

EXPLORING THE BIZARRE

LINDSAY SENTER

WILLIAM KENT SENTER

TIM BECKLEY

TIM SWARTZ

1
00:00:37,450 --> 00:00:21,840

[Music]

2
00:00:44,410 --> 00:00:41,750

explode the bazaars are your e-ticket

3
00:00:47,720 --> 00:00:44,420

ride into the world of the paranoid

4
00:00:52,000 --> 00:00:47,730

strap yourself in as we traverse the

5
00:00:55,149 --> 00:00:52,010

universe exploring the unexplained UFO s

6
00:00:57,530 --> 00:00:55,159

ghosts Lost Worlds

7
00:01:01,369 --> 00:00:57,540

cryptozoology waters as well as other

8
00:01:06,529 --> 00:01:01,379

dimensions it's time to take back the

9
00:01:09,620 --> 00:01:06,539

night now your electrifying hosts of

10
00:01:18,800 --> 00:01:09,630

exploring the bizarre Timothy Begley and

11
00:01:21,499 --> 00:01:18,810

team sports wow what an eerie sight this

12
00:01:25,969 --> 00:01:21,509

is out here Here I am all alone on this

13
00:01:29,180 --> 00:01:25,979

deserted road and and I'm out hunting

14

00:01:32,139 --> 00:01:29,190
for UFOs I remember back in Warminster

15

00:01:34,399 --> 00:01:32,149
England I actually signaled with one

16

00:01:34,940 --> 00:01:34,409
similar to this object actually in the

17

00:01:37,010 --> 00:01:34,950
sky

18

00:01:39,109 --> 00:01:37,020
I had a big torchlight a big searchlight

19

00:01:41,570 --> 00:01:39,119
in my hand and I blinked it on and off

20

00:01:43,460 --> 00:01:41,580
and on and off and on and off I hear the

21

00:01:45,949 --> 00:01:43,470
crickets and the whooping of the the

22

00:01:50,330 --> 00:01:45,959
frogs and the Owls and let me try

23

00:01:52,490 --> 00:01:50,340
blinking at this UFO blink blink oh look

24

00:01:55,490 --> 00:01:52,500
at it it seems to be responding there's

25

00:01:56,990 --> 00:01:55,500
a UFO in the sky there's a Starman maybe

26

00:01:59,210 --> 00:01:57,000

he's come to take me away

27

00:02:01,940 --> 00:01:59,220

I hope he's friendly because I know our

28

00:02:04,010 --> 00:02:01,950

guest star tonight as far as our co-host

29

00:02:06,440 --> 00:02:04,020

Tim Schwartz out there in Jasper Indiana

30

00:02:08,479 --> 00:02:06,450

oh no here comes the mothership

31

00:02:11,390 --> 00:02:08,489

right behind the Scout craft well I

32

00:02:13,550 --> 00:02:11,400

better get back into the car and and try

33

00:02:18,559 --> 00:02:13,560

to get out of here I don't trust all of

34

00:02:21,050 --> 00:02:18,569

these aliens Tim if they take your way

35

00:02:21,740 --> 00:02:21,060

give me your car keys you're my right

36

00:02:26,180 --> 00:02:21,750

out of here

37

00:02:29,110 --> 00:02:26,190

oh well I don't know that it did it look

38

00:02:32,270 --> 00:02:29,120

like he was aiming it you were at me oh

39

00:02:34,009 --> 00:02:32,280

thank you thank you very much all right

40

00:02:41,570 --> 00:02:34,019

okay they can they can take you now oh

41

00:02:44,149 --> 00:02:41,580

good is that the car keys probably want

42

00:02:47,180 --> 00:02:44,159

to take over control of the show as well

43

00:02:50,280 --> 00:02:47,190

uh-huh nobody can take over this take

44

00:02:51,869 --> 00:02:50,290

over this show like you do Tim

45

00:02:53,849 --> 00:02:51,879

bless you bless your heart there'll be

46

00:02:57,569 --> 00:02:53,859

something in your Christmas bonus this

47

00:03:00,229 --> 00:02:57,579

year Oh more more coal in my stockings

48

00:03:03,690 --> 00:03:00,239

hey speaking of bonus if anybody's got a

49

00:03:05,819 --> 00:03:03,700

good office chair I did a donation this

50

00:03:08,490 --> 00:03:05,829

thing rattles and rolls like you

51
00:03:12,330 --> 00:03:08,500
wouldn't wouldn't believe and it's so

52
00:03:14,970 --> 00:03:12,340
uncomfortable to be seated on for two

53
00:03:18,059 --> 00:03:14,980
hours even with three pillows on it so

54
00:03:20,220 --> 00:03:18,069
just send it in a cardboard box email me

55
00:03:22,920 --> 00:03:20,230
or give me on Facebook and I'll give you

56
00:03:24,690 --> 00:03:22,930
my address and and and set and send it

57
00:03:28,610 --> 00:03:24,700
over no more recliner so I don't have

58
00:03:31,349 --> 00:03:28,620
any room for so so so Tim enough of this

59
00:03:33,839 --> 00:03:31,359
chatter here I know we're getting ready

60
00:03:38,360 --> 00:03:33,849
for Thanksgiving yeah have you got to

61
00:03:45,979 --> 00:03:42,300
yes that's right we've got our

62
00:03:48,509 --> 00:03:45,989
free-range turkeys that I'm gonna send

63
00:03:51,420 --> 00:03:48,519

Melissa out with the hatchet to I pick

64

00:03:54,479 --> 00:03:51,430

one and and take it out because I just

65

00:03:57,420 --> 00:03:54,489

don't have the heart for it well yeah

66

00:03:59,939 --> 00:03:57,430

you know one of the famous coffee shops

67

00:04:03,479 --> 00:03:59,949

I guess I could mention it that could

68

00:04:05,429 --> 00:04:03,489

Donuts has an ice cream turkey for

69

00:04:07,589 --> 00:04:05,439

Thanksgiving but you can only order it

70

00:04:09,689 --> 00:04:07,599

online now I'm not saying that you

71

00:04:12,890 --> 00:04:09,699

should I'm not saying that you shouldn't

72

00:04:18,270 --> 00:04:12,900

I just think it's very bizarre I mean I

73

00:04:20,610 --> 00:04:18,280

look at the the photo in the Dunkin

74

00:04:20,969 --> 00:04:20,620

Donuts and I can't tell whether it's ice

75

00:04:22,860 --> 00:04:20,979

cream

76

00:04:25,560 --> 00:04:22,870

it covered with chocolate or it's a real

77

00:04:27,600 --> 00:04:25,570

turkey covered with chocolate yes I'm

78

00:04:31,620 --> 00:04:27,610

gonna ask why I would have one of our

79

00:04:33,600 --> 00:04:31,630

brave and listeners to find out and it

80

00:04:36,899 --> 00:04:33,610

for us and check in with us a little

81

00:04:39,659 --> 00:04:36,909

snow anyway we have our tonight because

82

00:04:43,850 --> 00:04:39,669

I'm raring to go and I'm very excited

83

00:04:46,469 --> 00:04:43,860

about this show because by way of

84

00:04:51,719 --> 00:04:46,479

synchronicity I know what are the guests

85

00:04:53,520 --> 00:04:51,729

tonight Oh fantastic well we have as as

86

00:04:57,540 --> 00:04:53,530

usual we have two fantastic cast tonight

87

00:05:01,060 --> 00:04:57,550

we have William Kent Center now William

88

00:05:04,000 --> 00:05:01,070

or or is it can't you

89

00:05:06,130 --> 00:05:04,010

go by Kent okay let's go back in that's

90

00:05:10,840 --> 00:05:06,140

what I thought well Kent was born in

91

00:05:16,690 --> 00:05:10,850

1953 in Durham North Carolina and after

92

00:05:20,800 --> 00:05:16,700

having several UFO experiences at a at a

93

00:05:25,510 --> 00:05:20,810

fairly young age he really kind of

94

00:05:27,850 --> 00:05:25,520

became disenchanted by the ridicule that

95

00:05:31,390 --> 00:05:27,860

he got what he tried to tell others

96

00:05:34,450 --> 00:05:31,400

about it and I tell you a Kent I have

97

00:05:38,380 --> 00:05:34,460

had so many witnesses tell me the very

98

00:05:40,060 --> 00:05:38,390

same thing so I can see where that you

99

00:05:43,120 --> 00:05:40,070

know that really got to started in all

100

00:05:45,310 --> 00:05:43,130

this so in the mid-1980s

101
00:05:47,500 --> 00:05:45,320
I can't felt that he had to do more than

102
00:05:50,590 --> 00:05:47,510
just research and that's when he

103
00:05:52,660 --> 00:05:50,600
searched out George faucets another

104
00:05:54,490 --> 00:05:52,670
well-known researcher in North Carolina

105
00:05:58,120 --> 00:05:54,500
and the two started the North Carolina

106
00:06:01,180 --> 00:05:58,130
State Chapter for MUFON and in 2013

107
00:06:03,730 --> 00:06:01,190
Center started the Center for UFO

108
00:06:05,350 --> 00:06:03,740
research North Carolina and hosted their

109
00:06:07,690 --> 00:06:05,360
first conference in June that of that

110
00:06:13,150 --> 00:06:07,700
year and then they had another last

111
00:06:15,700 --> 00:06:13,160
October in 2016 so also joining us

112
00:06:18,880 --> 00:06:15,710
tonight is Kent's daughter Lindsay

113
00:06:22,270 --> 00:06:18,890

Center now Lindsay is the daughter as we

114

00:06:27,700 --> 00:06:22,280

said of Williams Center and you know the

115

00:06:33,450 --> 00:06:27,710

UFO mystery has always played a major

116

00:06:36,610 --> 00:06:33,460

role throughout her life she says that

117

00:06:38,740 --> 00:06:36,620

you know at times that she has become

118

00:06:40,690 --> 00:06:38,750

disheartened about the prejudice that

119

00:06:42,940 --> 00:06:40,700

surrounds the UFO mystery and she states

120

00:06:45,190 --> 00:06:42,950

that she's often reluctant to bring up

121

00:06:48,310 --> 00:06:45,200

the subject even around friends because

122

00:06:51,010 --> 00:06:48,320

of the dismissive added attitudes and

123

00:06:53,350 --> 00:06:51,020

jokes that people always tend to make

124

00:06:54,430 --> 00:06:53,360

when you want to talk about UFOs you

125

00:06:55,900 --> 00:06:54,440

know what are people you know what are

126

00:06:58,600 --> 00:06:55,910

their injury lookout drugs have been

127

00:07:01,090 --> 00:06:58,610

taking and you know she as she finds

128

00:07:03,880 --> 00:07:01,100

that frustrating and when asked what she

129

00:07:05,860 --> 00:07:03,890

was most interested in about UFOs and

130

00:07:08,500 --> 00:07:05,870

other paranormal phenomena she answered

131

00:07:11,170 --> 00:07:08,510

all of that now Lindsay is also the

132

00:07:14,040 --> 00:07:11,180

owner of center stage event in North

133

00:07:15,600 --> 00:07:14,050

Carolina center stage

134

00:07:18,200 --> 00:07:15,610

it's represent some of the best of the

135

00:07:20,760 --> 00:07:18,210

field when it comes to all things weird

136

00:07:23,610 --> 00:07:20,770

magical and paranormal with wide range

137

00:07:25,920 --> 00:07:23,620

of talent perfect for all event and

138

00:07:27,689 --> 00:07:25,930

entertainment needs so Kent Lindsay

139

00:07:32,939 --> 00:07:27,699

thank you very much for being with us

140

00:07:36,360 --> 00:07:32,949

tonight on the what do you know you know

141

00:07:39,390 --> 00:07:36,370

I have a synchronicity Tim that I always

142

00:07:41,790 --> 00:07:39,400

have a secretive City and it seems

143

00:07:43,439 --> 00:07:41,800

another one out of you bang well this

144

00:07:46,920 --> 00:07:43,449

one is actually written up as well in

145

00:07:49,800 --> 00:07:46,930

the matrix control system of philip k

146

00:07:54,749 --> 00:07:49,810

dick and the paranormal synchronicities

147

00:07:59,040 --> 00:07:54,759

of tim Beckley and it involves a mutual

148

00:08:03,180 --> 00:07:59,050

friend of cats and mind the late George

149

00:08:06,360 --> 00:08:03,190

Fawcett George Fawcett was a UFO

150

00:08:07,950 --> 00:08:06,370

investigator who was a really a true

151

00:08:10,200 --> 00:08:07,960

pioneer in the field then he talked

152

00:08:14,550 --> 00:08:10,210

about me being a pioneer and all he he

153

00:08:19,170 --> 00:08:14,560

went back before my time even and when I

154

00:08:23,159 --> 00:08:19,180

was a teenager I used to drive up to his

155

00:08:26,939 --> 00:08:23,169

home in Easton Pennsylvania

156

00:08:31,439 --> 00:08:26,949

he had a fabulous UFO photo collection

157

00:08:33,079 --> 00:08:31,449

and he was running the Pennsylvanian New

158

00:08:38,389 --> 00:08:33,089

Jersey and I know I've got this wrong

159

00:08:41,819 --> 00:08:38,399

Pennsylvania New Jersey a UFO a research

160

00:08:44,130 --> 00:08:41,829

group and was very active George always

161

00:08:48,780 --> 00:08:44,140

worked most of his life if not all of

162

00:08:52,050 --> 00:08:48,790

his life full-time for the y-m-c-a that

163

00:08:55,740 --> 00:08:52,060

was his a daytime job and in the evening

164

00:09:01,590 --> 00:08:55,750

he collected a UFO material and case

165

00:09:05,130 --> 00:09:01,600

studies he was a UFO researcher like no

166

00:09:06,930 --> 00:09:05,140

other in fact I just recently published

167

00:09:09,990 --> 00:09:06,940

a book we just published a book called

168

00:09:13,199 --> 00:09:10,000

inside the saucers which is a reprint of

169

00:09:16,560 --> 00:09:13,209

the first book I ever did in 1964 at the

170

00:09:19,920 --> 00:09:16,570

age of about 15 and I see that there's a

171

00:09:22,530 --> 00:09:19,930

chapter in there by George Foster on 15

172

00:09:25,230 --> 00:09:22,540

years of UFO research now it would be

173

00:09:25,870 --> 00:09:25,240

what 70 years of UFO research if he were

174

00:09:27,879 --> 00:09:25,880

sick

175

00:09:30,670 --> 00:09:27,889

and and he would say he would still be

176

00:09:32,259 --> 00:09:30,680

recording all the active activities so

177

00:09:34,210 --> 00:09:32,269

George and I had a pretty good

178

00:09:37,389 --> 00:09:34,220

relationship and we corresponded for

179

00:09:41,860 --> 00:09:37,399

many many years now

180

00:09:45,610 --> 00:09:41,870

I'm back I guess in the 1990s I couldn't

181

00:09:50,139 --> 00:09:45,620

give you the exact year I decided to

182

00:09:53,680 --> 00:09:50,149

attend the euphonic Convention in Denver

183

00:09:55,350 --> 00:09:53,690

Colorado I'm not a member of a MUFON but

184

00:09:59,590 --> 00:09:55,360

I thought it would be a good place to

185

00:10:01,960 --> 00:09:59,600

lug a lot of my books out and and try to

186

00:10:05,259 --> 00:10:01,970

present them to MUFON members who might

187

00:10:07,389 --> 00:10:05,269

not know of our publishing activities so

188

00:10:08,829 --> 00:10:07,399

I took like 12 boxes of books not

189

00:10:13,360 --> 00:10:08,839

personally but I shipped him out ahead

190

00:10:15,999 --> 00:10:13,370

of time and there was a stop over in st.

191

00:10:19,180 --> 00:10:16,009

Louis before boarding another plane to

192

00:10:21,069 --> 00:10:19,190

go on to Denver so of course it's

193

00:10:25,030 --> 00:10:21,079

usually about an hour or an hour and a

194

00:10:27,189 --> 00:10:25,040

half the lights on the next flight you

195

00:10:29,230 --> 00:10:27,199

don't do you get on the next plane and

196

00:10:31,870 --> 00:10:29,240

and so what do you do usually roam

197

00:10:34,509 --> 00:10:31,880

around and you end up in the bar or the

198

00:10:38,740 --> 00:10:34,519

luncheon luncheon that area the dining

199

00:10:41,230 --> 00:10:38,750

area and lo and behold I walked into the

200

00:10:43,449 --> 00:10:41,240

dining area and there's a gentleman that

201
00:10:46,629 --> 00:10:43,459
I think I recognized and lo and behold

202
00:10:50,170 --> 00:10:46,639
it is George Fossett well now I have not

203
00:10:51,970 --> 00:10:50,180
seen George Fossett in many a moon I

204
00:10:53,650 --> 00:10:51,980
mean I you know several decades I I

205
00:10:56,079 --> 00:10:53,660
can't remember the last time that I saw

206
00:11:01,269 --> 00:10:56,089
him and our correspondence had been

207
00:11:03,249 --> 00:11:01,279
limited in in recent years but of course

208
00:11:05,139 --> 00:11:03,259
I was very happy to see him because like

209
00:11:07,870 --> 00:11:05,149
I say he was an old chum going back to

210
00:11:10,090 --> 00:11:07,880
the 1960 so I go over to say George how

211
00:11:12,519 --> 00:11:10,100
are you well well you know when I what a

212
00:11:15,699 --> 00:11:12,529
coincidence what a word right what a

213
00:11:17,949 --> 00:11:15,709

coincident is that were a meeting here

214

00:11:20,319 --> 00:11:17,959

on the way to the new font convention

215

00:11:22,120 --> 00:11:20,329

and he looks at me and he says new font

216

00:11:23,290 --> 00:11:22,130

convention and I said yes aren't you

217

00:11:25,569 --> 00:11:23,300

going to Deborah for the beautiful

218

00:11:30,670 --> 00:11:25,579

convention and he says no I'm going to

219

00:11:35,230 --> 00:11:30,680

Roswell to talk about I'm taking over my

220

00:11:37,509 --> 00:11:35,240

UFO library when I when I passed away

221

00:11:39,530 --> 00:11:37,519

and I said well that's really strange I

222

00:11:41,300 --> 00:11:39,540

mean what's the chance I'm in New York

223

00:11:43,389 --> 00:11:41,310

he's in North Carolina what's the

224

00:11:47,150 --> 00:11:43,399

chances of meeting in the luncheonette

225

00:11:50,180 --> 00:11:47,160

without any you know the big Priya

226

00:11:52,939 --> 00:11:50,190

preordained or or our planned in advance

227

00:11:54,680 --> 00:11:52,949

so we had a little chuckle over it shook

228

00:11:57,050 --> 00:11:54,690

his head and got back on the year the

229

00:12:01,340 --> 00:11:57,060

plane but there's another synchronicity

230

00:12:05,240 --> 00:12:01,350

meeting that George George Fossett in

231

00:12:10,160 --> 00:12:05,250

the airport in st. Louis even though we

232

00:12:13,009 --> 00:12:10,170

are going our separate way yeah he did

233

00:12:17,269 --> 00:12:13,019

donated all of his information to there

234

00:12:19,249 --> 00:12:17,279

his goal was to start a basically a UFO

235

00:12:22,129 --> 00:12:19,259

museum here in North Carolina but that

236

00:12:25,939 --> 00:12:22,139

didn't come to fruition so he donated

237

00:12:26,900 --> 00:12:25,949

all his items there to the museum there

238

00:12:31,129 --> 00:12:26,910

in Roswell

239

00:12:33,620 --> 00:12:31,139

well can I you know I know you is a

240

00:12:35,269 --> 00:12:33,630

friend on Facebook I don't know too much

241

00:12:40,759 --> 00:12:35,279

about your activities and that's why

242

00:12:44,180 --> 00:12:40,769

you're on tonight and also I was

243

00:12:46,910 --> 00:12:44,190

impressed also by the fact that you were

244

00:12:51,889 --> 00:12:46,920

associated with Georgia Fawcett because

245

00:12:53,329 --> 00:12:51,899

he was a an outstanding researcher he

246

00:12:59,030 --> 00:12:53,339

didn't take no nonsense

247

00:13:02,750 --> 00:12:59,040

and he didn't print no BS and he was you

248

00:13:04,939 --> 00:13:02,760

know very very much into this for many

249

00:13:08,180 --> 00:13:04,949

many years I mean how many people do you

250

00:13:10,579 --> 00:13:08,190

know gosh I was within 20 years that I

251

00:13:15,949 --> 00:13:10,589

was with him we started back in like I

252

00:13:20,059 --> 00:13:15,959

said in the gifts in 1988 if when I have

253

00:13:22,970 --> 00:13:20,069

had enough well had he as bought his UFO

254

00:13:25,250 --> 00:13:22,980

organism set up his UFO organization

255

00:13:29,269 --> 00:13:25,260

down there is that how you better well

256

00:13:32,780 --> 00:13:29,279

know what he did after I had my my

257

00:13:35,629 --> 00:13:32,790

sighting in Durham in the mid-80s that's

258

00:13:37,550 --> 00:13:35,639

when I just said I've got to find out

259

00:13:40,400 --> 00:13:37,560

what the heck is going on because if

260

00:13:44,150 --> 00:13:40,410

I've had some it started when I was

261

00:13:46,009 --> 00:13:44,160

young I had a sighting and when I grew

262

00:13:47,449 --> 00:13:46,019

up right outside of DC actually my

263

00:13:50,210 --> 00:13:47,459

father was with the federal government

264

00:13:53,300 --> 00:13:50,220

so we moved up to Washington DC I lived

265

00:13:53,900 --> 00:13:53,310

in Falls Church and I had a sighting

266

00:13:57,550 --> 00:13:53,910

there when I

267

00:14:01,760 --> 00:13:57,560

9 and then when I was later around 14

268

00:14:03,860 --> 00:14:01,770

but the people around the area where you

269

00:14:05,830 --> 00:14:03,870

live everybody in DC was either with the

270

00:14:10,280 --> 00:14:05,840

government or the military or whatever

271

00:14:13,910 --> 00:14:10,290

but I had this sighting in in Falls

272

00:14:17,900 --> 00:14:13,920

Church and the gentleman my dad's friend

273

00:14:20,690 --> 00:14:17,910

that lived behind us later on I find out

274

00:14:23,230 --> 00:14:20,700

he was with the Defense Intelligence

275

00:14:25,910 --> 00:14:23,240

Agency he was stationed out in Roswell

276

00:14:30,230 --> 00:14:25,920

you're stationed at wright-patterson and

277

00:14:32,420 --> 00:14:30,240

this guy was the head of there the photo

278

00:14:36,590 --> 00:14:32,430

reconnaissance lab out of the Pentagon

279

00:14:38,870 --> 00:14:36,600

for DIA and Colonel Blanchard was his

280

00:14:44,600 --> 00:14:38,880

commander just about everywhere he went

281

00:14:46,790 --> 00:14:44,610

and this guy and then my best friend's

282

00:14:49,190 --> 00:14:46,800

father was deputy director of Federal

283

00:14:51,590 --> 00:14:49,200

Aviation agency he used to fly in the

284

00:14:54,500 --> 00:14:51,600

Air Force flew in the Army Air Corps

285

00:14:58,070 --> 00:14:54,510

under her curtis lemay but when I had

286

00:15:01,910 --> 00:14:58,080

this sighting when I was nine I asked my

287

00:15:04,820 --> 00:15:01,920

best friend's father the the FAA guy if

288

00:15:07,070 --> 00:15:04,830

flying saucers are real well just

289

00:15:09,620 --> 00:15:07,080

regress a little what exactly did you

290

00:15:12,770 --> 00:15:09,630

see at age 9 well I saw these two

291

00:15:15,170 --> 00:15:12,780

basically on an upstairs bedroom I share

292

00:15:17,840 --> 00:15:15,180

with my brother and my whole bedroom

293

00:15:19,790 --> 00:15:17,850

just lit up just like solid white and

294

00:15:23,060 --> 00:15:19,800

was so bright coming from outside the

295

00:15:24,530 --> 00:15:23,070

window and I got up to look out the

296

00:15:27,410 --> 00:15:24,540

window and there was just these two

297

00:15:28,940 --> 00:15:27,420

glowing just like balls of light but

298

00:15:31,130 --> 00:15:28,950

they were they were big like they

299

00:15:34,370 --> 00:15:31,140

covered half my backyard up in the air

300

00:15:35,900 --> 00:15:34,380

they were just humongous and I kept

301

00:15:39,220 --> 00:15:35,910

trying to wake my brother up and he

302

00:15:41,660 --> 00:15:39,230

wouldn't wake up so I ran downstairs

303

00:15:44,120 --> 00:15:41,670

looking out our patio door and just

304

00:15:47,780 --> 00:15:44,130

watched these two big white objects and

305

00:15:49,280 --> 00:15:47,790

I really after that I don't remember how

306

00:15:51,170 --> 00:15:49,290

I got back in the bed or anything I just

307

00:15:52,600 --> 00:15:51,180

I just ended back up my bed waking up

308

00:15:54,890 --> 00:15:52,610

the next morning and then I got up and

309

00:15:58,790 --> 00:15:54,900

you know it's pretty upset with my

310

00:16:01,280 --> 00:15:58,800

brother he wouldn't wake up and and I

311

00:16:05,860 --> 00:16:01,290

just remember not knowing what these

312

00:16:08,260 --> 00:16:05,870

things were and so

313

00:16:10,240 --> 00:16:08,270

that led me to ask the question to my

314

00:16:12,910 --> 00:16:10,250

best friend's father if flying saucers

315

00:16:17,200 --> 00:16:12,920

are real and you know I was nine years

316

00:16:18,490 --> 00:16:17,210

old at the time and back then yeah I'm

317

00:16:19,840 --> 00:16:18,500

sure you know what Kennedy is the

318

00:16:22,930 --> 00:16:19,850

president you're living in DC

319

00:16:26,140 --> 00:16:22,940

everybody's so patriotic and you know

320

00:16:27,460 --> 00:16:26,150

the military is on your side does every

321

00:16:30,820 --> 00:16:27,470

you know is going to protect you the

322

00:16:33,310 --> 00:16:30,830

whole deal and I remember asking him if

323

00:16:35,620 --> 00:16:33,320

flying saucers are real and he just had

324

00:16:37,360 --> 00:16:35,630

this shocked look on his face and he

325

00:16:38,710 --> 00:16:37,370

turned to me and he'd fought for him and

326

00:16:41,920 --> 00:16:38,720

he didn't answer me right away and then

327

00:16:44,560 --> 00:16:41,930

he said you know had a guy it was in our

328

00:16:46,540 --> 00:16:44,570

outfit that walked into a hangar where

329

00:16:48,550 --> 00:16:46,550

one had crashed and they had it in this

330

00:16:50,380 --> 00:16:48,560

hangar and he wasn't supposed to see it

331

00:16:52,750 --> 00:16:50,390

and he goes you know what they did to

332

00:16:54,810 --> 00:16:52,760

him and I went what and he said they

333

00:16:57,430 --> 00:16:54,820

locked him up in the mental hospital and

334

00:16:58,690 --> 00:16:57,440

I said why did they do that and he said

335

00:17:02,140 --> 00:16:58,700

because when he gets out and talks

336

00:17:03,460 --> 00:17:02,150

nobody's going to believe him and then

337

00:17:06,160 --> 00:17:03,470

he just turned back he was cooking

338

00:17:08,980 --> 00:17:06,170

steaks on the grill outside and then he

339

00:17:12,340 --> 00:17:08,990

just looked away and you know that it

340

00:17:15,309 --> 00:17:12,350

basically right then scared the heck out

341

00:17:17,079 --> 00:17:15,319

of me I mean I was I had such a fear

342

00:17:19,270 --> 00:17:17,089

like oh my gosh because I was getting

343

00:17:20,620 --> 00:17:19,280

ready to tell him what I saw and then

344

00:17:22,660 --> 00:17:20,630

all of a sudden I felt like man if I

345

00:17:25,390 --> 00:17:22,670

open my mouth you know they're gonna

346

00:17:28,329 --> 00:17:25,400

lock me up you know at nine years old it

347

00:17:30,669 --> 00:17:28,339

just really stuck with me it really kind

348

00:17:32,290 --> 00:17:30,679

of terrified me I'm like then I couldn't

349

00:17:33,730 --> 00:17:32,300

believe why would the government do that

350

00:17:37,030 --> 00:17:33,740

you know why would the Air Force do that

351
00:17:40,270 --> 00:17:37,040
to somebody and it really stuck with me

352
00:17:43,180 --> 00:17:40,280
and so I never told anyone you know what

353
00:17:46,690 --> 00:17:43,190
I saw at that as far as growing up and

354
00:17:50,049 --> 00:17:46,700
then had another similar encounter when

355
00:17:52,930 --> 00:17:50,059
I was 14 we had a screen porch in our

356
00:17:55,870 --> 00:17:52,940
backyard attached the house and you know

357
00:17:58,360 --> 00:17:55,880
DC is a muggy humid place in the

358
00:18:01,180 --> 00:17:58,370
summertime it's he's actually built on a

359
00:18:02,950 --> 00:18:01,190
swamp that's uh so humid in the summer

360
00:18:06,310 --> 00:18:02,960
so I would go outside and I would sleep

361
00:18:10,150 --> 00:18:06,320
on the screen porch and I woke up and

362
00:18:12,730 --> 00:18:10,160
saw like a cone-shaped light coming down

363
00:18:15,520 --> 00:18:12,740

to the ground and it was a cupboard

364

00:18:17,020 --> 00:18:15,530

screen porch so I couldn't see where it

365

00:18:18,490 --> 00:18:17,030

was coming from is I just was looking

366

00:18:19,400 --> 00:18:18,500

out the screen was coming down to the

367

00:18:21,020 --> 00:18:19,410

ground and

368

00:18:24,590 --> 00:18:21,030

and all of a sudden this light stops

369

00:18:26,270 --> 00:18:24,600

like two three feet off the ground and I

370

00:18:28,700 --> 00:18:26,280

thought that was so strange and I walked

371

00:18:30,950 --> 00:18:28,710

outside the screen porch and the light

372

00:18:34,190 --> 00:18:30,960

was coming from it was like a bright

373

00:18:37,490 --> 00:18:34,200

orange disc shape object and I just no

374

00:18:39,170 --> 00:18:37,500

sound it was just dead silence and then

375

00:18:41,420 --> 00:18:39,180

this thing the light went back up into

376

00:18:44,090 --> 00:18:41,430

it and then just it just started

377

00:18:45,380 --> 00:18:44,100

floating away over the trees and I just

378

00:18:46,820 --> 00:18:45,390

remember running down the street trying

379

00:18:48,740 --> 00:18:46,830

to see it but by the time I got to the

380

00:18:52,610 --> 00:18:48,750

end of the street you know where there's

381

00:18:55,580 --> 00:18:52,620

a clear opening there it was gone and so

382

00:18:59,270 --> 00:18:55,590

those two things occurred you know at an

383

00:19:01,430 --> 00:18:59,280

early age and iron-like 14 years old and

384

00:19:04,220 --> 00:19:01,440

then what actually Kent was that the

385

00:19:06,890 --> 00:19:04,230

experience that you later tried to tell

386

00:19:10,220 --> 00:19:06,900

your dad about by trying to show him a

387

00:19:12,980 --> 00:19:10,230

UFO magazine yeah well what happened was

388

00:19:15,290 --> 00:19:12,990

I had you know these sightings in my

389

00:19:18,230 --> 00:19:15,300

memory and there was this look issue

390

00:19:20,120 --> 00:19:18,240

flying saucers did a special issue on

391

00:19:22,520 --> 00:19:20,130

flying saucers and I begged my mom to

392

00:19:24,110 --> 00:19:22,530

get this for me and she bought me the

393

00:19:29,030 --> 00:19:24,120

magazine and when I ran out in the

394

00:19:31,070 --> 00:19:29,040

screened porch for my dad and two

395

00:19:32,360 --> 00:19:31,080

gentlemen one was the guy with the Air

396

00:19:35,720 --> 00:19:32,370

Force dia

397

00:19:36,950 --> 00:19:35,730

he sat in the corner he was you know the

398

00:19:38,780 --> 00:19:36,960

whole neighborhood was scared of this

399

00:19:40,850 --> 00:19:38,790

guy because he was really Stern with his

400

00:19:42,680 --> 00:19:40,860

kids you didn't even want to look at him

401
00:19:45,200 --> 00:19:42,690
you know he was just one of those that

402
00:19:46,910 --> 00:19:45,210
kind of scared you as a kid and another

403
00:19:48,170 --> 00:19:46,920
neighbor was out there and the three of

404
00:19:50,090 --> 00:19:48,180
them were out in the screened porch and

405
00:19:52,340 --> 00:19:50,100
I just ran out it's so excited about

406
00:19:55,160 --> 00:19:52,350
this because I wanted my dad to see it

407
00:19:57,080 --> 00:19:55,170
because it was here

408
00:19:58,910 --> 00:19:57,090
there's there's a picture of a flying

409
00:20:00,290 --> 00:19:58,920
disc on the cover the whole thing there

410
00:20:02,560 --> 00:20:00,300
you know I just wanted him to see how

411
00:20:04,580 --> 00:20:02,570
real these things were you know and

412
00:20:07,130 --> 00:20:04,590
naturally he started scoffing and

413
00:20:09,080 --> 00:20:07,140

started ridiculing me and they were

414

00:20:12,620 --> 00:20:09,090

sitting there laughing and I didn't want

415

00:20:15,170 --> 00:20:12,630

to look over - I'll just I'll tell you

416

00:20:16,790 --> 00:20:15,180

his name was Jack this is what I'll tell

417

00:20:19,670 --> 00:20:16,800

because I don't want to tell her the

418

00:20:23,480 --> 00:20:19,680

last name yet but so I didn't want to

419

00:20:25,490 --> 00:20:23,490

look at Jackson and when I did I was

420

00:20:28,700 --> 00:20:25,500

shocked because I thought he would be

421

00:20:30,170 --> 00:20:28,710

you know joking at me the most and he

422

00:20:32,680 --> 00:20:30,180

was sitting in the chair and he had his

423

00:20:34,420 --> 00:20:32,690

head bent over looking down like

424

00:20:37,300 --> 00:20:34,430

at the ground and he had clenched his

425

00:20:40,240 --> 00:20:37,310

fist and he was just gripping his fist

426
00:20:41,590 --> 00:20:40,250
and shaking his head like no you know

427
00:20:45,280 --> 00:20:41,600
looking at the ground as they were

428
00:20:47,500 --> 00:20:45,290
making fun of me and it I didn't

429
00:20:49,240 --> 00:20:47,510
understand it kind of threw me off you

430
00:20:51,460 --> 00:20:49,250
know I figured he'd be laughing and

431
00:20:54,220 --> 00:20:51,470
everything was until later I found out

432
00:20:58,870 --> 00:20:54,230
what his history was and what his job

433
00:21:01,270 --> 00:20:58,880
was and what he did but that occurred

434
00:21:06,040 --> 00:21:01,280
you know after after my sighting when I

435
00:21:08,080 --> 00:21:06,050
was 14 and that's kind of stood out you

436
00:21:11,440 --> 00:21:08,090
know in my mind but it wasn't till the

437
00:21:16,780 --> 00:21:11,450
mid 80s I was working two full-time jobs

438
00:21:19,450 --> 00:21:16,790

I ran a a assembly line for northern

439

00:21:22,150 --> 00:21:19,460

telecom Research Triangle Park and I was

440

00:21:25,770 --> 00:21:22,160

a front office manager to Holiday Inn

441

00:21:28,210 --> 00:21:25,780

hotel and I've worked midnight to

442

00:21:30,130 --> 00:21:28,220

midnight to 7:00 in the morning shift in

443

00:21:33,100 --> 00:21:30,140

northern telecom I got off at 11 o'clock

444

00:21:35,020 --> 00:21:33,110

at night at the hotel so I had an hour

445

00:21:38,350 --> 00:21:35,030

in between to get home grab something to

446

00:21:40,270 --> 00:21:38,360

eat and get to a my second job and when

447

00:21:43,480 --> 00:21:40,280

I arrived to my houses about 11:00 10:00

448

00:21:46,540 --> 00:21:43,490

I mean yeah 10:00 after 11:00 at night I

449

00:21:48,880 --> 00:21:46,550

drove up a month driveway got out of the

450

00:21:51,810 --> 00:21:48,890

car and there was this craft just

451
00:21:54,310 --> 00:21:51,820
sitting up in the air probably more than

452
00:21:57,280 --> 00:21:54,320
400 feet high about a quarter of a mile

453
00:22:00,010 --> 00:21:57,290
away and he just sat there had these

454
00:22:02,410 --> 00:22:00,020
three big bright I've never seen lights

455
00:22:04,030 --> 00:22:02,420
like this they didn't glow but they were

456
00:22:06,100 --> 00:22:04,040
very bright was this to be painted

457
00:22:08,440 --> 00:22:06,110
circles perfect circles in the sky and

458
00:22:10,390 --> 00:22:08,450
they look like they were recessed to bed

459
00:22:13,360 --> 00:22:10,400
you didn't have a camera with you oh I

460
00:22:15,070 --> 00:22:13,370
was so I was just even the whole time

461
00:22:18,300 --> 00:22:15,080
this was going on I'm thinking god why

462
00:22:20,740 --> 00:22:18,310
didn't I have a camera but I got my wife

463
00:22:22,180 --> 00:22:20,750

out of the house I was yelling and

464

00:22:24,970 --> 00:22:22,190

yelling trying to get her out and

465

00:22:26,530 --> 00:22:24,980

because I didn't want to move yes and I

466

00:22:28,240 --> 00:22:26,540

finally got her out to come look at it

467

00:22:30,310 --> 00:22:28,250

but after she looked at it for a minute

468

00:22:32,800 --> 00:22:30,320

or so she just took off and ran back in

469

00:22:34,540 --> 00:22:32,810

the house and I got a flashlight out and

470

00:22:37,000 --> 00:22:34,550

my card started flashing at this thing

471

00:22:40,900 --> 00:22:37,010

did like three long just like I did in

472

00:22:44,500 --> 00:22:40,910

the in the in the action because I got a

473

00:22:46,300 --> 00:22:44,510

response did you yeah yeah what happened

474

00:22:48,490 --> 00:22:46,310

was I had three long plaits

475

00:22:51,280 --> 00:22:48,500

season 3 short I kept doing this and

476

00:22:53,080 --> 00:22:51,290

then all of sudden as I'm watching it

477

00:22:55,060 --> 00:22:53,090

it's as if you hit a light switch and

478

00:22:57,940 --> 00:22:55,070

went pitch-black and the lights go out

479

00:22:59,860 --> 00:22:57,950

and that lasted about two minutes and I

480

00:23:01,390 --> 00:22:59,870

just leaned back against my car through

481

00:23:04,000 --> 00:23:01,400

the flashlight back in the car and I'm

482

00:23:06,640 --> 00:23:04,010

leaning against just thinking you know

483

00:23:08,590 --> 00:23:06,650

why why didn't have a camera man please

484

00:23:10,630 --> 00:23:08,600

come back you know but and I'm just

485

00:23:13,780 --> 00:23:10,640

thinking this stuff in my mind and all

486

00:23:15,970 --> 00:23:13,790

of a sudden is I'm leaning back this bar

487

00:23:19,570 --> 00:23:15,980

starts appearing over my head straight

488

00:23:21,490 --> 00:23:19,580

above me and it starts rotating around

489

00:23:22,750 --> 00:23:21,500

and I'm looking I guess it was like the

490

00:23:25,930 --> 00:23:22,760

back end of this thing

491

00:23:27,550 --> 00:23:25,940

and it started like a bright light I

492

00:23:29,320 --> 00:23:27,560

could see it starts getting longer and

493

00:23:31,570 --> 00:23:29,330

longer and what it was was rotating

494

00:23:32,890 --> 00:23:31,580

around all right can't wait interrupt

495

00:23:34,780 --> 00:23:32,900

you're gonna have to interrupt

496

00:23:36,010 --> 00:23:34,790

I have to go to our bottom of the hour

497

00:23:38,370 --> 00:23:36,020

break so we'll continue this

498

00:23:48,350 --> 00:23:38,380

conversation when we come back on

499

00:23:55,080 --> 00:23:52,500

now back to exploring the bazaars with

500

00:23:58,380 --> 00:23:55,090

two of the most electrifying researchers

501
00:24:04,049 --> 00:23:58,390
in the Paranoid your hosts Timothy Becca

502
00:24:07,529 --> 00:24:04,059
Lee hunting Swift's Wow lightning bolt

503
00:24:10,560 --> 00:24:07,539
from the other side I swear oh it always

504
00:24:12,779 --> 00:24:10,570
gets me a you know Jay Wow you know I've

505
00:24:14,430 --> 00:24:12,789
been struck in a but so many times by

506
00:24:19,620 --> 00:24:14,440
that lightning bolt I don't know what to

507
00:24:22,889 --> 00:24:19,630
do I swear how do we Tim why don't we

508
00:24:25,320 --> 00:24:22,899
let can't finish his story and they will

509
00:24:28,700 --> 00:24:25,330
will bring Lindsay in I think

510
00:24:32,100 --> 00:24:28,710
Kent where you left off you said that

511
00:24:34,320 --> 00:24:32,110
you saw like a bar of light up here

512
00:24:36,840 --> 00:24:34,330
suddenly appear oh yeah if there's

513
00:24:39,240 --> 00:24:36,850

anybody you know called the UFO people

514

00:24:40,980 --> 00:24:39,250

out there that have seen the documentary

515

00:24:44,700 --> 00:24:40,990

in the Illinois sighting by the

516

00:24:47,399 --> 00:24:44,710

policeman in 2000 the back of this thing

517

00:24:49,950 --> 00:24:47,409

looked very similar almost identical for

518

00:24:53,100 --> 00:24:49,960

that type of craft it was just a

519

00:24:56,399 --> 00:24:53,110

rectangular bar and this thing took off

520

00:24:58,919 --> 00:24:56,409

behind my house and went was headed

521

00:25:00,630 --> 00:24:58,929

south and I drove got jumped in my car

522

00:25:02,159 --> 00:25:00,640

was chasing this thing and went to an

523

00:25:04,260 --> 00:25:02,169

area where there's a lake in our

524

00:25:07,230 --> 00:25:04,270

community and I could see this thing and

525

00:25:11,310 --> 00:25:07,240

it was just zipping off in the direction

526
00:25:13,409 --> 00:25:11,320
of the nuclear power plant it's about 20

527
00:25:17,610 --> 00:25:13,419
miles south of my house

528
00:25:21,919 --> 00:25:17,620
but that sighting and in one in the 70s

529
00:25:24,630 --> 00:25:21,929
in Lumberton had a flat going on and we

530
00:25:26,779 --> 00:25:24,640
initially were you involved in that flat

531
00:25:29,130 --> 00:25:26,789
Lumberton I remember the ham radio

532
00:25:31,350 --> 00:25:29,140
operators were receiving all kinds of

533
00:25:33,720 --> 00:25:31,360
weird but yeah Road butters what

534
00:25:35,549 --> 00:25:33,730
happened was I was watching TV and saw

535
00:25:37,139 --> 00:25:35,559
where these UFOs were coming down so I

536
00:25:39,000 --> 00:25:37,149
decided yeah I'm gonna jump in my car

537
00:25:42,779 --> 00:25:39,010
and go down there and this was in April

538
00:25:45,450 --> 00:25:42,789

of 1975 and here's the synchronicity

539

00:25:46,860 --> 00:25:45,460

it's it's unbelievable I have this

540

00:25:48,389 --> 00:25:46,870

sighting where I'm driving down the

541

00:25:52,649 --> 00:25:48,399

highway down there was right outside of

542

00:25:54,990 --> 00:25:52,659

Red Springs and Marana Lumberton and I

543

00:25:56,310 --> 00:25:55,000

kept driving around and never been down

544

00:25:57,670 --> 00:25:56,320

there so I'm just driving out in the

545

00:26:01,510 --> 00:25:57,680

country driving on these

546

00:26:03,700 --> 00:26:01,520

and I see the sheriff's car yeah I

547

00:26:04,990 --> 00:26:03,710

believe it was another car pull off to

548

00:26:06,760 --> 00:26:05,000

the side of the road and they were guys

549

00:26:11,400 --> 00:26:06,770

standing out in the field and I looked

550

00:26:15,130 --> 00:26:11,410

up and there was this like a glowing red

551
00:26:17,050 --> 00:26:15,140
flat object over the trees and it was

552
00:26:18,910 --> 00:26:17,060
going away moving away I got out of my

553
00:26:21,280 --> 00:26:18,920
car looked at an assault was moving away

554
00:26:24,490 --> 00:26:21,290
so I jumped back in my car start chasing

555
00:26:27,430 --> 00:26:24,500
this thing well when I had my conference

556
00:26:27,430 --> 00:26:27,440
in 2013

557
00:26:31,450 --> 00:26:29,740
Leslie Kane who I had is one of my

558
00:26:34,000 --> 00:26:31,460
speakers asked me I would do an

559
00:26:35,950 --> 00:26:34,010
interview with Leif Spiegel so I get on

560
00:26:37,450 --> 00:26:35,960
and start interviewing with Lee Spiegel

561
00:26:39,940 --> 00:26:37,460
and I started telling them about yeah if

562
00:26:41,350 --> 00:26:39,950
ou came from under Lumberton and I was

563
00:26:44,200 --> 00:26:41,360

in contact with him back in those days

564

00:26:46,630 --> 00:26:44,210

yeah yeah well I sit there and I'm like

565

00:26:48,310 --> 00:26:46,640

Lee starts interviewing me he asked me

566

00:26:49,930 --> 00:26:48,320

about you know how my interest and

567

00:26:52,150 --> 00:26:49,940

everything so I start explaining my past

568

00:26:54,280 --> 00:26:52,160

and when I got to the Lumberton sighting

569

00:26:56,470 --> 00:26:54,290

he gives Kent he stops interview because

570

00:26:58,240 --> 00:26:56,480

do you know who I am I'm like yeah

571

00:27:01,800 --> 00:26:58,250

you're released beagle was a Huntington

572

00:27:04,870 --> 00:27:01,810

post and he goes do you remember the UN

573

00:27:06,550 --> 00:27:04,880

earrings and had jail and Hynek and

574

00:27:07,540 --> 00:27:06,560

everybody there I said yeah I said as a

575

00:27:10,030 --> 00:27:07,550

matter of fact I got a copy of that

576

00:27:12,730 --> 00:27:10,040

picture and he goes well that's me the

577

00:27:15,160 --> 00:27:12,740

Serpico looking guy he said I organized

578

00:27:15,610 --> 00:27:15,170

that and I'm like you're kidding me he

579

00:27:17,500 --> 00:27:15,620

goes

580

00:27:19,030 --> 00:27:17,510

Kent I'm going to tell you something he

581

00:27:21,310 --> 00:27:19,040

goes you know the guy's standing out in

582

00:27:25,570 --> 00:27:21,320

the field in Lumberton he goes that was

583

00:27:28,240 --> 00:27:25,580

me and like you're kidding me he goes no

584

00:27:30,520 --> 00:27:28,250

he goes I was in that field he said

585

00:27:33,370 --> 00:27:30,530

Jalen honey could send him down and ask

586

00:27:34,930 --> 00:27:33,380

him to investigate that case one so he

587

00:27:36,010 --> 00:27:34,940

went down there and he was down through

588

00:27:37,450 --> 00:27:36,020

that hole d he was one of the

589

00:27:39,120 --> 00:27:37,460

investigators there and he was the one

590

00:27:42,250 --> 00:27:39,130

out in the field with the sheriff's and

591

00:27:44,860 --> 00:27:42,260

he goes and you just missed it I said

592

00:27:47,260 --> 00:27:44,870

what do you mean he goes that craft had

593

00:27:49,210 --> 00:27:47,270

come over that field was sat right over

594

00:27:52,240 --> 00:27:49,220

top of them and shined a big beam of

595

00:27:54,130 --> 00:27:52,250

light down on top of him and then turned

596

00:27:56,530 --> 00:27:54,140

the light off and slowly rotated and

597

00:27:59,140 --> 00:27:56,540

that's I caught the tail end of it when

598

00:28:01,090 --> 00:27:59,150

it was leaving I said you've got to be

599

00:28:03,940 --> 00:28:01,100

kidding me so Lee and I have hooked up a

600

00:28:09,790 --> 00:28:03,950

couple times and he was searching for

601
00:28:11,440 --> 00:28:09,800
that Center for UFO studies that panic

602
00:28:13,930 --> 00:28:11,450
did on the Lumberton report

603
00:28:16,149 --> 00:28:13,940
and I finally found a copy of it on the

604
00:28:17,950 --> 00:28:16,159
Internet and France was in France so I

605
00:28:20,350 --> 00:28:17,960
got a copy of it made copies and sent

606
00:28:22,990 --> 00:28:20,360
him a copy but well I I wrote I wrote a

607
00:28:25,659 --> 00:28:23,000
really long article about the Lumberton

608
00:28:29,230 --> 00:28:25,669
a UFO incident I think it was for a

609
00:28:32,110 --> 00:28:29,240
Saugus UFO report magazine because I

610
00:28:34,360 --> 00:28:32,120
remember I had a photo of a it was a

611
00:28:37,600 --> 00:28:34,370
lady or gentleman sitting there in front

612
00:28:39,460 --> 00:28:37,610
of their ham radio sets they were they

613
00:28:41,590 --> 00:28:39,470

were getting these messages on almost a

614

00:28:45,100 --> 00:28:41,600

nightly basis they were they were kind

615

00:28:46,740 --> 00:28:45,110

of synchronized I mean it was a robot

616

00:28:50,470 --> 00:28:46,750

because they kept repeating the same

617

00:28:56,529 --> 00:28:50,480

information or message yeah and over

618

00:28:58,509 --> 00:28:56,539

again yeah yeah it was it was sighted

619

00:29:01,060 --> 00:28:58,519

all over the place it's trying to light

620

00:29:03,789 --> 00:29:01,070

down and was beaming a big water tower

621

00:29:05,830 --> 00:29:03,799

down there the sheriff's deputy sheriff

622

00:29:09,039 --> 00:29:05,840

just so many people down there watching

623

00:29:12,310 --> 00:29:09,049

this thing it was it was unbelievable

624

00:29:13,840 --> 00:29:12,320

but you know those things just make an

625

00:29:15,610 --> 00:29:13,850

impact you know once you see something

626

00:29:19,029 --> 00:29:15,620

like that it changes you you know you

627

00:29:22,240 --> 00:29:19,039

realize something's going on that you're

628

00:29:24,789 --> 00:29:22,250

not being told and and it is the

629

00:29:28,419 --> 00:29:24,799

synchronicity there what happened is

630

00:29:30,370 --> 00:29:28,429

when I had this conference as soon as I

631

00:29:31,899 --> 00:29:30,380

have this conference and my wife she'll

632

00:29:34,570 --> 00:29:31,909

tell you I've told her back when I met

633

00:29:37,350 --> 00:29:34,580

her about my past and I said if you're

634

00:29:42,310 --> 00:29:37,360

gonna get to know me more you know I

635

00:29:44,799 --> 00:29:42,320

have remarried I remarried patty in it

636

00:29:46,419 --> 00:29:44,809

was I said if you want to get to know me

637

00:29:48,519 --> 00:29:46,429

you got to know about my past and if

638

00:29:50,649 --> 00:29:48,529

you're willing to accept that you know

639

00:29:54,250 --> 00:29:50,659

and don't think I'm crazy it's not like

640

00:29:58,180 --> 00:29:54,260

you're America's Most Wanted yeah well

641

00:30:01,600 --> 00:29:58,190

it's just like you know this topic with

642

00:30:05,580 --> 00:30:01,610

jobs and relationships it just doesn't

643

00:30:08,500 --> 00:30:05,590

work I mean no I'm interested because

644

00:30:11,830 --> 00:30:08,510

along with the kentis evening we have

645

00:30:14,460 --> 00:30:11,840

his daughter odd now there are a few

646

00:30:17,560 --> 00:30:14,470

other there's maybe a couple of family

647

00:30:20,110 --> 00:30:17,570

families where well we got we got Paul

648

00:30:22,450 --> 00:30:20,120

and Ben II know who have been on the

649

00:30:25,240 --> 00:30:22,460

show and they both share an intra their

650

00:30:27,880 --> 00:30:25,250

father and son they both share

651
00:30:30,760 --> 00:30:27,890
interest in the in the paranormal and

652
00:30:33,730 --> 00:30:30,770
then we have the woods isn't that right

653
00:30:38,110 --> 00:30:33,740
Tim the father and son who have done all

654
00:30:40,920 --> 00:30:38,120
the investigation on the mj-12 oh yes

655
00:30:45,940 --> 00:30:40,930
right right right with Ryan Ryan woods

656
00:30:50,820 --> 00:30:45,950
yeah yeah Jim I think anyway I don't

657
00:30:53,350 --> 00:30:50,830
know of any other father and daughter

658
00:30:55,570 --> 00:30:53,360
team who have explored the these

659
00:30:58,540 --> 00:30:55,580
subjects together Lindsay won't you come

660
00:31:02,020 --> 00:30:58,550
in here and tell us a little bit about

661
00:31:04,180 --> 00:31:02,030
your your background as far as the UFOs

662
00:31:07,390 --> 00:31:04,190
and the paranormal goes do you think

663
00:31:09,220 --> 00:31:07,400

your your dad influences on this case

664

00:31:19,330 --> 00:31:09,230

some people might say you maybe you were

665

00:31:23,110 --> 00:31:19,340

brainwashed into believing you hello

666

00:31:29,920 --> 00:31:23,120

Lindsay I think she's gonna have to try

667

00:31:32,110 --> 00:31:29,930

hitting a microphone you okay yes I

668

00:31:35,680 --> 00:31:32,120

don't know my microphone just does not

669

00:31:37,510 --> 00:31:35,690

like me I guess at all no there's

670

00:31:42,850 --> 00:31:37,520

definitely no brainwashing whatsoever

671

00:31:44,590 --> 00:31:42,860

that's for sure it's just it's something

672

00:31:47,320 --> 00:31:44,600

the paranormal just always been around

673

00:31:50,110 --> 00:31:47,330

since I've been a kid I always tell

674

00:31:52,120 --> 00:31:50,120

people all the time that if that wasn't

675

00:31:55,290 --> 00:31:52,130

part of my life that would absolutely be

676

00:31:58,240 --> 00:31:55,300

abnormal for me so much has happened but

677

00:32:02,170 --> 00:31:58,250

everything in terms of UFOs and aliens

678

00:32:04,450 --> 00:32:02,180

it's definitely has surrounded my dad so

679

00:32:06,970 --> 00:32:04,460

all my sightings and everything that has

680

00:32:09,220 --> 00:32:06,980

always been when I'm around him what was

681

00:32:13,900 --> 00:32:09,230

it what did you tell us about some of

682

00:32:17,440 --> 00:32:13,910

your experiences I think my first one

683

00:32:18,030 --> 00:32:17,450

was back in Hillsboro dad how long ago

684

00:32:21,670 --> 00:32:18,040

was that

685

00:32:25,300 --> 00:32:21,680

no that was back in the first part 1990s

686

00:32:28,480 --> 00:32:25,310

the 90 yeah so yeah that's the first one

687

00:32:30,880 --> 00:32:28,490

that that I saw I remember we were

688

00:32:32,800 --> 00:32:30,890

driving home dad had a truck and it was

689

00:32:33,830 --> 00:32:32,810

back when it was still you know safe and

690

00:32:35,480 --> 00:32:33,840

okay to ride in the back

691

00:32:38,690 --> 00:32:35,490

of a truck so my sister and I are in the

692

00:32:41,330 --> 00:32:38,700

back and he parked the car and my sister

693

00:32:42,860 --> 00:32:41,340

and I just jumped out and as soon as we

694

00:32:45,890 --> 00:32:42,870

did we just looked right up and we're

695

00:32:48,980 --> 00:32:45,900

like dad what is that and there's this I

696

00:32:51,890 --> 00:32:48,990

mean this huge object in the sky this is

697

00:32:55,070 --> 00:32:51,900

not just like a little I mean this was

698

00:32:57,470 --> 00:32:55,080

about the size of like a grapefruit from

699

00:33:00,019 --> 00:32:57,480

what I can recall it's just this huge

700

00:33:03,370 --> 00:33:00,029

object just sitting in the sky and dad

701

00:33:05,299 --> 00:33:03,380

you know getting into his mode of

702

00:33:06,590 --> 00:33:05,309

investigation he just looks at us he's

703

00:33:08,149 --> 00:33:06,600

like okay don't move don't take your

704

00:33:10,669 --> 00:33:08,159

eyes off it I got to go grab my camera

705

00:33:12,260 --> 00:33:10,679

and he runs inside to the house and as

706

00:33:14,389 --> 00:33:12,270

soon as he gets right back outside with

707

00:33:18,620 --> 00:33:14,399

his camera that thing is just gone it's

708

00:33:23,299 --> 00:33:18,630

hard boy it's almost like it's reading

709

00:33:25,340 --> 00:33:23,309

the person yeah now it's really weird

710

00:33:27,980 --> 00:33:25,350

because in some of these cases we we did

711

00:33:30,590 --> 00:33:27,990

a book Tim and I along with Shaun

712

00:33:32,510 --> 00:33:30,600

Castille other contributors called the

713

00:33:36,190 --> 00:33:32,520

UFO repeaters the camera doesn't lie

714

00:33:39,830 --> 00:33:36,200

there are some people who seem to be

715

00:33:43,190 --> 00:33:39,840

like magnets when it comes to a UFOs we

716

00:33:44,930 --> 00:33:43,200

yeah a gentleman here in New York named

717

00:33:47,139 --> 00:33:44,940

Martin Brinkerhoff who actually

718

00:33:50,779 --> 00:33:47,149

photographs these things floating by his

719

00:33:54,019 --> 00:33:50,789

New York City apartment building and you

720

00:33:57,620 --> 00:33:54,029

know do not birds they're not clusters

721

00:33:59,419 --> 00:33:57,630

of balloons you know they're they're

722

00:34:02,570 --> 00:33:59,429

UFOs of one type or another now the

723

00:34:04,580 --> 00:34:02,580

question is does he

724

00:34:07,909 --> 00:34:04,590

you know attract them or are they

725

00:34:10,339 --> 00:34:07,919

looking out for him and in general but

726

00:34:12,409 --> 00:34:10,349

we have a lot of people who are we call

727

00:34:15,619 --> 00:34:12,419

UFO repeaters that seem to attract these

728

00:34:17,659 --> 00:34:15,629

thing now do you think either one of you

729

00:34:20,030 --> 00:34:17,669

can answer this or both of you that

730

00:34:22,520 --> 00:34:20,040

there's some reason that that you have

731

00:34:25,820 --> 00:34:22,530

attracted these objects is there any

732

00:34:28,639 --> 00:34:25,830

sort of mental rapport going on that let

733

00:34:30,919 --> 00:34:28,649

me if I could just talk a little bit

734

00:34:32,570 --> 00:34:30,929

more about what's happening maybe you

735

00:34:35,810 --> 00:34:32,580

can even get an idea or maybe some

736

00:34:40,970 --> 00:34:35,820

thought process going on here I I held

737

00:34:42,589 --> 00:34:40,980

this major conference in in 2013 and I

738

00:34:44,839 --> 00:34:42,599

didn't want it where um they were

739

00:34:45,919 --> 00:34:44,849

selling you know had alien dolls and

740

00:34:48,260 --> 00:34:45,929

vendors and everything

741

00:34:51,849 --> 00:34:48,270

no vendors allowed it was strictly

742

00:34:53,720 --> 00:34:51,859

scientific I had Leslie came come down I

743

00:35:00,260 --> 00:34:53,730

had dr. Haynes

744

00:35:03,770 --> 00:35:00,270

dr. westrom I had dr. Wendt I had the

745

00:35:08,390 --> 00:35:03,780

head of J pond from Franz Xavier Paso at

746

00:35:11,059 --> 00:35:08,400

the time he came Jose lei from CFA out

747

00:35:14,960 --> 00:35:11,069

of Chile came representing their

748

00:35:15,589 --> 00:35:14,970

government at a general de Brouwer from

749

00:35:18,440 --> 00:35:15,599

Belgium

750

00:35:21,680 --> 00:35:18,450

I had all these top government officials

751
00:35:26,240 --> 00:35:21,690
and and military and and scientists and

752
00:35:28,069 --> 00:35:26,250
I and so I held this conference and one

753
00:35:31,160 --> 00:35:28,079
of the luxuries and in Colonel halt was

754
00:35:33,349 --> 00:35:31,170
there is one of the things we did we've

755
00:35:36,230 --> 00:35:33,359
had a brown table discussion a private

756
00:35:39,020 --> 00:35:36,240
one just with me and these gentlemen to

757
00:35:44,930 --> 00:35:39,030
discuss what what has occurred in my

758
00:35:47,140 --> 00:35:44,940
life and dr. Haynes and dr. Western were

759
00:35:50,569 --> 00:35:47,150
basically helpful and basically

760
00:35:54,920 --> 00:35:50,579
everything that's occurred I will tell

761
00:35:57,260 --> 00:35:54,930
you you you wrote a book on mi B's you

762
00:35:59,900 --> 00:35:57,270
did a publication and in my B's a couple

763
00:36:00,890 --> 00:35:59,910

of and there's a picture and there that

764

00:36:04,579 --> 00:36:00,900

you displayed

765

00:36:07,400 --> 00:36:04,589

I had a investigation I went out for

766

00:36:11,270 --> 00:36:07,410

with MUFON it was a cattle mutilation

767

00:36:13,970 --> 00:36:11,280

and actually an abduction cattle and it

768

00:36:16,660 --> 00:36:13,980

was here in outside of Graham North

769

00:36:19,789 --> 00:36:16,670

Carolina outside of Burlington and I

770

00:36:22,819 --> 00:36:19,799

investigated this case the deputy

771

00:36:24,829 --> 00:36:22,829

sheriff said I went to they didn't have

772

00:36:26,510 --> 00:36:24,839

my name or nothing I just said I'm with

773

00:36:28,700 --> 00:36:26,520

new pawn and I was asked to come here

774

00:36:31,700 --> 00:36:28,710

they took me out to the site and I video

775

00:36:34,690 --> 00:36:31,710

tape this area and there were branches

776

00:36:38,240 --> 00:36:34,700

broken in the woods where this cattle

777

00:36:41,990 --> 00:36:38,250

disappeared and they were broken up and

778

00:36:43,609 --> 00:36:42,000

I filmed this this area I couldn't get

779

00:36:50,299 --> 00:36:43,619

up because it was really high up in the

780

00:36:51,500 --> 00:36:50,309

air and two days later I'm gonna I'll

781

00:36:53,000 --> 00:36:51,510

tell you like I told my wife and

782

00:36:55,490 --> 00:36:53,010

everybody I've got this one doctor I've

783

00:36:59,089 --> 00:36:55,500

documented this and it's on film

784

00:36:59,610 --> 00:36:59,099

I had an MIB encounter that came to my

785

00:37:03,110 --> 00:36:59,620

office

786

00:37:06,060 --> 00:37:03,120

I ran a property there in Hillsboro and

787

00:37:08,940 --> 00:37:06,070

these three and I'm going to tell you

788

00:37:10,920 --> 00:37:08,950

one was I would say was a hybrid he

789

00:37:12,330 --> 00:37:10,930

looked I call him shorty and he was like

790

00:37:15,270 --> 00:37:12,340

the guy in your picture as a matter of

791

00:37:17,970 --> 00:37:15,280

fact it's almost identical looking this

792

00:37:20,970 --> 00:37:17,980

guy came in he was short and he did too

793

00:37:23,790 --> 00:37:20,980

talking but two guys came in there were

794

00:37:27,420 --> 00:37:23,800

identical twins they had to bend their

795

00:37:29,160 --> 00:37:27,430

heads over to get in the door everything

796

00:37:31,380 --> 00:37:29,170

I told my wife and everything I've

797

00:37:34,290 --> 00:37:31,390

documented on saying about what occurred

798

00:37:36,630 --> 00:37:34,300

in my office there with these things and

799

00:37:39,810 --> 00:37:36,640

I call them things because they weren't

800

00:37:44,000 --> 00:37:39,820

human what this is this is really

801
00:37:48,840 --> 00:37:44,010
breaking news here I mean they this is a

802
00:37:52,710 --> 00:37:48,850
story and and they came in to my office

803
00:37:56,250 --> 00:37:52,720
and basically I knew right off to bed

804
00:37:58,650 --> 00:37:56,260
everything in this Niagara Falls film

805
00:38:00,390 --> 00:37:58,660
and story if you've ever seen the MIB

806
00:38:02,610 --> 00:38:00,400
Niagara Falls and they've got them on

807
00:38:05,660 --> 00:38:02,620
videotape where the security camera film

808
00:38:08,480 --> 00:38:05,670
of them entering the hotel they're like

809
00:38:11,100 --> 00:38:08,490
right if you listen to that story

810
00:38:15,690 --> 00:38:11,110
that's everything I said works basically

811
00:38:17,340 --> 00:38:15,700
word-for-word back in 2003 when I was

812
00:38:19,500 --> 00:38:17,350
telling my wife and then I'm documented

813
00:38:21,330 --> 00:38:19,510

saying these things I felt like they

814

00:38:23,460 --> 00:38:21,340

read my mind I wanted to see their eyes

815

00:38:25,910 --> 00:38:23,470

the big tall ones I wanted to see their

816

00:38:29,040 --> 00:38:25,920

eyes they had the sunglasses on I

817

00:38:31,170 --> 00:38:29,050

couldn't move I was it was almost I was

818

00:38:34,290 --> 00:38:31,180

frozen in my seat now I couldn't even

819

00:38:36,450 --> 00:38:34,300

swing around one got behind me but I

820

00:38:38,100 --> 00:38:36,460

kept focusing on this one by the door

821

00:38:39,900 --> 00:38:38,110

that stood there at the door and wanted

822

00:38:42,030 --> 00:38:39,910

to see his eyes and I'm going to tell

823

00:38:44,520 --> 00:38:42,040

you something it didn't even take you

824

00:38:46,620 --> 00:38:44,530

couldn't even little millisecond I mean

825

00:38:49,020 --> 00:38:46,630

it was instantaneous as soon as I

826
00:38:50,820 --> 00:38:49,030
thought I want to see your eyes this one

827
00:38:53,880 --> 00:38:50,830
as he was standing up and so tall and

828
00:38:55,830 --> 00:38:53,890
I'm in my seat he bent his head down as

829
00:38:57,540 --> 00:38:55,840
soon as I thought that he'd been its

830
00:38:59,070 --> 00:38:57,550
head down and looked straight at the

831
00:39:03,690 --> 00:38:59,080
floor so I couldn't look up under his

832
00:39:05,070 --> 00:39:03,700
glasses and I remember thinking okay it

833
00:39:07,920 --> 00:39:05,080
hit me right there okay so you read in

834
00:39:09,390 --> 00:39:07,930
my mind you know and then I started

835
00:39:13,319 --> 00:39:09,400
doing this reporting with this thing

836
00:39:15,769 --> 00:39:13,329
mentally and was very upset

837
00:39:17,999 --> 00:39:15,779
I mean I was irritated and I just

838
00:39:20,910 --> 00:39:18,009

basically was yelling it to sky in my

839

00:39:23,069 --> 00:39:20,920

mind and I over and over and over and

840

00:39:25,109 --> 00:39:23,079

the whole time to split he's standing to

841

00:39:26,870 --> 00:39:25,119

my left and he's yelling at me but I

842

00:39:29,370 --> 00:39:26,880

really can't hear what he's saying and

843

00:39:31,469 --> 00:39:29,380

finally he spends me around my chair and

844

00:39:34,559 --> 00:39:31,479

he looks down any wrist his glasses off

845

00:39:37,440 --> 00:39:34,569

and like you want to see eyes and and he

846

00:39:40,739 --> 00:39:37,450

pulls his glasses off but his eyes were

847

00:39:44,279 --> 00:39:40,749

like perfect silver dollars larger than

848

00:39:46,170 --> 00:39:44,289

a silver dollar and it just shocked me I

849

00:39:48,839 --> 00:39:46,180

just remember sitting there and like

850

00:39:51,329 --> 00:39:48,849

homelessness state of shock and they

851
00:39:55,109 --> 00:39:51,339
were the bluest eyes I've ever seen in

852
00:39:56,009 --> 00:39:55,119
my life and and I they were it was just

853
00:39:58,680 --> 00:39:56,019
so strange

854
00:40:02,039 --> 00:39:58,690
well that was it was there any any

855
00:40:03,870 --> 00:40:02,049
verbal communication he set there and

856
00:40:05,849 --> 00:40:03,880
when I focused inland he was yelling he

857
00:40:08,219 --> 00:40:05,859
goes you do not go back out there do you

858
00:40:11,999 --> 00:40:08,229
understand me and he was telling me not

859
00:40:13,140 --> 00:40:12,009
to go back out to this site and I said

860
00:40:15,930 --> 00:40:13,150
yeah I hear you

861
00:40:18,599 --> 00:40:15,940
like that and he just spun around and

862
00:40:20,009 --> 00:40:18,609
they left and then I'm just sitting here

863
00:40:21,390 --> 00:40:20,019

and I'm wanting to get on my seat and I

864

00:40:23,370 --> 00:40:21,400

couldn't move and I wanted to go get

865

00:40:26,699 --> 00:40:23,380

their license plate and I'm like stuck

866

00:40:28,859 --> 00:40:26,709

in my seat and so I turn I kind of turn

867

00:40:32,430 --> 00:40:28,869

at this point as they start driving off

868

00:40:33,989 --> 00:40:32,440

I can get up I get up I go out and I

869

00:40:36,390 --> 00:40:33,999

can't read their license plate they're

870

00:40:39,449 --> 00:40:36,400

there they're too far away I go back in

871

00:40:41,039 --> 00:40:39,459

my office and my video camera which was

872

00:40:44,130 --> 00:40:41,049

on the other side of the room in a

873

00:40:46,400 --> 00:40:44,140

kitchen area is the I can see the

874

00:40:51,359 --> 00:40:46,410

compartments open and the tape is gone

875

00:40:53,999 --> 00:40:51,369

hmm and I don't know how they even went

876

00:40:55,709 --> 00:40:54,009

over there got over there but now my

877

00:40:57,059 --> 00:40:55,719

then my tape was gone

878

00:40:58,709 --> 00:40:57,069

I mean luckily I had another

879

00:41:02,299 --> 00:40:58,719

investigators with me at the site at the

880

00:41:04,589 --> 00:41:02,309

time you know they could verify that but

881

00:41:06,569 --> 00:41:04,599

this occurred and it really shook me up

882

00:41:09,259 --> 00:41:06,579

so bad I stopped investigating from you

883

00:41:12,449 --> 00:41:09,269

part of the state section director

884

00:41:13,620 --> 00:41:12,459

investigating what were they dressed in

885

00:41:16,829 --> 00:41:13,630

I mean did they look like the typical

886

00:41:19,319 --> 00:41:16,839

minimum latitudes the yeah suits the

887

00:41:20,939 --> 00:41:19,329

whole deals of suits their suits weren't

888

00:41:23,849 --> 00:41:20,949

black black they were like a real dark

889

00:41:26,489 --> 00:41:23,859

gray but they had like the Fedor's the

890

00:41:27,420 --> 00:41:26,499

Frank Sinatra has two sunglasses no hair

891

00:41:30,270 --> 00:41:27,430

what

892

00:41:33,599 --> 00:41:30,280

the two tall ones I don't think their

893

00:41:37,859 --> 00:41:33,609

face was more than probably four inches

894

00:41:39,900 --> 00:41:37,869

wide they were so skinny and there

895

00:41:43,680 --> 00:41:39,910

weren't have you done it have you had

896

00:41:46,440 --> 00:41:43,690

anybody do a drawing of this no no I

897

00:41:49,470 --> 00:41:46,450

haven't not really what occurred is that

898

00:41:54,510 --> 00:41:49,480

when I got sick I've got an incurable

899

00:41:56,520 --> 00:41:54,520

cancer and at this point in my life this

900

00:41:57,539 --> 00:41:56,530

is when my wife said can't you really

901
00:41:59,789 --> 00:41:57,549
got to sit down

902
00:42:01,289 --> 00:41:59,799
I want you to do one thing I want you to

903
00:42:02,880 --> 00:42:01,299
have that conference you always wanted

904
00:42:05,819 --> 00:42:02,890
to have I wanted to have a highly

905
00:42:07,920 --> 00:42:05,829
scientific conference where no you know

906
00:42:09,870 --> 00:42:07,930
nobody laughing those open no aliens I

907
00:42:13,980 --> 00:42:09,880
remember the conference in thinking it

908
00:42:16,140 --> 00:42:13,990
was rather a upscale maybe was the word

909
00:42:18,000 --> 00:42:16,150
that I was saying yeah and and this is

910
00:42:19,260 --> 00:42:18,010
all of them even dr. Haines told him

911
00:42:20,789 --> 00:42:19,270
said they've never been to a conference

912
00:42:24,240 --> 00:42:20,799
like this ever

913
00:42:27,450 --> 00:42:24,250

dude it was you know as scientific as

914

00:42:29,160 --> 00:42:27,460

this was an approach and this is what I

915

00:42:31,260 --> 00:42:29,170

wanted to have so my wife told me can't

916

00:42:33,630 --> 00:42:31,270

you've got to do this you've got to do

917

00:42:35,640 --> 00:42:33,640

this conference you need to write your

918

00:42:37,559 --> 00:42:35,650

book write a book you know because I

919

00:42:39,270 --> 00:42:37,569

wanted my children to understand what my

920

00:42:43,700 --> 00:42:39,280

life has been like and what's going on

921

00:42:47,069 --> 00:42:43,710

and so here's some synchronicities

922

00:42:50,339 --> 00:42:47,079

deciding i had when i was nine years old

923

00:42:55,109 --> 00:42:50,349

a year and a half after the conference

924

00:43:00,000 --> 00:42:55,119

in 2013 MUFON does an article and it's

925

00:43:02,220 --> 00:43:00,010

an article of a kid that basically had

926

00:43:06,780 --> 00:43:02,230

an encounter with alien beings this

927

00:43:08,430 --> 00:43:06,790

craft came down it was in 1962 the same

928

00:43:10,530 --> 00:43:08,440

time as I had my sighting when I was

929

00:43:15,329 --> 00:43:10,540

nine and it was a quarter of a mile from

930

00:43:16,920 --> 00:43:15,339

my house and Norman gagging on with me

931

00:43:20,039 --> 00:43:16,930

upon Virginia's the one that did the

932

00:43:21,480 --> 00:43:20,049

article so I called these guys I'm like

933

00:43:23,339 --> 00:43:21,490

my gosh here it is I got this

934

00:43:26,010 --> 00:43:23,349

documentation everything I said when I

935

00:43:28,049 --> 00:43:26,020

was happening when I was mine now I'm

936

00:43:30,839 --> 00:43:28,059

you fun Post this that you did this

937

00:43:33,690 --> 00:43:30,849

investigation this occurred the same

938

00:43:36,589 --> 00:43:33,700

time in 62 and that's a quarter of a

939

00:43:38,550 --> 00:43:36,599

mile from my house in Falls Church and

940

00:43:42,270 --> 00:43:38,560

so nor

941

00:43:43,890 --> 00:43:42,280

and Tony and Ben moss from Yukon

942

00:43:47,790 --> 00:43:43,900

Virginia they all came down to my

943

00:43:48,960 --> 00:43:47,800

conference I had last October and we sat

944

00:43:51,030 --> 00:43:48,970

and discussed and they want to get

945

00:43:56,310 --> 00:43:51,040

together and really deeply investigate

946

00:43:58,370 --> 00:43:56,320

that some more but that came out the

947

00:44:02,390 --> 00:43:58,380

lectures or anything up on YouTube

948

00:44:05,430 --> 00:44:02,400

no no Ill really Tim I really haven't

949

00:44:07,740 --> 00:44:05,440

I've been working so hard on writing a

950

00:44:10,740 --> 00:44:07,750

book and I really haven't really pushed

951
00:44:14,220 --> 00:44:10,750
it out there and you know wanted me to

952
00:44:15,840 --> 00:44:14,230
share one other thing at that conference

953
00:44:18,480 --> 00:44:15,850
one of the visitors there was Randall

954
00:44:22,260 --> 00:44:18,490
Nickerson who's doing that documentary

955
00:44:25,710 --> 00:44:22,270
on aerial phenomenon the area school in

956
00:44:27,120 --> 00:44:25,720
Rahway Zimbabwe back in the 90s where

957
00:44:30,540 --> 00:44:27,130
all the schoolchildren where the craft

958
00:44:32,250 --> 00:44:30,550
came down the beings came God a yes okay

959
00:44:34,710 --> 00:44:32,260
well Randall happened to come to the

960
00:44:37,610 --> 00:44:34,720
conference and he was there and he

961
00:44:40,470 --> 00:44:37,620
actually came in stayed at my house and

962
00:44:43,170 --> 00:44:40,480
he wanted to interview me for this

963
00:44:45,600 --> 00:44:43,180

documentary he was doing and as he

964

00:44:47,610 --> 00:44:45,610

sitting there talking one of the things

965

00:44:49,470 --> 00:44:47,620

that some people have said have you ever

966

00:44:51,870 --> 00:44:49,480

checked out Charles Hall because of

967

00:44:53,280 --> 00:44:51,880

these in my bees you're talking about

968

00:44:56,910 --> 00:44:53,290

it's kind of sounding like tall whites

969

00:44:59,460 --> 00:44:56,920

and you need to hook up with him and

970

00:45:00,360 --> 00:44:59,470

talk to him about it and so I was

971

00:45:02,490 --> 00:45:00,370

talking to Reynold

972

00:45:04,200 --> 00:45:02,500

after studying all Charles Hall and that

973

00:45:07,590 --> 00:45:04,210

whole area of dog-bone lake the whole

974

00:45:09,480 --> 00:45:07,600

deal Randall says listen do you want to

975

00:45:12,810 --> 00:45:09,490

come and see something I filmed when I

976

00:45:14,640 --> 00:45:12,820

was out there and I said it was just did

977

00:45:15,870 --> 00:45:14,650

you film this around dog bun lake and he

978

00:45:16,320 --> 00:45:15,880

looked at me he goes are you with the

979

00:45:19,530 --> 00:45:16,330

government

980

00:45:22,320 --> 00:45:19,540

I said why because what do you know

981

00:45:25,350 --> 00:45:22,330

about that area I said so I explained

982

00:45:27,930 --> 00:45:25,360

why you know I knew this he said well I

983

00:45:30,720 --> 00:45:27,940

got something I want to show you so we

984

00:45:33,360 --> 00:45:30,730

went up to his hotel room my wife and I

985

00:45:36,240 --> 00:45:33,370

and we said and watched this film that

986

00:45:39,000 --> 00:45:36,250

he filmed of this it's basically like a

987

00:45:43,320 --> 00:45:39,010

glowing disk in this basically you're

988

00:45:45,540 --> 00:45:43,330

looking like 20 miles away and the

989

00:45:48,240 --> 00:45:45,550

screen is a distance of like 27 miles

990

00:45:49,710 --> 00:45:48,250

apart from one end to the others is what

991

00:45:52,240 --> 00:45:49,720

you're getting out of the viewfinder and

992

00:45:55,240 --> 00:45:52,250

this object comes down and

993

00:45:57,790 --> 00:45:55,250

it's across and just like a millisecond

994

00:46:00,100 --> 00:45:57,800

is it's across stops dead right over

995

00:46:01,570 --> 00:46:00,110

where Charles Hall said there you know

996

00:46:03,250 --> 00:46:01,580

these beings and the underground base

997

00:46:05,980 --> 00:46:03,260

they've got there and it goes straight

998

00:46:07,870 --> 00:46:05,990

down into that mountain and then all

999

00:46:09,250 --> 00:46:07,880

Senate comes back up and now a sudden

1000

00:46:11,290 --> 00:46:09,260

another one comes up and there's two of

1001
00:46:14,950 --> 00:46:11,300
them and they go up and down and then

1002
00:46:18,520 --> 00:46:14,960
they zip off again and he goes I showed

1003
00:46:21,340 --> 00:46:18,530
this to dr. Haynes and his face turned

1004
00:46:23,080 --> 00:46:21,350
all red and just his statement was what

1005
00:46:26,110 --> 00:46:23,090
are they why are they doing that there

1006
00:46:27,700 --> 00:46:26,120
and and he said it confused me a

1007
00:46:29,320 --> 00:46:27,710
statement so I'm sitting there and I

1008
00:46:32,230 --> 00:46:29,330
watched this thing my wife sat there and

1009
00:46:33,820 --> 00:46:32,240
watched it and then the very next year

1010
00:46:37,540 --> 00:46:33,830
here MUFON comes out with another

1011
00:46:41,200 --> 00:46:37,550
article where this pilot flying from st.

1012
00:46:43,420 --> 00:46:41,210
Louis to San Francisco gets diverted as

1013
00:46:45,550 --> 00:46:43,430

he gets close to area 51 he's diverted

1014

00:46:46,990 --> 00:46:45,560

north and they said they told him he's

1015

00:46:49,660 --> 00:46:47,000

got income there's going to be incoming

1016

00:46:53,470 --> 00:46:49,670

traffic diverting or well as he diverts

1017

00:46:56,320 --> 00:46:53,480

north he looks at his cockpit window and

1018

00:46:59,350 --> 00:46:56,330

he sees this hologram come up where area

1019

00:47:02,860 --> 00:46:59,360

51 is and it's five miles high and it's

1020

00:47:04,930 --> 00:47:02,870

diamond-shaped a lavender color like a

1021

00:47:07,450 --> 00:47:04,940

diamond and then there's a light blue

1022

00:47:10,120 --> 00:47:07,460

crosshair in the middle of this diamond

1023

00:47:13,510 --> 00:47:10,130

and this is five miles high and a mile

1024

00:47:16,390 --> 00:47:13,520

wide and he said all of a sudden here's

1025

00:47:18,520 --> 00:47:16,400

all these little bright discs coming

1026

00:47:20,920 --> 00:47:18,530

down and there's like twenty to thirty

1027

00:47:22,540 --> 00:47:20,930

of them and one by one they're zipping

1028

00:47:23,920 --> 00:47:22,550

down and going right through that

1029

00:47:27,940 --> 00:47:23,930

crosshair and it's like they were all

1030

00:47:30,220 --> 00:47:27,950

going in for a landing and I said there

1031

00:47:31,780 --> 00:47:30,230

and when I saw this article I told patty

1032

00:47:35,110 --> 00:47:31,790

patty would you look at this article as

1033

00:47:36,040 --> 00:47:35,120

it it is kind of describing exactly we

1034

00:47:39,340 --> 00:47:36,050

will be solvable

1035

00:47:42,490 --> 00:47:39,350

you know Randle film all right gonna

1036

00:47:44,080 --> 00:47:42,500

have to interrupt okay all right yep yep

1037

00:47:46,060 --> 00:47:44,090

time to go to our break so when we come

1038

00:47:47,710 --> 00:47:46,070

back we will continue our conversation

1039

00:47:55,860 --> 00:47:47,720

with Kent and Lindsay Center on

1040

00:47:55,870 --> 00:48:00,240

[Music]

1041

00:48:07,200 --> 00:48:04,750

explore the bazaars or e-ticket ride

1042

00:48:10,510 --> 00:48:07,210

into the world of the paranormal

1043

00:48:14,790 --> 00:48:10,520

strap yourself in as we traverse the

1044

00:48:17,940 --> 00:48:14,800

universe exploring the unexplained UFO s

1045

00:48:20,319 --> 00:48:17,950

ghosts lost world

1046

00:48:24,160 --> 00:48:20,329

cryptozoology waters as well as other

1047

00:48:29,290 --> 00:48:24,170

dimensions it's time to take back the

1048

00:48:32,410 --> 00:48:29,300

night now you are electrifying hosts of

1049

00:48:37,540 --> 00:48:32,420

exploring the bizarre Timothy Begley and

1050

00:48:39,579 --> 00:48:37,550

Tim Schwartz and welcome back to

1051
00:48:42,040 --> 00:48:39,589
exploring the bizarre I'm Tim Schwarz

1052
00:48:43,810 --> 00:48:42,050
tonight we are talking with Kent Center

1053
00:48:45,310 --> 00:48:43,820
and his daughter Lizzie center and

1054
00:48:50,260 --> 00:48:45,320
Lizzie I want to bring you into the

1055
00:48:53,530 --> 00:48:50,270
conversation here I wanted to ask you

1056
00:48:55,690 --> 00:48:53,540
about now as you were growing up with

1057
00:48:59,170 --> 00:48:55,700
your dad and you know the influence that

1058
00:49:02,380 --> 00:48:59,180
he had concerned you know UFOs and and

1059
00:49:06,309 --> 00:49:02,390
the like I mean were you interested I

1060
00:49:08,800 --> 00:49:06,319
mean right as you know like you were a

1061
00:49:13,120 --> 00:49:08,810
kid I know I have an 11 year old

1062
00:49:14,620 --> 00:49:13,130
daughter that she's not interested at

1063
00:49:16,960 --> 00:49:14,630

all I don't you of course I don't try to

1064

00:49:19,630 --> 00:49:16,970

push you know anything on her if she

1065

00:49:23,470 --> 00:49:19,640

asked a question I'll answer it but you

1066

00:49:25,270 --> 00:49:23,480

know right now she could care less at

1067

00:49:26,559 --> 00:49:25,280

that age rubbing were you like that or

1068

00:49:28,059 --> 00:49:26,569

were you like you know dad what's this

1069

00:49:31,180 --> 00:49:28,069

look at that you know just all over the

1070

00:49:34,960 --> 00:49:31,190

place away I don't remember asking too

1071

00:49:37,329 --> 00:49:34,970

many questions but he definitely told me

1072

00:49:40,180 --> 00:49:37,339

a lot of stories all the time and I do

1073

00:49:42,010 --> 00:49:40,190

remember when I was younger all of the

1074

00:49:43,480 --> 00:49:42,020

field investigative work that he would

1075

00:49:45,730 --> 00:49:43,490

do he would have to go out and film

1076
00:49:47,770 --> 00:49:45,740
everything and I remember being young

1077
00:49:49,270 --> 00:49:47,780
and we would put those videos on to sit

1078
00:49:51,010 --> 00:49:49,280
there and watch it like it was just a

1079
00:49:53,770 --> 00:49:51,020
normal everyday thing to see that kind

1080
00:49:55,300 --> 00:49:53,780
of stuff but uh yeah if I had questions

1081
00:49:58,960 --> 00:49:55,310
I would always ask him but he never

1082
00:50:00,450 --> 00:49:58,970
pushed anything onto us at all he was

1083
00:50:03,609 --> 00:50:00,460
really good about it

1084
00:50:07,740 --> 00:50:03,619
okay now what about talking about this

1085
00:50:11,220 --> 00:50:07,750
with your friends when you were young

1086
00:50:15,750 --> 00:50:11,230
did did you make any attempts to do that

1087
00:50:19,140 --> 00:50:15,760
or will you like me when I was you know

1088
00:50:21,089 --> 00:50:19,150

I just I just stopped you know I just

1089

00:50:23,790 --> 00:50:21,099

you know you've just been like trying to

1090

00:50:25,620 --> 00:50:23,800

talk to a brick wall as you yeah yeah I

1091

00:50:27,630 --> 00:50:25,630

learned pretty quickly about who I could

1092

00:50:29,970 --> 00:50:27,640

talk to and who I couldn't that's for

1093

00:50:32,250 --> 00:50:29,980

sure I would get definitely get a lot of

1094

00:50:35,069 --> 00:50:32,260

looks like you were crazy or your family

1095

00:50:36,750 --> 00:50:35,079

is really strange and whatnot um so I

1096

00:50:38,250 --> 00:50:36,760

did for a while just not really say

1097

00:50:39,690 --> 00:50:38,260

anything to a lot of people but as I did

1098

00:50:43,290 --> 00:50:39,700

get older I mean it started becoming

1099

00:50:44,849 --> 00:50:43,300

more and more like it was easier to talk

1100

00:50:49,079 --> 00:50:44,859

to you about yeah I wouldn't yeah I

1101
00:50:54,740 --> 00:50:49,089
wonder if it's more acceptable today out

1102
00:50:57,329 --> 00:50:54,750
there in the and so-called the middle

1103
00:51:01,829 --> 00:50:57,339
America you know because of ancient

1104
00:51:06,540 --> 00:51:01,839
astronauts TV shows and UFO Hunters and

1105
00:51:08,809 --> 00:51:06,550
yeah if I could add I actually was asked

1106
00:51:11,400 --> 00:51:08,819
to come and speak at a high school and

1107
00:51:15,990 --> 00:51:11,410
speak to three different high school

1108
00:51:19,620 --> 00:51:16,000
classes and I was shocked at the amount

1109
00:51:21,300 --> 00:51:19,630
they didn't know there was half the

1110
00:51:25,380 --> 00:51:21,310
class didn't even know what flying

1111
00:51:30,240 --> 00:51:25,390
saucers meant well and we're talking one

1112
00:51:35,190 --> 00:51:30,250
of these classes in AP class I was so

1113
00:51:37,800 --> 00:51:35,200

shocked at what they didn't know just in

1114

00:51:41,550 --> 00:51:37,810

history it just it was so depressing to

1115

00:51:43,530 --> 00:51:41,560

me and my wife it's like unless I think

1116

00:51:46,710 --> 00:51:43,540

you have a background in the subject I

1117

00:51:49,829 --> 00:51:46,720

don't think people delve into this now I

1118

00:51:52,380 --> 00:51:49,839

think to kids nowadays just they're

1119

00:51:54,510 --> 00:51:52,390

losing their lives in history they're

1120

00:51:57,359 --> 00:51:54,520

losing track of what's occurred and

1121

00:52:00,000 --> 00:51:57,369

what's going on there's a lot of kids

1122

00:52:01,410 --> 00:52:00,010

now that still know quite a bit about it

1123

00:52:03,150 --> 00:52:01,420

I have people coming up to me they're

1124

00:52:04,829 --> 00:52:03,160

like fifteen to twenty years old they're

1125

00:52:06,510 --> 00:52:04,839

like oh my god believe in that I'm like

1126

00:52:09,390 --> 00:52:06,520

of course then I'll start going off like

1127

00:52:12,329 --> 00:52:09,400

with these no I think it just it really

1128

00:52:15,540 --> 00:52:12,339

just depends on who who your detail yeah

1129

00:52:18,359 --> 00:52:15,550

if I could add your question they were

1130

00:52:19,950 --> 00:52:18,369

kind of reminded me as I was growing up

1131

00:52:22,109 --> 00:52:19,960

I didn't talk to no one

1132

00:52:26,069 --> 00:52:22,119

and here's another little bit of

1133

00:52:28,260 --> 00:52:26,079

synchronicity synchronicity the a friend

1134

00:52:30,180 --> 00:52:28,270

of mine was happened that I grew up with

1135

00:52:34,859 --> 00:52:30,190

he lived on the street behind us in

1136

00:52:37,200 --> 00:52:34,869

Falls Church and he became a policeman

1137

00:52:38,609 --> 00:52:37,210

here in North Carolina actually and he

1138

00:52:40,020 --> 00:52:38,619

lives in the same town I live in right

1139

00:52:42,750 --> 00:52:40,030

now

1140

00:52:46,650 --> 00:52:42,760

it became he does videography on the

1141

00:52:49,589 --> 00:52:46,660

side and films and he worked his entire

1142

00:52:52,020 --> 00:52:49,599

careers on the police force and he

1143

00:52:54,210 --> 00:52:52,030

became a detective the whole deal and I

1144

00:52:58,470 --> 00:52:54,220

never said anything about what I saw

1145

00:53:00,089 --> 00:52:58,480

growing up so my wife said you know

1146

00:53:04,920 --> 00:53:00,099

before I had this conference she goes

1147

00:53:06,210 --> 00:53:04,930

why don't you call I'll tell you his

1148

00:53:08,760 --> 00:53:06,220

name is Wayne she goes why don't you

1149

00:53:10,740 --> 00:53:08,770

call Wayne and he's going to do some

1150

00:53:12,720 --> 00:53:10,750

filming at the conference because maybe

1151
00:53:14,460 --> 00:53:12,730
his police background he can help you

1152
00:53:15,870 --> 00:53:14,470
because I wanted to go find out if there

1153
00:53:17,490 --> 00:53:15,880
are any other deputy sheriff's or

1154
00:53:20,550 --> 00:53:17,500
anything with that in my being on her if

1155
00:53:23,280 --> 00:53:20,560
they had anything he goes maybe helped

1156
00:53:25,589 --> 00:53:23,290
used to go action I'm like Patti I I

1157
00:53:29,370 --> 00:53:25,599
don't want to tell this copter about

1158
00:53:31,470 --> 00:53:29,380
Hugh opposed and you know what all this

1159
00:53:33,750 --> 00:53:31,480
stuff growing up and I never even said

1160
00:53:35,130 --> 00:53:33,760
anything to him and so I had him come

1161
00:53:37,349 --> 00:53:35,140
over and she said would just ask him

1162
00:53:39,450 --> 00:53:37,359
asked him to give you a hand so I sit

1163
00:53:42,089 --> 00:53:39,460

there and I Pat he's sitting right there

1164

00:53:44,339 --> 00:53:42,099

and he came over and I said Wayne listen

1165

00:53:47,040 --> 00:53:44,349

I got something to tell you and I need

1166

00:53:49,130 --> 00:53:47,050

your help and I said listen ever since I

1167

00:53:52,980 --> 00:53:49,140

was young I've been interested in UFOs

1168

00:53:54,660 --> 00:53:52,990

he goes yeah he goes you remember that

1169

00:53:57,510 --> 00:53:54,670

big rectangle you up open we were

1170

00:53:59,309 --> 00:53:57,520

sleeping on the porch and we came out

1171

00:54:03,480 --> 00:53:59,319

and there was that big rectangle UFO

1172

00:54:07,380 --> 00:54:03,490

that we saw and I don't remember that I

1173

00:54:09,450 --> 00:54:07,390

don't remember a rectangular UFO back in

1174

00:54:11,880 --> 00:54:09,460

night ever even heard of such thing but

1175

00:54:13,440 --> 00:54:11,890

all I remember was this disc of the

1176

00:54:16,200 --> 00:54:13,450

glowing light but he was I was slept out

1177

00:54:19,470 --> 00:54:16,210

there by myself on that night and I have

1178

00:54:21,540 --> 00:54:19,480

no clue even to this day my wife her

1179

00:54:23,760 --> 00:54:21,550

mouth just opened up and to her jaw just

1180

00:54:25,349 --> 00:54:23,770

drops wide open she was like what and

1181

00:54:25,920 --> 00:54:25,359

I'm like Wayne I don't know what you're

1182

00:54:29,099 --> 00:54:25,930

talking about

1183

00:54:30,750 --> 00:54:29,109

he goes Kent there was a big rectangular

1184

00:54:32,920 --> 00:54:30,760

craft it just set up over the backyard

1185

00:54:36,070 --> 00:54:32,930

it is don't you remember saying that

1186

00:54:40,920 --> 00:54:36,080

and to this day I don't I don't remember

1187

00:54:43,450 --> 00:54:40,930

that but that floored me you know but

1188

00:54:46,120 --> 00:54:43,460

one last thing I want to add and we'll

1189

00:54:47,440 --> 00:54:46,130

let Lindsey go to town here's when I had

1190

00:54:51,370 --> 00:54:47,450

this conference I kept getting these

1191

00:54:53,350 --> 00:54:51,380

calls in 2013 from this old gentleman it

1192

00:54:55,270 --> 00:54:53,360

sound like he could hardly breathe but

1193

00:54:56,830 --> 00:54:55,280

he kept asking me he couldn't get to the

1194

00:54:59,290 --> 00:54:56,840

conference and wanted me to come see him

1195

00:55:01,390 --> 00:54:59,300

he had something to tell me and you know

1196

00:55:03,400 --> 00:55:01,400

I'm like okay I get a ton of calls and

1197

00:55:05,650 --> 00:55:03,410

I'm like okay okay you know called me

1198

00:55:07,360 --> 00:55:05,660

like 10 times and actually after the

1199

00:55:09,430 --> 00:55:07,370

conference is over and I had two DVDs

1200

00:55:09,940 --> 00:55:09,440

made and I was just so busy I forgot all

1201
00:55:14,170 --> 00:55:09,950
about it

1202
00:55:15,910 --> 00:55:14,180
well that's last October all of a sudden

1203
00:55:17,320 --> 00:55:15,920
the manager of the hotel were having the

1204
00:55:18,790 --> 00:55:17,330
conference she comes in she goes I got a

1205
00:55:21,670 --> 00:55:18,800
message for you this guy wants you to

1206
00:55:23,500 --> 00:55:21,680
call him and when I saw the name I'm

1207
00:55:25,900 --> 00:55:23,510
like oh my gosh it's a guy called me

1208
00:55:27,610 --> 00:55:25,910
back in 2013 I never returned his call

1209
00:55:30,610 --> 00:55:27,620
and he's at it again

1210
00:55:33,550 --> 00:55:30,620
you know so I called him and he said

1211
00:55:38,440 --> 00:55:33,560
listen you've got to come and see me he

1212
00:55:40,900 --> 00:55:38,450
goes I worked outside of Las Vegas back

1213
00:55:43,540 --> 00:55:40,910

in the 40s and 50s and I want to talk to

1214

00:55:45,100 --> 00:55:43,550

you about something I'm like okay and

1215

00:55:46,840 --> 00:55:45,110

it's I you know I made a time and

1216

00:55:49,000 --> 00:55:46,850

appointment and I got to thinking in Las

1217

00:55:50,260 --> 00:55:49,010

Vegas you know what did this guy do back

1218

00:55:52,480 --> 00:55:50,270

in the 50s you know because it really

1219

00:55:54,100 --> 00:55:52,490

wasn't that big back then so I called

1220

00:55:57,130 --> 00:55:54,110

him back and I said look before I come I

1221

00:55:58,930 --> 00:55:57,140

want to bring a friend and like to

1222

00:56:00,970 --> 00:55:58,940

record a conversation if you don't mind

1223

00:56:02,650 --> 00:56:00,980

he goes no I don't mind he goes I said

1224

00:56:07,030 --> 00:56:02,660

well where did you work he goes I worked

1225

00:56:10,210 --> 00:56:07,040

for the FBI and I said okay well I'll be

1226

00:56:12,310 --> 00:56:10,220

there so my wife and Wayne actually went

1227

00:56:15,490 --> 00:56:12,320

with us and the three of us went to see

1228

00:56:18,940 --> 00:56:15,500

this guy and he proceeded to tell me the

1229

00:56:20,740 --> 00:56:18,950

story that his best friend his name is

1230

00:56:25,270 --> 00:56:20,750

Howard Richardson and his best friend

1231

00:56:26,920 --> 00:56:25,280

Lee Andrus were both FBI agents and he

1232

00:56:29,350 --> 00:56:26,930

was apparently lived outside of Vegas

1233

00:56:30,640 --> 00:56:29,360

and Lee lived in Vegas so Lee asked him

1234

00:56:33,150 --> 00:56:30,650

to come spend the night and you know

1235

00:56:35,850 --> 00:56:33,160

they were going to go downtown and so

1236

00:56:37,930 --> 00:56:35,860

Howard went to go visit his friend and

1237

00:56:39,760 --> 00:56:37,940

when he got there his friend was coming

1238

00:56:42,180 --> 00:56:39,770

out door said listen I got a call got to

1239

00:56:44,950 --> 00:56:42,190

go do you want to ride with me and

1240

00:56:46,450 --> 00:56:44,960

whether this is true or not Lee said no

1241

00:56:49,000 --> 00:56:46,460

I want to stay here and

1242

00:56:51,190 --> 00:56:49,010

wait for you to come back but the way

1243

00:56:53,230 --> 00:56:51,200

this guy was is anxiety I'm just

1244

00:56:55,690 --> 00:56:53,240

wondering people went with the guy but

1245

00:56:59,740 --> 00:56:55,700

anyhow he said the guy returned late

1246

00:57:01,450 --> 00:56:59,750

that night all shook up then he got out

1247

00:57:03,760 --> 00:57:01,460

and was driving out on a highway outside

1248

00:57:05,800 --> 00:57:03,770

of Las Vegas and one of these

1249

00:57:08,230 --> 00:57:05,810

disc-shaped crafts had landed and there

1250

00:57:11,349 --> 00:57:08,240

were beings out running all around this

1251

00:57:13,089 --> 00:57:11,359

thing and he sat and watched it for

1252

00:57:16,720 --> 00:57:13,099

hours and he was so shook up and

1253

00:57:18,609 --> 00:57:16,730

disheveled and the next day Lee Howard

1254

00:57:20,680 --> 00:57:18,619

trying to talk about and he would not

1255

00:57:24,640 --> 00:57:20,690

open his mouth and he told lay not to

1256

00:57:27,010 --> 00:57:24,650

ever talk about it again and but the way

1257

00:57:29,440 --> 00:57:27,020

you have to understand this guy the way

1258

00:57:30,940 --> 00:57:29,450

he's telling me and how much it bothered

1259

00:57:33,820 --> 00:57:30,950

him and this guy even called me three

1260

00:57:37,570 --> 00:57:33,830

years but this has bothered this man all

1261

00:57:39,880 --> 00:57:37,580

his life well as we're talking in am

1262

00:57:42,970 --> 00:57:39,890

interviewing him he passes out he just

1263

00:57:45,040 --> 00:57:42,980

falls asleep he's in his nineties and I

1264

00:57:47,140 --> 00:57:45,050

said look we'll just come back and and

1265

00:57:48,609 --> 00:57:47,150

and and see him so as we're leaving I

1266

00:57:50,140 --> 00:57:48,619

said look we'll come back you know and I

1267

00:57:52,810 --> 00:57:50,150

said I want you to get the dates down if

1268

00:57:54,520 --> 00:57:52,820

you can remember TV shows it or honor

1269

00:57:55,750 --> 00:57:54,530

anything we'll bring back when this

1270

00:57:57,270 --> 00:57:55,760

happened when this occurred the whole

1271

00:58:00,010 --> 00:57:57,280

deal I said I'll come back and see you

1272

00:58:01,570 --> 00:58:00,020

so I come back a couple weeks later and

1273

00:58:04,150 --> 00:58:01,580

called and called and called he wouldn't

1274

00:58:06,900 --> 00:58:04,160

answer the phone and all of a sudden my

1275

00:58:10,089 --> 00:58:06,910

wife says you know I hate to say this

1276

00:58:10,829 --> 00:58:10,099

pull up the Greensboro paper see if he's

1277

00:58:14,170 --> 00:58:10,839

in the obituaries

1278

00:58:18,280 --> 00:58:14,180

and I pull it up and darn it to the guy

1279

00:58:20,920 --> 00:58:18,290

didn't pass away and so I'm looking at

1280

00:58:23,109 --> 00:58:20,930

the [h__\h] where and this guy ended up

1281

00:58:24,460 --> 00:58:23,119

being ahead of all the special agents

1282

00:58:27,220 --> 00:58:24,470

out of the Federal Bureau of

1283

00:58:30,370 --> 00:58:27,230

Investigation's main office in DC out of

1284

00:58:33,579 --> 00:58:30,380

the headquarters and so he was no kook

1285

00:58:36,190 --> 00:58:33,589

you know but you know that's you you

1286

00:58:41,500 --> 00:58:36,200

you've got a hole there of a lot of very

1287

00:58:43,599 --> 00:58:41,510

interesting cases you know I one would

1288

00:58:48,040 --> 00:58:43,609

look forward to seeing you put this down

1289

00:58:51,359 --> 00:58:48,050

on paper and yeah working on it yeah you

1290

00:58:52,510 --> 00:58:51,369

certainly have gotten in on a lot of

1291

00:58:55,660 --> 00:58:52,520

weird

1292

00:58:57,900 --> 00:58:55,670

UFO activity so now Lindsay you

1293

00:59:00,200 --> 00:58:57,910

mentioned that you're talking to oh

1294

00:59:05,240 --> 00:59:00,210

people between the ages of

1295

00:59:07,280 --> 00:59:05,250

see in in 20 years old did you say do

1296

00:59:09,109 --> 00:59:07,290

you see that there's an attitude change

1297

00:59:13,190 --> 00:59:09,119

among younger people as far as is

1298

00:59:15,530 --> 00:59:13,200

concerned or or they have they have more

1299

00:59:17,420 --> 00:59:15,540

than just a vague interest in it yeah

1300

00:59:20,359 --> 00:59:17,430

definitely as soon as people kind of

1301

00:59:21,920 --> 00:59:20,369

figure out what I do now in terms of the

1302

00:59:22,970 --> 00:59:21,930

paranormal field and all that kind of

1303

00:59:24,680 --> 00:59:22,980

stuff and then they start asking

1304

00:59:27,349 --> 00:59:24,690

questions because they're actually

1305

00:59:28,609 --> 00:59:27,359

curious about it they don't compare to

1306

00:59:30,380 --> 00:59:28,619

when I was younger when I was younger

1307

00:59:32,150 --> 00:59:30,390

any mention of this kind of a thing

1308

00:59:34,700 --> 00:59:32,160

people are coming are you are you on

1309

00:59:35,329 --> 00:59:34,710

your - are you in your 20s now I'm in my

1310

00:59:38,960 --> 00:59:35,339

30s

1311

00:59:41,690 --> 00:59:38,970

oh okay I just want it are and you're

1312

00:59:44,540 --> 00:59:41,700

you do some acting as well

1313

00:59:46,760 --> 00:59:44,550

no no acting if you put a camera in

1314

00:59:47,300 --> 00:59:46,770

front of my face I was like a deer in

1315

00:59:50,690 --> 00:59:47,310

headlights

1316

00:59:54,230 --> 00:59:50,700

oh all right I don't know where I got

1317

00:59:57,560 --> 00:59:54,240

that idea I thought I saw on your

1318

01:00:00,280 --> 00:59:57,570

website so and I know what what do you

1319

01:00:04,609 --> 01:00:00,290

you're into other than just UFOs though

1320

01:00:06,230 --> 01:00:04,619

yes definitely um it goes spirits and

1321

01:00:07,490 --> 01:00:06,240

negative entities I called anything

1322

01:00:10,460 --> 01:00:07,500

paranormal

1323

01:00:15,410 --> 01:00:10,470

I'm definitely fascinated by because

1324

01:00:18,079 --> 01:00:15,420

it's just that curious or don't what

1325

01:00:21,640 --> 01:00:18,089

have you had - have you had ghostly

1326

01:00:24,290 --> 01:00:21,650

encounters or exercise of poltergeist

1327

01:00:26,500 --> 01:00:24,300

I've never exercised anything that's

1328

01:00:28,520 --> 01:00:26,510

that's definitely out of my league but

1329

01:00:32,720 --> 01:00:28,530

definitely have had encounters I'm

1330

01:00:35,420 --> 01:00:32,730

growing up places I lived for haunted so

1331

01:00:38,390 --> 01:00:35,430

to speak you know things would move or

1332

01:00:42,560 --> 01:00:38,400

you get the phantom smells or you see

1333

01:00:44,660 --> 01:00:42,570

apparitions or you would hear things -

1334

01:00:49,010 --> 01:00:44,670

either people talking or things moving

1335

01:00:50,570 --> 01:00:49,020

on their own or but yeah even still to

1336

01:00:53,270 --> 01:00:50,580

this day there's still activity that

1337

01:00:55,579 --> 01:00:53,280

happens it's just it's absolutely normal

1338

01:00:57,140 --> 01:00:55,589

I also go out and investigate as well

1339

01:01:00,740 --> 01:00:57,150

whenever have to go and help out at

1340

01:01:03,140 --> 01:01:00,750

events and stuff so yeah I mean I've had

1341

01:01:05,000 --> 01:01:03,150

lots of experience I would say it

1342

01:01:07,820 --> 01:01:05,010

compared to what can you tell us about

1343

01:01:09,829 --> 01:01:07,830

one of your your most intriguing the

1344

01:01:13,060 --> 01:01:09,839

ghostly encounters or paranormal

1345

01:01:21,330 --> 01:01:13,070

experiences um

1346

01:01:23,530 --> 01:01:21,340

Oh where do I start let's see I have

1347

01:01:26,080 --> 01:01:23,540

just recently I was at the Anderson

1348

01:01:28,810 --> 01:01:26,090

Hotel in Kentucky there is an event for

1349

01:01:32,050 --> 01:01:28,820

weird weekend's that was there they did

1350

01:01:34,420 --> 01:01:32,060

its investigating and that place is

1351

01:01:37,540 --> 01:01:34,430

actually pretty cool definitely saw

1352

01:01:40,240 --> 01:01:37,550

something in one the hallways moving and

1353

01:01:43,150 --> 01:01:40,250

other people would catch EVPs electronic

1354

01:01:44,860 --> 01:01:43,160

voice phenomena on the recorders of

1355

01:01:46,180 --> 01:01:44,870

things that are in the room talking but

1356

01:01:49,870 --> 01:01:46,190

of course you can't really hear it too

1357

01:01:52,570 --> 01:01:49,880

well with your ear stuff like that it

1358

01:01:54,940 --> 01:01:52,580

happens anywhere I go and investigate

1359

01:01:58,390 --> 01:01:54,950

I've been scratched before I've

1360

01:02:00,850 --> 01:01:58,400

definitely been touched or poked and I

1361

01:02:04,540 --> 01:02:00,860

mean you kind of name it I've kind of

1362

01:02:06,070 --> 01:02:04,550

gone through it or experienced it so

1363

01:02:07,690 --> 01:02:06,080

it's all happening to me I wouldn't know

1364

01:02:10,750 --> 01:02:07,700

where to start with what would be like

1365

01:02:15,070 --> 01:02:10,760

what would stick out the most well how

1366

01:02:18,970 --> 01:02:15,080

about your first paranormal experiences

1367

01:02:22,120 --> 01:02:18,980

or is there one going back to when you

1368

01:02:23,890 --> 01:02:22,130

were growing up it's hard to pinpoint

1369

01:02:25,930 --> 01:02:23,900

because yet again like I kind of just

1370

01:02:30,400 --> 01:02:25,940

grew up with this so it's just always

1371

01:02:33,460 --> 01:02:30,410

been around and normal so I do remember

1372

01:02:34,960 --> 01:02:33,470

as a child like after I think was around

1373

01:02:37,090 --> 01:02:34,970

the time and my great grandfather passed

1374

01:02:41,680 --> 01:02:37,100

away that's when some activity picked up

1375

01:02:44,650 --> 01:02:41,690

in our home and it being just women in

1376

01:02:46,900 --> 01:02:44,660

the house it was just my mother and my

1377

01:02:47,680 --> 01:02:46,910

sister and I we would come home and we

1378

01:02:49,570 --> 01:02:47,690

would always smell my

1379

01:02:51,880 --> 01:02:49,580

great-grandfather's Cologne but we

1380

01:02:54,850 --> 01:02:51,890

didn't have a yeah of his in the house

1381

01:02:56,350 --> 01:02:54,860

or we would think that you know walking

1382

01:03:00,100 --> 01:02:56,360

into a room my mother would sometimes

1383

01:03:02,620 --> 01:03:00,110

see him and our in our bedroom a music

1384

01:03:04,120 --> 01:03:02,630

box of play lights the cut on I would

1385

01:03:06,880 --> 01:03:04,130

always hear walking in the hallway just

1386

01:03:08,140 --> 01:03:06,890

all kinds of stuff so it but it's hard

1387

01:03:09,640 --> 01:03:08,150

to say like what was the very first

1388

01:03:11,920 --> 01:03:09,650

thing because it all just kind of runs

1389

01:03:13,900 --> 01:03:11,930

them together I I think we had a lady

1390

01:03:16,900 --> 01:03:13,910

Timmy remember on the show I think she

1391

01:03:19,870 --> 01:03:16,910

was from North or South Carolina where

1392

01:03:23,320 --> 01:03:19,880

she said she knew when Grandma was

1393

01:03:25,870 --> 01:03:23,330

around now they came from a like a

1394

01:03:26,890 --> 01:03:25,880

pretty strict religious Baptist family

1395

01:03:28,809 --> 01:03:26,900

so I didn't believe in this

1396

01:03:35,740 --> 01:03:28,819

but they could spell smell grandma's

1397

01:03:36,220 --> 01:03:35,750

apple pie that's right I want us I want

1398

01:03:42,339 --> 01:03:36,230

a slice

1399

01:03:44,109 --> 01:03:42,349

everybody just smelling it is a way of

1400

01:03:46,059 --> 01:03:44,119

something trying to communicate that

1401

01:03:48,430 --> 01:03:46,069

it's there or just a grandfather

1402

01:03:52,510 --> 01:03:48,440

grandfather cigar I'm not so wild about

1403

01:03:55,019 --> 01:03:52,520

but grandma's apple pie is is okay well

1404

01:04:00,069 --> 01:03:55,029

now do you see any connection between

1405

01:04:03,609 --> 01:04:00,079

the paranormal and UFOs a lot of times

1406

01:04:06,549 --> 01:04:03,619

there will be activity from people

1407

01:04:08,620 --> 01:04:06,559

having sightings or experiences with

1408

01:04:11,799 --> 01:04:08,630

beings and then there being paranormal

1409

01:04:13,569 --> 01:04:11,809

activity pickup in terms of people will

1410

01:04:15,670 --> 01:04:13,579

start thinking that they see spirits or

1411

01:04:17,109 --> 01:04:15,680

ghosts or things moving like poltergeist

1412

01:04:19,630 --> 01:04:17,119

activity things are moving on their own

1413

01:04:22,710 --> 01:04:19,640

and it's usually it there there is a

1414

01:04:25,720 --> 01:04:22,720

connection there I don't know exactly

1415

01:04:28,329 --> 01:04:25,730

what it is as of right now but I've

1416

01:04:30,789 --> 01:04:28,339

definitely noticed that trend going to

1417

01:04:33,970 --> 01:04:30,799

stuff does pick up have you have you

1418

01:04:36,010 --> 01:04:33,980

ever tried to discuss that with anybody

1419

01:04:38,950 --> 01:04:36,020

who's really you know heavy into the

1420

01:04:41,410 --> 01:04:38,960

whole ghost hunting thing because I mean

1421

01:04:44,019 --> 01:04:41,420

as Beckley and I know a lot of times

1422

01:04:46,960 --> 01:04:44,029

you'll just you know again you'll hit

1423

01:04:49,120 --> 01:04:46,970

that dead silence because it's like

1424

01:04:52,059 --> 01:04:49,130

Ghost Hunters be like what you believe

1425

01:04:53,829 --> 01:04:52,069

in that UFO stuff come on know anybody

1426

01:04:55,089 --> 01:04:53,839

and when it comes to paranormal with

1427

01:04:57,549 --> 01:04:55,099

ghosts and spirits and stuff they are

1428

01:05:01,769 --> 01:04:57,559

just as fascinated when it comes to

1429

01:05:04,480 --> 01:05:01,779

aliens and UFOs and beings and things so

1430

01:05:05,980 --> 01:05:04,490

know there are plenty of people I I'm

1431

01:05:08,410 --> 01:05:05,990

lucky to have the privilege to that I

1432

01:05:11,410 --> 01:05:08,420

can talk to whenever whenever I feel

1433

01:05:13,690 --> 01:05:11,420

like it and and yeah they it's

1434

01:05:15,549 --> 01:05:13,700

fascinating what they think and stuff so

1435

01:05:18,730 --> 01:05:15,559

they we definitely are starting to see a

1436

01:05:19,240 --> 01:05:18,740

lot of connections that's nice to hear I

1437

01:05:20,710 --> 01:05:19,250

would

1438

01:05:24,700 --> 01:05:20,720

why don't you what you tell us a little

1439

01:05:27,670 --> 01:05:24,710

bit about center stage events oh yeah so

1440

01:05:29,769 --> 01:05:27,680

I have a talent event and management

1441

01:05:30,940 --> 01:05:29,779

company for as of right now it's

1442

01:05:35,279 --> 01:05:30,950

specifically geared towards the

1443

01:05:38,940 --> 01:05:35,289

paranormal field so a lot of people that

1444

01:05:40,329 --> 01:05:38,950

many might see on TV especially like

1445

01:05:43,089 --> 01:05:40,339

ghost hunt

1446

01:05:46,120 --> 01:05:43,099

like grant willson and Adam berry Amy

1447

01:05:48,729 --> 01:05:46,130

Bruni KJ McCormick Destin Perry I manage

1448

01:05:50,799 --> 01:05:48,739

all of them they're on my roster but

1449

01:05:53,440 --> 01:05:50,809

there's also people like John Tenney and

1450

01:05:55,569 --> 01:05:53,450

Greg and Dana Newkirk and chip Coffey

1451

01:05:58,809 --> 01:05:55,579

he's a psychic medium Chris Fleming

1452

01:06:01,749 --> 01:05:58,819

there there's a lot you are you you book

1453

01:06:03,640 --> 01:06:01,759

them for like lectures and events yes so

1454

01:06:05,289 --> 01:06:03,650

pretty much anybody that has an event

1455

01:06:07,109 --> 01:06:05,299

and they would like to have them come

1456

01:06:08,920 --> 01:06:07,119

out making appearance or for taking an

1457

01:06:11,079 --> 01:06:08,930

investigation or anything like that they

1458

01:06:13,450 --> 01:06:11,089

can definitely reach out to me and I can

1459

01:06:18,519 --> 01:06:13,460

pretty much try to make it happen for

1460

01:06:19,420 --> 01:06:18,529

them wonderful that's a that's a well we

1461

01:06:22,630 --> 01:06:19,430

used to have in the old days like

1462

01:06:24,670 --> 01:06:22,640

lecture lecture bureaus and miss apply

1463

01:06:28,329 --> 01:06:24,680

like colleges and high schools and

1464

01:06:31,930 --> 01:06:28,339

library libraries were a big they still

1465

01:06:33,640 --> 01:06:31,940

are to some degree places where the

1466

01:06:35,019 --> 01:06:33,650

libraries would well they had more money

1467

01:06:37,209 --> 01:06:35,029

in those things you know they have a set

1468

01:06:40,779 --> 01:06:37,219

budget and and they would bring in a

1469

01:06:43,959 --> 01:06:40,789

speaker on some particular topic man

1470

01:06:46,150 --> 01:06:43,969

that was a either of interest or our

1471

01:06:47,680 --> 01:06:46,160

done of interest I I remember giving a

1472

01:06:49,390 --> 01:06:47,690

couple of talks of there were as few as

1473

01:06:52,299 --> 01:06:49,400

three people but then on the other hand

1474

01:06:54,459 --> 01:06:52,309

the one or two talks where there was 120

1475

01:06:57,910 --> 01:06:54,469

in the in the audience uh that was the

1476

01:07:01,779 --> 01:06:57,920

like the library a circuit you know yeah

1477

01:07:04,029 --> 01:07:01,789

I used to put on the UFO conferences

1478

01:07:06,849 --> 01:07:04,039

around the the country I wouldn't say

1479

01:07:09,190 --> 01:07:06,859

that I was the first but no you couldn't

1480

01:07:13,390 --> 01:07:09,200

say that because George Van Tassel out

1481

01:07:16,140 --> 01:07:13,400

there Jai Rock Airport if he had he had

1482

01:07:19,900 --> 01:07:16,150

the the the granddaddy of all the UFO

1483

01:07:22,690 --> 01:07:19,910

events he would get up to 10,000 people

1484

01:07:25,450 --> 01:07:22,700

you know for a weekend and that would be

1485

01:07:28,620 --> 01:07:25,460

under the blistering hot you know a son

1486

01:07:31,630 --> 01:07:28,630

of a Joshua Tree in the Mojave Desert so

1487

01:07:33,489 --> 01:07:31,640

god bless them I don't know yeah how

1488

01:07:37,269 --> 01:07:33,499

people did that I remember going out to

1489

01:07:39,870 --> 01:07:37,279

the Joshua tree for the first time and

1490

01:07:42,099 --> 01:07:39,880

it must have been a hundred degrees and

1491

01:07:44,650 --> 01:07:42,109

everybody was carrying umbrellas and

1492

01:07:46,959 --> 01:07:44,660

wearing long-sleeve shirts I don't know

1493

01:07:48,519 --> 01:07:46,969

how they quite manage that but I guess

1494

01:07:52,440 --> 01:07:48,529

you know you have a different attitude

1495

01:07:57,029 --> 01:07:55,170

not not one of mine that what am i why I

1496

01:08:01,769 --> 01:07:57,039

like to visit there you certainly cannot

1497

01:08:05,420 --> 01:08:01,779

get a panoramic view of the sky like you

1498

01:08:08,160 --> 01:08:05,430

can yeah part of the country one out

1499

01:08:10,079 --> 01:08:08,170

you've lived in the North Carolina the

1500

01:08:13,940 --> 01:08:10,089

Kent all your life for pretty much all

1501

01:08:17,129 --> 01:08:13,950

your life well we we moved when I was

1502

01:08:19,169 --> 01:08:17,139

almost 5 years old up to DC and I lived

1503

01:08:22,610 --> 01:08:19,179

in DC all the way from my senior year in

1504

01:08:25,800 --> 01:08:22,620

high school and then I moved back down

1505

01:08:28,950 --> 01:08:25,810

down to North Carolina you're you're in

1506

01:08:31,379 --> 01:08:28,960

somewhat of a rural setting yeah yeah

1507

01:08:35,999 --> 01:08:31,389

it's a right outside Burlington North

1508

01:08:37,709 --> 01:08:36,009

Carolina and all right how you been down

1509

01:08:39,899 --> 01:08:37,719

to the Brown Mountain lights

1510

01:08:43,829 --> 01:08:39,909

yeah I've been down there didn't say

1511

01:08:46,620 --> 01:08:43,839

anything when I went in one trip in the

1512

01:08:47,999 --> 01:08:46,630

Asheville area we went down to cost as a

1513

01:08:50,479 --> 01:08:48,009

matter of fact even when he came down

1514

01:08:52,860 --> 01:08:50,489

with me we all caught the big Eclipse

1515

01:08:56,280 --> 01:08:52,870

went down to this is the setting the

1516

01:09:01,110 --> 01:08:56,290

western part of North Carolina well I I

1517

01:09:05,039 --> 01:09:01,120

was down to the brown mountain area back

1518

01:09:07,260 --> 01:09:05,049

in the mid-1960s so some of the original

1519

01:09:09,570 --> 01:09:07,270

witnesses like the roses and all that

1520

01:09:12,479 --> 01:09:09,580

they were still alive and we even had a

1521

01:09:15,510 --> 01:09:12,489

fellow there who had the Outer Space

1522

01:09:17,760 --> 01:09:15,520

Museum his name was Ralph Vallejo and

1523

01:09:21,419 --> 01:09:17,770

we've written about him and talked about

1524

01:09:23,910 --> 01:09:21,429

it on the air he was an old buck I don't

1525

01:09:27,269 --> 01:09:23,920

know up there and as I guess late 70s or

1526

01:09:30,629 --> 01:09:27,279

early 80s and he sold the you know what

1527

01:09:34,910 --> 01:09:30,639

you did beef jerky and and diet coke and

1528

01:09:37,680 --> 01:09:34,920

behind behind the counter he had a a

1529

01:09:40,979 --> 01:09:37,690

mummified there being in a coffin that

1530

01:09:43,019 --> 01:09:40,989

he said was a I never could figure out

1531

01:09:45,300 --> 01:09:43,029

exactly what he would he claimed it was

1532

01:09:47,910 --> 01:09:45,310

what it was like what we call a roadside

1533

01:09:49,709 --> 01:09:47,920

attraction that would yeah yeah anymore

1534

01:09:54,660 --> 01:09:49,719

but you know you got amort you got a

1535

01:09:56,700 --> 01:09:54,670

mermaid that you know one day a little

1536

01:09:59,160 --> 01:09:56,710

dwarf or something like anyway he had an

1537

01:10:02,129 --> 01:09:59,170

alien in a coffin and then he had some

1538

01:10:05,459 --> 01:10:02,139

really giant crystals he claimed that he

1539

01:10:05,880 --> 01:10:05,469

had been inside the inside the mountain

1540

01:10:08,820 --> 01:10:05,890

and had

1541

01:10:10,380 --> 01:10:08,830

regular contact with the people from the

1542

01:10:13,620 --> 01:10:10,390

planet pool or wherever they were from

1543

01:10:17,040 --> 01:10:13,630

is his was a rather stranger story but

1544

01:10:20,400 --> 01:10:17,050

he was a you know he had his roadside

1545

01:10:22,350 --> 01:10:20,410

attraction the outer space museum he he

1546

01:10:26,940 --> 01:10:22,360

put out a little booklet which I

1547

01:10:29,400 --> 01:10:26,950

probably have reprinted from and maybe

1548

01:10:31,950 --> 01:10:29,410

even have the copy still here I I was

1549

01:10:34,050 --> 01:10:31,960

called the Brown Mountain lights and he

1550

01:10:36,360 --> 01:10:34,060

was he was a character I mean in those

1551

01:10:39,060 --> 01:10:36,370

days you tended to find it you know I'm

1552

01:10:41,490 --> 01:10:39,070

more characters I think than today but

1553

01:10:44,250 --> 01:10:41,500

do you think that I mean the reason that

1554

01:10:46,890 --> 01:10:44,260

you've had these UFO incidents is

1555

01:10:48,270 --> 01:10:46,900

because there is a clearer view of the

1556

01:10:50,310 --> 01:10:48,280

heavens I mean does that have anything

1557

01:10:51,690 --> 01:10:50,320

to do with it do you think well we're

1558

01:10:53,690 --> 01:10:51,700

gonna have to we're gonna have to leave

1559

01:10:57,060 --> 01:10:53,700

this on a cliffhanger and because

1560

01:10:59,190 --> 01:10:57,070

unfortunately we're coming up on our

1561

01:11:01,430 --> 01:10:59,200

bottom of the hour break but remember

1562

01:11:03,810 --> 01:11:01,440

that because we'll take this up again

1563

01:11:06,720 --> 01:11:03,820

when we come back in just a few moments

1564

01:11:14,550 --> 01:11:06,730

on exploring the bizarre always by

1565

01:11:21,280 --> 01:11:18,700

now back to exploring the bazaars with

1566

01:11:24,580 --> 01:11:21,290

two of the most electrifying researchers

1567

01:11:29,950 --> 01:11:24,590

in the Paranoid your hosts Timothy Becca

1568

01:11:33,760 --> 01:11:29,960

Lee and Kings will once again to him

1569

01:11:37,720 --> 01:11:33,770

here we are at the bottom hour of our

1570

01:11:39,820 --> 01:11:37,730

show half hour to go and we have so many

1571

01:11:43,149 --> 01:11:39,830

more questions that we'd like this is

1572

01:11:45,370 --> 01:11:43,159

this has been a humdinger of a program

1573

01:11:48,760 --> 01:11:45,380

very real it really has now and

1574

01:11:50,649 --> 01:11:48,770

unfortunately I had yes Wow no no I was

1575

01:11:52,689 --> 01:11:50,659

just gonna say that I had to interrupt

1576

01:11:56,649 --> 01:11:52,699

you but when we had to go to our last

1577

01:11:59,229 --> 01:11:56,659

break you had a question for Kent so by

1578

01:12:03,459 --> 01:11:59,239

all means that continued that process oh

1579

01:12:05,709 --> 01:12:03,469

let me see now okay the question was it

1580

01:12:09,459 --> 01:12:05,719

that let's see that it wasn't more than

1581

01:12:14,919 --> 01:12:09,469

two syllables I about George bus sat in

1582

01:12:16,780 --> 01:12:14,929

my past and basically yes yes in cases

1583

01:12:19,840 --> 01:12:16,790

you might have investigated that we're

1584

01:12:22,720 --> 01:12:19,850

intriguing yeah I had mean just so many

1585

01:12:25,330 --> 01:12:22,730

numerous cases that this we're basically

1586

01:12:27,100 --> 01:12:25,340

things you could explain away nothing

1587

01:12:31,060 --> 01:12:27,110

that really stood out like the the

1588

01:12:33,459 --> 01:12:31,070

cattle case I had you know sharing I

1589

01:12:35,140 --> 01:12:33,469

shared so much with George he was the

1590

01:12:37,479 --> 01:12:35,150

only one I ever felt comfortable in the

1591

01:12:40,300 --> 01:12:37,489

life talking to about things that went

1592

01:12:42,010 --> 01:12:40,310

on in my life other than the little

1593

01:12:44,109 --> 01:12:42,020

round table discussion I had with dr.

1594

01:12:45,850 --> 01:12:44,119

Haynes and colonel halls and everything

1595

01:12:47,859 --> 01:12:45,860

and one of the main things I wanted to

1596

01:12:51,820 --> 01:12:47,869

get out of Colonel halt based on what he

1597

01:12:55,660 --> 01:12:51,830

saw at Randall's him and what I saw how

1598

01:12:57,459 --> 01:12:55,670

it impacted me and I wanted to know how

1599

01:12:59,410 --> 01:12:57,469

he felt I mean did it make a difference

1600

01:13:01,590 --> 01:12:59,420

in his life when he saw something like

1601
01:13:04,390 --> 01:13:01,600
that you know and he basically had that

1602
01:13:07,180 --> 01:13:04,400
military attitude he just matter of fact

1603
01:13:10,660 --> 01:13:07,190
he's kept it pretty close to the vest

1604
01:13:13,270 --> 01:13:10,670
and seems to like to stir up a little

1605
01:13:16,090 --> 01:13:13,280
bit of the of trouble there among the

1606
01:13:18,399 --> 01:13:16,100
other witnesses you know that there's

1607
01:13:20,680 --> 01:13:18,409
that yeah yeah there's actually a new

1608
01:13:24,960 --> 01:13:20,690
book out on the Rendlesham forest that

1609
01:13:27,750 --> 01:13:24,970
flying disc press which is

1610
01:13:30,900 --> 01:13:27,760
film film Mantle's company over there in

1611
01:13:34,050 --> 01:13:30,910
England has just brought out I haven't

1612
01:13:37,290 --> 01:13:34,060
read it yet but it looks like it's a

1613
01:13:42,030 --> 01:13:37,300

kind of an independent investigation of

1614

01:13:45,210 --> 01:13:42,040

the case which is probably important

1615

01:13:48,810 --> 01:13:45,220

because what we have for the most part

1616

01:13:50,850 --> 01:13:48,820

or individual sides of the story you

1617

01:13:53,280 --> 01:13:50,860

know taking my way take it that way this

1618

01:13:55,410 --> 01:13:53,290

happened this didn't happen I was there

1619

01:13:58,680 --> 01:13:55,420

I wasn't there you know I mean you kind

1620

01:14:01,290 --> 01:13:58,690

of kind of after well since 1980 you've

1621

01:14:02,880 --> 01:14:01,300

got a kind of a lot of contradictions

1622

01:14:04,830 --> 01:14:02,890

which you actually would expect because

1623

01:14:07,950 --> 01:14:04,840

I don't know how many witnesses were

1624

01:14:10,290 --> 01:14:07,960

there where we here 40 50 maybe more but

1625

01:14:13,470 --> 01:14:10,300

they were spread out on three different

1626

01:14:15,930 --> 01:14:13,480

nights and and in a variety of locations

1627

01:14:17,970 --> 01:14:15,940

and of course we hear mainly from the

1628

01:14:20,460 --> 01:14:17,980

the military the people that were in the

1629

01:14:23,280 --> 01:14:20,470

military they they're the Bentwaters but

1630

01:14:24,990 --> 01:14:23,290

there were also civilians you know

1631

01:14:28,050 --> 01:14:25,000

involved the people who lived in the

1632

01:14:30,990 --> 01:14:28,060

area in the town and so forth and they

1633

01:14:33,450 --> 01:14:31,000

seemed to have been forgotten about for

1634

01:14:36,270 --> 01:14:33,460

the most part although I think the

1635

01:14:39,210 --> 01:14:36,280

initial investigation by Dottie is a

1636

01:14:41,640 --> 01:14:39,220

street who's a friend on Facebook they

1637

01:14:44,360 --> 01:14:41,650

after all these years maybe had

1638

01:14:46,530 --> 01:14:44,370

interviewed some of those original

1639

01:14:49,560 --> 01:14:46,540

witnesses who lived in the countryside

1640

01:14:53,430 --> 01:14:49,570

there and and that's much the the

1641

01:14:55,320 --> 01:14:53,440

military but now you know I of course

1642

01:14:57,420 --> 01:14:55,330

like I say I I correspond with George

1643

01:15:00,090 --> 01:14:57,430

Fawcett and he would send me his update

1644

01:15:02,160 --> 01:15:00,100

and need to have him reprinted and Ray

1645

01:15:04,950 --> 01:15:02,170

Palmer's flying saucers magazine in that

1646

01:15:08,570 --> 01:15:04,960

book that I did inside the saucers going

1647

01:15:11,520 --> 01:15:08,580

back as far as 1964 did he ever have a

1648

01:15:13,440 --> 01:15:11,530

UFO sighting himself you know I yeah he

1649

01:15:17,670 --> 01:15:13,450

had a UFO sighting when he was in

1650

01:15:20,040 --> 01:15:17,680

college and you know things that we

1651

01:15:23,940 --> 01:15:20,050

shared with each other after the MIB

1652

01:15:29,040 --> 01:15:23,950

incident I had he shared with me he was

1653

01:15:31,560 --> 01:15:29,050

in Chicago giving a talk and he said

1654

01:15:33,780 --> 01:15:31,570

that when he walked outside there was

1655

01:15:36,090 --> 01:15:33,790

one waiting for mass him to get in the

1656

01:15:37,470 --> 01:15:36,100

car and he sat in the car and the guy

1657

01:15:38,040 --> 01:15:37,480

was telling them don't you talk about

1658

01:15:40,589 --> 01:15:38,050

this

1659

01:15:44,339 --> 01:15:40,599

no more and he goes we know everything

1660

01:15:46,830 --> 01:15:44,349

about you and we don't want you speaking

1661

01:15:48,930 --> 01:15:46,840

about this topic and he just kind of

1662

01:15:52,010 --> 01:15:48,940

blew him off but when he got home from

1663

01:15:56,839 --> 01:15:52,020

Chicago his daughter had called him and

1664

01:16:01,500 --> 01:15:56,849

she apparently was in college and

1665

01:16:03,240 --> 01:16:01,510

somehow an MIB came in her dorm room and

1666

01:16:05,700 --> 01:16:03,250

she called her dad because she was

1667

01:16:07,589 --> 01:16:05,710

really upset because this being found

1668

01:16:09,870 --> 01:16:07,599

out worse what college was she was at

1669

01:16:11,520 --> 01:16:09,880

the dorm she was staying in he he got

1670

01:16:13,260 --> 01:16:11,530

into her dorm room and was wanting her

1671

01:16:15,959 --> 01:16:13,270

to tell her dad to stop talking about

1672

01:16:19,439 --> 01:16:15,969

this stuff and he was sharing this with

1673

01:16:21,000 --> 01:16:19,449

me and he was like you know and things I

1674

01:16:23,129 --> 01:16:21,010

really don't want to discuss but these

1675

01:16:25,169 --> 01:16:23,139

things aren't you know like I said the

1676

01:16:28,140 --> 01:16:25,179

ones I saw the two of me what do you

1677

01:16:30,629 --> 01:16:28,150

make of these men and black who in the

1678

01:16:32,729 --> 01:16:30,639

hell are they I don't know but I can

1679

01:16:34,680 --> 01:16:32,739

tell you that the two tall ones were

1680

01:16:40,859 --> 01:16:34,690

definitely not human I mean they were

1681

01:16:43,140 --> 01:16:40,869

definitely not human the shorty just

1682

01:16:45,390 --> 01:16:43,150

because of his I want to say he was a

1683

01:16:48,600 --> 01:16:45,400

hybrid maybe he looked more like a

1684

01:16:50,189 --> 01:16:48,610

person just like in your picture he

1685

01:16:51,720 --> 01:16:50,199

looked more like a person but when he

1686

01:16:55,979 --> 01:16:51,730

took his glasses off those weren't

1687

01:16:58,620 --> 01:16:55,989

normal eyes and it just the whole

1688

01:17:01,200 --> 01:16:58,630

everything that occurred during that

1689

01:17:02,939 --> 01:17:01,210

time I in my roundtable discussion with

1690

01:17:05,030 --> 01:17:02,949

dr. Haynes and dr. Western and

1691

01:17:06,839 --> 01:17:05,040

everything and we really went to detail

1692

01:17:09,720 --> 01:17:06,849

about things that have occurred in my

1693

01:17:11,339 --> 01:17:09,730

life and I found out through dr. Haynes

1694

01:17:15,390 --> 01:17:11,349

as he was sitting there talking back and

1695

01:17:18,919 --> 01:17:15,400

forth of Western you know dr. Haynes was

1696

01:17:21,990 --> 01:17:18,929

more involved in just the sightings and

1697

01:17:25,410 --> 01:17:22,000

more than pilots reports and he told me

1698

01:17:28,200 --> 01:17:25,420

I was the 44th person that actually when

1699

01:17:30,359 --> 01:17:28,210

I was flashing my flashlight had some

1700

01:17:31,649 --> 01:17:30,369

type of communication interaction going

1701

01:17:34,830 --> 01:17:31,659

on yeah

1702

01:17:35,760 --> 01:17:34,840

dr. westrom said you know from your just

1703

01:17:37,680 --> 01:17:35,770

your stories

1704

01:17:40,500 --> 01:17:37,690

you're falling straight in line with

1705

01:17:43,250 --> 01:17:40,510

actual cases we've dealt with and he

1706

01:17:45,990 --> 01:17:43,260

said there are people that much like

1707

01:17:48,930 --> 01:17:46,000

Travis Walton you know that accidentally

1708

01:17:51,899 --> 01:17:48,940

came up on something and you know it

1709

01:17:54,449 --> 01:17:51,909

even Travis feels that he got too close

1710

01:17:56,129 --> 01:17:54,459

he got hurt by it by this crap and

1711

01:17:59,580 --> 01:17:56,139

that's why they took him to kept him

1712

01:18:01,919 --> 01:17:59,590

alive you know to revive him and you

1713

01:18:03,419 --> 01:18:01,929

know help him but he really it wasn't

1714

01:18:05,219 --> 01:18:03,429

supposed to happen and he goes and

1715

01:18:07,799 --> 01:18:05,229

there's ones that are chosen and he goes

1716

01:18:11,040 --> 01:18:07,809

and dr. Western said Kent he goes for

1717

01:18:12,540 --> 01:18:11,050

some reason you've been chosen he goes

1718

01:18:14,189 --> 01:18:12,550

we don't know what the reason is he can

1719

01:18:18,209 --> 01:18:14,199

tell you but all the cases in a study

1720

01:18:19,949 --> 01:18:18,219

you had been chosen and he got up and

1721

01:18:22,469 --> 01:18:19,959

came over to me and gave me a big hug

1722

01:18:25,890 --> 01:18:22,479

and he goes and it's okay he said trust

1723

01:18:29,370 --> 01:18:25,900

me he said you're not alone and it just

1724

01:18:31,409 --> 01:18:29,380

it it kind of reassured me in my life

1725

01:18:32,790 --> 01:18:31,419

that all these things you know it's it's

1726

01:18:35,640 --> 01:18:32,800

the point where you you know are you

1727

01:18:37,259 --> 01:18:35,650

crazy you know what the hell is going on

1728

01:18:39,000 --> 01:18:37,269

and what is all these things that it's

1729

01:18:40,890 --> 01:18:39,010

happening and occurring your

1730

01:18:43,290 --> 01:18:40,900

synchronicity and all this you know it's

1731

01:18:45,179 --> 01:18:43,300

just like what in the world and it's

1732

01:18:47,790 --> 01:18:45,189

just that some for some reason it's for

1733

01:18:50,040 --> 01:18:47,800

a reason I I don't know what it is I

1734

01:18:51,959 --> 01:18:50,050

still to this day it's like my friend

1735

01:18:54,089 --> 01:18:51,969

Wayne in the rectangular craft there are

1736

01:18:58,589 --> 01:18:54,099

things that I don't remember that other

1737

01:19:01,500 --> 01:18:58,599

people witnessed and it just for some

1738

01:19:04,439 --> 01:19:01,510

reason these things are around me you

1739

01:19:05,759 --> 01:19:04,449

know and and I'm not talking like I can

1740

01:19:07,290 --> 01:19:05,769

go outside and see them and it's

1741

01:19:11,779 --> 01:19:07,300

happened every day but we're talking

1742

01:19:15,679 --> 01:19:11,789

maybe 15 times in my whole life

1743

01:19:19,020 --> 01:19:15,689

major deal you got to start carrying a

1744

01:19:21,779 --> 01:19:19,030

cell phone with a good camera audit yeah

1745

01:19:29,270 --> 01:19:21,789

I have a video camera actually three of

1746

01:19:31,770 --> 01:19:29,280

them that I keep night vision goggles

1747

01:19:34,979 --> 01:19:31,780

what's that Lindsay wasn't it just last

1748

01:19:37,649 --> 01:19:34,989

year dad that you even had an incident

1749

01:19:41,270 --> 01:19:37,659

happened near the mountain go easy yeah

1750

01:19:43,770 --> 01:19:41,280

I was coming back you asked for anything

1751

01:19:47,219 --> 01:19:43,780

it was coming back to Asheville and it

1752

01:19:49,830 --> 01:19:47,229

was kind of drizzly night and I could

1753

01:19:52,620 --> 01:19:49,840

just see up in the clouds something like

1754

01:19:55,770 --> 01:19:52,630

something bright was just flying like

1755

01:19:59,370 --> 01:19:55,780

over my cars I was on Interstate 40 and

1756

01:20:02,600 --> 01:19:59,380

it was right down by old fort area on

1757

01:20:04,439 --> 01:20:02,610

i-40 and I was heading back towards

1758

01:20:07,199 --> 01:20:04,449

Burlington

1759

01:20:08,909 --> 01:20:07,209

and it was pitch black no cars though I

1760

01:20:12,120 --> 01:20:08,919

was like 2 in the morning and my car

1761

01:20:14,399 --> 01:20:12,130

just died it just died on the middle of

1762

01:20:16,799 --> 01:20:14,409

the interstate and I remember thinking

1763

01:20:18,810 --> 01:20:16,809

oh my gosh somebody's going to hit me

1764

01:20:21,229 --> 01:20:18,820

and my lights cut off everything cut off

1765

01:20:24,389 --> 01:20:21,239

and I turned the key couldn't get it on

1766

01:20:27,600 --> 01:20:24,399

pull my lights back off and on it

1767

01:20:29,429 --> 01:20:27,610

nothing I had nothing and I got out of

1768

01:20:32,129 --> 01:20:29,439

the car you know pulled the hood and I

1769

01:20:33,389 --> 01:20:32,139

was rattling - shaking battery cables

1770

01:20:34,679 --> 01:20:33,399

you know just trying to figure out what

1771

01:20:36,779 --> 01:20:34,689

the heck is going on I got back in the

1772

01:20:38,879 --> 01:20:36,789

car

1773

01:20:41,909 --> 01:20:38,889

I just sat there and all of a sudden the

1774

01:20:47,299 --> 01:20:41,919

car just starts back up and then when I

1775

01:20:51,000 --> 01:20:47,309

get home even my cell phone the the the

1776

01:20:52,979 --> 01:20:51,010

time on my clock it disappeared on the

1777

01:20:55,199 --> 01:20:52,989

car because it just it's like the whole

1778

01:20:57,779 --> 01:20:55,209

thing died so basically back to zeros

1779

01:21:00,509 --> 01:20:57,789

but when I got home I noticed that even

1780

01:21:05,250 --> 01:21:00,519

my cell phone was like thirty five

1781

01:21:06,659 --> 01:21:05,260

minutes off time it was just thirty five

1782

01:21:10,199 --> 01:21:06,669

minutes off of my cell phone I'm like

1783

01:21:12,870 --> 01:21:10,209

what in the world and and you know my

1784

01:21:14,520 --> 01:21:12,880

wife Patti when I walked in the door you

1785

01:21:16,439 --> 01:21:14,530

know she was expecting a little earlier

1786

01:21:18,449 --> 01:21:16,449

and she said you have a traffic or what

1787

01:21:21,149 --> 01:21:18,459

she goes I'm like no and I told her what

1788

01:21:22,919 --> 01:21:21,159

happened and I said you know I ain't

1789

01:21:25,290 --> 01:21:22,929

even tried calling her now that my cell

1790

01:21:27,540 --> 01:21:25,300

phone would morning I looked at my phone

1791

01:21:28,859 --> 01:21:27,550

and it's 35 minutes off you know I'm

1792

01:21:32,370 --> 01:21:28,869

went oh my gosh look at that

1793

01:21:36,509 --> 01:21:32,380

you know we've got quite a few cases

1794

01:21:41,699 --> 01:21:36,519

where there's at that time yes placement

1795

01:21:44,250 --> 01:21:41,709

in fact in this case in England we call

1796

01:21:46,649 --> 01:21:44,260

it the thing the warminster flap that

1797

01:21:50,250 --> 01:21:46,659

went on for probably more than a yeah a

1798

01:21:52,439 --> 01:21:50,260

decade yeah the place where I had a you

1799

01:21:55,919 --> 01:21:52,449

know this is a UFO flash the light at

1800

01:21:58,199 --> 01:21:55,929

the UFO and it seemed to maneuver you

1801
01:22:01,250 --> 01:21:58,209
know when I blinked at it with my torch

1802
01:22:04,379 --> 01:22:01,260
like but there were all sorts of time

1803
01:22:07,830 --> 01:22:04,389
displacements there we're on the same

1804
01:22:10,560 --> 01:22:07,840
evening numerous of people in the town

1805
01:22:13,319 --> 01:22:10,570
there're watches were slowed down an

1806
01:22:16,709 --> 01:22:13,329
hour or whatever I mean it just times

1807
01:22:18,120 --> 01:22:16,719
seems to play a an important part in

1808
01:22:20,520 --> 01:22:18,130
this or maybe our

1809
01:22:23,280 --> 01:22:20,530
concept of time is just totally wrong

1810
01:22:27,750 --> 01:22:23,290
perhaps a UFOs are here to tell us that

1811
01:22:30,780 --> 01:22:27,760
there's a difference in our our our

1812
01:22:34,290 --> 01:22:30,790
entire what's the word I'm looking for

1813
01:22:37,080 --> 01:22:34,300

here our entire concept of the the

1814

01:22:38,970 --> 01:22:37,090

cosmos and the and a universe so yeah

1815

01:22:42,689 --> 01:22:38,980

what do you what do you do you have a

1816

01:22:46,050 --> 01:22:42,699

summation on all of this I mean are we

1817

01:22:51,030 --> 01:22:46,060

being visited by being some other planet

1818

01:22:55,189 --> 01:22:51,040

there's this apparent I have a I have

1819

01:22:58,680 --> 01:22:55,199

some pretty much it's not a good feeling

1820

01:23:00,390 --> 01:22:58,690

and I don't really push this I didn't

1821

01:23:03,540 --> 01:23:00,400

really talk to my kids or anything about

1822

01:23:05,490 --> 01:23:03,550

but I just sense that something is going

1823

01:23:09,000 --> 01:23:05,500

to happen I think the government knows

1824

01:23:10,229 --> 01:23:09,010

what's going to happen I do think just

1825

01:23:12,899 --> 01:23:10,239

there's so many reports of this

1826

01:23:14,820 --> 01:23:12,909

interdimensional where airline pilots

1827

01:23:19,649 --> 01:23:14,830

just you know craft just appear out of

1828

01:23:22,620 --> 01:23:19,659

nowhere I think there's like the

1829

01:23:25,200 --> 01:23:22,630

children it was school is in Bob way and

1830

01:23:29,479 --> 01:23:25,210

the messages they receive in their heads

1831

01:23:31,470 --> 01:23:29,489

I just think the government knows

1832

01:23:34,470 --> 01:23:31,480

basically what the future is going to

1833

01:23:37,350 --> 01:23:34,480

bring and I think these beings are here

1834

01:23:42,600 --> 01:23:37,360

to help I think they're here to save

1835

01:23:44,430 --> 01:23:42,610

parts I know you know you you see these

1836

01:23:46,770 --> 01:23:44,440

a lot of these landings where they're

1837

01:23:49,470 --> 01:23:46,780

getting plants and it's like they're

1838

01:23:51,899 --> 01:23:49,480

they're you know trying to save some of

1839

01:23:54,600 --> 01:23:51,909

the plant life and God knows what else

1840

01:23:57,060 --> 01:23:54,610

but there's so many you're in a rabbit

1841

01:23:59,340 --> 01:23:57,070

hole there's so many different roads

1842

01:24:02,189 --> 01:23:59,350

this branch out there absolutely you

1843

01:24:06,209 --> 01:24:02,199

know UFOs are are it's like it's like a

1844

01:24:08,129 --> 01:24:06,219

giant maze well you know we are pulling

1845

01:24:10,290 --> 01:24:08,139

up here towards the end of the show and

1846

01:24:12,479 --> 01:24:10,300

I did want to give you the opportunity

1847

01:24:15,270 --> 01:24:12,489

to tell our listeners where they might

1848

01:24:17,459 --> 01:24:15,280

obtain more information and this the

1849

01:24:20,220 --> 01:24:17,469

videos if they want to just go on

1850

01:24:23,490 --> 01:24:20,230

Facebook I did have a website but it

1851

01:24:26,070 --> 01:24:23,500

just cost too much and but my facebook

1852

01:24:30,360 --> 01:24:26,080

site it's a Center for UFO research in

1853

01:24:31,930 --> 01:24:30,370

see you can pull it up you can send me a

1854

01:24:34,320 --> 01:24:31,940

message

1855

01:24:37,120 --> 01:24:34,330

I have the DVDs just pay the postage

1856

01:24:40,900 --> 01:24:37,130

whatever and I'll ship these out to your

1857

01:24:43,990 --> 01:24:40,910

no charge for the DVD it was a great

1858

01:24:46,840 --> 01:24:44,000

conference a scientific conference a lot

1859

01:24:48,820 --> 01:24:46,850

of big names that I had come down well

1860

01:24:53,439 --> 01:24:48,830

you did another one you did another one

1861

01:24:55,090 --> 01:24:53,449

later on well what happened was one of

1862

01:24:58,200 --> 01:24:55,100

the things in books I really liked the

1863

01:25:00,939 --> 01:24:58,210

most was Timothy goods above top secret

1864

01:25:03,670 --> 01:25:00,949

had a lot of good information in that I

1865

01:25:05,530 --> 01:25:03,680

met Tennessee as a matter of fact the

1866

01:25:08,439 --> 01:25:05,540

night I received a call to go out in

1867

01:25:12,400 --> 01:25:08,449

this cattle mutilation I was at Timothy

1868

01:25:14,050 --> 01:25:12,410

good talk he was given in Raleigh and so

1869

01:25:14,920 --> 01:25:14,060

when I wanted to find a date and

1870

01:25:16,270 --> 01:25:14,930

everything because I didn't even have

1871

01:25:18,280 --> 01:25:16,280

the date I couldn't remember when the

1872

01:25:20,080 --> 01:25:18,290

date was I contacted Timothy so do you

1873

01:25:22,689 --> 01:25:20,090

remember speaking in Raleigh he gave me

1874

01:25:24,340 --> 01:25:22,699

the exact date of when that occurred so

1875

01:25:26,140 --> 01:25:24,350

that was helpful information but he was

1876

01:25:28,840 --> 01:25:26,150

the first one I asked to come to this

1877

01:25:32,020 --> 01:25:28,850

conference so I bought his plane ticket

1878

01:25:35,500 --> 01:25:32,030

from England and had everything set and

1879

01:25:38,950 --> 01:25:35,510

then when I got Lesley involved in all

1880

01:25:40,420 --> 01:25:38,960

these speakers there was an uproar that

1881

01:25:42,459 --> 01:25:40,430

someone wouldn't come because Tennessee

1882

01:25:45,729 --> 01:25:42,469

was going to be there they didn't want

1883

01:25:48,550 --> 01:25:45,739

to discuss aliens and as a matter of

1884

01:25:49,780 --> 01:25:48,560

fact the DVDs I have to them I have the

1885

01:25:52,090 --> 01:25:49,790

whole scholar which is called the

1886

01:25:54,430 --> 01:25:52,100

scholars collection but I didn't want to

1887

01:25:58,360 --> 01:25:54,440

censor Timothy good so I had to do a

1888

01:26:00,189 --> 01:25:58,370

separate DVD of Timothy's talk because

1889

01:26:05,470 --> 01:26:00,199

the others wouldn't want to be on there

1890

01:26:09,010 --> 01:26:05,480

if I had any what nitpicking you know

1891

01:26:11,380 --> 01:26:09,020

it's just politics and in the taboo and

1892

01:26:16,600 --> 01:26:11,390

the whole deal it was really frustrating

1893

01:26:18,760 --> 01:26:16,610

but so it's like he's got he's got some

1894

01:26:20,740 --> 01:26:18,770

pretty I mean he's gay you know he

1895

01:26:23,380 --> 01:26:20,750

believes in George Adamski and I'm sure

1896

01:26:27,160 --> 01:26:23,390

that most of the other speakers don't -

1897

01:26:29,380 --> 01:26:27,170

by the contactees stories but you know I

1898

01:26:32,170 --> 01:26:29,390

knew most of the contact easy to through

1899

01:26:34,420 --> 01:26:32,180

correspondence or meeting up with them

1900

01:26:36,850 --> 01:26:34,430

and they were a little bit of yang in a

1901

01:26:39,280 --> 01:26:36,860

little bit of the you know I mean they

1902

01:26:40,840 --> 01:26:39,290

they they had this um and then they

1903

01:26:42,790 --> 01:26:40,850

would add to the story because they

1904

01:26:44,050 --> 01:26:42,800

liked it they liked the limelight and

1905

01:26:45,970 --> 01:26:44,060

nobody made any money

1906

01:26:47,980 --> 01:26:45,980

you all for this series oh they

1907

01:26:51,190 --> 01:26:47,990

travelled around the country they went

1908

01:26:56,110 --> 01:26:51,200

on the Greyhound bus yeah you don't make

1909

01:26:58,300 --> 01:26:56,120

money in this stuff I mean I I'm I'm a

1910

01:27:00,910 --> 01:26:58,310

prefer if anybody is a professional

1911

01:27:02,620 --> 01:27:00,920

ufologists I guess I would be and I in

1912

01:27:05,920 --> 01:27:02,630

the book publishing business I mean for

1913

01:27:06,820 --> 01:27:05,930

a few years there people were just there

1914

01:27:08,740 --> 01:27:06,830

were bookstores

1915

01:27:11,800 --> 01:27:08,750

they were like 4,000 bookstores around

1916

01:27:13,090 --> 01:27:11,810

the country that catered to the I call

1917

01:27:15,490 --> 01:27:13,100

meant alternative

1918

01:27:17,290 --> 01:27:15,500

you know what just UFOs but yoga and

1919

01:27:18,970 --> 01:27:17,300

health food and stuff like that now

1920

01:27:20,980 --> 01:27:18,980

there are no book stores that cater to

1921

01:27:22,870 --> 01:27:20,990

anything outside of a Barnes and Noble

1922

01:27:24,670 --> 01:27:22,880

and you're not gonna get you know people

1923

01:27:27,250 --> 01:27:24,680

say oh but look they got a whole stack

1924

01:27:30,430 --> 01:27:27,260

of books in there well what people don't

1925

01:27:32,920 --> 01:27:30,440

realize is that Barnes & Noble takes the

1926

01:27:35,800 --> 01:27:32,930

book on consignment so they may have 40

1927

01:27:37,180 --> 01:27:35,810

copies of your book out there you get

1928

01:27:39,400 --> 01:27:37,190

paid for what you sell

1929

01:27:40,860 --> 01:27:39,410

maybe you're gonna sell five copies and

1930

01:27:44,170 --> 01:27:40,870

you've got to pay two shipping both ways

1931

01:27:46,900 --> 01:27:44,180

so but unless you got a couple of really

1932

01:27:48,190 --> 01:27:46,910

hot authors or something well I noticed

1933

01:27:50,320 --> 01:27:48,200

even the books now they put them on

1934

01:27:53,020 --> 01:27:50,330

cheap paper they're printed on newsprint

1935

01:27:55,930 --> 01:27:53,030

because they're putting out 40 or 50,000

1936

01:27:57,880 --> 01:27:55,940

copies and probably selling a third of

1937

01:28:00,340 --> 01:27:57,890

them and that's their their breakeven

1938

01:28:03,010 --> 01:28:00,350

it's like the old magazine business when

1939

01:28:05,500 --> 01:28:03,020

we used to do UFO universe and all these

1940

01:28:07,650 --> 01:28:05,510

other magazines you know your breakeven

1941

01:28:11,560 --> 01:28:07,660

was rather low but you got to keep your

1942

01:28:13,330 --> 01:28:11,570

overhead down to a minimum you know but

1943

01:28:16,390 --> 01:28:13,340

at least we have at least we did pay for

1944

01:28:18,820 --> 01:28:16,400

articles there I mean a nowadays is to

1945

01:28:21,340 --> 01:28:18,830

kind of hit or miss you know he posted

1946

01:28:22,990 --> 01:28:21,350

and my thing is just getting as much of

1947

01:28:25,510 --> 01:28:23,000

the truth out and that's occurred in the

1948

01:28:27,250 --> 01:28:25,520

past as possible just for knowledge just

1949

01:28:29,320 --> 01:28:27,260

yeah well that's the that's the

1950

01:28:32,530 --> 01:28:29,330

important thing I I could think that's

1951

01:28:34,210 --> 01:28:32,540

pretty much what we've gotten down to I

1952

01:28:36,970 --> 01:28:34,220

mean we got a few books we we just

1953

01:28:41,500 --> 01:28:36,980

published a book by Reverend Barry

1954

01:28:43,300 --> 01:28:41,510

downing who did yeah 50 he did a book 50

1955

01:28:47,530 --> 01:28:43,310

years ago is probably the original book

1956

01:28:51,240 --> 01:28:47,540

on the UFOs in the Bible Bible yeah yeah

1957

01:28:54,250 --> 01:28:51,250

and and it came out the same year is

1958

01:28:55,990 --> 01:28:54,260

Chariots of the Gods and it cost quite a

1959

01:28:57,920 --> 01:28:56,000

controversy well he was on the show

1960

01:28:59,960 --> 01:28:57,930

recently and it turned out that

1961

01:29:03,170 --> 01:28:59,970

he had a second manuscript that he wrote

1962

01:29:05,360 --> 01:29:03,180

up it was never published so I said you

1963

01:29:07,750 --> 01:29:05,370

know I mean I haven't published a book

1964

01:29:10,250 --> 01:29:07,760

by an outside Walter in a while but you

1965

01:29:12,470 --> 01:29:10,260

know if you wanted it's already there in

1966

01:29:14,420 --> 01:29:12,480

PDF form let me give it a shot and it

1967

01:29:15,860 --> 01:29:14,430

you know I mean it's not selling the

1968

01:29:18,590 --> 01:29:15,870

thousands of copies that would have if

1969

01:29:21,830 --> 01:29:18,600

it were done 20 years ago but you know

1970

01:29:25,640 --> 01:29:21,840

it's a in today's age of Amazon where

1971

01:29:28,340 --> 01:29:25,650

you got 17,000 other yeah it's doing a

1972

01:29:30,050 --> 01:29:28,350

few other things and we're trying to get

1973

01:29:32,750 --> 01:29:30,060

I don't know do you remember the story

1974

01:29:34,340 --> 01:29:32,760

of Carl Higdon the the Wyoming hunter

1975

01:29:36,650 --> 01:29:34,350

that had the experience that I always

1976

01:29:38,480 --> 01:29:36,660

thought was one of the top the cases

1977

01:29:41,420 --> 01:29:38,490

well I thought he had passed away what

1978

01:29:43,610 --> 01:29:41,430

was turns out I talked to his is a wife

1979

01:29:45,350 --> 01:29:43,620

they got it they got two books that

1980

01:29:47,330 --> 01:29:45,360

they've been working on and he's sitting

1981

01:29:49,220 --> 01:29:47,340

there and they're probably gonna publish

1982

01:29:51,350 --> 01:29:49,230

it themselves like his health has not

1983

01:29:53,900 --> 01:29:51,360

been all that great but they actually

1984

01:29:56,270 --> 01:29:53,910

did a show a couple of weeks ago and

1985

01:30:00,050 --> 01:29:56,280

yeah and I heard it and I said you know

1986

01:30:02,410 --> 01:30:00,060

I do this guy back wooden in the 1970s

1987

01:30:05,510 --> 01:30:02,420

got in touch with him you know so uh

1988

01:30:08,090 --> 01:30:05,520

okay well we're let me see here we've

1989

01:30:11,930 --> 01:30:08,100

got a view have you heard of Scott and

1990

01:30:14,150 --> 01:30:11,940

Suzanne Ramsey did the Aztek books yeah

1991

01:30:15,890 --> 01:30:14,160

they're there we've had them on the show

1992

01:30:19,040 --> 01:30:15,900

- yeah yeah yeah they're they're great

1993

01:30:22,070 --> 01:30:19,050

couple we've really you know we've we've

1994

01:30:25,700 --> 01:30:22,080

not this subject around now Tim how many

1995

01:30:31,420 --> 01:30:25,710

shows we've done oh I don't know four or

1996

01:30:34,340 --> 01:30:31,430

five yeah no I'll think Peter who keeps

1997

01:30:36,590 --> 01:30:34,350

these things said this would be maybe a

1998

01:30:40,130 --> 01:30:36,600

hundred and thirteen something like that

1999

01:30:43,160 --> 01:30:40,140

something we did other shows before that

2000

01:30:45,050 --> 01:30:43,170

and I've been doing this for 50 years so

2001
01:30:49,700 --> 01:30:45,060
I don't know I must have done a thousand

2002
01:30:53,930 --> 01:30:49,710
shows I've been and I'm still and I'm

2003
01:30:57,890 --> 01:30:53,940
still not talked out but Lindsey how can

2004
01:31:01,550 --> 01:30:57,900
people find you and find out your

2005
01:31:05,290 --> 01:31:01,560
activities and maybe book a speaker or a

2006
01:31:07,790 --> 01:31:05,300
a ghost hunter or a paranormal night

2007
01:31:09,770 --> 01:31:07,800
we've got it we've got Tom Reed on there

2008
01:31:11,600 --> 01:31:09,780
as well all my roster he's pretty

2009
01:31:13,370 --> 01:31:11,610
well-known in the UFO field

2010
01:31:18,050 --> 01:31:13,380
you can definitely find my information

2011
01:31:23,180 --> 01:31:18,060
at WWNT comm I'm on Twitter Instagram

2012
01:31:24,770 --> 01:31:23,190
Facebook all social media one a really

2013
01:31:28,490 --> 01:31:24,780

good event that's actually coming up in

2014

01:31:31,520 --> 01:31:28,500

March 23rd and 24th is going to be with

2015

01:31:33,200 --> 01:31:31,530

Grant Wilson and Chad Lindberg for the

2016

01:31:34,850 --> 01:31:33,210

lost limbs foundation we're going to be

2017

01:31:39,680 --> 01:31:34,860

doing an investigation at the Rhodes

2018

01:31:41,209 --> 01:31:39,690

hotel and Atlanta Indiana so that one's

2019

01:31:41,600 --> 01:31:41,219

actually going to be it's for a really

2020

01:31:44,030 --> 01:31:41,610

good cause

2021

01:31:46,129 --> 01:31:44,040

lost limbs foundation if anybody hasn't

2022

01:31:47,959 --> 01:31:46,139

heard of it it's a great charity they

2023

01:31:49,250 --> 01:31:47,969

help provide financial assistance to

2024

01:31:51,169 --> 01:31:49,260

families in need

2025

01:31:55,340 --> 01:31:51,179

whose family members are in need of

2026

01:31:57,740 --> 01:31:55,350

prosthetic limbs so a lot of proceeds to

2027

01:32:01,609 --> 01:31:57,750

that so it's gonna be great event if

2028

01:32:08,540 --> 01:32:01,619

anybody that's that center stage with an

2029

01:32:11,660 --> 01:32:08,550

S last name yes what is your what is

2030

01:32:14,270 --> 01:32:11,670

your most haunted hotel would you say I

2031

01:32:17,149 --> 01:32:14,280

mean it seems like every hotels got a

2032

01:32:19,370 --> 01:32:17,159

ghost in it now or if you think about

2033

01:32:21,950 --> 01:32:19,380

how many people have been on this planet

2034

01:32:24,979 --> 01:32:21,960

and how much space there is there isn't

2035

01:32:27,379 --> 01:32:24,989

really one one square mile that doesn't

2036

01:32:29,709 --> 01:32:27,389

have some sort of activity I think that

2037

01:32:32,090 --> 01:32:29,719

everywhere on some level is haunted

2038

01:32:34,490 --> 01:32:32,100

you'd like a Queen Mary though didn't

2039

01:32:37,160 --> 01:32:34,500

you yeah the Queen Mary was absolutely

2040

01:32:39,859 --> 01:32:37,170

amazing of course it's a it's a

2041

01:32:42,890 --> 01:32:39,869

definitely hotel still in a ship Mount

2042

01:32:44,330 --> 01:32:42,900

Washington is by far I think I think one

2043

01:32:45,919 --> 01:32:44,340

of the most beautiful places I think

2044

01:32:51,109 --> 01:32:45,929

you've gotta go you've got to go to

2045

01:32:54,080 --> 01:32:51,119

Jerome Arizona to Rome has got more

2046

01:32:59,359 --> 01:32:54,090

ghosts there than than they do people

2047

01:33:03,310 --> 01:32:59,369

actually this is like 444 people Wow but

2048

01:33:06,979 --> 01:33:03,320

the ghosts are amazing

2049

01:33:11,570 --> 01:33:06,989

I send you a copy the the book that I

2050

01:33:13,640 --> 01:33:11,580

wrote it has a whole chapter in it it's

2051
01:33:17,600 --> 01:33:13,650
one of the most amazing there's a ghost

2052
01:33:20,919 --> 01:33:17,610
hunter on every corner interest and it's

2053
01:33:24,350 --> 01:33:20,929
an old it's an old western town full of

2054
01:33:25,060 --> 01:33:24,360
prospectors and drunks and bordellos it

2055
01:33:28,240 --> 01:33:25,070
really

2056
01:33:31,660 --> 01:33:28,250
you know like weird stuff but we're here

2057
01:33:36,879 --> 01:33:31,670
attended their big pumpkin is coming to

2058
01:33:39,850 --> 01:33:36,889
crush us once again yeah well we got

2059
01:33:44,200 --> 01:33:39,860
probably a little lesson at two minutes

2060
01:33:48,660 --> 01:33:44,210
left in the show and let's see what okay

2061
01:33:57,430 --> 01:33:54,370
pumpkin pie so it all does go yeah we

2062
01:34:01,209 --> 01:33:57,440
are in we are in the holiday festive

2063
01:34:03,790 --> 01:34:01,219

mood here on exploring the the bazaar

2064

01:34:05,319 --> 01:34:03,800

and it's been a great show I think we've

2065

01:34:05,890 --> 01:34:05,329

learned that a Tim we learned a lot

2066

01:34:08,649 --> 01:34:05,900

tonight

2067

01:34:11,200 --> 01:34:08,659

Oh fantastic show and I just I wish we

2068

01:34:14,229 --> 01:34:11,210

had more time to talk to both Lynn well

2069

01:34:16,540 --> 01:34:14,239

yeah you know I guess we're just gonna

2070

01:34:19,439 --> 01:34:16,550

have to wait till it's time well you

2071

01:34:22,990 --> 01:34:19,449

know I think we will have Kenta back on

2072

01:34:24,760 --> 01:34:23,000

perhaps is a a panelist on one of our

2073

01:34:26,830 --> 01:34:24,770

shows they he's had so much experience

2074

01:34:29,379 --> 01:34:26,840

in this he can throw some of the

2075

01:34:31,450 --> 01:34:29,389

questions as some of the other guests

2076

01:34:33,910 --> 01:34:31,460

you know I think that'll be great yeah

2077

01:34:42,729 --> 01:34:33,920

absolutely wonderful wonder a wonderful

2078

01:34:44,560 --> 01:34:42,739

evening with a with a family all right

2079

01:34:46,720 --> 01:34:44,570

thank you thank you all for being with

2080

01:34:50,530 --> 01:34:46,730

us tonight and wish everybody a very

2081

01:34:58,509 --> 01:34:50,540

happy Thanksgiving yesterday yeah gobble

2082

01:35:04,209 --> 01:35:00,759

you've been listening to exploring the

2083

01:35:07,509 --> 01:35:04,219

bazaar with hosts Timothy Beckley and

2084

01:35:09,790 --> 01:35:07,519

team Swartz they're taking back the

2085

01:35:12,339 --> 01:35:09,800

night by jetting non-stop across the

2086

01:35:15,640 --> 01:35:12,349

cosmos in search of the truly bizarre

2087

01:35:17,299 --> 01:35:15,650

and totally unexplained with you as

2088

01:35:19,779 --> 01:35:17,309

their combines

2089

01:35:24,260 --> 01:35:19,789

Thursday nights at 7:00 p.m. Pacific

2090

01:35:27,919 --> 01:35:24,270

10:00 p.m. Eastern on the K cor digital

2091

01:35:30,830 --> 01:35:27,929

radio for more information on exploring

2092

01:35:33,680 --> 01:35:30,840

the bazaars and hosts Timothy Becky

2093

01:35:36,859 --> 01:35:33,690

Anton Swartz check out there k cor

2094

01:35:42,919 --> 01:35:36,869

digital radio network follow their

2095

01:35:53,950 --> 01:35:42,929

YouTube channel @m our UFO 1100 explore
