strap yourself in as we traverse the

5  
00:00:55,140 --> 00:00:52,030

universe exploring the unexplained UFO s

6  
00:00:57,520 --> 00:00:55,150

ghosts Lost Worlds

7  
00:01:01,360 --> 00:00:57,530

cryptozoology waters as well as other

8  
00:01:05,740 --> 00:01:01,370

dimensions it's time to take back the

9  
00:01:09,010 --> 00:01:05,750

night last night now your electrifying

10  
00:01:15,010 --> 00:01:09,020

hosts of exploring the bizarre Timothy

11  
00:01:17,950 --> 00:01:15,020

Begley and team sports and their

12  
00:01:21,460 --> 00:01:17,960

Thursday nights and your with exploring

13  
00:01:24,040 --> 00:01:21,470

the bizarre on the kco our digital radio

14

00:01:27,370 --> 00:01:24,050

network I'm Tim Schwartz normally at

15

00:01:29,590 --> 00:01:27,380

this time you'd be hearing Tim Beckley

16

00:01:31,180 --> 00:01:29,600

along with us but unfortunately Tim

17

00:01:34,180 --> 00:01:31,190

could not be with us tonight

18

00:01:37,359 --> 00:01:34,190

he's under the weather or he's been

19

00:01:41,260 --> 00:01:37,369

abducted by aliens I'm not quite sure

20

00:01:46,149 --> 00:01:41,270

but we're just gonna have to press on

21

00:01:50,950 --> 00:01:46,159

without him and I think that if if we

22

00:01:53,380 --> 00:01:50,960

had a show that what would help us pull

23

00:01:56,580 --> 00:01:53,390

through without mr. Beckley then tonight

24

00:01:59,440 --> 00:01:56,590

would be that show because it's it's

25

00:02:01,660 --> 00:01:59,450

it's definitely going to be an

26  
00:02:06,550 --> 00:02:01,670  
interesting show because we have with us

27  
00:02:09,820 --> 00:02:06,560  
tonight Paul Blake Smith and Adam go

28  
00:02:11,020 --> 00:02:09,830  
rightly now Paul has been on the show I

29  
00:02:13,170 --> 00:02:11,030  
had him have been on the show several

30  
00:02:17,020 --> 00:02:13,180  
times as well and so it's Paul but Paul

31  
00:02:20,530 --> 00:02:17,030  
is well known for his appearances on our

32  
00:02:24,210 --> 00:02:20,540  
show talking about his book ml 41 the

33  
00:02:28,000 --> 00:02:24,220  
bombshell before Roswell and its sequel

34  
00:02:31,900 --> 00:02:28,010  
talking about the possible cape

35  
00:02:35,110 --> 00:02:31,910  
girardeau UFO crash and that tonight's

36  
00:02:40,120 --> 00:02:35,120  
paul is going to talk about his newest

37  
00:02:43,300 --> 00:02:40,130  
book it's a fictional it's a romantic

38  
00:02:45,550 --> 00:02:43,310

comedy is Paul says and it's called sexy

39

00:02:48,309 --> 00:02:45,560

alien races

40

00:02:50,140 --> 00:02:48,319

and Paul says that he's usually seen a

41

00:02:52,449 --> 00:02:50,150

different approach to reach readers on

42

00:02:55,300 --> 00:02:52,459

the topic of UFOs this time

43

00:02:59,470 --> 00:02:55,310

concentrating on real-life sightings and

44

00:03:03,160 --> 00:02:59,480

sagas from the Las Vegas Nevada area

45

00:03:06,759 --> 00:03:03,170

that which is the setting for his novel

46

00:03:09,729 --> 00:03:06,769

and Adam go rightly is with us because I

47

00:03:14,589 --> 00:03:09,739

mean he he begged and pleaded to be on

48

00:03:18,630 --> 00:03:14,599

it since we are going to be talking

49

00:03:22,750 --> 00:03:18,640

about this topic and you know Adam is

50

00:03:24,789 --> 00:03:22,760

well-known because of his interactions

51  
00:03:29,710 --> 00:03:24,799  
with the Zadie world of fringe culture

52  
00:03:33,490 --> 00:03:29,720  
and other counterculture things and and

53  
00:03:36,539 --> 00:03:33,500  
I tell you sex and UFOs I don't think

54  
00:03:40,690 --> 00:03:36,549  
you can get much more fringe and

55  
00:03:43,710 --> 00:03:40,700  
counterculture than that so I want to

56  
00:03:46,720 --> 00:03:43,720  
introduce everyone Adam go rightly and

57  
00:03:50,400 --> 00:03:46,730  
Paul Blake Smith and we're going to be

58  
00:03:52,150 --> 00:03:50,410  
talking about tonight live nude aliens

59  
00:03:56,370 --> 00:03:52,160  
least I think that's what we're gonna be

60  
00:04:00,580 --> 00:03:59,020  
what I've written is a little naughty a

61  
00:04:03,099 --> 00:04:00,590  
little racy but I am trying to reach

62  
00:04:05,590 --> 00:04:03,109  
younger viewers who may not be or

63  
00:04:08,229 --> 00:04:05,600

younger readers rather it may not be

64

00:04:11,860 --> 00:04:08,239

that familiar with the real-life UFO

65

00:04:13,990 --> 00:04:11,870

claims by now of let's say Bob Lazar who

66

00:04:16,000 --> 00:04:14,000

claimed to have worked for area 51 in

67

00:04:17,440 --> 00:04:16,010

late 1980s well that was getting to be

68

00:04:19,029 --> 00:04:17,450

30 years ago and there's a whole

69

00:04:21,159 --> 00:04:19,039

generation coming up that aren't

70

00:04:24,430 --> 00:04:21,169

familiar with his claims and some other

71

00:04:27,480 --> 00:04:24,440

material from that Nevada region that's

72

00:04:30,400 --> 00:04:27,490

most interesting and has unfortunately

73

00:04:32,740 --> 00:04:30,410

really taken it on the chin lately due

74

00:04:34,510 --> 00:04:32,750

to this terrible mass shooting which

75

00:04:36,540 --> 00:04:34,520

what happened right across the street

76

00:04:40,510 --> 00:04:36,550

from the airport where they fly these

77

00:04:46,779 --> 00:04:40,520

government airplanes out to area 51 and

78

00:04:49,990 --> 00:04:46,789

s4 very odd and sad coincidence well now

79

00:04:52,510 --> 00:04:50,000

what what inspired you to come up with

80

00:04:55,210 --> 00:04:52,520

that title for this book I mean it is it

81

00:04:56,980 --> 00:04:55,220

was it strictly just a advertising ploy

82

00:04:58,510 --> 00:04:56,990

like a yeah you know they'll definitely

83

00:05:02,409 --> 00:04:58,520

buy

84

00:05:04,510 --> 00:05:02,419

well I've read a story in USA today when

85

00:05:06,610 --> 00:05:04,520

I was on a beach vacation back around

86

00:05:09,040 --> 00:05:06,620

2000 and I couldn't believe what I was

87

00:05:11,170 --> 00:05:09,050

reading it said that people were going

88

00:05:12,780 --> 00:05:11,180

to baseball games major league baseball

89

00:05:16,600 --> 00:05:12,790

games and betting on everything

90

00:05:18,580 --> 00:05:16,610

including the mascot races these costume

91

00:05:20,409 --> 00:05:18,590

mascots run around the field and break a

92

00:05:23,200 --> 00:05:20,419

tape like they're running a horse race

93

00:05:25,330 --> 00:05:23,210

in the eighth inning and people would

94

00:05:28,180 --> 00:05:25,340

come down to the wagon gate beyond the

95

00:05:30,370 --> 00:05:28,190

centerfield fence and start talking to

96

00:05:31,840 --> 00:05:30,380

the runners in their mascot costumes and

97

00:05:34,780 --> 00:05:31,850

saying you feel healthy today you think

98

00:05:37,600 --> 00:05:34,790

you're gonna win do you run well on a

99

00:05:39,370 --> 00:05:37,610

dry track or a muddy track it was just

100

00:05:41,020 --> 00:05:39,380

hilarious and yet it was sad because

101  
00:05:44,320 --> 00:05:41,030  
these are gamble holics who have bet on

102  
00:05:47,050 --> 00:05:44,330  
anything oh yeah this is comedy gold I

103  
00:05:49,090 --> 00:05:47,060  
got to turn this into a screenplay and I

104  
00:05:52,000 --> 00:05:49,100  
did and it wasn't too satisfied with the

105  
00:05:54,760 --> 00:05:52,010  
results and then I decided to Wed the

106  
00:05:58,870 --> 00:05:54,770  
storyline of a fictional young man who

107  
00:06:01,800 --> 00:05:58,880  
fixes these races to clean up and make a

108  
00:06:05,320 --> 00:06:01,810  
lot of money with stories of real-life

109  
00:06:09,060 --> 00:06:05,330  
UFOs and ET sightings his boss makes and

110  
00:06:12,219 --> 00:06:09,070  
go out and learn about Nevada area UFO

111  
00:06:14,680 --> 00:06:12,229  
crashes and extraterrestrial sightings

112  
00:06:17,560 --> 00:06:14,690  
and such in order to create realistic

113  
00:06:19,300 --> 00:06:17,570

costumes to race during the

114

00:06:21,490 --> 00:06:19,310

eighth-inning so I put the two ideas

115

00:06:23,890 --> 00:06:21,500

together turned out really well I think

116

00:06:25,990 --> 00:06:23,900

I got a good review and I've even got a

117

00:06:28,750 --> 00:06:26,000

Hollywood source who's interested in

118

00:06:30,580 --> 00:06:28,760

possibly optioning the book for a future

119

00:06:34,120 --> 00:06:30,590

movie but we'll see how that goes

120

00:06:38,529 --> 00:06:34,130

oh that's that's fantastic oh and good

121

00:06:40,360 --> 00:06:38,539

luck with that because a lot of us have

122

00:06:43,090 --> 00:06:40,370

been involved with that where you know

123

00:06:47,260 --> 00:06:43,100

you get a book optioned and then it just

124

00:06:50,950 --> 00:06:47,270

sets for years yeah it goes nowhere

125

00:06:52,930 --> 00:06:50,960

until that option expire so yeah an

126  
00:06:54,909 --> 00:06:52,940  
option can be a good thing should get

127  
00:06:55,540 --> 00:06:54,919  
some money up front yes that's right

128  
00:06:59,469 --> 00:06:55,550  
that's right

129  
00:07:01,420 --> 00:06:59,479  
you know I've I've known several people

130  
00:07:02,830 --> 00:07:01,430  
though who have you know even though you

131  
00:07:04,600 --> 00:07:02,840  
know like you said you know they get

132  
00:07:06,370 --> 00:07:04,610  
money upfront they just get so

133  
00:07:10,070 --> 00:07:06,380  
frustrated you know with the whole

134  
00:07:12,770 --> 00:07:10,080  
process and it's like you know it's

135  
00:07:17,869 --> 00:07:12,780  
I can't remember what the statistic was

136  
00:07:21,559 --> 00:07:17,879  
yeah less than 1% of material that gets

137  
00:07:30,320 --> 00:07:21,569  
optioned ever gets you know past the

138  
00:07:32,749 --> 00:07:30,330

production stage but yeah you know I

139

00:07:35,719 --> 00:07:32,759

mean if anybody out there is a betting

140

00:07:37,969 --> 00:07:35,729

man I mean do there's that 1% or less

141

00:07:42,610 --> 00:07:37,979

than what presents the ivied yeah it's

142

00:07:47,029 --> 00:07:42,620

it's not like it's just you know what

143

00:07:49,490 --> 00:07:47,039

0.001 percent so you got some if any

144

00:07:51,980 --> 00:07:49,500

community could use a few laughs its Las

145

00:07:54,559 --> 00:07:51,990

Vegas right now and that's where I set

146

00:07:58,879 --> 00:07:54,569

the book and it is a lot of humor in it

147

00:08:01,159 --> 00:07:58,889

a little racy and the costumes become

148

00:08:03,469 --> 00:08:01,169

more popular with the people of Vegas in

149

00:08:05,540 --> 00:08:03,479

the story when they decided to sex them

150

00:08:07,339 --> 00:08:05,550

up a little to get the tension and the

151

00:08:10,010 --> 00:08:07,349

crowds come in they find it the more

152

00:08:11,929 --> 00:08:10,020

ludicrous and over-the-top looking the

153

00:08:16,189 --> 00:08:11,939

more popular becomes and that's why it's

154

00:08:22,390 --> 00:08:16,199

sexy alien races well you know it's

155

00:08:27,230 --> 00:08:22,400

that's funny though because that really

156

00:08:31,820 --> 00:08:27,240

is pretty much the whole UFO mania in in

157

00:08:34,069 --> 00:08:31,830

a nutshell though because if you go and

158

00:08:37,550 --> 00:08:34,079

and I and I know Paul that that you're

159

00:08:42,230 --> 00:08:37,560

well familiar with the very beginning of

160

00:08:46,790 --> 00:08:42,240

the the you know modern-day UFO era and

161

00:08:50,420 --> 00:08:46,800

and how it has changed so much since

162

00:08:52,519 --> 00:08:50,430

that time I mean it was fairly you know

163

00:08:55,670 --> 00:08:52,529

it was fairly not some bolts you know

164

00:08:58,990 --> 00:08:55,680

black back in the late 40s and early 50s

165

00:09:01,550 --> 00:08:59,000

you were talking about possibility of

166

00:09:06,470 --> 00:09:01,560

people visiting us from other planets

167

00:09:09,380 --> 00:09:06,480

you know driving their very 50 years

168

00:09:13,250 --> 00:09:09,390

looking flying saucers they almost you

169

00:09:15,800 --> 00:09:13,260

know had had fins on them they were they

170

00:09:22,540 --> 00:09:15,810

were so they were so modern looking but

171

00:09:26,660 --> 00:09:22,550

then as time went by the phenomena

172

00:09:30,769 --> 00:09:26,670

evolved and branched out into all kinds

173

00:09:37,040 --> 00:09:30,779

of different directions I mean it's just

174

00:09:41,689 --> 00:09:37,050

it's it's amazing now to look at how

175

00:09:45,819 --> 00:09:41,699

diverse and interesting and weird the

176

00:09:49,759 --> 00:09:45,829

the the whole UFO field has has become

177

00:09:52,639 --> 00:09:49,769

so you know you're talking about how the

178

00:09:54,740 --> 00:09:52,649

the costume makers decided to add a

179

00:09:58,429 --> 00:09:54,750

little you know pizzazz and and sex to

180

00:10:00,980 --> 00:09:58,439

everything and that you know brought in

181

00:10:04,280 --> 00:10:00,990

more attention and that's really the way

182

00:10:07,040 --> 00:10:04,290

the UFO field has become it's it's it's

183

00:10:09,860 --> 00:10:07,050

now it's a lot more you know you know

184

00:10:13,189 --> 00:10:09,870

you know it's it's it's more glitzy it's

185

00:10:17,449 --> 00:10:13,199

more diverse it's definitely a lot more

186

00:10:22,850 --> 00:10:17,459

interesting nowadays I think wouldn't

187

00:10:27,439 --> 00:10:22,860

you agree Adam OOP sorry got muted there

188

00:10:31,129 --> 00:10:27,449

no bra more diverse you say huh I think

189

00:10:36,679 --> 00:10:31,139

so I mean you know you look at okay you

190

00:10:40,329 --> 00:10:36,689

know when UFO researchers in the 50s it

191

00:10:44,480 --> 00:10:40,339

basically was all you know these are

192

00:10:48,889 --> 00:10:44,490

aliens from other planets now I mean

193

00:10:51,860 --> 00:10:48,899

you've got interdimensional beings time

194

00:10:53,210 --> 00:10:51,870

travelers people from the Inner Earth

195

00:10:58,160 --> 00:10:53,220

well they haven't they had that you know

196

00:11:00,350 --> 00:10:58,170

in in the 50s as well but I mean there's

197

00:11:03,819 --> 00:11:00,360

just all kinds of age there's a whole

198

00:11:07,370 --> 00:11:03,829

plethora of different things going on

199

00:11:11,870 --> 00:11:07,380

well I wouldn't say the interdimensional

200

00:11:14,150 --> 00:11:11,880

thing is brand-spanking-new that you

201  
00:11:18,439 --> 00:11:14,160  
know that was something John keel was

202  
00:11:21,829 --> 00:11:18,449  
talking about in the 70s and Jack Valais

203  
00:11:24,499 --> 00:11:21,839  
to a certain extent I don't know some of

204  
00:11:30,990 --> 00:11:24,509  
the diverse this you're talking about

205  
00:11:40,870 --> 00:11:37,030  
call it UFO porn these are like thought

206  
00:11:44,980 --> 00:11:40,880  
the heart of outlandish stuff there I

207  
00:11:47,050 --> 00:11:44,990  
guess I'd become kind of a cynic here in

208  
00:11:52,170 --> 00:11:47,060  
recent years with all these stories

209  
00:11:54,900 --> 00:11:52,180  
about stargates and super soldiers and

210  
00:11:59,440 --> 00:11:54,910  
stuff of that nature I'm sounding

211  
00:12:01,720 --> 00:11:59,450  
curmudgeonly aren't I oh well that's

212  
00:12:05,680 --> 00:12:01,730  
okay I may be you know who can who could

213  
00:12:08,020 --> 00:12:05,690

blame you really you know it just it

214

00:12:12,100 --> 00:12:08,030

seems like as time goes by you know you

215

00:12:17,530 --> 00:12:12,110

just get wilder and Wilder stories and

216

00:12:20,290 --> 00:12:17,540

as Paul pointed out you get these you

217

00:12:24,460 --> 00:12:20,300

know kids who become interested in yeah

218

00:12:26,170 --> 00:12:24,470

yeah well foes and they see some of this

219

00:12:29,500 --> 00:12:26,180

stuff the super soldiers you know

220

00:12:31,930 --> 00:12:29,510

especially it's that's that's one that's

221

00:12:35,290 --> 00:12:31,940

that's been catching my craw recently

222

00:12:37,300 --> 00:12:35,300

and they just take it as a matter of

223

00:12:39,160 --> 00:12:37,310

fact oh yeah it's true you know I read

224

00:12:42,540 --> 00:12:39,170

it I read it on Google so I know it's

225

00:12:47,710 --> 00:12:42,550

true yeah well the this grand arc of

226

00:12:49,480 --> 00:12:47,720

ufology Paul was talking about oh those

227

00:12:52,780 --> 00:12:49,490

are and those stories you know that

228

00:12:55,390 --> 00:12:52,790

seems like it seems almost pretty

229

00:12:57,850 --> 00:12:55,400

recently that was like a new wave you

230

00:13:00,820 --> 00:12:57,860

know in the late 80s and all that came

231

00:13:03,700 --> 00:13:00,830

in that's when Hollywood really started

232

00:13:07,960 --> 00:13:03,710

latching on to a lot of these stories

233

00:13:11,320 --> 00:13:07,970

you know the all the Dulce base and area

234

00:13:13,750 --> 00:13:11,330

51 and those legends that had been

235

00:13:16,990 --> 00:13:13,760

growing over the years with the secret

236

00:13:22,420 --> 00:13:17,000

pact and with the aliens and all of that

237

00:13:25,450 --> 00:13:22,430

stuff got inserted into you know the

238

00:13:28,690 --> 00:13:25,460

x-files and out of that stuff that

239

00:13:31,330 --> 00:13:28,700

emerged out of Hollywood during that

240

00:13:34,600 --> 00:13:31,340

period in the early 90s which was that's

241

00:13:35,110 --> 00:13:34,610

almost 25 years now but I know can you

242

00:13:38,050 --> 00:13:35,120

believe that

243

00:13:43,430 --> 00:13:38,060

I I have I have a fondness for the old

244

00:13:45,920 --> 00:13:43,440

school contact these just because of the

245

00:13:48,139 --> 00:13:45,930

innocence that came out of that period

246

00:13:49,400 --> 00:13:48,149

and all the colorful characters you

247

00:13:51,829 --> 00:13:49,410

probably know I've been working on a

248

00:13:55,699 --> 00:13:51,839

book with my friend Greg Bishop

249

00:14:00,019 --> 00:13:55,709

on the old school contactees which were

250

00:14:04,220 --> 00:14:00,029

close to finishing after about five

251

00:14:07,340 --> 00:14:04,230

years and I and I've been anxiously

252

00:14:09,619 --> 00:14:07,350

awaiting that book too you know and I'm

253

00:14:13,519 --> 00:14:09,629

gonna share some snippets tonight as we

254

00:14:16,819 --> 00:14:13,529

get talking about sex and UFOs

255

00:14:18,949 --> 00:14:16,829

I've written a couple things working on

256

00:14:23,420 --> 00:14:18,959

this contactee book and it's kind of a

257

00:14:26,059 --> 00:14:23,430

who's-who where you have entries for a

258

00:14:28,189 --> 00:14:26,069

lot of different contactees and sex

259

00:14:31,759 --> 00:14:28,199

often comes up in a lot of those

260

00:14:36,379 --> 00:14:31,769

old-school contactees and also i wrote

261

00:14:40,249 --> 00:14:36,389

another article in a few years now that

262

00:14:45,290 --> 00:14:40,259

was published in the dark lore anthology

263

00:14:47,960 --> 00:14:45,300

that Greg Taylor puts out that daily

264

00:14:53,269 --> 00:14:47,970

grill and it was called SAR tackle was

265

00:14:57,889 --> 00:14:53,279

called sex drugs and UFOs did as we

266

00:15:00,410 --> 00:14:57,899

proceed here that's great the characters

267

00:15:02,030 --> 00:15:00,420

in my book discover somewhat the same

268

00:15:05,329 --> 00:15:02,040

thing when they start trying to make

269

00:15:09,170 --> 00:15:05,339

realistic alien costumes as their boss

270

00:15:10,910 --> 00:15:09,180

insists upon well are they male or are

271

00:15:13,699 --> 00:15:10,920

they female and they ask each other

272

00:15:14,960 --> 00:15:13,709

should we make a aliens or gray aliens

273

00:15:17,480 --> 00:15:14,970

or female lan's

274

00:15:20,240 --> 00:15:17,490

or even [h\_\_\h] lan's if they don't have

275

00:15:22,759 --> 00:15:20,250

a particular gender what exactly is

276

00:15:24,949 --> 00:15:22,769

landing and poking around on our planet

277

00:15:27,799 --> 00:15:24,959

and poking around on abductees and

278

00:15:30,230 --> 00:15:27,809

contactees and it gets to be comical but

279

00:15:33,079 --> 00:15:30,240

it does raise the question do they have

280

00:15:36,170 --> 00:15:33,089

gender do they have male and female and

281

00:15:38,600 --> 00:15:36,180

reproductive organs when they what

282

00:15:40,730 --> 00:15:38,610

various races come here and what does

283

00:15:42,759 --> 00:15:40,740

happen and some of these abduction cases

284

00:15:45,170 --> 00:15:42,769

were they're trying to create

285

00:15:47,420 --> 00:15:45,180

hybridization you know and create a new

286

00:15:49,579 --> 00:15:47,430

race supposedly according to some of

287

00:15:54,230 --> 00:15:49,589

these people it's a pretty strange wild

288

00:15:56,450 --> 00:15:54,240

subject well you know the early as as

289

00:15:59,540 --> 00:15:56,460

Adam was referring to you know the early

290

00:16:02,750 --> 00:15:59,550

contact he's with the the the space

291

00:16:06,590 --> 00:16:02,760

brothers and all that their descriptions

292

00:16:09,920 --> 00:16:06,600

a lot of times of these characters then

293

00:16:11,690 --> 00:16:09,930

they were almost androgynous even though

294

00:16:15,800 --> 00:16:11,700

you know they would identify themselves

295

00:16:17,810 --> 00:16:15,810

as male or female a lot of them were

296

00:16:20,690 --> 00:16:17,820

always reported as you know being you

297

00:16:24,980 --> 00:16:20,700

know beautiful and you know with a fair

298

00:16:27,650 --> 00:16:24,990

skin and blue of eye and and all that so

299

00:16:29,960 --> 00:16:27,660

so yeah don't forget don't forget or

300

00:16:41,650 --> 00:16:29,970

arrange she was tops and shapeliness and

301

00:16:49,990 --> 00:16:45,470

if if he if he was making all of that up

302

00:16:54,079 --> 00:16:50,000

he sure had an interesting fantasy life

303

00:16:57,620 --> 00:16:54,089

if or arranged just you know simply was

304

00:17:02,300 --> 00:16:57,630

a product of a you know vivid late-night

305

00:17:05,210 --> 00:17:02,310

imagination because and you know Tim

306

00:17:11,329 --> 00:17:05,220

Beck Lee's personal assistant Carol Ann

307

00:17:16,490 --> 00:17:11,339

Rodriguez did a drawing of aura rates at

308

00:17:20,030 --> 00:17:16,500

what time that I think has been used was

309

00:17:21,890 --> 00:17:20,040

it in greats book Greg Bishop spook yeah

310

00:17:25,699 --> 00:17:21,900

I'm quite familiar with well I've seen

311

00:17:29,830 --> 00:17:25,709

it in a lot of places aura was a Barrera

312

00:17:37,580 --> 00:17:29,840

Marie excuse Marie wearing space babe

313

00:17:43,610 --> 00:17:37,590

from Clara for the most part with the

314

00:17:47,360 --> 00:17:43,620

fifties fifty sixties contactees and the

315

00:17:51,169 --> 00:17:47,370

sexual component that was in some of

316

00:17:53,080 --> 00:17:51,179

their stories yeah normally oh pretty

317

00:17:58,790 --> 00:17:53,090

much across the board these were all the

318

00:18:02,570 --> 00:17:58,800

human looking ETS it wasn't later until

319

00:18:07,670 --> 00:18:02,580

we got into the abduction period where

320

00:18:13,750 --> 00:18:07,680

the sexual experience seemed to change

321

00:18:17,990 --> 00:18:13,760

more of a some cases you know violent or

322

00:18:21,020 --> 00:18:18,000

bordering on even sexual abuse you know

323

00:18:22,930 --> 00:18:21,030

with the probes and all these things

324

00:18:25,370 --> 00:18:22,940

going on and some of those experiences

325

00:18:30,130 --> 00:18:25,380

even you know even though whitley

326

00:18:33,980 --> 00:18:30,140

strieber described his experiences as

327

00:18:39,640 --> 00:18:33,990

painful and frightening on you know also

328

00:18:42,170 --> 00:18:39,650

he felt that they heightened his

329

00:18:46,660 --> 00:18:42,180

awareness and he learned from those

330

00:18:50,810 --> 00:18:46,670

experiences you know type of kind of a

331

00:18:54,170 --> 00:18:50,820

spiritual experience for him

332

00:18:56,530 --> 00:18:54,180

were there sexual stories involving the

333

00:19:00,880 --> 00:18:56,540

so-called Nords the nordic type

334

00:19:05,840 --> 00:19:00,890

humanoid-looking yeah there's there's

335

00:19:09,950 --> 00:19:05,850

quite a few yeah you know the main

336

00:19:13,430 --> 00:19:09,960

planets during the that contactee period

337

00:19:17,210 --> 00:19:13,440

they're either meeting visitors from

338

00:19:22,460 --> 00:19:17,220

Venus or Mars or in the case of hora

339

00:19:26,000 --> 00:19:22,470

rains Clarion which was hidden hidden

340

00:19:27,470 --> 00:19:26,010

within our galaxy but yeah for the most

341

00:19:32,600 --> 00:19:27,480

part they were the blond-haired

342

00:19:34,610 --> 00:19:32,610

blue-eyed beautiful Nordic sore in and

343

00:19:38,600 --> 00:19:34,620

then in some of the cases they were

344

00:19:42,620 --> 00:19:38,610

described as olive-skinned or kind of

345

00:19:47,120 --> 00:19:42,630

Italian looking space brothers and space

346

00:19:50,930 --> 00:19:47,130

sisters Howard Howard Ben juris probably

347

00:19:53,840 --> 00:19:50,940

yeah uh you know yeah I mean his his

348

00:19:58,040 --> 00:19:53,850

contacts with the with the you know with

349

00:19:59,540 --> 00:19:58,050

with the Nordics was extremely even

350

00:20:00,980 --> 00:19:59,550

though you know these these early Brooks

351  
00:20:03,110 --> 00:20:00,990  
even I don't think they could have

352  
00:20:08,060 --> 00:20:03,120  
gotten away with being very graphic or

353  
00:20:11,200 --> 00:20:08,070  
even talking that much about any kinds

354  
00:20:14,930 --> 00:20:11,210  
of you know sexual liaisons between them

355  
00:20:19,190 --> 00:20:14,940  
but Howard made you know some some

356  
00:20:28,970 --> 00:20:24,470  
hinted at it and the first experience at

357  
00:20:32,539 --> 00:20:28,980  
his oh it's like where he grew up as a

358  
00:20:35,060 --> 00:20:32,549  
child out in New Jersey or New York is

359  
00:20:37,580 --> 00:20:35,070  
like on a farm as when he met Marla this

360  
00:20:39,590 --> 00:20:37,590  
beautiful buxom blonde haired and

361  
00:20:43,669 --> 00:20:39,600  
bombshell from outer space from Venus

362  
00:20:45,950 --> 00:20:43,679  
who was like he found her sitting on a

363  
00:20:47,840 --> 00:20:45,960

rock she's the most beautiful woman she

364

00:20:51,740 --> 00:20:47,850

was supposedly five hundred years old

365

00:20:53,840 --> 00:20:51,750

but didn't look a day over 21 and it's

366

00:20:57,080 --> 00:20:53,850

kind of intimated that he might have

367

00:20:59,419 --> 00:20:57,090

been initiated at that point this is

368

00:21:02,620 --> 00:20:59,429

from his book I forget get the name of

369

00:21:07,269 --> 00:21:02,630

his book now but later in life he saw

370

00:21:09,710 --> 00:21:07,279

either the reincarnation of Marla or

371

00:21:13,580 --> 00:21:09,720

wasn't quite clear but that ended up

372

00:21:15,950 --> 00:21:13,590

being his wife Connie Minjae right right

373

00:21:16,549 --> 00:21:15,960

and kind you still alive by the way yeah

374

00:21:18,200 --> 00:21:16,559

yeah

375

00:21:21,830 --> 00:21:18,210

Howard passed away a few years back but

376

00:21:26,180 --> 00:21:21,840

but Connie it's still still in there I

377

00:21:29,299 --> 00:21:26,190

mean and Howard I mean he divorced his

378

00:21:35,810 --> 00:21:29,309

first wife to marry her and went on to

379

00:21:40,549 --> 00:21:35,820

make a badly produced record album of oh

380

00:21:43,870 --> 00:21:40,559

yeah music from outer space that's right

381

00:21:47,299 --> 00:21:43,880

that's right dedicated to his

382

00:21:49,519 --> 00:21:47,309

otherworldly lover gee does that mean

383

00:21:55,639 --> 00:21:49,529

the 500 year old buxom blonde is still

384

00:21:59,899 --> 00:21:55,649

available yes she's still around I don't

385

00:22:06,039 --> 00:21:59,909

I think that living on earth has maybe

386

00:22:08,570 --> 00:22:06,049

been a little bit hard on her harmony

387

00:22:15,320 --> 00:22:08,580

she doesn't quite look like she did in

388

00:22:16,820 --> 00:22:15,330

the in the 1950s but forty years uh you

389

00:22:20,019 --> 00:22:16,830

know fifty years ago if she's five

390

00:22:22,119 --> 00:22:20,029

hundred if she's aging well

391

00:22:24,459 --> 00:22:22,129

yeah there you go it was anyone else

392

00:22:27,959 --> 00:22:24,469

seriously ever reported such a thing

393

00:22:31,869 --> 00:22:27,969

that would corroborate such a wild story

394

00:22:34,029 --> 00:22:31,879

not really and there was a lot of those

395

00:22:35,739 --> 00:22:34,039

wild stories out there during the day

396

00:22:38,320 --> 00:22:35,749

back in the day

397

00:22:40,749 --> 00:22:38,330

there was someone from South America who

398

00:22:43,299 --> 00:22:40,759

reported like a beautiful woman would

399

00:22:46,450 --> 00:22:43,309

took him aboard and pleased him shall

400

00:22:48,399 --> 00:22:46,460

we say and it was a rather famous story

401  
00:22:50,739 --> 00:22:48,409  
I think back in the 70s is that sound

402  
00:22:54,009 --> 00:22:50,749  
right Oh earlier earlier than that

403  
00:22:57,099 --> 00:22:54,019  
Billis Villa ball at Bo's yeah Brazil I

404  
00:23:01,029 --> 00:22:57,109  
was like oh gosh what about late 1950s I

405  
00:23:06,519 --> 00:23:01,039  
think you III have passage right in

406  
00:23:09,219 --> 00:23:06,529  
front of me was 1957 when the 23 year

407  
00:23:11,619 --> 00:23:09,229  
old Brazilian farmer was taken aboard a

408  
00:23:15,159 --> 00:23:11,629  
UFO apparently they slipped him some

409  
00:23:19,509 --> 00:23:15,169  
type of aphrodisiac Mickey of some sort

410  
00:23:21,339 --> 00:23:19,519  
and he was forced to have sex with she

411  
00:23:25,419 --> 00:23:21,349  
was described as an attractive

412  
00:23:28,180 --> 00:23:25,429  
red-haired pointy breasts feminine ID

413  
00:23:30,700 --> 00:23:28,190

and she was making odd animal-like

414

00:23:35,049 --> 00:23:30,710

grunting noises which was always a

415

00:23:36,579 --> 00:23:35,059

peculiar partners living let me

416

00:23:38,349 --> 00:23:36,589

interrupt you here Adam because we have

417

00:23:40,570 --> 00:23:38,359

to go to our bottom of the hour break

418

00:23:43,480 --> 00:23:40,580

we'll continue this conversation in just

419

00:23:52,409 --> 00:23:43,490

a few minutes experience

420

00:23:59,139 --> 00:23:56,560

now back to exploring the bazaars with

421

00:24:02,440 --> 00:23:59,149

two of the most electrifying researchers

422

00:24:07,930 --> 00:24:02,450

in the Paranoid your hosts Timothy Becca

423

00:24:10,509 --> 00:24:07,940

Lee panting Swift's welcome back to

424

00:24:13,480 --> 00:24:10,519

exploring the bazaar and I encourage our

425

00:24:16,419 --> 00:24:13,490

listeners that if you have questions for

426  
00:24:19,149 --> 00:24:16,429  
for Paul or Adam you know this this is

427  
00:24:23,169 --> 00:24:19,159  
an excellent program to ask these

428  
00:24:26,499 --> 00:24:23,179  
questions you know talking about the

429  
00:24:32,470 --> 00:24:26,509  
section UFOs sex and aliens or you know

430  
00:24:36,419 --> 00:24:32,480  
the trying to introduce people to the

431  
00:24:39,940 --> 00:24:36,429  
history of the flying saucer phenomena

432  
00:24:43,090 --> 00:24:39,950  
that you know this this this is a great

433  
00:24:45,240 --> 00:24:43,100  
way so just send your questions to us

434  
00:24:48,009 --> 00:24:45,250  
through through Tina

435  
00:24:49,930 --> 00:24:48,019  
mental telepathy I don't care just get

436  
00:24:52,930 --> 00:24:49,940  
it to us because we'd love to hear from

437  
00:24:55,649 --> 00:24:52,940  
you so Adam I want to continue on

438  
00:24:57,879 --> 00:24:55,659

talking about the villa Boas case

439

00:25:02,740 --> 00:24:57,889

because I think that was one of the

440

00:25:04,240 --> 00:25:02,750

first ones at least I mean it may have

441

00:25:07,149 --> 00:25:04,250

not actually have been he liked the

442

00:25:08,590 --> 00:25:07,159

first incident of that tide but it was

443

00:25:11,289 --> 00:25:08,600

the first one that actually somebody

444

00:25:13,419 --> 00:25:11,299

dared write about it I think first time

445

00:25:17,799 --> 00:25:13,429

first place I read about it was you know

446

00:25:20,460 --> 00:25:17,809

maybe a choral Lorenza wrote something

447

00:25:23,409 --> 00:25:20,470

up about it in one of one of her books

448

00:25:25,029 --> 00:25:23,419

but you know and that was that was quite

449

00:25:27,310 --> 00:25:25,039

a you know that was a number of years

450

00:25:28,919 --> 00:25:27,320

after the case I mean nobody would dare

451  
00:25:33,490 --> 00:25:28,929  
write about that in the early sixties

452  
00:25:37,570 --> 00:25:33,500  
yeah it seems to stand out as perhaps

453  
00:25:41,740 --> 00:25:37,580  
one of the first quote-unquote abduction

454  
00:25:44,980 --> 00:25:41,750  
cases that you know had sex involved in

455  
00:25:48,149 --> 00:25:44,990  
the story and it's it's quite different

456  
00:25:52,230 --> 00:25:48,159  
you know if you look at the contact ear

457  
00:25:58,590 --> 00:25:52,240  
that kind of started really in 52 with

458  
00:26:00,220 --> 00:25:58,600  
Adamski's sighting so the villa Boas was

459  
00:26:02,350 --> 00:26:00,230  
1957

460  
00:26:04,240 --> 00:26:02,360  
so you know during that contact Eid

461  
00:26:08,770 --> 00:26:04,250  
period but it is quite different than

462  
00:26:09,419 --> 00:26:08,780  
all of the contactee cases during that

463  
00:26:13,840 --> 00:26:09,429

time

464

00:26:17,020 --> 00:26:13,850

well you had there have been a period I

465

00:26:21,220 --> 00:26:17,030

think starting in what was like maybe

466

00:26:24,010 --> 00:26:21,230

fifty three where you had a number of a

467

00:26:28,500 --> 00:26:24,020

UFO sightings in South America and

468

00:26:31,180 --> 00:26:28,510

France Spain that that had deviated

469

00:26:33,760 --> 00:26:31,190

wildly away from the whole space

470

00:26:38,049 --> 00:26:33,770

brothers you know friendly New Age type

471

00:26:41,590 --> 00:26:38,059

of contacts to these you know landed

472

00:26:43,360 --> 00:26:41,600

saucers with little guys in spacesuits

473

00:26:45,370 --> 00:26:43,370

you know coming out and you know

474

00:26:48,940 --> 00:26:45,380

sometimes actually attacking the

475

00:26:51,460 --> 00:26:48,950

witnesses yes yes yeah yeah and so and

476

00:26:55,210 --> 00:26:51,470

so and then you had you know this this

477

00:27:00,070 --> 00:26:55,220

case with Villa Boas where are we yeah

478

00:27:02,260 --> 00:27:00,080

he was attacked off there was any

479

00:27:04,960 --> 00:27:02,270

witnesses to a lot of these stories and

480

00:27:08,640 --> 00:27:04,970

and there was a lot of the contactees

481

00:27:11,650 --> 00:27:08,650

you know it was like they were either

482

00:27:14,980 --> 00:27:11,660

making things up or they were conmen I

483

00:27:17,710 --> 00:27:14,990

think some of them believe their stories

484

00:27:22,210 --> 00:27:17,720

but it was you know kind of a

485

00:27:24,280 --> 00:27:22,220

subconscious projection but a lot of

486

00:27:26,590 --> 00:27:24,290

people were impressed by the villa Boas

487

00:27:30,400 --> 00:27:26,600

case he was you know people actually

488

00:27:33,370 --> 00:27:30,410

went out and interviewed him and he

489

00:27:35,740 --> 00:27:33,380

seemed you know like a solid witness I

490

00:27:38,440 --> 00:27:35,750

think they might have even I might be

491

00:27:41,890 --> 00:27:38,450

confusing this with another case but

492

00:27:44,830 --> 00:27:41,900

they did a lie-detector on and then he

493

00:27:47,830 --> 00:27:44,840

is it seemed you know his testimony

494

00:27:51,070 --> 00:27:47,840

seemed believable there were no other

495

00:27:53,560 --> 00:27:51,080

witnesses to the case I want to mention

496

00:27:58,390 --> 00:27:53,570

one other that happened in Brazil and

497

00:28:03,600 --> 00:27:58,400

this was in 1979 it was kind of a not

498

00:28:06,909 --> 00:28:03,610

one to guy name he was a 25 year old

499

00:28:09,419 --> 00:28:06,919

Antonio Fiera I think I'm saying that

500

00:28:11,680 --> 00:28:09,429

name right with witness to saucer land

501  
00:28:13,960 --> 00:28:11,690  
followed by the appearance of some

502  
00:28:16,090 --> 00:28:13,970  
robots who abducted him

503  
00:28:18,880 --> 00:28:16,100  
and took him aboard their craft and

504  
00:28:21,760 --> 00:28:18,890  
their fear encountered a repulsive

505  
00:28:24,880 --> 00:28:21,770  
female alien with bad breath that's a

506  
00:28:29,260 --> 00:28:24,890  
nice touch I'm going over he resisted

507  
00:28:31,510 --> 00:28:29,270  
and in response the robots took his

508  
00:28:33,730 --> 00:28:31,520  
clothes off and gave him an injection of

509  
00:28:36,640 --> 00:28:33,740  
some sort a lot of these cases you have

510  
00:28:39,640 --> 00:28:36,650  
like drugs are involved same thing with

511  
00:28:44,740 --> 00:28:39,650  
villain Boas anyway that injection kind

512  
00:28:47,220 --> 00:28:44,750  
of caused him to succumb then the robots

513  
00:28:50,980 --> 00:28:47,230

covered him with an amber covered oil

514

00:28:56,650 --> 00:28:50,990

mmm emotion maybe and followed that

515

00:28:59,680 --> 00:28:56,660

followed by that an alien gal did the

516

00:29:02,050 --> 00:28:59,690

bump and grind with him so this it was

517

00:29:07,060 --> 00:29:02,060

similar to the villa Boas cased he was

518

00:29:09,460 --> 00:29:07,070

kind of forced into that well suspicious

519

00:29:11,890 --> 00:29:09,470

if someone starts changing their story

520

00:29:14,800 --> 00:29:11,900

and then adding to it sexing it up

521

00:29:16,990 --> 00:29:14,810

making it really mild sounding then you

522

00:29:19,900 --> 00:29:17,000

know that someone just wants attention

523

00:29:22,330 --> 00:29:19,910

or money for a book deal or a movie deal

524

00:29:24,520 --> 00:29:22,340

and I'll point out real quick Bob Lazar

525

00:29:27,100 --> 00:29:24,530

said that he was approached by a few

526

00:29:29,920 --> 00:29:27,110

Hollywood producers who offered him some

527

00:29:32,200 --> 00:29:29,930

substantial money for his story but they

528

00:29:35,770 --> 00:29:32,210

wanted to sex it up and put in violent

529

00:29:38,560 --> 00:29:35,780

aliens attack oh yeah he turned them all

530

00:29:40,900 --> 00:29:38,570

down he never changed his story he

531

00:29:44,590 --> 00:29:40,910

sticks to the same story to this day and

532

00:29:46,600 --> 00:29:44,600

he doesn't want it turned into some wild

533

00:29:47,260 --> 00:29:46,610

Hollywood production a fictionalized

534

00:29:49,540 --> 00:29:47,270

thing

535

00:29:52,450 --> 00:29:49,550

well that's often what they want to do

536

00:29:57,280 --> 00:29:52,460

they want to have a love interest in the

537

00:29:59,740 --> 00:29:57,290

story I know my friend Greg Bishop from

538

00:30:01,810 --> 00:29:59,750

the book called Project beta and truly a

539

00:30:04,930 --> 00:30:01,820

spy story has to do with the whole

540

00:30:09,760 --> 00:30:04,940

bennewitz affair and he was talking to

541

00:30:11,950 --> 00:30:09,770

some producers and you know that always

542

00:30:13,840 --> 00:30:11,960

came up and when they were discussing

543

00:30:16,810 --> 00:30:13,850

this well we got it you know but put

544

00:30:18,820 --> 00:30:16,820

that love angle and write an extra

545

00:30:22,500 --> 00:30:18,830

character in here that's the love

546

00:30:25,240 --> 00:30:22,510

interest that type of thing oh my god

547

00:30:27,200 --> 00:30:25,250

you don't need that to make a good story

548

00:30:30,740 --> 00:30:27,210

but you know there's

549

00:30:33,940 --> 00:30:30,750

formula that people in Hollywood want to

550

00:30:36,590 --> 00:30:33,950

follow sometimes mmm well it's like the

551  
00:30:39,019 --> 00:30:36,600  
the movie that they made about the

552  
00:30:41,149 --> 00:30:39,029  
Travis Walton case where they basically

553  
00:30:44,120 --> 00:30:41,159  
they basically turned it into a horror

554  
00:30:45,740 --> 00:30:44,130  
film yes I didn't care for that at all I

555  
00:30:47,870 --> 00:30:45,750  
bet whitley strieber was he privately

556  
00:30:50,990 --> 00:30:47,880  
pretty upset with that finished result

557  
00:30:54,649 --> 00:30:51,000  
that movie well he was like a

558  
00:30:59,049 --> 00:30:54,659  
co-producer I think of that one it was

559  
00:31:06,440 --> 00:31:04,580  
it was but you know I the customer I

560  
00:31:09,799 --> 00:31:06,450  
can't remember the name of the the

561  
00:31:12,500 --> 00:31:09,809  
directors Australian director but the

562  
00:31:16,090 --> 00:31:12,510  
the two collaborated fairly close

563  
00:31:21,970 --> 00:31:16,100

together you know to produce that film

564

00:31:24,529 --> 00:31:21,980

but you know I need how many how many

565

00:31:27,019 --> 00:31:24,539

movies have you ever seen you know

566

00:31:30,549 --> 00:31:27,029

supposedly based on you know true life

567

00:31:34,940 --> 00:31:30,559

events in in this field have come out

568

00:31:36,860 --> 00:31:34,950

satisfactory get upon the keyword based

569

00:31:38,750 --> 00:31:36,870

upon that's what they'll put at the

570

00:31:40,519 --> 00:31:38,760

start of the movie based upon a true

571

00:31:41,870 --> 00:31:40,529

story yeah then they added a bunch of

572

00:31:44,630 --> 00:31:41,880

extra junk to it

573

00:31:47,779 --> 00:31:44,640

I think the popularity of Independence

574

00:31:49,610 --> 00:31:47,789

Day back and I think 1996 caused

575

00:31:52,100 --> 00:31:49,620

Hollywood to really stand up and take

576  
00:31:54,380 --> 00:31:52,110  
notice if you have evil aliens invading

577  
00:31:56,090 --> 00:31:54,390  
and a big fight and lots of drama that's

578  
00:31:57,970 --> 00:31:56,100  
what they're looking for to copy off of

579  
00:32:00,860 --> 00:31:57,980  
that

580  
00:32:02,600 --> 00:32:00,870  
well there's gas whoa-ho what's it

581  
00:32:07,180 --> 00:32:02,610  
called The Awakening that came out last

582  
00:32:10,490 --> 00:32:07,190  
year I think that was the title that

583  
00:32:14,990 --> 00:32:10,500  
they did a very good job with fats

584  
00:32:17,419 --> 00:32:15,000  
there's no no no evil aliens no big

585  
00:32:21,620 --> 00:32:17,429  
explosions no CGI

586  
00:32:28,250 --> 00:32:21,630  
no no overblown CGI it was just this an

587  
00:32:32,120 --> 00:32:28,260  
attempt to communicate with a an alien

588  
00:32:35,750 --> 00:32:32,130

race that came to the planet and and we

589

00:32:41,120 --> 00:32:35,760

had to learn their language which it was

590

00:32:43,760 --> 00:32:41,130

nothing like anything that our feeble

591

00:32:46,190 --> 00:32:43,770

brains could even conceive you're

592

00:32:49,669 --> 00:32:46,200

talking about something that a language

593

00:32:52,399 --> 00:32:49,679

that transcended time and space so wrap

594

00:32:55,639 --> 00:32:52,409

your heads around that did that do well

595

00:32:59,750 --> 00:32:55,649

at the box office was that a success it

596

00:33:02,930 --> 00:32:59,760

it probably it probably was because it

597

00:33:04,279 --> 00:33:02,940

didn't cost that much to make you know

598

00:33:09,049 --> 00:33:04,289

there's one of those types of movies

599

00:33:10,909 --> 00:33:09,059

where the least bit you know a few

600

00:33:12,740 --> 00:33:10,919

million dollars on it and when I say few

601  
00:33:15,500 --> 00:33:12,750  
you know like maybe 20 million something

602  
00:33:17,870 --> 00:33:15,510  
like that so it probably did okay in the

603  
00:33:20,379 --> 00:33:17,880  
United States but probably did better

604  
00:33:25,460 --> 00:33:20,389  
overseas where seems like anymore most

605  
00:33:28,370 --> 00:33:25,470  
most movies make their money but Paul I

606  
00:33:28,909 --> 00:33:28,380  
want to ask you now you brought up Bob

607  
00:33:34,310 --> 00:33:28,919  
Lazar

608  
00:33:37,090 --> 00:33:34,320  
and for for those who are audience who

609  
00:33:39,620 --> 00:33:37,100  
may not be familiar with with Bob Lazar

610  
00:33:41,930 --> 00:33:39,630  
do you want to tell us you know just say

611  
00:33:45,409 --> 00:33:41,940  
oh give us give us an idea of who Bob

612  
00:33:48,440 --> 00:33:45,419  
Lazar was and why we're talking about

613  
00:33:50,299 --> 00:33:48,450

him well Bob Lazar was a scientist or

614

00:33:52,430 --> 00:33:50,309

claimed to be and he certainly talks

615

00:33:54,769 --> 00:33:52,440

like a scientist and some people dispute

616

00:33:57,139 --> 00:33:54,779

his scientific background his training

617

00:33:59,539 --> 00:33:57,149

and his knowledge including a dr.

618

00:34:02,210 --> 00:33:59,549

Stanton Friedman who's just almost up in

619

00:34:04,970 --> 00:34:02,220

arms he says Oh Bob Lazar is a fraud

620

00:34:07,460 --> 00:34:04,980

however Lazar came forward with an

621

00:34:09,680 --> 00:34:07,470

amazing story in the late 1980s and it

622

00:34:12,440 --> 00:34:09,690

got a lot of airplay and to this day

623

00:34:14,720 --> 00:34:12,450

they still have an alien theme to their

624

00:34:17,270 --> 00:34:14,730

baseball team in Las Vegas and the

625

00:34:21,079 --> 00:34:17,280

extra-terrestrial highway and talk of

626  
00:34:24,050 --> 00:34:21,089  
area 51 still because of Bob Lazar who

627  
00:34:26,389 --> 00:34:24,060  
said I worked on a captured alien

628  
00:34:28,970 --> 00:34:26,399  
spacecraft trying to understand it

629  
00:34:31,430 --> 00:34:28,980  
reverse engineer he said he saw others

630  
00:34:33,080 --> 00:34:31,440  
and a large hangar what we call

631  
00:34:36,290 --> 00:34:33,090  
for built into the side of a mountain

632  
00:34:38,600 --> 00:34:36,300  
not far from area 51 and another

633  
00:34:40,310 --> 00:34:38,610  
interesting factor is that he said he

634  
00:34:43,460 --> 00:34:40,320  
was shown at one point a briefing

635  
00:34:48,500 --> 00:34:43,470  
document and it had even photographs of

636  
00:34:52,220 --> 00:34:48,510  
gray aliens autopsies the slides tissue

637  
00:34:55,240 --> 00:34:52,230  
sample results and what appeared to be a

638  
00:34:57,350 --> 00:34:55,250

head we've been information cold from

639

00:34:59,780 --> 00:34:57,360

communication where they were from

640

00:35:04,190 --> 00:34:59,790

how far away their planet is why they

641

00:35:05,990 --> 00:35:04,200

are here their various habits and what

642

00:35:08,480 --> 00:35:06,000

they think of earth and religion and

643

00:35:12,710 --> 00:35:08,490

such and he was allowed to read this on

644

00:35:16,070 --> 00:35:12,720

one day so he has no tangible proof as

645

00:35:18,770 --> 00:35:16,080

is so often the problem in UFO stories

646

00:35:22,160 --> 00:35:18,780

but he never changed his story

647

00:35:24,260 --> 00:35:22,170

he refused to recant it and I believe he

648

00:35:26,030 --> 00:35:24,270

came up with an element that was someone

649

00:35:28,310 --> 00:35:26,040

off the charts that he claimed was part

650

00:35:29,990 --> 00:35:28,320

of this spacecraft that he was working

651  
00:35:32,300 --> 00:35:30,000  
on and in today's world I believe

652  
00:35:35,120 --> 00:35:32,310  
they've discovered this element does

653  
00:35:38,390 --> 00:35:35,130  
exist and it's something that somewhat

654  
00:35:41,170 --> 00:35:38,400  
supports his tale and I believe the Bob

655  
00:35:43,580 --> 00:35:41,180  
pops up every now and then working on

656  
00:35:45,590 --> 00:35:43,590  
some sort of I think he's part of like

657  
00:35:47,630 --> 00:35:45,600  
the survivalist community in Michigan or

658  
00:35:48,760 --> 00:35:47,640  
something like that you can correct me

659  
00:35:52,040 --> 00:35:48,770  
if I'm wrong

660  
00:35:55,550 --> 00:35:52,050  
he Dell he does live in Michigan he

661  
00:36:00,980 --> 00:35:55,560  
actually he's got a little company where

662  
00:36:04,850 --> 00:36:00,990  
he sells I guess electronics and various

663  
00:36:05,150 --> 00:36:04,860

kinds of chemicals and and things like

664

00:36:08,360 --> 00:36:05,160

that

665

00:36:14,180 --> 00:36:08,370

- I think defense got a lot of defense

666

00:36:20,360 --> 00:36:14,190

contractors I know that he was working

667

00:36:23,600 --> 00:36:20,370

on coming up with ways to power cars

668

00:36:27,800 --> 00:36:23,610

using hydrogen but you know like a lot

669

00:36:29,120 --> 00:36:27,810

more efficient methods of doing it then

670

00:36:33,980 --> 00:36:29,130

you know what they what they currently

671

00:36:35,840 --> 00:36:33,990

have so that's fired by the government

672

00:36:38,420 --> 00:36:35,850

for taking some friends late at night

673

00:36:41,270 --> 00:36:38,430

out to the desert to watch test runs of

674

00:36:45,140 --> 00:36:41,280

these alien craft and even try to record

675

00:36:47,569 --> 00:36:45,150

some and that supposedly got him cashier

676  
00:36:49,130 --> 00:36:47,579  
and he was being followed around and he

677  
00:36:53,809 --> 00:36:49,140  
felt like maybe his life was in danger

678  
00:36:56,239 --> 00:36:53,819  
at one point it's interesting the shows

679  
00:36:58,210 --> 00:36:56,249  
like hard copy or Inside Edition or a

680  
00:37:00,589 --> 00:36:58,220  
Current Affair back in those days

681  
00:37:02,089 --> 00:37:00,599  
decided to go out into the desert and

682  
00:37:03,950 --> 00:37:02,099  
see what they could record and they

683  
00:37:05,599 --> 00:37:03,960  
found plenty of other people out there

684  
00:37:09,980 --> 00:37:05,609  
and they got their videos and there's

685  
00:37:13,069 --> 00:37:09,990  
some very interesting nighttime UFO

686  
00:37:14,870 --> 00:37:13,079  
images of craft going up in the air and

687  
00:37:18,950 --> 00:37:14,880  
moving around and zipping about and very

688  
00:37:22,430 --> 00:37:18,960

strange non-human type formations and

689

00:37:24,829 --> 00:37:22,440

that tend to lend credence to his

690

00:37:26,960 --> 00:37:24,839

authenticity but then the whole thing

691

00:37:28,609 --> 00:37:26,970

just seemed to fade away that no one

692

00:37:30,019 --> 00:37:28,619

could find proof one way or the other

693

00:37:34,430 --> 00:37:30,029

and he just doesn't want to talk about

694

00:37:37,339 --> 00:37:34,440

it much anymore well you know people

695

00:37:39,890 --> 00:37:37,349

like Nick Redfern speculate that you

696

00:37:44,380 --> 00:37:39,900

know people like Lazar may actually have

697

00:37:46,910 --> 00:37:44,390

been deliberately fed you know

698

00:37:49,970 --> 00:37:46,920

misleading information for whatever

699

00:37:52,309 --> 00:37:49,980

reason you know to see if just to see if

700

00:37:56,769 --> 00:37:52,319

they would talk and who would pay

701  
00:38:00,739 --> 00:37:56,779  
attention to them when they did talk I

702  
00:38:04,819 --> 00:38:00,749  
don't know I mean I've always been kind

703  
00:38:07,700 --> 00:38:04,829  
of fascinated by lazarre's a case I mean

704  
00:38:09,009 --> 00:38:07,710  
I not not one of the ones is gonna go

705  
00:38:11,569 --> 00:38:09,019  
and you know have a knee-jerk reaction

706  
00:38:13,220 --> 00:38:11,579  
one way or the other you know like oh

707  
00:38:16,160 --> 00:38:13,230  
yeah I totally believe you more I

708  
00:38:19,910 --> 00:38:16,170  
totally disbelieve him you know I always

709  
00:38:23,509 --> 00:38:19,920  
found it interesting because you know

710  
00:38:26,839 --> 00:38:23,519  
the guys I obviously highly educated

711  
00:38:28,819 --> 00:38:26,849  
knows what he's talking about yet he has

712  
00:38:31,099 --> 00:38:28,829  
no paper trail you know it's like the

713  
00:38:36,650 --> 00:38:31,109

guy never never existed he never went

714

00:38:39,049 --> 00:38:36,660

school anywhere yeah the the places that

715

00:38:40,609 --> 00:38:39,059

you know that he claimed he worked you

716

00:38:42,319 --> 00:38:40,619

know there's there's no evidence that he

717

00:38:46,299 --> 00:38:42,329

worked there there's somebody did find I

718

00:38:50,269 --> 00:38:46,309

guess it was a gosh what was it like a

719

00:38:52,999 --> 00:38:50,279

w-2 from doing some work for the

720

00:38:56,359 --> 00:38:53,009

government at some facility maybe Los

721

00:38:58,520 --> 00:38:56,369

Alamos so plant and I and I think

722

00:39:01,190 --> 00:38:58,530

somebody also found like a like

723

00:39:03,110 --> 00:39:01,200

internal phone book that had his nay

724

00:39:07,430 --> 00:39:03,120

they had his name listed on it so

725

00:39:08,960 --> 00:39:07,440

obviously he was around but did we have

726

00:39:11,030 --> 00:39:08,970

to ask ourselves did the government

727

00:39:14,480 --> 00:39:11,040

scrub his past and that's kind of scary

728

00:39:16,700 --> 00:39:14,490

on its own isn't it all of his past

729

00:39:18,590 --> 00:39:16,710

records from school or where he lived

730

00:39:20,360 --> 00:39:18,600

they couldn't find much did the

731

00:39:28,130 --> 00:39:20,370

government come in and just take him

732

00:39:30,640 --> 00:39:28,140

away I would suggest this if he well

733

00:39:33,500 --> 00:39:30,650

yeah like you see Paula's story was

734

00:39:37,580 --> 00:39:33,510

consistent but looking from the angle if

735

00:39:41,420 --> 00:39:37,590

he was a quote/unquote useful idiot the

736

00:39:46,100 --> 00:39:41,430

whole thing about briefing papers and

737

00:39:47,840 --> 00:39:46,110

has cropped up again again ufology over

738

00:39:49,700 --> 00:39:47,850

the years people get to look at these

739

00:39:52,190 --> 00:39:49,710

briefing papers but you can't make

740

00:39:54,280 --> 00:39:52,200

copies you can look at them for a few

741

00:39:57,110 --> 00:39:54,290

minutes I mean that goes back to

742

00:39:59,630 --> 00:39:57,120

bennewitz and Bill Moore had that

743

00:40:05,780 --> 00:39:59,640

scenario Linda Moulton Howe of mom how

744

00:40:08,600 --> 00:40:05,790

right same deal you know with these you

745

00:40:13,160 --> 00:40:08,610

know they get a little a whiff of

746

00:40:17,210 --> 00:40:13,170

something and but you know were they

747

00:40:21,140 --> 00:40:17,220

being led around by the nose were they

748

00:40:26,180 --> 00:40:21,150

just being used to muddy muddy the

749

00:40:28,010 --> 00:40:26,190

waters about footage and information and

750

00:40:32,060 --> 00:40:28,020

then it just doesn't appear and then

751

00:40:35,420 --> 00:40:32,070

they end up rather foolish well there

752

00:40:38,060 --> 00:40:35,430

was what was his name I can never

753

00:40:42,890 --> 00:40:38,070

pronounce his last name and any burger

754

00:40:45,410 --> 00:40:42,900

no no that's not yeah ed an acre yes yes

755

00:40:49,450 --> 00:40:45,420

who was also for people who don't know

756

00:40:58,640 --> 00:40:49,460

he also produced the Lancelot link

757

00:41:03,830 --> 00:40:58,650

Saturday Saturday morning you know he

758

00:41:07,300 --> 00:41:03,840

was promised footage from the air force

759

00:41:10,040 --> 00:41:07,310

for a documentary film that that he was

760

00:41:11,880 --> 00:41:10,050

he basically he was talked into produce

761

00:41:13,859 --> 00:41:11,890

in it he had no interest in it he was

762

00:41:18,359 --> 00:41:13,869

to do a documentary on something else

763

00:41:19,950 --> 00:41:18,369

and he was approached by a you know

764

00:41:21,299 --> 00:41:19,960

these these high-ranking officials from

765

00:41:24,690 --> 00:41:21,309

the Air Force and said hey you know

766

00:41:26,670 --> 00:41:24,700

we've got these you know great UFO films

767

00:41:30,089 --> 00:41:26,680

you know we ought to do a story on that

768

00:41:34,410 --> 00:41:30,099

and he talked to a lot of people and was

769

00:41:39,000 --> 00:41:34,420

all set to produce lists and he was

770

00:41:43,430 --> 00:41:39,010

supposed to get it was like a wing gun

771

00:41:46,319 --> 00:41:43,440

footage of UFOs and other top-secret

772

00:41:49,019 --> 00:41:46,329

films and then at the last minute it was

773

00:41:51,980 --> 00:41:49,029

all pulled out from underneath him it

774

00:41:55,289 --> 00:41:51,990

was allegedly a landing at Holloman Air

775

00:41:58,980 --> 00:41:55,299

Force Base where the ETS actually came

776  
00:42:02,279 --> 00:41:58,990  
out of the ship and he was Emma Nagar

777  
00:42:04,170 --> 00:42:02,289  
was actually shown some footage but it

778  
00:42:07,230 --> 00:42:04,180  
didn't show that it was more of a light

779  
00:42:10,170 --> 00:42:07,240  
in the sky type thing and he was shown

780  
00:42:13,650 --> 00:42:10,180  
some stills and he was promised the

781  
00:42:17,490 --> 00:42:13,660  
complete footage for their documentary

782  
00:42:21,120 --> 00:42:17,500  
you know and I think this was like 75

783  
00:42:26,359 --> 00:42:21,130  
and the same scenario that happened with

784  
00:42:29,279 --> 00:42:26,369  
Linda Moulton Howe that they got kind of

785  
00:42:32,130 --> 00:42:29,289  
strung along over a period of time then

786  
00:42:35,430 --> 00:42:32,140  
got the rug pulled out from under their

787  
00:42:37,890 --> 00:42:35,440  
feet that was around the time of the

788  
00:42:40,440 --> 00:42:37,900

Nixon Watergate scandal that may have

789

00:42:43,170 --> 00:42:40,450

had an impact on so much government

790

00:42:43,499 --> 00:42:43,180

corruption and cover-up and what do we

791

00:42:45,269 --> 00:42:43,509

want

792

00:42:47,309 --> 00:42:45,279

yeah what do we not so that might have

793

00:42:51,059 --> 00:42:47,319

been a factor well yeah I think you're

794

00:42:56,450 --> 00:42:51,069

exactly right that's when Emma Nagar

795

00:43:00,269 --> 00:42:56,460

said I think in the the film Mirage Minh

796

00:43:03,089 --> 00:43:00,279

that out there was an interview with him

797

00:43:05,370 --> 00:43:03,099

and he does mention you know the

798

00:43:09,630 --> 00:43:05,380

Watergate period and that might have

799

00:43:11,640 --> 00:43:09,640

been part of what was driving that at

800

00:43:14,370 --> 00:43:11,650

the time I'd love to hear what both of

801  
00:43:16,799 --> 00:43:14,380  
you think at this point of the Richard

802  
00:43:21,509 --> 00:43:16,809  
Nixon Jackie Gleason affair we

803  
00:43:23,800 --> 00:43:21,519  
supposedly saw alien races in freezers

804  
00:43:27,670 --> 00:43:23,810  
on homestead Air Force Base what

805  
00:43:29,350 --> 00:43:27,680  
think of that I wish I wish Timothy

806  
00:43:30,780 --> 00:43:29,360  
green Beckley was here to talk about

807  
00:43:34,750 --> 00:43:30,790  
that because that's one of his favorite

808  
00:43:38,790 --> 00:43:34,760  
stories you know because you know that I

809  
00:43:41,560 --> 00:43:38,800  
mean Jackie Gleason was very much a

810  
00:43:44,850 --> 00:43:41,570  
interested in you opposed oh yeah I mean

811  
00:43:49,300 --> 00:43:44,860  
he had he had like this huge library of

812  
00:43:51,730 --> 00:43:49,310  
UFOs and supposedly now I don't think

813  
00:43:53,320 --> 00:43:51,740

that this story came from Gleason and

814

00:43:57,280 --> 00:43:53,330

himself but I think he came from his

815

00:43:59,560 --> 00:43:57,290

widow where where she said that you know

816

00:44:01,420 --> 00:43:59,570

yeah you did a second a second hand

817

00:44:05,350 --> 00:44:01,430

story so you have to take it as you you

818

00:44:08,530 --> 00:44:05,360

know as well that you know he told her

819

00:44:12,330 --> 00:44:08,540

that you know he was golfing buddies so

820

00:44:15,100 --> 00:44:12,340

with Nixon and Nixon knew about his

821

00:44:16,780 --> 00:44:15,110

interest in UFOs and he was just like

822

00:44:21,430 --> 00:44:16,790

you know you wanna know about UFOs come

823

00:44:24,100 --> 00:44:21,440

on and he took took Gleason - and you

824

00:44:28,090 --> 00:44:24,110

Jim ever Adam it was in Florida yeah

825

00:44:30,910 --> 00:44:28,100

homestead Air Force right well done and

826

00:44:33,550 --> 00:44:30,920

in a underground facility supposedly

827

00:44:37,510 --> 00:44:33,560

there was the you know the glass cases

828

00:44:39,400 --> 00:44:37,520

with the frozen aliens inside and you

829

00:44:42,760 --> 00:44:39,410

know Gleason's Widow I guess you know

830

00:44:44,710 --> 00:44:42,770

she swore that that you know he told her

831

00:44:49,750 --> 00:44:44,720

that and he was convinced that what he

832

00:44:52,900 --> 00:44:49,760

saw was real it's hard to say you know

833

00:44:56,890 --> 00:44:52,910

it's it's it's a story that's all you

834

00:44:59,170 --> 00:44:56,900

have right yeah never came out and said

835

00:45:01,540 --> 00:44:59,180

oh that's a bunch of hogwash she refused

836

00:45:11,560 --> 00:45:01,550

to comment on it publicly which is very

837

00:45:14,620 --> 00:45:11,570

strange - yeah I think I think you know

838

00:45:17,560 --> 00:45:14,630

if it was a if it you know if it is a

839

00:45:20,530 --> 00:45:17,570

true story that it was his you know his

840

00:45:22,660 --> 00:45:20,540

loyalty to his friend Nixon you know

841

00:45:27,220 --> 00:45:22,670

that he wasn't going to go and reveal it

842

00:45:29,620 --> 00:45:27,230

publicly but you know I mean his his his

843

00:45:32,710 --> 00:45:29,630

ex-wife you know is his widow she swears

844

00:45:37,720 --> 00:45:32,720

that that's what he told her and she

845

00:45:39,790 --> 00:45:37,730

believed him shaken and pale and

846

00:45:41,890 --> 00:45:39,800

he couldn't sleep he couldn't eat for a

847

00:45:43,570 --> 00:45:41,900

long time and he almost didn't work in

848

00:45:46,390 --> 00:45:43,580

show business for a couple of years

849

00:45:49,630 --> 00:45:46,400

years that had affected him so badly I

850

00:45:52,980 --> 00:45:49,640

mean if that is true that's hard to fake

851

00:45:55,270 --> 00:45:52,990

that kind of emotional upset kind of

852

00:45:58,720 --> 00:45:55,280

reaction to something which would be

853

00:46:03,490 --> 00:45:58,730

very human I think you were gonna say

854

00:46:04,180 --> 00:46:03,500

something Adam yeah well yeah that's a

855

00:46:08,830 --> 00:46:04,190

good point

856

00:46:10,930 --> 00:46:08,840

I mean be interesting for hardcore

857

00:46:14,650 --> 00:46:10,940

researcher to really pin down the dates

858

00:46:17,700 --> 00:46:14,660

when that happened and you know

859

00:46:20,670 --> 00:46:17,710

confirmed that both Nixon and Gleason

860

00:46:24,550 --> 00:46:20,680

were there at that time and maybe

861

00:46:26,140 --> 00:46:24,560

whatever other you know cooperating

862

00:46:31,030 --> 00:46:26,150

information you could get what I was

863

00:46:33,790 --> 00:46:31,040

gonna add yeah Gleason had this awesome

864

00:46:36,220 --> 00:46:33,800

library and I believe he had a house

865

00:46:41,140 --> 00:46:36,230

that was shaped like a UFO is that

866

00:46:45,190 --> 00:46:41,150

correct yes yes he did and he also had

867

00:46:48,040 --> 00:46:45,200

like an astounding oh there's like 20

868

00:46:51,520 --> 00:46:48,050

bathrooms in that place probably because

869

00:47:00,870 --> 00:46:51,530

he was or maybe because maybe it was

870

00:47:05,920 --> 00:47:03,700

thought the main out part of the house

871

00:47:08,770 --> 00:47:05,930

which was circular shaped the mothership

872

00:47:10,599 --> 00:47:08,780

and he had a garage that was circular

873

00:47:14,440 --> 00:47:10,609

shaped and he called it the scoutship I

874

00:47:18,730 --> 00:47:14,450

mean he was just nuts yeah very much so

875

00:47:20,650 --> 00:47:18,740

right and I'm not I'm not sure but I I

876

00:47:23,349 --> 00:47:20,660

seem to remember you know Beckley saying

877

00:47:28,180 --> 00:47:23,359

that his collection is still intact

878

00:47:30,640 --> 00:47:28,190

somewhere oh is that where it is okay

879

00:47:32,530 --> 00:47:30,650

well that's that's that's great because

880

00:47:34,420 --> 00:47:32,540

you know that's something that Begley

881

00:47:37,840 --> 00:47:34,430

and I have talked about before on this

882

00:47:41,230 --> 00:47:37,850

show so many of these collections you

883

00:47:43,080 --> 00:47:41,240

know ended up disappearing or locked

884

00:47:45,010 --> 00:47:43,090

away in a garage someplace and

885

00:47:46,270 --> 00:47:45,020

unfortunately we'll have to leave it at

886

00:47:48,130 --> 00:47:46,280

that because

887

00:47:51,010 --> 00:47:48,140

we have to go to our top of the hour

888

00:47:58,390 --> 00:47:51,020

break so we'll be back in a few minutes

889

00:47:58,400 --> 00:48:02,260

[Music]

890

00:48:09,220 --> 00:48:06,740

explode the bazaars or e-ticket ride

891

00:48:12,500 --> 00:48:09,230

into the world of the paranoid

892

00:48:16,809 --> 00:48:12,510

strap yourself in as we traverse the

893

00:48:21,260 --> 00:48:16,819

universe exploring the unexplained UFO s

894

00:48:25,400 --> 00:48:21,270

ghosts Lost Worlds cryptozoology waters

895

00:48:29,900 --> 00:48:25,410

as well as other dimensions it's time to

896

00:48:32,150 --> 00:48:29,910

take back the night now your

897

00:48:39,670 --> 00:48:32,160

electrifying hosts of exploring the

898

00:48:43,700 --> 00:48:42,140

alright welcome back here we are in the

899

00:48:47,900 --> 00:48:43,710

second hour of exploring the bizarre

900

00:48:53,559 --> 00:48:47,910

with Adam go rightly and Paul Blake

901  
00:48:58,099 --> 00:48:53,569  
Smith and we are talking about UFOs and

902  
00:49:01,329 --> 00:48:58,109  
of the kind of like they're the fringe

903  
00:49:03,950 --> 00:49:01,339  
elements almost got mean you know people

904  
00:49:06,440 --> 00:49:03,960  
might as well have been at UFOs they're

905  
00:49:08,359 --> 00:49:06,450  
pretty frenzy just by themselves but

906  
00:49:12,289 --> 00:49:08,369  
it's hard to believe that there's a

907  
00:49:17,359 --> 00:49:12,299  
friend's element to what's already a

908  
00:49:18,859 --> 00:49:17,369  
fringe so we'll continue this

909  
00:49:21,319 --> 00:49:18,869  
conversation it's very interesting

910  
00:49:24,200 --> 00:49:21,329  
tonight so uh Paul you had you had a

911  
00:49:26,450 --> 00:49:24,210  
question that you wanted us to bring up

912  
00:49:29,079 --> 00:49:26,460  
well I'd like to know more I'm sure your

913  
00:49:32,180 --> 00:49:29,089

listeners would too about what's

914

00:49:34,849 --> 00:49:32,190

happened to Robert odine who had a very

915

00:49:39,190 --> 00:49:34,859

fascinating story come forward I believe

916

00:49:42,230 --> 00:49:39,200

in the 1980s when he worked at the Army

917

00:49:44,539 --> 00:49:42,240

headquarters in France the Allied

918

00:49:47,900 --> 00:49:44,549

headquarters he said he was allowed to

919

00:49:50,690 --> 00:49:47,910

see a locked up classified top-secret

920

00:49:54,170 --> 00:49:50,700

report that said the American government

921

00:49:56,870 --> 00:49:54,180

was secretly studying UFOs had dead

922

00:50:00,109 --> 00:49:56,880

bodies recovered from crashes some in

923

00:50:02,680 --> 00:50:00,119

Europe and that there was various races

924

00:50:06,020 --> 00:50:02,690

he counted at least five including

925

00:50:09,230 --> 00:50:06,030

reptilians and maybe Nordic types and

926

00:50:11,660 --> 00:50:09,240

grays and and some that looked very much

927

00:50:13,430 --> 00:50:11,670

like humans could nearly walk down the

928

00:50:14,810 --> 00:50:13,440

street and not be recognized which is a

929

00:50:17,180 --> 00:50:14,820

little frightening

930

00:50:20,150 --> 00:50:17,190

and he is never wavered from his story

931

00:50:24,350 --> 00:50:20,160

he has very fine military credentials

932

00:50:26,690 --> 00:50:24,360

and he claims that part of what he

933

00:50:28,280 --> 00:50:26,700

allowed was allowed to see he would

934

00:50:31,100 --> 00:50:28,290

sneak it to the bathroom and right

935

00:50:34,130 --> 00:50:31,110

little crib notes and try to write a

936

00:50:36,290 --> 00:50:34,140

summary of what he read in this file

937

00:50:38,270 --> 00:50:36,300

without actually photocopying it then

938

00:50:40,310 --> 00:50:38,280

they would sneak it back into its cage

939

00:50:42,830 --> 00:50:40,320

and lock it up this was during the

940

00:50:44,540 --> 00:50:42,840

graveyard shift overnight and I was just

941

00:50:47,960 --> 00:50:44,550

curious what do people in ufology

942

00:50:53,000 --> 00:50:47,970

nowadays think of Robert o Dean who has

943

00:50:57,800 --> 00:50:53,010

not changed his story you know I

944

00:51:02,060 --> 00:50:57,810

actually saw him speak worm time in

945

00:51:05,480 --> 00:51:02,070

Indianapolis and he he he basically told

946

00:51:12,890 --> 00:51:05,490

that same very same story that you just

947

00:51:14,990 --> 00:51:12,900

referred to I do know that he was in the

948

00:51:18,680 --> 00:51:15,000

US Army as I think it was a command

949

00:51:28,630 --> 00:51:18,690

sergeant major but don't hold me on that

950

00:51:37,220 --> 00:51:32,870

cosmic top-secret clearance while in the

951  
00:51:41,480 --> 00:51:37,230  
military now I have to admit I had not

952  
00:51:45,260 --> 00:51:41,490  
heard that type of clearance before so

953  
00:51:48,260 --> 00:51:45,270  
when I first heard his story yeah it was

954  
00:51:50,390 --> 00:51:48,270  
like cosmic topic said that to me that

955  
00:51:51,740 --> 00:51:50,400  
just sounded like something he hit over

956  
00:51:53,690 --> 00:51:51,750  
from science fiction or you know

957  
00:51:56,780 --> 00:51:53,700  
something that somebody would say just

958  
00:51:59,440 --> 00:51:56,790  
really embellish the story but I I found

959  
00:52:03,170 --> 00:51:59,450  
out later that yeah there actually is

960  
00:52:07,420 --> 00:52:03,180  
such a such such a clearance though I

961  
00:52:10,880 --> 00:52:07,430  
don't know if it is a US military

962  
00:52:16,030 --> 00:52:10,890  
clearance I think if memory serves me

963  
00:52:21,200 --> 00:52:16,040

that that's that's that's like a NATO

964

00:52:25,790 --> 00:52:21,210

type of clearance but you know his story

965

00:52:27,200 --> 00:52:25,800

is is just so similar to these others

966

00:52:27,650 --> 00:52:27,210

that we're that we were talking about

967

00:52:29,720 --> 00:52:27,660

you know

968

00:52:33,319 --> 00:52:29,730

Bob Lazar and Linda Moulton Howe were

969

00:52:38,359 --> 00:52:33,329

they you know it was shown or had access

970

00:52:43,279 --> 00:52:38,369

to you know the these secret almost like

971

00:52:45,620 --> 00:52:43,289

history papers of the yeah the alien

972

00:52:47,539 --> 00:52:45,630

aces and you know how many are here how

973

00:52:51,099 --> 00:52:47,549

long they've been here and and and

974

00:52:56,089 --> 00:52:51,109

diameter recurring theme of crashed

975

00:52:59,000 --> 00:52:56,099

saucers yes yes yes that and that's that

976

00:53:01,250 --> 00:52:59,010

has been one of the the main points

977

00:53:06,670 --> 00:53:01,260

about I think practically all of these

978

00:53:09,170 --> 00:53:06,680

stories was supposedly you know uh

979

00:53:11,029 --> 00:53:09,180

validating the whole Roswell crash and

980

00:53:15,339 --> 00:53:11,039

then some others you know some others

981

00:53:19,760 --> 00:53:15,349

that maybe aren't so widely widely known

982

00:53:22,190 --> 00:53:19,770

but you know I haven't heard too much

983

00:53:24,950 --> 00:53:22,200

from him for quite a while of course

984

00:53:27,500 --> 00:53:24,960

he's got he must be getting up there

985

00:53:30,529 --> 00:53:27,510

yeah yeah I think he's he's got to be in

986

00:53:34,490 --> 00:53:30,539

his 80s at this point I do know that

987

00:53:38,079 --> 00:53:34,500

wendell stevens the the late a

988

00:53:45,250 --> 00:53:38,089

researcher and writer thought a lot of

989

00:53:51,890 --> 00:53:48,760

but you know I would I would say that

990

00:53:58,910 --> 00:53:51,900

Robert o Dean had some badass hair as I

991

00:54:04,970 --> 00:53:58,920

recall this military haircut when he got

992

00:54:12,980 --> 00:54:04,980

out you know but but again I mean here

993

00:54:17,390 --> 00:54:12,990

you have somebody that seems to have a a

994

00:54:25,370 --> 00:54:17,400

good background and is telling a story

995

00:54:27,559 --> 00:54:25,380

that is fantastic to say the least but

996

00:54:30,799 --> 00:54:27,569

that's that's that's basically it I mean

997

00:54:33,740 --> 00:54:30,809

how how can they prove it they can't you

998

00:54:37,809 --> 00:54:33,750

know how can we prove it you know we

999

00:54:40,410 --> 00:54:37,819

can't so I mean we're we're forced to

1000

00:54:43,290 --> 00:54:40,420

take his word for it

1001  
00:54:45,500 --> 00:54:43,300  
so that the US military has conducted

1002  
00:54:48,420 --> 00:54:45,510  
this survey and they put it into the

1003  
00:54:50,940 --> 00:54:48,430  
report that there have been attempted

1004  
00:54:51,840 --> 00:54:50,950  
contacts between aliens who land summit

1005  
00:54:54,500 --> 00:54:51,850  
air bases

1006  
00:54:57,120 --> 00:54:54,510  
he said that in one Italian Air Base

1007  
00:54:59,790 --> 00:54:57,130  
spaceship came down and an Italian

1008  
00:55:01,980 --> 00:54:59,800  
sergeant was approached by aliens

1009  
00:55:03,900 --> 00:55:01,990  
friendly as they may be the Italian

1010  
00:55:06,240 --> 00:55:03,910  
sergeant immediately wet his pants II

1011  
00:55:08,040 --> 00:55:06,250  
was this year he says that's what I read

1012  
00:55:11,730 --> 00:55:08,050  
the report that's what it said so he

1013  
00:55:13,950 --> 00:55:11,740

handed that along but if so what

1014

00:55:16,530 --> 00:55:13,960

happened to this attempts at contact and

1015

00:55:21,240 --> 00:55:16,540

why don't we hear more of these types of

1016

00:55:23,610 --> 00:55:21,250

stories well that's like the what we

1017

00:55:28,620 --> 00:55:23,620

were talking about in the in the last

1018

00:55:31,980 --> 00:55:28,630

hour you know with a guy who's trying to

1019

00:55:35,820 --> 00:55:31,990

produce the the documentary a UFOs past

1020

00:55:38,490 --> 00:55:35,830

present future one of the things that

1021

00:55:43,440 --> 00:55:38,500

that he was able to do is that he was

1022

00:55:45,870 --> 00:55:43,450

able to interview people you know

1023

00:55:48,660 --> 00:55:45,880

servicemen who were at the base at the

1024

00:55:52,530 --> 00:55:48,670

time of the alleged UFO landing there

1025

00:55:57,180 --> 00:55:52,540

and he I remember him saying that he was

1026  
00:55:59,340 --> 00:55:57,190  
talking to one radar man and and and he

1027  
00:56:02,210 --> 00:55:59,350  
wasn't quite sure how he was going to

1028  
00:56:05,850 --> 00:56:02,220  
approach just you know asking this guy

1029  
00:56:07,770 --> 00:56:05,860  
so you know he did he kind of hemmed and

1030  
00:56:09,840 --> 00:56:07,780  
hawed about what you know what he was

1031  
00:56:11,730 --> 00:56:09,850  
trying to ask him and this radar guy you

1032  
00:56:13,380 --> 00:56:11,740  
know just said oh you mean when the

1033  
00:56:15,540 --> 00:56:13,390  
flying saucer landed at the base yeah I

1034  
00:56:19,380 --> 00:56:15,550  
was there you know just this very

1035  
00:56:21,090 --> 00:56:19,390  
matter-of-factly and you know you know

1036  
00:56:26,340 --> 00:56:21,100  
didn't really I mean yeah yeah it

1037  
00:56:29,700 --> 00:56:26,350  
happened you know so what you know they

1038  
00:56:33,360 --> 00:56:29,710

it seems to me that a lot of people who

1039

00:56:40,100 --> 00:56:33,370

may have been involved in these types of

1040

00:56:45,300 --> 00:56:40,110

cases don't I don't think they realize

1041

00:56:47,640 --> 00:56:45,310

the subculture around UFOs that you know

1042

00:56:50,060 --> 00:56:47,650

those of us who you know are very

1043

00:56:52,100 --> 00:56:50,070

intimate you know with it

1044

00:56:54,050 --> 00:56:52,110

you know we'd be really you know really

1045

00:56:56,210 --> 00:56:54,060

surprised you know to hear about things

1046

00:56:58,400 --> 00:56:56,220

like that but I think some of these guys

1047

00:57:00,350 --> 00:56:58,410

that you know especially in the military

1048

00:57:04,270 --> 00:57:00,360

that had this stuff happened to them

1049

00:57:09,920 --> 00:57:06,920

you know what do we know about the radar

1050

00:57:12,860 --> 00:57:09,930

guy what did exactly did he just see

1051  
00:57:14,570 --> 00:57:12,870  
something on his radar and you know

1052  
00:57:18,530 --> 00:57:14,580  
there was a big buzz around the base

1053  
00:57:20,210 --> 00:57:18,540  
something went on and other you know he

1054  
00:57:24,680 --> 00:57:20,220  
heard from somebody else well yeah it

1055  
00:57:28,580 --> 00:57:24,690  
was a disc-shaped craft or you know some

1056  
00:57:31,490 --> 00:57:28,590  
type of weird craft they hadn't seen

1057  
00:57:36,320 --> 00:57:31,500  
before well I do I do remember them

1058  
00:57:40,610 --> 00:57:36,330  
saying that that most of the on base

1059  
00:57:43,550 --> 00:57:40,620  
personnel that weren't involved you know

1060  
00:57:46,430 --> 00:57:43,560  
like it with with the activity and with

1061  
00:57:50,210 --> 00:57:46,440  
the landing were sequestered to their

1062  
00:57:54,290 --> 00:57:50,220  
barracks and told not to come out and I

1063  
00:57:56,710 --> 00:57:54,300

know that like the radar man people like

1064

00:58:00,260 --> 00:57:56,720

that they worried rooms without windows

1065

00:58:05,230 --> 00:58:00,270

yeah so a lot of the information that

1066

00:58:07,820 --> 00:58:05,240

came to them probably was a scuttlebutt

1067

00:58:10,190 --> 00:58:07,830

so who do you know who knows what may

1068

00:58:14,300 --> 00:58:10,200

have actually have happened because we

1069

00:58:17,530 --> 00:58:14,310

well you know we all well know how that

1070

00:58:20,300 --> 00:58:17,540

sort of information can get around and

1071

00:58:23,180 --> 00:58:20,310

how it can change it's like the old game

1072

00:58:25,400 --> 00:58:23,190

you tell telephone line here you play as

1073

00:58:27,800 --> 00:58:25,410

a kid as kids you know you'd say

1074

00:58:29,720 --> 00:58:27,810

something to one person's ear and then

1075

00:58:32,120 --> 00:58:29,730

by the time it made it through the line

1076

00:58:35,180 --> 00:58:32,130

you know it was fun to see how much it

1077

00:58:37,100 --> 00:58:35,190

had changed or hadn't changed well we

1078

00:58:39,680 --> 00:58:37,110

have this much wonderful technology

1079

00:58:43,130 --> 00:58:39,690

today and yet that's another problem you

1080

00:58:44,930 --> 00:58:43,140

can fake footage with CGI a kid working

1081

00:58:47,330 --> 00:58:44,940

from his own computer could come up with

1082

00:58:50,090 --> 00:58:47,340

his own UFO footage and try to pass it

1083

00:58:52,040 --> 00:58:50,100

off these days and it goes viral and

1084

00:58:53,840 --> 00:58:52,050

another problems there are lots of

1085

00:58:56,840 --> 00:58:53,850

drones and aerial craft and

1086

00:58:59,870 --> 00:58:56,850

strange-looking modern airplanes and

1087

00:59:02,150 --> 00:58:59,880

helicopters and Harrier jets and people

1088

00:59:03,500 --> 00:59:02,160

mistake them honestly or maybe try to

1089

00:59:05,890 --> 00:59:03,510

fake something

1090

00:59:08,990 --> 00:59:05,900

so we can't make advances in ufology

1091

00:59:10,820 --> 00:59:09,000

without everything being totally clear

1092

00:59:12,650 --> 00:59:10,830

with eyewitnesses on the ground and some

1093

00:59:14,720 --> 00:59:12,660

sort of hard proof and indisputable

1094

00:59:19,180 --> 00:59:14,730

footage and maybe a government report

1095

00:59:25,070 --> 00:59:19,190

and it's still so very frustrating

1096

00:59:29,270 --> 00:59:25,080

there's I don't think that we'll ever be

1097

00:59:34,070 --> 00:59:29,280

able to make any advances on this

1098

00:59:35,680 --> 00:59:34,080

subject at least not unless whatever it

1099

00:59:41,090 --> 00:59:35,690

is it's behind it all

1100

00:59:42,380 --> 00:59:41,100

decides to reveal itself and that's not

1101  
00:59:46,660 --> 00:59:42,390  
and I don't think that's never going to

1102  
00:59:50,120 --> 00:59:46,670  
happen my friend Greg Bishop says if any

1103  
00:59:52,760 --> 00:59:50,130  
breakthroughs are made it's for people

1104  
00:59:54,620 --> 00:59:52,770  
who are looking at something scientist

1105  
00:59:58,640 --> 00:59:54,630  
or whatever something totally different

1106  
00:59:59,060 --> 00:59:58,650  
it has nothing to do with UFOs yes yes

1107  
01:00:04,790 --> 00:59:59,070  
oh I

1108  
01:00:06,770 --> 01:00:04,800  
yeah I definitely believe that and I

1109  
01:00:11,000 --> 01:00:06,780  
think that's who was it was it Greg

1110  
01:00:12,830 --> 01:00:11,010  
somebody I was listening to one time the

1111  
01:00:17,690 --> 01:00:12,840  
subject had been about artificial

1112  
01:00:23,750 --> 01:00:17,700  
intelligence and and how it may actually

1113  
01:00:27,290 --> 01:00:23,760

take an artificial intelligence to to

1114

01:00:31,220 --> 01:00:27,300

figure it all out especially when it

1115

01:00:36,650 --> 01:00:31,230

comes to the more paranormal aspects of

1116

01:00:41,450 --> 01:00:36,660

the phenomena and go ahead Glenn why I

1117

01:00:46,370 --> 01:00:41,460

just in the field of ufology you have a

1118

01:00:48,620 --> 01:00:46,380

lot of you know people with different

1119

01:00:55,390 --> 01:00:48,630

ideas on it you know people who've made

1120

01:00:58,130 --> 01:00:55,400

up their mind what the phenomena is and

1121

01:01:00,680 --> 01:00:58,140

you know that that is kind of a

1122

01:01:04,310 --> 01:01:00,690

roadblock to really discovering what it

1123

01:01:06,260 --> 01:01:04,320

is you need an open mind if President

1124

01:01:10,250 --> 01:01:06,270

Trump released documents

1125

01:01:12,440 --> 01:01:10,260

film footage steal still photos army

1126

01:01:14,030 --> 01:01:12,450

stuff official and said look this is the

1127

01:01:16,310 --> 01:01:14,040

real deal or so they tell me

1128

01:01:16,970 --> 01:01:16,320

would people believe that even in

1129

01:01:22,190 --> 01:01:16,980

today's were

1130

01:01:25,220 --> 01:01:22,200

Oh Trump doesn't exactly have the most

1131

01:01:27,349 --> 01:01:25,230

no reputation for the truth but if he

1132

01:01:28,970 --> 01:01:27,359

was military-grade stuff and he's just

1133

01:01:30,770 --> 01:01:28,980

saying well I'm passing this stuff along

1134

01:01:33,470 --> 01:01:30,780

and you can't absorb it all you want

1135

01:01:36,230 --> 01:01:33,480

would people to understand that we are

1136

01:01:39,550 --> 01:01:36,240

being visited by a few alien races or

1137

01:01:42,230 --> 01:01:39,560

would they still refuse to believe it I

1138

01:01:44,420 --> 01:01:42,240

don't think people would I don't think

1139

01:01:51,230 --> 01:01:44,430

people would believe it

1140

01:01:54,500 --> 01:01:51,240

first of all well some would depends you

1141

01:01:56,000 --> 01:01:54,510

know uh true my perspective has always

1142

01:01:59,000 --> 01:01:56,010

been you know with the whole UFO

1143

01:02:02,349 --> 01:01:59,010

disclosure thing it's like just release

1144

01:02:05,330 --> 01:02:02,359

the materials you know the proponents of

1145

01:02:09,080 --> 01:02:05,340

UFO disclosure you know get the truth

1146

01:02:11,390 --> 01:02:09,090

out there but government is so

1147

01:02:14,690 --> 01:02:11,400

compartmentalized you know especially

1148

01:02:19,450 --> 01:02:14,700

intelligence agencies there's like 17

1149

01:02:23,420 --> 01:02:19,460

different agencies and they all there's

1150

01:02:28,660 --> 01:02:23,430

the need to know things so the

1151

01:02:32,030 --> 01:02:28,670

government doesn't know what it knows

1152

01:02:35,359 --> 01:02:32,040

yes that's a good way to put it

1153

01:02:40,190 --> 01:02:35,369

you know I've I've speculated that at

1154

01:02:43,400 --> 01:02:40,200

this point whatever information had been

1155

01:02:45,950 --> 01:02:43,410

you know gathered over the years is has

1156

01:02:47,180 --> 01:02:45,960

probably been lost as you pointed out

1157

01:02:50,060 --> 01:02:47,190

Adam I'm and everything is so

1158

01:02:51,950 --> 01:02:50,070

compartmentalized that you know the

1159

01:02:55,160 --> 01:02:51,960

people who took care of some of this

1160

01:02:57,170 --> 01:02:55,170

stuff may you know if there was ever you

1161

01:02:59,660 --> 01:02:57,180

know like one or a small group of

1162

01:03:03,950 --> 01:02:59,670

caretakers have since passed away

1163

01:03:09,160 --> 01:03:03,960

and now you know who knows where this

1164

01:03:11,319 --> 01:03:09,170

information is you know maybe

1165

01:03:14,440 --> 01:03:11,329

it's maybe it's been passed on to

1166

01:03:18,819 --> 01:03:14,450

private corporations well yeah

1167

01:03:21,809 --> 01:03:18,829

definitely with oh you had knids a few

1168

01:03:24,839 --> 01:03:21,819

years back that got a lot of that

1169

01:03:29,309 --> 01:03:24,849

information but yeah that's what the

1170

01:03:33,190 --> 01:03:29,319

aviary whatever exactly they were was

1171

01:03:36,160 --> 01:03:33,200

trying to do you know or the UFO working

1172

01:03:38,680 --> 01:03:36,170

group that these different folks were

1173

01:03:42,849 --> 01:03:38,690

involved with from different agencies

1174

01:03:44,950 --> 01:03:42,859

they were trying to share information

1175

01:03:47,799 --> 01:03:44,960

and they all had you know perhaps

1176

01:03:50,349 --> 01:03:47,809

different pieces of the puzzle they're

1177

01:03:53,260 --> 01:03:50,359

trying to come together what do we know

1178

01:03:56,049 --> 01:03:53,270

you know it's frustrating they've had on

1179

01:03:58,299 --> 01:03:56,059

Jimmy Kimmel President Clinton President

1180

01:04:01,000 --> 01:03:58,309

Bush I think even President Obama and he

1181

01:04:02,980 --> 01:04:01,010

will ask them are we being visited are

1182

01:04:05,890 --> 01:04:02,990

we alone and of course they won't tell

1183

01:04:07,480 --> 01:04:05,900

him the three presidents said well I

1184

01:04:11,620 --> 01:04:07,490

know some things I'm not going to tell

1185

01:04:14,260 --> 01:04:11,630

you yeah in 2016 a Jeb Bush was

1186

01:04:16,440 --> 01:04:14,270

campaigning somewhere at an event for

1187

01:04:18,760 --> 01:04:16,450

the public and he brought in his father

1188

01:04:20,530 --> 01:04:18,770

mostly confined to a wheelchair and a

1189

01:04:23,289 --> 01:04:20,540

man stood up and says I have a question

1190

01:04:25,420 --> 01:04:23,299

can you tell me about UFOs are we being

1191

01:04:27,250 --> 01:04:25,430

visited or not and the elder Bush

1192

01:04:34,630 --> 01:04:27,260

snapped I know some things and I'm not

1193

01:04:37,390 --> 01:04:34,640

telling you that's the punch line they

1194

01:04:39,280 --> 01:04:37,400

want to screw with people he knows and

1195

01:04:40,839 --> 01:04:39,290

somebody knows this guy who asked the

1196

01:04:42,520 --> 01:04:40,849

question right on out of the building

1197

01:04:44,589 --> 01:04:42,530

they didn't want hear from him anymore

1198

01:04:46,960 --> 01:04:44,599

but it was caught on camera and

1199

01:04:49,030 --> 01:04:46,970

elder Bush admitted that you know as a

1200

01:04:52,599 --> 01:04:49,040

head of the CIA and as president he

1201

01:04:53,980 --> 01:04:52,609

knows some things but he's after you you

1202

01:04:58,240 --> 01:04:53,990

know you were you were talking about

1203

01:05:00,549 --> 01:04:58,250

Trump and during the campaign somebody

1204

01:05:03,190 --> 01:05:00,559

asked him it's off do you hear me okay

1205

01:05:06,490 --> 01:05:03,200

my mic got shifted there yeah you're

1206

01:05:08,230 --> 01:05:06,500

fine but somebody asked him he might

1207

01:05:11,710 --> 01:05:08,240

find it on YouTube it's just a little

1208

01:05:15,160 --> 01:05:11,720

snippet what he thought about et's UFOs

1209

01:05:22,420 --> 01:05:15,170

and his answer was I'm not a fan

1210

01:05:29,980 --> 01:05:25,390

Oh Trump answer didn't interest him you

1211

01:05:33,940 --> 01:05:29,990

know it's like yeah well no yeah this

1212

01:05:35,799 --> 01:05:33,950

was during the campaign period they're

1213

01:05:38,170 --> 01:05:35,809

going to have to land on his golf course

1214

01:05:42,339 --> 01:05:38,180

to get his attention I guess and or well

1215

01:05:44,260 --> 01:05:42,349

you have to do that then yeah well that

1216

01:05:45,640 --> 01:05:44,270

ad that that's just it yeah he'd be

1217

01:05:48,160 --> 01:05:45,650

interested if there was a way that he

1218

01:05:51,010 --> 01:05:48,170

can make a profit off of it yeah yeah

1219

01:05:52,900 --> 01:05:51,020

but see you know since there's no no

1220

01:05:59,410 --> 01:05:52,910

discernible way to make monies is like

1221

01:06:00,490 --> 01:05:59,420

yeah not a fan start getting phone calls

1222

01:06:02,160 --> 01:06:00,500

okay

1223

01:06:06,640 --> 01:06:02,170

well now we've got a question from

1224

01:06:08,680 --> 01:06:06,650

Trevor and Trevor wants to know so what

1225

01:06:12,790 --> 01:06:08,690

do you guys think about the the talk Tom

1226

01:06:14,799 --> 01:06:12,800

DeLonge and his new project my attitude

1227

01:06:16,720 --> 01:06:14,809

is wait and see I know he's gotten a lot

1228

01:06:19,750 --> 01:06:16,730

of criticism and it is a little strange

1229

01:06:22,089 --> 01:06:19,760

he's asking for money right up front but

1230

01:06:26,420 --> 01:06:22,099

we'll see how it goes I'm I'm from

1231

01:06:28,470 --> 01:06:26,430

Missouri you got to show me ditto

1232

01:06:31,329 --> 01:06:28,480

[Laughter]

1233

01:06:35,650 --> 01:06:31,339

like a money-making enterprise because

1234

01:06:37,510 --> 01:06:35,660

he has this whole program lined out for

1235

01:06:39,400 --> 01:06:37,520

years to come there's going to be movies

1236

01:06:41,220 --> 01:06:39,410

there's going to be books he's working

1237

01:06:45,190 --> 01:06:41,230

with different authors and he's

1238

01:06:49,480 --> 01:06:45,200

supposedly talking to insiders and this

1239

01:06:51,059 --> 01:06:49,490

and that and I'm quite dubious we'll see

1240

01:06:53,950 --> 01:06:51,069

anything of Merit

1241

01:06:56,380 --> 01:06:53,960

well once again though I mean here we

1242

01:06:58,870 --> 01:06:56,390

have somebody who you know who claims

1243

01:07:01,299 --> 01:06:58,880

that you know they have they have this

1244

01:07:04,690 --> 01:07:01,309

they're getting insider information

1245

01:07:10,150 --> 01:07:04,700

yeah it it fits the pattern we've seen

1246

01:07:12,760 --> 01:07:10,160

before yes and and it's the same

1247

01:07:17,620 --> 01:07:12,770

pattern repeated over and over and over

1248

01:07:19,809 --> 01:07:17,630

again from people who do not keep up on

1249

01:07:22,990 --> 01:07:19,819

their history there you have no history

1250

01:07:24,789 --> 01:07:23,000

well I would you know it's a new way of

1251

01:07:27,700 --> 01:07:24,799

marketing it though you know you go

1252

01:07:30,130 --> 01:07:27,710

through phases and ufology where you

1253

01:07:33,940 --> 01:07:30,140

like a UFO conference you see the same

1254

01:07:35,590 --> 01:07:33,950

people the stanton Freedmen's and all of

1255

01:07:38,940 --> 01:07:35,600

that and when you

1256

01:07:41,650 --> 01:07:38,950

so this is like branding it with a

1257

01:07:43,420 --> 01:07:41,660

somebody who's like a millennial or

1258

01:07:46,990 --> 01:07:43,430

close to a millennial he has a

1259

01:07:49,720 --> 01:07:47,000

background as a rock star so you know

1260

01:07:53,830 --> 01:07:49,730

maybe that can attract a new audience

1261

01:07:55,540 --> 01:07:53,840

maybe that's the design well that would

1262

01:08:00,010 --> 01:07:55,550

be nice I mean it

1263

01:08:03,040 --> 01:08:00,020

I always origin courage you know new new

1264

01:08:05,680 --> 01:08:03,050

blood to you know come in and you know

1265

01:08:10,720 --> 01:08:05,690

bring in hopefully some some fresh ideas

1266

01:08:14,320 --> 01:08:10,730

but it's it's not gonna happen if they

1267

01:08:16,930 --> 01:08:14,330

aren't familiar with where everything is

1268

01:08:19,960 --> 01:08:16,940

coming from I wasn't necessarily framing

1269

01:08:25,270 --> 01:08:19,970

it as a good thing but just as the

1270

01:08:27,670 --> 01:08:25,280

marketing yeah I mean you know but but

1271

01:08:31,329 --> 01:08:27,680

but face it I mean what's what's one of

1272

01:08:33,370 --> 01:08:31,339

the major things that most UFO

1273

01:08:37,150 --> 01:08:33,380

investigators are always you know a

1274

01:08:40,750 --> 01:08:37,160

[h\_\_\h] about is that they don't have any

1275

01:08:44,079 --> 01:08:40,760

money to do any proper research and so I

1276

01:08:47,650 --> 01:08:44,089

mean I can't blame somebody from wanting

1277

01:08:50,680 --> 01:08:47,660

to find a funding find a funding source

1278

01:08:52,420 --> 01:08:50,690

well it's a popular rock star doesn't he

1279

01:08:57,030 --> 01:08:52,430

have a lot of money already

1280

01:09:04,690 --> 01:09:00,010

what was what was the group that he was

1281

01:09:07,690 --> 01:09:04,700

with blink-182 was that it yeah so

1282

01:09:11,170 --> 01:09:07,700

somewhat popular I guess he's a

1283

01:09:13,630 --> 01:09:11,180

well-known rock name and now UFO name

1284

01:09:15,640 --> 01:09:13,640

but it just seems very strange one of

1285

01:09:18,309 --> 01:09:15,650

the first things he wants is for you to

1286

01:09:20,289 --> 01:09:18,319

write a check to him and we're thinking

1287

01:09:23,050 --> 01:09:20,299

well shouldn't you produce some evidence

1288

01:09:29,020 --> 01:09:23,060

first and oh well the evidence will come

1289

01:09:31,800 --> 01:09:29,030

after you join our group the money

1290

01:09:35,320 --> 01:09:31,810

that's going to be generated is like

1291

01:09:40,420 --> 01:09:35,330

peanuts compared to real money you know

1292

01:09:43,870 --> 01:09:40,430

put into scientific research mmm yeah

1293

01:09:45,970 --> 01:09:43,880

well and then that's that's always been

1294

01:09:47,860 --> 01:09:45,980

the problem when it when it comes to UFO

1295

01:09:52,720 --> 01:09:47,870

research so

1296

01:09:56,780 --> 01:09:52,730

it's mostly just you know grassroots

1297

01:10:01,520 --> 01:09:56,790

people spending their own money to do

1298

01:10:04,850 --> 01:10:01,530

the research and if if any breakthrough

1299

01:10:09,200 --> 01:10:04,860

is made it's probably not going to come

1300

01:10:11,000 --> 01:10:09,210

from UFO researchers as as Adam and you

1301

01:10:13,189 --> 01:10:11,010

know Greg Bishop says it's probably

1302

01:10:19,100 --> 01:10:13,199

going to come out of less left field

1303

01:10:20,540 --> 01:10:19,110

somewhere and then when it does UFO

1304

01:10:22,939 --> 01:10:20,550

researchers I mean they're going to be

1305

01:10:24,770 --> 01:10:22,949

cached to the wayside you know it's it's

1306

01:10:27,709 --> 01:10:24,780

it's then going to be the scientist or

1307

01:10:29,689 --> 01:10:27,719

whoever who are gonna come in and like

1308

01:10:35,660 --> 01:10:29,699

yeah we do it all along you know and

1309

01:10:39,340 --> 01:10:35,670

this is why and all the hard work that

1310

01:10:47,419 --> 01:10:42,050

it will me it will meet anything you

1311

01:10:49,100 --> 01:10:47,429

know it but as I said before I don't

1312

01:10:54,919 --> 01:10:49,110

think that's going to happen I don't

1313

01:10:57,560 --> 01:10:54,929

expect to see any change in the whole

1314

01:10:59,500 --> 01:10:57,570

UFO phenomena or the information

1315

01:11:05,030 --> 01:10:59,510

gathering or knowledge base in my

1316

01:11:07,340 --> 01:11:05,040

lifetime so we'll leave it at that and

1317

01:11:08,990 --> 01:11:07,350

go to our bottom of the hour break and

1318

01:11:12,920 --> 01:11:09,000

when we come back we'll continue our

1319

01:11:21,660 --> 01:11:12,930

conversation on exploring the beyond

1320

01:11:28,390 --> 01:11:25,810

now back to exploring the bazaars with

1321

01:11:31,720 --> 01:11:28,400

two of the most electrifying researchers

1322

01:11:36,520 --> 01:11:31,730

in the Paranoid your hosts Timothy Becky

1323

01:11:38,680 --> 01:11:36,530

Lee panting Swift's all right welcome

1324

01:11:41,020 --> 01:11:38,690

back to exploring the bazaar here we are

1325

01:11:44,440 --> 01:11:41,030

at the bottom of the hour time is

1326

01:11:47,830 --> 01:11:44,450

rapidly running out so Paul we were

1327

01:11:51,520 --> 01:11:47,840

talking about Tom DeLonge and and his

1328

01:11:56,500 --> 01:11:51,530

new project do you think that for the

1329

01:11:59,140 --> 01:11:56,510

most part that people care one way or

1330

01:12:01,960 --> 01:11:59,150

the other about UFOs and whether or not

1331

01:12:03,940 --> 01:12:01,970

they're real or not that's a pretty good

1332

01:12:06,730 --> 01:12:03,950

question I think basically deep down

1333

01:12:09,100 --> 01:12:06,740

everyone is curious what our place is in

1334

01:12:11,830 --> 01:12:09,110

the universe and if we're being visited

1335

01:12:13,570 --> 01:12:11,840

as you heard Jimmy Kimmel he wants to

1336

01:12:15,430 --> 01:12:13,580

know so he asked directly to the

1337

01:12:18,280 --> 01:12:15,440

presidents I think it's something that's

1338

01:12:21,070 --> 01:12:18,290

in most people's minds but not at the

1339

01:12:23,620 --> 01:12:21,080

forefront just struggling to earn enough

1340

01:12:25,500 --> 01:12:23,630

money to survive keeps us pretty busy in

1341

01:12:29,530 --> 01:12:25,510

this crazy world

1342

01:12:34,420 --> 01:12:29,540

okay now the characters in your book I

1343

01:12:38,380 --> 01:12:34,430

mean what is it is money their

1344

01:12:40,420 --> 01:12:38,390

motivation for everything it certainly

1345

01:12:43,000 --> 01:12:40,430

is for the lead character who's a good

1346

01:12:45,460 --> 01:12:43,010

guy but he's got a gambling problem so

1347

01:12:48,310 --> 01:12:45,470

he creates these alien races at the

1348

01:12:51,010 --> 01:12:48,320

ballpark and he fixes them to make sure

1349

01:12:53,560 --> 01:12:51,020

his bets win and he gets mixed up with

1350

01:12:57,340 --> 01:12:53,570

some cutthroat gamblers and loan sharks

1351

01:13:00,820 --> 01:12:57,350

and it gets a little comedy complicated

1352

01:13:03,220 --> 01:13:00,830

but he wins out in the end as should

1353

01:13:06,250 --> 01:13:03,230

happen in any good novel but I do try to

1354

01:13:09,130 --> 01:13:06,260

get into real-life stories one is from

1355

01:13:13,210 --> 01:13:09,140

maybe you're familiar with an April 18th

1356

01:13:16,240 --> 01:13:13,220

of 1962 a UFO was sighted over 10 States

1357

01:13:18,190 --> 01:13:16,250

flashing from New York to Utah where it

1358

01:13:20,890 --> 01:13:18,200

was seen landing in a small town called

1359

01:13:22,690 --> 01:13:20,900

Eureka and the power went out and then

1360

01:13:25,990 --> 01:13:22,700

it lifted up and took off in a different

1361

01:13:26,860 --> 01:13:26,000

direction and flew over Las Vegas and

1362

01:13:29,360 --> 01:13:26,870

was

1363

01:13:33,190 --> 01:13:29,370

photographed in the Las Vegas Sun at

1364

01:13:36,229 --> 01:13:33,200

that time and crashed near Mesquite

1365

01:13:38,990 --> 01:13:36,239

outside of town and I've got a friend

1366

01:13:41,540 --> 01:13:39,000

who went to college in the 1980s in Las

1367

01:13:42,920 --> 01:13:41,550

Vegas and he said he decided to look

1368

01:13:45,680 --> 01:13:42,930

into this story and he's going to get

1369

01:13:47,870 --> 01:13:45,690

the scoop for his college newspaper and

1370

01:13:51,229 --> 01:13:47,880

he went to interview the photographer

1371

01:13:53,510 --> 01:13:51,239

for the Vegas Sun and the man just blew

1372

01:13:55,700 --> 01:13:53,520

up he just exploded after being very

1373

01:13:57,290 --> 01:13:55,710

friendly at first don't talk about this

1374

01:14:00,020 --> 01:13:57,300

subject I don't want to hear about it

1375

01:14:02,630 --> 01:14:00,030

get out of my shop and threw him out of

1376

01:14:04,880 --> 01:14:02,640

his store and by the time my buddy got

1377

01:14:07,550 --> 01:14:04,890

home he got an ominous phone call saying

1378

01:14:09,709 --> 01:14:07,560

you don't want to go into this story

1379

01:14:12,320 --> 01:14:09,719

you're not going to be writing about it

1380

01:14:15,200 --> 01:14:12,330

this is how people end up dead this

1381

01:14:17,570 --> 01:14:15,210

ominous voice knew my friend's name he

1382

01:14:20,180 --> 01:14:17,580

knew his parents name threatened them as

1383

01:14:23,360 --> 01:14:20,190

well and it scared him shirtless shall

1384

01:14:25,070 --> 01:14:23,370

we say for the audience and it just goes

1385

01:14:29,420 --> 01:14:25,080

to show you that apparently the

1386

01:14:32,060 --> 01:14:29,430

government knows about this 62 story

1387

01:14:34,970 --> 01:14:32,070

kept covering it up for over 25 years

1388

01:14:37,010 --> 01:14:34,980

later and maybe it goes on to this day

1389

01:14:39,350 --> 01:14:37,020

and I think people really want the lid

1390

01:14:41,390 --> 01:14:39,360

blown off of these kinds of tales and

1391

01:14:47,270 --> 01:14:41,400

just have our government be honest with

1392

01:14:49,280 --> 01:14:47,280

us too much to ask no of course not but

1393

01:14:52,280 --> 01:14:49,290

you know it makes me wonder though I

1394

01:14:56,750 --> 01:14:52,290

mean what would it have been about that

1395

01:15:02,479 --> 01:14:56,760

story that would be deemed you know so

1396

01:15:04,760 --> 01:15:02,489

so secretive and see to me the whole

1397

01:15:07,490 --> 01:15:04,770

aspect of you know the innominate

1398

01:15:09,560 --> 01:15:07,500

anonymous phone calls or in a warning

1399

01:15:15,080 --> 01:15:09,570

you know against further investigation

1400

01:15:18,890 --> 01:15:15,090

to me just really inflames the story it

1401

01:15:22,670 --> 01:15:18,900

makes it even juicier as far as I'm

1402

01:15:25,850 --> 01:15:22,680

concerned I put it in my book and I told

1403

01:15:27,620 --> 01:15:25,860

it quite truthfully and I ran a copy of

1404

01:15:29,810 --> 01:15:27,630

this chapter past my friend and he

1405

01:15:32,350 --> 01:15:29,820

approved it it really did happen he

1406

01:15:35,330 --> 01:15:32,360

swears it's true however he has no proof

1407

01:15:37,910 --> 01:15:35,340

you know just like a UFO witness he has

1408

01:15:39,770 --> 01:15:37,920

no proof to this call but he said he was

1409

01:15:42,440 --> 01:15:39,780

really really scared when this hat

1410

01:15:44,600 --> 01:15:42,450

and he did drop the story needless to

1411

01:15:46,730 --> 01:15:44,610

say and it's been somewhat under

1412

01:15:48,650 --> 01:15:46,740

investigated I know Kevin Randall has

1413

01:15:51,680 --> 01:15:48,660

looked into it and done some good work

1414

01:15:53,390 --> 01:15:51,690

you can find it on the Internet and I

1415

01:15:56,720 --> 01:15:53,400

made sure to include that since it's a

1416

01:16:02,200 --> 01:15:56,730

great Vegas area story in my new book

1417

01:16:17,510 --> 01:16:07,220

which you know again it just it makes me

1418

01:16:20,660 --> 01:16:17,520

wonder why why the threats why this type

1419

01:16:23,120 --> 01:16:20,670

of secrecy it's the same thing you know

1420

01:16:26,960 --> 01:16:23,130

say like with the with the men in black

1421

01:16:29,390 --> 01:16:26,970

stories where you you know you have a

1422

01:16:31,580 --> 01:16:29,400

UFO witness or an investigator and then

1423

01:16:36,530 --> 01:16:31,590

suddenly they're they're visited by

1424

01:16:39,310 --> 01:16:36,540

these these mysterious a being or they

1425

01:16:43,070 --> 01:16:39,320

receive threatening phone calls or

1426

01:16:47,030 --> 01:16:43,080

threatening letters see that to me that

1427

01:16:49,010 --> 01:16:47,040

just goes and confirms that this person

1428

01:16:52,390 --> 01:16:49,020

is on the right track that's something

1429

01:16:55,670 --> 01:16:52,400

that something definitely is going on

1430

01:16:58,580 --> 01:16:55,680

rather than if nobody said anything if

1431

01:17:02,000 --> 01:16:58,590

you know if no threats were made or

1432

01:17:05,840 --> 01:17:02,010

anything like that the story would then

1433

01:17:09,830 --> 01:17:05,850

just eventually peter out but I mean

1434

01:17:13,550 --> 01:17:09,840

here you know you talking about the the

1435

01:17:18,730 --> 01:17:13,560

Las Vegas photograph 1962 we're talking

1436

01:17:23,180 --> 01:17:18,740

about it now in 2017 when possibly if

1437

01:17:25,190 --> 01:17:23,190

you know your friend hadn't received any

1438

01:17:28,640 --> 01:17:25,200

kind of threats or anything like that

1439

01:17:31,100 --> 01:17:28,650

yeah nobody would talk about it that's

1440

01:17:32,600 --> 01:17:31,110

correct it initially appeared in some

1441

01:17:35,210 --> 01:17:32,610

newspapers because it was such a

1442

01:17:37,760 --> 01:17:35,220

prominent UFO at the time this strange

1443

01:17:39,950 --> 01:17:37,770

thing that had different colors and some

1444

01:17:44,240 --> 01:17:39,960

said it was cigar shaped and that

1445

01:17:46,430 --> 01:17:44,250

happened April 18th the next day it hit

1446

01:17:49,280 --> 01:17:46,440

some newspapers and then dead silence

1447

01:17:51,860 --> 01:17:49,290

the no one seemed to be capable of

1448

01:17:52,750 --> 01:17:51,870

getting the story out or maybe they were

1449

01:17:55,839 --> 01:17:52,760

warned off

1450

01:17:58,419 --> 01:17:55,849

then I looked up a JFK's White House

1451

01:18:00,040 --> 01:17:58,429

records where was he at the time did he

1452

01:18:03,160 --> 01:18:00,050

suddenly have a bunch of meetings with

1453

01:18:06,160 --> 01:18:03,170

military men and unfortunately he was

1454

01:18:08,319 --> 01:18:06,170

just flown to Palm Beach Florida for the

1455

01:18:11,649 --> 01:18:08,329

Passover Easter holiday at the time and

1456

01:18:15,129 --> 01:18:11,659

there were no records of his phone calls

1457

01:18:18,669 --> 01:18:15,139

or visitors during like a week-long Idol

1458

01:18:21,459 --> 01:18:18,679

in South Florida so the whole story just

1459

01:18:23,890 --> 01:18:21,469

seems to be somewhat dead but the

1460

01:18:27,189 --> 01:18:23,900

official story was that all it was just

1461

01:18:30,189 --> 01:18:27,199

a meteorite but if it was why was the

1462

01:18:32,560 --> 01:18:30,199

sheriff of Clark County surrounding Las

1463

01:18:35,799 --> 01:18:32,570

Vegas forming a search party and was

1464

01:18:38,020 --> 01:18:35,809

denied access by the military to go

1465

01:18:41,410 --> 01:18:38,030

investigate this property which was

1466

01:18:43,479 --> 01:18:41,420

government land which is in reality not

1467

01:18:45,790 --> 01:18:43,489

unusual because the government owns a

1468

01:18:47,890 --> 01:18:45,800

tremendous amount of land in the state

1469

01:18:49,750 --> 01:18:47,900

of Nevada they were not allowed to

1470

01:18:51,850 --> 01:18:49,760

pursue this story and we're told to just

1471

01:18:53,379 --> 01:18:51,860

forget it go home and there's nothing to

1472

01:18:55,330 --> 01:18:53,389

it and they were concerned at the time

1473

01:18:57,479 --> 01:18:55,340

but you know you just did what your

1474

01:19:00,430 --> 01:18:57,489

government told you then and in the

1475

01:19:02,640 --> 01:19:00,440

1980s and I don't know what the reaction

1476

01:19:05,709 --> 01:19:02,650

today would be I think people would

1477

01:19:08,200 --> 01:19:05,719

maybe get more organized and send up

1478

01:19:09,910 --> 01:19:08,210

some drones or get an aircraft or

1479

01:19:11,549 --> 01:19:09,920

helicopter and challenge the government

1480

01:19:13,899 --> 01:19:11,559

say what are you gonna do shoot me down

1481

01:19:19,560 --> 01:19:13,909

I'm not sure if I would want to do that

1482

01:19:21,850 --> 01:19:19,570

if I were you but times have changed the

1483

01:19:25,569 --> 01:19:21,860

politicians will just declare it fake

1484

01:19:29,259 --> 01:19:25,579

news and Haycock on something else you

1485

01:19:30,939 --> 01:19:29,269

know wreckage and dead aliens and

1486

01:19:39,520 --> 01:19:30,949

someone who say nothing to see here move

1487

01:19:41,290 --> 01:19:39,530

along well what what other stories have

1488

01:19:45,279 --> 01:19:41,300

you incorporated in your you know you

1489

01:19:47,410 --> 01:19:45,289

fictional book but events that actually

1490

01:19:50,680 --> 01:19:47,420

happened I didn't want to get too much

1491

01:19:52,390 --> 01:19:50,690

into Chandler's abductees or contactees

1492

01:19:54,850 --> 01:19:52,400

we talked about them a little tonight I

1493

01:19:57,990 --> 01:19:54,860

get into a little bit of that but I

1494

01:20:02,740 --> 01:19:58,000

included them a little-known story from

1495

01:20:06,040 --> 01:20:02,750

January of 1942 in which a shining amber

1496

01:20:06,400 --> 01:20:06,050

or yellow red object was seen over the

1497

01:20:09,070 --> 01:20:06,410

Mount

1498

01:20:11,980 --> 01:20:09,080

and 30 minutes before Carole Lombards

1499

01:20:13,750 --> 01:20:11,990

airplane crashed into it and that missus

1500

01:20:16,440 --> 01:20:13,760

said it just hung there like a lantern

1501  
01:20:19,180 --> 01:20:16,450  
in the sky this is long before drones or

1502  
01:20:20,950 --> 01:20:19,190  
blimps or something like that and it

1503  
01:20:22,510 --> 01:20:20,960  
said after the crash it took off

1504  
01:20:25,990 --> 01:20:22,520  
immediately and just disappeared

1505  
01:20:29,710 --> 01:20:26,000  
and that FBI reports on this amazing

1506  
01:20:32,260 --> 01:20:29,720  
story were blacked out and kept from the

1507  
01:20:35,470 --> 01:20:32,270  
American public for over 40 years before

1508  
01:20:38,440 --> 01:20:35,480  
they were grudgingly released redacted

1509  
01:20:40,600 --> 01:20:38,450  
in the 1980s but what little that does

1510  
01:20:43,360 --> 01:20:40,610  
remain talks about these lights that

1511  
01:20:45,880 --> 01:20:43,370  
were seen by witnesses and you know I

1512  
01:20:49,210 --> 01:20:45,890  
think it's a writer is her name Leslie

1513  
01:20:51,880 --> 01:20:49,220

Keane has written an entire book about

1514

01:20:54,550 --> 01:20:51,890

airplanes getting too close to UFOs and

1515

01:20:56,530 --> 01:20:54,560

losing their power and you saw this in

1516

01:20:59,050 --> 01:20:56,540

the movie Close Encounters of the Third

1517

01:21:01,630 --> 01:20:59,060

Kind with Steven Spielberg like Richard

1518

01:21:03,820 --> 01:21:01,640

Dreyfuss astruc suddenly goes dead and

1519

01:21:07,270 --> 01:21:03,830

an entire neighborhood loses its power

1520

01:21:09,820 --> 01:21:07,280

and airplanes lose their power when they

1521

01:21:13,360 --> 01:21:09,830

get into closer contact with these

1522

01:21:16,110 --> 01:21:13,370

supposedly alien technology so this may

1523

01:21:19,060 --> 01:21:16,120

be something that happened in real life

1524

01:21:21,130 --> 01:21:19,070

Carole Lombard and 21 others died when

1525

01:21:23,730 --> 01:21:21,140

their plane crashed into a mountain a

1526

01:21:26,530 --> 01:21:23,740

snow-capped Mountain on a clear

1527

01:21:29,350 --> 01:21:26,540

unlimited visibility evening in January

1528

01:21:31,510 --> 01:21:29,360

of 42 and apparently the FBI

1529

01:21:33,160 --> 01:21:31,520

investigated thoroughly and they did not

1530

01:21:35,860 --> 01:21:33,170

want the American public to hear about

1531

01:21:38,050 --> 01:21:35,870

this and it's still an under

1532

01:21:41,770 --> 01:21:38,060

investigated tale and I made sure to

1533

01:21:47,170 --> 01:21:41,780

include plenty of that in my book now I

1534

01:21:49,090 --> 01:21:47,180

I remember that that story because

1535

01:21:53,830 --> 01:21:49,100

apparently the mountain that the pilot

1536

01:21:56,020 --> 01:21:53,840

crashed into well-known mountain and

1537

01:21:58,600 --> 01:21:56,030

pilots who flew that right route

1538

01:22:01,360 --> 01:21:58,610

regularly were very well aware that it

1539

01:22:04,480 --> 01:22:01,370

was there and steer steered clear of it

1540

01:22:06,430 --> 01:22:04,490

they were repeatedly don't go anywhere

1541

01:22:10,960 --> 01:22:06,440

near this mountain and so what does he

1542

01:22:13,480 --> 01:22:10,970

do he drives right into it yeah he had

1543

01:22:15,880 --> 01:22:13,490

done takeoffs from the Las Vegas Airport

1544

01:22:18,130 --> 01:22:15,890

a number of times before and so it is

1545

01:22:20,040 --> 01:22:18,140

copilot they had perfectly working

1546

01:22:24,569 --> 01:22:20,050

instruments according to the

1547

01:22:27,330 --> 01:22:24,579

wreckage recovery investigation but one

1548

01:22:28,290 --> 01:22:27,340

eyewitness said he saw the airplane lost

1549

01:22:30,629 --> 01:22:28,300

its power

1550

01:22:32,220 --> 01:22:30,639

you couldn't see the lights on in any

1551

01:22:34,740 --> 01:22:32,230

part of the plane and it was struggling

1552

01:22:37,350 --> 01:22:34,750

going to into what he called porpoise

1553

01:22:40,109 --> 01:22:37,360

dives in the air struggling to get level

1554

01:22:42,149 --> 01:22:40,119

and going into a so-called flat spin

1555

01:22:45,330 --> 01:22:42,159

which had to been absolutely terrifying

1556

01:22:48,270 --> 01:22:45,340

for anyone on board and it was the early

1557

01:22:50,310 --> 01:22:48,280

days of World War two it was bad news we

1558

01:22:52,589 --> 01:22:50,320

don't really want to spread this around

1559

01:22:54,419 --> 01:22:52,599

it's scary sounding and it's depressing

1560

01:22:56,399 --> 01:22:54,429

so I think that was another factor in

1561

01:23:03,180 --> 01:22:56,409

the government squelching an amazing

1562

01:23:04,890 --> 01:23:03,190

tale you mentioned that it in Close

1563

01:23:06,839 --> 01:23:04,900

Encounters of the Third Kind you know

1564

01:23:12,270 --> 01:23:06,849

the the scene where Richard Dreyfuss

1565

01:23:14,189 --> 01:23:12,280

truck is frozen in place by the UFO and

1566

01:23:19,319 --> 01:23:14,199

you know this this used to be something

1567

01:23:23,430 --> 01:23:19,329

that was repeatedly reported from a lot

1568

01:23:26,399 --> 01:23:23,440

of UFO witnesses that their car would

1569

01:23:29,310 --> 01:23:26,409

just suddenly stop and it wasn't like it

1570

01:23:33,359 --> 01:23:29,320

just you know like like the engine

1571

01:23:37,379 --> 01:23:33,369

failed it was like it was frozen almost

1572

01:23:40,799 --> 01:23:37,389

in in place because when the UFO would

1573

01:23:42,899 --> 01:23:40,809

disappear the a lot of times the the car

1574

01:23:47,600 --> 01:23:42,909

would start right back up again

1575

01:23:49,890 --> 01:23:47,610

on its own accord the you know the the

1576

01:23:51,540 --> 01:23:49,900

participated oh the the witness wouldn't

1577

01:23:54,089 --> 01:23:51,550

you know try to start the car it would

1578

01:23:56,549 --> 01:23:54,099

start on its own like it even Spielberg

1579

01:23:59,310 --> 01:23:56,559

did a lot of research with dr. Jacques

1580

01:24:00,810 --> 01:23:59,320

Vallee on real-life stories like this

1581

01:24:03,299 --> 01:24:00,820

and made sure to include them

1582

01:24:06,120 --> 01:24:03,309

prominently in close encounters and you

1583

01:24:07,770 --> 01:24:06,130

can still see it for this day I trust

1584

01:24:13,169 --> 01:24:07,780

you will get Steven Spielberg on your

1585

01:24:14,819 --> 01:24:13,179

shows so he can cause hope I think Adam

1586

01:24:17,640 --> 01:24:14,829

has that connection he'll said of it oh

1587

01:24:22,830 --> 01:24:17,650

yeah right no great there's not the

1588

01:24:26,280 --> 01:24:22,840

greatest movie it is yes I when it would

1589

01:24:29,700 --> 01:24:26,290

you know when it came out I think I

1590

01:24:33,689 --> 01:24:29,710

probably saw it at least 10 times in the

1591

01:24:36,689 --> 01:24:33,699

theaters not just the special

1592

01:24:39,390 --> 01:24:36,699

affects for that time was like whoa yeah

1593

01:24:40,890 --> 01:24:39,400

it probably opened a lot of minds and

1594

01:24:43,169 --> 01:24:40,900

got people thinking about the

1595

01:24:45,629 --> 01:24:43,179

possibility that we are being visited it

1596

01:24:48,779 --> 01:24:45,639

was a real landmark film with a big

1597

01:24:50,930 --> 01:24:48,789

budget and so well done you you wonder

1598

01:24:54,000 --> 01:24:50,940

what de Steven Spielberg really know

1599

01:24:56,129 --> 01:24:54,010

well within the last year or two he came

1600

01:24:58,830 --> 01:24:56,139

forward and said that Ronald Reagan's

1601  
01:25:00,810 --> 01:24:58,840  
story was true it really did happen do

1602  
01:25:02,549 --> 01:25:00,820  
you want to repeat that one of the

1603  
01:25:08,009 --> 01:25:02,559  
showing of et in the White House and

1604  
01:25:11,040 --> 01:25:08,019  
what Reagan said what's not what's not

1605  
01:25:13,379 --> 01:25:11,050  
the one poor Reagan I guess leaned over

1606  
01:25:16,109 --> 01:25:13,389  
to Spielberg and said a lot of this

1607  
01:25:17,699 --> 01:25:16,119  
movie is is more true than you think or

1608  
01:25:20,160 --> 01:25:17,709  
something along those lines something

1609  
01:25:22,620 --> 01:25:20,170  
like this is more real than you know and

1610  
01:25:25,140 --> 01:25:22,630  
Spielberg refused to comment on it for

1611  
01:25:28,049 --> 01:25:25,150  
like two decades or more and then within

1612  
01:25:29,879 --> 01:25:28,059  
the last year he Lear a year or so he

1613  
01:25:31,739 --> 01:25:29,889

came forward and said that story is

1614

01:25:36,299 --> 01:25:31,749

absolutely true Reagan was not joking

1615

01:25:38,520 --> 01:25:36,309

when he said it either accordingly and

1616

01:25:43,859 --> 01:25:38,530

is deceased and he can't stand up for ya

1617

01:25:47,040 --> 01:25:43,869

oh but Reagan was obviously you know

1618

01:25:50,129 --> 01:25:47,050

seemed to be a believer maybe you know

1619

01:25:53,279 --> 01:25:50,139

maybe not necessarily and UFOs but in

1620

01:25:54,629 --> 01:25:53,289

the idea of a possibility of

1621

01:25:57,959 --> 01:25:54,639

extraterrestrial life because you know

1622

01:26:00,149 --> 01:25:57,969

he he made that reference several times

1623

01:26:04,500 --> 01:26:00,159

where he would talk about you know what

1624

01:26:07,020 --> 01:26:04,510

would happen if we were invaded you know

1625

01:26:10,109 --> 01:26:07,030

by extraterrestrials and you know well

1626

01:26:12,449 --> 01:26:10,119

it would you know like say the United

1627

01:26:14,370 --> 01:26:12,459

States and Soviet Union continued you

1628

01:26:17,069 --> 01:26:14,380

know fighting with each other or would

1629

01:26:19,709 --> 01:26:17,079

we you know band together to fight a

1630

01:26:21,540 --> 01:26:19,719

universal French were threatened by an

1631

01:26:23,879 --> 01:26:21,550

alien force you notice he didn't give

1632

01:26:25,799 --> 01:26:23,889

those speeches until he had won a second

1633

01:26:28,560 --> 01:26:25,809

term then he didn't give a hoot anymore

1634

01:26:30,569 --> 01:26:28,570

and he made a number of these references

1635

01:26:31,979 --> 01:26:30,579

and then suddenly just stopped and that

1636

01:26:35,270 --> 01:26:31,989

was the end of that someone must have

1637

01:26:38,399 --> 01:26:35,280

talked to him and said no more of that

1638

01:26:42,630 --> 01:26:38,409

his wife Nancy was very protective of

1639

01:26:49,200 --> 01:26:42,640

his reputation though we had

1640

01:26:52,470 --> 01:26:49,210

Nancy was an et there you go yeah well

1641

01:26:57,960 --> 01:26:52,480

yeah we had Grant Cameron on our show

1642

01:27:02,550 --> 01:26:57,970

not too long ago and you know grant made

1643

01:27:07,790 --> 01:27:02,560

reference to the stories that when a

1644

01:27:10,980 --> 01:27:07,800

president is first elected and when he's

1645

01:27:14,820 --> 01:27:10,990

debriefed when he first goes in there

1646

01:27:18,210 --> 01:27:14,830

they're told basically two things don't

1647

01:27:22,560 --> 01:27:18,220

ask about UFOs don't ask about the

1648

01:27:26,760 --> 01:27:22,570

Kennedy assassination that that gets

1649

01:27:30,960 --> 01:27:26,770

back to trump in the hole you know after

1650

01:27:34,620 --> 01:27:30,970

he and Obama met at the White House he

1651  
01:27:37,620 --> 01:27:34,630  
had this look on his face was like whoa

1652  
01:27:39,960 --> 01:27:37,630  
he never saw Trump Sousa dude so

1653  
01:27:43,200 --> 01:27:39,970  
everybody is saying what the hell do

1654  
01:27:47,720 --> 01:27:43,210  
bomb attendees tell him about the ETS

1655  
01:27:50,730 --> 01:27:47,730  
which Dave Chappelle mentioned on SNL I

1656  
01:27:54,410 --> 01:27:50,740  
doubt if it was the ETS it was probably

1657  
01:27:56,580 --> 01:27:54,420  
the Obama telling him we have all the

1658  
01:28:06,180 --> 01:27:56,590  
recordings of you talking to the

1659  
01:28:08,510 --> 01:28:06,190  
Russians no it was told that his wife

1660  
01:28:11,760 --> 01:28:08,520  
Molina is actually an extraterrestrial

1661  
01:28:16,680 --> 01:28:11,770  
you know the what I'm talking about

1662  
01:28:18,960 --> 01:28:16,690  
though that meat he's meeting there in

1663  
01:28:20,670 --> 01:28:18,970

the it's not the Oval Office or whatever

1664

01:28:22,680 --> 01:28:20,680

they meet and Trump it's the most

1665

01:28:30,240 --> 01:28:22,690

subdued he ever looked in his life oh

1666

01:28:32,310 --> 01:28:30,250

yeah well I think go ahead - go ahead

1667

01:28:34,680 --> 01:28:32,320

Paul we have one advantage with Trump

1668

01:28:36,960 --> 01:28:34,690

he's not from the military he's not from

1669

01:28:41,940 --> 01:28:36,970

the government he's not he has nothing

1670

01:28:44,820 --> 01:28:41,950

to do with intelligence does have the

1671

01:28:47,040 --> 01:28:44,830

nuclear codes yeah yeah but he's not

1672

01:28:48,960 --> 01:28:47,050

beholden to any of these interests and

1673

01:28:50,520 --> 01:28:48,970

he could someday just blurt something

1674

01:28:52,860 --> 01:28:50,530

out especially if he thought he was

1675

01:28:54,750 --> 01:28:52,870

going to resign or and be impeached he

1676

01:28:55,580 --> 01:28:54,760

might just release some data you never

1677

01:28:58,280 --> 01:28:55,590

know

1678

01:29:01,459 --> 01:28:58,290

I had this at this point who would

1679

01:29:02,930 --> 01:29:01,469

believe anything yeah and again we're

1680

01:29:06,680 --> 01:29:02,940

brought yea were brought back to bat

1681

01:29:08,959 --> 01:29:06,690

again you know who would who would

1682

01:29:11,359 --> 01:29:08,969

believe him it's like I had to point out

1683

01:29:12,950 --> 01:29:11,369

you know you'd have a few who you know

1684

01:29:16,280 --> 01:29:12,960

would believe anything that he said I

1685

01:29:18,229 --> 01:29:16,290

mean you know if he if he said that you

1686

01:29:20,750 --> 01:29:18,239

know DeRose we're living in the sewers

1687

01:29:23,390 --> 01:29:20,760

of New York there'd be quite a few

1688

01:29:30,229 --> 01:29:23,400

people you know oh yeah I've seen him I

1689

01:29:33,080 --> 01:29:30,239

believe it yeah but it's it's like the

1690

01:29:35,439 --> 01:29:33,090

whole disclosure movement if the

1691

01:29:39,010 --> 01:29:35,449

government would come out and and

1692

01:29:41,720 --> 01:29:39,020

disclose something there would always be

1693

01:29:45,080 --> 01:29:41,730

groups and factions who wouldn't believe

1694

01:29:48,169 --> 01:29:45,090

it because it the disclosure wouldn't

1695

01:29:51,919 --> 01:29:48,179

fit within their belief system yeah

1696

01:29:54,950 --> 01:29:51,929

either end of the spectrum the whatever

1697

01:29:57,320 --> 01:29:54,960

believers of Trump the disbelievers

1698

01:30:00,620 --> 01:29:57,330

they're all stuck in their own they

1699

01:30:02,990 --> 01:30:00,630

debate with their minds yeah one person

1700

01:30:04,780 --> 01:30:03,000

who intrigues me would be Jill Biden who

1701

01:30:07,430 --> 01:30:04,790

served in Senate intelligence committees

1702

01:30:09,169 --> 01:30:07,440

for decades and then he was vice

1703

01:30:11,780 --> 01:30:09,179

president probably received a lot of

1704

01:30:13,540 --> 01:30:11,790

presidential briefings and yet yeah no

1705

01:30:16,010 --> 01:30:13,550

one ever seems to ask him and he never

1706

01:30:17,300 --> 01:30:16,020

pipes up with his own information I

1707

01:30:19,700 --> 01:30:17,310

don't think he's going to run for office

1708

01:30:23,899 --> 01:30:19,710

anymore maybe he would be willing to

1709

01:30:28,240 --> 01:30:23,909

talk I don't have much hope for Mike

1710

01:30:32,060 --> 01:30:28,250

Pence he seems very straight well yeah

1711

01:30:36,310 --> 01:30:32,070

he'd throw you out of the room I well

1712

01:30:39,560 --> 01:30:36,320

Paul I'd I live here in Indiana and I

1713

01:30:42,800 --> 01:30:39,570

had the had the misfortune at times in

1714

01:30:45,740 --> 01:30:42,810

the past to have to work with pence

1715

01:30:47,689 --> 01:30:45,750

before before he was governor of the

1716

01:30:50,680 --> 01:30:47,699

state oh yeah yeah well I mean you know

1717

01:30:54,770 --> 01:30:50,690

don't forget I spent 20 years in the

1718

01:30:57,290 --> 01:30:54,780

news news game television yeah yeah so I

1719

01:31:00,109 --> 01:30:57,300

mean I I were I worked with all of them

1720

01:31:06,320 --> 01:31:00,119

so and you had you're right I mean

1721

01:31:08,270 --> 01:31:06,330

unless there was a religious aspect to

1722

01:31:11,649 --> 01:31:08,280

the UFO phenomena pence wouldn't have

1723

01:31:19,789 --> 01:31:16,489

yeah the et was Jesus right yeah oh

1724

01:31:22,579 --> 01:31:19,799

there you go there you go what about the

1725

01:31:24,559 --> 01:31:22,589

old scenario what if aliens did really

1726

01:31:26,539 --> 01:31:24,569

did land on the White House lawn what

1727

01:31:30,559 --> 01:31:26,549

would happen what do you think would

1728

01:31:33,409 --> 01:31:30,569

they be shot military effort yeah it

1729

01:31:35,029 --> 01:31:33,419

would something hottest heavy stuff

1730

01:31:36,919 --> 01:31:35,039

would be going down we have a lot of

1731

01:31:39,409 --> 01:31:36,929

people with their cell phone cameras out

1732

01:31:41,539 --> 01:31:39,419

recall yeah so you'd have to be a

1733

01:31:44,359 --> 01:31:41,549

security nightmare if you wanted to keep

1734

01:31:46,039 --> 01:31:44,369

it quiet and hushed I think the news

1735

01:31:49,879 --> 01:31:46,049

media would be all over that they're in

1736

01:31:53,719 --> 01:31:49,889

the building quite a bit so I bet there

1737

01:32:00,889 --> 01:31:53,729

would be explosions real quick they were

1738

01:32:03,729 --> 01:32:00,899

yeah man no doubt I mean maybe the you

1739

01:32:09,020 --> 01:32:03,739

know artillery would bounce off the

1740

01:32:12,469 --> 01:32:09,030

saucer or whatever but the Tina our

1741

01:32:14,599 --> 01:32:12,479

producer she she wrote that people would

1742

01:32:15,859 --> 01:32:14,609

saying it was a false or yeah the the

1743

01:32:21,559 --> 01:32:15,869

government say was a false flag

1744

01:32:23,629 --> 01:32:21,569

holographic casting yeah of course it

1745

01:32:25,129 --> 01:32:23,639

would be it'd be like that scene from

1746

01:32:27,379 --> 01:32:25,139

the old movie you know earth vs. the

1747

01:32:30,649 --> 01:32:27,389

flying saucers you know where they land

1748

01:32:34,299 --> 01:32:30,659

in the White House well The Day the

1749

01:32:36,289 --> 01:32:34,309

Earth Stood Still right right just

1750

01:32:39,770 --> 01:32:36,299

anybody that would come out just

1751

01:32:42,319 --> 01:32:39,780

immediately would be shot down well

1752

01:32:44,989 --> 01:32:42,329

unfortunately gentlemen we have about

1753

01:32:46,789 --> 01:32:44,999

less than three minutes before we have

1754

01:32:48,919 --> 01:32:46,799

to say bye-bye

1755

01:32:51,229 --> 01:32:48,929

so Paul I want to give you the

1756

01:32:54,679 --> 01:32:51,239

opportunity to tell us about your new

1757

01:32:57,949 --> 01:32:54,689

book where people can find it and what's

1758

01:32:59,929 --> 01:32:57,959

what's going on next with you written

1759

01:33:02,899 --> 01:32:59,939

the book and I'm working on the sequel

1760

01:33:05,599 --> 01:33:02,909

to sexy alien races and we'll bring the

1761

01:33:07,459 --> 01:33:05,609

same characters back and they were a lot

1762

01:33:09,439 --> 01:33:07,469

of fun to write for it was a hoot to

1763

01:33:11,389 --> 01:33:09,449

write and I hope you find it very funny

1764

01:33:12,979 --> 01:33:11,399

it's gotten a good review already from

1765

01:33:16,459 --> 01:33:12,989

1766

01:33:19,159 --> 01:33:16,469

girardeau UFO books there and I'll be

1769

01:33:26,720 --> 01:33:22,710

all

1770

01:33:29,450 --> 01:33:26,730

so writing about a nonfiction book on

1771

01:33:32,450 --> 01:33:29,460

UFOs that we'll be covering a little bit

1772

01:33:34,100 --> 01:33:32,460

on the Jackie Gleason story as you say

1773

01:33:35,870 --> 01:33:34,110

Tim Beckley is interested in that and

1774

01:33:37,640 --> 01:33:35,880

I've got some material on that but I

1775

01:33:40,850 --> 01:33:37,650

still need to hunker down and get that

1776

01:33:43,760 --> 01:33:40,860

done all right fantastic and and Adam

1777

01:33:48,050 --> 01:33:43,770

what about you just go to Adam go

1778

01:33:50,540 --> 01:33:48,060

rightly calm that says it all and you

1779

01:33:54,560 --> 01:33:50,550

and your into your comment your contact

1780

01:33:57,200 --> 01:33:54,570

e-book with Greg Bishop how much the

1781

01:34:01,940 --> 01:33:57,210

beginning of next year hope most of it

1782

01:34:04,970 --> 01:34:01,950

is done written the cover is done I need

1783

01:34:11,209 --> 01:34:04,980

to the next stage is getting it into

1784

01:34:11,750 --> 01:34:11,219

layout so I think early next year all

1785

01:34:13,580 --> 01:34:11,760

right

1786

01:34:16,190 --> 01:34:13,590
