3
00:00:48,150 --> 00:00:45,770

the world of the paranoid strap yourself

4
00:00:53,619 --> 00:00:48,160

lan as we traverse the universe

5
00:00:54,960 --> 00:00:53,629

exploring the unexplained UFO goofs lost

6
00:00:57,340 --> 00:00:54,970

world

7
00:01:01,210 --> 00:00:57,350

cryptozoology waters as well as other

8
00:01:03,450 --> 00:01:01,220

dimensions it's time to take back the

9
00:01:07,060 --> 00:01:03,460

NASA night

10
00:01:22,840 --> 00:01:07,070

now your electrifying hosts of exploring

11
00:01:25,270 --> 00:01:22,850

the bizarre Timothy Beckley and they're

12
00:01:28,330 --> 00:01:25,280

anywhere from 7 to 22 feet tall they can

13
00:01:32,109 --> 00:01:28,340

weigh up to 1,800 pounds now their

14

00:01:34,270 --> 00:01:32,119

reptilian the Roy the longer just the

15

00:01:36,460 --> 00:01:34,280

ones that have stubby tails if you see

16

00:01:40,090 --> 00:01:36,470

one that has no tail these these on the

17

00:01:42,370 --> 00:01:40,100

warrior class or the worker class the

18

00:01:46,690 --> 00:01:42,380

longer the tail the higher their rank

19

00:01:48,880 --> 00:01:46,700

when you see one with long tails with

20

00:01:49,180 --> 00:01:48,890

with winged appendages he's considered

21

00:01:50,590 --> 00:01:49,190

royalty

22

00:01:53,010 --> 00:01:50,600

[Music]

23

00:01:55,000 --> 00:01:53,020

whenever you see one your is run like

24

00:01:56,800 --> 00:01:55,010

you shouldn't approach them you

25

00:02:06,880 --> 00:01:56,810

shouldn't provoke it just get the hell

26

00:02:08,940 --> 00:02:06,890

out of its way just get out tinder

27

00:02:13,360 --> 00:02:08,950

there's something curling around like

28

00:02:15,250 --> 00:02:13,370

see it is trying to go up my leg but I'm

29

00:02:18,820 --> 00:02:15,260

not gonna let it get in the way of a

30

00:02:21,690 --> 00:02:18,830

good show am I goes there how are you

31

00:02:27,310 --> 00:02:21,700

out there in Jasper Indiana my old

32

00:02:29,020 --> 00:02:27,320

friend I'm doing well Tim and it sounds

33

00:02:30,729 --> 00:02:29,030

to me like your air mattress is leaking

34

00:02:32,229 --> 00:02:30,739

ah well

35

00:02:35,979 --> 00:02:32,239

I'm sure that's not the only thing

36

00:02:37,440 --> 00:02:35,989

that's leaking over here but hey I've

37

00:02:41,680 --> 00:02:37,450

had I've had a busy week

38

00:02:46,020 --> 00:02:41,690

yeah I am so exhausted that it will take

39

00:02:48,250 --> 00:02:46,030

a bunch of reptiles to to keep me going

40

00:02:51,940 --> 00:02:48,260

but we're going to have a great show

41

00:02:54,940 --> 00:02:51,950

tonight I mean you know I I was going to

42

00:02:57,789 --> 00:02:54,950

say I love reptiles but actually I have

43

00:03:01,449 --> 00:02:57,799

nothing against them but Lynn will tell

44

00:03:03,009 --> 00:03:01,459

us why we should I guess but what if you

45

00:03:08,259 --> 00:03:03,019

introduce our guest and then we could

46

00:03:10,509 --> 00:03:08,269

all get into the fries so to speak yeah

47

00:03:15,479 --> 00:03:10,519

well sure be my pleasure Tim you know I

48

00:03:17,560 --> 00:03:15,489

think that the whole idea of UFOs and

49

00:03:19,539 --> 00:03:17,570

their connection with possible

50

00:03:21,610 --> 00:03:19,549

extraterrestrials has always been

51
00:03:22,930 --> 00:03:21,620
controversial even I mean when you were

52
00:03:27,340 --> 00:03:22,940
dealing with you know like George

53
00:03:32,759 --> 00:03:27,350
Adamski and the the Nordics and going on

54
00:03:36,690 --> 00:03:32,769
to the you know the little big eyed gray

55
00:03:39,520 --> 00:03:36,700
abducting types of creatures but I think

56
00:03:43,330 --> 00:03:39,530
nothing seems to be more controversial

57
00:03:46,509 --> 00:03:43,340
or interesting for a lot of people it is

58
00:03:50,920 --> 00:03:46,519
the whole idea that we're being visited

59
00:03:52,539 --> 00:03:50,930
by a race that is basically reptilian or

60
00:03:56,080 --> 00:03:52,549
reptiles of course you know some people

61
00:03:58,240 --> 00:03:56,090
say that these are these are creatures

62
00:04:00,250 --> 00:03:58,250
that have been on the planet longer that

63
00:04:02,680 --> 00:04:00,260

we have another say that they that they

64

00:04:03,890 --> 00:04:02,690

are extraterrestrials but that's why we

65

00:04:08,509 --> 00:04:03,900

have two fantastic

66

00:04:13,009 --> 00:04:08,519

us tonight - in lightness we have a len

67

00:04:15,199 --> 00:04:13,019

Caston and Lynn I have to tell you

68

00:04:17,509 --> 00:04:15,209

something Lynn you've been one of my

69

00:04:21,860 --> 00:04:17,519

favorite writers on in Atlantic rising

70

00:04:25,850 --> 00:04:21,870

magazine over the years and and when

71

00:04:28,159 --> 00:04:25,860

Lynn he's been investigating UFOs and et

72

00:04:31,610 --> 00:04:28,169

related research for over 30 years he's

73

00:04:35,659 --> 00:04:31,620

a former member of nightcap and MUFON

74

00:04:37,129 --> 00:04:35,669

and he's got several Wyatt why is he a

75

00:04:39,020 --> 00:04:37,139

former member that they kick him out

76

00:04:42,230 --> 00:04:39,030

because he believes in reptilians yeah

77

00:04:43,939 --> 00:04:42,240

we'll have that I kept my cap doesn't

78

00:04:46,340 --> 00:04:43,949

exist anymore well that well actually

79

00:04:47,960 --> 00:04:46,350

they do have a website I tried to email

80

00:04:51,920 --> 00:04:47,970

somebody to get them to come on the show

81

00:04:53,180 --> 00:04:51,930

of course I never got a response but

82

00:04:55,820 --> 00:04:53,190

there you go

83

00:04:57,400 --> 00:04:55,830

well Allen's book tonight that we're

84

00:05:01,219 --> 00:04:57,410

going to be concentrating on is called

85

00:05:03,830 --> 00:05:01,229

alien world order the reptilian plan to

86

00:05:06,230 --> 00:05:03,840

divide and conquer the human race so

87

00:05:12,050 --> 00:05:06,240

lend great have you with us and also

88

00:05:14,529 --> 00:05:12,060

with us tonight is Erica get and Erica I

89

00:05:16,879 --> 00:05:14,539

have to admit that Erica has been a

90

00:05:18,770 --> 00:05:16,889

Facebook and Instagram friend of mine

91

00:05:21,710 --> 00:05:18,780

for for quite a while and I know that

92

00:05:27,159 --> 00:05:21,720

you Tim that she's been a facebook

93

00:05:29,719 --> 00:05:27,169

friend of yours as well and Erica has

94

00:05:34,040 --> 00:05:29,729

she's got a book out called beyond the

95

00:05:40,580 --> 00:05:34,050

fear the alien equation and since she

96

00:05:42,800 --> 00:05:40,590

was a kid she's had strange experiences

97

00:05:44,899 --> 00:05:42,810

that she you know because she was around

98

00:05:46,159 --> 00:05:44,909

five years old when first started you

99

00:05:47,750 --> 00:05:46,169

know she really wasn't able to

100

00:05:49,790 --> 00:05:47,760

comprehend what was going on and it

101
00:05:52,640 --> 00:05:49,800
wasn't until years later that she became

102
00:05:56,409 --> 00:05:52,650
an adult that things became a little bit

103
00:06:01,250 --> 00:05:56,419
more clear to her and you know she's had

104
00:06:04,550 --> 00:06:01,260
experiences with several so-called

105
00:06:08,740 --> 00:06:04,560
extraterrestrial races including blue

106
00:06:12,409 --> 00:06:08,750
reptilians which she says are actually

107
00:06:14,930 --> 00:06:12,419
benevolent towards humans so it's going

108
00:06:16,920 --> 00:06:14,940
to marry maybe they're just but maybe

109
00:06:20,730 --> 00:06:16,930
they're just benevolent toward her

110
00:06:23,240 --> 00:06:20,740
hahahaha well we'll have a screen find

111
00:06:26,400 --> 00:06:23,250
out no only well it you know I've had a

112
00:06:28,529 --> 00:06:26,410
kind of an interest in this subject for

113
00:06:31,320 --> 00:06:28,539

a while because you know I've delved

114

00:06:33,420 --> 00:06:31,330

into the the shaver mystery and and

115

00:06:34,800 --> 00:06:33,430

shaver and you know they have all these

116

00:06:38,189 --> 00:06:34,810

legends about beings that are living

117

00:06:41,219 --> 00:06:38,199

inside the the earth and some of them

118

00:06:44,219 --> 00:06:41,229

are said to be reptilian in nature in

119

00:06:47,400 --> 00:06:44,229

fact several years ago we do they in a

120

00:06:50,909 --> 00:06:47,410

book reality of the serpent race and the

121

00:06:53,730 --> 00:06:50,919

subterranean origin of UFOs and the kind

122

00:06:57,089 --> 00:06:53,740

of delve into this as much as we can but

123

00:06:59,219 --> 00:06:57,099

we have the real experts on tonight and

124

00:07:02,249 --> 00:06:59,229

I think I want to start out the

125

00:07:05,189 --> 00:07:02,259

conversation let's ask Lynn here who's a

126

00:07:09,029 --> 00:07:05,199

book has just come out I I think it just

127

00:07:12,330 --> 00:07:09,039

popped into my on my desk here maybe two

128

00:07:15,659 --> 00:07:12,340

weeks ago how did you first get that

129

00:07:18,990 --> 00:07:15,669

mean like of all the topics we could

130

00:07:23,490 --> 00:07:19,000

discuss what fascinated you or what drew

131

00:07:25,500 --> 00:07:23,500

you towards the reptilians well I have

132

00:07:27,689 --> 00:07:25,510

to say that David I kept something to do

133

00:07:30,029 --> 00:07:27,699

with it but David Icke just broke the

134

00:07:32,460 --> 00:07:30,039

ground for me and then I as I started to

135

00:07:33,870 --> 00:07:32,470

explore I've always been if you've read

136

00:07:36,000 --> 00:07:33,880

my first book the secret history of

137

00:07:37,589 --> 00:07:36,010

extraterrestrials in the introduction I

138

00:07:40,260 --> 00:07:37,599

talked about the fact that we are being

139

00:07:42,570 --> 00:07:40,270

controlled I've always just I've always

140

00:07:45,870 --> 00:07:42,580

felt that we are being controlled we are

141

00:07:49,649 --> 00:07:45,880

being regimented by some external force

142

00:07:52,980 --> 00:07:49,659

and I really was very clear to me it was

143

00:07:55,379 --> 00:07:52,990

very clear to me through money through

144

00:07:57,510 --> 00:07:55,389

various means but I couldn't put my

145

00:07:59,189 --> 00:07:57,520

finger on it but David Icke opened the

146

00:08:01,980 --> 00:07:59,199

door for me and I began to do more

147

00:08:04,379 --> 00:08:01,990

research and I get to see it but what

148

00:08:06,210 --> 00:08:04,389

really would really tip the balance was

149

00:08:08,670 --> 00:08:06,220

coming across the book by Robert morning

150

00:08:10,730 --> 00:08:08,680

sky once I got my hands on Robert

151
00:08:14,100 --> 00:08:10,740
morning skies book which is now almost

152
00:08:16,950 --> 00:08:14,110
impossible to get it all came together

153
00:08:18,540 --> 00:08:16,960
and I realized I had to do this I had to

154
00:08:22,320 --> 00:08:18,550
do this expose if you want to call it

155
00:08:24,860 --> 00:08:22,330
that Chile not expose because so many

156
00:08:29,129 --> 00:08:24,870
people are talking about it now already

157
00:08:30,480 --> 00:08:29,139
well now you you blame I would say a lot

158
00:08:34,260 --> 00:08:30,490
of the

159
00:08:38,339 --> 00:08:34,270
negativity in the world the evil that

160
00:08:40,199 --> 00:08:38,349
goes on around us on these um reptilians

161
00:08:45,480 --> 00:08:40,209
okay can you tell us a little bit about

162
00:08:46,889 --> 00:08:45,490
the history of this well you know the

163
00:08:49,019 --> 00:08:46,899

reptilians were here before we were

164

00:08:51,120 --> 00:08:49,029

we're actually the newcomers to this

165

00:08:53,370 --> 00:08:51,130

planet so we're sharing the planet with

166

00:08:54,510 --> 00:08:53,380

them we are sharing the planet and I

167

00:08:56,910 --> 00:08:54,520

don't even refer to them as

168

00:09:00,449 --> 00:08:56,920

extraterrestrials they really are

169

00:09:02,310 --> 00:09:00,459

interests really because we both share

170

00:09:05,280 --> 00:09:02,320

the same planet we with the late

171

00:09:07,230 --> 00:09:05,290

arrivals we came later they lived here

172

00:09:10,949 --> 00:09:07,240

for two or three hundred thousand years

173

00:09:12,720 --> 00:09:10,959

on this planet without any humans at all

174

00:09:15,329 --> 00:09:12,730

here but there were humans in the solar

175

00:09:18,139 --> 00:09:15,339

system there were humans on Mars and

176
00:09:21,480 --> 00:09:18,149
there were humans on Maldek at that time

177
00:09:23,850 --> 00:09:21,490
but we they were the first ones here on

178
00:09:27,510 --> 00:09:23,860
earth and I'm placing this on Stewart

179
00:09:30,180 --> 00:09:27,520
furlow's soon Threadless research and I

180
00:09:32,639 --> 00:09:30,190
think he's very accurate about this I

181
00:09:34,980 --> 00:09:32,649
think he's had very many experiences at

182
00:09:36,780 --> 00:09:34,990
Montauk that gave him a lot of

183
00:09:41,490 --> 00:09:36,790
information and so that's why I rely on

184
00:09:48,150 --> 00:09:41,500
Stewart largely for this cause this this

185
00:09:51,000 --> 00:09:48,160
particular subject well now then were

186
00:09:54,420 --> 00:09:51,010
the reptilians supposedly are are they

187
00:09:56,639 --> 00:09:54,430
indigenous to earth entirely or are they

188
00:09:58,530 --> 00:09:56,649

you know did they did they come here for

189

00:10:01,620 --> 00:09:58,540

someplace else very early on in our

190

00:10:04,980 --> 00:10:01,630

history they arrived here from break

191

00:10:06,660 --> 00:10:04,990

from the Draco star system about a

192

00:10:10,980 --> 00:10:06,670

million years ago according to Swerdlow

193

00:10:14,940 --> 00:10:10,990

and I call comes together but they

194

00:10:16,560 --> 00:10:14,950

didn't come to a planet that had any

195

00:10:17,780 --> 00:10:16,570

inhabitants on it when they first got

196

00:10:21,000 --> 00:10:17,790

here

197

00:10:24,269 --> 00:10:21,010

the reptilians had spaceships in the

198

00:10:27,810 --> 00:10:24,279

form of planets they were just exactly

199

00:10:31,650 --> 00:10:27,820

like the death star in Star Trek so they

200

00:10:33,300 --> 00:10:31,660

crossed the galaxy inside a planet that

201
00:10:36,389 --> 00:10:33,310
we would call a Death Star and they

202
00:10:41,519 --> 00:10:36,399
brought with them their own food source

203
00:10:44,220 --> 00:10:41,529
which were the dinosaurs and as they as

204
00:10:45,810 --> 00:10:44,230
they as their planet or their space

205
00:10:48,420 --> 00:10:45,820
or their comet whatever you want to call

206
00:10:51,930 --> 00:10:48,430
it passed by Mars

207
00:10:56,370 --> 00:10:51,940
I mean passed by Maldek they destroyed

208
00:10:59,040 --> 00:10:56,380
mel deck with probably a weapon of some

209
00:11:01,850 --> 00:10:59,050
sort we're just going just going by the

210
00:11:06,240 --> 00:11:01,860
planet itself it caused it to explode

211
00:11:08,630 --> 00:11:06,250
but I think more likely it was a it was

212
00:11:11,130 --> 00:11:08,640
a weapon that they've used before

213
00:11:14,640 --> 00:11:11,140

particularly in their invasion of Lyra

214

00:11:16,770 --> 00:11:14,650

which we can talk about later then as it

215

00:11:19,410 --> 00:11:16,780

passed by Mars it stripped a lot of the

216

00:11:20,790 --> 00:11:19,420

atmosphere off of Mars forcing the

217

00:11:23,010 --> 00:11:20,800

humans and were then living on the

218

00:11:25,530 --> 00:11:23,020

surface of Mars they had to retreat

219

00:11:28,260 --> 00:11:25,540

underground and finally when they came

220

00:11:30,780 --> 00:11:28,270

to this planet Earth this was really a

221

00:11:34,410 --> 00:11:30,790

water planet there was nothing here but

222

00:11:37,350 --> 00:11:34,420

water and they basically terraformed

223

00:11:40,200 --> 00:11:37,360

this planet according to searle oh and

224

00:11:43,110 --> 00:11:40,210

others and when they did that to

225

00:11:46,580 --> 00:11:43,120

continent emerged the first one was

226

00:11:48,780 --> 00:11:46,590

Lemuria the second one was Atlantis and

227

00:11:50,880 --> 00:11:48,790

also according to searle oh and

228

00:11:52,470 --> 00:11:50,890

according to others they created the

229

00:11:56,000 --> 00:11:52,480

moon which was which we know now is

230

00:11:59,460 --> 00:11:56,010

artificial and they used the moon too as

231

00:12:04,230 --> 00:11:59,470

a sort of a stepping stone to piecemeal

232

00:12:07,050 --> 00:12:04,240

on inhabit earth mm-hmm they became the

233

00:12:10,590 --> 00:12:07,060

first inhabitants on this planet well

234

00:12:13,560 --> 00:12:10,600

why didn't they why the negative way are

235

00:12:16,140 --> 00:12:13,570

they so negative against the the human

236

00:12:19,280 --> 00:12:16,150

race I mean why are they doing all these

237

00:12:23,850 --> 00:12:19,290

terrible things in fact you say in your

238

00:12:27,450 --> 00:12:23,860

book that they had so some sort of a a

239

00:12:29,520 --> 00:12:27,460

treaty that they made with Hitler yeah

240

00:12:30,990 --> 00:12:29,530

but to understand their antagonism

241

00:12:36,720 --> 00:12:31,000

towards the human race we have to go

242

00:12:38,610 --> 00:12:36,730

back to Huayra star system Lyra the

243

00:12:40,320 --> 00:12:38,620

reptilians and the humans had never met

244

00:12:43,440 --> 00:12:40,330

before they never confronted each other

245

00:12:46,590 --> 00:12:43,450

before but they had had spacefaring

246

00:12:48,900 --> 00:12:46,600

technology thousands of years way ahead

247

00:12:50,430 --> 00:12:48,910

of everybody else and so they were

248

00:12:53,130 --> 00:12:50,440

exploring the galaxy and they were

249

00:12:53,850 --> 00:12:53,140

conquering star system and planets all

250

00:12:57,990 --> 00:12:53,860

over the galaxy

251
00:12:59,580 --> 00:12:58,000
when they came to Lyra which had human

252
00:13:01,220 --> 00:12:59,590
evidence the first human inhabitants

253
00:13:03,960 --> 00:13:01,230
really in this galaxy

254
00:13:07,050 --> 00:13:03,970
at first they made peace overtures but

255
00:13:09,540 --> 00:13:07,060
then they retreated back and decided

256
00:13:13,140 --> 00:13:09,550
they were going to destroy the humans on

257
00:13:16,020 --> 00:13:13,150
Lyra they exploded fifty million humans

258
00:13:18,570 --> 00:13:16,030
and they destroyed three planets in the

259
00:13:20,370 --> 00:13:18,580
Lyra star system so that was the first

260
00:13:22,920 --> 00:13:20,380
confrontation between humans and

261
00:13:24,840 --> 00:13:22,930
reptilians in this galaxy and Alex

262
00:13:27,480 --> 00:13:24,850
Collier goes into that in great detail

263
00:13:30,180 --> 00:13:27,490

he's meeting with Alex's book defending

264

00:13:32,730 --> 00:13:30,190

sacred ground I haven't read it but I do

265

00:13:35,790 --> 00:13:32,740

know him I spoke a couple of times that

266

00:13:39,090 --> 00:13:35,800

our conferences we had out there on in

267

00:13:41,340 --> 00:13:39,100

San Diego and Phoenix Arizona well the

268

00:13:42,330 --> 00:13:41,350

other guy's integrin that developed from

269

00:13:44,880 --> 00:13:42,340

that invasion

270

00:13:48,060 --> 00:13:44,890

caused the humans to spread throughout

271

00:13:50,460 --> 00:13:48,070

the galaxy and they created like a human

272

00:13:52,890 --> 00:13:50,470

diaspora throughout the galaxy and some

273

00:13:56,250 --> 00:13:52,900

of them came here and settled on Mars

274

00:13:58,110 --> 00:13:56,260

and Maldek so they were relying I think

275

00:14:01,080 --> 00:13:58,120

you should explain to - maybe the

276

00:14:03,600 --> 00:14:01,090

listeners who don't know is it mel deck

277

00:14:04,680 --> 00:14:03,610

the the planet that exploded the smelly

278

00:14:07,350 --> 00:14:04,690

asteroid belt

279

00:14:11,220 --> 00:14:07,360

yes yes but it's a very was a very large

280

00:14:12,810 --> 00:14:11,230

planet and we humans lived on mal deck

281

00:14:14,910 --> 00:14:12,820

and lived on Mars peacefully and even

282

00:14:16,470 --> 00:14:14,920

traded with each other when the

283

00:14:18,860 --> 00:14:16,480

reptilians arrived the first thing they

284

00:14:21,240 --> 00:14:18,870

did was destroy mal deck and slaughtered

285

00:14:23,850 --> 00:14:21,250

hundreds of thousands if not millions of

286

00:14:25,800 --> 00:14:23,860

the inhabitants of mal deck that they

287

00:14:28,560 --> 00:14:25,810

stripped the atmosphere off of was

288

00:14:31,590 --> 00:14:28,570

reducing it to very thin atmosphere and

289

00:14:34,620 --> 00:14:31,600

then they then they terraform this

290

00:14:37,260 --> 00:14:34,630

planet earth they were here first

291

00:14:41,780 --> 00:14:37,270

and they oh that's why they consider

292

00:14:45,450 --> 00:14:41,790

this their planet can't we all get along

293

00:14:49,079 --> 00:14:45,460

yeah when I say if they consider Earth

294

00:14:50,760 --> 00:14:49,089

their planet how did humans manage to

295

00:14:53,579 --> 00:14:50,770

get such a strong foothold to begin with

296

00:14:56,880 --> 00:14:53,589

you know if these guys are you know able

297

00:14:58,650 --> 00:14:56,890

to you know are as ferocious as are

298

00:15:00,990 --> 00:14:58,660

supposed to be you know able to kill

299

00:15:02,940 --> 00:15:01,000

millions on other planets you know how

300

00:15:05,370 --> 00:15:02,950

did we assist you know we little humans

301
00:15:06,519 --> 00:15:05,380
you know how did we manage to get here

302
00:15:09,759 --> 00:15:06,529
and

303
00:15:12,340 --> 00:15:09,769
then populate so freely one thing we are

304
00:15:16,480 --> 00:15:12,350
glad yes station of Lyra the humans that

305
00:15:19,960 --> 00:15:16,490
had spacefaring technology scattered all

306
00:15:21,910 --> 00:15:19,970
over the galaxy and created in colonies

307
00:15:24,610 --> 00:15:21,920
on many different star systems including

308
00:15:26,199 --> 00:15:24,620
the Pleiades and they got together in

309
00:15:29,590 --> 00:15:26,209
form the Fed what we call now the

310
00:15:31,509 --> 00:15:29,600
Federation according to Alex there were

311
00:15:34,210 --> 00:15:31,519
110 different colonies all over the

312
00:15:37,749 --> 00:15:34,220
galaxy that formed the first Galactic

313
00:15:40,059 --> 00:15:37,759

Federation and they developed on their

314

00:15:42,280 --> 00:15:40,069

own they of course communicated with

315

00:15:44,410 --> 00:15:42,290

each other since they're all a human and

316

00:15:45,970 --> 00:15:44,420

they all developed very advanced

317

00:15:50,170 --> 00:15:45,980

technology eventually spacefaring

318

00:15:53,759 --> 00:15:50,180

technology so that when when the

319

00:15:56,559 --> 00:15:53,769

reptilians arrived here the Federation

320

00:15:58,929 --> 00:15:56,569

was provoked and decided they were going

321

00:16:02,079 --> 00:15:58,939

to confront them here on this planet and

322

00:16:03,369 --> 00:16:02,089

not let them have earth because they

323

00:16:07,600 --> 00:16:03,379

didn't want them to have this solar

324

00:16:10,119 --> 00:16:07,610

system mm-hmm and that's when they said

325

00:16:14,049 --> 00:16:10,129

a very fierce race of humans of the

326

00:16:15,850 --> 00:16:14,059

Pleiades called the aplans et al ans to

327

00:16:18,639 --> 00:16:15,860

settle here and confront the reptilians

328

00:16:21,579 --> 00:16:18,649

on this planet and they had high

329

00:16:23,439 --> 00:16:21,589

technology to they started the continent

330

00:16:27,249 --> 00:16:23,449

they founded the continent of Atlantis

331

00:16:28,569 --> 00:16:27,259

and the battles were incredible between

332

00:16:35,170 --> 00:16:28,579

the reptilians and the humans at that

333

00:16:37,019 --> 00:16:35,180

time and the Outlands eventually had

334

00:16:40,410 --> 00:16:37,029

some very very high-tech weaponry

335

00:16:45,280 --> 00:16:40,420

magnetic electromagnetic pulse weapons

336

00:16:47,259 --> 00:16:45,290

that they fired on Lemuria that cause

337

00:16:50,530 --> 00:16:47,269

eventually caused the proper continent

338

00:16:52,470 --> 00:16:50,540

to sink beneath the Pacific and that was

339

00:16:56,230 --> 00:16:52,480

when the reptilians went underground and

340

00:16:59,860 --> 00:16:56,240

it was after that that the Outlands were

341

00:17:01,509 --> 00:16:59,870

now free to build a goals and

342

00:17:04,389 --> 00:17:01,519

civilization here on the surface of

343

00:17:06,639 --> 00:17:04,399

Earth and that's where Atlantis that's

344

00:17:09,250 --> 00:17:06,649

where Atlantis originated but meanwhile

345

00:17:13,000 --> 00:17:09,260

the reptilians were underground but the

346

00:17:15,399 --> 00:17:13,010

battles had not ended at that point well

347

00:17:19,419 --> 00:17:15,409

but how about that way we didn't quite

348

00:17:20,260 --> 00:17:19,429

get an answer about their cooperation

349

00:17:23,470 --> 00:17:20,270

with Hitler

350

00:17:27,010 --> 00:17:23,480

how did that all come about well while

351
00:17:29,970 --> 00:17:27,020
of course the reptilians were masters at

352
00:17:32,410 --> 00:17:29,980
what we now know as hybridization and

353
00:17:35,560 --> 00:17:32,420
they were not satisfied with living

354
00:17:38,110 --> 00:17:35,570
under the earth and what they did they

355
00:17:40,660 --> 00:17:38,120
started hybridizing the human population

356
00:17:47,950 --> 00:17:40,670
and eventually they were able to

357
00:17:50,020 --> 00:17:47,960
actually sink Atlantis too and so they

358
00:17:51,550 --> 00:17:50,030
think they existed under there created

359
00:17:56,290 --> 00:17:51,560
literally an empire under the earth

360
00:18:00,430 --> 00:17:56,300
created high-speed trains and incredible

361
00:18:02,290 --> 00:18:00,440
technology they decided I guess in the

362
00:18:04,990 --> 00:18:02,300
late 40s that they were going to try and

363
00:18:07,810 --> 00:18:05,000

retake the surface through the fascist

364

00:18:12,010 --> 00:18:07,820

movement and that's when they made their

365

00:18:14,200 --> 00:18:12,020

deal with Hitler this was about 1934 I

366

00:18:18,580 --> 00:18:14,210

believe shortly after Hitler came to

367

00:18:22,480 --> 00:18:18,590

power and of course Hitler was delighted

368

00:18:25,240 --> 00:18:22,490

to make that deal I think he thought

369

00:18:29,170 --> 00:18:25,250

that made him invulnerable but it really

370

00:18:31,510 --> 00:18:29,180

didn't now where did they actually have

371

00:18:32,260 --> 00:18:31,520

a face-to-face meeting somewhere that

372

00:18:34,510 --> 00:18:32,270

you know about

373

00:18:36,460 --> 00:18:34,520

yeah Hitler talked about having metric

374

00:18:38,710 --> 00:18:36,470

he said I met me so I met the man of the

375

00:18:41,050 --> 00:18:38,720

future in one of his conversations with

376

00:18:43,720 --> 00:18:41,060

the mayor I remember that yes yeah and

377

00:18:44,410 --> 00:18:43,730

he I am afraid of him he said he's he

378

00:18:46,840 --> 00:18:44,420

scared me

379

00:18:48,280 --> 00:18:46,850

I'm afraid of him he was really talking

380

00:18:50,110 --> 00:18:48,290

about a reptilian probably about a

381

00:18:52,660 --> 00:18:50,120

10-foot reptilian and scared the hell

382

00:18:55,570 --> 00:18:52,670

out of them well I wouldn't say that it

383

00:18:57,730 --> 00:18:55,580

I would say that I would probably scare

384

00:18:59,380 --> 00:18:57,740

it would probably scare me too but I I

385

00:19:02,080 --> 00:18:59,390

don't think Erika our other guest

386

00:19:04,000 --> 00:19:02,090

tonight is so doesn't seem so afraid of

387

00:19:09,610 --> 00:19:04,010

them I don't think they've had such a

388

00:19:12,130 --> 00:19:09,620

negative influence on her but ok so he

389

00:19:13,750 --> 00:19:12,140

made they made this allegiance with with

390

00:19:15,730 --> 00:19:13,760

the Hitler well if they made this

391

00:19:18,610 --> 00:19:15,740

Allegiance then why did Hitler lose the

392

00:19:21,520 --> 00:19:18,620

war because he thought he knew more than

393

00:19:24,810 --> 00:19:21,530

his generals you know they couldn't they

394

00:19:27,970 --> 00:19:24,820

couldn't be couldn't be sure of Hitler's

395

00:19:31,630 --> 00:19:27,980

characteristics and Hitler was not going

396

00:19:33,940 --> 00:19:31,640

to be ruled by anybody and he decided

397

00:19:35,799 --> 00:19:33,950

that he knew more than

398

00:19:37,960 --> 00:19:35,809

his generals and he decided he was going

399

00:19:40,180 --> 00:19:37,970

to fight a battle on two fronts which

400

00:19:41,889 --> 00:19:40,190

was crazy

401
00:19:45,129 --> 00:19:41,899
he should have learned lessons of

402
00:19:47,409 --> 00:19:45,139
Napoleon but especially invading Russia

403
00:19:51,100 --> 00:19:47,419
in the world with winter coming so you

404
00:19:53,680 --> 00:19:51,110
know he was very very fallible and he

405
00:19:58,000 --> 00:19:53,690
was rather stupid in many ways and but

406
00:20:01,000 --> 00:19:58,010
he had ultimate power and he did what he

407
00:20:05,620 --> 00:20:01,010
wanted to do you know there isn't there

408
00:20:07,810 --> 00:20:05,630
is the mystery of Hitler's army prior to

409
00:20:12,840 --> 00:20:07,820
the beginning of World War two

410
00:20:17,049 --> 00:20:12,850
you know the rows of the Treaty of

411
00:20:18,450 --> 00:20:17,059
Versailles stated that you know Germany

412
00:20:22,090 --> 00:20:18,460
was not supposed to have any kind of a

413
00:20:24,220 --> 00:20:22,100

standing army or just very few and yet

414

00:20:26,139 --> 00:20:24,230

when Hitler decided to check that aside

415

00:20:28,570 --> 00:20:26,149

there really wasn't a lot of people but

416

00:20:29,680 --> 00:20:28,580

he can gather together yet in less than

417

00:20:35,259 --> 00:20:29,690

a year's time

418

00:20:37,450 --> 00:20:35,269

he was able to come up with thousands of

419

00:20:40,029 --> 00:20:37,460

troops exactly I made that point my

420

00:20:41,799 --> 00:20:40,039

first book I came to the conclusion that

421

00:20:45,100 --> 00:20:41,809

they were cloned I mean that the

422

00:20:48,159 --> 00:20:45,110

reptilians had basically given him a

423

00:20:49,990 --> 00:20:48,169

million man cloned army Wow and that's

424

00:20:52,090 --> 00:20:50,000

why they had that's why they had no

425

00:20:56,710 --> 00:20:52,100

contact I hope they don't give the the

426
00:20:58,509 --> 00:20:56,720
Korean Korean so within million men army

427
00:21:00,850 --> 00:20:58,519
well the way they goose-stepping you

428
00:21:04,029 --> 00:21:00,860
know it almost looks like it has yeah

429
00:21:05,590 --> 00:21:04,039
doesn't need yen it's scary cause it's a

430
00:21:07,690 --> 00:21:05,600
scary cut thing to contemplate because

431
00:21:10,659 --> 00:21:07,700
they had no conscience they were really

432
00:21:13,600 --> 00:21:10,669
not human they were cloned literally

433
00:21:16,090 --> 00:21:13,610
robotic and that's why they just carried

434
00:21:19,629 --> 00:21:16,100
out orders they never have a question in

435
00:21:23,230 --> 00:21:19,639
order this is all this is something

436
00:21:24,610 --> 00:21:23,240
totally out of science fiction I mean

437
00:21:26,379 --> 00:21:24,620
you couldn't come up with a better at

438
00:21:28,149 --> 00:21:26,389

the the science fiction story than this

439

00:21:30,299 --> 00:21:28,159

I mean well I guess maybe some of the

440

00:21:32,769 --> 00:21:30,309

science fiction stories have been info

441

00:21:37,440 --> 00:21:32,779

influenced I mean do you think the TV

442

00:21:40,750 --> 00:21:37,450

series V for example was influenced by

443

00:21:42,250 --> 00:21:40,760

the reptilians or somehow the people

444

00:21:44,200 --> 00:21:42,260

that put it together knew about this I

445

00:21:46,600 --> 00:21:44,210

think so a lot of the Hollywood stuff is

446

00:21:47,590 --> 00:21:46,610

all people getting information all kinds

447

00:21:49,600 --> 00:21:47,600

of information

448

00:21:51,850 --> 00:21:49,610

Stargate Stargate was an example of that

449

00:21:54,000 --> 00:21:51,860

because we do have stargates there's so

450

00:21:56,409 --> 00:21:54,010

many so many even Star Wars now I

451
00:21:59,620 --> 00:21:56,419
discussed Star Wars at length in my book

452
00:22:02,799 --> 00:21:59,630
because Lucas Lucas knew the whole story

453
00:22:06,460 --> 00:22:02,809
and he tried to portray it as best best

454
00:22:07,990 --> 00:22:06,470
way he could least the troopers all had

455
00:22:09,400 --> 00:22:08,000
things over their face so you couldn't

456
00:22:12,450 --> 00:22:09,410
really tell if they were human or not

457
00:22:18,190 --> 00:22:12,460
and probably he was trying to portray

458
00:22:21,460 --> 00:22:18,200
the reptilians and the Death Star the

459
00:22:24,279 --> 00:22:21,470
whole concept of the Death Star was an

460
00:22:27,399 --> 00:22:24,289
actual piece of reptilian technology

461
00:22:29,710 --> 00:22:27,409
that they've had for centuries those are

462
00:22:32,320 --> 00:22:29,720
their spaceships they crossed the galaxy

463
00:22:38,770 --> 00:22:32,330

in planet-sized spaceships and they live

464

00:22:42,039 --> 00:22:38,780

in the interior and so he knew that and

465

00:22:44,110 --> 00:22:42,049

well how many how many but are they

466

00:22:48,630 --> 00:22:44,120

responsible for most of the UFO

467

00:22:52,149 --> 00:22:50,560

you know I know the answer to that I

468

00:22:55,210 --> 00:22:52,159

would say they are a good good

469

00:22:57,279 --> 00:22:55,220

percentage of them yes but they they

470

00:22:59,020 --> 00:22:57,289

have space technology under the under

471

00:23:01,060 --> 00:22:59,030

the earth they can come out anytime they

472

00:23:03,100 --> 00:23:01,070

want they can travel to other stores we

473

00:23:08,049 --> 00:23:03,110

cannot because they keep us here under a

474

00:23:10,210 --> 00:23:08,059

blanket so many of the many of these

475

00:23:12,430 --> 00:23:10,220

UFOs that we see probably our reptilian

476

00:23:14,010 --> 00:23:12,440

reptilian origin but then again there

477

00:23:16,740 --> 00:23:14,020

are many other there are many other

478

00:23:21,130 --> 00:23:16,750

extraterrestrials visiting this planet

479

00:23:23,470 --> 00:23:21,140

well when we come back from our short

480

00:23:26,020 --> 00:23:23,480

intermission here we're going to find

481

00:23:27,880 --> 00:23:26,030

out about who's visiting the earth and

482

00:23:31,830 --> 00:23:27,890

we're going to hear from Erika who's

483

00:23:34,720 --> 00:23:31,840

going to tell us about her first-person

484

00:23:36,789 --> 00:23:34,730

experiences with the some of the the

485

00:23:39,370 --> 00:23:36,799

reptilians and I think she takes a

486

00:23:42,190 --> 00:23:39,380

slightly different approach to this

487

00:23:47,140 --> 00:23:42,200

she says that some of them are not

488

00:23:50,080 --> 00:23:47,150

really all that bad so stay tuned don't

489

00:23:52,930 --> 00:23:50,090

don't go away and we'll be right back

490

00:23:55,810 --> 00:23:52,940

and assassinating show honor until yeah

491

00:24:00,350 --> 00:23:55,820

[Music]

492

00:24:02,690 --> 00:24:00,360

now that is known in the bazaar with two

493

00:24:06,140 --> 00:24:02,700

of the most electrifying researchers in

494

00:24:11,390 --> 00:24:06,150

apparel all your hosts Timothy Becca Lee

495

00:24:13,250 --> 00:24:11,400

panting Swartz and welcome back to

496

00:24:16,850 --> 00:24:13,260

exploring the bizarre of sport and

497

00:24:21,440 --> 00:24:16,860

tonight we're talking about reptilians

498

00:24:24,760 --> 00:24:21,450

with Len Caston and Erica gets and Tim

499

00:24:27,710 --> 00:24:24,770

if the audience could hear our

500

00:24:29,780 --> 00:24:27,720

conversations in between the break we

501
00:24:31,400 --> 00:24:29,790
really we really should like some of

502
00:24:34,360 --> 00:24:31,410
these other programs you know charge

503
00:24:38,720 --> 00:24:34,370
charge a little extra money to listen to

504
00:24:40,430 --> 00:24:38,730
exploiting the bizarre after dark they

505
00:24:42,770 --> 00:24:40,440
want to charge you for an extra few

506
00:24:47,150 --> 00:24:42,780
minutes of conversation we'll give them

507
00:24:49,640 --> 00:24:47,160
the real stuff that's wrong but I want

508
00:24:50,299 --> 00:24:49,650
to hear about the blue reptilians and I

509
00:24:52,190 --> 00:24:50,309
want to hear it

510
00:24:54,770 --> 00:24:52,200
wonder what I want to tell you guys I

511
00:24:58,930 --> 00:24:54,780
want the people listening if he only

512
00:25:02,750 --> 00:25:00,740
trust me Natalie

513
00:25:04,520 --> 00:25:02,760

Julie Julie admonished I've been duly

514

00:25:09,049 --> 00:25:04,530

admonished Keelung it

515

00:25:11,000 --> 00:25:09,059

Len Len was a naughty boy I was well it

516

00:25:14,690 --> 00:25:11,010

might be um to be a nutty play on the

517

00:25:16,789 --> 00:25:14,700

show yeah that's nice okay what regret

518

00:25:18,980 --> 00:25:16,799

mister I'm mister Creepo so I tie right

519

00:25:20,150 --> 00:25:18,990

in with that you know Erica I don't know

520

00:25:23,630 --> 00:25:20,160

if you know that about me I've made

521

00:25:26,180 --> 00:25:23,640

low-budget horror movies for for many

522

00:25:29,330 --> 00:25:26,190

inch for many years and there mister

523

00:25:32,419 --> 00:25:29,340

Creepo banner what Oprah was so rad

524

00:25:35,990 --> 00:25:32,429

where that what's rad involved with you

525

00:25:37,460 --> 00:25:36,000

are in that effort red star yet yeah

526

00:25:43,130 --> 00:25:37,470

breast I was he involved with you with

527

00:25:45,860 --> 00:25:43,140

that no no he's he's a gentle Lascelles

528

00:25:47,840 --> 00:25:45,870

who well actually you know many many

529

00:25:50,930 --> 00:25:47,850

years ago I was just speaking to bread

530

00:25:53,659 --> 00:25:50,940

this evening actually yeah many years

531

00:25:55,220 --> 00:25:53,669

ago he did a couple of novels he's not

532

00:25:57,650 --> 00:25:55,230

known for writing novels but he has

533

00:26:01,130 --> 00:25:57,660

written a couple and we tried to turn

534

00:26:04,190 --> 00:26:01,140

them into a movies the the books are

535

00:26:06,320 --> 00:26:04,200

just absolutely fantastic I remember one

536

00:26:08,990 --> 00:26:06,330

is called the hypnotist

537

00:26:10,519 --> 00:26:09,000

and strike me dead I can't remember for

538

00:26:13,370 --> 00:26:10,529

the life of me what the other one is

539

00:26:18,620 --> 00:26:13,380

called and he is a great fiction writer

540

00:26:22,039 --> 00:26:18,630

as well as a a master of the writing

541

00:26:24,440 --> 00:26:22,049

about the paranormal probably the one of

542

00:26:27,080 --> 00:26:24,450

the top writers in the field and today

543

00:26:30,980 --> 00:26:27,090

he says that next to myself and it's

544

00:26:33,710 --> 00:26:30,990

referent of course yes but Erica do tell

545

00:26:36,380 --> 00:26:33,720

us do tell us Erica about how this all

546

00:26:38,930 --> 00:26:36,390

began for you how old were you when you

547

00:26:41,539 --> 00:26:38,940

learned about UFOs and reptilians and

548

00:26:46,009 --> 00:26:41,549

outer space and all this good stuff

549

00:26:48,019 --> 00:26:46,019

or bad stuff well thanks for having me

550

00:26:49,850 --> 00:26:48,029

on the show this is my favorite Network

551
00:26:54,259 --> 00:26:49,860
and I'm not just saying that because I'm

552
00:26:56,960 --> 00:26:54,269
on the shoe it's true actually you know

553
00:27:00,440 --> 00:26:56,970
in my book I say I was five years old

554
00:27:02,480 --> 00:27:00,450
but I sort of got sort of an awakening

555
00:27:04,850 --> 00:27:02,490
and a confirmation from my mother the

556
00:27:06,610 --> 00:27:04,860
other day when I said hold was I win and

557
00:27:09,110 --> 00:27:06,620
then I you know described a certain

558
00:27:10,759 --> 00:27:09,120
place I was living and everything and

559
00:27:14,000 --> 00:27:10,769
she said it was I was like two and a

560
00:27:17,389 --> 00:27:14,010
half years old so my first memories

561
00:27:22,789 --> 00:27:17,399
somewhere in the vicinity of three years

562
00:27:26,060 --> 00:27:22,799
of age maybe maybe five but obviously

563
00:27:28,789 --> 00:27:26,070

you know I was very young and I pretty

564

00:27:32,659 --> 00:27:28,799

much would just have visitations every

565

00:27:34,730 --> 00:27:32,669

night and usually I can talk for two

566

00:27:38,629 --> 00:27:34,740

hours on this so I mean this is the the

567

00:27:41,120 --> 00:27:38,639

most condensed but you know I didn't

568

00:27:43,549 --> 00:27:41,130

know what was happening I didn't

569

00:27:46,730 --> 00:27:43,559

understand it it's just you know it was

570

00:27:48,230 --> 00:27:46,740

sort of just going with the flow trying

571

00:27:50,240 --> 00:27:48,240

to understand and just telling my mom

572

00:27:53,509 --> 00:27:50,250

and I knew they would they were coming

573

00:27:57,560 --> 00:27:53,519

and all sorts of stuff which I actually

574

00:27:59,930 --> 00:27:57,570

have three different types of beings

575

00:28:03,620 --> 00:27:59,940

that I guess I've been coming in contact

576

00:28:06,289 --> 00:28:03,630

with and I believe that the ones that

577

00:28:10,159 --> 00:28:06,299

probably were coming when I was very

578

00:28:12,259 --> 00:28:10,169

young were for the most part probably

579

00:28:13,850 --> 00:28:12,269

what people call and I hate I hate using

580

00:28:17,149 --> 00:28:13,860

the terms but you know you have to try

581

00:28:19,850 --> 00:28:17,159

to describe it called the shorter greys

582

00:28:21,020 --> 00:28:19,860

or something but honestly I think

583

00:28:25,490 --> 00:28:21,030

you know they were all working together

584

00:28:27,830 --> 00:28:25,500

because and I'm you know I I'm certain

585

00:28:32,630 --> 00:28:27,840

of that as as I was a teenager and then

586

00:28:34,370 --> 00:28:32,640

I had my physical abduction and you know

587

00:28:39,140 --> 00:28:34,380

the whole time I want to say this

588

00:28:41,140 --> 00:28:39,150

because there has been times just I've

589

00:28:44,980 --> 00:28:41,150

seen it I've talked to people and they

590

00:28:46,549 --> 00:28:44,990

really a lot of people think that

591

00:28:48,610 --> 00:28:46,559

anybody that talks about

592

00:28:53,600 --> 00:28:48,620

extraterrestrials specifically

593

00:28:55,520 --> 00:28:53,610

experiencers were almost some people

594

00:28:58,820 --> 00:28:55,530

that were really into this their whole

595

00:29:01,610 --> 00:28:58,830

lives or something and I was not I was

596

00:29:06,620 --> 00:29:01,620

very sheltered as a child my mom was

597

00:29:09,110 --> 00:29:06,630

very sheltering and you know I didn't

598

00:29:13,190 --> 00:29:09,120

have any kind of experience even watch

599

00:29:15,200 --> 00:29:13,200

certain movies just everything and so a

600

00:29:16,490 --> 00:29:15,210

little ghost stories a couple of ghost

601
00:29:19,730 --> 00:29:16,500
stories here and there and that was the

602
00:29:21,440 --> 00:29:19,740
big deal you know so none of this was

603
00:29:25,820 --> 00:29:21,450
anything that I ever thought of I just

604
00:29:29,990 --> 00:29:25,830
sort of you know one day when I was you

605
00:29:31,430 --> 00:29:30,000
know 16 years old and boom you know it's

606
00:29:34,940 --> 00:29:31,440
sort of like everything sort of just

607
00:29:38,120 --> 00:29:34,950
settled in to my after I was 8 years old

608
00:29:39,950 --> 00:29:38,130
it just settled into the boring normal

609
00:29:42,890 --> 00:29:39,960
life if you want to call it I've just be

610
00:29:44,450 --> 00:29:42,900
growing up and you know making mistakes

611
00:29:50,780 --> 00:29:44,460
and doing all the things we always do as

612
00:29:54,260 --> 00:29:50,790
kids and then I just I had a to make a

613
00:29:57,680 --> 00:29:54,270

long story short a mass UFO sighting in

614

00:29:59,960 --> 00:29:57,690

town my father I lived in the prominent

615

00:30:01,669 --> 00:29:59,970

neighborhood I was living there my there

616

00:30:05,659 --> 00:30:01,679

was witnesses but I can't give anybody

617

00:30:08,390 --> 00:30:05,669

to come forward but the city mayor was

618

00:30:10,970 --> 00:30:08,400

the neighbor and my dad like best friend

619

00:30:12,740 --> 00:30:10,980

and and everybody in that like we lived

620

00:30:14,659 --> 00:30:12,750

on a circle block and it was you know

621

00:30:17,450 --> 00:30:14,669

prominent neighborhood there everybody

622

00:30:20,900 --> 00:30:17,460

saw it from a distance my sister and it

623

00:30:23,750 --> 00:30:20,910

was there's confirmation but I was I

624

00:30:26,750 --> 00:30:23,760

don't know how many miles away and I was

625

00:30:31,880 --> 00:30:26,760

directly under it and so it was a

626

00:30:32,889 --> 00:30:31,890

multiple witness abduction and you know

627

00:30:34,659 --> 00:30:32,899

it's this

628

00:30:38,019 --> 00:30:34,669

crazy you know how do you ever prove

629

00:30:40,690 --> 00:30:38,029

anything when you can't you know there

630

00:30:44,049 --> 00:30:40,700

was no set this was a nineteen I was

631

00:30:46,529 --> 00:30:44,059

born in 1969 so around this in nineteen

632

00:30:49,329 --> 00:30:46,539

seventy seventy two is when the

633

00:30:54,579 --> 00:30:49,339

visitation started but everything kind

634

00:30:57,129 --> 00:30:54,589

of halted and then in 1985 1986 you know

635

00:30:59,799 --> 00:30:57,139

that that that major event happened and

636

00:31:01,389 --> 00:30:59,809

so of course there was no cellphones you

637

00:31:05,889 --> 00:31:01,399

know people didn't just carry hammers

638

00:31:08,589 --> 00:31:05,899

for no reason and I was absolutely I did

639

00:31:12,430 --> 00:31:08,599

not think of the paranormal whatsoever I

640

00:31:14,859 --> 00:31:12,440

was a teenage girl and you know kind of

641

00:31:17,259 --> 00:31:14,869

boy crazy in other words I didn't care

642

00:31:19,749 --> 00:31:17,269

about anything else right so you know

643

00:31:24,180 --> 00:31:19,759

that's the farthest thing from my mind

644

00:31:28,389 --> 00:31:24,190

but I mean it was interesting because um

645

00:31:30,279 --> 00:31:28,399

you know you don't I mean it's almost

646

00:31:32,109 --> 00:31:30,289

like one day you just wake up and smell

647

00:31:33,759 --> 00:31:32,119

the coffee you know just have something

648

00:31:37,450 --> 00:31:33,769

that happens and changes your entire

649

00:31:39,249 --> 00:31:37,460

life now I say the experiences are we

650

00:31:42,039 --> 00:31:39,259

should actually change the word

651
00:31:44,589 --> 00:31:42,049
experiencers contact you anybody wants

652
00:31:49,359 --> 00:31:44,599
to call it and say witnesses because

653
00:31:51,159 --> 00:31:49,369
when you have a a serious thing happen

654
00:31:53,680 --> 00:31:51,169
like this and I mean a physical

655
00:31:56,469 --> 00:31:53,690
abduction I can't say for other people

656
00:31:59,349 --> 00:31:56,479
who have astrolabe you know visits and

657
00:32:01,709 --> 00:31:59,359
things but a simple answer your Erika

658
00:32:03,909 --> 00:32:01,719
you said you say physical abduction

659
00:32:05,769 --> 00:32:03,919
where were you taking up I mean were you

660
00:32:07,930 --> 00:32:05,779
each in your house you flowed out the

661
00:32:10,149 --> 00:32:07,940
window were you and your car stopped in

662
00:32:13,659 --> 00:32:10,159
the highway or or or how did it all come

663
00:32:17,109 --> 00:32:13,669

about yeah my friends and I were we were

664

00:32:18,940 --> 00:32:17,119

driving I was in the backseat and you

665

00:32:21,549 --> 00:32:18,950

know do not saying and we were listening

666

00:32:23,409 --> 00:32:21,559

to music and we were you know all of us

667

00:32:26,889 --> 00:32:23,419

girls we were enjoying ourselves sing

668

00:32:29,229 --> 00:32:26,899

into the music I look over and again I'm

669

00:32:31,869 --> 00:32:29,239

condensing this but I look over and um I

670

00:32:34,719 --> 00:32:31,879

think Madonna was playing I'm talking

671

00:32:36,279 --> 00:32:34,729

I'm back in the eighties and mine would

672

00:32:38,200 --> 00:32:36,289

have been Chuck Berry or something

673

00:32:40,779 --> 00:32:38,210

that's there this was in the Midwest too

674

00:32:43,239 --> 00:32:40,789

so you know I wasn't even noticing where

675

00:32:45,879 --> 00:32:43,249

we are at at the time but we were in the

676
00:32:46,390 --> 00:32:45,889
backroads and God knows we're in small

677
00:32:50,590 --> 00:32:46,400
town

678
00:32:56,350 --> 00:32:50,600
you know Iowa backroads and it was the

679
00:32:59,920 --> 00:32:56,360
late summer and it was probably around 7

680
00:33:01,480 --> 00:32:59,930
o'clock and I remember you could still

681
00:33:03,340 --> 00:33:01,490
see all the colors you know of

682
00:33:05,350 --> 00:33:03,350
everything but the Sun was just kind of

683
00:33:06,400 --> 00:33:05,360
had that moment where it was ok it's

684
00:33:09,400 --> 00:33:06,410
going to start studying and everything

685
00:33:11,860 --> 00:33:09,410
and I kept thinking you know while I'm

686
00:33:13,900 --> 00:33:11,870
singing well that's kind of weird you

687
00:33:15,940 --> 00:33:13,910
know like an airplane I've never noticed

688
00:33:18,549 --> 00:33:15,950

an airplane you know my mom's trying to

689

00:33:22,299 --> 00:33:18,559

make sense of it quickly airplane is

690

00:33:24,250 --> 00:33:22,309

keeping pace with a car but only really

691

00:33:26,650 --> 00:33:24,260

far off in the distance but yet I

692

00:33:28,270 --> 00:33:26,660

thought that was you know my brains go

693

00:33:31,210 --> 00:33:28,280

on catches we are now about ready to say

694

00:33:33,580 --> 00:33:31,220

something to my friend that we're like I

695

00:33:35,860 --> 00:33:33,590

just knew something was off but I didn't

696

00:33:38,230 --> 00:33:35,870

because all of a sudden uh the radio

697

00:33:40,330 --> 00:33:38,240

just started going staticky and that's

698

00:33:42,400 --> 00:33:40,340

what we were listening to and and we

699

00:33:44,380 --> 00:33:42,410

were all like oh man you know it's ruin

700

00:33:47,260 --> 00:33:44,390

a song you know and the next thing you

701
00:33:52,600 --> 00:33:47,270
know the car just putt putt putt and it

702
00:33:55,060 --> 00:33:52,610
stalls and we're just like what so we

703
00:33:58,000 --> 00:33:55,070
just look and we're like oh my god where

704
00:34:01,090 --> 00:33:58,010
are we and like what entraps I'm going

705
00:34:03,880 --> 00:34:01,100
to do so I'm sweeping you know around

706
00:34:06,960 --> 00:34:03,890
the location and I see you know typical

707
00:34:11,470 --> 00:34:06,970
Iowa is like to the left and ahead is

708
00:34:15,580 --> 00:34:11,480
cornfield and that's how I also know the

709
00:34:17,350 --> 00:34:15,590
time that it was as far as the season

710
00:34:19,780 --> 00:34:17,360
and and all that the month because you

711
00:34:23,590 --> 00:34:19,790
know nehi was it was there a ship that

712
00:34:26,560 --> 00:34:23,600
was visible yeah so basically I'm off in

713
00:34:28,659 --> 00:34:26,570

the distance I'm glad you're helping me

714

00:34:30,460 --> 00:34:28,669

keep going because I I want to tell

715

00:34:32,290 --> 00:34:30,470

people that even right now and this

716

00:34:34,149 --> 00:34:32,300

happens all the time when I start

717

00:34:36,700 --> 00:34:34,159

talking about it I start getting into

718

00:34:38,619 --> 00:34:36,710

that I want to say post-traumatic stress

719

00:34:40,840 --> 00:34:38,629

but there's something that takes over in

720

00:34:43,780 --> 00:34:40,850

and it feels like it's happening again

721

00:34:46,510 --> 00:34:43,790

you know it's it's you never you just

722

00:34:49,659 --> 00:34:46,520

can't get away from that it becomes

723

00:34:54,310 --> 00:34:49,669

again but yes there was a craft hovering

724

00:34:59,080 --> 00:34:54,320

above the tree line and instant instant

725

00:35:00,250 --> 00:34:59,090

feeling of this I want to say panic

726

00:35:02,140 --> 00:35:00,260

it was there's

727

00:35:04,300 --> 00:35:02,150

adding in the word I wish you know there

728

00:35:07,480 --> 00:35:04,310

was that was an easy way to say it it

729

00:35:09,370 --> 00:35:07,490

was so much something of we just knew

730

00:35:12,600 --> 00:35:09,380

they were watching us it was probably

731

00:35:16,390 --> 00:35:12,610

and I went out described the ship as

732

00:35:19,720 --> 00:35:16,400

like a as the size of a house

733

00:35:22,450 --> 00:35:19,730

just that your average two-story kind of

734

00:35:24,520 --> 00:35:22,460

you know and it was it was about five

735

00:35:28,990 --> 00:35:24,530

hundred no more no more than five

736

00:35:31,090 --> 00:35:29,000

hundred feet away so and anyway and you

737

00:35:33,580 --> 00:35:31,100

went on board yes

738

00:35:38,100 --> 00:35:33,590

um and how did you get there did you

739

00:35:40,390 --> 00:35:38,110

well okay carry out the chase on that oh

740

00:35:44,680 --> 00:35:40,400

there was something there was some kind

741

00:35:47,140 --> 00:35:44,690

of feeling in the air and I felt like we

742

00:35:49,240 --> 00:35:47,150

were going to it was also hypnotizing

743

00:35:52,930 --> 00:35:49,250

kind of feeling I'm trying to condense

744

00:35:57,700 --> 00:35:52,940

it and I basically felt compelled to get

745

00:35:59,530 --> 00:35:57,710

out of the car and I did and I walked

746

00:36:02,140 --> 00:35:59,540

did you did you get out by yourself or

747

00:36:04,420 --> 00:36:02,150

did your friends go with you my friends

748

00:36:07,600 --> 00:36:04,430

did not want me to get out but at the

749

00:36:09,400 --> 00:36:07,610

same time that's when I don't I lost I

750

00:36:11,140 --> 00:36:09,410

want to say I don't care about that that

751
00:36:14,980 --> 00:36:11,150
was really that's really rude but at the

752
00:36:17,530 --> 00:36:14,990
time there's no you don't care you it's

753
00:36:22,030 --> 00:36:17,540
you're going on automatic and and it

754
00:36:25,150 --> 00:36:22,040
overtakes you so I did not I know they

755
00:36:27,610 --> 00:36:25,160
were on board at one point but I just

756
00:36:30,940 --> 00:36:27,620
remember being alone at this point like

757
00:36:33,610 --> 00:36:30,950
I want basically went first and I went

758
00:36:36,880 --> 00:36:33,620
underneath it and it was above this the

759
00:36:40,780 --> 00:36:36,890
tall trees so I don't know how you know

760
00:36:45,040 --> 00:36:40,790
tall a very tall tree is but I remember

761
00:36:46,960 --> 00:36:45,050
like looking up and I was just so

762
00:36:48,610 --> 00:36:46,970
worried that it was going to fall on me

763
00:36:51,430 --> 00:36:48,620

honestly because I mean the whole thing

764

00:36:53,110 --> 00:36:51,440

is just the amount of ring it was

765

00:36:54,850 --> 00:36:53,120

hovering there or was it resting on some

766

00:36:58,090 --> 00:36:54,860

she was hovering it was hovering

767

00:37:00,340 --> 00:36:58,100

silently it was streamlined ahead

768

00:37:02,950 --> 00:37:00,350

oh if anybody wants to go to my facebook

769

00:37:05,800 --> 00:37:02,960

page you can see the illustrations that

770

00:37:09,580 --> 00:37:05,810

I did my best to do I'm not a great

771

00:37:13,960 --> 00:37:09,590

artist but that's at facebook.com slash

772

00:37:15,430 --> 00:37:13,970

Erica catch er IC AG o e TS CH and I

773

00:37:19,240 --> 00:37:15,440

at public so anybody can just see that

774

00:37:22,000 --> 00:37:19,250

album but multicolored lights and it was

775

00:37:24,400 --> 00:37:22,010

rotating counterclockwise and the lights

776

00:37:28,150 --> 00:37:24,410

were doing a little sequence dance and

777

00:37:30,520 --> 00:37:28,160

that kind of made this you know

778

00:37:32,400 --> 00:37:30,530

everybody have this weird feeling and

779

00:37:36,250 --> 00:37:32,410

maybe hypnotizing if you want to call it

780

00:37:40,240 --> 00:37:36,260

so anyways yeah there was a whole bunch

781

00:37:42,910 --> 00:37:40,250

of this white almost a fog dense fog

782

00:37:44,500 --> 00:37:42,920

thing that was happening I don't know

783

00:37:48,280 --> 00:37:44,510

how to explain other than that it was

784

00:37:52,150 --> 00:37:48,290

just it was white and I don't know like

785

00:37:56,170 --> 00:37:52,160

okay so okay so let's get let's get on

786

00:37:58,900 --> 00:37:56,180

board the the the ship you're in in

787

00:38:01,900 --> 00:37:58,910

inside the craft and there are people

788

00:38:05,740 --> 00:38:01,910

there or there are beings there there

789

00:38:10,300 --> 00:38:05,750

are little tiny beings and they they

790

00:38:11,859 --> 00:38:10,310

look similar to those small greys they

791

00:38:14,950 --> 00:38:11,869

were probably about three foot tall and

792

00:38:18,070 --> 00:38:14,960

but the funny thing is is they did not

793

00:38:21,880 --> 00:38:18,080

look like what we see on the Internet

794

00:38:24,490 --> 00:38:21,890

now the eyes were not huge like that

795

00:38:27,430 --> 00:38:24,500

they were small but yet the beams moved

796

00:38:29,170 --> 00:38:27,440

really fast that was one thing that just

797

00:38:31,030 --> 00:38:29,180

oh my god I mean I don't know if I was

798

00:38:33,940 --> 00:38:31,040

in a time warp kind of thing you know I

799

00:38:37,900 --> 00:38:33,950

was sick I was sick from being you know

800

00:38:41,800 --> 00:38:37,910

whatever you know up there I had a

801
00:38:44,650 --> 00:38:41,810
sickness about me it like and so I'm not

802
00:38:47,620 --> 00:38:44,660
sure if I was completely you know fully

803
00:38:49,870 --> 00:38:47,630
coherent about what I saw when they

804
00:38:51,490 --> 00:38:49,880
moved quit they moved lightning fast and

805
00:38:53,349 --> 00:38:51,500
it was hard to get a really good fix on

806
00:38:55,210 --> 00:38:53,359
but when I did I could tell that they

807
00:38:57,780 --> 00:38:55,220
just kind of look like children but yet

808
00:39:00,250 --> 00:38:57,790
not not really

809
00:39:03,040 --> 00:39:00,260
so you didn't you didn't get the feeling

810
00:39:05,530 --> 00:39:03,050
that they were Holograms or something a

811
00:39:07,720 --> 00:39:05,540
lot of it to you they were physical

812
00:39:10,990 --> 00:39:07,730
beings I mean they like to know they

813
00:39:12,670 --> 00:39:11,000

were happily totally physical yeah and

814

00:39:16,599 --> 00:39:12,680

in fact did you touch that did you touch

815

00:39:20,579 --> 00:39:16,609

them at any time or well they touched me

816

00:39:24,130 --> 00:39:20,589

but what what I noticed right away is

817

00:39:27,859 --> 00:39:24,140

say it's just like I knew and that's the

818

00:39:30,140 --> 00:39:27,869

thing communication wise I just knew

819

00:39:34,160 --> 00:39:30,150

that they wanted me to get on the table

820

00:39:35,509 --> 00:39:34,170

just like table thing and I don't know

821

00:39:39,739 --> 00:39:35,519

how I knew I just knew it

822

00:39:40,279 --> 00:39:39,749

and I basically didn't really have any

823

00:39:42,890 --> 00:39:40,289

other choice

824

00:39:44,900 --> 00:39:42,900

you know I couldn't leave it was one of

825

00:39:50,059 --> 00:39:44,910

those you know just do it I don't know

826

00:39:52,579 --> 00:39:50,069

and so they you know kind of strap me in

827

00:39:55,249 --> 00:39:52,589

you know and so I mean they had to

828

00:39:58,789 --> 00:39:55,259

physically you know touch me I don't

829

00:40:01,819 --> 00:39:58,799

exactly remember not even holding hands

830

00:40:06,259 --> 00:40:01,829

or anything so but yeah it was physical

831

00:40:11,140 --> 00:40:06,269

and and so all of a sudden somewhere

832

00:40:15,440 --> 00:40:11,150

along the line they just disappeared and

833

00:40:19,759 --> 00:40:15,450

left me in this weird situation where I

834

00:40:21,470 --> 00:40:19,769

was actually scared and I'll be honest I

835

00:40:23,989 --> 00:40:21,480

was hoping they'd come back because I

836

00:40:26,210 --> 00:40:23,999

was fearing I knew something was going

837

00:40:28,999 --> 00:40:26,220

to happen that was bad like to me now

838

00:40:31,670 --> 00:40:29,009

when I say my experience is good or most

839

00:40:35,239 --> 00:40:31,680

positive that doesn't mean that things

840

00:40:38,569 --> 00:40:35,249

don't you know frighten people right I

841

00:40:41,839 --> 00:40:38,579

mean in hindsight and we have to absorb

842

00:40:47,319 --> 00:40:41,849

our experience and try to understand it

843

00:40:50,479 --> 00:40:47,329

but that's when the blue reptilian or

844

00:40:52,849 --> 00:40:50,489

reptilian flash hybrid however anything

845

00:40:55,069 --> 00:40:52,859

it still has reptilian in there that's

846

00:40:59,660 --> 00:40:55,079

when they came in and it was two of them

847

00:41:02,210 --> 00:40:59,670

and basically they were pretty much for

848

00:41:04,609 --> 00:41:02,220

the most part a cobalt blue I guess it

849

00:41:09,049 --> 00:41:04,619

that's a good way to describe kind of

850

00:41:11,059 --> 00:41:09,059

light cobalt blue and I know you can ask

851
00:41:15,289 --> 00:41:11,069
me about the scales because and the

852
00:41:19,759 --> 00:41:15,299
thing is I want to say they did not have

853
00:41:22,329 --> 00:41:19,769
the kind of scale okay the reason that I

854
00:41:26,029 --> 00:41:22,339
say reptilian them I've gotten a lot of

855
00:41:27,799 --> 00:41:26,039
quote-unquote experts to give me the

856
00:41:31,460 --> 00:41:27,809
feedback on this and this is how I come

857
00:41:34,279 --> 00:41:31,470
to the reptilian conclusion their irises

858
00:41:37,460 --> 00:41:34,289
or pupil but I don't know which one they

859
00:41:41,089 --> 00:41:37,470
were elongated and so there was some

860
00:41:41,780 --> 00:41:41,099
features like that that sort of just

861
00:41:46,490 --> 00:41:41,790
kind of

862
00:41:49,210 --> 00:41:46,500
give way to reptilian features but the

863
00:41:52,010 --> 00:41:49,220

scales we're not the kind of skills that

864

00:41:55,660 --> 00:41:52,020

people talk about all the time sort of

865

00:41:58,970 --> 00:41:55,670

like a snake skin or something or

866

00:42:03,220 --> 00:41:58,980

alligator it was it was as though I want

867

00:42:06,380 --> 00:42:03,230

to say underneath the surface of their

868

00:42:09,410 --> 00:42:06,390

meat suit I think you know enemy

869

00:42:14,060 --> 00:42:09,420

whatever the skin that was covering you

870

00:42:17,300 --> 00:42:14,070

could see a texture almost like if you

871

00:42:22,810 --> 00:42:17,310

had something and then like you had your

872

00:42:25,130 --> 00:42:22,820

arm underneath and then put a latex or a

873

00:42:26,870 --> 00:42:25,140

balloon that stretched over it so you

874

00:42:29,930 --> 00:42:26,880

could still see what was under there but

875

00:42:32,380 --> 00:42:29,940

yet there was some covering so note was

876

00:42:36,920 --> 00:42:32,390

this blue colored their skin

877

00:42:39,440 --> 00:42:36,930

yes it was yes I made a joke and said

878

00:42:41,390 --> 00:42:39,450

meet suit because I don't I don't know

879

00:42:45,500 --> 00:42:41,400

what that you know what I mean I'm

880

00:42:49,490 --> 00:42:45,510

assuming we could call it skin and it

881

00:42:54,350 --> 00:42:49,500

would just how about hard huh

882

00:42:57,200 --> 00:42:54,360

I'd hi-yah yeah I mean it just but see

883

00:43:03,530 --> 00:42:57,210

the thing is it had a oily texture to it

884

00:43:07,450 --> 00:43:03,540

so the audience do I mean okay now you

885

00:43:10,420 --> 00:43:07,460

you say you classify them as reptilians

886

00:43:13,580 --> 00:43:10,430

why would you do that I mean and how

887

00:43:15,500 --> 00:43:13,590

have you ever like handled real

888

00:43:18,620 --> 00:43:15,510

reptilians I mean in notice any

889

00:43:21,080 --> 00:43:18,630

similarity or well I have talked to a

890

00:43:25,040 --> 00:43:21,090

lot of I mean through the course of you

891

00:43:29,330 --> 00:43:25,050

know the last six years I've talked to a

892

00:43:31,790 --> 00:43:29,340

lot of reptilian contactees and some

893

00:43:37,640 --> 00:43:31,800

experts and who just got you know

894

00:43:42,400 --> 00:43:37,650

testimony and everything and it's more

895

00:43:46,730 --> 00:43:42,410

than likely that it's a hybrid reptilian

896

00:43:50,150 --> 00:43:46,740

maybe reptilian human and once I saw my

897

00:43:52,310 --> 00:43:50,160

hybrid later I realized that that's you

898

00:43:55,130 --> 00:43:52,320

know that there's a good chance that it

899

00:43:57,710 --> 00:43:55,140

is because of you know

900

00:44:00,229 --> 00:43:57,720

what did they did they talk to you well

901
00:44:02,569 --> 00:44:00,239
while I had you there well and that's

902
00:44:04,279 --> 00:44:02,579
the thing um there was communication and

903
00:44:07,880 --> 00:44:04,289
I don't call it talking because

904
00:44:10,549 --> 00:44:07,890
obviously there's no the mouth features

905
00:44:14,089 --> 00:44:10,559
don't open up you just know it you just

906
00:44:18,499 --> 00:44:14,099
like you just its impressions it's um

907
00:44:22,880 --> 00:44:18,509
they impress upon you and you know

908
00:44:25,249 --> 00:44:22,890
instantly what what it is so it's almost

909
00:44:28,910 --> 00:44:25,259
it's actually I mean it's just the same

910
00:44:33,380 --> 00:44:28,920
as having words used only there isn't an

911
00:44:35,359 --> 00:44:33,390
actual word as much as it's the word as

912
00:44:37,609 --> 00:44:35,369
soon as you read the word say love boom

913
00:44:39,109 --> 00:44:37,619

you know what love is you know what I

914

00:44:43,039 --> 00:44:39,119

mean like all that it's sort of just

915

00:44:45,440 --> 00:44:43,049

knowing and the whole thing so I was

916

00:44:48,970 --> 00:44:45,450

scared I was really scared because it

917

00:44:53,180 --> 00:44:48,980

just there was confusion and things and

918

00:44:56,839 --> 00:44:53,190

they basically you know calm me down by

919

00:44:59,630 --> 00:44:56,849

touching my forehead and it just kind of

920

00:45:00,829 --> 00:44:59,640

calming euphoria came over me and there

921

00:45:03,620 --> 00:45:00,839

was a lot of things like they were doing

922

00:45:05,299 --> 00:45:03,630

something to fix me and and I mean I say

923

00:45:08,150 --> 00:45:05,309

6b and I didn't know there was anything

924

00:45:12,339 --> 00:45:08,160

wrong but they were taking care of me

925

00:45:16,940 --> 00:45:12,349

like a family like a mother to a child I

926

00:45:22,549 --> 00:45:16,950

started to get this feeling of this this

927

00:45:24,349 --> 00:45:22,559

caring feeling and you know who said

928

00:45:27,289 --> 00:45:24,359

that as a beginning of the show

929

00:45:30,109 --> 00:45:27,299

somebody said or maybe they just were

930

00:45:33,440 --> 00:45:30,119

treating her nice which actually makes

931

00:45:35,450 --> 00:45:33,450

good sense I mean maybe um you know they

932

00:45:38,089 --> 00:45:35,460

were being nice to me specifically

933

00:45:40,759 --> 00:45:38,099

because they I found out later that this

934

00:45:44,089 --> 00:45:40,769

was not my first time on so I had been

935

00:45:46,640 --> 00:45:44,099

because I am part of the hybrid you know

936

00:45:50,749 --> 00:45:46,650

program and so I had been on there

937

00:45:54,979 --> 00:45:50,759

before so I mean what is what is the

938

00:45:58,759 --> 00:45:54,989

hybrid program well at one point went to

939

00:46:02,569 --> 00:45:58,769

see my hybrid which I found out she you

940

00:46:05,720 --> 00:46:02,579

know she was female I sensed it I didn't

941

00:46:08,690 --> 00:46:05,730

know she was mine and it see what

942

00:46:11,120 --> 00:46:08,700

happens is you get kind

943

00:46:13,790 --> 00:46:11,130

of an amnesia thing for a while like you

944

00:46:15,260 --> 00:46:13,800

sort of get disorientated and then it

945

00:46:18,290 --> 00:46:15,270

takes you a little bit of time and then

946

00:46:20,930 --> 00:46:18,300

then when you start to connect the dots

947

00:46:24,500 --> 00:46:20,940

and things just get then they come they

948

00:46:26,690 --> 00:46:24,510

tell you well impress upon you that

949

00:46:29,390 --> 00:46:26,700

you've been well for me that I've been

950

00:46:31,640 --> 00:46:29,400

working with them my whole life and I

951
00:46:35,329 --> 00:46:31,650
you know I takes me a while to sort of

952
00:46:37,670 --> 00:46:35,339
connect connect back to what what

953
00:46:40,460 --> 00:46:37,680
happens you know can you call can you

954
00:46:42,440 --> 00:46:40,470
call them down I mean did are do they

955
00:46:45,410 --> 00:46:42,450
know that you're on the show for example

956
00:46:46,460 --> 00:46:45,420
tonight well they're always and all we

957
00:46:49,970 --> 00:46:46,470
have to take a break in a minute

958
00:46:51,950 --> 00:46:49,980
they're always monitoring I believe that

959
00:46:53,690 --> 00:46:51,960
all extraterrestrials are all whatever

960
00:46:59,450 --> 00:46:53,700
you want to call entities are monitoring

961
00:47:01,040 --> 00:46:59,460
their pets their subjects their family I

962
00:47:03,050 --> 00:47:01,050
don't know what they you know people

963
00:47:06,490 --> 00:47:03,060

want to call so yes I'm sure that

964

00:47:10,010 --> 00:47:06,500

there's a good chance that they could be

965

00:47:12,920 --> 00:47:10,020

aware of this well they're welcome to

966

00:47:16,849 --> 00:47:12,930

they're welcome to call in well I've

967

00:47:20,270 --> 00:47:16,859

actually uh I have actually gotten some

968

00:47:23,450 --> 00:47:20,280

responses when I do call out to them and

969

00:47:25,339 --> 00:47:23,460

I mean I can't I will not say there's a

970

00:47:27,020 --> 00:47:25,349

good friend of mine who actually was

971

00:47:28,069 --> 00:47:27,030

witnessed to it and this person I won't

972

00:47:30,170 --> 00:47:28,079

say the name because I don't have

973

00:47:34,069 --> 00:47:30,180

permission I don't like to do that but

974

00:47:37,700 --> 00:47:34,079

it is a person that is a very very very

975

00:47:41,420 --> 00:47:37,710

well-known ancient aliens person bla bla

976
00:47:45,800 --> 00:47:41,430
bla right very well-known author friends

977
00:47:48,650 --> 00:47:45,810
and all that and I actually had a this

978
00:47:52,970 --> 00:47:48,660
person's actually aware of several times

979
00:47:54,530 --> 00:47:52,980
that all right well Erica will continue

980
00:47:56,329 --> 00:47:54,540
this when we come back from our break

981
00:47:57,360 --> 00:47:56,339
we're going to find out about the

982
00:48:08,680 --> 00:47:57,370
Illuminati

983
00:48:17,120 --> 00:48:13,700
explore the bazaar your e-ticket ride is

984
00:48:19,509 --> 00:48:17,130
the world of a paranoid strap yourself

985
00:48:24,410 --> 00:48:19,519
even as we traverse the universe

986
00:48:26,349 --> 00:48:24,420
exploring the unexplained UFO no still

987
00:48:28,730 --> 00:48:26,359
lost world

988
00:48:32,569 --> 00:48:28,740

cryptozoology as well as other

989

00:48:37,579 --> 00:48:32,579

dimensions it's time to take back the

990

00:48:40,670 --> 00:48:37,589

NASA knife now your electrifying hosts

991

00:48:47,500 --> 00:48:40,680

of exploring the bizarre Timothy Begley

992

00:48:53,059 --> 00:48:47,510

and King Swartz all right welcome back

993

00:49:00,049 --> 00:48:53,069

sorry hat from control for just a minute

994

00:49:01,819 --> 00:49:00,059

I saw a hurricane I could well here we

995

00:49:03,410 --> 00:49:01,829

are back to him in the second hour of

996

00:49:05,059 --> 00:49:03,420

exploring the bizarre and

997

00:49:07,519 --> 00:49:05,069

you know we want to bring Len back to

998

00:49:09,349 --> 00:49:07,529

the conversation but Erika during her

999

00:49:13,099 --> 00:49:09,359

break there was something that you

1000

00:49:14,690 --> 00:49:13,109

wanted to say but you wonder wait till

1001
00:49:15,950 --> 00:49:14,700
he got back onto the air so once you go

1002
00:49:17,809 --> 00:49:15,960
ahead and say that and then we'll bring

1003
00:49:20,240 --> 00:49:17,819
lad back in - okay yeah thank you I

1004
00:49:23,089 --> 00:49:20,250
appreciate it um because you know it's

1005
00:49:25,609 --> 00:49:23,099
it's like I forget about this and it's

1006
00:49:27,650 --> 00:49:25,619
very important because it's I mean

1007
00:49:30,859 --> 00:49:27,660
everything not only still mystery but

1008
00:49:34,009 --> 00:49:30,869
when I mention it when I was basically

1009
00:49:39,069 --> 00:49:34,019
in what I consider that the abduction /

1010
00:49:43,970 --> 00:49:39,079
intake room when having an exam room it

1011
00:49:47,120 --> 00:49:43,980
was really strange because the the Blues

1012
00:49:51,259 --> 00:49:47,130
as I call them they were around but

1013
00:49:52,730 --> 00:49:51,269

during the course of their exam and

1014

00:50:00,710 --> 00:49:52,740

they're these things that was happening

1015

00:50:04,789 --> 00:50:00,720

to me I could see this holographic kind

1016

00:50:09,099 --> 00:50:04,799

of image of a very very tall and maybe

1017

00:50:14,720 --> 00:50:09,109

even a 15-foot tall you know like I

1018

00:50:16,519 --> 00:50:14,730

believe what looked like a tall gray and

1019

00:50:18,980 --> 00:50:16,529

it only lasted for a few seconds and

1020

00:50:22,070 --> 00:50:18,990

then it would sort of go away and then

1021

00:50:24,920 --> 00:50:22,080

come back moments or min

1022

00:50:26,600 --> 00:50:24,930

it's later during the course of this so

1023

00:50:31,610 --> 00:50:26,610

I found that really interesting because

1024

00:50:34,550 --> 00:50:31,620

I don't know that the Blues ever I don't

1025

00:50:36,940 --> 00:50:34,560

I believe and in my intuition and

1026
00:50:39,980 --> 00:50:36,950
everything else the way that I observed

1027
00:50:43,700 --> 00:50:39,990
obviously the the very tall holographic

1028
00:50:48,440 --> 00:50:43,710
was was monitoring overseeing maybe even

1029
00:50:51,020 --> 00:50:48,450
supervising but the Blues were did not

1030
00:50:54,560 --> 00:50:51,030
seem like they were aware of the tall

1031
00:50:57,440 --> 00:50:54,570
right so I don't know what kind of you

1032
00:50:59,780 --> 00:50:57,450
know relationship if there was and I

1033
00:51:02,210 --> 00:50:59,790
don't know if if I'm also being

1034
00:51:03,920 --> 00:51:02,220
monitored or have any kind of contact

1035
00:51:05,780 --> 00:51:03,930
with the tall or if they're all working

1036
00:51:08,240 --> 00:51:05,790
together in other words you know and

1037
00:51:10,550 --> 00:51:08,250
this all sounds crazy doesn't it no hey

1038
00:51:12,530 --> 00:51:10,560

you're right where Erica where are you

1039

00:51:17,210 --> 00:51:12,540

talking it to us from where would you

1040

00:51:20,030 --> 00:51:17,220

reside um I'm in higher one Iowa my

1041

00:51:23,510 --> 00:51:20,040

friend Diane Tesman lizard and are you

1042

00:51:25,760 --> 00:51:23,520

familiar with the Tom dango at all do

1043

00:51:28,340 --> 00:51:25,770

you know who he is he's out there in in

1044

00:51:33,560 --> 00:51:28,350

Sedona we've had him on the program a

1045

00:51:35,360 --> 00:51:33,570

few times he has a photograph uh I don't

1046

00:51:39,470 --> 00:51:35,370

know how we did well he calls it the

1047

00:51:42,680 --> 00:51:39,480

blue man now when the photograph was

1048

00:51:44,660 --> 00:51:42,690

taken there was nobody nobody could see

1049

00:51:47,180 --> 00:51:44,670

this person it but you know he was like

1050

00:51:49,610 --> 00:51:47,190

invisible if he was actually there but

1051
00:51:51,830 --> 00:51:49,620
when the photograph was developed lo and

1052
00:51:56,320 --> 00:51:51,840
behold here is somebody very very kind

1053
00:51:58,820 --> 00:51:56,330
of strange-looking with blue tinted skin

1054
00:52:02,330 --> 00:51:58,830
and apparently quite a few people around

1055
00:52:04,760 --> 00:52:02,340
the Sedona area had either taken

1056
00:52:09,290 --> 00:52:04,770
photographs or had some sort of contact

1057
00:52:11,830 --> 00:52:09,300
with this sort of individual have you

1058
00:52:14,900 --> 00:52:11,840
communicated with other other

1059
00:52:18,460 --> 00:52:14,910
experiencers who have had the same type

1060
00:52:22,220 --> 00:52:18,470
of experiences maybe the same group you

1061
00:52:30,620 --> 00:52:22,230
know it's funny because mine seems to be

1062
00:52:33,050 --> 00:52:30,630
such a isolated or unique kind of group

1063
00:52:35,960 --> 00:52:33,060

really I don't know anybody that's

1064

00:52:38,089 --> 00:52:35,970

really I wish I wish I've been

1065

00:52:40,520 --> 00:52:38,099

do I want to find somebody that would

1066

00:52:43,160 --> 00:52:40,530

you know be able to say that they have

1067

00:52:46,040 --> 00:52:43,170

but I want to mention also that I did

1068

00:52:49,180 --> 00:52:46,050

see some human looking and I don't know

1069

00:52:51,560 --> 00:52:49,190

how human but the human looking

1070

00:52:54,560 --> 00:52:51,570

individuals if you want to call them at

1071

00:52:56,960 --> 00:52:54,570

one point on the mothership I guess we

1072

00:52:59,810 --> 00:52:56,970

call it mothership when we you know when

1073

00:53:01,820 --> 00:52:59,820

I was I was actually walking taking a

1074

00:53:04,910 --> 00:53:01,830

walk and that's when I went to see my

1075

00:53:09,620 --> 00:53:04,920

hybrid so you know there's a lot of a

1076

00:53:11,510 --> 00:53:09,630

lot of people involved and and I'm all

1077

00:53:14,660 --> 00:53:11,520

about dependent Betty and Barney Hill

1078

00:53:17,089 --> 00:53:14,670

abduction same idea they had some humans

1079

00:53:19,700 --> 00:53:17,099

in that experience as well well soon as

1080

00:53:21,830 --> 00:53:19,710

I don't look down land and and saw

1081

00:53:24,950 --> 00:53:21,840

because I looked I had an overhang as

1082

00:53:28,310 --> 00:53:24,960

soon as I saw that there was human of

1083

00:53:30,230 --> 00:53:28,320

sorts there was like this courtyard that

1084

00:53:32,300 --> 00:53:30,240

was really far down and I could see a

1085

00:53:34,760 --> 00:53:32,310

bunch of different you know beings

1086

00:53:36,740 --> 00:53:34,770

I call them beings but and then I was

1087

00:53:38,930 --> 00:53:36,750

shocked when I saw human or what I

1088

00:53:41,900 --> 00:53:38,940

thought to be human and as soon as I did

1089

00:53:43,579 --> 00:53:41,910

it's of course the the Blues absolutely

1090

00:53:46,099 --> 00:53:43,589

must have known you know telepathically

1091

00:53:48,530 --> 00:53:46,109

I assume and they and they heard me

1092

00:53:49,970 --> 00:53:48,540

along like I mean they just knew I mean

1093

00:53:55,990 --> 00:53:49,980

I was like shocked who I was just

1094

00:53:59,990 --> 00:53:56,000

shocked so I do have also some MyLab

1095

00:54:03,560 --> 00:54:00,000

possible background that happened to me

1096

00:54:05,870 --> 00:54:03,570

when I was younger so you see you know

1097

00:54:08,000 --> 00:54:05,880

it could really tie in I I mean

1098

00:54:12,200 --> 00:54:08,010

obviously again there's there's no proof

1099

00:54:15,170 --> 00:54:12,210

so you know what transpired on that what

1100

00:54:17,120 --> 00:54:15,180

transpired between you and them in that

1101
00:54:20,599 --> 00:54:17,130
experience what took place will you

1102
00:54:24,829 --> 00:54:20,609
examined or what with the beings on the

1103
00:54:28,579 --> 00:54:24,839
ship yeah well basically on the initial

1104
00:54:31,010 --> 00:54:28,589
exam that took place on a small ship and

1105
00:54:31,940 --> 00:54:31,020
then of course I didn't realize until in

1106
00:54:34,280 --> 00:54:31,950
hindsight later

1107
00:54:35,690 --> 00:54:34,290
I must have we left the docked to the

1108
00:54:38,300 --> 00:54:35,700
bigger one because obviously when you

1109
00:54:39,920 --> 00:54:38,310
see a hundred foot or whatever it is you

1110
00:54:42,440 --> 00:54:39,930
know like the size of a house you see

1111
00:54:47,150 --> 00:54:42,450
something like that and then it suddenly

1112
00:54:49,510 --> 00:54:47,160
turns into you know this huge but

1113
00:54:52,780 --> 00:54:49,520

mammoth size you can't even see the

1114

00:54:55,090 --> 00:54:52,790

sealing sighs a ship how does this all

1115

00:54:56,770 --> 00:54:55,100

take place right so it must have been

1116

00:54:59,590 --> 00:54:56,780

where we when we docked and I actually

1117

00:55:01,990 --> 00:54:59,600

have a diagram on my cookbook that sort

1118

00:55:05,860 --> 00:55:02,000

of describes and my understanding of the

1119

00:55:09,640 --> 00:55:05,870

ship when i was a-walkin and and stuff

1120

00:55:11,680 --> 00:55:09,650

so you know it helps to show that to

1121

00:55:14,230 --> 00:55:11,690

give an indication but yeah there was

1122

00:55:16,950 --> 00:55:14,240

there's a lot of learning that takes

1123

00:55:19,180 --> 00:55:16,960

place there's hype the hybrid program

1124

00:55:22,750 --> 00:55:19,190

they want you to reconnect with your

1125

00:55:24,880 --> 00:55:22,760

hybrid to sort of you know maybe they

1126

00:55:28,150 --> 00:55:24,890

they check things experiment that I

1127

00:55:29,770 --> 00:55:28,160

don't know you know and I've been

1128

00:55:32,920 --> 00:55:29,780

working with them I've been working and

1129

00:55:34,000 --> 00:55:32,930

they they impressed upon me after I saw

1130

00:55:36,130 --> 00:55:34,010

my hybrid that I've been working with

1131

00:55:38,740 --> 00:55:36,140

them my whole life and I have this

1132

00:55:42,340 --> 00:55:38,750

equation and I have a person that's

1133

00:55:45,430 --> 00:55:42,350

supposed to help me unlock it and it

1134

00:55:49,000 --> 00:55:45,440

hate to say ladies listening it's it's a

1135

00:55:51,810 --> 00:55:49,010

male and I I believe that and I'm

1136

00:55:55,330 --> 00:55:51,820

certain that it's a male a human male

1137

00:55:58,510 --> 00:55:55,340

and it's just it's you know there's a

1138

00:56:03,090 --> 00:55:58,520

lot of questions I have only was your

1139

00:56:06,640 --> 00:56:03,100

advanced the hybrid was your child yeah

1140

00:56:11,290 --> 00:56:06,650

yeah she was I didn't know this but as I

1141

00:56:13,210 --> 00:56:11,300

bonded with her and and started to look

1142

00:56:15,580 --> 00:56:13,220

at her features now she what she looked

1143

00:56:18,190 --> 00:56:15,590

like in quickly state is she looked like

1144

00:56:23,140 --> 00:56:18,200

so if you took a blue and the features

1145

00:56:28,390 --> 00:56:23,150

of the blue had hairless about seven

1146

00:56:31,030 --> 00:56:28,400

foot tall sharp teeth somewhat of a nose

1147

00:56:33,310 --> 00:56:31,040

but nothing's so prominent you know but

1148

00:56:36,820 --> 00:56:33,320

the but what was prominent is the

1149

00:56:41,110 --> 00:56:36,830

forehead was you know like the chrome

1150

00:56:45,730 --> 00:56:41,120

Magnum a Neanderthal kind of bump on

1151

00:56:47,890 --> 00:56:45,740

that like above the eyebrow okay that

1152

00:56:49,800 --> 00:56:47,900

yeah like the bony ridge above the

1153

00:56:53,230 --> 00:56:49,810

eyebrows well yeah it was very

1154

00:56:55,660 --> 00:56:53,240

pronounced um and there was some ears I

1155

00:56:59,080 --> 00:56:55,670

think but more like a whole yeah I mean

1156

00:57:01,060 --> 00:56:59,090

it wasn't really and yeah and the teeth

1157

00:57:02,800 --> 00:57:01,070

are really really sharp but they didn't

1158

00:57:05,050 --> 00:57:02,810

need to like

1159

00:57:06,970 --> 00:57:05,060

you know user Mastiffs I didn't notice

1160

00:57:08,830 --> 00:57:06,980

mouth movements as though talking or

1161

00:57:11,530 --> 00:57:08,840

anything there was that was not a factor

1162

00:57:13,630 --> 00:57:11,540

but otherwise they had like almost like

1163

00:57:16,270 --> 00:57:13,640

a human that would sort of body build

1164

00:57:20,620 --> 00:57:16,280

you know just kind of look like that I

1165

00:57:23,110 --> 00:57:20,630

didn't see any prominent genitals but I

1166

00:57:25,540 --> 00:57:23,120

could sense there's a female came in

1167

00:57:27,640 --> 00:57:25,550

after the male the male had did have a

1168

00:57:30,720 --> 00:57:27,650

vest on a source I could see the weave

1169

00:57:34,000 --> 00:57:30,730

on it it was a certain like loose weaved

1170

00:57:37,030 --> 00:57:34,010

mm-hmm I don't know how to describe it

1171

00:57:39,130 --> 00:57:37,040

right real quick and anyway so I could I

1172

00:57:42,160 --> 00:57:39,140

could see and then sense and it's the

1173

00:57:43,630 --> 00:57:42,170

one thing my senses were heightened when

1174

00:57:45,810 --> 00:57:43,640

I was on there like I just you know it

1175

00:57:48,550 --> 00:57:45,820

was a lot easier or maybe it was

1176

00:57:55,000 --> 00:57:48,560

telepathic senses you know kicking in as

1177

00:57:56,320 --> 00:57:55,010

well all I know is yeah so uh Glenn Eric

1178

00:57:59,890 --> 00:57:56,330

I'm sorry oh no go on

1179

00:58:02,520 --> 00:57:59,900

well I was just going to ask Len in you

1180

00:58:06,990 --> 00:58:02,530

know with his research I mean have you

1181

00:58:10,090 --> 00:58:07,000

run across cases of supposed to

1182

00:58:12,130 --> 00:58:10,100

hybridization between the reptilians and

1183

00:58:16,750 --> 00:58:12,140

humans I mean to me that would seem to

1184

00:58:19,680 --> 00:58:16,760

be extremely difficult with really two

1185

00:58:22,270 --> 00:58:19,690

completely different kinds of species

1186

00:58:25,000 --> 00:58:22,280

well they know how to they are master

1187

00:58:26,380 --> 00:58:25,010

geneticists the reptilians are master

1188

00:58:28,900 --> 00:58:26,390

geneticists they've been doing up

1189

00:58:31,210 --> 00:58:28,910

thousands of years it wasn't so much a

1190

00:58:34,090 --> 00:58:31,220

crossbreed between a director of Chilean

1191

00:58:36,220 --> 00:58:34,100

and a human more like a grey and a human

1192

00:58:39,610 --> 00:58:36,230

because the greys themselves will

1193

00:58:44,340 --> 00:58:39,620

crossbreed between the reptilians from

1194

00:58:47,080 --> 00:58:44,350

Draco and the entities from Sirius

1195

00:58:49,030 --> 00:58:47,090

because they were they were that small

1196

00:58:51,640 --> 00:58:49,040

greys are really a coarse breed

1197

00:58:54,160 --> 00:58:51,650

themselves mm-hmm so there are

1198

00:58:55,690 --> 00:58:54,170

second-generation you might say that the

1199

00:58:59,980 --> 00:58:55,700

hybrids were really a second-generation

1200

00:59:04,180 --> 00:58:59,990

hybrid so they're month more than months

1201

00:59:07,420 --> 00:59:04,190

right yeah yeah well I was on I was on

1202

00:59:10,870 --> 00:59:07,430

am panel discussion one time with Budd

1203

00:59:11,430 --> 00:59:10,880

Hopkins I think in where the heck were

1204

00:59:13,780 --> 00:59:11,440

we

1205

00:59:16,690 --> 00:59:13,790

Minneapolis maybe or maybe it was yeah

1206

00:59:19,839 --> 00:59:16,700

Minneapolis GC a shell

1207

00:59:22,960 --> 00:59:19,849

horn had put together a meeting a

1208

00:59:25,089 --> 00:59:22,970

conference and there were two with the

1209

00:59:27,940 --> 00:59:25,099

panel along with but Hopkins Oh myself

1210

00:59:31,319 --> 00:59:27,950

there were two ladies who got up there

1211

00:59:34,890 --> 00:59:31,329

and told us about how they were having

1212

00:59:38,710 --> 00:59:34,900

sex with with the the reptilian

1213

00:59:42,130 --> 00:59:38,720

reptilians and I thought it not kind of

1214

00:59:46,359 --> 00:59:42,140

peculiar but I didn't see how such

1215

00:59:48,400 --> 00:59:46,369

mating would be possible it's not really

1216

00:59:50,710 --> 00:59:48,410

mating so much as it all happens in a

1217

00:59:53,650 --> 00:59:50,720

laboratory it's all a matter of a petri

1218

00:59:57,630 --> 00:59:53,660

dish is where it takes place it's mixing

1219

00:59:59,859 --> 00:59:57,640

the DNA in a laboratory environment

1220

01:00:04,200 --> 00:59:59,869

romantic that's just not so much the

1221

01:00:09,609 --> 01:00:04,210

copulation although that takes place two

1222

01:00:12,040 --> 01:00:09,619

but one well Erica I mean you know if

1223

01:00:14,740 --> 01:00:12,050

you're if you're talking about you know

1224

01:00:18,819 --> 01:00:14,750

a hybridization I mean are you referring

1225

01:00:21,550 --> 01:00:18,829

to you know like the the blue reptile or

1226

01:00:24,190 --> 01:00:21,560

reptilians and humans or you know I mean

1227

01:00:26,200 --> 01:00:24,200

it was that the case with you I mean was

1228

01:00:30,970 --> 01:00:26,210

there a physical interaction that you

1229

01:00:33,280 --> 01:00:30,980

know of well it definitely was when I

1230

01:00:35,380 --> 01:00:33,290

met my my daughter if you want to call

1231

01:00:37,210 --> 01:00:35,390

her she looked like the she had all the

1232

01:00:41,770 --> 01:00:37,220

features of the blue but only with

1233

01:00:46,349 --> 01:00:41,780

Caucasian skin and her eyes were like

1234

01:00:50,710 --> 01:00:46,359

glass at just clear just like theirs

1235

01:00:53,319 --> 01:00:50,720

with the Olivia elongated pupils um but

1236

01:00:56,319 --> 01:00:53,329

I just want to say real quick David Icke

1237

01:00:59,319 --> 01:00:56,329

he does when he does well but I think

1238

01:01:02,980 --> 01:00:59,329

that he has sort of perpetuated this

1239

01:01:06,250 --> 01:01:02,990

negative stereotype on extraterrestrial

1240

01:01:09,180 --> 01:01:06,260

specifically reptilians by sort of

1241

01:01:13,089 --> 01:01:09,190

putting making people put a blame game

1242

01:01:16,210 --> 01:01:13,099

you know it stops human progression and

1243

01:01:18,640 --> 01:01:16,220

this is the message that the my beings

1244

01:01:21,010 --> 01:01:18,650

gave me a message to basically convey

1245

01:01:24,069 --> 01:01:21,020

that humans need to get beyond the fear

1246

01:01:26,680 --> 01:01:24,079

to be able to experience the love and I

1247

01:01:28,990 --> 01:01:26,690

didn't say their love they said the love

1248

01:01:30,460 --> 01:01:29,000

and when they said it was impressed as

1249

01:01:32,950 --> 01:01:30,470

the love

1250

01:01:35,470 --> 01:01:32,960

that's the thing about telepathy or

1251

01:01:38,290 --> 01:01:35,480

whatever was was the communication

1252

01:01:40,450 --> 01:01:38,300

between us that's the way I received it

1253

01:01:44,050 --> 01:01:40,460

I wish I knew I wish I knew you know

1254

01:01:47,440 --> 01:01:44,060

exactly but I think the love means love

1255

01:01:50,260 --> 01:01:47,450

you know the love I think and that's the

1256

01:01:53,260 --> 01:01:50,270

thing we have to take responsibility as

1257

01:01:55,900 --> 01:01:53,270

humans for what we're doing we can't

1258

01:02:00,160 --> 01:01:55,910

blame and say well I killed so-and-so

1259

01:02:01,630 --> 01:02:00,170

because this bad bad reptilian told me

1260

01:02:04,630 --> 01:02:01,640

to no please

1261

01:02:07,349 --> 01:02:04,640

that is just blaming and we have to you

1262

01:02:09,160 --> 01:02:07,359

know get beyond that and the thing is

1263

01:02:14,170 --> 01:02:09,170

you know work

1264

01:02:18,099 --> 01:02:14,180

we can't take a few words of words from

1265

01:02:23,140 --> 01:02:18,109

a few people like Swerdlow and and ike

1266

01:02:25,630 --> 01:02:23,150

and etc oh um uh what's his name Alex

1267

01:02:27,700 --> 01:02:25,640

Collier now all of them they have their

1268

01:02:31,030 --> 01:02:27,710

own experiences I am not discounting

1269

01:02:34,000 --> 01:02:31,040

that but we can't hold that too you know

1270

01:02:35,500 --> 01:02:34,010

to say that they have the gospel well

1271

01:02:37,540 --> 01:02:35,510

did you have a very gentle did you

1272

01:02:39,730 --> 01:02:37,550

experience any affection or love coming

1273

01:02:41,050 --> 01:02:39,740

from these entities oh absolutely

1274

01:02:43,570 --> 01:02:41,060

oh well then you weren't dealing with

1275

01:02:44,650 --> 01:02:43,580

reptilians because reptilians don't even

1276

01:02:46,089 --> 01:02:44,660

have a heart chakra

1277

01:02:47,980 --> 01:02:46,099

they don't even they don't even have any

1278

01:02:49,960 --> 01:02:47,990

you know how would you know our genome

1279

01:02:52,180 --> 01:02:49,970

that one here's all the reports all the

1280

01:02:54,760 --> 01:02:52,190

reports agree the reports from just a

1281

01:02:56,770 --> 01:02:54,770

few people that's what I'm here really

1282

01:02:58,839 --> 01:02:56,780

no more than really how many about

1283

01:03:00,190 --> 01:02:58,849

humming just because I've been talking

1284

01:03:03,070 --> 01:03:00,200

to people for six years now

1285

01:03:05,380 --> 01:03:03,080

yes you committed a committed countless

1286

01:03:07,960 --> 01:03:05,390

atrocities yeah I know any what you're

1287

01:03:11,680 --> 01:03:07,970

talking about is draconian and and

1288

01:03:14,950 --> 01:03:11,690

you're talking about one one small or

1289

01:03:20,500 --> 01:03:14,960

large race one one small fraction shall

1290

01:03:25,540 --> 01:03:20,510

I say of reptilians you know if you seem

1291

01:03:27,730 --> 01:03:25,550

I mean though like KKK most obviously

1292

01:03:29,260 --> 01:03:27,740

they're white but they commit murders so

1293

01:03:31,270 --> 01:03:29,270

all white people are doing it so you

1294

01:03:34,210 --> 01:03:31,280

know what I mean that's unfair it's

1295

01:03:36,040 --> 01:03:34,220

unfair that's what I'm saying yes you

1296

01:03:38,349 --> 01:03:36,050

are talking there are some and I don't

1297

01:03:40,780 --> 01:03:38,359

discount that there are but there are

1298

01:03:43,180 --> 01:03:40,790

not what you guys are saying it's I'm

1299

01:03:43,910 --> 01:03:43,190

not trying to stand up for the bad guys

1300

01:03:46,820 --> 01:03:43,920

I'm standing

1301
01:03:48,470 --> 01:03:46,830
for the good guys the ones actually not

1302
01:03:51,800 --> 01:03:48,480
I'm saying the ones that people are like

1303
01:03:54,680 --> 01:03:51,810
well you know what here's a deal if we

1304
01:03:56,180 --> 01:03:54,690
were on another planet and we had to

1305
01:03:57,290 --> 01:03:56,190
survive you guys right I mean this is

1306
01:03:59,840 --> 01:03:57,300
like do or die

1307
01:04:02,870 --> 01:03:59,850
so we have to go and if it's the only

1308
01:04:05,270 --> 01:04:02,880
food source was to because we need meat

1309
01:04:07,610 --> 01:04:05,280
because we're humans we had to you know

1310
01:04:11,060 --> 01:04:07,620
basically eat so and so from Planet X

1311
01:04:13,610 --> 01:04:11,070
right they have it you know well don't

1312
01:04:15,470 --> 01:04:13,620
you think that those people are who ever

1313
01:04:19,430 --> 01:04:15,480

you know entities from Planet X would

1314

01:04:23,660 --> 01:04:19,440

call us ever horrible we're horrible but

1315

01:04:25,820 --> 01:04:23,670

isn't it relative to our intentions we

1316

01:04:27,830 --> 01:04:25,830

are only trying to well I don't know if

1317

01:04:31,700 --> 01:04:27,840

somebody if somebody makes a deal with

1318

01:04:33,830 --> 01:04:31,710

Hitler they cannot have a good

1319

01:04:35,300 --> 01:04:33,840

intentions I wouldn't wouldn't say yeah

1320

01:04:39,410 --> 01:04:35,310

but Rama get you know you know what I

1321

01:04:41,360 --> 01:04:39,420

want what I want to ask Linda is we hear

1322

01:04:46,700 --> 01:04:41,370

all these stories from David Icke and

1323

01:04:49,460 --> 01:04:46,710

others about the Queen being a reptilian

1324

01:04:51,920 --> 01:04:49,470

and some of our world leaders are

1325

01:04:55,490 --> 01:04:51,930

actually shapeshifters do you take any

1326

01:04:58,370 --> 01:04:55,500

stock in that you know I can't verify

1327

01:05:00,080 --> 01:04:58,380

anything a bit because I talks about in

1328

01:05:02,690 --> 01:05:00,090

terms of the royal family I have no idea

1329

01:05:04,970 --> 01:05:02,700

he he's much better positioned to know

1330

01:05:06,380 --> 01:05:04,980

that than I am it wouldn't surprise me

1331

01:05:08,420 --> 01:05:06,390

because I do know that they do

1332

01:05:11,870 --> 01:05:08,430

shape-shift and they're very etic and

1333

01:05:14,300 --> 01:05:11,880

very very adapted they've adapted that

1334

01:05:16,790 --> 01:05:14,310

they're to their advantage it's

1335

01:05:18,800 --> 01:05:16,800

basically a form of mental control this

1336

01:05:20,390 --> 01:05:18,810

shape-shifting they get ahold of your

1337

01:05:22,850 --> 01:05:20,400

mind and make you think that you're

1338

01:05:24,830 --> 01:05:22,860

seeing what you're seeing it's not so

1339

01:05:28,700 --> 01:05:24,840

much the actual shift shape of

1340

01:05:32,300 --> 01:05:28,710

shape-shifting itself they're experts at

1341

01:05:35,780 --> 01:05:32,310

mind control it's very complicated but

1342

01:05:38,200 --> 01:05:35,790

you know if you would deteriorate Erik

1343

01:05:40,520 --> 01:05:38,210

if you if you detected any infection

1344

01:05:42,680 --> 01:05:40,530

anything like a real affection from

1345

01:05:44,600 --> 01:05:42,690

these entities I would have to say

1346

01:05:46,130 --> 01:05:44,610

they're not they're not really whipped

1347

01:05:47,930 --> 01:05:46,140

iliyan although I've heard other people

1348

01:05:50,090 --> 01:05:47,940

say there are some good good Chileans

1349

01:05:51,980 --> 01:05:50,100

but then again like you take James

1350

01:05:54,740 --> 01:05:51,990

Bartley who says the only good reptilian

1351

01:05:57,170 --> 01:05:54,750

is a dead reptilian so you have you have

1352

01:05:58,999 --> 01:05:57,180

both sides of this both sides of this

1353

01:06:01,900 --> 01:05:59,009

but don't we have a race don't we have

1354

01:06:03,890 --> 01:06:01,910

racism here uh some people say in all

1355

01:06:05,539 --> 01:06:03,900

they're not the same thing I thought

1356

01:06:08,509 --> 01:06:05,549

they don't have the same kind of body or

1357

01:06:10,640 --> 01:06:08,519

technology or makeup as humans do they

1358

01:06:13,339 --> 01:06:10,650

were different race entirely it did not

1359

01:06:16,849 --> 01:06:13,349

like us and I doubt that there's going

1360

01:06:18,259 --> 01:06:16,859

to be so much intention to hurt you see

1361

01:06:21,109 --> 01:06:18,269

it I mean maybe it's just called

1362

01:06:23,029 --> 01:06:21,119

survival right and would that be I

1363

01:06:24,739 --> 01:06:23,039

didn't blow it blowing up a planet I

1364

01:06:27,140 --> 01:06:24,749

don't know if that's exactly surviving

1365

01:06:29,720 --> 01:06:27,150

exactly well I look at humans aren't

1366

01:06:31,819 --> 01:06:29,730

doing that great right I'm uh yeah you

1367

01:06:36,620 --> 01:06:31,829

got a point you got a point there ah

1368

01:06:40,630 --> 01:06:36,630

gotcha no no no doubt about that

1369

01:06:45,440 --> 01:06:40,640

how does that lens wrong I'm just an

1370

01:06:49,339 --> 01:06:45,450

opening line guy I take a neutral ground

1371

01:06:50,509 --> 01:06:49,349

here well you know maybe as Erica saying

1372

01:06:54,670 --> 01:06:50,519

I mean you know we're dealing with

1373

01:06:58,009 --> 01:06:54,680

different you know species or subspecies

1374

01:07:01,099 --> 01:06:58,019

or you know you know along those lines

1375

01:07:05,180 --> 01:07:01,109

but if the universe is how do you define

1376

01:07:10,779 --> 01:07:05,190

a reptilian I mean whoa we seem to have

1377

01:07:13,400 --> 01:07:10,789

perhaps a a disagreement in in

1378

01:07:15,920 --> 01:07:13,410

terminology here I mean reptilian

1379

01:07:17,870 --> 01:07:15,930

they're cold-blooded I mean how do you

1380

01:07:19,729 --> 01:07:17,880

are called motive yes they are yeah I

1381

01:07:24,859 --> 01:07:19,739

mean is that the only thing we have to

1382

01:07:28,549 --> 01:07:24,869

go on I mean so I never large that's we

1383

01:07:30,950 --> 01:07:28,559

having firms like like draconian meaning

1384

01:07:33,289 --> 01:07:30,960

sinister all these things are derived

1385

01:07:36,999 --> 01:07:33,299

from experiences with it with the

1386

01:07:41,089 --> 01:07:37,009

reptilians cold blooded draconian oh

1387

01:07:43,960 --> 01:07:41,099

yeah that's a thing um I know you have

1388

01:07:48,229 --> 01:07:43,970

to take a break but I'm just saying that

1389

01:07:51,559 --> 01:07:48,239

something okay something that I'm saying

1390

01:07:55,309 --> 01:07:51,569

in my experience has hit home and this

1391

01:07:58,519 --> 01:07:55,319

is the reason why I know I have been

1392

01:08:00,140 --> 01:07:58,529

approached and I have heard through the

1393

01:08:02,989 --> 01:08:00,150

grapevine that people approached me

1394

01:08:04,190 --> 01:08:02,999

saying that there is a government person

1395

01:08:06,079 --> 01:08:04,200

in government and I don't want to go too

1396

01:08:10,980 --> 01:08:06,089

deep into this because I haven't ever

1397

01:08:13,950 --> 01:08:10,990

really said this publicly that they this

1398

01:08:19,170 --> 01:08:13,960

this politician okay literally a

1399

01:08:21,269 --> 01:08:19,180

politician has been at prominent UFO

1400

01:08:24,499 --> 01:08:21,279

meetings I'm trying to keep this real

1401

01:08:29,130 --> 01:08:24,509

vague uh and actually try to cut

1402

01:08:33,180 --> 01:08:29,140

contract people to get my propulsion

1403

01:08:35,460 --> 01:08:33,190

information that I know okay and this is

1404

01:08:37,730 --> 01:08:35,470

why I just why don't they just contact

1405

01:08:42,960 --> 01:08:37,740

you directly

1406

01:08:45,050 --> 01:08:42,970

well obviously it'll be pretty yeah you

1407

01:08:47,390 --> 01:08:45,060

seem to be fairly accessible let me know

1408

01:08:50,370 --> 01:08:47,400

then those people have actually done

1409

01:08:51,780 --> 01:08:50,380

tactic me I will not give out that you

1410

01:08:53,999 --> 01:08:51,790

know there's some things just you know

1411

01:08:56,640 --> 01:08:54,009

I'm sorry we're talking there's been

1412

01:09:00,269 --> 01:08:56,650

sort of money talked about when they

1413

01:09:03,829 --> 01:09:00,279

discuss it with me um you know what I'm

1414

01:09:08,309 --> 01:09:03,839

saying now that a large sum of money oh

1415

01:09:10,920 --> 01:09:08,319

yeah god I mean I I don't wanna stand on

1416

01:09:13,440 --> 01:09:10,930

air by Allah I never never deal with

1417

01:09:16,559 --> 01:09:13,450

never deal with politicians period that

1418

01:09:18,120 --> 01:09:16,569

Saab AB Singh is that there you might

1419

01:09:21,240 --> 01:09:18,130

find yourself in the or you might find

1420

01:09:22,680 --> 01:09:21,250

yourself in the White House what I'm

1421

01:09:26,809 --> 01:09:22,690

going to say is there's something that

1422

01:09:29,849 --> 01:09:26,819

that resonates true that the government

1423

01:09:31,740 --> 01:09:29,859

knows that I know let's put it that way

1424

01:09:32,249 --> 01:09:31,750

and I don't want to like be like oh look

1425

01:09:37,559 --> 01:09:32,259

at me

1426

01:09:41,309 --> 01:09:37,569

I'm just saying you know there's some

1427

01:09:44,550 --> 01:09:41,319

stuff going down so my my story has

1428

01:09:47,309 --> 01:09:44,560

validity even when I didn't you know

1429

01:09:50,430 --> 01:09:47,319

care or just what I was just talking

1430

01:09:52,890 --> 01:09:50,440

about it I come to find this later down

1431

01:09:55,500 --> 01:09:52,900

the line that people have been trying to

1432

01:09:57,450 --> 01:09:55,510

can't you know get contracts or whatever

1433

01:09:59,880 --> 01:09:57,460

you call it to get the information and

1434

01:10:02,820 --> 01:09:59,890

there's things that I know that I don't

1435

01:10:04,830 --> 01:10:02,830

discuss publicly because this don't

1436

01:10:08,130 --> 01:10:04,840

equation there to be you know discovered

1437

01:10:11,180 --> 01:10:08,140

I know what the equation is to a certain

1438

01:10:13,680 --> 01:10:11,190

degree but I need help and unlocking

1439

01:10:18,200 --> 01:10:13,690

along a show they showed you the

1440

01:10:23,320 --> 01:10:22,340

no comment okay yeah yes yeah you know

1441

01:10:25,459 --> 01:10:23,330

what I know

1442

01:10:29,209 --> 01:10:25,469

another thing about experiencers

1443

01:10:30,979 --> 01:10:29,219

especially contactees we know a lot more

1444

01:10:33,110 --> 01:10:30,989

but tickets they can show you anything

1445

01:10:35,959 --> 01:10:33,120

unless you could build a craft and it

1446

01:10:38,930 --> 01:10:35,969

takes off off the ground I mean you know

1447

01:10:40,940 --> 01:10:38,940

we've heard of many cases where all

1448

01:10:43,580 --> 01:10:40,950

kinds of things have been shown to to

1449

01:10:47,000 --> 01:10:43,590

contact these in the in experiences and

1450

01:10:49,520 --> 01:10:47,010

you know it's kind of optional whether

1451

01:10:51,680 --> 01:10:49,530

it's the how much truth there is to it

1452

01:10:53,930 --> 01:10:51,690

but we'll find out the truth about all

1453

01:10:57,050 --> 01:10:53,940

of this when we come back in just a

1454

01:11:01,010 --> 01:10:57,060

minute so stay tuned grab grab yourself

1455

01:11:14,949 --> 01:11:01,020

a hot cup of coffee or a beer and rejoin

1456

01:11:21,429 --> 01:11:18,879

now back to it snow in the bazaar with

1457

01:11:24,399 --> 01:11:21,439

two of the most electrifying researchers

1458

01:11:30,129 --> 01:11:24,409

in the paranal your hostess Timothy

1459

01:11:32,620 --> 01:11:30,139

Becca panting Swartz all right welcome

1460

01:11:35,109 --> 01:11:32,630

back to exploring the bazaar and Tim did

1461

01:11:38,830 --> 01:11:35,119

you believe it here we are already at

1462

01:11:40,660 --> 01:11:38,840

the last segment of the program and you

1463

01:11:42,640 --> 01:11:40,670

can always tell when we've got an

1464

01:11:46,569 --> 01:11:42,650

excellent show you know because the time

1465

01:11:50,439 --> 01:11:46,579

just goes by so fast so Len I wanted to

1466

01:11:55,949 --> 01:11:50,449

ask you now is is there any relationship

1467

01:11:58,089 --> 01:11:55,959

between the Illuminati Illuminati's and

1468

01:12:01,299 --> 01:11:58,099

reptilians in history absolutely

1469

01:12:03,669 --> 01:12:01,309

absolutely the reptilians the basically

1470

01:12:06,459 --> 01:12:03,679

the Illuminati do the dirty work of the

1471

01:12:08,259 --> 01:12:06,469

reptilians in this dimension because the

1472

01:12:10,660 --> 01:12:08,269

reptilians themselves are really 4th

1473

01:12:12,549 --> 01:12:10,670

dimensional creatures they really

1474

01:12:14,770 --> 01:12:12,559

inhabit the lower astral what we call

1475

01:12:17,199 --> 01:12:14,780

the lower astral realm which is the 4th

1476

01:12:20,979 --> 01:12:17,209

dimension or the dimension where the

1477

01:12:22,390 --> 01:12:20,989

people from earth go when they die so

1478

01:12:25,779 --> 01:12:22,400

they have that advantage over us

1479

01:12:27,580 --> 01:12:25,789

immediately and they need it for them to

1480

01:12:30,429 --> 01:12:27,590

manifest in the third dimension takes a

1481

01:12:33,160 --> 01:12:30,439

lot of energy and they prefer not to

1482

01:12:34,989 --> 01:12:33,170

manifest at energy so the Illuminati

1483

01:12:37,209 --> 01:12:34,999

really they control everything on this

1484

01:12:40,660 --> 01:12:37,219

planet they control the bank's the media

1485

01:12:43,020 --> 01:12:40,670

as you know Hollywood everything and the

1486

01:12:45,520 --> 01:12:43,030

secret societies all of that yes and

1487

01:12:51,279 --> 01:12:45,530

David Icke explored that subject in

1488

01:12:53,620 --> 01:12:51,289

great detail yes so they are there they

1489

01:12:56,109 --> 01:12:53,630

are there really they're servants they

1490

01:12:58,089 --> 01:12:56,119

made they made a pact with them and the

1491

01:13:01,209 --> 01:12:58,099

illuminati all have a high percentage of

1492

01:13:02,589 --> 01:13:01,219

reptilian blood they used to the reason

1493

01:13:04,839 --> 01:13:02,599

they call them the blue bloods the

1494

01:13:07,750 --> 01:13:04,849

royalty of ink of Europe was because

1495

01:13:11,109 --> 01:13:07,760

they have a high copper content to their

1496

01:13:13,989 --> 01:13:11,119

blood the reptilians do and that's is a

1497

01:13:17,620 --> 01:13:13,999

bluish it gave it a bluish tint but

1498

01:13:20,100 --> 01:13:17,630

basically that's why the illuminati

1499

01:13:22,959 --> 01:13:20,110

themselves are capable of shape-shifting

1500

01:13:25,660 --> 01:13:22,969

in addition to the reptilians themselves

1501

01:13:28,060 --> 01:13:25,670

and of course they've been running

1502

01:13:29,470 --> 01:13:28,070

everything mm-hmm but

1503

01:13:31,480 --> 01:13:29,480

and then it's we're not talking about

1504

01:13:34,750 --> 01:13:31,490

digital shape-shifting it's a more into

1505

01:13:37,450 --> 01:13:34,760

form of buying control it is exactly but

1506

01:13:39,880 --> 01:13:37,460

there's a physical dimension to it okay

1507

01:13:41,110 --> 01:13:39,890

well okay what about you know we've

1508

01:13:45,040 --> 01:13:41,120

heard a lot of stories over the years

1509

01:13:46,900 --> 01:13:45,050

you know about these uh deep underground

1510

01:13:50,050 --> 01:13:46,910

bases you know run by the military

1511

01:13:52,660 --> 01:13:50,060

especially out outlets like in the Dulce

1512

01:13:57,000 --> 01:13:52,670

and and you know one of the persistence

1513

01:14:01,120 --> 01:13:57,010

stories is that you know these are

1514

01:14:02,710 --> 01:14:01,130

cooperations with alien species and I

1515

01:14:04,960 --> 01:14:02,720

know and Dulce there was a story that

1516

01:14:08,710 --> 01:14:04,970

you know some of the deeper levels you

1517

01:14:09,160 --> 01:14:08,720

know the the reptilians were the ones in

1518

01:14:12,220 --> 01:14:09,170

control

1519

01:14:13,990 --> 01:14:12,230

solutely especially at Dulce and Dulce

1520

01:14:16,360 --> 01:14:14,000

the reason the reptilians were involved

1521

01:14:18,340 --> 01:14:16,370

in Dulce is because that particular

1522

01:14:19,870 --> 01:14:18,350

underground installation which was we

1523

01:14:22,420 --> 01:14:19,880

call a dumb base deep underground

1524

01:14:25,030 --> 01:14:22,430

military base because it tied into an

1525

01:14:28,420 --> 01:14:25,040

ancient cavern system that the

1526

01:14:31,660 --> 01:14:28,430

reptilians had explored hundreds of

1527

01:14:33,070 --> 01:14:31,670

thousands of years previously that's why

1528

01:14:36,550 --> 01:14:33,080

it was that's why it was located there

1529

01:14:39,820 --> 01:14:36,560

uh they really have an underground

1530

01:14:42,760 --> 01:14:39,830

empire throughout the planet and some of

1531

01:14:46,540 --> 01:14:42,770

the dumb base is tie in with their

1532

01:14:47,860 --> 01:14:46,550

underground empire a tremendous amount

1533

01:14:50,200 --> 01:14:47,870

of things going on there

1534

01:14:52,780 --> 01:14:50,210

it's really not in the core of the earth

1535

01:14:54,970 --> 01:14:52,790

it's really in the in the crust the

1536

01:14:57,340 --> 01:14:54,980

crust goes in some cases goes 200 miles

1537

01:14:59,620 --> 01:14:57,350

deep and some of the reptilian the

1538

01:15:01,960 --> 01:14:59,630

colonies are that live that deep deep

1539

01:15:05,350 --> 01:15:01,970

down but are you familiar with the Phil

1540

01:15:08,020 --> 01:15:05,360

Schneider's story you know oh definitely

1541

01:15:10,930 --> 01:15:08,030

I I was I was one of the first ones I

1542

01:15:13,780 --> 01:15:10,940

think to actually uh write about Phil

1543

01:15:17,980 --> 01:15:13,790

after his I put this in quotation marks

1544

01:15:21,250 --> 01:15:17,990

suicides he was suicided you know and I

1545

01:15:25,420 --> 01:15:21,260

I I talked to his wife and she sent me a

1546

01:15:28,630 --> 01:15:25,430

lot of like his death records and you

1547

01:15:29,860 --> 01:15:28,640

know reports from the the sheriff from

1548

01:15:32,020 --> 01:15:29,870

the corridor and things like that so

1549

01:15:33,550 --> 01:15:32,030

yeah I'm very very familiar with mr.

1550

01:15:36,370 --> 01:15:33,560

Snyder well you know that it what he

1551

01:15:39,460 --> 01:15:36,380

said before he died he said if I die he

1552

01:15:41,500 --> 01:15:39,470

said it will not be suicide he had a

1553

01:15:41,890 --> 01:15:41,510

certain it will not be suicide so he

1554

01:15:43,419 --> 01:15:41,900

knew he was

1555

01:15:46,649 --> 01:15:43,429

going to be was going to be a i

1556

01:15:49,870 --> 01:15:46,659

interject please go ahead please I loved

1557

01:15:52,959 --> 01:15:49,880

loved Phil Schneider I mean like he was

1558

01:15:56,770 --> 01:15:52,969

so brave and as much as I talk about

1559

01:15:58,689 --> 01:15:56,780

positive reptilian contact or et I just

1560

01:16:01,030 --> 01:15:58,699

try not to a lot of times say reptilian

1561

01:16:05,439 --> 01:16:01,040

because you know what I mean it just

1562

01:16:09,220 --> 01:16:05,449

let's just go with positive but the

1563

01:16:12,120 --> 01:16:09,230

thing is yeah there are some really

1564

01:16:15,780 --> 01:16:12,130

horrible beings at human and

1565

01:16:18,810 --> 01:16:15,790

extraterrestrial or interdimensional and

1566

01:16:21,550 --> 01:16:18,820

that whole thing about dot the dumbs

1567

01:16:24,820 --> 01:16:21,560

that the Dulce and everything it's

1568

01:16:28,600 --> 01:16:24,830

absolutely disgusting and I feel it's an

1569

01:16:32,100 --> 01:16:28,610

awful thing so I'm not condoning bad

1570

01:16:35,290 --> 01:16:32,110

behavior in any being and I just want to

1571

01:16:37,780 --> 01:16:35,300

make that a point that that Phil was

1572

01:16:40,240 --> 01:16:37,790

absolutely he was one of the bravest

1573

01:16:42,250 --> 01:16:40,250

people and I just really was really was

1574

01:16:45,100 --> 01:16:42,260

you know he said at one point in one of

1575

01:16:48,479 --> 01:16:45,110

his lectures that over a million adults

1576

01:16:52,959 --> 01:16:48,489

and a hundred thousand children

1577

01:16:55,600 --> 01:16:52,969

disappear each year now where are they

1578

01:16:57,610 --> 01:16:55,610

going were they being taken you do know

1579

01:16:59,590 --> 01:16:57,620

that the reptilians do eat human flesh

1580

01:17:04,470 --> 01:16:59,600

your per minute you're you're aware of

1581

01:17:06,490 --> 01:17:04,480

that I hope Erica yes and I actually had

1582

01:17:08,890 --> 01:17:06,500

you guys are really going to hit you

1583

01:17:12,060 --> 01:17:08,900

know I really had a moment and in my

1584

01:17:15,610 --> 01:17:12,070

book I said this but that I was

1585

01:17:18,700 --> 01:17:15,620

examining and cutting and eating my baby

1586

01:17:21,280 --> 01:17:18,710

doll when I was around five I remember

1587

01:17:24,459 --> 01:17:21,290

that oh my god interesting

1588

01:17:30,220 --> 01:17:24,469

oh yeah I certainly don't talk about it

1589

01:17:35,459 --> 01:17:30,230

much and first time I'm here but yes

1590

01:17:38,830 --> 01:17:35,469

it's so you never know some of the

1591

01:17:41,649 --> 01:17:38,840

screen memories and the false feelings

1592

01:17:45,490 --> 01:17:41,659

that you could get from for example if

1593

01:17:48,189 --> 01:17:45,500

the reptilian was it's a blue if they

1594

01:17:51,040 --> 01:17:48,199

were you know what I mean giving me this

1595

01:17:53,320 --> 01:17:51,050

fake love feeling right so they're very

1596

01:17:54,410 --> 01:17:53,330

good they're very good at planting times

1597

01:17:58,010 --> 01:17:54,420

I know

1598

01:18:00,170 --> 01:17:58,020

again no never do yes but what I have to

1599

01:18:02,420 --> 01:18:00,180

say is we have to also look into not

1600

01:18:04,750 --> 01:18:02,430

blaming you know I mean if we don't

1601

01:18:07,640 --> 01:18:04,760

start taking our own responsibility and

1602

01:18:10,850 --> 01:18:07,650

just you know I mean that is what where

1603

01:18:13,970 --> 01:18:10,860

I'm at with it this is as I evolved in

1604

01:18:18,170 --> 01:18:13,980

this and so I wanted to say finally that

1605

01:18:20,090 --> 01:18:18,180

my tagline that it kind of uses you know

1606

01:18:22,970 --> 01:18:20,100

more like Beyond instead of like my book

1607

01:18:26,210 --> 01:18:22,980

would be honesty or the Yeti Qi equation

1608

01:18:29,890 --> 01:18:26,220

but I like to say beyond the fear is

1609

01:18:32,900 --> 01:18:29,900

human revolution but I say our -

1610

01:18:36,440 --> 01:18:32,910

evolution beyond fears human revolution

1611

01:18:40,430 --> 01:18:36,450

itself well I gotta ask what in God's

1612

01:18:41,570 --> 01:18:40,440

name do they want well uh they don't

1613

01:18:43,700 --> 01:18:41,580

really want anything they already

1614

01:18:46,070 --> 01:18:43,710

control the human race they now control

1615

01:18:48,680 --> 01:18:46,080

the human race entirely they control us

1616

01:18:50,750 --> 01:18:48,690

for money through debt enslavement their

1617

01:18:53,740 --> 01:18:50,760

fault they farming us just like in the

1618

01:18:57,800 --> 01:18:53,750

movie now there's a classic vaso quote

1619

01:18:59,810 --> 01:18:57,810

quotation mark sale and now you know see

1620

01:19:02,300 --> 01:18:59,820

that's the funny part because it's what

1621

01:19:04,970 --> 01:19:02,310

do they want verses like what do my

1622

01:19:07,430 --> 01:19:04,980

beings would have they impressed upon me

1623

01:19:10,400 --> 01:19:07,440

and that was that that humans have to

1624

01:19:13,160 --> 01:19:10,410

join the galaxy in in that in the big

1625

01:19:14,420 --> 01:19:13,170

family sense and Gary why are they

1626

01:19:15,980 --> 01:19:14,430

creating the hybrids

1627

01:19:20,080 --> 01:19:15,990

what are they why are they creating the

1628

01:19:23,060 --> 01:19:20,090

hybrids what do they tell you about that

1629

01:19:25,700 --> 01:19:23,070

they haven't told me anything why do you

1630

01:19:28,550 --> 01:19:25,710

think they're clearly hybrids what's

1631

01:19:31,940 --> 01:19:28,560

your what's your take on that um you

1632

01:19:34,370 --> 01:19:31,950

know I never even really looked every

1633

01:19:37,460 --> 01:19:34,380

thought about it I mean you know there's

1634

01:19:40,550 --> 01:19:37,470

so many reasons why I suppose I mean why

1635

01:19:42,470 --> 01:19:40,560

why are we creating what we're doing

1636

01:19:44,210 --> 01:19:42,480

here with right I mean look at look at

1637

01:19:45,920 --> 01:19:44,220

some of the stuff we're doing and why

1638

01:19:48,590 --> 01:19:45,930

how many how many of you have to have

1639

01:19:50,570 --> 01:19:48,600

seen that Steven Spielberg TV series

1640

01:19:53,210 --> 01:19:50,580

called taken about ten years ago

1641

01:19:56,420 --> 01:19:53,220

oh yeah so you know about that taking

1642

01:19:58,760 --> 01:19:56,430

multiple story was that the the hybrid

1643

01:20:00,830 --> 01:19:58,770

if it looked human enough they would let

1644

01:20:02,720 --> 01:20:00,840

it pass in human society but if it

1645

01:20:04,580 --> 01:20:02,730

didn't they would take it back up into

1646

01:20:07,280 --> 01:20:04,590

their spaceships and underground because

1647

01:20:08,590 --> 01:20:07,290

I knew it wouldn't be able to pass but

1648

01:20:10,900 --> 01:20:08,600

their goal is to create

1649

01:20:15,310 --> 01:20:10,910

a hybrid race that can live among us and

1650

01:20:17,110 --> 01:20:15,320

eventually take over the planet no see

1651

01:20:19,180 --> 01:20:17,120

that's that's putting the negative spin

1652

01:20:21,130 --> 01:20:19,190

on it again land no check to saw no

1653

01:20:23,950 --> 01:20:21,140

there's no there's no confirmation on

1654

01:20:25,060 --> 01:20:23,960

that because just like you know I mean

1655

01:20:27,130 --> 01:20:25,070

you're just taking it from all these

1656

01:20:29,740 --> 01:20:27,140

movies and in these I mean you know I

1657

01:20:31,600 --> 01:20:29,750

mean why don't we just pull in the

1658

01:20:36,040 --> 01:20:31,610

rabbit out of our hat right and just say

1659

01:20:39,610 --> 01:20:36,050

that that it's fact I mean the thing is

1660

01:20:42,190 --> 01:20:39,620

it's more than likely that it's also to

1661

01:20:44,640 --> 01:20:42,200

assimilate and for communication reasons

1662

01:20:47,410 --> 01:20:44,650

why are we making what we're making

1663

01:20:49,780 --> 01:20:47,420

everything have to do with survival and

1664

01:20:52,860 --> 01:20:49,790

we have to look at the big picture and

1665

01:20:55,300 --> 01:20:52,870

your I think that I want to say

1666

01:20:58,750 --> 01:20:55,310

respectfully that I don't think for

1667

01:21:00,640 --> 01:20:58,760

example people like you maybe and I say

1668

01:21:03,330 --> 01:21:00,650

in this respect they may not be looking

1669

01:21:05,800 --> 01:21:03,340

at the big picture you're looking at the

1670

01:21:08,830 --> 01:21:05,810

us-against-them let's close the door on

1671

01:21:11,340 --> 01:21:08,840

this whole kittens well I'm not saying I

1672

01:21:13,960 --> 01:21:11,350

condone bad behavior I'm talking about

1673

01:21:16,990 --> 01:21:13,970

you know I just feel like you might be

1674

01:21:19,000 --> 01:21:17,000

just shutting the door on all just just

1675

01:21:20,890 --> 01:21:19,010

giving it just answer me this what what

1676

01:21:23,920 --> 01:21:20,900

motivation does it does a human race

1677

01:21:26,800 --> 01:21:23,930

have to creating reptilian human hybrids

1678

01:21:28,150 --> 01:21:26,810

why would we want to do that what would

1679

01:21:31,690 --> 01:21:28,160

I what would i mode what would our

1680

01:21:33,940 --> 01:21:31,700

motive be well there's it's very clear

1681

01:21:36,490 --> 01:21:33,950

they they can use that means of taking

1682

01:21:37,600 --> 01:21:36,500

over the planet what was why would we do

1683

01:21:40,840 --> 01:21:37,610

it why would we do it

1684

01:21:42,910 --> 01:21:40,850

well we could do it for example if if we

1685

01:21:45,910 --> 01:21:42,920

wanted to we could do it so that there

1686

01:21:47,380 --> 01:21:45,920

would be a liaison we don't have high in

1687

01:21:49,720 --> 01:21:47,390

both we have the genetic we're after

1688

01:21:52,360 --> 01:21:49,730

your genetic ability to do it human the

1689

01:21:55,150 --> 01:21:52,370

human race genetic genetically we can't

1690

01:21:56,620 --> 01:21:55,160

do that yet we can't no requires our oh

1691

01:21:59,830 --> 01:21:56,630

man I didn't know you were in the

1692

01:22:01,900 --> 01:21:59,840

laboratory I the secret bases you don't

1693

01:22:04,900 --> 01:22:01,910

know what they're doing do you

1694

01:22:07,570 --> 01:22:04,910

I'm sorry Lynn I come on you don't know

1695

01:22:09,550 --> 01:22:07,580

what they're doing you can't say you're

1696

01:22:13,180 --> 01:22:09,560

saying it with your absolute expert

1697

01:22:14,620 --> 01:22:13,190

voice it's not true but how do you know

1698

01:22:16,930 --> 01:22:14,630

that you are not there

1699

01:22:18,520 --> 01:22:16,940

nobody can what you tell them that that

1700

01:22:20,470 --> 01:22:18,530

feel like back in the day when Phil

1701

01:22:21,879 --> 01:22:20,480

Schneider was talking about stuff people

1702

01:22:26,350 --> 01:22:21,889

just you know a lot of times

1703

01:22:28,600 --> 01:22:26,360

that's not true well he was there so he

1704

01:22:30,609 --> 01:22:28,610

would be more of the expert you're just

1705

01:22:34,390 --> 01:22:30,619

hearing things from the grapevine I'm

1706

01:22:37,180 --> 01:22:34,400

sorry it's more than that more than that

1707

01:22:40,750 --> 01:22:37,190

oh yeah well of course and then you you

1708

01:22:46,240 --> 01:22:40,760

know you have Derrel Sims who says that

1709

01:22:50,379 --> 01:22:46,250

the actual aliens we never see that the

1710

01:22:53,700 --> 01:22:50,389

reptilians the greys the the insectoid

1711

01:22:57,419 --> 01:22:53,710

types of creatures are nothing more than

1712

01:23:00,580 --> 01:22:57,429

genetic manipulations by the actual

1713

01:23:05,590 --> 01:23:00,590

unseeable unknowable aliens who have to

1714

01:23:07,330 --> 01:23:05,600

use DNA from here on the planet as their

1715

01:23:08,979 --> 01:23:07,340

representations basically because they

1716

01:23:12,280 --> 01:23:08,989

can't really come here they have to use

1717

01:23:13,600 --> 01:23:12,290

avatars basically well see that's the

1718

01:23:15,160 --> 01:23:13,610

thing look you can look at that like

1719

01:23:17,700 --> 01:23:15,170

what he says

1720

01:23:20,800 --> 01:23:17,710

maybe fact from what he knows or thinks

1721

01:23:23,080 --> 01:23:20,810

but but you can't lump it into every

1722

01:23:26,290 --> 01:23:23,090

single thing because there that could be

1723

01:23:28,209 --> 01:23:26,300

a group that yes that's true but that

1724

01:23:29,859 --> 01:23:28,219

doesn't mean every single why are we

1725

01:23:33,060 --> 01:23:29,869

saying you know what I mean like it's

1726

01:23:36,700 --> 01:23:33,070

every single being like the big lump

1727

01:23:39,280 --> 01:23:36,710

theory of the Holy Grail the Bible you

1728

01:23:42,609 --> 01:23:39,290

know anything we have to open our minds

1729

01:23:45,390 --> 01:23:42,619

and that's what it's all about open your

1730

01:23:49,660 --> 01:23:45,400

mind and say wait a minute you know

1731

01:23:52,090 --> 01:23:49,670

fractions of beings are doing various

1732

01:23:56,530 --> 01:23:52,100

things for various reasons why it does

1733

01:23:59,109 --> 01:23:56,540

there have to be the big lump right it's

1734

01:24:04,180 --> 01:23:59,119

a scenario type yeah well you didn't

1735

01:24:05,410 --> 01:24:04,190

mind set of where we don't progress well

1736

01:24:07,209 --> 01:24:05,420

you know you're absolutely absolutely

1737

01:24:09,580 --> 01:24:07,219

right though because you know the human

1738

01:24:11,439 --> 01:24:09,590

beings do have a tendency to you know

1739

01:24:13,419 --> 01:24:11,449

it's either black or white there's no

1740

01:24:16,090 --> 01:24:13,429

in-between you know you know you're

1741

01:24:17,890 --> 01:24:16,100

either gonna say you know for B or guess

1742

01:24:20,970 --> 01:24:17,900

they're your left wing is a right wing

1743

01:24:24,010 --> 01:24:20,980

and you know never the twain shall meet

1744

01:24:26,229 --> 01:24:24,020

if we have racial if we have racial

1745

01:24:28,450 --> 01:24:26,239

problems as we do among the humans on

1746

01:24:31,540 --> 01:24:28,460

this planet how do we how will we feel

1747

01:24:33,879 --> 01:24:31,550

about reptilians on this planet can we

1748

01:24:36,060 --> 01:24:33,889

live peacefully in a reptilian and human

1749

01:24:40,689 --> 01:24:36,070

society I don't think so

1750

01:24:43,719 --> 01:24:40,699

and there's a- again land

1751

01:24:46,149 --> 01:24:43,729

alright hey you gotta go I gotta go back

1752

01:24:47,679 --> 01:24:46,159

to the history Erica I gotta go back you

1753

01:24:49,290 --> 01:24:47,689

know hey but I can see there's a

1754

01:24:52,239 --> 01:24:49,300

difference here because you're going by

1755

01:24:54,819 --> 01:24:52,249

you know like what you've read Lenin and

1756

01:24:58,330 --> 01:24:54,829

what other people have told you in Erica

1757

01:25:01,120 --> 01:24:58,340

is going by what she has experienced so

1758

01:25:04,479 --> 01:25:01,130

I don't know how I feel right there's no

1759

01:25:06,399 --> 01:25:04,489

right or wrong here I mean if she says

1760

01:25:09,659 --> 01:25:06,409

that she's experienced he saying she's

1761

01:25:12,429 --> 01:25:09,669

really experienced them then the

1762

01:25:15,009 --> 01:25:12,439

reptilians if they are reptilians indeed

1763

01:25:17,049 --> 01:25:15,019

that she's encountered don't seem like

1764

01:25:18,520 --> 01:25:17,059

there is negative frankly I wouldn't

1765

01:25:21,729 --> 01:25:18,530

want to spend the evening with any of

1766

01:25:24,429 --> 01:25:21,739

them it doesn't it doesn't sound like I

1767

01:25:28,149 --> 01:25:24,439

I don't know I mean it's just it to me

1768

01:25:32,469 --> 01:25:28,159

at leaves a bad taste in my mouth I mean

1769

01:25:34,000 --> 01:25:32,479

so to speak i I don't you know if you

1770

01:25:37,299 --> 01:25:34,010

say they've taken over the world and

1771

01:25:39,009 --> 01:25:37,309

they're in control I don't know you know

1772

01:25:42,580 --> 01:25:39,019

this stuff has been good you know the

1773

01:25:44,949 --> 01:25:42,590

world has been a crisis for the last God

1774

01:25:48,310 --> 01:25:44,959

knows how many you know like millennia

1775

01:25:50,409 --> 01:25:48,320

and people want to blame it on on you

1776

01:25:53,709 --> 01:25:50,419

know was something Richard shaver had

1777

01:25:57,069 --> 01:25:53,719

his dear oh I I mean it's the same basic

1778

01:26:00,640 --> 01:25:57,079

story it's just a different character a

1779

01:26:03,069 --> 01:26:00,650

character development here you know I

1780

01:26:05,799 --> 01:26:03,079

mean we want to blame it on some out so

1781

01:26:09,699 --> 01:26:05,809

if we do something wrong we want to

1782

01:26:11,520 --> 01:26:09,709

blame it on some outside force you know

1783

01:26:14,439 --> 01:26:11,530

I don't know where does our own

1784

01:26:16,750 --> 01:26:14,449

responsibility you know like start where

1785

01:26:18,669 --> 01:26:16,760

does it stop that we've got to blame

1786

01:26:21,580 --> 01:26:18,679

everything on the reptilians are on the

1787

01:26:23,949 --> 01:26:21,590

Dero or on what say well well well you

1788

01:26:26,169 --> 01:26:23,959

know I mean so really pistols you want

1789

01:26:28,600 --> 01:26:26,179

to blame everything on Satan but you do

1790

01:26:31,569 --> 01:26:28,610

agree Tim don't you that the aliens to

1791

01:26:33,520 --> 01:26:31,579

control the banks and the media no I I

1792

01:26:34,959 --> 01:26:33,530

am no I have no idea

1793

01:26:38,399 --> 01:26:34,969

I think me exactly there are many a

1794

01:26:41,259 --> 01:26:38,409

bunch of how would I know that Ali is a

1795

01:26:45,549 --> 01:26:41,269

control the bank's when when I go into

1796

01:26:48,609 --> 01:26:45,559

the the bank to do my transactions I see

1797

01:26:49,440 --> 01:26:48,619

a nice friendly teller behind the behind

1798

01:26:51,750 --> 01:26:49,450

the window I

1799

01:26:53,610 --> 01:26:51,760

I don't know how would I could I could I

1800

01:26:56,340 --> 01:26:53,620

tell you that the Yale I don't like

1801
01:26:58,140 --> 01:26:56,350
banks in particular I've been screwed by

1802
01:27:00,510 --> 01:26:58,150
him a couple of times but I don't know

1803
01:27:02,280 --> 01:27:00,520
if I would blame that on reptilians I

1804
01:27:04,860 --> 01:27:02,290
what about what about what about the

1805
01:27:05,460 --> 01:27:04,870
post office Tim post office is another

1806
01:27:08,220 --> 01:27:05,470
matter

1807
01:27:10,410 --> 01:27:08,230
yeah say I would think that the post

1808
01:27:12,030 --> 01:27:10,420
office may be run by aliens the way they

1809
01:27:14,400 --> 01:27:12,040
the way they act sometimes and I know

1810
01:27:16,230 --> 01:27:14,410
they're in Manhattan I don't know I mean

1811
01:27:18,930 --> 01:27:16,240
I don't know who's controlling you

1812
01:27:21,570 --> 01:27:18,940
anything I'm afraid to open my microwave

1813
01:27:23,040 --> 01:27:21,580

now because somebody thinks that you

1814

01:27:25,050 --> 01:27:23,050

know you can see what's going on in your

1815

01:27:27,180 --> 01:27:25,060

apartment to the microwave and now they

1816

01:27:30,630 --> 01:27:27,190

tell me that you know if you've got the

1817

01:27:32,610 --> 01:27:30,640

earphones on they can you know like know

1818

01:27:34,710 --> 01:27:32,620

what you're listening to I don't know if

1819

01:27:36,720 --> 01:27:34,720

the whole world is screwed up if you ask

1820

01:27:40,680 --> 01:27:36,730

me and I don't know if you could blame

1821

01:27:42,780 --> 01:27:40,690

it on on anybody else to be honestly I

1822

01:27:45,360 --> 01:27:42,790

have I'd have to see a lot more proof to

1823

01:27:47,550 --> 01:27:45,370

be honestly and and I don't see any

1824

01:27:49,440 --> 01:27:47,560

proof actually I mean I hear a lot of I

1825

01:27:52,470 --> 01:27:49,450

hear a lot of stories and a lot of

1826

01:27:54,690 --> 01:27:52,480

conjecture there but I don't you know I

1827

01:27:56,490 --> 01:27:54,700

don't know I mean it's interesting it's

1828

01:28:00,120 --> 01:27:56,500

fascinating we have a good discussion

1829

01:28:02,220 --> 01:28:00,130

but Ill where where's the where's the

1830

01:28:04,890 --> 01:28:02,230

elephant in the room or the the serpent

1831

01:28:08,430 --> 01:28:04,900

in the room I I don't know how about the

1832

01:28:11,360 --> 01:28:08,440

fact that 50% of the human race live

1833

01:28:14,100 --> 01:28:11,370

below poverty yeah we just wash it

1834

01:28:17,820 --> 01:28:14,110

didn't have to do it what you want to

1835

01:28:20,010 --> 01:28:17,830

blame them look millions ate my homework

1836

01:28:21,450 --> 01:28:20,020

that's why I didn't I think you can

1837

01:28:23,340 --> 01:28:21,460

blame it on the Illuminati couldn't you

1838

01:28:25,550 --> 01:28:23,350

could you point it out I don't I don't

1839

01:28:28,320 --> 01:28:25,560

know the Illuminati seems so vague

1840

01:28:29,460 --> 01:28:28,330

anybody you don't you know that you

1841

01:28:31,830 --> 01:28:29,470

don't agree with you put them

1842

01:28:33,480 --> 01:28:31,840

Kissinger's in the Illuminati I mean the

1843

01:28:35,550 --> 01:28:33,490

Rothschilds are in the Illuminati I

1844

01:28:37,260 --> 01:28:35,560

don't know who's in Illuminati yeah you

1845

01:28:39,270 --> 01:28:37,270

know I think it's a very if there is

1846

01:28:41,810 --> 01:28:39,280

such a thing as the Illuminati I think

1847

01:28:44,250 --> 01:28:41,820

it's a very loose loosely knit the group

1848

01:28:47,520 --> 01:28:44,260

let's blame it on the Bilderbergers

1849

01:28:49,440 --> 01:28:47,530

today I don't know you know unbinding we

1850

01:28:51,390 --> 01:28:49,450

could we can blame anything you want but

1851

01:28:53,700 --> 01:28:51,400

hey we're running we're running short

1852

01:28:57,180 --> 01:28:53,710

here of time and I do want to go around

1853

01:28:59,970 --> 01:28:57,190

the the table one more time so that each

1854

01:29:03,659 --> 01:28:59,980

of you can tell our listeners where they

1855

01:29:06,839 --> 01:29:03,669

can get in touch with you and

1856

01:29:07,949 --> 01:29:06,849

you know what you have to to offer Solon

1857

01:29:09,059 --> 01:29:07,959

why don't why don't we start with you

1858

01:29:11,759 --> 01:29:09,069

you know you've got a couple of books

1859

01:29:13,139 --> 01:29:11,769

that are that you've written in the past

1860

01:29:15,929 --> 01:29:13,149

what are they

1861

01:29:18,209 --> 01:29:15,939

yeah my first book was secret history of

1862

01:29:20,669 --> 01:29:18,219

extraterrestrials which came out in 2010

1863

01:29:22,919 --> 01:29:20,679

the second one was secret journey to

1864

01:29:24,659 --> 01:29:22,929

Planet serpo and then my new book it was

1865

01:29:28,139 --> 01:29:24,669

the planets circle is pretty interesting

1866

01:29:30,509 --> 01:29:28,149

isn't that the supposedly the last scene

1867

01:29:32,579 --> 01:29:30,519

of the close encounter at a serious

1868

01:29:34,889 --> 01:29:32,589

items because Stuber get the whole story

1869

01:29:37,889 --> 01:29:34,899

absolutely no what were they were are

1870

01:29:39,899 --> 01:29:37,899

they reptilians no no not at all

1871

01:29:42,750 --> 01:29:39,909

in fact when Erica talked about them she

1872

01:29:45,209 --> 01:29:42,760

sounded more like the more like the even

1873

01:29:47,009 --> 01:29:45,219

than the ripped and the greys but she

1874

01:29:49,079 --> 01:29:47,019

was describing them yeah but I think it

1875

01:29:50,489 --> 01:29:49,089

was a fair die Rockwell it was a crash

1876

01:29:51,989 --> 01:29:50,499

at Roswell we're not greys they were

1877

01:29:53,819 --> 01:29:51,999

they were there were evens

1878

01:29:55,979 --> 01:29:53,829

I think they would I don't know I don't

1879

01:29:58,770 --> 01:29:55,989

even believe in the to me the Roswell so

1880

01:30:01,439 --> 01:29:58,780

I guess a is a lot of a conjecture I I

1881

01:30:03,149 --> 01:30:01,449

think it was probably something to do

1882

01:30:06,029 --> 01:30:03,159

with all these devices you know they

1883

01:30:08,509 --> 01:30:06,039

bought all these German scientists over

1884

01:30:10,379 --> 01:30:08,519

after the war kind of snuck them in the

1885

01:30:13,109 --> 01:30:10,389

into the country and they were

1886

01:30:15,479 --> 01:30:13,119

developing this stuff and and a lot of

1887

01:30:16,949 --> 01:30:15,489

what went on you know was a cover-up by

1888

01:30:19,079 --> 01:30:16,959

the the government because they didn't

1889

01:30:21,929 --> 01:30:19,089

want anybody to know that they were in

1890

01:30:24,839 --> 01:30:21,939

them cooperating with these Nazi

1891

01:30:26,819 --> 01:30:24,849

scientists you know so Roswell to me I

1892

01:30:28,799 --> 01:30:26,829

don't know I don't think I I wouldn't

1893

01:30:30,089 --> 01:30:28,809

say that it was a spaceship I mean you

1894

01:30:32,549 --> 01:30:30,099

could believe what you want but I don't

1895

01:30:34,259 --> 01:30:32,559

see any real evidence of it it was

1896

01:30:37,409 --> 01:30:34,269

something that crashed in the desert god

1897

01:30:38,939 --> 01:30:37,419

only knows what it was and and I think

1898

01:30:41,489 --> 01:30:38,949

that a lot of the people that were in

1899

01:30:43,049 --> 01:30:41,499

the military would rather have you think

1900

01:30:45,809 --> 01:30:43,059

that it was an extraterrestrial than

1901

01:30:48,389 --> 01:30:45,819

after admit hey well you know we were in

1902

01:30:50,759 --> 01:30:48,399

we were involved with the the Nazis in

1903

01:30:52,709 --> 01:30:50,769

those days bring him over and making

1904

01:30:55,799 --> 01:30:52,719

them miss citizens and although that's

1905

01:30:57,779 --> 01:30:55,809

my take on it anyway that was my second

1906

01:31:00,299 --> 01:30:57,789

book and this is my new book this one

1907

01:31:03,149 --> 01:31:00,309

just came out February 25th so it's

1908

01:31:05,819 --> 01:31:03,159

relatively new by the way the circle

1909

01:31:08,549 --> 01:31:05,829

book has been doing very well yes yeah

1910

01:31:10,529 --> 01:31:08,559

it has been and because we actually did

1911

01:31:14,069 --> 01:31:10,539

we did send 12 Americans to a distant

1912

01:31:16,350 --> 01:31:14,079

planet in 1965 it's a fantastic story

1913

01:31:20,130 --> 01:31:16,360

and have they come back

1914

01:31:22,380 --> 01:31:20,140

well seven did five five did not and the

1915

01:31:25,350 --> 01:31:22,390

seven that came back are they still here

1916

01:31:28,980 --> 01:31:25,360

al I know the last one died in 2002 in

1917

01:31:32,100 --> 01:31:28,990

Florida but because they talked a lot of

1918

01:31:33,960 --> 01:31:32,110

radiation on serpo did you did you did

1919

01:31:37,170 --> 01:31:33,970

you ever talk to any of these seven that

1920

01:31:42,240 --> 01:31:37,180

came back I did not know I did not but

1921

01:31:44,970 --> 01:31:42,250

you know did was uh let's see Bob Dean

1922

01:31:47,940 --> 01:31:44,980

knows a lot about the subject and

1923

01:31:50,550 --> 01:31:47,950

Whitley Strieber Whitley Strieber oh yes

1924

01:31:53,820 --> 01:31:50,560

met one of them at a conference

1925

01:31:56,880 --> 01:31:53,830

oh yeah no conference yes he talks about

1926

01:31:59,600 --> 01:31:56,890

that well I didn't realize that okay so

1927

01:32:02,490 --> 01:31:59,610

and your next project anything coming up

1928

01:32:05,160 --> 01:32:02,500

not yet I don't have anything mapped out

1929

01:32:09,090 --> 01:32:05,170

yet no I do not oh well just keep

1930

01:32:10,710 --> 01:32:09,100

fighting the reptilians yeah Len Len do

1931

01:32:12,810 --> 01:32:10,720

you have a website that people can go to

1932

01:32:15,060 --> 01:32:12,820

to find out more about you I do but it's

1933

01:32:17,000 --> 01:32:15,070

still under construction i scrapped the

1934

01:32:22,200 --> 01:32:17,010

old one I have a new one now it's called

1935

01:32:23,730 --> 01:32:22,210

et - secret history net and it's the

1936

01:32:26,160 --> 01:32:23,740

basic structure is out there but I'm

1937

01:32:29,430 --> 01:32:26,170

adding to it all the time and it's like

1938

01:32:32,220 --> 01:32:29,440

any work in progress working hardest and

1939

01:32:34,230 --> 01:32:32,230

Erica I know people could find you all

1940

01:32:40,200 --> 01:32:34,240

over the universe but give us a little

1941

01:32:44,460 --> 01:32:40,210

detail your book titles and well I I

1942

01:32:46,800 --> 01:32:44,470

actually retired my book title because I

1943

01:32:48,330 --> 01:32:46,810

gave away 200 copies for free so if

1944

01:32:51,390 --> 01:32:48,340

anybody ever tries to say that I'm

1945

01:32:54,060 --> 01:32:51,400

trying to give my experience for for

1946

01:32:55,800 --> 01:32:54,070

money that's wrong I gave it away

1947

01:32:57,750 --> 01:32:55,810

because the message was more important

1948

01:32:59,340 --> 01:32:57,760

than the money so I just want to say

1949

01:33:04,710 --> 01:32:59,350

that but you can find me at facebook.com

1950

01:33:09,540 --> 01:33:04,720

slash Erica get and now but I want to

1951

01:33:12,270 --> 01:33:09,550

say this real quick is you know it's

1952

01:33:15,420 --> 01:33:12,280

nice to to hear both sides but I think

1953

01:33:17,220 --> 01:33:15,430

that that we have to take a look I don't

1954

01:33:20,580 --> 01:33:17,230

think I know we have to take a look at

1955

01:33:23,490 --> 01:33:20,590

do we want to evolve or not and the

1956

01:33:24,780 --> 01:33:23,500

bottom line is we have to evolve and how

1957

01:33:28,130 --> 01:33:24,790

do you better yourself you better

1958

01:33:29,300 --> 01:33:28,140

yourself right we can't control other

1959

01:33:31,160 --> 01:33:29,310

bee

1960

01:33:34,310 --> 01:33:31,170

these other people we can only control

1961

01:33:36,290 --> 01:33:34,320

what we do and how we react and how we

1962

01:33:38,390 --> 01:33:36,300

treat others and that's where we have to

1963

01:33:41,360 --> 01:33:38,400

start to be responsible for ourselves

1964

01:33:44,150 --> 01:33:41,370

and then let it spread out so the love

1965

01:33:47,000 --> 01:33:44,160

is to let the love spread out it love

1966

01:33:49,010 --> 01:33:47,010

energy I want to say and that's that's

1967

01:33:50,930 --> 01:33:49,020

very important that we have to keep that

1968

01:33:53,690 --> 01:33:50,940

because right now you can see all across

1969

01:33:56,540 --> 01:33:53,700

the media you guys know I don't have to

1970

01:33:59,540 --> 01:33:56,550

tell you it can get crazy on Facebook

1971

01:34:02,630 --> 01:33:59,550

and politics and everything it is that

1972

01:34:05,870 --> 01:34:02,640

it's a crazy universe out there with or

1973

01:34:07,610 --> 01:34:05,880

without the the reptilians but speaking

1974

01:34:10,730 --> 01:34:07,620

of reptilians I do want to remind people

1975

01:34:12,380 --> 01:34:10,740

about our book on the subject reality of

1976

01:34:16,280 --> 01:34:12,390
