

EXPLORING THE BIZARRE

RICK HILBERG

DR. IRENA SCOTT

UFOS OVER WASHINGTON DC!

1
00:00:37,440 --> 00:00:21,840

[Music]

2
00:00:46,960 --> 00:00:42,460

explore the bazaar your e-ticket ride is

3
00:00:49,390 --> 00:00:46,970

the world of the paranormal Sofia as we

4
00:00:55,080 --> 00:00:49,400

traverse the universe exploring the

5
00:00:57,490 --> 00:00:55,090

unexplained UFO ghost lost world

6
00:01:01,329 --> 00:00:57,500

cryptozoology as well as other

7
00:01:05,740 --> 00:01:01,339

dimensions it's time to take back the

8
00:01:08,980 --> 00:01:05,750

night last night now your electrifying

9
00:01:14,230 --> 00:01:08,990

hosts of exploring the bizarre Timothy

10
00:01:16,660 --> 00:01:14,240

Begley and teams wars again what five

11
00:01:18,999 --> 00:01:16,670

one five just passing three thousand

12
00:01:22,749 --> 00:01:19,009

three two thousand five hundred on our

13
00:01:28,630 --> 00:01:22,759

left is this is a stationary small white

14

00:01:31,749 --> 00:01:28,640

light ground or no level is that food a

15

00:01:35,760 --> 00:01:31,759

half thousand feet around about what

16

00:01:38,230 --> 00:01:35,770

five hundred we just needed to our level

17

00:01:42,609 --> 00:01:38,240

well there's nothing on radar no

18

00:01:45,370 --> 00:01:42,619

aircraft driver however look outside a

19

00:01:48,249 --> 00:01:45,380

song yeah those looking at it wondering

20

00:01:51,310 --> 00:01:48,259

what it was quite straight but full

21

00:01:53,920 --> 00:01:51,320

quite light seems to be stationary okay

22

00:01:55,600 --> 00:01:53,930

but you didn't shoot any more now those

23

00:01:58,580 --> 00:01:55,610

gone down we just gave the clouds now

24

00:02:02,100 --> 00:01:58,590

but it was just

25

00:02:04,020 --> 00:02:02,110

they they they were all around us I mean

26
00:02:06,480 --> 00:02:04,030
we were picking them up on that on the

27
00:02:08,790 --> 00:02:06,490
radar there was about five or six of

28
00:02:10,580 --> 00:02:08,800
them on on one side of the scope and

29
00:02:13,710 --> 00:02:10,590
then it scanned over to the other side

30
00:02:17,280 --> 00:02:13,720
these are not temperature inversions

31
00:02:19,560 --> 00:02:17,290
you know I'm up here with the control

32
00:02:22,530 --> 00:02:19,570
operators and and we're watching these

33
00:02:24,240 --> 00:02:22,540
things and on the on the radar screen

34
00:02:27,120 --> 00:02:24,250
and I know we sent our planes up to

35
00:02:29,910 --> 00:02:27,130
chase them over the Capitol and this is

36
00:02:32,790 --> 00:02:29,920
this is just fantastic these things are

37
00:02:34,860 --> 00:02:32,800
going right over the White House it's

38
00:02:38,340 --> 00:02:34,870

unbelievable this will go down in

39

00:02:40,170 --> 00:02:38,350

history I'm sure I have a visual

40

00:02:44,550 --> 00:02:40,180

confirmation to him right on the tip of

41

00:02:50,100 --> 00:02:44,560

my wing believe Jill yes I love Tommy

42

00:02:51,600 --> 00:02:50,110

are you going to shoot at it oh no no

43

00:02:54,420 --> 00:02:51,610

don't shoot him that will just make a

44

00:02:56,400 --> 00:02:54,430

man I I would I would then they'll try

45

00:02:58,440 --> 00:02:56,410

to take over the White House and we

46

00:03:04,460 --> 00:02:58,450

certainly wouldn't want them to do that

47

00:03:07,800 --> 00:03:04,470

at this point we are now Tim yeah anyway

48

00:03:09,840 --> 00:03:07,810

enough for this enough enough of this

49

00:03:12,120 --> 00:03:09,850

chatter I guess they call it right yeah

50

00:03:15,449 --> 00:03:12,130

all right but where we're going to get

51
00:03:19,800 --> 00:03:15,459
serious tonight because this is what we

52
00:03:23,009 --> 00:03:19,810
do when we have a program on UFOs

53
00:03:25,819 --> 00:03:23,019
this is nuts and bolts night on the UFO

54
00:03:29,009 --> 00:03:25,829
the history of UFOs part two actually

55
00:03:30,240 --> 00:03:29,019
you might say yeah I think we can a and

56
00:03:33,630 --> 00:03:30,250
we're going to get some really good

57
00:03:38,069 --> 00:03:33,640
information and the reason that we were

58
00:03:43,110 --> 00:03:38,079
up here in the control tower is we're

59
00:03:46,740 --> 00:03:43,120
going to be discussing the 1952 UFO flap

60
00:03:50,009 --> 00:03:46,750
over Washington DC where the most

61
00:03:53,069 --> 00:03:50,019
important and well documented historical

62
00:03:56,009 --> 00:03:53,079
incidents in the whole history of a

63
00:03:58,920 --> 00:03:56,019

flying saucer research so Tim how you

64

00:04:01,259 --> 00:03:58,930

been out there in Jasper Indiana I've

65

00:04:04,759 --> 00:04:01,269

been doing well and you know I'm really

66

00:04:08,520 --> 00:04:04,769

happy that we have with us tonight

67

00:04:10,070 --> 00:04:08,530

dr. Arianna Scott she was gracious

68

00:04:12,610 --> 00:04:10,080

enough to

69

00:04:16,130 --> 00:04:12,620

and so we can continue our conversation

70

00:04:18,590 --> 00:04:16,140

which you and I both agreed the last

71

00:04:22,760 --> 00:04:18,600

time the Chu is on you know we certainly

72

00:04:26,440 --> 00:04:22,770

did not have enough time to talk with

73

00:04:29,240 --> 00:04:26,450

her well I see this as a a three part

74

00:04:33,080 --> 00:04:29,250

project at least I mean we're just

75

00:04:36,080 --> 00:04:33,090

getting into the 1950s and her book is

76

00:04:40,910 --> 00:04:36,090

just absolutely incredible I mean as far

77

00:04:42,980 --> 00:04:40,920

as the detail goes I would say it's one

78

00:04:47,390 --> 00:04:42,990

of the most important if not the most

79

00:04:50,570 --> 00:04:47,400

important historical works out there I

80

00:04:53,960 --> 00:04:50,580

agree I agree I mean it's the book is a

81

00:04:56,660 --> 00:04:53,970

very comprehensive and I mean there's

82

00:04:58,580 --> 00:04:56,670

just you know you open it up to any page

83

00:05:00,290 --> 00:04:58,590

and there'll be something on there that

84

00:05:03,800 --> 00:05:00,300

there you'll say well I didn't know that

85

00:05:07,550 --> 00:05:03,810

and we have a host who have with us this

86

00:05:13,550 --> 00:05:07,560

evening yet did well we also have with

87

00:05:15,520 --> 00:05:13,560

this raquel bird oh my really yes our

88

00:05:19,850 --> 00:05:15,530

good friend Rick who has been on our

89

00:05:22,580 --> 00:05:19,860

show a number of times now and and I

90

00:05:25,190 --> 00:05:22,590

think Tim you you said that Rick

91

00:05:27,590 --> 00:05:25,200

actually contributed the photographs for

92

00:05:30,650 --> 00:05:27,600

dr. Scott well I I believe they have

93

00:05:33,590 --> 00:05:30,660

been that in contact and correspondence

94

00:05:36,050 --> 00:05:33,600

and yes there's any number of pictures

95

00:05:40,540 --> 00:05:36,060

in the the book well we'll have to a ass

96

00:05:43,490 --> 00:05:40,550

Rick just how he has been involved in in

97

00:05:46,670 --> 00:05:43,500

in the in the project and the book's

98

00:05:50,659 --> 00:05:46,680

title it Tim is that dr. Scott has

99

00:05:53,360 --> 00:05:50,669

written it say UFOs today alright well

100

00:05:55,969 --> 00:05:53,370

it's a wonderful book and about years of

101
00:06:01,040 --> 00:05:55,979
Lies disinformation and government

102
00:06:02,510 --> 00:06:01,050
cover-up no 70 years of lies hard to

103
00:06:07,550 --> 00:06:02,520
believe isn't it what would the

104
00:06:13,790 --> 00:06:07,560
government lie to us I ask you whether I

105
00:06:16,520 --> 00:06:13,800
I no wonder I'm at a breath and it's not

106
00:06:19,700 --> 00:06:16,530
just running from the men in black it's

107
00:06:22,279 --> 00:06:19,710
from chasing UFOs and you know you got

108
00:06:24,110 --> 00:06:22,289
to be really a good to chase a UFO

109
00:06:26,980 --> 00:06:24,120
because they could go pretty darn

110
00:06:31,340 --> 00:06:26,990
fast dr. Scott how are you this evening

111
00:06:34,750 --> 00:06:31,350
just fine how are you well I'm living

112
00:06:38,330 --> 00:06:34,760
large right here in Manhattan and

113
00:06:42,860 --> 00:06:38,340

waiting for the saucers to to come over

114

00:06:45,110 --> 00:06:42,870

now when you were on the last time we we

115

00:06:46,820 --> 00:06:45,120

did I think get into the the Roswell

116

00:06:50,330 --> 00:06:46,830

crash and we talk somewhat about the

117

00:06:52,520 --> 00:06:50,340

angel hair but I did we we talked about

118

00:06:53,750 --> 00:06:52,530

it all you know some of the earliest

119

00:06:57,950 --> 00:06:53,760

sightings the one that's always

120

00:07:01,850 --> 00:06:57,960

intrigued me was of course the report by

121

00:07:04,400 --> 00:07:01,860

a captain that Thomas Mantell and then

122

00:07:08,260 --> 00:07:04,410

the subsequent crash of his plane and

123

00:07:10,610 --> 00:07:08,270

has his a death now did you do any

124

00:07:14,120 --> 00:07:10,620

in-depth research on that particular

125

00:07:18,980 --> 00:07:14,130

case uh I don't remember too well I

126

00:07:21,379 --> 00:07:18,990

think I did some and I think I most of

127

00:07:22,850 --> 00:07:21,389

the people thought he was I thought it

128

00:07:27,590 --> 00:07:22,860

was one of the big balloons that they

129

00:07:31,159 --> 00:07:27,600

were sending up then and what he said he

130

00:07:33,230 --> 00:07:31,169

saw a huge object metallic and that

131

00:07:36,950 --> 00:07:33,240

sounds like a balloon but there were

132

00:07:38,930 --> 00:07:36,960

some other reports of somebody in close

133

00:07:43,310 --> 00:07:38,940

to an airfield I forget what airfield

134

00:07:47,180 --> 00:07:43,320

that also saw an object and wondered

135

00:07:51,890 --> 00:07:47,190

about if that were true well now here's

136

00:07:55,040 --> 00:07:51,900

a little bit of information I have had a

137

00:07:58,790 --> 00:07:55,050

heard actual interviews with at least

138

00:08:02,330 --> 00:07:58,800

one member of Captain man tells a family

139

00:08:03,529 --> 00:08:02,340

and they are convinced to this day or to

140

00:08:06,500 --> 00:08:03,539

whatever the interview was conducted

141

00:08:09,500 --> 00:08:06,510

would have been a while ago now that he

142

00:08:14,029 --> 00:08:09,510

had a legitimate encounter with a UFO

143

00:08:16,279 --> 00:08:14,039

that it was not a balloon I mean I guess

144

00:08:18,230 --> 00:08:16,289

the the theory is is that he went up

145

00:08:21,490 --> 00:08:18,240

chasing this balloon and got to such a

146

00:08:24,140 --> 00:08:21,500

high altitude that he ran out of oxygen

147

00:08:27,710 --> 00:08:24,150

yeah that's the that's the normal

148

00:08:30,589 --> 00:08:27,720

explanation Jenny ran out of oxygen and

149

00:08:32,540 --> 00:08:30,599

then crashed but there were there were

150

00:08:35,300 --> 00:08:32,550

other of course this was in the the

151
00:08:37,850 --> 00:08:35,310
early days of the flying saucers

152
00:08:39,680 --> 00:08:37,860
appearing and it did

153
00:08:41,540 --> 00:08:39,690
receive I guess quite a bit of attention

154
00:08:44,810 --> 00:08:41,550
I mean I've seen the newspaper clippings

155
00:08:46,790 --> 00:08:44,820
from that period and there were any

156
00:08:50,329 --> 00:08:46,800
number of other reports that were coming

157
00:08:52,370 --> 00:08:50,339
in from around the country but I did

158
00:08:56,090 --> 00:08:52,380
want a Center at least the beginning of

159
00:08:58,730 --> 00:08:56,100
our conversation on the washington d.c

160
00:09:01,130 --> 00:08:58,740
if flat can can you give us a little bit

161
00:09:06,819 --> 00:09:01,140
of information how did that exactly get

162
00:09:10,670 --> 00:09:06,829
the going what happened was is that it

163
00:09:15,800 --> 00:09:10,680

involved UFOs actual relations capital

164

00:09:20,509 --> 00:09:15,810

which is a major thing and it in July

165

00:09:23,360 --> 00:09:20,519

1952 they had visual and radar based

166

00:09:27,079 --> 00:09:23,370

sightings that occurring in the

167

00:09:29,630 --> 00:09:27,089

Washington DC area including a national

168

00:09:33,769 --> 00:09:29,640

the Washington National Airport and

169

00:09:36,800 --> 00:09:33,779

Andrews Air Force Base these of course

170

00:09:39,650 --> 00:09:36,810

led the security concerns because the

171

00:09:43,600 --> 00:09:39,660

UFOs ignored restricted areas such as

172

00:09:47,769 --> 00:09:43,610

the White House and flew right over and

173

00:09:51,829 --> 00:09:47,779

this made the authorities pretty nervous

174

00:09:58,310 --> 00:09:51,839

although he didn't exactly act like it

175

00:10:01,009 --> 00:09:58,320

in public and how many how many times

176

00:10:05,019 --> 00:10:01,019

did they appear over the the area over

177

00:10:08,660 --> 00:10:05,029

the DC area there were a number of

178

00:10:11,540 --> 00:10:08,670

objects and so I don't know I think they

179

00:10:14,540 --> 00:10:11,550

appeared on one night over Washington

180

00:10:17,509 --> 00:10:14,550

area and then they appeared over another

181

00:10:19,759 --> 00:10:17,519

airport and they appeared back to

182

00:10:24,139 --> 00:10:19,769

Washington but there was another night

183

00:10:28,220 --> 00:10:24,149

that some appeared also the first ones

184

00:10:33,340 --> 00:10:28,230

were July 19 mmm now where there are

185

00:10:37,880 --> 00:10:33,350

visual sightings as well as the radar

186

00:10:41,420 --> 00:10:37,890

reports yes there were and I think one

187

00:10:44,449 --> 00:10:41,430

pilot reported that an object follow

188

00:10:50,120 --> 00:10:44,459

this plane I think there are several

189

00:10:51,060 --> 00:10:50,130

visual sightings and some of the pilots

190

00:10:54,660 --> 00:10:51,070

who

191

00:11:00,829 --> 00:10:54,670

don't really want to report UFOs did

192

00:11:03,629 --> 00:11:00,839

that night and one followed a pilot and

193

00:11:08,879 --> 00:11:03,639

what were what were their descriptions

194

00:11:11,579 --> 00:11:08,889

of the objects as I remember I think

195

00:11:15,329 --> 00:11:11,589

they were just objects I don't think

196

00:11:19,829 --> 00:11:15,339

anybody saw like a fuselage or anything

197

00:11:22,110 --> 00:11:19,839

like that on I had the impression they

198

00:11:25,949 --> 00:11:22,120

were maybe orange but I don't remember

199

00:11:29,699 --> 00:11:25,959

yes I know and about what time it was

200

00:11:31,110 --> 00:11:29,709

this was just like after after sunset

201
00:11:34,470 --> 00:11:31,120
after dusk

202
00:11:41,850 --> 00:11:34,480
it was 11:40 apparently oh my goodness

203
00:11:44,129 --> 00:11:41,860
our first one and how long were where

204
00:11:46,710 --> 00:11:44,139
they especially visible but how long

205
00:11:51,480 --> 00:11:46,720
were they I guess visible as well as

206
00:11:56,939 --> 00:11:51,490
being picked up on radar I think it

207
00:12:04,100 --> 00:11:56,949
lasted for some time they showed on

208
00:12:09,920 --> 00:12:04,110
radar three different facilities and

209
00:12:13,139 --> 00:12:09,930
under Andrews radio radio beacon radio

210
00:12:16,620 --> 00:12:13,149
now uh I've said there's one of the the

211
00:12:20,790 --> 00:12:16,630
best them UFO documentaries and you

212
00:12:24,809 --> 00:12:20,800
would probably agree was the UFO movie

213
00:12:26,670 --> 00:12:24,819

that was made in 1956 and that has a

214

00:12:30,689 --> 00:12:26,680

whole sequence of course without chopped

215

00:12:35,550 --> 00:12:30,699

and repelled and all uh discussing this

216

00:12:38,189 --> 00:12:35,560

and re-enacting the events that went on

217

00:12:41,220 --> 00:12:38,199

so okay that was the you pretty much

218

00:12:44,309 --> 00:12:41,230

described the the first night what was

219

00:12:47,639 --> 00:12:44,319

the attitude of the I mean did the

220

00:12:49,199 --> 00:12:47,649

government did they consults that dr.

221

00:12:51,269 --> 00:12:49,209

Hynek obviously wasn't around at that

222

00:12:53,280 --> 00:12:51,279

point I don't think but did they consult

223

00:12:56,100 --> 00:12:53,290

the experts to see what these objects

224

00:12:58,829 --> 00:12:56,110

might have been well one thing I'd like

225

00:13:01,139 --> 00:12:58,839

to note about that was is that it took

226

00:13:03,569 --> 00:13:01,149

them you'd expect them to be real

227

00:13:04,530 --> 00:13:03,579

concerned about that and to get the Jets

228

00:13:06,450 --> 00:13:04,540

up and

229

00:13:10,140 --> 00:13:06,460

took them quite a while before they got

230

00:13:12,330 --> 00:13:10,150

before they had to jets come up like it

231

00:13:17,160 --> 00:13:12,340

was almost morning and it was very

232

00:13:24,060 --> 00:13:17,170

surprising that they didn't get them up

233

00:13:25,770 --> 00:13:24,070

right after it happened do you think

234

00:13:29,040 --> 00:13:25,780

they might have known about this in

235

00:13:30,780 --> 00:13:29,050

advance what made me wonder because I

236

00:13:36,060 --> 00:13:30,790

thought they should start investigating

237

00:13:38,460 --> 00:13:36,070

pretty fast than they didn't so it took

238

00:13:40,770 --> 00:13:38,470

a while for the the cover-up kind of do

239

00:13:43,170 --> 00:13:40,780

to start taking hold

240

00:13:47,400 --> 00:13:43,180

yeah I think they saw him at around

241

00:13:49,950 --> 00:13:47,410

11:30 and finally around daybreak two

242

00:13:53,040 --> 00:13:49,960

fighter jets arrived from Newcastle

243

00:13:56,750 --> 00:13:53,050

Air Force Base and by then the UFOs were

244

00:14:00,270 --> 00:13:56,760

gone that could cover up to me

245

00:14:04,410 --> 00:14:00,280

sacredness they weren't to Russians yeah

246

00:14:07,200 --> 00:14:04,420

yeah yeah I guess what we okay so that

247

00:14:10,110 --> 00:14:07,210

was the first night now then they did

248

00:14:11,610 --> 00:14:10,120

return a you say a week a week later was

249

00:14:13,080 --> 00:14:11,620

it around the same time I mean why are

250

00:14:17,220 --> 00:14:13,090

we talking about a Friday or Saturday

251
00:14:20,040 --> 00:14:17,230
night July 26th and this was apparently

252
00:14:23,760 --> 00:14:20,050
at 8:15 which was earlier or earlier

253
00:14:29,220 --> 00:14:23,770
uh-huh and and was this a visual as well

254
00:14:31,820 --> 00:14:29,230
as a radar I think so

255
00:14:35,160 --> 00:14:31,830
they had it on the radar screens and

256
00:14:42,240 --> 00:14:35,170
some of the pilots and ground people

257
00:14:44,490 --> 00:14:42,250
confirmed the sightings now they did say

258
00:14:47,310 --> 00:14:44,500
I think it at one point or at least in

259
00:14:50,210 --> 00:14:47,320
the in the the movie I don't know how

260
00:14:53,370 --> 00:14:50,220
long after the actual incident this was

261
00:14:56,880 --> 00:14:53,380
they did say that the objects were

262
00:14:59,610 --> 00:14:56,890
nothing more than what were they had

263
00:15:02,400 --> 00:14:59,620

temperature inversions that's what they

264

00:15:05,250 --> 00:15:02,410

said and that seemed kind of weird

265

00:15:07,830 --> 00:15:05,260

because like in Ohio right here we've

266

00:15:10,320 --> 00:15:07,840

had temperature inversion was we had one

267

00:15:14,460 --> 00:15:10,330

that lasted several days and there was

268

00:15:17,250 --> 00:15:14,470

this horrible smell all over over the

269

00:15:18,340 --> 00:15:17,260

Central Ohio but nobody saw anything

270

00:15:20,230 --> 00:15:18,350

weird in the sky

271

00:15:22,810 --> 00:15:20,240

I know I was and I was just going to say

272

00:15:26,650 --> 00:15:22,820

is it possible that a temperature

273

00:15:29,680 --> 00:15:26,660

inversion could out chase a plane or go

274

00:15:33,520 --> 00:15:29,690

faster than a plane I mean wouldn't they

275

00:15:36,330 --> 00:15:33,530

pretty much be on the on the radar scope

276

00:15:38,470 --> 00:15:36,340

at one point and stay there and not be

277

00:15:40,840 --> 00:15:38,480

well they probably wouldn't be

278

00:15:43,510 --> 00:15:40,850

noticeable if you were a pilot up in the

279

00:15:44,980 --> 00:15:43,520

air right I mean I don't think you can

280

00:15:46,840 --> 00:15:44,990

combine the two to go I don't know I've

281

00:15:48,280 --> 00:15:46,850

never I've never had the privilege of

282

00:15:53,020 --> 00:15:48,290

seeing a temperature inversion that I

283

00:15:56,740 --> 00:15:53,030

know of Meli atmospheric science there's

284

00:16:01,000 --> 00:15:56,750

James McDonald who is a PhD and he

285

00:16:04,390 --> 00:16:01,010

rejected this Turkish third theory : but

286

00:16:07,350 --> 00:16:04,400

I would I think they were saying the

287

00:16:09,880 --> 00:16:07,360

temperature inversions were reflecting

288

00:16:12,460 --> 00:16:09,890

traffic maybe I mean that's the only

289

00:16:14,530 --> 00:16:12,470
hearing capsule yeah I'll do that

290

00:16:17,280 --> 00:16:14,540
and traffic when we following airplanes

291

00:16:20,170 --> 00:16:17,290
and things so didn't seem quite right

292

00:16:23,380 --> 00:16:20,180
well I know there's a rather famous a

293

00:16:24,970 --> 00:16:23,390
photograph of the the Capitol the

294

00:16:29,740 --> 00:16:24,980
building of the White House which shows

295

00:16:33,010 --> 00:16:29,750
a flotilla that's a good way of objects

296

00:16:34,720 --> 00:16:33,020
of passing by in the sky but I guess

297

00:16:37,630 --> 00:16:34,730
some people believe that that's a

298

00:16:39,160 --> 00:16:37,640
reflection of the lights from down on

299

00:16:41,980 --> 00:16:39,170
the ground which it may be I don't know

300

00:16:42,810 --> 00:16:41,990
I Rick have you do you know about that

301

00:16:45,430 --> 00:16:42,820

photograph

302

00:16:47,470 --> 00:16:45,440

yeah that's best photos been around for

303

00:16:49,570 --> 00:16:47,480

a long time and I think it yes pretty

304

00:16:50,980 --> 00:16:49,580

much it was some sort of it was taken

305

00:16:53,500 --> 00:16:50,990

through a window or something there was

306

00:16:56,080 --> 00:16:53,510

some sort of interior lights reflected

307

00:16:58,510 --> 00:16:56,090

or something of that sort yeah and and

308

00:17:02,470 --> 00:16:58,520

it some people claimed he was taken on

309

00:17:04,960 --> 00:17:02,480

either July 20th of July 26 252 but I

310

00:17:07,360 --> 00:17:04,970

think it was actually taken at a much

311

00:17:09,760 --> 00:17:07,370

later date and you know people try to

312

00:17:12,490 --> 00:17:09,770

pass it off as being from you know that

313

00:17:16,060 --> 00:17:12,500

particular incident yes but we know were

314

00:17:18,580 --> 00:17:16,070

a lot of it yeah you know recently there

315

00:17:20,920 --> 00:17:18,590

was a mysterious red light that was

316

00:17:23,950 --> 00:17:20,930

associated with the White House that's

317

00:17:25,870 --> 00:17:23,960

been seen blinking in one of the back

318

00:17:29,140 --> 00:17:25,880

windows or something so perhaps one of

319

00:17:33,419 --> 00:17:29,150

those pesky little orbs had got in there

320

00:17:38,710 --> 00:17:35,590

b-but there have been there had been

321

00:17:41,680 --> 00:17:38,720

visual sightings of UFOs over Washington

322

00:17:43,090 --> 00:17:41,690

that year I mean that started as early

323

00:17:47,830 --> 00:17:43,100

I think the reports were starting to

324

00:17:49,840 --> 00:17:47,840

come in around in May so I mean this and

325

00:17:53,950 --> 00:17:49,850

you know considering you're talking

326

00:17:56,169 --> 00:17:53,960

about how slow the reaction was to get

327

00:17:58,510 --> 00:17:56,179

the Jets out you know it seems funny

328

00:18:01,060 --> 00:17:58,520

that everyone seemed to act like that

329

00:18:03,220 --> 00:18:01,070

they were totally unprepared when these

330

00:18:06,430 --> 00:18:03,230

crafts started really flying over

331

00:18:08,409 --> 00:18:06,440

restricted airspace or wouldn't take

332

00:18:11,549 --> 00:18:08,419

them that long to get the Jets up you

333

00:18:13,960 --> 00:18:11,559

know it's a restricted airspace well

334

00:18:17,039 --> 00:18:13,970

part of the problem part of the problem

335

00:18:19,570 --> 00:18:17,049

was that Andrews was having its runways

336

00:18:22,270 --> 00:18:19,580

resurfaced at the time and as Irena

337

00:18:25,750 --> 00:18:22,280

pointed out they did they did come from

338

00:18:28,690 --> 00:18:25,760

New Castle Delaware so there was a

339

00:18:30,880 --> 00:18:28,700

certain amount of lag time involved in

340

00:18:32,799 --> 00:18:30,890

that and I think you know what just

341

00:18:35,230 --> 00:18:32,809

happened was see the air traffic

342

00:18:38,260 --> 00:18:35,240

controllers and you know we're just kind

343

00:18:40,659 --> 00:18:38,270

of flabbergasted by these images on the

344

00:18:44,020 --> 00:18:40,669

radar screens and Andrews at at national

345

00:18:46,060 --> 00:18:44,030

and I think that maybe part of the

346

00:18:48,250 --> 00:18:46,070

problem was you know who has the

347

00:18:50,470 --> 00:18:48,260

authority to you know to call for a

348

00:18:53,409 --> 00:18:50,480

scramble so that may be part of it too

349

00:18:56,950 --> 00:18:53,419

so I think that it's just a combination

350

00:19:00,789 --> 00:18:56,960

of things and as Tim pointed out Tim

351
00:19:04,150 --> 00:19:00,799
asked that there were indeed a number of

352
00:19:06,190 --> 00:19:04,160
other pilots who were in the DC area at

353
00:19:08,169 --> 00:19:06,200
the time near Washington and you know

354
00:19:11,020 --> 00:19:08,179
and holding traffic patterns or whatever

355
00:19:13,990 --> 00:19:11,030
who actually did spot the the lysis did

356
00:19:16,750 --> 00:19:14,000
I think was Air Force Lieutenant William

357
00:19:20,530 --> 00:19:16,760
Paterson and that was kind of dramatized

358
00:19:23,260 --> 00:19:20,540
overly in that 56 you know documentary

359
00:19:26,590 --> 00:19:23,270
UFO and actually one of the trivia

360
00:19:29,200 --> 00:19:26,600
questions is Harry Morgan who played on

361
00:19:32,049 --> 00:19:29,210
Nash captain Potter actually did the

362
00:19:36,070 --> 00:19:32,059
voice of the Patterson in the in the

363
00:19:41,080 --> 00:19:36,080

movie well now there's also an

364

00:19:42,700 --> 00:19:41,090

interesting incident that took place we

365

00:19:45,049 --> 00:19:42,710

published a book some years ago by

366

00:19:50,060 --> 00:19:45,059

Captain Alvin

367

00:19:52,369 --> 00:19:50,070

more now he lived in the outskirts of DC

368

00:19:55,610 --> 00:19:52,379

you know in Virginia somewhere and he

369

00:19:58,039 --> 00:19:55,620

claims that there that the one of the

370

00:20:01,159 --> 00:19:58,049

objects was actually shot at and that

371

00:20:04,789 --> 00:20:01,169

fragments from the craft fell in his

372

00:20:07,580 --> 00:20:04,799

backyard well he was at the mill he was

373

00:20:10,759 --> 00:20:07,590

in the the I think the CIA at the the

374

00:20:13,820 --> 00:20:10,769

time he took the fragments and for

375

00:20:18,889 --> 00:20:13,830

security purposes and for safekeeping he

376

00:20:22,399 --> 00:20:18,899

put them in a secure safe either in his

377

00:20:24,320 --> 00:20:22,409

home or in his office but later a few

378

00:20:28,389 --> 00:20:24,330

days later when he went to retrieve them

379

00:20:31,430 --> 00:20:28,399

they were gone and he claims that nobody

380

00:20:35,060 --> 00:20:31,440

had the combination to the safe and it

381

00:20:38,109 --> 00:20:35,070

doesn't look like it was you know like a

382

00:20:41,119 --> 00:20:38,119

cracked in the sense you know a

383

00:20:43,999 --> 00:20:41,129

safecracker getting into the into the

384

00:20:48,739 --> 00:20:44,009

fall so that's a kind of a mysterious

385

00:20:52,789 --> 00:20:48,749

side bar on this incident but there have

386

00:20:56,119 --> 00:20:52,799

if you point out that Tim quite a few

387

00:20:58,609 --> 00:20:56,129

sightings over Washington DC over the

388

00:21:02,359 --> 00:20:58,619

years I I wouldn't say it's a great

389

00:21:07,039 --> 00:21:02,369

window area but I remember I interviewed

390

00:21:09,619 --> 00:21:07,049

a lady wrote it up for Saga magazine

391

00:21:11,210 --> 00:21:09,629

the UFO base that was 40 miles from the

392

00:21:14,080 --> 00:21:11,220

White House she had all kinds of

393

00:21:18,350 --> 00:21:14,090

incredible you know experiences

394

00:21:22,159 --> 00:21:18,360

associated with the DC area and then

395

00:21:25,519 --> 00:21:22,169

remember we have a tape an interview

396

00:21:28,279 --> 00:21:25,529

that I did that's posted up on the mr.

397

00:21:31,820 --> 00:21:28,289

UFO secret files on YouTube with the

398

00:21:37,960 --> 00:21:31,830

Paul Dickey and Paul Dickey was a manga

399

00:21:41,570 --> 00:21:37,970

I think eight other government employees

400

00:21:44,269 --> 00:21:41,580

who were watching the the flight of a

401
00:21:46,279 --> 00:21:44,279
couple of objects from their office

402
00:21:49,220 --> 00:21:46,289
window I don't think it was inside the

403
00:21:52,519 --> 00:21:49,230
Pentagon but you know we're nearby there

404
00:21:55,279 --> 00:21:52,529
in Capitol Hill so there have been other

405
00:21:57,259 --> 00:21:55,289
sightings you know it's not you say

406
00:21:58,970 --> 00:21:57,269
restricted area but I guess as far as

407
00:22:02,870 --> 00:21:58,980
UFOs ago

408
00:22:06,470 --> 00:22:02,880
it's not quite that restricted for our

409
00:22:11,320 --> 00:22:06,480
space brothers in thing if they want to

410
00:22:15,440 --> 00:22:11,330
appear in the the sky there but now 1952

411
00:22:18,230 --> 00:22:15,450
arena was the certainly the height

412
00:22:20,060 --> 00:22:18,240
wasn't that the the most UFO activity of

413
00:22:24,140 --> 00:22:20,070

any a year or certainly up to that point

414

00:22:27,130 --> 00:22:24,150

but maybe even since then 1952 I was

415

00:22:31,430 --> 00:22:27,140

thinking there was more several days in

416

00:22:34,730 --> 00:22:31,440

1973 so I'm not sure there was a lot of

417

00:22:36,350 --> 00:22:34,740

activity around that time to and and

418

00:22:38,930 --> 00:22:36,360

what were some of the other reports that

419

00:22:42,640 --> 00:22:38,940

came in around though the the the 50s

420

00:22:44,720 --> 00:22:42,650

that you discuss in your in your work

421

00:22:47,360 --> 00:22:44,730

well another thing I wanted to mention

422

00:22:54,080 --> 00:22:47,370

about that one was that I interviewed

423

00:22:57,860 --> 00:22:54,090

somebody whose father-in-law was a pilot

424

00:23:01,400 --> 00:22:57,870

in her first husband's father was a

425

00:23:09,500 --> 00:23:01,410

pilot who was scrambled to chase see

426
00:23:11,600 --> 00:23:09,510
Washington UFOs and he she thought he

427
00:23:16,340 --> 00:23:11,610
was a second one behind the leaked lead

428
00:23:19,070 --> 00:23:16,350
pilot and she recalled they talked to

429
00:23:20,720 --> 00:23:19,080
the family from time to time and he was

430
00:23:23,810 --> 00:23:20,730
upset because the government hadn't

431
00:23:24,980 --> 00:23:23,820
briefed him and the other pilots and

432
00:23:29,740 --> 00:23:24,990
they thought they were going after

433
00:23:33,830 --> 00:23:29,750
Soviet planes invading the US airspace

434
00:23:36,590 --> 00:23:33,840
when he when they saw these um euros

435
00:23:39,200 --> 00:23:36,600
over Washington I guess what he died the

436
00:23:41,420 --> 00:23:39,210
government came in went very small ooh

437
00:23:42,800 --> 00:23:41,430
all right when you dinner up to here

438
00:23:44,240 --> 00:23:42,810

because we're it's time for our bottom

439

00:23:48,029 --> 00:23:44,250

of the hour break when we come back

440

00:23:54,049 --> 00:23:48,039

we'll continue with more on exploring

441

00:23:56,849 --> 00:23:54,059

are now that to explore in the bazaar

442

00:23:59,599 --> 00:23:56,859

with two of the most under fire

443

00:24:06,210 --> 00:23:59,609

researchers with harriel your host

444

00:24:08,369 --> 00:24:06,220

Timothy Becky Lee panting Swartz and

445

00:24:11,519 --> 00:24:08,379

welcome back to exploring bizarre tim

446

00:24:14,820 --> 00:24:11,529

schwartz tonight we are talking with dr.

447

00:24:18,719 --> 00:24:14,830

irina scott and mr. Rick hilberg about

448

00:24:22,879 --> 00:24:18,729

the history of UFOs and I think I think

449

00:24:28,469 --> 00:24:22,889

Tim we we left off with dr. Scott

450

00:24:31,289 --> 00:24:28,479

describing a pilots family who though

451

00:24:33,989 --> 00:24:31,299

pilot had been volved with the the the

452

00:24:36,269 --> 00:24:33,999

Washington UFO case and you know dr.

453

00:24:37,950 --> 00:24:36,279

Scott II would like to continue or

454

00:24:40,379 --> 00:24:37,960

thought before you were so rudely

455

00:24:46,249 --> 00:24:40,389

interrupted by our bottom of the hour

456

00:24:51,799 --> 00:24:46,259

break uh okay

457

00:24:55,739 --> 00:24:51,809

this was somebody I interviewed and her

458

00:25:01,649 --> 00:24:55,749

father-in-law from her first husband was

459

00:25:03,899 --> 00:25:01,659

a colonel lieutenant colonel who was one

460

00:25:05,729 --> 00:25:03,909

of the who he told her was one of the

461

00:25:08,519 --> 00:25:05,739

pilots that chased the Washington and

462

00:25:11,009 --> 00:25:08,529

UFOs and she also thought he'd worked

463

00:25:15,570 --> 00:25:11,019

for Project Blue Book she thought he was

464

00:25:17,339 --> 00:25:15,580

a second behind a lead pilot and she

465

00:25:20,700 --> 00:25:17,349

said that when he talked to his family

466

00:25:23,580 --> 00:25:20,710

he had been upset because the government

467

00:25:26,129 --> 00:25:23,590

hadn't briefed him and his fellow pilots

468

00:25:28,680 --> 00:25:26,139

about UFOs and the pilots thought they

469

00:25:33,690 --> 00:25:28,690

were going after Soviet planes invading

470

00:25:42,899 --> 00:25:33,700

us US airspace and then what he died I

471

00:25:45,719 --> 00:25:42,909

guess the CIA came in and cordon off his

472

00:25:48,629 --> 00:25:45,729

house and look through his old files he

473

00:25:53,810 --> 00:25:48,639

had written some papers to I don't

474

00:25:57,779 --> 00:25:53,820

remember right now about UFOs in public

475

00:25:58,950 --> 00:25:57,789

when I once again though we see this you

476

00:26:01,290 --> 00:25:58,960

know the

477

00:26:02,940 --> 00:26:01,300

the government the military and you know

478

00:26:06,330 --> 00:26:02,950

the intelligence services all denied

479

00:26:08,910 --> 00:26:06,340

that they have any interest in UFOs yet

480

00:26:12,650 --> 00:26:08,920

time and time again we see just these

481

00:26:16,890 --> 00:26:12,660

types of cases where they swoop in and

482

00:26:18,540 --> 00:26:16,900

try to grab paperwork that you know

483

00:26:22,290 --> 00:26:18,550

maybe witnesses especially military

484

00:26:24,420 --> 00:26:22,300

witnesses have put together or you know

485

00:26:28,920 --> 00:26:24,430

told family members to you know shut the

486

00:26:32,400 --> 00:26:28,930

hell up so you know it's I suppose it's

487

00:26:35,940 --> 00:26:32,410

to the public now they say Oh up you

488

00:26:38,720 --> 00:26:35,950

know UFOs know no interest no threat to

489

00:26:40,920 --> 00:26:38,730

security but then on the other side

490

00:26:44,220 --> 00:26:40,930

they're very very interested

491

00:26:47,400 --> 00:26:44,230

well there were awful quite a number of

492

00:26:50,760 --> 00:26:47,410

cases I think around that the early

493

00:26:52,500 --> 00:26:50,770

1950s involving pilots I think Rick

494

00:26:55,320 --> 00:26:52,510

weren't you saying it during the break

495

00:26:57,050 --> 00:26:55,330

that you knew about quite a number of

496

00:26:59,790 --> 00:26:57,060

them and you pointed out that we had a

497

00:27:02,310 --> 00:26:59,800

one of the early pilots to speak at a

498

00:27:06,150 --> 00:27:02,320

UFO conference that I co-sponsored with

499

00:27:08,910 --> 00:27:06,160

Jim Mosely in Miami many many years ago

500

00:27:12,390 --> 00:27:08,920

what year was that anyway I was banking

501
00:27:14,730 --> 00:27:12,400
92 way back then but this yeah the

502
00:27:16,250 --> 00:27:14,740
fellows name was William Dean Ashe and

503
00:27:20,370 --> 00:27:16,260
this is a famous Nash and Fortenberry

504
00:27:23,340 --> 00:27:20,380
incident this happened on July 14th they

505
00:27:26,010 --> 00:27:23,350
were flying a DC 4 airliner on they were

506
00:27:27,780 --> 00:27:26,020
porch approaching Norfolk Virginia they

507
00:27:30,300 --> 00:27:27,790
were headed curiously enough to Miami

508
00:27:32,550 --> 00:27:30,310
and when they did both the pilot and

509
00:27:36,480 --> 00:27:32,560
co-pilot noticed the six bright objects

510
00:27:38,820 --> 00:27:36,490
that were moving towards the plane they

511
00:27:40,770 --> 00:27:38,830
said that their shape was basically

512
00:27:42,990 --> 00:27:40,780
circular and they were flying in line

513
00:27:45,240 --> 00:27:43,000

and they both thought that they were

514

00:27:48,780 --> 00:27:45,250

about a hundred feet in diameter well

515

00:27:50,700 --> 00:27:48,790

you know they were you know still in the

516

00:27:53,910 --> 00:27:50,710

air the the objects flew but you know

517

00:27:56,490 --> 00:27:53,920

like directly underneath the plane and

518

00:27:59,670 --> 00:27:56,500

they the pilot and co-pilot Nash before

519

00:28:02,310 --> 00:27:59,680

Barry saw him flip on edge in unison and

520

00:28:04,350 --> 00:28:02,320

then they were joined by two more

521

00:28:07,440 --> 00:28:04,360

similar objects that streaked in from

522

00:28:09,660 --> 00:28:07,450

the from the east and then all eight of

523

00:28:11,640 --> 00:28:09,670

them you know sped away and they started

524

00:28:12,010 --> 00:28:11,650

blinking out in the sequential order and

525

00:28:16,120 --> 00:28:12,020

they were

526

00:28:20,920 --> 00:28:16,130

on and I think the impression I get from

527

00:28:23,470 --> 00:28:20,930

from listening to Nash was that you know

528

00:28:24,610 --> 00:28:23,480

the well it was reported in the press

529

00:28:28,180 --> 00:28:24,620

and everything

530

00:28:29,890 --> 00:28:28,190

the airline I could get what I think I

531

00:28:32,950 --> 00:28:29,900

don't know if they were America I think

532

00:28:35,080 --> 00:28:32,960

American Airlines yeah yeah and I think

533

00:28:36,970 --> 00:28:35,090

the company puts some pressure on them

534

00:28:39,310 --> 00:28:36,980

you know not to really talk about this

535

00:28:42,400 --> 00:28:39,320

too much yet and that seems to be the

536

00:28:44,410 --> 00:28:42,410

key to the whole you know why don't I

537

00:28:47,080 --> 00:28:44,420

'let's airline pilots report these will

538

00:28:48,930 --> 00:28:47,090

they do but the airline put puts

539

00:28:52,000 --> 00:28:48,940

pressure on them not to make it public

540

00:28:54,940 --> 00:28:52,010

there how no how about you must have

541

00:28:57,130 --> 00:28:54,950

heard on the the news that the you know

542

00:29:00,010 --> 00:28:57,140

the Phoenix at lights there was a report

543

00:29:02,170 --> 00:29:00,020

for a long time that a pilot had seen it

544

00:29:05,920 --> 00:29:02,180

he was coming in to land it turned out

545

00:29:08,800 --> 00:29:05,930

it was Kurt Russell the the actor mmm I

546

00:29:10,060 --> 00:29:08,810

heard about oh yeah yeah yeah it I heard

547

00:29:14,380 --> 00:29:10,070

the actual interview that he did with

548

00:29:15,880 --> 00:29:14,390

some British radio station you know I

549

00:29:19,000 --> 00:29:15,890

mean he happened to mention it in

550

00:29:22,030 --> 00:29:19,010

passing it wasn't a UFO or a paranormal

551
00:29:23,650 --> 00:29:22,040
show but he yeah he said he was the the

552
00:29:26,610 --> 00:29:23,660
pilot was coming in and here is this

553
00:29:32,170 --> 00:29:26,620
thing you know above him and it was

554
00:29:34,540 --> 00:29:32,180
gigantic and it indeed it was but they

555
00:29:36,940 --> 00:29:34,550
were there were quite a few up now I'm

556
00:29:39,520 --> 00:29:36,950
trying to remember a Rick I remember

557
00:29:41,440 --> 00:29:39,530
there's a cover of Ray Palmer's flying

558
00:29:43,390 --> 00:29:41,450
saucers magazine when it was a digest

559
00:29:45,760 --> 00:29:43,400
and there were two part there were two

560
00:29:48,000 --> 00:29:45,770
pilots on the cover and I think a

561
00:29:52,360 --> 00:29:48,010
stewardess does that ring a bell

562
00:29:57,190 --> 00:29:52,370
yes yes now that was that was back in 47

563
00:30:00,340 --> 00:29:57,200

that was oh gosh William B Smith was the

564

00:30:02,740 --> 00:30:00,350

pilot I can't forget that the co-pilot

565

00:30:07,060 --> 00:30:02,750

this was right after the Kenneth Arnold

566

00:30:08,830 --> 00:30:07,070

sighting on June 24th um yeah

567

00:30:11,920 --> 00:30:08,840

Smith they were taking off from

568

00:30:14,500 --> 00:30:11,930

somewhere in the Midwest and they they

569

00:30:16,360 --> 00:30:14,510

saw this large disc-shaped object you

570

00:30:19,120 --> 00:30:16,370

know in the in the air they're flying

571

00:30:21,970 --> 00:30:19,130

towards it and they were they were

572

00:30:24,370 --> 00:30:21,980

showing the photograph with like a disc

573

00:30:25,049 --> 00:30:24,380

in hand in the studio the stewardess was

574

00:30:26,940 --> 00:30:25,059

there and the

575

00:30:28,860 --> 00:30:26,950

they were just you know showing it

576

00:30:31,289 --> 00:30:28,870

pointing to the disk that's what they

577

00:30:33,749 --> 00:30:31,299

saw and I guess maybe even a passenger

578

00:30:35,820 --> 00:30:33,759

to Sun I can't believe so yes yes I

579

00:30:37,950 --> 00:30:35,830

believe so yeah I think it was in July I

580

00:30:41,330 --> 00:30:37,960

think it was in July maybe early July

581

00:30:43,350 --> 00:30:41,340

July 2nd or something like that a 47

582

00:30:45,119 --> 00:30:43,360

well I remember that they were there

583

00:30:49,350 --> 00:30:45,129

were quite a few pilot reports around

584

00:30:52,169 --> 00:30:49,360

that time now you know what has also

585

00:30:55,169 --> 00:30:52,179

intrigued me and dr. scribed did you

586

00:30:56,970 --> 00:30:55,179

investigate any of the e/m cases you

587

00:31:04,350 --> 00:30:56,980

know where the automobiles and almost

588

00:31:06,419 --> 00:31:04,360

were stalled uh such as um compasses or

589

00:31:08,909 --> 00:31:06,429

what well if there were automobile

590

00:31:12,389 --> 00:31:08,919

engines remember told me now yeah yeah

591

00:31:17,399 --> 00:31:12,399

this was um I think it was a level one

592

00:31:21,600 --> 00:31:17,409

case level in Diaz and on November the

593

00:31:23,999 --> 00:31:21,610

3rd 1957 they authorities received

594

00:31:30,210 --> 00:31:24,009

reports of one or several large

595

00:31:34,409 --> 00:31:30,220

UFOs in level in Texas and people in the

596

00:31:38,159 --> 00:31:34,419

area so ready sir blue screen objects

597

00:31:40,369 --> 00:31:38,169

they stopped by roadways and they would

598

00:31:43,159 --> 00:31:40,379

suddenly be part but they caused

599

00:31:46,369 --> 00:31:43,169

electromagnetic effects on vehicles and

600

00:31:49,019 --> 00:31:46,379

cars would not function properly

601
00:31:51,960 --> 00:31:49,029
sometimes the engine I had like tonight

602
00:31:56,730 --> 00:31:51,970
turned off or the engine can be

603
00:31:59,940 --> 00:31:56,740
restarted and I remember several um

604
00:32:01,560 --> 00:31:59,950
one of them was pulsing and it seemed

605
00:32:03,600 --> 00:32:01,570
like every time it would pulse li

606
00:32:04,919 --> 00:32:03,610
headlights of a car went off or

607
00:32:09,269 --> 00:32:04,929
something and there were just a number

608
00:32:14,249 --> 00:32:09,279
of reports in that same area of Texas

609
00:32:17,190 --> 00:32:14,259
and it included a sheriff and various

610
00:32:20,129 --> 00:32:17,200
other people right I think the Mexico

611
00:32:25,019 --> 00:32:20,139
two had some cases along that line just

612
00:32:28,950 --> 00:32:25,029
around that period as as well but now it

613
00:32:31,169 --> 00:32:28,960

didn't examine the the engines of the

614

00:32:34,580 --> 00:32:31,179

car the vehicles themselves later on and

615

00:32:37,500 --> 00:32:34,590

and they found that they had been

616

00:32:40,650 --> 00:32:37,510

magnetized or demagnetized

617

00:32:43,620 --> 00:32:40,660

oh I didn't know that yeah I you know I

618

00:32:46,020 --> 00:32:43,630

again that's a little bit before I mean

619

00:32:48,150 --> 00:32:46,030

I've read up on this but 57 well that's

620

00:32:49,710 --> 00:32:48,160

when I had my first UFO sighting and and

621

00:32:53,730 --> 00:32:49,720

so I probably was starting to read up on

622

00:32:55,350 --> 00:32:53,740

some of these you know cases did do you

623

00:32:59,910 --> 00:32:55,360

remember any details on those little

624

00:33:02,640 --> 00:32:59,920

Rick's in those early mm cases well I

625

00:33:05,250 --> 00:33:02,650

know they try to they try to explain

626
00:33:06,930 --> 00:33:05,260
them away as being like wet ignitions or

627
00:33:09,480 --> 00:33:06,940
something and there's no rain in the

628
00:33:13,230 --> 00:33:09,490
area at the time and stuff like that but

629
00:33:15,150 --> 00:33:13,240
yes I have heard maybe it wasn't with

630
00:33:16,680 --> 00:33:15,160
levelin but there were a number of

631
00:33:21,150 --> 00:33:16,690
instances yes where there are some

632
00:33:23,730 --> 00:33:21,160
magnetic anomalies found like on the the

633
00:33:25,860 --> 00:33:23,740
the car hoods or maybe even under the

634
00:33:28,380 --> 00:33:25,870
underneath the hoods or whatever yeah

635
00:33:30,480 --> 00:33:28,390
there were some magnetic anomalies found

636
00:33:34,920 --> 00:33:30,490
in some of these cases over the years I

637
00:33:36,810 --> 00:33:34,930
think more than one and what what

638
00:33:41,490 --> 00:33:36,820

exactly would that would that prove do

639

00:33:43,350 --> 00:33:41,500

you think well it really it proves it

640

00:33:46,440 --> 00:33:43,360

that some sort of incident took place

641

00:33:50,450 --> 00:33:46,450

you'd have to have a very strong you

642

00:33:54,030 --> 00:33:50,460

know magnetic field of some particular

643

00:33:55,320 --> 00:33:54,040

power you know to to to leave some sort

644

00:33:58,830 --> 00:33:55,330

of a footprint like that behind

645

00:34:01,220 --> 00:33:58,840

innocence races so it probably shows

646

00:34:04,740 --> 00:34:01,230

that it's it's more than just you know

647

00:34:07,230 --> 00:34:04,750

somebody out driving and their car

648

00:34:08,940 --> 00:34:07,240

stalling for you know maybe they flooded

649

00:34:10,770 --> 00:34:08,950

the engine or this or that or the other

650

00:34:12,540 --> 00:34:10,780

thing or they needed a tune-up or

651

00:34:14,340 --> 00:34:12,550

whatever and it was just their

652

00:34:16,050 --> 00:34:14,350

imagination but it proves that you know

653

00:34:18,330 --> 00:34:16,060

something anomalous actually did happen

654

00:34:22,619 --> 00:34:18,340

well it sounds like they got a tune up

655

00:34:24,780 --> 00:34:22,629

alright yeah yeah you know I think a pet

656

00:34:26,730 --> 00:34:24,790

boys yeah yeah whatever right you know

657

00:34:29,700 --> 00:34:26,740

I'll think one of the interesting things

658

00:34:31,500 --> 00:34:29,710

about these stalled car cases is that a

659

00:34:34,740 --> 00:34:31,510

lot of times the witnesses would report

660

00:34:37,800 --> 00:34:34,750

that the car would just simply just be

661

00:34:40,889 --> 00:34:37,810

dead when the you know the UFO would

662

00:34:43,440 --> 00:34:40,899

appear but then as soon as UFO would

663

00:34:45,419 --> 00:34:43,450

disappear the car would start itself up

664

00:34:49,020 --> 00:34:45,429

again almost just like it had been

665

00:34:51,510 --> 00:34:49,030

frozen for a brief amount of time and

666

00:34:53,250 --> 00:34:51,520

then it would just

667

00:34:55,880 --> 00:34:53,260

once it was freed from whatever field

668

00:34:59,670 --> 00:34:55,890

that was affecting it it would

669

00:35:04,860 --> 00:34:59,680

reactivate so station there was one

670

00:35:09,180 --> 00:35:04,870

instance the name was James Stokes and

671

00:35:14,100 --> 00:35:09,190

he was by white sands and he was an

672

00:35:18,710 --> 00:35:14,110

engineer and he reported that his he was

673

00:35:23,040 --> 00:35:18,720

driving toward El Paso near Oreo Grande

674

00:35:25,890 --> 00:35:23,050

and his engine failed and he coasted to

675

00:35:30,720 --> 00:35:25,900

a halt he noticed the other cars ahead

676
00:35:33,780 --> 00:35:30,730
of him also were stopped he saw a large

677
00:35:37,320 --> 00:35:33,790
white egg-shaped object moving in and

678
00:35:40,350 --> 00:35:37,330
out of the clouds that dove a few miles

679
00:35:43,230 --> 00:35:40,360
ahead after it passes the closest he

680
00:35:49,500 --> 00:35:43,240
felt a heat wave that made his skin

681
00:35:51,840 --> 00:35:49,510
tingle at anyway rent Energy's car you

682
00:35:54,630 --> 00:35:51,850
checked the engine and it worked but the

683
00:35:57,510 --> 00:35:54,640
battery was steaming so that's kind of

684
00:36:02,430 --> 00:35:57,520
an interesting that was in let me see I

685
00:36:05,430 --> 00:36:02,440
think that was in 1957 - now would you

686
00:36:08,250 --> 00:36:05,440
say I mean doesn't it seem that there

687
00:36:11,940 --> 00:36:08,260
were a lot more what we would call maybe

688
00:36:16,160 --> 00:36:11,950

physical evidence cases in those days

689

00:36:20,190 --> 00:36:16,170

than today of course we do have the oh

690

00:36:24,930 --> 00:36:20,200

the the chips the implants perhaps if

691

00:36:26,670 --> 00:36:24,940

they are legitimate but it seems like

692

00:36:33,950 --> 00:36:26,680

there was a little bit more in the way

693

00:36:41,670 --> 00:36:36,270

remember we're claiming all sorts of

694

00:36:44,520 --> 00:36:41,680

things like that yes well it at what

695

00:36:47,160 --> 00:36:44,530

point did that I mean is it do you think

696

00:36:49,080 --> 00:36:47,170

it's because of the the pressure that

697

00:36:51,330 --> 00:36:49,090

the government put on witnesses that a

698

00:36:53,970 --> 00:36:51,340

lot of what might have been these

699

00:36:56,700 --> 00:36:53,980

substantial sightings just we're not

700

00:37:01,920 --> 00:36:56,710

reported after a particular period of

701
00:37:04,260 --> 00:37:01,930
time well I did a survey once around my

702
00:37:05,380 --> 00:37:04,270
neighborhood a person I did a survey

703
00:37:09,470 --> 00:37:05,390
actually put

704
00:37:11,390 --> 00:37:09,480
scientific journal two of these are

705
00:37:14,839 --> 00:37:11,400
people I knew and I surveyed them and

706
00:37:16,370 --> 00:37:14,849
asked them they had a UFO sighting and a

707
00:37:19,670 --> 00:37:16,380
lot of them seem to have pretty good

708
00:37:22,730 --> 00:37:19,680
sightings but just almost nobody

709
00:37:24,920 --> 00:37:22,740
reported them and I knew the people so I

710
00:37:27,680 --> 00:37:24,930
knew they were honest I didn't just go

711
00:37:30,220 --> 00:37:27,690
random I went to people I knew because

712
00:37:35,589 --> 00:37:30,230
this be a different type of survey them

713
00:37:38,750 --> 00:37:35,599

randomly surveying people but people I

714

00:37:44,450 --> 00:37:38,760

did in the 1980s and they surveyed and

715

00:37:46,790 --> 00:37:44,460

recruited and then and well okay well so

716

00:37:50,630 --> 00:37:46,800

they people have been keeping these

717

00:37:53,000 --> 00:37:50,640

reports to themselves for pretty much I

718

00:37:55,010 --> 00:37:53,010

guess the public at large well you could

719

00:37:57,500 --> 00:37:55,020

say there's actually nobody to report

720

00:38:02,270 --> 00:37:57,510

them to now we do know that the mutual

721

00:38:05,089 --> 00:38:02,280

UFO network and Peter Davenport's a UFO

722

00:38:08,720 --> 00:38:05,099

reports center they still get a large

723

00:38:10,250 --> 00:38:08,730

number of sightings I mean but the

724

00:38:12,710 --> 00:38:10,260

sightings that come and go

725

00:38:15,680 --> 00:38:12,720

I mean we're interested here mainly in

726

00:38:18,020 --> 00:38:15,690

things of some you know substance where

727

00:38:20,569 --> 00:38:18,030

we could actually point to a case and

728

00:38:24,349 --> 00:38:20,579

say looked as a burn mark on the ground

729

00:38:26,720 --> 00:38:24,359

or installed an automobile or you know a

730

00:38:30,349 --> 00:38:26,730

but well I remember one case in

731

00:38:32,960 --> 00:38:30,359

Australia where apparently a longest

732

00:38:36,200 --> 00:38:32,970

section of highway cars were actually

733

00:38:38,660 --> 00:38:36,210

being were actually driven off the road

734

00:38:41,359 --> 00:38:38,670

because there was some sort of magnetic

735

00:38:44,809 --> 00:38:41,369

pull in this one particular you know

736

00:38:48,079 --> 00:38:44,819

instance but did you it dr. Scott did

737

00:38:52,400 --> 00:38:48,089

you an investigator look into any of the

738

00:39:01,720 --> 00:38:52,410

early reports of humanoid beings or

739

00:39:05,240 --> 00:39:01,730

contact encounters uh yes some of them I

740

00:39:11,000 --> 00:39:05,250

think a pro investigated quite a bit and

741

00:39:17,000 --> 00:39:11,010

had a book about the beings and one of

742

00:39:18,800 --> 00:39:17,010

the events I investigated was um it took

743

00:39:19,040 --> 00:39:18,810

a part in Missouri and I think it was in

744

00:39:23,120 --> 00:39:19,050

the

745

00:39:27,560 --> 00:39:23,130

1980s I'm not sure but anyway people

746

00:39:31,640 --> 00:39:27,570

would see these the observers will sell

747

00:39:34,430 --> 00:39:31,650

these lights and some people that just

748

00:39:36,680 --> 00:39:34,440

saw lights scurrying around and other

749

00:39:40,340 --> 00:39:36,690

people another person watching the same

750

00:39:41,960 --> 00:39:40,350

scene saw beings and these were all

751
00:39:43,340 --> 00:39:41,970
kinds of beings that were walking around

752
00:39:46,250 --> 00:39:43,350
and everything else with people were

753
00:39:49,550 --> 00:39:46,260
terrified but they couldn't figure out

754
00:39:52,730 --> 00:39:49,560
and it seemed like it they would appear

755
00:39:55,190 --> 00:39:52,740
as orbs to some and being as other and

756
00:40:00,140 --> 00:39:55,200
they were all kinds of things like tall

757
00:40:03,230 --> 00:40:00,150
Nordics or short squatty ones or the

758
00:40:05,600 --> 00:40:03,240
Michelin Man yeah and that's one of my

759
00:40:08,270 --> 00:40:05,610
favorites it looks like it but it does

760
00:40:10,090 --> 00:40:08,280
leave the the dough boy or something

761
00:40:12,860 --> 00:40:10,100
like that uh-huh

762
00:40:16,550 --> 00:40:12,870
well Rick you you collect I know you you

763
00:40:18,260 --> 00:40:16,560

printed over the years any number of I I

764

00:40:21,020 --> 00:40:18,270

call them creature sightings but heaven

765

00:40:24,890 --> 00:40:21,030

forbid they probably refer they probably

766

00:40:27,010 --> 00:40:24,900

refer to us as creatures yeah that's

767

00:40:30,890 --> 00:40:27,020

probably what I'll tell you you know the

768

00:40:32,360 --> 00:40:30,900

1954 wave not only in France then you

769

00:40:38,060 --> 00:40:32,370

know all of Europe there were a number

770

00:40:41,350 --> 00:40:38,070

of cases of small diminutive you know

771

00:40:45,680 --> 00:40:41,360

like dwarfed like beings being sighted

772

00:40:47,840 --> 00:40:45,690

near landed UFOs and etc etc and some

773

00:40:50,360 --> 00:40:47,850

from South America but they're there

774

00:40:53,110 --> 00:40:50,370

another another year that I was just

775

00:40:56,690 --> 00:40:53,120

looking into the other day was actually

776

00:40:58,070 --> 00:40:56,700

1955 there a heck of a number of reports

777

00:41:00,310 --> 00:40:58,080

just right off you want to hear one

778

00:41:02,690 --> 00:41:00,320

right off the bat yeah absolutely

779

00:41:06,980 --> 00:41:02,700

yeah well this this one happened about

780

00:41:10,550 --> 00:41:06,990

all just let's bring the witness on okay

781

00:41:12,950 --> 00:41:10,560

yeah there we go I wish I could anyway

782

00:41:15,350 --> 00:41:12,960

it's from Riverside California I think

783

00:41:17,990 --> 00:41:15,360

it's right around August 30th 55 there

784

00:41:19,610 --> 00:41:18,000

were a group of children and they were

785

00:41:22,460 --> 00:41:19,620

talking about an incident that occurred

786

00:41:26,750 --> 00:41:22,470

there one boy said he was climbing a

787

00:41:30,190 --> 00:41:26,760

tree and then he saw the first of a

788

00:41:32,870 --> 00:41:30,200

series of UFOs saucer shaped objects

789

00:41:35,359 --> 00:41:32,880

appeared silver arm

790

00:41:37,999 --> 00:41:35,369

mekka to him and he just floated off

791

00:41:40,160 --> 00:41:38,009

into space he he didn't know how he got

792

00:41:44,599 --> 00:41:40,170

you know but he just exploded off into

793

00:41:47,170 --> 00:41:44,609

space and then he the guy who the boy

794

00:41:49,849 --> 00:41:47,180

landed on his head and hurt and then

795

00:41:51,920 --> 00:41:49,859

another child from the group at the same

796

00:41:53,839 --> 00:41:51,930

incident said he saw a small man about

797

00:41:55,730 --> 00:41:53,849

three and a feet tall get of a

798

00:41:58,160 --> 00:41:55,740

saucer-shaped thing that has landed in

799

00:42:00,559 --> 00:41:58,170

the field nearby and he said the thing

800

00:42:02,660 --> 00:42:00,569

in like big red eyes a big red mouth and

801
00:42:05,210 --> 00:42:02,670
diamonds force diamond-shaped things

802
00:42:08,900 --> 00:42:05,220
where those should be and another kid

803
00:42:12,470 --> 00:42:08,910
told reporters he saw a strange sort of

804
00:42:15,950 --> 00:42:12,480
a guy carrying two gun like things which

805
00:42:18,609 --> 00:42:15,960
paralyzed to the other kids and and it's

806
00:42:21,559 --> 00:42:18,619
and we're really really weird story

807
00:42:24,920 --> 00:42:21,569
where was this in your backyard rivers

808
00:42:27,200 --> 00:42:24,930
no they oh yeah actually is Riverside

809
00:42:28,400 --> 00:42:27,210
California I mean you know you expect

810
00:42:32,900 --> 00:42:28,410
something like in Southern California

811
00:42:34,609 --> 00:42:32,910
won't you tell well absolutely well I I

812
00:42:38,299 --> 00:42:34,619
remember you we're talking about the

813
00:42:41,539 --> 00:42:38,309

friendship flap is like a case where

814

00:42:43,400 --> 00:42:41,549

didn't one of these objects of like Lynn

815

00:42:46,099 --> 00:42:43,410

and a railroad track or something and

816

00:42:47,930 --> 00:42:46,109

the yeah yeah that was that kinda that

817

00:42:50,240 --> 00:42:47,940

got a lot of attention at the time and

818

00:42:52,759 --> 00:42:50,250

then one of my favorites is or at least

819

00:42:54,680 --> 00:42:52,769

I like the the illustration was the

820

00:42:59,120 --> 00:42:54,690

woman where the aliens tried to steal

821

00:43:01,670 --> 00:42:59,130

her stockings yes yes I doesn't like a

822

00:43:03,170 --> 00:43:01,680

good pair of pantyhose on Mars I would

823

00:43:05,120 --> 00:43:03,180

guess you know I yeah that's right

824

00:43:10,309 --> 00:43:05,130

that's just better than Hershey bars I

825

00:43:12,200 --> 00:43:10,319

guess some are you know well she was

826

00:43:15,829 --> 00:43:12,210

carrying she was carrying a handful of

827

00:43:18,589 --> 00:43:15,839

like flowers or plants in one hand and

828

00:43:20,120 --> 00:43:18,599

then her stockings in the other so maybe

829

00:43:22,160 --> 00:43:20,130

maybe they thought they were just

830

00:43:23,089 --> 00:43:22,170

getting hold of some kind of this really

831

00:43:27,230 --> 00:43:23,099

were weird

832

00:43:29,870 --> 00:43:27,240

terrestrial plant very strange indeed

833

00:43:31,730 --> 00:43:29,880

but you know these people told these of

834

00:43:35,089 --> 00:43:31,740

these encounters with a very straight

835

00:43:37,400 --> 00:43:35,099

face I mean it wasn't like they were you

836

00:43:39,799 --> 00:43:37,410

know and making them making them up I

837

00:43:43,400 --> 00:43:39,809

mean it doesn't seem that way anyway but

838

00:43:46,490 --> 00:43:43,410

the the odd thing about it would you

839

00:43:49,160 --> 00:43:46,500

both agree that or that

840

00:43:50,900 --> 00:43:49,170

all the humanoids had different

841

00:43:53,900 --> 00:43:50,910

characteristics I mean it didn't seem

842

00:43:56,630 --> 00:43:53,910

like outside of the Nordic types it

843

00:43:59,420 --> 00:43:56,640

didn't seem like you know they were all

844

00:44:03,860 --> 00:43:59,430

coming from the same you know planet or

845

00:44:06,110 --> 00:44:03,870

dimension yeah it seemed like that the

846

00:44:08,990 --> 00:44:06,120

orbs could just change into any shape

847

00:44:11,300 --> 00:44:09,000

and maybe some people say well these are

848

00:44:14,180 --> 00:44:11,310

different races or something but it may

849

00:44:17,120 --> 00:44:14,190

be that it just they just take whatever

850

00:44:21,380 --> 00:44:17,130

shape they want to and the phenomena

851

00:44:23,210 --> 00:44:21,390

does and they sort of fool people into

852

00:44:25,430 --> 00:44:23,220

thinking well this is one type this is

853

00:44:27,830 --> 00:44:25,440

another third type because there seems

854

00:44:29,690 --> 00:44:27,840

to be a huge variation oh well yeah I

855

00:44:33,470 --> 00:44:29,700

mean there's nothing like a hairy beast

856

00:44:36,170 --> 00:44:33,480

breathing down your back yeah yeah but

857

00:44:39,020 --> 00:44:36,180

you know the whole joke yeah go ahead

858

00:44:41,480 --> 00:44:39,030

Ricky so up until the whole I think

859

00:44:43,130 --> 00:44:41,490

what's happened over the years and you

860

00:44:44,930 --> 00:44:43,140

know you study these cases and I've

861

00:44:48,650 --> 00:44:44,940

studied these cases for years and years

862

00:44:51,470 --> 00:44:48,660

and in in the early beginning the big

863

00:44:53,360 --> 00:44:51,480

large the Nordic type creatures that we

864

00:44:55,880 --> 00:44:53,370

you know that a report of the beings

865

00:44:58,010 --> 00:44:55,890

let's not call them creatures where the

866

00:44:59,840 --> 00:44:58,020

space brothers that the contest is all

867

00:45:02,510 --> 00:44:59,850

reported like a damn scheme the third

868

00:45:04,340 --> 00:45:02,520

bathroom and in angelou sea and so all

869

00:45:07,910 --> 00:45:04,350

of all abundant another sector all a

870

00:45:10,460 --> 00:45:07,920

bunch of Nazis yeah really could be

871

00:45:13,610 --> 00:45:10,470

could not seize whatever firm or orphan

872

00:45:15,620 --> 00:45:13,620

from Venus now yeah he was him he had no

873

00:45:17,560 --> 00:45:15,630

ties to Hitler at all but then I don't

874

00:45:20,360 --> 00:45:17,570

know he hadn't rebel he had two swastika

875

00:45:23,480 --> 00:45:20,370

advances the swastika on the bottom of

876

00:45:26,000 --> 00:45:23,490

his boot yeah well that's a native

877

00:45:28,220 --> 00:45:26,010

that's a that's a universally they're

878

00:45:31,220 --> 00:45:28,230

the Native Americans use the same symbol

879

00:45:32,810 --> 00:45:31,230

so that's what we're here for

880

00:45:34,220 --> 00:45:32,820

if you're coming here from Venus why

881

00:45:35,510 --> 00:45:34,230

would you have that in place you know on

882

00:45:37,160 --> 00:45:35,520

the bottom of your boot that doesn't

883

00:45:39,650 --> 00:45:37,170

that doesn't make that a good question

884

00:45:41,390 --> 00:45:39,660

yeah it doesn't make sense and and

885

00:45:43,670 --> 00:45:41,400

George hunt Williamson if you remember

886

00:45:46,460 --> 00:45:43,680

correctly who led a damn ski to the spot

887

00:45:50,300 --> 00:45:46,470

where this encounter took place had a

888

00:45:51,470 --> 00:45:50,310

course that ties with the American Nazi

889

00:45:55,910 --> 00:45:51,480

Party I don't think they call themselves

890

00:45:57,890 --> 00:45:55,920

that but you know a group of neo-nazis

891

00:46:00,290 --> 00:45:57,900

that existed in fact our leader I think

892

00:46:01,850 --> 00:46:00,300

went to the telly what to jail for

893

00:46:03,590 --> 00:46:01,860

a couple years I don't know they're just

894

00:46:05,570 --> 00:46:03,600

that you know we did this book that Nazi

895

00:46:08,480 --> 00:46:05,580

UFO time travels through there seems to

896

00:46:10,430 --> 00:46:08,490

be a very strong and not so your UFO it

897

00:46:14,030 --> 00:46:10,440

can actually I mean that's the way I see

898

00:46:16,460 --> 00:46:14,040

it in fact a lot of the these beings

899

00:46:18,710 --> 00:46:16,470

that look like us you know the Aryan

900

00:46:21,560 --> 00:46:18,720

nordica types they spoke to some of them

901
00:46:23,510 --> 00:46:21,570
even spoken in German if you remember

902
00:46:26,270 --> 00:46:23,520
the Kaiser Reinhold okay fine house

903
00:46:28,160 --> 00:46:26,280
right home I could hear yeah that's

904
00:46:31,910 --> 00:46:28,170
that's correct and there were a few

905
00:46:34,430 --> 00:46:31,920
other reports around that time in fact I

906
00:46:35,600 --> 00:46:34,440
think that a danske even the said that

907
00:46:37,730 --> 00:46:35,610
at one point he caught them

908
00:46:39,470 --> 00:46:37,740
speaking in German in a yes why are you

909
00:46:41,060 --> 00:46:39,480
speaking in German and I said all we

910
00:46:43,520 --> 00:46:41,070
could to speak getting leg which we want

911
00:46:48,680 --> 00:46:43,530
oh how convenient

912
00:46:51,020 --> 00:46:48,690
yeah but but the affected maybe for

913
00:46:54,020 --> 00:46:51,030

perhaps a more these more serious

914

00:46:56,930 --> 00:46:54,030

reports I also noticed that dr. Scott in

915

00:46:59,030 --> 00:46:56,940

your book you talk about the some of the

916

00:47:04,250 --> 00:46:59,040

sightings by police officers and chairs

917

00:47:07,310 --> 00:47:04,260

and deputies yes one of the biggest ones

918

00:47:12,280 --> 00:47:07,320

was one that it was called the Portage

919

00:47:16,850 --> 00:47:12,290

County a chase and it was a very highly

920

00:47:22,430 --> 00:47:16,860

dramatic and very well verified

921

00:47:24,350 --> 00:47:22,440

encounter it took place in several

922

00:47:27,200 --> 00:47:24,360

states that started out in Michigan it

923

00:47:33,740 --> 00:47:27,210

took place across Ohio that continued

924

00:47:39,230 --> 00:47:33,750

into Pennsylvania and there were it was

925

00:47:42,410 --> 00:47:39,240

that by deputy sheriff I can spar and

926
00:47:43,820 --> 00:47:42,420
nap dr. Scott let me have you hold your

927
00:47:47,300 --> 00:47:43,830
thought there because we're coming up to

928
00:47:49,190 --> 00:47:47,310
our top of the show break when we come

929
00:47:52,540 --> 00:47:49,200
back we will continue our conversation

930
00:47:53,660 --> 00:47:52,550
with dr. Irene Scott and Rick Gilbert

931
00:48:00,640 --> 00:47:53,670
unemployed

932
00:48:00,650 --> 00:48:04,989
[Music]

933
00:48:11,949 --> 00:48:10,009
explode the bazaar your e-ticket riders

934
00:48:15,259 --> 00:48:11,959
of the world of the paranoid

935
00:48:19,539 --> 00:48:15,269
strap yourself in as we traverse the

936
00:48:22,660 --> 00:48:19,549
universe exploring the unexplained UFO

937
00:48:25,039 --> 00:48:22,670
ghosts lost world

938
00:48:28,910 --> 00:48:25,049

cryptozoology as well as other

939

00:48:33,319 --> 00:48:28,920

dimensions it's time to take back the

940

00:48:36,559 --> 00:48:33,329

night at midnight now your electrifying

941

00:48:42,769 --> 00:48:36,569

hosts of exploring the bizarre Timothy

942

00:48:45,400 --> 00:48:42,779

Begley and team sports and one back to

943

00:48:49,279 --> 00:48:45,410

exploring the bizarre I'm Tim sports and

944

00:48:53,799 --> 00:48:49,289

tonight we're talking about UFOs they're

945

00:48:56,719 --> 00:48:53,809

kind of a strange and convoluted history

946

00:48:59,779 --> 00:48:56,729

especially here in the United States and

947

00:49:03,109 --> 00:48:59,789

we're talking about with doctor Irena

948

00:49:05,779 --> 00:49:03,119

Scott and her newly released book I

949

00:49:09,380 --> 00:49:05,789

think it just came out on the the first

950

00:49:12,349 --> 00:49:09,390

one this month UFOs today and Tim I

951
00:49:14,989 --> 00:49:12,359
think Rick have some questions that yeah

952
00:49:18,249 --> 00:49:14,999
yeah I want to I want to return the the

953
00:49:20,779 --> 00:49:18,259
platform over to it to Rick who's a

954
00:49:24,140 --> 00:49:20,789
Association that we've been involved

955
00:49:26,979 --> 00:49:24,150
since the nineteen that their 60s we

956
00:49:31,039 --> 00:49:26,989
were both founding members of the

957
00:49:33,410 --> 00:49:31,049
Congress of scientific ufologist which

958
00:49:35,749 --> 00:49:33,420
which still exists I guess a name only

959
00:49:38,749 --> 00:49:35,759
although we did have a super secret

960
00:49:41,269 --> 00:49:38,759
meeting in Cleveland there was that two

961
00:49:43,279 --> 00:49:41,279
summers ago networks yeah there was just

962
00:49:45,699 --> 00:49:43,289
about two years ago this coming weekend

963
00:49:49,339 --> 00:49:45,709

yeah we got it we got to do it again

964

00:49:52,880 --> 00:49:49,349

please read on Tilly's yeah by if I own

965

00:49:54,559 --> 00:49:52,890

me now yeah yeah I am anyway Rick what

966

00:49:57,640 --> 00:49:54,569

what did you tell us about your

967

00:50:02,449 --> 00:49:57,650

involvement with this a the project that

968

00:50:04,519 --> 00:50:02,459

dr. Scott has been so I mean she's just

969

00:50:07,039 --> 00:50:04,529

done a fabulous job of putting this book

970

00:50:11,539 --> 00:50:07,049

together in fact I would say if you're

971

00:50:15,380 --> 00:50:11,549

going to buy a serious book on UFOs you

972

00:50:17,870 --> 00:50:15,390

know a historical book this is the one

973

00:50:18,440 --> 00:50:17,880

book you should certainly purchase

974

00:50:20,960 --> 00:50:18,450

because

975

00:50:25,400 --> 00:50:20,970

it's got everything in there I mean it's

976

00:50:29,120 --> 00:50:25,410

just a fabulous overview of the history

977

00:50:30,950 --> 00:50:29,130

of UFOs in America it's I would say them

978

00:50:36,140 --> 00:50:30,960

it's the most complete thorough book

979

00:50:40,370 --> 00:50:36,150

even beyond the UFO encyclopedia okay

980

00:50:42,620 --> 00:50:40,380

and actually is yeah yeah well I did one

981

00:50:46,490 --> 00:50:42,630

thing I mean the reason I got involved

982

00:50:49,370 --> 00:50:46,500

was I got quite a collection of UFO

983

00:50:51,440 --> 00:50:49,380

photographs and and dr. Scott you know

984

00:50:54,049 --> 00:50:51,450

was asking if I had some that she could

985

00:50:55,789 --> 00:50:54,059

use and I've been collecting them for

986

00:50:59,180 --> 00:50:55,799

you know years and years and years and I

987

00:51:03,200 --> 00:50:59,190

was more than happy to be able to they

988

00:51:05,210 --> 00:51:03,210

were in slide form as I recall and she

989

00:51:08,120 --> 00:51:05,220

has a scanner that there there are

990

00:51:10,430 --> 00:51:08,130

scanners out there they can you know

991

00:51:12,049 --> 00:51:10,440

scan transparency so I sent them along

992

00:51:14,210 --> 00:51:12,059

to her and she was able to use them in

993

00:51:16,849 --> 00:51:14,220

her book and I'm grateful that she was

994

00:51:21,470 --> 00:51:16,859

you know asking me and that I was able

995

00:51:23,390 --> 00:51:21,480

to help her and one of the things I have

996

00:51:26,809 --> 00:51:23,400

to agree with you tended is a very

997

00:51:30,740 --> 00:51:26,819

complete book as far as the chronology

998

00:51:33,829 --> 00:51:30,750

of the the saucer events since you know

999

00:51:35,859 --> 00:51:33,839

even before Arnold and on up until the

1000

00:51:38,359 --> 00:51:35,869

present time is very meticulously

1001
00:51:40,099 --> 00:51:38,369
footnoted and researched I think as you

1002
00:51:42,410 --> 00:51:40,109
said that this is the one book to get

1003
00:51:46,670 --> 00:51:42,420
because it is really a scholarly work

1004
00:51:49,370 --> 00:51:46,680
but I'd like to ask dr. Scott you

1005
00:51:51,950 --> 00:51:49,380
mentioned the brennick case April 17 to

1006
00:51:54,500 --> 00:51:51,960
66 but the spar enough and the big chase

1007
00:51:58,220 --> 00:51:54,510
and everything and of course we all know

1008
00:52:00,200 --> 00:51:58,230
that spar received a lot of negative

1009
00:52:02,270 --> 00:52:00,210
publicity not only from people on the

1010
00:52:04,520 --> 00:52:02,280
police force but the general public

1011
00:52:06,500 --> 00:52:04,530
which eventually forced him to resign

1012
00:52:10,130 --> 00:52:06,510
from the force and live almost as a

1013
00:52:12,559 --> 00:52:10,140

recluse it cost miss marriage is job you

1014

00:52:16,039 --> 00:52:12,569

know the whole nine yards in your

1015

00:52:18,319 --> 00:52:16,049

research irena have you have you know

1016

00:52:20,510 --> 00:52:18,329

this is trend and in some of the

1017

00:52:23,120 --> 00:52:20,520

instances where you know public

1018

00:52:25,400 --> 00:52:23,130

officials police officers etc etcetera

1019

00:52:30,440 --> 00:52:25,410

you know have made their reports public

1020

00:52:32,240 --> 00:52:30,450

I think I yes I have and I think spar

1021

00:52:35,180 --> 00:52:32,250

was the absolute

1022

00:52:38,060 --> 00:52:35,190

case I came across because he had a

1023

00:52:40,370 --> 00:52:38,070

really good sighting he had many many

1024

00:52:42,830 --> 00:52:40,380

other witnesses he was on the police

1025

00:52:47,420 --> 00:52:42,840

radio for hours why he's having a

1026
00:52:52,850 --> 00:52:47,430
sighting it was just a what you'd call

1027
00:52:58,640 --> 00:52:52,860
it alive and he talked to authorities

1028
00:53:01,220 --> 00:52:58,650
people saw the UFO on radar jets were

1029
00:53:06,880 --> 00:53:01,230
scrambled and everything else but

1030
00:53:10,370 --> 00:53:06,890
afterwards he had this misfortune of

1031
00:53:12,950 --> 00:53:10,380
getting in contact with this person in I

1032
00:53:15,140 --> 00:53:12,960
mean it was a real-time sighting where

1033
00:53:18,230 --> 00:53:15,150
he reported as he was going along on the

1034
00:53:20,750 --> 00:53:18,240
radio besides everything else he was

1035
00:53:22,790 --> 00:53:20,760
following this object and it would even

1036
00:53:28,250 --> 00:53:22,800
stop and wait for him if he got behind

1037
00:53:32,360 --> 00:53:28,260
it was so interactive but he talked to

1038
00:53:34,310 --> 00:53:32,370

this man in blue book who was a real

1039

00:53:38,600 --> 00:53:34,320

deep bunker I think his name was quick

1040

00:53:42,020 --> 00:53:38,610

quintanilla and quintanilla tolling even

1041

00:53:44,120 --> 00:53:42,030

though they'd followed this UFO across

1042

00:53:46,940 --> 00:53:44,130

two states they had zillions of

1043

00:53:49,580 --> 00:53:46,950

witnesses they saw close up everything

1044

00:53:53,780 --> 00:53:49,590

else quintanilla told him that he had

1045

00:53:57,650 --> 00:53:53,790

mistaken Venus and a satellite for this

1046

00:54:00,080 --> 00:53:57,660

whole sighting and people just made fun

1047

00:54:02,600 --> 00:54:00,090

of him I mean it was just terrible it

1048

00:54:04,610 --> 00:54:02,610

was the worst I'd ever seen and he just

1049

00:54:07,550 --> 00:54:04,620

wound up both of them all the people

1050

00:54:08,930 --> 00:54:07,560

involved just wound up it was terrible

1051

00:54:11,600 --> 00:54:08,940

let's do the debunking of

1052

00:54:15,350 --> 00:54:11,610

wright-patterson and Blue Book but I

1053

00:54:19,270 --> 00:54:15,360

think other people had less problems

1054

00:54:23,600 --> 00:54:19,280

because one was a coin helicopter in

1055

00:54:29,420 --> 00:54:23,610

1973 in Ohio which I'm sure Rick public

1056

00:54:31,280 --> 00:54:29,430

vestigators even maybe but they had a

1057

00:54:33,860 --> 00:54:31,290

close encounter with a UFO and reported

1058

00:54:38,360 --> 00:54:33,870

it and they continued their professional

1059

00:54:40,000 --> 00:54:38,370

life and had a good life and respected

1060

00:54:43,120 --> 00:54:40,010

and no problem there was another

1061

00:54:45,600 --> 00:54:43,130

policeman I can't remember his name I

1062

00:54:48,630 --> 00:54:45,610

think it was in Nebraska

1063

00:54:52,380 --> 00:54:48,640

who had this sighting he didn't realize

1064

00:54:55,800 --> 00:54:52,390

it missing time but he got promoted and

1065

00:54:59,880 --> 00:54:55,810

had Shermer travelers murmur yeah yeah

1066

00:55:01,860 --> 00:54:59,890

herb herb shorter sure well but he

1067

00:55:03,510 --> 00:55:01,870

reported that and he got regular

1068

00:55:05,160 --> 00:55:03,520

promotions and everything else I don't

1069

00:55:09,630 --> 00:55:05,170

think it happened a lot of people that

1070

00:55:11,820 --> 00:55:09,640

sure happened those spiral now I wonder

1071

00:55:13,530 --> 00:55:11,830

if anybody ever got a date I would ever

1072

00:55:19,020 --> 00:55:13,540

say but he ever got a raised after sake

1073

00:55:23,910 --> 00:55:19,030

a UFO because I think Shermer did and I

1074

00:55:26,700 --> 00:55:23,920

think we coined into the corn now which

1075

00:55:30,750 --> 00:55:26,710

which was the police officer that the

1076

00:55:35,400 --> 00:55:30,760

antenna was bent on the car oh god that

1077

00:55:38,810 --> 00:55:35,410

was that was oh god I was like 1975 74

1078

00:55:41,850 --> 00:55:38,820

that was up in Minnesota I think it was

1079

00:55:43,650 --> 00:55:41,860

yeah this thing came close as buzzed his

1080

00:55:46,470 --> 00:55:43,660

police cruiser and he kind of blacked

1081

00:55:48,390 --> 00:55:46,480

out for a minute or two and and you know

1082

00:55:50,610 --> 00:55:48,400

finally got on the radio and asked for

1083

00:55:52,950 --> 00:55:50,620

some help and a fellow officer came and

1084

00:55:55,350 --> 00:55:52,960

there were dense on the car and the

1085

00:55:57,150 --> 00:55:55,360

antenna was you know bent over like you

1086

00:56:00,150 --> 00:55:57,160

know 180 degrees or something

1087

00:56:03,210 --> 00:56:00,160

yeah I went you the windshield I think

1088

00:56:05,040 --> 00:56:03,220

was broken as well yeah I think that's

1089

00:56:07,560 --> 00:56:05,050

right - yeah I think it was - yeah my

1090

00:56:09,630 --> 00:56:07,570

thinking when she was correct yeah and

1091

00:56:11,970 --> 00:56:09,640

he was all shook up about it had like a

1092

00:56:13,950 --> 00:56:11,980

little he blacked out or had amnesia or

1093

00:56:16,440 --> 00:56:13,960

something yeah but he didn't get

1094

00:56:18,960 --> 00:56:16,450

ridiculed as I recall he went on to keep

1095

00:56:20,570 --> 00:56:18,970

his job and then of course she had the

1096

00:56:24,030 --> 00:56:20,580

case up there in Exeter New Hampshire

1097

00:56:25,410 --> 00:56:24,040

where the young fella was a walking home

1098

00:56:28,080 --> 00:56:25,420

I guess along

1099

00:56:31,020 --> 00:56:28,090

yeah muscarello yeah much really a very

1100

00:56:34,800 --> 00:56:31,030

a very rural area and sold this thing

1101
00:56:37,500 --> 00:56:34,810
you know over the trees and you know

1102
00:56:39,120 --> 00:56:37,510
bouncing around and I think maybe it

1103
00:56:42,270 --> 00:56:39,130
came to towards him for a brief period

1104
00:56:43,890 --> 00:56:42,280
of time and then he contacted the the

1105
00:56:45,540 --> 00:56:43,900
Sheriff's Department of the police

1106
00:56:47,070 --> 00:56:45,550
department they said oh you know yeah

1107
00:56:48,690 --> 00:56:47,080
what do you but what it was

1108
00:56:50,010 --> 00:56:48,700
what moonshining you've been drinking

1109
00:56:53,190 --> 00:56:50,020
and what do you want nobody smoked pot I

1110
00:56:54,510 --> 00:56:53,200
think in those days probably but do you

1111
00:56:56,640 --> 00:56:54,520
got to blame it you kind of believe it I

1112
00:56:59,250 --> 00:56:56,650
gotta blame it on something right you

1113
00:57:01,290 --> 00:56:59,260

know yeah yeah blame it on something Oh

1114

00:57:04,230 --> 00:57:01,300

so anyway the the sheriff I think went

1115

00:57:05,970 --> 00:57:04,240

back to the to the area there where he

1116

00:57:07,950 --> 00:57:05,980

had seen the sighting and Rome behold

1117

00:57:10,560 --> 00:57:07,960

here comes the object up bouncing up and

1118

00:57:15,780 --> 00:57:10,570

down over the over the trees you know I

1119

00:57:18,200 --> 00:57:15,790

agree with the in fact there's a twenty

1120

00:57:21,510 --> 00:57:18,210

fifteen to 20 minute interview and

1121

00:57:24,270 --> 00:57:21,520

recreation of the account on on youtube

1122

00:57:24,930 --> 00:57:24,280

if you hunt around you know for it in

1123

00:57:27,870 --> 00:57:24,940

fact

1124

00:57:30,570 --> 00:57:27,880

I give you know I do you two-bit to be

1125

00:57:32,430 --> 00:57:30,580

as the the Wayback Machine I mean if you

1126

00:57:35,010 --> 00:57:32,440

search hard and long enough and you know

1127

00:57:38,940 --> 00:57:35,020

what keywords to type in you could find

1128

00:57:41,099 --> 00:57:38,950

almost anything on there I mean it's a

1129

00:57:43,440 --> 00:57:41,109

you know it's a remarkable source of you

1130

00:57:45,180 --> 00:57:43,450

know information and and there were

1131

00:57:49,020 --> 00:57:45,190

there were a lot of police well I

1132

00:57:52,680 --> 00:57:49,030

remember I reported on it for a faint

1133

00:57:58,620 --> 00:57:52,690

magazine the rather famous one a key New

1134

00:58:01,800 --> 00:57:58,630

Jersey UFO oh yeah where the the police

1135

00:58:03,599 --> 00:58:01,810

the police the United crew security

1136

00:58:06,840 --> 00:58:03,609

guards I guess they were but they were

1137

00:58:09,270 --> 00:58:06,850

armed over the over the reservoir they

1138

00:58:11,160 --> 00:58:09,280

were walking along the the path they're

1139

00:58:13,859 --> 00:58:11,170

on top of the reservoir they they saw

1140

00:58:16,140 --> 00:58:13,869

the object come over the the reservoir

1141

00:58:20,160 --> 00:58:16,150

and actually shoot down a beam of light

1142

00:58:22,410 --> 00:58:20,170

and it melted the the ice yeah there was

1143

00:58:24,810 --> 00:58:22,420

a big hole in the ice right yeah and

1144

00:58:26,690 --> 00:58:24,820

yeah there were any number of police

1145

00:58:29,310 --> 00:58:26,700

officer sightings and then of course

1146

00:58:30,930 --> 00:58:29,320

what's the the most recent ones in

1147

00:58:33,810 --> 00:58:30,940

Illinois what about ten years ago or

1148

00:58:35,910 --> 00:58:33,820

eight years ago where number officers

1149

00:58:39,540 --> 00:58:35,920

went out to yeah more than there but

1150

00:58:42,810 --> 00:58:39,550

it's 2,000 yeah you know I when it comes

1151

00:58:44,550 --> 00:58:42,820

to when it comes to the time it just it

1152

00:58:47,070 --> 00:58:44,560

just slides right out like language I

1153

00:58:48,870 --> 00:58:47,080

yeah yeah I get I get is when it comes

1154

00:58:51,050 --> 00:58:48,880

to time for you for sure you know yeah

1155

00:58:54,140 --> 00:58:51,060

there was I said just just in Illinois

1156

00:58:57,090 --> 00:58:54,150

near st. Louis yeah

1157

00:58:59,310 --> 00:58:57,100

you'll Staten eat a mill stat Illinois

1158

00:59:00,599 --> 00:58:59,320

something like that nakai low Mill Stan

1159

00:59:02,490 --> 00:59:00,609

something like that yeah number of

1160

00:59:05,010 --> 00:59:02,500

police dog departments all those things

1161

00:59:07,920 --> 00:59:05,020

yeah well I don't think any of those

1162

00:59:10,680 --> 00:59:07,930

guys got ridiculed well what about what

1163

00:59:12,540 --> 00:59:10,690

about that poor sheriff from Alabama who

1164

00:59:16,320 --> 00:59:12,550

took the pictures of the

1165

00:59:17,490 --> 00:59:16,330

the the aluminum foil clad alien and I

1166

00:59:22,800 --> 00:59:17,500

mean that just that just completely

1167

00:59:25,320 --> 00:59:22,810

ruined his life was his name yeah green

1168

00:59:27,390 --> 00:59:25,330

ha well you know we are you have a we

1169

00:59:30,030 --> 00:59:27,400

had we had a fellow of the other program

1170

00:59:31,820 --> 00:59:30,040

Tim I I think he's a a friend of yours

1171

00:59:35,460 --> 00:59:31,830

who actually found the exact spot where

1172

00:59:36,900 --> 00:59:35,470

yes yes yeah Michael right yeah yeah in

1173

00:59:39,660 --> 00:59:36,910

fact he's gonna be on the program again

1174

00:59:41,940 --> 00:59:39,670

in a you know in a couple of weeks here

1175

00:59:45,839 --> 00:59:41,950

he he travels all over the country

1176
00:59:47,910 --> 00:59:45,849
looking for the places where these a UFO

1177
00:59:49,710 --> 00:59:47,920
incidents have taken place I mean he's

1178
00:59:52,079 --> 00:59:49,720
got you know me I don't know you Google

1179
00:59:54,089 --> 00:59:52,089
Maps it or what he does but he he gets

1180
00:59:56,040 --> 00:59:54,099
right to I mean he had to check around

1181
01:00:00,359 --> 00:59:56,050
there for that information on the find

1182
01:00:02,790 --> 01:00:00,369
the exact spot where that spaceman had

1183
01:00:05,760 --> 01:00:02,800
you know had to come out of the had come

1184
01:00:08,190 --> 01:00:05,770
out of the darkness and being so it you

1185
01:00:09,570 --> 01:00:08,200
know it was a it had to be a hoax well I

1186
01:00:11,609 --> 01:00:09,580
don't know if it had to be a hoax when

1187
01:00:12,990 --> 01:00:11,619
you consider all the strange kind of

1188
01:00:16,170 --> 01:00:13,000

creatures that have been the you know

1189

01:00:17,910 --> 01:00:16,180

seeing over the years every once in a

1190

01:00:19,560 --> 01:00:17,920

while maybe one will show up in some

1191

01:00:24,260 --> 01:00:19,570

sort of space suit could be a time

1192

01:00:27,120 --> 01:00:24,270

traveler well I mean yes case go ahead

1193

01:00:29,400 --> 01:00:27,130

in this case though the green hawk case

1194

01:00:30,960 --> 01:00:29,410

from 75 was 73 when he took those

1195

01:00:33,660 --> 01:00:30,970

Polaroids or whatever the heck it was

1196

01:00:36,930 --> 01:00:33,670

yeah this guy or at the thing and the

1197

01:00:39,510 --> 01:00:36,940

suit didn't it pursue the car like a 35

1198

01:00:41,880 --> 01:00:39,520

40 miles an hour or he chased it or

1199

01:00:43,890 --> 01:00:41,890

something after he took the photographs

1200

01:00:46,050 --> 01:00:43,900

so I you know how can you have some guy

1201

01:00:50,180 --> 01:00:46,060

dressed up in tinfoil fooling some cop

1202

01:00:52,290 --> 01:00:50,190

they can run 30 35 40 miles an hour so I

1203

01:00:54,270 --> 01:00:52,300

don't think you could lie about that

1204

01:00:56,460 --> 01:00:54,280

today the cop of put his gun out the

1205

01:00:59,099 --> 01:00:56,470

window and put a couple of bullets in

1206

01:01:03,660 --> 01:00:59,109

and probably at huh yeah warning shots

1207

01:01:05,609 --> 01:01:03,670

of the way where we gotta said we're

1208

01:01:07,620 --> 01:01:05,619

gonna send this guy back to Venus all

1209

01:01:11,490 --> 01:01:07,630

right

1210

01:01:13,260 --> 01:01:11,500

yeah but green all I mean his after that

1211

01:01:15,800 --> 01:01:13,270

I mean he was fired from his job his

1212

01:01:18,570 --> 01:01:15,810

wife divorced him his house burnt down

1213

01:01:22,200 --> 01:01:18,580

yeah I mean you talk about a spate of

1214

01:01:25,710 --> 01:01:22,210

bad luck go baby was worse off inspire

1215

01:01:32,010 --> 01:01:28,710

but do the debunking from the government

1216

01:01:34,020 --> 01:01:32,020

- I mean people honestly turn in reports

1217

01:01:36,030 --> 01:01:34,030

and the government tells them yeah well

1218

01:01:37,589 --> 01:01:36,040

you just saw Venus when they saw

1219

01:01:41,900 --> 01:01:37,599

something laying in their yard and that

1220

01:01:46,170 --> 01:01:41,910

sort of thing how are you a brother yep

1221

01:01:48,540 --> 01:01:46,180

dr. Scott is there how have things

1222

01:01:50,280 --> 01:01:48,550

changed over the year I mean is there a

1223

01:01:53,220 --> 01:01:50,290

difference in the pattern of sightings

1224

01:01:57,330 --> 01:01:53,230

today than in in previous decades would

1225

01:01:59,180 --> 01:01:57,340

you say well it's hard to answer that

1226

01:02:01,980 --> 01:01:59,190

because you don't know how much people

1227

01:02:05,760 --> 01:02:01,990

reported or how much they didn't report

1228

01:02:07,680 --> 01:02:05,770

in past decades because now people

1229

01:02:10,830 --> 01:02:07,690

report abductions and things like that

1230

01:02:13,349 --> 01:02:10,840

but nobody ever heard of a an abduction

1231

01:02:15,330 --> 01:02:13,359

back in the 50s so they didn't report it

1232

01:02:19,530 --> 01:02:15,340

I mean they did a little bit look it

1233

01:02:22,680 --> 01:02:19,540

wasn't common and so I think it's it's

1234

01:02:24,420 --> 01:02:22,690

hard to tell because I as I started out

1235

01:02:28,500 --> 01:02:24,430

my book a lot of things were happening

1236

01:02:31,170 --> 01:02:28,510

and back in the 1940s that just weren't

1237

01:02:34,109 --> 01:02:31,180

reported because then nobody had ever

1238

01:02:38,220 --> 01:02:34,119

heard of them before well well that's

1239

01:02:41,070 --> 01:02:38,230

the problem with the with the euro with

1240

01:02:43,170 --> 01:02:41,080

the UFOs you don't know exactly what a

1241

01:02:46,530 --> 01:02:43,180

UFO is therefore you don't know what

1242

01:02:47,849 --> 01:02:46,540

category to put it you know in it

1243

01:02:50,760 --> 01:02:47,859

doesn't mean that what the police

1244

01:02:54,060 --> 01:02:50,770

officer in Minnesota soil is the same

1245

01:02:59,310 --> 01:02:54,070

thing that stopped the vehicle on the

1246

01:03:01,200 --> 01:02:59,320

highway in in you know Texas I mean can

1247

01:03:03,240 --> 01:03:01,210

we get two completely different things

1248

01:03:06,599 --> 01:03:03,250

the device are you speaking of Texas did

1249

01:03:12,570 --> 01:03:06,609

I see something in your book irena about

1250

01:03:15,030 --> 01:03:12,580

Marfa yeah um that was everybody asked

1251
01:03:19,400 --> 01:03:15,040
me did you ever have a sighting and so

1252
01:03:23,190 --> 01:03:19,410
anyway I don't know if I did or not but

1253
01:03:27,060 --> 01:03:23,200
Martha is a town in Texas that's no

1254
01:03:30,120 --> 01:03:27,070
known for its repeatable UFO phenomena

1255
01:03:31,920 --> 01:03:30,130
of people see lights every so often

1256
01:03:35,220 --> 01:03:31,930
around Marfa and they're called the

1257
01:03:37,500 --> 01:03:35,230
Marfa lights oh you're that oh yeah oh

1258
01:03:39,180 --> 01:03:37,510
by all means yeah but now there are

1259
01:03:42,150 --> 01:03:39,190
other locales

1260
01:03:44,400 --> 01:03:42,160
of course our longtime associate Alan

1261
01:03:47,760 --> 01:03:44,410
Greenfield and I went with Jim Mosley on

1262
01:03:50,790 --> 01:03:47,770
Christmas Eve of all times down to Brown

1263
01:03:53,190 --> 01:03:50,800

Mountain Inn in North Carolina which has

1264

01:03:55,440 --> 01:03:53,200

been a place where these uh you know

1265

01:03:59,730 --> 01:03:55,450

similar lights have been seen over the

1266

01:04:02,160 --> 01:03:59,740

course of a century or more and then I'm

1267

01:04:05,190 --> 01:04:02,170

very impressed by this place and I think

1268

01:04:07,740 --> 01:04:05,200

it is it in Norway a Rick where they've

1269

01:04:09,510 --> 01:04:07,750

actually had taken motion pictures and

1270

01:04:12,450 --> 01:04:09,520

video of these objects in the yeah yeah

1271

01:04:14,490 --> 01:04:12,460

yeah yeah in fact dr. Hynek went out

1272

01:04:17,099 --> 01:04:14,500

there and investigated the first

1273

01:04:20,790 --> 01:04:17,109

fantastical Norway yeah they actually

1274

01:04:22,740 --> 01:04:20,800

had they set up a an observer post and

1275

01:04:25,170 --> 01:04:22,750

of course even in this country now we do

1276

01:04:27,120 --> 01:04:25,180

have I guess you would call them sky

1277

01:04:29,700 --> 01:04:27,130

watch towers they used to be one down in

1278

01:04:31,950 --> 01:04:29,710

Brown Mountain but I think that fell to

1279

01:04:34,650 --> 01:04:31,960

the ground that years ago there was one

1280

01:04:37,559 --> 01:04:34,660

up on the Indian Reservation in Yakima

1281

01:04:42,180 --> 01:04:37,569

Washington and yessum

1282

01:04:44,120 --> 01:04:42,190

of course is the the town where Ken

1283

01:04:48,000 --> 01:04:44,130

authorial landed after his signing over

1284

01:04:50,690 --> 01:04:48,010

Mount Ranier that's where the pilot of

1285

01:04:53,490 --> 01:04:50,700

the the press the fella from the media

1286

01:04:56,550 --> 01:04:53,500

you know interviewed him about his his

1287

01:04:59,910 --> 01:04:56,560

sighting that was in Yakima right Tim

1288

01:05:04,410 --> 01:04:59,920

you just like saying Yakima you know we

1289

01:05:06,510 --> 01:05:04,420

went through the years and years ago we

1290

01:05:09,480 --> 01:05:06,520

just made me think about yakima yeah

1291

01:05:11,300 --> 01:05:09,490

yeah every every time it rolls off my

1292

01:05:15,240 --> 01:05:11,310

tongue there's just something about that

1293

01:05:16,980 --> 01:05:15,250

that that name there but there's a there

1294

01:05:22,500 --> 01:05:16,990

is a fellow who I don't know if he's a

1295

01:05:25,620 --> 01:05:22,510

ranger or what who has kept abreast of

1296

01:05:27,390 --> 01:05:25,630

the UFO reports over the years there and

1297

01:05:30,599 --> 01:05:27,400

they have photographs you know taken

1298

01:05:33,270 --> 01:05:30,609

them from their UFO Watchtower if that

1299

01:05:35,760 --> 01:05:33,280

still exists there and and of course of

1300

01:05:38,880 --> 01:05:35,770

that where would you say both you can

1301

01:05:40,920 --> 01:05:38,890

chime in on this or anybody here with

1302

01:05:43,349 --> 01:05:40,930

where is the most UFO activity today

1303

01:05:46,349 --> 01:05:43,359

would you say I mean are you still

1304

01:05:49,079 --> 01:05:46,359

collecting a irena reports on a regular

1305

01:05:51,120 --> 01:05:49,089

basis like it lots of reports from

1306

01:05:52,490 --> 01:05:51,130

people I know around here that never

1307

01:05:54,590 --> 01:05:52,500

reported them and

1308

01:05:56,480 --> 01:05:54,600

people kind of laugh when you say you've

1309

01:06:00,200 --> 01:05:56,490

written a book and then people come up

1310

01:06:05,360 --> 01:06:00,210

privately and tell you they saw UFO so

1311

01:06:07,520 --> 01:06:05,370

it's hard to say because there's so the

1312

01:06:11,840 --> 01:06:07,530

people just don't report much because of

1313

01:06:14,120 --> 01:06:11,850

all the problems so I hadn't and

1314

01:06:15,740 --> 01:06:14,130

anything that's exceptional that the

1315

01:06:19,370 --> 01:06:15,750

Rings Abela with you I mean as far as

1316

01:06:22,010 --> 01:06:19,380

report those kind of reports go well I

1317

01:06:24,320 --> 01:06:22,020

read some several places on the internet

1318

01:06:26,180 --> 01:06:24,330

that they've been receiving more reports

1319

01:06:28,490 --> 01:06:26,190

these last years and they ever did

1320

01:06:30,830 --> 01:06:28,500

before but maybe that's because people

1321

01:06:35,420 --> 01:06:30,840

are reporting more so I I just don't

1322

01:06:38,330 --> 01:06:35,430

know I'm just of course a more I was

1323

01:06:41,360 --> 01:06:38,340

going to say media attention you know on

1324

01:06:43,460 --> 01:06:41,370

the cable channels and all them I'm not

1325

01:06:46,090 --> 01:06:43,470

sure that it's all very good media

1326

01:06:49,190 --> 01:06:46,100

attention but it is a attention

1327

01:06:52,580 --> 01:06:49,200

nonetheless in fact you know there is a

1328

01:06:53,680 --> 01:06:52,590

new program that's going to be on the

1329

01:06:56,450 --> 01:06:53,690

History Channel

1330

01:07:01,550 --> 01:06:56,460

based on some of the unsolved reports

1331

01:07:04,550 --> 01:07:01,560

from the project Bluebook files and I

1332

01:07:06,980 --> 01:07:04,560

guess somehow they have a dr. Hynek as

1333

01:07:09,820 --> 01:07:06,990

the chief investigator which he really

1334

01:07:12,800 --> 01:07:09,830

wasn't he was an astronomer that they

1335

01:07:16,400 --> 01:07:12,810

had hired anyway I heard that recently

1336

01:07:18,080 --> 01:07:16,410

from a couple of you know researchers

1337

01:07:20,950 --> 01:07:18,090

they were very upset that the History

1338

01:07:25,480 --> 01:07:20,960

Channel had signed a press release and

1339

01:07:27,680 --> 01:07:25,490

misidentified dr. hynek's role in the

1340

01:07:30,800 --> 01:07:27,690

investigating investigating some of

1341

01:07:33,140 --> 01:07:30,810

these cases but nonetheless it is it is

1342

01:07:34,640 --> 01:07:33,150

what it is and you know it depends on

1343

01:07:38,180 --> 01:07:34,650

how it's done you know I mean to create

1344

01:07:40,640 --> 01:07:38,190

it could be done very well and it could

1345

01:07:43,700 --> 01:07:40,650

be done you know like very chin so and

1346

01:07:45,920 --> 01:07:43,710

like monster quest or something you know

1347

01:07:49,910 --> 01:07:45,930

I remember there was a program in the

1348

01:07:53,720 --> 01:07:49,920

late what was it 1970s the network

1349

01:07:56,150 --> 01:07:53,730

television show I decided on NBC I think

1350

01:08:04,900 --> 01:07:56,160

it was yeah yeah it's just you a UFO

1351
01:08:13,039 --> 01:08:08,809
Ezekiel saw the wheel this is the wheel

1352
01:08:15,559 --> 01:08:13,049
he said he saw these are unidentified

1353
01:08:19,249 --> 01:08:15,569
flying objects that people say they are

1354
01:08:21,379 --> 01:08:19,259
seeing now are they proof that we are

1355
01:08:25,989 --> 01:08:21,389
being visited by civilizations from

1356
01:08:28,359 --> 01:08:25,999
other stars or just what are they

1357
01:08:30,430 --> 01:08:28,369
the United States Air Force began an

1358
01:08:33,700 --> 01:08:30,440
investigation of this high strangeness

1359
01:08:36,759 --> 01:08:33,710
in a search for the truth what you were

1360
01:08:39,370 --> 01:08:36,769
about to see is part of that 20 years

1361
01:08:42,399 --> 01:08:39,380
search that's an accident and you know

1362
01:08:45,370 --> 01:08:42,409
it was Jack Webb Jack Webb sorry Jack

1363
01:08:48,819 --> 01:08:45,380

Reed you know that still has a pretty

1364

01:08:51,519 --> 01:08:48,829

strong fan base that I mean if you go to

1365

01:08:55,120 --> 01:08:51,529

the you to the internet and you know you

1366

01:08:56,829 --> 01:08:55,130

type in UFO a lot of times that's what

1367

01:09:03,549 --> 01:08:56,839

you'll get you'll need to get tube and

1368

01:09:06,129 --> 01:09:03,559

UFO or the or the TV the TV program the

1369

01:09:08,229 --> 01:09:06,139

I guess that lasted a couple of seasons

1370

01:09:10,269 --> 01:09:08,239

and in the beginning it started out

1371

01:09:13,089 --> 01:09:10,279

where it was going to be legitimate you

1372

01:09:15,009 --> 01:09:13,099

know in cases or something but then you

1373

01:09:16,239 --> 01:09:15,019

know it fell apart pretty quickly and

1374

01:09:20,410 --> 01:09:16,249

you could tell that there wasn't any

1375

01:09:22,539 --> 01:09:20,420

there's nothing worse than a legitimate

1376

01:09:25,450 --> 01:09:22,549

case that's being presented as a real

1377

01:09:27,249 --> 01:09:25,460

case and a lot of movies have done that

1378

01:09:29,349 --> 01:09:27,259

recently too you know based on the files

1379

01:09:32,739 --> 01:09:29,359

of blah blah blah with paranormal group

1380

01:09:35,129 --> 01:09:32,749

or something like that and or or my

1381

01:09:38,859 --> 01:09:35,139

least favorite has to be Lost Tapes

1382

01:09:40,989 --> 01:09:38,869

where somebody has found that yet just

1383

01:09:43,989 --> 01:09:40,999

terrible terrible stuff I mean you know

1384

01:09:47,529 --> 01:09:43,999

I don't notice has anybody done a Lost

1385

01:09:49,329 --> 01:09:47,539

Tapes movie based on UFOs I think it

1386

01:09:52,359 --> 01:09:49,339

mostly it's been like paranormal stuff

1387

01:09:55,209 --> 01:09:52,369

well actually now yes there there are a

1388

01:09:58,419 --> 01:09:55,219

couple of movies out about the Phoenix

1389

01:10:00,520 --> 01:09:58,429

lights mmm and that have just come out

1390

01:10:04,930 --> 01:10:00,530

recently and I think one of them does

1391

01:10:07,419 --> 01:10:04,940

involve a loss the tape tapes or

1392

01:10:09,310 --> 01:10:07,429

something to that to that effect yes but

1393

01:10:12,969 --> 01:10:09,320

again when you know it you know if

1394

01:10:15,219 --> 01:10:12,979

you're a hardcore investigator or even a

1395

01:10:17,049 --> 01:10:15,229

legitimate reader in this literature and

1396

01:10:19,509 --> 01:10:17,059

somebody tries to pull the wool over

1397

01:10:21,779 --> 01:10:19,519

your eyes you know you're just not going

1398

01:10:25,089 --> 01:10:21,789

to you know you've got to pass the

1399

01:10:26,739 --> 01:10:25,099

subject on by you know like as somebody

1400

01:10:29,140 --> 01:10:26,749

did a movie recently I think it's called

1401

01:10:31,270 --> 01:10:29,150

hangar 10 well there is no hangar 10

1402

01:10:34,029 --> 01:10:31,280

we're not even sure that hangar 8 exists

1403

01:10:37,479 --> 01:10:34,039

but if it does it surely isn't marked

1404

01:10:38,830 --> 01:10:37,489

you know hangar 10 by the way dr. Scott

1405

01:10:39,880 --> 01:10:38,840

is there a hangar 8 at the

1406

01:10:44,020 --> 01:10:39,890

wright-patterson Air for

1407

01:10:48,060 --> 01:10:44,030

space hangar 18 yeah a great teen yeah

1408

01:10:50,950 --> 01:10:48,070

yeah well I was actually on the runway

1409

01:10:54,160 --> 01:10:50,960

accidentally driving on the runway to

1410

01:10:56,320 --> 01:10:54,170

hangar 18 and made a film of it but

1411

01:11:01,570 --> 01:10:56,330

anyway I talked to some of the old

1412

01:11:04,690 --> 01:11:01,580

people of Dayton and they said that

1413

01:11:07,450 --> 01:11:04,700

actually there is a building that was

1414

01:11:09,850 --> 01:11:07,460

once called hangar 18 where they

1415

01:11:11,680 --> 01:11:09,860

unloaded the Roswell debris and the

1416

01:11:16,780 --> 01:11:11,690

building's still there it's a huge

1417

01:11:20,400 --> 01:11:16,790

hangar and once I was on base inside the

1418

01:11:22,510 --> 01:11:20,410

secured area driving around and

1419

01:11:24,910 --> 01:11:22,520

accidentally drove on the runway

1420

01:11:26,890 --> 01:11:24,920

reading clips too but I you know that's

1421

01:11:29,410 --> 01:11:26,900

what they said I don't know what any way

1422

01:11:32,650 --> 01:11:29,420

to check it but that's what some very

1423

01:11:33,970 --> 01:11:32,660

old um they didn't we got it we could I

1424

01:11:35,650 --> 01:11:33,980

ask you about the under get there are

1425

01:11:37,840 --> 01:11:35,660

underground tunnels and stuff there I

1426

01:11:39,610 --> 01:11:37,850

find that you write about it well but

1427

01:11:42,520 --> 01:11:39,620

we've got this guy coming in with his

1428

01:11:43,300 --> 01:11:42,530

big hammer and echoing - quiet us down

1429

01:11:47,680 --> 01:11:43,310

for a few minutes

1430

01:11:49,260 --> 01:11:47,690

well connect up again just a brief

1431

01:11:57,940 --> 01:11:49,270

period of time so stay tuned

1432

01:12:04,670 --> 01:12:02,090

now back to exploring the bazaar with

1433

01:12:05,780 --> 01:12:04,680

two of the most electrifying researchers

1434

01:12:09,200 --> 01:12:05,790

with paranoid

1435

01:12:16,190 --> 01:12:09,210

your hosts Timothy evacuate and Singh

1436

01:12:18,680 --> 01:12:16,200

Swartz once again Tim here we are we

1437

01:12:22,430 --> 01:12:18,690

have less than a half an hour left in

1438

01:12:25,910 --> 01:12:22,440

the program and there are still so many

1439

01:12:32,080 --> 01:12:25,920

questions that that I would like to ask

1440

01:12:35,090 --> 01:12:32,090

dr. Scott and and and break so let's

1441

01:12:36,950 --> 01:12:35,100

let's let's just get back to it dr.

1442

01:12:42,070 --> 01:12:36,960

Scott you mentioned during the break

1443

01:12:44,900 --> 01:12:42,080

that your your book goes right up into

1444

01:12:48,710 --> 01:12:44,910

recent times and I guess that you

1445

01:12:53,510 --> 01:12:48,720

entertained some other ideas on the the

1446

01:12:57,340 --> 01:12:53,520

possible origins of the UFOs yes it goes

1447

01:13:02,960 --> 01:12:57,350

up to recent times and I was comparing

1448

01:13:05,870 --> 01:13:02,970

the your the UFO phenomena has never

1449

01:13:10,300 --> 01:13:05,880

been understood and back in the 50s it

1450

01:13:13,460 --> 01:13:10,310

was kind of a nuts and bolts idea of

1451

01:13:16,580 --> 01:13:13,470

crafts and other plants or spaceships or

1452

01:13:19,520 --> 01:13:16,590

something like that and if you actually

1453

01:13:22,220 --> 01:13:19,530

I mean I've interview a lot of people

1454

01:13:24,920 --> 01:13:22,230

and they don't necessarily put something

1455

01:13:29,200 --> 01:13:24,930

like that they may report objects that

1456

01:13:31,580 --> 01:13:29,210

merge or go apart or go through walls or

1457

01:13:34,940 --> 01:13:31,590

beings that go through walls and all

1458

01:13:39,170 --> 01:13:34,950

kinds of things that don't fit a nuts

1459

01:13:42,740 --> 01:13:39,180

and bolts type of theory and after

1460

01:13:47,180 --> 01:13:42,750

thinking about for quite a while I think

1461

01:13:50,570 --> 01:13:47,190

that in one thing I'd like to postulate

1462

01:13:52,760 --> 01:13:50,580

is is that we aren't using the right

1463

01:13:55,940 --> 01:13:52,770

theories to try to understand the

1464

01:13:58,520 --> 01:13:55,950

phenomena we're using we're still saying

1465

01:14:00,890 --> 01:13:58,530

all these are spaceships and then we're

1466

01:14:03,440 --> 01:14:00,900

disagreeing with people about whether

1467

01:14:05,240 --> 01:14:03,450

spaceship could get here and saying well

1468

01:14:07,280 --> 01:14:05,250

everybody in the universe is just like

1469

01:14:09,860 --> 01:14:07,290

us and if we can't go to the Stars they

1470

01:14:12,950 --> 01:14:09,870

can't go to come and see us some things

1471

01:14:15,500 --> 01:14:12,960

besides that the phenomena itself

1472

01:14:21,200 --> 01:14:15,510

doesn't seem like spaceships it seems

1473

01:14:23,270 --> 01:14:21,210

like something else it it seems probably

1474

01:14:26,210 --> 01:14:23,280

is more complicated than even the idea

1475

01:14:29,080 --> 01:14:26,220

of spaceships and I was suggesting

1476

01:14:32,390 --> 01:14:29,090

instead of the old Newtonian

1477

01:14:34,610 --> 01:14:32,400

nuts-and-bolts observe the universe from

1478

01:14:37,580 --> 01:14:34,620

the outside next earthling idea in

1479

01:14:40,820 --> 01:14:37,590

science that the new science is a

1480

01:14:42,190 --> 01:14:40,830

quantum theory and with climb theory a

1481

01:14:48,590 --> 01:14:42,200

lot of the things that people report

1482

01:14:52,730 --> 01:14:48,600

could actually happen for example they

1483

01:14:55,520 --> 01:14:52,740

will say that maybe somebody will say

1484

01:14:58,310 --> 01:14:55,530

that they saw something go through the

1485

01:15:00,710 --> 01:14:58,320

wall and appear on the other side well

1486

01:15:04,220 --> 01:15:00,720

our ability understands it's very

1487

01:15:07,340 --> 01:15:04,230

primitive because we may shoot atomic

1488

01:15:10,540 --> 01:15:07,350

particles at a barrier and sometimes

1489

01:15:12,890 --> 01:15:10,550

they'll be on the other side which is

1490

01:15:14,780 --> 01:15:12,900

completely different than our theories

1491

01:15:17,260 --> 01:15:14,790

previous theories that that couldn't

1492

01:15:20,420 --> 01:15:17,270

happen but it's called it's didn't

1493

01:15:24,560 --> 01:15:20,430

nonlocality of atomic particles they may

1494

01:15:26,630 --> 01:15:24,570

be anywhere and so something something

1495

01:15:29,570 --> 01:15:26,640

with more control and understanding the

1496

01:15:32,470 --> 01:15:29,580

quantum theory may be able to control

1497

01:15:36,970 --> 01:15:32,480

the way you go through a burial barrier

1498

01:15:39,950 --> 01:15:36,980

with different quantum particles - and

1499

01:15:43,760 --> 01:15:39,960

even in a nuts-and-bolts

1500

01:15:45,650 --> 01:15:43,770

idea they'll be talked about car stops

1501

01:15:47,720 --> 01:15:45,660

that this would be impossible and

1502

01:15:51,020 --> 01:15:47,730

couldn't possibly happen but you can

1503

01:15:54,050 --> 01:15:51,030

stop cars now electronically and so as

1504

01:15:58,700 --> 01:15:54,060

people develop more they probably need

1505

01:16:01,430 --> 01:15:58,710

more paradigms to explore the idea of

1506

01:16:03,860 --> 01:16:01,440

UFO phenomena instead you're saying well

1507

01:16:08,600 --> 01:16:03,870

these are spaceships so anyway that's

1508

01:16:12,550 --> 01:16:08,610

something I want to say well it seems to

1509

01:16:16,130 --> 01:16:12,560

me that possibly not only are we not

1510

01:16:18,940 --> 01:16:16,140

asking the right kind of questions

1511

01:16:23,350 --> 01:16:18,950

concerning UFOs but we just may be

1512

01:16:26,950 --> 01:16:23,360

currently just incapable of ass

1513

01:16:30,040 --> 01:16:26,960

the right kind of questions uh it's just

1514

01:16:32,680 --> 01:16:30,050

the the the the UFO phenomena you know

1515

01:16:34,959 --> 01:16:32,690

may be such a mystery that it's just

1516

01:16:37,990 --> 01:16:34,969

completely beyond us you know beyond our

1517

01:16:40,090 --> 01:16:38,000

understanding and who do we who do we

1518

01:16:42,340 --> 01:16:40,100

ask and expect to get an answer from

1519

01:16:48,300 --> 01:16:42,350

well at least ask me Tim I know

1520

01:16:50,649 --> 01:16:48,310

everything except yeah and if you and I

1521

01:16:54,060 --> 01:16:50,659

and to all of our listeners out there

1522

01:16:57,280 --> 01:16:54,070

you know anybody that you hear that says

1523

01:16:59,320 --> 01:16:57,290

that very thick thing you know yeah I

1524

01:17:03,970 --> 01:16:59,330

know all the answers about UFOs just

1525

01:17:06,939 --> 01:17:03,980

turn and walk away yeah yeah and tune it

1526

01:17:09,070 --> 01:17:06,949

to our show that's right hey yeah a

1527

01:17:11,080 --> 01:17:09,080

little better but it is it's true though

1528

01:17:13,600 --> 01:17:11,090

I think I mean I I think that you know

1529

01:17:16,439 --> 01:17:13,610

possibly we are dealing with a

1530

01:17:21,120 --> 01:17:16,449

phenomenon that is just so completely

1531

01:17:25,660 --> 01:17:21,130

beyond what what our puny little minds

1532

01:17:28,479 --> 01:17:25,670

can conceive that I mean we we're not

1533

01:17:32,200 --> 01:17:28,489

going to be able to really get any

1534

01:17:34,180 --> 01:17:32,210

answers and I think though that we

1535

01:17:35,410 --> 01:17:34,190

instead of looking for answers I think

1536

01:17:39,209 --> 01:17:35,420

we should just look for a better

1537

01:17:43,149 --> 01:17:39,219

understanding of what we're dealing with

1538

01:17:44,229 --> 01:17:43,159

or maybe the whole purpose here is for

1539

01:17:48,189 --> 01:17:44,239

us to think

1540

01:17:50,260 --> 01:17:48,199

I mean I've often said to myself Oh UFOs

1541

01:17:53,080 --> 01:17:50,270

you know they might be physical crafts

1542

01:17:55,570 --> 01:17:53,090

sometimes they could be you know from

1543

01:17:58,390 --> 01:17:55,580

other dimensions but if nothing else

1544

01:18:00,939 --> 01:17:58,400

they are at they are a cosmic puzzle in

1545

01:18:02,439 --> 01:18:00,949

a riddle and and a lot of people have

1546

01:18:04,359 --> 01:18:02,449

put their their best

1547

01:18:06,970 --> 01:18:04,369

you know intelligence forward in trying

1548

01:18:10,209 --> 01:18:06,980

to decipher this it is kind of a a

1549

01:18:15,550 --> 01:18:10,219

cosmic chess game and I know it's kept

1550

01:18:18,609 --> 01:18:15,560

me riveted and entertained it for a half

1551

01:18:22,689 --> 01:18:18,619

a century or more as it has a rikiya

1552

01:18:25,450 --> 01:18:22,699

hilberg over there in Cleveland Ohio now

1553

01:18:27,760 --> 01:18:25,460

Rick how is your opinions on all this a

1554

01:18:29,500 --> 01:18:27,770

change I mean you know when we first

1555

01:18:31,660 --> 01:18:29,510

started you know and I had my little

1556

01:18:33,609 --> 01:18:31,670

mimeograph machine there

1557

01:18:36,189 --> 01:18:33,619

hey in fact you know you said you had a

1558

01:18:37,270 --> 01:18:36,199

copy of my inside the saucers book I got

1559

01:18:39,670 --> 01:18:37,280

to get you the car

1560

01:18:41,800 --> 01:18:39,680

for me I I i that's the one thing that I

1561

01:18:44,830 --> 01:18:41,810

don't have a copy of I don't know if you

1562

01:18:48,820 --> 01:18:44,840

could copy oh yeah it really copy the

1563

01:18:50,530 --> 01:18:48,830

purple ink or not I'll take it to the

1564

01:18:54,010 --> 01:18:50,540

printer I'm sure she can do something

1565

01:18:55,120 --> 01:18:54,020

hey but anyway I mean you know our our

1566

01:18:57,180 --> 01:18:55,130

publication was called the

1567

01:19:00,220 --> 01:18:57,190

interplanetary News Service report

1568

01:19:02,620 --> 01:19:00,230

because we thought that UFOs were from

1569

01:19:04,900 --> 01:19:02,630

outer space I mean if George Adamski

1570

01:19:07,140 --> 01:19:04,910

told the so a major Keyhoe told us so

1571

01:19:10,420 --> 01:19:07,150

well then it had to be true right

1572

01:19:13,560 --> 01:19:10,430

yeah yeah they were the experts

1573

01:19:16,060 --> 01:19:13,570

it wasn't till Ray Palmer came along and

1574

01:19:18,760 --> 01:19:16,070

threw a monkey wrench into all of this

1575

01:19:24,250 --> 01:19:18,770

and suggested that UFOs might be from

1576

01:19:26,710 --> 01:19:24,260

the Hollow Earth which we know which we

1577

01:19:28,480 --> 01:19:26,720

know which we know can be which we know

1578

01:19:33,070 --> 01:19:28,490

can't be true because the earth is flat

1579

01:19:35,080 --> 01:19:33,080

right yes everybody knows there's yes in

1580

01:19:37,170 --> 01:19:35,090

fact do you know that I was going to say

1581

01:19:40,060 --> 01:19:37,180

these morons but I don't want to be

1582

01:19:43,990 --> 01:19:40,070

judgmental have actually paid for a

1583

01:19:47,500 --> 01:19:44,000

billboard to be erected somewhere you

1584

01:19:49,900 --> 01:19:47,510

know if it's telling people of a pass

1585

01:19:53,260 --> 01:19:49,910

along the highway that uh that the the

1586

01:19:56,080 --> 01:19:53,270

earth is flat now I mean I think watch

1587

01:19:58,240 --> 01:19:56,090

why not drive you may fall yeah I think

1588

01:19:58,870 --> 01:19:58,250

that's one Syria could quickly throw out

1589

01:20:01,600 --> 01:19:58,880

the window

1590

01:20:04,710 --> 01:20:01,610

you know I I believe I don't think

1591

01:20:07,840 --> 01:20:04,720

there's anything to that one it it all

1592

01:20:10,060 --> 01:20:07,850

you know I'm not even sure that anybody

1593

01:20:12,490 --> 01:20:10,070

ever believes that you know I I think

1594

01:20:14,620 --> 01:20:12,500

going back in and you know I think was

1595

01:20:17,650 --> 01:20:14,630

travel going on all over the world I

1596

01:20:20,200 --> 01:20:17,660

mean if you go up in fact we're going to

1597

01:20:23,350 --> 01:20:20,210

have on in a couple of weeks the fellow

1598

01:20:26,730 --> 01:20:23,360

I believe his name is Tim amirite his

1599

01:20:30,400 --> 01:20:26,740

name is dr. stone he runs the the

1600

01:20:32,170 --> 01:20:30,410

Stonehenge yeah yeah his name is Stone

1601

01:20:35,380 --> 01:20:32,180

isn't that another weird synchronicity

1602

01:20:40,260 --> 01:20:35,390

there I uh yeah but you know I mean they

1603

01:20:43,300 --> 01:20:40,270

they date some of these you know uh the

1604

01:20:45,130 --> 01:20:43,310

huts and stone Hut's and all some of

1605

01:20:47,230 --> 01:20:45,140

which are very very tiny it with almost

1606

01:20:49,150 --> 01:20:47,240

seems like they were made for elementals

1607

01:20:51,070 --> 01:20:49,160

or fairies or something going back at

1608

01:20:53,110 --> 01:20:51,080

you know the lobby

1609

01:20:55,810 --> 01:20:53,120

even the Native Americans lived in the

1610

01:20:59,440 --> 01:20:55,820

in the area there I mean maybe it was a

1611

01:21:01,780 --> 01:20:59,450

you know Yukon the Viking was the same

1612

01:21:03,670 --> 01:21:01,790

Viking a guy that came along there at

1613

01:21:06,610 --> 01:21:03,680

some point

1614

01:21:09,400 --> 01:21:06,620

Eirik the Viking but liberated read yeah

1615

01:21:11,350 --> 01:21:09,410

yeah yeah leaves Italy okay but maybe it

1616

01:21:13,390 --> 01:21:11,360

wasn't I don't know we don't know they

1617

01:21:15,310 --> 01:21:13,400

were they were traveling all over the

1618

01:21:17,290 --> 01:21:15,320

world so they knew that they were the

1619

01:21:19,960 --> 01:21:17,300

earth wasn't flat I think they just

1620

01:21:22,300 --> 01:21:19,970

tried to propagate that that theory so

1621

01:21:23,680 --> 01:21:22,310

that people wouldn't get in a boat and

1622

01:21:26,490 --> 01:21:23,690

go out and look for the riches because

1623

01:21:28,390 --> 01:21:26,500

whoever knew that the earth was round

1624

01:21:32,170 --> 01:21:28,400

you know didn't want anybody else

1625

01:21:34,840 --> 01:21:32,180

Horning in on their territory and so

1626

01:21:37,290 --> 01:21:34,850

dear friends out there don't send me any

1627

01:21:40,180 --> 01:21:37,300

more emails about the earth being flat

1628

01:21:42,760 --> 01:21:40,190

because we certainly we certainly know

1629

01:21:44,140 --> 01:21:42,770

that they are not so a Rick what what

1630

01:21:46,000 --> 01:21:44,150

have you what have you been working on

1631

01:21:48,250 --> 01:21:46,010

over there in Ohio I mean if you have

1632

01:21:53,310 --> 01:21:48,260

any recent case of histories you've been

1633

01:21:55,780 --> 01:21:53,320

working on well I mean we got yeah we

1634

01:21:57,640 --> 01:21:55,790

basically I've been into doing

1635

01:22:00,730 --> 01:21:57,650

historical research now for the past

1636

01:22:02,560 --> 01:22:00,740

maybe 20 years and that's where I spend

1637

01:22:04,210 --> 01:22:02,570

most of my time on besides putting our

1638

01:22:05,800 --> 01:22:04,220

flying saucer digest and doing

1639

01:22:09,280 --> 01:22:05,810

up-to-date stuff and theories and

1640

01:22:11,320 --> 01:22:09,290

articles and stuff but every year we we

1641

01:22:14,680 --> 01:22:11,330

try to come out with a little

1642

01:22:17,620 --> 01:22:14,690

compilations little you know manuscripts

1643

01:22:19,240 --> 01:22:17,630

with with various historical sightings

1644

01:22:21,850 --> 01:22:19,250

in the very sky we've done stuff on

1645

01:22:24,280 --> 01:22:21,860

Bigfoot we've done stuff on ice falls in

1646

01:22:26,560 --> 01:22:24,290

angel hair you know that sort of things

1647

01:22:29,440 --> 01:22:26,570

right that I mean it's just researching

1648

01:22:31,330 --> 01:22:29,450

I'm busy going through old newspaper

1649

01:22:33,850 --> 01:22:31,340

clippings and books and cataloging

1650

01:22:35,590 --> 01:22:33,860

everything together and trying to to get

1651

01:22:39,810 --> 01:22:35,600

it into print one way or the other so

1652

01:22:44,770 --> 01:22:39,820

well you know Ohio Ohio was at one point

1653

01:22:46,630 --> 01:22:44,780

really the good hub of UFO activity of

1654

01:22:50,170 --> 01:22:46,640

course I'm wondering if you you know I'm

1655

01:22:52,540 --> 01:22:50,180

wondering if it isn't like associated

1656

01:22:55,420 --> 01:22:52,550

with like the media I mean in the end

1657

01:22:57,550 --> 01:22:55,430

the old good old days right you had her

1658

01:23:00,310 --> 01:22:57,560

own nest that you had the ufology

1659

01:23:04,180 --> 01:23:00,320

roundtable so there were there were

1660

01:23:04,990 --> 01:23:04,190

there was a you know a way of keeping

1661

01:23:07,570 --> 01:23:05,000

the public

1662

01:23:10,390 --> 01:23:07,580

formed on this there are a lot of

1663

01:23:12,280 --> 01:23:10,400

podcasts of course that now but that did

1664

01:23:13,930 --> 01:23:12,290

not then that really is local lot you

1665

01:23:16,270 --> 01:23:13,940

know they're not really localized that

1666

01:23:17,740 --> 01:23:16,280

if somebody is hearing the show in

1667

01:23:19,990 --> 01:23:17,750

Minneapolis they're going to call up the

1668

01:23:21,880 --> 01:23:20,000

station and tell about their you know

1669

01:23:25,120 --> 01:23:21,890

their their sightings of their encounter

1670

01:23:26,740 --> 01:23:25,130

or something like that one of the early

1671

01:23:28,660 --> 01:23:26,750

days here in Ohio I mean you're right

1672

01:23:31,900 --> 01:23:28,670

there were a number of UFO groups just

1673

01:23:35,140 --> 01:23:31,910

in the Cleveland area alone there were

1674

01:23:39,190 --> 01:23:35,150

there were at one time there were like

1675

01:23:41,770 --> 01:23:39,200

three or four going and you had two in

1676

01:23:44,050 --> 01:23:41,780

Akron and that's all within you know

1677

01:23:46,030 --> 01:23:44,060

just the radius of 50 miles so what was

1678

01:23:47,980 --> 01:23:46,040

it there it wasn't there even a tease

1679

01:23:50,770 --> 01:23:47,990

what was it there even a good year

1680

01:23:52,900 --> 01:23:50,780

UFO group yeah that's one of the two

1681

01:23:55,210 --> 01:23:52,910

from Akron you had the you had a flying

1682

01:23:57,550 --> 01:23:55,220

saucer investigating committee and then

1683

01:23:59,950 --> 01:23:57,560

you had the Goodyear UFO Society yeah it

1684

01:24:02,380 --> 01:23:59,960

was it was a corporate sponsored they

1685

01:24:05,140 --> 01:24:02,390

sponsored clubs and groups and whatnot

1686

01:24:07,930 --> 01:24:05,150

this was a corporate sponsored group

1687

01:24:10,900 --> 01:24:07,940

that investigated and had UFO fans

1688

01:24:12,940 --> 01:24:10,910

getting together yeah and whichever was

1689

01:24:14,440 --> 01:24:12,950

before there was any media attention one

1690

01:24:15,760 --> 01:24:14,450

before there's media attention though

1691

01:24:18,130 --> 01:24:15,770

there were Ohio groups that were

1692

01:24:21,820 --> 01:24:18,140

flourishing before the ufology

1693

01:24:24,400 --> 01:24:21,830

roundtable on KYW long before that there

1694

01:24:26,110 --> 01:24:24,410

were holding meetings and publishing

1695

01:24:28,600 --> 01:24:26,120

little newsletters and coming out with

1696

01:24:31,350 --> 01:24:28,610

case histories so some reason rather

1697

01:24:34,540 --> 01:24:31,360

Ohio has always been a hot bed for

1698

01:24:36,610 --> 01:24:34,550

enthusiastic people you know reporting

1699

01:24:38,320 --> 01:24:36,620

and getting together discussing UFOs

1700

01:24:40,900 --> 01:24:38,330

let's put it that way well well you know

1701
01:24:42,760 --> 01:24:40,910
and now we notice we've had a one of our

1702
01:24:45,760 --> 01:24:42,770
guests we've had on quite a few times as

1703
01:24:48,880 --> 01:24:45,770
Paulino from new exact you have to be

1704
01:24:51,490 --> 01:24:48,890
from Rhode Island but there's a lot you

1705
01:24:53,140 --> 01:24:51,500
know again once you get people that you

1706
01:24:55,590 --> 01:24:53,150
know together and sift through all this

1707
01:24:58,930 --> 01:24:55,600
information you'll find that there are

1708
01:25:01,210 --> 01:24:58,940
quite a few hot spots going on but

1709
01:25:04,870 --> 01:25:01,220
unless you have the ability to kind of

1710
01:25:07,900 --> 01:25:04,880
collect this information in and you know

1711
01:25:09,490 --> 01:25:07,910
Corral it so to speak most people are

1712
01:25:11,830 --> 01:25:09,500
just not familiar with what might be

1713
01:25:14,230 --> 01:25:11,840

going on in their own little area like

1714

01:25:17,410 --> 01:25:14,240

we went to Pine Bush a couple of weeks

1715

01:25:18,880 --> 01:25:17,420

ago I mean who would think that the most

1716

01:25:21,730 --> 01:25:18,890

of the events there were in ninth

1717

01:25:26,190 --> 01:25:21,740

80 that there would still be you know

1718

01:25:29,320 --> 01:25:26,200

interest there and in the UFOs and

1719

01:25:31,780 --> 01:25:29,330

aliens and the weird lights in the sky

1720

01:25:35,110 --> 01:25:31,790

and things to that effect but here's a

1721

01:25:38,710 --> 01:25:35,120

little community it's not even a city or

1722

01:25:41,110 --> 01:25:38,720

a town it's a hamlet and of about

1723

01:25:42,940 --> 01:25:41,120

fourteen hundred people or so and and

1724

01:25:48,130 --> 01:25:42,950

they still once a year have their UFO a

1725

01:25:49,570 --> 01:25:48,140

you know a parade and UFO festival and I

1726

01:25:51,760 --> 01:25:49,580

guess they're quite a number of places

1727

01:25:54,100 --> 01:25:51,770

at Tim am i right around the country now

1728

01:25:55,810 --> 01:25:54,110

that are having a affairs like that of

1729

01:25:57,340 --> 01:25:55,820

course the big one would be in Roswell I

1730

01:25:59,560 --> 01:25:57,350

mean that's been drawing people now for

1731

01:26:00,250 --> 01:25:59,570

I know what twenty five years or

1732

01:26:03,280 --> 01:26:00,260

something like that

1733

01:26:07,020 --> 01:26:03,290

oh yeah well and there's the join

1734

01:26:10,120 --> 01:26:07,030

everyone in Hopkinsville Kentucky I

1735

01:26:13,450 --> 01:26:10,130

think it's a next month or in August you

1736

01:26:20,130 --> 01:26:13,460

know with the the Hopkinsville creatures

1737

01:26:22,180 --> 01:26:20,140

should we bring our own shotguns yeah

1738

01:26:24,250 --> 01:26:22,190

that would be that would be a good idea

1739

01:26:26,440 --> 01:26:24,260

you have a shooting gallery there you

1740

01:26:28,360 --> 01:26:26,450

know you put a little creatures up on

1741

01:26:31,120 --> 01:26:28,370

the roof and everybody gets a you know a

1742

01:26:34,540 --> 01:26:31,130

a shot or two with a little a little

1743

01:26:36,670 --> 01:26:34,550

better I'm sure probably somebody is

1744

01:26:40,540 --> 01:26:36,680

thought of that already it's a good idea

1745

01:26:44,410 --> 01:26:40,550

though let me I should be the king of

1746

01:26:47,260 --> 01:26:44,420

the UFO festivals oh I am how to draw in

1747

01:26:50,140 --> 01:26:47,270

in the people we're going to have fun in

1748

01:26:52,420 --> 01:26:50,150

if you had a UFO festival in Cleveland

1749

01:26:54,300 --> 01:26:52,430

Rick where what what what place would be

1750

01:26:59,560 --> 01:26:54,310

the most memorable that people would

1751

01:27:01,510 --> 01:26:59,570

recall do you think you mean it was

1752

01:27:03,160 --> 01:27:01,520

we've already held or fishin I don't

1753

01:27:05,200 --> 01:27:03,170

know what no I mean like if you did a

1754

01:27:05,560 --> 01:27:05,210

UFO parade or a festival or something

1755

01:27:07,750 --> 01:27:05,570

like that

1756

01:27:10,210 --> 01:27:07,760

is there one key spot where people would

1757

01:27:14,200 --> 01:27:10,220

say oh I remember that or or you know I

1758

01:27:15,610 --> 01:27:14,210

gosh not really not really no we did we

1759

01:27:18,040 --> 01:27:15,620

just had a number of good to know

1760

01:27:20,860 --> 01:27:18,050

blockbuster cases from the closest thing

1761

01:27:22,750 --> 01:27:20,870

we had it was was the one that dr. Scott

1762

01:27:27,160 --> 01:27:22,760

talked about was the ravenna case time

1763

01:27:28,750 --> 01:27:27,170

and you know back in 1966 that's really

1764

01:27:30,550 --> 01:27:28,760

the biggest media attention saying

1765

01:27:32,620 --> 01:27:30,560

course you had the coin helicopter case

1766

01:27:34,600 --> 01:27:32,630

that was the enhanced field though s

1767

01:27:36,729 --> 01:27:34,610

not from Cleveland so no we will never

1768

01:27:38,520 --> 01:27:36,739

really had a black a black Buster case

1769

01:27:41,439 --> 01:27:38,530

in Cleveland

1770

01:27:43,570 --> 01:27:41,449

well you've had now what was the you've

1771

01:27:46,060 --> 01:27:43,580

had a lot of creature sightings or

1772

01:27:49,060 --> 01:27:46,070

Bigfoot sightings and things I mean that

1773

01:27:51,820 --> 01:27:49,070

is Ohio is a hotbed not around here but

1774

01:27:55,419 --> 01:27:51,830

but Ohio it there's a high OH Bigfoot

1775

01:27:57,850 --> 01:27:55,429

festival down I think it's a Salt Fork

1776

01:28:00,160 --> 01:27:57,860

or one of these state parks are State

1777

01:28:02,379 --> 01:28:00,170

Forest or something every they have it

1778

01:28:04,570 --> 01:28:02,389

just about every May and it's just a few

1779

01:28:07,120 --> 01:28:04,580

weeks ago and they drew hundreds and

1780

01:28:08,700 --> 01:28:07,130

hundreds of people and there the Ohio

1781

01:28:11,590 --> 01:28:08,710

people claim that there are a number of

1782

01:28:14,860 --> 01:28:11,600

credible cases of bigfoot-like creatures

1783

01:28:19,060 --> 01:28:14,870

being sighted and in southeastern Ohio

1784

01:28:21,669 --> 01:28:19,070

yeah and and I mean what is the the the

1785

01:28:24,669 --> 01:28:21,679

standing as far as these Bigfoot people

1786

01:28:26,140 --> 01:28:24,679

go in and UFOs I mean people you know

1787

01:28:29,260 --> 01:28:26,150

some people have seen a direct

1788

01:28:29,709 --> 01:28:29,270

correlation or a connection between the

1789

01:28:33,879 --> 01:28:29,719

two

1790

01:28:36,610 --> 01:28:33,889

I mean are these like you know people

1791

01:28:40,959 --> 01:28:36,620

that are into the just in the the

1792

01:28:44,140 --> 01:28:40,969

hardcore Bigfoot reports you know that

1793

01:28:46,030 --> 01:28:44,150

in most of any no they're not really

1794

01:28:47,800 --> 01:28:46,040

into UFOs that's one of those things

1795

01:28:50,110 --> 01:28:47,810

like the science fiction people in the

1796

01:28:52,379 --> 01:28:50,120

UFO people know my god it's the same

1797

01:28:54,850 --> 01:28:52,389

with the Bigfoot people you know it

1798

01:28:57,070 --> 01:28:54,860

there there have been a number of cases

1799

01:29:00,100 --> 01:28:57,080

like Stan Gordon investigated and now he

1800

01:29:02,050 --> 01:29:00,110

has a number of a minute 7 where there

1801

01:29:04,000 --> 01:29:02,060

was a connection and Butch will

1802

01:29:06,010 --> 01:29:04,010

Wollensky that we've had on the program

1803

01:29:08,830 --> 01:29:06,020

a couple of times said yeah yeah brought

1804

01:29:10,990 --> 01:29:08,840

us together and and even at the Paulino

1805

01:29:13,209 --> 01:29:11,000

now he goes out to this place in

1806

01:29:14,800 --> 01:29:13,219

Pennsylvania and they sit around in the

1807

01:29:16,629 --> 01:29:14,810

Bigfoot brushes up against the

1808

01:29:20,800 --> 01:29:16,639

automobile while they watch UFOs in the

1809

01:29:23,140 --> 01:29:20,810

sky but about the people in organized

1810

01:29:25,510 --> 01:29:23,150

Bigfoot researcher big pathology

1811

01:29:27,669 --> 01:29:25,520

whatever you want they I mean UFO know

1812

01:29:29,979 --> 01:29:27,679

that the two don't mix you just have

1813

01:29:31,810 --> 01:29:29,989

nothing to do say you know they they

1814

01:29:34,660 --> 01:29:31,820

think we're the crackpots and maybe we

1815

01:29:40,000 --> 01:29:34,670

think they're the crap we hope you know

1816

01:29:41,709 --> 01:29:40,010

long well I you know I I I don't know I

1817

01:29:43,510 --> 01:29:41,719

mean I I've always been interested in

1818

01:29:46,010 --> 01:29:43,520

Bigfoot but I could never get really

1819

01:29:50,000 --> 01:29:47,840

by it you know I mean if it's a big

1820

01:29:53,810 --> 01:29:50,010

hairy beast well leave it alone and let

1821

01:29:56,510 --> 01:29:53,820

it wander in the and the wilderness but

1822

01:29:59,959 --> 01:29:56,520

we're getting out to the last five or

1823

01:30:01,970 --> 01:29:59,969

six minutes here of our program and I do

1824

01:30:03,650 --> 01:30:01,980

want to go around the table of one last

1825

01:30:06,290 --> 01:30:03,660

time so you can all tell us about what

1826
01:30:08,060 --> 01:30:06,300
you're working on now dr. Scott are you

1827
01:30:11,540 --> 01:30:08,070
giving any talks anywhere are you are

1828
01:30:17,180 --> 01:30:11,550
the lecture circuit I sort of am I gave

1829
01:30:19,729 --> 01:30:17,190
one um a cup this weekend I mean last

1830
01:30:23,120 --> 01:30:19,739
weekend and I have two more scheduled

1831
01:30:24,530 --> 01:30:23,130
there in Ohio though oh well that's okay

1832
01:30:28,459 --> 01:30:24,540
we have listen I'm sure we have

1833
01:30:30,979 --> 01:30:28,469
listeners in Ohio Rick is listening we

1834
01:30:33,410 --> 01:30:30,989
have what did you tell worthy of who's

1835
01:30:37,430 --> 01:30:33,420
sponsoring the event well I've been

1836
01:30:40,490 --> 01:30:37,440
invited to the Cleveland UFO group which

1837
01:30:43,670 --> 01:30:40,500
he knows about and I'm still trying to

1838
01:30:47,209 --> 01:30:43,680

figure out what date to go and then I've

1839

01:30:51,170 --> 01:30:47,219

been invited to give one for Ohio MUFON

1840

01:30:55,040 --> 01:30:51,180

next month and so I'm preparing and

1841

01:30:56,900 --> 01:30:55,050

trying to get ready and well your book

1842

01:31:00,440 --> 01:30:56,910

should be well-received certainly by the

1843

01:31:02,270 --> 01:31:00,450

MUFON organization I would I would I

1844

01:31:04,900 --> 01:31:02,280

would think I mean because it's got a

1845

01:31:07,970 --> 01:31:04,910

lot of the hardcore cases that they're

1846

01:31:10,600 --> 01:31:07,980

that they're you know interested in and

1847

01:31:12,680 --> 01:31:10,610

kind of brings it out there at

1848

01:31:16,880 --> 01:31:12,690

pseudo-scientific efforts to investigate

1849

01:31:20,390 --> 01:31:16,890

the you know the the cases and and Rick

1850

01:31:22,370 --> 01:31:20,400

do you have anything planned well what

1851

01:31:24,140 --> 01:31:22,380

we're doing well what we're doing is

1852

01:31:26,959 --> 01:31:24,150

we're planning on putting in the 50th

1853

01:31:28,700 --> 01:31:26,969

anniversary issue of fine saucer digest

1854

01:31:30,850 --> 01:31:28,710

at respect will be stirred we've already

1855

01:31:32,930 --> 01:31:30,860

started work on on the issue itself

1856

01:31:35,060 --> 01:31:32,940

gathering stuff together and that will

1857

01:31:38,209 --> 01:31:35,070

be coming out sometime in July so that

1858

01:31:40,580 --> 01:31:38,219

will be our big five oh and and what

1859

01:31:42,800 --> 01:31:40,590

what do you find that people are mainly

1860

01:31:47,150 --> 01:31:42,810

interested in that are on your mailing

1861

01:31:49,760 --> 01:31:47,160

list they just want to hear about what's

1862

01:31:51,890 --> 01:31:49,770

going on in the UFO field and they also

1863

01:31:53,930 --> 01:31:51,900

like some of the speckle speculative

1864

01:31:57,170 --> 01:31:53,940

articles will be presenting new and

1865

01:31:59,070 --> 01:31:57,180

there's a lot of support for we run 14

1866

01:32:02,760 --> 01:31:59,080

items to we've I was just going to

1867

01:32:04,590 --> 01:32:02,770

yeah yeah I mean are there like objects

1868

01:32:06,780 --> 01:32:04,600

that falling from the sky and things

1869

01:32:09,090 --> 01:32:06,790

along oh yeah yeah we've got people that

1870

01:32:11,910 --> 01:32:09,100

really did get in is one fellow his name

1871

01:32:13,920 --> 01:32:11,920

is Martin Pitroda and he's firms your

1872

01:32:17,850 --> 01:32:13,930

Scranton Pennsylvania is the most

1873

01:32:19,890 --> 01:32:17,860

fantastic 14 researcher you ever want to

1874

01:32:22,650 --> 01:32:19,900

meet he puts out all kinds of little

1875

01:32:25,290 --> 01:32:22,660

monographs and whatnot on the various

1876

01:32:27,990 --> 01:32:25,300

you know 14 cases and aspects and

1877

01:32:30,450 --> 01:32:28,000

theories and but you know he writes a

1878

01:32:32,010 --> 01:32:30,460

lot of articles for us graciously and

1879

01:32:33,690 --> 01:32:32,020

our people really dig it now what they

1880

01:32:37,230 --> 01:32:33,700

like to hear these kind of people who

1881

01:32:39,750 --> 01:32:37,240

are into UFOs also seem to have an open

1882

01:32:43,650 --> 01:32:39,760

mind obviously gets they like to hear

1883

01:32:47,450 --> 01:32:43,660

about the 14 things also and and 10 what

1884

01:32:51,660 --> 01:32:47,460

would you be up to oh my gosh Tim well

1885

01:32:55,400 --> 01:32:51,670

you know I'm still trying to actively

1886

01:32:59,820 --> 01:32:55,410

promote our most recent book the the

1887

01:33:01,590 --> 01:32:59,830

pill okay matrix a Filipina a dick you

1888

01:33:04,380 --> 01:33:01,600

know that we just finished that and just

1889

01:33:07,020 --> 01:33:04,390

you know we've gotten well in fact I've

1890

01:33:09,120 --> 01:33:07,030

decided that I'm taking let's see the

1891

01:33:11,610 --> 01:33:09,130

next the month or so instead of writing

1892

01:33:16,160 --> 01:33:11,620

and putting up more books you and I will

1893

01:33:18,600 --> 01:33:16,170

be going on a cross-country podcast tour

1894

01:33:22,440 --> 01:33:18,610

well I think I think that's an excellent

1895

01:33:23,910 --> 01:33:22,450

idea because I mean really I you know of

1896

01:33:25,830 --> 01:33:23,920

all the recent books that we put out

1897

01:33:27,810 --> 01:33:25,840

this one I think is you know I'm

1898

01:33:32,070 --> 01:33:27,820

extremely proud of this book and it's

1899

01:33:34,370 --> 01:33:32,080

just a really excellent excellent book

1900

01:33:36,990 --> 01:33:34,380

that everyone should should really read

1901

01:33:41,670 --> 01:33:37,000

well I I think we but we've been working

1902

01:33:43,560 --> 01:33:41,680

extra hard and you know it I think our

1903

01:33:45,690 --> 01:33:43,570

efforts you know as we go along I always

1904

01:33:49,050 --> 01:33:45,700

keep saying that oh this is going to be

1905

01:33:52,820 --> 01:33:49,060

my last a book I've run out of ideas and

1906

01:33:56,220 --> 01:33:52,830

I think we're 269 books into it now and

1907

01:33:59,760 --> 01:33:56,230

every day I seem to come up with another

1908

01:34:02,040 --> 01:33:59,770

idea I know there's a kind of a book in

1909

01:34:03,540 --> 01:34:02,050

the works on the knight Templar and the

1910

01:34:07,100 --> 01:34:03,550

treasures that they buried around the

1911

01:34:11,610 --> 01:34:07,110

country and I'm thinking about doing a

1912

01:34:12,959 --> 01:34:11,620

little book on a phantom ships and

1913

01:34:15,330 --> 01:34:12,969

ghosts

1914

01:34:18,149 --> 01:34:15,340

you know like the Lost Dutchman the

1915

01:34:20,819 --> 01:34:18,159

flying dutchman right some of those

1916

01:34:25,620 --> 01:34:20,829

cases have very much intrigued me over

1917

01:34:27,229 --> 01:34:25,630

the years so they many have tried but

1918

01:34:29,969 --> 01:34:27,239

none have been able to put us down

1919

01:34:33,509 --> 01:34:29,979

mm-hmm next week we're going to have a

1920

01:34:38,100 --> 01:34:33,519

really good show as well we're going to

1921

01:34:41,089 --> 01:34:38,110

have a program on occult icons pop

1922

01:34:44,839 --> 01:34:41,099

culture icons like Kenneth Wagner and

1923

01:34:48,439 --> 01:34:44,849

philip k dick and Robert Anton Wilson

1924

01:34:52,049 --> 01:34:48,449

and it's going to be a very interesting

1925

01:34:54,540 --> 01:34:52,059

program and of course you can keep up

1926

01:34:56,879 --> 01:34:54,550

with us the show will be archived here

1927

01:35:00,719 --> 01:34:56,889

you know all our programs are archived

1928

01:35:03,390 --> 01:35:00,729

on kco our radio.com and then of course

1929

01:35:06,209 --> 01:35:03,400

and now we have our own YouTube channel

1930

01:35:09,209 --> 01:35:06,219

where we've got about 180 videos up

1931

01:35:12,359 --> 01:35:09,219

there that's mr. UFO secret files and we

1932

01:35:15,089 --> 01:35:12,369

keep a very active Facebook presence and

1933

01:35:16,410 --> 01:35:15,099

we're always happy to hear from people

1934

01:35:17,729 --> 01:35:16,420

who want to be on the mailing list and

1935

01:35:19,529 --> 01:35:17,739

we've got newsletters who said that

1936

01:35:21,569 --> 01:35:19,539

we're still printing our own literature

1937

01:35:23,759 --> 01:35:21,579

and that's a good thing in this day and

1938

01:35:27,239 --> 01:35:23,769

age and I want to thank our guests for

1939

01:35:29,850 --> 01:35:27,249

being with us tonight and Tim we're

1940

01:35:31,799 --> 01:35:29,860

always welcome in my living room good

1941

01:35:34,529 --> 01:35:31,809

night all good night everybody and you

1942

01:35:37,700 --> 01:35:34,539

have a wonderful time and safe it god

1943

01:35:44,070 --> 01:35:40,649

you've been listening to exploring the

1944

01:35:47,280 --> 01:35:44,080

bazaar with hosts Timothy Beckley and

1945

01:35:49,560 --> 01:35:47,290

King Swartz they're taking back the

1946

01:35:52,110 --> 01:35:49,570

night by jetting non-stop apart the

1947

01:35:55,740 --> 01:35:52,120

puzzles in search of the truly bizarre

1948

01:35:58,950 --> 01:35:55,750

and totally explain with you as their

1949

01:35:59,729 --> 01:35:58,960

combined Thursday nights at 7:00 p.m.

1950

01:36:04,850 --> 01:35:59,739

Pacific

1951

01:36:07,860 --> 01:36:04,860

10:00 p.m. on the K cor digital radio

1952

01:36:11,129 --> 01:36:07,870

for more information on exploring the

1953

01:36:13,439 --> 01:36:11,139

bizarre and host Timothy Beckley and to

1954

01:36:16,649 --> 01:36:13,449

swartz check out their case do our

1955

01:36:22,709 --> 01:36:16,659

digital radio network follow their

1956

01:36:33,810 --> 01:36:22,719

YouTube channel @m our UFO 1100 explore
