[Music]

2
00:00:44,399 --> 00:00:41,920

exploring the bazaar your e-ticket ride

3
00:00:47,680 --> 00:00:44,409

is the world of the paranormal

4
00:00:51,719 --> 00:00:47,690

strap yourself in as we traverse the

5
00:00:55,109 --> 00:00:51,729

universe exploring the unexplained UFO

6
00:00:57,490 --> 00:00:55,119

ghost lost world

7
00:01:01,329 --> 00:00:57,500

cryptozoology as well as other

8
00:01:03,600 --> 00:01:01,339

dimensions it's time to take back the

9
00:01:07,210 --> 00:01:03,610

NASA night

10
00:01:10,480 --> 00:01:07,220

now your electrifying hosts of exploring

11
00:01:17,350 --> 00:01:10,490

the bizarre Timothy Begley and Kings

12
00:01:36,029 --> 00:01:17,360

Wars good evening citizens of America

13
00:01:39,940 --> 00:01:36,039

over the future of your palace oh my god

14

00:01:42,010 --> 00:01:39,950

these guys are really weird ah they're

15

00:01:43,119 --> 00:01:42,020

all dressed in black and they've got

16

00:01:45,580 --> 00:01:43,129

glowing eyes

17

00:01:49,119 --> 00:01:45,590

and and look at their hats Tim those

18

00:01:51,520 --> 00:01:49,129

hats looked at four five feet tall and

19

00:01:54,339 --> 00:01:51,530

their black hearse is parked at the side

20

00:01:57,100 --> 00:01:54,349

of the road they're dragging me to it

21

00:02:00,550 --> 00:01:57,110

but look look look up in the sky their

22

00:02:06,070 --> 00:02:00,560

UFOs and it looks like they will save me

23

00:02:09,580 --> 00:02:06,080

oh they saved me Tim you know any time I

24

00:02:11,800 --> 00:02:09,590

hear somebody say you know do not panic

25

00:02:14,140 --> 00:02:11,810

I think that's the time really when we

26
00:02:17,259 --> 00:02:14,150
should panic well I could have hid under

27
00:02:19,540 --> 00:02:17,269
their hats they were so tall are they

28
00:02:22,839 --> 00:02:19,550
men in black or Abraham Lincoln well

29
00:02:25,240 --> 00:02:22,849
that's a good that's a good question I I

30
00:02:26,170 --> 00:02:25,250
think they're men in black that hearse

31
00:02:29,850 --> 00:02:26,180
gave him away

32
00:02:33,550 --> 00:02:29,860
either that or they were the leftover a

33
00:02:37,330 --> 00:02:33,560
crew from a phantasm the the horror

34
00:02:39,460 --> 00:02:37,340
movie franchise mud where one of my

35
00:02:42,550 --> 00:02:39,470
favorites well I was kind of

36
00:02:44,680 --> 00:02:42,560
disappointed in the last one but I'm not

37
00:02:48,459 --> 00:02:44,690
disappointed in our guest that tonight

38
00:02:50,910 --> 00:02:48,469

who have written two very wonderful

39

00:02:55,050 --> 00:02:50,920

books one I have here in my

40

00:02:57,330 --> 00:02:55,060

and as you can tell as I flip through

41

00:03:00,960 --> 00:02:57,340

the pages and tell everybody else not to

42

00:03:04,229 --> 00:03:00,970

make any sounds while we're broadcasting

43

00:03:07,020 --> 00:03:04,239

but I can do nothing like a physical

44

00:03:13,260 --> 00:03:07,030

book to hold yeah yes indeed but I also

45

00:03:16,979 --> 00:03:13,270

have a a Kindle or a a P pdf version a

46

00:03:18,570 --> 00:03:16,989

version of the other book which and both

47

00:03:21,630 --> 00:03:18,580

of them are stunners in their own

48

00:03:23,430 --> 00:03:21,640

category so Tim take it away

49

00:03:26,430 --> 00:03:23,440

tell us who we're going to have on

50

00:03:29,370 --> 00:03:26,440

tonight so we can get this festival of

51
00:03:31,920 --> 00:03:29,380
light and knowledge on the road why it

52
00:03:35,520 --> 00:03:31,930
would be my pleasure Tim tonight we have

53
00:03:38,309 --> 00:03:35,530
with us first of all dr. Irena Scott who

54
00:03:40,949 --> 00:03:38,319
received her PhD from the University of

55
00:03:43,020 --> 00:03:40,959
Missouri in Physiology and did

56
00:03:46,259 --> 00:03:43,030
postdoctoral research at Cornell

57
00:03:48,320 --> 00:03:46,269
University now dr. Scott has worked for

58
00:03:54,050 --> 00:03:48,330
the Defense Intelligence Agency and the

59
00:03:57,120 --> 00:03:54,060
Arrowsmith hitter Smith aerospace Center

60
00:03:59,430 --> 00:03:57,130
in satellite photography that's it folks

61
00:04:01,410 --> 00:03:59,440
I'm out for the night she was also

62
00:04:04,680 --> 00:04:01,420
volunteer astronomer at the Ohio State

63
00:04:07,289 --> 00:04:04,690

University radio Observatory and has

64

00:04:09,960 --> 00:04:07,299

taken flying lessons her publications

65

00:04:12,270 --> 00:04:09,970

include books and works in scientific

66

00:04:14,220 --> 00:04:12,280

journals magazines newspapers and she

67

00:04:17,009 --> 00:04:14,230

was a correspondent for Popular

68

00:04:20,819 --> 00:04:17,019

Mechanics magazine served on the MUFON

69

00:04:23,640 --> 00:04:20,829

Board of Directors 1993 to the year 2000

70

00:04:26,700 --> 00:04:23,650

and her recent book that we're talking

71

00:04:30,570 --> 00:04:26,710

about which is to be released on June

72

00:04:34,080 --> 00:04:30,580

1st is UFOs today seventy years of Lies

73

00:04:36,960 --> 00:04:34,090

disinformation and government cover-up

74

00:04:40,020 --> 00:04:36,970

and our other guest is Linda Zimmerman

75

00:04:42,870 --> 00:04:40,030

now Linda is a research chemist turned

76

00:04:44,610 --> 00:04:42,880

award-winning author of 30 books on

77

00:04:48,120 --> 00:04:44,620

science history and the paranormal and

78

00:04:51,480 --> 00:04:48,130

fiction her ghost investigator series of

79

00:04:56,370 --> 00:04:51,490

books led to comic books based on her

80

00:04:58,710 --> 00:04:56,380

cases and as she she has a novel and I'm

81

00:05:01,980 --> 00:04:58,720

not sure how you pronounce this it looks

82

00:05:03,100 --> 00:05:01,990

like almost like ancient here he ate a

83

00:05:08,439 --> 00:05:03,110

Hebrew word

84

00:05:11,320 --> 00:05:08,449

when the HVGA honey brown said well no

85

00:05:12,999 --> 00:05:11,330

no and it's good to Hudson Valley zombie

86

00:05:16,839 --> 00:05:13,009

apocalypse ah there you go

87

00:05:19,209 --> 00:05:16,849

sorry second outfit there you go and was

88

00:05:21,279 --> 00:05:19,219

turned into a graphic novel and she

89

00:05:23,709 --> 00:05:21,289

recently starred in an award-winning

90

00:05:27,100 --> 00:05:23,719

documentary in the night sky

91

00:05:28,330 --> 00:05:27,110

based on her research into UFO sightings

92

00:05:32,379 --> 00:05:28,340

in the Hudson Valley

93

00:05:35,770 --> 00:05:32,389

and her book that both de Beckley and I

94

00:05:38,469 --> 00:05:35,780

have is called more Hudson Valley UFOs

95

00:05:40,450 --> 00:05:38,479

so dr. Scott Linda Zimmerman thank you

96

00:05:42,790 --> 00:05:40,460

very much for being with us tonight on

97

00:05:46,800 --> 00:05:42,800

exploring the bizarre wonderful

98

00:05:51,309 --> 00:05:46,810

wonderful movie I had one of the best

99

00:05:54,369 --> 00:05:51,319

films that I have seen on a single UFO

100

00:05:56,619 --> 00:05:54,379

uh well I wouldn't call it yeah case

101

00:05:59,980 --> 00:05:56,629

well I guess you we can go flap flap

102

00:06:04,050 --> 00:05:59,990

yeah yeah yeah yeah yeah you're just

103

00:06:06,909 --> 00:06:04,060

just a great film you know most like

104

00:06:09,879 --> 00:06:06,919

docket documentary' type of films to me

105

00:06:12,519 --> 00:06:09,889

are fairly boring especially the ones I

106

00:06:15,850 --> 00:06:12,529

see now on you know Amazon and all they

107

00:06:17,890 --> 00:06:15,860

look like they've been pasted together

108

00:06:20,290 --> 00:06:17,900

no insult to the producers or the

109

00:06:22,510 --> 00:06:20,300

directors of the films but this one is

110

00:06:26,829 --> 00:06:22,520

got a little bit of everything in it and

111

00:06:31,779 --> 00:06:26,839

it's based on the actual case studies

112

00:06:33,519 --> 00:06:31,789

and includes witness testimony I mean we

113

00:06:35,980 --> 00:06:33,529

actually see the witnesses we talk to

114

00:06:40,899 --> 00:06:35,990

them and it provides a chilling effect

115

00:06:45,040 --> 00:06:40,909

and I don't think that most other films

116

00:06:47,170 --> 00:06:45,050

of this nature actually convey today and

117

00:06:50,589 --> 00:06:47,180

Linda you can send me fifty dollars in

118

00:06:53,260 --> 00:06:50,599

the mail that's fine thank you for that

119

00:06:57,040 --> 00:06:53,270

hey but I want to start out Tim let's

120

00:06:59,439 --> 00:06:57,050

bring a doctor Irina Irina Scott into

121

00:07:01,119 --> 00:06:59,449

the conversation because I think we want

122

00:07:04,869 --> 00:07:01,129

to start out with maybe an overall

123

00:07:06,309 --> 00:07:04,879

discussion of a UFOs from a historical

124

00:07:09,730 --> 00:07:06,319

perspective and then we'll go to Linda

125

00:07:14,800 --> 00:07:09,740

who has a case study that we're going to

126

00:07:16,930 --> 00:07:14,810

discuss but you know dr. Scott I don't

127

00:07:20,200 --> 00:07:16,940

know too much about you I mean this book

128

00:07:24,490 --> 00:07:20,210

was kind of a surprise it's published by

129

00:07:27,820 --> 00:07:24,500

a flying disc press out of the UK by

130

00:07:29,410 --> 00:07:27,830

Philip mantel and you know I looked at

131

00:07:34,450 --> 00:07:29,420

the information I said well this sounds

132

00:07:36,670 --> 00:07:34,460

very you know impressive and not only I

133

00:07:40,090 --> 00:07:36,680

would call it a scholarly book but it

134

00:07:43,450 --> 00:07:40,100

really isn't because it's a very well

135

00:07:46,060 --> 00:07:43,460

lit you know written and educational as

136

00:07:48,400 --> 00:07:46,070

well as entertaining and a lot of UFO

137

00:07:52,060 --> 00:07:48,410

books lack that I mean they're either

138

00:07:54,790 --> 00:07:52,070

one way or the other and this one is it

139

00:07:56,620 --> 00:07:54,800

how did you come up with the concept of

140

00:07:58,840 --> 00:07:56,630

this book and and what got you

141

00:08:01,030 --> 00:07:58,850

interested in UFOs to start with did you

142

00:08:03,790 --> 00:08:01,040

have some sort of sighting yourself

143

00:08:05,710 --> 00:08:03,800

growing up or was it just something you

144

00:08:08,050 --> 00:08:05,720

happen to turn on the TV one day and

145

00:08:09,990 --> 00:08:08,060

said well that sounds pretty fascinating

146

00:08:14,890 --> 00:08:10,000

to me let me look at it

147

00:08:16,570 --> 00:08:14,900

well I was kind of like born interested

148

00:08:18,700 --> 00:08:16,580

in astronomy I was interested in

149

00:08:22,990 --> 00:08:18,710

astronomy ever since I can remember and

150

00:08:24,670 --> 00:08:23,000

I went to school and major in it but I

151

00:08:27,670 --> 00:08:24,680

couldn't get a job because it was

152

00:08:31,900 --> 00:08:27,680

female-only back then and so I went into

153

00:08:34,450 --> 00:08:31,910

other fields but I remained interested

154

00:08:36,159 --> 00:08:34,460

and I was interested in everything

155

00:08:38,200 --> 00:08:36,169

besides the physics I was just

156

00:08:40,810 --> 00:08:38,210

interested in UFOs and everything else

157

00:08:44,380 --> 00:08:40,820

so I've been interested ever since I was

158

00:08:50,320 --> 00:08:44,390

a kid but I didn't do much about it

159

00:08:53,020 --> 00:08:50,330

until until I was getting further in my

160

00:08:58,150 --> 00:08:53,030

career and everything and I joined some

161

00:09:00,430 --> 00:08:58,160

UFO groups and then what what made you

162

00:09:03,370 --> 00:09:00,440

decide to do that because most people

163

00:09:06,730 --> 00:09:03,380

with a background in astronomy are kind

164

00:09:09,100 --> 00:09:06,740

of dead set against this the concept

165

00:09:12,100 --> 00:09:09,110

that there are UFOs maybe you could see

166

00:09:14,620 --> 00:09:12,110

weird things you know going past the

167

00:09:17,500 --> 00:09:14,630

moon or something but astronomers is a

168

00:09:19,390 --> 00:09:17,510

rule kind of poo-poo the the subject or

169

00:09:21,520 --> 00:09:19,400

maybe they don't because I'm sure that

170

00:09:25,960 --> 00:09:21,530

there's something in your book that

171

00:09:28,810 --> 00:09:25,970

takes that into account well I think

172

00:09:30,400 --> 00:09:28,820

some of the top ufologists in the world

173

00:09:33,309 --> 00:09:30,410

are astronomers for

174

00:09:37,300 --> 00:09:33,319

well dr. Allen Hynek yes that's true he

175

00:09:40,509 --> 00:09:37,310

was sort of influence on me to start

176

00:09:43,360 --> 00:09:40,519

with because he used he was a professor

177

00:09:46,600 --> 00:09:43,370

at Ohio State here and he wrote an

178

00:09:49,660 --> 00:09:46,610

astronomy column in the local in the

179

00:09:54,249 --> 00:09:49,670

newspaper and so I kind of followed him

180

00:09:56,889 --> 00:09:54,259

from a long time and he at first was a

181

00:10:00,069 --> 00:09:56,899

big d bunker and then he changed his

182

00:10:04,720 --> 00:10:00,079

mind decided there was something to it

183

00:10:08,379 --> 00:10:04,730

and I was just open-minded in everything

184

00:10:12,999 --> 00:10:08,389

I know a lot of people say especially

185

00:10:15,340 --> 00:10:13,009

people I know tease me and harass me but

186

00:10:17,139 --> 00:10:15,350

I think I view myself as open-minded and

187

00:10:19,780 --> 00:10:17,149

I want to find about everything that's

188

00:10:24,249 --> 00:10:19,790

going on whether it's physics or whether

189

00:10:27,340 --> 00:10:24,259

it's observation of UFOs what was the

190

00:10:30,730 --> 00:10:27,350

one particular case that that you can

191

00:10:32,920 --> 00:10:30,740

point to add like the the Ann Arbor UFO

192

00:10:35,290 --> 00:10:32,930

sightings or something that you said

193

00:10:37,449 --> 00:10:35,300

hell man this is this is something I

194

00:10:42,040 --> 00:10:37,459

need to investigate I mean was there

195

00:10:45,780 --> 00:10:42,050

some some jumping off point no I just

196

00:10:49,199 --> 00:10:45,790

kind of followed it sort of secretly

197

00:10:53,470 --> 00:10:49,209

ever since I was a kid but I didn't

198

00:10:58,210 --> 00:10:53,480

activate into it quite right oh I like

199

00:11:01,449 --> 00:10:58,220

that well you use anything to have done

200

00:11:03,150 --> 00:11:01,459

an awful lot of research with your with

201
00:11:06,009 --> 00:11:03,160
your book here why don't you just

202
00:11:07,929 --> 00:11:06,019
capsulize what it is that you're you're

203
00:11:10,179 --> 00:11:07,939
trying to do I mean there are so many

204
00:11:12,519 --> 00:11:10,189
books UFO books that are published today

205
00:11:15,939 --> 00:11:12,529
this is the one one of the ones that I

206
00:11:18,460 --> 00:11:15,949
would say stands out it's kind of

207
00:11:20,769 --> 00:11:18,470
impressive because it does start at the

208
00:11:25,420 --> 00:11:20,779
beginning with the Kenneth Arnold

209
00:11:26,679 --> 00:11:25,430
sighting and it comes up to well you

210
00:11:28,269 --> 00:11:26,689
know I have to be honest I haven't had a

211
00:11:31,720 --> 00:11:28,279
chance to read the entire book but I

212
00:11:33,540 --> 00:11:31,730
actually plan to what what is your

213
00:11:39,579 --> 00:11:33,550

concept in what what are you trying to

214

00:11:43,129 --> 00:11:39,589

tell us I guess basically what I'm

215

00:11:45,769 --> 00:11:43,139

trying to say is good I think

216

00:11:49,329 --> 00:11:45,779

UFO phenomena is a lot more complex and

217

00:11:52,759 --> 00:11:49,339

it's presented it's usually presented as

218

00:11:54,049 --> 00:11:52,769

craft from other planets and then

219

00:11:56,150 --> 00:11:54,059

there's always this big debate on

220

00:11:58,519 --> 00:11:56,160

whether anybody from another planet can

221

00:12:00,109 --> 00:11:58,529

get here in a lab oh yeah I let that

222

00:12:02,629 --> 00:12:00,119

straight that's very astute of you so I

223

00:12:05,239 --> 00:12:02,639

I think you probably join our camp

224

00:12:08,599 --> 00:12:05,249

because here on that exploring the

225

00:12:10,220 --> 00:12:08,609

bizarre we're kind of I wouldn't say

226

00:12:12,799 --> 00:12:10,230

promoters because we don't really have

227

00:12:15,319 --> 00:12:12,809

force our own point of view were down

228

00:12:16,970 --> 00:12:15,329

anybody's throat in fact our point of

229

00:12:20,569 --> 00:12:16,980

view is subject to to change with

230

00:12:23,809 --> 00:12:20,579

incoming data and I've been doing this

231

00:12:26,239 --> 00:12:23,819

for 50 years and tim has been doing it

232

00:12:28,579 --> 00:12:26,249

for oh I guess more than a couple of

233

00:12:30,979 --> 00:12:28,589

decades now so we've got just about

234

00:12:37,519 --> 00:12:30,989

everything under our belt ourselves but

235

00:12:39,710 --> 00:12:37,529

we've come a long way from the 1950s mid

236

00:12:41,679 --> 00:12:39,720

1950s when I first got started and

237

00:12:44,150 --> 00:12:41,689

thinking that these were all

238

00:12:46,909 --> 00:12:44,160

extraterrestrials but I go ahead I don't

239

00:12:48,499 --> 00:12:46,919

mean to interrupt but that's a good

240

00:12:51,340 --> 00:12:48,509

jumping-off point because you're right

241

00:12:54,319 --> 00:12:51,350

there still seems to be this

242

00:12:56,119 --> 00:12:54,329

preconceived notion nice to actually

243

00:13:00,350 --> 00:12:56,129

major Keyhoe I would say to a large

244

00:13:02,840 --> 00:13:00,360

degree that UFOs are from outer space

245

00:13:05,119 --> 00:13:02,850

and I don't know if there's any direct

246

00:13:07,039 --> 00:13:05,129

evidence of that or what kind of

247

00:13:08,809 --> 00:13:07,049

evidence you would really need but okay

248

00:13:13,189 --> 00:13:08,819

go ahead tell us a little bit more about

249

00:13:17,359 --> 00:13:13,199

your concept and book here well I

250

00:13:21,879 --> 00:13:17,369

started investigating by interviewing

251
00:13:27,619 --> 00:13:21,889
people that had sightings and a lot of

252
00:13:29,600 --> 00:13:27,629
people they don't report because they

253
00:13:31,460 --> 00:13:29,610
think there's little green men crawling

254
00:13:33,439 --> 00:13:31,470
around their house or anything they

255
00:13:35,989 --> 00:13:33,449
report because they see something it

256
00:13:39,379 --> 00:13:35,999
doesn't look right and so they report

257
00:13:42,139 --> 00:13:39,389
and then they get harassed which cuts

258
00:13:44,929 --> 00:13:42,149
down on the number of reports but the

259
00:13:46,970 --> 00:13:44,939
reports I guess the for a lot of people

260
00:13:49,639 --> 00:13:46,980
that I've interviewed don't sound like

261
00:13:53,569 --> 00:13:49,649
crap from another planet a lot of people

262
00:13:55,570 --> 00:13:53,579
report objects they're soundless that

263
00:13:59,820 --> 00:13:55,580

just float through the air

264

00:14:03,340 --> 00:13:59,830

and some emerge and I'm coming apart

265

00:14:03,730 --> 00:14:03,350

they don't fit the idea of a craft at

266

00:14:08,500 --> 00:14:03,740

all

267

00:14:10,540 --> 00:14:08,510

and then other people see look objects

268

00:14:12,819 --> 00:14:10,550

that turn into humanoid shapes and

269

00:14:14,829 --> 00:14:12,829

there's all kinds of shapes and it

270

00:14:18,819 --> 00:14:14,839

doesn't it seems to me like that

271

00:14:20,410 --> 00:14:18,829

I just defined UFO phenomenon as things

272

00:14:26,650 --> 00:14:20,420

that don't fit in to your normal

273

00:14:30,699 --> 00:14:26,660

perspective and so I don't have a real

274

00:14:33,220 --> 00:14:30,709

concept of what they are and my idea of

275

00:14:34,660 --> 00:14:33,230

government cover-up is that maybe the

276

00:14:38,019 --> 00:14:34,670

government doesn't know too much about

277

00:14:41,889 --> 00:14:38,029

it either that's a that's just my theory

278

00:14:44,050 --> 00:14:41,899

maybe I'm happy I'm happy to hear you

279

00:14:46,990 --> 00:14:44,060

say that because there are so many

280

00:14:48,940 --> 00:14:47,000

people who are you know in the

281

00:14:50,650 --> 00:14:48,950

disclosure movement thinking that you

282

00:14:51,970 --> 00:14:50,660

know the government government has all

283

00:14:54,240 --> 00:14:51,980

the information and they're just keeping

284

00:14:56,889 --> 00:14:54,250

a secret you know constantly a

285

00:14:58,780 --> 00:14:56,899

petitioning the president to reveal what

286

00:15:04,030 --> 00:14:58,790

they know about UFOs ooh

287

00:15:08,019 --> 00:15:04,040

but yeah like yourself I think that the

288

00:15:10,720 --> 00:15:08,029

government probably I mean they may have

289

00:15:13,690 --> 00:15:10,730

some good photographs maybe even you

290

00:15:15,460 --> 00:15:13,700

know some some debris hidden you know

291

00:15:19,329 --> 00:15:15,470

underneath wright-patterson Air Force

292

00:15:24,130 --> 00:15:19,339

Base or something like that but I think

293

00:15:26,920 --> 00:15:24,140

that the the whole cover-up may be just

294

00:15:28,540 --> 00:15:26,930

that that they're not going to admit

295

00:15:30,340 --> 00:15:28,550

that they don't know what's going on I

296

00:15:34,210 --> 00:15:30,350

mean you know what would the population

297

00:15:35,980 --> 00:15:34,220

think if you know the president came on

298

00:15:38,170 --> 00:15:35,990

the television said yeah UFOs are real

299

00:15:39,850 --> 00:15:38,180

we just can't do anything about them

300

00:15:42,880 --> 00:15:39,860

there they are they're flying through

301

00:15:45,100 --> 00:15:42,890

our skies with impunity we can't stop

302

00:15:46,600 --> 00:15:45,110

them we don't know what they are are you

303

00:15:48,370 --> 00:15:46,610

thinking I could make I could make a

304

00:15:51,939 --> 00:15:48,380

comment about that in the president but

305

00:15:53,319 --> 00:15:51,949

I won't i won't ever wonder what do you

306

00:15:54,759 --> 00:15:53,329

think the reaction of the public would

307

00:15:56,889 --> 00:15:54,769

be i mean i think i think people would

308

00:15:58,710 --> 00:15:56,899

be more inclined you know to be happy or

309

00:16:01,780 --> 00:15:58,720

thinking that that ufos were

310

00:16:03,040 --> 00:16:01,790

extraterrestrials rather than the

311

00:16:05,610 --> 00:16:03,050

government saying that we don't know

312

00:16:09,280 --> 00:16:05,620

what they are and we can't stop them

313

00:16:11,800 --> 00:16:09,290

what they always say the government says

314

00:16:13,449 --> 00:16:11,810

generally when they disapprove UFOs is

315

00:16:15,610 --> 00:16:13,459

they say they're not a threat to

316

00:16:20,139 --> 00:16:15,620

national security they don't say they

317

00:16:21,699 --> 00:16:20,149

don't exist or they don't lay that there

318

00:16:24,699 --> 00:16:21,709

they don't say that they're done a

319

00:16:27,249 --> 00:16:24,709

threat to individual security however

320

00:16:29,829 --> 00:16:27,259

many there's a bigot there's a big

321

00:16:31,809 --> 00:16:29,839

difference there because certainly if

322

00:16:34,629 --> 00:16:31,819

you hear people talk to they've had that

323

00:16:37,449 --> 00:16:34,639

are experiencers they certainly are you

324

00:16:41,139 --> 00:16:37,459

know have some very negative

325

00:16:45,790 --> 00:16:41,149

connotations yes some people have

326

00:16:47,230 --> 00:16:45,800

positive some people have negative one

327

00:16:50,680 --> 00:16:47,240

thing that's different about my book is

328

00:16:54,490 --> 00:16:50,690

I've actually worked in several of the

329

00:16:58,900 --> 00:16:54,500

places where they where the most were

330

00:17:01,629 --> 00:16:58,910

the most intense investigation of UFOs

331

00:17:07,150 --> 00:17:01,639

took place and so I had sort of

332

00:17:09,640 --> 00:17:07,160

background on the government ideas that

333

00:17:14,169 --> 00:17:09,650

either directly or through the grapevine

334

00:17:18,909 --> 00:17:14,179

but for example I worked at Battelle

335

00:17:25,299 --> 00:17:18,919

Memorial Institute and it's a real pop

336

00:17:30,490 --> 00:17:25,309

in scientific organization it was who

337

00:17:37,590 --> 00:17:30,500

developed the Xerox and also it was

338

00:17:39,880 --> 00:17:37,600

important in a lot of atomic energy hmm

339

00:17:45,490 --> 00:17:39,890

investigation did you know that one of

340

00:17:48,370 --> 00:17:45,500

the first Xerox machines what was used

341

00:17:50,520 --> 00:17:48,380

at Project Blue Book I actually read

342

00:17:53,440 --> 00:17:50,530

that in the history of the Xerox machine

343

00:17:57,789 --> 00:17:53,450

that was one of the the first places

344

00:18:01,120 --> 00:17:57,799

that it was used no I didn't know that

345

00:18:03,850 --> 00:18:01,130

but writers I'm in Ohio and

346

00:18:06,669 --> 00:18:03,860

wright-patterson is in Ohio and since

347

00:18:12,390 --> 00:18:06,679

Patel and I think they were closely

348

00:18:16,390 --> 00:18:12,400

connected because Patel had a lot of

349

00:18:18,580 --> 00:18:16,400

metallurgist in science and they did one

350

00:18:21,399 --> 00:18:18,590

of the first scientific studies of UFOs

351

00:18:23,480 --> 00:18:21,409

they had Patel do it and to tell their

352

00:18:26,039 --> 00:18:23,490

excellent job

353

00:18:31,350 --> 00:18:26,049

but the government said didn't find

354

00:18:36,500 --> 00:18:31,360

anything when they did and yes I that

355

00:18:42,960 --> 00:18:40,009

wright-patterson seem to be linked and

356

00:18:45,210 --> 00:18:42,970

some of the people I knew that worked on

357

00:18:46,350 --> 00:18:45,220

project Bluebook we're actually getting

358

00:18:50,130 --> 00:18:46,360

paid by Mattel

359

00:18:53,940 --> 00:18:50,140

I can imagine the size of one of those

360

00:18:56,430 --> 00:18:53,950

first copiers probably took a huge

361

00:18:58,049 --> 00:18:56,440

amount of space although some of them do

362

00:18:59,610 --> 00:18:58,059

now too because of course they're

363

00:19:03,269 --> 00:18:59,620

printing books you know in the digital

364

00:19:05,549 --> 00:19:03,279

world but probably the print one page

365

00:19:09,830 --> 00:19:05,559

you needed the same space now that you

366

00:19:12,330 --> 00:19:09,840

need to you know put an entire book in a

367

00:19:16,769 --> 00:19:12,340

minute and a half or something like that

368

00:19:19,080 --> 00:19:16,779

but okay so well that now what what was

369

00:19:21,840 --> 00:19:19,090

here the earliest case that you

370

00:19:26,669 --> 00:19:21,850

investigated or what are the cases that

371

00:19:29,029 --> 00:19:26,679

most impress you well I started out at

372

00:19:33,389 --> 00:19:29,039

the beginning with Kenneth Arnold

373

00:19:36,570 --> 00:19:33,399

because I thought that at that time the

374

00:19:38,639 --> 00:19:36,580

government was organizing its coverup

375

00:19:41,430 --> 00:19:38,649

and figuring out what to doing so it

376

00:19:47,100 --> 00:19:41,440

wasn't as coordinated as it is now

377

00:19:51,419 --> 00:19:47,110

and I found I found suggestions as they

378

00:19:54,409 --> 00:19:51,429

had the idea of UFOs or flying saucers

379

00:19:58,560 --> 00:19:54,419

or something before Kenneth Arnold I

380

00:20:02,370 --> 00:19:58,570

found a document

381

00:20:04,700 --> 00:20:02,380

wright-patterson and also in Carol's

382

00:20:10,529 --> 00:20:04,710

book that said they had started

383

00:20:12,889 --> 00:20:10,539

investigating in January of 1947 we've

384

00:20:17,930 --> 00:20:12,899

had his granddaughter on the show here

385

00:20:20,940 --> 00:20:17,940

Wow yeah yeah yeah she's in fact she has

386

00:20:25,409 --> 00:20:20,950

tattooed on her back on her shoulder

387

00:20:27,840 --> 00:20:25,419

Denine crafted her a grandfather saw so

388

00:20:31,710 --> 00:20:27,850

there there you go it still makes an

389

00:20:35,039 --> 00:20:31,720

impression in the in the family which it

390

00:20:36,810 --> 00:20:35,049

out the reason I got started on this was

391

00:20:39,540 --> 00:20:36,820

because I was

392

00:20:41,910 --> 00:20:39,550

and in the 1970s I was in a good well

393

00:20:43,830 --> 00:20:41,920

store I'm just browsing around that was

394

00:20:46,260 --> 00:20:43,840

back in the days when people read books

395

00:20:49,260 --> 00:20:46,270

and that sort of thing and they had all

396

00:20:51,210 --> 00:20:49,270

these books with slicey covers and just

397

00:20:53,490 --> 00:20:51,220

wonderful and you got him for almost

398

00:20:55,860 --> 00:20:53,500

nothing and so I was looking through

399

00:20:59,100 --> 00:20:55,870

these and I found I just noticed a

400

00:21:01,710 --> 00:20:59,110

really old book that didn't like was the

401

00:21:04,220 --> 00:21:01,720

opposite of slicey and I pulled it out

402

00:21:06,480 --> 00:21:04,230

and it said written by Kenneth Arnold

403

00:21:10,110 --> 00:21:06,490

and I thought well I love me other

404

00:21:13,890 --> 00:21:10,120

saucers yeah and I thought oh how boring

405

00:21:15,960 --> 00:21:13,900

I mean I knew he saw flying saucer and

406

00:21:17,730 --> 00:21:15,970

everything but for some reason I just

407

00:21:20,370 --> 00:21:17,740

couldn't put it down and I saw I bought

408

00:21:23,700 --> 00:21:20,380

it and brought it home and it was just

409

00:21:27,830 --> 00:21:23,710

fascinating because it was written in

410

00:21:30,180 --> 00:21:27,840

1950s and back in those days everybody

411

00:21:31,950 --> 00:21:30,190

kind of believed the government they

412

00:21:34,620 --> 00:21:31,960

didn't know anything about cover-up and

413

00:21:38,130 --> 00:21:34,630

they were not even everything but I read

414

00:21:40,530 --> 00:21:38,140

it right after Watergate and so I it

415

00:21:43,260 --> 00:21:40,540

seemed a lot different to me after I

416

00:21:45,390 --> 00:21:43,270

read that because the things that were

417

00:21:46,290 --> 00:21:45,400

explained in the book is just accident

418

00:21:48,780 --> 00:21:46,300

or coincidence

419

00:21:51,510 --> 00:21:48,790

seem to me like we were part of a

420

00:21:54,180 --> 00:21:51,520

cover-up then and so I thought it was

421

00:21:54,840 --> 00:21:54,190

pretty fascinating well if anything it's

422

00:21:58,320 --> 00:21:54,850

a cover-up

423

00:22:00,780 --> 00:21:58,330

I think like you said of ignorance at

424

00:22:04,610 --> 00:22:00,790

least partially I mean how could the

425

00:22:09,810 --> 00:22:04,620

government admit that these objects are

426

00:22:11,910 --> 00:22:09,820

faster and and as you say travel very

427

00:22:15,810 --> 00:22:11,920

rapidly at times but yet can hover over

428

00:22:18,360 --> 00:22:15,820

your your house very silently and then

429

00:22:22,230 --> 00:22:18,370

shoot up into the sky and and perhaps

430

00:22:24,570 --> 00:22:22,240

even send somebody down to to snatch you

431

00:22:27,380 --> 00:22:24,580

up in the middle of the of the night I

432

00:22:30,720 --> 00:22:27,390

mean it's a it's a subject that's so

433

00:22:34,650 --> 00:22:30,730

complex that I can't even imagine the

434

00:22:39,010 --> 00:22:34,660

president going on TV and saying

435

00:22:41,590 --> 00:22:39,020

intelligently anything about the subject

436

00:22:44,649 --> 00:22:41,600

I think people are more open-minded now

437

00:22:47,680 --> 00:22:44,659

than they used to be because I everybody

438

00:22:49,630 --> 00:22:47,690

terrify the ideas back then and now

439

00:22:52,480 --> 00:22:49,640

there's you strolling with Dario at

440

00:22:55,210 --> 00:22:52,490

movies and everything so they wouldn't

441

00:22:58,419 --> 00:22:55,220

pay as much attention maybe it's

442

00:23:00,190 --> 00:22:58,429

probably still be terrified well I do

443

00:23:01,149 --> 00:23:00,200

you think it would send the stock market

444

00:23:04,060 --> 00:23:01,159

to a Salesman

445

00:23:06,340 --> 00:23:04,070

ah yeah there's there's the music Tim

446

00:23:09,549 --> 00:23:06,350

it's time for a break now back to

447

00:23:11,620 --> 00:23:09,559

exploring the bazaar with two of the

448

00:23:15,909 --> 00:23:11,630

most electrifying researchers with

449

00:23:20,409 --> 00:23:15,919

paranoid your host Timothy Beckley Anton

450

00:23:23,260 --> 00:23:20,419

Swartz and welcome back to exploring the

451
00:23:24,730 --> 00:23:23,270
bazaar I'm Tim Schwarz and tonight we

452
00:23:27,730 --> 00:23:24,740
are talking about one of our favorite

453
00:23:30,580 --> 00:23:27,740
subjects UFOs and I'm going to bring

454
00:23:34,269 --> 00:23:30,590
into our conversation now Linda

455
00:23:37,510 --> 00:23:34,279
Zimmerman and as I said before that

456
00:23:40,389 --> 00:23:37,520
Linda is a former research scientist and

457
00:23:44,590 --> 00:23:40,399
an author over 30 books on science

458
00:23:50,860 --> 00:23:44,600
history and the paranormal as as well as

459
00:23:52,899 --> 00:23:50,870
having some of your books in as a

460
00:23:56,560 --> 00:23:52,909
graphic novels am I correct on this

461
00:23:58,510 --> 00:23:56,570
Linda yes some of my work has been

462
00:24:00,850 --> 00:23:58,520
turned into comic books and graphic

463
00:24:06,779 --> 00:24:00,860

novels and I even became a comic book

464

00:24:10,659 --> 00:24:06,789

character oh really in what which one um

465

00:24:13,510 --> 00:24:10,669

in my ghost investigator series oh

466

00:24:16,889 --> 00:24:13,520

that's right you know yeah so now all I

467

00:24:24,840 --> 00:24:20,889

okay well now how did you how did you

468

00:24:29,049 --> 00:24:24,850

make that jump then from a research

469

00:24:32,380 --> 00:24:29,059

chemist to an author and and I should

470

00:24:35,950 --> 00:24:32,390

also point out that you are the author

471

00:24:37,570 --> 00:24:35,960

of one of my favorite books bad science

472

00:24:40,330 --> 00:24:37,580

a brief history of bizarre

473

00:24:44,230 --> 00:24:40,340

misconceptions totally wrong conclusions

474

00:24:47,200 --> 00:24:44,240

and incredibly stupid theories I love

475

00:24:49,090 --> 00:24:47,210

that book by the way Linda I've had a

476

00:24:51,279 --> 00:24:49,100

copy of that for you know several years

477

00:24:52,150 --> 00:24:51,289

down and I always I always get a big

478

00:24:53,860 --> 00:24:52,160

laugh out of

479

00:24:55,690 --> 00:24:53,870

and I love to pull it out you know when

480

00:24:58,750 --> 00:24:55,700

somebody says something that you know

481

00:25:05,320 --> 00:24:58,760

I'm like no that's not true with me and

482

00:25:07,540 --> 00:25:05,330

and and and and here Linda says this so

483

00:25:10,770 --> 00:25:07,550

okay so so tell me I mean how did you go

484

00:25:15,880 --> 00:25:10,780

from a you know research scientist who

485

00:25:18,700 --> 00:25:15,890

to author well it was the hand of fate

486

00:25:21,400 --> 00:25:18,710

when our company was bought by another

487

00:25:23,980 --> 00:25:21,410

company and we were a medical

488

00:25:26,440 --> 00:25:23,990

diagnostics company which you think

489

00:25:30,310 --> 00:25:26,450

would entail a lot of research and

490

00:25:34,770 --> 00:25:30,320

development and I was in R&D and they

491

00:25:39,700 --> 00:25:34,780

decided to close the R&D department and

492

00:25:41,620 --> 00:25:39,710

basically farm things out and at that

493

00:25:44,740 --> 00:25:41,630

point most of my other friends were

494

00:25:48,880 --> 00:25:44,750

scrambling to get you know other jobs in

495

00:25:51,310 --> 00:25:48,890

science and I had always wanted to write

496

00:25:53,740 --> 00:25:51,320

I thought I would do it when I retired

497

00:25:57,430 --> 00:25:53,750

and I said well maybe this is a change

498

00:26:00,360 --> 00:25:57,440

in plans and I'll start writing I can

499

00:26:04,960 --> 00:26:00,370

always go back to the lab and that was

500

00:26:06,940 --> 00:26:04,970

the late 80s and I haven't been back to

501

00:26:09,430 --> 00:26:06,950

the lab since Wow

502

00:26:11,980 --> 00:26:09,440

so what was uh what was the first thing

503

00:26:17,170 --> 00:26:11,990

that you wrote then just well I was

504

00:26:20,790 --> 00:26:17,180

writing field yeah I was writing history

505

00:26:25,450 --> 00:26:20,800

I was writing some local history and

506

00:26:29,070 --> 00:26:25,460

soon after that I started of fiction I

507

00:26:32,680 --> 00:26:29,080

love science fiction and then the ghost

508

00:26:35,050 --> 00:26:32,690

stories kind of fell into my lap people

509

00:26:37,810 --> 00:26:35,060

just as I was giving history lectures

510

00:26:40,210 --> 00:26:37,820

they were asking me about ghost stories

511

00:26:42,370 --> 00:26:40,220

and I was I was rather indignant at

512

00:26:46,660 --> 00:26:42,380

first I said I'm giving a history like

513

00:26:48,660 --> 00:26:46,670

sure you know and then I realized more

514

00:26:52,060 --> 00:26:48,670

people were showing up to hear about

515

00:26:56,350 --> 00:26:52,070

local ghost stories than than the

516

00:26:58,570 --> 00:26:56,360

history so I gave it a shot

517

00:27:01,090 --> 00:26:58,580

interviewed some people put out a little

518

00:27:03,430 --> 00:27:01,100

staple covered book and it sold out in

519

00:27:08,230 --> 00:27:03,440

two weeks and I said

520

00:27:11,830 --> 00:27:08,240

there's a market here for this so 13

521

00:27:15,400 --> 00:27:11,840

ghost investigator books later and I

522

00:27:18,610 --> 00:27:15,410

think I made the right move do that

523

00:27:22,240 --> 00:27:18,620

fascinating though when you have people

524

00:27:24,760 --> 00:27:22,250

who are more interested in in in ghost

525

00:27:27,520 --> 00:27:24,770

stories rather than you know hearing

526

00:27:29,710 --> 00:27:27,530

about the the historical factors of you

527

00:27:35,040 --> 00:27:29,720

know buildings or whatever in your town

528

00:27:40,150 --> 00:27:35,050

you know I say it it says a lot about

529

00:27:42,310 --> 00:27:40,160

people and their beliefs you know or not

530

00:27:44,770 --> 00:27:42,320

maybe not so much as beliefs but just

531

00:27:47,050 --> 00:27:44,780

just interest even though a lot of them

532

00:27:50,020 --> 00:27:47,060

don't really you know care to admit it

533

00:27:52,150 --> 00:27:50,030

openly in you know like the paranormal

534

00:27:55,510 --> 00:27:52,160

ghost stories are UFO sightings and

535

00:27:59,740 --> 00:27:55,520

things like that yeah in fact the state

536

00:28:03,580 --> 00:27:59,750

of New York has started a haunted

537

00:28:08,830 --> 00:28:03,590

history trail and places are clamoring

538

00:28:14,290 --> 00:28:08,840

to get on that list because ghosts bring

539

00:28:17,620 --> 00:28:14,300

in tourists and especially kids so it's

540

00:28:21,460 --> 00:28:17,630

it's a big industry isn't that something

541

00:28:24,190 --> 00:28:21,470

how if you approached a local you know

542

00:28:29,140 --> 00:28:24,200

like a government years ago with either

543

00:28:31,360 --> 00:28:29,150

the idea or ghosts or UFOs they would uh

544

00:28:33,250 --> 00:28:31,370

turd you out the the door and probably

545

00:28:35,380 --> 00:28:33,260

they're spoken to you for like two

546

00:28:38,290 --> 00:28:35,390

minutes before dismissing you where

547

00:28:41,380 --> 00:28:38,300

today there are UFO festivals and UFO

548

00:28:43,810 --> 00:28:41,390

parades and all kinds of things

549

00:28:46,270 --> 00:28:43,820

associated with the the subject like the

550

00:28:51,220 --> 00:28:46,280

one that's coming up I think June 20th

551
00:28:54,520 --> 00:28:51,230
in Pine Bush New York May 20th say 2000

552
00:28:56,080 --> 00:28:54,530
K just right the weekend after next I

553
00:29:00,040 --> 00:28:56,090
will be there

554
00:29:01,720 --> 00:29:00,050
it's um well maybe a lot going to try to

555
00:29:04,660 --> 00:29:01,730
make it I haven't been to Pine Bush in

556
00:29:07,840 --> 00:29:04,670
yeah since the whole thing started with

557
00:29:12,340 --> 00:29:07,850
Ellen Crystal back in the in the days

558
00:29:15,430 --> 00:29:12,350
you know right yes it was the number one

559
00:29:16,540 --> 00:29:15,440
hot spot uh probably in the East Coast

560
00:29:19,060 --> 00:29:16,550
at that point

561
00:29:22,420 --> 00:29:19,070
or if not the entire country well but

562
00:29:27,130 --> 00:29:22,430
the Hudson Valley there got its a share

563
00:29:30,310 --> 00:29:27,140

of reports now let's zero in on the

564

00:29:33,400 --> 00:29:30,320

Hudson Valley that was certainly now to

565

00:29:36,640 --> 00:29:33,410

me I kind of equate that to the to the

566

00:29:39,700 --> 00:29:36,650

Phoenix lights I mean I don't know who

567

00:29:42,640 --> 00:29:39,710

had the largest number of witnesses but

568

00:29:46,030 --> 00:29:42,650

it seems like the the objects were

569

00:29:48,070 --> 00:29:46,040

resembled kind of each other when did

570

00:29:51,370 --> 00:29:48,080

the first sighting take place in the

571

00:29:54,310 --> 00:29:51,380

Hudson Valley and how did the flap grow

572

00:29:56,380 --> 00:29:54,320

you know I I did go to the Town Hall a

573

00:29:59,470 --> 00:29:56,390

meeting that they had at the it was the

574

00:30:01,270 --> 00:29:59,480

Brewster High School there right yeah

575

00:30:03,490 --> 00:30:01,280

yeah so it give us a little bit of

576

00:30:05,980 --> 00:30:03,500

history about it I'm I'm sure a lot of

577

00:30:09,010 --> 00:30:05,990

our listeners you know have heard of

578

00:30:11,800 --> 00:30:09,020

these this particular flat but there are

579

00:30:14,650 --> 00:30:11,810

as some newbies out there every day they

580

00:30:16,920 --> 00:30:14,660

come to us on bended knees asking for

581

00:30:20,590 --> 00:30:16,930

more information so let's give it to

582

00:30:24,780 --> 00:30:20,600

certainly um well that it's basically a

583

00:30:28,660 --> 00:30:24,790

dual question because my first reported

584

00:30:31,930 --> 00:30:28,670

documented sighting goes back to 1908 in

585

00:30:35,670 --> 00:30:31,940

this area but if we're talking about the

586

00:30:41,200 --> 00:30:35,680

big flap we're talking about basically

587

00:30:45,280 --> 00:30:41,210

1983 to about 86 87 there was a several

588

00:30:49,240 --> 00:30:45,290

year period where it was several times a

589

00:30:52,330 --> 00:30:49,250

week and I won't say every night but it

590

00:30:56,350 --> 00:30:52,340

was a constant thing going on for years

591

00:30:58,710 --> 00:30:56,360

and tens of thousands of people would

592

00:31:02,230 --> 00:30:58,720

see one of these on any given night

593

00:31:05,500 --> 00:31:02,240

massive boomerangs triangles v-shaped

594

00:31:09,220 --> 00:31:05,510

craft and what I find astonishing

595

00:31:11,410 --> 00:31:09,230

especially in ufology where everybody's

596

00:31:14,980 --> 00:31:11,420

heard of the Phoenix lights which was

597

00:31:18,880 --> 00:31:14,990

essentially one night we had three or

598

00:31:22,750 --> 00:31:18,890

four years of constant activity and I

599

00:31:25,240 --> 00:31:22,760

still meet people who not all of the

600

00:31:27,430 --> 00:31:25,250

Hudson Valley flap has met of her heard

601
00:31:28,900 --> 00:31:27,440
of the Hudson Valley

602
00:31:30,130 --> 00:31:28,910
you know I've people to where is that

603
00:31:34,690 --> 00:31:30,140
Wyoming you know

604
00:31:37,480 --> 00:31:34,700
North Carolina it's and once I start

605
00:31:39,850 --> 00:31:37,490
talking to them about what occurred how

606
00:31:42,730 --> 00:31:39,860
many people saw these crafts and how

607
00:31:45,430 --> 00:31:42,740
close they were basically hovering at

608
00:31:48,640 --> 00:31:45,440
treetop level for 10 20 minutes

609
00:31:51,760 --> 00:31:48,650
minute at a time they say well why

610
00:31:55,390 --> 00:31:51,770
doesn't everybody know about this and I

611
00:31:57,780 --> 00:31:55,400
don't know the only thing I can think is

612
00:32:00,760 --> 00:31:57,790
that there was such a disinformation

613
00:32:02,950 --> 00:32:00,770

campaign that everything was the

614

00:32:05,920 --> 00:32:02,960

formation of Cessna planes or

615

00:32:09,040 --> 00:32:05,930

ultralights and if you think otherwise

616

00:32:12,370 --> 00:32:09,050

you're stupid was basically what was

617

00:32:14,890 --> 00:32:12,380

being put forth well also though - now

618

00:32:17,560 --> 00:32:14,900

you know I used to have conferences

619

00:32:19,150 --> 00:32:17,570

quite a number of them in Phoenix the

620

00:32:22,420 --> 00:32:19,160

news is a little bit more manageable

621

00:32:24,250 --> 00:32:22,430

there because it's not the the massive

622

00:32:27,070 --> 00:32:24,260

population of like a New York City where

623

00:32:29,470 --> 00:32:27,080

you only have two newspapers that that

624

00:32:33,370 --> 00:32:29,480

has a lot of a lot to do with the - is

625

00:32:35,590 --> 00:32:33,380

the media in any given area it's so

626

00:32:38,320 --> 00:32:35,600

difficult to get anything you know I

627

00:32:41,290 --> 00:32:38,330

think in the last maybe 10 years there's

628

00:32:43,120 --> 00:32:41,300

been one UFO would flap over Manhattan

629

00:32:46,060 --> 00:32:43,130

here that did get some attention on the

630

00:32:47,410 --> 00:32:46,070

the news and yet there are reports I

631

00:32:49,780 --> 00:32:47,420

mean that have been made to me over the

632

00:32:52,150 --> 00:32:49,790

years on pretty much a regular basis so

633

00:32:55,180 --> 00:32:52,160

that has a lot to do with it - is I

634

00:32:57,790 --> 00:32:55,190

think being able to get something in the

635

00:32:59,860 --> 00:32:57,800

in the press we're here it's certainly a

636

00:33:02,290 --> 00:32:59,870

lot more difficult than it would be you

637

00:33:04,570 --> 00:33:02,300

know in Arizona it seems because we've

638

00:33:06,220 --> 00:33:04,580

made the front page you know like the

639

00:33:07,960 --> 00:33:06,230

magazine section on the Thursday before

640

00:33:09,820 --> 00:33:07,970

the weekend you know that's stuffed into

641

00:33:11,230 --> 00:33:09,830

the newspaper we'd have a whole thing on

642

00:33:13,510 --> 00:33:11,240

our UFO conference like three pages

643

00:33:17,140 --> 00:33:13,520

inside New York you'll be lucky if you

644

00:33:19,990 --> 00:33:17,150

get two inches in the paper right right

645

00:33:24,460 --> 00:33:20,000

yeah certainly media has had a lot to do

646

00:33:28,360 --> 00:33:24,470

with it so I've kind of made it my quest

647

00:33:30,850 --> 00:33:28,370

now to get the word out and to document

648

00:33:34,180 --> 00:33:30,860

as many cases speak to as many

649

00:33:37,300 --> 00:33:34,190

eyewitnesses as possible and as you saw

650

00:33:39,790 --> 00:33:37,310

from the film I try to go to the actual

651
00:33:43,480 --> 00:33:39,800
location because there's no better way

652
00:33:44,259 --> 00:33:43,490
to visualize somebody's eyewitness

653
00:33:47,469 --> 00:33:44,269
account

654
00:33:50,739 --> 00:33:47,479
then standing on the ground where they

655
00:33:53,889 --> 00:33:50,749
had their sighting really puts things in

656
00:33:56,999 --> 00:33:53,899
perspective so that's that's what I've

657
00:34:00,580 --> 00:33:57,009
been doing with these last few books and

658
00:34:04,209 --> 00:34:00,590
just trying to bring awareness to not

659
00:34:07,629 --> 00:34:04,219
just the flap of the 1980s but the fact

660
00:34:10,599 --> 00:34:07,639
that things have been flying around in

661
00:34:15,309 --> 00:34:10,609
the sky since 1908 and Ark is still

662
00:34:18,339 --> 00:34:15,319
continuing to this day well so something

663
00:34:20,019 --> 00:34:18,349

about the the nineteen to late UFO

664

00:34:23,829 --> 00:34:20,029

sightings because you know I mean a lot

665

00:34:27,069 --> 00:34:23,839

of people think that you know UFOs

666

00:34:30,700 --> 00:34:27,079

didn't appear until you know like a 1947

667

00:34:34,029 --> 00:34:30,710

yet in your book you know I mean you go

668

00:34:37,029 --> 00:34:34,039

all the way back you know to the early

669

00:34:40,240 --> 00:34:37,039

20th century and and I know that there

670

00:34:44,379 --> 00:34:40,250

were also you know airship sightings in

671

00:34:49,029 --> 00:34:44,389

the late 19th century as well right in

672

00:34:52,389 --> 00:34:49,039

the 1890s out in the West Coast and in

673

00:34:56,559 --> 00:34:52,399

the Midwest and here in the Northeast

674

00:34:59,559 --> 00:34:56,569

it began in 1908 in Connecticut the

675

00:35:04,329 --> 00:34:59,569

Hudson Valley was it was very widespread

676

00:35:07,630 --> 00:35:04,339

in the summer of 1909 hundreds if not

677

00:35:11,010 --> 00:35:07,640

thousands of people at night would see

678

00:35:14,200 --> 00:35:11,020

this brilliant bright searchlight which

679

00:35:18,039 --> 00:35:14,210

had the capability of either hovering or

680

00:35:23,140 --> 00:35:18,049

moving extremely fast now for those who

681

00:35:27,160 --> 00:35:23,150

are not aviation experts in 1908 no

682

00:35:29,529 --> 00:35:27,170

airplane had yet flown at night so we

683

00:35:30,970 --> 00:35:29,539

can completely rule that that out and

684

00:35:33,250 --> 00:35:30,980

there really weren't you know you had

685

00:35:37,420 --> 00:35:33,260

the Wright brothers sticking fabric

686

00:35:40,779 --> 00:35:37,430

planes clearly not capable of hovering

687

00:35:44,019 --> 00:35:40,789

and not going it at high rates of speed

688

00:35:46,539 --> 00:35:44,029

and yes there were dirigibles but again

689

00:35:50,109 --> 00:35:46,549

they did not have the capability of

690

00:35:52,720 --> 00:35:50,119

going very fast or staying you know we

691

00:35:57,130 --> 00:35:52,730

didn't have like the Zeppelin's we had

692

00:35:59,519 --> 00:35:57,140

rather inferior dirigibles over here

693

00:36:02,799 --> 00:35:59,529

so how do we explain the slight

694

00:36:05,400 --> 00:36:02,809

characteristics we absolutely cannot and

695

00:36:10,269 --> 00:36:05,410

the waves spread up through New England

696

00:36:12,910 --> 00:36:10,279

to Canada and I need to point out there

697

00:36:15,789 --> 00:36:12,920

was no mass hysteria of a Martian

698

00:36:20,009 --> 00:36:15,799

invasion I have not been able to find

699

00:36:22,059 --> 00:36:20,019

one word written in all those years that

700

00:36:24,670 --> 00:36:22,069

anybody thought this was something

701
00:36:26,440 --> 00:36:24,680
extraterrestrial they thought it was

702
00:36:28,809 --> 00:36:26,450
either the Wright brothers or perhaps

703
00:36:32,230 --> 00:36:28,819
Thomas Edison who was working in New

704
00:36:36,519 --> 00:36:32,240
Jersey here that had developed this

705
00:36:40,269 --> 00:36:36,529
magnificent ship that could you know fly

706
00:36:43,599 --> 00:36:40,279
in the night and carry heavy batteries

707
00:36:45,819 --> 00:36:43,609
and searchlights and hover and go

708
00:36:49,450 --> 00:36:45,829
quickly and stay in the air all night

709
00:36:52,569 --> 00:36:49,460
long and they waited and they waited and

710
00:36:56,620 --> 00:36:52,579
nobody came forth with it because it did

711
00:37:01,289 --> 00:36:56,630
not exist at least made by by human

712
00:37:07,059 --> 00:37:01,299
hands I always find it interesting that

713
00:37:08,589 --> 00:37:07,069

UFO sightings seemed to reflect the you

714

00:37:10,509 --> 00:37:08,599

know the time period that there that

715

00:37:12,960 --> 00:37:10,519

have been seen you know the airship

716

00:37:14,890 --> 00:37:12,970

sightings when people would be able to

717

00:37:17,230 --> 00:37:14,900

distinguish you know something behind

718

00:37:19,089 --> 00:37:17,240

the lights or or have the rare daylight

719

00:37:21,549 --> 00:37:19,099

sightings they would always describe

720

00:37:24,430 --> 00:37:21,559

them as almost like an airship sometimes

721

00:37:25,809 --> 00:37:24,440

with big huge propellers other I know

722

00:37:27,789 --> 00:37:25,819

that there were some reports that they

723

00:37:30,400 --> 00:37:27,799

had almost like you know flapping wings

724

00:37:32,380 --> 00:37:30,410

you know and then like a gondola

725

00:37:34,359 --> 00:37:32,390

underneath with you know people laughing

726

00:37:37,269 --> 00:37:34,369

and you know throwing down their

727

00:37:39,220 --> 00:37:37,279

champagne bottles on the onlookers you

728

00:37:41,140 --> 00:37:39,230

know underneath you know but then as

729

00:37:43,900 --> 00:37:41,150

time goes by you know you have like the

730

00:37:47,049 --> 00:37:43,910

1950s and the UFOs looked an awful lot

731

00:37:49,599 --> 00:37:47,059

like you know the cars of the period I

732

00:37:51,370 --> 00:37:49,609

mean you know very a nuts-and-bolts you

733

00:37:54,370 --> 00:37:51,380

look at like Georgia damn skis you know

734

00:37:58,029 --> 00:37:54,380

alleged photos and I mean those you know

735

00:38:02,170 --> 00:37:58,039

they they really look like a product of

736

00:38:04,690 --> 00:38:02,180

their time absolutely people judge

737

00:38:07,690 --> 00:38:04,700

things or try to describe them from

738

00:38:10,930 --> 00:38:07,700

their own frame of reference like the

739

00:38:13,450 --> 00:38:10,940

sightings hundreds of years ago

740

00:38:16,809 --> 00:38:13,460

or even thousands that describe flaming

741

00:38:18,430 --> 00:38:16,819

shields or chariots how else are they

742

00:38:23,230 --> 00:38:18,440

going to describe them because it's

743

00:38:24,400 --> 00:38:23,240

something beyond their experience you

744

00:38:26,440 --> 00:38:24,410

know that you know that's and that's

745

00:38:28,780 --> 00:38:26,450

another an interesting aspect about the

746

00:38:30,579 --> 00:38:28,790

whole UFO phenomena that we have you

747

00:38:34,780 --> 00:38:30,589

know talked about on this show

748

00:38:36,430 --> 00:38:34,790

is that you know and I know that people

749

00:38:40,120 --> 00:38:36,440

that have have come to talk to me about

750

00:38:44,920 --> 00:38:40,130

their sightings they they really have

751
00:38:47,740 --> 00:38:44,930
trouble trying to pigeonhole so to speak

752
00:38:49,839 --> 00:38:47,750
their experience I mean it's like

753
00:38:52,870 --> 00:38:49,849
nothing that they've ever had before and

754
00:38:56,620 --> 00:38:52,880
they just don't know how to interpret

755
00:39:00,010 --> 00:38:56,630
and and like you said you know you know

756
00:39:02,380 --> 00:39:00,020
they'll try to use you know like oh

757
00:39:05,079 --> 00:39:02,390
whatever past experiences that they've

758
00:39:07,059 --> 00:39:05,089
had in their life to describe it but a

759
00:39:09,370 --> 00:39:07,069
lot of times people are just left you

760
00:39:12,250 --> 00:39:09,380
know completely bemused about what has

761
00:39:16,300 --> 00:39:12,260
happened to them yeah some of the best

762
00:39:20,050 --> 00:39:16,310
descriptions people describing looking

763
00:39:22,240 --> 00:39:20,060

like tinker toys so you know if you grew

764

00:39:24,579 --> 00:39:22,250

up in the 50s and 60s that's a great way

765

00:39:28,059 --> 00:39:24,589

to describe it if you were young seeing

766

00:39:32,200 --> 00:39:28,069

some of these cylindrical or beam type

767

00:39:35,559 --> 00:39:32,210

crap and then one man said his sighting

768

00:39:39,190 --> 00:39:35,569

you know those norelco razors you know

769

00:39:42,220 --> 00:39:39,200

with the three rotating blades and I

770

00:39:44,950 --> 00:39:42,230

because it had three spinning lights on

771

00:39:47,349 --> 00:39:44,960

it I said well that's that's you know

772

00:39:49,450 --> 00:39:47,359

worth a thousand words right there so

773

00:39:54,250 --> 00:39:49,460

I've always remembered the norelco razor

774

00:39:56,109 --> 00:39:54,260

UFO hey Linda why don't you pick the the

775

00:39:58,270 --> 00:39:56,119

top of three reports in the Hudson

776

00:40:00,700 --> 00:39:58,280

Valley and give us a little thumbnail

777

00:40:02,980 --> 00:40:00,710

description of them which reports

778

00:40:07,630 --> 00:40:02,990

impressed you the the most over the

779

00:40:11,319 --> 00:40:07,640

years I think during the flap the night

780

00:40:16,920 --> 00:40:11,329

of well there were two nights of March

781

00:40:22,660 --> 00:40:16,930

17th and March 24th 1983 where this

782

00:40:25,700 --> 00:40:22,670

enormous triangular craft very well lit

783

00:40:30,530 --> 00:40:25,710

up certainly wasn't trying to hide

784

00:40:33,290 --> 00:40:30,540

was stopping over major highways and if

785

00:40:35,720 --> 00:40:33,300

you know this area you do not want to

786

00:40:39,200 --> 00:40:35,730

pull your car over or stop in the middle

787

00:40:41,890 --> 00:40:39,210

of route 84 which goes from Connecticut

788

00:40:45,140 --> 00:40:41,900

to through New York to Pennsylvania and

789

00:40:47,840 --> 00:40:45,150

people would just stop their cars and

790

00:40:51,710 --> 00:40:47,850

get out and stand on the highway and

791

00:40:53,030 --> 00:40:51,720

watch this incredible object hovering

792

00:40:55,580 --> 00:40:53,040

over them

793

00:40:58,490 --> 00:40:55,590

I interviewed many people from those

794

00:41:01,040 --> 00:40:58,500

nights one of the best group of

795

00:41:03,410 --> 00:41:01,050

witnesses were three teachers who are

796

00:41:06,200 --> 00:41:03,420

returning from graduate courses in New

797

00:41:09,350 --> 00:41:06,210

York City and they were on the Taconic

798

00:41:11,870 --> 00:41:09,360

Parkway and they saw this everybody

799

00:41:15,890 --> 00:41:11,880

pulled over so they could stopped and

800

00:41:20,060 --> 00:41:15,900

got out and this craft again a treetop

801
00:41:23,600 --> 00:41:20,070
level absolutely silent brilliantly lit

802
00:41:28,160 --> 00:41:23,610
they stood underneath this for at least

803
00:41:31,100 --> 00:41:28,170
20 minutes and they still remember it

804
00:41:34,820 --> 00:41:31,110
vividly to this day who wouldn't I mean

805
00:41:37,550 --> 00:41:34,830
that is just you know in a in a field

806
00:41:41,330 --> 00:41:37,560
where a glimpse of something for five or

807
00:41:44,180 --> 00:41:41,340
ten seconds can change your life can you

808
00:41:46,490 --> 00:41:44,190
imagine standing there for for 20

809
00:41:49,300 --> 00:41:46,500
minutes with these people said if I had

810
00:41:53,120 --> 00:41:49,310
a rock or a baseball or a tennis ball I

811
00:41:58,310 --> 00:41:53,130
could have hit it that that's how close

812
00:42:00,470 --> 00:41:58,320
it was so then we have the other end of

813
00:42:03,920 --> 00:42:00,480

the spectrum or a little farther down

814

00:42:07,670 --> 00:42:03,930

the spectrum of the abduction contactee

815

00:42:11,330 --> 00:42:07,680

experience or cases and actually my

816

00:42:13,670 --> 00:42:11,340

first interview was with a man who I

817

00:42:16,100 --> 00:42:13,680

thought he was going to describe seeing

818

00:42:20,740 --> 00:42:16,110

lights in the sky I wasn't quite

819

00:42:24,830 --> 00:42:20,750

prepared to find out it was a

820

00:42:29,660 --> 00:42:24,840

multi-generational abduction case that

821

00:42:33,110 --> 00:42:29,670

went back to his parents in the 1930s

822

00:42:36,350 --> 00:42:33,120

they started having missing time and

823

00:42:38,520 --> 00:42:36,360

seeing you know the classic large-eyed

824

00:42:41,820 --> 00:42:38,530

uh great

825

00:42:45,120 --> 00:42:41,830

ape you know decades before it became

826
00:42:47,280 --> 00:42:45,130
popular in the media of course they had

827
00:42:49,770 --> 00:42:47,290
children and this was the man I was

828
00:42:53,220 --> 00:42:49,780
interviewing and he started having his

829
00:42:55,440 --> 00:42:53,230
experiences in the 1950s then his

830
00:42:57,690 --> 00:42:55,450
children had experiences and I now

831
00:43:02,250 --> 00:42:57,700
believe now there's great-grandchildren

832
00:43:04,830 --> 00:43:02,260
and I interviewed his mother who was in

833
00:43:09,510 --> 00:43:04,840
her 80s and was very matter-of-fact

834
00:43:16,830 --> 00:43:09,520
about these these experiences she had

835
00:43:20,640 --> 00:43:16,840
for 75 years and it really yes it really

836
00:43:21,990 --> 00:43:20,650
opened my eyes to what have I gotten

837
00:43:26,970 --> 00:43:22,000
myself into

838
00:43:30,840 --> 00:43:26,980

yeah yes and how deep and how far does

839

00:43:32,940 --> 00:43:30,850

this phenomena go well you tell us yeah

840

00:43:35,300 --> 00:43:32,950

well I be what what what what what do

841

00:43:37,880 --> 00:43:35,310

you think dear Lee with it an

842

00:43:40,880 --> 00:43:37,890

extraterrestrial intelligence or

843

00:43:45,200 --> 00:43:40,890

something even stranger than that I

844

00:43:49,640 --> 00:43:45,210

think there's a combination of things

845

00:43:52,110 --> 00:43:49,650

I'm not one who likes to speculate on

846

00:43:55,040 --> 00:43:52,120

you know if they're coming from a

847

00:44:00,120 --> 00:43:55,050

different dimension a different planet

848

00:44:02,880 --> 00:44:00,130

but clearly something physical is going

849

00:44:06,360 --> 00:44:02,890

is going on they are seeing physical

850

00:44:10,470 --> 00:44:06,370

crafts that leave depressions in dirt

851
00:44:15,380 --> 00:44:10,480
and grass they have they had physical

852
00:44:19,680 --> 00:44:15,390
marks on their bodies this man has a

853
00:44:21,720 --> 00:44:19,690
some triangular indentations on the back

854
00:44:25,350 --> 00:44:21,730
of his neck you can put your finger in

855
00:44:31,080 --> 00:44:25,360
there so deep which was the result of

856
00:44:34,680 --> 00:44:31,090
one night of missing time different

857
00:44:37,830 --> 00:44:34,690
physical ailments thyroid problems which

858
00:44:40,520 --> 00:44:37,840
are very common you know things that

859
00:44:45,120 --> 00:44:40,530
might be the result of some sort of

860
00:44:50,570 --> 00:44:45,130
radioactive you know radioactivity that

861
00:44:52,770 --> 00:44:50,580
they're exposed to so very convincing

862
00:44:58,310 --> 00:44:52,780
very

863
00:45:02,760 --> 00:44:58,320

honest people and they are just one of

864

00:45:05,130 --> 00:45:02,770

dozens if not hundreds of people I'd say

865

00:45:08,340 --> 00:45:05,140

at least hundreds in the Hudson Valley

866

00:45:10,350 --> 00:45:08,350

be my first book in the night sky the

867

00:45:13,350 --> 00:45:10,360

abduction chapter turned out to be the

868

00:45:19,130 --> 00:45:13,360

largest chapter which was not something

869

00:45:21,690 --> 00:45:19,140

I had been prepared for at all and oh

870

00:45:22,830 --> 00:45:21,700

how about there isn't there supposed to

871

00:45:26,510 --> 00:45:22,840

have been a sighting that took place

872

00:45:32,060 --> 00:45:26,520

over the Indian Point powerplant

873

00:45:34,890 --> 00:45:32,070

yes several of them in the 1980s a

874

00:45:38,010 --> 00:45:34,900

massive of depending on who you talk to

875

00:45:41,250 --> 00:45:38,020

boomerang or v-shaped craft hovering

876

00:45:45,930 --> 00:45:41,260

just a couple of hundred feet over the

877

00:45:48,300 --> 00:45:45,940

reactor yeah one of the guards who was

878

00:45:52,110 --> 00:45:48,310

trying to film this that it was so

879

00:45:54,330 --> 00:45:52,120

massive he had to pen the camera back in

880

00:45:56,700 --> 00:45:54,340

his horse to get the whole thing in so

881

00:46:00,150 --> 00:45:56,710

there would be there would be some video

882

00:46:02,940 --> 00:46:00,160

of this somewhere yes of course the

883

00:46:07,070 --> 00:46:02,950

Nuclear Regulatory Commission or whoever

884

00:46:10,800 --> 00:46:07,080

runs this oversees this facility claims

885

00:46:14,010 --> 00:46:10,810

absolutely no film was taken because

886

00:46:15,900 --> 00:46:14,020

nothing happened but you know that

887

00:46:19,140 --> 00:46:15,910

enough they're not about to release that

888

00:46:21,930 --> 00:46:19,150

on tomorrow's news that's for sure ah no

889

00:46:24,390 --> 00:46:21,940

and I spoke to another witness who was

890

00:46:26,550 --> 00:46:24,400

right across the river if you're

891

00:46:28,920 --> 00:46:26,560

familiar with this area the Hudson

892

00:46:31,230 --> 00:46:28,930

written of the nuclear power plant is

893

00:46:33,000 --> 00:46:31,240

right on the Hudson River and people

894

00:46:35,820 --> 00:46:33,010

living on the other side of the river

895

00:46:38,880 --> 00:46:35,830

it's very close and he's taking out the

896

00:46:41,790 --> 00:46:38,890

garbage one night and sees this massive

897

00:46:42,560 --> 00:46:41,800

craft again hovering over the power

898

00:46:46,560 --> 00:46:42,570

plant

899

00:46:49,380 --> 00:46:46,570

military helicopter is coming down the

900

00:46:53,340 --> 00:46:49,390

river after it and he said this thing

901
00:46:54,630 --> 00:46:53,350
just went and what Linda I'm going to

902
00:46:56,550 --> 00:46:54,640
have to interrupt you here because it's

903
00:46:58,350 --> 00:46:56,560
time for our bottom of the hour break so

904
00:47:00,160 --> 00:46:58,360
when we come back we will continue our

905
00:47:02,360 --> 00:47:00,170
conversation

906
00:47:09,350 --> 00:47:02,370
UFOs and more

907
00:47:09,360 --> 00:47:13,180
[Music]

908
00:47:20,140 --> 00:47:18,230
explode the bazaar or e-ticket ride is

909
00:47:23,450 --> 00:47:20,150
the world of the paranormal

910
00:47:27,490 --> 00:47:23,460
strap yourself in as we traverse the

911
00:47:30,850 --> 00:47:27,500
universe exploring the unexplained UFO s

912
00:47:33,230 --> 00:47:30,860
ghost lost world

913
00:47:37,100 --> 00:47:33,240

cryptozoology as well as other

914

00:47:41,510 --> 00:47:37,110

dimensions it's time to take back the

915

00:47:44,750 --> 00:47:41,520

night last night now your electrifying

916

00:47:50,930 --> 00:47:44,760

hosts of exploring the bizarre Timothy

917

00:47:54,130 --> 00:47:50,940

Begley and Tim Schwartz all right and

918

00:47:58,460 --> 00:47:54,140

here we are back on the second hour of

919

00:48:00,860 --> 00:47:58,470

exploring the bizarre so Tim do you want

920

00:48:04,160 --> 00:48:00,870

to bring a dr. Scott back into the

921

00:48:08,030 --> 00:48:04,170

conversation well I believe that might

922

00:48:11,120 --> 00:48:08,040

be the case oh how many how many

923

00:48:13,010 --> 00:48:11,130

Arina how many flaps what would you say

924

00:48:17,540 --> 00:48:13,020

I mean like gigantic flaps we got

925

00:48:21,290 --> 00:48:17,550

nineteen fifty two fifty seven sixty

926

00:48:27,050 --> 00:48:21,300

three sixty six am I missing something

927

00:48:30,790 --> 00:48:27,060

in there it says in 373 yeah yeah yeah

928

00:48:34,970 --> 00:48:30,800

seventy-three trombones um you know it

929

00:48:37,370 --> 00:48:34,980

just seems to me that the the sightings

930

00:48:40,220 --> 00:48:37,380

got more attention in those days was it

931

00:48:42,740 --> 00:48:40,230

because it was a novelty or maybe I'm

932

00:48:47,020 --> 00:48:42,750

just looking back over my you know vast

933

00:48:50,270 --> 00:48:47,030

clipping files and scrapbooks and all I

934

00:48:53,030 --> 00:48:50,280

don't know because yeah it seems to me

935

00:48:56,090 --> 00:48:53,040

there they got a lot more attention to

936

00:48:58,790 --> 00:48:56,100

and you probably wouldn't know fading if

937

00:49:01,160 --> 00:48:58,800

a flap of going on now because there's

938

00:49:04,220 --> 00:49:01,170

so many shows about it there's so many

939

00:49:12,230 --> 00:49:04,230

people saying that there's a flat going

940

00:49:18,490 --> 00:49:12,240

on yeah I think one thing is back then

941

00:49:21,050 --> 00:49:18,500

there was a lot less ability to fake

942

00:49:24,050 --> 00:49:21,060

photographs and videos that sort of

943

00:49:26,180 --> 00:49:24,060

thing and today with all the photoshop

944

00:49:29,150 --> 00:49:26,190

and everything you can

945

00:49:33,110 --> 00:49:29,160

make any evidence you want so I think

946

00:49:35,060 --> 00:49:33,120

that's one thing that people today take

947

00:49:37,880 --> 00:49:35,070

it with a grain of salt sometimes where

948

00:49:41,180 --> 00:49:37,890

didn't have the ability to do some of

949

00:49:45,950 --> 00:49:41,190

that back in the earlier days plus it

950

00:49:48,920 --> 00:49:45,960

was novel and now people heard of UFOs

951
00:49:54,320 --> 00:49:48,930
practically everybody has and it's not

952
00:50:00,650 --> 00:49:54,330
is it also people were worried about an

953
00:50:04,880 --> 00:50:00,660
attack of you know like the Welles radio

954
00:50:06,500 --> 00:50:04,890
broadcast they were worried that

955
00:50:09,020 --> 00:50:06,510
somebody from another plant was going to

956
00:50:12,170 --> 00:50:09,030
attack in all these years nobody has

957
00:50:15,350 --> 00:50:12,180
attacked us or killed us tell the human

958
00:50:18,140 --> 00:50:15,360
race or anything so I think there's what

959
00:50:21,800 --> 00:50:18,150
there's probably somewhat less fear and

960
00:50:23,840 --> 00:50:21,810
there was then there it's not as tied up

961
00:50:26,990 --> 00:50:23,850
in people's mind with terror

962
00:50:28,850 --> 00:50:27,000
being killed or being eaten or whatever

963
00:50:33,680 --> 00:50:28,860

they thought the your foes were going to

964

00:50:37,730 --> 00:50:33,690

do to them now have you had the ability

965

00:50:44,090 --> 00:50:37,740

to investigate cases yourself firsthand

966

00:50:46,340 --> 00:50:44,100

dr. Scott yes I have is there anyone

967

00:50:52,040 --> 00:50:46,350

that has really stood out in your mind

968

00:50:55,540 --> 00:50:52,050

over the years they all have yes one

969

00:50:59,590 --> 00:50:55,550

print it's one of the first ones was

970

00:51:05,600 --> 00:50:59,600

1952 when they were over the White House

971

00:51:10,010 --> 00:51:05,610

and quite a few showed up several times

972

00:51:11,600 --> 00:51:10,020

in radar and airplane pilots Psalm and

973

00:51:14,690 --> 00:51:11,610

everything else there was quite a flap

974

00:51:15,980 --> 00:51:14,700

it was in Washington DC you know they

975

00:51:18,500 --> 00:51:15,990

were flying right over the White House

976
00:51:21,880 --> 00:51:18,510
and restricted air space and everything

977
00:51:24,950 --> 00:51:21,890
and one thing seemed very funny was that

978
00:51:29,630 --> 00:51:24,960
it took the government a very long time

979
00:51:31,790 --> 00:51:29,640
to scramble jets to go look at him and

980
00:51:36,260 --> 00:51:31,800
you think they would start looking real

981
00:51:38,600 --> 00:51:36,270
fast but they didn't and that sort of

982
00:51:39,800 --> 00:51:38,610
made me feel there was a cover-up when I

983
00:51:46,250 --> 00:51:39,810
investigated my

984
00:51:49,910 --> 00:51:46,260
self was a man that was in the Jets as

985
00:51:52,190 --> 00:51:49,920
they finally scrambled looking for the

986
00:51:54,110 --> 00:51:52,200
UFOs I think he was a second from the

987
00:51:56,780 --> 00:51:54,120
leader and he said they didn't say

988
00:52:01,010 --> 00:51:56,790

anything to them about UFOs like what

989

00:52:04,340 --> 00:52:01,020

they presented it as would be that these

990

00:52:07,910 --> 00:52:04,350

things were Russian and they didn't know

991

00:52:11,180 --> 00:52:07,920

what was going on at the time so it

992

00:52:13,490 --> 00:52:11,190

seemed like there was some cover-up from

993

00:52:15,910 --> 00:52:13,500

the government on that even though they

994

00:52:18,350 --> 00:52:15,920

were flying right over the White House

995

00:52:22,070 --> 00:52:18,360

when our but that seems to be a case

996

00:52:24,650 --> 00:52:22,080

from very early on that the the military

997

00:52:28,580 --> 00:52:24,660

was first thinking that they were

998

00:52:34,070 --> 00:52:28,590

dealing with possible a secret Russian

999

00:52:37,400 --> 00:52:34,080

aircraft or even a Nazi aircraft III

1000

00:52:40,880 --> 00:52:37,410

know I ran across some some paperwork

1001
00:52:42,800 --> 00:52:40,890
you know where they were afraid that you

1002
00:52:44,750 --> 00:52:42,810
know the Nazis had actually you know

1003
00:52:48,230 --> 00:52:44,760
managed to hide away someplace and we're

1004
00:52:51,770 --> 00:52:48,240
now flying in our airspace so I mean

1005
00:52:53,120 --> 00:52:51,780
when do you think the idea came around

1006
00:52:55,460 --> 00:52:53,130
that they were dealing with something

1007
00:52:59,030 --> 00:52:55,470
other than you know say like secret

1008
00:53:00,410 --> 00:52:59,040
terrestrial aircraft oh I think it

1009
00:53:06,010 --> 00:53:00,420
started pretty early

1010
00:53:11,470 --> 00:53:06,020
one thing I investigated was that it was

1011
00:53:16,220 --> 00:53:11,480
Cordell Hull who was what it was a

1012
00:53:19,100 --> 00:53:16,230
well-known statesman and he would he a

1013
00:53:23,150 --> 00:53:19,110

Roosevelt asked him to be his vice

1014

00:53:27,020 --> 00:53:23,160

president he was considered the founder

1015

00:53:30,460 --> 00:53:27,030

of the United Nations he was a very high

1016

00:53:34,720 --> 00:53:30,470

person in the government and we

1017

00:53:39,110 --> 00:53:34,730

interviewed the daughters of his cousin

1018

00:53:41,180 --> 00:53:39,120

his cousin was close to him and his and

1019

00:53:44,830 --> 00:53:41,190

they said they couldn't report it until

1020

00:53:48,050 --> 00:53:44,840

after everybody died and everything and

1021

00:53:52,730 --> 00:53:48,060

they said because he that Cordell Hall

1022

00:53:53,750 --> 00:53:52,740

took the cousin into a chamber a big

1023

00:53:57,380 --> 00:53:53,760

chamber

1024

00:54:00,920 --> 00:53:57,390

under the white house and they had four

1025

00:54:04,550 --> 00:54:00,930

bodies in jars with formaldehyde and

1026

00:54:09,890 --> 00:54:04,560

some kind of a Christ aircraft er disc

1027

00:54:12,080 --> 00:54:09,900

and this was around 1939 Wow and so

1028

00:54:16,040 --> 00:54:12,090

something might have been going on way

1029

00:54:17,870 --> 00:54:16,050

back then because I mean we couldn't see

1030

00:54:20,420 --> 00:54:17,880

a reason why Cordell Hall would be

1031

00:54:24,290 --> 00:54:20,430

delaying about it because he was a big

1032

00:54:28,070 --> 00:54:24,300

top government person now what do you

1033

00:54:30,050 --> 00:54:28,080

say good go ahead I'm sorry he was the

1034

00:54:33,560 --> 00:54:30,060

Secretary of State for the longest time

1035

00:54:36,340 --> 00:54:33,570

period of any no would you think that

1036

00:54:38,660 --> 00:54:36,350

something like that would still exist

1037

00:54:43,580 --> 00:54:38,670

under the White House I mean you know

1038

00:54:46,930 --> 00:54:43,590

considering today's a political climate

1039

00:54:49,550 --> 00:54:46,940

I just can't imagine that you know the

1040

00:54:51,170 --> 00:54:49,560

the real government and not and I'm not

1041

00:54:52,430 --> 00:54:51,180

talking about the elected officials but

1042

00:54:55,300 --> 00:54:52,440

you know the real government military

1043

00:54:59,870 --> 00:54:55,310

would allow such a thing to continue oh

1044

00:55:03,440 --> 00:54:59,880

no I mean we called somewhere in the

1045

00:55:07,070 --> 00:55:03,450

White House to ask and they laughed but

1046

00:55:10,100 --> 00:55:07,080

I'm sure that was back in 1939 so that

1047

00:55:14,030 --> 00:55:10,110

they would move things from there and

1048

00:55:16,120 --> 00:55:14,040

put in a more secure area it's probably

1049

00:55:21,410 --> 00:55:16,130

probably where the bowling alley is now

1050

00:55:24,470 --> 00:55:21,420

yeah you know I wanted to you know we we

1051
00:55:28,310 --> 00:55:24,480
talked a little bit about this during

1052
00:55:29,990 --> 00:55:28,320
the previous break at dr. Scott but you

1053
00:55:33,590 --> 00:55:30,000
had mentioned that the two had worked

1054
00:55:37,640 --> 00:55:33,600
for a company in Ohio that may have had

1055
00:55:40,520 --> 00:55:37,650
some dealings with wright-patterson with

1056
00:55:43,180 --> 00:55:40,530
the the possible examination of a detail

1057
00:55:47,660 --> 00:55:43,190
like you know uh possibly metal from

1058
00:55:51,530 --> 00:55:47,670
crashed UFOs now when you work there

1059
00:55:54,200 --> 00:55:51,540
had you heard you know any any

1060
00:55:55,640 --> 00:55:54,210
scuttlebutt you know about this kind of

1061
00:55:59,720 --> 00:55:55,650
activity because I know you know the

1062
00:56:01,190 --> 00:55:59,730
official official is always in a denial

1063
00:56:02,510 --> 00:56:01,200

of course not that silly nothing like

1064

00:56:04,460 --> 00:56:02,520

that ever happened you know but then you

1065

00:56:07,160 --> 00:56:04,470

know people who who actually work in

1066

00:56:10,970 --> 00:56:07,170

these places they were just like yeah

1067

00:56:15,320 --> 00:56:10,980

whose stuff did that leave well there

1068

00:56:19,160 --> 00:56:15,330

was a lot of gossip and scuttlebutt that

1069

00:56:23,180 --> 00:56:19,170

I heard and one thing I reported that

1070

00:56:28,630 --> 00:56:23,190

was pretty much a smoking gun I reported

1071

00:56:32,050 --> 00:56:28,640

in 1994 and something I wrote up that

1072

00:56:37,160 --> 00:56:32,060

one of the scientists there said he had

1073

00:56:40,760 --> 00:56:37,170

been working on ET material and he said

1074

00:56:42,020 --> 00:56:40,770

he had a beam that had some kind of

1075

00:56:44,840 --> 00:56:42,030

writing on it he was supposed to

1076
00:56:48,980 --> 00:56:44,850
decipher it what was interesting about

1077
00:56:54,280 --> 00:56:48,990
it was that Mattel had done a study of

1078
00:56:58,420 --> 00:56:54,290
UFOs a true good study in 1952 that was

1079
00:57:03,050 --> 00:56:58,430
conducted under Project Blue Book and

1080
00:57:07,790 --> 00:57:03,060
they had they had hired scientists to do

1081
00:57:09,860 --> 00:57:07,800
this they were supposed to do a quest

1082
00:57:12,800 --> 00:57:09,870
make a questionnaire and then do a

1083
00:57:15,500 --> 00:57:12,810
statistical study of the project

1084
00:57:18,020 --> 00:57:15,510
Bluebook information but what was

1085
00:57:20,270 --> 00:57:18,030
mysterious to everybody was that they

1086
00:57:25,850 --> 00:57:20,280
hired metallurgist to do this which

1087
00:57:30,110 --> 00:57:25,860
isn't exactly their field and I found

1088
00:57:33,500 --> 00:57:30,120

out that the man that reported that was

1089

00:57:36,740 --> 00:57:33,510

a top scientist he was listed in

1090

00:57:40,040 --> 00:57:36,750

American men of science and he did a lot

1091

00:57:42,080 --> 00:57:40,050

of research and published papers and he

1092

00:57:45,170 --> 00:57:42,090

also published papers with the people

1093

00:57:48,080 --> 00:57:45,180

that were that we knew of the been a

1094

00:57:52,160 --> 00:57:48,090

part of this study from wright-patterson

1095

00:57:56,060 --> 00:57:52,170

and so this mate and at that time nobody

1096

00:58:00,590 --> 00:57:56,070

ever heard of Roswell at the time he

1097

00:58:05,420 --> 00:58:00,600

reported which is in the 1950s so I

1098

00:58:09,680 --> 00:58:05,430

reported in 1994 I think and way later

1099

00:58:11,540 --> 00:58:09,690

about 19 about 2009 or something so they

1100

00:58:17,270 --> 00:58:11,550

contacted me about it and they wrote it

1101

00:58:20,430 --> 00:58:17,280

in carries and Smith's book witness

1102

00:58:25,650 --> 00:58:20,440

Durazo which was a top seller

1103

00:58:31,680 --> 00:58:25,660

and they it was reported all over on the

1104

00:58:36,680 --> 00:58:31,690

internet for quite a while so we got

1105

00:58:40,950 --> 00:58:36,690

that and there was a lot of speculation

1106

00:58:44,670 --> 00:58:40,960

way way back in the 1950s when they did

1107

00:58:49,920 --> 00:58:44,680

that study that they were studying

1108

00:58:53,400 --> 00:58:49,930

material from UFOs or ET material

1109

00:58:56,520 --> 00:58:53,410

because they had the people that did the

1110

00:58:59,910 --> 00:58:56,530

study were metallurgist and so that

1111

00:59:02,490 --> 00:58:59,920

seemed free shiet in the 1980s around

1112

00:59:05,040 --> 00:59:02,500

1980s when the first information about

1113

00:59:07,790 --> 00:59:05,050

roswell came out but there were a number

1114

00:59:11,310 --> 00:59:07,800

of studies way back before that at

1115

00:59:13,440 --> 00:59:11,320

Battelle and several other places where

1116

00:59:15,960 --> 00:59:13,450

there were reports that they had given

1117

00:59:18,420 --> 00:59:15,970

people some type of metal and they were

1118

00:59:22,050 --> 00:59:18,430

supposed to figure out what it was so

1119

00:59:25,140 --> 00:59:22,060

it's possible that they were that Wright

1120

00:59:29,490 --> 00:59:25,150

Patterson was farming out some actual

1121

00:59:31,320 --> 00:59:29,500

debris and possibly Roswell debris now

1122

00:59:33,240 --> 00:59:31,330

you think that you personally think

1123

00:59:40,200 --> 00:59:33,250

there's a good chance that that did

1124

00:59:44,160 --> 00:59:40,210

happen well I think I think from what I

1125

00:59:47,010 --> 00:59:44,170

found out they I think the Wright

1126
00:59:49,530 --> 00:59:47,020
Patterson was probably swarming out

1127
00:59:53,040 --> 00:59:49,540
farming out some material for people

1128
00:59:55,100 --> 00:59:53,050
look at I don't know you know I wouldn't

1129
00:59:58,710 --> 00:59:55,110
say this is necessary Roswell but it was

1130
01:00:02,430 --> 00:59:58,720
back in the night early 50s around that

1131
01:00:04,560 --> 01:00:02,440
time yes and there were several other

1132
01:00:07,040 --> 01:00:04,570
companies that seem to be the single

1133
01:00:11,220 --> 01:00:07,050
received material from wright-patterson

1134
01:00:14,940 --> 01:00:11,230
and thought it was et although nobody

1135
01:00:17,970 --> 01:00:14,950
understood it until Roswell came out now

1136
01:00:22,200 --> 01:00:17,980
you know around that same period you had

1137
01:00:24,390 --> 01:00:22,210
the I guess the birth of the the

1138
01:00:26,100 --> 01:00:24,400

organization the national investigations

1139

01:00:28,560 --> 01:00:26,110

Committee on the aerial phenomena night

1140

01:00:32,340 --> 01:00:28,570

cap now it's been pointed out over the

1141

01:00:34,350 --> 01:00:32,350

years that the board of directors of the

1142

01:00:37,680 --> 01:00:34,360

major Kehoe's group there

1143

01:00:40,830 --> 01:00:37,690

was kind of heavy heavily laden with the

1144

01:00:42,930 --> 01:00:40,840

CIA and government types do you you

1145

01:00:46,590 --> 01:00:42,940

think that they were bought into this

1146

01:00:50,940 --> 01:00:46,600

and instead of to push for disclosure to

1147

01:00:54,990 --> 01:00:50,950

really cast a bit of disinformation on

1148

01:00:56,610 --> 01:00:55,000

the into the field well yes I mean

1149

01:00:57,360 --> 01:00:56,620

that's what I've heard I wasn't a member

1150

01:01:00,240 --> 01:00:57,370

of myself

1151

01:01:03,480 --> 01:01:00,250

you know firsthand but that's how I've

1152

01:01:06,390 --> 01:01:03,490

heard from a number of people and the

1153

01:01:11,520 --> 01:01:06,400

government does do that I've met several

1154

01:01:13,290 --> 01:01:11,530

disinformation agents myself which and I

1155

01:01:17,400 --> 01:01:13,300

don't know what the motive is but the

1156

01:01:19,250 --> 01:01:17,410

government has gone way out and gone to

1157

01:01:24,750 --> 01:01:19,260

a lot of effort to spread disinformation

1158

01:01:27,960 --> 01:01:24,760

and spent money on do you think that

1159

01:01:32,970 --> 01:01:27,970

there is a okay Project Blue Book was

1160

01:01:35,960 --> 01:01:32,980

closed when in 1969 is there some sort

1161

01:01:41,340 --> 01:01:35,970

of project that still might be going on

1162

01:01:45,060 --> 01:01:41,350

behind the public's back well I worked

1163

01:01:50,310 --> 01:01:45,070

for the Defense Intelligence Agency at

1164

01:01:52,620 --> 01:01:50,320

that time and I was working for a

1165

01:01:55,340 --> 01:01:52,630

section called the air order of battle

1166

01:01:58,560 --> 01:01:55,350

and what we were supposed to do was a

1167

01:02:00,840 --> 01:01:58,570

section of the world we were supposed to

1168

01:02:04,400 --> 01:02:00,850

look down from satellite photography and

1169

01:02:07,170 --> 01:02:04,410

identify anything that was flying and

1170

01:02:11,550 --> 01:02:07,180

you'd think that this would be pertinent

1171

01:02:13,620 --> 01:02:11,560

to the UFO investigation that they ought

1172

01:02:14,130 --> 01:02:13,630

to say you know look for UFOs or

1173

01:02:16,830 --> 01:02:14,140

something

1174

01:02:21,230 --> 01:02:16,840

but nobody did even though we would be

1175

01:02:26,550 --> 01:02:21,240

the point person people to see that and

1176
01:02:28,740 --> 01:02:26,560
when I was working there my supervisors

1177
01:02:30,780 --> 01:02:28,750
and they were kind of high up I was in a

1178
01:02:34,560 --> 01:02:30,790
PhD type position but they were higher

1179
01:02:38,730 --> 01:02:34,570
than me actually reported a UFO on the

1180
01:02:42,170 --> 01:02:38,740
film which would be which was what we

1181
01:02:44,320 --> 01:02:42,180
were supposed to do it was our duty and

1182
01:02:46,990 --> 01:02:44,330
it went up

1183
01:02:49,420 --> 01:02:47,000
and the I think it went to the CIA or

1184
01:02:52,870 --> 01:02:49,430
whoever the higher-ups were and they

1185
01:02:55,860 --> 01:02:52,880
said it was a fall in the belt and what

1186
01:02:59,710 --> 01:02:55,870
did what what does the the picture show

1187
01:03:01,680 --> 01:02:59,720
it looked like well they showed me where

1188
01:03:07,210 --> 01:03:01,690

it was and I took the it was really

1189

01:03:09,550 --> 01:03:07,220

classified film and I was able to change

1190

01:03:13,480 --> 01:03:09,560

it was on two different missions and the

1191

01:03:16,900 --> 01:03:13,490

missions or 90 minutes apart a lot of

1192

01:03:21,370 --> 01:03:16,910

satellite moves around and so this was

1193

01:03:26,700 --> 01:03:21,380

on two different missions and I was able

1194

01:03:31,240 --> 01:03:26,710

to photographically get them get the to

1195

01:03:33,010 --> 01:03:31,250

the object on both photographs to the

1196

01:03:37,260 --> 01:03:33,020

same size and everything looked at it in

1197

01:03:40,420 --> 01:03:37,270

stereo and it looked like a domed object

1198

01:03:43,150 --> 01:03:40,430

it was it moved a little bit it was over

1199

01:03:46,080 --> 01:03:43,160

water and you could tell it from the

1200

01:03:49,210 --> 01:03:46,090

wave pattern it wasn't in the water and

1201

01:03:53,500 --> 01:03:49,220

it was shaped nothing like any of the

1202

01:03:57,010 --> 01:03:53,510

aircraft that we were studying that at

1203

01:04:01,380 --> 01:03:57,020

that country had or even was close to it

1204

01:04:04,990 --> 01:04:01,390

and so they reported it and the

1205

01:04:08,110 --> 01:04:05,000

higher-ups just insisted it was a flaw

1206

01:04:11,110 --> 01:04:08,120

in the film which it wasn't and you'd

1207

01:04:13,150 --> 01:04:11,120

think that when we we were supposedly

1208

01:04:16,180 --> 01:04:13,160

the experts when we report something

1209

01:04:18,910 --> 01:04:16,190

like that they would consider it and if

1210

01:04:20,710 --> 01:04:18,920

it was something if it was nothing they

1211

01:04:22,360 --> 01:04:20,720

should discuss it with us and be polite

1212

01:04:24,610 --> 01:04:22,370

and say you made a mistake and here's

1213

01:04:27,190 --> 01:04:24,620

why but instead they said this is a flaw

1214

01:04:32,110 --> 01:04:27,200

in the film which it obviously wasn't

1215

01:04:34,590 --> 01:04:32,120

and my supervisors had other people

1216

01:04:36,850 --> 01:04:34,600

study it that studied the density in the

1217

01:04:39,250 --> 01:04:36,860

sensitivity of the film they said no

1218

01:04:42,790 --> 01:04:39,260

this is a real object so that seemed

1219

01:04:44,470 --> 01:04:42,800

very funny that some so I thought some

1220

01:04:46,480 --> 01:04:44,480

place way out in the government because

1221

01:04:48,670 --> 01:04:46,490

we had real high security clearances

1222

01:04:50,650 --> 01:04:48,680

well now whether we're there witnesses

1223

01:04:53,530 --> 01:04:50,660

on the ground who saw this as well or

1224

01:04:56,980 --> 01:04:53,540

did it disappear on the photographic

1225

01:04:57,750 --> 01:04:56,990

film we just had it on satellite

1226

01:05:00,900 --> 01:04:57,760

photography

1227

01:05:02,490 --> 01:05:00,910

there was we didn't connect with the

1228

01:05:03,420 --> 01:05:02,500

people that were studying on the ground

1229

01:05:05,550 --> 01:05:03,430

so I don't know

1230

01:05:09,090 --> 01:05:05,560

I would I've always sort of hoped that

1231

01:05:12,540 --> 01:05:09,100

maybe I would hear something that it's

1232

01:05:16,170 --> 01:05:12,550

in its Russia I mean you know around

1233

01:05:19,380 --> 01:05:16,180

that area and so I don't know I wouldn't

1234

01:05:21,360 --> 01:05:19,390

know if there were reports I mean maybe

1235

01:05:23,840 --> 01:05:21,370

the the people that were higher up

1236

01:05:26,820 --> 01:05:23,850

didn't know reports and did know that

1237

01:05:29,340 --> 01:05:26,830

somebody's seen things and reported it

1238

01:05:31,950 --> 01:05:29,350

but they sure gave us some bad

1239

01:05:35,870 --> 01:05:31,960

information and three us like we reached

1240

01:05:38,100 --> 01:05:35,880

nothing oh boy now did you see other

1241

01:05:42,420 --> 01:05:38,110

what you would consider to be either

1242

01:05:45,290 --> 01:05:42,430

photographic or physical evidence that

1243

01:05:53,940 --> 01:05:49,820

well how about any of these like

1244

01:05:55,080 --> 01:05:53,950

ground-level alike um Oh Ted Phillips is

1245

01:05:59,010 --> 01:05:55,090

investigating you know the physical

1246

01:06:01,890 --> 01:05:59,020

trace cases where things actually seem

1247

01:06:04,470 --> 01:06:01,900

to land and Euler leave burn rings of

1248

01:06:07,080 --> 01:06:04,480

some kind or indentions in the ground

1249

01:06:09,350 --> 01:06:07,090

any evidence for that or anything you

1250

01:06:12,240 --> 01:06:09,360

looked into personally in that regard

1251

01:06:16,550 --> 01:06:12,250

yes I have

1252

01:06:20,850 --> 01:06:16,560

I looked into one where a farmer

1253

01:06:23,850 --> 01:06:20,860

reported in his alfalfa field in a l

1254

01:06:26,490 --> 01:06:23,860

looked at the area - in an area where

1255

01:06:30,210 --> 01:06:26,500

you couldn't see it from any place just

1256

01:06:34,650 --> 01:06:30,220

a totally places you could only see it

1257

01:06:38,700 --> 01:06:34,660

from the field there was a big burn he

1258

01:06:41,270 --> 01:06:38,710

reported a fired cheese I mean they

1259

01:06:44,700 --> 01:06:41,280

didn't believe in UFOs or anything and

1260

01:06:50,550 --> 01:06:44,710

it was in Alabama that was around me

1261

01:06:53,310 --> 01:06:50,560

high the alfalfa was just turned black

1262

01:06:57,660 --> 01:06:53,320

and burned clear down into its roots it

1263

01:06:59,400 --> 01:06:57,670

was standing the fire chief said alfalfa

1264

01:07:01,290 --> 01:06:59,410

doesn't catch on fire this was really

1265

01:07:04,320 --> 01:07:01,300

wet out outfit because it feel it was

1266

01:07:07,140 --> 01:07:04,330

water in the fields - and I tried that

1267

01:07:09,330 --> 01:07:07,150

out and I'll have to catch on fire the

1268

01:07:11,010 --> 01:07:09,340

fire chief was right I think you can

1269

01:07:13,980 --> 01:07:11,020

microwave it and

1270

01:07:16,260 --> 01:07:13,990

have it do something like that but I did

1271

01:07:20,910 --> 01:07:16,270

a lot of studying on it to see what was

1272

01:07:23,760 --> 01:07:20,920

going on and I found nothing I didn't

1273

01:07:26,820 --> 01:07:23,770

hear about until after they had already

1274

01:07:33,990 --> 01:07:26,830

mowed the hay once but there was a big

1275

01:07:38,730 --> 01:07:34,000

burn spot for a long ways and I did I

1276

01:07:42,180 --> 01:07:38,740

had I took samples and a chemist study

1277

01:07:44,220 --> 01:07:42,190

them and he couldn't find anything weird

1278

01:07:46,140 --> 01:07:44,230

except for one compound I forget where

1279

01:07:49,920 --> 01:07:46,150

it was but it was like it had been

1280

01:07:52,710 --> 01:07:49,930

damaged by heat but why would there be a

1281

01:07:55,680 --> 01:07:52,720

big burning house fells of yellow from

1282

01:08:00,690 --> 01:07:55,690

here I mean there was no tracks around

1283

01:08:03,630 --> 01:08:00,700

it and nothing was amazed so how long

1284

01:08:07,380 --> 01:08:03,640

does it happened as far as physical

1285

01:08:09,660 --> 01:08:07,390

objects pieces of a wreckage a piece of

1286

01:08:15,240 --> 01:08:09,670

metal out of place and ever seen

1287

01:08:20,850 --> 01:08:15,250

anything like that now except that I've

1288

01:08:23,970 --> 01:08:20,860

heard that some of the companies around

1289

01:08:28,920 --> 01:08:23,980

in Ohio had been sent material to

1290

01:08:31,910 --> 01:08:28,930

investigate of course now we had I

1291

01:08:35,780 --> 01:08:31,920

remember John keel one time I gave me a

1292

01:08:39,030 --> 01:08:35,790

envelope full of what looked like

1293

01:08:40,950 --> 01:08:39,040

Metallica foil which they said had

1294

01:08:44,030 --> 01:08:40,960

fallen the you know from a UFO but I

1295

01:08:46,620 --> 01:08:44,040

always suspected that was the type of

1296

01:08:50,310 --> 01:08:46,630

well for lack of a better word tinsel

1297

01:08:54,630 --> 01:08:50,320

that they used to Jam radar chaff yeah

1298

01:08:56,850 --> 01:08:54,640

yes I I had somebody report that too but

1299

01:09:00,930 --> 01:08:56,860

that's what he thought it was the radar

1300

01:09:02,490 --> 01:09:00,940

decoy type thing I mean he found some of

1301

01:09:07,110 --> 01:09:02,500

these field but he didn't think it was

1302

01:09:11,990 --> 01:09:07,120

anything except dropped by a plane at

1303

01:09:14,190 --> 01:09:12,000

Mattel you've heard of angel hair oh yes

1304

01:09:16,590 --> 01:09:14,200

well somebody that worked there said

1305

01:09:18,980 --> 01:09:16,600

that he was in an office of one of the

1306

01:09:22,830 --> 01:09:18,990

people that worked there and there was a

1307

01:09:24,930 --> 01:09:22,840

container it said angel hair and he

1308

01:09:28,860 --> 01:09:24,940

found out it was from a UFOs

1309

01:09:34,430 --> 01:09:28,870

Ben I don't remember the year probably

1310

01:09:38,039 --> 01:09:34,440

in 1950s but that this whole school of

1311

01:09:40,950 --> 01:09:38,049

teachers and students were outside and

1312

01:09:44,519 --> 01:09:40,960

watched this big object up above and

1313

01:09:46,499 --> 01:09:44,529

then all this angel hair fell and they

1314

01:09:48,990 --> 01:09:46,509

collected samples and somehow even

1315

01:09:51,539 --> 01:09:49,000

though the Air Force and everything says

1316

01:09:54,900 --> 01:09:51,549

well nothing happened that it wound up

1317

01:09:59,970 --> 01:09:54,910

in a container in somebody's office in

1318

01:10:02,250 --> 01:09:59,980

the tell em course now I always reported

1319

01:10:04,140 --> 01:10:02,260

usually with the angel here if you took

1320

01:10:07,350 --> 01:10:04,150

a little of the angel hair would

1321

01:10:11,189 --> 01:10:07,360

dissolve so it's kind of like a buddy in

1322

01:10:13,950 --> 01:10:11,199

there you oh maybe a yeah but because if

1323

01:10:16,890 --> 01:10:13,960

you will you ear hits it it's not going

1324

01:10:19,229 --> 01:10:16,900

to be there is God so all right turning

1325

01:10:21,600 --> 01:10:19,239

we're talking and when we're gone we're

1326

01:10:24,120 --> 01:10:21,610

coming up on our last step right then

1327

01:10:26,490 --> 01:10:24,130

we'll be packed as a food fabulous yes

1328

01:10:29,910 --> 01:10:26,500

that both have a wealth of information

1329

01:10:33,570 --> 01:10:29,920

here I mean I I'm very I'm very

1330

01:10:35,130 --> 01:10:33,580

impressed I'm so impressed that I'm

1331

01:10:39,000 --> 01:10:35,140

going to revolt in their books to that

1332

01:10:41,850 --> 01:10:39,010

good I go to sleep now back to exploring

1333

01:10:44,189 --> 01:10:41,860

the bizarre with two of the most

1334

01:10:47,970 --> 01:10:44,199

electrifying researchers with a paranoid

1335

01:10:50,170 --> 01:10:47,980

your hosts Timothy Becky Lee and King

1336

01:10:53,890 --> 01:10:50,180

Swartz

1337

01:10:57,070 --> 01:10:53,900

you know Tim I can't figure out why this

1338

01:11:00,520 --> 01:10:57,080

guy thinks that this show is so bizarre

1339

01:11:02,710 --> 01:11:00,530

I mean come on we we bring the sub we

1340

01:11:05,320 --> 01:11:02,720

bring all these subjects right down to

1341

01:11:08,440 --> 01:11:05,330

earth but breaking breaking news

1342

01:11:11,560 --> 01:11:08,450

breaking news there is a UFO day a

1343

01:11:14,440 --> 01:11:11,570

parade and festival in the town of Pine

1344

01:11:19,810 --> 01:11:14,450

Bush New York which is about it's a

1345

01:11:22,060 --> 01:11:19,820

Saturday May 20th to 2017 but I believe

1346

01:11:24,460 --> 01:11:22,070

it's an annual event to celebrate the

1347

01:11:28,530 --> 01:11:24,470

mass UFO sightings and flap that went on

1348

01:11:31,690 --> 01:11:28,540

there probably a decade or more ago and

1349

01:11:33,790 --> 01:11:31,700

if anybody has transportation they can

1350

01:11:35,800 --> 01:11:33,800

provide from Manhattan there might be

1351

01:11:40,240 --> 01:11:35,810

several people who would like to take a

1352

01:11:44,520 --> 01:11:40,250

ride up there with you can contact me of

1353

01:11:46,840 --> 01:11:44,530

course at Mr UFO 8 at hotmail.com and I

1354

01:11:49,360 --> 01:11:46,850

think it should be an interesting day I

1355

01:11:51,970 --> 01:11:49,370

understand that Linda they're going to

1356

01:11:54,520 --> 01:11:51,980

be lectures and talks and in addition to

1357

01:11:56,350 --> 01:11:54,530

the parade and all the events when does

1358

01:11:59,440 --> 01:11:56,360

it kick off about 11:00 in the morning

1359

01:12:03,130 --> 01:11:59,450

I believe it at 10 o'clock it starts

1360

01:12:07,240 --> 01:12:03,140

I'll be speaking at 11:00 the parade is

1361

01:12:10,920 --> 01:12:07,250

at 3:00 p.m. and then starting at 4:00

1362

01:12:13,360 --> 01:12:10,930

p.m. there is a series of other lectures

1363

01:12:16,480 --> 01:12:13,370

and who's speaking I know you mentioned

1364

01:12:21,580 --> 01:12:16,490

Travis Walton Travis Walton Mark

1365

01:12:24,010 --> 01:12:21,590

Dantonio and and several other speakers

1366

01:12:25,020 --> 01:12:24,020

like can't recall at this point but they

1367

01:12:27,670 --> 01:12:25,030

have their eye

1368

01:12:28,870 --> 01:12:27,680

sure go ahead well know I was going to

1369

01:12:31,270 --> 01:12:28,880

say wonderful you know they ought to

1370

01:12:33,970 --> 01:12:31,280

really have a some sort of a publicist

1371

01:12:35,800 --> 01:12:33,980

because I mean I only vaguely hear about

1372

01:12:38,890 --> 01:12:35,810

it every year it doesn't get all that

1373

01:12:41,170 --> 01:12:38,900

much attention while the Roswell

1374

01:12:43,150 --> 01:12:41,180

festival goes on and on and on a year

1375

01:12:46,300 --> 01:12:43,160

after year after year I don't know but

1376

01:12:48,550 --> 01:12:46,310

it sounds like a very interesting and

1377

01:12:52,330 --> 01:12:48,560

entertaining event and one can bring the

1378

01:12:54,220 --> 01:12:52,340

the family and I don't know do they

1379

01:12:57,160 --> 01:12:54,230

allow you to look for UFOs I know they

1380

01:12:58,540 --> 01:12:57,170

were harassing it at some point people

1381

01:13:01,090 --> 01:12:58,550

that were staying there late at night

1382

01:13:04,210 --> 01:13:01,100

parked on the side roads looking up into

1383

01:13:07,240 --> 01:13:04,220

the sky yes they actually made it

1384

01:13:09,610 --> 01:13:07,250

illegal to Skywatch and could get

1385

01:13:12,100 --> 01:13:09,620

ticketed or arrested if you pulled over

1386

01:13:14,230 --> 01:13:12,110

your car and looked up at the sky well I

1387

01:13:15,820 --> 01:13:14,240

just want a night and I spent a night in

1388

01:13:19,360 --> 01:13:15,830

jail here there for some things but

1389

01:13:21,490 --> 01:13:19,370

never for UFOs sky watch and of course

1390

01:13:24,760 --> 01:13:21,500

now they have the festival they have a

1391

01:13:27,220 --> 01:13:24,770

designated viewing area and there's even

1392

01:13:31,240 --> 01:13:27,230

talk about possibly building a

1393

01:13:33,730 --> 01:13:31,250

watchtower for you uh at a smart chamber

1394

01:13:37,150 --> 01:13:33,740

of commerce what is how are currently

1395

01:13:38,980 --> 01:13:37,160

common but ok well maybe we'll see if

1396

01:13:41,790 --> 01:13:38,990

anybody's going to listen to the show

1397

01:13:44,340 --> 01:13:41,800

please let us know I mean would be

1398

01:13:52,390 --> 01:13:44,350

exciting to meet some of our our

1399

01:13:55,210 --> 01:13:52,400

regulars and ill regulars huh we're were

1400

01:14:02,440 --> 01:13:55,220

the irregular hi I was going to say hey

1401

01:14:04,360 --> 01:14:02,450

ok missing time and anti-gravity how do

1402

01:14:05,170 --> 01:14:04,370

they kind of tie in together Ellen in

1403

01:14:10,180 --> 01:14:05,180

the Hudson Valley

1404

01:14:14,380 --> 01:14:10,190

or do they well um we have quite a lot

1405

01:14:17,590 --> 01:14:14,390

of instances of missing time and that

1406

01:14:21,610 --> 01:14:17,600

all goes with the you know the contact

1407

01:14:24,160 --> 01:14:21,620

the experiencer phenomena had mentioned

1408

01:14:28,800 --> 01:14:24,170

before which is far more prevalent than

1409

01:14:30,700 --> 01:14:28,810

I ever thought and all these years of

1410

01:14:33,370 --> 01:14:30,710

researching and interviewing other

1411

01:14:37,600 --> 01:14:33,380

people I kept thinking well at least

1412

01:14:40,360 --> 01:14:37,610

I've never forgotten anything and I had

1413

01:14:44,140 --> 01:14:40,370

a sighting in the 70s and I used to keep

1414

01:14:48,220 --> 01:14:44,150

a diary so last fall I said you know I

1415

01:14:50,800 --> 01:14:48,230

need to find the date of that sighting

1416

01:14:53,140 --> 01:14:50,810

so I sat there going through page after

1417

01:14:55,390 --> 01:14:53,150

page it was kind of freaked me out

1418

01:14:59,890 --> 01:14:55,400

knowing what my life was like in the 70s

1419

01:15:03,460 --> 01:14:59,900

yeah and I came across the date it was

1420

01:15:06,730 --> 01:15:03,470

in December of 79 and it was like

1421

01:15:10,090 --> 01:15:06,740

reading the the writing of a complete

1422

01:15:14,530 --> 01:15:10,100

stranger because I'm describing standing

1423

01:15:17,449 --> 01:15:14,540

by this lake watching this UFO zigzag

1424

01:15:19,759 --> 01:15:17,459

back and forth for an hour

1425

01:15:23,660 --> 01:15:19,769

through binoculars and I have absolutely

1426

01:15:25,279 --> 01:15:23,670

no recollection of that today well

1427

01:15:27,679 --> 01:15:25,289

that's kind of like me a channeling

1428

01:15:30,109 --> 01:15:27,689

there in the the field in Pine Bush I

1429

01:15:33,049 --> 01:15:30,119

mean this one gal said well you know

1430

01:15:34,609 --> 01:15:33,059

yeah you were channeling and telling us

1431

01:15:36,469 --> 01:15:34,619

who was onboard the ship and pointing

1432

01:15:38,750 --> 01:15:36,479

out the lights in the sky I have no

1433

01:15:41,600 --> 01:15:38,760

relation recollection of that either and

1434

01:15:44,239 --> 01:15:41,610

it wasn't like a you know pub crawl or

1435

01:15:46,069 --> 01:15:44,249

anything like that it was a very

1436

01:15:48,169 --> 01:15:46,079

sobering a weekend but I don't remember

1437

01:15:50,859 --> 01:15:48,179

a bit of one that I don't know it just

1438

01:15:54,589 --> 01:15:50,869

kind of boggles the the mind but that's

1439

01:15:56,540 --> 01:15:54,599

yeah it's been erased by what we talked

1440

01:15:59,689 --> 01:15:56,550

about synchronicities and somebody's in

1441

01:16:02,870 --> 01:15:59,699

control of that and you'll have to read

1442

01:16:06,319 --> 01:16:02,880

our book on the Phillip K a dick matrix

1443

01:16:09,109 --> 01:16:06,329

is a matrix madness to understand it a

1444

01:16:12,739 --> 01:16:09,119

little but someone that can put things

1445

01:16:14,870 --> 01:16:12,749

into your mind and someone can erase

1446

01:16:17,239 --> 01:16:14,880

them just kind of like in Total Recall

1447

01:16:20,239 --> 01:16:17,249

of course which is one of his movies

1448

01:16:22,729 --> 01:16:20,249

based on one of his books it's it's

1449

01:16:26,330 --> 01:16:22,739

extremely disconcerting because you know

1450

01:16:29,810 --> 01:16:26,340

I I like my memory it's it served me

1451

01:16:32,060 --> 01:16:29,820

well over the years and I just cannot

1452

01:16:34,939 --> 01:16:32,070

believe it it's like I'm banging my head

1453

01:16:37,370 --> 01:16:34,949

against the wall trying to recollect

1454

01:16:39,109 --> 01:16:37,380

this and it's the best way I could

1455

01:16:41,359 --> 01:16:39,119

describe it it's looking at a large

1456

01:16:45,259 --> 01:16:41,369

painting but the center's been cut out

1457

01:16:48,350 --> 01:16:45,269

and it's it's just gone it is just not

1458

01:16:49,939 --> 01:16:48,360

there so I'm not saying I was abducted

1459

01:16:53,679 --> 01:16:49,949

or anything but something certainly

1460

01:16:57,919 --> 01:16:53,689

messed with my memory but it was a

1461

01:17:02,060 --> 01:16:57,929

sobering you know as you say thought and

1462

01:17:04,160 --> 01:17:02,070

it also reinforces when anyone has any

1463

01:17:07,669 --> 01:17:04,170

kind of sighting or paranormal

1464

01:17:10,520 --> 01:17:07,679

experience write it down as soon as you

1465

01:17:13,429 --> 01:17:10,530

can because memories change things

1466

01:17:14,509 --> 01:17:13,439

happen and you will at least have a

1467

01:17:18,830 --> 01:17:14,519

record of it

1468

01:17:20,179 --> 01:17:18,840

soon after whatever it is occurred yeah

1469

01:17:24,799 --> 01:17:20,189

you would just you would think that

1470

01:17:26,359 --> 01:17:24,809

something as extraordinary as that would

1471

01:17:28,910 --> 01:17:26,369

just stand out in your memory for the

1472

01:17:31,150 --> 01:17:28,920

rest of your life oh it had to have been

1473

01:17:35,050 --> 01:17:31,160

the most incredible thing I ever saw

1474

01:17:36,970 --> 01:17:35,060

and you know I I was an amateur

1475

01:17:39,400 --> 01:17:36,980

astronomer since I was a little kid

1476

01:17:43,540 --> 01:17:39,410

extremely familiar with the sky I taught

1477

01:17:45,810 --> 01:17:43,550

astronomy I write about astronomy so for

1478

01:17:48,100 --> 01:17:45,820

me to stand there and watch something

1479

01:17:51,910 --> 01:17:48,110

completely inexplicable through

1480

01:17:56,170 --> 01:17:51,920

binoculars at fairly close distance and

1481

01:17:58,860 --> 01:17:56,180

then the next day and for the next

1482

01:18:07,900 --> 01:17:58,870

however many years it's gone it's

1483

01:18:09,850 --> 01:18:07,910

absolutely gone in a previous section of

1484

01:18:12,700 --> 01:18:09,860

the show you were talking about the the

1485

01:18:15,490 --> 01:18:12,710

mass sightings or lay on a highway of

1486

01:18:17,740 --> 01:18:15,500

people of seeing this UFO you would

1487

01:18:20,290 --> 01:18:17,750

think that and I realized that at the

1488

01:18:23,350 --> 01:18:20,300

time that you know people didn't have

1489

01:18:24,850 --> 01:18:23,360

access to cameras like we do today but

1490

01:18:26,950 --> 01:18:24,860

you would have thought that somebody

1491

01:18:29,410 --> 01:18:26,960

would have had a camera and would have

1492

01:18:31,210 --> 01:18:29,420

tried to have taken a picture of this

1493

01:18:33,700 --> 01:18:31,220

you know triangular shaped UFO

1494

01:18:35,830 --> 01:18:33,710

considering how low it was over the

1495

01:18:39,670 --> 01:18:35,840

highway and how long the sighting

1496

01:18:41,800 --> 01:18:39,680

persistent yes there was some video

1497

01:18:45,340 --> 01:18:41,810

which you know video cameras weren't as

1498

01:18:50,560 --> 01:18:45,350

prevalent back then some photos there's

1499

01:18:53,380 --> 01:18:50,570

actually one excellent photo that it was

1500

01:18:56,500 --> 01:18:53,390

a photography student in high school

1501

01:18:59,560 --> 01:18:56,510

came out of his meeting that night and

1502

01:19:03,100 --> 01:18:59,570

that was the night of March 24th which

1503

01:19:07,150 --> 01:19:03,110

was that mass sighting and he snapped a

1504

01:19:11,560 --> 01:19:07,160

photo of quite good photo of a large

1505

01:19:14,860 --> 01:19:11,570

bright triangular object beaming a light

1506

01:19:15,580 --> 01:19:14,870

down to the ground and he brought it to

1507

01:19:18,400 --> 01:19:15,590

the police

1508

01:19:22,720 --> 01:19:18,410

who told him oh don't worry about it kid

1509

01:19:25,750 --> 01:19:22,730

it was a formation of planes so he stuck

1510

01:19:28,210 --> 01:19:25,760

it and you know a folder and it was in

1511

01:19:31,360 --> 01:19:28,220

his attic for the next thirty years till

1512

01:19:33,550 --> 01:19:31,370

I tracked him down and said are you the

1513

01:19:35,410 --> 01:19:33,560

same man who took that photo and he said

1514

01:19:37,840 --> 01:19:35,420

well why do you care about it and I said

1515

01:19:40,210 --> 01:19:37,850

did you look at what you took a

1516

01:19:43,120 --> 01:19:40,220

photograph of this is the best photo

1517

01:19:44,870 --> 01:19:43,130

from that flap and he says it but the

1518

01:19:48,520 --> 01:19:44,880

police told me it was

1519

01:19:53,570 --> 01:19:48,530

formation of planes it's like an idiot

1520

01:19:56,149 --> 01:19:53,580

univariate idiot yeah genius you're a

1521

01:19:58,879 --> 01:19:56,159

17-year old high school kid and the

1522

01:20:03,649 --> 01:19:58,889

police are telling you something you

1523

01:20:06,740 --> 01:20:03,659

know so but not as much photographic

1524

01:20:09,620 --> 01:20:06,750

evidence exists as of course I would

1525

01:20:11,600 --> 01:20:09,630

like well maybe it does it does and it's

1526

01:20:14,180 --> 01:20:11,610

out there well where and somebody is

1527

01:20:16,520 --> 01:20:14,190

listening to the show and can pull it

1528

01:20:19,220 --> 01:20:16,530

out of there bottom of their desk drawer

1529

01:20:22,459 --> 01:20:19,230

even if the photos are curled up we'll

1530

01:20:24,560 --> 01:20:22,469

take a look at it please please any

1531

01:20:28,160 --> 01:20:24,570

evidence and I'm still looking for

1532

01:20:31,850 --> 01:20:28,170

stories because the whole nature of this

1533

01:20:35,350 --> 01:20:31,860

phenomenon is is remarkable the size and

1534

01:20:40,640 --> 01:20:35,360

variety of craft the depth of people's

1535

01:20:43,610 --> 01:20:40,650

experiences it's it's remarkable you

1536

01:20:45,379 --> 01:20:43,620

know I remember seeing a remnant time

1537

01:20:49,600 --> 01:20:45,389

period a little bit afterwards it was a

1538

01:20:54,350 --> 01:20:49,610

UFO special on HBO and it had a

1539

01:20:58,640 --> 01:20:54,360

obviously it was a VHS camera of a you

1540

01:21:02,689 --> 01:20:58,650

know like some kind of a craft or object

1541

01:21:07,250 --> 01:21:02,699

there on the East Coast but then they

1542

01:21:11,540 --> 01:21:07,260

went and showed video of those Cessnas

1543

01:21:12,649 --> 01:21:11,550

and you can tell the difference I mean

1544

01:21:14,450 --> 01:21:12,659

you could hear the engines of the

1545

01:21:15,649 --> 01:21:14,460

Cessnas the lights were different you

1546

01:21:19,100 --> 01:21:15,659

know they have a side-by-side comparison

1547

01:21:21,220 --> 01:21:19,110

of the the actual UFO and assessments

1548

01:21:24,410 --> 01:21:21,230

and you know anybody who thought that

1549

01:21:26,899 --> 01:21:24,420

the the entire Hudson Valley UFO events

1550

01:21:28,930 --> 01:21:26,909

was caused by the senseless needs to

1551

01:21:31,490 --> 01:21:28,940

look at that footage

1552

01:21:34,129 --> 01:21:31,500

absolutely and I'm still hearing that to

1553

01:21:36,950 --> 01:21:34,139

this day when I was giving a conference

1554

01:21:38,689 --> 01:21:36,960

in Danbury Connecticut last year there

1555

01:21:41,689 --> 01:21:38,699

was an article in the local newspaper

1556

01:21:43,879 --> 01:21:41,699

and some woman jumps on and said oh my

1557

01:21:46,160 --> 01:21:43,889

father was one of the we called them the

1558

01:21:49,220 --> 01:21:46,170

Stormville flyers because the the

1559

01:21:51,860 --> 01:21:49,230

Cessnas flew out of Stormville and she

1560

01:21:54,350 --> 01:21:51,870

stated categorically every single

1561

01:21:56,360 --> 01:21:54,360

sighting can be attributed to the

1562

01:21:58,520 --> 01:21:56,370

Stormville flyers and somebody else

1563

01:22:02,360 --> 01:21:58,530

jumped on and said oh that explains

1564

01:22:06,740 --> 01:22:02,370

that it's it's just so frustrating that

1565

01:22:09,710 --> 01:22:06,750

here we are 30 35 years later and with

1566

01:22:12,800 --> 01:22:09,720

the magic wand of disinformation and

1567

01:22:16,220 --> 01:22:12,810

hoaxing we can wipe away one of the most

1568

01:22:19,010 --> 01:22:16,230

important flaps in all of history well

1569

01:22:25,220 --> 01:22:19,020

this is this has gone on and on and on

1570

01:22:28,280 --> 01:22:25,230

since you know 1947 and and before now

1571

01:22:31,400 --> 01:22:28,290

you mentioned also - in a release here

1572

01:22:34,730 --> 01:22:31,410

that I have anti-gravity now what is

1573

01:22:38,330 --> 01:22:34,740

that all about well I have been going

1574

01:22:41,450 --> 01:22:38,340

through any project Bluebook case

1575

01:22:44,540 --> 01:22:41,460

related to the Hudson Valley and western

1576

01:22:47,030 --> 01:22:44,550

Connecticut and of course anyone who's

1577

01:22:51,340 --> 01:22:47,040

done any work with Blue Book knows that

1578

01:22:55,940 --> 01:22:51,350

the project conclusion cards are a joke

1579

01:22:59,090 --> 01:22:55,950

an insult you can't go by them you have

1580

01:23:02,120 --> 01:22:59,100

to go through all of the pages of the

1581

01:23:06,160 --> 01:23:02,130

actual testimony in reports and there

1582

01:23:09,590 --> 01:23:06,170

was a case in 1960 in Connecticut that

1583

01:23:12,290 --> 01:23:09,600

some metallic substance fell to the

1584

01:23:15,340 --> 01:23:12,300

ground started a little fire actually

1585

01:23:19,030 --> 01:23:15,350

there was it fell in two locations and

1586

01:23:23,240 --> 01:23:19,040

the official conclusion was that it was

1587

01:23:28,360 --> 01:23:23,250

furnace slag now that would be the first

1588

01:23:30,980 --> 01:23:28,370

slag in history to fall from outer space

1589

01:23:34,400 --> 01:23:30,990

so right then I knew well this is

1590

01:23:39,200 --> 01:23:34,410

nonsense and if this was furnace leg why

1591

01:23:43,400 --> 01:23:39,210

is it a 73 page report so it turned out

1592

01:23:48,080 --> 01:23:43,410

that this metallic substance was a long

1593

01:23:52,520 --> 01:23:48,090

story short sent to t Townsend Brown oh

1594

01:23:54,890 --> 01:23:52,530

yeah Greg yes electrogravitics hey did

1595

01:23:58,310 --> 01:23:54,900

you did you know Linda the T Townsend

1596

01:24:02,450 --> 01:23:58,320

Brown was the first director of nightcap

1597

01:24:05,930 --> 01:24:02,460

before major Keyhoe no I did not yes he

1598

01:24:07,760 --> 01:24:05,940

was the original which leads me to

1599

01:24:10,790 --> 01:24:07,770

believe that there's some shenanigans

1600

01:24:12,299 --> 01:24:10,800

going on there but yes he was the

1601

01:24:14,129 --> 01:24:12,309

original director in

1602

01:24:16,220 --> 01:24:14,139

kiyo took over I think there's probably

1603

01:24:18,720 --> 01:24:16,230

about six months since the organization

1604

01:24:21,060 --> 01:24:18,730

started and you know how I know because

1605

01:24:23,250 --> 01:24:21,070

my former roommate who is now deceased

1606

01:24:25,549 --> 01:24:23,260

my good friend Harold spoken had the

1607

01:24:28,319 --> 01:24:25,559

original minutes to the first nightcap

1608

01:24:29,819 --> 01:24:28,329

and also check it if you check it in the

1609

01:24:32,430 --> 01:24:29,829

searches and you'll find it out I think

1610

01:24:34,740 --> 01:24:32,440

nobody nobody denies that but the IT

1611

01:24:37,379 --> 01:24:34,750

Townsend Brown was the first actual

1612

01:24:39,990 --> 01:24:37,389

director of NICAP so how's that there's

1613

01:24:44,100 --> 01:24:40,000

a there's a UFO in your bonnet or

1614

01:24:47,149 --> 01:24:44,110

something the hab solutely so he was

1615

01:24:51,299 --> 01:24:47,159

studying this sample and it why this

1616

01:24:53,430 --> 01:24:51,309

material came to him was because it can

1617

01:24:56,779 --> 01:24:53,440

even though it was in a sealed container

1618

01:24:59,879 --> 01:24:56,789

this metallic substance was losing mass

1619

01:25:02,129 --> 01:24:59,889

now there's reason you know it could be

1620

01:25:05,370 --> 01:25:02,139

outgassing there could you know could

1621

01:25:09,299 --> 01:25:05,380

pieces of it could be you know flaking

1622

01:25:14,520 --> 01:25:09,309

off microscopically but the real kicker

1623

01:25:16,620 --> 01:25:14,530

came when uh the hold on one second I'm

1624

01:25:20,700 --> 01:25:16,630

sorry I have to change phones because

1625

01:25:23,279 --> 01:25:20,710

I'm getting a beep the well a well in

1626

01:25:26,760 --> 01:25:23,289

the UFO field a beep can be a good thing

1627

01:25:29,279 --> 01:25:26,770

though uh yeah yes and it could also

1628

01:25:34,200 --> 01:25:29,289

mean I'm about to have missing Taher

1629

01:25:38,040 --> 01:25:34,210

time also so this substance had the

1630

01:25:43,680 --> 01:25:38,050

ability to make other material nearby

1631

01:25:45,330 --> 01:25:43,690

also lose mass and yes I think I fell

1632

01:25:48,060 --> 01:25:45,340

out of my chair at that point I'm like

1633

01:25:53,510 --> 01:25:48,070

wait a minute what there's nothing I

1634

01:25:55,890 --> 01:25:53,520

know you know that it could do that so

1635

01:25:59,100 --> 01:25:55,900

there were these letters back and forth

1636

01:26:03,169 --> 01:25:59,110

between major friend who was on Blue

1637

01:26:06,209 --> 01:26:03,179

Book at the time other scientists and

1638

01:26:09,390 --> 01:26:06,219

Townsend Brown was convinced this was

1639

01:26:12,870 --> 01:26:09,400

one of the most extraordinary substances

1640

01:26:14,790 --> 01:26:12,880

in history and that they were going to

1641

01:26:17,459 --> 01:26:14,800

do all this further testing they would

1642

01:26:19,680 --> 01:26:17,469

be final reports just how this you know

1643

01:26:22,560 --> 01:26:19,690

maybe they didn't know how but just to

1644

01:26:26,010 --> 01:26:22,570

what extent this metallic substance was

1645

01:26:30,510 --> 01:26:26,020

able to cause other substances to get

1646

01:26:34,950 --> 01:26:30,520

lighter to lose mass and the file ends

1647

01:26:39,210 --> 01:26:34,960

battle oh no final report no conclusions

1648

01:26:42,570 --> 01:26:39,220

no nothing and I could not find anything

1649

01:26:44,340 --> 01:26:42,580

else about this it stuck away at

1650

01:26:46,410 --> 01:26:44,350

wright-patterson Air Force Base that I

1651
01:26:52,280 --> 01:26:46,420
would guess right there you go probably

1652
01:26:55,380 --> 01:26:52,290
probably unless it completely you know

1653
01:26:56,130 --> 01:26:55,390
it sucks it sucks up the whole room with

1654
01:26:58,950 --> 01:26:56,140
it or something

1655
01:27:00,840 --> 01:26:58,960
all I'm you know I'm sure that they just

1656
01:27:03,180 --> 01:27:00,850
they didn't just end it there

1657
01:27:05,460 --> 01:27:03,190
somewhere there is the end of that

1658
01:27:07,080 --> 01:27:05,470
report you know we just don't have

1659
01:27:09,360 --> 01:27:07,090
access to it O'Brien I can see an

1660
01:27:12,480 --> 01:27:09,370
Indiana Jones movie based on this oh

1661
01:27:15,300 --> 01:27:12,490
yeah absolutely absolutely you know

1662
01:27:18,570 --> 01:27:15,310
clearly they did a lot more work on it

1663
01:27:21,690 --> 01:27:18,580

but it didn't eat it was I have a

1664

01:27:24,750 --> 01:27:21,700

feeling it was just so startling it

1665

01:27:28,140 --> 01:27:24,760

didn't even make the Bluebook you know

1666

01:27:31,770 --> 01:27:28,150

follow it or at least a comic book or a

1667

01:27:35,400 --> 01:27:31,780

graphic novel graphic novel about it

1668

01:27:37,740 --> 01:27:35,410

yeah oh that's a that's a great story

1669

01:27:41,700 --> 01:27:37,750

you'll be working on it by noon tomorrow

1670

01:27:45,930 --> 01:27:41,710

I predict now I wasn't wasn't a debris

1671

01:27:51,780 --> 01:27:45,940

that fell over Maury island described as

1672

01:27:53,700 --> 01:27:51,790

lag lights as well that one I am not as

1673

01:27:57,270 --> 01:27:53,710

familiar it was supposed to be some sort

1674

01:27:59,820 --> 01:27:57,280

of metallic material but I don't know

1675

01:28:02,550 --> 01:27:59,830

the nature of it yeah I seem to remember

1676

01:28:06,270 --> 01:28:02,560

was described as like swag or like I I

1677

01:28:09,960 --> 01:28:06,280

believe it's I believe dr. s Scott wrote

1678

01:28:11,880 --> 01:28:09,970

about that in her a marvelous book do

1679

01:28:14,570 --> 01:28:11,890

you have a remember the details of what

1680

01:28:17,580 --> 01:28:14,580

the but the substance look like that the

1681

01:28:24,420 --> 01:28:17,590

actually fell on the boat and and killed

1682

01:28:27,150 --> 01:28:24,430

the dog yes this man reported that these

1683

01:28:31,770 --> 01:28:27,160

donut shape UFOs came over Muir Island

1684

01:28:35,390 --> 01:28:31,780

and dropped stuff that injured his son

1685

01:28:38,800 --> 01:28:35,400

and killed his dog and different things

1686

01:28:42,400 --> 01:28:38,810

they showed it to Cass Arnold

1687

01:28:46,420 --> 01:28:42,410

and he saw what it looked like in some

1688

01:28:51,520 --> 01:28:46,430

real mysterious the fashion and then

1689

01:28:56,800 --> 01:28:51,530

later he was supposed to well later he

1690

01:28:59,560 --> 01:28:56,810

they talked to a military person the

1691

01:29:02,050 --> 01:28:59,570

military person said it was flagged and

1692

01:29:04,450 --> 01:29:02,060

he showed him a pile of slag and said

1693

01:29:06,940 --> 01:29:04,460

that's what this was and they didn't

1694

01:29:09,100 --> 01:29:06,950

know why the military person would be

1695

01:29:14,200 --> 01:29:09,110

saying that or know anything about it

1696

01:29:16,330 --> 01:29:14,210

but it was he was debunking it it

1697

01:29:19,900 --> 01:29:16,340

because they didn't think it looked like

1698

01:29:21,670 --> 01:29:19,910

what they saw from the people that said

1699

01:29:25,360 --> 01:29:21,680

it dropped which probably wasn't true

1700

01:29:27,960 --> 01:29:25,370

either but it looked different and then

1701

01:29:31,090 --> 01:29:27,970

later I mean he should have looks like a

1702

01:29:34,390 --> 01:29:31,100

pile of slag and it looked like this was

1703

01:29:38,620 --> 01:29:34,400

slag for sure a while later he was

1704

01:29:43,060 --> 01:29:38,630

supposed to load a carton of it into an

1705

01:29:45,880 --> 01:29:43,070

airplane the finders were saying they

1706

01:29:49,030 --> 01:29:45,890

wanted the pilots to take back the

1707

01:29:51,790 --> 01:29:49,040

pilots for military people and study the

1708

01:29:55,690 --> 01:29:51,800

pilots didn't want him and thought the

1709

01:29:59,170 --> 01:29:55,700

whole thing was a hoax but Arnold listed

1710

01:30:01,480 --> 01:29:59,180

the carton into the plane he said what

1711

01:30:03,460 --> 01:30:01,490

he saw looked like slag and it didn't

1712

01:30:06,820 --> 01:30:03,470

look like the original substance they'd

1713

01:30:11,620 --> 01:30:06,830

shown to him so there were several

1714

01:30:15,010 --> 01:30:11,630

reasons why they thought it was slag but

1715

01:30:17,140 --> 01:30:15,020

it didn't appear to be the substance

1716

01:30:21,370 --> 01:30:17,150

that the original fighter

1717

01:30:23,490 --> 01:30:21,380

and unfortunately the material the

1718

01:30:25,810 --> 01:30:23,500

substance was gathered up put into a

1719

01:30:28,660 --> 01:30:25,820

attache case and put on board a plane

1720

01:30:32,380 --> 01:30:28,670

with two Air Force officials and the

1721

01:30:35,110 --> 01:30:32,390

plane crashed and everyone fell to their

1722

01:30:39,730 --> 01:30:35,120

death you know and it's one of the the

1723

01:30:41,380 --> 01:30:39,740

tragedies I guess of I was gonna say UFO

1724

01:30:43,900 --> 01:30:41,390

research but we can't really blame it on

1725

01:30:46,090 --> 01:30:43,910

well I don't know maybe we we can but

1726

01:30:48,640 --> 01:30:46,100

you know a ladies this has been one of

1727

01:30:52,660 --> 01:30:48,650

the most fabulous shows even our

1728

01:30:55,240 --> 01:30:52,670

producer Tina Marie has chimed in

1729

01:30:56,680 --> 01:30:55,250

it's just been great great information

1730

01:30:58,750 --> 01:30:56,690

here and I do want to give you since we

1731

01:31:01,360 --> 01:30:58,760

only have a few minutes I want to give

1732

01:31:05,500 --> 01:31:01,370

you both the opportunity to tell us

1733

01:31:07,300 --> 01:31:05,510

where people can get your books and what

1734

01:31:10,709 --> 01:31:07,310

you're going to be doing in the future

1735

01:31:13,660 --> 01:31:10,719

so that we can book a return visit now

1736

01:31:17,080 --> 01:31:13,670

why do we start dr. Scott why don't we

1737

01:31:19,560 --> 01:31:17,090

start off with you my book is your host

1738

01:31:23,770 --> 01:31:19,570

today seven years of Wiseman

1739

01:31:28,510 --> 01:31:23,780

misinformation government cover-up and I

1740

01:31:31,330 --> 01:31:28,520

go through the UFO study chronologically

1741

01:31:32,890 --> 01:31:31,340

and as I go through I point out places

1742

01:31:36,459 --> 01:31:32,900

where there was a cover-up from the

1743

01:31:38,020 --> 01:31:36,469

government I have a lot of smoking guns

1744

01:31:40,180 --> 01:31:38,030

like we have some new information on

1745

01:31:42,790 --> 01:31:40,190

Roswell and different things it can be

1746

01:31:44,919 --> 01:31:42,800

ordered from Amazon come it isn't

1747

01:31:48,310 --> 01:31:44,929

published yet but it will be in a week

1748

01:31:53,740 --> 01:31:48,320

or two so it can be pre-ordered from

1749

01:31:57,030 --> 01:31:53,750

Amazon it is a it is a fabulous book I

1750

01:32:00,610 --> 01:31:57,040

highly recommend it as I do the the

1751

01:32:05,890 --> 01:32:00,620

books by our other guests Linda

1752

01:32:09,669 --> 01:32:05,900

Zimmerman anyway up dr. Scott can people

1753

01:32:12,100 --> 01:32:09,679

reach it you have a Facebook page or yes

1754

01:32:16,090 --> 01:32:12,110

I have a Facebook page and I'm working

1755

01:32:18,160 --> 01:32:16,100

on a website but it's not finished yet

1756

01:32:21,520 --> 01:32:18,170

all right but good luck good luck on

1757

01:32:24,130 --> 01:32:21,530

that anyway well we contacted through

1758

01:32:29,220 --> 01:32:24,140

the publisher - yeah yes but also - if

1759

01:32:32,050 --> 01:32:29,230

you go to a que cor but radio.com

1760

01:32:34,390 --> 01:32:32,060

there's a link we have links you know we

1761

01:32:36,610 --> 01:32:34,400

do everything that we can to hook up our

1762

01:32:37,840 --> 01:32:36,620

guests with the people that are

1763

01:32:40,510 --> 01:32:37,850

interested in what they have to say and

1764

01:32:44,560 --> 01:32:40,520

Linda you take it away you have the last

1765

01:32:48,130 --> 01:32:44,570

word tonight oh thank you I have three

1766

01:32:52,270 --> 01:32:48,140

UFO books in the night sky which the

1767

01:32:55,870 --> 01:32:52,280

film was based on and Hudson Valley UFOs

1768

01:32:59,530 --> 01:32:55,880

and just now this month more Hudson

1769

01:33:02,439 --> 01:32:59,540

Valley UFOs they're on Amazon Barnes and

1770

01:33:05,229 --> 01:33:02,449

Noble and just about every eBook format

1771

01:33:06,590 --> 01:33:05,239

known to mankind and if there was a

1772

01:33:09,980 --> 01:33:06,600

bookstore you could probably

1773

01:33:11,630 --> 01:33:09,990

we buy it locally yes you may have to

1774

01:33:15,440 --> 01:33:11,640

order it but they should be any

1775

01:33:21,250 --> 01:33:15,450

bookstore should be able to get it the

1776

01:33:23,570 --> 01:33:21,260

website to go to is go to Zim comm Geo

1777

01:33:30,250 --> 01:33:23,580

toz I am calm

1778

01:33:33,530 --> 01:33:30,260

all of my crazy interests and works are

1779

01:33:36,380 --> 01:33:33,540

are on that site you can link to all of

1780

01:33:38,870 --> 01:33:36,390

them and I have an author Facebook page

1781

01:33:42,200 --> 01:33:38,880

and I'm always happy to hear from people

1782

01:33:44,390 --> 01:33:42,210

especially UFO witnesses how can i how

1783

01:33:48,710 --> 01:33:44,400

about the how about the movie can we see

1784

01:33:53,390 --> 01:33:48,720

it streaming anywhere online ah I

1785

01:33:56,000 --> 01:33:53,400

believe it is on Amazon anywhere I read

1786

01:33:58,430 --> 01:33:56,010

yes I believe right where I saw it it

1787

01:34:01,490 --> 01:33:58,440

right to our it's two hours of the most

1788

01:34:04,670 --> 01:34:01,500

incredible information you will ever

1789

01:34:06,710 --> 01:34:04,680

ever see and I want to thank you both of

1790

01:34:09,710 --> 01:34:06,720

our guests tonight and has been a top

1791

01:34:11,660 --> 01:34:09,720

notch and show the space brothers have

1792

01:34:14,600 --> 01:34:11,670

telepathically told me that they are

1793

01:34:17,150 --> 01:34:14,610

very delighted by the content of the

1794

01:34:21,050 --> 01:34:17,160

program and if all goes well we'll see

1795

01:34:22,640 --> 01:34:21,060

you guys in PI English on the 20th and

1796

01:34:25,340 --> 01:34:22,650

help us get there

1797

01:34:29,030 --> 01:34:25,350

I saucer or by car and good night Tim

1798

01:34:32,560 --> 01:34:29,040

out there in Jasper Indiana and you Tina

1799

01:34:36,200 --> 01:34:32,570

Peter Helen and all our closest
