

EXPLORING THE BIZARRE

SHAWN WHITTINGTON

PAUL DALE ROBERTS

TIM BECKLEY

TIM SWARTZ

1
00:00:44,439 --> 00:00:41,750
explode the bazaars are your e-ticket

2
00:00:47,720 --> 00:00:44,449
ride into the world of the paranoid

3
00:00:52,029 --> 00:00:47,730
strap yourself in as we traverse the

4
00:00:55,149 --> 00:00:52,039
universe exploring the unexplained UFO s

5
00:00:57,530 --> 00:00:55,159
ghosts Lost Worlds

6
00:01:01,369 --> 00:00:57,540
cryptozoology waters as well as other

7
00:01:06,499 --> 00:01:01,379
dimensions it's time to take back the

8
00:01:09,620 --> 00:01:06,509
night now your electrifying hosts of

9
00:01:16,639 --> 00:01:09,630
exploring the bizarre Timothy Begley and

10
00:01:18,950 --> 00:01:16,649
team sports you know it's it's awful hot

11
00:01:22,669 --> 00:01:18,960
where I am here Wow look at all these

12
00:01:25,580 --> 00:01:22,679
demons they're closing in on me

13
00:01:28,730 --> 00:01:25,590

hello my god I never believed it

14

00:01:31,730 --> 00:01:28,740

but that looks like Satan's over there

15

00:01:34,249 --> 00:01:31,740

putting cold on the fire I've got to get

16

00:01:40,649 --> 00:01:34,259

out of here this must really be hell

17

00:01:48,990 --> 00:01:43,669

Jim by the pricking of my thumb's

18

00:01:54,569 --> 00:01:53,969

poetic you say alright Jim can you help

19

00:01:58,609 --> 00:01:54,579

me here

20

00:02:01,859 --> 00:01:58,619

Oh Dubai I'll do my best

21

00:02:04,289 --> 00:02:01,869

sure what I could do well send me a

22

00:02:07,289 --> 00:02:04,299

ladder down here well how about a coin I

23

00:02:09,809 --> 00:02:07,299

think yeah aren't you supposed to pay

24

00:02:12,300 --> 00:02:09,819

the the boatman on the river stuff yeah

25

00:02:13,710 --> 00:02:12,310

yeah I guess so I don't have any change

26

00:02:16,890 --> 00:02:13,720

I got a lot of pennies I don't know how

27

00:02:18,900 --> 00:02:16,900

far that I'll get me I think I know

28

00:02:24,420 --> 00:02:18,910

they're pennies from heaven that'll do

29

00:02:26,940 --> 00:02:24,430

it don't you spend all those in Atlantic

30

00:02:29,910 --> 00:02:26,950

City last week you know they don't the

31

00:02:32,009 --> 00:02:29,920

petty machines don't take pennies oh you

32

00:02:33,900 --> 00:02:32,019

you can't you can't use right now I

33

00:02:35,759 --> 00:02:33,910

don't know about Las Vegas we'll have to

34

00:02:40,410 --> 00:02:35,769

find out from our producer Tina they're

35

00:02:42,960 --> 00:02:40,420

Ocasio our radio but here in Atlantic

36

00:02:44,220 --> 00:02:42,970

City they don't take any Queens they

37

00:02:46,319 --> 00:02:44,230

don't take any cash

38

00:02:47,940 --> 00:02:46,329

well maybe you can shove a \$20 bill into

39

00:02:50,550 --> 00:02:47,950

the machine but they certainly don't

40

00:02:52,530 --> 00:02:50,560

take any coins and there are no handles

41

00:02:53,910 --> 00:02:52,540

on the machines anymore you just said

42

00:02:55,920 --> 00:02:53,920

that you know I watch from a distance

43

00:02:57,870 --> 00:02:55,930

because I don't realize I don't gamble

44

00:03:00,180 --> 00:02:57,880

anyway people just put the money in and

45

00:03:02,610 --> 00:03:00,190

they pumped a you know they put in seven

46

00:03:04,979 --> 00:03:02,620

or ten quarters now now you can play up

47

00:03:07,020 --> 00:03:04,989

to 50 lines or something like that you

48

00:03:09,270 --> 00:03:07,030

know I mean I like the one when it's

49

00:03:11,339 --> 00:03:09,280

just one line you know seven seven seven

50

00:03:14,309 --> 00:03:11,349

it's not complicated I either win or I

51
00:03:16,319 --> 00:03:14,319
lose right how do you figure all this

52
00:03:18,000 --> 00:03:16,329
thing ever figure it out to me it's just

53
00:03:20,879 --> 00:03:18,010
it's kind of dull and it's kind of

54
00:03:22,860 --> 00:03:20,889
boring and I'm sure the Chamber of

55
00:03:30,210 --> 00:03:22,870
Commerce will not be hiring me but

56
00:03:31,979 --> 00:03:30,220
that's folks person so are you getting

57
00:03:35,250 --> 00:03:31,989
ready for the holiday

58
00:03:37,199 --> 00:03:35,260
oh yes yes well you know my daughter

59
00:03:39,360 --> 00:03:37,209
she's all excited you know she can't

60
00:03:41,180 --> 00:03:39,370
wait for the holidays to get here she

61
00:03:43,949 --> 00:03:41,190
can't wait for school to let out for the

62
00:03:47,400 --> 00:03:43,959
the holiday break that's that's no boy

63
00:03:51,240 --> 00:03:47,410

yet I put up my Christmas tree today on

64

00:03:54,360 --> 00:03:51,250

the tiki bar the I took it out of the

65

00:03:57,750 --> 00:03:54,370

closet very dusty

66

00:03:58,650 --> 00:03:57,760

and there's a tinsel on it leftover from

67

00:04:01,770 --> 00:03:58,660

last year

68

00:04:04,259 --> 00:04:01,780

and there are lights on the tree but

69

00:04:06,809 --> 00:04:04,269

there's no place to plug it in because

70

00:04:07,680 --> 00:04:06,819

if you saw my place like every a modern

71

00:04:11,059 --> 00:04:07,690

place today

72

00:04:14,250 --> 00:04:11,069

you know when the building was built in

73

00:04:16,530 --> 00:04:14,260

1903 what did they have for electricity

74

00:04:18,270 --> 00:04:16,540

you know I mean one along one lamp or

75

00:04:22,040 --> 00:04:18,280

something like that the radio hadn't

76

00:04:24,270 --> 00:04:22,050

even been invented yet heaven forbid and

77

00:04:25,890 --> 00:04:24,280

so there's no there's no place to plug

78

00:04:29,070 --> 00:04:25,900

it in it's all you know set up with

79

00:04:30,810 --> 00:04:29,080

computers and modems and the wire from

80

00:04:33,090 --> 00:04:30,820

the Christmas tree is about I don't know

81

00:04:35,400 --> 00:04:33,100

foot long or something but you know my

82

00:04:37,740 --> 00:04:35,410

eyes glisten and that's all I am that's

83

00:04:39,480 --> 00:04:37,750

all I need that's right that's right

84

00:04:41,370 --> 00:04:39,490

well somebody wants to send me some

85

00:04:44,190 --> 00:04:41,380

poppy seed cake I love poppy seed cake

86

00:04:48,140 --> 00:04:44,200

so there you go just wrap it up good and

87

00:04:49,379 --> 00:04:48,150

put it in the mail priority before it's

88

00:04:52,590 --> 00:04:49,389

too late

89

00:04:55,740 --> 00:04:52,600

anyway enough for this merriment and

90

00:04:59,219 --> 00:04:55,750

chatter about the holidays because we

91

00:05:02,400 --> 00:04:59,229

have to a guess the fourth coming on the

92

00:05:05,400 --> 00:05:02,410

the show and we're going to talk tonight

93

00:05:08,040 --> 00:05:05,410

about demons and ghosts and exorcisms

94

00:05:10,800 --> 00:05:08,050

and the things that you'd like to bump

95

00:05:13,230 --> 00:05:10,810

into in the night no oh yeah I know

96

00:05:14,640 --> 00:05:13,240

that's that's okay oh well but you know

97

00:05:17,580 --> 00:05:14,650

Tim I mean this is the perfect time of

98

00:05:20,100 --> 00:05:17,590

year because you know ghost stories

99

00:05:23,279 --> 00:05:20,110

around Christmas you know that's that's

100

00:05:26,100 --> 00:05:23,289

that's been a favorite pastime for you

101
00:05:29,940 --> 00:05:26,110
know hundreds of years so I mean you

102
00:05:33,330 --> 00:05:29,950
know Christmas you know Carol we missed

103
00:05:37,560 --> 00:05:33,340
a crumpets or maybe we didn't miss him

104
00:05:39,570 --> 00:05:37,570
that was on December 5th mm-hmm and did

105
00:05:42,680 --> 00:05:39,580
you get a cold in your stocking or was

106
00:05:46,110 --> 00:05:42,690
the the Donald Trump put it there or was

107
00:05:47,610 --> 00:05:46,120
oh well you know around around here in

108
00:05:50,370 --> 00:05:47,620
the town but I live in I mean you know

109
00:05:54,450 --> 00:05:50,380
it's an old German heritage and so they

110
00:05:57,120 --> 00:05:54,460
they do celebrate was at Saint Nicholas

111
00:05:59,400 --> 00:05:57,130
at night or something like that and so

112
00:06:01,409 --> 00:05:59,410
crumpets comes and steals her children

113
00:06:03,300 --> 00:06:01,419

you know if they've been bad he's got

114

00:06:05,219 --> 00:06:03,310

like a big goodie sack that'll shove

115

00:06:07,800 --> 00:06:05,229

them down into him you know I was

116

00:06:08,340 --> 00:06:07,810

listening it to a darkness radio or

117

00:06:10,860 --> 00:06:08,350

friend Dave

118

00:06:14,130 --> 00:06:10,870

Schrader's you know it is the host and

119

00:06:17,010 --> 00:06:14,140

he had a someone the other night talking

120

00:06:19,560 --> 00:06:17,020

about Krampus but there are even worse

121

00:06:22,560 --> 00:06:19,570

Christmas entities than the Krampus

122

00:06:24,750 --> 00:06:22,570

there's one that will take your children

123

00:06:27,360 --> 00:06:24,760

behind the woodshed and use a belt on

124

00:06:32,610 --> 00:06:27,370

them or a switch and then he turns them

125

00:06:35,940 --> 00:06:32,620

over to Krampus I don't know you're

126

00:06:36,300 --> 00:06:35,950

lucky if you just get to see a Krampus I

127

00:06:38,580 --> 00:06:36,310

don't know

128

00:06:39,710 --> 00:06:38,590

hey let's introduce our guest and then

129

00:06:43,050 --> 00:06:39,720

we'll ask them if they have any

130

00:06:45,630 --> 00:06:43,060

Christmas stories oh well be my pleasure

131

00:06:48,210 --> 00:06:45,640

well tonight we've got two great guests

132

00:06:51,360 --> 00:06:48,220

we've got the river and Sean Whittington

133

00:06:55,710 --> 00:06:51,370

who is with us tonight right here in the

134

00:06:58,680 --> 00:06:55,720

studio's of K cor and about I'd put an

135

00:07:02,940 --> 00:06:58,690

extra R in there K cor digital video

136

00:07:04,800 --> 00:07:02,950

there you go now Reverend Sean is a

137

00:07:07,800 --> 00:07:04,810

devout Catholic and an ordained

138

00:07:10,280 --> 00:07:07,810

spiritual warfare minister well as well

139

00:07:13,200 --> 00:07:10,290

he's the host of the popular webcast

140

00:07:15,660 --> 00:07:13,210

Vegas supernatural right here on this

141

00:07:17,910 --> 00:07:15,670

network now along with his wife Sharron

142

00:07:20,460 --> 00:07:17,920

who is very strong in her Lutheran faith

143

00:07:22,650 --> 00:07:20,470

and a sensitive intuitive the husband

144

00:07:25,410 --> 00:07:22,660

and wife ghostbusting team have over 40

145

00:07:27,020 --> 00:07:25,420

years combined experience now the team

146

00:07:29,790 --> 00:07:27,030

is fully equipped to perform thorough

147

00:07:32,580 --> 00:07:29,800

paranormal investigations if needed and

148

00:07:38,280 --> 00:07:32,590

you can find out more about them at

149

00:07:42,360 --> 00:07:38,290

their website ghosts be gone biz and you

150

00:07:45,360 --> 00:07:42,370

can find that URL on our website right

151
00:07:48,150 --> 00:07:45,370
here at KCR and also with us tonight is

152
00:07:50,310 --> 00:07:48,160
Paul Dale Roberts a good friend of both

153
00:07:52,380 --> 00:07:50,320
of ours now Paul is a freelance writer

154
00:07:54,390 --> 00:07:52,390
and has written travel articles comic

155
00:07:57,540 --> 00:07:54,400
book reviews paranormal stories on

156
00:07:59,130 --> 00:07:57,550
ghosts and UFOs his real job is an

157
00:08:02,070 --> 00:07:59,140
office manager for a government agency

158
00:08:04,250 --> 00:08:02,080
me Joy's traveling the world has been

159
00:08:07,710 --> 00:08:04,260
into over 40 countries and territories

160
00:08:15,360 --> 00:08:13,020
Jody Gennaro I love Rio he's also the

161
00:08:17,839 --> 00:08:15,370
author of the popular HPI Chronicles

162
00:08:20,749 --> 00:08:17,849
volumes 1 through

163
00:08:22,339 --> 00:08:20,759

five so Paul Reverend Sean thank you

164

00:08:24,980 --> 00:08:22,349

very much for being with us tonight on

165

00:08:26,029 --> 00:08:24,990

exploring the bizarre my pleasure thank

166

00:08:30,949 --> 00:08:26,039

you for inviting me

167

00:08:32,779 --> 00:08:30,959

well 48 countries I III am impressed I

168

00:08:38,569 --> 00:08:32,789

wish I were in your shoes if they were

169

00:08:40,219 --> 00:08:38,579

big enough III well I've always they

170

00:08:46,930 --> 00:08:40,229

have to be they have to be big enough

171

00:08:52,850 --> 00:08:50,720

okay yeah so we got any Christmas

172

00:08:55,610 --> 00:08:52,860

stories out there

173

00:08:58,009 --> 00:08:55,620

well how about okay maybe not a

174

00:09:02,030 --> 00:08:58,019

Christmas story but how about a Taco

175

00:09:07,040 --> 00:09:02,040

Bell UFO Taco Bell UFO all right well we

176

00:09:09,350 --> 00:09:07,050

could start there oh okay okay well I

177

00:09:11,540 --> 00:09:09,360

well I put my cell phone number out

178

00:09:14,449 --> 00:09:11,550

there so I call it the paranormal

179

00:09:17,840 --> 00:09:14,459

hotline and I get a lot of phone calls

180

00:09:22,370 --> 00:09:17,850

and one of the craziest stories that I

181

00:09:25,639 --> 00:09:22,380

heard is this guy his name's mr. Reyes

182

00:09:29,329 --> 00:09:25,649

that's what I'll call him and he says

183

00:09:31,400 --> 00:09:29,339

that they were in the town of Buyten

184

00:09:34,189 --> 00:09:31,410

which is near

185

00:09:37,999 --> 00:09:34,199

I guess that's near by stroke I'm sorry

186

00:09:40,490 --> 00:09:38,009

that's near Modesto and they were hungry

187

00:09:42,590 --> 00:09:40,500

they're ready that was hella fine that

188

00:09:46,490 --> 00:09:42,600

would be California yeah California

189

00:09:49,269 --> 00:09:46,500

California yeah and they spied it Taco

190

00:09:53,870 --> 00:09:49,279

Bell they were hungry and before they

191

00:09:56,629 --> 00:09:53,880

went on this trip they were headed for

192

00:09:59,449 --> 00:09:56,639

Los Angeles and they went into this Taco

193

00:10:02,900 --> 00:09:59,459

Bell and they thought it was really

194

00:10:07,970 --> 00:10:02,910

unusual because the cashiers eyes seemed

195

00:10:10,370 --> 00:10:07,980

dark and elongated and the words on the

196

00:10:14,019 --> 00:10:10,380

display mean you became very blurry for

197

00:10:16,819 --> 00:10:14,029

them and the windows became solid white

198

00:10:20,110 --> 00:10:16,829

and this is what he's relating to me

199

00:10:23,059 --> 00:10:20,120

okay everything in the room became white

200

00:10:25,939 --> 00:10:23,069

mr. Reyes remembers seeing his wife and

201
00:10:29,569 --> 00:10:25,949
two daughters laying on a white solid

202
00:10:31,190 --> 00:10:29,579
table and the cashiers now looked like

203
00:10:34,370 --> 00:10:31,200
aliens standing over

204
00:10:37,670 --> 00:10:34,380
family members they look like demon is

205
00:10:40,220 --> 00:10:37,680
that we so like aliens like alien okay

206
00:10:42,710 --> 00:10:40,230
yeah aliens I said de grâce

207
00:10:45,800 --> 00:10:42,720
yeah and mr. Reyes remembers extreme

208
00:10:49,310 --> 00:10:45,810
pain in the nasal cavity area and

209
00:10:51,470 --> 00:10:49,320
screamed for help and a taller alien

210
00:10:53,990 --> 00:10:51,480
creature touched his forehead and he

211
00:10:58,250 --> 00:10:54,000
mentally received the message that

212
00:11:00,260 --> 00:10:58,260
everything will be alright and mr. Reyes

213
00:11:02,120 --> 00:11:00,270

and his family found themselves back in

214

00:11:04,880 --> 00:11:02,130

their vehicle and they were parked on

215

00:11:07,640 --> 00:11:04,890

the side of the freeway highway 99 and

216

00:11:10,520 --> 00:11:07,650

this is what he's claiming he's swearing

217

00:11:14,060 --> 00:11:10,530

up and down on it and mr. Reyes may see

218

00:11:15,920 --> 00:11:14,070

a you may see a hypnotist he says to

219

00:11:19,070 --> 00:11:15,930

find out what the complete experience

220

00:11:20,900 --> 00:11:19,080

was all about after the incident mr.

221

00:11:24,730 --> 00:11:20,910

Reyes said that he had a small seizure

222

00:11:27,980 --> 00:11:24,740

and he never had a seizure before well

223

00:11:30,020 --> 00:11:27,990

let me know okay yeah go ahead but I I

224

00:11:33,890 --> 00:11:30,030

have something to add here could finish

225

00:11:36,950 --> 00:11:33,900

on up okay so basically what it's coming

226

00:11:43,160 --> 00:11:36,960

down to is this Taco Bell actually

227

00:11:45,440 --> 00:11:43,170

became a UFO and and he was enticed to

228

00:11:48,320 --> 00:11:45,450

go in there thinking of some Taco Bell

229

00:11:51,950 --> 00:11:48,330

and then everything changed everything

230

00:11:56,180 --> 00:11:51,960

became white the menu became blurry the

231

00:12:02,120 --> 00:11:56,190

cashiers turned I bet I bet the food I

232

00:12:06,440 --> 00:12:02,130

bet the food was better no free taco

233

00:12:11,720 --> 00:12:06,450

bell for us know so I just thought that

234

00:12:14,750 --> 00:12:11,730

was really really unusual now let me

235

00:12:16,550 --> 00:12:14,760

tell you a story there is an incident

236

00:12:18,920 --> 00:12:16,560

that we published in one of our books

237

00:12:22,430 --> 00:12:18,930

Tim if you recall that was taken from

238

00:12:26,240 --> 00:12:22,440

the April bulletin there was a family

239

00:12:28,940 --> 00:12:26,250

this might be a UH an urban legend but

240

00:12:30,490 --> 00:12:28,950

this is a piece that was published in

241

00:12:32,630 --> 00:12:30,500

the rather prestigious and

242

00:12:36,110 --> 00:12:32,640

straightforward high probability and

243

00:12:39,890 --> 00:12:36,120

many many years ago a family was driving

244

00:12:42,340 --> 00:12:39,900

through the mountains in Oregon and they

245

00:12:47,500 --> 00:12:42,350

were running short on gas

246

00:12:50,350 --> 00:12:47,510

and they saw a fast-food restaurant so

247

00:12:53,430 --> 00:12:50,360

they they stopped in and it was shaped

248

00:12:57,010 --> 00:12:53,440

like a somewhat like a flying saucer

249

00:12:58,600 --> 00:12:57,020

kind of like now I don't think the maybe

250

00:13:00,640 --> 00:12:58,610

the first star I don't think the first

251
00:13:04,690 --> 00:13:00,650
star wars have come out but when they

252
00:13:07,180 --> 00:13:04,700
got inside the the waitresses and the

253
00:13:09,040 --> 00:13:07,190
the you know the the it was weird it was

254
00:13:12,720 --> 00:13:09,050
strange and there were some robots

255
00:13:17,260 --> 00:13:12,730
working the the fast-food counter and

256
00:13:19,570 --> 00:13:17,270
and all of that you know it was just

257
00:13:23,850 --> 00:13:19,580
pretty much the way you described that

258
00:13:28,300 --> 00:13:23,860
incident there now when they left the

259
00:13:31,000 --> 00:13:28,310
restaurant they found out that they they

260
00:13:33,580 --> 00:13:31,010
had not spent any money apparently the

261
00:13:35,740 --> 00:13:33,590
the counter people refused to take in

262
00:13:40,210 --> 00:13:35,750
the earthly coin that they were offered

263
00:13:43,840 --> 00:13:40,220

and the car kind of glided out of the

264

00:13:45,850 --> 00:13:43,850

parking lot and back onto the road so

265

00:13:47,920 --> 00:13:45,860

they really didn't they were able to get

266

00:13:50,650 --> 00:13:47,930

home you know and then they ran out of

267

00:13:52,540 --> 00:13:50,660

gas so that was fine now they liked the

268

00:13:55,570 --> 00:13:52,550

food so much that a couple of weeks

269

00:13:57,250 --> 00:13:55,580

later they decide to take a drive to

270

00:14:02,260 --> 00:13:57,260

find this fast-food restaurant which

271

00:14:03,880 --> 00:14:02,270

they found to be rather unusual and in

272

00:14:05,350 --> 00:14:03,890

addition it was kind of in a strange

273

00:14:07,300 --> 00:14:05,360

place up in the mountains I mean they

274

00:14:09,970 --> 00:14:07,310

didn't expect to see a fast-food

275

00:14:12,250 --> 00:14:09,980

restaurant there so they drove back to

276

00:14:14,320 --> 00:14:12,260

the area where the fast-food restaurant

277

00:14:18,060 --> 00:14:14,330

was but there was no fast-food

278

00:14:20,590 --> 00:14:18,070

restaurant so they did come along a

279

00:14:23,260 --> 00:14:20,600

construction team working on the highway

280

00:14:25,630 --> 00:14:23,270

and they stopped and they said can you

281

00:14:28,870 --> 00:14:25,640

tell us where the fast-food restaurant

282

00:14:30,460 --> 00:14:28,880

is that shaped like a spaceship and the

283

00:14:31,780 --> 00:14:30,470

people you know working on the

284

00:14:34,720 --> 00:14:31,790

construction site looked at him like

285

00:14:36,400 --> 00:14:34,730

they were total idiots and said you know

286

00:14:39,130 --> 00:14:36,410

there isn't a restaurant a fast-food

287

00:14:41,410 --> 00:14:39,140

restaurant here there's a diner like 30

288

00:14:45,220 --> 00:14:41,420

miles down the road is the nearest place

289

00:14:47,200 --> 00:14:45,230

to to eat so lady you must have been

290

00:14:49,270 --> 00:14:47,210

hallucinating and maybe they were

291

00:14:52,960 --> 00:14:49,280

hallucinating but that's the second

292

00:14:55,060 --> 00:14:52,970

story and as Tim can tell you food does

293

00:14:56,199 --> 00:14:55,070

seem to play a definite part in the

294

00:15:00,819 --> 00:14:56,209

paranormal we

295

00:15:03,549 --> 00:15:00,829

had John what's-his-name Christian Kuja

296

00:15:06,730 --> 00:15:03,559

Nielsen yeah Christian on who's written

297

00:15:11,559 --> 00:15:06,740

just the about this the smells and food

298

00:15:13,679 --> 00:15:11,569

and things associated with with the UFOs

299

00:15:17,199 --> 00:15:13,689

and Bigfoot and other paranormal

300

00:15:21,939 --> 00:15:17,209

experiences so we're we're not exactly

301

00:15:23,499 --> 00:15:21,949

in new territory here maybe there are

302

00:15:26,799 --> 00:15:23,509

other listeners out there who have had

303

00:15:30,389 --> 00:15:26,809

similar experiences and now that you've

304

00:15:35,949 --> 00:15:34,059

whatever that is absolutely amazing

305

00:15:37,569 --> 00:15:35,959

because I didn't know there was other

306

00:15:40,030 --> 00:15:37,579

stories like that out there and when he

307

00:15:40,569 --> 00:15:40,040

told me that story it just kind of blew

308

00:15:43,600 --> 00:15:40,579

me away

309

00:15:46,449 --> 00:15:43,610

but then I was thinking logically yeah

310

00:15:49,749 --> 00:15:46,459

they would probably set something up and

311

00:15:53,139 --> 00:15:49,759

if they can mentally read your mind they

312

00:15:56,139 --> 00:15:53,149

okay this family loves Taco Bell so la

313

00:15:58,809 --> 00:15:56,149

make our spaceship look like a Taco Bell

314

00:16:04,239 --> 00:15:58,819

you know in them and the town of by

315

00:16:06,189 --> 00:16:04,249

Stroh is very very small yes and I think

316

00:16:08,949 --> 00:16:06,199

there's only a gas station there there's

317

00:16:12,609 --> 00:16:08,959

not even a any fast food restaurants in

318

00:16:15,609 --> 00:16:12,619

that area so now it's just really and I

319

00:16:18,039 --> 00:16:15,619

just thought it was just he didn't

320

00:16:20,109 --> 00:16:18,049

really want to be identified because he

321

00:16:23,049 --> 00:16:20,119

he don't want to be a laughingstock he

322

00:16:25,749 --> 00:16:23,059

said you know his co-workers everybody

323

00:16:28,569 --> 00:16:25,759

well if the if he's listening to this

324

00:16:31,660 --> 00:16:28,579

program let him know that he is not

325

00:16:33,850 --> 00:16:31,670

alone and that he's welcome to come on

326

00:16:36,489 --> 00:16:33,860

and tell his story and identify himself

327

00:16:43,840 --> 00:16:36,499

and there will be a free taco bell for

328

00:16:46,329 --> 00:16:43,850

him if he does so and I got I got some I

329

00:16:49,600 --> 00:16:46,339

guess a couple other UFO stories and yes

330

00:16:55,419 --> 00:16:49,610

he has to deal with my wife okay Deanna

331

00:16:57,749 --> 00:16:55,429

Jackson Stinson and well when I first

332

00:17:02,470 --> 00:16:57,759

met her she had a lot of paranormal

333

00:17:04,120 --> 00:17:02,480

experiences and and so she told me what

334

00:17:06,579 --> 00:17:04,130

some of our paranormal experiences so

335

00:17:09,579 --> 00:17:06,589

one of them was being abducted as a

336

00:17:16,269 --> 00:17:09,589

child okay well that's

337

00:17:20,169 --> 00:17:16,279

not the crazy thing but as we well when

338

00:17:22,000 --> 00:17:20,179

I finally I married her and the things

339

00:17:24,179 --> 00:17:22,010

that started happening is like I took

340

00:17:27,250 --> 00:17:24,189

her on an investigation in Grass Valley

341

00:17:31,330 --> 00:17:27,260

were by Bill Air Force Base a lot of

342

00:17:35,980 --> 00:17:31,340

UFOs are seen well she was she's very

343

00:17:38,560 --> 00:17:35,990

mystical she had these two of them and

344

00:17:42,010 --> 00:17:38,570

she did like a little prayer over them

345

00:17:45,190 --> 00:17:42,020

and she says okay if you're a UFO

346

00:17:48,789 --> 00:17:45,200

power up she was about 200 yards from me

347

00:17:52,779 --> 00:17:48,799

and this thing powered up

348

00:17:56,169 --> 00:17:52,789

it became brighter and then it became

349

00:17:58,600 --> 00:17:56,179

too was a smaller light after that and

350

00:18:01,990 --> 00:17:58,610

everybody was screaming where she was at

351

00:18:03,940 --> 00:18:02,000

Wow you know it gave her a funny and by

352

00:18:08,200 --> 00:18:03,950

powering up okay well that was the first

353

00:18:10,960 --> 00:18:08,210

thing then the second thing was we were

354

00:18:12,789 --> 00:18:10,970

getting for Bodega Bay and we saw this

355

00:18:16,299 --> 00:18:12,799

thing that looked almost like a little

356

00:18:20,380 --> 00:18:16,309

rocket that had flame at the very end of

357

00:18:22,180 --> 00:18:20,390

it and it was like flying sideways so

358

00:18:26,080 --> 00:18:22,190

you know what the heck is that you know

359

00:18:29,789 --> 00:18:26,090

and she gets this impulse to sometimes

360

00:18:32,710 --> 00:18:29,799

look in a different area of the sky and

361

00:18:34,870 --> 00:18:32,720

she pointed it out to me okay well okay

362

00:18:36,880 --> 00:18:34,880

that was one thing that could be almost

363

00:18:39,519 --> 00:18:36,890

anything to be something military or

364

00:18:42,610 --> 00:18:39,529

whatever okay so let's forget that

365

00:18:46,480 --> 00:18:42,620

thought that one look and then we in

366

00:18:51,060 --> 00:18:46,490

Sacramento she goes Paul look to your

367

00:18:54,460 --> 00:18:51,070

right side she goes there's a golden

368

00:18:55,840 --> 00:18:54,470

cube in the sky I don't get out of here

369

00:18:57,310 --> 00:18:55,850

and I'm paying attention I'm on the

370

00:18:59,620 --> 00:18:57,320

freeway and I'm trying to pay attention

371

00:19:04,330 --> 00:18:59,630

to the road she goes no there's a cube

372

00:19:07,240 --> 00:19:04,340

in the skies and when I looked at it

373

00:19:09,970 --> 00:19:07,250

didn't look like a black cube and I go

374

00:19:12,010 --> 00:19:09,980

what the heck is that and she goes I

375

00:19:15,130 --> 00:19:12,020

don't know it's yes but I had this

376

00:19:17,919 --> 00:19:15,140

impulse to look on my right side and

377

00:19:20,049 --> 00:19:17,929

there it was in the sky I only lasted

378

00:19:22,530 --> 00:19:20,059

for a couple seconds and it disappeared

379

00:19:24,840 --> 00:19:22,540

okay well

380

00:19:29,490 --> 00:19:24,850

moving on and while we're traveling

381

00:19:31,950 --> 00:19:29,500

through copperopolis California she gets

382

00:19:34,170 --> 00:19:31,960

this impulse to take a picture of the

383

00:19:36,000 --> 00:19:34,180

sky she does I have to take a picture

384

00:19:38,750 --> 00:19:36,010

right here slow down slow down

385

00:19:42,390 --> 00:19:38,760

so I take it she takes a picture and

386

00:19:46,050 --> 00:19:42,400

there's a portal the listen looks like a

387

00:19:48,990 --> 00:19:46,060

black portal in the sky if I what the

388

00:19:51,990 --> 00:19:49,000

heck did that so that was the other

389

00:19:54,410 --> 00:19:52,000

instant and then she blew me away just

390

00:19:56,700 --> 00:19:54,420

recently right here and they'll grow

391

00:19:59,640 --> 00:19:56,710

we're driving along she goes pulling

392

00:20:02,040 --> 00:19:59,650

through this parking lot and I pull into

393

00:20:03,090 --> 00:20:02,050

a parking lot or why she there was an

394

00:20:06,510 --> 00:20:03,100

empty parking lot

395

00:20:08,550 --> 00:20:06,520

she goes I have to take a picture of the

396

00:20:11,970 --> 00:20:08,560

moon she goes there something by the

397

00:20:12,660 --> 00:20:11,980

moon and with the naked eye I don't see

398

00:20:16,950 --> 00:20:12,670

anything

399

00:20:21,660 --> 00:20:16,960

she's NASA photo and there's three discs

400

00:20:25,110 --> 00:20:21,670

in B formation and that picture right

401
00:20:27,000 --> 00:20:25,120
now is in the August issue of Fortune

402
00:20:29,730 --> 00:20:27,010
magazine hmm

403
00:20:31,980 --> 00:20:29,740
and I sent it over to Mia and they had

404
00:20:36,900 --> 00:20:31,990
no explanation what what is what issue

405
00:20:39,510 --> 00:20:36,910
of 14 times then a November issue I'm

406
00:20:42,390 --> 00:20:39,520
sorry that November issue it's right now

407
00:20:44,730 --> 00:20:42,400
in Barnes and Nobles oh good well I have

408
00:20:47,520 --> 00:20:44,740
the one with the last issue I think has

409
00:20:54,870 --> 00:20:47,530
the motorcycle motorcycle on the cover

410
00:20:57,720 --> 00:20:54,880
is that the one brown cover look I I

411
00:20:59,310 --> 00:20:57,730
have it I have it Elaine Boyes okay I

412
00:21:02,450 --> 00:20:59,320
have all my living and I cannot all

413
00:21:06,750 --> 00:21:02,460

actually send you the link I actually

414

00:21:08,970 --> 00:21:06,760

videotaped the magazine so if you yes I

415

00:21:12,270 --> 00:21:08,980

mean you know and I'll see you oh no III

416

00:21:17,790 --> 00:21:12,280

like it I get all the issues that's what

417

00:21:20,550 --> 00:21:17,800

a few magazines that you can buy on the

418

00:21:23,070 --> 00:21:20,560

newsstand there's anything yeah the

419

00:21:24,780 --> 00:21:23,080

November issue has which bottles on the

420

00:21:26,940 --> 00:21:24,790

cover I haven't got that way yeah I

421

00:21:31,020 --> 00:21:26,950

think that's it i think that one yeah

422

00:21:33,480 --> 00:21:31,030

I'm holding it in my hand right now okay

423

00:21:36,570 --> 00:21:33,490

now look in the middle and you're gonna

424

00:21:42,240 --> 00:21:36,580

see like a picture of some houses

425

00:21:45,420 --> 00:21:42,250

and you'll see three discs in the sky in

426

00:21:47,250 --> 00:21:45,430

their deformation yeah however my

427

00:21:49,170 --> 00:21:47,260

covering above the hovering above the

428

00:21:54,720 --> 00:21:49,180

moon yeah that's a great picture yeah

429

00:21:56,580 --> 00:21:54,730

well no didn't we publish photos of some

430

00:22:03,060 --> 00:21:56,590

UFOs that you took was the unit took

431

00:22:07,860 --> 00:22:03,070

them near Mount Shasta oh so you're a

432

00:22:09,420 --> 00:22:07,870

you're a UFO repeater ha ha yeah but the

433

00:22:11,730 --> 00:22:09,430

only thing is I'm not the one that

434

00:22:14,550 --> 00:22:11,740

attracts the UFOs yeah the one in Mount

435

00:22:17,970 --> 00:22:14,560

Shasta was Delos uh Sylvia Browne

436

00:22:19,830 --> 00:22:17,980

secretary and she says she's psychic and

437

00:22:21,540 --> 00:22:19,840

she said Paul snapped a photo I mean

438

00:22:23,190 --> 00:22:21,550

because you're gonna be surprised

439

00:22:25,410 --> 00:22:23,200

there'll be something behind me I

440

00:22:29,580 --> 00:22:25,420

snapped the photo of her now right

441

00:22:32,820 --> 00:22:29,590

behind her is that UFO and it's a like a

442

00:22:34,560 --> 00:22:32,830

disc and it was sideways or whatever

443

00:22:37,340 --> 00:22:34,570

well mount

444

00:22:40,470 --> 00:22:37,350

yeah mount share says one of the most

445

00:22:42,960 --> 00:22:40,480

mysterious places you can possibly a

446

00:22:46,170 --> 00:22:42,970

visitor we have a book a couple of books

447

00:22:48,660 --> 00:22:46,180

actually on oh yeah now Chester we get a

448

00:22:50,520 --> 00:22:48,670

lot of mail from people who who go there

449

00:22:51,930 --> 00:22:50,530

I wouldn't say they're skeptical but

450

00:22:54,600 --> 00:22:51,940

they go there you know either on a

451
00:22:56,280 --> 00:22:54,610
vacation or to go hiking and all of a

452
00:22:58,290 --> 00:22:56,290
sudden they're according the the middle

453
00:23:01,560 --> 00:22:58,300
of some mystical experience right then

454
00:23:03,660 --> 00:23:01,570
that's right well unfortunately we have

455
00:23:06,090 --> 00:23:03,670
a mystical experience coming up a word

456
00:23:08,010 --> 00:23:06,100
from our sponsors so when we come back

457
00:23:10,530 --> 00:23:08,020
we'll continue our conversation will

458
00:23:20,250 --> 00:23:10,540
bring Reverend Shawn up next on exploit

459
00:23:26,980 --> 00:23:24,400
now back to exploring the bazaar with

460
00:23:30,280 --> 00:23:26,990
two of the most electrifying researchers

461
00:23:36,370 --> 00:23:30,290
in the Paranoid your hosts Timothy Becca

462
00:23:38,920 --> 00:23:36,380
Lee and Taylor Swift's and welcome back

463
00:23:41,020 --> 00:23:38,930

to exploring the bazaar and I just want

464

00:23:45,760 --> 00:23:41,030

to thank all of our listeners out there

465

00:23:47,890 --> 00:23:45,770

who are spending their time with us

466

00:23:49,990 --> 00:23:47,900

tonight really appreciate it you know

467

00:23:52,480 --> 00:23:50,000

friends like ronica thanks for listening

468

00:23:55,930 --> 00:23:52,490

to Ron okay and so now we're gonna bring

469

00:23:58,030 --> 00:23:55,940

in Reverend Shawn and thanks Shawn for

470

00:24:01,450 --> 00:23:58,040

being with us tonight I know you have a

471

00:24:03,940 --> 00:24:01,460

busy schedule and we appreciate that you

472

00:24:06,700 --> 00:24:03,950

took your time to be with us tonight no

473

00:24:09,190 --> 00:24:06,710

I'm the one that wants to thank you let

474

00:24:13,530 --> 00:24:09,200

me start by saying breaking news this

475

00:24:16,330 --> 00:24:13,540

just in the rev has officially got his

476
00:24:25,480 --> 00:24:16,340
exploring the bizarre cherry broken and

477
00:24:48,340 --> 00:24:25,490
I am now officially bizarre first time

478
00:24:51,250 --> 00:24:48,350
on TV I'm excited at this point I'm just

479
00:24:53,320 --> 00:24:51,260
gonna let it go I just I just want to

480
00:24:56,350 --> 00:24:53,330
say that I promise it will be gentle

481
00:24:58,930 --> 00:24:56,360
for the rest but I do have a serious

482
00:25:01,030 --> 00:24:58,940
note I want to tell you guys we haven't

483
00:25:04,450 --> 00:25:01,040
spoke to one another since the both of

484
00:25:06,040 --> 00:25:04,460
you were on my show and mr. Roberts it's

485
00:25:10,270 --> 00:25:06,050
a pleasure to meet you for the first

486
00:25:11,800 --> 00:25:10,280
time for nothing but good things you got

487
00:25:13,510 --> 00:25:11,810
it I've heard nothing but great things

488
00:25:16,870 --> 00:25:13,520

about your brother and I just want you

489

00:25:19,840 --> 00:25:16,880

all to know seriously I love you all and

490

00:25:21,790 --> 00:25:19,850

I pray that the Holy Spirit comes into

491

00:25:24,370 --> 00:25:21,800

all of your lives this Christmas season

492

00:25:26,720 --> 00:25:24,380

and for all my Jewish friends out there

493

00:25:29,090 --> 00:25:26,730

a very Happy Hanukkah

494

00:25:33,580 --> 00:25:29,100

and please everybody don't forget what

495

00:25:37,700 --> 00:25:33,590

this time of the season really means and

496

00:25:41,180 --> 00:25:37,710

don't forget that Satan doesn't take

497

00:25:46,250 --> 00:25:41,190

vacations so this time of year he's more

498

00:25:48,650 --> 00:25:46,260

active than ever and just really if

499

00:25:51,500 --> 00:25:48,660

you're in this field the same field I'm

500

00:25:53,600 --> 00:25:51,510

an and you gentlemen to you have to

501
00:25:56,990 --> 00:25:53,610
really keep eyes in the back of your

502
00:25:58,250 --> 00:25:57,000
head and your head on a swivel when it

503
00:26:02,060 --> 00:25:58,260
comes to this time of the year because

504
00:26:09,790 --> 00:26:02,070
we're all targets is that because we get

505
00:26:13,460 --> 00:26:09,800
the big credit card yeah bat to the

506
00:26:15,590 --> 00:26:13,470
Satan make us go out and buy that all

507
00:26:26,660 --> 00:26:15,600
those lavish new gifts that Tim is going

508
00:26:29,020 --> 00:26:26,670
to send me and your bio that says that

509
00:26:35,060 --> 00:26:29,030
you're an ordained spiritual warfare

510
00:26:37,580 --> 00:26:35,070
minister okay now how how do you get

511
00:26:40,070 --> 00:26:37,590
that how do you get that title now I

512
00:26:42,230 --> 00:26:40,080
know that you know regular listeners to

513
00:26:44,840 --> 00:26:42,240

your show probably already know this but

514

00:26:46,850 --> 00:26:44,850

you know tell us about yourself I mean

515

00:26:48,890 --> 00:26:46,860

we know what got you started in this I

516

00:26:50,960 --> 00:26:48,900

mean you know the did you you don't have

517

00:26:54,740 --> 00:26:50,970

weird things happened to you when you

518

00:26:57,260 --> 00:26:54,750

were a kid or what I'm gonna give you

519

00:26:58,880 --> 00:26:57,270

the abridged version because the story

520

00:27:01,270 --> 00:26:58,890

would take the rest of the show and I

521

00:27:03,680 --> 00:27:01,280

don't want to be rude to mr. Roberts or

522

00:27:10,280 --> 00:27:03,690

either of the Tim's I want to give

523

00:27:14,000 --> 00:27:10,290

everybody yeah let's say I was ordained

524

00:27:17,030 --> 00:27:14,010

in my mother's womb when I was created

525

00:27:20,750 --> 00:27:17,040

to do this and I got the speech from my

526

00:27:23,780 --> 00:27:20,760

mother that being the case when I was

527

00:27:26,720 --> 00:27:23,790

around 10 years old and so been a

528

00:27:30,290 --> 00:27:26,730

Ghostbuster most of my life but only

529

00:27:32,960 --> 00:27:30,300

became ordained shortly after I met fell

530

00:27:37,430 --> 00:27:32,970

in love with my wife and we got married

531

00:27:39,490 --> 00:27:37,440

and became a team oddly enough it wasn't

532

00:27:40,590 --> 00:27:39,500

until shortly after that

533

00:27:45,070 --> 00:27:40,600

and she's a near-death experience

534

00:27:47,230 --> 00:27:45,080

survivor twice over three or four times

535

00:27:49,090 --> 00:27:47,240

if you count surviving an extreme

536

00:27:51,190 --> 00:27:49,100

demonic attack which left her with three

537

00:27:56,289 --> 00:27:51,200

very rare forms of cancer which we're

538

00:27:59,980 --> 00:27:56,299

still battling but I didn't be go on the

539

00:28:01,870 --> 00:27:59,990

path to become ordained until we ran

540

00:28:05,440 --> 00:28:01,880

into our first demonic case which was a

541

00:28:09,820 --> 00:28:05,450

few years back so how that happens was I

542

00:28:11,980 --> 00:28:09,830

was reached out to by my mentor at the

543

00:28:14,820 --> 00:28:11,990

time she went on to become my mentor

544

00:28:17,230 --> 00:28:14,830

deacon Katie McDonald first woman

545

00:28:20,830 --> 00:28:17,240

Exorcist to be ordained deacon in the

546

00:28:23,500 --> 00:28:20,840

Catholic Church since 1080 and her

547

00:28:26,260 --> 00:28:23,510

mentor and good friend dr. Reverend bill

548

00:28:28,390 --> 00:28:26,270

Jordan they at the time had founded the

549

00:28:32,560 --> 00:28:28,400

American Association of exorcists and

550

00:28:34,870 --> 00:28:32,570

agape Christian University and a and E

551
00:28:37,080 --> 00:28:34,880
was going to do a television show a

552
00:28:40,390 --> 00:28:37,090
reality

553
00:28:44,049 --> 00:28:40,400
paranormal television show about Katie

554
00:28:47,049 --> 00:28:44,059
called American Exorcist Katie McDonald

555
00:28:48,700 --> 00:28:47,059
and I was on her team at the time so I

556
00:28:52,529 --> 00:28:48,710
was going to be a part of that whole

557
00:28:55,529 --> 00:28:52,539
thing long story short the you know

558
00:28:59,289 --> 00:28:55,539
powers beyond our control

559
00:29:01,799 --> 00:28:59,299
really the attacks became on most of the

560
00:29:05,320 --> 00:29:01,809
team members became just relentless and

561
00:29:08,680 --> 00:29:05,330
ultimately resulted in us not doing the

562
00:29:10,270 --> 00:29:08,690
show but that got me on the path to

563
00:29:13,779 --> 00:29:10,280

becoming ordained through those two

564

00:29:17,789 --> 00:29:13,789

organizations and I was honored last

565

00:29:22,649 --> 00:29:17,799

year with a no expiration date lifelong

566

00:29:25,840 --> 00:29:22,659

ordination to advanced practiced

567

00:29:30,010 --> 00:29:25,850

ordained exorcism deliverance minister

568

00:29:32,890 --> 00:29:30,020

and so I'm very proud of that and I just

569

00:29:35,830 --> 00:29:32,900

continue on agape Team USA is still

570

00:29:37,930 --> 00:29:35,840

together and we still work cases and my

571

00:29:42,180 --> 00:29:37,940

wife and I are still ghosts be gone biz

572

00:29:46,470 --> 00:29:42,190

the ministry and we still work cases and

573

00:29:49,480 --> 00:29:46,480

let's let's get down to brass tacks here

574

00:29:52,910 --> 00:29:49,490

Sean or are you saying that all this

575

00:29:56,510 --> 00:29:52,920

phenomena is of the devil is demonic

576

00:29:59,810 --> 00:29:56,520

no not at all but it seems to be in my

577

00:30:01,370 --> 00:29:59,820

case ever since I got on this path that

578

00:30:04,520 --> 00:30:01,380

that's the only cases that come across

579

00:30:06,350 --> 00:30:04,530

my desk so I seem to be working a lot of

580

00:30:09,740 --> 00:30:06,360

those cases and they're always on a rise

581

00:30:12,590 --> 00:30:09,750

this time of year and I refer a lot of

582

00:30:15,830 --> 00:30:12,600

just the regular old Uncle Tom and Aunt

583

00:30:17,600 --> 00:30:15,840

Betty ghosts that are hanging around the

584

00:30:19,580 --> 00:30:17,610

home wanting to watch over the family

585

00:30:21,830 --> 00:30:19,590

and watch over the home and not cross

586

00:30:25,010 --> 00:30:21,840

over I do refer a lot of those cases

587

00:30:28,460 --> 00:30:25,020

over to other teams here locally yeah

588

00:30:30,320 --> 00:30:28,470

because I'm just so I'm in over my head

589

00:30:32,690 --> 00:30:30,330

actually to be honest with you I'm doing

590

00:30:34,580 --> 00:30:32,700

more counseling now than anything

591

00:30:37,820 --> 00:30:34,590

because I just physically cannot get out

592

00:30:39,080 --> 00:30:37,830

there and work every case but well why

593

00:30:42,380 --> 00:30:39,090

don't you tell why don't you tell us

594

00:30:45,230 --> 00:30:42,390

about the most how do i phrase this

595

00:30:48,200 --> 00:30:45,240

demonic incident that you were ever

596

00:30:52,510 --> 00:30:48,210

involved in the one that that maybe if

597

00:30:55,010 --> 00:30:52,520

Satan came closest to to winning out

598

00:31:01,370 --> 00:30:55,020

well I would have to definitely at one

599

00:31:03,350 --> 00:31:01,380

put the case we worked where the entity

600

00:31:06,500 --> 00:31:03,360

we were battling at my clients home

601
00:31:08,630 --> 00:31:06,510
followed my wife and I home and it took

602
00:31:12,050 --> 00:31:08,640
residents up in our house for about six

603
00:31:14,420 --> 00:31:12,060
eight weeks and it was a battle to

604
00:31:18,470 --> 00:31:14,430
finally get it to move on its way but I

605
00:31:21,380 --> 00:31:18,480
took about a year break from the

606
00:31:24,350 --> 00:31:21,390
ministry work because the attack on us

607
00:31:28,640 --> 00:31:24,360
and it's stayin in our home resulted in

608
00:31:30,200 --> 00:31:28,650
my wife becoming very ill and so I put

609
00:31:34,370 --> 00:31:30,210
everything on the back burner and spent

610
00:31:37,250 --> 00:31:34,380
two years easy away from the ministry

611
00:31:40,730 --> 00:31:37,260
work just trying to help my wife to keep

612
00:31:43,550 --> 00:31:40,740
her from succumbing to this and like I

613
00:31:45,200 --> 00:31:43,560

said we're still on that battle but that

614

00:31:46,970 --> 00:31:45,210

was a that was a terrible time this

615

00:31:50,540 --> 00:31:46,980

thing living in our home with us and

616

00:31:53,960 --> 00:31:50,550

then number two I would have to say the

617

00:31:57,530 --> 00:31:53,970

case I worked where I was actually it

618

00:32:01,640 --> 00:31:57,540

violently attacked myself that led to me

619

00:32:04,670 --> 00:32:01,650

taking another several month break from

620

00:32:05,659 --> 00:32:04,680

the field and I was actually gonna throw

621

00:32:08,599 --> 00:32:05,669

that my hat in

622

00:32:11,839 --> 00:32:08,609

and call it quits at the time but in the

623

00:32:14,209 --> 00:32:11,849

very next case after that I had a vision

624

00:32:16,969 --> 00:32:14,219

of the holy spirit at that case and then

625

00:32:19,609 --> 00:32:16,979

the very next case after that was an

626
00:32:23,599 --> 00:32:19,619
exorcism case and during the exorcism I

627
00:32:27,589 --> 00:32:23,609
actually had a vision of Jesus Christ on

628
00:32:30,409 --> 00:32:27,599
the cross which was life-changing and so

629
00:32:33,049 --> 00:32:30,419
I jumped back into the arena and I'm

630
00:32:35,029 --> 00:32:33,059
going strong as ever and I know this was

631
00:32:37,399 --> 00:32:35,039
my calling I always knew it was my

632
00:32:39,739 --> 00:32:37,409
calling because all my life my mother

633
00:32:42,649 --> 00:32:39,749
told me I would do something wonderful

634
00:32:45,379 --> 00:32:42,659
for Christ one day but she didn't

635
00:32:47,959 --> 00:32:45,389
specify what that would be and so I

636
00:32:49,909 --> 00:32:47,969
realize now that that's what that was

637
00:32:51,949 --> 00:32:49,919
all about and what I'm doing right now

638
00:32:56,839 --> 00:32:51,959

and where I'm at right now is exactly

639

00:33:01,489 --> 00:32:56,849

where I'm supposed to be so now what's

640

00:33:03,769 --> 00:33:01,499

the what's the difference yeah I see or

641

00:33:05,389 --> 00:33:03,779

you know I've seen a lot of these you

642

00:33:07,489 --> 00:33:05,399

know like ghost hunters and Ghost

643

00:33:12,039 --> 00:33:07,499

Busters and people like that they'll go

644

00:33:14,389 --> 00:33:12,049

into you know say like a house where

645

00:33:16,310 --> 00:33:14,399

somebody's been complaining about say

646

00:33:17,389 --> 00:33:16,320

like you pulled a guy's phenomenon

647

00:33:18,680 --> 00:33:17,399

though you know they'll be in the house

648

00:33:20,180 --> 00:33:18,690

for like five minutes and just

649

00:33:21,680 --> 00:33:20,190

immediately declare oh yeah you've got

650

00:33:24,979 --> 00:33:21,690

demons in or in turn around here and

651
00:33:29,599 --> 00:33:24,989
scare the Deaf out of everybody okay so

652
00:33:32,269 --> 00:33:29,609
what what's the difference between like

653
00:33:34,339 --> 00:33:32,279
you said before you know like just a

654
00:33:36,440 --> 00:33:34,349
house that seems to have just kind of

655
00:33:37,819 --> 00:33:36,450
more of a or common yeah and it's kind

656
00:33:41,060 --> 00:33:37,829
of funny to say this common everyday

657
00:33:44,259 --> 00:33:41,070
haunting or poltergeist activity or a

658
00:33:48,399 --> 00:33:44,269
place that really has something actually

659
00:33:51,079 --> 00:33:48,409
sinister going on well the difference is

660
00:33:55,039 --> 00:33:51,089
you can't believe anything you see on TV

661
00:33:57,859 --> 00:33:55,049
I used to give tours also paranormal

662
00:34:00,589 --> 00:33:57,869
tours of a cemetery and haunted home

663
00:34:02,239 --> 00:34:00,599

adjacent to the property and so many

664

00:34:04,609 --> 00:34:02,249

times people would come on the tour and

665

00:34:07,729 --> 00:34:04,619

expect to see a young girl strapped to a

666

00:34:10,009 --> 00:34:07,739

bed vomiting up green slime all over the

667

00:34:14,690 --> 00:34:10,019

place and her head spinning around she's

668

00:34:17,149 --> 00:34:14,700

she's here right now you know but it

669

00:34:18,660 --> 00:34:17,159

just doesn't happen that way the the

670

00:34:22,380 --> 00:34:18,670

demonic attack is very

671

00:34:23,880 --> 00:34:22,390

and it can come on very subtly and it

672

00:34:27,270 --> 00:34:23,890

could be years before the family

673

00:34:30,780 --> 00:34:27,280

realizes that the infestation and the

674

00:34:34,500 --> 00:34:30,790

oppression is is is as bad as it is and

675

00:34:37,200 --> 00:34:34,510

god forbid someone is possessed or worse

676
00:34:39,600 --> 00:34:37,210
than that completely gone over demonic

677
00:34:41,460 --> 00:34:39,610
integration and they're not even there

678
00:34:44,310 --> 00:34:41,470
anymore the vessel has been completely

679
00:34:46,710 --> 00:34:44,320
taken over by the entity um then you

680
00:34:49,230 --> 00:34:46,720
just have like I said mom or pop ghost

681
00:34:52,680 --> 00:34:49,240
that just loved life so much and love

682
00:34:54,330 --> 00:34:52,690
their family so much and loved the their

683
00:34:56,970 --> 00:34:54,340
home so much they don't want to move on

684
00:34:59,640 --> 00:34:56,980
they want to watch over things well I

685
00:35:03,000 --> 00:34:59,650
hate to be I hate to be cynical here but

686
00:35:07,440 --> 00:35:03,010
I am very cynical when it comes to Satan

687
00:35:10,980 --> 00:35:07,450
to be honest with you why would why

688
00:35:13,320 --> 00:35:10,990

would Satan want to bother with you to

689

00:35:15,630 --> 00:35:13,330

be honest with you I mean I'm sure he's

690

00:35:18,300 --> 00:35:15,640

got much more important things to do

691

00:35:22,370 --> 00:35:18,310

like hanging out in the Oval Office and

692

00:35:25,340 --> 00:35:22,380

you know maybe going sitting on the

693

00:35:28,590 --> 00:35:25,350

hopefully sitting on the the head of a

694

00:35:31,860 --> 00:35:28,600

you know a missile over there in North

695

00:35:32,580 --> 00:35:31,870

Korea or something why would he want to

696

00:35:35,340 --> 00:35:32,590

attack it

697

00:35:38,670 --> 00:35:35,350

you know just average folk who ain't

698

00:35:43,080 --> 00:35:38,680

done him any harm well let's let's

699

00:35:49,980 --> 00:35:43,090

address exactly him for a second Satan

700

00:35:53,130 --> 00:35:49,990

is a psychopathic murderer who sat on

701
00:35:56,520 --> 00:35:53,140
the throne next to his creator but you

702
00:35:58,410 --> 00:35:56,530
know your your your I've always said

703
00:36:00,890 --> 00:35:58,420
that you get one side of the story I've

704
00:36:04,020 --> 00:36:00,900
had a few friends in my life who were

705
00:36:06,900 --> 00:36:04,030
Luciferians right and people equate that

706
00:36:09,360 --> 00:36:06,910
to being Satanists and it isn't really I

707
00:36:12,120 --> 00:36:09,370
mean we hear one side of the story which

708
00:36:13,740 --> 00:36:12,130
is what the Bible it tells you you know

709
00:36:17,070 --> 00:36:13,750
how do we you know it's it's like

710
00:36:19,590 --> 00:36:17,080
listening to MSNBC and listening to Fox

711
00:36:22,560 --> 00:36:19,600
News you get you've got to totally

712
00:36:24,630 --> 00:36:22,570
conflicting your stories there I mean

713
00:36:26,580 --> 00:36:24,640

how can you say are you saying that

714

00:36:31,410 --> 00:36:26,590

everything that happens in the in the

715

00:36:32,430 --> 00:36:31,420

world we can blame on on Satan I mean if

716

00:36:35,400 --> 00:36:32,440

a guy

717

00:36:38,220 --> 00:36:35,410

breaks into your house and and robbed

718

00:36:41,520 --> 00:36:38,230

you and injures your your wife or your

719

00:36:44,040 --> 00:36:41,530

family member or holds up the local deli

720

00:36:46,620 --> 00:36:44,050

is it because the Satan is standing

721

00:36:50,250 --> 00:36:46,630

behind him with a pitchfork no

722

00:36:54,690 --> 00:36:50,260

absolutely not but he is at the root of

723

00:36:58,530 --> 00:36:54,700

all evil and so yes in a sense he does

724

00:37:01,319 --> 00:36:58,540

oversee all evil and it does stem it's

725

00:37:05,040 --> 00:37:01,329

seeded with him and then branches out

726
00:37:09,089 --> 00:37:05,050
and mainly stems from him and his fallen

727
00:37:15,059 --> 00:37:09,099
angels and his legion and so I have to

728
00:37:19,349 --> 00:37:15,069
say most evil is overseen by him but

729
00:37:21,329 --> 00:37:19,359
it's been my experience that most people

730
00:37:24,930 --> 00:37:21,339
that are coming to me needing help

731
00:37:26,760 --> 00:37:24,940
they've done something to make the

732
00:37:29,220 --> 00:37:26,770
demons that are infesting their home

733
00:37:32,640 --> 00:37:29,230
feel like they have been invited and

734
00:37:34,050 --> 00:37:32,650
have permission to be there and that

735
00:37:36,990 --> 00:37:34,060
makes a lot of people upset when I

736
00:37:41,520 --> 00:37:37,000
confront them with that and sometimes it

737
00:37:46,020 --> 00:37:41,530
takes days weeks of talking and

738
00:37:47,819 --> 00:37:46,030

investigating and going through a lot of

739

00:37:51,210 --> 00:37:47,829

situations with them before they realize

740

00:37:54,329 --> 00:37:51,220

oh yeah we did do that on that one day

741

00:37:56,640 --> 00:37:54,339

and then I remember things got started

742

00:38:01,230 --> 00:37:56,650

to get ugly after that something they

743

00:38:02,760 --> 00:38:01,240

did invited these things in and made

744

00:38:05,400 --> 00:38:02,770

them feel they have permission to be

745

00:38:08,339 --> 00:38:05,410

there and so to turn that completely

746

00:38:10,650 --> 00:38:08,349

around is a very hard thing to do it's

747

00:38:12,329 --> 00:38:10,660

not a quick fix and people get upset at

748

00:38:14,730 --> 00:38:12,339

me all the time you can't just come in

749

00:38:17,190 --> 00:38:14,740

here and bless my home and make them go

750

00:38:20,220 --> 00:38:17,200

away it doesn't work that way and I've

751

00:38:23,370 --> 00:38:20,230

had people from every walk in every

752

00:38:26,030 --> 00:38:23,380

religious belief system come to me for

753

00:38:29,010 --> 00:38:26,040

help at one time or another including

754

00:38:32,819 --> 00:38:29,020

atheists that didn't believe these

755

00:38:39,300 --> 00:38:32,829

things exist until they're living the

756

00:38:41,099 --> 00:38:39,310

horror and so it's it's tough I have to

757

00:38:43,349 --> 00:38:41,109

cut a lot of people loose that I know I

758

00:38:45,089 --> 00:38:43,359

just it's like that movie where the

759

00:38:46,769 --> 00:38:45,099

gentleman says help me help you

760

00:38:49,529 --> 00:38:46,779

if they have to

761

00:38:52,169 --> 00:38:49,539

be willing to help me help them and do

762

00:38:55,620 --> 00:38:52,179

what I need from them to turn the

763

00:38:58,799 --> 00:38:55,630

situation around but it's it's lots of

764

00:39:00,659 --> 00:38:58,809

times I jump in there raging rapids with

765

00:39:02,459 --> 00:39:00,669

them and they don't want me to just grab

766

00:39:04,380 --> 00:39:02,469

ahold of them and swim to safety they

767

00:39:07,140 --> 00:39:04,390

want to flail and grab ahold of me and

768

00:39:10,079 --> 00:39:07,150

take me down under with them and I have

769

00:39:12,059 --> 00:39:10,089

to at times cut people loose which is

770

00:39:16,529 --> 00:39:12,069

the heartbreaking part of of what I do

771

00:39:19,409 --> 00:39:16,539

okay well can you uh can you give give

772

00:39:21,899 --> 00:39:19,419

us an example maybe of a case that you

773

00:39:26,999 --> 00:39:21,909

have worked on where people have

774

00:39:33,239 --> 00:39:27,009

inverted you know created this kind of

775

00:39:37,559 --> 00:39:33,249

situation in their house well a lot of

776

00:39:40,259 --> 00:39:37,569

people are going to find this extremely

777

00:39:43,499 --> 00:39:40,269

odd but most of my clients are Ghost

778

00:39:45,659 --> 00:39:43,509

Busters and ghost hunters they are in

779

00:39:48,929 --> 00:39:45,669

the wrong place at the wrong time and

780

00:39:52,349 --> 00:39:48,939

not properly trained and I've had cases

781

00:39:54,689 --> 00:39:52,359

come across my desk where they've played

782

00:39:56,969 --> 00:39:54,699

occult games to try to conjure something

783

00:40:00,149 --> 00:39:56,979

up so they have something to investigate

784

00:40:01,589 --> 00:40:00,159

and something to battle or the Ouija

785

00:40:04,289 --> 00:40:01,599

board I'm not a big fan of the Ouija

786

00:40:07,079 --> 00:40:04,299

board I have close friends that are

787

00:40:08,939 --> 00:40:07,089

Ouija board fanatics but they're

788

00:40:10,620 --> 00:40:08,949

intelligent people and they know the

789

00:40:13,409 --> 00:40:10,630

history behind the Ouija board and they

790

00:40:16,439 --> 00:40:13,419

know how to properly use them as a tool

791

00:40:18,479 --> 00:40:16,449

and and that's their belief system and

792

00:40:20,699 --> 00:40:18,489

how they use it and I don't judge

793

00:40:22,709 --> 00:40:20,709

anybody but I know a lot of people that

794

00:40:25,380 --> 00:40:22,719

have misused to that and invited the

795

00:40:27,089 --> 00:40:25,390

wrong things into their homes and into

796

00:40:29,099 --> 00:40:27,099

their lives and once they did you know

797

00:40:31,079 --> 00:40:29,109

on the other hand millions of people

798

00:40:33,779 --> 00:40:31,089

have used the Ouija board and it hasn't

799

00:40:35,370 --> 00:40:33,789

done anything and and I've had a couple

800

00:40:38,839 --> 00:40:35,380

of occasions where I've used the Ouija

801
00:40:42,149 --> 00:40:38,849
board and I got I actually got some

802
00:40:45,899 --> 00:40:42,159
accurate information and I don't think

803
00:40:48,029 --> 00:40:45,909
that the Satan or any of his demons

804
00:40:50,339 --> 00:40:48,039
we're sitting there you know moving the

805
00:40:53,669 --> 00:40:50,349
planchette across the the board you know

806
00:40:56,609 --> 00:40:53,679
I mean it just doesn't happen that way

807
00:40:59,819 --> 00:40:56,619
you know do you culture sit like UFOs

808
00:41:00,690 --> 00:40:59,829
it's good and it it's whatever you

809
00:41:03,359 --> 00:41:00,700
interpret it

810
00:41:05,250 --> 00:41:03,369
to be and I do believe when you talk

811
00:41:08,520 --> 00:41:05,260
about all this negativity you invite

812
00:41:11,280 --> 00:41:08,530
negativity in it's like you know a demon

813
00:41:13,319 --> 00:41:11,290

or or or Dracula you know at your window

814

00:41:14,790 --> 00:41:13,329

or your door if he asked to come into

815

00:41:16,470 --> 00:41:14,800

your house or you talked about it all

816

00:41:18,630 --> 00:41:16,480

the time that's that's what you tend to

817

00:41:23,280 --> 00:41:18,640

get yeah absolutely

818

00:41:24,990 --> 00:41:23,290

and so that's why I try not to even in

819

00:41:26,550 --> 00:41:25,000

our our program I mean we've talked

820

00:41:30,270 --> 00:41:26,560

about some things that are negative we

821

00:41:33,870 --> 00:41:30,280

we tried to take a a positive approach

822

00:41:35,609 --> 00:41:33,880

to to all of this now we had a just

823

00:41:39,839 --> 00:41:35,619

published a book by Reverend Barry

824

00:41:41,640 --> 00:41:39,849

downing on a UFOs in the Bible and he

825

00:41:44,420 --> 00:41:41,650

sees a lot of things that took place in

826

00:41:47,760 --> 00:41:44,430

the old and new Testament

827

00:41:51,030 --> 00:41:47,770

extraterrestrials are angelic he doesn't

828

00:41:54,000 --> 00:41:51,040

see anything really demon demonic about

829

00:41:57,300 --> 00:41:54,010

UFOs I mean are you on that side of the

830

00:42:00,510 --> 00:41:57,310

fences is well that the UFOs are piloted

831

00:42:03,060 --> 00:42:00,520

by negative forces I think I think some

832

00:42:06,660 --> 00:42:03,070

are let me start by saying I'm not a big

833

00:42:11,790 --> 00:42:06,670

UFO guy I do believe in other life-forms

834

00:42:13,980 --> 00:42:11,800

out there that are visiting earth but I

835

00:42:16,079 --> 00:42:13,990

don't believe it all is negative but I

836

00:42:18,540 --> 00:42:16,089

do believe you know there is a there is

837

00:42:20,130 --> 00:42:18,550

a movie that's going to be playing in

838

00:42:23,250 --> 00:42:20,140

the theaters I think in five hundred

839

00:42:26,720 --> 00:42:23,260

theaters is it maybe in a couple of

840

00:42:30,660 --> 00:42:26,730

weeks that is being sponsored by some

841

00:42:33,359 --> 00:42:30,670

evangelical group and I guess they have

842

00:42:36,870 --> 00:42:33,369

some money to rent five hundred theaters

843

00:42:38,460 --> 00:42:36,880

it's called a form walling and you know

844

00:42:41,790 --> 00:42:38,470

I heard an interview that the fella did

845

00:42:44,190 --> 00:42:41,800

the other day and you know he sees all

846

00:42:46,680 --> 00:42:44,200

of this well that seems to be most of

847

00:42:49,170 --> 00:42:46,690

the the Christian approach it to this is

848

00:42:51,750 --> 00:42:49,180

if any of this existed well it has to be

849

00:42:53,520 --> 00:42:51,760

Satan and I don't know I mean some of it

850

00:42:55,980 --> 00:42:53,530

might be satanic we've done a couple of

851
00:42:58,410 --> 00:42:55,990
books you know round trip to hell on a

852
00:43:00,900 --> 00:42:58,420
flying saucer and evil empire the ETS

853
00:43:03,750 --> 00:43:00,910
and all the rest Rios I mean there is

854
00:43:06,480 --> 00:43:03,760
without a doubt some negativity in this

855
00:43:08,970 --> 00:43:06,490
but it's also the way you interpret it I

856
00:43:12,180 --> 00:43:08,980
mean there are there are people who have

857
00:43:14,099 --> 00:43:12,190
experiences and they are bought some

858
00:43:16,470 --> 00:43:14,109
great cosmic whiz

859
00:43:18,359 --> 00:43:16,480
and some people you know even the

860
00:43:21,269 --> 00:43:18,369
tight-ass spiritual experiences and of

861
00:43:23,640 --> 00:43:21,279
course you know even gone to it to

862
00:43:25,979 --> 00:43:23,650
heaven and in return I mean do you think

863
00:43:29,309 --> 00:43:25,989

that near-death experiences or are they

864

00:43:32,220 --> 00:43:29,319

what they purport to be talking to my

865

00:43:34,950 --> 00:43:32,230

wife I would have to say yes I know that

866

00:43:37,349 --> 00:43:34,960

she doesn't remember having the

867

00:43:42,029 --> 00:43:37,359

sensitivity to spirit that she had

868

00:43:43,890 --> 00:43:42,039

before having her near-death experience

869

00:43:45,779 --> 00:43:43,900

you know so what does that what does

870

00:43:47,789 --> 00:43:45,789

that mean exactly since she heard the

871

00:43:50,249 --> 00:43:47,799

spirit well she's like I call her my

872

00:43:52,680 --> 00:43:50,259

human dowsing rods I can't really work a

873

00:43:55,019 --> 00:43:52,690

case without her because she can walk

874

00:43:57,120 --> 00:43:55,029

into a place and look me in the eyes and

875

00:43:59,249 --> 00:43:57,130

say you know there's we can hang out for

876

00:44:01,739 --> 00:43:59,259

a little bit honey if you want but it's

877

00:44:04,319 --> 00:44:01,749

very quiet there's not gonna be much

878

00:44:06,720 --> 00:44:04,329

going on tonight not uh she's not saying

879

00:44:07,979 --> 00:44:06,730

that there's nothing there but you know

880

00:44:09,930 --> 00:44:07,989

it's going not going to be very

881

00:44:13,019 --> 00:44:09,940

productive evening and then we can walk

882

00:44:16,499 --> 00:44:13,029

in places and she can just give me the

883

00:44:19,440 --> 00:44:16,509

look and say I feel like I'm walking in

884

00:44:21,509 --> 00:44:19,450

soup yeah you know but you don't think

885

00:44:23,099 --> 00:44:21,519

that they're showing their negativity

886

00:44:27,839 --> 00:44:23,109

because you're looking at this in a

887

00:44:30,720 --> 00:44:27,849

negative way I think it isn't it isn't

888

00:44:32,940 --> 00:44:30,730

it like if there are forces out there

889

00:44:35,130 --> 00:44:32,950

it'll say hey let's go and battle this

890

00:44:38,910 --> 00:44:35,140

guy it'll give us something to do

891

00:44:41,630 --> 00:44:38,920

whereas if I went into a room you know I

892

00:44:44,849 --> 00:44:41,640

wouldn't have the same experiences and

893

00:44:48,089 --> 00:44:44,859

we've had our friend at Paulino on many

894

00:44:50,609 --> 00:44:48,099

times who it says that you can do you

895

00:44:53,279 --> 00:44:50,619

know as far as exorcism goes you can do

896

00:44:54,989 --> 00:44:53,289

just as much you know with the reading

897

00:44:57,599 --> 00:44:54,999

your jokes out of a book if you cannot

898

00:44:59,970 --> 00:44:57,609

in the Bible in fact the more you tried

899

00:45:01,950 --> 00:44:59,980

to confront the the so-called the demon

900

00:45:04,739 --> 00:45:01,960

our Satan the more they want to strike

901
00:45:06,569 --> 00:45:04,749
back at you I agree a hundred percent I

902
00:45:09,029 --> 00:45:06,579
think that's why I don't believe in

903
00:45:11,640 --> 00:45:09,039
religious provocation because I I know

904
00:45:15,749 --> 00:45:11,650
that just my wife and I showing up at

905
00:45:17,700 --> 00:45:15,759
cases if it's truly a demonic if there

906
00:45:20,160 --> 00:45:17,710
is truly demonic presence there that us

907
00:45:23,670 --> 00:45:20,170
just being there's provocation enough

908
00:45:26,800 --> 00:45:23,680
and that's just part of it my

909
00:45:31,180 --> 00:45:26,810
discernment is that I can see

910
00:45:35,380 --> 00:45:31,190
and feel them so I thought what does

911
00:45:38,620 --> 00:45:35,390
what does a demon look like in the true

912
00:45:40,990 --> 00:45:38,630
form I don't know I can tell you how

913
00:45:46,780 --> 00:45:41,000

they've appeared to me they've appeared

914

00:45:51,000 --> 00:45:46,790

to me as solid three-dimensional solid

915

00:45:57,040 --> 00:45:51,010

black figures they've appeared to me as

916

00:45:59,440 --> 00:45:57,050

black or gray tornados in a room small

917

00:46:02,680 --> 00:45:59,450

tornadoes they've appeared to me as

918

00:46:05,560 --> 00:46:02,690

family members of clients that I'm there

919

00:46:07,030 --> 00:46:05,570

at their home working the case and I'll

920

00:46:10,090 --> 00:46:07,040

walk into a room and there's a family

921

00:46:12,220 --> 00:46:10,100

member there then I realized no the

922

00:46:16,170 --> 00:46:12,230

whole family is on the other side of the

923

00:46:20,020 --> 00:46:16,180

home and then have that doppelganger

924

00:46:25,200 --> 00:46:20,030

apparition turn into one time what I can

925

00:46:25,210 --> 00:46:39,000

feral cat pig-like creature that land I

926

00:46:46,060 --> 00:46:43,600

get a lot of demon cases too and a lot

927

00:46:49,480 --> 00:46:46,070

of the cases that the occupants tell me

928

00:46:51,790 --> 00:46:49,490

that either the demon looks beautiful

929

00:46:56,500 --> 00:46:51,800

like a beautiful woman or a beautiful

930

00:46:59,740 --> 00:46:56,510

man or in chasing an animal shape or is

931

00:47:05,140 --> 00:46:59,750

shadowy a black mass a lot of them say a

932

00:47:06,730 --> 00:47:05,150

black mass and a lot of times too I get

933

00:47:09,550 --> 00:47:06,740

clients who ask me and they said where

934

00:47:12,760 --> 00:47:09,560

do these demons come from you know where

935

00:47:15,840 --> 00:47:12,770

is hell all the third stuff and I tell

936

00:47:18,880 --> 00:47:15,850

them that demons could either be

937

00:47:19,900 --> 00:47:18,890

extraterrestrial or interdimensional or

938

00:47:21,520 --> 00:47:19,910

both

939

00:47:25,780 --> 00:47:21,530

all right Paul could have to interrupt

940

00:47:28,360 --> 00:47:25,790

you hear the voice of the announcer

941

00:47:31,540 --> 00:47:28,370

that's coming up that's right we'll be

942

00:47:41,520 --> 00:47:31,550

we'll be right back after this break so

943

00:47:48,480 --> 00:47:45,820

explode the bazaars are your e-ticket

944

00:47:51,760 --> 00:47:48,490

ride into the world of the paranormal

945

00:47:56,070 --> 00:47:51,770

strap yourself in as we traverse the

946

00:47:59,190 --> 00:47:56,080

universe exploring the unexplained UFO s

947

00:48:01,570 --> 00:47:59,200

ghosts Lost Worlds

948

00:48:05,410 --> 00:48:01,580

cryptozoology as well as other

949

00:48:09,820 --> 00:48:05,420

dimensions it's time to take back the

950

00:48:13,060 --> 00:48:09,830

night last night now your electrifying

951
00:48:18,220 --> 00:48:13,070
hosts of exploring the bizarre Timothy

952
00:48:20,320 --> 00:48:18,230
Begley and team sports alright here we

953
00:48:26,620 --> 00:48:20,330
are back again second hour of exploring

954
00:48:28,150 --> 00:48:26,630
the bizarre and I know that Paul we want

955
00:48:31,540 --> 00:48:28,160
to talk about yeah during the break you

956
00:48:34,060 --> 00:48:31,550
were talking about orbs and taking

957
00:48:35,920 --> 00:48:34,070
pictures of wharves now I know that's

958
00:48:37,840 --> 00:48:35,930
kind of a controversial subject because

959
00:48:39,940 --> 00:48:37,850
a lot of people think that especially

960
00:48:42,490 --> 00:48:39,950
now that everybody's using digital

961
00:48:47,099 --> 00:48:42,500
cameras that that orbs are basically

962
00:48:51,010 --> 00:48:47,109
just an artifact of dust and insects on

963
00:48:54,700 --> 00:48:51,020

with digital cameras but you've had some

964

00:48:56,500 --> 00:48:54,710

different experiences oh yeah sure yeah

965

00:48:59,020 --> 00:48:56,510

orbs could be almost anything to be

966

00:49:03,460 --> 00:48:59,030

skinned place it could be dust it could

967

00:49:06,580 --> 00:49:03,470

be water you know dew drops and whatever

968

00:49:11,590 --> 00:49:06,590

there are light reflections but what

969

00:49:13,540 --> 00:49:11,600

I've done yes I asked well let me tell

970

00:49:16,390 --> 00:49:13,550

you about one case okay we had this case

971

00:49:20,080 --> 00:49:16,400

then it was the entity was named Emily

972

00:49:23,140 --> 00:49:20,090

and Emily was known to drain energy from

973

00:49:24,130 --> 00:49:23,150

the occupants and so one of my

974

00:49:26,940 --> 00:49:24,140

investigators

975

00:49:30,760 --> 00:49:26,950

I have to sit down on the couch just

976
00:49:33,359 --> 00:49:30,770
because my energy is just gone she goes

977
00:49:35,349 --> 00:49:33,369
I think Emily is draining my energy and

978
00:49:38,170 --> 00:49:35,359
I go hmm

979
00:49:41,260 --> 00:49:38,180
and this is when I first started it I

980
00:49:43,330 --> 00:49:41,270
said okay Emily and I I had two other

981
00:49:46,510 --> 00:49:43,340
investigators with cameras and I said

982
00:49:49,780 --> 00:49:46,520
we're gonna snap a photo after I talk to

983
00:49:49,960 --> 00:49:49,790
Emily I say Emily if you're listening to

984
00:49:54,840 --> 00:49:49,970
me

985
00:49:58,290 --> 00:49:54,850
I want you to kiss so so on the lips

986
00:50:03,600 --> 00:49:58,300
so we snap a photo that three cameras

987
00:50:07,740 --> 00:50:03,610
and all three cameras showed an orb on

988
00:50:09,660 --> 00:50:07,750

his mouth hmm I said what the heck I

989

00:50:12,270 --> 00:50:09,670

mean you're just blew me away

990

00:50:14,490 --> 00:50:12,280

and I said this shows intelligent woman

991

00:50:17,270 --> 00:50:14,500

I said we got a shot try it again

992

00:50:22,320 --> 00:50:17,280

I said Emily if you're listening to me

993

00:50:25,590 --> 00:50:22,330

appear by his head we snap a photo and

994

00:50:29,850 --> 00:50:25,600

sure enough there's this orb right next

995

00:50:32,640 --> 00:50:29,860

to his head and we go okay Emily if

996

00:50:35,670 --> 00:50:32,650

you're listening to me again okay I want

997

00:50:39,510 --> 00:50:35,680

you to sit on his lap we snap photo

998

00:50:42,840 --> 00:50:39,520

three photos and there's an oar hovering

999

00:50:46,010 --> 00:50:42,850

over his lap that showed intelligent

1000

00:50:49,320 --> 00:50:46,020

lumen so what I do now is when I go on

1001
00:50:51,120 --> 00:50:49,330
investigations I look for intelligent

1002
00:50:51,960 --> 00:50:51,130
Luis so there's so Allah says oh polygon

1003
00:50:55,290 --> 00:50:51,970
Fisher warp

1004
00:50:58,320 --> 00:50:55,300
well whoopee whoopee do okay now show me

1005
00:51:00,690 --> 00:50:58,330
this has intelligent movement place your

1006
00:51:03,990 --> 00:51:00,700
hand up against the wall and tell that

1007
00:51:07,680 --> 00:51:04,000
entity to appear by your hand and

1008
00:51:09,690 --> 00:51:07,690
sometimes sure enough the orb is right

1009
00:51:13,440 --> 00:51:09,700
next to the person's hand and I have

1010
00:51:17,250 --> 00:51:13,450
like several pictures of where we have

1011
00:51:20,580 --> 00:51:17,260
the orb next to the hand or what

1012
00:51:23,240 --> 00:51:20,590
wherever we tell it to be at so we

1013
00:51:25,230 --> 00:51:23,250

always look for intelligent movement and

1014

00:51:30,690 --> 00:51:25,240

something like that we deem as

1015

00:51:33,150 --> 00:51:30,700

paranormal hmm I'm interested in you

1016

00:51:35,850 --> 00:51:33,160

were talking about that the person

1017

00:51:39,270 --> 00:51:35,860

involved felt like that the entity Emily

1018

00:51:43,460 --> 00:51:39,280

was draining energy from him do you

1019

00:51:46,620 --> 00:51:43,470

think that that he was subconsciously

1020

00:51:48,450 --> 00:51:46,630

allowing this to happen that there is

1021

00:51:50,610 --> 00:51:48,460

some kind of almost like a you know like

1022

00:51:53,640 --> 00:51:50,620

not symbiosis but almost like a

1023

00:51:55,770 --> 00:51:53,650

parasitical type situation going on but

1024

00:51:58,770 --> 00:51:55,780

he was actually allowing it to happen

1025

00:52:02,550 --> 00:51:58,780

but not you know realizing it

1026
00:52:06,840 --> 00:52:02,560
consciously right I believe like he was

1027
00:52:08,610 --> 00:52:06,850
our weak link so it's like the the chain

1028
00:52:11,400 --> 00:52:08,620
fence it's like

1029
00:52:14,640 --> 00:52:11,410
he was the opening in that fence and she

1030
00:52:18,830 --> 00:52:14,650
got through it and and she started

1031
00:52:22,350 --> 00:52:18,840
attacking him because he was yeah well

1032
00:52:25,560 --> 00:52:22,360
he had some issues going on at home so

1033
00:52:27,930 --> 00:52:25,570
he was in already in a bummer mood so

1034
00:52:30,500 --> 00:52:27,940
she probably fed into that and start

1035
00:52:33,680 --> 00:52:30,510
draining his energy

1036
00:52:38,010 --> 00:52:33,690
no I've I've heard people you know a

1037
00:52:41,400 --> 00:52:38,020
comment before that people people like

1038
00:52:44,250 --> 00:52:41,410

that you know their their aura is broken

1039

00:52:47,160 --> 00:52:44,260

and there are you know like weak points

1040

00:52:52,140 --> 00:52:47,170

that they have that allow these entities

1041

00:52:54,540 --> 00:52:52,150

to you know attach themselves become you

1042

00:52:56,160 --> 00:52:54,550

know like an obsessive part of them or

1043

00:53:03,120 --> 00:52:56,170

you know like you said drain their

1044

00:53:05,430 --> 00:53:03,130

energy right and in one of the things I

1045

00:53:06,870 --> 00:53:05,440

like bringing my wife to like when I

1046

00:53:11,400 --> 00:53:06,880

bring her to the investigation

1047

00:53:14,520 --> 00:53:11,410

sometimes her psychic abilities is that

1048

00:53:15,900 --> 00:53:14,530

all-time high sometimes it's not and

1049

00:53:18,810 --> 00:53:15,910

she'll just look in the issue as well

1050

00:53:21,390 --> 00:53:18,820

Paul my sinuses are bothering me and I'm

1051
00:53:24,540 --> 00:53:21,400
just not picking up on anything it just

1052
00:53:27,990 --> 00:53:24,550
happens here and they're not all the

1053
00:53:30,360 --> 00:53:28,000
time and what I really like is that and

1054
00:53:32,280 --> 00:53:30,370
I tell her I use you as a tool

1055
00:53:36,090 --> 00:53:32,290
if you tell me there's a ghost by the

1056
00:53:38,250 --> 00:53:36,100
tree well let's prove it okay this up to

1057
00:53:40,770 --> 00:53:38,260
the investigators try to get an EVP by

1058
00:53:45,450 --> 00:53:40,780
the tree or try to get an anomaly in

1059
00:53:47,250 --> 00:53:45,460
their photograph by that tree and notice

1060
00:53:50,430 --> 00:53:47,260
there was one time where she was walking

1061
00:53:54,420 --> 00:53:50,440
into the house and it doesn't the entity

1062
00:53:56,310 --> 00:53:54,430
something like they they draining kind

1063
00:54:00,840 --> 00:53:56,320

of energy from her she's pretty strong

1064

00:54:03,240 --> 00:54:00,850

in that part in that department and she

1065

00:54:05,730 --> 00:54:03,250

walked into this one house and she says

1066

00:54:08,010 --> 00:54:05,740

I feel something on this chair I said

1067

00:54:10,470 --> 00:54:08,020

okay you know so my investigator starts

1068

00:54:14,790 --> 00:54:10,480

snapping photos and sure enough we get

1069

00:54:17,130 --> 00:54:14,800

this huge or on the chair and then she

1070

00:54:19,740 --> 00:54:17,140

goes well is still here we take more

1071

00:54:22,590 --> 00:54:19,750

pictures in the orb the wall now it's a

1072

00:54:27,150 --> 00:54:22,600

mist a mist on the chair

1073

00:54:29,280 --> 00:54:27,160

and another time we're at a house and

1074

00:54:31,290 --> 00:54:29,290

well I wasn't getting any kind of Evy

1075

00:54:34,410 --> 00:54:31,300

piece and she goes well I'm very much

1076
00:54:35,940 --> 00:54:34,420
attracted to this room this bedroom so

1077
00:54:37,740 --> 00:54:35,950
we go into the bedroom we're sitting on

1078
00:54:41,250 --> 00:54:37,750
bed and she goes

1079
00:54:43,800 --> 00:54:41,260
start recording now I go why she goes

1080
00:54:45,930 --> 00:54:43,810
it's talking to me so I start recording

1081
00:54:49,770 --> 00:54:45,940
and sure enough I got something like

1082
00:54:52,830 --> 00:54:49,780
five words and it's like whoa

1083
00:54:54,570 --> 00:54:52,840
you know so that's how we use a psychic

1084
00:54:56,790 --> 00:54:54,580
you know and if they can prove

1085
00:54:58,380 --> 00:54:56,800
themselves to be a real psychic and

1086
00:55:01,260 --> 00:54:58,390
that's one of the things I was impressed

1087
00:55:03,630 --> 00:55:01,270
with her and one of the things I fell in

1088
00:55:08,520 --> 00:55:03,640

love with her about is that she did have

1089

00:55:10,080 --> 00:55:08,530

that ability what what was it saying to

1090

00:55:13,770 --> 00:55:10,090

her what what were the words that you

1091

00:55:17,460 --> 00:55:13,780

recorded you were saying something like

1092

00:55:19,620 --> 00:55:17,470

um I'm I'm over here watching you or

1093

00:55:22,740 --> 00:55:19,630

something like that and I so it seemed

1094

00:55:24,090 --> 00:55:22,750

like this you know like a guy spirit and

1095

00:55:27,600 --> 00:55:24,100

you seemed like you I guess I was

1096

00:55:32,060 --> 00:55:27,610

attracted to her felt it but uh but he

1097

00:55:39,240 --> 00:55:36,780

going back to the the first part of the

1098

00:55:47,100 --> 00:55:39,250

program when you were talking about your

1099

00:55:49,230 --> 00:55:47,110

your wife psychically sensing UFOs the

1100

00:55:51,180 --> 00:55:49,240

question that I've often wondered and

1101

00:55:52,890 --> 00:55:51,190

and I know that you know Tim Tim Beckley

1102

00:55:57,090 --> 00:55:52,900

and I have often speculated along these

1103

00:56:01,320 --> 00:55:57,100

lines is I mean do you think that some

1104

00:56:03,090 --> 00:56:01,330

UFOs are rather than being you know the

1105

00:56:05,880 --> 00:56:03,100

traditional nuts and bolts you know

1106

00:56:07,740 --> 00:56:05,890

physical a little little gray bin from

1107

00:56:10,920 --> 00:56:07,750

another planet do you think that there

1108

00:56:13,950 --> 00:56:10,930

is a paranormal aspect to this phenomena

1109

00:56:16,530 --> 00:56:13,960

and and that's why a lot of people are

1110

00:56:19,680 --> 00:56:16,540

able to you know psychically sense them

1111

00:56:22,580 --> 00:56:19,690

or you know there is there seemed to be

1112

00:56:27,150 --> 00:56:22,590

some kind of paranormal connection

1113

00:56:29,520 --> 00:56:27,160

between UFOs and a lot of people

1114

00:56:32,160 --> 00:56:29,530

why I think my wife has a paranormal

1115

00:56:37,740 --> 00:56:32,170

technician in UFOs I think she has that

1116

00:56:41,970 --> 00:56:37,750

ability to uncloak UFOs with her mind or

1117

00:56:44,610 --> 00:56:41,980

whatever and it's because she told me

1118

00:56:47,790 --> 00:56:44,620

when I first met her she goes I was

1119

00:56:50,280 --> 00:56:47,800

abducted as a young child I was abducted

1120

00:56:52,710 --> 00:56:50,290

by if she calls it the mysterious I

1121

00:56:55,650 --> 00:56:52,720

because when she looked in the sky it

1122

00:56:59,790 --> 00:56:55,660

looked like an eye but she was abducted

1123

00:57:03,150 --> 00:56:59,800

by this UFO and somehow she has this

1124

00:57:07,920 --> 00:57:03,160

connection to UFOs and she has that

1125

00:57:10,770 --> 00:57:07,930

ability to and collect them and or sense

1126
00:57:13,050 --> 00:57:10,780
them because when she planning out the

1127
00:57:16,250 --> 00:57:13,060
cube to me and she pointing out this

1128
00:57:19,020 --> 00:57:16,260
thing that looked like a rocket ship I

1129
00:57:21,390 --> 00:57:19,030
don't believe they were cloaked but she

1130
00:57:25,980 --> 00:57:21,400
sensed it and then she was able to show

1131
00:57:29,610 --> 00:57:25,990
me and then the other ones like I wasn't

1132
00:57:33,120 --> 00:57:29,620
able to see the three the one in 14

1133
00:57:35,220 --> 00:57:33,130
magazine the one in V formation I wasn't

1134
00:57:37,020 --> 00:57:35,230
able to see that with my naked eye nor

1135
00:57:39,840 --> 00:57:37,030
could she see it with our naked eye

1136
00:57:43,170 --> 00:57:39,850
there's something told her to look

1137
00:57:46,140 --> 00:57:43,180
towards that that part of the sky and

1138
00:57:48,960 --> 00:57:46,150

snap a photo and sure enough there it

1139

00:57:51,930 --> 00:57:48,970

was so she knows how some kind of

1140

00:57:54,960 --> 00:57:51,940

psychic connection in UFOs and all of

1141

00:57:57,690 --> 00:57:54,970

the paranormal everything from Bigfoot

1142

00:57:59,910 --> 00:57:57,700

UFOs ghosts and everything if somehow

1143

00:58:05,510 --> 00:57:59,920

all connected because you're talking

1144

00:58:09,180 --> 00:58:05,520

about energy and I think that aliens

1145

00:58:11,760 --> 00:58:09,190

they harness energy in all ways you know

1146

00:58:15,690 --> 00:58:11,770

with the ley lines with volcanoes

1147

00:58:18,480 --> 00:58:15,700

because look how many UFOs are seen near

1148

00:58:20,910 --> 00:58:18,490

of a volcano or even going inside a

1149

00:58:23,520 --> 00:58:20,920

volcano why because of the energy

1150

00:58:26,670 --> 00:58:23,530

they're taking pictures of what looks

1151

00:58:29,280 --> 00:58:26,680

like a big old black UFO sucking the

1152

00:58:33,390 --> 00:58:29,290

energy from the Sun and leaving like a

1153

00:58:35,370 --> 00:58:33,400

big old hole in the Sun so when you're

1154

00:58:38,130 --> 00:58:35,380

dealing with energy you're dealing with

1155

00:58:40,500 --> 00:58:38,140

well ghosts because they're pure energy

1156

00:58:43,170 --> 00:58:40,510

you're dealing with

1157

00:58:45,090 --> 00:58:43,180

possibly Bigfoot because you got hunters

1158

00:58:47,730 --> 00:58:45,100

who claim they shot Bigfoot and turned

1159

00:58:49,710 --> 00:58:47,740

into Sparks and that's why they can't

1160

00:58:52,500 --> 00:58:49,720

capture a Bigfoot because it's better

1161

00:58:57,780 --> 00:58:52,510

dimensional it's an energy type creature

1162

00:59:00,870 --> 00:58:57,790

or an UFOs UFOs goes I think it all

1163

00:59:05,070 --> 00:59:00,880

connects and wherever you have strong

1164

00:59:07,860 --> 00:59:05,080

energy points like ancient monuments

1165

00:59:09,990 --> 00:59:07,870

usually are the center of different

1166

00:59:13,880 --> 00:59:10,000

energy points ley lines and everything

1167

00:59:17,190 --> 00:59:13,890

else you have strong paranormal activity

1168

00:59:19,440 --> 00:59:17,200

well that makes sense I mean considering

1169

00:59:23,610 --> 00:59:19,450

that I mean you know we're energy as

1170

00:59:25,770 --> 00:59:23,620

well I mean our reality is is energy so

1171

00:59:30,390 --> 00:59:25,780

I mean obviously there there has to be

1172

00:59:32,310 --> 00:59:30,400

some kind of connection you know I mean

1173

00:59:35,790 --> 00:59:32,320

we're all connected I think that that

1174

00:59:39,030 --> 00:59:35,800

has a lot to do with synchronicity and

1175

00:59:41,790 --> 00:59:39,040

synchronicity events that we all

1176

00:59:43,550 --> 00:59:41,800

experience I know that's Tim Beck Lee it

1177

00:59:46,170 --> 00:59:43,560

was Tim Beck Lee's favorite subjects and

1178

00:59:48,810 --> 00:59:46,180

it just it just always makes me think

1179

00:59:52,350 --> 00:59:48,820

that you know the you know our reality

1180

00:59:54,330 --> 00:59:52,360

is it's it's it's almost like a web that

1181

00:59:56,250 --> 00:59:54,340

we're all connected one way or the other

1182

00:59:59,720 --> 00:59:56,260

and synchronicities is like a

1183

01:00:04,170 --> 00:59:59,730

demonstration on how we're connected I

1184

01:00:06,240 --> 01:00:04,180

would say that vibration oh yeah yeah

1185

01:00:08,490 --> 01:00:06,250

vibration yeah that's it's a good and

1186

01:00:13,410 --> 01:00:08,500

you notice so many of us in this field

1187

01:00:16,700 --> 01:00:13,420

we experience at all and the belief is

1188

01:00:20,450 --> 01:00:16,710

that all of us that are involved in this

1189

01:00:24,060 --> 01:00:20,460

it was meant for us to be whatever

1190

01:00:26,550 --> 01:00:24,070

branch we're in and the paranormal

1191

01:00:28,380 --> 01:00:26,560

community and what we contribute it was

1192

01:00:34,740 --> 01:00:28,390

meant for us to do this because we are

1193

01:00:38,820 --> 01:00:34,750

all vibrating at a higher vibration you

1194

01:00:41,520 --> 01:00:38,830

know I I buy into it all because I find

1195

01:00:45,240 --> 01:00:41,530

that very interesting that so many of us

1196

01:00:47,430 --> 01:00:45,250

a lot of UF ologists Ghost Hunters

1197

01:00:51,230 --> 01:00:47,440

paranormal investigator a spiritual

1198

01:00:56,700 --> 01:00:53,780

cryptozoologists guys what they all

1199

01:00:59,010 --> 01:00:56,710

experienced there after one thing but

1200

01:01:02,039 --> 01:00:59,020

they've all examine other-- have

1201

01:01:05,370 --> 01:01:02,049

experienced at all and I find that a

1202

01:01:09,599 --> 01:01:05,380

very interesting a thing that that's we

1203

01:01:13,650 --> 01:01:09,609

all have in common do you think that

1204

01:01:15,690 --> 01:01:13,660

we're kind of our life is kind of

1205

01:01:18,440 --> 01:01:15,700

preordained I mean that were we're

1206

01:01:22,230 --> 01:01:18,450

traveling along a path that's been

1207

01:01:29,160 --> 01:01:22,240

carved out for us me I'm gonna say for

1208

01:01:31,950 --> 01:01:29,170

me I believe so 100% yeah possibly but

1209

01:01:35,819 --> 01:01:31,960

for me yes I can't I can't say for you

1210

01:01:38,430 --> 01:01:35,829

guys but I know that you can look at the

1211

01:01:40,289 --> 01:01:38,440

guy's his body of work look what you

1212

01:01:44,599 --> 01:01:40,299

guys have contributed to the paranormal

1213

01:01:46,890 --> 01:01:44,609

community with all the books done

1214

01:01:48,680 --> 01:01:46,900

experienced you know it's there's a

1215

01:01:52,470 --> 01:01:48,690

reason for that

1216

01:01:55,140 --> 01:01:52,480

yeah well I hope it's a positive well I

1217

01:01:58,170 --> 01:01:55,150

I you know I I guess and I look back at

1218

01:02:01,470 --> 01:01:58,180

the 200 books that we've put out or

1219

01:02:03,720 --> 01:02:01,480

something and I know some people have

1220

01:02:05,670 --> 01:02:03,730

gotten great enjoyment out of our book

1221

01:02:08,700 --> 01:02:05,680

just on my little books on a literary

1222

01:02:11,370 --> 01:02:08,710

level and other people have you know

1223

01:02:14,069 --> 01:02:11,380

read our books or purchased them to to

1224

01:02:16,079 --> 01:02:14,079

further whatever in their own you know

1225

01:02:18,599 --> 01:02:16,089

the pass through enlightenment is that's

1226

01:02:21,780 --> 01:02:18,609

kind of you know where the idea of

1227

01:02:24,720 --> 01:02:21,790

calling our company in our light it came

1228

01:02:27,030 --> 01:02:24,730

from because we all have a light shining

1229

01:02:29,309 --> 01:02:27,040

within us that we you know that we can

1230

01:02:32,609 --> 01:02:29,319

follow through life I don't know I

1231

01:02:36,059 --> 01:02:32,619

suppose we could take a bad turn you

1232

01:02:38,940 --> 01:02:36,069

know along the the way somewhere there

1233

01:02:42,920 --> 01:02:38,950

you know I take it there sure that

1234

01:02:50,970 --> 01:02:47,819

I'm on the fence with that because I had

1235

01:02:53,579 --> 01:02:50,980

know so many people that I trust and

1236

01:02:57,859 --> 01:02:53,589

believe are truly gifted as far as

1237

01:03:00,480 --> 01:02:57,869

having psychic gifts that have done

1238

01:03:02,910 --> 01:03:00,490

either they themselves have had past

1239

01:03:05,099 --> 01:03:02,920

life regressions or they can perform

1240

01:03:08,010 --> 01:03:05,109

them for you and sends you through your

1241

01:03:10,349 --> 01:03:08,020

past life regressions and some of the

1242

01:03:12,420 --> 01:03:10,359

stories and testimonies I've had from so

1243

01:03:14,490 --> 01:03:12,430

many people that that I trust and

1244

01:03:17,220 --> 01:03:14,500

believe that they're at least telling me

1245

01:03:20,370 --> 01:03:17,230

the truth about what they feel they've

1246

01:03:23,309 --> 01:03:20,380

experienced that you know I'm not gonna

1247

01:03:26,819 --> 01:03:23,319

say it's not possible I'm gonna say that

1248

01:03:28,380 --> 01:03:26,829

I'm on the fence with it and there's all

1249

01:03:31,859 --> 01:03:28,390

sort of kind of make sense though that

1250

01:03:35,640 --> 01:03:31,869

that is that is what's happening over

1251

01:03:37,230 --> 01:03:35,650

and over and again to a lot of us well

1252

01:03:39,960 --> 01:03:37,240

you know what it is look I'll tell you

1253

01:03:42,750 --> 01:03:39,970

about reincarnation of reincarnation is

1254

01:03:44,970 --> 01:03:42,760

from the ages 1 to 8 usually children

1255

01:03:47,490 --> 01:03:44,980

have psychic abilities that's why they

1256

01:03:50,039 --> 01:03:47,500

say they have an imaginary friend so you

1257

01:03:52,589 --> 01:03:50,049

hear that story all the time and when

1258

01:03:56,940 --> 01:03:52,599

their child is born upon the world the

1259

01:04:00,690 --> 01:03:56,950

in the atmosphere are is the energy of

1260

01:04:02,940 --> 01:04:00,700

deceased people and this energy contains

1261

01:04:06,920 --> 01:04:02,950

all the knowledge everything they

1262

01:04:10,049 --> 01:04:06,930

experience everything they saw and it's

1263

01:04:13,079 --> 01:04:10,059

contained in this energy of a deceased

1264

01:04:16,859 --> 01:04:13,089

person their soul their aura and it's

1265

01:04:18,240 --> 01:04:16,869

floating around and some children are in

1266

01:04:20,549 --> 01:04:18,250

tune they got their little psychic

1267

01:04:23,549 --> 01:04:20,559

antennas out there they're born upon the

1268

01:04:28,319 --> 01:04:23,559

world and they download the information

1269

01:04:30,839 --> 01:04:28,329

from the energy from this soul and all

1270

01:04:35,069 --> 01:04:30,849

of a sudden hey I'm John Smith and I was

1271

01:04:39,450 --> 01:04:35,079

born in 1873 knows a blacksmith ok they

1272

01:04:43,109 --> 01:04:39,460

have now gained this information from a

1273

01:04:46,920 --> 01:04:43,119

deceased person their soul because

1274

01:04:48,660 --> 01:04:46,930

energy lives forever and I believe that

1275

01:04:51,839 --> 01:04:48,670

reincarnation it's not that they're

1276

01:04:54,480 --> 01:04:51,849

actually that person they just simply

1277

01:04:56,460 --> 01:04:54,490

just like a computer download the

1278

01:05:03,750 --> 01:04:56,470

information and now they have the

1279

01:05:04,460 --> 01:05:03,760

knowledge of that person who died is

1280

01:05:09,589 --> 01:05:04,470

that good

1281

01:05:11,510 --> 01:05:09,599

that no it's not that at all and if some

1282

01:05:13,910 --> 01:05:11,520

people are just not intensive they may

1283

01:05:16,070 --> 01:05:13,920

download the information and they may

1284

01:05:18,290 --> 01:05:16,080

start having habits like biting their

1285

01:05:20,150 --> 01:05:18,300

fingernails while that biting their

1286

01:05:22,070 --> 01:05:20,160

fingernails is probably because they

1287

01:05:24,700 --> 01:05:22,080

downloaded some information from a

1288

01:05:30,170 --> 01:05:24,710

deceased person to get their fingernails

1289

01:05:31,580 --> 01:05:30,180

and so they gain these habits and and

1290

01:05:33,530 --> 01:05:31,590

they just don't realize it

1291

01:05:36,230 --> 01:05:33,540

some people are a little bit more in

1292

01:05:38,960 --> 01:05:36,240

tune to it and they're able to say okay

1293

01:05:39,800 --> 01:05:38,970

I was born in this town I lived with

1294

01:05:41,990 --> 01:05:39,810

this family

1295

01:05:44,680 --> 01:05:42,000

and all the information that was

1296

01:05:49,280 --> 01:05:44,690

processed because they downloaded the

1297

01:05:52,130 --> 01:05:49,290

energy the data from a deceased person

1298

01:05:55,210 --> 01:05:52,140

they they blocking that information from

1299

01:05:59,270 --> 01:05:55,220

their soul you know in the in our book

1300

01:06:05,089 --> 01:05:59,280

the matrix control system of philip k

1301

01:06:08,680 --> 01:06:05,099

dick he talks about how he had tim like

1302

01:06:11,829 --> 01:06:08,690

total recall of not a past life but a

1303

01:06:14,210 --> 01:06:11,839

life that he was living in another

1304

01:06:17,540 --> 01:06:14,220

reality at the same time he was living

1305

01:06:21,650 --> 01:06:17,550

as philip k dick in california but he

1306

01:06:23,870 --> 01:06:21,660

remembered explicitly every he said that

1307

01:06:24,460 --> 01:06:23,880

this was a life as a was it a roman

1308

01:06:27,530 --> 01:06:24,470

soldier

1309

01:06:29,930 --> 01:06:27,540

something like that yes during the time

1310

01:06:35,000 --> 01:06:29,940

of christ but it turned out he knew the

1311

01:06:36,800 --> 01:06:35,010

language that was spoken at the time as

1312

01:06:40,430 --> 01:06:36,810

if he was actually living there and he

1313

01:06:43,400 --> 01:06:40,440

knew he knew all the details of a living

1314

01:06:46,430 --> 01:06:43,410

in that period even though he was not a

1315

01:06:48,680 --> 01:06:46,440

you know a history bob above per se he

1316

01:06:51,170 --> 01:06:48,690

was a science fiction writer but there's

1317

01:06:53,690 --> 01:06:51,180

actually a name for that tim where you

1318

01:06:56,300 --> 01:06:53,700

you have a total recall about a

1319

01:06:59,990 --> 01:06:56,310

particular subject you know without

1320

01:07:02,510 --> 01:07:00,000

really having experienced it mm-hmm

1321

01:07:04,370 --> 01:07:02,520

I can't I can't remember all I can think

1322

01:07:06,200 --> 01:07:04,380

of now is eidetic memory but that's

1323

01:07:08,690 --> 01:07:06,210

that's from your own experiences what

1324

01:07:11,150 --> 01:07:08,700

you can't forget yeah well I I think

1325

01:07:14,000 --> 01:07:11,160

didn't Richard that shaver had a name

1326

01:07:15,200 --> 01:07:14,010

for that isn't like a rude memory or

1327

01:07:20,970 --> 01:07:15,210

racial memory

1328

01:07:21,630 --> 01:07:20,980

a versed you know and he he based that

1329

01:07:25,310 --> 01:07:21,640

on

1330

01:07:27,990 --> 01:07:25,320

you know like similarities between the

1331

01:07:31,940 --> 01:07:28,000

current you know Modern Languages and

1332

01:07:35,760 --> 01:07:31,950

then the the like the anti diluvian

1333

01:07:38,940 --> 01:07:35,770

languages everything that you know we

1334

01:07:42,210 --> 01:07:38,950

now use as language has a root cause

1335

01:07:44,940 --> 01:07:42,220

that you know went back way beyond what

1336

01:07:48,720 --> 01:07:44,950

we know as accepted history well he was

1337

01:07:51,330 --> 01:07:48,730

he was quite a character to say the the

1338

01:07:54,930 --> 01:07:51,340

least I know I had quite a bit of

1339

01:07:57,050 --> 01:07:54,940

correspondence with him back when he was

1340

01:08:00,000 --> 01:07:57,060

still he I think he passed away in the

1341

01:08:02,010 --> 01:08:00,010

1970s and of course a you've written a

1342

01:08:03,480 --> 01:08:02,020

book about the substitute what is it

1343

01:08:07,080 --> 01:08:03,490

called the reality in the subterranean

1344

01:08:07,740 --> 01:08:07,090

world yes yes yes and we've we've

1345

01:08:12,870 --> 01:08:07,750

published

1346

01:08:16,200 --> 01:08:12,880

the original a hidden world there were

1347

01:08:19,320 --> 01:08:16,210

sixteen volumes in the series I think we

1348

01:08:22,019 --> 01:08:19,330

had fifteen of them but one of the one

1349

01:08:23,849 --> 01:08:22,029

of the printers I disappeared not only

1350

01:08:29,099 --> 01:08:23,859

with some of our money but with also the

1351

01:08:31,470 --> 01:08:29,109

masters to the book this is gonna blow

1352

01:08:35,579 --> 01:08:31,480

you away how about if I told you the

1353

01:08:39,870 --> 01:08:35,589

Library of Alexandria still exists well

1354

01:08:42,960 --> 01:08:39,880

where can we find it okay here it is

1355

01:08:46,349 --> 01:08:42,970

okay check this out okay

1356

01:08:50,910 --> 01:08:46,359

as the people were writing on their

1357

01:08:54,720 --> 01:08:50,920

Scrolls and depositing their stories in

1358

01:08:58,349 --> 01:08:54,730

the Library of Alexandria they had to

1359

01:09:01,050 --> 01:08:58,359

see what they were writing so light was

1360

01:09:04,559 --> 01:09:01,060

reflecting off that scroll the light

1361

01:09:07,380 --> 01:09:04,569

down stuff and it exists in our

1362

01:09:08,910 --> 01:09:07,390

atmosphere and let's say there's aliens

1363

01:09:11,130 --> 01:09:08,920

on the other side of the galaxy and they

1364

01:09:13,890 --> 01:09:11,140

have this high-power telescope and

1365

01:09:17,130 --> 01:09:13,900

they're directing this telescope to

1366

01:09:20,430 --> 01:09:17,140

earth and they have their let's say the

1367

01:09:23,099 --> 01:09:20,440

power to magnify what is going on on

1368

01:09:28,099 --> 01:09:23,109

earth while they're seeing the light in

1369

01:09:31,690 --> 01:09:28,109

the past so they're possibly seeing sees

1370

01:09:34,240 --> 01:09:31,700

they're seeing a Roman gladiator

1371

01:09:37,600 --> 01:09:34,250

fighting in combat in the Roman days

1372

01:09:41,050 --> 01:09:37,610

they're singing the past they're seeing

1373

01:09:43,180 --> 01:09:41,060

the life from the past on earth so

1374

01:09:46,480 --> 01:09:43,190

everything that was written in the

1375

01:09:49,380 --> 01:09:46,490

Library of Alexandria exists in light

1376

01:09:53,620 --> 01:09:49,390

form and is still traveling in space

1377

01:09:56,590 --> 01:09:53,630

because they had to have light to write

1378

01:09:58,720 --> 01:09:56,600

on the stroll so the light had bounced

1379

01:10:01,590 --> 01:09:58,730

off the stroke and it bounced into the

1380

01:10:05,650 --> 01:10:01,600

atmosphere and it lives on forever and

1381

01:10:08,680 --> 01:10:05,660

the life that's being generated on the

1382

01:10:11,260 --> 01:10:08,690

other side of the galaxy is everything

1383

01:10:14,080 --> 01:10:11,270

that happened on earth in the past and

1384

01:10:16,930 --> 01:10:14,090

if aliens were looking at the world from

1385

01:10:19,510 --> 01:10:16,940

the other side of the galaxy they would

1386

01:10:22,230 --> 01:10:19,520

be seeing things they would be seeing

1387

01:10:27,040 --> 01:10:22,240

London England when Jack the Ripper was

1388

01:10:30,040 --> 01:10:27,050

walking around so it exists in white

1389

01:10:32,200 --> 01:10:30,050

form now well that makes sense because I

1390

01:10:34,390 --> 01:10:32,210

mean you know if you go outside and look

1391

01:10:37,620 --> 01:10:34,400

at the Stars you know you're looking

1392

01:10:42,160 --> 01:10:37,630

into the past because it's taken

1393

01:10:45,490 --> 01:10:42,170

millions of years for that star light to

1394

01:10:49,330 --> 01:10:45,500

to reach us and well and right now we

1395

01:10:52,870 --> 01:10:49,340

have to give up our starlight for our

1396

01:10:55,810 --> 01:10:52,880

next round of break so when we come back

1397

01:11:05,490 --> 01:10:55,820

we'll continue this conversation on

1398

01:11:12,220 --> 01:11:09,640

now back to exploring the bazaar with

1399

01:11:15,220 --> 01:11:12,230

two of the most electrifying researchers

1400

01:11:20,530 --> 01:11:15,230

in the Paranoid your hosts Timothy

1401
01:11:22,810 --> 01:11:20,540
Rebecca Lee and team sports all right

1402
01:11:24,670 --> 01:11:22,820
here we are at the last segment of the

1403
01:11:29,950 --> 01:11:24,680
program and tonight we're talking with

1404
01:11:35,830 --> 01:11:29,960
dr. dr. Reverend Sean Whittington and

1405
01:11:42,850 --> 01:11:35,840
Paul Dale Roberts I've gone and give you

1406
01:11:49,510 --> 01:11:42,860
a giving you an extra degree there dr.

1407
01:11:52,450 --> 01:11:49,520
Reverend I I have a question for you

1408
01:11:56,580 --> 01:11:52,460
ever and Sean and this was this is from

1409
01:12:00,100 --> 01:11:56,590
Dave in the UK and and Paul after Sean

1410
01:12:02,200 --> 01:12:00,110
answers this question and you can chime

1411
01:12:04,750 --> 01:12:02,210
in and give your hidden to it as well

1412
01:12:06,910 --> 01:12:04,760
now Dave wants to know he said that he

1413
01:12:10,060 --> 01:12:06,920

was watching an episode of paranormal

1414

01:12:12,130 --> 01:12:10,070

witness and this show I guess said that

1415

01:12:14,410 --> 01:12:12,140

possessions in America are on the rise

1416

01:12:16,480 --> 01:12:14,420

and Dave wants to know could this have

1417

01:12:20,500 --> 01:12:16,490

anything to do with the amount of ghost

1418

01:12:22,120 --> 01:12:20,510

hunting programs on TV where you know I

1419

01:12:24,160 --> 01:12:22,130

heard group of Ghost Hunters or

1420

01:12:27,130 --> 01:12:24,170

teenagers go into abandoned buildings

1421

01:12:29,170 --> 01:12:27,140

defying ghosts and you know people

1422

01:12:31,540 --> 01:12:29,180

thinking that they should try it for

1423

01:12:35,050 --> 01:12:31,550

themselves and go in blind with nothing

1424

01:12:38,800 --> 01:12:35,060

protecting them from evil spirits we

1425

01:12:40,180 --> 01:12:38,810

think okay well I'm gonna I'm gonna hit

1426

01:12:45,310 --> 01:12:40,190

you right between the eyes with it are

1427

01:12:50,680 --> 01:12:45,320

you ready all right go for it possibly

1428

01:12:54,100 --> 01:12:50,690

but this is this is what I believe I'm

1429

01:12:58,420 --> 01:12:54,110

gonna try not to get too preachy here go

1430

01:13:03,820 --> 01:12:58,430

for it but this is what I believe we are

1431

01:13:05,590 --> 01:13:03,830

living in hell God gave earth to Satan

1432

01:13:09,430 --> 01:13:05,600

and all the fallen angels so we're

1433

01:13:11,920 --> 01:13:09,440

actually in their world what God also

1434

01:13:12,520 --> 01:13:11,930

did because He loves us so much was he

1435

01:13:16,839 --> 01:13:12,530

put

1436

01:13:21,010 --> 01:13:16,849

a powerful hedge of protection around us

1437

01:13:25,540 --> 01:13:21,020

and you can envision it as an actual you

1438

01:13:27,850 --> 01:13:25,550

know hedge like a plant bush tree or you

1439

01:13:30,010 --> 01:13:27,860

can envision it like a wall a brick wall

1440

01:13:34,089 --> 01:13:30,020

let's say with mortar in between it old

1441

01:13:36,910 --> 01:13:34,099

bricks and it's always constantly being

1442

01:13:40,060 --> 01:13:36,920

chipped away at by the evil which is

1443

01:13:42,760 --> 01:13:40,070

completely surrounding all of us and on

1444

01:13:44,830 --> 01:13:42,770

the other side of this hedge of

1445

01:13:50,319 --> 01:13:44,840

protection spiritual heads protection

1446

01:13:52,240 --> 01:13:50,329

from us now there have been it's been so

1447

01:13:54,310 --> 01:13:52,250

chewed away and chipped away and

1448

01:13:56,020 --> 01:13:54,320

deteriorated away and so much of the

1449

01:14:00,790 --> 01:13:56,030

darkness has seeped through like a

1450

01:14:05,080 --> 01:14:00,800

cancer into our side that that is the

1451

01:14:08,290 --> 01:14:05,090

reason why there is so much evil in the

1452

01:14:11,109 --> 01:14:08,300

world and evil going on and men doing

1453

01:14:14,169 --> 01:14:11,119

evil against one another and there's

1454

01:14:16,890 --> 01:14:14,179

that's why there's groups out there that

1455

01:14:20,439 --> 01:14:16,900

people don't know about with extremely

1456

01:14:24,549 --> 01:14:20,449

devout religious people that are in

1457

01:14:29,319 --> 01:14:24,559

constant prayer around the clock to push

1458

01:14:32,859 --> 01:14:29,329

the darkness back and there's a war

1459

01:14:35,260 --> 01:14:32,869

coming we know what how it ends we know

1460

01:14:40,689 --> 01:14:35,270

we win but there's going to be a lot of

1461

01:14:42,580 --> 01:14:40,699

souls loss in the process so there's an

1462

01:14:45,850 --> 01:14:42,590

old another old saying be careful what

1463

01:14:48,160 --> 01:14:45,860

you wish for and you know be careful

1464

01:14:49,899 --> 01:14:48,170

what you do when you go out there these

1465

01:14:52,720 --> 01:14:49,909

lot of these like I said a lot of my

1466

01:14:55,600 --> 01:14:52,730

clients are paranormal investigators and

1467

01:14:57,549 --> 01:14:55,610

they're not trained and they go places

1468

01:14:59,529 --> 01:14:57,559

where they shouldn't and they do things

1469

01:15:02,169 --> 01:14:59,539

that they shouldn't and they have these

1470

01:15:04,350 --> 01:15:02,179

things attach themselves to them and

1471

01:15:08,470 --> 01:15:04,360

then they don't know how to get

1472

01:15:12,189 --> 01:15:08,480

unattached from these disgusting

1473

01:15:15,580 --> 01:15:12,199

creatures and then they need to go find

1474

01:15:18,370 --> 01:15:15,590

help so could it be

1475

01:15:23,020 --> 01:15:18,380

I believe all these shows are influenced

1476

01:15:24,549 --> 01:15:23,030

by something beyond us because they seem

1477

01:15:25,639 --> 01:15:24,559

to be everywhere I'm not a big fan of

1478

01:15:30,270 --> 01:15:25,649

them I don't watch the

1479

01:15:31,919 --> 01:15:30,280

paranormal reality TV shows but my take

1480

01:15:36,439 --> 01:15:31,929

is it's much bigger than that

1481

01:15:38,729 --> 01:15:36,449

and yes exorcisms are on the rise and

1482

01:15:41,909 --> 01:15:38,739

like I said guys I deal with it every

1483

01:15:46,349 --> 01:15:41,919

day so all I can do is speak for my

1484

01:15:47,549 --> 01:15:46,359

experience but before we move on to

1485

01:15:49,529 --> 01:15:47,559

either one of you they want to say

1486

01:15:53,609 --> 01:15:49,539

anything about it I just want everybody

1487

01:15:56,040 --> 01:15:53,619

that just heard me say that just working

1488

01:15:58,679 --> 01:15:56,050

on your humility work on your love for

1489

01:16:00,479 --> 01:15:58,689

your fellow man turning the other cheek

1490

01:16:02,279 --> 01:16:00,489

I know it's hard it's hard for me too

1491

01:16:05,310 --> 01:16:02,289

but just try to be a better person

1492

01:16:07,189 --> 01:16:05,320

tomorrow than you were today and so on

1493

01:16:10,229 --> 01:16:07,199

and so on and let's just try to

1494

01:16:12,529 --> 01:16:10,239

altogether whatever God it is you pray

1495

01:16:16,469 --> 01:16:12,539

to let's all start praying to push this

1496

01:16:18,359 --> 01:16:16,479

darkness back because it's all around us

1497

01:16:20,819 --> 01:16:18,369

and it's going to get a lot worse before

1498

01:16:25,080 --> 01:16:20,829

it gets better but we have to draw our

1499

01:16:27,479 --> 01:16:25,090

line in the sand and make a fight all

1500

01:16:29,659 --> 01:16:27,489

right that's what Paul do you do you

1501

01:16:33,239 --> 01:16:29,669

have anything you want to say on this

1502

01:16:36,000 --> 01:16:33,249

well one thing is turn normal TV I mean

1503

01:16:38,219 --> 01:16:36,010

I'm sorry reality TV is not reality and

1504

01:16:43,310 --> 01:16:38,229

I've done a lot of documentaries I'm

1505

01:16:45,330 --> 01:16:43,320

from my ghost story Penn & Teller's full

1506

01:16:52,169 --> 01:16:45,340

part of the world because the wrong

1507

01:16:55,770 --> 01:16:52,179

radio but what I've experienced will say

1508

01:16:56,239 --> 01:16:55,780

well reality TV is like with my ghost

1509

01:17:00,029 --> 01:16:56,249

story

1510

01:17:03,750 --> 01:17:00,039

biography channel I did three episodes

1511

01:17:06,629 --> 01:17:03,760

and um and I would tell the story and

1512

01:17:08,819 --> 01:17:06,639

they go well Paul Chaney spice it up

1513

01:17:11,069 --> 01:17:08,829

Kings came that they're the couple were

1514

01:17:12,989 --> 01:17:11,079

laying in bed and then the entity came

1515

01:17:17,129 --> 01:17:12,999

through the window oh that's not how it

1516

01:17:20,849 --> 01:17:17,139

happened I'll just say it and so a lot

1517

01:17:24,179 --> 01:17:20,859

of these people they watch TV and and a

1518

01:17:26,009 --> 01:17:24,189

lot of these reality shows like let's

1519

01:17:28,799 --> 01:17:26,019

say Ghost Adventures they're getting

1520

01:17:32,069 --> 01:17:28,809

evidence all the time well it doesn't

1521

01:17:33,659 --> 01:17:32,079

happen that way I've been over on 1,000

1522

01:17:36,770 --> 01:17:33,669

investigations over a thousand

1523

01:17:39,109 --> 01:17:36,780

investigations and when we go in there a

1524

01:17:41,209 --> 01:17:39,119

lot of times were boarded

1525

01:17:44,780 --> 01:17:41,219

because we're not getting any evidence

1526

01:17:47,930 --> 01:17:44,790

and a lot of times the entities in the

1527

01:17:50,720 --> 01:17:47,940

house are from the imaginations of the

1528

01:17:52,729 --> 01:17:50,730

occupants they are imagining these

1529

01:17:54,140 --> 01:17:52,739

things are happening the tall take a

1530

01:17:56,750 --> 01:17:54,150

look at the carpet because there's a

1531

01:17:59,540 --> 01:17:56,760

demon face on the carpet I don't see a

1532

01:18:03,709 --> 01:17:59,550

demon face but I do see were your dog

1533

01:18:06,410 --> 01:18:03,719

pooped on the carpet you know and so

1534

01:18:09,050 --> 01:18:06,420

it's just I don't know him then these

1535

01:18:11,180 --> 01:18:09,060

kids they watch these shows they they've

1536

01:18:13,700 --> 01:18:11,190

come these amateur ghost hunters and

1537

01:18:17,149 --> 01:18:13,710

they go into the cemetery and they try

1538

01:18:19,580 --> 01:18:17,159

to provoke the spirits and I heard one

1539

01:18:22,129 --> 01:18:19,590

case where this kid went into the

1540

01:18:24,970 --> 01:18:22,139

cemetery and kicked over a tombstone and

1541

01:18:28,879 --> 01:18:24,980

then all of sudden he and an attachment

1542

01:18:30,800 --> 01:18:28,889

the ghost followed him home we're very

1543

01:18:34,100 --> 01:18:30,810

upset because he kicked over his

1544

01:18:38,060 --> 01:18:34,110

tombstone and was haunting him at his

1545

01:18:42,979 --> 01:18:38,070

house so something like that could be

1546

01:18:46,030 --> 01:18:42,989

real I would say like if I go on 10

1547

01:18:48,680 --> 01:18:46,040

investigations about three of them

1548

01:18:50,750 --> 01:18:48,690

there's some type of paranormal activity

1549

01:18:52,930 --> 01:18:50,760

otherwise there's really nothing and the

1550

01:18:56,149 --> 01:18:52,940

kids when they're watching these shows

1551

01:18:58,280 --> 01:18:56,159

they're just so excited because you know

1552

01:19:00,470 --> 01:18:58,290

zak bagans is getting all this evidence

1553

01:19:02,930 --> 01:19:00,480

so they're going out and investigating

1554

01:19:04,790 --> 01:19:02,940

all these crazy things and doing all

1555

01:19:07,040 --> 01:19:04,800

kinds of stuff and provoking all kinds

1556

01:19:10,580 --> 01:19:07,050

of spirits and they wind up getting

1557

01:19:13,339 --> 01:19:10,590

themselves in trouble so and as for evil

1558

01:19:16,070 --> 01:19:13,349

and good and evil all there's good and

1559

01:19:18,609 --> 01:19:16,080

evil throughout the whole universe so

1560

01:19:21,500 --> 01:19:18,619

you're going to always have people

1561

01:19:24,229 --> 01:19:21,510

harboring that evil and one of the

1562

01:19:27,290 --> 01:19:24,239

things that I do now is born and raised

1563

01:19:30,290 --> 01:19:27,300

a Catholic is when the person has an

1564

01:19:32,990 --> 01:19:30,300

attachment I actually asked them do you

1565

01:19:34,850 --> 01:19:33,000

want a full submersion baptism and what

1566

01:19:37,629 --> 01:19:34,860

ideas i baptize them right in their

1567

01:19:40,160 --> 01:19:37,639

bathtub and there I'm actually

1568

01:19:42,320 --> 01:19:40,170

successful because they tell me Paul I

1569

01:19:45,800 --> 01:19:42,330

don't have an attachment anymore

1570

01:19:47,990 --> 01:19:45,810

I don't know if they're yes like a

1571

01:19:51,680 --> 01:19:48,000

placebo type pill or something where

1572

01:19:52,820 --> 01:19:51,690

they actually believe it works I believe

1573

01:19:55,490 --> 01:19:52,830

it works I call

1574

01:19:57,800 --> 01:19:55,500

on angels I really have a strong belief

1575

01:20:01,870 --> 01:19:57,810

in angels I believe that angels watch

1576

01:20:04,820 --> 01:20:01,880

over us and protect us and I am very

1577

01:20:07,550 --> 01:20:04,830

powerful in my prayers I I asked for

1578

01:20:10,280 --> 01:20:07,560

angels to please assist me and help me

1579

01:20:12,680 --> 01:20:10,290

and I did my full submersion baptism and

1580

01:20:15,800 --> 01:20:12,690

the attachment is gone when I bless a

1581

01:20:18,440 --> 01:20:15,810

home I have the Occident colony Paul

1582

01:20:21,350 --> 01:20:18,450

this no more ents I just in fact I just

1583

01:20:23,930 --> 01:20:21,360

got contacted by Ghost Adventures

1584

01:20:27,590 --> 01:20:23,940

because they read one of my blog stories

1585

01:20:29,630 --> 01:20:27,600

on the Selby investigation mm-hm

1586

01:20:32,210 --> 01:20:29,640

so they contacted the octa and they said

1587

01:20:34,760 --> 01:20:32,220

hey is there anything going on in your

1588

01:20:37,100 --> 01:20:34,770

house after Paul blessed it they said no

1589

01:20:40,100 --> 01:20:37,110

they said there's nothing going on in

1590

01:20:41,930 --> 01:20:40,110

our house and then they said well we're

1591

01:20:43,490 --> 01:20:41,940

not interested in the story anymore

1592

01:20:46,160 --> 01:20:43,500

because they were going to actually send

1593

01:20:48,410 --> 01:20:46,170

Zach over there and they go wait a

1594

01:20:51,380 --> 01:20:48,420

minute you know they actually wanted

1595

01:20:56,090 --> 01:20:51,390

that to comfortable lives in the house

1596

01:20:58,580 --> 01:20:56,100

was a Zach fan and I and I said wow I

1597

01:21:02,750 --> 01:20:58,590

said so when I blessed your house just

1598

01:21:05,450 --> 01:21:02,760

gone huh she goes yeah so I don't know i

1599

01:21:07,910 --> 01:21:05,460

when i start blessing homes and doing

1600

01:21:11,330 --> 01:21:07,920

baptisms i wasn't really sure of myself

1601
01:21:13,850 --> 01:21:11,340
but i I do have strong belief in angels

1602
01:21:16,760 --> 01:21:13,860
and I believe that angels listen to me

1603
01:21:21,290 --> 01:21:16,770
the power of prayer and they come in and

1604
01:21:25,610 --> 01:21:21,300
they help me so now you know but when

1605
01:21:28,400 --> 01:21:25,620
you would you talk about angels now you

1606
01:21:33,320 --> 01:21:28,410
know it seems to me from what I've read

1607
01:21:36,350 --> 01:21:33,330
in in the Bible I'm not too sure if I'd

1608
01:21:37,700 --> 01:21:36,360
want to be calling on angels because I

1609
01:21:39,920 --> 01:21:37,710
mean they always seem to be the ones

1610
01:21:41,390 --> 01:21:39,930
that are doing God's dirty work I mean

1611
01:21:44,870 --> 01:21:41,400
you know the other ones that come down

1612
01:21:48,170 --> 01:21:44,880
and you know kick ass yeah I believe

1613
01:21:51,020 --> 01:21:48,180

that there's angels that are evil evil

1614

01:21:53,960 --> 01:21:51,030

like that your fallen angels and there's

1615

01:21:57,650 --> 01:21:53,970

angels who are actually looking out for

1616

01:22:01,250 --> 01:21:57,660

the welfare of mankind and they're

1617

01:22:04,130 --> 01:22:01,260

trying to make things happen that are

1618

01:22:07,439 --> 01:22:04,140

good so I believe there's good angels

1619

01:22:14,970 --> 01:22:11,950

Reverend Shawn I recently that's dr.

1620

01:22:16,870 --> 01:22:14,980

Reverend Shawn doctor reference now

1621

01:22:23,970 --> 01:22:16,880

you're gonna have to have that printed

1622

01:22:26,290 --> 01:22:23,980

up now I get some t-shirts made up

1623

01:22:28,560 --> 01:22:26,300

instead of wearing the rosary I'll have

1624

01:22:31,930 --> 01:22:28,570

a stethoscope

1625

01:22:34,000 --> 01:22:31,940

we've had several ideas for t-shirts on

1626

01:22:37,120 --> 01:22:34,010

this show tonight so I'm gonna have to

1627

01:22:44,580 --> 01:22:37,130

write these down I'd start making some

1628

01:22:51,669 --> 01:22:44,590

money a lot of these especially

1629

01:22:53,950 --> 01:22:51,679

poltergeist cases where the the

1630

01:22:56,020 --> 01:22:53,960

situation gets so bad that a family will

1631

01:22:58,839 --> 01:22:56,030

call in say like a priest or a minister

1632

01:23:00,729 --> 01:22:58,849

or whatever to come and and and bless

1633

01:23:04,919 --> 01:23:00,739

the house though some holy water around

1634

01:23:07,689 --> 01:23:04,929

or or whatever and and most of the time

1635

01:23:09,520 --> 01:23:07,699

it doesn't do any good in fact it seems

1636

01:23:13,299 --> 01:23:09,530

to make things worse you know the

1637

01:23:16,240 --> 01:23:13,309

poltergeist uh you know almost you know

1638

01:23:19,149 --> 01:23:16,250

gets gets you know honked off and and

1639

01:23:23,260 --> 01:23:19,159

doubles down on on the things that it's

1640

01:23:28,390 --> 01:23:23,270

it's doing now you know I have have you

1641

01:23:31,720 --> 01:23:28,400

had experiences along these lines or is

1642

01:23:34,959 --> 01:23:31,730

this a situation where we're talking

1643

01:23:38,500 --> 01:23:34,969

about a different type of entity rather

1644

01:23:42,490 --> 01:23:38,510

than say like a you know like a demonic

1645

01:23:45,790 --> 01:23:42,500

entity or you know you're dealing with

1646

01:23:47,709 --> 01:23:45,800

you know like a priest or a minister who

1647

01:23:50,979 --> 01:23:47,719

really has no idea what they're doing it

1648

01:23:52,810 --> 01:23:50,989

just comes in and you know does just

1649

01:23:54,939 --> 01:23:52,820

kind of like goes through the motions

1650

01:23:57,520 --> 01:23:54,949

but doesn't have that that faith or

1651
01:24:00,850 --> 01:23:57,530
belief system behind them to you know

1652
01:24:02,439 --> 01:24:00,860
really do the job well I believe I'm on

1653
01:24:04,689 --> 01:24:02,449
the fence with the whole poltergeist

1654
01:24:07,359 --> 01:24:04,699
thing the term poltergeist is being

1655
01:24:09,430 --> 01:24:07,369
thrown around as much as the term demon

1656
01:24:10,899 --> 01:24:09,440
I think the poltergeist can be many

1657
01:24:13,899 --> 01:24:10,909
different things a very malevolent

1658
01:24:16,880 --> 01:24:13,909
entity it could be a demon it could be

1659
01:24:19,340 --> 01:24:16,890
you know a telekinesis being

1660
01:24:21,800 --> 01:24:19,350
caused by you know a mentally disturbed

1661
01:24:23,840 --> 01:24:21,810
person in the family or the daughter

1662
01:24:26,390 --> 01:24:23,850
just going into puberty or the son just

1663
01:24:28,070 --> 01:24:26,400

going into puberty in there you know

1664

01:24:31,000 --> 01:24:28,080

they've all got some other issues and

1665

01:24:33,380 --> 01:24:31,010

it's lashing out that way

1666

01:24:37,100 --> 01:24:33,390

reverends that show up and want to do a

1667

01:24:40,460 --> 01:24:37,110

lot of fire and brimstone religious

1668

01:24:44,120 --> 01:24:40,470

provocation type stuff definitely in my

1669

01:24:47,630 --> 01:24:44,130

experience make things worse but after

1670

01:24:51,410 --> 01:24:47,640

me seeing so many clients not want to

1671

01:24:54,860 --> 01:24:51,420

allow me to help them and do what I need

1672

01:24:58,100 --> 01:24:54,870

from them the faith thing that you

1673

01:25:00,620 --> 01:24:58,110

mentioned is more them not having it

1674

01:25:02,870 --> 01:25:00,630

than the religious person that's they're

1675

01:25:06,770 --> 01:25:02,880

trying to help them so that's where the

1676

01:25:13,190 --> 01:25:06,780

problem comes in they need to be totally

1677

01:25:15,680 --> 01:25:13,200

on board with why you're there and what

1678

01:25:20,420 --> 01:25:15,690

needs to be done to give them their

1679

01:25:22,580 --> 01:25:20,430

house and their life and their their

1680

01:25:25,000 --> 01:25:22,590

situation bring some closure to this get

1681

01:25:27,830 --> 01:25:25,010

whatever this thing is to move on and

1682

01:25:30,830 --> 01:25:27,840

I'm you know I'm sorry to say more times

1683

01:25:34,160 --> 01:25:30,840

than not when I get there and really you

1684

01:25:36,230 --> 01:25:34,170

know get to the bottom of what's there

1685

01:25:38,720 --> 01:25:36,240

and start telling these people what I

1686

01:25:41,870 --> 01:25:38,730

need from them and in what they need to

1687

01:25:43,610 --> 01:25:41,880

do lots of times people aren't aren't

1688

01:25:51,080 --> 01:25:43,620

ready they either haven't hit rock

1689

01:25:53,200 --> 01:25:51,090

bottom yet or I I just I don't know what

1690

01:25:58,280 --> 01:25:53,210

what holds them back or if they're being

1691

01:26:00,080 --> 01:25:58,290

influenced by the entity to not be on

1692

01:26:01,490 --> 01:26:00,090

board they were able to reach out for

1693

01:26:03,800 --> 01:26:01,500

help but now that I'm there to help

1694

01:26:08,030 --> 01:26:03,810

they're not willing to do what I need

1695

01:26:12,860 --> 01:26:08,040

them to do to to get the help so I have

1696

01:26:15,830 --> 01:26:12,870

to cut many many clients cut them loose

1697

01:26:17,990 --> 01:26:15,840

and and that like I said that's the most

1698

01:26:21,920 --> 01:26:18,000

heartbreaking thing for me and in what I

1699

01:26:23,570 --> 01:26:21,930

do so the faith thing has to come my

1700

01:26:25,970 --> 01:26:23,580

first thing I'm on board with everything

1701

01:26:28,370 --> 01:26:25,980

Paul said I think Paul is a blessed

1702

01:26:30,160 --> 01:26:28,380

individual and I think he's going to do

1703

01:26:33,100 --> 01:26:30,170

some great things and contribute

1704

01:26:35,709 --> 01:26:33,110

some great things in his lifetime in

1705

01:26:38,080 --> 01:26:35,719

this field but yeah the people most

1706

01:26:40,120 --> 01:26:38,090

people I asked them first off what

1707

01:26:43,030 --> 01:26:40,130

religious belief system do you have in

1708

01:26:45,340 --> 01:26:43,040

place and I will refer them first to

1709

01:26:47,950 --> 01:26:45,350

their church to talk to their pastors

1710

01:26:50,709 --> 01:26:47,960

and their ministers and if they don't

1711

01:26:55,840 --> 01:26:50,719

have one in place then I see what I can

1712

01:26:58,390 --> 01:26:55,850

do to help them put one in place and if

1713

01:27:01,209 --> 01:26:58,400

I can't like I said if I'm just up

1714

01:27:05,260 --> 01:27:01,219

against a brick wall then there's really

1715

01:27:07,060 --> 01:27:05,270

nothing I can do yeah Reverend you know

1716

01:27:09,880 --> 01:27:07,070

some of my situations you know the

1717

01:27:12,520 --> 01:27:09,890

people are Buddhist or Hindu or Native

1718

01:27:17,340 --> 01:27:12,530

American Indian did investigation and

1719

01:27:20,020 --> 01:27:17,350

Colo was on Indian territory there and

1720

01:27:23,590 --> 01:27:20,030

when that happens because I'm a Catholic

1721

01:27:27,669 --> 01:27:23,600

I do my way what I try to do is I find a

1722

01:27:30,250 --> 01:27:27,679

person of Hindu belief and I have them

1723

01:27:33,150 --> 01:27:30,260

come in with me to do a type of

1724

01:27:35,979 --> 01:27:33,160

cleansing in their belief system so

1725

01:27:37,750 --> 01:27:35,989

that's what I do you know I respected

1726

01:27:40,150 --> 01:27:37,760

whatever it was they want to believe in

1727

01:27:44,740 --> 01:27:40,160

you know I respect it just like my wife

1728

01:27:49,390 --> 01:27:44,750

she's pagan I'm a Catholic but you know

1729

01:27:52,419 --> 01:27:49,400

she she respects my beliefs and I

1730

01:27:55,360 --> 01:27:52,429

respect her beliefs and she'll do and

1731

01:27:58,060 --> 01:27:55,370

some of our cases are with pagans we

1732

01:27:59,680 --> 01:27:58,070

just had one recently and she came in

1733

01:28:03,070 --> 01:27:59,690

there and did a metaphysical type

1734

01:28:05,160 --> 01:28:03,080

cleansing so you know more power to them

1735

01:28:08,500 --> 01:28:05,170

you know so Absalom

1736

01:28:12,400 --> 01:28:08,510

yeah I feel works it works and and ask

1737

01:28:15,630 --> 01:28:12,410

for the poltergeist thing I had a case

1738

01:28:20,260 --> 01:28:15,640

where the / the their child was autistic

1739

01:28:24,340 --> 01:28:20,270

and it seemed like he was projecting the

1740

01:28:29,020 --> 01:28:24,350

energy to knock over plates off the

1741

01:28:34,870 --> 01:28:29,030

shelves or or moving a key chain across

1742

01:28:36,490 --> 01:28:34,880

the kitchen table so the poltergeist I

1743

01:28:38,860 --> 01:28:36,500

don't really believe there was a ghost

1744

01:28:43,450 --> 01:28:38,870

there or a demon or anything else but it

1745

01:28:47,260 --> 01:28:43,460

seemed like that child had the ability

1746

01:28:49,150 --> 01:28:47,270

uh to move objects and and open up

1747

01:28:51,400 --> 01:28:49,160

cabinets and stuff like that with us

1748

01:28:54,520 --> 01:28:51,410

mine so I believe that was the

1749

01:28:57,030 --> 01:28:54,530

poltergeist activity in that house yeah

1750

01:28:59,320 --> 01:28:57,040

absolutely

1751

01:29:01,620 --> 01:28:59,330

yeah I'll be what are the one of the

1752

01:29:05,290 --> 01:29:01,630

reasons that I that I always like to ask

1753

01:29:08,229 --> 01:29:05,300

that particular question is that you

1754

01:29:11,709 --> 01:29:08,239

know I have observed a number of times

1755

01:29:15,150 --> 01:29:11,719

you know people who will have pulled or

1756

01:29:22,020 --> 01:29:19,780

doesn't really and at that point really

1757

01:29:26,020 --> 01:29:22,030

has exhibited any kind of personality

1758

01:29:29,020 --> 01:29:26,030

but then somebody will come in and say

1759

01:29:31,360 --> 01:29:29,030

oh you know is this isn't a poltergeist

1760

01:29:34,000 --> 01:29:31,370

this is this is a demon you know or an

1761

01:29:36,760 --> 01:29:34,010

evil spirit and then all of a sudden the

1762

01:29:38,979 --> 01:29:36,770

activity starts taking on that guy's

1763

01:29:42,280 --> 01:29:38,989

like it was listening you know I mean

1764

01:29:44,590 --> 01:29:42,290

real go ahead there's a real I'm sorry

1765

01:29:47,590 --> 01:29:44,600

I'm sorry but there's a real famous case

1766

01:29:50,050 --> 01:29:47,600

there's a real famous case the guide the

1767

01:29:51,940 --> 01:29:50,060

author who wrote the shadow I can't

1768

01:29:54,640 --> 01:29:51,950

think of his name right now but the

1769

01:29:57,130 --> 01:29:54,650

author of the shadow this is a very

1770

01:30:01,720 --> 01:29:57,140

documented case but his friends who

1771

01:30:04,360 --> 01:30:01,730

would go to his house and see a ghost or

1772

01:30:08,430 --> 01:30:04,370

whatever that looked like his character

1773

01:30:12,250 --> 01:30:08,440

the shadow and a lot of

1774

01:30:14,740 --> 01:30:12,260

parapsychologists they theorized that he

1775

01:30:17,620 --> 01:30:14,750

was thinking so much of his character

1776

01:30:20,950 --> 01:30:17,630

the shadow that he actually made it

1777

01:30:22,800 --> 01:30:20,960

manifest and like the Krampus cases I

1778

01:30:26,590 --> 01:30:22,810

was talking about during our break I

1779

01:30:27,520 --> 01:30:26,600

think that the girl who was playing with

1780

01:30:31,570 --> 01:30:27,530

the Ouija board

1781

01:30:34,270 --> 01:30:31,580

she may have manifested with her mind

1782

01:30:36,430 --> 01:30:34,280

that the Krampus even though it's a

1783

01:30:39,580 --> 01:30:36,440

fictional character she was thinking

1784

01:30:43,209 --> 01:30:39,590

about it so hard she actually made the

1785

01:30:48,040 --> 01:30:43,219

character come to life through her mind

1786

01:30:51,970 --> 01:30:48,050

through energy so and the the guy who

1787

01:30:56,660 --> 01:30:51,980

wrote the shadow this his character was

1788

01:30:58,310 --> 01:30:56,670

haunting his home so that was mind blown

1789

01:31:00,440 --> 01:30:58,320

you know Tim when you mention that it

1790

01:31:04,180 --> 01:31:00,450

the first thing I thought of was these

1791

01:31:08,270 --> 01:31:04,190

non-human entities that are they

1792

01:31:11,180 --> 01:31:08,280

manifest from the environment and

1793

01:31:14,630 --> 01:31:11,190

something so terrible happened at a

1794

01:31:18,410 --> 01:31:14,640

particular location that this non-human

1795

01:31:21,440 --> 01:31:18,420

entity manifests from that environment

1796

01:31:24,950 --> 01:31:21,450

and they will lie and wait and they do

1797

01:31:28,250 --> 01:31:24,960

they mimic they take on very

1798

01:31:29,870 --> 01:31:28,260

suggestively just like that so that's

1799

01:31:31,760 --> 01:31:29,880

exactly what hit me like a bolt of

1800

01:31:34,760 --> 01:31:31,770

lightning when you talked about that

1801

01:31:37,010 --> 01:31:34,770

particular situation was running I'm

1802

01:31:39,200 --> 01:31:37,020

running into a lot more of cases where

1803

01:31:43,190 --> 01:31:39,210

there's these non-human entities that

1804

01:31:45,200 --> 01:31:43,200

never really inhabited a body or were

1805

01:31:48,410 --> 01:31:45,210

alive at any time and they're not demons

1806

01:31:52,910 --> 01:31:48,420

and they're not ghosts it's just that's

1807

01:31:55,730 --> 01:31:52,920

a pretty incredible situation - trying

1808

01:31:59,150 --> 01:31:55,740

to balance what I've go ahead what I've

1809

01:32:02,510 --> 01:31:59,160

also to see is that evil attracts evil

1810

01:32:04,700 --> 01:32:02,520

so like we had this one house that had a

1811

01:32:07,070 --> 01:32:04,710

double murderer there and since you

1812

01:32:10,010 --> 01:32:07,080

walked in there the the couple that

1813

01:32:13,850 --> 01:32:10,020

lived there were constantly in getting

1814

01:32:15,950 --> 01:32:13,860

into arguments and stuff and when you

1815

01:32:18,560 --> 01:32:15,960

walk into the house you can feel the

1816

01:32:20,450 --> 01:32:18,570

negative energy and they thought oh

1817

01:32:22,370 --> 01:32:20,460

demon was in the house well I kind of

1818

01:32:24,950 --> 01:32:22,380

believed there was a demon in house too

1819

01:32:27,410 --> 01:32:24,960

because when you have a double murder in

1820

01:32:29,360 --> 01:32:27,420

the house the couple is constantly

1821

01:32:31,820 --> 01:32:29,370

fighting and arguing the police have

1822

01:32:33,470 --> 01:32:31,830

been over there for domestic abuse and

1823

01:32:37,030 --> 01:32:33,480

everything else and you got this

1824

01:32:39,530 --> 01:32:37,040

negative atmosphere in that house

1825

01:32:42,050 --> 01:32:39,540

demons are attracted to that so of

1826
01:32:45,860 --> 01:32:42,060
course you're gonna have something evil

1827
01:32:51,200 --> 01:32:45,870
in that house because evil took place in

1828
01:32:53,690 --> 01:32:51,210
that house so that's and there was stuff

1829
01:32:59,360 --> 01:32:53,700
that was happening there we actually got

1830
01:33:01,250 --> 01:32:59,370
EVPs and it was a very bad house all

1831
01:33:03,890 --> 01:33:01,260
right gentlemen unfortunately we are

1832
01:33:06,830 --> 01:33:03,900
almost out of time so I want to give you

1833
01:33:09,050 --> 01:33:06,840
a chance to let our listeners know where

1834
01:33:10,200 --> 01:33:09,060
they can find out more about you so dr.

1835
01:33:14,970 --> 01:33:10,210
Reverend Shawn

1836
01:33:19,590 --> 01:33:14,980
you go first I have a website ghost - B

1837
01:33:23,370 --> 01:33:19,600
- gun dot biz and I also have a ghost

1838
01:33:25,920 --> 01:33:23,380

begun biz one word Facebook page and I'm

1839

01:33:28,470 --> 01:33:25,930

also the host of Vegas supernatural

1840

01:33:32,820 --> 01:33:28,480

which is on every Monday night right

1841

01:33:36,990 --> 01:33:32,830

here on KCUR radio.com and i try to have

1842

01:33:38,880 --> 01:33:37,000

as many interesting passionate people

1843

01:33:41,460 --> 01:33:38,890

from all branches of the paranormal

1844

01:33:47,760 --> 01:33:41,470

community on every Monday night and just

1845

01:33:49,650 --> 01:33:47,770

have a no-holds-barred open conversation

1846

01:33:50,790 --> 01:33:49,660

of just about whatever we want to talk

1847

01:33:53,610 --> 01:33:50,800

about and it could be anything it

1848

01:33:54,960 --> 01:33:53,620

doesn't always paranormal stuff but I

1849

01:33:58,440 --> 01:33:54,970

want to take this opportunity to thank

1850

01:34:01,050 --> 01:33:58,450

you Tim Paul pleasure to meet you sir

1851
01:34:02,640 --> 01:34:01,060
I'll add you to the prayer list yeah

1852
01:34:04,920 --> 01:34:02,650
I'll add you to the prayer list buddy

1853
01:34:07,380 --> 01:34:04,930
you and your wife and like I said before

1854
01:34:10,190 --> 01:34:07,390
all the listeners Merry Christmas Happy

1855
01:34:12,750 --> 01:34:10,200
Hanukkah and just work on the left

1856
01:34:15,630 --> 01:34:12,760
okay and Paul brooklet where can they

1857
01:34:18,360 --> 01:34:15,640
find out more about you well they can

1858
01:34:21,180 --> 01:34:18,370
just simply google my name Paul Dale

1859
01:34:26,100 --> 01:34:21,190
Roberts Paul Dale Roberts or go to my

1860
01:34:28,350 --> 01:34:26,110
website WWE as my online and they'll see

1861
01:34:31,350 --> 01:34:28,360
a lot of my stories the videos the

1862
01:34:32,850 --> 01:34:31,360
recording everything's close to right on

1863
01:34:34,830 --> 01:34:32,860

that hard

1864

01:34:36,150 --> 01:34:34,840

alright gentlemen thank you very much

1865

01:34:38,100 --> 01:34:36,160

has been an excellent show tonight I

1866

01:34:40,800 --> 01:34:38,110

appreciate you both being on with me

1867

01:34:42,990 --> 01:34:40,810

tonight on exploring the bizarre so tune

1868

01:34:48,990 --> 01:34:43,000

in next week at this time for another

1869

01:34:54,480 --> 01:34:51,210

you've been listening to exploring the

1870

01:34:57,960 --> 01:34:54,490

bazaar with hosts Timothy Beckley

1871

01:35:00,240 --> 01:34:57,970

panting Swartz they're taking back the

1872

01:35:02,790 --> 01:35:00,250

night by jetting non-stop across the

1873

01:35:06,090 --> 01:35:02,800

cosmos in search of the truly bizarre

1874

01:35:09,450 --> 01:35:06,100

and totally unexplained with you as

1875

01:35:13,440 --> 01:35:09,460

their combined Thursday nights at 7:00

1876

01:35:15,950 --> 01:35:13,450

p.m. Pacific 10:00 p.m. Eastern on the K

1877

01:35:18,530 --> 01:35:15,960

cor digital radio

1878

01:35:21,830 --> 01:35:18,540

for more information on exploring the

1879

01:35:24,680 --> 01:35:21,840

bazaars and hosts Timothy Becky and Tim

1880

01:35:27,800 --> 01:35:24,690

Swartz check out their kco our digital

1881

01:35:34,010 --> 01:35:27,810

radio network follow their YouTube
