

EXPLORING THE BIZARRE

SUSAN DEMETER ST. CLAIR

JOHN DESOUZA

TIM BECKLEY

TIM SWARTZ

1
00:00:37,459 --> 00:00:21,840

[Music]

2
00:00:44,420 --> 00:00:41,939

explore the bazaars our or e-ticket ride

3
00:00:47,700 --> 00:00:44,430

into the world of the paranoid

4
00:00:52,009 --> 00:00:47,710

strap yourself in as we traverse the

5
00:00:57,149 --> 00:00:52,019

universe exploring the unexplained UFO s

6
00:01:00,840 --> 00:00:57,159

ghosts Lost Worlds cryptozoology as well

7
00:01:05,760 --> 00:01:00,850

as other dimensions it's time to take

8
00:01:08,999 --> 00:01:05,770

back the night now your electrifying

9
00:01:13,999 --> 00:01:09,009

hosts of exploring the bizarre Timothy

10
00:01:22,139 --> 00:01:17,639

this is exploring the bizarre odd caste

11
00:01:23,399 --> 00:01:22,149

somewhere deep within area 51 and I hope

12
00:01:25,980 --> 00:01:23,409

Tina doesn't mind that I borrowed that

13
00:01:28,440 --> 00:01:25,990

I'm always hearing that on that Tina's

14

00:01:33,210 --> 00:01:28,450

show restricted airspace oh I always I

15

00:01:35,850 --> 00:01:33,220

always loved that so deep within area 51

16

00:01:38,850 --> 00:01:35,860

that sounds kind of sordid doesn't it

17

00:01:40,289 --> 00:01:38,860

well I'm to sports and unfortunately Tim

18

00:01:43,980 --> 00:01:40,299

Beckley who's usually with us here

19

00:01:46,319 --> 00:01:43,990

tonight couldn't be here so I thought

20

00:01:51,510 --> 00:01:46,329

that this would be a great opportunity

21

00:01:54,990 --> 00:01:51,520

to bring in one of our previous guests

22

00:01:57,840 --> 00:01:55,000

gifts from like last year and so let me

23

00:02:00,270 --> 00:01:57,850

introduce everyone to Susan Demeter's

24

00:02:03,029 --> 00:02:00,280

st. Clair Susan thank you very much for

25

00:02:05,010 --> 00:02:03,039

being with us again tonight oh it's my

26
00:02:07,410 --> 00:02:05,020
pleasure we had such a great discussion

27
00:02:10,289 --> 00:02:07,420
last time and and I'm so happy to be

28
00:02:12,870 --> 00:02:10,299
here tonight and I just want to send out

29
00:02:15,210 --> 00:02:12,880
a lot of good energy and healing vibes

30
00:02:17,580 --> 00:02:15,220
and love out to Timothy and hope he's

31
00:02:19,229 --> 00:02:17,590
feeling better soon and can come back

32
00:02:21,930 --> 00:02:19,239
and then I can come back maybe and and

33
00:02:24,690 --> 00:02:21,940
join you both at a later date I know

34
00:02:26,910 --> 00:02:24,700
it's it's always a lot of fun with Tim

35
00:02:30,360 --> 00:02:26,920
Beckley on the show I just I can't hold

36
00:02:33,170 --> 00:02:30,370
a candle to this stuff that that Tim can

37
00:02:35,729 --> 00:02:33,180
come up with for his show but we'll

38
00:02:38,400 --> 00:02:35,739

we'll carry on and we'll just have a

39

00:02:40,830 --> 00:02:38,410

fantastic show tonight absolutely

40

00:02:43,140 --> 00:02:40,840

absolutely I'm looking forward to it all

41

00:02:47,009 --> 00:02:43,150

right well now okay before we bring in

42

00:02:48,809 --> 00:02:47,019

our guest John Souza I wanted to ask

43

00:02:50,330 --> 00:02:48,819

Susan and this was something I wanted to

44

00:02:52,160 --> 00:02:50,340

ask you last year what

45

00:02:56,479 --> 00:02:52,170

you're on a show and I didn't get a

46

00:02:59,869 --> 00:02:56,489

chance to ask this but this concerns the

47

00:03:03,020 --> 00:02:59,879

chapter in the book UFOs were framing

48

00:03:08,300 --> 00:03:03,030

the debate and the title of your chapter

49

00:03:12,170 --> 00:03:08,310

is making mountains out of mashed

50

00:03:14,210 --> 00:03:12,180

potatoes and I just always I love the

51
00:03:17,750 --> 00:03:14,220
name of that chapter and it makes me

52
00:03:20,479 --> 00:03:17,760
think and I'm just wondering if your

53
00:03:22,339 --> 00:03:20,489
inspiration for that chapter was from

54
00:03:26,120 --> 00:03:22,349
Close Encounters of the Third Kind oh

55
00:03:28,339 --> 00:03:26,130
yes absolutely it was one of my favorite

56
00:03:31,460 --> 00:03:28,349
films and I do with in that chapter

57
00:03:34,850 --> 00:03:31,470
explore a little bit the film itself and

58
00:03:37,449 --> 00:03:34,860
how it really it highlighted some of the

59
00:03:40,610 --> 00:03:37,459
more high strangeness and sort of

60
00:03:42,979 --> 00:03:40,620
parapsychological aspects of the UFO

61
00:03:45,530 --> 00:03:42,989
phenomena from telepathy and

62
00:03:47,690 --> 00:03:45,540
synchronicity and how they were sort of

63
00:03:50,000 --> 00:03:47,700

like called out to this one location

64

00:03:51,410 --> 00:03:50,010

where they eventually had the did the

65

00:03:55,069 --> 00:03:51,420

great big sighting with the mother ship

66

00:03:56,509 --> 00:03:55,079

and so I wanted to use something that

67

00:03:59,509 --> 00:03:56,519

was a little tongue-in-cheek and also

68

00:04:01,819 --> 00:03:59,519

that called back to the film so yeah

69

00:04:03,319 --> 00:04:01,829

absolutely one of the best films ever is

70

00:04:05,720 --> 00:04:03,329

still one of my favorites I try to

71

00:04:08,000 --> 00:04:05,730

rewatch it at least once a year I'll

72

00:04:11,720 --> 00:04:08,010

revisit the film it's it's just it's in

73

00:04:14,150 --> 00:04:11,730

my top ten it really is and you know and

74

00:04:17,469 --> 00:04:14,160

did you bring up a good point with that

75

00:04:21,370 --> 00:04:17,479

in the the idea that throughout the film

76

00:04:22,520 --> 00:04:21,380

there are a lot of high strangeness

77

00:04:25,700 --> 00:04:22,530

incidents

78

00:04:27,490 --> 00:04:25,710

even though Spielberg it was very much

79

00:04:34,100 --> 00:04:27,500

with this film in the you know

80

00:04:37,520 --> 00:04:34,110

extraterrestrial nuts-and-bolts idea and

81

00:04:39,170 --> 00:04:37,530

it's just you know I brought this up to

82

00:04:41,719 --> 00:04:39,180

you know several people you know like

83

00:04:44,600 --> 00:04:41,729

your years later and you know they of

84

00:04:46,370 --> 00:04:44,610

course didn't didn't quite get it but

85

00:04:49,960 --> 00:04:46,380

and that's you know that's one of the

86

00:04:54,409 --> 00:04:49,970

things about the UFO and other kinds of

87

00:05:00,469 --> 00:04:54,419

paranormal phenomena is that you have

88

00:05:02,089 --> 00:05:00,479

this at times almost and I'm gonna say

89

00:05:04,040 --> 00:05:02,099

down-to-earth even though we know it's

90

00:05:06,980 --> 00:05:04,050

not really down-to-earth but you know

91

00:05:09,650 --> 00:05:06,990

we think that we have a handle on some

92

00:05:13,930 --> 00:05:09,660

of this stuff and then it turns around

93

00:05:16,790 --> 00:05:13,940

and presents us these really bizarre

94

00:05:19,040 --> 00:05:16,800

incidents that we just can't make heads

95

00:05:21,440 --> 00:05:19,050

or tails about oh for sure well the

96

00:05:24,830 --> 00:05:21,450

whole phenomena itself is is quite

97

00:05:27,140 --> 00:05:24,840

absurd and and I actually really enjoy

98

00:05:28,550 --> 00:05:27,150

the high strange cases I I mean you

99

00:05:31,550 --> 00:05:28,560

might want to say the devil is in the

100

00:05:34,760 --> 00:05:31,560

details but if you just focus only on

101

00:05:37,340 --> 00:05:34,770

the the nuts and bolts you might miss

102

00:05:40,340 --> 00:05:37,350

like all this rich sort of information

103

00:05:42,320 --> 00:05:40,350

that's coming in from the witnesses who

104

00:05:43,880 --> 00:05:42,330

are telling us all these very strange

105

00:05:47,120 --> 00:05:43,890

things that happen whether it's

106

00:05:48,920 --> 00:05:47,130

telepathy or in the case of Close

107

00:05:51,230 --> 00:05:48,930

Encounters with the with a little boy

108

00:05:53,390 --> 00:05:51,240

one of the main protagonists was a

109

00:05:55,880 --> 00:05:53,400

mother and it was her child who first

110

00:05:58,400 --> 00:05:55,890

started interacting with the UFOs and

111

00:06:01,520 --> 00:05:58,410

the the pilots of the UFOs and there was

112

00:06:04,370 --> 00:06:01,530

a lot of poltergeist like stuff like

113

00:06:06,650 --> 00:06:04,380

strange lights and and and these

114

00:06:08,810 --> 00:06:06,660

electronic disturbances and things that

115

00:06:11,510 --> 00:06:08,820

you would see with poltergeist cases and

116

00:06:14,900 --> 00:06:11,520

I think the reason that we saw that is

117

00:06:19,220 --> 00:06:14,910

because Spielberg wisely went to actual

118

00:06:21,440 --> 00:06:19,230

experts such as dr. Hynek who at the

119

00:06:23,720 --> 00:06:21,450

time was like the leading expert along

120

00:06:26,720 --> 00:06:23,730

with Jacques Vallee and a few others and

121

00:06:28,760 --> 00:06:26,730

he went to them and he discussed what

122

00:06:32,150 --> 00:06:28,770

exactly was going on so he had that

123

00:06:35,450 --> 00:06:32,160

input to sort of go in with these cases

124

00:06:37,490 --> 00:06:35,460

and build a richer film around it which

125

00:06:39,710 --> 00:06:37,500

I found it to be because it wasn't just

126

00:06:41,480 --> 00:06:39,720

it's not just the nuts and bolts sort of

127

00:06:44,240 --> 00:06:41,490

sci-fi we're getting the more human

128

00:06:46,820 --> 00:06:44,250

aspects to it and people do have these

129

00:06:49,700 --> 00:06:46,830

experiences sometimes they feel that

130

00:06:52,310 --> 00:06:49,710

there's a telepathy or quite often when

131

00:06:54,920 --> 00:06:52,320

I've investigated cases people will say

132

00:06:56,780 --> 00:06:54,930

to me well they they weren't just

133

00:06:58,940 --> 00:06:56,790

randomly looking at the sky and

134

00:07:00,710 --> 00:06:58,950

something flew by something something

135

00:07:02,780 --> 00:07:00,720

triggered them or something made them

136

00:07:04,700 --> 00:07:02,790

feel like they should look upward or

137

00:07:07,880 --> 00:07:04,710

look at that specific time and then they

138

00:07:10,190 --> 00:07:07,890

have these these amazing experiences so

139

00:07:13,130 --> 00:07:10,200

I do feel that there is definitely a

140

00:07:15,620 --> 00:07:13,140

psychic sort of component along with

141

00:07:17,750 --> 00:07:15,630

that sort of nuts and bolts kind of

142

00:07:21,260 --> 00:07:17,760

thing that that really it intrigues

143

00:07:23,600 --> 00:07:21,270

me the whole sort of the the psychic

144

00:07:25,850 --> 00:07:23,610

side of things well that's a very good

145

00:07:27,470 --> 00:07:25,860

point because I mean I've talked to a

146

00:07:30,170 --> 00:07:27,480

number of people over the years that

147

00:07:34,250 --> 00:07:30,180

have said the exact same thing to me I

148

00:07:37,280 --> 00:07:34,260

mean even to the point where they'll say

149

00:07:38,570 --> 00:07:37,290

that they've been in bed asleep and all

150

00:07:42,530 --> 00:07:38,580

of a sudden they'll wake up and they'll

151
00:07:44,030 --> 00:07:42,540
have this compulsion to go outside and

152
00:07:46,130 --> 00:07:44,040
and that's when they'll have their

153
00:07:48,470 --> 00:07:46,140
experience I mean something that they

154
00:07:50,290 --> 00:07:48,480
have never ever done you know in their

155
00:07:52,550 --> 00:07:50,300
life go outside in their pajamas and

156
00:07:54,050 --> 00:07:52,560
stand on the driveway and look up at the

157
00:07:58,730 --> 00:07:54,060
sky and then and then have this

158
00:08:01,660 --> 00:07:58,740
experience so it's and and that really

159
00:08:04,370 --> 00:08:01,670
that really confounds a lot of these

160
00:08:06,530 --> 00:08:04,380
people who are just really caught up in

161
00:08:09,470 --> 00:08:06,540
the whole nuts and bolts

162
00:08:13,100 --> 00:08:09,480
extra-terrestrial hypothesis and it

163
00:08:15,580 --> 00:08:13,110

makes me think Susan I was reading a

164

00:08:17,870 --> 00:08:15,590

blog not too long ago and I'm

165

00:08:20,720 --> 00:08:17,880

fortunately for them I can't remember

166

00:08:24,620 --> 00:08:20,730

the name of it but they were highly

167

00:08:28,910 --> 00:08:24,630

critical of the book UFOs reframing the

168

00:08:32,510 --> 00:08:28,920

debate and the point that they made that

169

00:08:34,670 --> 00:08:32,520

really kind of got to me was that they

170

00:08:38,000 --> 00:08:34,680

hadn't read the book they were going to

171

00:08:40,339 --> 00:08:38,010

read the book they didn't like the the

172

00:08:43,790 --> 00:08:40,349

names of the chapters so they just

173

00:08:45,590 --> 00:08:43,800

assumed the worst and and and you know

174

00:08:47,270 --> 00:08:45,600

is like oh well this book offers us

175

00:08:50,240 --> 00:08:47,280

nothing and it's it's like wait you

176
00:08:52,040 --> 00:08:50,250
haven't even read the book yet and yeah

177
00:08:54,320 --> 00:08:52,050
and you and you say you're not going to

178
00:08:58,340 --> 00:08:54,330
yet you're going in and criticize in it

179
00:09:01,010 --> 00:08:58,350
and just always just frost my ass well

180
00:09:02,510 --> 00:09:01,020
of course because you know you can't

181
00:09:05,420 --> 00:09:02,520
well don't judge a book by it's cover

182
00:09:08,780 --> 00:09:05,430
right yes is that the idea of UFOs

183
00:09:10,700 --> 00:09:08,790
reframing the debate sort of it was from

184
00:09:13,160 --> 00:09:10,710
our editor Robbie Graham who sort of

185
00:09:16,100 --> 00:09:13,170
wanted to showcase various different

186
00:09:19,550 --> 00:09:16,110
points of view now yes the the there's a

187
00:09:21,620 --> 00:09:19,560
common thread about how the eth really

188
00:09:23,420 --> 00:09:21,630

hasn't brought us any closer and so

189

00:09:25,700 --> 00:09:23,430

they're all pretty much critical of the

190

00:09:28,370 --> 00:09:25,710

eth but there are some that are very

191

00:09:30,410 --> 00:09:28,380

skeptical more nuts and bolts all the

192

00:09:32,960 --> 00:09:30,420

way to the magical and the amount

193

00:09:36,170 --> 00:09:32,970

gentle and sear you're getting sort of a

194

00:09:38,930 --> 00:09:36,180

very different sort of book in that it's

195

00:09:41,090 --> 00:09:38,940

it's exploring many different ideas so

196

00:09:43,610 --> 00:09:41,100

we would assume that some people yes

197

00:09:45,620 --> 00:09:43,620

might not like some of the chapters and

198

00:09:48,110 --> 00:09:45,630

some people might you know like some of

199

00:09:49,850 --> 00:09:48,120

the chapters more but you know it's it's

200

00:09:52,400 --> 00:09:49,860

a shame if someone's just gonna pan the

201
00:09:55,579 --> 00:09:52,410
book and not give it a chance at all

202
00:10:00,530 --> 00:09:55,589
just based on you know it's kind of

203
00:10:03,579 --> 00:10:00,540
silly to me but it reminds me of the the

204
00:10:07,610 --> 00:10:03,589
whole debate back in the 50s with

205
00:10:10,129 --> 00:10:07,620
Immanuel Velikovsky when he wrote his

206
00:10:13,069 --> 00:10:10,139
book was a world worlds in collision I

207
00:10:15,680 --> 00:10:13,079
think is the one and you know so many

208
00:10:17,870 --> 00:10:15,690
scientists panned the book and

209
00:10:19,579 --> 00:10:17,880
criticized it and the majority of them

210
00:10:20,689 --> 00:10:19,589
clay you know admitted that oh they

211
00:10:23,389 --> 00:10:20,699
hadn't read it and they weren't going to

212
00:10:25,189 --> 00:10:23,399
read it but you know just from the I

213
00:10:26,660 --> 00:10:25,199

guess the brief synopsis that they heard

214

00:10:28,759 --> 00:10:26,670

about probably word-of-mouth from other

215

00:10:31,759 --> 00:10:28,769

people you know they know they knew he

216

00:10:34,280 --> 00:10:31,769

was wrong it's like that's just you know

217

00:10:37,579 --> 00:10:34,290

it just paints these people in such a

218

00:10:39,560 --> 00:10:37,589

bad light I mean okay read the book and

219

00:10:41,300 --> 00:10:39,570

then you can criticize it and come up

220

00:10:44,060 --> 00:10:41,310

with legitimate points but to me you

221

00:10:46,550 --> 00:10:44,070

know it's just not you don't have a leg

222

00:10:48,110 --> 00:10:46,560

to stand on unless you actually read the

223

00:10:50,780 --> 00:10:48,120

book and know what you're talking about

224

00:10:52,280 --> 00:10:50,790

I agree I agree with you and it's it's

225

00:10:54,740 --> 00:10:52,290

too bad that there are some people that

226

00:10:56,810 --> 00:10:54,750

especially scientists because you know

227

00:10:59,090 --> 00:10:56,820

the I you think back to the the you know

228

00:11:01,040 --> 00:10:59,100

the glory days of science and when you

229

00:11:03,380 --> 00:11:01,050

had all these brilliant minds and and

230

00:11:06,740 --> 00:11:03,390

that is the ideas that you're gonna be

231

00:11:08,389 --> 00:11:06,750

building on knowledge so maybe some

232

00:11:10,250 --> 00:11:08,399

things that you hold is true or not

233

00:11:11,960 --> 00:11:10,260

correct so you're gonna go where the

234

00:11:14,210 --> 00:11:11,970

data takes you and you're gonna explore

235

00:11:16,639 --> 00:11:14,220

different ideas and you're not going to

236

00:11:19,939 --> 00:11:16,649

be afraid to maybe entertain some

237

00:11:22,670 --> 00:11:19,949

different hypotheses you know and and

238

00:11:25,730 --> 00:11:22,680

that is what we need to with UFOs and

239

00:11:28,189 --> 00:11:25,740

and and that is why I'm very excited as

240

00:11:29,750 --> 00:11:28,199

well to talk to John tonight because he

241

00:11:32,329 --> 00:11:29,760

has a little bit different take on

242

00:11:35,000 --> 00:11:32,339

things and and it's it's always good to

243

00:11:35,569 --> 00:11:35,010

explore different ideas with people you

244

00:11:37,280 --> 00:11:35,579

know once

245

00:11:40,340 --> 00:11:37,290

let's bring John into the conversation I

246

00:11:42,740 --> 00:11:40,350

know he's sitting there in the sidelines

247

00:11:45,080 --> 00:11:42,750

just probably chomping at the bit

248

00:11:47,510 --> 00:11:45,090

get out and join the discussion so Allah

249

00:11:48,950 --> 00:11:47,520

be introduced John this is John thank

250

00:11:52,160 --> 00:11:48,960

you very much for being with us tonight

251
00:11:53,840 --> 00:11:52,170
oh thank you very much Tim thanks Susan

252
00:11:55,880 --> 00:11:53,850
thanks so much it's great to be here

253
00:12:00,230 --> 00:11:55,890
with you guys it's pretty awesome

254
00:12:04,460 --> 00:12:00,240
thanks okay now I really quick I I see

255
00:12:06,380 --> 00:12:04,470
that now that you from your bio you've

256
00:12:09,710 --> 00:12:06,390
investigated and collected experiences

257
00:12:12,080 --> 00:12:09,720
on paranormal topics or for overdue to

258
00:12:15,950 --> 00:12:12,090
decades and you've all you are also an

259
00:12:19,670 --> 00:12:15,960
FBI special agent for overall was at 25

260
00:12:21,530 --> 00:12:19,680
years yes that is correct yeah yeah go

261
00:12:23,450 --> 00:12:21,540
ahead no no I was going to say you know

262
00:12:27,920 --> 00:12:23,460
you worked counterterrorism and violent

263
00:12:31,550 --> 00:12:27,930

crime cases and you're also the author

264

00:12:33,950 --> 00:12:31,560

of the extra dimensionals

265

00:12:37,640 --> 00:12:33,960

shoe tales and concept of alien visitors

266

00:12:40,010 --> 00:12:37,650

the para investigators 52 true tales and

267

00:12:42,920 --> 00:12:40,020

concepts of supernaturally gift

268

00:12:45,710 --> 00:12:42,930

investigators and your most recent clear

269

00:12:49,460 --> 00:12:45,720

here's all right now you go on I'm sorry

270

00:12:51,410 --> 00:12:49,470

yeah thank you so much Tim yes that's

271

00:12:53,480 --> 00:12:51,420

very very kind introduction thank you

272

00:12:56,750 --> 00:12:53,490

very much it's great to be here with you

273

00:12:59,540 --> 00:12:56,760

and Susan and yes I have been an FBI

274

00:13:02,840 --> 00:12:59,550

agent for over 25 years and during that

275

00:13:05,120 --> 00:13:02,850

time I you know worked a lot of global

276

00:13:06,410 --> 00:13:05,130

war on terrorism Violent Crimes and so

277

00:13:09,500 --> 00:13:06,420

forth and I also collected what I like

278

00:13:11,450 --> 00:13:09,510

to call the real x-files cases that I

279

00:13:13,340 --> 00:13:11,460

share with people and information and

280

00:13:16,460 --> 00:13:13,350

things that I share with people in my

281

00:13:19,190 --> 00:13:16,470

books and including up to and including

282

00:13:23,090 --> 00:13:19,200

my book the extra dimensionals which

283

00:13:24,800 --> 00:13:23,100

fits very very well with what you were

284

00:13:27,520 --> 00:13:24,810

doing you guys were just talking about

285

00:13:31,100 --> 00:13:27,530

you know kind of in a in an opposite

286

00:13:33,500 --> 00:13:31,110

antithetical way since my my book the

287

00:13:35,690 --> 00:13:33,510

extra dimensionals basically is

288

00:13:39,980 --> 00:13:35,700

something that comes to the conclusion

289

00:13:43,490 --> 00:13:39,990

that alien visitors are definitely not

290

00:13:45,230 --> 00:13:43,500

physical that they are not they are not

291

00:13:47,450 --> 00:13:45,240

from our time and space they are not

292

00:13:50,060 --> 00:13:47,460

from next galaxies over they are

293

00:13:52,250 --> 00:13:50,070

visiting visiting earth constantly that

294

00:13:53,510 --> 00:13:52,260

they are and they are constantly coming

295

00:13:55,540 --> 00:13:53,520

in and out of the earth because the

296

00:14:00,140 --> 00:13:55,550

earth is primarily a Waystation and

297

00:14:03,550 --> 00:14:00,150

secondarily a planet and it is a gateway

298

00:14:07,760 --> 00:14:03,560

and so it's something that's pretty

299

00:14:10,640 --> 00:14:07,770

antithetical to the way that apology has

300

00:14:12,770 --> 00:14:10,650

really thought about alien visitors

301

00:14:16,070 --> 00:14:12,780

since Roswell since really since the

302

00:14:18,440 --> 00:14:16,080

Roswell crash and that's why it's it's

303

00:14:20,870 --> 00:14:18,450

pretty much that's why my presentation

304

00:14:23,930 --> 00:14:20,880

is called the unthinkable in in apology

305

00:14:27,380 --> 00:14:23,940

which is that these alien visitors are

306

00:14:29,000 --> 00:14:27,390

not at all what we have been believing

307

00:14:30,829 --> 00:14:29,010

that they have that they are for the

308

00:14:35,000 --> 00:14:30,839

last 50 60 years

309

00:14:37,400 --> 00:14:35,010

oh no yeah no I have you have you been

310

00:14:40,250 --> 00:14:37,410

interested in this kind of stuff you

311

00:14:41,570 --> 00:14:40,260

know from the beginning I mean since you

312

00:14:43,520 --> 00:14:41,580

were a kid because I you know I find

313

00:14:45,949 --> 00:14:43,530

that a lot of people like yourself and

314

00:14:49,190 --> 00:14:45,959

and Susan you know it tends to run in

315

00:14:52,250 --> 00:14:49,200

families as well oh sure and yes my

316

00:14:53,720 --> 00:14:52,260

first experiences as I recount as I

317

00:14:56,180 --> 00:14:53,730

recount at the beginning of my book the

318

00:14:59,360 --> 00:14:56,190

extra dimensionals is also I had my

319

00:15:03,620 --> 00:14:59,370

first experiences when I was I guess I

320

00:15:06,949 --> 00:15:03,630

was around 10 years old and I was in New

321

00:15:09,920 --> 00:15:06,959

York as a child I was taken out I was

322

00:15:12,110 --> 00:15:09,930

out in New York City where I live but I

323

00:15:17,770 --> 00:15:12,120

was taken out New York City to a nice

324

00:15:22,520 --> 00:15:17,780

area in Manhattan where where we were

325

00:15:23,990 --> 00:15:22,530

attending a party a big rental hall some

326

00:15:26,180 --> 00:15:24,000

kind of wedding reception and there were

327

00:15:28,370 --> 00:15:26,190

a lot of little kids there about you

328

00:15:31,010 --> 00:15:28,380

know around my age as well and so it's

329

00:15:32,870 --> 00:15:31,020

one point late at night I was about 1:00

330

00:15:35,420 --> 00:15:32,880

in the morning so we were all all the

331

00:15:37,520 --> 00:15:35,430

kids were sugared up and kind of acting

332

00:15:39,829 --> 00:15:37,530

crazy so we all kind of spilled out into

333

00:15:41,870 --> 00:15:39,839

the night and just went out into the

334

00:15:44,000 --> 00:15:41,880

streets of Manhattan

335

00:15:45,530 --> 00:15:44,010

late at night it was 1:00 in the morning

336

00:15:47,720 --> 00:15:45,540

so everything was it was banned and

337

00:15:51,350 --> 00:15:47,730

there was nobody out there and weren't

338

00:15:55,010 --> 00:15:51,360

even any very few cars parked out there

339

00:15:56,870 --> 00:15:55,020

and we ended up out in this area called

340

00:15:59,090 --> 00:15:56,880

the project's not a good neighborhood to

341

00:16:01,610 --> 00:15:59,100

be in but it was deserted like I said

342

00:16:03,680 --> 00:16:01,620

but it was a very starry beautiful night

343

00:16:06,769 --> 00:16:03,690

and kids were playing tag reverently

344

00:16:08,420 --> 00:16:06,779

Regal Evo playing a lot of games and at

345

00:16:10,360 --> 00:16:08,430

one point it got very spirited one of

346

00:16:13,160 --> 00:16:10,370

the other kids hit me in the stomach and

347

00:16:13,610 --> 00:16:13,170

I went down on the sidewalk and one of

348

00:16:16,370 --> 00:16:13,620

the kids

349

00:16:18,019 --> 00:16:16,380

yelled out he's hurt he's really hurt so

350

00:16:20,510 --> 00:16:18,029

they all ran back to the rental hall

351

00:16:24,160 --> 00:16:20,520

that we all came from about half a mile

352

00:16:28,160 --> 00:16:24,170

away and that's lady he's hurt run yeah

353

00:16:31,579 --> 00:16:28,170

I found out I found out what it was like

354

00:16:33,410 --> 00:16:31,589

at that point being kids but I was out

355

00:16:34,460 --> 00:16:33,420

there laying on my back in the sidewalk

356

00:16:36,140 --> 00:16:34,470

and I was looking up between the two

357

00:16:40,040 --> 00:16:36,150

tallest buildings I've ever seen to that

358

00:16:42,350 --> 00:16:40,050

time and I stood up and because I was I

359

00:16:44,660 --> 00:16:42,360

saw that in the sky it was very starry

360

00:16:47,180 --> 00:16:44,670

night beautiful starry night very clear

361

00:16:49,250 --> 00:16:47,190

but where I was looking straight up

362

00:16:53,720 --> 00:16:49,260

between these two tall buildings was

363

00:16:57,590 --> 00:16:53,730

like a black ink cloud it was it was

364

00:16:59,150 --> 00:16:57,600

just a sort of a roiling cloud but it

365

00:17:00,530 --> 00:16:59,160

was black like the kind of squid would

366

00:17:03,769 --> 00:17:00,540

give off in the water when you try to

367

00:17:06,169 --> 00:17:03,779

grab it and it was just and I kept

368

00:17:08,840 --> 00:17:06,179

looking at this black cloud that was

369

00:17:11,329 --> 00:17:08,850

just giving off little tendrils and then

370

00:17:13,370 --> 00:17:11,339

from the bottom comes spotlights out of

371

00:17:16,419 --> 00:17:13,380

this thing and then with the spotlights

372

00:17:20,419 --> 00:17:16,429

come this like what you would determine

373

00:17:22,699 --> 00:17:20,429

an old-fashioned disc UFO came out of

374

00:17:26,000 --> 00:17:22,709

the bottom of this black cloud and it

375

00:17:28,640 --> 00:17:26,010

came down right towards me and I was

376

00:17:30,650 --> 00:17:28,650

just looking up at it and never seen

377

00:17:33,740 --> 00:17:30,660

anything like that and I just kept

378

00:17:36,049 --> 00:17:33,750

looking up at it and just wondering and

379

00:17:38,630 --> 00:17:36,059

then the spotlight hit me this this

380

00:17:40,640 --> 00:17:38,640

blueish green spotlight that I've heard

381

00:17:44,000 --> 00:17:40,650

from so many witnesses in the years

382

00:17:45,970 --> 00:17:44,010

since it hit me and just if I felt like

383

00:17:50,330 --> 00:17:45,980

I was being scanned from top to bottom

384

00:17:52,700 --> 00:17:50,340

and I just stood there and two girls

385

00:17:55,430 --> 00:17:52,710

teenage girls appeared on my left and

386

00:17:56,930 --> 00:17:55,440

they were screaming and looking up at

387

00:17:59,540 --> 00:17:56,940

the same thing I was looking up at so I

388

00:18:02,390 --> 00:17:59,550

know I wasn't the only one and they were

389

00:18:04,520 --> 00:18:02,400

just hanging on trying to hug each other

390

00:18:05,680 --> 00:18:04,530

and look up at the same time and scream

391

00:18:07,330 --> 00:18:05,690

at the same time

392

00:18:09,250 --> 00:18:07,340

and one of them screamed at me little

393

00:18:11,980 --> 00:18:09,260

boy you better run home the world might

394

00:18:15,100 --> 00:18:11,990

be ending and then they disappeared I

395

00:18:16,870 --> 00:18:15,110

mean they were gone and then at that

396

00:18:20,380 --> 00:18:16,880

time it was like she woke me up from a

397

00:18:23,620 --> 00:18:20,390

stupor I just took it was like me and

398

00:18:26,140 --> 00:18:23,630

they uh and the UFO that I was feeling

399

00:18:27,490 --> 00:18:26,150

above that was right above my head it's

400

00:18:29,440 --> 00:18:27,500

like we both changed our mind at the

401
00:18:31,360 --> 00:18:29,450
same moment I took a step back out of

402
00:18:33,760 --> 00:18:31,370
the spotlight and the thing reverse

403
00:18:36,940 --> 00:18:33,770
course and went right back up into that

404
00:18:38,290 --> 00:18:36,950
black cloud and it went back up all the

405
00:18:40,060 --> 00:18:38,300
way into the black cloud and the black

406
00:18:42,520 --> 00:18:40,070
cloud disappeared and just a beautiful

407
00:18:46,570 --> 00:18:42,530
starry night was visible after that and

408
00:18:49,140 --> 00:18:46,580
I ran back to that rental hall and took

409
00:18:51,220 --> 00:18:49,150
off from there and just went back to the

410
00:18:52,900 --> 00:18:51,230
to the rental hall and tried to tell my

411
00:18:55,540 --> 00:18:52,910
parents what had happened and they told

412
00:18:58,000 --> 00:18:55,550
me I better hold on to that till private

413
00:19:01,020 --> 00:18:58,010

so we're in private and then at home I

414

00:19:03,790 --> 00:19:01,030

told them what what all happened and

415

00:19:07,930 --> 00:19:03,800

they were very my mother was very

416

00:19:11,010 --> 00:19:07,940

patient with listening and then she my

417

00:19:13,630 --> 00:19:11,020

mother told me the lecture about how

418

00:19:16,720 --> 00:19:13,640

paranoid rockets cannot be discussed in

419

00:19:19,060 --> 00:19:16,730

front of general people not a good idea

420

00:19:21,100 --> 00:19:19,070

and not a good thing to do and so that

421

00:19:25,090 --> 00:19:21,110

was my first observation experience but

422

00:19:27,520 --> 00:19:25,100

then I had a contact experience just

423

00:19:30,610 --> 00:19:27,530

about I'd say about a week later or a

424

00:19:36,520 --> 00:19:30,620

week or two later when I was at my home

425

00:19:38,200 --> 00:19:36,530

I was at my dad's home and as I said

426
00:19:39,460 --> 00:19:38,210
we've seen in many of the cases sent

427
00:19:41,710 --> 00:19:39,470
that I've seen in many of the cases

428
00:19:46,240 --> 00:19:41,720
since then it's almost like the UFOs

429
00:19:48,790 --> 00:19:46,250
collect information on people on people

430
00:19:50,680 --> 00:19:48,800
witnesses and decide whether they and

431
00:19:52,300 --> 00:19:50,690
then take that information somewhere and

432
00:19:55,060 --> 00:19:52,310
then the decision is made whether to

433
00:19:56,620 --> 00:19:55,070
contact them and that's what I believe

434
00:19:58,720 --> 00:19:56,630
happened in my case because a couple of

435
00:20:02,950 --> 00:19:58,730
weeks later I was sleeping at my at my

436
00:20:06,340 --> 00:20:02,960
family's home and I was in my bedroom

437
00:20:09,460 --> 00:20:06,350
and suddenly then I had the experience

438
00:20:10,690 --> 00:20:09,470

of the entire room it was again it was

439

00:20:11,740 --> 00:20:10,700

late at night as probably 3:00 in the

440

00:20:15,730 --> 00:20:11,750

morning

441

00:20:17,570 --> 00:20:15,740

and it was and I just was trying to stay

442

00:20:20,780 --> 00:20:17,580

awake for some reason

443

00:20:23,150 --> 00:20:20,790

and suddenly the room just changed the

444

00:20:26,360 --> 00:20:23,160

entire I don't know the air the

445

00:20:28,730 --> 00:20:26,370

temperature the feeling of the room just

446

00:20:32,480 --> 00:20:28,740

changed completely and I became stiff as

447

00:20:36,140 --> 00:20:32,490

a board and I couldn't move and then I

448

00:20:37,940 --> 00:20:36,150

felt what I assumed was the hands of the

449

00:20:41,300 --> 00:20:37,950

hands of children look like the forms

450

00:20:44,270 --> 00:20:41,310

and hands of little kids grabbing my

451
00:20:46,760 --> 00:20:44,280
feet and my head and lifting me up but

452
00:20:50,270 --> 00:20:46,770
like I was a half-filled helium balloon

453
00:20:52,820 --> 00:20:50,280
lift me up from the bed and what was

454
00:20:55,490 --> 00:20:52,830
really weird is wherever they left me in

455
00:20:57,560 --> 00:20:55,500
the air I stayed there if they if they

456
00:20:58,820 --> 00:20:57,570
just like went to adjust themselves for

457
00:21:00,830 --> 00:20:58,830
a moment they would just leave me a

458
00:21:04,280 --> 00:21:00,840
certain place in the air that would stay

459
00:21:07,430 --> 00:21:04,290
there like a helium balloon sort of that

460
00:21:10,610 --> 00:21:07,440
was almost filled and then they started

461
00:21:12,350 --> 00:21:10,620
taking me up towards the ceiling and I

462
00:21:14,870 --> 00:21:12,360
saw the ceiling approaching closer and

463
00:21:16,700 --> 00:21:14,880

they were climbing on nothing because

464

00:21:18,980 --> 00:21:16,710

there was nothing there but they were

465

00:21:20,570 --> 00:21:18,990

climbing on nothing and just lifting me

466

00:21:22,580 --> 00:21:20,580

up towards the ceiling I saw the ceiling

467

00:21:26,030 --> 00:21:22,590

coming closer and closer I couldn't

468

00:21:27,710 --> 00:21:26,040

really move at all but then they finally

469

00:21:31,100 --> 00:21:27,720

I saw the ceiling come right up to my

470

00:21:34,100 --> 00:21:31,110

face as they were passing through the

471

00:21:36,380 --> 00:21:34,110

ceiling somehow what I assumed were

472

00:21:37,970 --> 00:21:36,390

children were passing because I couldn't

473

00:21:41,510 --> 00:21:37,980

really see them I can always kind of see

474

00:21:45,710 --> 00:21:41,520

silhouettes of them and feel their their

475

00:21:47,210 --> 00:21:45,720

hands on my head and feet and then they

476
00:21:49,700 --> 00:21:47,220
were passing through but then my

477
00:21:56,060 --> 00:21:49,710
forehead bumped against the ceiling like

478
00:21:59,650 --> 00:21:56,070
just stopped right there and I then they

479
00:22:03,110 --> 00:21:59,660
lowered me again leaving me floating

480
00:22:04,790 --> 00:22:03,120
motionless on nothing and just they

481
00:22:06,860 --> 00:22:04,800
checked the spot where my forehead

482
00:22:08,960 --> 00:22:06,870
wouldn't go through as if there was

483
00:22:11,030 --> 00:22:08,970
something wrong with that spot on the

484
00:22:14,000 --> 00:22:11,040
ceiling and they just kept checking it

485
00:22:16,940 --> 00:22:14,010
and just kept on and then again they

486
00:22:19,430 --> 00:22:16,950
tried to put me through and it just got

487
00:22:21,380 --> 00:22:19,440
bumped on there and it wouldn't go

488
00:22:24,230 --> 00:22:21,390

through and every time they bumped me I

489

00:22:26,540 --> 00:22:24,240

was able to move my head a little more

490

00:22:28,659 --> 00:22:26,550

and a little more and my first thought

491

00:22:31,330 --> 00:22:28,669

was to move my head

492

00:22:32,680 --> 00:22:31,340

back twists it around to look down at my

493

00:22:34,149 --> 00:22:32,690

bed because one of the thoughts that

494

00:22:36,909 --> 00:22:34,159

occurred to me was that I might be I

495

00:22:39,789 --> 00:22:36,919

might be dead and my physical body might

496

00:22:42,460 --> 00:22:39,799

still be on my bed and so I looked back

497

00:22:45,340 --> 00:22:42,470

down on my TOA stood my neck enough to

498

00:22:46,930 --> 00:22:45,350

look down in the bed and I was really

499

00:22:49,749 --> 00:22:46,940

deceived as nothing there just rumped

500

00:22:51,849 --> 00:22:49,759

sheets but then I was able to as they

501
00:22:55,389 --> 00:22:51,859
again kept on trying to bump me through

502
00:22:58,450 --> 00:22:55,399
the ceiling there I was able to move my

503
00:23:00,279 --> 00:22:58,460
neck and my my parents bedroom was right

504
00:23:02,919 --> 00:23:00,289
next to mine there was the door open

505
00:23:06,669 --> 00:23:02,929
door was open and I could see right

506
00:23:12,159 --> 00:23:06,679
through it and I was looking and then we

507
00:23:19,599 --> 00:23:12,169
had to go to break the break is coming

508
00:23:20,919 --> 00:23:19,609
up you heard music play hold hold that

509
00:23:23,049 --> 00:23:20,929
thought though because we want to

510
00:23:25,359 --> 00:23:23,059
continue this story when when we come

511
00:23:28,239 --> 00:23:25,369
back in a few minutes on exploring the

512
00:23:32,910 --> 00:23:28,249
bazaar with our guest John D'Souza and

513
00:23:32,920 --> 00:23:41,730

[Music]

514

00:23:48,460 --> 00:23:45,879

now back to exploring the bazaar with

515

00:23:51,759 --> 00:23:48,470

two of the most electrifying researchers

516

00:23:58,539 --> 00:23:51,769

in the Paranoid your hosts Timothy Becca

517

00:24:00,669 --> 00:23:58,549

Lee Antonis lists and welcome back to

518

00:24:03,730 --> 00:24:00,679

exploring the bazaar I'm Tim Schwartz

519

00:24:06,580 --> 00:24:03,740

with me tonight is John D'Souza and

520

00:24:09,850 --> 00:24:06,590

Susan Demeter st. Claire and I encourage

521

00:24:12,460 --> 00:24:09,860

everyone if you have a question for our

522

00:24:14,499 --> 00:24:12,470

guests to send them our way we want to

523

00:24:16,690 --> 00:24:14,509

hear from you call phone you know

524

00:24:18,460 --> 00:24:16,700

telepathic communication carrier bridge

525

00:24:20,590 --> 00:24:18,470

and I don't care we want to hear from

526
00:24:25,149 --> 00:24:20,600
you we want to hear from your question

527
00:24:28,960 --> 00:24:25,159
so now on with the show yeah I'm totally

528
00:24:31,930 --> 00:24:28,970
riveted I just I'm really want to keep

529
00:24:36,249 --> 00:24:31,940
going with John's experiences from

530
00:24:38,590 --> 00:24:36,259
childhood the idea of the levitation and

531
00:24:40,180 --> 00:24:38,600
and just being bumped on the ceiling

532
00:24:43,930 --> 00:24:40,190
like that that's to me it's very

533
00:24:47,580 --> 00:24:43,940
powerful a new one too yeah that one

534
00:24:50,320 --> 00:24:47,590
before yeah I've heard of the beings

535
00:24:52,539 --> 00:24:50,330
whatever they are going through sort of

536
00:24:54,220 --> 00:24:52,549
walls and ceilings and windows and that

537
00:24:56,049 --> 00:24:54,230
sort of thing and they seem to it like

538
00:25:00,009 --> 00:24:56,059

they're they're violating the

539

00:25:01,299 --> 00:25:00,019

physicality of this this world it sort

540

00:25:04,779 --> 00:25:01,309

of reminds me a little bit of my own

541

00:25:06,159 --> 00:25:04,789

experiences to where as a child I had

542

00:25:08,169 --> 00:25:06,169

these experiences with these little

543

00:25:11,710 --> 00:25:08,179

beings and and I just I thought they

544

00:25:14,110 --> 00:25:11,720

were ghosts I I was sort of pooling from

545

00:25:16,389 --> 00:25:14,120

I guess my my limited knowledge bank is

546

00:25:18,159 --> 00:25:16,399

a little little kid and I thought

547

00:25:20,200 --> 00:25:18,169

because of what they were doing that

548

00:25:23,379 --> 00:25:20,210

they were ghosts and not necessarily

549

00:25:25,509 --> 00:25:23,389

aliens it wasn't until later on that I

550

00:25:28,539 --> 00:25:25,519

started considering that maybe they were

551
00:25:30,730 --> 00:25:28,549
alien ish but this is sort of what

552
00:25:33,549 --> 00:25:30,740
John's John's experiences remind me a

553
00:25:34,930 --> 00:25:33,559
little bit of my own and and not just I

554
00:25:36,669 --> 00:25:34,940
sort of got chills when he was

555
00:25:39,220 --> 00:25:36,679
describing about the bumping on the

556
00:25:41,889 --> 00:25:39,230
ceiling like that like as if we can do

557
00:25:46,340 --> 00:25:41,899
this but but you quite can't just not

558
00:25:49,970 --> 00:25:46,350
yet you know yeah yeah so what so

559
00:25:53,240 --> 00:25:49,980
after they had bumped my as I was

560
00:25:56,870 --> 00:25:53,250
telling my my abduction contact

561
00:25:58,430 --> 00:25:56,880
experience there we had these beings

562
00:26:01,190 --> 00:25:58,440
that I assumed were children because I

563
00:26:03,200 --> 00:26:01,200

couldn't see their faces and they just

564

00:26:06,049 --> 00:26:03,210

looked kind of smallish felt they felt

565

00:26:07,700 --> 00:26:06,059

kind of smallish to me and so they were

566

00:26:08,269 --> 00:26:07,710

they had been lifting me up towards the

567

00:26:11,779 --> 00:26:08,279

ceiling

568

00:26:14,779 --> 00:26:11,789

and I just started bumping against that

569

00:26:16,610 --> 00:26:14,789

ceiling they kept on lowering me like

570

00:26:18,409 --> 00:26:16,620

the worst engineers in the world just

571

00:26:20,180 --> 00:26:18,419

trying to repeat the same results and

572

00:26:21,440 --> 00:26:20,190

expecting different repeating the same

573

00:26:23,570 --> 00:26:21,450

actions and expecting different results

574

00:26:25,610 --> 00:26:23,580

and they kept on doing it but as they

575

00:26:27,889 --> 00:26:25,620

were bumping my forehead against that

576

00:26:29,330 --> 00:26:27,899

that ceiling I was able to move my neck

577

00:26:33,830 --> 00:26:29,340

more and more and then I was able to

578

00:26:36,740 --> 00:26:33,840

eventually twist over to cede my parents

579

00:26:39,200 --> 00:26:36,750

bedroom and which was right akin right

580

00:26:43,730 --> 00:26:39,210

next to my bedroom and the door was was

581

00:26:45,409 --> 00:26:43,740

wide open and there there were two very

582

00:26:47,509 --> 00:26:45,419

similar beings to the ones that were

583

00:26:50,090 --> 00:26:47,519

carrying me there were two beings over

584

00:26:52,940 --> 00:26:50,100

my parents bed and they were holding

585

00:26:54,619 --> 00:26:52,950

their arms out over the bed as if they

586

00:26:59,570 --> 00:26:54,629

were creating some sort of stasis field

587

00:27:01,549 --> 00:26:59,580

and keeping my parents asleep because at

588

00:27:03,200 --> 00:27:01,559

least it seemed that way to me because

589

00:27:04,610 --> 00:27:03,210

they both both of my parents were

590

00:27:06,529 --> 00:27:04,620

twisting and turning and it's almost

591

00:27:08,119 --> 00:27:06,539

like they were trying to wake up but

592

00:27:11,450 --> 00:27:08,129

they couldn't my dad was in a pool of

593

00:27:14,029 --> 00:27:11,460

sweat and he was appeared but they could

594

00:27:18,139 --> 00:27:14,039

not wake up and they were holding their

595

00:27:20,600 --> 00:27:18,149

hands over them and at that point I was

596

00:27:22,580 --> 00:27:20,610

able to look at the one closest to me

597

00:27:25,639 --> 00:27:22,590

with his hands out no one that was on

598

00:27:27,259 --> 00:27:25,649

the ground closest to me and I looked

599

00:27:29,060 --> 00:27:27,269

right ahead and I was able to look right

600

00:27:31,100 --> 00:27:29,070

into its face and now I could see these

601
00:27:33,980 --> 00:27:31,110
are not children I can see these were

602
00:27:36,470 --> 00:27:33,990
something completely different the shape

603
00:27:40,220 --> 00:27:36,480
of the head and those black sort of

604
00:27:43,730 --> 00:27:40,230
almond shaped eyes and I locked vision

605
00:27:46,730 --> 00:27:43,740
with those those eyes on that on that

606
00:27:49,480 --> 00:27:46,740
creature and then I heard the only words

607
00:27:52,820 --> 00:27:49,490
I was gonna hear from them which was

608
00:27:55,279 --> 00:27:52,830
he's awake and as soon as I heard those

609
00:27:57,730 --> 00:27:55,289
words it was like a cord was cut and I

610
00:27:59,500 --> 00:27:57,740
just fell I fell

611
00:28:02,490 --> 00:27:59,510
heavy into my bed like a sack of

612
00:28:06,040 --> 00:28:02,500
potatoes and I just felt straight down

613
00:28:09,669 --> 00:28:06,050

all that distance and I landed heavy in

614

00:28:12,400 --> 00:28:09,679

my bed and they were gone the room

615

00:28:16,060 --> 00:28:12,410

changed back and everything they were

616

00:28:18,760 --> 00:28:16,070

completely gone and I was sitting up and

617

00:28:21,070 --> 00:28:18,770

I was just planning on how to wake up my

618

00:28:22,390 --> 00:28:21,080

parents and start shouting about

619

00:28:24,490 --> 00:28:22,400

everything that was gonna happen and

620

00:28:26,830 --> 00:28:24,500

then suddenly like I had been hit with a

621

00:28:30,820 --> 00:28:26,840

tranquilizer dart I just fell asleep I

622

00:28:32,799 --> 00:28:30,830

just went out and I was out for quite a

623

00:28:34,180 --> 00:28:32,809

while because in the morning I could

624

00:28:36,600 --> 00:28:34,190

hear all the adults from the home

625

00:28:40,000 --> 00:28:36,610

shuffling around talking about this

626
00:28:43,810 --> 00:28:40,010
talking about a shared common dream that

627
00:28:48,460 --> 00:28:43,820
they all had of being abducted of being

628
00:28:51,070 --> 00:28:48,470
abducted by small grey creatures that

629
00:28:53,440 --> 00:28:51,080
were pulling them on a rope across an

630
00:28:56,410 --> 00:28:53,450
alien and they talked about this and

631
00:28:58,210 --> 00:28:56,420
they discussed it and they wanted to get

632
00:29:01,270 --> 00:28:58,220
their story straight because there was a

633
00:29:03,730 --> 00:29:01,280
really religious household and they had

634
00:29:06,190 --> 00:29:03,740
framed that what happened was a demonic

635
00:29:07,810 --> 00:29:06,200
attack upon the home and they didn't

636
00:29:10,270 --> 00:29:07,820
want to hear what I want what I had to

637
00:29:13,570 --> 00:29:10,280
say about these were aliens and they

638
00:29:16,480 --> 00:29:13,580

were trying to abduct us and so that was

639

00:29:19,750 --> 00:29:16,490

the situation the next morning and it

640

00:29:22,900 --> 00:29:19,760

was really a an amazing amazing

641

00:29:25,450 --> 00:29:22,910

experience and I was glad it ended when

642

00:29:26,950 --> 00:29:25,460

it did that in the way that it did so

643

00:29:29,650 --> 00:29:26,960

that's interesting that you're the

644

00:29:31,840 --> 00:29:29,660

adults perceived it as at something

645

00:29:34,660 --> 00:29:31,850

religious and demonic that you already

646

00:29:37,350 --> 00:29:34,670

were thinking that this was alien yes

647

00:29:42,070 --> 00:29:37,360

yes did you go on to have further

648

00:29:45,010 --> 00:29:42,080

experiences after that no no not not

649

00:29:47,410 --> 00:29:45,020

like that no I never I never did they

650

00:29:49,240 --> 00:29:47,420

did not come back and I did not have a

651
00:29:51,700 --> 00:29:49,250
continuation of that experience whatever

652
00:29:54,460 --> 00:29:51,710
they found in me it was not agreeable to

653
00:29:54,820 --> 00:29:54,470
them I believe and that was and that was

654
00:29:57,970 --> 00:29:54,830
it

655
00:29:59,540 --> 00:29:57,980
and I have I have investigated other

656
00:30:02,600 --> 00:29:59,550
cases with

657
00:30:05,960 --> 00:30:02,610
similar and there and there out there

658
00:30:10,400 --> 00:30:05,970
you can find them of people who were

659
00:30:13,280 --> 00:30:10,410
attempted to be abducted and it didn't

660
00:30:15,500 --> 00:30:13,290
quite work out and sometimes they were

661
00:30:18,470 --> 00:30:15,510
injured there were times when they were

662
00:30:21,440 --> 00:30:18,480
injured as well so it not even though

663
00:30:25,730 --> 00:30:21,450

they were not taken so that's those are

664

00:30:27,799 --> 00:30:25,740

those cases have happened yes and did

665

00:30:30,320 --> 00:30:27,809

you pursue this with your parents like

666

00:30:33,590 --> 00:30:30,330

did did they did they also have

667

00:30:35,360 --> 00:30:33,600

experiences in their childhood or were

668

00:30:37,790 --> 00:30:35,370

you able to question more people in your

669

00:30:40,220 --> 00:30:37,800

family and/or were they too frightened

670

00:30:42,919 --> 00:30:40,230

no they were very frightened they were

671

00:30:47,030 --> 00:30:42,929

very they were from an extreme religious

672

00:30:48,380 --> 00:30:47,040

sect and they were not the type the type

673

00:30:50,450 --> 00:30:48,390

of people who would discuss this sort of

674

00:30:52,130 --> 00:30:50,460

thing except for my mother and my mother

675

00:30:54,710 --> 00:30:52,140

just told me that these sorts of things

676

00:30:56,480 --> 00:30:54,720

have to be respected and tried to

677

00:31:00,140 --> 00:30:56,490

protect yourself from these things as

678

00:31:03,860 --> 00:31:00,150

much as possible okay but again she was

679

00:31:05,720 --> 00:31:03,870

putting that in a religious context well

680

00:31:07,880 --> 00:31:05,730

not my mother my mother was different

681

00:31:10,640 --> 00:31:07,890

my mother was a very powerful psychic

682

00:31:13,640 --> 00:31:10,650

and so she had different points of view

683

00:31:15,680 --> 00:31:13,650

on these sorts of things well that's

684

00:31:17,450 --> 00:31:15,690

that's what I was going to you know ask

685

00:31:19,100 --> 00:31:17,460

next because I know you that you had

686

00:31:21,410 --> 00:31:19,110

said after you had your first UFO

687

00:31:23,870 --> 00:31:21,420

encounter that she told you that this is

688

00:31:26,120 --> 00:31:23,880

something that you don't discuss except

689

00:31:28,430 --> 00:31:26,130

for you know inside the family which is

690

00:31:30,980 --> 00:31:28,440

a very really that's a progressive

691

00:31:32,720 --> 00:31:30,990

attitude you know because what she

692

00:31:36,200 --> 00:31:32,730

really meant was just with her that's

693

00:31:39,500 --> 00:31:36,210

what's really mad because my mom had a

694

00:31:41,570 --> 00:31:39,510

very special abilities and she was

695

00:31:44,030 --> 00:31:41,580

always and I I write about her in my

696

00:31:46,760 --> 00:31:44,040

books quite a bit because she was always

697

00:31:50,360 --> 00:31:46,770

my died in us in affairs of the

698

00:31:53,000 --> 00:31:50,370

paranormal always well and I'm I'm sure

699

00:31:55,930 --> 00:31:53,010

Susan will agree with this but I mean I

700

00:31:58,750 --> 00:31:55,940

I know in my research I found that

701
00:32:02,510 --> 00:31:58,760
probably a majority of people who have

702
00:32:08,780 --> 00:32:02,520
these types of experiences you know UFO

703
00:32:11,750 --> 00:32:08,790
experiences also have psychic paranormal

704
00:32:13,250 --> 00:32:11,760
experiences their families they have

705
00:32:16,250 --> 00:32:13,260
family members

706
00:32:21,230 --> 00:32:16,260
have the same kind of psychic paranormal

707
00:32:25,580 --> 00:32:21,240
experiences you know if you a lot of

708
00:32:30,290 --> 00:32:25,590
times if you see UFOs or and see you

709
00:32:32,510 --> 00:32:30,300
know unknown types of creatures more

710
00:32:36,050 --> 00:32:32,520
than likely you're also going to see

711
00:32:38,660 --> 00:32:36,060
ghosts yes yes very perceptive of you

712
00:32:40,220 --> 00:32:38,670
Tim yes because that is absolutely true

713
00:32:43,130 --> 00:32:40,230

as a matter of fact that's why that's

714

00:32:45,260 --> 00:32:43,140

why I had to write my latest book the

715

00:32:48,530 --> 00:32:45,270

clear hearers which is basically a

716

00:32:52,010 --> 00:32:48,540

history of my family as I was growing up

717

00:32:54,650 --> 00:32:52,020

and all of our paranormal experiences

718

00:32:57,140 --> 00:32:54,660

and what those experiences really meant

719

00:32:58,970 --> 00:32:57,150

and what they signified so yeah there's

720

00:33:02,210 --> 00:32:58,980

a lot of I'm a big believer in

721

00:33:06,650 --> 00:33:02,220

morphogenic sites which basically is

722

00:33:08,030 --> 00:33:06,660

just a referral reference to what and I

723

00:33:11,420 --> 00:33:08,040

forget who the great there was a great

724

00:33:13,390 --> 00:33:11,430

thinker philosopher who who really

725

00:33:16,490 --> 00:33:13,400

investigated this crossover phenomenon

726

00:33:19,580 --> 00:33:16,500

where you have a geographic site and

727

00:33:21,860 --> 00:33:19,590

we'll send out investigators to a place

728

00:33:24,500 --> 00:33:21,870

for instance in New Jersey this happened

729

00:33:26,440 --> 00:33:24,510

where there was a site where we sent out

730

00:33:29,690 --> 00:33:26,450

investigators where there was enormous

731

00:33:35,050 --> 00:33:29,700

UFO sighting activity in one geographic

732

00:33:38,420 --> 00:33:35,060

area and you'll send you'll send a

733

00:33:40,520 --> 00:33:38,430

investigators to that area but then they

734

00:33:42,850 --> 00:33:40,530

will they'll the people in that area

735

00:33:46,040 --> 00:33:42,860

will give interviews on the on the

736

00:33:48,710 --> 00:33:46,050

sightings on sometimes contacts and

737

00:33:50,450 --> 00:33:48,720

observation experiences but then some of

738

00:33:52,850 --> 00:33:50,460

them in the same area will say are you

739

00:33:54,440 --> 00:33:52,860

here about the Bigfoot sighting or the

740

00:33:56,570 --> 00:33:54,450

criminal creature the crypto creature

741

00:33:59,330 --> 00:33:56,580

sightings and people's and Bessie you

742

00:34:02,030 --> 00:33:59,340

say no and that at all or or they'll say

743

00:34:05,450 --> 00:34:02,040

are you did you did you know about the

744

00:34:07,700 --> 00:34:05,460

are our grandfather visited us last

745

00:34:10,190 --> 00:34:07,710

night as soon as the UFO sighting

746

00:34:12,860 --> 00:34:10,200

happened and our grandfather said

747

00:34:15,710 --> 00:34:12,870

something to us about family and we

748

00:34:17,300 --> 00:34:15,720

asked his and we asked the spirit we

749

00:34:19,330 --> 00:34:17,310

said are you being here is this have

750

00:34:21,040 --> 00:34:19,340

something to do with the UFO

751
00:34:24,630 --> 00:34:21,050
the spirit wouldn't know what they were

752
00:34:27,010 --> 00:34:24,640
talking about yeah it's very the same

753
00:34:29,530 --> 00:34:27,020
documented case there's many documented

754
00:34:33,220 --> 00:34:29,540
cases like that which shows that there's

755
00:34:36,760 --> 00:34:33,230
there appears to be crossover in these

756
00:34:38,170 --> 00:34:36,770
morphogenic sites that occur almost like

757
00:34:40,270 --> 00:34:38,180
we're dealing with gateways where

758
00:34:42,880 --> 00:34:40,280
different phenomena use the same

759
00:34:45,430 --> 00:34:42,890
gateways and yet have nothing in common

760
00:34:50,110 --> 00:34:45,440
with each other except for the fact that

761
00:34:52,090 --> 00:34:50,120
they are paranormal in some way they may

762
00:34:54,700 --> 00:34:52,100
they that might be that the common

763
00:34:56,320 --> 00:34:54,710

denominator it's also also with people I

764

00:34:59,050 --> 00:34:56,330

find that sometimes when I'll

765

00:35:00,730 --> 00:34:59,060

investigate a UFO case when I'm actually

766

00:35:02,530 --> 00:35:00,740

talking to someone and then they feel

767

00:35:05,140 --> 00:35:02,540

more comfortable but if it's more in

768

00:35:06,910 --> 00:35:05,150

person then they'll go on to tell me

769

00:35:09,070 --> 00:35:06,920

things like you know I had this great

770

00:35:10,900 --> 00:35:09,080

this amazing amazing exciting when I was

771

00:35:13,570 --> 00:35:10,910

an adult but you know when I was a kid I

772

00:35:15,280 --> 00:35:13,580

grew up in a haunted house or something

773

00:35:17,350 --> 00:35:15,290

like along those lines or they'll have

774

00:35:19,540 --> 00:35:17,360

these UFO experiences and then later go

775

00:35:21,550 --> 00:35:19,550

on to have ghost experiences or think so

776

00:35:24,940 --> 00:35:21,560

I think that there is a connection to

777

00:35:27,940 --> 00:35:24,950

location but also within families it

778

00:35:30,970 --> 00:35:27,950

does tend to run I think in families

779

00:35:33,610 --> 00:35:30,980

where people do have all sorts of

780

00:35:36,340 --> 00:35:33,620

different experiences over periods of

781

00:35:38,220 --> 00:35:36,350

time especially if the family members

782

00:35:40,720 --> 00:35:38,230

are willing to talk amongst each other

783

00:35:42,340 --> 00:35:40,730

you know and everything from like

784

00:35:44,530 --> 00:35:42,350

near-death experience to ghost

785

00:35:46,480 --> 00:35:44,540

experience to UFO experience I think

786

00:35:50,170 --> 00:35:46,490

that there is some fine line thread that

787

00:35:51,400 --> 00:35:50,180

connects them all that's my guess no

788

00:35:54,460 --> 00:35:51,410

that is that's absolutely right that

789

00:35:57,910 --> 00:35:54,470

does tend to happen with families and

790

00:36:00,250 --> 00:35:57,920

generations of people but I think it's

791

00:36:02,560 --> 00:36:00,260

like if the phenomena sticks to begin

792

00:36:05,170 --> 00:36:02,570

with and that's a weird way of putting

793

00:36:07,420 --> 00:36:05,180

it but yeah if it if it sticks to the

794

00:36:10,600 --> 00:36:07,430

person to begin with then it will

795

00:36:13,360 --> 00:36:10,610

progress with the with the following

796

00:36:16,600 --> 00:36:13,370

generations of that family but my

797

00:36:19,660 --> 00:36:16,610

experience has been more that psychic

798

00:36:24,400 --> 00:36:19,670

that paranormal phenomenon occurs and

799

00:36:27,579 --> 00:36:24,410

sticks with a building or a home and

800

00:36:31,450 --> 00:36:27,589

we'll just we'll just persist

801
00:36:33,849 --> 00:36:31,460
in that particular building or home for

802
00:36:35,859 --> 00:36:33,859
no matter who lives there or how long it

803
00:36:38,979 --> 00:36:35,869
goes on or hold moves in or out of that

804
00:36:41,140 --> 00:36:38,989
place and that's that's been more of my

805
00:36:45,069 --> 00:36:41,150
experience because I did I did actually

806
00:36:47,680 --> 00:36:45,079
grow up in a building haunted building

807
00:36:51,430 --> 00:36:47,690
when I was a kid and it was a building

808
00:36:54,969 --> 00:36:51,440
that purred it produced a lot of weird

809
00:36:57,279 --> 00:36:54,979
things it produced two different when I

810
00:36:59,859 --> 00:36:57,289
was growing up the particular building

811
00:37:02,620 --> 00:36:59,869
produced two different serial killers

812
00:37:05,019 --> 00:37:02,630
that never had contact with each other

813
00:37:08,349 --> 00:37:05,029

and never knew each other and yet

814

00:37:10,569 --> 00:37:08,359
consecutively they each did their

815

00:37:14,319 --> 00:37:10,579
operations out of that particular

816

00:37:17,890 --> 00:37:14,329
building yes it was crazy and a lot of

817

00:37:20,529 --> 00:37:17,900
other weird psychic phenomena happened

818

00:37:24,779 --> 00:37:20,539
out of that building as well and it was

819

00:37:27,009 --> 00:37:24,789
a great relief to me when about ten

820

00:37:29,620 --> 00:37:27,019
about ten years ago when the building

821

00:37:30,099 --> 00:37:29,630
was finally destroyed I was very happy

822

00:37:32,650 --> 00:37:30,109
about that

823

00:37:36,279 --> 00:37:32,660
but I came to find out it was it's

824

00:37:41,620 --> 00:37:36,289
actually rebuilt recently as a very

825

00:37:44,259 --> 00:37:41,630
expensive condominium area so I'm hoping

826
00:37:45,910 --> 00:37:44,269
that I'm hoping that everyone everything

827
00:37:47,650 --> 00:37:45,920
was destroyed with the last

828
00:37:50,950 --> 00:37:47,660
bricks-and-mortar of the previous

829
00:37:53,410 --> 00:37:50,960
structure sure that sounds absolutely

830
00:37:56,559 --> 00:37:53,420
very eerie with the serial killers and

831
00:38:00,400 --> 00:37:56,569
we had a similar situation here in in

832
00:38:02,709 --> 00:38:00,410
Ontario where there is an area that I

833
00:38:06,400 --> 00:38:02,719
lived in growing up and it also produced

834
00:38:08,469 --> 00:38:06,410
two serial killers and they're very also

835
00:38:11,529 --> 00:38:08,479
very weird things in a hotel that used

836
00:38:13,420 --> 00:38:11,539
to exist in this neighborhood and that

837
00:38:18,249 --> 00:38:13,430
was quite haunted at the time and also

838
00:38:20,380 --> 00:38:18,259

UFO sightings and such and so it sounds

839

00:38:23,170 --> 00:38:20,390

like we have a lot of similar sort of

840

00:38:28,420 --> 00:38:23,180

experience between you and I in

841

00:38:30,749 --> 00:38:28,430

different areas as well so yeah were the

842

00:38:34,569 --> 00:38:30,759

two serial killers together or were they

843

00:38:38,440 --> 00:38:34,579

separate inside it's interesting because

844

00:38:40,630 --> 00:38:38,450

I noticed one of them is well both of

845

00:38:41,190 --> 00:38:40,640

them are convicted in prisons here so

846

00:38:43,800 --> 00:38:41,200

when

847

00:38:46,980 --> 00:38:43,810

the name was Paul Bernardo and he was a

848

00:38:49,080 --> 00:38:46,990

serial sex killer there was another one

849

00:38:49,830 --> 00:38:49,090

that was also a serial sex killer who

850

00:38:52,200 --> 00:38:49,840

was a colonel

851

00:38:54,660 --> 00:38:52,210

within the Canadian military and they

852

00:38:56,550 --> 00:38:54,670

both lived in the same area now they I

853

00:38:58,770 --> 00:38:56,560

don't think that their crimes are in any

854

00:39:01,020 --> 00:38:58,780

way connected but it's interesting that

855

00:39:02,880 --> 00:39:01,030

on the internet a photo surfaced from

856

00:39:06,180 --> 00:39:02,890

the I think it was the late 70s or early

857

00:39:08,400 --> 00:39:06,190

80s where they were both at a party

858

00:39:09,990 --> 00:39:08,410

together and there's a picture of them

859

00:39:13,260 --> 00:39:10,000

together and neither of them at the time

860

00:39:17,280 --> 00:39:13,270

but you know suspected of anything but

861

00:39:19,940 --> 00:39:17,290

the one definitely absolutely was just a

862

00:39:24,150 --> 00:39:19,950

horror show throughout southern Ontario

863

00:39:25,680 --> 00:39:24,160

in the late 80s and early 90s and thank

864

00:39:28,470 --> 00:39:25,690

God they were both caught and put away

865

00:39:31,350 --> 00:39:28,480

but but yes they grew up in an area or

866

00:39:33,330 --> 00:39:31,360

they were living in an area anyway at

867

00:39:36,570 --> 00:39:33,340

one point where there was a lot of sort

868

00:39:38,880 --> 00:39:36,580

of UFO activities recorded there was a

869

00:39:41,160 --> 00:39:38,890

fellow in the 70s who had a van he was

870

00:39:43,020 --> 00:39:41,170

his UFO van that he would go out and

871

00:39:45,930 --> 00:39:43,030

record these these incidences and

872

00:39:49,170 --> 00:39:45,940

there's also this hotel called the guild

873

00:39:51,570 --> 00:39:49,180

in which was very haunted and its

874

00:39:54,600 --> 00:39:51,580

grounds were haunted and that as well so

875

00:39:56,250 --> 00:39:54,610

and and these people lived these serial

876

00:40:00,090 --> 00:39:56,260

killers lived in that general little

877

00:40:01,860 --> 00:40:00,100

vicinity so yeah very eerie how

878

00:40:04,020 --> 00:40:01,870

sometimes you have these areas or

879

00:40:06,090 --> 00:40:04,030

neighborhoods sort of that just they

880

00:40:10,410 --> 00:40:06,100

have that strange vibe that produce all

881

00:40:13,800 --> 00:40:10,420

sorts of weird stuff oh Jenny

882

00:40:19,410 --> 00:40:13,810

morphogenic sites yeah that's amazing

883

00:40:22,020 --> 00:40:19,420

yeah I think it takes though a a not

884

00:40:23,790 --> 00:40:22,030

special person but I mean you know you

885

00:40:26,190 --> 00:40:23,800

can have people who live in these houses

886

00:40:29,100 --> 00:40:26,200

or live in these areas and not have any

887

00:40:30,840 --> 00:40:29,110

kind of experience at all and then there

888

00:40:32,130 --> 00:40:30,850

are people who are susceptible to it

889

00:40:34,620 --> 00:40:32,140

they're you know they're like that

890

00:40:38,460 --> 00:40:34,630

they're like batteries almost maybe you

891

00:40:42,150 --> 00:40:38,470

know maybe they add energy to these

892

00:40:44,430 --> 00:40:42,160

places that then you know create this

893

00:40:48,450 --> 00:40:44,440

phenomena that will then start centering

894

00:40:51,420 --> 00:40:48,460

around them because I mean I've you know

895

00:40:53,040 --> 00:40:51,430

looked into haunted houses where you

896

00:40:54,420 --> 00:40:53,050

know you've had one family who live in

897

00:40:55,020 --> 00:40:54,430

the house and just you know all hell

898

00:40:57,000 --> 00:40:55,030

breaks loose

899

00:40:58,620 --> 00:40:57,010

all the time and but then the next

900

00:41:00,210 --> 00:40:58,630

family that moves in they'll be like

901
00:41:02,970 --> 00:41:00,220
nothing's happening here those people

902
00:41:05,130 --> 00:41:02,980
were crazy you know yeah that's

903
00:41:08,220 --> 00:41:05,140
different levels of protection I believe

904
00:41:11,580 --> 00:41:08,230
it is I think people have ways of being

905
00:41:13,980 --> 00:41:11,590
and conducting their their lives so that

906
00:41:17,250 --> 00:41:13,990
they are protected whether you want to

907
00:41:18,450 --> 00:41:17,260
say it's by beings of light or or angels

908
00:41:21,960 --> 00:41:18,460
or what-have-you

909
00:41:24,180 --> 00:41:21,970
that somehow they have a special sort of

910
00:41:26,430 --> 00:41:24,190
protection I think that's what it is do

911
00:41:29,550 --> 00:41:26,440
you think it could be a mindset as well

912
00:41:31,980 --> 00:41:29,560
like I mean I used to I used to

913
00:41:33,750 --> 00:41:31,990

occasionally going on investigations and

914

00:41:35,910 --> 00:41:33,760

we'd have like people that were super

915

00:41:37,230 --> 00:41:35,920

skeptical that really they they didn't

916

00:41:43,440 --> 00:41:37,240

believe anything and I would I would

917

00:41:44,790 --> 00:41:43,450

secretly call them black holes because I

918

00:41:46,920 --> 00:41:44,800

don't think these people can actually

919

00:41:49,590 --> 00:41:46,930

have experiences because their mindset

920

00:41:51,120 --> 00:41:49,600

is to such a degree that it just is not

921

00:41:53,610 --> 00:41:51,130

gonna happen that the whole thing gets

922

00:41:55,890 --> 00:41:53,620

shut down for them I think that those

923

00:41:58,590 --> 00:41:55,900

people I thought it's been always been

924

00:42:00,630 --> 00:41:58,600

my experience that those people will

925

00:42:03,480 --> 00:42:00,640

still have experiences but of a

926

00:42:06,780 --> 00:42:03,490

different type they will get a they will

927

00:42:09,780 --> 00:42:06,790

sometimes get a malaise or a I don't

928

00:42:11,670 --> 00:42:09,790

know how to describe darkness that will

929

00:42:13,380 --> 00:42:11,680

attach to them make them even more

930

00:42:15,660 --> 00:42:13,390

depressed than what they really are and

931

00:42:17,640 --> 00:42:15,670

they end up and they don't realize where

932

00:42:20,250 --> 00:42:17,650

it comes from or what it is because

933

00:42:21,960 --> 00:42:20,260

they're expecting to see ghosts and or

934

00:42:24,150 --> 00:42:21,970

or they're not expecting as egos

935

00:42:27,120 --> 00:42:24,160

whatever their cynical of viewpoint is

936

00:42:29,130 --> 00:42:27,130

and so but they do become affected they

937

00:42:31,350 --> 00:42:29,140

do and they just met in ways that they

938

00:42:34,500 --> 00:42:31,360

recognize that's what I that's been my

939

00:42:36,510 --> 00:42:34,510

experience for people like that well

940

00:42:39,750 --> 00:42:36,520

plus I think also that even if they do

941

00:42:42,090 --> 00:42:39,760

have some kind of unusual experience to

942

00:42:44,300 --> 00:42:42,100

find some way to explain it off you know

943

00:42:47,400 --> 00:42:44,310

it's like oh well it's you know it's

944

00:42:54,440 --> 00:42:47,410

they've got a million explanations you

945

00:42:58,110 --> 00:42:55,830

awkward

946

00:43:00,300 --> 00:42:58,120

Occam's razor and yet some of these

947

00:43:02,520 --> 00:43:00,310

people will jump through such fiery

948

00:43:05,400 --> 00:43:02,530

hoops to try to come up with an

949

00:43:07,020 --> 00:43:05,410

explanation that the explanation this

950

00:43:08,460 --> 00:43:07,030

you know makes a lot less sense than

951

00:43:12,430 --> 00:43:08,470

just like oh well it was it go

952

00:43:15,130 --> 00:43:12,440

there wasn't a monk like I mean wasn't

953

00:43:18,240 --> 00:43:15,140

wasn't his like razor really the idea

954

00:43:21,430 --> 00:43:18,250

that if you can't explain it it's God I

955

00:43:23,590 --> 00:43:21,440

think I think so I think I think Arkham

956

00:43:25,480 --> 00:43:23,600

Arkham was a monk and that was his

957

00:43:27,490 --> 00:43:25,490

default so it's kind of funny that the

958

00:43:30,010 --> 00:43:27,500

skeptics are using that Occam's razor

959

00:43:32,800 --> 00:43:30,020

well this is exactly the reason why I

960

00:43:35,410 --> 00:43:32,810

wherever I go I was tell people we need

961

00:43:39,610 --> 00:43:35,420

we need to have investigators in these

962

00:43:43,180 --> 00:43:39,620

areas Perl true investigators whether in

963

00:43:45,400 --> 00:43:43,190

from law enforcement or wherever but we

964

00:43:47,140 --> 00:43:45,410

need real investigators because real and

965

00:43:49,120 --> 00:43:47,150

true investigators and I was right about

966

00:43:52,360 --> 00:43:49,130

this in any of my books real

967

00:43:52,780 --> 00:43:52,370

investigators do not just follow the

968

00:43:55,240 --> 00:43:52,790

data

969

00:43:57,970 --> 00:43:55,250

a scientist great scientists like Boyd

970

00:43:59,680 --> 00:43:57,980

Bushmen have always told me you know

971

00:44:01,270 --> 00:43:59,690

who's real scientists have to always

972

00:44:03,790 --> 00:44:01,280

follow the data or what that really

973

00:44:05,800 --> 00:44:03,800

means it's code language means as soon

974

00:44:09,310 --> 00:44:05,810

as the physical data runs out the

975

00:44:10,870 --> 00:44:09,320

materialist paradigm runs out scientists

976
00:44:13,060 --> 00:44:10,880
can't go any further that's it they have

977
00:44:14,410 --> 00:44:13,070
to stop right there and true

978
00:44:18,280 --> 00:44:14,420
investigators have to follow the clues

979
00:44:20,590 --> 00:44:18,290
no matter where the clues lead and even

980
00:44:23,020 --> 00:44:20,600
if the the clues lead into the

981
00:44:24,880 --> 00:44:23,030
metaphysical they still have to go there

982
00:44:27,460 --> 00:44:24,890
because that's what an investigator does

983
00:44:30,580 --> 00:44:27,470
and that's all I am I'm just an

984
00:44:33,280 --> 00:44:30,590
investigator and I have to follow

985
00:44:36,280 --> 00:44:33,290
wherever they Clues the patterns the

986
00:44:38,800 --> 00:44:36,290
modus operandi the profiles that we're

987
00:44:41,080 --> 00:44:38,810
building wherever they lead I have to

988
00:44:44,140 --> 00:44:41,090

follow and I can't stop just because the

989

00:44:46,060 --> 00:44:44,150

physical material explanation runs out I

990

00:44:48,670 --> 00:44:46,070

can't do that don't have that comfort

991

00:44:51,910 --> 00:44:48,680

that scientists have and that's exactly

992

00:44:54,010 --> 00:44:51,920

why the scientific world views exactly

993

00:44:57,250 --> 00:44:54,020

the wrong one that will never get you

994

00:44:59,860 --> 00:44:57,260

anywhere in paranormal in ecology in

995

00:45:03,880 --> 00:44:59,870

things that go beyond the material

996

00:45:07,810 --> 00:45:03,890

that's just the way it is well I think

997

00:45:09,310 --> 00:45:07,820

one of the reasons is that and and I'm

998

00:45:10,630 --> 00:45:09,320

not you know I always bring this up and

999

00:45:14,140 --> 00:45:10,640

it's always been you know like the core

1000

00:45:17,330 --> 00:45:14,150

foundation of my own research is to

1001
00:45:20,510 --> 00:45:17,340
listen to the witness

1002
00:45:21,980 --> 00:45:20,520
so many people investigators scientists

1003
00:45:25,370 --> 00:45:21,990
I mean they come in with our own mindset

1004
00:45:26,900 --> 00:45:25,380
and they fail to listen to you know the

1005
00:45:30,380 --> 00:45:26,910
person who's actually had to experience

1006
00:45:33,170 --> 00:45:30,390
and listen to what they say and it's

1007
00:45:37,250 --> 00:45:33,180
like you said John when it comes to that

1008
00:45:39,860 --> 00:45:37,260
point where it goes beyond what is you

1009
00:45:41,510 --> 00:45:39,870
know currently known by science they

1010
00:45:43,880 --> 00:45:41,520
will listen to the witness because then

1011
00:45:46,100 --> 00:45:43,890
that's anecdotal evidence you know we

1012
00:45:48,260 --> 00:45:46,110
can't tear it apart in the laboratory we

1013
00:45:51,470 --> 00:45:48,270

can't replicate it it's not real it's

1014

00:45:53,660 --> 00:45:51,480

anecdotal evidence exactly and so

1015

00:45:57,410 --> 00:45:53,670

anything that can't be repeated in the

1016

00:46:00,740 --> 00:45:57,420

laboratory then becomes becomes invalid

1017

00:46:02,780 --> 00:46:00,750

and that's just not that's a formula for

1018

00:46:04,880 --> 00:46:02,790

never getting anywhere in the paranormal

1019

00:46:07,880 --> 00:46:04,890

which is exactly what science has done

1020

00:46:11,840 --> 00:46:07,890

for the last 60 years in ethology and in

1021

00:46:13,790 --> 00:46:11,850

the paranormal well I would I would say

1022

00:46:17,750 --> 00:46:13,800

with antidotal evidence I mean it is

1023

00:46:19,850 --> 00:46:17,760

used in courts of law so I mean the you

1024

00:46:21,860 --> 00:46:19,860

know we have to listen to the witnesses

1025

00:46:23,450 --> 00:46:21,870

because they are really seemingly the

1026

00:46:26,890 --> 00:46:23,460

only tangible thing we have at the

1027

00:46:30,890 --> 00:46:26,900

moment well not just anecdotal anything

1028

00:46:33,740 --> 00:46:30,900

anything can be evidence in a court of

1029

00:46:36,200 --> 00:46:33,750

law or in any venue that that handles

1030

00:46:39,230 --> 00:46:36,210

that deals with with proof and with

1031

00:46:41,210 --> 00:46:39,240

cases so people really don't really have

1032

00:46:42,370 --> 00:46:41,220

an idea of what evidence really is

1033

00:46:44,810 --> 00:46:42,380

anymore because of television

1034

00:46:47,210 --> 00:46:44,820

unfortunately they think they think that

1035

00:46:49,100 --> 00:46:47,220

it has to be done in the CSI manner and

1036

00:46:50,690 --> 00:46:49,110

it has to be has to be taken to a

1037

00:46:52,790 --> 00:46:50,700

laboratory that's what makes it evidence

1038

00:46:54,620 --> 00:46:52,800

and then nothing could be further from

1039

00:46:56,690 --> 00:46:54,630

the truth and that's why you need

1040

00:46:58,600 --> 00:46:56,700

experienced investigators in these areas

1041

00:47:01,280 --> 00:46:58,610

to really uncover that sort of thing

1042

00:47:02,690 --> 00:47:01,290

well and that's that's what we'll have

1043

00:47:05,750 --> 00:47:02,700

to bring up in the second hour of

1044

00:47:08,660 --> 00:47:05,760

exploring the bizarre your your career

1045

00:47:12,980 --> 00:47:08,670

with the the FBI and how possibly that

1046

00:47:15,440 --> 00:47:12,990

led to your current ideas on on all of

1047

00:47:17,540 --> 00:47:15,450

this so when we come out back after this

1048

00:47:21,410 --> 00:47:17,550

break we'll continue our conversation

1049

00:47:24,550 --> 00:47:21,420

with John Sousa and my host Susan the

1050

00:47:26,620 --> 00:47:24,560

timid or sorry Susan thankfully there

1051

00:47:30,230 --> 00:47:26,630

stay tuned

1052

00:47:41,140 --> 00:47:30,240

like the goddess like the God no say it

1053

00:47:48,100 --> 00:47:45,620

explode the bazaars or e-ticket ride

1054

00:47:51,380 --> 00:47:48,110

into the world of the paranoid

1055

00:47:55,690 --> 00:47:51,390

strap yourself e'en as we traverse the

1056

00:48:00,110 --> 00:47:55,700

universe exploring the unexplained UFO s

1057

00:48:04,280 --> 00:48:00,120

ghosts Lost Worlds cryptozoology waters

1058

00:48:08,780 --> 00:48:04,290

as well as other dimensions it's time to

1059

00:48:11,030 --> 00:48:08,790

take back the night last night now your

1060

00:48:17,740 --> 00:48:11,040

electrifying hosts of exploring the

1061

00:48:21,980 --> 00:48:19,940

alright welcome back to the second hour

1062

00:48:24,320 --> 00:48:21,990

of exploring the bizarre I'm Tim

1063

00:48:26,810 --> 00:48:24,330

Schwartz Tim Beckley unfortunately it

1064

00:48:30,380 --> 00:48:26,820

can't be with us tonight so instead we

1065

00:48:32,300 --> 00:48:30,390

brought in Susan Demeter st. Claire haha

1066

00:48:39,230 --> 00:48:32,310

yeah I got it right there yeah that's

1067

00:48:42,230 --> 00:48:39,240

right and our guest John D'Souza and

1068

00:48:47,150 --> 00:48:42,240

again anybody out there who has a

1069

00:48:49,820 --> 00:48:47,160

question for John or Susan or myself but

1070

00:48:51,860 --> 00:48:49,830

ask me any questions please I mean bring

1071

00:48:56,810 --> 00:48:51,870

him bring it in we were we were me hear

1072

00:49:01,490 --> 00:48:56,820

from you so John I wanted to bring up

1073

00:49:04,340 --> 00:49:01,500

all right 20 years plus working with the

1074

00:49:06,320 --> 00:49:04,350

FBI and I know that a lot of people you

1075

00:49:08,030 --> 00:49:06,330

know when they find out about you I mean

1076
00:49:09,950 --> 00:49:08,040
though they get all excited I mean they

1077
00:49:12,380 --> 00:49:09,960
start thinking about the x-files and you

1078
00:49:14,630 --> 00:49:12,390
know Mulder and Scully it's not my guy

1079
00:49:16,820 --> 00:49:14,640
but I mean you know for the for the most

1080
00:49:19,010 --> 00:49:16,830
part you know it's it's nothing like

1081
00:49:21,470 --> 00:49:19,020
that I mean you know the FBI generally

1082
00:49:23,450 --> 00:49:21,480
is not interested in you know there's a

1083
00:49:24,770 --> 00:49:23,460
paranormal UFOs or things like that

1084
00:49:29,240 --> 00:49:24,780
they've got other stuff that they have

1085
00:49:31,340 --> 00:49:29,250
to do that is true however they do have

1086
00:49:33,910 --> 00:49:31,350
to do whatever is in front of them

1087
00:49:36,770 --> 00:49:33,920
whether it's just a material

1088
00:49:41,330 --> 00:49:36,780

investigation that's normal criminal

1089

00:49:44,090 --> 00:49:41,340

matter or anything of that sort or if it

1090

00:49:46,010 --> 00:49:44,100

segues into the paranormal they have to

1091

00:49:47,870 --> 00:49:46,020

take care of it they have to do it and I

1092

00:49:50,270 --> 00:49:47,880

can prove that that has happened over

1093

00:49:53,180 --> 00:49:50,280

and over again because all you got to do

1094

00:49:54,560 --> 00:49:53,190

is go to the repository of all the

1095

00:49:58,690 --> 00:49:54,570

Declassified investigate

1096

00:50:02,930 --> 00:49:58,700

on the net which is which is at vault

1097

00:50:04,880 --> 00:50:02,940

fbi.gov anyone can go to it it's

1098

00:50:06,860 --> 00:50:04,890

available it's all for free you can

1099

00:50:09,320 --> 00:50:06,870

download any documents for free anyway

1100

00:50:11,450 --> 00:50:09,330

anything that people want and on there

1101

00:50:14,260 --> 00:50:11,460

there are regular investigations and

1102

00:50:17,840 --> 00:50:14,270

then there's another tab that says

1103

00:50:22,280 --> 00:50:17,850

unexplained phenomena there's a huge tab

1104

00:50:24,950 --> 00:50:22,290

and if you click on that you go to say

1105

00:50:28,460 --> 00:50:24,960

US other tabs open up one of them says

1106

00:50:31,850 --> 00:50:28,470

cattle mutilation investigations another

1107

00:50:35,810 --> 00:50:31,860

one says JFK assassination another one

1108

00:50:38,090 --> 00:50:35,820

says UFOs and that one the one that says

1109

00:50:40,760 --> 00:50:38,100

UFOs opens up when you click on that it

1110

00:50:43,400 --> 00:50:40,770

opens up into huge groups of documents

1111

00:50:45,680 --> 00:50:43,410

or talking thousands and thousands of

1112

00:50:48,020 --> 00:50:45,690

documents under various many many

1113

00:50:49,790 --> 00:50:48,030

investigations and those are all the UFO

1114

00:50:52,580 --> 00:50:49,800

investigations that have occurred in the

1115

00:50:55,790 --> 00:50:52,590

in the FBI and if you go to group one

1116

00:50:59,810 --> 00:50:55,800

you can group number one under the UFOs

1117

00:51:01,910 --> 00:50:59,820

tab you will see that the FBI has dealt

1118

00:51:04,670 --> 00:51:01,920

with many many of these types of

1119

00:51:08,630 --> 00:51:04,680

investigations as best they could anyway

1120

00:51:12,770 --> 00:51:08,640

and if you go to the group number one of

1121

00:51:16,100 --> 00:51:12,780

UFOs then you click on that you will can

1122

00:51:19,430 --> 00:51:16,110

go to page 22 and if you go to page 22

1123

00:51:22,160 --> 00:51:19,440

of group number one of UFO documents you

1124

00:51:25,220 --> 00:51:22,170

will see what I called the smoking gun

1125

00:51:28,850 --> 00:51:25,230

document which is the most suppressed

1126
00:51:32,650 --> 00:51:28,860
and ignored document in all wolf ology

1127
00:51:35,540 --> 00:51:32,660
and in all a paranormal it is a one-page

1128
00:51:38,090 --> 00:51:35,550
report from an FBI agent who also

1129
00:51:40,700 --> 00:51:38,100
happened to be a scientist as well and

1130
00:51:43,010 --> 00:51:40,710
he writes in this in this one-page

1131
00:51:45,320 --> 00:51:43,020
document which has hardly any strikeouts

1132
00:51:50,330 --> 00:51:45,330
it's also called a Memorandum of

1133
00:51:54,020 --> 00:51:50,340
importance written July 8th 1947 and it

1134
00:51:57,440 --> 00:51:54,030
says in it it says this FBI agent has an

1135
00:52:00,350 --> 00:51:57,450
informant and in it he says my informant

1136
00:52:03,040 --> 00:52:00,360
is supernormal which is an old-timey

1137
00:52:05,390 --> 00:52:03,050
word for supernatural or paranormal and

1138
00:52:08,089 --> 00:52:05,400

from the context it appears that his

1139

00:52:10,249 --> 00:52:08,099

informant is an alien visitor

1140

00:52:12,049 --> 00:52:10,259

because I see only conclusion income -

1141

00:52:13,880 --> 00:52:12,059

based on what he writes in the document

1142

00:52:15,499 --> 00:52:13,890

because a document has about eight

1143

00:52:18,069 --> 00:52:15,509

conclusions in it that were given to him

1144

00:52:22,189 --> 00:52:18,079

by this informant and the first one is

1145

00:52:27,109 --> 00:52:22,199

that alien visitors are not physical

1146

00:52:28,789 --> 00:52:27,119

they are not coming from our time and

1147

00:52:30,979 --> 00:52:28,799

space they're not coming from next

1148

00:52:33,739 --> 00:52:30,989

galaxy over they're not coming from the

1149

00:52:37,009 --> 00:52:33,749

Pleiades or from anywhere in our

1150

00:52:39,079 --> 00:52:37,019

physical reality he says they are coming

1151
00:52:42,439 --> 00:52:39,089
from other and he says he uses the word

1152
00:52:45,109 --> 00:52:42,449
Vettes which is the old the old benek

1153
00:52:47,329 --> 00:52:45,119
language right sorry sorry Lopes the

1154
00:52:49,670 --> 00:52:47,339
word is locusts which is the old Vedic

1155
00:52:52,249 --> 00:52:49,680
language for other levels of reality

1156
00:52:54,920 --> 00:52:52,259
other dimensions and so we're talking

1157
00:52:56,689 --> 00:52:54,930
about wormholes and gateways here this

1158
00:52:58,459 --> 00:52:56,699
this is what this this is what we're

1159
00:53:00,949 --> 00:52:58,469
talking about and he says they've

1160
00:53:03,499 --> 00:53:00,959
changed their vibration alien visitors

1161
00:53:06,140 --> 00:53:03,509
real ones they change their vibrations

1162
00:53:07,459 --> 00:53:06,150
to match our physical vibrations for

1163
00:53:09,709 --> 00:53:07,469

short periods of time and that's how

1164

00:53:12,199 --> 00:53:09,719

they appear here then he says and then

1165

00:53:13,779 --> 00:53:12,209

their vibration goes back and they go

1166

00:53:16,549 --> 00:53:13,789

back to where they came from

1167

00:53:18,229 --> 00:53:16,559

same thing with UFOs he says UFOs are

1168

00:53:21,559 --> 00:53:18,239

empty there's no one inside these UFOs

1169

00:53:24,469 --> 00:53:21,569

these UFOs accompany alien visitors to

1170

00:53:27,380 --> 00:53:24,479

carry out small tasks for them and they

1171

00:53:29,479 --> 00:53:27,390

says these are these alien visitors are

1172

00:53:31,279 --> 00:53:29,489

coming here and we should never attack

1173

00:53:34,430 --> 00:53:31,289

UFOs he says I would be a catastrophe

1174

00:53:37,009 --> 00:53:34,440

for our Air Force if we ever do that

1175

00:53:40,370 --> 00:53:37,019

because of there's incredibly advanced

1176

00:53:42,140 --> 00:53:40,380

technology and a few years after this

1177

00:53:45,079 --> 00:53:42,150

was written we saw that what happened in

1178

00:53:47,870 --> 00:53:45,089

1952 over Washington DC when our Air

1179

00:53:49,670 --> 00:53:47,880

Force was sent after a UFO invasion over

1180

00:53:52,249 --> 00:53:49,680

Washington DC over the Washington

1181

00:53:55,309 --> 00:53:52,259

Monument and some of the most protected

1182

00:53:57,859 --> 00:53:55,319

airspace in the nation and we had a UFO

1183

00:54:02,059 --> 00:53:57,869

invasion right over Washington DC in

1184

00:54:04,549 --> 00:54:02,069

1952 and our Air Force was humiliated by

1185

00:54:07,519 --> 00:54:04,559

these vehicles for two weeks almost 14

1186

00:54:11,509 --> 00:54:07,529

days day and night this happened over

1187

00:54:13,549 --> 00:54:11,519

the Washington DC Capitol and it was and

1188

00:54:15,529 --> 00:54:13,559

there's there's a Roberts Commission

1189

00:54:17,719 --> 00:54:15,539

report about that that basically there

1190

00:54:18,589 --> 00:54:17,729

were hundreds of military and civilian

1191

00:54:21,979 --> 00:54:18,599

witnesses

1192

00:54:24,349 --> 00:54:21,989

that saw this and those planes were so

1193

00:54:27,190 --> 00:54:24,359

many of the conclusions in this document

1194

00:54:29,329 --> 00:54:27,200

have been borne out over the years and

1195

00:54:31,039 --> 00:54:29,339

have been reinforced

1196

00:54:34,700 --> 00:54:31,049

that's as we've seen the

1197

00:54:38,180 --> 00:54:34,710

extra-dimensional hypothesis borne out

1198

00:54:46,579 --> 00:54:38,190

over many many cases well considering

1199

00:54:49,670 --> 00:54:46,589

I'm sorry Susan go ahead okay I'll go

1200

00:54:51,140 --> 00:54:49,680

first use in there because Illi need to

1201

00:54:54,109 --> 00:54:51,150

Burt I need to bring this up okay this

1202

00:54:58,029 --> 00:54:54,119

this document was written in 1947 that

1203

00:55:01,789 --> 00:54:58,039

now say that that was a pretty advanced

1204

00:55:06,499 --> 00:55:01,799

concept at that time considering that

1205

00:55:10,849 --> 00:55:06,509

you know any consideration from the US

1206

00:55:12,259 --> 00:55:10,859

Army Air Corps well I mean they weren't

1207

00:55:14,960 --> 00:55:12,269

even at that point even thinking about

1208

00:55:16,400 --> 00:55:14,970

you know uh extraterrestrials are aliens

1209

00:55:20,299 --> 00:55:16,410

from outer space they were worried that

1210

00:55:22,599 --> 00:55:20,309

these things were possibly a rush from

1211

00:55:25,640 --> 00:55:22,609

the Soviet Union or possibly even

1212

00:55:27,229 --> 00:55:25,650

possibly even Nazis that had you know

1213

00:55:29,749 --> 00:55:27,239

gotten away and we're you know like in

1214

00:55:31,249 --> 00:55:29,759

South America or someplace like that it

1215

00:55:33,019 --> 00:55:31,259

wasn't so quite a bit later that's the

1216

00:55:35,660 --> 00:55:33,029

whole that the idea of extraterrestrials

1217

00:55:41,049 --> 00:55:35,670

even came up so here you have this guy

1218

00:55:44,719 --> 00:55:41,059

talking about extra dimensional beings

1219

00:55:46,609 --> 00:55:44,729

visiting us that's just you know it just

1220

00:55:48,200 --> 00:55:46,619

blows my mind right but what was

1221

00:55:51,400 --> 00:55:48,210

happening at this time and the reason

1222

00:55:55,670 --> 00:55:51,410

that he wrote this document was because

1223

00:55:59,479 --> 00:55:55,680

apparently in 1947 in the run-up to that

1224

00:56:03,829 --> 00:55:59,489

that winter and going into fall that

1225

00:56:06,109 --> 00:56:03,839

there was a wave of ufos across not just

1226

00:56:08,239 --> 00:56:06,119

the country but across the world that

1227

00:56:11,959 --> 00:56:08,249

was apparently very very significant and

1228

00:56:14,660 --> 00:56:11,969

so the scientific community was asking

1229

00:56:16,789 --> 00:56:14,670

anybody has knowledge about this to tell

1230

00:56:18,739 --> 00:56:16,799

them tell them what is this who are

1231

00:56:21,109 --> 00:56:18,749

these who are these UFOs what are they

1232

00:56:24,079 --> 00:56:21,119

doing what do they want and so that's

1233

00:56:25,999 --> 00:56:24,089

why he wrote this document but what

1234

00:56:29,749 --> 00:56:26,009

happened at the same time right around

1235

00:56:31,690 --> 00:56:29,759

July of 1947 that buried this document

1236

00:56:34,750 --> 00:56:31,700

for the next forty years

1237

00:56:37,059 --> 00:56:34,760

absolutely absolutely buried this

1238

00:56:40,180 --> 00:56:37,069

document what happened was the Roswell

1239

00:56:42,280 --> 00:56:40,190

crash and the discovery of the Roswell

1240

00:56:44,680 --> 00:56:42,290

crash right around the same time which

1241

00:56:47,170 --> 00:56:44,690

the Roswell crash I believe was a SIA

1242

00:56:49,450 --> 00:56:47,180

that was done to make us believe the

1243

00:56:51,520 --> 00:56:49,460

opposite to make us believe that alien

1244

00:56:52,900 --> 00:56:51,530

visitors are completely physical that

1245

00:56:54,700 --> 00:56:52,910

they're just like us

1246

00:56:56,799 --> 00:56:54,710

that they just locked themselves in tin

1247

00:56:58,390 --> 00:56:56,809

cans and just like any of us could have

1248

00:57:00,549 --> 00:56:58,400

a car accident end up dead by the side

1249

00:57:01,990 --> 00:57:00,559

of the road that alien visitors are just

1250

00:57:03,579 --> 00:57:02,000

like that they're they can lock

1251

00:57:05,799 --> 00:57:03,589

themselves in these tin cans that can

1252

00:57:07,839 --> 00:57:05,809

crash and a couple of bodies just dead

1253

00:57:10,690 --> 00:57:07,849

by the end by the side of the road just

1254

00:57:13,180 --> 00:57:10,700

like any of us could end up so that's

1255

00:57:15,280 --> 00:57:13,190

the reason because Roswell happened

1256

00:57:16,809 --> 00:57:15,290

it basically buried this document and

1257

00:57:18,760 --> 00:57:16,819

took away any attention from this

1258

00:57:21,220 --> 00:57:18,770

document for the next 40 years more or

1259

00:57:23,380 --> 00:57:21,230

less I was gonna ask you about that

1260

00:57:25,480 --> 00:57:23,390

because when you first started telling

1261

00:57:27,490 --> 00:57:25,490

us about this you had used the word

1262

00:57:30,309 --> 00:57:27,500

suppressed and I was gonna ask you who

1263

00:57:32,470 --> 00:57:30,319

do you feel is suppressing this document

1264

00:57:35,109 --> 00:57:32,480

if it's available online for us to all

1265

00:57:37,420 --> 00:57:35,119

read well it is now yeah it is now about

1266

00:57:39,370 --> 00:57:37,430

many years later through just through

1267

00:57:44,319 --> 00:57:39,380

the process of ordinary declassification

1268

00:57:46,390 --> 00:57:44,329

of time yeah so and so that is how but

1269

00:57:49,359 --> 00:57:46,400

no when I say suppression what I really

1270

00:57:51,400 --> 00:57:49,369

mean is just by taking away putting no

1271

00:57:52,780 --> 00:57:51,410

attention on it I mean whenever you

1272

00:57:54,579 --> 00:57:52,790

point the camera at something you're

1273

00:57:57,309 --> 00:57:54,589

taking it away from somewhere else so

1274

00:57:57,970 --> 00:57:57,319

just by ignoring it it's never been

1275

00:58:00,609 --> 00:57:57,980

brought up

1276

00:58:04,720 --> 00:58:00,619

meanwhile the something like the the

1277

00:58:08,039 --> 00:58:04,730

jato memo the FBI huddle memo which is

1278

00:58:11,079 --> 00:58:08,049

just basically a memo is is constantly

1279

00:58:13,240 --> 00:58:11,089

pointed at and and publicized all the

1280

00:58:15,250 --> 00:58:13,250

time and how the memo was nothing more

1281

00:58:18,250 --> 00:58:15,260

than the FBI recognizing that Roswell

1282

00:58:19,660 --> 00:58:18,260

happened and that they had to have and

1283

00:58:22,240 --> 00:58:19,670

that the FBI had to get some

1284

00:58:23,530 --> 00:58:22,250

investigations out there so that the Air

1285

00:58:26,200 --> 00:58:23,540

Force wouldn't take all of the

1286

00:58:29,380 --> 00:58:26,210

information and glory from from that

1287

00:58:32,140 --> 00:58:29,390

particular investigation so so for

1288

00:58:34,359 --> 00:58:32,150

instance it's so what I meant was it was

1289

00:58:36,910 --> 00:58:34,369

suppressed by simply not having any

1290

00:58:39,190 --> 00:58:36,920

attention placed upon it when it was

1291

00:58:42,220 --> 00:58:39,200

something so explosive

1292

00:58:44,380 --> 00:58:42,230

and so revelatory as far as what it

1293

00:58:46,299 --> 00:58:44,390

tells us and where it tells that

1294

00:58:47,519 --> 00:58:46,309

that information is from but it would

1295

00:58:50,109 --> 00:58:47,529

have been available to other

1296

00:58:52,750 --> 00:58:50,119

investigators at the time I'm just

1297

00:58:56,920 --> 00:58:52,760

trying to gauge the mood with the FBI as

1298

00:58:59,319 --> 00:58:56,930

to these sort of that these phenomena

1299

00:59:02,200 --> 00:58:59,329

there's obviously they have investigated

1300

00:59:05,049 --> 00:59:02,210

and and I'll believe that's true of all

1301
00:59:06,910 --> 00:59:05,059
law enforcement to the best of what they

1302
00:59:10,150 --> 00:59:06,920
can because obviously there's no crimes

1303
00:59:12,519 --> 00:59:10,160
really being committed per se but I I do

1304
00:59:14,200 --> 00:59:12,529
know that here in in Ontario there was

1305
00:59:16,480 --> 00:59:14,210
an autobiography done by one of the

1306
00:59:18,549 --> 00:59:16,490
Chiefs of Police in Toronto where it's

1307
00:59:21,250 --> 00:59:18,559
not about the paranormal but he does

1308
00:59:23,950 --> 00:59:21,260
include a small chapter about Inuk a

1309
00:59:26,200 --> 00:59:23,960
case that sort of alludes to potential

1310
00:59:28,720 --> 00:59:26,210
ghosts and synchronicities of all things

1311
00:59:30,549 --> 00:59:28,730
that occurred during the investigation

1312
00:59:33,099 --> 00:59:30,559
that actually led them to an arrest

1313
00:59:35,319 --> 00:59:33,109

so I I do believe that that they do

1314

00:59:37,630 --> 00:59:35,329

actually follow up on these things as

1315

00:59:41,349 --> 00:59:37,640

you said where the clues sort of lead

1316

00:59:43,000 --> 00:59:41,359

you but I'm just wondering in your time

1317

00:59:44,920 --> 00:59:43,010

and the FBI did you find that there were

1318

00:59:48,220 --> 00:59:44,930

more people that perhaps would be open

1319

00:59:51,549 --> 00:59:48,230

to these types of phenomena or is it

1320

00:59:53,470 --> 00:59:51,559

just based on cases or was this

1321

00:59:56,259 --> 00:59:53,480

something that you sort of honed in on

1322

00:59:58,390 --> 00:59:56,269

during your career or yes it was it

1323

01:00:00,910 --> 00:59:58,400

would be all of the above because early

1324

01:00:04,150 --> 01:00:00,920

in my career in the FBI I was always a

1325

01:00:07,930 --> 01:00:04,160

collection point for paranormal cases

1326

01:00:10,359 --> 01:00:07,940

and for paranormal work and so and even

1327

01:00:12,430 --> 01:00:10,369

paranormal stories of other people in

1328

01:00:14,349 --> 01:00:12,440

law enforcement so that was always

1329

01:00:15,999 --> 01:00:14,359

something that I was so I always found a

1330

01:00:18,039 --> 01:00:16,009

greater openness to it but that could be

1331

01:00:20,769 --> 01:00:18,049

because people would come to me with

1332

01:00:22,900 --> 01:00:20,779

that sort of thing all the time so you

1333

01:00:26,710 --> 01:00:22,910

know as a matter of fact some of my

1334

01:00:30,490 --> 01:00:26,720

cases in the 90s were apparently used

1335

01:00:34,410 --> 01:00:30,500

for a show called the x-files not by my

1336

01:00:36,299 --> 01:00:34,420

doing not by anything I did but but by

1337

01:00:39,609 --> 01:00:36,309

things that were done by other people

1338

01:00:42,579 --> 01:00:39,619

because we had a we had a major inquiry

1339

01:00:45,789 --> 01:00:42,589

by the bosses in the FBI who wanted to

1340

01:00:47,740 --> 01:00:45,799

know from from the creator of the

1341

01:00:49,660 --> 01:00:47,750

exhaust Chris Carter where he was

1342

01:00:51,400 --> 01:00:49,670

getting his information because I had

1343

01:00:54,920 --> 01:00:51,410

possibly been some case information that

1344

01:00:57,410 --> 01:00:54,930

had been taken into his episodes

1345

01:00:58,640 --> 01:00:57,420

the x-files and so he was questioned

1346

01:01:01,099 --> 01:00:58,650

about that I was questioned about

1347

01:01:02,870 --> 01:01:01,109

whether I had given any information on

1348

01:01:06,230 --> 01:01:02,880

that sort of thing and I was able to say

1349

01:01:10,279 --> 01:01:06,240

no I had no contact at all and at that

1350

01:01:12,049 --> 01:01:10,289

time basically Chris Carter and I had

1351
01:01:14,210 --> 01:01:12,059
the same question which was well they

1352
01:01:16,789 --> 01:01:14,220
could tell us the exact episodes they're

1353
01:01:20,000 --> 01:01:16,799
talking about then we could go further

1354
01:01:22,039 --> 01:01:20,010
and finding out what information gotten

1355
01:01:23,539 --> 01:01:22,049
out on those and they weren't willing to

1356
01:01:25,690 --> 01:01:23,549
say that so they kind of called it a tie

1357
01:01:30,170 --> 01:01:25,700
and told Chris Carter he could go on

1358
01:01:32,720 --> 01:01:30,180
doing his show The X Files and and I was

1359
01:01:35,539 --> 01:01:32,730
unfortunately given the nickname the

1360
01:01:38,870 --> 01:01:35,549
x-files guy which was a shortened

1361
01:01:41,180 --> 01:01:38,880
shortened to the x-man after that I was

1362
01:01:43,670 --> 01:01:41,190
told I was demoted from the key man to

1363
01:01:45,829 --> 01:01:43,680

x-men oh dear well that would be a

1364

01:01:48,289 --> 01:01:45,839

promotion I would think because that's

1365

01:01:50,990 --> 01:01:48,299

you know like yeah as opposed to because

1366

01:01:53,960 --> 01:01:51,000

g-man but then x-man is like you know I

1367

01:01:55,490 --> 01:01:53,970

think x-men right that's a I would say

1368

01:01:57,500 --> 01:01:55,500

that's a promotion because you're

1369

01:02:00,410 --> 01:01:57,510

dealing with all this sort of really

1370

01:02:02,480 --> 01:02:00,420

interesting cool stuff I remember at the

1371

01:02:04,819 --> 01:02:02,490

time I was a huge fan of the x-files and

1372

01:02:07,039 --> 01:02:04,829

Chris Carter was saying that his

1373

01:02:09,170 --> 01:02:07,049

inspiration to sort of begin writing was

1374

01:02:11,539 --> 01:02:09,180

from the old kolcheck series from the

1375

01:02:13,670 --> 01:02:11,549

1970s where there was the he wasn't an

1376

01:02:16,400 --> 01:02:13,680

FBI guy he was more of a journalist that

1377

01:02:18,589 --> 01:02:16,410

was chasing vampires and things but I'm

1378

01:02:21,049 --> 01:02:18,599

wondering if maybe it's a situation of

1379

01:02:23,510 --> 01:02:21,059

art imitating life sort of that maybe

1380

01:02:25,400 --> 01:02:23,520

somehow he was pooling from some greater

1381

01:02:27,859 --> 01:02:25,410

consciousness and getting this

1382

01:02:31,579 --> 01:02:27,869

information that seemingly seemed like

1383

01:02:34,960 --> 01:02:31,589

true FBI cases yeah well my view my view

1384

01:02:38,299 --> 01:02:34,970

is he had he had retired FBI agents

1385

01:02:41,510 --> 01:02:38,309

working as consultants which other TV

1386

01:02:44,480 --> 01:02:41,520

shows do and my own suspicion is that

1387

01:02:47,150 --> 01:02:44,490

they took some of my stuff that they had

1388

01:02:49,490 --> 01:02:47,160

been aware of and used it in the show

1389

01:02:51,920 --> 01:02:49,500

that's just that's just my own suspicion

1390

01:02:54,740 --> 01:02:51,930

because you you were recognizing things

1391

01:02:56,599 --> 01:02:54,750

that were there were deals done yes yeah

1392

01:03:00,680 --> 01:02:56,609

it's it's weird the way the secrecy

1393

01:03:04,730 --> 01:03:00,690

system works it's like I can't really

1394

01:03:05,769 --> 01:03:04,740

talk about my own cases to a certain

1395

01:03:08,450 --> 01:03:05,779

extent

1396

01:03:11,269 --> 01:03:08,460

but it's weird but you can talk about

1397

01:03:14,059 --> 01:03:11,279

somebody else's cases if you if you talk

1398

01:03:17,239 --> 01:03:14,069

about them like as a rumor or as this is

1399

01:03:19,309 --> 01:03:17,249

what I heard then it's fine to do but

1400

01:03:22,190 --> 01:03:19,319

yes we're but as an FBI agent you can't

1401
01:03:24,589 --> 01:03:22,200
talk so much directly about your own

1402
01:03:27,950 --> 01:03:24,599
cases unless it's in a very vague sort

1403
01:03:30,769 --> 01:03:27,960
of way yes yeah I'd love to know what

1404
01:03:34,309 --> 01:03:30,779
episodes of the eff of the x-files that

1405
01:03:36,769 --> 01:03:34,319
got the FBI so interested yeah hey well

1406
01:03:38,569 --> 01:03:36,779
they will reveal what that is but you

1407
01:03:40,400 --> 01:03:38,579
know you go and you watch these shows

1408
01:03:42,950 --> 01:03:40,410
like maybe it's that one no no it's this

1409
01:03:46,160 --> 01:03:42,960
one you know well it had to be the first

1410
01:03:48,259 --> 01:03:46,170
the first years worth because it was

1411
01:03:49,819 --> 01:03:48,269
this happened during the first during

1412
01:03:54,620 --> 01:03:49,829
the first year that the x-files was on

1413
01:03:57,589 --> 01:03:54,630

the air mm-hmm interesting

1414

01:03:59,779 --> 01:03:57,599

when and Chris Carter always you know he

1415

01:04:01,700 --> 01:03:59,789

always said that oh no no I didn't you

1416

01:04:04,849 --> 01:04:01,710

know I just we just wrote this up all

1417

01:04:06,440 --> 01:04:04,859

all our own but then he said that he was

1418

01:04:08,630 --> 01:04:06,450

afraid that the FBI was gonna take him

1419

01:04:11,329 --> 01:04:08,640

off the air yeah well this is why it's

1420

01:04:14,660 --> 01:04:11,339

for this reason yeah yeah but the FBI

1421

01:04:16,220 --> 01:04:14,670

can't do that I don't think they could

1422

01:04:20,210 --> 01:04:16,230

either I don't think they could either

1423

01:04:26,170 --> 01:04:20,220

but you know government people they suck

1424

01:04:33,400 --> 01:04:30,529

well okay I'm interested in the story

1425

01:04:35,539 --> 01:04:33,410

that you told about the indigo children

1426

01:04:38,359 --> 01:04:35,549

do you want to tell us a little bit

1427

01:04:42,109 --> 01:04:38,369

about that oh sure you know in that's a

1428

01:04:45,019 --> 01:04:42,119

fascinating case in 2001 the FBI had

1429

01:04:48,229 --> 01:04:45,029

stood up all of these intelligence right

1430

01:04:51,979 --> 01:04:48,239

after the the World Trade Center had

1431

01:04:56,749 --> 01:04:51,989

been had been bombed and destroyed in

1432

01:04:58,519 --> 01:04:56,759

the alleged terrorist acts we had we had

1433

01:05:00,410 --> 01:04:58,529

stood up all these intelligence centers

1434

01:05:01,700 --> 01:05:00,420

all over the all over the countries

1435

01:05:03,769 --> 01:05:01,710

intelligence task force's that were

1436

01:05:06,200 --> 01:05:03,779

collecting information on anybody who

1437

01:05:08,680 --> 01:05:06,210

could know who was who all were involved

1438

01:05:11,299 --> 01:05:08,690

in the World Trade Center bombing and

1439

01:05:16,339 --> 01:05:11,309

the attack on the World Trade Center and

1440

01:05:19,320 --> 01:05:16,349

so we had we had all these centers that

1441

01:05:21,090 --> 01:05:19,330

had FBI agents police local police from

1442

01:05:22,830 --> 01:05:21,100

every department every kind of police

1443

01:05:25,020 --> 01:05:22,840

agency they were all in these places

1444

01:05:27,750 --> 01:05:25,030

collecting leads and collecting

1445

01:05:29,610 --> 01:05:27,760

information on anybody calling in and

1446

01:05:31,080 --> 01:05:29,620

people were told see son they say

1447

01:05:32,700 --> 01:05:31,090

something you know call it in let us

1448

01:05:36,120 --> 01:05:32,710

know because we're looking for any

1449

01:05:37,530 --> 01:05:36,130

possible clues on the what happened at

1450

01:05:40,530 --> 01:05:37,540

the World Trade Center so please let us

1451
01:05:42,000 --> 01:05:40,540
know and so you know thousands thousands

1452
01:05:43,320 --> 01:05:42,010
probably hundreds of thousands across

1453
01:05:45,720 --> 01:05:43,330
the country because we're talking all

1454
01:05:49,670 --> 01:05:45,730
over the country these centers had been

1455
01:05:53,610 --> 01:05:49,680
stood up and so what we found was that

1456
01:05:58,140 --> 01:05:53,620
there were dozens and dozens of these

1457
01:06:02,040 --> 01:05:58,150
calls of people calling in information

1458
01:06:04,080 --> 01:06:02,050
on little kids little kids now why would

1459
01:06:07,410 --> 01:06:04,090
they call it information of little kids

1460
01:06:08,970 --> 01:06:07,420
it was because there were a dozen dozens

1461
01:06:11,610 --> 01:06:08,980
of these cases across the country where

1462
01:06:14,160 --> 01:06:11,620
little kids had had precognitive

1463
01:06:17,280 --> 01:06:14,170

experiences of what was going to happen

1464

01:06:19,950 --> 01:06:17,290

on 9/11 and we're talking kids as young

1465

01:06:23,460 --> 01:06:19,960

it's like five years old going all the

1466

01:06:26,850 --> 01:06:23,470

way up to twelve years old and but and

1467

01:06:29,460 --> 01:06:26,860

so we have as for example we had a one

1468

01:06:31,080 --> 01:06:29,470

little boy who did this beautiful finger

1469

01:06:33,240 --> 01:06:31,090

painting if you go on my facebook I

1470

01:06:37,890 --> 01:06:33,250

actually have a I actually have a

1471

01:06:40,320 --> 01:06:37,900

trailer on my facebook of my book my

1472

01:06:42,120 --> 01:06:40,330

first book the para investigators where

1473

01:06:45,660 --> 01:06:42,130

I actually in the trailer actually put

1474

01:06:47,070 --> 01:06:45,670

the the actual finger painting and we

1475

01:06:50,550 --> 01:06:47,080

have a little boy did this beautiful

1476

01:06:53,760 --> 01:06:50,560

finger painting in class the day before

1477

01:06:56,250 --> 01:06:53,770

9/11 and the teacher came over to him

1478

01:06:57,330 --> 01:06:56,260

said wow wow sweetheart these these two

1479

01:06:59,490 --> 01:06:57,340

tall buildings

1480

01:07:01,290 --> 01:06:59,500

very nicely done these two tall

1481

01:07:03,840 --> 01:07:01,300

buildings appear to be glowing and

1482

01:07:06,000 --> 01:07:03,850

there's angels flying out of these

1483

01:07:08,850 --> 01:07:06,010

buildings with red wings where these

1484

01:07:10,770 --> 01:07:08,860

Angels flying to and the little boy says

1485

01:07:13,620 --> 01:07:10,780

to the teacher these buildings aren't

1486

01:07:15,840 --> 01:07:13,630

glowing these buildings are on fire and

1487

01:07:17,850 --> 01:07:15,850

those aren't angels with red wings he

1488

01:07:19,410 --> 01:07:17,860

says those are people who are also on

1489

01:07:22,620 --> 01:07:19,420

fire and they're jumping out of the

1490

01:07:25,050 --> 01:07:22,630

buildings so teacher walks away from a

1491

01:07:26,760 --> 01:07:25,060

kid like that just doesn't talk doesn't

1492

01:07:27,730 --> 01:07:26,770

think about it much more until 9/11

1493

01:07:30,790 --> 01:07:27,740

happens

1494

01:07:33,400 --> 01:07:30,800

and then she actually calls that in as a

1495

01:07:35,380 --> 01:07:33,410

possible connection to terrorism of some

1496

01:07:37,780 --> 01:07:35,390

sort and we have another little girl

1497

01:07:40,450 --> 01:07:37,790

who's on a playground who was just

1498

01:07:42,160 --> 01:07:40,460

playing by herself not not playing with

1499

01:07:44,620 --> 01:07:42,170

the other little kid she was sitting on

1500

01:07:46,480 --> 01:07:44,630

the dirt and tracing designs in the dirt

1501
01:07:48,790 --> 01:07:46,490
with her finger and teacher's aide comes

1502
01:07:50,079 --> 01:07:48,800
over to her says you okay you know are

1503
01:07:52,599 --> 01:07:50,089
you all right sweetheart you know what's

1504
01:07:54,490 --> 01:07:52,609
uh are you and little girl says I'm fine

1505
01:07:56,829 --> 01:07:54,500
I'm just thinking that's all and then

1506
01:07:59,320 --> 01:07:56,839
the teacher a teacher's assistant goes

1507
01:08:01,900 --> 01:07:59,330
to walk away and the little girl pulled

1508
01:08:04,740 --> 01:08:01,910
on her skirt violently and says to her

1509
01:08:07,599 --> 01:08:04,750
tomorrow stay away from tall buildings

1510
01:08:12,670 --> 01:08:07,609
because tall buildings fall down and

1511
01:08:14,050 --> 01:08:12,680
sometimes they fall on people yeah again

1512
01:08:15,790 --> 01:08:14,060
the teacher walks away from that little

1513
01:08:18,249 --> 01:08:15,800

girl doesn't think about it at all until

1514

01:08:20,650 --> 01:08:18,259

9/11 happened the next day then she

1515

01:08:22,059 --> 01:08:20,660

thinks back on the experience and thinks

1516

01:08:24,670 --> 01:08:22,069

well maybe I should let somebody know

1517

01:08:27,160 --> 01:08:24,680

this little girl said this so there's

1518

01:08:28,870 --> 01:08:27,170

another little boy who was on a school

1519

01:08:29,440 --> 01:08:28,880

bus he's always the first kid off a

1520

01:08:32,200 --> 01:08:29,450

school bus

1521

01:08:34,300 --> 01:08:32,210

every day very anxious little little boy

1522

01:08:36,970 --> 01:08:34,310

but on this day he's sound asleep and

1523

01:08:39,849 --> 01:08:36,980

the last person on the bus sound asleep

1524

01:08:41,499 --> 01:08:39,859

and bus driver goes back there to wake

1525

01:08:43,360 --> 01:08:41,509

him up and little boys having a

1526

01:08:45,579 --> 01:08:43,370

nightmare wakes up screaming about

1527

01:08:48,940 --> 01:08:45,589

people on fire jumping out of buildings

1528

01:08:50,890 --> 01:08:48,950

and how horrible it is and bus driver

1529

01:08:52,959 --> 01:08:50,900

doesn't think about it and just sends

1530

01:08:56,740 --> 01:08:52,969

the kid in the school make sure he's

1531

01:08:58,630 --> 01:08:56,750

okay and but then when 911 happens

1532

01:09:00,550 --> 01:08:58,640

bus driver thinks about that experience

1533

01:09:02,410 --> 01:09:00,560

again thinks it's kind of odd and

1534

01:09:04,959 --> 01:09:02,420

figures he should phone it in so that's

1535

01:09:06,849 --> 01:09:04,969

what happened and there were dozens of

1536

01:09:10,120 --> 01:09:06,859

these experiences that occurred all over

1537

01:09:12,190 --> 01:09:10,130

the country and they had to be

1538

01:09:14,140 --> 01:09:12,200

investigated they had to be run out the

1539

01:09:17,890 --> 01:09:14,150

investigation had to be run out to the

1540

01:09:20,530 --> 01:09:17,900

end we had the big police officers or

1541

01:09:21,999 --> 01:09:20,540

FBI agents with guns had to go interview

1542

01:09:24,220 --> 01:09:22,009

these little kids or remind them of

1543

01:09:25,749 --> 01:09:24,230

these experiences and then check the

1544

01:09:27,249 --> 01:09:25,759

backgrounds of the families to see if

1545

01:09:30,729 --> 01:09:27,259

there was any connection anyone in

1546

01:09:32,530 --> 01:09:30,739

terrorism and they had to be checked out

1547

01:09:35,709 --> 01:09:32,540

and in every single one of these cases

1548

01:09:38,349 --> 01:09:35,719

it came back no connection to terrorism

1549

01:09:40,090 --> 01:09:38,359

whatsoever so that the paranormal

1550

01:09:40,930 --> 01:09:40,100

explanation every one of these cases the

1551

01:09:45,870 --> 01:09:40,940

paranormal

1552

01:09:50,260 --> 01:09:45,880

nation was the only explanation left I

1553

01:09:52,599 --> 01:09:50,270

would think it would be so hard to talk

1554

01:09:53,920 --> 01:09:52,609

to these children you know I mean

1555

01:09:55,870 --> 01:09:53,930

because you know I mean you know

1556

01:10:00,250 --> 01:09:55,880

children that age you know after so long

1557

01:10:05,410 --> 01:10:00,260

a time their own fantasies are going to

1558

01:10:06,850 --> 01:10:05,420

start intruding into these initial you

1559

01:10:09,520 --> 01:10:06,860

know precognition or you know whatever

1560

01:10:11,050 --> 01:10:09,530

you'd want to call it and it'd be like

1561

01:10:12,310 --> 01:10:11,060

it oh yeah you know those buildings on

1562

01:10:15,580 --> 01:10:12,320

fire and stuff like that but it was

1563

01:10:17,590 --> 01:10:15,590

caused by dragons yeah yeah things like

1564

01:10:21,220 --> 01:10:17,600

that so I mean you know how how

1565

01:10:24,430 --> 01:10:21,230

difficult would it be to you know weed

1566

01:10:25,510 --> 01:10:24,440

out the chaff so to speak was very hard

1567

01:10:27,160 --> 01:10:25,520

and it's always hard I mean some of

1568

01:10:30,670 --> 01:10:27,170

these kids didn't even remember until

1569

01:10:34,120 --> 01:10:30,680

they they had to be really jogged mm-hmm

1570

01:10:36,820 --> 01:10:34,130

no alright well we'll continue this

1571

01:10:39,160 --> 01:10:36,830

story and others would we come back from

1572

01:10:40,390 --> 01:10:39,170

our next break here we are Suzan already

1573

01:10:45,070 --> 01:10:40,400

at the bottom of the hour

1574

01:10:47,590 --> 01:10:45,080

Josh time really flies all right well we

1575

01:10:57,080 --> 01:10:47,600

will be right back for more exploring

1576

01:11:03,780 --> 01:11:01,200

now back to exploring the bazaar with

1577

01:11:07,110 --> 01:11:03,790

two of the most electrifying researchers

1578

01:11:13,560 --> 01:11:07,120

in the Paranoid your hosts Timothy Becca

1579

01:11:16,740 --> 01:11:13,570

Lee and chase lists well here we are

1580

01:11:19,350 --> 01:11:16,750

Susan bottom of the hour less than a

1581

01:11:22,320 --> 01:11:19,360

half hour left of the show so many

1582

01:11:24,390 --> 01:11:22,330

questions so little time there is this

1583

01:11:26,210 --> 01:11:24,400

is just it's gone by too quickly you'll

1584

01:11:29,010 --> 01:11:26,220

just you're gonna have to have me back

1585

01:11:34,230 --> 01:11:29,020

yes yeah I think William Anderson

1586

01:11:35,730 --> 01:11:34,240

yes sir John I want to ask you because

1587

01:11:38,190 --> 01:11:35,740

we were talking about this these

1588

01:11:40,710 --> 01:11:38,200

children and it got me to thinking about

1589

01:11:42,720 --> 01:11:40,720

the ethics and treating witnesses and

1590

01:11:46,170 --> 01:11:42,730

and generally investigating the

1591

01:11:48,330 --> 01:11:46,180

paranormal you have a background in law

1592

01:11:50,460 --> 01:11:48,340

enforcement that you can sort of pull

1593

01:11:53,670 --> 01:11:50,470

from and you can you can go on with your

1594

01:11:56,100 --> 01:11:53,680

investigations from that background what

1595

01:11:59,070 --> 01:11:56,110

advice do you have for the UFO community

1596

01:12:01,680 --> 01:11:59,080

and people that are out there that may

1597

01:12:04,170 --> 01:12:01,690

not have that background but but want to

1598

01:12:06,060 --> 01:12:04,180

research and investigate these cases

1599

01:12:09,690 --> 01:12:06,070

would what what advice do you have for

1600

01:12:11,520 --> 01:12:09,700

them well it well for investigators as

1601
01:12:13,130 --> 01:12:11,530
far as any type of investigator and

1602
01:12:17,340 --> 01:12:13,140
whether you're talking ghost hunters or

1603
01:12:19,980 --> 01:12:17,350
any sorts of people who are UFO hunters

1604
01:12:22,920 --> 01:12:19,990
or things like that I always I always

1605
01:12:25,830 --> 01:12:22,930
tell them please just take a look at the

1606
01:12:28,410 --> 01:12:25,840
free sample on my book the parent

1607
01:12:32,160 --> 01:12:28,420
investigators which lays down it's just

1608
01:12:34,980 --> 01:12:32,170
some basic rules and regs and procedures

1609
01:12:37,380 --> 01:12:34,990
for how investigations and evidence

1610
01:12:40,260 --> 01:12:37,390
should be conducted just simple things

1611
01:12:41,880 --> 01:12:40,270
simple things and standards that need to

1612
01:12:45,990 --> 01:12:41,890
be followed so that people have some

1613
01:12:47,790 --> 01:12:46,000

idea of what real evidence means what

1614

01:12:50,540 --> 01:12:47,800

what you really do with witness

1615

01:12:53,089 --> 01:12:50,550

testimony informant information

1616

01:12:55,069 --> 01:12:53,099

what goes on what do we really need to

1617

01:12:58,280 --> 01:12:55,079

look at and what do we need to consider

1618

01:13:01,609 --> 01:12:58,290

because because television has ruined

1619

01:13:04,750 --> 01:13:01,619

this area for us it has really it really

1620

01:13:08,089 --> 01:13:04,760

has and so that's what I was but for

1621

01:13:11,149 --> 01:13:08,099

generally for the apology community I

1622

01:13:13,209 --> 01:13:11,159

always I always wherever I go I was tell

1623

01:13:15,049 --> 01:13:13,219

people just please protect yourselves

1624

01:13:19,700 --> 01:13:15,059

protect yourselves if you're an

1625

01:13:23,660 --> 01:13:19,710

experienced or be very protective of

1626
01:13:25,310 --> 01:13:23,670
your information of who you are because

1627
01:13:29,510 --> 01:13:25,320
once you get loaded into one of these

1628
01:13:31,910 --> 01:13:29,520
bit databases those databases can be

1629
01:13:35,390 --> 01:13:31,920
shared with you don't know with whom and

1630
01:13:36,950 --> 01:13:35,400
you don't know where and so you have to

1631
01:13:41,209 --> 01:13:36,960
be very protective of your information

1632
01:13:42,979 --> 01:13:41,219
of who you are don't don't open up don't

1633
01:13:44,990 --> 01:13:42,989
open up your front door ever to someone

1634
01:13:46,399 --> 01:13:45,000
dressed all in black but saying that

1635
01:13:49,220 --> 01:13:46,409
from some federal agency that you've

1636
01:13:51,200 --> 01:13:49,230
never heard of no one should be how to

1637
01:13:53,330 --> 01:13:51,210
get into your home or have contact with

1638
01:13:55,310 --> 01:13:53,340

you that you don't want so those are the

1639

01:13:56,899 --> 01:13:55,320

things I always advise people and tell

1640

01:13:59,270 --> 01:13:56,909

them to just to take care of themselves

1641

01:14:01,339 --> 01:13:59,280

and protect themselves because you have

1642

01:14:03,979 --> 01:14:01,349

something people want especially if

1643

01:14:06,260 --> 01:14:03,989

you're an experienced or person who has

1644

01:14:08,959 --> 01:14:06,270

gone through this sort of thing and has

1645

01:14:11,510 --> 01:14:08,969

enhanced personal experiences in this

1646

01:14:13,189 --> 01:14:11,520

area people want your information they

1647

01:14:16,370 --> 01:14:13,199

want to know who you are they want to

1648

01:14:19,280 --> 01:14:16,380

identify you and they want to funnel

1649

01:14:22,010 --> 01:14:19,290

that information to places that may not

1650

01:14:23,330 --> 01:14:22,020

be the best places to funnel them so

1651

01:14:27,169 --> 01:14:23,340

those are those are the things I always

1652

01:14:29,479 --> 01:14:27,179

say that's great advice I agree with you

1653

01:14:30,799 --> 01:14:29,489

you know view there and and if someone

1654

01:14:33,169 --> 01:14:30,809

does talk to you make sure you get

1655

01:14:35,979 --> 01:14:33,179

credentials and and find out exactly who

1656

01:14:38,390 --> 01:14:35,989

they are before you you confide in them

1657

01:14:40,669 --> 01:14:38,400

exactly there's a lot of people out

1658

01:14:44,209 --> 01:14:40,679

there they pretend that they're with the

1659

01:14:45,770 --> 01:14:44,219

FBI or the CIA and they're not and I

1660

01:14:48,500 --> 01:14:45,780

always you always have to get a badge

1661

01:14:50,569 --> 01:14:48,510

number my badge number was one zero five

1662

01:14:53,299 --> 01:14:50,579

eight five that will always be my badge

1663

01:14:54,859 --> 01:14:53,309

number and and you always get their name

1664

01:14:56,629 --> 01:14:54,869

and badge number and then you called the

1665

01:14:58,220 --> 01:14:56,639

yellow 202 area code where they're

1666

01:15:00,620 --> 01:14:58,230

supposed headquarters is to identify

1667

01:15:01,850 --> 01:15:00,630

them and say is this guy really with

1668

01:15:04,310 --> 01:15:01,860

your agency

1669

01:15:10,160 --> 01:15:04,320

it's very important to do that's just my

1670

01:15:14,660 --> 01:15:10,170

PSA what was your favorite case whoa my

1671

01:15:16,840 --> 01:15:14,670

favorite case yes sorry Tim no no no

1672

01:15:20,570 --> 01:15:16,850

that's that's no that's a great question

1673

01:15:23,629 --> 01:15:20,580

my favorite case geez I I'm always asked

1674

01:15:27,350 --> 01:15:23,639

what is the scariest case or the worst

1675

01:15:30,830 --> 01:15:27,360

case or the most awful case but uh I

1676

01:15:33,109 --> 01:15:30,840

would say my favourite case that I have

1677

01:15:36,919 --> 01:15:33,119

actually that I have actually uh

1678

01:15:39,859 --> 01:15:36,929

come across that I have looked into and

1679

01:15:43,430 --> 01:15:39,869

that I have had experience with the UH

1680

01:15:47,750 --> 01:15:43,440

with the people involved I would say is

1681

01:15:50,270 --> 01:15:47,760

the Travis Walton case in 1975 because

1682

01:15:52,399 --> 01:15:50,280

it keeps developing there are new

1683

01:15:54,200 --> 01:15:52,409

developments in that case and a lot of

1684

01:15:58,180 --> 01:15:54,210

people may not know that Travis Walton

1685

01:16:03,439 --> 01:15:58,190

was the very young man in 1975 who was

1686

01:16:05,540 --> 01:16:03,449

abducted aboard a ship from the forests

1687

01:16:07,910 --> 01:16:05,550

of the sit graves National Park in

1688

01:16:11,990 --> 01:16:07,920

Arizona where he was with a logging crew

1689

01:16:15,109 --> 01:16:12,000

and he was he was taken aboard a ship

1690

01:16:17,290 --> 01:16:15,119

for five days and during that time his

1691

01:16:20,450 --> 01:16:17,300

compatriots were accused of his murder

1692

01:16:23,419 --> 01:16:20,460

and people who fit in the town there

1693

01:16:25,820 --> 01:16:23,429

figured that he had murdered he had been

1694

01:16:28,370 --> 01:16:25,830

murdered by his friends who were the

1695

01:16:30,350 --> 01:16:28,380

rest of the logging crew and so the FBI

1696

01:16:31,700 --> 01:16:30,360

got involved and state troopers got

1697

01:16:34,729 --> 01:16:31,710

involved and they were getting ready to

1698

01:16:36,800 --> 01:16:34,739

indict his friends for murder because

1699

01:16:38,450 --> 01:16:36,810

his body was missing and there was and

1700

01:16:40,790 --> 01:16:38,460

there was no explanation for his body

1701

01:16:44,570 --> 01:16:40,800

being missing however he was returned

1702

01:16:48,350 --> 01:16:44,580

five days later and he came back and he

1703

01:16:52,340 --> 01:16:48,360

was he was dehydrated and he was kind of

1704

01:16:53,959 --> 01:16:52,350

out of it but he was he was alive and so

1705

01:16:57,609 --> 01:16:53,969

the developments have happened since

1706

01:17:01,520 --> 01:16:57,619

then have been pretty amazing because

1707

01:17:04,129 --> 01:17:01,530

what occurred later in later and of

1708

01:17:06,800 --> 01:17:04,139

course he has passed passed many

1709

01:17:08,810 --> 01:17:06,810

polygraphs and and he has maintained

1710

01:17:09,620 --> 01:17:08,820

absolute truth of everything that

1711

01:17:11,750 --> 01:17:09,630

happened to him

1712

01:17:14,930 --> 01:17:11,760

that he was taken aboard a ship he was

1713

01:17:15,990 --> 01:17:14,940

confronted by a trio of Grey's that were

1714

01:17:18,480 --> 01:17:16,000

trying to

1715

01:17:20,550 --> 01:17:18,490

handle him and take him in a certain

1716

01:17:22,650 --> 01:17:20,560

direction he became violent with them he

1717

01:17:25,080 --> 01:17:22,660

he pushed them a seat

1718

01:17:28,800 --> 01:17:25,090

toss them around kind of those three

1719

01:17:30,800 --> 01:17:28,810

portrays left he then went walked went

1720

01:17:33,840 --> 01:17:30,810

on a tour self-guided tour of the ship

1721

01:17:34,980 --> 01:17:33,850

which turned out to be a huge Coliseum

1722

01:17:37,320 --> 01:17:34,990

area

1723

01:17:39,540 --> 01:17:37,330

it's like fifth dimensional space

1724

01:17:42,030 --> 01:17:39,550

because the ship that he saw from the

1725

01:17:43,620 --> 01:17:42,040

outside appeared to be about 60 feet in

1726

01:17:48,210 --> 01:17:43,630

diameter yet when he was walking around

1727

01:17:51,090 --> 01:17:48,220

inside his huge Coliseum areas opened up

1728

01:17:53,400 --> 01:17:51,100

and he was going from one open-air

1729

01:17:55,770 --> 01:17:53,410

chamber to another and it was enormous

1730

01:17:57,090 --> 01:17:55,780

space there that he was walking through

1731

01:18:01,080 --> 01:17:57,100

and eventually he was confronted by

1732

01:18:03,750 --> 01:18:01,090

another trio of Nordics that then took

1733

01:18:07,290 --> 01:18:03,760

him and returned him to the medical

1734

01:18:08,940 --> 01:18:07,300

facility room and they were able to put

1735

01:18:11,160 --> 01:18:08,950

him down on that table and return him

1736

01:18:13,170 --> 01:18:11,170

back to where he was and the reason that

1737

01:18:16,680 --> 01:18:13,180

case keeps developing is a couple of

1738

01:18:18,570 --> 01:18:16,690

reasons one of them is that another

1739

01:18:21,840 --> 01:18:18,580

witness came up in that case it was a

1740

01:18:24,180 --> 01:18:21,850

military soldier who was in the forest

1741

01:18:26,730 --> 01:18:24,190

who was hunting something in the forest

1742

01:18:31,380 --> 01:18:26,740

that night and he emerged from the

1743

01:18:34,020 --> 01:18:31,390

forest and he actually saw on his right

1744

01:18:37,230 --> 01:18:34,030

he saw a pickup truck peeling out with a

1745

01:18:40,530 --> 01:18:37,240

bunch of guys screaming in it and then

1746

01:18:44,670 --> 01:18:40,540

he looked at his left and he saw a very

1747

01:18:47,850 --> 01:18:44,680

thin young white man being pulled up

1748

01:18:50,130 --> 01:18:47,860

into the bottom of a ship and he and

1749

01:18:51,810 --> 01:18:50,140

that's what he saw and he said the young

1750

01:18:52,710 --> 01:18:51,820

man disappeared into the bottom of that

1751

01:18:56,340 --> 01:18:52,720

ship

1752

01:18:59,730 --> 01:18:56,350

and he was floating on nothing his being

1753

01:19:01,020 --> 01:18:59,740

just just floated on up and then he went

1754

01:19:02,850 --> 01:19:01,030

to his base commander told him what he

1755

01:19:04,050 --> 01:19:02,860

saw and he said should I come forward

1756

01:19:05,310 --> 01:19:04,060

because they're getting ready to indict

1757

01:19:08,160 --> 01:19:05,320

those guys from murder his base

1758

01:19:10,170 --> 01:19:08,170

commander told him no I wait and see if

1759

01:19:11,490 --> 01:19:10,180

they're indicted then if they are then

1760

01:19:16,260 --> 01:19:11,500

you can come forward and say what you

1761

01:19:18,840 --> 01:19:16,270

saw oh yeah so so anyway that was one

1762

01:19:21,720 --> 01:19:18,850

development that came forward and then

1763

01:19:25,290 --> 01:19:21,730

the other development is that Jarvis

1764

01:19:26,529 --> 01:19:25,300

Walton himself and also my investigative

1765

01:19:29,439 --> 01:19:26,539

conclusion

1766

01:19:33,909 --> 01:19:29,449

- the same came to the same place which

1767

01:19:36,639 --> 01:19:33,919

is that his the reason his abduction was

1768

01:19:39,189 --> 01:19:36,649

so different from any other abduction

1769

01:19:41,049 --> 01:19:39,199

ever in history because because all the

1770

01:19:44,829 --> 01:19:41,059

abductions tend to follow the classic

1771

01:19:46,929 --> 01:19:44,839

Betty and Barney Hill paradigm but his

1772

01:19:49,119 --> 01:19:46,939

abduction is so different and now what

1773

01:19:50,529 --> 01:19:49,129

we've come to realize is and the

1774

01:19:53,799 --> 01:19:50,539

investigative conclusion I came to is

1775

01:19:57,270 --> 01:19:53,809

that it wasn't an abduction at all what

1776

01:20:01,119 --> 01:19:57,280

happened to him was a rescue operation

1777

01:20:03,579 --> 01:20:01,129

because his this ship was getting ready

1778

01:20:06,129 --> 01:20:03,589

to take off and he foolishly ran

1779

01:20:09,189 --> 01:20:06,139

underneath it and what happened was the

1780

01:20:12,250 --> 01:20:09,199

ship was did take off but he gave off a

1781

01:20:14,349 --> 01:20:12,260

bolt of energy for some reason that went

1782

01:20:14,829 --> 01:20:14,359

through his body and pretty much killed

1783

01:20:20,469 --> 01:20:14,839

him

1784

01:20:22,539 --> 01:20:20,479

as a ship took off somehow they became

1785

01:20:25,809 --> 01:20:22,549

aware they had killed someone on the

1786

01:20:29,770 --> 01:20:25,819

ground accidentally they returned they

1787

01:20:32,229 --> 01:20:29,780

came back and picked him up for only for

1788

01:20:34,419 --> 01:20:32,239

the purposes of reviving him and

1789

01:20:36,459 --> 01:20:34,429

bringing him back to life and bringing

1790

01:20:40,449 --> 01:20:36,469

him back to health because for whatever

1791

01:20:42,609 --> 01:20:40,459

reason they Wow want to do that and so

1792

01:20:44,709 --> 01:20:42,619

today Travis Walton says they basically

1793

01:20:46,719 --> 01:20:44,719

saved his life it was a rescue operation

1794

01:20:49,479 --> 01:20:46,729

and that's why they were so completely

1795

01:20:52,059 --> 01:20:49,489

unprepared to do command and control on

1796

01:20:54,339 --> 01:20:52,069

him when he was on the ship that he I

1797

01:20:56,739 --> 01:20:54,349

reacted violently and the three grades

1798

01:20:58,659 --> 01:20:56,749

went running and that's the only time

1799

01:21:00,159 --> 01:20:58,669

that's ever happened in an abduction and

1800

01:21:02,259 --> 01:21:00,169

it's because it wasn't an abduction at

1801
01:21:03,939 --> 01:21:02,269
all it was a rescue operation where they

1802
01:21:06,339 --> 01:21:03,949
were trying to repair the harm that they

1803
01:21:07,869 --> 01:21:06,349
did by mistake and they were trying to

1804
01:21:10,119 --> 01:21:07,879
just bring him back to life which they

1805
01:21:12,699 --> 01:21:10,129
did and then they just returned him back

1806
01:21:15,219 --> 01:21:12,709
to where they got him from that's why

1807
01:21:17,289 --> 01:21:15,229
that's that's one of my that's like my

1808
01:21:21,579 --> 01:21:17,299
favorite case because it has it turns

1809
01:21:22,989 --> 01:21:21,589
out it has such a happy ending even

1810
01:21:25,929 --> 01:21:22,999
though it took us a long time to realize

1811
01:21:28,359 --> 01:21:25,939
what actually happened in that case and

1812
01:21:31,419 --> 01:21:28,369
that they basically just saved his life

1813
01:21:33,909 --> 01:21:31,429

and even better that's awesome

1814

01:21:37,719 --> 01:21:33,919

that's an amazing I like that too that

1815

01:21:39,850 --> 01:21:37,729

it's it's a feel-good sort of ending to

1816

01:21:41,560 --> 01:21:39,860

this the story that he has

1817

01:21:43,600 --> 01:21:41,570

where the movie the movie was quite

1818

01:21:46,959 --> 01:21:43,610

frightening I remember fire in the sky

1819

01:21:49,899 --> 01:21:46,969

but this is I'm I'm I'm feeling a little

1820

01:21:51,580 --> 01:21:49,909

more uplifted hearing it this way and it

1821

01:21:53,200 --> 01:21:51,590

also makes me think it's similar to

1822

01:21:55,540 --> 01:21:53,210

those sort of maybe he had a partial

1823

01:21:58,330 --> 01:21:55,550

near-death experience because some of

1824

01:22:00,790 --> 01:21:58,340

the abductions do sound a lot like the

1825

01:22:03,340 --> 01:22:00,800

near-death experiences with the lights

1826

01:22:06,090 --> 01:22:03,350

and going into a sort of a light and a

1827

01:22:10,300 --> 01:22:06,100

tunnel and then there's beings there

1828

01:22:12,189 --> 01:22:10,310

yeah so so maybe there's some tie-in

1829

01:22:14,950 --> 01:22:12,199

there too what do you think of the

1830

01:22:17,970 --> 01:22:14,960

concept for John I made you know you've

1831

01:22:20,830 --> 01:22:17,980

been talking about how more than likely

1832

01:22:23,620 --> 01:22:20,840

UFOs and other types of experiences like

1833

01:22:27,850 --> 01:22:23,630

that are probably more rather than you

1834

01:22:30,010 --> 01:22:27,860

know extraterrestrials or energy beans

1835

01:22:32,649 --> 01:22:30,020

for one of a better word you know from

1836

01:22:36,669 --> 01:22:32,659

from from other dimensions that the

1837

01:22:39,930 --> 01:22:36,679

original three creatures that Travis ran

1838

01:22:42,820 --> 01:22:39,940

across and you fought so vigorously

1839

01:22:45,100 --> 01:22:42,830

against and then later he ran across

1840

01:22:46,780 --> 01:22:45,110

three more you know Nordic

1841

01:22:47,919 --> 01:22:46,790

humanoid-looking that you know maybe he

1842

01:22:49,479 --> 01:22:47,929

was dealing with the same three

1843

01:22:51,490 --> 01:22:49,489

creatures they just were able to change

1844

01:22:52,990 --> 01:22:51,500

their shape yeah I believe that's

1845

01:22:55,870 --> 01:22:53,000

exactly what happened I think they just

1846

01:22:57,910 --> 01:22:55,880

the three greys what he perceived us

1847

01:23:00,040 --> 01:22:57,920

three greys simply went and changed

1848

01:23:02,800 --> 01:23:00,050

clothing that was more appropriate for

1849

01:23:05,709 --> 01:23:02,810

the occasion because since he was going

1850

01:23:09,669 --> 01:23:05,719

to fight them they needed they needed to

1851
01:23:11,890 --> 01:23:09,679
have a guys that was bigger stronger and

1852
01:23:14,020 --> 01:23:11,900
able to deal with him which is exactly

1853
01:23:15,580 --> 01:23:14,030
what the three Nordics did they they

1854
01:23:17,439 --> 01:23:15,590
even performed movements that were very

1855
01:23:20,020 --> 01:23:17,449
exact ly the same as the three grades

1856
01:23:22,270 --> 01:23:20,030
we're trying to do and and they

1857
01:23:25,600 --> 01:23:22,280
exhibited other patterns that were very

1858
01:23:27,310 --> 01:23:25,610
similar to the three grays so yeah I

1859
01:23:31,359 --> 01:23:27,320
believe that's what it is I believe that

1860
01:23:32,979 --> 01:23:31,369
these alien visitors are extra

1861
01:23:35,890 --> 01:23:32,989
dimensional and I believe that they may

1862
01:23:37,629 --> 01:23:35,900
be able they probably change species the

1863
01:23:39,760 --> 01:23:37,639

same way that we would just change

1864

01:23:42,070 --> 01:23:39,770

clothing that's what one of the things

1865

01:23:44,500 --> 01:23:42,080

they do and that's very difficult for

1866

01:23:47,620 --> 01:23:44,510

people to get their heads around because

1867

01:23:48,879 --> 01:23:47,630

we've always thought of this this area a

1868

01:23:51,160 --> 01:23:48,889

certain way

1869

01:23:52,540 --> 01:23:51,170

and we never thought of outside that box

1870

01:23:55,600 --> 01:23:52,550

oh yeah

1871

01:23:57,250 --> 01:23:55,610

so that's why I always say I present the

1872

01:23:59,109 --> 01:23:57,260

unthinkable in ethology because this is

1873

01:24:02,649 --> 01:23:59,119

just because these are ways in which we

1874

01:24:05,859 --> 01:24:02,659

haven't thought yet that's all very

1875

01:24:08,379 --> 01:24:05,869

interesting yeah yeah very much and I

1876

01:24:10,359 --> 01:24:08,389

was just gonna say you know it to me

1877

01:24:14,620 --> 01:24:10,369

that idea makes a lot of sense

1878

01:24:18,160 --> 01:24:14,630

considering how knowledgeable these

1879

01:24:19,930 --> 01:24:18,170

these things are particularly with the

1880

01:24:21,010 --> 01:24:19,940

individual witnesses because I mean you

1881

01:24:23,620 --> 01:24:21,020

know you you know there are a lot of

1882

01:24:25,660 --> 01:24:23,630

cases where the you know the the things

1883

01:24:27,760 --> 01:24:25,670

that come out of the Atlantic craft you

1884

01:24:29,320 --> 01:24:27,770

know we'll talk to the witness and even

1885

01:24:30,939 --> 01:24:29,330

make predictions about what's going to

1886

01:24:33,180 --> 01:24:30,949

happen to them you know in the future

1887

01:24:35,290 --> 01:24:33,190

which you wouldn't think that you know a

1888

01:24:38,520 --> 01:24:35,300

scientist from another planet would be

1889

01:24:41,919 --> 01:24:38,530

able to to if they were visiting earth

1890

01:24:44,919 --> 01:24:41,929

exactly you know it's a these creatures

1891

01:24:46,899 --> 01:24:44,929

are not restricted by our time and space

1892

01:24:50,109 --> 01:24:46,909

and there's a matter of fact that's one

1893

01:24:52,540 --> 01:24:50,119

of the great discoveries of abductions

1894

01:24:57,010 --> 01:24:52,550

is that it appears they are able to

1895

01:25:01,030 --> 01:24:57,020

manipulate time very easily stop it

1896

01:25:03,700 --> 01:25:01,040

climb out of it climb back into it as it

1897

01:25:05,649 --> 01:25:03,710

that's convenience dictates so yeah

1898

01:25:07,990 --> 01:25:05,659

they're these are the ways in which

1899

01:25:12,160 --> 01:25:08,000

these creatures function the ways that

1900

01:25:14,740 --> 01:25:12,170

they move around are not ways which

1901

01:25:17,140 --> 01:25:14,750

humans do because they're not they're

1902

01:25:19,600 --> 01:25:17,150

not like humans at all no matter what

1903

01:25:22,180 --> 01:25:19,610

Roswell crash tells us happened they are

1904

01:25:25,379 --> 01:25:22,190

not like humans they are there are many

1905

01:25:28,330 --> 01:25:25,389

degrees many orders of degrees above

1906

01:25:30,850 --> 01:25:28,340

human and so that's why we that's how we

1907

01:25:33,459 --> 01:25:30,860

need to think of this more like more

1908

01:25:36,640 --> 01:25:33,469

like light creatures like you said

1909

01:25:39,189 --> 01:25:36,650

before and maybe that can change sort of

1910

01:25:42,189 --> 01:25:39,199

their appearance depending upon culture

1911

01:25:44,160 --> 01:25:42,199

too and history because you know Jacques

1912

01:25:46,959 --> 01:25:44,170

Vallee had done his work on the

1913

01:25:50,140 --> 01:25:46,969

passports Magana where he showed that a

1914

01:25:52,660 --> 01:25:50,150

lot of them current cases are similar to

1915

01:25:56,649 --> 01:25:52,670

the fairies of you know centuries ago

1916

01:25:58,839 --> 01:25:56,659

and and different cultures they they

1917

01:26:01,120 --> 01:25:58,849

experience them in different ways so you

1918

01:26:02,500 --> 01:26:01,130

have many humanoids many many different

1919

01:26:04,270 --> 01:26:02,510

types yeah

1920

01:26:06,910 --> 01:26:04,280

for they said that he would be terribly

1921

01:26:08,950 --> 01:26:06,920

disappointed if alien visitors were

1922

01:26:11,320 --> 01:26:08,960

nothing more than a physical phenomena

1923

01:26:13,390 --> 01:26:11,330

traveling through space because he

1924

01:26:16,390 --> 01:26:13,400

believes that they are much much more

1925

01:26:18,910 --> 01:26:16,400

than that and so that's how we and he

1926

01:26:20,920 --> 01:26:18,920

also said this for the alien visitor

1927

01:26:24,760 --> 01:26:20,930

phenomena appears to have much more in

1928

01:26:27,150 --> 01:26:24,770

common with spirit istic phenomena than

1929

01:26:29,800 --> 01:26:27,160

anything else that we have seen and

1930

01:26:32,320 --> 01:26:29,810

that's how it looks to me too that's why

1931

01:26:35,200 --> 01:26:32,330

I wrote the extra dimensionals to really

1932

01:26:38,220 --> 01:26:35,210

explain how that works and what their

1933

01:26:40,840 --> 01:26:38,230

agendas are which is also very important

1934

01:26:42,610 --> 01:26:40,850

well hopefully more people get out there

1935

01:26:45,700 --> 01:26:42,620

and they'll be reading your book and

1936

01:26:47,860 --> 01:26:45,710

expand their horizons a bit because I

1937

01:26:49,810 --> 01:26:47,870

I'm one of those people that also think

1938

01:26:52,210 --> 01:26:49,820

that you know the ETH I mean maybe it's

1939

01:26:53,950 --> 01:26:52,220

true I don't know I'm not pretending I

1940

01:26:57,100 --> 01:26:53,960

have any answers really for me

1941

01:26:59,170 --> 01:26:57,110

personally but I really think that

1942

01:27:01,000 --> 01:26:59,180

people need to expand their horizons

1943

01:27:05,950 --> 01:27:01,010

because ETH really hasn't gotten us

1944

01:27:08,950 --> 01:27:05,960

anywhere in 70 years so I don't think

1945

01:27:11,530 --> 01:27:08,960

that looking at it as ultra dimensionals

1946

01:27:13,720 --> 01:27:11,540

or interdimensional this is a different

1947

01:27:16,270 --> 01:27:13,730

way to look at them and could give us

1948

01:27:20,050 --> 01:27:16,280

some some better insights certainly

1949

01:27:23,470 --> 01:27:20,060

absolutely because this is an extra

1950

01:27:25,750 --> 01:27:23,480

dimensional phenomena but also you know

1951

01:27:27,160 --> 01:27:25,760

government doesn't have the answer

1952

01:27:29,410 --> 01:27:27,170

government doesn't have it they have a

1953

01:27:31,780 --> 01:27:29,420

lot of data there's all kinds of data

1954

01:27:33,670 --> 01:27:31,790

like what they released on December 16th

1955

01:27:36,490 --> 01:27:33,680

through the Pentagon they released that

1956

01:27:39,850 --> 01:27:36,500

that video they gave us a confirmation

1957

01:27:43,810 --> 01:27:39,860

that that video was an actual authentic

1958

01:27:46,750 --> 01:27:43,820

UFO and extraterrestrial UFO using

1959

01:27:48,580 --> 01:27:46,760

extraterrestrial technology and so they

1960

01:27:50,530 --> 01:27:48,590

can give us confirmations like that but

1961

01:27:53,490 --> 01:27:50,540

they can't give us disclosure because

1962

01:27:57,729 --> 01:27:53,500

they don't have it and the truth is that

1963

01:27:59,710 --> 01:27:57,739

we need to continue disclosure by any

1964

01:28:01,870 --> 01:27:59,720

means necessary as because we're

1965

01:28:03,670 --> 01:28:01,880

approaching the time when it's becomes

1966

01:28:05,710 --> 01:28:03,680

so important that we continue to

1967

01:28:07,600 --> 01:28:05,720

disclosure to each other as much as

1968

01:28:10,030 --> 01:28:07,610

possible and we need to bring these

1969

01:28:13,360 --> 01:28:10,040

cases out to each other and show them

1970

01:28:14,500 --> 01:28:13,370

and share them and see what really is

1971

01:28:17,500 --> 01:28:14,510

going on out there

1972

01:28:20,950 --> 01:28:17,510

because if we depend on these Pentagon

1973

01:28:23,770 --> 01:28:20,960

videos we can't we can't do it we can't

1974

01:28:25,330 --> 01:28:23,780

depend on just them and we can take the

1975

01:28:27,940 --> 01:28:25,340

advantage of what they show that's good

1976

01:28:31,750 --> 01:28:27,950

that's a good thing but we can't just

1977

01:28:34,060 --> 01:28:31,760

depend on government to show us what the

1978

01:28:36,820 --> 01:28:34,070

story is because yeah and they actually

1979

01:28:40,450 --> 01:28:36,830

released that many many years ago that

1980

01:28:42,670 --> 01:28:40,460

was on the above top secret website so

1981

01:28:45,490 --> 01:28:42,680

it was out there already it's just seems

1982

01:28:47,650 --> 01:28:45,500

that it's been latched upon now but I

1983

01:28:50,350 --> 01:28:47,660

mean like you I agree with you they've

1984

01:28:52,630 --> 01:28:50,360

been disclosing since 1969 and in

1985

01:28:55,570 --> 01:28:52,640

Project Blue Book and and I don't think

1986

01:28:57,520 --> 01:28:55,580

and as you said the FBI website that

1987

01:28:58,630 --> 01:28:57,530

anyone can go there and read these cases

1988

01:29:00,880 --> 01:28:58,640

and yeah

1989

01:29:02,920 --> 01:29:00,890

you know and some people that this some

1990

01:29:05,200 --> 01:29:02,930

people high up in the military have come

1991

01:29:07,990 --> 01:29:05,210

out and said yes they believe and and

1992

01:29:10,030 --> 01:29:08,000

others are indifferent or whatever and I

1993

01:29:12,940 --> 01:29:10,040

think you're right I think it's about us

1994

01:29:16,030 --> 01:29:12,950

us experiencers to come together and

1995

01:29:20,920 --> 01:29:16,040

talk and be good with each other and we

1996

01:29:31,540 --> 01:29:20,930

disclose we absolutely you are a goddess

1997

01:29:36,729 --> 01:29:31,550

that's true but John do you do you think

1998

01:29:39,520 --> 01:29:36,739

that this phenomena is influenced by our

1999

01:29:41,680 --> 01:29:39,530

our culture or collective consciousness

2000

01:29:44,530 --> 01:29:41,690

or whatever because I mean you know it

2001
01:29:46,690 --> 01:29:44,540
seems like as Susan pointed out that you

2002
01:29:48,820 --> 01:29:46,700
know 500 years ago people believed in

2003
01:29:51,220 --> 01:29:48,830
fairies and aliens and boob that's where

2004
01:29:52,630 --> 01:29:51,230
that's what they saw you know now that's

2005
01:29:54,430 --> 01:29:52,640
that's the old-fashioned we don't

2006
01:29:57,100 --> 01:29:54,440
believe in that but we believe in you

2007
01:29:59,530 --> 01:29:57,110
know little gray guys from from from

2008
01:30:01,600 --> 01:29:59,540
outer space five hundred years in the

2009
01:30:05,130 --> 01:30:01,610
future who knows what we'll believe in

2010
01:30:08,440 --> 01:30:05,140
will the phenomena take on a new role I

2011
01:30:11,620 --> 01:30:08,450
think it will because it's apparent to

2012
01:30:15,490 --> 01:30:11,630
me that we are being prepared for

2013
01:30:18,520 --> 01:30:15,500

something there are people who are high

2014

01:30:21,130 --> 01:30:18,530

up in the and the government I would say

2015

01:30:24,400 --> 01:30:21,140

even in I would say the elite powers in

2016

01:30:27,430 --> 01:30:24,410

control which is what I refer to many

2017

01:30:28,360 --> 01:30:27,440

some people refer to as a deep state the

2018

01:30:31,900 --> 01:30:28,370

Illuminati

2019

01:30:34,290 --> 01:30:31,910

about the people who are these these

2020

01:30:37,150 --> 01:30:34,300

bloodlines that feel they control

2021

01:30:39,040 --> 01:30:37,160

control the world and whoever actually

2022

01:30:41,950 --> 01:30:39,050

do give their marching orders to the

2023

01:30:45,070 --> 01:30:41,960

nations all the time and they are the

2024

01:30:47,710 --> 01:30:45,080

ones who go out there and order the New

2025

01:30:51,760 --> 01:30:47,720

York Times to completely change their

2026
01:30:54,520 --> 01:30:51,770
attitude about UFOs or order CNN to go

2027
01:30:56,470 --> 01:30:54,530
and change their attitude about UFOs 180

2028
01:30:59,410 --> 01:30:56,480
degrees from how they used to be and

2029
01:31:01,300 --> 01:30:59,420
it's very funny to watch these CNN

2030
01:31:04,570 --> 01:31:01,310
reporters with these confused looks on

2031
01:31:07,060 --> 01:31:04,580
their faces and these New York Times

2032
01:31:09,520 --> 01:31:07,070
reporters looking very annoyed having to

2033
01:31:11,860 --> 01:31:09,530
appear on these shows saying that UFOs

2034
01:31:14,680 --> 01:31:11,870
are real for the first time and they're

2035
01:31:16,300 --> 01:31:14,690
just wondering what is going on and it's

2036
01:31:18,700 --> 01:31:16,310
because the orders came the orders have

2037
01:31:20,200 --> 01:31:18,710
changed the orders from the top and I'm

2038
01:31:22,570 --> 01:31:20,210

talking about the presidents or prime

2039

01:31:25,600 --> 01:31:22,580

ministers the orders from the top have

2040

01:31:28,930 --> 01:31:25,610

changed and we are being prepared for

2041

01:31:30,970 --> 01:31:28,940

something and whatever it is we need to

2042

01:31:33,760 --> 01:31:30,980

be able to develop our own discernment

2043

01:31:37,000 --> 01:31:33,770

we need to develop our our own abilities

2044

01:31:40,870 --> 01:31:37,010

to examine these these phenomena not by

2045

01:31:43,900 --> 01:31:40,880

seeing Pentagon videos and but by

2046

01:31:45,910 --> 01:31:43,910

talking to each other and by talking to

2047

01:31:48,700 --> 01:31:45,920

each other about our experiences and

2048

01:31:50,980 --> 01:31:48,710

seeing what's really happening with this

2049

01:31:53,980 --> 01:31:50,990

with this X with these experiences and

2050

01:31:56,230 --> 01:31:53,990

we need to do that right now because the

2051

01:31:57,670 --> 01:31:56,240

preparation is happening and they are

2052

01:32:00,790 --> 01:31:57,680

gonna they are going to spring something

2053

01:32:03,490 --> 01:32:00,800

on us and it's going to be very big and

2054

01:32:07,420 --> 01:32:03,500

once it happens it's too late to prepare

2055

01:32:09,250 --> 01:32:07,430

so we need to prepare right now all

2056

01:32:12,070 --> 01:32:09,260

right well we've got about three minutes

2057

01:32:13,810 --> 01:32:12,080

left in the program here John so I want

2058

01:32:16,360 --> 01:32:13,820

to give you a chance to let our audience

2059

01:32:18,850 --> 01:32:16,370

know where they can find out more about

2060

01:32:21,430 --> 01:32:18,860

you the titles of you books websites

2061

01:32:25,360 --> 01:32:21,440

upcoming experiences things like that oh

2062

01:32:29,950 --> 01:32:25,370

well just go to my facebook it's John

2063

01:32:32,710 --> 01:32:29,960

John D'Souza on Facebook and also check

2064

01:32:34,840 --> 01:32:32,720

out my Twitter my Twitter and also I

2065

01:32:37,810 --> 01:32:34,850

will be appearing at contact in the

2066

01:32:39,700 --> 01:32:37,820

desert of course with Jimmy Church and

2067

01:32:44,209 --> 01:32:39,710

many others

2068

01:32:49,490 --> 01:32:44,219

June 1st 1/4 in Indian Wells California

2069

01:32:52,729 --> 01:32:49,500

and just also in March I will be

2070

01:32:55,280 --> 01:32:52,739

appearing at crash landed convention

2071

01:32:58,700 --> 01:32:55,290

with the great actor John Noble

2072

01:33:03,110 --> 01:32:58,710

John Noble from fringe and any others

2073

01:33:04,910 --> 01:33:03,120

and let me see also the I'll be

2074

01:33:09,800 --> 01:33:04,920

appearing at the who follow G word

2075

01:33:13,400 --> 01:33:09,810

Congress in Barcelona Spain fun on the

2076

01:33:16,669 --> 01:33:13,410

22nd of June for that weekend that

2077

01:33:19,600 --> 01:33:16,679

should be something also April in April

2078

01:33:23,000 --> 01:33:19,610

I will be appearing at George Noory live

2079

01:33:27,560 --> 01:33:23,010

Jordan Scottsdale Arizona that will be

2080

01:33:30,080 --> 01:33:27,570

April 21st at the Virginia Piper Theatre

2081

01:33:32,540 --> 01:33:30,090

in Scottsdale Arizona along with Travis

2082

01:33:35,150 --> 01:33:32,550

Walton Rose won't be there as well

2083

01:33:38,810 --> 01:33:35,160

that should be really quite an event and

2084

01:33:40,490 --> 01:33:38,820

that's it I always ask people to just

2085

01:33:42,860 --> 01:33:40,500

check out just check out the free

2086

01:33:45,439 --> 01:33:42,870

samples on my books on Amazon my books

2087

01:33:47,720 --> 01:33:45,449

the extra dimensionals the power

2088

01:33:50,630 --> 01:33:47,730

investigators and the clear errors as

2089

01:33:54,350 --> 01:33:50,640

well just check them out and see if

2090

01:33:55,700 --> 01:33:54,360

those resonate with you because there's

2091

01:33:58,820 --> 01:33:55,710

some very important things that are

2092

01:34:01,450 --> 01:33:58,830

coming up very shortly and we need to

2093

01:34:04,580 --> 01:34:01,460

prepare each other for these things

2094

01:34:07,459 --> 01:34:04,590

alright and Susan a work in there our

2095

01:34:11,689 --> 01:34:07,469

audience find out more about you you can

2096

01:34:15,350 --> 01:34:11,699

visit my website at Susan st. Claire st

2097

01:34:18,500 --> 01:34:15,360

clair calm and you can also check me out

2098

01:34:21,880 --> 01:34:18,510

on facebook as well and i love to hear

2099

01:34:25,790 --> 01:34:21,890

people's stories i'm very interested in

2100

01:34:28,010 --> 01:34:25,800

in especially hi strange cases that

2101
01:34:30,400 --> 01:34:28,020
involve more than one witness those are

2102
01:34:32,959 --> 01:34:30,410
what i'm focusing on at the moment

2103
01:34:35,240 --> 01:34:32,969
particularly because i have a pair of

2104
01:34:40,010 --> 01:34:35,250
psychology background so I'm interested

2105
01:34:42,260 --> 01:34:40,020
in cases that involve ESP telekinesis

2106
01:34:44,750 --> 01:34:42,270
things of that nature psychokinesis

2107
01:34:47,870 --> 01:34:44,760
anything that synchronicity especially

2108
01:34:49,960 --> 01:34:47,880
and UFOs alright well thank you very

2109
01:34:55,940 --> 01:34:49,970
much John Susan and

2110
01:35:02,760 --> 01:34:58,770
you've been listening to exploring the

2111
01:35:06,030 --> 01:35:02,770
bazaar with hosts Timothy Beckley aunty

2112
01:35:08,580 --> 01:35:06,040
Swartz they're taking back the night by

2113
01:35:11,460 --> 01:35:08,590

jetting non-stop across the cosmos in

2114

01:35:15,110 --> 01:35:11,470

search of the truly bizarre and totally

2115

01:35:17,810 --> 01:35:15,120

unexplained with you as their combines

2116

01:35:22,260 --> 01:35:17,820

Thursday nights at 7:00 p.m. Pacific

2117

01:35:25,920 --> 01:35:22,270

10:00 p.m. Eastern on the K cor digital

2118

01:35:29,160 --> 01:35:25,930

radio for more information on exploring

2119

01:35:32,250 --> 01:35:29,170

the bazaar and hosts Timothy Becca and

2120

01:35:35,340 --> 01:35:32,260

Tim Swartz check out their K cor digital

2121

01:35:40,920 --> 01:35:35,350

radio network follow their YouTube

2122

01:35:51,950 --> 01:35:40,930

channel at M our UFO 11-hundred explore
