

1
00:01:40,790 --> 00:01:35,779
the home that I lived with my parents

2
00:01:41,990 --> 00:01:40,800
and it was around old sunset maybe so

3
00:01:44,029 --> 00:01:42,000
after sunset

4
00:01:45,320 --> 00:01:44,039
someone came running over to where we

5
00:01:46,760 --> 00:01:45,330
were seated on the front porch because

6
00:01:48,800 --> 00:01:46,770
in those days there was no air

7
00:01:50,540 --> 00:01:48,810
conditioner and conditioning or anything

8
00:01:52,850 --> 00:01:50,550
you just had to sit outside until it

9
00:01:54,830 --> 00:01:52,860
cooled off enough to go inside so

10
00:01:57,020 --> 00:01:54,840
somebody came running over they pointed

11
00:01:58,850 --> 00:01:57,030
out two objects in the sky one was

12
00:02:00,590 --> 00:01:58,860
directly overhead over the building and

13
00:02:02,330 --> 00:02:00,600

one was across the street over the band

14

00:02:08,219 --> 00:02:02,340

that factory building well these things

15

00:02:12,630 --> 00:02:10,650

and the one that was over the abandoned

16

00:02:14,729 --> 00:02:12,640

factory building would come spin around

17

00:02:16,589 --> 00:02:14,739

and come over the house and the one that

18

00:02:18,960 --> 00:02:16,599

was over the house would go over to

19

00:02:21,210 --> 00:02:18,970

where the one over the Aventa factory

20

00:02:23,640 --> 00:02:21,220

building was then after about 10 or 15

21

00:02:24,960 --> 00:02:23,650

minutes the one across the street it

22

00:02:31,610 --> 00:02:24,970

looked like somebody had pulled a light

23

00:02:34,110 --> 00:02:31,620

switch it just dimmed and went out and

24

00:02:35,520 --> 00:02:34,120

when inside the next day there was a

25

00:02:37,500 --> 00:02:35,530

little item in the newspaper to the

26
00:02:39,449 --> 00:02:37,510
effect that other people had witnessed

27
00:02:40,770 --> 00:02:39,459
these unknown objects but the

28
00:02:42,870 --> 00:02:40,780
authorities were saying that they were

29
00:02:43,500 --> 00:02:42,880
nothing more mysterious than weather

30
00:02:45,809 --> 00:02:43,510
balloons

31
00:02:47,220 --> 00:02:45,819
well I knew even at the age of 10 that

32
00:02:49,140 --> 00:02:47,230
these were not weather balloons these

33
00:02:51,210 --> 00:02:49,150
were not something that was floating in

34
00:02:53,309 --> 00:02:51,220
the nighttime sky this was something

35
00:03:15,039 --> 00:02:53,319
that was a luminous and seemed to be

36
00:03:19,220 --> 00:03:17,660
okay it's what do they look like and

37
00:03:21,039 --> 00:03:19,230
says these physical descriptions are

38
00:03:24,020 --> 00:03:21,049

compiled from a large database of

39

00:03:26,690 --> 00:03:24,030

reptilian-human contacts in some cases

40

00:03:28,580 --> 00:03:26,700

the experiencer may recall only one

41

00:03:31,099 --> 00:03:28,590

physical characteristic of the non-human

42

00:03:33,050 --> 00:03:31,109

entity that was encountered on the other

43

00:03:35,809 --> 00:03:33,060

hand other people have vivid memories

44

00:03:39,110 --> 00:03:35,819

and are able to provide detailed report

45

00:03:41,210 --> 00:03:39,120

of the reptilian beings anatomy burn

46

00:03:42,830 --> 00:03:41,220

counter and then it goes on to say that

47

00:03:46,280 --> 00:03:42,840

generally speaking there are three basic

48

00:03:49,610 --> 00:03:46,290

reptilian physical types the Reptoid or

49

00:03:52,270 --> 00:03:49,620

the humanoid crossbreed that the various

50

00:03:56,229 --> 00:03:52,280

reptilian great crossbreed types and the

51
00:03:58,069 --> 00:03:56,239
rock on which are actually a weaned

52
00:04:00,589 --> 00:03:58,079
reptilian things I guess this would be

53
00:04:03,199 --> 00:04:00,599
pretty close to what is described

54
00:04:06,460 --> 00:04:03,209
throughout the Middle Ages as the

55
00:04:08,809 --> 00:04:06,470
Dragons actually the reptilian being

56
00:04:10,640 --> 00:04:08,819
species are divided into three basic

57
00:04:13,550 --> 00:04:10,650
types these are the physical features

58
00:04:15,229 --> 00:04:13,560
that are shared by almost all and it

59
00:04:17,360 --> 00:04:15,239
goes on to describe that described at

60
00:04:18,890 --> 00:04:17,370
various Reptoids the dracco the

61
00:04:20,990 --> 00:04:18,900
reptilian great cross breeds

62
00:04:22,730 --> 00:04:21,000
and hundreds of reports have been

63
00:04:25,670 --> 00:04:22,740

gathered from all over the planet people

64

00:04:28,670 --> 00:04:25,680

who claim that they've actually either

65

00:04:31,820 --> 00:04:28,680

been attacked abducted or had some sort

66

00:04:35,180 --> 00:04:31,830

of face-to-face encounter with these

67

00:04:37,279 --> 00:04:35,190

reptilian beings and they're most often

68

00:04:39,950 --> 00:04:37,289

associated with the subterranean origin

69

00:04:41,990 --> 00:04:39,960

of UFOs people who accept this as a

70

00:04:51,940 --> 00:04:42,000

reality many of them believe that

71

00:04:59,200 --> 00:04:55,670

are the the underground race of beings

72

00:05:02,840 --> 00:04:59,210

some of them describe them as being

73

00:05:05,810 --> 00:05:02,850

reptilian in nature a Richard shaver was

74

00:05:08,990 --> 00:05:05,820

a automobile mechanic or welder actually

75

00:05:12,530 --> 00:05:09,000

back in the 1940s he was working on an

76
00:05:14,330 --> 00:05:12,540
assembly line in Detroit every time he

77
00:05:17,330 --> 00:05:14,340
would pick up the welding gun to rivet

78
00:05:19,250 --> 00:05:17,340
the wood the automobile that he was

79
00:05:21,950 --> 00:05:19,260
working on he would start to hear voices

80
00:05:24,710 --> 00:05:21,960
the voices told him over a period of

81
00:05:27,280 --> 00:05:24,720
time about this vast underground world

82
00:05:29,630 --> 00:05:27,290
that existed the caverns below our feet

83
00:05:32,120 --> 00:05:29,640
he discovered that there were a race of

84
00:05:34,370 --> 00:05:32,130
what he called demented robust living

85
00:05:35,210 --> 00:05:34,380
there a race there was thousands of

86
00:05:38,120 --> 00:05:35,220
years old

87
00:05:40,910 --> 00:05:38,130
that had gone underground Darrell was a

88
00:05:43,520 --> 00:05:40,920

short for demented robot

89

00:05:45,560 --> 00:05:43,530

I guess because they all of we're kind

90

00:05:47,900 --> 00:05:45,570

of in unison as a pack very little

91

00:05:57,879 --> 00:05:47,910

individual thinking and very much

92

00:06:12,140 --> 00:06:01,640

in fact he claimed that they plant evil

93

00:06:14,030 --> 00:06:12,150

thoughts in our minds they're

94

00:06:16,969 --> 00:06:14,040

responsible for a lot of havoc that

95

00:06:19,010 --> 00:06:16,979

takes place here on the circus

96

00:06:21,710 --> 00:06:19,020

anyway it was a bizarre story and he

97

00:06:24,020 --> 00:06:21,720

submitted it to a science fiction

98

00:06:26,719 --> 00:06:24,030

magazine that's published in the 1940s a

99

00:06:30,920 --> 00:06:26,729

very popular magazine that was edited by

100

00:06:32,900 --> 00:06:30,930

Raymond Palmer now he had received

101
00:06:34,670 --> 00:06:32,910
Palmer had received a manuscript from

102
00:06:37,550 --> 00:06:34,680
Shaker what that he didn't know where he

103
00:06:40,490 --> 00:06:37,560
was and he gave it to his associate

104
00:06:42,560 --> 00:06:40,500
editor to read over and when he came

105
00:06:44,270 --> 00:06:42,570
back to the office the next day he asked

106
00:06:45,710 --> 00:06:44,280
his editor what happened to the

107
00:06:49,390 --> 00:06:45,720
manuscript that had come in the mail it

108
00:06:51,920 --> 00:06:49,400
was very crudely typed and all came in a

109
00:06:53,990 --> 00:06:51,930
manila envelope and the guy said all it

110
00:06:56,420 --> 00:06:54,000
was gibberish I I threw it in the trash

111
00:06:57,830 --> 00:06:56,430
so Palmer thinking that there might be

112
00:06:59,420 --> 00:06:57,840
something through the manuscript and

113
00:07:01,790 --> 00:06:59,430

wanting to know more about it picked it

114

00:07:03,230 --> 00:07:01,800

up out of the trash and read it and it

115

00:07:06,020 --> 00:07:03,240

was about this underground race he

116

00:07:08,120 --> 00:07:06,030

published it in amazing stories which is

117

00:07:09,590 --> 00:07:08,130

basically a science fiction magazine but

118

00:07:11,420 --> 00:07:09,600

thousands of readers all over the

119

00:07:14,540 --> 00:07:11,430

country wrote in and said that they had

120

00:07:16,760 --> 00:07:14,550

had a similar experiences that they also

121

00:07:19,370 --> 00:07:16,770

heard voices in their head and they also

122

00:07:21,980 --> 00:07:19,380

knew about this underground race of bees

123

00:07:23,810 --> 00:07:21,990

that existed in the caverns below the

124

00:07:26,000 --> 00:07:23,820

earth that were tens of thousands of

125

00:07:28,520 --> 00:07:26,010

years old and that was the beginning

126
00:07:30,529 --> 00:07:28,530
actually of the so-called shaver mystery

127
00:07:32,360 --> 00:07:30,539
and the mystery of the deer all these

128
00:07:34,520 --> 00:07:32,370
beings that live underground some of

129
00:07:36,890 --> 00:07:34,530
whom were said to be reptilian in nature

130
00:07:38,990 --> 00:07:36,900
covered in scales some of them are said

131
00:07:54,220 --> 00:07:39,000
to actually be his fault his knife feet

132
00:07:58,490 --> 00:07:56,690
it was claimed by Richard shaver and

133
00:08:01,070 --> 00:07:58,500
others that have were kidnapped and had

134
00:08:02,540 --> 00:08:01,080
these horrendous experiences with the

135
00:08:05,600 --> 00:08:02,550
dero the people that lived underground

136
00:08:07,550 --> 00:08:05,610
that the they had these ancient machines

137
00:08:10,100 --> 00:08:07,560
called teller machines that were

138
00:08:12,860 --> 00:08:10,110

actually able to fry people's brains

139

00:08:14,090 --> 00:08:12,870

that control their mind and and send

140

00:08:15,980 --> 00:08:14,100

people a lot of people that are

141

00:08:18,410 --> 00:08:15,990

supposedly in mental institutions here

142

00:08:20,480 --> 00:08:18,420

on the surface are actually being

143

00:08:22,330 --> 00:08:20,490

controlled by these beings that lived

144

00:08:38,990 --> 00:08:22,340

underground and by these ancient

145

00:08:45,150 --> 00:08:41,850

there's a fellow in England who is a

146

00:08:49,740 --> 00:08:45,160

very popular speaker his name is David

147

00:08:52,770 --> 00:08:49,750

like he's a retired soccer player he

148

00:08:58,350 --> 00:08:52,780

also ran for political office in in the

149

00:09:01,530 --> 00:08:58,360

UK on the Green Party ticket he tells us

150

00:09:04,190 --> 00:09:01,540

a whopping a fantastic story about how

151
00:09:15,660 --> 00:09:04,200
many of the world leaders are actually

152
00:09:18,930 --> 00:09:15,670
shapeshifters about how they are

153
00:09:20,730 --> 00:09:18,940
actually reptilians but they are able to

154
00:09:24,420 --> 00:09:20,740
disguise themselves so that they look

155
00:09:26,760 --> 00:09:24,430
like humans to the outside world that's

156
00:09:28,800 --> 00:09:26,770
the rest of the world and that they are

157
00:09:31,770 --> 00:09:28,810
actually part of this mysterious

158
00:09:38,460 --> 00:09:31,780
bloodline that dates back hundreds of

159
00:09:55,799 --> 00:09:38,470
years you shouldn't necessarily believe

160
00:10:00,999 --> 00:09:59,049
the nipple of giants and bigfoot-type

161
00:10:03,249 --> 00:10:01,009
creatures and of course we have to

162
00:10:05,139 --> 00:10:03,259
probably throw the the Bigfoot some of

163
00:10:07,150 --> 00:10:05,149

them into the Giants category because

164

00:10:09,009 --> 00:10:07,160

they're over 10 feet tall so that would

165

00:10:11,980 --> 00:10:09,019

make them a giant even if they're

166

00:10:15,609 --> 00:10:11,990

covered with hair and Mount Shasta is

167

00:10:17,619 --> 00:10:15,619

one of the probably the the foremost

168

00:10:19,329 --> 00:10:17,629

places in North America were these

169

00:10:21,400 --> 00:10:19,339

giants and all sorts of weird things

170

00:10:24,100 --> 00:10:21,410

have been going on and have been

171

00:10:26,100 --> 00:10:24,110

reported I've seen newspaper clippings

172

00:10:31,230 --> 00:10:26,110

going back well over 100 years that

173

00:10:35,499 --> 00:10:31,240

described beings and people living on

174

00:10:39,009 --> 00:10:35,509

Mount Shasta in California which do not

175

00:10:40,929 --> 00:10:39,019

seem to belong to the normal human race

176

00:10:45,609 --> 00:10:40,939

they've actually heard the sounds of

177

00:10:47,710 --> 00:10:45,619

these Bigfoot creatures screaming in the

178

00:10:50,019 --> 00:10:47,720

night communicate with each other or

179

00:10:51,009 --> 00:10:50,029

what happened so this this is one place

180

00:10:53,109 --> 00:10:51,019

where a lot of people have had

181

00:10:55,119 --> 00:10:53,119

experiences and there are quite a few

182

00:10:57,850 --> 00:10:55,129

other student we've actually mapped out

183

00:10:59,919 --> 00:10:57,860

in various the books and so forth where

184

00:11:01,600 --> 00:10:59,929

people would have these in it counters

185

00:11:05,079 --> 00:11:01,610

but also even here in the United States

186

00:11:08,499 --> 00:11:05,089

there have been moments found of beings

187

00:11:11,290 --> 00:11:08,509

that are like 50 over 15 feet tall some

188

00:11:12,730 --> 00:11:11,300

of them lived around the area of the

189

00:11:14,259 --> 00:11:12,740

Grand Canyon

190

00:11:16,660 --> 00:11:14,269

there have been the bones have been

191

00:11:19,989 --> 00:11:16,670

found in the desert different both of in

192

00:11:21,730 --> 00:11:19,999

even armor that the these giants wore

193

00:11:24,280 --> 00:11:21,740

there seems to have been a distinct

194

00:11:27,970 --> 00:11:24,290

trace of other beings that were not of

195

00:11:30,429 --> 00:11:27,980

this earth probably or if they were it

196

00:11:32,499 --> 00:11:30,439

was a separate race that normal humans

197

00:11:34,290 --> 00:11:32,509

and they have been described throughout

198

00:11:36,699 --> 00:11:34,300

history in all kinds of different texts

199

00:11:38,530 --> 00:11:36,709

so even though most people think of

200

00:11:41,699 --> 00:11:38,540

giants as the Jack and the Beanstalk

201
00:11:45,009 --> 00:11:41,709
because much beyond that well but

202
00:11:47,139 --> 00:11:45,019
there's actually over the last decade

203
00:11:50,619 --> 00:11:47,149
there have been dozens of reports of

204
00:11:53,980 --> 00:11:50,629
giants coming down in UFOs there was a

205
00:11:55,050 --> 00:11:53,990
story I remember that I college from one

206
00:11:58,650 --> 00:11:55,060
of

207
00:12:00,630 --> 00:11:58,660
UFO magazines about a fellow who was

208
00:12:02,730 --> 00:12:00,640
walking around I was either brighton

209
00:12:05,100 --> 00:12:02,740
beach at Coney Island and he reported

210
00:12:06,660 --> 00:12:05,110
this bright light that landed on the

211
00:12:09,210 --> 00:12:06,670
edge of the water when I will he was out

212
00:12:12,450 --> 00:12:09,220
walking and the doorway opened in the

213
00:12:14,520 --> 00:12:12,460

craft at some a giant being technology

214

00:12:16,740 --> 00:12:14,530

and the craft he described him I think

215

00:12:18,780 --> 00:12:16,750

is being about nine or ten feet tall

216

00:12:21,690 --> 00:12:18,790

there have been all these cases in

217

00:12:24,240 --> 00:12:21,700

Israel in the in the Holy Land over the

218

00:12:25,920 --> 00:12:24,250

last 10 or 12 years where people have

219

00:12:28,080 --> 00:12:25,930

seen these giants not only come out of

220

00:12:30,240 --> 00:12:28,090

the ship but have actually even left

221

00:12:32,940 --> 00:12:30,250

their imprints in the ground in the sand

222

00:12:34,470 --> 00:12:32,950

and in the soil and some of the

223

00:12:36,810 --> 00:12:34,480

researchers there believe that this is

224

00:12:37,680 --> 00:12:36,820

referring to the Giants and the L and

225

00:12:40,620 --> 00:12:37,690

the old testament

226

00:12:44,670 --> 00:12:40,630

that they are returning it at this time

227

00:12:47,630 --> 00:12:44,680

and is part of the the Jewish prophecies

228

00:12:52,500 --> 00:12:47,640

what we like I said we did collect

229

00:12:54,990 --> 00:12:52,510

stories from from many different places

230

00:12:57,300 --> 00:12:55,000

and people this goes back as far as the

231

00:12:59,580 --> 00:12:57,310

Bible the Bible talks about the Giants

232

00:13:02,190 --> 00:12:59,590

and in Genesis it begins Leah the Bible

233

00:13:04,770 --> 00:13:02,200

by describing about how these Giants

234

00:13:07,290 --> 00:13:04,780

came down from the sky and they found

235

00:13:11,040 --> 00:13:07,300

the human female so affair that they

236

00:13:15,390 --> 00:13:11,050

made it with them he is sexy lady how

237

00:13:18,210 --> 00:13:15,400

you doing hi pretty cute you're pretty

238

00:13:20,460 --> 00:13:18,220

cool-looking let me give it in you're

239

00:13:21,600 --> 00:13:20,470

scaring me a little and of course there

240

00:13:24,530 --> 00:13:21,610

are other stories in the Bible that

241

00:13:27,090 --> 00:13:24,540

refer to do Giants the the the book is

242

00:13:29,850 --> 00:13:27,100

Bible especially the Old Testament is

243

00:13:31,710 --> 00:13:29,860

full of stories of giants including of

244

00:13:33,690 --> 00:13:31,720

course is probably the most

245

00:13:36,990 --> 00:13:33,700

and I suppose one would be the story of

246

00:13:39,830 --> 00:13:37,000

David and Goliath well my personal

247

00:13:42,470 --> 00:13:39,840

feeling is that most of them most of the

248

00:13:44,790 --> 00:13:42,480

stories that are told in the Bible are

249

00:13:46,770 --> 00:13:44,800

based on something that happened I don't

250

00:13:49,320 --> 00:13:46,780

think that this literal truth Lex look

251

00:13:52,230 --> 00:13:49,330

they're both very religious people of

252

00:13:54,630 --> 00:13:52,240

fundamentalist would take them but I do

253

00:13:56,850 --> 00:13:54,640

think that they are stories that do have

254

00:13:59,130 --> 00:13:56,860

an element of truth to it so there have

255

00:14:02,520 --> 00:13:59,140

been stories throughout all the ages of

256

00:14:04,170 --> 00:14:02,530

giants and the giant I guess the biker

257

00:14:05,850 --> 00:14:04,180

represented everything that was going on

258

00:14:08,100 --> 00:14:05,860

in that part of the world at that high

259

00:14:10,530 --> 00:14:08,110

so people were seeing Giants and

260

00:14:12,540 --> 00:14:10,540

encountering them and having experiences

261

00:14:14,580 --> 00:14:12,550

with them they reported out if they

262

00:14:17,490 --> 00:14:14,590

wrote it down to pass it out in a word

263

00:14:20,280 --> 00:14:17,500

to the worst of the person and it

264

00:14:21,600 --> 00:14:20,290

eventually got into the context so it is

265

00:14:54,320 --> 00:14:21,610

something that goes back thousands

266

00:15:00,900 --> 00:14:58,320

and of course of Eric back Daniken who

267

00:15:05,880 --> 00:15:00,910

wrote the book Chariots of the Gods he

268

00:15:07,620 --> 00:15:05,890

would be the I guess the individual who

269

00:15:10,170 --> 00:15:07,630

has written more than anybody else on

270

00:15:12,570 --> 00:15:10,180

the other side UFOs and aliens and

271

00:15:17,120 --> 00:15:12,580

antiquity but you also have you have

272

00:15:20,100 --> 00:15:17,130

Ezekiel's the wheel you have another

273

00:15:23,940 --> 00:15:20,110

story of a biblical prophet that was

274

00:15:35,530 --> 00:15:23,950

taken up in a whirlwind and came back

275

00:15:42,860 --> 00:15:40,790

so you're also the Israelites when they

276

00:15:45,710 --> 00:15:42,870

were crossing the desert they were

277

00:15:48,860 --> 00:15:45,720

followed by strange clouds during the

278

00:15:51,050 --> 00:15:48,870

day and pillars of fire by night and of

279

00:15:53,210 --> 00:15:51,060

course the only food that they had for a

280

00:15:56,240 --> 00:15:53,220

while that kept them going was this mana

281

00:15:57,620 --> 00:15:56,250

that dropped from the sky so somebody

282

00:15:59,030 --> 00:15:57,630

had to be dropping it and they were just

283

00:16:01,940 --> 00:15:59,040

like we have an airlift that we would

284

00:16:04,310 --> 00:16:01,950

drop out food to to the hungry you know

285

00:16:06,500 --> 00:16:04,320

people after a disaster or something it

286

00:16:09,530 --> 00:16:06,510

could what ll be that these these UFO

287

00:16:11,900 --> 00:16:09,540

babes we're throwing out food this man

288

00:16:16,330 --> 00:16:11,910

has to be Israel is realized so I think

289

00:16:20,330 --> 00:16:16,340

in the Bible is full of UFO UFO stories

290

00:16:21,530 --> 00:16:20,340

in fact there are a number of ministers

291

00:16:23,630 --> 00:16:21,540

who have actually written there not just

292

00:16:25,730 --> 00:16:23,640

myself written about this but they've

293

00:16:28,040 --> 00:16:25,740

actually studied this from a scholarly a

294

00:16:30,770 --> 00:16:28,050

few point I in fact even the the

295

00:16:32,600 --> 00:16:30,780

Catholic Church has come out and said

296

00:16:34,730 --> 00:16:32,610

that you know people often say well

297

00:16:35,900 --> 00:16:34,740

aliens they have to beat the monocle

298

00:16:37,880 --> 00:16:35,910

there's nothing in the Bible that says

299

00:16:40,400 --> 00:16:37,890

you people from other planets are

300

00:16:42,800 --> 00:16:40,410

demonic in fact even the the Catholic

301
00:16:44,770 --> 00:16:42,810
Church came out recently and said it was

302
00:16:47,810 --> 00:16:44,780
all right for people to believe in

303
00:16:51,230 --> 00:16:47,820
aliens and beings of other planets and

304
00:16:52,490 --> 00:16:51,240
that if God created life on Earth

305
00:16:54,500 --> 00:16:52,500
there's no reason to think that he

306
00:16:57,890 --> 00:16:54,510
didn't create it somewhere else as as

307
00:17:00,230 --> 00:16:57,900
well all all history books are full of

308
00:17:05,270 --> 00:17:00,240
those stories of strange objects in the

309
00:17:08,180 --> 00:17:05,280
sky it's part of our history it's part

310
00:17:12,250 --> 00:17:08,190
of the destiny of the planet and I do

311
00:17:17,150 --> 00:17:12,260
think that the UFO phenomena will have

312
00:17:19,450 --> 00:17:17,160
much more validity in the coming in the

313
00:17:22,190 --> 00:17:19,460

coming years people will start turning

314

00:17:24,080 --> 00:17:22,200

turning to the sky once again just like

315

00:17:27,020 --> 00:17:24,090

they did in ancient times to look for

316

00:17:37,289 --> 00:17:27,030

knowledge and wisdom and perhaps some

317

00:17:47,080 --> 00:17:43,930

the wide variety of employers to the

318

00:18:07,230 --> 00:17:47,090

Giants to small people to people that

319

00:18:12,530 --> 00:18:09,900

on a magazine that was a managing editor

320

00:18:14,520 --> 00:18:12,540

of a magazine called saucer eat news and

321

00:18:17,760 --> 00:18:14,530

again I would get to the office maybe

322

00:18:19,650 --> 00:18:17,770

around 11:00 in the morning and on some

323

00:18:22,020 --> 00:18:19,660

mornings Mary would call Mary Robinson

324

00:18:24,870 --> 00:18:22,030

with Paul and she'd claim that after

325

00:18:27,960 --> 00:18:24,880

Jack her husband left their apartment in

326

00:18:30,060 --> 00:18:27,970

the Jersey City to go to Manhattan he

327

00:18:32,130 --> 00:18:30,070

worked in a bank over there he would

328

00:18:33,810 --> 00:18:32,140

take the pear trade over and after he

329

00:18:35,490 --> 00:18:33,820

would leave she would get herself

330

00:18:38,190 --> 00:18:35,500

organized that she would go out to do

331

00:18:39,690 --> 00:18:38,200

the shopping and Mary said that often

332

00:18:41,910 --> 00:18:39,700

when she went out to do the shopping a

333

00:18:44,400 --> 00:18:41,920

couple of times a week she noticed in a

334

00:18:46,320 --> 00:18:44,410

doorway just down the street from where

335

00:18:49,370 --> 00:18:46,330

they're in their apartment was this man

336

00:19:00,450 --> 00:18:49,380

dressed in black with a black hat sweet

337

00:19:06,729 --> 00:19:03,820

just standing there seemingly monitoring

338

00:19:08,859 --> 00:19:06,739

the activity of people going in and out

339

00:19:10,930 --> 00:19:08,869

of that particular apartment building

340

00:19:13,210 --> 00:19:10,940

these sightings are these experiences

341

00:19:16,450 --> 00:19:13,220

with the men in black are been a part of

342

00:19:17,590 --> 00:19:16,460

UFO lore for many many years people have

343

00:19:19,149 --> 00:19:17,600

claimed that they've actually been

344

00:19:30,450 --> 00:19:19,159

threatened by these individuals and not

345

00:19:34,410 --> 00:19:32,370

anyway married cold on a couple of

346

00:19:36,540 --> 00:19:34,420

occasions to say they were Jack with the

347

00:19:38,460 --> 00:19:36,550

work this person very strange-looking

348

00:19:39,960 --> 00:19:38,470

person dress is black and with black hat

349

00:19:42,330 --> 00:19:39,970

over his face with a black Cadillac

350

00:19:44,130 --> 00:19:42,340

parked at the cart would be staring at

351
00:19:46,440 --> 00:19:44,140
her watching her coming up and down the

352
00:19:47,520 --> 00:19:46,450
street so we decided what we didn't know

353
00:19:49,830 --> 00:19:47,530
about whether they were just maybe

354
00:19:51,330 --> 00:19:49,840
trying to to get us excited about some

355
00:19:53,070 --> 00:19:51,340
of their other experiences that they

356
00:19:55,200 --> 00:19:53,080
they had written about so we published

357
00:19:56,820 --> 00:19:55,210
it anyway we weren't sure we figured

358
00:19:58,650 --> 00:19:56,830
well let's go over there without telling

359
00:20:00,690 --> 00:19:58,660
Jack and Mary that were that we're

360
00:20:03,150 --> 00:20:00,700
coming to see if there really is this

361
00:20:08,220 --> 00:20:03,160
strange person standing in the doorway

362
00:20:09,600 --> 00:20:08,230
not far away so we got in the car too

363
00:20:11,460 --> 00:20:09,610

mostly and I got in the car by 8 o'clock

364

00:20:13,799 --> 00:20:11,470

one morning we drove over the piers of

365

00:20:15,419 --> 00:20:13,809

the city without letting Jack and Mary

366

00:20:16,500 --> 00:20:15,429

know that we were coming we pulled in

367

00:20:20,520 --> 00:20:16,510

front of their building and sure enough

368

00:20:22,560 --> 00:20:20,530

there was a black car park just down the

369

00:20:25,049 --> 00:20:22,570

street a couple of feet and standing in

370

00:20:26,880 --> 00:20:25,059

the doorway was this figure a very

371

00:20:28,350 --> 00:20:26,890

action looking if I remember correctly

372

00:20:30,240 --> 00:20:28,360

and I have a photograph of it was left

373

00:20:31,919 --> 00:20:30,250

up the photograph and it may be the only

374

00:20:33,480 --> 00:20:31,929

authentic photograph of lament in black

375

00:20:35,820 --> 00:20:33,490

and you can see it on the History

376

00:20:39,000 --> 00:20:35,830

Channel there was a signal visual

377

00:20:39,780 --> 00:20:39,010

standing there best total in black with

378

00:20:43,080 --> 00:20:39,790

a hat on

379

00:20:45,690 --> 00:20:43,090

stone cold just has recessed back into

380

00:20:47,520 --> 00:20:45,700

the doorway very very odd no reason for

381

00:20:49,860 --> 00:20:47,530

him to be on the block at all

382

00:20:51,840 --> 00:20:49,870

Jim Mosley was driving the car I was in

383

00:20:54,510 --> 00:20:51,850

the passenger seat I picked up this

384

00:20:57,180 --> 00:20:54,520

camera hanging up the window took a

385

00:20:58,710 --> 00:20:57,190

photograph of both this individual

386

00:21:01,380 --> 00:20:58,720

standing in the doorway and one of the

387

00:21:03,450 --> 00:21:01,390

car we decided we're going to drive him

388

00:21:04,710 --> 00:21:03,460

around the block come back try to park

389

00:21:05,790 --> 00:21:04,720

byung-ho because it's early in the

390

00:21:07,530 --> 00:21:05,800

morning and there's a lot of cars that

391

00:21:10,169 --> 00:21:07,540

will park there they'll come around the

392

00:21:12,630 --> 00:21:10,179

corner park the car Bart and tried to

393

00:21:13,710 --> 00:21:12,640

confront this person and asked why were

394

00:21:17,850 --> 00:21:13,720

they standing there maybe there was a

395

00:21:19,410 --> 00:21:17,860

rational explanation they clearly pull

396

00:21:20,970 --> 00:21:19,420

around the block probably took four or

397

00:21:23,580 --> 00:21:20,980

five minutes because of the traffic came

398

00:21:25,090 --> 00:21:23,590

back the individual the so-called man in

399

00:21:27,940 --> 00:21:25,100

black was God from the

400

00:21:30,580 --> 00:21:27,950

from the the doorway the car was gone

401
00:21:33,009 --> 00:21:30,590
and the strange thing was is even though

402
00:21:34,629 --> 00:21:33,019
that mary has seen it on this person or

403
00:21:37,149 --> 00:21:34,639
individual or whatever it was on a

404
00:21:40,659 --> 00:21:37,159
regular basis she never saw him again

405
00:21:43,330 --> 00:21:40,669
so it's like we blew the cover of the

406
00:21:44,980 --> 00:21:43,340
men in black and this is I've written

407
00:21:46,480 --> 00:21:44,990
about the men in black of course if it

408
00:21:48,909 --> 00:21:46,490
doesn't the cases have a lot more

409
00:22:11,670 --> 00:21:48,919
frightening that than that I've written

410
00:22:15,970 --> 00:22:14,290
and I do I do not believe even though

411
00:22:19,000 --> 00:22:15,980
the stories of the the Serpent's and all

412
00:22:21,370 --> 00:22:19,010
talk about these sinister type alien

413
00:22:24,130 --> 00:22:21,380

beings for the most part I see no reason

414

00:22:27,960 --> 00:22:24,140

to think that the UFO entities we want

415

00:22:32,860 --> 00:22:27,970

to call them are demonic or of Satan or

416

00:22:35,640 --> 00:22:32,870

necessarily evil what's up Frank hey

417

00:22:40,060 --> 00:22:35,650

Pablo I think a lot of them have a

418

00:22:46,360 --> 00:22:40,070

certain wisdom to depart to us if only

419

00:22:48,460 --> 00:22:46,370

we would bother to listen and of course

420

00:22:50,200 --> 00:22:48,470

for the most part we haven't people are

421

00:22:54,940 --> 00:22:50,210

still skeptical about this they still

422

00:22:56,470 --> 00:22:54,950

think it's a lot of nonsense that people

423

00:22:59,020 --> 00:22:56,480

are making up these stories or letter

424

00:23:01,150 --> 00:22:59,030

they are hallucinating and that's an

425

00:23:03,280 --> 00:23:01,160

attitude that has been fostered by our

426
00:23:06,430 --> 00:23:03,290
own government our own military and

427
00:23:21,100 --> 00:23:06,440
certainly by the the mainstream media in

428
00:23:28,490 --> 00:23:24,940
you shouldn't necessarily believe what

429
00:23:30,560 --> 00:23:28,500
the authorities tell you and I think a

430
00:23:35,030 --> 00:23:30,570
lot in fact that's one thing about UFOs

431
00:23:37,520 --> 00:23:35,040
I think it is a symbol of freedom from

432
00:23:40,460 --> 00:23:37,530
mind control it is something that tells

433
00:23:42,920 --> 00:23:40,470
us that there is something here that we

434
00:23:44,900 --> 00:23:42,930
cannot explain and that people want to

435
00:23:48,050 --> 00:23:44,910
keep hidden because there is a

436
00:23:50,510 --> 00:23:48,060
technology and there is some power

437
00:23:53,750 --> 00:23:50,520
behind these crafts that if we could

438
00:23:56,590 --> 00:23:53,760

have it revealed to us as to what they

439

00:23:59,540 --> 00:23:56,600

are I do believe that it would push

440

00:24:01,400 --> 00:23:59,550

humankind further into the future and we

441

00:24:03,740 --> 00:24:01,410

would have some great discoveries before

442

00:24:05,810 --> 00:24:03,750

we could probably have a cure for cancer

443

00:24:08,300 --> 00:24:05,820

and some of the other disastrous

444

00:24:10,130 --> 00:24:08,310

diseases that strike us we might be able

445

00:24:13,490 --> 00:24:10,140

to learn how to control the weather it

446

00:24:15,200 --> 00:24:13,500

certainly would be a great form of of

447

00:24:17,570 --> 00:24:15,210

power where we would not have to use a

448

00:24:18,890 --> 00:24:17,580

fossil fuel any longer although that's

449

00:24:21,950 --> 00:24:18,900

another story I don't necessarily

450

00:24:24,260 --> 00:24:21,960

believe that oil is from fossils but hey

451

00:24:26,060 --> 00:24:24,270

be that as it may there is something

452

00:24:29,030 --> 00:24:26,070

about UFOs that if we can break the code

453

00:24:33,380 --> 00:24:29,040

and reveal the mystery that I think

454

00:24:35,780 --> 00:24:33,390

would lead the human race along a path

455

00:24:37,730 --> 00:24:35,790

of greatness and there are powers out

456

00:24:42,200 --> 00:24:37,740

there whether they be the serpents the

457

00:24:44,480 --> 00:24:42,210

bureau or the governments that are in

458

00:24:45,950 --> 00:24:44,490

control of us that do not want this

459

00:24:48,770 --> 00:24:45,960

knowledge to come out because they

460

00:24:51,020 --> 00:24:48,780

realize that this could lead them to be

461

00:25:07,310 --> 00:24:51,030

powerless and they want to stay in

462

00:25:13,940 --> 00:25:10,680

my name is Tim Beckley and I've been

463

00:25:17,640 --> 00:25:13,950

studying investigating UFOs since the

464

00:25:19,110 --> 00:25:17,650

early mid 1960s before I became rather

465

00:25:21,210 --> 00:25:19,120

than enthused about the subject and I

466

00:25:23,220 --> 00:25:21,220

began reading all the literature and

467

00:25:24,390 --> 00:25:23,230

then I could find and I've made one of

468

00:25:27,360 --> 00:25:24,400

the few people actually have made a

469

00:25:30,710 --> 00:25:27,370

career about writing about UFOs and

470

00:25:32,820 --> 00:25:30,720

paranormal phenomena and now I'm a

471

00:25:34,919 --> 00:25:32,830

publisher I have a company called inner

472

00:25:37,320 --> 00:25:34,929

light global communications we have out

473

00:25:40,740 --> 00:25:37,330

over 200 books by authors like Brad

474

00:25:43,620 --> 00:25:40,750

stager commander axe Tim ma Schwartz of

475

00:25:46,440 --> 00:25:43,630

course myself and we also publish on a

476

00:25:48,240 --> 00:25:46,450

bi-monthly basis a magazine which is

477

00:25:50,070 --> 00:25:48,250

actually a catalog of our product called

478

00:25:52,260 --> 00:25:50,080

the conspiracy journal in fact this is

479

00:25:54,299 --> 00:25:52,270

our eighth anniversary issue we're

480

00:27:22,760 --> 00:25:54,309

celebrating 45 years of been in like
