys just on the perimeter of

522

00:24:55,310 --> 00:24:52,740

the park to discuss and take down notes

523

00:24:57,200 --> 00:24:55,320

about what they had seen and the boys

524

00:24:59,990 --> 00:24:57,210

described in detail the landing of this

525

00:25:01,549 --> 00:25:00,000

craft and the little men that scurried

526

00:25:04,149 --> 00:25:01,559

around they seemed to be dressed in some

527

00:25:07,730 --> 00:25:04,159

sort of uniform

528

00:25:09,680 --> 00:25:07,740

they looked humanoid in appearance they

529

00:25:12,110 --> 00:25:09,690

were smaller than any earth person but

530

00:25:13,669 --> 00:25:12,120

they didn't you know look monstrous and

531

00:25:17,360 --> 00:25:13,679

they didn't have wings or horns or

532

00:25:19,580 --> 00:25:17,370

anything like that so they noticed while

533

00:25:22,549 --> 00:25:19,590

they were interviewing two teenagers off

534

00:25:24,830 --> 00:25:22,559

about a block away on the perimeter of

535

00:25:27,320 --> 00:25:24,840

the park there was a big old black

536

00:25:30,710 --> 00:25:27,330

Cadillac sitting there and it had a

537

00:25:33,770 --> 00:25:30,720

partially lowered window on it and the

538

00:25:36,440 --> 00:25:33,780

the glasses were all you know blacked

539

00:25:39,970 --> 00:25:36,450

out and you couldn't really see who was

540

00:25:44,779 --> 00:25:39,980

inside but somebody seemed to be

541

00:25:47,180 --> 00:25:44,789

observing the conversation and they I

542

00:25:49,970 --> 00:25:47,190

guess they eventually left and everybody

543

00:25:51,230 --> 00:25:49,980

went home and Jack filed a report with

544

00:25:53,780 --> 00:25:51,240

the

545

00:25:56,919 --> 00:25:53,790

Mosley's saucer news and we put it in

546

00:25:59,810 --> 00:25:56,929

our file cabinet and plan to you know

547

00:26:03,500 --> 00:25:59,820

report out in the next issue of the

548

00:26:07,970 --> 00:26:03,510

magazine which was a quarterly well now

549

00:26:11,210 --> 00:26:07,980

we got several calls from Jack after he

550

00:26:13,310 --> 00:26:11,220

had met with the teenage boys that he

551
00:26:17,150 --> 00:26:13,320
thought that his telephone was being

552
00:26:21,049 --> 00:26:17,160
tapped and apparently somebody had

553
00:26:24,710 --> 00:26:21,059
broken into his apartment he lived in a

554
00:26:27,980 --> 00:26:24,720
small he and Mary Robinson lived in a

555
00:26:31,000 --> 00:26:27,990
small apartment building in Jersey City

556
00:26:34,340 --> 00:26:31,010
which is a bedroom community of

557
00:26:36,290 --> 00:26:34,350
Manhattan probably hundreds of a couple

558
00:26:40,070 --> 00:26:36,300
of hundred thousand people take the PATH

559
00:26:43,120 --> 00:26:40,080
train over from Jersey City to Manhattan

560
00:26:46,419 --> 00:26:43,130
every day it's about maybe a 20 20

561
00:26:50,799 --> 00:26:46,429
minute ride it stops in Wall Street

562
00:26:52,940 --> 00:26:50,809
stops pretty near Macy's and it's a hub

563
00:26:55,840 --> 00:26:52,950

activity if you don't want to pay the

564

00:26:58,160 --> 00:26:55,850

Manhattan rents that's where you lived

565

00:26:59,890 --> 00:26:58,170

you know back in those days today

566

00:27:03,770 --> 00:26:59,900

wouldn't much matter and it wouldn't

567

00:27:07,250 --> 00:27:03,780

suspect but anyway well when Jack would

568

00:27:09,140 --> 00:27:07,260

go to work his wife Mary you know who

569

00:27:12,049 --> 00:27:09,150

stayed at home she would go out and do

570

00:27:14,990 --> 00:27:12,059

the the shopping and whatever she had

571

00:27:16,730 --> 00:27:15,000

you know sure she hadn't do and she

572

00:27:20,020 --> 00:27:16,740

would call us on several occasions to

573

00:27:22,970 --> 00:27:20,030

tell us that there was this strange man

574

00:27:25,340 --> 00:27:22,980

standing in the doorway and next door to

575

00:27:27,919 --> 00:27:25,350

the building where they lived he had on

576

00:27:32,450 --> 00:27:27,929

a black suit black sunglasses black hat

577

00:27:34,660 --> 00:27:32,460

and he was kind of recessed into the the

578

00:27:38,570 --> 00:27:34,670

doorway as if he did not want to be

579

00:27:40,280 --> 00:27:38,580

observed so she was wondering well what

580

00:27:43,040 --> 00:27:40,290

was he you know what was he doing there

581

00:27:44,450 --> 00:27:43,050

and this was around the time that Jack

582

00:27:47,720 --> 00:27:44,460

Murray felt that their phone was being

583

00:27:50,320 --> 00:27:47,730

tapped and that they were apartment was

584

00:27:55,690 --> 00:27:50,330

broken into and the files rifled through

585

00:27:58,400 --> 00:27:55,700

so I I guess you know it at some point

586

00:28:00,980 --> 00:27:58,410

Mary had called so many times I guess

587

00:28:03,260 --> 00:28:00,990

she was kind of being persistent that we

588

00:28:04,910 --> 00:28:03,270

should go over and see for ourselves

589

00:28:06,740 --> 00:28:04,920

this strange

590

00:28:09,350 --> 00:28:06,750

individual standing in the in the

591

00:28:11,750 --> 00:28:09,360

doorway in your house now the men in

592

00:28:15,800 --> 00:28:11,760

black of course the movies hadn't come

593

00:28:18,020 --> 00:28:15,810

out then if you were in the ufologist or

594

00:28:20,240 --> 00:28:18,030

listen to maybe Long John Neville or

595

00:28:22,160 --> 00:28:20,250

some of the early broadcast you knew who

596

00:28:25,550 --> 00:28:22,170

they they were you know they were

597

00:28:28,340 --> 00:28:25,560

silencing UFO researchers and appearing

598

00:28:30,620 --> 00:28:28,350

on the doorsteps and look pretty much

599

00:28:32,540 --> 00:28:30,630

like in the in the movie version you

600

00:28:35,540 --> 00:28:32,550

know but they obviously were not so

601
00:28:38,150 --> 00:28:35,550
comical they were very serious about in

602
00:28:40,490 --> 00:28:38,160
their attempts to silence people so now

603
00:28:43,610 --> 00:28:40,500
we decided well you know this could

604
00:28:45,830 --> 00:28:43,620
possibly be a hoax that Jack and Mary

605
00:28:48,260 --> 00:28:45,840
we're trying to pull on the the staff

606
00:28:50,960 --> 00:28:48,270
just to a gleam a little bit of

607
00:28:53,690 --> 00:28:50,970
attention so Jim and I decided we're

608
00:28:56,030 --> 00:28:53,700
going to drive over to their apartment

609
00:28:57,950 --> 00:28:56,040
in Jersey City and to take a look

610
00:29:01,820 --> 00:28:57,960
without letting them know that we are

611
00:29:05,090 --> 00:29:01,830
coming so one morning we get into Jim's

612
00:29:08,510 --> 00:29:05,100
automobile we go through the Lincoln

613
00:29:11,210 --> 00:29:08,520

Tunnel and head over to Jersey City very

614

00:29:13,160 --> 00:29:11,220

quick drive and and we get there and

615

00:29:17,120 --> 00:29:13,170

it's about probably you know maybe 8:00

616

00:29:19,010 --> 00:29:17,130

8:15 in the morning and the streets the

617

00:29:20,960 --> 00:29:19,020

streets are very narrow it's a

618

00:29:24,200 --> 00:29:20,970

residential area the streets are very

619

00:29:26,120 --> 00:29:24,210

narrow and a lot of people are double

620

00:29:29,660 --> 00:29:26,130

parked I assume doing their own chores

621

00:29:32,320 --> 00:29:29,670

and in stuff so as we pulled them to the

622

00:29:36,170 --> 00:29:32,330

block we saw that indeed there was a

623

00:29:38,950 --> 00:29:36,180

strange individual or a stranger let's

624

00:29:41,600 --> 00:29:38,960

say that's standing in the doorway so

625

00:29:44,510 --> 00:29:41,610

Jim is driving and he hands me his

626
00:29:46,760 --> 00:29:44,520
camera and I'm in the passenger seat and

627
00:29:48,800 --> 00:29:46,770
i stucked my head out the window and I

628
00:29:52,760 --> 00:29:48,810
took the camera out and I take a

629
00:29:55,490 --> 00:29:52,770
photograph of the individual and I take

630
00:29:57,710 --> 00:29:55,500
a photograph of the vehicle that's

631
00:30:00,670 --> 00:29:57,720
parked at the curb which happens to be

632
00:30:02,810 --> 00:30:00,680
one of these long limousine like

633
00:30:05,780 --> 00:30:02,820
Cadillacs or Lincoln's I don't remember

634
00:30:09,200 --> 00:30:05,790
exactly now we decided we're going to

635
00:30:10,940 --> 00:30:09,210
confront this strange character and find

636
00:30:14,270 --> 00:30:10,950
out what is this gentleman doing

637
00:30:16,400 --> 00:30:14,280
standing there almost on a daily basis

638
00:30:18,680 --> 00:30:16,410

observing people going in and out of

639

00:30:21,710 --> 00:30:18,690

this apartment building so

640

00:30:23,600 --> 00:30:21,720

suggest we ride drive around the block

641

00:30:26,840 --> 00:30:23,610

and then I get out of the car and

642

00:30:28,430 --> 00:30:26,850

approached the the individual well it

643

00:30:30,020 --> 00:30:28,440

took us I think a little bit longer than

644

00:30:33,620 --> 00:30:30,030

we suspected to get around the block

645

00:30:36,440 --> 00:30:33,630

because of the congestion and one-way

646

00:30:39,830 --> 00:30:36,450

streets and and so forth so by time we

647

00:30:43,550 --> 00:30:39,840

had gotten back to where he was the

648

00:30:45,740 --> 00:30:43,560

gentleman was gone and the car was gone

649

00:30:48,530 --> 00:30:45,750

as well but we did have the one

650

00:30:50,500 --> 00:30:48,540

photograph and people that look at it

651
00:30:52,760 --> 00:30:50,510
will say well maybe it was a pallbearer

652
00:30:55,550 --> 00:30:52,770
well there was no funeral home or

653
00:30:58,190 --> 00:30:55,560
anything like that nearby I don't think

654
00:31:01,190 --> 00:30:58,200
anybody had died they weren't picking up

655
00:31:03,440 --> 00:31:01,200
a casket they weren't shooting you know

656
00:31:05,810 --> 00:31:03,450
some kind of horror movie and the in the

657
00:31:07,820 --> 00:31:05,820
neighborhood but the peculiar thing was

658
00:31:09,920 --> 00:31:07,830
you know we think about the men in black

659
00:31:13,550 --> 00:31:09,930
or the the mids as we call them is

660
00:31:16,250 --> 00:31:13,560
silencing UFO researchers well I think

661
00:31:20,270 --> 00:31:16,260
that I silenced him because he never

662
00:31:23,480 --> 00:31:20,280
showed up anymore after our taking his

663
00:31:26,180 --> 00:31:23,490

photograph and there was no more

664

00:31:29,120 --> 00:31:26,190

attempts to break into the apartment and

665

00:31:32,420 --> 00:31:29,130

as far as we know the jack and Mary's

666

00:31:34,790 --> 00:31:32,430

telephone calls were not being tapped so

667

00:31:36,560 --> 00:31:34,800

you could say I have the power to scare

668

00:31:38,740 --> 00:31:36,570

off the men in black which not too many

669

00:31:41,660 --> 00:31:38,750

other people in the UFO field can

670

00:31:44,030 --> 00:31:41,670

justifiably say but that was my

671

00:31:47,270 --> 00:31:44,040

experience with the with the so-called

672

00:31:49,450 --> 00:31:47,280

men in black they are real but then you

673

00:31:52,360 --> 00:31:49,460

know there's so much so much strange

674

00:31:55,430 --> 00:31:52,370

phenomena that's associated with UFOs

675

00:31:58,010 --> 00:31:55,440

that's what makes it so the subject so

676

00:32:00,800 --> 00:31:58,020

intriguing if it were just lights in the

677

00:32:03,860 --> 00:32:00,810

sky or an occasional you know landing

678

00:32:05,660 --> 00:32:03,870

with some Burton rocks or soil or

679

00:32:09,830 --> 00:32:05,670

something like that I don't think it

680

00:32:13,310 --> 00:32:09,840

would have held my interest for half a

681

00:32:16,010 --> 00:32:13,320

century Tim that's the craziest picture

682

00:32:19,430 --> 00:32:16,020

I ever saw that is so spooky of that guy

683

00:32:22,040 --> 00:32:19,440

well he seems also too you know what I

684

00:32:24,830 --> 00:32:22,050

find unusual about him weren't anything

685

00:32:29,390 --> 00:32:24,840

else he seems to be wearing fairy boots

686

00:32:31,580 --> 00:32:29,400

a little like Ali well he doesn't but

687

00:32:32,630 --> 00:32:31,590

the but the the shoes through the boots

688

00:32:35,240 --> 00:32:32,640

that he's wearing

689

00:32:39,049 --> 00:32:35,250

yes certainly right and I don't know

690

00:32:41,360 --> 00:32:39,059

yeah yeah I have you now fellows have

691

00:32:44,960 --> 00:32:41,370

you encountered or heard stories about

692

00:32:48,320 --> 00:32:44,970

anybody that's had cryptid sightings or

693

00:32:53,660 --> 00:32:48,330

encounters being harassed or observed by

694

00:32:57,380 --> 00:32:53,670

men and black type individuals yeah I

695

00:33:00,049 --> 00:32:57,390

had one I had one I just just let me

696

00:33:03,140 --> 00:33:00,059

finish that one bit about being in the

697

00:33:05,419 --> 00:33:03,150

cemetery my head I only take a second

698

00:33:07,610 --> 00:33:05,429

anyway my niece and I went up to John

699

00:33:10,360 --> 00:33:07,620

Boyd Hatcher's crypt who was an early

700

00:33:14,360 --> 00:33:10,370

mayor of New York and it sounded like

701
00:33:16,820 --> 00:33:14,370
metallic a huge noise that came out from

702
00:33:18,799 --> 00:33:16,830
from the Crypt it was like somebody took

703
00:33:20,539 --> 00:33:18,809
a steel drum and just kind of threw it

704
00:33:23,390 --> 00:33:20,549
against the side of the building and

705
00:33:25,280 --> 00:33:23,400
anyway I didn't go back for almost 35

706
00:33:28,850 --> 00:33:25,290
years until my friend told me about the

707
00:33:31,310 --> 00:33:28,860
men in black anyway and the late 80s I

708
00:33:32,900 --> 00:33:31,320
had just broken up with someone which I

709
00:33:36,919 --> 00:33:32,910
did all the time I was kind of sickle

710
00:33:38,570 --> 00:33:36,929
and I decided I wanted to get back with

711
00:33:40,880 --> 00:33:38,580
him but he had met someone else you know

712
00:33:42,680 --> 00:33:40,890
how that goes and I heard he was going

713
00:33:44,330 --> 00:33:42,690

out with someone so I said well I'm

714

00:33:46,250 --> 00:33:44,340

gonna get up in the middle of the night

715

00:33:47,810 --> 00:33:46,260

and I know where he goes on a Friday

716

00:33:51,289 --> 00:33:47,820

night and I'm just going to see if he

717

00:33:54,289 --> 00:33:51,299

walks out with somebody so across the

718

00:33:56,360 --> 00:33:54,299

river there's an old road and it's a

719

00:34:00,110 --> 00:33:56,370

two-lane highway it's completely dark

720

00:34:02,150 --> 00:34:00,120

it isn't lit by any street lamps and it

721

00:34:05,419 --> 00:34:02,160

goes to the little village of Casselton

722

00:34:09,830 --> 00:34:05,429

on Hudson which is about maybe six miles

723

00:34:13,760 --> 00:34:09,840

from Albany across the river and I I

724

00:34:16,220 --> 00:34:13,770

just got almost to where the town began

725

00:34:18,590 --> 00:34:16,230

after going down this very dark road

726

00:34:21,020 --> 00:34:18,600

which was kind of creepy and out of the

727

00:34:24,349 --> 00:34:21,030

corner of my eye I saw something white

728

00:34:27,440 --> 00:34:24,359

and when I looked at it and I swear to

729

00:34:30,950 --> 00:34:27,450

you on a stack of Bibles as God is my

730

00:34:34,580 --> 00:34:30,960

judge here was it looked like a white

731

00:34:36,349 --> 00:34:34,590

owl and it was about 36 inches tall it

732

00:34:39,200 --> 00:34:36,359

was just sitting there on the side of

733

00:34:41,389 --> 00:34:39,210

the road and when I looked at it it had

734

00:34:43,099 --> 00:34:41,399

flew right over my windshield and almost

735

00:34:44,260 --> 00:34:43,109

hit the windshield and I have never been

736

00:34:46,490 --> 00:34:44,270

so scared in my life

737

00:34:49,070 --> 00:34:46,500

so I'm of course

738

00:34:51,139 --> 00:34:49,080

wanted to find out you know are there

739

00:34:54,500 --> 00:34:51,149

hours that being around you know

740

00:34:57,290 --> 00:34:54,510

upstate New York no there's nothing but

741

00:34:58,910 --> 00:34:57,300

what I did find out is that people who

742

00:35:01,670 --> 00:34:58,920

have been abducted

743

00:35:04,310 --> 00:35:01,680

sometimes they're they see an owl or a

744

00:35:06,470 --> 00:35:04,320

deer and they call it a screen memory so

745

00:35:09,260 --> 00:35:06,480

you don't really remember you know I'm

746

00:35:13,490 --> 00:35:09,270

sure you're familiar with that and well

747

00:35:16,460 --> 00:35:13,500

so there's a demon called Moloch mo I o

748

00:35:19,520 --> 00:35:16,470

CH that is represented by a big white

749

00:35:20,840 --> 00:35:19,530

owl and I will never know what that

750

00:35:23,600 --> 00:35:20,850

meant

751

00:35:26,690 --> 00:35:23,610

i I don't want to know but that wasn't

752

00:35:33,260 --> 00:35:26,700

probably about nineteen eighty five or

753

00:35:39,140 --> 00:35:36,200

honest but almost a year and a half I

754

00:35:42,440 --> 00:35:39,150

actually started going on after my wife

755

00:35:45,650 --> 00:35:42,450

started my wife got sick and it didn't

756

00:35:47,660 --> 00:35:45,660

end to it she passed away and I was

757

00:35:53,960 --> 00:35:47,670

seeing Alice I was seeing references

758

00:35:55,370 --> 00:35:53,970

Styles I was seeing owls it was crazy I

759

00:36:04,520 --> 00:35:55,380

was told

760

00:36:08,140 --> 00:36:04,530

actually a if for mention before death

761

00:36:12,380 --> 00:36:08,150

or something I don't know but you know I

762

00:36:15,830 --> 00:36:12,390

internationally stop it was odd there is

763

00:36:19,940 --> 00:36:15,840

something to it you know like Tim

764

00:36:22,480 --> 00:36:19,950

mentioned cryptids well right and I

765

00:36:25,370 --> 00:36:22,490

probably mentioned I live 160 miles from

766

00:36:27,380 --> 00:36:25,380

Manhattan and there you have to go

767

00:36:30,850 --> 00:36:27,390

through the Catskill Mountains which are

768

00:36:35,020 --> 00:36:30,860

extremely haunted by animals that are

769

00:36:37,580 --> 00:36:35,030

absolutely mammoth and they're called

770

00:36:40,010 --> 00:36:37,590

Catamounts they're huge cats probably

771

00:36:41,660 --> 00:36:40,020

three times the size of maybe a panther

772

00:36:44,780 --> 00:36:41,670

and they've been seen through the

773

00:36:48,800 --> 00:36:44,790

centuries and well as little people and

774

00:36:51,580 --> 00:36:48,810

so forth and so on and as you go up the

775

00:36:54,890 --> 00:36:51,590

Hudson Valley through the Catskills

776

00:36:57,020 --> 00:36:54,900

probably maybe I would say 20 miles from

777

00:36:59,870 --> 00:36:57,030

where I live across the river there's a

778

00:37:02,870 --> 00:36:59,880

place called Kinderhook

779

00:37:06,529 --> 00:37:02,880

meaning Children's Corner in Dutch it

780

00:37:09,140 --> 00:37:06,539

was a Dutch settlement and that is where

781

00:37:11,630 --> 00:37:09,150

Washington Irving spent a lot of time

782

00:37:13,849 --> 00:37:11,640

when he was composing The Legend of

783

00:37:16,160 --> 00:37:13,859

Sleepy Hollow ripped and OH

784

00:37:18,740 --> 00:37:16,170

and all you know all these scary things

785

00:37:22,249 --> 00:37:18,750

and he was very influenced by that area

786

00:37:24,650 --> 00:37:22,259

and he actually said that it was a

787

00:37:28,819 --> 00:37:24,660

drowsy dreamy influence that seemed to

788

00:37:32,660 --> 00:37:28,829

hang over the area and held the people

789

00:37:35,150 --> 00:37:32,670

under a strange witching power and this

790

00:37:40,370 --> 00:37:35,160

is where he got the inspiration for all

791

00:37:42,109 --> 00:37:40,380

of his his work but in that area that

792

00:37:45,849 --> 00:37:42,119

right next to Kinderhook there's a

793

00:37:49,150 --> 00:37:45,859

little town called Ghent gh ent and

794

00:37:52,190 --> 00:37:49,160

starting in the 70s Bigfoot was seen

795

00:37:53,990 --> 00:37:52,200

constantly out there it would knock on

796

00:37:55,640 --> 00:37:54,000

people's doors in the middle of the

797

00:37:58,190 --> 00:37:55,650

night it would steal food it would get

798

00:38:00,499 --> 00:37:58,200

in the garbage and it plagued this one

799

00:38:02,960 --> 00:38:00,509

family that was the Bartholomew family

800

00:38:05,569 --> 00:38:02,970

and he actually wrote a book about it

801
00:38:07,069 --> 00:38:05,579
but he would his family wasn't the only

802
00:38:11,089 --> 00:38:07,079
one that saw this thing it was eight

803
00:38:14,870 --> 00:38:11,099
feet tall brown hair and they would go

804
00:38:16,819 --> 00:38:14,880
to a fishing place just about a mile

805
00:38:19,519 --> 00:38:16,829
from their house he and his cousin quote

806
00:38:22,130 --> 00:38:19,529
cushing's Hill and they would see what

807
00:38:24,829 --> 00:38:22,140
they called the white blob and it would

808
00:38:27,559 --> 00:38:24,839
kind of drift across the creek toward

809
00:38:30,680 --> 00:38:27,569
them and kind of take a human shape and

810
00:38:34,880 --> 00:38:30,690
then disappear and this is where they

811
00:38:36,319 --> 00:38:34,890
saw a Bigfoot probably I don't know I

812
00:38:38,210 --> 00:38:36,329
don't know how many times he mentioned

813
00:38:42,440 --> 00:38:38,220

but they they saw him running across the

814

00:38:44,170 --> 00:38:42,450

creek and as you go up north of where I

815

00:38:48,319 --> 00:38:44,180

live to where the Adirondack Mountains

816

00:38:50,990 --> 00:38:48,329

also a lot of hauntings up there

817

00:38:54,319 --> 00:38:51,000

there are Bigfoot sightings in Lake

818

00:38:57,499 --> 00:38:54,329

George and near French Mountain were

819

00:39:01,400 --> 00:38:57,509

many many people have seen things and in

820

00:39:04,249 --> 00:39:01,410

the Skene Valley Country Club area there

821

00:39:06,620 --> 00:39:04,259

is one place near there in Whitehall New

822

00:39:09,620 --> 00:39:06,630

York near Saranac Lake in Lake Lucerne

823

00:39:13,670 --> 00:39:09,630

Ford Edward Ford and protection deroga

824

00:39:15,920 --> 00:39:13,680

and it's called a bear Road and this is

825

00:39:18,020 --> 00:39:15,930

a hot spot if you really wanted to get

826
00:39:20,990 --> 00:39:18,030
in your car today and have a good chance

827
00:39:25,069 --> 00:39:21,000
of seeing a Bigfoot you want to go to a

828
00:39:28,099 --> 00:39:25,079
bear Road and wait all I have done a lot

829
00:39:31,339 --> 00:39:28,109
I've gotten a lot of sightings up and

830
00:39:35,000 --> 00:39:31,349
around Whitehall and across the lake is

831
00:39:38,270 --> 00:39:35,010
actually well and well of course Shawn's

832
00:39:42,770 --> 00:39:38,280
friend just did a movie about Whitehall

833
00:39:45,620 --> 00:39:42,780
and set Breedlove and I was very

834
00:39:50,319 --> 00:39:45,630
interesting film yeah White House kind

835
00:39:57,650 --> 00:39:53,299
activity yeah and it's still going on it

836
00:39:59,780 --> 00:39:57,660
started really in the 70s were more I

837
00:40:02,180 --> 00:39:59,790
guess most people saw the thing and then

838
00:40:03,799 --> 00:40:02,190

it kind of receded for a number of years

839

00:40:06,620 --> 00:40:03,809

and now people are starting to see it

840

00:40:08,180 --> 00:40:06,630

again so if I get my nerve up I'll go up

841

00:40:13,280 --> 00:40:08,190

there probably not though I don't know

842

00:40:16,040 --> 00:40:13,290

but it was a they always say it was

843

00:40:17,870 --> 00:40:16,050

brown had brown fur and eight to nine

844

00:40:19,640 --> 00:40:17,880

feet tall and we just kind of walk in

845

00:40:22,220 --> 00:40:19,650

front of the cars like some demented

846

00:40:24,170 --> 00:40:22,230

hitchhiker you know swing in his arms

847

00:40:25,819 --> 00:40:24,180

and just kind of walk into the woods he

848

00:40:29,210 --> 00:40:25,829

doesn't seem aggressive at least not

849

00:40:33,829 --> 00:40:29,220

this one so that's that's in that area

850

00:40:36,799 --> 00:40:33,839

and another place if you go down we're

851
00:40:38,539 --> 00:40:36,809
again along the Hudson Valley if you go

852
00:40:41,510 --> 00:40:38,549
to a place called the Kip see in New

853
00:40:44,450 --> 00:40:41,520
York there I just spent a week there you

854
00:40:47,030 --> 00:40:44,460
didn't tell me Ana Claudia yeah okay

855
00:40:50,329 --> 00:40:47,040
well do you does anyone remember the

856
00:40:54,410 --> 00:40:50,339
Bishop James Pike James Pike in the 700

857
00:40:58,339 --> 00:40:54,420
yes actually yes indeed okay well he was

858
00:41:03,190 --> 00:40:58,349
the rector of Christ Episcopal Church in

859
00:41:06,380 --> 00:41:03,200
that area and he did all the talk shows

860
00:41:10,339 --> 00:41:06,390
John Neville and all these in fact his

861
00:41:13,549 --> 00:41:10,349
his son committed suicide in a hotel

862
00:41:16,490 --> 00:41:13,559
that's just right around the corner from

863
00:41:18,559 --> 00:41:16,500

where I am here in Manhattan and where I

864

00:41:20,870 --> 00:41:18,569

had some close friends who lived there

865

00:41:25,849 --> 00:41:20,880

for many years and of course there's a

866

00:41:27,370 --> 00:41:25,859

lot of paranormal phenomena involved

867

00:41:29,440 --> 00:41:27,380

with his passing

868

00:41:32,319 --> 00:41:29,450

his son's death and so forth but go on

869

00:41:35,920 --> 00:41:32,329

with your story hotel for another time

870

00:41:37,720 --> 00:41:35,930

yeah he was a rector in the late 40s in

871

00:41:40,259 --> 00:41:37,730

that church is quite an old church and

872

00:41:42,849 --> 00:41:40,269

you know many people wonder how to

873

00:41:44,349 --> 00:41:42,859

reconcile their faith with their belief

874

00:41:47,259 --> 00:41:44,359

in the supernatural and that's always

875

00:41:51,039 --> 00:41:47,269

been a thing with me I I'm a very strong

876

00:41:54,130 --> 00:41:51,049

Christian I totally believe you know and

877

00:41:56,859 --> 00:41:54,140

in my faith yes I know that there's a

878

00:41:58,990 --> 00:41:56,869

dark side or right side I know that and

879

00:41:59,980 --> 00:41:59,000

a lot of people are kind of in that

880

00:42:01,930 --> 00:41:59,990

conundrum

881

00:42:03,670 --> 00:42:01,940

you know we're interested in what's with

882

00:42:05,049 --> 00:42:03,680

the other side is but we don't want to

883

00:42:06,789 --> 00:42:05,059

get too close to it we just want to know

884

00:42:09,670 --> 00:42:06,799

it exists because it kind of confirms

885

00:42:12,700 --> 00:42:09,680

the light side so you know that your

886

00:42:15,309 --> 00:42:12,710

religion and but there are welcome

887

00:42:18,599 --> 00:42:15,319

surprised to learn that actually there

888

00:42:21,640 --> 00:42:18,609

are many haunted churches and many men

889

00:42:24,249 --> 00:42:21,650

of the cloth have had encounters with

890

00:42:27,579 --> 00:42:24,259

ghosts and in their church and this

891

00:42:30,309 --> 00:42:27,589

particular Church in Poughkeepsie is

892

00:42:34,630 --> 00:42:30,319

extremely haunted I believe it was

893

00:42:39,249 --> 00:42:34,640

founded in the 17th and mid 1700s and I

894

00:42:42,039 --> 00:42:39,259

at one one time the late James Pike the

895

00:42:44,740 --> 00:42:42,049

bishop who was who came out in the 70s

896

00:42:46,690 --> 00:42:44,750

as a medium and that was a strange word

897

00:42:48,609 --> 00:42:46,700

back then we heard of psychic so

898

00:42:51,430 --> 00:42:48,619

everybody kind of chuckled nobody really

899

00:42:53,170 --> 00:42:51,440

took it too seriously but he was a

900

00:42:55,690 --> 00:42:53,180

medium so that was something different

901
00:42:58,059 --> 00:42:55,700
and he claimed to speak to the dead and

902
00:42:59,740 --> 00:42:58,069
he was into reincarnation and a lot of

903
00:43:03,430 --> 00:42:59,750
things to go against the Christian faith

904
00:43:06,039 --> 00:43:03,440
but anyway he was director there and he

905
00:43:09,660 --> 00:43:06,049
had seen many ghosts in the church and

906
00:43:12,940 --> 00:43:09,670
during one mass as he lit a holy candle

907
00:43:17,289 --> 00:43:12,950
he was actually attacked by a bat on the

908
00:43:20,019 --> 00:43:17,299
altar and this inexplicable gust of wind

909
00:43:23,829 --> 00:43:20,029
blew the candle out just as a bat

910
00:43:26,680 --> 00:43:23,839
appeared and the incident it was

911
00:43:28,960 --> 00:43:26,690
witnessed by the entire congregation and

912
00:43:32,529 --> 00:43:28,970
it's you know things like candles and

913
00:43:35,650 --> 00:43:32,539

bats have featured prominently in other

914

00:43:38,470 --> 00:43:35,660

strange incidences at that church the

915

00:43:40,569 --> 00:43:38,480

candles and the library extinguished

916

00:43:43,089 --> 00:43:40,579

themselves on occasion

917

00:43:45,939 --> 00:43:43,099

and this malevolent bat has been seen by

918

00:43:48,549 --> 00:43:45,949

more than one churchgoer that I think

919

00:43:50,650 --> 00:43:48,559

the fact that it sometimes fades before

920

00:43:52,479 --> 00:43:50,660

their eyes gives us credence to the

921

00:43:56,349 --> 00:43:52,489

possibility that there's something

922

00:43:59,319 --> 00:43:56,359

supernatural about the creature so but

923

00:44:01,719 --> 00:43:59,329

incidents with bats and candles you know

924

00:44:03,759 --> 00:44:01,729

I can be rationalized it's not having

925

00:44:04,870 --> 00:44:03,769

anything to do with the paranormal you

926

00:44:07,479 --> 00:44:04,880

know you could just say well a bat but

927

00:44:09,339 --> 00:44:07,489

in the church okay but when it fades in

928

00:44:11,799 --> 00:44:09,349

front of you and disappears that's

929

00:44:14,640 --> 00:44:11,809

something different you know

930

00:44:18,189 --> 00:44:14,650

the church has doors that open and close

931

00:44:21,579 --> 00:44:18,199

you know unassisted and strange sounds

932

00:44:25,449 --> 00:44:21,589

and one lady fell asleep of her her

933

00:44:27,669 --> 00:44:25,459

sister was practicing the organ and when

934

00:44:30,609 --> 00:44:27,679

she woke up here was a ghost looking

935

00:44:33,489 --> 00:44:30,619

right at her smiling so there are some

936

00:44:35,380 --> 00:44:33,499

something going on there you know that

937

00:44:39,370 --> 00:44:35,390

being an Episcopal Church has anybody

938

00:44:43,739 --> 00:44:39,380

ever tried to exorcise it that I could

939

00:44:46,660 --> 00:44:43,749

not tell you I don't know but they say

940

00:44:49,299 --> 00:44:46,670

during excuse me during recent times

941

00:44:53,919 --> 00:44:49,309

it's well that nonsense has kind of

942

00:44:55,929 --> 00:44:53,929

stopped so but they but it did happen

943

00:44:59,219 --> 00:44:55,939

it's all been in fact it was written

944

00:45:02,769 --> 00:44:59,229

about and I believe it was Susan's

945

00:45:04,329 --> 00:45:02,779

smitten she's a local author ghost

946

00:45:06,519 --> 00:45:04,339

stories of New York State or something

947

00:45:09,069 --> 00:45:06,529

like that so it's pretty well documented

948

00:45:11,709 --> 00:45:09,079

it's Verret was a very haunted Church I

949

00:45:14,019 --> 00:45:11,719

don't even know if it's still standing

950

00:45:16,569 --> 00:45:14,029

but that's something that I would like

951
00:45:21,459 --> 00:45:16,579
to look into and my next trip down

952
00:45:25,269 --> 00:45:21,469
hmm yeah interesting you know New York

953
00:45:27,729 --> 00:45:25,279
is a very haunted area in fact Saturday

954
00:45:31,599 --> 00:45:27,739
night I'm going to on a haunted tour up

955
00:45:34,839 --> 00:45:31,609
in Lake George at the Fort William Henry

956
00:45:39,189 --> 00:45:34,849
which was a Revolutionary War fortress

957
00:45:42,130 --> 00:45:39,199
in the 1700s and very heavily populated

958
00:45:45,130 --> 00:45:42,140
with Indians and Revolutionary War

959
00:45:48,279 --> 00:45:45,140
soldiers and even to this day people

960
00:45:50,499 --> 00:45:48,289
here must gets you know being shot on

961
00:45:53,349 --> 00:45:50,509
the battlefield and they see men in

962
00:45:54,400 --> 00:45:53,359
Revolutionary War costumes so I'm

963
00:45:56,529 --> 00:45:54,410

looking forward to the

964

00:45:59,620 --> 00:45:56,539

I don't I don't expect I'll see anything

965

00:46:01,599 --> 00:45:59,630

but that has been recorded I have heard

966

00:46:05,559 --> 00:46:01,609

I have heard people that had been there

967

00:46:07,319 --> 00:46:05,569

previously and yeah I there there seems

968

00:46:10,720 --> 00:46:07,329

to be a lot of activity all around

969

00:46:15,609 --> 00:46:10,730

therefore in particular the mess and out

970

00:46:17,609 --> 00:46:15,619

on the walls or the old walls were yeah

971

00:46:20,020 --> 00:46:17,619

that that should be very interesting

972

00:46:21,880 --> 00:46:20,030

well we're going up at night and it's

973

00:46:24,520 --> 00:46:21,890

going to be a candlelit tour through the

974

00:46:26,260 --> 00:46:24,530

the old fort and they're going to

975

00:46:28,569 --> 00:46:26,270

address them them you know the old

976
00:46:29,980 --> 00:46:28,579
Revolutionary War soldier uniforms and

977
00:46:31,480 --> 00:46:29,990
they're actually having real Indians

978
00:46:33,190 --> 00:46:31,490
there so it's going to be like we're

979
00:46:35,740 --> 00:46:33,200
being chased by the Indians it's going

980
00:46:38,500 --> 00:46:35,750
to be a lot of fun now who is sponsoring

981
00:46:41,980 --> 00:46:38,510
that clothing the fort the Fort William

982
00:46:42,430 --> 00:46:41,990
Henry is there a lot yeah my my best

983
00:46:46,180 --> 00:46:42,440
friend

984
00:46:47,680 --> 00:46:46,190
Margaret Ann she's a she which was a

985
00:46:50,260 --> 00:46:47,690
little girl her parents would take her

986
00:46:51,789 --> 00:46:50,270
up there and that's just a lot of

987
00:46:53,740 --> 00:46:51,799
memories so we were up there one day and

988
00:46:56,079 --> 00:46:53,750

we found out that they had these haunted

989

00:46:58,059 --> 00:46:56,089

tours so we signed up for it and we're

990

00:47:02,529 --> 00:46:58,069

going on a headless horseman tour in

991

00:47:05,099 --> 00:47:02,539

Tarrytown the following week yeah I had

992

00:47:09,039 --> 00:47:05,109

I had lunch in Tarrytown yesterday

993

00:47:12,250 --> 00:47:09,049

looking for Ichabod Crane but you know

994

00:47:13,599 --> 00:47:12,260

you you read that little item from

995

00:47:17,289 --> 00:47:13,609

Washington Irving's

996

00:47:18,760 --> 00:47:17,299

a Sleepy Hollow book if you read if I

997

00:47:21,250 --> 00:47:18,770

could find that paragraph which I don't

998

00:47:23,710 --> 00:47:21,260

have here in front of me about what he

999

00:47:25,660 --> 00:47:23,720

described this was what about 1700 or

1000

00:47:28,299 --> 00:47:25,670

something like that a little bit after

1001
00:47:31,359 --> 00:47:28,309
right if you read that paragraph or two

1002
00:47:34,480 --> 00:47:31,369
out of his book you would swear that he

1003
00:47:37,210 --> 00:47:34,490
was talking about what was going on up

1004
00:47:40,900 --> 00:47:37,220
there even recently because this is the

1005
00:47:45,160 --> 00:47:40,910
exact same area where in the early 1980s

1006
00:47:48,880 --> 00:47:45,170
this huge boomerang shaped the craft was

1007
00:47:51,609 --> 00:47:48,890
coming down over the the parkway and on

1008
00:47:53,880 --> 00:47:51,619
one occasion there were about a thousand

1009
00:47:56,500 --> 00:47:53,890
people who actually witnessed this

1010
00:47:59,349 --> 00:47:56,510
similar in some respects to the the

1011
00:48:04,329 --> 00:47:59,359
Phoenix lights in that had moved across

1012
00:48:07,930 --> 00:48:04,339
the sky silently and it was so large

1013
00:48:12,520 --> 00:48:07,940

that it blocked out a huge hue

1014

00:48:17,410 --> 00:48:12,530

section of the of the sky and it's it's

1015

00:48:20,730 --> 00:48:17,420

so perturbed and perplex the residents

1016

00:48:25,870 --> 00:48:20,740

of the area that they actually held a

1017

00:48:31,720 --> 00:48:25,880

town-hall meeting in the local middle

1018

00:48:33,610 --> 00:48:31,730

school there and they called in a number

1019

00:48:36,580 --> 00:48:33,620

of scientists they had dr. J Allen Hynek

1020

00:48:39,610 --> 00:48:36,590

and Jacques Vallee he was there and and

1021

00:48:42,640 --> 00:48:39,620

so forth to get to the bottom of what it

1022

00:48:45,790 --> 00:48:42,650

is that they had observed of course they

1023

00:48:48,670 --> 00:48:45,800

had no luck because what they had

1024

00:48:50,770 --> 00:48:48,680

observed did not seem to be man-made in

1025

00:48:54,070 --> 00:48:50,780

the sense that we think of manmade now

1026

00:48:56,620 --> 00:48:54,080

these crafts may not be physical

1027

00:48:59,800 --> 00:48:56,630

nuts-and-bolts objects I mean they do

1028

00:49:04,360 --> 00:48:59,810

seem to have the ability to transport

1029

00:49:06,550 --> 00:49:04,370

themselves through space and time I do

1030

00:49:10,360 --> 00:49:06,560

believe that the that they are coming

1031

00:49:13,630 --> 00:49:10,370

here myself from other dimensions and

1032

00:49:16,330 --> 00:49:13,640

perhaps from the from the future and it

1033

00:49:19,720 --> 00:49:16,340

could be that some of these ray this

1034

00:49:22,780 --> 00:49:19,730

race or races of beings actually have

1035

00:49:24,640 --> 00:49:22,790

bases here on the ground so this all

1036

00:49:29,890 --> 00:49:24,650

kind of ties in together but if you had

1037

00:49:32,710 --> 00:49:29,900

told me this back in 1957 when I had my

1038

00:49:37,720 --> 00:49:32,720

first UFO sighting I would have thought

1039

00:49:40,410 --> 00:49:37,730

you were terribly bad II you you think a

1040

00:49:41,830 --> 00:49:40,420

lot on the lines like I do about

1041

00:49:44,440 --> 00:49:41,840

extraterrestrial so-called

1042

00:49:47,520 --> 00:49:44,450

extraterrestrials and non terrestrial

1043

00:49:50,350 --> 00:49:47,530

beings I think I think a lot like you do

1044

00:49:51,580 --> 00:49:50,360

well now let me let me take ok just let

1045

00:49:54,640 --> 00:49:51,590

me tell you this one question sorry

1046

00:49:57,940 --> 00:49:54,650

people ask you know is there what is the

1047

00:49:59,890 --> 00:49:57,950

possible connection between UFOs and and

1048

00:50:01,870 --> 00:49:59,900

the Bigfoot they don't see how there

1049

00:50:03,730 --> 00:50:01,880

would be a relation that that's the

1050

00:50:06,220 --> 00:50:03,740

course I was going to answer okay well

1051
00:50:09,760 --> 00:50:06,230
here's the story that I remember from my

1052
00:50:13,270 --> 00:50:09,770
days of writing for the weekly press I

1053
00:50:17,080 --> 00:50:13,280
was a stringer they called it for The

1054
00:50:18,700 --> 00:50:17,090
Enquirer of the globe the main paper I

1055
00:50:21,070 --> 00:50:18,710
wrote for was something out of Chicago

1056
00:50:21,790 --> 00:50:21,080
called the Tattler which was named after

1057
00:50:23,710 --> 00:50:21,800
a British

1058
00:50:26,020 --> 00:50:23,720
I think went back to the 1700s or

1059
00:50:28,660 --> 00:50:26,030
something like that and in those days

1060
00:50:30,970 --> 00:50:28,670
they weren't you know like all celebrity

1061
00:50:33,700 --> 00:50:30,980
gossip and stuff like that he actually

1062
00:50:36,070 --> 00:50:33,710
had the opportunity to you know to do

1063
00:50:38,020 --> 00:50:36,080

some investigative work and see your

1064

00:50:40,030 --> 00:50:38,030

name in print and guess what you even

1065

00:50:42,400 --> 00:50:40,040

got paid a few dollars right whatever

1066

00:50:45,280 --> 00:50:42,410

what a novelty that was but I I remember

1067

00:50:47,770 --> 00:50:45,290

hearing about a report of a gentleman

1068

00:50:49,660 --> 00:50:47,780

and I got him on the telephone he had

1069

00:50:54,010 --> 00:50:49,670

been driving along at night I guess a

1070

00:50:57,460 --> 00:50:54,020

rather remote area and I think this was

1071

00:50:59,140 --> 00:50:57,470

either in Wisconsin or in Michigan and I

1072

00:51:02,380 --> 00:50:59,150

think you can find it on the Internet

1073

00:51:05,770 --> 00:51:02,390

and he actually drew me a made a sketch

1074

00:51:08,800 --> 00:51:05,780

of what he had seen and he sent it to me

1075

00:51:13,030 --> 00:51:08,810

in a you know in a letter in those days

1076
00:51:16,210 --> 00:51:13,040
obviously and it was a giant transparent

1077
00:51:21,580 --> 00:51:16,220
globe almost like a fishbowl type of

1078
00:51:26,650 --> 00:51:21,590
device and inside the vehicle was a

1079
00:51:29,410 --> 00:51:26,660
large hairy creature it was a one-foot

1080
00:51:32,790 --> 00:51:29,420
device or one-man device was this

1081
00:51:36,070 --> 00:51:32,800
seeming creature this big hairy creature

1082
00:51:38,770 --> 00:51:36,080
standing sitting behind a control panel

1083
00:51:41,020 --> 00:51:38,780
and I asked his fellow if he knew about

1084
00:51:43,150 --> 00:51:41,030
reports of Bigfoot or anything like that

1085
00:51:44,590 --> 00:51:43,160
and he didn't even really know what I

1086
00:51:47,560 --> 00:51:44,600
was talking about her at least I I

1087
00:51:50,080 --> 00:51:47,570
assumed he didn't and so that was my

1088
00:51:52,510 --> 00:51:50,090

first inkling that there might be an

1089

00:51:54,790 --> 00:51:52,520

actual I was going to say solid but that

1090

00:51:58,390 --> 00:51:54,800

may not be the correct word a way to

1091

00:52:02,020 --> 00:51:58,400

phrase it a connection between the UFOs

1092

00:52:05,950 --> 00:52:02,030

and these cryptids in a course that

1093

00:52:08,320 --> 00:52:05,960

that's kind of the the I guess the

1094

00:52:10,750 --> 00:52:08,330

concept that we project in this book

1095

00:52:13,600 --> 00:52:10,760

that we just did cryptic features from

1096

00:52:16,630 --> 00:52:13,610

dark domains dog men devil hounds

1097

00:52:19,840 --> 00:52:16,640

phantom canines and real werewolves and

1098

00:52:22,170 --> 00:52:19,850

I guess maybe they're all in some sort

1099

00:52:24,430 --> 00:52:22,180

of way related out there hard to say but

1100

00:52:26,080 --> 00:52:24,440

you know I think it's just getting to

1101
00:52:29,560 --> 00:52:26,090
the point now where we can all really

1102
00:52:32,370 --> 00:52:29,570
start just taking this seriously I don't

1103
00:52:35,150 --> 00:52:32,380
know as if any members of the academic

1104
00:52:37,520 --> 00:52:35,160
community are going to

1105
00:52:39,590 --> 00:52:37,530
pursue this but then you know it's it's

1106
00:52:41,360 --> 00:52:39,600
like disclosure people say do you think

1107
00:52:43,850 --> 00:52:41,370
the government is gonna tell us what

1108
00:52:46,850 --> 00:52:43,860
UFOs are well if you've investigated

1109
00:52:48,380 --> 00:52:46,860
this for 50 years if you don't believe

1110
00:52:49,550 --> 00:52:48,390
they're real probably you're not gonna

1111
00:52:51,590 --> 00:52:49,560
believe that you're gonna think it's

1112
00:52:54,320 --> 00:52:51,600
some kind of false flag or something say

1113
00:52:56,270 --> 00:52:54,330

and if you do believe it do believe it

1114

00:52:58,820 --> 00:52:56,280

either from your own observation or so

1115

00:53:01,790 --> 00:52:58,830

what somebody has told you or from a

1116

00:53:04,460 --> 00:53:01,800

personal investigation nobody can sway

1117

00:53:06,380 --> 00:53:04,470

your you know opinion anyway so I don't

1118

00:53:07,520 --> 00:53:06,390

know as if it really matters I don't

1119

00:53:08,960 --> 00:53:07,530

think the government tells you too much

1120

00:53:11,000 --> 00:53:08,970

about anything so why would they tell

1121

00:53:16,070 --> 00:53:11,010

you about UFOs and aliens you know well

1122

00:53:18,050 --> 00:53:16,080

I don't think there's an explosion our

1123

00:53:19,790 --> 00:53:18,060

lifetime I wouldn't think you know maybe

1124

00:53:22,220 --> 00:53:19,800

we can get one of the Bigfoot to run for

1125

00:53:28,070 --> 00:53:22,230

president I think that would be that he

1126
00:53:32,800 --> 00:53:28,080
might win I win maybe deserves to he'd

1127
00:53:39,980 --> 00:53:37,480
described it's pretty similar to one of

1128
00:53:44,750 --> 00:53:39,990
one of my witnesses up in Nova Scotia

1129
00:53:48,710 --> 00:53:44,760
had oh geez just a few years ago he saw

1130
00:53:52,340 --> 00:53:48,720
a crystal like globe I don't know maybe

1131
00:53:54,620 --> 00:53:52,350
about 20 foot around coming down from

1132
00:53:57,350 --> 00:53:54,630
the sky and it landed in the field

1133
00:54:02,330 --> 00:53:57,360
crossing his house and this Bigfoot

1134
00:54:04,580 --> 00:54:02,340
walked out of yeah and he said it just

1135
00:54:06,860 --> 00:54:04,590
looked it off and he's he's had Bigfoot

1136
00:54:09,770 --> 00:54:06,870
activity and in fact it was what I

1137
00:54:12,410 --> 00:54:09,780
considered a situation area because

1138
00:54:16,070 --> 00:54:12,420

there were three distinct creatures that

1139

00:54:18,380 --> 00:54:16,080

he described and grew down for me and he

1140

00:54:20,900 --> 00:54:18,390

but you know he couldn't get he try we

1141

00:54:23,840 --> 00:54:20,910

see set things up sick cameras up get

1142

00:54:25,220 --> 00:54:23,850

pictures we got like an arm one time but

1143

00:54:27,350 --> 00:54:25,230

that's about the only thing I've ever

1144

00:54:29,570 --> 00:54:27,360

seen but some is some of his stories

1145

00:54:31,220 --> 00:54:29,580

were pretty interesting but there was

1146

00:54:34,940 --> 00:54:31,230

always over my back and you have full

1147

00:54:38,630 --> 00:54:34,950

activity when these Bigfoot would be

1148

00:54:44,990 --> 00:54:38,640

moving around and it was always when the

1149

00:54:47,000 --> 00:54:45,000

weather was just starting to change did

1150

00:54:48,070 --> 00:54:47,010

the what did the Bigfoot do when your

1151

00:54:51,010 --> 00:54:48,080

friend

1152

00:54:54,250 --> 00:54:51,020

did it take just got out and just walked

1153

00:54:57,640 --> 00:54:54,260

where Russell

1154

00:55:00,100 --> 00:54:57,650

I know stones that people sometimes or

1155

00:55:02,290 --> 00:55:00,110

they you know they've their it's almost

1156

00:55:04,900 --> 00:55:02,300

like they're human but they don't seem

1157

00:55:08,590 --> 00:55:04,910

to you know I don't know I don't think

1158

00:55:11,380 --> 00:55:08,600

they're as opposed to the as opposed to

1159

00:55:12,790 --> 00:55:11,390

the upright canines that we've been

1160

00:55:16,540 --> 00:55:12,800

reporting on one down here in

1161

00:55:18,550 --> 00:55:16,550

Pennsylvania yes I mean those things and

1162

00:55:20,320 --> 00:55:18,560

we still don't know what we had no idea

1163

00:55:23,020 --> 00:55:20,330

what the are we don't know if they're

1164

00:55:26,980 --> 00:55:23,030

their actual flesh and blood or their

1165

00:55:29,110 --> 00:55:26,990

you know from an alternate reality or

1166

00:55:32,350 --> 00:55:29,120

what they are supernatural or what we

1167

00:55:36,070 --> 00:55:32,360

you know but the thing is these these

1168

00:55:41,470 --> 00:55:36,080

beings do seem to have to have some

1169

00:55:43,480 --> 00:55:41,480

aggressiveness to them you know now no I

1170

00:55:47,140 --> 00:55:43,490

wouldn't we have talked to people who

1171

00:55:51,340 --> 00:55:47,150

swear they have there's too many people

1172

00:55:53,320 --> 00:55:51,350

that seen them yeah well this flats been

1173

00:55:56,020 --> 00:55:53,330

having up here in Impe why here in

1174

00:55:57,880 --> 00:55:56,030

Pennsylvania particularly around the

1175

00:56:00,220 --> 00:55:57,890

central part of the state it's been uh

1176

00:56:03,040 --> 00:56:00,230

it's been fairly interesting the last

1177

00:56:06,130 --> 00:56:03,050

two years old I mean how many sightings

1178

00:56:11,410 --> 00:56:06,140

every gone altogether butch uh twenty

1179

00:56:15,250 --> 00:56:11,420

four butch filed a report with us yeah

1180

00:56:19,720 --> 00:56:15,260

we we used in the book and also mister

1181

00:56:21,760 --> 00:56:19,730

UFOs secret files on a YouTube the

1182

00:56:23,800 --> 00:56:21,770

recent interview that we did with him on

1183

00:56:26,890 --> 00:56:23,810

exploring the bizarre is posted up there

1184

00:56:30,280 --> 00:56:26,900

and thanks to our associate Peter as I

1185

00:56:31,890 --> 00:56:30,290

did some lively illustrations and

1186

00:56:34,210 --> 00:56:31,900

artwork and I think a little video of

1187

00:56:34,420 --> 00:56:34,220

Bigfoot in the swamp or something like

1188

00:56:36,310 --> 00:56:34,430

that

1189

00:56:38,320 --> 00:56:36,320

hey isn't there isn't there a video

1190

00:56:41,140 --> 00:56:38,330

floating on that video but still shots

1191

00:56:43,510 --> 00:56:41,150

floating around of a head of a bigfooter

1192

00:56:47,140 --> 00:56:43,520

or some kind of creature walking through

1193

00:56:49,660 --> 00:56:47,150

a marsh or a swamp that I just saw yeah

1194

00:56:53,710 --> 00:56:49,670

it was warned ago that was done in

1195

00:56:55,180 --> 00:56:53,720

Florida uh I don't know I mean yeah I

1196

00:56:57,040 --> 00:56:55,190

don't know if that was rolling up you

1197

00:56:59,410 --> 00:56:57,050

know there's been so many photos and

1198

00:57:01,060 --> 00:56:59,420

videos it's just you know it's hard to

1199

00:57:01,660 --> 00:57:01,070

tell I think the most interesting one

1200

00:57:04,150 --> 00:57:01,670

I've seen

1201

00:57:08,920 --> 00:57:04,160

lately is the one that was caught on

1202

00:57:10,720 --> 00:57:08,930

that Eagle cam up in maybe Michigan yeah

1203

00:57:16,780 --> 00:57:10,730

Michigan

1204

00:57:22,530 --> 00:57:16,790

this is status stationary Eagle cam

1205

00:57:25,630 --> 00:57:22,540

which is focused on a a bald eagle nest

1206

00:57:27,099 --> 00:57:25,640

well on the side of the other side the

1207

00:57:30,130 --> 00:57:27,109

nest down on the ground they picked

1208

00:57:31,420 --> 00:57:30,140

something walking by now I don't you

1209

00:57:33,160 --> 00:57:31,430

know I don't know if somebody staged

1210

00:57:34,900 --> 00:57:33,170

that or what but it was kind of

1211

00:57:41,309 --> 00:57:34,910

interesting the way this thing walked up

1212

00:57:46,299 --> 00:57:41,319

there and the way it acted well you know

1213

00:57:50,170 --> 00:57:46,309

back in 1975 I think I was one of the

1214

00:57:53,500 --> 00:57:50,180

first to actually investigate the skunk

1215

00:57:55,530 --> 00:57:53,510

man of the Everglades there was a fellow

1216

00:57:58,599 --> 00:57:55,540

down there by the name of Professor

1217

00:58:02,260 --> 00:57:58,609

Osborne who actually had a team of

1218

00:58:05,859 --> 00:58:02,270

investigators and as far as I know well

1219

00:58:08,140 --> 00:58:05,869

anyway this is the first incident that I

1220

00:58:09,700 --> 00:58:08,150

had heard of like I said my main thing

1221

00:58:13,270 --> 00:58:09,710

has been UFOs but I've kind of always

1222

00:58:16,780 --> 00:58:13,280

been into the cryptids to some extent I

1223

00:58:19,480 --> 00:58:16,790

was a friend of the late Ivan T

1224

00:58:23,910 --> 00:58:19,490

Sanderson who wrote the the first book

1225

00:58:26,980 --> 00:58:23,920

on the abominable snowman big 500-pound

1226

00:58:32,220 --> 00:58:26,990

500-page a little a job' there you know

1227

00:58:34,270 --> 00:58:32,230

and and so he had quite a collection of

1228

00:58:36,370 --> 00:58:34,280

plaster of Paris you know the foot

1229

00:58:38,589 --> 00:58:36,380

markings and things like that and he

1230

00:58:40,870 --> 00:58:38,599

used to have a headquarters an

1231

00:58:43,690 --> 00:58:40,880

organization up in Blairstown New Jersey

1232

00:58:46,420 --> 00:58:43,700

and people would pass through and and

1233

00:58:49,450 --> 00:58:46,430

and look at his material and sit there

1234

00:58:52,030 --> 00:58:49,460

and discuss it with him and he was well

1235

00:58:55,690 --> 00:58:52,040

known in the I guess on TV in those days

1236

00:58:57,819 --> 00:58:55,700

too he was a collector or a caretaker of

1237

00:58:59,289 --> 00:58:57,829

exotic animals you know he had traveled

1238

00:59:02,500 --> 00:58:59,299

all over the world and stuff like that

1239

00:59:05,950 --> 00:59:02,510

and I guess he was the fellow too you've

1240

00:59:08,440 --> 00:59:05,960

probably all heard about the the Bigfoot

1241

00:59:14,289 --> 00:59:08,450

suppose a Bigfoot creature in the and

1242

00:59:16,779 --> 00:59:14,299

the big block of ice yeah yeah

1243

00:59:18,729 --> 00:59:16,789

he was the one that first bought this to

1244

00:59:23,559 --> 00:59:18,739

the public's attention in Argosy

1245

00:59:24,989 --> 00:59:23,569

magazine and did a report on it and of

1246

00:59:28,029 --> 00:59:24,999

course that's always been a

1247

00:59:31,809 --> 00:59:28,039

controversial case because some people

1248

00:59:35,199 --> 00:59:31,819

say well the iceman existed and then he

1249

00:59:37,989 --> 00:59:35,209

was later swapped for a non-existent or

1250

00:59:42,249 --> 00:59:37,999

a dummy or you know a model or a

1251
00:59:43,870 --> 00:59:42,259
Hollywood the prop of the IceMen I don't

1252
00:59:45,759 --> 00:59:43,880
know I guess there's a different opinion

1253
00:59:49,259 --> 00:59:45,769
on that I suppose everybody has their

1254
00:59:51,819 --> 00:59:49,269
has their own welcome and not and

1255
00:59:54,719 --> 00:59:51,829
Claudia won't you tell tell us where

1256
00:59:58,719 --> 00:59:54,729
people can get in contact with you and

1257
01:00:02,289 --> 00:59:58,729
when they can buy your books it well I I

1258
01:00:05,140 --> 01:00:02,299
am in him it's kind enough to put my

1259
01:00:07,509 --> 01:00:05,150
stories in his book but so the latest

1260
01:00:10,359 --> 01:00:07,519
cryptid book that criminal that Tim

1261
01:00:14,370 --> 01:00:10,369
mentioned I mean had in a couple of men

1262

1284

01:01:18,309 --> 01:01:16,579

still did for new books a month and I

1285

01:01:21,309 --> 01:01:18,319

was in a couple of books by Nick Redfern

1286

01:01:25,120 --> 01:01:21,319

oh that's right yeah Nick has got a wig

1287

01:01:26,589 --> 01:01:25,130

out later women and black yeah we're

1288

01:01:27,610 --> 01:01:26,599

gonna have more than a week again

1289

01:01:30,700 --> 01:01:27,620

well I have

1290

01:01:35,530 --> 01:01:30,710

come on exploring the bazaar with this

1291

01:01:37,000 --> 01:01:35,540

gal Kate Elizabeth who is the champion

1292

01:01:40,570 --> 01:01:37,010

of a chimp

1293

01:01:44,140 --> 01:01:40,580

from Lake Champlain he had a very very

1294

01:01:45,670 --> 01:01:44,150

well I mean good friends well she she

1295

01:01:47,770 --> 01:01:45,680

was just on my program and made an

1296

01:01:50,530 --> 01:01:47,780

excellent presentation so I thought I

1297

01:01:53,230 --> 01:01:50,540

would have them on since she believes in

1298

01:01:55,600 --> 01:01:53,240

the physical existence of the of the

1299

01:01:57,820 --> 01:01:55,610

creatures and and Nick is more of a

1300

01:02:00,100 --> 01:01:57,830

supernatural type of guy and I thought

1301

01:02:01,870 --> 01:02:00,110

well we like to keep it just like you

1302

01:02:05,140 --> 01:02:01,880

1303

01:02:08,970 --> 01:02:05,150

hour or or or two no dead air unless

1304

1305

01:02:17,020 --> 01:02:14,300
