

EXPLORING THE BIZARRE * PARANORMAL PETS!

1
00:00:37,459 --> 00:00:21,840

[Music]

2
00:00:44,410 --> 00:00:41,750

explore the bazaars are your e-ticket

3
00:00:47,720 --> 00:00:44,420

ride into the world of the paranormal

4
00:00:52,029 --> 00:00:47,730

strap yourself in as we traverse the

5
00:00:56,450 --> 00:00:52,039

universe exploring the unexplained UFO s

6
00:01:00,619 --> 00:00:56,460

ghosts Lost Worlds cryptozoology waters

7
00:01:05,090 --> 00:01:00,629

as well as other dimensions it's time to

8
00:01:07,370 --> 00:01:05,100

take back the night now your

9
00:01:18,200 --> 00:01:07,380

electrifying hosts of exploring the

10
00:01:28,230 --> 00:01:21,470

[Music]

11
00:01:31,770 --> 00:01:28,240

down simmer down Oh hold that tiger hold

12
00:01:34,140 --> 00:01:31,780

that Tiger back back back you wild

13
00:01:38,430 --> 00:01:34,150

please take it easy boy don't worry

14

00:01:40,350 --> 00:01:38,440

you're gonna get fed um yeah I tell you

15

00:01:43,620 --> 00:01:40,360

these giant cats Tim are getting bigger

16

00:01:46,200 --> 00:01:43,630

and bigger all the time Tim I can't

17

00:01:49,320 --> 00:01:46,210

control him anymore first it was dog man

18

00:01:51,480 --> 00:01:49,330

now there is Earl the incredible feline

19

00:01:54,300 --> 00:01:51,490

of the Lower East Side

20

00:01:57,150 --> 00:01:54,310

oh well being a part of the circus is

21

00:01:59,730 --> 00:01:57,160

all that exploring the bazaar is is

22

00:02:04,109 --> 00:01:59,740

about it's a learning experience a

23

00:02:06,630 --> 00:02:04,119

learning experience and the first thing

24

00:02:09,270 --> 00:02:06,640

that I've learned is that you've got to

25

00:02:12,420 --> 00:02:09,280

be careful when you're in the center

26
00:02:16,560 --> 00:02:12,430
ring and Tim I know you're out there on

27
00:02:18,330 --> 00:02:16,570
the highway is that correct yes that's

28
00:02:21,690 --> 00:02:18,340
right you know I love exploring the

29
00:02:24,360 --> 00:02:21,700
bazaar so much that I am driving home

30
00:02:26,880 --> 00:02:24,370
from the airport after doing a

31
00:02:30,120 --> 00:02:26,890
mysterious sheet in Colorado Springs

32
00:02:32,130 --> 00:02:30,130
Colorado I don't want to miss tonight's

33
00:02:34,699 --> 00:02:32,140
show because I know that we've got you

34
00:02:38,100 --> 00:02:34,709
know two really fantastic guests but

35
00:02:40,500 --> 00:02:38,110
unfortunately I don't have access to any

36
00:02:43,470 --> 00:02:40,510
of my notes or anything like that so I'm

37
00:02:48,000 --> 00:02:43,480
just well well I will just have to I

38
00:02:52,530 --> 00:02:50,250

well considering that it's a show about

39

00:02:56,009 --> 00:02:52,540

animals I guess winging it isn't too bad

40

00:02:57,810 --> 00:02:56,019

after all right oh boy I gotta throw in

41

00:03:00,600 --> 00:02:57,820

a couple of singers there once in a

42

00:03:03,600 --> 00:03:00,610

while you know otherwise where where

43

00:03:07,699 --> 00:03:03,610

would we be you know like the best

44

00:03:10,530 --> 00:03:07,709

tonight we have a very special show and

45

00:03:12,930 --> 00:03:10,540

we're going to explore an area that we

46

00:03:15,479 --> 00:03:12,940

haven't delved into before we're going

47

00:03:19,229 --> 00:03:15,489

to explore the spiritual bond between

48

00:03:21,240 --> 00:03:19,239

people and animals now just about

49

00:03:24,150 --> 00:03:21,250

everyone that we know I and I can go by

50

00:03:27,030 --> 00:03:24,160

my friends on Facebook the four or five

51
00:03:29,520 --> 00:03:27,040
thousand that I have people share their

52
00:03:33,210 --> 00:03:29,530
lives with all sorts of animals

53
00:03:36,090 --> 00:03:33,220
dogs cats horses birds a couple of

54
00:03:40,410 --> 00:03:36,100
turtles uh thrown in there I believe

55
00:03:44,699 --> 00:03:40,420
somebody even sent me a brief video of

56
00:03:46,740 --> 00:03:44,709
their goose that goose so obviously

57
00:03:50,820 --> 00:03:46,750
there is a great love and affection

58
00:03:53,130 --> 00:03:50,830
between humans and the animal kingdom

59
00:03:57,150 --> 00:03:53,140
and tonight we're going to find out

60
00:04:00,720 --> 00:03:57,160
exactly what that connection is and and

61
00:04:02,400 --> 00:04:00,730
how the planet has actually evolved

62
00:04:05,910 --> 00:04:02,410
according to one of our guests because

63
00:04:09,750 --> 00:04:05,920

of this spiritual a bond she believes

64

00:04:11,820 --> 00:04:09,760

that the consciousness of the planet and

65

00:04:15,630 --> 00:04:11,830

the animals living on it are actually

66

00:04:18,449 --> 00:04:15,640

raising in vibrations now we have two

67

00:04:22,260 --> 00:04:18,459

special guests this evening we have with

68

00:04:26,610 --> 00:04:22,270

us our old friend and associate Diane

69

00:04:28,680 --> 00:04:26,620

Tessman out there in Ansgar am i

70

00:04:33,240 --> 00:04:28,690

pronouncing that correctly anchor Iowa

71

00:04:40,680 --> 00:04:33,250

you've left out the st. Tim st. Ann's

72

00:04:44,520 --> 00:04:40,690

car say well agent st. well what do I

73

00:04:46,820 --> 00:04:44,530

know about Saints I think at all let me

74

00:04:50,520 --> 00:04:46,830

tell you but this is the area where

75

00:04:54,330 --> 00:04:50,530

Diane lives is where she was actually

76

00:04:59,070 --> 00:04:54,340

raised and had her I guess initial or

77

00:05:02,610 --> 00:04:59,080

one of her initial UFO experiences Diane

78

00:05:04,650 --> 00:05:02,620

is a channel she is I guess we could

79

00:05:06,330 --> 00:05:04,660

call her an abductee

80

00:05:07,920 --> 00:05:06,340

although I'm not sure if she was

81

00:05:11,340 --> 00:05:07,930

physically taking on board of a

82

00:05:15,300 --> 00:05:11,350

spacecraft but she certainly had an

83

00:05:19,409 --> 00:05:15,310

ongoing communication and meetings with

84

00:05:27,120 --> 00:05:19,419

her special one that she knows as typist

85

00:05:29,279 --> 00:05:27,130

so Tim well we'll get into that in a

86

00:05:31,560 --> 00:05:29,289

little while I know we've talked about

87

00:05:33,840 --> 00:05:31,570

this before but we have to obviously go

88

00:05:36,750 --> 00:05:33,850

over this a little bit for some of our

89

00:05:39,630 --> 00:05:36,760

new listeners and we are you know

90

00:05:41,909 --> 00:05:39,640

growing each week and gather gathering

91

00:05:43,470 --> 00:05:41,919

more people listening to the program and

92

00:05:47,490 --> 00:05:43,480

all the way out

93

00:05:50,310 --> 00:05:47,500

and what my must be beautiful Hawaii we

94

00:05:53,010 --> 00:05:50,320

have Jennifer O'Neill now Jennifer

95

00:05:56,400 --> 00:05:53,020

Jennifer is new to the program

96

00:05:59,880 --> 00:05:56,410

she runs a spiritual Learning Center

97

00:06:04,800 --> 00:05:59,890

called keys to the spirit world she is

98

00:06:08,370 --> 00:06:04,810

the author of several books she does

99

00:06:10,170 --> 00:06:08,380

online classes and she is one of

100

00:06:12,420 --> 00:06:10,180

Hawaii's top psychics and leading

101

00:06:14,820 --> 00:06:12,430

experts in the field of spirit

102

00:06:17,100 --> 00:06:14,830

communication she has spent the last

103

00:06:19,740 --> 00:06:17,110

twenty years as a professional psychic

104

00:06:22,050 --> 00:06:19,750

and spiritual teacher helping people all

105

00:06:25,290 --> 00:06:22,060

over the world learn how to develop

106

00:06:28,200 --> 00:06:25,300

themselves spiritually and we're going

107

00:06:34,110 --> 00:06:28,210

to delve into a Jennifer's background

108

00:06:35,730 --> 00:06:34,120

and we're going to find out her contact

109

00:06:38,550 --> 00:06:35,740

and communications with the animal

110

00:06:41,340 --> 00:06:38,560

kingdom which I know is very important

111

00:06:45,260 --> 00:06:41,350

to her so how are you out there in

112

00:06:48,300 --> 00:06:45,270

Hawaii Jennifer how are you today

113

00:06:52,050 --> 00:06:48,310

Aloha it's beautiful here it's actually

114

00:06:54,660 --> 00:06:52,060

very hot well we're daytime so your

115

00:06:57,950 --> 00:06:54,670

night time over there well I'm we're

116

00:07:00,360 --> 00:06:57,960

about 10 10:15 in New York City and

117

00:07:02,060 --> 00:07:00,370

you're what about for a little bit after

118

00:07:05,190 --> 00:07:02,070

4 p.m.

119

00:07:07,980 --> 00:07:05,200

yes a little bit after 4 it's sun

120

00:07:11,760 --> 00:07:07,990

shining and beautiful day and you've got

121

00:07:14,960 --> 00:07:11,770

a few hours left to are you on the are

122

00:07:19,020 --> 00:07:18,360

well I'm not exactly physically on the

123

00:07:21,840 --> 00:07:19,030

water right now

124

00:07:24,480 --> 00:07:21,850

well I did I did I mean I didn't be

125

00:07:26,040 --> 00:07:24,490

watching I didn't mean walking on it

126

00:07:30,270 --> 00:07:26,050

well we'll leave that to some of our

127

00:07:32,640 --> 00:07:30,280

other guests yeah but I am about a block

128

00:07:33,000 --> 00:07:32,650

from the ocean well that that's close

129

00:07:35,400 --> 00:07:33,010

enough

130

00:07:37,800 --> 00:07:35,410

well Jennifer why don't you start out by

131

00:07:40,170 --> 00:07:37,810

giving us a little bit of background

132

00:07:44,330 --> 00:07:40,180

about you because you are new to the

133

00:07:48,150 --> 00:07:44,340

exploring the bizarre airwaves so here

134

00:07:50,160 --> 00:07:48,160

how exactly did you get involved in I

135

00:07:52,770 --> 00:07:50,170

guess the overall I would call it the

136

00:07:55,220 --> 00:07:52,780

the paranormal what what is it what is

137

00:08:00,899 --> 00:07:56,999

well my back

138

00:08:02,790 --> 00:08:00,909

ground is basically I was born this way

139

00:08:05,579 --> 00:08:02,800

I know a lot of people have things that

140

00:08:07,350 --> 00:08:05,589

happen to them where they discover that

141

00:08:10,230 --> 00:08:07,360

they had a gift for me it was a little

142

00:08:13,409 --> 00:08:10,240

bit different I didn't know no one else

143

00:08:15,179 --> 00:08:13,419

had a gift like me so because I was born

144

00:08:16,920 --> 00:08:15,189

with my gift so strong I just kept

145

00:08:18,450 --> 00:08:16,930

wondering why everybody else was making

146

00:08:20,579 --> 00:08:18,460

these weird choices and doing things

147

00:08:22,290 --> 00:08:20,589

that weren't aligning with them and how

148

00:08:24,629 --> 00:08:22,300

they didn't just know these things and

149

00:08:26,700 --> 00:08:24,639

so it was very confusing for me actually

150

00:08:31,379 --> 00:08:26,710

when I was younger and then when I got

151
00:08:33,449 --> 00:08:31,389
older I realized that people didn't know

152
00:08:35,819 --> 00:08:33,459
and see things like I did so I had to

153
00:08:37,829 --> 00:08:35,829
kind of try to filter and navigate and

154
00:08:40,469 --> 00:08:37,839
figure out what was normal for other

155
00:08:42,959 --> 00:08:40,479
people because I knew my normal and when

156
00:08:46,110 --> 00:08:42,969
I did that I actually started

157
00:08:49,050 --> 00:08:46,120
discovering that and I could see that

158
00:08:52,139 --> 00:08:49,060
people had the ability to be a lot more

159
00:08:55,139 --> 00:08:52,149
tuned in with things that I seen and I

160
00:08:57,480 --> 00:08:55,149
knew but they really ignored it a lot

161
00:09:00,509 --> 00:08:57,490
and so when I really realized that I was

162
00:09:03,090 --> 00:09:00,519
more of my 20s by this time I kind of

163
00:09:05,490 --> 00:09:03,100

sort of went on a mission to start

164

00:09:08,220 --> 00:09:05,500

pointing out things to people and maybe

165

00:09:09,900 --> 00:09:08,230

teaching them along the way of what they

166

00:09:12,689 --> 00:09:09,910

were ignoring what they were overlooking

167

00:09:14,670 --> 00:09:12,699

that were signs and signals that were

168

00:09:18,949 --> 00:09:14,680

given to them that they just kind of

169

00:09:23,730 --> 00:09:22,019

what were some of your first experiences

170

00:09:31,230 --> 00:09:23,740

though can you be a little specific

171

00:09:32,910 --> 00:09:31,240

about it about when I was did you live

172

00:09:35,490 --> 00:09:32,920

in a house that was haunted or did you

173

00:09:39,180 --> 00:09:35,500

communicate with spirits or what exactly

174

00:09:40,710 --> 00:09:39,190

was it that I always there I could

175

00:09:44,480 --> 00:09:40,720

always see spirits I could always see

176

00:09:46,860 --> 00:09:44,490

colors I remember very vividly

177

00:09:50,100 --> 00:09:46,870

remembering the other side and where I'd

178

00:09:52,740 --> 00:09:50,110

come from like I knew it like it was my

179

00:09:55,019 --> 00:09:52,750

other house like I was seven and eight

180

00:09:57,090 --> 00:09:55,029

years old and I could I would I remember

181

00:10:00,780 --> 00:09:57,100

laying in bed and wondering why am I

182

00:10:03,329 --> 00:10:00,790

even here like I miss my home which was

183

00:10:05,819 --> 00:10:03,339

the other side I knew I knew what it

184

00:10:07,590 --> 00:10:05,829

looked like I knew where I'd been and I

185

00:10:10,740 --> 00:10:07,600

I had a hard time kind of figuring out

186

00:10:14,639 --> 00:10:10,750

like what I was doing on earth and

187

00:10:18,990 --> 00:10:14,649

so I remember instances like that very

188

00:10:22,559 --> 00:10:19,000

vividly but I always would hear spirits

189

00:10:25,379 --> 00:10:22,569

or put to me for some reason it was more

190

00:10:28,949 --> 00:10:25,389

normal because my I actually grew up

191

00:10:32,220 --> 00:10:28,959

like my grandmother and my it goes in my

192

00:10:35,369 --> 00:10:32,230

genealogy line psychics in my line and

193

00:10:37,470 --> 00:10:35,379

so it wasn't like abnormal to your

194

00:10:39,990 --> 00:10:37,480

spirit so the way I grew up they weren't

195

00:10:43,110 --> 00:10:40,000

like oh dude that wasn't anything

196

00:10:44,759 --> 00:10:43,120

what really I remember a lot being

197

00:10:46,139 --> 00:10:44,769

frustrated when I'd be like well I know

198

00:10:47,850 --> 00:10:46,149

the phone's gonna ring and then it would

199

00:10:50,160 --> 00:10:47,860

ring and people wouldn't believe me like

200

00:10:52,829 --> 00:10:50,170

as weird as that is even growing up in a

201
00:10:56,069 --> 00:10:52,839
genealogy line sometimes you know they'd

202
00:10:57,900 --> 00:10:56,079
be like okay whatever so I really

203
00:11:00,179 --> 00:10:57,910
remember a lot of the other side and a

204
00:11:02,400 --> 00:11:00,189
lot of the spirit realm and I remember

205
00:11:04,259 --> 00:11:02,410
communicating with spirits a lot and I

206
00:11:06,629 --> 00:11:04,269
remember a lot of interaction with a

207
00:11:10,499 --> 00:11:06,639
higher being when I was a lot younger

208
00:11:13,199 --> 00:11:10,509
and so you know just being able to

209
00:11:16,470 --> 00:11:13,209
communicate or having them talk to me

210
00:11:19,980 --> 00:11:16,480
and and just having an entire knowing

211
00:11:21,389 --> 00:11:19,990
through my body that I like I said I

212
00:11:23,100 --> 00:11:21,399
didn't know any difference so I just

213
00:11:25,559 --> 00:11:23,110

knew we were communicating it was just

214

00:11:27,840 --> 00:11:25,569

what we did I didn't know other people

215

00:11:29,850 --> 00:11:27,850

weren't doing that so yeah I have very

216

00:11:32,009 --> 00:11:29,860

vivid memories of just the other side I

217

00:11:34,590 --> 00:11:32,019

have very vivid memories of talking with

218

00:11:38,040 --> 00:11:34,600

spirits it was just always real to me

219

00:11:42,569 --> 00:11:38,050

now you mentioned a higher being well

220

00:11:46,049 --> 00:11:42,579

now Diane has had a continuing contact

221

00:11:49,860 --> 00:11:46,059

with a higher being are this higher

222

00:11:53,400 --> 00:11:49,870

being would you consider this a spirit

223

00:11:57,840 --> 00:11:53,410

being or an extraterrestrial or an angel

224

00:11:59,340 --> 00:11:57,850

or how would you define it why I had the

225

00:12:02,730 --> 00:11:59,350

higher being I'm referring to would be

226

00:12:05,840 --> 00:12:02,740

more of a god-like being I also have had

227

00:12:10,410 --> 00:12:05,850

contacts with angels very much so and

228

00:12:13,019 --> 00:12:10,420

actually aliens as well weird but but

229

00:12:15,030 --> 00:12:13,029

they inter-dimensionally travel and I

230

00:12:16,619 --> 00:12:15,040

get lots of information when I'm

231

00:12:19,110 --> 00:12:16,629

sleeping they actually show me different

232

00:12:21,960 --> 00:12:19,120

dimensional things different grid-like

233

00:12:24,540 --> 00:12:21,970

patterns how that they're protecting how

234

00:12:28,250 --> 00:12:24,550

they kind of protect over different part

235

00:12:31,170 --> 00:12:28,260

to the universe so like for instance

236

00:12:33,230 --> 00:12:31,180

where the United States or China or

237

00:12:36,509 --> 00:12:33,240

whatever you know they have their own

238

00:12:38,190 --> 00:12:36,519

countries and defense mechanisms and

239

00:12:40,980 --> 00:12:38,200

defense systems and they're under that

240

00:12:43,889 --> 00:12:40,990

protection what I've been shown by the

241

00:12:45,840 --> 00:12:43,899

aliens that I have been given a lot of

242

00:12:48,690 --> 00:12:45,850

information I've been talking or been

243

00:12:51,060 --> 00:12:48,700

spoke to would be very similar on a

244

00:12:53,670 --> 00:12:51,070

universal scale where they actually are

245

00:12:55,790 --> 00:12:53,680

we're under the protection a verse of a

246

00:12:57,990 --> 00:12:55,800

certain realm and then there are

247

00:13:01,829 --> 00:12:58,000

different areas that are protected may

248

00:13:03,569 --> 00:13:01,839

actually have flags or different symbols

249

00:13:06,870 --> 00:13:03,579

I guess I would say on what you would

250

00:13:08,940 --> 00:13:06,880

call them that represent each portion of

251
00:13:10,290 --> 00:13:08,950
the universe of where the you're under

252
00:13:15,870 --> 00:13:10,300
their protection or you're under their

253
00:13:17,670 --> 00:13:15,880
protection so I've actually had quite a

254
00:13:19,500 --> 00:13:17,680
bit of contact here and there I don't

255
00:13:21,300 --> 00:13:19,510
talk about as much on my shows because

256
00:13:24,329 --> 00:13:21,310
what for my audience they're not as

257
00:13:26,970 --> 00:13:24,339
interested in that but yeah it's it's

258
00:13:30,660 --> 00:13:26,980
been very interesting now we have we

259
00:13:33,000 --> 00:13:30,670
have quite a few people who either claim

260
00:13:36,480 --> 00:13:33,010
that they are in touch with the ashtar

261
00:13:38,280 --> 00:13:36,490
command or are very familiar with this

262
00:13:41,630 --> 00:13:38,290
group of extraterrestrials that is

263
00:13:44,329 --> 00:13:41,640

supposedly safeguarding the planet and

264

00:13:47,040 --> 00:13:44,339

hovering over it and from time to time

265

00:13:49,500 --> 00:13:47,050

delivering your messages through several

266

00:13:53,880 --> 00:13:49,510

channels would this be part of the

267

00:13:56,940 --> 00:13:53,890

program I guess I was never given that

268

00:14:00,930 --> 00:13:56,950

specific name but I so I'm not entirely

269

00:14:03,180 --> 00:14:00,940

sure could be but I do know that there's

270

00:14:05,460 --> 00:14:03,190

a specific one that comes and talks to

271

00:14:06,389 --> 00:14:05,470

me there's well there's three that it

272

00:14:09,030 --> 00:14:06,399

comes to me every once in a while

273

00:14:11,550 --> 00:14:09,040

probably once a year or so I'm just

274

00:14:13,560 --> 00:14:11,560

giving information to me about what's

275

00:14:16,439 --> 00:14:13,570

going on as far as us being under

276

00:14:17,790 --> 00:14:16,449

protection how safe that we are kind of

277

00:14:19,110 --> 00:14:17,800

some things that they're watching over

278

00:14:21,329 --> 00:14:19,120

with

279

00:14:24,540 --> 00:14:21,339

you know earth and different things like

280

00:14:28,110 --> 00:14:24,550

that so I guess I don't know a name for

281

00:14:30,900 --> 00:14:28,120

a group - I don't know now now do they

282

00:14:33,360 --> 00:14:30,910

actually materialize in front of you in

283

00:14:37,110 --> 00:14:33,370

physical form or is this something that

284

00:14:40,170 --> 00:14:37,120

you see through your third eye

285

00:14:43,079 --> 00:14:40,180

I get a lot of premonition dreams where

286

00:14:45,750 --> 00:14:43,089

I have a lot of contact and then in

287

00:14:47,940 --> 00:14:45,760

meditative States but a lot of my

288

00:14:51,720 --> 00:14:47,950

premonitions I don't sleep like normal

289

00:14:53,730 --> 00:14:51,730

people I haven't done that for years I

290

00:14:57,540 --> 00:14:53,740

think I'm more like an Edgar Cayce type

291

00:15:00,570 --> 00:14:57,550

of thing I get a lot of because I leave

292

00:15:02,190 --> 00:15:00,580

my body and I and I can remember I'm

293

00:15:05,880 --> 00:15:02,200

very aware when I'm after traveling

294

00:15:08,190 --> 00:15:05,890

because it's like I'm standing next to

295

00:15:11,430 --> 00:15:08,200

you or and when I'm supposed to be

296

00:15:13,610 --> 00:15:11,440

sleeping so I asked her travel often and

297

00:15:16,820 --> 00:15:13,620

I'm so aware of my astral travel states

298

00:15:19,800 --> 00:15:16,830

that that's usually when we'll have

299

00:15:22,230 --> 00:15:19,810

communication was during an Astra travel

300

00:15:25,110 --> 00:15:22,240

see that's got to leave you exhausted in

301
00:15:26,880 --> 00:15:25,120
the morning though I would think oh it's

302
00:15:30,450 --> 00:15:26,890
it's ridiculous I

303
00:15:32,400 --> 00:15:30,460
I mean people they always say I want to

304
00:15:34,260 --> 00:15:32,410
do what you do and I love what you do

305
00:15:36,600 --> 00:15:34,270
and I think to myself but you have no

306
00:15:38,360 --> 00:15:36,610
idea you have no idea because it does

307
00:15:41,070 --> 00:15:38,370
get it does get exhausting because

308
00:15:43,800 --> 00:15:41,080
sometimes you've been so mentally busy

309
00:15:45,900 --> 00:15:43,810
and like I said I'm such and I'm very

310
00:15:49,290 --> 00:15:45,910
aware when I'm after traveling I'm very

311
00:15:51,810 --> 00:15:49,300
very it's like I'm up and so yeah you

312
00:15:52,949 --> 00:15:51,820
get almost mentally exhausted sometimes

313
00:15:56,370 --> 00:15:52,959

because you just sort of want to break

314

00:15:58,650 --> 00:15:56,380

from it you know mm-hmm well you know

315

00:16:02,070 --> 00:15:58,660

I've heard that a lot of people who are

316

00:16:06,210 --> 00:16:02,080

you know extremely psychic and extremely

317

00:16:08,250 --> 00:16:06,220

empathic they have a tendency to you

318

00:16:13,170 --> 00:16:08,260

know just find themselves just you know

319

00:16:14,850 --> 00:16:13,180

in a constant state of exhaustion and

320

00:16:20,190 --> 00:16:14,860

you know I mean I know

321

00:16:23,190 --> 00:16:20,200

and Tim beckley knows a lot of famous

322

00:16:25,949 --> 00:16:23,200

psychics who have died young just

323

00:16:29,130 --> 00:16:25,959

because they have given optically all of

324

00:16:33,030 --> 00:16:29,140

themselves through the years helping

325

00:16:34,949 --> 00:16:33,040

other people that is very true and I

326

00:16:36,930 --> 00:16:34,959

actually bring that up to people because

327

00:16:38,910 --> 00:16:36,940

I do a mentorship program where I

328

00:16:42,300 --> 00:16:38,920

actually mentor healers who want to get

329

00:16:45,000 --> 00:16:42,310

into this industry and I have known some

330

00:16:47,819 --> 00:16:45,010

just some of the best psychics and

331

00:16:50,580 --> 00:16:47,829

healers like they are phenomenal and

332

00:16:53,730 --> 00:16:50,590

they'd all died young and

333

00:16:56,940 --> 00:16:53,740

that you have to be very careful with

334

00:16:58,770 --> 00:16:56,950

your health so what because of exactly

335

00:17:01,070 --> 00:16:58,780

what you just said and it's like you're

336

00:17:03,390 --> 00:17:01,080

on all the time so for me for

337

00:17:06,300 --> 00:17:03,400

specifically anybody out there who is

338

00:17:08,010 --> 00:17:06,310

like me you really have to pay attention

339

00:17:10,740 --> 00:17:08,020

to your physical body and exercise

340

00:17:13,200 --> 00:17:10,750

because exercise will ground you and it

341

00:17:16,590 --> 00:17:13,210

will keep you with one foot in the

342

00:17:19,470 --> 00:17:16,600

physical world better so the people who

343

00:17:21,660 --> 00:17:19,480

I know that have died young they tended

344

00:17:23,850 --> 00:17:21,670

to be too much in the spiritual realm

345

00:17:26,760 --> 00:17:23,860

all the time constantly when they're

346

00:17:29,640 --> 00:17:26,770

waking time and in their sleep time for

347

00:17:32,040 --> 00:17:29,650

me I can actually step out of that if

348

00:17:33,930 --> 00:17:32,050

I'm being very physical and so I

349

00:17:36,960 --> 00:17:33,940

actually work out several times a week

350

00:17:40,020 --> 00:17:36,970

and stuff just to keep one foot on the

351

00:17:42,480 --> 00:17:40,030

ground and that is when I will sleep

352

00:17:44,580 --> 00:17:42,490

better and and I will actually have a

353

00:17:47,010 --> 00:17:44,590

few hours where I'm not doing the extra

354

00:17:48,930 --> 00:17:47,020

travel but if I stay consistent at it

355

00:17:51,210 --> 00:17:48,940

you know it's just you have to monitor

356

00:17:53,100 --> 00:17:51,220

your abilities it's something people are

357

00:17:56,430 --> 00:17:53,110

very unaware of so it's interesting that

358

00:17:58,740 --> 00:17:56,440

you knew that now Diana I want to say in

359

00:18:01,770 --> 00:17:58,750

a question now your your contacts that

360

00:18:05,580 --> 00:18:01,780

you've described to us have been more on

361

00:18:08,280 --> 00:18:05,590

a would you say a physical level rather

362

00:18:12,330 --> 00:18:08,290

than you have had experiences I think in

363

00:18:14,340 --> 00:18:12,340

the dream state correct oh it's kind of

364

00:18:17,610 --> 00:18:14,350

a big subject to tackle it's different

365

00:18:20,070 --> 00:18:17,620

than Jennifer's um I had a couple of

366

00:18:21,930 --> 00:18:20,080

childhood encounters that were as far as

367

00:18:25,320 --> 00:18:21,940

I'm concerned nuts and bolts you have

368

00:18:28,290 --> 00:18:25,330

all encounters with the being on board a

369

00:18:32,880 --> 00:18:28,300

positive being as it turned out luckily

370

00:18:36,420 --> 00:18:32,890

and then for my in childhood I was near

371

00:18:38,010 --> 00:18:36,430

nature dogs and cats were my really only

372

00:18:41,910 --> 00:18:38,020

friends because I didn't have siblings

373

00:18:46,200 --> 00:18:41,920

we lived in a remote area and then when

374

00:18:50,700 --> 00:18:46,210

I grew up I became aware of my childhood

375

00:18:53,190 --> 00:18:50,710

experiences went was with MUFON as state

376

00:18:55,340 --> 00:18:53,200

section director for Florida went to Leo

377

00:18:58,230 --> 00:18:55,350

sprinkle who's been on your program a

378

00:19:03,120 --> 00:18:58,240

doctor Leo sprinkle for hypnosis and

379

00:19:06,950 --> 00:19:03,130

then over the years what happened and

380

00:19:10,230 --> 00:19:06,960

I've matured I sleep great so I'm a

381

00:19:13,200 --> 00:19:10,240

completely different category here but I

382

00:19:17,280 --> 00:19:13,210

have channeled and received messages and

383

00:19:19,590 --> 00:19:17,290

done newsletters since 1983 that a lot

384

00:19:22,170 --> 00:19:19,600

of readers have have loved and have

385

00:19:24,810 --> 00:19:22,180

stayed with me all that time so I

386

00:19:28,650 --> 00:19:24,820

receive messages from whom I met in

387

00:19:31,260 --> 00:19:28,660

childhood I think he is a separate being

388

00:19:34,020 --> 00:19:31,270

just like I'm a separate being but I

389

00:19:36,780 --> 00:19:34,030

think we have sort of an entangled bit

390

00:19:39,510 --> 00:19:36,790

of our consciousness that perhaps was

391

00:19:42,000 --> 00:19:39,520

done when I was taken aboard and so just

392

00:19:44,340 --> 00:19:42,010

in a nutshell that's you know they work

393

00:19:51,930 --> 00:19:44,350

in all sorts of different ways no no

394

00:19:54,060 --> 00:19:51,940

does he he say that yeah he that he that

395

00:19:58,350 --> 00:19:54,070

he represents any particular group

396

00:20:02,550 --> 00:19:58,360

that's coming here he he refers to space

397

00:20:05,490 --> 00:20:02,560

time intelligence positive group I'm not

398

00:20:07,620 --> 00:20:05,500

sure that they totally protect us

399

00:20:11,280 --> 00:20:07,630

because they feel that this is our time

400

00:20:14,220 --> 00:20:11,290

as a species to evolve spiritually or

401
00:20:17,100 --> 00:20:14,230
perhaps we won't be worthy of going on

402
00:20:20,940 --> 00:20:17,110
if we can't handle the crisis that we

403
00:20:24,450 --> 00:20:20,950
have made but he knows that we can so

404
00:20:27,900 --> 00:20:24,460
you know it's kind of a challenge but

405
00:20:30,690 --> 00:20:27,910
with the reassurance that it'll be okay

406
00:20:32,880 --> 00:20:30,700
but it's it is up to us

407
00:20:36,420 --> 00:20:32,890
space time intelligence it's not the

408
00:20:39,390 --> 00:20:36,430
ashtar command as far as I know I I knew

409
00:20:42,060 --> 00:20:39,400
to Ella who I don't know she originated

410
00:20:44,580 --> 00:20:42,070
it but was big into it oh no no well

411
00:20:47,460 --> 00:20:44,590
actually I know as far as I know at the

412
00:20:51,720 --> 00:20:47,470
ashtar command it goes back in many

413
00:20:54,870 --> 00:20:51,730

years before well yeah well a George Van

414

00:20:58,140 --> 00:20:54,880

Tassel used to sit under the rock there

415

00:20:59,910 --> 00:20:58,150

you know out in the Mojave Desert near

416

00:21:04,080 --> 00:20:59,920

where you live there Joshua Tree for a

417

00:21:08,730 --> 00:21:04,090

while and and he would go into I would

418

00:21:11,250 --> 00:21:08,740

say a very light trance and Ashtar this

419

00:21:13,170 --> 00:21:11,260

being called Ashtar would would speak

420

00:21:16,740 --> 00:21:13,180

for him speak to him and give him

421

00:21:22,530 --> 00:21:16,750

messages almost as if they were trance

422

00:21:24,960 --> 00:21:22,540

over a radio receiver in fact some of

423

00:21:27,150 --> 00:21:24,970

the early messages I don't know whether

424

00:21:28,860 --> 00:21:27,160

this included George Van Tassel because

425

00:21:32,340 --> 00:21:28,870

it's probably hard to get radio messages

426

00:21:34,380 --> 00:21:32,350

under the you know 50 tons rock or

427

00:21:38,340 --> 00:21:34,390

something but a lot of the early

428

00:21:42,690 --> 00:21:38,350

messages were received over lightbeam

429

00:21:45,510 --> 00:21:42,700

communicators and over ham radio sets

430

00:21:46,800 --> 00:21:45,520

and some of them were from Ashtar but of

431

00:21:49,170 --> 00:21:46,810

course if somebody tells you they're a

432

00:21:52,080 --> 00:21:49,180

star how do you know who they are if

433

00:21:54,450 --> 00:21:52,090

they're speaking over a you know a radio

434

00:21:56,610 --> 00:21:54,460

but just and then I'll let Jennifer go

435

00:22:00,060 --> 00:21:56,620

on for me I've never heard a voice in my

436

00:22:02,630 --> 00:22:00,070

head in my life it's something entangled

437

00:22:05,910 --> 00:22:02,640

in my own consciousness it's not a

438

00:22:09,210 --> 00:22:05,920

schizophrenic lat you know a problem

439

00:22:12,690 --> 00:22:09,220

it's something enhanced in there that I

440

00:22:15,770 --> 00:22:12,700

can tune into it's a part of me now so

441

00:22:19,380 --> 00:22:15,780

that's that's my answer to that

442

00:22:22,020 --> 00:22:19,390

that's just another form of channeling

443

00:22:25,080 --> 00:22:22,030

that's an ability of course that she has

444

00:22:27,600 --> 00:22:25,090

or Diane has and I have a question for

445

00:22:31,500 --> 00:22:27,610

her if I'm okay well actually that's

446

00:22:33,600 --> 00:22:31,510

what we're hearing right well you got me

447

00:22:35,850 --> 00:22:33,610

thinking of an encounter I had I

448

00:22:38,100 --> 00:22:35,860

actually was listening to and I redid

449

00:22:40,530 --> 00:22:38,110

remember a physical encounter that I had

450

00:22:43,320 --> 00:22:40,540

and I was in organ and I was at a

451
00:22:46,380 --> 00:22:43,330
metaphysical show and I was doing

452
00:22:48,510 --> 00:22:46,390
readings and such there and the

453
00:22:52,020 --> 00:22:48,520
interesting thing is this person was not

454
00:22:53,760 --> 00:22:52,030
of this planet 100% I mean they came in

455
00:22:56,040 --> 00:22:53,770
physical forms they talked to me at the

456
00:22:58,020 --> 00:22:56,050
booth and me and my son are both out

457
00:23:00,480 --> 00:22:58,030
there and were you know he's got

458
00:23:02,010 --> 00:23:00,490
abilities as well the most interesting

459
00:23:02,430 --> 00:23:02,020
thing I found which is my question for

460
00:23:04,740 --> 00:23:02,440
her

461
00:23:07,050 --> 00:23:04,750
if you litter I literally could not read

462
00:23:09,450 --> 00:23:07,060
this person they were like a blank slate

463
00:23:11,430 --> 00:23:09,460

we have a commercial we're coming

464

00:23:13,800 --> 00:23:11,440

we have a commercial break coming in and

465

00:23:23,260 --> 00:23:13,810

it's covering up our voices so we'll be

466

00:23:29,990 --> 00:23:27,410

now back to exploring the bazaars with

467

00:23:33,290 --> 00:23:30,000

two of the most electrifying researchers

468

00:23:41,360 --> 00:23:33,300

in the Paranoid your hosts Timothy Becca

469

00:23:43,520 --> 00:23:41,370

Lee and tinsmiths hey today I just wanna

470

00:23:45,590 --> 00:23:43,530

I just want to ask you before we we

471

00:23:47,570 --> 00:23:45,600

start out again and I what I hand the

472

00:23:49,550 --> 00:23:47,580

microphone over to you can you give us

473

00:23:51,980 --> 00:23:49,560

any information on where you were the

474

00:23:56,060 --> 00:23:51,990

last couple of days a while yeah I was

475

00:24:00,560 --> 00:23:56,070

in Colorado Springs Colorado and I was

476

00:24:04,640 --> 00:24:00,570

involved with a in a the production of a

477

00:24:07,850 --> 00:24:04,650

documentary about a certain scientist

478

00:24:10,940 --> 00:24:07,860

who went to Colorado Springs a number of

479

00:24:13,280 --> 00:24:10,950

years ago to conduct some very

480

00:24:15,110 --> 00:24:13,290

interesting experiments and that's all I

481

00:24:17,540 --> 00:24:15,120

can say right now all right well we

482

00:24:20,990 --> 00:24:17,550

certainly look forward to this will be

483

00:24:24,710 --> 00:24:21,000

on a major cable TV network I guess in

484

00:24:27,890 --> 00:24:24,720

the near future that's correct yes also

485

00:24:31,760 --> 00:24:27,900

too I want to remind our listeners that

486

00:24:36,380 --> 00:24:31,770

I will be on Sunday and night the 28th

487

00:24:40,370 --> 00:24:36,390

of August on coast the coast am with

488

00:24:45,230 --> 00:24:40,380

George Knapp and and we will be talking

489

00:24:50,320 --> 00:24:45,240

about the matrix control system of

490

00:24:53,060 --> 00:24:50,330

philip k dick and the paranormal

491

00:24:56,690 --> 00:24:53,070

coincidences and synchronicities of me

492

00:24:59,360 --> 00:24:56,700

and and of course it's it's a large

493

00:25:01,550 --> 00:24:59,370

audience and I think it's a subject

494

00:25:04,730 --> 00:25:01,560

that's never really been covered on

495

00:25:07,420 --> 00:25:04,740

their program and of course George Knapp

496

00:25:10,220 --> 00:25:07,430

is a very astute on all of these

497

00:25:11,540 --> 00:25:10,230

subjects and so I I do look forward to

498

00:25:13,700 --> 00:25:11,550

that program

499

00:25:15,560 --> 00:25:13,710

anyway Timmy that you want to continue

500

00:25:16,250 --> 00:25:15,570

on here for a few minutes with Jennifer

501
00:25:19,070 --> 00:25:16,260

Beverley

502
00:25:22,370 --> 00:25:19,080

well I want I'm gonna give Jennifer a

503
00:25:24,260 --> 00:25:22,380

chance to finish her question before we

504
00:25:28,289 --> 00:25:24,270

had to go to our break she was asking

505
00:25:31,470 --> 00:25:28,299

Diane about the somebody that who knew

506
00:25:33,870 --> 00:25:31,480

I was talking to that they got the

507
00:25:36,350 --> 00:25:33,880

feeling was possibly not of this planet

508
00:25:40,680 --> 00:25:36,360

so Jennifer go ahead with your question

509
00:25:42,720 --> 00:25:40,690

well we knew you I I kind of percent

510
00:25:45,000 --> 00:25:42,730

know that they like you can tell that

511
00:25:47,130 --> 00:25:45,010

they were not of here for whatever

512
00:25:49,590 --> 00:25:47,140

reason but you could cuz you couldn't

513
00:25:51,480 --> 00:25:49,600

there was I whenever I come into contact

514

00:25:53,970 --> 00:25:51,490

with anybody doesn't matter who it is my

515

00:25:55,890 --> 00:25:53,980

entire life I can I get energy from them

516

00:25:58,680 --> 00:25:55,900

I can read them it doesn't mean that any

517

00:26:00,720 --> 00:25:58,690

other beings don't have any energy but

518

00:26:03,330 --> 00:26:00,730

it definitely was something that was

519

00:26:05,909 --> 00:26:03,340

very foreign and not there it was almost

520

00:26:08,580 --> 00:26:05,919

blocked it wasn't very real I'm assuming

521

00:26:11,370 --> 00:26:08,590

that was done I'm on purpose probably

522

00:26:13,380 --> 00:26:11,380

assuming that they put up something so

523

00:26:17,370 --> 00:26:13,390

do you ever notice have you noticed

524

00:26:19,230 --> 00:26:17,380

Dianne my question to you is when you

525

00:26:22,350 --> 00:26:19,240

and then also when I was talking to them

526

00:26:23,549 --> 00:26:22,360

they were the the conversation was a

527

00:26:26,070 --> 00:26:23,559

little bit different they weren't as

528

00:26:28,320 --> 00:26:26,080

fluid as how we normally talk they had

529

00:26:30,299 --> 00:26:28,330

an interesting stone on that I'd never

530

00:26:33,419 --> 00:26:30,309

seen before that they said was from

531

00:26:35,760 --> 00:26:33,429

somewhere in Peru but do you notice when

532

00:26:38,430 --> 00:26:35,770

you had physical contact with them that

533

00:26:42,659 --> 00:26:38,440

they feel different to you than other

534

00:26:45,960 --> 00:26:42,669

people yes I was really young when I did

535

00:26:50,580 --> 00:26:45,970

have physical contact with them I mean

536

00:26:54,659 --> 00:26:50,590

uh four years old and perhaps seven for

537

00:26:56,460 --> 00:26:54,669

another encounter my impression has

538

00:27:01,010 --> 00:26:56,470

always been that there was something

539

00:27:04,440 --> 00:27:01,020

enhanced about him i he looked human

540

00:27:07,860 --> 00:27:04,450

that we had gold kind of translucent

541

00:27:11,340 --> 00:27:07,870

eyes which aren't in human gene pools

542

00:27:14,610 --> 00:27:11,350

that I know of but outside of that he

543

00:27:20,490 --> 00:27:14,620

was human I saw other little beans that

544

00:27:23,340 --> 00:27:20,500

weren't as human but yeah there was

545

00:27:25,740 --> 00:27:23,350

something he was very much in control of

546

00:27:27,840 --> 00:27:25,750

it I mean I which of course he would be

547

00:27:32,549 --> 00:27:27,850

because I was really young but very

548

00:27:34,580 --> 00:27:32,559

reticent and very decent but yes it

549

00:27:40,290 --> 00:27:34,590

probably blocked and then one more

550

00:27:42,840 --> 00:27:40,300

possibility is that maybe an hour

551

00:27:46,170 --> 00:27:42,850

official intelligence not a robot not a

552

00:27:48,690 --> 00:27:46,180

you know a science-fiction Android but

553

00:27:50,970 --> 00:27:48,700

if humans are enhanced with artificial

554

00:27:55,770 --> 00:27:50,980

intelligence that might give you the

555

00:27:59,850 --> 00:27:55,780

feeling of a block or of an emptiness

556

00:28:04,040 --> 00:27:59,860

but what you're describing might be and

557

00:28:08,850 --> 00:28:04,050

my term of enhanced human might be that

558

00:28:12,000 --> 00:28:08,860

not an organic human entirely but but

559

00:28:14,160 --> 00:28:12,010

not you know the Borg either so that's

560

00:28:18,480 --> 00:28:14,170

just an idea as far as your feeling

561

00:28:20,400 --> 00:28:18,490

there it was interesting to me the

562

00:28:23,160 --> 00:28:20,410

difference you know there was definitely

563

00:28:24,990 --> 00:28:23,170

like I said as a I can walk through the

564

00:28:27,390 --> 00:28:25,000

model and pretty much tell everybody's

565

00:28:29,430 --> 00:28:27,400

story like people I mean I don't like to

566

00:28:30,660 --> 00:28:29,440

do that because I like to just shop like

567

00:28:33,180 --> 00:28:30,670

regular people

568

00:28:34,650 --> 00:28:33,190

people ask me that nice to walk by and I

569

00:28:36,030 --> 00:28:34,660

can go oh yes they're having trouble

570

00:28:38,040 --> 00:28:36,040

with this they have this background Oh

571

00:28:40,830 --> 00:28:38,050

yep it's like I know everybody's story

572

00:28:43,680 --> 00:28:40,840

and so with this person I didn't know

573

00:28:45,180 --> 00:28:43,690

did Ori very interesting and no and me

574

00:28:47,280 --> 00:28:45,190

and my son looked at each other and we

575

00:28:49,260 --> 00:28:47,290

were both like I said did you notice

576

00:28:51,150 --> 00:28:49,270

that he's like yeah did you I'm like

577

00:28:53,760 --> 00:28:51,160

yeah okay it was very interesting

578

00:28:58,110 --> 00:28:53,770

conscious what well Jennifer I want to

579

00:29:00,360 --> 00:28:58,120

bring in the animal kingdom because

580

00:29:04,920 --> 00:29:00,370

that's something I wanted to discuss for

581

00:29:07,890 --> 00:29:04,930

a long time and Diane has her menagerie

582

00:29:11,030 --> 00:29:07,900

of cats and dogs out there in st. Anne's

583

00:29:14,310 --> 00:29:11,040

various st. Ansgar but how do you

584

00:29:19,040 --> 00:29:14,320

mentioned it to me and in our one of our

585

00:29:22,980 --> 00:29:19,050

email conversations that animals are

586

00:29:26,460 --> 00:29:22,990

pretty developed when it comes to tuning

587

00:29:29,130 --> 00:29:26,470

into the spiritual world how did you

588

00:29:34,130 --> 00:29:29,140

find that out and what is your connect

589

00:29:38,990 --> 00:29:34,140

connection with the animal kingdom Wow

590

00:29:42,300 --> 00:29:39,000

Jennifer Jennifer yes all right because

591

00:29:45,780 --> 00:29:42,310

they telepathically can talk to me just

592

00:29:48,690 --> 00:29:45,790

like a spirit can and so one of the

593

00:29:50,610 --> 00:29:48,700

things my ability with vibrations is

594

00:29:52,950 --> 00:29:50,620

like I said when I read people's stories

595

00:29:54,180 --> 00:29:52,960

I also get a vibration off of them so

596

00:29:56,190 --> 00:29:54,190

like if

597

00:29:58,920 --> 00:29:56,200

if somebody is a low vibration I get

598

00:30:00,240 --> 00:29:58,930

this low weird feeling from them and the

599

00:30:02,010 --> 00:30:00,250

only way I can describe it is it's

600

00:30:03,390 --> 00:30:02,020

almost like if you play notes on a

601
00:30:05,090 --> 00:30:03,400
guitar or something you have the low

602
00:30:07,650 --> 00:30:05,100
notes and then you have the high notes

603
00:30:09,990 --> 00:30:07,660
animals always have a very high

604
00:30:12,600 --> 00:30:10,000
vibration to them any animals that I

605
00:30:14,280 --> 00:30:12,610
come into contact with and I started

606
00:30:17,400 --> 00:30:14,290
kind of looking into that a little bit

607
00:30:19,680 --> 00:30:17,410
more as I noticed the energy of the

608
00:30:23,250 --> 00:30:19,690
earth and the universe and just around

609
00:30:26,000 --> 00:30:23,260
in as a whole was beginning to rise and

610
00:30:28,620 --> 00:30:26,010
it was causing people a lot of issues

611
00:30:29,790 --> 00:30:28,630
some people aren't doing so well with

612
00:30:32,070 --> 00:30:29,800
that and other people are doing

613
00:30:34,980 --> 00:30:32,080

wonderfully with that because you have

614

00:30:36,660 --> 00:30:34,990

everybody vibrates this is a scientific

615

00:30:38,670 --> 00:30:36,670

thing it's not like it's a metaphysical

616

00:30:40,320 --> 00:30:38,680

thing that that we are made of energy

617

00:30:42,450 --> 00:30:40,330

and there's a vibration that comes from

618

00:30:44,400 --> 00:30:42,460

us well so was there from the earth

619

00:30:46,380 --> 00:30:44,410

well when I started noticing that people

620

00:30:48,740 --> 00:30:46,390

were having difficulty animals are not

621

00:30:51,900 --> 00:30:48,750

having difficulty they are very much

622

00:30:54,270 --> 00:30:51,910

tuning in to this new vibration that's

623

00:30:56,400 --> 00:30:54,280

coming and I can feel their vibration

624

00:30:59,520 --> 00:30:56,410

higher and higher and I can hear and I

625

00:31:02,310 --> 00:30:59,530

can I can feel it I can see it and they

626

00:31:05,340 --> 00:31:02,320

are trying more now they're noticing

627

00:31:07,920 --> 00:31:05,350

that people's vibrations are now raising

628

00:31:08,850 --> 00:31:07,930

higher than they have been in several

629

00:31:11,520 --> 00:31:08,860

hundred years

630

00:31:13,710 --> 00:31:11,530

so as people's vibrations are raising

631

00:31:15,750 --> 00:31:13,720

what some of people are noticing is

632

00:31:17,850 --> 00:31:15,760

animals intently staring at them or

633

00:31:19,770 --> 00:31:17,860

really trying to communicate with people

634

00:31:21,330 --> 00:31:19,780

there there are a lot more where the

635

00:31:23,820 --> 00:31:21,340

animals and the animals are a lot more

636

00:31:25,470 --> 00:31:23,830

aware of them because they are really

637

00:31:27,240 --> 00:31:25,480

trying to communicate with people

638

00:31:30,450 --> 00:31:27,250

because they know that as their

639

00:31:32,160 --> 00:31:30,460

vibration raises they may possibly have

640

00:31:34,050 --> 00:31:32,170

the ability to communicate

641

00:31:38,760 --> 00:31:34,060

telepathically which is what animals do

642

00:31:41,730 --> 00:31:38,770

so they're really almost being guiders

643

00:31:43,320 --> 00:31:41,740

in a sense of helping people kind of

644

00:31:45,060 --> 00:31:43,330

raise their vibration the difference

645

00:31:47,970 --> 00:31:45,070

between people and animals are animals

646

00:31:50,820 --> 00:31:47,980

don't offer resistance people do so

647

00:31:54,780 --> 00:31:50,830

because we have free will we can resist

648

00:31:56,820 --> 00:31:54,790

change and we can resist our soul and

649

00:31:58,380 --> 00:31:56,830

internal body wanting to learn more and

650

00:31:59,910 --> 00:31:58,390

wanting to be more spiritual wanting to

651
00:32:01,740 --> 00:31:59,920
be curious about the aliens why don't

652
00:32:03,780 --> 00:32:01,750
you be curious about the universe we can

653
00:32:06,300 --> 00:32:03,790
resist that by our brain going well this

654
00:32:08,010 --> 00:32:06,310
is stupid or nobody is listening to me

655
00:32:09,300 --> 00:32:08,020
we can just shut it down

656
00:32:12,060 --> 00:32:09,310
animals don't do that they just

657
00:32:14,070 --> 00:32:12,070
naturally move in any direction because

658
00:32:16,740 --> 00:32:14,080
they are so tuned into the spiritual

659
00:32:18,390 --> 00:32:16,750
world and - they're tuned into the

660
00:32:20,580 --> 00:32:18,400
vibration of the earth so they're very

661
00:32:22,230 --> 00:32:20,590
aware of any earth changes they're very

662
00:32:25,260 --> 00:32:22,240
aware of any spirits that are around

663
00:32:27,210 --> 00:32:25,270

obviously you know there's been things

664

00:32:30,390 --> 00:32:27,220

where tsunamis happens and animals run

665

00:32:31,740 --> 00:32:30,400

to Highland my animals in particular we

666

00:32:33,360 --> 00:32:31,750

have a lot of spirit activity around

667

00:32:36,450 --> 00:32:33,370

anywhere I've ever lived

668

00:32:39,030 --> 00:32:36,460

I've decided they just follow us but in

669

00:32:41,340 --> 00:32:39,040

any ways my animals when there's a

670

00:32:43,050 --> 00:32:41,350

spirit in the room boy they know it you

671

00:32:45,180 --> 00:32:43,060

know they're very tuned in to that

672

00:32:49,950 --> 00:32:45,190

vibration at the higher vibrations and

673

00:32:52,980 --> 00:32:49,960

what our physical mind is used to that

674

00:32:55,580 --> 00:32:52,990

makes sense and you you say that they're

675

00:32:59,370 --> 00:32:55,590

actually trying to guide us into a new

676

00:33:01,110 --> 00:32:59,380

consciousness era mm-hmm

677

00:33:03,180 --> 00:33:01,120

they are really trying to connect with

678

00:33:05,700 --> 00:33:03,190

us and trying to get us to tune into

679

00:33:07,700 --> 00:33:05,710

that part of yourself so they're trying

680

00:33:10,530 --> 00:33:07,710

to connect with you and if you sit there

681

00:33:12,000 --> 00:33:10,540

so for instance for people who are not

682

00:33:13,770 --> 00:33:12,010

understanding what I'm saying you're

683

00:33:16,620 --> 00:33:13,780

gonna probably notice that more pets

684

00:33:19,140 --> 00:33:16,630

that you're around or your own pets are

685

00:33:21,270 --> 00:33:19,150

going to almost be more they're going to

686

00:33:22,380 --> 00:33:21,280

be watching you more the eye contact is

687

00:33:23,910 --> 00:33:22,390

going to be more you're going to be

688

00:33:25,890 --> 00:33:23,920

around more animals in general more

689

00:33:28,440 --> 00:33:25,900

birds more insects people are starting

690

00:33:31,640 --> 00:33:28,450

to see a lot more of them and they're

691

00:33:33,600 --> 00:33:31,650

going to show up at different times

692

00:33:35,730 --> 00:33:33,610

synchronistic times - maybe you

693

00:33:37,980 --> 00:33:35,740

wondering should I do this and maybe you

694

00:33:40,290 --> 00:33:37,990

are really interested in frogs and all

695

00:33:41,460 --> 00:33:40,300

of a sudden you have this frog in front

696

00:33:43,770 --> 00:33:41,470

of your path which you haven't seen a

697

00:33:47,280 --> 00:33:43,780

frog in ten months they're they're very

698

00:33:49,320 --> 00:33:47,290

in tune to what your desires are and

699

00:33:51,630 --> 00:33:49,330

they're very synchronistic and helping

700

00:33:54,330 --> 00:33:51,640

to show up and do different timing type

701
00:33:56,640 --> 00:33:54,340
things because they're so in tune with

702
00:33:58,170 --> 00:33:56,650
what's happening that they will you know

703
00:33:59,910 --> 00:33:58,180
they'll help guide you in that way

704
00:34:02,400 --> 00:33:59,920
they'll help show up when you need an

705
00:34:05,400 --> 00:34:02,410
answer for something they'll just be

706
00:34:07,890 --> 00:34:05,410
there at odd times so people are

707
00:34:10,500 --> 00:34:07,900
noticing Birds showing up a very strange

708
00:34:12,270 --> 00:34:10,510
time that birds that mean something to

709
00:34:15,000 --> 00:34:12,280
them or that remind them of somebody

710
00:34:17,250 --> 00:34:15,010
it's very important times when they're

711
00:34:19,320 --> 00:34:17,260
trying to figure out something they're

712
00:34:22,230 --> 00:34:19,330
noticing their animals doing having

713
00:34:23,640 --> 00:34:22,240

certain behaviors to get their attention

714

00:34:25,920 --> 00:34:23,650

when they're trying to make a decision

715

00:34:29,160 --> 00:34:25,930

about something or really trying to

716

00:34:30,510 --> 00:34:29,170

connect with them you know on a when

717

00:34:33,620 --> 00:34:30,520

they're struggling with something it's

718

00:34:36,480 --> 00:34:33,630

so the connection and the synchronous

719

00:34:39,000 --> 00:34:36,490

synchronistic behavior of animals right

720

00:34:42,090 --> 00:34:39,010

now when you're struggling or you're

721

00:34:44,610 --> 00:34:42,100

trying to move forward is off the charts

722

00:34:47,340 --> 00:34:44,620

because they're so in tune with trying

723

00:34:48,990 --> 00:34:47,350

to help you move forward now Tim you you

724

00:34:52,830 --> 00:34:49,000

you have a couple of pets right

725

00:34:56,100 --> 00:34:52,840

I don't think Tim's on anymore Oh what

726

00:34:59,730 --> 00:34:56,110

happened to him oh well anyway would you

727

00:35:02,610 --> 00:34:59,740

say Jennifer that one animal may be more

728

00:35:05,400 --> 00:35:02,620

attuned the than another I mean do you

729

00:35:08,220 --> 00:35:05,410

find that cats have a higher vibration

730

00:35:13,410 --> 00:35:08,230

or excel in one area that more so than a

731

00:35:16,200 --> 00:35:13,420

dog or a bird or a horse my personal

732

00:35:19,200 --> 00:35:16,210

experience is it doesn't matter the kind

733

00:35:21,750 --> 00:35:19,210

of animal it just matters to the animal

734

00:35:23,760 --> 00:35:21,760

itself so just like humans you know some

735

00:35:27,450 --> 00:35:23,770

of us are a little bit higher vibration

736

00:35:30,510 --> 00:35:27,460

others birds and cats and horses and

737

00:35:32,730 --> 00:35:30,520

dogs they can't they all tend to have a

738

00:35:34,890 --> 00:35:32,740

very high vibration and it's raising

739

00:35:38,460 --> 00:35:34,900

they're getting their vibration is

740

00:35:41,430 --> 00:35:38,470

getting even higher as we're moving

741

00:35:44,940 --> 00:35:41,440

forth so it doesn't matter the type of

742

00:35:47,670 --> 00:35:44,950

animal no that's not my experience now

743

00:35:52,500 --> 00:35:47,680

would you consider yourself an animal

744

00:35:55,740 --> 00:35:52,510

whisperer well I guess I would consider

745

00:35:58,770 --> 00:35:55,750

myself an animal communicator you know

746

00:36:00,210 --> 00:35:58,780

especially what I don't have trouble

747

00:36:01,620 --> 00:36:00,220

communicating with animals I don't have

748

00:36:03,030 --> 00:36:01,630

trouble understanding what they need and

749

00:36:04,350 --> 00:36:03,040

I'm sure Diane doesn't sound like she

750

00:36:07,470 --> 00:36:04,360

does at all

751

00:36:08,970 --> 00:36:07,480

but you know anybody can tune in to

752

00:36:10,290 --> 00:36:08,980

their animals that they know how they

753

00:36:12,570 --> 00:36:10,300

communicate and they communicate through

754

00:36:14,640 --> 00:36:12,580

blocks of thoughts and they communicate

755

00:36:16,260 --> 00:36:14,650

telepathically because that's how it's

756

00:36:17,490 --> 00:36:16,270

done in the spiritual realm even when

757

00:36:19,740 --> 00:36:17,500

I'm asked you're traveling it's really

758

00:36:21,870 --> 00:36:19,750

funny because when I'm communicating

759

00:36:25,590 --> 00:36:21,880

with people in the spirit realm or

760

00:36:28,200 --> 00:36:25,600

wherever I remember this is a hilarious

761

00:36:30,420 --> 00:36:28,210

story I thought this story is so weird

762

00:36:33,030 --> 00:36:30,430

so I remember one day after traveling

763

00:36:34,200 --> 00:36:33,040

out into and I don't like to ask for

764

00:36:35,670 --> 00:36:34,210

trouble I'm just gonna throw that out

765

00:36:38,549 --> 00:36:35,680

there because when I

766

00:36:40,530 --> 00:36:38,559

trying to get back in body it takes me

767

00:36:42,089 --> 00:36:40,540

I'm very very groggy and it takes me a

768

00:36:44,700 --> 00:36:42,099

long time to kind of get back and body

769

00:36:46,859 --> 00:36:44,710

so one time I found myself out in the

770

00:36:48,450 --> 00:36:46,869

field we had like seven acres and I

771

00:36:50,130 --> 00:36:48,460

thought what am i doing out here except

772

00:36:54,540 --> 00:36:50,140

like ten degrees this was when I was on

773

00:36:56,010 --> 00:36:54,550

the mainland and I looked down and I'm

774

00:36:58,920 --> 00:36:56,020

about three feet off the ground

775

00:37:01,140 --> 00:36:58,930

and I'm like oh man I'm after traveling

776

00:37:02,910 --> 00:37:01,150

and I was really freaked out because I

777

00:37:04,740 --> 00:37:02,920

knew the Sun was coming up because it

778

00:37:06,329 --> 00:37:04,750

was up and I knew I was going to wake up

779

00:37:09,000 --> 00:37:06,339

soon and I knew I had to get back to my

780

00:37:11,040 --> 00:37:09,010

body and so I was trying to hurry up and

781

00:37:12,960 --> 00:37:11,050

get back to the house so I floated to

782

00:37:14,670 --> 00:37:12,970

the house and I and this is so weird

783

00:37:19,500 --> 00:37:14,680

that I would even think this Diane don't

784

00:37:21,990 --> 00:37:19,510

judge me but I know I'm gonna scare my

785

00:37:23,309 --> 00:37:22,000

dog because my dog could always bark at

786

00:37:25,319 --> 00:37:23,319

spirits and I had this great

787

00:37:27,569 --> 00:37:25,329

relationship with my German Shepherd

788

00:37:28,920 --> 00:37:27,579

loved her and we would have the best

789

00:37:31,980 --> 00:37:28,930

time together and I thought it would be

790

00:37:33,089 --> 00:37:31,990

a fun thing and so I I went through the

791

00:37:34,260 --> 00:37:33,099

door like because when your apps

792

00:37:36,299 --> 00:37:34,270

traveling you just go right through

793

00:37:38,730 --> 00:37:36,309

stuff I went through the door and I went

794

00:37:41,339 --> 00:37:38,740

right up to my dog who was named vixen

795

00:37:42,960 --> 00:37:41,349

and I was like hi vixen and I thought oh

796

00:37:44,640 --> 00:37:42,970

she's gonna start barking at me cuz she

797

00:37:47,069 --> 00:37:44,650

barks at all the spirits and she just

798

00:37:49,589 --> 00:37:47,079

looked at me like are you ridiculous

799

00:37:53,250 --> 00:37:49,599

right now I know who you are and I

800

00:37:55,620 --> 00:37:53,260

thought really and so she was telling me

801
00:37:58,200 --> 00:37:55,630
you're being silly I know who you are I

802
00:37:59,849 --> 00:37:58,210
know what you look like and I can see

803
00:38:02,160 --> 00:37:59,859
you and so I was like well that was

804
00:38:04,049 --> 00:38:02,170
totally not fun and so then I floated

805
00:38:08,099 --> 00:38:04,059
into my room seeing myself on the bed

806
00:38:09,960 --> 00:38:08,109
went down and I went back into body and

807
00:38:12,630 --> 00:38:09,970
then I woke up immediately when I was in

808
00:38:14,730 --> 00:38:12,640
body i sat up but again it's not my

809
00:38:17,190 --> 00:38:14,740
favorite thanks - I just find myself out

810
00:38:21,569 --> 00:38:17,200
somewhere I'm like oh geez I'm out again

811
00:38:23,190 --> 00:38:21,579
so but they during that time she was

812
00:38:26,099 --> 00:38:23,200
speaking with me telepathically just

813
00:38:27,599 --> 00:38:26,109

like she would normally it's like you're

814

00:38:29,460 --> 00:38:27,609

having a conversation on your mouths not

815

00:38:31,579 --> 00:38:29,470

moving it's literally like you're having

816

00:38:36,030 --> 00:38:31,589

a conversation right mm-hmm

817

00:38:38,789 --> 00:38:36,040

now what okay let's say the average

818

00:38:40,559 --> 00:38:38,799

person here I have my little kind of

819

00:38:44,940 --> 00:38:40,569

adopted cat

820

00:38:49,049 --> 00:38:44,950

Earl and how do I know for example that

821

00:38:49,590 --> 00:38:49,059

he's trying to say something to me I

822

00:38:52,200 --> 00:38:49,600

mean we

823

00:38:55,560 --> 00:38:52,210

really had usually would I show up at my

824

00:38:58,800 --> 00:38:55,570

friend April's the house Hill will take

825

00:39:01,740 --> 00:38:58,810

off at the other direction I mean how do

826

00:39:04,770 --> 00:39:01,750

we how do we how do we know that we're

827

00:39:07,320 --> 00:39:04,780

actually creating a bond

828

00:39:10,710 --> 00:39:07,330

what what what what sign can people look

829

00:39:12,210 --> 00:39:10,720

for it's a regular though they'll come

830

00:39:14,310 --> 00:39:12,220

up to you they'll try to make eye

831

00:39:16,650 --> 00:39:14,320

contact with you they'll make skin

832

00:39:19,200 --> 00:39:16,660

contact with you you know they will they

833

00:39:22,050 --> 00:39:19,210

will be around you in some manner that

834

00:39:23,520 --> 00:39:22,060

is it's a bonding connection where

835

00:39:26,040 --> 00:39:23,530

they'll tried it like I said they'll

836

00:39:28,650 --> 00:39:26,050

come right up to you or though if you if

837

00:39:30,150 --> 00:39:28,660

your if your cat is running off he's

838

00:39:33,350 --> 00:39:30,160

like yeah I don't I don't feel like

839

00:39:36,990 --> 00:39:33,360

talking to you right now like we're dead

840

00:39:39,270 --> 00:39:37,000

but you sort of have to live with a cat

841

00:39:42,270 --> 00:39:39,280

I think it's really hesitant to that's

842

00:39:44,610 --> 00:39:42,280

probably the the basic thing - yeah but

843

00:39:46,920 --> 00:39:44,620

more more so than a dog I would guess

844

00:39:49,020 --> 00:39:46,930

but Jennifer how about we've talked

845

00:39:53,040 --> 00:39:49,030

about pretty much domestic animals how

846

00:39:56,070 --> 00:39:53,050

about a jungle animals you know Wild

847

00:40:01,650 --> 00:39:56,080

Kingdom and all I mean are the same

848

00:40:04,950 --> 00:40:01,660

thing I mean they're I have I've always

849

00:40:06,270 --> 00:40:04,960

had a very hard time going to a zoo even

850

00:40:07,470 --> 00:40:06,280

when I was little of course that's where

851
00:40:08,940 --> 00:40:07,480
everybody wants to take you when you're

852
00:40:12,020 --> 00:40:08,950
little right especially because I'm I'm

853
00:40:15,180 --> 00:40:12,030
like old so that was a thing back then

854
00:40:18,120 --> 00:40:15,190
but if you go to a zoo or went to a

855
00:40:20,340 --> 00:40:18,130
circus or something like the animals the

856
00:40:23,670 --> 00:40:20,350
intelligence that the vibration of those

857
00:40:27,360 --> 00:40:23,680
animals are well if if you go into a zoo

858
00:40:29,010 --> 00:40:27,370
or circus it's horrible because and I'm

859
00:40:31,910 --> 00:40:29,020
sure Diane again can attest to this

860
00:40:34,890 --> 00:40:31,920
right right and very valiant and the

861
00:40:37,290 --> 00:40:34,900
vibration that they have is so low it's

862
00:40:39,440 --> 00:40:37,300
it's about brings you to tears if you're

863
00:40:42,270 --> 00:40:39,450

if you can communicate with them and

864

00:40:44,640 --> 00:40:42,280

they become very isolated and

865

00:40:47,670 --> 00:40:44,650

introverted in their head but if you see

866

00:40:51,930 --> 00:40:47,680

them in wild and even like some of the

867

00:40:54,540 --> 00:40:51,940

fish or like you know Chuck's and and

868

00:40:56,910 --> 00:40:54,550

fish are very respected out here as well

869

00:40:59,580 --> 00:40:56,920

as dolphins and there when you see them

870

00:41:02,910 --> 00:40:59,590

in the wild it's the vibration you know

871

00:41:05,220 --> 00:41:02,920

that's why when you see when you go

872

00:41:07,109 --> 00:41:05,230

a lot of times to let's say a safari or

873

00:41:11,069 --> 00:41:07,119

something and you get that that most

874

00:41:12,870 --> 00:41:11,079

amazing like wow this is amazing to see

875

00:41:15,120 --> 00:41:12,880

these animals like there's almost always

876

00:41:16,680 --> 00:41:15,130

you will feel that way and when you see

877

00:41:18,210 --> 00:41:16,690

an animal in the wild and it's because

878

00:41:20,339 --> 00:41:18,220

you're you know you you feel their

879

00:41:23,010 --> 00:41:20,349

vibration their vibration is off the

880

00:41:27,390 --> 00:41:23,020

charts it's the most amazing feeling to

881

00:41:30,030 --> 00:41:27,400

be around an animal in the wild let me

882

00:41:32,069 --> 00:41:30,040

ask you this ask you this Jennifer and I

883

00:41:34,920 --> 00:41:32,079

don't mean to contradict your thinking

884

00:41:37,079 --> 00:41:34,930

on this but don't you also think okay we

885

00:41:40,190 --> 00:41:37,089

have zoos and we have circuses and

886

00:41:43,680 --> 00:41:40,200

certainly animals should be at a well

887

00:41:45,690 --> 00:41:43,690

treated but if there were no zoos and no

888

00:41:48,960 --> 00:41:45,700

circuses don't you think that I mean

889

00:41:50,809 --> 00:41:48,970

children and in even adults would have

890

00:41:54,740 --> 00:41:50,819

no way to know that even these animal

891

00:41:57,030 --> 00:41:54,750

animals exist or there would be no

892

00:41:58,980 --> 00:41:57,040

interchange of vibrations or anything

893

00:42:02,190 --> 00:41:58,990

with them I mean if you never saw a

894

00:42:04,260 --> 00:42:02,200

dolphin again or you never saw a lion or

895

00:42:07,799 --> 00:42:04,270

a tiger don't you think you would be

896

00:42:09,630 --> 00:42:07,809

missing out on something well my

897

00:42:10,980 --> 00:42:09,640

personal opinion is probably going to

898

00:42:12,630 --> 00:42:10,990

differ from a lot of people but I

899

00:42:14,370 --> 00:42:12,640

absolutely think they should do away

900

00:42:16,559 --> 00:42:14,380

with the zoos in the circuses because

901
00:42:19,589 --> 00:42:16,569
the feeling of the animals and how

902
00:42:23,039 --> 00:42:19,599
depressed that they are and how I don't

903
00:42:24,960 --> 00:42:23,049
know why I saw that I saw that pad that

904
00:42:26,720 --> 00:42:24,970
going back to China and he looked pretty

905
00:42:30,150 --> 00:42:26,730
happy setting up in the tree there

906
00:42:34,319 --> 00:42:30,160
eating his sugar cane I don't know you

907
00:42:36,299 --> 00:42:34,329
know if he would be a rehab rehab might

908
00:42:38,549 --> 00:42:36,309
be different or something I've never

909
00:42:41,250 --> 00:42:38,559
I've never personally been to a rehab

910
00:42:43,200 --> 00:42:41,260
place or a one where they're trying to

911
00:42:44,880 --> 00:42:43,210
save the species I'm not entirely sure

912
00:42:47,730 --> 00:42:44,890
but when I've been around captured

913
00:42:50,010 --> 00:42:47,740

animals it's not awesome ones that are

914

00:42:52,230 --> 00:42:50,020

wounded that need to be protected and

915

00:42:53,910 --> 00:42:52,240

then released I think that there

916

00:42:57,630 --> 00:42:53,920

absolutely is a place for that but in my

917

00:43:00,000 --> 00:42:57,640

opinion I think documentaries book you

918

00:43:01,650 --> 00:43:00,010

know some people live I lived in an area

919

00:43:03,690 --> 00:43:01,660

there was no zoo and I'm certain that a

920

00:43:05,730 --> 00:43:03,700

lot of those kids grew up never being to

921

00:43:08,609 --> 00:43:05,740

Adu you know and they still know about

922

00:43:09,569 --> 00:43:08,619

animal well maybe they see them on TV or

923

00:43:11,490 --> 00:43:09,579

something like that

924

00:43:13,349 --> 00:43:11,500

anyway I Jennifer are you gonna stick

925

00:43:14,700 --> 00:43:13,359

around with us or do you have do you

926
00:43:16,890 --> 00:43:14,710
have to go because I do want to give you

927
00:43:18,330 --> 00:43:16,900
the opportunity to

928
00:43:20,100 --> 00:43:18,340
you know tell us about your books I have

929
00:43:22,140 --> 00:43:20,110
a little bit more time all hey I'll hang

930
00:43:26,220 --> 00:43:22,150
out with you guys okay fine fine we'll

931
00:43:28,200 --> 00:43:26,230
be having a break in a few minutes this

932
00:43:30,720 --> 00:43:28,210
one is a little longer than the last a

933
00:43:32,640 --> 00:43:30,730
couple of them now where did you where

934
00:43:33,810 --> 00:43:32,650
did you live if I may ask before you

935
00:43:37,500 --> 00:43:33,820
move to Hawaii

936
00:43:39,740 --> 00:43:37,510
I actually lived in the mainland in

937
00:43:43,500 --> 00:43:39,750
South Dakota that was over 10 years ago

938
00:43:45,660 --> 00:43:43,510

I've been out for quite a while now very

939

00:43:50,190 --> 00:43:45,670

different there it was right in the

940

00:43:51,090 --> 00:43:50,200

middle of the United States I would I

941

00:43:53,730 --> 00:43:51,100

would guess so

942

00:43:56,160 --> 00:43:53,740

any particular reason that you that you

943

00:43:59,970 --> 00:43:56,170

moved I mean was there any mysticism

944

00:44:01,290 --> 00:43:59,980

involved in it no there wasn't any

945

00:44:03,420 --> 00:44:01,300

involved in it but I'll tell you what

946

00:44:04,830 --> 00:44:03,430

there was a lot when we got here there's

947

00:44:07,560 --> 00:44:04,840

a lot of stuff that goes on in Hawaii

948

00:44:09,600 --> 00:44:07,570

that's pretty amazing one of the things

949

00:44:11,610 --> 00:44:09,610

that happens often to people and it

950

00:44:12,660 --> 00:44:11,620

happened to several of us in the family

951
00:44:16,260 --> 00:44:12,670
and but it's known

952
00:44:18,930 --> 00:44:16,270
it's the Hawaiians talk about it is you

953
00:44:20,760 --> 00:44:18,940
actually end up tired not I guess I

954
00:44:23,700 --> 00:44:20,770
wouldn't say time-jumping but space

955
00:44:25,440 --> 00:44:23,710
jumping or something there's been times

956
00:44:27,180 --> 00:44:25,450
where I remember one way and this is

957
00:44:30,000 --> 00:44:27,190
just one instance when we first moved

958
00:44:31,140 --> 00:44:30,010
out here or not first moved out here

959
00:44:32,430 --> 00:44:31,150
we've been out here for a little bit

960
00:44:34,260 --> 00:44:32,440
what we were following somebody who was

961
00:44:35,520 --> 00:44:34,270
moving towards our town and we were

962
00:44:40,110 --> 00:44:35,530
going from one side of the island to the

963
00:44:43,080 --> 00:44:40,120

other and this person whom we were

964

00:44:46,320 --> 00:44:43,090

following who had like a bunch of moving

965

00:44:48,570 --> 00:44:46,330

stuff in their truck was started to go

966

00:44:50,700 --> 00:44:48,580

I'm and they were literally in front of

967

00:44:53,340 --> 00:44:50,710

us so there's no way for us to miss this

968

00:44:56,010 --> 00:44:53,350

person like none they were like I don't

969

00:44:57,720 --> 00:44:56,020

know where I am and my dad was talking

970

00:44:59,640 --> 00:44:57,730

to her and she was they look around

971

00:45:01,730 --> 00:44:59,650

where are you what what do you see what

972

00:45:04,410 --> 00:45:01,740

signs do you see what do you see Wow

973

00:45:06,680 --> 00:45:04,420

nothing yet I can't see where I'm at I

974

00:45:10,110 --> 00:45:06,690

have no idea where I am long story short

975

00:45:12,960 --> 00:45:10,120

when she figured out where she was she

976
00:45:16,520 --> 00:45:12,970
was about ten miles behind us five miles

977
00:45:18,720 --> 00:45:16,530
behind us probably not Jim five miles be

978
00:45:24,150 --> 00:45:18,730
something had happened and she was

979
00:45:26,160 --> 00:45:24,160
literally behind us and and had IED

980
00:45:28,500 --> 00:45:26,170
we're not even sure we would have passed

981
00:45:30,450 --> 00:45:28,510
her that had and we were like what are

982
00:45:30,690 --> 00:45:30,460
you doing there like that she could cuz

983
00:45:32,160 --> 00:45:30,700
she was

984
00:45:34,109 --> 00:45:32,170
in front of us that happened to my

985
00:45:38,370 --> 00:45:34,119
husband my headphones going to work one

986
00:45:41,760 --> 00:45:38,380
day he stopped at a stoplight and he

987
00:45:43,079 --> 00:45:41,770
started it was like a millisecond that

988
00:45:45,000 --> 00:45:43,089

he was at the stoplight next thing you

989

00:45:48,420 --> 00:45:45,010

know he's 5 miles down the road in front

990

00:45:50,310 --> 00:45:48,430

of where he was and my husband is way

991

00:45:52,829 --> 00:45:50,320

more skeptical than like he's not like

992

00:45:54,690 --> 00:45:52,839

me and he was like it totally freaked

993

00:45:58,500 --> 00:45:54,700

him out because he couldn't even

994

00:46:01,260 --> 00:45:58,510

understand where he was trying to make

995

00:46:04,910 --> 00:46:01,270

it it saves on gas a little I guess but

996

00:46:07,920 --> 00:46:04,920

yeah you know a lot of weird things

997

00:46:09,990 --> 00:46:07,930

there there's a an episode of mysteries

998

00:46:12,060 --> 00:46:10,000

of the national parks that they show on

999

00:46:15,780 --> 00:46:12,070

the Travel Channel from time to time and

1000

00:46:19,140 --> 00:46:15,790

I'm on they're talking about well Madame

1001
00:46:22,140 --> 00:46:19,150
Pele you know she is every time the

1002
00:46:25,410 --> 00:46:22,150
volcano is about to explode she appears

1003
00:46:27,270 --> 00:46:25,420
as a fiery redhead hitchhiking along the

1004
00:46:29,910 --> 00:46:27,280
highway and of course some people will

1005
00:46:31,349 --> 00:46:29,920
pick her pick her up you know and shoo

1006
00:46:33,540 --> 00:46:31,359
you'll be sitting in the backseat and

1007
00:46:34,859 --> 00:46:33,550
they'll be having a conversation and all

1008
00:46:36,930 --> 00:46:34,869
of a sudden they'll turn around and

1009
00:46:37,800 --> 00:46:36,940
she'll be gone and then within a couple

1010
00:46:41,670 --> 00:46:37,810
of hours

1011
00:46:44,790 --> 00:46:41,680
there is a volcanic eruption or the of a

1012
00:46:48,180 --> 00:46:44,800
volcano begins to overflow and of course

1013
00:46:50,270 --> 00:46:48,190

there are the the night walkers who we

1014

00:46:53,040 --> 00:46:50,280

may have had a sighting you know we have

1015

00:46:55,339 --> 00:46:53,050

we've had lots of experiences with the

1016

00:46:59,970 --> 00:46:55,349

night Walker's especially I am my

1017

00:47:01,829 --> 00:46:59,980

husband they work construction so he was

1018

00:47:04,859 --> 00:47:01,839

a - he was a vice president and then

1019

00:47:07,620 --> 00:47:04,869

there's the construction crews there's

1020

00:47:10,620 --> 00:47:07,630

very specific areas in Hawaii that you

1021

00:47:12,089 --> 00:47:10,630

the honest to god god you want to make

1022

00:47:15,359 --> 00:47:12,099

sure that they're blessed and if they're

1023

00:47:17,280 --> 00:47:15,369

not blessed tonight Walker I don't care

1024

00:47:20,370 --> 00:47:17,290

how skeptical you are they will come in

1025

00:47:22,490 --> 00:47:20,380

I don't think any that don't take any

1026

00:47:25,829 --> 00:47:22,500

don't take any of the rocks is a

1027

00:47:28,170 --> 00:47:25,839

souvenir from around the volcano why see

1028

00:47:31,410 --> 00:47:28,180

we're coming up coming up to our break

1029

00:47:34,859 --> 00:47:31,420

here in 30 seconds and Tim Schwartz is

1030

00:47:37,470 --> 00:47:34,869

back online so we will be back in Tim

1031

00:47:41,099 --> 00:47:37,480

and the earth will stay with us I hope

1032

00:47:43,349 --> 00:47:41,109

we'll be back in just a few minutes with

1033

00:47:45,450 --> 00:47:43,359

some more exciting adventures in

1034

00:47:49,650 --> 00:47:45,460

exploring the

1035

00:47:53,400 --> 00:47:49,660

bizarre and we've got a mighty important

1036

00:47:55,289 --> 00:47:53,410

hours still to go so I do call in and do

1037

00:48:04,430 --> 00:47:55,299

text us and go into the chat room

1038

00:48:11,390 --> 00:48:08,910

explode the bazaars or e-ticket ride

1039

00:48:14,670 --> 00:48:11,400

into the world of the paranoid

1040

00:48:18,980 --> 00:48:14,680

strap yourself in as we traverse the

1041

00:48:23,430 --> 00:48:18,990

universe exploring the unexplained UFO s

1042

00:48:27,569 --> 00:48:23,440

ghosts Lost Worlds cryptozoology waters

1043

00:48:32,069 --> 00:48:27,579

as well as other dimensions it's time to

1044

00:48:34,319 --> 00:48:32,079

take back the night now your

1045

00:48:42,170 --> 00:48:34,329

electrifying hosts of exploring the

1046

00:48:51,359 --> 00:48:45,990

Wow okay we're back for the second hour

1047

00:48:54,329 --> 00:48:51,369

of exploring and tonight is really up as

1048

00:48:56,690 --> 00:48:54,339

our evening well maybe not so a bizarre

1049

00:48:59,220 --> 00:48:56,700

we've had some pretty strange shows on

1050

00:49:01,890 --> 00:48:59,230

conversations in the past today

1051
00:49:05,519 --> 00:49:01,900
tonight where we're settling down that

1052
00:49:10,109 --> 00:49:05,529
we're talking about our animal friends

1053
00:49:14,609 --> 00:49:10,119
and we have with us Jennifer o Neill who

1054
00:49:17,490 --> 00:49:14,619
is out there in Hawaii and we have Diane

1055
00:49:21,180 --> 00:49:17,500
Tessman a longtime friend and associate

1056
00:49:27,779 --> 00:49:21,190
of ours who's in Iowa would that be

1057
00:49:31,410 --> 00:49:27,789
middle America yes it's six miles from

1058
00:49:38,779 --> 00:49:31,420
Minnesota and but you do you do live in

1059
00:49:42,029 --> 00:49:38,789
a very wooded area and yeah and you have

1060
00:49:45,630 --> 00:49:42,039
in fact ever since I've known you you've

1061
00:49:47,700 --> 00:49:45,640
had quite a menagerie of pets mainly

1062
00:49:51,779 --> 00:49:47,710
cats and dogs do you ever have any birds

1063
00:49:53,760 --> 00:49:51,789

or anything no no birds but I want to

1064

00:49:56,010 --> 00:49:53,770

say that at this point I have a

1065

00:49:59,789 --> 00:49:56,020

sanctuary it's bigger than a menagerie

1066

00:50:02,220 --> 00:49:59,799

or different and I started it when I

1067

00:50:03,870 --> 00:50:02,230

came back here 20 years ago because I

1068

00:50:05,640 --> 00:50:03,880

didn't want to just walk around my 10

1069

00:50:09,390 --> 00:50:05,650

acres I wanted to do something with it

1070

00:50:14,190 --> 00:50:09,400

so I started the star Network animal

1071

00:50:17,640 --> 00:50:14,200

sanctuary and my longtime readers donate

1072

00:50:21,180 --> 00:50:17,650

and contribute so it's a manifestation

1073

00:50:23,760 --> 00:50:21,190

of our star networks psychic energy

1074

00:50:26,099 --> 00:50:23,770

spiritual energy that has been together

1075

00:50:30,210 --> 00:50:26,109

we have cleansing healing days and why

1076

00:50:32,039 --> 00:50:30,220

not for 34 years so it's I think it's

1077

00:50:34,380 --> 00:50:32,049

kind of neat that we made a physical

1078

00:50:36,779 --> 00:50:34,390

manifestation to help nature's animals

1079

00:50:39,539 --> 00:50:36,789

because there's an awful lot of stray

1080

00:50:41,880 --> 00:50:39,549

cats feral cats gets really cold here

1081

00:50:44,519 --> 00:50:41,890

like 40 below in the winter so it's

1082

00:50:47,160 --> 00:50:44,529

brutal there's no shelter in this county

1083

00:50:47,460 --> 00:50:47,170

so at this point my menagerie which I've

1084

00:50:50,549 --> 00:50:47,470

always

1085

00:50:53,940 --> 00:50:50,559

yes had has turned in Outland then it's

1086

00:50:56,279 --> 00:50:53,950

a Wildlife Refuge too because I shelter

1087

00:50:58,620 --> 00:50:56,289

the deer from the hunters I'm the old

1088

00:51:02,220 --> 00:50:58,630

Witch of the West the hunters will tell

1089

00:51:05,160 --> 00:51:02,230

you and have all sorts of other wildlife

1090

00:51:08,099 --> 00:51:05,170

and birds while birds have have come

1091

00:51:11,730 --> 00:51:08,109

because I've let the trees grow mm-hmm

1092

00:51:13,589 --> 00:51:11,740

and and have you had I mean you you have

1093

00:51:15,599 --> 00:51:13,599

your favorite pets you've had some for

1094

00:51:17,700 --> 00:51:15,609

many many years and there are some that

1095

00:51:20,490 --> 00:51:17,710

are new arrivals and I know that the

1096

00:51:22,980 --> 00:51:20,500

local press has even done articles about

1097

00:51:24,829 --> 00:51:22,990

you and people have sent over animals

1098

00:51:28,559 --> 00:51:24,839

that have been injured and you've

1099

00:51:31,200 --> 00:51:28,569

brought them back to health yes people

1100

00:51:33,329 --> 00:51:31,210

not only send them over they dump them

1101
00:51:36,599 --> 00:51:33,339
here because they know I'll take care of

1102
00:51:39,539 --> 00:51:36,609
them so I've had like skin and bones

1103
00:51:42,569 --> 00:51:39,549
kittens one little guy thrown into the

1104
00:51:45,779 --> 00:51:42,579
yard not always so kind as to bring them

1105
00:51:49,559 --> 00:51:45,789
over but yeah I just took in a couple of

1106
00:51:52,140 --> 00:51:49,569
cats one is one-eyed and half his ear is

1107
00:51:55,559 --> 00:51:52,150
gone the other one has a big hole in his

1108
00:51:58,769 --> 00:51:55,569
palate but they're they're doing well

1109
00:52:01,170 --> 00:51:58,779
he's you know he can eat he has kind of

1110
00:52:03,569 --> 00:52:01,180
a lot of mucus but you know it's kind of

1111
00:52:05,339 --> 00:52:03,579
nitty-gritty and as far I was gonna say

1112
00:52:09,390 --> 00:52:05,349
what Jennifer was talking about the

1113
00:52:12,150 --> 00:52:09,400

vibration I really am happier being with

1114

00:52:15,450 --> 00:52:12,160

in an animal vibration these days nature

1115

00:52:17,670 --> 00:52:15,460

and my animals and I really kind of find

1116

00:52:21,120 --> 00:52:17,680

it difficult to be around a lot of

1117

00:52:25,920 --> 00:52:21,130

humans so I've become something of a

1118

00:52:30,269 --> 00:52:25,930

hermit but no is there a higher

1119

00:52:31,530 --> 00:52:30,279

vibration the animals I feel very at

1120

00:52:36,270 --> 00:52:31,540

ease with

1121

00:52:38,100 --> 00:52:36,280

now is there a psychic bond I mean how

1122

00:52:39,300 --> 00:52:38,110

did you first determine I know I guess

1123

00:52:41,670 --> 00:52:39,310

we've talked about this in the past

1124

00:52:44,270 --> 00:52:41,680

personally when we seen each other a

1125

00:52:47,310 --> 00:52:44,280

psychic bond I mean are some of your

1126
00:52:49,610 --> 00:52:47,320
animals reincarnated do you think I mean

1127
00:52:52,380 --> 00:52:49,620
do you believe in that concept er I

1128
00:52:54,800 --> 00:52:52,390
didn't necessarily believe or hadn't

1129
00:52:57,830 --> 00:52:54,810
really thought about it for animals I

1130
00:53:01,770 --> 00:52:57,840
think it's likely for life-forms

1131
00:53:03,990 --> 00:53:01,780
including humans nobody really knows to

1132
00:53:09,480 --> 00:53:04,000
be honest for sure what happens after

1133
00:53:11,930 --> 00:53:09,490
death it probably varies but yeah I have

1134
00:53:18,240 --> 00:53:11,940
had both a dog and a cat

1135
00:53:22,740 --> 00:53:18,250
absolutely reincarnate I had a yellow

1136
00:53:26,040 --> 00:53:22,750
Labrador named Cinci in Ireland where I

1137
00:53:29,730 --> 00:53:26,050
lived for five years and she lived to be

1138
00:53:31,680 --> 00:53:29,740

15 bought her back over here and she was

1139

00:53:33,630 --> 00:53:31,690

very much of an angel dog in the first

1140

00:53:36,630 --> 00:53:33,640

place because she had been dead at birth

1141

00:53:39,510 --> 00:53:36,640

and her original owner gave her

1142

00:53:43,230 --> 00:53:39,520

mouth-to-mouth resuscitation and bought

1143

00:53:46,110 --> 00:53:43,240

her back after three minutes so since he

1144

00:53:48,720 --> 00:53:46,120

was always very special and after 15

1145

00:53:52,140 --> 00:53:48,730

years it was time for it to leave and I

1146

00:53:55,080 --> 00:53:52,150

was devastated and she told me I'll come

1147

00:53:56,520 --> 00:53:55,090

back but I'll be a hardship case and you

1148

00:53:59,250 --> 00:53:56,530

know I wouldn't even use the term

1149

00:54:01,590 --> 00:53:59,260

hardship case it's kind of old-fashioned

1150

00:54:05,070 --> 00:54:01,600

but I received that telepathically

1151
00:54:08,190 --> 00:54:05,080
that's an example so then about a month

1152
00:54:12,660 --> 00:54:08,200
later I went to the North Iowa Humane

1153
00:54:14,790 --> 00:54:12,670
Society and wasn't looking for a puppy I

1154
00:54:17,070 --> 00:54:14,800
volunteered there when I have time and

1155
00:54:18,510 --> 00:54:17,080
there was a little puppy about eight

1156
00:54:20,520 --> 00:54:18,520
weeks old

1157
00:54:23,430 --> 00:54:20,530
part German Shepherd bought in who was

1158
00:54:27,600 --> 00:54:23,440
all torn up probably from a dogfighting

1159
00:54:30,480 --> 00:54:27,610
ring it they had found her in the city

1160
00:54:32,250 --> 00:54:30,490
so probably not a coyote and the people

1161
00:54:34,290 --> 00:54:32,260
hadn't bought her in four days so she

1162
00:54:36,450 --> 00:54:34,300
had a terrible staph infection and she

1163
00:54:38,910 --> 00:54:36,460

looked at me they wouldn't let me in the

1164

00:54:41,880 --> 00:54:38,920

room with her because of the staff she

1165

00:54:44,170 --> 00:54:41,890

looked at me and I looked at her and she

1166

00:54:47,349 --> 00:54:44,180

told me telepathically

1167

00:54:52,779 --> 00:54:47,359

and I told her if you make it I'll adopt

1168

00:54:55,930 --> 00:54:52,789

you adopt you and she agreed and they

1169

00:54:58,900 --> 00:54:55,940

nursed her for three months I didn't she

1170

00:55:01,779 --> 00:54:58,910

had a foster mother but she made it she

1171

00:55:03,460 --> 00:55:01,789

almost lost her leg she almost died she

1172

00:55:06,039 --> 00:55:03,470

made it so they called me and they said

1173

00:55:11,529 --> 00:55:06,049

Diane do you still want to adopt Hannah

1174

00:55:13,930 --> 00:55:11,539

and I said oh yes and when she arrived

1175

00:55:16,480 --> 00:55:13,940

at my house she walked right in like

1176

00:55:20,380 --> 00:55:16,490

she'd always been here like hands like

1177

00:55:25,470 --> 00:55:20,390

cincy and pretty soon there were all

1178

00:55:29,289 --> 00:55:25,480

sorts of odd signs I was talking to a

1179

00:55:32,920 --> 00:55:29,299

friend and just in a calm voice I said

1180

00:55:35,049 --> 00:55:32,930

yes when I lived in Ireland my dog then

1181

00:55:36,609 --> 00:55:35,059

since he just loved Mary Francis a

1182

00:55:40,539 --> 00:55:36,619

little girl that used to come and see us

1183

00:55:43,150 --> 00:55:40,549

and when I said since he Hannah who have

1184

00:55:46,390 --> 00:55:43,160

been just laying there jumped up and

1185

00:55:49,269 --> 00:55:46,400

licked me and was all excited and so I

1186

00:55:51,910 --> 00:55:49,279

said to myself she responds to since

1187

00:55:54,730 --> 00:55:51,920

they she'd never met sensi since he I

1188

00:55:57,029 --> 00:55:54,740

was dead before Hannah came to me and

1189

00:56:00,519 --> 00:55:57,039

then a couple days later

1190

00:56:03,010 --> 00:56:00,529

Hannah was headed toward the who had

1191

00:56:05,529 --> 00:56:03,020

recovered was headed toward the road and

1192

00:56:07,569 --> 00:56:05,539

I say come back Hannah you don't go to

1193

00:56:09,430 --> 00:56:07,579

the road Hannah and she wouldn't pay any

1194

00:56:12,339 --> 00:56:09,440

attention she knew her name was Hannah

1195

00:56:14,799 --> 00:56:12,349

and I finally in desperation because she

1196

00:56:17,950 --> 00:56:14,809

had reacted just as I said since he and

1197

00:56:22,240 --> 00:56:17,960

she turned around and she ran back to me

1198

00:56:25,420 --> 00:56:22,250

as if to affirm yes call me since II so

1199

00:56:27,910 --> 00:56:25,430

usually I called her Hannah but I would

1200

00:56:30,660 --> 00:56:27,920

say cincy Hannah and I'd sing to her in

1201
00:56:35,019 --> 00:56:30,670
the morning and so I I let her know that

1202
00:56:36,670 --> 00:56:35,029
that I knew since he was back well you

1203
00:56:39,809 --> 00:56:36,680
know I did have one paranormal

1204
00:56:44,620 --> 00:56:39,819
experience with an animal I had a

1205
00:56:46,510 --> 00:56:44,630
Persian cat when I was a child I believe

1206
00:56:48,760 --> 00:56:46,520
well I had one cat it was name was Nikki

1207
00:56:51,700 --> 00:56:48,770
and the other one was penny I don't

1208
00:56:54,549 --> 00:56:51,710
remember which one this was but the the

1209
00:56:56,559 --> 00:56:54,559
cat had that passed away and I was

1210
00:56:57,910 --> 00:56:56,569
visiting my grandmother upstairs and

1211
00:56:59,589 --> 00:56:57,920
usually when the cat

1212
00:57:01,920 --> 00:56:59,599
it was an indoor you know animal he

1213
00:57:04,900 --> 00:57:01,930

didn't go out but when he did to try to

1214

00:57:08,200 --> 00:57:04,910

scamper or scurry away he would manage

1215

00:57:10,720 --> 00:57:08,210

to get somehow upstairs where my

1216

00:57:12,789 --> 00:57:10,730

grandparents lived anyway I was visiting

1217

00:57:15,819 --> 00:57:12,799

my grandmother and here comes the cat

1218

00:57:19,920 --> 00:57:15,829

deceased cat the scampering down the

1219

00:57:23,559 --> 00:57:19,930

hallway and going through the wall ah

1220

00:57:28,299 --> 00:57:23,569

yeah yeah so I mean it would indicate to

1221

00:57:31,960 --> 00:57:28,309

me that there are ghostly animals as

1222

00:57:39,480 --> 00:57:31,970

well as cursory or humans

1223

00:57:47,050 --> 00:57:43,330

I just wanted to comment that you know I

1224

00:57:49,510 --> 00:57:47,060

think anybody who loves animals will

1225

00:57:52,420 --> 00:57:49,520

find that they have a you know like a

1226

00:57:56,950 --> 00:57:52,430

psychic connection with them and and

1227

00:57:59,620 --> 00:57:56,960

animals just I mean they know they know

1228

00:58:01,810 --> 00:57:59,630

the people they they know who who loves

1229

00:58:04,150 --> 00:58:01,820

animals you know because it's always

1230

00:58:05,700 --> 00:58:04,160

been that way with with me I mean you

1231

00:58:10,120 --> 00:58:05,710

know I could be within a crowd of people

1232

00:58:14,320 --> 00:58:10,130

and you know like a house cat will come

1233

00:58:17,410 --> 00:58:14,330

in and go like - yeah somebody say well

1234

00:58:20,170 --> 00:58:17,420

with dogs you know I mean you know I

1235

00:58:22,680 --> 00:58:20,180

could beat a roomful of kids you know

1236

00:58:25,360 --> 00:58:22,690

I'm the dog will come to me first

1237

00:58:29,410 --> 00:58:25,370

not so conceited there but you know

1238

00:58:34,300 --> 00:58:31,990

hey well Diane I did want to ask you

1239

00:58:37,510 --> 00:58:34,310

yeah you you were you were in the circus

1240

00:58:39,640 --> 00:58:37,520

what in the Virgin Islands yeah I had a

1241

00:58:44,620 --> 00:58:39,650

great life and I'm still having a great

1242

00:58:46,720 --> 00:58:44,630

life yeah gee I was teaching school and

1243

00:58:49,150 --> 00:58:46,730

was terribly frustrated this was in the

1244

00:58:53,350 --> 00:58:49,160

Virgin st. Thomas Virgin Islands and I

1245

00:58:55,990 --> 00:58:53,360

ran away to the circus in Puerto Rico

1246

00:58:58,120 --> 00:58:56,000

but it was an American circus with the

1247

00:59:00,330 --> 00:58:58,130

Wallenda that Wallendas were there Tino

1248

00:59:02,440 --> 00:59:00,340

who is the father of the current

1249

00:59:05,650 --> 00:59:02,450

well-known walinda that went across the

1250

00:59:09,700 --> 00:59:05,660

Niagara Falls and a bunch of interesting

1251
00:59:11,710 --> 00:59:09,710
European gypsy circus people yeah well I

1252
00:59:14,710 --> 00:59:11,720
always think if you went on the radio

1253
00:59:19,540 --> 00:59:14,720
they played the song by journey circus

1254
00:59:24,400 --> 00:59:19,550
life under the big top yeah briefly yes

1255
00:59:28,480 --> 00:59:24,410
how big was the top I it was in a we I

1256
00:59:30,550 --> 00:59:28,490
was with him in Ponte Iowa and San Juan

1257
00:59:33,070 --> 00:59:30,560
so it depended where it

1258
00:59:35,620 --> 00:59:33,080
it wasn't an outside tent it was arenas

1259
00:59:40,960 --> 00:59:35,630
there was a must have been like a horse

1260
00:59:43,630 --> 00:59:40,970
show arena or you know if you remember

1261
00:59:45,970 --> 00:59:43,640
Diane you and I did go to the circus one

1262
00:59:51,370 --> 00:59:48,130
I believe where you were living in in

1263
00:59:53,350 --> 00:59:51,380

San Diego now it wasn't it was you know

1264

00:59:58,090 --> 00:59:53,360

I can't remember the name of the Mira

1265

01:00:01,390 --> 00:59:58,100

Mesa yeah yes yeah and and of course the

1266

01:00:04,420 --> 01:00:01,400

the the the big one which is the barman

1267

01:00:07,450 --> 01:00:04,430

Bailey has I guess retired you know

1268

01:00:08,830 --> 01:00:07,460

close the shop which I find that is I

1269

01:00:10,750 --> 01:00:08,840

mean there are other things besides

1270

01:00:12,790 --> 01:00:10,760

animals in a circus you know there's

1271

01:00:17,710 --> 01:00:12,800

like you say the high wire act didn't

1272

01:00:20,620 --> 01:00:17,720

right go ahead no in other routines it's

1273

01:00:24,310 --> 01:00:20,630

kind of sad to see it go but you know I

1274

01:00:27,580 --> 01:00:24,320

guess youngsters today have other other

1275

01:00:31,270 --> 01:00:27,590

other interests besides going it sad for

1276

01:00:33,880 --> 01:00:31,280

the circus people not yes yes circus

1277

01:00:35,980 --> 01:00:33,890

animals unless they're not going to a

1278

01:00:37,660 --> 01:00:35,990

good retirement place in which case I

1279

01:00:40,780 --> 01:00:37,670

guess they were kept alive by the circus

1280

01:00:43,630 --> 01:00:40,790

and and circus people I knew had usually

1281

01:00:45,490 --> 01:00:43,640

little dogs that they loved I mean they

1282

01:00:47,800 --> 01:00:45,500

were because they always travel so they

1283

01:00:49,960 --> 01:00:47,810

took their pets with them it wasn't that

1284

01:00:50,890 --> 01:00:49,970

the circus people hated I'm sure there's

1285

01:00:53,680 --> 01:00:50,900

been terrible

1286

01:00:56,140 --> 01:00:53,690

Tiger trainers and all but the ones I

1287

01:00:58,390 --> 01:00:56,150

knew that wasn't it it was just that it

1288

01:01:00,490 --> 01:00:58,400

was such a restricted environment I mean

1289

01:01:04,030 --> 01:01:00,500

like a terrible prison for the animals

1290

01:01:06,460 --> 01:01:04,040

so I go one way on the circus animals

1291

01:01:09,100 --> 01:01:06,470

yes let them for goodness sakes close it

1292

01:01:14,850 --> 01:01:09,110

down and get the at if they can go to a

1293

01:01:17,470 --> 01:01:14,860

really safe retirement place you know

1294

01:01:25,930 --> 01:01:17,480

Ted Nugent will go over and take a shot

1295

01:01:28,450 --> 01:01:25,940

at him hey Jennifer we're closing in on

1296

01:01:30,880 --> 01:01:28,460

the half an hour here and I do want to

1297

01:01:34,170 --> 01:01:30,890

ask you now okay outside of

1298

01:01:36,580 --> 01:01:34,180

communicating with animals you obviously

1299

01:01:40,930 --> 01:01:36,590

teach it classes well what kind of

1300

01:01:43,330 --> 01:01:40,940

classes do you teach well I teach

1301

01:01:45,160 --> 01:01:43,340

psychic development classes and right

1302

01:01:46,270 --> 01:01:45,170

now I'm getting into some other stuff

1303

01:01:49,360 --> 01:01:46,280

where I'm going to be teaching more

1304

01:01:51,610 --> 01:01:49,370

about dreaming and after traveling and I

1305

01:01:54,010 --> 01:01:51,620

have a third communication class coming

1306

01:01:57,280 --> 01:01:54,020

up as well so all the stuff that I know

1307

01:01:59,680 --> 01:01:57,290

about I like to teach so that people are

1308

01:02:01,930 --> 01:01:59,690

kind of more clear because I

1309

01:02:04,210 --> 01:02:01,940

find that most people have abilities

1310

01:02:07,990 --> 01:02:04,220

that they're just not tapping into and

1311

01:02:10,120 --> 01:02:08,000

so if it if and when you learn to tap

1312

01:02:10,329 --> 01:02:10,130

into those abilities let me rephrase

1313

01:02:12,910 --> 01:02:10,339

that

1314

01:02:16,660 --> 01:02:12,920

everybody has ability it makes life

1315

01:02:20,530 --> 01:02:16,670

easier it really does it just makes life

1316

01:02:23,500 --> 01:02:20,540

easier if you can learn to trust your

1317

01:02:25,120 --> 01:02:23,510

intuition and finds that you're getting

1318

01:02:27,220 --> 01:02:25,130

and you make choices based on that

1319

01:02:29,319 --> 01:02:27,230

instead of fear fear of not having any

1320

01:02:32,740 --> 01:02:29,329

money fear of you know what people say

1321

01:02:35,250 --> 01:02:32,750

whatever the is the universe just

1322

01:02:39,130 --> 01:02:35,260

unfolds really cool stuff for you but

1323

01:02:42,069 --> 01:02:39,140

people are kind of trained to you know

1324

01:02:43,900 --> 01:02:42,079

live a certain way and so they their

1325

01:02:45,160 --> 01:02:43,910

other side of their brain goes nope but

1326

01:02:48,280 --> 01:02:45,170

this could happen and that could happen

1327

01:02:51,490 --> 01:02:48,290

and so they shut it all down you know no

1328

01:02:53,740 --> 01:02:51,500

I I don't I notice on your your website

1329

01:02:56,559 --> 01:02:53,750

and how can people find you on the

1330

01:02:58,660 --> 01:02:56,569

internet for one thing um they just

1331

01:03:02,470 --> 01:02:58,670

mainly go to the keys to the spirit

1332

01:03:04,240 --> 01:03:02,480

world calm one of my most popular places

1333

01:03:07,240 --> 01:03:04,250

there's my spirit community there's like

1334

01:03:08,740 --> 01:03:07,250

a tab up on the right side corner and we

1335

01:03:11,460 --> 01:03:08,750

have discussions in there as well or

1336

01:03:17,460 --> 01:03:11,470

they can google me on YouTube or iTunes

1337

01:03:20,620 --> 01:03:17,470

I'm all over the place kind of psychic

1338

01:03:25,270 --> 01:03:20,630

chat don't find me and I notice you've

1339

01:03:27,880 --> 01:03:25,280

written quite a few books yes tell us

1340

01:03:32,079 --> 01:03:27,890

about some of those what are your most

1341

01:03:34,150 --> 01:03:32,089

inspired works well I mean I have the

1342

01:03:36,400 --> 01:03:34,160

keys of spirit world which is

1343

01:03:39,880 --> 01:03:36,410

communicating with spirits which

1344

01:03:42,359 --> 01:03:39,890

triggered the whole thing and my

1345

01:03:45,849 --> 01:03:42,369

favorite one is my universal laws book

1346

01:03:47,800 --> 01:03:45,859

which is 18 spiritual laws to success

1347

01:03:49,420 --> 01:03:47,810

and that actually teaches you more about

1348

01:03:51,339 --> 01:03:49,430

how the universal laws work of course

1349

01:03:52,569 --> 01:03:51,349

everybody got all excited with the

1350

01:03:55,839 --> 01:03:52,579

secret and I think that was an amazing

1351

01:03:59,140 --> 01:03:55,849

book to pave the way for a thought

1352

01:04:01,480 --> 01:03:59,150

change I think it was fantastic but I go

1353

01:04:03,280 --> 01:04:01,490

into it a little bit more I more

1354

01:04:05,829 --> 01:04:03,290

advanced I guess I would say but in a

1355

01:04:07,420 --> 01:04:05,839

way that normal people who have to do

1356

01:04:09,880 --> 01:04:07,430

laundry take their kids to soccer

1357

01:04:13,400 --> 01:04:09,890

practice and do all you know feed

1358

01:04:15,800 --> 01:04:13,410

they're husband and wife

1359

01:04:18,350 --> 01:04:15,810

they can actually integrate those laws

1360

01:04:20,930 --> 01:04:18,360

into their regular life because it's not

1361

01:04:21,320 --> 01:04:20,940

helpful to do any of these things that I

1362

01:04:24,590 --> 01:04:21,330

teach

1363

01:04:27,890 --> 01:04:24,600

if you can't integrate it into your

1364

01:04:33,040 --> 01:04:27,900

regular normal everyday life you know

1365

01:04:35,270 --> 01:04:33,050

now where did these where did these 18

1366

01:04:37,490 --> 01:04:35,280

laws of the universe is that what you

1367

01:04:40,190 --> 01:04:37,500

would call them up where well what how

1368

01:04:41,630 --> 01:04:40,200

did you receive them I mean did you get

1369

01:04:46,000 --> 01:04:41,640

them through channeling I'm off

1370

01:04:50,960 --> 01:04:46,010

channeling yes yeah I'm also a channel

1371

01:04:53,330 --> 01:04:50,970

of you who do you channel I cancel I

1372

01:04:56,570 --> 01:04:53,340

have a council council of seven that I

1373

01:04:58,400 --> 01:04:56,580

channel and I don't put like I don't I

1374

01:04:59,900 --> 01:04:58,410

guess I don't go advertise that as much

1375

01:05:03,110 --> 01:04:59,910

now that I think about it nobody really

1376

01:05:05,810 --> 01:05:03,120

asked me about that I receive

1377

01:05:08,840 --> 01:05:05,820

information I test the information

1378

01:05:11,090 --> 01:05:08,850

myself like I just a lot of the laws I

1379

01:05:13,700 --> 01:05:11,100

want to make sure that it's going to be

1380

01:05:15,080 --> 01:05:13,710

helpful and valid for people before I go

1381

01:05:17,510 --> 01:05:15,090

along and teach it because some of the

1382

01:05:19,310 --> 01:05:17,520

stuff you get it is good information but

1383

01:05:20,720 --> 01:05:19,320

it might not be relevant to right now it

1384

01:05:24,230 --> 01:05:20,730

might be relevant to five years down the

1385

01:05:26,510 --> 01:05:24,240

road you know so I get the information I

1386

01:05:31,310 --> 01:05:26,520

try it if I'm finding success and I

1387

01:05:35,020 --> 01:05:31,320

share it and and is this okay these

1388

01:05:37,520 --> 01:05:35,030

universal laws I mean are they

1389

01:05:40,460 --> 01:05:37,530

spiritually based would you say I mean

1390

01:05:45,260 --> 01:05:40,470

is most your material of a spiritual

1391

01:05:47,540 --> 01:05:45,270

nature or how practical are these both

1392

01:05:48,920 --> 01:05:47,550

their spiritual and physical nature so

1393

01:05:50,720 --> 01:05:48,930

you know how you have the log gravity

1394

01:05:53,570 --> 01:05:50,730

that sort of thing I mean that's a real

1395

01:05:55,670 --> 01:05:53,580

thing you know it's just getting people

1396

01:05:57,140 --> 01:05:55,680

to understand more how energy works it

1397

01:05:59,180 --> 01:05:57,150

moves in and out your life and how

1398

01:06:01,160 --> 01:05:59,190

manifestation occurs and how money flows

1399

01:06:03,320 --> 01:06:01,170

into your life you know monies and

1400

01:06:05,600 --> 01:06:03,330

energy how relationships are all

1401

01:06:08,770 --> 01:06:05,610

energetic how people are energy but

1402

01:06:10,970 --> 01:06:08,780

mostly the universal laws deals with

1403

01:06:12,740 --> 01:06:10,980

things that you're bringing into your

1404

01:06:15,320 --> 01:06:12,750

life or things that you don't want in

1405

01:06:18,290 --> 01:06:15,330

your life and how you can have more

1406

01:06:20,630 --> 01:06:18,300

control over that how if you understand

1407

01:06:22,910 --> 01:06:20,640

the laws you know how to allow things to

1408

01:06:24,170 --> 01:06:22,920

flow in but you also know that when

1409

01:06:26,350 --> 01:06:24,180

you're pushing against something

1410

01:06:28,690 --> 01:06:26,360

resistance wise

1411

01:06:29,920 --> 01:06:28,700

the universe doesn't understand that so

1412

01:06:32,380 --> 01:06:29,930

it's just going well you're putting a

1413

01:06:34,240 --> 01:06:32,390

lot of effort into this resistance of

1414

01:06:35,350 --> 01:06:34,250

this picture of something you don't want

1415

01:06:36,700 --> 01:06:35,360

to happen so we're just going to give

1416

01:06:39,970 --> 01:06:36,710

you that picture of what you don't want

1417

01:06:43,300 --> 01:06:39,980

to happen so in order to work with

1418

01:06:45,400 --> 01:06:43,310

energy which nobody can see so it's hard

1419

01:06:47,710 --> 01:06:45,410

for them to understand you need to

1420

01:06:49,780 --> 01:06:47,720

understand the rules behind how energy

1421

01:06:51,550 --> 01:06:49,790

is manipulated and that's a again that's

1422

01:06:53,350 --> 01:06:51,560

a scientific thing I mean it's

1423

01:06:56,650 --> 01:06:53,360

scientific that things are made of

1424

01:06:59,020 --> 01:06:56,660

energy and so when you understand it

1425

01:07:01,150 --> 01:06:59,030

then you try to implement it and

1426

01:07:03,970 --> 01:07:01,160

practice it in your life you will see

1427

01:07:06,850 --> 01:07:03,980

results and that book has been really

1428

01:07:08,290 --> 01:07:06,860

hugely successful for me and the money

1429

01:07:11,680 --> 01:07:08,300

emails I get because they're just like

1430

01:07:14,200 --> 01:07:11,690

wow this is amazing to me I'd never it's

1431

01:07:16,650 --> 01:07:14,210

retraining your brain to understand

1432

01:07:22,510 --> 01:07:16,660

something you cannot physically see and

1433

01:07:25,450 --> 01:07:22,520

do you do scribe no I guess I'm not sure

1434

01:07:32,050 --> 01:07:25,460

scribe squats crying you know like tarot

1435

01:07:35,410 --> 01:07:32,060

card readings or oh I can but I don't

1436

01:07:38,680 --> 01:07:35,420

need to use tools so I just don't use

1437

01:07:44,670 --> 01:07:38,690

tools right I just seem here can do it

1438

01:07:53,350 --> 01:07:50,380

well actually Domino's and diced or an

1439

01:07:56,380 --> 01:07:53,360

originally a tool of damnation and so

1440

01:07:58,440 --> 01:07:56,390

our so our car yeah so our cards most

1441

01:08:03,520 --> 01:07:58,450

people don't realize that most forms of

1442

01:08:07,360 --> 01:08:03,530

gambling are derived I didn't win the

1443

01:08:09,550 --> 01:08:07,370

power but that also means that you can

1444

01:08:11,380 --> 01:08:09,560

read people without those things or you

1445

01:08:13,870 --> 01:08:11,390

can read situations you can read without

1446

01:08:17,940 --> 01:08:13,880

them see people train themselves to be

1447

01:08:21,820 --> 01:08:17,950

able to tune in with the tool right well

1448

01:08:25,060 --> 01:08:21,830

some people like the the tools I mean if

1449

01:08:28,510 --> 01:08:25,070

you don't have the cards yeah they love

1450

01:08:29,260 --> 01:08:28,520

them surely they love them because it to

1451

01:08:31,599 --> 01:08:29,270

them

1452

01:08:33,849 --> 01:08:31,609

see then you're pulling information from

1453

01:08:36,610 --> 01:08:33,859

somewhere you're not just pulling it out

1454

01:08:37,450 --> 01:08:36,620

of thin air right so they can see that

1455

01:08:39,640 --> 01:08:37,460

on that card

1456

01:08:41,559 --> 01:08:39,650

it's showing this neuron that dice or on

1457

01:08:44,229 --> 01:08:41,569

dominoe it's telling you something by

1458

01:08:47,019 --> 01:08:44,239

that number and so for people it makes

1459

01:08:48,399 --> 01:08:47,029

more sense that oh okay they're getting

1460

01:08:50,079 --> 01:08:48,409

that from something that I can

1461

01:08:53,530 --> 01:08:50,089

physically see and then they're way more

1462

01:08:55,930 --> 01:08:53,540

comfortable well yes one last question I

1463

01:08:59,880 --> 01:08:55,940

think we have time for have you

1464

01:09:03,070 --> 01:08:59,890

communicated with dolphins oh yeah yes

1465

01:09:05,800 --> 01:09:03,080

we've been on a dolphin they have a lot

1466

01:09:07,180 --> 01:09:05,810

of dolphin tours out here and my husband

1467

01:09:09,849 --> 01:09:07,190

certainly I want for my birthday and

1468

01:09:12,070 --> 01:09:09,859

they're in the wild you know and they

1469

01:09:14,649 --> 01:09:12,080

were around the boat and they are so

1470

01:09:16,450 --> 01:09:14,659

human it's amazing like the way that

1471

01:09:19,300 --> 01:09:16,460

they stare at you and look at you and

1472

01:09:21,789 --> 01:09:19,310

communicate with you it's pretty amazing

1473

01:09:24,039 --> 01:09:21,799

it's awesome I would recommend everybody

1474

01:09:26,019 --> 01:09:24,049

try it when if they come to Hawaii at

1475

01:09:27,459 --> 01:09:26,029

least and they have things where you can

1476

01:09:30,340 --> 01:09:27,469

also swim with the manta rays in the

1477

01:09:32,530 --> 01:09:30,350

wild and my son they went and swam with

1478

01:09:34,959 --> 01:09:32,540

the sharks and he's very intuitive and

1479

01:09:36,880 --> 01:09:34,969

they swam with them in the wild no cage

1480

01:09:39,910 --> 01:09:36,890

and said it was the most amazing

1481

01:09:43,780 --> 01:09:39,920

experience they'd had I love the water

1482

01:09:45,550 --> 01:09:43,790

around Tahiti it is so warm and there's

1483

01:09:48,789 --> 01:09:45,560

the the man has come out and they

1484

01:09:50,829 --> 01:09:48,799

actually rub up and butt up against you

1485

01:09:54,300 --> 01:09:50,839

I guess they they like a little bit of a

1486

01:09:57,700 --> 01:09:54,310

contact with the with humans but

1487

01:10:00,120 --> 01:09:57,710

Jennifer I do want to thank you for

1488

01:10:04,390 --> 01:10:00,130

joining us this evening it's been a very

1489

01:10:06,700 --> 01:10:04,400

enlightening experience and I know that

1490

01:10:08,500 --> 01:10:06,710

the people will want to communicate with

1491

01:10:13,689 --> 01:10:08,510

you whether they be humans or animals

1492

01:10:15,520 --> 01:10:13,699

and I thank you for coming on the the

1493

01:10:17,770 --> 01:10:15,530

the program with us this evening

1494

01:10:20,320 --> 01:10:17,780

what what's on your immediate docket and

1495

01:10:22,990 --> 01:10:20,330

he get classes coming up or I'm actually

1496

01:10:24,939 --> 01:10:23,000

working on a mentorship program my

1497

01:10:27,780 --> 01:10:24,949

psychic ability classes starting next

1498

01:10:30,850 --> 01:10:27,790

month I only open it four times a year

1499

01:10:32,620 --> 01:10:30,860

so that'll be it psychic ability class

1500

01:10:34,689 --> 01:10:32,630

calm but if you go to my spirit

1501

01:10:36,939 --> 01:10:34,699

community everybody knows what I'm

1502

01:10:38,370 --> 01:10:36,949

having it so that's the next thing but

1503

01:10:42,669 --> 01:10:38,380

I'm actually working on a mentorship

1504

01:10:44,350 --> 01:10:42,679

site program for people who just want to

1505

01:10:45,850 --> 01:10:44,360

learn more stuff and need more advanced

1506

01:10:47,979 --> 01:10:45,860

because they're just begging me for it

1507

01:10:49,810 --> 01:10:47,989

so they'll be like a library of a

1508

01:10:51,240 --> 01:10:49,820

hundred and sixty two audios and videos

1509

01:10:53,400 --> 01:10:51,250

of

1510

01:10:55,130 --> 01:10:53,410

then I'll have lessons every month so

1511

01:11:07,110 --> 01:10:55,140

well I'm always working on something

1512

01:11:09,960 --> 01:11:07,120

Aloha to you Aloha now back to exploring

1513

01:11:12,270 --> 01:11:09,970

the bazaars with two of the most

1514

01:11:16,050 --> 01:11:12,280

electrifying researchers in the Paranoid

1515

01:11:22,740 --> 01:11:16,060

your hosts Timothy Becca Lee and team

1516

01:11:25,350 --> 01:11:22,750

sports well I was going to open up by

1517

01:11:28,380 --> 01:11:25,360

singing were on the road to nowhere

1518

01:11:33,660 --> 01:11:28,390

where are you now Tim well we don't know

1519

01:11:35,670 --> 01:11:33,670

where he is I'm here I have to keep my

1520

01:11:39,360 --> 01:11:35,680

mic muted so you don't you know like

1521

01:11:43,380 --> 01:11:39,370

hear all the well these cars chasing me

1522

01:11:45,570 --> 01:11:43,390

from behind what we heard we heard so we

1523

01:11:48,000 --> 01:11:45,580

heard something we thought it was about

1524

01:11:51,120 --> 01:11:48,010

five Mack trucks or something headed it

1525

01:11:52,410 --> 01:11:51,130

oh I just had another Bigfoot I mean

1526

01:11:54,690 --> 01:11:52,420

they're just all over the place

1527

01:11:56,490 --> 01:11:54,700

yeah they jump in front of your car and

1528

01:11:58,410 --> 01:11:56,500

you just can't avoid them you know

1529

01:12:00,360 --> 01:11:58,420

they're as bad as the deer around here

1530

01:12:02,370 --> 01:12:00,370

well they should have let you they

1531

01:12:04,470 --> 01:12:02,380

should they're probably trying to tell

1532

01:12:06,450 --> 01:12:04,480

you that they're going to be jumping out

1533

01:12:09,780 --> 01:12:06,460

in front you just kind of telepathically

1534

01:12:11,940 --> 01:12:09,790

have to you know you're into them

1535

01:12:16,580 --> 01:12:11,950

hey Diane I got a question I bet you had

1536

01:12:21,540 --> 01:12:16,590

never been asked before oh boy are their

1537

01:12:24,930 --> 01:12:21,550

pets on other planets of course there

1538

01:12:27,450 --> 01:12:24,940

are I would say not pets but life-forms

1539

01:12:30,270 --> 01:12:27,460

on other planets are pets or life-forms

1540

01:12:33,240 --> 01:12:30,280

there also I would call them down here

1541

01:12:35,910 --> 01:12:33,250

more are part of our family our our

1542

01:12:41,490 --> 01:12:35,920

animal our furry animal friends pets is

1543

01:12:43,920 --> 01:12:41,500

a bit reactionary I'm know I'm not quite

1544

01:12:47,700 --> 01:12:43,930

as evil spirit I'm not quite as

1545

01:12:51,450 --> 01:12:47,710

spiritually developed as a listen life

1546

01:12:55,590 --> 01:12:51,460

life-forms on other planets who would be

1547

01:12:57,210 --> 01:12:55,600

the friends of the sentient race like

1548

01:13:01,470 --> 01:12:57,220

humans are supposed to be

1549

01:13:04,380 --> 01:13:01,480

so yes aliens would have friends from

1550

01:13:04,800 --> 01:13:04,390

the life-form kingdom the animal kingdom

1551

01:13:09,840 --> 01:13:04,810

of their

1552

01:13:11,850 --> 01:13:09,850

planet Titus's said incidentally that we

1553

01:13:13,830 --> 01:13:11,860

I feel you know it really bothers me

1554

01:13:15,750 --> 01:13:13,840

this sixth great extinction that's

1555

01:13:19,710 --> 01:13:15,760

happening to giraffes

1556

01:13:22,740 --> 01:13:19,720

tigers lions butterflies large small its

1557

01:13:25,320 --> 01:13:22,750

what is what's happening to the sixth

1558

01:13:27,990 --> 01:13:25,330

grade extinction of animals I mean this

1559

01:13:32,960 --> 01:13:28,000

is a scientific thing because of over

1560

01:13:38,730 --> 01:13:32,970

development climate change

1561

01:13:42,330 --> 01:13:38,740

hunting approaching elephants are nearly

1562

01:13:44,940 --> 01:13:42,340

extinct in I think it's is it Africa or

1563

01:13:47,550 --> 01:13:44,950

India their numbers are down in both

1564

01:13:50,010 --> 01:13:47,560

places and once nearly extinct there's

1565

01:13:52,800 --> 01:13:50,020

something like 200 tigers left in a

1566

01:13:55,350 --> 01:13:52,810

certain I think that's Bengal tigers

1567

01:13:58,380 --> 01:13:55,360

perhaps I mean there might be a few more

1568

01:14:01,560 --> 01:13:58,390

Tigers somewhere else but so many

1569

01:14:04,020 --> 01:14:01,570

species are going extinct that it's the

1570

01:14:05,730 --> 01:14:04,030

sixth great extinction hey if we don't

1571

01:14:08,070 --> 01:14:05,740

watch out the human race will be right

1572

01:14:11,760 --> 01:14:08,080

up there well yeah that might be a

1573

01:14:13,890 --> 01:14:11,770

blessing but Titus has said and I

1574

01:14:16,770 --> 01:14:13,900

wouldn't to stake my life on this but

1575

01:14:18,600 --> 01:14:16,780

Titus is usually four years he's been

1576

01:14:23,760 --> 01:14:18,610

pretty accurate in predictions and

1577

01:14:27,030 --> 01:14:23,770

whatnot has said that the ETS have have

1578

01:14:32,550 --> 01:14:27,040

taken aboard a few as many as they can

1579

01:14:36,120 --> 01:14:32,560

of animals and and birds and things that

1580

01:14:38,760 --> 01:14:36,130

are in trouble down here and they have

1581

01:14:43,020 --> 01:14:38,770

huge starships that are terrarium ships

1582

01:14:46,190 --> 01:14:43,030

or aquarium shifts and that they've got

1583

01:14:49,050 --> 01:14:46,200

a breeding program which they would then

1584

01:14:52,020 --> 01:14:49,060

return either return the animals to a

1585

01:14:53,820 --> 01:14:52,030

new earth once we're over this terrible

1586

01:14:56,760 --> 01:14:53,830

mess we're in

1587

01:15:01,530 --> 01:14:56,770

meaning environmentally to not not just

1588

01:15:04,680 --> 01:15:01,540

politically or they would find suitable

1589

01:15:07,410 --> 01:15:04,690

planets to begin them anew on a new

1590

01:15:10,950 --> 01:15:07,420

world so I think that's an interesting

1591

01:15:16,350 --> 01:15:10,960

piece of information I hope it's true

1592

01:15:17,520 --> 01:15:16,360

now I remember you wrote a book quite a

1593

01:15:18,780 --> 01:15:17,530

number of years ago but it's still

1594

01:15:21,870 --> 01:15:18,790

available

1595

01:15:23,460 --> 01:15:21,880

earth changes Bible did you get into any

1596

01:15:25,440 --> 01:15:23,470

of that in the earth changes Bible I

1597

01:15:28,410 --> 01:15:25,450

mean will there be certain areas that

1598

01:15:30,990 --> 01:15:28,420

won't be safe for animals or for humans

1599

01:15:35,730 --> 01:15:31,000

or are there locations that we should

1600

01:15:41,060 --> 01:15:35,740

like move to the area where you live no

1601

01:15:49,590 --> 01:15:44,870

yes you know we've always talked about

1602

01:15:52,740 --> 01:15:49,600

climate change change times which will

1603

01:15:55,530 --> 01:15:52,750

be and which have become I mean we we

1604

01:16:00,770 --> 01:15:55,540

predicted them a really difficult time

1605

01:16:05,190 --> 01:16:00,780

of climate change floods serious

1606

01:16:07,710 --> 01:16:05,200

wildfires super storms and we've seen it

1607

01:16:12,240 --> 01:16:07,720

all all come true and rising

1608

01:16:14,100 --> 01:16:12,250

temperatures but I do firmly believe

1609

01:16:16,590 --> 01:16:14,110

that we'll make it through this and

1610

01:16:19,500 --> 01:16:16,600

we've got such a beautiful planet and

1611

01:16:23,550 --> 01:16:19,510

there the galaxy is teeming with life

1612

01:16:26,700 --> 01:16:23,560

much of it intelligent so we only have

1613

01:16:31,260 --> 01:16:26,710

to make it through this passed a point

1614

01:16:34,410 --> 01:16:31,270

of change risen consciousness know what

1615

01:16:36,570 --> 01:16:34,420

what do you what do you well either see

1616

01:16:39,480 --> 01:16:36,580

or what have you been told that we

1617

01:16:42,270 --> 01:16:39,490

should look out for I mean what are the

1618

01:16:45,870 --> 01:16:42,280

signs and and and symbols that will

1619

01:16:50,460 --> 01:16:45,880

appear to us in the near future well I

1620

01:16:53,670 --> 01:16:50,470

think we've received enough signs again

1621

01:16:55,650 --> 01:16:53,680

looking at what's happened there's a I

1622

01:16:59,180 --> 01:16:55,660

heard on the news recently there's an

1623

01:17:02,040 --> 01:16:59,190

island in the Pacific where people

1624

01:17:04,980 --> 01:17:02,050

literally there are the water has risen

1625

01:17:07,140 --> 01:17:04,990

so much that it's washed houses away

1626
01:17:12,450 --> 01:17:07,150
that's happened in Alaska with the Inuit

1627
01:17:16,490 --> 01:17:12,460
people too we can see the the ice shelf

1628
01:17:21,480 --> 01:17:16,500
that's broken off and now the actual

1629
01:17:24,510 --> 01:17:21,490
continent of Antarctica is exposed

1630
01:17:27,960 --> 01:17:24,520
because the ice shelf has floated away

1631
01:17:30,110 --> 01:17:27,970
the Larsen Ice Shelf so I think we've

1632
01:17:32,270 --> 01:17:30,120
got plenty of signs

1633
01:17:38,240 --> 01:17:32,280
and again I think it's up to the human

1634
01:17:40,760 --> 01:17:38,250
race to either spiritually evolve or we

1635
01:17:45,380 --> 01:17:40,770
may not be worthy to go on I don't know

1636
01:17:47,510 --> 01:17:45,390
if that's a given um it's a big universe

1637
01:17:47,860 --> 01:17:47,520
out there I don't know how important we

1638
01:17:52,760 --> 01:17:47,870

are

1639

01:17:54,620 --> 01:17:52,770

but tybo says we'll make it so he kind

1640

01:17:59,600 --> 01:17:54,630

of says he's from the future but I

1641

01:18:01,160 --> 01:17:59,610

always say that the future if you are

1642

01:18:03,200 --> 01:18:01,170

from the future there wouldn't even be

1643

01:18:06,560 --> 01:18:03,210

any time you would have conquered time

1644

01:18:09,800 --> 01:18:06,570

so I don't know how literal that is from

1645

01:18:11,470 --> 01:18:09,810

the future so so Tim are you are you

1646

01:18:15,880 --> 01:18:11,480

closer to your destination

1647

01:18:26,110 --> 01:18:15,890

yes I am and I just wanted to come but

1648

01:18:29,180 --> 01:18:26,120

what Dianne resist yes you know

1649

01:18:32,090 --> 01:18:29,190

illustrious political leaders more than

1650

01:18:33,680 --> 01:18:32,100

than scientists do you know this this

1651
01:18:44,630 --> 01:18:33,690
whole climate change is just you know a

1652
01:18:47,420 --> 01:18:44,640
load of you know well we've got to wake

1653
01:18:50,570 --> 01:18:47,430
up and realize that it isn't and we've

1654
01:18:54,560 --> 01:18:50,580
got to be masters of our own fate and

1655
01:18:57,440 --> 01:18:54,570
not blindly follow politicians who were

1656
01:19:00,200 --> 01:18:57,450
lining their pockets are trying to well

1657
01:19:02,510 --> 01:19:00,210
you know I I certainly don't disagree

1658
01:19:04,730 --> 01:19:02,520
that there isn't the climate change but

1659
01:19:08,140 --> 01:19:04,740
there's always been climate change on

1660
01:19:12,260 --> 01:19:08,150
this planet I mean the planet itself was

1661
01:19:14,780 --> 01:19:12,270
created in chaos and you know you can't

1662
01:19:16,310 --> 01:19:14,790
blame every a disaster that takes place

1663
01:19:18,550 --> 01:19:16,320

of course on climate change I mean

1664

01:19:22,550 --> 01:19:18,560

you've got earthquakes you got volcanic

1665

01:19:24,050 --> 01:19:22,560

eruptions and you know tornadoes and I

1666

01:19:27,910 --> 01:19:24,060

mean some of them can certainly be

1667

01:19:32,360 --> 01:19:27,920

pushed along by climate change or by

1668

01:19:34,610 --> 01:19:32,370

man-made scenarios but these events have

1669

01:19:36,830 --> 01:19:34,620

been taking I've been going out for a

1670

01:19:39,740 --> 01:19:36,840

long long time and I should know because

1671

01:19:42,440 --> 01:19:39,750

I was the editor of front-page disasters

1672

01:19:44,030 --> 01:19:42,450

magazine and one of the worst

1673

01:19:48,470 --> 01:19:44,040

earthquakes on wreck

1674

01:19:51,560 --> 01:19:48,480

I was in China in oh then I think the

1675

01:19:54,470 --> 01:19:51,570

1920s where something like a hundred and

1676

01:19:56,360 --> 01:19:54,480

fifty thousand people were killed or

1677

01:20:00,290 --> 01:19:56,370

maybe even more than that it was a you

1678

01:20:02,210 --> 01:20:00,300

know just and I've seen a amount let me

1679

01:20:04,100 --> 01:20:02,220

show you how you have had the and of

1680

01:20:07,600 --> 01:20:04,110

course you've got all the plagues that

1681

01:20:11,440 --> 01:20:07,610

have hit us from time to time after

1682

01:20:14,680 --> 01:20:11,450

World War a one there was the dick Syria

1683

01:20:19,220 --> 01:20:14,690

epidemic that wiped out probably half of

1684

01:20:21,320 --> 01:20:19,230

Europe and the of course the plagues of

1685

01:20:25,340 --> 01:20:21,330

the Middle Ages and all of that I mean

1686

01:20:28,250 --> 01:20:25,350

so the world that does go on and you

1687

01:20:29,870 --> 01:20:28,260

know we could perhaps it tried not so

1688

01:20:34,640 --> 01:20:29,880

much to help it along but there are a

1689

01:20:38,620 --> 01:20:34,650

lot of disasters that take place well on

1690

01:20:43,340 --> 01:20:38,630

their own yes always have been sure but

1691

01:20:45,800 --> 01:20:43,350

things like glaciers melting pictures of

1692

01:20:48,860 --> 01:20:45,810

glaciers as they were and as they are

1693

01:20:52,610 --> 01:20:48,870

now and only 20 years ago were 50 years

1694

01:20:56,060 --> 01:20:52,620

ago they they were covered with snow I

1695

01:21:00,920 --> 01:20:56,070

guess I just refer you to Al Gore's they

1696

01:21:04,340 --> 01:21:00,930

just oh yes yes try to document climate

1697

01:21:09,230 --> 01:21:04,350

change but I truly believe it exists and

1698

01:21:12,020 --> 01:21:09,240

that humans have added to a nose aren't

1699

01:21:14,600 --> 01:21:12,030

connected probably to humans we can't be

1700

01:21:17,690 --> 01:21:14,610

blamed for everything but we have not

1701

01:21:19,610 --> 01:21:17,700

come in their seas of plastic floating

1702

01:21:22,520 --> 01:21:19,620

in the oceans it's not just climate

1703

01:21:26,060 --> 01:21:22,530

change it's a total disregard for our

1704

01:21:28,790 --> 01:21:26,070

mother planet on whom we stand where do

1705

01:21:31,850 --> 01:21:28,800

we think we'll go I mean we haven't even

1706

01:21:34,100 --> 01:21:31,860

gotten to Mars yet which isn't hospital

1707

01:21:39,020 --> 01:21:34,110

oh boy I'm sure they want they welcomed

1708

01:21:40,610 --> 01:21:39,030

us with open arms I don't know why and

1709

01:21:43,520 --> 01:21:40,620

we may be Martians

1710

01:21:47,750 --> 01:21:43,530

we probably came here because we messed

1711

01:21:50,030 --> 01:21:47,760

Mars up for all we know you know I have

1712

01:21:53,210 --> 01:21:50,040

I have a I have a theory of course I

1713

01:21:56,630 --> 01:21:53,220

have many insane theories but I'm not so

1714

01:21:57,780 --> 01:21:56,640

sure the north and the south Paul have

1715

01:22:01,350 --> 01:21:57,790

been covered by

1716

01:22:03,750 --> 01:22:01,360

ice for eons like it's claimed and you

1717

01:22:06,300 --> 01:22:03,760

know why I think that partly because of

1718

01:22:08,280 --> 01:22:06,310

the Perry Reis map you know the Perry

1719

01:22:11,730 --> 01:22:08,290

reactivity do you remember when when

1720

01:22:15,420 --> 01:22:11,740

that was a drawn up or created I'm not -

1721

01:22:16,830 --> 01:22:15,430

I'm gonna go ahead - yeah yes no I was

1722

01:22:18,510 --> 01:22:16,840

just wait em are you with us

1723

01:22:23,640 --> 01:22:18,520

oh yeah yeah well I was just going to

1724

01:22:26,730 --> 01:22:23,650

say the the Perry Reis map was printed

1725

01:22:29,040 --> 01:22:26,740

or put together around 1513 but it

1726

01:22:32,100 --> 01:22:29,050

actually was based on even older maps

1727

01:22:33,420 --> 01:22:32,110

than that yes well I I believe that the

1728

01:22:35,070 --> 01:22:33,430

the Nordic

1729

01:22:37,860 --> 01:22:35,080

the South Pole was not covered

1730

01:22:39,390 --> 01:22:37,870

necessarily a nice all this time but how

1731

01:22:43,260 --> 01:22:39,400

do I mean how do we know that it was

1732

01:22:45,960 --> 01:22:43,270

covered in ice going back 2,000 or 3,000

1733

01:22:47,130 --> 01:22:45,970

years 2,000 or 3,000 years is nothing

1734

01:22:49,500 --> 01:22:47,140

we're talking about

1735

01:22:52,140 --> 01:22:49,510

there was a tropical forest in an

1736

01:22:54,570 --> 01:22:52,150

article they found but that was millions

1737

01:22:57,090 --> 01:22:54,580

of year I mean Mother Earth time to her

1738

01:23:00,180 --> 01:22:57,100

is different than us well I still say

1739

01:23:02,130 --> 01:23:00,190

the Perry Reis map indicates that there

1740

01:23:04,320 --> 01:23:02,140

was a period there when the ice did not

1741

01:23:07,620 --> 01:23:04,330

cover that entire area like we think it

1742

01:23:10,440 --> 01:23:07,630

did and and you know people now are of

1743

01:23:12,830 --> 01:23:10,450

course debating over we whether we

1744

01:23:16,440 --> 01:23:12,840

should take down the statues of

1745

01:23:20,720 --> 01:23:16,450

Christopher Columbus because even though

1746

01:23:24,300 --> 01:23:20,730

he is a hero to some to other he was a

1747

01:23:27,860 --> 01:23:24,310

genocide 'el a monster you know I mean

1748

01:23:32,430 --> 01:23:27,870

or certainly not within keeping to the

1749

01:23:34,440 --> 01:23:32,440

spiritual energies of of today and and

1750

01:23:35,940 --> 01:23:34,450

we know for a fact that of course as I

1751

01:23:38,760 --> 01:23:35,950

hate to say this I'm sure we'll get the

1752

01:23:40,980 --> 01:23:38,770

you know calls and letters Columbus did

1753

01:23:43,290 --> 01:23:40,990

not really discover the new world in

1754

01:23:46,830 --> 01:23:43,300

fact we've been on that we've had guests

1755

01:23:48,750 --> 01:23:46,840

on the program here who have you know

1756

01:23:51,180 --> 01:23:48,760

pretty much presented the facts then

1757

01:23:54,050 --> 01:23:51,190

once you say that I travel around the

1758

01:23:59,130 --> 01:23:54,060

the planet was much more widespread and

1759

01:24:03,270 --> 01:23:59,140

we are led to believe yes absolutely

1760

01:24:06,480 --> 01:24:03,280

ah Tim are you there to sports well um

1761

01:24:10,169 --> 01:24:06,490

yeah absolutely more widespread I know

1762

01:24:13,770 --> 01:24:10,179

the Irish claim that they came over

1763

01:24:16,020 --> 01:24:13,780

mixed with Indian with Iroquois Indians

1764

01:24:19,320 --> 01:24:16,030

who were blue-eyed many of them I think

1765

01:24:22,380 --> 01:24:19,330

that's the right tribe I bet on the East

1766

01:24:25,260 --> 01:24:22,390

Coast and they can read red hair they

1767

01:24:26,970 --> 01:24:25,270

talked about visitors coming off the you

1768

01:24:29,340 --> 01:24:26,980

know the the vessels they seagoing

1769

01:24:31,200 --> 01:24:29,350

vessels and they had red hair and and

1770

01:24:33,330 --> 01:24:31,210

and so forth and some people say well it

1771

01:24:35,430 --> 01:24:33,340

was you know obviously Jesus well it

1772

01:24:37,380 --> 01:24:35,440

wasn't Jesus I mean well he might

1773

01:24:41,070 --> 01:24:37,390

actually you might have come over to but

1774

01:24:43,620 --> 01:24:41,080

you know there Ill thank myself that

1775

01:24:45,300 --> 01:24:43,630

this whole idea of a that the earth was

1776

01:24:49,290 --> 01:24:45,310

flattened you were going to fall off

1777

01:24:51,240 --> 01:24:49,300

most people knew that was nonsense the

1778

01:24:54,090 --> 01:24:51,250

these early explorers knew that the

1779

01:24:57,959 --> 01:24:54,100

world you weren't gonna fall off if you

1780

01:25:00,390 --> 01:24:57,969

you know like traveled far enough but

1781

01:25:02,580 --> 01:25:00,400

they were hoping that other people would

1782

01:25:06,840 --> 01:25:02,590

believe that wouldn't take off looking

1783

01:25:09,660 --> 01:25:06,850

for you know China or India or something

1784

01:25:12,419 --> 01:25:09,670

but they weren't that gullible I mean

1785

01:25:14,640 --> 01:25:12,429

maybe maybe a few people were but yeah

1786

01:25:18,689 --> 01:25:14,650

you know Columbus or whoever whatever

1787

01:25:21,120 --> 01:25:18,699

Leif Erikson II didn't say oh because

1788

01:25:25,220 --> 01:25:21,130

I'm gonna some monster is going to grab

1789

01:25:29,689 --> 01:25:25,230

me yeah that's just a bunch of absolute

1790

01:25:32,729 --> 01:25:29,699

hoey we're fed disinformation in

1791

01:25:35,610 --> 01:25:32,739

misinformation disinformation today on

1792

01:25:38,939 --> 01:25:35,620

on how things really are in a number of

1793

01:25:41,880 --> 01:25:38,949

ways so I'm sure that the number mass of

1794

01:25:44,189 --> 01:25:41,890

people were fed superstition back in

1795

01:25:49,260 --> 01:25:44,199

those days of course and a few people

1796

01:25:51,479 --> 01:25:49,270

knew better probably so the way a diet

1797

01:25:55,200 --> 01:25:51,489

what you you've written a the earth

1798

01:25:56,430 --> 01:25:55,210

changes Bible you've written UFO agenda

1799

01:25:59,610 --> 01:25:56,440

that's the name of the other book uh

1800

01:26:01,770 --> 01:25:59,620

yeah my new newest book not brand new is

1801

01:26:06,209 --> 01:26:01,780

UFO agenda so you want to know the truth

1802

01:26:09,209 --> 01:26:06,219

it's available on Kindle and Amazon and

1803

01:26:11,910 --> 01:26:09,219

I have copies if anybody would want an

1804

01:26:14,729 --> 01:26:11,920

autographed paper copy I have them here

1805

01:26:17,100 --> 01:26:14,739

well I am a policy there there's got the

1806

01:26:19,860 --> 01:26:17,110

God clouds seven rays of the healing

1807

01:26:20,939 --> 01:26:19,870

millennium the God cloud and a classic

1808

01:26:21,549 --> 01:26:20,949

big seller

1809

01:26:23,709 --> 01:26:21,559

the

1810

01:26:26,679 --> 01:26:23,719

transformation is a very I have it on

1811

01:26:30,520 --> 01:26:26,689

Amazon and Kindle and I also have copies

1812

01:26:34,079 --> 01:26:30,530

here that started out as a we published

1813

01:26:35,949 --> 01:26:34,089

that in a oh I guess you couldn't

1814

01:26:39,339 --> 01:26:35,959

paperback yes

1815

01:26:42,099 --> 01:26:39,349

stapled portfolio I I would believe

1816

01:26:46,059 --> 01:26:42,109

would be a more correct term for that

1817

01:26:50,020 --> 01:26:46,069

but we used to offer it with a crystal

1818

01:26:53,949 --> 01:26:50,030

cross and that was at the the peak of

1819

01:26:55,599 --> 01:26:53,959

the popularity of some of these tabloids

1820

01:26:57,909 --> 01:26:55,609

like the Weekly World News in the Sun

1821

01:27:01,869 --> 01:26:57,919

and all and we sold thousands of copies

1822

01:27:05,679 --> 01:27:01,879

of that book at that time so there must

1823

01:27:09,129 --> 01:27:05,689

be lots and lots of people there who are

1824

01:27:12,929 --> 01:27:09,139

probably going to reread that book

1825

01:27:16,929 --> 01:27:12,939

tonight after they the you know I had

1826

01:27:20,949 --> 01:27:16,939

say they just read it again and and they

1827

01:27:24,339 --> 01:27:20,959

cry good good tears and it's a very

1828

01:27:26,739 --> 01:27:24,349

apparently a very moving book I'm so

1829

01:27:30,009 --> 01:27:26,749

busy I haven't read it for a while well

1830

01:27:32,079 --> 01:27:30,019

Ill enjoyed the personal photographs in

1831

01:27:33,309 --> 01:27:32,089

the the book like actually I think

1832

01:27:35,399 --> 01:27:33,319

that's the book where you're hanging

1833

01:27:40,059 --> 01:27:35,409

upside down from the tree in a tire I

1834

01:27:43,319 --> 01:27:40,069

believe that and in my favorite there

1835

01:27:46,209 --> 01:27:43,329

was no tire it was the tree and me oh

1836

01:27:47,500 --> 01:27:46,219

there's a there's a tire that sticks in

1837

01:27:50,349 --> 01:27:47,510

my mind maybe that was another

1838

01:27:52,209 --> 01:27:50,359

photograph it's balanced on the tree

1839

01:27:56,409 --> 01:27:52,219

limb and my body was in perfect balance

1840

01:27:59,559 --> 01:27:56,419

yes that's the tree later and and then

1841

01:28:02,589 --> 01:27:59,569

of course my favorite is the present

1842

01:28:06,819 --> 01:28:02,599

that we found on your doorstep somebody

1843

01:28:10,989 --> 01:28:06,829

had had sent you a replica a rather

1844

01:28:14,709 --> 01:28:10,999

poorly constructed one a replica of a of

1845

01:28:20,589 --> 01:28:14,719

a extraterrestrial and what did it say

1846

01:28:24,279 --> 01:28:20,599

on the on the front of the replica DT

1847

01:28:25,899 --> 01:28:24,289

phone home alright well you know that

1848

01:28:30,579 --> 01:28:25,909

took a little bit that took a little bit

1849

01:28:32,469 --> 01:28:30,589

of thought on somebody's part yeah think

1850

01:28:36,030 --> 01:28:32,479

you know I think it was the neighbors I

1851

01:28:38,530 --> 01:28:36,040

had already it was a done

1852

01:28:40,390 --> 01:28:38,540

it wasn't that it wasn't done

1853

01:28:41,890 --> 01:28:40,400

maliciously or anything it was like they

1854

01:28:43,990 --> 01:28:41,900

threw it through a rock through the

1855

01:28:46,899 --> 01:28:44,000

window or burn across a your front or

1856

01:28:49,689 --> 01:28:46,909

something like that you know but yes yes

1857

01:29:01,959 --> 01:28:49,699

those those certainly were the days in

1858

01:29:05,070 --> 01:29:01,969

Poway that Bigfoot oh no it's it's me

1859

01:29:08,620 --> 01:29:05,080

I'm back in my home and my cats are

1860

01:29:12,669 --> 01:29:08,630

running to greet me glad you're back

1861

01:29:14,680 --> 01:29:12,679

home back home again and I wanted to ask

1862

01:29:19,300 --> 01:29:14,690

you Dianne actually this question comes

1863

01:29:21,550 --> 01:29:19,310

from my daughter she wanted me to ask

1864

01:29:23,020 --> 01:29:21,560

you what she found out that we were

1865

01:29:26,379 --> 01:29:23,030

going to be doing a show together and

1866

01:29:27,910 --> 01:29:26,389

and you you may have danced around this

1867

01:29:29,680 --> 01:29:27,920

subject just a little bit you know when

1868

01:29:32,770 --> 01:29:29,690

when I wasn't able to hear you when I

1869

01:29:35,830 --> 01:29:32,780

was on the road but she really wants to

1870

01:29:39,970 --> 01:29:35,840

know if you know our companion animals

1871

01:29:42,580 --> 01:29:39,980

are going to be with us when we pass on

1872

01:29:44,200 --> 01:29:42,590

you know she's she's seen these shows

1873

01:29:45,669 --> 01:29:44,210

you know like where you administer

1874

01:29:48,129 --> 01:29:45,679

they're like oh no only people have

1875

01:29:50,229 --> 01:29:48,139

souls animals don't have souls you know

1876

01:29:52,390 --> 01:29:50,239

and that that concerns her you know

1877

01:29:54,430 --> 01:29:52,400

she's like me she's a big animal lover

1878

01:29:56,620 --> 01:29:54,440

and she just cannot conceive an

1879

01:29:59,530 --> 01:29:56,630

afterlife without without our you know

1880

01:30:03,129 --> 01:29:59,540

furry friends I am sure that animals

1881

01:30:05,709 --> 01:30:03,139

have souls I've they have given me more

1882

01:30:06,850 --> 01:30:05,719

inspiration spiritually really than

1883

01:30:10,419 --> 01:30:06,860

anything in my life

1884

01:30:13,149 --> 01:30:10,429

and the inspiration is that I tend to be

1885

01:30:17,100 --> 01:30:13,159

a bit of a a part of me as a bit of a

1886

01:30:21,990 --> 01:30:17,110

skeptic and they have shown me

1887

01:30:26,800 --> 01:30:22,000

miraculous magic soulful truths and I

1888

01:30:30,129 --> 01:30:26,810

thoroughly believe that they go to on

1889

01:30:34,149 --> 01:30:30,139

they go on in consciousness as we do and

1890

01:30:37,090 --> 01:30:34,159

I thoroughly believe that once you bond

1891

01:30:40,240 --> 01:30:37,100

with an animal they will be with you

1892

01:30:42,100 --> 01:30:40,250

when you pass on and I think the way

1893

01:30:44,589 --> 01:30:42,110

that I don't know if you heard but my

1894

01:30:47,109 --> 01:30:44,599

dog that reincarnated from cincy dahana

1895

01:30:48,970 --> 01:30:47,119

the way that's done because I've had a

1896

01:30:52,510 --> 01:30:48,980

cat do it as well not every

1897

01:30:54,130 --> 01:30:52,520

not everything but I think this is I

1898

01:30:57,490 --> 01:30:54,140

don't know if you saw the Star Trek

1899

01:31:01,750 --> 01:30:57,500

movie for Spock Scott Rowe was stored in

1900

01:31:05,320 --> 01:31:01,760

McCoy I think is yeah a contra I think a

1901

01:31:08,080 --> 01:31:05,330

human can hold a contra of an animal

1902

01:31:12,280 --> 01:31:08,090

friend until they can find another fur

1903

01:31:14,830 --> 01:31:12,290

suit to go into so if that link is there

1904

01:31:18,910 --> 01:31:14,840

that strong spiritual connection I know

1905

01:31:21,400 --> 01:31:18,920

that we'll be together you know wherever

1906

01:31:27,400 --> 01:31:21,410

whatever nice place we end up when I

1907

01:31:29,260 --> 01:31:27,410

pass on absolutely I can I can just

1908

01:31:31,420 --> 01:31:29,270

imagine you know like somebody who you

1909

01:31:33,400 --> 01:31:31,430

know like thousands of years ago who

1910

01:31:37,990 --> 01:31:33,410

didn't like animals this probably came

1911

01:31:41,440 --> 01:31:38,000

up with that they would have power over

1912

01:31:44,890 --> 01:31:41,450

people because our animal friends give

1913

01:31:48,220 --> 01:31:44,900

us power and and you know and joy and

1914

01:31:58,780 --> 01:31:48,230

they did the church didn't want they

1915

01:32:04,450 --> 01:31:58,790

wanted total power me alive in a past

1916

01:32:06,370 --> 01:32:04,460

life so Diane what's on what's on your

1917

01:32:12,580 --> 01:32:06,380

what's on your agenda what what what

1918

01:32:16,090 --> 01:32:12,590

have we missed discussing i if anybody

1919

01:32:19,510 --> 01:32:16,100

would like to have a free online sample

1920

01:32:21,820 --> 01:32:19,520

of my newsletters earth change times

1921

01:32:25,960 --> 01:32:21,830

quarterly which talks about coming

1922

01:32:29,350 --> 01:32:25,970

disaster predictions comfort for people

1923

01:32:32,380 --> 01:32:29,360

who are different who believe change

1924

01:32:35,860 --> 01:32:32,390

times anyway I would be happy to send a

1925

01:32:39,690 --> 01:32:35,870

free sample of both that in the hardline

1926

01:32:42,010 --> 01:32:39,700

which has been going all these years for

1927

01:32:45,250 --> 01:32:42,020

experiencers star people abductees

1928

01:32:50,560 --> 01:32:45,260

contact these enlightened humans animal

1929

01:32:56,110 --> 01:32:50,570

lovers so there's that I'll be down to

1930

01:33:02,979 --> 01:32:56,120

the my email is Diane Tessman 0 at

1931

01:33:06,970 --> 01:33:02,989

gmail.com my my website is

1932

01:33:08,860 --> 01:33:06,980

earth change predictions dot-com and of

1933

01:33:11,800 --> 01:33:08,870

course you don't have a separate website

1934

01:33:14,860 --> 01:33:11,810

for your animal sanctuary I have thought

1935

01:33:17,500 --> 01:33:14,870

of doing that and I'm not a web builder

1936

01:33:20,770 --> 01:33:17,510

and I just have not gotten around to it

1937

01:33:23,500 --> 01:33:20,780

I have had some really generous mentors

1938

01:33:25,570 --> 01:33:23,510

throughout the year we're now gone so

1939

01:33:28,750 --> 01:33:25,580

I'm always looking for donations we're

1940

01:33:31,390 --> 01:33:28,760

always hard up but I haven't haven't

1941

01:33:35,740 --> 01:33:31,400

built a website for the sanctuary well I

1942

01:33:38,020 --> 01:33:35,750

know a little HTML I know how to break

1943

01:33:40,900 --> 01:33:38,030

up a paragraph with two brackets of the

1944

01:33:48,010 --> 01:33:40,910

letter P in the middle yes yeah that's

1945

01:33:50,050 --> 01:33:48,020

my that's my big HTML training well that

1946

01:33:51,610 --> 01:33:50,060

that's why when you go to Amazon and you

1947

01:33:53,620 --> 01:33:51,620

look at the descriptions of our book

1948

01:33:56,740 --> 01:33:53,630

there is a space between the paragraphs

1949

01:33:59,050 --> 01:33:56,750

because if you didn't include that the P

1950

01:34:01,470 --> 01:33:59,060

inside the bracket you'd have all the

1951

01:34:04,150 --> 01:34:01,480

copies kind of squash together well

1952

01:34:06,310 --> 01:34:04,160

Diane I want to thank you for being on

1953

01:34:08,650 --> 01:34:06,320

the the show I I believe you've been on

1954

01:34:10,270 --> 01:34:08,660

the program as many times or maybe more

1955

01:34:14,440 --> 01:34:10,280

than anybody else and you're always

1956

01:34:17,050 --> 01:34:14,450

you're always welcome here in fact if

1957

01:34:20,620 --> 01:34:17,060

you go to the archives either on KC or

1958

01:34:24,810 --> 01:34:20,630

radio.com or a YouTube in fact if you go

1959

01:34:27,940 --> 01:34:24,820

to youtube and type in a Gautam mr. UFOs

1960

01:34:30,190 --> 01:34:27,950

secret files and type in diet testament

1961

01:34:32,410 --> 01:34:30,200

you'll find a couple of videos we have

1962

01:34:35,080 --> 01:34:32,420

one of her it giant rock out there in

1963

01:34:36,610 --> 01:34:35,090

the desert and there's another one I

1964

01:34:40,390 --> 01:34:36,620

can't remember what the other one is but

1965

01:34:42,760 --> 01:34:40,400

there's a lot to do its Ireland yet a

1966

01:34:47,080 --> 01:34:42,770

lot to do with sea @mr

1967

01:34:49,000 --> 01:34:47,090

UFOs secret files on beauty and the

1968

01:34:52,350 --> 01:34:49,010

archives will be up shortly here and

1969

01:34:59,169 --> 01:34:55,270

you've been listening to exploring the

1970

01:35:02,439 --> 01:34:59,179

bazaar with hosts Timothy Beckley and to

1971

01:35:05,319 --> 01:35:02,449

Swartz they're taking back the night by

1972

01:35:07,899 --> 01:35:05,329

jetting non-stop across the cosmos in

1973

01:35:11,700 --> 01:35:07,909

search of the truly bizarre and totally

1974

01:35:14,210 --> 01:35:11,710

unexplained with you as they're cold

1975

01:35:18,690 --> 01:35:14,220

Thursday nights at 7:00 p.m. Pacific

1976

01:35:19,890 --> 01:35:18,700

10:00 p.m. Eastern on the K cor digital

1977

01:35:22,350 --> 01:35:19,900

rating

1978

01:35:25,800 --> 01:35:22,360

for more information on exploring the

1979

01:35:28,650 --> 01:35:25,810

bazaar and hosts timothy Beckley and tim

1980

01:35:31,740 --> 01:35:28,660

Swartz check out their kco our digital

1981

01:35:37,980 --> 01:35:31,750

radio network follow their YouTube
