

WOMEN IN THE PARANORMAL VOL. 1

1
00:00:32,799 --> 00:00:21,840

[Music]

2
00:00:39,680 --> 00:00:36,439

now your electrifying hosts of exploring

3
00:00:56,430 --> 00:00:39,690

the bizarre Timothy Begley and King

4
00:01:06,390 --> 00:01:01,770

ah you know I'm I'm so exhausted from

5
00:01:09,900 --> 00:01:06,400

dragging these chains hmm you know the

6
00:01:13,290 --> 00:01:09,910

chains you forged in life too you know

7
00:01:18,060 --> 00:01:13,300

it's all because of women in the

8
00:01:21,300 --> 00:01:18,070

paranormal I would say well now now okay

9
00:01:22,830 --> 00:01:21,310

now why would why would that why would

10
00:01:25,020 --> 00:01:22,840

that cause you to drag chains around

11
00:01:28,950 --> 00:01:25,030

well I don't know maybe maybe it's just

12
00:01:30,540 --> 00:01:28,960

my purpose in life to to do that but you

13
00:01:33,719 --> 00:01:30,550

know that I don't mind doing it for a

14

00:01:37,080 --> 00:01:33,729

ghostly figure now no and I mean heck we

15

00:01:40,940 --> 00:01:37,090

have to keep everybody happy on both

16

00:01:45,330 --> 00:01:40,950

sides of the veil and and we've got a

17

00:01:47,340 --> 00:01:45,340

really interesting show I think lined up

18

00:01:52,260 --> 00:01:47,350

at Tim I believe we would call this a

19

00:01:55,590 --> 00:01:52,270

concept or a theme show yeah sure that's

20

00:01:58,350 --> 00:01:55,600

you know the high concept show yeah no I

21

00:02:01,139 --> 00:01:58,360

think I pick a theme show probably being

22

00:02:05,160 --> 00:02:01,149

show you now if we can iron out a few of

23

00:02:07,800 --> 00:02:05,170

the bugs it will do this on am a

24

00:02:11,970 --> 00:02:07,810

somewhat regular basis maybe every five

25

00:02:15,390 --> 00:02:11,980

or six weeks we'll have on gals who are

26
00:02:17,790 --> 00:02:15,400
involved in the the paranormal you know

27
00:02:19,740 --> 00:02:17,800
you hear about most of your UFO

28
00:02:23,699 --> 00:02:19,750
researchers is a very male oriented

29
00:02:27,510 --> 00:02:23,709
field ufology right and and even at a

30
00:02:30,449 --> 00:02:27,520
tea on TV or Bigfoot or all like the

31
00:02:33,180 --> 00:02:30,459
guys are all as big as Bigfoot normally

32
00:02:35,339 --> 00:02:33,190
and and certainly almost as hairy and

33
00:02:38,010 --> 00:02:35,349
then then you you've got your ghost

34
00:02:42,150 --> 00:02:38,020
hunters which seems to be Zach and

35
00:02:45,000 --> 00:02:42,160
friends and they they may employ a few

36
00:02:46,800 --> 00:02:45,010
women from time to time but it's a vast

37
00:02:50,339 --> 00:02:46,810
field out there of women who are

38
00:02:53,820 --> 00:02:50,349

involved in the paranormal and I have

39

00:02:56,070 --> 00:02:53,830

I've got a lot of Facebook friends who

40

00:02:58,680 --> 00:02:56,080

would fit into that category by all

41

00:03:01,290 --> 00:02:58,690

means now a Tim would you say though

42

00:03:03,510 --> 00:03:01,300

that you know in the old days the the

43

00:03:05,670 --> 00:03:03,520

field was kind of ripe with the wood

44

00:03:07,800 --> 00:03:05,680

ladies of being involved in this we

45

00:03:10,030 --> 00:03:07,810

could go back I suppose as far as the

46

00:03:12,009 --> 00:03:10,040

Oracle of Delphi

47

00:03:14,170 --> 00:03:12,019

she certainly was involved in the

48

00:03:17,050 --> 00:03:14,180

paranormal and and who else can you

49

00:03:19,899 --> 00:03:17,060

think of Tim oh well I mean you have

50

00:03:24,699 --> 00:03:19,909

some of the you know like early

51
00:03:27,160 --> 00:03:24,709
Victorian era psychical societies

52
00:03:31,030 --> 00:03:27,170
especially in London that even though

53
00:03:37,030 --> 00:03:31,040
that they were male-dominated their

54
00:03:41,259 --> 00:03:37,040
wives participated and actually came up

55
00:03:43,599 --> 00:03:41,269
with a lot of the experiments and wrote

56
00:03:45,550 --> 00:03:43,609
up you know like a lot of the notes and

57
00:03:48,250 --> 00:03:45,560
then the journals for their you know

58
00:03:50,890 --> 00:03:48,260
like the publications you know that they

59
00:03:57,610 --> 00:03:50,900
had even though at you know during that

60
00:04:00,789 --> 00:03:57,620
time it was unseemly you know for for

61
00:04:02,710 --> 00:04:00,799
women to participate you know in I guess

62
00:04:05,319 --> 00:04:02,720
a lot of them you instead of being

63
00:04:07,420 --> 00:04:05,329

researchers they were mediums I mean

64
00:04:11,259 --> 00:04:07,430
that Widow that was you know your seance

65
00:04:14,050 --> 00:04:11,269
room was filled with petticoats know

66
00:04:15,640 --> 00:04:14,060
very very oh yeah yeah very pretty I

67
00:04:20,319 --> 00:04:15,650
know I what they were hiding under the

68
00:04:22,839 --> 00:04:20,329
petticoats I don't take a skeptical of

69
00:04:29,409 --> 00:04:22,849
you know like everyone on that and of

70
00:04:32,879 --> 00:04:29,419
course we had Madame Blavatsky my course

71
00:04:40,860 --> 00:04:32,889
has started the Theosophical society and

72
00:04:43,260 --> 00:04:40,870
then Eileen Garrett who was head of the

73
00:04:45,969 --> 00:04:43,270
parapsychology group in fact I I just

74
00:04:47,830 --> 00:04:45,979
saw on the news the other day that they

75
00:04:51,370 --> 00:04:47,840
actually had a meeting there they still

76

00:04:52,540 --> 00:04:51,380

have a library and an organization even

77

00:04:54,279 --> 00:04:52,550

though I've tried to contact them

78

00:04:57,339 --> 00:04:54,289

several times and nobody has gotten back

79

00:04:59,189 --> 00:04:57,349

to me but they're still active so

80

00:05:03,430 --> 00:04:59,199

tonight in keeping with that tradition

81

00:05:06,969 --> 00:05:03,440

we are going to have on for ladies of

82

00:05:11,020 --> 00:05:06,979

the paranormal and hopefully Sean

83

00:05:14,529 --> 00:05:11,030

Robinson's with us yeah she will be soon

84

00:05:16,420 --> 00:05:14,539

oh yeah we're having we're having a

85

00:05:18,100 --> 00:05:16,430

little difficulty right now getting

86

00:05:19,460 --> 00:05:18,110

everybody you know shored up over the

87

00:05:21,800 --> 00:05:19,470

phone lines

88

00:05:26,690 --> 00:05:21,810

I think we're we can't we can't go back

89

00:05:28,760 --> 00:05:26,700

to telepathy like we used to no I don't

90

00:05:30,590 --> 00:05:28,770

think so and you know I mean while that

91

00:05:33,260 --> 00:05:30,600

would work for us I don't think it

92

00:05:35,180 --> 00:05:33,270

worked too well for the audience I don't

93

00:05:37,790 --> 00:05:35,190

know we've got some pretty good we've

94

00:05:41,060 --> 00:05:37,800

got some pretty adept people out there I

95

00:05:43,070 --> 00:05:41,070

know we get we get a few strange

96

00:05:45,860 --> 00:05:43,080

messages so I don't think that's out of

97

00:05:48,500 --> 00:05:45,870

the question well you know them I mean I

98

00:05:53,120 --> 00:05:48,510

think though that you know a lot of

99

00:05:56,900 --> 00:05:53,130

these you know like a modern paranormal

100

00:05:59,900 --> 00:05:56,910

researchers it's it's been for a while

101
00:06:02,060 --> 00:05:59,910
almost like UFO research which has been

102
00:06:05,390 --> 00:06:02,070
you know a pretty much male-dominated

103
00:06:09,770 --> 00:06:05,400
and inside outside of maybe betty hills

104
00:06:12,230 --> 00:06:09,780
knees and I just got a styler when she's

105
00:06:13,550 --> 00:06:12,240
acting up you know well I mean and there

106
00:06:17,120 --> 00:06:13,560
there are some you know some real

107
00:06:19,400 --> 00:06:17,130
standouts you know in the UFO field and

108
00:06:22,220 --> 00:06:19,410
it's it's getting more and more like

109
00:06:24,350 --> 00:06:22,230
that now in paranormal investigation you

110
00:06:28,760 --> 00:06:24,360
know while we saw as you mentioned at

111
00:06:33,140 --> 00:06:28,770
the beginning the program pro societies

112
00:06:34,850 --> 00:06:33,150
that you know like say the Haight used

113
00:06:36,530 --> 00:06:34,860

were leaders but you know you know I

114

00:06:38,780 --> 00:06:36,540

mean II of the people who you know as

115

00:06:41,750 --> 00:06:38,790

started them you know tended to be male

116

00:06:43,760 --> 00:06:41,760

and then you know they they would have

117

00:06:46,610 --> 00:06:43,770

been women you know kind of as a

118

00:06:50,270 --> 00:06:46,620

subordinate now I say should do Headley

119

00:06:53,120 --> 00:06:50,280

again you do have the Long Island medium

120

00:06:56,240 --> 00:06:53,130

who I don't know and I kind of like

121

00:06:59,900 --> 00:06:56,250

frown on her participation I mean she's

122

00:07:01,490 --> 00:06:59,910

more of a commercial entity than well I

123

00:07:03,950 --> 00:07:01,500

don't know maybe she has some ability I

124

00:07:05,960 --> 00:07:03,960

would you know I like to say I haven't

125

00:07:09,290 --> 00:07:05,970

tested her I haven't met her I don't

126
00:07:13,070 --> 00:07:09,300
know her but it seems like somewhat of a

127
00:07:15,230 --> 00:07:13,080
gimmick but then you know reality TV

128
00:07:17,750 --> 00:07:15,240
likes it's a gimmick I mean this is a

129
00:07:19,430 --> 00:07:17,760
series now and on what is it shooting

130
00:07:25,190 --> 00:07:19,440
Bigfoot or something like that right

131
00:07:27,830 --> 00:07:25,200
yeah well and I mean didn't the the what

132
00:07:30,200 --> 00:07:27,840
were the psychic society that that you

133
00:07:32,580 --> 00:07:30,210
ran the New York oh that well that's

134
00:07:35,190 --> 00:07:32,590
where I at the New York school of a

135
00:07:37,970 --> 00:07:35,200
all Arts and Sciences and I say that

136
00:07:41,220 --> 00:07:37,980
proudly because it was one of the first

137
00:07:43,620 --> 00:07:41,230
metaphysical schools in in the United

138
00:07:45,540 --> 00:07:43,630

States of course everybody jumped on the

139

00:07:47,700 --> 00:07:45,550

bandwagon well that was the heyday of

140

00:07:49,920 --> 00:07:47,710

course the 60s of group meetings and

141

00:07:53,780 --> 00:07:49,930

things like that now everybody is on

142

00:07:58,500 --> 00:07:53,790

skype or they're exchanging messages on

143

00:08:03,390 --> 00:07:58,510

facebook or if we're lucky they're

144

00:08:04,920 --> 00:08:03,400

listening to exploring mom bizarre yeah

145

00:08:08,160 --> 00:08:04,930

well what was the you know what would

146

00:08:13,050 --> 00:08:08,170

you say the ratio was though in in your

147

00:08:15,870 --> 00:08:13,060

group of females to tomorrow oh yeah now

148

00:08:17,090 --> 00:08:15,880

are you - are you speaking of the the

149

00:08:21,900 --> 00:08:17,100

instructors

150

00:08:24,210 --> 00:08:21,910

who you know what happened I mean I

151

00:08:27,630 --> 00:08:24,220

would say I never I never I never did

152

00:08:29,520 --> 00:08:27,640

take a statistical analysis of it I I

153

00:08:34,470 --> 00:08:29,530

probably noticed the ladies more they

154

00:08:39,060 --> 00:08:34,480

did the guys but no I I would say it was

155

00:08:41,070 --> 00:08:39,070

put up fairly evenly divided now if you

156

00:08:43,890 --> 00:08:41,080

took something like a hypnosis class or

157

00:08:46,860 --> 00:08:43,900

an astral projection class I would say

158

00:08:51,740 --> 00:08:46,870

it would be you know a good bit maybe

159

00:08:55,680 --> 00:08:51,750

70% men and the remainder of you know

160

00:08:56,130 --> 00:08:55,690

ladies if you talked about our Saturday

161

00:08:59,220 --> 00:08:56,140

nights

162

00:09:02,970 --> 00:08:59,230

seances which are very popular with

163

00:09:05,820 --> 00:09:02,980

kitty steel and and the late date

164

00:09:11,700 --> 00:09:05,830

Viviane the st. John the wrestler who

165

00:09:13,650 --> 00:09:11,710

worked for us as zoom iller they I would

166

00:09:18,000 --> 00:09:13,660

say that the seances were attended maybe

167

00:09:19,590 --> 00:09:18,010

about 80 85 percent by women and but I

168

00:09:24,020 --> 00:09:19,600

don't think it's because they have more

169

00:09:29,460 --> 00:09:26,850

because because maybe men are a little

170

00:09:31,380 --> 00:09:29,470

about a little bit shy about admitting

171

00:09:36,270 --> 00:09:31,390

that they might be interested in that

172

00:09:39,550 --> 00:09:36,280

type of thing you know possibly possibly

173

00:09:41,470 --> 00:09:39,560

you know it's

174

00:09:42,580 --> 00:09:41,480

and you know I mean you have a situation

175

00:09:46,120 --> 00:09:42,590

all around

176

00:09:48,010 --> 00:09:46,130

where I think people you know anybody

177

00:09:51,550 --> 00:09:48,020

may our female tend to be a little shy

178

00:09:53,950 --> 00:09:51,560

and admitting that they're interested or

179

00:09:58,480 --> 00:09:53,960

or or you know what to participate you

180

00:10:00,579 --> 00:09:58,490

know in this in this we the weird world

181

00:10:04,240 --> 00:10:00,589

of the the paranormal that never stopped

182

00:10:06,519 --> 00:10:04,250

us though no no I wouldn't say that it

183

00:10:08,829 --> 00:10:06,529

has I mean even in our program here I

184

00:10:11,950 --> 00:10:08,839

would say well I wouldn't say we've been

185

00:10:14,800 --> 00:10:11,960

evenly divided we probably had a few

186

00:10:17,970 --> 00:10:14,810

more men than we have ladies well maybe

187

00:10:22,570 --> 00:10:17,980

I would say 70/30 wouldn't you

188

00:10:24,130 --> 00:10:22,580

mm probably at this point I think that

189

00:10:26,560 --> 00:10:24,140

there are a lot of women out there who

190

00:10:30,730 --> 00:10:26,570

were very interested you know in this

191

00:10:33,190 --> 00:10:30,740

type of field and we'd like to get two

192

00:10:35,560 --> 00:10:33,200

of them up about right now yeah

193

00:10:39,070 --> 00:10:35,570

hopefully hopefully that will happen you

194

00:10:41,200 --> 00:10:39,080

know but you know I think that a lot of

195

00:10:44,470 --> 00:10:41,210

them you know they may not have an idea

196

00:10:46,570 --> 00:10:44,480

of how to go about it you know where to

197

00:10:48,280 --> 00:10:46,580

you know to find these organizations and

198

00:10:50,650 --> 00:10:48,290

you know and we're getting where they

199

00:10:54,400 --> 00:10:50,660

find organisms they feel comfortable you

200

00:10:57,790 --> 00:10:54,410

know uh participating in well I would I

201
00:10:59,320 --> 00:10:57,800
would say the UFO groups I seem to be

202
00:11:01,980 --> 00:10:59,330
still I mean if you're talking about the

203
00:11:06,340 --> 00:11:01,990
audience seem to be dominated by by a

204
00:11:07,900 --> 00:11:06,350
meant but then again the the groups that

205
00:11:10,540 --> 00:11:07,910
I have visited what they haven't had a

206
00:11:13,140 --> 00:11:10,550
you know exceedingly large crowd so it's

207
00:11:18,040 --> 00:11:13,150
hard kind of hard to say you know

208
00:11:21,400 --> 00:11:18,050
overall and now with the podcast then

209
00:11:23,860 --> 00:11:21,410
the expanded you know radio shows that

210
00:11:26,260 --> 00:11:23,870
are on the subject it's kind of hard to

211
00:11:28,960 --> 00:11:26,270
say who is listening actually none

212
00:11:31,210 --> 00:11:28,970
because we've got you know hundreds if

213
00:11:32,770 --> 00:11:31,220

not thousands of people I was going to

214

00:11:34,210 --> 00:11:32,780

say turning your dial but that doesn't

215

00:11:36,610 --> 00:11:34,220

happen anymore what do what do they do

216

00:11:39,070 --> 00:11:36,620

is screaming in that's right that's

217

00:11:41,949 --> 00:11:39,080

right just go to go to the website like

218

00:11:45,310 --> 00:11:41,959

this women and and stream your

219

00:11:47,040 --> 00:11:45,320

information in yeah but you know it just

220

00:11:50,860 --> 00:11:47,050

you know it makes me think of say like

221

00:11:52,480 --> 00:11:50,870

Marie at the end you know OMB Andrea you

222

00:11:56,769 --> 00:11:52,490

know I mean she

223

00:12:02,550 --> 00:11:59,019

now you know she has been active in the

224

00:12:05,650 --> 00:12:02,560

field for a number of years that's true

225

00:12:12,570 --> 00:12:05,660

but you know it seems to me that

226

00:12:15,699 --> 00:12:12,580

sometimes that someone has talented as

227

00:12:17,889 --> 00:12:15,709

she is really doesn't get the

228

00:12:22,690 --> 00:12:17,899

recognition I think a lot of times that

229

00:12:26,710 --> 00:12:22,700

she deserves again I mean you know

230

00:12:29,079 --> 00:12:26,720

you'll see you know men dominate the

231

00:12:32,920 --> 00:12:29,089

field and get the intention you know

232

00:12:40,360 --> 00:12:32,930

over really in my opinion a lot of ties

233

00:12:41,620 --> 00:12:40,370

a lot more even even at the evening as

234

00:12:43,329 --> 00:12:41,630

far as the mediums go

235

00:12:48,449 --> 00:12:43,339

I mean who have been the most popular

236

00:12:53,710 --> 00:12:48,459

mediums of our modern era Arthur Ford

237

00:12:57,460 --> 00:12:53,720

doc Anderson oh my god heard of dr.

238

00:13:00,010 --> 00:12:57,470

Anderson you know Tim I just found some

239

00:13:05,530 --> 00:13:00,020

photographs I took of doc Anderson in

240

00:13:07,690 --> 00:13:05,540

the 1960s he was down in I forget now

241

00:13:12,220 --> 00:13:07,700

North Carolina Louisiana somewhere there

242

00:13:15,550 --> 00:13:12,230

me and my my buddy baby Jerry who put

243

00:13:18,880 --> 00:13:15,560

out a cave is a comic book artist and we

244

00:13:22,060 --> 00:13:18,890

went down for a outdoor rock and roll

245

00:13:25,840 --> 00:13:22,070

festival and he insisted on stopping in

246

00:13:28,389 --> 00:13:25,850

and seeing dr. Anderson and so I took a

247

00:13:30,040 --> 00:13:28,399

roll of photographs and the photographs

248

00:13:33,250 --> 00:13:30,050

are in black and white and they're all

249

00:13:35,920 --> 00:13:33,260

rolled up I'm going to put a couple of

250

00:13:37,930 --> 00:13:35,930

them on the on the scanner you know and

251
00:13:40,329 --> 00:13:37,940
and then you know I mean that's probably

252
00:13:43,000 --> 00:13:40,339
the only photographs I haven't seen any

253
00:13:45,970 --> 00:13:43,010
photographs of Anderson on any of the

254
00:13:50,800 --> 00:13:45,980
but he was pretty popular then there was

255
00:13:52,510 --> 00:13:50,810
also Edward Snedeker he was the the used

256
00:13:54,010 --> 00:13:52,520
to come down to the occult center when

257
00:13:57,160 --> 00:13:54,020
we were in the basement under Fifth

258
00:13:59,560 --> 00:13:57,170
Avenue and he was big on healing a

259
00:14:03,370 --> 00:13:59,570
horses or something and he could predict

260
00:14:04,780 --> 00:14:03,380
like or he was your horse race guy you

261
00:14:06,519 --> 00:14:04,790
know I mean that's kind of strange but

262
00:14:09,639 --> 00:14:06,529
not really and

263
00:14:11,949 --> 00:14:09,649

there was Daniel Logan which you don't

264

00:14:15,460 --> 00:14:11,959

hear anything about anymore he was very

265

00:14:17,319 --> 00:14:15,470

popular at the time and then someone

266

00:14:18,730 --> 00:14:17,329

I've actually been in communication with

267

00:14:21,309 --> 00:14:18,740

and I've tried to get him on the program

268

00:14:22,989 --> 00:14:21,319

but he's over in England and I don't

269

00:14:27,369 --> 00:14:22,999

know if he'll ever come out of the show

270

00:14:29,710 --> 00:14:27,379

do you remember Matthew Manning I do do

271

00:14:34,119 --> 00:14:29,720

you yeah yeah well veteran Manning had

272

00:14:37,150 --> 00:14:34,129

this ability and it well okay it was

273

00:14:39,610 --> 00:14:37,160

kind of like the uri geller I mean he in

274

00:14:41,920 --> 00:14:39,620

bed sports he said well what are the

275

00:14:44,139 --> 00:14:41,930

interesting things that I saw he he came

276

00:14:45,910 --> 00:14:44,149

to and visited us at the occult Center

277

00:14:48,639 --> 00:14:45,920

oh I know he was the one that was a

278

00:14:52,480 --> 00:14:48,649

composer he could compose music like a

279

00:14:54,879 --> 00:14:52,490

lot of the the dead you know artists

280

00:14:58,119 --> 00:14:54,889

like Beethoven and Mozart and stuff like

281

00:15:00,869 --> 00:14:58,129

that okay I'm gonna I hate theater

282

00:15:05,019 --> 00:15:00,879

interrupt here but I see now that are

283

00:15:06,129 --> 00:15:05,029

our two guests the first hour are now

284

00:15:08,980 --> 00:15:06,139

online with this

285

00:15:11,920 --> 00:15:08,990

so tell me shall we go ahead and break

286

00:15:15,040 --> 00:15:11,930

them in here we have that I think so we

287

00:15:18,790 --> 00:15:15,050

have Sean Robin Saul there Sean hi there

288

00:15:21,939 --> 00:15:18,800

how are you doing tonight well I'm doing

289

00:15:24,879 --> 00:15:21,949

fine and how about yourself well I am

290

00:15:27,910 --> 00:15:24,889

doing even better because I am and on

291

00:15:29,460 --> 00:15:27,920

the phone with three people who are

292

00:15:34,569 --> 00:15:29,470

truly inspiring

293

00:15:36,610 --> 00:15:34,579

well are you talking and you don't even

294

00:15:37,449 --> 00:15:36,620

say you see my photo on there I don't

295

00:15:39,819 --> 00:15:37,459

know

296

00:15:41,769 --> 00:15:39,829

I do remote viewing I don't I don't I

297

00:15:43,090 --> 00:15:41,779

could actually tell what you're wearing

298

00:15:47,590 --> 00:15:43,100

that's right ah

299

00:15:50,829 --> 00:15:47,600

oh well but and then we also in addition

300

00:15:53,249 --> 00:15:50,839

to Sean Robbins we have Jen the viler is

301

00:15:55,780 --> 00:15:53,259

is that the way you pronounce it Jen

302

00:15:58,869 --> 00:15:55,790

it's actually good very a but pretty

303

00:16:02,189 --> 00:15:58,879

close but yeah we we try the best we can

304

00:16:05,110 --> 00:16:02,199

here anyway I wanted to start out with

305

00:16:10,150 --> 00:16:05,120

better to start out with with this Sean

306

00:16:12,699 --> 00:16:10,160

I I've known Sean since a long time a

307

00:16:15,389 --> 00:16:12,709

long time I had the 60s 70s I know

308

00:16:18,639 --> 00:16:15,399

though that time marches on you know

309

00:16:20,590 --> 00:16:18,649

when I first met this Sean she came down

310

00:16:23,139 --> 00:16:20,600

to the occult Center and

311

00:16:25,600 --> 00:16:23,149

we had our classes and workshops and

312

00:16:28,240 --> 00:16:25,610

readings and things along that line and

313

00:16:31,480 --> 00:16:28,250

at that time showing you were working as

314

00:16:36,400 --> 00:16:31,490

a medium with the late Hans Holzer

315

00:16:39,210 --> 00:16:36,410

correct absolutely and arms was the key

316

00:16:42,760 --> 00:16:39,220

was the original ghost hunter long

317

00:16:45,460 --> 00:16:42,770

before anybody else how did you meet

318

00:16:47,790 --> 00:16:45,470

Hans and and and what exactly did you do

319

00:16:51,220 --> 00:16:47,800

with him okay

320

00:16:55,389 --> 00:16:51,230

actually how I met Hans I was in the

321

00:16:58,660 --> 00:16:55,399

government of in the 1970s there was a

322

00:17:01,120 --> 00:16:58,670

program called the Stargate project and

323

00:17:03,250 --> 00:17:01,130

I was one of the first three psychics

324

00:17:08,699 --> 00:17:03,260

along with Uri Geller and Malcolm

325

00:17:13,319 --> 00:17:08,709

Balfour that were recruited by the CIA

326

00:17:16,860 --> 00:17:13,329

to spy on the Russians and ultimately

327

00:17:20,650 --> 00:17:16,870

work with naval intelligence to find

328

00:17:25,030 --> 00:17:20,660

submarines to save our country from war

329

00:17:26,770 --> 00:17:25,040

and Hans you know heard about this even

330

00:17:31,180 --> 00:17:26,780

though it supposedly you know an ultra

331

00:17:33,520 --> 00:17:31,190

seek sacred project and he felt that if

332

00:17:35,500 --> 00:17:33,530

you know I worked with him besides

333

00:17:37,840 --> 00:17:35,510

working with the government that my

334

00:17:40,480 --> 00:17:37,850

abilities would might be useful in

335

00:17:43,930 --> 00:17:40,490

investigating haunted houses as well and

336

00:17:46,510 --> 00:17:43,940

that's how I started off my career and

337

00:17:49,180 --> 00:17:46,520

and what houses did you want I mean did

338

00:17:51,910 --> 00:17:49,190

you investigate there did I investigate

339

00:17:55,540 --> 00:17:51,920

well there's a Greenwich Village we have

340

00:17:59,470 --> 00:17:55,550

a house on Gay Street built somewhere in

341

00:18:01,750 --> 00:17:59,480

the early 1800s and in this house there

342

00:18:04,750 --> 00:18:01,760

are like hidden rooms and the basement

343

00:18:07,210 --> 00:18:04,760

was actually used as a smuggling route

344

00:18:10,810 --> 00:18:07,220

for wine you know for people that were

345

00:18:13,290 --> 00:18:10,820

doing booze and ylabel like a good old

346

00:18:16,150 --> 00:18:13,300

blog about the good old bootleggers

347

00:18:19,510 --> 00:18:16,160

sadly one of the fights you know that

348

00:18:22,450 --> 00:18:19,520

occurred there was a murder and that

349

00:18:25,330 --> 00:18:22,460

house was haunted for generations Hans

350

00:18:28,240 --> 00:18:25,340

and I did a TV show was on CBS one of

351

00:18:31,740 --> 00:18:28,250

the first actually I think shows that

352

00:18:34,000 --> 00:18:31,750

Hans ever did unlike TV

353

00:18:35,920 --> 00:18:34,010

going into a haunted house and

354

00:18:40,600 --> 00:18:35,930

seeing a bucket I could pick up anything

355

00:18:42,850 --> 00:18:40,610

lo and behold I saw someone you know an

356

00:18:46,960 --> 00:18:42,860

older man and another younger man having

357

00:18:49,420 --> 00:18:46,970

a fight and there was a murder and it

358

00:18:52,660 --> 00:18:49,430

were true that what I was seeing

359

00:18:54,670 --> 00:18:52,670

actually happened including finding the

360

00:18:57,700 --> 00:18:54,680

hidden tunnels underneath that I said

361

00:19:00,640 --> 00:18:57,710

existed in this house that we use for

362

00:19:05,080 --> 00:19:00,650

the bootlegging that was the first show

363

00:19:07,390 --> 00:19:05,090

Hans also used me to find you probably

364

00:19:09,730 --> 00:19:07,400

don't your audience wouldn't know who he

365

00:19:12,070 --> 00:19:09,740

was but there was a very famous bishop

366

00:19:14,530 --> 00:19:12,080

called Bishop Pike who disappeared yeah

367

00:19:17,260 --> 00:19:14,540

where are you yes oh there's a committee

368

00:19:20,260 --> 00:19:17,270

tomb yeah yeah they do indeed probably

369

00:19:22,030 --> 00:19:20,270

in fact he is the subject yeah well I

370

00:19:25,840 --> 00:19:22,040

could tell a story but this is your show

371

00:19:28,540 --> 00:19:25,850

go ahead okay well the main thing that

372

00:19:32,740 --> 00:19:28,550

Hans wanted me to do to see if I could

373

00:19:36,310 --> 00:19:32,750

locate a bishop Pike's body and Hans

374

00:19:38,620 --> 00:19:36,320

would put me under hypnosis and he would

375

00:19:41,920 --> 00:19:38,630

say you know in this state that I was in

376

00:19:44,830 --> 00:19:41,930

could I use my abilities of remote

377

00:19:47,650 --> 00:19:44,840

viewing to see if I could find out where

378

00:19:51,160 --> 00:19:47,660

he was and I did I located his body

379

00:19:53,920 --> 00:19:51,170

sadly that was the Amityville Horror

380

00:19:56,080 --> 00:19:53,930

which can you wrote a book about well

381

00:19:58,150 --> 00:19:56,090

that's right you have a chapter in the

382

00:19:58,930 --> 00:19:58,160

chapter in the book a medieval and

383

00:20:00,970 --> 00:19:58,940

beyond

384

00:20:03,910 --> 00:20:00,980

and by the way Sean I happen to have a

385

00:20:06,190 --> 00:20:03,920

copy of my hand of Han soldiers the

386

00:20:07,780 --> 00:20:06,200

psychic world of Bishop Pike I have it

387

00:20:09,730 --> 00:20:07,790

right here in my hand because I've been

388

00:20:13,510 --> 00:20:09,740

reading it lately but go ahead tell it

389

00:20:17,020 --> 00:20:13,520

tell us the two Jay Riecke am happy yeah

390

00:20:19,450 --> 00:20:17,030

Hans was very much interested in is it

391

00:20:22,000 --> 00:20:19,460

actually something that your audience

392

00:20:25,660 --> 00:20:22,010

doesn't know and something Tim you don't

393

00:20:29,200 --> 00:20:25,670

remember but I do Tim and I were in a

394

00:20:33,850 --> 00:20:29,210

car and we were out gosh this was about

395

00:20:35,410 --> 00:20:33,860

I think within about a year after of you

396

00:20:37,600 --> 00:20:35,420

were in a car with a few other people

397

00:20:40,570 --> 00:20:37,610

actually with two other people because I

398

00:20:43,270 --> 00:20:40,580

remember Tim death but I don't expect

399

00:20:46,030 --> 00:20:43,280

you remember it we were going out with

400

00:20:49,480 --> 00:20:46,040

an evening trying to see if

401
00:20:50,170 --> 00:20:49,490
we ourselves any vibrations from the

402
00:20:53,290 --> 00:20:50,180
house

403
00:20:54,550 --> 00:20:53,300
we dig on unfortunately unfortunately

404
00:20:56,200 --> 00:20:54,560
I'm going to have to interrupt you here

405
00:20:58,300 --> 00:20:56,210
because we are at our bottom of the hour

406
00:21:01,240 --> 00:20:58,310
break so when we come back we continue

407
00:21:11,900 --> 00:21:01,250
our conversation with Sean and Jen on

408
00:21:11,910 --> 00:21:33,830
you

409
00:21:40,560 --> 00:21:38,009
now back to exploring the bazaar with

410
00:21:43,560 --> 00:21:40,570
two of the most electrifying researchers

411
00:21:48,359 --> 00:21:43,570
were paranoid your hosts Timothy

412
00:21:50,190 --> 00:21:48,369
evacuate handsome Schwartz and welcome

413
00:21:52,919 --> 00:21:50,200

back to exploring the bizarre are and

414

00:21:55,109 --> 00:21:52,929

tonight we are talking about women and

415

00:21:58,169 --> 00:21:55,119

the paranormal and we have with us right

416

00:22:00,419 --> 00:21:58,179

now Shaun Robinson Shaun I'd like you to

417

00:22:02,249 --> 00:22:00,429

continue your story which unfortunately

418

00:22:04,859 --> 00:22:02,259

I had to interrupt because we had a

419

00:22:09,629 --> 00:22:04,869

break to go to and so please I mean

420

00:22:13,379 --> 00:22:09,639

continue okay the first thing is being

421

00:22:16,919 --> 00:22:13,389

that I do remote viewing him the other

422

00:22:19,769 --> 00:22:16,929

Tim is going to blush okay after hands

423

00:22:22,919 --> 00:22:19,779

Holzer interviewed me under hypnosis

424

00:22:25,560 --> 00:22:22,929

about the Amityville Horror I think it

425

00:22:28,229 --> 00:22:25,570

was a year later Tim and I and about two

426

00:22:30,570 --> 00:22:28,239

other people want to go out to a

427

00:22:32,729 --> 00:22:30,580

medieval to see the house itself and

428

00:22:35,580 --> 00:22:32,739

we're in you know also for me to get

429

00:22:39,720 --> 00:22:35,590

impressions we were riding in the car we

430

00:22:42,930 --> 00:22:39,730

were about I'd say 90 excuse me percent

431

00:22:47,599 --> 00:22:42,940

there the car started to make unusual

432

00:22:51,389 --> 00:22:47,609

noises and I think Tim was driving and

433

00:22:54,269 --> 00:22:51,399

the steering wheel itself seemed to be

434

00:22:57,330 --> 00:22:54,279

going in another direction everyone in

435

00:23:00,629 --> 00:22:57,340

the car must have been me out yeah it

436

00:23:03,149 --> 00:23:00,639

was you it was absolutely you Tim and we

437

00:23:05,009 --> 00:23:03,159

kept saying they don't you know want us

438

00:23:07,710 --> 00:23:05,019

to go there they don't want us to see

439

00:23:10,889 --> 00:23:07,720

what happened it was almost like some

440

00:23:14,810 --> 00:23:10,899

force was stopping us from getting the

441

00:23:17,789 --> 00:23:14,820

last mile so to speak to the house and

442

00:23:20,789 --> 00:23:17,799

we decided that moment to turn around

443

00:23:24,919 --> 00:23:20,799

the minute we turned around the car

444

00:23:28,529 --> 00:23:24,929

acted normally now one could say that

445

00:23:31,769 --> 00:23:28,539

this was a paranormal experience we were

446

00:23:34,769 --> 00:23:31,779

very imaginative at that time or there

447

00:23:38,070 --> 00:23:34,779

really was something in that house that

448

00:23:41,419 --> 00:23:38,080

caused it to be haunted and the failure

449

00:23:44,190 --> 00:23:41,429

family or whatever did not want us to

450

00:23:45,980 --> 00:23:44,200

just you know to see the house so we

451
00:23:48,919 --> 00:23:45,990
never got out to see it

452
00:23:51,799 --> 00:23:48,929
and now Tim hopefully you can remember

453
00:23:55,669 --> 00:23:51,809
because I do is it's a story on an event

454
00:23:59,090 --> 00:23:55,679
in my life I'll never forget well you

455
00:23:59,899 --> 00:23:59,100
know we genocide we recorded of course

456
00:24:02,440 --> 00:23:59,909
huh

457
00:24:07,669 --> 00:24:02,450
we just did this book on a medieval and

458
00:24:09,680 --> 00:24:07,679
beyond and you did you did do a uh I

459
00:24:12,049 --> 00:24:09,690
guess even though we didn't make it to

460
00:24:15,639 --> 00:24:12,059
the house per se you did do a reading on

461
00:24:18,799 --> 00:24:15,649
the house for Hans right absolutely and

462
00:24:21,919 --> 00:24:18,809
one of the hardest things about being a

463
00:24:24,860 --> 00:24:21,929

psychic is that when you work on let's

464

00:24:28,610 --> 00:24:24,870

say murder cases with the police you

465

00:24:33,110 --> 00:24:28,620

pick up the vibrations of the victim and

466

00:24:37,340 --> 00:24:33,120

both the murderer and psychics can get

467

00:24:39,500 --> 00:24:37,350

into the mind of a criminal and not only

468

00:24:43,850 --> 00:24:39,510

you know pick up what they're thinking

469

00:24:46,039 --> 00:24:43,860

but actually pick up the events as it

470

00:24:49,820 --> 00:24:46,049

happened I hate to say it as they kill

471

00:24:52,970 --> 00:24:49,830

the people or persons involved in their

472

00:24:55,580 --> 00:24:52,980

murder spree and when I was under

473

00:24:58,220 --> 00:24:55,590

hypnosis with Hans during the Amity

474

00:25:00,470 --> 00:24:58,230

Zahara I picked up on those vibrations

475

00:25:03,529 --> 00:25:00,480

and I have to tell you it is something

476

00:25:06,980 --> 00:25:03,539

that you cannot erase from the mind

477

00:25:09,889 --> 00:25:06,990

because the human mind is almost like

478

00:25:13,070 --> 00:25:09,899

a computer it just picks up images and

479

00:25:16,340 --> 00:25:13,080

you don't forget them so even to this

480

00:25:18,980 --> 00:25:16,350

day this moment on phone talking to both

481

00:25:21,500 --> 00:25:18,990

of you I could still see the horrific

482

00:25:23,750 --> 00:25:21,510

imagery in front of me of that family

483

00:25:26,980 --> 00:25:23,760

being killed in the screams and Mahara

484

00:25:30,380 --> 00:25:26,990

the blood on the wall the gory details

485

00:25:32,539 --> 00:25:30,390

hello my bachelor that's the life

486

00:25:35,690 --> 00:25:32,549

sometimes of a psychic who works with

487

00:25:37,340 --> 00:25:35,700

the police and many psychics you know

488

00:25:39,769 --> 00:25:37,350

who are involved in the paranormal

489

00:25:44,090 --> 00:25:39,779

working with the police burnout for that

490

00:25:45,740 --> 00:25:44,100

reason because it's gut-wrenching to to

491

00:25:48,289 --> 00:25:45,750

deal with these things you have to

492

00:25:50,269 --> 00:25:48,299

really be strong because you should also

493

00:25:53,889 --> 00:25:50,279

at some times with the police shown

494

00:25:57,980 --> 00:25:53,899

pictures of the crime scene itself I

495

00:25:59,390 --> 00:25:57,990

remember once I did TV shows on again

496

00:26:02,390 --> 00:25:59,400

CBS

497

00:26:05,150 --> 00:26:02,400

and it was a live show they took me to

498

00:26:07,160 --> 00:26:05,160

it was actually in New York City to the

499

00:26:09,440 --> 00:26:07,170

house where the murder took place now

500

00:26:12,170 --> 00:26:09,450

you would think with Criminal

501
00:26:13,970 --> 00:26:12,180
Investigations that they would pick up

502
00:26:16,910 --> 00:26:13,980
any you know on everything but the

503
00:26:19,610 --> 00:26:16,920
police it was actually we never called

504
00:26:22,700 --> 00:26:19,620
the Batman and Robin of the police force

505
00:26:25,910 --> 00:26:22,710
this is going back to this 70s early or

506
00:26:30,130 --> 00:26:25,920
late 70s when I was doing the TV show I

507
00:26:32,750 --> 00:26:30,140
was felt and urged to go into a closet

508
00:26:36,020 --> 00:26:32,760
and I'm saying to myself why am I going

509
00:26:39,260 --> 00:26:36,030
into the closet and behind the clothes

510
00:26:42,620 --> 00:26:39,270
was a bloody footprint not footprint and

511
00:26:45,110 --> 00:26:42,630
print it and this was on TV so you know

512
00:26:48,110 --> 00:26:45,120
was shown as it was happening and that

513
00:26:51,919 --> 00:26:48,120

handprint was the handprint of the

514

00:26:53,660 --> 00:26:51,929

murderer whew hey Shaun we're going to

515

00:26:56,180 --> 00:26:53,670

have an easy audience in a little bit of

516

00:26:59,540 --> 00:26:56,190

suspense because we do have a another

517

00:27:02,299 --> 00:26:59,550

guess we need to bring on but I do want

518

00:27:04,010 --> 00:27:02,309

to well first of all Shawn also was

519

00:27:07,820 --> 00:27:04,020

known and I guess still is is one of the

520

00:27:11,000 --> 00:27:07,830

top 10 psychics in America her

521

00:27:12,770 --> 00:27:11,010

predictions were in the Inquirer every

522

00:27:16,310 --> 00:27:12,780

New Year's that was back when the

523

00:27:19,760 --> 00:27:16,320

Inquirer was a real paper and not owned

524

00:27:22,160 --> 00:27:19,770

by Donald Trump or something like that

525

00:27:24,410 --> 00:27:22,170

but we do want to mention Shawn's new

526

00:27:31,540 --> 00:27:24,420

book Shawn is called the good witch's

527

00:27:37,549 --> 00:27:35,240

the package it yes that that is the new

528

00:27:40,310 --> 00:27:37,559

book and my pretty close in the previous

529

00:27:43,370 --> 00:27:40,320

book is called Wikipedia and both these

530

00:27:45,080 --> 00:27:43,380

books are really for people well the

531

00:27:48,410 --> 00:27:45,090

second book is really great because it's

532

00:27:50,660 --> 00:27:48,420

holistic healing and you know it was

533

00:27:53,960 --> 00:27:50,670

herbs and in various things and how to

534

00:27:55,970 --> 00:27:53,970

heal your mind spirit and soul with

535

00:27:56,780 --> 00:27:55,980

these magical ingredients that you have

536

00:27:59,810 --> 00:27:56,790

in the kitchen

537

00:28:03,919 --> 00:27:59,820

well I remember Sanjay I remember Shawn

538

00:28:06,650 --> 00:28:03,929

going to you with you to a book signing

539

00:28:09,580 --> 00:28:06,660

and I think Daltons or Barnes and Noble

540

00:28:12,500 --> 00:28:09,590

downstairs and the place was packed so

541

00:28:13,100 --> 00:28:12,510

hopefully they'll set up something for

542

00:28:15,830 --> 00:28:13,110

you here

543

00:28:18,410 --> 00:28:15,840

Manhattan and we can get together in

544

00:28:19,940 --> 00:28:18,420

person and you can autograph a copy the

545

00:28:22,400 --> 00:28:19,950

book for me since I'm on the back cover

546

00:28:24,830 --> 00:28:22,410

and showing it while you are there again

547

556
00:28:53,320 --> 00:28:50,160
you what I would introduce our next

557
00:28:56,560 --> 00:28:53,330
guest who's been waiting in the wings

558
00:29:00,919 --> 00:28:56,570
waiting patiently in the wings Iroquois

559
00:29:03,980 --> 00:29:00,929
hahaha well uh Jen is a psychic medium

560
00:29:06,020 --> 00:29:03,990
spiritual teacher author lecturer and is

561
00:29:08,110 --> 00:29:06,030
well versed and doing a variety of

562
00:29:11,210 --> 00:29:08,120
readings including Tarot numerology

563
00:29:14,360 --> 00:29:11,220

Egyptian scarabs angel readings and the

564

00:29:16,850 --> 00:29:14,370

list goes on she's also the author of a

565

00:29:20,360 --> 00:29:16,860

really fascinating book called dark

566

00:29:23,990 --> 00:29:20,370

night haunting so Jen thank you for

567

00:29:26,960 --> 00:29:24,000

being with us tonight thank you for

568

00:29:31,130 --> 00:29:26,970

inviting me and I gotta say Sean's story

569

00:29:33,260 --> 00:29:31,140

was giving me chills over here so her

570

00:29:35,600 --> 00:29:33,270

ensuring injury that she was mentioning

571

00:29:38,270 --> 00:29:35,610

just had me like wow that's that's

572

00:29:40,580 --> 00:29:38,280

intense I can't imagine I mean it is

573

00:29:43,310 --> 00:29:40,590

true though we do see things almost like

574

00:29:46,220 --> 00:29:43,320

a motion picture playing in your head

575

00:29:48,260 --> 00:29:46,230

when you experience what they experience

576

00:29:52,430 --> 00:29:48,270

and things like that so it is it is very

577

00:29:55,010 --> 00:29:52,440

like that well your book title I'm a

578

00:29:59,480 --> 00:29:55,020

dark knight haunting it sounds like it

579

00:30:01,669 --> 00:29:59,490

might have some very sensational stories

580

00:30:04,220 --> 00:30:01,679

or experiences in there what when did

581

00:30:08,960 --> 00:30:04,230

you first find out that you were the

582

00:30:11,659 --> 00:30:08,970

psychic or paranormally inclined well

583

00:30:14,810 --> 00:30:11,669

for me it started around the age of 8 I

584

00:30:18,950 --> 00:30:14,820

saw my first shadow person

585

00:30:21,260 --> 00:30:18,960

I guess the paranormal the metaphysical

586

00:30:23,240 --> 00:30:21,270

were kind of tied together for me my

587

00:30:26,659 --> 00:30:23,250

whole life because my mom used to always

588

00:30:30,310 --> 00:30:26,669

go get her tarot cards read so

589

00:30:34,220 --> 00:30:30,320

it wasn't a strange thing to me I guess

590

00:30:36,440 --> 00:30:34,230

what scared me when I saw the figure was

591

00:30:41,029 --> 00:30:36,450

the fact of what is it doing in my house

592

00:30:44,269 --> 00:30:41,039

rather than what is it so it was kind of

593

00:30:46,669 --> 00:30:44,279

a strange emotion I did you know freeze

594

00:30:48,590 --> 00:30:46,679

for a second but it was more like what

595

00:30:50,599 --> 00:30:48,600

is this thinking about because it

596

00:30:55,159 --> 00:30:50,609

blocked the light out in the hallway

597

00:30:57,139 --> 00:30:55,169

completely I turned away and I heard my

598

00:30:59,330 --> 00:30:57,149

mom's key in the front door and I needi

599

00:31:01,960 --> 00:30:59,340

Utley looked back in the hallway and the

600

00:31:04,999 --> 00:31:01,970

lights back and there's nothing there so

601
00:31:08,869 --> 00:31:05,009
pretty much ever since then everything's

602
00:31:11,269 --> 00:31:08,879
just gone nuts mm-hmm well now was there

603
00:31:13,249 --> 00:31:11,279
anybody else in your family who was a

604
00:31:14,899 --> 00:31:13,259
gifted like you you know like your

605
00:31:15,440 --> 00:31:14,909
grandmother great-grandmother or

606
00:31:19,060 --> 00:31:15,450
something like that

607
00:31:22,249 --> 00:31:19,070
absolutely absolutely as far as I know

608
00:31:23,930 --> 00:31:22,259
pretty much all the women on my mother's

609
00:31:27,109 --> 00:31:23,940
side of the family all have abilities

610
00:31:29,419 --> 00:31:27,119
I'm the only one that's actually copped

611
00:31:31,430 --> 00:31:29,429
to it mmm

612
00:31:34,460 --> 00:31:31,440
they all pretty much deny it push it

613
00:31:37,669 --> 00:31:34,470

away you know Alice that you know now my

614

00:31:39,499 --> 00:31:37,679

mom with her getting up in years she's

615

00:31:41,899 --> 00:31:39,509

starting to accept it a little bit more

616

00:31:44,149 --> 00:31:41,909

and she calls me for advice you know

617

00:31:46,099 --> 00:31:44,159

what does this mean what why am i doing

618

00:31:49,070 --> 00:31:46,109

this why am I seeing this and things so

619

00:31:51,950 --> 00:31:49,080

she's starting to accept it now but when

620

00:31:53,570 --> 00:31:51,960

she was my age or younger she didn't

621

00:31:55,609 --> 00:31:53,580

want anything to do with it so she went

622

00:31:56,599 --> 00:31:55,619

to tarot readers instead I said well mom

623

00:31:59,029 --> 00:31:56,609

what's the difference

624

00:32:01,369 --> 00:31:59,039

why should she just read herself I mean

625

00:32:05,239 --> 00:32:01,379

she comes to me for readings you know

626

00:32:09,799 --> 00:32:05,249

and I you know it's just kind of funny

627

00:32:13,190 --> 00:32:09,809

but my grandmother had abilities and she

628

00:32:16,549 --> 00:32:13,200

just never wanted to acknowledge them to

629

00:32:21,169 --> 00:32:16,559

just new things and I believe my

630

00:32:24,919 --> 00:32:21,179

great-grandmother also had abilities she

631

00:32:27,619 --> 00:32:24,929

was put in a mental institution mental

632

00:32:29,749 --> 00:32:27,629

institution when she got older they

633

00:32:31,940 --> 00:32:29,759

thought she was nuts but if you think

634

00:32:33,799 --> 00:32:31,950

about it way back in that timeframe they

635

00:32:37,970 --> 00:32:33,809

would have thought anyone with abilities

636

00:32:40,040 --> 00:32:37,980

was not so there's that oh yeah yeah

637

00:32:44,860 --> 00:32:40,050

I've heard I've heard that quite off

638

00:32:47,780 --> 00:32:44,870

okay well why do you think that that you

639

00:32:51,320 --> 00:32:47,790

was able to accept this when you had

640

00:32:53,390 --> 00:32:51,330

several generations you know who are

641

00:32:56,120 --> 00:32:53,400

afraid to accept it w things it's kind

642

00:32:58,700 --> 00:32:56,130

of like a sign of the times or or you

643

00:33:00,650 --> 00:32:58,710

know or you just have a you know that

644

00:33:02,180 --> 00:33:00,660

that personality is just like you know

645

00:33:06,380 --> 00:33:02,190

the hell with this I'm going to go for

646

00:33:08,180 --> 00:33:06,390

it well I think again it has a lot to do

647

00:33:10,010 --> 00:33:08,190

with the fact that my mom already was

648

00:33:11,840 --> 00:33:10,020

going to see tarot card readers and

649

00:33:16,370 --> 00:33:11,850

things like that so my mind was already

650

00:33:19,250 --> 00:33:16,380

open she never tried to force any type

651

00:33:24,350 --> 00:33:19,260

of religion on me she always let me

652

00:33:26,210 --> 00:33:24,360

believe what I wanted to believe so it

653

00:33:27,440 --> 00:33:26,220

was one of those she never said you know

654

00:33:29,210 --> 00:33:27,450

I know you're talking to your imaginary

655

00:33:33,290 --> 00:33:29,220

friends you never said anything like

656

00:33:36,050 --> 00:33:33,300

that not to say that she always believed

657

00:33:39,770 --> 00:33:36,060

the things I experiences experience

658

00:33:44,150 --> 00:33:39,780

because she didn't but she wouldn't

659

00:33:47,540 --> 00:33:44,160

ridicule me about them either so having

660

00:33:50,330 --> 00:33:47,550

an open door like that makes it a little

661

00:33:56,210 --> 00:33:50,340

easier for you to accept about yourself

662

00:33:59,480 --> 00:33:56,220

and I don't know I think part of it is I

663

00:34:01,730 --> 00:33:59,490

have a destiny to fulfill to help as

664

00:34:04,340 --> 00:34:01,740

many people as I possibly can before I

665

00:34:06,860 --> 00:34:04,350

leave this realm and that's part of me

666

00:34:10,550 --> 00:34:06,870

acknowledging my power and using it for

667

00:34:14,300 --> 00:34:10,560

what I need to do which is as much good

668

00:34:17,540 --> 00:34:14,310

as possible so you know I don't know

669

00:34:19,430 --> 00:34:17,550

what my mom you know I don't know what

670

00:34:21,290 --> 00:34:19,440

her journey is I'm not sure what she's

671

00:34:24,770 --> 00:34:21,300

supposed to be here doing I just know

672

00:34:28,820 --> 00:34:24,780

what I'm supposed to be here doing well

673

00:34:34,340 --> 00:34:28,830

is this something that happens to you

674

00:34:36,680 --> 00:34:34,350

like all the time every day or does it

675

00:34:38,540 --> 00:34:36,690

you know like working in fits and starts

676
00:34:41,300 --> 00:34:38,550
you just you know because I've known

677
00:34:44,150 --> 00:34:41,310
some people but you know they can go for

678
00:34:45,800 --> 00:34:44,160
a couple of weeks and nothing happens

679
00:34:47,990 --> 00:34:45,810
and then you know it's almost you know

680
00:34:50,140 --> 00:34:48,000
like a dam burst and then in one day's

681
00:34:52,659 --> 00:34:50,150
time they're just almost overwhelmed

682
00:34:54,549 --> 00:34:52,669
with impressions and you

683
00:34:56,200 --> 00:34:54,559
like you said you know shadow people

684
00:35:00,490 --> 00:34:56,210
we're going to run it over you're down

685
00:35:05,410 --> 00:35:00,500
there hallway and things like that well

686
00:35:07,809 --> 00:35:05,420
I think for me having learned a lot on

687
00:35:12,549 --> 00:35:07,819
astrology I can honestly tell you that

688
00:35:14,589 --> 00:35:12,559

right now with what's going on with the

689

00:35:18,220 --> 00:35:14,599

astrological whether it actually does

690

00:35:20,859 --> 00:35:18,230

line up and it is making the veil almost

691

00:35:22,599 --> 00:35:20,869

non-existent I think any of my other

692

00:35:25,930 --> 00:35:22,609

psychic colleagues would tell you the

693

00:35:27,819 --> 00:35:25,940

same thing the veil is super thin right

694

00:35:29,500 --> 00:35:27,829

now so there's a lot of people that have

695

00:35:31,780 --> 00:35:29,510

never experienced anything that are

696

00:35:35,349 --> 00:35:31,790

contacting me and change in what's going

697

00:35:41,230 --> 00:35:35,359

on in my house it was like welcome to my

698

00:35:45,970 --> 00:35:41,240

world but for me I I kind of keep my my

699

00:35:47,920 --> 00:35:45,980

home as a fortress so I do have

700

00:35:50,589 --> 00:35:47,930

boundaries up and that's not to say that

701
00:35:53,079 --> 00:35:50,599
nothing ever comes through but typically

702
00:35:56,289 --> 00:35:53,089
what comes through is like somebody just

703
00:35:59,680 --> 00:35:56,299
literally walking through because they

704
00:36:01,450 --> 00:35:59,690
have no sense of oh I'm walking through

705
00:36:03,789 --> 00:36:01,460
a wall or whatever they don't care they

706
00:36:05,530 --> 00:36:03,799
just walk right through and I've had it

707
00:36:07,120 --> 00:36:05,540
happen to me plenty of times in the

708
00:36:09,010 --> 00:36:07,130
middle of the night you see somebody

709
00:36:14,680 --> 00:36:09,020
walking through and you're say okay you

710
00:36:15,420 --> 00:36:14,690
know for me it's normal but it's kind of

711
00:36:18,240 --> 00:36:15,430
random

712
00:36:21,720 --> 00:36:18,250
do you have guy I have Laird guides

713
00:36:25,120 --> 00:36:21,730

spirit guides yes mm-hmm

714

00:36:28,299 --> 00:36:25,130

absolutely these are regular entities

715

00:36:30,490 --> 00:36:28,309

that come through to you now now where

716

00:36:32,620 --> 00:36:30,500

are they residing are they in another

717

00:36:36,250 --> 00:36:32,630

realm or in the summer lander another

718

00:36:38,859 --> 00:36:36,260

realm yeah yeah they're well Wiccans

719

00:36:43,630 --> 00:36:38,869

we'll call it summer land Christians we

720

00:36:47,289 --> 00:36:43,640

call it heaven I just call it the other

721

00:36:49,960 --> 00:36:47,299

side or the energy that we all go back

722

00:36:54,370 --> 00:36:49,970

to when we leave this realm but there's

723

00:36:58,180 --> 00:36:54,380

a realm that's also in between ours and

724

00:37:00,280 --> 00:36:58,190

the one we end up in right there's a

725

00:37:02,920 --> 00:37:00,290

membrane that they have to go through in

726

00:37:06,640 --> 00:37:02,930

that middle area that's where all the

727

00:37:11,140 --> 00:37:06,650

ghosts and lost entities and stuff

728

00:37:13,210 --> 00:37:11,150

up in there and I've just been running

729

00:37:16,590 --> 00:37:13,220

horse and we're together and having

730

00:37:19,900 --> 00:37:16,600

experience or or any of that you know

731

00:37:21,760 --> 00:37:19,910

entities whose job it is to contact you

732

00:37:26,730 --> 00:37:21,770

to prevail and giving different

733

00:37:29,260 --> 00:37:26,740

information out your spirit guides

734

00:37:31,420 --> 00:37:29,270

that's those are people you actually

735

00:37:34,330 --> 00:37:31,430

make it sort of like a verbal contract

736

00:37:36,490 --> 00:37:34,340

list before you even reincarnate it into

737

00:37:38,530 --> 00:37:36,500

this life that they would be the ones

738

00:37:42,910 --> 00:37:38,540

that would help you navigate through

739

00:37:45,760 --> 00:37:42,920

life so they are where we go back to

740

00:37:49,630 --> 00:37:45,770

they're over there it's the same thing

741

00:37:51,970 --> 00:37:49,640

with people sometimes confuse we won't

742

00:37:54,970 --> 00:37:51,980

get in to too far into that but Twin

743

00:37:58,480 --> 00:37:54,980

Flames and things like that usually if

744

00:38:00,790 --> 00:37:58,490

you split ones over there and ones over

745

00:38:03,940 --> 00:38:00,800

here but it's the same with the spirit

746

00:38:07,900 --> 00:38:03,950

guides they're over there and here's the

747

00:38:09,910 --> 00:38:07,910

catch they're there to guide us but they

748

00:38:13,240 --> 00:38:09,920

can't tell us everything because if they

749

00:38:16,060 --> 00:38:13,250

did that we would ultimately use our

750

00:38:21,880 --> 00:38:16,070

freewill and change something and not

751

00:38:23,380 --> 00:38:21,890

end up where we're supposed to end up so

752

00:38:28,510 --> 00:38:23,390

even if you were to ask your spirit

753

00:38:31,090 --> 00:38:28,520

guide who you're going to marry or

754

00:38:32,500 --> 00:38:31,100

whatever they can't tell you because if

755

00:38:35,410 --> 00:38:32,510

they tell you then something's going to

756

00:38:43,300 --> 00:38:35,420

change so they're limited on what they

757

00:38:48,700 --> 00:38:43,310

can guide you with well do your spirit

758

00:38:52,900 --> 00:38:48,710

guides I mean if if you are working with

759

00:38:58,030 --> 00:38:52,910

another person do these spirit guides I

760

00:39:01,810 --> 00:38:58,040

mean are they able to work with these

761

00:39:03,580 --> 00:39:01,820

other people or do you know are do they

762

00:39:05,920 --> 00:39:03,590

talk to say like you know the person

763

00:39:07,360 --> 00:39:05,930

you're working with spirit guides that

764

00:39:10,480 --> 00:39:07,370

you know they may not necessarily be

765

00:39:14,190 --> 00:39:10,490

able to you know get the impressions

766

00:39:16,960 --> 00:39:14,200

from them like you can that makes sense

767

00:39:20,540 --> 00:39:16,970

you mean like if I'm if I'm working on a

768

00:39:24,200 --> 00:39:20,550

client yes yes

769

00:39:26,050 --> 00:39:24,210

yes it's kind of a collage when I'm

770

00:39:28,640 --> 00:39:26,060

working on a client it's kind of

771

00:39:30,860 --> 00:39:28,650

sometimes it's my spirit guide that

772

00:39:33,950 --> 00:39:30,870

comes through and has gotten information

773

00:39:36,730 --> 00:39:33,960

from their or theirs will directly come

774

00:39:40,730 --> 00:39:36,740

through to me although it can either

775

00:39:45,740 --> 00:39:40,740

yeah it can be either or it just depends

776

00:39:48,370 --> 00:39:45,750

on who wants to speak up basically no do

777

00:39:52,280 --> 00:39:48,380

they do they have okay in addition to

778

00:39:56,180 --> 00:39:52,290

you know giving your clients information

779

00:39:58,310 --> 00:39:56,190

that will be of interest to them and you

780

00:40:00,260 --> 00:39:58,320

know in their in their lives do they

781

00:40:03,020 --> 00:40:00,270

tell you anything like say about world

782

00:40:05,540 --> 00:40:03,030

events or what's going on on the other

783

00:40:07,280 --> 00:40:05,550

side though is you have a prolonged

784

00:40:08,870 --> 00:40:07,290

conversation or is it just something

785

00:40:13,910 --> 00:40:08,880

that takes place while you're doing the

786

00:40:15,350 --> 00:40:13,920

readings uh yeah they don't my guides

787

00:40:20,710 --> 00:40:15,360

don't tell me anything about world

788

00:40:23,420 --> 00:40:20,720

events not not all psychics have the I

789

00:40:24,680 --> 00:40:23,430

guess good luck to be able to see that

790

00:40:26,840 --> 00:40:24,690

sort of thing

791

00:40:29,630 --> 00:40:26,850

we all kind of have different degrees of

792

00:40:34,460 --> 00:40:29,640

our talents and our gifts because we all

793

00:40:36,410 --> 00:40:34,470

have different paths with it mine is

794

00:40:39,250 --> 00:40:36,420

more or less helping people get their

795

00:40:44,300 --> 00:40:39,260

lives back on track and Tech's forward

796

00:40:46,070 --> 00:40:44,310

for their own life path therefore you

797

00:40:49,100 --> 00:40:46,080

know I don't see world events when I'm

798

00:40:51,530 --> 00:40:49,110

doing a reading on a client as far as

799

00:40:54,530 --> 00:40:51,540

future I really don't do any

800

00:40:56,630 --> 00:40:54,540

fortune-telling either so when I read

801
00:40:59,920 --> 00:40:56,640
for a client I'm telling them what is

802
00:41:04,130 --> 00:40:59,930
and what's likely going to happen and

803
00:41:06,050 --> 00:41:04,140
unless they do something to change it so

804
00:41:08,690 --> 00:41:06,060
if there's something that's you know not

805
00:41:10,670 --> 00:41:08,700
nice that's probably going to happen if

806
00:41:14,000 --> 00:41:10,680
they don't change the course then they

807
00:41:18,680 --> 00:41:14,010
have a heads up and they can make a

808
00:41:21,230 --> 00:41:18,690
change free will is always involved what

809
00:41:23,390 --> 00:41:21,240
what yeah this is a your time the title

810
00:41:27,410 --> 00:41:23,400
of your book is very intriguing Dark

811
00:41:28,670 --> 00:41:27,420
Knight wanting now what what exactly is

812
00:41:33,950 --> 00:41:28,680
that I mean is that different than

813
00:41:36,049 --> 00:41:33,960

similar or to Gore well hey good

814

00:41:37,400 --> 00:41:36,059

I'm not really sure how I came up with

815

00:41:41,230 --> 00:41:37,410

the title

816

00:41:45,589 --> 00:41:41,240

the actual book itself is my paranormal

817

00:41:49,549 --> 00:41:45,599

autobiography and that's just the name I

818

00:41:52,400 --> 00:41:49,559

think maybe my guide told me to to use

819

00:41:54,230 --> 00:41:52,410

it I'm not really sure how how I came up

820

00:41:55,990 --> 00:41:54,240

with that one but it just sort of popped

821

00:42:00,170 --> 00:41:56,000

out and I said okay that's what I'll use

822

00:42:03,099 --> 00:42:00,180

the title I would say that the guy said

823

00:42:06,530 --> 00:42:03,109

oh right the right direction there yeah

824

00:42:09,140 --> 00:42:06,540

it's final because stare order on the

825

00:42:14,540 --> 00:42:09,150

picture are from Marble Falls Texas

826

00:42:17,960 --> 00:42:14,550

which is a an area that has these caves

827

00:42:20,299 --> 00:42:17,970

the Longhorn caverns and they're

828

00:42:23,049 --> 00:42:20,309

reportedly haunted so I thought how cool

829

00:42:25,760 --> 00:42:23,059

I should just use those stairs for that

830

00:42:32,230 --> 00:42:25,770

for the book cover so it kind of tied in

831

00:42:35,839 --> 00:42:32,240

together so now are the spirits that

832

00:42:38,630 --> 00:42:35,849

that you work with and you know and

833

00:42:42,020 --> 00:42:38,640

other people you know who work with are

834

00:42:43,430 --> 00:42:42,030

they all good because I know that there

835

00:42:45,200 --> 00:42:43,440

are some people who dispute the whole

836

00:42:47,240 --> 00:42:45,210

idea that you know that you know that

837

00:42:48,740 --> 00:42:47,250

there's you know get spirits and evil

838

00:42:50,180 --> 00:42:48,750

spirits and you know everything like

839

00:42:52,660 --> 00:42:50,190

that but I mean you know what's your

840

00:42:57,500 --> 00:42:52,670

impression you know one of those lines

841

00:43:00,319 --> 00:42:57,510

um I've never encountered anything that

842

00:43:03,049 --> 00:43:00,329

was inherently evil I've never

843

00:43:05,510 --> 00:43:03,059

encountered a demon but I'm not going to

844

00:43:08,410 --> 00:43:05,520

tell you that they don't exist I ant my

845

00:43:14,170 --> 00:43:08,420

answer is I don't know if they do or not

846

00:43:17,870 --> 00:43:14,180

the ones that I've encountered have been

847

00:43:20,299 --> 00:43:17,880

basically their former self if they're

848

00:43:22,880 --> 00:43:20,309

in ghost farm if they're in that that

849

00:43:26,120 --> 00:43:22,890

middle realm then they are basically

850

00:43:28,460 --> 00:43:26,130

going to still be who they were when

851

00:43:30,589 --> 00:43:28,470

they were alive so if they were not very

852

00:43:33,770 --> 00:43:30,599

nice when they were alive they're still

853

00:43:35,720 --> 00:43:33,780

the same person so those would be the

854

00:43:37,730 --> 00:43:35,730

ones that are scratching people and

855

00:43:39,319 --> 00:43:37,740

don't want them in their home and do

856

00:43:42,799 --> 00:43:39,329

whatever they can to try to scare people

857

00:43:45,910 --> 00:43:42,809

out of there and things like that and so

858

00:43:47,720 --> 00:43:45,920

now is is there any hope for for those

859

00:43:50,060 --> 00:43:47,730

spirits you know seems to me

860

00:43:51,710 --> 00:43:50,070

they're almost just like like lost and

861

00:43:53,570 --> 00:43:51,720

you know they have no place to go and no

862

00:43:55,630 --> 00:43:53,580

knowledge of how to get out of their

863

00:43:58,220 --> 00:43:55,640

situation

864

00:44:01,310 --> 00:43:58,230

well that's the thing that's that's

865

00:44:03,740 --> 00:44:01,320

where people like us come in and try to

866

00:44:06,290 --> 00:44:03,750

get their attention if they do pay

867

00:44:08,000 --> 00:44:06,300

attention then we're able to you know

868

00:44:10,400 --> 00:44:08,010

kind of work with them and it's almost

869

00:44:14,150 --> 00:44:10,410

kind of like a counseling job like we're

870

00:44:16,190 --> 00:44:14,160

counseling you know crossover or not

871

00:44:17,930 --> 00:44:16,200

even crossed over but we're counseling

872

00:44:19,760 --> 00:44:17,940

the dead trying to get them to go to

873

00:44:22,190 --> 00:44:19,770

where they need to go because ultimately

874

00:44:26,240 --> 00:44:22,200

if they go and go through that light and

875

00:44:28,400 --> 00:44:26,250

go to where they need to be they're not

876

00:44:31,190 --> 00:44:28,410

going to be stuck here anymore and

877

00:44:33,680 --> 00:44:31,200

they're going to be happy so that is

878

00:44:36,620 --> 00:44:33,690

kind of a goal so when I say that I'm

879

00:44:38,900 --> 00:44:36,630

helping people I'm telling you that it

880

00:44:40,880 --> 00:44:38,910

kind of stretches across boundaries and

881

00:44:44,810 --> 00:44:40,890

realms I'm trying to help as many souls

882

00:44:49,280 --> 00:44:44,820

as I can so that kind of includes our

883

00:44:52,220 --> 00:44:49,290

realm and the next realm so now if our

884

00:44:53,870 --> 00:44:52,230

listeners want to contact you or find

885

00:45:00,080 --> 00:44:53,880

out more about - how can they go about

886

00:45:05,690 --> 00:45:00,090

that very easily I have a website Jenn

887

00:45:09,349 --> 00:45:05,700

deville yay calm that's J en de vie IL I

888

00:45:16,040 --> 00:45:09,359

ier calm and that connects to my Twitter

889

00:45:18,200 --> 00:45:16,050

my facebook my blog um my book pretty

890

00:45:20,540 --> 00:45:18,210

much anything you want to know is going

891

00:45:22,940 --> 00:45:20,550

to be on that website well I believe

892

00:45:24,560 --> 00:45:22,950

that's how I found you was on the

893

00:45:28,310 --> 00:45:24,570

Facebook there you have a very active

894

00:45:31,040 --> 00:45:28,320

page and I must say yeah even though the

895

00:45:34,190 --> 00:45:31,050

time was somewhat short it did roll

896

00:45:36,849 --> 00:45:34,200

right along I mean I I want to thank our

897

00:45:42,349 --> 00:45:36,859

- our first the two guests with evening

898

00:45:44,060 --> 00:45:42,359

Sean and Janna and I hear that the guy

899

00:45:47,090 --> 00:45:44,070

in the background Tim who's going to

900

00:45:50,540 --> 00:45:47,100

take over and annoy us once more but

901
00:45:56,720 --> 00:45:50,550
we'll be back right after a little break

902
00:45:57,590 --> 00:45:56,730
and remember the visit the goes go by

903
00:46:01,100 --> 00:45:57,600
the books of

904
00:46:03,380 --> 00:46:01,110
our authors here and call them for

905
00:46:11,380 --> 00:46:03,390
reading get in touch with them and study

906
00:46:17,090 --> 00:46:14,390
explode the bazaar

907
00:46:20,900 --> 00:46:17,100
you're eating it ride is the world of

908
00:46:23,330 --> 00:46:20,910
the paranormal strap yourself in as we

909
00:46:26,930 --> 00:46:23,340
traverse the universe exploring the

910
00:46:30,770 --> 00:46:26,940
unexplained UFO ghost

911
00:46:34,760 --> 00:46:30,780
lost world cryptozoology waters as well

912
00:46:39,080 --> 00:46:34,770
as other dimensions it's time to take

913
00:46:41,270 --> 00:46:39,090

back the NASA night now you are

914

00:46:49,829 --> 00:46:41,280

electrifying hosts of exploring the

915

00:46:57,160 --> 00:46:53,260

well Tim the night has been rolling

916

00:46:59,890 --> 00:46:57,170

along well I think this is the first

917

00:47:03,640 --> 00:46:59,900

time outside of our tributes of bread

918

00:47:06,730 --> 00:47:03,650

stagger in our gala Christmas show we

919

00:47:09,820 --> 00:47:06,740

had so many people hanging on the tree

920

00:47:12,190 --> 00:47:09,830

there that we've had for a guest on but

921

00:47:14,920 --> 00:47:12,200

you know there are so many ladies now

922

00:47:18,160 --> 00:47:14,930

involved in the paranormal I wanted to

923

00:47:20,440 --> 00:47:18,170

have on you know like quite a number of

924

00:47:22,680 --> 00:47:20,450

them in fact I think I said earlier I

925

00:47:26,079 --> 00:47:22,690

want to do this kind of on a regular

926
00:47:31,180 --> 00:47:26,089
basis and not to leave the the gentlemen

927
00:47:35,410 --> 00:47:31,190
out either there are plenty of people

928
00:47:38,140 --> 00:47:35,420
that I've met the of both sexes on

929
00:47:41,560 --> 00:47:38,150
Facebook I mean it's an incredible

930
00:47:43,630 --> 00:47:41,570
source for information people that I

931
00:47:45,700 --> 00:47:43,640
don't know anything or very little about

932
00:47:48,339 --> 00:47:45,710
did I look forward to talking to because

933
00:47:51,370 --> 00:47:48,349
that's what we like to do here on kco

934
00:47:53,800 --> 00:47:51,380
our radio exploring the bazaar we like

935
00:47:56,859 --> 00:47:53,810
to have on people who will provide us

936
00:47:59,290 --> 00:47:56,869
with information so that we can grow our

937
00:48:03,010 --> 00:47:59,300
consciousness that's right I know I have

938
00:48:05,320 --> 00:48:03,020

on interesting people that indeed indeed

939

00:48:07,240 --> 00:48:05,330

indeed well we certainly have an

940

00:48:11,200 --> 00:48:07,250

interesting person waiting in the wings

941

00:48:16,000 --> 00:48:11,210

here Claudia Cunningham I call her the

942

00:48:18,490 --> 00:48:16,010

MIB lady because because the going back

943

00:48:20,740 --> 00:48:18,500

when she first contacted me which

944

00:48:23,170 --> 00:48:20,750

Claudia would be about six or seven

945

00:48:25,450 --> 00:48:23,180

years now longer yeah I think it might

946

00:48:27,790 --> 00:48:25,460

be eight or nine oh boy you know how

947

00:48:30,010 --> 00:48:27,800

time how time flies when you're being

948

00:48:32,950 --> 00:48:30,020

chased by the men in black right oh boy

949

00:48:35,140 --> 00:48:32,960

let me tell you and and she is she had

950

00:48:36,670 --> 00:48:35,150

she wrote me a letter

951
00:48:38,349 --> 00:48:36,680
was it a letter or it was a

952
00:48:41,260 --> 00:48:38,359
communication one way or the other maybe

953
00:48:42,940 --> 00:48:41,270
an email an email yeah email yeah and it

954
00:48:45,460 --> 00:48:42,950
was it was very detailed

955
00:48:46,990 --> 00:48:45,470
usually when most people Tim send an

956
00:48:49,030 --> 00:48:47,000
email you're lucky if you get a

957
00:48:51,820 --> 00:48:49,040
paragraph out of them I never could

958
00:48:53,890 --> 00:48:51,830
quite a hundred oh yeah yes understand

959
00:48:57,010 --> 00:48:53,900
that but she had a very coherent story

960
00:48:58,000 --> 00:48:57,020
and I immediately got in touch with her

961
00:49:06,090 --> 00:48:58,010
and

962
00:49:09,190 --> 00:49:06,100
gone to the rural Albany Cemetery where

963
00:49:14,770 --> 00:49:09,200

the mighty Charles Ford and his entire

964

00:49:16,480 --> 00:49:14,780

family are buried and where there's a

965

00:49:18,970 --> 00:49:16,490

lot of other mysterious weird things

966

00:49:22,810 --> 00:49:18,980

that of them going on in that cemetery

967

00:49:26,470 --> 00:49:22,820

we've talked about that before tonight

968

00:49:29,320 --> 00:49:26,480

we're going to kind of deviate from the

969

00:49:32,380 --> 00:49:29,330

the men and black sorry guys because we

970

00:49:35,770 --> 00:49:32,390

want to talk about some more spooky kind

971

00:49:38,830 --> 00:49:35,780

of paranormal so we'll have Claudia with

972

00:49:40,960 --> 00:49:38,840

us and and Tim why don't you introduce

973

00:49:44,050 --> 00:49:40,970

our other guests who I know that you've

974

00:49:47,770 --> 00:49:44,060

been in contact with no definitely well

975

00:49:49,420 --> 00:49:47,780

our other guest tonight is Jill Heinen

976
00:49:52,630 --> 00:49:49,430
and Jill am i pronouncing that correct

977
00:49:54,430 --> 00:49:52,640
you got it Tim all right fantastic I'm

978
00:49:56,290 --> 00:49:54,440
terrible at last names and if you listen

979
00:49:58,750 --> 00:49:56,300
if your regular listening to the show

980
00:50:00,250 --> 00:49:58,760
you know that well that's why I start

981
00:50:02,910 --> 00:50:00,260
that's why it's from over to you because

982
00:50:10,090 --> 00:50:07,990
well Jill is from northwest Iowa and you

983
00:50:12,670 --> 00:50:10,100
know she began having paranormal

984
00:50:14,590 --> 00:50:12,680
experiences at a young age but I you

985
00:50:17,740 --> 00:50:14,600
know I think like Jen you know she

986
00:50:20,230 --> 00:50:17,750
mostly dismissed them but when she

987
00:50:23,290 --> 00:50:20,240
became a a little older became a

988
00:50:26,230 --> 00:50:23,300

teenager and she began to experience you

989

00:50:28,870 --> 00:50:26,240

know more strange stuff you know she

990

00:50:29,620 --> 00:50:28,880

decided to start doing some research of

991

00:50:34,840 --> 00:50:29,630

her own

992

00:50:37,090 --> 00:50:34,850

well then last October she got involved

993

00:50:41,500 --> 00:50:37,100

with last October that she got involved

994

00:50:44,200 --> 00:50:41,510

with the apex iowa team Jill yes that is

995

00:50:46,450 --> 00:50:44,210

correct last October all right and it's

996

00:50:52,150 --> 00:50:46,460

it's based out of Kansas the Kansas City

997

00:50:56,020 --> 00:50:52,160

area and so Jill is relatively due to

998

00:50:57,580 --> 00:50:56,030

the professional paranormal field I'm

999

00:51:03,640 --> 00:50:57,590

not going to use the word ghostbusters

1000

00:51:07,480 --> 00:51:03,650

because that's so overused but oh yeah

1001
00:51:09,780 --> 00:51:07,490
well I know I know but so uh why don't

1002
00:51:12,630 --> 00:51:09,790
you tell us a little bit Jill

1003
00:51:15,600 --> 00:51:12,640
you know about you know you said you had

1004
00:51:16,530 --> 00:51:15,610
some early paranormal experiences you

1005
00:51:20,730 --> 00:51:16,540
know you want to talk about those a

1006
00:51:23,730 --> 00:51:20,740
little bit sure I grew up in what I

1007
00:51:27,050 --> 00:51:23,740
would call a a haunted house grew up

1008
00:51:29,040 --> 00:51:27,060
next to a cemetery and growing up I

1009
00:51:32,280 --> 00:51:29,050
experienced a lot of weird things that

1010
00:51:33,990 --> 00:51:32,290
it seems that I was the only one that

1011
00:51:36,710 --> 00:51:34,000
experienced these things where I was the

1012
00:51:40,440 --> 00:51:36,720
only one that would admit to it anyway I

1013
00:51:40,950 --> 00:51:40,450

heard I used to hear music I I would

1014

00:51:43,830 --> 00:51:40,960

call it

1015

00:51:45,690 --> 00:51:43,840

organ music in my bedroom I would I

1016

00:51:47,430 --> 00:51:45,700

would hear it as I would try to sleep no

1017

00:51:49,290 --> 00:51:47,440

one else would would hear it but I used

1018

00:51:52,830 --> 00:51:49,300

to hear organ music in my bedroom I

1019

00:51:56,160 --> 00:51:52,840

would hear my name called I heard that

1020

00:52:01,700 --> 00:51:56,170

on several occasions I would see what I

1021

00:52:06,720 --> 00:52:01,710

would describe as a hand over my bed I

1022

00:52:08,490 --> 00:52:06,730

used to have items moved for example I

1023

00:52:11,010 --> 00:52:08,500

would have my fingernail polish sitting

1024

00:52:12,780 --> 00:52:11,020

next to my bed on my bed stand I would

1025

00:52:15,540 --> 00:52:12,790

turn away for a minute or two it would

1026
00:52:19,140 --> 00:52:15,550
be gone I would find it the next morning

1027
00:52:21,780 --> 00:52:19,150
in the bathroom I didn't put it there no

1028
00:52:23,490 --> 00:52:21,790
one else put it there things got moved

1029
00:52:28,440 --> 00:52:23,500
around all the time I had weird things

1030
00:52:31,620 --> 00:52:28,450
happen with with pets one one particular

1031
00:52:34,410 --> 00:52:31,630
thing that I can remember is I had three

1032
00:52:37,220 --> 00:52:34,420
fish three goldfish in an aquarium in my

1033
00:52:41,310 --> 00:52:37,230
room and I went to feed them one day and

1034
00:52:44,310 --> 00:52:41,320
my three fish were gone lid the lid was

1035
00:52:48,210 --> 00:52:44,320
still on the tank and I thought this is

1036
00:52:50,700 --> 00:52:48,220
kind of strange my my fish are gone the

1037
00:52:53,780 --> 00:52:50,710
lid is on how did they get out I looked

1038
00:52:58,320 --> 00:52:53,790

under my bed there were my three fish

1039

00:53:00,600 --> 00:52:58,330

dead under my head with the tank still

1040

00:53:04,110 --> 00:53:00,610

on I I don't know I have no explanation

1041

00:53:07,770 --> 00:53:04,120

as to that how that happened you know of

1042

00:53:09,630 --> 00:53:07,780

course my family just dismissed it you

1043

00:53:10,050 --> 00:53:09,640

know there's a natural explanation for

1044

00:53:13,290 --> 00:53:10,060

everything

1045

00:53:15,960 --> 00:53:13,300

I missed it of course too I dismissed

1046

00:53:17,880 --> 00:53:15,970

all these things at a young age I had

1047

00:53:20,760 --> 00:53:17,890

what I would call an imaginary friend

1048

00:53:22,500 --> 00:53:20,770

also at a young age that you know I

1049

00:53:24,240 --> 00:53:22,510

back now I I don't think he was

1050

00:53:27,810 --> 00:53:24,250

imaginary but I dismissed all these

1051
00:53:29,460 --> 00:53:27,820
things until I would say my late my late

1052
00:53:30,780 --> 00:53:29,470
teenage years and then things kind of

1053
00:53:34,380 --> 00:53:30,790
started picking up a little bit again

1054
00:53:36,570 --> 00:53:34,390
and then I realized that that it was

1055
00:53:39,120 --> 00:53:36,580
okay to acknowledge these things and

1056
00:53:42,180 --> 00:53:39,130
then my interest really picked up and I

1057
00:53:44,280 --> 00:53:42,190
found three three two other ladies in my

1058
00:53:47,460 --> 00:53:44,290
community and the three of us kind of

1059
00:53:51,570 --> 00:53:47,470
started hanging out and talking about

1060
00:53:53,700 --> 00:53:51,580
our experiences and we started I guess

1061
00:53:57,180 --> 00:53:53,710
you'd call ghost hunting on our own more

1062
00:53:59,150 --> 00:53:57,190
just for for fun and for for our own

1063
00:54:03,240 --> 00:53:59,160

enjoyment looking for answers on our own

1064

00:54:06,120 --> 00:54:03,250

and then last October we attended an

1065

00:54:10,440 --> 00:54:06,130

event that apex paranormal was putting

1066

00:54:13,890 --> 00:54:10,450

on at Malvern Manor in Malvern Iowa and

1067

00:54:17,820 --> 00:54:13,900

we did we ended up I guess you would say

1068

00:54:20,550 --> 00:54:17,830

hooking up with them and we we formed

1069

00:54:23,790 --> 00:54:20,560

apex Iowa and now here here we are of

1070

00:54:26,490 --> 00:54:23,800

three ladies doing doing our ghost

1071

00:54:28,950 --> 00:54:26,500

hunting and investigations how many

1072

00:54:31,859 --> 00:54:28,960

members how many members active members

1073

00:54:34,849 --> 00:54:31,869

are there in the group in my group in

1074

00:54:39,480 --> 00:54:34,859

Apex Iowa it is us just us three ladies

1075

00:54:41,760 --> 00:54:39,490

yeah now you're all you're almost like a

1076

00:54:45,359 --> 00:54:41,770

franchise though of any of a larger

1077

00:54:46,980 --> 00:54:45,369

group yes yes we are a branch of Apex

1078

00:54:52,859 --> 00:54:46,990

paranormal out of the Kansas City area

1079

00:54:56,340 --> 00:54:52,869

and there they are a bunch bunch of guys

1080

00:55:00,000 --> 00:54:56,350

we have Sean Sean Holland Elijah blue

1081

00:55:03,290 --> 00:55:00,010

Cole Edie louder Phillip Stephenson and

1082

00:55:07,530 --> 00:55:03,300

they they have a newbie Shannon Johnson

1083

00:55:11,430 --> 00:55:07,540

who is their case manager now so yeah

1084

00:55:13,680 --> 00:55:11,440

they kind of asked us to come along for

1085

00:55:16,530 --> 00:55:13,690

the ride and we we jumped on board so

1086

00:55:19,859 --> 00:55:16,540

now is everybody in the the group the

1087

00:55:22,800 --> 00:55:19,869

extended group are they all psychic no

1088

00:55:25,410 --> 00:55:22,810

and none of us will claim to have any

1089

00:55:29,310 --> 00:55:25,420

psychic ability that's also you are you

1090

00:55:30,720 --> 00:55:29,320

are you are investigators we write we

1091

00:55:33,930 --> 00:55:30,730

are researchers and investigators

1092

00:55:34,620 --> 00:55:33,940

correct and and what sort of a pro I

1093

00:55:36,299 --> 00:55:34,630

mean

1094

00:55:39,299 --> 00:55:36,309

what sort of approach do you take to the

1095

00:55:42,150 --> 00:55:39,309

the subject what how far it is your

1096

00:55:46,289 --> 00:55:42,160

interest to lie in the paranormal UFOs

1097

00:55:50,940 --> 00:55:46,299

Bigfoot dog man just ghost we are

1098

00:55:56,640 --> 00:55:50,950

approach we take a banking approach if

1099

00:55:59,609 --> 00:55:56,650

job lunger's yes yes yes very very

1100

00:56:02,969 --> 00:55:59,619

rarely are things actually paranormal

1101

00:56:06,180 --> 00:56:02,979

most things can be explained away so if

1102

00:56:10,079 --> 00:56:06,190

my teammates X Iowa for example if we

1103

00:56:12,749 --> 00:56:10,089

are called into a residential case we

1104

00:56:16,349 --> 00:56:12,759

will go in looking to debunk and find a

1105

00:56:18,539 --> 00:56:16,359

natural occurrence first that's what we

1106

00:56:21,690 --> 00:56:18,549

set out to do and we will be very frank

1107

00:56:26,210 --> 00:56:21,700

about that so we go in looking to debunk

1108

00:56:30,839 --> 00:56:26,220

and find natural explanations the apex

1109

00:56:33,120 --> 00:56:30,849

Kansas City team does do some they call

1110

00:56:35,969 --> 00:56:33,130

it Squatch and they do go out and look

1111

00:56:38,579 --> 00:56:35,979

for Sasquatch every year I have not been

1112

00:56:41,459 --> 00:56:38,589

a part of that I'm not sure I want to be

1113

00:56:45,499 --> 00:56:41,469

a part of that but my Tech's Iowa group

1114

00:56:50,130 --> 00:56:45,509

is looking to maybe branch out into some

1115

00:56:52,799 --> 00:56:50,140

UFO looking for they well they all seem

1116

00:56:55,229 --> 00:56:52,809

I mean we've concluded here being the

1117

00:56:57,809 --> 00:56:55,239

big believers that we are and that there

1118

00:56:59,880 --> 00:56:57,819

seems to be a a connection between all

1119

00:57:06,890 --> 00:56:59,890

these different subjects that it's all

1120

00:57:12,749 --> 00:57:06,900

part of some giant the matrix the bubble

1121

00:57:15,959 --> 00:57:12,759

portal what happening that's right I

1122

00:57:18,329 --> 00:57:15,969

would agree now have you investigated

1123

00:57:25,019 --> 00:57:18,339

anything that you haven't been able to

1124

00:57:27,900 --> 00:57:25,029

explain yes yes we have we have had some

1125

00:57:32,940 --> 00:57:27,910

very interesting such a way I'll go for

1126

00:57:37,859 --> 00:57:32,950

it okay I would say let's see I would

1127

00:57:44,430 --> 00:57:37,869

say the best was we were on an

1128

00:57:46,049 --> 00:57:44,440

investigation here last month and this

1129

00:57:47,970 --> 00:57:46,059

would this would have been myself and

1130

00:57:51,840 --> 00:57:47,980

Beth and Angie my two

1131

00:57:56,520 --> 00:57:51,850

teammates we were at an old abandoned

1132

00:57:57,450 --> 00:57:56,530

farm and it was near ancient Indian

1133

00:58:00,090 --> 00:57:57,460

burial ground

1134

00:58:02,580 --> 00:58:00,100

and we were having all sorts of activity

1135

00:58:05,970 --> 00:58:02,590

that night and we had done a walkthrough

1136

00:58:11,780 --> 00:58:05,980

of the entire place we had we had taken

1137

00:58:14,490 --> 00:58:11,790

pictures and we we walked back into a l

1138

00:58:16,830 --> 00:58:14,500

guess she would call it a large closet

1139

00:58:19,410 --> 00:58:16,840

off a bedroom and we had been in this

1140

00:58:24,650 --> 00:58:19,420

closet many times already that evening

1141

00:58:27,390 --> 00:58:24,660

and we had some objects appear there

1142

00:58:30,900 --> 00:58:27,400

there was an old graduation cap and a

1143

00:58:33,480 --> 00:58:30,910

trinket box that just appeared in that

1144

00:58:34,890 --> 00:58:33,490

room they had not been there prior so we

1145

00:58:38,099 --> 00:58:34,900

kind of knew that we were going to be in

1146

00:58:41,160 --> 00:58:38,109

for some activity after that happened so

1147

00:58:44,280 --> 00:58:41,170

we decided to set up our motion detector

1148

00:58:46,800 --> 00:58:44,290

then at that point and we headed down to

1149

00:58:49,680 --> 00:58:46,810

the basement to investigate down there

1150

00:58:51,840 --> 00:58:49,690

and while we were in the basement lo and

1151
00:58:54,660 --> 00:58:51,850
behold our motion sensor goes off right

1152
00:59:03,260 --> 00:58:54,670
were those objects were not once but

1153
00:59:06,420 --> 00:59:03,270
twice so that is pretty hard to explain

1154
00:59:09,599 --> 00:59:06,430
logically we we don't have logical

1155
00:59:14,790 --> 00:59:09,609
explanation for that that in our minds

1156
00:59:18,420 --> 00:59:14,800
is paranormal activity so now what

1157
00:59:21,540 --> 00:59:18,430
what's a motion detector a motion sensor

1158
00:59:23,900 --> 00:59:21,550
picks up any movement that passes in

1159
00:59:27,240 --> 00:59:23,910
front of the sensor via an IR or

1160
00:59:30,480 --> 00:59:27,250
infrared beam when the beam gets broken

1161
00:59:32,730 --> 00:59:30,490
the sensor goes off in theory when a

1162
00:59:36,240 --> 00:59:32,740
ghost man is that manifests it creates

1163
00:59:38,370 --> 00:59:36,250

some density and as it moves around it

1164

00:59:42,300 --> 00:59:38,380

passes in front of the IR beam and the

1165

00:59:46,109 --> 00:59:42,310

alarm sounds so we really the fact that

1166

00:59:50,240 --> 00:59:46,119

it went off twice near these objects

1167

00:59:55,050 --> 00:59:50,250

that had just appeared out of nowhere is

1168

00:59:58,400 --> 00:59:55,060

relatively hard for us to debunk even

1169

01:00:01,150 --> 00:59:58,410

being the skeptics that the three of us

1170

01:00:03,460 --> 01:00:01,160

tend to be when we are investigating

1171

01:00:06,160 --> 01:00:03,470

so that that was a very interesting

1172

01:00:08,279 --> 01:00:06,170

night indeed and a very fun night and we

1173

01:00:12,789 --> 01:00:08,289

had some great stuff and that that was

1174

01:00:15,329 --> 01:00:12,799

that was pretty great you know you know

1175

01:00:20,500 --> 01:00:15,339

what I'm always interested in any EVPs

1176

01:00:23,470 --> 01:00:20,510

yes there you go those are very hard to

1177

01:00:27,940 --> 01:00:23,480

debunk as well because it's it's pretty

1178

01:00:31,329 --> 01:00:27,950

hard to there's no way you can make up

1179

01:00:33,760 --> 01:00:31,339

that kind of evidence when you play back

1180

01:00:35,710 --> 01:00:33,770

a recorder and there's words on there

1181

01:00:38,230 --> 01:00:35,720

that you did not hear with your own ears

1182

01:00:41,109 --> 01:00:38,240

or you set a recorder in an empty room

1183

01:00:43,930 --> 01:00:41,119

and you leave and go to dinner and you

1184

01:00:46,870 --> 01:00:43,940

come back and you play the recorder and

1185

01:00:50,079 --> 01:00:46,880

there's voices on there that that's

1186

01:00:52,569 --> 01:00:50,089

pretty hard to debunk and those are

1187

01:00:54,549 --> 01:00:52,579

pretty great those are those are pretty

1188

01:00:59,140 --> 01:00:54,559

good when you get some of those we like

1189

01:01:03,400 --> 01:00:59,150

EVPs a lot you know now Jill what what

1190

01:01:07,930 --> 01:01:03,410

did they tell you the EVPs oh we've had

1191

01:01:10,960 --> 01:01:07,940

some very good get out those are always

1192

01:01:14,519 --> 01:01:10,970

fun well I would never tell you to get

1193

01:01:17,289 --> 01:01:14,529

out but go ahead oh thank you very much

1194

01:01:23,319 --> 01:01:17,299

yeah it's always great when you get when

1195

01:01:25,390 --> 01:01:23,329

you get a get out but we don't we don't

1196

01:01:26,829 --> 01:01:25,400

pay any attention to those but but you

1197

01:01:30,069 --> 01:01:26,839

have you have gotten those kinds of

1198

01:01:34,870 --> 01:01:30,079

messages before oh yes yes yes of course

1199

01:01:37,990 --> 01:01:34,880

we've gotten we've got names before we

1200

01:01:41,140 --> 01:01:38,000

have one particular old very old

1201
01:01:42,910 --> 01:01:41,150
cemetery here in our local area that the

1202
01:01:46,599 --> 01:01:42,920
three of us gals Beth and Angie and I

1203
01:01:50,650 --> 01:01:46,609
like to like to frequent and we've

1204
01:01:52,630 --> 01:01:50,660
gotten we've gotten names we've asked

1205
01:01:53,500 --> 01:01:52,640
who's been there who's there and we've

1206
01:01:57,069 --> 01:01:53,510
got names

1207
01:01:59,549 --> 01:01:57,079
one great EBT we had there was we were

1208
01:02:02,079 --> 01:01:59,559
just getting out of our car and we

1209
01:02:03,849 --> 01:02:02,089
happened to turn on the recorder and

1210
01:02:05,799 --> 01:02:03,859
have it running we weren't even doing an

1211
01:02:09,039 --> 01:02:05,809
investigation yet we were just kind of

1212
01:02:11,410 --> 01:02:09,049
turning it on and we get a guru that was

1213
01:02:13,420 --> 01:02:11,420

that was pretty someone this time in our

1214

01:02:18,599 --> 01:02:13,430

attention and let us know that they

1215

01:02:22,000 --> 01:02:18,609

we're ready to go sounds pretty good

1216

01:02:26,589 --> 01:02:22,010

yeah so they're always fun when you can

1217

01:02:29,890 --> 01:02:26,599

get a good EVP well so well what about

1218

01:02:33,339 --> 01:02:29,900

the photographs I mean have have you

1219

01:02:35,829 --> 01:02:33,349

attempted to take any photographs and if

1220

01:02:38,410 --> 01:02:35,839

you got any you know and afterwards have

1221

01:02:40,569 --> 01:02:38,420

you got anything anomalous on them we

1222

01:02:42,520 --> 01:02:40,579

haven't really had much as far as

1223

01:02:44,200 --> 01:02:42,530

photographs you know you get the you get

1224

01:02:48,040 --> 01:02:44,210

the occasional what you would call maybe

1225

01:02:52,510 --> 01:02:48,050

an orb but we're not really a big

1226

01:02:54,490 --> 01:02:52,520

believer in orbs and good crap good for

1227

01:02:57,849 --> 01:02:54,500

you good for you I'm happy to hear that

1228

01:03:00,790 --> 01:02:57,859

I see way too many photographs of you

1229

01:03:02,170 --> 01:03:00,800

know digital dust specks and you know

1230

01:03:06,700 --> 01:03:02,180

people were like oh my god it's and

1231

01:03:10,200 --> 01:03:06,710

everything you know it was something so

1232

01:03:13,150 --> 01:03:10,210

critical because people can tell the

1233

01:03:15,549 --> 01:03:13,160

difference between a I mean look at look

1234

01:03:18,099 --> 01:03:15,559

at some of the photos that Tom Dongo has

1235

01:03:22,599 --> 01:03:18,109

shown us that well most and they those

1236

01:03:25,450 --> 01:03:22,609

very different yeah yeah those of course

1237

01:03:30,430 --> 01:03:25,460

we've got coming on next week

1238

01:03:34,270 --> 01:03:30,440

Bruce Cornett who had was up there with

1239

01:03:36,250 --> 01:03:34,280

Ellen Crystal in Pine Bush and boy do

1240

01:03:39,010 --> 01:03:36,260

they write they have photographs and a

1241

01:03:42,640 --> 01:03:39,020

half I mean there's pictures in that

1242

01:03:45,730 --> 01:03:42,650

book of what appeared to be electrically

1243

01:03:48,760 --> 01:03:45,740

charged let's use spacemen for a lack of

1244

01:03:52,870 --> 01:03:48,770

a better term standing on the the ramp

1245

01:03:54,520 --> 01:03:52,880

of a ship that's landed there yep

1246

01:03:56,799 --> 01:03:54,530

well I'd not say hey that leads us into

1247

01:03:59,770 --> 01:03:56,809

a good question here and I'll shoot this

1248

01:04:02,680 --> 01:03:59,780

out to Jill we got a question from Erin

1249

01:04:06,280 --> 01:04:02,690

hunter one and Erin hunter wants to know

1250

01:04:08,440 --> 01:04:06,290

what do you think about energy in

1251
01:04:12,099 --> 01:04:08,450
quotation mark says many investigators

1252
01:04:14,289 --> 01:04:12,109
believe in spirits needing your energy

1253
01:04:17,079 --> 01:04:14,299
and then finishes that but what exactly

1254
01:04:18,609 --> 01:04:17,089
is this energy that these spirits need I

1255
01:04:21,819 --> 01:04:18,619
mean you do you have any you know

1256
01:04:24,280 --> 01:04:21,829
knowledge of this or ideas well spirits

1257
01:04:26,799 --> 01:04:24,290
need energy to manifest and to

1258
01:04:31,029 --> 01:04:26,809
communicate you know that is why we use

1259
01:04:36,099 --> 01:04:31,039
you know EMF detectors that that

1260
01:04:37,779 --> 01:04:36,109
measures energy they can use energy from

1261
01:04:40,390 --> 01:04:37,789
your from your cell phones you know if

1262
01:04:42,819 --> 01:04:40,400
you have a sudden battery drain that

1263
01:04:48,159 --> 01:04:42,829

could be an indicator of paranormal

1264

01:04:50,469 --> 01:04:48,169

activity yeah we use EMF detector to

1265

01:04:53,890 --> 01:04:50,479

kind of measure that energy they need

1266

01:04:56,709 --> 01:04:53,900

they need energy or power to manifest

1267

01:04:58,449 --> 01:04:56,719

you can kind of feel that energy is what

1268

01:05:02,469 --> 01:04:58,459

causes the hairs on the back here next

1269

01:05:05,319 --> 01:05:02,479

to stand up yeah I think they can

1270

01:05:08,019 --> 01:05:05,329

definitely use your energy you can kind

1271

01:05:10,120 --> 01:05:08,029

of feel that that drain this last

1272

01:05:12,519 --> 01:05:10,130

investigation we did all three of us

1273

01:05:15,880 --> 01:05:12,529

whenever we went upstairs

1274

01:05:18,819 --> 01:05:15,890

we got an instant headache to me that

1275

01:05:21,370 --> 01:05:18,829

that's energy that spirits pulling

1276

01:05:24,249 --> 01:05:21,380

energy draining draining you pulling

1277

01:05:25,659 --> 01:05:24,259

energy from you so that they can so that

1278

01:05:27,309 --> 01:05:25,669

they can communicate with you I

1279

01:05:31,029 --> 01:05:27,319

definitely believe that they can pull

1280

01:05:32,829 --> 01:05:31,039

energy from people and from electrical

1281

01:05:34,329 --> 01:05:32,839

sources they can pull energy from

1282

01:05:36,549 --> 01:05:34,339

whatever kind of source that they well

1283

01:05:40,329 --> 01:05:36,559

yeah I would I wouldn't classify you as

1284

01:05:42,249 --> 01:05:40,339

a skeptic come on I mean that yeah maybe

1285

01:05:45,219 --> 01:05:42,259

maybe you're not maybe not a wide-eyed

1286

01:05:48,630 --> 01:05:45,229

believer either but you you certainly

1287

01:05:51,399 --> 01:05:48,640

have had enough experiences to know that

1288

01:05:56,459 --> 01:05:51,409

something strange is going on in the

1289

01:05:58,989 --> 01:05:56,469

neighborhood to coin a phrase I think

1290

01:06:02,469 --> 01:05:58,999

that whenever everybody said to you but

1291

01:06:04,839 --> 01:06:02,479

go ahead we're very much we're believing

1292

01:06:07,120 --> 01:06:04,849

skeptics I guess you could call us we're

1293

01:06:09,399 --> 01:06:07,130

we're very skeptical that's now that's a

1294

01:06:12,370 --> 01:06:09,409

that's a new category we'll have to come

1295

01:06:17,949 --> 01:06:12,380

up with a name for that yeah how about

1296

01:06:19,959 --> 01:06:17,959

how about diehard believers we've seen

1297

01:06:22,499 --> 01:06:19,969

an experimental in my flat dirty

1298

01:06:25,469 --> 01:06:22,509

believers but we we go into each

1299

01:06:27,459 --> 01:06:25,479

investigation being being skeptical

1300

01:06:28,659 --> 01:06:27,469

actually that's a good name for a group

1301

01:06:31,659 --> 01:06:28,669

I'm going to start a group called

1302

01:06:33,880 --> 01:06:31,669

diehard believers ya know I you know I

1303

01:06:37,179 --> 01:06:33,890

see what she means there you know Tim

1304

01:06:39,609 --> 01:06:37,189

because you know I've I've seen a lot of

1305

01:06:41,050 --> 01:06:39,619

these groups that I mean they just they

1306

01:06:42,880 --> 01:06:41,060

go into these

1307

01:06:44,500 --> 01:06:42,890

Isis just you knowlike oh yes you know

1308

01:06:46,120 --> 01:06:44,510

you we don't even have to go in there

1309

01:06:47,800 --> 01:06:46,130

you have to know that there you know

1310

01:06:49,510 --> 01:06:47,810

there's ghosts and hauntings and you

1311

01:06:52,090 --> 01:06:49,520

know and every do you know every little

1312

01:06:54,250 --> 01:06:52,100

creak and you know the wind blows

1313

01:06:56,770 --> 01:06:54,260

they're like oh my god of the ghost you

1314

01:06:59,440 --> 01:06:56,780

know so yeah I mean it's you know III

1315

01:07:01,390 --> 01:06:59,450

like these these types of investigators

1316

01:07:03,460 --> 01:07:01,400

who go in there and it's just like you

1317

01:07:07,890 --> 01:07:03,470

know ok you know you say it's haunted

1318

01:07:19,270 --> 01:07:11,170

exactly it's it's not until I can prove

1319

01:07:23,140 --> 01:07:19,280

otherwise well and we had somebody in

1320

01:07:26,650 --> 01:07:23,150

chat ask about your experiences at the

1321

01:07:28,540 --> 01:07:26,660

Malvern Manor this past weekend we only

1322

01:07:30,400 --> 01:07:28,550

got a couple of minutes left you know

1323

01:07:33,280 --> 01:07:30,410

before we have to go up to our break

1324

01:07:37,600 --> 01:07:33,290

here a gym so you know maybe give us

1325

01:07:40,420 --> 01:07:37,610

like a like a thumbnail version okay

1326

01:07:42,850 --> 01:07:40,430

yeah Apex paranormal hosted an event

1327

01:07:45,910 --> 01:07:42,860

this weekend at Malvern Manor in Malvern

1328

01:07:49,090 --> 01:07:45,920

Iowa that people could come out and

1329

01:07:53,410 --> 01:07:49,100

ghosts haunt with some of us from apex

1330

01:07:56,890 --> 01:07:53,420

it was myself and Sean and Elijah from

1331

01:07:59,080 --> 01:07:56,900

the Kansas City apex group and we just

1332

01:08:01,510 --> 01:07:59,090

took turns leading a group of a few

1333

01:08:04,630 --> 01:08:01,520

people to different areas of Malvern

1334

01:08:06,520 --> 01:08:04,640

Manor and we had a great time and there

1335

01:08:08,920 --> 01:08:06,530

were some there were a lot of personal

1336

01:08:13,210 --> 01:08:08,930

experiences I believe that that people

1337

01:08:16,720 --> 01:08:13,220

had there were let's see when we first

1338

01:08:18,460 --> 01:08:16,730

got there Elijah said he was pushed kind

1339

01:08:21,790 --> 01:08:18,470

of he felt that he was physically pushed

1340

01:08:23,079 --> 01:08:21,800

down the stairs he felt he felt he was

1341

01:08:24,940 --> 01:08:23,089

pushed he didn't actually go down the

1342

01:08:27,910 --> 01:08:24,950

stairs think of us but he felt he felt

1343

01:08:31,690 --> 01:08:27,920

that he was maybe pushed on Elijah and I

1344

01:08:34,059 --> 01:08:31,700

had heard a disembodied voice in the

1345

01:08:38,410 --> 01:08:34,069

Attic we thought maybe we heard a help

1346

01:08:40,390 --> 01:08:38,420

me so that was kind of interesting what

1347

01:08:42,550 --> 01:08:40,400

else did we hear I'm getting I'm getting

1348

01:08:45,070 --> 01:08:42,560

I'm getting the chills either somebody's

1349

01:08:47,950 --> 01:08:45,080

open the door or something good there's

1350

01:08:48,849 --> 01:08:47,960

something something very normal very

1351

01:08:51,250 --> 01:08:48,859

normal

1352

01:08:52,959 --> 01:08:51,260

yeah we saw shadow figures on the main

1353

01:08:58,570 --> 01:08:52,969

stairway that was that was

1354

01:09:02,380 --> 01:08:58,580

needs lots of footsteps we we slept the

1355

01:09:06,220 --> 01:09:02,390

team we slept overnight there and in the

1356

01:09:08,740 --> 01:09:06,230

morning I was awoken to a man speaking

1357

01:09:10,660 --> 01:09:08,750

and I thought it was Elijah toh enough

1358

01:09:13,180 --> 01:09:10,670

to get up and get ready and get our

1359

01:09:15,760 --> 01:09:13,190

stuff together like he always does but I

1360

01:09:18,070 --> 01:09:15,770

got up and got around and everybody was

1361

01:09:19,780 --> 01:09:18,080

still found asleep and Elijah said he

1362

01:09:22,720 --> 01:09:19,790

had heard it too so that was that was

1363

01:09:24,579 --> 01:09:22,730

all right Joe got a break we got a break

1364

01:09:27,220 --> 01:09:24,589

in we're going to come back in a few

1365

01:09:31,920 --> 01:09:27,230

minutes and we'll have a Claudia cutting

1366

01:09:31,930 --> 01:09:43,229

fire researchers with paranoid your

1374

01:10:16,719 --> 01:10:12,820

hosts Timothy Rebecca Lee Anton Swartz

1375

01:10:19,060 --> 01:10:16,729

yeah you know Tim some days the only

1376

01:10:28,719 --> 01:10:19,070

exercise I get is jumping in the chat

1377

01:10:31,509 --> 01:10:28,729

room where I would like I'm glued to the

1378

01:10:35,919 --> 01:10:31,519

seat here I've been here for like ten

1379

01:10:37,390 --> 01:10:35,929

hours but I'm going to be glued here for

1380

01:10:40,989 --> 01:10:37,400

at least another half because I'm

1381

01:10:42,910 --> 01:10:40,999

bringing on one of my favorite ladies in

1382

01:10:46,689 --> 01:10:42,920

the world of the paranormal

1383

01:10:48,250 --> 01:10:46,699

I call her affectionately the MIB lady I

1384

01:10:50,500 --> 01:10:48,260

don't know if the MIB caller that

1385

01:10:55,239 --> 01:10:50,510

effectually or not because she's always

1386

01:10:59,399 --> 01:10:55,249

on their tail or trail but it's Claudia

1387

01:11:02,640 --> 01:10:59,409

Cunningham talking to us from upstate

1388

01:11:06,549 --> 01:11:02,650

New York and if you go to our YouTube

1389

01:11:07,870 --> 01:11:06,559

channel mr. UFO secret files not only do

1390

01:11:09,759 --> 01:11:07,880

we have a couple of interviews because

1391

01:11:16,020 --> 01:11:09,769

Claudia has been on the show before but

1392

01:11:18,790 --> 01:11:16,030

you'll find us at the grave site of of

1393

01:11:22,180 --> 01:11:18,800

charles fort and let me tell you it was

1394

01:11:24,370 --> 01:11:22,190

a hot and sweltering a day when we

1395

01:11:27,009 --> 01:11:24,380

visited last but we managed to put

1396

01:11:29,770 --> 01:11:27,019

together a a very interesting little

1397

01:11:33,339 --> 01:11:29,780

video Claudia how are ya how are you I'm

1398

01:11:35,739 --> 01:11:33,349

spoken to you is there much well I have

1399

01:11:37,810 --> 01:11:35,749

not spoken to in a while I haven't

1400

01:11:40,319 --> 01:11:37,820

spoken to you in a while and I was

1401

01:11:42,790 --> 01:11:40,329

anxious to get you on the show tonight

1402

01:11:45,069 --> 01:11:42,800

because you told me something last time

1403

01:11:47,049 --> 01:11:45,079

we met that I didn't realize that you

1404

01:11:50,919 --> 01:11:47,059

are actually I mean I know you as the

1405

01:11:54,910 --> 01:11:50,929

MIB lady and phantom dogs and things

1406

01:11:56,350 --> 01:11:54,920

along the mysterious cars and some other

1407

01:11:58,240 --> 01:11:56,360

events that you've had

1408

01:12:02,890 --> 01:11:58,250

but I didn't realize that you are very

1409

01:12:06,520 --> 01:12:02,900

much into other aspects of the the

1410

01:12:10,660 --> 01:12:06,530

paranormal and even are a member of one

1411

01:12:12,790 --> 01:12:10,670

of the societies a paranormal society's

1412

01:12:14,830 --> 01:12:12,800

up around Albany could can you give us a

1413

01:12:17,650 --> 01:12:14,840

little background on this Claudia yeah

1414

01:12:19,930 --> 01:12:17,660

well first of all I think I started to

1415

01:12:22,960 --> 01:12:19,940

fall in love with the anything scary

1416

01:12:25,270 --> 01:12:22,970

when I was probably two years old I

1417

01:12:28,000 --> 01:12:25,280

always had a vivid imagination but you

1418

01:12:30,700 --> 01:12:28,010

know kids you grow out of that you know

1419

01:12:33,910 --> 01:12:30,710

normal people do I guess but I was

1420

01:12:36,280 --> 01:12:33,920

always drawn to finding out you know

1421

01:12:38,770 --> 01:12:36,290

kind of what what is life about you know

1422

01:12:40,660 --> 01:12:38,780

when my playmates were playing with

1423

01:12:42,730 --> 01:12:40,670

dolls or cowboys and Indians

1424

01:12:46,480 --> 01:12:42,740

you know I'd be reading a book about

1425

01:12:49,480 --> 01:12:46,490

ghosts or whatever but it wasn't until I

1426

01:12:52,600 --> 01:12:49,490

was 40 I'm giving my age way now that

1427

01:12:55,780 --> 01:12:52,610

things really started to happen to me

1428

01:12:58,450 --> 01:12:55,790

personally and I kind of believe what

1429

01:13:00,730 --> 01:12:58,460

John Lennon said he said he believed in

1430

01:13:02,860 --> 01:13:00,740

spirits and UFOs and the Loch Ness

1431

01:13:06,850 --> 01:13:02,870

monster he says I believe in everything

1432

01:13:09,670 --> 01:13:06,860

and even if it's in your imagination

1433

01:13:12,340 --> 01:13:09,680

it's real to you but I really believe

1434

01:13:14,380 --> 01:13:12,350

that there is a paranormal and unseen

1435

01:13:18,520 --> 01:13:14,390

world out there it's been proven to me a

1436

01:13:21,670 --> 01:13:18,530

million times over I of course I spoke

1437

01:13:23,440 --> 01:13:21,680

with you about the vanishing black cars

1438

01:13:27,010 --> 01:13:23,450

and the cemetery and everything that

1439

01:13:28,750 --> 01:13:27,020

happens overnight and then by chance of

1440

01:13:31,660 --> 01:13:28,760

course there's nothing by chance in life

1441

01:13:34,600 --> 01:13:31,670

but I was at a veterinarian one day and

1442

01:13:36,460 --> 01:13:34,610

I started to talk to another lady who

1443

01:13:38,050 --> 01:13:36,470

was waiting to shed her dog on her lap

1444

01:13:41,170 --> 01:13:38,060

and we started to talk we kind of

1445

01:13:43,240 --> 01:13:41,180

clicked and she loves animals and I do

1446

01:13:45,400 --> 01:13:43,250

and she says well I have a paranormal

1447

01:13:47,350 --> 01:13:45,410

group it's very prominent and she says

1448

01:13:50,290 --> 01:13:47,360

if you were really interested in this

1449

01:13:52,540 --> 01:13:50,300

subject I wish you'd come to one of our

1450

01:13:54,610 --> 01:13:52,550

meetings and that was probably about

1451

01:13:58,090 --> 01:13:54,620

five years ago and they're they're great

1452

01:14:01,000 --> 01:13:58,100

people we have six mediums we have a

1453

01:14:03,430 --> 01:14:01,010

couple of psychics it's headed by a

1454

01:14:06,550 --> 01:14:03,440

gentleman by the name of Patrick Sam was

1455

01:14:09,890 --> 01:14:06,560

a really wonderful guy he actually saw

1456

01:14:13,090 --> 01:14:09,900

his fiancée appeared to him

1457

01:14:16,189 --> 01:14:13,100

body apparition after she passed away

1458

01:14:19,970 --> 01:14:16,199

when you meet him you just I mean he's

1459

01:14:21,410 --> 01:14:19,980

the most sincere guy he said that the I

1460

01:14:23,660 --> 01:14:21,420

don't know what happened to her but I

1461

01:14:26,750 --> 01:14:23,670

know they were extremely close and he

1462

01:14:28,610 --> 01:14:26,760

said I was so despondent that I I took a

1463

01:14:30,380 --> 01:14:28,620

bottle of liquor and I hit up headed up

1464

01:14:32,720 --> 01:14:30,390

to the mountains and I locked myself

1465

01:14:35,149 --> 01:14:32,730

away and I just wanted to be alone and

1466

01:14:37,729 --> 01:14:35,159

he said I had a funny feeling and the

1467

01:14:39,620 --> 01:14:37,739

energy in the room kind of crackled with

1468

01:14:42,830 --> 01:14:39,630

the Selectric

1469

01:14:45,380 --> 01:14:42,840

was like an exciting he said it was like

1470

01:14:47,870 --> 01:14:45,390

an overpowering like a feeling of

1471

01:14:50,899 --> 01:14:47,880

expectation and he said I turned around

1472

01:14:52,580 --> 01:14:50,909

and here she was right right in front of

1473

01:14:55,100 --> 01:14:52,590

me he said it wasn't wasn't the liquor

1474

01:14:56,840 --> 01:14:55,110

he said it was you know there she was

1475

01:14:59,780 --> 01:14:56,850

and she actually came over and hugged

1476

01:15:02,030 --> 01:14:59,790

him I've never heard of that but if you

1477

01:15:05,300 --> 01:15:02,040

meet this guy you you know he said did

1478

01:15:06,950 --> 01:15:05,310

he did he did he feel her caress yes he

1479

01:15:10,430 --> 01:15:06,960

actually felt he's it was just like a

1480

01:15:12,560 --> 01:15:10,440

person you know it was he says I know so

1481

01:15:16,340 --> 01:15:12,570

that that would be a that would be what

1482

01:15:19,340 --> 01:15:16,350

we call a full-body materialization yes

1483

01:15:21,260 --> 01:15:19,350

yeah he said it I've saved his life in a

1484

01:15:23,510 --> 01:15:21,270

seeing her like that and he said I

1485

01:15:25,550 --> 01:15:23,520

always wanted to prove to other people

1486

01:15:28,850 --> 01:15:25,560

that it's real but I wanted to do it

1487

01:15:31,610 --> 01:15:28,860

scientifically so we use EVPs and and

1488

01:15:35,540 --> 01:15:31,620

we're you know everything is very on the

1489

01:15:39,410 --> 01:15:35,550

up and up and we have several things

1490

01:15:41,630 --> 01:15:39,420

going on right now one one field trip

1491

01:15:44,209 --> 01:15:41,640

we're going I think I meant might have

1492

01:15:47,689 --> 01:15:44,219

mentioned this to you before is the de

1493

01:15:50,300 --> 01:15:47,699

Beardslee castle and that's out in town

1494

01:15:52,280 --> 01:15:50,310

called st. Johnsville New York which is

1495

01:15:53,350 --> 01:15:52,290

out near Utica New York the western part

1496

01:15:56,510 --> 01:15:53,360

of the state

1497

01:15:58,550 --> 01:15:56,520

we're from Albany New York which is the

1498

01:16:01,100 --> 01:15:58,560

second oldest capital city in the

1499

01:16:04,760 --> 01:16:01,110

country and loaded with ghosts by the

1500

01:16:07,130 --> 01:16:04,770

way but a couple of the ladies in my

1501
01:16:10,550 --> 01:16:07,140
group they're twins actually Linda

1502
01:16:13,490 --> 01:16:10,560
Herrington and Laurie Berkley probably I

1503
01:16:17,060 --> 01:16:13,500
think I don't know when exactly this was

1504
01:16:19,910 --> 01:16:17,070
I was not with them but they see people

1505
01:16:23,240 --> 01:16:19,920
they actually they see dead people and

1506
01:16:23,570 --> 01:16:23,250
they could have their own show and they

1507
01:16:26,290 --> 01:16:23,580
were

1508
01:16:29,180 --> 01:16:26,300
there for dinner it's an old old uh

1509
01:16:32,540 --> 01:16:29,190
actually was built during the French and

1510
01:16:35,900 --> 01:16:32,550
Indian War in the 1700s and they used to

1511
01:16:40,100 --> 01:16:35,910
store a powder and munitions in the

1512
01:16:41,810 --> 01:16:40,110
tunnels that that run underground and at

1513
01:16:44,330 --> 01:16:41,820

one time it was an underground railroad

1514

01:16:48,440 --> 01:16:44,340

but it has a bloody history a lot of

1515

01:16:50,840 --> 01:16:48,450

deaths suicides in that place but now

1516

01:16:53,210 --> 01:16:50,850

it's a restaurant very nice I was there

1517

01:16:55,670 --> 01:16:53,220

one time I didn't see a darn thing but

1518

01:16:58,820 --> 01:16:55,680

they went to the powder room after they

1519

01:17:00,410 --> 01:16:58,830

had dinner and they were combing their

1520

01:17:02,570 --> 01:17:00,420

hair and kind of talking looking in the

1521

01:17:04,430 --> 01:17:02,580

mirror and the door opened behind them

1522

01:17:07,460 --> 01:17:04,440

and here were these two young girls

1523

01:17:09,320 --> 01:17:07,470

about 15 years old and they had the

1524

01:17:11,510 --> 01:17:09,330

little dust chaps that's what they used

1525

01:17:14,600 --> 01:17:11,520

to call on back then and um they would

1526

01:17:16,460 --> 01:17:14,610

regular serving girls from the 1700s you

1527

01:17:19,220 --> 01:17:16,470

might see in the local pub or whatever

1528

01:17:22,640 --> 01:17:19,230

and they were actually talking to Linda

1529

01:17:24,620 --> 01:17:22,650

and Laurie and after you know after they

1530

01:17:26,390 --> 01:17:24,630

walked out Linda said gee they were cute

1531

01:17:29,120 --> 01:17:26,400

well let's find a manager I want to

1532

01:17:33,620 --> 01:17:29,130

compliment him on you know the outfits

1533

01:17:35,300 --> 01:17:33,630

that the the weight people wear and when

1534

01:17:36,830 --> 01:17:35,310

they mentioned it to him he just left he

1535

01:17:37,430 --> 01:17:36,840

said oh we don't have anybody like that

1536

01:17:40,070 --> 01:17:37,440

here

1537

01:17:41,960 --> 01:17:40,080

he said you saw them he said they were

1538

01:17:45,380 --> 01:17:41,970

probably working here a couple hundred

1539

01:17:47,840 --> 01:17:45,390

years ago so we're going to take a field

1540

01:17:52,690 --> 01:17:47,850

trip out there hopefully this summer

1541

01:17:56,420 --> 01:17:52,700

with our EDP people hear footsteps and

1542

01:17:59,450 --> 01:17:56,430

whispers I think it was three employees

1543

01:18:02,360 --> 01:17:59,460

once heard a very loud like a chilling

1544

01:18:05,660 --> 01:18:02,370

scream that reverberate through the

1545

01:18:08,690 --> 01:18:05,670

castle and somebody pushed them down the

1546

01:18:11,030 --> 01:18:08,700

stairs so it doesn't sound like anything

1547

01:18:13,760 --> 01:18:11,040

good out there I don't know

1548

01:18:15,350 --> 01:18:13,770

possibly poltergeist activity I don't

1549

01:18:16,820 --> 01:18:15,360

you know I don't I'm still trying to

1550

01:18:19,580 --> 01:18:16,830

figure out the difference between a

1551

01:18:23,270 --> 01:18:19,590

spirit and a poltergeist ah well you

1552

01:18:25,490 --> 01:18:23,280

know we've come to a lump everything get

1553

01:18:27,110 --> 01:18:25,500

together if you've listened to any of

1554

01:18:31,610 --> 01:18:27,120

the shows where we've had on Paul you

1555

01:18:33,770 --> 01:18:31,620

know he considers them all parasites and

1556

01:18:35,810 --> 01:18:33,780

of course a lot of these spirits and

1557

01:18:37,399 --> 01:18:35,820

ghosts are not what they claim to be I

1558

01:18:38,899 --> 01:18:37,409

mean they can they can

1559

01:18:42,259 --> 01:18:38,909

anything if they want to tell you

1560

01:18:43,969 --> 01:18:42,269

anything yet at all and he thinks some

1561

01:18:46,370 --> 01:18:43,979

of them are you know operating in a

1562

01:18:47,929 --> 01:18:46,380

another dimension or another realm and

1563

01:18:52,489 --> 01:18:47,939

they come through in this you know

1564

01:18:54,529 --> 01:18:52,499

portal and they feed on our the you know

1565

01:18:57,290 --> 01:18:54,539

our the energy of the people around them

1566

01:18:59,839 --> 01:18:57,300

if you're scared of you know the the

1567

01:19:02,270 --> 01:18:59,849

ghosts of the the spirit they just they

1568

01:19:04,069 --> 01:19:02,280

just seem to love them love that it

1569

01:19:08,359 --> 01:19:04,079

makes them more powerful and they'll

1570

01:19:13,819 --> 01:19:08,369

come a you know at you with more Glee

1571

01:19:17,659 --> 01:19:13,829

and bigger than ever before in fact Paul

1572

01:19:19,339 --> 01:19:17,669

Paul said at one time he had a Exorcist

1573

01:19:21,709 --> 01:19:19,349

a priest you know in a house that was

1574

01:19:23,299 --> 01:19:21,719

really haunted and the ghosts just you

1575

01:19:25,669 --> 01:19:23,309

know the spirit poltergeist came back a

1576

01:19:27,549 --> 01:19:25,679

couple of weeks later and he finally got

1577

01:19:29,839 --> 01:19:27,559

to remember this Timmy finally got the

1578

01:19:33,409 --> 01:19:29,849

poltergeist to go away by reading from a

1579

01:19:36,259 --> 01:19:33,419

joke book yes yeah and so he says

1580

01:19:43,339 --> 01:19:36,269

sometimes a teddy bear is just as good

1581

01:19:46,009 --> 01:19:43,349

as a cross and PDF of the here in other

1582

01:19:48,979 --> 01:19:46,019

words that's that's what they do yeah so

1583

01:19:50,839 --> 01:19:48,989

don't be don't be afraid of the ghouls

1584

01:19:52,969 --> 01:19:50,849

and goblins and things that go bump in

1585

01:19:55,909 --> 01:19:52,979

the night just mentioned Tim Schwartz's

1586

01:19:58,009 --> 01:19:55,919

name and there you go and everywhere

1587

01:20:00,589 --> 01:19:58,019

will be okay well you know actually I

1588

01:20:02,689 --> 01:20:00,599

have I have an article up right now that

1589

01:20:05,239 --> 01:20:02,699

that talks about the differences between

1590

01:20:07,580 --> 01:20:05,249

you know ghosts and hauntings and a

1591

01:20:09,919 --> 01:20:07,590

poltergeist especially talking

1592

01:20:11,959 --> 01:20:09,929

poltergeist well you have some

1593

01:20:16,129 --> 01:20:11,969

interesting cases there there's of

1594

01:20:18,080 --> 01:20:16,139

course a Jeff talking mongoose now that

1595

01:20:20,060 --> 01:20:18,090

in one of my favorite all-time their

1596

01:20:22,429 --> 01:20:20,070

claudia have you heard of the jeff to

1597

01:20:24,679 --> 01:20:22,439

talking mongoose you know that's one

1598

01:20:26,569 --> 01:20:24,689

that escaped me but i rusty all it is a

1599

01:20:27,770 --> 01:20:26,579

fabulous story we can't go into it

1600

01:20:31,790 --> 01:20:27,780

tonight because we don't have enough

1601
01:20:33,620 --> 01:20:31,800
time but basically in England out there

1602
01:20:36,049 --> 01:20:33,630
on the on the coast on the island right

1603
01:20:41,949 --> 01:20:36,059
island man was it isle of manuscript

1604
01:20:46,759 --> 01:20:45,290
mongoose we don't know whether it was a

1605
01:20:48,949 --> 01:20:46,769
real well we assume it was a real

1606
01:20:50,990 --> 01:20:48,959
mongoose who could talk because they did

1607
01:20:54,380 --> 01:20:51,000
find the paw prints and

1608
01:20:56,990 --> 01:20:54,390
I found the scratchings on the I think

1609
01:20:59,000 --> 01:20:57,000
on the walls and on the table and the

1610
01:21:01,970 --> 01:20:59,010
Mongoose even climbed on the bottom of a

1611
01:21:05,120 --> 01:21:01,980
busted remember that and Madeleine and

1612
01:21:06,740 --> 01:21:05,130
and and the MA and and the creature of

1613
01:21:08,420 --> 01:21:06,750

course they never really you know they

1614

01:21:11,240 --> 01:21:08,430

only caught glimpses of it I mean it

1615

01:21:13,460 --> 01:21:11,250

claimed itself that it was among that it

1616

01:21:15,500 --> 01:21:13,470

was a mongoose it said yeah it said it

1617

01:21:19,280 --> 01:21:15,510

was just an extra clever little Mongoose

1618

01:21:21,500 --> 01:21:19,290

and then we had been walking stove right

1619

01:21:24,380 --> 01:21:21,510

right which happened in Spain just

1620

01:21:27,820 --> 01:21:24,390

around the same time as as Jeff the

1621

01:21:31,660 --> 01:21:27,830

mongoose if anybody anybody wants to

1622

01:21:35,860 --> 01:21:31,670

learn more about this little devilish

1623

01:21:38,360 --> 01:21:35,870

creatures like a Jeff the book is a

1624

01:21:40,760 --> 01:21:38,370

medieval and beyond tim is but we'll

1625

01:21:42,590 --> 01:21:40,770

find that material yes that's correct

1626

01:21:44,630 --> 01:21:42,600

and and and then I have a separate

1627

01:21:47,750 --> 01:21:44,640

article based on that's right yeah it's

1628

01:21:50,060 --> 01:21:47,760

on it's on our blog which is spectrum

1629

01:21:53,090 --> 01:21:50,070

vision yes spectral vision at

1630

01:21:54,980 --> 01:21:53,100

wordpress.com just just type in spectral

1631

01:21:57,650 --> 01:21:54,990

vision it will pop it up what is it

1632

01:21:59,630 --> 01:21:57,660

we've got a lot of articles on there I

1633

01:22:01,850 --> 01:21:59,640

mean there's some really good stuff on

1634

01:22:08,060 --> 01:22:01,860

there I've send it to everybody who

1635

01:22:09,560 --> 01:22:08,070

signs up at mr. UFO eight and hotmail we

1636

01:22:12,080 --> 01:22:09,570

we send them a course a link to our

1637

01:22:17,980 --> 01:22:12,090

YouTube channel a link to the station

1638

01:22:27,890 --> 01:22:25,040

oh wow you got it - I said you send up

1639

01:22:31,370 --> 01:22:27,900

dead dollars right yeah yeah

1640

01:22:33,890 --> 01:22:31,380

okay so exploiting it out there's been

1641

01:22:36,050 --> 01:22:33,900

there's been this active activity up

1642

01:22:38,570 --> 01:22:36,060

there around the Albany would you say

1643

01:22:40,220 --> 01:22:38,580

that there's more paranormal activity

1644

01:22:42,740 --> 01:22:40,230

there than other parts of the state or

1645

01:22:44,990 --> 01:22:42,750

is it just because you guys are a little

1646

01:22:47,750 --> 01:22:45,000

bit more conscious of it I think it's

1647

01:22:50,330 --> 01:22:47,760

because we're you know we look for it I

1648

01:22:51,710 --> 01:22:50,340

think I think spirits or whatever you

1649

01:22:55,040 --> 01:22:51,720

want to call it they are everywhere

1650

01:22:58,820 --> 01:22:55,050

there they were just surrounding us but

1651
01:23:01,520 --> 01:22:58,830
it certainly is a haunted place but I

1652
01:23:03,890 --> 01:23:01,530
like I said before I was never really

1653
01:23:04,260 --> 01:23:03,900
affected by it personally until I had an

1654
01:23:07,940 --> 01:23:04,270
ex

1655
01:23:12,060 --> 01:23:07,950
Orient's when I was about 40 I think I

1656
01:23:14,430 --> 01:23:12,070
was I was ending a bad relationship I

1657
01:23:17,880 --> 01:23:14,440
mean haven't we all right and I was kind

1658
01:23:19,740 --> 01:23:17,890
of in a well not depressed but you know

1659
01:23:21,270 --> 01:23:19,750
kind of an anxious state of mind a lot

1660
01:23:25,890 --> 01:23:21,280
of things were going on in my life that

1661
01:23:28,650 --> 01:23:25,900
weren't very good and I was in a in my

1662
01:23:31,020 --> 01:23:28,660
car late one night and I was on an old

1663
01:23:34,560 --> 01:23:31,030

road that runs parallel to the Hudson

1664

01:23:36,690 --> 01:23:34,570

River and it's extremely scary Road I

1665

01:23:38,910 --> 01:23:36,700

used to hate to go on that thing but I

1666

01:23:42,390 --> 01:23:38,920

was by myself it was probably 11:30 at

1667

01:23:46,140 --> 01:23:42,400

night and all of a sudden and I swear to

1668

01:23:48,000 --> 01:23:46,150

you this actually happened all of a

1669

01:23:50,220 --> 01:23:48,010

sudden I have happened to look to my

1670

01:23:53,100 --> 01:23:50,230

left and the road was completely dark

1671

01:23:55,500 --> 01:23:53,110

and just as I was going into the town of

1672

01:23:58,170 --> 01:23:55,510

Casselton just before I could just see

1673

01:24:01,500 --> 01:23:58,180

the lights of the town up ahead there

1674

01:24:03,570 --> 01:24:01,510

was a white owl and I swear the thing

1675

01:24:05,850 --> 01:24:03,580

was almost four feet tall it was at the

1676

01:24:08,580 --> 01:24:05,860

side of the road and all of a sudden it

1677

01:24:12,180 --> 01:24:08,590

just flew right over my windshield and

1678

01:24:16,080 --> 01:24:12,190

the wing scraped you know the windshield

1679

01:24:17,790 --> 01:24:16,090

as he went by and I had to pull over I

1680

01:24:24,030 --> 01:24:17,800

couldn't believe I actually thought it

1681

01:24:27,150 --> 01:24:24,040

was I you know I was still good upset

1682

01:24:30,600 --> 01:24:27,160

over it but after that I had a lot of

1683

01:24:32,340 --> 01:24:30,610

things I had well I had a couple of

1684

01:24:34,560 --> 01:24:32,350

really strange things happening after

1685

01:24:38,460 --> 01:24:34,570

that but I did some reading on it and

1686

01:24:40,790 --> 01:24:38,470

the owl is tied to a lot of occult lore

1687

01:24:43,950 --> 01:24:40,800

that's true and it's kind of like a

1688

01:24:46,590 --> 01:24:43,960

screen image that it blocks people's the

1689

01:24:49,620 --> 01:24:46,600

memory of perhaps what really has

1690

01:24:51,450 --> 01:24:49,630

occurred I know a lot of people who have

1691

01:24:53,550 --> 01:24:51,460

been abducted I don't know him

1692

01:24:55,830 --> 01:24:53,560

personally but I've read bill Hopkins

1693

01:24:58,680 --> 01:24:55,840

about Hopkins and a few other places a

1694

01:25:02,370 --> 01:24:58,690

claim that they've had encounters with

1695

01:25:04,050 --> 01:25:02,380

the with giant owls and later under

1696

01:25:07,050 --> 01:25:04,060

hypnosis that turned out that the owl

1697

01:25:10,020 --> 01:25:07,060

was an alien or something to that effect

1698

01:25:12,229 --> 01:25:10,030

right well it happened very quickly and

1699

01:25:16,760 --> 01:25:12,239

it never happened again but

1700

01:25:21,140 --> 01:25:16,770

shortly thereafter I went to the John F

1701

01:25:23,390 --> 01:25:21,150

Kennedy Library in Boston for the

1702

01:25:25,580 --> 01:25:23,400

Profiles in Courage Award that they give

1703

01:25:28,729 --> 01:25:25,590

away every year it's the Kennedy family

1704

01:25:32,870 --> 01:25:28,739

they award a politician that they

1705

01:25:35,180 --> 01:25:32,880

consider may have been may have shown

1706

01:25:38,390 --> 01:25:35,190

political courage on some subject and

1707

01:25:41,120 --> 01:25:38,400

they give him a nice little award and I

1708

01:25:44,479 --> 01:25:41,130

went two years in a row a friend of mine

1709

01:25:46,190 --> 01:25:44,489

used to work for a senator and we got

1710

01:25:48,920 --> 01:25:46,200

press passes it's the only way we could

1711

01:25:51,080 --> 01:25:48,930

get in there and I saw the Kennedy

1712

01:25:53,720 --> 01:25:51,090

family's Jackie and it was was really

1713

01:25:55,459 --> 01:25:53,730

thrilling for me and on the way out I

1714

01:25:57,290 --> 01:25:55,469

was with my friend David and he said why

1715

01:25:59,420 --> 01:25:57,300

don't you know what a picture of you so

1716

01:26:02,000 --> 01:25:59,430

he I stood in front of the presidential

1717

01:26:03,979 --> 01:26:02,010

seal that was on the back of this wall

1718

01:26:06,920 --> 01:26:03,989

and was like a touristy thing you know

1719

01:26:09,590 --> 01:26:06,930

you get your picture taken and I had my

1720

01:26:11,330 --> 01:26:09,600

hands in an upright position and I you

1721

01:26:12,650 --> 01:26:11,340

know I thought oh boy get this over with

1722

01:26:16,310 --> 01:26:12,660

I hate my picture taken

1723

01:26:20,120 --> 01:26:16,320

so I got home and when I developed the

1724

01:26:24,590 --> 01:26:20,130

pictures here was this cloth that was

1725

01:26:28,430 --> 01:26:24,600

coming out from underneath my right hand

1726

01:26:31,640 --> 01:26:28,440

it looks like a Serpent's claw it's I

1727

01:26:33,500 --> 01:26:31,650

still have it it was the most horrifying

1728

01:26:37,100 --> 01:26:33,510

thing I've ever seen and that was after

1729

01:26:38,959 --> 01:26:37,110

that owl thing so whatever that means I

1730

01:26:41,450 --> 01:26:38,969

have no idea I've had a couple people

1731

01:26:43,370 --> 01:26:41,460

look at it one said well you're a healer

1732

01:26:46,970 --> 01:26:43,380

that's what that means another one said

1733

01:26:49,970 --> 01:26:46,980

a lot of people are experiencing it's

1734

01:26:53,180 --> 01:26:49,980

this that phantom pictures were spirits

1735

01:26:55,670 --> 01:26:53,190

appear and it means something you know

1736

01:26:57,830 --> 01:26:55,680

arcane something that maybe it isn't

1737

01:27:00,560 --> 01:26:57,840

quite visible to the person for a while

1738

01:27:03,229 --> 01:27:00,570

but another person said well it's a

1739

01:27:05,090 --> 01:27:03,239

solid object but it's underneath your

1740

01:27:08,060 --> 01:27:05,100

hand you're not holding it so that's

1741

01:27:09,740 --> 01:27:08,070

another thing but and the other thing

1742

01:27:12,890 --> 01:27:09,750

that happened to me I had what is called

1743

01:27:15,979 --> 01:27:12,900

an old hag experience I was asleep one

1744

01:27:18,500 --> 01:27:15,989

night in my bed and I was you know that

1745

01:27:20,540 --> 01:27:18,510

I guess they call it like a hypnopompic

1746

01:27:22,700 --> 01:27:20,550

state where you're not quite awake

1747

01:27:25,490 --> 01:27:22,710

you're not quite as sleep but I was very

1748

01:27:29,090 --> 01:27:25,500

aware of where I was and everything

1749

01:27:31,010 --> 01:27:29,100

and I I could see this black silhouette

1750

01:27:34,040 --> 01:27:31,020

at the foot of my bed and I could feel

1751

01:27:36,020 --> 01:27:34,050

someone laying on top of me and they

1752

01:27:40,490 --> 01:27:36,030

actually had me pinned down very hard

1753

01:27:43,340 --> 01:27:40,500

and it it was terrifying it was it was

1754

01:27:45,050 --> 01:27:43,350

just it was it was awful and I I

1755

01:27:48,560 --> 01:27:45,060

remember that if you were ever attacked

1756

01:27:51,020 --> 01:27:48,570

like that to say the name of Jesus

1757

01:27:53,240 --> 01:27:51,030

Christ and I could not get that name out

1758

01:27:56,590 --> 01:27:53,250

I had to do it phonetically but once I

1759

01:27:57,770 --> 01:27:56,600

did it was gone now that happened twice

1760

01:28:00,470 --> 01:27:57,780

okay

1761

01:28:02,360 --> 01:28:00,480

and that was before I met you that that

1762

01:28:04,490 --> 01:28:02,370

happen but this really got me and then I

1763

01:28:06,770 --> 01:28:04,500

had the thing with my friend Linda who

1764

01:28:09,050 --> 01:28:06,780

saw the disappearing you know men in

1765

01:28:13,210 --> 01:28:09,060

black and local cemetery and then I

1766

01:28:15,980 --> 01:28:13,220

joined the group and and Here I am so

1767

01:28:17,630 --> 01:28:15,990

one other thing I just wanted to tell

1768

01:28:18,890 --> 01:28:17,640

you that we're going on another field

1769

01:28:22,010 --> 01:28:18,900

trip we're going to be very busy this

1770

01:28:25,280 --> 01:28:22,020

year and we're going to pick it see New

1771

01:28:27,290 --> 01:28:25,290

York to the Christ Episcopal Church have

1772

01:28:29,450 --> 01:28:27,300

you heard what's going on down yeah no

1773

01:28:32,870 --> 01:28:29,460

no I don't I don't think so I'm not the

1774

01:28:36,530 --> 01:28:32,880

religious type so okay well well you

1775

01:28:38,060 --> 01:28:36,540

remember a Bishop Pike from break his

1776

01:28:41,630 --> 01:28:38,070

name up again I've been writing about

1777

01:28:46,340 --> 01:28:41,640

Bishop Bishop Pike son committed suicide

1778

01:28:47,750 --> 01:28:46,350

in the room where I slept one night and

1779

01:28:51,860 --> 01:28:47,760

it's in this book that Tim and I have

1780

01:28:53,990 --> 01:28:51,870

been working on it's the philip k dick

1781

01:28:57,080 --> 01:28:54,000

in the matrix and typically

1782

01:28:58,130 --> 01:28:57,090

synchronicities and yes I know all yes I

1783

01:29:00,020 --> 01:28:58,140

know about the hauntings of the

1784

01:29:02,030 --> 01:29:00,030

poltergeist and the whole bit yes I

1785

01:29:05,420 --> 01:29:02,040

didn't recognize the name but they had

1786

01:29:08,480 --> 01:29:05,430

pulled the guy's connection there yes

1787

01:29:09,980 --> 01:29:08,490

yeah well for anybody for younger people

1788

01:29:13,340 --> 01:29:09,990

who never heard of him he was something

1789

01:29:16,100 --> 01:29:13,350

he was a bit of a heretic yes he was yes

1790

01:29:20,060 --> 01:29:16,110

he believed in really radical things for

1791

01:29:22,970 --> 01:29:20,070

the early 60s which were considered like

1792

01:29:25,790 --> 01:29:22,980

I said heretical at the time he believed

1793

01:29:28,960 --> 01:29:25,800

in anti capital punishment and

1794

01:29:31,790 --> 01:29:28,970

desegregation and Planned Parenthood and

1795

01:29:35,210 --> 01:29:31,800

women and women in the priesthood yes

1796

01:29:37,370 --> 01:29:35,220

very big proponent of that and you know

1797

01:29:38,930 --> 01:29:37,380

he was he they thought he was kind of

1798

01:29:42,590 --> 01:29:38,940

nutty because he was so

1799

01:29:45,710 --> 01:29:42,600

out of the mainstream but he ended up on

1800

01:29:48,020 --> 01:29:45,720

television and he after his son died he

1801

01:29:52,100 --> 01:29:48,030

got involved with mediums and the occult

1802

01:29:55,490 --> 01:29:52,110

and Arthur Ford was the medium yeah

1803

01:29:56,930 --> 01:29:55,500

Arthur Ford right yeah and he worked

1804

01:30:00,380 --> 01:29:56,940

with the Ouija boards and everything but

1805

01:30:02,270 --> 01:30:00,390

he ended up I think it was probably

1806

01:30:04,970 --> 01:30:02,280

around the time he was on television or

1807

01:30:09,740 --> 01:30:04,980

maybe shortly after or before that he

1808

01:30:15,410 --> 01:30:09,750

was the rector at this church Piscopo

1809

01:30:18,800 --> 01:30:15,420

Church and talk about odd things he

1810

01:30:20,300 --> 01:30:18,810

would well he thought there was a ghost

1811

01:30:22,520 --> 01:30:20,310

in the church and he thought it was the

1812

01:30:25,760 --> 01:30:22,530

former rector that walked up the stairs

1813

01:30:28,640 --> 01:30:25,770

and just rang a bell and on the altar

1814

01:30:31,970 --> 01:30:28,650

and anyway one time during the mass as

1815

01:30:34,280 --> 01:30:31,980

he lit a holy candle Pike was actually

1816

01:30:37,130 --> 01:30:34,290

attacked by a bat on the altar that kind

1817

01:30:39,290 --> 01:30:37,140

of came out of nowhere and a gust of

1818

01:30:42,530 --> 01:30:39,300

wind blew out the candle just as the bat

1819

01:30:44,690 --> 01:30:42,540

appeared and it had happened several

1820

01:30:49,370 --> 01:30:44,700

times it was in a witness by the entire

1821

01:30:53,360 --> 01:30:49,380

congregation and candles and bats have

1822

01:30:55,790 --> 01:30:53,370

kind of featured prominently and not

1823

01:30:58,160 --> 01:30:55,800

only in that church but in others I find

1824

01:31:00,410 --> 01:30:58,170

what well you know the bishop today a

1825

01:31:02,780 --> 01:31:00,420

book with his wife I believe her name

1826

01:31:05,810 --> 01:31:02,790

was Diane and I had a brief

1827

01:31:09,020 --> 01:31:05,820

communication with her you know but via

1828

01:31:12,320 --> 01:31:09,030

email just this week actually because I

1829

01:31:15,040 --> 01:31:12,330

was trying to find out we know that the

1830

01:31:18,490 --> 01:31:15,050

Bishop Pike had a close friendship with

1831

01:31:20,990 --> 01:31:18,500

philip k dick who is the subject of this

1832

01:31:25,610 --> 01:31:21,000
