

EXPLORING THE BIZARRE

PETER DAVENPORT

GRANT CAMERON

TIM BECKLEY

TIM SWARTZ

1
00:00:37,470 --> 00:00:21,840

[Music]

2
00:00:44,430 --> 00:00:41,770

explode the bazaars are your e-ticket

3
00:00:47,710 --> 00:00:44,440

ride into the world of the paranormal

4
00:00:52,020 --> 00:00:47,720

strap yourself in as we traverse the

5
00:00:56,470 --> 00:00:52,030

universe exploring the unexplained UFO s

6
00:01:00,610 --> 00:00:56,480

ghosts Lost Worlds cryptozoology waters

7
00:01:05,109 --> 00:01:00,620

as well as other dimensions it's time to

8
00:01:07,359 --> 00:01:05,119

take back the night last night now your

9
00:01:20,100 --> 00:01:07,369

electrifying hosts of exploring the

10
00:01:27,850 --> 00:01:23,890

Wow Tim the phones are really lighting

11
00:01:30,370 --> 00:01:27,860

up we're getting all these calls about a

12
00:01:33,160 --> 00:01:30,380

giant triangular cigar-shaped craft

13
00:01:37,539 --> 00:01:33,170

flying over the freeway just outside of

14
00:01:41,800 --> 00:01:37,549
Pasadena the teletype machines are going

15
00:01:42,910 --> 00:01:41,810
crazy - they certainly are and and I'm

16
00:01:45,999 --> 00:01:42,920
trying to get the people in the

17
00:01:48,639 --> 00:01:46,009
background to kind of keep it down I'm

18
00:01:51,490 --> 00:01:48,649
trying to take notes one lady said she

19
00:01:54,070 --> 00:01:51,500
felt her car vibrate is if they were

20
00:01:57,040 --> 00:01:54,080
trying to suck it up into the crash that

21
00:01:57,580 --> 00:01:57,050
people are starting to panic never heard

22
00:02:00,460 --> 00:01:57,590
that before

23
00:02:02,800 --> 00:02:00,470
well hopefully the police are on the way

24
00:02:04,210 --> 00:02:02,810
we're going to need a lot more than the

25
00:02:07,059 --> 00:02:04,220
police I'm afraid that we're going to

26

00:02:09,040 --> 00:02:07,069

need to bring it bring in an expert like

27

00:02:12,430 --> 00:02:09,050

Peter Davenport of the national UFO

28

00:02:16,090 --> 00:02:12,440

Reporting Center to save the day all

29

00:02:18,699 --> 00:02:16,100

right hey Peter will do that Tim how are

30

00:02:21,070 --> 00:02:18,709

you out there in Jasper I'm doing

31

00:02:23,740 --> 00:02:21,080

fantastic - are you being are you being

32

00:02:26,380 --> 00:02:23,750

sucked up by Lydia that a giant craft in

33

00:02:29,410 --> 00:02:26,390

the sky not yet not yet but a day

34

00:02:32,800 --> 00:02:29,420

something it's now what is it's the 5th

35

00:02:34,840 --> 00:02:32,810

of October and so it's the month of

36

00:02:39,370 --> 00:02:34,850

Halloween which you know for people like

37

00:02:41,380 --> 00:02:39,380

me this is our Christmas so except we we

38

00:02:43,770 --> 00:02:41,390

celebrate it through the entire month of

39

00:02:48,160 --> 00:02:43,780

October so I've a you know you've got

40

00:02:51,190 --> 00:02:48,170

ghosts and zombies and UFO creatures so

41

00:02:55,690 --> 00:02:51,200

anything goes you know I wonder if I if

42

00:02:57,970 --> 00:02:55,700

a real et type or a Bigfoot or dog man

43

00:03:00,280 --> 00:02:57,980

showed up if you're at your door what a

44

00:03:01,780 --> 00:03:00,290

clever disguise that could be that would

45

00:03:03,819 --> 00:03:01,790

be this time of year and they could get

46

00:03:08,349 --> 00:03:03,829

away with just about anything I wonder

47

00:03:12,220 --> 00:03:08,359

if they like sweets who doesn't who

48

00:03:14,740 --> 00:03:12,230

doesn't Tim well Tim why don't you tell

49

00:03:17,559 --> 00:03:14,750

everybody who we're going to have in our

50

00:03:20,069 --> 00:03:17,569

exploring the bizarre living room this

51
00:03:23,979 --> 00:03:20,079
evening Oh it'd be my pleasure well

52
00:03:26,080 --> 00:03:23,989
starting out in the first segment of our

53
00:03:28,900 --> 00:03:26,090
program we have Peter Davenport now

54
00:03:31,370 --> 00:03:28,910
Peter is the director of the national

55
00:03:35,140 --> 00:03:31,380
UFO Reporting Center and

56
00:03:39,260 --> 00:03:35,150
he's been in that capacity since 1994

57
00:03:42,440 --> 00:03:39,270
now Peter was born in st. Louis where he

58
00:03:44,300 --> 00:03:42,450
lived to the age of he where he lived at

59
00:03:52,010 --> 00:03:44,310
the age of 14 I'm sorry to hear that

60
00:03:58,190 --> 00:03:52,020
Peter well fortunately he he continued

61
00:04:00,440 --> 00:03:58,200
past the age of 14 so and now Peters had

62
00:04:02,630 --> 00:04:00,450
an active interest in the UFO phenomena

63
00:04:05,090 --> 00:04:02,640

since he was a kid and said he

64

00:04:07,460 --> 00:04:05,100

experienced his first UFO sighting over

65

00:04:12,800 --> 00:04:07,470

the yes st. Louis being its will airport

66

00:04:14,240 --> 00:04:12,810

in the summer of 1954 now in addition to

67

00:04:16,490 --> 00:04:14,250

being the director of the national UFO

68

00:04:19,210 --> 00:04:16,500

Reporting Center Peter is currently a

69

00:04:22,310 --> 00:04:19,220

member of MUFON and is a former co state

70

00:04:23,720 --> 00:04:22,320

section director King County and former

71

00:04:27,170 --> 00:04:23,730

director investigations for the

72

00:04:29,600 --> 00:04:27,180

Washington State Chapter of MUFON and

73

00:04:32,930 --> 00:04:29,610

then later on the program will have on

74

00:04:36,020 --> 00:04:32,940

grant Cameron grants been a member or a

75

00:04:38,140 --> 00:04:36,030

member I oversee that grants been a

76

00:04:41,210 --> 00:04:38,150

guest on our show before so it's

77

00:04:43,400 --> 00:04:41,220

fantastic to have both of you here with

78

00:04:46,880 --> 00:04:43,410

us tonight gentlemen on exploring the

79

00:04:50,270 --> 00:04:46,890

bizarre this is our but what we like

80

00:04:52,040 --> 00:04:50,280

UFOs I mean nobody can doubt that we

81

00:04:56,290 --> 00:04:52,050

like all the other paranormal subjects

82

00:04:58,790 --> 00:04:56,300

that we we delve into but UFOs are

83

00:05:01,070 --> 00:04:58,800

something we just can't get away from

84

00:05:05,180 --> 00:05:01,080

and speaking of can't getting away from

85

00:05:09,320 --> 00:05:05,190

you know Peter you've been head of the

86

00:05:11,360 --> 00:05:09,330

other group there for was in 1994 but my

87

00:05:14,420 --> 00:05:11,370

involvement with the national UFO

88

00:05:17,450 --> 00:05:14,430

Reporting Center goes back to I thank

89

00:05:21,350 --> 00:05:17,460

you it's earliest the roots when Robert

90

00:05:24,380 --> 00:05:21,360

Gribble was still the the running Li or

91

00:05:27,080 --> 00:05:24,390

running the organization and somewhere

92

00:05:29,810 --> 00:05:27,090

here within five feet I have the

93

00:05:31,880 --> 00:05:29,820

earliest publications that he put out I

94

00:05:34,939 --> 00:05:31,890

believe they were printed on kind of a

95

00:05:39,230 --> 00:05:34,949

strange cream or yellow

96

00:05:41,390 --> 00:05:39,240

newsprint type of paper but it even in

97

00:05:44,059 --> 00:05:41,400

those days you know before the Internet

98

00:05:46,239 --> 00:05:44,069

of course and 800 phone numbers it was

99

00:05:48,890 --> 00:05:46,249

just loaded in jam-packed with

100

00:05:53,360 --> 00:05:48,900

information if you wanted a valid source

101
00:05:56,659 --> 00:05:53,370
to go to your organization has always

102
00:05:59,839 --> 00:05:56,669
been the one that I recommend because it

103
00:06:02,390 --> 00:05:59,849
doesn't seem to have any axe to a grind

104
00:06:06,439 --> 00:06:02,400
it has no particular point of view it's

105
00:06:08,059 --> 00:06:06,449
just a collection agency now Peter how

106
00:06:10,490 --> 00:06:08,069
did you first hear about the group I

107
00:06:12,830 --> 00:06:10,500
mean how how did you why did you decide

108
00:06:15,230 --> 00:06:12,840
to take over and how was it kind of

109
00:06:18,230 --> 00:06:15,240
offered to you yeah well I can answer

110
00:06:21,110 --> 00:06:18,240
that that's the shortest part of my

111
00:06:26,860 --> 00:06:21,120
presentation tonight it's two words long

112
00:06:30,079 --> 00:06:26,870
and sheer misfortune is my response I

113
00:06:32,390 --> 00:06:30,089

had met Bob Gribble hold him to this day

114

00:06:34,760 --> 00:06:32,400

and very high regard he was the founder

115

00:06:40,700 --> 00:06:34,770

of the national UFO Reporting Center

116

00:06:43,459 --> 00:06:40,710

back as you say in October of 1974 so

117

00:06:48,439 --> 00:06:43,469

this is this month represents our 43rd

118

00:06:50,420 --> 00:06:48,449

birthday right and one i'm knew him

119

00:06:54,889 --> 00:06:50,430

through MUFON he was an active member of

120

00:06:56,809 --> 00:06:54,899

MUFON and used to write articles he he

121

00:07:00,829 --> 00:06:56,819

had a column in the MUFON journal called

122

00:07:03,679 --> 00:07:00,839

looking back in which he would present

123

00:07:07,519 --> 00:07:03,689

cases that he had collected he had

124

00:07:09,730 --> 00:07:07,529

encountered over prior years just to

125

00:07:13,459 --> 00:07:09,740

apprise people of what had gone on in

126
00:07:18,980 --> 00:07:13,469
years and decades past but one night in

127
00:07:22,700 --> 00:07:18,990
July of 1994 I was talking to a friend

128
00:07:24,529 --> 00:07:22,710
who was also a member of MUFON and he

129
00:07:26,540 --> 00:07:24,539
said by the way Peter did you hear that

130
00:07:28,730 --> 00:07:26,550
Bob Gribble was considering shutting

131
00:07:31,850 --> 00:07:28,740
down the hotline and I said no I didn't

132
00:07:35,059 --> 00:07:31,860
and I made a call my next call within

133
00:07:38,869 --> 00:07:35,069
minutes was to Bob offering to help him

134
00:07:41,869 --> 00:07:38,879
to lighten his load that would allow him

135
00:07:46,730 --> 00:07:41,879
to keep the hotline open and before I

136
00:07:48,620 --> 00:07:46,740
knew it he said Peter it's yours he

137
00:07:52,490 --> 00:07:48,630
implying that he

138
00:07:54,470 --> 00:07:52,500

was giving me the hotline and that's not

139

00:07:58,340 --> 00:07:54,480

really the reason I called but I

140

00:08:01,490 --> 00:07:58,350

accepted it and it has changed my life

141

00:08:05,120 --> 00:08:01,500

dramatically from the information I've

142

00:08:05,690 --> 00:08:05,130

collected and seen over the last 23 24

143

00:08:08,570 --> 00:08:05,700

years

144

00:08:11,960 --> 00:08:08,580

well how many how many reports have you

145

00:08:15,440 --> 00:08:11,970

any way of estimating since the the

146

00:08:19,070 --> 00:08:15,450

center got started have been collected

147

00:08:21,410 --> 00:08:19,080

or filed or archived well I don't know

148

00:08:24,220 --> 00:08:21,420

how many Bob collected he turned his

149

00:08:27,770 --> 00:08:24,230

archives over to Wendy Connors in

150

00:08:31,250 --> 00:08:27,780

Albuquerque New Mexico but I was just

151
00:08:33,290 --> 00:08:31,260
looking at our database we have about a

152
00:08:37,570 --> 00:08:33,300
hundred and twenty three thousand

153
00:08:42,200 --> 00:08:37,580
reports in our database collected since

154
00:08:45,350 --> 00:08:42,210
1995 uh-huh so quite a few one of the

155
00:08:48,140 --> 00:08:45,360
bigger databases in the field of ufology

156
00:08:49,940 --> 00:08:48,150
well I would I would think so yeah yeah

157
00:08:52,880 --> 00:08:49,950
you got it you got to be right up there

158
00:08:55,460 --> 00:08:52,890
on top in fact you may be well ahead of

159
00:09:00,710 --> 00:08:55,470
anybody else it is probably the most

160
00:09:02,660 --> 00:09:00,720
organized you know one system I know I

161
00:09:04,520 --> 00:09:02,670
have something like 30 or 40 file

162
00:09:06,710 --> 00:09:04,530
cabinets full of like reports especially

163
00:09:08,930 --> 00:09:06,720

from the early days you know when people

164

00:09:11,810 --> 00:09:08,940

would take pen to paper and in sending

165

00:09:13,760 --> 00:09:11,820

the information but nothing is a file

166

00:09:18,260 --> 00:09:13,770

where you can ever had you know say I

167

00:09:20,450 --> 00:09:18,270

know where some of the stuff is but yeah

168

00:09:22,520 --> 00:09:20,460

there's a good question and what do we

169

00:09:26,090 --> 00:09:22,530

old Mossback who've been doing this for

170

00:09:28,190 --> 00:09:26,100

so long do with our files and with all

171

00:09:33,980 --> 00:09:28,200

the material we've collected that's a

172

00:09:39,590 --> 00:09:33,990

major problem well miles miles from the

173

00:09:43,250 --> 00:09:39,600

the group down there in Austin Texas has

174

00:09:47,980 --> 00:09:43,260

a library and that has Bob Gerard's

175

00:09:55,130 --> 00:09:50,690

material you know from other individuals

176

00:09:56,870 --> 00:09:55,140

and he's offered to take mine but and it

177

00:09:59,150 --> 00:09:56,880

would be available to the public but

178

00:10:00,470 --> 00:09:59,160

it's you know I I rarely give mine to a

179

00:10:01,940 --> 00:10:00,480

you know like the New York Public

180

00:10:03,970 --> 00:10:01,950

Library so that they could put it next

181

00:10:06,430 --> 00:10:03,980

to the

182

00:10:08,350 --> 00:10:06,440

Charles forts papers which are not

183

00:10:10,120 --> 00:10:08,360

really papers yeah well you know it's

184

00:10:12,730 --> 00:10:10,130

not really Charles four it's papers as I

185

00:10:17,889 --> 00:10:12,740

understand that his notes were all on

186

00:10:21,340 --> 00:10:17,899

unreadable 3x5 file cards oh boy so he

187

00:10:24,009 --> 00:10:21,350

used to file them in cubby holes up on a

188

00:10:27,220 --> 00:10:24,019

high wall he had in his apartment well I

189

00:10:29,019 --> 00:10:27,230

think Skylar who was visited the

190

00:10:30,879 --> 00:10:29,029

collection I don't know anybody else who

191

00:10:33,310 --> 00:10:30,889

actually has I've been to where he's

192

00:10:35,949 --> 00:10:33,320

buried in orbit II but I've never been

193

00:10:37,569 --> 00:10:35,959

to his file a collection says that's

194

00:10:39,550 --> 00:10:37,579

exactly the way they are and they're

195

00:10:43,150 --> 00:10:39,560

very difficult to read I guess they were

196

00:10:45,970 --> 00:10:43,160

written in pencil a lot of them so there

197

00:10:47,740 --> 00:10:45,980

there you go but well how would you say

198

00:10:50,939 --> 00:10:47,750

that okay so you have all these a

199

00:10:54,670 --> 00:10:50,949

hundred and something a thousand reports

200

00:10:56,829 --> 00:10:54,680

have you seen any change in the patterns

201
00:10:59,110 --> 00:10:56,839
there are there any patterns in the

202
00:11:02,829 --> 00:10:59,120
sightings at all there have been changes

203
00:11:05,430 --> 00:11:02,839
indeed in fact one of the major changes

204
00:11:10,650 --> 00:11:05,440
I think I've witnessed over the last

205
00:11:13,780 --> 00:11:10,660
twenty three years is the advent of

206
00:11:17,590 --> 00:11:13,790
reports of clusters of red orange and

207
00:11:21,129 --> 00:11:17,600
yellow fireballs and this has been going

208
00:11:24,910 --> 00:11:21,139
on for a long time but towards late May

209
00:11:29,079 --> 00:11:24,920
of 2012 the phenomenon increased

210
00:11:35,879 --> 00:11:29,089
dramatically and over the last well that

211
00:11:39,250 --> 00:11:35,889
would be if it was 2002 did I say 2000

212
00:11:42,059 --> 00:11:39,260
2012 rather that's been about five years

213
00:11:46,120 --> 00:11:42,069

of accumulation over that time I

214

00:11:49,470 --> 00:11:46,130

estimate that I have received somewhere

215

00:11:52,750 --> 00:11:49,480

between 20,000 and 30,000 such reports

216

00:11:55,930 --> 00:11:52,760

no not all of them are posted to our

217

00:11:58,420 --> 00:11:55,940

website because many people just call in

218

00:12:00,819 --> 00:11:58,430

and tell me about their sighting but

219

00:12:04,870 --> 00:12:00,829

despite my pleas to submit a written

220

00:12:06,970 --> 00:12:04,880

report they do not follow up I guess

221

00:12:08,620 --> 00:12:06,980

it's too much work for them well don't

222

00:12:14,230 --> 00:12:08,630

you have 8 8 or 10 hours a day to

223

00:12:16,300 --> 00:12:14,240

transcribe all of that well I'm working

224

00:12:19,830 --> 00:12:16,310

two shifts are they working or

225

00:12:22,090 --> 00:12:19,840

call two shifts a day seven days a week

226

00:12:24,820 --> 00:12:22,100

it's going to be difficult for me to

227

00:12:28,090 --> 00:12:24,830

find more free time to do this extra

228

00:12:30,040 --> 00:12:28,100

work but well there are two reports of

229

00:12:33,670 --> 00:12:30,050

this type that I always cite just

230

00:12:38,470 --> 00:12:33,680

because the sources are of such

231

00:12:42,510 --> 00:12:38,480

seemingly unimpeachably integrity the

232

00:12:46,690 --> 00:12:42,520

first one is from the 5th of July 2013

233

00:12:50,200 --> 00:12:46,700

Athens Texas we received a report from a

234

00:12:52,810 --> 00:12:50,210

former US astronaut who was standing

235

00:12:56,710 --> 00:12:52,820

outside with his wife on that 5th of

236

00:13:00,490 --> 00:12:56,720

July and he was facing west she was

237

00:13:02,890 --> 00:13:00,500

facing the east and she said honey look

238

00:13:05,910 --> 00:13:02,900

at this he wheeled around just in time

239

00:13:09,490 --> 00:13:05,920

to see I believe it was two red lights

240

00:13:13,060 --> 00:13:09,500

streaking across his head above their

241

00:13:15,060 --> 00:13:13,070

position from east to west all told I

242

00:13:17,680 --> 00:13:15,070

think they saw six or eight of them I

243

00:13:20,100 --> 00:13:17,690

talked to that gentleman on several

244

00:13:22,570 --> 00:13:20,110

occasions on one occasion he said Peter

245

00:13:25,150 --> 00:13:22,580

he said I don't know what those red

246

00:13:27,850 --> 00:13:25,160

objects were but he said I can guarantee

247

00:13:29,620 --> 00:13:27,860

you based on their flight performance

248

00:13:32,140 --> 00:13:29,630

they were not something that was

249

00:13:34,450 --> 00:13:32,150

manufactured on our planet that's a

250

00:13:38,110 --> 00:13:34,460

pretty tall statement for a former

251
00:13:40,450 --> 00:13:38,120
astronaut to say the other what would we

252
00:13:43,900 --> 00:13:40,460
know who this astronaut was if you

253
00:13:48,280 --> 00:13:43,910
mentioned I think I can name name him

254
00:13:51,490 --> 00:13:48,290
his name is Byron Lichtenberg he has a

255
00:13:54,510 --> 00:13:51,500
website he lives in Athens Texas that's

256
00:13:57,730 --> 00:13:54,520
about 70 miles southeast of Dallas and

257
00:14:02,860 --> 00:13:57,740
he has gone public with his with his

258
00:14:05,350 --> 00:14:02,870
report but is a very good report I asked

259
00:14:08,560 --> 00:14:05,360
him whether he still had top flight

260
00:14:11,500 --> 00:14:08,570
vision and he said oh yes he started out

261
00:14:13,780 --> 00:14:11,510
life as a fighter pilot then he became

262
00:14:16,420 --> 00:14:13,790
an airline pilot and then he applied for

263
00:14:19,090 --> 00:14:16,430

the astronaut corps he had two flights

264

00:14:21,820 --> 00:14:19,100

aboard the space shuttle so he's a very

265

00:14:25,720 --> 00:14:21,830

capable guy and I would hazard to guess

266

00:14:28,540 --> 00:14:25,730

that a extremely reliable person as an

267

00:14:30,249 --> 00:14:28,550

eyewitness very very interesting report

268

00:14:33,729 --> 00:14:30,259

the second one

269

00:14:36,609 --> 00:14:33,739

second sighting report I usually sight

270

00:14:39,909 --> 00:14:36,619

in with respect or with reference to

271

00:14:42,280 --> 00:14:39,919

these clusters of fireballs occurred on

272

00:14:46,299 --> 00:14:42,290

the evening of the 28th of September

273

00:14:49,840 --> 00:14:46,309

2013 and in this case the witness was a

274

00:14:52,179 --> 00:14:49,850

retired Arizona Highway Patrol officer

275

00:14:55,299 --> 00:14:52,189

who was standing in his house in

276
00:14:58,299 --> 00:14:55,309
Glendale Arizona on the northwest corner

277
00:14:59,679 --> 00:14:58,309
of Phoenix he was looking into the

278
00:15:04,629 --> 00:14:59,689
northern sky through a plate-glass

279
00:15:08,289 --> 00:15:04,639
window and to his amazement he saw an

280
00:15:11,469 --> 00:15:08,299
orange fireball or orb streak from his

281
00:15:15,309 --> 00:15:11,479
left-to-right west to east outside his

282
00:15:18,460 --> 00:15:15,319
house he raced outside hoping to see the

283
00:15:21,729 --> 00:15:18,470
object isn't receded to the east he did

284
00:15:24,609 --> 00:15:21,739
not but he started seeing more similar

285
00:15:27,849 --> 00:15:24,619
type fireballs he estimates in his

286
00:15:30,460 --> 00:15:27,859
report that he saw approximately a

287
00:15:35,650 --> 00:15:30,470
hundred and fifty more go streaking by

288
00:15:38,559 --> 00:15:35,660

his house and how big were they well I

289

00:15:41,259 --> 00:15:38,569

don't know but big enough to capture his

290

00:15:43,900 --> 00:15:41,269

attention of course the apparent size of

291

00:15:47,199 --> 00:15:43,910

an object depends on its distance from

292

00:15:50,559 --> 00:15:47,209

him so it's it would have been difficult

293

00:15:54,249 --> 00:15:50,569

even for the witness to determine the

294

00:15:57,340 --> 00:15:54,259

actual size and how fast how fast did

295

00:15:59,499 --> 00:15:57,350

they go by he estimates that they were

296

00:16:03,669 --> 00:15:59,509

doing hundreds of miles and hours they

297

00:16:07,840 --> 00:16:03,679

went towards the eastern sky but that's

298

00:16:09,999 --> 00:16:07,850

very difficult to document given that if

299

00:16:12,639 --> 00:16:10,009

you don't know how far an object is from

300

00:16:14,859 --> 00:16:12,649

you obviously you cannot calculate its

301
00:16:17,799 --> 00:16:14,869
velocity I would have a hard time doing

302
00:16:20,999 --> 00:16:17,809
any of that velocity or or size if

303
00:16:26,139 --> 00:16:21,009
you're up against the you know an empty

304
00:16:29,229 --> 00:16:26,149
sky yeah when I was trying to estimate

305
00:16:32,319 --> 00:16:29,239
the angular velocity that is how much of

306
00:16:34,989 --> 00:16:32,329
the sky it covers measured in angles and

307
00:16:36,399 --> 00:16:34,999
degrees in a given amount of time well

308
00:16:38,590 --> 00:16:36,409
you know even if we do though I don't

309
00:16:40,569 --> 00:16:38,600
know what it tells us we've got all

310
00:16:42,279 --> 00:16:40,579
these well Peter we have all these

311
00:16:44,230 --> 00:16:42,289
reports so you have all these reports

312
00:16:46,060 --> 00:16:44,240
what what do they tell you other

313
00:16:48,329 --> 00:16:46,070

that people are seeing UFOs that have

314

00:16:51,880 --> 00:16:48,339

been confronting this phenomena for

315

00:16:55,480 --> 00:16:51,890

decades and if not longer throughout

316

00:16:57,699 --> 00:16:55,490

history it tells me based on the

317

00:17:01,960 --> 00:16:57,709

information available to me which of now

318

00:17:04,390 --> 00:17:01,970

of course is prodigious it tells me that

319

00:17:08,049 --> 00:17:04,400

we're being visited on a routine basis

320

00:17:10,870 --> 00:17:08,059

by these things we call UFOs what their

321

00:17:14,890 --> 00:17:10,880

mission is what their purpose is I have

322

00:17:17,380 --> 00:17:14,900

no idea but it's undeniable from my

323

00:17:19,720 --> 00:17:17,390

vantage point that this phenomenon is

324

00:17:23,470 --> 00:17:19,730

very real and it takes place virtually

325

00:17:25,360 --> 00:17:23,480

every day Tim you had a couple of

326

00:17:30,040 --> 00:17:25,370

questions there well yeah I was first of

327

00:17:33,700 --> 00:17:30,050

all I was curious on how you how you're

328

00:17:35,380 --> 00:17:33,710

storing these reports I mean are you are

329

00:17:37,990 --> 00:17:35,390

you storing them you know or on a

330

00:17:40,600 --> 00:17:38,000

computer you know like Charles Ford on

331

00:17:42,700 --> 00:17:40,610

you know uh cards is stuck away in a

332

00:17:46,150 --> 00:17:42,710

cubby hole you know just you know how

333

00:17:49,030 --> 00:17:46,160

are you keeping these down well they're

334

00:17:51,250 --> 00:17:49,040

in a database mm-hmm and that's the only

335

00:17:53,940 --> 00:17:51,260

way to handle this volume of material if

336

00:17:57,360 --> 00:17:53,950

it were on paper I would be going mad

337

00:18:01,660 --> 00:17:57,370

what I typically do and this is

338

00:18:05,080 --> 00:18:01,670

something that our listeners might note

339

00:18:07,390 --> 00:18:05,090

is when they call the hotline when a

340

00:18:10,360 --> 00:18:07,400

witness calls the hotline what I

341

00:18:13,870 --> 00:18:10,370

typically do is take a very short oral

342

00:18:15,970 --> 00:18:13,880

report over the telephone okay give us

343

00:18:18,040 --> 00:18:15,980

the hotline number now - so people can

344

00:18:20,350 --> 00:18:18,050

get it down a couple of times it's been

345

00:18:24,549 --> 00:18:20,360

the same number for 43 years it's area

346

00:18:28,540 --> 00:18:24,559

code two zero six seven two to three

347

00:18:31,000 --> 00:18:28,550

thousand two zero six seven two to three

348

00:18:36,640 --> 00:18:31,010

thousand we've had that same number for

349

00:18:40,630 --> 00:18:36,650

43 years now and what we do is attempt

350

00:18:42,580 --> 00:18:40,640

to encourage the caller to not tell us

351

00:18:44,890 --> 00:18:42,590

all about their sighting but rather to

352

00:18:46,540 --> 00:18:44,900

write it down which is one of the

353

00:18:49,960 --> 00:18:46,550

hardest jobs I've ever had in my life

354

00:18:53,080 --> 00:18:49,970

most people want to take 15-20 minutes

355

00:18:56,650 --> 00:18:53,090

of your day tops two hours to tell you

356

00:18:58,240 --> 00:18:56,660

everything they they can think of about

357

00:19:00,280 --> 00:18:58,250

their sighting on

358

00:19:03,100 --> 00:19:00,290

fortunately the point I make to

359

00:19:07,360 --> 00:19:03,110

everybody is unfortunately all that time

360

00:19:09,790 --> 00:19:07,370

is wasted because if the information is

361

00:19:13,180 --> 00:19:09,800

being shared orally over the telephone

362

00:19:15,790 --> 00:19:13,190

it's not being recorded and what I try

363

00:19:17,860 --> 00:19:15,800

to get people to do is write it down all

364

00:19:20,110 --> 00:19:17,870

the details of their sighting where they

365

00:19:22,660 --> 00:19:20,120

were time and date what direction they

366

00:19:25,290 --> 00:19:22,670

were looking the angle of elevation how

367

00:19:28,150 --> 00:19:25,300

big the object or objects look to be

368

00:19:31,270 --> 00:19:28,160

relative to the size of a star a planet

369

00:19:33,310 --> 00:19:31,280

or a full moon from for example try to

370

00:19:36,460 --> 00:19:33,320

get them to record all that information

371

00:19:38,950 --> 00:19:36,470

and then compress it into a formal

372

00:19:41,290 --> 00:19:38,960

statement and submit that statement

373

00:19:45,100 --> 00:19:41,300

using our online report form on our

374

00:19:46,750 --> 00:19:45,110

website well have you have you tried and

375

00:19:49,210 --> 00:19:46,760

you know of course I'm no I'm no

376

00:19:50,650 --> 00:19:49,220

computer genius so I would even know how

377

00:19:53,410 --> 00:19:50,660

to how to go about this but you know

378

00:19:57,460 --> 00:19:53,420

have you tried ever running this

379

00:20:00,520 --> 00:19:57,470

information to to look for patterns of

380

00:20:02,620 --> 00:20:00,530

various kinds you know like Glen I'm

381

00:20:04,840 --> 00:20:02,630

sorry that's a good question and many

382

00:20:07,000 --> 00:20:04,850

people have approached us about doing

383

00:20:11,950 --> 00:20:07,010

that I've allowed a few people to do it

384

00:20:15,130 --> 00:20:11,960

and in my opinion it is a classic case

385

00:20:17,590 --> 00:20:15,140

of garbage in garbage out because if you

386

00:20:20,410 --> 00:20:17,600

look closely at our database of cases on

387

00:20:23,440 --> 00:20:20,420

our website you will see that many of

388

00:20:27,100 --> 00:20:23,450

them are labeled by me as a probable

389

00:20:29,530 --> 00:20:27,110

hoax or a case of mistaken identity

390

00:20:31,800 --> 00:20:29,540

and people all the time are seeing the

391

00:20:35,560 --> 00:20:31,810

international space station for example

392

00:20:39,210 --> 00:20:35,570

go over and they think it's a UFO it

393

00:20:42,340 --> 00:20:39,220

might might work during a very specific

394

00:20:43,930 --> 00:20:42,350

let's say flap or something but when you

395

00:20:47,800 --> 00:20:43,940

start spraying when you start spreading

396

00:20:49,720 --> 00:20:47,810

it out then like you say I mean it just

397

00:20:52,750 --> 00:20:49,730

it how do you tell what are you a real

398

00:20:55,510 --> 00:20:52,760

UFO is I mean that that's the and how do

399

00:20:59,020 --> 00:20:55,520

we know that your UFO is the same as my

400

00:21:01,360 --> 00:20:59,030

UFO and we know that you know Tim forces

401
00:21:02,230 --> 00:21:01,370
you have on Tina's UFO are totally

402
00:21:06,160 --> 00:21:02,240
different in mind

403
00:21:08,410 --> 00:21:06,170
yeah one of the difficulties of ufology

404
00:21:10,780 --> 00:21:08,420
and one of the benefits of having

405
00:21:11,920 --> 00:21:10,790
somebody with experience run a hot line

406
00:21:15,160 --> 00:21:11,930
because

407
00:21:17,470 --> 00:21:15,170
for example it's relatively easy now

408
00:21:20,650 --> 00:21:17,480
that I have experienced to detect a

409
00:21:23,380 --> 00:21:20,660
missile launch out of Cape Canaveral or

410
00:21:25,840 --> 00:21:23,390
Vandenberg Air Force Base or Wallops

411
00:21:28,540 --> 00:21:25,850
Island because we've handled launches

412
00:21:32,820 --> 00:21:28,550
like that or launches from US Navy

413
00:21:36,580 --> 00:21:32,830

submarines and it's not too difficult to

414

00:21:39,580 --> 00:21:36,590

detect in a person's voice whether that

415

00:21:41,920 --> 00:21:39,590

person is sincere or not for the last

416

00:21:46,270 --> 00:21:41,930

month or so we've been getting many many

417

00:21:49,960 --> 00:21:46,280

prank calls frivolous calls about 2,500

418

00:21:53,200 --> 00:21:49,970

over the last five weeks and what I you

419

00:21:55,030 --> 00:21:53,210

develop a sixth sense for whether a

420

00:21:57,700 --> 00:21:55,040

person is telling you the truth or not

421

00:22:01,030 --> 00:21:57,710

hey any any reports from during the day

422

00:22:04,030 --> 00:22:01,040

of the Eclipse not that I recall

423

00:22:06,160 --> 00:22:04,040

although you could yeah I was hoping

424

00:22:08,680 --> 00:22:06,170

that there'd be a big flap or something

425

00:22:15,070 --> 00:22:08,690

you know Holly and Holly in Hopkinsville

426
00:22:19,150 --> 00:22:15,080
Kentucky and Eclipse after all is only a

427
00:22:22,030 --> 00:22:19,160
big shadow and it's no more likely in my

428
00:22:24,910 --> 00:22:22,040
opinion to see any a UFO during a solar

429
00:22:26,740 --> 00:22:24,920
eclipse than at any other time well I

430
00:22:28,900 --> 00:22:26,750
was going to remedy that big that big

431
00:22:32,110 --> 00:22:28,910
flap down in Mexico many many years ago

432
00:22:36,670 --> 00:22:32,120
where they yeah we're saying that UFOs

433
00:22:38,440 --> 00:22:36,680
were big seen join Eclipse July of 91 I

434
00:22:41,650 --> 00:22:38,450
think it was 1991

435
00:22:42,220 --> 00:22:41,660
that's when history did not repeat

436
00:22:47,160 --> 00:22:42,230
itself

437
00:22:51,070 --> 00:22:47,170
nope not according to our data anyway so

438
00:22:54,280 --> 00:22:51,080

in any event I'd like to encourage any

439

00:22:56,050 --> 00:22:54,290
of our listeners who at any time in

440

00:22:57,940 --> 00:22:56,060
their lives many people call and want to

441

00:23:00,820 --> 00:22:57,950
know if we are interested in past

442

00:23:03,340 --> 00:23:00,830
sighting reports we are indeed very

443

00:23:05,620 --> 00:23:03,350
interested in them and I'd encourage any

444

00:23:08,380 --> 00:23:05,630
of our listeners who have had UFO

445

00:23:11,200 --> 00:23:08,390
sightings to write down the details of

446

00:23:13,630 --> 00:23:11,210
their sighting and be sure to record it

447

00:23:16,440 --> 00:23:13,640
in written form we would be most

448

00:23:19,780 --> 00:23:16,450
grateful if they submit it to our site

449

00:23:22,600 --> 00:23:19,790
UFO center.com where again we have a

450

00:23:25,210 --> 00:23:22,610
blank online report form just waiting

451
00:23:25,779 --> 00:23:25,220
for their well Peter it is not going to

452
00:23:27,789 --> 00:23:25,789
be long

453
00:23:30,549 --> 00:23:27,799
before you we invite you back on because

454
00:23:32,739 --> 00:23:30,559
there's a lot more to to cover with you

455
00:23:36,340 --> 00:23:32,749
but I did want to get down the history

456
00:23:38,399 --> 00:23:36,350
of the the Center for our listeners and

457
00:23:41,560 --> 00:23:38,409
we can expand upon it from there and

458
00:23:43,659 --> 00:23:41,570
they if you have reports people call it

459
00:23:45,639 --> 00:23:43,669
into the center write it out write it

460
00:23:46,749 --> 00:23:45,649
and remember write it down and Peter we

461
00:23:49,299 --> 00:23:46,759
will talk to you soon

462
00:23:51,039 --> 00:23:49,309
and thank you once again thank you very

463
00:23:56,320 --> 00:23:51,049

much for the invitation gentlemen have a

464

00:23:58,690 --> 00:23:56,330

good evening now back to exploring the

465

00:24:01,269 --> 00:23:58,700

bizarre with two of the most

466

00:24:05,049 --> 00:24:01,279

electrifying researchers in the Paranoid

467

00:24:10,930 --> 00:24:05,059

your hosts timothy beckoning and taylor

468

00:24:13,719 --> 00:24:10,940

swift's man welcome back to exploring

469

00:24:15,940 --> 00:24:13,729

the bizarre i'm tim schwartz in the

470

00:24:18,460 --> 00:24:15,950

previous half-hour we were talking to

471

00:24:21,489 --> 00:24:18,470

Peter Davenport of the UFO Reporting

472

00:24:24,190 --> 00:24:21,499

Center but now we have with us on the

473

00:24:26,589 --> 00:24:24,200

line grant Cameron grant thank you very

474

00:24:28,989 --> 00:24:26,599

much for being with us I wanted to

475

00:24:31,719 --> 00:24:28,999

mention that grants most recent books

476
00:24:34,960 --> 00:24:31,729
include managing magic the government's

477
00:24:37,269 --> 00:24:34,970
UFO disclosure plan and Charlie red star

478
00:24:40,479 --> 00:24:37,279
two reports of one of North America's

479
00:24:42,389 --> 00:24:40,489
biggest UFO sightings and I have to say

480
00:24:46,330 --> 00:24:42,399
grant that I have thoroughly enjoyed

481
00:24:50,109 --> 00:24:46,340
reading both of these books I've just

482
00:24:54,159 --> 00:24:50,119
especially managing magic I've learned a

483
00:24:56,519 --> 00:24:54,169
lot from this book and I just I I really

484
00:24:59,049 --> 00:24:56,529
have to applaud you for the research

485
00:25:01,180 --> 00:24:59,059
that you obviously had to go through to

486
00:25:03,009 --> 00:25:01,190
put this book together well thank you

487
00:25:06,369 --> 00:25:03,019
sir I I really don't have a life I just

488
00:25:08,019 --> 00:25:06,379

sort of been my life for 40 years I

489

00:25:09,849 --> 00:25:08,029

guess it's just sort of like I keep

490

00:25:12,700 --> 00:25:09,859

getting dragged down rabbit one rabbit

491

00:25:14,289 --> 00:25:12,710

hole after another and as I've you know

492

00:25:16,509 --> 00:25:14,299

I keep telling people I got to get out

493

00:25:18,219 --> 00:25:16,519

of the UFO field and yeah you've been in

494

00:25:19,989 --> 00:25:18,229

it probably as long as I have and you

495

00:25:21,729 --> 00:25:19,999

know there's always this joke like

496

00:25:23,379 --> 00:25:21,739

someone quits and they go don't worry

497

00:25:26,859 --> 00:25:23,389

he'll be back you just can't you can't

498

00:25:28,989 --> 00:25:26,869

leave it and so you know I had the the I

499

00:25:31,749 --> 00:25:28,999

had done all the work on the Clintons

500

00:25:32,889 --> 00:25:31,759

and I was I was getting out then I'd

501
00:25:34,330 --> 00:25:32,899
then to work on the Clintons and

502
00:25:36,070 --> 00:25:34,340
suddenly she's running for president she

503
00:25:37,839 --> 00:25:36,080
talks about disclosures so that I said

504
00:25:39,190 --> 00:25:37,849
oh I got to do a Clinton book so I did

505
00:25:42,039 --> 00:25:39,200
the Clinton book and figure

506
00:25:43,629 --> 00:25:42,049
no I'm out and then Tom DeLonge came

507
00:25:45,549 --> 00:25:43,639
you're referring to the managing magic

508
00:25:47,830 --> 00:25:45,559
that's how that book Rose was that

509
00:25:50,769 --> 00:25:47,840
suddenly Tom DeLonge came forward and

510
00:25:52,240 --> 00:25:50,779
said he had these ten sources and inside

511
00:25:53,560 --> 00:25:52,250
high-level sources inside the government

512
00:25:57,850 --> 00:25:53,570
one of them was Hillary Clinton's

513
00:25:59,769 --> 00:25:57,860

campaign manager John Podesta and I saw

514

00:26:02,200 --> 00:25:59,779

this and I go well man I've seen this

515

00:26:03,490 --> 00:26:02,210

lots of times in history this they're

516

00:26:05,860 --> 00:26:03,500

doing it over again they're gonna do the

517

00:26:06,580 --> 00:26:05,870

same thing they've run the same circus

518

00:26:10,720 --> 00:26:06,590

they did before

519

00:26:15,070 --> 00:26:10,730

and so then I decided okay I'm gonna at

520

00:26:18,070 --> 00:26:15,080

least put out what I've seen over my

521

00:26:19,629 --> 00:26:18,080

career of them dropping this into the

522

00:26:21,220 --> 00:26:19,639

UFO community dropping that in the UFO

523

00:26:23,320 --> 00:26:21,230

community and I wanted to sort of

524

00:26:26,169 --> 00:26:23,330

balance his evil alien thing because I'm

525

00:26:28,060 --> 00:26:26,179

one of the sort of the way off on the

526

00:26:31,090 --> 00:26:28,070

lemon saying there are no evil aliens

527

00:26:32,680 --> 00:26:31,100

there's no evil anything and so I wanted

528

00:26:34,090 --> 00:26:32,690

to sort of balance cuz he's basically

529

00:26:36,009 --> 00:26:34,100

saying that we should you know take

530

00:26:38,169 --> 00:26:36,019

nuclear weapons and take out the greys

531

00:26:39,759 --> 00:26:38,179

and stuff like probably like I'm just

532

00:26:41,350 --> 00:26:39,769

like wow people people gotta know what

533

00:26:42,909 --> 00:26:41,360

this what this guy's proposing because

534

00:26:46,419 --> 00:26:42,919

he's very powerful guy he's this very

535

00:26:51,789 --> 00:26:46,429

famous musician and so then I got

536

00:26:53,860 --> 00:26:51,799

dragged into that and the the whole CIA

537

00:26:56,860 --> 00:26:53,870

thing the some of the people he was

538

00:27:00,100 --> 00:26:56,870

dealing with and I suddenly realized

539

00:27:02,889 --> 00:27:00,110

there was all these groups that are sort

540

00:27:04,919 --> 00:27:02,899

of running around now that are dropping

541

00:27:07,090 --> 00:27:04,929

stuff and one of them is Tom DeLonge

542

00:27:10,060 --> 00:27:07,100

sort of guy who's running his operation

543

00:27:11,440 --> 00:27:10,070

as a guy a briefer from the CIA for that

544

00:27:13,810 --> 00:27:11,450

for the president United States name is

545

00:27:15,909 --> 00:27:13,820

Jim semi van so I'm chasing him and I'm

546

00:27:19,090 --> 00:27:15,919

chasing Ron Pandolfi who actually you

547

00:27:21,269 --> 00:27:19,100

had Peter on the first half-hour Ron

548

00:27:24,549 --> 00:27:21,279

Pandolfi says Peter's the guy to go to

549

00:27:26,169 --> 00:27:24,559

and he's the the guy this so rumored to

550

00:27:28,750 --> 00:27:26,179

be the guy that's briefed the last six

551
00:27:30,669 --> 00:27:28,760
presidents on UFOs it runs the CIA weird

552
00:27:32,110 --> 00:27:30,679
desk and stuff and he basically said you

553
00:27:34,120 --> 00:27:32,120
don't go to me fine to go to Peter Davin

554
00:27:35,649 --> 00:27:34,130
board he's basically got the material if

555
00:27:38,799 --> 00:27:35,659
you if you actually want to look at the

556
00:27:41,440 --> 00:27:38,809
material so all right well see they yes

557
00:27:45,730 --> 00:27:41,450
so that's the thing is I and then I

558
00:27:47,500 --> 00:27:45,740
figured you know I'm out and then this

559
00:27:48,940 --> 00:27:47,510
bizarre thing starts happening with the

560
00:27:52,210 --> 00:27:48,950
Charlie Red Star book which is the one

561
00:27:52,870 --> 00:27:52,220
that I just basically had published but

562
00:27:55,840 --> 00:27:52,880
I actually wrote

563
00:27:58,870 --> 00:27:55,850

back in the 1970s and it goes back to

564

00:28:01,060 --> 00:27:58,880

how I got the ERISA the original getting

565

00:28:04,390 --> 00:28:01,070

drive direct the rabbit hole was the

566

00:28:05,950 --> 00:28:04,400

sightings I had in 1975 where I really

567

00:28:07,300 --> 00:28:05,960

didn't want to have any sightings there

568

00:28:10,380 --> 00:28:07,310

wasn't really interest in the subject

569

00:28:13,270 --> 00:28:10,390

and we just went out to this small town

570

00:28:15,520 --> 00:28:13,280

maybe 25 miles north of the border from

571

00:28:18,430 --> 00:28:15,530

North Dakota up and above North Dakota

572

00:28:19,720 --> 00:28:18,440

and this thing I saw this thing the

573

00:28:21,970 --> 00:28:19,730

first night flew right in from the car

574

00:28:23,770 --> 00:28:21,980

two nights later flew right at me and

575

00:28:25,870 --> 00:28:23,780

this was not lights and this guy this is

576

00:28:29,620 --> 00:28:25,880

like a actual object was in fairly close

577

00:28:32,860 --> 00:28:29,630

and sort of you know set me off on this

578

00:28:34,960 --> 00:28:32,870

path of trying to figure out what was it

579

00:28:36,970 --> 00:28:34,970

that I that I saw in 1975 I figured

580

00:28:41,640 --> 00:28:36,980

somebody had to have the answer to it

581

00:28:45,640 --> 00:28:41,650

and so that book was never published and

582

00:28:47,560 --> 00:28:45,650

almost by design the the last publisher

583

00:28:50,020 --> 00:28:47,570

that I took it to was a local publisher

584

00:28:53,260 --> 00:28:50,030

here in Winnipeg where I live and it's a

585

00:28:55,120 --> 00:28:53,270

big city and she basically said to me Mr

586

00:28:58,290 --> 00:28:55,130

Cameron you may believe in this kind of

587

00:29:03,700 --> 00:28:58,300

stuff count me among the unbelievers

588

00:29:07,000 --> 00:29:03,710

forget that that just shows the limited

589

00:29:08,170 --> 00:29:07,010

mindedness of a publisher because you

590

00:29:10,300 --> 00:29:08,180

know you don't necessarily have to

591

00:29:13,870 --> 00:29:10,310

believe in something to publish a book I

592

00:29:16,660 --> 00:29:13,880

mean yeah I look at me I mean I got 279

593

00:29:18,040 --> 00:29:16,670

titles we he we published we published a

594

00:29:19,540 --> 00:29:18,050

little bit of everything we published

595

00:29:21,520 --> 00:29:19,550

for entertainment we published for

596

00:29:22,900 --> 00:29:21,530

information and we published because

597

00:29:25,030 --> 00:29:22,910

other people might like something that

598

00:29:27,190 --> 00:29:25,040

I'm Nessen not necessarily I plugged

599

00:29:28,870 --> 00:29:27,200

into yeah yeah and it was a big story

600

00:29:30,100 --> 00:29:28,880

back when when this was happening I mean

601
00:29:31,540 --> 00:29:30,110
it was not like nobody knew what was

602
00:29:34,180 --> 00:29:31,550
going on here everybody knew about this

603
00:29:38,890 --> 00:29:34,190
town that had been sort of infested with

604
00:29:40,390 --> 00:29:38,900
these UFOs for over a year and so that I

605
00:29:41,860 --> 00:29:40,400
sort of gave up on sightings and Peter's

606
00:29:43,990 --> 00:29:41,870
done the sighting thing but I sort of

607
00:29:45,280 --> 00:29:44,000
gave up on the sightings in that you

608
00:29:47,470 --> 00:29:45,290
know it tells you something's going on

609
00:29:49,000 --> 00:29:47,480
but you know it's like you know I do I

610
00:29:50,320 --> 00:29:49,010
want to log keep logging these things

611
00:29:52,390 --> 00:29:50,330
and so I sort of give up on a sighting

612
00:29:54,550 --> 00:29:52,400
thing and then this there's always these

613
00:29:57,520 --> 00:29:54,560

synchronicities that happened that my my

614

00:30:00,460 --> 00:29:57,530

father was a pilot for the oh that's my

615

00:30:01,840 --> 00:30:00,470

favorite subject you know that yeah that

616

00:30:02,830 --> 00:30:01,850

my father was a pilot for the Canadian

617

00:30:04,390 --> 00:30:02,840

government for the Department of

618

00:30:05,860 --> 00:30:04,400

Transport he actually flew Paul Hellyer

619

00:30:06,910 --> 00:30:05,870

around when Paul Hellyer was the

620

00:30:08,380 --> 00:30:06,920

minister

621

00:30:11,410 --> 00:30:08,390

the Department of Transport in Canada

622

00:30:13,870 --> 00:30:11,420

and my father sort of played the skeptic

623

00:30:15,610 --> 00:30:13,880

he'd had a sighting himself as a pilot

624

00:30:16,900 --> 00:30:15,620

but he said I always wanted to play this

625

00:30:18,310 --> 00:30:16,910

sort of the skeptic guy you know there's

626

00:30:19,750 --> 00:30:18,320

more questions than her answers and all

627

00:30:22,000 --> 00:30:19,760

this kind of stuff and just sort of

628

00:30:23,320 --> 00:30:22,010

always was um you know on my case and it

629

00:30:25,030 --> 00:30:23,330

was actually good because it kept me on

630

00:30:26,440 --> 00:30:25,040

my toes I couldn't say you know stupid

631

00:30:28,240 --> 00:30:26,450

things he would always sort of challenge

632

00:30:32,860 --> 00:30:28,250

me if I said stupid things but anyway he

633

00:30:34,330 --> 00:30:32,870

somebody in his office happened to have

634

00:30:35,890 --> 00:30:34,340

a sighting and he said well this Ernie

635

00:30:37,120 --> 00:30:35,900

up guy's got a sighting you want to go

636

00:30:38,680 --> 00:30:37,130

talk to him I said yeah okay whatever

637

00:30:40,690 --> 00:30:38,690

you know I I go there was just a

638

00:30:42,550 --> 00:30:40,700

lightness guy thing nothing unusual and

639

00:30:43,630 --> 00:30:42,560

was from this period of time and they

640

00:30:45,760 --> 00:30:43,640

said you know if you really want to know

641

00:30:46,960 --> 00:30:45,770

what's going on with UFOs and you should

642

00:30:49,390 --> 00:30:46,970

study what the Kenyan government was

643

00:30:51,730 --> 00:30:49,400

doing in the 1950s and I worked for the

644

00:30:53,530 --> 00:30:51,740

guy and I went yeah did and you did the

645

00:30:57,100 --> 00:30:53,540

book on Wilbur Smith I mean yes yeah

646

00:30:59,740 --> 00:30:57,110

yeah yeah I must say no not a world of

647

00:31:02,080 --> 00:30:59,750

interest in it when it first came out

648

00:31:03,760 --> 00:31:02,090

there was a few you know comments and

649

00:31:06,940 --> 00:31:03,770

stuff like that and I did talk to

650

00:31:10,660 --> 00:31:06,950

members of his his family you know he oh

651
00:31:12,040 --> 00:31:10,670
yes you know he did do a book and I

652
00:31:15,270 --> 00:31:12,050
can't remember the name of it but it had

653
00:31:17,680 --> 00:31:15,280
to do with energy in UFOs and you know

654
00:31:20,380 --> 00:31:17,690
science is right now and and of course

655
00:31:22,780 --> 00:31:20,390
they were one of the favorite cases that

656
00:31:24,850 --> 00:31:22,790
they were involved in was this object

657
00:31:26,080 --> 00:31:24,860
that had been landed and I don't

658
00:31:28,210 --> 00:31:26,090
remember the details but there was a

659
00:31:29,470 --> 00:31:28,220
crash object it landed in the water or

660
00:31:32,950 --> 00:31:29,480
something and they had fried Lawrence

661
00:31:36,610 --> 00:31:32,960
River yeah yeah from it and of course he

662
00:31:39,160 --> 00:31:36,620
was the first to do an actual poll or

663
00:31:42,370 --> 00:31:39,170

survey of people who claimed to have a

664

00:31:45,520 --> 00:31:42,380

contact with the UFOs I mean he had like

665

00:31:51,100 --> 00:31:45,530

a 60 should we call them contactees or a

666

00:31:53,890 --> 00:31:51,110

UFO would observers you know people that

667

00:31:56,920 --> 00:31:53,900

had hardcore information and he would

668

00:31:59,320 --> 00:31:56,930

ask them you know specific questions and

669

00:32:02,560 --> 00:31:59,330

then he would compile the answers and

670

00:32:05,550 --> 00:32:02,570

see compare them and he found that there

671

00:32:07,990 --> 00:32:05,560

was a great deal of comparison between a

672

00:32:09,790 --> 00:32:08,000

number of these individuals even though

673

00:32:11,560 --> 00:32:09,800

they were not in contact with each other

674

00:32:13,390 --> 00:32:11,570

it didn't know each other or hadn't

675

00:32:15,910 --> 00:32:13,400

heard the other individuals reports and

676

00:32:18,670 --> 00:32:15,920

and so forth so he was he was certainly

677

00:32:20,780 --> 00:32:18,680

more open-minded and more attuned than

678

00:32:23,120 --> 00:32:20,790

most people give him a credit

679

00:32:24,860 --> 00:32:23,130

for yeah and he was a contact he himself

680

00:32:27,290 --> 00:32:24,870

I mean he was in contact with an alien

681

00:32:29,060 --> 00:32:27,300

venom of alpha and he in fact in the bin

682

00:32:31,250 --> 00:32:29,070

in this new science book if you look at

683

00:32:34,550 --> 00:32:31,260

the the in the beginning of the book he

684

00:32:36,860 --> 00:32:34,560

said dictated to Wilbur Rocko Smith from

685

00:32:38,360 --> 00:32:36,870

beings more advanced than we are so he

686

00:32:41,630 --> 00:32:38,370

basically claimed to be the book the

687

00:32:43,430 --> 00:32:41,640

beings gave him this book and said and

688

00:32:44,930 --> 00:32:43,440

one of the weird things is there's a guy

689

00:32:48,140 --> 00:32:44,940

that you may want to get on your show

690

00:32:50,720 --> 00:32:48,150

he's uh is a study scientist in England

691

00:32:54,290 --> 00:32:50,730

and I met him a number of years ago in

692

00:32:54,710 --> 00:32:54,300

is in Ireland and he runs the King King

693

00:32:59,800 --> 00:32:54,720

heads

694

00:33:02,390 --> 00:32:59,810

he's a guy actually lectured to SETI and

695

00:33:05,180 --> 00:33:02,400

he's into communication he sent to say D

696

00:33:10,370 --> 00:33:05,190

communication and he has actually built

697

00:33:12,800 --> 00:33:10,380

a system based upon Wilbur Smith's what

698

00:33:14,360 --> 00:33:12,810

the radio stuff great Wilbur Smith

699

00:33:17,120 --> 00:33:14,370

claimed he had contact with the beings

700

00:33:20,120 --> 00:33:17,130

and he'd built these coils and he had

701
00:33:22,070 --> 00:33:20,130
this psychic guy who was there and these

702
00:33:23,780 --> 00:33:22,080
coils involved you had to use

703
00:33:27,500 --> 00:33:23,790
consciousness or connected with these

704
00:33:30,080 --> 00:33:27,510
coils but this Anne's bro doctor Anne's

705
00:33:32,120 --> 00:33:30,090
burrow from Ireland has is actually

706
00:33:34,100 --> 00:33:32,130
going public with the second system like

707
00:33:35,960 --> 00:33:34,110
in SETI you need two different systems

708
00:33:37,430 --> 00:33:35,970
going at the same time you can't have

709
00:33:39,710 --> 00:33:37,440
just one system we could get a signal

710
00:33:41,480 --> 00:33:39,720
and he claims that he's at the verge of

711
00:33:43,790 --> 00:33:41,490
getting signals about to interview him

712
00:33:45,740 --> 00:33:43,800
on just a short interview to go through

713
00:33:48,740 --> 00:33:45,750

I was in his lab this is a number of

714

00:33:52,130 --> 00:33:48,750

years ago and he had he's kind of an

715

00:33:53,660 --> 00:33:52,140

optical expert and he's got also two

716

00:33:56,600 --> 00:33:53,670

telescopes and all this kind of stuff

717

00:33:59,720 --> 00:33:56,610

very high-tech I remember seeing 3d TV

718

00:34:01,400 --> 00:33:59,730

in his lab and this is going back oh

719

00:34:03,770 --> 00:34:01,410

seven eight years ago and with no

720

00:34:05,210 --> 00:34:03,780

glasses it's 3d TV and it was like we

721

00:34:07,010 --> 00:34:05,220

were always got to touch the screen and

722

00:34:08,750 --> 00:34:07,020

the the other guy work with him is young

723

00:34:09,980 --> 00:34:08,760

don't touch the screen and it was like I

724

00:34:11,960 --> 00:34:09,990

still haven't seen that in the in the

725

00:34:14,630 --> 00:34:11,970

public but very advanced sort of guy but

726

00:34:17,210 --> 00:34:14,640

he's based on Wilbur Smith stuff and his

727

00:34:19,720 --> 00:34:17,220

wife is almost like a psychic thing say

728

00:34:22,070 --> 00:34:19,730

miss Wilbur Smith's wife was was able to

729

00:34:24,919 --> 00:34:22,080

do automatic writing and channel and

730

00:34:27,260 --> 00:34:24,929

stuff like that and so when I went to

731

00:34:29,690 --> 00:34:27,270

them when when I I left the sightings in

732

00:34:32,900 --> 00:34:29,700

76 after nobody would publish this book

733

00:34:34,370 --> 00:34:32,910

I went and I chased Wilbur Smith I went

734

00:34:34,750 --> 00:34:34,380

talked to his wife she was still alive

735

00:34:37,450 --> 00:34:34,760

at

736

00:34:39,430 --> 00:34:37,460

and it was like science fiction when she

737

00:34:41,440 --> 00:34:39,440

starts telling me you know all the stuff

738

00:34:43,869 --> 00:34:41,450

that was going on and and talking about

739

00:34:45,550 --> 00:34:43,879

this app as if he was like the the the

740

00:34:48,820 --> 00:34:45,560

pet of the family you know it was just

741

00:34:50,980 --> 00:34:48,830

like bizarre so I did all that and then

742

00:34:53,440 --> 00:34:50,990

of course they wrote the famous top

743

00:34:55,659 --> 00:34:53,450

secret memo they sort of the the clot

744

00:34:57,640 --> 00:34:55,669

the sort of the top document in the

745

00:34:59,590 --> 00:34:57,650

offal field that everybody sort of sort

746

00:35:02,349 --> 00:34:59,600

of ignores I don't know why it is an

747

00:35:04,750 --> 00:35:02,359

official document in the Canadian

748

00:35:07,060 --> 00:35:04,760

government that is in the Department of

749

00:35:08,950 --> 00:35:07,070

Transport files written in 1950 it was

750

00:35:10,840 --> 00:35:08,960

top secret and that's where Wilbur Smith

751

00:35:12,310 --> 00:35:10,850

because Wilbur Smith was the senior

752

00:35:14,440 --> 00:35:12,320

radio engineer for the Canadian

753

00:35:16,599 --> 00:35:14,450

government and that put him in charge of

754

00:35:18,640 --> 00:35:16,609

what was called Radio Ottawa and radio

755

00:35:19,720 --> 00:35:18,650

Ottawa was the NSA of Canada they were

756

00:35:21,910 --> 00:35:19,730

picking off the Russian communications

757

00:35:23,020 --> 00:35:21,920

they had this this whole facility where

758

00:35:25,180 --> 00:35:23,030

they were grabbing Russian

759

00:35:26,950 --> 00:35:25,190

communications and so Wilbur Smith ran

760

00:35:28,270 --> 00:35:26,960

this and one of his people told me this

761

00:35:30,150 --> 00:35:28,280

he said you don't realize who this guy

762

00:35:32,890 --> 00:35:30,160

is I mean he had this super top secret

763

00:35:34,359 --> 00:35:32,900

clearance and so he went down the United

764

00:35:37,750 --> 00:35:34,369

States on conferences and stuff in

765

00:35:39,070 --> 00:35:37,760

Washington and and this is in 1950 and

766

00:35:40,510 --> 00:35:39,080

he started asking the Americans like

767

00:35:42,490 --> 00:35:40,520

what's the deal with flying saucers and

768

00:35:43,900 --> 00:35:42,500

they go through a guy by the name of

769

00:35:46,450 --> 00:35:43,910

Arnold Wright who was the military

770

00:35:48,310 --> 00:35:46,460

liaison for the Canadians and they went

771

00:35:50,230 --> 00:35:48,320

through the McCain embassy in Washington

772

00:35:52,859 --> 00:35:50,240

and went to the research and development

773

00:35:55,960 --> 00:35:52,869

board which was doing all the research

774

00:35:57,070 --> 00:35:55,970

for weapons and stuff like that and they

775

00:35:59,050 --> 00:35:57,080

asked the question what's the deal with

776

00:36:01,720 --> 00:35:59,060

flying saucers and and the top secret

777

00:36:03,190 --> 00:36:01,730

memo according to what Smith wrote we

778

00:36:05,980 --> 00:36:03,200

were we went through discreet inquiry

779

00:36:08,380 --> 00:36:05,990

made discreet inquiries in the United

780

00:36:10,540 --> 00:36:08,390

States through the Canadian embassy and

781

00:36:11,859 --> 00:36:10,550

we were top told by American officials

782

00:36:13,990 --> 00:36:11,869

not Bey people in street American

783

00:36:15,340 --> 00:36:14,000

officials flying saucers exists it's the

784

00:36:17,560 --> 00:36:15,350

most highly classified subject the

785

00:36:18,730 --> 00:36:17,570

United States small group headed by dr.

786

00:36:20,320 --> 00:36:18,740

banner of our Bush's trying to figure

787

00:36:22,599 --> 00:36:20,330

out what's going on it's of tremendous

788

00:36:25,270 --> 00:36:22,609

significance to the Americans and then

789

00:36:28,060 --> 00:36:25,280

they were also told in 1950 that other

790

00:36:29,950 --> 00:36:28,070

things such as mental phenomena may be

791

00:36:31,270 --> 00:36:29,960

involved with the saucers and they're

792

00:36:32,290 --> 00:36:31,280

not doing very well because they said if

793

00:36:34,630 --> 00:36:32,300

we're working on it they're willing to

794

00:36:36,730 --> 00:36:34,640

talk to us now that's a key I always

795

00:36:38,260 --> 00:36:36,740

bring up to people that consciousness

796

00:36:40,150 --> 00:36:38,270

unless you understand consciousness

797

00:36:41,859 --> 00:36:40,160

you're sort of lost in the UFO field

798

00:36:43,870 --> 00:36:41,869

because that's where it's all gonna come

799

00:36:45,910 --> 00:36:43,880

down to his consciousness and already in

800

00:36:47,920 --> 00:36:45,920

1950 the Americans had told the

801
00:36:48,430 --> 00:36:47,930
Canadians that mental phenomena was

802
00:36:50,800 --> 00:36:48,440
involved

803
00:36:52,750 --> 00:36:50,810
flying saucers which is bizarre because

804
00:36:55,420 --> 00:36:52,760
Betty and Barney Hills book would not

805
00:36:58,329 --> 00:36:55,430
become public until the mid-60s and with

806
00:37:00,069 --> 00:36:58,339
the telepathic aliens and Adamski and

807
00:37:01,569 --> 00:37:00,079
Williamson would not become public until

808
00:37:03,280 --> 00:37:01,579
a couple of days after the detonation of

809
00:37:04,780 --> 00:37:03,290
the hydrogen bomb so there was nobody

810
00:37:07,450 --> 00:37:04,790
talking to aliens publicly there's no

811
00:37:09,130 --> 00:37:07,460
statements about telepathic aliens and

812
00:37:11,050 --> 00:37:09,140
stuff like that and so the question is

813
00:37:13,030 --> 00:37:11,060

how did the Americans know in 1950 at

814

00:37:14,980 --> 00:37:13,040

mental phenomena was involved and I'm

815

00:37:16,990 --> 00:37:14,990

just guessing but I would say I mean the

816

00:37:19,030 --> 00:37:17,000

chances are that if Roz Wald was real

817

00:37:20,829 --> 00:37:19,040

they recovered a live alien there and

818

00:37:21,370 --> 00:37:20,839

the alien was telepathic and was talking

819

00:37:24,130 --> 00:37:21,380

in their heads

820

00:37:26,500 --> 00:37:24,140

thus the cover-up not just so much where

821

00:37:28,210 --> 00:37:26,510

they come from the nuts and bolts stuff

822

00:37:29,980 --> 00:37:28,220

but if they have a had a live alien it

823

00:37:31,059 --> 00:37:29,990

was telepathic it was talking in

824

00:37:33,339 --> 00:37:31,069

people's heads and it could read your

825

00:37:35,109 --> 00:37:33,349

mind and stuff and they went like wow if

826

00:37:36,880 --> 00:37:35,119

we could have this technology and that's

827

00:37:38,470 --> 00:37:36,890

why they went into the MKULTRA and

828

00:37:40,329 --> 00:37:38,480

started looking at consciousness trying

829

00:37:41,650 --> 00:37:40,339

to figure out this is this idea because

830

00:37:44,380 --> 00:37:41,660

they realized they had this live alien

831

00:37:47,440 --> 00:37:44,390

that this was a key part of this

832

00:37:49,240 --> 00:37:47,450

phenomena so I sort of went down this

833

00:37:50,260 --> 00:37:49,250

rabbit hole from there and then to the

834

00:37:52,059 --> 00:37:50,270

former president of Penn State

835

00:37:54,420 --> 00:37:52,069

University and that led me to the

836

00:37:57,069 --> 00:37:54,430

president and and so I spent decades

837

00:37:58,599 --> 00:37:57,079

chasing the president which ones had

838

00:37:59,800 --> 00:37:58,609

sightings which ones had talked about

839

00:38:01,359 --> 00:37:59,810

and number them actually didn't talk

840

00:38:03,190 --> 00:38:01,369

about it that's something that people

841

00:38:05,200 --> 00:38:03,200

really don't sort of talk about very

842

00:38:06,550 --> 00:38:05,210

much but you know people always say well

843

00:38:07,809 --> 00:38:06,560

if the president stands up and says it's

844

00:38:13,710 --> 00:38:07,819

for real then I believe it he's done

845

00:38:15,790 --> 00:38:13,720

that I don't know if that's true today

846

00:38:17,470 --> 00:38:15,800

today you have the other thing is people

847

00:38:18,609 --> 00:38:17,480

always ask me well does does the

848

00:38:20,109 --> 00:38:18,619

president know is he

849

00:38:21,280 --> 00:38:20,119

you know reporting to an evil cabal and

850

00:38:22,510 --> 00:38:21,290

I said well look at the guy he's in

851

00:38:24,339 --> 00:38:22,520

there right now do you actually think

852

00:38:26,260 --> 00:38:24,349

this guy's reporting to an evil cabal I

853

00:38:28,599 --> 00:38:26,270

mean he's like Lockheed skunkworks is

854

00:38:31,420 --> 00:38:28,609

supposedly the the agency that that runs

855

00:38:33,160 --> 00:38:31,430

the flying saucers and he did one tweet

856

00:38:34,990 --> 00:38:33,170

and they took four billion dollars off

857

00:38:36,700 --> 00:38:35,000

the books in two days I mean he almost

858

00:38:38,859 --> 00:38:36,710

took the company under with one tweet I

859

00:38:40,780 --> 00:38:38,869

mean people don't realize how powerful

860

00:38:44,050 --> 00:38:40,790

the president is and they sort of think

861

00:38:46,690 --> 00:38:44,060

like he's some crazy you know guy who

862

00:38:48,849 --> 00:38:46,700

just is a puppet that is told what to do

863

00:38:50,740 --> 00:38:48,859

and I would say no I really don't know

864

00:38:52,089 --> 00:38:50,750

some are pretty egotistical and that's

865

00:38:56,470 --> 00:38:52,099

how they got there and they got thick

866

00:38:58,359 --> 00:38:56,480

skin and they basically they're the

867

00:39:00,849 --> 00:38:58,369

whole thing is plausible deniability you

868

00:39:02,599 --> 00:39:00,859

want to you want to everybody to think

869

00:39:04,700 --> 00:39:02,609

that the president doesn't know about

870

00:39:06,620 --> 00:39:04,710

he does know but iran-contra he doesn't

871

00:39:08,779 --> 00:39:06,630

know about whitewater he doesn't know

872

00:39:10,759 --> 00:39:08,789

about UFOs he's just an idiot because

873

00:39:12,170 --> 00:39:10,769

you don't want everybody asking the

874

00:39:13,759 --> 00:39:12,180

president every knows what the president

875

00:39:15,680 --> 00:39:13,769

lives every knows what his floor number

876

00:39:16,999 --> 00:39:15,690

is so if it suddenly becomes public that

877

00:39:18,769 --> 00:39:17,009

the President of the United States is

878

00:39:20,390 --> 00:39:18,779

the wizard behind the curtain he's the

879

00:39:21,229 --> 00:39:20,400

guy running the cover-up well then all

880

00:39:22,729 --> 00:39:21,239

bets are off

881

00:39:24,259 --> 00:39:22,739

because everybody's they're gonna think

882

00:39:26,059 --> 00:39:24,269

of nothing else but let's ask the

883

00:39:27,650 --> 00:39:26,069

president what's going on and he's in a

884

00:39:28,519 --> 00:39:27,660

box so they they make it look like he's

885

00:39:31,549 --> 00:39:28,529

some kind of dummy

886

00:39:34,370 --> 00:39:31,559

well well well great how about the the

887

00:39:38,509 --> 00:39:34,380

statements that were made on the Jimmy

888

00:39:42,609 --> 00:39:38,519

Kimmel show both by Obama and by Hillary

889

00:39:45,349 --> 00:39:42,619

I mean were they to let the the the

890

00:39:47,239 --> 00:39:45,359

horse out of the barn so to speak a

891

00:39:49,579 --> 00:39:47,249

little bit or are they doing it just for

892

00:39:51,200 --> 00:39:49,589

a laugh or no I that's where I say

893

00:39:52,130 --> 00:39:51,210

they're actually disclosing this kind of

894

00:39:54,829 --> 00:39:52,140

stuff

895

00:39:58,130 --> 00:39:54,839

Obama was really big I mean Obama went

896

00:39:59,989 --> 00:39:58,140

on Kimmel show and he knew the UFO

897

00:40:02,329 --> 00:39:59,999

question was coming because if you

898

00:40:04,549 --> 00:40:02,339

remember the interview they say you know

899

00:40:06,709 --> 00:40:04,559

we had bill on here and what happened

900

00:40:08,239 --> 00:40:06,719

was when bill was on there he was you

901
00:40:12,259 --> 00:40:08,249
know he's sort of hemming and hawing and

902
00:40:15,079 --> 00:40:12,269
his hands are going whatever and well

903
00:40:17,959 --> 00:40:15,089
what's his name did the analysis of his

904
00:40:20,029 --> 00:40:17,969
the FBI guy did the analysis Ben Hansen

905
00:40:21,739 --> 00:40:20,039
did the analysis of Bill Clinton and

906
00:40:24,440 --> 00:40:21,749
determined that he was being evasive in

907
00:40:26,359 --> 00:40:24,450
his in his replies and so when when

908
00:40:27,920 --> 00:40:26,369
Obama comes on the show Kimmel system

909
00:40:29,749 --> 00:40:27,930
well you realize they're gonna watch

910
00:40:31,370 --> 00:40:29,759
everything you do every time you swallow

911
00:40:33,109 --> 00:40:31,380
they're gonna be watching you and that's

912
00:40:35,299 --> 00:40:33,119
making reference to this Bill Clinton

913
00:40:37,279 --> 00:40:35,309

thing that they did this analysis so

914

00:40:39,079 --> 00:40:37,289

Obama knows the questions coming he

915

00:40:42,170 --> 00:40:39,089

knows what's happening and you see that

916

00:40:43,999 --> 00:40:42,180

when he's asked a question they'd be the

917

00:40:45,950 --> 00:40:44,009

ultimate question is okay bill said he

918

00:40:48,380 --> 00:40:45,960

couldn't get any when he went there when

919

00:40:50,329 --> 00:40:48,390

you went there what did you find out did

920

00:40:52,700 --> 00:40:50,339

you look and that's when they have

921

00:40:55,219 --> 00:40:52,710

high-def TV and he's wearing the lapel

922

00:40:58,099 --> 00:40:55,229

pin the the the the US flag lapel pin

923

00:40:59,809 --> 00:40:58,109

and they vannhansen determines he's

924

00:41:01,549 --> 00:40:59,819

breathing at 42 times a minute he's

925

00:41:03,229 --> 00:41:01,559

hyperventilating and here's a guy who's

926
00:41:04,759 --> 00:41:03,239
been president for like seven years and

927
00:41:06,680 --> 00:41:04,769
sudden he's hyperventilating on a

928
00:41:08,359 --> 00:41:06,690
question he's like panicked over this

929
00:41:10,549 --> 00:41:08,369
question he said I can't reveal anything

930
00:41:12,170 --> 00:41:10,559
and that's what happens like Kimmel has

931
00:41:13,880 --> 00:41:12,180
done more for disclosure than probably

932
00:41:15,859 --> 00:41:13,890
anybody because that's his big question

933
00:41:16,039 --> 00:41:15,869
he doesn't he could hardly wait till I

934
00:41:17,479 --> 00:41:16,049
get

935
00:41:19,489 --> 00:41:17,489
Trump on there because that's his big

936
00:41:21,519 --> 00:41:19,499
question is to ask what did you do did

937
00:41:24,229 --> 00:41:21,529
you look for the files can he ask Bush

938
00:41:26,479 --> 00:41:24,239

jr. when he came on this happened only a

939

00:41:28,640 --> 00:41:26,489

couple months ago and he said to Bush

940

00:41:30,079 --> 00:41:28,650

okay when you got to the White House did

941

00:41:32,269 --> 00:41:30,089

you look for the files and he's and then

942

00:41:33,799 --> 00:41:32,279

Bush says all my daughters always asked

943

00:41:34,999 --> 00:41:33,809

me the same question and then Kimmel

944

00:41:37,160 --> 00:41:35,009

says well what do you tell your

945

00:41:38,329 --> 00:41:37,170

daughters he said nothing he said so

946

00:41:40,789 --> 00:41:38,339

you're not gonna you're not gonna tell

947

00:41:42,709 --> 00:41:40,799

us I'm not telling you nothing so he

948

00:41:44,269 --> 00:41:42,719

didn't deny it he didn't say no to it he

949

00:41:46,459 --> 00:41:44,279

could have said I don't know it's

950

00:41:48,650 --> 00:41:46,469

there's no UFOs whatever he just they go

951

00:41:50,839 --> 00:41:48,660

to this thing where it the plausible

952

00:41:53,209 --> 00:41:50,849

deniability and they're not lying and

953

00:41:54,620 --> 00:41:53,219

same as Obama Obama I was numerous times

954

00:41:56,419 --> 00:41:54,630

he was on The Ellen Show we had this

955

00:41:59,449 --> 00:41:56,429

little six-year-old girl who was the

956

00:42:01,400 --> 00:41:59,459

presidential expert and and and he was

957

00:42:02,689 --> 00:42:01,410

reading off a cue card you could tell he

958

00:42:04,459 --> 00:42:02,699

was I had both of her reading off cue

959

00:42:07,160 --> 00:42:04,469

cards so this was all planned and the

960

00:42:11,419 --> 00:42:07,170

funniest State the funniest thing grant

961

00:42:14,269 --> 00:42:11,429

is they were and I think it was the the

962

00:42:17,239 --> 00:42:14,279

Kennedy Center what I did he was giving

963

00:42:20,329 --> 00:42:17,249

out awards and and the subject of area

964

00:42:22,189 --> 00:42:20,339

51 came up and Obama said well is

965

00:42:22,999 --> 00:42:22,199

Shirley MacLaine she knows more about it

966

00:42:25,339 --> 00:42:23,009

than I do

967

00:42:26,599 --> 00:42:25,349

yeah any yeah and then he said I'm

968

00:42:29,120 --> 00:42:26,609

probably the first president to talk

969

00:42:31,640 --> 00:42:29,130

publicly but about area 51 and that's

970

00:42:33,499 --> 00:42:31,650

when they Declassified you area 51 so

971

00:42:35,150 --> 00:42:33,509

when the president talks about something

972

00:42:38,089 --> 00:42:35,160

the subject immediately becomes too

973

00:42:41,059 --> 00:42:38,099

classified same as Trump in within about

974

00:42:42,979 --> 00:42:41,069

six months ago he made public the fact

975

00:42:45,049 --> 00:42:42,989

that that they had stopped financing the

976
00:42:47,390 --> 00:42:45,059
rebels in Syria and that was a black ops

977
00:42:48,829 --> 00:42:47,400
operation and it was made public that

978
00:42:50,269 --> 00:42:48,839
now this is public people can talk about

979
00:42:52,249 --> 00:42:50,279
it because because the president talks

980
00:42:54,499 --> 00:42:52,259
about it and so it comes down to this

981
00:42:55,819 --> 00:42:54,509
idea that I even say I think the

982
00:42:59,599 --> 00:42:55,829
president may actually have Declassified

983
00:43:01,279 --> 00:42:59,609
UFOs and it happened in no because part

984
00:43:03,079 --> 00:43:01,289
of the story of the managing Magic and

985
00:43:05,059 --> 00:43:03,089
I'm chasing this Ron Pandolfi guy around

986
00:43:06,650 --> 00:43:05,069
and stuff I got is what the story I've

987
00:43:08,809 --> 00:43:06,660
been told from all the inside people I'm

988
00:43:10,910 --> 00:43:08,819

talking to is that something happened

989

00:43:12,859 --> 00:43:10,920

that in the last two years they have six

990

00:43:15,079 --> 00:43:12,869

teams and they are dumping this story

991

00:43:17,059 --> 00:43:15,089

there are big time doing all these

992

00:43:18,919 --> 00:43:17,069

operations to leak stuff into the UFO

993

00:43:21,109 --> 00:43:18,929

community they want this thing out and

994

00:43:22,640 --> 00:43:21,119

so we're asking like what could possibly

995

00:43:24,620 --> 00:43:22,650

have happened in the last two years that

996

00:43:28,339 --> 00:43:24,630

triggered this and what it may have been

997

00:43:30,140 --> 00:43:28,349

was in November of nineteen or 2015

998

00:43:32,660 --> 00:43:30,150

Barack Obama doesn't

999

00:43:34,039 --> 00:43:32,670

interview with GQ magazine and in that

1000

00:43:35,450 --> 00:43:34,049

interview he's asked and he was asked

1001
00:43:37,609 --> 00:43:35,460
numerous times during his presidency

1002
00:43:38,809 --> 00:43:37,619
okay you know what about the the

1003
00:43:40,279 --> 00:43:38,819
president's book of secrets you know the

1004
00:43:42,019 --> 00:43:40,289
president you ever look for the secrets

1005
00:43:44,029 --> 00:43:42,029
you ever get the oldest secrets and he

1006
00:43:46,789 --> 00:43:44,039
starts in on UFOs and he says to the guy

1007
00:43:49,039 --> 00:43:46,799
he says you know everybody always asked

1008
00:43:50,930 --> 00:43:49,049
me about the UFOs and Roswell and the

1009
00:43:53,720 --> 00:43:50,940
aliens and I just want to let you know

1010
00:43:55,730 --> 00:43:53,730
that that top-secret stuff isn't as

1011
00:43:57,500 --> 00:43:55,740
exciting as you think it is and it's

1012
00:43:59,420 --> 00:43:57,510
like unbelievable and you figure like

1013
00:44:01,940 --> 00:43:59,430

here we go you know it's it's game over

1014

00:44:03,890 --> 00:44:01,950

now and we ended is always say the the

1015

00:44:06,230 --> 00:44:03,900

GQ magazine a guy that was that doing

1016

00:44:09,140 --> 00:44:06,240

the interview it either had a stroke or

1017

00:44:10,670 --> 00:44:09,150

fell asleep or something because his

1018

00:44:16,010 --> 00:44:10,680

next question was would you like to be a

1019

00:44:18,319 --> 00:44:16,020

Supreme Court justice and so the

1020

00:44:19,910 --> 00:44:18,329

question is way to classify UFOs did he

1021

00:44:22,279 --> 00:44:19,920

give it give us sort of a green light to

1022

00:44:23,990 --> 00:44:22,289

people to to put this stuff out because

1023

00:44:25,640 --> 00:44:24,000

you'll see these things at the end of

1024

00:44:27,829 --> 00:44:25,650

the Reagan administration they run this

1025

00:44:29,900 --> 00:44:27,839

UFO cover-up live documentary where they

1026
00:44:31,549 --> 00:44:29,910
leaked the area 51 story the live alien

1027
00:44:32,900 --> 00:44:31,559
story this is all in this documentary

1028
00:44:34,400 --> 00:44:32,910
and when Barack Obama

1029
00:44:36,170 --> 00:44:34,410
two days before Barack Obama leaves

1030
00:44:37,970 --> 00:44:36,180
office suddenly they got these millions

1031
00:44:40,849 --> 00:44:37,980
of pages of CIA documents on remote

1032
00:44:43,339 --> 00:44:40,859
viewing and and and UFOs are put onto

1033
00:44:44,930 --> 00:44:43,349
the Internet so these things as always

1034
00:44:46,640 --> 00:44:44,940
say if something happens in the cie

1035
00:44:48,410 --> 00:44:46,650
people say oh the CIA is doing this CIA

1036
00:44:50,450 --> 00:44:48,420
is doing that I say no CIA doesn't do

1037
00:44:51,859 --> 00:44:50,460
anything the CIA works for the president

1038
00:44:54,079 --> 00:44:51,869

it's the president doing it

1039

00:44:55,460 --> 00:44:54,089

so when of CIA does something it's been

1040

00:44:56,569 --> 00:44:55,470

green lighted by the president because

1041

00:44:58,160 --> 00:44:56,579

if they don't greenlight it with the

1042

00:44:59,539 --> 00:44:58,170

President and it goes south the

1043

00:45:01,549 --> 00:44:59,549

president is going to be caught called

1044

00:45:03,829 --> 00:45:01,559

on the carpet so the president knows if

1045

00:45:06,559 --> 00:45:03,839

he's leaking the CIA puts out 12 million

1046

00:45:08,180 --> 00:45:06,569

pages of you awful and remote viewing

1047

00:45:10,160 --> 00:45:08,190

documents and stuff like that the

1048

00:45:12,049 --> 00:45:10,170

president knows they did it there's no

1049

00:45:14,120 --> 00:45:12,059

doubt about that and so they are doing

1050

00:45:16,730 --> 00:45:14,130

these these gradual things but there

1051

00:45:18,559 --> 00:45:16,740

there's no intention of disclosure

1052

00:45:20,599 --> 00:45:18,569

that's like the president is standing up

1053

00:45:21,799 --> 00:45:20,609

on national TV and committing suicide

1054

00:45:23,299 --> 00:45:21,809

there's no way they're going to do that

1055

00:45:24,980 --> 00:45:23,309

and the aliens aren't doing it either

1056

00:45:25,690 --> 00:45:24,990

whoever the intelligence is they're not

1057

00:45:28,190 --> 00:45:25,700

doing it either

1058

00:45:29,870 --> 00:45:28,200

you got that you got that right man you

1059

00:45:31,700 --> 00:45:29,880

know if it was going to be disclosure

1060

00:45:35,599 --> 00:45:31,710

day they would they would do some

1061

00:45:38,269 --> 00:45:35,609

monumental you know like event that

1062

00:45:40,760 --> 00:45:38,279

where there couldn't be any mistake you

1063

00:45:42,920 --> 00:45:40,770

know yeah yeah so they're doing the

1064

00:45:44,090 --> 00:45:42,930

thing where they're one of the people

1065

00:45:46,820 --> 00:45:44,100

brought up a thing

1066

00:45:48,260 --> 00:45:46,830

for that that I I didn't realize they

1067

00:45:50,660 --> 00:45:48,270

they said there was actually some me

1068

00:45:52,730 --> 00:45:50,670

some researcher was done where they do

1069

00:45:55,580 --> 00:45:52,740

they they tested people's intelligence

1070

00:45:57,830 --> 00:45:55,590

and then they made them read Kafka stuff

1071

00:45:59,840 --> 00:45:57,840

and that people's intelligence actually

1072

00:46:01,280 --> 00:45:59,850

went up after that and so that may be

1073

00:46:03,140 --> 00:46:01,290

what it's all about is is this

1074

00:46:04,730 --> 00:46:03,150

acclimatization but it's making people

1075

00:46:06,770 --> 00:46:04,740

think it's like you've given them little

1076

00:46:08,360 --> 00:46:06,780

hints especially the the intelligence

1077

00:46:10,340 --> 00:46:08,370

behind the phenomena that they do these

1078

00:46:11,450 --> 00:46:10,350

little things like crop circles a breeze

1079

00:46:12,650 --> 00:46:11,460

trying to figure what is this angle

1080

00:46:13,910 --> 00:46:12,660

what's the what's the clue and

1081

00:46:15,170 --> 00:46:13,920

everybody's trying to think it out and

1082

00:46:17,360 --> 00:46:15,180

so when you come to the conclusion

1083

00:46:19,310 --> 00:46:17,370

you've come up to yourself because

1084

00:46:20,630 --> 00:46:19,320

there's so many things wrong when if you

1085

00:46:23,270 --> 00:46:20,640

read the you you had the book managing

1086

00:46:24,830 --> 00:46:23,280

magic I said you know there's I has a

1087

00:46:26,390 --> 00:46:24,840

chapter on the sixty-four reasons they

1088

00:46:27,500 --> 00:46:26,400

decided not to tell you the truth and

1089

00:46:29,630 --> 00:46:27,510

you start looking at some of those

1090

00:46:30,980 --> 00:46:29,640

sixty-four reasons and you go like oh

1091

00:46:32,360 --> 00:46:30,990

man you know if I was the president I'd

1092

00:46:33,200 --> 00:46:32,370

probably do exactly the same thing and

1093

00:46:34,850 --> 00:46:33,210

there have been fourteen

1094

00:46:35,990 --> 00:46:34,860

administration's and they've all done

1095

00:46:38,390 --> 00:46:36,000

exactly the same thing there's been

1096

00:46:39,740 --> 00:46:38,400

seven Republicans seven Democratic

1097

00:46:41,600 --> 00:46:39,750

administrations and they've all done

1098

00:46:43,400 --> 00:46:41,610

exactly the same thing which means that

1099

00:46:45,080 --> 00:46:43,410

the people running the thing actually

1100

00:46:46,190 --> 00:46:45,090

think they're saving the world and they

1101
00:46:48,170 --> 00:46:46,200
think they're doing the right thing it's

1102
00:46:49,730 --> 00:46:48,180
a you can't keep this sort of thing

1103
00:46:50,900 --> 00:46:49,740
going over those things unless you've

1104
00:46:52,370 --> 00:46:50,910
got a lot of people who actually believe

1105
00:46:54,080 --> 00:46:52,380
that you're doing the right thing and

1106
00:46:55,670 --> 00:46:54,090
that's what when we went after doctor

1107
00:46:58,070 --> 00:46:55,680
Eric Walker who had worked for

1108
00:46:59,600 --> 00:46:58,080
Eisenhower was chairman of the board of

1109
00:47:00,800 --> 00:46:59,610
the Institute for Defense analysis the

1110
00:47:03,680 --> 00:47:00,810
biggest thing thanked in the United

1111
00:47:06,380 --> 00:47:03,690
States when when we came to him he

1112
00:47:09,710 --> 00:47:06,390
basically said why should we change the

1113
00:47:10,970 --> 00:47:09,720

rules to satisfy your curiosity and and

1114

00:47:12,650 --> 00:47:10,980

when he said that I went rule so it

1115

00:47:14,810 --> 00:47:12,660

rolls and I'm thinking holy cult there's

1116

00:47:16,340 --> 00:47:14,820

rules I mean it's like and he just he

1117

00:47:18,260 --> 00:47:16,350

would he wouldn't talk about it like he

1118

00:47:19,490 --> 00:47:18,270

said I can't talk about this go study

1119

00:47:21,170 --> 00:47:19,500

something else you're up against the

1120

00:47:22,430 --> 00:47:21,180

windmills you're wasting your time

1121

00:47:23,900 --> 00:47:22,440

unless you have the mind of Einstein

1122

00:47:26,090 --> 00:47:23,910

you're never gonna understand this thing

1123

00:47:27,440 --> 00:47:26,100

and just leave me alone and stuff but he

1124

00:47:29,270 --> 00:47:27,450

could hang up the phone so people kept

1125

00:47:30,890 --> 00:47:29,280

bugging him and then at this one time he

1126
00:47:32,870 --> 00:47:30,900
blurts out he gets very upset why should

1127
00:47:34,850 --> 00:47:32,880
we change the rules to satisfy your

1128
00:47:36,710 --> 00:47:34,860
curiosity which makes me think that it's

1129
00:47:40,520 --> 00:47:36,720
just like the atomic bomb or like who

1130
00:47:42,680 --> 00:47:40,530
are the ten top Russian spies well we're

1131
00:47:48,470 --> 00:47:42,690
grant we got we got one rule here we got

1132
00:47:50,540 --> 00:47:48,480
a break at the top of the hour yeah well

1133
00:47:53,380 --> 00:47:50,550
we will be back in just a couple of

1134
00:47:56,300 --> 00:47:53,390
minutes with this really fascinating a

1135
00:47:57,950 --> 00:47:56,310
conversation I mean if I don't speak it

1136
00:48:00,760 --> 00:47:57,960
to grant at least once every

1137
00:48:08,080 --> 00:48:00,770
a six-month I think I'm at in a loop

1138
00:48:08,090 --> 00:48:12,820

[Music]

1139

00:48:19,780 --> 00:48:17,120

explode the bazaars are your e-ticket

1140

00:48:23,090 --> 00:48:19,790

ride into the world of the paranoid

1141

00:48:27,370 --> 00:48:23,100

strap yourself in as we traverse the

1142

00:48:31,820 --> 00:48:27,380

universe exploring the unexplained UFO s

1143

00:48:35,990 --> 00:48:31,830

ghosts Lost Worlds cryptozoology waters

1144

00:48:40,490 --> 00:48:36,000

as well as other dimensions it's time to

1145

00:48:42,740 --> 00:48:40,500

take back the night now your

1146

00:48:49,900 --> 00:48:42,750

electrifying hosts of exploring the

1147

00:48:54,380 --> 00:48:52,580

alright welcome back to this second hour

1148

00:48:56,300 --> 00:48:54,390

of exploring the bizarre

1149

00:48:59,420 --> 00:48:56,310

I'm Tim Schwartz tonight we are talking

1150

00:49:02,390 --> 00:48:59,430

with grant Cameron and grant I just want

1151
00:49:05,660 --> 00:49:02,400
to make a comment about something that

1152
00:49:08,180 --> 00:49:05,670
you had said in in the first part of the

1153
00:49:12,440 --> 00:49:08,190
show you're talking about Wilbur Smith

1154
00:49:17,000 --> 00:49:12,450
and his wife who had psychic abilities

1155
00:49:20,000 --> 00:49:17,010
and the like the radio device that he

1156
00:49:23,510 --> 00:49:20,010
was using and then the the SETI

1157
00:49:24,200 --> 00:49:23,520
scientist who's who's doing the same

1158
00:49:27,320 --> 00:49:24,210
thing

1159
00:49:31,370 --> 00:49:27,330
and it's just got me thinking that there

1160
00:49:33,320 --> 00:49:31,380
seems to be especially when these kinds

1161
00:49:38,480 --> 00:49:33,330
of electronic devices are being brought

1162
00:49:41,600 --> 00:49:38,490
into play that there is a lot of times

1163
00:49:46,850 --> 00:49:41,610

there needs to be this psychic element

1164

00:49:49,460 --> 00:49:46,860

to I guess to make them work you know

1165

00:49:53,720 --> 00:49:49,470

how successful with these contacts have

1166

00:49:56,930 --> 00:49:53,730

been using these devices if say you know

1167

00:50:00,700 --> 00:49:56,940

like the spouse wasn't psychic yeah yeah

1168

00:50:03,020 --> 00:50:00,710

that's one thing that there's actually a

1169

00:50:06,640 --> 00:50:03,030

audio that I had never heard until I

1170

00:50:09,200 --> 00:50:06,650

watched this SETI guy's wife lecture and

1171

00:50:10,640 --> 00:50:09,210

it described and I knew about this guy

1172

00:50:14,150 --> 00:50:10,650

because I had talked to all the inside

1173

00:50:16,430 --> 00:50:14,160

Smith people back in the 70s and the

1174

00:50:18,410 --> 00:50:16,440

Smith couldn't get these he had the two

1175

00:50:19,400 --> 00:50:18,420

coils he'd been told by the beings how

1176

00:50:21,110 --> 00:50:19,410

to build the coils

1177

00:50:23,900 --> 00:50:21,120

he built a coils but he couldn't get him

1178

00:50:25,700 --> 00:50:23,910

to work until he gave one to this guy he

1179

00:50:26,240 --> 00:50:25,710

was a blind telex operator it's a really

1180

00:50:27,890 --> 00:50:26,250

weird story

1181

00:50:30,590 --> 00:50:27,900

I knew about this guy because I'd heard

1182

00:50:33,530 --> 00:50:30,600

the very famous story which I'll mention

1183

00:50:35,660 --> 00:50:33,540

a second but anyway this guy was had

1184

00:50:37,130 --> 00:50:35,670

this psychic abilities and Smith said

1185

00:50:42,500 --> 00:50:37,140

that's when these coils started to work

1186

00:50:43,910 --> 00:50:42,510

and so this doctor Anne's bro has used

1187

00:50:47,270 --> 00:50:43,920

this and it's got to do with

1188

00:50:49,790 --> 00:50:47,280

longitudinal waves and scalar waves

1189

00:50:52,490 --> 00:50:49,800

that's what they're using and he had

1190

00:50:55,550 --> 00:50:52,500

followed this this pattern that you

1191

00:50:58,040 --> 00:50:55,560

needed the this psychic element to it

1192

00:50:59,510 --> 00:50:58,050

and he claims to have this as well

1193

00:51:03,260 --> 00:50:59,520

because I remember when I was at the lab

1194

00:51:04,910 --> 00:51:03,270

he was telling me about they had tracked

1195

00:51:06,080 --> 00:51:04,920

the patterns they were following these

1196

00:51:07,940 --> 00:51:06,090

certain patterns they were flying

1197

00:51:10,040 --> 00:51:07,950

through and that they were actually able

1198

00:51:11,510 --> 00:51:10,050

to make communications with these UFOs

1199

00:51:13,760 --> 00:51:11,520

and make them do figure Eight's in the

1200

00:51:15,530 --> 00:51:13,770

sky and then this is a guy who's like

1201
00:51:17,480 --> 00:51:15,540
you know a PhD guy that lectured in

1202
00:51:21,350 --> 00:51:17,490
front of the the big SETI guys had at

1203
00:51:23,600 --> 00:51:21,360
one point a very reputable type guy but

1204
00:51:25,220 --> 00:51:23,610
the weird story with the Smith one was

1205
00:51:26,360 --> 00:51:25,230
he giving it to this blank telex

1206
00:51:28,790 --> 00:51:26,370
operator and I always need to start with

1207
00:51:30,560 --> 00:51:28,800
the blank telex operator because I there

1208
00:51:32,510 --> 00:51:30,570
was these six inside people who had

1209
00:51:34,190 --> 00:51:32,520
worked with will verse myth and one guy

1210
00:51:35,870 --> 00:51:34,200
was dying of cancer when I got hold him

1211
00:51:37,100 --> 00:51:35,880
in the 70s he wouldn't talk to me but he

1212
00:51:38,600 --> 00:51:37,110
had told some stories to other people

1213
00:51:42,320 --> 00:51:38,610

and I'd heard them and the one was the

1214

00:51:43,760 --> 00:51:42,330

story about Wilbur Smith is running he

1215

00:51:46,070 --> 00:51:43,770

would get a lot of the stuff from Earth

1216

00:51:47,270 --> 00:51:46,080

in the middle of the night he only

1217

00:51:49,250 --> 00:51:47,280

apparently there's only two direct

1218

00:51:50,570 --> 00:51:49,260

communications of the ad but most of

1219

00:51:52,100 --> 00:51:50,580

stuff he'd wake up in the morning and he

1220

00:51:53,150 --> 00:51:52,110

said oh I was busy last night and all

1221

00:51:57,070 --> 00:51:53,160

the stuff will be written down beside

1222

00:52:00,980 --> 00:51:57,080

his bed so he had gone in they had this

1223

00:52:02,630 --> 00:52:00,990

gravity gravity control experiment which

1224

00:52:05,630 --> 00:52:02,640

would have been in the book that that

1225

00:52:06,890 --> 00:52:05,640

that Tim published where they were

1226
00:52:09,310 --> 00:52:06,900
running on this thing and they and they

1227
00:52:11,900 --> 00:52:09,320
what it was was a they would take these

1228
00:52:13,460 --> 00:52:11,910
ceramic magnets and I was actually how

1229
00:52:16,070 --> 00:52:13,470
about one of these striking the ceramic

1230
00:52:18,140 --> 00:52:16,080
magnets they used and they put him on a

1231
00:52:20,510 --> 00:52:18,150
plate and then they'd spin this plate at

1232
00:52:22,430 --> 00:52:20,520
about 17,000 revs a second creating this

1233
00:52:23,920 --> 00:52:22,440
spinning magnetic field and they were

1234
00:52:26,660 --> 00:52:23,930
able to create this sort of a grey

1235
00:52:29,230 --> 00:52:26,670
anti-gravity field in with this with his

1236
00:52:31,580 --> 00:52:29,240
plate so they're running this thing and

1237
00:52:34,070 --> 00:52:31,590
the one guy who was actually in the in

1238
00:52:35,390 --> 00:52:34,080

the room when this happened had had told

1239

00:52:36,830 --> 00:52:35,400

me the story and he said they were in

1240

00:52:38,570 --> 00:52:36,840

they were in the garage this is Saturday

1241

00:52:39,740 --> 00:52:38,580

morning they're all doing this they're

1242

00:52:40,100 --> 00:52:39,750

government employees but they're doing

1243

00:52:42,410 --> 00:52:40,110

it on

1244

00:52:45,620 --> 00:52:42,420

time and they were running this

1245

00:52:47,870 --> 00:52:45,630

experiment and suddenly the phone rings

1246

00:52:50,030 --> 00:52:47,880

and this blind telex guy phones up and

1247

00:52:52,250 --> 00:52:50,040

he says I got a message from Hoffa

1248

00:52:53,900 --> 00:52:52,260

he said shield the experiment so we'll

1249

00:52:56,000 --> 00:52:53,910

be okay that's it shut it down and they

1250

00:52:57,950 --> 00:52:56,010

built this brick wall around this this

1251
00:52:59,300 --> 00:52:57,960
experiment and he said the minute they

1252
00:53:01,430 --> 00:52:59,310
turned this thing on the thing sort of

1253
00:53:02,720 --> 00:53:01,440
exploded there was and Wilbur even talks

1254
00:53:04,880 --> 00:53:02,730
about this in some of his papers there

1255
00:53:06,350 --> 00:53:04,890
was surrett ceramic magnets dug into the

1256
00:53:07,820 --> 00:53:06,360
wall and sub he said somebody would have

1257
00:53:09,800 --> 00:53:07,830
been seriously injured that they got

1258
00:53:11,540 --> 00:53:09,810
this message from this alien so this is

1259
00:53:13,370 --> 00:53:11,550
this bizarre part of the story that we

1260
00:53:14,810 --> 00:53:13,380
never really released about Wilbur was

1261
00:53:15,970 --> 00:53:14,820
that there was he stories going on all

1262
00:53:18,230 --> 00:53:15,980
the time that he was getting these these

1263
00:53:21,320 --> 00:53:18,240

interactions and the aliens were telling

1264

00:53:23,780 --> 00:53:21,330

him how to build these these coils to to

1265

00:53:26,990 --> 00:53:23,790

communicate and this gravity thing and

1266

00:53:29,290 --> 00:53:27,000

at the end he had gone to the the the

1267

00:53:34,340 --> 00:53:29,300

National Research Council in Ottawa and

1268

00:53:36,350 --> 00:53:34,350

his wife told me that he had 37 patents

1269

00:53:38,300 --> 00:53:36,360

and the Kane government had stolen 36 of

1270

00:53:40,340 --> 00:53:38,310

them they basically would come into the

1271

00:53:42,380 --> 00:53:40,350

house after he had worked on something

1272

00:53:44,510 --> 00:53:42,390

and say you're on government time you're

1273

00:53:47,000 --> 00:53:44,520

and he would get credit for none of the

1274

00:53:48,710 --> 00:53:47,010

patents except for one that he filed on

1275

00:53:49,790 --> 00:53:48,720

his own and apparently about a new car

1276
00:53:52,280 --> 00:53:49,800
with it and they said they were furious

1277
00:53:54,590 --> 00:53:52,290
so when this gravity control thing was

1278
00:53:56,060 --> 00:53:54,600
was ready he took it to this guy by the

1279
00:53:58,190 --> 00:53:56,070
name of dr. Rose who was with the

1280
00:53:59,480 --> 00:53:58,200
National Research Council in Ottawa and

1281
00:54:00,830 --> 00:53:59,490
he said I want to show you this

1282
00:54:02,690 --> 00:54:00,840
experiment and they said well write it

1283
00:54:03,920 --> 00:54:02,700
down and Wilbur said mom and I rained it

1284
00:54:05,750 --> 00:54:03,930
down because if I write it down you're

1285
00:54:07,190 --> 00:54:05,760
gonna take it and the guy said well no

1286
00:54:08,390 --> 00:54:07,200
we're not gonna look at it National

1287
00:54:10,430 --> 00:54:08,400
Research Council and let you write it

1288
00:54:12,770 --> 00:54:10,440

down and his wife told me this story he

1289

00:54:14,300 --> 00:54:12,780

said he will Burt came home he went into

1290

00:54:17,000 --> 00:54:14,310

the garage and he took the thing apart

1291

00:54:19,520 --> 00:54:17,010

and she said he never ever spoke about

1292

00:54:21,650 --> 00:54:19,530

the experiment again - he died about a

1293

00:54:22,970 --> 00:54:21,660

year later she said he never ever talked

1294

00:54:25,550 --> 00:54:22,980

about it and he came in the house and he

1295

00:54:27,080 --> 00:54:25,560

said it's probably better this way they

1296

00:54:28,940 --> 00:54:27,090

would just make bombs out of it anyway

1297

00:54:32,410 --> 00:54:28,950

so he actually had these these

1298

00:54:34,610 --> 00:54:32,420

breakthroughs that that that I were

1299

00:54:36,140 --> 00:54:34,620

eventually write the book on it and try

1300

00:54:37,730 --> 00:54:36,150

to spell out some of these breakthroughs

1301

00:54:39,590 --> 00:54:37,740

that he had and and these bizarre

1302

00:54:41,660 --> 00:54:39,600

stories of things that were happening

1303

00:54:43,340 --> 00:54:41,670

behind the scenes with the guy who ran

1304

00:54:44,930 --> 00:54:43,350

the Canadian government UFO program for

1305

00:54:47,150 --> 00:54:44,940

four years there's no doubt about the

1306

00:54:48,560 --> 00:54:47,160

fact that he was the head guy he was and

1307

00:54:49,880 --> 00:54:48,570

he was reporting according to his wife

1308

00:54:52,550 --> 00:54:49,890

he was reporting to the prime minister

1309

00:54:53,570 --> 00:54:52,560

of Canada they had gotten this alien

1310

00:54:56,630 --> 00:54:53,580

they were going to land him at

1311

00:54:58,310 --> 00:54:56,640

Aysen in sub-field alberta and that's in

1312

00:55:00,410 --> 00:54:58,320

actually in a speech that Paul Hellyer

1313

00:55:01,670 --> 00:55:00,420

gave in 67 that he confirmed that the

1314

00:55:03,230 --> 00:55:01,680

Kenyan government had opened this base

1315

00:55:05,870 --> 00:55:03,240

for UFOs to land he didn't know the

1316

00:55:07,430 --> 00:55:05,880

inside story but Wilbur Smith's wife

1317

00:55:09,410 --> 00:55:07,440

told me oh I was will burrow that he

1318

00:55:10,490 --> 00:55:09,420

they were gonna land afar there and they

1319

00:55:12,950 --> 00:55:10,500

couldn't get an agreement with the

1320

00:55:16,010 --> 00:55:12,960

government to allow it to take off again

1321

00:55:19,640 --> 00:55:16,020

and Wilbur called it off so very very

1322

00:55:22,640 --> 00:55:19,650

bizarre story that most people really

1323

00:55:25,310 --> 00:55:22,650

don't know and now it's being sort of

1324

00:55:26,840 --> 00:55:25,320

resurrected by this guy that I was in

1325

00:55:28,820 --> 00:55:26,850

his lab it's kind of weird I was in this

1326

00:55:30,830 --> 00:55:28,830

guy's lab a number of years ago and

1327

00:55:32,480 --> 00:55:30,840

suddenly he claims that he's on the

1328

00:55:34,490 --> 00:55:32,490

verge he actually does believe he's

1329

00:55:38,630 --> 00:55:34,500

going to get a signal and it's very fast

1330

00:55:39,740 --> 00:55:38,640

these scalar waves move at 10,000 times

1331

00:55:41,450 --> 00:55:39,750

the speed of light or something like

1332

00:55:43,040 --> 00:55:41,460

that and I don't really understand all

1333

00:55:45,320 --> 00:55:43,050

the technical stuff but he's done some

1334

00:55:48,890 --> 00:55:45,330

lectures on it and his second machine is

1335

00:55:50,450 --> 00:55:48,900

going operational next month well well

1336

00:55:53,150 --> 00:55:50,460

you know there there have been other

1337

00:55:55,460 --> 00:55:53,160

people in the both of the intelligence

1338

00:55:59,380 --> 00:55:55,470

community and in the government who have

1339

00:56:02,030 --> 00:55:59,390

had contacts but they're not widely

1340

00:56:04,190 --> 00:56:02,040

known I'm thinking of one fellow whose

1341

00:56:08,530 --> 00:56:04,200

book that we published I think his name

1342

00:56:11,180 --> 00:56:08,540

was Captain Alvin Moore oh yeah yeah he

1343

00:56:13,640 --> 00:56:11,190

was Smith - yeah we talked to the

1344

00:56:16,610 --> 00:56:13,650

Canadian sure well even he even

1345

00:56:19,540 --> 00:56:16,620

supposedly had a wreckage of a piece of

1346

00:56:22,820 --> 00:56:19,550

a UFO that had been shot off during the

1347

00:56:27,740 --> 00:56:22,830

1952 UFO flap over in Washington DC and

1348

00:56:29,690 --> 00:56:27,750

he put it in in his his safe I forget

1349

00:56:32,480 --> 00:56:29,700

now whether it was in his a home or in

1350

00:56:33,800 --> 00:56:32,490

his office but supposedly only he had

1351

00:56:36,470 --> 00:56:33,810

the combination to the safe

1352

00:56:41,470 --> 00:56:36,480

and when he went in to retrieve the

1353

00:56:45,830 --> 00:56:41,480

fragments they had totally disappeared

1354

00:56:49,700 --> 00:56:45,840

also there was a naval intelligence

1355

00:56:52,250 --> 00:56:49,710

officer who had do you remember his name

1356

00:56:54,860 --> 00:56:52,260

up and I think New England knew him yeah

1357

00:56:57,470 --> 00:56:54,870

that was a belated - over Smith as well

1358

00:57:00,230 --> 00:56:57,480

that was a story yes Frances Swan that

1359

00:57:01,970 --> 00:57:00,240

Frances Swan was one of the key people

1360

00:57:03,530 --> 00:57:01,980

at Wilbur Smith was tracking like you

1361

00:57:04,640 --> 00:57:03,540

mentioned the fact he had a bunch of

1362

00:57:06,410 --> 00:57:04,650

people who are all talking to say

1363

00:57:07,130 --> 00:57:06,420

million so Alba is so Smith was talking

1364

00:57:08,750 --> 00:57:07,140

to happen

1365

00:57:11,060 --> 00:57:08,760

but so is this Frances Swan and the

1366

00:57:13,490 --> 00:57:11,070

bizarre thing was that she lived right

1367

00:57:15,050 --> 00:57:13,500

down the street from Betty Hill like she

1368

00:57:17,360 --> 00:57:15,060

lived in in Maine but she was just

1369

00:57:20,930 --> 00:57:17,370

across the river from Portsmouth where

1370

00:57:22,310 --> 00:57:20,940

Betty was and that when Betty this the

1371

00:57:25,190 --> 00:57:22,320

story was told to me and it was sort of

1372

00:57:27,500 --> 00:57:25,200

confirmed by Betty's correspondence with

1373

00:57:30,400 --> 00:57:27,510

me that when Betty was first abducted

1374

00:57:32,840 --> 00:57:30,410

she went to nightcap and they would

1375

00:57:35,630 --> 00:57:32,850

Kehoe said get out of here I mean

1376

00:57:37,580 --> 00:57:35,640

there's no way aliens gray aliens are

1377

00:57:38,630 --> 00:57:37,590

abducting people off roads and stuff I

1378

00:57:41,210 --> 00:57:38,640

got they wouldn't have anything to do

1379

00:57:42,980 --> 00:57:41,220

with her so Admiral Knowles was the guy

1380

00:57:45,380 --> 00:57:42,990

who lived right next door to her sink

1381

00:57:47,960 --> 00:57:45,390

tightly and he was on the board of

1382

00:57:49,850 --> 00:57:47,970

directors at nightcap and so he took

1383

00:57:51,980 --> 00:57:49,860

Frances Swan

1384

00:57:53,180 --> 00:57:51,990

he took Betty Hill to Frances swans

1385

00:57:55,130 --> 00:57:53,190

place and said well this woman's in

1386

00:57:58,280 --> 00:57:55,140

contact she's channeling these aliens

1387

00:57:59,750 --> 00:57:58,290

and it was actually Francis Swan in 54

1388

00:58:01,130 --> 00:57:59,760

she was being watched by Navy

1389

00:58:04,670 --> 00:58:01,140

intelligence and she was being watched

1390

00:58:07,450 --> 00:58:04,680

by the FBI and in 59 these Navy

1391

00:58:10,310 --> 00:58:07,460

intelligence guys go down there and

1392

00:58:11,810 --> 00:58:10,320

they're talking to her and she and

1393

00:58:13,730 --> 00:58:11,820

they're talking about this AFAA and the

1394

00:58:15,290 --> 00:58:13,740

contacts and stuff and she said well

1395

00:58:17,330 --> 00:58:15,300

what I just teach you how to do it so

1396

00:58:19,040 --> 00:58:17,340

this nice young guy who's a naval

1397

00:58:20,810 --> 00:58:19,050

intelligence officer and also works for

1398

00:58:22,850 --> 00:58:20,820

the CIA for the national photographic

1399

00:58:24,200 --> 00:58:22,860

interpretation Center sits down and she

1400

00:58:25,820 --> 00:58:24,210

puts his hand I think on his right

1401
00:58:27,410 --> 00:58:25,830
shoulder or something and suddenly he

1402
00:58:29,390 --> 00:58:27,420
starts this automatic writing stuff and

1403
00:58:31,460 --> 00:58:29,400
he gets in contact with this after thing

1404
00:58:33,440 --> 00:58:31,470
and these two Navy guys get all excited

1405
00:58:35,900 --> 00:58:33,450
they go racing back to Washington DC and

1406
00:58:38,090 --> 00:58:35,910
they go to a guy by the name of Arthur

1407
00:58:41,000 --> 00:58:38,100
Lundell and Lundell was the first head

1408
00:58:43,700 --> 00:58:41,010
of the CIA weird desk the the UFO desk

1409
00:58:45,760 --> 00:58:43,710
now Ron Pandolfi Ran's it before him was

1410
00:58:48,380 --> 00:58:45,770
kid green and before him was was was

1411
00:58:50,180 --> 00:58:48,390
with his niece some guy and Nisha was

1412
00:58:52,940 --> 00:58:50,190
absolutely fascinated with UFOs he was

1413
00:58:55,640 --> 00:58:52,950

in he was supposedly and he told people

1414

00:58:57,920 --> 00:58:55,650

he'd briefed three presidents on UFOs so

1415

00:58:58,880 --> 00:58:57,930

they they go back to his lab the

1416

00:59:01,310 --> 00:58:58,890

national photographic interpretation

1417

00:59:03,100 --> 00:59:01,320

Center and this story is actually told

1418

00:59:06,980 --> 00:59:03,110

by Roberts friend in this documentary

1419

00:59:09,380 --> 00:59:06,990

UFO cover-up live no now UFOs past

1420

00:59:11,420 --> 00:59:09,390

present future if from the 1970s where

1421

00:59:14,480 --> 00:59:11,430

Robert friend tells the story that this

1422

00:59:16,550 --> 00:59:14,490

nissim guy comes in and they sit him

1423

00:59:18,890 --> 00:59:16,560

down and of course Arthur lund all says

1424

00:59:19,370 --> 00:59:18,900

oh okay you're in contact with the

1425

00:59:20,690 --> 00:59:19,380

aliens

1426

00:59:22,700 --> 00:59:20,700

let's talk to them so

1427

00:59:25,040 --> 00:59:22,710

this nishan guy sits down in this room

1428

00:59:26,780 --> 00:59:25,050

and they start this thing and arthur

1429

00:59:28,370 --> 00:59:26,790

lund all the head CIA guy the guy that

1430

00:59:30,470 --> 00:59:28,380

briefed Kennedy on the Cuban Missile

1431

00:59:33,530 --> 00:59:30,480

Crisis he was the expert on because he

1432

00:59:35,300 --> 00:59:33,540

did all the sr sr-71 all the u2

1433

00:59:37,040 --> 00:59:35,310

photographs all the spy photographs he

1434

00:59:39,109 --> 00:59:37,050

was a photographic expert he's the guy

1435

00:59:41,510 --> 00:59:39,119

that briefed Kennedy on then Missile

1436

00:59:43,700 --> 00:59:41,520

Crisis so he's a into UFOs he says the

1437

00:59:45,650 --> 00:59:43,710

nation sit down let's talk to the alien

1438

00:59:47,870 --> 00:59:45,660

so they they go back and forth are you

1439

00:59:50,480 --> 00:59:47,880

in favor of a certain religion and all

1440

00:59:56,060 --> 00:59:50,490

these questions and then Lundell says to

1441

00:59:57,470 --> 00:59:56,070

him okay we need more proof and then the

1442

00:59:59,569 --> 00:59:57,480

guy suddenly goes from a dogmatic

1443

01:00:01,069 --> 00:59:59,579

writing to talking and he says what do

1444

01:00:03,410 --> 01:00:01,079

you want and he said we'd like you to

1445

01:00:05,780 --> 01:00:03,420

show yourself and he said when and he

1446

01:00:07,880 --> 01:00:05,790

said right now and then the this need

1447

01:00:09,829 --> 01:00:07,890

this guy this channelling or he's

1448

01:00:11,630 --> 01:00:09,839

talking now says go to the window and

1449

01:00:13,819 --> 01:00:11,640

these people go to the window and this

1450

01:00:15,530 --> 01:00:13,829

flying saucer flies by and right over

1451

01:00:17,510 --> 01:00:15,540

top of the Capitol and they get all

1452

01:00:19,790 --> 01:00:17,520

excited and they call in robert friend

1453

01:00:21,740 --> 01:00:19,800

emergency meeting top secret emergency

1454

01:00:23,390 --> 01:00:21,750

meeting two days later and friend goes

1455

01:00:26,180 --> 01:00:23,400

in there and they put this guy into

1456

01:00:27,859 --> 01:00:26,190

trance again and and friend said it was

1457

01:00:29,270 --> 01:00:27,869

the most dramatic thing he'd ever seen

1458

01:00:31,160 --> 01:00:29,280

in blue book he said there's no doubt

1459

01:00:33,079 --> 01:00:31,170

this guy was talking to somebody's

1460

01:00:34,880 --> 01:00:33,089

Adam's apple was bouncing up and down

1461

01:00:36,500 --> 01:00:34,890

but that day when they said show

1462

01:00:38,210 --> 01:00:36,510

yourself he said the time isn't right

1463

01:00:40,250 --> 01:00:38,220

and and the alien didn't show himself

1464

01:00:42,260 --> 01:00:40,260

but that there's a lot of documents on

1465

01:00:43,910 --> 01:00:42,270

this Frances Swann and she was she was

1466

01:00:46,640 --> 01:00:43,920

the one that was basically being a lot

1467

01:00:48,200 --> 01:00:46,650

of stuff to will to Wilbur Smith and so

1468

01:00:49,819 --> 01:00:48,210

you you get these stories that most

1469

01:00:51,500 --> 01:00:49,829

people really don't know that this was

1470

01:00:53,540 --> 01:00:51,510

going on behind the scenes with these

1471

01:00:55,430 --> 01:00:53,550

very high-level government people I you

1472

01:00:57,650 --> 01:00:55,440

know I even had even had part of the

1473

01:00:59,660 --> 01:00:57,660

fragment I think of that the object that

1474

01:01:06,260 --> 01:00:59,670

they had found in the in the in the

1475

01:01:08,120 --> 01:01:06,270

river of course say well well you know

1476

01:01:09,980 --> 01:01:08,130

over 50 years but ask me where

1477

01:01:12,680 --> 01:01:09,990

everything is well we had we had a

1478

01:01:14,510 --> 01:01:12,690

fellow that was actually we work

1479

01:01:17,960 --> 01:01:14,520

together his name was Harold Sulkin and

1480

01:01:20,809 --> 01:01:17,970

he was kind of the the publicist for the

1481

01:01:23,690 --> 01:01:20,819

UFO community in fact we had our own

1482

01:01:27,980 --> 01:01:23,700

little PR agency here in New York we had

1483

01:01:30,710 --> 01:01:27,990

paid to clients like Peter Max and Oh a

1484

01:01:32,780 --> 01:01:30,720

couple of musicians and and all and then

1485

01:01:34,640 --> 01:01:32,790

we did a lot of stuff for free for the

1486

01:01:37,249 --> 01:01:34,650

UFO community heat

1487

01:01:40,549 --> 01:01:37,259

he ran the little listening post that of

1488

01:01:43,579 --> 01:01:40,559

Washington DC which was kind of the the

1489

01:01:47,319 --> 01:01:43,589

hub of UFO activities back in the I

1490

01:01:50,930 --> 01:01:47,329

guess late 50s and 60s it was run by a

1491

01:01:54,259 --> 01:01:50,940

lady buddy McLaren John who I believe a

1492

01:01:57,200 --> 01:01:54,269

co-authored or ghost wrote well inside

1493

01:02:00,349 --> 01:01:57,210

the the spaceships and anytime anybody

1494

01:02:02,480 --> 01:02:00,359

was passing through Washington DC they

1495

01:02:05,839 --> 01:02:02,490

stayed at the little listening post

1496

01:02:07,789 --> 01:02:05,849

which was a you know at to just a house

1497

01:02:10,190 --> 01:02:07,799

but they call it the little listening

1498

01:02:13,460 --> 01:02:10,200

post they had a couple of guest rooms

1499

01:02:16,910 --> 01:02:13,470

and and stuff like that because you know

1500

01:02:18,529 --> 01:02:16,920

people think oh these UFO contactees and

1501
01:02:20,269 --> 01:02:18,539
all they they made a fortune well they

1502
01:02:24,079 --> 01:02:20,279
traveled from city to city on that

1503
01:02:25,970 --> 01:02:24,089
Greyhound bus you know I I don't you

1504
01:02:28,279 --> 01:02:25,980
know I can't vouch for all their stories

1505
01:02:31,849 --> 01:02:28,289
necessarily but I don't think anybody

1506
01:02:34,069 --> 01:02:31,859
Buck Nelson certainly never got rich by

1507
01:02:38,509 --> 01:02:34,079
selling the hairs of his literal lid or

1508
01:02:40,099 --> 01:02:38,519
what was Martian dog boo yeah I don't

1509
01:02:45,499 --> 01:02:40,109
think they still think we're getting

1510
01:02:48,349 --> 01:02:45,509
rich I think you're a millionaire well I

1511
01:02:51,200 --> 01:02:48,359
I have I have something to tell them if

1512
01:02:53,529 --> 01:02:51,210
I were yeah that's that's silly I I

1513
01:02:55,970 --> 01:02:53,539

don't know if anybody's ever gotten

1514

01:02:57,380 --> 01:02:55,980

exceedingly wealthy off of this I mean

1515

01:03:00,859 --> 01:02:57,390

there have been a couple of authors that

1516

01:03:03,589 --> 01:03:00,869

maybe once every 10 or 15 years somebody

1517

01:03:06,079 --> 01:03:03,599

you know it's a book that sells are

1518

01:03:08,779 --> 01:03:06,089

fairly well and then another 10 or 15

1519

01:03:10,430 --> 01:03:08,789

years go by and then nothing and I don't

1520

01:03:12,829 --> 01:03:10,440

think that's I doubt if that will happen

1521

01:03:15,920 --> 01:03:12,839

again anywhere will ever make any money

1522

01:03:17,900 --> 01:03:15,930

doing a book it's kind of like that joke

1523

01:03:20,299 --> 01:03:17,910

what do you do if you're a ufologist and

1524

01:03:24,529 --> 01:03:20,309

you win a million dollars just just keep

1525

01:03:26,059 --> 01:03:24,539

researching until the money's gone and

1526

01:03:30,249 --> 01:03:26,069

I'm sure a lot of people have lost their

1527

01:03:33,799 --> 01:03:30,259

their their fortunes and families and

1528

01:03:37,160 --> 01:03:33,809

livelihoods people have gotten fired and

1529

01:03:39,079 --> 01:03:37,170

yeah and of a couple of police officers

1530

01:03:41,089 --> 01:03:39,089

and all because they witnessed this hey

1531

01:03:46,130 --> 01:03:41,099

you know who I always thought might have

1532

01:03:48,859 --> 01:03:46,140

been a silent contactee is Jimmy Carter

1533

01:03:50,450 --> 01:03:48,869

there's yeah I mean we all know that he

1534

01:03:53,509 --> 01:03:50,460

had the sighting outside of what was it

1535

01:03:56,420 --> 01:03:53,519

the Lions the meeting or something there

1536

01:03:58,609 --> 01:03:56,430

in Georgia but what people don't realize

1537

01:04:01,190 --> 01:03:58,619

is oh it was the planet Venus and even

1538

01:04:03,200 --> 01:04:01,200

he seems to have a cop for that in

1539

01:04:05,809 --> 01:04:03,210

recent years but but there was a whole

1540

01:04:11,120 --> 01:04:05,819

flap that was going on in the town that

1541

01:04:13,880 --> 01:04:11,130

he lived in at the the time including a

1542

01:04:15,710 --> 01:04:13,890

couple UFO landings because there was a

1543

01:04:20,059 --> 01:04:15,720

fellow who had started doing a

1544

01:04:21,920 --> 01:04:20,069

documentary on on Carters a UFO sighting

1545

01:04:24,680 --> 01:04:21,930

and I guess it never got through but

1546

01:04:26,329 --> 01:04:24,690

there's a finish there completed but

1547

01:04:28,640 --> 01:04:26,339

there's a trailer to it there and they

1548

01:04:32,720 --> 01:04:28,650

interview other people who had sightings

1549

01:04:35,089 --> 01:04:32,730

during a you know 2 or 3 day period and

1550

01:04:38,420 --> 01:04:35,099

of course there's that famous a

1551

01:04:40,430 --> 01:04:38,430

photograph that you found in the

1552

01:04:43,039 --> 01:04:40,440

Presidential Library that I knew about

1553

01:04:45,499 --> 01:04:43,049

even before that where the UFO appears

1554

01:04:47,720 --> 01:04:45,509

to be following his helicopter over

1555

01:04:49,039 --> 01:04:47,730

Panama yeah yeah now you know I actually

1556

01:04:50,960 --> 01:04:49,049

talked to the woman who took the

1557

01:04:52,579 --> 01:04:50,970

photograph back in those days so you

1558

01:04:55,249 --> 01:04:52,589

could imagine how much a long distance

1559

01:04:57,529 --> 01:04:55,259

phone call the Panama was back yeah back

1560

01:05:00,200 --> 01:04:57,539

then but but I I talked to her I mean

1561

01:05:01,309 --> 01:05:00,210

she seemed very sincere about it she

1562

01:05:03,099 --> 01:05:01,319

didn't say oh it's a you know

1563

01:05:06,229 --> 01:05:03,109

extraterrestrial craft but here's the

1564

01:05:08,690 --> 01:05:06,239

the the photograph and and the thing

1565

01:05:11,599 --> 01:05:08,700

that really irks me grant is that

1566

01:05:15,009 --> 01:05:11,609

somebody who was a representative of

1567

01:05:18,079 --> 01:05:15,019

MUFON had gotten in touch with me and

1568

01:05:21,259 --> 01:05:18,089

actually had a full-length book

1569

01:05:24,410 --> 01:05:21,269

manuscript on that and other encounters

1570

01:05:27,460 --> 01:05:24,420

over a Panama that involves the in the

1571

01:05:29,930 --> 01:05:27,470

President and I didn't publish it

1572

01:05:32,390 --> 01:05:29,940

because I didn't I I don't know why I

1573

01:05:35,599 --> 01:05:32,400

didn't publish it I just I didn't think

1574

01:05:36,829 --> 01:05:35,609

it would sell to be honest with you or

1575

01:05:39,200 --> 01:05:36,839

something I don't know but anyway I

1576

01:05:41,150 --> 01:05:39,210

didn't publish it and and the manuscript

1577

01:05:43,009 --> 01:05:41,160

has been lost all the time because I

1578

01:05:45,739 --> 01:05:43,019

don't know who the representative in

1579

01:05:48,799 --> 01:05:45,749

Panama was for MUFON at the time but

1580

01:05:51,200 --> 01:05:48,809

there's the the Matt you know 200 page

1581

01:05:53,539 --> 01:05:51,210

manuscript written on a you know a

1582

01:05:56,029 --> 01:05:53,549

Emanuel Remington ran or something

1583

01:05:57,559 --> 01:05:56,039

floating around somewhere somebody has

1584

01:05:59,599 --> 01:05:57,569

it I'm sure stuck in their attic or

1585

01:06:02,779 --> 01:05:59,609

basement or whatever and

1586

01:06:03,319 --> 01:06:02,789

now now I would publish it yeah no

1587

01:06:05,930 --> 01:06:03,329

kidding

1588

01:06:07,519 --> 01:06:05,940

we're here so 5,000 copies in those days

1589

01:06:11,479 --> 01:06:07,529

they always sell 50 but what are you

1590

01:06:13,099 --> 01:06:11,489

gonna do yeah yeah exactly and and so

1591

01:06:15,499 --> 01:06:13,109

that that's a I always say that with

1592

01:06:17,029 --> 01:06:15,509

like with UFO sightings like same ways

1593

01:06:20,380 --> 01:06:17,039

we're at Reagan Reagan at two sightings

1594

01:06:23,299 --> 01:06:20,390

and Shirley MacLaine claimed that

1595

01:06:24,469 --> 01:06:23,309

Lucille Ball told her that the second

1596

01:06:26,479 --> 01:06:24,479

one was an actual encounter with an

1597

01:06:27,799 --> 01:06:26,489

alien it wasn't just a sighting the one

1598

01:06:29,989 --> 01:06:27,809

that where he was going to the cocktail

1599

01:06:31,370 --> 01:06:29,999

party in Los Angeles and and that's

1600

01:06:33,140 --> 01:06:31,380

where I would say to people like would

1601

01:06:35,120 --> 01:06:33,150

they say oh I haven't been abducted but

1602

01:06:36,319 --> 01:06:35,130

I I just had a sighting and I say you

1603

01:06:38,479 --> 01:06:36,329

realize you're part of the game though

1604

01:06:40,609 --> 01:06:38,489

because you know when when they abduct

1605

01:06:42,589 --> 01:06:40,619

people they cloak themselves they don't

1606

01:06:44,539 --> 01:06:42,599

see they don't see them so when you see

1607

01:06:46,309 --> 01:06:44,549

them they intend you to see them you're

1608

01:06:47,719 --> 01:06:46,319

part of the game like why do you have

1609

01:06:49,130 --> 01:06:47,729

hoes of lights on them so you can see

1610

01:06:50,690 --> 01:06:49,140

them they want you to see them you're

1611

01:06:53,029 --> 01:06:50,700

part of the game if you and that's the

1612

01:06:55,069 --> 01:06:53,039

thing with Jimmy Carter and that's maybe

1613

01:06:57,259 --> 01:06:55,079

one of the scary parts is you started

1614

01:07:01,370 --> 01:06:57,269

looking at the fact that if him and

1615

01:07:02,900 --> 01:07:01,380

Reagan were were contactees I mean were

1616

01:07:04,519 --> 01:07:02,910

they actually running the you know

1617

01:07:06,829 --> 01:07:04,529

putting ideas and running the government

1618

01:07:09,019 --> 01:07:06,839

and the other one is is this Jim semi

1619

01:07:12,289 --> 01:07:09,029

van guy who runs Tom DeLong's operation

1620

01:07:14,689 --> 01:07:12,299

I heard a story and I'm pretty sure the

1621

01:07:16,160 --> 01:07:14,699

story is true is that he stated that one

1622

01:07:17,900 --> 01:07:16,170

of the presidents have been abducted and

1623

01:07:19,279 --> 01:07:17,910

that they actually shut a news

1624

01:07:20,779 --> 01:07:19,289

conference down they actually froze

1625

01:07:22,849 --> 01:07:20,789

everybody in the news conference and

1626

01:07:24,049 --> 01:07:22,859

they took the president and of course

1627

01:07:25,489 --> 01:07:24,059

the president was only one node knew

1628

01:07:26,689 --> 01:07:25,499

that he'd been abducted and he was

1629

01:07:29,539 --> 01:07:26,699

brought back now they didn't mention

1630

01:07:31,189 --> 01:07:29,549

which president it was but the writ and

1631

01:07:33,680 --> 01:07:31,199

apparently the reason they had done it

1632

01:07:35,150 --> 01:07:33,690

was just to show who's in charge that

1633

01:07:36,529 --> 01:07:35,160

they can they can do this kind of stuff

1634

01:07:38,660 --> 01:07:36,539

that we are we are still running the

1635

01:07:40,430 --> 01:07:38,670

show and one of the stories I'd heard is

1636

01:07:42,559 --> 01:07:40,440

John Alexander had gone to the semi van

1637

01:07:44,180 --> 01:07:42,569

guy and John will deny this but I was

1638

01:07:46,160 --> 01:07:44,190

told he went to him and he said to the

1639

01:07:47,359 --> 01:07:46,170

semi van guy semi van was saying all

1640

01:07:49,069 --> 01:07:47,369

this stuff's all for real and he was

1641

01:07:50,809 --> 01:07:49,079

saying okay so so who's who's in charge

1642

01:07:51,949 --> 01:07:50,819

here is running it because John always

1643

01:07:53,180 --> 01:07:51,959

said he could never find anybody in

1644

01:07:55,370 --> 01:07:53,190

high-level government they would admit

1645

01:07:57,259 --> 01:07:55,380

this and he said they are they are in

1646

01:07:58,880 --> 01:07:57,269

charge and when he writes the the

1647

01:08:00,170 --> 01:07:58,890

foreword to Tom DeLong's book because

1648

01:08:02,029 --> 01:08:00,180

he's an experienter himself this

1649

01:08:04,729 --> 01:08:02,039

high-level he was a briefer for the

1650

01:08:06,709 --> 01:08:04,739

president up until 2008 and he had the

1651

01:08:11,209 --> 01:08:06,719

beings in his room in the 1990s with his

1652

01:08:13,250 --> 01:08:11,219

wife so he's not a evil cabal guy

1653

01:08:15,380 --> 01:08:13,260

he's a guy who's an experiercer he

1654

01:08:17,660 --> 01:08:15,390

in high-level government and when he

1655

01:08:20,420 --> 01:08:17,670

writes in Tom DeLong's forward he says

1656

01:08:22,940 --> 01:08:20,430

this idea that we can measure this is

1657

01:08:24,260 --> 01:08:22,950

totally laughable he said how do you

1658

01:08:27,110 --> 01:08:24,270

define something where there does not

1659

01:08:28,550 --> 01:08:27,120

appear to be any bear there this has got

1660

01:08:30,440 --> 01:08:28,560

to do with consciousness this has got to

1661

01:08:31,849 --> 01:08:30,450

do with multidimensionality and he

1662

01:08:34,039 --> 01:08:31,859

basically spells out that it absolutely

1663

01:08:35,480 --> 01:08:34,049

when he had his sighting this experience

1664

01:08:38,420 --> 01:08:35,490

he doesn't go into details in the book

1665

01:08:40,760 --> 01:08:38,430

what happened but he said when I had my

1666

01:08:43,190 --> 01:08:40,770

encounter he said it shattered my view

1667

01:08:45,800 --> 01:08:43,200

of reality and so that's where I sort of

1668

01:08:48,079 --> 01:08:45,810

go now is that this thing is it may have

1669

01:08:50,030 --> 01:08:48,089

an ET component but it is much more

1670

01:08:51,800 --> 01:08:50,040

complex than anybody's ever going to

1671

01:08:53,599 --> 01:08:51,810

imagine it's just unbelievable and you

1672

01:08:57,200 --> 01:08:53,609

start looking at what's going on it's

1673

01:08:58,910 --> 01:08:57,210

very very complex the intelligence and

1674

01:09:00,050 --> 01:08:58,920

they're like miles ahead of us people

1675

01:09:02,539 --> 01:09:00,060

who say they've got all this technology

1676

01:09:04,460 --> 01:09:02,549

they do not have this type there's no

1677

01:09:06,380 --> 01:09:04,470

way they have this this technology that

1678

01:09:09,019 --> 01:09:06,390

that some of the people are describing

1679

01:09:10,160 --> 01:09:09,029

to me well what would it what is the

1680

01:09:14,749 --> 01:09:10,170

endgame here

1681

01:09:15,890 --> 01:09:14,759

I mean is it ever going to I mean you

1682

01:09:17,390 --> 01:09:15,900

know people that I know that have been

1683

01:09:19,700 --> 01:09:17,400

the few people that are left that have

1684

01:09:21,829 --> 01:09:19,710

been involved in this for 50 years they

1685

01:09:25,700 --> 01:09:21,839

were they were they were all expecting a

1686

01:09:28,550 --> 01:09:25,710

quick and easy answer and of course most

1687

01:09:32,450 --> 01:09:28,560

of them they have been there passed away

1688

01:09:35,030 --> 01:09:32,460

I'm honest or they have been silenced by

1689

01:09:38,059 --> 01:09:35,040

their wives and their relatives or or

1690

01:09:41,599 --> 01:09:38,069

they've they've just given up in in

1691

01:09:44,300 --> 01:09:41,609

utter disgust because there's nothing

1692

01:09:46,849 --> 01:09:44,310

you know how far can you take it but you

1693

01:09:47,420 --> 01:09:46,859

know what I always say hey all I know is

1694

01:09:49,579 --> 01:09:47,430

what I know

1695

01:09:50,930 --> 01:09:49,589

and some people are not meant to know

1696

01:09:53,630 --> 01:09:50,940

you know some people were not just

1697

01:09:55,370 --> 01:09:53,640

plugged into this and and and you know

1698

01:09:57,650 --> 01:09:55,380

they're content to sit there and watch

1699

01:09:59,900 --> 01:09:57,660

you know the football game and have a

1700

01:10:02,030 --> 01:09:59,910

six-pack and enjoy their lives of that

1701

01:10:05,090 --> 01:10:02,040

that's fine there too and and some

1702

01:10:07,370 --> 01:10:05,100

people are like us or have been given a

1703

01:10:09,770 --> 01:10:07,380

life sentence that's what Jerry Clark

1704

01:10:12,020 --> 01:10:09,780

always says that that's Jerry Clark's

1705

01:10:13,430 --> 01:10:12,030

favorite statement is that he didn't

1706

01:10:15,680 --> 01:10:13,440

think when he got involved in this at

1707

01:10:18,140 --> 01:10:15,690

fifteen or sixteen years old that it

1708

01:10:20,300 --> 01:10:18,150

would be a life sentence to use that one

1709

01:10:22,790 --> 01:10:20,310

that's good yeah that's that's basically

1710

01:10:24,980 --> 01:10:22,800

and for myself I'm much much more

1711

01:10:26,480 --> 01:10:24,990

certain that I have an idea what's going

1712

01:10:28,670 --> 01:10:26,490

on and stuff and

1713

01:10:30,590 --> 01:10:28,680

and we don't have time but I as we got a

1714

01:10:33,650 --> 01:10:30,600

no no we got one more break and then we

1715

01:10:35,410 --> 01:10:33,660

have some more time oh the story that

1716

01:10:38,630 --> 01:10:35,420

I've come into now it's this

1717

01:10:43,220 --> 01:10:38,640

synchronistic story with the the Charlie

1718

01:10:45,560 --> 01:10:43,230

red star thing that the the the the what

1719

01:10:47,450 --> 01:10:45,570

there's a movie deal that they want to

1720

01:10:49,220 --> 01:10:47,460

do a movie on this thing and the option

1721

01:10:50,630 --> 01:10:49,230

in my book and stuff and it had to do it

1722

01:10:53,060 --> 01:10:50,640

was going to be tied in with this Rama

1723

01:10:54,980 --> 01:10:53,070

group the interview ever dealt with them

1724

01:10:58,070 --> 01:10:54,990

out of Peru they were to contact these

1725

01:11:00,230 --> 01:10:58,080

brothers yes six to pause or something

1726

01:11:02,450 --> 01:11:00,240

yeah and his brother who became a

1727

01:11:05,510 --> 01:11:02,460

woman who lives now in in Toronto Canada

1728

01:11:06,590 --> 01:11:05,520

but they so this is they want to do this

1729

01:11:08,600 --> 01:11:06,600

story about these cut these two

1730

01:11:11,420 --> 01:11:08,610

contactee brothers and they were gonna

1731

01:11:13,880 --> 01:11:11,430

option my book and then after the book

1732

01:11:15,380 --> 01:11:13,890

is published I get dragged into the same

1733

01:11:17,120 --> 01:11:15,390

aliens it's like I couldn't believe it

1734

01:11:19,670 --> 01:11:17,130

that I got a message a phone message

1735

01:11:20,900 --> 01:11:19,680

from an alien it was like just like so

1736

01:11:23,060 --> 01:11:20,910

maybe we can talk about that in the last

1737

01:11:24,200 --> 01:11:23,070

little bit and that and that's one of

1738

01:11:26,330 --> 01:11:24,210

the best pieces I've ever come across

1739

01:11:28,310 --> 01:11:26,340

all right well we will we will be back

1740

01:11:31,130 --> 01:11:28,320

in just a couple of minutes unless the

1741

01:11:33,140 --> 01:11:31,140

aliens come and take his place now back

1742

01:11:35,470 --> 01:11:33,150

to exploring the bazaars

1743

01:11:38,600 --> 01:11:35,480

with two of the most electrifying

1744

01:11:43,190 --> 01:11:38,610

researchers in the Paranoid your hosts

1745

01:11:48,100 --> 01:11:43,200

Timothy Becky link and team Schwartz

1746

01:11:51,050 --> 01:11:48,110

oh I always get a charge out of that

1747

01:11:52,970 --> 01:11:51,060

Harry our final segment of the show Tim

1748

01:11:55,310 --> 01:11:52,980

and I think that we could go another

1749

01:11:57,830 --> 01:11:55,320

five hours with Grant

1750

01:12:01,040 --> 01:11:57,840

I'm right now channeling the spirit of

1751

01:12:03,620 --> 01:12:01,050

Long John Neville and we're negotiating

1752

01:12:05,750 --> 01:12:03,630

about the pastrami sandwiches once we

1753

01:12:08,540 --> 01:12:05,760

get that down Tina will give us another

1754

01:12:10,880 --> 01:12:08,550

three hours here I could go for a

1755

01:12:12,980 --> 01:12:10,890

pastrami sandwich right about especially

1756

01:12:16,300 --> 01:12:12,990

from especially from Sarge's deli

1757

01:12:19,130 --> 01:12:16,310

they're like two feet thick you know

1758

01:12:23,690 --> 01:12:19,140

with sauerkraut man they are so salty

1759

01:12:26,390 --> 01:12:23,700

but the pickles are great too I l've I

1760

01:12:30,080 --> 01:12:26,400

can feel my arteries clogging up just

1761

01:12:36,170 --> 01:12:30,090

thank you Bob might have already clogged

1762

01:12:39,320 --> 01:12:36,180

up so why should I think that we should

1763

01:12:40,990 --> 01:12:39,330

let grant finish the story that we had

1764

01:12:44,090 --> 01:12:41,000

to interrupt him as we went to the break

1765

01:12:45,080 --> 01:12:44,100

yeah this story that I think is one of

1766

01:12:46,820 --> 01:12:45,090

the best stories I've ever come across

1767

01:12:48,680 --> 01:12:46,830

and it goes back to the old days of the

1768

01:12:50,840 --> 01:12:48,690

contactees because as you probably know

1769

01:12:52,850 --> 01:12:50,850

the contactees were the 50s and then the

1770

01:12:54,950 --> 01:12:52,860

Betty and Barney came along and suddenly

1771

01:12:56,390 --> 01:12:54,960

the contact he's all sort of faded into

1772

01:12:57,800 --> 01:12:56,400

the background and suddenly it was grays

1773

01:13:00,500 --> 01:12:57,810

and then it was reptilians and

1774

01:13:05,180 --> 01:13:00,510

insectoids and all this kind of stuff

1775

01:13:06,950 --> 01:13:05,190

and and so these South American has has

1776

01:13:10,280 --> 01:13:06,960

a lot of these contactees and one guy's

1777

01:13:13,490 --> 01:13:10,290

name is Ricardo Gonzalez so this goes

1778

01:13:15,920 --> 01:13:13,500

back to he was he got involved in 77 I

1779

01:13:19,040 --> 01:13:15,930

think it sighting and he claims to have

1780

01:13:21,530 --> 01:13:19,050

these these contacts with a alien by the

1781

01:13:23,840 --> 01:13:21,540

name of an Terrell and the key

1782

01:13:25,250 --> 01:13:23,850

connection is that an Terrell is from

1783

01:13:29,300 --> 01:13:25,260

the same planet

1784

01:13:30,470 --> 01:13:29,310

appoo that the Rama people were talking

1785

01:13:31,670 --> 01:13:30,480

to the aliens from and they were

1786

01:13:33,800 --> 01:13:31,680

different aliens but they're from the

1787

01:13:38,510 --> 01:13:33,810

same planet so anyway when my book is

1788

01:13:39,770 --> 01:13:38,520

this this producer TV producer gets my

1789

01:13:43,610 --> 01:13:39,780

book published

1790

01:13:45,440 --> 01:13:43,620

she options my book for this movie on

1791

01:13:46,880 --> 01:13:45,450

Rama and they couldn't get it financed

1792

01:13:47,900 --> 01:13:46,890

in Canada so what they were going to do

1793

01:13:50,690 --> 01:13:47,910

is they're going to drag in the Charlie

1794

01:13:52,880 --> 01:13:50,700

Red Star story and so the guy would go

1795

01:13:54,260 --> 01:13:52,890

to to Carmen this town where all this

1796

01:13:55,580 --> 01:13:54,270

stuff happened and then he would

1797

01:13:56,459 --> 01:13:55,590

suddenly discover Rama and he would go

1798

01:13:58,470 --> 01:13:56,469

down and and they

1799

01:14:02,250 --> 01:13:58,480

do the Rama's story that's the main part

1800

01:14:04,020 --> 01:14:02,260

of the movie and so she had this option

1801
01:14:06,870 --> 01:14:04,030
to everything and they had the script

1802
01:14:08,310 --> 01:14:06,880
and she actually just saw the teaser one

1803
01:14:09,510 --> 01:14:08,320
half minute teaser that and it look like

1804
01:14:11,910 --> 01:14:09,520
start it looked like Close Encounters

1805
01:14:13,680 --> 01:14:11,920
like a real eye and movie that they were

1806
01:14:15,090 --> 01:14:13,690
gonna do on this thing and then she sort

1807
01:14:16,500 --> 01:14:15,100
of put it on the shelf they were there's

1808
01:14:18,330 --> 01:14:16,510
all these fighting inside this through

1809
01:14:19,890 --> 01:14:18,340
this Rama group and stuff so she puts it

1810
01:14:22,860 --> 01:14:19,900
on the shelf and I'm not really

1811
01:14:25,470 --> 01:14:22,870
interested in the the Rama story

1812
01:14:27,810 --> 01:14:25,480
couldn't care less whatever and so the

1813
01:14:29,550 --> 01:14:27,820

book gets published and the book it was

1814

01:14:30,600 --> 01:14:29,560

gonna coincide with the movie the movie

1815

01:14:33,030 --> 01:14:30,610

disc about but the book gets published

1816

01:14:36,030 --> 01:14:33,040

and it's out there and then I'm going to

1817

01:14:38,340 --> 01:14:36,040

this event one of the girls that helps

1818

01:14:39,900 --> 01:14:38,350

me edit some stuff she's from LA her

1819

01:14:42,120 --> 01:14:39,910

name is Katerina and she wanted me to go

1820

01:14:44,490 --> 01:14:42,130

to this thing at Mount Shasta and it's a

1821

01:14:45,750 --> 01:14:44,500

meditation for world peace and you know

1822

01:14:48,870 --> 01:14:45,760

I'm not against meditation or anything

1823

01:14:50,550 --> 01:14:48,880

but I you know whatever and so I she's

1824

01:14:51,930 --> 01:14:50,560

always helped me outside okay Katarina

1825

01:14:53,820 --> 01:14:51,940

I'll come to you this meditation thing

1826

01:14:55,080 --> 01:14:53,830

I'll go there so I got this girl and

1827

01:14:57,330 --> 01:14:55,090

we're traveling across the United States

1828

01:14:59,070 --> 01:14:57,340

and it's like a 40 hour drive we're

1829

01:15:02,400 --> 01:14:59,080

coming through Nevada and this girl's

1830

01:15:04,020 --> 01:15:02,410

phone rings cell phone rings and it's

1831

01:15:06,510 --> 01:15:04,030

Katarina who looks works in a law office

1832

01:15:09,570 --> 01:15:06,520

in Los Angeles so she's reading this off

1833

01:15:11,130 --> 01:15:09,580

like it's a like a legal tax issues at

1834

01:15:12,600 --> 01:15:11,140

twelve thirteen I got a phone call from

1835

01:15:15,959 --> 01:15:12,610

Paul Harris

1836

01:15:18,660 --> 01:15:15,969

this message is came through Ricardo

1837

01:15:20,790 --> 01:15:18,670

Gonzalez who's the contactee from an

1838

01:15:24,810 --> 01:15:20,800

Terrell he knows that grant is coming to

1839

01:15:25,979 --> 01:15:24,820

the mountain and he he's to know that

1840

01:15:27,780 --> 01:15:25,989

Saturday night there's going to be a

1841

01:15:31,260 --> 01:15:27,790

programmed event at the mountain and

1842

01:15:36,660 --> 01:15:31,270

he's to let people know so they had

1843

01:15:38,220 --> 01:15:36,670

actually this had happened in 2013 with

1844

01:15:39,930 --> 01:15:38,230

with Michael Salah there was a

1845

01:15:42,540 --> 01:15:39,940

programmed event when he went there and

1846

01:15:44,820 --> 01:15:42,550

this thing flew by then 2014 is where

1847

01:15:46,590 --> 01:15:44,830

the big story comes from 2014 they have

1848

01:15:48,840 --> 01:15:46,600

the planned event they have the two UFOs

1849

01:15:51,120 --> 01:15:48,850

in like in parallel flying through the

1850

01:15:53,189 --> 01:15:51,130

sky and then you have this Xandra this

1851

01:15:54,780 --> 01:15:53,199

portal thing in the forest they go they

1852

01:15:56,760 --> 01:15:54,790

find the Xandra they bring all these

1853

01:15:59,040 --> 01:15:56,770

people and there are 11 witnesses who

1854

01:16:00,390 --> 01:15:59,050

are actually in this Xandra type thing

1855

01:16:03,360 --> 01:16:00,400

where they're face-to-face with this

1856

01:16:04,740 --> 01:16:03,370

alien so I I get this message and I'm

1857

01:16:06,810 --> 01:16:04,750

thinking oh man maybe I'll get to

1858

01:16:08,400 --> 01:16:06,820

actually see an alien here and I didn't

1859

01:16:10,260 --> 01:16:08,410

there was a program to vent exactly when

1860

01:16:12,330 --> 01:16:10,270

they said it was 933

1861

01:16:14,070 --> 01:16:12,340

it was very bizarre it was this flashing

1862

01:16:15,420 --> 01:16:14,080

this flashing light that never moved it

1863

01:16:16,860 --> 01:16:15,430

was in the same spot all the time and

1864

01:16:19,200 --> 01:16:16,870

stuff and I thought it was pretty weird

1865

01:16:21,150 --> 01:16:19,210

but I started to interview people

1866

01:16:22,800 --> 01:16:21,160

I had heard I knew Paul Harris very well

1867

01:16:26,880 --> 01:16:22,810

she'd had she was involved in both the

1868

01:16:28,680 --> 01:16:26,890

2014 event and the 2015 event so I said

1869

01:16:31,350 --> 01:16:28,690

to her I said Paula can you show me

1870

01:16:33,090 --> 01:16:31,360

where this 2014 event so I got the

1871

01:16:35,070 --> 01:16:33,100

camera running got this video camera and

1872

01:16:36,840 --> 01:16:35,080

so we start walking across this field to

1873

01:16:38,670 --> 01:16:36,850

the forest and then she's describing

1874

01:16:40,380 --> 01:16:38,680

this and this woman was standing here I

1875

01:16:42,840 --> 01:16:40,390

was standing here the alien was right

1876

01:16:44,370 --> 01:16:42,850

there by this tree and it's like like 30

1877

01:16:46,560 --> 01:16:44,380

feet away or whatever it's like right

1878

01:16:47,820 --> 01:16:46,570

there and that there's this fog was

1879

01:16:49,680 --> 01:16:47,830

coming off the ground this was the

1880

01:16:51,570 --> 01:16:49,690

Zandra we had to hold hands until we got

1881

01:16:53,430 --> 01:16:51,580

through the fog and when you see it on

1882

01:16:55,380 --> 01:16:53,440

video it's like very riveting because

1883

01:16:57,660 --> 01:16:55,390

she's a 20-some minute video she

1884

01:16:58,890 --> 01:16:57,670

describes and then we go to the 2015

1885

01:17:00,570 --> 01:16:58,900

place where they where the thing came

1886

01:17:02,550 --> 01:17:00,580

down and then it was a hologram there

1887

01:17:04,080 --> 01:17:02,560

was all these nine witnesses who were

1888

01:17:06,210 --> 01:17:04,090

there and there was these little tiny

1889

01:17:07,830 --> 01:17:06,220

beings with these large heads that one

1890

01:17:09,780 --> 01:17:07,840

woman described to me they were carrying

1891

01:17:11,010 --> 01:17:09,790

these iPads and they were poking out

1892

01:17:12,630 --> 01:17:11,020

from behind the trees they were playing

1893

01:17:14,160 --> 01:17:12,640

like hide-and-go-seek behind the trees

1894

01:17:18,510 --> 01:17:14,170

so had these small aliens than these

1895

01:17:20,910 --> 01:17:18,520

tall 9 9 plus foot aliens in in the the

1896

01:17:22,130 --> 01:17:20,920

forest and I start videotaping and all

1897

01:17:24,960 --> 01:17:22,140

these people are there and they're all

1898

01:17:26,040 --> 01:17:24,970

Spanish and most of can't speak English

1899

01:17:27,960 --> 01:17:26,050

so a lot of them didn't want to go on

1900

01:17:29,460 --> 01:17:27,970

camera and I start running around

1901

01:17:31,230 --> 01:17:29,470

starting any of you Indies people and

1902

01:17:33,270 --> 01:17:31,240

it's like did you see this thing - yo

1903

01:17:34,590 --> 01:17:33,280

yeah wait would you see oh it's this

1904

01:17:36,390 --> 01:17:34,600

alien he was standing there and he had

1905

01:17:37,800 --> 01:17:36,400

sparks coming off his chest and the

1906

01:17:39,570 --> 01:17:37,810

other one say it's got sparks coming off

1907

01:17:41,370 --> 01:17:39,580

it's just I'm going like I can't believe

1908

01:17:44,130 --> 01:17:41,380

this story has not been published I

1909

01:17:46,170 --> 01:17:44,140

couldn't believe it like the one had 11

1910

01:17:48,030 --> 01:17:46,180

witnesses and these people none of them

1911

01:17:49,350 --> 01:17:48,040

have ever told her story in fact Paula

1912

01:17:50,640 --> 01:17:49,360

Harris was doing one of the interviews

1913

01:17:51,780 --> 01:17:50,650

for me she was interviewing this guy she

1914

01:17:52,920 --> 01:17:51,790

says this is the first time I ever

1915

01:17:54,120 --> 01:17:52,930

talked to this guy but none of these

1916

01:17:55,650 --> 01:17:54,130

people have ever told this story and

1917

01:17:57,510 --> 01:17:55,660

they're all on the record that they were

1918

01:17:59,760 --> 01:17:57,520

actually in this this thing and I'm

1919

01:18:02,220 --> 01:17:59,770

thinking like wow this is just an

1920

01:18:04,440 --> 01:18:02,230

amazing story like Reynolds from Forrest

1921

01:18:05,790 --> 01:18:04,450

you have two guys close up to a UFO and

1922

01:18:07,710 --> 01:18:05,800

a touch of UFO on it's a big story here

1923

01:18:11,070 --> 01:18:07,720

you have 11 witnesses and they're all

1924

01:18:12,600 --> 01:18:11,080

very credible witnesses there you know

1925

01:18:15,390 --> 01:18:12,610

except for their ability to speak

1926

01:18:16,710 --> 01:18:15,400

English and they're all like when I went

1927

01:18:18,480 --> 01:18:16,720

they were all sitting in a group they

1928

01:18:20,160 --> 01:18:18,490

sort of hang around together and they're

1929

01:18:21,750 --> 01:18:20,170

all in this group and they scattered

1930

01:18:22,920 --> 01:18:21,760

like rats when they saw me coming with

1931

01:18:23,850 --> 01:18:22,930

the camera cuz none of them want to go

1932

01:18:25,380 --> 01:18:23,860

on camera

1933

01:18:26,400 --> 01:18:25,390

and I managed to get a few of them and I

1934

01:18:28,380 --> 01:18:26,410

was actually gonna do it you know I

1935

01:18:29,610 --> 01:18:28,390

found another witness tonight and from

1936

01:18:30,930 --> 01:18:29,620

Los Angeles and I was just kind of

1937

01:18:32,820 --> 01:18:30,940

phoning him up and say I need to do a

1938

01:18:34,260 --> 01:18:32,830

video interview with you and and and

1939

01:18:37,320 --> 01:18:34,270

record all these stories because we get

1940

01:18:39,750 --> 01:18:37,330

11 people all telling a story where they

1941

01:18:41,880 --> 01:18:39,760

were within feet of an alien and they're

1942

01:18:44,400 --> 01:18:41,890

all describing exactly the same thing

1943

01:18:45,870 --> 01:18:44,410

identical and and where the location was

1944

01:18:47,190 --> 01:18:45,880

and it was just he's one of the best

1945

01:18:49,860 --> 01:18:47,200

stories I've ever come across my life

1946

01:18:52,260 --> 01:18:49,870

this is on Mount Shasta this is on Mount

1947

01:18:54,870 --> 01:18:52,270

Shasta and and then then we'd there's

1948

01:18:56,580 --> 01:18:54,880

another group like there's our group on

1949

01:18:58,140 --> 01:18:56,590

the one side and then there's the other

1950

01:19:00,720 --> 01:18:58,150

side of the road there's one of the rama

1951

01:19:02,160 --> 01:19:00,730

people and i did they were talking all

1952

01:19:03,600 --> 01:19:02,170

this like us it's like football teams

1953

01:19:05,460 --> 01:19:03,610

like there's our good guys over here and

1954

01:19:07,020 --> 01:19:05,470

the bad meditators are on that side I'm

1955

01:19:09,030 --> 01:19:07,030

going like what's this fighting stuff

1956

01:19:10,470 --> 01:19:09,040

about anyway I contacted this guy and

1957

01:19:12,420 --> 01:19:10,480

his name is Enrique

1958

01:19:13,830 --> 01:19:12,430

so I contact this guy after because we

1959

01:19:16,560 --> 01:19:13,840

had this flashing thing and this orb

1960

01:19:18,150 --> 01:19:16,570

went across the sky and stuff and so I

1961

01:19:19,530 --> 01:19:18,160

said to him I said well you guys are

1962

01:19:22,050 --> 01:19:19,540

doing this meditation on the other side

1963

01:19:24,240 --> 01:19:22,060

do you guys see anything and he sends me

1964

01:19:25,680 --> 01:19:24,250

this 32 minute video and and we're like

1965

01:19:27,870 --> 01:19:25,690

we were sleeping on our side man they

1966

01:19:30,480 --> 01:19:27,880

had the lights in the bush they had the

1967

01:19:33,030 --> 01:19:30,490

aliens they had I was unbelievable and

1968

01:19:35,580 --> 01:19:33,040

then I then I'm talking to Michael Salah

1969

01:19:37,500 --> 01:19:35,590

about his 2013 experience I said ok I

1970

01:19:39,630 --> 01:19:37,510

had this experience in 2017 what happens

1971

01:19:41,880 --> 01:19:39,640

when your 2013 you got the message from

1972

01:19:43,380 --> 01:19:41,890

an Terrell yeah ok and what happened he

1973

01:19:46,650 --> 01:19:43,390

described same same sort of thing that I

1974

01:19:48,750 --> 01:19:46,660

saw and then then he said oh I was at

1975

01:19:50,190 --> 01:19:48,760

Mount Shasta that day - I said you were

1976

01:19:51,900 --> 01:19:50,200

at Mount Shasta that day because it was

1977

01:19:55,140 --> 01:19:51,910

the day before the Eclipse and he said I

1978

01:19:57,720 --> 01:19:55,150

was there with this this space guys all

1979

01:19:59,400 --> 01:19:57,730

these outer these secret space program

1980

01:20:01,470 --> 01:19:59,410

they had a big thing there and Salo was

1981

01:20:03,930 --> 01:20:01,480

there and he said oh I was I was going

1982

01:20:05,130 --> 01:20:03,940

through the forest with this guy and I

1983

01:20:06,540 --> 01:20:05,140

had this bizarre experience we were

1984

01:20:08,310 --> 01:20:06,550

walking there and we ran into this

1985

01:20:10,710 --> 01:20:08,320

curtain of light which is like an eggs

1986

01:20:12,240 --> 01:20:10,720

which describes as Indra and then

1987

01:20:13,440 --> 01:20:12,250

there's this curtain of light and you

1988

01:20:15,390 --> 01:20:13,450

said you could see the particles and it

1989

01:20:16,560 --> 01:20:15,400

was 100 about a hundred meters long and

1990

01:20:17,730 --> 01:20:16,570

they're going through this curtain of

1991

01:20:19,230 --> 01:20:17,740

light and I said well where were you you

1992

01:20:20,160 --> 01:20:19,240

said we're at Mount Shasta and I said

1993

01:20:21,420 --> 01:20:20,170

well where and he said we're on the

1994

01:20:22,650 --> 01:20:21,430

south side of the mountain we were on

1995

01:20:24,000 --> 01:20:22,660

the east side of the mountains and then

1996

01:20:25,200 --> 01:20:24,010

I found out there's two more rama groups

1997

01:20:26,990 --> 01:20:25,210

around the mountain it was like just

1998

01:20:30,630 --> 01:20:27,000

totally bizarre like all these

1999

01:20:34,170 --> 01:20:30,640

experiences happening all over the place

2000

01:20:35,910 --> 01:20:34,180

and I thought well man I'm gonna drag

2001

01:20:37,440 --> 01:20:35,920

this so I'm back into the UFO rabbit

2002

01:20:37,979 --> 01:20:37,450

hole again and I figured I'm just going

2003

01:20:39,390 --> 01:20:37,989

to quickly put

2004

01:20:41,729 --> 01:20:39,400

they grab all these people's stories and

2005

01:20:45,239 --> 01:20:41,739

put him down and let people know that

2006

01:20:48,149 --> 01:20:45,249

this actually is bizarre bizarre bizarre

2007

01:20:50,669 --> 01:20:48,159

that I've never seen that many witnesses

2008

01:20:52,529 --> 01:20:50,679

that were that credible to me that all

2009

01:20:54,799 --> 01:20:52,539

told exactly the same story and it was

2010

01:20:57,810 --> 01:20:54,809

the story was standing and looking at a

2011

01:20:59,459 --> 01:20:57,820

one we had for aliens and these small

2012

01:21:00,959 --> 01:20:59,469

aliens around the trees and stuff and

2013

01:21:02,459 --> 01:21:00,969

there was nine witnesses that were

2014

01:21:04,649 --> 01:21:02,469

within feet of this thing it's not like

2015

01:21:06,989 --> 01:21:04,659

you know a couple blocks away they were

2016

01:21:09,359 --> 01:21:06,999

within a company or is it did anybody

2017

01:21:11,669 --> 01:21:09,369

take any pictures well all the videos

2018

01:21:16,859 --> 01:21:11,679

were all the the UFOs were photographed

2019

01:21:19,529 --> 01:21:16,869

like the especially the the one in 2014

2020

01:21:25,169 --> 01:21:19,539

they had a bunch of people they had six

2021

01:21:27,390 --> 01:21:25,179

people who had pre meted messages before

2022

01:21:29,399 --> 01:21:27,400

and the one guy actually drew it five

2023

01:21:32,040 --> 01:21:29,409

days before the event he actually draws

2024

01:21:33,419 --> 01:21:32,050

the Xandra and he draws seven people in

2025

01:21:34,919 --> 01:21:33,429

the xander and his paula harris the

2026

01:21:36,899 --> 01:21:34,929

second from the right and she was in

2027

01:21:39,299 --> 01:21:36,909

this thing second from the right so what

2028

01:21:40,830 --> 01:21:39,309

happened was the it was all filmed with

2029

01:21:42,899 --> 01:21:40,840

these two UFOs and they're flying in

2030

01:21:44,189 --> 01:21:42,909

parallel these two UFOs are flying and

2031

01:21:45,390 --> 01:21:44,199

because all these people had these

2032

01:21:47,189 --> 01:21:45,400

impressions that there was going to be a

2033

01:21:49,200 --> 01:21:47,199

Zender open not just a sighting in the

2034

01:21:50,939 --> 01:21:49,210

sky there was going to be a Xandra they

2035

01:21:52,709 --> 01:21:50,949

went into the forest three guys and I've

2036

01:21:54,689 --> 01:21:52,719

talked to other three guys you went in

2037

01:21:55,680 --> 01:21:54,699

the forest yeah why because they had

2038

01:21:57,029 --> 01:21:55,690

these predictions they're gonna be as

2039

01:21:59,009 --> 01:21:57,039

Endre we weren't looking to see if where

2040

01:22:00,479 --> 01:21:59,019

the sender was and they found the Xandra

2041

01:22:02,489 --> 01:22:00,489

then they come back to the group and

2042

01:22:04,259 --> 01:22:02,499

they take seven people to go into the

2043

01:22:05,970 --> 01:22:04,269

Xandra and they go back to the forest

2044

01:22:07,290 --> 01:22:05,980

with these seven people and all these

2045

01:22:09,029 --> 01:22:07,300

people are telling yeah I was picked up

2046

01:22:11,669 --> 01:22:09,039

I was sitting in the in there doing this

2047

01:22:14,149 --> 01:22:11,679

big meditation of 100 150 people so all

2048

01:22:17,669 --> 01:22:14,159

the UFO stuff was was filmed yes and and

2049

01:22:22,560 --> 01:22:17,679

and any of that on youtuber oh yeah it's

2050

01:22:26,129 --> 01:22:22,570

all it's all on a my my YouTube my White

2051

01:22:27,720 --> 01:22:26,139

House UFO site okay well it will they

2052

01:22:30,060 --> 01:22:27,730

had a clipper to this interview before

2053

01:22:32,100 --> 01:22:30,070

you uh for our YouTube but you know and

2054

01:22:33,689 --> 01:22:32,110

with a link and people can see the whole

2055

01:22:35,609 --> 01:22:33,699

darn thing I mean what the heck you know

2056

01:22:38,370 --> 01:22:35,619

it yeah but all I've got all the clips

2057

01:22:41,100 --> 01:22:38,380

of the things but the all these Mexican

2058

01:22:42,750 --> 01:22:41,110

like Latin American people there's one

2059

01:22:44,640 --> 01:22:42,760

guy from Mexico who did a lot of filming

2060

01:22:47,069 --> 01:22:44,650

and then Enrique's people filmed his

2061

01:22:49,020 --> 01:22:47,079

stuff our cameras weren't working but

2062

01:22:51,120 --> 01:22:49,030

Enrique's were on that night and it was

2063

01:22:51,780 --> 01:22:51,130

just like it was just so many stories

2064

01:22:54,090 --> 01:22:51,790

all

2065

01:22:55,530 --> 01:22:54,100

the same thing and it's like there's no

2066

01:22:57,180 --> 01:22:55,540

way everybody's gonna make especially

2067

01:22:59,190 --> 01:22:57,190

when I when you see these people up

2068

01:23:00,810 --> 01:22:59,200

face-to-face that these people did not

2069

01:23:03,300 --> 01:23:00,820

want to be interviewed there was no way

2070

01:23:05,190 --> 01:23:03,310

in fact Paula it was because she knew

2071

01:23:06,780 --> 01:23:05,200

these people so well she said oh I want

2072

01:23:09,240 --> 01:23:06,790

you to talk to grant and then she talked

2073

01:23:10,770 --> 01:23:09,250

these people into it and some of them

2074

01:23:13,230 --> 01:23:10,780

said no English isn't good enough I

2075

01:23:15,750 --> 01:23:13,240

don't wanna I don't wanna talk but what

2076

01:23:19,050 --> 01:23:15,760

would it what is your YouTube White

2077

01:23:21,180 --> 01:23:19,060

House UFO oh yeah I've got some of the

2078

01:23:23,100 --> 01:23:21,190

videos of these just ordinary people

2079

01:23:25,800 --> 01:23:23,110

talking yeah and then the way infects

2080

01:23:28,980 --> 01:23:25,810

with one guy I said to him he said I

2081

01:23:30,240 --> 01:23:28,990

said well we already said no no I've

2082

01:23:31,860 --> 01:23:30,250

seen him before and I said why you've

2083

01:23:33,510 --> 01:23:31,870

seen the guy you seen before and these

2084

01:23:36,120 --> 01:23:33,520

like this contact he goes around the

2085

01:23:38,010 --> 01:23:36,130

world he goes does Spain he goes to

2086

01:23:39,990 --> 01:23:38,020

Siberia and stuff and some of these

2087

01:23:41,460 --> 01:23:40,000

people follow him around and he said I

2088

01:23:43,320 --> 01:23:41,470

said well huh how many of you how many

2089

01:23:45,930 --> 01:23:43,330

times you've seen him and he goes yeah I

2090

01:23:47,880 --> 01:23:45,940

don't know five or more I don't really

2091

01:23:50,280 --> 01:23:47,890

keep track like like this guy's telling

2092

01:23:52,440 --> 01:23:50,290

me he's seen this guy five times this at

2093

01:23:54,180 --> 01:23:52,450

this an tyrell alien that's like nine

2094

01:23:56,430 --> 01:23:54,190

feet tall and the weird thing was where

2095

01:23:58,800 --> 01:23:56,440

they all described puts his hand out to

2096

01:24:00,360 --> 01:23:58,810

stay back that that like the vibration

2097

01:24:03,480 --> 01:24:00,370

is different to stay back to-- don't

2098

01:24:04,890 --> 01:24:03,490

come any closer and that this this thing

2099

01:24:06,570 --> 01:24:04,900

that he had this thing on his chest that

2100

01:24:07,890 --> 01:24:06,580

was shooting these shooting these sparks

2101

01:24:09,240 --> 01:24:07,900

out and these people had never talked to

2102

01:24:10,710 --> 01:24:09,250

each other and they're all telling this

2103

01:24:12,270 --> 01:24:10,720

story about these these sparks coming

2104

01:24:14,250 --> 01:24:12,280

off this and then Paul would say you saw

2105

01:24:16,020 --> 01:24:14,260

the sparks - oh yeah they're sparks I

2106

01:24:18,120 --> 01:24:16,030

saw that tunes like that you these

2107

01:24:19,950 --> 01:24:18,130

people is just bizarre bizarre bizarre

2108

01:24:21,600 --> 01:24:19,960

story that that you know I thought it

2109

01:24:23,190 --> 01:24:21,610

was out of UFOs and it's like and then

2110

01:24:26,190 --> 01:24:23,200

and the weird thing was it was the a

2111

01:24:28,440 --> 01:24:26,200

poof planet it was this story of how my

2112

01:24:29,910 --> 01:24:28,450

book Charlie Red Star got published was

2113

01:24:31,500 --> 01:24:29,920

this publisher never overdone published

2114

01:24:33,780 --> 01:24:31,510

it except for that girl was doing this

2115

01:24:35,100 --> 01:24:33,790

movie on a poo and suddenly now I'm in

2116

01:24:37,080 --> 01:24:35,110

the middle of this a poo thing with

2117

01:24:39,270 --> 01:24:37,090

these aliens form a poo with all these

2118

01:24:43,980 --> 01:24:39,280

contactees and I think it's pretty good

2119

01:24:47,250 --> 01:24:43,990

story so sure does so I mean you can't

2120

01:24:49,310 --> 01:24:47,260

get any nor evidential then than that to

2121

01:24:52,020 --> 01:24:49,320

have all those witnesses especially

2122

01:24:54,990 --> 01:24:52,030

especially as far as a contact

2123

01:24:57,600 --> 01:24:55,000

experience goes I mean usually you know

2124

01:25:00,510 --> 01:24:57,610

this one one person or maybe somebody

2125

01:25:03,930 --> 01:25:00,520

else might witness it from a distance

2126
01:25:05,729 --> 01:25:03,940
but not not what seven or eight or more

2127
01:25:09,689 --> 01:25:05,739
people that it's

2128
01:25:12,540 --> 01:25:09,699
time at different locations vary but

2129
01:25:14,640 --> 01:25:12,550
what okay so what now what is the

2130
01:25:17,040 --> 01:25:14,650
description of this being is it a being

2131
01:25:19,439 --> 01:25:17,050
of light or is it only looking well

2132
01:25:21,239 --> 01:25:19,449
well the 2014 it was a solid being he's

2133
01:25:25,529 --> 01:25:21,249
he's very tall some people described in

2134
01:25:28,439 --> 01:25:25,539
90 tall 10 feet tall has long sort of

2135
01:25:31,500 --> 01:25:28,449
almost white hair a very stern look on

2136
01:25:33,419 --> 01:25:31,510
his face but very muscular and wearing

2137
01:25:35,419 --> 01:25:33,429
the first year he was wearing everybody

2138
01:25:38,549 --> 01:25:35,429

described him wearing this this blue

2139

01:25:41,339 --> 01:25:38,559

sort of outfit with a hood on and then

2140

01:25:43,049 --> 01:25:41,349

in the 2015 thing he's described by

2141

01:25:45,540 --> 01:25:43,059

everybody so there's an 11 witnesses to

2142

01:25:48,209 --> 01:25:45,550

2014 and then there's nine witnesses to

2143

01:25:51,419 --> 01:25:48,219

2015 but the 2015 are all saying the

2144

01:25:52,950 --> 01:25:51,429

same thing he's a hologram in 2015

2145

01:25:55,350 --> 01:25:52,960

he's not a solid being he's the same

2146

01:25:58,020 --> 01:25:55,360

being but he's appearing like a like a

2147

01:26:01,169 --> 01:25:58,030

like a hologram but this tall being with

2148

01:26:03,149 --> 01:26:01,179

these smaller beings around him and then

2149

01:26:05,310 --> 01:26:03,159

three other beings tall beings with him

2150

01:26:07,859 --> 01:26:05,320

and then there's like I mean you can't

2151
01:26:09,299 --> 01:26:07,869
make this stuff up so there's a female

2152
01:26:12,810 --> 01:26:09,309
that's supposed to be running the ship

2153
01:26:15,000 --> 01:26:12,820
and her name is a Vika so 2016 there's

2154
01:26:18,149 --> 01:26:15,010
nothing there's there's they don't show

2155
01:26:19,859 --> 01:26:18,159
up in 2016 so I'm leaving this scene

2156
01:26:21,120 --> 01:26:19,869
from fitting these people on them all

2157
01:26:22,470 --> 01:26:21,130
excited because I've got these people on

2158
01:26:25,140 --> 01:26:22,480
camera and I'm coming back and this

2159
01:26:26,520 --> 01:26:25,150
woman says oh yeah thanks for your

2160
01:26:28,200 --> 01:26:26,530
little talk I gave a little talk there

2161
01:26:29,459 --> 01:26:28,210
she says oh I got a weird story do you

2162
01:26:31,049 --> 01:26:29,469
want to hear my weird story and I said

2163
01:26:32,580 --> 01:26:31,059

oh yeah would you put it on camera she

2164

01:26:33,629 --> 01:26:32,590

said you'd put me on camera said yeah

2165

01:26:35,370 --> 01:26:33,639

you stand right there I'll turn the

2166

01:26:37,739 --> 01:26:35,380

camera on and she says oh I'm from

2167

01:26:39,419 --> 01:26:37,749

Mexico what she says and I got these

2168

01:26:40,799 --> 01:26:39,429

coordinates in my head and I decided

2169

01:26:42,509 --> 01:26:40,809

that I had to figure out what they were

2170

01:26:44,069 --> 01:26:42,519

and they were Mount Shasta and when I

2171

01:26:46,919 --> 01:26:44,079

figured it out I knew I had to come to

2172

01:26:49,589 --> 01:26:46,929

Mount Shasta in 2016 and she runs into

2173

01:26:52,140 --> 01:26:49,599

the Savita this is this female alien in

2174

01:26:53,339 --> 01:26:52,150

the crystal shop in Shasta city down at

2175

01:26:54,419 --> 01:26:53,349

the bottom of the mountain and she's

2176

01:26:57,149 --> 01:26:54,429

telling me the star and I'm going like

2177

01:26:58,620 --> 01:26:57,159

yeah and this thing's this when they

2178

01:27:02,129 --> 01:26:58,630

wouldn't be the store wouldn't be Seoul

2179

01:27:03,750 --> 01:27:02,139

connections I'm not sure which it was I

2180

01:27:05,700 --> 01:27:03,760

think was the big one I've got the one

2181

01:27:07,680 --> 01:27:05,710

we were in I first I was with was in

2182

01:27:09,689 --> 01:27:07,690

there but but and she said she was

2183

01:27:11,459 --> 01:27:09,699

walking around this this store and

2184

01:27:13,470 --> 01:27:11,469

nobody was paying attention to her and

2185

01:27:14,939 --> 01:27:13,480

she was trying to sort of look at people

2186

01:27:16,350 --> 01:27:14,949

like why can't you see this because this

2187

01:27:19,589 --> 01:27:16,360

is a very tall being that's walking

2188

01:27:20,250 --> 01:27:19,599

around and this is a Vika so you get

2189

01:27:22,020 --> 01:27:20,260

this

2190

01:27:23,700 --> 01:27:22,030

even in the years when nothing happens

2191

01:27:26,340 --> 01:27:23,710

and then you have this PhD psychologist

2192

01:27:28,650 --> 01:27:26,350

comes to me and she says you know that

2193

01:27:31,410 --> 01:27:28,660

she's getting all these messages from an

2194

01:27:33,600 --> 01:27:31,420

Terrell and that she that she actually

2195

01:27:36,390 --> 01:27:33,610

predicted the 9:33 before it happened

2196

01:27:37,950 --> 01:27:36,400

and she said I said well the people know

2197

01:27:39,300 --> 01:27:37,960

you're doing it no I'm not outed yet and

2198

01:27:41,100 --> 01:27:39,310

she's like she works with autistic

2199

01:27:42,900 --> 01:27:41,110

children she's a PhD psychologist and

2200

01:27:44,850 --> 01:27:42,910

she's got all these bizarre stories and

2201

01:27:47,280 --> 01:27:44,860

it's like and you wonder like there's

2202

01:27:49,320 --> 01:27:47,290

140 people in our group 150 people in

2203

01:27:50,610 --> 01:27:49,330

the group on our side there was 45 on

2204

01:27:52,110 --> 01:27:50,620

the other side I'm just thinking like

2205

01:27:54,120 --> 01:27:52,120

how many stories were there of people

2206

01:27:55,560 --> 01:27:54,130

that told stories that nobody's even

2207

01:27:57,390 --> 01:27:55,570

heard before it was just like everybody

2208

01:27:58,680 --> 01:27:57,400

had these buzz like not just like I saw

2209

01:28:00,630 --> 01:27:58,690

a light in this guy it was like an alien

2210

01:28:03,450 --> 01:28:00,640

this big difference when you I mean if

2211

01:28:05,880 --> 01:28:03,460

you know with 150 people saw the UFO fly

2212

01:28:07,800 --> 01:28:05,890

by on air every one of these years 150

2213

01:28:09,570 --> 01:28:07,810

people see it and it's all video tapes

2214

01:28:12,150 --> 01:28:09,580

and stuff like that but it was when the

2215

01:28:13,740 --> 01:28:12,160

thing got into the bush in two years

2216

01:28:16,020 --> 01:28:13,750

when you have eleven witnesses the one

2217

01:28:17,820 --> 01:28:16,030

year and nine witnesses the other year

2218

01:28:19,080 --> 01:28:17,830

and they're all within feet of this

2219

01:28:23,400 --> 01:28:19,090

thing and they're all describing the

2220

01:28:25,050 --> 01:28:23,410

same thing it's just wild story well now

2221

01:28:27,750 --> 01:28:25,060

why do you think there was the

2222

01:28:29,610 --> 01:28:27,760

reluctance to to talk to you about this

2223

01:28:31,680 --> 01:28:29,620

besides the you know the language

2224

01:28:33,720 --> 01:28:31,690

difference I mean it was the language

2225

01:28:36,960 --> 01:28:33,730

but they saw with a camera I guess they

2226

01:28:43,770 --> 01:28:36,970

didn't want to be on camera and so like

2227

01:28:46,050 --> 01:28:43,780

like the actual contact II Ricardo

2228

01:28:48,000 --> 01:28:46,060

Gonzalez he and his wife were there and

2229

01:28:49,979 --> 01:28:48,010

his wife was there for both of them and

2230

01:28:51,390 --> 01:28:49,989

she was very close she was inside the

2231

01:28:53,190 --> 01:28:51,400

Xandra he was outside the Xandra the

2232

01:28:55,140 --> 01:28:53,200

first time took the people to the

2233

01:28:56,820 --> 01:28:55,150

sounder but he stayed outside but he

2234

01:28:58,470 --> 01:28:56,830

said no my English isn't very good and I

2235

01:29:00,630 --> 01:28:58,480

let him go because I knew that he talked

2236

01:29:03,180 --> 01:29:00,640

about it in Spanish so I'm just gonna

2237

01:29:06,900 --> 01:29:03,190

take his Spanish stuff and transcribe

2238

01:29:09,900 --> 01:29:06,910

and he's written a book on events up to

2239

01:29:11,610 --> 01:29:09,910

2014 about his growing up and the times

2240

01:29:13,560 --> 01:29:11,620

he's run into this alien stuff he

2241

01:29:16,530 --> 01:29:13,570

doesn't do this 2015 event but he sort

2242

01:29:17,940 --> 01:29:16,540

of spells out this fact that that this

2243

01:29:19,560 --> 01:29:17,950

went on for about an hour and a half

2244

01:29:20,729 --> 01:29:19,570

were they they had these predictions

2245

01:29:22,440 --> 01:29:20,739

that people said there was going to be a

2246

01:29:23,640 --> 01:29:22,450

Xandra then they go into the forest

2247

01:29:24,990 --> 01:29:23,650

looking for the Xandra they find a

2248

01:29:26,700 --> 01:29:25,000

Xandra then they come back and they got

2249

01:29:29,010 --> 01:29:26,710

to the people so this this thing took

2250

01:29:31,050 --> 01:29:29,020

place over at least an hour from the

2251

01:29:34,049 --> 01:29:31,060

time the UFO sighting until the the

2252

01:29:35,819 --> 01:29:34,059

people saw the being said so

2253

01:29:37,379 --> 01:29:35,829

they didn't go on and then some of these

2254

01:29:40,140 --> 01:29:37,389

people I didn't know they were there

2255

01:29:41,729 --> 01:29:40,150

because they were in this group and then

2256

01:29:43,770 --> 01:29:41,739

people were telling me oh this guy like

2257

01:29:45,390 --> 01:29:43,780

one woman actually bought my Charlie

2258

01:29:47,189 --> 01:29:45,400

read star book and I had to talk with

2259

01:29:48,540 --> 01:29:47,199

her and then I just found out like three

2260

01:29:50,100 --> 01:29:48,550

or four days ago she was one of the

2261

01:29:51,419 --> 01:29:50,110

people in the Zandra I had this long

2262

01:29:52,890 --> 01:29:51,429

conversation I didn't realize she was

2263

01:29:54,359 --> 01:29:52,900

one of the witnesses otherwise I would

2264

01:29:56,399 --> 01:29:54,369

have got her on but I'm gonna try to

2265

01:29:59,450 --> 01:29:56,409

line up these witnesses with these these

2266

01:30:01,439 --> 01:29:59,460

people and the stories that I've heard

2267

01:30:02,520 --> 01:30:01,449

unbelievable I mean I'm only telling you

2268

01:30:05,790 --> 01:30:02,530

some of the stories I've heard just

2269

01:30:07,229 --> 01:30:05,800

bizarre by these people and there was

2270

01:30:09,479 --> 01:30:07,239

maybe five of us too spoke English

2271

01:30:11,370 --> 01:30:09,489

everybody else was Spanish they they all

2272

01:30:14,010 --> 01:30:11,380

come from around the world from you know

2273

01:30:16,140 --> 01:30:14,020

South America and Latin America and all

2274

01:30:17,490 --> 01:30:16,150

across America to this to this event

2275

01:30:21,180 --> 01:30:17,500

where they sit there and meditate for

2276

01:30:24,120 --> 01:30:21,190

for world peace and they have this event

2277

01:30:25,680 --> 01:30:24,130

every year that that seems to seems to

2278

01:30:27,209 --> 01:30:25,690

have some credibility to me especially

2279

01:30:29,010 --> 01:30:27,219

this two fourteen and two fifty and I

2280

01:30:31,709 --> 01:30:29,020

said everybody has to know these stories

2281

01:30:33,060 --> 01:30:31,719

of this event in where these people are

2282

01:30:34,709 --> 01:30:33,070

in this Xandra I think because that's

2283

01:30:35,939 --> 01:30:34,719

what the CIA is not pushing they're

2284

01:30:37,200 --> 01:30:35,949

pushing this portal story there's

2285

01:30:38,939 --> 01:30:37,210

supposed to be these this documentary

2286

01:30:41,010 --> 01:30:38,949

coming out it's kind of two episodes on

2287

01:30:42,839 --> 01:30:41,020

portals and they're gonna drop the fact

2288

01:30:44,220 --> 01:30:42,849

that this is there's a portal and that

2289

01:30:46,049 --> 01:30:44,230

these things are moving in out of the

2290

01:30:48,629 --> 01:30:46,059

portal which gets into the consciousness

2291

01:30:50,040 --> 01:30:48,639

aspect of UFOs so I mean the CIA is

2292

01:30:52,109 --> 01:30:50,050

pushing it and I was already interested

2293

01:30:55,260 --> 01:30:52,119

in it and then suddenly I'm dragged into

2294

01:30:57,540 --> 01:30:55,270

it except they call them xendrius well

2295

01:30:59,459 --> 01:30:57,550

and that's oh go ahead to him I'm sorry

2296

01:31:02,879 --> 01:30:59,469

okay you know when when will that I mean

2297

01:31:05,580 --> 01:31:02,889

is that gonna be on a cable TV or what

2298

01:31:07,290 --> 01:31:05,590

is that the port to portals you say

2299

01:31:10,109 --> 01:31:07,300

there's a yeah it's going to be the

2300

01:31:11,669 --> 01:31:10,119

producer I forgotten his name but the

2301

01:31:14,250 --> 01:31:11,679

producer I've got the producers name

2302

01:31:16,430 --> 01:31:14,260

Kevin Albers the guy who wrote it and it

2303

01:31:18,330 --> 01:31:16,440

was Ron Pandolfi who supposedly

2304

01:31:20,279 --> 01:31:18,340

requested that this be done it's gonna

2305

01:31:22,140 --> 01:31:20,289

be on the Avery for the episodes around

2306

01:31:24,569 --> 01:31:22,150

the Avery and they'd actually called me

2307

01:31:26,850 --> 01:31:24,579

and I got a phone call and it was

2308

01:31:28,049 --> 01:31:26,860

offered in an executive producer thing

2309

01:31:29,069 --> 01:31:28,059

to be involved in this and you could

2310

01:31:30,600 --> 01:31:29,079

know what's going on and be on the phone

2311

01:31:31,830 --> 01:31:30,610

calls and stuff and I said no I don't

2312

01:31:33,569 --> 01:31:31,840

wanna be involved cuz I know this whole

2313

01:31:34,919 --> 01:31:33,579

deal that's what managing Magic's all

2314

01:31:36,720 --> 01:31:34,929

about you have the you know you have the

2315

01:31:38,939 --> 01:31:36,730

magician's who hand out the stuff and

2316

01:31:40,020 --> 01:31:38,949

then you have the people who are in the

2317

01:31:41,580 --> 01:31:40,030

middle of this thing and I said you know

2318

01:31:43,649 --> 01:31:41,590

I you know like I'd rather be a chess

2319

01:31:45,029 --> 01:31:43,659

player than a chess piece and he told

2320

01:31:46,620 --> 01:31:45,039

you know what I'm gonna say and what I'm

2321

01:31:47,759 --> 01:31:46,630

gonna do and stuff and they said well if

2322

01:31:47,970 --> 01:31:47,769

you're on the outside you you get 10 to

2323

01:31:49,410 --> 01:31:47,980

2

2324

01:31:51,810 --> 01:31:49,420

percent I said okay I'll take the ten to

2325

01:31:53,550 --> 01:31:51,820

15% so I'm not in the inside of this

2326

01:31:55,410 --> 01:31:53,560

thing but I've talked to the producers

2327

01:31:57,000 --> 01:31:55,420

and that was when I first heard the

2328

01:31:58,350 --> 01:31:57,010

portal I didn't believe the portal romp

2329

01:32:00,330 --> 01:31:58,360

and all these people were putting it out

2330

01:32:02,130 --> 01:32:00,340

and I go that come on this is nonsense I

2331

01:32:03,780 --> 01:32:02,140

mean without stupid to think we are

2332

01:32:05,190 --> 01:32:03,790

and then I'm talking to this at Kevin

2333

01:32:07,200 --> 01:32:05,200

Elbert guy that wrote the script and

2334

01:32:08,340 --> 01:32:07,210

stuff and he said oh no the portal stuff

2335

01:32:10,110 --> 01:32:08,350

is real and they talked about Joe

2336

01:32:12,600 --> 01:32:10,120

firmage Joe firmage apparently is

2337

01:32:14,430 --> 01:32:12,610

back-engineered report and and and and

2338

01:32:16,680 --> 01:32:14,440

he may be part of this this this

2339

01:32:18,330 --> 01:32:16,690

documentary that he's there and I've

2340

01:32:20,340 --> 01:32:18,340

heard Bigelow's name and I there's

2341

01:32:22,650 --> 01:32:20,350

another guy a lot of people with a lot

2342

01:32:24,270 --> 01:32:22,660

of bucks seem to be involved in this

2343

01:32:26,010 --> 01:32:24,280

thing but but firmage was the big name

2344

01:32:27,600 --> 01:32:26,020

because I knew firmage from the 1990s

2345

01:32:29,610 --> 01:32:27,610

that thing that he was directly into

2346

01:32:32,030 --> 01:32:29,620

this and apparently from what I have

2347

01:32:36,840 --> 01:32:32,040

heard he's got some sort of engineered

2348

01:32:37,410 --> 01:32:36,850

technology that involves portals well

2349

01:32:39,180 --> 01:32:37,420

there you go

2350

01:32:45,090 --> 01:32:39,190

now we're getting we're getting towards

2351

01:32:47,940 --> 01:32:45,100

the end of our last segment here and I

2352

01:32:51,060 --> 01:32:47,950

do uh grant want you to be able to tell

2353

01:32:53,220 --> 01:32:51,070

everybody of what you're working on you

2354

01:32:57,210 --> 01:32:53,230

where they can get your books where they

2355

01:32:58,890 --> 01:32:57,220

can find you on the internet and any

2356

01:33:02,760 --> 01:32:58,900

lectures that you might have coming out

2357

01:33:06,150 --> 01:33:02,770

so give us the skinny on the mini well

2358

01:33:08,190 --> 01:33:06,160

I'm doing Laughlin Nevada in the middle

2359

01:33:10,680 --> 01:33:08,200

of November that's Paula Harris's

2360

01:33:11,640 --> 01:33:10,690

conference and I'm going to be dealing

2361

01:33:13,350 --> 01:33:11,650

with this case I'm going to show the

2362

01:33:18,240 --> 01:33:13,360

videos of the the witnesses that I've

2363

01:33:20,670 --> 01:33:18,250

filmed and so I'm dude that's my my

2364

01:33:22,650 --> 01:33:20,680

lecture my White House UFO YouTube

2365

01:33:24,270 --> 01:33:22,660

channel I'm starting to put I realized

2366

01:33:26,070 --> 01:33:24,280

that books aren't the way to go and

2367

01:33:28,410 --> 01:33:26,080

lectures are really not the way to go

2368

01:33:30,479 --> 01:33:28,420

most people in America have a 10-minute

2369

01:33:32,010 --> 01:33:30,489

attention span I'm putting a line I

2370

01:33:33,930 --> 01:33:32,020

thought it was I thought it was less

2371

01:33:35,070 --> 01:33:33,940

than that oh it could be last yeah so

2372

01:33:38,490 --> 01:33:35,080

that's what I'm doing I'm putting a lot

2373

01:33:40,350 --> 01:33:38,500

of stuff on my White House UFO YouTube

2374

01:33:41,880 --> 01:33:40,360

channel like ten minute things I'll take

2375

01:33:43,830 --> 01:33:41,890

one question and answer what I should

2376

01:33:46,430 --> 01:33:43,840

deal with one subject and do it that way

2377

01:33:49,140 --> 01:33:46,440

and see if we can get some people to

2378

01:33:52,050 --> 01:33:49,150

follow other than doing the long thing

2379

01:33:53,400 --> 01:33:52,060

and then of course the the book the

2380

01:33:55,950 --> 01:33:53,410

books could all be obtained

2381

01:33:57,360 --> 01:33:55,960

I meant amazon.com I've done the six

2382

01:34:00,060 --> 01:33:57,370

book so if you look me up at amazon.com

2383

01:34:01,850 --> 01:34:00,070

there you can see all the various books

2384

01:34:03,470 --> 01:34:01,860

I've done and the music book is come

2385

01:34:05,570 --> 01:34:03,480

next that was the other message I got

2386

01:34:07,129 --> 01:34:05,580

from an alien that was about four years

2387

01:34:09,910 --> 01:34:07,139

ago where I got the message

2388

01:34:13,399 --> 01:34:09,920

that said we're told by the the the

2389

01:34:14,899 --> 01:34:13,409

where they calm the Guardians a message

2390

01:34:17,149 --> 01:34:14,909

for grant camera and the messages in the

2391

01:34:18,950 --> 01:34:17,159

music and I said well I'm not into music

2392

01:34:20,800 --> 01:34:18,960

I've never played music I'm not into it

2393

01:34:23,060 --> 01:34:20,810

and then they dragged me into it with

2394

01:34:26,060 --> 01:34:23,070

being involved with Neil Young who grew

2395

01:34:28,310 --> 01:34:26,070

up where I where I live and so I've got

2396

01:34:30,169 --> 01:34:28,320

a music book coming out before next

2397

01:34:32,240 --> 01:34:30,179

spring and that books been ready for a

2398

01:34:34,459 --> 01:34:32,250

year and a half but you have a tight you

2399

01:34:37,550 --> 01:34:34,469

have a title for yeah it's called tuned

2400

01:34:39,470 --> 01:34:37,560

in the paranormal world of music that's

2401

01:34:42,109 --> 01:34:39,480

it that's a must read for me man

2402

01:34:43,550 --> 01:34:42,119

okay well there you go yeah yeah well

2403

01:34:47,030 --> 01:34:43,560

you were involved in that stuff you yeah

2404

01:34:49,340 --> 01:34:47,040

yeah absolutely me and Jim delat oh so

2405

01:34:50,870 --> 01:34:49,350

yeah yeah and dokdo so could write a

2406

01:34:53,810 --> 01:34:50,880

book he'd be just on the Moody Blues the

2407

01:34:55,160 --> 01:34:53,820

movie blues yeah he's got I don't we had

2408

01:34:59,359 --> 01:34:55,170

it we had about we had him on about a

2409

01:35:03,800 --> 01:34:59,369

month ago what you did yes yeah chorus

2410

01:35:05,899 --> 01:35:03,810

you know oh listen I I have I have said

2411

01:35:08,990 --> 01:35:05,909

on in his backyard where he had his

2412

01:35:11,930 --> 01:35:09,000

office he had the big UFO that was left

2413

01:35:15,979 --> 01:35:11,940

from The Electric Light Orchestra you

2414

01:35:18,320 --> 01:35:15,989

know yeah he's got I haven't done this

2415

01:35:20,419 --> 01:35:18,330

stuff for 50 years not to know the right

2416

01:35:24,109 --> 01:35:20,429

people and asked the right and asked the

2417

01:35:26,990 --> 01:35:24,119

right question

2418

01:35:30,169 --> 01:35:27,000

you you are the the best you are e t--'s

2419

01:35:31,160 --> 01:35:30,179

representative right thank you sir I

2420

01:35:34,340 --> 01:35:31,170

appreciate it

2421

01:35:36,439 --> 01:35:34,350

hey and we will help you back on in the

2422

01:35:40,129 --> 01:35:36,449

coming months especially when that music

2423

01:35:43,310 --> 01:35:40,139

book comes out and Tim Schwartz great

2424

01:35:45,080 --> 01:35:43,320

program right as usual and thank you

2425

01:35:46,790 --> 01:35:45,090

there Peter Davenport for the first

2426
01:35:49,010 --> 01:35:46,800
segment we'll have to have Peter on too

2427
01:35:53,870 --> 01:35:49,020
because there's much more going on at

2428
01:35:55,910 --> 01:35:53,880
the Center for UFO good night everybody

2429
01:35:59,180 --> 01:35:55,920
night thank you Peter Thank You Tina

2430
01:36:05,490 --> 01:35:59,190
Thank You Carol and

2431
01:36:11,700 --> 01:36:07,710
you've been listening to exploring the

2432
01:36:14,940 --> 01:36:11,710
bazaar with hosts Timothy Beckley and to

2433
01:36:17,850 --> 01:36:14,950
Swartz they're taking back the night by

2434
01:36:20,400 --> 01:36:17,860
jetting non-stop across the cosmos in

2435
01:36:24,220 --> 01:36:20,410
search of the truly bizarre and totally

2436
01:36:26,730 --> 01:36:24,230
unexplained with you as their cold

2437
01:36:31,210 --> 01:36:26,740
Thursday nights at 7:00 p.m. Pacific

2438
01:36:34,660 --> 01:36:31,220

10:00 p.m. Eastern on the K cor digital

2439

01:36:38,080 --> 01:36:34,670

radio for more information on exploring

2440

01:36:41,170 --> 01:36:38,090

the bazaar and hosts Timothy Beckley and

2441

01:36:44,260 --> 01:36:41,180

Tim Swartz check out there k cor digital

2442

01:36:50,500 --> 01:36:44,270

radio network follow their YouTube

2443

01:37:00,890 --> 01:36:50,510

channel @m r UFO 1100 explore the
