STAN GORDON

PAUL ENO

1
00:00:37,500 --> 00:00:21,840

[Music]

2
00:00:44,460 --> 00:00:41,770

explode the bazaars are your e-ticket

3
00:00:47,740 --> 00:00:44,470

ride into the world of the paranoid

4
00:00:52,049 --> 00:00:47,750

strap yourself in as we traverse the

5
00:00:57,189 --> 00:00:52,059

universe exploring the unexplained UFO s

6
00:01:00,880 --> 00:00:57,199

ghosts Lost Worlds cryptozoology as well

7
00:01:05,800 --> 00:01:00,890

as other dimensions it's time to take

8
00:01:09,040 --> 00:01:05,810

back the night now your electrifying

9
00:01:16,320 --> 00:01:09,050

hosts of exploring the bizarre Timothy

10
00:01:21,430 --> 00:01:18,880

why all the Welling in the woods tonight

11
00:01:24,430 --> 00:01:21,440

then it seems like the cryptids are

12
00:01:27,730 --> 00:01:24,440

voicing their concern over something hmm

13
00:01:30,639 --> 00:01:27,740

as Timmy are in suspect they are one of

14

00:01:38,830 --> 00:01:30,649

their close friends is departed this

15

00:01:40,660 --> 00:01:38,840

world well JC Johnson I think he was

16

00:01:43,270 --> 00:01:40,670

about as close to Bigfoot as any human

17

00:01:45,609 --> 00:01:43,280

could be oh my goodness well he was on

18

00:01:50,649 --> 00:01:45,619

our show quite a number of times and

19

00:01:53,020 --> 00:01:50,659

always had some fascinating stories to

20

00:01:55,450 --> 00:01:53,030

tell and personal encounters I don't

21

00:02:01,810 --> 00:01:55,460

think anybody could get any closer to a

22

00:02:05,200 --> 00:02:01,820

Bigfoot than JC managed to well you know

23

00:02:08,710 --> 00:02:05,210

I think that JC and Bigfoot maybe had a

24

00:02:13,300 --> 00:02:08,720

kind of a contentious relationship I

25

00:02:16,949 --> 00:02:13,310

know there were some cases where JC

26

00:02:19,750 --> 00:02:16,959

didn't quite feel like that Bigfoot had

27

00:02:25,810 --> 00:02:19,760

anybody's best interests in mind except

28

00:02:29,080 --> 00:02:25,820

maybe his own well I I do remember one

29

00:02:31,660 --> 00:02:29,090

time he told the story about how Bigfoot

30

00:02:33,720 --> 00:02:31,670

used to kind of hunkered down on the

31

00:02:35,979 --> 00:02:33,730

other side of the railroad track and

32

00:02:38,620 --> 00:02:35,989

they would kind of stare at each other

33

00:02:42,940 --> 00:02:38,630

and and maybe throw rocks back and forth

34

00:02:45,430 --> 00:02:42,950

or whatever oh yeah well you know I

35

00:02:48,370 --> 00:02:45,440

think it was on our show that that he

36

00:02:51,070 --> 00:02:48,380

told us the story about this one case

37

00:02:54,790 --> 00:02:51,080

where you know some kind of

38

00:02:58,240 --> 00:02:54,800

giant hairy hominid had been very

39

00:03:02,460 --> 00:02:58,250

interested in a teenage teenage girl

40

00:03:07,480 --> 00:03:02,470

that was living in a nearby house and so

41

00:03:11,220 --> 00:03:07,490

JC had camped out in the in the nearby

42

00:03:13,690 --> 00:03:11,230

area and he said that late at night he

43

00:03:15,910 --> 00:03:13,700

you know he was hearing something move

44

00:03:19,470 --> 00:03:15,920

around and then all of a sudden this

45

00:03:22,870 --> 00:03:19,480

voice from out of the woods said who you

46

00:03:26,080 --> 00:03:22,880

be and he said if it was somebody out

47

00:03:28,300 --> 00:03:26,090

there faking it he said they did a

48

00:03:30,160 --> 00:03:28,310

really good job of it it might have been

49

00:03:35,680 --> 00:03:30,170

it might have been the former senator

50

00:03:38,860 --> 00:03:35,690

from Alabama sounds like that's possible

51
00:03:41,200 --> 00:03:38,870
but well tonight we're and we're gonna

52
00:03:44,200 --> 00:03:41,210
have a well in fact it tonight by no

53
00:03:47,550 --> 00:03:44,210
coincidence I'm sure our topic is going

54
00:03:52,530 --> 00:03:47,560
to be Bigfoot and its relationship to

55
00:03:56,530 --> 00:03:52,540
UFOs and other paranormal phenomena and

56
00:03:58,449 --> 00:03:56,540
we've got the the kings of the the topic

57
00:04:05,590 --> 00:03:58,459
I don't know if that's the correct

58
00:04:09,280 --> 00:04:05,600
phraseology but two experts on UFOs and

59
00:04:13,060 --> 00:04:09,290
Bigfoot and their relationship to to

60
00:04:16,000 --> 00:04:13,070
each other and oneness gentlemen Stan

61
00:04:19,390 --> 00:04:16,010
Gordon who this is his first time on our

62
00:04:22,960 --> 00:04:19,400
show is an outstanding a contributor I

63
00:04:27,060 --> 00:04:22,970

have been digesting his information for

64

00:04:30,610 --> 00:04:27,070

well since the 1970s there just like

65

00:04:33,990 --> 00:04:30,620

myself he's a and I'm it don't know how

66

00:04:36,880 --> 00:04:34,000

to afraid this phrases an old-timer

67

00:04:39,250 --> 00:04:36,890

we were both stand where we both

68

00:04:42,340 --> 00:04:39,260

teenagers wouldn't it we started out I

69

00:04:45,330 --> 00:04:42,350

know I was of course around 15 or 16 or

70

00:04:48,610 --> 00:04:45,340

so how how old were you when you first

71

00:04:51,130 --> 00:04:48,620

checked all this out well everyone I was

72

00:04:51,790 --> 00:04:51,140

younger I started in 1959 when I was 10

73

00:04:56,110 --> 00:04:51,800

years old

74

00:04:57,970 --> 00:04:56,120

well yeah I had my first sighting to UFO

75

00:05:01,270 --> 00:04:57,980

sightings when I was 10 so there you go

76

00:05:03,969 --> 00:05:01,280

but oh Tim why don't you formally or

77

00:05:05,140 --> 00:05:03,979

introduce our guest for this evening and

78

00:05:07,750 --> 00:05:05,150

then we can

79

00:05:09,700 --> 00:05:07,760

or rock out into the woods there no

80

00:05:12,670 --> 00:05:09,710

definitely well and I should point out

81

00:05:15,360 --> 00:05:12,680

also Tim that I mean it's it's it's more

82

00:05:19,120 --> 00:05:15,370

than just UFOs and Bigfoot I mean it

83

00:05:23,469 --> 00:05:19,130

Tanana Stan and Paul have both been

84

00:05:26,740 --> 00:05:23,479

looking into very bizarre types of

85

00:05:30,340 --> 00:05:26,750

activity I mean you know ghosts and UFOs

86

00:05:34,780 --> 00:05:30,350

and other kinds of weird cryptids you

87

00:05:36,760 --> 00:05:34,790

know uh flying flying weirdos oh so to

88

00:05:40,360 --> 00:05:36,770

88 speak kind of like what we were talking

89

00:05:44,080 --> 00:05:40,370

about last week big cats I mean it's

90

00:05:46,150 --> 00:05:44,090

just it's it's overwhelming really just

91

00:05:48,120 --> 00:05:46,160

all of the bizarre activity that both of

92

00:05:50,530 --> 00:05:48,130

these gentlemen have been looking into

93

00:05:52,900 --> 00:05:50,540

but as you pointed out yeah we have

94

00:05:56,260 --> 00:05:52,910

first of all we have a stand Gordon with

95

00:05:58,420 --> 00:05:56,270

us and now stan has been researching UFO

96

00:06:01,029 --> 00:05:58,430

sightings Bigfoot encounters and other

97

00:06:04,719 --> 00:06:01,039

mysterious events in Pennsylvania since

98

00:06:08,439 --> 00:06:04,729

as he said 1959 and I won't tell you how

99

00:06:10,300 --> 00:06:08,449

old I was in 1959 but since then he's

100

00:06:12,790 --> 00:06:10,310

been involved with the investigation of

101
00:06:16,000 --> 00:06:12,800
thousands of unusual incidents and he's

102
00:06:18,190 --> 00:06:16,010
the primary investigator of the 1965 UFO

103
00:06:20,230 --> 00:06:18,200
crash incident that occurred near

104
00:06:23,770 --> 00:06:20,240
Kecksburg Pennsylvania

105
00:06:26,200 --> 00:06:23,780
so now stan has been on such programs as

106
00:06:28,900 --> 00:06:26,210
well as our own as the close encounter

107
00:06:30,610 --> 00:06:28,910
series on the Science Channel monsters

108
00:06:33,219 --> 00:06:30,620
and mysteries in America on the

109
00:06:34,930 --> 00:06:33,229
destination American Channel monumental

110
00:06:37,510 --> 00:06:34,940
mysteries I think you're on that one

111
00:06:40,060 --> 00:06:37,520
weren't you Tim on the Travel Channel I

112
00:06:42,010 --> 00:06:40,070
was on mysteries of the National Parks

113
00:06:44,950 --> 00:06:42,020

okay all right

114

00:06:46,779 --> 00:06:44,960

and let's see standards also I've been

115

00:06:50,110 --> 00:06:46,789

in the documentaries invasion on

116

00:06:53,710 --> 00:06:50,120

Chestnut Ridge which excellent excellent

117

00:06:57,339 --> 00:06:53,720

film by the way and wish for Giants and

118

00:07:01,300 --> 00:06:57,349

Stan you can find out more about him

119

00:07:03,370 --> 00:07:01,310

on his web site Stan Gordon dot info now

120

00:07:06,129 --> 00:07:03,380

also with us tonight is our good friend

121

00:07:09,940 --> 00:07:06,139

Paul you know I think Paul probably has

122

00:07:12,100 --> 00:07:09,950

been on exploring the bizarre more than

123

00:07:13,899 --> 00:07:12,110

any of our other guests Jim will have to

124

00:07:15,760 --> 00:07:13,909

look into that and see probably Peter

125

00:07:16,960 --> 00:07:15,770

could let us know well you get it you

126

00:07:19,360 --> 00:07:16,970

get a

127

00:07:24,430 --> 00:07:19,370

award when you do when you come on 10

128

00:07:27,640 --> 00:07:24,440

times yeah what oh my god the copies of

129

00:07:31,030 --> 00:07:27,650

one of our books like the Belwood oh I

130

00:07:33,640 --> 00:07:31,040

was gonna I was gonna say you get a gold

131

00:07:40,480 --> 00:07:33,650

star in a smiley face you know well it's

132

00:07:42,580 --> 00:07:40,490

a start when our Paul has been called

133

00:07:44,140 --> 00:07:42,590

the most intelligent voice in paranormal

134

00:07:46,180 --> 00:07:44,150

research today and he was one of the

135

00:07:48,640 --> 00:07:46,190

first paranormal investigators in the

136

00:07:50,890 --> 00:07:48,650

early 1970s beginning while he was

137

00:07:53,620 --> 00:07:50,900

studying for the priesthood his early

138

00:07:57,790 --> 00:07:53,630

manners included parapsychology pioneer

139

00:08:00,520 --> 00:07:57,800

dr. Lou Louisa Rhine and of course the

140

00:08:02,500 --> 00:08:00,530

ghost hunters ed and Lorraine Warren now

141

00:08:04,690 --> 00:08:02,510

Paul has also appeared on the travel

142

00:08:07,270 --> 00:08:04,700

discovery and History Channel's and has

143

00:08:09,730 --> 00:08:07,280

his own radio show with his son behind

144

00:08:14,260 --> 00:08:09,740

the paranormal with Paul in bed you know

145

00:08:17,890 --> 00:08:14,270

this is on wo and 12:40 a.m. in the

146

00:08:19,270 --> 00:08:17,900

Boston Providence market so Stan all

147

00:08:22,150 --> 00:08:19,280

thank you very much for being with us

148

00:08:22,840 --> 00:08:22,160

tonight on exploring the bizarre always

149

00:08:25,240 --> 00:08:22,850

a pleasure

150

00:08:28,840 --> 00:08:25,250

you know what I want to know you know

151

00:08:31,860 --> 00:08:28,850

what I want to know without us the the

152

00:08:35,050 --> 00:08:31,870

Gang of Four here what would all these

153

00:08:39,100 --> 00:08:35,060

chanta cable channels do for guests I

154

00:08:42,580 --> 00:08:39,110

mean it you know we're we are the the

155

00:08:45,160 --> 00:08:42,590

top of rung as far as the producers of

156

00:08:47,200 --> 00:08:45,170

the shows coming in and getting a lot of

157

00:08:49,470 --> 00:08:47,210

material because we have the best

158

00:08:52,660 --> 00:08:49,480

material anyway I want to start out with

159

00:08:57,850 --> 00:08:52,670

with the stand you mentioned you got

160

00:08:59,770 --> 00:08:57,860

into this in 1959 well I know at some of

161

00:09:01,380 --> 00:08:59,780

the first sightings or Kecksburg was

162

00:09:04,180 --> 00:09:01,390

what 65

163

00:09:06,760 --> 00:09:04,190

yeah the Kecksburg incident occurred

164

00:09:10,930 --> 00:09:06,770

December 9th of 65 well what were you

165

00:09:14,170 --> 00:09:10,940

what were you doing before then I was as

166

00:09:15,780 --> 00:09:14,180

a young child I was going to the local

167

00:09:18,490 --> 00:09:15,790

libraries reading all the information

168

00:09:20,950 --> 00:09:18,500

talking to some local people hearing

169

00:09:23,440 --> 00:09:20,960

their stories cutting articles out of

170

00:09:28,360 --> 00:09:23,450

newspapers just do it as much as I could

171

00:09:30,199 --> 00:09:28,370

and and then 1965 comes along and here's

172

00:09:31,879 --> 00:09:30,209

this local UFO incident was

173

00:09:33,769 --> 00:09:31,889

making local national news I was

174

00:09:36,769 --> 00:09:33,779

documenting it I was breaking news at

175

00:09:38,660 --> 00:09:36,779

night in the Pittsburgh area and I began

176

00:09:40,999 --> 00:09:38,670

to work on the case the next day and

177

00:09:42,290 --> 00:09:41,009

here we are going 53 years later and I'm

178

00:09:44,900 --> 00:09:42,300

still getting information on the

179

00:09:47,900 --> 00:09:44,910

incident you know you talk about a UFO

180

00:09:50,179 --> 00:09:47,910

landing in your lap I I mean you you

181

00:09:52,730 --> 00:09:50,189

were how many miles away from the the

182

00:09:55,939 --> 00:09:52,740

spot where this object supposedly came

183

00:09:57,619 --> 00:09:55,949

down in a wooded area Elvin Greensburg

184

00:09:59,869 --> 00:09:57,629

Pennsylvania about 12 miles away from

185

00:10:01,519 --> 00:09:59,879

that small world community where it

186

00:10:03,889 --> 00:10:01,529

happened I wasn't driving and I had no

187

00:10:05,660 --> 00:10:03,899

way to get out there but I remember that

188

00:10:07,519 --> 00:10:05,670

night stayed up very late running back

189

00:10:09,530 --> 00:10:07,529

and forth between the black and white TV

190

00:10:12,199 --> 00:10:09,540

and the radio trying to get a lot of the

191

00:10:14,059 --> 00:10:12,209

latest information and next day I went

192

00:10:15,949 --> 00:10:14,069

and grabbed all the local newspapers and

193

00:10:17,540 --> 00:10:15,959

there was the headlines and all the

194

00:10:20,269 --> 00:10:17,550

local newspapers was making national

195

00:10:22,999 --> 00:10:20,279

news and I began the follow-ups as best

196

00:10:25,129 --> 00:10:23,009

I could at that time and over a period

197

00:10:26,900 --> 00:10:25,139

of many weeks and months and years I've

198

00:10:29,359 --> 00:10:26,910

interviewed hundreds of witnesses I've

199

00:10:31,970 --> 00:10:29,369

tracked down multitudes of important

200

00:10:33,799 --> 00:10:31,980

witnesses from reporters and police

201
00:10:34,999 --> 00:10:33,809
officers and firemen and military

202
00:10:37,609 --> 00:10:35,009
sources who were involved in the

203
00:10:40,519 --> 00:10:37,619
incident and it's an amazing story we

204
00:10:43,039 --> 00:10:40,529
could spend days literally talking about

205
00:10:44,929 --> 00:10:43,049
that case and what I've uncovered but at

206
00:10:47,869 --> 00:10:44,939
the whole different story well yeah well

207
00:10:50,569 --> 00:10:47,879
I would I would think it's it's

208
00:10:54,199 --> 00:10:50,579
certainly one of the most famous or

209
00:10:57,049 --> 00:10:54,209
infamous cases in the annals of UFO

210
00:11:00,819 --> 00:10:57,059
history there are of course are those

211
00:11:03,829 --> 00:11:00,829
that think it was anything from a

212
00:11:09,400 --> 00:11:03,839
spaceship from some other planet or a

213
00:11:11,809 --> 00:11:09,410

Nazi time travel that a bell a craft to

214

00:11:15,889 --> 00:11:11,819

something manufactured here on earth to

215

00:11:19,579 --> 00:11:15,899

a meteorite how do you fall where do you

216

00:11:21,679 --> 00:11:19,589

fall on this well there's a lots of the

217

00:11:23,660 --> 00:11:21,689

story and there's a lot more than a lot

218

00:11:25,039 --> 00:11:23,670

of people are aware of I've said for

219

00:11:27,350 --> 00:11:25,049

years I keep an open mind all

220

00:11:29,629 --> 00:11:27,360

possibilities and then multitudes of

221

00:11:31,009 --> 00:11:29,639

theories since the time it happened even

222

00:11:33,230 --> 00:11:31,019

the last two years have been new

223

00:11:35,629 --> 00:11:33,240

theories come out again I keep an open

224

00:11:37,280 --> 00:11:35,639

mind all possibilities but theories are

225

00:11:39,169 --> 00:11:37,290

good but you that have the evidence that

226

00:11:41,150 --> 00:11:39,179

really associates that theory with what

227

00:11:43,000 --> 00:11:41,160

happened in Kecksburg and there's a lot

228

00:11:45,610 --> 00:11:43,010

more to the story in fact

229

00:11:47,980 --> 00:11:45,620

the last 20-some years I've uncovered

230

00:11:49,900 --> 00:11:47,990

some very interesting information which

231

00:11:51,520 --> 00:11:49,910

would it's very details long to get

232

00:11:53,560 --> 00:11:51,530

involved with suggest the possibility

233

00:11:55,360 --> 00:11:53,570

that there was someone or something to

234

00:11:56,710 --> 00:11:55,370

side of the object which gives you a

235

00:11:58,750 --> 00:11:56,720

whole different perspective of what we

236

00:12:00,880 --> 00:11:58,760

might be dealing with there was some

237

00:12:03,970 --> 00:12:00,890

somebody now I didn't catch that there

238

00:12:05,560 --> 00:12:03,980

was something that what so the

239

00:12:07,570 --> 00:12:05,570

information I've obtained the last

240

00:12:10,720 --> 00:12:07,580

20-some years from different sources

241

00:12:13,150 --> 00:12:10,730

there's good indication that there's the

242

00:12:15,040 --> 00:12:13,160

possibility that there was someone or

243

00:12:18,640 --> 00:12:15,050

something inside of the object that fell

244

00:12:20,680 --> 00:12:18,650

ah well now that that's that's a first I

245

00:12:22,210 --> 00:12:20,690

don't think I've heard that well they

246

00:12:26,200 --> 00:12:22,220

would have had it been pretty small and

247

00:12:28,420 --> 00:12:26,210

pretty cramped right yeah I mean this

248

00:12:31,810 --> 00:12:28,430

the object that they saw on the ground I

249

00:12:33,580 --> 00:12:31,820

mean soon after this object fell some of

250

00:12:35,200 --> 00:12:33,590

the what we found out now we didn't know

251
00:12:38,200 --> 00:12:35,210
at the time was some of the local people

252
00:12:40,240 --> 00:12:38,210
went down into the woods later that was

253
00:12:41,890 --> 00:12:40,250
fall by a volunteer fireman then the

254
00:12:44,590 --> 00:12:41,900
military who arrived on the scene and

255
00:12:46,900 --> 00:12:44,600
they come across this large metallic

256
00:12:49,420 --> 00:12:46,910
acorn shaped object semi buried in the

257
00:12:51,580 --> 00:12:49,430
ground it's kind of an off gold bronze

258
00:12:53,890 --> 00:12:51,590
color shaped like a big metallic acorn

259
00:12:55,720 --> 00:12:53,900
it's about 10 to 12 feet or more in

260
00:12:58,690 --> 00:12:55,730
length about 8 to 10 feet in diameter

261
00:13:01,210 --> 00:12:58,700
no weld marks no seams or rivet marks on

262
00:13:02,800 --> 00:13:01,220
the raised up part of the back of the

263
00:13:04,960 --> 00:13:02,810

object where you'd like to have like the

264

00:13:06,490 --> 00:13:04,970

back of the acorn witnesses who are only

265

00:13:08,740 --> 00:13:06,500

a few feet away from it said there were

266

00:13:12,400 --> 00:13:08,750

these raised up markings that were more

267

00:13:15,670 --> 00:13:12,410

like symbols it's a fascinating story

268

00:13:17,650 --> 00:13:15,680

and now regardless of what this thing or

269

00:13:19,300 --> 00:13:17,660

was it's just an amazing accounts of

270

00:13:21,430 --> 00:13:19,310

something that we still don't have

271

00:13:24,070 --> 00:13:21,440

answers for what well now how could

272

00:13:28,000 --> 00:13:24,080

somebody have gotten in or out of this

273

00:13:30,400 --> 00:13:28,010

was there an opening of some sort there

274

00:13:32,470 --> 00:13:30,410

was nothing that was seen because it was

275

00:13:34,540 --> 00:13:32,480

dirt and debris around it from the

276

00:13:37,480 --> 00:13:34,550

people got down there and you know at

277

00:13:39,190 --> 00:13:37,490

that time and again a lot of it was just

278

00:13:40,960 --> 00:13:39,200

getting dark in the area and as time

279

00:13:43,510 --> 00:13:40,970

went on was getting darker and darker as

280

00:13:46,390 --> 00:13:43,520

different people came in but according

281

00:13:49,330 --> 00:13:46,400

to one witness who was reluctant to talk

282

00:13:52,180 --> 00:13:49,340

to me about it over many many many years

283

00:13:54,850 --> 00:13:52,190

later and then others have given me

284

00:13:56,440 --> 00:13:54,860

other similar information he claimed

285

00:13:59,050 --> 00:13:56,450

that while he was hiding down

286

00:14:00,730 --> 00:13:59,060

in the woods watching the military

287

00:14:02,500 --> 00:14:00,740

operation recovering this thing and

288

00:14:04,180 --> 00:14:02,510

loading it onto the flatbed truck has

289

00:14:07,000 --> 00:14:04,190

got down there with a military flatbed

290

00:14:11,080 --> 00:14:07,010

that there was like a hatch that opened

291

00:14:12,880 --> 00:14:11,090

in the front of the object and well to

292

00:14:15,640 --> 00:14:12,890

make the story short he said he was

293

00:14:17,950 --> 00:14:15,650

hiding in the woods he had branches of

294

00:14:19,870 --> 00:14:17,960

trees around him he had to keep moving

295

00:14:22,060 --> 00:14:19,880

back because of the military got closed

296

00:14:23,920 --> 00:14:22,070

and close to where he was but he said

297

00:14:26,530 --> 00:14:23,930

for one he could tell when the hatch

298

00:14:30,790 --> 00:14:26,540

open he could see this very long almost

299

00:14:33,460 --> 00:14:30,800

elastic like arm that opened around the

300

00:14:35,590 --> 00:14:33,470

the opening there and he said as a

301
00:14:38,730 --> 00:14:35,600
matter of seconds when to closed here's

302
00:14:41,200 --> 00:14:38,740
a metal-on-metal hitting and one of the

303
00:14:42,610 --> 00:14:41,210
military officer who was actually jumped

304
00:14:44,290 --> 00:14:42,620
on top of the object starts screaming

305
00:14:47,080 --> 00:14:44,300
hurry up hurry up we don't have much

306
00:14:49,210 --> 00:14:47,090
time and that's when all these soldiers

307
00:14:51,280 --> 00:14:49,220
came over and they started cleaning

308
00:14:54,310 --> 00:14:51,290
debris around and when the great detail

309
00:14:56,650 --> 00:14:54,320
either uses metal strapping and how they

310
00:14:58,390 --> 00:14:56,660
had to winch it over to the truck

311
00:15:00,310 --> 00:14:58,400
because they couldn't take the truck

312
00:15:01,960 --> 00:15:00,320
right down to the crash site and they

313
00:15:03,460 --> 00:15:01,970

had a small like a little crane down

314

00:15:05,980 --> 00:15:03,470

there they used a little under the

315

00:15:07,990 --> 00:15:05,990

flatbed truck and and more than one

316

00:15:09,490 --> 00:15:08,000

person has confirmed the small crane

317

00:15:13,390 --> 00:15:09,500

being involved in the incident as well

318

00:15:16,150 --> 00:15:13,400

it's a very long very very detailed

319

00:15:17,590 --> 00:15:16,160

account about what we weren't with so

320

00:15:19,960 --> 00:15:17,600

many different people I just gave you

321

00:15:21,960 --> 00:15:19,970

the very short version of that one

322

00:15:24,970 --> 00:15:21,970

aspect of the case

323

00:15:28,530 --> 00:15:24,980

and I and I was surprised through to

324

00:15:32,230 --> 00:15:28,540

here today or or see on the this movie

325

00:15:34,660 --> 00:15:32,240

chestnuts orig that there there were an

326

00:15:38,080 --> 00:15:34,670

unidentified agents I guess we would

327

00:15:41,350 --> 00:15:38,090

identify them as the men in black in

328

00:15:44,140 --> 00:15:41,360

today's terminology so there are quite a

329

00:15:46,570 --> 00:15:44,150

number of aspects to this well we'll

330

00:15:48,520 --> 00:15:46,580

have to do is show some evening just on

331

00:15:49,930 --> 00:15:48,530

the Kecksburg and bring everybody up to

332

00:15:52,060 --> 00:15:49,940

date on it because like you say there

333

00:15:55,150 --> 00:15:52,070

there really is still so much going on

334

00:15:58,720 --> 00:15:55,160

oh yeah it's an amazing amazing story

335

00:16:01,120 --> 00:15:58,730

and there is there's so much mystery and

336

00:16:03,550 --> 00:16:01,130

intrigue and the multitudes of people

337

00:16:05,320 --> 00:16:03,560

I've interviewed even today are the

338

00:16:08,560 --> 00:16:05,330

multitudes of people I've talked to most

339

00:16:09,970 --> 00:16:08,570

something I've never gone public some

340

00:16:11,500 --> 00:16:09,980

quite a number have

341

00:16:13,390 --> 00:16:11,510

of many of those people of course you

342

00:16:15,100 --> 00:16:13,400

have now passed away a lot of the

343

00:16:16,480 --> 00:16:15,110

witnesses are now up in age and a lot of

344

00:16:18,700 --> 00:16:16,490

them are not in very good health which

345

00:16:21,280 --> 00:16:18,710

is unfortunate but I've documented all

346

00:16:23,380 --> 00:16:21,290

the information and it's it's just a

347

00:16:25,540 --> 00:16:23,390

fascinating story of whatever this thing

348

00:16:28,120 --> 00:16:25,550

may have been that had to have been

349

00:16:30,040 --> 00:16:28,130

frustrating though for you at 10 years

350

00:16:32,590 --> 00:16:30,050

old to have something like that

351
00:16:34,300 --> 00:16:32,600
happening so close to you and not have

352
00:16:36,940 --> 00:16:34,310
the ability just to jump into your car

353
00:16:42,040 --> 00:16:36,950
and drive over there did you did you

354
00:16:43,840 --> 00:16:42,050
make your parents to take you I was 16

355
00:16:46,810 --> 00:16:43,850
when it happened if I remember I think

356
00:16:48,550 --> 00:16:46,820
my my mother had already passed away and

357
00:16:51,690 --> 00:16:48,560
I believe my father was out of town at

358
00:16:54,340 --> 00:16:51,700
that time and so it was the next day

359
00:16:56,380 --> 00:16:54,350
till we could find out and at that time

360
00:16:59,200 --> 00:16:56,390
there was so little information about it

361
00:17:01,510 --> 00:16:59,210
and so little detail that there's not

362
00:17:04,240 --> 00:17:01,520
much we could do about it it was quite a

363
00:17:05,890 --> 00:17:04,250

while later as time went on that we were

364

00:17:07,480 --> 00:17:05,900

able to get a pretty good idea where

365

00:17:10,449 --> 00:17:07,490

this thing may have actually fallen on

366

00:17:13,060 --> 00:17:10,459

private property and there was a lot

367

00:17:16,689 --> 00:17:13,070

involved back at that time and and

368

00:17:18,520 --> 00:17:16,699

finally years later I was able to get

369

00:17:21,430 --> 00:17:18,530

dependently find witnesses who had been

370

00:17:23,740 --> 00:17:21,440

down to the site so I had independent

371

00:17:26,650 --> 00:17:23,750

witnesses who didn't know each other who

372

00:17:28,690 --> 00:17:26,660

took me down into those dense woods from

373

00:17:30,940 --> 00:17:28,700

different different locations took me

374

00:17:32,530 --> 00:17:30,950

down to the same exact place down in the

375

00:17:34,390 --> 00:17:32,540

woods which is what really was

376

00:17:35,950 --> 00:17:34,400

convincing when he has these people

377

00:17:37,990 --> 00:17:35,960

didn't know each other in this thickly

378

00:17:40,090 --> 00:17:38,000

wooded area and they all end up taking

379

00:17:42,400 --> 00:17:40,100

me to the same location and there we

380

00:17:44,560 --> 00:17:42,410

found this pattern of tree damage and

381

00:17:48,130 --> 00:17:44,570

trees knocked down top of trees broken

382

00:17:51,300 --> 00:17:48,140

out and it was very fascinating so

383

00:17:53,230 --> 00:17:51,310

there's still evidence even today that

384

00:17:56,680 --> 00:17:53,240

fortunately it's pretty much gone

385

00:17:59,650 --> 00:17:56,690

because many of those trees now old

386

00:18:02,290 --> 00:17:59,660

trees a phone from storms so a lot of

387

00:18:03,790 --> 00:18:02,300

what we had back then unfortunately in

388

00:18:05,890 --> 00:18:03,800

recent years when I was down I could

389

00:18:07,660 --> 00:18:05,900

barely even recognize the site and you

390

00:18:13,810 --> 00:18:07,670

can't go on the property annual storm

391

00:18:16,270 --> 00:18:13,820

private property mmm arresting so what

392

00:18:21,040 --> 00:18:16,280

about a Chestnut Ridge now we're going

393

00:18:23,530 --> 00:18:21,050

to have the the director of the film on

394

00:18:27,460 --> 00:18:23,540

later on this evening

395

00:18:29,920 --> 00:18:27,470

and from looking at this documentary I

396

00:18:33,790 --> 00:18:29,930

mean it seems like that there is a

397

00:18:35,800 --> 00:18:33,800

plethora of activity in this area now

398

00:18:39,280 --> 00:18:35,810

has that always been the case I mean

399

00:18:41,590 --> 00:18:39,290

have you had the opportunity to look

400

00:18:44,710 --> 00:18:41,600

back on the history and and see whether

401
00:18:46,570 --> 00:18:44,720
or not this has happened you know like

402
00:18:47,920 --> 00:18:46,580
hundreds of years ago or at least as

403
00:18:50,970 --> 00:18:47,930
long as people have been living in that

404
00:18:54,430 --> 00:18:50,980
area or is this something that has

405
00:18:57,270 --> 00:18:54,440
started to happen more recently no it's

406
00:18:59,950 --> 00:18:57,280
been going on for years and years and

407
00:19:04,150 --> 00:18:59,960
from my memory from whatever the call is

408
00:19:05,650 --> 00:19:04,160
the late 1960s I was about 1969 and of

409
00:19:07,540 --> 00:19:05,660
course that's when I set up my hotline

410
00:19:10,030 --> 00:19:07,550
for the public report UFO sighting it's

411
00:19:11,530 --> 00:19:10,040
been active ever since and I remember

412
00:19:14,590 --> 00:19:11,540
getting a call from a police department

413
00:19:17,620 --> 00:19:14,600

about a daylight sighting of two huge

414

00:19:19,830 --> 00:19:17,630

big cigar shaped objects at treetop

415

00:19:22,240 --> 00:19:19,840

level I believe was around Newark

416

00:19:23,500 --> 00:19:22,250

Pennsylvania and people pulling their

417

00:19:25,780 --> 00:19:23,510

cars off the roads will watch these

418

00:19:27,340 --> 00:19:25,790

objects and and I got involved and when

419

00:19:29,260 --> 00:19:27,350

I'm out there interviewing people I

420

00:19:32,230 --> 00:19:29,270

began to hear some of the locals tell me

421

00:19:34,930 --> 00:19:32,240

about not far down the road along this

422

00:19:36,880 --> 00:19:34,940

area of the Chestnut Ridge about things

423

00:19:39,070 --> 00:19:36,890

they've been seen for years from and or

424

00:19:41,230 --> 00:19:39,080

everything even back in those days I was

425

00:19:43,000 --> 00:19:41,240

saying about underground sounds I was

426

00:19:44,380 --> 00:19:43,010

hearing about I remember somebody talked

427

00:19:46,060 --> 00:19:44,390

about seeing like an opening on the side

428

00:19:48,340 --> 00:19:46,070

of the melt and somebody said they saw

429

00:19:50,320 --> 00:19:48,350

back in the 60s and there were a lot of

430

00:19:53,320 --> 00:19:50,330

UFO reports and other things going on

431

00:19:56,860 --> 00:19:53,330

when I was in high school I graduated in

432

00:19:58,300 --> 00:19:56,870

67 some of my friends who knew I was

433

00:20:00,400 --> 00:19:58,310

interested in these things they would

434

00:20:03,610 --> 00:20:00,410

come up to me and tell me about taking

435

00:20:05,920 --> 00:20:03,620

their girlfriends out parking at one of

436

00:20:07,780 --> 00:20:05,930

the the cemeteries out in that area and

437

00:20:09,160 --> 00:20:07,790

they would come with to me with a count

438

00:20:10,990 --> 00:20:09,170

of seeing it what they said was a

439

00:20:13,270 --> 00:20:11,000

gorilla that came out little was

440

00:20:15,430 --> 00:20:13,280

throwing rocks at their cars well that

441

00:20:17,230 --> 00:20:15,440

turned out to me historically one of the

442

00:20:19,450 --> 00:20:17,240

most active areas and still is in the

443

00:20:21,070 --> 00:20:19,460

country for Bigfoot activity all the

444

00:20:21,820 --> 00:20:21,080

time along the dairy side of the

445

00:20:27,010 --> 00:20:21,830

Chestnut Ridge

446

00:20:28,960 --> 00:20:27,020

goes back I mean there's very old

447

00:20:31,270 --> 00:20:28,970

newspaper accounts talking about strange

448

00:20:33,340 --> 00:20:31,280

things up around there I know against is

449

00:20:36,220 --> 00:20:33,350

going back to lease of 1930s up in the

450

00:20:37,870 --> 00:20:36,230

Chestnut Ridge in that general area so

451
00:20:40,450 --> 00:20:37,880
Chestnut Ridge is about a hundred mile

452
00:20:42,730 --> 00:20:40,460
long mountain range that extends from

453
00:20:45,070 --> 00:20:42,740
Preston County West Virginia to

454
00:20:46,690 --> 00:20:45,080
Westmoreland where I'm at Fayette in

455
00:20:49,630 --> 00:20:46,700
Indiana County and Southwest

456
00:20:51,940 --> 00:20:49,640
Pennsylvania it has been for years and

457
00:20:56,169 --> 00:20:51,950
years and year Li and and recently is

458
00:20:59,080 --> 00:20:56,179
last year some very strange reports got

459
00:21:01,690 --> 00:20:59,090
all the time and these include UFO

460
00:21:03,730 --> 00:21:01,700
sightings what I call mini UFOs were

461
00:21:05,680 --> 00:21:03,740
these objects are only a few inches to a

462
00:21:09,070 --> 00:21:05,690
foot in diameter they've approached

463
00:21:11,020 --> 00:21:09,080

people within feet the reports are they

464

00:21:13,210 --> 00:21:11,030

up there all kind of cryptid studies

465

00:21:17,110 --> 00:21:13,220

from Thunderbird sightings or Italian

466

00:21:19,720 --> 00:21:17,120

birds Black Panthers many Bigfoot

467

00:21:22,600 --> 00:21:19,730

sightings other weird phenomena mystery

468

00:21:24,940 --> 00:21:22,610

booms unexplained lights going up and

469

00:21:26,680 --> 00:21:24,950

coming down over to rich just all kind

470

00:21:29,350 --> 00:21:26,690

of weird things and it's a yearly

471

00:21:31,090 --> 00:21:29,360

phenomena and for years and years mighty

472

00:21:33,640 --> 00:21:31,100

especially in the 70s when we had the

473

00:21:35,289 --> 00:21:33,650

biggest outbreak in history every

474

00:21:37,539 --> 00:21:35,299

quarter with Bigfoot in UFOs who went on

475

00:21:39,159 --> 00:21:37,549

for a month in this area and was covered

476
00:21:41,470 --> 00:21:39,169
widely on the news and that's when I had

477
00:21:43,960 --> 00:21:41,480
my teams of research people scientists

478
00:21:46,150 --> 00:21:43,970
and engineers delegating cases and we're

479
00:21:47,799 --> 00:21:46,160
responding the cases day and night so

480
00:21:49,539 --> 00:21:47,809
we're on the scene within minutes to

481
00:21:51,549 --> 00:21:49,549
hours documenting all these cases which

482
00:21:54,060 --> 00:21:51,559
was what I wrote about my solid invasion

483
00:21:56,620 --> 00:21:54,070
book and that's when we began to uncover

484
00:21:59,020 --> 00:21:56,630
some of the strangest incidents ever

485
00:22:01,120 --> 00:21:59,030
documented with UFOs and Bigfoot being

486
00:22:04,210 --> 00:22:01,130
seen together and it was something we

487
00:22:07,000 --> 00:22:04,220
weren't know I'm looking for and since

488
00:22:09,789 --> 00:22:07,010

that time I've uncovered a lot of very

489

00:22:12,580 --> 00:22:09,799

strange aspects of not only Bigfoot but

490

00:22:16,419 --> 00:22:12,590

other cryptids as well and more and more

491

00:22:18,039 --> 00:22:16,429

as reluctant as I am to say it it seems

492

00:22:19,780 --> 00:22:18,049

that we're dealing with something that

493

00:22:21,430 --> 00:22:19,790

might be interdimensional in nature

494

00:22:24,580 --> 00:22:21,440

which is why there's no body as any of

495

00:22:28,690 --> 00:22:24,590

these creatures well to me that makes

496

00:22:31,870 --> 00:22:28,700

that makes a lot more sense than the the

497

00:22:34,000 --> 00:22:31,880

flesh flesh and blood type of creatures

498

00:22:36,130 --> 00:22:34,010

because you would think that if there

499

00:22:37,870 --> 00:22:36,140

are as many running around as there

500

00:22:42,340 --> 00:22:37,880

seems to be due to all the sightings

501
00:22:43,659 --> 00:22:42,350
that you know there'd be children going

502
00:22:45,520 --> 00:22:43,669
to kill you know kindergarten being

503
00:22:47,080 --> 00:22:45,530
snatched off the street quite often and

504
00:22:49,720 --> 00:22:47,090
you know being devoured by these things

505
00:22:52,300 --> 00:22:49,730
yet they seem to

506
00:22:54,100 --> 00:22:52,310
run across the field and disappear into

507
00:22:57,880 --> 00:22:54,110
the woods and then they're never seen

508
00:23:00,810 --> 00:22:57,890
again and I know from history that I

509
00:23:04,390 --> 00:23:00,820
mean they've been taken after with

510
00:23:06,910 --> 00:23:04,400
bloodhounds and helicopters during a

511
00:23:10,390 --> 00:23:06,920
some you know like really heavy

512
00:23:14,170 --> 00:23:10,400
activities yet they just seem to banish

513
00:23:17,610 --> 00:23:14,180

him in this so to speak we were finding

514

00:23:20,950 --> 00:23:17,620

back in this 73 in the 74 1 this massive

515

00:23:23,080 --> 00:23:20,960

UFO and Bigfoot outbreak occurred and as

516

00:23:24,340 --> 00:23:23,090

reports are coming in got remember back

517

00:23:26,500 --> 00:23:24,350

in those days there's no internet

518

00:23:27,640 --> 00:23:26,510

there's no cell phones law the reports

519

00:23:29,680 --> 00:23:27,650

was initially coming in to the police

520

00:23:31,210 --> 00:23:29,690

departments and being referred over to

521

00:23:33,970 --> 00:23:31,220

my groups to investigate

522

00:23:36,340 --> 00:23:33,980

so we're on the scene very quickly and

523

00:23:37,780 --> 00:23:36,350

and sorry I just am let me let me

524

00:23:40,450 --> 00:23:37,790

interrupt you here because we have to go

525

00:23:41,930 --> 00:23:40,460

to our break we'll be right back in just

526
00:23:50,510 --> 00:23:41,940
a few minutes

527
00:23:57,240 --> 00:23:54,660
now back to exploring the bazaar with

528
00:24:00,540 --> 00:23:57,250
two of the most electrifying researchers

529
00:24:07,350 --> 00:24:00,550
in the Paranoid your hosts Timothy Becca

530
00:24:09,660 --> 00:24:07,360
Lee panting Swift's and welcome back to

531
00:24:12,900 --> 00:24:09,670

00:24:15,090 --> 00:24:12,910
our listeners to let our guests know if

533
00:24:17,100 --> 00:24:15,100
you have any questions or comments about

534
00:24:19,200 --> 00:24:17,110

want to hit your head there you know we

541

00:24:43,680 --> 00:24:39,910

talked about it today

542

00:24:47,640 --> 00:24:43,690

oh the these areas of paranormal

543

00:24:51,980 --> 00:24:47,650

interest window areas the zones of the

544

00:24:57,180 --> 00:24:51,990

unexplained you know it goes back to

545

00:25:01,080 --> 00:24:57,190

nineteen I think 65 when I first met

546

00:25:04,350 --> 00:25:01,090

John Akhil man he had just come back

547

00:25:07,140 --> 00:25:04,360

believe it or not from investigating of

548

00:25:12,510 --> 00:25:07,150

the Mothman sightings in Point Pleasant

549

00:25:14,850 --> 00:25:12,520

West Virginia my friend and longtime

550

00:25:20,160 --> 00:25:14,860

buddy now deceased of course said Jim

551

00:25:23,760 --> 00:25:20,170

Mosely used to have meetings twice a

552

00:25:29,040 --> 00:25:23,770

month here in Manhattan he would rent a

553

00:25:30,780 --> 00:25:29,050

a hotel like lecture hall you know in

554

00:25:33,570 --> 00:25:30,790

those days you could get it for 25 or 30

555

00:25:35,610 --> 00:25:33,580

dollars around The Times Square area and

556

00:25:38,520 --> 00:25:35,620

we would get a you know anywhere from

557

00:25:41,700 --> 00:25:38,530

fifty two to two or three hundred people

558

00:25:45,570 --> 00:25:41,710

if the guest was on long johns show the

559

00:25:47,940 --> 00:25:45,580

the night before and and John keel would

560

00:25:50,580 --> 00:25:47,950

would entertain us I guess that's the

561

00:25:52,650 --> 00:25:50,590

best the description with with stories

562

00:25:55,860 --> 00:25:52,660

of the the paranormal and all the weird

563

00:25:58,169 --> 00:25:55,870

things that was happening to him which

564

00:26:02,430 --> 00:25:58,179

included visits by mystery

565

00:26:06,299 --> 00:26:02,440

his agents and creepy incidents in his

566

00:26:09,359 --> 00:26:06,309

apartment a couple of blocks from here

567

00:26:12,480 --> 00:26:09,369

in Kips Bay and of course now he had

568

00:26:15,239 --> 00:26:12,490

gone down to West Virginia to

569

00:26:19,799 --> 00:26:15,249

investigate or to actually look into an

570

00:26:21,779 --> 00:26:19,809

a flying cat or a cat with the wings we

571

00:26:25,950 --> 00:26:21,789

actually have a photo of in the silla

572

00:26:29,909 --> 00:26:25,960

winged wonder a book that's coming out

573

00:26:32,220 --> 00:26:29,919

in a week or so and while he was down

574

00:26:34,649 --> 00:26:32,230

there the reports of the the Mothman I

575

00:26:36,960 --> 00:26:34,659

came to his attention he and he has

576

00:26:39,480 --> 00:26:36,970

started to investigate it but he also

577

00:26:41,909 --> 00:26:39,490

used to set up on a hill outside of

578

00:26:45,330 --> 00:26:41,919

Point Pleasant and and watched these

579

00:26:47,399 --> 00:26:45,340

strange objects in the sky and he tried

580

00:26:51,600 --> 00:26:47,409

to tell us that there was a relationship

581

00:26:55,769 --> 00:26:51,610

between these mysterious objects and

582

00:26:57,470 --> 00:26:55,779

things that were going on at a ground uh

583

00:27:01,710 --> 00:26:57,480

you know level whether they be

584

00:27:06,060 --> 00:27:01,720

sightings of the creature or injured

585

00:27:08,639 --> 00:27:06,070

cold or are some other shadow beings and

586

00:27:10,889 --> 00:27:08,649

he tried to link him together and and of

587

00:27:14,430 --> 00:27:10,899

course not having it too much of a

588

00:27:18,560 --> 00:27:14,440

background in such a paranormal activity

589

00:27:21,869 --> 00:27:18,570

at the time we kind of poo-pooed his

590

00:27:26,549 --> 00:27:21,879

sighting reports and thought perhaps he

591

00:27:29,100 --> 00:27:26,559

was joking with us or trying to to

592

00:27:30,840 --> 00:27:29,110

entertain us because certainly there was

593

00:27:34,049 --> 00:27:30,850

no way that there would be an

594

00:27:36,629 --> 00:27:34,059

interrelationship between all of these

595

00:27:38,850 --> 00:27:36,639

phenomena of course in the next couple

596

00:27:41,519 --> 00:27:38,860

of years after that when I got out on

597

00:27:45,570 --> 00:27:41,529

the road myself I began to see that

598

00:27:48,539 --> 00:27:45,580

there was a core correlation I remember

599

00:27:50,249 --> 00:27:48,549

I went to the town of Athens Ohio and

600

00:27:52,680 --> 00:27:50,259

there was a report that I was

601
00:27:55,919 --> 00:27:52,690
investigating of a object that had

602
00:27:58,499 --> 00:27:55,929
landed in a farmer's cornfield behind

603
00:27:59,940 --> 00:27:58,509
his house now when I say cornfield we're

604
00:28:03,330 --> 00:27:59,950
not talking about acres and acres of

605
00:28:05,430 --> 00:28:03,340
corn maybe an acre of corn if that but

606
00:28:07,710 --> 00:28:05,440
his grandson had supposedly seen this

607
00:28:09,869 --> 00:28:07,720
object back there you know in the in the

608
00:28:11,379 --> 00:28:09,879
cornfield and it had left an impression

609
00:28:15,489 --> 00:28:11,389
on the

610
00:28:17,830 --> 00:28:15,499
the spud well I wasn't gonna get myself

611
00:28:21,310 --> 00:28:17,840
well torn up going back you know how how

612
00:28:24,789 --> 00:28:21,320
corn stalks stalks are so I took him at

613
00:28:26,859 --> 00:28:24,799

his word but I canvassed the the

614

00:28:30,700 --> 00:28:26,869

neighborhood very rural neighborhood and

615

00:28:32,799 --> 00:28:30,710

knocked on people's doors and asked them

616

00:28:34,930 --> 00:28:32,809

if they had had you know a UFO sighting

617

00:28:37,450 --> 00:28:34,940

or had seen anything strange that night

618

00:28:39,519 --> 00:28:37,460

and there were people that reported to

619

00:28:42,759 --> 00:28:39,529

me that they had seen mysterious objects

620

00:28:44,499 --> 00:28:42,769

in the the sky but they also started

621

00:28:48,609 --> 00:28:44,509

telling me about other word events that

622

00:28:51,099 --> 00:28:48,619

we're going on in their life including

623

00:28:54,639 --> 00:28:51,109

the the sighting in the in the same

624

00:28:57,340 --> 00:28:54,649

vicinity of a Bigfoot or some sort of

625

00:29:02,889 --> 00:28:57,350

cryptid creature just around the same

626
00:29:05,979 --> 00:29:02,899
time as the UFOs were skipping around in

627
00:29:09,430 --> 00:29:05,989
the in the sky overhead so after hearing

628
00:29:13,090 --> 00:29:09,440
four or five of these reports that there

629
00:29:15,519 --> 00:29:13,100
was a connection between the two their

630
00:29:18,849 --> 00:29:15,529
subjects I began to realize what we must

631
00:29:22,599 --> 00:29:18,859
be dealing with something here that it

632
00:29:25,989 --> 00:29:22,609
is not flesh and blood in the in the

633
00:29:28,119 --> 00:29:25,999
sense that we think of it that UFOs may

634
00:29:30,759 --> 00:29:28,129
not just be from Mars and Venus but they

635
00:29:32,979 --> 00:29:30,769
could be from a parallel dimension or

636
00:29:36,820 --> 00:29:32,989
they could be from another time-space

637
00:29:39,279 --> 00:29:36,830
continuum and the the Bigfoot and other

638
00:29:42,489 --> 00:29:39,289

cryptid creatures march along right with

639

00:29:48,099 --> 00:29:42,499

them from a one's own through the other

640

00:29:51,070 --> 00:29:48,109

now a pawpaw you know who is the host

641

00:29:52,299 --> 00:29:51,080

along with his son Ben of behind the

642

00:29:54,789 --> 00:29:52,309

paranormal

643

00:29:57,580 --> 00:29:54,799

got caught up in a recent series of

644

00:30:00,849 --> 00:29:57,590

events in pennsylvania apparently not

645

00:30:03,999 --> 00:30:00,859

too far from this Chestnut Ridge area

646

00:30:07,269 --> 00:30:04,009

that Stan was just talking about before

647

00:30:11,109 --> 00:30:07,279

the the break and this all also includes

648

00:30:13,960 --> 00:30:11,119

the sighting of UFOs of the sky and

649

00:30:17,320 --> 00:30:13,970

mysterious creatures on the ground and

650

00:30:21,009 --> 00:30:17,330

perhaps some even as shadowy agents

651
00:30:24,159 --> 00:30:21,019
keeping track of the activity in the the

652
00:30:24,790 --> 00:30:24,169
area so a pole what why don't we go back

653
00:30:27,670 --> 00:30:24,800
to with

654
00:30:30,070 --> 00:30:27,680
all started as far as the the sightings

655
00:30:32,950 --> 00:30:30,080
in Pennsylvania what area are we talking

656
00:30:35,730 --> 00:30:32,960
about and how did you get involved in in

657
00:30:40,000 --> 00:30:35,740
this window area

658
00:30:42,490 --> 00:30:40,010
well actually it's it's surrounding the

659
00:30:45,670 --> 00:30:42,500
city of Dubois that area down as far as

660
00:30:48,490 --> 00:30:45,680
Reynoldsville and that vicinity in sort

661
00:30:50,950 --> 00:30:48,500
of west central Pennsylvania a little

662
00:30:53,890 --> 00:30:50,960
bit to the south maybe 200 or so odd

663
00:30:56,140 --> 00:30:53,900

miles from Pittsburgh and William Jay

664

00:30:58,690 --> 00:30:56,150

Hall whom I believe he's been on your

665

00:31:02,590 --> 00:30:58,700

show beat me to it in writing a book

666

00:31:04,090 --> 00:31:02,600

about our Connecticut Lydia yes he has

667

00:31:04,960 --> 00:31:04,100

he has been on the show and we have to

668

00:31:07,210 --> 00:31:04,970

have him back on again

669

00:31:09,550 --> 00:31:07,220

right yeah he's coming out with another

670

00:31:13,030 --> 00:31:09,560

book he writes them faster than I do so

671

00:31:15,610 --> 00:31:13,040

that he the woman from this this

672

00:31:17,050 --> 00:31:15,620

facility have read that book and said my

673

00:31:18,760 --> 00:31:17,060

gosh this is the same kind of stuff we

674

00:31:23,170 --> 00:31:18,770

have going on here

675

00:31:25,420 --> 00:31:23,180

Bigfoot UFOs military activity ghosts

676
00:31:28,030 --> 00:31:25,430
but you name it you know what the things

677
00:31:32,280 --> 00:31:28,040
that don't even have names yet there

678
00:31:36,130 --> 00:31:32,290
were horses being her galloping down the

679
00:31:38,200 --> 00:31:36,140
hallways of their home Ben and I took up

680
00:31:41,230 --> 00:31:38,210
this case it was he was 13 years old it

681
00:31:44,080 --> 00:31:41,240
was one of his first cases and it was in

682
00:31:46,240 --> 00:31:44,090
five and the first thing usually things

683
00:31:47,920 --> 00:31:46,250
take a while to get used to you but the

684
00:31:50,770 --> 00:31:47,930
first thing that happened to me a horse

685
00:31:53,170 --> 00:31:50,780
went galloping by in the driveway it's a

686
00:31:55,510 --> 00:31:53,180
rural area but still you could you could

687
00:31:56,890 --> 00:31:55,520
feel the breeze from it the leaves were

688
00:31:59,380 --> 00:31:56,900

moving on the trees close to the ground

689

00:32:01,930 --> 00:31:59,390

it was quite striking and so that's how

690

00:32:03,580 --> 00:32:01,940

that began and the hill or to book about

691

00:32:06,100 --> 00:32:03,590

this and the woman in Pennsylvania read

692

00:32:08,760 --> 00:32:06,110

this and said this is similar to what we

693

00:32:12,400 --> 00:32:08,770

saw ever happening here so in May of 16

694

00:32:14,890 --> 00:32:12,410

we I went out there with Shane Cyr way I

695

00:32:16,000 --> 00:32:14,900

don't know Shane's been on your show if

696

00:32:19,000 --> 00:32:16,010

he hasn't he should be

697

00:32:21,160 --> 00:32:19,010

Shane is one of the fans yes he okay so

698

00:32:22,630 --> 00:32:21,170

you know the clinic alibi that's all

699

00:32:25,300 --> 00:32:22,640

yeah Shane is one of the few

700

00:32:27,040 --> 00:32:25,310

investigators we will work with first I

701
00:32:28,660 --> 00:32:27,050
first met him we've been working

702
00:32:30,940 --> 00:32:28,670
together for almost 20 years

703
00:32:34,240 --> 00:32:30,950
met in the case in Rhode Island and I

704
00:32:36,880 --> 00:32:34,250
was astounded that he had the same goofy

705
00:32:38,450 --> 00:32:36,890
theories that I have and that Ben and I

706
00:32:41,180 --> 00:32:38,460
have about the

707
00:32:42,590 --> 00:32:41,190
in this case a ghost situation which is

708
00:32:45,710 --> 00:32:42,600
that you're dealing not so much with

709
00:32:50,419 --> 00:32:45,720
death as with parallel worlds okay and

710
00:32:53,509 --> 00:32:50,429
take it from there so we went out there

711
00:32:57,470 --> 00:32:53,519
and we we had a number of things that

712
00:32:59,840 --> 00:32:57,480
occurred within three days of our

713
00:33:02,389 --> 00:32:59,850

arrival and we had we talked with the

714

00:33:03,859 --> 00:33:02,399

family and got the whole story and then

715

00:33:05,629 --> 00:33:03,869

they introduced us to a number of

716

00:33:06,739 --> 00:33:05,639

neighbors to whom things had happened

717

00:33:09,169 --> 00:33:06,749

and of course this is the thing it's

718

00:33:11,210 --> 00:33:09,179

never just in our opinion located in one

719

00:33:12,980 --> 00:33:11,220

piece of property or one family or one

720

00:33:16,220 --> 00:33:12,990

house but the more you look the more

721

00:33:17,899 --> 00:33:16,230

you're going to find as you did Tim and

722

00:33:19,009 --> 00:33:17,909

knocking on doors I'm asking people and

723

00:33:21,200 --> 00:33:19,019

I don't know if I'd have that kind of

724

00:33:24,619 --> 00:33:21,210

gall I'd kind of wait to be introduced

725

00:33:28,279 --> 00:33:24,629

but I guess you got it done so we had a

726

00:33:31,789 --> 00:33:28,289

first meeting there with upwards of 20

727

00:33:35,899 --> 00:33:31,799

families who came to to the neighborhood

728

00:33:38,539 --> 00:33:35,909

meeting and every single family they had

729

00:33:41,440 --> 00:33:38,549

been sightings of Bigfoot and UFOs

730

00:33:44,389 --> 00:33:41,450

sometimes in relatively close proximity

731

00:33:46,100 --> 00:33:44,399

we staked out the area and Shane and I

732

00:33:49,310 --> 00:33:46,110

slept in different places on the

733

00:33:52,190 --> 00:33:49,320

property for several nights and Shane

734

00:33:55,369 --> 00:33:52,200

himself encountered in broad daylight

735

00:33:58,539 --> 00:33:55,379

although it was a rainy rainy day he was

736

00:34:01,460 --> 00:33:58,549

sitting in his truck down in a clearing

737

00:34:03,799 --> 00:34:01,470

below the main part of a property where

738

00:34:05,539 --> 00:34:03,809

we began this investigation and he

739

00:34:07,129 --> 00:34:05,549

looked up between maybe he told you this

740

00:34:09,010 --> 00:34:07,139

on the air but he looked up and there

741

00:34:11,240 --> 00:34:09,020

between two trees was a large hairy

742

00:34:13,730 --> 00:34:11,250

something that he assumed was a bear

743

00:34:15,649 --> 00:34:13,740

because there are bears around and he

744

00:34:17,419 --> 00:34:15,659

started up toward it in this truck and

745

00:34:18,379 --> 00:34:17,429

the thing took off - there were two it's

746

00:34:21,440 --> 00:34:18,389

it's right

747

00:34:23,809 --> 00:34:21,450

Shane's left with huge arms moving up

748

00:34:26,180 --> 00:34:23,819

and down and moving on two legs and in

749

00:34:29,990 --> 00:34:26,190

the process the creature flushed - three

750

00:34:32,659 --> 00:34:30,000

deer but when bounding off and that was

751

00:34:35,000 --> 00:34:32,669

the the first major sighting of our

752

00:34:38,030 --> 00:34:35,010

party again within a few days of

753

00:34:41,450 --> 00:34:38,040

arriving there we also interviewed a

754

00:34:44,659 --> 00:34:41,460

number of families in their homes one of

755

00:34:46,849 --> 00:34:44,669

whom had shadow people problems and had

756

00:34:49,069 --> 00:34:46,859

lights strange lights appearing over

757

00:34:51,799 --> 00:34:49,079

their house almost every night which we

758

00:34:52,320 --> 00:34:51,809

saw on several occasions almost like the

759

00:34:55,650 --> 00:34:52,330

glowing

760

00:34:58,290 --> 00:34:55,660

orb type things light balls as as Ted

761

00:35:01,680 --> 00:34:58,300

Phillips would describe them Ted for

762

00:35:05,280 --> 00:35:01,690

Suri and then on the another trip in

763

00:35:07,290 --> 00:35:05,290

September of that year I was we had got

764

00:35:08,070 --> 00:35:07,300

a number photographs of strange things

765

00:35:10,680 --> 00:35:08,080

kind of in the sky

766

00:35:15,470 --> 00:35:10,690

I'll gathered all sorts of stories of

767

00:35:18,540 --> 00:35:15,480

low-flying c-130s a dropping odd

768

00:35:19,920 --> 00:35:18,550

filament like things over the area this

769

00:35:24,030 --> 00:35:19,930

is what I think Stan would be interested

770

00:35:28,740 --> 00:35:24,040

in this and we were so I station myself

771

00:35:32,310 --> 00:35:28,750

up in the a lot the field above this the

772

00:35:33,870 --> 00:35:32,320

main house with a with my truck and I

773

00:35:36,030 --> 00:35:33,880

was by myself Shane was in another part

774

00:35:38,850 --> 00:35:36,040

of the property and I had the the

775

00:35:40,770 --> 00:35:38,860

passenger window up because it was a

776

00:35:42,420 --> 00:35:40,780

little chilly very very brilliant

777

00:35:44,910 --> 00:35:42,430

moonlit night if you have good memories

778

00:35:46,680 --> 00:35:44,920

you remember September 16 2016 it was a

779

00:35:49,800 --> 00:35:46,690

brilliant moonlit night light in the

780

00:35:52,350 --> 00:35:49,810

Northeast a night I should say and but

781

00:35:53,730 --> 00:35:52,360

kind of chilly so I I have my camera set

782

00:35:56,970 --> 00:35:53,740

off I'm looking for strange lights in

783

00:35:58,740 --> 00:35:56,980

the sky now after going on 50 years of

784

00:36:01,290 --> 00:35:58,750

dealing with the paranormal I should

785

00:36:03,480 --> 00:36:01,300

know that the things never happened the

786

00:36:06,120 --> 00:36:03,490

way you expect them to or when you

787

00:36:07,800 --> 00:36:06,130

expect them to so sure enough I'm kind

788

00:36:10,230 --> 00:36:07,810

of looking on to my left and and on my

789

00:36:12,090 --> 00:36:10,240

right something catches my eye and then

790

00:36:17,030 --> 00:36:12,100

this brilliant moonlight there there is

791

00:36:21,630 --> 00:36:17,040

a huge brown furred two-legged creature

792

00:36:22,920 --> 00:36:21,640

walking up about 200 feet to my reckons

793

00:36:25,710 --> 00:36:22,930

we measured it off the next day we found

794

00:36:26,930 --> 00:36:25,720

a path where something large and with

795

00:36:30,060 --> 00:36:26,940

two legs had gone through the field

796

00:36:31,680 --> 00:36:30,070

coming up to toward the center of the

797

00:36:35,430 --> 00:36:31,690

field with its head bowed as if looking

798

00:36:36,690 --> 00:36:35,440

for something so I I stabbed a picture

799

00:36:38,100 --> 00:36:36,700

with the infrared camera through the

800

00:36:39,840 --> 00:36:38,110

cold window obviously there's no

801
00:36:40,470 --> 00:36:39,850
signature and then I try and get out of

802
00:36:44,970 --> 00:36:40,480
the truck

803
00:36:46,380 --> 00:36:44,980
and then of all things my wife calls now

804
00:36:47,700 --> 00:36:46,390
I Paul why didn't you shut off the cell

805
00:36:50,160 --> 00:36:47,710
phone was gonna call me in the middle of

806
00:36:53,460 --> 00:36:50,170
a field in in the middle of the night

807
00:36:55,500 --> 00:36:53,470
you know in Pennsylvania so my ringtone

808
00:36:57,090 --> 00:36:55,510
the theme from Lord of the Rings goes

809
00:36:59,040 --> 00:36:57,100
blasting out over this channel so

810
00:37:02,700 --> 00:36:59,050
naturally whatever this was was was gone

811
00:37:03,840 --> 00:37:02,710
so all of a sudden maybe a minute or two

812
00:37:05,970 --> 00:37:03,850
later I see lights

813
00:37:08,130 --> 00:37:05,980

up in a tree on the other

814

00:37:11,460 --> 00:37:08,140

side of this field perhaps about the

815

00:37:13,680 --> 00:37:11,470

same distance way maybe 200 250 C and

816

00:37:14,760 --> 00:37:13,690

they didn't look weird or or UFO like

817

00:37:17,670 --> 00:37:14,770

they would look like somebody had a

818

00:37:18,390 --> 00:37:17,680

spotlight so I didn't want to drive over

819

00:37:20,190 --> 00:37:18,400

there I didn't know if there were any

820

00:37:22,410 --> 00:37:20,200

yawning chasms that would swallow my

821

00:37:24,120 --> 00:37:22,420

truck so at the neighborhood meeting

822

00:37:25,710 --> 00:37:24,130

then that well well the next morning

823

00:37:27,630 --> 00:37:25,720

Shane and I went out there we measured

824

00:37:29,640 --> 00:37:27,640

everything off and Shane is 6 feet high

825

00:37:32,580 --> 00:37:29,650

in the stocking feet and this thing was

826

00:37:34,590 --> 00:37:32,590

about 2 foot to half to 2 feet taller

827

00:37:36,150 --> 00:37:34,600

than he was so meanwhile the

828

00:37:37,890 --> 00:37:36,160

neighborhood meeting that evening I was

829

00:37:40,170 --> 00:37:37,900

telling this story in the hand went up

830

00:37:41,609 --> 00:37:40,180

and it was a woman named Melissa who

831

00:37:43,590 --> 00:37:41,619

lived on the other side of the field in

832

00:37:45,180 --> 00:37:43,600

another house and she said oh those

833

00:37:47,849 --> 00:37:45,190

lights that that was me

834

00:37:50,070 --> 00:37:47,859

my son and I came home and we heard

835

00:37:53,310 --> 00:37:50,080

something big moving through that field

836

00:37:54,780 --> 00:37:53,320

at the same time I was seeing it they

837

00:37:56,250 --> 00:37:54,790

went up into the field to try and see

838

00:37:59,160 --> 00:37:56,260

what it was but of course it was gone

839

00:38:01,109 --> 00:37:59,170

and because they're not afraid they're

840

00:38:04,260 --> 00:38:01,119

so used to this stuff they're not afraid

841

00:38:05,790 --> 00:38:04,270

of these things so it's funny that I we

842

00:38:07,500 --> 00:38:05,800

always ask people what did you feel

843

00:38:09,630 --> 00:38:07,510

during this experience because you know

844

00:38:11,099 --> 00:38:09,640

I'm not saying it was Bigfoot but I

845

00:38:14,940 --> 00:38:11,109

can't imagine anything else that would

846

00:38:16,800 --> 00:38:14,950

have been that with that size so people

847

00:38:18,840 --> 00:38:16,810

will say well sometimes I was terrified

848

00:38:20,310 --> 00:38:18,850

there was a little girl the lab there on

849

00:38:22,770 --> 00:38:20,320

our second neighborhood meeting who was

850

00:38:24,000 --> 00:38:22,780

so terrified to tell us about her

851
00:38:25,800 --> 00:38:24,010
Bigfoot experience because there were

852
00:38:28,380 --> 00:38:25,810
these two weird guys from the wing one

853
00:38:29,099 --> 00:38:28,390
so holy but we hope next time we go to

854
00:38:31,109 --> 00:38:29,109
talk to her

855
00:38:36,140 --> 00:38:31,119
a very scary experience but I felt

856
00:38:38,940 --> 00:38:36,150
privileged and I felt honored and very

857
00:38:42,990 --> 00:38:38,950
it was a very very special and almost

858
00:38:45,180 --> 00:38:43,000
spiritual experience so that's all I can

859
00:38:49,560 --> 00:38:45,190
tell you this stuff has been going on in

860
00:38:51,060 --> 00:38:49,570
Pennsylvania for many many years the

861
00:38:52,440 --> 00:38:51,070
site itself is very interesting

862
00:38:53,730 --> 00:38:52,450
archaeologically University of

863
00:38:56,310 --> 00:38:53,740

Pennsylvania researchers have been up

864

00:38:59,640 --> 00:38:56,320

there there appears to a there's some

865

00:39:02,580 --> 00:38:59,650

theory that there was a meteor impact in

866

00:39:06,210 --> 00:39:02,590

the round about the the the end of the

867

00:39:07,710 --> 00:39:06,220

14th out is beginning the 1500s I nobody

868

00:39:09,420 --> 00:39:07,720

told me this when I was up on a hill

869

00:39:11,700 --> 00:39:09,430

that is full of iron because I have a

870

00:39:14,130 --> 00:39:11,710

metal allergy and I really you know I

871

00:39:16,260 --> 00:39:14,140

had to go to bed for two hours so

872

00:39:18,120 --> 00:39:16,270

there's there's all this sorts of stuff

873

00:39:20,010 --> 00:39:18,130

now what are the things and Stan may be

874

00:39:22,740 --> 00:39:20,020

interested in this because

875

00:39:27,210 --> 00:39:22,750

this has been coming up for maybe about

876

00:39:30,170 --> 00:39:27,220

the past year the area from this area

877

00:39:32,280 --> 00:39:30,180

down the ridge down down all the way to

878

00:39:37,470 --> 00:39:32,290

Pittsburgh and all the way down the Ohio

879

00:39:39,420 --> 00:39:37,480

Valley to Eastern Kentucky the Panther

880

00:39:41,100 --> 00:39:39,430

Ridge areas where where we were rolling

881

00:39:42,830 --> 00:39:41,110

just getting started investigating that

882

00:39:46,740 --> 00:39:42,840

that situation a lot of Bigfoot there

883

00:39:51,630 --> 00:39:46,750

you have in that whole line of what is

884

00:39:56,520 --> 00:39:51,640

known as rather interesting instances of

885

00:39:58,470 --> 00:39:56,530

the Bujji air anomaly BLUG uer and that

886

00:39:59,730 --> 00:39:58,480

is a gravitational anomaly there and I'm

887

00:40:02,160 --> 00:39:59,740

gonna say it's nothing to do with it but

888

00:40:03,870 --> 00:40:02,170

it's just it's intriguing it's very

889

00:40:05,040 --> 00:40:03,880

often present in river valleys

890

00:40:06,330 --> 00:40:05,050

particularly they were higher and all

891

00:40:08,670 --> 00:40:06,340

the way down through the area when you

892

00:40:10,770 --> 00:40:08,680

have the things we're discussing all the

893

00:40:13,740 --> 00:40:10,780

way down through the Mothman country of

894

00:40:17,070 --> 00:40:13,750

West Virginia and Ohio all the way down

895

00:40:20,220 --> 00:40:17,080

through Eastern Kentucky and you've got

896

00:40:22,800 --> 00:40:20,230

this Buju anomaly now what it is is it

897

00:40:25,650 --> 00:40:22,810

essentially makes gravity lighter as you

898

00:40:28,160 --> 00:40:25,660

walk downhill into a valid this was

899

00:40:31,650 --> 00:40:28,170

discovered when people were researching

900

00:40:34,170 --> 00:40:31,660

areas for oil and gas deposits and you

901
00:40:36,090 --> 00:40:34,180
look for certain minerals and it

902
00:40:37,740 --> 00:40:36,100
apparently has an effect on gravity that

903
00:40:39,530 --> 00:40:37,750
makes it lighter we should go towards

904
00:40:42,630 --> 00:40:39,540
farther toward the center of the earth

905
00:40:44,820 --> 00:40:42,640
whereas usually that's not the case now

906
00:40:46,260 --> 00:40:44,830
again it's it's very it's measurable but

907
00:40:48,960 --> 00:40:46,270
it's it's not something you would feel

908
00:40:51,600 --> 00:40:48,970
as you as you do walk down the hills but

909
00:40:54,330 --> 00:40:51,610
nevertheless it is intriguing what did

910
00:40:57,660 --> 00:40:54,340
Einstein say about gravity it can bend

911
00:40:59,580 --> 00:40:57,670
space and time possibly this this may be

912
00:41:01,740 --> 00:40:59,590
one clue that we what we want to pursue

913
00:41:03,870 --> 00:41:01,750

further in investigating why this is

914

00:41:06,030 --> 00:41:03,880

present these flat berries in our

915

00:41:08,790 --> 00:41:06,040

Connecticut case where is the is the

916

00:41:11,160 --> 00:41:08,800

strongest luger anomaly in Connecticut

917

00:41:13,530 --> 00:41:11,170

and it's right there Litchfield Goshen

918

00:41:15,510 --> 00:41:13,540

Torrington right in the in the center of

919

00:41:16,830 --> 00:41:15,520

what we refer to as a little triangle

920

00:41:19,640 --> 00:41:16,840

where these weird things are going on

921

00:41:22,410 --> 00:41:19,650

and you've got Bigfoot weird lights

922

00:41:24,690 --> 00:41:22,420

military activity why because maybe

923

00:41:26,070 --> 00:41:24,700

they'd love to militarize the paranormal

924

00:41:29,610 --> 00:41:26,080

wouldn't they like to know where Bigfoot

925

00:41:33,030 --> 00:41:29,620

goes to and comes from and one question

926

00:41:33,880 --> 00:41:33,040

i'm sure that stan has embraced this

927

00:41:37,690 --> 00:41:33,890

question as well

928

00:41:39,820 --> 00:41:37,700

or wondered about it certainly in an

929

00:41:41,410 --> 00:41:39,830

area like western Pennsylvania or or the

930

00:41:43,720 --> 00:41:41,420

areas of that we've been researching as

931

00:41:46,210 --> 00:41:43,730

far as this case is concerned its farm

932

00:41:50,500 --> 00:41:46,220

country there are no huge wilderness

933

00:41:53,170 --> 00:41:50,510

areas you've got woods of maybe 10 15 20

934

00:41:55,630 --> 00:41:53,180

acres there is no place for a population

935

00:41:58,090 --> 00:41:55,640

and a breeding population I've been told

936

00:42:00,880 --> 00:41:58,100

you'd expect to be about 500 individuals

937

00:42:03,010 --> 00:42:00,890

over a certain area of square miles you

938

00:42:07,060 --> 00:42:03,020

know and you don't have that in this

939

00:42:09,010 --> 00:42:07,070

area even at farms towns and small and

940

00:42:11,350 --> 00:42:09,020

relatively small wood Lots where does

941

00:42:13,750 --> 00:42:11,360

Bigfoot come from and go never mind the

942

00:42:15,610 --> 00:42:13,760

light so they were associated with go

943

00:42:18,010 --> 00:42:15,620

see I apparently they can be anywhere if

944

00:42:20,530 --> 00:42:18,020

you want to call them those so these are

945

00:42:23,860 --> 00:42:20,540

all questions that we've encountered but

946

00:42:25,960 --> 00:42:23,870

I'm intrigued by the parallels that seem

947

00:42:28,660 --> 00:42:25,970

to be taking place and our work in and

948

00:42:30,820 --> 00:42:28,670

Stan's as well oh it's not just Bigfoot

949

00:42:33,100 --> 00:42:30,830

though I mean as Stan pointed out

950

00:42:35,710 --> 00:42:33,110

there's been sightings of you know like

951
00:42:37,780 --> 00:42:35,720
the Thunder Byrne Thunder both short or

952
00:42:38,980 --> 00:42:37,790
pterodactyl like creatures yeah you know

953
00:42:40,690 --> 00:42:38,990
that that's something you wouldn't

954
00:42:42,520 --> 00:42:40,700
expect you know to be walking through

955
00:42:46,150 --> 00:42:42,530
the woods and find also population

956
00:42:48,790 --> 00:42:46,160
indeed also up up right canine cryptids

957
00:42:50,860 --> 00:42:48,800
as Linda Godfrey calls them rather aptly

958
00:42:54,610 --> 00:42:50,870
nobody you know nobody dares saying

959
00:42:56,890 --> 00:42:54,620
we're wolf you know and then dog man is

960
00:42:59,170 --> 00:42:56,900
our friend oh really

961
00:43:01,450 --> 00:42:59,180
is that right we're gonna talk to you

962
00:43:03,730 --> 00:43:01,460
because we need to talk to him but that

963
00:43:05,320 --> 00:43:03,740

they've been breaks and that sort of

964

00:43:07,690 --> 00:43:05,330

thing in Pennsylvania as well so and

965

00:43:09,100 --> 00:43:07,700

again things things that you never could

966

00:43:10,990 --> 00:43:09,110

make up now I haven't encountered these

967

00:43:14,800 --> 00:43:11,000

yet but in the Connecticut case they

968

00:43:17,650 --> 00:43:14,810

have sort of these boxy entities kind of

969

00:43:19,840 --> 00:43:17,660

bouncing by people's windows we have a

970

00:43:22,030 --> 00:43:19,850

photograph taken by a security camera in

971

00:43:25,600 --> 00:43:22,040

an area of the Litchfield County

972

00:43:28,690 --> 00:43:25,610

Connecticut where all sorts of outbreaks

973

00:43:30,880 --> 00:43:28,700

of I should say break-ins were occurring

974

00:43:32,290 --> 00:43:30,890

and nothing was stolen and people put a

975

00:43:34,000 --> 00:43:32,300

security camera in their house when they

976
00:43:39,070 --> 00:43:34,010
were at home they got a picture of this

977
00:43:41,950 --> 00:43:39,080
very very strange human-sized dare I say

978
00:43:44,140 --> 00:43:41,960
reptilian creature or lizard-like

979
00:43:46,120 --> 00:43:44,150
creature standing at their sink you can

980
00:43:47,290 --> 00:43:46,130
it's very detailed you can see the l

981
00:43:48,370 --> 00:43:47,300
mean

982
00:43:51,070 --> 00:43:48,380
these are things that don't even have

983
00:43:53,080 --> 00:43:51,080
names yet so and they're all present in

984
00:43:54,520 --> 00:43:53,090
these areas of the movie or anomaly if

985
00:43:57,310 --> 00:43:54,530
they if that does everything to do with

986
00:44:00,820 --> 00:43:57,320
it and all sorts of other flap areas

987
00:44:02,890 --> 00:44:00,830
that we have described as we carried on

988
00:44:05,350 --> 00:44:02,900

our discussion well you know that was

989

00:44:08,740 --> 00:44:05,360

one of the things that John keel pointed

990

00:44:11,050 --> 00:44:08,750

out in several of his books that a lot

991

00:44:13,300 --> 00:44:11,060

of this activity seems to center around

992

00:44:15,550 --> 00:44:13,310

areas across the country and across the

993

00:44:17,920 --> 00:44:15,560

world I suppose if you took the time to

994

00:44:22,000 --> 00:44:17,930

look at it over areas that have you know

995

00:44:24,370 --> 00:44:22,010

magnetic anomalies sure yeah and the

996

00:44:26,170 --> 00:44:24,380

rivers as well because unless water is

997

00:44:28,600 --> 00:44:26,180

distilled it will conduct electricity

998

00:44:30,460 --> 00:44:28,610

and and looked at magnetic fields and

999

00:44:33,970 --> 00:44:30,470

this sort of things these are all

1000

00:44:36,070 --> 00:44:33,980

speculation but I think a lot of people

1001

00:44:39,730 --> 00:44:36,080

are interested in this and they were

1002

00:44:41,170 --> 00:44:39,740

also there also and we haven't had a

1003

00:44:43,410 --> 00:44:41,180

chance to get into this in Pennsylvania

1004

00:44:47,980 --> 00:44:43,420

but in the Connecticut case you have the

1005

00:44:51,790 --> 00:44:47,990

glaring instances of public changes in

1006

00:44:53,350 --> 00:44:51,800

behavior hmm and you know and so we've

1007

00:44:54,610 --> 00:44:53,360

been researching this on top of Mohawk

1008

00:44:58,180 --> 00:44:54,620

Mountain and Connecticut this is an

1009

00:45:00,250 --> 00:44:58,190

ordinary cell tower and also a tower

1010

00:45:02,410 --> 00:45:00,260

with equipment such as I've never seen

1011

00:45:05,590 --> 00:45:02,420

now my military experience is you know

1012

00:45:06,880 --> 00:45:05,600

35 and 40 years old nevertheless I have

1013

00:45:09,340 --> 00:45:06,890

tried to keep up with it and I've never

1014

00:45:10,750 --> 00:45:09,350

seen stuff like this and there are all

1015

00:45:13,120 --> 00:45:10,760

kinds of weird things happening in the

1016

00:45:14,740 --> 00:45:13,130

population in 2009-2010 when the

1017

00:45:16,240 --> 00:45:14,750

military was running around at there so

1018

00:45:18,670 --> 00:45:16,250

I think we're only at the tip of the

1019

00:45:21,280 --> 00:45:18,680

iceberg well and that's been that's been

1020

00:45:23,710 --> 00:45:21,290

the contention of some investigators is

1021

00:45:28,390 --> 00:45:23,720

that there is an interest by the

1022

00:45:29,740 --> 00:45:28,400

military on paranormal activity and and

1023

00:45:33,160 --> 00:45:29,750

you wouldn't think that would be the

1024

00:45:35,530 --> 00:45:33,170

case well you know we Yvette we even had

1025

00:45:37,090 --> 00:45:35,540

that Joshua Warren who was the one of

1026

00:45:40,240 --> 00:45:37,100

the chief investigators on the Brown

1027

00:45:43,570 --> 00:45:40,250

Mountain lights up there and in North

1028

00:45:49,300 --> 00:45:43,580

Carolina apparently has tied it in with

1029

00:45:53,020 --> 00:45:49,310

a military activity where a huge I don't

1030

00:45:57,520 --> 00:45:53,030

know numbers of troops would show show

1031

00:46:00,140 --> 00:45:57,530

up blockade themselves in a certain area

1032

00:46:03,760 --> 00:46:00,150

and

1033

00:46:06,200 --> 00:46:03,770

not allowing a tourist or locals to

1034

00:46:09,800 --> 00:46:06,210

trespass and have all their food

1035

00:46:12,500 --> 00:46:09,810

delivered and not allowed to leave these

1036

00:46:15,280 --> 00:46:12,510

little settlements what are they doing

1037

00:46:17,900 --> 00:46:15,290

up in the mountains therein in North

1038

00:46:20,840 --> 00:46:17,910

Carolina of course there does seem to be

1039

00:46:22,760 --> 00:46:20,850

some sort of energy there in the in the

1040

00:46:25,000 --> 00:46:22,770

ground I mean I don't know if that's

1041

00:46:28,190 --> 00:46:25,010

responsible for the the lights

1042

00:46:31,460 --> 00:46:28,200

themselves but there does seem to be

1043

00:46:35,630 --> 00:46:31,470

some sort of a weird phenomena that goes

1044

00:46:38,330 --> 00:46:35,640

back again hundreds of years yeah that

1045

00:46:40,370 --> 00:46:38,340

that's true but again what would they be

1046

00:46:42,950 --> 00:46:40,380

keeping secret it's not just UFOs it's

1047

00:46:44,000 --> 00:46:42,960

Bigfoot in many areas of the paranormal

1048

00:46:46,100 --> 00:46:44,010

I don't know if this has happened to you

1049

00:46:48,470 --> 00:46:46,110

but we wouldn't think that we were on

1050

00:46:51,800 --> 00:46:48,480

doing the Rendlesham series we did on

1051
00:46:54,320 --> 00:46:51,810
CBS and on our own stations in Rhode

1052
00:46:55,880 --> 00:46:54,330
Island it's just where I should say we

1053
00:46:57,290 --> 00:46:55,890
had to go to an internet station cuz CB

1054
00:46:59,900 --> 00:46:57,300
s corporate wouldn't let us continue

1055
00:47:03,080 --> 00:46:59,910
because of all the weird interference

1056
00:47:05,270 --> 00:47:03,090
laughing in a brand new spankin studio

1057
00:47:08,210 --> 00:47:05,280
you know that we could it was just

1058
00:47:10,370 --> 00:47:08,220
bizarre so least I don't know that could

1059
00:47:13,220 --> 00:47:10,380
be diversionary as well who knows I'm

1060
00:47:14,660 --> 00:47:13,230
almost like a paranormal activity well

1061
00:47:16,100 --> 00:47:14,670
that's it but I mean these things can be

1062
00:47:18,410 --> 00:47:16,110
strategic as well and there are all

1063
00:47:19,760 --> 00:47:18,420

sorts of questions about this and things

1064

00:47:22,610 --> 00:47:19,770

are never what they appear to be in the

1065

00:47:24,880 --> 00:47:22,620

paranormal I find I find the iteration

1066

00:47:28,910 --> 00:47:24,890

you said you know like interference and

1067

00:47:30,380 --> 00:47:28,920

laughing yeah I mean how many cases have

1068

00:47:31,640 --> 00:47:30,390

you run across you know where people

1069

00:47:33,620 --> 00:47:31,650

been talking on the phone in a haunted

1070

00:47:36,290 --> 00:47:33,630

house and be interrupted with voices and

1071

00:47:39,020 --> 00:47:36,300

you know spectral laughing and stuff

1072

00:47:40,610 --> 00:47:39,030

well and we've got our own spectral

1073

00:47:43,610 --> 00:47:40,620

voice getting ready to come up here and

1074

00:47:45,170 --> 00:47:43,620

just a few seconds so we are going to

1075

00:47:47,210 --> 00:47:45,180

our top of the hour break and we come

1076
00:47:49,550 --> 00:47:47,220
back we will continue our conversation

1077
00:47:51,890 --> 00:47:49,560
with Stan Gordon and Paul Eno on

1078
00:48:04,770 --> 00:47:51,900
exploring the bizarre so stay tuned for

1079
00:48:11,730 --> 00:48:09,070
explode the bazaars are your e-ticket

1080
00:48:15,040 --> 00:48:11,740

strap yourself in as we traverse the

1082
00:48:23,770 --> 00:48:19,360
universe exploring the unexplained UFO s

1083
00:48:27,940 --> 00:48:23,780
ghosts Lost Worlds cryptozoology waters

1084
00:48:32,410 --> 00:48:27,950
as well as other dimensions it's time to

1085
00:48:34,690 --> 00:48:32,420
take back the night now your

alright welcome back to the second hour

1088
00:48:49,780 --> 00:48:47,300

of exploring the bizarre and we're

1089

00:48:52,780 --> 00:48:49,790

talking with Stan Gordon and Paul II

1090

00:48:54,690 --> 00:48:52,790

know tonight about all the weird

1091

00:48:56,860 --> 00:48:54,700

activities that are taking place in

1092

00:48:59,620 --> 00:48:56,870

Pennsylvania and not just Pennsylvania

1093

00:49:01,810 --> 00:48:59,630

but you know other locations there in

1094

00:49:04,840 --> 00:49:01,820

the east eastern part of the United

1095

00:49:08,650 --> 00:49:04,850

States Connecticut you know places like

1096

00:49:11,560 --> 00:49:08,660

that but Stan I wanted to ask you I just

1097

00:49:16,690 --> 00:49:11,570

recently saw a really interesting a

1098

00:49:18,880 --> 00:49:16,700

story that you posted about the police

1099

00:49:21,690 --> 00:49:18,890

officer they're addressed Westmoreland

1100

00:49:26,890 --> 00:49:21,700

County Pennsylvania they're in August

1101

00:49:29,680 --> 00:49:26,900

2017 and I just I I always find it

1102

00:49:34,030 --> 00:49:29,690

fascinating the the accounts that you're

1103

00:49:36,040 --> 00:49:34,040

able to find that that come from the

1104

00:49:37,830 --> 00:49:36,050

police you want to tell us a little bit

1105

00:49:40,270 --> 00:49:37,840

about the story that I'm talking about

1106

00:49:42,700 --> 00:49:40,280

yeah I will and you know as Paul

1107

00:49:44,110 --> 00:49:42,710

mentioned some of the cryptid reports

1108

00:49:46,210 --> 00:49:44,120

I'm receiving the last few years or

1109

00:49:48,280 --> 00:49:46,220

things that we don't even have a name

1110

00:49:51,220 --> 00:49:48,290

for because they're so strange and

1111

00:49:52,480 --> 00:49:51,230

unusual and that's the kind of things

1112

00:49:54,430 --> 00:49:52,490

that are going on in and I wanted to

1113

00:49:57,040 --> 00:49:54,440

mention also from what Paul was talking

1114

00:49:58,960 --> 00:49:57,050

you know it just shows if you take the

1115

00:50:01,330 --> 00:49:58,970

time to go out there and do really

1116

00:50:03,160 --> 00:50:01,340

detailed investigation Paul and I are

1117

00:50:05,260 --> 00:50:03,170

coming across basically the same things

1118

00:50:08,080 --> 00:50:05,270

I mean I started writing about this back

1119

00:50:10,360 --> 00:50:08,090

in the 70s about all the interaction

1120

00:50:12,430 --> 00:50:10,370

between the paranormal strange lights

1121

00:50:14,740 --> 00:50:12,440

Bigfoot other cryptid it's been going on

1122

00:50:16,210 --> 00:50:14,750

for years and years it's going on all

1123

00:50:17,590 --> 00:50:16,220

over the country and around the world

1124

00:50:18,370 --> 00:50:17,600

I've been in touch with many researchers

1125

00:50:20,890 --> 00:50:18,380

for years

1126

00:50:22,689 --> 00:50:20,900

in many places and many people in the

1127

00:50:24,969 --> 00:50:22,699

UFO field of course Donald don't want to

1128

00:50:26,680 --> 00:50:24,979

associate UFOs on Bigfoot and many in

1129

00:50:29,709 --> 00:50:26,690

the Bigfoot field of course do not want

1130

00:50:31,390 --> 00:50:29,719

to associate Bigfoot with UFOs but it's

1131

00:50:34,299 --> 00:50:31,400

a phenomena which we just don't have the

1132

00:50:36,459 --> 00:50:34,309

answers for and I noticed in more recent

1133

00:50:38,109 --> 00:50:36,469

years more and more people in the

1134

00:50:40,569 --> 00:50:38,119

Bigfoot field are beginning to question

1135

00:50:41,949 --> 00:50:40,579

what's going on out there and a

1136

00:50:44,019 --> 00:50:41,959

beginning ask the same question indeed

1137

00:50:45,969 --> 00:50:44,029

years ago why don't we have any bodies

1138

00:50:48,099 --> 00:50:45,979

and one of these strange lights showing

1139

00:50:50,620 --> 00:50:48,109

up car millionaires was a lot of history

1140

00:50:52,390 --> 00:50:50,630

a Bigfoot but going back to the officers

1141

00:50:55,509 --> 00:50:52,400

report yeah it was very interesting case

1142

00:50:58,059 --> 00:50:55,519

this occurred in late August of last

1143

00:51:00,009 --> 00:50:58,069

year as a police officer if very

1144

00:51:03,640 --> 00:51:00,019

experienced officer was on patrol in an

1145

00:51:05,680 --> 00:51:03,650

area that he patrols all the time and he

1146

00:51:08,949 --> 00:51:05,690

had contacted me a short time after he

1147

00:51:12,579 --> 00:51:08,959

had this encounter and he's riding down

1148

00:51:15,130 --> 00:51:12,589

this back road he notices his bulb ball

1149

00:51:16,599 --> 00:51:15,140

of light that appears to be on the

1150

00:51:18,069 --> 00:51:16,609

ground that he's thinking well I don't

1151
00:51:19,239 --> 00:51:18,079
know of any artificial lighting around

1152
00:51:22,390 --> 00:51:19,249
here that's unusual he stopped his

1153
00:51:25,599 --> 00:51:22,400
vehicle he's watching and suddenly this

1154
00:51:28,689 --> 00:51:25,609
light this round light suddenly rises up

1155
00:51:30,729 --> 00:51:28,699
or stands up from the ground and he said

1156
00:51:32,709 --> 00:51:30,739
what he observed was the weirdest thing

1157
00:51:34,209 --> 00:51:32,719
you'd ever seen yet he was having a very

1158
00:51:36,910 --> 00:51:34,219
hard time trying to figure out what this

1159
00:51:39,729 --> 00:51:36,920
thing was and he said the ball of light

1160
00:51:42,039 --> 00:51:39,739
was actually the head of a very strange

1161
00:51:44,319 --> 00:51:42,049
being the look could be about seven feet

1162
00:51:47,890 --> 00:51:44,329
tall or larger he said it was tall

1163
00:51:49,749 --> 00:51:47,900

almost skeletal thin he said that he was

1164

00:51:51,279 --> 00:51:49,759

the opinion been lying on its belly on

1165

00:51:52,930 --> 00:51:51,289

the ground with his head facing towards

1166

00:51:55,719 --> 00:51:52,940

the road when he first thought then it

1167

00:51:57,519 --> 00:51:55,729

stood up face Trobe and in the dark

1168

00:51:58,989 --> 00:51:57,529

location he saw the dull light from the

1169

00:52:02,140 --> 00:51:58,999

glory head was illuminating the upper

1170

00:52:05,439 --> 00:52:02,150

section of the body as he watched it

1171

00:52:07,029 --> 00:52:05,449

turned towards to right and he could see

1172

00:52:09,189 --> 00:52:07,039

the illumination lighting a part of the

1173

00:52:12,509 --> 00:52:09,199

shoulders then it turned face towards

1174

00:52:15,400 --> 00:52:12,519

him turn to the left and immediately

1175

00:52:19,989 --> 00:52:15,410

took off an incredible speed he said the

1176

00:52:21,880 --> 00:52:19,999

speed was abnormal he said was

1177

00:52:24,309 --> 00:52:21,890

fascinating had ever seen it was there

1178

00:52:26,849 --> 00:52:24,319

and that it was gone which is very

1179

00:52:31,640 --> 00:52:26,859

interesting because in recent years

1180

00:52:33,530 --> 00:52:31,650

various UFO witnesses cryptid witnesses

1181

00:52:36,080 --> 00:52:33,540

the same thing it was here and suddenly

1182

00:52:38,450 --> 00:52:36,090

it was gone and he said as he watches

1183

00:52:40,280 --> 00:52:38,460

this thing he said he assumed it moved

1184

00:52:43,250 --> 00:52:40,290

on two legs but he couldn't see the

1185

00:52:45,470 --> 00:52:43,260

lower extremities in the dark and he

1186

00:52:47,510 --> 00:52:45,480

said they had was about eight to ten

1187

00:52:50,300 --> 00:52:47,520

inches diameter kind of shaped like a

1188

00:52:52,880 --> 00:52:50,310

ball but he said it could possibly have

1189

00:52:54,950 --> 00:52:52,890

been more egg-shaped as well and the

1190

00:52:56,870 --> 00:52:54,960

low-light was a dull white it

1191

00:52:58,850 --> 00:52:56,880

illuminated the shoulders the top of the

1192

00:52:59,900 --> 00:52:58,860

chest of section of the arms he could

1193

00:53:01,700 --> 00:52:59,910

not see the hands

1194

00:53:04,370 --> 00:53:01,710

it just looked at me about 18 inches

1195

00:53:07,490 --> 00:53:04,380

across the waist appeared to be small

1196

00:53:09,740 --> 00:53:07,500

but the arms were abnormally long and he

1197

00:53:12,140 --> 00:53:09,750

says the long limbs looked skeletal with

1198

00:53:14,660 --> 00:53:12,150

no muscle mass and that the skin tone

1199

00:53:17,000 --> 00:53:14,670

appeared to be kind of a grayish blue he

1200

00:53:18,890 --> 00:53:17,010

could not see any facial features and he

1201
00:53:20,720 --> 00:53:18,900
said I only lasted about 10 seconds but

1202
00:53:22,640 --> 00:53:20,730
he got a good look at this thing as it

1203
00:53:25,490 --> 00:53:22,650
ran off he pulled his patrol car up

1204
00:53:26,780 --> 00:53:25,500
shined a spotlight on the area looked

1205
00:53:28,940 --> 00:53:26,790
around for evidence on the ground but

1206
00:53:31,490 --> 00:53:28,950
didn't see anything and then to make

1207
00:53:33,980 --> 00:53:31,500
things even more interesting I got a

1208
00:53:35,570 --> 00:53:33,990
report several weeks later around the

1209
00:53:38,870 --> 00:53:35,580
third week of September from another

1210
00:53:40,870 --> 00:53:38,880
area of West Warren County not really

1211
00:53:43,490 --> 00:53:40,880
that far from where this occurred and

1212
00:53:46,700 --> 00:53:43,500
another witness described to me seeing

1213
00:53:51,020 --> 00:53:46,710

something somewhat similar but it was

1214

00:53:53,690 --> 00:53:51,030

not glowing but the person described the

1215

00:53:55,310 --> 00:53:53,700

head similar said the color was odd and

1216

00:53:57,290 --> 00:53:55,320

gave the impression it was sickly and

1217

00:53:59,180 --> 00:53:57,300

poor health it looked to be kind of a

1218

00:54:01,640 --> 00:53:59,190

very light cream to every color

1219

00:54:03,380 --> 00:54:01,650

couldn't see any facial features but

1220

00:54:05,990 --> 00:54:03,390

this creature had come out of the woods

1221

00:54:08,360 --> 00:54:06,000

and approached very close to this person

1222

00:54:12,620 --> 00:54:08,370

who became very frightened and ran off

1223

00:54:14,750 --> 00:54:12,630

and then just in the last week wan

1224

00:54:16,340 --> 00:54:14,760

Strickler over there our cleaners and

1225

00:54:18,020 --> 00:54:16,350

monsters that published report he had

1226

00:54:20,240 --> 00:54:18,030

called me about it with some

1227

00:54:22,400 --> 00:54:20,250

similarities of an instant happen in a

1228

00:54:25,150 --> 00:54:22,410

suburb of Pittsburgh so once again in a

1229

00:54:29,660 --> 00:54:25,160

more populated area that just occurred

1230

00:54:32,990 --> 00:54:29,670

february 3rd of this year and that when

1231

00:54:35,360 --> 00:54:33,000

I saw the sketch of this creature it had

1232

00:54:38,140 --> 00:54:35,370

some similarities to what the police

1233

00:54:41,230 --> 00:54:38,150

officer described so we have three

1234

00:54:43,730 --> 00:54:41,240

possible reports of something similar

1235

00:54:45,080 --> 00:54:43,740

within several months not really that

1236

00:54:48,380 --> 00:54:45,090

far away as a growth

1237

00:54:50,600 --> 00:54:48,390

and that's right fascinating but you

1238

00:54:52,310 --> 00:54:50,610

know something else Paul brought up with

1239

00:54:53,990 --> 00:54:52,320

some of the different similarities and

1240

00:54:58,520 --> 00:54:54,000

reports there one thing I found years

1241

00:55:00,260 --> 00:54:58,530

ago was that many close-range low-level

1242

00:55:02,090 --> 00:55:00,270

UFO sightings we're not talking lights

1243

00:55:05,330 --> 00:55:02,100

in the sky we're talking large

1244

00:55:06,920 --> 00:55:05,340

structured craft very low two witnesses

1245

00:55:10,070 --> 00:55:06,930

very little ground sometimes on the

1246

00:55:11,540 --> 00:55:10,080

ground as well as many of the very close

1247

00:55:12,530 --> 00:55:11,550

range cryptid encounters so we're

1248

00:55:14,570 --> 00:55:12,540

talking Bigfoot

1249

00:55:17,420 --> 00:55:14,580

Black Panthers Thunderbirds other

1250

00:55:20,180 --> 00:55:17,430

strange creatures they commonly occur in

1251
00:55:21,710 --> 00:55:20,190
the vicinity of energy sources saw water

1252
00:55:24,920 --> 00:55:21,720
sightings around power plants

1253
00:55:27,590 --> 00:55:24,930
high-tension power lines cellphone rated

1254
00:55:30,440 --> 00:55:27,600
communication towers railroad tracks gas

1255
00:55:32,480 --> 00:55:30,450
wells gas line goes on and on and on

1256
00:55:34,310 --> 00:55:32,490
I've said for a long time there's

1257
00:55:35,810 --> 00:55:34,320
definitely an energy connection that a

1258
00:55:40,970 --> 00:55:35,820
phenomena we're dealing with

1259
00:55:44,060 --> 00:55:40,980
oh yeah that's I know that researchers

1260
00:55:45,830 --> 00:55:44,070
have have noticed that angle for a long

1261
00:55:48,490 --> 00:55:45,840
time especially the high tension power

1262
00:55:51,170 --> 00:55:48,500
lines that run across this country

1263
00:55:54,080 --> 00:55:51,180

especially a UFO sightings that were

1264

00:55:55,460 --> 00:55:54,090

seen to you know actually it's almost

1265

00:56:00,260 --> 00:55:55,470

like they were following them you know

1266

00:56:01,880 --> 00:56:00,270

across the country these things hovering

1267

00:56:03,500 --> 00:56:01,890

I mean right over to power stations

1268

00:56:06,430 --> 00:56:03,510

right over the high-tension line

1269

00:56:11,030 --> 00:56:06,440

sometimes something attaching from the

1270

00:56:13,730 --> 00:56:11,040

yeah yeah I remember seeing a photograph

1271

00:56:20,170 --> 00:56:13,740

I think Ray Palmer printed it back in

1272

00:56:21,410 --> 00:56:20,180

the 1960s from Australia of these pipe

1273

00:56:23,930 --> 00:56:21,420

brightly-lit

1274

00:56:26,630 --> 00:56:23,940

I guess I would call pie pans except you

1275

00:56:28,340 --> 00:56:26,640

couldn't see they were discs and they

1276
00:56:30,980 --> 00:56:28,350
were hovering directly over some high

1277
00:56:33,710 --> 00:56:30,990
tension lines and they were taking but

1278
00:56:36,800 --> 00:56:33,720
photos are taken by a teenager fellow

1279
00:56:41,270 --> 00:56:36,810
there at the the time and were printed

1280
00:56:43,280 --> 00:56:41,280
in the papers in Australia and even the

1281
00:56:48,230 --> 00:56:43,290
Jenny Randall's over there in the UK I

1282
00:56:49,910 --> 00:56:48,240
did remember she did a an article for us

1283
00:56:53,180 --> 00:56:49,920
when we were publishing UFO universe

1284
00:56:55,790 --> 00:56:53,190
magazine and it was about sightings that

1285
00:56:59,010 --> 00:56:55,800
had taken place in the areas around

1286
00:57:02,069 --> 00:56:59,020
high-tension line so

1287
00:57:03,569 --> 00:57:02,079
in fact it repeatedly in in some cases

1288
00:57:06,420 --> 00:57:03,579

where these things have actually been

1289

00:57:09,329 --> 00:57:06,430

seen you know people I don't know why

1290

00:57:11,579 --> 00:57:09,339

they exactly buy a home it's 50 feet of

1291

00:57:14,940 --> 00:57:11,589

50 yards away from a hydrant light in

1292

00:57:17,099 --> 00:57:14,950

their backyard you know but they seem to

1293

00:57:20,460 --> 00:57:17,109

have an awful lot of trouble when it

1294

00:57:23,220 --> 00:57:20,470

comes to this weird sort of you know

1295

00:57:27,569 --> 00:57:23,230

phenomena even that there are TV sets

1296

00:57:31,220 --> 00:57:27,579

sometimes being taken over radio and TV

1297

00:57:35,549 --> 00:57:31,230

transmissions and things along that line

1298

00:57:38,880 --> 00:57:35,559

well now Stan were there any reports of

1299

00:57:41,549 --> 00:57:38,890

actual like contacts in the area where

1300

00:57:44,220 --> 00:57:41,559

people were seeing these UFOs and

1301

00:57:50,280 --> 00:57:44,230

reported having some sort of

1302

00:57:53,280 --> 00:57:50,290

face-to-face encounters with beings well

1303

00:57:55,049 --> 00:57:53,290

it's a very long complicated subject

1304

00:57:57,089 --> 00:57:55,059

I've worked on hundreds of Bigfoot

1305

00:57:59,160 --> 00:57:57,099

sightings and thousands UFO cases over

1306

00:58:01,470 --> 00:57:59,170

the years man's non-indian goes on all

1307

00:58:05,039 --> 00:58:01,480

the time even a recent weeks but I

1308

00:58:07,049 --> 00:58:05,049

looked into the alleged abduction

1309

00:58:09,150 --> 00:58:07,059

reports I was probably one the first and

1310

00:58:12,270 --> 00:58:09,160

I country get deeply involved in the

1311

00:58:14,400 --> 00:58:12,280

late 60s and you got to remember now

1312

00:58:17,880 --> 00:58:14,410

we're getting a lot of reports there my

1313

00:58:19,200 --> 00:58:17,890

first group was founded in 1970 and over

1314

00:58:21,000 --> 00:58:19,210

the years I found the three different

1315

00:58:23,069 --> 00:58:21,010

research groups a lot of research people

1316

00:58:24,569 --> 00:58:23,079

involved and we're doing this basically

1317

00:58:27,150 --> 00:58:24,579

out of our own time and pocket so we're

1318

00:58:29,220 --> 00:58:27,160

being overwhelmed with reports and I

1319

00:58:32,039 --> 00:58:29,230

mean you could spend months and years

1320

00:58:34,140 --> 00:58:32,049

just on one alleged contact D or

1321

00:58:36,599 --> 00:58:34,150

abduction report but we had some very

1322

00:58:37,140 --> 00:58:36,609

significant reports and you know Bigfoot

1323

00:58:39,569 --> 00:58:37,150

sightings

1324

00:58:41,970 --> 00:58:39,579

just like with UFOs they go on all over

1325

00:58:44,250 --> 00:58:41,980

the state of Pennsylvania but there are

1326

00:58:46,260 --> 00:58:44,260

some areas where there's more than

1327

00:58:48,960 --> 00:58:46,270

normal activity in the area that Paul

1328

00:58:51,089 --> 00:58:48,970

talked about up around Dubois has had a

1329

00:58:52,530 --> 00:58:51,099

long history of these things going on I

1330

00:58:54,420 --> 00:58:52,540

worked on many cases over there for

1331

00:58:56,400 --> 00:58:54,430

years and years so you going up through

1332

00:58:58,349 --> 00:58:56,410

three boys around Punxsutawney

1333

00:59:00,299 --> 00:58:58,359

Clearfield tying that stopped around

1334

00:59:03,240 --> 00:59:00,309

Kinzua dam up in the Allegheny National

1335

00:59:04,859 --> 00:59:03,250

Forest it's an area it has all kind of

1336

00:59:07,230 --> 00:59:04,869

weird things even the last couple years

1337

00:59:09,599 --> 00:59:07,240

to get on my website you can see some of

1338

00:59:11,309 --> 00:59:09,609

those cases on there but in the last few

1339

00:59:13,199 --> 00:59:11,319

years there have been as you talk about

1340

00:59:15,509 --> 00:59:13,209

Bigfoot

1341

00:59:19,949 --> 00:59:15,519

a weird other cryptid reports it just

1342

00:59:21,809 --> 00:59:19,959

goes on on and on and on so yes the

1343

00:59:25,650 --> 00:59:21,819

answer your question there have been

1344

00:59:28,079 --> 00:59:25,660

alleged contact reports mainly going

1345

00:59:30,839 --> 00:59:28,089

back to the 60s and maybe early 70s and

1346

00:59:34,319 --> 00:59:30,849

some of the areas where some of this was

1347

00:59:37,709 --> 00:59:34,329

going on I don't know how it relates to

1348

00:59:40,199 --> 00:59:37,719

it but again these things go on all over

1349

00:59:42,689 --> 00:59:40,209

Pennsylvania but there are certain areas

1350

00:59:45,089 --> 00:59:42,699

that seem to have more activity and

1351
00:59:47,249 --> 00:59:45,099
others and sometimes you know as kill

1352
00:59:49,529 --> 00:59:47,259
mentioned you call it a a window area a

1353
00:59:50,910 --> 00:59:49,539
target area but and this was going on

1354
00:59:52,589 --> 00:59:50,920
right now I'm know of at least two

1355
00:59:55,439 --> 00:59:52,599
locations here in Pennsylvania it's been

1356
00:59:58,589 --> 00:59:55,449
gone now for last few years where these

1357
01:00:00,779 --> 00:59:58,599
were people's properties that did not

1358
01:00:02,910 --> 01:00:00,789
have anything I news going on which

1359
01:00:05,309 --> 01:00:02,920
suddenly they began to experience all

1360
01:00:07,219 --> 01:00:05,319
kind of phenomena from strange screams

1361
01:00:09,929 --> 01:00:07,229
and cries to strange footprints

1362
01:00:12,390 --> 01:00:09,939
paranormal phenomena Bigfoot encounters

1363
01:00:15,029 --> 01:00:12,400

UFO encounters and sometimes this

1364

01:00:17,339 --> 01:00:15,039

phenomenon will focus on an area for

1365

01:00:19,979 --> 01:00:17,349

maybe just days or weeks or months or

1366

01:00:22,199 --> 01:00:19,989

years and other people sometimes begin

1367

01:00:25,319 --> 01:00:22,209

an experience in the same area and this

1368

01:00:27,569 --> 01:00:25,329

phenomena I said years ago the phenomena

1369

01:00:28,769 --> 01:00:27,579

so strange it protects itself because

1370

01:00:34,439 --> 01:00:28,779

who's gonna believe that let you

1371

01:00:37,319 --> 01:00:34,449

experience it yourself know what about

1372

01:00:39,029 --> 01:00:37,329

okay now and I realize and and and

1373

01:00:44,630 --> 01:00:39,039

either one of you can answer this for

1374

01:00:50,130 --> 01:00:44,640

both of you do you think that these

1375

01:00:52,380 --> 01:00:50,140

occurrences are deliberate or an after

1376

01:00:58,289 --> 01:00:52,390

effect of something I don't know I don't

1377

01:01:01,859 --> 01:00:58,299

know if that's a clear question but I I

1378

01:01:06,559 --> 01:01:01,869

suppose is there in an intelligence

1379

01:01:09,539 --> 01:01:06,569

going on here or we're seeing like a

1380

01:01:13,380 --> 01:01:09,549

residual effect of some kind of you know

1381

01:01:15,650 --> 01:01:13,390

natural phenomena like like Paula talked

1382

01:01:21,210 --> 01:01:15,660

about you like maybe some kind of

1383

01:01:24,150 --> 01:01:21,220

dealing with parallel universes that

1384

01:01:26,400 --> 01:01:24,160

there's some kind of you know warp and

1385

01:01:30,900 --> 01:01:26,410

time and space and you're getting like a

1386

01:01:34,319 --> 01:01:30,910

bleed-through effect almost what well if

1387

01:01:37,260 --> 01:01:34,329

I may it could be all of the above maybe

1388

01:01:41,220 --> 01:01:37,270

just you don't know I think one problem

1389

01:01:42,809 --> 01:01:41,230

is our language and the way I've said

1390

01:01:44,730 --> 01:01:42,819

this before it's a it's just our

1391

01:01:48,359 --> 01:01:44,740

language really no language is really up

1392

01:01:51,059 --> 01:01:48,369

to actually talking about this stuff and

1393

01:01:53,579 --> 01:01:51,069

neither is our very narrow paradigm the

1394

01:01:56,880 --> 01:01:53,589

trouble with us is that we'll take okay

1395

01:01:58,290 --> 01:01:56,890

you see a wispy thing you know you think

1396

01:02:00,690 --> 01:01:58,300

it's uncle George you know floating

1397

01:02:03,329 --> 01:02:00,700

through your living room two years after

1398

01:02:05,790 --> 01:02:03,339

his funeral well that's not necessarily

1399

01:02:08,160 --> 01:02:05,800

what it is the labels we put on things

1400

01:02:11,640 --> 01:02:08,170

are based on our limited way of

1401

01:02:14,309 --> 01:02:11,650

understanding it could be anything you

1402

01:02:16,950 --> 01:02:14,319

know but but we will take things it's

1403

01:02:18,839 --> 01:02:16,960

almost like psychic pareidolia I mean we

1404

01:02:23,160 --> 01:02:18,849

will take things and make them make

1405

01:02:25,140 --> 01:02:23,170

sense so that when I saw that whatever I

1406

01:02:28,050 --> 01:02:25,150

saw in that Pennsylvania field that

1407

01:02:30,900 --> 01:02:28,060

night in September 16 yeah I might have

1408

01:02:32,940 --> 01:02:30,910

been a Bigfoot it might have been we

1409

01:02:34,710 --> 01:02:32,950

might put in place the term alien on it

1410

01:02:37,620 --> 01:02:34,720

because it was very other you've

1411

01:02:39,960 --> 01:02:37,630

compared to what we're used to these

1412

01:02:41,730 --> 01:02:39,970

these ghosts are they really I'm often

1413

01:02:43,920 --> 01:02:41,740

perhaps the best way to illustrate this

1414

01:02:47,069 --> 01:02:43,930

is that they're a couple of headliners

1415

01:02:48,750 --> 01:02:47,079

from MUFON who will some will consult

1416

01:02:50,520 --> 01:02:48,760

with very often because they'll be

1417

01:02:52,319 --> 01:02:50,530

investigating a case of abduction and

1418

01:02:54,870 --> 01:02:52,329

all of a sudden in the person's house

1419

01:02:56,220 --> 01:02:54,880

poltergeist activity starts in and stuff

1420

01:02:59,550 --> 01:02:56,230

that would they would consider

1421

01:03:01,680 --> 01:02:59,560

quote-unquote demonic and you know

1422

01:03:04,740 --> 01:03:01,690

things that or the or they'll see a

1423

01:03:07,530 --> 01:03:04,750

cryptid things that don't usually get

1424

01:03:09,480 --> 01:03:07,540

are not usually associated with UFOs so

1425

01:03:11,400 --> 01:03:09,490

these crossover phenomenal bleed-through

1426

01:03:15,359 --> 01:03:11,410

stim I think is a very good way to put

1427

01:03:18,390 --> 01:03:15,369

it I think that you know Joe John keel

1428

01:03:21,050 --> 01:03:18,400

of jock the chocolate actually Jacques

1429

01:03:23,670 --> 01:03:21,060

ballet other people have seen this as

1430

01:03:25,620 --> 01:03:23,680

you know going way beyond the 19th

1431

01:03:29,370 --> 01:03:25,630

century ideas of what these things are

1432

01:03:30,359 --> 01:03:29,380

and sort of sort of a kin paranormal

1433

01:03:32,180 --> 01:03:30,369

approach to things that were

1434

01:03:34,530 --> 01:03:32,190

traditionally thought to be separate and

1435

01:03:37,050 --> 01:03:34,540

Stan obviously is

1436

01:03:39,440 --> 01:03:37,060

seeing that sore we and it's for maybe

1437

01:03:41,850 --> 01:03:39,450

it's the first day of school but I think

1438

01:03:45,150 --> 01:03:41,860

we can also get into some very deep

1439

01:03:48,180 --> 01:03:45,160

concepts such as the hologram which to

1440

01:03:49,440 --> 01:03:48,190

us is a variation of the multi-verse

1441

01:03:52,710 --> 01:03:49,450

thing when it's a little bit different

1442

01:03:55,140 --> 01:03:52,720

approach and there is actual you know

1443

01:03:57,060 --> 01:03:55,150

their actual physicists who are a very

1444

01:03:58,560 --> 01:03:57,070

credible who are speculating about

1445

01:04:00,410 --> 01:03:58,570

everything we see around us and

1446

01:04:06,500 --> 01:04:00,420

ourselves even being a hologram

1447

01:04:09,900 --> 01:04:06,510

projected by what or who God a Lien's

1448

01:04:11,640 --> 01:04:09,910

the gods I mean who knows I mean the

1449

01:04:13,080 --> 01:04:11,650

more the more questions we think we may

1450

01:04:15,450 --> 01:04:13,090

be approaching an answer to there are

1451
01:04:19,710 --> 01:04:15,460
ten more questions that arrives so how

1452
01:04:21,930 --> 01:04:19,720
does an ism I agree exactly what you're

1453
01:04:23,310 --> 01:04:21,940
saying I don't think anybody has the

1454
01:04:25,260 --> 01:04:23,320
answer to what we're dealing with I

1455
01:04:26,760 --> 01:04:25,270
don't think the government does I I have

1456
01:04:29,040 --> 01:04:26,770
no doubt they know a lot more than

1457
01:04:30,690 --> 01:04:29,050
telling the public but I'm convinced

1458
01:04:33,090 --> 01:04:30,700
that they're trying to figure out what's

1459
01:04:35,070 --> 01:04:33,100
going on themselves and yes I've seen

1460
01:04:38,010 --> 01:04:35,080
over the years and in some of the cases

1461
01:04:40,260 --> 01:04:38,020
I worked on there was some indication I

1462
01:04:41,850 --> 01:04:40,270
thought the possibility that the

1463
01:04:43,830 --> 01:04:41,860

government got involved in some of these

1464

01:04:45,930 --> 01:04:43,840

incidents and I've seen indications that

1465

01:04:48,300 --> 01:04:45,940

there's an interest about Bigfoot and

1466

01:04:49,290 --> 01:04:48,310

UFOs by our government in some of these

1467

01:04:52,050 --> 01:04:49,300

cases I've heard this from other

1468

01:04:54,810 --> 01:04:52,060

researchers as well but from what I've

1469

01:04:57,030 --> 01:04:54,820

seen over and over again over the years

1470

01:04:59,130 --> 01:04:57,040

is that we're dealing with a phenomena

1471

01:05:02,130 --> 01:04:59,140

that has a physical and a non-physical

1472

01:05:04,170 --> 01:05:02,140

component to it under certain conditions

1473

01:05:06,270 --> 01:05:04,180

that come into our physical reality they

1474

01:05:08,010 --> 01:05:06,280

can look physically solid but not in all

1475

01:05:10,260 --> 01:05:08,020

cases are they including with Bigfoot

1476

01:05:12,540 --> 01:05:10,270

even Black Panthers and other rock

1477

01:05:14,130 --> 01:05:12,550

cryptid take him they can leave evidence

1478

01:05:17,700 --> 01:05:14,140

and then they're gone they come and they

1479

01:05:20,550 --> 01:05:17,710

go and it's a very very strange

1480

01:05:23,370 --> 01:05:20,560

phenomena we're dealing with well and

1481

01:05:26,070 --> 01:05:23,380

that's one of the reasons that I asked

1482

01:05:29,970 --> 01:05:26,080

that question is because that a lot of

1483

01:05:33,150 --> 01:05:29,980

times when people have told me about

1484

01:05:36,210 --> 01:05:33,160

their own personal sightings a lot of

1485

01:05:37,920 --> 01:05:36,220

times they will say you know though

1486

01:05:40,620 --> 01:05:37,930

they'll see you know like some kind of

1487

01:05:43,190 --> 01:05:40,630

like said you know something so bizarre

1488

01:05:45,750 --> 01:05:43,200

you we we don't even have a name for it

1489

01:05:48,290 --> 01:05:45,760

like walking down

1490

01:05:52,380 --> 01:05:48,300

the street of their neighborhood and

1491

01:05:56,130 --> 01:05:52,390

whenever this thing notices that it's

1492

01:05:58,050 --> 01:05:56,140

being seen it acts surprised shocked

1493

01:06:00,630 --> 01:05:58,060

almost I've had a number of people tell

1494

01:06:02,400 --> 01:06:00,640

me that it would you know what when they

1495

01:06:04,440 --> 01:06:02,410

realize it was being you know looked at

1496

01:06:06,960 --> 01:06:04,450

it you know it almost like jumped out of

1497

01:06:09,150 --> 01:06:06,970

its skin it was so surprised there you

1498

01:06:10,380 --> 01:06:09,160

go that's exactly right Mon Strickler

1499

01:06:12,660 --> 01:06:10,390

and I have been talking about in his

1500

01:06:14,370 --> 01:06:12,670

radio show for several years I started

1501

01:06:16,140 --> 01:06:14,380

talking about some of the cryptid case

1502

01:06:18,660 --> 01:06:16,150

I've had in last few years where people

1503

01:06:21,180 --> 01:06:18,670

very close to these creatures and as

1504

01:06:22,680 --> 01:06:21,190

soon as they realize they were seen they

1505

01:06:25,740 --> 01:06:22,690

could see a look at their faces they

1506

01:06:27,780 --> 01:06:25,750

were like completely startled and just

1507

01:06:29,490 --> 01:06:27,790

like shocked that they could be seen and

1508

01:06:30,930 --> 01:06:29,500

I said the law and I said I think this

1509

01:06:33,599 --> 01:06:30,940

is an important clue to what we're

1510

01:06:35,040 --> 01:06:33,609

dealing with yes absolutely Linda

1511

01:06:37,830 --> 01:06:35,050

Godfrey will talk about that as well

1512

01:06:40,230 --> 01:06:37,840

yeah very often these are these

1513

01:06:42,960 --> 01:06:40,240

creatures that there's some indication

1514

01:06:44,490 --> 01:06:42,970

particularly with EMPs apparent EMPs you

1515

01:06:46,620 --> 01:06:44,500

know that the electromagnetic pulses

1516

01:06:48,170 --> 01:06:46,630

that stop vehicles in the midst of

1517

01:06:50,760 --> 01:06:48,180

sighting you know things of this sort

1518

01:06:53,599 --> 01:06:50,770

electrical phenomena that the creature

1519

01:06:56,220 --> 01:06:53,609

is just as surprised to be shall I say

1520

01:06:57,540 --> 01:06:56,230

partially in our world as just as we are

1521

01:06:59,580 --> 01:06:57,550

to be in the you know that sort of

1522

01:07:02,520 --> 01:06:59,590

things so it's a mutual experience when

1523

01:07:04,080 --> 01:07:02,530

we burn into ghosts or convinced that we

1524

01:07:06,570 --> 01:07:04,090

were ghosts haunting them because they

1525

01:07:08,910 --> 01:07:06,580

saw us as we saw them they were going

1526

01:07:10,890 --> 01:07:08,920

about their normal lives you know day to

1527

01:07:13,920 --> 01:07:10,900

day and all of a sudden these weird you

1528

01:07:16,160 --> 01:07:13,930

know guys show up or or wispy figures or

1529

01:07:20,099 --> 01:07:16,170

glowing figures they saw and this is

1530

01:07:23,840 --> 01:07:20,109

this is the indication we have that's

1531

01:07:26,849 --> 01:07:23,850

like the Nicole Kidman movie the others

1532

01:07:28,260 --> 01:07:26,859

well somebody made me I don't usually

1533

01:07:29,550 --> 01:07:28,270

watch a lot of movies because I don't

1534

01:07:30,780 --> 01:07:29,560

want people to accuse me have come up

1535

01:07:33,750 --> 01:07:30,790

with these i-beams I was writing about

1536

01:07:36,210 --> 01:07:33,760

this stuff in the seventy I don't think

1537

01:07:38,730 --> 01:07:36,220

they got it quite right you know I did

1538

01:07:41,310 --> 01:07:38,740

see that one and but I don't talk about

1539

01:07:43,170 --> 01:07:41,320

that but they kind of they're they were

1540

01:07:45,630 --> 01:07:43,180

getting there but I think they blew it

1541

01:07:48,870 --> 01:07:45,640

in the air no yeah well I mean it's a

1542

01:07:56,160 --> 01:07:48,880

movie what he expected how he rarely

1543

01:07:59,690 --> 01:07:56,170

gets it right right right well and what

1544

01:08:07,050 --> 01:07:59,700

what interests me

1545

01:08:09,720 --> 01:08:07,060

with all this is the the idea that like

1546

01:08:11,940 --> 01:08:09,730

Stan had pointed out is that you know

1547

01:08:15,830 --> 01:08:11,950

you've got these things that that seem

1548

01:08:18,900 --> 01:08:15,840

to be almost alternating back and forth

1549

01:08:22,290 --> 01:08:18,910

between realities which which makes me

1550

01:08:25,190 --> 01:08:22,300

wonder are there other realities where

1551
01:08:29,610 --> 01:08:25,200
they're seen you know cars and planes

1552
01:08:32,190 --> 01:08:29,620
and and kids you know going to school

1553
01:08:36,030 --> 01:08:32,200
and reporting it to their authorities

1554
01:08:40,200 --> 01:08:36,040
and being laughed at and called crazy I

1555
01:08:42,300 --> 01:08:40,210
mean it doesn't work both ways well

1556
01:08:44,670 --> 01:08:42,310
that's it I mean there there are all

1557
01:08:48,690 --> 01:08:44,680
sorts of questions that that arise in

1558
01:08:52,280 --> 01:08:48,700
that regard but we're often confronted

1559
01:08:54,690 --> 01:08:52,290
with the disclosure movement hmm and

1560
01:08:56,280 --> 01:08:54,700
that comes up remember I was on a panel

1561
01:08:58,250 --> 01:08:56,290
with rosemary ellen guiley who's a dear

1562
01:09:01,140 --> 01:08:58,260
friend but we don't we agreed that it's

1563
01:09:02,430 --> 01:09:01,150

you know that it's Thursday and maybe

1564

01:09:05,400 --> 01:09:02,440

the sun is shining but that's the one

1565

01:09:06,840 --> 01:09:05,410

that we agree on but she is a big

1566

01:09:08,340 --> 01:09:06,850

believer in the disclosure movement but

1567

01:09:09,870 --> 01:09:08,350

I think that's naive

1568

01:09:12,780 --> 01:09:09,880

I mean who believes what the government

1569

01:09:16,680 --> 01:09:12,790

says and there are many times where we

1570

01:09:19,140 --> 01:09:16,690

encounter people in these flat areas and

1571

01:09:20,940 --> 01:09:19,150

they might appear to be the government

1572

01:09:24,090 --> 01:09:20,950

might appears be the military but I I

1573

01:09:26,820 --> 01:09:24,100

personally have my doubts don't forget

1574

01:09:29,490 --> 01:09:26,830

there is a huge corporate interest in

1575

01:09:32,540 --> 01:09:29,500

technology and love everything really

1576

01:09:35,130 --> 01:09:32,550

comes down to money in our society

1577

01:09:36,870 --> 01:09:35,140

and I think that that there may be

1578

01:09:39,150 --> 01:09:36,880

private interests we're carrying on some

1579

01:09:40,590 --> 01:09:39,160

of this research there are private

1580

01:09:42,270 --> 01:09:40,600

security companies that may look like

1581

01:09:45,180 --> 01:09:42,280

soldiers and so these are all questions

1582

01:09:48,210 --> 01:09:45,190

that I think have to be considered well

1583

01:09:52,200 --> 01:09:48,220

ok though have you ever considered that

1584

01:09:54,360 --> 01:09:52,210

some of these sightings of soldiers and

1585

01:09:56,640 --> 01:09:54,370

military vehicles and things like that

1586

01:10:00,090 --> 01:09:56,650

may actually be part of the phenomenon

1587

01:10:04,050 --> 01:10:00,100

itself yes we have considered that Mark

1588

01:10:06,210 --> 01:10:04,060

Dantonio who was a very close associate

1589

01:10:08,460 --> 01:10:06,220

of ours a dear friend and works with us

1590

01:10:11,100 --> 01:10:08,470

on these federal cases he's he's an

1591

01:10:13,649 --> 01:10:11,110

astronomer and he is muffinz national

1592

01:10:15,570 --> 01:10:13,659

director of video and photo analysis

1593

01:10:16,740 --> 01:10:15,580

we call him our killjoy photo analyst

1594

01:10:20,250 --> 01:10:16,750

right because he always finds some happy

1595

01:10:22,770 --> 01:10:20,260

not always he said when he was a young

1596

01:10:25,979 --> 01:10:22,780

boy he lives in this this Litchfield

1597

01:10:28,290 --> 01:10:25,989

County flap area kind of place and he

1598

01:10:29,729 --> 01:10:28,300

said when he was a young boy he was

1599

01:10:31,439 --> 01:10:29,739

driving with his father and he came to

1600

01:10:34,080 --> 01:10:31,449

one of the roads where there are

1601
01:10:37,110 --> 01:10:34,090
phenomena happening to this day and he

1602
01:10:40,500 --> 01:10:37,120
saw that there were some very almost

1603
01:10:42,270 --> 01:10:40,510
like antique fire engines and and their

1604
01:10:44,280 --> 01:10:42,280
firefighters an old uniforms with police

1605
01:10:45,479 --> 01:10:44,290
officers the police officer said sir

1606
01:10:49,470 --> 01:10:45,489
yeah you can't drag this you have to

1607
01:10:51,810 --> 01:10:49,480
turn around so you know I'm he went and

1608
01:10:54,270 --> 01:10:51,820
drove and then they circled around and

1609
01:10:57,500 --> 01:10:54,280
came back everything was gone no more no

1610
01:11:00,270 --> 01:10:57,510
firefighters no police officers so again

1611
01:11:04,439 --> 01:11:00,280
all sorts of possibilities for what this

1612
01:11:08,280 --> 01:11:04,449
could be almost yeah almost like a time

1613
01:11:09,840 --> 01:11:08,290

slip and stand before you answer here we

1614

01:11:12,689 --> 01:11:09,850

have to go to our bottom of the hour

1615

01:11:15,780 --> 01:11:12,699

break we'll bring this back up around

1616

01:11:17,580 --> 01:11:15,790

again when we come back for more

1617

01:11:20,760 --> 01:11:17,590

exploring the bizarre with our guest

1618

01:11:31,630 --> 01:11:20,770

staff Gordon and Paul II know so stay

1619

01:11:38,360 --> 01:11:35,780

now back to exploring the bazaars with

1620

01:11:41,660 --> 01:11:38,370

two of the most electrifying researchers

1621

01:11:48,170 --> 01:11:41,670

in the Paranoid your hosts Timothy Becca

1622

01:11:49,790 --> 01:11:48,180

Lee panting you know Tim it makes it

1623

01:11:51,560 --> 01:11:49,800

sound like we're hovering right there

1624

01:11:53,780 --> 01:11:51,570

right next to the high-tension lines

1625

01:11:56,480 --> 01:11:53,790

ourselves maybe we're causing maybe

1626
01:11:59,210 --> 01:11:56,490
we're causing some of this phenomena to

1627
01:12:02,510 --> 01:11:59,220
take place it's it's all because of us

1628
01:12:04,640 --> 01:12:02,520
that Bigfoot is wandering the woods

1629
01:12:09,020 --> 01:12:04,650
longer Chestnut Ridge

1630
01:12:11,990 --> 01:12:09,030
speaking of Chestnut Ridge I just saw a

1631
01:12:14,930 --> 01:12:12,000
very incredible movie this afternoon

1632
01:12:17,930 --> 01:12:14,940
actually it's my second viewing of it

1633
01:12:20,680 --> 01:12:17,940
it's a produced and directed by a Seth

1634
01:12:23,930 --> 01:12:20,690
Breedlove who's been on our program

1635
01:12:27,200 --> 01:12:23,940
several times and he has a film

1636
01:12:33,020 --> 01:12:27,210
production company small town monsters

1637
01:12:38,540 --> 01:12:33,030
and he's his most recent entry into the

1638
01:12:40,840 --> 01:12:38,550

film land as a movie that Stan Gordon is

1639

01:12:44,990 --> 01:12:40,850

featured in in fact I would say that the

1640

01:12:48,950 --> 01:12:45,000

stan is the star of the movie unless you

1641

01:12:51,500 --> 01:12:48,960

want to maybe include a Bigfoot in there

1642

01:12:55,040 --> 01:12:51,510

but Stan tell us how did you get

1643

01:12:59,030 --> 01:12:55,050

involved with the with this particular

1644

01:13:01,400 --> 01:12:59,040

project well South had contacted me that

1645

01:13:03,500 --> 01:13:01,410

he was interested in doing a documentary

1646

01:13:05,360 --> 01:13:03,510

on the incident along with Chestnut

1647

01:13:08,060 --> 01:13:05,370

Ridge he was familiar with the many

1648

01:13:09,890 --> 01:13:08,070

years of research I did on it and I was

1649

01:13:12,110 --> 01:13:09,900

I'm a little twosie of different

1650

01:13:15,140 --> 01:13:12,120

projects I get called to do but I knew

1651
01:13:16,940 --> 01:13:15,150
about the great documentaries and and

1652
01:13:19,070 --> 01:13:16,950
the professionalism that he had done on

1653
01:13:21,290 --> 01:13:19,080
his other documentaries and we discussed

1654
01:13:24,260 --> 01:13:21,300
it more and I decided to do the project

1655
01:13:25,820 --> 01:13:24,270
and I think it came out very good

1656
01:13:29,150 --> 01:13:25,830
I know it's gotten some great reviews

1657
01:13:31,160 --> 01:13:29,160
out there on Amazon and for the first

1658
01:13:33,320 --> 01:13:31,170
time we were able to guest I was able to

1659
01:13:36,080 --> 01:13:33,330
get some some witnesses who had

1660
01:13:38,270 --> 01:13:36,090
experienced phenomena along the ridge

1661
01:13:39,799 --> 01:13:38,280
mainly with Krypton's that come on

1662
01:13:42,950 --> 01:13:39,809
and tell the stories for the first time

1663
01:13:45,350 --> 01:13:42,960

and I think it came across very well and

1664

01:13:47,299 --> 01:13:45,360

I've heard some very good draw response

1665

01:13:51,379 --> 01:13:47,309

from people who've seen the film I'm

1666

01:13:54,919 --> 01:13:51,389

looking here at the ad on Facebook it

1667

01:13:57,680 --> 01:13:54,929

says invasion on Chestnut Ridge in a

1668

01:14:02,180 --> 01:13:57,690

place shrouded in mystery a force from

1669

01:14:04,760 --> 01:14:02,190

beyond our reality arrived and that

1670

01:14:06,770 --> 01:14:04,770

you've got some well now there's a

1671

01:14:09,140 --> 01:14:06,780

particular incident in there and maybe

1672

01:14:12,350 --> 01:14:09,150

you can describe it in more detail where

1673

01:14:15,250 --> 01:14:12,360

these creatures were following the

1674

01:14:17,930 --> 01:14:15,260

defense post and they were they were

1675

01:14:20,870 --> 01:14:17,940

giants or they they were they seemed to

1676

01:14:24,169 --> 01:14:20,880

be taller than the fence posts which

1677

01:14:26,629 --> 01:14:24,179

were what the six feet tall yeah yeah

1678

01:14:29,149 --> 01:14:26,639

that's probably them probably the most

1679

01:14:33,680 --> 01:14:29,159

of the thousands of cases I worked on

1680

01:14:35,810 --> 01:14:33,690

that is probably the case that convinced

1681

01:14:37,879 --> 01:14:35,820

myself and my team that there was a lot

1682

01:14:39,589 --> 01:14:37,889

more to the Bigfoot phenomenon that any

1683

01:14:43,370 --> 01:14:39,599

of us could ever imagine so that goes

1684

01:14:45,589 --> 01:14:43,380

back at a massive wave of 1973 and 74 in

1685

01:14:48,410 --> 01:14:45,599

Pennsylvania the incident happened up

1686

01:14:49,430 --> 01:14:48,420

again Fayette County not far from the

1687

01:14:52,839 --> 01:14:49,440

Chestnut Ridge

1688

01:14:55,330 --> 01:14:52,849

it was October 27 1973 outside of the

1689

01:14:57,859 --> 01:14:55,340

Uniontown Pennsylvania in a rural area

1690

01:14:59,629 --> 01:14:57,869

about 10:30 that night I get a call from

1691

01:15:02,359 --> 01:14:59,639

a state trooper from the Uniontown

1692

01:15:04,669 --> 01:15:02,369

barracks and when he called me you could

1693

01:15:06,500 --> 01:15:04,679

tell he was a little shook up and he

1694

01:15:08,600 --> 01:15:06,510

said you need to get a team up here as

1695

01:15:10,189 --> 01:15:08,610

soon as you can I think there's a good

1696

01:15:12,859 --> 01:15:10,199

chance something store in the pasture

1697

01:15:16,450 --> 01:15:12,869

but I find out about nine o'clock that

1698

01:15:19,879 --> 01:15:16,460

night about 15 people in that rural area

1699

01:15:23,180 --> 01:15:19,889

they see this object in the sky about as

1700

01:15:24,740 --> 01:15:23,190

big as a barn it's a big red sphere and

1701

01:15:26,479 --> 01:15:24,750

it's only about a hundred feet off the

1702

01:15:28,520 --> 01:15:26,489

ground and people all over the area

1703

01:15:32,089 --> 01:15:28,530

watching this thing it is moving

1704

01:15:35,629 --> 01:15:32,099

downward towards this pasture area the

1705

01:15:37,609 --> 01:15:35,639

story kind of focuses on the farmer son

1706

01:15:39,979 --> 01:15:37,619

who was coming out to visit his dad was

1707

01:15:42,229 --> 01:15:39,989

at his dad's farm this was taking place

1708

01:15:44,149 --> 01:15:42,239

and as he's driving down the road he

1709

01:15:46,459 --> 01:15:44,159

sees the object of these people standing

1710

01:15:49,640 --> 01:15:46,469

outside looking at this thing and he

1711

01:15:51,689 --> 01:15:49,650

decides to go up up on the hill to a

1712

01:15:55,020 --> 01:15:51,699

different location get a better view

1713

01:15:57,840 --> 01:15:55,030

and it looks like this thing's going to

1714

01:15:59,640 --> 01:15:57,850

land over in his dad's farm so he and

1715

01:16:00,950 --> 01:15:59,650

two young neighbor boys decide they're

1716

01:16:03,689 --> 01:16:00,960

going to go up to see what this thing is

1717

01:16:05,970 --> 01:16:03,699

so before they go up that area they

1718

01:16:07,919 --> 01:16:05,980

stopped over at his dad's farm and he

1719

01:16:10,770 --> 01:16:07,929

picks up a 31-6 and a handful of

1720

01:16:14,010 --> 01:16:10,780

ammunition including that ammunition

1721

01:16:15,660 --> 01:16:14,020

with two tracers so why anybody familiar

1722

01:16:17,970 --> 01:16:15,670

with hunting knows those traits that

1723

01:16:19,860 --> 01:16:17,980

give you that illuminance trail anyhow

1724

01:16:22,110 --> 01:16:19,870

so riding down the farm road and they're

1725

01:16:24,300 --> 01:16:22,120

getting closer to the pasture the dogs

1726

01:16:26,100 --> 01:16:24,310

are on the air going crazy they hear

1727

01:16:28,229 --> 01:16:26,110

this loud high-pitched whirling sound

1728

01:16:31,919 --> 01:16:28,239

and the a of these loud baby crying

1729

01:16:34,350 --> 01:16:31,929

sounds and they angle their truck with

1730

01:16:35,820 --> 01:16:34,360

the headlights on to share the path to

1731

01:16:37,950 --> 01:16:35,830

go up towards the heel up towards the

1732

01:16:40,530 --> 01:16:37,960

pasture and they notice that the power

1733

01:16:41,939 --> 01:16:40,540

appears be draining something's draining

1734

01:16:44,280 --> 01:16:41,949

the power from the headlights they had

1735

01:16:46,860 --> 01:16:44,290

never experienced that before as they go

1736

01:16:49,560 --> 01:16:46,870

out to the top of the hill but looking

1737

01:16:50,400 --> 01:16:49,570

over the field and they cannot believe

1738

01:16:53,250 --> 01:16:50,410

what they're seeing

1739

01:16:55,530 --> 01:16:53,260

because that object about 250 feet away

1740

01:16:58,620 --> 01:16:55,540

is now on the ground or right above it

1741

01:17:00,930 --> 01:16:58,630

but now this thing is a big white dome

1742

01:17:03,090 --> 01:17:00,940

not a complete sphere it's about a

1743

01:17:04,950 --> 01:17:03,100

hundred feet or more in diameter it's

1744

01:17:06,510 --> 01:17:04,960

illuminating the whole area making it

1745

01:17:08,189 --> 01:17:06,520

out loud whirling noise and they're

1746

01:17:10,950 --> 01:17:08,199

standing there and they're trying to

1747

01:17:13,200 --> 01:17:10,960

figure out what this thing is then their

1748

01:17:16,740 --> 01:17:13,210

attention focuses on a barbed wire fence

1749

01:17:19,229 --> 01:17:16,750

line about 75 feet away along that

1750

01:17:22,620 --> 01:17:19,239

barbed wire fence are these two tall

1751

01:17:24,660 --> 01:17:22,630

hairy bipedal creatures bigfoot-type

1752

01:17:26,910 --> 01:17:24,670

creatures walking in their direction one

1753

01:17:28,229 --> 01:17:26,920

behind the other the fence posts were

1754

01:17:29,970 --> 01:17:28,239

about six feet tall

1755

01:17:32,459 --> 01:17:29,980

the creature in front about eight feet

1756

01:17:32,939 --> 01:17:32,469

tall the one behind is about seven feet

1757

01:17:35,280 --> 01:17:32,949

tall

1758

01:17:38,610 --> 01:17:35,290

these things are covering long dark

1759

01:17:40,770 --> 01:17:38,620

matted hair they have no neck the arms

1760

01:17:42,959 --> 01:17:40,780

are so long almost down to the ground

1761

01:17:45,630 --> 01:17:42,969

they have luminous glowing eyes or

1762

01:17:46,919 --> 01:17:45,640

actually bright luminous green which has

1763

01:17:49,169 --> 01:17:46,929

been reported with some other Bigfoot

1764

01:17:50,910 --> 01:17:49,179

incidents as well you hear quite often

1765

01:17:52,709 --> 01:17:50,920

about the redder or reddish orange but

1766

01:17:55,140 --> 01:17:52,719

there have been reports of green there's

1767

01:17:56,939 --> 01:17:55,150

other colors as well and these things

1768

01:17:58,650 --> 01:17:56,949

are making that crime whining noise and

1769

01:18:00,600 --> 01:17:58,660

they're moving right beat one behind the

1770

01:18:03,270 --> 01:18:00,610

other slowly in the direction of the

1771

01:18:05,100 --> 01:18:03,280

three witnesses the one kids watch

1772

01:18:05,580 --> 01:18:05,110

anything he says scaredy runs out of the

1773

01:18:07,620 --> 01:18:05,590

field

1774

01:18:10,230 --> 01:18:07,630

the other kid yells at the former son

1775

01:18:11,820 --> 01:18:10,240

shoot him shoot him the guy takes his

1776

01:18:14,010 --> 01:18:11,830

first shot which turns out to be a

1777

01:18:17,370 --> 01:18:14,020

tracer so he just had that aluminous

1778

01:18:20,700 --> 01:18:17,380

trail but when he fires that second shot

1779

01:18:23,370 --> 01:18:20,710

that second tracer the largest of the

1780

01:18:26,250 --> 01:18:23,380

two creatures was out a very loud

1781

01:18:29,070 --> 01:18:26,260

whining crying sound reaches out as

1782

01:18:31,560 --> 01:18:29,080

though to grab at that tracer and at the

1783

01:18:34,470 --> 01:18:31,570

exact same time that object and the

1784

01:18:38,370 --> 01:18:34,480

field disappears it doesn't take off it

1785

01:18:40,920 --> 01:18:38,380

is physically vanishes at that point the

1786

01:18:43,740 --> 01:18:40,930

luminosity most of it's gone the loud

1787

01:18:46,560 --> 01:18:43,750

whirling sound is gone and the creatures

1788

01:18:48,300 --> 01:18:46,570

turn around at that point slowly start

1789

01:18:51,480 --> 01:18:48,310

walking along the fence line back

1790

01:18:54,240 --> 01:18:51,490

towards the woods at that point the

1791

01:18:56,700 --> 01:18:54,250

fellows firing now live ammo from his

1792

01:18:59,060 --> 01:18:56,710

30-odd six at the creatures he said

1793

01:19:01,590 --> 01:18:59,070

focusing on the largest creature and

1794

01:19:04,110 --> 01:19:01,600

until he passed away he always said to

1795

01:19:06,570 --> 01:19:04,120

me said I'll never forget how that huge

1796

01:19:10,170 --> 01:19:06,580

thing with those glowing green eyes kept

1797

01:19:11,880 --> 01:19:10,180

staring at him as he's firing 30.6 live

1798

01:19:14,790 --> 01:19:11,890

ammo into it with no effect on them

1799

01:19:17,040 --> 01:19:14,800

whatsoever they ran back to the the

1800

01:19:18,630 --> 01:19:17,050

truck went back to the farmhouse told

1801
01:19:19,770 --> 01:19:18,640
people what happened took them to a

1802
01:19:22,470 --> 01:19:19,780
neighbor and called the State Police

1803
01:19:26,580 --> 01:19:22,480
when their trooper arrived 45 minutes

1804
01:19:27,510 --> 01:19:26,590
later the witness told me he says he

1805
01:19:29,070 --> 01:19:27,520
told the trooper he said look just

1806
01:19:31,890 --> 01:19:29,080
forget about it you guys think I'm nuts

1807
01:19:33,570 --> 01:19:31,900
and the trooper said we had a report of

1808
01:19:35,580 --> 01:19:33,580
two similar creatures on a mountain the

1809
01:19:37,980 --> 01:19:35,590
night before I had to investigate the

1810
01:19:39,420 --> 01:19:37,990
incident the short part of the story is

1811
01:19:42,750 --> 01:19:39,430
they went up to the troop car up to the

1812
01:19:44,700 --> 01:19:42,760
pasture the state trooper told me the

1813
01:19:47,850 --> 01:19:44,710

area where the object was on the ground

1814

01:19:49,410 --> 01:19:47,860

while South luminous and glowing but a

1815

01:19:51,750 --> 01:19:49,420

hundred feet or more in diameter

1816

01:19:53,910 --> 01:19:51,760

he said the farm animals wouldn't go

1817

01:19:56,280 --> 01:19:53,920

anywhere near and he said if he had

1818

01:19:58,080 --> 01:19:56,290

eaten if he had a newspaper he could

1819

01:19:59,760 --> 01:19:58,090

have sat down within that glowing area

1820

01:20:01,610 --> 01:19:59,770

and read the news but newspaper from the

1821

01:20:03,870 --> 01:20:01,620

light coming off of it

1822

01:20:05,910 --> 01:20:03,880

again that's the short part of the story

1823

01:20:07,080 --> 01:20:05,920

the incidents got stranger and stranger

1824

01:20:09,510 --> 01:20:07,090

through the night

1825

01:20:11,970 --> 01:20:09,520

I wrote the whole episode up in my cell

1826

01:20:15,330 --> 01:20:11,980

invasion book it's an amazing amazing

1827

01:20:17,160 --> 01:20:15,340

story including the the mystery men one

1828

01:20:18,860 --> 01:20:17,170

in a dark suit when an Air Force uniform

1829

01:20:21,810 --> 01:20:18,870

they can

1830

01:20:22,980 --> 01:20:21,820

within the next two weeks and for years

1831

01:20:25,110 --> 01:20:22,990

he always thought they're part of my

1832

01:20:27,720 --> 01:20:25,120

research group we didn't find out the

1833

01:20:30,260 --> 01:20:27,730

years later on a follow-up interview

1834

01:20:33,900 --> 01:20:30,270

with him it's an amazing amazing story

1835

01:20:35,700 --> 01:20:33,910

that was the case among others that made

1836

01:20:37,890 --> 01:20:35,710

us aware there was a lot more to the

1837

01:20:40,380 --> 01:20:37,900

Bigfoot UFO phenomena that any of us

1838

01:20:42,180 --> 01:20:40,390

could ever imagine hey Stan let me ask

1839

01:20:45,870 --> 01:20:42,190

you what do you think of the idea of

1840

01:20:47,490 --> 01:20:45,880

shooting at the these things I mean it

1841

01:20:50,910 --> 01:20:47,500

doesn't it seem to be counterproductive

1842

01:20:53,790 --> 01:20:50,920

I mean by this time we know that any

1843

01:20:55,980 --> 01:20:53,800

number of shots have been fired and they

1844

01:20:58,740 --> 01:20:55,990

don't seem to have any effect whatsoever

1845

01:21:02,820 --> 01:20:58,750

doesn't it tend to piss off the

1846

01:21:04,650 --> 01:21:02,830

creatures I agree I do not recommend the

1847

01:21:06,390 --> 01:21:04,660

shooting at them in the many years we

1848

01:21:09,780 --> 01:21:06,400

were out in the field we did not take

1849

01:21:11,760 --> 01:21:09,790

weapons with us and in multitudes of

1850

01:21:14,370 --> 01:21:11,770

cases that I've talked about and written

1851

01:21:16,920 --> 01:21:14,380

about they used people who've used

1852

01:21:18,420 --> 01:21:16,930

all types of weapons and nobody's have a

1853

01:21:20,250 --> 01:21:18,430

problem with that a couple cases they

1854

01:21:20,850 --> 01:21:20,260

hit them they generally fell on the

1855

01:21:24,630 --> 01:21:20,860

ground

1856

01:21:26,280 --> 01:21:24,640

generally he got up and walked off I can

1857

01:21:28,560 --> 01:21:26,290

tell you how the multitude of the case I

1858

01:21:31,740 --> 01:21:28,570

worked on these things do not appear to

1859

01:21:34,560 --> 01:21:31,750

be hostile to humans they appear to be

1860

01:21:36,630 --> 01:21:34,570

not aggressive in most cases even a case

1861

01:21:38,550 --> 01:21:36,640

where people shot at them sometimes the

1862

01:21:41,010 --> 01:21:38,560

creatures chased them short distance and

1863

01:21:42,870 --> 01:21:41,020

they turned and ran off but generally

1864

01:21:45,270 --> 01:21:42,880

they appear to be not aggressive they

1865

01:21:47,280 --> 01:21:45,280

seem to be interested human activity but

1866

01:21:50,940 --> 01:21:47,290

I don't recommend people shooting at

1867

01:21:53,790 --> 01:21:50,950

these things and again some of the cases

1868

01:21:57,180 --> 01:21:53,800

are very strange including very well

1869

01:21:59,160 --> 01:21:57,190

documented February 6 1974 years in your

1870

01:22:01,970 --> 01:21:59,170

Ohio pileup in Fayette County again

1871

01:22:04,440 --> 01:22:01,980

right along the ridge where a woman

1872

01:22:06,570 --> 01:22:04,450

heard a commotion on her a little cabin

1873

01:22:09,210 --> 01:22:06,580

porch deep in the mountains grabbed her

1874

01:22:11,220 --> 01:22:09,220

shotgun went out on the porch and

1875

01:22:13,710 --> 01:22:11,230

standing in front of her a few feet away

1876

01:22:15,180 --> 01:22:13,720

it's a seven to eight foot tall Bigfoot

1877

01:22:17,850 --> 01:22:15,190

with its arms straight up over his head

1878

01:22:19,860 --> 01:22:17,860

she fires right into it with her shotgun

1879

01:22:22,890 --> 01:22:19,870

and the creature disappeared in a flash

1880

01:22:24,480 --> 01:22:22,900

of light and her in-laws lived a hundred

1881

01:22:26,460 --> 01:22:24,490

feet away heard the gunshot

1882

01:22:28,470 --> 01:22:26,470

her son-in-law grabbed his pistol

1883

01:22:30,540 --> 01:22:28,480

started walking up towards the cabin in

1884

01:22:31,380 --> 01:22:30,550

the dark saw a figure running up the

1885

01:22:33,510 --> 01:22:31,390

road

1886

01:22:35,730 --> 01:22:33,520

surrounded by four or five hairy people

1887

01:22:37,980 --> 01:22:35,740

with eyes like coals of fire start

1888

01:22:40,380 --> 01:22:37,990

shooting and a randomly and as you ran

1889

01:22:43,500 --> 01:22:40,390

into them they noticed this large object

1890

01:22:44,820 --> 01:22:43,510

with like bright lights on like a big

1891

01:22:47,220 --> 01:22:44,830

Christmas ornament hovering over the

1892

01:22:48,870 --> 01:22:47,230

woods at the same time and back at that

1893

01:22:51,510 --> 01:22:48,880

time was when we had that big national

1894

01:22:53,940 --> 01:22:51,520

truckers strike and gas rationing so the

1895

01:22:56,580 --> 01:22:53,950

National Guardsman and state police were

1896

01:22:58,380 --> 01:22:56,590

patrolling together both went up to the

1897

01:23:00,840 --> 01:22:58,390

scene I got there the next morning

1898

01:23:03,090 --> 01:23:00,850

because I couldn't get gas and the state

1899

01:23:04,890 --> 01:23:03,100

two primary investigator told me that I

1900

01:23:06,150 --> 01:23:04,900

don't know what happened up here he said

1901

01:23:07,470 --> 01:23:06,160

by the time we found the place

1902

01:23:10,320 --> 01:23:07,480

everything was gone but he said

1903

01:23:13,200 --> 01:23:10,330

something very weird went on and he said

1904

01:23:15,180 --> 01:23:13,210

he based it on how the animals responded

1905

01:23:16,470 --> 01:23:15,190

and that's something I have seen I've

1906

01:23:18,390 --> 01:23:16,480

never had a you know for a Bigfoot

1907

01:23:19,920 --> 01:23:18,400

experience myself believe it or not but

1908

01:23:22,650 --> 01:23:19,930

I've seen how the animals react

1909

01:23:23,910 --> 01:23:22,660

especially the most vicious dogs when

1910

01:23:26,280 --> 01:23:23,920

they're close to these creatures

1911

01:23:27,870 --> 01:23:26,290

- like paralyzed in fear they don't

1912

01:23:30,390 --> 01:23:27,880

burnt they don't move they cower they

1913

01:23:32,220 --> 01:23:30,400

cry sometimes they don't even act normal

1914

01:23:34,920 --> 01:23:32,230

- a few days later so that's something

1915

01:23:37,920 --> 01:23:34,930

that's very intriguing and any animal

1916

01:23:39,870 --> 01:23:37,930

mutilations they're not that calm in

1917

01:23:42,720 --> 01:23:39,880

this part of the country we have had a

1918

01:23:45,750 --> 01:23:42,730

few incidents when this was going on the

1919

01:23:48,660 --> 01:23:45,760

70s we did have some dogs have been

1920

01:23:51,210 --> 01:23:48,670

killing unusually there was chickens

1921

01:23:54,180 --> 01:23:51,220

were found torn up we hear about that on

1922

01:23:55,980 --> 01:23:54,190

occasion but it is very rare even though

1923

01:23:57,540 --> 01:23:55,990

I've had reports of a Bigfoot carrying

1924

01:24:01,800 --> 01:23:57,550

gear over their shoulders or chasing

1925

01:24:05,910 --> 01:24:01,810

deer and and Paul how about you any any

1926

01:24:09,000 --> 01:24:05,920

negative aspect of this yeah from time

1927

01:24:11,160 --> 01:24:09,010

to time there are abductions of course

1928

01:24:14,310 --> 01:24:11,170

that that's that's up for grabs we have

1929

01:24:16,830 --> 01:24:14,320

had issues of some cattle mutilation

1930

01:24:19,260 --> 01:24:16,840

reports in New Hampshire we also had a

1931

01:24:21,570 --> 01:24:19,270

fish mutilation report that was new to

1932

01:24:23,310 --> 01:24:21,580

me but down to no fish fish look pretty

1933

01:24:25,140 --> 01:24:23,320

sorry anyway when they're up on the

1934

01:24:27,720 --> 01:24:25,150

beach for a couple of weeks I'm I don't

1935

01:24:29,130 --> 01:24:27,730

know but nothing you really put your

1936

01:24:30,690 --> 01:24:29,140

finger up but I agree with standard

1937

01:24:31,980 --> 01:24:30,700

they're not that common in this part of

1938

01:24:34,369 --> 01:24:31,990

the country but we have had a few

1939

01:24:36,389 --> 01:24:34,379

whispers

1940

01:24:40,229 --> 01:24:36,399

because our negative things are

1941

01:24:41,549 --> 01:24:40,239

concerned yeah because our specialty at

1942

01:24:44,189 --> 01:24:41,559

least my suppose has always been what we

1943

01:24:46,169 --> 01:24:44,199

call parasites parasitical entities who

1944

01:24:49,830 --> 01:24:46,179

will you know they're part of nature

1945

01:24:52,259 --> 01:24:49,840

they'll mimic their multiversal we think

1946

01:24:54,569 --> 01:24:52,269

but they'll they'll mimic things like

1947

01:24:55,919 --> 01:24:54,579

Uncle Uncle Chuck you know you're

1948

01:24:57,540 --> 01:24:55,929

convinced it's one of your loved ones

1949

01:24:59,040 --> 01:24:57,550

and they were actually pushing buttons

1950

01:25:01,109 --> 01:24:59,050

so they can feed on your energy and this

1951

01:25:03,179 --> 01:25:01,119

kind of thing folklore calls them demons

1952

01:25:05,520 --> 01:25:03,189

and all the other and they fill the bill

1953

01:25:07,819 --> 01:25:05,530

so yeah we run into that in connection

1954

01:25:11,250 --> 01:25:07,829

with a lot of these cases is that the

1955

01:25:13,020 --> 01:25:11,260

they do seem to be associated with UFO

1956

01:25:15,359 --> 01:25:13,030

phenomena as I say that's why we deal

1957

01:25:17,759 --> 01:25:15,369

with some of the MUFON people who run

1958

01:25:19,859 --> 01:25:17,769

into the crossover phenomena we don't

1959

01:25:22,849 --> 01:25:19,869

necessarily have ever really seen

1960

01:25:26,250 --> 01:25:22,859

Bigfoot as such associated with anything

1961

01:25:28,020 --> 01:25:26,260

negative okay so it's funny you've got

1962

01:25:31,619 --> 01:25:28,030

Bigfoot associated with UFOs and

1963

01:25:33,750 --> 01:25:31,629

parasites associated with UFOs but not

1964

01:25:37,859 --> 01:25:33,760

not so much parasites and Bigfoot at

1965

01:25:41,099 --> 01:25:37,869

least not so far which is interesting do

1966

01:25:44,040 --> 01:25:41,109

you think do you think that they'll ever

1967

01:25:45,899 --> 01:25:44,050

be well I don't even know what the what

1968

01:25:48,029 --> 01:25:45,909

the board is here there ever be an

1969

01:25:50,189 --> 01:25:48,039

outcome to this I mean I can't imagine

1970

01:25:52,409 --> 01:25:50,199

that they're that there could be I mean

1971

01:25:55,020 --> 01:25:52,419

a Bigfoot isn't gonna step out of a ship

1972

01:25:57,869 --> 01:25:55,030

and say hey I'm I'm from Guatemala or

1973

01:26:00,869 --> 01:25:57,879

the reason that were the reason that I'm

1974

01:26:05,399 --> 01:26:00,879

here is because of such an this such and

1975

01:26:08,040 --> 01:26:05,409

such and so well go go ahead Stan okay

1976

01:26:10,859 --> 01:26:08,050

that's fine what I was gonna say I kind

1977

01:26:12,689 --> 01:26:10,869

of agree with staying Friedmann that you

1978

01:26:14,459 --> 01:26:12,699

know you know don't expect this to

1979

01:26:16,469 --> 01:26:14,469

happen because why would they want to

1980

01:26:18,959 --> 01:26:16,479

talk to us we're as he puts at a

1981

01:26:20,909 --> 01:26:18,969

primitive species whose primary activity

1982

01:26:24,199 --> 01:26:20,919

is tribal warfare why would they want to

1983

01:26:27,810 --> 01:26:24,209

talk to well even Bigfoot I don't know

1984

01:26:29,969 --> 01:26:27,820

yeah and and again you know what what I

1985

01:26:32,310 --> 01:26:29,979

want to stress is I'm not trying to say

1986

01:26:34,409 --> 01:26:32,320

that Bigfoot is in a passage is a

1987

01:26:36,209 --> 01:26:34,419

passenger in a spacecraft from another

1988

01:26:37,799 --> 01:26:36,219

world because we don't know what we're

1989

01:26:39,929 --> 01:26:37,809

dealing we don't even know what the UFOs

1990

01:26:42,569 --> 01:26:39,939

represent there's many theories out

1991

01:26:44,219 --> 01:26:42,579

there for years and years I believe for

1992

01:26:46,619 --> 01:26:44,229

a long time there's more than one origin

1993

01:26:47,199 --> 01:26:46,629

for the unknown category but some of

1994

01:26:49,060 --> 01:26:47,209

these may be

1995

01:26:52,390 --> 01:26:49,070

small percentage be extraterrestrial

1996

01:26:53,649 --> 01:26:52,400

possibly a more and more again for a

1997

01:26:54,520 --> 01:26:53,659

lack of a better term I think we're

1998

01:26:57,370 --> 01:26:54,530

dealing with something it's

1999

01:27:01,479 --> 01:26:57,380

interdimensional time travelers on no

2000

01:27:04,649 --> 01:27:01,489

natural phenomena we don't know can't it

2001

01:27:07,569 --> 01:27:04,659

can't likely be interplanetary I mean

2002

01:27:10,029 --> 01:27:07,579

these things just still okay I mean we

2003

01:27:12,969 --> 01:27:10,039

can't expect it to going to behave

2004

01:27:15,429 --> 01:27:12,979

exactly like we would I mean we're

2005

01:27:18,370 --> 01:27:15,439

pretty bizarre too we go to the Moon

2006

01:27:20,560 --> 01:27:18,380

Moon and Mars and we jump down a ladder

2007

01:27:24,669 --> 01:27:20,570

and plant the American flag or or

2008

01:27:27,819 --> 01:27:24,679

whatever flag that we want to do to plan

2009

01:27:30,669 --> 01:27:27,829

and and and a race of beings there might

2010

01:27:34,569 --> 01:27:30,679

say well what are these people are doing

2011

01:27:36,939 --> 01:27:34,579

jumping around on on the you know on our

2012

01:27:39,779 --> 01:27:36,949

on our surface you know they're banging

2013

01:27:43,390 --> 01:27:39,789

on our the hatch wait or a town or

2014

01:27:45,429 --> 01:27:43,400

something like that you know but they

2015

01:27:48,100 --> 01:27:45,439

but they do I mean they're just

2016

01:27:51,129 --> 01:27:48,110

something so totally a bizarre and

2017

01:27:53,469 --> 01:27:51,139

freakish about their behavior I mean by

2018

01:27:55,540 --> 01:27:53,479

this time you know why would they need

2019

01:27:58,750 --> 01:27:55,550

to abduct so many a people and why do

2020

01:28:00,879 --> 01:27:58,760

they need to grab soil the samples and

2021

01:28:03,729 --> 01:28:00,889

how come they come in a hundred shapes

2022

01:28:07,209 --> 01:28:03,739

and and designs not only they're the

2023

01:28:09,160 --> 01:28:07,219

craft but the the beings themselves and

2024

01:28:12,549 --> 01:28:09,170

if they're Bigfoot why don't they shave

2025

01:28:14,620 --> 01:28:12,559

before they land you know I write you

2026

01:28:16,270 --> 01:28:14,630

know again for years and years when I

2027

01:28:18,129 --> 01:28:16,280

started everybody thought these things

2028

01:28:20,140 --> 01:28:18,139

are extraterrestrial well the more I

2029

01:28:22,299 --> 01:28:20,150

learned about the phenomena the more and

2030

01:28:24,189 --> 01:28:22,309

more I'm getting away from that idea I I

2031

01:28:26,919 --> 01:28:24,199

don't think we can limit it possibility

2032

01:28:30,219 --> 01:28:26,929

of maybe a few of these reports could be

2033

01:28:32,199 --> 01:28:30,229

but again well why the UFO reports these

2034

01:28:34,359 --> 01:28:32,209

things even in daylight say physically

2035

01:28:37,660 --> 01:28:34,369

to change form they appear and disappear

2036

01:28:40,540 --> 01:28:37,670

and and I've study the background some

2037

01:28:42,459 --> 01:28:40,550

people who've had these encounters had

2038

01:28:44,319 --> 01:28:42,469

some strange things show up over the

2039

01:28:47,319 --> 01:28:44,329

years I remember years ago there was a

2040

01:28:49,179 --> 01:28:47,329

group of people and only a small number

2041

01:28:51,339 --> 01:28:49,189

within that group could see the object

2042

01:28:53,199 --> 01:28:51,349

hovering over top and describing while

2043

01:28:54,729 --> 01:28:53,209

the other people couldn't see it so

2044

01:28:56,529 --> 01:28:54,739

could it be that certain people have

2045

01:28:59,669 --> 01:28:56,539

certain abilities they're able to

2046

01:29:01,229 --> 01:28:59,679

perceive this phenomena or is it that

2047

01:29:03,810 --> 01:29:01,239

phenomena could be attracted to certain

2048

01:29:06,359 --> 01:29:03,820

people it's a very very complicated

2049

01:29:08,429 --> 01:29:06,369

phenomena you know I think right now a

2050

01:29:09,689 --> 01:29:08,439

lot of what we're dealing with is so far

2051
01:29:12,029 --> 01:29:09,699
beyond our present scientific

2052
01:29:14,399 --> 01:29:12,039
understanding that someday we'll have

2053
01:29:16,739 --> 01:29:14,409
the instrumentation technology to maybe

2054
01:29:18,479 --> 01:29:16,749
I understand what we're dealing with

2055
01:29:21,419 --> 01:29:18,489
right now I think is beyond our

2056
01:29:24,209 --> 01:29:21,429
capabilities understand how do you know

2057
01:29:26,879 --> 01:29:24,219
they talk about they talk about

2058
01:29:30,149 --> 01:29:26,889
disclosure well how could you disclose

2059
01:29:32,790 --> 01:29:30,159
this I mean you know some people see it

2060
01:29:33,779 --> 01:29:32,800
as a a religion from a religious point

2061
01:29:35,580 --> 01:29:33,789
of view

2062
01:29:38,219 --> 01:29:35,590
some people like Santa Freeman and I

2063
01:29:43,350 --> 01:29:38,229

want to see it in a strict you know

2064

01:29:46,919 --> 01:29:43,360

scientific terms where the object can be

2065

01:29:49,290 --> 01:29:46,929

weighed and the the visitors can shake

2066

01:29:51,029 --> 01:29:49,300

your your hand even if they are

2067

01:29:52,529 --> 01:29:51,039

contaminated I don't think they want to

2068

01:29:54,929 --> 01:29:52,539

come down and shake anybody's hand in

2069

01:29:58,290 --> 01:29:54,939

the last couple of weeks I I wouldn't I

2070

01:29:59,729 --> 01:29:58,300

wouldn't recommend that that's for their

2071

01:30:02,899 --> 01:29:59,739

sure you know but there's so many

2072

01:30:06,929 --> 01:30:02,909

approaches to this how how does anybody

2073

01:30:10,500 --> 01:30:06,939

in the in Washington or in the Pentagon

2074

01:30:13,979 --> 01:30:10,510

especially today get on TV and have to

2075

01:30:16,350 --> 01:30:13,989

explain any of this to the unwashed

2076

01:30:17,549 --> 01:30:16,360

masses because they're just not they're

2077

01:30:22,500 --> 01:30:17,559

not going to follow it they're going to

2078

01:30:24,359 --> 01:30:22,510

think that Satan is behind me like well

2079

01:30:26,160 --> 01:30:24,369

I I agree and as I mentioned earlier I

2080

01:30:28,169 --> 01:30:26,170

believe the government knows a lot more

2081

01:30:29,549 --> 01:30:28,179

than they're telling us but I don't

2082

01:30:30,810 --> 01:30:29,559

believe in all the answers themselves

2083

01:30:33,239 --> 01:30:30,820

are trying to figure it out

2084

01:30:35,129 --> 01:30:33,249

there's no doubt I believe what they've

2085

01:30:36,419 --> 01:30:35,139

been monitoring the phenomena for years

2086

01:30:39,419 --> 01:30:36,429

and years around the country and around

2087

01:30:40,560 --> 01:30:39,429

the world they know it exists but they

2088

01:30:42,839 --> 01:30:40,570

don't have the answers themselves

2089

01:30:44,310 --> 01:30:42,849

they're not in control what's happening

2090

01:30:50,669 --> 01:30:44,320

and they're just trying to figure out

2091

01:30:52,410 --> 01:30:50,679

what's going on yeah oh yeah why and

2092

01:30:55,109 --> 01:30:52,420

that's you know Greg Bishop talks about

2093

01:30:57,270 --> 01:30:55,119

that and you know I mean he says that a

2094

01:31:01,589 --> 01:30:57,280

lot of times you know government

2095

01:31:02,459 --> 01:31:01,599

military officials will basically almost

2096

01:31:06,959 --> 01:31:02,469

grill

2097

01:31:08,699 --> 01:31:06,969

UFO investigators because they they

2098

01:31:10,979 --> 01:31:08,709

think that possibly you know they may

2099

01:31:13,470 --> 01:31:10,989

have more knowledge than the the

2100

01:31:14,970 --> 01:31:13,480

government or military does yes

2101

01:31:17,490 --> 01:31:14,980

well you know your poll is bringing up

2102

01:31:19,590 --> 01:31:17,500

about you know are these mystery men to

2103

01:31:21,270 --> 01:31:19,600

get involved some UK are they government

2104

01:31:24,150 --> 01:31:21,280

or are they somebody else that I'd say

2105

01:31:27,210 --> 01:31:24,160

we might be dealing with both I can tell

2106

01:31:31,440 --> 01:31:27,220

you during the 73 Bigfoot outbreak and

2107

01:31:33,720 --> 01:31:31,450

UFO outbreak here I did I was contacted

2108

01:31:35,670 --> 01:31:33,730

by some government officials I did meet

2109

01:31:37,800 --> 01:31:35,680

with them they were very interested and

2110

01:31:39,690 --> 01:31:37,810

a researcher was going on here but also

2111

01:31:41,490 --> 01:31:39,700

I received a phone call from a gentleman

2112

01:31:44,070 --> 01:31:41,500

told me he worked for the government I

2113

01:31:46,260 --> 01:31:44,080

was provided the name of a contact an

2114

01:31:47,850 --> 01:31:46,270

animal laboratory in Washington I was

2115

01:31:50,430 --> 01:31:47,860

given the contact number and the address

2116

01:31:52,650 --> 01:31:50,440

in the event that we came up with any

2117

01:31:54,780 --> 01:31:52,660

really good solid physical evidence of a

2118

01:31:56,880 --> 01:31:54,790

Bigfoot or body for me to contact them

2119

01:31:59,760 --> 01:31:56,890

and I was able to confirm that that

2120

01:32:01,110 --> 01:31:59,770

information was accurate and other

2121

01:32:03,600 --> 01:32:01,120

things have happened over the years

2122

01:32:05,370 --> 01:32:03,610

which continues to suggest that I

2123

01:32:06,930 --> 01:32:05,380

believe the government has there's a

2124

01:32:10,170 --> 01:32:06,940

good possibility they're interested in

2125

01:32:14,100 --> 01:32:10,180

some of these cases you know where we're

2126
01:32:17,100 --> 01:32:14,110
headed towards the midnight hour here

2127
01:32:20,790 --> 01:32:17,110
where a Bigfoot will soon be banging on

2128
01:32:23,850 --> 01:32:20,800
our front front door and ringing our

2129
01:32:27,360 --> 01:32:23,860
ringing our buzzer and wanting either

2130
01:32:30,360 --> 01:32:27,370
candy or our hides so I I think that we

2131
01:32:33,180 --> 01:32:30,370
should go at him around the table a

2132
01:32:35,340 --> 01:32:33,190
one-time here and allow our guests to

2133
01:32:37,500 --> 01:32:35,350
tell us what they're working on

2134
01:32:40,350 --> 01:32:37,510
currently how people can contact them

2135
01:32:43,410 --> 01:32:40,360
and what we can expect in the future so

2136
01:32:46,979 --> 01:32:43,420
stand your turn all right well people

2137
01:32:48,780 --> 01:32:46,989
can become updated with reports and also

2138
01:32:50,250 --> 01:32:48,790

different events coming up with many

2139

01:32:52,350 --> 01:32:50,260

many things are planned throughout the

2140

01:32:56,820 --> 01:32:52,360

year already coming up so they get them

2141

01:32:59,370 --> 01:32:56,830

a website Stan Gordon info INF oh my

2142

01:33:00,840 --> 01:32:59,380

silent invasion book covers the 73 s all

2143

01:33:03,750 --> 01:33:00,850

those weird weird things going on with

2144

01:33:05,580 --> 01:33:03,760

Bigfoot UFOs I have really mysterious

2145

01:33:08,010 --> 01:33:05,590

Pennsylvania my recent book is

2146

01:33:09,990 --> 01:33:08,020

astonishing encounters Pennsylvania's

2147

01:33:11,660 --> 01:33:10,000

unknown creatures gets into all kinds of

2148

01:33:14,400 --> 01:33:11,670

very very weird

2149

01:33:15,900 --> 01:33:14,410

cryptozoology cases again many suggest

2150

01:33:18,120 --> 01:33:15,910

we're dealing with something that's not

2151
01:33:19,729 --> 01:33:18,130
physical in nature and they're all

2152
01:33:22,500 --> 01:33:19,739
available at amazon.com

2153
01:33:24,270 --> 01:33:22,510
