

EXPLORING THE BIZARRE

MICHAEL BREIN

ROSEMARY ELLEN GUILLEY

TIM BECKLEY

TIM SWARTZ

1
00:00:37,450 --> 00:00:21,840

[Music]

2
00:00:44,410 --> 00:00:41,750

explode the bazaars are your e-ticket

3
00:00:47,720 --> 00:00:44,420

ride into the world of the paranoid

4
00:00:52,000 --> 00:00:47,730

strap yourself in as we traverse the

5
00:00:57,170 --> 00:00:52,010

universe exploring the unexplained UFO s

6
00:01:00,860 --> 00:00:57,180

ghosts Lost Worlds cryptozoology as well

7
00:01:05,780 --> 00:01:00,870

as other dimensions it's time to take

8
00:01:09,020 --> 00:01:05,790

back the night now your electrifying

9
00:01:17,090 --> 00:01:09,030

hosts of exploring the bizarre Timothy

10
00:01:19,730 --> 00:01:17,100

Begley and team sports wow we're really

11
00:01:22,340 --> 00:01:19,740

high up here Tim look can you see the

12
00:01:25,999 --> 00:01:22,350

earth down there far below I can see my

13
00:01:27,889 --> 00:01:26,009

house from here well your house isn't

14

00:01:30,109 --> 00:01:27,899

exactly one of the landmarks we were

15

00:01:30,560 --> 00:01:30,119

looking for but it's a good place to

16

00:01:33,320 --> 00:01:30,570

start

17

00:01:36,050 --> 00:01:33,330

well there's the Great Pyramid look how

18

00:01:39,109 --> 00:01:36,060

tall that is do you think that the the

19

00:01:40,940 --> 00:01:39,119

aliens really help build that I don't

20

00:01:42,830 --> 00:01:40,950

know but from here I can also see the

21

00:01:46,609 --> 00:01:42,840

Great Wall of China who said that you

22

00:01:48,710 --> 00:01:46,619

can't see it from space I can well and

23

00:01:51,980 --> 00:01:48,720

there's the Nazca lines I don't know

24

00:01:53,749 --> 00:01:51,990

what order we're going in here but there

25

00:01:56,809 --> 00:01:53,759

really are some strange figures down

26
00:02:00,169 --> 00:01:56,819
there on the Peruvian plane

27
00:02:03,830 --> 00:02:00,179
it's a remarkable manifestation whether

28
00:02:06,109 --> 00:02:03,840
it was done by extraterrestrials or not

29
00:02:10,940 --> 00:02:06,119
I guess we've got a lot of places to

30
00:02:13,699 --> 00:02:10,950
visit tonight don't we Tim yes yes we do

31
00:02:18,170 --> 00:02:13,709
and we're gonna see them all all from

32
00:02:21,110 --> 00:02:18,180
this great and wonderful height Tim well

33
00:02:24,140 --> 00:02:21,120
you know it's always good to be high but

34
00:02:30,350 --> 00:02:24,150
you know I think before you introduce

35
00:02:33,050 --> 00:02:30,360
tonight's guest we should make a comment

36
00:02:36,290 --> 00:02:33,060
here on what I consider to be a very sad

37
00:02:38,449 --> 00:02:36,300
news now it's not a passing of a friend

38
00:02:42,640 --> 00:02:38,459

like JC Johnson a couple of weeks ago

39

00:02:46,100 --> 00:02:42,650

but we have just received word that our

40

00:02:50,570 --> 00:02:46,110

longtime trusted and valuable friend and

41

00:02:56,020 --> 00:02:50,580

associate Brad's Tiger is giving up

42

00:03:00,560 --> 00:02:56,030

his smith-corona typewriter and retiring

43

00:03:04,460 --> 00:03:00,570

after his next book is published in July

44

00:03:08,780 --> 00:03:04,470

and I believe it is phantoms yes yes

45

00:03:11,810 --> 00:03:08,790

like phantoms and hauntings and I don't

46

00:03:13,670 --> 00:03:11,820

know exactly what the finished title of

47

00:03:16,300 --> 00:03:13,680

his newest book will be yeah

48

00:03:22,880 --> 00:03:16,310

well I know it'll be a published by

49

00:03:24,680 --> 00:03:22,890

invisible ink visible ink no I guess I

50

00:03:26,900 --> 00:03:24,690

hope they're I hope they're visible at

51
00:03:29,750 --> 00:03:26,910
least in the case of this book but yeah

52
00:03:34,400 --> 00:03:29,760
you know it I've known Brad I first met

53
00:03:39,260 --> 00:03:34,410
Brad in 1967 at the gym Moseley is very

54
00:03:42,080 --> 00:03:39,270
famous or infamous New York City UFO

55
00:03:45,110 --> 00:03:42,090
conference that attracted over 10,000

56
00:03:49,760 --> 00:03:45,120
people and Brad had just written his

57
00:03:52,340 --> 00:03:49,770
first paperback book on UFOs

58
00:03:55,490 --> 00:03:52,350
it was now help me out here strangers

59
00:03:59,979 --> 00:03:55,500
from the sky yeah I believe it was

60
00:04:03,830 --> 00:03:59,989
called and it was a collection of a UFO

61
00:04:07,070 --> 00:04:03,840
stories and that was the start of his a

62
00:04:09,290 --> 00:04:07,080
career now I do think that he had books

63
00:04:13,280 --> 00:04:09,300

published before paperback books I know

64

00:04:17,000 --> 00:04:13,290

he did a book on Rudolph Valentino that

65

00:04:20,390 --> 00:04:17,010

was later made in a motion picture and

66

00:04:22,760 --> 00:04:20,400

he did a lot of books that I would put

67

00:04:25,490 --> 00:04:22,770

in the same category like potboilers

68

00:04:27,740 --> 00:04:25,500

like Frank Edwards did you know strange

69

00:04:31,420 --> 00:04:27,750

this and unknown that and unexplained so

70

00:04:34,670 --> 00:04:31,430

forth and so on but then he got down to

71

00:04:37,850 --> 00:04:34,680

some very serious of research over the

72

00:04:41,240 --> 00:04:37,860

years now I don't know how many books

73

00:04:44,659 --> 00:04:41,250

he's written but he's certainly the far

74

00:04:46,670 --> 00:04:44,669

ahead of anybody although I think Nick

75

00:04:51,200 --> 00:04:46,680

Redford has tried to catch up with him

76
00:04:52,969 --> 00:04:51,210
and you and I are not too far behind but

77
00:04:56,000 --> 00:04:52,979
he certainly holds the record for the

78
00:04:59,029 --> 00:04:56,010
number of books on the paranormal and

79
00:05:02,480 --> 00:04:59,039
and a lot of them or most of them have

80
00:05:04,310 --> 00:05:02,490
been rare really well very well put

81
00:05:09,290 --> 00:05:04,320
together bread is a

82
00:05:11,420 --> 00:05:09,300
a greater researcher and a very great

83
00:05:14,270 --> 00:05:11,430
writer I mean he he concerned the

84
00:05:16,760 --> 00:05:14,280
material into well I had he's got

85
00:05:19,150 --> 00:05:16,770
hundreds of thousands of followers all

86
00:05:24,400 --> 00:05:19,160
over the world and his books have sold

87
00:05:27,830 --> 00:05:24,410
millions of copies so magista see him

88
00:05:30,380 --> 00:05:27,840

you know retiring at this point but

89

00:05:32,960 --> 00:05:30,390

we're going to you know prod him from

90

00:05:36,520 --> 00:05:32,970

time to time to perhaps that do a

91

00:05:39,560 --> 00:05:36,530

special chapter for one of our

92

00:05:41,300 --> 00:05:39,570

anthologies that we put on and I know

93

00:05:43,730 --> 00:05:41,310

how many of Brad's books you must have

94

00:05:47,480 --> 00:05:43,740

read over the years that debt oh yeah

95

00:05:49,520 --> 00:05:47,490

well probably the first look dealing

96

00:05:51,380 --> 00:05:49,530

with the paranormal and the supernatural

97

00:05:53,720 --> 00:05:51,390

that I ever bought you know with my own

98

00:05:57,530 --> 00:05:53,730

allowance money when I was a kid was a

99

00:05:58,880 --> 00:05:57,540

Brad Snyder book and and and then you

100

00:06:00,980 --> 00:05:58,890

know anytime that I'd run across to

101

00:06:03,680 --> 00:06:00,990

anything that that he put out I would

102

00:06:05,570 --> 00:06:03,690

always buy it so it was an especial it

103

00:06:09,440 --> 00:06:05,580

was especially a thrill for me when I

104

00:06:14,480 --> 00:06:09,450

had the opportunity to contribute a

105

00:06:17,300 --> 00:06:14,490

number of times for some of his more you

106

00:06:21,550 --> 00:06:17,310

know some of his more recent books so

107

00:06:24,770 --> 00:06:21,560

yeah I'm really sad that that Brad is

108

00:06:28,880 --> 00:06:24,780

putting down his typewriter but you know

109

00:06:31,310 --> 00:06:28,890

I mean it's his contributions to this

110

00:06:33,770 --> 00:06:31,320

field over the years have been priceless

111

00:06:38,180 --> 00:06:33,780

and you know I don't know if anybody

112

00:06:41,720 --> 00:06:38,190

else is really going to to be able to

113

00:06:42,800 --> 00:06:41,730

match the just the fantastic work that

114

00:06:47,060 --> 00:06:42,810

he's been able to do

115

00:06:50,020 --> 00:06:47,070

I'll certainly agree with you but tonight

116

00:06:53,690 --> 00:06:50,030

we have on two interesting guests and

117

00:06:57,310 --> 00:06:53,700

certainly one of them is right up there

118

00:07:00,500 --> 00:06:57,320

as far as being a leader in writing on a

119

00:07:02,270 --> 00:07:00,510

parapsychology and the occult I'm not

120

00:07:03,680 --> 00:07:02,280

sure exactly how many books he has to

121

00:07:07,700 --> 00:07:03,690

catch up with the bra

122

00:07:10,190 --> 00:07:07,710

Brad's number there but she certainly is

123

00:07:12,980 --> 00:07:10,200

turning out some good quality material

124

00:07:15,800 --> 00:07:12,990

so Tim why don't you introduce our guest

125

00:07:18,020 --> 00:07:15,810

for this evening so we can contribute

126

00:07:20,810 --> 00:07:18,030

that continue our

127

00:07:23,750 --> 00:07:20,820

Roadtrip here all right well it'd be my

128

00:07:26,330 --> 00:07:23,760

pleasure Jim with us tonight is we've

129

00:07:29,330 --> 00:07:26,340

got as always two excellent guest we

130

00:07:33,080 --> 00:07:29,340

have rosemary ellen guiley who is making

131

00:07:35,240 --> 00:07:33,090

a return visit to exploring the bazaar

132

00:07:36,800 --> 00:07:35,250

now rosemary is one of the leading

133

00:07:39,100 --> 00:07:36,810

figures in the paranormal and

134

00:07:41,390 --> 00:07:39,110

metaphysical field author researcher

135

00:07:43,960 --> 00:07:41,400

investigator radio show host and

136

00:07:46,430 --> 00:07:43,970

publisher she's written more than 60

137

00:07:51,340 --> 00:07:46,440

non-fiction books on a wide range of

138

00:07:53,240 --> 00:07:51,350

topics including a series of

139

00:07:55,760 --> 00:07:53,250

authoritative single volume

140

00:07:58,640 --> 00:07:55,770

encyclopedias she is often the go-to

141

00:08:01,790 --> 00:07:58,650

person for explanations of unusual

142

00:08:03,500 --> 00:08:01,800

phenomena and event now rosemary is a

143

00:08:05,540 --> 00:08:03,510

board director and member of the

144

00:08:08,180 --> 00:08:05,550

Research Committee of the Edgar Mitchell

145

00:08:10,220 --> 00:08:08,190

foundation for research into

146

00:08:12,140 --> 00:08:10,230

extraterrestrial encounters and as a

147

00:08:14,320 --> 00:08:12,150

board director a book review editor for

148

00:08:16,580 --> 00:08:14,330

the Academy for spiritual and

149

00:08:18,280 --> 00:08:16,590

consciousness studies she's a founding

150

00:08:21,080 --> 00:08:18,290

member of the afterlife research and

151

00:08:23,510 --> 00:08:21,090

education Institute and a fellow of the

152

00:08:26,930 --> 00:08:23,520

International Institute for integral

153

00:08:29,750 --> 00:08:26,940

human sciences in Montreal rosemary

154

00:08:31,130 --> 00:08:29,760

makes numerous media appearances and

155

00:08:33,469 --> 00:08:31,140

lectures internationally and she's a

156

00:08:37,070 --> 00:08:33,479

frequent guest on coast-to-coast am with

157

00:08:40,490 --> 00:08:37,080

George Noory and AD now on exploring the

158

00:08:43,610 --> 00:08:40,500

bizarre and now with us as well is

159

00:08:45,890 --> 00:08:43,620

Michael Bryan's Michael is an author

160

00:08:48,440 --> 00:08:45,900

lecturer consultant and travel

161

00:08:50,810 --> 00:08:48,450

storyteller adventurer publisher of

162

00:08:54,350 --> 00:08:50,820

travel books and guides he earned his

163

00:08:58,580 --> 00:08:54,360

PhD in social psychology with a

164

00:09:01,640 --> 00:08:58,590

specialty in psychology all things

165

00:09:04,550 --> 00:09:01,650

travel as well as an MBA in at the

166

00:09:06,830 --> 00:09:04,560

University of Hawaii he has had a career

167

00:09:09,370 --> 00:09:06,840

for more than twenty years as a college

168

00:09:11,900 --> 00:09:09,380

professor in psychology and business

169

00:09:14,990 --> 00:09:11,910

teaching at a variety of universities in

170

00:09:17,690 --> 00:09:15,000

Hawaii as well as an overseas two-year

171

00:09:19,760 --> 00:09:17,700

stint teaching for the University of

172

00:09:22,310 --> 00:09:19,770

Maryland in Europe I didn't know there

173

00:09:26,980 --> 00:09:22,320

was a University of Maryland in Europe

174

00:09:29,810 --> 00:09:26,990

now Michaels Travel Guide series is

175

00:09:31,280 --> 00:09:29,820

called Michael Brian's travel guides to

176

00:09:33,610 --> 00:09:31,290

sight seen by pub

177

00:09:37,220 --> 00:09:33,620

transportation is a first-of-its-kind

178

00:09:40,400 --> 00:09:37,230

showing travelers how to cite see that

179

00:09:42,769 --> 00:09:40,410

top 50 visitor attractions in the

180

00:09:45,879 --> 00:09:42,779

world's most popular cities easily and

181

00:09:48,079 --> 00:09:45,889

cheaply by public transportation as well

182

00:09:51,170 --> 00:09:48,089

michael has been the state director for

183

00:09:54,019 --> 00:09:51,180

Hawaii and ambassador-at-large for MUFON

184

00:09:56,210 --> 00:09:54,029

the largest UFO organization in the

185

00:10:00,170 --> 00:09:56,220

United States with a significant

186

00:10:02,090 --> 00:10:00,180

worldwide presence as well now the the

187

00:10:04,999 --> 00:10:02,100

book that we are going to be discussing

188

00:10:07,220 --> 00:10:05,009

tonight among other things that rosemary

189

00:10:12,199 --> 00:10:07,230

and Michael has written is called the

190

00:10:14,269 --> 00:10:12,209

road to strange UFOs travel UFOs aliens

191

00:10:18,019 --> 00:10:14,279

and high strangeness which published by

192

00:10:19,460 --> 00:10:18,029

visionary living incorporated so Michael

193

00:10:21,889 --> 00:10:19,470

rosemary thank you very much for being

194

00:10:24,559 --> 00:10:21,899

with us tonight on exploring the bizarre

195

00:10:28,370 --> 00:10:24,569

welcome glad to be here always a

196

00:10:30,680 --> 00:10:28,380

pleasure well you know I I just the one

197

00:10:32,509 --> 00:10:30,690

thing that I say looking back at my

198

00:10:35,540 --> 00:10:32,519

career in my life that I would have

199

00:10:38,389 --> 00:10:35,550

liked to have dead Laura is traveling

200

00:10:41,600 --> 00:10:38,399

now I have you know I've been the killer

201
00:10:44,030 --> 00:10:41,610
and and throw but I I guess I would have

202
00:10:47,689 --> 00:10:44,040
liked to have spent less time behind the

203
00:10:49,550 --> 00:10:47,699
typewriter and and more on the on the

204
00:10:53,569 --> 00:10:49,560
road I mean I've been to all the popular

205
00:10:56,809 --> 00:10:53,579
places you know but the area 51 and I

206
00:10:59,930 --> 00:10:56,819
even spoke of course that the House of

207
00:11:04,460 --> 00:10:59,940
Lords on UFOs we were unofficial UFO a

208
00:11:07,059 --> 00:11:04,470
group and been to Loch Ness and you know

209
00:11:10,370 --> 00:11:07,069
so I've been around I've been to the

210
00:11:13,809 --> 00:11:10,380
paranormal hotspots but I'm sure that

211
00:11:18,050 --> 00:11:13,819
there are a heck of a lot more places to

212
00:11:21,280 --> 00:11:18,060
travel to so now Michael let's start out

213
00:11:25,519 --> 00:11:21,290

with you how did you get both the

214

00:11:29,240 --> 00:11:25,529

traveling bug and the paranormal bug

215

00:11:32,389 --> 00:11:29,250

well it's really interesting I was on a

216

00:11:35,059 --> 00:11:32,399

career path doing all the right things

217

00:11:39,470 --> 00:11:35,069

being brought up in the Big East Coast

218

00:11:41,120 --> 00:11:39,480

City Philadelphia working my way up as a

219

00:11:44,870 --> 00:11:41,130

top graduate student in the Department

220

00:11:46,880 --> 00:11:44,880

of Psychology at Temple University and

221

00:11:50,300 --> 00:11:46,890

on a path to becoming a clinical

222

00:11:53,780 --> 00:11:50,310

psychologist and just at the point when

223

00:11:56,500 --> 00:11:53,790

I finished my master's degree I was

224

00:11:59,210 --> 00:11:56,510

offered a four-year fully paid

225

00:12:02,000 --> 00:11:59,220

fellowship to do my PhD at Temple

226

00:12:03,500 --> 00:12:02,010

University in clinical psychology and I

227

00:12:06,590 --> 00:12:03,510

scratched my head and I thought to

228

00:12:10,420 --> 00:12:06,600

myself huh I don't know if I want to

229

00:12:13,430 --> 00:12:10,430

devote my whole life to to dealing with

230

00:12:15,170 --> 00:12:13,440

mental disorders and mental illness you

231

00:12:18,200 --> 00:12:15,180

know and I thought oh my god you know

232

00:12:20,390 --> 00:12:18,210

what what is an alternative to this so I

233

00:12:22,640 --> 00:12:20,400

picked up and I walked away from all

234

00:12:25,100 --> 00:12:22,650

that and decided I'll go to the

235

00:12:28,130 --> 00:12:25,110

University of Hawaii and study the

236

00:12:29,750 --> 00:12:28,140

psychology of travel first my parents

237

00:12:31,610 --> 00:12:29,760

wanted to put me in a mental institution

238

00:12:33,380 --> 00:12:31,620

right then and there

239

00:12:35,930 --> 00:12:33,390

how could you give up something like

240

00:12:36,920 --> 00:12:35,940

this but I did I was bitten by the

241

00:12:40,610 --> 00:12:36,930

travel bug

242

00:12:42,650 --> 00:12:40,620

I developed a curiosity about what

243

00:12:44,960 --> 00:12:42,660

travel was all about I wanted to do more

244

00:12:48,740 --> 00:12:44,970

of it and I thought I'd rather sit on

245

00:12:52,790 --> 00:12:48,750

the beach studying for my PhD exams than

246

00:12:55,730 --> 00:12:52,800

be running a mental health clinic in a

247

00:13:00,200 --> 00:12:55,740

big grey dismal city on the East Coast

248

00:13:02,030 --> 00:13:00,210

and and where I would have been I would

249

00:13:04,030 --> 00:13:02,040

have been right there behind you man in

250

00:13:07,640 --> 00:13:04,040

a Hawaiian shirt I'll tell you that that

251

00:13:09,470 --> 00:13:07,650

and my and my shorts that's that's for

252

00:13:14,600 --> 00:13:09,480

sure well I think you made you made a

253

00:13:20,050 --> 00:13:14,610

clever and a in a good decision so what

254

00:13:22,880 --> 00:13:20,060

was your first trip as far as the

255

00:13:26,300 --> 00:13:22,890

paranormal goes I mean how did you kind

256

00:13:28,640 --> 00:13:26,310

of coast into that well I you know I was

257

00:13:32,210 --> 00:13:28,650

I was always interested in it I was

258

00:13:35,630 --> 00:13:32,220

interested in the subject of UFOs and I

259

00:13:40,250 --> 00:13:35,640

discovered I was having a few paranormal

260

00:13:44,810 --> 00:13:40,260

kinds of experiences in my life and when

261

00:13:47,570 --> 00:13:44,820

I started doing my traveling I had

262

00:13:50,090 --> 00:13:47,580

probably a half a dozen for one of

263

00:13:52,580 --> 00:13:50,100

another term paranormal experiences in

264

00:13:53,870 --> 00:13:52,590

my own travels so I started to think

265

00:13:56,990 --> 00:13:53,880

maybe it has

266

00:13:59,870 --> 00:13:57,000

there's something about traveling that

267

00:14:03,260 --> 00:13:59,880

that makes you prone to to having

268

00:14:06,770 --> 00:14:03,270

experiences maybe your mind opens up a

269

00:14:09,950 --> 00:14:06,780

little bit more as travel seems to be

270

00:14:12,890 --> 00:14:09,960

you know and so I began interviewing

271

00:14:15,890 --> 00:14:12,900

people wherever I could find them I I

272

00:14:17,630 --> 00:14:15,900

would sit people down and start

273

00:14:19,160 --> 00:14:17,640

recording their experiences because I

274

00:14:21,650 --> 00:14:19,170

thought well the best way to really

275

00:14:23,690 --> 00:14:21,660

learn about what travel is all about is

276

00:14:24,380 --> 00:14:23,700

to ask people in addition to doing it

277

00:14:28,360 --> 00:14:24,390

myself

278

00:14:31,540 --> 00:14:28,370

and so some 1,800 to 2,000 people layer

279

00:14:34,880 --> 00:14:31,550

with hundreds of hours of recorded

280

00:14:36,020 --> 00:14:34,890

stories and then asking questions all

281

00:14:38,480 --> 00:14:36,030

the time well how did you feel about

282

00:14:39,950 --> 00:14:38,490

that what did you do next what would you

283

00:14:43,100 --> 00:14:39,960

have done to avoid that horrible

284

00:14:45,050 --> 00:14:43,110

situation all of a sudden I wound up

285

00:14:47,240 --> 00:14:45,060

years later with six or seven hundred

286

00:14:50,300 --> 00:14:47,250

hours of recorded interviews about

287

00:14:53,060 --> 00:14:50,310

travel and also paranormal events and

288

00:14:55,730 --> 00:14:53,070

also ufology because I was also having a

289

00:14:58,070 --> 00:14:55,740

parallel interest in ufology and I found

290

00:14:59,600 --> 00:14:58,080

myself going to conferences everywhere

291

00:15:04,040 --> 00:14:59,610

well there's so many there's so many

292

00:15:06,620 --> 00:15:04,050

questions that that you know so many

293

00:15:10,510 --> 00:15:06,630

directions ahead with this well was

294

00:15:14,930 --> 00:15:10,520

there any type of paranormal experience

295

00:15:18,500 --> 00:15:14,940

that kind of seemed to repeat itself and

296

00:15:20,900 --> 00:15:18,510

are there are there spots or areas of

297

00:15:23,390 --> 00:15:20,910

the world where you are more likely to

298

00:15:25,970 --> 00:15:23,400

have a paranormal experience if you're

299

00:15:32,150 --> 00:15:25,980

traveling well I think the answer is yes

300

00:15:37,520 --> 00:15:32,160

yes and yes I found for myself in

301

00:15:41,090 --> 00:15:37,530

particular that I've had a couple of

302

00:15:43,880 --> 00:15:41,100

kind of premonition Airy experiences in

303

00:15:46,010 --> 00:15:43,890

my travels for example I'll give you two

304

00:15:48,680 --> 00:15:46,020

really good cases and point both of

305

00:15:51,050 --> 00:15:48,690

these stories are in our first book

306

00:15:56,329 --> 00:15:51,060

rosemary and mine first book travel

307

00:16:00,290 --> 00:15:56,339

tells of the paranormal and beyond I was

308

00:16:02,000 --> 00:16:00,300

driving through the Italian Alps and it

309

00:16:03,860 --> 00:16:02,010

was a beautiful day and the mountains

310

00:16:06,920 --> 00:16:03,870

were just fantastic and there's just

311

00:16:10,930 --> 00:16:06,930

nothing like it as any of you know who's

312

00:16:14,620 --> 00:16:10,940

been to the Alps in Europe but then some

313

00:16:18,970 --> 00:16:14,630

I started to get a overwhelming feeling

314

00:16:22,510 --> 00:16:18,980

of dread and lo and behold as we came

315

00:16:26,290 --> 00:16:22,520

around a bend somewhere I suddenly in

316

00:16:28,840 --> 00:16:26,300

front of me unfolded what looked like an

317

00:16:32,290 --> 00:16:28,850

area of complete disaster Shell's of

318

00:16:34,600 --> 00:16:32,300

buildings carcasses of buildings and

319

00:16:36,460 --> 00:16:34,610

then I learned about a year earlier

320

00:16:39,210 --> 00:16:36,470

there had been a huge flood that

321

00:16:41,470 --> 00:16:39,220

overwhelmed a dam and it killed about

322

00:16:44,770 --> 00:16:41,480

something in the range of 2,000 or so

323

00:16:47,470 --> 00:16:44,780

people I was picking up on that prior to

324

00:16:50,020 --> 00:16:47,480

arriving to that scene whatever the

325

00:16:53,110 --> 00:16:50,030

energy was of that an incident number

326

00:16:56,830 --> 00:16:53,120

two which is equally kind of interesting

327

00:17:00,310 --> 00:16:56,840

I had I was researching my Travel Guide

328

00:17:02,770 --> 00:17:00,320

to Barcelona and in order to avoid the

329

00:17:04,510 --> 00:17:02,780

horrible traffic and difficulty finding

330

00:17:08,410 --> 00:17:04,520

a place to park I parked out in the

331

00:17:11,920 --> 00:17:08,420

suburbs of Barcelona along a busy street

332

00:17:14,140 --> 00:17:11,930

by beach I thought and goodness you know

333

00:17:16,870 --> 00:17:14,150

with good visibility by people not just

334

00:17:19,240 --> 00:17:16,880

isolated down an alley somewhere and I

335

00:17:22,510 --> 00:17:19,250

hopped on the Metro went downtown and

336

00:17:24,790 --> 00:17:22,520

did my research and I started back and

337

00:17:27,010 --> 00:17:24,800

again it was a nice day I had a great

338

00:17:29,560 --> 00:17:27,020

day accomplished a lot felt really good

339

00:17:32,760 --> 00:17:29,570

about it and then I started having this

340

00:17:36,130 --> 00:17:32,770

again this kind of overwhelming anxiety

341

00:17:39,520 --> 00:17:36,140

I don't know how else to put it and as I

342

00:17:42,880 --> 00:17:39,530

got closer and closer to the stop where

343

00:17:46,060 --> 00:17:42,890

else to get off I just really was so

344

00:17:48,730 --> 00:17:46,070

anxious I just couldn't understand what

345

00:17:50,980 --> 00:17:48,740

it was but I knew to pay attention to it

346

00:17:52,950 --> 00:17:50,990

and I got out and I started down the

347

00:17:55,990 --> 00:17:52,960

street to where my car was

348

00:17:59,200 --> 00:17:56,000

Volkswagen bus and all of a sudden I saw

349

00:18:01,780 --> 00:17:59,210

a broken glass on the street and my door

350

00:18:04,990 --> 00:18:01,790

was open to the bus and I thought oh my

351

00:18:07,630 --> 00:18:05,000

god that was it it was broken into but

352

00:18:09,640 --> 00:18:07,640

that's the bad news the good news was a

353

00:18:12,220 --> 00:18:09,650

Spanish couple that had been out there

354

00:18:14,890 --> 00:18:12,230

on the beach told me that they were

355

00:18:18,670 --> 00:18:14,900

going home to have lunch they heard my

356

00:18:21,060 --> 00:18:18,680

siren go off it lasted for a long time

357

00:18:24,159 --> 00:18:21,070

they took a look over there they saw

358

00:18:26,619 --> 00:18:24,169

people running from my van jumping

359

00:18:30,060 --> 00:18:26,629

in a car driving off well I had this

360

00:18:32,919 --> 00:18:30,070

fantastic alarm system that scared the

361

00:18:35,289 --> 00:18:32,929

whatever out of these guys they didn't

362

00:18:37,799 --> 00:18:35,299

take anything and they sped off but it

363

00:18:40,810 --> 00:18:37,809

was clear to me that I had anticipated

364

00:18:42,430 --> 00:18:40,820

something really horrible and it was

365

00:18:48,669 --> 00:18:42,440

like that experience in the Italian Alps

366

00:18:52,269 --> 00:18:48,679

and just traveling maybe predisposes you

367

00:18:54,759 --> 00:18:52,279

not only to experience you know beyond

368

00:18:58,720 --> 00:18:54,769

the pale all the wonderful things we

369

00:19:01,629 --> 00:18:58,730

want to learn and personally grow and

370

00:19:05,039 --> 00:19:01,639

develop ourselves with but but even at

371

00:19:09,039 --> 00:19:05,049

the level of basic security it kicks in

372

00:19:12,999 --> 00:19:09,049

since high end and so those are two

373

00:19:15,849 --> 00:19:13,009

examples okay and how about okay you

374

00:19:17,999 --> 00:19:15,859

know of all the other cases you say I do

375

00:19:20,499 --> 00:19:18,009

eighteen hundred or something like that

376

00:19:22,570 --> 00:19:20,509

it does there seem to be any kind of

377

00:19:25,259 --> 00:19:22,580

pattern I mean this kind of anxiety

378

00:19:29,049 --> 00:19:25,269

would that be a high up on the list of

379

00:19:30,999 --> 00:19:29,059

the type of people type of experiences

380

00:19:36,070 --> 00:19:31,009

that people would have and beyond that

381

00:19:39,399 --> 00:19:36,080

what else yeah I'm sure people often may

382

00:19:43,869 --> 00:19:39,409

refer to as intuitions so people have

383

00:19:45,580 --> 00:19:43,879

these feelings and intuitions about you

384

00:19:46,779 --> 00:19:45,590

know being careful what they're doing

385

00:19:48,909 --> 00:19:46,789

and where they're going and who they're

386

00:19:50,889 --> 00:19:48,919

talking to and so on and so forth but I

387

00:19:53,799 --> 00:19:50,899

felt that people's paranoia apparent

388

00:19:55,539 --> 00:19:53,809

paranormal experiences covered a lot of

389

00:19:58,349 --> 00:19:55,549

different things I I think for example

390

00:20:01,389 --> 00:19:58,359

we have a story in our book on

391

00:20:05,710 --> 00:20:01,399

paranormal experiences of a woman who

392

00:20:07,269 --> 00:20:05,720

traveled to Ireland and for all intent

393

00:20:11,919 --> 00:20:07,279

purposes it seemed like she was

394

00:20:14,769 --> 00:20:11,929

connecting conceivably with something

395

00:20:17,710 --> 00:20:14,779

about her being you know you want to

396

00:20:19,149 --> 00:20:17,720

call it maybe a past life as some people

397

00:20:24,129 --> 00:20:19,159

refer to these things but she has a

398

00:20:28,060 --> 00:20:24,139

special connection with entities spirits

399

00:20:31,749 --> 00:20:28,070

whatever you want to call them that seem

400

00:20:35,619 --> 00:20:31,759

to lure her to Ireland basically so that

401
00:20:38,260 --> 00:20:35,629
she could return and experience some of

402
00:20:40,900 --> 00:20:38,270
these really unusual events it's a place

403
00:20:43,750 --> 00:20:40,910
so everybody has a different expression

404
00:20:47,710 --> 00:20:43,760
of it some it's survival related and

405
00:20:51,400 --> 00:20:47,720
some it may be related to deeper levels

406
00:20:53,200 --> 00:20:51,410
of the personalities histories NASA yeah

407
00:20:56,830 --> 00:20:53,210
I like this woman though who who had

408
00:21:00,750 --> 00:20:56,840
went to to Ireland did she have an mean

409
00:21:04,240 --> 00:21:00,760
did she go there seeking this type of

410
00:21:06,460 --> 00:21:04,250
information or was it something that her

411
00:21:09,580 --> 00:21:06,470
out of the blue the travel experience

412
00:21:13,780 --> 00:21:09,590
kind of triggered the experience I think

413
00:21:18,160 --> 00:21:13,790

she was lured to Ireland I think people

414

00:21:22,830 --> 00:21:18,170

are in a sense of lured to places where

415

00:21:27,700 --> 00:21:22,840

they have connections somehow that

416

00:21:30,850 --> 00:21:27,710

directs them to some extent to to kind

417

00:21:33,610 --> 00:21:30,860

of fulfill a search for meaning and

418

00:21:35,620 --> 00:21:33,620

connection that leads them to having

419

00:21:37,840 --> 00:21:35,630

have some of these experiences in these

420

00:21:41,110 --> 00:21:37,850

places but then I talk to people that

421

00:21:44,560 --> 00:21:41,120

have gone to countries which they

422

00:21:47,380 --> 00:21:44,570

thought they had absolutely no prior

423

00:21:51,700 --> 00:21:47,390

history of our connection or ancestry

424

00:21:54,940 --> 00:21:51,710

and and yet experienced the the idea of

425

00:21:58,090 --> 00:21:54,950

connection with the people in culture

426
00:21:58,690 --> 00:21:58,100
and that country so it's it's a kind of

427
00:22:04,030 --> 00:21:58,700
triggered

428
00:22:06,310 --> 00:22:04,040
experience being in a certain locale

429
00:22:08,890 --> 00:22:06,320
well we know what we don't we have a

430
00:22:11,470 --> 00:22:08,900
court yeah what we have of course what

431
00:22:16,150 --> 00:22:11,480
we call you know window area is where

432
00:22:18,540 --> 00:22:16,160
the UFOs are seen more often or people

433
00:22:21,370 --> 00:22:18,550
are more likely to have paranormal

434
00:22:24,010 --> 00:22:21,380
experiences I mean did you find that in

435
00:22:28,270 --> 00:22:24,020
the the group of people that you spoke

436
00:22:30,490 --> 00:22:28,280
to who had no immediate connection to a

437
00:22:33,820 --> 00:22:30,500
particular place that there were certain

438
00:22:35,890 --> 00:22:33,830

spots maybe outside of the ones that

439

00:22:38,620 --> 00:22:35,900

I've mentioned where things were more

440

00:22:42,820 --> 00:22:38,630

likely to happen and not absolutely I

441

00:22:46,060 --> 00:22:42,830

think people had experiences in their

442

00:22:49,630 --> 00:22:46,070

travels was for totally unexpected and

443

00:22:50,630 --> 00:22:49,640

totally unanticipated but absolutely

444

00:22:54,380 --> 00:22:50,640

nope

445

00:22:58,370 --> 00:22:54,390

a ballad a paranormal experience that

446

00:23:02,930 --> 00:22:58,380

involved them directly and unequivocally

447

00:23:03,530 --> 00:23:02,940

and absolutely yes and yeah so would you

448

00:23:06,700 --> 00:23:03,540

would you

449

00:23:09,770 --> 00:23:06,710

Timm Timm before any particular location

450

00:23:12,410 --> 00:23:09,780

Tim before you ask the next question or

451
00:23:14,300 --> 00:23:12,420
Michael before you finish it we need to

452
00:23:15,800 --> 00:23:14,310
go to our bottom of the hour break so

453
00:23:17,720 --> 00:23:15,810
when we come back we'll continue this

454
00:23:20,180 --> 00:23:17,730
conversation and we'll bring rosemary

455
00:23:32,950 --> 00:23:20,190
into it on exploring the bazaars stay

456
00:23:35,530 --> 00:23:32,960
tuned now back to exploring the bazaars

457
00:23:38,660 --> 00:23:35,540
with two of the most electrifying

458
00:23:44,210 --> 00:23:38,670
researchers in the Paranoid your hosts

459
00:23:46,310 --> 00:23:44,220
Timothy Becca Lee panting Swit welcome

460
00:23:48,320 --> 00:23:46,320
back to exploring the bazaar and I want

461
00:23:50,360 --> 00:23:48,330
to encourage our listeners to let us

462
00:23:52,850 --> 00:23:50,370
know if you have any questions for our

463
00:23:55,610 --> 00:23:52,860

guests we'd love to hear from you we

464

00:23:58,490 --> 00:23:55,620

love to get your questions and you know

465

00:24:01,600 --> 00:23:58,500

our guests they love to answer them so

466

00:24:04,280 --> 00:24:01,610

please let us know let us hear from you

467

00:24:06,470 --> 00:24:04,290

so rosemary let's bring you into the

468

00:24:09,890 --> 00:24:06,480

conversation now thanks for being with

469

00:24:14,780 --> 00:24:09,900

us tonight on exploring the bazaar sure

470

00:24:17,120 --> 00:24:14,790

I want to ask you how did you how did

471

00:24:21,170 --> 00:24:17,130

you get involved with writing these two

472

00:24:24,290 --> 00:24:21,180

books with Michael well it goes back to

473

00:24:26,150 --> 00:24:24,300

a long association casual acquaintance

474

00:24:28,970 --> 00:24:26,160

that Michael and I had over the years

475

00:24:30,500 --> 00:24:28,980

through ufology running in each other at

476
00:24:35,120 --> 00:24:30,510
some of the conference's that he

477
00:24:39,740 --> 00:24:35,130
mentioned and you know that's we got

478
00:24:43,580 --> 00:24:39,750
acquainted that way and a few years ago

479
00:24:47,120 --> 00:24:43,590
I was visiting family out in Washington

480
00:24:49,910 --> 00:24:47,130
State and from the Seattle area and I

481
00:24:52,280 --> 00:24:49,920
put up a post on Facebook about being

482
00:24:54,230 --> 00:24:52,290
out in the Seattle area and Michael

483
00:24:56,210 --> 00:24:54,240
happened to see it and he said oh my

484
00:25:00,560 --> 00:24:56,220
gosh guess what I live on Bainbridge

485
00:25:02,780 --> 00:25:00,570
Island now and so we got together and

486
00:25:05,030 --> 00:25:02,790
in the course of conversation started

487
00:25:06,590 --> 00:25:05,040
talking about all these wonderful travel

488
00:25:09,770 --> 00:25:06,600

stories that he's collected over the

489

00:25:11,780 --> 00:25:09,780

years and that's what birthed this

490

00:25:15,700 --> 00:25:11,790

series that were doing called the road

491

00:25:18,410 --> 00:25:15,710

to strange and the second book now

492

00:25:20,810 --> 00:25:18,420

focuses on a different kind of travel

493

00:25:23,930 --> 00:25:20,820

it's travel into alternate realities

494

00:25:26,600 --> 00:25:23,940

because not everybody's physically on

495

00:25:29,090 --> 00:25:26,610

the road when they have their encounter

496

00:25:33,800 --> 00:25:29,100

with UFOs or aliens sometimes it's in

497

00:25:35,180 --> 00:25:33,810

their own backyard but it does touch on

498

00:25:37,010 --> 00:25:35,190

some of the things that Michael was

499

00:25:40,130 --> 00:25:37,020

mentioning in the first part of the show

500

00:25:43,070 --> 00:25:40,140

about the expansion of consciousness

501
00:25:46,400 --> 00:25:43,080
that happens when we're exposed to

502
00:25:48,620 --> 00:25:46,410
something different and new and the

503
00:25:50,180 --> 00:25:48,630
kinds of extraordinary experiences we

504
00:25:53,120 --> 00:25:50,190
have that in many cases are

505
00:25:55,460 --> 00:25:53,130
life-changing and people who never

506
00:25:57,770 --> 00:25:55,470
believed in the paranormal become

507
00:26:00,290 --> 00:25:57,780
believers because they encounter

508
00:26:02,750 --> 00:26:00,300
something they can't explain away the

509
00:26:05,240 --> 00:26:02,760
same thing happens with UFOs and aliens

510
00:26:07,040 --> 00:26:05,250
and some of those experiences that we

511
00:26:09,520 --> 00:26:07,050
have in the second book they're quite

512
00:26:11,630 --> 00:26:09,530
dramatic and people talk about their

513
00:26:15,440 --> 00:26:11,640

transformations both positive and

514

00:26:19,280 --> 00:26:15,450

negative you know that sometimes the

515

00:26:23,000 --> 00:26:19,290

experience changes life in kind of scary

516

00:26:26,840 --> 00:26:23,010

ways depending upon the nature of the

517

00:26:29,510 --> 00:26:26,850

experience and one of the things that we

518

00:26:32,060 --> 00:26:29,520

wanted to do in showcasing these stories

519

00:26:35,690 --> 00:26:32,070

they're all told first-person and then

520

00:26:37,910 --> 00:26:35,700

we supplement that with a commentary at

521

00:26:41,200 --> 00:26:37,920

the end of every story where we put the

522

00:26:45,260 --> 00:26:41,210

phenomena and the experiences into a

523

00:26:47,780 --> 00:26:45,270

context do these experiences fit other

524

00:26:50,210 --> 00:26:47,790

kinds of experiences what do they say

525

00:26:53,000 --> 00:26:50,220

about our interactions with the unknown

526
00:26:55,310 --> 00:26:53,010
and I think that's what really makes the

527
00:26:57,620 --> 00:26:55,320
books meaningful for the reader is it's

528
00:27:00,610 --> 00:26:57,630
not just a collection of stories it's a

529
00:27:03,620 --> 00:27:00,620
collection of really compelling stories

530
00:27:06,950 --> 00:27:03,630
but with something the reader can take

531
00:27:08,810 --> 00:27:06,960
away and maybe even apply to their own

532
00:27:13,040 --> 00:27:08,820
lives that's one of the things that's

533
00:27:14,360 --> 00:27:13,050
always fascinated me not only with the

534
00:27:15,799 --> 00:27:14,370
stories that

535
00:27:17,900 --> 00:27:15,809
you two have brought together in these

536
00:27:19,580 --> 00:27:17,910
books but you know other similar stories

537
00:27:22,580 --> 00:27:19,590
that I've heard through the years and

538
00:27:28,610 --> 00:27:22,590

you and you mentioned this rosemary is

539

00:27:31,460 --> 00:27:28,620

the the the the transformative effect

540

00:27:33,770 --> 00:27:31,470

that these experiences will have on a

541

00:27:36,200 --> 00:27:33,780

person and I'm happy I'm really glad

542

00:27:39,049 --> 00:27:36,210

that you brought up that sometimes it's

543

00:27:41,180 --> 00:27:39,059

not necessarily you know for the

544

00:27:43,600 --> 00:27:41,190

positive you know that some people come

545

00:27:46,490 --> 00:27:43,610

away with it

546

00:27:48,650 --> 00:27:46,500

definitely you know looking at life kind

547

00:27:50,960 --> 00:27:48,660

of out of the out of the side of their

548

00:27:52,669 --> 00:27:50,970

eyes but you know as you said there are

549

00:27:54,799 --> 00:27:52,679

a lot of people though they'll have

550

00:27:59,690 --> 00:27:54,809

these and and it just you know it opens

551
00:28:04,130 --> 00:27:59,700
up a whole new reality for them it

552
00:28:07,490 --> 00:28:04,140
certainly does and this this phenomena

553
00:28:09,110 --> 00:28:07,500
are around us all the time and many

554
00:28:11,210 --> 00:28:09,120
people can go through most of their

555
00:28:13,700 --> 00:28:11,220
lives without ever encountering anything

556
00:28:16,190 --> 00:28:13,710
extraordinary just depending upon their

557
00:28:20,419 --> 00:28:16,200
sensitivity you know some people have a

558
00:28:22,760 --> 00:28:20,429
natural-born sensitivity to these other

559
00:28:25,130 --> 00:28:22,770
realities and they might be more

560
00:28:26,900 --> 00:28:25,140
predisposed to have an experience if

561
00:28:31,310 --> 00:28:26,910
they're in the right place and under the

562
00:28:33,790 --> 00:28:31,320
right circumstances but nonetheless they

563
00:28:36,410 --> 00:28:33,800

they they can be real life changers and

564

00:28:39,620 --> 00:28:36,420

sometimes the experiences challenge

565

00:28:42,260 --> 00:28:39,630

people's worldviews how they explain the

566

00:28:45,049 --> 00:28:42,270

world culturally socially economically

567

00:28:47,630 --> 00:28:45,059

religiously and along comes an

568

00:28:50,210 --> 00:28:47,640

experience that just really upsets the

569

00:28:52,940 --> 00:28:50,220

apple cart and so then how do people

570

00:28:55,460 --> 00:28:52,950

integrate that well I think it's very

571

00:28:58,580 --> 00:28:55,470

helpful for experiencers to tell their

572

00:29:03,680 --> 00:28:58,590

stories because other people have

573

00:29:06,740 --> 00:29:03,690

similar experiences and when people find

574

00:29:09,430 --> 00:29:06,750

out that they're not alone that it

575

00:29:12,350 --> 00:29:09,440

wasn't their imagination you know they

576

00:29:14,419 --> 00:29:12,360

they're not crazy they're not delusional

577

00:29:17,330 --> 00:29:14,429

other people are having similar

578

00:29:19,310 --> 00:29:17,340

experiences and they have a context and

579

00:29:22,160 --> 00:29:19,320

a meaning I think that helps people

580

00:29:24,050 --> 00:29:22,170

integrate those experiences so the books

581

00:29:26,360 --> 00:29:24,060

really become they have kind of an

582

00:29:27,560 --> 00:29:26,370

educational teaching purpose to them as

583

00:29:31,100 --> 00:29:27,570

well as an entertainment

584

00:29:36,710 --> 00:29:31,110

aspect do you think these experiences

585

00:29:38,600 --> 00:29:36,720

are personal experiences or random

586

00:29:40,160 --> 00:29:38,610

events that this person just happened to

587

00:29:42,940 --> 00:29:40,170

be at the wrong place or the right place

588

00:29:45,800 --> 00:29:42,950

you know what they right or wrong time

589

00:29:48,920 --> 00:29:45,810

you know it seems to be a combination of

590

00:29:51,350 --> 00:29:48,930

both and it really comes to the fore in

591

00:29:55,700 --> 00:29:51,360

the second book on UFOs aliens on high

592

00:29:59,660 --> 00:29:55,710

strangeness where the Y me factor comes

593

00:30:01,970 --> 00:29:59,670

up over and over again people have these

594

00:30:06,550 --> 00:30:01,980

encounters with craft with lights with

595

00:30:10,070 --> 00:30:06,560

with beings and they feel intuitively

596

00:30:14,260 --> 00:30:10,080

that they were targeted in some way or

597

00:30:18,380 --> 00:30:14,270

they were noticed and then zeroed in on

598

00:30:20,540 --> 00:30:18,390

and that whatever intelligence was

599

00:30:25,160 --> 00:30:20,550

behind the experience which seemed to be

600

00:30:27,530 --> 00:30:25,170

superior to humans notice them and

601
00:30:29,930 --> 00:30:27,540
responded to them in some way and so

602
00:30:32,330 --> 00:30:29,940
it's like why me why wasn't it other

603
00:30:37,130 --> 00:30:32,340
people around me did I get singled out

604
00:30:38,840 --> 00:30:37,140
am i targeted in some way and for some

605
00:30:40,820 --> 00:30:38,850
people that can be very unsettling

606
00:30:45,560 --> 00:30:40,830
because then they start to feel very

607
00:30:47,030 --> 00:30:45,570
vulnerable my own feeling is that as I

608
00:30:49,330 --> 00:30:47,040
just mentioned that there are many

609
00:30:53,660 --> 00:30:49,340
individuals that have a natural-born

610
00:30:57,620 --> 00:30:53,670
openness or sensitivity to these

611
00:30:59,810 --> 00:30:57,630
alternate realities and they may be the

612
00:31:02,540 --> 00:30:59,820
more likely people to have a spontaneous

613
00:31:04,850 --> 00:31:02,550

experience if they're in the right place

614

00:31:06,380 --> 00:31:04,860

at the right time or depending upon your

615

00:31:09,970 --> 00:31:06,390

viewpoint the wrong place at the wrong

616

00:31:13,490 --> 00:31:09,980

time we have accounts in the book where

617

00:31:14,990 --> 00:31:13,500

people see something up in the sky and

618

00:31:17,870 --> 00:31:15,000

they can't even get other people around

619

00:31:21,020 --> 00:31:17,880

them to look up and if they do other

620

00:31:24,040 --> 00:31:21,030

people may or may not see the same thing

621

00:31:26,630 --> 00:31:24,050

it's a very uneven playing field and

622

00:31:28,730 --> 00:31:26,640

then you've got the ridicule factor

623

00:31:31,220 --> 00:31:28,740

where people talk about their

624

00:31:34,160 --> 00:31:31,230

experiences and especially in in the

625

00:31:35,889 --> 00:31:34,170

realm of UFOs and to a lesser extent the

626

00:31:39,789 --> 00:31:35,899

paranormal

627

00:31:41,979 --> 00:31:39,799

and experts say that they were

628

00:31:44,649 --> 00:31:41,989

hallucinating or mistaken there's some

629

00:31:48,310 --> 00:31:44,659

ridiculous explanation for it

630

00:31:51,099 --> 00:31:48,320

they're derided as country bumpkins or

631

00:31:54,599 --> 00:31:51,109

ignorant people even their own friends

632

00:31:57,070 --> 00:31:54,609

and family don't support many of the

633

00:32:01,409 --> 00:31:57,080

experiencer so it can be a very lonely

634

00:32:03,839 --> 00:32:01,419

experience sometimes oh we have the

635

00:32:08,459 --> 00:32:03,849

friends and families can be the worst

636

00:32:12,009 --> 00:32:08,469

when it comes to trying to talk about a

637

00:32:13,810 --> 00:32:12,019

situation like that I know that the

638

00:32:16,329 --> 00:32:13,820

people that have come to me over the

639

00:32:17,829 --> 00:32:16,339

years to talk about their unusual

640

00:32:19,209 --> 00:32:17,839

experiences they've got they've just

641

00:32:20,940 --> 00:32:19,219

gotten to the point where they've really

642

00:32:26,440 --> 00:32:20,950

this kind of almost just shut down

643

00:32:29,440 --> 00:32:26,450

because of just the ridicule and just

644

00:32:31,690 --> 00:32:29,450

the constant joking and ribbing and just

645

00:32:34,539 --> 00:32:31,700

got so sick and tired of it and there's

646

00:32:37,269 --> 00:32:34,549

like I said you know the family can be

647

00:32:40,149 --> 00:32:37,279

the worst when it comes to you know that

648

00:32:43,379 --> 00:32:40,159

kind of abuse so that that very

649

00:32:49,810 --> 00:32:43,389

isolation that you just mentioned then

650

00:32:53,109 --> 00:32:49,820

is very unsettling to a lot of people it

651
00:32:57,389 --> 00:32:53,119
can even cause some some problems

652
00:33:00,789 --> 00:32:57,399
emotional problems sleep problems

653
00:33:03,129 --> 00:33:00,799
anxiety problems people who have severe

654
00:33:05,190 --> 00:33:03,139
experiences even suffer some of the

655
00:33:12,249 --> 00:33:05,200
symptoms of post-traumatic stress

656
00:33:15,999 --> 00:33:12,259
send disorder and so finding a community

657
00:33:18,399 --> 00:33:16,009
of other experiences even just through a

658
00:33:22,149 --> 00:33:18,409
book where the other experiences are

659
00:33:25,690 --> 00:33:22,159
unknown to them can be very validating

660
00:33:27,999 --> 00:33:25,700
and reassuring and of course there are

661
00:33:31,629 --> 00:33:28,009
many support groups especially in

662
00:33:36,479 --> 00:33:31,639
ufology for people who've had market

663
00:33:40,029 --> 00:33:36,489

experiences but it's it's kind of a sad

664

00:33:42,519 --> 00:33:40,039

commentary on how we view how we as a

665

00:33:45,820 --> 00:33:42,529

society view these sorts of things

666

00:33:49,480 --> 00:33:45,830

because on one hand we've got a public

667

00:33:53,139 --> 00:33:49,490

clamor for proof let's have proof let's

668

00:33:55,899 --> 00:33:53,149

let's hear about these things we want to

669

00:33:59,230 --> 00:33:55,909

know and then when the evidence comes

670

00:34:03,399 --> 00:33:59,240

forward from the eyewitnesses they are

671

00:34:09,760 --> 00:34:03,409

immediately leaped upon and savaged and

672

00:34:13,960 --> 00:34:09,770

discredited so it's why why are we not

673

00:34:15,970 --> 00:34:13,970

collectively more open-minded about it

674

00:34:19,149 --> 00:34:15,980

and willing to give people the benefit

675

00:34:20,589 --> 00:34:19,159

of the doubt Michael has interviewed so

676
00:34:22,570 --> 00:34:20,599
many people over the years I've

677
00:34:23,129 --> 00:34:22,580
interviewed so many people over the

678
00:34:26,190 --> 00:34:23,139
years

679
00:34:29,470 --> 00:34:26,200
paranormal cryptids UFOs mystical

680
00:34:33,070 --> 00:34:29,480
experiences and they do fall into

681
00:34:35,379 --> 00:34:33,080
patterns that indicate that human beings

682
00:34:38,079 --> 00:34:35,389
are having a variety of extraordinary

683
00:34:40,690 --> 00:34:38,089
alternate reality experiences throughout

684
00:34:44,500 --> 00:34:40,700
history so what's going on here what are

685
00:34:47,560 --> 00:34:44,510
we interacting with it's real and how do

686
00:34:50,500 --> 00:34:47,570
we understand it and turn it to our

687
00:34:53,680 --> 00:34:50,510
benefit I think a lot of people are

688
00:34:57,670 --> 00:34:53,690

really afraid though to to try to

689

00:35:00,310 --> 00:34:57,680

understand this this sort of phenomena I

690

00:35:02,410 --> 00:35:00,320

mean most people they go through their

691

00:35:03,880 --> 00:35:02,420

lives asleep you know they get up in the

692

00:35:05,290 --> 00:35:03,890

morning they go to work they come home

693

00:35:06,579 --> 00:35:05,300

they watch television they go back to

694

00:35:10,839 --> 00:35:06,589

sleep do they do it all over again

695

00:35:14,730 --> 00:35:10,849

anything that takes them out of that

696

00:35:17,560 --> 00:35:14,740

routine is scary it frightens them and

697

00:35:19,270 --> 00:35:17,570

that animal instinct comes in you get

698

00:35:22,210 --> 00:35:19,280

scared of something you either run away

699

00:35:24,490 --> 00:35:22,220

for it from it or you attack it and I

700

00:35:26,589 --> 00:35:24,500

you know we see I see that you know time

701
00:35:30,480 --> 00:35:26,599
after time again when it comes to other

702
00:35:32,410 --> 00:35:30,490
people having these unusual experiences

703
00:35:34,060 --> 00:35:32,420
well that's very true

704
00:35:36,609 --> 00:35:34,070
you know that if you acknowledge the

705
00:35:40,210 --> 00:35:36,619
experience then you're forced to deal

706
00:35:42,820 --> 00:35:40,220
with it and that can be a troubling

707
00:35:47,070 --> 00:35:42,830
thing well for example we've got a story

708
00:35:49,720 --> 00:35:47,080
about five UFOs including a huge

709
00:35:52,510 --> 00:35:49,730
circular ship that appear over a

710
00:35:56,230 --> 00:35:52,520
farmhouse while a family is having

711
00:35:58,990 --> 00:35:56,240
dinner and there are a couple of

712
00:36:01,030 --> 00:35:59,000
brothers involved mother father a couple

713
00:36:02,370 --> 00:36:01,040

of sisters and one of the sisters has a

714

00:36:04,650 --> 00:36:02,380

baby

715

00:36:07,560 --> 00:36:04,660

and everybody rushes outside to look

716

00:36:08,880 --> 00:36:07,570

except the father who doesn't seem to

717

00:36:10,950 --> 00:36:08,890

want to deal with almost like he's

718

00:36:12,630 --> 00:36:10,960

clinging to his dinner table he's not

719

00:36:14,040 --> 00:36:12,640

going to go out and look and he mumbles

720

00:36:18,290 --> 00:36:14,050

something about all it's just government

721

00:36:21,240 --> 00:36:18,300

stuff but he is not going to go look and

722

00:36:23,430 --> 00:36:21,250

it's almost like well if I go look and I

723

00:36:25,710 --> 00:36:23,440

see something then I have to come to

724

00:36:28,500 --> 00:36:25,720

terms with it and if I just stay here

725

00:36:31,950 --> 00:36:28,510

and and hope that it goes away like an

726

00:36:33,840 --> 00:36:31,960

ostrich with its head in the sand then I

727

00:36:36,690 --> 00:36:33,850

don't have to confront something that

728

00:36:40,020 --> 00:36:36,700

might really upset me so now all the

729

00:36:42,390 --> 00:36:40,030

stories that the two to have collected

730

00:36:45,990 --> 00:36:42,400

in in these books and there's there's

731

00:36:50,420 --> 00:36:46,000

quite a few of them I know that you had

732

00:36:52,620 --> 00:36:50,430

to weed through hundreds of others too

733

00:36:54,810 --> 00:36:52,630

to get the ones that you actually got

734

00:36:58,350 --> 00:36:54,820

published now how did you go through

735

00:36:59,760 --> 00:36:58,360

that process of picking and choosing

736

00:37:03,270 --> 00:36:59,770

which ones you're gonna put in the book

737

00:37:09,990 --> 00:37:03,280

well for me reviewing a lot of Michael's

738

00:37:14,040 --> 00:37:10,000

stories some of it was well we we wanted

739

00:37:16,560 --> 00:37:14,050

to show certain kinds of experiences and

740

00:37:19,890 --> 00:37:16,570

so we do have the book divided into four

741

00:37:22,620 --> 00:37:19,900

segments and one is I know what I saw

742

00:37:28,070 --> 00:37:22,630

and this is a category of experiences

743

00:37:33,270 --> 00:37:28,080

where people have the irrefutable

744

00:37:35,220 --> 00:37:33,280

eyewitness event and they suffer that

745

00:37:37,740 --> 00:37:35,230

division and they're forced back into

746

00:37:41,000 --> 00:37:37,750

that mantra which has become famous and

747

00:37:45,030 --> 00:37:41,010

ufology now I know what I saw

748

00:37:47,070 --> 00:37:45,040

and then we have mystery lights and

749

00:37:49,830 --> 00:37:47,080

crafts in the sky which is a very common

750

00:37:51,680 --> 00:37:49,840

category of experiences and we wanted to

751
00:37:55,560 --> 00:37:51,690
demonstrate what that was like and how

752
00:37:57,510 --> 00:37:55,570
people encountered those and we have

753
00:38:00,300 --> 00:37:57,520
then encounters with aliens we have

754
00:38:03,810 --> 00:38:00,310
negative abductions a positive hybrid

755
00:38:06,450 --> 00:38:03,820
experience weird experiences we have one

756
00:38:08,250 --> 00:38:06,460
with some aliens who come down and they

757
00:38:11,670 --> 00:38:08,260
start eating grant they have a silver

758
00:38:14,040 --> 00:38:11,680
plate with them they pick up wads of

759
00:38:17,820 --> 00:38:14,050
grass and start eating grass

760
00:38:21,600 --> 00:38:17,830
and offer that to to the human that who

761
00:38:23,280 --> 00:38:21,610
encounters me I'm a little girl and so

762
00:38:26,670 --> 00:38:23,290
what are these encounters like and how

763
00:38:29,460 --> 00:38:26,680

are people changed by them and then we

764

00:38:33,030 --> 00:38:29,470

have the high strangeness aspect missing

765

00:38:37,880 --> 00:38:33,040

time portals some of the unusual

766

00:38:41,490 --> 00:38:37,890

phenomena that gets stirred up around so

767

00:38:46,170 --> 00:38:41,500

we have far more stories than we

768

00:38:48,660 --> 00:38:46,180

actually used of course and we wanted to

769

00:38:51,030 --> 00:38:48,670

pick representative cases that had good

770

00:38:55,860 --> 00:38:51,040

evidence to them or a lot of energy to

771

00:38:58,410 --> 00:38:55,870

them compelling stories and also stories

772

00:39:00,270 --> 00:38:58,420

that served as good springboards for the

773

00:39:03,180 --> 00:39:00,280

commentaries because one of the things

774

00:39:08,640 --> 00:39:03,190

that we did in the commentaries is we

775

00:39:10,920 --> 00:39:08,650

looked back into the literature of other

776

00:39:13,740 --> 00:39:10,930

similar cases we didn't want to just

777

00:39:16,830 --> 00:39:13,750

repeat cases that have been hashed over

778

00:39:22,080 --> 00:39:16,840

for decades but some of those cases are

779

00:39:24,930 --> 00:39:22,090

classic and the the new stories many of

780

00:39:27,060 --> 00:39:24,940

which are never before published there

781

00:39:29,550 --> 00:39:27,070

springboards to go back and look at

782

00:39:33,510 --> 00:39:29,560

those classic cases and see how they all

783

00:39:37,290 --> 00:39:33,520

tie in together so it was really a

784

00:39:38,670 --> 00:39:37,300

synergistic Mis mix of things and like

785

00:39:42,600 --> 00:39:38,680

any book you know it's an organic

786

00:39:45,570 --> 00:39:42,610

process and you know we toss material

787

00:39:48,120 --> 00:39:45,580

back and forth and it just comes

788

00:39:51,540 --> 00:39:48,130

together that way what are the things

789

00:39:54,240 --> 00:39:51,550

that that has always amazed me and you

790

00:39:56,400 --> 00:39:54,250

know you you you'll see this new book is

791

00:40:03,120 --> 00:39:56,410

you have these different categorizations

792

00:40:06,540 --> 00:40:03,130

is how similar these events are I mean

793

00:40:09,420 --> 00:40:06,550

they may be separated by decades maybe

794

00:40:12,330 --> 00:40:09,430

even centuries but it's almost like

795

00:40:14,400 --> 00:40:12,340

these these people will have this the

796

00:40:16,500 --> 00:40:14,410

very same experiences

797

00:40:18,810 --> 00:40:16,510

time and time again and then but then

798

00:40:21,120 --> 00:40:18,820

again you know you'll have a few you're

799

00:40:22,980 --> 00:40:21,130

like you said about the the creatures

800

00:40:24,720 --> 00:40:22,990

who have the silver plate so started

801
00:40:27,280 --> 00:40:24,730
eating the grass that's a new one to me

802
00:40:32,260 --> 00:40:27,290
that's that one's amazing

803
00:40:34,000 --> 00:40:32,270
yet so many of these are so similar I

804
00:40:35,620 --> 00:40:34,010
mean it's almost like they're working

805
00:40:39,700 --> 00:40:35,630
off of a template like you know a great

806
00:40:43,870 --> 00:40:39,710
cosmic template well there certainly is

807
00:40:48,640 --> 00:40:43,880
this weird trickster element to them the

808
00:40:50,200 --> 00:40:48,650
the bizarro nature about how nonsensical

809
00:40:52,120 --> 00:40:50,210
some of the aspects are and of course

810
00:40:53,050 --> 00:40:52,130
John keel talked about those sorts of

811
00:40:55,840 --> 00:40:53,060
things all the time

812
00:40:58,930 --> 00:40:55,850
but take the grass-eating aliens for

813
00:41:04,840 --> 00:40:58,940

example I mean it sounds so incongruous

814

00:41:06,850 --> 00:41:04,850

so illogical that a more skeptical

815

00:41:09,910 --> 00:41:06,860

person would just immediately write this

816

00:41:12,970 --> 00:41:09,920

off as some sort of daydream or made-up

817

00:41:15,490 --> 00:41:12,980

story or hoax or whatever but yet when

818

00:41:19,090 --> 00:41:15,500

you look at the context of other kinds

819

00:41:23,140 --> 00:41:19,100

of experiences take that fellow who I

820

00:41:25,210 --> 00:41:23,150

think his name was Simonton Kraft came

821

00:41:27,360 --> 00:41:25,220

down and beings came out and they were

822

00:41:29,740 --> 00:41:27,370

they had a jug with them and they

823

00:41:32,650 --> 00:41:29,750

indicated telepathically they wanted

824

00:41:34,780 --> 00:41:32,660

water so he gets them water and then

825

00:41:36,490 --> 00:41:34,790

when he approaches the craft and he's

826

00:41:40,720 --> 00:41:36,500

able to look into it he sees that

827

00:41:42,910 --> 00:41:40,730

there's this alien in front of a little

828

00:41:44,980 --> 00:41:42,920

gray guy in in front of what looks like

829

00:41:48,010 --> 00:41:44,990

a barbecue grill or something and he's

830

00:41:50,950 --> 00:41:48,020

he's making something look like pancakes

831

00:41:55,120 --> 00:41:50,960

and give him some pancakes and he eats

832

00:41:57,970 --> 00:41:55,130

one and you got a delivery Eagle River

833

00:42:04,090 --> 00:41:57,980

Wisconsin exactly

834

00:42:07,360 --> 00:42:04,100

so it's you know pancakes serving aliens

835

00:42:09,400 --> 00:42:07,370

grass eating aliens what sort of sense

836

00:42:12,370 --> 00:42:09,410

do we make out of that and the pancakes

837

00:42:14,380 --> 00:42:12,380

he did he was able to have one of them

838

00:42:17,590 --> 00:42:14,390

analyzed and it was said to have just

839

00:42:20,620 --> 00:42:17,600

natural earth ingredients in it he said

840

00:42:25,990 --> 00:42:20,630

it was kind of dry but nonetheless it

841

00:42:29,710 --> 00:42:26,000

came from an alien and it's these sorts

842

00:42:32,410 --> 00:42:29,720

of experiences that don't fit everyday

843

00:42:36,100 --> 00:42:32,420

logic that immediately then get

844

00:42:38,560 --> 00:42:36,110

discarded as weirdo flake oh off off the

845

00:42:40,810 --> 00:42:38,570

charts let's not even think about it

846

00:42:44,260 --> 00:42:40,820

material when in fact

847

00:42:46,840 --> 00:42:44,270

they these sorts of experiences are part

848

00:42:50,470 --> 00:42:46,850

of the core of experiences that people

849

00:42:54,040 --> 00:42:50,480

have in these alternate realities there

850

00:42:59,470 --> 00:42:54,050

are other rules you know earth rules do

851
00:43:01,780 --> 00:42:59,480
not apply yeah Joshua kuchen wrote an

852
00:43:04,840 --> 00:43:01,790
entire book about the the whole aspect

853
00:43:09,180 --> 00:43:04,850
of eating and drinking dealing with the

854
00:43:13,090 --> 00:43:09,190
the paranormal extraterrestrial alleged

855
00:43:14,680 --> 00:43:13,100
extraterrestrial visitations and you

856
00:43:19,090 --> 00:43:14,690
know and it seems to me that a lot of

857
00:43:21,550 --> 00:43:19,100
times some of the more bizarre stories

858
00:43:24,760 --> 00:43:21,560
have witnesses that who are the most

859
00:43:29,950 --> 00:43:24,770
earnest in their in their descriptions

860
00:43:32,410 --> 00:43:29,960
and you know in just the the final

861
00:43:34,000 --> 00:43:32,420
aspects of it you know those like hey it

862
00:43:35,470 --> 00:43:34,010
happened to me believe it you know

863
00:43:37,630 --> 00:43:35,480

believe it or not I'm not making any

864

00:43:41,590 --> 00:43:37,640

money off of this I've got no reason to

865

00:43:45,160 --> 00:43:41,600

lie there it is well rosemary did you

866

00:43:47,650 --> 00:43:45,170

find that anyone who had just gone on a

867

00:43:52,750 --> 00:43:47,660

normal vacation let's say to the Great

868

00:43:54,310 --> 00:43:52,760

Pyramid as an example I was wrapped up

869

00:43:56,080 --> 00:43:54,320

in the paranormal after that I mean

870

00:43:57,580 --> 00:43:56,090

something happened to him while they

871

00:44:00,370 --> 00:43:57,590

were there they weren't expecting or

872

00:44:03,400 --> 00:44:00,380

certainly had no particular interest of

873

00:44:05,020 --> 00:44:03,410

the subject that happens to people all

874

00:44:07,930 --> 00:44:05,030

the time they don't have to have any

875

00:44:12,070 --> 00:44:07,940

background in the paranormal or UFOs any

876

00:44:14,530 --> 00:44:12,080

interest some of our storytellers make

877

00:44:18,600 --> 00:44:14,540

the point that I never even believed in

878

00:44:22,270 --> 00:44:18,610

this stuff until I had experiences and

879

00:44:26,170 --> 00:44:22,280

in my view the spontaneous one that just

880

00:44:28,600 --> 00:44:26,180

kind of bursts upon you is the best kind

881

00:44:31,300 --> 00:44:28,610

of experience to have it's it's often

882

00:44:34,150 --> 00:44:31,310

quite profound it's highly energetic

883

00:44:35,890 --> 00:44:34,160

it's got a lot of transformative energy

884

00:44:38,770 --> 00:44:35,900

to it

885

00:44:41,740 --> 00:44:38,780

there are seekers who all who will

886

00:44:44,290 --> 00:44:41,750

always go out and they want experiences

887

00:44:46,270 --> 00:44:44,300

we have the UFO vigil people we have the

888

00:44:48,460 --> 00:44:46,280

paranormal investigators we have people

889

00:44:50,200 --> 00:44:48,470

who go to sacred sites and hope that

890

00:44:53,200 --> 00:44:50,210

they're going to contact spirits or the

891

00:44:54,819 --> 00:44:53,210

gods and they can often have very

892

00:44:57,400 --> 00:44:54,829

profound experiences

893

00:44:59,979 --> 00:44:57,410

but to me the most interesting ones are

894

00:45:04,719 --> 00:44:59,989

the ones that just pop out of the

895

00:45:07,269 --> 00:45:04,729

multiverse yeah yes idiot yeah it's the

896

00:45:10,929 --> 00:45:07,279

person being in a certain place in a

897

00:45:12,459 --> 00:45:10,939

certain state of consciousness and maybe

898

00:45:15,370 --> 00:45:12,469

they're ready for some sort of

899

00:45:19,199 --> 00:45:15,380

breakthrough like that and then the

900

00:45:23,380 --> 00:45:19,209

multiverse just delivers something

901
00:45:24,640 --> 00:45:23,390
extraordinary I think well I I found you

902
00:45:27,809 --> 00:45:24,650
know that of course I've been collecting

903
00:45:30,160 --> 00:45:27,819
all this you know material too I am

904
00:45:33,759 --> 00:45:30,170
centered on people who have just

905
00:45:35,019 --> 00:45:33,769
traveled related experiences but a lot

906
00:45:37,599 --> 00:45:35,029
of people have gotten off to a

907
00:45:39,729 --> 00:45:37,609
particular area like a hotspot and ended

908
00:45:42,429 --> 00:45:39,739
up seeing absolutely nothing at all

909
00:45:45,519 --> 00:45:42,439
yet people who were not predisposed to

910
00:45:48,309 --> 00:45:45,529
having an experience of a paranormal

911
00:45:51,069 --> 00:45:48,319
type would visit the there and they

912
00:45:52,839 --> 00:45:51,079
would suddenly find their lives that you

913
00:45:57,029 --> 00:45:52,849

know turned around by this I I remember

914

00:46:02,739 --> 00:45:57,039

there's a fella now deceased price bond

915

00:46:04,449 --> 00:46:02,749

he was a disc jockey here in New York he

916

00:46:07,089 --> 00:46:04,459

only played jazz and Frank Sinatra

917

00:46:10,539 --> 00:46:07,099

records but every once in a while he

918

00:46:12,969 --> 00:46:10,549

would do a public notice about one of

919

00:46:17,410 --> 00:46:12,979

our UFO meetings or something you know

920

00:46:20,109 --> 00:46:17,420

and he told me one time he was said he

921

00:46:22,390 --> 00:46:20,119

was going over to England I guess he

922

00:46:24,219 --> 00:46:22,400

knew I had some contacts there had been

923

00:46:26,380 --> 00:46:24,229

there and he said well I have some time

924

00:46:30,549 --> 00:46:26,390

to kill can you suggest something that I

925

00:46:32,620 --> 00:46:30,559

might do spend some time at and I I said

926

00:46:34,390 --> 00:46:32,630

well why don't you go visit Arthur shut

927

00:46:37,569 --> 00:46:34,400

up well now Arthur shuttle would was the

928

00:46:39,910 --> 00:46:37,579

editor of the warminster and journal

929

00:46:43,269 --> 00:46:39,920

which was the daily newspaper out of

930

00:46:46,299 --> 00:46:43,279

warminster UK where this town that had

931

00:46:48,189 --> 00:46:46,309

been besieged by the thing it's that

932

00:46:50,259 --> 00:46:48,199

Christmas day where a woman was walking

933

00:46:54,900 --> 00:46:50,269

off the church service and she heard

934

00:46:57,519 --> 00:46:54,910

this sound like a thousand bees you know

935

00:47:00,910 --> 00:46:57,529

buzzing an overhead and she was pushed

936

00:47:02,949 --> 00:47:00,920

to the sidewalk and it I have to

937

00:47:04,719 --> 00:47:02,959

interrupt you here because we are our

938

00:47:05,630 --> 00:47:04,729

top of the hour break we'll continue

939

00:47:07,789 --> 00:47:05,640

this

940

00:47:17,660 --> 00:47:07,799

in just a few minutes on exploring the

941

00:47:24,620 --> 00:47:22,170

explode the bazaars your e-ticket ride

942

00:47:27,900 --> 00:47:24,630

into the world of the paranormal

943

00:47:32,209 --> 00:47:27,910

strap yourself in as we traverse the

944

00:47:35,329 --> 00:47:32,219

universe exploring the unexplained UFO s

945

00:47:37,709 --> 00:47:35,339

ghosts Lost Worlds

946

00:47:41,579 --> 00:47:37,719

cryptozoology waters as well as other

947

00:47:45,959 --> 00:47:41,589

dimensions it's time to take back the

948

00:47:49,229 --> 00:47:45,969

night last night now your electrifying

949

00:47:55,439 --> 00:47:49,239

hosts of exploring the bizarre Timothy

950

00:47:58,109 --> 00:47:55,449

Begley and team sports welcome back to

951
00:47:59,969 --> 00:47:58,119
the second hour of exploring the bizarre

952
00:48:03,359 --> 00:47:59,979
I'm Tim Schwarz tonight we are talking

953
00:48:07,430 --> 00:48:03,369
with rosemary ellen guiley and Michael

954
00:48:18,150 --> 00:48:07,440
Bryan and Tim Beck Lee was talking about

955
00:48:21,089 --> 00:48:18,160
what was his name Bryce ba we're glad

956
00:48:23,400 --> 00:48:21,099
pretty sure story Tim all right well yes

957
00:48:26,039 --> 00:48:23,410
well okay so Bryce pon was a disc jockey

958
00:48:28,529 --> 00:48:26,049
out of a small station in Long Island

959
00:48:31,620 --> 00:48:28,539
and he had called me just before leaving

960
00:48:34,259 --> 00:48:31,630
to England but in no way if he might do

961
00:48:35,880 --> 00:48:34,269
something over there on his vacation the

962
00:48:39,029 --> 00:48:35,890
time after he'd finished doing some

963
00:48:43,620 --> 00:48:39,039

business and I suggested that he mosey

964

00:48:46,049 --> 00:48:43,630

on up and meet the fellow in the work

965

00:48:47,910 --> 00:48:46,059

the town of warminster buy the more

966

00:48:51,900 --> 00:48:47,920

Arthur shuttle would who had become a

967

00:48:56,039 --> 00:48:51,910

focal point of a lot of UFO activity he

968

00:48:58,559 --> 00:48:56,049

had sorted out as a skeptical journalist

969

00:49:02,189 --> 00:48:58,569

editor of the daily warming student

970

00:49:04,079 --> 00:49:02,199

journal and in a short period of time he

971

00:49:08,160 --> 00:49:04,089

realized that something indeed strange

972

00:49:11,130 --> 00:49:08,170

was going on in this town well Bryce as

973

00:49:13,680 --> 00:49:11,140

I say had a very little interest as far

974

00:49:15,689 --> 00:49:13,690

as I know in the in the paranormal he

975

00:49:17,759 --> 00:49:15,699

was busy playing Frank Sinatra in jazz

976

00:49:20,670 --> 00:49:17,769

records but he he went off to England

977

00:49:24,689 --> 00:49:20,680

and I found out later when he came back

978

00:49:27,739 --> 00:49:24,699

that he had a remarkable experience he

979

00:49:30,620 --> 00:49:27,749

had met with Arthur shuttle wood and

980

00:49:34,219 --> 00:49:30,630

some friends of ours are up

981

00:49:36,559 --> 00:49:34,229

and either cradle or start sill which

982

00:49:39,019 --> 00:49:36,569

was an area where people were going to

983

00:49:41,299 --> 00:49:39,029

have UFO sightings that are pretty much

984

00:49:43,279 --> 00:49:41,309

a nightly basis at one point and

985

00:49:45,739 --> 00:49:43,289

celebrities like David Bowie and the

986

00:49:50,120 --> 00:49:45,749

JAGMAN were coming there it was it was

987

00:49:53,239 --> 00:49:50,130

quite a hot spot a window area for the

988

00:49:56,779 --> 00:49:53,249

paranormal and we we had people whose

989

00:49:58,519 --> 00:49:56,789

watches had stopped who claimed that you

990

00:50:01,700 --> 00:49:58,529

know they were getting strange voices on

991

00:50:04,460 --> 00:50:01,710

the on the telephone pretty much like a

992

00:50:05,960 --> 00:50:04,470

John keel ran into in 20 Pleasant West

993

00:50:09,200 --> 00:50:05,970

Virginia with the appearance of the

994

00:50:11,779 --> 00:50:09,210

month anyway Bryce came back to New York

995

00:50:14,569 --> 00:50:11,789

a totally changed person it seems that

996

00:50:17,299 --> 00:50:14,579

he had wandered off into the field by

997

00:50:21,849 --> 00:50:17,309

himself he has seen some sort of

998

00:50:23,989 --> 00:50:21,859

flashing light he was taken on board a

999

00:50:26,539 --> 00:50:23,999

craft of some sort

1000

00:50:29,299 --> 00:50:26,549

there were several occupants on board

1001
00:50:32,450 --> 00:50:29,309
leadership they were very human in

1002
00:50:36,459 --> 00:50:32,460
appearance they were what we would call

1003
00:50:39,380 --> 00:50:36,469
a Nordic UFO a types I call them a soap

1004
00:50:41,509 --> 00:50:39,390
opera actors and actresses you know

1005
00:50:43,549 --> 00:50:41,519
people with chiseled faces and very

1006
00:50:49,390 --> 00:50:43,559
smooth complexion and just almost the

1007
00:50:52,370 --> 00:50:49,400
perfect human anyway he had this

1008
00:50:56,329 --> 00:50:52,380
experience and I was on board the craft

1009
00:50:59,839 --> 00:50:56,339
for an hour or so except that when he

1010
00:51:02,239 --> 00:50:59,849
came back to where the where Arthur

1011
00:51:04,880 --> 00:51:02,249
showed what his group was it turned out

1012
00:51:06,229 --> 00:51:04,890
that there had been a morbid time that

1013
00:51:08,719 --> 00:51:06,239

even though he thought he's only been

1014

00:51:10,400 --> 00:51:08,729

away from them from an hour it was like

1015

00:51:13,219 --> 00:51:10,410

three hours had passed or something like

1016

00:51:15,319 --> 00:51:13,229

that he returned from New York he gave

1017

00:51:17,599 --> 00:51:15,329

up his job he went into the station

1018

00:51:19,940 --> 00:51:17,609

manager and said that he didn't want to

1019

00:51:23,569 --> 00:51:19,950

play Frank Sinatra records anymore he

1020

00:51:28,370 --> 00:51:23,579

gave up his job and became a psychic

1021

00:51:31,249 --> 00:51:28,380

healer and a very successful lecturer on

1022

00:51:33,650 --> 00:51:31,259

the on the subject he wrote a book which

1023

00:51:36,499 --> 00:51:33,660

we published a couple of years ago

1024

00:51:39,829 --> 00:51:36,509

because I found this missing manuscript

1025

00:51:41,809 --> 00:51:39,839

it's UFOs keys to inner perfection so

1026
00:51:43,670 --> 00:51:41,819
here's a fellow who went off on a

1027
00:51:44,420 --> 00:51:43,680
business trip had some time to kill in

1028
00:51:46,549 --> 00:51:44,430
the UK

1029
00:51:49,430 --> 00:51:46,559
and ended up coming back a psychic a

1030
00:51:52,460 --> 00:51:49,440
healer and quitting his job and becoming

1031
00:51:54,789 --> 00:51:52,470
totally wrapped up in the paranormal

1032
00:51:59,150 --> 00:51:54,799
until he passed away about maybe a

1033
00:52:03,890 --> 00:51:59,160
decade ago so Michael you were saying

1034
00:52:07,760 --> 00:52:03,900
that you felt that the earth was a Grand

1035
00:52:09,650 --> 00:52:07,770
Central Station yeah you know when

1036
00:52:12,019 --> 00:52:09,660
rosemary and I were we're talking about

1037
00:52:14,180 --> 00:52:12,029
this book and organizing and thinking

1038
00:52:15,890 --> 00:52:14,190

about the perspectives that we would

1039

00:52:21,829 --> 00:52:15,900

cover

1040

00:52:25,430 --> 00:52:21,839

I had recalled you know studies that you

1041

00:52:28,089 --> 00:52:25,440

look at from MUFON and a pro Barris

1042

00:52:30,140 --> 00:52:28,099

organization statistics you know cold

1043

00:52:32,690 --> 00:52:30,150

statistics about okay what are the

1044

00:52:34,220 --> 00:52:32,700

shapes of objects that people report

1045

00:52:38,269 --> 00:52:34,230

they see and all that it's very

1046

00:52:40,930 --> 00:52:38,279

impersonal and kind of statistical but

1047

00:52:43,880 --> 00:52:40,940

when you're brought back down to the

1048

00:52:45,680 --> 00:52:43,890

interaction of people as experiencers

1049

00:52:48,740 --> 00:52:45,690

and they're telling you what they're

1050

00:52:52,700 --> 00:52:48,750

experiencing you know the statistics

1051
00:52:57,190 --> 00:52:52,710
kind of vaporized and and scatter and

1052
00:53:00,019 --> 00:52:57,200
and you're there with these very basic

1053
00:53:03,769 --> 00:53:00,029
experiences that people have had and I

1054
00:53:07,069 --> 00:53:03,779
came around to the feeling my god you

1055
00:53:09,920 --> 00:53:07,079
know if you just consider the variety of

1056
00:53:11,539 --> 00:53:09,930
what people have been telling us the

1057
00:53:16,039 --> 00:53:11,549
variety of experiences that they've had

1058
00:53:18,200 --> 00:53:16,049
it began to occur to me my god this

1059
00:53:20,260 --> 00:53:18,210
looks more like this the bar scene in

1060
00:53:23,299 --> 00:53:20,270
Star Wars where you had all these

1061
00:53:26,420 --> 00:53:23,309
characters beings of different shapes

1062
00:53:28,279 --> 00:53:26,430
and colors and sizes different

1063
00:53:31,789 --> 00:53:28,289

appendages and whatnot

1064

00:53:34,069 --> 00:53:31,799

so I was really beginning to think like

1065

00:53:36,890 --> 00:53:34,079

well there there certainly is some kind

1066

00:53:38,750 --> 00:53:36,900

of a presence from the multiverse and

1067

00:53:41,029 --> 00:53:38,760

I'm not going to say that there are all

1068

00:53:42,740 --> 00:53:41,039

space travelers but some of them could

1069

00:53:44,720 --> 00:53:42,750

be trying time travelers different

1070

00:53:46,640 --> 00:53:44,730

dimensions who knows what but there's a

1071

00:53:48,829 --> 00:53:46,650

lot of them and there's a lot of

1072

00:53:51,680 --> 00:53:48,839

different kinds even though there seems

1073

00:53:54,289 --> 00:53:51,690

to be some commonality of experiences

1074

00:53:57,680 --> 00:53:54,299

that are reported by people the variety

1075

00:53:57,950 --> 00:53:57,690

and scope of of these intelligences that

1076

00:54:02,180 --> 00:53:57,960

are

1077

00:54:04,010 --> 00:54:02,190

interacting with us is enormous and the

1078

00:54:06,470 --> 00:54:04,020

only thing I can think of this it

1079

00:54:09,260 --> 00:54:06,480

emulates the Grand Central Station and I

1080

00:54:11,210 --> 00:54:09,270

began to think well how do they all

1081

00:54:13,520 --> 00:54:11,220

interact with one another this is

1082

00:54:17,660 --> 00:54:13,530

something that's totally to use the

1083

00:54:20,060 --> 00:54:17,670

phrase alien to us but some of them are

1084

00:54:23,180 --> 00:54:20,070

probably way more advanced than others

1085

00:54:25,579 --> 00:54:23,190

and from different dimensions I just

1086

00:54:28,099 --> 00:54:25,589

wonder how they interact with one

1087

00:54:31,849 --> 00:54:28,109

another and do they actually do the up

1088

00:54:34,460 --> 00:54:31,859

planet Earth for different purposes that

1089

00:54:36,650 --> 00:54:34,470

kind of thinking that's where I kind of

1090

00:54:39,790 --> 00:54:36,660

come to from all this I often wondered

1091

00:54:44,900 --> 00:54:39,800

if there if there actually is any

1092

00:54:47,960 --> 00:54:44,910

interaction or whether or not the the

1093

00:54:52,609 --> 00:54:47,970

phenomena as we see it an experience it

1094

00:54:56,560 --> 00:54:52,619

is and it's it's it's difficult for me

1095

00:55:01,550 --> 00:54:56,570

to try to try to formulate this but so

1096

00:55:03,980 --> 00:55:01,560

separated that possibly they're not even

1097

00:55:06,380 --> 00:55:03,990

aware of all the other activity that's

1098

00:55:09,349 --> 00:55:06,390

going on maybe just even marginally

1099

00:55:11,810 --> 00:55:09,359

aware that that we're viewing them

1100

00:55:13,579 --> 00:55:11,820

because i've talked about this in the

1101

00:55:16,490 --> 00:55:13,589

show before you know a lot of people

1102

00:55:21,579 --> 00:55:16,500

that that have talked to me have said

1103

00:55:24,500 --> 00:55:21,589

that they will see you know say like a

1104

00:55:26,240 --> 00:55:24,510

creature or being of some kind just you

1105

00:55:30,250 --> 00:55:26,250

know like outside of their house and

1106

00:55:34,520 --> 00:55:30,260

when this thing notices that it's being

1107

00:55:37,280 --> 00:55:34,530

watched it act surprised like yeah yeah

1108

00:55:39,530 --> 00:55:37,290

yeah it's like it's it's it's not used

1109

00:55:43,310 --> 00:55:39,540

to somebody actually being you know

1110

00:55:45,859 --> 00:55:43,320

being able to see it and and gosh so

1111

00:55:47,120 --> 00:55:45,869

many people have told me before that you

1112

00:55:50,480 --> 00:55:47,130

know whatever it is that they're looking

1113

00:55:52,700 --> 00:55:50,490

at has a genuine look of surprise on its

1114

00:55:55,040 --> 00:55:52,710

face you know when it what it sees that

1115

00:55:59,060 --> 00:55:55,050

it's it's being looked at so I just I

1116

00:56:01,460 --> 00:55:59,070

just wonder you know just you know what

1117

00:56:07,760 --> 00:56:01,470

kind of interaction if any is actually

1118

00:56:09,310 --> 00:56:07,770

going on and that's and that's just it I

1119

00:56:11,960 --> 00:56:09,320

mean you know we've got all kinds of

1120

00:56:15,050 --> 00:56:11,970

questions but I don't really

1121

00:56:18,680 --> 00:56:15,060

- anymore I just don't think that we can

1122

00:56:23,500 --> 00:56:18,690

really expect any decent answers at

1123

00:56:29,570 --> 00:56:27,050

well even like I had it I had a question

1124

00:56:32,120 --> 00:56:29,580

here I was just reading something that

1125

00:56:37,940 --> 00:56:32,130

really fascinated me that you've

1126
00:56:42,050 --> 00:56:37,950
competed in a contest in 1985 where you

1127
00:56:47,290 --> 00:56:42,060
travel to all of 50 states it was a 50

1128
00:56:49,700 --> 00:56:47,300
state marathon on United Airlines yeah

1129
00:56:52,400 --> 00:56:49,710
you got to tell me about this I mean

1130
00:56:55,580 --> 00:56:52,410
this isn't probably too paranormal but

1131
00:56:58,520 --> 00:56:55,590
it it certainly is fascinating who came

1132
00:57:00,170 --> 00:56:58,530
up with that idea and how did you manage

1133
00:57:03,920 --> 00:57:00,180
to accomplish that I mean you obviously

1134
00:57:06,740 --> 00:57:03,930
can't go from Vermont I don't know if

1135
00:57:10,460 --> 00:57:06,750
that boggles the mind how the heck long

1136
00:57:13,930 --> 00:57:10,470
did that take well it took me 13 days of

1137
00:57:17,420 --> 00:57:13,940
flying if you can imagine that 13 days

1138
00:57:21,260 --> 00:57:17,430

United Airlines at that time began to

1139

00:57:23,150 --> 00:57:21,270

fly into all 50 US states so somebody

1140

00:57:27,080 --> 00:57:23,160

they're very clever came up with the

1141

00:57:29,750 --> 00:57:27,090

idea let's have a contest and if you

1142

00:57:33,050 --> 00:57:29,760

flew to all 50 states either landing in

1143

00:57:36,770 --> 00:57:33,060

or taking off from you would earn a

1144

00:57:39,470 --> 00:57:36,780

first-class pass for a year on United's

1145

00:57:43,010 --> 00:57:39,480

tested you might say did you take did

1146

00:57:47,360 --> 00:57:43,020

you say ticket I I did well ticket talk

1147

00:57:50,180 --> 00:57:47,370

about ticket it was a portfolio I found

1148

00:57:52,430 --> 00:57:50,190

this travel agency in San Francisco they

1149

00:57:55,940 --> 00:57:52,440

said we'll do it for you and so they

1150

00:57:58,840 --> 00:57:55,950

came up with this whole thing where for

1151
00:58:02,180 --> 00:57:58,850
example I landed in Jackson Mississippi

1152
00:58:04,880 --> 00:58:02,190
rented a car like at midnight and drove

1153
00:58:08,030 --> 00:58:04,890
to New Orleans just in time to catch the

1154
00:58:11,680 --> 00:58:08,040
flight out of New Orleans you know

1155
00:58:16,280 --> 00:58:11,690
barely missed it just - almost missed it

1156
00:58:18,740 --> 00:58:16,290
in 13 days is 13 days 13

1157
00:58:22,370 --> 00:58:18,750
I don't know Illi what I want to see

1158
00:58:25,380 --> 00:58:22,380
proof of that oh that's funny because I

1159
00:58:28,529 --> 00:58:25,390
sent out I ran out got

1160
00:58:33,210 --> 00:58:28,539
like 13 sets of 13 postcards in each

1161
00:58:35,910 --> 00:58:33,220
place I have pre labeled mailing labels

1162
00:58:37,979 --> 00:58:35,920
for these postcards and stamps and I

1163
00:58:41,069 --> 00:58:37,989

said you know the rubber stamp one there

1164

00:58:43,170 --> 00:58:41,079

and I said this is state number 39 and I

1165

00:58:45,779 --> 00:58:43,180

sent it to the marketing director of

1166

00:58:47,940 --> 00:58:45,789

United Airlines along with friends and

1167

00:58:51,150 --> 00:58:47,950

relatives cousins girlfriends whatever

1168

00:58:53,960 --> 00:58:51,160

and it's funny on the night that they

1169

00:58:57,390 --> 00:58:53,970

gave out the awards there were 78

1170

00:59:00,059 --> 00:58:57,400

winners I believe 78 people who

1171

00:59:02,130 --> 00:59:00,069

accomplished this and I was the first to

1172

00:59:05,220 --> 00:59:02,140

complete it because I did it faster than

1173

00:59:08,880 --> 00:59:05,230

anybody else and it cost me \$8,000 to do

1174

00:59:09,479 --> 00:59:08,890

I ran into somebody who like a New

1175

00:59:11,549 --> 00:59:09,489

Zealander

1176

00:59:14,400 --> 00:59:11,559

who bought a ticket a special promotion

1177

00:59:17,190 --> 00:59:14,410

for 300 bucks could fly unlimited on

1178

00:59:19,859 --> 00:59:17,200

United in the US for one month and he

1179

00:59:22,170 --> 00:59:19,869

did it for \$300 and other people spent a

1180

00:59:25,559 --> 00:59:22,180

lot more money businesspeople but anyway

1181

00:59:29,269 --> 00:59:25,569

so I don't think any but I don't think

1182

00:59:31,950 --> 00:59:29,279

anybody nobody would even do that today

1183

00:59:36,599 --> 00:59:31,960

you know you'd have to you'd have to do

1184

00:59:38,370 --> 00:59:36,609

it online or yourself well so so that so

1185

00:59:40,019 --> 00:59:38,380

the director of marketing was up there

1186

00:59:42,239 --> 00:59:40,029

and he was talking a little doubt a

1187

00:59:44,220 --> 00:59:42,249

little bit about each person someone

1188

00:59:46,589 --> 00:59:44,230

they said and then there was Michael

1189

00:59:48,749 --> 00:59:46,599

Bryan who sent me a postcard from every

1190

00:59:50,700 --> 00:59:48,759

state but you missed a couple of states

1191

00:59:52,920 --> 00:59:50,710

what happened how come I didn't get the

1192

00:59:56,370 --> 00:59:52,930

postcards you know it was just funny and

1193

00:59:59,519 --> 00:59:56,380

all that but yeah you know just good

1194

01:00:02,549 --> 00:59:59,529

just to go just to go from California to

1195

01:00:05,339 --> 01:00:02,559

Hawaii and back how do you I mean how do

1196

01:00:07,170 --> 01:00:05,349

you get like you have to land step on

1197

01:00:09,989 --> 01:00:07,180

the ground get back on a plane and come

1198

01:00:14,190 --> 01:00:09,999

back basically that's it I was I landed

1199

01:00:16,140 --> 01:00:14,200

in South Dakota and the flight was gonna

1200

01:00:17,999 --> 01:00:16,150

go to North Dakota and there was two

1201

01:00:20,339 --> 01:00:18,009

other guys sitting on the plane we all

1202

01:00:22,349 --> 01:00:20,349

looked each other and smiled because we

1203

01:00:26,130 --> 01:00:22,359

all knew we were getting that leg North

1204

01:00:27,870 --> 01:00:26,140

Dakota for the contest that's like well

1205

01:00:29,809 --> 01:00:27,880

the godswood certainly with you and

1206

01:00:33,539 --> 01:00:29,819

that's the trip I would have to say

1207

01:00:35,999 --> 01:00:33,549

after I won yes after I got the pass I

1208

01:00:39,030 --> 01:00:36,009

was living in Honolulu I would fly to

1209

01:00:42,600 --> 01:00:39,040

Maui by way of Los Angeles

1210

01:00:45,150 --> 01:00:42,610

Francisco why I I was in first class I

1211

01:00:48,180 --> 01:00:45,160

was having a great meal a movie some

1212

01:00:51,960 --> 01:00:48,190

drinks and then from Maui I flew back on

1213

01:00:53,250 --> 01:00:51,970

a dc-10 from Maui to Honolulu on United

1214

01:00:56,820 --> 01:00:53,260

sitting in first class

1215

01:00:58,860 --> 01:00:56,830

I just love traveling I love flying but

1216

01:01:01,350 --> 01:00:58,870

I went to all kinds of UFO conferences

1217

01:01:03,900 --> 01:01:01,360

during that year I landed in all kinds

1218

01:01:07,740 --> 01:01:03,910

of places went to conferences in Florida

1219

01:01:10,440 --> 01:01:07,750

and Michigan California all the major

1220

01:01:11,670 --> 01:01:10,450

conferences because I had that pass that

1221

01:01:16,020 --> 01:01:11,680

astral travel

1222

01:01:19,260 --> 01:01:16,030

Wow but well I I give you a credit to

1223

01:01:22,410 --> 01:01:19,270

that would you ever do that again in a

1224

01:01:24,810 --> 01:01:22,420

heartbeat I would I would all right all

1225

01:01:27,120 --> 01:01:24,820

right well say the curtain save the

1226

01:01:30,450 --> 01:01:27,130

first-class seat next year save me the

1227

01:01:31,890 --> 01:01:30,460

first-class seat next to you but I guess

1228

01:01:36,450 --> 01:01:31,900

you didn't have any time for any

1229

01:01:41,700 --> 01:01:36,460

paranormal experiences on that on that

1230

01:01:45,030 --> 01:01:41,710

one but have you ever spending my sigh

1231

01:01:47,640 --> 01:01:45,040

have you ever seen a UFO no I don't

1232

01:01:49,890 --> 01:01:47,650

think I have personally but I hadn't

1233

01:01:52,700 --> 01:01:49,900

experienced when I was like four or five

1234

01:01:56,490 --> 01:01:52,710

years old I remember I was in my crib

1235

01:01:58,920 --> 01:01:56,500

and I was crying for some reason and I

1236

01:02:01,650 --> 01:01:58,930

saw I looked out to my venetian blinds

1237

01:02:03,150 --> 01:02:01,660

in my window and I saw a green elf

1238

01:02:05,310 --> 01:02:03,160

looking creature come through the

1239

01:02:08,340 --> 01:02:05,320

venetian blinds and disappear into my

1240

01:02:09,990 --> 01:02:08,350

toy closet and whether I was

1241

01:02:12,300 --> 01:02:10,000

hallucinating because I had a fever

1242

01:02:15,000 --> 01:02:12,310

whether I really saw something I don't

1243

01:02:17,250 --> 01:02:15,010

know what it was but obviously it had

1244

01:02:19,320 --> 01:02:17,260

affected me the rest of my life it kind

1245

01:02:23,160 --> 01:02:19,330

of steered me in the direction being a

1246

01:02:25,080 --> 01:02:23,170

little more open to things I'm sure I

1247

01:02:27,150 --> 01:02:25,090

don't know what it was don't know you

1248

01:02:30,720 --> 01:02:27,160

you've acted you've acted as an

1249

01:02:33,780 --> 01:02:30,730

ambassador to four am you fund have you

1250

01:02:37,440 --> 01:02:33,790

investigated any of the hard core cases

1251
01:02:40,859 --> 01:02:37,450
that we know about or are cases that in

1252
01:02:44,140 --> 01:02:40,869
your mind really stand out well I was

1253
01:02:46,390 --> 01:02:44,150
as state director for MUFON for Hawaii I

1254
01:02:49,929 --> 01:02:46,400
got involved in a lot of investigation

1255
01:02:52,229 --> 01:02:49,939
of sightings and this and that and some

1256
01:02:55,870 --> 01:02:52,239
of the stories that appear in our book

1257
01:02:58,870 --> 01:02:55,880
came from my interviews of people that

1258
01:03:04,539 --> 01:02:58,880
had remarkable outstanding cases in

1259
01:03:07,650 --> 01:03:04,549
Hawaii no doubt well you know UFOs UFOs

1260
01:03:13,029 --> 01:03:07,660
of course are a part of the Hawaiians

1261
01:03:15,910 --> 01:03:13,039
shamanic past I've been on I guess it

1262
01:03:18,489 --> 01:03:15,920
was mysteries in the national parks and

1263
01:03:21,400 --> 01:03:18,499

it was a segment about UFOs in the

1264

01:03:28,089 --> 01:03:21,410

Hawaii letters seen coming out of the

1265

01:03:30,959 --> 01:03:28,099

volcano there yes on Maui is the scene

1266

01:03:33,489 --> 01:03:30,969

of many sightings why well the sky is

1267

01:03:35,410 --> 01:03:33,499

crystal clear late at night from the

1268

01:03:37,779 --> 01:03:35,420

altitude that you're in you have a huge

1269

01:03:39,579 --> 01:03:37,789

view of the sky and people do have

1270

01:03:42,789 --> 01:03:39,589

experiences and some of them may be

1271

01:03:45,989 --> 01:03:42,799

connected mystically to Maui and others

1272

01:03:48,640 --> 01:03:45,999

maybe that they simply have exposure to

1273

01:03:50,859 --> 01:03:48,650

more possibilities looking at the night

1274

01:03:52,900 --> 01:03:50,869

skies but I want to tell you I've had

1275

01:03:57,429 --> 01:03:52,910

cases for example and one of these is in

1276

01:03:59,259 --> 01:03:57,439

our book of a Harvard ph.d faculty

1277

01:04:02,349 --> 01:03:59,269

member at the University of Hawaii who

1278

01:04:05,259 --> 01:04:02,359

has his experience in Honolulu of seeing

1279

01:04:07,239 --> 01:04:05,269

a craft just go right over her head from

1280

01:04:07,839 --> 01:04:07,249

a golf course over the highway into the

1281

01:04:09,579 --> 01:04:07,849

mountains

1282

01:04:11,939 --> 01:04:09,589

he had a witness in the car with him

1283

01:04:16,599 --> 01:04:11,949

he's as credible as you can get and that

1284

01:04:19,059 --> 01:04:16,609

got him absolutely on a path to read

1285

01:04:21,489 --> 01:04:19,069

hundreds of books and come to meetings

1286

01:04:24,640 --> 01:04:21,499

and discussion groups and became a good

1287

01:04:26,439 --> 01:04:24,650

friend and shared his experiences there

1288

01:04:29,859 --> 01:04:26,449

are many people in Hawaii that have

1289

01:04:32,019 --> 01:04:29,869

regular UFO experiences like anybody

1290

01:04:34,329 --> 01:04:32,029

else elsewhere that are not necessarily

1291

01:04:37,539 --> 01:04:34,339

mystically oriented former flight

1292

01:04:39,130 --> 01:04:37,549

attendants like I said a PhD faculty

1293

01:04:43,359 --> 01:04:39,140

member University of Hawaii

1294

01:04:45,339 --> 01:04:43,369

people on boats offshore Hawaii seem to

1295

01:04:48,609 --> 01:04:45,349

be kind of a hotbed for sightings over

1296

01:04:50,979 --> 01:04:48,619

the years no doubt yeah it doesn't it

1297

01:04:54,040 --> 01:04:50,989

doesn't seem to get that much attention

1298

01:04:59,140 --> 01:04:54,050

in the in the media now

1299

01:05:02,920 --> 01:04:59,150

I remember there's a celebrity and maybe

1300

01:05:10,360 --> 01:05:02,930

you can remember him his his name he was

1301

01:05:12,490 --> 01:05:10,370

on hee haw Artie Johnson Oh laughing ok

1302

01:05:16,180 --> 01:05:12,500

well alright I got my program wrong but

1303

01:05:17,650 --> 01:05:16,190

but anyway he we used to speak I

1304

01:05:20,980 --> 01:05:17,660

remember when I was you know

1305

01:05:23,800 --> 01:05:20,990

interviewing people for the tabloids and

1306

01:05:26,410 --> 01:05:23,810

he had regular air sightings on on

1307

01:05:29,590 --> 01:05:26,420

Hawaii I mean but he didn't tie a man

1308

01:05:32,890 --> 01:05:29,600

with necessarily with a de planetary you

1309

01:05:37,390 --> 01:05:32,900

know hardships he saw them more in the

1310

01:05:39,490 --> 01:05:37,400

sense of a cultural phenomena but these

1311

01:05:42,160 --> 01:05:39,500

things were coming down they were

1312

01:05:44,080 --> 01:05:42,170

smaller than you know the mother ships

1313

01:05:47,440 --> 01:05:44,090

and Close Encounters but they were

1314

01:05:50,200 --> 01:05:47,450

coming down and actually uh lighting and

1315

01:05:52,210 --> 01:05:50,210

people's trees and landing on their ruse

1316

01:05:55,180 --> 01:05:52,220

and I think in a couple of occasions

1317

01:05:57,850 --> 01:05:55,190

coming down you know chimneys are threw

1318

01:06:00,340 --> 01:05:57,860

up in the windows and you know people

1319

01:06:02,110 --> 01:06:00,350

said oh it's it's a ball lightning or

1320

01:06:04,540 --> 01:06:02,120

something but it didn't act like ball

1321

01:06:08,850 --> 01:06:04,550

like me because as far as we know ball

1322

01:06:11,620 --> 01:06:08,860

act lightning you know is a short term

1323

01:06:13,330 --> 01:06:11,630

phenomena and and not like these objects

1324

01:06:17,110 --> 01:06:13,340

with it and some people would have

1325

01:06:19,180 --> 01:06:17,120

sightings on a regular basis and then of

1326

01:06:22,060 --> 01:06:19,190

course you have the story of the the

1327

01:06:23,980 --> 01:06:22,070

Menehune which I've written up and I

1328

01:06:25,780 --> 01:06:23,990

have a book than I did years ago and

1329

01:06:28,570 --> 01:06:25,790

then actually did very well selling to

1330

01:06:30,490 --> 01:06:28,580

the tourists right there Huna powers

1331

01:06:32,890 --> 01:06:30,500

it's still in print and we talked about

1332

01:06:34,770 --> 01:06:32,900

the Menehune and some funk believe that

1333

01:06:38,040 --> 01:06:34,780

they may be extraterrestrial these were

1334

01:06:41,200 --> 01:06:38,050

the little people that seemed to inhabit

1335

01:06:43,750 --> 01:06:41,210

the island there for a while and they

1336

01:06:46,540 --> 01:06:43,760

built their own roads and their own dams

1337

01:06:47,250 --> 01:06:46,550

and their own little places to live in

1338

01:06:52,450 --> 01:06:47,260

and so forth

1339

01:06:56,620 --> 01:06:52,460

have you heard of those stories you know

1340

01:06:59,410 --> 01:06:56,630

many Hawaiian mythical mythological

1341

01:07:03,310 --> 01:06:59,420

legend stuff but I didn't hear too much

1342

01:07:06,490 --> 01:07:03,320

of that connecting it with let's just

1343

01:07:08,020 --> 01:07:06,500

say UFO sightings that nature but but

1344

01:07:09,730 --> 01:07:08,030

but Hawaii is really

1345

01:07:13,720 --> 01:07:09,740

steeped in what you're saying these

1346

01:07:17,140 --> 01:07:13,730

legends and there are people who have

1347

01:07:20,290 --> 01:07:17,150

had paranormal events as well as like

1348

01:07:23,770 --> 01:07:20,300

you say you Falah djegal or other kinds

1349

01:07:26,470 --> 01:07:23,780

of phenomena no question about it Hawaii

1350

01:07:29,950 --> 01:07:26,480

does have that kind of mysticism from

1351

01:07:35,140 --> 01:07:29,960

the past but it really did have over the

1352

01:07:36,790 --> 01:07:35,150

years many people sighting objects UFOs

1353

01:07:39,640 --> 01:07:36,800

because I mean you're right out there in

1354

01:07:42,460 --> 01:07:39,650

the middle of the Pacific and and it's

1355

01:07:45,190 --> 01:07:42,470

the skies are just black other than just

1356

01:07:47,830 --> 01:07:45,200

the lights from Honolulu and and so the

1357

01:07:52,480 --> 01:07:47,840

opportunity to see and experience things

1358

01:07:54,790 --> 01:07:52,490

is probably better there than it is for

1359

01:07:58,840 --> 01:07:54,800

you know place is saturated with life

1360

01:08:03,160 --> 01:07:58,850

and people and you know busyness of

1361

01:08:05,260 --> 01:08:03,170

cities well you've got it seems like

1362

01:08:12,570 --> 01:08:05,270

you've got a lot more going on than just

1363

01:08:17,500 --> 01:08:12,580

delicious Kona coffee absolutely I would

1364

01:08:19,420 --> 01:08:17,510

well so I you were telling me before you

1365

01:08:23,320 --> 01:08:19,430

had some things you wanted asq rosemary

1366

01:08:26,740 --> 01:08:23,330

about travel well yeah we've only got

1367

01:08:29,920 --> 01:08:26,750

about two minutes before our bottom of

1368

01:08:32,740 --> 01:08:29,930

the hour break so we can't get too too

1369

01:08:35,079 --> 01:08:32,750

much into this but we'll start this and

1370

01:08:37,180 --> 01:08:35,089

then we'll continue it on into the next

1371

01:08:39,520 --> 01:08:37,190

segment after the breaks but rosemary I

1372

01:08:43,030 --> 01:08:39,530

mean I know that you have traveled

1373

01:08:46,320 --> 01:08:43,040

extensively you know in your life I mean

1374

01:08:51,370 --> 01:08:46,330

what about you I mean have have you had

1375

01:08:52,240 --> 01:08:51,380

any unusual experiences and when you go

1376

01:08:55,930 --> 01:08:52,250

on year walkabouts

1377

01:08:58,030 --> 01:08:55,940

I certainly have Tim and I haven't

1378

01:09:02,559 --> 01:08:58,040

travelled us extensively as Michael he

1379

01:09:06,160 --> 01:09:02,569

hit at least a hundred countries in his

1380

01:09:09,070 --> 01:09:06,170

travels but I've spent a great deal of

1381

01:09:12,670 --> 01:09:09,080

time in England in Europe Canada I've

1382

01:09:14,870 --> 01:09:12,680

been to Australia I've been to Asia and

1383

01:09:18,649 --> 01:09:14,880

Russia and

1384

01:09:21,859 --> 01:09:18,659

being interested in in these topics I am

1385

01:09:23,689 --> 01:09:21,869

a seeker so I often go looking for

1386

01:09:25,430 --> 01:09:23,699

experiences I wanted to go to places

1387

01:09:29,029 --> 01:09:25,440

that are haunted I want to go to sacred

1388

01:09:31,039 --> 01:09:29,039

sites and I prepped myself you know

1389

01:09:33,109 --> 01:09:31,049

hoping to have some kind of you know

1390

01:09:35,870 --> 01:09:33,119

extraordinary experience and many times

1391

01:09:37,789 --> 01:09:35,880

I do and sometimes I don't and it's true

1392

01:09:42,229 --> 01:09:37,799

that sometimes the harder you look for

1393

01:09:44,390 --> 01:09:42,239

it the more elusive it is but I've also

1394

01:09:46,390 --> 01:09:44,400

had experiences that just sort of burst

1395

01:09:49,700 --> 01:09:46,400

on you spontaneously

1396

01:09:52,309 --> 01:09:49,710

and sometimes those are the most

1397

01:09:55,520 --> 01:09:52,319

powerful and the most significant so I'd

1398

01:09:56,959 --> 01:09:55,530

be happy to share an example of that or

1399

01:10:00,520 --> 01:09:56,969

so when we come back from the break if

1400

01:10:02,810 --> 01:10:00,530

we're just about to to head out here oh

1401

01:10:05,990 --> 01:10:02,820

definitely definitely we'll definitely

1402

01:10:09,680 --> 01:10:06,000

pick this up when we come back and so

1403

01:10:13,520 --> 01:10:09,690

Tim it is time for our bottom of the

1404

01:10:15,910 --> 01:10:13,530

hour break so we'll go and take this and

1405

01:10:20,390 --> 01:10:15,920

when we come back we will continue our

1406

01:10:24,069 --> 01:10:20,400

conversation about strange travels with

1407

01:10:27,799 --> 01:10:24,079

Mike and rosemary so stay tuned for more

1408

01:10:37,290 --> 01:10:27,809

exploring the bizarre yeah I got my

1409

01:10:43,989 --> 01:10:41,410

now back to exploring the bazaar with

1410

01:10:47,290 --> 01:10:43,999

two of the most electrifying researchers

1411

01:10:53,439 --> 01:10:47,300

in the Paranoid your hosts Timothy Becca

1412

01:10:57,399 --> 01:10:53,449

Lee Anton Swartz Tim such a fun show

1413

01:10:59,529 --> 01:10:57,409

tonight I'm learning so much in I feel

1414

01:11:02,080 --> 01:10:59,539

like I feel like I'm floating up we

1415

01:11:06,609 --> 01:11:02,090

don't need no airplane to fly it I'm

1416

01:11:10,359 --> 01:11:06,619

floating on the air well before we had

1417

01:11:13,060 --> 01:11:10,369

to go to our break rosemary was going to

1418

01:11:16,959 --> 01:11:13,070

tell us some interesting stories on her

1419

01:11:19,899 --> 01:11:16,969

own so rosemary please continue I wanted

1420

01:11:23,649 --> 01:11:19,909

to share a spontaneous experience that I

1421

01:11:27,129 --> 01:11:23,659

had while traveling and I was a speaker

1422

01:11:28,779 --> 01:11:27,139

at a conference in Montreal this is the

1423

01:11:31,209 --> 01:11:28,789

integral Institute International

1424

01:11:34,810 --> 01:11:31,219

integral Institute for human sciences

1425

01:11:37,779 --> 01:11:34,820

and it's fairly big conference I was one

1426

01:11:39,339 --> 01:11:37,789

of the visiting faculty I'd never been

1427

01:11:40,330 --> 01:11:39,349

to Montreal before I was quite excited

1428

01:11:45,459 --> 01:11:40,340

about it

1429

01:11:48,160 --> 01:11:45,469

and the whole experience started when I

1430

01:11:52,209 --> 01:11:48,170

ran into PMH Atwater in the ladies room

1431

01:11:54,009 --> 01:11:52,219

on the sunday of the weekend and PMH

1432

01:11:56,680 --> 01:11:54,019

Atwater is an internationally known

1433

01:11:58,660 --> 01:11:56,690

expert on near-death experience and she

1434

01:12:02,979 --> 01:11:58,670

said hey how'd you like to play hooky

1435

01:12:04,989 --> 01:12:02,989

today and go see the black coffin and I

1436

01:12:08,169 --> 01:12:04,999

had no idea I'd never heard of the black

1437

01:12:10,299 --> 01:12:08,179

coffin but when she explained to me what

1438

01:12:12,700 --> 01:12:10,309

it was and why it was significant I was

1439

01:12:15,759 --> 01:12:12,710

intrigued and so I said sure you know I

1440

01:12:17,410 --> 01:12:15,769

was up for an adventure now I had always

1441

01:12:18,759 --> 01:12:17,420

been interested in the literature of the

1442

01:12:21,759 --> 01:12:18,769

saints in fact I've done an

1443

01:12:26,080 --> 01:12:21,769

encyclopaedia on the Saints and their

1444

01:12:28,180 --> 01:12:26,090

relics and miracles but the short of it

1445

01:12:32,109 --> 01:12:28,190

is that the black coffin is of black

1446

01:12:34,750 --> 01:12:32,119

marble coffin where an individual named

1447

01:12:37,810 --> 01:12:34,760

frere Andre buther brother Andre is

1448

01:12:42,189 --> 01:12:37,820

buried and this huge oratory dedicated

1449

01:12:44,679 --> 01:12:42,199

to his patron saint st. Joseph

1450

01:12:48,040 --> 01:12:44,689

millions of pilgrims from around the

1451

01:12:50,770 --> 01:12:48,050

world come to the Oratory to pray for

1452

01:12:55,750 --> 01:12:50,780

healing because frere andre was a healer

1453

01:12:58,060 --> 01:12:55,760

and the walls are covered with crutches

1454

01:13:00,069 --> 01:12:58,070

and canes and things that people have

1455

01:13:01,779 --> 01:13:00,079

had spontaneous healings and they've

1456

01:13:05,709 --> 01:13:01,789

been able to abandon them on the spot

1457

01:13:09,489 --> 01:13:05,719

and for andre is is buried there and

1458

01:13:12,580 --> 01:13:09,499

this huge black coffin and people come

1459

01:13:14,529 --> 01:13:12,590

and pray at the coffin for healing now i

1460

01:13:17,529 --> 01:13:14,539

didn't know anything about frere andre

1461

01:13:19,120 --> 01:13:17,539

had never been to the Oratory but it

1462

01:13:22,929 --> 01:13:19,130

sounded like an interesting experience

1463

01:13:25,779 --> 01:13:22,939

so several of us tripped off and joined

1464

01:13:28,060 --> 01:13:25,789

a huge throng of pilgrims who were

1465

01:13:32,379 --> 01:13:28,070

coming there on Sunday for a healing and

1466

01:13:34,390 --> 01:13:32,389

a line snaked quite a ways out people

1467

01:13:37,569 --> 01:13:34,400

waiting to come and touch the coffin

1468

01:13:39,129 --> 01:13:37,579

so as PMH Atwater explained to me she

1469

01:13:40,959 --> 01:13:39,139

said you can pray for anything at the

1470

01:13:44,169 --> 01:13:40,969

coffin people usually touch it and ask

1471

01:13:45,759 --> 01:13:44,179

for Andre to intercede for them and in

1472

01:13:49,209 --> 01:13:45,769

some way and it's usually for a healing

1473

01:13:51,850 --> 01:13:49,219

purpose so I had no healing purpose that

1474

01:13:55,409 --> 01:13:51,860

I needed but when I got up to the coffin

1475

01:14:01,209 --> 01:13:55,419

I placed my hands on it and I was

1476

01:14:03,129 --> 01:14:01,219

immediately swept up into this energy

1477

01:14:06,669 --> 01:14:03,139

that I can only describe as a mystical

1478

01:14:09,069 --> 01:14:06,679

experience and very similar to what the

1479

01:14:12,069 --> 01:14:09,079

Saints described as raptures where they

1480

01:14:15,239 --> 01:14:12,079

feel they are swept up by a fiery energy

1481

01:14:19,479 --> 01:14:15,249

and it was a fiery energy I felt like

1482

01:14:22,060 --> 01:14:19,489

divine fire was I was surrounded by it

1483

01:14:27,009 --> 01:14:22,070

and permeated by it and I was pulled up

1484

01:14:32,709 --> 01:14:27,019

into this divine presence and this fiery

1485

01:14:35,620 --> 01:14:32,719

energy was like peeling away layers of

1486

01:14:37,750 --> 01:14:35,630

junk energetic junk that I didn't need

1487

01:14:43,779 --> 01:14:37,760

anymore it really was an energetic

1488

01:14:46,989 --> 01:14:43,789

healing and I felt I felt that I was in

1489

01:14:48,969 --> 01:14:46,999

the presence of something supreme and

1490

01:14:51,580 --> 01:14:48,979

transcendent and divine that I couldn't

1491

01:14:55,420 --> 01:14:51,590

even put words on to

1492

01:15:00,040 --> 01:14:55,430

and it shook me to the the core of my

1493

01:15:02,980 --> 01:15:00,050

being and I don't know how long I stood

1494

01:15:05,170 --> 01:15:02,990

there at the at the coffin there was

1495

01:15:07,240 --> 01:15:05,180

such a press of people behind me many

1496

01:15:11,920 --> 01:15:07,250

many other pilgrims who wanted their

1497

01:15:15,630 --> 01:15:11,930

turn to touch the coffin and so I moved

1498

01:15:18,850 --> 01:15:15,640

off then and I was literally in tears

1499

01:15:22,840 --> 01:15:18,860

and I went into a little nearby chapel

1500

01:15:26,200 --> 01:15:22,850

and just sat and shook and cried and and

1501

01:15:29,740 --> 01:15:26,210

prayed at what I had experienced it was

1502

01:15:32,380 --> 01:15:29,750

so unexpected and I didn't feel that I

1503

01:15:34,870 --> 01:15:32,390

had been like anointed appointed

1504

01:15:39,550 --> 01:15:34,880

purified or whatever but something had

1505

01:15:41,710 --> 01:15:39,560

peeled off of me in this divine fire and

1506

01:15:42,460 --> 01:15:41,720

it was through the intercession of frere

1507

01:15:46,090 --> 01:15:42,470

Andre

1508

01:15:48,160 --> 01:15:46,100

well this stimulated me to look into the

1509

01:15:50,500 --> 01:15:48,170

background of Prayer Andre and I wound

1510

01:15:53,650 --> 01:15:50,510

up putting him in the encyclopedia even

1511

01:15:57,370 --> 01:15:53,660

though he's never even made it to he's

1512

01:16:00,310 --> 01:15:57,380

not beatified he's not canonized and in

1513

01:16:02,350 --> 01:16:00,320

fact he was not well regarded by his own

1514

01:16:05,830 --> 01:16:02,360

order the congregation of the Holy Cross

1515

01:16:08,470 --> 01:16:05,840

he was an uneducated man who wanted to

1516

01:16:11,140 --> 01:16:08,480

dedicate himself to the service of the

1517

01:16:13,870 --> 01:16:11,150

church and he had to beg his way into

1518

01:16:16,540 --> 01:16:13,880

this congregation of the Holy Cross and

1519

01:16:18,520 --> 01:16:16,550

they finally took pity on him and said

1520

01:16:23,110 --> 01:16:18,530

well he could be a doorkeeper that was

1521

01:16:26,320 --> 01:16:23,120

his job but prayer Andre had an unusual

1522

01:16:30,730 --> 01:16:26,330

healing ability and this was discovered

1523

01:16:32,710 --> 01:16:30,740

by people and he could lay hands on

1524

01:16:36,790 --> 01:16:32,720

people and heal them he could heal them

1525

01:16:39,520 --> 01:16:36,800

by word very much in the style of Jesus

1526

01:16:41,700 --> 01:16:39,530

and it was quite profound and so pretty

1527

01:16:44,020 --> 01:16:41,710

soon he was going out into the community

1528

01:16:46,540 --> 01:16:44,030

off-hours when he wasn't working and he

1529

01:16:48,580 --> 01:16:46,550

was ministering to people well sadly

1530

01:16:50,410 --> 01:16:48,590

this did not sit well with the

1531

01:16:52,540 --> 01:16:50,420

authorities of the congregation because

1532

01:16:54,280 --> 01:16:52,550

who was this lowly doorkeeper going out

1533

01:16:57,250 --> 01:16:54,290

and healing people you know he wasn't

1534

01:17:01,200 --> 01:16:57,260

even you know sanctioned to do this by

1535

01:17:05,310 --> 01:17:01,210

the congregation or the church but

1536

01:17:09,379 --> 01:17:05,320

popularity won out he a

1537

01:17:12,180 --> 01:17:09,389

acquired such a following that the

1538

01:17:15,689 --> 01:17:12,190

congregation could no longer ignore this

1539

01:17:18,510 --> 01:17:15,699

and so they started giving him greater

1540

01:17:21,959 --> 01:17:18,520

status and latitude and he wound up

1541

01:17:24,959 --> 01:17:21,969

convincing the order and the Catholic

1542

01:17:27,089 --> 01:17:24,969

institution the Catholic Church to build

1543

01:17:29,790 --> 01:17:27,099

this oratory he said his healing power

1544

01:17:32,850 --> 01:17:29,800

came from his patron saint st. Joseph

1545

01:17:35,459 --> 01:17:32,860

the father of Jesus and he convinced

1546

01:17:39,899 --> 01:17:35,469

them to build this very impressive

1547

01:17:43,830 --> 01:17:39,909

oratory in Montreal and so that's the

1548

01:17:47,040 --> 01:17:43,840

place that's there and it was just out

1549

01:17:50,250 --> 01:17:47,050

of the blue something I wasn't looking

1550

01:17:51,959 --> 01:17:50,260

for wasn't expecting never thought

1551

01:17:54,990 --> 01:17:51,969

something like that would happen to me

1552

01:17:56,220 --> 01:17:55,000

and yet I seem to be in the right place

1553

01:18:00,300 --> 01:17:56,230

at the right time

1554

01:18:02,160 --> 01:18:00,310

now I was active on the visiting faculty

1555

01:18:03,870 --> 01:18:02,170

for the Institute for a number of years

1556

01:18:06,270 --> 01:18:03,880

and so I made other trips back to

1557

01:18:09,930 --> 01:18:06,280

Montreal to teach at the conference's

1558

01:18:12,569 --> 01:18:09,940

and every time I went I always went to

1559

01:18:15,140 --> 01:18:12,579

the oratory and I would touch the black

1560

01:18:18,930 --> 01:18:15,150

coffin and I would pray in the chapel

1561

01:18:21,060 --> 01:18:18,940

and I never had another experience like

1562

01:18:23,729 --> 01:18:21,070

that and that's the way it is with

1563

01:18:26,399 --> 01:18:23,739

mystical experiences they do not repeat

1564

01:18:28,109 --> 01:18:26,409

you get what you need from it and then

1565

01:18:30,030 --> 01:18:28,119

maybe you have other experiences that

1566

01:18:33,270 --> 01:18:30,040

are significant but you're not going to

1567

01:18:35,580 --> 01:18:33,280

get the same experience again that's

1568

01:18:37,080 --> 01:18:35,590

really that's that's fascinating that

1569

01:18:39,959 --> 01:18:37,090

you know you would have the one

1570

01:18:46,229 --> 01:18:39,969

experience like you said and then never

1571

01:18:50,100 --> 01:18:46,239

again does that happen with other people

1572

01:18:54,569 --> 01:18:50,110

that they will have one epiphany so to

1573

01:18:56,459 --> 01:18:54,579

speak and then that's it well it does

1574

01:18:59,310 --> 01:18:56,469

and you know like I said maybe they go

1575

01:19:02,760 --> 01:18:59,320

and they have other experiences that are

1576

01:19:05,220 --> 01:19:02,770

meaningful in extraordinary ways but I

1577

01:19:07,379 --> 01:19:05,230

did a book on miracles in fact they did

1578

01:19:09,089 --> 01:19:07,389

a couple of books on miracles develop

1579

01:19:11,100 --> 01:19:09,099

your miracle mind consciousness in a

1580

01:19:13,100 --> 01:19:11,110

pocket full of miracles and I

1581

01:19:15,600 --> 01:19:13,110

interviewed a lot of people about their

1582

01:19:18,089 --> 01:19:15,610

miraculous and transcendent and mystical

1583

01:19:19,050 --> 01:19:18,099

experiences same thing they would

1584

01:19:22,920 --> 01:19:19,060

describe the

1585

01:19:25,290 --> 01:19:22,930

spontaneous experiences that were so

1586

01:19:27,090 --> 01:19:25,300

wonderful so rapturous and they would

1587

01:19:29,610 --> 01:19:27,100

want to have them again and try and

1588

01:19:31,950 --> 01:19:29,620

recreate the circumstances for it and it

1589

01:19:34,320 --> 01:19:31,960

just wouldn't happen but when you have

1590

01:19:36,900 --> 01:19:34,330

experiences like this any sort of

1591

01:19:41,100 --> 01:19:36,910

extraordinary experience whether it's a

1592

01:19:46,980 --> 01:19:41,110

paranormal or seeing a craft or aliens

1593

01:19:49,380 --> 01:19:46,990

or a mystical uprush it does open you to

1594

01:19:53,430 --> 01:19:49,390

other kinds of experiences it returns

1595

01:19:55,650 --> 01:19:53,440

your consciousness wiring and so then

1596

01:19:58,590 --> 01:19:55,660

you are more predisposed to have other

1597

01:20:01,770 --> 01:19:58,600

kinds of experiences and I think this is

1598

01:20:03,810 --> 01:20:01,780

a snowball effect you know it your

1599

01:20:06,870 --> 01:20:03,820

experience reminds me a lot of something

1600

01:20:10,760 --> 01:20:06,880

that that happened to me years ago when

1601
01:20:14,520 --> 01:20:10,770
I was in Egypt I was traveling with a

1602
01:20:17,280 --> 01:20:14,530
group of US government officials and we

1603
01:20:19,770 --> 01:20:17,290
were given a tour early-morning tour of

1604
01:20:23,790 --> 01:20:19,780
the Great Pyramid there on the Giza

1605
01:20:25,890 --> 01:20:23,800
Plateau and our tour guide was a

1606
01:20:27,630 --> 01:20:25,900
government of Egyptian government

1607
01:20:31,290 --> 01:20:27,640
official not a regular tour guide and

1608
01:20:34,580 --> 01:20:31,300
what we were in the King's Chamber this

1609
01:20:40,500 --> 01:20:34,590
this government guide encouraged me to

1610
01:20:42,660 --> 01:20:40,510
try to lay down in the the scoffing as

1611
01:20:44,550 --> 01:20:42,670
that you know they you know it's really

1612
01:20:46,800 --> 01:20:44,560
it's nothing more than a credit box and

1613
01:20:48,480 --> 01:20:46,810

very short yeah I mean it's you can't

1614

01:20:51,060 --> 01:20:48,490

you really have to kind of like you know

1615

01:20:54,060 --> 01:20:51,070

bend your legs to get into it when I got

1616

01:20:57,030 --> 01:20:54,070

into it I had this experience that I

1617

01:21:03,060 --> 01:20:57,040

still have trouble describing it because

1618

01:21:06,420 --> 01:21:03,070

I've it seemed almost like that I lived

1619

01:21:10,230 --> 01:21:06,430

another life in ancient Egypt that I

1620

01:21:13,140 --> 01:21:10,240

lived this entire lifetime in just like

1621

01:21:16,440 --> 01:21:13,150

a half a second that I was lying down in

1622

01:21:18,960 --> 01:21:16,450

this psychologist and then when I was

1623

01:21:20,760 --> 01:21:18,970

taken out of it I basically forgot most

1624

01:21:23,130 --> 01:21:20,770

of it I am i was left with it an

1625

01:21:25,590 --> 01:21:23,140

impression and every once in a while

1626

01:21:30,180 --> 01:21:25,600

I'll get a fleeting memory of what

1627

01:21:32,700 --> 01:21:30,190

happened but that was that was it and I

1628

01:21:35,040 --> 01:21:32,710

it was the most unusual thing

1629

01:21:39,330 --> 01:21:35,050

that ever happened to me and and

1630

01:21:43,650 --> 01:21:39,340

frustrating at the same time because the

1631

01:21:46,560 --> 01:21:43,660

memory is there it's hard to describe

1632

01:21:49,490 --> 01:21:46,570

it's there but it's not well that's

1633

01:21:52,350 --> 01:21:49,500

interesting and I've heard similar

1634

01:21:55,410 --> 01:21:52,360

accounts about that sarcophagus I've

1635

01:21:58,740 --> 01:21:55,420

been there myself and I also laid in the

1636

01:22:01,500 --> 01:21:58,750

sarcophagus and the I can only describe

1637

01:22:04,020 --> 01:22:01,510

it and I think you've just validated it

1638

01:22:06,479 --> 01:22:04,030

for me that it must be some sort of like

1639

01:22:09,709 --> 01:22:06,489

time machine hmm

1640

01:22:12,209 --> 01:22:09,719

when as soon as I laid down in it I felt

1641

01:22:16,140 --> 01:22:12,219

immediately pulled back into the past

1642

01:22:19,260 --> 01:22:16,150

and it was Egypt and I had this

1643

01:22:21,300 --> 01:22:19,270

recollection of having lived there in

1644

01:22:24,150 --> 01:22:21,310

the past now someone could say well you

1645

01:22:25,800 --> 01:22:24,160

know this is projection you go to Egypt

1646

01:22:28,200 --> 01:22:25,810

you know a lot of people think they have

1647

01:22:31,200 --> 01:22:28,210

past lives in Egypt and you're inside

1648

01:22:34,650 --> 01:22:31,210

the pyramid so but I don't think that's

1649

01:22:37,920 --> 01:22:34,660

the case too many people have had

1650

01:22:39,570 --> 01:22:37,930

similar experiences like that and there

1651
01:22:43,500 --> 01:22:39,580
may be something about the energy in

1652
01:22:46,050 --> 01:22:43,510
that pyramid and that particular you

1653
01:22:49,800 --> 01:22:46,060
know the the sarcophagus there that

1654
01:22:52,340 --> 01:22:49,810
opens that portal for people and maybe

1655
01:22:58,350 --> 01:22:52,350
not everybody has that experience but

1656
01:23:01,440 --> 01:22:58,360
enough people do so that's that's really

1657
01:23:03,900 --> 01:23:01,450
interesting validation for me yeah well

1658
01:23:05,310 --> 01:23:03,910
I mean out of our entire group I was the

1659
01:23:07,320 --> 01:23:05,320
only one at least as far as I know

1660
01:23:10,950 --> 01:23:07,330
nobody else ever you know described

1661
01:23:12,390 --> 01:23:10,960
having a similar experience I was the

1662
01:23:14,160 --> 01:23:12,400
only one in the group that had something

1663
01:23:16,320 --> 01:23:14,170

like that everybody else just you know

1664

01:23:19,620 --> 01:23:16,330

got in got out and you know that that

1665

01:23:23,010 --> 01:23:19,630

was it so yeah it's just one of the more

1666

01:23:26,900 --> 01:23:23,020

you know bizarre experiences that that I

1667

01:23:33,420 --> 01:23:26,910

ever had so when it comes to having

1668

01:23:35,580 --> 01:23:33,430

these kinds of experiences Michael does

1669

01:23:39,150 --> 01:23:35,590

does somebody have to you know like

1670

01:23:42,150 --> 01:23:39,160

travel halfway around the world to seek

1671

01:23:44,310 --> 01:23:42,160

out these things or you know I mean can

1672

01:23:46,420 --> 01:23:44,320

they just you know find the finds

1673

01:23:51,010 --> 01:23:46,430

interesting things of their own State

1674

01:23:55,060 --> 01:23:51,020

I think from people who have kind of

1675

01:23:57,010 --> 01:23:55,070

morphed from being tourists to travelers

1676

01:23:59,590 --> 01:23:57,020

that is people who get more deeply

1677

01:24:01,660 --> 01:23:59,600

involved in the experience of traveling

1678

01:24:06,400 --> 01:24:01,670

and get involved with the cultures and

1679

01:24:08,710 --> 01:24:06,410

develop memorable experiences like the

1680

01:24:10,560 --> 01:24:08,720

people that they meet that they connect

1681

01:24:13,510 --> 01:24:10,570

with and have these more genuine

1682

01:24:18,190 --> 01:24:13,520

connection types of experiences they can

1683

01:24:20,650 --> 01:24:18,200

bring this back and the more experience

1684

01:24:23,470 --> 01:24:20,660

you get with traveling the more you can

1685

01:24:25,840 --> 01:24:23,480

bring back with you the great things

1686

01:24:29,350 --> 01:24:25,850

that you've experienced over there it

1687

01:24:31,810 --> 01:24:29,360

becomes more of your experience so

1688

01:24:35,320 --> 01:24:31,820

planning your mundane boring typical

1689

01:24:40,120 --> 01:24:35,330

life and that's a benefit of travel so I

1690

01:24:44,050 --> 01:24:40,130

would say that you could probably have

1691

01:24:46,600 --> 01:24:44,060

more paranormal and unusual experiences

1692

01:24:50,490 --> 01:24:46,610

the more experienced as a traveler you

1693

01:24:54,310 --> 01:24:50,500

are and the more you'd come back and

1694

01:24:57,190 --> 01:24:54,320

kind of integrate all this growth that

1695

01:25:00,940 --> 01:24:57,200

you had back into your own home

1696

01:25:05,830 --> 01:25:00,950

situation yes it can expand you and open

1697

01:25:09,510 --> 01:25:05,840

you up to more possibilities mm-hmm what

1698

01:25:15,610 --> 01:25:09,520

about just traveling in general I mean

1699

01:25:17,830 --> 01:25:15,620

it seems that we have the ability now

1700

01:25:20,200 --> 01:25:17,840

just you know get onto a jet plane and

1701

01:25:23,290 --> 01:25:20,210

you know fly basically anywhere you know

1702

01:25:25,300 --> 01:25:23,300

on this this planet so I mean if

1703

01:25:27,250 --> 01:25:25,310

somebody is wanting to do something like

1704

01:25:30,370 --> 01:25:27,260

that you know what's your what's your

1705

01:25:34,630 --> 01:25:30,380

suggestions I mean you know what what

1706

01:25:36,490 --> 01:25:34,640

does a person need to do to to go on

1707

01:25:38,020 --> 01:25:36,500

yeah it doesn't even have to be you know

1708

01:25:41,470 --> 01:25:38,030

like a paranormal trip just just

1709

01:25:43,660 --> 01:25:41,480

something you know interesting and get

1710

01:25:45,970 --> 01:25:43,670

them out of their their comfort zone so

1711

01:25:49,330 --> 01:25:45,980

to speak it's almost leave your devices

1712

01:25:50,920 --> 01:25:49,340

at home don't leave home without leaving

1713

01:25:54,010 --> 01:25:50,930

them no I'm just being a little

1714

01:25:56,170 --> 01:25:54,020

facetious no we used to go you know see

1715

01:25:58,030 --> 01:25:56,180

the world through our camera lenses now

1716

01:25:59,530 --> 01:25:58,040

we do it through our iPhones and I joke

1717

01:26:01,240 --> 01:25:59,540

around with people people

1718

01:26:03,760 --> 01:26:01,250

say oh I want to go to Paris and sit in

1719

01:26:06,280 --> 01:26:03,770

the cafe and talk to a Parisian and

1720

01:26:08,530 --> 01:26:06,290

really interact and connect and all that

1721

01:26:10,720 --> 01:26:08,540

you go to Paris just sit at Starbucks

1722

01:26:12,940 --> 01:26:10,730

there everybody including the French or

1723

01:26:15,790 --> 01:26:12,950

staring at their cell phones you know

1724

01:26:18,850 --> 01:26:15,800

the same thing but the the idea is that

1725

01:26:21,580 --> 01:26:18,860

it when you go to explore and travel and

1726

01:26:24,550 --> 01:26:21,590

seek out novelty and have new

1727

01:26:26,980 --> 01:26:24,560

experiences you can't run on automatic

1728

01:26:30,490 --> 01:26:26,990

you really have to run on all cylinders

1729

01:26:34,600 --> 01:26:30,500

you have to be more alert you have to be

1730

01:26:39,670 --> 01:26:34,610

more open and let things happen to you

1731

01:26:43,000 --> 01:26:39,680

and just see more look and see listen

1732

01:26:45,370 --> 01:26:43,010

and hear and just dive into the

1733

01:26:48,040 --> 01:26:45,380

experiences which will be coming from

1734

01:26:51,310 --> 01:26:48,050

you at all from all directions very

1735

01:26:55,270 --> 01:26:51,320

intensely and you'll have all this new

1736

01:26:58,060 --> 01:26:55,280

novelty and stimuli be open to it absorb

1737

01:27:00,400 --> 01:26:58,070

it and grow with it that's what I say

1738

01:27:04,530 --> 01:27:00,410

what would you say what would you say

1739

01:27:07,540 --> 01:27:04,540

Michael are the top two three or four

1740

01:27:10,900 --> 01:27:07,550

places to visit where people are having

1741

01:27:13,300 --> 01:27:10,910

paranoia is it so Sedona I mean what are

1742

01:27:16,660 --> 01:27:13,310

the the top places where people are

1743

01:27:19,140 --> 01:27:16,670

reporting back to you I think countries

1744

01:27:21,790 --> 01:27:19,150

that have really old histories like

1745

01:27:26,440 --> 01:27:21,800

Central Europe and France and England

1746

01:27:30,640 --> 01:27:26,450

that have such long histories of people

1747

01:27:33,820 --> 01:27:30,650

through throughout the ages you know you

1748

01:27:36,990 --> 01:27:33,830

you don't just tap into a modern

1749

01:27:39,160 --> 01:27:37,000

development you you get to experience

1750

01:27:42,310 --> 01:27:39,170

cultures that have been around and

1751

01:27:46,240 --> 01:27:42,320

evolving for for centuries so you have a

1752

01:27:48,820 --> 01:27:46,250

lot of history you have a lot of a lot

1753

01:27:50,680 --> 01:27:48,830

of psychic energy a lot of places but

1754

01:27:52,570 --> 01:27:50,690

but I'd say you know almost if I had to

1755

01:27:55,680 --> 01:27:52,580

pick one area of the world where it

1756

01:27:58,690 --> 01:27:55,690

seems like people seem to have more

1757

01:28:00,970 --> 01:27:58,700

unusual paranormal kinds of experiences

1758

01:28:04,780 --> 01:28:00,980

I would have to say the United Kingdom

1759

01:28:08,190 --> 01:28:04,790

in my mind and also Ireland you know to

1760

01:28:11,050 --> 01:28:08,200

my way of thinking well well of course

1761

01:28:13,240 --> 01:28:11,060

if you want to go check out the Loch

1762

01:28:16,630 --> 01:28:13,250

Ness you've got probably

1763

01:28:20,890 --> 01:28:16,640

a 9 or 10 hours of the most beautiful

1764

01:28:24,250 --> 01:28:20,900

scenic route from London onto to

1765

01:28:26,170 --> 01:28:24,260

Scotland I took the the night train to

1766

01:28:28,270 --> 01:28:26,180

Inverness you know and you wake up in

1767

01:28:32,520 --> 01:28:28,280

the morning and there's all this lush

1768

01:28:35,320 --> 01:28:32,530

glorious greenery and in little love

1769

01:28:38,740 --> 01:28:35,330

ponds and lakes and streams and things

1770

01:28:40,570 --> 01:28:38,750

that you go by I I have to say that at

1771

01:28:43,690 --> 01:28:40,580

least when I went in the eighties that

1772

01:28:46,960 --> 01:28:43,700

to me was the most glorious sight I

1773

01:28:49,240 --> 01:28:46,970

guess I had ever laid eyes on and and of

1774

01:28:52,420 --> 01:28:49,250

course that did have that experience

1775

01:28:54,300 --> 01:28:52,430

near stonehenge of signaling to what

1776

01:28:58,510 --> 01:28:54,310

might have been a UFO and getting a

1777

01:29:01,210 --> 01:28:58,520

response and having traveled and spoken

1778

01:29:04,570 --> 01:29:01,220

to my friend Brinsley Laporte reg who

1779

01:29:07,360 --> 01:29:04,580

was the 8th Earl and party and yeah and

1780

01:29:09,160 --> 01:29:07,370

we had a little unofficial meeting there

1781

01:29:13,060 --> 01:29:09,170

at the House of Lords in front of about

1782

01:29:15,460 --> 01:29:13,070

a hundred members of parliament and of

1783

01:29:17,020 --> 01:29:15,470

course people were you know either way

1784

01:29:19,420 --> 01:29:17,030

up to Loch Ness we're having all sorts

1785

01:29:22,600 --> 01:29:19,430

of experiences and and some people were

1786

01:29:25,150 --> 01:29:22,610

getting the opportunity to see Nestle or

1787

01:29:27,040 --> 01:29:25,160

at least thinking that they had seen you

1788

01:29:29,770 --> 01:29:27,050

know and now we we are setting our

1789

01:29:33,340 --> 01:29:29,780

sights on the Stars it's built into us

1790

01:29:36,850 --> 01:29:33,350

we're hardwired to do this and we have

1791

01:29:39,100 --> 01:29:36,860

insatiable curiosity and at least

1792

01:29:42,940 --> 01:29:39,110

rosemary and I through our books and and

1793

01:29:45,250 --> 01:29:42,950

you also with all your endeavors we're

1794

01:29:48,430 --> 01:29:45,260

all on the road to strange together you

1795

01:29:52,240 --> 01:29:48,440

know well we are well you know we're

1796

01:29:54,670 --> 01:29:52,250

closing in on the midnight hour and we

1797

01:29:59,710 --> 01:29:54,680

do with Tim as usual want to go one last

1798

01:30:01,750 --> 01:29:59,720

time around the the table here so that

1799

01:30:03,550 --> 01:30:01,760

we can ask our guests what they're

1800

01:30:05,770 --> 01:30:03,560

working on there currently and how our

1801
01:30:08,470 --> 01:30:05,780
listeners can get in touch with them and

1802
01:30:09,970 --> 01:30:08,480
become involved in the experience I

1803
01:30:12,160 --> 01:30:09,980
guess that's the best way I could

1804
01:30:16,480 --> 01:30:12,170
describe it so why don't we start out

1805
01:30:18,040 --> 01:30:16,490
with rosemary give it a shot everybody

1806
01:30:20,860 --> 01:30:18,050
tell us what you're doing because I know

1807
01:30:22,600 --> 01:30:20,870
you're always busy I always have a

1808
01:30:24,610 --> 01:30:22,610
number of books in the works I've just

1809
01:30:26,270 --> 01:30:24,620
put the finishing touches on guide to

1810
01:30:28,250 --> 01:30:26,280
psychic protection which will

1811
01:30:31,510 --> 01:30:28,260
out later this year I think it's going

1812
01:30:34,640 --> 01:30:31,520
to be my 67th or sixty-eight book and

1813
01:30:36,589 --> 01:30:34,650

I've just launched a new website for my

1814

01:30:38,660 --> 01:30:36,599

publishing company visionary living

1815

01:30:43,220 --> 01:30:38,670

publishing which is part of visionary

1816

01:30:45,950 --> 01:30:43,230

living Inc and that's @ww visionary

1817

01:30:49,939 --> 01:30:45,960

living publishing dot-com you can see

1818

01:30:51,979 --> 01:30:49,949

Michaels bio up there information about

1819

01:30:56,120 --> 01:30:51,989

our book all the other books and authors

1820

01:31:00,049 --> 01:30:56,130

that I publish it's now who are you who

1821

01:31:01,189 --> 01:31:00,059

are you publishing yet beside what have

1822

01:31:05,870 --> 01:31:01,199

you got in the works that's from other

1823

01:31:08,359 --> 01:31:05,880

authors I have paranormal people I have

1824

01:31:11,120 --> 01:31:08,369

psychics and mediums I've got English

1825

01:31:13,339 --> 01:31:11,130

psychic psychics and mediums I just

1826

01:31:17,120 --> 01:31:13,349

published very well-known over there

1827

01:31:20,029 --> 01:31:17,130

Stewart James and Foy and Dean James Foy

1828

01:31:23,060 --> 01:31:20,039

Karl Petri who's a psychic medium here

1829

01:31:25,310 --> 01:31:23,070

in America my new book just launched

1830

01:31:29,540 --> 01:31:25,320

today sue Misano who's a healer the

1831

01:31:32,750 --> 01:31:29,550

healing journey just came out I've

1832

01:31:36,979 --> 01:31:32,760

co-authored books with John Zaffis and

1833

01:31:38,660 --> 01:31:36,989

Rick Fisher and Darren Evans I've got a

1834

01:31:42,529 --> 01:31:38,670

Bigfoot book coming out from Paul

1835

01:31:44,689 --> 01:31:42,539

Johnson a lot of people in the fields of

1836

01:31:48,310 --> 01:31:44,699

body mind spirit and the paranormal I

1837

01:31:51,229 --> 01:31:48,320

have 25 titles out to date and

1838

01:31:55,609 --> 01:31:51,239

publishing program of you know modest

1839

01:31:58,010 --> 01:31:55,619

six to ten titles a year yeah modest -

1840

01:32:00,410 --> 01:31:58,020

indeed but do keep us informed because

1841

01:32:02,870 --> 01:32:00,420

that you know it sounds like some of

1842

01:32:05,899 --> 01:32:02,880

these authors would be a ripe for an

1843

01:32:09,140 --> 01:32:05,909

interview on exploring the bizarre by

1844

01:32:12,859 --> 01:32:09,150

all by all means so you're you're taking

1845

01:32:15,080 --> 01:32:12,869

a lot under your your hat these these

1846

01:32:16,640 --> 01:32:15,090

days and I know you have a monthly

1847

01:32:20,029 --> 01:32:16,650

newsletter you put out you have your own

1848

01:32:25,939 --> 01:32:20,039

show well strange dimensions radios in

1849

01:32:29,120 --> 01:32:25,949

hiatus right now it was on K GRA and I I

1850

01:32:31,580 --> 01:32:29,130

took it off the air because I thought

1851

01:32:34,310 --> 01:32:31,590

that I might want to do podcasting

1852

01:32:37,040 --> 01:32:34,320

instead something that I could have a

1853

01:32:39,979 --> 01:32:37,050

little more control over content and

1854

01:32:42,620 --> 01:32:39,989

timing and and things like that so

1855

01:32:44,660 --> 01:32:42,630

I'm still looking at various options for

1856

01:32:45,859 --> 01:32:44,670

that and you know meanwhile investing a

1857

01:32:49,160 --> 01:32:45,869

lot of time in building up the

1858

01:32:52,759 --> 01:32:49,170

publishing company mm-hmm

1859

01:32:54,609 --> 01:32:52,769

well indeed and you're at your decides

1860

01:32:57,500 --> 01:32:54,619

to get on the internet

1861

01:33:00,379 --> 01:32:57,510

visionary living.com is my personal site

1862

01:33:04,339 --> 01:33:00,389

and visionary living publishing dot-com

1863

01:33:06,140 --> 01:33:04,349

is the book site all right well all

1864

01:33:08,680 --> 01:33:06,150

right well we got a couple minutes after

1865

01:33:13,279 --> 01:33:08,690

we need to go to Michael here Tim

1866

01:33:15,799 --> 01:33:13,289

so the paranormal and and ufology were a

1867

01:33:18,080 --> 01:33:15,809

subset of the thousands of stories I

1868

01:33:21,350 --> 01:33:18,090

collected I have a new book just about

1869

01:33:25,129 --> 01:33:21,360

ready to come out in days called travel

1870

01:33:27,049 --> 01:33:25,139

tales women alone the me to of travel

1871

01:33:29,450 --> 01:33:27,059

I've put together about a hundred

1872

01:33:32,149 --> 01:33:29,460

accounts of women dealing with sexual

1873

01:33:35,600 --> 01:33:32,159

harassment and assaults and surviving

1874

01:33:38,239 --> 01:33:35,610

him and I think I hope it's a landmark

1875

01:33:40,520 --> 01:33:38,249

book because these are real places of

1876
01:33:43,520 --> 01:33:40,530
travelers that I've come across now that

1877
01:33:47,239 --> 01:33:43,530
that that is that is certainly a timely

1878
01:33:50,649 --> 01:33:47,249
in today's climates you should certainly

1879
01:33:54,410 --> 01:33:50,659
again on some of these talk shows that

1880
01:33:56,750 --> 01:33:54,420
are on the on TV you know in cable all

1881
01:34:00,290 --> 01:33:56,760
day all day long because it's certainly

1882
01:34:03,979 --> 01:34:00,300
a subject that the people are into these

1883
01:34:06,589 --> 01:34:03,989
days during the course yeah and and how

1884
01:34:08,689 --> 01:34:06,599
about as far as your paranormal writing

1885
01:34:10,549 --> 01:34:08,699
goes well I'm going to talk about

1886
01:34:12,739 --> 01:34:10,559
another book we're gonna work on our

1887
01:34:14,359 --> 01:34:12,749
third of the series all right we're

1888
01:34:16,009 --> 01:34:14,369

we're out of time guides good night

1889

01:34:22,410 --> 01:34:16,019

thank you for being with us

1890

01:34:29,230 --> 01:34:25,240

you've been listening to exploring the

1891

01:34:32,500 --> 01:34:29,240

bazaar with hosts Timothy Beckley and to

1892

01:34:35,350 --> 01:34:32,510

Swartz they're taking back the night by

1893

01:34:37,960 --> 01:34:35,360

jetting non-stop across the cosmos in

1894

01:34:41,550 --> 01:34:37,970

search of the truly bizarre and totally

1895

01:34:44,280 --> 01:34:41,560

unexplained with you as their combines

1896

01:34:48,040 --> 01:34:44,290

Thursday nights at 7:00 p.m. Pacific

1897

01:34:51,610 --> 01:34:48,050

10:00 p.m. Eastern on the kco our

1898

01:34:55,030 --> 01:34:51,620

digital radio for more information on

1899

01:34:57,580 --> 01:34:55,040

exploring the bazaars and hosts Timothy

1900

01:35:01,330 --> 01:34:57,590

Becca and Tim Swartz check out their K

1901

01:35:06,390 --> 01:35:01,340

cor digital radio network follow their
