

EXPLORING THE BIZARRE

FLORI VIOLETA

RUSS KELLETT

TIM BECKLEY

TIM SWARTZ

1
00:00:37,470 --> 00:00:21,840

[Music]

2
00:00:44,430 --> 00:00:41,740

explode the bazaars are your e-ticket

3
00:00:47,710 --> 00:00:44,440

ride into the world of the paranoid

4
00:00:52,020 --> 00:00:47,720

strap yourself in as we traverse the

5
00:00:56,470 --> 00:00:52,030

universe exploring the unexplained UFO s

6
00:01:00,610 --> 00:00:56,480

ghosts Lost Worlds cryptozoology waters

7
00:01:05,109 --> 00:01:00,620

as well as other dimensions it's time to

8
00:01:07,359 --> 00:01:05,119

take back the night now your

9
00:01:13,650 --> 00:01:07,369

electrifying hosts of exploring the

10
00:01:19,020 --> 00:01:17,139

well I'm up here on this hill looking up

11
00:01:22,030 --> 00:01:19,030

into the sky and I've got such a

12
00:01:24,520 --> 00:01:22,040

pulsating headache there's some noise

13
00:01:28,690 --> 00:01:24,530

coming down from that UFO and it's

14

00:01:31,420 --> 00:01:28,700

really draining it's zapping me Tim this

15

00:01:34,840 --> 00:01:31,430

reminds me of the time I had my close

16

00:01:38,200 --> 00:01:34,850

encounter in Warminster England the

17

00:01:40,779 --> 00:01:38,210

pressure is so heavy but I'm sure it

18

00:01:44,800 --> 00:01:40,789

will be alleviated by talking with our

19

00:01:47,649 --> 00:01:44,810

guests and Tim a happy holiday why thank

20

00:01:50,320 --> 00:01:47,659

you very much Tim happy Holidays to you

21

00:01:53,250 --> 00:01:50,330

as well and I'm glad to see that you

22

00:01:56,109 --> 00:01:53,260

survived your visit from Krampus Oh

23

00:01:58,240 --> 00:01:56,119

indeed but I did get a couple of lumps

24

00:02:04,539 --> 00:01:58,250

of cold but I'm sending him over to the

25

00:02:12,789 --> 00:02:04,549

White House yeah well cold coal is the

26

00:02:14,860 --> 00:02:12,799

future you know well it's it's re-edit

27

00:02:20,530 --> 00:02:14,870

free energy all you got to do is dig it

28

00:02:24,009 --> 00:02:20,540

up out of the ground that's right free

29

00:02:27,699 --> 00:02:24,019

dirty energy hey yes so what do you been

30

00:02:32,140 --> 00:02:27,709

up to Tim well I'm sitting here right

31

00:02:35,440 --> 00:02:32,150

now and by the studio here in beautiful

32

00:02:37,900 --> 00:02:35,450

Jasper Indiana and if you're if you're

33

00:02:41,289 --> 00:02:37,910

listening to us live you know that

34

00:02:45,789 --> 00:02:41,299

tonight is the longest night of the year

35

00:02:48,460 --> 00:02:45,799

so happy winter solstice do we could

36

00:02:50,680 --> 00:02:48,470

just go out now where this is the time

37

00:02:51,400 --> 00:02:50,690

to go and look for UFOs then we can stay

38

00:02:53,140 --> 00:02:51,410

out

39

00:02:56,020 --> 00:02:53,150

a couple of hours longer probably

40

00:02:59,370 --> 00:02:56,030

daybreak doesn't happen - what about

41

00:03:03,430 --> 00:02:59,380

7:00 a.m. or even after that maybe mmm

42

00:03:06,190 --> 00:03:03,440

I'm not quite sure now this morning when

43

00:03:08,950 --> 00:03:06,200

I was out it was it was just clear as a

44

00:03:11,490 --> 00:03:08,960

bell I mean you could see every star in

45

00:03:14,770 --> 00:03:11,500

the sky it was just so beautiful I mean

46

00:03:16,120 --> 00:03:14,780

when the meteor shower was supposed to

47

00:03:18,430 --> 00:03:16,130

happen a couple weeks ago it was just

48

00:03:20,620 --> 00:03:18,440

you know so cloudy here and we couldn't

49

00:03:22,780 --> 00:03:20,630

see a thing but this morning it made up

50

00:03:25,360 --> 00:03:22,790

for that so i mean i saw i saw a few

51
00:03:27,430 --> 00:03:25,370
shooting stars nothing quite like you

52
00:03:29,320 --> 00:03:27,440
know the meteor shower well i l'm here

53
00:03:32,260 --> 00:03:29,330
in the middle of Manhattan and the only

54
00:03:35,410 --> 00:03:32,270
star I ever see is when I look into the

55
00:03:38,200 --> 00:03:35,420
mirror because because we have nothing

56
00:03:40,410 --> 00:03:38,210
nothing but huge buildings all around us

57
00:03:43,990 --> 00:03:40,420
in fact on the block where our

58
00:03:46,960 --> 00:03:44,000
headquarters are located there is a 70

59
00:03:49,000 --> 00:03:46,970
story hotel going up they have been

60
00:03:50,350 --> 00:03:49,010
working on the foundation for almost a

61
00:03:52,810 --> 00:03:50,360
year I don't even think they put up one

62
00:03:58,620 --> 00:03:52,820
floor yet and then on the corner of

63
00:04:02,170 --> 00:03:58,630

Fifth Ave we have a 57 story apartment

64

00:04:04,360 --> 00:04:02,180

complex that seems to get higher and

65

00:04:07,030 --> 00:04:04,370

higher every day I know I get dizzy as I

66

00:04:10,720 --> 00:04:07,040

walk by and crane my neck looking at the

67

00:04:13,030 --> 00:04:10,730

crane and all this other oh L evaders

68

00:04:15,340 --> 00:04:13,040

that they have it's just it's something

69

00:04:17,680 --> 00:04:15,350

else but I I'm kind of disappointed

70

00:04:21,520 --> 00:04:17,690

because the city has lost its charm

71

00:04:23,730 --> 00:04:21,530

everything looks the same just yeah

72

00:04:26,530 --> 00:04:23,740

that's them no there's no

73

00:04:28,300 --> 00:04:26,540

diversification anymore yeah you know we

74

00:04:30,220 --> 00:04:28,310

have the Flatiron Building we have the

75

00:04:32,590 --> 00:04:30,230

Empire State Building we have the

76
00:04:35,440 --> 00:04:32,600
Chrysler Building and each of them were

77
00:04:38,680 --> 00:04:35,450
done by a you know different architect

78
00:04:41,050 --> 00:04:38,690
and they are you know for the there are

79
00:04:43,690 --> 00:04:41,060
marvels of architecture for the times

80
00:04:45,909 --> 00:04:43,700
that they were built you know today it's

81
00:04:48,610 --> 00:04:45,919
like whoever is constructing a building

82
00:04:50,560 --> 00:04:48,620
goes and buys you know either

83
00:04:52,630 --> 00:04:50,570
number one blueprint number two

84
00:04:54,130 --> 00:04:52,640
blueprint and you don't need I don't

85
00:04:55,810 --> 00:04:54,140
even think you need an architecture for

86
00:04:57,880 --> 00:04:55,820
this just go straight up and put in a

87
00:04:59,590 --> 00:04:57,890
lot of glass in Tremont's

88
00:05:02,110 --> 00:04:59,600

wondering what he may go and Lego

89

00:05:04,990 --> 00:05:02,120

buildings I guess that's the future

90

00:05:06,610 --> 00:05:05,000

along with cold can you imagine the

91

00:05:12,730 --> 00:05:06,620

Armus amount of cold it would take to

92

00:05:14,530 --> 00:05:12,740

heat a 70 story hotel oh no that's going

93

00:05:16,120 --> 00:05:14,540

that's why they're putting that's why

94

00:05:18,160 --> 00:05:16,130

they're putting that huge basement that

95

00:05:20,620 --> 00:05:18,170

they've been working on for a year you

96

00:05:23,890 --> 00:05:20,630

know for what like giant coal furnaces

97

00:05:26,800 --> 00:05:23,900

then be right there plus must be anyway

98

00:05:30,610 --> 00:05:26,810

enough to talk about cold we want to

99

00:05:32,620 --> 00:05:30,620

talk about free energy an actually free

100

00:05:36,970 --> 00:05:32,630

energy in a sense made the news this

101
00:05:39,760 --> 00:05:36,980
week Tim with this Pentagon disclosure

102
00:05:42,490 --> 00:05:39,770
on official Pentagon disclosure I guess

103
00:05:45,040 --> 00:05:42,500
you can call it right fishel Pentagon

104
00:05:49,659 --> 00:05:45,050
disclosure because apparently one of the

105
00:05:51,610 --> 00:05:49,669
reasons that the Pentagon was keeping

106
00:05:54,750 --> 00:05:51,620
tabs on UFOs even though they claimed

107
00:05:58,150 --> 00:05:54,760
they gave up investigating them in 1969

108
00:06:02,110 --> 00:05:58,160
was because they want to find out how

109
00:06:05,520 --> 00:06:02,120
these things operate and how they fly is

110
00:06:09,880 --> 00:06:05,530
such tremendous speed and

111
00:06:13,570 --> 00:06:09,890
maneuverability well the you know the

112
00:06:16,659 --> 00:06:13,580
official report that came out with this

113
00:06:18,730 --> 00:06:16,669

was saying that you know they they gave

114

00:06:20,500 --> 00:06:18,740

it all up after after just a couple of

115

00:06:22,710 --> 00:06:20,510

years because they had you know like

116

00:06:26,620 --> 00:06:22,720

just stacks and stacks of paper

117

00:06:28,719 --> 00:06:26,630

paperwork from these sightings but

118

00:06:32,469 --> 00:06:28,729

nothing ever came from it which yes well

119

00:06:34,120 --> 00:06:32,479

they leave 122 million dollars now ten

120

00:06:35,920 --> 00:06:34,130

minutes they had slipped us two million

121

00:06:39,000 --> 00:06:35,930

we could have come up with the exact

122

00:06:42,850 --> 00:06:39,010

same conclusions in about an hour

123

00:06:45,070 --> 00:06:42,860

well they had their own you know pilots

124

00:06:47,409 --> 00:06:45,080

and military personnel having these

125

00:06:52,780 --> 00:06:47,419

experiences and you know giving detailed

126

00:06:55,750 --> 00:06:52,790

reports yet I saw a just a story

127

00:06:57,850 --> 00:06:55,760

yesterday where some astronomer was

128

00:07:00,580 --> 00:06:57,860

saying that oh yeah well these pilots

129

00:07:04,240 --> 00:07:00,590

were probably mistaken and what they saw

130

00:07:06,640 --> 00:07:04,250

you know I mean they're you know they're

131

00:07:08,500 --> 00:07:06,650

nothing rankles me more I was gonna say

132

00:07:13,450 --> 00:07:08,510

another word but we're gonna try to keep

133

00:07:17,200 --> 00:07:13,460

this work you know this show okay well

134

00:07:19,059 --> 00:07:17,210

nothing Frost's my asked more you

135

00:07:21,249 --> 00:07:19,069

yeah that well then you have these

136

00:07:25,120 --> 00:07:21,259

skeptics who you know they they weren't

137

00:07:28,059 --> 00:07:25,130

there you've got these these highly

138

00:07:30,460 --> 00:07:28,069

trained military pilots who know what

139

00:07:36,309 --> 00:07:30,470

the hell that they are looking at and

140

00:07:38,110 --> 00:07:36,319

they they have all kinds of flight hours

141

00:07:40,210 --> 00:07:38,120

and they know the difference between the

142

00:07:42,990 --> 00:07:40,220

planet Venus and something that's

143

00:07:46,689 --> 00:07:43,000

hovering over the surface of the ocean

144

00:07:47,890 --> 00:07:46,699

as big as a football field and what have

145

00:07:49,719 --> 00:07:47,900

you and then you know you have these

146

00:07:51,969 --> 00:07:49,729

astronomers like oh wow there are these

147

00:07:54,189 --> 00:07:51,979

pilots they didn't know yeah they were

148

00:07:56,680 --> 00:07:54,199

mistaken they and they were seeing an

149

00:07:58,900 --> 00:07:56,690

optical illusion or you know a dolphin

150

00:08:00,909 --> 00:07:58,910

that was sick or something like that

151

00:08:04,719 --> 00:08:00,919

it's just it's just ridiculous okay

152

00:08:10,540 --> 00:08:04,729

there well it is in fact I see that my

153

00:08:12,939 --> 00:08:10,550

old nemesis James Oberg who either used

154

00:08:15,550 --> 00:08:12,949

to work for NASA or maybe still consults

155

00:08:17,050 --> 00:08:15,560

for them I'm not quite sure has has come

156

00:08:19,360 --> 00:08:17,060

out with some negative statements of

157

00:08:21,610 --> 00:08:19,370

course on the sighting he once called me

158

00:08:25,480 --> 00:08:21,620

a liar on the air he needs a good smack

159

00:08:28,719 --> 00:08:25,490

along the side of the face it spent

160

00:08:31,149 --> 00:08:28,729

three days investigating all the reports

161

00:08:33,969 --> 00:08:31,159

that astronauts had made this was in the

162

00:08:36,519 --> 00:08:33,979

early 1970s I spent three days at NASA

163

00:08:38,199 --> 00:08:36,529

headquarters in Washington DC they let

164

00:08:41,649 --> 00:08:38,209

me into their files they even gave me a

165

00:08:43,149 --> 00:08:41,659

sheet that said photographs of UFOs that

166

00:08:45,130 --> 00:08:43,159

were taken by the astronauts and they

167

00:08:47,829 --> 00:08:45,140

made copies of the pictures and he said

168

00:08:50,860 --> 00:08:47,839

oh it didn't happen you know like he's

169

00:08:53,110 --> 00:08:50,870

spent the damn three days there nothing

170

00:08:54,940 --> 00:08:53,120

he just you know these these skeptics

171

00:08:57,069 --> 00:08:54,950

talk it's you know there's nothing wrong

172

00:08:59,470 --> 00:08:57,079

with being skeptical I mean heck no no

173

00:09:01,690 --> 00:08:59,480

there's a lot of things that that take

174

00:09:03,250 --> 00:09:01,700

place and we're skeptical uh but at

175

00:09:06,840 --> 00:09:03,260

least we're knowledgeable and we don't

176

00:09:10,000 --> 00:09:06,850

go in with a preconceived notion about

177

00:09:12,040 --> 00:09:10,010

any of this you know is in fact the

178

00:09:14,920 --> 00:09:12,050

facts of the facts and we're going to

179

00:09:17,980 --> 00:09:14,930

find out tonight what the facts are from

180

00:09:20,829 --> 00:09:17,990

two fascinating guests that I can't wait

181

00:09:22,569 --> 00:09:20,839

to to speak with so Tim why didn't you

182

00:09:26,439 --> 00:09:22,579

introduce who we're going to be having

183

00:09:29,740 --> 00:09:26,449

on this evening oh my pleasure well we

184

00:09:30,740 --> 00:09:29,750

have a Rusk raw skillet and flurry

185

00:09:34,760 --> 00:09:30,750

Violetta

186

00:09:37,340 --> 00:09:34,770

I said that both those names correctly

187

00:09:40,310 --> 00:09:37,350

now russ has been a UFO investigator for

188

00:09:43,400 --> 00:09:40,320

the past 20 years and according to our

189

00:09:46,760 --> 00:09:43,410

producer he has made several appearances

190

00:09:49,040 --> 00:09:46,770

here on the K cor digital radio network

191

00:09:50,750 --> 00:09:49,050

now Russ has appeared in a number of

192

00:09:52,760 --> 00:09:50,760

television documentaries and talk show

193

00:09:55,960 --> 00:09:52,770

and he's worked closely with local and

194

00:09:59,450 --> 00:09:55,970

national radio television and newspapers

195

00:10:03,890 --> 00:09:59,460

trying to get a good information out

196

00:10:06,230 --> 00:10:03,900

there concerning the the UFO mystery now

197

00:10:08,390 --> 00:10:06,240

Russell set up the British UFO Hunters

198

00:10:11,030 --> 00:10:08,400

group of UFO investigators and

199

00:10:13,640 --> 00:10:11,040

researchers that conducts unbiased

200

00:10:17,390 --> 00:10:13,650

scientific research into UFO sightings

201
00:10:21,140 --> 00:10:17,400
abductions and related phenomena also

202
00:10:23,120 --> 00:10:21,150
with us tonight is Florie Violetta and

203
00:10:24,820 --> 00:10:23,130
Florie is a mother of four from

204
00:10:26,990 --> 00:10:24,830
Virginia with a background in the

205
00:10:30,560 --> 00:10:27,000
telecommunications industry she has

206
00:10:32,900 --> 00:10:30,570
witnessed a number of strange things

207
00:10:36,500 --> 00:10:32,910
while growing up but her life changed

208
00:10:39,829 --> 00:10:36,510
one night in early 2016 when she had her

209
00:10:42,620 --> 00:10:39,839
first UFO encounters now if Lori grew up

210
00:10:45,230 --> 00:10:42,630
on a hundred 120 acre property that her

211
00:10:48,290 --> 00:10:45,240
family owned since the 1800s and during

212
00:10:50,300 --> 00:10:48,300
this time there was no shortage of weird

213
00:10:55,010 --> 00:10:50,310

activities and I guess that has

214

00:10:57,350 --> 00:10:55,020

continued as she throughout her adult

215

00:11:00,770 --> 00:10:57,360

life I said you know I did have the

216

00:11:04,010 --> 00:11:00,780

opportunity to speak with her on the on

217

00:11:05,770 --> 00:11:04,020

the phone just about a week ago and as

218

00:11:09,260 --> 00:11:05,780

had she's had some remarkable

219

00:11:14,540 --> 00:11:09,270

experiences uh there in Virginia and

220

00:11:18,250 --> 00:11:14,550

apparently it's an ongoing epidemic of

221

00:11:22,579 --> 00:11:18,260

UFOs near her property well I don't like

222

00:11:25,340 --> 00:11:22,589

indeed indeed so I think let us start

223

00:11:28,100 --> 00:11:25,350

out with our friend Russ over there in

224

00:11:29,290 --> 00:11:28,110

the UK Russ exactly where are you

225

00:11:31,700 --> 00:11:29,300

located

226

00:11:35,600 --> 00:11:31,710

finally in North Yorkshire on the east

227

00:11:39,230 --> 00:11:35,610

coast overlooking the North Sea how

228

00:11:42,940 --> 00:11:39,240

close are you to the ocean itself well

229

00:11:44,489 --> 00:11:42,950

if I spit probably you're going to see

230

00:11:47,849 --> 00:11:44,499

at

231

00:11:52,949 --> 00:11:47,859

way arrest if you if you've actually

232

00:11:56,429 --> 00:11:52,959

seen my videos on YouTube of the flying

233

00:11:59,069 --> 00:11:56,439

triangle coming out of file a bear I was

234

00:12:03,029 --> 00:11:59,079

just at the top of the road there about

235

00:12:05,459 --> 00:12:03,039

two hundred yards away from the the two

236

00:12:09,779 --> 00:12:05,469

flying triangles that came out but I

237

00:12:13,159 --> 00:12:09,789

will fill me and I live just on that

238

00:12:18,899 --> 00:12:13,169

sort of like world the main road there

239

00:12:21,059 --> 00:12:18,909

so you you have a UFO a group well to be

240

00:12:23,509 --> 00:12:21,069

quite honest and there's only a couple

241

00:12:27,539 --> 00:12:23,519

of us left

242

00:12:31,799 --> 00:12:27,549

you know after ten years or so you know

243

00:12:35,669 --> 00:12:31,809

people have got live to lead and live

244

00:12:38,809 --> 00:12:35,679

and sometimes families and and whatever

245

00:12:41,219 --> 00:12:38,819

you know getting the way of things me

246

00:12:44,489 --> 00:12:41,229

you know I don't really have a family

247

00:12:49,199 --> 00:12:44,499

and so just you know used to be me mum

248

00:12:52,169 --> 00:12:49,209

and my sister and sort of like I became

249

00:12:56,189 --> 00:12:52,179

a UFO investigator through my abductions

250

00:13:00,269 --> 00:12:56,199

you see my goodness haha wanted to find

251
00:13:02,639 --> 00:13:00,279
out what was going on and boy did I find

252
00:13:06,899 --> 00:13:02,649
out what was going on the differences

253
00:13:08,729 --> 00:13:06,909
that I filmed things that have shot down

254
00:13:11,039 --> 00:13:08,739
like being zapped while being filming

255
00:13:14,339 --> 00:13:11,049
after flying triangles coming out of the

256
00:13:18,919 --> 00:13:14,349
sea flying saucers fire one of the first

257
00:13:22,889 --> 00:13:18,929
flying men in 1980 in England day time

258
00:13:24,299 --> 00:13:22,899
which is all there on the a jet Kelly on

259
00:13:28,379 --> 00:13:24,309
YouTube boom

260
00:13:31,169 --> 00:13:28,389
Ross Kelly at UFO hunter and I think is

261
00:13:34,439 --> 00:13:31,179
about I put 20 videos most of mine but

262
00:13:37,289 --> 00:13:34,449
all copyright my copyright and a few of

263
00:13:40,979 --> 00:13:37,299

my friends like dock fire so yeah in the

264

00:13:43,949 --> 00:13:40,989

sky we've got a bald craft ball my craft

265

00:13:47,579 --> 00:13:43,959

been attacked by black flying triangles

266

00:13:49,439 --> 00:13:47,589

and the thing is when I had the

267

00:13:52,609 --> 00:13:49,449

documentary make is over here watching

268

00:13:56,059 --> 00:13:52,619

this free documentaries pulled me out of

269

00:13:58,319 --> 00:13:56,069

the documentaries I was edited out of

270

00:14:02,160 --> 00:13:58,329

UFOs we'd a need we

271

00:14:05,069 --> 00:14:02,170

Danny Dyer I think it was I had ABC they

272

00:14:07,739 --> 00:14:05,079

came over the lost videotape about four

273

00:14:12,090 --> 00:14:07,749

year ago a Christmas they did a special

274

00:14:16,109 --> 00:14:12,100

feature on the UFOs and I got a call the

275

00:14:18,749 --> 00:14:16,119

next day sorry because the videotape now

276

00:14:20,819 --> 00:14:18,759

in my line of business if I'd have lost

277

00:14:23,819 --> 00:14:20,829

something as valuable as that because

278

00:14:26,489 --> 00:14:23,829

you know these guys on a lot of money an

279

00:14:29,519 --> 00:14:26,499

hour you know to spend a day filming and

280

00:14:31,919 --> 00:14:29,529

then to solve like I have nothing at the

281

00:14:33,809 --> 00:14:31,929

end of it wow I don't know

282

00:14:37,530 --> 00:14:33,819

my bottle have been I'd have been down

283

00:14:40,079 --> 00:14:37,540

the road I've been down the road now you

284

00:14:43,470 --> 00:14:40,089

you've been involved one of the

285

00:14:47,179 --> 00:14:43,480

clippings that you were sending such a

286

00:14:51,660 --> 00:14:47,189

you weren't involved in the Welsh

287

00:14:55,100 --> 00:14:51,670

Roswell is that a UFO crash really

288

00:14:58,439 --> 00:14:55,110

you've never heard of it okay well I

289

00:14:59,429 --> 00:14:58,449

well I I might have of course there been

290

00:15:01,559 --> 00:14:59,439

that you know I've been reading the

291

00:15:03,569 --> 00:15:01,569

Flying Saucer review for so many years

292

00:15:05,039 --> 00:15:03,579

and in getting all this so literature

293

00:15:12,869 --> 00:15:05,049

why don't you tell us a little about the

294

00:15:14,129 --> 00:15:12,879

incident right well I was given a file

295

00:15:16,769 --> 00:15:14,139

of what happened

296

00:15:21,210 --> 00:15:16,779

on this night by a group of five men

297

00:15:23,720 --> 00:15:21,220

there's being at do you know like a

298

00:15:27,179 --> 00:15:23,730

men's club that was on the way home and

299

00:15:31,739 --> 00:15:27,189

they came across a landed craft at the

300

00:15:32,689 --> 00:15:31,749

side of the road they got out what year

301
00:15:47,159 --> 00:15:32,699
would this have been

302
00:15:53,960 --> 00:15:47,169
but 19 1973 yet wore in 24 1974 and so

303
00:15:58,259 --> 00:15:53,970
so what happened was that you know the

304
00:16:00,629 --> 00:15:58,269
chaps were selves like you know so like

305
00:16:04,769 --> 00:16:00,639
looking at this this craft and there was

306
00:16:11,189 --> 00:16:04,779
four aliens that got out of this this

307
00:16:11,940 --> 00:16:11,199
saucer-like object and you know shortly

308
00:16:19,770 --> 00:16:11,950
after

309
00:16:23,700 --> 00:16:19,780
was the military turned up and there was

310
00:16:28,350 --> 00:16:23,710
basically push it away you know I was

311
00:16:31,920 --> 00:16:28,360
told you know basically you know lead

312
00:16:37,830 --> 00:16:31,930
this area now now fall of the the

313
00:16:41,180 --> 00:16:37,840

sidemen was in the car and actually and

314

00:16:44,550 --> 00:16:41,190

you you interviewed these gentlemen I

315

00:16:50,850 --> 00:16:44,560

interviewed let's say I interviewed two

316

00:16:54,510 --> 00:16:50,860

of the five and how can I put it I went

317

00:16:57,270 --> 00:16:54,520

to a meeting and they didn't turn up to

318

00:16:59,310 --> 00:16:57,280

start off with and then about a day

319

00:17:02,550 --> 00:16:59,320

later the reformed call and they said

320

00:17:06,060 --> 00:17:02,560

that there were a bit worried Mejjia so I

321

00:17:09,530 --> 00:17:06,070

got home this witness statement and then

322

00:17:12,180 --> 00:17:09,540

I saw a couple of them but not together

323

00:17:12,960 --> 00:17:12,190

because they were really scared we were

324

00:17:15,000 --> 00:17:12,970

really scared

325

00:17:18,449 --> 00:17:15,010

well what what what did he what did the

326

00:17:20,490 --> 00:17:18,459

object they look like what what time of

327

00:17:25,079 --> 00:17:20,500

it this was the at nighttime

328

00:17:27,990 --> 00:17:25,089

yeah because right now they'd left this

329

00:17:32,400 --> 00:17:28,000

this function right yeah this meeting

330

00:17:34,620 --> 00:17:32,410

and so they were driving on and you know

331

00:17:38,160 --> 00:17:34,630

after two you know 10 o'clock at night

332

00:17:40,800 --> 00:17:38,170

because you know you had to cause back

333

00:17:44,640 --> 00:17:40,810

in them days you know saw white past

334

00:17:46,800 --> 00:17:44,650

10:00 in them are vehicles so it won't

335

00:17:49,170 --> 00:17:46,810

long after they've been driving and they

336

00:17:54,810 --> 00:17:49,180

came across this at the side of the road

337

00:17:59,430 --> 00:17:54,820

you know Mike was saying follow the men

338

00:18:01,320 --> 00:17:59,440

of Benning in the army and it didn't

339

00:18:04,200 --> 00:18:01,330

like out of being trash and they were

340

00:18:05,730 --> 00:18:04,210

said you know solve like by the the

341

00:18:08,610 --> 00:18:05,740

soldiers and it's look you've got to

342

00:18:12,060 --> 00:18:08,620

leave and you know this area but as

343

00:18:14,790 --> 00:18:12,070

they're doing so they're deciding to go

344

00:18:16,470 --> 00:18:14,800

look at the other side of this hill and

345

00:18:20,760 --> 00:18:16,480

look down on them to see what we're

346

00:18:24,090 --> 00:18:20,770

going on and what they could see was one

347

00:18:25,890 --> 00:18:24,100

of the guys had got out of this truck

348

00:18:28,920 --> 00:18:25,900

then another one and another one that

349

00:18:33,840 --> 00:18:28,930

and that surrounded the actual craft

350

00:18:37,860 --> 00:18:33,850

there was factors also five aliens yeah

351
00:18:40,920 --> 00:18:37,870
and two looks as if there was hurt and

352
00:18:43,830 --> 00:18:40,930
there were been helped you know solve

353
00:18:47,300 --> 00:18:43,840
like out and while this is going on one

354
00:18:50,850 --> 00:18:47,310
of the troops had gone to the back of

355
00:18:53,100 --> 00:18:50,860
the actual craft and looked to be

356
00:18:56,090 --> 00:18:53,110
getting in and then did just shook dick

357
00:19:00,000 --> 00:18:56,100
the shook that of this slope and

358
00:19:02,640 --> 00:19:00,010
basically maneuvered it and it was then

359
00:19:06,300 --> 00:19:02,650
put onto the back of a flatbed

360
00:19:09,420 --> 00:19:06,310
I am his vehicle and so are these these

361
00:19:13,140 --> 00:19:09,430
guys are in disbelief they can see an

362
00:19:16,650 --> 00:19:13,150
insignia on the craft the aliens of

363
00:19:20,190 --> 00:19:16,660

drugs insignia on like this one piece so

364

00:19:22,680 --> 00:19:20,200

what they're wearing and there's the

365

00:19:25,230 --> 00:19:22,690

thing about it is the carrying the

366

00:19:28,080 --> 00:19:25,240

wearing I should say a belt k you know

367

00:19:30,930 --> 00:19:28,090

like a Sam Brown this is our big put

368

00:19:34,500 --> 00:19:30,940

some it like a some Brown side down hmm

369

00:19:38,430 --> 00:19:34,510

you know belt mhmm our view and I'm

370

00:19:41,790 --> 00:19:38,440

thinking wow you know well how long were

371

00:19:44,760 --> 00:19:41,800

it was the object in the these beings

372

00:19:49,970 --> 00:19:44,770

actually cited I mean how long did this

373

00:19:54,420 --> 00:19:49,980

incident go on for oh we're about maybe

374

00:19:57,060 --> 00:19:54,430

five five minutes or so and then did the

375

00:20:00,420 --> 00:19:57,070

craft a coffer no one was put on the

376

00:20:04,140 --> 00:20:00,430

flat back on the flatbed truck aha

377

00:20:09,690 --> 00:20:04,150

uncovered and then this vehicle and the

378

00:20:13,980 --> 00:20:09,700

James you know basically went along the

379

00:20:17,040 --> 00:20:13,990

road out of the area right now the thing

380

00:20:20,700 --> 00:20:17,050

is when I started researching I saw like

381

00:20:23,340 --> 00:20:20,710

look to other things like okay it was in

382

00:20:27,090 --> 00:20:23,350

the sky have you bought there's a course

383

00:20:29,850 --> 00:20:27,100

line so I wrote off but this time had

384

00:20:32,880 --> 00:20:29,860

drawn him over Simon Schama me family

385

00:20:35,850 --> 00:20:32,890

and I had to go and and we my parents

386

00:20:40,269 --> 00:20:35,860

and so I said to a friend look I'm going

387

00:20:42,430 --> 00:20:40,279

to be riding you know to pay

388

00:20:45,549 --> 00:20:42,440

so can you you know solve light look

389

00:20:48,430 --> 00:20:45,559

after these letters and if I send the

390

00:20:51,399 --> 00:20:48,440

letters in with your address on and it

391

00:20:53,320 --> 00:20:51,409

says yeah unfortunately the person that

392

00:20:56,009 --> 00:20:53,330

was helping look after him a mom and dad

393

00:21:00,700 --> 00:20:56,019

that passed away so I came back maybe a

394

00:21:08,740 --> 00:21:00,710

month later and one of the letters what

395

00:21:13,659 --> 00:21:08,750

I received was from the the Coast Guard

396

00:21:17,440 --> 00:21:13,669

yeah hmm and what said was the jab knee

397

00:21:20,190 --> 00:21:17,450

anything on new records of acne non on

398

00:21:25,440 --> 00:21:20,200

this daddy well the 23rd the 23rd of

399

00:21:29,200 --> 00:21:25,450

January 1974 well I've got a letter said

400

00:21:36,070 --> 00:21:29,210

looking through files that the boss is

401
00:21:38,049 --> 00:21:36,080
away my via Y will do is I will look you

402
00:21:42,490 --> 00:21:38,059
know sort of like in in other places

403
00:21:45,639 --> 00:21:42,500
Anwar via so then there were a telephone

404
00:21:48,190 --> 00:21:45,649
number on this this lady up and spoke to

405
00:21:50,230 --> 00:21:48,200
a number of and I always take my

406
00:21:56,080 --> 00:21:50,240
conversations by the way when I'm when

407
00:21:58,720 --> 00:21:56,090
I'm investigating right so no so Wacom

408
00:22:00,039 --> 00:21:58,730
was so I've got the tape and everything

409
00:22:02,830 --> 00:22:00,049
I've got about four tubes

410
00:22:05,560 --> 00:22:02,840
I've got a letter back saying that there

411
00:22:08,049 --> 00:22:05,570
was the called an exercise called a for

412
00:22:11,490 --> 00:22:08,059
flash exercise taking place around that

413
00:22:14,649 --> 00:22:11,500

this area Liverpool and North Wales

414

00:22:16,590 --> 00:22:14,659

expect 80 flashbulbs or 80 flashes of

415

00:22:22,230 --> 00:22:16,600

light and I think it was ten aircraft

416

00:22:24,909 --> 00:22:22,240

now that's a lot for like an exercise

417

00:22:26,830 --> 00:22:24,919

you know so I like at night time around

418

00:22:29,799 --> 00:22:26,840

this area which is pretty built-up

419

00:22:33,850 --> 00:22:29,809

Liverpool you know sort of like and so I

420

00:22:36,159 --> 00:22:33,860

like and you know the sort of like the

421

00:22:38,409 --> 00:22:36,169

way of the Welsh course liner and what I

422

00:22:43,330 --> 00:22:38,419

viewed the sounds and cities there

423

00:22:46,980 --> 00:22:43,340

souging now a for a flash exercises the

424

00:22:51,279 --> 00:22:46,990

drop these illuminating bombs right yet

425

00:22:53,830 --> 00:22:51,289

to illuminate illuminate targets right

426

00:22:57,580 --> 00:22:53,840

so alright likes of

427

00:23:01,590 --> 00:22:57,590

ground troops also it's used over the

428

00:23:04,390 --> 00:23:01,600

scene for illuminating submarines right

429

00:23:07,180 --> 00:23:04,400

so does that go in on which is a bit

430

00:23:10,450 --> 00:23:07,190

strange these guys in the statement says

431

00:23:13,690 --> 00:23:10,460

that what had happened in an off sea

432

00:23:18,880 --> 00:23:13,700

sorry in that the Irish Sea right and

433

00:23:23,470 --> 00:23:18,890

that there was this going on where there

434

00:23:27,040 --> 00:23:23,480

was death charging this area and it was

435

00:23:29,440 --> 00:23:27,050

an area in the novel to put in Ireland

436

00:23:30,880 --> 00:23:29,450

all right let me have yeah I'll hold

437

00:23:33,520 --> 00:23:30,890

that thought their arrest because we

438

00:23:34,800 --> 00:23:33,530

have to go to our first break of the

439

00:23:37,960 --> 00:23:34,810

evening we'll continue this conversation

440

00:23:44,669 --> 00:23:37,970

on exploring the bazaars will please

441

00:23:51,399 --> 00:23:48,820

now back to exploring the bazaar with

442

00:23:54,399 --> 00:23:51,409

two of the most electrifying researchers

443

00:24:00,100 --> 00:23:54,409

in the Paranoid your hosts Timothy

444

00:24:01,840 --> 00:24:00,110

beckoning and teamswiss alright welcome

445

00:24:04,630 --> 00:24:01,850

back to exploring the bazaar I'm Tim

446

00:24:06,730 --> 00:24:04,640

Schwarz in the first half hour of the

447

00:24:10,149 --> 00:24:06,740

show we were talking with rest Kellett

448

00:24:13,210 --> 00:24:10,159

and I I think Ken we need to bring

449

00:24:15,220 --> 00:24:13,220

Florian violetta into the program now

450

00:24:18,850 --> 00:24:15,230

she's been waiting so a nice and patient

451
00:24:20,620 --> 00:24:18,860
for us so it's let's get her on the line

452
00:24:26,409 --> 00:24:20,630
Florrie thank you for being with us

453
00:24:31,600 --> 00:24:26,419
tonight well you know if Laurie and I

454
00:24:34,990 --> 00:24:31,610
met on Facebook mm-hmm actually and I

455
00:24:36,700 --> 00:24:35,000
had a conversation with her I know I

456
00:24:38,860 --> 00:24:36,710
knew she had had just from our brief

457
00:24:40,840 --> 00:24:38,870
little the chatting and the messenger

458
00:24:43,389 --> 00:24:40,850
there I knew she had some UFO

459
00:24:48,149 --> 00:24:43,399
experiences and so we spoke on the phone

460
00:24:51,100 --> 00:24:48,159
and she has had a I guess since early on

461
00:24:54,039 --> 00:24:51,110
quite a number of paranormal experiences

462
00:24:58,440 --> 00:24:54,049
and an ongoing series of UFO events so I

463
00:25:00,700 --> 00:24:58,450

I was fascinated by the story she

464

00:25:03,360 --> 00:25:00,710

incident she told me and I said well

465

00:25:07,210 --> 00:25:03,370

Jesus we got to share these with the

466

00:25:11,110 --> 00:25:07,220

exploring the bizarre listeners so when

467

00:25:13,930 --> 00:25:11,120

she saw restarted at the the top here

468

00:25:16,810 --> 00:25:13,940

and how did you get involved in all of

469

00:25:19,240 --> 00:25:16,820

this you did tell me about a paranormal

470

00:25:22,779 --> 00:25:19,250

experience that involved a cross when

471

00:25:25,720 --> 00:25:22,789

you were growing up um yeah hi there

472

00:25:28,509 --> 00:25:25,730

thanks for having me um I just wanted to

473

00:25:32,649 --> 00:25:28,519

uh you know given listeners a little bit

474

00:25:38,680 --> 00:25:32,659

of background yes so I grew up in you

475

00:25:44,220 --> 00:25:38,690

know the deep woods of Virginia I guess

476
00:25:47,830 --> 00:25:44,230
you would say so I actually had my first

477
00:25:52,480 --> 00:25:47,840
remembered or you know us experience as

478
00:25:56,909 --> 00:25:52,490
I could say in 2016 early 2016 at the

479
00:25:58,420 --> 00:25:56,919
very beginning where my friend and I

480
00:26:01,420 --> 00:25:58,430
experienced a few

481
00:26:03,780 --> 00:26:01,430
encounters that really kind of changed

482
00:26:08,890 --> 00:26:03,790
our lives quite a bit as you would say

483
00:26:12,070 --> 00:26:08,900
but early I I was no stranger to strange

484
00:26:14,440 --> 00:26:12,080
encounters in rural Virginia more

485
00:26:16,300 --> 00:26:14,450
towards the western part there were a

486
00:26:19,380 --> 00:26:16,310
lot of strange occurrences that that

487
00:26:24,100 --> 00:26:19,390
happened a lot of electromagnetic

488
00:26:31,620 --> 00:26:24,110

activity that was disrupted or not so

489

00:26:36,220 --> 00:26:31,630

you say electromagnetic guess a lot of

490

00:26:41,830 --> 00:26:36,230

TVs or radios that were shut off a lot

491

00:26:43,780 --> 00:26:41,840

of light bulbs exploding no this was

492

00:26:45,070 --> 00:26:43,790

this was this was centered in the

493

00:26:48,700 --> 00:26:45,080

household where you lived

494

00:26:52,570 --> 00:26:48,710

yes it's in near Charlottesville

495

00:26:53,890 --> 00:26:52,580

Virginia and it had been in our family

496

00:26:57,430 --> 00:26:53,900

for quite some time

497

00:27:02,080 --> 00:26:57,440

yes paper records and as far as the fact

498

00:27:05,290 --> 00:27:02,090

of the 1800s so yeah basically a lot of

499

00:27:07,990 --> 00:27:05,300

strange strange well how old were you

500

00:27:10,090 --> 00:27:08,000

when when this was happening um through

501
00:27:12,990 --> 00:27:10,100
childhood but as far back as I can

502
00:27:16,090 --> 00:27:13,000
remember remember around 10 11 years old

503
00:27:19,630 --> 00:27:16,100
we would have people that would refuse

504
00:27:21,670 --> 00:27:19,640
to enter our property they claimed to

505
00:27:25,690 --> 00:27:21,680
evil things were happening witchcraft

506
00:27:28,960 --> 00:27:25,700
and what was happening on our land we

507
00:27:32,410 --> 00:27:28,970
were my family was about Christians and

508
00:27:35,140 --> 00:27:32,420
we were missionaries so it was kind of

509
00:27:37,450 --> 00:27:35,150
strange when people even refused to set

510
00:27:38,680 --> 00:27:37,460
their their feet on our land because

511
00:27:41,890 --> 00:27:38,690
they were a little bit terrified of what

512
00:27:45,070 --> 00:27:41,900
was going on so now what these strange

513
00:27:48,070 --> 00:27:45,080

experiences were going on I mean was

514

00:27:51,420 --> 00:27:48,080

anybody also you know seeing UFO

515

00:27:55,030 --> 00:27:51,430

activity taking place at the same time

516

00:27:58,300 --> 00:27:55,040

actually as far as I can remember that

517

00:28:00,580 --> 00:27:58,310

did not happen until early 2016 where my

518

00:28:04,510 --> 00:28:00,590

friend in are my friend and I began to

519

00:28:07,720 --> 00:28:04,520

experience some pretty strange UFO

520

00:28:09,550 --> 00:28:07,730

activity and it it really changed our

521

00:28:12,169 --> 00:28:09,560

lives I mean we had never really been

522

00:28:16,310 --> 00:28:12,179

into the subject matter

523

00:28:18,830 --> 00:28:16,320

and it just completely started and has

524

00:28:22,029 --> 00:28:18,840

not ceased to happen and that changed

525

00:28:27,350 --> 00:28:22,039

our lives at the early morning in 2016

526

00:28:28,659 --> 00:28:27,360

well has the the other weird stuff you

527

00:28:30,649 --> 00:28:28,669

know like you said like the

528

00:28:33,139 --> 00:28:30,659

electromagnetic phenomena and other

529

00:28:36,769 --> 00:28:33,149

types of things go you know has that

530

00:28:38,840 --> 00:28:36,779

continued as well that has you know

531

00:28:41,810 --> 00:28:38,850

streetlights going out a lot of

532

00:28:45,289 --> 00:28:41,820

interference with our devices wireless

533

00:28:47,899 --> 00:28:45,299

devices cell phones you know happening

534

00:28:51,019 --> 00:28:47,909

and I'm no stranger to cell phones I I

535

00:28:53,539 --> 00:28:51,029

work with them and I'm pretty proficient

536

00:28:54,859 --> 00:28:53,549

and they're repair and whatnot

537

00:28:57,710 --> 00:28:54,869

especially when it comes to software

538

00:28:59,869 --> 00:28:57,720

matters but we've had a lot of strange

539

00:29:05,060 --> 00:28:59,879

activity happen with our cell phones as

540

00:29:08,779 --> 00:29:05,070

well what can you can you go ahead and

541

00:29:12,289 --> 00:29:08,789

tell us about the the experience that

542

00:29:15,289 --> 00:29:12,299

you and your girlfriend had sure um so

543

00:29:18,080 --> 00:29:15,299

in the very beginning of 2016 I was at

544

00:29:22,669 --> 00:29:18,090

my best friend's house we were outside

545

00:29:24,649 --> 00:29:22,679

late at night around 11 p.m. and you

546

00:29:28,009 --> 00:29:24,659

know she kind of just looked up and and

547

00:29:28,759 --> 00:29:28,019

to the trees and said are you seeing

548

00:29:32,119 --> 00:29:28,769

what I'm seeing

549

00:29:35,599 --> 00:29:32,129

and they looked over and basically we

550

00:29:38,539 --> 00:29:35,609

saw these huge three gigantic balls of

551
00:29:42,109 --> 00:29:38,549
dim light they were dim they were still

552
00:29:45,919 --> 00:29:42,119
but they were you know mmm kind of

553
00:29:48,320 --> 00:29:45,929
bobbing around a little bit they were

554
00:29:52,129 --> 00:29:48,330
just there they're just these three

555
00:29:55,310 --> 00:29:52,139
balls of light I guess the best word for

556
00:29:57,619 --> 00:29:55,320
them would be orbs and they they they

557
00:30:00,259 --> 00:29:57,629
were there and we tried to record them

558
00:30:03,139 --> 00:30:00,269
and our cell phone started to acting

559
00:30:05,479 --> 00:30:03,149
other things we tried and they they

560
00:30:10,720 --> 00:30:05,489
drifted off with energy like a minute or

561
00:30:13,369 --> 00:30:10,730
two and just at all so the night sky and

562
00:30:15,229 --> 00:30:13,379
beginning that night for the rest of the

563
00:30:18,799 --> 00:30:15,239

evening into the early morning hours of

564

00:30:23,869 --> 00:30:18,809

the next morning we had a huge amount of

565

00:30:28,159 --> 00:30:23,879

strange UFO activity and it kind of has

566

00:30:30,159 --> 00:30:28,169

stop Simpson now do they do these did

567

00:30:33,939 --> 00:30:30,169

these orbs look like that they were

568

00:30:36,379 --> 00:30:33,949

attached to a larger body or were they

569

00:30:37,599 --> 00:30:36,389

you know floating around separate on

570

00:30:41,389 --> 00:30:37,609

their own

571

00:30:43,699 --> 00:30:41,399

well after we first saw them it was it

572

00:30:45,169 --> 00:30:43,709

was a little bit difficult to see even

573

00:30:47,059 --> 00:30:45,179

think about what was going on around

574

00:30:49,309 --> 00:30:47,069

them we just knew that they were

575

00:30:53,149 --> 00:30:49,319

together and they left together they

576
00:30:55,189 --> 00:30:53,159
started slowly drifting off and we were

577
00:30:56,539 --> 00:30:55,199
not able to capture footage of them even

578
00:30:59,059 --> 00:30:56,549
though we were able to capture some

579
00:31:03,559 --> 00:30:59,069
impressive footage a few hours

580
00:31:06,589 --> 00:31:03,569
afterwards of something else but they

581
00:31:11,059 --> 00:31:06,599
definitely were uniform together in

582
00:31:13,939 --> 00:31:11,069
unison drifting well how large where

583
00:31:15,530 --> 00:31:13,949
they would you say about four to six

584
00:31:17,709 --> 00:31:15,540
feet in diameter

585
00:31:22,339 --> 00:31:17,719
[Music]

586
00:31:24,619 --> 00:31:22,349
they were darker orange color they were

587
00:31:27,409 --> 00:31:24,629
not they were not extremely bright at

588
00:31:30,019 --> 00:31:27,419

all but yeah they were definitely

589

00:31:32,329 --> 00:31:30,029

together and drifting off into the night

590

00:31:35,059 --> 00:31:32,339

sky but but you you you didn't think

591

00:31:37,249 --> 00:31:35,069

that they were anything like a plasma or

592

00:31:40,939 --> 00:31:37,259

a ball lightning they seem to be under

593

00:31:42,680 --> 00:31:40,949

intelligent control oh absolutely it was

594

00:31:45,859 --> 00:31:42,690

it was something that shocked us both to

595

00:31:48,019 --> 00:31:45,869

her core it was nothing like you know

596

00:31:50,419 --> 00:31:48,029

the ball lightning or electricity that

597

00:31:53,239 --> 00:31:50,429

people speak of it was it was definitely

598

00:31:56,569 --> 00:31:53,249

intelligent and you know drifting off

599

00:31:58,279 --> 00:31:56,579

together injuries well what what what

600

00:32:00,709 --> 00:31:58,289

did you think about this I mean how did

601
00:32:03,289 --> 00:32:00,719
it affect you did it affect you

602
00:32:06,049 --> 00:32:03,299
physically or emotionally or a little

603
00:32:09,109 --> 00:32:06,059
bit of both looking back we were both

604
00:32:10,999 --> 00:32:09,119
remarkable at how calm we were because

605
00:32:12,979 --> 00:32:11,009
they were so close to us they were right

606
00:32:16,159 --> 00:32:12,989
at the tree line between her house and

607
00:32:19,909 --> 00:32:16,169
her neighbor's house and I mean it's not

608
00:32:21,619 --> 00:32:19,919
that far away and so when we were it

609
00:32:24,559 --> 00:32:21,629
occurred to us that we should start like

610
00:32:26,989 --> 00:32:24,569
filming this you know both of our cell

611
00:32:29,629 --> 00:32:26,999
phones started acting up and we weren't

612
00:32:31,849 --> 00:32:29,639
able to capture that but I mean it

613
00:32:33,680 --> 00:32:31,859

definitely piques our interest so much

614

00:32:36,060 --> 00:32:33,690

so that we spent the rest of the night

615

00:32:38,480 --> 00:32:36,070

outside with our phones

616

00:32:41,250 --> 00:32:38,490

you know trying to record anything that

617

00:32:43,830 --> 00:32:41,260

you know caught our attention it was

618

00:32:46,080 --> 00:32:43,840

something new to both of us and is not

619

00:32:49,140 --> 00:32:46,090

anything new to both of us since then

620

00:32:52,130 --> 00:32:49,150

but what you know looking looking

621

00:32:56,400 --> 00:32:52,140

looking back on it do you think that

622

00:32:58,350 --> 00:32:56,410

somehow the the these orbs that you you

623

00:33:03,660 --> 00:32:58,360

saw and you did describe to me some

624

00:33:05,520 --> 00:33:03,670

other craft or vehicles that you also a

625

00:33:11,220 --> 00:33:05,530

witness do you think that they were

626
00:33:13,740 --> 00:33:11,230
somehow involved with this paranormal

627
00:33:17,250 --> 00:33:13,750
experiences and the things that had gone

628
00:33:21,960 --> 00:33:17,260
on around your home earlier on um

629
00:33:25,440 --> 00:33:21,970
absolutely you know as far as soon as

630
00:33:29,820 --> 00:33:25,450
that first sighting started for the

631
00:33:32,510 --> 00:33:29,830
hours that followed afterwards it was

632
00:33:38,220 --> 00:33:32,520
really different it was really

633
00:33:39,090 --> 00:33:38,230
eye-opening and basically just it

634
00:33:41,670 --> 00:33:39,100
changed our lives

635
00:33:44,360 --> 00:33:41,680
um it changed my life going forward it

636
00:33:48,630 --> 00:33:44,370
seems her life going forward it

637
00:33:51,960 --> 00:33:48,640
something resonates within me and that's

638
00:33:54,960 --> 00:33:51,970

why I kind of haven't been able to let

639

00:33:57,450 --> 00:33:54,970

go of the subject matter you know I see

640

00:33:59,160 --> 00:33:57,460

things now that I think any average

641

00:34:03,540 --> 00:33:59,170

person would if they actually stopped

642

00:34:05,250 --> 00:34:03,550

and paid attention so yeah definitely it

643

00:34:08,250 --> 00:34:05,260

was something life-changing within both

644

00:34:10,530 --> 00:34:08,260

of us that happened that night and and

645

00:34:13,410 --> 00:34:10,540

ever since falling forward

646

00:34:15,720 --> 00:34:13,420

well now you said that there were other

647

00:34:18,030 --> 00:34:15,730

things going on that night too one to

648

00:34:20,100 --> 00:34:18,040

give us a little bit more detail you

649

00:34:25,200 --> 00:34:20,110

know what else you saw when you you say

650

00:34:29,760 --> 00:34:25,210

you stayed outside all night I don't

651
00:34:30,750 --> 00:34:29,770
blame you I would have to actually we

652
00:34:35,340 --> 00:34:30,760
had all our phones

653
00:34:39,210 --> 00:34:35,350
I don't know I might I might have hid

654
00:34:44,280 --> 00:34:39,220
under the front porch I don't know it

655
00:34:47,760 --> 00:34:44,290
was absolutely - intriguing for us we

656
00:34:50,909 --> 00:34:47,770
saw some cylinder see craft

657
00:34:52,859 --> 00:34:50,919
we saw lots of you know little things in

658
00:34:55,770 --> 00:34:52,869
the sky that resembled airplanes at

659
00:34:58,079 --> 00:34:55,780
first but then they weren't moving or

660
00:35:00,480 --> 00:34:58,089
they were moving extremely erratically

661
00:35:02,970 --> 00:35:00,490
they would change color and eventually

662
00:35:07,190 --> 00:35:02,980
we did manage to capture some pretty

663
00:35:11,690 --> 00:35:07,200

incredible video of something that was

664

00:35:15,120 --> 00:35:11,700

changing color and changing and shape

665

00:35:17,400 --> 00:35:15,130

dividing into parts it was pretty

666

00:35:23,730 --> 00:35:17,410

incredible that night I won't lie it was

667

00:35:28,829 --> 00:35:23,740

a incredible no and I don't know if you

668

00:35:31,589 --> 00:35:28,839

can remember or not but I asked this of

669

00:35:39,030 --> 00:35:31,599

a lot of witnesses do you happen to

670

00:35:43,800 --> 00:35:39,040

remember the days before this night if

671

00:35:47,040 --> 00:35:43,810

anything unusual had happened to you

672

00:35:49,310 --> 00:35:47,050

non ufo-related you know before this

673

00:35:53,430 --> 00:35:49,320

this evening you know had there been an

674

00:35:57,630 --> 00:35:53,440

uptick of the X the electromagnetic

675

00:36:00,120 --> 00:35:57,640

activity of your house you know anybody

676
00:36:02,579 --> 00:36:00,130
you know unexplainably you know died or

677
00:36:04,560 --> 00:36:02,589
got sick or just just anything now that

678
00:36:07,079 --> 00:36:04,570
you would you know think back to before

679
00:36:08,180 --> 00:36:07,089
this happen ago you know that was kind

680
00:36:13,470 --> 00:36:08,190
of weird

681
00:36:17,460 --> 00:36:13,480
well I'm following a few strange things

682
00:36:22,530 --> 00:36:17,470
that happened but before him absolutely

683
00:36:24,839 --> 00:36:22,540
not you know there was nothing that you

684
00:36:27,150 --> 00:36:24,849
know let me think that anything was

685
00:36:28,380 --> 00:36:27,160
going to go on out of the ordinary at

686
00:36:32,550 --> 00:36:28,390
all beforehand

687
00:36:35,940 --> 00:36:32,560
and I wonder if that's why you know it's

688
00:36:41,250 --> 00:36:35,950

completely shocked me because I do have

689

00:36:42,900 --> 00:36:41,260

a few things that that manage to alert

690

00:36:45,960 --> 00:36:42,910

me when something's coming up ahead

691

00:36:47,910 --> 00:36:45,970

nowadays but no nothing nothing coming

692

00:36:49,859 --> 00:36:47,920

up to the incident that that completely

693

00:36:55,680 --> 00:36:49,869

changes now mm-hmm

694

00:36:58,829 --> 00:36:55,690

okay now when you say completely change

695

00:37:01,490 --> 00:36:58,839

you are are you talking about you know

696

00:37:03,829 --> 00:37:01,500

it's kind of opened your eyes that

697

00:37:07,730 --> 00:37:03,839

you know there there are things going on

698

00:37:11,359 --> 00:37:07,740

that we don't understand that you don't

699

00:37:14,030 --> 00:37:11,369

understand or do you think that that

700

00:37:16,839 --> 00:37:14,040

maybe it's something going on that maybe

701
00:37:22,099 --> 00:37:16,849
even a deeper level within you

702
00:37:23,930 --> 00:37:22,109
definitely those especially on a deeper

703
00:37:26,750 --> 00:37:23,940
level with it mean it has changed me

704
00:37:28,760 --> 00:37:26,760
with my friend she is a little bit more

705
00:37:32,450 --> 00:37:28,770
reluctant to speak openly about it

706
00:37:34,640 --> 00:37:32,460
um and it's I guess a lot of those

707
00:37:38,660 --> 00:37:34,650
tivity has occurred around where she

708
00:37:40,370 --> 00:37:38,670
lives and you know it seems that it's on

709
00:37:44,780 --> 00:37:40,380
a little bit more of an accelerated rate

710
00:37:47,630 --> 00:37:44,790
than what I witness the present day but

711
00:37:50,810 --> 00:37:47,640
yeah I mean I I would say definitely

712
00:37:55,790 --> 00:37:50,820
both and that's that's freaked her out

713
00:37:58,280 --> 00:37:55,800

hasn't it has what went out with her

714

00:38:00,200 --> 00:37:58,290

were there other witnesses in the in the

715

00:38:02,720 --> 00:38:00,210

area I mean what did you notice was

716

00:38:06,470 --> 00:38:02,730

there anything in the media on TV or on

717

00:38:09,380 --> 00:38:06,480

the radio or newspaper you know I I

718

00:38:13,970 --> 00:38:09,390

searched a lot especially that night um

719

00:38:16,190 --> 00:38:13,980

there was nothing um you know she has

720

00:38:20,300 --> 00:38:16,200

four children and a few of her daughters

721

00:38:24,470 --> 00:38:20,310

came to me and told me of separate UFO

722

00:38:27,530 --> 00:38:24,480

incidences that they had had within the

723

00:38:30,589 --> 00:38:27,540

past couple of years before him but I

724

00:38:33,680 --> 00:38:30,599

searched all over the media for any UFO

725

00:38:35,810 --> 00:38:33,690

sightings that night around the area

726

00:38:39,290 --> 00:38:35,820

even in the state and there really

727

00:38:44,120 --> 00:38:39,300

wasn't that much to speak of except for

728

00:38:47,589 --> 00:38:44,130

the video that we meant to take I found

729

00:38:50,320 --> 00:38:47,599

a video of somebody that had posted a

730

00:38:52,880 --> 00:38:50,330

clip of the International Space Station

731

00:38:57,170 --> 00:38:52,890

the life II that they have going on at

732

00:39:00,520 --> 00:38:57,180

NASA a couple days before this happened

733

00:39:03,560 --> 00:39:00,530

and the track that we managed to film

734

00:39:05,450 --> 00:39:03,570

actually looked like the craft that was

735

00:39:08,420 --> 00:39:05,460

filmed by the International Space

736

00:39:10,040 --> 00:39:08,430

Station about a few minutes or a few

737

00:39:14,250 --> 00:39:10,050

seconds before they actually cut the

738

00:39:17,319 --> 00:39:14,260

live feed how

739

00:39:19,900 --> 00:39:17,329

yeah you must obviously been interested

740

00:39:23,050 --> 00:39:19,910

in the subject and and and read up on it

741

00:39:27,069 --> 00:39:23,060

were there other incidents though in

742

00:39:29,440 --> 00:39:27,079

let's say radius of 50 miles or so over

743

00:39:32,920 --> 00:39:29,450

a period of years I mean are there any

744

00:39:35,940 --> 00:39:32,930

major cases that took place near where

745

00:39:38,890 --> 00:39:35,950

you are you know surprisingly no

746

00:39:41,620 --> 00:39:38,900

although I'm pretty surprised that there

747

00:39:43,780 --> 00:39:41,630

aren't any especially in her town it's a

748

00:39:47,859 --> 00:39:43,790

smaller top town outside of Richmond

749

00:39:50,890 --> 00:39:47,869

Virginia but you know as far as I can

750

00:39:54,880 --> 00:39:50,900

tell it hasn't been very active area as

751
00:39:57,910 --> 00:39:54,890
far as UFO sightings in in that area in

752
00:40:02,079 --> 00:39:57,920
central Virginia well but you you seem

753
00:40:05,280 --> 00:40:02,089
to have uncovered that something now do

754
00:40:08,440 --> 00:40:05,290
you think that they've made some sort of

755
00:40:11,920 --> 00:40:08,450
contact with you maybe even if I'm just

756
00:40:14,530 --> 00:40:11,930
a super official level that they're

757
00:40:16,720 --> 00:40:14,540
saying they whoever they are if there is

758
00:40:18,370 --> 00:40:16,730
a they well what do you what do you

759
00:40:22,030 --> 00:40:18,380
think is behind the phenomenon I mean

760
00:40:26,290 --> 00:40:22,040
have you pondered that at all I pondered

761
00:40:27,819 --> 00:40:26,300
it and I can't tell you a definite

762
00:40:30,130 --> 00:40:27,829
conclusion that I have made

763
00:40:35,170 --> 00:40:30,140

I'm obviously interesting the

764

00:40:36,579 --> 00:40:35,180

extra-terrestrial aspect it seems that

765

00:40:39,819 --> 00:40:36,589

some at times they are pretty

766

00:40:44,290 --> 00:40:39,829

interactive because we have seen several

767

00:40:46,120 --> 00:40:44,300

orb things happen or related type things

768

00:40:50,970 --> 00:40:46,130

which I never even entertained the

769

00:40:54,220 --> 00:40:50,980

possibility before this instance in 2006

770

00:40:58,290 --> 00:40:54,230

2016 even though I'd like to think that

771

00:41:01,059 --> 00:40:58,300

I was open-minded enough but you know

772

00:41:03,910 --> 00:41:01,069

I'm not really able to draw that

773

00:41:06,730 --> 00:41:03,920

conclusion altogether except for to say

774

00:41:10,329 --> 00:41:06,740

that they were I didn't but identified

775

00:41:13,960 --> 00:41:10,339

flying objects in the sky and you know

776

00:41:18,880 --> 00:41:13,970

they're pretty incredible what would you

777

00:41:21,400 --> 00:41:18,890

say of the things that you have seen you

778

00:41:25,720 --> 00:41:21,410

know since 2016 what would you say would

779

00:41:26,620 --> 00:41:25,730

be your like the closest you have been

780

00:41:28,029 --> 00:41:26,630

to any I'm have

781

00:41:29,950 --> 00:41:28,039

they all been you know like way up in

782

00:41:32,950 --> 00:41:29,960

the sky or I mean have you seen any

783

00:41:39,749 --> 00:41:32,960

that's you know with him say rock

784

00:41:42,670 --> 00:41:39,759

throwing distance well the three large

785

00:41:45,460 --> 00:41:42,680

horns balls of light and sky that we saw

786

00:41:47,559 --> 00:41:45,470

in early 2016

787

00:41:51,430 --> 00:41:47,569

they have gotten pretty close on one

788

00:41:54,039 --> 00:41:51,440

other instance that I can remember my

789

00:42:00,789 --> 00:41:54,049

son and I were outside it it was during

790

00:42:02,890 --> 00:42:00,799

the summer of 2016 and basically he came

791

00:42:06,069 --> 00:42:02,900

outside because something inside of my

792

00:42:09,130 --> 00:42:06,079

friend's house had startled him and we

793

00:42:12,130 --> 00:42:09,140

were chased by two balls of light it

794

00:42:14,529 --> 00:42:12,140

came out of the backyard woods and

795

00:42:19,509 --> 00:42:14,539

between my friend's backyard and her

796

00:42:22,509 --> 00:42:19,519

neighbor's yard adjacent and they pretty

797

00:42:23,710 --> 00:42:22,519

much chased us inside of her house and

798

00:42:27,150 --> 00:42:23,720

it scared us to death

799

00:42:30,279 --> 00:42:27,160

and so they have gotten pretty close so

800

00:42:33,999 --> 00:42:30,289

I I don't know if this was something

801
00:42:37,599 --> 00:42:34,009
devious you know trying to scare us or

802
00:42:40,410 --> 00:42:37,609
something but you know it's it

803
00:42:42,789 --> 00:42:40,420
definitely scared the bejesus out of me

804
00:42:45,220 --> 00:42:42,799
okay what now can I you said that your

805
00:42:47,470 --> 00:42:45,230
your son went outside because of

806
00:42:50,920 --> 00:42:47,480
something that happened in the house um

807
00:42:52,630 --> 00:42:50,930
yes all my friends in my son's house

808
00:42:55,630 --> 00:42:52,640
this is the same best friend where I had

809
00:43:01,299 --> 00:42:55,640
the first initial UFO encounter in early

810
00:43:04,420 --> 00:43:01,309
2016 in her house there's always a lot

811
00:43:06,579 --> 00:43:04,430
of strange activity going on so when he

812
00:43:10,150 --> 00:43:06,589
my son came outside because he was

813
00:43:13,120 --> 00:43:10,160

scared a DVD had flowed off the

814

00:43:16,509 --> 00:43:13,130

bookshelf basically hurling towards him

815

00:43:18,249 --> 00:43:16,519

and I had tried to reassure him that you

816

00:43:20,920 --> 00:43:18,259

know things like this happened at my

817

00:43:24,700 --> 00:43:20,930

friend's house it just kind of happened

818

00:43:26,710 --> 00:43:24,710

a lot there and you know food came

819

00:43:28,809 --> 00:43:26,720

outside for some comfort and then when

820

00:43:30,809 --> 00:43:28,819

these two balls of light come flying at

821

00:43:35,190 --> 00:43:30,819

us from the woods

822

00:43:37,660 --> 00:43:35,200

basically it kind of scared us to death

823

00:43:39,880 --> 00:43:37,670

yeah I bet he probably doesn't want to

824

00:43:45,249 --> 00:43:39,890

go back to your friend's house

825

00:43:48,279 --> 00:43:45,259

yeah it's kind of a thing all right well

826

00:43:54,279 --> 00:43:48,289

we've got a question from Troy from

827

00:43:57,749 --> 00:43:54,289

Texas and Troy wants to know has as you

828

00:44:01,180 --> 00:43:57,759

your friend ever attempted any kind of

829

00:44:04,329 --> 00:44:01,190

regression to see if you could recall

830

00:44:07,870 --> 00:44:04,339

you know more details of I suppose your

831

00:44:09,249 --> 00:44:07,880

initial UFO sighting had regression for

832

00:44:12,249 --> 00:44:09,259

those out there don't know he liked me

833

00:44:14,950 --> 00:44:12,259

you know I got a hypnosis or hypnotic

834

00:44:20,349 --> 00:44:14,960

regression I can't speak for my friend

835

00:44:21,009 --> 00:44:20,359

but me yes definitely I have two shared

836

00:44:23,229 --> 00:44:21,019

memories

837

00:44:26,049 --> 00:44:23,239

one with my brother and one with my

838

00:44:30,029 --> 00:44:26,059

brother and my mother from childhood and

839

00:44:32,470 --> 00:44:30,039

we don't really remember much but

840

00:44:34,809 --> 00:44:32,480

suffice it to say that we were both we

841

00:44:38,259 --> 00:44:34,819

were all three of us scared at one point

842

00:44:40,749 --> 00:44:38,269

and in another memory it was just my

843

00:44:43,410 --> 00:44:40,759

brother and I and we were terrified and

844

00:44:46,479 --> 00:44:43,420

we were inside of a vehicles both times

845

00:44:49,779 --> 00:44:46,489

and we don't really remember much since

846

00:44:53,289 --> 00:44:49,789

or you know during the occasion so I

847

00:44:57,400 --> 00:44:53,299

have gone a hypnotic progression to try

848

00:44:59,229 --> 00:44:57,410

to uncover a little bit at what's that

849

00:45:03,039 --> 00:44:59,239

what's happened in the past but I

850

00:45:07,589 --> 00:45:03,049

haven't really been able to remember or

851

00:45:10,420 --> 00:45:07,599

uncover anything of substance so this

852

00:45:13,960 --> 00:45:10,430

this kind of unusual activity has

853

00:45:19,299 --> 00:45:13,970

happened to you and your family for

854

00:45:21,880 --> 00:45:19,309

quite a ways back how do you remember

855

00:45:23,920 --> 00:45:21,890

how old you were when the whatever

856

00:45:27,220 --> 00:45:23,930

happened to you in the car with you with

857

00:45:33,940 --> 00:45:27,230

your mom and brother I was about eight

858

00:45:36,150 --> 00:45:33,950

or nine I would say like I said none of

859

00:45:40,269 --> 00:45:36,160

us can really exactly remember what

860

00:45:43,059 --> 00:45:40,279

terrified us so much that night and you

861

00:45:45,309 --> 00:45:43,069

know hypnotic regression I mean I've

862

00:45:49,660 --> 00:45:45,319

tried it and I haven't really been able

863

00:45:53,009 --> 00:45:49,670

to uncover too much of it yet yeah yeah

864

00:45:57,329 --> 00:45:53,019

you have to have a very good and very

865

00:45:59,219 --> 00:45:57,339

professional hypnosis in order to do

866

00:46:02,339 --> 00:45:59,229

something like that correctly and

867

00:46:09,959 --> 00:46:02,349

without you know accidentally feeding

868

00:46:12,299 --> 00:46:09,969

you information that maybe see yeah but

869

00:46:13,919 --> 00:46:12,309

but you're saying that you know all's

870

00:46:17,219 --> 00:46:13,929

all of you remember is that there

871

00:46:19,679 --> 00:46:17,229

something something scared you but you

872

00:46:21,839 --> 00:46:19,689

don't know what well and we're gonna

873

00:46:25,889 --> 00:46:21,849

have to hold it at that for now because

874

00:46:29,549 --> 00:46:25,899

has the typist has really flown we're

875

00:46:31,049 --> 00:46:29,559

coming up to our break Tim so we're

876

00:46:33,269 --> 00:46:31,059

gonna have to take it it's our top of

877

00:46:36,389 --> 00:46:33,279

the hour break and we'll continue our

878

00:46:45,880 --> 00:46:36,399

conversation with Russ and Lori when we

879

00:46:45,890 --> 00:46:50,630

[Music]

880

00:46:57,589 --> 00:46:54,930

explode the bazaars are your e-ticket

881

00:47:00,870 --> 00:46:57,599

ride into the world of the paranormal

882

00:47:05,180 --> 00:47:00,880

strap yourself in as we traverse the

883

00:47:08,299 --> 00:47:05,190

universe exploring the unexplained UFO s

884

00:47:10,680 --> 00:47:08,309

ghosts lost world

885

00:47:14,549 --> 00:47:10,690

cryptozoology as well as other

886

00:47:19,559 --> 00:47:14,559

dimensions it's time to take back the

887

00:47:22,620 --> 00:47:19,569

night night now your electrifying hosts

888

00:47:29,190 --> 00:47:22,630

of exploring the bizarre Timothy Begley

889

00:47:31,589 --> 00:47:29,200

and team sports all right welcome back

890

00:47:33,719 --> 00:47:31,599

to the second hour of exploring the

891

00:47:36,569 --> 00:47:33,729

bizarre and tim has a fascinating

892

00:47:39,680 --> 00:47:36,579

program tonight yet some great guests

893

00:47:43,859 --> 00:47:39,690

and well you know I like a first person

894

00:47:46,529 --> 00:47:43,869

ID 92 experiencers you know people would

895

00:47:50,309 --> 00:47:46,539

have actually gotten down in the mud as

896

00:47:52,769 --> 00:47:50,319

they say - or maybe float it or maybe

897

00:47:55,049 --> 00:47:52,779

floated in the in the air

898

00:47:56,789 --> 00:47:55,059

you know that's that's where it's at

899

00:47:59,670 --> 00:47:56,799

though because I mean you know you don't

900

00:48:01,049 --> 00:47:59,680

you just have these personal experiences

901
00:48:03,630 --> 00:48:01,059
you know we don't actually have you know

902
00:48:05,549 --> 00:48:03,640
physical UFOs to study you know we've

903
00:48:09,839 --> 00:48:05,559
got these personal experiences that's

904
00:48:12,950 --> 00:48:09,849
all we have well you know even it's kind

905
00:48:16,979 --> 00:48:12,960
of interesting here the last week or so

906
00:48:20,130 --> 00:48:16,989
UFOs have come to the top of the news we

907
00:48:22,890 --> 00:48:20,140
haven't seen much activity UFO eyes in

908
00:48:24,749 --> 00:48:22,900
the media for quite a number of years I

909
00:48:29,549 --> 00:48:24,759
think the last that I can think of would

910
00:48:32,579 --> 00:48:29,559
be the O'Hara Chicago Airport sightings

911
00:48:36,690 --> 00:48:32,589
that's that got a little bit of a rise

912
00:48:38,279 --> 00:48:36,700
out of the media and was on the news for

913
00:48:40,440 --> 00:48:38,289

a couple of days they're running and

914

00:48:42,599 --> 00:48:40,450

then it's been pretty a pretty you know

915

00:48:45,440 --> 00:48:42,609

the silent and occasional sighting

916

00:48:48,660 --> 00:48:45,450

perhaps but nothing have any great

917

00:48:51,269 --> 00:48:48,670

importance and and this activity of

918

00:48:53,359 --> 00:48:51,279

course involving the government spending

919

00:48:56,640 --> 00:48:53,369

twenty two million dollars which is a

920

00:49:00,569 --> 00:48:56,650

like not real honest no like my roll of

921

00:49:02,969 --> 00:49:00,579

nickels over here to the to the

922

00:49:04,450 --> 00:49:02,979

government I mean it shows that they

923

00:49:07,420 --> 00:49:04,460

still maintain an interest

924

00:49:10,089 --> 00:49:07,430

in it but as they know we are according

925

00:49:13,630 --> 00:49:10,099

to them and those that worked on the

926

00:49:16,930 --> 00:49:13,640

project they know as little about UFOs

927

00:49:18,670 --> 00:49:16,940

as as we do in fact I'm sure they're

928

00:49:21,089 --> 00:49:18,680

probably more confused than anything

929

00:49:26,829 --> 00:49:21,099

else you know do you talk about

930

00:49:28,150 --> 00:49:26,839

disclosure if I were the president I and

931

00:49:30,820 --> 00:49:28,160

people ask me well what are you know

932

00:49:32,500 --> 00:49:30,830

what are UFOs I would say well go out

933

00:49:34,300 --> 00:49:32,510

and buy a you know a couple of books by

934

00:49:36,310 --> 00:49:34,310

Tim Buckley or some other authors and

935

00:49:38,079 --> 00:49:36,320

decide for yourself because that's what

936

00:49:41,079 --> 00:49:38,089

we're trying to do you know I mean like

937

00:49:44,440 --> 00:49:41,089

everybody's got a personal opinion on it

938

00:49:47,920 --> 00:49:44,450

either based on their own experiences or

939

00:49:50,260 --> 00:49:47,930

based upon whatever that they've been

940

00:49:54,849 --> 00:49:50,270

able to accumulate information or

941

00:49:56,950 --> 00:49:54,859

evidence wise but there has been you

942

00:49:58,930 --> 00:49:56,960

know this is nothing you knew about the

943

00:50:01,060 --> 00:49:58,940

the the concept that there are some

944

00:50:02,950 --> 00:50:01,070

people in the government that are trying

945

00:50:04,690 --> 00:50:02,960

to get this information out because they

946

00:50:07,270 --> 00:50:04,700

think the public has a right to know and

947

00:50:10,950 --> 00:50:07,280

others that would try to keep it as a

948

00:50:14,589 --> 00:50:10,960

silence you know the silence Grouper

949

00:50:17,040 --> 00:50:14,599

secrecy in involving all of this if you

950

00:50:20,320 --> 00:50:17,050

read the some of the early books by

951
00:50:23,890 --> 00:50:20,330
major Donald Lee Kehoe and Edward

952
00:50:28,349 --> 00:50:23,900
rappelled this conflict has been going

953
00:50:32,589 --> 00:50:28,359
on within the walls of the Pentagon for

954
00:50:35,320 --> 00:50:32,599
50 years more than right from the very

955
00:50:37,120 --> 00:50:35,330
beginning there are some that thought

956
00:50:38,849 --> 00:50:37,130
that these were extraterrestrial and

957
00:50:42,250 --> 00:50:38,859
that the public had a right to know and

958
00:50:45,640 --> 00:50:42,260
some that the thought that you know

959
00:50:48,099 --> 00:50:45,650
they're the truth whatever the truth is

960
00:50:51,430 --> 00:50:48,109
should be hidden because of a mass panic

961
00:50:53,109 --> 00:50:51,440
or the stock market would crash well we

962
00:50:58,870 --> 00:50:53,119
proved this week that the stock market

963
00:51:00,310 --> 00:50:58,880

isn't gonna crash it's it certainly it

964

00:51:04,570 --> 00:51:00,320

certainly didn't because of the

965

00:51:06,849 --> 00:51:04,580

revelations of UFOs being seen and and

966

00:51:09,940 --> 00:51:06,859

you know even even though the the idea

967

00:51:12,220 --> 00:51:09,950

that here we have this video or a gun

968

00:51:14,530 --> 00:51:12,230

camera footage of this thing that they

969

00:51:16,839 --> 00:51:14,540

said look like a tic-tac that was flying

970

00:51:18,210 --> 00:51:16,849

at enormous speed and making all kinds

971

00:51:20,810 --> 00:51:18,220

of maneuvers this is

972

00:51:24,180 --> 00:51:20,820

neither if you remember the movie in

973

00:51:27,480 --> 00:51:24,190

1956 that was called simply UFOs what

974

00:51:34,830 --> 00:51:27,490

was the main thrust of the other film

975

00:51:37,730 --> 00:51:34,840

were two different 16 millimeter reels

976
00:51:41,870 --> 00:51:37,740
that had been taken I think one was by a

977
00:51:44,580 --> 00:51:41,880
wasn't it a baseball a coach or manager

978
00:51:47,670 --> 00:51:44,590
in Montana

979
00:51:49,830 --> 00:51:47,680
all right your honor another one was I

980
00:51:51,839 --> 00:51:49,840
can't remember maybe Utah or somewhere

981
00:51:54,089 --> 00:51:51,849
and they some people said well look at

982
00:51:56,130 --> 00:51:54,099
the these objects are flying it you know

983
00:51:57,690 --> 00:51:56,140
a great speed and doing all kinds of

984
00:52:00,800 --> 00:51:57,700
maneuvers and other people said they're

985
00:52:03,450 --> 00:52:00,810
just a flock of birds

986
00:52:07,440 --> 00:52:03,460
well I'm plus I mean we don't know well

987
00:52:12,140 --> 00:52:07,450
you know if that imagery that you know

988
00:52:16,230 --> 00:52:12,150

supposes was was taken from you know the

989

00:52:19,020 --> 00:52:16,240

from the from the jet I don't know what

990

00:52:20,370 --> 00:52:19,030

you got state's radar imagery or I don't

991

00:52:23,270 --> 00:52:20,380

know we don't know whether or not that's

992

00:52:27,810 --> 00:52:23,280

actually real or not yeah you're able to

993

00:52:30,240 --> 00:52:27,820

do so much anymore you know just I mean

994

00:52:31,680 --> 00:52:30,250

no anybody can get a hold of software

995

00:52:33,780 --> 00:52:31,690

and mimic something like that very

996

00:52:35,720 --> 00:52:33,790

easily so you know it's it's it's hard

997

00:52:38,040 --> 00:52:35,730

to tell anymore

998

00:52:41,099 --> 00:52:38,050

well with it with the government didn't

999

00:52:44,490 --> 00:52:41,109

be making this up well I mean that that

1000

00:52:47,310 --> 00:52:44,500

footage that footage was released

1001
00:52:48,960 --> 00:52:47,320
separately from the news reports that

1002
00:52:51,990 --> 00:52:48,970
have been coming out about you know this

1003
00:52:57,359 --> 00:52:52,000
this you know so-called secret

1004
00:53:00,329 --> 00:52:57,369
government study that that footage came

1005
00:53:04,320 --> 00:53:00,339
out I think people will put it out to

1006
00:53:08,430 --> 00:53:04,330
try to support this this this

1007
00:53:10,970 --> 00:53:08,440
information so well I know I think what

1008
00:53:13,770 --> 00:53:10,980
was not the the footage of official

1009
00:53:15,900 --> 00:53:13,780
military of footage released by the

1010
00:53:19,020 --> 00:53:15,910
Pentagon I don't think so I don't think

1011
00:53:20,940 --> 00:53:19,030
I think it was okay I will have to go

1012
00:53:24,329 --> 00:53:20,950
back integral double check because I had

1013
00:53:27,930 --> 00:53:24,339

you know I had seen that footage a

1014

00:53:31,079 --> 00:53:27,940

couple of weeks before before this story

1015

00:53:34,890 --> 00:53:31,089

actually yes indeed it

1016

00:53:37,769 --> 00:53:34,900

it had been released previously with it

1017

00:53:40,440 --> 00:53:37,779

without that without the audio part yes

1018

00:53:43,259 --> 00:53:40,450

but right but they have they interviewed

1019

00:53:45,329 --> 00:53:43,269

the the Navy pilot on the on the you

1020

00:53:47,759 --> 00:53:45,339

know on the on the air I don't think

1021

00:53:50,069 --> 00:53:47,769

he's sitting there and met you know I'm

1022

00:53:52,249 --> 00:53:50,079

making and making it up he saw what he

1023

00:53:56,249 --> 00:53:52,259

saw and the equipment photograph for the

1024

00:53:57,719 --> 00:53:56,259

photographs right well we'll just have

1025

00:54:05,130 --> 00:53:57,729

to we'll just have to wait and see if

1026
00:54:07,529 --> 00:54:05,140
any guy is away few days and I know to

1027
00:54:12,660 --> 00:54:07,539
notice that there seemed to be a little

1028
00:54:15,569 --> 00:54:12,670
less of the chuckle factor involved a

1029
00:54:19,890 --> 00:54:15,579
little bit of sneering perhaps now I

1030
00:54:23,579 --> 00:54:19,900
noticed it's kind of like a good cop bad

1031
00:54:26,309 --> 00:54:23,589
cop or a good newsman bad news man where

1032
00:54:28,019 --> 00:54:26,319
they one of the you know the people

1033
00:54:30,989 --> 00:54:28,029
sitting around the desk we're discussing

1034
00:54:33,059 --> 00:54:30,999
this well take it more seriously than

1035
00:54:35,400 --> 00:54:33,069
the other I I wonder if this is taught

1036
00:54:37,979 --> 00:54:35,410
to them in like a media or journalism

1037
00:54:41,729 --> 00:54:37,989
school some of the you know the subjects

1038
00:54:43,589 --> 00:54:41,739

that you can ridicule or or or make fun

1039

00:54:45,630 --> 00:54:43,599

of on the air UFOs must be like a

1040

00:54:47,940 --> 00:54:45,640

separate little packet that they're

1041

00:54:51,719 --> 00:54:47,950

given you know all right well Tim's you

1042

00:54:55,259 --> 00:54:51,729

know I I have been in the you know on

1043

00:54:57,690 --> 00:54:55,269

that side of the camera for a number of

1044

00:55:00,630 --> 00:54:57,700

years and I can tell you I can tell you

1045

00:55:02,789 --> 00:55:00,640

that it's not taught in journalism

1046

00:55:05,249 --> 00:55:02,799

school and one of the reasons that you

1047

00:55:08,729 --> 00:55:05,259

get the giggle factor as they call it is

1048

00:55:11,549 --> 00:55:08,739

because is because of that you know

1049

00:55:13,349 --> 00:55:11,559

these reporters the you know editors I

1050

00:55:18,059 --> 00:55:13,359

mean they have no experience or

1051
00:55:21,509 --> 00:55:18,069
knowledge of UFOs or UFO reports so they

1052
00:55:23,969 --> 00:55:21,519
go for the easiest way out you know the

1053
00:55:26,999 --> 00:55:23,979
lowest common denominator I can't

1054
00:55:28,739 --> 00:55:27,009
believe that you know some of these

1055
00:55:32,009 --> 00:55:28,749
people that are doing the news

1056
00:55:34,229 --> 00:55:32,019
commentary at noon or 6 or 11 p.m.

1057
00:55:37,079 --> 00:55:34,239
haven't read a book on UFOs that can't

1058
00:55:39,749 --> 00:55:37,089
be that they're in most and most of them

1059
00:55:42,599 --> 00:55:39,759
have not most of them are completely

1060
00:55:45,000 --> 00:55:42,609
ignorant of the subject the most the

1061
00:55:47,930 --> 00:55:45,010
posted the most they know

1062
00:55:51,000 --> 00:55:47,940
it is from maybe watching the x-files or

1063
00:55:55,020 --> 00:55:51,010

something along those lines that's why

1064

00:55:57,740 --> 00:55:55,030

you get these really inane stories you

1065

00:56:00,750 --> 00:55:57,750

know put out well I won that one now

1066

00:56:03,420 --> 00:56:00,760

okay at the at the end of the segment

1067

00:56:05,700 --> 00:56:03,430

after they've given the hard facts about

1068

00:56:09,080 --> 00:56:05,710

the particular incident then they make

1069

00:56:12,110 --> 00:56:09,090

their there their joke is that joke

1070

00:56:16,110 --> 00:56:12,120

pre-written by some editor or is that

1071

00:56:18,900 --> 00:56:16,120

improvised yeah a lot of times right at

1072

00:56:20,820 --> 00:56:18,910

the very end it's improvised okay but I

1073

00:56:23,010 --> 00:56:20,830

mean the actual production of the story

1074

00:56:25,980 --> 00:56:23,020

that's why everybody's rights to using

1075

00:56:29,610 --> 00:56:25,990

you know like x-files music you know

1076
00:56:31,740 --> 00:56:29,620
that that tired old trope and you know

1077
00:56:34,560 --> 00:56:31,750
and it's just so yeah it's because they

1078
00:56:38,250 --> 00:56:34,570
have no previous knowledge and so you

1079
00:56:40,680 --> 00:56:38,260
know they react with with comedy they

1080
00:56:43,560 --> 00:56:40,690
they make a joke about it well you know

1081
00:56:45,450 --> 00:56:43,570
I I was kind of surprised that in the

1082
00:56:47,310 --> 00:56:45,460
old days I had my own publicist that

1083
00:56:51,150 --> 00:56:47,320
gentleman by the name of Harold sulk and

1084
00:56:53,760 --> 00:56:51,160
we worked together for many years and he

1085
00:56:55,280 --> 00:56:53,770
would have gotten to me on every TV talk

1086
00:56:58,710 --> 00:56:55,290
show going

1087
00:57:01,980 --> 00:56:58,720
there was a seems to be a lack of a

1088
00:57:05,130 --> 00:57:01,990

connection between the media and and the

1089

00:57:06,720 --> 00:57:05,140

UFO experts if there is such a thing

1090

00:57:09,630 --> 00:57:06,730

yeah you would think that they would

1091

00:57:12,450 --> 00:57:09,640

have been on the news even if only for a

1092

00:57:15,240 --> 00:57:12,460

10 second a clip it doesn't even seem

1093

00:57:17,310 --> 00:57:15,250

like it well it seems like for three or

1094

00:57:18,960 --> 00:57:17,320

four days that the media was using the

1095

00:57:20,700 --> 00:57:18,970

same story over and over and over again

1096

00:57:23,130 --> 00:57:20,710

they didn't even bother to go out and

1097

00:57:29,460 --> 00:57:23,140

get a little bit more of the so-called

1098

00:57:30,990 --> 00:57:29,470

facts enough of our theorizing here let

1099

00:57:34,410 --> 00:57:31,000

us get back to the guests of the evening

1100

00:57:37,290 --> 00:57:34,420

Tim yeah Russ has been patiently waiting

1101

00:57:40,230 --> 00:57:37,300

I know for us to finish a jabbering back

1102

00:57:44,240 --> 00:57:40,240

and forth there but Russ you know you

1103

00:57:48,300 --> 00:57:44,250

had alluded earlier to your own personal

1104

00:57:50,940 --> 00:57:48,310

abduction experiences I mean are are you

1105

00:57:53,970 --> 00:57:50,950

willing to tell us a little bit about

1106

00:57:56,060 --> 00:57:53,980

those yeah if you like you know yeah

1107

00:57:58,590 --> 00:57:56,070

yeah definitely definitely yeah tell us

1108

00:58:01,920 --> 00:57:58,600

willing started then

1109

00:58:03,680 --> 00:58:01,930

things happen when I was a child but you

1110

00:58:06,630 --> 00:58:03,690

know if you if you want to talk about

1111

00:58:09,770 --> 00:58:06,640

remembering things let's talk about the

1112

00:58:14,820 --> 00:58:09,780

things I remember are on a bike I was

1113

00:58:18,660 --> 00:58:14,830

riding after work usually going to see

1114

00:58:21,680 --> 00:58:18,670

somebody and I went down the tunnel

1115

00:58:24,360 --> 00:58:21,690

right yeah and I'm thinking myself

1116

00:58:28,200 --> 00:58:24,370

where's this tunnel come from her you

1117

00:58:30,360 --> 00:58:28,210

know there's no tunnel on this road then

1118

00:58:35,850 --> 00:58:30,370

the next thing I remember I was in a

1119

00:58:40,890 --> 00:58:35,860

circular room and was like people around

1120

00:58:44,790 --> 00:58:40,900

me and I was taught into this okay

1121

00:58:47,640 --> 00:58:44,800

explain it like a chair but like then it

1122

00:58:49,230 --> 00:58:47,650

was suspended but it wasn't like a

1123

00:58:51,840 --> 00:58:49,240

proper chair if you're not I mean I

1124

00:58:55,560 --> 00:58:51,850

can't explain it just felt like I was

1125

00:58:59,010 --> 00:58:55,570

sat in something and I was hanging and

1126
00:59:01,980 --> 00:58:59,020
then be like adopt his chair in a way

1127
00:59:05,760 --> 00:59:01,990
and I had my head put back and had this

1128
00:59:08,820 --> 00:59:05,770
tube put down my throat and I'm trying

1129
00:59:12,630 --> 00:59:08,830
to fight this and I felt something and I

1130
00:59:15,510 --> 00:59:12,640
saw white went numb and then had this L

1131
00:59:21,870 --> 00:59:15,520
me that was part of this tube put on my

1132
00:59:23,940 --> 00:59:21,880
over my head then I was raised and there

1133
00:59:27,750 --> 00:59:23,950
was hundreds of people in the same

1134
00:59:30,180 --> 00:59:27,760
situation suspended in like this chair

1135
00:59:34,880 --> 00:59:30,190
type thing and there's this like I could

1136
00:59:39,510 --> 00:59:34,890
only correct term as likened to a screen

1137
00:59:41,670 --> 00:59:39,520
like a hologram and there was all sorts

1138
00:59:45,180 --> 00:59:41,680

of things being flashed in front of us

1139

00:59:49,470 --> 00:59:45,190

right yeah and there were weaponry and

1140

00:59:55,230 --> 00:59:49,480

how to use weaponry etc and there was

1141

00:59:59,390 --> 00:59:55,240

then different images of races came up

1142

01:00:02,250 --> 00:59:59,400

like alien races and you know and and

1143

01:00:06,060 --> 01:00:02,260

then the next thing I know right yeah

1144

01:00:08,280 --> 01:00:06,070

I'm back coming out of this tunnel right

1145

01:00:11,970 --> 01:00:08,290

yeah but in the opposite direction

1146

01:00:14,370 --> 01:00:11,980

hmm and yet to where well I was

1147

01:00:17,099 --> 01:00:14,380

driving riding in the first place right

1148

01:00:21,210 --> 01:00:17,109

and sort of like him I'm really I'm

1149

01:00:23,010 --> 01:00:21,220

almost falling off my motorbike and sort

1150

01:00:26,160 --> 01:00:23,020

of like having to bring it back up and

1151

01:00:27,270 --> 01:00:26,170

looking around me and thinking you know

1152

01:00:30,569 --> 01:00:27,280

what was that

1153

01:00:32,130 --> 01:00:30,579

so that was one time how old were you

1154

01:00:36,180 --> 01:00:32,140

how old are you when that happened I

1155

01:00:41,819 --> 01:00:36,190

would have been about 20 26 or so

1156

01:00:43,500 --> 01:00:41,829

27 okay then I was a level crossing more

1157

01:00:46,740 --> 01:00:43,510

or less around the same area a place

1158

01:00:48,930 --> 01:00:46,750

called Staton which is over side of

1159

01:00:51,060 --> 01:00:48,940

North Yorkshire and that I came to this

1160

01:00:53,339 --> 01:00:51,070

level crossing these red lights were

1161

01:00:57,540 --> 01:00:53,349

coming down and I stopped

1162

01:01:00,599 --> 01:00:57,550

I was illuminated by the light I looked

1163

01:01:02,849 --> 01:01:00,609

around because I could feel like hate on

1164

01:01:05,010 --> 01:01:02,859

me back a little turn on the phone this

1165

01:01:06,510 --> 01:01:05,020

is a wagon driver there scared a bit too

1166

01:01:07,589 --> 01:01:06,520

close for comfort so I'm looking that

1167

01:01:09,839 --> 01:01:07,599

there's nobody there

1168

01:01:14,520 --> 01:01:09,849

there's nobody at the side of me and

1169

01:01:19,140 --> 01:01:14,530

then I felt like I was floating and then

1170

01:01:22,710 --> 01:01:19,150

the next thing I walk back down on my

1171

01:01:25,050 --> 01:01:22,720

motorbike and the light had gone and

1172

01:01:27,390 --> 01:01:25,060

then the little red lights had sort of

1173

01:01:30,470 --> 01:01:27,400

like gone in front of me and I thought

1174

01:01:34,920 --> 01:01:30,480

ask bizarre I never saw a thing go past

1175

01:01:36,809 --> 01:01:34,930

Canada me journey on this light was

1176

01:01:40,589 --> 01:01:36,819

travelling and I could see it in the

1177

01:01:43,620 --> 01:01:40,599

left hand side in this this valley and

1178

01:01:45,930 --> 01:01:43,630

then sort of like over trees and it was

1179

01:01:48,599 --> 01:01:45,940

silver in color at first and then it

1180

01:01:50,880 --> 01:01:48,609

changed to like just a ball light and

1181

01:01:53,760 --> 01:01:50,890

then it started getting closer towards

1182

01:01:56,010 --> 01:01:53,770

men coming over big trees and what have

1183

01:01:59,400 --> 01:01:56,020

you and then it's shot in front of me

1184

01:02:01,859 --> 01:01:59,410

right in front of the road and saw life

1185

01:02:03,720 --> 01:02:01,869

got to slow down our Tracey from what if

1186

01:02:06,780 --> 01:02:03,730

I'm honest because it was outside of me

1187

01:02:08,970 --> 01:02:06,790

at one point sure and it's like straight

1188

01:02:12,510 --> 01:02:08,980

across the road and up over to a place

1189

01:02:14,640 --> 01:02:12,520

called Halifax so I pulled over where we

1190

01:02:17,520 --> 01:02:14,650

used to do trail bike riding and I

1191

01:02:19,410 --> 01:02:17,530

pulled over and I watched it I even let

1192

01:02:22,079 --> 01:02:19,420

a single penny you know what's this in

1193

01:02:23,819 --> 01:02:22,089

the amazement and I thought right I

1194

01:02:24,220 --> 01:02:23,829

better move myself because I've got work

1195

01:02:28,270 --> 01:02:24,230

then

1196

01:02:31,150 --> 01:02:28,280

today so I get some and phonics a bit

1197

01:02:33,370 --> 01:02:31,160

strange the lights are all off my mum my

1198

01:02:36,460 --> 01:02:33,380

sister and me daddy usually sort of

1199

01:02:39,040 --> 01:02:36,470

light up when I get in causing me doc

1200

01:02:41,230 --> 01:02:39,050

Cain let her out with my beer and I

1201

01:02:42,580 --> 01:02:41,240

thought a better glow a bed now I made a

1202

01:02:44,470 --> 01:02:42,590

coffee I thought I better go up there

1203

01:02:46,690 --> 01:02:44,480

because it's a bit late I'm gonna wake

1204

01:02:49,330 --> 01:02:46,700

everybody up in the house you know so

1205

01:02:52,330 --> 01:02:49,340

the way and walk up by me mum shouting

1206

01:02:54,250 --> 01:02:52,340

rust get up you know you think you're

1207

01:02:57,099 --> 01:02:54,260

getting early when you're working the

1208

01:03:00,160 --> 01:02:57,109

next day what's up you so four all right

1209

01:03:02,290 --> 01:03:00,170

that's a bit old anyway so just to work

1210

01:03:05,530 --> 01:03:02,300

on me more bike walk through the door

1211

01:03:07,000 --> 01:03:05,540

I'm taking me on off and one of the Isis

1212

01:03:09,250 --> 01:03:07,010

came up and she said yeah have you seen

1213

01:03:11,800 --> 01:03:09,260

the off-days roses have you seen yours

1214

01:03:14,430 --> 01:03:11,810

she said no she says seriously she says

1215

01:03:17,320 --> 01:03:14,440

have you ever done it on the Sun bed

1216

01:03:19,540 --> 01:03:17,330

talking about she said look at your face

1217

01:03:21,760 --> 01:03:19,550

in the mirror you know so I went in my

1218

01:03:25,150 --> 01:03:21,770

office had a little mirror sougning and

1219

01:03:29,500 --> 01:03:25,160

I looked and where me after sell me had

1220

01:03:32,710 --> 01:03:29,510

been my face was red raw back in me

1221

01:03:36,330 --> 01:03:32,720

ounce of me neck there for us bliss aha

1222

01:03:38,620 --> 01:03:36,340

anyway you know like you did sunburned

1223

01:03:42,640 --> 01:03:38,630

it looked like so yeah but remember this

1224

01:03:44,230 --> 01:03:42,650

was you know like lire night right you

1225

01:03:46,120 --> 01:03:44,240

know I mean someone could come on from

1226

01:03:49,090 --> 01:03:46,130

I've been to see somebody about doing a

1227

01:03:52,270 --> 01:03:49,100

job on me chopper you see and my

1228

01:03:54,400 --> 01:03:52,280

motorbike nice and he wasn't he wasn't

1229

01:03:57,160 --> 01:03:54,410

there so I came home we were about half

1230

01:03:59,890 --> 01:03:57,170

past 10:00 at night it wasn't in the

1231

01:04:02,380 --> 01:03:59,900

summer it was the back end so I mean it

1232

01:04:05,020 --> 01:04:02,390

wasn't sunburn although I was on a radio

1233

01:04:08,140 --> 01:04:05,030

show and I was assured it was Imus it

1234

01:04:10,930 --> 01:04:08,150

was wind burn sorry Nina he was wind

1235

01:04:15,310 --> 01:04:10,940

burn no it won't we burn so that's

1236

01:04:18,250 --> 01:04:15,320

something else in I was with a friend or

1237

01:04:21,730 --> 01:04:18,260

he was with me on back of my knee more

1238

01:04:26,349 --> 01:04:21,740

bike we'd gone out after work after tea

1239

01:04:28,510 --> 01:04:26,359

and just having a ride around and it was

1240

01:04:30,250 --> 01:04:28,520

telling us the next day about where

1241

01:04:32,380 --> 01:04:30,260

we've been at night and I said well I

1242

01:04:34,840 --> 01:04:32,390

haven't been that way they said how do

1243

01:04:37,150 --> 01:04:34,850

you mean I said to nurses and it's funny

1244

01:04:38,020 --> 01:04:37,160

I said I went down this tunnel and what

1245

01:04:40,060 --> 01:04:38,030

are you talking about

1246

01:04:43,570 --> 01:04:40,070

you fall I said how do you mean I said

1247

01:04:45,370 --> 01:04:43,580

this has not been that way I said no I

1248

01:04:46,960 --> 01:04:45,380

said we didn't go past the Three Nuns I

1249

01:04:50,500 --> 01:04:46,970

said that's miles in the opposite

1250

01:04:53,080 --> 01:04:50,510

direction so a bit of an argument about

1251

01:04:55,060 --> 01:04:53,090

this and he won't speak to us in fact it

1252

01:04:57,460 --> 01:04:55,070

was so bad the next day we'll sort of

1253

01:04:59,500 --> 01:04:57,470

like you're going to earn a meeting it

1254

01:05:02,620 --> 01:04:59,510

won't have a lift on the back of my bag

1255

01:05:05,890 --> 01:05:02,630

because these were off-road right and he

1256

01:05:08,920 --> 01:05:05,900

went on the bus because he said you know

1257

01:05:10,660 --> 01:05:08,930

you're talking stupid now Panda so I

1258

01:05:15,730 --> 01:05:10,670

went past the bus keeping the fingers

1259

01:05:17,230 --> 01:05:15,740

and Wow like everybody's amusement so I

1260

01:05:20,380 --> 01:05:17,240

like keeping me on and give me things

1261

01:05:22,870 --> 01:05:20,390

about of you then we got off the bus and

1262

01:05:25,030 --> 01:05:22,880

so I'm crossing over to this pub and so

1263

01:05:28,870 --> 01:05:25,040

I'm like so took me for a piece back

1264

01:05:30,790 --> 01:05:28,880

side you know sort of like almost and he

1265

01:05:33,010 --> 01:05:30,800

saw like giving me the Lord of abuse

1266

01:05:35,650 --> 01:05:33,020

back in marvya and then they were saying

1267

01:05:39,460 --> 01:05:35,660

oh so beaut oh yeah I know he's talking

1268

01:05:42,100 --> 01:05:39,470

about evil on bike and we went somewhere

1269

01:05:44,260 --> 01:05:42,110

last night and sort of like he said we

1270

01:05:45,460 --> 01:05:44,270

went to where I went another way you

1271

01:05:47,470 --> 01:05:45,470

know and he's talking about going down

1272

01:05:50,140 --> 01:05:47,480

the bloody tunnel whoops going down the

1273

01:05:55,600 --> 01:05:50,150

tunnel so you know so I'm like it was a

1274

01:05:56,980 --> 01:05:55,610

I should know where I rode my bike and

1275

01:06:00,160 --> 01:05:56,990

he said well I was on the back I said

1276

01:06:04,600 --> 01:06:00,170

nowhere so this was going on you know

1277

01:06:07,060 --> 01:06:04,610

then I was coming back we've been out

1278

01:06:10,570 --> 01:06:07,070

we've been out to a big meet you know

1279

01:06:13,090 --> 01:06:10,580

and what have you and the party sort of

1280

01:06:14,430 --> 01:06:13,100

thing and I had to pull over because I

1281

01:06:17,520 --> 01:06:14,440

didn't know where to walk

1282

01:06:21,340 --> 01:06:17,530

Brian yeah the next thing I remember and

1283

01:06:25,680 --> 01:06:21,350

with this military unit of aliens right

1284

01:06:32,410 --> 01:06:25,690

yeah and we're attacking this facility

1285

01:06:36,310 --> 01:06:32,420

right yeah no yeah and so I can you know

1286

01:06:38,170 --> 01:06:36,320

and I pulled over and sort of like I got

1287

01:06:40,000 --> 01:06:38,180

off the bike and sort of like I didn't

1288

01:06:42,670 --> 01:06:40,010

know where to walk and took me element

1289

01:06:48,370 --> 01:06:42,680

off I couldn't breathe hardly what's up

1290

01:06:51,870 --> 01:06:48,380

yeah you know and then you know there's

1291

01:06:54,700 --> 01:06:51,880

other instances where again

1292

01:06:59,080 --> 01:06:54,710

riding and I came across this tunnel

1293

01:07:01,900 --> 01:06:59,090

again then I'm in my bedroom and the

1294

01:07:04,270 --> 01:07:01,910

wall turned black and these like shadows

1295

01:07:08,440 --> 01:07:04,280

walked through and started communicating

1296

01:07:10,780 --> 01:07:08,450

with me at this time I was up in my

1297

01:07:13,450 --> 01:07:10,790

bedroom listening to her music and I'm

1298

01:07:15,970 --> 01:07:13,460

just looking at the wall turning black

1299

01:07:19,930 --> 01:07:15,980

and these things come in from my sister

1300

01:07:23,230 --> 01:07:19,940

had gone to the toilet upstairs and she

1301
01:07:25,570 --> 01:07:23,240
could hear me talking to somebody she

1302
01:07:29,440 --> 01:07:25,580
fell you know and the door was ajar

1303
01:07:32,530 --> 01:07:29,450
soething and sort of like that walked

1304
01:07:35,800 --> 01:07:32,540
away and the paul these images in my

1305
01:07:38,170 --> 01:07:35,810
head were telling me things and then I

1306
01:07:42,790 --> 01:07:38,180
started being out I started really being

1307
01:07:45,670 --> 01:07:42,800
know that night and I was taken to

1308
01:07:47,560 --> 01:07:45,680
hospital within a few days hmm

1309
01:07:50,680 --> 01:07:47,570
Oh what what were they what were they

1310
01:07:53,140 --> 01:07:50,690
saying to you he said they communicated

1311
01:07:57,640 --> 01:07:53,150
with you do remember did yeah yeah there

1312
01:08:00,130 --> 01:07:57,650
was communicating in the same way as you

1313
01:08:01,840 --> 01:08:00,140

know when I first seen this screen and a

1314

01:08:04,270 --> 01:08:01,850

solid ground and they were sawing me

1315

01:08:06,100 --> 01:08:04,280

images and there was sound sound like

1316

01:08:08,670 --> 01:08:06,110

different to the images if you know I

1317

01:08:12,940 --> 01:08:08,680

mean when one of them came up to me and

1318

01:08:15,670 --> 01:08:12,950

he told me something right yeah and then

1319

01:08:17,200 --> 01:08:15,680

when my sister walk you know coming up

1320

01:08:19,690 --> 01:08:17,210

the steps in my view to the bathroom

1321

01:08:21,849 --> 01:08:19,700

these things just basically about turned

1322

01:08:25,920 --> 01:08:21,859

and walked through this black wall and

1323

01:08:28,390 --> 01:08:25,930

back out and I'm telling you sister oh

1324

01:08:30,610 --> 01:08:28,400

you talking then look you know

1325

01:08:33,039 --> 01:08:30,620

well she said there's nobody there and

1326

01:08:34,300 --> 01:08:33,049

she went down and that you know I saw

1327

01:08:37,150 --> 01:08:34,310

why that's when she was saying I think

1328

01:08:40,030 --> 01:08:37,160

there's a problem by but he's talking to

1329

01:08:41,950 --> 01:08:40,040

and we had the out sort of like blessed

1330

01:08:43,870 --> 01:08:41,960

and everything is this guy came on his

1331

01:08:46,780 --> 01:08:43,880

spiritualist and he blessed the outs

1332

01:08:51,190 --> 01:08:46,790

every room with in my view and then you

1333

01:08:54,220 --> 01:08:51,200

know saw what kind of occasions again

1334

01:08:56,920 --> 01:08:54,230

where my girlfriend saw me being taken

1335

01:08:59,079 --> 01:08:56,930

by one of these things in the cemetery

1336

01:09:02,860 --> 01:08:59,089

with three of her friends right yeah

1337

01:09:04,519 --> 01:09:02,870

right see are we all right for time I'm

1338

01:09:08,089 --> 01:09:04,529

just looking to

1339

01:09:09,620 --> 01:09:08,099

all right for time you and I said we

1340

01:09:11,870 --> 01:09:09,630

better get out of here because I could

1341

01:09:14,660 --> 01:09:11,880

see these shovels on this we're a

1342

01:09:17,959 --> 01:09:14,670

massive 15-foot wall around the cemetery

1343

01:09:18,829 --> 01:09:17,969

and so look I could see the shadow let's

1344

01:09:21,950 --> 01:09:18,839

get out of here

1345

01:09:24,709 --> 01:09:21,960

last blast one backer says to crickey

1346

01:09:27,829 --> 01:09:24,719

Club ass to pay for rounds you know John

1347

01:09:29,809 --> 01:09:27,839

him and pretending her room and so they

1348

01:09:31,760 --> 01:09:29,819

run in front she stopped and she looked

1349

01:09:34,029 --> 01:09:31,770

around and she said this thing took me

1350

01:09:37,370 --> 01:09:34,039

it disappeared in front of her eyes

1351

01:09:39,979 --> 01:09:37,380

Wow all right well we're gonna have to

1352

01:09:42,829 --> 01:09:39,989

stop right here because we have to go to

1353

01:09:44,149 --> 01:09:42,839

our bottom of the hour break rest so

1354

01:09:47,990 --> 01:09:44,159

when we come back we'll continue our

1355

01:09:51,200 --> 01:09:48,000

conversation with Russ and viola right

1356

01:09:59,030 --> 01:09:51,210

here on exploring the bizarre so stay

1357

01:10:05,760 --> 01:10:03,180

now back to exploring the bazaar with

1358

01:10:08,760 --> 01:10:05,770

two of the most electrifying researchers

1359

01:10:15,090 --> 01:10:08,770

in the Paranoid your hosts Timothy

1360

01:10:17,720 --> 01:10:15,100

beckylyn and Taylor Swift's alright

1361

01:10:22,490 --> 01:10:17,730

welcome back to exploring the bazaar and

1362

01:10:24,300 --> 01:10:22,500

I want to ask a flora Violetta a

1363

01:10:27,780 --> 01:10:24,310

question

1364

01:10:31,950 --> 01:10:27,790

Florie in the previous segment you

1365

01:10:35,670 --> 01:10:31,960

talked about how you and your son were

1366

01:10:38,370 --> 01:10:35,680

at your friend's house and he had to go

1367

01:10:40,290 --> 01:10:38,380

outside because he was scared by but

1368

01:10:44,250 --> 01:10:40,300

basically sounds like poltergeist

1369

01:10:48,110 --> 01:10:44,260

activity and you know I don't know if

1370

01:10:52,730 --> 01:10:48,120

you you realize but a lot of times

1371

01:10:59,220 --> 01:10:52,740

poltergeist activity and UFO sightings

1372

01:11:01,130 --> 01:10:59,230

go hand in hand so had this activity

1373

01:11:06,320 --> 01:11:01,140

been going on in your friend's house

1374

01:11:11,520 --> 01:11:06,330

before 2016 when you would you two first

1375

01:11:12,030 --> 01:11:11,530

you know Sawyer your first UFO or did it

1376

01:11:15,720 --> 01:11:12,040

start

1377

01:11:17,990 --> 01:11:15,730

afterwards it had been going on for

1378

01:11:23,640 --> 01:11:18,000

quite some time before I met her in

1379

01:11:27,390 --> 01:11:23,650

about 2007 2008 and yeah it was nothing

1380

01:11:29,790 --> 01:11:27,400

new to her house so when that happened I

1381

01:11:32,310 --> 01:11:29,800

kind of tried to reassure my son that

1382

01:11:34,110 --> 01:11:32,320

everything was going to be okay because

1383

01:11:36,600 --> 01:11:34,120

stuff like that would happen from time

1384

01:11:38,850 --> 01:11:36,610

to time and I wasn't aware of the

1385

01:11:41,850 --> 01:11:38,860

connection between those types of

1386

01:11:43,470 --> 01:11:41,860

occurrences and UFO activity until you

1387

01:11:46,950 --> 01:11:43,480

know in the past couple of years when

1388

01:11:51,090 --> 01:11:46,960

you know since the UFO activity began

1389

01:11:53,850 --> 01:11:51,100

for us and yeah so it's pretty

1390

01:11:56,310 --> 01:11:53,860

interesting the link there well do you

1391

01:11:59,190 --> 01:11:56,320

do you think that I mean you've had all

1392

01:12:01,800 --> 01:11:59,200

these repeated experiences do you think

1393

01:12:04,440 --> 01:12:01,810

that they and again I use that in quote

1394

01:12:07,040 --> 01:12:04,450

marks whoever they may be are aware of

1395

01:12:11,040 --> 01:12:07,050

your presence

1396

01:12:14,609 --> 01:12:11,050

sometimes yes it seems that at times

1397

01:12:18,330 --> 01:12:14,619

these these strange lights can be

1398

01:12:21,450 --> 01:12:18,340

interactive so yeah I I definitely do

1399

01:12:25,530 --> 01:12:21,460

believe on a wholly personal level that

1400

01:12:29,490 --> 01:12:25,540

they that they are aware of me and

1401
01:12:32,939 --> 01:12:29,500
whoever else there that they that might

1402
01:12:36,990 --> 01:12:32,949
be aware of them well I'm wondering is

1403
01:12:41,280 --> 01:12:37,000
it because that you've given them some

1404
01:12:44,819 --> 01:12:41,290
attention of and have acknowledge their

1405
01:12:49,020 --> 01:12:44,829
existence where other people might not

1406
01:12:53,750 --> 01:12:49,030
or is there something about the the area

1407
01:12:55,979 --> 01:12:53,760
in which you reside or is it you

1408
01:12:59,430 --> 01:12:55,989
that's something I'm trying to figure

1409
01:13:01,410 --> 01:12:59,440
out still to this day I considered all

1410
01:13:03,959 --> 01:13:01,420
three possibilities but I really feel

1411
01:13:06,839 --> 01:13:03,969
like if people you know wake up a little

1412
01:13:08,850 --> 01:13:06,849
bit and pay attention to what's going on

1413
01:13:10,740 --> 01:13:08,860

around them pay attention to their

1414

01:13:12,479 --> 01:13:10,750

surroundings that they might actually

1415

01:13:16,319 --> 01:13:12,489

discover for themselves that there's a

1416

01:13:20,100 --> 01:13:16,329

little bit more out there than now if

1417

01:13:22,800 --> 01:13:20,110

you say if you think about this and that

1418

01:13:24,750 --> 01:13:22,810

there were other other people there I

1419

01:13:26,609 --> 01:13:24,760

mean there never been more than a

1420

01:13:30,330 --> 01:13:26,619

handful of people there or three or four

1421

01:13:33,859 --> 01:13:30,340

people the most correct yeah all right

1422

01:13:36,930 --> 01:13:33,869

well suppose you had a larger group

1423

01:13:40,470 --> 01:13:36,940

could use some in them I mean can you

1424

01:13:42,810 --> 01:13:40,480

say holy hell as you know come down and

1425

01:13:44,879 --> 01:13:42,820

appear for me at such-and-such a time I

1426

01:13:47,280 --> 01:13:44,889

mean have you ever tried doing that I've

1427

01:13:51,209 --> 01:13:47,290

tried to reach out to other people in

1428

01:13:54,020 --> 01:13:51,219

Virginia that have experienced UFO

1429

01:13:57,450 --> 01:13:54,030

activity and other activity kind of

1430

01:14:00,209 --> 01:13:57,460

around this area and I've been able to

1431

01:14:02,370 --> 01:14:00,219

connect with an awesome UFO group the

1432

01:14:04,950 --> 01:14:02,380

UFO Club of Virginia based out of

1433

01:14:06,569 --> 01:14:04,960

Virginia Beach just like a unit front

1434

01:14:09,209 --> 01:14:06,579

yeah I I know they've had some sightings

1435

01:14:13,020 --> 01:14:09,219

of Virginia Beach over the last a couple

1436

01:14:16,500 --> 01:14:13,030

of years I think I've even seen a video

1437

01:14:18,810 --> 01:14:16,510

or so on YouTube yeah yeah it's it's an

1438

01:14:19,770 --> 01:14:18,820

amazing group and I'm really lucky to

1439

01:14:21,600 --> 01:14:19,780

have

1440

01:14:23,520 --> 01:14:21,610

been able to become a part of their

1441

01:14:27,090 --> 01:14:23,530

group and been in touch with them

1442

01:14:29,120 --> 01:14:27,100

because really in Virginia at least

1443

01:14:31,290 --> 01:14:29,130

there there are not many people that are

1444

01:14:33,870 --> 01:14:31,300

open to coming forward with their

1445

01:14:37,320 --> 01:14:33,880

experiences so it's been a great a great

1446

01:14:39,870 --> 01:14:37,330

support system now but what I'm trying

1447

01:14:44,370 --> 01:14:39,880

to get at could do you think that you

1448

01:14:46,470 --> 01:14:44,380

could summon the these these objects I

1449

01:14:49,830 --> 01:14:46,480

mean to appear is there any way of

1450

01:14:52,709 --> 01:14:49,840

communicating with them more directly um

1451

01:14:55,740 --> 01:14:52,719

like I said I in my experience they've

1452

01:14:57,540 --> 01:14:55,750

been a little bit interactive especially

1453

01:15:00,060 --> 01:14:57,550

the balls of light that tend to come

1454

01:15:04,200 --> 01:15:00,070

closer to the ground you know a little

1455

01:15:07,260 --> 01:15:04,210

bit lower than the sky itself but you

1456

01:15:11,430 --> 01:15:07,270

know I haven't actually tried a group of

1457

01:15:13,860 --> 01:15:11,440

us at summoning them you know sort of

1458

01:15:16,560 --> 01:15:13,870

speak so you know that's I guess gets to

1459

01:15:18,840 --> 01:15:16,570

be answered well okay well what what

1460

01:15:20,189 --> 01:15:18,850

about have you ever you know had an

1461

01:15:21,780 --> 01:15:20,199

instance where you say you've been in

1462

01:15:23,640 --> 01:15:21,790

the house and you're like you know we

1463

01:15:24,870 --> 01:15:23,650

need to go outside right now because I

1464

01:15:27,570 --> 01:15:24,880

have the feeling something's going to

1465

01:15:29,520 --> 01:15:27,580

happen and then it does yeah absolutely

1466

01:15:32,970 --> 01:15:29,530

that's happened and stuff has happened

1467

01:15:37,320 --> 01:15:32,980

but in those cases it's either myself

1468

01:15:39,900 --> 01:15:37,330

alone or my best friend and I and you

1469

01:15:41,490 --> 01:15:39,910

know it's not it's it's it's just

1470

01:15:43,890 --> 01:15:41,500

something that happens as it happens

1471

01:15:46,320 --> 01:15:43,900

it's not anything that where we've have

1472

01:15:48,920 --> 01:15:46,330

a large group of people that have been

1473

01:15:51,689 --> 01:15:48,930

willing to try to try and participate

1474

01:15:56,060 --> 01:15:51,699

it's really hard to find people I guess

1475

01:15:59,220 --> 01:15:56,070

in in my area at least where you know it

1476

01:16:01,350 --> 01:15:59,230

this shared common interest has brought

1477

01:16:03,240 --> 01:16:01,360

us together you know we're able to go

1478

01:16:05,250 --> 01:16:03,250

out on you know such a given night like

1479

01:16:07,110 --> 01:16:05,260

that where we feel like something's

1480

01:16:08,729 --> 01:16:07,120

gonna happen but yes that that has

1481

01:16:10,830 --> 01:16:08,739

happened where you know we've had a

1482

01:16:15,030 --> 01:16:10,840

feeling we've gone outside stuff has

1483

01:16:18,990 --> 01:16:15,040

happened well you know our our friend in

1484

01:16:23,820 --> 01:16:19,000

Tucson Allen Benz has the world UFO

1485

01:16:25,950 --> 01:16:23,830

group in every year I think well I don't

1486

01:16:27,959 --> 01:16:25,960

know if it's exactly on June 24th the

1487

01:16:30,450 --> 01:16:27,969

anniversary of Kenneth Arnold's sighting

1488

01:16:33,510 --> 01:16:30,460

or not but around that time they usually

1489

01:16:36,780 --> 01:16:33,520

have a worldwide UFO sky

1490

01:16:41,730 --> 01:16:36,790

watch maybe next year we can all

1491

01:16:45,180 --> 01:16:41,740

participate and and see if we can get

1492

01:16:47,970 --> 01:16:45,190

some acknowledgment I mean you would

1493

01:16:53,250 --> 01:16:47,980

think it him that it at some point here

1494

01:16:56,220 --> 01:16:53,260

I mean we have had thousands tens of

1495

01:16:59,010 --> 01:16:56,230

thousands of sightings of something

1496

01:17:03,410 --> 01:16:59,020

strange in the sky on the ground in your

1497

01:17:07,710 --> 01:17:03,420

home all around us that at some point

1498

01:17:11,100 --> 01:17:07,720

they would want to make contact with

1499

01:17:14,940 --> 01:17:11,110

more than just one or two individuals I

1500

01:17:19,430 --> 01:17:14,950

mean is is there no ultimate goal here

1501

01:17:20,930 --> 01:17:19,440

or yeah yeah see I I think your

1502

01:17:24,300 --> 01:17:20,940

anthropomorphizing

1503

01:17:28,230 --> 01:17:24,310

the the phenomena you know I mean you're

1504

01:17:32,430 --> 01:17:28,240

you're thinking like a human and you

1505

01:17:34,080 --> 01:17:32,440

know I you know myself I think that you

1506

01:17:37,560 --> 01:17:34,090

know we're dealing with something that's

1507

01:17:43,230 --> 01:17:37,570

completely you know outside of our range

1508

01:17:47,820 --> 01:17:43,240

of understanding that a whatever it is

1509

01:17:51,090 --> 01:17:47,830

it has the ability to make itself

1510

01:17:54,750 --> 01:17:51,100

apparent in ways that are understandable

1511

01:17:56,640 --> 01:17:54,760

to us but ultimately whatever it is

1512

01:18:00,060 --> 01:17:56,650

whatever the intelligence is that's

1513

01:18:00,920 --> 01:18:00,070

behind it is completely beyond our

1514

01:18:04,740 --> 01:18:00,930

understanding

1515

01:18:06,510 --> 01:18:04,750

well rust you you've had that closer you

1516

01:18:09,360 --> 01:18:06,520

know and count more than closing a

1517

01:18:12,510 --> 01:18:09,370

really close encounters do you see some

1518

01:18:14,790 --> 01:18:12,520

ultimate the gold here I mean is there

1519

01:18:16,410 --> 01:18:14,800

anything that you've experienced that

1520

01:18:19,620 --> 01:18:16,420

would lead us to believe that there

1521

01:18:22,260 --> 01:18:19,630

might be a final outcome to all of this

1522

01:18:22,740 --> 01:18:22,270

oh hell yeah the government know all

1523

01:18:27,660 --> 01:18:22,750

about it

1524

01:18:31,290 --> 01:18:27,670

you know they've definitely got to know

1525

01:18:34,350 --> 01:18:31,300

about I mean these things invading not

1526

01:18:37,980 --> 01:18:34,360

only bit our airspace these things are

1527

01:18:41,100 --> 01:18:37,990

actually landing like I said the unit

1528

01:18:45,660 --> 01:18:41,110

this alien unit I know for certain have

1529

01:18:47,310 --> 01:18:45,670

seen them you know as well on TV wearing

1530

01:18:50,520 --> 01:18:47,320

sneakybeeky gear

1531

01:18:53,310 --> 01:18:50,530

you know Oh who's gonna know exactly who

1532

01:18:55,350 --> 01:18:53,320

they are you know sort of like when

1533

01:18:58,950 --> 01:18:55,360

they're already sneaky be a be kinky

1534

01:19:01,080 --> 01:18:58,960

like special forces and the turn up you

1535

01:19:04,110 --> 01:19:01,090

know and you just know there's something

1536

01:19:06,420 --> 01:19:04,120

going on more than what people say you

1537

01:19:08,460 --> 01:19:06,430

know you can't rely on the news anymore

1538

01:19:10,440 --> 01:19:08,470

to tell you anything to be quite honest

1539

01:19:12,480 --> 01:19:10,450

you know if somebody from the government

1540

01:19:17,490 --> 01:19:12,490

tells you something you know just take

1541

01:19:20,270 --> 01:19:17,500

it as read you know it is a case of yeah

1542

01:19:24,330 --> 01:19:20,280

read it and leave it you know some like

1543

01:19:27,090 --> 01:19:24,340

politicians and you know it's just one

1544

01:19:29,760 --> 01:19:27,100

of these things where you know I know in

1545

01:19:32,220 --> 01:19:29,770

my own mind what's happened to me I've

1546

01:19:34,980 --> 01:19:32,230

lost friends through all this you know

1547

01:19:37,200 --> 01:19:34,990

you're talking about earlier and can you

1548

01:19:39,690 --> 01:19:37,210

call these things these things are

1549

01:19:42,570 --> 01:19:39,700

around me all the time I've moved 80

1550

01:19:45,920 --> 01:19:42,580

miles away to live on the coast I go out

1551

01:19:48,510 --> 01:19:45,930

if I take me video camera there about

1552

01:19:51,660 --> 01:19:48,520

you can see on my footage there around

1553

01:19:54,630 --> 01:19:51,670

me and as for calling them you know you

1554

01:19:57,360 --> 01:19:54,640

I don't want to bring them down I don't

1555

01:20:00,930 --> 01:19:57,370

want them to come believe me I'm not

1556

01:20:02,520 --> 01:20:00,940

particularly happy with what happens to

1557

01:20:04,590 --> 01:20:02,530

be put in a military unit with these

1558

01:20:06,900 --> 01:20:04,600

with these creatures and have to do

1559

01:20:07,230 --> 01:20:06,910

their bidding you know they're up to no

1560

01:20:13,530 --> 01:20:07,240

good

1561

01:20:16,530 --> 01:20:13,540

think that they are all of the same

1562

01:20:19,830 --> 01:20:16,540

source I mean when you say they were up

1563

01:20:22,770 --> 01:20:19,840

to no good I mean are there no and a

1564

01:20:24,900 --> 01:20:22,780

positive well and say aliens I call

1565

01:20:28,680 --> 01:20:24,910

alter terrestrials but are there no

1566

01:20:32,520 --> 01:20:28,690

positive groups there well yes oppose

1567

01:20:35,400 --> 01:20:32,530

the ones that define you know and you

1568

01:20:39,660 --> 01:20:35,410

know it's a case of there's so many I

1569

01:20:41,640 --> 01:20:39,670

mean the targets that we get you know

1570

01:20:43,860 --> 01:20:41,650

sort of like in the locations that where

1571

01:20:47,310 --> 01:20:43,870

we've been taken you know there's so

1572

01:20:51,480 --> 01:20:47,320

many different and you could say armies

1573

01:20:53,460 --> 01:20:51,490

are fighting my unit and and also on

1574

01:20:56,670 --> 01:20:53,470

this planet as well not only over

1575

01:20:58,110 --> 01:20:56,680

planets but on this planet you know and

1576

01:21:00,100 --> 01:20:58,120

you're not going you're not going to

1577

01:21:01,960 --> 01:21:00,110

read about this in the paper

1578

01:21:05,850 --> 01:21:01,970

you know i mean i can remember when i

1579

01:21:08,590 --> 01:21:05,860

when i told somebody about my story and

1580

01:21:11,410 --> 01:21:08,600

you know showed video they're interested

1581

01:21:12,790 --> 01:21:11,420

in me videos for a magazine yeah but

1582

01:21:14,590 --> 01:21:12,800

there wasn't interested in me talking

1583

01:21:17,020 --> 01:21:14,600

about being part of a unit and me

1584

01:21:21,790 --> 01:21:17,030

drawings and pictures you know sort of

1585

01:21:24,340 --> 01:21:21,800

like of our clove what cloves often we

1586

01:21:26,730 --> 01:21:24,350

where there's insignia all these sort of

1587

01:21:30,040 --> 01:21:26,740

things so your your bet you're basically

1588

01:21:33,750 --> 01:21:30,050

living well it's almost like a philip k

1589

01:21:36,670 --> 01:21:33,760

dick existence in two different realms

1590

01:21:39,820 --> 01:21:36,680

exactly yeah and this is why a this is

1591

01:21:42,520 --> 01:21:39,830

my me medical reports show me the doctor

1592

01:21:45,250 --> 01:21:42,530

you know i've got me files ear and we're

1593

01:21:48,400 --> 01:21:45,260

past why does the doctor said you know

1594

01:21:50,920 --> 01:21:48,410

and he says clearly there you know mr.

1595

01:21:52,840 --> 01:21:50,930

Kelly he's in a UFO group why would they

1596

01:21:56,860 --> 01:21:52,850

want to put mr. Kelly he's in a UFO

1597

01:21:59,560 --> 01:21:56,870

group you know what I mean an officer in

1598

01:22:01,780 --> 01:21:59,570

the Middle East in in the goal I know

1599

01:22:04,000 --> 01:22:01,790

for certain there was extraterrestrials

1600

01:22:07,470 --> 01:22:04,010

fighting I know that it's a number of

1601
01:22:11,350 --> 01:22:07,480
craft that had been shot down you know

1602
01:22:14,680 --> 01:22:11,360
an officer and we was over there my

1603
01:22:16,720 --> 01:22:14,690
Union was over there you know what was

1604
01:22:18,040 --> 01:22:16,730
it all about and I can tell you now

1605
01:22:19,660 --> 01:22:18,050
there's there's something what they're

1606
01:22:22,720 --> 01:22:19,670
looking for is some technology what

1607
01:22:25,660 --> 01:22:22,730
they're looking for right yeah some

1608
01:22:29,310 --> 01:22:25,670
ultimate technology because a lot of the

1609
01:22:33,550 --> 01:22:29,320
sides including you know our own

1610
01:22:36,850 --> 01:22:33,560
government have got some of the actual

1611
01:22:39,220 --> 01:22:36,860
technology but not all of it and I think

1612
01:22:41,830 --> 01:22:39,230
that they're looking for some technology

1613
01:22:44,140 --> 01:22:41,840

some lost technology as well for the

1614

01:22:45,100 --> 01:22:44,150

ultimate you know saw like kawase will

1615

01:22:47,830 --> 01:22:45,110

probably win

1616

01:22:50,580 --> 01:22:47,840

oh yeah well there there were rumors

1617

01:22:54,580 --> 01:22:50,590

going around you know like during the

1618

01:22:56,290 --> 01:22:54,590

first and and second Gulf Wars that the

1619

01:22:58,810 --> 01:22:56,300

whole reason that that was going on the

1620

01:23:00,520 --> 01:22:58,820

invasion of Iraq was that the United

1621

01:23:02,140 --> 01:23:00,530

States government was looking for some

1622

01:23:05,800 --> 01:23:02,150

kind of ancient technology

1623

01:23:08,410 --> 01:23:05,810

oh there's no doubt you know and the

1624

01:23:10,990 --> 01:23:08,420

thing is some of the technology what

1625

01:23:13,870 --> 01:23:11,000

I've seen what we've used them myself

1626

01:23:15,910 --> 01:23:13,880

you know you will call it magic

1627

01:23:17,590 --> 01:23:15,920

then again the weaponry isn't magic

1628

01:23:21,189 --> 01:23:17,600

having said that I mean the weapons lock

1629

01:23:23,590 --> 01:23:21,199

wheels like a cell abused have been

1630

01:23:24,100 --> 01:23:23,600

solved like sound weapons I have seen as

1631

01:23:26,620 --> 01:23:24,110

yours

1632

01:23:29,830 --> 01:23:26,630

our so-called modern technology as well

1633

01:23:35,229 --> 01:23:29,840

para bellum rounds you know machine

1634

01:23:38,709 --> 01:23:35,239

pistols etc for I've also seen something

1635

01:23:42,820 --> 01:23:38,719

very spooky in the room what I was in

1636

01:23:46,180 --> 01:23:42,830

weathers like what you call it a pillory

1637

01:23:48,910 --> 01:23:46,190

each side with these knobs but these

1638

01:23:52,120 --> 01:23:48,920

like plasma balls and being in the

1639

01:23:55,419 --> 01:23:52,130

middle touching these in his checkered

1640

01:23:58,590 --> 01:23:55,429

board room with all these like what you

1641

01:24:03,459 --> 01:23:58,600

could only describe was like night bike

1642

01:24:08,620 --> 01:24:03,469

all night you know but I have traveled

1643

01:24:11,530 --> 01:24:08,630

with these light all these plasma type

1644

01:24:13,979 --> 01:24:11,540

craft I won't say too much because I'm

1645

01:24:16,689 --> 01:24:13,989

almost waiting for the person to tell me

1646

01:24:18,820 --> 01:24:16,699

don't always think he's flying saucers

1647

01:24:21,250 --> 01:24:18,830

you know and sort of like flying

1648

01:24:22,629 --> 01:24:21,260

triangles also although our video flying

1649

01:24:25,810 --> 01:24:22,639

triangles come out of the sea where

1650

01:24:28,030 --> 01:24:25,820

where Olivia Omaha view and but you know

1651

01:24:30,700 --> 01:24:28,040

it's a case of it's not always what

1652

01:24:33,160 --> 01:24:30,710

people think you know and I'm always

1653

01:24:36,100 --> 01:24:33,170

listening now you know I'm almost

1654

01:24:39,340 --> 01:24:36,110

listening out just to see if there's

1655

01:24:41,280 --> 01:24:39,350

anybody I've been told by little people

1656

01:24:46,300 --> 01:24:41,290

that yeah they're in the same unit

1657

01:24:48,310 --> 01:24:46,310

there's myself you know now they were

1658

01:24:49,899 --> 01:24:48,320

able to go ahead to him I'm sorry no I

1659

01:24:51,520 --> 01:24:49,909

was just gonna say yeah there're a

1660

01:24:55,629 --> 01:24:51,530

couple incidents where you say they've

1661

01:25:00,610 --> 01:24:55,639

actually been skirmishes between the

1662

01:25:03,760 --> 01:25:00,620

military and and and these objects I

1663

01:25:07,770 --> 01:25:03,770

know once quite a number of years ago

1664

01:25:11,200 --> 01:25:07,780

right now and when I was talking to

1665

01:25:12,669 --> 01:25:11,210

somebody in Special Air Service and they

1666

01:25:14,979 --> 01:25:12,679

always used to take the Mickey I used to

1667

01:25:18,340 --> 01:25:14,989

make military equipment right yeah I

1668

01:25:22,300 --> 01:25:18,350

used to have a shop etc and don't do a

1669

01:25:24,910 --> 01:25:22,310

lot of pain Bali and you know sort of

1670

01:25:27,930 --> 01:25:24,920

like one of the guys turn around and

1671

01:25:31,979 --> 01:25:27,940

they said that the Devine in Ireland

1672

01:25:38,189 --> 01:25:31,989

where they've actually had contact with

1673

01:25:43,800 --> 01:25:38,199

a Crafton aliens now Thursday I notice

1674

01:25:45,689 --> 01:25:43,810

here on Amazon there is a book and now

1675

01:25:49,290 --> 01:25:45,699

you didn't write it yourself but I guess

1676

01:25:54,090 --> 01:25:49,300

it it includes a lot of your information

1677

01:25:56,729 --> 01:25:54,100

and material by Stephen Lumley that's

1678

01:25:58,709 --> 01:25:56,739

right yeah yeah yeah I we didn't we

1679

01:26:02,360 --> 01:25:58,719

didn't mention that it's the the Brian

1680

01:26:04,709 --> 01:26:02,370

Mountain incident that's right yeah

1681

01:26:08,670 --> 01:26:04,719

well I've got a book file to be quite

1682

01:26:12,800 --> 01:26:08,680

honest it there's so much of it from the

1683

01:26:17,340 --> 01:26:12,810

actual night from the Constabulary and

1684

01:26:19,290 --> 01:26:17,350

the there you call incident reports and

1685

01:26:21,870 --> 01:26:19,300

there's all the people's names

1686

01:26:24,450 --> 01:26:21,880

telephone numbers and everything in

1687

01:26:28,410 --> 01:26:24,460

those reports in in those files I should

1688

01:26:30,750 --> 01:26:28,420

say and I actually went I've met people

1689

01:26:32,880 --> 01:26:30,760

that was there on the night these five

1690

01:26:35,970 --> 01:26:32,890

gentleman that was there I met a couple

1691

01:26:38,790 --> 01:26:35,980

of them because they're all passed over

1692

01:26:42,920 --> 01:26:38,800

the years have passed away you know you

1693

01:26:46,140 --> 01:26:42,930

know it's just one of these things but

1694

01:26:48,510 --> 01:26:46,150

the telephone conversation I had with a

1695

01:26:51,450 --> 01:26:48,520

sergeant who said had been there for

1696

01:26:53,880 --> 01:26:51,460

quite some time before the incident and

1697

01:26:57,540 --> 01:26:53,890

quite some time after and there was

1698

01:27:00,240 --> 01:26:57,550

actually excavating the area and it

1699

01:27:03,630 --> 01:27:00,250

didn't it wasn't to do with UFOs or

1700

01:27:05,160 --> 01:27:03,640

aliens that they were doing but this is

1701

01:27:09,959 --> 01:27:05,170

when it all happened the old sort of

1702

01:27:12,150 --> 01:27:09,969

white kicked off if you like so you know

1703

01:27:14,790 --> 01:27:12,160

and then he went cold because the phone

1704

01:27:17,850 --> 01:27:14,800

kept on cutting off every time he ran

1705

01:27:21,120 --> 01:27:17,860

and he said I don't like this but I've

1706

01:27:22,830 --> 01:27:21,130

got the actual tapes of the sides of

1707

01:27:25,650 --> 01:27:22,840

talking about all this that was going on

1708

01:27:28,320 --> 01:27:25,660

there's a lot people that I spoke to

1709

01:27:33,780 --> 01:27:28,330

witnesses that said the military landed

1710

01:27:36,930 --> 01:27:33,790

a helicopter landed just unbelievable

1711

01:27:38,910 --> 01:27:36,940

what actually happened but I've been

1712

01:27:41,460 --> 01:27:38,920

censored every time I've been talking

1713

01:27:44,940 --> 01:27:41,470

about it people ring in and as a

1714

01:27:47,580 --> 01:27:44,950

males going Mohave you know I've been

1715

01:27:51,540 --> 01:27:47,590

blocked over the past couple year by

1716

01:27:53,130 --> 01:27:51,550

certain people from even talking so this

1717

01:27:57,600 --> 01:27:53,140

is why you won't see me talking on any

1718

01:28:01,020 --> 01:27:57,610

podiums or anything now who exactly had

1719

01:28:03,870 --> 01:28:01,030

blocked you from talking well let's put

1720

01:28:05,940 --> 01:28:03,880

this way when the documentary makers

1721

01:28:09,600 --> 01:28:05,950

have been in contact in the same yet we

1722

01:28:12,180 --> 01:28:09,610

wanting you to come on and on the show

1723

01:28:16,500 --> 01:28:12,190

and talk about your story in about the

1724

01:28:18,960 --> 01:28:16,510

berry mountains and my video footage etc

1725

01:28:22,290 --> 01:28:18,970

all of a sudden right yeah

1726

01:28:25,380 --> 01:28:22,300

it stops it ends and I spoke to her

1727

01:28:28,230 --> 01:28:25,390

amateur and he says don't repeat this

1728

01:28:30,240 --> 01:28:28,240

and do not tip me I'm telling you now

1729

01:28:32,700 --> 01:28:30,250

and he said he's named he said you

1730

01:28:35,220 --> 01:28:32,710

cannot use this he said but there's

1731

01:28:40,440 --> 01:28:35,230

somebody is said always blocking you

1732

01:28:41,160 --> 01:28:40,450

that every verse end right yeah this one

1733

01:28:44,850 --> 01:28:41,170

person

1734

01:28:52,140 --> 01:28:44,860

he's got clout and he's blocking you at

1735

01:28:55,050 --> 01:28:52,150

every verse end right yeah well what why

1736

01:28:58,890 --> 01:28:55,060

would anybody if I'm talking nonsense if

1737

01:29:01,530 --> 01:28:58,900

all this is BS right yeah let me make a

1738

01:29:04,290 --> 01:29:01,540

fool of yourself but I'm coming out and

1739

01:29:06,330 --> 01:29:04,300

talking about weaponry about uniforms

1740

01:29:08,760 --> 01:29:06,340

about insignia what we were and what the

1741

01:29:11,970 --> 01:29:08,770

alien eunuchs were where we've been I

1742

01:29:17,240 --> 01:29:11,980

would travel in the basis am I such a

1743

01:29:19,860 --> 01:29:17,250

threat now they have they have these

1744

01:29:22,590 --> 01:29:19,870

various groups they have bases right

1745

01:29:24,930 --> 01:29:22,600

here on earth because of our filmed our

1746

01:29:28,440 --> 01:29:24,940

films flying triangles coming out one of

1747

01:29:30,570 --> 01:29:28,450

the bases in the sea it's on YouTube you

1748

01:29:31,860 --> 01:29:30,580

can have a look at this a yeah yeah

1749

01:29:35,280 --> 01:29:31,870

decide for yourselves that's what's

1750

01:29:37,470 --> 01:29:35,290

there people because we've seen pictures

1751

01:29:40,740 --> 01:29:37,480

of these objects to come for coming

1752

01:29:42,990 --> 01:29:40,750

outside like it a Dulce New Mexico where

1753

01:29:45,720 --> 01:29:43,000

they seem to actually be coming through

1754

01:29:48,720 --> 01:29:45,730

the the walls of the the mountains there

1755

01:29:52,970 --> 01:29:48,730

it's like they're physical at some point

1756

01:29:54,960 --> 01:29:52,980

but they can also turn into

1757

01:29:55,380 --> 01:29:54,970

interdimensional and be able to pass

1758

01:29:57,510 --> 01:29:55,390

through

1759

01:29:59,970 --> 01:29:57,520

objects that's why a lot of people have

1760

01:30:02,160 --> 01:29:59,980

reported reported to his said oh you

1761

01:30:04,260 --> 01:30:02,170

know so-and-so came through the the

1762

01:30:06,420 --> 01:30:04,270

bedroom wall or came through the ceiling

1763

01:30:09,510 --> 01:30:06,430

or they were in the batter they were in

1764

01:30:12,720 --> 01:30:09,520

the back seat of the car with me

1765

01:30:14,850 --> 01:30:12,730

these things can that they can alter the

1766

01:30:18,300 --> 01:30:14,860

size if you ever looked there's one ball

1767

01:30:24,780 --> 01:30:18,310

in the sea right near the Shaw yeah and

1768

01:30:27,270 --> 01:30:24,790

it's a glowing sort of like white ball

1769

01:30:29,700 --> 01:30:27,280

then the next thing it becomes too and

1770

01:30:32,130 --> 01:30:29,710

then the next thing it becomes one two

1771

01:30:34,320 --> 01:30:32,140

three four five six and there's two

1772

01:30:34,860 --> 01:30:34,330

flying triangles and I film it for

1773

01:30:37,860 --> 01:30:34,870

twenty eight

1774

01:30:40,890 --> 01:30:37,870

I think it's 28 minutes I film it it

1775

01:30:43,890 --> 01:30:40,900

takes off there's lots of things coming

1776

01:30:46,100 --> 01:30:43,900

down I spoke to him an investigator I'm

1777

01:30:48,420 --> 01:30:46,110

talking to him on me more Balfour

1778

01:30:50,460 --> 01:30:48,430

finished and I said right I'm packing up

1779

01:30:52,710 --> 01:30:50,470

and going home now and then I went

1780

01:30:55,440 --> 01:30:52,720

missing for an hour now

1781

01:30:56,580 --> 01:30:55,450

now rest were coming to the other two

1782

01:31:00,930 --> 01:30:56,590

show here we only have a couple of

1783

01:31:03,930 --> 01:31:00,940

minutes where can our listeners find

1784

01:31:07,620 --> 01:31:03,940

these videos on YouTube do you have a

1785

01:31:12,330 --> 01:31:07,630

channel or until yeah he's under RG

1786

01:31:17,240 --> 01:31:12,340

Kelly and Russ moose Kelly UFO hunter

1787

01:31:22,200 --> 01:31:17,250

and you can find me British and British

1788

01:31:24,480 --> 01:31:22,210

UFO Hunters comm or the British Flying

1789

01:31:27,750 --> 01:31:24,490

Saucer Bureau I'm the head of that now

1790

01:31:30,000 --> 01:31:27,760

okay okay very good

1791

01:31:32,820 --> 01:31:30,010

yeah well we'll try to include a couple

1792

01:31:36,570 --> 01:31:32,830

of the the stills and maybe a short clip

1793

01:31:39,630 --> 01:31:36,580

in our youtube version of this show

1794

01:31:42,540 --> 01:31:39,640

which will of course our listeners can

1795

01:31:45,270 --> 01:31:42,550

find and there you are mr. UFO secret

1796

01:31:47,010 --> 01:31:45,280

files at Peter I'm sure we'll be working

1797

01:31:50,780 --> 01:31:47,020

through the night getting it prepared

1798

01:31:55,080 --> 01:31:50,790

and of course we're also on stitcher and

1799

01:31:59,150 --> 01:31:55,090

Google Play and iTunes and of course you

1800

01:32:03,480 --> 01:31:59,160

can we listen to the program on ke cor

1801
01:32:06,240 --> 01:32:03,490
radio.com and I want to thank Tim I

1802
01:32:08,880 --> 01:32:06,250
think we should thank our guests because

1803
01:32:09,210 --> 01:32:08,890
we're getting towards the midnight hour

1804
01:32:12,600 --> 01:32:09,220
here

1805
01:32:14,760 --> 01:32:12,610
on the East Coast then it's time to get

1806
01:32:17,960 --> 01:32:14,770
back into our spaceship and head out

1807
01:32:21,720 --> 01:32:17,970
into the galaxy to save the earth from

1808
01:32:23,430 --> 01:32:21,730
space invaders well yeah I especially I

1809
01:32:26,580 --> 01:32:23,440
want to thank Florrie for taking her

1810
01:32:29,520 --> 01:32:26,590
time to come on tonight and absolutely

1811
01:32:32,760 --> 01:32:29,530
yeah stay in touch with us

1812
01:32:35,280 --> 01:32:32,770
I'm glad glad we got to be done I'm glad

1813
01:32:36,840 --> 01:32:35,290

we got to be done on Facebook there are

1814

01:32:41,370 --> 01:32:36,850

some very interesting people there you

1815

01:32:43,400 --> 01:32:41,380

know I've pulled a few guests from just

1816

01:32:45,780 --> 01:32:43,410

the people I've made friends with and

1817

01:32:47,940 --> 01:32:45,790

it's some of the best information you

1818

01:32:49,140 --> 01:32:47,950

know why should we have the same guest

1819

01:32:50,850 --> 01:32:49,150

on all the time when there are a

1820

01:32:54,570 --> 01:32:50,860

multitude of people out there who have

1821

01:32:57,450 --> 01:32:54,580

had these experiences so here we are at

1822

01:33:00,990 --> 01:32:57,460

the end of another show and don't forget

1823

01:33:04,380 --> 01:33:01,000

to look us find us on Facebook you can

1824

01:33:07,170 --> 01:33:04,390

just contact Tim Buckley and Tim

1825

01:33:10,230 --> 01:33:07,180

Schwartz and of course listen to the

1826
01:33:13,200 --> 01:33:10,240
show every Thursday evening same time

1827
01:33:15,450 --> 01:33:13,210
same place and do visit our youtube

1828
01:33:18,000 --> 01:33:15,460
channel mr. UFO secret files and buy a

1829
01:33:18,900 --> 01:33:18,010
book that's what keeps us going all

1830
01:33:25,939 --> 01:33:18,910
right good night all

1831
01:33:32,150 --> 01:33:28,189
you've been listening to exploring the

1832
01:33:35,419 --> 01:33:32,160
bazaar with hosts Timothy Becky and to

1833
01:33:37,760 --> 01:33:35,429
Swartz they're taking back the night by

1834
01:33:40,340 --> 01:33:37,770
jetting non-stop across the cosmos

1835
01:33:43,370 --> 01:33:40,350
in search of the truly bizarre and

1836
01:33:44,719 --> 01:33:43,380
totally unexplained with you as their

1837
01:33:47,199 --> 01:33:44,729
combined

1838
01:33:49,589 --> 01:33:47,209

Thursday nights at 7:00 p.m. Pacific

1839

01:33:53,729 --> 01:33:49,599

10:00 p.m.

1840

01:33:56,399 --> 01:33:53,739

on the K cor digital radiator for more

1841

01:33:59,339 --> 01:33:56,409

information on exploring the bazaar and

1842

01:34:02,040 --> 01:33:59,349

hosts Timothy Beckley anthem Schwartz

1843

01:34:05,510 --> 01:34:02,050

check out their kco our digital radio

1844

01:34:21,360 --> 01:34:05,520

network follow their youtube channel at
