

# EXPLORING THE BIZARRE

JEANNETTE LA TULIPPE \* DON YOUNG

1  
00:00:37,470 --> 00:00:21,840

[Music]

2  
00:00:44,420 --> 00:00:41,760

explore the bazaars are your e-ticket

3  
00:00:47,700 --> 00:00:44,430

ride into the world of the paranoid

4  
00:00:52,010 --> 00:00:47,710

strap yourself in as we traverse the

5  
00:00:55,130 --> 00:00:52,020

universe exploring the unexplained UFO s

6  
00:00:57,510 --> 00:00:55,140

ghosts Lost Worlds

7  
00:01:01,350 --> 00:00:57,520

cryptozoology waters as well as other

8  
00:01:06,510 --> 00:01:01,360

dimensions it's time to take back the

9  
00:01:09,450 --> 00:01:06,520

night now your electrifying hosts of

10  
00:01:15,620 --> 00:01:09,460

exploring the bizarre Timothy Beckley

11  
00:01:22,740 --> 00:01:20,190

wow this is really weird out here look

12  
00:01:25,499 --> 00:01:22,750

how dark it is I can't see a darn thing

13  
00:01:28,440 --> 00:01:25,509

but you know I hear all kinds of

14

00:01:31,230 --> 00:01:28,450

rustling in the in the in the bushes

15

00:01:34,830 --> 00:01:31,240

back there and I've even heard a scream

16

00:01:37,020 --> 00:01:34,840

or or or two but there's no there's

17

00:01:40,380 --> 00:01:37,030

nobody here but yet I feel like I'm

18

00:01:43,350 --> 00:01:40,390

being surrounded by like some invisible

19

00:01:45,600 --> 00:01:43,360

beings when somebody has just brushed up

20

00:01:48,870 --> 00:01:45,610

against me and they seem to be big and

21

00:01:50,070 --> 00:01:48,880

hairy and my Uncle Louie isn't here so I

22

00:01:53,400 --> 00:01:50,080

don't know who it is

23

00:01:55,740 --> 00:01:53,410

it's Tim oh what a whoa what is going on

24

00:01:58,889 --> 00:01:55,750

here what what what what are all these

25

00:02:00,990 --> 00:01:58,899

like invisible beings around us I don't

26

00:02:07,550 --> 00:02:01,000

know I you you that could be me your

27

00:02:16,890 --> 00:02:11,240

there's a little too close for comfort I

28

00:02:20,360 --> 00:02:16,900

you need a shave I don't know I mean you

29

00:02:23,100 --> 00:02:20,370

know the woods are deep and dark tonight

30

00:02:26,400 --> 00:02:23,110

well I'm sure we're going to explore

31

00:02:28,440 --> 00:02:26,410

further into them as the evening goes on

32

00:02:31,260 --> 00:02:28,450

so Tim how are you doing out there in

33

00:02:35,130 --> 00:02:31,270

Jasper has the cold wave hit you like it

34

00:02:37,830 --> 00:02:35,140

has here mm well no no nothing like I

35

00:02:40,620 --> 00:02:37,840

guess what you're getting up there in in

36

00:02:42,600 --> 00:02:40,630

New York in fact yesterday and today is

37

00:02:44,610 --> 00:02:42,610

is probably the first couple of days

38

00:02:49,229 --> 00:02:44,620

that we have had where we've actually

39

00:02:50,759 --> 00:02:49,239

had sunshine and blue skies I think most

40

00:02:51,300 --> 00:02:50,769

of October has been gloomy and rainy

41

00:02:53,250 --> 00:02:51,310

here

42

00:02:55,199 --> 00:02:53,260

I suppose that's you know perfect

43

00:02:57,750 --> 00:02:55,209

Halloween weather but for someone like

44

00:03:00,360 --> 00:02:57,760

me I like you know maybe just an

45

00:03:02,940 --> 00:03:00,370

occasional you know little blue sky and

46

00:03:08,820 --> 00:03:02,950

sunshine you know I'm a was when it

47

00:03:12,479 --> 00:03:08,830

comes to cold weather I I just I turned

48

00:03:15,870 --> 00:03:12,489

into an ice pop and and not a cherry one

49

00:03:18,479 --> 00:03:15,880

either I mean I I it's just the

50

00:03:21,000 --> 00:03:18,489

unbelievable it's you know these are old

51  
00:03:24,539 --> 00:03:21,010  
apartment buildings here and Manhattan

52  
00:03:27,120 --> 00:03:24,549  
and it's either bone-chilling cold or

53  
00:03:30,390 --> 00:03:27,130  
when the heat comes up you've got to go

54  
00:03:33,410 --> 00:03:30,400  
put on your speedos and you can imagine

55  
00:03:35,280 --> 00:03:33,420  
what I look like in speedos oh yeah you

56  
00:03:38,789 --> 00:03:35,290  
don't have to crawl into your

57  
00:03:41,550 --> 00:03:38,799  
refrigerator and warm up I swear but

58  
00:03:44,490 --> 00:03:41,560  
anyway we have an interesting program I

59  
00:03:47,309 --> 00:03:44,500  
I think a fascinating program ahead of

60  
00:03:50,550 --> 00:03:47,319  
us this evening and we're going to learn

61  
00:03:53,580 --> 00:03:50,560  
a lot about all these I guess in

62  
00:03:56,940 --> 00:03:53,590  
invisible and visible creatures that

63  
00:03:59,370 --> 00:03:56,950

coexist the long side of us that I guess

64

00:04:03,390 --> 00:03:59,380

most people are just not familiar with

65

00:04:06,509 --> 00:04:03,400

so why don't you take us a little ahead

66

00:04:08,819 --> 00:04:06,519

in time and tell us about who we're

67

00:04:11,819 --> 00:04:08,829

going to be speaking this evening

68

00:04:14,849 --> 00:04:11,829

well of course Tim well we've got a two

69

00:04:15,390 --> 00:04:14,859

fantastic guests we have Jeanette law

70

00:04:18,180 --> 00:04:15,400

tulip

71

00:04:20,940 --> 00:04:18,190

now Jeanette has the paranormal world

72

00:04:23,040 --> 00:04:20,950

has always manifested herself in her

73

00:04:25,290 --> 00:04:23,050

life she says that even since she was a

74

00:04:26,640 --> 00:04:25,300

small child and she thought these things

75

00:04:29,550 --> 00:04:26,650

we were you know maybe her guardian

76  
00:04:32,040 --> 00:04:29,560  
angels but you know now she's maybe not

77  
00:04:35,219 --> 00:04:32,050  
quite so sure so she's delved into

78  
00:04:37,920 --> 00:04:35,229  
anything that may shed light on this

79  
00:04:41,040 --> 00:04:37,930  
she says Alice down the rabbit hole

80  
00:04:43,830 --> 00:04:41,050  
adventures purse what and she says that

81  
00:04:46,230 --> 00:04:43,840  
she's finding answers but you know of

82  
00:04:49,680 --> 00:04:46,240  
course that there's there's still a lot

83  
00:04:51,629 --> 00:04:49,690  
to learn as she joined MUFON in 2012 and

84  
00:04:54,360 --> 00:04:51,639  
became an investigator with them shortly

85  
00:04:56,550 --> 00:04:54,370  
after that and so apart from her

86  
00:04:58,830 --> 00:04:56,560  
assigned investigations the majority of

87  
00:05:01,560 --> 00:04:58,840  
her experiences and sightings have been

88  
00:05:02,829 --> 00:05:01,570

in the I got to pronounce this correctly

89

00:05:06,260 --> 00:05:02,839

the the Woodham

90

00:05:10,040 --> 00:05:06,270

national forests in the Cascade Mountain

91

00:05:14,089 --> 00:05:10,050

Range and she's also the the author of

92

00:05:16,010 --> 00:05:14,099

the book the UFO Bigfoot connection and

93

00:05:18,649 --> 00:05:16,020

she says that even though that she's

94

00:05:21,320 --> 00:05:18,659

been off of investigations for a while

95

00:05:24,110 --> 00:05:21,330

for one reason or another that hasn't

96

00:05:26,119 --> 00:05:24,120

stopped the inappropriately termed of

97

00:05:28,790 --> 00:05:26,129

paranormal from happening in her

98

00:05:30,200 --> 00:05:28,800

personal life and she says that she'll

99

00:05:33,980 --> 00:05:30,210

be hot on the trail again really soon

100

00:05:38,420 --> 00:05:33,990

now of course also with us is Don Young

101  
00:05:40,989 --> 00:05:38,430  
Jr now don has spends about sixty to

102  
00:05:44,239 --> 00:05:40,999  
eighty hours per week in the outdoors

103  
00:05:48,170 --> 00:05:44,249  
getting close to the many wild animals

104  
00:05:50,119 --> 00:05:48,180  
and just mother nature herself young as

105  
00:05:52,129 --> 00:05:50,129  
a wildlife specialist an expert in the

106  
00:05:55,549 --> 00:05:52,139  
field of outdoor survival many times

107  
00:05:57,799 --> 00:05:55,559  
he's been called on to follow and and

108  
00:06:04,389 --> 00:05:57,809  
attract animals for study or live

109  
00:06:06,529 --> 00:06:04,399  
capture now Don says that when he was

110  
00:06:13,429 --> 00:06:06,539  
started when he was a youngster started

111  
00:06:14,959 --> 00:06:13,439  
having strange dreams and visions he let

112  
00:06:19,610 --> 00:06:14,969  
me make sure that I did I get this

113  
00:06:23,829 --> 00:06:19,620

correctly he began a pupil with been

114

00:06:26,749 --> 00:06:23,839

standing crow an Iroquois Shaymin and

115

00:06:30,439 --> 00:06:26,759

been standing crow saw that young was

116

00:06:33,559 --> 00:06:30,449

destined to be a powerful and then Don

117

00:06:36,529 --> 00:06:33,569

you'll have to help me with this how do

118

00:06:43,249 --> 00:06:36,539

you pronounce this a mid or middle we

119

00:06:45,439 --> 00:06:43,259

won thank you and and and and standing

120

00:06:48,199 --> 00:06:45,449

had been standing crow was was correct

121

00:06:50,659 --> 00:06:48,209

obviously so now Don is the author of

122

00:06:53,209 --> 00:06:50,669

the book trail of the Sasquatch shaman's

123

00:06:56,420 --> 00:06:53,219

journey which details Young's ventures

124

00:06:58,699 --> 00:06:56,430

with in nature's wild realm of the

125

00:07:02,149 --> 00:06:58,709

spirit world and of mysterious cryptids

126  
00:07:04,489 --> 00:07:02,159  
among forest among the forest or mind so

127  
00:07:06,170 --> 00:07:04,499  
Dom Jeanette thank you very much for

128  
00:07:11,029 --> 00:07:06,180  
being with us tonight or exploring the

129  
00:07:13,699 --> 00:07:11,039  
bizarre well you know I I have a feeling

130  
00:07:17,240 --> 00:07:13,709  
that I'm in the middle of an episode of

131  
00:07:20,030 --> 00:07:17,250  
Wild Kingdom very wild

132  
00:07:22,670 --> 00:07:20,040  
kingdom and you know that I want to

133  
00:07:26,420 --> 00:07:22,680  
start out by asking you a couple of

134  
00:07:28,310 --> 00:07:26,430  
questions how did you meet a Bigfoot or

135  
00:07:31,940 --> 00:07:28,320  
maybe I should ask how did you get all

136  
00:07:35,570 --> 00:07:31,950  
wrapped up in in the in the paranormal

137  
00:07:39,560 --> 00:07:35,580  
here you know I'm really not sure how

138  
00:07:44,420 --> 00:07:39,570

that all happened I know that I've been

139

00:07:46,460 --> 00:07:44,430

psychic as a child and I I went to

140

00:07:48,260 --> 00:07:46,470

parochial school and so forth and they

141

00:07:51,770 --> 00:07:48,270

they noticed that I was different I know

142

00:07:55,820 --> 00:07:51,780

that I was I was born with a veil that's

143

00:07:58,400 --> 00:07:55,830

another thing and I think the a great

144

00:08:02,330 --> 00:07:58,410

deal what happened after I joined a

145

00:08:06,350 --> 00:08:02,340

secret society and I performed a ritual

146

00:08:09,440 --> 00:08:06,360

as was what was requested and lo and

147

00:08:13,340 --> 00:08:09,450

behold later what I surmised with it was

148

00:08:16,490 --> 00:08:13,350

that it was an initiation ritual and

149

00:08:20,030 --> 00:08:16,500

then all of it broke loose I mean in a

150

00:08:23,090 --> 00:08:20,040

major way after that I would ask you

151

00:08:25,580 --> 00:08:23,100

what the secret society was but then it

152

00:08:27,680 --> 00:08:25,590

wouldn't be secret I guess but reveal as

153

00:08:30,650 --> 00:08:27,690

much as you reveal as much as you can

154

00:08:33,469 --> 00:08:30,660

that to our listeners it actually it was

155

00:08:36,980 --> 00:08:33,479

with the Rosicrucian Society oh yes and

156

00:08:40,760 --> 00:08:36,990

right and then when I when I did this

157

00:08:43,370 --> 00:08:40,770

what happened was that I started

158

00:08:45,680 --> 00:08:43,380

performing this and I heard and and all

159

00:08:47,840 --> 00:08:45,690

the doors and windows were closed we

160

00:08:49,970 --> 00:08:47,850

lived in a new complex at the time it

161

00:08:53,360 --> 00:08:49,980

was an apartment so the seals were all

162

00:08:56,450 --> 00:08:53,370

good on the doors and I heard a very

163

00:09:00,440 --> 00:08:56,460

loud noise in the corner of the room and

164

00:09:03,020 --> 00:09:00,450

it was a humming and it's almost sounded

165

00:09:05,840 --> 00:09:03,030

like my head was inside of a beehive and

166

00:09:09,920 --> 00:09:05,850

later Holliday got the results of the

167

00:09:12,230 --> 00:09:09,930

ritual and they said that they weren't

168

00:09:14,180 --> 00:09:12,240

you know they weren't very graphic but

169

00:09:16,610 --> 00:09:14,190

they said that those were the sounds of

170

00:09:18,650 --> 00:09:16,620

the universe and actually I've heard

171

00:09:22,520 --> 00:09:18,660

sounds of Saturn and in sounds of the

172

00:09:25,100 --> 00:09:22,530

earth and so forth but he I would bet

173

00:09:29,000 --> 00:09:25,110

described that as the sound the humming

174

00:09:30,370 --> 00:09:29,010

sound that people say was a UFO and at

175

00:09:33,370 --> 00:09:30,380

the time of performing

176  
00:09:34,150 --> 00:09:33,380  
ritual I was I was in my nightgown which

177  
00:09:36,850 --> 00:09:34,160  
was heavy

178  
00:09:39,340 --> 00:09:36,860  
it was fattening was flannel lined and

179  
00:09:41,320 --> 00:09:39,350  
like I said all the doors were closed it

180  
00:09:45,670 --> 00:09:41,330  
was a very calm evening and a very

181  
00:09:48,520 --> 00:09:45,680  
strong wind came through and my gown

182  
00:09:52,500 --> 00:09:48,530  
slapped against the couch that outlined

183  
00:09:56,860 --> 00:09:52,510  
my form I had a candle burning the flame

184  
00:09:59,680 --> 00:09:56,870  
was a foot long or longer and it pointed

185  
00:10:03,790 --> 00:09:59,690  
to me wherever I moved in the room very

186  
00:10:07,720 --> 00:10:03,800  
much like a compass needle I had on the

187  
00:10:11,410 --> 00:10:07,730  
table a double terminated crystal on the

188  
00:10:15,460 --> 00:10:11,420

table it and it was surrounded in a band

189

00:10:20,010 --> 00:10:15,470

of silver with a cabochon garnet on top

190

00:10:24,520 --> 00:10:20,020

of it and the crystal glowed bright red

191

00:10:27,550 --> 00:10:24,530

and then that's what happened at the end

192

00:10:29,130 --> 00:10:27,560

of it and that said well that sounds

193

00:10:31,960 --> 00:10:29,140

like it would have been a pretty

194

00:10:35,910 --> 00:10:31,970

positive experience wouldn't you say I

195

00:10:40,950 --> 00:10:35,920

mean it's doesn't sound too nefarious

196

00:10:44,430 --> 00:10:40,960

well it was everything that followed it

197

00:10:47,770 --> 00:10:44,440

afterwards with the shadow people the

198

00:10:50,620 --> 00:10:47,780

doorways opening up the lighted doorways

199

00:10:55,390 --> 00:10:50,630

opening up an apartment the behavior of

200

00:10:58,990 --> 00:10:55,400

my children the odors the color changes

201  
00:11:02,110 --> 00:10:59,000  
the orbs manifesting them the chandelier

202  
00:11:04,180 --> 00:11:02,120  
swinging above the dinner table all the

203  
00:11:06,580 --> 00:11:04,190  
other stuff and then and every time I

204  
00:11:08,380 --> 00:11:06,590  
had a question all I had to do was

205  
00:11:09,790 --> 00:11:08,390  
thinking at this time I was starting to

206  
00:11:14,560 --> 00:11:09,800  
go into college I was in the very

207  
00:11:16,330 --> 00:11:14,570  
beginnings of it and I just thought of

208  
00:11:19,740 --> 00:11:16,340  
something that what what word should I

209  
00:11:24,190 --> 00:11:19,750  
use here and I developed this voluminous

210  
00:11:26,620 --> 00:11:24,200  
vocabulary and and all of you know any

211  
00:11:30,580 --> 00:11:26,630  
like I said anything I wanted to know it

212  
00:11:34,270 --> 00:11:30,590  
just came to me but then again the I had

213  
00:11:36,820 --> 00:11:34,280

to pay the price you know and then I had

214

00:11:39,610 --> 00:11:36,830

other issues that I was trying to

215

00:11:43,120 --> 00:11:39,620

understand why all of this negativity

216

00:11:43,940 --> 00:11:43,130

and my my children's behavior they were

217

00:11:48,319 --> 00:11:43,950

terrified

218

00:11:50,660 --> 00:11:48,329

after this they saw people going out in

219

00:11:53,240 --> 00:11:50,670

and out of these doorways that opened up

220

00:11:57,220 --> 00:11:53,250

we were sitting on her bed saw a

221

00:12:01,400 --> 00:11:57,230

doorways open up my husband saw them

222

00:12:03,319 --> 00:12:01,410

gigantic or above our beds it was blue

223

00:12:05,480 --> 00:12:03,329

and it took the whole width of the

224

00:12:09,920 --> 00:12:05,490

queen-size bed

225

00:12:13,810 --> 00:12:09,930

there are kept reacted to these things

226

00:12:16,730 --> 00:12:13,820

the temperature changes in the apartment

227

00:12:21,790 --> 00:12:16,740

you know I to me those weren't possible

228

00:12:25,759 --> 00:12:21,800

you you you've had a multiplicity of

229

00:12:29,720 --> 00:12:25,769

things going on now when you say a

230

00:12:31,670 --> 00:12:29,730

doorway or portal opened what was on the

231

00:12:35,540 --> 00:12:31,680

other side did you ever venture in or

232

00:12:37,720 --> 00:12:35,550

didn't want anyone ever tried to snatch

233

00:12:40,970 --> 00:12:37,730

you and take you to this other place

234

00:12:42,889 --> 00:12:40,980

well no but you know we're over the

235

00:12:45,590 --> 00:12:42,899

years I have ended up in a different

236

00:12:49,340 --> 00:12:45,600

position on the bed we did what

237

00:12:51,740 --> 00:12:49,350

afterwards when we moved I had 3 Gray's

238

00:12:55,130 --> 00:12:51,750

and there were circumstances that

239

00:12:57,500 --> 00:12:55,140

happened in that condominium as a result

240

00:13:05,389 --> 00:12:57,510

of that physical changes that happened

241

00:13:09,470 --> 00:13:05,399

in there as well but yeah but you okay

242

00:13:12,019 --> 00:13:09,480

now you said that when you were younger

243

00:13:14,120 --> 00:13:12,029

when you were a child that you also had

244

00:13:16,610 --> 00:13:14,130

experience it's obviously not quite as

245

00:13:20,960 --> 00:13:16,620

intense as as these later ones that you

246

00:13:24,980 --> 00:13:20,970

you attribute to them to your guardian

247

00:13:26,630 --> 00:13:24,990

angels what what do you see I mean you

248

00:13:30,980 --> 00:13:26,640

were you seeing like you know ghostly

249

00:13:32,900 --> 00:13:30,990

figures or what exactly it it's really

250

00:13:34,840 --> 00:13:32,910

rather strange it's a film of like the

251  
00:13:38,990 --> 00:13:34,850  
Bigfoot experience but there were more

252  
00:13:40,970 --> 00:13:39,000  
there they were more pleasant well you

253  
00:13:43,790 --> 00:13:40,980  
know I always knew where my parents hid

254  
00:13:48,199 --> 00:13:43,800  
their money I seemed to know about their

255  
00:13:50,660 --> 00:13:48,209  
conversations I knew where my Easter

256  
00:13:55,000 --> 00:13:50,670  
things were hidden because it's strange

257  
00:13:57,290 --> 00:13:55,010  
I saw I was fully awake and I saw an

258  
00:13:58,550 --> 00:13:57,300  
eight-foot rabbit in

259  
00:14:01,460 --> 00:13:58,560  
and it looked like a person in a costume

260  
00:14:03,920 --> 00:14:01,470  
coming down the hallway hiding my Easter

261  
00:14:06,620 --> 00:14:03,930  
basket in the heater closet and then

262  
00:14:08,360 --> 00:14:06,630  
hopped out down the hallway and then I

263  
00:14:10,610 --> 00:14:08,370

heard the front door and I ran after it

264

00:14:12,259 --> 00:14:10,620

and I ran all the way around the yard

265

00:14:13,730 --> 00:14:12,269

and then I came back in the house

266

00:14:15,889 --> 00:14:13,740

looking my parents bedroom they were

267

00:14:18,410 --> 00:14:15,899

sound asleep and they're amazed that I

268

00:14:19,699 --> 00:14:18,420

knew where my Easter basket was and they

269

00:14:22,069 --> 00:14:19,709

wanted to know why and I said well that

270

00:14:24,230 --> 00:14:22,079

Easter rabbit put it in that closet they

271

00:14:26,480 --> 00:14:24,240

looked at me baffled and then I know

272

00:14:28,819 --> 00:14:26,490

with no things I told my father you know

273

00:14:30,710 --> 00:14:28,829

he'd be out there and he got a brand-new

274

00:14:35,090 --> 00:14:30,720

car and I said well your car's gonna get

275

00:14:37,610 --> 00:14:35,100

stolen tonight I know and then and then

276

00:14:39,259 --> 00:14:37,620

so he was angry at me the next morning

277

00:14:41,780 --> 00:14:39,269

but didn't I tell him and I said what do

278

00:14:45,199 --> 00:14:41,790

you mean I told you and his his car was

279

00:14:48,530 --> 00:14:45,209

stolen that night you know and I I would

280

00:14:50,930 --> 00:14:48,540

just know things and my grandmother you

281

00:14:54,079 --> 00:14:50,940

know was going to board a plane and it

282

00:14:56,509 --> 00:14:54,089

was her dream trip she wanted to travel

283

00:14:59,750 --> 00:14:56,519

to Jerusalem so the whole family chipped

284

00:15:01,340 --> 00:14:59,760

in on it and I had a dream and I I told

285

00:15:05,420 --> 00:15:01,350

him you know in the airplane that she

286

00:15:07,430 --> 00:15:05,430

was going to go down and she wouldn't be

287

00:15:09,920 --> 00:15:07,440

able to communicate with anybody on

288

00:15:13,190 --> 00:15:09,930

board the plane and I tried to call her

289

00:15:17,930 --> 00:15:13,200

and my family told me not to bother her

290

00:15:21,760 --> 00:15:17,940

and so everything happened just the way

291

00:15:24,440 --> 00:15:21,770

I told them and my sister boyfriend I

292

00:15:26,360 --> 00:15:24,450

said is it gonna come down this street

293

00:15:29,120 --> 00:15:26,370

when he comes to pick you up she said

294

00:15:31,490 --> 00:15:29,130

yes I said he's going to be involved in

295

00:15:37,310 --> 00:15:31,500

an accident and she tried to call him

296

00:15:41,180 --> 00:15:37,320

immediately well now could you tell in

297

00:15:44,510 --> 00:15:41,190

it in advance whether a particular event

298

00:15:46,990 --> 00:15:44,520

was was going to be a positive or

299

00:15:49,960 --> 00:15:47,000

whether it was going to be a negative

300

00:15:52,189 --> 00:15:49,970

thing and okay just speak just a little

301  
00:15:56,569 --> 00:15:52,199  
bit louder

302  
00:15:59,600 --> 00:15:56,579  
but yet tell us about you know what what

303  
00:16:02,389 --> 00:15:59,610  
were the energies behind all of this I I

304  
00:16:07,760 --> 00:16:02,399  
don't know I really don't know and and

305  
00:16:09,500 --> 00:16:07,770  
and generally the information that I was

306  
00:16:11,330 --> 00:16:09,510  
given with the exception of the rabbit

307  
00:16:15,320 --> 00:16:11,340  
was all pretty nice

308  
00:16:17,840 --> 00:16:15,330  
and I think for me it may have been a

309  
00:16:20,060 --> 00:16:17,850  
warning something it was more like

310  
00:16:23,630 --> 00:16:20,070  
prophecy because to me the purpose of

311  
00:16:25,640 --> 00:16:23,640  
prophecies to avoid an outcome something

312  
00:16:27,890 --> 00:16:25,650  
negative so you have people telling you

313  
00:16:29,870 --> 00:16:27,900

you know what's going to happen but you

314

00:16:31,760 --> 00:16:29,880

know a lot of people you know it's this

315

00:16:34,970 --> 00:16:31,770

is difficult for them to believe or let

316

00:16:39,920 --> 00:16:34,980

them do well now you had a variety of

317

00:16:42,440 --> 00:16:39,930

entities that you you've described we're

318

00:16:46,280 --> 00:16:42,450

were they all from the same place or

319

00:16:50,330 --> 00:16:46,290

where there was there a what's the word

320

00:16:52,700 --> 00:16:50,340

I'm looking for coordination between all

321

00:16:57,350 --> 00:16:52,710

of them I mean that you know would yang

322

00:17:01,400 --> 00:16:57,360

was thinking I I don't know I have no

323

00:17:04,070 --> 00:17:01,410

idea because what I've seen is I have

324

00:17:09,560 --> 00:17:04,080

seen UFOs I've seen about five different

325

00:17:16,400 --> 00:17:09,570

styles of ships but these beings I have

326

00:17:20,840 --> 00:17:16,410

seen grace shadow people and I actually

327

00:17:25,220 --> 00:17:20,850

photographed a reptilian and and III

328

00:17:26,900 --> 00:17:25,230

don't know if there's a relationship I'm

329

00:17:29,780 --> 00:17:26,910

led to believe that there is a

330

00:17:33,710 --> 00:17:29,790

relationship between Grace and

331

00:17:36,290 --> 00:17:33,720

reptilians and okay can you give us a

332

00:17:41,660 --> 00:17:36,300

description of what the reptilian looked

333

00:17:45,250 --> 00:17:41,670

like yeah actually I have two the first

334

00:17:48,230 --> 00:17:45,260

one was when I was after I did that

335

00:17:49,670 --> 00:17:48,240

initiation in the apartment and all of

336

00:17:51,980 --> 00:17:49,680

these things were going on I even

337

00:17:53,930 --> 00:17:51,990

captured an image in a crystal of a man

338

00:17:57,590 --> 00:17:53,940

in a sports jacket if you can believe

339

00:18:02,120 --> 00:17:57,600

that and I threw it out but I earned a

340

00:18:04,310 --> 00:18:02,130

reversal candle and I have also have to

341

00:18:08,000 --> 00:18:04,320

mention too about a man I met whose eyes

342

00:18:09,590 --> 00:18:08,010

turned black but anyway I bet burnt a

343

00:18:12,260 --> 00:18:09,600

reversal candle which is supposed to

344

00:18:14,570 --> 00:18:12,270

reverse the situation the house needs to

345

00:18:19,430 --> 00:18:14,580

be peaceful you need to pray diligently

346

00:18:22,010 --> 00:18:19,440

for in for seven days while this candle

347

00:18:24,320 --> 00:18:22,020

burns and then so

348

00:18:26,900 --> 00:18:24,330

I did that and in the meantime I was

349

00:18:29,060 --> 00:18:26,910

contacting a Unitarian Church and tried

350

00:18:33,170 --> 00:18:29,070

to to try and figure out everything was

351

00:18:35,870 --> 00:18:33,180

going on and so anyway the candle

352

00:18:39,860 --> 00:18:35,880

completely burnt down I went to this

353

00:18:42,110 --> 00:18:39,870

woman's house for a meeting and then so

354

00:18:44,690 --> 00:18:42,120

she asked me if I looked at the wax and

355

00:18:47,780 --> 00:18:44,700

of course I went I burnt this candle was

356

00:18:50,810 --> 00:18:47,790

in a large glass ashtray on my desk and

357

00:18:53,510 --> 00:18:50,820

it would start walking across my desk at

358

00:18:54,230 --> 00:18:53,520

one o'clock in the morning and I was say

359

00:18:57,320 --> 00:18:54,240

that again

360

00:19:01,490 --> 00:18:57,330

it started walking across my desk by the

361

00:19:03,140 --> 00:19:01,500

what the wax did they know the ashtray

362

00:19:06,770 --> 00:19:03,150

that the wax was oh oh

363

00:19:10,190 --> 00:19:06,780

same day go okay go ahead and then and

364

00:19:13,810 --> 00:19:10,200

then so I said no I hadn't looked at the

365

00:19:16,100 --> 00:19:13,820

wax because over that period of time I

366

00:19:18,170 --> 00:19:16,110

kept wanting to replace the lightbulbs

367

00:19:21,440 --> 00:19:18,180

in the house because the house was

368

00:19:23,630 --> 00:19:21,450

getting darker and darker and colder and

369

00:19:26,000 --> 00:19:23,640

colder to the point I mean this was like

370

00:19:30,290 --> 00:19:26,010

summertime and I could see my own breath

371

00:19:32,720 --> 00:19:30,300

and and I looked at the temperature and

372

00:19:38,210 --> 00:19:32,730

it was just fine in the house but yet it

373

00:19:40,790 --> 00:19:38,220

was cold or feeling cold and so anyway I

374

00:19:43,580 --> 00:19:40,800

took the wax out and they're almost as

375

00:19:47,830 --> 00:19:43,590

though someone pressed a signet ring in

376

00:19:54,500 --> 00:19:47,840

the wax was it very clearly defined oh

377

00:19:57,350 --> 00:19:54,510

there was a crocodile being you could

378

00:20:03,830 --> 00:19:57,360

see the mouth it was slightly open with

379

00:20:06,920 --> 00:20:03,840

the fangs and had a thick throat the

380

00:20:10,430 --> 00:20:06,930

head and the throat had scales all over

381

00:20:15,860 --> 00:20:10,440

it and there were these little ears on

382

00:20:18,620 --> 00:20:15,870

top of the head now the second time was

383

00:20:21,260 --> 00:20:18,630

when I lived in the Cascade Mountain

384

00:20:24,350 --> 00:20:21,270

Range and we had a lot of Bigfoot

385

00:20:27,860 --> 00:20:24,360

activity I've talked with the Indian

386

00:20:33,740 --> 00:20:27,870

tribes up there basically know what the

387

00:20:34,790 --> 00:20:33,750

heck is going on and the Lee hat I

388

00:20:37,820 --> 00:20:34,800

thought agree

389

00:20:43,610 --> 00:20:37,830

I can't even pronounce it like in like

390

00:20:47,120 --> 00:20:43,620

an arc avoid and and then she was nude I

391

00:20:50,870 --> 00:20:47,130

don't photographed her there and then I

392

00:20:53,870 --> 00:20:50,880

think he was nude it was a nude woman

393

00:20:57,800 --> 00:20:53,880

it was Android dimensional woman with a

394

00:21:00,860 --> 00:20:57,810

head scarf on and furry look like look

395

00:21:04,850 --> 00:21:00,870

like us or no no it I can't even

396

00:21:07,550 --> 00:21:04,860

pronounce it like apparently this is one

397

00:21:11,000 --> 00:21:07,560

of the people at the time of Eisenhower

398

00:21:13,270 --> 00:21:11,010

did these albums created these beings

399

00:21:18,740 --> 00:21:13,280

and they're they're supposedly created

400

00:21:21,020 --> 00:21:18,750

by a rapid clone process and so anyway

401  
00:21:24,710 --> 00:21:21,030  
I've looked this up after I photographed

402  
00:21:27,740 --> 00:21:24,720  
this being and had exactly the the

403  
00:21:32,570 --> 00:21:27,750  
physical image of one of these and then

404  
00:21:33,680 --> 00:21:32,580  
so when I after after I photographed I

405  
00:21:36,890 --> 00:21:33,690  
didn't know what I photographed because

406  
00:21:38,780 --> 00:21:36,900  
I'm I can sense am energy so I went out

407  
00:21:42,170 --> 00:21:38,790  
of the house and the very early morning

408  
00:21:44,780 --> 00:21:42,180  
hours and then photographed the area and

409  
00:21:46,310 --> 00:21:44,790  
just went back to bed and I I hurt

410  
00:21:49,520 --> 00:21:46,320  
really bad when I got up the next

411  
00:21:51,850 --> 00:21:49,530  
morning my arms and I had burns on the

412  
00:21:55,130 --> 00:21:51,860  
top my arms from about a couple inches

413  
00:21:57,680 --> 00:21:55,140

below my elbow to my first knuckle on

414

00:21:59,810 --> 00:21:57,690

the tops of both arms and I had is this

415

00:22:03,170 --> 00:21:59,820

with is this where the being had touched

416

00:22:05,900 --> 00:22:03,180

you maybe or I don't I think I may have

417

00:22:07,610 --> 00:22:05,910

been a radiation burn from the area and

418

00:22:10,460 --> 00:22:07,620

photographing this thing I don't know

419

00:22:12,650 --> 00:22:10,470

but this is all and dad

420

00:22:16,700 --> 00:22:12,660

so where were it where's the picture

421

00:22:18,740 --> 00:22:16,710

today it's it's very bad I drew a

422

00:22:21,920 --> 00:22:18,750

picture of it because of the pixels and

423

00:22:24,770 --> 00:22:21,930

it I got you are and then it's very dark

424

00:22:26,360 --> 00:22:24,780

and because I usually need some sort of

425

00:22:28,940 --> 00:22:26,370

background light on when I photograph

426  
00:22:31,910 --> 00:22:28,950  
these things anyway and I had it so you

427  
00:22:34,610 --> 00:22:31,920  
do this out of regular occasion well at

428  
00:22:38,300 --> 00:22:34,620  
the time at the time I did and then and

429  
00:22:40,430 --> 00:22:38,310  
then in the same area I was also called

430  
00:22:44,510 --> 00:22:40,440  
out it at another time and I got it

431  
00:22:47,530 --> 00:22:44,520  
actually I they validated a picture of a

432  
00:22:51,520 --> 00:22:47,540  
reptilian a reptilian I took

433  
00:22:56,640 --> 00:22:51,530  
an intelligence analyst analyzed the

434  
00:22:59,290 --> 00:22:56,650  
photo and authenticated it and it's um I

435  
00:23:04,450 --> 00:22:59,300  
just have the a picture of this thing

436  
00:23:06,880 --> 00:23:04,460  
from the throat up and it has the broad

437  
00:23:08,710 --> 00:23:06,890  
flat nose with scales all over the face

438  
00:23:10,690 --> 00:23:08,720

well we've got a break we've got a break

439

00:23:13,480 --> 00:23:10,700

coming up and I must say that this is

440

00:23:16,000 --> 00:23:13,490

all very bizarre but then you are

441

00:23:19,720 --> 00:23:16,010

listening to exploring the bizarre and

442

00:23:23,110 --> 00:23:19,730

and we should be back in just a few

443

00:23:36,190 --> 00:23:23,120

minutes with a continuing conversation

444

00:23:39,400 --> 00:23:36,200

on a very engrossing cover now back to

445

00:23:41,470 --> 00:23:39,410

exploring the bizarre with two of the

446

00:23:44,860 --> 00:23:41,480

most electrifying researchers in the

447

00:23:49,810 --> 00:23:44,870

Paranoid your hosts Timothy effectively

448

00:23:53,110 --> 00:23:49,820

and to Swift's and welcome back to

449

00:23:55,720 --> 00:23:53,120

exploring the bizarre I want to bring a

450

00:23:58,360 --> 00:23:55,730

Don Young junior into the conversation

451  
00:24:00,690 --> 00:23:58,370  
Don't thank you for being with us tonight

452  
00:24:03,520 --> 00:24:00,700  
it's it's a real pleasure to have you

453  
00:24:09,540 --> 00:24:03,530  
thank you for having me well now are

454  
00:24:12,970 --> 00:24:09,550  
like like Jeanette you started having

455  
00:24:16,980 --> 00:24:12,980  
experiences at a pretty young age

456  
00:24:20,050 --> 00:24:16,990  
yourself am I right on that yeah yeah

457  
00:24:22,330 --> 00:24:20,060  
since I was a young boy I was plagued

458  
00:24:26,020 --> 00:24:22,340  
with visions and dreams about large

459  
00:24:30,220 --> 00:24:26,030  
man-like beasts covered in hair family

460  
00:24:32,710 --> 00:24:30,230  
illnesses even deaths to come it was

461  
00:24:34,900 --> 00:24:32,720  
because of these dreams and strange

462  
00:24:37,480 --> 00:24:34,910  
visions that a family friend in been

463  
00:24:41,260 --> 00:24:37,490

spending crow began to teach me the ways

464

00:24:43,480 --> 00:24:41,270

of the Midland and as the years passed

465

00:24:47,050 --> 00:24:43,490

these dreams and visions started to

466

00:24:50,020 --> 00:24:47,060

become physical reality where I began

467

00:24:52,960 --> 00:24:50,030

see this creature or creatures afield

468

00:24:56,200 --> 00:24:52,970

fine tract beds and other forms of

469

00:24:59,800 --> 00:24:56,210

habitation that made me question even my

470

00:25:01,030 --> 00:24:59,810

own sanity as the years you know

471

00:25:04,030 --> 00:25:01,040

continued to roll

472

00:25:06,610 --> 00:25:04,040

I and sightings or encounters of these

473

00:25:10,150 --> 00:25:06,620

mysterious forest creatures became

474

00:25:13,690 --> 00:25:10,160

common to me I sought out different

475

00:25:15,850 --> 00:25:13,700

organizations for answers but some of

476

00:25:19,930 --> 00:25:15,860

the people in these organizations didn't

477

00:25:23,140 --> 00:25:19,940

share native beliefs then often followed

478

00:25:26,680 --> 00:25:23,150

a closed-minded path of flesh only

479

00:25:29,650 --> 00:25:26,690

creatures and that that started to turn

480

00:25:33,790 --> 00:25:29,660

me away from these organizations and I

481

00:25:37,900 --> 00:25:33,800

basically went my own way with my own

482

00:25:40,330 --> 00:25:37,910

type of of research and yeah it started

483

00:25:42,850 --> 00:25:40,340

when I was adept probably only about

484

00:25:46,180 --> 00:25:42,860

five years old I started with the

485

00:25:49,120 --> 00:25:46,190

visions but when I was uh I'd say

486

00:25:52,360 --> 00:25:49,130

probably eight years old I found my

487

00:25:56,040 --> 00:25:52,370

first set of tracks in the snow I don't

488

00:25:58,750 --> 00:25:56,050

know what we called the black swamp

489

00:26:01,930 --> 00:25:58,760

where is the flat where is the black

490

00:26:04,090 --> 00:26:01,940

that's in that's in Wisconsin it's not

491

00:26:07,540 --> 00:26:04,100

named the Black Swamp

492

00:26:10,750 --> 00:26:07,550

it's just our family always called it's

493

00:26:13,890 --> 00:26:10,760

a great great when you yeah when you go

494

00:26:17,100 --> 00:26:13,900

out into it it has such a thick canopy

495

00:26:22,600 --> 00:26:17,110

no Sun can get into it so it is

496

00:26:26,290 --> 00:26:22,610

virtually almost nighttime even in day

497

00:26:28,570 --> 00:26:26,300

well so creat creatures the small and

498

00:26:31,810 --> 00:26:28,580

large could be an alerting there or

499

00:26:34,240 --> 00:26:31,820

hiding there and probably very well

500

00:26:39,850 --> 00:26:34,250

camouflaged oh very well

501  
00:26:42,790 --> 00:26:39,860  
yes you know in the one particular track

502  
00:26:45,880 --> 00:26:42,800  
I had I didn't know what it was you know

503  
00:26:47,560 --> 00:26:45,890  
here's a huge probably I you know and

504  
00:26:50,350 --> 00:26:47,570  
when you're a small kid everything looks

505  
00:26:54,280 --> 00:26:50,360  
bigger but to me it looked like about 18

506  
00:26:58,300 --> 00:26:54,290  
inches in length it had toes you know so

507  
00:27:01,240 --> 00:26:58,310  
I had told my grandfather about it and

508  
00:27:05,260 --> 00:27:01,250  
he says now it's probably some railroad

509  
00:27:07,090 --> 00:27:05,270  
bum that's out there well I dismissed it

510  
00:27:09,940 --> 00:27:07,100  
is that a nun been standing crow he went

511  
00:27:14,410 --> 00:27:09,950  
out there with me and it freaked him out

512  
00:27:17,380 --> 00:27:14,420  
he started screaming Windigo man bees

513  
00:27:19,930 --> 00:27:17,390

let's leave so you know here's Ben he's

514

00:27:22,540 --> 00:27:19,940

an old man already and he's booking it

515

00:27:25,480 --> 00:27:22,550

through this you know crotch deep snow

516

00:27:30,490 --> 00:27:25,490

trying to get out of that swamp he was

517

00:27:33,160 --> 00:27:30,500

scared and that just got my interest and

518

00:27:37,840 --> 00:27:33,170

it even deeper as a kid the curate the

519

00:27:42,730 --> 00:27:37,850

curiosity I had then was just multiplied

520

00:27:45,550 --> 00:27:42,740

and you know it went into my training

521

00:27:49,150 --> 00:27:45,560

with uh with Ben he he referred to him

522

00:27:51,100 --> 00:27:49,160

later on as Jenna [h\_\_h] or what is

523

00:27:58,080 --> 00:27:51,110

called in the Iroquois as the stone

524

00:28:07,180 --> 00:28:02,110

mean and how will you say giant how

525

00:28:10,050 --> 00:28:07,190

taller we were well they vary they vary

526

00:28:15,220 --> 00:28:10,060

the the physical that I've seen

527

00:28:16,870 --> 00:28:15,230

generally in my area is roughly that the

528

00:28:19,090 --> 00:28:16,880

ones I've seen not the ones I

529

00:28:21,610 --> 00:28:19,100

photographed or anything the ones I've

530

00:28:25,180 --> 00:28:21,620

seen are generally about six to seven

531

00:28:28,240 --> 00:28:25,190

feet they're not like most of these

532

00:28:30,400 --> 00:28:28,250

reports they're huge and bulky they got

533

00:28:33,760 --> 00:28:30,410

no they're actually quite they're

534

00:28:37,210 --> 00:28:33,770

muscular but their slender well fit you

535

00:28:41,230 --> 00:28:37,220

know this is like a extreme well-kept

536

00:28:45,030 --> 00:28:41,240

athlete just covered in hair what well

537

00:28:47,710 --> 00:28:45,040

now are they their pair you've

538

00:28:48,550 --> 00:28:47,720

ascertained that they're paranormal in

539

00:28:53,710 --> 00:28:48,560

nature

540

00:28:55,620 --> 00:28:53,720

uh are they shapeshifters there's

541

00:28:59,530 --> 00:28:55,630

there's different there's different

542

00:29:06,520 --> 00:28:59,540

variants in the native beliefs they're

543

00:29:09,340 --> 00:29:06,530

both physical and energy this is brought

544

00:29:11,590 --> 00:29:09,350

on by you know different names in the in

545

00:29:14,980 --> 00:29:11,600

the native there's over a thousand names

546

00:29:16,690 --> 00:29:14,990

between the tribes in just America yeah

547

00:29:18,850 --> 00:29:16,700

you got you you can call them

548

00:29:20,440 --> 00:29:18,860

skinwalkers each called shapeshifters

549

00:29:24,970 --> 00:29:20,450

Wendigos

550

00:29:27,160 --> 00:29:24,980

Jeannot squaws but the main thing is you

551  
00:29:27,610 --> 00:29:27,170  
know if you see one out there in the

552  
00:29:30,159 --> 00:29:27,620  
wood

553  
00:29:32,019 --> 00:29:30,169  
and it's got glowing eyes when there's

554  
00:29:37,330 --> 00:29:32,029  
no exterior light

555  
00:29:40,840 --> 00:29:37,340  
that's the spirit form if you see one in

556  
00:29:44,049 --> 00:29:40,850  
the physical form out there you're gonna

557  
00:29:46,750 --> 00:29:44,059  
know it you know it's it's not something

558  
00:29:48,399 --> 00:29:46,760  
you're ever going to forget and people

559  
00:29:51,549 --> 00:29:48,409  
that say when they see one

560  
00:29:54,250 --> 00:29:51,559  
oh I wasn't scared they're lying

561  
00:29:56,860 --> 00:29:54,260  
when you see something that even the

562  
00:29:59,950 --> 00:29:56,870  
smallest of them you know say just a

563  
00:30:01,750 --> 00:29:59,960

juvenile at six feet you see something

564

00:30:04,060 --> 00:30:01,760

out there in the woods that's standing

565

00:30:08,980 --> 00:30:04,070

upright like man and it's covered in

566

00:30:12,870 --> 00:30:08,990

hair like an ape you're not gonna stay

567

00:30:16,720 --> 00:30:12,880

calm Jeannette did you have a question

568

00:30:19,630 --> 00:30:16,730

well well yeah I I would like to make a

569

00:30:21,010 --> 00:30:19,640

comment on that sure bars saying that

570

00:30:23,830 --> 00:30:21,020

they're very athletic

571

00:30:28,960 --> 00:30:23,840

I completely agree because I've seen one

572

00:30:32,169 --> 00:30:28,970

and the other thing about the okay they

573

00:30:35,010 --> 00:30:32,179

not being able to see him I may have

574

00:30:38,769 --> 00:30:35,020

some insight on this I'm really not sure

575

00:30:41,889 --> 00:30:38,779

but okay one of the things we did at the

576  
00:30:43,110 --> 00:30:41,899  
temple it was an experiment we did in

577  
00:30:46,330 --> 00:30:43,120  
invisibility

578  
00:30:50,799 --> 00:30:46,340  
okay the stage was set all of us had

579  
00:30:53,769 --> 00:30:50,809  
three witnesses and the things we did we

580  
00:30:56,700 --> 00:30:53,779  
looked in the mirror and while the the

581  
00:30:57,909 --> 00:30:56,710  
witnesses were looking on our image

582  
00:31:00,730 --> 00:30:57,919  
absolutely

583  
00:31:03,340 --> 00:31:00,740  
disappears in the mirror again we had

584  
00:31:07,779 --> 00:31:03,350  
three mice's for every person that did

585  
00:31:10,299 --> 00:31:07,789  
this another instance was that when I

586  
00:31:12,639 --> 00:31:10,309  
was 17 extreme argument with my

587  
00:31:16,570 --> 00:31:12,649  
boyfriend and I was dressed completely

588  
00:31:19,060 --> 00:31:16,580

in because I was in a drill team yet and

589

00:31:21,010 --> 00:31:19,070

was in the car and he wanted me out of

590

00:31:23,799 --> 00:31:21,020

course so he called an officer over to

591

00:31:26,470 --> 00:31:23,809

get me out of the car the officer shown

592

00:31:29,799 --> 00:31:26,480

his flashlight on me up and down and I

593

00:31:34,210 --> 00:31:29,809

was glistening yet the officer couldn't

594

00:31:39,100 --> 00:31:34,220

see me and my boyfriend did okay okay so

595

00:31:40,760 --> 00:31:39,110

the thing is I've gotten video things

596

00:31:47,810 --> 00:31:40,770

I've been looking at on this

597

00:31:53,240 --> 00:31:47,820

and it may be due to Hertz so in other

598

00:31:57,169 --> 00:31:53,250

words if if we adjust our Hertz or if

599

00:32:00,530 --> 00:31:57,179

they adjusted like a being can come into

600

00:32:05,030 --> 00:32:00,540

our dimension changing the Hertz level

601  
00:32:09,250 --> 00:32:05,040  
so then that might enable us to see them

602  
00:32:13,370 --> 00:32:09,260  
and again because the brain is mostly

603  
00:32:17,840 --> 00:32:13,380  
electromagnetic we we change our Hertz

604  
00:32:19,760 --> 00:32:17,850  
level and we can't be seen well done

605  
00:32:23,030 --> 00:32:19,770  
well done done would you would you say

606  
00:32:25,610 --> 00:32:23,040  
that they they live they lived on in a

607  
00:32:30,020 --> 00:32:25,620  
parallel universe most of the time in

608  
00:32:31,910 --> 00:32:30,030  
just appear here or also most definitely

609  
00:32:34,640 --> 00:32:31,920  
what I would I believe and this is only

610  
00:32:40,190 --> 00:32:34,650  
in theory and what I've been taught by

611  
00:32:42,230 --> 00:32:40,200  
the natives is basically the the

612  
00:32:44,440 --> 00:32:42,240  
sasquatch I'll just refer to a Miss a

613  
00:32:47,919 --> 00:32:44,450

Squatch is there's many names but

614

00:32:52,160 --> 00:32:47,929

they're interdimensional you have a

615

00:32:54,140 --> 00:32:52,170

energy that and that's why you know

616

00:32:57,760 --> 00:32:54,150

they'll they'll search forever

617

00:33:04,700 --> 00:32:57,770

they will never find a physical

618

00:33:07,940 --> 00:33:04,710

sasquatch they they come into physical

619

00:33:11,180 --> 00:33:07,950

because at one time on this earth they

620

00:33:16,570 --> 00:33:11,190

were physical now what you're getting is

621

00:33:19,700 --> 00:33:16,580

the spirit form that transfers into

622

00:33:23,799 --> 00:33:19,710

physical so they can feel what they used

623

00:33:27,860 --> 00:33:23,809

to feel years ago when they were all

624

00:33:29,419 --> 00:33:27,870

physical yeah it's hard to explain it's

625

00:33:33,080 --> 00:33:29,429

like all right they're a ghost

626  
00:33:36,919 --> 00:33:33,090  
say that they're a ghost and they want

627  
00:33:38,419 --> 00:33:36,929  
to be physical again they enjoy walking

628  
00:33:42,620 --> 00:33:38,429  
through the woods they enjoy eating

629  
00:33:44,140 --> 00:33:42,630  
berries smelling the fresh air being

630  
00:33:48,590 --> 00:33:44,150  
alive

631  
00:33:50,950 --> 00:33:48,600  
so when they're under threat then they

632  
00:33:54,510 --> 00:33:50,960  
just vanish back into the spirit world

633  
00:33:57,030 --> 00:33:54,520  
now when you say they're under there

634  
00:33:59,190 --> 00:33:57,040  
Frette have there been incidences that

635  
00:34:01,590 --> 00:33:59,200  
you know of where they have been

636  
00:34:05,420 --> 00:34:01,600  
threatened at the hunters are big yes

637  
00:34:10,260 --> 00:34:05,430  
yes back in back in history even the

638  
00:34:14,100 --> 00:34:10,270

it's recorded cave drawings in that and

639

00:34:18,030 --> 00:34:14,110

the Gigantopithecus was actually hunted

640

00:34:20,520 --> 00:34:18,040

by the natives for territory the same

641

00:34:25,020 --> 00:34:20,530

with the Sasquatch which could be a

642

00:34:27,510 --> 00:34:25,030

relative okay but as far as threat yeah

643

00:34:29,159 --> 00:34:27,520

you've got other researchers out there

644

00:34:32,190 --> 00:34:29,169

in the world I don't know if they're

645

00:34:36,860 --> 00:34:32,200

true I don't know if they're hoaxers but

646

00:34:38,820 --> 00:34:36,870

they say they have shot one okay oh well

647

00:34:42,750 --> 00:34:38,830

where where's the body

648

00:34:45,330 --> 00:34:42,760

yeah yeah it's gone okay now there's

649

00:34:48,630 --> 00:34:45,340

been other incidents where people have

650

00:34:49,460 --> 00:34:48,640

found tracks going right up the side of

651  
00:34:52,560 --> 00:34:49,470  
a mountain

652  
00:34:56,300 --> 00:34:52,570  
okay they follow the tracks there's no

653  
00:35:00,330 --> 00:34:56,310  
trees or anything the tracks just end

654  
00:35:03,690 --> 00:35:00,340  
okay no that's where they knew they were

655  
00:35:06,690 --> 00:35:03,700  
being followed so they just transfer

656  
00:35:09,320 --> 00:35:06,700  
into the spirit world well what is it

657  
00:35:12,330 --> 00:35:09,330  
what what what in general is their

658  
00:35:16,110 --> 00:35:12,340  
disposition towards human beings are

659  
00:35:18,120 --> 00:35:16,120  
they friendly disposed or do they take a

660  
00:35:21,300 --> 00:35:18,130  
human's in the caves and perform

661  
00:35:24,810 --> 00:35:21,310  
cannibalistic turns on the human it all

662  
00:35:29,460 --> 00:35:24,820  
depends on the human and in the most

663  
00:35:32,970 --> 00:35:29,470

part if the human is respectful of the

664

00:35:35,790 --> 00:35:32,980

outdoors of nature then they are a

665

00:35:39,270 --> 00:35:35,800

helper they're a protector they're a

666

00:35:41,940 --> 00:35:39,280

guardian if you're a person that's a

667

00:35:46,290 --> 00:35:41,950

goes out in the woods and gets lost and

668

00:35:50,700 --> 00:35:46,300

you're respectful of nature they will

669

00:35:54,840 --> 00:35:50,710

help you in some delays they'll give a

670

00:35:58,560 --> 00:35:54,850

call those screech like a bird or though

671

00:36:00,620 --> 00:35:58,570

a hole like a coyote or some noise to

672

00:36:03,090 --> 00:36:00,630

draw your attention towards that area

673

00:36:06,630 --> 00:36:03,100

and as you're following it you'll find a

674

00:36:09,300 --> 00:36:06,640

road now if your disrespect

675

00:36:13,830 --> 00:36:09,310

out there they'll just lure you deeper

676  
00:36:17,340 --> 00:36:13,840  
into the woods or you're gonna be even

677  
00:36:23,880 --> 00:36:17,350  
more lost that's the last we'll ever see

678  
00:36:26,610 --> 00:36:23,890  
of you well you know um I can think of

679  
00:36:28,920 --> 00:36:26,620  
one lady in Kentucky specifically but

680  
00:36:31,260 --> 00:36:28,930  
there's been others who claim that I

681  
00:36:36,180 --> 00:36:31,270  
mean they've had you know like

682  
00:36:37,890 --> 00:36:36,190  
telepathic conversations with these with

683  
00:36:40,650 --> 00:36:37,900  
these creatures and you know I mean some

684  
00:36:44,010 --> 00:36:40,660  
people you know they say it's at time

685  
00:36:46,350 --> 00:36:44,020  
that's war just a feeling or a series of

686  
00:36:49,350 --> 00:36:46,360  
feelings rather than words while others

687  
00:36:52,440 --> 00:36:49,360  
I mean they it is it's just almost like

688  
00:36:56,430 --> 00:36:52,450

having a mind to mind a conversation

689

00:37:00,740 --> 00:36:56,440

with these creatures in a way that could

690

00:37:04,950 --> 00:37:00,750

be but you gotta you gotta realize that

691

00:37:06,870 --> 00:37:04,960

they if they do have a language this

692

00:37:11,370 --> 00:37:06,880

language is not going to be known by us

693

00:37:13,830 --> 00:37:11,380

I've often wrote on messages and stuff

694

00:37:16,260 --> 00:37:13,840

like that to people even made a post

695

00:37:19,170 --> 00:37:16,270

about it that when these people are out

696

00:37:23,850 --> 00:37:19,180

there and they're howling and banging on

697

00:37:25,740 --> 00:37:23,860

trees and everything like that that it's

698

00:37:28,080 --> 00:37:25,750

it's ridiculous

699

00:37:31,770 --> 00:37:28,090

it's like going over into a foreign

700

00:37:33,510 --> 00:37:31,780

country you hear the the foreigners over

701  
00:37:36,270 --> 00:37:33,520  
there or you'd actually be the foreigner

702  
00:37:39,900 --> 00:37:36,280  
but you hear their language over there

703  
00:37:49,500 --> 00:37:39,910  
and you just start to mimic them you're

704  
00:37:51,510 --> 00:37:49,510  
going to be an idiot you buy roaring and

705  
00:37:56,060 --> 00:37:51,520  
growling like a Bigfoot doesn't go over

706  
00:37:59,580 --> 00:37:56,070  
well no in most cases you're you're just

707  
00:38:02,610 --> 00:37:59,590  
alerting them yeah something that's not

708  
00:38:05,850 --> 00:38:02,620  
right because I always see their oh man

709  
00:38:08,460 --> 00:38:05,860  
I always see that on TV some tubby

710  
00:38:10,800 --> 00:38:08,470  
fellow will let out with a a giant this

711  
00:38:12,660 --> 00:38:10,810  
scream and then everybody will listen to

712  
00:38:17,490 --> 00:38:12,670  
see if there any branches moving or

713  
00:38:21,090 --> 00:38:17,500

anything you know and you know it the

714

00:38:24,150 --> 00:38:21,100

the best way to get them in clothes is

715

00:38:25,230 --> 00:38:24,160

like what I've done is you take and you

716

00:38:29,580 --> 00:38:25,240

do a cold camp

717

00:38:33,090 --> 00:38:29,590

there's no campfire there's no nothing's

718

00:38:36,980 --> 00:38:33,100

disturbing the outdoors you just stay

719

00:38:39,630 --> 00:38:36,990

out there you are one with nature you

720

00:38:42,390 --> 00:38:39,640

let them come to you you don't go and

721

00:38:44,820 --> 00:38:42,400

look for them they'd notice you'd minute

722

00:38:47,190 --> 00:38:44,830

you get out of your vehicle you don't

723

00:38:50,700 --> 00:38:47,200

have to go and you know try to find them

724

00:38:51,720 --> 00:38:50,710

they've already found you so if you go

725

00:38:57,240 --> 00:38:51,730

looking for them

726

00:39:00,680 --> 00:38:57,250

now you're a predator okay if you go

727

00:39:03,620 --> 00:39:00,690

searching that's what a predator does

728

00:39:06,960 --> 00:39:03,630

prey doesn't go searching except for

729

00:39:10,320 --> 00:39:06,970

another grazing area you're searching

730

00:39:13,410 --> 00:39:10,330

for an individual you're a predator and

731

00:39:15,150 --> 00:39:13,420

that will make them nervous now they're

732

00:39:21,780 --> 00:39:15,160

not going to stay in the physical form

733

00:39:24,300 --> 00:39:21,790

very long what what sort of family life

734

00:39:28,110 --> 00:39:24,310

do they have I mean are there a groups

735

00:39:30,690 --> 00:39:28,120

of them are there well in in the

736

00:39:35,310 --> 00:39:30,700

physical in a physical form the very

737

00:39:40,710 --> 00:39:35,320

very few that are left that are in the

738

00:39:43,370 --> 00:39:40,720

larger tracts of unpopulated forests

739

00:39:46,880 --> 00:39:43,380

like in Alaska and stuff like that

740

00:39:51,620 --> 00:39:46,890

you'll have regular almost like the

741

00:39:57,960 --> 00:39:51,630

eight pods you'll have the dominant male

742

00:40:00,300 --> 00:39:57,970

most likely one female and the little

743

00:40:02,820 --> 00:40:00,310

ones until they get to a certain age

744

00:40:07,340 --> 00:40:02,830

where they leave the pod and start their

745

00:40:10,950 --> 00:40:07,350

own they do not I've noticed that on the

746

00:40:15,870 --> 00:40:10,960

are the ones that I've tracked in that

747

00:40:17,190 --> 00:40:15,880

they do not travel in a group if you

748

00:40:17,790 --> 00:40:17,200

travel in a group you're going to be

749

00:40:21,150 --> 00:40:17,800

found

750

00:40:25,710 --> 00:40:21,160

you leave trails you leave stomp down

751

00:40:27,210 --> 00:40:25,720

areas their individual foragers people

752

00:40:30,900 --> 00:40:27,220

that say oh I've seen a whole line of

753

00:40:33,299 --> 00:40:30,910

them going no if that was the case

754

00:40:36,750 --> 00:40:33,309

you'd be able to track him anywhere now

755

00:40:40,319 --> 00:40:36,760

I have most of your encounters and

756

00:40:45,920 --> 00:40:40,329

sightings been in Wisconsin yes I've had

757

00:40:49,559 --> 00:40:45,930

them in Wisconsin and the Upper you P

758

00:40:54,270 --> 00:40:49,569

any any difference in the in the groups

759

00:40:57,960 --> 00:40:54,280

I mean are they the same racer basically

760

00:41:01,349 --> 00:40:57,970

about the about the same the ones in the

761

00:41:05,150 --> 00:41:01,359

U P I had several witnesses with me we

762

00:41:10,579 --> 00:41:05,160

all seen the entire group and then they

763

00:41:14,609 --> 00:41:10,589

they became defensive where the adults

764

00:41:17,490 --> 00:41:14,619

started to flank us on both sides so we

765

00:41:21,839 --> 00:41:17,500

they drew our attention from the young

766

00:41:25,020 --> 00:41:21,849

ones and then they just vanished in in

767

00:41:28,049 --> 00:41:25,030

this area it's it's pretty much the same

768

00:41:31,049 --> 00:41:28,059

thing they're curious it's a very

769

00:41:33,750 --> 00:41:31,059

curious species

770

00:41:37,910 --> 00:41:33,760

I've already been treed by one because I

771

00:41:41,430 --> 00:41:37,920

was doing something stupid but that was

772

00:41:45,630 --> 00:41:41,440

I've already encountered one with a

773

00:41:48,390 --> 00:41:45,640

territorial aggression that was also my

774

00:41:51,299 --> 00:41:48,400

fault experimenting that's what I do out

775

00:41:54,059 --> 00:41:51,309

there as I experiment to get reactions

776

00:41:56,760 --> 00:41:54,069

and a lot of times my reactions are

777

00:42:00,390 --> 00:41:56,770

stuff that people do not do and I don't

778

00:42:03,029 --> 00:42:00,400

recommend it well yeah if you got treed

779

00:42:10,890 --> 00:42:03,039

then I would say yeah I'm not gonna do

780

00:42:14,870 --> 00:42:10,900

that again okay now are we talking about

781

00:42:19,799 --> 00:42:14,880

are these things or at least the the

782

00:42:22,410 --> 00:42:19,809

physical aspects of them are they are

783

00:42:30,299 --> 00:42:22,420

they related to humans I mean are they a

784

00:42:32,760 --> 00:42:30,309

branch of of cards you know they very

785

00:42:39,210 --> 00:42:32,770

well could be very well could be they

786

00:42:42,510 --> 00:42:39,220

are I believe a primate mm-hmm okay but

787

00:42:43,840 --> 00:42:42,520

I am I'm not sure exactly if they're a

788

00:42:49,000 --> 00:42:43,850

branch

789

00:42:54,490 --> 00:42:49,010

unto the Gigantopithecus or a more

790

00:42:58,530 --> 00:42:54,500

direct link to the humanoid that that

791

00:43:04,150 --> 00:42:58,540

has me puzzled when I see them walking

792

00:43:07,000 --> 00:43:04,160

there is no real you know like a

793

00:43:09,340 --> 00:43:07,010

chimpanzee is laughed over completely a

794

00:43:11,470 --> 00:43:09,350

gorilla is switched over completely

795

00:43:15,880 --> 00:43:11,480

there is none of that mm-hmm

796

00:43:18,190 --> 00:43:15,890

these are standing upright there is no

797

00:43:22,630 --> 00:43:18,200

slouch back yes they have the low

798

00:43:25,300 --> 00:43:22,640

hanging arms but you know there is no

799

00:43:28,360 --> 00:43:25,310

that the smaller ones yeah there are

800

00:43:30,640 --> 00:43:28,370

pretty much like the chimpanzee they can

801  
00:43:32,050 --> 00:43:30,650  
climb trees rapidly they can jump from

802  
00:43:35,410 --> 00:43:32,060  
branch to branch which I've got a

803  
00:43:37,270 --> 00:43:35,420  
thermal of I've captured one on thermal

804  
00:43:39,960 --> 00:43:37,280  
with a friend of mine we were out there

805  
00:43:42,940 --> 00:43:39,970  
and this one literally was 4 feet high

806  
00:43:44,710 --> 00:43:42,950  
was on the ground and just like that

807  
00:43:47,860 --> 00:43:44,720  
jumped up into the branches and started

808  
00:43:49,720 --> 00:43:47,870  
swinging like a chimpanzee well I mean I

809  
00:43:51,580 --> 00:43:49,730  
know the people that I have talked to

810  
00:43:54,250 --> 00:43:51,590  
who have had you know really close

811  
00:43:57,010 --> 00:43:54,260  
encounters with these things and I had

812  
00:43:59,590 --> 00:43:57,020  
noticed one in particular it was walking

813  
00:44:01,480 --> 00:43:59,600

away he said well you know the this

814

00:44:04,270 --> 00:44:01,490

creature that was walking way for me had

815

00:44:07,930 --> 00:44:04,280

a butt you know it had buttocks and you

816

00:44:11,470 --> 00:44:07,940

know primates gorillas

817

00:44:13,900 --> 00:44:11,480

team pansies they do not have buttocks

818

00:44:16,300 --> 00:44:13,910

only creatures that walk upright and

819

00:44:24,550 --> 00:44:16,310

spend all of their time walking upright

820

00:44:27,430 --> 00:44:24,560

have a butt you know I'd say that you

821

00:44:31,230 --> 00:44:27,440

know it's it's a very good possibility

822

00:44:36,520 --> 00:44:31,240

that this is related in some way to

823

00:44:39,940 --> 00:44:36,530

humans it should be a back species maybe

824

00:44:41,620 --> 00:44:39,950

even the missing link I don't know it's

825

00:44:43,840 --> 00:44:41,630

it's ass interesting though that I mean

826

00:44:45,760 --> 00:44:43,850

you have these creatures that are you

827

00:44:49,270 --> 00:44:45,770

know obviously seem to be related to us

828

00:44:50,710 --> 00:44:49,280

somehow yet they have managed to you

829

00:44:52,990 --> 00:44:50,720

know while we've developed you know

830

00:44:54,610 --> 00:44:53,000

technology and civilization and things

831

00:44:56,320 --> 00:44:54,620

like that they've kind of gone in a

832

00:44:57,010 --> 00:44:56,330

different direction and like you said

833

00:45:00,820 --> 00:44:57,020

you

834

00:45:02,500 --> 00:45:00,830

they're able to exist in this world for

835

00:45:06,910 --> 00:45:02,510

a while but then if they don't want to

836

00:45:10,300 --> 00:45:06,920

they're able to phase out or you know go

837

00:45:12,640 --> 00:45:10,310

go someplace else yeah which you know

838

00:45:15,340 --> 00:45:12,650

natal ones that are here that are in the

839

00:45:18,490 --> 00:45:15,350

physical all the time the actual

840

00:45:19,750 --> 00:45:18,500

physical animal they saw there is it

841

00:45:21,400 --> 00:45:19,760

there is a difference there is a

842

00:45:23,020 --> 00:45:21,410

difference between yeah definitely

843

00:45:27,190 --> 00:45:23,030

definitely you've got the actual

844

00:45:30,730 --> 00:45:27,200

physical animals that are still active

845

00:45:36,220 --> 00:45:30,740

that these spirit ones will watch over

846

00:45:42,250 --> 00:45:36,230

hmm but the thing is the humans have

847

00:45:46,500 --> 00:45:42,260

lost the sixth sense they haven't so now

848

00:45:51,400 --> 00:45:46,510

on top of being intelligent as a human

849

00:45:55,480 --> 00:45:51,410

they also have the animals instinct of

850

00:45:57,730 --> 00:45:55,490

the sixth sense so they are in a you

851

00:46:01,750 --> 00:45:57,740

know fact yes they can't invent an

852

00:46:05,560 --> 00:46:01,760

automobile but I guarantee if you go

853

00:46:09,460 --> 00:46:05,570

into the woods they will outwit you a

854

00:46:12,370 --> 00:46:09,470

hundred to one they are the best tracker

855

00:46:16,510 --> 00:46:12,380

the best hunter the best forager the

856

00:46:20,500 --> 00:46:16,520

best hider as they've proven but a man

857

00:46:22,120 --> 00:46:20,510

goes into the woods is if he's not used

858

00:46:25,120 --> 00:46:22,130

to the woods they pluck someone out of

859

00:46:27,160 --> 00:46:25,130

the big city and you drop them down in

860

00:46:29,650 --> 00:46:27,170

the middle of an Alaskan wilderness oh

861

00:46:36,390 --> 00:46:29,660

I'll give him two days before he panics

862

00:46:46,930 --> 00:46:44,410

just run blindly into a tree are they

863

00:46:49,450 --> 00:46:46,940

responsible are they responsible for

864

00:46:51,040 --> 00:46:49,460

some of these mysterious disappearances

865

00:46:54,550 --> 00:46:51,050

and the national parks that we hear

866

00:46:57,010 --> 00:46:54,560

about I'm not sure you know that that

867

00:47:00,280 --> 00:46:57,020

goes back in time you've had also

868

00:47:03,520 --> 00:47:00,290

witnesses that say they were abducted by

869

00:47:06,550 --> 00:47:03,530

a sasquatch brought to a cave dragged

870

00:47:09,410 --> 00:47:06,560

off in a sleeping bag or a tent was

871

00:47:12,470 --> 00:47:09,420

grabbed and dragged

872

00:47:16,099 --> 00:47:12,480

Indian legends even go back and say that

873

00:47:21,620 --> 00:47:16,109

they raided camps and took women and

874

00:47:25,099 --> 00:47:21,630

children but it's I don't know it

875

00:47:28,190 --> 00:47:25,109

doesn't appear to be what a sasquatch

876

00:47:31,400 --> 00:47:28,200

would do it appears more like what a

877

00:47:33,260 --> 00:47:31,410

Wendigo would do all right well we're

878

00:47:35,270 --> 00:47:33,270

gonna have to stop the confrontation for

879

00:47:36,890 --> 00:47:35,280

now because we have to go to our top of

880

00:47:39,500 --> 00:47:36,900

the hour break and we'll be back with

881

00:47:49,940 --> 00:47:39,510

more exploring the bizarre so please

882

00:47:56,890 --> 00:47:54,440

explore the bazaars or e-ticket ride

883

00:48:00,200 --> 00:47:56,900

into the world of the paranoid

884

00:48:04,510 --> 00:48:00,210

strap yourself in as we traverse the

885

00:48:08,930 --> 00:48:04,520

universe exploring the unexplained UFO s

886

00:48:13,099 --> 00:48:08,940

ghosts Lost Worlds cryptozoology waters

887

00:48:17,599 --> 00:48:13,109

as well as other dimensions it's time to

888

00:48:19,849 --> 00:48:17,609

take back the night now your

889

00:48:26,500 --> 00:48:19,859

electrifying hosts of exploring the

890

00:48:31,490 --> 00:48:29,180

and we're back to the second hour of

891

00:48:33,980 --> 00:48:31,500

exploring the bizarre on Tim Schwartz on

892

00:48:37,400 --> 00:48:33,990

with emits green Beckley our guests

893

00:48:40,640 --> 00:48:37,410

tonight are jeanette la tulip and Don

894

00:48:44,329 --> 00:48:40,650

Young Jr and Janette we were talking

895

00:48:48,230 --> 00:48:44,339

with Don in the first hour of the show

896

00:48:51,430 --> 00:48:48,240

about a Bigfoot and so let's let's bring

897

00:48:55,190 --> 00:48:51,440

you in about your Bigfoot experiences so

898

00:48:59,210 --> 00:48:55,200

when when did this all start happening

899

00:49:01,609 --> 00:48:59,220

with you well it it all started when we

900

00:49:06,170 --> 00:49:01,619

moved out to the Cascade Mountain Range

901  
00:49:08,990 --> 00:49:06,180  
we're at 4,300 feet and we're living in

902  
00:49:10,640 --> 00:49:09,000  
the middle of that like you say you

903  
00:49:13,130 --> 00:49:10,650  
can't pronounce it at the wanted me a

904  
00:49:15,109 --> 00:49:13,140  
National Forest and if you look at the

905  
00:49:16,549 --> 00:49:15,119  
photography you can look at hundreds of

906  
00:49:19,970 --> 00:49:16,559  
miles around there and there's nothing

907  
00:49:21,680 --> 00:49:19,980  
but wooded area and it was it was

908  
00:49:25,789 --> 00:49:21,690  
interesting that when I when I first

909  
00:49:27,260 --> 00:49:25,799  
started to move out there the eye I

910  
00:49:29,120 --> 00:49:27,270  
couldn't see the house at all by

911  
00:49:31,880 --> 00:49:29,130  
satellite and wouldn't win register and

912  
00:49:34,940 --> 00:49:31,890  
then eventually I could and I could see

913  
00:49:36,710 --> 00:49:34,950

my flowerpots a foot about the ground

914

00:49:40,130 --> 00:49:36,720

where I had them stored I could even see

915

00:49:43,549 --> 00:49:40,140

the the dirt on the rims and this

916

00:49:46,309 --> 00:49:43,559

changed as the paranormal activity

917

00:49:50,120 --> 00:49:46,319

increases places very much a skinwalker

918

00:49:51,980 --> 00:49:50,130

ranch type of a scenario I could see my

919

00:49:54,079 --> 00:49:51,990

neighbors homes and I could not see mine

920

00:49:56,930 --> 00:49:54,089

my home was now totally gone on

921

00:50:00,710 --> 00:49:56,940

satellite all you saw was a scrub brush

922

00:50:02,520 --> 00:50:00,720

lot with no home and this persisted for

923

00:50:06,060 --> 00:50:02,530

a good many years

924

00:50:10,200 --> 00:50:06,070

and then now that I've moved I've looked

925

00:50:12,930 --> 00:50:10,210

the home up again and still the images

926  
00:50:16,650 --> 00:50:12,940  
are being manipulated and you only see

927  
00:50:19,890 --> 00:50:16,660  
the home probably in year one of twelve

928  
00:50:23,670 --> 00:50:19,900  
that I moved there that I lived there

929  
00:50:26,700 --> 00:50:23,680  
rather and we moved out there when we

930  
00:50:29,880 --> 00:50:26,710  
first went out there we we found this

931  
00:50:31,770 --> 00:50:29,890  
large stone and my husband was a ninja's

932  
00:50:33,480 --> 00:50:31,780  
of things I wasn't even he remarked he

933  
00:50:36,630 --> 00:50:33,490  
said my god

934  
00:50:39,060 --> 00:50:36,640  
Janette this is this is an altar hmm and

935  
00:50:41,520 --> 00:50:39,070  
it was the length of the body of a man

936  
00:50:43,770 --> 00:50:41,530  
it was slightly higher than my waist and

937  
00:50:46,830 --> 00:50:43,780  
about with arms outstretched that would

938  
00:50:49,710 --> 00:50:46,840

be about the width of it and then I

939

00:50:53,750 --> 00:50:49,720

spoke to the Indians later the cultural

940

00:50:56,400 --> 00:50:53,760

heritage person at the time and he said

941

00:50:58,230 --> 00:50:56,410

based on my description of the altar

942

00:51:01,470 --> 00:50:58,240

being highly polished he said it was

943

00:51:06,420 --> 00:51:01,480

definitely one of theirs he said they

944

00:51:09,930 --> 00:51:06,430

did everything at those altars and he

945

00:51:12,030 --> 00:51:09,940

said and the three buttes that we had in

946

00:51:15,650 --> 00:51:12,040

the areas that they did everything there

947

00:51:18,810 --> 00:51:15,660

and I said if you're wondering why

948

00:51:22,770 --> 00:51:18,820

everything is happening to you do you

949

00:51:26,280 --> 00:51:22,780

live in one of the most holy places

950

00:51:32,070 --> 00:51:26,290

which to me translates into all hell

951  
00:51:34,829 --> 00:51:32,080  
breaks loose yeah and and and like I

952  
00:51:38,910 --> 00:51:34,839  
said when we were done our conversation

953  
00:51:42,050 --> 00:51:38,920  
but this person went to go talk to the

954  
00:51:44,730 --> 00:51:42,060  
elders about what we spoke about but

955  
00:51:49,109 --> 00:51:44,740  
Bigfoot wasn't the only thing in the

956  
00:51:53,400 --> 00:51:49,119  
area and I agree justice creatures very

957  
00:51:57,300 --> 00:51:53,410  
athletic has more perfect posture than I

958  
00:52:00,180 --> 00:51:57,310  
could even hope to have and but we did

959  
00:52:03,240 --> 00:52:00,190  
get more footprints that were preceded

960  
00:52:05,609 --> 00:52:03,250  
by more anomalies which led me to go out

961  
00:52:07,500 --> 00:52:05,619  
there and look around and then my Ovilus

962  
00:52:09,210 --> 00:52:07,510  
went crazy but I described the

963  
00:52:13,170 --> 00:52:09,220

footprints to describe the ground

964

00:52:14,849 --> 00:52:13,180

described a series of events dad

965

00:52:16,320 --> 00:52:14,859

described describe it real quick just

966

00:52:18,120 --> 00:52:16,330

exactly what an

967

00:52:20,220 --> 00:52:18,130

ulis is for those of our audience who

968

00:52:21,840 --> 00:52:20,230

may not be familiar with that it's

969

00:52:24,060 --> 00:52:21,850

actually a ghost box and it's

970

00:52:25,830 --> 00:52:24,070

pre-programmed with frequencies word

971

00:52:28,710 --> 00:52:25,840

frequencies so every time it hits the

972

00:52:30,930 --> 00:52:28,720

frequency it does say a word now

973

00:52:33,630 --> 00:52:30,940

sometimes it is nonsensical but once

974

00:52:35,790 --> 00:52:33,640

something when it picks up something and

975

00:52:38,220 --> 00:52:35,800

it's running through it mine makes

976  
00:52:40,440 --> 00:52:38,230  
perfect sense and my my husband took it

977  
00:52:42,720 --> 00:52:40,450  
out of the box when we first got it it

978  
00:52:44,670 --> 00:52:42,730  
was nonsensical and when he pointed it

979  
00:52:48,270 --> 00:52:44,680  
to me it said French

980  
00:52:50,130 --> 00:52:48,280  
female and then we went brought it up to

981  
00:52:52,170 --> 00:52:50,140  
the window started describing all the

982  
00:52:54,300 --> 00:52:52,180  
land and everything and we took it

983  
00:52:56,160 --> 00:52:54,310  
outside and walked along the ground that

984  
00:52:58,470 --> 00:52:56,170  
described the earth we were walking on

985  
00:53:02,550 --> 00:52:58,480  
without me even asking it a single thing

986  
00:53:04,740 --> 00:53:02,560  
that described death in the area they

987  
00:53:06,930 --> 00:53:04,750  
described the Indians it apparently I

988  
00:53:09,330 --> 00:53:06,940

have a lot of soldiers around me for

989

00:53:14,610 --> 00:53:09,340

some reason a lot of them are our Native

990

00:53:17,010 --> 00:53:14,620

Americans and but anyway the the other

991

00:53:18,570 --> 00:53:17,020

footprints we got know that this person

992

00:53:22,050 --> 00:53:18,580

was talking to me and there were smaller

993

00:53:26,910 --> 00:53:22,060

footprints and he said he said what we

994

00:53:28,680 --> 00:53:26,920

have out here are he says we have the

995

00:53:31,860 --> 00:53:28,690

little people which sounds very Irish

996

00:53:34,680 --> 00:53:31,870

and I asked him what he meant by that

997

00:53:40,220 --> 00:53:34,690

and he says well we have another being

998

00:53:43,290 --> 00:53:40,230

out here that's 2 to 4 feet tall and and

999

00:53:47,550 --> 00:53:43,300

this is I believe out of the Algonquin

1000

00:53:49,260 --> 00:53:47,560

or the Iroquois and they they call them

1001

00:53:51,510 --> 00:53:49,270

the ANA Mickey

1002

00:53:55,410 --> 00:53:51,520

oddly enough and it sounds pretty much

1003

00:54:01,230 --> 00:53:55,420

like Anunnaki mm-hmm they are us they're

1004

00:54:05,430 --> 00:54:01,240

very smaller being they are associated

1005

00:54:08,430 --> 00:54:05,440

with the Thunderbird that with [h\_\_h]

1006

00:54:12,570 --> 00:54:08,440

smoke and as the consequence there

1007

00:54:15,000 --> 00:54:12,580

they're considered an omen of war so how

1008

00:54:18,660 --> 00:54:15,010

are they is how are they associated with

1009

00:54:22,100 --> 00:54:18,670

the Thunderbird I I don't know it was

1010

00:54:26,660 --> 00:54:22,110

very difficult for me to scrape up that

1011

00:54:29,740 --> 00:54:26,670

tidbit of information very hard I

1012

00:54:34,089 --> 00:54:29,750

scrubbed as much as I could everyone

1013

00:54:37,359 --> 00:54:34,099

and mostly the sites were discontinued

1014

00:54:38,010 --> 00:54:37,369

the page was not available so forth and

1015

00:54:41,650 --> 00:54:38,020

so on

1016

00:54:45,820 --> 00:54:41,660

but that's just about all I could get

1017

00:54:48,760 --> 00:54:45,830

so being associated with or an omen of

1018

00:54:53,830 --> 00:54:48,770

war doesn't come across as particularly

1019

00:54:55,960 --> 00:54:53,840

friendly well you know a done have you

1020

00:54:59,470 --> 00:54:55,970

noticed that they are are there an

1021

00:55:02,680 --> 00:54:59,480

intermingling of creatures I mean

1022

00:55:10,290 --> 00:55:02,690

there's a Bigfoot associated with other

1023

00:55:14,080 --> 00:55:10,300

cryptids oh well you know like like the

1024

00:55:17,650 --> 00:55:14,090

friendly form of Sasquatch they won't go

1025

00:55:24,099 --> 00:55:17,660

anywhere near or they won't mingle with

1026

00:55:27,490 --> 00:55:24,109

like the the what they call it the wolf

1027

00:55:29,890 --> 00:55:27,500

man or the dog man bug man dog man yeah

1028

00:55:32,440 --> 00:55:29,900

yeah they won't associated with that

1029

00:55:34,900 --> 00:55:32,450

species because there's one violent and

1030

00:55:36,790 --> 00:55:34,910

there's one that's not violent although

1031

00:55:38,980 --> 00:55:36,800

there will be one hell of a battle if

1032

00:55:41,920 --> 00:55:38,990

they do come across to each other or not

1033

00:55:48,599 --> 00:55:41,930

a day and that would that would be the

1034

00:55:56,010 --> 00:55:52,030

I'm like I'm liking it too into special

1035

00:56:00,609 --> 00:55:56,020

effects on this one yeah we can do that

1036

00:56:03,550 --> 00:56:00,619

actually I think Peter could do some

1037

00:56:07,070 --> 00:56:03,560

just some fantastic animation along

1038

00:56:17,420 --> 00:56:10,790

so one of the questions you had about

1039

00:56:21,770 --> 00:56:17,430

the war Olman it's basically rude relies

1040

00:56:24,080 --> 00:56:21,780

more on to the the Phoenix or the the

1041

00:56:28,850 --> 00:56:24,090

bird when when there would be an

1042

00:56:31,850 --> 00:56:28,860

oncoming war they would rely on the sky

1043

00:56:35,480 --> 00:56:31,860

father so if the sky father sent a

1044

00:56:38,960 --> 00:56:35,490

message which was either the powerful

1045

00:56:42,640 --> 00:56:38,970

Eagle that would fly across that would

1046

00:56:46,040 --> 00:56:42,650

mean good but if something like the crow

1047

00:56:53,120 --> 00:56:46,050

would fly across that would mean major

1048

00:56:56,960 --> 00:56:53,130

death and bad omen you know when I when

1049

00:57:01,040 --> 00:56:56,970

I got into of course my main interest is

1050

00:57:06,140 --> 00:57:01,050

UFOs but I knew what Ivan T Sanderson

1051  
00:57:09,800 --> 00:57:06,150  
who was kind of the original Bigfoot at

1052  
00:57:12,170 --> 00:57:09,810  
the Sasquatch investigator author more

1053  
00:57:17,000 --> 00:57:12,180  
than investigator I guess although he

1054  
00:57:19,610 --> 00:57:17,010  
was responsible for the Tim what was the

1055  
00:57:22,490 --> 00:57:19,620  
name of the the the Bing in the in the I

1056  
00:57:24,530 --> 00:57:22,500  
remember the in the ice oh right yeah

1057  
00:57:26,900 --> 00:57:24,540  
well the Minnesota Iceman is what it was

1058  
00:57:29,240 --> 00:57:26,910  
originally called right right did you

1059  
00:57:33,050 --> 00:57:29,250  
tell me you saw that one time oh yeah

1060  
00:57:37,370 --> 00:57:33,060  
yeah it it was they had taken it out in

1061  
00:57:40,610 --> 00:57:37,380  
the 70s in like a frozen you know like a

1062  
00:57:43,670 --> 00:57:40,620  
tray refrigerated trailer and I saw it

1063  
00:57:48,470 --> 00:57:43,680

at a local mall in in Indianapolis and

1064

00:57:50,330 --> 00:57:48,480

you know I I knew exactly what I was

1065

00:57:52,400 --> 00:57:50,340

looking for because I had read the you

1066

00:57:54,770 --> 00:57:52,410

know items bill you might have been one

1067

00:57:57,890 --> 00:57:54,780

out of a thousand that knew what was

1068

00:58:00,320 --> 00:57:57,900

going on well exactly because I knew

1069

00:58:03,380 --> 00:58:00,330

that there was also a replica that was

1070

00:58:05,780 --> 00:58:03,390

making answers as well but this one I

1071

00:58:07,760 --> 00:58:05,790

think it was the real thing because it

1072

00:58:12,260 --> 00:58:07,770

had that smell even though it was

1073

00:58:14,750 --> 00:58:12,270

encased in ice it did not smell fresh

1074

00:58:17,210 --> 00:58:14,760

let me put it that way but it was

1075

00:58:20,059 --> 00:58:17,220

exactly the same photographs that that

1076

00:58:23,870 --> 00:58:20,069

you've seen from the original Argus

1077

00:58:27,140 --> 00:58:23,880

the magazine right exactly yeah I knew

1078

00:58:29,689 --> 00:58:27,150

Ivan I can't say all that well but we

1079

00:58:33,019 --> 00:58:29,699

used to it drive up to his place and

1080

00:58:35,120 --> 00:58:33,029

just outside of Blair's town and and I

1081

00:58:40,279 --> 00:58:35,130

think that's where I probably saw my

1082

00:58:42,799 --> 00:58:40,289

first a three-toed the the creature you

1083

00:58:45,769 --> 00:58:42,809

know the plaster Paris a cast he had

1084

00:58:48,319 --> 00:58:45,779

some with the five toes and some with

1085

00:58:51,349 --> 00:58:48,329

the the three toes and fact I when I

1086

00:58:53,749 --> 00:58:51,359

asked him about that in a minute but in

1087

00:58:55,189 --> 00:58:53,759

those days I guess you know he had other

1088

00:58:56,959 --> 00:58:55,199

people wandering through and they all

1089

00:58:59,239 --> 00:58:56,969

seemed to have plaster of Paris cast

1090

00:59:02,599 --> 00:58:59,249

there with him and of course we all

1091

00:59:04,699 --> 00:59:02,609

thought that Bigfoot was you know a

1092

00:59:08,779 --> 00:59:04,709

physical flesh and blood the creature

1093

00:59:11,329 --> 00:59:08,789

could maybe leave behind some hair we

1094

00:59:13,219 --> 00:59:11,339

wondered why you know there was no scat

1095

00:59:17,059 --> 00:59:13,229

left in the in the underbrush or

1096

00:59:19,729 --> 00:59:17,069

anything like that and why it seemed on

1097

00:59:25,130 --> 00:59:19,739

rare occasions that we were able to

1098

00:59:30,289 --> 00:59:25,140

photograph the the creature it was until

1099

00:59:32,989 --> 00:59:30,299

I think about 1975 I was assigned an

1100

00:59:37,219 --> 00:59:32,999

article by saga magazine which would

1101  
00:59:41,689 --> 00:59:37,229  
have been the the similar to Argus II in

1102  
00:59:46,279 --> 00:59:41,699  
true but with a few more pin ups and a

1103  
00:59:48,680 --> 00:59:46,289  
little less circulation anyway I did an

1104  
00:59:51,439 --> 00:59:48,690  
article and I must say it I think

1105  
00:59:56,509 --> 00:59:51,449  
somebody has posted it on the internet

1106  
01:00:01,819 --> 00:59:56,519  
on the skunk ape of the Everglades there

1107  
01:00:04,189 --> 01:00:01,829  
was a professor down there Osborn I

1108  
01:00:06,499 --> 01:00:04,199  
believe his name was who had been going

1109  
01:00:09,499 --> 01:00:06,509  
out on a regular basis with a team of

1110  
01:00:14,420 --> 01:00:09,509  
investigators and they would set up camp

1111  
01:00:18,469 --> 01:00:14,430  
and they even had you know cameras I

1112  
01:00:21,680 --> 01:00:18,479  
situated around there their encampment

1113  
01:00:23,839 --> 01:00:21,690

now this was long long before or

1114

01:00:26,420 --> 01:00:23,849

considerably before what I would

1115

01:00:28,939 --> 01:00:26,430

consider the pursuit of Bigfoot taking

1116

01:00:30,979 --> 01:00:28,949

on a little bit more of an academic or

1117

01:00:34,279 --> 01:00:30,989

scientific and that's probably that's

1118

01:00:37,400 --> 01:00:34,289

the right word but or maybe even come

1119

01:00:39,199 --> 01:00:37,410

Marshall you know approach he was kind

1120

01:00:41,239 --> 01:00:39,209

of out on his own and I don't think a

1121

01:00:44,269 --> 01:00:41,249

lot of other people were you know

1122

01:00:45,890 --> 01:00:44,279

stalking a Bigfoot or certainly the

1123

01:00:49,009 --> 01:00:45,900

skunk ape I mean that's the first time I

1124

01:00:50,900 --> 01:00:49,019

had heard of the skunk but they had the

1125

01:00:54,609 --> 01:00:50,910

same problem you know they could hear

1126

01:00:57,469 --> 01:00:54,619

the the creatures creature creatures

1127

01:01:00,439 --> 01:00:57,479

stomping around and they could certainly

1128

01:01:07,009 --> 01:01:00,449

smell them and I believe these were

1129

01:01:08,989 --> 01:01:07,019

these were albino skunkman we saw some

1130

01:01:11,719 --> 01:01:08,999

photographs later on that may or may not

1131

01:01:13,999 --> 01:01:11,729

have been legit but they they were now

1132

01:01:17,419 --> 01:01:14,009

buying up with the the these were almost

1133

01:01:19,729 --> 01:01:17,429

pure white and we do have a few reports

1134

01:01:22,579 --> 01:01:19,739

Tim if you remember from around Edwards

1135

01:01:25,549 --> 01:01:22,589

Air Force Base mmm these are by no type

1136

01:01:28,939 --> 01:01:25,559

of Bigfoot or Sasquatch

1137

01:01:30,829 --> 01:01:28,949

beings anyway so my first inkling that

1138

01:01:34,519 --> 01:01:30,839

these things might have been a little

1139

01:01:37,219 --> 01:01:34,529

bit more of a paranormal in nature this

1140

01:01:41,349 --> 01:01:37,229

is before I knew a Paul you know of

1141

01:01:44,419 --> 01:01:41,359

course it was been out and having some

1142

01:01:47,739 --> 01:01:44,429

sightings of UFOs at the same time that

1143

01:01:53,120 --> 01:01:47,749

there have been Bigfoot sightings and

1144

01:01:57,039 --> 01:01:53,130

there also of course the San Gordon who

1145

01:02:00,669 --> 01:01:57,049

has this big 1973 a flap that

1146

01:02:03,890 --> 01:02:00,679

incorporates both the UFOs and I

1147

01:02:05,839 --> 01:02:03,900

remember even investigating a case or

1148

01:02:07,969 --> 01:02:05,849

talking to a witness who claimed that

1149

01:02:11,569 --> 01:02:07,979

they saw a hairy creature much like

1150

01:02:13,909 --> 01:02:11,579

Sasquatch at the the helm of a UFO kind

1151  
01:02:16,819 --> 01:02:13,919  
of steering it or driving it anyway to

1152  
01:02:18,799 --> 01:02:16,829  
get back to the the skunk ape there was

1153  
01:02:20,239 --> 01:02:18,809  
an incident and we talked to quite a few

1154  
01:02:23,209 --> 01:02:20,249  
witnesses down there you know to

1155  
01:02:25,579 --> 01:02:23,219  
collaborate the the the story there was

1156  
01:02:27,859 --> 01:02:25,589  
a fellow who was a security guard and

1157  
01:02:31,279 --> 01:02:27,869  
somehow one of these skunk Apes had

1158  
01:02:36,259 --> 01:02:31,289  
gotten into the area where they were

1159  
01:02:39,249 --> 01:02:36,269  
parking their big 18 wheelers and the

1160  
01:02:42,370 --> 01:02:39,259  
guard actually cornered one of these

1161  
01:02:47,089 --> 01:02:42,380  
skunk Apes in the back of one of these

1162  
01:02:48,020 --> 01:02:47,099  
huge trucks and locked the door and he

1163  
01:02:50,420 --> 01:02:48,030

could hear the

1164

01:02:52,760 --> 01:02:50,430

creature inside pounding around and

1165

01:02:55,400 --> 01:02:52,770

trying to get out and stomping and being

1166

01:02:58,640 --> 01:02:55,410

very upset about his being held in

1167

01:03:00,620 --> 01:02:58,650

captivity so anyway he called the fellow

1168

01:03:02,150 --> 01:03:00,630

security guards and maybe the local

1169

01:03:04,790 --> 01:03:02,160

police I don't remember the exact

1170

01:03:07,430 --> 01:03:04,800

details and and Ayush showed up and of

1171

01:03:10,670 --> 01:03:07,440

course they they thought he was full of

1172

01:03:12,530 --> 01:03:10,680

hooy and by that time the the creature

1173

01:03:16,190 --> 01:03:12,540

had this simmer down and there was no

1174

01:03:19,550 --> 01:03:16,200

noise coming from inside the the vehicle

1175

01:03:21,770 --> 01:03:19,560

but he opened they opened the back of

1176

01:03:25,400 --> 01:03:21,780

the the trailer and there was this

1177

01:03:28,820 --> 01:03:25,410

horrendous smell that had that was a

1178

01:03:31,040 --> 01:03:28,830

minute so right there I mean there was

1179

01:03:34,820 --> 01:03:31,050

an inkling that we weren't dealing with

1180

01:03:38,210 --> 01:03:34,830

just flesh and blood we were dealing

1181

01:03:42,440 --> 01:03:38,220

with something that could vanish in the

1182

01:03:45,800 --> 01:03:42,450

back of a vehicle like an 18-wheeler and

1183

01:03:48,860 --> 01:03:45,810

it so to this day I've come to the

1184

01:03:51,410 --> 01:03:48,870

realization that there might be some

1185

01:03:56,030 --> 01:03:51,420

Bigfoot that Sasquatch whatever II want

1186

01:03:58,100 --> 01:03:56,040

to call them that are hairy and and in

1187

01:04:02,000 --> 01:03:58,110

and out there and hiding in the woods

1188

01:04:04,670 --> 01:04:02,010

but the majority of them uh something

1189

01:04:08,030 --> 01:04:04,680

very strange going on in the

1190

01:04:10,010 --> 01:04:08,040

neighborhood I mean would Tim I mean it

1191

01:04:11,840 --> 01:04:10,020

can't you you you've been able to

1192

01:04:14,990 --> 01:04:11,850

collaborate that no story similar to

1193

01:04:18,470 --> 01:04:15,000

that oh yes yes definitely but I wanted

1194

01:04:23,020 --> 01:04:18,480

to I wanted to get Jeanette's

1195

01:04:28,900 --> 01:04:23,030

impressions on her experiences around

1196

01:04:31,070 --> 01:04:28,910

her home there in the the Cascades and

1197

01:04:33,680 --> 01:04:31,080

what she thinks

1198

01:04:37,940 --> 01:04:33,690

you know herself I mean I mean do you

1199

01:04:42,980 --> 01:04:37,950

think that because I know in your book

1200

01:04:45,200 --> 01:04:42,990

the UFO Bigfoot connection I mean do you

1201

01:04:48,860 --> 01:04:45,210

think that we are dealing with the

1202

01:04:52,990 --> 01:04:48,870

creatures that are benevolent to us

1203

01:04:57,510 --> 01:04:53,000

don't care or or what

1204

01:05:00,010 --> 01:04:57,520

oh that's an interesting question

1205

01:05:05,200 --> 01:05:00,020

well if they care what do they care

1206

01:05:09,460 --> 01:05:05,210

about okay be that they have to adhere

1207

01:05:12,010 --> 01:05:09,470

to an agenda I I personally think that

1208

01:05:17,280 --> 01:05:12,020

there's a symbiotic relationship between

1209

01:05:20,770 --> 01:05:17,290

them and UFOs and I think that if if the

1210

01:05:23,530 --> 01:05:20,780

beings piloting the UFOs have an agenda

1211

01:05:26,380 --> 01:05:23,540

then and they are cooperating with that

1212

01:05:28,420 --> 01:05:26,390

agenda no now there are other people

1213

01:05:30,220 --> 01:05:28,430

that that have reports and they believe

1214

01:05:33,100 --> 01:05:30,230

that they're mining and so forth and so

1215

01:05:35,500 --> 01:05:33,110

on and the the Bigfoot you know they run

1216

01:05:38,710 --> 01:05:35,510

people off you know about the mining

1217

01:05:40,900 --> 01:05:38,720

operations to continue but and the case

1218

01:05:42,640 --> 01:05:40,910

over here whatever experience at home

1219

01:05:44,650 --> 01:05:42,650

because I'm not going to make a

1220

01:05:48,970 --> 01:05:44,660

generalization I'm just going to report

1221

01:05:55,090 --> 01:05:48,980

on what I've experienced is that we did

1222

01:05:57,070 --> 01:05:55,100

have a vortex open up there was an orb

1223

01:06:01,900 --> 01:05:57,080

and after that we have a lot of Bigfoot

1224

01:06:04,450 --> 01:06:01,910

activity including I I took a photograph

1225

01:06:07,240 --> 01:06:04,460

up a footprint I was very very far away

1226

01:06:11,190 --> 01:06:07,250

from businesses and so forth and so on

1227

01:06:13,330 --> 01:06:11,200

and the soil is of such a nature that

1228

01:06:16,360 --> 01:06:13,340

footprint wouldn't have stayed for long

1229

01:06:19,870 --> 01:06:16,370

I'm lucky I got what I got on that

1230

01:06:23,020 --> 01:06:19,880

footprint but and well how big was the

1231

01:06:25,030 --> 01:06:23,030

footprint it was about fourteen and a

1232

01:06:29,380 --> 01:06:25,040

half inches long and about half that

1233

01:06:32,230 --> 01:06:29,390

wide so it doesn't even fit in the human

1234

01:06:42,790 --> 01:06:32,240

scope of things because our ratio isn't

1235

01:06:45,700 --> 01:06:42,800

isn't like that and but I because and

1236

01:06:49,510 --> 01:06:45,710

then and then they would almost do do

1237

01:06:52,800 --> 01:06:49,520

things to lure us out of the house they

1238

01:06:55,780 --> 01:06:52,810

would my husband was extremely afraid

1239

01:06:57,790 --> 01:06:55,790

they'd create such a racket out of the

1240

01:07:00,610 --> 01:06:57,800

house throwing things all around had

1241

01:07:02,350 --> 01:07:00,620

slapping on the walls and so forth and

1242

01:07:04,510 --> 01:07:02,360

so on that I said well you need to go

1243

01:07:06,730 --> 01:07:04,520

outside he he wouldn't do it and the

1244

01:07:09,310 --> 01:07:06,740

only time he did go out cyclists

1245

01:07:10,750 --> 01:07:09,320

well I was doing some work at the

1246

01:07:14,170 --> 01:07:10,760

computer late at night it was around

1247

01:07:16,960 --> 01:07:14,180

11:30 and at one particular window they

1248

01:07:20,520 --> 01:07:16,970

had sight of me sitting at my computer I

1249

01:07:24,670 --> 01:07:20,530

heard three raps on the window that were

1250

01:07:25,930 --> 01:07:24,680

evenly spaced and I thought well you

1251

01:07:28,960 --> 01:07:25,940

know I'm not going to stop what I'm

1252

01:07:32,770 --> 01:07:28,970

doing I'm just I'm just going to ignore

1253

01:07:35,079 --> 01:07:32,780

that because you know when you're in

1254

01:07:37,450 --> 01:07:35,089

that situation you have Puma tracks

1255

01:07:39,010 --> 01:07:37,460

about a foot from your back doorstep uni

1256

01:07:40,750 --> 01:07:39,020

and they have all kinds of firearms and

1257

01:07:42,670 --> 01:07:40,760

all kinds of you know all your equipment

1258

01:07:44,800 --> 01:07:42,680

you go out with and you really should

1259

01:07:46,420 --> 01:07:44,810

have somebody to cover you what cuz

1260

01:07:51,660 --> 01:07:46,430

you're carrying all this malarkey with

1261

01:07:55,680 --> 01:07:51,670

you and so so anyway this was 11:35 and

1262

01:07:59,940 --> 01:07:55,690

then again the next evening I was typing

1263

01:08:04,480 --> 01:07:59,950

11:35 the same not okay

1264

01:08:06,820 --> 01:08:04,490

so then a couple nights later and on the

1265

01:08:09,730 --> 01:08:06,830

same window in the same spaced intervals

1266

01:08:12,220 --> 01:08:09,740

and it's really it's really I find that

1267

01:08:16,599 --> 01:08:12,230

interesting that the timing and the

1268

01:08:20,829 --> 01:08:16,609

spacing of the knocking but and the flaw

1269

01:08:22,930 --> 01:08:20,839

that one evening I was in the bedroom on

1270

01:08:25,420 --> 01:08:22,940

the rocking chair reading and there was

1271

01:08:27,010 --> 01:08:25,430

a wall that separated myself between

1272

01:08:30,820 --> 01:08:27,020

that in the living room which my husband

1273

01:08:35,680 --> 01:08:30,830

was watching TV and again on the same

1274

01:08:39,039 --> 01:08:35,690

window not not and then we heard a great

1275

01:08:41,769 --> 01:08:39,049

Big Bang my husband was immobilized with

1276

01:08:43,720 --> 01:08:41,779

fear he didn't come into the bedroom for

1277

01:08:45,130 --> 01:08:43,730

a long time before I asked me if I had

1278

01:08:48,670 --> 01:08:45,140

heard that and I said how could I help

1279

01:08:51,010 --> 01:08:48,680

but not so seeing the state he was in

1280

01:08:54,400 --> 01:08:51,020

and knowing saying I was in it I've

1281

01:08:56,170 --> 01:08:54,410

learned I overcome a lot I said that's

1282

01:08:57,190 --> 01:08:56,180

it I'm just getting my equipment I'm

1283

01:09:00,780 --> 01:08:57,200

going outside

1284

01:09:03,999 --> 01:09:00,790

so anyway do you you think this was a

1285

01:09:06,490 --> 01:09:04,009

peeping tom they know what I mean no

1286

01:09:08,590 --> 01:09:06,500

absolutely well yeah we've had a lot of

1287

01:09:11,380 --> 01:09:08,600

instances without like especially when I

1288

01:09:14,289 --> 01:09:11,390

first moved out there the pants flapping

1289

01:09:18,010 --> 01:09:14,299

on the glass door and the thundering

1290

01:09:20,670 --> 01:09:18,020

footsteps on the patio but so anyway I

1291

01:09:24,490 --> 01:09:20,680

go out there in this one instance and

1292

01:09:26,680 --> 01:09:24,500

and I have my camera with me and I and

1293

01:09:30,280 --> 01:09:26,690

I'm I sense the energy so I take a

1294

01:09:32,860 --> 01:09:30,290

picture and I find out later on that

1295

01:09:34,510 --> 01:09:32,870

there are two orbs stacked one on top of

1296

01:09:37,990 --> 01:09:34,520

the other in front of the window that

1297

01:09:40,120 --> 01:09:38,000

did the knocking and that let me back up

1298

01:09:42,760 --> 01:09:40,130

a little bit that third that third sound

1299

01:09:44,860 --> 01:09:42,770

we had had it sounded like a dozen

1300

01:09:47,349 --> 01:09:44,870

bowling balls hitting the living room

1301

01:09:50,650 --> 01:09:47,359

floor which which is what's why he was

1302

01:09:52,059 --> 01:09:50,660

so scared so anyway I go out there and I

1303

01:09:53,769 --> 01:09:52,069

get that and it was interesting I'm

1304

01:09:57,040 --> 01:09:53,779

trying to feel all the way around the

1305

01:10:00,100 --> 01:09:57,050

area with my hands and and then so I

1306

01:10:02,440 --> 01:10:00,110

find I find something again but it's

1307

01:10:04,330 --> 01:10:02,450

moved to the very intelligent they they

1308

01:10:08,080 --> 01:10:04,340

move out of the walking path almost as

1309

01:10:10,120 --> 01:10:08,090

if to conceal themselves and and I

1310

01:10:12,010 --> 01:10:10,130

described the height of this and the

1311

01:10:13,660 --> 01:10:12,020

width of this and where they are and of

1312

01:10:14,950 --> 01:10:13,670

course you know look at me like I'm nuts

1313

01:10:17,860 --> 01:10:14,960

like usually doesn't

1314

01:10:20,620 --> 01:10:17,870

and then so we go back in the house and

1315

01:10:22,900 --> 01:10:20,630

then I look at the pictures and the two

1316

01:10:24,100 --> 01:10:22,910

orbs have now moved exactly where I

1317

01:10:27,220 --> 01:10:24,110

described him then they were an

1318

01:10:29,050 --> 01:10:27,230

approximate height and width and so the

1319

01:10:30,880 --> 01:10:29,060

first one is it's kind of difficult to

1320

01:10:35,680 --> 01:10:30,890

make out the first photograph at the

1321

01:10:40,240 --> 01:10:35,690

bottom horeb at the time had very break

1322

01:10:42,310 --> 01:10:40,250

along great time great time all right

1323

01:10:45,330 --> 01:10:42,320

we'll be back in just a few minutes with

1324

01:10:48,190 --> 01:10:45,340

the last segment of this week's

1325

01:10:59,000 --> 01:10:48,200

exploring the bizarre a very fascinating

1326

01:11:05,730 --> 01:11:03,150

now back to exploring the bazaar with

1327

01:11:09,030 --> 01:11:05,740

two of the most electrifying researchers

1328

01:11:14,400 --> 01:11:09,040

in the Paranoid your hosts Timothy Becca

1329

01:11:16,800 --> 01:11:14,410

Lee and Taylor Swift's well you know

1330

01:11:22,680 --> 01:11:16,810

we're so electrifying because we have so

1331

01:11:27,830 --> 01:11:22,690

many friends we have friends on this

1332

01:11:30,300 --> 01:11:27,840

side of the curtain and we have a

1333

01:11:33,330 --> 01:11:30,310

multiple number of friends on the other

1334

01:11:36,300 --> 01:11:33,340

side of the curtain and we have one

1335

01:11:40,260 --> 01:11:36,310

friend at least on skype who asks the

1336

01:11:44,070 --> 01:11:40,270

question how far south does reports of

1337

01:11:46,530 --> 01:11:44,080

the skunk ape go now I know there have

1338

01:11:52,710 --> 01:11:46,540

been sightings of all sorts of cryptids

1339

01:11:58,340 --> 01:11:52,720

in Puerto Rico and there is even on

1340

01:12:02,040 --> 01:11:58,350

YouTube a video in Spanish mmm about

1341

01:12:04,080 --> 01:12:02,050

different encounters mainly UFOs but I

1342

01:12:08,070 --> 01:12:04,090

think they touch on some other other

1343

01:12:12,270 --> 01:12:08,080

topics in Cuba so this is going on and a

1344

01:12:18,030 --> 01:12:12,280

you know a pretty widespread basis what

1345

01:12:20,810 --> 01:12:18,040

happens in Wisconsin happens in a set

1346

01:12:24,600 --> 01:12:20,820

that was on the program either the

1347

01:12:27,270 --> 01:12:24,610

pennsylvania and boggy creek yeah right

1348

01:12:28,770 --> 01:12:27,280

yeah which which i watched part of again

1349

01:12:32,760 --> 01:12:28,780

this afternoon because he does such a

1350

01:12:34,740 --> 01:12:32,770

good job with his videos but let's fill

1351

01:12:37,640 --> 01:12:34,750

this out to both of our guests what have

1352

01:12:41,550 --> 01:12:37,650

you heard about sightings of these

1353

01:12:45,030 --> 01:12:41,560

creatures are real or paranormal in

1354

01:12:49,260 --> 01:12:45,040

other further south or other parts of

1355

01:12:51,780 --> 01:12:49,270

the the world well the term skunk ape is

1356

01:12:54,510 --> 01:12:51,790

just a just a name basically when it

1357

01:12:57,390 --> 01:12:54,520

comes to the southern regions you're

1358

01:12:59,430 --> 01:12:57,400

gonna have the the smaller subspecies

1359

01:13:03,690 --> 01:12:59,440

like I like I had mentioned the Arang

1360

01:13:05,160 --> 01:13:03,700

pendick and in Asia and the farther

1361

01:13:07,830 --> 01:13:05,170

north you get

1362

01:13:10,229 --> 01:13:07,840

you're gonna have the bigger ones more

1363

01:13:12,209 --> 01:13:10,239

hair because when they're down in the

1364

01:13:13,530 --> 01:13:12,219

tropics you know you're not going to

1365

01:13:15,720 --> 01:13:13,540

have something that's covered in hair

1366

01:13:17,100 --> 01:13:15,730

they're going to be you know they're not

1367

01:13:21,660 --> 01:13:17,110

going to have as much hair they're going

1368

01:13:24,419 --> 01:13:21,670

to be smaller but yeah the skunk ape

1369

01:13:29,430 --> 01:13:24,429

term is just a day they live in caves

1370

01:13:32,850 --> 01:13:29,440

some of them caves trees uprooted trees

1371

01:13:35,010 --> 01:13:32,860

root systems in a rainforest it's very

1372

01:13:36,720 --> 01:13:35,020

easy for them to get up high with the

1373

01:13:38,220 --> 01:13:36,730

vines and everything you know so they

1374

01:13:42,479 --> 01:13:38,230

could they could live pretty much

1375

01:13:45,360 --> 01:13:42,489

anywhere they are very adaptable I

1376

01:13:48,150 --> 01:13:45,370

believe also to that you know I think

1377

01:13:52,040 --> 01:13:48,160

it's possible that their placement and

1378

01:13:55,290 --> 01:13:52,050

given that there is a cataclysmic event

1379

01:13:57,720 --> 01:13:55,300

they're there what can survive that

1380

01:14:00,840 --> 01:13:57,730

event or more than likely can live off

1381

01:14:03,180 --> 01:14:00,850

of the land to the point where actually

1382

01:14:06,479 --> 01:14:03,190

in fact they're they're almost like a

1383

01:14:09,300 --> 01:14:06,489

pot or a capsule I think as our we're

1384

01:14:14,120 --> 01:14:09,310

finding out our genetic material is

1385

01:14:17,390 --> 01:14:14,130

being harvested I believe that the our

1386

01:14:20,880 --> 01:14:17,400

material can be put in into them and

1387

01:14:22,979 --> 01:14:20,890

they we can actually get modern human

1388

01:14:25,740 --> 01:14:22,989

out of them I mean as time goes by

1389

01:14:28,740 --> 01:14:25,750

because we've noticed a big slip I mean

1390

01:14:31,650 --> 01:14:28,750

big differences and and how we've

1391

01:14:37,680 --> 01:14:31,660

evolved in a ridiculously amount of

1392

01:14:40,100 --> 01:14:37,690

short time and I think that we can be we

1393

01:14:43,530 --> 01:14:40,110

be brought back through these creatures

1394

01:14:44,760 --> 01:14:43,540

well you know there was that and it's

1395

01:14:46,430 --> 01:14:44,770

been a few years ago I can't remember

1396

01:14:49,620 --> 01:14:46,440

her name but you know there was the

1397

01:14:54,270 --> 01:14:49,630

major issues of veterinarian but she had

1398

01:14:58,229 --> 01:14:54,280

I guess a background in genetics that

1399

01:15:00,630 --> 01:14:58,239

was participating in the the DNA

1400

01:15:03,200 --> 01:15:00,640

research and I one of the conclusions

1401  
01:15:08,390 --> 01:15:03,210  
that she came from studying this is that

1402  
01:15:11,370 --> 01:15:08,400  
that these things were basically human

1403  
01:15:14,340 --> 01:15:11,380  
you know hominid hybrid of some kind

1404  
01:15:16,020 --> 01:15:14,350  
that I mean had they had first come

1405  
01:15:17,939 --> 01:15:16,030  
about like me like maybe what like ten

1406  
01:15:22,199 --> 01:15:17,949  
thousand years ago but

1407  
01:15:25,229 --> 01:15:22,209  
now they they actually will go and

1408  
01:15:28,620 --> 01:15:25,239  
interbreed with currently human females

1409  
01:15:29,939 --> 01:15:28,630  
to keep their species going well I don't

1410  
01:15:33,270 --> 01:15:29,949  
know about that I think I'm probably

1411  
01:15:36,299 --> 01:15:33,280  
spitting little human female and half if

1412  
01:15:38,149 --> 01:15:36,309  
they ever tried that make it I think it

1413  
01:15:40,919 --> 01:15:38,159

more or less has to be done at a

1414

01:15:42,770 --> 01:15:40,929

laboratory kind of setting but I think

1415

01:15:47,149 --> 01:15:42,780

it's really interesting to note that

1416

01:15:50,939 --> 01:15:47,159

okay just let's just say modern man has

1417

01:15:53,009 --> 01:15:50,949

just about four hundred cc's volume and

1418

01:15:56,520 --> 01:15:53,019

they're they're they're brain

1419

01:15:58,649 --> 01:15:56,530

okay Neanderthals had eighteen hundred

1420

01:16:03,739 --> 01:15:58,659

CCS okay

1421

01:16:06,779 --> 01:16:03,749

Bigfoot is an incredible hunter and and

1422

01:16:08,640 --> 01:16:06,789

okay I'm just I'm just telling you okay

1423

01:16:12,509 --> 01:16:08,650

now there's a difference now my genetics

1424

01:16:17,009 --> 01:16:12,519

say I'm pretty heavily neanderthal okay

1425

01:16:21,120 --> 01:16:17,019

and and the thing is is that I have

1426

01:16:24,750 --> 01:16:21,130

definite specific abilities okay and and

1427

01:16:29,219 --> 01:16:24,760

let's say and my big push is ancestry

1428

01:16:32,399 --> 01:16:29,229

and I can okay we're talking about

1429

01:16:34,319 --> 01:16:32,409

Bigfoot being an incredible tracker okay

1430

01:16:36,779 --> 01:16:34,329

so so let's let's bring in ancient

1431

01:16:41,040 --> 01:16:36,789

ancestry for a little bit there are

1432

01:16:44,459 --> 01:16:41,050

times when I can go out and track and I

1433

01:16:48,810 --> 01:16:44,469

can actually see footprints that are

1434

01:16:52,350 --> 01:16:48,820

emitted its IR light the footprints that

1435

01:16:55,410 --> 01:16:52,360

I see but basically kind of a lighter

1436

01:16:57,899 --> 01:16:55,420

shade of olive green but it's our like I

1437

01:16:59,549 --> 01:16:57,909

mean I will not see the footprint in the

1438

01:17:02,969 --> 01:16:59,559

dirt because like I said our soil is

1439

01:17:05,279 --> 01:17:02,979

very unusual very high silica soil and

1440

01:17:07,410 --> 01:17:05,289

it would blow away and a split second

1441

01:17:10,199 --> 01:17:07,420

anything that was left there but

1442

01:17:14,430 --> 01:17:10,209

nonetheless I can see remaining light on

1443

01:17:16,500 --> 01:17:14,440

the ground so if it's brain is a little

1444

01:17:19,080 --> 01:17:16,510

different if it's brandable bit bigger

1445

01:17:22,770 --> 01:17:19,090

and it has ancient ancestry in it

1446

01:17:26,279 --> 01:17:22,780

this might allow it to do what it does

1447

01:17:29,429 --> 01:17:26,289

to track and to use Hertz to change our

1448

01:17:30,620 --> 01:17:29,439

our ability to be able to see it at

1449

01:17:33,590 --> 01:17:30,630

times or not

1450

01:17:37,190 --> 01:17:33,600

we we have of somebody who's just called

1451

01:17:42,200 --> 01:17:37,200

in on our hotline who has a question

1452

01:17:43,520 --> 01:17:42,210

Jeremy are you there yes I'm okay what

1453

01:17:46,880 --> 01:17:43,530

what would you what would you like to

1454

01:17:48,290 --> 01:17:46,890

ask our guests okay well I had two

1455

01:17:50,510 --> 01:17:48,300

questions but I think she may have

1456

01:17:54,490 --> 01:17:50,520

answered one of them my first one was if

1457

01:17:56,930 --> 01:17:54,500

the skunk Apes would breed with humans

1458

01:17:59,120 --> 01:17:56,940

which she kind of explained a little bit

1459

01:18:02,300 --> 01:17:59,130

and my other question was do you think

1460

01:18:04,070 --> 01:18:02,310

that the skunk ape Sasquatch or whatever

1461

01:18:08,150 --> 01:18:04,080

you want to call it do you think it has

1462

01:18:10,580 --> 01:18:08,160

any connection with UFOs or aliens or

1463

01:18:13,370 --> 01:18:10,590

anything like that well let's ask both

1464

01:18:17,060 --> 01:18:13,380

of our guests that you want to go first

1465

01:18:21,740 --> 01:18:17,070

aye aye what if they have a connection

1466

01:18:23,720 --> 01:18:21,750

with UFOs or yes that question again I'm

1467

01:18:28,040 --> 01:18:23,730

sorry I hadn't ever an eruption at my

1468

01:18:30,800 --> 01:18:28,050

end and I'm all befuddled okay all right

1469

01:18:33,070 --> 01:18:30,810

if they haven't I I do think they have

1470

01:18:35,750 --> 01:18:33,080

their connection just based on my

1471

01:18:39,950 --> 01:18:35,760

experiences and what happens to be

1472

01:18:43,490 --> 01:18:39,960

around them at the time when when they

1473

01:18:46,220 --> 01:18:43,500

manifest or they're there they you know

1474

01:18:48,890 --> 01:18:46,230

show their physical presence or or maybe

1475

01:18:51,380 --> 01:18:48,900

even the presence that in a state that

1476

01:18:54,730 --> 01:18:51,390

that we can't see them because I spoke

1477

01:18:59,030 --> 01:18:54,740

about the experiments we ran on

1478

01:19:01,310 --> 01:18:59,040

invisibility and this is all okay the

1479

01:19:06,200 --> 01:19:01,320

experiments we ran are all based on

1480

01:19:12,140 --> 01:19:06,210

ancient wisdom on on on in the occult

1481

01:19:14,710 --> 01:19:12,150

okay and and in my mind that is a form

1482

01:19:20,960 --> 01:19:14,720

of technology it's not a religion I

1483

01:19:23,060 --> 01:19:20,970

think it is miss named so yeah I do I

1484

01:19:25,250 --> 01:19:23,070

think they're part of the UFO things and

1485

01:19:29,050 --> 01:19:25,260

I don't and my experience with their

1486

01:19:32,330 --> 01:19:29,060

odor it they don't always have an odor

1487

01:19:35,300 --> 01:19:32,340

they only did one time when they were at

1488

01:19:38,240 --> 01:19:35,310

my property which time I found myself

1489

01:19:41,720 --> 01:19:38,250

not being able to breathe it was in a

1490

01:19:43,640 --> 01:19:41,730

10-foot radius circle and I had to get

1491

01:19:44,390 --> 01:19:43,650

out of that circle in order to breathe

1492

01:19:45,680 --> 01:19:44,400

and it's

1493

01:19:48,860 --> 01:19:45,690

finally went in the house we ended up

1494

01:19:50,870 --> 01:19:48,870

shutting windows and the the odor would

1495

01:19:53,540 --> 01:19:50,880

move and it came in to the kitchen

1496

01:19:55,220 --> 01:19:53,550

window when I was cooking dinner and I

1497

01:19:57,169 --> 01:19:55,230

had to shut that window and then later

1498

01:19:58,970 --> 01:19:57,179

on we watched TV and it was at the

1499

01:20:01,280 --> 01:19:58,980

living-room window watching us watch TV

1500

01:20:03,350 --> 01:20:01,290

and the odor was there to shut that

1501

01:20:06,290 --> 01:20:03,360

window and it was there after I went to

1502

01:20:08,090 --> 01:20:06,300

bed at night yeah it would move and I

1503

01:20:10,370 --> 01:20:08,100

would go out of the house and I would

1504

01:20:13,100 --> 01:20:10,380

test and I would go out to different

1505

01:20:16,729 --> 01:20:13,110

windows or outside and and it would

1506

01:20:20,390 --> 01:20:16,739

definitely be in that template how long

1507

01:20:23,630 --> 01:20:20,400

does the odor linger Italy well I went

1508

01:20:25,490 --> 01:20:23,640

to bed that night at 10:30 and it was

1509

01:20:28,250 --> 01:20:25,500

still at the living-room window which

1510

01:20:30,680 --> 01:20:28,260

based the back of her couch when we were

1511

01:20:35,060 --> 01:20:30,690

watching TV so it just watched us all

1512

01:20:37,280 --> 01:20:35,070

the way around the windows that's pretty

1513

01:20:53,870 --> 01:20:37,290

obviously that's pretty ghastly but I

1514

01:20:56,270 --> 01:20:53,880

didn't we did we lose somebody Bigfoot

1515

01:20:59,300 --> 01:20:56,280

just grab somebody I think there's

1516

01:21:02,270 --> 01:20:59,310

nothing wrong there all right hey Don so

1517

01:21:04,280 --> 01:21:02,280

how about you a UFOs now have you you

1518

01:21:07,310 --> 01:21:04,290

studied or read about or heard about the

1519

01:21:10,729 --> 01:21:07,320

case in the cases in Pennsylvania I

1520

01:21:14,000 --> 01:21:10,739

guess going back to 1973 where there

1521

01:21:16,930 --> 01:21:14,010

seemed to have been sightings of these

1522

01:21:19,459 --> 01:21:16,940

creatures and in UFOs all in the same

1523

01:21:23,780 --> 01:21:19,469

spot around pretty much around the same

1524

01:21:29,240 --> 01:21:23,790

time well my theory it's only a theory

1525

01:21:33,169 --> 01:21:29,250

on that is just like anything with UFOs

1526

01:21:39,260 --> 01:21:33,179

or extraterrestrials they basically I

1527

01:21:42,470 --> 01:21:39,270

believe any way that they capture life

1528

01:21:44,750 --> 01:21:42,480

from planets they've written it's been

1529

01:21:47,689 --> 01:21:44,760

reported that they've captured humans

1530

01:21:49,310 --> 01:21:47,699

and returned them I believe the same

1531

01:21:53,300 --> 01:21:49,320

thing is when they when they come across

1532

01:21:56,030 --> 01:21:53,310

the sasquatch they they [h\_\_h] up Scotty

1533

01:21:58,060 --> 01:21:56,040

and let's look him over and then send

1534

01:22:01,740 --> 01:21:58,070

them back home what well you know

1535

01:22:04,540 --> 01:22:01,750

now a Brad stager who of course is the

1536

01:22:07,180 --> 01:22:04,550

grandfather of the the paranormal

1537

01:22:09,879 --> 01:22:07,190

I remember him writing an article for

1538

01:22:12,040 --> 01:22:09,889

one of our publication probably

1539

01:22:14,069 --> 01:22:12,050

interplanetary News Service report when

1540

01:22:16,390 --> 01:22:14,079

we thought in those days everything was

1541

01:22:19,120 --> 01:22:16,400

extraterrestrial about some of the North

1542

01:22:23,640 --> 01:22:19,130

American Indian tribes how they reported

1543

01:22:27,280 --> 01:22:23,650

actually seeing these Bigfoot creatures

1544

01:22:30,720 --> 01:22:27,290

coming down on a beam of yeah be I would

1545

01:22:34,050 --> 01:22:30,730

say beam a light for a lack of other a

1546

01:22:36,520 --> 01:22:34,060

term but there's always seemed to be

1547

01:22:41,020 --> 01:22:36,530

somewhat of a connection although you've

1548

01:22:42,609 --> 01:22:41,030

got your hard core you know Bigfoot and

1549

01:22:44,010 --> 01:22:42,619

they've got to be real and you can beat

1550

01:22:47,200 --> 01:22:44,020

them off with a stick

1551  
01:22:52,600 --> 01:22:47,210  
type of researchers those are the ones

1552  
01:22:54,970 --> 01:22:52,610  
that kind of glut the the TV channels

1553  
01:23:00,370 --> 01:22:54,980  
you know cable channels late at night

1554  
01:23:01,660 --> 01:23:00,380  
yeah you very seldom see a show where at

1555  
01:23:03,819 --> 01:23:01,670  
least I'm missing out on this because

1556  
01:23:06,580 --> 01:23:03,829  
like I guess I don't watch that many

1557  
01:23:10,569 --> 01:23:06,590  
Bigfoot programs but Tim do you remember

1558  
01:23:13,149 --> 01:23:10,579  
ever seeing a show there on on cable

1559  
01:23:17,350 --> 01:23:13,159  
where the paranormal aspect of this was

1560  
01:23:22,510 --> 01:23:17,360  
bought in no no it's always you know the

1561  
01:23:26,020 --> 01:23:22,520  
physical aspect of them you know well I

1562  
01:23:29,770 --> 01:23:26,030  
you know one one wonders what what could

1563  
01:23:31,899 --> 01:23:29,780

be the connection between the the the

1564

01:23:34,060 --> 01:23:31,909

two whether they're operating on the

1565

01:23:38,050 --> 01:23:34,070

same vibrational level which would kind

1566

01:23:43,209 --> 01:23:38,060

of be a new-age you know the description

1567

01:23:46,660 --> 01:23:43,219

which kind of frown on I I dunno now

1568

01:23:50,260 --> 01:23:46,670

John keel of course wrote about in his

1569

01:23:53,350 --> 01:23:50,270

books Mothman Prophecies in the 8th

1570

01:23:55,660 --> 01:23:53,360

tower and strange mutants which we

1571

01:23:59,379 --> 01:23:55,670

published about how they were actual

1572

01:24:02,260 --> 01:23:59,389

actually window areas in different spots

1573

01:24:06,560 --> 01:24:02,270

around the the country where these

1574

01:24:09,920 --> 01:24:06,570

things were occurring

1575

01:24:11,960 --> 01:24:09,930

more frequently than elsewhere you had

1576

01:24:15,370 --> 01:24:11,970

some spots like in Pennsylvania

1577

01:24:19,370 --> 01:24:15,380

of course Point Pleasant West Virginia

1578

01:24:24,710 --> 01:24:19,380

for a quite a while in fact I was

1579

01:24:26,540 --> 01:24:24,720

watching an Amazon Prime Seth who did

1580

01:24:28,660 --> 01:24:26,550

the you know was a guest a couple of

1581

01:24:31,730 --> 01:24:28,670

weeks ago and he has his little

1582

01:24:33,530 --> 01:24:31,740

small-town monster series and he's

1583

01:24:36,080 --> 01:24:33,540

actually broken up some of his films

1584

01:24:38,120 --> 01:24:36,090

into smaller episodes and he had a great

1585

01:24:42,650 --> 01:24:38,130

little episode there on woody

1586

01:24:44,270 --> 01:24:42,660

derenberger and Indrid cold and if

1587

01:24:47,360 --> 01:24:44,280

anybody knows the story of course woody

1588

01:24:49,640 --> 01:24:47,370

derenberger he was a sewing machine

1589

01:24:52,460 --> 01:24:49,650

salesman I think Tim wasn't he and he

1590

01:24:56,300 --> 01:24:52,470

was yeah yeah driving home one night and

1591

01:24:58,490 --> 01:24:56,310

this object the kind of this was stalled

1592

01:25:01,430 --> 01:24:58,500

just off the road and he had an

1593

01:25:04,040 --> 01:25:01,440

encounter and met with I guess the

1594

01:25:08,120 --> 01:25:04,050

benevolent the space beings are kind of

1595

01:25:12,440 --> 01:25:08,130

human and in appearance and he had an on

1596

01:25:16,130 --> 01:25:12,450

go on going series of contact with this

1597

01:25:20,180 --> 01:25:16,140

one being by the name of Indrid cold and

1598

01:25:23,150 --> 01:25:20,190

Seth and his his movie has an interview

1599

01:25:26,750 --> 01:25:23,160

with woody derenberger 'he's a daughter

1600

01:25:28,940 --> 01:25:26,760

who says that Indrid cold to her when

1601

01:25:30,920 --> 01:25:28,950

she was a young child growing up he

1602

01:25:33,800 --> 01:25:30,930

would actually come into the house and

1603

01:25:39,410 --> 01:25:33,810

have dinner with them and as far as she

1604

01:25:42,140 --> 01:25:39,420

was concerned he was a very human in

1605

01:25:46,040 --> 01:25:42,150

appearance perhaps had a little bit of

1606

01:25:49,610 --> 01:25:46,050

telepathic ability in fact she remarked

1607

01:25:52,490 --> 01:25:49,620

at woody seemed to pick up on some of

1608

01:25:55,730 --> 01:25:52,500

this telepathy because when his wife

1609

01:25:57,980 --> 01:25:55,740

would come home from doing errands he

1610

01:26:00,500 --> 01:25:57,990

was able to tell her exactly who she and

1611

01:26:02,240 --> 01:26:00,510

Matt what she had bought before she took

1612

01:26:05,590 --> 01:26:02,250

it you know put the bags on the table

1613

01:26:10,150 --> 01:26:05,600

and he seemed to have picked up some of

1614

01:26:14,030 --> 01:26:10,160

Indrid cold traits now was Indrid cold a

1615

01:26:18,550 --> 01:26:14,040

really a spaceman was he an agent of

1616

01:26:20,060 --> 01:26:18,560

some psyops organization or some

1617

01:26:22,729 --> 01:26:20,070

paranormal

1618

01:26:26,510 --> 01:26:22,739

entity I don't know I mean this it's

1619

01:26:29,660 --> 01:26:26,520

open to debate but to those who did come

1620

01:26:32,209 --> 01:26:29,670

across them in conjunction with the

1621

01:26:34,700 --> 01:26:32,219

woody derenberger experiences or with

1622

01:26:38,450 --> 01:26:34,710

the Mothman sightings he seem to be

1623

01:26:41,089 --> 01:26:38,460

pretty much a flesh-and-blood but then

1624

01:26:43,939 --> 01:26:41,099

again he did have this supernatural

1625

01:26:46,399 --> 01:26:43,949

element to him remember item how John

1626

01:26:48,260 --> 01:26:46,409

keel claimed that he was hunkered down

1627

01:26:51,200 --> 01:26:48,270

in that hotel there in Point Pleasant

1628

01:26:54,260 --> 01:26:51,210

and was getting phone calls from injured

1629

01:26:57,109 --> 01:26:54,270

called in the middle of the night right

1630

01:27:00,169 --> 01:26:57,119

now yeah well I just I find it

1631

01:27:02,720 --> 01:27:00,179

interesting that here Woody's daughter I

1632

01:27:06,169 --> 01:27:02,730

mean you know she's you know she's not

1633

01:27:09,169 --> 01:27:06,179

she's not elderly but I mean she's got

1634

01:27:10,850 --> 01:27:09,179

no reason really to you know make up

1635

01:27:12,260 --> 01:27:10,860

make up this story I mean she's not

1636

01:27:18,319 --> 01:27:12,270

gonna make any money or anything like

1637

01:27:20,120 --> 01:27:18,329

that yeah but I mean you know she she

1638

01:27:21,950 --> 01:27:20,130

just she just basically goes in there I

1639

01:27:23,990 --> 01:27:21,960

mean tells it like she remembers it and

1640

01:27:28,879 --> 01:27:24,000

I mean yeah and I mean you know I made

1641

01:27:32,300 --> 01:27:28,889

so many contactees and they really had

1642

01:27:34,430 --> 01:27:32,310

no other witnesses yet yet here his dog

1643

01:27:36,500 --> 01:27:34,440

and Woody's daughter you know remembers

1644

01:27:38,660 --> 01:27:36,510

this clearly and even made the statement

1645

01:27:40,879 --> 01:27:38,670

that after her father died that the

1646

01:27:42,680 --> 01:27:40,889

interred cold was at the funeral but

1647

01:27:44,720 --> 01:27:42,690

nobody else knew it but she did

1648

01:27:46,459 --> 01:27:44,730

recognize that's correct

1649

01:27:50,930 --> 01:27:46,469

oh by the way we want to thank you

1650

01:27:55,129 --> 01:27:50,940

Jeremy for for calling in and we do hope

1651

01:27:58,220 --> 01:27:55,139

we answered his question as best we

1652

01:28:01,819 --> 01:27:58,230

could now we are at kind of cutting it

1653

01:28:05,540 --> 01:28:01,829

short it's the magic midnight hour here

1654

01:28:08,950 --> 01:28:05,550

on the East Coast coming up and I do

1655

01:28:11,000 --> 01:28:08,960

want to go around the the round table

1656

01:28:12,859 --> 01:28:11,010

well we don't really know if it's a

1657

01:28:15,859 --> 01:28:12,869

round table Tim is it a round table

1658

01:28:18,800 --> 01:28:15,869

alright the coffee table coffee table

1659

01:28:20,899 --> 01:28:18,810

don't knock the beer over to it or I

1660

01:28:22,879 --> 01:28:20,909

actually somebody maybe some popcorn and

1661

01:28:26,270 --> 01:28:22,889

sent it over for the show tonight yeah

1662

01:28:30,169 --> 01:28:26,280

yeah yeah but I share it with all of you

1663

01:28:31,700 --> 01:28:30,179

but I've eaten almost all of it but I do

1664

01:28:33,620 --> 01:28:31,710

want to give our guests the opportunity

1665

01:28:35,270 --> 01:28:33,630

to tell

1666

01:28:38,090 --> 01:28:35,280

our listeners where they can be reached

1667

01:28:40,190 --> 01:28:38,100

and what they are working on currently

1668

01:28:43,430 --> 01:28:40,200

and what they might be working on in the

1669

01:28:46,250 --> 01:28:43,440

future so let's start with the tell us a

1670

01:28:47,960 --> 01:28:46,260

little bit about how people can get in

1671

01:28:51,610 --> 01:28:47,970

touch with you and what's going on down

1672

01:28:54,410 --> 01:28:51,620

the road well well

1673

01:29:02,000 --> 01:28:54,420

anyone that wants to go to my website

1674

01:29:07,580 --> 01:29:02,010

it's a HTTP colon slash slash rep lures

1675

01:29:11,030 --> 01:29:07,590

dot webs.com and u n-- spell repl you

1676

01:29:15,820 --> 01:29:11,040

are es rep lures that's basically all

1677

01:29:18,620 --> 01:29:15,830

they have to type into Google nowadays I

1678

01:29:21,460 --> 01:29:18,630

hold expeditions with only a couple

1679

01:29:24,830 --> 01:29:21,470

people at a time across the sacred bog

1680

01:29:27,050 --> 01:29:24,840

in this place is where I had different

1681

01:29:29,150 --> 01:29:27,060

experiences with both the physical and

1682

01:29:31,640 --> 01:29:29,160

spirits and do other people have

1683

01:29:35,420 --> 01:29:31,650

experience as well oh yeah yeah yeah

1684

01:29:37,160 --> 01:29:35,430

almost I'd say a 90% success rate

1685

01:29:40,220 --> 01:29:37,170

everyone that goes I've even had

1686

01:29:43,010 --> 01:29:40,230

skeptics go out there and they've left

1687

01:29:46,610 --> 01:29:43,020

scared well well tit Tim and I will be

1688

01:29:48,950 --> 01:29:46,620

putting on our swamp buggy boots and and

1689

01:29:51,830 --> 01:29:48,960

and and joining you huh

1690

01:29:54,610 --> 01:29:51,840

Tim Tim could carry me on his shoulders

1691

01:29:58,610 --> 01:29:54,620

and we could just walk through the bog

1692

01:30:02,090 --> 01:29:58,620

together looking for the the creatures

1693

01:30:06,920 --> 01:30:02,100

of the night and any of books and the

1694

01:30:08,870 --> 01:30:06,930

works I don't know I am thinking on one

1695

01:30:09,530 --> 01:30:08,880

that's going more or less on herbal

1696

01:30:13,370 --> 01:30:09,540

healing

1697

01:30:15,440 --> 01:30:13,380

oh yes mo that yeah yeah yeah yeah you

1698

01:30:20,560 --> 01:30:15,450

know I I once a traveled a couple of

1699

01:30:23,390 --> 01:30:20,570

times to Hawaii and came across a secret

1700

01:30:25,160 --> 01:30:23,400

valley I guess you would say where there

1701

01:30:29,330 --> 01:30:25,170

are hundreds of different kinds of herbs

1702

01:30:32,440 --> 01:30:29,340

and all growing and I did list most of

1703

01:30:35,720 --> 01:30:32,450

them in my Kahuna power book anyway it

1704

01:30:37,400 --> 01:30:35,730

let us get to the our other guest here

1705

01:30:40,900 --> 01:30:37,410

and what would you what would you be

1706

01:30:44,780 --> 01:30:40,910

working on any anything in particular

1707

01:30:47,060 --> 01:30:44,790

well I think I want to be working on

1708

01:30:48,860 --> 01:30:47,070

Hertz because I believe that

1709

01:30:51,950 --> 01:30:48,870

through their ritual magic and so forth

1710

01:30:55,040 --> 01:30:51,960

and so on the American Indian opened up

1711

01:30:57,040 --> 01:30:55,050

a lot of portholes we had an incident

1712

01:31:00,440 --> 01:30:57,050

over here with our own temple that they

1713

01:31:03,080 --> 01:31:00,450

they opened up portals and all kinds of

1714

01:31:05,800 --> 01:31:03,090

things started shaking loose at that

1715

01:31:08,780 --> 01:31:05,810

address and eventually they left it but

1716

01:31:12,230 --> 01:31:08,790

apparently bad things or strange things

1717

01:31:14,600 --> 01:31:12,240

were happening there so this desert

1718

01:31:18,470 --> 01:31:14,610

thing I want to continue to work on that

1719

01:31:20,510 --> 01:31:18,480

experiment on possibly seeing what

1720

01:31:21,730 --> 01:31:20,520

happens when I work with different

1721

01:31:24,470 --> 01:31:21,740

frequencies

1722

01:31:27,020 --> 01:31:24,480

well I'm sorry you faded out there when

1723

01:31:28,610 --> 01:31:27,030

you work with different I want to I want

1724

01:31:30,800 --> 01:31:28,620

to try working with different

1725

01:31:33,620 --> 01:31:30,810

frequencies because I believe that the

1726

01:31:36,740 --> 01:31:33,630

American Indian opened up a bunch of

1727

01:31:39,140 --> 01:31:36,750

portholes when they were working is what

1728

01:31:42,110 --> 01:31:39,150

they were doing and we'd experienced

1729

01:31:44,150 --> 01:31:42,120

this at the temple we had one time to

1730

01:31:48,170 --> 01:31:44,160

because they opened up portals and they

1731

01:31:50,720 --> 01:31:48,180

neglected to close them and then started

1732

01:31:53,240 --> 01:31:50,730

happening as a result of that well so

1733

01:31:55,610 --> 01:31:53,250

you're saying though then we shouldn't

1734

01:31:58,760 --> 01:31:55,620

necessarily be overly frightened of

1735

01:32:02,600 --> 01:31:58,770

these different entities that some of

1736

01:32:07,550 --> 01:32:02,610

them are perhaps it could be beneficial

1737

01:32:09,440 --> 01:32:07,560

to us well I'm saying can be I mean look

1738

01:32:11,660 --> 01:32:09,450

at us in general I mean we can be

1739

01:32:13,820 --> 01:32:11,670

wonderful one day and the next day not

1740

01:32:16,670 --> 01:32:13,830

so wonderful well I'm always wonderful

1741

01:32:20,120 --> 01:32:16,680

myself but go ahead I believe I believe

1742

01:32:23,330 --> 01:32:20,130

that that these barriers have been put

1743

01:32:27,050 --> 01:32:23,340

in place for a reason and they've been

1744

01:32:29,900 --> 01:32:27,060

opened and not everyone is ready for

1745

01:32:33,800 --> 01:32:29,910

everything includes both sides well what

1746

01:32:35,990 --> 01:32:33,810

what what do they portend for the future

1747

01:32:39,350 --> 01:32:36,000

of a humankind

1748

01:32:42,860 --> 01:32:39,360

I'm sorry well what what what what do

1749

01:32:47,620 --> 01:32:42,870

they heart harp are do they harbinger

1750

01:32:50,240 --> 01:32:47,630

something for the future of mankind I

1751

01:32:58,970 --> 01:32:50,250

mean is there a message they want to get

1752

01:33:00,620 --> 01:32:58,980

out or well I think I don't that's it

1753

01:33:05,030 --> 01:33:00,630

again it's a difficult question

1754

01:33:07,250 --> 01:33:05,040

ask because I'm concerned that humanity

1755

01:33:09,379 --> 01:33:07,260

has been dumbed down and is continuing

1756

01:33:11,149 --> 01:33:09,389

to be dumbed down just well that's why

1757

01:33:13,129 --> 01:33:11,159

we're thinking of going twice a week

1758

01:33:15,500 --> 01:33:13,139

that's why we're thinking of going it

1759

01:33:21,669 --> 01:33:15,510

twice a week with this program so that

1760

01:33:25,640 --> 01:33:21,679

the I'm just really concerned that

1761

01:33:28,180 --> 01:33:25,650

humanity isn't what it used to be that

1762

01:33:31,370 --> 01:33:28,190

genetic manipulation is going on

1763

01:33:34,160 --> 01:33:31,380

actually there are not six senses I

1764

01:33:37,040 --> 01:33:34,170

spoke with someone that was asked when I

1765

01:33:39,050 --> 01:33:37,050

was taking biological psychology I do

1766

01:33:40,820 --> 01:33:39,060

believe that this man was a Nordic it

1767

01:33:44,390 --> 01:33:40,830

was unbelievable the events that

1768

01:33:46,040 --> 01:33:44,400

followed he told us that we have over I

1769

01:33:50,120 --> 01:33:46,050

can't remember the exact number but it

1770

01:33:52,280 --> 01:33:50,130

was over 360 senses he relayed medical

1771

01:33:56,629 --> 01:33:52,290

information to me that no doctor has

1772

01:33:59,840 --> 01:33:56,639

ever been able to confirm this does this

1773

01:34:03,860 --> 01:33:59,850

does this a person or entity have a name

1774

01:34:07,189 --> 01:34:03,870

I I can't remember his name I remember

1775

01:34:09,290 --> 01:34:07,199

almost what he looks like I had him when

1776

01:34:14,750 --> 01:34:09,300

I was in junior college well if you have

1777

01:34:17,360 --> 01:34:14,760

it if you have a picture or some artwork

1778

01:34:19,939 --> 01:34:17,370

or something send it along and remember

1779

01:34:22,640 --> 01:34:19,949

we'll be up on YouTube with this program

1780

01:34:24,620 --> 01:34:22,650

very shortly and I guess we've come to

1781

01:34:27,200 --> 01:34:24,630

the end of the program and I want to

1782

01:34:29,510 --> 01:34:27,210

thank both of our guests very

1783

01:34:31,459 --> 01:34:29,520

fascinating you Tim what you say topic I

1784

01:34:36,290 --> 01:34:31,469

mean something we really haven't delved

1785

01:34:39,410 --> 01:34:36,300

that much into before and I'm hoping

1786

01:34:43,250 --> 01:34:39,420

that we'll be able to tackle the

1787

01:34:47,209 --> 01:34:43,260

question of Bigfoot and cryptids are

1788

01:34:50,810 --> 01:34:47,219

they flesh and blood or are they a

1789

01:34:53,000 --> 01:34:50,820

paranormal just like you and I am that's

1790

01:34:54,919 --> 01:34:53,010

right well thank you both for being with

1791

01:34:58,220 --> 01:34:54,929

us and we have to say good night now Tim

1792

01:35:00,590 --> 01:34:58,230

and good night at Deena and good night

1793

01:35:09,649 --> 01:35:00,600

Peter and good night Carol and Helen and

1794

01:35:16,469 --> 01:35:12,479

you've been listening to exploring the

1795

01:35:19,709 --> 01:35:16,479

bazaar with hosts Timothy Becky panty

1796

01:35:22,620 --> 01:35:19,719

swaps they're taking back the night by

1797

01:35:25,199 --> 01:35:22,630

jetting non-stop across the cosmos in

1798

01:35:28,979 --> 01:35:25,209

search of the truly bizarre and totally

1799

01:35:31,490 --> 01:35:28,989

unexplained with you as their code

1800

01:35:35,970 --> 01:35:31,500

Thursday nights at 7:00 p.m. Pacific

1801

01:35:37,200 --> 01:35:35,980

10:00 p.m. Eastern on the K cor digital

1802

01:35:39,660 --> 01:35:37,210

radio

1803

01:35:42,720 --> 01:35:39,670

for more information on exploring the

1804

01:35:45,390 --> 01:35:42,730

bazaars and hosts Timothy Beckley and

1805

01:35:48,570 --> 01:35:45,400

Tim Swartz check out their kco our

1806

01:35:54,630 --> 01:35:48,580

digital radio network follow their

1807

01:36:05,660 --> 01:35:54,640

YouTube channel @m r UFO 1100 explore
