5
00:00:55,140 --> 00:00:52,030

universe exploring the unexplained UFO s

6
00:00:57,520 --> 00:00:55,150

ghosts Lost Worlds

7
00:01:01,360 --> 00:00:57,530

cryptozoology waters as well as other

8
00:01:06,520 --> 00:01:01,370

dimensions it's time to take back the

9
00:01:09,670 --> 00:01:06,530

night now your electrifying hosts of

10
00:01:30,280 --> 00:01:09,680

exploring the bizarre Timothy Begley and

11
00:01:41,620 --> 00:01:30,290

Tim wake up rich digging a ditch in the

12
00:01:44,050 --> 00:01:41,630

army now we'll have you cleaning the

13
00:01:48,550 --> 00:01:44,060

latrine if you don't move your ass right

14

00:01:52,330 --> 00:01:48,560

now and I mean now private Schwartz oh

15

00:01:54,429 --> 00:01:52,340

well sorry sergeant Bunco but I was up

16

00:01:59,289 --> 00:01:54,439

really late on the front line watching

17

00:02:01,630 --> 00:01:59,299

for UFOs just as I was told to oh well

18

00:02:04,780 --> 00:02:01,640

this huge flying saucer came over and

19

00:02:06,670 --> 00:02:04,790

abducted one of the guys we tried to

20

00:02:10,860 --> 00:02:06,680

hold him down but the suction of the

21

00:02:16,180 --> 00:02:10,870

craft was too strong and they got him

22

00:02:18,970 --> 00:02:16,190

they just got him ah no excuse private

23

00:02:21,880 --> 00:02:18,980

you're lucky they didn't take your sorry

24

00:02:24,880 --> 00:02:21,890

ass young rub your now drop your schlong

25

00:02:27,280 --> 00:02:24,890

and pick your socks and get your butt

26

00:02:31,610 --> 00:02:27,290

moving 1 2 3

27

00:02:31,620 --> 00:02:36,160

[Music]

28

00:02:42,670 --> 00:02:39,890

well I don't know if we'll ever take the

29

00:02:46,250 --> 00:02:42,680

place of Phil Silvers I don't think so

30

00:02:50,620 --> 00:02:46,260

but it's a I don't know I don't know so

31

00:02:53,930 --> 00:02:50,630

how you been out there in Jasper well

32

00:02:59,420 --> 00:02:53,940

we've been not too bad you know we got

33

00:03:02,120 --> 00:02:59,430

the the remnants of Hurricane Norma come

34

00:03:05,480 --> 00:03:02,130

through yeah but by the time it got to

35

00:03:08,570 --> 00:03:05,490

us it was just I mean it barely rained

36

00:03:10,520 --> 00:03:08,580

half an inch I guess it it spent all of

37

00:03:14,150 --> 00:03:10,530

its might but the funny thing about it

38

00:03:17,630 --> 00:03:14,160

is that after it came through here it it

39

00:03:20,449 --> 00:03:17,640

took a dive back down to like Texas

40

00:03:23,210 --> 00:03:20,459

Louisiana and then circle back around

41

00:03:24,440 --> 00:03:23,220

and got us again that was that that was

42

00:03:27,680 --> 00:03:24,450

some storm huh

43

00:03:31,910 --> 00:03:27,690

you know I I've a keishon that a number

44

00:03:34,130 --> 00:03:31,920

of times with my friend April and the

45

00:03:37,250 --> 00:03:34,140

Virgin Islands beautiful place but I I

46

00:03:40,280 --> 00:03:37,260

hear that really got the the brunt of

47

00:03:43,310 --> 00:03:40,290

the the storm and coming through on its

48

00:03:46,310 --> 00:03:43,320

way to Key West where I would go and

49

00:03:48,350 --> 00:03:46,320

visit Jim Mosely from time to time I'm

50

00:03:51,350 --> 00:03:48,360

I'm sure he's one of the ones that would

51
00:03:53,509 --> 00:03:51,360
not have evacuated and I don't think he

52
00:03:57,650 --> 00:03:53,519
I don't think he was much of a swimmer

53
00:04:01,040 --> 00:03:57,660
either and anyway it's going to take a

54
00:04:03,949 --> 00:04:01,050
long time to recoup from that and I'm

55
00:04:07,340 --> 00:04:03,959
glad to say that I have heard from most

56
00:04:12,130 --> 00:04:07,350
of my Facebook friends then they're okay

57
00:04:15,229 --> 00:04:12,140
a little storm weary at this point but

58
00:04:16,969 --> 00:04:15,239
they're there they're going to make it

59
00:04:20,690 --> 00:04:16,979
through all this and even our business

60
00:04:23,270 --> 00:04:20,700
contacts down in the Florida and Georgia

61
00:04:26,480 --> 00:04:23,280
seemed to be perhaps mopping in the

62
00:04:29,300 --> 00:04:26,490
floor but getting everything back to

63
00:04:32,300 --> 00:04:29,310

normal which that is yeah and that's

64

00:04:36,320 --> 00:04:32,310

good news but of course we're not normal

65

00:04:38,320 --> 00:04:36,330

are we no not even close and if you're

66

00:04:41,750 --> 00:04:38,330

if if you're listening to the show

67

00:04:42,820 --> 00:04:41,760

expecting normal well you're in verse

68

00:04:44,860 --> 00:04:42,830

surprise

69

00:04:49,030 --> 00:04:44,870

I would say so because you're not gonna

70

00:04:55,150 --> 00:04:49,040

find normal on exploring the bazaar and

71

00:04:57,550 --> 00:04:55,160

if you do you can come and fire us don't

72

00:05:00,570 --> 00:04:57,560

do that you could take that microphone

73

00:05:05,140 --> 00:05:00,580

right out of my hand

74

00:05:06,880 --> 00:05:05,150

try it try it buddy hey I don't want to

75

00:05:09,730 --> 00:05:06,890

get too much of an aggressive approach

76
00:05:11,140 --> 00:05:09,740
here Oh No although what are we what are

77
00:05:13,930 --> 00:05:11,150
we talking about tonight we're talking

78
00:05:18,880 --> 00:05:13,940
about the military and the paranormal

79
00:05:24,550 --> 00:05:18,890
and UFOs and it's it's going to be quite

80
00:05:25,990 --> 00:05:24,560
a fascinating show you know the things

81
00:05:28,750 --> 00:05:26,000
that happen

82
00:05:31,030 --> 00:05:28,760
paranormal events during the the various

83
00:05:33,370 --> 00:05:31,040
wars and conflicts and leading up to it

84
00:05:37,990 --> 00:05:33,380
and just after have always fascinated me

85
00:05:41,590 --> 00:05:38,000
in fact many years ago I wrote letters

86
00:05:44,050 --> 00:05:41,600
to various military publications asking

87
00:05:47,080 --> 00:05:44,060
for people to you know in the service

88
00:05:49,960 --> 00:05:47,090

vet veterans and so forth 270 their

89

00:05:52,210 --> 00:05:49,970

experiences and I got a file full and I

90

00:05:53,080 --> 00:05:52,220

have been planning to work on a book on

91

00:05:55,840 --> 00:05:53,090

the subject

92

00:05:59,380 --> 00:05:55,850

unfortunately I can't find the file no

93

00:06:02,890 --> 00:05:59,390

no you know I've got like 40 file

94

00:06:06,430 --> 00:06:02,900

drawers and it's in here somewhere and

95

00:06:09,510 --> 00:06:06,440

one of these days I will come across it

96

00:06:15,880 --> 00:06:09,520

and then we will have another book to

97

00:06:22,480 --> 00:06:15,890

pursue but Tim let us gather our gear

98

00:06:27,210 --> 00:06:22,490

and our rifles and our tanks and and hit

99

00:06:38,650 --> 00:06:27,220

the road towards Damascus or somewhere

100

00:06:40,600 --> 00:06:38,660

no not that far barracks shenanigans and

101
00:06:44,320 --> 00:06:40,610
you've had a reprieve you don't have to

102
00:06:46,330 --> 00:06:44,330
clean the latrine like that and you

103
00:06:52,750 --> 00:06:46,340
could pull your socks up at your own

104
00:06:55,930 --> 00:06:52,760
pace I appreciate that Sarge ah you bet

105
00:06:56,740 --> 00:06:55,940
you bet sergeant Bunco here and anyway

106
00:07:01,510 --> 00:06:56,750
tell

107
00:07:03,850 --> 00:07:01,520
this evening oh yeah oh we got a great

108
00:07:07,960 --> 00:07:03,860
show tonight because we have with us

109
00:07:10,060 --> 00:07:07,970
Jim miles who is the author of seven

110
00:07:14,470 --> 00:07:10,070
books of the Civil War

111
00:07:17,080 --> 00:07:14,480
explorers series Civil War as well Civil

112
00:07:20,770 --> 00:07:17,090
War sites in Georgia and also two books

113
00:07:23,620 --> 00:07:20,780

titled a weird Georgia now five books

114

00:07:26,620 --> 00:07:23,630

were featured by the history book club

115

00:07:28,510 --> 00:07:26,630

and he's been a historical advisor to

116

00:07:31,120 --> 00:07:28,520

several History Channel shows and he's

117

00:07:33,840 --> 00:07:31,130

also written seven books about Georgia

118

00:07:38,380 --> 00:07:33,850

ghosts of war ghosts of North Georgia

119

00:07:42,159 --> 00:07:38,390

Civil War ghosts of Atlanta and the list

120

00:07:51,730 --> 00:07:42,169

just goes on now the but he lives in

121

00:07:54,030 --> 00:07:51,740

Maine no I don't live a I'm holding a

122

00:07:57,330 --> 00:07:54,040

copy of his latest book which

123

00:07:59,830 --> 00:07:57,340

fascinating cover on it man that's a

124

00:08:03,010 --> 00:07:59,840

well that's mysteries of Georgia's

125

00:08:05,380 --> 00:08:03,020

military bases ghosts UFOs and Bigfoot

126

00:08:07,659 --> 00:08:05,390

well I I think that's what we're going

127

00:08:09,730 --> 00:08:07,669

to concentrate at least to begin with

128

00:08:13,510 --> 00:08:09,740

but but go ahead wait we have a second

129

00:08:17,560 --> 00:08:13,520

guest right well uh tonight we have the

130

00:08:19,780 --> 00:08:17,570

return of Mack Maloney now Mack is the

131

00:08:22,810 --> 00:08:19,790

author of numerous fiction series

132

00:08:25,659 --> 00:08:22,820

including wing man one of my favorite

133

00:08:29,110 --> 00:08:25,669

series of books by the way chopper up

134

00:08:32,260 --> 00:08:29,120

sky Hawk and pirate hunters now he's

135

00:08:34,750 --> 00:08:32,270

also written two non-fiction books UFOs

136

00:08:37,600 --> 00:08:34,760

in wartime what they don't want you to

137

00:08:40,360 --> 00:08:37,610

know and beyond area 51

138

00:08:42,270 --> 00:08:40,370

so now max started writing books in 1984

139

00:08:46,329 --> 00:08:42,280

and he's been doing it full-time since

140

00:08:50,230 --> 00:08:46,339

1987 and he's written over 30 books Mac

141

00:08:52,960 --> 00:08:50,240

is also the host of the radio show Mac

142

00:08:55,060 --> 00:08:52,970

Maloney's military x-files

143

00:08:56,890 --> 00:08:55,070

so gentlemen thank you very much for

144

00:08:59,380 --> 00:08:56,900

being with us tonight on exploring the

145

00:09:02,640 --> 00:08:59,390

bizarre uh here we go

146

00:09:04,930 --> 00:09:02,650

I wanna I want to bring in I think a Jim

147

00:09:07,530 --> 00:09:04,940

first of all because he hasn't been on

148

00:09:10,630 --> 00:09:07,540

the program before and we'll give him a

149

00:09:12,699 --> 00:09:10,640

pardon the expression a shot at this

150

00:09:15,100 --> 00:09:12,709

why don't you tell our listeners a

151

00:09:17,440 --> 00:09:15,110

little bit about your how you got

152

00:09:18,970 --> 00:09:17,450

involved in the military aspect of this

153

00:09:23,829 --> 00:09:18,980

I mean I've seen most of your books seem

154

00:09:27,519 --> 00:09:23,839

to to relate or are you a vet I'm not

155

00:09:30,460 --> 00:09:27,529

but all my life have lived near major

156

00:09:33,670 --> 00:09:30,470

Air Force bases you care command base

157

00:09:36,130 --> 00:09:33,680

the sac bases so twice a day you heard

158

00:09:39,730 --> 00:09:36,140

this fleet of bombers out there warming

159

00:09:42,460 --> 00:09:39,740

up taking off and the old fly comes in

160

00:09:45,819 --> 00:09:42,470

and lands and you try not to think that

161

00:09:48,819 --> 00:09:45,829

two miles from your school are several

162

00:09:52,540 --> 00:09:48,829

hundred nuclear weapons oh I wouldn't

163

00:09:56,620 --> 00:09:52,550

yes yeah and you got to consider that

164

00:10:00,730 --> 00:09:56,630

you were also one of us as our biggest

165

00:10:03,370 --> 00:10:00,740

targets when the Cold War was over we

166

00:10:07,449 --> 00:10:03,380

discovered that the Russians had to

167

00:10:09,100 --> 00:10:07,459

airburst new targeted for us and the

168

00:10:12,280 --> 00:10:09,110

prediction was that would have killed

169

00:10:15,250 --> 00:10:12,290

half of us out light and the other half

170

00:10:18,540 --> 00:10:15,260

of us within a week or so now where was

171

00:10:22,150 --> 00:10:18,550

this at the time that you were living

172

00:10:28,019 --> 00:10:22,160

I'm still live in 111 Georgia this is

173

00:10:31,240 --> 00:10:28,029

home to rather therefore space okay and

174

00:10:33,970 --> 00:10:31,250

okay so when did you take it I mean what

175

00:10:36,550 --> 00:10:33,980

made you decide though to take a pen to

176

00:10:41,460 --> 00:10:36,560

paper and what is your background of

177

00:10:44,769 --> 00:10:41,470

that of a a journalist or a writer or

178

00:10:47,139 --> 00:10:44,779

all my life I've been a teacher and a

179

00:10:49,350 --> 00:10:47,149

writer okay I majored in history and

180

00:10:52,660 --> 00:10:49,360

political science I taught high school

181

00:10:56,740 --> 00:10:52,670

American history for 31 years I've been

182

00:10:58,030 --> 00:10:56,750

writing since I was a kid those two

183

00:11:00,490 --> 00:10:58,040

things have always just come together

184

00:11:04,480 --> 00:11:00,500

for me teaching his writing and writing

185

00:11:06,819 --> 00:11:04,490

and teaching and and what was the the

186

00:11:11,470 --> 00:11:06,829

first thing that you wrote as far as the

187

00:11:13,480 --> 00:11:11,480

the paranormal and the military was

188

00:11:15,220 --> 00:11:13,490

concerned and why why did you pick that

189

00:11:17,710 --> 00:11:15,230

topic I mean if you were going to write

190

00:11:19,530 --> 00:11:17,720

about the the military there's certainly

191

00:11:23,220 --> 00:11:19,540

a lot of other aspects you could have

192

00:11:26,090 --> 00:11:23,230

written about I can put

193

00:11:28,140 --> 00:11:26,100

self to be a Georgia expert I read the

194

00:11:30,840 --> 00:11:28,150

newspapers every day I read every book

195

00:11:33,810 --> 00:11:30,850

about Georgia pretty much every magazine

196

00:11:37,290 --> 00:11:33,820

every newspaper through the years and I

197

00:11:39,690 --> 00:11:37,300

collect all types of odd information

198

00:11:42,120 --> 00:11:39,700

about Georgia and since I've lived in

199

00:11:43,980 --> 00:11:42,130

your airport spaces all my life I've

200

00:11:47,010 --> 00:11:43,990

paid particular attention when there's a

201
00:11:50,460 --> 00:11:47,020
report about one of Georgia's military

202
00:11:53,990 --> 00:11:50,470
bases and the three primary types

203
00:11:55,380 --> 00:11:54,000
witness at Georgia's military bases are

204
00:11:58,740 --> 00:11:55,390
UFOs

205
00:12:02,990 --> 00:11:58,750
ghosts and Bigfoots well you know I

206
00:12:07,470 --> 00:12:03,000
would I would I would imagine UFOs and

207
00:12:11,100 --> 00:12:07,480
ghosts the the Bigfoot aspect kind of I

208
00:12:15,780 --> 00:12:11,110
want say stuns me or surprises me

209
00:12:17,670 --> 00:12:15,790
because I did a segment of oh I think on

210
00:12:22,650 --> 00:12:17,680
the History Channel of mysteries in the

211
00:12:23,790 --> 00:12:22,660
national parks and one of the part of

212
00:12:26,820 --> 00:12:23,800
the interview that I did was about

213
00:12:30,140 --> 00:12:26,830

Joshua Tree and I think it was Edwards

214

00:12:34,680 --> 00:12:30,150

Air Force Base we talked about this

215

00:12:36,510 --> 00:12:34,690

albino creature a Bigfoot for lack of a

216

00:12:41,300 --> 00:12:36,520

better name Sasquatch what everyone

217

00:12:43,890 --> 00:12:41,310

called that had been seen by some of the

218

00:12:45,780 --> 00:12:43,900

military guards you know on the

219

00:12:48,600 --> 00:12:45,790

perimeter of the the base through

220

00:12:52,650 --> 00:12:48,610

binoculars so I mean I am aware that

221

00:12:55,980 --> 00:12:52,660

these thats in a hot humid region of

222

00:12:59,310 --> 00:12:55,990

course in southern california but anyway

223

00:13:02,100 --> 00:12:59,320

god what what kind of was there one

224

00:13:05,390 --> 00:13:02,110

particular let's say let's start out

225

00:13:10,280 --> 00:13:05,400

with UFOs first was there one particular

226

00:13:15,480 --> 00:13:10,290

event that kind of got is going for you

227

00:13:18,570 --> 00:13:15,490

yeah when I was 13 years old I was a boy

228

00:13:21,150 --> 00:13:18,580

scout here in middle Georgia now we had

229

00:13:23,190 --> 00:13:21,160

Robins Air Force Base attack base and

230

00:13:26,160 --> 00:13:23,200

there's a second one in Albany called

231

00:13:29,190 --> 00:13:26,170

Turner Air Force Base and to protect

232

00:13:32,790 --> 00:13:29,200

them against Russian attack in 1916 they

233

00:13:35,550 --> 00:13:32,800

started building 90 nuclear missile

234

00:13:36,330 --> 00:13:35,560

batteries two of them for one or ovens

235

00:13:40,740 --> 00:13:36,340

two of them

236

00:13:46,080 --> 00:13:40,750

or Albany on Turner's and what they had

237

00:13:49,560 --> 00:13:46,090

there were 24 night nike hercules

238

00:13:51,330 --> 00:13:49,570

missiles and if Russian bombers were

239

00:13:55,860 --> 00:13:51,340

approaching they would be these things

240

00:13:59,550 --> 00:13:55,870

off and they were equipped with either a

241

00:14:01,470 --> 00:13:59,560

two kiloton or a ten kiloton bomb and

242

00:14:05,340 --> 00:14:01,480

they were meant to be exploded in the

243

00:14:09,300 --> 00:14:05,350

atmosphere and destroy incoming enemy

244

00:14:11,640 --> 00:14:09,310

bombers right next door to one of these

245

00:14:16,380 --> 00:14:11,650

missile batteries it was Camp Benjamin

246

00:14:18,510 --> 00:14:16,390

Hawkins it's a boy scout camp and when I

247

00:14:21,150 --> 00:14:18,520

was 13 years old we had camping trips

248

00:14:22,740 --> 00:14:21,160

and the first night we would always stay

249

00:14:26,940 --> 00:14:22,750

up all night around the campfire just

250

00:14:30,060 --> 00:14:26,950

all the boys talking and as we've told

251
00:14:34,200 --> 00:14:30,070
stories and looked at the sky I saw this

252
00:14:36,810 --> 00:14:34,210
brilliant orange light up here in the

253
00:14:39,000 --> 00:14:36,820
distance up on this guy we were all

254
00:14:42,210 --> 00:14:39,010
watching it and it just zigzag back and

255
00:14:45,600 --> 00:14:42,220
forth very slowly kept coming closer and

256
00:14:47,360 --> 00:14:45,610
closer to Earth and finally disappeared

257
00:14:51,900 --> 00:14:47,370
from our view

258
00:14:56,760 --> 00:14:51,910
it was obviously flying and an object

259
00:14:59,190 --> 00:14:56,770
and we can identify it so I just it made

260
00:15:02,970 --> 00:14:59,200
me think UFOs are keeping an eye on

261
00:15:04,800 --> 00:15:02,980
these nuclear missile batteries and a

262
00:15:08,640 --> 00:15:04,810
few years later another voice down at

263
00:15:11,060 --> 00:15:08,650

the same place in two other counselors

264

00:15:14,220 --> 00:15:11,070

were watching the skies one night and

265

00:15:17,610 --> 00:15:14,230

glowing orbs showed up and paralyzed

266

00:15:20,370 --> 00:15:17,620

them for a while and then the UFO moved

267

00:15:23,420 --> 00:15:20,380

over the central battery and disappeared

268

00:15:29,520 --> 00:15:23,430

so that's what started it all that that

269

00:15:31,110 --> 00:15:29,530

event hmm considering all the Nike bases

270

00:15:34,650 --> 00:15:31,120

that were built around the United States

271

00:15:37,800 --> 00:15:34,660

it surprises me that you know with all

272

00:15:40,199 --> 00:15:37,810

the UFO sightings as well that somebody

273

00:15:42,690 --> 00:15:40,209

hadn't you know it advertently launched

274

00:15:46,869 --> 00:15:42,700

one of those missiles that some of these

275

00:15:50,949 --> 00:15:46,879

incoming UFOs glad they didn't

276

00:15:52,299 --> 00:15:50,959

that's an interesting thought I think

277

00:15:54,609 --> 00:15:52,309

there were several hundreds of these

278

00:15:56,199 --> 00:15:54,619

batteries around the country and it

279

00:15:56,619 --> 00:15:56,209

isn't right there was nobody popped one

280

00:15:59,289 --> 00:15:56,629

off

281

00:16:02,019 --> 00:15:59,299

mm-hmm yeah they they actually they

282

00:16:05,019 --> 00:16:02,029

build a couple of them here in in

283

00:16:10,479 --> 00:16:05,029

Indiana one one near Chicago and then

284

00:16:13,840 --> 00:16:10,489

they had another one to protect the

285

00:16:17,169 --> 00:16:13,850

crane facility down down here in

286

00:16:21,809 --> 00:16:17,179

southern Indiana well Jim I'm interested

287

00:16:25,059 --> 00:16:21,819

in just you know real quick about your

288

00:16:27,340 --> 00:16:25,069

your your Civil War books now you know

289

00:16:32,129 --> 00:16:27,350

you've written a number of books you

290

00:16:36,189 --> 00:16:32,139

know about the Civil War but you've also

291

00:16:40,509 --> 00:16:36,199

included in there a lot of of ghost

292

00:16:42,489 --> 00:16:40,519

stories that you know seem to you know

293

00:16:45,599 --> 00:16:42,499

swing in the same direction so to speak

294

00:16:52,689 --> 00:16:45,609

is you know these Civil War

295

00:16:56,259 --> 00:16:52,699

books I mean is are there are there more

296

00:16:59,859 --> 00:16:56,269

ghostly sightings in some of these areas

297

00:17:03,849 --> 00:16:59,869

that that saw a lot of action during

298

00:17:05,590 --> 00:17:03,859

this of war then then others that you

299

00:17:07,480 --> 00:17:05,600

know that that that that you have

300

00:17:13,509 --> 00:17:07,490

discovered in you know researching your

301

00:17:15,429 --> 00:17:13,519

books one of the most haunted places in

302

00:17:19,360 --> 00:17:15,439

America is Chickamauga world battlefield

303

00:17:23,369 --> 00:17:19,370

in North Georgia now Chickamauga was the

304

00:17:27,210 --> 00:17:23,379

second largest battle in the war and

305

00:17:30,820 --> 00:17:27,220

there were founded a man killed and

306

00:17:34,119 --> 00:17:30,830

since the battle was over people have

307

00:17:36,879 --> 00:17:34,129

been telling stories now one story might

308

00:17:39,759 --> 00:17:36,889

actually be a Bigfoot but there is a

309

00:17:43,240 --> 00:17:39,769

creature that supposedly was crawling

310

00:17:45,990 --> 00:17:43,250

over the battlefield and picking up and

311

00:17:49,840 --> 00:17:46,000

tearing away dead bodies to feast upon

312

00:17:52,509 --> 00:17:49,850

some people for real that time that day

313

00:17:54,820 --> 00:17:52,519

that's what that's a wild story now when

314

00:17:58,139 --> 00:17:54,830

when did this happen and was it on more

315

00:18:00,700 --> 00:17:58,149

than one occasion Oh many times

316

00:18:02,529 --> 00:18:00,710

yeah old

317

00:18:05,470 --> 00:18:02,539

green eyes is what the what is called

318

00:18:09,820 --> 00:18:05,480

and visitors to say there at the dark

319

00:18:13,450 --> 00:18:09,830

TVs to green eyes just pacing around

320

00:18:16,720 --> 00:18:13,460

sometimes making noise sometimes you

321

00:18:17,560 --> 00:18:16,730

could smell it and people always feel

322

00:18:20,560 --> 00:18:17,570

threatened by it

323

00:18:26,200 --> 00:18:20,570

can you just growing just right can you

324

00:18:28,990 --> 00:18:26,210

describe it for us they think we big

325

00:18:31,710 --> 00:18:29,000

threats it's the Lord

326

00:18:35,919 --> 00:18:31,720

perhaps a cool as a better word Bart I

327

00:18:38,560 --> 00:18:35,929

think humanoid it's got long arms and

328

00:18:40,950 --> 00:18:38,570

legs and it's fairly large when people I

329

00:18:43,899 --> 00:18:40,960

can see the figure and not just the eyes

330

00:18:50,320 --> 00:18:43,909

they are intimidated and they run away

331

00:18:52,180 --> 00:18:50,330

they are intimidated I think I would be

332

00:18:55,659 --> 00:18:52,190

intimidated yeah well I mean it sounds

333

00:19:00,700 --> 00:18:55,669

like something taking the opportunity

334

00:19:04,360 --> 00:19:00,710

for a free meal yeah and that's just one

335

00:19:07,990 --> 00:19:04,370

of many different types of ghosts from

336

00:19:10,049 --> 00:19:08,000

check'em agua now there are women

337

00:19:12,399 --> 00:19:10,059

dressed in their wedding dresses

338

00:19:15,630 --> 00:19:12,409

wandering around trying to find their

339

00:19:19,860 --> 00:19:15,640

see on stage or somewhere in the battle

340

00:19:21,730 --> 00:19:19,870

soldiers spectacle soldiers are seeing

341

00:19:24,909 --> 00:19:21,740

prowling through the woods sometimes

342

00:19:26,440 --> 00:19:24,919

firing rifles at you which will get your

343

00:19:29,620 --> 00:19:26,450

attention

344

00:19:32,409 --> 00:19:29,630

this is hollow cone as material there at

345

00:19:34,539 --> 00:19:32,419

Chickamauga another place

346

00:19:38,730 --> 00:19:34,549

well sure everyone's heard of is called

347

00:19:42,960 --> 00:19:38,740

Andersonville it was a federal prison

348

00:19:45,820 --> 00:19:42,970

started in southwest Georgia in 1864

349

00:19:48,970 --> 00:19:45,830

they sent way too many prisoners down

350

00:19:53,560 --> 00:19:48,980

there they had a limited and polluted

351

00:19:57,330 --> 00:19:53,570

water supply very little food can make

352

00:20:00,610 --> 00:19:57,340

it down there and in about 9 months

353

00:20:03,190 --> 00:20:00,620

13,000 Union soldiers died at

354

00:20:06,419 --> 00:20:03,200

Andersonville and they are all buried

355

00:20:09,850 --> 00:20:06,429

there in a National Cemetery today Oh

356

00:20:14,109 --> 00:20:09,860

his haunting has come from desperation

357

00:20:17,169 --> 00:20:14,119

and misery and hatred and just

358

00:20:19,029 --> 00:20:17,179

every negative human emotion and that is

359

00:20:26,579 --> 00:20:19,039

the place that is going to be haunted

360

00:20:31,599 --> 00:20:26,589

the most so now when it comes to

361

00:20:33,279 --> 00:20:31,609

modern-day military bases their enemy

362

00:20:35,229 --> 00:20:33,289

and it's you know not just from you I

363

00:20:38,039 --> 00:20:35,239

mean you know I've heard these stories

364

00:20:41,589 --> 00:20:38,049

from other people of well you know a

365

00:20:47,199 --> 00:20:41,599

majority of these bases seem to have

366

00:20:51,009 --> 00:20:47,209

their own UFO haunting incidents I mean

367

00:20:53,049 --> 00:20:51,019

what is it about these bases that that

368

00:20:58,839 --> 00:20:53,059

seemed to be a focal point for for

369

00:21:01,119 --> 00:20:58,849

ghosts and hauntings just about every

370

00:21:03,939 --> 00:21:01,129

military bases haunted or thought to be

371

00:21:07,749 --> 00:21:03,949

haunted by something but in my

372

00:21:11,849 --> 00:21:07,759

experience here in Georgia you have the

373

00:21:13,899 --> 00:21:11,859

most those cases from the army bases and

374

00:21:16,839 --> 00:21:13,909

the ones that have been around the

375

00:21:19,019 --> 00:21:16,849

longest for example Fort Benning in

376

00:21:21,999 --> 00:21:19,029

Columbus is one of the largest military

377

00:21:25,359 --> 00:21:22,009

bases in the United States it has

378

00:21:28,419 --> 00:21:25,369

trained hundreds of thousands of men and

379

00:21:32,469 --> 00:21:28,429

sent them to world war one world war two

380

00:21:35,229 --> 00:21:32,479

Korea Vietnam the Gulf War and the war

381

00:21:38,769 --> 00:21:35,239

on terror so men are constantly being

382

00:21:41,199 --> 00:21:38,779

trained there and often their families

383

00:21:44,229 --> 00:21:41,209

are stationed with them there and we

384

00:21:47,679 --> 00:21:44,239

send them off and unfortunately they

385

00:21:51,099 --> 00:21:47,689

they die and it seems like many of them

386

00:21:54,039 --> 00:21:51,109

tried to come back to the last home they

387

00:22:01,929 --> 00:21:54,049

had or the last peaceful place that they

388

00:22:05,739 --> 00:22:01,939

knew now Jim how would you let's see and

389

00:22:07,689 --> 00:22:05,749

what is a how can I put this or do you

390

00:22:09,579 --> 00:22:07,699

think how do you see the phenomenon of

391

00:22:12,669 --> 00:22:09,589

soft or do you think that these are the

392

00:22:15,849 --> 00:22:12,679

actual spirits that are coming back I

393

00:22:19,509 --> 00:22:15,859

mean that the spirits of the deceased or

394

00:22:21,849 --> 00:22:19,519

is it some sort of psychic impression

395

00:22:24,189 --> 00:22:21,859

that's been made made on the atmosphere

396

00:22:27,610 --> 00:22:24,199

and it's kind of like we're rerunning

397

00:22:32,350 --> 00:22:27,620

the events of the past today

398

00:22:36,490 --> 00:22:32,360

I think that most of these are spirits

399

00:22:39,010 --> 00:22:36,500

coming home the standard story in in

400

00:22:41,020 --> 00:22:39,020

Fort Benning and sometimes you Square

401
00:22:43,950 --> 00:22:41,030
every house an apartment on the basis

402
00:22:47,260 --> 00:22:43,960
haunted but the most common thing is

403
00:22:49,090 --> 00:22:47,270
people currently living in a place and

404
00:22:51,330 --> 00:22:49,100
we'll here the front screen door opens

405
00:22:54,960 --> 00:22:51,340
they'll hear the front door unlocked

406
00:22:58,710 --> 00:22:54,970
they'll hear the door closed and locks

407
00:23:02,440 --> 00:22:58,720
they won't hear boots combat boots

408
00:23:04,960 --> 00:23:02,450
walking across the wooden floors and it

409
00:23:09,450 --> 00:23:04,970
seems like they're just coming home over

410
00:23:12,630 --> 00:23:09,460
and over again and do they do they

411
00:23:15,940 --> 00:23:12,640
actually make though any let's see

412
00:23:18,880 --> 00:23:15,950
communication or contact with the the

413
00:23:21,640 --> 00:23:18,890

living or is it would you say that

414

00:23:25,600 --> 00:23:21,650

they're all just pretty much phantoms of

415

00:23:28,600 --> 00:23:25,610

the night I would call them phantoms of

416

00:23:31,600 --> 00:23:28,610

the night there's no communication

417

00:23:42,250 --> 00:23:31,610

attempts there's lots of poltergeist

418

00:23:43,600 --> 00:23:42,260

activity and well we're going we're

419

00:23:46,150 --> 00:23:43,610

gonna disappear for a minute because

420

00:23:50,790 --> 00:23:46,160

we're on our first break here and we'll

421

00:23:50,800 --> 00:23:59,620

[Music]

422

00:24:06,350 --> 00:24:03,770

now back to exploring the bazaars with

423

00:24:09,350 --> 00:24:06,360

two of the most electrifying researchers

424

00:24:13,790 --> 00:24:09,360

in the Paranoid your hosts Timothy

425

00:24:15,920 --> 00:24:13,800

effectively Anton's lists we welcome

426

00:24:18,980 --> 00:24:15,930

back to explore in the bazaar right here

427

00:24:22,460 --> 00:24:18,990

on the mighty case Co our digital radio

428

00:24:25,250 --> 00:24:22,470

network and Tim I think we need to bring

429

00:24:26,960 --> 00:24:25,260

a mikvah low D and he's been waiting

430

00:24:30,740 --> 00:24:26,970

patiently yeah he's been waiting

431

00:24:32,330 --> 00:24:30,750

patiently in the wing so Mac it's it's

432

00:24:33,220 --> 00:24:32,340

it's your turn great to have you with us

433

00:24:36,620 --> 00:24:33,230

tonight

434

00:24:40,150 --> 00:24:36,630

thanks guys glad to be here well I just

435

00:24:44,660 --> 00:24:40,160

I wanted to point out really quick that

436

00:24:47,210 --> 00:24:44,670

Mac has see it was May was a mayor this

437

00:24:50,000 --> 00:24:47,220

year that she released book number 18 in

438

00:24:52,880 --> 00:24:50,010

the the wigman series yep that's right

439

00:24:55,610 --> 00:24:52,890

Wendy and 18 came out may 2nd may say

440

00:24:58,490 --> 00:24:55,620

okay so now okay what how long had it

441

00:25:01,310 --> 00:24:58,500

been between book 17 and book 18 I know

442

00:25:02,990 --> 00:25:01,320

it's been quite a while right book 17

443

00:25:06,350 --> 00:25:03,000

was more like a novella that came out

444

00:25:09,560 --> 00:25:06,360

three years ago and then between book 16

445

00:25:15,020 --> 00:25:09,570

and 17 it was about mmm twelve years or

446

00:25:19,360 --> 00:25:15,030

so that's that's quite a wait do you

447

00:25:22,370 --> 00:25:19,370

prefer writing nonfiction to fiction or

448

00:25:26,000 --> 00:25:22,380

how do you decide what what did it work

449

00:25:28,370 --> 00:25:26,010

on next well it's um fiction is is much

450

00:25:30,650 --> 00:25:28,380

more preferable because you know you can

451
00:25:32,630 --> 00:25:30,660
make it all up you know with nonfiction

452
00:25:35,240 --> 00:25:32,640
you just got to do a lot of research and

453
00:25:37,250 --> 00:25:35,250
yeah so on and I can remember when I was

454
00:25:39,080 --> 00:25:37,260
in the middle of the first one UFOs and

455
00:25:40,700 --> 00:25:39,090
what I'm just looking around my office

456
00:25:42,470 --> 00:25:40,710
I'm probably about halfway through at

457
00:25:44,150 --> 00:25:42,480
the book I'm late on the deadline and I

458
00:25:46,580 --> 00:25:44,160
said wow how did I get myself into this

459
00:25:47,780 --> 00:25:46,590
you know with all the research that you

460
00:25:49,850 --> 00:25:47,790
have to do and you have to double-check

461
00:25:52,730 --> 00:25:49,860
everything you have to vet stuff and

462
00:25:54,890 --> 00:25:52,740
it's a lot more work to do a nonfiction

463
00:25:56,690 --> 00:25:54,900

book for sure well that was your

464

00:25:59,660 --> 00:25:56,700

publishers idea wasn't it to do a

465

00:26:01,790 --> 00:25:59,670

nonfiction book yeah we were just out I

466

00:26:04,020 --> 00:26:01,800

was at lunch of my editor once and we

467

00:26:05,820 --> 00:26:04,030

were just talking about UFOs just as

468

00:26:08,100 --> 00:26:05,830

during the conversation and I had

469

00:26:10,080 --> 00:26:08,110

mentioned to him that I had always had

470

00:26:11,910 --> 00:26:10,090

this idea not always but you know I had

471

00:26:13,560 --> 00:26:11,920

had this idea for quite a while that it

472

00:26:15,360 --> 00:26:13,570

seemed like more UFOs showed up during

473

00:26:17,730 --> 00:26:15,370

wartime and peacetime and he said hey

474

00:26:19,590 --> 00:26:17,740

that's sounds like a good book what you

475

00:26:21,510 --> 00:26:19,600

want to do you want to do that as your

476

00:26:25,620 --> 00:26:21,520

next book and so that's really how it

477

00:26:28,020 --> 00:26:25,630

started and so what do you I mean we

478

00:26:29,580 --> 00:26:28,030

know about UFOs over military bases and

479

00:26:33,990 --> 00:26:29,590

stuff like that but is there a

480

00:26:40,370 --> 00:26:34,000

particular concept or area of research

481

00:26:42,870 --> 00:26:40,380

that you find most enlightening well I

482

00:26:43,860 --> 00:26:42,880

like this oh you mean over all right

483

00:26:46,350 --> 00:26:43,870

yeah yes

484

00:26:50,910 --> 00:26:46,360

I like this idea we talked about it on

485

00:26:53,040 --> 00:26:50,920

our show a lot in that this we call it

486

00:26:57,540 --> 00:26:53,050

the unified field flurry of the

487

00:26:59,670 --> 00:26:57,550

paranormal the idea that maybe UFOs and

488

00:27:01,770 --> 00:26:59,680

Bigfoot and Loch Ness monster and ghost

489

00:27:03,420 --> 00:27:01,780

it like it's all pile of the same thing

490

00:27:05,850 --> 00:27:03,430

yeah well that's like our we have

491

00:27:08,010 --> 00:27:05,860

Paulino on from tight falls is a really

492

00:27:12,660 --> 00:27:08,020

good friend of show yeah yeah absolutely

493

00:27:15,060 --> 00:27:12,670

a lot of groundbreaking research and

494

00:27:18,750 --> 00:27:15,070

write and work and and we just seem to

495

00:27:20,520 --> 00:27:18,760

come upon more evidences of that as as

496

00:27:22,350 --> 00:27:20,530

we go along you know so I think that

497

00:27:23,880 --> 00:27:22,360

would be kind of cool if it was if it

498

00:27:27,810 --> 00:27:23,890

turned out to be all part of the same

499

00:27:32,310 --> 00:27:27,820

thing now historically how far do you

500

00:27:35,640 --> 00:27:32,320

would go back and doing research well in

501
00:27:40,320 --> 00:27:35,650
UFOs and one time we went back to you

502
00:27:44,280 --> 00:27:40,330
know Alexander the Great 300 BC and and

503
00:27:47,100 --> 00:27:44,290
and up until the end of the 20th century

504
00:27:49,770 --> 00:27:47,110
you can go to just about anywhere in

505
00:27:51,810 --> 00:27:49,780
history's timeline and find something

506
00:27:53,760 --> 00:27:51,820
having to do with UFOs they've been

507
00:27:55,950 --> 00:27:53,770
around with us as long as we've been

508
00:27:58,880 --> 00:27:55,960
around I think all right that would seem

509
00:28:00,000 --> 00:27:58,890
to be that way now why the particular

510
00:28:02,310 --> 00:28:00,010
okay

511
00:28:06,570 --> 00:28:02,320
we could see today with the you know the

512
00:28:08,540 --> 00:28:06,580
advent of nuclear weapons and the a-bomb

513
00:28:12,240 --> 00:28:08,550

and all of that why they would want to

514

00:28:16,140 --> 00:28:12,250

keep an eye on our attack e-enough

515

00:28:17,340 --> 00:28:16,150

existence but going back to Alexander

516

00:28:21,090 --> 00:28:17,350

the greater the

517

00:28:22,620 --> 00:28:21,100

you know this a long long time ago

518

00:28:27,330 --> 00:28:22,630

it wouldn't seem that we were a

519

00:28:29,279 --> 00:28:27,340

particular threat to their civilization

520

00:28:35,400 --> 00:28:29,289

is there some other reason that you

521

00:28:39,650 --> 00:28:35,410

could grasp that they are kind of leery

522

00:28:42,240 --> 00:28:39,660

or weary or or concerned or observant I

523

00:28:45,539 --> 00:28:42,250

don't think I don't think they're really

524

00:28:47,580 --> 00:28:45,549

here to you know protect us to keep us

525

00:28:50,130 --> 00:28:47,590

from blowing ourselves up I know that

526

00:28:52,110 --> 00:28:50,140

there's that's a all right let's theory

527

00:28:53,789 --> 00:28:52,120

but I don't really you know when you

528

00:28:55,919 --> 00:28:53,799

look at as once again the history's

529

00:28:59,460 --> 00:28:55,929

timeline it looks more like they are

530

00:29:01,919 --> 00:28:59,470

they're just looking in on us and one of

531

00:29:03,930 --> 00:29:01,929

the theories that we put in UFOs and

532

00:29:06,600 --> 00:29:03,940

what time is that you know this could be

533

00:29:09,149 --> 00:29:06,610

something as simple simple in quotes as

534

00:29:11,730 --> 00:29:09,159

time travel is you know time tourists

535

00:29:13,560 --> 00:29:11,740

people coming from you know some time in

536

00:29:15,870 --> 00:29:13,570

the distant future coming back here

537

00:29:18,390 --> 00:29:15,880

finding the secret to time travel and

538

00:29:22,799 --> 00:29:18,400

coming back and and just watching as

539

00:29:25,049 --> 00:29:22,809

history's being made no do you find that

540

00:29:30,299 --> 00:29:25,059

there's any evidence that time travel

541

00:29:33,149 --> 00:29:30,309

actually exists well if I did if I knew

542

00:29:36,210 --> 00:29:33,159

that I think I'd probably be out in

543

00:29:37,460 --> 00:29:36,220

Pasadena someplace or no ed Langley or

544

00:29:42,090 --> 00:29:37,470

something

545

00:29:44,610 --> 00:29:42,100

you know let's look at it this way if

546

00:29:47,520 --> 00:29:44,620

you had the ability to go back in time

547

00:29:49,169 --> 00:29:47,530

and be a time tourist I mean who

548

00:29:51,090 --> 00:29:49,179

wouldn't do it you know I was talking to

549

00:29:52,919 --> 00:29:51,100

someone the other day and and they said

550

00:29:55,470 --> 00:29:52,929

well I'd go and see a Shakespeare play

551
00:29:57,750 --> 00:29:55,480
and someone else said well I would go

552
00:29:59,340 --> 00:29:57,760
see the crucifixion of Christ and then

553
00:30:00,870 --> 00:29:59,350
course you have that question well then

554
00:30:03,210 --> 00:30:00,880
why wouldn't there be two million people

555
00:30:05,310 --> 00:30:03,220
at the for a Shakespeare play you know

556
00:30:07,680 --> 00:30:05,320
and that's one of these things that you

557
00:30:09,419 --> 00:30:07,690
know we can't figure out but well

558
00:30:11,100 --> 00:30:09,429
they're all sitting there all sitting in

559
00:30:14,190 --> 00:30:11,110
the balcony that's or something right

560
00:30:16,230 --> 00:30:14,200
right you know overflow a lot but you

561
00:30:18,299 --> 00:30:16,240
know there is a lot of evidence that

562
00:30:19,770 --> 00:30:18,309
especially with the Foo Fighters in

563
00:30:22,200 --> 00:30:19,780

World War two

564

00:30:24,570 --> 00:30:22,210

so many of them were seen by both sides

565

00:30:26,490 --> 00:30:24,580

and during the war we thought they were

566

00:30:28,530 --> 00:30:26,500

German soup and super weapons and they

567

00:30:30,720 --> 00:30:28,540

thought they were a super weapons and

568

00:30:32,310 --> 00:30:30,730

only after the law did it

569

00:30:35,360 --> 00:30:32,320

and realize that you know they didn't

570

00:30:39,180 --> 00:30:35,370

belong to anyone on earth but there's no

571

00:30:41,460 --> 00:30:39,190

evidence at all that they shot at us or

572

00:30:43,409 --> 00:30:41,470

they shot at the Germans or the Japanese

573

00:30:45,150 --> 00:30:43,419

or whatever they would they were there

574

00:30:46,980 --> 00:30:45,160

lots of people saw him but they were

575

00:30:48,750 --> 00:30:46,990

just kind of observing watching what was

576

00:30:50,570 --> 00:30:48,760

going on and that's that's that whole

577

00:30:53,370 --> 00:30:50,580

idea of that you know maybe they're just

578

00:30:55,530 --> 00:30:53,380

tourists time tourists seeing history as

579

00:31:00,240 --> 00:30:55,540

it's being made hey Mack are you

580

00:31:04,500 --> 00:31:00,250

familiar with the the stories that have

581

00:31:07,890 --> 00:31:04,510

gone around about Mussolini being having

582

00:31:10,919 --> 00:31:07,900

some UFO involvement apparently there

583

00:31:14,039 --> 00:31:10,929

were some telegrams and some papers the

584

00:31:16,549 --> 00:31:14,049

documents kind of like our mj-12 papers

585

00:31:18,840 --> 00:31:16,559

here that were left to show some

586

00:31:21,090 --> 00:31:18,850

illustrations of these weird objects in

587

00:31:23,990 --> 00:31:21,100

the sky and so forth well I have not

588

00:31:26,880 --> 00:31:24,000

heard that but you know I knew I know

589

00:31:29,159 --> 00:31:26,890

Mussolini was a weird dude so you know

590

00:31:30,900 --> 00:31:29,169

it wouldn't surprise me if something

591

00:31:33,270 --> 00:31:30,910

like that showed up in his you know

592

00:31:36,000 --> 00:31:33,280

papers or whatever well you know what we

593

00:31:37,500 --> 00:31:36,010

did we did you know I'm just trying to

594

00:31:39,419 --> 00:31:37,510

attempt do you remember what book did we

595

00:31:41,520 --> 00:31:39,429

write this up was it the night I did not

596

00:31:45,210 --> 00:31:41,530

see a UFO Time Traveller's right yeah

597

00:31:47,610 --> 00:31:45,220

that's right okay but we also had oh now

598

00:31:51,480 --> 00:31:47,620

I've lost my train of thought we also

599

00:31:54,120 --> 00:31:51,490

had Churchill I think was quoted as

600

00:31:56,640 --> 00:31:54,130

supposedly interested in UFOs there were

601
00:31:58,409 --> 00:31:56,650
some sightings I guess that were passed

602
00:32:00,900 --> 00:31:58,419
on to him and he tried to cover it up

603
00:32:02,640 --> 00:32:00,910
yeah he was shown a picture that was

604
00:32:05,549 --> 00:32:02,650
taken by a Lancaster bomber a

605
00:32:08,460 --> 00:32:05,559
reconnaissance bomber of something

606
00:32:10,230 --> 00:32:08,470
following this airplane and it was a

607
00:32:14,549 --> 00:32:10,240
very clear photograph or a series of

608
00:32:17,070 --> 00:32:14,559
them and he was shown these around 1944

609
00:32:19,620 --> 00:32:17,080
so I think this is in from UFOs and what

610
00:32:22,200 --> 00:32:19,630
time and yes and what he did was he said

611
00:32:23,490 --> 00:32:22,210
we cannot let this out because he was

612
00:32:25,289 --> 00:32:23,500
afraid that it would ruin all the

613
00:32:28,200 --> 00:32:25,299

religions in the world he just thought

614

00:32:30,030 --> 00:32:28,210

you know if if we could if there was

615

00:32:31,980 --> 00:32:30,040

evidence that there was someone else out

616

00:32:34,320 --> 00:32:31,990

there what does that do with our

617

00:32:36,150 --> 00:32:34,330

earthbound religion so he he said we

618

00:32:39,270 --> 00:32:36,160

cannot release these for 50 years but

619

00:32:41,190 --> 00:32:39,280

then as far as that research showed the

620

00:32:43,740 --> 00:32:41,200

British security service just destroyed

621

00:32:46,020 --> 00:32:43,750

the photos and you know so they were

622

00:32:48,180 --> 00:32:46,030

even have to make that decision fifty

623

00:32:50,420 --> 00:32:48,190

years from now but yeah that we actually

624

00:32:53,010 --> 00:32:50,430

found a lot of evidence said that

625

00:32:54,480 --> 00:32:53,020

Churchill did see pictures of you know

626

00:32:56,610 --> 00:32:54,490

what they call Foo Fighters back then

627

00:32:59,460 --> 00:32:56,620

and he just did not want them to release

628

00:33:01,470 --> 00:32:59,470

to the public and now I remember

629

00:33:04,940 --> 00:33:01,480

actually in that I think it was a Nazi

630

00:33:08,010 --> 00:33:04,950

time traveler book we actually had a

631

00:33:09,990 --> 00:33:08,020

reprinted an illustration of the front

632

00:33:12,630 --> 00:33:10,000

page of one of the newspapers back

633

00:33:16,020 --> 00:33:12,640

during a Mussolini's era and it showed

634

00:33:18,330 --> 00:33:16,030

some military you know and in bunkers

635

00:33:20,160 --> 00:33:18,340

and there was a strange object in the

636

00:33:22,350 --> 00:33:20,170

sky and this we're talking about going

637

00:33:25,050 --> 00:33:22,360

back to what 1940 or something like that

638

00:33:27,540 --> 00:33:25,060

so apparently I mean the you know like

639

00:33:32,940 --> 00:33:27,550

you say their UFOs have always seemed to

640

00:33:37,680 --> 00:33:32,950

have a keen interest in in our in our

641

00:33:40,620 --> 00:33:37,690

ongoing battles now do you see that

642

00:33:43,670 --> 00:33:40,630

that's it's increasing it all over the

643

00:33:46,980 --> 00:33:43,680

centuries or pretty much a standard fare

644

00:33:49,860 --> 00:33:46,990

well because we have more information

645

00:33:53,370 --> 00:33:49,870

now let's say in the in the in the 20th

646

00:33:55,880 --> 00:33:53,380

century then back you know going back to

647

00:33:59,190 --> 00:33:55,890

a - you know Alexander the Great's time

648

00:34:01,380 --> 00:33:59,200

you hear about it more now and I'm

649

00:34:02,880 --> 00:34:01,390

saying relatively speaking now in the

650

00:34:06,300 --> 00:34:02,890

past hundred years or so

651
00:34:09,060 --> 00:34:06,310
but there are you know there were there

652
00:34:12,119 --> 00:34:09,070
are newspaper articles from you know the

653
00:34:14,340 --> 00:34:12,129
Germany in the 1500s that show would

654
00:34:15,960 --> 00:34:14,350
only only be disguised as a near battle

655
00:34:17,460 --> 00:34:15,970
over well that's right there they were

656
00:34:20,790 --> 00:34:17,470
they were doing a little bit of their

657
00:34:24,570 --> 00:34:20,800
own fighting in the right yes Brighton

658
00:34:29,220 --> 00:34:24,580
sky right well now how about you know I

659
00:34:31,020 --> 00:34:29,230
saw a movie I you know was a theatrical

660
00:34:32,129 --> 00:34:31,030
movie but it was on like YouTube or

661
00:34:34,080 --> 00:34:32,139
something like that hour-and-a-half

662
00:34:36,000 --> 00:34:34,090
regular movie but I don't think it ever

663
00:34:39,780 --> 00:34:36,010

played in the theater here and it was

664

00:34:41,820 --> 00:34:39,790

about UFOs over Vietnam it wasn't a

665

00:34:44,310 --> 00:34:41,830

documentary or anything was actual film

666

00:34:47,190 --> 00:34:44,320

and they tied the djinn into it in awe

667

00:34:51,330 --> 00:34:47,200

now how prevalent were were sightings

668

00:34:52,889 --> 00:34:51,340

in in Vietnam and the Korean Conflict

669

00:34:55,830 --> 00:34:52,899

and so forth

670

00:34:57,100 --> 00:34:55,840

well there were a lot of UFOs seen

671

00:34:58,930 --> 00:34:57,110

during the Vietnam law

672

00:35:01,870 --> 00:34:58,940

and they were there's been UFOs seen in

673

00:35:05,590 --> 00:35:01,880

Vietnam you know over the years before

674

00:35:10,060 --> 00:35:05,600

the war and I but you know is it there's

675

00:35:12,660 --> 00:35:10,070

a famous story about how we had some of

676
00:35:16,000 --> 00:35:12,670
our fighters chasing UFOs over the DMZ

677
00:35:18,850 --> 00:35:16,010
in 1968 and they actually fired on these

678
00:35:20,740 --> 00:35:18,860
UFOs and the and the missiles that the

679
00:35:23,230 --> 00:35:20,750
airplanes fired actually hit an

680
00:35:28,780 --> 00:35:23,240
Australian ship and killed three sailors

681
00:35:31,090 --> 00:35:28,790
and also injured a lot of people that's

682
00:35:33,160 --> 00:35:31,100
called the Hobart incident it's an

683
00:35:35,260 --> 00:35:33,170
Australian destroyer that was off the

684
00:35:37,450 --> 00:35:35,270
coast of Vietnam just kind of got in the

685
00:35:39,550 --> 00:35:37,460
way of this fight between f4 phantoms

686
00:35:41,200 --> 00:35:39,560
and what they were calling enemy

687
00:35:42,850 --> 00:35:41,210
helicopters back then but of course the

688
00:35:45,760 --> 00:35:42,860

vehicle and nothing he didn't really

689

00:35:47,860 --> 00:35:45,770

have helicopters they were shooting at

690

00:35:49,450 --> 00:35:47,870

something the missiles went astray hit

691

00:35:53,230 --> 00:35:49,460

this Australian destroyer

692

00:35:55,870 --> 00:35:53,240

later on officers from the a Thea force

693

00:35:57,280 --> 00:35:55,880

you know were had spoken at veterans

694

00:35:59,680 --> 00:35:57,290

dinners and things like that and said

695

00:36:02,650 --> 00:35:59,690

this actually really happened there's

696

00:36:05,290 --> 00:36:02,660

stories about aliens being seen in the

697

00:36:06,430 --> 00:36:05,300

jungles of Vietnam there's close the

698

00:36:07,900 --> 00:36:06,440

story we don't have into the book but

699

00:36:09,790 --> 00:36:07,910

there's a story that they found a b-52

700

00:36:12,610 --> 00:36:09,800

in the middle of the jungle they have no

701
00:36:14,920 --> 00:36:12,620
idea how it got there because when they

702
00:36:17,650 --> 00:36:14,930
kind of shades of the Bermuda Triangle

703
00:36:19,330 --> 00:36:17,660
something like that yes so it was a

704
00:36:20,590 --> 00:36:19,340
strange war too because young hate to

705
00:36:22,390 --> 00:36:20,600
say it but there was a lot of drug use

706
00:36:25,210 --> 00:36:22,400
going on who knows what was going on

707
00:36:27,010 --> 00:36:25,220
really but yeah Vietnam had a lot

708
00:36:29,380 --> 00:36:27,020
exciting and so did the Korean War and

709
00:36:32,100 --> 00:36:29,390
why I had lots of sightings yes see that

710
00:36:35,460 --> 00:36:32,110
done that I've heard about the ones in

711
00:36:37,510 --> 00:36:35,470
Vietnam but not so much about the Korean

712
00:36:39,100 --> 00:36:37,520
Conflict and can you give us a little

713
00:36:40,870 --> 00:36:39,110

background on that

714

00:36:43,720 --> 00:36:40,880

well the Korean Conflict is actually

715

00:36:46,030 --> 00:36:43,730

really important to the whole stories of

716

00:36:48,150 --> 00:36:46,040

UFOs in the United States because

717

00:36:52,360 --> 00:36:48,160

shortly before the Korean War started

718

00:36:55,270 --> 00:36:52,370

the US Air Force at first after a study

719

00:36:58,390 --> 00:36:55,280

came out saying that these flying

720

00:37:00,400 --> 00:36:58,400

saucers were not from Earth the F what

721

00:37:02,620 --> 00:37:00,410

says well that's not the answer we want

722

00:37:04,450 --> 00:37:02,630

so they came up with another study

723

00:37:07,570 --> 00:37:04,460

saying that anyone seen UFOs was either

724

00:37:09,460 --> 00:37:07,580

a religious fanatic or someone who had

725

00:37:10,640 --> 00:37:09,470

mental problems and then six months

726

00:37:12,800 --> 00:37:10,650

later were in the middle

727

00:37:14,360 --> 00:37:12,810

Korean wah now we're flying around and

728

00:37:16,280 --> 00:37:14,370

jet fighters that have their own radar

729

00:37:18,230 --> 00:37:16,290

on them plus you have radar on the

730

00:37:20,630 --> 00:37:18,240

ground radar on ships and these UFOs

731

00:37:22,520 --> 00:37:20,640

start showing up they're triangulating

732

00:37:25,270 --> 00:37:22,530

them let's say you know you're seeing

733

00:37:28,670 --> 00:37:25,280

them from three different sources and

734

00:37:30,560 --> 00:37:28,680

and in in there were lots of them and

735

00:37:32,780 --> 00:37:30,570

now the F was is in this position of

736

00:37:34,730 --> 00:37:32,790

saying well they can't say all their

737

00:37:37,480 --> 00:37:34,740

pilots are religious fanatics on need

738

00:37:41,500 --> 00:37:37,490

you know mental Health's you know help

739

00:37:45,560 --> 00:37:41,510

so that's what really spurred them on to

740

00:37:47,180 --> 00:37:45,570

stat Operation Blue Book not that it did

741

00:37:48,770 --> 00:37:47,190

very much but at least that was their

742

00:37:51,560 --> 00:37:48,780

way of saying well we have to kind of

743

00:37:53,920 --> 00:37:51,570

look into this because just so many

744

00:37:56,480 --> 00:37:53,930

pilots and there was so much evidence

745

00:37:59,690 --> 00:37:56,490

electronic evidence that UFOs were

746

00:38:02,420 --> 00:37:59,700

flying over the Korean film in Peninsula

747

00:38:04,820 --> 00:38:02,430

during the entire war it spurred them on

748

00:38:06,500 --> 00:38:04,830

to do something so Korean war is very

749

00:38:09,440 --> 00:38:06,510

important in this whole kind of history

750

00:38:14,170 --> 00:38:09,450

of UFOs in the US I know you have one

751

00:38:17,480 --> 00:38:14,180

story in your book where the the pilots

752

00:38:21,800 --> 00:38:17,490

came across several UFOs that were just

753

00:38:23,870 --> 00:38:21,810

absolutely tremendous in size and they

754

00:38:25,310 --> 00:38:23,880

were there's absolutely shocked by what

755

00:38:27,020 --> 00:38:25,320

they were seeing you want to talk about

756

00:38:31,100 --> 00:38:27,030

that a little bit right there was um

757

00:38:33,020 --> 00:38:31,110

there were three fighter bombers had

758

00:38:35,000 --> 00:38:33,030

taken off from an aircraft carrier and

759

00:38:36,440 --> 00:38:35,010

the Sea of Japan and they were on you

760

00:38:38,540 --> 00:38:36,450

know if there can be anything as a

761

00:38:40,490 --> 00:38:38,550

routine bombing mission that's what they

762

00:38:42,500 --> 00:38:40,500

were doing and just as they were

763

00:38:44,870 --> 00:38:42,510

approaching the target these two you

764

00:38:47,870 --> 00:38:44,880

know fantastically enormous flying

765

00:38:49,730 --> 00:38:47,880

saucers came upon them and I mean like I

766

00:38:53,420 --> 00:38:49,740

believe they were you know half a mile

767

00:38:59,930 --> 00:38:53,430

in size just you know 2,500 feet maybe

768

00:39:03,280 --> 00:38:59,940

and in in size radius of and it in in in

769

00:39:05,780 --> 00:39:03,290

did maneuvers did

770

00:39:08,270 --> 00:39:05,790

aeronautical maneuvers that you just

771

00:39:10,760 --> 00:39:08,280

didn't make any sense for something the

772

00:39:13,280 --> 00:39:10,770

the dislodge they were basically flying

773

00:39:17,630 --> 00:39:13,290

rings around these these three airplanes

774

00:39:19,970 --> 00:39:17,640

and showing all in a way yeah are

775

00:39:21,200 --> 00:39:19,980

intimidating them who knows you know

776

00:39:23,840 --> 00:39:21,210

what they were up to but they were seen

777

00:39:24,570 --> 00:39:23,850

by the pilots the pilots communication

778

00:39:26,820 --> 00:39:24,580

to their

779

00:39:29,220 --> 00:39:26,830

Karia was cut off but the that we seen

780

00:39:30,600 --> 00:39:29,230

on radar from the aircraft carrying the

781

00:39:32,640 --> 00:39:30,610

North Koreans must have seen them

782

00:39:34,560 --> 00:39:32,650

because it prevented them from getting

783

00:39:37,470 --> 00:39:34,570

bombed they they called off the bombing

784

00:39:40,860 --> 00:39:37,480

mission yeah and and and then they just

785

00:39:43,050 --> 00:39:40,870

like disappeared so quickly you know

786

00:39:44,430 --> 00:39:43,060

they moved you know out of the area so

787

00:39:50,490 --> 00:39:44,440

quickly it was almost as if they had

788

00:39:54,450 --> 00:39:50,500

disappeared going going back to a world

789

00:39:56,100 --> 00:39:54,460

war two now I know that I think the the

790

00:39:58,260 --> 00:39:56,110

last time that you are on a show you

791

00:40:00,300 --> 00:39:58,270

know we talked a little bit about you

792

00:40:03,930 --> 00:40:00,310

know the the legend of you know the

793

00:40:06,000 --> 00:40:03,940

dirty Lockland and and things like that

794

00:40:11,280 --> 00:40:06,010

I mean you know what do you think about

795

00:40:14,730 --> 00:40:11,290

the whole idea of manmade of flying

796

00:40:17,070 --> 00:40:14,740

discs and and the possibility that Nazi

797

00:40:20,970 --> 00:40:17,080

Germany may have been one of the first

798

00:40:22,110 --> 00:40:20,980

to actually work on and even start

799

00:40:26,130 --> 00:40:22,120

developing you know this kind of

800

00:40:28,230 --> 00:40:26,140

technology well I I don't believe at all

801
00:40:30,480 --> 00:40:28,240
that the Nazi said any kind of help from

802
00:40:33,780 --> 00:40:30,490
an alien race during World War two and

803
00:40:36,240 --> 00:40:33,790
we go into that very extensively in UFOs

804
00:40:38,760 --> 00:40:36,250
and war time and you know we could fill

805
00:40:40,890 --> 00:40:38,770
an entire show on that but you know the

806
00:40:43,080 --> 00:40:40,900
one thing that you have to remember is

807
00:40:45,750 --> 00:40:43,090
if they had alien help if they had a

808
00:40:47,550 --> 00:40:45,760
base in Antarctica if they had a base on

809
00:40:50,280 --> 00:40:47,560
the moon and so on you know why did they

810
00:40:51,750 --> 00:40:50,290
lose the war you know so they were

811
00:40:56,550 --> 00:40:51,760
spending all their time going to the

812
00:40:57,900 --> 00:40:56,560
moon and you know that like they had the

813
00:41:00,750 --> 00:40:57,910

first jet fighter for instance the

814

00:41:03,720 --> 00:41:00,760

me-262 but they were so short on

815

00:41:06,720 --> 00:41:03,730

materials at that time that the cockpit

816

00:41:08,340 --> 00:41:06,730

of M EC 262s was made of plywood and

817

00:41:12,270 --> 00:41:08,350

because they just didn't have the steel

818

00:41:13,920 --> 00:41:12,280

and in other metals to make a cockpit

819

00:41:16,530 --> 00:41:13,930

that would at least help the pilot have

820

00:41:19,190 --> 00:41:16,540

a chance of surviving something a lot of

821

00:41:21,450 --> 00:41:19,200

these one of the weapons that you hear

822

00:41:24,090 --> 00:41:21,460

about you know especially when people

823

00:41:25,950 --> 00:41:24,100

kind of make this Nazi alien connection

824

00:41:27,810 --> 00:41:25,960

a lot of them were you know there was

825

00:41:29,280 --> 00:41:27,820

only what one or two of them made and

826

00:41:30,600 --> 00:41:29,290

and some of them didn't even get off the

827

00:41:33,630 --> 00:41:30,610

ground and they were there more

828

00:41:36,120 --> 00:41:33,640

desperation weapons than one two weapon

829

00:41:38,010 --> 00:41:36,130

I don't you know the the German

830

00:41:40,830 --> 00:41:38,020

engineers they did get into some

831

00:41:43,380 --> 00:41:40,840

interesting stuff as far as putting

832

00:41:45,030 --> 00:41:43,390

together like jet bombers and rocket

833

00:41:47,520 --> 00:41:45,040

planes and things like that but you know

834

00:41:48,090 --> 00:41:47,530

that was also going on in the US and the

835

00:41:51,150 --> 00:41:48,100

UK too

836

00:41:53,040 --> 00:41:51,160

I mean the the US and the UK developed

837

00:41:55,260 --> 00:41:53,050

yet engines and a jet fighter just about

838

00:41:57,420 --> 00:41:55,270

the same time that the Germans did the

839

00:41:59,880 --> 00:41:57,430

fact is is that the Germans were in a

840

00:42:01,920 --> 00:41:59,890

desperate situation so they they they

841

00:42:03,210 --> 00:42:01,930

built a number of these things Hitler

842

00:42:05,190 --> 00:42:03,220

made a mistake he wanted them to be

843

00:42:07,110 --> 00:42:05,200

bombers that saved us about a year and a

844

00:42:08,810 --> 00:42:07,120

half from having to deal with these

845

00:42:11,940 --> 00:42:08,820

things don't when we did deal with them

846

00:42:13,770 --> 00:42:11,950

we would just we did so it's just such

847

00:42:16,740 --> 00:42:13,780

overwhelming force that it really didn't

848

00:42:19,230 --> 00:42:16,750

have any effect on the war you know so

849

00:42:20,940 --> 00:42:19,240

so they were you know they're fantastic

850

00:42:23,700 --> 00:42:20,950

engineers and they built some

851
00:42:26,970 --> 00:42:23,710
interesting airplanes but you know this

852
00:42:29,460 --> 00:42:26,980
whole idea of of alien help you know I

853
00:42:31,710 --> 00:42:29,470
just don't believe it and then of course

854
00:42:34,770 --> 00:42:31,720
a lot of those German scientists wanna

855
00:42:37,680 --> 00:42:34,780
Vern Braun and and hundreds of his

856
00:42:39,690 --> 00:42:37,690
colleagues came over here after World

857
00:42:41,610 --> 00:42:39,700
War two an Operation Paperclip which I'm

858
00:42:44,580 --> 00:42:41,620
sure a lot of people know about and they

859
00:42:46,890 --> 00:42:44,590
form the foundation of NASA and and NASA

860
00:42:49,530 --> 00:42:46,900
put us on the moon so one thing that is

861
00:42:52,170 --> 00:42:49,540
for sure is that Nazi scientists helped

862
00:42:54,870 --> 00:42:52,180
the u.s. go to the moon that's that as a

863
00:42:57,090 --> 00:42:54,880

fact well they probably probably helped

864

00:42:59,760 --> 00:42:57,100

the Russians as well though I mean they

865

00:43:02,310 --> 00:42:59,770

well half of them about half went to

866

00:43:06,510 --> 00:43:02,320

Russia to a place called caboose tinea

867

00:43:09,330 --> 00:43:06,520

and they did help the Germans just like

868

00:43:11,520 --> 00:43:09,340

they were helping us but you know

869

00:43:14,070 --> 00:43:11,530

whether we got the bed of scientists or

870

00:43:15,660 --> 00:43:14,080

whether we had more money to throw at it

871

00:43:18,180 --> 00:43:15,670

but you know we were the ones that that

872

00:43:20,190 --> 00:43:18,190

you know went to the moon yeah I don't

873

00:43:23,010 --> 00:43:20,200

think a scientist who went to Boonton

874

00:43:24,750 --> 00:43:23,020

yar were very happy about it I think

875

00:43:26,130 --> 00:43:24,760

probably the majority of them wish that

876

00:43:28,440 --> 00:43:26,140

they had ended up in the United States

877

00:43:30,120 --> 00:43:28,450

rather than you know they didn't have a

878

00:43:32,010 --> 00:43:30,130

good time of it that's a sure very few

879

00:43:34,290 --> 00:43:32,020

of them some of them did were allowed to

880

00:43:37,590 --> 00:43:34,300

go back to Germany after a while but but

881

00:43:42,960 --> 00:43:37,600

but not many of them well what about

882

00:43:45,570 --> 00:43:42,970

some of this kind of strange technology

883

00:43:47,250 --> 00:43:45,580

that we hear that was being developed by

884

00:43:49,680 --> 00:43:47,260

the the Nazi

885

00:43:53,130 --> 00:43:49,690

the glocca with the you know the

886

00:43:55,080 --> 00:43:53,140

bell-shaped object anti-gravity

887

00:43:56,760 --> 00:43:55,090

electoral there's nothing like that is

888

00:43:58,980 --> 00:43:56,770

there's nothing to any of that and

889

00:44:02,040 --> 00:43:58,990

because after World War two

890

00:44:04,170 --> 00:44:02,050

there were special units that if I were

891

00:44:06,900 --> 00:44:04,180

going to have the grandson of someone

892

00:44:10,280 --> 00:44:06,910

who was in the OSS at the time which was

893

00:44:13,470 --> 00:44:10,290

the precursor of the CIA they sent out

894

00:44:16,230 --> 00:44:13,480

squads of American soldiers who also

895

00:44:18,630 --> 00:44:16,240

were kind of scientists and an

896

00:44:21,570 --> 00:44:18,640

engineer's to look to try to find

897

00:44:23,640 --> 00:44:21,580

anything that would be useful you know

898

00:44:25,410 --> 00:44:23,650

for our military and how about jet

899

00:44:27,660 --> 00:44:25,420

engines and so on and so forth that you

900

00:44:29,340 --> 00:44:27,670

believe me if they came upon anything

901

00:44:32,550 --> 00:44:29,350

having to do with anti-gravitational

902

00:44:35,370 --> 00:44:32,560

technology or any of the stuff that you

903

00:44:37,710 --> 00:44:35,380

hear about we would have it now you know

904

00:44:39,390 --> 00:44:37,720

and in and we'd be using it just like we

905

00:44:41,850 --> 00:44:39,400

use their expertise to get on the moon

906

00:44:44,730 --> 00:44:41,860

well we did we did do it we did do a

907

00:44:46,980 --> 00:44:44,740

program just a couple of weeks ago where

908

00:44:51,170 --> 00:44:46,990

we talked about the so-called secret

909

00:44:54,000 --> 00:44:51,180

space program and how there may be some

910

00:44:58,050 --> 00:44:54,010

unidentified aircraft that are floating

911

00:45:02,430 --> 00:44:58,060

by overhead that are being manufactured

912

00:45:04,020 --> 00:45:02,440

here on earth well I I hate to be the

913

00:45:07,050 --> 00:45:04,030

bucket of cold water but I don't believe

914

00:45:09,750 --> 00:45:07,060

any of that for this reason if we had a

915

00:45:11,700 --> 00:45:09,760

secret space program you know and as big

916

00:45:14,640 --> 00:45:11,710

as some people you know claim it is

917

00:45:16,200 --> 00:45:14,650

where's the logistics that would have to

918

00:45:19,080 --> 00:45:16,210

support something like that where is

919

00:45:21,210 --> 00:45:19,090

that where with the diversion of Cape

920

00:45:22,620 --> 00:45:21,220

Canaveral who who are the engineers that

921

00:45:24,270 --> 00:45:22,630

work for them where do you get the fuel

922

00:45:25,640 --> 00:45:24,280

where do you get the electronics there

923

00:45:28,200 --> 00:45:25,650

would have to be thousands of people

924

00:45:30,810 --> 00:45:28,210

involved in this and these days as you

925

00:45:33,930 --> 00:45:30,820

know no one can keep a secret the guys

926

00:45:36,180 --> 00:45:33,940

who shot bin Laden and SEAL Team six who

927

00:45:38,010 --> 00:45:36,190

took an oath never to talk about that

928

00:45:40,350 --> 00:45:38,020

until they you don't pass their dying

929

00:45:41,910 --> 00:45:40,360

day you know they've written books they

930

00:45:45,060 --> 00:45:41,920

were on Howard Stern for God's sakes

931

00:45:48,360 --> 00:45:45,070

okay you could not keep a secret space

932

00:45:50,670 --> 00:45:48,370

program secret in this country you just

933

00:45:52,950 --> 00:45:50,680

couldn't do it someone would talk well

934

00:45:56,130 --> 00:45:52,960

whatever we haven't has that the

935

00:45:58,170 --> 00:45:56,140

government kept the UFOs in general

936

00:45:59,820 --> 00:45:58,180

secret well I don't believe that the

937

00:46:00,600 --> 00:45:59,830

government knows what UFOs are I think

938

00:46:03,000 --> 00:46:00,610

that the

939

00:46:05,040 --> 00:46:03,010

knows UFOs exist and I think we all do

940

00:46:06,510 --> 00:46:05,050

because there's so much evidence that

941

00:46:08,760 --> 00:46:06,520

there is something out there that they

942

00:46:10,770 --> 00:46:08,770

do exist I'm sure they have them on film

943

00:46:12,780 --> 00:46:10,780

I'm sure who knows what kind of evidence

944

00:46:16,050 --> 00:46:12,790

they have but I don't believe that the

945

00:46:17,850 --> 00:46:16,060

US military knows what they are I think

946

00:46:20,340 --> 00:46:17,860

they're just about just as much in the

947

00:46:23,160 --> 00:46:20,350

doc about it as we are so you don't

948

00:46:25,260 --> 00:46:23,170

think that there's any little men and

949

00:46:29,400 --> 00:46:25,270

freezers somewhere or that there's

950

00:46:31,260 --> 00:46:29,410

wreckage from UFOs no because we would

951

00:46:33,390 --> 00:46:31,270

we would find out about it now if they

952

00:46:35,670 --> 00:46:33,400

had the Roswell UFO and it you know

953

00:46:37,230 --> 00:46:35,680

knows back in the late 40s they would

954

00:46:38,760 --> 00:46:37,240

have taken in the pot by now they would

955

00:46:42,810 --> 00:46:38,770

have reversed engineered it you would

956

00:46:46,050 --> 00:46:42,820

assume are in in once again it would

957

00:46:47,760 --> 00:46:46,060

leak out you cannot keep a secret these

958

00:46:49,740 --> 00:46:47,770

days you just cannot keep a secret

959

00:46:51,720 --> 00:46:49,750

someone would talk someone would go to

960

00:46:54,060 --> 00:46:51,730

60 minutes and make themselves a million

961

00:46:57,180 --> 00:46:54,070

dollars saying this is a this is a piece

962

00:47:00,690 --> 00:46:57,190

of a UFO it hasn't happened we don't see

963

00:47:02,040 --> 00:47:00,700

any evidence of reverse engineered stuff

964

00:47:04,230 --> 00:47:02,050

from UFOs or any kind of

965

00:47:06,900 --> 00:47:04,240

extraterrestrial craft I just think it's

966

00:47:08,310 --> 00:47:06,910

the biggest as big a mystery to our

967

00:47:12,810 --> 00:47:08,320

government and governments around the

968

00:47:15,570 --> 00:47:12,820

world as it is to us and they just won't

969

00:47:18,090 --> 00:47:15,580

admit at them they won't a bit well they

970

00:47:19,620 --> 00:47:18,100

don't want to be yeah they can't they

971

00:47:25,790 --> 00:47:19,630

can't go and say that hey yeah you know

972

00:47:32,460 --> 00:47:30,870

that you know you talk about the

973

00:47:35,220 --> 00:47:32,470

everyone talks about all I you know you

974

00:47:37,830 --> 00:47:35,230

reveal that aliens or UFOs exist and

975

00:47:39,390 --> 00:47:37,840

that it would scare everyone well it's

976
00:47:41,580 --> 00:47:39,400
care of worse if they didn't know what

977
00:47:46,350 --> 00:47:41,590
was going on oh I hear that I hear the

978
00:47:48,930 --> 00:47:46,360
music Tim the wider what our break and

979
00:47:51,240 --> 00:47:48,940
we'll come back and continue our

980
00:47:54,480 --> 00:47:51,250
conversation about the military and

981
00:48:03,760 --> 00:47:54,490
weird mysteries on exploring the bizarre

982
00:48:03,770 --> 00:48:08,520
[Music]

983
00:48:14,340 --> 00:48:11,610
explore the bazaars

984
00:48:15,470 --> 00:48:14,350
or e-ticket ride into the world of the

985
00:48:18,780 --> 00:48:15,480
paranormal

986
00:48:23,090 --> 00:48:18,790
strap yourself in as we traverse the

987
00:48:27,510 --> 00:48:23,100
universe exploring the unexplained UFO s

988
00:48:31,680 --> 00:48:27,520

ghosts Lost Worlds cryptozoology waters

989

00:48:36,150 --> 00:48:31,690

as well as other dimensions it's time to

990

00:48:38,400 --> 00:48:36,160

take back the night now your

991

00:48:44,690 --> 00:48:38,410

electrifying hosts of exploring the

992

00:48:50,340 --> 00:48:47,280

here we are in the second hour of

993

00:48:52,530 --> 00:48:50,350

exploring the bizarre Tim and tonight

994

00:48:56,640 --> 00:48:52,540

we're talking with Jim miles and Mack

995

00:49:02,070 --> 00:48:56,650

Maloney and I think I have a question

996

00:49:05,970 --> 00:49:02,080

for Jim concerning his his most recent

997

00:49:08,610 --> 00:49:05,980

book mysteries of Georgia's military

998

00:49:12,270 --> 00:49:08,620

bases and I have to say that I've

999

00:49:16,710 --> 00:49:12,280

thoroughly enjoyed this book but I want

1000

00:49:21,450 --> 00:49:16,720

to ask about the the section about Fort

1001
00:49:23,820 --> 00:49:21,460
Benning and Lawson Army Airfield man it

1002
00:49:26,070 --> 00:49:23,830
just seems like everything is going on

1003
00:49:30,090 --> 00:49:26,080
there I mean you've got ghosts and

1004
00:49:32,910 --> 00:49:30,100
hauntings and Bigfoots and UFOs and time

1005
00:49:35,850 --> 00:49:32,920
slips and you know I'm surprised there

1006
00:49:37,470 --> 00:49:35,860
isn't a vortex with you know devils and

1007
00:49:39,150 --> 00:49:37,480
pitchforks coming out of it as well

1008
00:49:43,520 --> 00:49:39,160
there's just you know everything going

1009
00:49:45,900 --> 00:49:43,530
or what is it about that place that is

1010
00:49:50,310 --> 00:49:45,910
it just makes it such a hot spot of

1011
00:49:55,880 --> 00:49:50,320
activity I think it's because of the

1012
00:49:58,790 --> 00:49:55,890
size and the age of the facility it's

1013
00:50:02,960 --> 00:49:58,800

concise it's about two Georgia counties

1014

00:50:06,360 --> 00:50:02,970

they have vast areas for training and

1015

00:50:10,260 --> 00:50:06,370

that's where Bigfoot shows up you only

1016

00:50:12,870 --> 00:50:10,270

find big feet at the army bases and

1017

00:50:15,000 --> 00:50:12,880

there's a couple of those in Fort

1018

00:50:17,970 --> 00:50:15,010

Benning the English with Benning it is

1019

00:50:20,610 --> 00:50:17,980

ghosts and UFOs all those men have gone

1020

00:50:21,930 --> 00:50:20,620

off to fight so many of them haven't

1021

00:50:27,239 --> 00:50:21,940

come home

1022

00:50:29,930 --> 00:50:27,249

what happened to them and while they're

1023

00:50:33,749 --> 00:50:29,940

gone they're their wives and children

1024

00:50:36,329 --> 00:50:33,759

waiting very anxiously I just think of

1025

00:50:40,890 --> 00:50:36,339

the the book and the movie Were Soldiers

1026
00:50:44,160 --> 00:50:40,900
Once and young which focus is on the

1027
00:50:48,019 --> 00:50:44,170
families of the wooded jets come in so

1028
00:50:51,329 --> 00:50:48,029
all of that anxiety the the morning

1029
00:50:56,789 --> 00:50:51,339
everything just contributes to make it

1030
00:50:58,829 --> 00:50:56,799
up a special paranormal place what tell

1031
00:51:02,519 --> 00:50:58,839
us some of your your favorite ghost

1032
00:51:06,539 --> 00:51:02,529
stories that you know you you ran across

1033
00:51:08,370 --> 00:51:06,549
while while researching this book in him

1034
00:51:14,279 --> 00:51:08,380
you know buddy the the four painting

1035
00:51:17,640 --> 00:51:14,289
area okay yeah in Fort Benning there are

1036
00:51:21,019 --> 00:51:17,650
people who start up sort of support

1037
00:51:24,539 --> 00:51:21,029
groups hmm because they have so many

1038
00:51:27,779 --> 00:51:24,549

sightings there and there have been

1039

00:51:30,509 --> 00:51:27,789

women who have tried to go to the

1040

00:51:32,699 --> 00:51:30,519

housing authorities and asking them

1041

00:51:36,390 --> 00:51:32,709

don't rent this this place out don't

1042

00:51:38,939 --> 00:51:36,400

don't put another family in here because

1043

00:51:40,739 --> 00:51:38,949

with that this experience the way the

1044

00:51:45,059 --> 00:51:40,749

four odds told us that she had this

1045

00:51:47,910 --> 00:51:45,069

experience there one of the one that

1046

00:51:51,269 --> 00:51:47,920

made the most impact on me was a woman

1047

00:51:54,299 --> 00:51:51,279

she moved into this house and it had

1048

00:51:57,229 --> 00:51:54,309

paranormal activity now sometimes when

1049

00:52:01,289 --> 00:51:57,239

you have a situation like this the

1050

00:52:04,739 --> 00:52:01,299

spirits will single out one person or

1051
00:52:06,719 --> 00:52:04,749
special potential hmm and this this

1052
00:52:10,589 --> 00:52:06,729
woman which was in the house for long

1053
00:52:12,809 --> 00:52:10,599
periods of time she would become very

1054
00:52:15,390 --> 00:52:12,819
listless she would go to the hospital

1055
00:52:17,400 --> 00:52:15,400
and they say your blood counts are very

1056
00:52:21,449 --> 00:52:17,410
very low we need to give you a

1057
00:52:23,430 --> 00:52:21,459
transfusion and this continues and they

1058
00:52:26,489 --> 00:52:23,440
did every test on the woman to see if

1059
00:52:28,650 --> 00:52:26,499
there was a problem to see where the

1060
00:52:31,170 --> 00:52:28,660
blood might be going but they could

1061
00:52:33,870 --> 00:52:31,180
never find it and when the family took a

1062
00:52:35,520 --> 00:52:33,880
two-week vacation back to their home in

1063
00:52:39,810 --> 00:52:35,530

the north

1064

00:52:41,940 --> 00:52:39,820

she returned to normal health hmm when

1065

00:52:44,430 --> 00:52:41,950

she got back to a quart of anyhow she

1066

00:52:46,440 --> 00:52:44,440

got sick again and she would spend as

1067

00:52:48,870 --> 00:52:46,450

much time outdoors as she possibly could

1068

00:52:51,810 --> 00:52:48,880

and of course during the fall in winter

1069

00:52:55,020 --> 00:52:51,820

she had spent time indoors and she just

1070

00:52:57,600 --> 00:52:55,030

got sicker and sicker every test was

1071

00:53:01,190 --> 00:52:57,610

performed on her he never could find

1072

00:53:03,480 --> 00:53:01,200

anything wrong with it

1073

00:53:06,240 --> 00:53:03,490

finally they finished their tour there

1074

00:53:08,790 --> 00:53:06,250

and they moved I think to a place in

1075

00:53:10,800 --> 00:53:08,800

Kentucky and a couple weeks after that

1076

00:53:18,720 --> 00:53:10,810

her doctor said you're in perfect health

1077

00:53:21,090 --> 00:53:18,730

yeah just a toxic atmosphere yeah well

1078

00:53:24,660 --> 00:53:21,100

you know Jim I have a question

1079

00:53:27,360 --> 00:53:24,670

how about is for is abductions any any

1080

00:53:32,640 --> 00:53:27,370

abductions going on on any of these

1081

00:53:33,390 --> 00:53:32,650

military bases in Georgia no not at

1082

00:53:37,380 --> 00:53:33,400

ructions

1083

00:53:42,360 --> 00:53:37,390

the UFOs at the military bases seem to

1084

00:53:45,630 --> 00:53:42,370

just be observing the most dramatic UFO

1085

00:53:48,870 --> 00:53:45,640

encounter came from hunter army airfield

1086

00:53:53,790 --> 00:53:48,880

in savannah which is the airport for

1087

00:53:56,100 --> 00:53:53,800

Fort Stewart in the fall of 1973 there

1088

00:53:59,930 --> 00:53:56,110

was an unprecedented number of UFO

1089

00:54:02,750 --> 00:53:59,940

sightings in across the entire base

1090

00:54:08,030 --> 00:54:02,760

across the entire state of Georgia and

1091

00:54:10,380 --> 00:54:08,040

on September 8 1973 there were two mtv's

1092

00:54:15,000 --> 00:54:10,390

patrolling along perimeter roads and

1093

00:54:17,880 --> 00:54:15,010

they saw a very UFO very close-up and

1094

00:54:20,760 --> 00:54:17,890

they thought that's interesting and so

1095

00:54:23,360 --> 00:54:20,770

they went about their patrol in the news

1096

00:54:26,660 --> 00:54:23,370

later the UFO was back and dole at them

1097

00:54:29,640 --> 00:54:26,670

they said it barely missed the car and

1098

00:54:33,860 --> 00:54:29,650

they ducked they ran off the road into a

1099

00:54:36,960 --> 00:54:33,870

ditch it took him 15 minutes to

1100

00:54:39,360 --> 00:54:36,970

extricate the car and all the while the

1101
00:54:42,090 --> 00:54:39,370
UFO was hovering 50 yards or waiting as

1102
00:54:44,550 --> 00:54:42,100
if it were watching them to follow them

1103
00:54:47,400 --> 00:54:44,560
back to headquarters and stayed there

1104
00:54:48,780 --> 00:54:47,410
until they were inside and then it's or

1105
00:54:52,710 --> 00:54:48,790
what

1106
00:54:55,470 --> 00:54:52,720
now he's asked their superiors how do we

1107
00:54:58,560 --> 00:54:55,480
report this they were told there is no

1108
00:55:01,260 --> 00:54:58,570
home for UFOs anymore we just write it

1109
00:55:03,980 --> 00:55:01,270
up as an accident report they're

1110
00:55:06,780 --> 00:55:03,990
perfectly honest about the report and

1111
00:55:08,250 --> 00:55:06,790
then what you say they made a bail out

1112
00:55:11,930 --> 00:55:08,260
of that they made him fill out an

1113
00:55:15,840 --> 00:55:11,940

accident report yes an accident report

1114

00:55:18,840 --> 00:55:15,850

okay now this accident report started

1115

00:55:20,430 --> 00:55:18,850

changing first one of the MPS said well

1116

00:55:23,370 --> 00:55:20,440

we didn't actually get stuck in the

1117

00:55:24,990 --> 00:55:23,380

ditch and then the duty officer said

1118

00:55:28,380 --> 00:55:25,000

well they didn't really leave the road

1119

00:55:31,230 --> 00:55:28,390

either and reporters wanted to talk to

1120

00:55:34,350 --> 00:55:31,240

them and they made appointments but then

1121

00:55:35,760 --> 00:55:34,360

they wouldn't keep them and be based in

1122

00:55:38,760 --> 00:55:35,770

commissioned officer said well there's

1123

00:55:40,460 --> 00:55:38,770

been some changes here but I can't tell

1124

00:55:44,360 --> 00:55:40,470

you what it is

1125

00:55:47,520 --> 00:55:44,370

finally they said okay the empties are

1126

00:55:50,310 --> 00:55:47,530

available you can talk to them the port

1127

00:55:56,190 --> 00:55:50,320

is called empty that doesn't on wienies

1128

00:55:58,470 --> 00:55:56,200

off base and that was the end of it well

1129

00:56:03,300 --> 00:55:58,480

you know you do relate in the in the

1130

00:56:05,910 --> 00:56:03,310

book the story of John Vasquez am i

1131

00:56:09,140 --> 00:56:05,920

pronouncing that right which I remember

1132

00:56:12,930 --> 00:56:09,150

huh I believe it

1133

00:56:17,730 --> 00:56:12,940

yeah okay I I believe that I had some

1134

00:56:22,590 --> 00:56:17,740

correspondence with him years ago when I

1135

00:56:25,200 --> 00:56:22,600

was publishing the UFO review newspaper

1136

00:56:29,760 --> 00:56:25,210

that I put out for a while but he had he

1137

00:56:31,800 --> 00:56:29,770

had a close encounter more than a close

1138

00:56:34,190 --> 00:56:31,810

encounter that's why were but most

1139

00:56:39,350 --> 00:56:34,200

bizarre stories I've ever come across

1140

00:56:42,960 --> 00:56:39,360

can you capitalize capsized that for us

1141

00:56:47,190 --> 00:56:42,970

yeah in 1977 John Beck was were

1142

00:56:50,750 --> 00:56:47,200

stationed at Fort Benning he told a long

1143

00:56:54,090 --> 00:56:50,760

story which sort of came back to him in

1144

00:56:56,940 --> 00:56:54,100

1984 I believe and then in the win

1145

00:56:59,820 --> 00:56:56,950

hypnosis and recall the whole story that

1146

00:57:03,990 --> 00:56:59,830

nine the Fort Benning a UFO

1147

00:57:07,170 --> 00:57:04,000

attacked his unit and then we're running

1148

00:57:09,540 --> 00:57:07,180

under the barracks and hiding you thrown

1149

00:57:11,340 --> 00:57:09,550

away the men woke up next morning they

1150

00:57:16,650 --> 00:57:11,350

were disoriented and their clothing was

1151

00:57:20,250 --> 00:57:16,660

all disarranged then there came a long

1152

00:57:24,500 --> 00:57:20,260

story about his unit going on a patrol

1153

00:57:27,360 --> 00:57:24,510

and somehow they became renegades and

1154

00:57:30,180 --> 00:57:27,370

there were soldiers chasing them with a

1155

00:57:32,610 --> 00:57:30,190

tank and artillery and he described

1156

00:57:37,860 --> 00:57:32,620

actual fighting between his unit and

1157

00:57:41,730 --> 00:57:37,870

other army units no way that part I

1158

00:57:45,000 --> 00:57:41,740

hadn't heard yeah it's all ones book

1159

00:57:47,550 --> 00:57:45,010

incident at Fort Benning then they get

1160

00:57:51,270 --> 00:57:47,560

the road and he has been out there

1161

00:57:53,580 --> 00:57:51,280

they steal like two trucks for Jeeps

1162

00:57:56,400 --> 00:57:53,590

three locking people in closets they're

1163

00:58:01,860 --> 00:57:56,410

breaking in the buildings he swears

1164

00:58:04,800 --> 00:58:01,870

there were no officers our sergeants

1165

00:58:08,460 --> 00:58:04,810

around they were just all by themselves

1166

00:58:11,190 --> 00:58:08,470

and they encounter a pond as they have

1167

00:58:13,760 --> 00:58:11,200

to across and apparently there was a lot

1168

00:58:16,230 --> 00:58:13,770

in this monster type thing in that pond

1169

00:58:19,530 --> 00:58:16,240

which attacked them and injured one of

1170

00:58:21,930 --> 00:58:19,540

the men it's a bizarre story now you

1171

00:58:23,100 --> 00:58:21,940

find you give this enema do you give

1172

00:58:27,300 --> 00:58:23,110

this any credibility

1173

00:58:30,750 --> 00:58:27,310

I do not okay everyone that's

1174

00:58:33,120 --> 00:58:30,760

straightforward enough yeah now the big

1175

00:58:35,370 --> 00:58:33,130

story is after all this is over

1176

00:58:39,600 --> 00:58:35,380

they're back in formation or another day

1177

00:58:41,460 --> 00:58:39,610

and the UFO arrives and attacks them and

1178

00:58:43,890 --> 00:58:41,470

it's spitting out little balls of wanted

1179

00:58:45,990 --> 00:58:43,900

the men knocking them out to different

1180

00:58:48,810 --> 00:58:46,000

in helicopters army helicopters show up

1181

00:58:51,900 --> 00:58:48,820

and they're shot down and they've got a

1182

00:58:55,290 --> 00:58:51,910

tank firing at the UFO and and John

1183

00:58:58,650 --> 00:58:55,300

Vasquez had himself leading rule all of

1184

00:59:02,970 --> 00:58:58,660

these things okay half the book almost

1185

00:59:05,460 --> 00:59:02,980

are his documentation he spent years

1186

00:59:08,370 --> 00:59:05,470

writing hundreds of letters to everybody

1187

00:59:11,460 --> 00:59:08,380

you can imagine trying to get proof off

1188

00:59:12,970 --> 00:59:11,470

this board right his finally proof was

1189

00:59:16,510 --> 00:59:12,980

he found there was a measles

1190

00:59:18,609 --> 00:59:16,520

measles outbreak a 14 men some

1191

00:59:22,530 --> 00:59:18,619

helicopters needed superficial repairs

1192

00:59:26,020 --> 00:59:22,540

and there was an a-10 attack

1193

00:59:31,420 --> 00:59:26,030

exercise at that time he swore all of

1194

00:59:32,980 --> 00:59:31,430

this was evidence of the attack and he

1195

00:59:36,210 --> 00:59:32,990

swears that when he didn't get any

1196

00:59:39,760 --> 00:59:36,220

information somehow that constituted

1197

00:59:42,160 --> 00:59:39,770

documentation others of his sort I think

1198

00:59:45,250 --> 00:59:42,170

he did fine I think he did find one

1199

00:59:49,090 --> 00:59:45,260

other witness or or somebody we found

1200

00:59:52,090 --> 00:59:49,100

yeah he found two witnesses who

1201
00:59:55,000 --> 00:59:52,100
originally were on the name that later

1202
00:59:58,240 --> 00:59:55,010
became named these two guys had known

1203
01:00:00,970 --> 00:59:58,250
themselves since childhood which to me

1204
01:00:03,490 --> 01:00:00,980
rehna throw red flags and one of them

1205
01:00:06,099 --> 01:00:03,500
died supposedly of cancer after a UFO

1206
01:00:11,260 --> 01:00:06,109
would have hit him with a beam and I

1207
01:00:15,849 --> 01:00:11,270
don't find it both stories that would as

1208
01:00:18,490 --> 01:00:15,859
well at the really end he says I didn't

1209
01:00:20,500 --> 01:00:18,500
have documentation here he would think

1210
01:00:23,349 --> 01:00:20,510
this was the contrived science fiction

1211
01:00:26,500 --> 01:00:23,359
novel first thing they did in my mind

1212
01:00:29,020 --> 01:00:26,510
was that is like bad contrived defined

1213
01:00:32,080 --> 01:00:29,030

fiction novel well one would almost

1214

01:00:33,730 --> 01:00:32,090

wonder though why why go to the extent

1215

01:00:36,070 --> 01:00:33,740

of doing this I mean it's not like your

1216

01:00:39,070 --> 01:00:36,080

book is going to become a best-seller

1217

01:00:43,380 --> 01:00:39,080

and people are going to flock you know

1218

01:00:45,670 --> 01:00:43,390

to your door for more information I mean

1219

01:00:49,720 --> 01:00:45,680

yeah it would seem that there must have

1220

01:00:51,790 --> 01:00:49,730

been something that sparked a belief it

1221

01:00:54,400 --> 01:00:51,800

could have been some sort of you know

1222

01:00:56,620 --> 01:00:54,410

hallucination caused by how about a

1223

01:01:00,010 --> 01:00:56,630

government experiment perhaps we know

1224

01:01:02,980 --> 01:01:00,020

that the government was there doing

1225

01:01:07,180 --> 01:01:02,990

experiments with LSD back in the in the

1226

01:01:10,630 --> 01:01:07,190

50s he did suggest that that was a

1227

01:01:13,359 --> 01:01:10,640

possibility but in his investigation he

1228

01:01:15,220 --> 01:01:13,369

was always trying to prove that there

1229

01:01:18,130 --> 01:01:15,230

was physical evidence of an alien attack

1230

01:01:21,250 --> 01:01:18,140

yeah and also two that they might have

1231

01:01:23,530 --> 01:01:21,260

doused you you know with the lucky

1232

01:01:25,840 --> 01:01:23,540

sunshine in a purple haze once or twice

1233

01:01:26,560 --> 01:01:25,850

but it it doesn't seem like they would

1234

01:01:29,290 --> 01:01:26,570

be

1235

01:01:33,160 --> 01:01:29,300

able to control an entire story like

1236

01:01:35,620 --> 01:01:33,170

that you know coming out it would be a

1237

01:01:38,560 --> 01:01:35,630

pretty loose ended if you're you know

1238

01:01:40,750 --> 01:01:38,570

have hallucinate it something you know I

1239

01:01:43,090 --> 01:01:40,760

mean I I can't say they've had too much

1240

01:01:46,210 --> 01:01:43,100

experience with that but I did one night

1241

01:01:48,970 --> 01:01:46,220

trip out listening to Jimi Hendrix I

1242

01:01:50,410 --> 01:01:48,980

never did I never did any mescaline or

1243

01:01:52,180 --> 01:01:50,420

anything after that I figure well this

1244

01:01:54,610 --> 01:01:52,190

is the height of the experience man

1245

01:01:56,710 --> 01:01:54,620

you know you're not going to get any

1246

01:02:00,460 --> 01:01:56,720

better than than this you know but even

1247

01:02:03,640 --> 01:02:00,470

then you can tell I'll would assume at

1248

01:02:04,870 --> 01:02:03,650

least I did did it's a hallucination you

1249

01:02:06,400 --> 01:02:04,880

know you're sitting there and you're

1250

01:02:08,110 --> 01:02:06,410

watching this so you're saying the

1251

01:02:09,850 --> 01:02:08,120

musical notes are not really coming out

1252

01:02:13,180 --> 01:02:09,860

of the speakers he's not really

1253

01:02:16,390 --> 01:02:13,190

levitating you know five feet off the

1254

01:02:18,730 --> 01:02:16,400

stage I don't think but you knew you

1255

01:02:21,880 --> 01:02:18,740

knew that you had you had taken

1256

01:02:25,270 --> 01:02:21,890

something now I'm gonna blame it on Jim

1257

01:02:28,000 --> 01:02:25,280

Mosley you know if if if you had

1258

01:02:30,280 --> 01:02:28,010

soldiers that were you know dosed with

1259

01:02:32,140 --> 01:02:30,290

something they had no idea you know that

1260

01:02:35,190 --> 01:02:32,150

they had been dosed and I do know that

1261

01:02:39,070 --> 01:02:35,200

there were you know MKULTRA experiments

1262

01:02:41,680 --> 01:02:39,080

where they would those soldiers and then

1263

01:02:44,800 --> 01:02:41,690

put them outside and then shine bright

1264

01:02:46,660 --> 01:02:44,810

lights searchlights on them you know in

1265

01:02:48,670 --> 01:02:46,670

the dark just to see what would happen

1266

01:02:51,190 --> 01:02:48,680

with them so you know some of the

1267

01:02:53,350 --> 01:02:51,200

aspects of this story sounds really

1268

01:02:57,700 --> 01:02:53,360

similar to some of these earlier types

1269

01:03:00,580 --> 01:02:57,710

of LSD experiments sure now have you

1270

01:03:02,950 --> 01:03:00,590

done any investigation on the Rendlesham

1271

01:03:07,090 --> 01:03:02,960

forest I mean are you up to date as up

1272

01:03:09,670 --> 01:03:07,100

to speed on that yes yep we've had Peter

1273

01:03:11,500 --> 01:03:09,680

Robbins on a number of times and we've

1274

01:03:13,660 --> 01:03:11,510

talked about that with with Paul you

1275

01:03:16,990 --> 01:03:13,670

know that's an interesting case because

1276

01:03:18,610 --> 01:03:17,000

there's well first of all there's a lot

1277

01:03:21,010 --> 01:03:18,620

of stuff that is written about that that

1278

01:03:23,440 --> 01:03:21,020

tends to go to what Jim was talking

1279

01:03:25,810 --> 01:03:23,450

about how it's it's these things that

1280

01:03:29,830 --> 01:03:25,820

just seemed like flights of fancy more

1281

01:03:31,570 --> 01:03:29,840

than actual incidents yeah that there

1282

01:03:33,430 --> 01:03:31,580

are underground bases there and all the

1283

01:03:36,970 --> 01:03:33,440

other stuff but there's no doubt about

1284

01:03:39,370 --> 01:03:36,980

what happened with with Colonel halt

1285

01:03:41,200 --> 01:03:39,380

major halt when he went into the

1286

01:03:43,900 --> 01:03:41,210

wrists and because you can hear his

1287

01:03:46,269 --> 01:03:43,910

voice on the tape recorder basically

1288

01:03:48,609 --> 01:03:46,279

telling you what he's seeing there are a

1289

01:03:50,230 --> 01:03:48,619

lot of people a number of witnesses who

1290

01:03:52,480 --> 01:03:50,240

saw what happened there those two nights

1291

01:03:54,640 --> 01:03:52,490

but it's a very strange part of England

1292

01:03:56,740 --> 01:03:54,650

too because not only were these two

1293

01:03:59,589 --> 01:03:56,750

bases there right next to each other

1294

01:04:03,190 --> 01:03:59,599

but there was a NSA listening post not

1295

01:04:04,839 --> 01:04:03,200

too far away they hadn't we mean the

1296

01:04:08,190 --> 01:04:04,849

United States had nuclear weapons there

1297

01:04:10,359 --> 01:04:08,200

and nuclear weapons were not allowed on

1298

01:04:12,249 --> 01:04:10,369

British territory yet and they were

1299

01:04:15,130 --> 01:04:12,259

there there was a lot of interesting

1300

01:04:19,210 --> 01:04:15,140

things going on at those bases when this

1301

01:04:23,319 --> 01:04:19,220

thing happened you know there had been

1302

01:04:26,980 --> 01:04:23,329

reports of other weird phenomena before

1303

01:04:30,460 --> 01:04:26,990

that particular incident back in 1980

1304

01:04:34,990 --> 01:04:30,470

right and you know that's in the East

1305

01:04:36,819 --> 01:04:35,000

Anglia part of the UK and there for

1306

01:04:39,700 --> 01:04:36,829

whatever reason there are lots of

1307

01:04:41,620 --> 01:04:39,710

paranormal this seems to be lots of

1308

01:04:45,609 --> 01:04:41,630

paranormal activity in that part of the

1309

01:04:50,859 --> 01:04:45,619

UK during the 50s they had what can only

1310

01:04:53,440 --> 01:04:50,869

be described as a almost like a bomber

1311

01:04:57,400 --> 01:04:53,450

force of UFOs coming straight for the UK

1312

01:04:59,799 --> 01:04:57,410

and they sent up American Sabre jets and

1313

01:05:01,210 --> 01:04:59,809

they saw some fantastic things but they

1314

01:05:03,460 --> 01:05:01,220

were they were flying in a formation

1315

01:05:04,690 --> 01:05:03,470

like Obama formation which really scared

1316

01:05:06,039 --> 01:05:04,700

a lot of people because of course they

1317

01:05:07,690 --> 01:05:06,049

thought they were the Russians at first

1318

01:05:09,789 --> 01:05:07,700

and then they send up these interceptors

1319

01:05:12,370 --> 01:05:09,799

and they say now these things the disks

1320

01:05:16,150 --> 01:05:12,380

and they look like flying saucers on and

1321

01:05:18,460 --> 01:05:16,160

on but for some for whatever reason that

1322

01:05:22,120 --> 01:05:18,470

part of the UK is you know haunted or

1323

01:05:26,710 --> 01:05:22,130

however you want to call it would you

1324

01:05:28,749 --> 01:05:26,720

say that okay what would you say if our

1325

01:05:31,870 --> 01:05:28,759

as your research and investigation goes

1326

01:05:35,890 --> 01:05:31,880

is like one of the most bizarre accounts

1327

01:05:41,230 --> 01:05:35,900

that you've heard well good question

1328

01:05:44,920 --> 01:05:41,240

because of course the the as far as you

1329

01:05:47,019 --> 01:05:44,930

know UFOs the whole you know history and

1330

01:05:51,480 --> 01:05:47,029

it went on for a decade of UFOs showing

1331

01:05:52,930 --> 01:05:51,490

up over our ICBM bases is just

1332

01:05:54,790 --> 01:05:52,940

fascinating because there

1333

01:05:57,430 --> 01:05:54,800

just so many witnesses and so much

1334

01:06:01,500 --> 01:05:57,440

evidence that something was going on

1335

01:06:04,540 --> 01:06:01,510

UFOs would show up regularly over these

1336

01:06:06,280 --> 01:06:04,550

ICBM launch pads because these things

1337

01:06:09,339 --> 01:06:06,290

are spread out all over the desert and

1338

01:06:10,839 --> 01:06:09,349

all over the prairies and and they would

1339

01:06:12,550 --> 01:06:10,849

fly over them and they would shut them

1340

01:06:16,329 --> 01:06:12,560

off they would retarget them they would

1341

01:06:17,829 --> 01:06:16,339

do all these things you know and a lot

1342

01:06:19,089 --> 01:06:17,839

of people look at that as saying well

1343

01:06:20,980 --> 01:06:19,099

you know that what's gonna try to

1344

01:06:23,890 --> 01:06:20,990

protect us from ourselves but I think

1345

01:06:25,390 --> 01:06:23,900

it's more of a way of saying you know we

1346

01:06:27,880 --> 01:06:25,400

know what these things down we want you

1347

01:06:29,500 --> 01:06:27,890

to know that you know technology is way

1348

01:06:31,480 --> 01:06:29,510

better than yours these things would

1349

01:06:34,960 --> 01:06:31,490

happen had happened in the Ukraine and

1350

01:06:36,670 --> 01:06:34,970

and Russia as well but you know the two

1351

01:06:38,349 --> 01:06:36,680

things that two stories that really

1352

01:06:40,720 --> 01:06:38,359

stick out in my mind they don't really

1353

01:06:44,050 --> 01:06:40,730

have to do with flying saucers they have

1354

01:06:48,309 --> 01:06:44,060

to do with the the ghost fliers of 1931

1355

01:06:50,319 --> 01:06:48,319

up in Scandinavia people saw for about

1356

01:06:52,569 --> 01:06:50,329

six months way way up near the Arctic

1357

01:06:54,490 --> 01:06:52,579

Circle in Sweden these very strange

1358

01:06:56,620 --> 01:06:54,500

airplanes flying over they were enormous

1359

01:06:59,740 --> 01:06:56,630

they had eight engines if they had

1360

01:07:02,290 --> 01:06:59,750

pontoons as if there was she planes and

1361

01:07:05,319 --> 01:07:02,300

and they would do some strange things

1362

01:07:07,750 --> 01:07:05,329

they would circle these little villages

1363

01:07:10,089 --> 01:07:07,760

isolated villages how is at a time they

1364

01:07:12,130 --> 01:07:10,099

would fly in blizzards they would do all

1365

01:07:14,230 --> 01:07:12,140

these kind of very very strange things

1366

01:07:15,760 --> 01:07:14,240

and then when the Air Force oh whatever

1367

01:07:17,470 --> 01:07:15,770

Swedish Air Force was like back then

1368

01:07:19,540 --> 01:07:17,480

went up to look for them they would

1369

01:07:23,260 --> 01:07:19,550

disappear and then they just went away

1370

01:07:26,470 --> 01:07:23,270

altogether those are the ghost flies and

1371

01:07:27,730 --> 01:07:26,480

then in 1946 in the same area of Sweden

1372

01:07:29,859 --> 01:07:27,740

they had the ghost rockets where

1373

01:07:32,800 --> 01:07:29,869

thousands of people saw these rockets

1374

01:07:34,599 --> 01:07:32,810

going overhead in the summer of 1946

1375

01:07:36,280 --> 01:07:34,609

someone landed in lakes and then

1376

01:07:39,400 --> 01:07:36,290

disappeared others were seen doing

1377

01:07:42,130 --> 01:07:39,410

maneuvers a Swedish pilot got up close

1378

01:07:44,319 --> 01:07:42,140

to one and his description is a

1379

01:07:46,990 --> 01:07:44,329

description almost exactly over one day

1380

01:07:49,050 --> 01:07:47,000

cruise missile they never found out

1381

01:07:52,120 --> 01:07:49,060

where they came from they just suddenly

1382

01:07:54,010 --> 01:07:52,130

disappeared those through the ghost

1383

01:07:56,440 --> 01:07:54,020

wires and the ghost rockets above and

1384

01:07:58,960 --> 01:07:56,450

beyond UFO sightings just fascinating

1385

01:08:01,390 --> 01:07:58,970

mysteries to me you know what are you

1386

01:08:04,510 --> 01:08:01,400

familiar with the I think it's the one

1387

01:08:06,109 --> 01:08:04,520

world war one story of the Angels I

1388

01:08:11,029 --> 01:08:06,119

believe over France

1389

01:08:13,160 --> 01:08:11,039

angels of Mons rods yes yes it's you

1390

01:08:14,809 --> 01:08:13,170

know it was a story that was carried in

1391

01:08:16,579 --> 01:08:14,819

the British papers at the very beginning

1392

01:08:19,010 --> 01:08:16,589

of World War one there was a British

1393

01:08:21,439 --> 01:08:19,020

exhibition expeditionary force that was

1394

01:08:24,110 --> 01:08:21,449

small and there's this enormous German

1395

01:08:26,120 --> 01:08:24,120

force coming into Belgium that was going

1396

01:08:28,669 --> 01:08:26,130

to basically invade France the another

1397

01:08:30,919 --> 01:08:28,679

the British smaller force at least

1398

01:08:32,689 --> 01:08:30,929

delayed them they didn't defeat them in

1399

01:08:35,149 --> 01:08:32,699

this battle but they delayed the advance

1400

01:08:37,700 --> 01:08:35,159

and later on the story started

1401

01:08:40,669 --> 01:08:37,710

circulating that that the British had

1402

01:08:43,459 --> 01:08:40,679

held from these heavenly arches people

1403

01:08:44,930 --> 01:08:43,469

angels with bows and arrows slaying the

1404

01:08:47,240 --> 01:08:44,940

Germans and then there was reports that

1405

01:08:49,129 --> 01:08:47,250

you know people saw German soldiers with

1406

01:08:50,720 --> 01:08:49,139

arrows you know sticking out of them and

1407

01:08:52,879 --> 01:08:50,730

everything a lot of it was laid to

1408

01:08:54,979 --> 01:08:52,889

British intelligence help hoping to

1409

01:08:56,570 --> 01:08:54,989

raise them around of the British people

1410

01:09:00,740 --> 01:08:56,580

at the time when what one was calling

1411

01:09:02,090 --> 01:09:00,750

pretty badly but you know again kind of

1412

01:09:05,689 --> 01:09:02,100

a fascinating story yeah it's called the

1413

01:09:08,240 --> 01:09:05,699

angels of Mons mo Ennis and there's

1414

01:09:10,450 --> 01:09:08,250

there's another incidence or case that's

1415

01:09:13,910 --> 01:09:10,460

always intrigued me it's about the

1416

01:09:17,269 --> 01:09:13,920

battalion that disappeared into the into

1417

01:09:21,289 --> 01:09:17,279

the fog bank right that happened in in

1418

01:09:22,700 --> 01:09:21,299

Turkey during Gallipoli yes yes where

1419

01:09:25,910 --> 01:09:22,710

they were just it was just one of these

1420

01:09:30,649 --> 01:09:25,920

things where you know you know I don't

1421

01:09:32,209 --> 01:09:30,659

want to you know you know disparage the

1422

01:09:35,209 --> 01:09:32,219

British but sometimes you know they were

1423

01:09:37,039 --> 01:09:35,219

pretty crude in how they would you know

1424

01:09:40,039 --> 01:09:37,049

send their forces into battle basically

1425

01:09:43,749 --> 01:09:40,049

just pouring were men into slaughter you

1426

01:09:46,729 --> 01:09:43,759

know and and there was this one you know

1427

01:09:49,160 --> 01:09:46,739

brigade or a division of soldiers that

1428

01:09:50,629 --> 01:09:49,170

at once again had lots of witnesses

1429

01:09:52,370 --> 01:09:50,639

around because this is the height of a

1430

01:09:55,430 --> 01:09:52,380

battle a huge battle and they just went

1431

01:09:58,370 --> 01:09:55,440

into this small fog bank whatever and

1432

01:10:01,430 --> 01:09:58,380

and disappeared and we're never seen

1433

01:10:03,860 --> 01:10:01,440

again you know now what sometimes people

1434

01:10:05,870 --> 01:10:03,870

that lost blown up and you're missing in

1435

01:10:08,750 --> 01:10:05,880

action for what we're talking about how

1436

01:10:11,090 --> 01:10:08,760

many people in that brigade though boy

1437

01:10:13,430 --> 01:10:11,100

it was several hundred anyway if I

1438

01:10:16,830 --> 01:10:13,440

remember it right it was a large number

1439

01:10:24,000 --> 01:10:22,680

the equivalent of the defense secretary

1440

01:10:26,970 --> 01:10:24,010

I guess you could call it the British

1441

01:10:29,880 --> 01:10:26,980

defense even he said something very

1442

01:10:33,300 --> 01:10:29,890

strange happened here we can't figure it

1443

01:10:34,650 --> 01:10:33,310

out so you know who knows who knows what

1444

01:10:36,870 --> 01:10:34,660

happened but very strange story

1445

01:10:38,340 --> 01:10:36,880

interesting story yeah it was a movie

1446

01:10:40,140 --> 01:10:38,350

made on this a couple of years ago I

1447

01:10:45,450 --> 01:10:40,150

don't think it got very much airplay I

1448

01:10:49,470 --> 01:10:45,460

saw it on cable TV or something oh here

1449

01:10:52,320 --> 01:10:49,480

we go alright we'll be back for our last

1450

01:10:55,110 --> 01:10:52,330

segment in just a few minutes in Buckley

1451

01:10:58,680 --> 01:10:55,120

at Timmy Schwartz talking about the

1452

01:11:07,460 --> 01:10:58,690

military and UFOs and Bigfoot

1453

01:11:14,160 --> 01:11:11,580

now back to exploring the bazaars with

1454

01:11:17,490 --> 01:11:14,170

two of the most electrifying researchers

1455

01:11:24,420 --> 01:11:17,500

in the Paranoid your hosts Timothy Becca

1456

01:11:29,370 --> 01:11:24,430

Lee and team sports so here we are Tim

1457

01:11:30,930 --> 01:11:29,380

at the bottom of the show just got less

1458

01:11:35,610 --> 01:11:30,940

than a half hour left to go

1459

01:11:38,580 --> 01:11:35,620

oh no way no and well you know I I want

1460

01:11:42,060 --> 01:11:38,590

to open this half hour and for a I guess

1461

01:11:46,200 --> 01:11:42,070

kind of a round robin here we can throw

1462

01:11:48,270 --> 01:11:46,210

our hats into the ring or our helmets I

1463

01:11:52,560 --> 01:11:48,280

guess our military helmets into the ring

1464

01:11:56,120 --> 01:11:52,570

and take it around the table let's start

1465

01:12:00,570 --> 01:11:56,130

out with the gym with this question

1466

01:12:05,330 --> 01:12:00,580

back in the early I guess late 1940s and

1467

01:12:08,910 --> 01:12:05,340

early 1950s there were a number of

1468

01:12:12,090 --> 01:12:08,920

confrontations between the the Air Force

1469

01:12:14,970 --> 01:12:12,100

and and UFOs I mean there there were

1470

01:12:18,620 --> 01:12:14,980

supposedly a shoot shoot them down order

1471

01:12:23,810 --> 01:12:18,630

and and we do know that Captain Thomas

1472

01:12:28,050 --> 01:12:23,820

Mantell kind of a disappeared off the

1473

01:12:30,590 --> 01:12:28,060

off the radar over Kentucky after

1474

01:12:33,360 --> 01:12:30,600

chasing a UFO whether it was a

1475

01:12:36,210 --> 01:12:33,370

legitimate UFO or weather balloon or

1476

01:12:39,060 --> 01:12:36,220

something along that line do you know in

1477

01:12:44,010 --> 01:12:39,070

your research any confrontations similar

1478

01:12:46,920 --> 01:12:44,020

to that I pretty much confined my

1479

01:12:49,320 --> 01:12:46,930

interest to the state of Georgia and

1480

01:12:51,960 --> 01:12:49,330

there's nothing like that ever happened

1481

01:12:54,540 --> 01:12:51,970

here although here in Robins Air Force

1482

01:13:00,470 --> 01:12:54,550

Base in the late 40s and early sixties

1483

01:13:06,500 --> 01:13:00,480

there were three well-documented UFOs

1484

01:13:09,480 --> 01:13:06,510

seen by Air Force officers NCOs and

1485

01:13:12,150 --> 01:13:09,490

highly trained civilians who worked at

1486

01:13:14,910 --> 01:13:12,160

the base and there was no doubt in their

1487

01:13:18,000 --> 01:13:14,920

mind that these things that occurred and

1488

01:13:19,669 --> 01:13:18,010

their reports were classified for 30

1489

01:13:25,840 --> 01:13:19,679

years

1490

01:13:31,270 --> 01:13:25,850

and and what were the reports they saw

1491

01:13:36,649 --> 01:13:31,280

one time a cigar and it seemed to be

1492

01:13:40,910 --> 01:13:36,659

perhaps the same one that child's wooded

1493

01:13:46,130 --> 01:13:40,920

saw over Alabama and exclude Montgomery

1494

01:13:50,030 --> 01:13:46,140

to to Atlanta and other UFO through the

1495

01:13:54,320 --> 01:13:50,040

bright spinning top and these things

1496

01:13:57,439 --> 01:13:54,330

would change directions they do up and

1497

01:14:00,410 --> 01:13:57,449

down and they would hover and then just

1498

01:14:03,709 --> 01:14:00,420

disappear a tremendous speed and they

1499

01:14:06,590 --> 01:14:03,719

were all documented UFO cases over a

1500

01:14:11,660 --> 01:14:06,600

major Air Force Base now picked up on

1501

01:14:13,220 --> 01:14:11,670

radar or just seen visually they were

1502

01:14:17,149 --> 01:14:13,230

not detected on radar

1503

01:14:19,669 --> 01:14:17,159

no Creek Aden well how do you how do you

1504

01:14:22,520 --> 01:14:19,679

like yeah do you have an explanation for

1505

01:14:25,280 --> 01:14:22,530

that because there are a lot of cases

1506

01:14:28,250 --> 01:14:25,290

where these objects and nothing picked

1507

01:14:35,229 --> 01:14:28,260

up on radar but yet we have credible

1508

01:14:38,060 --> 01:14:35,239

eyewitnesses to these observations I

1509

01:14:41,689 --> 01:14:38,070

have no idea what radar doesn't work on

1510

01:14:44,090 --> 01:14:41,699

them but there was one case when a

1511

01:14:48,500 --> 01:14:44,100

fighter pilot was flying between moody

1512

01:14:52,479 --> 01:14:48,510

Air Force Base and Valdosta to the

1513

01:14:56,120 --> 01:14:52,489

through the base airport at Fort Benning

1514

01:14:59,000 --> 01:14:56,130

he was halfway there when he saw a UFO

1515

01:15:02,990 --> 01:14:59,010

above him he was just accumulating

1516

01:15:05,600 --> 01:15:03,000

flight hours so he flew up towards it it

1517

01:15:08,290 --> 01:15:05,610

got bigger before moving away and he saw

1518

01:15:10,820 --> 01:15:08,300

it was below him and he defended and

1519

01:15:14,209 --> 01:15:10,830

about the time he called to the fort

1520

01:15:17,149 --> 01:15:14,219

benning tower the radar operator there

1521

01:15:20,149 --> 01:15:17,159

said did you see that thing to keep

1522

01:15:23,360 --> 01:15:20,159

going up and down out there he said yes

1523

01:15:26,000 --> 01:15:23,370

I was changing it in the end project

1524

01:15:30,410 --> 01:15:26,010

Bluebook declared that he had been

1525

01:15:33,540 --> 01:15:30,420

chasing Venus Venus it it so it so it's

1526

01:15:36,330 --> 01:15:33,550

always Venus as the scapegoat of the

1527

01:15:39,420 --> 01:15:36,340

of UFOs I mean even more so than swamp

1528

01:15:41,270 --> 01:15:39,430

gas I would I would yeah down here's

1529

01:15:44,010 --> 01:15:41,280

Jimmy Carter that's what they say he saw

1530

01:15:45,420 --> 01:15:44,020

yeah well now you know it's a there's

1531

01:15:47,940 --> 01:15:45,430

there's been a fellow who's been working

1532

01:15:51,810 --> 01:15:47,950

on a movie about that Jimmy Carter

1533

01:15:53,640 --> 01:15:51,820

incident but it never it was it never

1534

01:15:55,620 --> 01:15:53,650

came out I mean I've seen a trailer for

1535

01:15:58,290 --> 01:15:55,630

it but what most people don't realize

1536

01:15:59,820 --> 01:15:58,300

they say Oh Jimmy Carter saw Venus he

1537

01:16:03,060 --> 01:15:59,830

was standing in front of the I think the

1538

01:16:05,340 --> 01:16:03,070

Lions Lions meeting they just had a

1539

01:16:07,500 --> 01:16:05,350

meeting and they were sitting in front

1540

01:16:11,520 --> 01:16:07,510

of the hall where they had just had

1541

01:16:15,720 --> 01:16:11,530

their gathering but there were other UFO

1542

01:16:17,940 --> 01:16:15,730

sightings around that same time within a

1543

01:16:20,400 --> 01:16:17,950

couple of days of Jimmy Carter's

1544

01:16:23,820 --> 01:16:20,410

sighting including the landing of an

1545

01:16:27,120 --> 01:16:23,830

object near the water water tower right

1546

01:16:30,540 --> 01:16:27,130

outside of town so that case has not

1547

01:16:32,160 --> 01:16:30,550

been investigated thoroughly I was

1548

01:16:34,620 --> 01:16:32,170

hoping that this film would come out and

1549

01:16:37,590 --> 01:16:34,630

that we would see the the evidence

1550

01:16:41,250 --> 01:16:37,600

firsthand and I think that Jimmy Carter

1551

01:16:43,860 --> 01:16:41,260

has kind of been his hand has been

1552

01:16:47,070 --> 01:16:43,870

forced and he's been made to say oh they

1553

01:16:50,130 --> 01:16:47,080

say it's a you know the play it was the

1554

01:16:52,320 --> 01:16:50,140

planet Venus well it wasn't the planet

1555

01:16:55,350 --> 01:16:52,330

Venus all these years but suddenly I

1556

01:16:57,000 --> 01:16:55,360

guess pressure not official pressure but

1557

01:16:58,830 --> 01:16:57,010

if you get your maybe just get tired of

1558

01:17:02,910 --> 01:16:58,840

hearing people say Venus Venus Venus

1559

01:17:04,050 --> 01:17:02,920

Venus you know and decide well let me

1560

01:17:06,780 --> 01:17:04,060

tell them it's Venus because I don't

1561

01:17:08,610 --> 01:17:06,790

want to sit here all day and argue with

1562

01:17:11,390 --> 01:17:08,620

them about it but Jimmy Carter's

1563

01:17:15,690 --> 01:17:11,400

reciting there's a lot more to it than

1564

01:17:18,540 --> 01:17:15,700

then we have been led to believe and I

1565

01:17:21,660 --> 01:17:18,550

sure in a heck wish that movie would you

1566

01:17:23,700 --> 01:17:21,670

know come out also too would there right

1567

01:17:27,330 --> 01:17:23,710

now I I don't know if you fellas are

1568

01:17:29,970 --> 01:17:27,340

familiar with this there was a an

1569

01:17:32,460 --> 01:17:29,980

incident involving a helicopter that

1570

01:17:36,180 --> 01:17:32,470

Jimmy Carter was on in the Panama and

1571

01:17:38,040 --> 01:17:36,190

Panama where the the helicopter he was

1572

01:17:40,020 --> 01:17:38,050

on taking him to the you know the plane

1573

01:17:42,660 --> 01:17:40,030

would fly them back to I guess Air Force

1574

01:17:44,340 --> 01:17:42,670

One okay I would fly him back I was

1575

01:17:45,750 --> 01:17:44,350

lifting up from the ground and there

1576

01:17:46,780 --> 01:17:45,760

there were people you know scurrying

1577

01:17:48,340 --> 01:17:46,790

around on the

1578

01:17:54,190 --> 01:17:48,350

by the helicopters that took off and

1579

01:17:56,530 --> 01:17:54,200

there in the sky is a UFO now I had the

1580

01:17:58,990 --> 01:17:56,540

photo I had to photograph it was in the

1581

01:18:01,180 --> 01:17:59,000

newspaper and I actually contacted the

1582

01:18:04,180 --> 01:18:01,190

individual who took the picture down in

1583

01:18:05,910 --> 01:18:04,190

Panama it was a I don't remember all the

1584

01:18:09,700 --> 01:18:05,920

details I've written it up but it was a

1585

01:18:12,550 --> 01:18:09,710

a woman who worked there and then and I

1586

01:18:15,490 --> 01:18:12,560

think on the military base and she

1587

01:18:18,850 --> 01:18:15,500

swears the incident is true and nobody's

1588

01:18:21,700 --> 01:18:18,860

actually discredited and believe it or

1589

01:18:24,610 --> 01:18:21,710

not grant Cameron found a copy of the

1590

01:18:26,710 --> 01:18:24,620

photograph in the Jimmy Carter a library

1591

01:18:29,800 --> 01:18:26,720

but there were there were no notes or

1592

01:18:31,690 --> 01:18:29,810

anything with it at all well I have the

1593

01:18:35,140 --> 01:18:31,700

I have the the notes that I took at the

1594

01:18:38,650 --> 01:18:35,150

time but even more so than that I

1595

01:18:42,250 --> 01:18:38,660

remember around that period I had gotten

1596

01:18:44,620 --> 01:18:42,260

a letter from the Panama representative

1597

01:18:48,460 --> 01:18:44,630

for the mutual UFO network who had done

1598

01:18:51,310 --> 01:18:48,470

an entire book on the on on that

1599

01:18:53,710 --> 01:18:51,320

particular incident and they wanted me

1600

01:18:54,970 --> 01:18:53,720

to publish it and I didn't publish it

1601
01:18:58,420 --> 01:18:54,980
and I can't remember why I didn't

1602
01:18:59,710 --> 01:18:58,430
publish it but I don't even think I saw

1603
01:19:03,100 --> 01:18:59,720
the manuscript but it was supposedly

1604
01:19:04,630 --> 01:19:03,110
ready to go and I don't know who that

1605
01:19:05,830 --> 01:19:04,640
person was and I've never been able to

1606
01:19:08,230 --> 01:19:05,840
track him down

1607
01:19:10,660 --> 01:19:08,240
since then so there's there's somebody

1608
01:19:13,360 --> 01:19:10,670
in Panama who knows all about this

1609
01:19:15,520 --> 01:19:13,370
incident but I've never been able to

1610
01:19:18,430 --> 01:19:15,530
track him down because I can't find my

1611
01:19:21,610 --> 01:19:18,440
notes on the particular incident but Mac

1612
01:19:23,620 --> 01:19:21,620
how about you now the incidents where

1613
01:19:29,530 --> 01:19:23,630

there have been actual battles between

1614

01:19:31,960 --> 01:19:29,540

the military and and UFOs well they're

1615

01:19:35,110 --> 01:19:31,970

very rare we have a story in UFOs from

1616

01:19:38,860 --> 01:19:35,120

one time about a confrontation between

1617

01:19:42,310 --> 01:19:38,870

an f-16 fighter and a UFO during the

1618

01:19:44,320 --> 01:19:42,320

first Gulf War there are some you know

1619

01:19:47,230 --> 01:19:44,330

at there's some evidence to it there

1620

01:19:49,330 --> 01:19:47,240

were some eyewitnesses to it on the

1621

01:19:52,870 --> 01:19:49,340

ground it once again it was one of these

1622

01:19:55,540 --> 01:19:52,880

things that it was just too good of a

1623

01:19:57,310 --> 01:19:55,550

story not to put in the book but I think

1624

01:19:59,050 --> 01:19:57,320

it's more fascinating that you know we

1625

01:20:00,700 --> 01:19:59,060

don't have more of these stories

1626

01:20:03,250 --> 01:20:00,710

especially during World War

1627

01:20:05,700 --> 01:20:03,260

- when you have a lot of Warplanes on

1628

01:20:08,170 --> 01:20:05,710

both sides flying around up there and

1629

01:20:09,970 --> 01:20:08,180

seeing these Foo Fighters in the middle

1630

01:20:12,459 --> 01:20:09,980

of these battles and bombing missions

1631

01:20:14,200 --> 01:20:12,469

and stuff yet there is not any recorded

1632

01:20:18,729 --> 01:20:14,210

evidence at all that there was any kind

1633

01:20:20,110 --> 01:20:18,739

of hostile intent on the part of the Foo

1634

01:20:24,400 --> 01:20:20,120

Fighters they were just there kind of

1635

01:20:27,729 --> 01:20:24,410

watching us as you said in the 50s there

1636

01:20:30,430 --> 01:20:27,739

was a shoot first if you the order to

1637

01:20:34,750 --> 01:20:30,440

our fighter pilots if they saw our UFO

1638

01:20:37,390 --> 01:20:34,760

this is after the the the UFO flap over

1639

01:20:39,640 --> 01:20:37,400

Washington DC in the early 50s that the

1640

01:20:43,870 --> 01:20:39,650

order was that if you cannot contact the

1641

01:20:46,630 --> 01:20:43,880

UFO you should shoot it down and that

1642

01:20:48,940 --> 01:20:46,640

when that one where did that got out so

1643

01:20:52,000 --> 01:20:48,950

many people called the White House and

1644

01:20:53,620 --> 01:20:52,010

called the Pentagon asking them you know

1645

01:20:55,690 --> 01:20:53,630

is this a good idea maybe you should you

1646

01:20:57,850 --> 01:20:55,700

know rethink this order and they jammed

1647

01:21:00,130 --> 01:20:57,860

up the phone line so much you know to

1648

01:21:02,110 --> 01:21:00,140

the extent at the White House and the

1649

01:21:03,880 --> 01:21:02,120

Pentagon that this is when the CIA got

1650

01:21:06,370 --> 01:21:03,890

involved in the whole UFO mess and they

1651
01:21:08,290 --> 01:21:06,380
were the ones who started saying we'll

1652
01:21:11,140 --> 01:21:08,300
look at why don't we just you know bring

1653
01:21:13,270 --> 01:21:11,150
in the ridicule factor here and anyone

1654
01:21:14,950 --> 01:21:13,280
who has any kind of credible UFO

1655
01:21:17,290 --> 01:21:14,960
sightings the best way to get rid of

1656
01:21:21,220 --> 01:21:17,300
them is just basically say well you saw

1657
01:21:23,560 --> 01:21:21,230
Venus you know no but again it's it's

1658
01:21:25,990 --> 01:21:23,570
fascinating to me that there as the that

1659
01:21:28,240 --> 01:21:26,000
there aren't as many stories of us

1660
01:21:31,150 --> 01:21:28,250
having you know dogfights or any kind of

1661
01:21:33,190 --> 01:21:31,160
battle with UFOs especially drone a lot

1662
01:21:36,700 --> 01:21:33,200
of time because they always seem to be

1663
01:21:37,870 --> 01:21:36,710

up there when we're up there there was

1664

01:21:40,720 --> 01:21:37,880

somebody and I can't remember the guys

1665

01:21:43,900 --> 01:21:40,730

name now who wrote a book a couple of

1666

01:21:45,490 --> 01:21:43,910

years ago that it actually it related

1667

01:21:48,010 --> 01:21:45,500

back to the you know the flatwoods

1668

01:21:50,530 --> 01:21:48,020

monster yeah yes Joe somebody and I

1669

01:21:52,930 --> 01:21:50,540

can't remember it yeah but I mean he he

1670

01:21:54,880 --> 01:21:52,940

went and you know like to look at the

1671

01:21:56,680 --> 01:21:54,890

records and around the same time that

1672

01:22:00,910 --> 01:21:56,690

you know the Air Force and issued that

1673

01:22:04,959 --> 01:22:00,920

you know shoot him down policy there was

1674

01:22:08,729 --> 01:22:04,969

a big increase of fighter jet crashes

1675

01:22:12,030 --> 01:22:08,739

and and in fact there had been I guess

1676
01:22:14,080 --> 01:22:12,040
several incidents that had taken place

1677
01:22:18,340 --> 01:22:14,090
shortly before the whole

1678
01:22:20,620 --> 01:22:18,350
flatwoods a monster case took place and

1679
01:22:22,930 --> 01:22:20,630
you know of course his speculation was

1680
01:22:26,410 --> 01:22:22,940
is that you know these pilots you know

1681
01:22:28,810 --> 01:22:26,420
we're taking that shoot him down policy

1682
01:22:31,510 --> 01:22:28,820
seriously except they were the ones who

1683
01:22:33,850 --> 01:22:31,520
handed up getting shot down well things

1684
01:22:36,190 --> 01:22:33,860
like that could have happened there are

1685
01:22:38,830 --> 01:22:36,200
instances where our jet fighters have

1686
01:22:41,470 --> 01:22:38,840
disappeared there was a incident over

1687
01:22:44,140 --> 01:22:41,480
Lake Michigan and the 50s where you know

1688
01:22:48,370 --> 01:22:44,150

UFOs was seen coming over the over the

1689

01:22:50,320 --> 01:22:48,380

border and they once day a plane an f-89

1690

01:22:54,730 --> 01:22:50,330

scorpion it was like this kind of very

1691

01:22:58,120 --> 01:22:54,740

large jet fighter and people watched on

1692

01:23:00,880 --> 01:22:58,130

the radar as this fighter literally

1693

01:23:02,920 --> 01:23:00,890

converged on the UFO and they thought

1694

01:23:04,600 --> 01:23:02,930

that okay this is they're gonna circle

1695

01:23:07,930 --> 01:23:04,610

it or whatever but you know when that

1696

01:23:11,290 --> 01:23:07,940

when the two radar points converged they

1697

01:23:14,500 --> 01:23:11,300

never separated again and the plane was

1698

01:23:16,360 --> 01:23:14,510

never found the pilots families were

1699

01:23:20,970 --> 01:23:16,370

lied to saying that you know they had

1700

01:23:23,440 --> 01:23:20,980

crashed into into the lake like Michigan

1701

01:23:26,230 --> 01:23:23,450

can't find the wreckage so on and so

1702

01:23:28,780 --> 01:23:26,240

forth there are instances like that and

1703

01:23:31,180 --> 01:23:28,790

then the mantle story as you would

1704

01:23:34,090 --> 01:23:31,190

referenced earlier where he was in a

1705

01:23:38,710 --> 01:23:34,100

p-51 Mustang they call him f50 ones then

1706

01:23:42,220 --> 01:23:38,720

and he flew way over his the ceiling of

1707

01:23:43,960 --> 01:23:42,230

that plane chasing something you know

1708

01:23:45,700 --> 01:23:43,970

his last words were you know it's it's

1709

01:23:46,810 --> 01:23:45,710

enormous and it's shining bright or

1710

01:23:50,560 --> 01:23:46,820

something like that and then they found

1711

01:23:52,630 --> 01:23:50,570

the wreckage of his plane you know not a

1712

01:23:54,130 --> 01:23:52,640

hundred miles away but quite a few miles

1713

01:23:56,740 --> 01:23:54,140

away from where this incident happened

1714

01:23:58,750 --> 01:23:56,750

there are isolated cases like that

1715

01:24:01,620 --> 01:23:58,760

there's no doubt about it but as far as

1716

01:24:04,360 --> 01:24:01,630

major battles and so on and so forth

1717

01:24:06,190 --> 01:24:04,370

between our military someone else's

1718

01:24:08,320 --> 01:24:06,200

military and UFOs they're just not out

1719

01:24:10,250 --> 01:24:08,330

there and I find that in itself kind of

1720

01:24:14,180 --> 01:24:10,260

fascinating

1721

01:24:17,750 --> 01:24:14,190

I want to ask you a real quick match and

1722

01:24:21,950 --> 01:24:17,760

this this is not UFO related but it goes

1723

01:24:25,370 --> 01:24:21,960

to a recent subject that you talked

1724

01:24:28,209 --> 01:24:25,380

about on your military x-files you're

1725

01:24:31,729 --> 01:24:28,219

talking about weather as a weapon and

1726

01:24:33,319 --> 01:24:31,739

the attempts use the military's attempts

1727

01:24:35,299 --> 01:24:33,329

to use weather as a weapon including

1728

01:24:38,149 --> 01:24:35,309

killing thousands of enemies shoulder

1729

01:24:41,600 --> 01:24:38,159

soldiers with directed lightning bolts

1730

01:24:45,229 --> 01:24:41,610

now you know I'm a big Tesla fan and boy

1731

01:24:46,839 --> 01:24:45,239

that sure sounds like some kind of Tesla

1732

01:24:50,479 --> 01:24:46,849

like weapon

1733

01:24:52,129 --> 01:24:50,489

well yeah we had our most recent show we

1734

01:24:54,290 --> 01:24:52,139

we talked about it because of the two

1735

01:24:58,370 --> 01:24:54,300

hurricanes that just hit the United

1736

01:25:00,319 --> 01:24:58,380

States weather research you know whether

1737

01:25:04,100 --> 01:25:00,329

as weapons research of course is is

1738

01:25:06,709 --> 01:25:04,110

classified top secret hop up in Alaska

1739

01:25:08,720 --> 01:25:06,719

they know that when that was operating

1740

01:25:12,259 --> 01:25:08,730

at least under the military they would

1741

01:25:13,549 --> 01:25:12,269

throw you know tens of thousands

1742

01:25:16,700 --> 01:25:13,559

hundreds of thousands of volts of

1743

01:25:18,200 --> 01:25:16,710

electricity up into the ionosphere their

1744

01:25:20,149 --> 01:25:18,210

excuse was that they were looking for

1745

01:25:23,959 --> 01:25:20,159

ways to improve communications or

1746

01:25:25,640 --> 01:25:23,969

something like that you know if you

1747

01:25:27,410 --> 01:25:25,650

could do it if you could Highness the

1748

01:25:30,109 --> 01:25:27,420

weather and and one of the things that

1749

01:25:31,759 --> 01:25:30,119

they tried to do is one of our guests

1750

01:25:34,729 --> 01:25:31,769

was talking about is that if you could

1751

01:25:37,990 --> 01:25:34,739

direct lightning bolts or if you could

1752

01:25:41,629 --> 01:25:38,000

create a thunderstorm that is especially

1753

01:25:43,629 --> 01:25:41,639

electrified and have lightning bolts of

1754

01:25:46,580 --> 01:25:43,639

you can imagine that on a battlefield

1755

01:25:48,229 --> 01:25:46,590

you know in addition to the artillery

1756

01:25:49,640 --> 01:25:48,239

and people shooting and bombing and

1757

01:25:52,459 --> 01:25:49,650

everything lightning bolts are coming

1758

01:25:54,200 --> 01:25:52,469

down and hitting the enemy soldiers I

1759

01:25:57,109 --> 01:25:54,210

mean that's just like it it's just such

1760

01:25:59,450 --> 01:25:57,119

a scary scene to kind of contemplate but

1761

01:26:02,839 --> 01:25:59,460

of course you have to think well how are

1762

01:26:04,370 --> 01:26:02,849

you able to make sure that your own side

1763

01:26:06,259 --> 01:26:04,380

isn't getting hit by these lightning

1764

01:26:08,750 --> 01:26:06,269

bolts how do you make directed lightning

1765

01:26:10,759 --> 01:26:08,760

bolts supposedly they are working on it

1766

01:26:13,279 --> 01:26:10,769

you know but you know they work on a lot

1767

01:26:16,220 --> 01:26:13,289

of things and and someone said that nine

1768

01:26:18,979 --> 01:26:16,230

out of ten secret projects never come to

1769

01:26:20,600 --> 01:26:18,989

fruition but they're looking into it and

1770

01:26:22,430 --> 01:26:20,610

and as I'm sure the Russians and the

1771

01:26:23,810 --> 01:26:22,440

Chinese are looking into it too if you

1772

01:26:25,790 --> 01:26:23,820

can Highness the weather

1773

01:26:29,450 --> 01:26:25,800

as a weapon if you can direct a

1774

01:26:31,430 --> 01:26:29,460

hurricane over your enemy's bases or

1775

01:26:33,350 --> 01:26:31,440

just as they going into battle or their

1776

01:26:34,910 --> 01:26:33,360

fleets something like that you know you

1777

01:26:38,419 --> 01:26:34,920

have more power in your hand than any

1778

01:26:41,270 --> 01:26:38,429

kind of nuclear weaponry no I mean

1779

01:26:43,459 --> 01:26:41,280

considering the the ability to be able

1780

01:26:45,919 --> 01:26:43,469

to like it or shoot lightning bolts you

1781

01:26:48,169 --> 01:26:45,929

know at an enemy but you're absolutely

1782

01:26:50,689 --> 01:26:48,179

right I mean how do you prevent then

1783

01:26:53,089 --> 01:26:50,699

your own troops from becoming an

1784

01:26:54,530 --> 01:26:53,099

electric you know we've seen these you

1785

01:26:57,050 --> 01:26:54,540

know scenes where like a lightning bolt

1786

01:27:00,319 --> 01:26:57,060

will hit say like a soccer field and

1787

01:27:03,050 --> 01:27:00,329

people will drop in all directions right

1788

01:27:05,089 --> 01:27:03,060

you know yeah yeah as the boat grounds

1789

01:27:06,800 --> 01:27:05,099

itself and then travels you're not

1790

01:27:10,850 --> 01:27:06,810

exactly the same thing but the British

1791

01:27:14,390 --> 01:27:10,860

some time ago they were going to start

1792

01:27:16,790 --> 01:27:14,400

work on a nuclear bomb that when it

1793

01:27:19,250 --> 01:27:16,800

exploded let's say a tactical nuclear

1794

01:27:21,109 --> 01:27:19,260

weapon so a battlefield weapon when it

1795

01:27:23,390 --> 01:27:21,119

exploded it was so bright that it had

1796

01:27:26,270 --> 01:27:23,400

literally the ability to blind enemy

1797

01:27:28,459 --> 01:27:26,280

soldiers okay and and people actually

1798

01:27:29,720 --> 01:27:28,469

said you know what yeah that's almost

1799

01:27:32,300 --> 01:27:29,730

not fair you know

1800

01:27:33,319 --> 01:27:32,310

that's that's not that's not Wafaa it

1801

01:27:35,270 --> 01:27:33,329

certainly isn't in the Geneva

1802

01:27:37,100 --> 01:27:35,280

Conventions but they never they never

1803

01:27:38,569 --> 01:27:37,110

developed it because they thought well

1804

01:27:41,540 --> 01:27:38,579

once again how do you prevent your own

1805

01:27:43,629 --> 01:27:41,550

troops from you know not going blind and

1806

01:27:46,160 --> 01:27:43,639

the fact that you would you would just

1807

01:27:47,810 --> 01:27:46,170

blinds of enemies so it just didn't seem

1808

01:27:50,629 --> 01:27:47,820

right in a way so they never developed

1809

01:27:52,100 --> 01:27:50,639

the this particular weapon but they were

1810

01:27:55,010 --> 01:27:52,110

going to do it and I suppose they could

1811

01:27:58,160 --> 01:27:55,020

do it now if they wanted to just kind of

1812

01:28:00,229 --> 01:27:58,170

a scary aspect of you know another scary

1813

01:28:03,260 --> 01:28:00,239

aspect of using nuclear weapons and voix

1814

01:28:07,040 --> 01:28:03,270

oh yeah well yeah it's not fair but then

1815

01:28:09,020 --> 01:28:07,050

again I mean using poisonous gas or you

1816

01:28:15,560 --> 01:28:09,030

know anthrax or things like that yeah

1817

01:28:20,270 --> 01:28:15,570

that's fair - well Jim I wanted to ask

1818

01:28:27,379 --> 01:28:20,280

you about and when Tim Beckley was

1819

01:28:29,510 --> 01:28:27,389

asking about you know like UFO crashes

1820

01:28:31,879 --> 01:28:29,520

or dark crashes but you know involved in

1821

01:28:33,890 --> 01:28:31,889

the military in crashes it made me think

1822

01:28:38,000 --> 01:28:33,900

about this story that you have

1823

01:28:40,070 --> 01:28:38,010

that took place in 1985 involving a

1824

01:28:41,149 --> 01:28:40,080

helicopter a crashed helicopter and

1825

01:28:43,310 --> 01:28:41,159

Bigfoot

1826

01:28:45,740 --> 01:28:43,320

you know we're rapidly running out of

1827

01:28:48,700 --> 01:28:45,750

time unfortunately so I'd like you to

1828

01:28:54,800 --> 01:28:48,710

talk about that story just a little bit

1829

01:28:57,740 --> 01:28:54,810

yeah it was a exercise by another States

1830

01:28:59,750 --> 01:28:57,750

National Guard and it was a mountain

1831

01:29:03,439 --> 01:28:59,760

ranger up in North Georgia in the

1832

01:29:05,120 --> 01:29:03,449

mountains and there were troops working

1833

01:29:07,880 --> 01:29:05,130

on the ground and then there were

1834

01:29:10,880 --> 01:29:07,890

several helicopters and one of the

1835

01:29:13,850 --> 01:29:10,890

helicopters was swinging low and fast

1836

01:29:17,270 --> 01:29:13,860

around the mountain and crashed and

1837

01:29:23,419 --> 01:29:17,280

exploded as all the aviation fuel went

1838

01:29:26,120 --> 01:29:23,429

off and killed the two-man crew now the

1839

01:29:29,360 --> 01:29:26,130

weird part started 10 years later when

1840

01:29:32,300 --> 01:29:29,370

somebody made a report to a Bigfoot

1841

01:29:36,260 --> 01:29:32,310

organization and they said after that

1842

01:29:39,590 --> 01:29:36,270

crash I was an MP that was sent up there

1843

01:29:45,770 --> 01:29:39,600

to guard the wreckage and guard the the

1844

01:29:48,200 --> 01:29:45,780

the crews bodies until morning so he

1845

01:29:50,180 --> 01:29:48,210

said they went up there and it wasn't a

1846

01:29:53,270 --> 01:29:50,190

lot to do it got dark they started a

1847

01:29:55,640 --> 01:29:53,280

fire and they were eating and then I

1848

01:29:59,419 --> 01:29:55,650

started hearing something from the crash

1849

01:30:02,120 --> 01:29:59,429

site and sound like very large bodies

1850

01:30:04,910 --> 01:30:02,130

moving around in there so they

1851

01:30:08,000 --> 01:30:04,920

illuminated their flashlights and they

1852

01:30:10,910 --> 01:30:08,010

saw what apparently was a Bigfoot family

1853

01:30:16,189 --> 01:30:10,920

group like that was dad and mom and a

1854

01:30:18,950 --> 01:30:16,199

kid and the distasteful part of the

1855

01:30:23,300 --> 01:30:18,960

story is they were dragging away the

1856

01:30:25,310 --> 01:30:23,310

bodies of the crew the NPA said they all

1857

01:30:29,120 --> 01:30:25,320

drew their weapons and just fired until

1858

01:30:33,680 --> 01:30:29,130

they are empty and reloaded and chased a

1859

01:30:35,450 --> 01:30:33,690

Bigfoot away in the next morning they

1860

01:30:39,350 --> 01:30:35,460

acted like nothing ever happened and

1861

01:30:41,570 --> 01:30:39,360

they went back to their base and then a

1862

01:30:47,390 --> 01:30:41,580

few years later another man said look I

1863

01:30:51,140 --> 01:30:47,400

was there I was actual MP there we

1864

01:30:55,070 --> 01:30:51,150

crash site we helped load the bodies on

1865

01:30:56,870 --> 01:30:55,080

a helicopter and they left and then we

1866

01:30:59,350 --> 01:30:56,880

guarded the wreckage through the nine

1867

01:31:03,380 --> 01:30:59,360

just sitting around shooting breeze and

1868

01:31:08,660 --> 01:31:03,390

eating MREs and there's nothing to the

1869

01:31:12,760 --> 01:31:08,670

story so it's odd odd story absolutely

1870

01:31:15,770 --> 01:31:12,770

undocumented and explained thoroughly

1871

01:31:19,880 --> 01:31:15,780

and that supposedly event that took

1872

01:31:24,800 --> 01:31:19,890

place so we're in Georgia near Dahlonega

1873

01:31:26,960 --> 01:31:24,810

it's up down mountains there's a ranger

1874

01:31:30,230 --> 01:31:26,970

base there I can't recall the little bit

1875

01:31:33,740 --> 01:31:30,240

maybe camp Darby yeah okay well right

1876

01:31:37,640 --> 01:31:33,750

you know we are down to the last boot

1877

01:31:40,340 --> 01:31:37,650

buckle here and want to give the both of

1878

01:31:44,240 --> 01:31:40,350

our guests the opportunity to tell our

1879

01:31:47,930 --> 01:31:44,250

multitude of listeners where and how

1880

01:31:50,270 --> 01:31:47,940

they can be reached and what they have

1881

01:31:53,450 --> 01:31:50,280

what they have available as far as books

1882

01:31:57,500 --> 01:31:53,460

1883

01:32:00,530 --> 01:31:57,510

two of you for being on with us tonight

1916

01:33:46,030 --> 01:33:42,030

it was a fascinating discourse on

1917

01:33:49,490 --> 01:33:46,040

strange phenomena and the military and

1918

01:33:50,840 --> 01:33:49,500

this is sergeant Bunco I'm going back to

1919

01:33:53,660 --> 01:33:50,850

the barracks and make sure that

1920

01:33:57,229 --> 01:33:53,670

everybody has gotten in shape to go out

1921

01:34:01,460 --> 01:33:57,239

for our next sky watch are you ready

1922

01:34:05,210 --> 01:34:01,470

there private source I think so

1923

01:34:07,910 --> 01:34:05,220

sergeant but hey you know we've got just

1924

01:34:10,760 --> 01:34:07,920

a little bit more than a minute and I

1925

01:34:14,270 --> 01:34:10,770

think you shouldn't mention once again

1926

01:34:16,479 --> 01:34:14,280

your your new reprint that that we just

1927

01:34:19,729 --> 01:34:16,489

put out the other day oh my goodness

1928

01:34:23,229 --> 01:34:19,739

inside this is the first book that I

1929

01:34:26,890 --> 01:34:23,239

ever did to finance my early activities

1930

01:34:30,350 --> 01:34:26,900

1962 it's inside the Sorcerer's

1931

01:34:32,660 --> 01:34:30,360

Confessions of a Teenage ufologist and

1932

01:34:34,460 --> 01:34:32,670

it may sound a little hokey but you know

1933

01:34:36,620 --> 01:34:34,470

there's some darn good material in there

1934

01:34:38,390 --> 01:34:36,630

you would never guess that Jerry Clark

1935

01:34:40,940 --> 01:34:38,400

and Alan Greenfield and all of us were

1936

01:34:46,010 --> 01:34:40,950

teenagers at the time and also two big

1937

01:34:49,490 --> 01:34:46,020

news Reverend Barry downing has written

1938

01:34:53,180 --> 01:34:49,500

a book which is just available and now I

1939

01:34:56,360 --> 01:34:53,190

think it'll be out tomorrow on it's an

1940

01:34:58,340 --> 01:34:56,370

update of his Bible book that he did 48

1941

01:35:00,979 --> 01:34:58,350

years ago it's called biblical UFO

1942

01:35:03,740 --> 01:35:00,989

revelations did extraterrestrials power

1943

01:35:05,170 --> 01:35:03,750

cause ancient miracles and it should be

1944

01:35:08,060 --> 01:35:05,180

up on Amazon

1945

01:35:16,100 --> 01:35:08,070
