5  
00:00:55,119 --> 00:00:52,010

universe exploring the unexplained UFO s

6  
00:00:57,500 --> 00:00:55,129

ghosts Lost Worlds

7  
00:01:01,340 --> 00:00:57,510

cryptozoology waters as well as other

8  
00:01:05,719 --> 00:01:01,350

dimensions it's time to take back the

9  
00:01:08,990 --> 00:01:05,729

night last night now your electrifying

10  
00:01:15,260 --> 00:01:09,000

hosts of exploring the bizarre Timothy

11  
00:01:19,340 --> 00:01:15,270

Begley and team sports Wow you know it's

12  
00:01:21,740 --> 00:01:19,350

really cold and dark in here and I feel

13  
00:01:23,719 --> 00:01:21,750

like spiders crawling on my face but

14

00:01:26,900 --> 00:01:23,729

look there's a giant mirror in front of

15

00:01:31,300 --> 00:01:26,910

me mirror mirror on the wall who is the

16

00:01:50,990 --> 00:01:31,310

most influential ufologist of them all

17

00:01:52,150 --> 00:01:51,000

well Tim I'm doing great Tim how about

18

00:01:54,680 --> 00:01:52,160

yourself to have a good Thanksgiving

19

00:01:57,740 --> 00:01:54,690

well you know I'm still stuffed with

20

00:02:00,230 --> 00:01:57,750

Turkey and but I went out with my buds

21

00:02:01,790 --> 00:02:00,240

my my besties was weak home here in New

22

00:02:04,820 --> 00:02:01,800

York we went down to the Lower East Side

23

00:02:07,330 --> 00:02:04,830

and we had Indian food you know spicy

24

00:02:10,279 --> 00:02:07,340

Korean and you know that and then my

25

00:02:15,229 --> 00:02:10,289

niece's daughter Michelle popped in and

26  
00:02:18,080 --> 00:02:15,239  
was some Turkey a big drumstick and some

27  
00:02:20,360 --> 00:02:18,090  
shell salad which is my my favorite and

28  
00:02:23,809 --> 00:02:20,370  
of course I got all kinds of candies and

29  
00:02:25,460 --> 00:02:23,819  
cakes from our listeners that's awesome

30  
00:02:28,490 --> 00:02:25,470  
all right that's a lie but you know what

31  
00:02:31,699 --> 00:02:28,500  
the hell well I did I did

32  
00:02:35,150 --> 00:02:31,709  
I thought you do yes they must have sent

33  
00:02:36,650 --> 00:02:35,160  
them all to you but we've been busy we

34  
00:02:38,470 --> 00:02:36,660  
got a couple of new books out and of

35  
00:02:41,059 --> 00:02:38,480  
course we're mailing our catalog and

36  
00:02:44,750 --> 00:02:41,069  
we're getting excited because the

37  
00:02:47,000 --> 00:02:44,760  
holiday is almost upon us and Santa and

38  
00:02:49,160 --> 00:02:47,010

Krampus will be coming down the year the

39

00:02:50,870 --> 00:02:49,170

chimney and that's that's right that's

40

00:02:53,000 --> 00:02:50,880

right Krampus my favorite time of the

41

00:02:56,290 --> 00:02:53,010

year when crumpets comes to take care of

42

00:02:58,970 --> 00:02:56,300

all the bad little boys and girls

43

00:03:10,460 --> 00:02:58,980

yeah he's gonna leave lots of cold for

44

00:03:14,780 --> 00:03:10,470

Donald Trump we could have a good laugh

45

00:03:16,610 --> 00:03:14,790

over everybody that's right we're

46

00:03:18,620 --> 00:03:16,620

totally ignorant of what's happening in

47

00:03:22,970 --> 00:03:18,630

the world is is everybody else it seems

48

00:03:24,920 --> 00:03:22,980

but Ted over decider III idle chattering

49

00:03:27,630 --> 00:03:24,930

on our part I'm sure we'll do enough

50

00:03:30,060 --> 00:03:27,640

during the show why didn't you tell us

51  
00:03:32,850 --> 00:03:30,070  
we're going to be speaking with this

52  
00:03:37,620 --> 00:03:32,860  
evening in the exploring a bizarre kco

53  
00:03:39,870 --> 00:03:37,630  
our radio living room why my pleasure

54  
00:03:42,390 --> 00:03:39,880  
Tim as always you know we've got two

55  
00:03:48,990 --> 00:03:42,400  
fantastic guests tonight and we have

56  
00:03:52,290 --> 00:03:49,000  
with this Susan Demeter st. Claire yes

57  
00:03:56,190 --> 00:03:52,300  
and Mike Cleland now both of these

58  
00:03:58,770 --> 00:03:56,200  
people I should mention have some have

59  
00:04:01,590 --> 00:03:58,780  
incredible essays in a book that came

60  
00:04:06,240 --> 00:04:01,600  
out I think in May called UFOs reframing

61  
00:04:07,620 --> 00:04:06,250  
the debate and this is a it's it's such

62  
00:04:09,180 --> 00:04:07,630  
a pleasure to have both of these people

63  
00:04:11,430 --> 00:04:09,190

on the show tonight now Susan is a

64

00:04:15,180 --> 00:04:11,440

professional research assistant author

65

00:04:16,560 --> 00:04:15,190

editor and SCI experimenter her research

66

00:04:19,620 --> 00:04:16,570

interest include individual

67

00:04:22,530 --> 00:04:19,630

institutional responses to anomalies and

68

00:04:25,710 --> 00:04:22,540

exceptional human experiences and how

69

00:04:28,920 --> 00:04:25,720

they interact and enact within groups

70

00:04:31,200 --> 00:04:28,930

and large institutions such as the

71

00:04:33,000 --> 00:04:31,210

military for example now her life took

72

00:04:35,850 --> 00:04:33,010

her on the framework of UFO experience

73

00:04:38,969 --> 00:04:35,860

after an encounter in 1990 and she

74

00:04:40,740 --> 00:04:38,979

considers anomaly studies to be her true

75

00:04:44,190 --> 00:04:40,750

life's work and I know that she's had

76  
00:04:47,969 --> 00:04:44,200  
some unusual experiences as well before

77  
00:04:50,340 --> 00:04:47,979  
her first UFO experience so well I have

78  
00:04:54,150 --> 00:04:50,350  
definitely have to get her to talk about

79  
00:04:59,070 --> 00:04:54,160  
that as well we have Mike lowland now

80  
00:05:00,540 --> 00:04:59,080  
Mike is an outdoorsman in fact he's not

81  
00:05:02,880 --> 00:05:00,550  
just knock doors but he's an avid

82  
00:05:05,219 --> 00:05:02,890  
outdoorsman illustrator and UFO

83  
00:05:06,960 --> 00:05:05,229  
researcher he's written exclusively on

84  
00:05:09,180 --> 00:05:06,970  
the subject of alien abduction

85  
00:05:11,670 --> 00:05:09,190  
synchronicities and owls

86  
00:05:13,980 --> 00:05:11,680  
it was his first-hand experiences with

87  
00:05:16,740 --> 00:05:13,990  
these elusive events that have been the

88  
00:05:19,830 --> 00:05:16,750

foundation for this research now his

89

00:05:22,770 --> 00:05:19,840

book the messengers owls synchronicity

90

00:05:26,219 --> 00:05:22,780

and the UFO abductee is a collection of

91

00:05:28,500 --> 00:05:26,229

first-hand accounts for owls manifest in

92

00:05:31,890 --> 00:05:28,510

the highly-charged moments that surround

93

00:05:33,270 --> 00:05:31,900

alien contact so Mike Susan thank you

94

00:05:36,560 --> 00:05:33,280

very much for being with us tonight

95

00:05:41,129 --> 00:05:36,570

on exploring the bizarre you know I'm

96

00:05:44,879 --> 00:05:41,139

I'm really excited that Susan is with a

97

00:05:47,159 --> 00:05:44,889

because just by coincidence and as Mike

98

00:05:50,010 --> 00:05:47,169

can tell you there is no such thing as

99

00:05:52,290 --> 00:05:50,020

coincidence it's all one synchronicity

100

00:05:56,719 --> 00:05:52,300

right after another but what did we

101

00:05:59,670 --> 00:05:56,729

finish this we get Tim we put the

102

00:06:01,860 --> 00:05:59,680

finishing touches in fact the book just

103

00:06:06,869 --> 00:06:01,870

came out yesterday it's called project

104

00:06:10,980 --> 00:06:06,879

magnet it's a nice one yeah it is about

105

00:06:15,779 --> 00:06:10,990

the the London life and research of a

106

00:06:20,279 --> 00:06:15,789

Canadian engineer by the name of Wilbur

107

00:06:23,189 --> 00:06:20,289

B Smith who actually now I would say

108

00:06:26,790 --> 00:06:23,199

that we've got to give a Canada the dibs

109

00:06:32,159 --> 00:06:26,800

on this because as early as 1950 they

110

00:06:36,360 --> 00:06:32,169

had set up a group kind of an unofficial

111

00:06:38,159 --> 00:06:36,370

samaya official group called the project

112

00:06:40,950 --> 00:06:38,169

magnet they had a little headquarters

113

00:06:43,679 --> 00:06:40,960

there and surely Bay I think it was and

114

00:06:44,700 --> 00:06:43,689

they actually had sightings of or they

115

00:06:47,339 --> 00:06:44,710

actually picked up with their

116

00:06:48,959 --> 00:06:47,349

instruments unidentified objects and one

117

00:06:51,600 --> 00:06:48,969

of them apparently came close to the

118

00:06:54,179 --> 00:06:51,610

structure but the the day on which they

119

00:06:56,219 --> 00:06:54,189

had this experience there was a cloud

120

00:06:58,499 --> 00:06:56,229

cover or a fog bank that came down and

121

00:07:02,070 --> 00:06:58,509

they were unable to see the object but

122

00:07:07,820 --> 00:07:02,080

they did detect it and feel its presence

123

00:07:10,290 --> 00:07:07,830

now also not only was this a project

124

00:07:13,139 --> 00:07:10,300

endorsed and I guess that paid for by

125

00:07:15,899 --> 00:07:13,149

the Canadian government I don't think it

126

00:07:18,779 --> 00:07:15,909

was a huge project and only lasted I

127

00:07:22,610 --> 00:07:18,789

think two years but they did get some

128

00:07:25,619 --> 00:07:22,620

very positive results and Wilbur Smith

129

00:07:29,070 --> 00:07:25,629

was very interested in the propulsion

130

00:07:34,639 --> 00:07:29,080

system of how you know how UFOs operated

131

00:07:38,339 --> 00:07:34,649

and furthermore he organized a group of

132

00:07:41,550 --> 00:07:38,349

UFO experiencers mainly the contactees

133

00:07:45,439 --> 00:07:41,560

in in those days who claimed that they

134

00:07:48,329 --> 00:07:45,449

had face-to-face encounters with the UFO

135

00:07:51,029 --> 00:07:48,339

beings and he would ask them a serious

136

00:07:53,579 --> 00:07:51,039

series of questions and see what

137

00:07:55,080 --> 00:07:53,589

response that they would give him back

138

00:07:57,710 --> 00:07:55,090

without knowing what the

139

00:07:59,909 --> 00:07:57,720

individuals as part of this survey we're

140

00:08:01,710 --> 00:07:59,919

telling him you know we're writing down

141

00:08:04,140 --> 00:08:01,720

and he found out that there was a

142

00:08:08,640 --> 00:08:04,150

pattern where most of these individuals

143

00:08:12,000 --> 00:08:08,650

or a good percentage of them were coming

144

00:08:14,430 --> 00:08:12,010

up with the same information and later

145

00:08:19,400 --> 00:08:14,440

on in life

146

00:08:22,980 --> 00:08:19,410

Wilbur himself claimed contact with the

147

00:08:26,159 --> 00:08:22,990

UFO beings he didn't speak about it a

148

00:08:27,690 --> 00:08:26,169

great deal but we did have on camera and

149

00:08:30,930 --> 00:08:27,700

grant a couple weeks ago who told about

150

00:08:34,130 --> 00:08:30,940

some of these experiences he had was

151

00:08:37,019 --> 00:08:34,140

privity to some information so it's a

152

00:08:40,050 --> 00:08:37,029

partly at least the Canadian Canadian

153

00:08:45,590 --> 00:08:40,060

show here this evening and Susan welcome

154

00:08:49,740 --> 00:08:45,600

to the to the program so you had a UFO

155

00:08:53,310 --> 00:08:49,750

experiences early on when I was 23

156

00:08:55,950 --> 00:08:53,320

that was my first UFO experience I guess

157

00:08:58,950 --> 00:08:55,960

I possibly had ones younger when I was a

158

00:09:01,440 --> 00:08:58,960

child but I was 23 when I actually had a

159

00:09:04,710 --> 00:09:01,450

UFO experience with another witness who

160

00:09:07,560 --> 00:09:04,720

was my brother-in-law and that sort of

161

00:09:08,760 --> 00:09:07,570

being an adult I was able to say yes and

162

00:09:11,550 --> 00:09:08,770

with another witness I'm actually

163

00:09:14,910 --> 00:09:11,560

experiencing something anomalous in the

164

00:09:18,660 --> 00:09:14,920

night sky and that sort of at that point

165

00:09:21,000 --> 00:09:18,670

changed my sort of worldview and kind of

166

00:09:25,410 --> 00:09:21,010

was I would I call an initiation almost

167

00:09:27,660 --> 00:09:25,420

into this UFO community into this UFO

168

00:09:29,610 --> 00:09:27,670

sort of frame of thinking and that's

169

00:09:33,870 --> 00:09:29,620

sort of where my my story began with

170

00:09:36,150 --> 00:09:33,880

UFOs but I didn't keep this on pins and

171

00:09:39,300 --> 00:09:36,160

needles here what exactly did you see

172

00:09:41,400 --> 00:09:39,310

and did it get close and did you have

173

00:09:44,670 --> 00:09:41,410

any sort of contact or communication

174

00:09:46,740 --> 00:09:44,680

with the object well I'll start sort of

175

00:09:49,650 --> 00:09:46,750

like from the beginning and it was a

176  
00:09:52,680 --> 00:09:49,660  
late evening and my brother-in-law and I

177  
00:09:54,600 --> 00:09:52,690  
were watching a show I think was a viral

178  
00:09:58,980 --> 00:09:54,610  
mistress of the dark of all things and

179  
00:10:00,630 --> 00:09:58,990  
it was November 4th 1990 and it was

180  
00:10:02,880 --> 00:10:00,640  
getting really late and at the time I

181  
00:10:04,710 --> 00:10:02,890  
lived on this 10th floor of this

182  
00:10:07,440 --> 00:10:04,720  
condominium upon this hill that

183  
00:10:08,790 --> 00:10:07,450  
overlooked Lake Ontario and towards the

184  
00:10:12,480 --> 00:10:08,800  
Nick the nuclear

185  
00:10:14,160 --> 00:10:12,490  
a power plant in Pickering and it was

186  
00:10:16,710 --> 00:10:14,170  
getting late the movie was starting to

187  
00:10:19,350 --> 00:10:16,720  
end and I walked out towards this

188  
00:10:21,300 --> 00:10:19,360

balcony I had with these huge sliding

189

00:10:24,600 --> 00:10:21,310

glass doors and I had two very small

190

00:10:26,819 --> 00:10:24,610

children at the time and I was going to

191

00:10:29,250 --> 00:10:26,829

go lock the door and that was just the

192

00:10:32,220 --> 00:10:29,260

habit I was into every night and when I

193

00:10:36,810 --> 00:10:32,230

looked through the glass I saw this huge

194

00:10:38,759 --> 00:10:36,820

sort of red pulsing light in the sky and

195

00:10:40,740 --> 00:10:38,769

I had lived there for quite a long time

196

00:10:43,230 --> 00:10:40,750

at that point and I had never seen such

197

00:10:44,910 --> 00:10:43,240

a thing before and my first thought was

198

00:10:46,740 --> 00:10:44,920

that this is a reflection on the glass

199

00:10:49,350 --> 00:10:46,750

it's something coming off the TV because

200

00:10:51,090 --> 00:10:49,360

the TV was directly behind me and I

201  
00:10:52,769 --> 00:10:51,100  
looked at I looked at the glass again

202  
00:10:55,170 --> 00:10:52,779  
and I started realizing no this is this

203  
00:10:57,210 --> 00:10:55,180  
is something outside so I sort of I

204  
00:10:58,949 --> 00:10:57,220  
opened the sliding glass doors and I

205  
00:11:01,079 --> 00:10:58,959  
went out and I was looking at it for a

206  
00:11:03,269 --> 00:11:01,089  
few seconds I guess and and just sort of

207  
00:11:05,970 --> 00:11:03,279  
things were going through my mind what

208  
00:11:08,190 --> 00:11:05,980  
am I seeing this this huge strange red

209  
00:11:11,910 --> 00:11:08,200  
thing pulsing in the sky near the near

210  
00:11:13,620 --> 00:11:11,920  
the nuclear plant and and I find I

211  
00:11:15,030 --> 00:11:13,630  
called my brother-in-law I said you know

212  
00:11:17,280 --> 00:11:15,040  
you got to come out here and see this I

213  
00:11:20,010 --> 00:11:17,290

don't what is this thing so he comes out

214

00:11:22,470 --> 00:11:20,020

and he was the first one to say I think

215

00:11:24,660 --> 00:11:22,480

I think we're seeing a UFO and I

216

00:11:26,670 --> 00:11:24,670

remember him sort of grabbing my arm and

217

00:11:29,370 --> 00:11:26,680

I looked down and I was getting all that

218

00:11:32,010 --> 00:11:29,380

goose flesh and I was just I was totally

219

00:11:34,440 --> 00:11:32,020

like in shock seeing this thing and then

220

00:11:36,090 --> 00:11:34,450

I wasn't until a time later that I

221

00:11:38,699 --> 00:11:36,100

remembered and I was able to confirm

222

00:11:43,110 --> 00:11:38,709

with him that I said during all of this

223

00:11:44,910 --> 00:11:43,120

they know we can see them and I had

224

00:11:46,620 --> 00:11:44,920

forgotten at that moment it was actually

225

00:11:48,660 --> 00:11:46,630

a while later that I remembered it and

226

00:11:51,689 --> 00:11:48,670

it was so strange and odd and I still

227

00:11:54,300 --> 00:11:51,699

really don't know why I thought that who

228

00:11:57,720 --> 00:11:54,310

they were or why I verbalized that but I

229

00:12:00,449 --> 00:11:57,730

did and shortly after that it seemed

230

00:12:02,880 --> 00:12:00,459

like this light to me anyway imploded in

231

00:12:06,660 --> 00:12:02,890

on itself and became very tiny and shot

232

00:12:07,769 --> 00:12:06,670

straight up into the sky now we stayed

233

00:12:09,900 --> 00:12:07,779

up all night long

234

00:12:11,730 --> 00:12:09,910

I didn't sleep that night neither did he

235

00:12:13,050 --> 00:12:11,740

we just sat up we talked about this we

236

00:12:15,300 --> 00:12:13,060

were talking about what could this be

237

00:12:17,210 --> 00:12:15,310

what could it not be I remember looking

238

00:12:20,340 --> 00:12:17,220

at the time when it had disappeared

239

00:12:22,430 --> 00:12:20,350

towards the street that was running

240

00:12:24,800 --> 00:12:22,440

parallel to where this the plant

241

00:12:26,689 --> 00:12:24,810

and Lake Ontario and I was thinking to

242

00:12:27,980 --> 00:12:26,699

myself there was one lone car up there

243

00:12:29,449 --> 00:12:27,990

it was about 1 o'clock in the morning

244

00:12:31,069 --> 00:12:29,459

and I thought this this person had to

245

00:12:33,319 --> 00:12:31,079

have seen this this thing was so huge

246

00:12:35,619 --> 00:12:33,329

and and I was looking in the next day at

247

00:12:38,780 --> 00:12:35,629

the newspapers I had the news on and

248

00:12:40,699 --> 00:12:38,790

this is this was 1990 pre-internet days

249

00:12:42,949 --> 00:12:40,709

so I didn't yeah I didn't have the

250

00:12:45,530 --> 00:12:42,959

internet to just jump on and find a UFO

251  
00:12:48,170 --> 00:12:45,540  
group and I had no concept of who I

252  
00:12:50,600 --> 00:12:48,180  
might contact I I already felt I can't

253  
00:12:52,639 --> 00:12:50,610  
call the police because there wasn't a

254  
00:12:54,800 --> 00:12:52,649  
crime that was committed ok

255  
00:12:56,540 --> 00:12:54,810  
I didn't know who to contact so it was a

256  
00:12:58,759 --> 00:12:56,550  
few weeks later that I was at the

257  
00:13:04,249 --> 00:12:58,769  
library and I got it a bunch of books on

258  
00:13:06,199 --> 00:13:04,259  
UFOs and I found dr. hynek's book and on

259  
00:13:08,449 --> 00:13:06,209  
the in the back of cover there was cue

260  
00:13:11,929 --> 00:13:08,459  
Phocis address so I wrote everything

261  
00:13:14,119 --> 00:13:11,939  
down and and I sent this letter off to

262  
00:13:15,800 --> 00:13:14,129  
Chicago and to Koufos and I guess the

263  
00:13:17,840 --> 00:13:15,810

address had changed since the time of

264

00:13:19,879 --> 00:13:17,850

the publication I had no idea at this

265

00:13:22,280 --> 00:13:19,889

point that dr. Hynek had passed away and

266

00:13:25,100 --> 00:13:22,290

the letter a few weeks later came back

267

00:13:27,710 --> 00:13:25,110

to me undeliverable and that's where it

268

00:13:29,840 --> 00:13:27,720

kind of sat for me for about 6 or 7

269

00:13:33,290 --> 00:13:29,850

years until my kids got older and I

270

00:13:35,569 --> 00:13:33,300

never put this out of my mind over the

271

00:13:37,730 --> 00:13:35,579

over the years it just kind of was there

272

00:13:40,759 --> 00:13:37,740

and then in the late 1990s I actually

273

00:13:42,920 --> 00:13:40,769

started getting involved more with UFO

274

00:13:46,210 --> 00:13:42,930

groups the internet was going then I

275

00:13:49,040 --> 00:13:46,220

found MUFON and I started investigating

276

00:13:51,110 --> 00:13:49,050

UFOs at that point for myself like it

277

00:13:54,170 --> 00:13:51,120

never never really left my mind

278

00:13:56,929 --> 00:13:54,180

so would you say the objects seemed to

279

00:13:59,720 --> 00:13:56,939

implode on itself did you hear it

280

00:14:02,540 --> 00:13:59,730

whether it was already sound at all no

281

00:14:04,670 --> 00:14:02,550

none at all and and that was one of the

282

00:14:06,559 --> 00:14:04,680

things that I was I that had popped in

283

00:14:09,049 --> 00:14:06,569

my mind is like this is not a helicopter

284

00:14:10,879 --> 00:14:09,059

this is not a this is not a plane

285

00:14:12,319 --> 00:14:10,889

because it was it was pulsating but it

286

00:14:14,629 --> 00:14:12,329

was almost stationary and it was right

287

00:14:17,030 --> 00:14:14,639

near that plant and then later on I did

288

00:14:19,460 --> 00:14:17,040

find out that there were many sightings

289

00:14:23,059 --> 00:14:19,470

involving not only just that nuclear

290

00:14:24,769 --> 00:14:23,069

power plant but many uh well let's

291

00:14:27,559 --> 00:14:24,779

imagine that you're looking at the full

292

00:14:30,170 --> 00:14:27,569

moon if you were to compare the object

293

00:14:32,870 --> 00:14:30,180

that you saw to the moon how big would

294

00:14:35,500 --> 00:14:32,880

it be in comparison to the to the lunar

295

00:14:37,990 --> 00:14:35,510

body at a full moon it was

296

00:14:43,540 --> 00:14:38,000

probably comparable in size it was quite

297

00:14:46,870 --> 00:14:43,550

large it was it was very big III didn't

298

00:14:49,840 --> 00:14:46,880

investigate it myself but MUFON did

299

00:14:52,450 --> 00:14:49,850

investigate that sighting that I had but

300

00:14:54,250 --> 00:14:52,460

it was several years later that that was

301  
00:14:56,320 --> 00:14:54,260  
sort of investigated and I think this

302  
00:14:58,030 --> 00:14:56,330  
size I forget the exact size now that it

303  
00:15:00,400 --> 00:14:58,040  
was estimated but it was quite large

304  
00:15:01,840 --> 00:15:00,410  
like theirs in my mind there was no way

305  
00:15:05,230 --> 00:15:01,850  
that people other people couldn't have

306  
00:15:08,080 --> 00:15:05,240  
seen it but nobody did as far as you

307  
00:15:10,600 --> 00:15:08,090  
know nobody did as far as I know and

308  
00:15:13,510 --> 00:15:10,610  
I've had that sighting online since

309  
00:15:15,370 --> 00:15:13,520  
about 1990 and I've had people write to

310  
00:15:16,900 --> 00:15:15,380  
me saying that oh you know I've seen

311  
00:15:19,060 --> 00:15:16,910  
things around the plant and I they've

312  
00:15:21,670 --> 00:15:19,070  
shared their own experiences but none

313  
00:15:24,280 --> 00:15:21,680

for that specific thing well you know

314

00:15:26,290 --> 00:15:24,290

we've had numerous cases and you

315

00:15:28,420 --> 00:15:26,300

probably realize this where there could

316

00:15:30,580 --> 00:15:28,430

be two or three witnesses you know out

317

00:15:32,860 --> 00:15:30,590

looking at the sky and some people will

318

00:15:36,760 --> 00:15:32,870

see something and other people will see

319

00:15:39,670 --> 00:15:36,770

nothing yeah I don't know I mean I

320

00:15:41,800 --> 00:15:39,680

remember a case up in the Pine Bush New

321

00:15:44,230 --> 00:15:41,810

York about a hour and a half here from

322

00:15:46,870 --> 00:15:44,240

New York witnesses claiming that they

323

00:15:49,420 --> 00:15:46,880

were watching these giant crosses in the

324

00:15:51,280 --> 00:15:49,430

sky and we were to about two blocks away

325

00:15:55,150 --> 00:15:51,290

and there's no way that these objects

326

00:15:57,430 --> 00:15:55,160

could have passed over us without us

327

00:15:58,810 --> 00:15:57,440

having seen them I mean if they were as

328

00:16:00,970 --> 00:15:58,820

big as the witnesses saying that they

329

00:16:02,920 --> 00:16:00,980

were but yet there is no indication that

330

00:16:04,990 --> 00:16:02,930

any of the witnesses were lying because

331

00:16:07,630 --> 00:16:05,000

some of them even had the photographic

332

00:16:10,570 --> 00:16:07,640

proof that they had seen something well

333

00:16:14,200 --> 00:16:10,580

sure sure there's a every massive case

334

00:16:16,480 --> 00:16:14,210

that happened I think with a but two or

335

00:16:18,700 --> 00:16:16,490

three days after in it was same

336

00:16:21,280 --> 00:16:18,710

timeframe without the week and it was in

337

00:16:24,820 --> 00:16:21,290

Montreal and in this case there was this

338

00:16:26,470 --> 00:16:24,830

large sort of spacecraft like thing that

339

00:16:30,100 --> 00:16:26,480

people were describing that appeared

340

00:16:32,470 --> 00:16:30,110

downtown Montreal over a hotel and there

341

00:16:34,480 --> 00:16:32,480

must have been at least 6070 witnesses

342

00:16:36,580 --> 00:16:34,490

but all the witnesses seemed to be on

343

00:16:39,130 --> 00:16:36,590

the top of this hotel there was some

344

00:16:42,940 --> 00:16:39,140

sort of party that was going on actually

345

00:16:45,580 --> 00:16:42,950

there's a there's a TV documentary would

346

00:16:47,830 --> 00:16:45,590

you like a in search of I think maybe

347

00:16:49,540 --> 00:16:47,840

it's a it's on Netflix or somewhere now

348

00:16:51,730 --> 00:16:49,550

and I never heard about

349

00:16:53,889 --> 00:16:51,740

the case myself but it's a real good

350

00:16:56,079 --> 00:16:53,899

case by all means yeah yeah and you'd

351

00:16:58,660 --> 00:16:56,089

think that people that but that's the

352

00:17:00,820 --> 00:16:58,670

thing people on this other side of the

353

00:17:03,730 --> 00:17:00,830

street people that were on the street

354

00:17:05,199 --> 00:17:03,740

none of these people saw this yet you

355

00:17:07,030 --> 00:17:05,209

had you know and you should have had

356

00:17:08,890 --> 00:17:07,040

maybe hundreds of thousands of people

357

00:17:10,809 --> 00:17:08,900

because this is downtown of a major

358

00:17:12,250 --> 00:17:10,819

urban center it would be the same thing

359

00:17:14,199 --> 00:17:12,260

as if it appeared you know over New York

360

00:17:16,299 --> 00:17:14,209

City you would expect thousands upon

361

00:17:18,340 --> 00:17:16,309

thousands of witnesses but no it was

362

00:17:21,010 --> 00:17:18,350

very much concentrated to these this

363

00:17:25,540 --> 00:17:21,020

group of people about 60 70 people on

364

00:17:28,240 --> 00:17:25,550

top of this hotel and and yet and so I

365

00:17:30,400 --> 00:17:28,250

mean it was there but well they even

366

00:17:32,500 --> 00:17:30,410

there was even photographs taken yeah of

367

00:17:35,770 --> 00:17:32,510

that of that Avantika I remember when

368

00:17:37,240 --> 00:17:35,780

where it happened yeah but this seems to

369

00:17:40,299 --> 00:17:37,250

be the case like in all sorts of

370

00:17:42,160 --> 00:17:40,309

different paranormal type experience

371

00:17:44,680 --> 00:17:42,170

it's it's also the case with haunted

372

00:17:47,799 --> 00:17:44,690

houses where you can have maybe a room

373

00:17:49,630 --> 00:17:47,809

of four or five people and and maybe two

374

00:17:51,970 --> 00:17:49,640

people might see an apparition and

375

00:17:54,970 --> 00:17:51,980

someone else might see a shadow and then

376

00:17:57,130 --> 00:17:54,980

two other people will see nothing so I I

377

00:17:58,780 --> 00:17:57,140

mean I don't know what that exactly

378

00:18:00,340 --> 00:17:58,790

tells us about the nature of the

379

00:18:02,260 --> 00:18:00,350

phenomena itself or the various

380

00:18:04,810 --> 00:18:02,270

phenomena but it is it is an interesting

381

00:18:07,510 --> 00:18:04,820

thing about it but you know people do

382

00:18:10,330 --> 00:18:07,520

perceive things differently well since

383

00:18:12,730 --> 00:18:10,340

you brought up a paranormal events now

384

00:18:14,919 --> 00:18:12,740

you had but I guess would be called

385

00:18:15,460 --> 00:18:14,929

paranormal events when when you were a

386

00:18:21,280 --> 00:18:15,470

child

387

00:18:23,260 --> 00:18:21,290

alright yes I did I first I guess the

388

00:18:25,780 --> 00:18:23,270

first that I can remember was I was

389

00:18:28,090 --> 00:18:25,790

about five or six years old and I had an

390

00:18:33,130 --> 00:18:28,100

experience where I saw this sort of

391

00:18:36,520 --> 00:18:33,140

little little man dwarfed like being I

392

00:18:38,980 --> 00:18:36,530

guess and at the time I think because my

393

00:18:41,169 --> 00:18:38,990

only real concept of the paranormal or

394

00:18:43,840 --> 00:18:41,179

strange things was probably Scooby Doo I

395

00:18:46,240 --> 00:18:43,850

just I assumed that these little things

396

00:18:50,620 --> 00:18:46,250

were ghosts and I had more than one

397

00:18:53,380 --> 00:18:50,630

experience with them and and later on I

398

00:18:55,180 --> 00:18:53,390

I thought to myself that they were you

399

00:18:57,370 --> 00:18:55,190

know this is just childhood imagination

400

00:18:59,290 --> 00:18:57,380

what happened during that period as a

401  
00:19:02,740 --> 00:18:59,300  
child as I would get quite frightened

402  
00:19:04,450 --> 00:19:02,750  
and I was a very imaginative child and

403  
00:19:06,460 --> 00:19:04,460  
I would have this wolf that would come

404  
00:19:09,610 --> 00:19:06,470  
in on the scene and sort of protect me

405  
00:19:10,990 --> 00:19:09,620  
like come up to my bed and the wolf

406  
00:19:13,030 --> 00:19:11,000  
would talk to me and it was sort of

407  
00:19:15,490 --> 00:19:13,040  
scare these these little men away and

408  
00:19:17,650 --> 00:19:15,500  
then later on as as as a younger adult

409  
00:19:19,780 --> 00:19:17,660  
and I was getting into psychology I've

410  
00:19:21,910 --> 00:19:19,790  
kind of figured I you know I was the

411  
00:19:24,820 --> 00:19:21,920  
wolf I created this wolf to protect

412  
00:19:26,020 --> 00:19:24,830  
myself and and at that time I like I

413  
00:19:28,150 --> 00:19:26,030

said as a child I thought that these

414

00:19:29,620 --> 00:19:28,160

were these were ghosts but it wasn't

415

00:19:32,260 --> 00:19:29,630

until later when I started getting into

416

00:19:33,580 --> 00:19:32,270

UFOs and getting into UFO experience

417

00:19:36,160 --> 00:19:33,590

that I kind of considered well maybe

418

00:19:38,920 --> 00:19:36,170

maybe these little dwarf like men were

419

00:19:41,830 --> 00:19:38,930

not ghosts maybe they were related to

420

00:19:43,270 --> 00:19:41,840

UFOs or and now now I'm sort of in a

421

00:19:44,740 --> 00:19:43,280

situation where I think maybe they're

422

00:19:46,420 --> 00:19:44,750

all somehow interconnected are

423

00:19:48,070 --> 00:19:46,430

interrelated through the paranormal

424

00:19:52,810 --> 00:19:48,080

experience or exceptional human

425

00:19:55,270 --> 00:19:52,820

experience but but yeah ghosts UFOs what

426

00:19:58,780 --> 00:19:55,280

difference does it make it's a lay

427

00:20:01,870 --> 00:19:58,790

they're all the same right exactly well

428

00:20:06,520 --> 00:20:01,880

without wood did do these beans I mean

429

00:20:09,370 --> 00:20:06,530

were they like you were watching there

430

00:20:11,200 --> 00:20:09,380

were they watching you I mean did were

431

00:20:13,150 --> 00:20:11,210

they obvious obviously that you know

432

00:20:15,880 --> 00:20:13,160

they were there knew you were there to

433

00:20:17,830 --> 00:20:15,890

me they appeared like solid actual sort

434

00:20:20,230 --> 00:20:17,840

of beings but something somewhere in my

435

00:20:22,120 --> 00:20:20,240

intuition my heart I knew that they

436

00:20:24,820 --> 00:20:22,130

weren't and that other people weren't

437

00:20:26,710 --> 00:20:24,830

necessarily seeing them and they did

438

00:20:29,110 --> 00:20:26,720

sort of unnerved me and frightened me I

439

00:20:31,090 --> 00:20:29,120

but they seemed to be like solid like as

440

00:20:33,430 --> 00:20:31,100

if you would see an actual person like

441

00:20:35,050 --> 00:20:33,440

and then that sort of presence is if you

442

00:20:37,150 --> 00:20:35,060

you know how when someone is standing

443

00:20:39,010 --> 00:20:37,160

beside you you feel that someone is

444

00:20:40,570 --> 00:20:39,020

there even if they're not touching you

445

00:20:42,790 --> 00:20:40,580

you just sort of feel them in that sort

446

00:20:46,030 --> 00:20:42,800

of space and that's how they appeared to

447

00:20:48,490 --> 00:20:46,040

me well did they did they try to

448

00:20:50,650 --> 00:20:48,500

interact with you I guess is what what I

449

00:20:53,470 --> 00:20:50,660

was starting to say oh they seem to be

450

00:20:55,660 --> 00:20:53,480

aware of me they didn't seem to be

451  
00:20:57,550 --> 00:20:55,670  
necessarily causing harm but I was

452  
00:20:59,620 --> 00:20:57,560  
frightened of them I would close my eyes

453  
00:21:02,830 --> 00:20:59,630  
I would try to stay away and then this I

454  
00:21:04,450 --> 00:21:02,840  
eventually I had an experience when my

455  
00:21:06,160 --> 00:21:04,460  
grandmother was staying with us my

456  
00:21:09,370 --> 00:21:06,170  
parents had gone away to Europe or

457  
00:21:11,410 --> 00:21:09,380  
something they were traveling and and I

458  
00:21:14,710 --> 00:21:11,420  
had this experience where this little

459  
00:21:15,590 --> 00:21:14,720  
being seemed to pop out and sit up on my

460  
00:21:18,740 --> 00:21:15,600  
bed really

461  
00:21:20,600 --> 00:21:18,750  
scared me and and this wolf like I said

462  
00:21:23,270 --> 00:21:20,610  
appeared and just sort of chased them

463  
00:21:26,450 --> 00:21:23,280

away like they would they would just

464

00:21:29,900 --> 00:21:26,460

literally like scatter away the wolf was

465

00:21:32,060 --> 00:21:29,910

like a psychic avatar almost yes and

466

00:21:34,510 --> 00:21:32,070

like I said it was I thought it was an

467

00:21:37,070 --> 00:21:34,520

actual separate being this this this

468

00:21:39,529 --> 00:21:37,080

protector but then later on I sort of

469

00:21:42,200 --> 00:21:39,539

came to the the idea that the wolf was

470

00:21:43,909 --> 00:21:42,210

me that I was creating the wolf so out

471

00:21:45,680 --> 00:21:43,919

of my own imagination it sort of popped

472

00:21:47,750 --> 00:21:45,690

up and it was dealing with these these

473

00:21:49,940 --> 00:21:47,760

little dwarfee things that like I said

474

00:21:52,039 --> 00:21:49,950

and they didn't cause me harm

475

00:21:53,840 --> 00:21:52,049

but as a child of course I was

476

00:21:55,820 --> 00:21:53,850

frightened I knew that they weren't

477

00:21:57,560 --> 00:21:55,830

really supposed to be part of the

478

00:22:00,500 --> 00:21:57,570

reality that I was living but they were

479

00:22:02,810 --> 00:22:00,510

there a brad Steiger you know he talks

480

00:22:05,779 --> 00:22:02,820

about how when he was a kid he you know

481

00:22:07,669 --> 00:22:05,789

he was lying in bed one night and he was

482

00:22:09,560 --> 00:22:07,679

looking out of his window and the way

483

00:22:13,220 --> 00:22:09,570

that they his house was shaped he could

484

00:22:14,720 --> 00:22:13,230

see the kitchen window where his parents

485

00:22:16,279 --> 00:22:14,730

were in there talking and he said that

486

00:22:19,370 --> 00:22:16,289

there was a little man you know he

487

00:22:21,260 --> 00:22:19,380

described almost as like a like a fairy

488

00:22:22,490 --> 00:22:21,270

or brownie or a leprechaun type of

489

00:22:25,549 --> 00:22:22,500

creature that was standing on his

490

00:22:28,279 --> 00:22:25,559

tiptoes peering into the window at his

491

00:22:31,370 --> 00:22:28,289

parents so I mean you know you see that

492

00:22:33,289 --> 00:22:31,380

a lot you know these kinds of

493

00:22:36,020 --> 00:22:33,299

experiences with children who then you

494

00:22:39,350 --> 00:22:36,030

know later on will go on and have yeah

495

00:22:41,750 --> 00:22:39,360

UFO experiences or vice versa people who

496

00:22:44,779 --> 00:22:41,760

have UFO experiences will then have you

497

00:22:46,310 --> 00:22:44,789

know start seeing these you know for one

498

00:22:48,980 --> 00:22:46,320

of a better word you know almost like

499

00:22:52,610 --> 00:22:48,990

supernatural entities coming out of

500

00:22:57,020 --> 00:22:52,620

their closet or you know their bed yes

501  
00:22:59,000 --> 00:22:57,030  
it seems to be interconnected I often I

502  
00:23:01,039 --> 00:22:59,010  
have had the experience as from the

503  
00:23:02,990 --> 00:23:01,049  
other side is that as a researcher going

504  
00:23:04,520 --> 00:23:03,000  
and talking to people and they'll be

505  
00:23:07,130 --> 00:23:04,530  
telling me about what seems like a real

506  
00:23:09,110 --> 00:23:07,140  
sort of nuts and bolts UFO type story

507  
00:23:10,940 --> 00:23:09,120  
but when I meet with them in person then

508  
00:23:14,000 --> 00:23:10,950  
they start relating you know I grew up

509  
00:23:16,130 --> 00:23:14,010  
in a haunted house or you know I I've

510  
00:23:18,200 --> 00:23:16,140  
had other experiences or people within

511  
00:23:19,580 --> 00:23:18,210  
their family alright we're gonna have to

512  
00:23:21,169 --> 00:23:19,590  
interrupt you here because it's time to

513  
00:23:21,900 --> 00:23:21,179

go to our bottom with the be our break

514

00:23:23,970 --> 00:23:21,910

so we'll be

515

00:23:28,830 --> 00:23:23,980

back in just a few minutes but exploring

516

00:23:31,290 --> 00:23:28,840

the bazaar now back to exploring the

517

00:23:33,660 --> 00:23:31,300

bazaars with two of the most

518

00:23:36,950 --> 00:23:33,670

electrifying researchers in the Paranoid

519

00:23:42,360 --> 00:23:36,960

your hosts Timothy Becky Lee panting

520

00:23:47,880 --> 00:23:42,370

sports and welcome back to exploring the

521

00:23:51,150 --> 00:23:47,890

bazaar tonight we are talking about UFOs

522

00:23:53,730 --> 00:23:51,160

and kind of the the strange more

523

00:23:56,490 --> 00:23:53,740

stranger aspects about the whole

524

00:23:58,230 --> 00:23:56,500

phenomena so Tim what are we bring my

525

00:24:00,690 --> 00:23:58,240

clothing into the conversation he's been

526

00:24:04,260 --> 00:24:00,700

patiently waiting in the wings and I

527

00:24:07,160 --> 00:24:04,270

think it's it's it's time to to let him

528

00:24:09,570 --> 00:24:07,170

talk weasel well indeed he's written up

529

00:24:13,230 --> 00:24:09,580

there's some really good information

530

00:24:15,600 --> 00:24:13,240

good good books on the synchronicities

531

00:24:18,510 --> 00:24:15,610

and UFOs and his own experiences which

532

00:24:20,370 --> 00:24:18,520

go back I guess to his childhood yeah

533

00:24:23,900 --> 00:24:20,380

well the thing I want to know Mike is

534

00:24:25,880 --> 00:24:23,910

that because I've seen a number of your

535

00:24:29,370 --> 00:24:25,890

previous books you know about

536

00:24:32,580 --> 00:24:29,380

backpacking and and things like that and

537

00:24:36,000 --> 00:24:32,590

so what took you I mean have have you

538

00:24:38,040 --> 00:24:36,010

always had an interest in UFOs and

539

00:24:41,370 --> 00:24:38,050

strange things and just you know finally

540

00:24:43,170 --> 00:24:41,380

saw the opportunity or just you know

541

00:24:46,380 --> 00:24:43,180

what's a situation that just got you

542

00:24:49,110 --> 00:24:46,390

into it um well you know well I I was

543

00:24:51,660 --> 00:24:49,120

the perfect age to have grown up right

544

00:24:53,960 --> 00:24:51,670

around the time of in search of with

545

00:24:57,000 --> 00:24:53,970

Leonard Nimoy and there was a series of

546

00:25:00,630 --> 00:24:57,010

kind of early 70s television shows there

547

00:25:05,880 --> 00:25:00,640

really yeah yeah like lit my foot the

548

00:25:08,040 --> 00:25:05,890

fire for me and OH in the the time-life

549

00:25:10,470 --> 00:25:08,050

series they did a Time Life series they

550

00:25:13,730 --> 00:25:10,480

did a books on the paranormal and UFOs

551  
00:25:16,290 --> 00:25:13,740  
and in ancient mysteries and such so um

552  
00:25:18,540 --> 00:25:16,300  
so you know I never had much more than a

553  
00:25:21,090 --> 00:25:18,550  
cursory interest of it in it and

554  
00:25:24,030 --> 00:25:21,100  
although similar to what sue described

555  
00:25:27,180 --> 00:25:24,040  
in my youth I I had a very clear UFO

556  
00:25:29,790 --> 00:25:27,190  
sighting this happened at night and I

557  
00:25:31,909 --> 00:25:29,800  
was with a friend and there was

558  
00:25:34,740 --> 00:25:31,919  
something

559  
00:25:37,710 --> 00:25:34,750  
outside a window it's interesting she

560  
00:25:39,450 --> 00:25:37,720  
said that she thought it might have been

561  
00:25:41,639 --> 00:25:39,460  
a reflection from something behind them

562  
00:25:42,269 --> 00:25:41,649  
and I have racked my brain trying to

563  
00:25:43,649 --> 00:25:42,279

figure out whether there was a

564

00:25:45,690 --> 00:25:43,659

reflection of something behind me and I

565

00:25:47,850 --> 00:25:45,700

have to say that no it could not have

566

00:25:48,990 --> 00:25:47,860

been we ran right up to the glass and

567

00:25:51,060 --> 00:25:49,000

looked outside and there was something

568

00:25:53,669 --> 00:25:51,070

about this like this size and Shh well

569

00:25:56,549 --> 00:25:53,679

the the shape of a coffee can descending

570

00:25:59,549 --> 00:25:56,559

at this really odd in this really odd

571

00:26:03,180 --> 00:25:59,559

unusual way like was too smooth it was

572

00:26:06,299 --> 00:26:03,190

gliding too smooth to be a plane made

573

00:26:10,230 --> 00:26:06,309

this very kind of I almost want to say

574

00:26:11,700 --> 00:26:10,240

like artificial kind of rotation um we

575

00:26:13,919 --> 00:26:11,710

watched it for about 30 seconds and poof

576

00:26:15,480 --> 00:26:13,929

it was gone and and then both me and my

577

00:26:19,289 --> 00:26:15,490

friend we ran downstairs we were both 12

578

00:26:21,870 --> 00:26:19,299

years old this would have been 1974 and

579

00:26:24,060 --> 00:26:21,880

we both drew it and we pretty much drew

580

00:26:25,529 --> 00:26:24,070

the identical thing and and and I still

581

00:26:27,330 --> 00:26:25,539

have that drawing from being a little

582

00:26:29,310 --> 00:26:27,340

boy I've since become a much more

583

00:26:36,269 --> 00:26:29,320

skilled illustrator and I've redrawn it

584

00:26:38,070 --> 00:26:36,279

now so that that event allowed me as a

585

00:26:40,740 --> 00:26:38,080

12 year old boy - you know when watching

586

00:26:44,340 --> 00:26:40,750

in search of for you know something I'm

587

00:26:49,049 --> 00:26:44,350

reading a you know a book by um oh I

588

00:26:50,430 --> 00:26:49,059

read Frank Edwards book as a little boy

589

00:26:52,230 --> 00:26:50,440

which was actually the first big fat

590

00:26:53,669 --> 00:26:52,240

book it's called a UFO serious business

591

00:26:55,289 --> 00:26:53,679

by Frank Edwards and you know you know I

592

00:26:57,120 --> 00:26:55,299

kind of was like you know I can't

593

00:27:02,340 --> 00:26:57,130

dismiss this stuff because I've seen my

594

00:27:04,019 --> 00:27:02,350

own thing and you know so that was kind

595

00:27:07,620 --> 00:27:04,029

of the foundation for me as a little boy

596

00:27:10,889 --> 00:27:07,630

I guess so

597

00:27:13,080 --> 00:27:10,899

what's I just have to ask before we're

598

00:27:16,710 --> 00:27:13,090

going to this uh what's been the

599

00:27:20,070 --> 00:27:16,720

reaction to people who were your

600

00:27:21,930 --> 00:27:20,080

followers with your you know like your

601  
00:27:24,600 --> 00:27:21,940  
backpacking books and things like that

602  
00:27:27,930 --> 00:27:24,610  
with this kind of like this new venture

603  
00:27:30,299 --> 00:27:27,940  
about UFOs I mean you know if you got

604  
00:27:32,850 --> 00:27:30,309  
any criticism or people like yeah we're

605  
00:27:34,049 --> 00:27:32,860  
glad to see you talking about this it's

606  
00:27:36,049 --> 00:27:34,059  
very strange

607  
00:27:40,049 --> 00:27:36,059  
you know it is there's been absolutely

608  
00:27:42,720 --> 00:27:40,059  
close to zero crossover between the two

609  
00:27:44,430 --> 00:27:42,730  
and so I have a handful of books out

610  
00:27:44,760 --> 00:27:44,440  
mostly that were illustrations I've got

611  
00:27:45,780 --> 00:27:44,770  
like

612  
00:27:47,520 --> 00:27:45,790  
probably when you count them out this

613  
00:27:49,590 --> 00:27:47,530

bike to over 20 books that I've done

614

00:27:51,540 --> 00:27:49,600

illustrations for and all those books

615

00:27:54,270 --> 00:27:51,550

have an you know mountaineering

616

00:27:56,640 --> 00:27:54,280

backpacking skiing climbing theme I was

617

00:27:58,680 --> 00:27:56,650

doing that was my bread and butter for

618

00:28:01,080 --> 00:27:58,690

you know over a decade was doing those

619

00:28:03,000 --> 00:28:01,090

kind of illustrations that got all

620

00:28:05,190 --> 00:28:03,010

completely sidetracked when I started

621

00:28:07,050 --> 00:28:05,200

when I fell into UFO research but um

622

00:28:08,400 --> 00:28:07,060

yeah you know honestly it doesn't cross

623

00:28:09,690 --> 00:28:08,410

over at all every once in a while

624

00:28:11,610 --> 00:28:09,700

someone will say are you the same

625

00:28:13,590 --> 00:28:11,620

myclone that did the the you know the

626  
00:28:15,210 --> 00:28:13,600  
cartoon ski book and I'm like yep that's

627  
00:28:17,210 --> 00:28:15,220  
me they're like it's really interesting

628  
00:28:20,040 --> 00:28:17,220  
idea I got high of both those books so

629  
00:28:21,900 --> 00:28:20,050  
it's more that the people who have the

630  
00:28:25,200 --> 00:28:21,910  
UFO books excuse me to have the

631  
00:28:27,240 --> 00:28:25,210  
backpacking books will occasionally get

632  
00:28:29,220 --> 00:28:27,250  
it at UFO bouken and then realize that

633  
00:28:32,700 --> 00:28:29,230  
I'm the same the same guy so yeah

634  
00:28:35,220 --> 00:28:32,710  
there's almost no crossover at all all

635  
00:28:40,170 --> 00:28:35,230  
right so walk us through then I mean

636  
00:28:42,270 --> 00:28:40,180  
what was the catalyst then that started

637  
00:28:45,540 --> 00:28:42,280  
you on the path that eventually led to

638  
00:28:47,930 --> 00:28:45,550

the book the messengers the hold the

639

00:28:53,700 --> 00:28:47,940

owls and synchronicity

640

00:28:55,710 --> 00:28:53,710

the catalyst was a so along with that

641

00:28:58,200 --> 00:28:55,720

UFO sighting I had a missing time

642

00:29:00,750 --> 00:28:58,210

experience when I was right around that

643

00:29:02,670 --> 00:29:00,760

same age about two hours really an

644

00:29:05,160 --> 00:29:02,680

unusual light in the nighttime sky it

645

00:29:07,980 --> 00:29:05,170

felt like a God switch to flip the light

646

00:29:10,350 --> 00:29:07,990

switch and turned the sky bright orange

647

00:29:12,360 --> 00:29:10,360

for one second and click turn it right

648

00:29:13,860 --> 00:29:12,370

back off and then I got home and I was

649

00:29:14,880 --> 00:29:13,870

parents from it mom and dad were mad at

650

00:29:16,890 --> 00:29:14,890

me and like what do you mad at me for

651  
00:29:18,720 --> 00:29:16,900  
and like I'm home on time and they're

652  
00:29:20,280 --> 00:29:18,730  
like you or not it's 11:30 at night and

653  
00:29:26,190 --> 00:29:20,290  
it wasn't it should have been 9:30 at

654  
00:29:31,500 --> 00:29:26,200  
night um so and then I had a when I was

655  
00:29:38,640 --> 00:29:31,510  
30 which was now it's good grief that's

656  
00:29:39,660 --> 00:29:38,650  
25 years ago now um I had a I woke up in

657  
00:29:41,070 --> 00:29:39,670  
the middle of the night and sat up in

658  
00:29:43,650 --> 00:29:41,080  
bed and looked out the window and there

659  
00:29:45,990 --> 00:29:43,660  
were five grey aliens backlit by this

660  
00:29:47,250 --> 00:29:46,000  
really bright light in my yard I'm

661  
00:29:48,420 --> 00:29:47,260  
saying it kind of whimsically now

662  
00:29:50,430 --> 00:29:48,430  
because I've told this story so many

663  
00:29:54,870 --> 00:29:50,440

times but it was pretty unsettling at

664

00:29:56,550 --> 00:29:54,880

the time I have to say and that and then

665

00:29:58,590 --> 00:29:56,560

I heard a voice in my head that said now

666

00:30:00,419 --> 00:29:58,600

is the time to put your head on the

667

00:30:02,130 --> 00:30:00,429

hello and shut down and that's exactly

668

00:30:03,720 --> 00:30:02,140

what I did and I should have panicked I

669

00:30:06,390 --> 00:30:03,730

should have locked the doors I should

670

00:30:07,560 --> 00:30:06,400

have done anything except calmly go back

671

00:30:09,600 --> 00:30:07,570

to sleep

672

00:30:11,370 --> 00:30:09,610

the next morning I dismissed it all as a

673

00:30:13,799 --> 00:30:11,380

dream and never even went outside to see

674

00:30:17,340 --> 00:30:13,809

if there were footprints in the snow so

675

00:30:21,270 --> 00:30:17,350

those experiences were kind of simmering

676

00:30:23,250 --> 00:30:21,280

in my you know they had been at the you

677

00:30:24,330 --> 00:30:23,260

know on the back burner mm-hmm kind of

678

00:30:26,850 --> 00:30:24,340

pulled him up towards the front burner

679

00:30:29,730 --> 00:30:26,860

by the about 2006 that's when I was 45

680

00:30:32,250 --> 00:30:29,740

years old or so that's 10 years ago 44

681

00:30:34,890 --> 00:30:32,260

years ago we have 44 years old of 10 11

682

00:30:36,990 --> 00:30:34,900

years ago and I went out camping for one

683

00:30:38,310 --> 00:30:37,000

night with with a friend an acquaintance

684

00:30:40,470 --> 00:30:38,320

someone I really didn't know I was

685

00:30:43,500 --> 00:30:40,480

living near a Grand Teton National Park

686

00:30:44,730 --> 00:30:43,510

in Yellowstone and you know it's this

687

00:30:46,260 --> 00:30:44,740

kind of thing you do you just go out and

688

00:30:47,520 --> 00:30:46,270

lovely weather you just let spend a

689

00:30:48,659 --> 00:30:47,530

night in the mountains yeah let's run

690

00:30:50,760 --> 00:30:48,669

out there so you just take his little

691

00:30:52,200 --> 00:30:50,770

gear as you can and you hike fast you

692

00:30:54,240 --> 00:30:52,210

get to a beautiful spot sleep under the

693

00:30:56,760 --> 00:30:54,250

stars you turn around the next morning

694

00:31:00,720 --> 00:30:56,770

and come back and it's just so rewarding

695

00:31:02,490 --> 00:31:00,730

and I loved it I loved it and um and I

696

00:31:04,500 --> 00:31:02,500

invited this friend her name was Kristin

697

00:31:06,270 --> 00:31:04,510

as I said I hardly knew her at all I

698

00:31:08,909 --> 00:31:06,280

said we should go out camping for one

699

00:31:13,169 --> 00:31:08,919

night and we did and we she and I were

700

00:31:14,370 --> 00:31:13,179

sitting down and talking about well this

701  
00:31:15,779 --> 00:31:14,380  
is interesting cuz she was talking about

702  
00:31:17,130 --> 00:31:15,789  
something and at the moment in the

703  
00:31:19,340 --> 00:31:17,140  
moment that this is really interesting

704  
00:31:22,620 --> 00:31:19,350  
this is really powerful I'm really

705  
00:31:24,000 --> 00:31:22,630  
impressed like I didn't expect this so

706  
00:31:27,690 --> 00:31:24,010  
stranger I didn't expect her to be

707  
00:31:29,399 --> 00:31:27,700  
talking about something so powerful and

708  
00:31:31,320 --> 00:31:29,409  
at that moment an owl flew over us and

709  
00:31:35,010 --> 00:31:31,330  
then another owl and then a third owl

710  
00:31:37,590 --> 00:31:35,020  
and for the next well over an hour these

711  
00:31:39,810 --> 00:31:37,600  
owls flew above us and the Sun said and

712  
00:31:41,610 --> 00:31:39,820  
the moon rose and it was gorgeous and we

713  
00:31:43,919 --> 00:31:41,620

lied we were laying down on our backs

714

00:31:44,940 --> 00:31:43,929

looking up at the sky just no shelter it

715

00:31:48,419 --> 00:31:44,950

was beautiful calm night in the

716

00:31:50,610 --> 00:31:48,429

mountains and these owls would like

717

00:31:53,220 --> 00:31:50,620

swooped right right across our faces and

718

00:31:57,299 --> 00:31:53,230

blot the Stars out for just one second

719

00:31:58,830 --> 00:31:57,309

it was really magical few days

720

00:32:00,450 --> 00:31:58,840

afterwards would be like wow that was

721

00:32:01,770 --> 00:32:00,460

really great let's and I said listen if

722

00:32:02,970 --> 00:32:01,780

I ever go camping again I do this all

723

00:32:05,250 --> 00:32:02,980

the time I'll just give you a call she

724

00:32:06,720 --> 00:32:05,260

said you give me a call please so I

725

00:32:08,970 --> 00:32:06,730

called her a few days later and the same

726  
00:32:11,130 --> 00:32:08,980  
thing happened it's something that three

727  
00:32:11,990 --> 00:32:11,140  
owls flew above us landed near us this

728  
00:32:16,610 --> 00:32:12,000  
time

729  
00:32:18,890 --> 00:32:16,620  
like invaded our personal space let me

730  
00:32:21,440 --> 00:32:18,900  
put it that way I'm they were right up

731  
00:32:23,510 --> 00:32:21,450  
next to us they landed right up next to

732  
00:32:24,890 --> 00:32:23,520  
us it felt like you know felt like the

733  
00:32:26,270 --> 00:32:24,900  
universe was saying like hey you dummy

734  
00:32:28,190 --> 00:32:26,280  
you know like you didn't get the message

735  
00:32:30,290 --> 00:32:28,200  
of first time like you know like so

736  
00:32:31,940 --> 00:32:30,300  
these and I'm convinced as silly as this

737  
00:32:33,950 --> 00:32:31,950  
sounds I'm convinced it's the same three

738  
00:32:38,420 --> 00:32:33,960

owls we were in a completely different

739

00:32:40,580 --> 00:32:38,430

part of the mountains now I never said

740

00:32:43,100 --> 00:32:40,590

it then I'm saying it now in the moment

741

00:32:45,820 --> 00:32:43,110

both times seeing those owls I had a

742

00:32:48,380 --> 00:32:45,830

thought in my head as clear as a bell

743

00:32:50,630 --> 00:32:48,390

that said this has something to do with

744

00:32:54,680 --> 00:32:50,640

the UFOs so you asked what the catalyst

745

00:32:56,030 --> 00:32:54,690

was after these events I started looking

746

00:32:58,220 --> 00:32:56,040

into my own experiences you know my

747

00:33:00,770 --> 00:32:58,230

those UFO experiences and the beings out

748

00:33:05,000 --> 00:33:00,780

the window and the missing time all were

749

00:33:07,880 --> 00:33:05,010

just like a simmering pot on the stove

750

00:33:09,080 --> 00:33:07,890

and the and at that point the lid

751

00:33:10,610 --> 00:33:09,090

started a rattle

752

00:33:12,380 --> 00:33:10,620

you know the boiling got a little more

753

00:33:14,360 --> 00:33:12,390

oppressive and I had to deal with it and

754

00:33:16,190 --> 00:33:14,370

that's so you ask the catalyst the

755

00:33:18,380 --> 00:33:16,200

catalyst was seeing those owls there's

756

00:33:21,770 --> 00:33:18,390

no UFOs in the story but that was the

757

00:33:23,690 --> 00:33:21,780

catalyst now I started an online blog

758

00:33:26,180 --> 00:33:23,700

worded my initial posts were all about

759

00:33:27,440 --> 00:33:26,190

you know synchronicities and I wrote

760

00:33:28,850 --> 00:33:27,450

that story that I just told that you

761

00:33:32,060 --> 00:33:28,860

told you with the one with seeing the

762

00:33:34,460 --> 00:33:32,070

owls with this woman Kristen and then

763

00:33:36,500 --> 00:33:34,470

after I posted it I got back to her and

764

00:33:38,270 --> 00:33:36,510

I said listen what were we talking about

765

00:33:41,690 --> 00:33:38,280

in that moment right before we saw the

766

00:33:43,040 --> 00:33:41,700

first owl on that first night and she

767

00:33:45,080 --> 00:33:43,050

said oh I remember exactly what I was

768

00:33:47,750 --> 00:33:45,090

talking about I was trying to give my

769

00:33:51,230 --> 00:33:47,760

most heartfelt definition of what God

770

00:33:53,300 --> 00:33:51,240

means to me and this is like one of

771

00:33:54,350 --> 00:33:53,310

those details I mean soon was started

772

00:33:56,330 --> 00:33:54,360

talking about the Stewie gets these

773

00:33:59,030 --> 00:33:56,340

details that there's this weird aspect

774

00:34:01,460 --> 00:33:59,040

to it that kind of that kind of our way

775

00:34:03,230 --> 00:34:01,470

out of out of out beyond the boundaries

776

00:34:06,230 --> 00:34:03,240

of what would be a you know like a nuts

777

00:34:09,560 --> 00:34:06,240

and bolts experience there's something

778

00:34:13,280 --> 00:34:09,570

more bizarre more mystical going on so

779

00:34:15,169 --> 00:34:13,290

so that detail about and I'm not like at

780

00:34:19,280 --> 00:34:15,179

all churchy or any in any way shape or

781

00:34:21,379 --> 00:34:19,290

form but I did I did realize and and

782

00:34:24,930 --> 00:34:21,389

understand that this had something to do

783

00:34:26,430 --> 00:34:24,940

with with something much

784

00:34:27,990 --> 00:34:26,440

more mystical right in the moment in

785

00:34:30,599 --> 00:34:28,000

those two events those two separate

786

00:34:33,960 --> 00:34:30,609

camping trips for days apart

787

00:34:36,419 --> 00:34:33,970

three owls each time like pushed me off

788

00:34:38,849 --> 00:34:36,429

a cliff I was suddenly confronted with

789

00:34:41,490 --> 00:34:38,859

so many synchronicities in so many owl

790

00:34:43,290 --> 00:34:41,500

sightings I spent a few years like

791

00:34:45,210 --> 00:34:43,300

really questioning my sanity the stuff

792

00:34:48,210 --> 00:34:45,220

was coming in so hard and so fast and

793

00:34:49,619 --> 00:34:48,220

and during that time I started to do UFO

794

00:34:52,440 --> 00:34:49,629

research and part of the research was on

795

00:34:54,300 --> 00:34:52,450

myself and every person I would ask I

796

00:34:58,849 --> 00:34:54,310

would ask the same question I say hey

797

00:35:01,770 --> 00:34:58,859

Jim any experiences with owls and and um

798

00:35:02,910 --> 00:35:01,780

not 100% obviously but enough that

799

00:35:04,349 --> 00:35:02,920

there's a pattern people would say you

800

00:35:05,700 --> 00:35:04,359

know that's funny no one really has ever

801  
00:35:07,020 --> 00:35:05,710  
really asked me and I here's a weird

802  
00:35:08,670 --> 00:35:07,030  
story and they would tell me these

803  
00:35:10,559 --> 00:35:08,680  
strange stories and I started collecting

804  
00:35:11,880 --> 00:35:10,569  
these stories and documenting them and

805  
00:35:14,130 --> 00:35:11,890  
archiving them and that eventually

806  
00:35:15,930 --> 00:35:14,140  
became the big fat book that um the

807  
00:35:18,359 --> 00:35:15,940  
messengers with all done all stories in

808  
00:35:22,260 --> 00:35:18,369  
it which fantastic book by the way I

809  
00:35:25,530 --> 00:35:22,270  
should mention okay for for listeners

810  
00:35:30,000 --> 00:35:25,540  
out there who may not have spent any

811  
00:35:33,329 --> 00:35:30,010  
time you know outdoors how often does

812  
00:35:34,800 --> 00:35:33,339  
somebody actually see how oh well I mean

813  
00:35:36,780 --> 00:35:34,810

sure people see owls all the time in

814

00:35:39,930 --> 00:35:36,790

their here very common birds I mean

815

00:35:42,540 --> 00:35:39,940

they're yeah but okay how often do you

816

00:35:46,140 --> 00:35:42,550

see them flying overhead you know three

817

00:35:49,109 --> 00:35:46,150

at a time like you said you know yeah

818

00:35:50,460 --> 00:35:49,119

well to see him three at a time four

819

00:35:53,040 --> 00:35:50,470

days in a row and I did actually talk to

820

00:35:54,329 --> 00:35:53,050

an alibi ologist one time and I in and I

821

00:35:57,480 --> 00:35:54,339

explained the story to him and he

822

00:35:59,400 --> 00:35:57,490

actually kind of did the thing like I

823

00:36:00,930 --> 00:35:59,410

was the crazy uncle at the family you

824

00:36:02,250 --> 00:36:00,940

know at the family uh you know

825

00:36:03,990 --> 00:36:02,260

Thanksgiving dinner you know like he

826  
00:36:06,630 --> 00:36:04,000  
kinda you could see him kind of backing

827  
00:36:08,309 --> 00:36:06,640  
away like like you know who is this guy

828  
00:36:11,849 --> 00:36:08,319  
why is he telling me this mumbo jumbo

829  
00:36:14,010 --> 00:36:11,859  
when like this is simply not possible um

830  
00:36:15,540 --> 00:36:14,020  
and that's when I kind of you know

831  
00:36:16,710 --> 00:36:15,550  
people will say like oh my god I was

832  
00:36:19,200 --> 00:36:16,720  
like driving down the road and I saw an

833  
00:36:21,120 --> 00:36:19,210  
owl in a tree branch and like well yeah

834  
00:36:23,550 --> 00:36:21,130  
that happens don't you know don't don't

835  
00:36:25,370 --> 00:36:23,560  
start a new religion over that one but I

836  
00:36:28,109 --> 00:36:25,380  
do say that whether that what what I

837  
00:36:30,059 --> 00:36:28,119  
what I will say is that you know what do

838  
00:36:31,770 --> 00:36:30,069

they happen at highly charged moments

839

00:36:33,000 --> 00:36:31,780

mmm you know what was going on right

840

00:36:36,240 --> 00:36:33,010

before your sighting what was going on

841

00:36:37,770 --> 00:36:36,250

right after it comes right after it the

842

00:36:38,730 --> 00:36:37,780

people will say oh and then a UFO flew

843

00:36:41,400 --> 00:36:38,740

over the flow

844

00:36:44,460 --> 00:36:41,410

and that uh I'm not uncommon that is

845

00:36:46,579 --> 00:36:44,470

very common well I was you know the

846

00:36:50,160 --> 00:36:46,589

reason I ask that is because you know I

847

00:36:53,579 --> 00:36:50,170

lived in a rural areas probably most of

848

00:36:56,070 --> 00:36:53,589

my life and probably can count on one

849

00:36:58,589 --> 00:36:56,080

hand how many times I have you know

850

00:37:01,380 --> 00:36:58,599

physically seen and how now it'll

851  
00:37:05,099 --> 00:37:01,390  
naturally herd them plenty of times but

852  
00:37:08,900 --> 00:37:05,109  
to see more than one at a time or you

853  
00:37:12,720 --> 00:37:08,910  
know like like you said you know under

854  
00:37:15,540 --> 00:37:12,730  
you know different situations that is

855  
00:37:17,220 --> 00:37:15,550  
extremely rare correct yeah it is

856  
00:37:18,750 --> 00:37:17,230  
extremely rare they do they do bunch up

857  
00:37:21,270 --> 00:37:18,760  
every once in a while and and and it's

858  
00:37:23,390 --> 00:37:21,280  
you know it's not impossible but yes it

859  
00:37:27,060 --> 00:37:23,400  
is very rare in the know the issue that

860  
00:37:29,490 --> 00:37:27,070  
now that so for me that the this whole

861  
00:37:31,230 --> 00:37:29,500  
story revolves around I mean I could

862  
00:37:34,620 --> 00:37:31,240  
dismiss it outright if it hadn't been

863  
00:37:36,720 --> 00:37:34,630

for Kristen saying they appeared right

864

00:37:39,120 --> 00:37:36,730

when she mentioned her deepest beliefs

865

00:37:41,579 --> 00:37:39,130

about God and I will also have to

866

00:37:43,740 --> 00:37:41,589

mention that I am like no fool in that

867

00:37:47,010 --> 00:37:43,750

that voice in my head that said this has

868

00:37:48,450 --> 00:37:47,020

something to do with the UFOs like I

869

00:37:49,950 --> 00:37:48,460

pulled on that thread right and if there

870

00:37:51,000 --> 00:37:49,960

was nothing to do with the UFOs I would

871

00:37:52,020 --> 00:37:51,010

have just pulled on the thread there

872

00:37:53,070 --> 00:37:52,030

would have been nothing at the other end

873

00:37:54,839 --> 00:37:53,080

of it right I just would have gone home

874

00:37:56,880 --> 00:37:54,849

well there's no nothing showing up here

875

00:37:59,490 --> 00:37:56,890

I don't have any that's not what

876

00:38:01,050 --> 00:37:59,500

happened I started pulling on that

877

00:38:05,370 --> 00:38:01,060

thread I started asking people about all

878

00:38:07,260 --> 00:38:05,380

experiences and I am like flooded like I

879

00:38:10,500 --> 00:38:07,270

feel like I like the dam burst and I'm

880

00:38:13,020 --> 00:38:10,510

just like I got more weird owl and UFO

881

00:38:15,900 --> 00:38:13,030

stories then I know what to do with and

882

00:38:17,579 --> 00:38:15,910

now so there's that one aspect of the

883

00:38:22,020 --> 00:38:17,589

the issue right you talk to someone like

884

00:38:24,450 --> 00:38:22,030

Budd Hopkins or Dave Jacobs or any UFO

885

00:38:26,670 --> 00:38:24,460

researcher abduction researcher Yvonne

886

00:38:28,770 --> 00:38:26,680

Smith they would all yes then do you

887

00:38:30,180 --> 00:38:28,780

have any all stories and your archives

888

00:38:31,589 --> 00:38:30,190

and they'll say oh absolutely we get

889

00:38:33,300 --> 00:38:31,599

them all the time and what they describe

890

00:38:35,250 --> 00:38:33,310

is people seeing a four-foot tall tall

891

00:38:36,720 --> 00:38:35,260

owl on the side of the road and they

892

00:38:38,070 --> 00:38:36,730

drive past this owl it seems very

893

00:38:41,579 --> 00:38:38,080

unusual they get home and they're two

894

00:38:43,050 --> 00:38:41,589

hours late there's no such thing as a

895

00:38:45,329 --> 00:38:43,060

four-foot tall owl and that's what

896

00:38:46,740 --> 00:38:45,339

people are reporting under hypnosis well

897

00:38:50,670 --> 00:38:46,750

I think in point in Point Pleasant

898

00:38:52,530 --> 00:38:50,680

through was the Mothman yes so then you

899

00:38:54,510 --> 00:38:52,540

start pulling on that thread

900

00:38:56,010 --> 00:38:54,520

and then there's you know no that was

901  
00:38:58,440 --> 00:38:56,020  
actually what they tried to dismiss the

902  
00:38:59,820 --> 00:38:58,450  
the Mothman sightings initially the

903  
00:39:02,130 --> 00:38:59,830  
debunkers said no they people were just

904  
00:39:03,600 --> 00:39:02,140  
seeing a great big owl um and that's

905  
00:39:05,370 --> 00:39:03,610  
interesting because I mean I'll show up

906  
00:39:07,530 --> 00:39:05,380  
at night they're spooky they're there

907  
00:39:10,140 --> 00:39:07,540  
it's kind of the part of any kind of

908  
00:39:11,970 --> 00:39:10,150  
scary ghost movie and you hear an owl

909  
00:39:13,890 --> 00:39:11,980  
hooting or there'll be an owl off in the

910  
00:39:17,730 --> 00:39:13,900  
distance or something so yeah I will

911  
00:39:19,500 --> 00:39:17,740  
have that lure associated with them you

912  
00:39:20,580 --> 00:39:19,510  
know not even in mythology which they

913  
00:39:22,110 --> 00:39:20,590

certainly have that lower but just in

914

00:39:25,290 --> 00:39:22,120

our pop culture you know little kids at

915

00:39:27,090 --> 00:39:25,300

Halloween you know put a thumbtack you

916

00:39:28,800 --> 00:39:27,100

know a little cardboard owls up onto the

917

00:39:32,250 --> 00:39:28,810

bulletin board at their you know

918

00:39:34,530 --> 00:39:32,260

kindergarten class know if anybody's

919

00:39:35,550 --> 00:39:34,540

ever heard a screech owl in the middle

920

00:39:37,820 --> 00:39:35,560

of the night and I've never heard a

921

00:39:41,160 --> 00:39:37,830

screech owl before that'll certainly

922

00:39:43,290 --> 00:39:41,170

raise the hair on the back and your neck

923

00:39:48,240 --> 00:39:43,300

and as well a barred owl barred all

924

00:39:50,850 --> 00:39:48,250

sound like you've written about the the

925

00:39:54,060 --> 00:39:50,860

elves and the synchronicities and all

926

00:39:58,200 --> 00:39:54,070

that but what is your thinking on it I

927

00:40:00,150 --> 00:39:58,210

mean what do these are these owls the

928

00:40:02,100 --> 00:40:00,160

occupants of UFOs taking on different I

929

00:40:04,440 --> 00:40:02,110

mean like what what what is going on

930

00:40:07,470 --> 00:40:04,450

here why why the owls and why do people

931

00:40:10,520 --> 00:40:07,480

see Al's as opposed to leopards and

932

00:40:13,950 --> 00:40:10,530

tigers or maybe they see those two

933

00:40:16,410 --> 00:40:13,960

certainly yeah there's so this is you've

934

00:40:19,350 --> 00:40:16,420

asked the question that took me 400

935

00:40:21,230 --> 00:40:19,360

pages to try to untangle and I and at

936

00:40:28,140 --> 00:40:21,240

the end I basically say I don't know but

937

00:40:30,810 --> 00:40:28,150

I'll do the best I can so the owl I am

938

00:40:34,290 --> 00:40:30,820

as like a as I so this is you know you

939

00:40:36,120 --> 00:40:34,300

up for me like I went into this kind of

940

00:40:37,440 --> 00:40:36,130

in am nuts and bolts headset yeah head

941

00:40:39,540 --> 00:40:37,450

frame right so I was kind of like

942

00:40:41,010 --> 00:40:39,550

stepped in like I was like you know

943

00:40:44,040 --> 00:40:41,020

there's metal spaceships out there and

944

00:40:46,050 --> 00:40:44,050

stuff that all crumbled over the years

945

00:40:47,850 --> 00:40:46,060

of doing the research and now I want to

946

00:40:49,560 --> 00:40:47,860

basically did is I have to take my you

947

00:40:51,990 --> 00:40:49,570

notes you have to take my UFO research

948

00:40:53,640 --> 00:40:52,000

researcher hat off and I have to put my

949

00:40:55,440 --> 00:40:53,650

shaman hat off like I kinda have to

950

00:40:56,850 --> 00:40:55,450

pretend like I'm the guy at the lives in

951  
00:40:57,840 --> 00:40:56,860  
the tepee at the edge of the village and

952  
00:41:00,630 --> 00:40:57,850  
if someone has a mystical experience

953  
00:41:02,880 --> 00:41:00,640  
they come to the shaman and and and they

954  
00:41:06,420 --> 00:41:02,890  
seek help so

955  
00:41:10,650 --> 00:41:06,430  
is it seems to be more of a shamanistic

956  
00:41:13,950 --> 00:41:10,660  
kind of totem animal making an

957  
00:41:15,510 --> 00:41:13,960  
appearance for some reason right people

958  
00:41:17,640 --> 00:41:15,520  
are describing real owls they say like

959  
00:41:19,200 --> 00:41:17,650  
they you know like okay ice UFO flew

960  
00:41:22,740 --> 00:41:19,210  
overhead right beforehand I saw an owl

961  
00:41:24,780 --> 00:41:22,750  
on a branch that's right have they left

962  
00:41:27,240 --> 00:41:24,790  
behind physical evidence like feathers

963  
00:41:28,530 --> 00:41:27,250

and stuff um you know actually that's

964

00:41:30,090 --> 00:41:28,540

really too I mean there's a few a few

965

00:41:32,670 --> 00:41:30,100

cases I have where people have found

966

00:41:34,470 --> 00:41:32,680

feathers yes so yes so they certainly

967

00:41:35,760 --> 00:41:34,480

could be an apparition but people are

968

00:41:37,710 --> 00:41:35,770

describing something very

969

00:41:40,590 --> 00:41:37,720

straightforward and very plain no now do

970

00:41:43,560 --> 00:41:40,600

they do they all look identical I mean

971

00:41:46,110 --> 00:41:43,570

are they these house like duple gangers

972

00:41:49,500 --> 00:41:46,120

or are could they be I don't know what

973

00:41:51,780 --> 00:41:49,510

color a brown and gray and why you know

974

00:41:53,070 --> 00:41:51,790

I'm you know I've been very tribe and

975

00:41:54,360 --> 00:41:53,080

tried to pull on those threads do you

976  
00:41:56,040 --> 00:41:54,370  
know people describe the owls that are

977  
00:41:57,810 --> 00:41:56,050  
in their area there's big owls and small

978  
00:42:00,360 --> 00:41:57,820  
owls some people see very tiny there's a

979  
00:42:03,480 --> 00:42:00,370  
lot of very tiny owls that are all I can

980  
00:42:05,250 --> 00:42:03,490  
say all I can say is what a hoot yes yes

981  
00:42:11,610 --> 00:42:05,260  
I've heard you I was somewhat happy yes

982  
00:42:13,920 --> 00:42:11,620  
yes and I hate doing this I have a lot

983  
00:42:15,720 --> 00:42:13,930  
of owl mugs now people say oh I found

984  
00:42:17,850 --> 00:42:15,730  
this Alama I bought it for you so I'm

985  
00:42:18,900 --> 00:42:17,860  
like I'm like on my shelf I have a lot

986  
00:42:24,060 --> 00:42:18,910  
of home Luck's and a lot of old

987  
00:42:26,970 --> 00:42:24,070  
knickknacks no tchotchkes so the answer

988  
00:42:32,100 --> 00:42:26,980

is you know there's something at play

989

00:42:34,500 --> 00:42:32,110

here where an archetypal animal right

990

00:42:36,330 --> 00:42:34,510

the owl is just seeped with mythology

991

00:42:40,070 --> 00:42:36,340

and the mythology of the owl all

992

00:42:44,610 --> 00:42:40,080

throughout the ages is that they can

993

00:42:46,170 --> 00:42:44,620

they can travel to the other realms

994

00:42:47,550 --> 00:42:46,180

right so owls fly at night you know

995

00:42:50,340 --> 00:42:47,560

ancient man would have recognized that

996

00:42:52,710 --> 00:42:50,350

that soon becomes a metaphor for

997

00:42:54,600 --> 00:42:52,720

traveling into the darkness into other

998

00:42:56,400 --> 00:42:54,610

realms into the land of the dead into

999

00:43:00,150 --> 00:42:56,410

the land of the gods into those other

1000

00:43:02,160 --> 00:43:00,160

realms that we can't reach so you follow

1001  
00:43:04,950 --> 00:43:02,170  
that logic the Owls come back with a

1002  
00:43:08,340 --> 00:43:04,960  
message now this is this is straight out

1003  
00:43:10,680 --> 00:43:08,350  
of Harry Potter Harry Potter has an owl

1004  
00:43:12,690 --> 00:43:10,690  
that delivers the mail it's perfect it's

1005  
00:43:14,970 --> 00:43:12,700  
a it's a here's we ever we have ancient

1006  
00:43:16,500 --> 00:43:14,980  
mythologies and we have a modern

1007  
00:43:18,810 --> 00:43:16,510  
mythology in the form of Hatter

1008  
00:43:20,640 --> 00:43:18,820  
Harry Potter where an owl delivers the

1009  
00:43:24,480 --> 00:43:20,650  
mail it's a messenger it's perfect

1010  
00:43:26,160 --> 00:43:24,490  
that's that's what I say when I said I

1011  
00:43:28,170 --> 00:43:26,170  
heard a voice in my head I said I got a

1012  
00:43:32,220 --> 00:43:28,180  
message that said these owls have

1013  
00:43:38,100 --> 00:43:32,230

something to do with UFOs so so there's

1014

00:43:41,940 --> 00:43:38,110

a there's an ancient mythology in place

1015

00:43:45,120 --> 00:43:41,950

and I argue that those those what what

1016

00:43:47,970 --> 00:43:45,130

created that ancient mythology is were

1017

00:43:50,850 --> 00:43:47,980

real experiences that that sort of

1018

00:43:53,610 --> 00:43:50,860

percolate it into the collective and and

1019

00:43:59,490 --> 00:43:53,620

then these mythologies welled up out of

1020

00:44:01,620 --> 00:43:59,500

those real experiences so the owl it's

1021

00:44:03,030 --> 00:44:01,630

not just UFOs that's one of a

1022

00:44:04,530 --> 00:44:03,040

highly-charged Mountain things that they

1023

00:44:06,180 --> 00:44:04,540

and that's the core of that my research

1024

00:44:09,710 --> 00:44:06,190

has been the UFO stuff but I'll show up

1025

00:44:12,690 --> 00:44:09,720

around death I'll show up around um

1026  
00:44:15,260 --> 00:44:12,700  
meditation I'll show up around people

1027  
00:44:18,620 --> 00:44:15,270  
taking psychedelic drugs like mushrooms

1028  
00:44:20,970 --> 00:44:18,630  
and so these are all kind of

1029  
00:44:22,950 --> 00:44:20,980  
transformative experiences shamanic

1030  
00:44:25,440 --> 00:44:22,960  
initiation I will show up around oh

1031  
00:44:26,880 --> 00:44:25,450  
that's very very common you talk to

1032  
00:44:28,470 --> 00:44:26,890  
people who go through a you know big

1033  
00:44:29,490 --> 00:44:28,480  
want to become a shaman and go through

1034  
00:44:32,330 --> 00:44:29,500  
the initiation process

1035  
00:44:36,060 --> 00:44:32,340  
owls seem to show up in their lives so

1036  
00:44:38,520 --> 00:44:36,070  
the you know you follow that logic you

1037  
00:44:40,200 --> 00:44:38,530  
know are all is is UFO contact a

1038  
00:44:42,960 --> 00:44:40,210

shamanic initiation is a form of

1039

00:44:44,880 --> 00:44:42,970

meditation you know so I'm struggling

1040

00:44:46,950 --> 00:44:44,890

and wrestling with all these questions

1041

00:44:49,020 --> 00:44:46,960

and I wish I could come up with a clean

1042

00:44:52,770 --> 00:44:49,030

tidy answer and the best I can do is

1043

00:44:54,660 --> 00:44:52,780

that there there is some connection

1044

00:44:57,990 --> 00:44:54,670

between owls and these highly charged

1045

00:45:00,150 --> 00:44:58,000

experiences but with this kind of

1046

00:45:03,480 --> 00:45:00,160

phenomena there is no clean and tidy

1047

00:45:06,270 --> 00:45:03,490

answers i I think you know we've as a

1048

00:45:10,020 --> 00:45:06,280

species we've struggled for eons trying

1049

00:45:12,870 --> 00:45:10,030

to find these these clean and tidy

1050

00:45:14,460 --> 00:45:12,880

answers and they're not there we're not

1051

00:45:15,810 --> 00:45:14,470

we're not answer you know we're not

1052

00:45:17,820 --> 00:45:15,820

asking the right questions and I don't

1053

00:45:20,730 --> 00:45:17,830

think we're capable of asking the right

1054

00:45:24,450 --> 00:45:20,740

questions at least not at this point you

1055

00:45:27,150 --> 00:45:24,460

know in in in our development but but

1056

00:45:28,720 --> 00:45:27,160

once again though I mean I find it

1057

00:45:34,380 --> 00:45:28,730

interesting how

1058

00:45:38,560 --> 00:45:34,390

we are seen these these extremely old

1059

00:45:43,390 --> 00:45:38,570

ancient mythologies coming forth again

1060

00:45:46,930 --> 00:45:43,400

in taking on a modern veneer the the

1061

00:45:51,430 --> 00:45:46,940

owl's as a messenger somehow involved

1062

00:45:54,490 --> 00:45:51,440

with the UFO phenomena you know uh 300

1063

00:45:58,810 --> 00:45:54,500

years ago you know people may attribute

1064

00:46:01,480 --> 00:45:58,820

this as as you know you know messages

1065

00:46:04,990 --> 00:46:01,490

from you know the from the angels or

1066

00:46:07,270 --> 00:46:05,000

demons depending on you know what how

1067

00:46:10,180 --> 00:46:07,280

you how you looked at things now we're

1068

00:46:16,420 --> 00:46:10,190

seeing it as you know some kind of

1069

00:46:17,530 --> 00:46:16,430

connection with with UFOs absolutely you

1070

00:46:20,140 --> 00:46:17,540

know when I was working on the book I

1071

00:46:21,430 --> 00:46:20,150

would I would um people say so what are

1072

00:46:23,740 --> 00:46:21,440

you working on and I'd have to size them

1073

00:46:25,810 --> 00:46:23,750

up you know like you know like oh my god

1074

00:46:27,579 --> 00:46:25,820

there are you like open the can of worms

1075

00:46:29,470 --> 00:46:27,589

about UFOs so I would kind of say um you

1076  
00:46:34,450 --> 00:46:29,480  
know I'm working on a book on mythology

1077  
00:46:36,579 --> 00:46:34,460  
I'm like oh that's interesting yeah you

1078  
00:46:38,050 --> 00:46:36,589  
don't have to you don't like say so the

1079  
00:46:39,790 --> 00:46:38,060  
night then I Sam do tuned a book on owl

1080  
00:46:41,859 --> 00:46:39,800  
mythology and I can talk forever like

1081  
00:46:43,270 --> 00:46:41,869  
going on and on and drone on and on for

1082  
00:46:46,450 --> 00:46:43,280  
a long time about just a mythological

1083  
00:46:50,079 --> 00:46:46,460  
aspects and and as I said I argue that

1084  
00:46:53,260 --> 00:46:50,089  
the same you got you got your eyes wide

1085  
00:46:57,130 --> 00:46:53,270  
open on this yeah yeah big yeah and I

1086  
00:46:58,870 --> 00:46:57,140  
can peering into the darkness yes so so

1087  
00:47:01,660 --> 00:46:58,880  
I basically argue that they could be

1088  
00:47:02,930 --> 00:47:01,670

seen come here comes the Sandman but

1089

00:47:10,690 --> 00:47:02,940

we'll be back with this

1090

00:47:10,700 --> 00:47:15,480

[Music]

1091

00:47:22,430 --> 00:47:19,770

explore the bazaars are your e-ticket

1092

00:47:25,710 --> 00:47:22,440

ride into the world of the paranormal

1093

00:47:30,020 --> 00:47:25,720

strap yourself in as we traverse the

1094

00:47:33,140 --> 00:47:30,030

universe exploring the unexplained UFO s

1095

00:47:35,520 --> 00:47:33,150

ghosts Lost Worlds

1096

00:47:39,390 --> 00:47:35,530

cryptozoology ones as well as other

1097

00:47:44,520 --> 00:47:39,400

dimensions it's time to take back the

1098

00:47:47,670 --> 00:47:44,530

night now your electrifying hosts of

1099

00:47:54,210 --> 00:47:47,680

exploring the bizarre Timothy Begley and

1100

00:47:57,330 --> 00:47:54,220

team sports that the show seems to get

1101

00:48:00,150 --> 00:47:57,340

stranger every week I thought it was

1102

00:48:02,730 --> 00:48:00,160

this big getting stranger every week you

1103

00:48:04,140 --> 00:48:02,740

know we have had on such fabulous guests

1104

00:48:07,830 --> 00:48:04,150

over

1105

00:48:10,350 --> 00:48:07,840

I guess we're well now Peter who does

1106

00:48:12,960 --> 00:48:10,360

our youtube version of the show that

1107

00:48:17,280 --> 00:48:12,970

keeps track of these things but I worth

1108

00:48:20,040 --> 00:48:17,290

- what about 115 or 117 programs I just

1109

00:48:22,860 --> 00:48:20,050

yeah yeah we're really we're knocking

1110

00:48:24,480 --> 00:48:22,870

everybody else's socks off weather I

1111

00:48:25,650 --> 00:48:24,490

guess you can't say that these days you

1112

00:48:27,240 --> 00:48:25,660

never know when you'll get thrown off

1113

00:48:30,180 --> 00:48:27,250

the air or something I know that's right

1114

00:48:33,920 --> 00:48:30,190

that's right we have to we have to keep

1115

00:48:35,520 --> 00:48:33,930

on the side of the owner of the station

1116

00:48:38,370 --> 00:48:35,530

I'm sure I'm sure

1117

00:48:41,010 --> 00:48:38,380

I'm sure we do but you know sue I I did

1118

00:48:45,150 --> 00:48:41,020

have a question now you're up there in

1119

00:48:48,210 --> 00:48:45,160

in Canada I had them mentioned a Wilbur

1120

00:48:50,550 --> 00:48:48,220

Smith they had you heard of him before I

1121

00:48:52,770 --> 00:48:50,560

mean have you done any research on him

1122

00:48:57,570 --> 00:48:52,780

or read any of the material that he put

1123

00:49:01,920 --> 00:48:57,580

out oh yes this is for Canada I did this

1124

00:49:04,050 --> 00:49:01,930

was already in the 1950s yeah yeah yeah

1125

00:49:06,300 --> 00:49:04,060

that they the government themselves were

1126  
00:49:09,390 --> 00:49:06,310  
already looking into UFOs at that point

1127  
00:49:11,850 --> 00:49:09,400  
and this will Burt Smith's research was

1128  
00:49:14,130 --> 00:49:11,860  
in part funded in the early the

1129  
00:49:16,890 --> 00:49:14,140  
beginning by the Canadian government and

1130  
00:49:20,100 --> 00:49:16,900  
they were looking for UFOs he had like a

1131  
00:49:22,110 --> 00:49:20,110  
sort of a UFO monitoring station it was

1132  
00:49:25,560 --> 00:49:22,120  
a shack with a big antenna on the top of

1133  
00:49:29,370 --> 00:49:25,570  
yeah photo of it in our book but now you

1134  
00:49:32,870 --> 00:49:29,380  
know I had published I think 1975

1135  
00:49:35,430 --> 00:49:32,880  
a little book I've been doing this since

1136  
00:49:38,460 --> 00:49:35,440  
1962 I think can you believe that that

1137  
00:49:39,780 --> 00:49:38,470  
would make me like the 200 years old and

1138  
00:49:41,400 --> 00:49:39,790

you're something like that but I've been

1139

00:49:44,730 --> 00:49:41,410

doing this ever since I was a kid you

1140

00:49:47,210 --> 00:49:44,740

know and I think it'll come along 1979 I

1141

00:49:49,740 --> 00:49:47,220

put out a book by an amateur astronomer

1142

00:49:52,850 --> 00:49:49,750

astronomer by the name of John Musgrave

1143

00:49:56,730 --> 00:49:52,860

it was something like it critters and

1144

00:50:01,140 --> 00:49:56,740

monsters are saying but it was a history

1145

00:50:03,300 --> 00:50:01,150

of humanoid encounters in Canada and it

1146

00:50:07,200 --> 00:50:03,310

turns out now we included that in this

1147

00:50:10,260 --> 00:50:07,210

in this book project magnet the objects

1148

00:50:13,070 --> 00:50:10,270

in the sky are not stars because it was

1149

00:50:16,920 --> 00:50:13,080

a very good it was the only thorough

1150

00:50:18,780 --> 00:50:16,930

reporter dossier on Canadian humanoid

1151

00:50:21,450 --> 00:50:18,790

ever reports today I'd only had the

1152

00:50:24,210 --> 00:50:21,460

probably 50 or 60 in there with

1153

00:50:27,510 --> 00:50:24,220

illustrations somebody the witnesses I I

1154

00:50:29,700 --> 00:50:27,520

believe they they were and it turns out

1155

00:50:32,790 --> 00:50:29,710

that he had actually gotten a six

1156

00:50:35,880 --> 00:50:32,800

thousand dollar grant to to put this

1157

00:50:37,950 --> 00:50:35,890

report together which which probably

1158

00:50:40,590 --> 00:50:37,960

makes it outside in the continent report

1159

00:50:44,550 --> 00:50:40,600

which of course was the whitewash one of

1160

00:50:48,030 --> 00:50:44,560

the few instances where government a

1161

00:50:53,700 --> 00:50:48,040

government has given out the out any any

1162

00:50:56,190 --> 00:50:53,710

funding for a UFO research but I mean

1163

00:50:58,140 --> 00:50:56,200

how do you feel about a UFO activity in

1164

00:50:59,970 --> 00:50:58,150

Canada I mean do you think it's a it's

1165

00:51:02,040 --> 00:50:59,980

on the increase or is it pretty steady

1166

00:51:04,710 --> 00:51:02,050

or it seems to have a wealth of

1167

00:51:06,870 --> 00:51:04,720

information over the years I mean some

1168

00:51:09,480 --> 00:51:06,880

of the reports that have come across our

1169

00:51:11,940 --> 00:51:09,490

desk we used to was subscribed to a

1170

00:51:15,930 --> 00:51:11,950

magazine called saucer space in science

1171

00:51:17,790 --> 00:51:15,940

which was edited by Jean to plant da who

1172

00:51:20,640 --> 00:51:17,800

actually I just spoke to on the phone he

1173

00:51:24,120 --> 00:51:20,650

just turned I think 92 and of course

1174

00:51:25,380 --> 00:51:24,130

he's out of the publishing business he

1175

00:51:29,400 --> 00:51:25,390

hasn't put out an issue of the magazine

1176

00:51:30,630 --> 00:51:29,410

and and many a decades of course but we

1177

00:51:34,500 --> 00:51:30,640

used to get quite a bit of information

1178

00:51:37,650 --> 00:51:34,510

on UFO sightings in Canada they they

1179

00:51:39,510 --> 00:51:37,660

seem to be even more let us use the

1180

00:51:43,290 --> 00:51:39,520

politically their political tear

1181

00:51:45,560 --> 00:51:43,300

progressive to describe their activity

1182

00:51:48,510 --> 00:51:45,570

I mean do you find that the case or uh

1183

00:51:51,630 --> 00:51:48,520

well absolutely we have a very rich

1184

00:51:54,690 --> 00:51:51,640

history in in UFO experience here in

1185

00:51:57,540 --> 00:51:54,700

Canada and I would say one of the better

1186

00:52:00,240 --> 00:51:57,550

resources would be from UFO research of

1187

00:52:03,060 --> 00:52:00,250

Manitoba which is Christopher Rakowski

1188

00:52:05,610 --> 00:52:03,070

who is also a contributor to Robby

1189

00:52:07,620 --> 00:52:05,620

Graham's book he has been putting out

1190

00:52:10,500 --> 00:52:07,630

for the last 25 years the annual

1191

00:52:12,780 --> 00:52:10,510

Canadian UFO survey which takes a look

1192

00:52:14,940 --> 00:52:12,790

at all the cases that he can gather from

1193

00:52:19,110 --> 00:52:14,950

various different sources whether it be

1194

00:52:22,740 --> 00:52:19,120

the media the military actual witnesses

1195

00:52:25,470 --> 00:52:22,750

MUFON I myself I contribute cases when

1196

00:52:27,600 --> 00:52:25,480

they come along to the survey and they

1197

00:52:31,500 --> 00:52:27,610

just sort of collate them as to what

1198

00:52:33,720 --> 00:52:31,510

types of experiences they are whether

1199

00:52:35,550 --> 00:52:33,730

they seem to have a genuine anomaly or

1200

00:52:37,500 --> 00:52:35,560

whether they're more probable something

1201  
00:52:39,810 --> 00:52:37,510  
that's been a misidentified and this has

1202  
00:52:41,730 --> 00:52:39,820  
been going on for over 25 years now so

1203  
00:52:45,570 --> 00:52:41,740  
it is a very good resource that you can

1204  
00:52:49,080 --> 00:52:45,580  
access online and it's got hundreds and

1205  
00:52:53,130 --> 00:52:49,090  
hundreds of cases so yeah we we do have

1206  
00:52:54,780 --> 00:52:53,140  
a very rich history here of UFO what was

1207  
00:52:57,390 --> 00:52:54,790  
one of the things one of the things that

1208  
00:53:00,690 --> 00:52:57,400  
I noticed that there seem to be quite a

1209  
00:53:03,620 --> 00:53:00,700  
number of UFO sightings over bodies of

1210  
00:53:07,020 --> 00:53:03,630  
water now of course we know a shag

1211  
00:53:10,950 --> 00:53:07,030  
harbour but there been other cases where

1212  
00:53:12,210 --> 00:53:10,960  
UFOs have submerged themselves and I

1213  
00:53:14,340 --> 00:53:12,220

remember there was a fella by the name

1214

00:53:16,650 --> 00:53:14,350

of keel not spelled like John keel but

1215

00:53:18,480 --> 00:53:16,660

an elderly gentleman who wrote me I

1216

00:53:21,540 --> 00:53:18,490

don't know eight or nine or ten page

1217

00:53:24,540 --> 00:53:21,550

letter describing what he had seen an

1218

00:53:26,970 --> 00:53:24,550

object a UFO disc-shaped craft resting

1219

00:53:29,400 --> 00:53:26,980

on the body of water and humanoid

1220

00:53:30,930 --> 00:53:29,410

figures of some type coming out and you

1221

00:53:33,360 --> 00:53:30,940

know I don't know I don't know if they

1222

00:53:35,370 --> 00:53:33,370

waved to him or or not and and and then

1223

00:53:36,990 --> 00:53:35,380

there was a whole series of sightings I

1224

00:53:40,110 --> 00:53:37,000

don't know if they're still going on or

1225

00:53:42,420 --> 00:53:40,120

not over Lake Ontario in fact I had a

1226

00:53:44,940 --> 00:53:42,430

whole series of photographs there was a

1227

00:53:47,850 --> 00:53:44,950

fellow up in Canada by the name of Tom

1228

00:53:50,190 --> 00:53:47,860

gray and he had invited me up and we

1229

00:53:52,590 --> 00:53:50,200

gave a little talk in his basement they

1230

00:53:56,190 --> 00:53:52,600

were full house they were sitting on the

1231

00:53:57,150 --> 00:53:56,200

stairs going up to the kitchen which not

1232

00:53:58,769 --> 00:53:57,160

very many

1233

00:54:00,870 --> 00:53:58,779

but you know I'd be there and they had a

1234

00:54:04,049 --> 00:54:00,880

lot of sightings and photographs taking

1235

00:54:05,999 --> 00:54:04,059

up your photos over Lake Ontario and I

1236

00:54:09,329 --> 00:54:06,009

had a friend of mine Harry levelsand who

1237

00:54:11,999 --> 00:54:09,339

was the UFO editor of Omni magazine when

1238

00:54:14,640 --> 00:54:12,009

Bob Guccione owned it and they refused

1239

00:54:18,470 --> 00:54:14,650

the the prints of photographs because

1240

00:54:20,880 --> 00:54:18,480

they were - they were - what's the word

1241

00:54:23,309 --> 00:54:20,890

too much evidence that these things were

1242

00:54:26,069 --> 00:54:23,319

real and I guess the Guccione was trying

1243

00:54:27,960 --> 00:54:26,079

to keep in tight with some of these

1244

00:54:30,720 --> 00:54:27,970

science fiction writers like arthur c

1245

00:54:33,299 --> 00:54:30,730

clarke and isaac asimov who are the

1246

00:54:35,730 --> 00:54:33,309

biggest skeptics in the world when it

1247

00:54:37,980 --> 00:54:35,740

comes to or work that they're not in

1248

00:54:40,400 --> 00:54:37,990

this world anymore but they were the the

1249

00:54:43,499 --> 00:54:40,410

biggest skeptics going and they actually

1250

00:54:45,029 --> 00:54:43,509

you know it got to the point where i

1251  
00:54:48,690 --> 00:54:45,039  
found the kind of nauseating because

1252  
00:54:50,970 --> 00:54:48,700  
they would try to turn the heads of of

1253  
00:54:53,279 --> 00:54:50,980  
anybody in the science fiction community

1254  
00:54:55,259 --> 00:54:53,289  
I mean even fandom by saying you know

1255  
00:54:56,789 --> 00:54:55,269  
UFO believers were all crackpots that we

1256  
00:55:00,779 --> 00:54:56,799  
were making it up and we're out to make

1257  
00:55:02,999 --> 00:55:00,789  
money and so forth and and you know so

1258  
00:55:04,920 --> 00:55:03,009  
on which is hardly the hardly the case

1259  
00:55:07,529 --> 00:55:04,930  
is that my can they probably tell you

1260  
00:55:12,029 --> 00:55:07,539  
but or anybody else has been in this

1261  
00:55:14,849 --> 00:55:12,039  
field for any length of time in fact I

1262  
00:55:16,769 --> 00:55:14,859  
always remark on you know philip k dick

1263  
00:55:19,019 --> 00:55:16,779

who i just wrote a book about the

1264

00:55:20,339 --> 00:55:19,029

synchronicities Myka if I cure in there

1265

00:55:23,759 --> 00:55:20,349

I don't know if I sent you a copy you

1266

00:55:25,440 --> 00:55:23,769

did yes because we did the whole thing

1267

00:55:27,779 --> 00:55:25,450

about the cancer I know which we might

1268

00:55:31,140 --> 00:55:27,789

want to bring up if we have time in a

1269

00:55:33,359 --> 00:55:31,150

little while but of course the full Kay

1270

00:55:33,690 --> 00:55:33,369

dick was a well-known a science fiction

1271

00:55:36,240 --> 00:55:33,700

writer

1272

00:55:37,950 --> 00:55:36,250

he's been deceased now for I think 25

1273

00:55:42,630 --> 00:55:37,960

years or so he wasn't quite that

1274

00:55:45,359 --> 00:55:42,640

well-known in 1974-75 when he went over

1275

00:55:47,880 --> 00:55:45,369

to France and was at a press conference

1276

00:55:50,279 --> 00:55:47,890

and at the press conference he started

1277

00:55:54,390 --> 00:55:50,289

telling about how he thought we lived in

1278

00:55:56,339 --> 00:55:54,400

a simulated universe and that we were

1279

00:55:58,890 --> 00:55:56,349

part of some matrix which is interesting

1280

00:56:03,240 --> 00:55:58,900

because I just found out he never even

1281

00:56:04,890 --> 00:56:03,250

owned the computer oh that was well yeah

1282

00:56:07,589 --> 00:56:04,900

he died in there like in the early 80s

1283

00:56:09,690 --> 00:56:07,599

yeah but he he was so beatnik like most

1284

00:56:11,069 --> 00:56:09,700

writers in that area he was still

1285

00:56:15,630 --> 00:56:11,079

beating it out on a manual

1286

00:56:18,120 --> 00:56:15,640

a typewriter you know and but anyway you

1287

00:56:20,549 --> 00:56:18,130

can see there's a clip of this we've

1288

00:56:22,049 --> 00:56:20,559

used it on our on our YouTube version of

1289

00:56:24,269 --> 00:56:22,059

the show and you could find it on

1290

00:56:27,989 --> 00:56:24,279

YouTube itself where he's you know what

1291

00:56:30,449 --> 00:56:27,999

giving this little talk in front of this

1292

00:56:31,949 --> 00:56:30,459

group they're in France and he's talking

1293

00:56:33,650 --> 00:56:31,959

about the you know some of his

1294

00:56:35,729 --> 00:56:33,660

experiences and his thoughts on

1295

00:56:39,539 --> 00:56:35,739

synchronicity and all and they are

1296

00:56:41,910 --> 00:56:39,549

looking at him in total gaga as if he is

1297

00:56:44,009 --> 00:56:41,920

a creature from another planet and what

1298

00:56:47,239 --> 00:56:44,019

is he speaking of because they can only

1299

00:56:51,420 --> 00:56:47,249

think of this in their wild unfertile

1300

00:56:53,130 --> 00:56:51,430

imagination and you know for as no time

1301  
00:56:55,019 --> 00:56:53,140  
at all you know in fact we've even had

1302  
00:56:58,440 --> 00:56:55,029  
conferences and we would turn it over

1303  
00:57:00,989 --> 00:56:58,450  
for an afternoon to the x-file people

1304  
00:57:02,519 --> 00:57:00,999  
and that they would bring in a very

1305  
00:57:06,690 --> 00:57:02,529  
small crowd because they didn't want to

1306  
00:57:09,120 --> 00:57:06,700  
be you know involved in a UFO meeting of

1307  
00:57:11,069 --> 00:57:09,130  
any sort and the people who were

1308  
00:57:14,130 --> 00:57:11,079  
interested in UFOs and the paranormal

1309  
00:57:15,719 --> 00:57:14,140  
left a room and then when we came back

1310  
00:57:17,099 --> 00:57:15,729  
in the room well the x-file people

1311  
00:57:19,199 --> 00:57:17,109  
disappeared who never saw him for the

1312  
00:57:22,349 --> 00:57:19,209  
rest of the the weekend so you know

1313  
00:57:25,109 --> 00:57:22,359

there's just no overlapping in any of

1314

00:57:30,809 --> 00:57:25,119

this and they will not even consider the

1315

00:57:35,130 --> 00:57:30,819

the the topic so now how many how many

1316

00:57:39,390 --> 00:57:35,140

now you remember a su of MUFON no I I

1317

00:57:43,890 --> 00:57:39,400

was very early on and in late 90s I had

1318

00:57:47,039 --> 00:57:43,900

I had met with MUFON and at that time I

1319

00:57:50,880 --> 00:57:47,049

really wasn't I didn't feel comfortable

1320

00:57:53,609 --> 00:57:50,890

with them I sort of struck out on my own

1321

00:57:55,829 --> 00:57:53,619

and and I ended up actually kind of

1322

00:57:58,920 --> 00:57:55,839

drifting more toward skepticism and I I

1323

00:58:03,900 --> 00:57:58,930

joined a skeptics organization here in

1324

00:58:06,989 --> 00:58:03,910

Toronto and I started to sort of I guess

1325

00:58:08,999 --> 00:58:06,999

question my own experience of 1990 and I

1326  
00:58:11,640 --> 00:58:09,009  
started wondering well maybe you know

1327  
00:58:13,469 --> 00:58:11,650  
was it something natural did it really

1328  
00:58:15,779 --> 00:58:13,479  
you know happen sort of thing the way I

1329  
00:58:17,670 --> 00:58:15,789  
remembered it to happen and so I was

1330  
00:58:19,589 --> 00:58:17,680  
with the skeptics for a couple of years

1331  
00:58:22,109 --> 00:58:19,599  
and which was good because I learned a

1332  
00:58:24,930 --> 00:58:22,119  
lot from them as far as like mad you can

1333  
00:58:27,839 --> 00:58:24,940  
have you cleansed you cleansed your soul

1334  
00:58:29,970 --> 00:58:27,849  
I I actually I felt that more what hat

1335  
00:58:32,760 --> 00:58:29,980  
was happening was I was trying to kind

1336  
00:58:34,620 --> 00:58:32,770  
of stay more into this reality or it's

1337  
00:58:37,290 --> 00:58:34,630  
getting firmer grasp on reality as

1338  
00:58:39,150 --> 00:58:37,300

opposed to to going farther down that

1339

00:58:40,859 --> 00:58:39,160

rabbit hole there's sort of a safety

1340

00:58:43,800 --> 00:58:40,869

kind of in the idea of being and that

1341

00:58:46,950 --> 00:58:43,810

sort of rational mindset and then I had

1342

00:58:49,380 --> 00:58:46,960

another experience in 2001 with a

1343

00:58:51,540 --> 00:58:49,390

girlfriend also involving Lake Ontario

1344

00:58:55,020 --> 00:58:51,550

and this time it was much closer it

1345

00:58:56,730 --> 00:58:55,030

looked like a spaceship and at that

1346

00:58:59,130 --> 00:58:56,740

point that I couldn't be a skeptic

1347

00:59:01,290 --> 00:58:59,140

anymore that that was sort of the second

1348

00:59:04,680 --> 00:59:01,300

for me initiation like I was going

1349

00:59:06,839 --> 00:59:04,690

through these sort of situations of

1350

00:59:08,880 --> 00:59:06,849

points in my life that sort of radically

1351  
00:59:11,520 --> 00:59:08,890  
changed the direction I was going in and

1352  
00:59:13,550 --> 00:59:11,530  
in 2001 that happened again and at that

1353  
00:59:17,010 --> 00:59:13,560  
point I could not deny the reality

1354  
00:59:19,920 --> 00:59:17,020  
whatever it is of this experience a real

1355  
00:59:22,470 --> 00:59:19,930  
Space Odyssey was happening yeah yes

1356  
00:59:25,579 --> 00:59:22,480  
tell us a little bit more about that

1357  
00:59:29,670 --> 00:59:25,589  
experience because you had some unusual

1358  
00:59:32,130 --> 00:59:29,680  
feelings during that experience yes I

1359  
00:59:34,650 --> 00:59:32,140  
actually had physical sort of symptoms

1360  
00:59:36,599 --> 00:59:34,660  
that I myself and my girlfriend at the

1361  
00:59:39,839 --> 00:59:36,609  
time we had been doing this sort of a

1362  
00:59:42,420 --> 00:59:39,849  
hike along Ajax Ontario which is sort of

1363  
00:59:44,309 --> 00:59:42,430

like this elevation sort of cliffs above

1364

00:59:46,230 --> 00:59:44,319

the lake so you're higher up from the

1365

00:59:48,750 --> 00:59:46,240

lake but it sort of trails that lead

1366

00:59:50,819 --> 00:59:48,760

down towards the nuclear power plant and

1367

00:59:53,069 --> 00:59:50,829

we had been walking and it was just

1368

00:59:58,200 --> 00:59:53,079

starting to get dusk and it was July

1369

00:59:59,910 --> 00:59:58,210

31st 2001 and as we got down this part

1370

01:00:02,370 --> 00:59:59,920

of the trail I was looking out over the

1371

01:00:04,470 --> 01:00:02,380

lake towards Oswego New York and I saw

1372

01:00:06,150 --> 01:00:04,480

these sort of sparkles of light playing

1373

01:00:08,579 --> 01:00:06,160

across the water and at first I thought

1374

01:00:11,790 --> 01:00:08,589

maybe this is a reflection off the boys

1375

01:00:14,250 --> 01:00:11,800

or the or or like they may be sailboats

1376

01:00:15,930 --> 01:00:14,260

or something I didn't know and then it

1377

01:00:17,579 --> 01:00:15,940

just started it kept going and I started

1378

01:00:19,200 --> 01:00:17,589

feeling sort of almost as if I was

1379

01:00:20,790 --> 01:00:19,210

coming down with a migraine because I

1380

01:00:22,440 --> 01:00:20,800

had migraines in those days with the

1381

01:00:24,569 --> 01:00:22,450

aura and you know you see those lights

1382

01:00:26,010 --> 01:00:24,579

sort of in the corners of your eyes and

1383

01:00:28,500 --> 01:00:26,020

you're not just feeling the sort of

1384

01:00:30,510 --> 01:00:28,510

electrical activity in your head and I

1385

01:00:32,819 --> 01:00:30,520

started feeling a little nauseated night

1386

01:00:34,349 --> 01:00:32,829

I said to my friend I said you know

1387

01:00:36,210 --> 01:00:34,359

maybe we should start walking up back

1388

01:00:37,859 --> 01:00:36,220

towards the car I'm not feeling well and

1389

01:00:38,700 --> 01:00:37,869

then she said to me I'm not really

1390

01:00:40,140 --> 01:00:38,710

feeling well

1391

01:00:43,260 --> 01:00:40,150

either and she started describing

1392

01:00:45,810 --> 01:00:43,270

similar symptoms so we started walking

1393

01:00:47,820 --> 01:00:45,820

up the path and and it was kind of a

1394

01:00:49,829 --> 01:00:47,830

night there it was kind of threatening

1395

01:00:51,960 --> 01:00:49,839

that a storm might break so the weather

1396

01:00:53,670 --> 01:00:51,970

wasn't really crummy but it wasn't

1397

01:00:57,510 --> 01:00:53,680

really nice either so we were heading

1398

01:00:59,700 --> 01:00:57,520

out towards the car and all of a sudden

1399

01:01:03,930 --> 01:00:59,710

it was like I looked up at this point

1400

01:01:07,230 --> 01:01:03,940

and there was this huge spaceship is all

1401

01:01:09,150 --> 01:01:07,240

I can describe it look very solid yes at

1402

01:01:10,710 --> 01:01:09,160

first I thought it was triangular shape

1403

01:01:12,599 --> 01:01:10,720

but it was actually more of a diamond

1404

01:01:14,820 --> 01:01:12,609

shape I could tell this because there

1405

01:01:18,540 --> 01:01:14,830

were these points of red light at each

1406

01:01:21,930 --> 01:01:18,550

point then this these columns of light

1407

01:01:23,820 --> 01:01:21,940

descended down I was we were on sort of

1408

01:01:25,829 --> 01:01:23,830

standing on the precipice on this cliff

1409

01:01:28,230 --> 01:01:25,839

looking down towards the lake I could

1410

01:01:29,790 --> 01:01:28,240

see this the columns of light coming

1411

01:01:33,030 --> 01:01:29,800

down I could see them playing off the

1412

01:01:34,740 --> 01:01:33,040

water again I was in stock my girlfriend

1413

01:01:37,140 --> 01:01:34,750

was in shock we were sort of trying to

1414

01:01:40,200 --> 01:01:37,150

discount and think like is this really

1415

01:01:44,160 --> 01:01:40,210

happening is this true it was so bizarre

1416

01:01:46,589 --> 01:01:44,170

and then I just I started feeling really

1417

01:01:49,500 --> 01:01:46,599

sort of scared at this point it was very

1418

01:01:52,890 --> 01:01:49,510

close and it was almost as if this thing

1419

01:01:54,660 --> 01:01:52,900

it was like bobbing along like a kite I

1420

01:01:56,640 --> 01:01:54,670

kind of described it almost like a kite

1421

01:01:59,010 --> 01:01:56,650

in in the in an air current that's what

1422

01:02:01,140 --> 01:01:59,020

it sort of appeared to be doing and then

1423

01:02:05,670 --> 01:02:01,150

it just sort of shifted just slightly

1424

01:02:08,670 --> 01:02:05,680

and vanished and both of us were just

1425

01:02:11,490 --> 01:02:08,680

sort of we were so gobsmacked at this

1426

01:02:13,800 --> 01:02:11,500

and I started feeling really scared and

1427

01:02:15,270 --> 01:02:13,810

I still remember the feeling at that

1428

01:02:17,339 --> 01:02:15,280

time that it was still there I just

1429

01:02:19,980 --> 01:02:17,349

couldn't see it and I think that's what

1430

01:02:23,339 --> 01:02:19,990

really scared me is though it was there

1431

01:02:26,490 --> 01:02:23,349

and we couldn't see it so we just we ran

1432

01:02:28,800 --> 01:02:26,500

we ran for this parking lot and got in

1433

01:02:31,020 --> 01:02:28,810

the car and then as soon as I got home

1434

01:02:33,450 --> 01:02:31,030

about 20 minutes or so later I just

1435

01:02:36,930 --> 01:02:33,460

typed this all out and I sent it off to

1436

01:02:40,109 --> 01:02:36,940

a friend who was living in the area and

1437

01:02:41,400 --> 01:02:40,119

was interested in UFOs and I cuz I you

1438

01:02:44,370 --> 01:02:41,410

just I couldn't talk to any of my

1439

01:02:46,260 --> 01:02:44,380

skeptical friends at that point but it

1440

01:02:49,109 --> 01:02:46,270

that really changed sort of the

1441

01:02:50,520 --> 01:02:49,119

direction of my life because I couldn't

1442

01:02:52,230 --> 01:02:50,530

be a skeptic I couldn't be one of the

1443

01:02:55,020 --> 01:02:52,240

skeptics anymore

1444

01:02:56,520 --> 01:02:55,030

because I just at that point I knew that

1445

01:02:58,740 --> 01:02:56,530

these things are they're real they're

1446

01:03:04,320 --> 01:02:58,750

true whatever they are

1447

01:03:05,790 --> 01:03:04,330

oh no no no might go ahead so I'm gonna

1448

01:03:07,260 --> 01:03:05,800

say it this is like this is what I

1449

01:03:09,359 --> 01:03:07,270

confront all the time people who say

1450

01:03:11,070 --> 01:03:09,369

well I've had this experience and then I

1451

01:03:12,900 --> 01:03:11,080

had this other experience and then I had

1452

01:03:15,300 --> 01:03:12,910

this third experience and then they just

1453

01:03:17,130 --> 01:03:15,310

goes on and on and on and you I mean

1454

01:03:19,829 --> 01:03:17,140

I've I don't know anything about your

1455

01:03:23,609 --> 01:03:19,839

experiences and I'm listening here and

1456

01:03:25,440 --> 01:03:23,619

and now I have to ask a question and and

1457

01:03:28,650 --> 01:03:25,450

this is I apologize for doing this right

1458

01:03:29,940 --> 01:03:28,660

here on the table but God since what's

1459

01:03:36,530 --> 01:03:29,950

your sense do you feel you're an

1460

01:03:41,220 --> 01:03:36,540

abductee I don't know I don't I I don't

1461

01:03:45,290 --> 01:03:41,230

have memories of being in a spaceship or

1462

01:03:48,660 --> 01:03:45,300

but I do feel that I've had some sort of

1463

01:03:50,430 --> 01:03:48,670

interaction or communication because

1464

01:03:52,800 --> 01:03:50,440

I've had other strange experiences that

1465

01:03:54,870 --> 01:03:52,810

may or may not be ufo-related I've had

1466

01:03:57,780 --> 01:03:54,880

experiences with the little mini mini

1467

01:04:00,570 --> 01:03:57,790

light falls in experiments that I've

1468

01:04:03,420 --> 01:04:00,580

done that lead me to believe that I've

1469

01:04:05,790 --> 01:04:03,430

had direct sort of communications or

1470

01:04:08,640 --> 01:04:05,800

interactions with whatever the phenomena

1471

01:04:12,359 --> 01:04:08,650

is but I don't necessarily feel that

1472

01:04:14,790 --> 01:04:12,369

I've had the classic sort of abductee

1473

01:04:17,550 --> 01:04:14,800

experience no at least not that I can

1474

01:04:19,980 --> 01:04:17,560

recall fair okay fair enough this is I

1475

01:04:24,120 --> 01:04:19,990

with us you're saying what I have heard

1476

01:04:26,490 --> 01:04:24,130

many times what I'm sensing is that

1477

01:04:30,390 --> 01:04:26,500

there's a right we have this sort of pop

1478

01:04:31,800 --> 01:04:30,400

culture image of like UFO contact and

1479

01:04:34,320 --> 01:04:31,810

abduction right you sort of watch

1480

01:04:36,089 --> 01:04:34,330

late-night TV documentaries and people

1481

01:04:38,130 --> 01:04:36,099

get you know taken out of their beds

1482

01:04:40,440 --> 01:04:38,140

with blue lights and they get you know

1483

01:04:41,760 --> 01:04:40,450

stopped on the lonely highways and then

1484

01:04:44,400 --> 01:04:41,770

they get you know taken up in to craft

1485

01:04:48,329 --> 01:04:44,410

so we have that as part of our as part

1486

01:04:52,710 --> 01:04:48,339

of our psyche you know and and what I'm

1487

01:04:54,990 --> 01:04:52,720

finding is those stories exist they're

1488

01:04:58,170 --> 01:04:55,000

out there but they in my opinion are far

1489

01:05:00,060 --> 01:04:58,180

outnumbered almost word-for-word what

1490

01:05:01,890 --> 01:05:00,070

with what you just said you know I asked

1491

01:05:03,030 --> 01:05:01,900

people the same question all the time do

1492

01:05:06,060 --> 01:05:03,040

you think you're an abductee and they'll

1493

01:05:08,420 --> 01:05:06,070

say I don't know but

1494

01:05:11,280 --> 01:05:08,430

and then they'll they'll help sort of

1495

01:05:13,020 --> 01:05:11,290

say very much what you said so I'm at

1496

01:05:15,540 --> 01:05:13,030

the point now where like I don't care

1497

01:05:17,040 --> 01:05:15,550

like what UFO abduction means that sort

1498

01:05:18,810 --> 01:05:17,050

of a drag that we're stuck with that

1499

01:05:23,490 --> 01:05:18,820

term because I you know there's no other

1500

01:05:26,250 --> 01:05:23,500

term to but this this sort of I don't

1501

01:05:31,140 --> 01:05:26,260

know what like psychic mystical

1502

01:05:36,630 --> 01:05:31,150

involvement with something other yes yes

1503

01:05:39,570 --> 01:05:36,640

and that is very common yes I would say

1504

01:05:41,790 --> 01:05:39,580

so it's it's if we strip away the

1505

01:05:43,890 --> 01:05:41,800

language that surrounds this because I

1506

01:05:46,020 --> 01:05:43,900

mean maybe for some people they describe

1507

01:05:48,510 --> 01:05:46,030

a more religious experience and there

1508

01:05:52,070 --> 01:05:48,520

have been sort of connections made to

1509

01:05:55,080 --> 01:05:52,080

visions of the Virgin Mary with UFO type

1510

01:05:57,180 --> 01:05:55,090

experiences and other sort of mystical

1511

01:05:59,280 --> 01:05:57,190

sort of things and and I think that when

1512

01:06:01,470 --> 01:05:59,290

you strip away that language and look at

1513

01:06:03,780 --> 01:06:01,480

the base experience there seems to be

1514

01:06:07,050 --> 01:06:03,790

some sort of common points with all of

1515

01:06:08,370 --> 01:06:07,060

them and they are mystical and and then

1516

01:06:09,960 --> 01:06:08,380

they could yeah this is what you have

1517

01:06:12,990 --> 01:06:09,970

Crapo you familiar with jeff kraebel as

1518

01:06:14,550 --> 01:06:13,000

a researcher at all yes yes he's a few

1519

01:06:17,400 --> 01:06:14,560

frames and stuff beautifully in this

1520

01:06:21,090 --> 01:06:17,410

form now you know so you know on one

1521

01:06:22,380 --> 01:06:21,100

sense I think to myself well you know I

1522

01:06:24,750 --> 01:06:22,390

mean I'm at the point now where I call

1523

01:06:26,580 --> 01:06:24,760

myself an abductee even though I have no

1524

01:06:28,170 --> 01:06:26,590

memories of being on board a craft I

1525

01:06:29,970 --> 01:06:28,180

certainly have dreams that seem like

1526

01:06:33,830 --> 01:06:29,980

they're on board a craft but no direct

1527

01:06:36,120 --> 01:06:33,840

memories and I say that just because

1528

01:06:37,680 --> 01:06:36,130

like I you know like if you have a

1529

01:06:38,760 --> 01:06:37,690

puzzle and it's on the kitchen table

1530

01:06:40,380 --> 01:06:38,770

right you've got all the puzzle pieces

1531

01:06:41,910 --> 01:06:40,390

but you're missing a few puzzle pieces

1532

01:06:44,340 --> 01:06:41,920

you can still you still know it's a

1533

01:06:46,260 --> 01:06:44,350

sailboat without having those few extra

1534

01:06:48,680 --> 01:06:46,270

puzzle pieces so I'm missing some puzzle

1535

01:06:51,210 --> 01:06:48,690

pieces but it feels like I still know

1536

01:06:54,840 --> 01:06:51,220

I'm pretty damn clear what it implies

1537

01:06:56,310 --> 01:06:54,850

but in my sense is maybe that all these

1538

01:06:58,260 --> 01:06:56,320

people who are on kind of on the fence

1539

01:07:01,380 --> 01:06:58,270

and kind of say what you said you know

1540

01:07:03,330 --> 01:07:01,390

like maybe they've had UFO contact

1541

01:07:06,030 --> 01:07:03,340

experiences and it's just been erased or

1542

01:07:09,120 --> 01:07:06,040

maybe there there's that there's a

1543

01:07:12,510 --> 01:07:09,130

there's a separate ladder that's like

1544

01:07:14,880 --> 01:07:12,520

you know rising out of the the normal

1545

01:07:17,190 --> 01:07:14,890

and up into the ether you know one has

1546

01:07:18,840 --> 01:07:17,200

you know UFO contact at the top of the

1547

01:07:20,520 --> 01:07:18,850

ladder and the other one has

1548

01:07:24,000 --> 01:07:20,530

something more ephemeral and more

1549

01:07:25,230 --> 01:07:24,010

elusive and I can't know and but I'm

1550

01:07:27,210 --> 01:07:25,240

just saying that there's this stuff

1551

01:07:29,940 --> 01:07:27,220

overlaps and that this is where the owl

1552

01:07:33,380 --> 01:07:29,950

now I'm financed the Owls seem to be

1553

01:07:36,600 --> 01:07:33,390

showing up more where people are on this

1554

01:07:38,280 --> 01:07:36,610

this may be category you know where the

1555

01:07:40,050 --> 01:07:38,290

that's the people who are seeing the

1556

01:07:44,790 --> 01:07:40,060

owls not the people who are straight-up

1557

01:07:48,840 --> 01:07:44,800

UFO abductees yeah and they and the owl

1558

01:07:51,030 --> 01:07:48,850

to being a psychopomp being of having

1559

01:07:53,310 --> 01:07:51,040

that mythology is very interesting that

1560

01:07:55,500 --> 01:07:53,320

they are messengers messengers of the

1561

01:07:57,330 --> 01:07:55,510

gods between this world and the other

1562

01:08:01,290 --> 01:07:57,340

realm I find that very interesting as

1563

01:08:02,880 --> 01:08:01,300

well there's a connection there is

1564

01:08:04,470 --> 01:08:02,890

certainly a connection between this

1565

01:08:07,560 --> 01:08:04,480

world and the next

1566

01:08:09,120 --> 01:08:07,570

is my kid to tell you because he's

1567

01:08:11,490 --> 01:08:09,130

written about this and and we did a

1568

01:08:15,960 --> 01:08:11,500

chapter in our book on what I call the

1569

01:08:17,970 --> 01:08:15,970

June 24th enigma we're over a dozen UFO

1570

01:08:20,340 --> 01:08:17,980

researchers have passed away on what

1571

01:08:22,560 --> 01:08:20,350

would be the anniversary of the first

1572

01:08:24,900 --> 01:08:22,570

sighting by Kenneth Arnold and that

1573

01:08:31,070 --> 01:08:24,910

would include Frank Edwards Jackie

1574

01:08:33,890 --> 01:08:31,080

Gleason Frank Scully and just by

1575

01:08:36,270 --> 01:08:33,900

coincidence and I put that in quotes

1576

01:08:38,520 --> 01:08:36,280

Kenneth Arnold didn't believe that the

1577

01:08:40,410 --> 01:08:38,530

UFOs that he saw were from outer space

1578

01:08:43,560 --> 01:08:40,420

he thought that they were actually

1579

01:08:46,110 --> 01:08:43,570

coming here to carry the souls of the

1580

01:08:48,810 --> 01:08:46,120

departed over to the next plane

1581

01:08:51,180 --> 01:08:48,820

so I mean doesn't it seem very year

1582

01:08:55,290 --> 01:08:51,190

strange that that would be part of the

1583

01:08:58,440 --> 01:08:55,300

June 24th enigma and as Mike can tell

1584

01:09:00,390 --> 01:08:58,450

you that it can't Arnold had numerous

1585

01:09:03,000 --> 01:09:00,400

sightings I mean the the I'm not even

1586

01:09:05,280 --> 01:09:03,010

sure what was the the one on June 21st

1587

01:09:08,580 --> 01:09:05,290

was 24th was that his first sighting or

1588

01:09:10,410 --> 01:09:08,590

because I do know that he had quite a

1589

01:09:11,520 --> 01:09:10,420

number of sightings after he yeah yeah

1590

01:09:14,370 --> 01:09:11,530

that wait a number he had I think

1591

01:09:15,840 --> 01:09:14,380

growing up he had sightings of orbs and

1592

01:09:17,490 --> 01:09:15,850

I think that was the initial sighting of

1593

01:09:19,500 --> 01:09:17,500

UFOs now this is something that I had to

1594

01:09:21,180 --> 01:09:19,510

dig pretty deep and there's a lot of he

1595

01:09:24,540 --> 01:09:21,190

was a busy guy I mean he did interviews

1596

01:09:26,370 --> 01:09:24,550

and stuff but he he said he never said

1597

01:09:28,620 --> 01:09:26,380

it at the time but he said it later I

1598

01:09:31,800 --> 01:09:28,630

think in the early 80s that he had

1599

01:09:32,609 --> 01:09:31,810

telepathic communication with those UFOs

1600

01:09:34,769 --> 01:09:32,619

craft

1601

01:09:38,039 --> 01:09:34,779

well we've had his we've had his

1602

01:09:40,709 --> 01:09:38,049

granddaughter Chanel on a couple of

1603

01:09:43,620 --> 01:09:40,719

times now in fact we usually invite her

1604

01:09:46,050 --> 01:09:43,630

on around the anniversary of the of the

1605

01:09:47,609 --> 01:09:46,060

year of the sighting and now he has

1606

01:09:50,669 --> 01:09:47,619

something I'm gonna interject this is

1607

01:09:55,709 --> 01:09:50,679

something like Kenneth Arnold had a pet

1608

01:09:58,050 --> 01:09:55,719

owl like then I mean that's that's that

1609

01:10:13,950 --> 01:09:58,060

was what threw me into it and everyone

1610

01:10:17,490 --> 01:10:13,960

talked about this more for the break now

1611

01:10:19,800 --> 01:10:17,500

back to exploring the bizarre with two

1612

01:10:23,010 --> 01:10:19,810

of the most electrifying researchers in

1613

01:10:29,370 --> 01:10:23,020

the Paranoid your hosts Timothy Rebecca

1614

01:10:35,040 --> 01:10:29,380

Lee and chase lists all right Tim we

1615

01:10:38,609 --> 01:10:35,050

have a question from Frank from from Las

1616

01:10:41,520 --> 01:10:38,619

Vegas and this goes to our two guests

1617

01:10:43,620 --> 01:10:41,530

tonight and Frank wants to know he says

1618

01:10:48,720 --> 01:10:43,630

that there are two camps in your apology

1619

01:10:50,660 --> 01:10:48,730

that these beans are evil and and he

1620

01:10:54,120 --> 01:10:50,670

says and they are good

1621

01:10:57,089 --> 01:10:54,130

what is your guests take on these

1622

01:11:01,350 --> 01:10:57,099

experience are they positive or negative

1623

01:11:03,810 --> 01:11:01,360

and why are they here so whoever wants

1624

01:11:06,180 --> 01:11:03,820

to answer this first go out hit okay I

1625

01:11:09,180 --> 01:11:06,190

can I can give you my version I think

1626  
01:11:12,240 --> 01:11:09,190  
that for some people yes they have very

1627  
01:11:14,399 --> 01:11:12,250  
positive experiences there are

1628  
01:11:17,280 --> 01:11:14,409  
spiritually enlightened they feel

1629  
01:11:18,750 --> 01:11:17,290  
transformed in good and positive ways

1630  
01:11:22,640 --> 01:11:18,760  
there have been people over the years

1631  
01:11:24,689 --> 01:11:22,650  
who have described healing miracles

1632  
01:11:26,820 --> 01:11:24,699  
surrounding what they feel is their

1633  
01:11:29,160 --> 01:11:26,830  
experiences with this alien or alien

1634  
01:11:30,990 --> 01:11:29,170  
other and then you have other people who

1635  
01:11:33,660 --> 01:11:31,000  
yes are you know they have these

1636  
01:11:35,330 --> 01:11:33,670  
horrible experiences that they that

1637  
01:11:36,959 --> 01:11:35,340  
they're tortured almost they're

1638  
01:11:38,970 --> 01:11:36,969

psychologically tortured they're

1639

01:11:41,609 --> 01:11:38,980

physically tortured they're they're

1640

01:11:44,120 --> 01:11:41,619

sexually abused by these beings or this

1641

01:11:46,379 --> 01:11:44,130

experience whatever you want to you know

1642

01:11:49,020 --> 01:11:46,389

subscribe to what it's the true

1643

01:11:52,290 --> 01:11:49,030

and they suffer actual like

1644

01:11:54,780 --> 01:11:52,300

post-traumatic stress because of it I

1645

01:11:57,180 --> 01:11:54,790

kind of tend to go with the sort of

1646

01:12:00,149 --> 01:11:57,190

Jacques Vallee idea that whatever it is

1647

01:12:02,760 --> 01:12:00,159

it seems to really be indifferent and

1648

01:12:05,129 --> 01:12:02,770

some people are having good experiences

1649

01:12:08,010 --> 01:12:05,139

some people are having bad experiences I

1650

01:12:10,859 --> 01:12:08,020

don't know why that is but you can look

1651

01:12:12,359 --> 01:12:10,869

in some cases at these sort of if you

1652

01:12:13,890 --> 01:12:12,369

look at the witness and you look at

1653

01:12:15,870 --> 01:12:13,900

where they are and in life and what

1654

01:12:19,200 --> 01:12:15,880

they're going through that may give us

1655

01:12:21,959 --> 01:12:19,210

clues to the individuals also if you

1656

01:12:24,720 --> 01:12:21,969

look at sort of the the locations and

1657

01:12:27,930 --> 01:12:24,730

the culture I do know for instance that

1658

01:12:30,899 --> 01:12:27,940

you have some very frightening UFO cases

1659

01:12:34,109 --> 01:12:30,909

in Brazil as an example that Jacques

1660

01:12:36,870 --> 01:12:34,119

Vallee actually he went in person these

1661

01:12:39,479 --> 01:12:36,880

people died this was horrific that they

1662

01:12:41,430 --> 01:12:39,489

feel that the actual people were killed

1663

01:12:43,109 --> 01:12:41,440

because of their UFO experiences and

1664

01:12:46,109 --> 01:12:43,119

they were and then if you look at

1665

01:12:49,410 --> 01:12:46,119

poltergeist cases they - in Brazil tend

1666

01:12:52,140 --> 01:12:49,420

to be particularly violent that people

1667

01:12:53,970 --> 01:12:52,150

have died because of their experiences

1668

01:12:56,850 --> 01:12:53,980

where you don't necessarily see that in

1669

01:13:00,359 --> 01:12:56,860

other areas of the world so if we start

1670

01:13:02,370 --> 01:13:00,369

you know we did we did do a book Tim and

1671

01:13:05,370 --> 01:13:02,380

I worked on it a long with some other

1672

01:13:07,229 --> 01:13:05,380

researchers a medieval and beyond and it

1673

01:13:08,939 --> 01:13:07,239

was kind of probably a Mis titled a book

1674

01:13:11,490 --> 01:13:08,949

because there was only one chapter on a

1675

01:13:13,820 --> 01:13:11,500

medieval and the rest of it was

1676

01:13:16,229 --> 01:13:13,830

contributions by different researchers

1677

01:13:18,570 --> 01:13:16,239

who he's had on the show and some we

1678

01:13:20,970 --> 01:13:18,580

haven't about how there is a link

1679

01:13:25,500 --> 01:13:20,980

between all this phenomena and and some

1680

01:13:28,649 --> 01:13:25,510

of it it does take on the form of of of

1681

01:13:30,810 --> 01:13:28,659

like poltergeist phenomena we had a case

1682

01:13:33,600 --> 01:13:30,820

up in Oregon that I investigated back in

1683

01:13:36,479 --> 01:13:33,610

the 1960s we called it the the crawling

1684

01:13:38,790 --> 01:13:36,489

lights because these things were seen at

1685

01:13:40,439 --> 01:13:38,800

first crawling across the lawn towards

1686

01:13:42,660 --> 01:13:40,449

the house and then several days later

1687

01:13:47,760 --> 01:13:42,670

they were actually seen crawling up and

1688

01:13:49,649 --> 01:13:47,770

down the the the walls inside the the

1689

01:13:52,260 --> 01:13:49,659

house but it was the type of thing where

1690

01:13:53,340 --> 01:13:52,270

there were no beams it was just the you

1691

01:13:55,709 --> 01:13:53,350

know the lights itself

1692

01:13:57,780 --> 01:13:55,719

crawling up and up and down it wasn't

1693

01:14:00,330 --> 01:13:57,790

like somebody was you know like shining

1694

01:14:02,879 --> 01:14:00,340

a flashlight through the

1695

01:14:04,830 --> 01:14:02,889

through the window and we've had well

1696

01:14:09,780 --> 01:14:04,840

it's also a case of Tim remember the one

1697

01:14:12,600 --> 01:14:09,790

in Black Forest Colorado oh yes I think

1698

01:14:15,149 --> 01:14:12,610

his name is Lee who had all these

1699

01:14:17,490 --> 01:14:15,159

experiences where faces were appearing

1700

01:14:20,100 --> 01:14:17,500

in his mirror and and beams of light

1701

01:14:22,530 --> 01:14:20,110

were shooting out of different rooms and

1702

01:14:26,490 --> 01:14:22,540

they actually photographed this inside

1703

01:14:28,500 --> 01:14:26,500

and outside of the house as as well so

1704

01:14:30,689 --> 01:14:28,510

there certainly is a what I always say

1705

01:14:33,680 --> 01:14:30,699

that the the same things that happen and

1706

01:14:37,020 --> 01:14:33,690

a UFO landing site are likely to happen

1707

01:14:40,709 --> 01:14:37,030

inside the UFO seance room or haunted

1708

01:14:43,260 --> 01:14:40,719

house sure and then as far as an agenda

1709

01:14:45,089 --> 01:14:43,270

or why this is happening the the only

1710

01:14:47,310 --> 01:14:45,099

thing I can say for certain in my

1711

01:14:48,899 --> 01:14:47,320

opinion is that there seems to be some

1712

01:14:50,479 --> 01:14:48,909

sort of whether it's negative or

1713

01:14:53,430 --> 01:14:50,489

positive it has some sort of

1714

01:14:55,310 --> 01:14:53,440

transformation effect on people they

1715

01:14:57,450 --> 01:14:55,320

seem to go through this transformation

1716

01:15:00,169 --> 01:14:57,460

because of the experience they're not

1717

01:15:04,800 --> 01:15:00,179

they come out on the other side of it

1718

01:15:06,270 --> 01:15:04,810

changed in different ways and and that

1719

01:15:09,959 --> 01:15:06,280

is the only thing I can think I can't

1720

01:15:13,410 --> 01:15:09,969

really think of an agenda as to why we

1721

01:15:16,649 --> 01:15:13,420

probably will never know but it does

1722

01:15:19,169 --> 01:15:16,659

seem to be almost indifferent because it

1723

01:15:21,570 --> 01:15:19,179

can be positive it can be negative you

1724

01:15:24,629 --> 01:15:21,580

know I see a name here that somehow I

1725

01:15:26,930 --> 01:15:24,639

recognize but I can't seem to place it

1726

01:15:30,660 --> 01:15:26,940

dr. arg Owen

1727

01:15:34,260 --> 01:15:30,670

yes he actually did some experience

1728

01:15:37,109 --> 01:15:34,270

experiments in the 1970s in Toronto in

1729

01:15:41,640 --> 01:15:37,119

regards to this creation of a ghost

1730

01:15:44,459 --> 01:15:41,650

oh yes yes they did a seance Phillip

1731

01:15:47,129 --> 01:15:44,469

wasn't yes and they had some very

1732

01:15:49,919 --> 01:15:47,139

interesting results in regards to they

1733

01:15:51,750 --> 01:15:49,929

what they did is they took a various

1734

01:15:53,700 --> 01:15:51,760

group of people from the general public

1735

01:15:55,709 --> 01:15:53,710

and they put them together over a period

1736

01:15:57,990 --> 01:15:55,719

of months and their purpose was to

1737

01:16:00,990 --> 01:15:58,000

create sort of a fictional ghost story

1738

01:16:03,180 --> 01:16:01,000

and more or less meditate on it and do a

1739

01:16:05,850 --> 01:16:03,190

seance based around the fictional ghost

1740

01:16:08,189 --> 01:16:05,860

to see if they could create poltergeists

1741

01:16:10,649 --> 01:16:08,199

like effects and while they never had an

1742

01:16:12,839 --> 01:16:10,659

apparition what they did do is they got

1743

01:16:14,250 --> 01:16:12,849

a lot of the wraps and the knocking that

1744

01:16:15,600 --> 01:16:14,260

was I was investigating

1745

01:16:17,310 --> 01:16:15,610

then witnessed by several different

1746

01:16:20,460 --> 01:16:17,320

people including being filmed on

1747

01:16:23,400 --> 01:16:20,470

television and this is something that

1748

01:16:26,430 --> 01:16:23,410

has always inspired me in regards to

1749

01:16:29,940 --> 01:16:26,440

creating perhaps a UFO or creating

1750

01:16:31,740 --> 01:16:29,950

mentally a grey alien but I've wrestled

1751

01:16:33,750 --> 01:16:31,750

with a lot of ethical questions in

1752

01:16:38,490 --> 01:16:33,760

regards to that but it is something that

1753

01:16:43,440 --> 01:16:38,500

I am sort of working on well it's Mike

1754

01:16:46,500 --> 01:16:43,450

do you have a comment on the question um

1755

01:16:47,940 --> 01:16:46,510

well I mean so there's a fellow named

1756

01:16:50,940 --> 01:16:47,950

ray Hernandez who started an

1757

01:16:52,800 --> 01:16:50,950

organization called fre fre yeah I think

1758

01:16:57,030 --> 01:16:52,810

it's actually been changed the name has

1759

01:17:00,320 --> 01:16:57,040

been changed but he he's an amazing guy

1760

01:17:02,400 --> 01:17:00,330

yeah oh god just and so he did a like

1761

01:17:05,520 --> 01:17:02,410

statistical research and had folks from

1762

01:17:09,090 --> 01:17:05,530

Harvard statisticians scientists you

1763

01:17:10,890 --> 01:17:09,100

know doing these the research and they

1764

01:17:12,450 --> 01:17:10,900

talked to many thousands of people who

1765

01:17:13,860 --> 01:17:12,460

claimed the direct contact experience

1766

01:17:17,130 --> 01:17:13,870

and I think the number is roughly around

1767

01:17:18,590 --> 01:17:17,140

70 or 75 percent of the people say that

1768

01:17:21,450 --> 01:17:18,600

their experiences are positive and

1769

01:17:22,560 --> 01:17:21,460

conversely 30 or 25 percent of the

1770

01:17:24,690 --> 01:17:22,570

people say their experiences are

1771

01:17:26,250 --> 01:17:24,700

negative there's I'm doing this from my

1772

01:17:27,870 --> 01:17:26,260

head but somewhere in there there's

1773

01:17:29,850 --> 01:17:27,880

people who had neutral experiences but

1774

01:17:32,010 --> 01:17:29,860

that's that's kinda how it's been

1775

01:17:34,320 --> 01:17:32,020

playing out so on you know like well

1776

01:17:37,110 --> 01:17:34,330

then the good experiences outnumber the

1777

01:17:39,150 --> 01:17:37,120

bad makes it good that that's not really

1778

01:17:41,250 --> 01:17:39,160

how it but if you've had a bad

1779

01:17:42,390 --> 01:17:41,260

experience whatever hearing about a

1780

01:17:44,220 --> 01:17:42,400

bunch of people with good experiences

1781

01:17:47,340 --> 01:17:44,230

doesn't make your bad experience any

1782

01:17:48,870 --> 01:17:47,350

better but what I'm finding and I had to

1783

01:17:51,960 --> 01:17:48,880

kind of wrestle with us cuz I stepped

1784

01:17:53,700 --> 01:17:51,970

into this owl research you know trying

1785

01:17:55,590 --> 01:17:53,710

to likely I'm gonna remain neutral you

1786

01:17:58,320 --> 01:17:55,600

know this UFO experiences a bagworms

1787

01:18:04,320 --> 01:17:58,330

it's got a good and bad it's in what I

1788

01:18:06,510 --> 01:18:04,330

found is that the the owl the people who

1789

01:18:11,430 --> 01:18:06,520

are claiming these owl contact with UFOs

1790

01:18:14,610 --> 01:18:11,440

and owls and this is this is just going

1791

01:18:16,200 --> 01:18:14,620

off a straight mood right I mean I don't

1792

01:18:19,230 --> 01:18:16,210

I haven't gone through and created a

1793

01:18:21,480 --> 01:18:19,240

spreadsheet and and and listed all the

1794

01:18:23,760 --> 01:18:21,490

people's experiences good and bad my

1795

01:18:25,530 --> 01:18:23,770

sense is that there's the majority of

1796

01:18:27,989 --> 01:18:25,540

these owl experiences are very positive

1797

01:18:31,349 --> 01:18:27,999

a lot very positive but could be

1798

01:18:33,689 --> 01:18:31,359

seen in a positive light and Sue said

1799

01:18:36,629 --> 01:18:33,699

something um you know this is a

1800

01:18:39,659 --> 01:18:36,639

transformational experience in you know

1801

01:18:40,829 --> 01:18:39,669

people have UFO contact and she said it

1802

01:18:43,229 --> 01:18:40,839

straight up earlier than her own

1803

01:18:47,129 --> 01:18:43,239

experience she had to reassess her her

1804

01:18:49,559 --> 01:18:47,139

belief system and that's very common I'm

1805

01:18:52,619 --> 01:18:49,569

so so someone who sees a light in the

1806

01:18:54,209 --> 01:18:52,629

sky that that plays out like a UFO you

1807

01:18:55,859 --> 01:18:54,219

know that's one thing and the people who

1808

01:18:57,809 --> 01:18:55,869

see the little gray being standing in

1809

01:18:59,789 --> 01:18:57,819

their bedroom that's another thing both

1810

01:19:04,019 --> 01:18:59,799

of these events are gonna are going to

1811

01:19:07,229 --> 01:19:04,029

force anyone to to wrestle with the big

1812

01:19:08,429 --> 01:19:07,239

questions you know like the the you know

1813

01:19:11,009 --> 01:19:08,439

your junior high school science teacher

1814

01:19:13,169 --> 01:19:11,019

is gonna tell your reality is one way

1815

01:19:14,999 --> 01:19:13,179

and once you've had these experiences

1816

01:19:16,649 --> 01:19:15,009

you're gonna be you're gonna have your

1817

01:19:18,509 --> 01:19:16,659

own direct experience that it ain't that

1818

01:19:21,599 --> 01:19:18,519

way at all there's something much more

1819

01:19:24,629 --> 01:19:21,609

multi-layer to all this so my son my

1820

01:19:27,659 --> 01:19:24,639

junior high science teacher flunked me

1821

01:19:30,899 --> 01:19:27,669

anyway so I could care less because I

1822

01:19:32,669 --> 01:19:30,909

gave a report on astronomy because I was

1823

01:19:35,339 --> 01:19:32,679

into you know astronomy you know and he

1824

01:19:37,679 --> 01:19:35,349

said oh I must have copied it from the

1825

01:19:39,839 --> 01:19:37,689

encyclopedia because I knew you know

1826

01:19:42,509 --> 01:19:39,849

what too many of the answers you know

1827

01:19:44,639 --> 01:19:42,519

like a somebody in junior high can't

1828

01:19:47,609 --> 01:19:44,649

have a brain or intelligence or what

1829

01:19:49,349 --> 01:19:47,619

have you not well but yes but he's also

1830

01:19:51,359 --> 01:19:49,359

and that my point was being that he

1831

01:19:52,679 --> 01:19:51,369

defined you know like there's that

1832

01:19:54,389 --> 01:19:52,689

there's a consensus how we're supposed

1833

01:19:57,599 --> 01:19:54,399

to define reality in our culture yeah

1834

01:19:58,979 --> 01:19:57,609

there is yes in it and when you get down

1835

01:19:59,639 --> 01:19:58,989

to the nitty-gritty whether I mean I

1836

01:20:02,849 --> 01:19:59,649

don't care whether you're doing

1837

01:20:04,469 --> 01:20:02,859

poltergeist stuff or or you know even

1838

01:20:05,579 --> 01:20:04,479

Marian apparitions or something like

1839

01:20:08,159 --> 01:20:05,589

that you're gonna find out very quickly

1840

01:20:11,459 --> 01:20:08,169

that that reality doesn't match what

1841

01:20:14,069 --> 01:20:11,469

we're being told but um and yes so they

1842

01:20:16,919 --> 01:20:14,079

all would be the the totem animal like

1843

01:20:19,919 --> 01:20:16,929

the symbolic symbol I guess symbolic

1844

01:20:24,029 --> 01:20:19,929

symbols redundant but like the symbol of

1845

01:20:26,219 --> 01:20:24,039

the of the transformative experience and

1846

01:20:29,009 --> 01:20:26,229

and I've really come to see it that way

1847

01:20:31,439 --> 01:20:29,019

and I've also sensed that these even the

1848

01:20:34,049 --> 01:20:31,449

people have the good experiences like

1849

01:20:37,649 --> 01:20:34,059

this stuff ain't easy this stuff is hard

1850

01:20:40,109 --> 01:20:37,659

right now maybe a good positive vibe in

1851

01:20:41,680 --> 01:20:40,119

the moment and they're maybe after years

1852

01:20:45,729 --> 01:20:41,690

of wrestling with it a

1853

01:20:47,260 --> 01:20:45,739

a spiritual change to the positive well

1854

01:20:51,280 --> 01:20:47,270

now do you think certain people are

1855

01:20:53,439 --> 01:20:51,290

picked like or were you chosen we did a

1856

01:20:55,510 --> 01:20:53,449

book UFO repeaters you know the camera

1857

01:20:57,939 --> 01:20:55,520

doesn't lie where some people seem to

1858

01:21:00,250 --> 01:20:57,949

have the uncanny ability you give them a

1859

01:21:02,850 --> 01:21:00,260

camera and they go out at night and pop

1860

01:21:05,560 --> 01:21:02,860

pop pop here's unusual things that

1861

01:21:07,300 --> 01:21:05,570

appear on the I was going to say film

1862

01:21:11,320 --> 01:21:07,310

there is no such thing anymore but

1863

01:21:13,510 --> 01:21:11,330

better you know a peer and there doesn't

1864

01:21:16,000 --> 01:21:13,520

seem to be a rhyme or reason for it we

1865

01:21:18,430 --> 01:21:16,010

have a fellow here in New York market

1866

01:21:22,570 --> 01:21:18,440

breaker horf he can aim his camera

1867

01:21:25,390 --> 01:21:22,580

outside his livingroom window and and

1868

01:21:27,459 --> 01:21:25,400

and photograph strange things in the in

1869

01:21:29,770 --> 01:21:27,469

the sky you know I mean it just seems

1870

01:21:32,860 --> 01:21:29,780

like some people I was going to say

1871

01:21:35,200 --> 01:21:32,870

chosen but that might be too strong of a

1872

01:21:39,610 --> 01:21:35,210

I don't think it's too strong words well

1873

01:21:41,800 --> 01:21:39,620

maybe it isn't just I know mark I know

1874

01:21:43,570 --> 01:21:41,810

marks think I ought to and I mean some

1875

01:21:45,010 --> 01:21:43,580

of the some of the images you know a

1876

01:21:46,570 --> 01:21:45,020

certain percentage of them are like wow

1877

01:21:48,010 --> 01:21:46,580

I look at that thing and a maybe it's

1878

01:21:51,340 --> 01:21:48,020

just a little dot in the sky I don't

1879

01:21:53,470 --> 01:21:51,350

know others are very remarkable well you

1880

01:21:54,370 --> 01:21:53,480

know the early ones like he took in

1881

01:21:56,260 --> 01:21:54,380

Brewster New York

1882

01:21:59,500 --> 01:21:56,270

you can actually see what appeared to be

1883

01:22:02,229 --> 01:21:59,510

a silhouette of somebody inside the the

1884

01:22:04,240 --> 01:22:02,239

port the window in the in the craft and

1885

01:22:11,530 --> 01:22:04,250

I will say that mark Brinkerhoff is as

1886

01:22:14,080 --> 01:22:11,540

as radiant and using any person that's

1887

01:22:17,830 --> 01:22:14,090

walking this earth right now I would I

1888

01:22:20,610 --> 01:22:17,840

would agree we ran into him up in Pine

1889

01:22:22,660 --> 01:22:20,620

Bush you know they had a little mini

1890

01:22:25,060 --> 01:22:22,670

conference up there I guess they do

1891

01:22:28,689 --> 01:22:25,070

every year and now there must be what

1892

01:22:30,160 --> 01:22:28,699

about twelve UFO conventions festivals I

1893

01:22:33,010 --> 01:22:30,170

guess that's the word for it now around

1894

01:22:35,770 --> 01:22:33,020

the around the country you know and the

1895

01:22:38,110 --> 01:22:35,780

of course probably Point Pleasant is the

1896

01:22:43,420 --> 01:22:38,120

largest and you got McMinnville and

1897

01:22:46,090 --> 01:22:43,430

Exeter New Hampshire you know and now

1898

01:22:48,310 --> 01:22:46,100

what would you say micah is the the can

1899

01:22:51,430 --> 01:22:48,320

you name us maybe one or two cases it

1900

01:22:54,580 --> 01:22:51,440

you follow that best are examples of

1901

01:22:55,330 --> 01:22:54,590

what you feel is a good solid case that

1902

01:22:57,459 --> 01:22:55,340

brings in

1903

01:22:59,470 --> 01:22:57,469

some of this paranormal aspect I mean

1904

01:23:02,050 --> 01:22:59,480

what what are your your favorite cases

1905

01:23:04,030 --> 01:23:02,060

that you look to oh yeah well I'm sort

1906

01:23:06,189 --> 01:23:04,040

of like my I'm being swamped with my own

1907

01:23:07,390 --> 01:23:06,199

cases and I mean I would be tough for me

1908

01:23:09,160 --> 01:23:07,400

just to come up with something right off

1909

01:23:13,240 --> 01:23:09,170

the top you know honestly I'm I'm more

1910

01:23:14,800 --> 01:23:13,250

interested like I almost like the book

1911

01:23:16,570 --> 01:23:14,810

that I wrote I kind of say it's a UFO

1912

01:23:17,740 --> 01:23:16,580

book without any UFOs that's not true

1913

01:23:19,629 --> 01:23:17,750

because there's definitely people who

1914

01:23:21,129 --> 01:23:19,639

describe UFOs in it there's a handful of

1915

01:23:24,149 --> 01:23:21,139

accounts where people pointed things in

1916

01:23:26,439 --> 01:23:24,159

the sky and I and I recount those but

1917

01:23:28,479 --> 01:23:26,449

what I'm more interested in is this

1918

01:23:30,820 --> 01:23:28,489

outlying aspect this kind of mystical

1919

01:23:34,600 --> 01:23:30,830

aspect these kind of elusive things that

1920

01:23:36,669 --> 01:23:34,610

show up in in the research and and I

1921

01:23:37,899 --> 01:23:36,679

mean I could I mean if you I could talk

1922

01:23:42,640 --> 01:23:37,909

all night about some of these things but

1923

01:23:46,570 --> 01:23:42,650

there's one fellow who I'll try to make

1924

01:23:49,450 --> 01:23:46,580

this quick I guess but um he he had a

1925

01:23:51,550 --> 01:23:49,460

handful of experiences and and so he so

1926

01:23:54,220 --> 01:23:51,560

he's had experiences that absolutely

1927

01:23:56,890 --> 01:23:54,230

play out within the definition of UFO

1928

01:23:58,810 --> 01:23:56,900

abduction and UFO contact and like sue

1929

01:24:01,000 --> 01:23:58,820

you ask him and he says I don't know I

1930

01:24:05,200 --> 01:24:01,010

have no I can't go there like he's in

1931

01:24:06,520 --> 01:24:05,210

but you know from an outsider listening

1932

01:24:10,240 --> 01:24:06,530

to it that's what it sounds like so I

1933

01:24:14,109 --> 01:24:10,250

can't speak for him he um he went on a

1934

01:24:15,820 --> 01:24:14,119

hike with his kids and there was an owl

1935

01:24:17,410 --> 01:24:15,830

in a tree and it followed them while

1936

01:24:19,510 --> 01:24:17,420

they were hiking on this trail his kids

1937

01:24:20,770 --> 01:24:19,520

were very young and he said it the kids

1938

01:24:22,390 --> 01:24:20,780

loved it they thought it was the coolest

1939

01:24:24,370 --> 01:24:22,400

thing this all would fly along I would

1940

01:24:25,959 --> 01:24:24,380

fly with him and then it kind of creeped

1941

01:24:28,419 --> 01:24:25,969

him out so he got home that night

1942

01:24:30,430 --> 01:24:28,429

and he read aloud from a book and the

1943

01:24:32,939 --> 01:24:30,440

book was called Seibu and it's a little

1944

01:24:35,950 --> 01:24:32,949

kids book and it's about an owl hoo-hoo

1945

01:24:38,890 --> 01:24:35,960

excuse me it's about a ghost who it's

1946

01:24:40,780 --> 01:24:38,900

coming on Halloween and the ghost is

1947

01:24:42,010 --> 01:24:40,790

tried gonna scare people because it's

1948

01:24:43,180 --> 01:24:42,020

Halloween and that's what goes to on

1949

01:24:45,820 --> 01:24:43,190

Halloween there's gonna say boo and

1950

01:24:48,220 --> 01:24:45,830

scare people but it just couldn't find

1951

01:24:50,260 --> 01:24:48,230

his voice and it couldn't say boo and

1952

01:24:53,589 --> 01:24:50,270

when you say there's in in like little

1953

01:24:57,040 --> 01:24:53,599

kids book he the the ghost meets a cow

1954

01:24:59,800 --> 01:24:57,050

in the cow says Moo and he says Moo so

1955

01:25:01,600 --> 01:24:59,810

then he meets an owl and the owl says

1956

01:25:03,430 --> 01:25:01,610

hoo and he says who so they can't quite

1957

01:25:05,500 --> 01:25:03,440

say boo and by the end of the book he

1958

01:25:07,180 --> 01:25:05,510

finds his voice but he's reading aloud

1959

01:25:09,069 --> 01:25:07,190

from this book that the kids picked the

1960

01:25:11,260 --> 01:25:09,079

day they saw the owl

1961

01:25:14,169 --> 01:25:11,270

in this fellow's name is Ben and there's

1962

01:25:19,120 --> 01:25:14,179

a line in the book and it says and then

1963

01:25:20,140 --> 01:25:19,130

Ben saw an owl up in a pine tree and at

1964

01:25:22,240 --> 01:25:20,150

that moment the dog starts barking

1965

01:25:24,160 --> 01:25:22,250

downstairs so he runs downstairs in the

1966

01:25:28,089 --> 01:25:24,170

opens door there's nothing out there

1967

01:25:30,160 --> 01:25:28,099

he feels impelled to look up work and he

1968

01:25:31,839 --> 01:25:30,170

looks up and there's an owl in the pine

1969

01:25:34,689 --> 01:25:31,849

tree nice guys name is Ben the last

1970

01:25:36,850 --> 01:25:34,699

words he wrote is and spoke aloud were

1971

01:25:38,850 --> 01:25:36,860

and then Ben looked up in the tall pine

1972

01:25:44,410 --> 01:25:38,860

tree and saw an owl that's exactly what

1973

01:25:47,890 --> 01:25:44,420

happened now this is a this is a string

1974

01:25:50,770 --> 01:25:47,900

of synchronicities in working with this

1975

01:25:53,680 --> 01:25:50,780

in the book there's a few more stories

1976

01:25:55,780 --> 01:25:53,690

that play into this but Ben has been

1977

01:25:57,459 --> 01:25:55,790

struggling to find his voice in he's

1978

01:26:00,339 --> 01:25:57,469

basically saying this is the same story

1979

01:26:02,010 --> 01:26:00,349

this is my story I am struggling to find

1980

01:26:07,299 --> 01:26:02,020

my voice to try to talk about this stuff

1981

01:26:10,810 --> 01:26:07,309

he sees that event and as do I is

1982

01:26:13,780 --> 01:26:10,820

somehow orchestrated to allow to like

1983

01:26:16,930 --> 01:26:13,790

reinforce that he needs to speak aloud

1984

01:26:18,669 --> 01:26:16,940

the the story is of a ghost named Ben

1985

01:26:21,390 --> 01:26:18,679

trying to find his voice he's confronted

1986

01:26:23,500 --> 01:26:21,400

with an owl this is someone whose UFO

1987

01:26:29,140 --> 01:26:23,510

experiences that certainly play out like

1988

01:26:30,459 --> 01:26:29,150

UFO contact experiences and he um he has

1989

01:26:32,379 --> 01:26:30,469

this at this experience was a little

1990

01:26:35,770 --> 01:26:32,389

kids book so this is the kind of stuff

1991

01:26:37,359 --> 01:26:35,780

that really lights a fire for me you

1992

01:26:39,430 --> 01:26:37,369

know like I'm this is the kind of stuff

1993

01:26:42,899 --> 01:26:39,440

I want to explore and want if I want to

1994

01:26:45,669 --> 01:26:42,909

pull on these threads same with you know

1995

01:26:48,339 --> 01:26:45,679

there are a lot of people who have had

1996

01:26:51,490 --> 01:26:48,349

these synchronicities in fact uh Raymond

1997

01:26:53,589 --> 01:26:51,500

Fowler did a whole book on UFOs and

1998

01:26:55,510 --> 01:26:53,599

synchronicities and the book that I did

1999

01:26:58,270 --> 01:26:55,520

about philip k dick and my experiences

2000

01:27:00,100 --> 01:26:58,280

runs about for what 440 pages you could

2001

01:27:02,979 --> 01:27:00,110

use it as a door stopper or something

2002

01:27:06,419 --> 01:27:02,989

you know and and I will also add that

2003

01:27:10,149 --> 01:27:06,429

Raymond Fowler has owl right in his name

2004

01:27:14,229 --> 01:27:10,159

whoa that deny that doesn't mean much a

2005

01:27:16,330 --> 01:27:14,239

lot of people are good one though and

2006

01:27:18,490 --> 01:27:16,340

also Raymond Fowler has come out with

2007

01:27:20,350 --> 01:27:18,500

his own UFO contact experiences he's

2008

01:27:21,980 --> 01:27:20,360

basically said straight up he's a UFO

2009

01:27:25,470 --> 01:27:21,990

abductee

2010

01:27:28,530 --> 01:27:25,480

so now okay all these synchronicities

2011

01:27:31,560 --> 01:27:28,540

and and so-called coincidences the thing

2012

01:27:33,600 --> 01:27:31,570

that I'm struggling with is is there

2013

01:27:37,770 --> 01:27:33,610

somebody that's organizing this I mean

2014

01:27:39,360 --> 01:27:37,780

is there a matrix control system there

2015

01:27:41,490 --> 01:27:39,370

sure seems to be isn't there I mean I

2016

01:27:43,530 --> 01:27:41,500

sure feel like there's like somebody

2017

01:27:44,370 --> 01:27:43,540

like it feels like we're in the you know

2018

01:27:46,230 --> 01:27:44,380

what he called me I like in the

2019

01:27:48,270 --> 01:27:46,240

laboratory right there's a maze of the

2020

01:27:50,430 --> 01:27:48,280

rats are in right and we are somehow

2021

01:27:51,990 --> 01:27:50,440

specially bred rats where we don't have

2022

01:27:54,090 --> 01:27:52,000

the ability to look up out of the maze

2023

01:27:55,950 --> 01:27:54,100

right but they whoever they might be

2024

01:27:57,120 --> 01:27:55,960

I feel I see they're seen with her

2025

01:27:58,860 --> 01:27:57,130

clipboards and they got their little

2026

01:28:00,750 --> 01:27:58,870

white lab coats and they're looking into

2027

01:28:03,120 --> 01:28:00,760

the maze they can see us but we cannot

2028

01:28:04,920 --> 01:28:03,130

see them excepting very occasionally

2029

01:28:10,250 --> 01:28:04,930

we'll get a glimpse of them this is you

2030

01:28:13,260 --> 01:28:10,260

know Jhansi Lily who wrote the ie the

2031

01:28:16,380 --> 01:28:13,270

cyclone I believe it was called now he

2032

01:28:18,120 --> 01:28:16,390

had a course he was the inventor if

2033

01:28:22,040 --> 01:28:18,130

that's the right word of the flotation

2034

01:28:24,000 --> 01:28:22,050

tank and he had a quite a number of

2035

01:28:27,120 --> 01:28:24,010

synchronicities that almost seemed to

2036

01:28:30,380 --> 01:28:27,130

have gained control of his his life and

2037

01:28:35,250 --> 01:28:30,390

he thought actually that there was a

2038

01:28:37,890 --> 01:28:35,260

synchronicity Review Board and I'm not

2039

01:28:41,570 --> 01:28:37,900

so sure that I would disagree with that

2040

01:28:44,610 --> 01:28:41,580

because these things do seem to be

2041

01:28:48,060 --> 01:28:44,620

organized and and persistent and just

2042

01:28:50,370 --> 01:28:48,070

like some people are UFO repeaters I am

2043

01:28:52,200 --> 01:28:50,380

a synchronicity repeater and other

2044

01:28:54,450 --> 01:28:52,210

people go through life and they don't

2045

01:28:55,980 --> 01:28:54,460

seem to have outside of thinking of

2046

01:28:59,430 --> 01:28:55,990

somebody and they call on the phone or

2047

01:29:02,690 --> 01:28:59,440

looking up in the clock says 111 or

2048

01:29:05,610 --> 01:29:02,700

something like that they seem to have no

2049

01:29:08,880 --> 01:29:05,620

synchronicities of any consequence

2050

01:29:13,110 --> 01:29:08,890

whatsoever I don't know it's just it's

2051

01:29:15,180 --> 01:29:13,120

it's a wild and wooly and hairy subject

2052

01:29:17,070 --> 01:29:15,190

I guess and I think synchronicities are

2053

01:29:18,750 --> 01:29:17,080

I mean so you go to a UFO convention

2054

01:29:20,220 --> 01:29:18,760

right there you sit in a room with with

2055

01:29:24,180 --> 01:29:20,230

the which I have done with the people

2056

01:29:26,250 --> 01:29:24,190

who have a UFO support group for folks

2057

01:29:27,630 --> 01:29:26,260

who are experienced or abductees or

2058

01:29:29,940 --> 01:29:27,640

whatever word you want to use and you

2059

01:29:31,560 --> 01:29:29,950

ask the question you pose the question

2060

01:29:34,020 --> 01:29:31,570

has anyone in this room what have you

2061

01:29:35,200 --> 01:29:34,030

had experiences with synchronicities it

2062

01:29:38,110 --> 01:29:35,210

is like everyone

2063

01:29:40,120 --> 01:29:38,120

the room is is like it is they say it

2064

01:29:45,040 --> 01:29:40,130

happens 2,000 times a day there they're

2065

01:29:47,709 --> 01:29:45,050

hit so hard so endlessly so on I mean it

2066

01:29:50,500 --> 01:29:47,719

is so if following that logic people who

2067

01:29:52,990 --> 01:29:50,510

have UFO experiences have synchronicity

2068

01:29:54,550 --> 01:29:53,000

I also I remember I so I read this I

2069

01:29:56,020 --> 01:29:54,560

wrote an essay about synchronicity a

2070

01:29:58,000 --> 01:29:56,030

while ago and I and I kind of talked to

2071

01:30:00,280 --> 01:29:58,010

a friend of mine and said you know um

2072

01:30:02,770 --> 01:30:00,290

people who have UFO experiences have

2073

01:30:04,570 --> 01:30:02,780

more synchronicities than Joe normal and

2074

01:30:06,040 --> 01:30:04,580

she looked at me and she kind of rolled

2075

01:30:07,180 --> 01:30:06,050

her eyes and she said anyone on a

2076

01:30:08,830 --> 01:30:07,190

spiritual path would have

2077

01:30:11,260 --> 01:30:08,840

synchronicities and I think that's true

2078

01:30:12,850 --> 01:30:11,270

I think someone like you know someone

2079

01:30:14,320 --> 01:30:12,860

meditating in a mountaintop is gonna

2080

01:30:17,880 --> 01:30:14,330

have more synchronicities than joe

2081

01:30:22,170 --> 01:30:17,890

normal so on that you follow that logic

2082

01:30:24,760 --> 01:30:22,180

then UFO contact is a spiritual path

2083

01:30:28,300 --> 01:30:24,770

sure and synchronicities are also

2084

01:30:30,220 --> 01:30:28,310

considered their their magic I mean they

2085

01:30:32,110 --> 01:30:30,230

they are magic you can actually create

2086

01:30:33,400 --> 01:30:32,120

synchronicities and I often sometimes

2087

01:30:34,990 --> 01:30:33,410

speculate with some of the

2088

01:30:38,470 --> 01:30:35,000

synchronicities are we creating them

2089

01:30:40,090 --> 01:30:38,480

from the future for ourselves this is

2090

01:30:42,790 --> 01:30:40,100

this is opening a whole other can of

2091

01:30:44,709 --> 01:30:42,800

worms but I do see the the strong

2092

01:30:47,020 --> 01:30:44,719

connection between UFO experience and

2093

01:30:50,770 --> 01:30:47,030

synchronicity I think it's worth

2094

01:30:52,300 --> 01:30:50,780

exploring more unfortunately we are

2095

01:30:54,160 --> 01:30:52,310

getting close to the end of the program

2096

01:30:56,620 --> 01:30:54,170

so I want to give our guests the

2097

01:30:59,110 --> 01:30:56,630

opportunity to let our listeners know

2098

01:31:00,820 --> 01:30:59,120

where they can find out more about em

2099

01:31:03,040 --> 01:31:00,830

new books

2100

01:31:07,540 --> 01:31:03,050

places you're going to be speaking maybe

2101  
01:31:09,910 --> 01:31:07,550  
in the near future so Susan let's let's

2102  
01:31:11,350 --> 01:31:09,920  
go with you first what's what's going on

2103  
01:31:13,420 --> 01:31:11,360  
with you and where can our listeners

2104  
01:31:15,640 --> 01:31:13,430  
find out more about you well I'm

2105  
01:31:18,700 --> 01:31:15,650  
currently in research mode for a book

2106  
01:31:21,040 --> 01:31:18,710  
and of course please you know check out

2107  
01:31:22,630 --> 01:31:21,050  
Robby Graham's book UFOs reframing the

2108  
01:31:25,120 --> 01:31:22,640  
debate where I have the essay and the

2109  
01:31:27,310 --> 01:31:25,130  
other essays are great and then give you

2110  
01:31:30,040 --> 01:31:27,320  
a lot of food for thought you can find

2111  
01:31:32,050 --> 01:31:30,050  
out what I'm up to on Susan st. Clair

2112  
01:31:38,650 --> 01:31:32,060  
comm and so that's Susan

2113  
01:31:40,150 --> 01:31:38,660

St Clair CLA I are calm all right that

2114

01:31:42,100 --> 01:31:40,160

gives a list of other things on there

2115

01:31:44,830 --> 01:31:42,110

too and links to stuff I've done and

2116

01:31:48,310 --> 01:31:44,840

other places I've written for we have

2117

01:31:51,340 --> 01:31:48,320

that we also have that leak in on our

2118

01:31:53,890 --> 01:31:51,350

website here at the K cor radio so and

2119

01:31:55,300 --> 01:31:53,900

Mike what about you you've got a new

2120

01:31:57,810 --> 01:31:55,310

book coming out real soon don't you

2121

01:31:59,770 --> 01:31:57,820

I hope it's real soon oh my gosh it's

2122

01:32:01,990 --> 01:31:59,780

somehow these things just take forever

2123

01:32:04,270 --> 01:32:02,000

yes I'm I'm working on a companion to

2124

01:32:06,130 --> 01:32:04,280

the owl book basically I had so much

2125

01:32:08,410 --> 01:32:06,140

stuff I had leftover stuff that wouldn't

2126  
01:32:10,270 --> 01:32:08,420  
fit in the owl book and I'm so it's it's

2127  
01:32:11,860 --> 01:32:10,280  
gonna be about a 250 page book that's

2128  
01:32:13,930 --> 01:32:11,870  
coming out very soon with more owl

2129  
01:32:16,270 --> 01:32:13,940  
stories where people are allowed to tell

2130  
01:32:17,980 --> 01:32:16,280  
their their experiences more completely

2131  
01:32:19,690 --> 01:32:17,990  
and more fully that was one of the

2132  
01:32:21,640 --> 01:32:19,700  
heartbreaking things about doing this I

2133  
01:32:24,070 --> 01:32:21,650  
had an idea like he wanted like present

2134  
01:32:26,740 --> 01:32:24,080  
an idea and you kind of like cherry-pick

2135  
01:32:29,110 --> 01:32:26,750  
a tiny little fracked a lot of someone's

2136  
01:32:30,250 --> 01:32:29,120  
overall grand experience and then I just

2137  
01:32:32,380 --> 01:32:30,260  
broke my heart that I couldn't tell

2138  
01:32:34,630 --> 01:32:32,390

people's stories more completely that

2139

01:32:37,120 --> 01:32:34,640

book I hope will be out within the next

2140

01:32:41,860 --> 01:32:37,130

couple months well the full moon to

2141

01:32:44,620 --> 01:32:41,870

floss the full moon is all right maybe

2142

01:32:46,180 --> 01:32:44,630

it isn't a full moon well anyway I know

2143

01:32:49,390 --> 01:32:46,190

and it looks like there's a full moon

2144

01:32:51,690 --> 01:32:49,400

but in my case who really knows anyway

2145

01:32:57,100 --> 01:32:51,700

it's been another really interesting

2146

01:33:01,270 --> 01:32:57,110
