

# EXPLORING THE BIZARRE

MONTE HAMILTON \* MELISSA BRYAN

1  
00:00:37,470 --> 00:00:21,840

[Music]

2  
00:00:44,430 --> 00:00:41,770

explode the bazaars are your e-ticket

3  
00:00:47,710 --> 00:00:44,440

ride into the world of the paranoid

4  
00:00:52,020 --> 00:00:47,720

strap yourself in as we traverse the

5  
00:00:55,140 --> 00:00:52,030

universe exploring the unexplained UFO s

6  
00:00:57,520 --> 00:00:55,150

ghosts Lost Worlds

7  
00:01:01,360 --> 00:00:57,530

cryptozoology waters as well as other

8  
00:01:06,520 --> 00:01:01,370

dimensions it's time to take back the

9  
00:01:09,670 --> 00:01:06,530

night now your electrifying hosts of

10  
00:01:17,620 --> 00:01:09,680

exploring the bizarre Timothy Begley and

11  
00:01:19,749 --> 00:01:17,630

team sports you know Tim I've got a

12  
00:01:21,850 --> 00:01:19,759

crystal ball here in front of me

13  
00:01:23,590 --> 00:01:21,860

I'm bet I know exactly what's going to

14

00:01:27,490 --> 00:01:23,600

happen on this show tonight

15

00:01:30,570 --> 00:01:27,500

oh and what's that to me well we're

16

00:01:35,080 --> 00:01:30,580

gonna interview two great guests about

17

00:01:36,670 --> 00:01:35,090

psychic powers well that's right

18

00:01:40,870 --> 00:01:36,680

how did you know that are you

19

00:01:44,080 --> 00:01:40,880

clairvoyant no I just read I just read

20

00:01:50,260 --> 00:01:44,090

the K cor radio website so I know

21

00:01:54,640 --> 00:01:50,270

exactly what's going to happen look into

22

00:01:56,410 --> 00:01:54,650

my well that's what we are hey Tim how

23

00:01:58,960 --> 00:01:56,420

you doing out there in Jasper Indiana

24

00:02:00,010 --> 00:01:58,970

tonight well I'm doing all right I guess

25

00:02:01,780 --> 00:02:00,020

I'm doing a little bit better than you

26

00:02:04,510 --> 00:02:01,790

sorry that you're not feeling too good

27

00:02:09,219 --> 00:02:04,520

tonight well I was gonna say I'm on my

28

00:02:11,710 --> 00:02:09,229

last two three legs yeah I swear yeah

29

00:02:14,350 --> 00:02:11,720

yeah I guess you know it's that time of

30

00:02:17,050 --> 00:02:14,360

year we've had a three and Nora

31

00:02:18,940 --> 00:02:17,060

easterlies and now we got another storm

32

00:02:22,000 --> 00:02:18,950

coming in of course we haven't had too

33

00:02:23,650 --> 00:02:22,010

much in the way of snow but it's been

34

00:02:25,300 --> 00:02:23,660

it's been cold I mean I can't believe

35

00:02:27,220 --> 00:02:25,310

that spring is right around the corner

36

00:02:29,470 --> 00:02:27,230

well you can always tell that it's

37

00:02:31,240 --> 00:02:29,480

spring around here because I our

38

00:02:35,080 --> 00:02:31,250

neighbor was actually mowing his lawn

39

00:02:36,729 --> 00:02:35,090

today no way happy I forget about so you

40

00:02:38,080 --> 00:02:36,739

don't forget about the Robins and all

41

00:02:39,759 --> 00:02:38,090

that when the neighbors start mowing

42

00:02:43,150 --> 00:02:39,769

their lawn that's true sign of spring

43

00:02:44,860 --> 00:02:43,160

well your your you got to be a week or

44

00:02:48,159 --> 00:02:44,870

two ahead of us I think although they

45

00:02:51,819 --> 00:02:48,169

predict it's going to keep disobey your

46

00:02:55,360 --> 00:02:51,829

chili for the next couple of weeks but I

47

00:02:58,270 --> 00:02:55,370

guess we'll we'll survive and it'll be

48

00:02:59,860 --> 00:02:58,280

great to see the spring because I do

49

00:03:01,690 --> 00:02:59,870

live a couple of blocks from the park

50

00:03:04,780 --> 00:03:01,700

here and I like to sit there and eat my

51  
00:03:09,000 --> 00:03:04,790  
lunch and watch all the people the nine

52  
00:03:14,680 --> 00:03:09,010  
to fivers go about their chosen a task

53  
00:03:16,930 --> 00:03:14,690  
anyway it Tim why don't you tell tell us

54  
00:03:19,599 --> 00:03:16,940  
who we're going to be speaking with this

55  
00:03:23,560 --> 00:03:19,609  
evening well I would be happy to Tim and

56  
00:03:27,760 --> 00:03:23,570  
and I don't need a crystal ball or tarot

57  
00:03:29,650 --> 00:03:27,770  
cards to to tell our audience who he has

58  
00:03:31,690 --> 00:03:29,660  
because I've got it all written down

59  
00:03:34,740 --> 00:03:31,700  
right here in front of me I make it a

60  
00:03:37,960 --> 00:03:34,750  
lot easier for myself so with us tonight

61  
00:03:39,670 --> 00:03:37,970  
we have just two fantastic guests I'm

62  
00:03:42,490 --> 00:03:39,680  
just so happy that they agreed to be on

63  
00:03:44,740 --> 00:03:42,500

with this first we have Lamont Hamilton

64

00:03:46,770 --> 00:03:44,750

or Monty as his friends call him now

65

00:03:49,390 --> 00:03:46,780

Monty is a recognized and respected

66

00:03:51,160 --> 00:03:49,400

intuitive spiritual counselor writer

67

00:03:52,780 --> 00:03:51,170

speaker and educator he is

68

00:03:54,850 --> 00:03:52,790

internationally known as a top

69

00:03:56,620 --> 00:03:54,860

clairvoyant for his predictions which

70

00:03:59,470 --> 00:03:56,630

have been published and translated into

71

00:04:01,750 --> 00:03:59,480

multiple languages Monty is an ordained

72

00:04:04,300 --> 00:04:01,760

minister a Reiki Master Healing

73

00:04:06,820 --> 00:04:04,310

Practitioner registered hypnotherapist

74

00:04:09,390 --> 00:04:06,830

and has accredited qualification degrees

75

00:04:12,039 --> 00:04:09,400

in counseling business psychology and

76  
00:04:15,280 --> 00:04:12,049  
education now Monty has worked full-time

77  
00:04:17,590 --> 00:04:15,290  
in the paranormal field for over 45

78  
00:04:20,890 --> 00:04:17,600  
years and refers to himself as a

79  
00:04:23,260 --> 00:04:20,900  
professional spiritual empath and medium

80  
00:04:25,900 --> 00:04:23,270  
working on a higher spiritual level

81  
00:04:28,210 --> 00:04:25,910  
guided by His angels and guide he is a

82  
00:04:30,550 --> 00:04:28,220  
gifted and accomplished in several

83  
00:04:32,890 --> 00:04:30,560  
spiritual disciplines and uses his

84  
00:04:35,020 --> 00:04:32,900  
abilities to tailor his consult

85  
00:04:37,659 --> 00:04:35,030  
consultations to the needs of his

86  
00:04:39,219 --> 00:04:37,669  
clients his client base covers a wide

87  
00:04:41,520 --> 00:04:39,229  
range of people from all over the world

88  
00:04:44,020 --> 00:04:41,530

and all wieck's walks of life including

89

00:04:46,630 --> 00:04:44,030

educators judges politicians law

90

00:04:50,200 --> 00:04:46,640

enforcement business professional Wall

91

00:04:51,279 --> 00:04:50,210

Street investors CEOs and celebrities

92

00:04:53,560 --> 00:04:51,289

just to name a few

93

00:04:56,020 --> 00:04:53,570

now at present Monty is working on a

94

00:04:58,810 --> 00:04:56,030

book about his own spiritual experiences

95

00:05:01,779 --> 00:04:58,820

and development and I hope we can get

96

00:05:04,630 --> 00:05:01,789

him to talk a little bit about that book

97

00:05:08,080 --> 00:05:04,640

tonight as well we have Melissa Brian

98

00:05:10,960 --> 00:05:08,090

now melissa is Littlefeather 16th

99

00:05:14,110 --> 00:05:10,970

generation granddaughter of elder white

100

00:05:17,620 --> 00:05:14,120

and feather of the iroquois people and

101  
00:05:20,380 --> 00:05:17,630  
the 14th great-grandniece of dragon

102  
00:05:22,300 --> 00:05:20,390  
canoe of the Western Cherokee people her

103  
00:05:24,550 --> 00:05:22,310  
dream in this life is to open a small

104  
00:05:25,629 --> 00:05:24,560  
store of her own hopefully I shall be

105  
00:05:28,210 --> 00:05:25,639  
able to do that if she hasn't already

106  
00:05:30,940 --> 00:05:28,220  
and to live simply she was born in Santa

107  
00:05:32,980 --> 00:05:30,950  
Monica California and she says that she

108  
00:05:37,089 --> 00:05:32,990  
doesn't own anything except knowledge

109  
00:05:41,010 --> 00:05:37,099  
imparted in this in this life

110  
00:05:43,800 --> 00:05:41,020  
melissa is pedigreed to 16 generations

111  
00:05:46,170 --> 00:05:43,810  
family lineage and as a child she began

112  
00:05:48,689 --> 00:05:46,180  
to have experiences that at first she

113  
00:05:51,899 --> 00:05:48,699

didn't understand at the time and then

114

00:05:55,320 --> 00:05:51,909

after a serious injury and illnesses

115

00:05:57,450 --> 00:05:55,330

they became I guess her knowledge base

116

00:05:59,760 --> 00:05:57,460

became even more profound I'm Melissa

117

00:06:03,180 --> 00:05:59,770

blaze every belief something was left

118

00:06:04,760 --> 00:06:03,190

open and never closed back up again and

119

00:06:07,710 --> 00:06:04,770

she got older her experiences

120

00:06:09,719 --> 00:06:07,720

intensified early in life she discovered

121

00:06:11,670 --> 00:06:09,729

her family's rich history of Native

122

00:06:13,830 --> 00:06:11,680

American heritage and links to

123

00:06:16,529 --> 00:06:13,840

metaphysical abilities and the more she

124

00:06:21,300 --> 00:06:16,539

found the more profound her experiences

125

00:06:23,460 --> 00:06:21,310

grew so Melissa is also the owner CEO at

126  
00:06:26,270 --> 00:06:23,470  
and Melissa you'll have to tell me how

127  
00:06:30,420 --> 00:06:26,280  
you pronounce this is that valley

128  
00:06:32,640 --> 00:06:30,430  
psychic Amelia ha I'm quad sounds like

129  
00:06:35,629 --> 00:06:32,650  
the noise that Mike can't make sometimes

130  
00:06:39,719 --> 00:06:35,639  
because their wallet or throat

131  
00:06:41,279 --> 00:06:39,729  
yeah so Melissa and Lamont thank you

132  
00:06:43,860 --> 00:06:41,289  
very much for being with us tonight on

133  
00:06:44,459 --> 00:06:43,870  
exploring the bizarre my goodness my

134  
00:06:49,999 --> 00:06:44,469  
goodness

135  
00:06:54,059 --> 00:06:50,009  
hey Melissa what what is what is the

136  
00:06:56,879 --> 00:06:54,069  
valley psychic and media well it's that

137  
00:07:02,279 --> 00:06:56,889  
I've been psychic since I was very very

138  
00:07:06,749 --> 00:07:02,289

young and media means I write books I do

139

00:07:10,649 --> 00:07:06,759

radio I do videos I am right now working

140

00:07:12,990 --> 00:07:10,659

on rewriting and expanding my first book

141

00:07:17,760 --> 00:07:13,000

that is currently out of production but

142

00:07:19,409 --> 00:07:17,770

I'm also renaming it and you know I'm

143

00:07:21,689 --> 00:07:19,419

just working really hard on getting

144

00:07:26,870 --> 00:07:21,699

things back to normal we're living in a

145

00:07:30,930 --> 00:07:26,880

motel at this point and where are you

146

00:07:33,230 --> 00:07:30,940

Roseburg Oregon Oregon mm-hmm

147

00:07:36,499 --> 00:07:33,240

have you had a rough winter up there uh

148

00:07:37,680 --> 00:07:36,509

no actually it felt really nice here Oh

149

00:07:41,399 --> 00:07:37,690

wonderful

150

00:07:45,510 --> 00:07:41,409

well I had a friend was living up in

151  
00:07:52,410 --> 00:07:48,800  
yeah and spot where a lot of people have

152  
00:07:55,920 --> 00:07:52,420  
mysteriously disappeared over the years

153  
00:07:58,740 --> 00:07:55,930  
yeah indeed indeed well okay let's go

154  
00:08:03,480 --> 00:07:58,750  
let's go back a few years

155  
00:08:05,460 --> 00:08:03,490  
how'd it what kept you in - I mean what

156  
00:08:06,990 --> 00:08:05,470  
made you think that you were different

157  
00:08:12,390 --> 00:08:07,000  
did most other people that you were

158  
00:08:16,470 --> 00:08:12,400  
psychic let's see I've seen I've heard I

159  
00:08:19,590 --> 00:08:16,480  
felt I've sensed I've known things that

160  
00:08:23,790 --> 00:08:19,600  
I don't think would really come to

161  
00:08:28,340 --> 00:08:23,800  
anyone else you know and in what in what

162  
00:08:33,000 --> 00:08:28,350  
sense I mean - tell us about well I've

163  
00:08:36,720 --> 00:08:33,010

seen I see ghosts and spirit the same

164

00:08:40,290 --> 00:08:36,730

way as I see a normal individual like a

165

00:08:44,250 --> 00:08:40,300

normal person I see them solid I mean

166

00:08:47,310 --> 00:08:44,260

solid three-dimensional solid okay

167

00:08:50,760 --> 00:08:47,320

that's how I see them that's how I've

168

00:08:53,120 --> 00:08:50,770

always seen and I've had my ancestors

169

00:08:57,630 --> 00:08:53,130

come and speak with me from spirit I've

170

00:09:01,200 --> 00:08:57,640

had things follow me home I've sent

171

00:09:04,940 --> 00:09:01,210

spirit back on to other side peace

172

00:09:09,840 --> 00:09:04,950

whatever you want to call this okay I

173

00:09:14,820 --> 00:09:09,850

I've experienced so much it's gotta be a

174

00:09:18,810 --> 00:09:14,830

last count anyway somewhere say over 300

175

00:09:21,480 --> 00:09:18,820

experiences and and and what I mean do

176

00:09:25,160 --> 00:09:21,490

you have do you have spirit guides or do

177

00:09:31,560 --> 00:09:25,170

you pick this up a clairvoyant buoyantly

178

00:09:33,660 --> 00:09:31,570

what is your method of operation you

179

00:09:35,670 --> 00:09:33,670

know I really don't know how to explain

180

00:09:39,000 --> 00:09:35,680

it the only way I know how to explain it

181

00:09:41,840 --> 00:09:39,010

is this has always been normal to me I

182

00:09:44,460 --> 00:09:41,850

don't know how else to explain it

183

00:09:46,620 --> 00:09:44,470

sometimes it surprises me other times

184

00:09:51,450 --> 00:09:46,630

it's like oh okay well you know just

185

00:09:54,630 --> 00:09:51,460

another experience and and I mean did

186

00:09:56,880 --> 00:09:54,640

you live in a growing up did you live in

187

00:10:01,140 --> 00:09:56,890

a psychic environment I mean we're your

188

00:10:03,320 --> 00:10:01,150

parents intuitive or did you reside in a

189

00:10:05,550 --> 00:10:03,330

haunted house or have added a body

190

00:10:08,070 --> 00:10:05,560

experiences uh

191

00:10:11,160 --> 00:10:08,080

I have had out-of-body experiences I

192

00:10:13,769 --> 00:10:11,170

have had near-death experiences I grew

193

00:10:16,890 --> 00:10:13,779

up in a very tightly religious household

194

00:10:19,920 --> 00:10:16,900

we never spoke of these things we never

195

00:10:23,550 --> 00:10:19,930

it was just not talked about it was not

196

00:10:26,579 --> 00:10:23,560

believed in it was not done as it were I

197

00:10:30,840 --> 00:10:26,589

grew up in this literally all alone and

198

00:10:34,230 --> 00:10:30,850

I have since in my adult life lived in

199

00:10:37,890 --> 00:10:34,240

many haunted locations one of them I

200

00:10:43,650 --> 00:10:37,900

just fled from in New Mexico where I

201  
00:10:45,960 --> 00:10:43,660  
used to live that place was bad bad I

202  
00:10:50,820 --> 00:10:45,970  
mean you want to talk anything that

203  
00:10:53,990 --> 00:10:50,830  
could happen and did happen my cousin

204  
00:10:57,410 --> 00:10:54,000  
who lives with us was scratched and

205  
00:11:00,420 --> 00:10:57,420  
bruised we were beaten and burned and

206  
00:11:03,240 --> 00:11:00,430  
whatever was there was bad and I mean

207  
00:11:07,829 --> 00:11:03,250  
bad nothing damn near killed us I think

208  
00:11:11,760 --> 00:11:07,839  
it did they just broke he just broke up

209  
00:11:16,290 --> 00:11:11,770  
there for a minute well I mean when you

210  
00:11:19,110 --> 00:11:16,300  
say you you said that your cousin was

211  
00:11:22,579 --> 00:11:19,120  
battered and and bruised what was there

212  
00:11:27,210 --> 00:11:22,589  
was this by some like poltergeist I

213  
00:11:29,280 --> 00:11:27,220

don't know I to be honest I don't know

214

00:11:32,760 --> 00:11:29,290

to this day it scares me to talk about

215

00:11:35,810 --> 00:11:32,770

it I am not kidding here I can't make

216

00:11:39,210 --> 00:11:35,820

this stuff up I mean I've got photos

217

00:11:41,790 --> 00:11:39,220

that even I can't explain we took

218

00:11:44,329 --> 00:11:41,800

pictures of this we had pictures of

219

00:11:47,910 --> 00:11:44,339

where this thing scratched and burned me

220

00:11:50,520 --> 00:11:47,920

scratched burned and bruised him to this

221

00:11:53,850 --> 00:11:50,530

day we don't have scars but psychically

222

00:11:58,230 --> 00:11:53,860

we have scars I mean this thing left a

223

00:12:01,199 --> 00:11:58,240

really it left an impression on us there

224

00:12:03,570 --> 00:12:01,209

were bones not only of animal but of

225

00:12:05,970 --> 00:12:03,580

human I believe this was a boneyard that

226

00:12:10,440 --> 00:12:05,980

we just came from the houses were built

227

00:12:11,850 --> 00:12:10,450

on top of some kind of I don't even know

228

00:12:16,949 --> 00:12:11,860

what you want to call this whether it's

229

00:12:19,319 --> 00:12:16,959

a portal or uh or something where spirit

230

00:12:21,749 --> 00:12:19,329

comes in and out I ll don't

231

00:12:29,030 --> 00:12:21,759

know how to explain it we heard voices

232

00:12:37,350 --> 00:12:34,970

disembodied conversations uh things I

233

00:12:40,109 --> 00:12:37,360

met a loss to the state as to how to

234

00:12:42,359 --> 00:12:40,119

explain it and how old were you at the

235

00:12:44,549 --> 00:12:42,369

time when all this was going on oh I was

236

00:12:45,239 --> 00:12:44,559

about 40 years old it was just this last

237

00:12:49,559 --> 00:12:45,249

year

238

00:12:52,079 --> 00:12:49,569

ouch Wow and and this was a in Oregon no

239

00:12:55,139 --> 00:12:52,089

no this was in New Mexico we just fled

240

00:12:58,229 --> 00:12:55,149

from there for our lives whatever this

241

00:13:01,289 --> 00:12:58,239

was was not only drawing bad people to

242

00:13:04,679 --> 00:13:01,299

us but bad energy as well hmm

243

00:13:08,039 --> 00:13:04,689

and I mean we couldn't even get anyone

244

00:13:11,699 --> 00:13:08,049

to come and get rid of this stuff

245

00:13:14,869 --> 00:13:11,709

because anyone who did got hurt some

246

00:13:18,059 --> 00:13:14,879

were in car accidents very serious ones

247

00:13:20,009 --> 00:13:18,069

others were just warned away from it

248

00:13:23,030 --> 00:13:20,019

others would not even show up no one

249

00:13:25,859 --> 00:13:23,040

would talk about it was crazy this place

250

00:13:30,629 --> 00:13:25,869

whatever it was we got out we got out

251  
00:13:32,609 --> 00:13:30,639  
fast so do you know did people who were

252  
00:13:35,999 --> 00:13:32,619  
there before you I mean did they have

253  
00:13:39,780 --> 00:13:36,009  
the same experience yeah come to you and

254  
00:13:41,939 --> 00:13:39,790  
say hey don't go there no no one told us

255  
00:13:44,999 --> 00:13:41,949  
about it until after we bought the

256  
00:13:47,429 --> 00:13:45,009  
property mm-hmm and we only owned this

257  
00:13:49,769 --> 00:13:47,439  
place for I take a couple of years and

258  
00:13:52,049 --> 00:13:49,779  
we got rid of it we just said no we

259  
00:13:53,819 --> 00:13:52,059  
don't want any part of this anymore we

260  
00:13:57,749 --> 00:13:53,829  
fled for our very lives I mean this

261  
00:14:01,019 --> 00:13:57,759  
place was bad it it drew bad people it

262  
00:14:03,689 --> 00:14:01,029  
through bad energy it just it was bad I

263  
00:14:07,590 --> 00:14:03,699

mean this place was negative for the

264

00:14:11,519 --> 00:14:07,600

capital end well now do you do you think

265

00:14:14,549 --> 00:14:11,529

the place itself was cursed there was

266

00:14:18,329 --> 00:14:14,559

this some negative force that had gotten

267

00:14:23,429 --> 00:14:18,339

attached to you know I think it was

268

00:14:24,239 --> 00:14:23,439

already done cursed long long before we

269

00:14:27,539 --> 00:14:24,249

got there

270

00:14:30,329 --> 00:14:27,549

it was owned by I want to say as many as

271

00:14:32,910 --> 00:14:30,339

two to three different owners prior to

272

00:14:34,920 --> 00:14:32,920

us and the

273

00:14:37,110 --> 00:14:34,930

last one before us was the one that

274

00:14:39,750 --> 00:14:37,120

stayed the longest at five years this

275

00:14:42,420 --> 00:14:39,760

thing changed hands like every three to

276

00:14:44,759 --> 00:14:42,430

four years alright now i'm gonna i'm i'm

277

00:14:47,490 --> 00:14:44,769

gonna play the devil's advocate here and

278

00:14:49,949 --> 00:14:47,500

and and you know forgive me for asking

279

00:14:53,009 --> 00:14:49,959

this this question because i mean i know

280

00:14:57,420 --> 00:14:53,019

i mean i I have been to locations like

281

00:15:03,210 --> 00:14:57,430

this myself and and know the the the

282

00:15:05,220 --> 00:15:03,220

type of power that that these these you

283

00:15:07,949 --> 00:15:05,230

know energetic places the best way to

284

00:15:10,430 --> 00:15:07,959

describe it can really you know exude

285

00:15:14,579 --> 00:15:10,440

but okay

286

00:15:18,569 --> 00:15:14,589

couldn't you be in an intuitive yourself

287

00:15:22,350 --> 00:15:18,579

couldn't you tell that this was a hot

288

00:15:24,449 --> 00:15:22,360

spot for not not good activity when you

289

00:15:25,889 --> 00:15:24,459

were in the process of you know say like

290

00:15:28,230 --> 00:15:25,899

you know looking at it you know going

291

00:15:30,710 --> 00:15:28,240

yeah you know I mean you you obviously

292

00:15:32,730 --> 00:15:30,720

went to the property first before you

293

00:15:35,850 --> 00:15:32,740

started living there

294

00:15:37,980 --> 00:15:35,860

couldn't you tell beforehand that hey

295

00:15:41,699 --> 00:15:37,990

maybe this would not be the best place

296

00:15:44,400 --> 00:15:41,709

to stay well it was a matter at that

297

00:15:46,920 --> 00:15:44,410

point of do-or-die you know you were

298

00:15:50,790 --> 00:15:46,930

being forced out of our home prior to

299

00:15:53,430 --> 00:15:50,800

that one the landlord was even though

300

00:15:56,550 --> 00:15:53,440

she was a nice lady it was not an ideal

301

00:15:58,560 --> 00:15:56,560

situation first things got tense and we

302

00:16:00,840 --> 00:15:58,570

were being forced out it was do or die I

303

00:16:03,600 --> 00:16:00,850

kind of in the back of my mind knew it

304

00:16:05,970 --> 00:16:03,610

wasn't good but I was I was told I

305

00:16:09,000 --> 00:16:05,980

didn't have a choice base it was now or

306

00:16:11,400 --> 00:16:09,010

never you know I tried to say no but it

307

00:16:14,750 --> 00:16:11,410

was just it was a bad situation from the

308

00:16:18,329 --> 00:16:14,760

go but we got out and I'm glad we did um

309

00:16:21,030 --> 00:16:18,339

you know we're in a good place now we're

310

00:16:24,449 --> 00:16:21,040

in a good safe place now I want I want

311

00:16:27,769 --> 00:16:24,459

to go back to your your introduction

312

00:16:32,610 --> 00:16:27,779

where it said that when you were a child

313

00:16:37,500 --> 00:16:32,620

that you had experienced a serious

314

00:16:41,880 --> 00:16:37,510

injury and illness this incident do you

315

00:16:44,550 --> 00:16:41,890

think that this was what kind of kicked

316

00:16:46,620 --> 00:16:44,560

you into high gear so to speak for

317

00:16:50,160 --> 00:16:46,630

becoming an intuitive

318

00:16:51,750 --> 00:16:50,170

I think so I haven't say yes can you

319

00:16:53,580 --> 00:16:51,760

tell us that can you tell us about it

320

00:16:55,620 --> 00:16:53,590

did he tell us what happened how old you

321

00:16:58,620 --> 00:16:55,630

were what happened I was about a year

322

00:17:00,540 --> 00:16:58,630

old I was in Italy at the time with my

323

00:17:06,240 --> 00:17:00,550

parents they'd taken me there to immerse

324

00:17:07,290 --> 00:17:06,250

me and my mother's culture and I was in

325

00:17:09,530 --> 00:17:07,300

a building I think it was like

326

00:17:11,460 --> 00:17:09,540

multi-story building and I'd fall in

327

00:17:13,829 --> 00:17:11,470

according to the story I don't

328

00:17:16,980 --> 00:17:13,839

personally remember it but according to

329

00:17:20,130 --> 00:17:16,990

the story I was told I was in a walker

330

00:17:21,900 --> 00:17:20,140

you know learning how to walk and I was

331

00:17:25,290 --> 00:17:21,910

about a year old or so somewhere in

332

00:17:28,250 --> 00:17:25,300

there and I fell down a flight of marble

333

00:17:30,750 --> 00:17:28,260

stairs I would cook I should have gotten

334

00:17:33,750 --> 00:17:30,760

very much more seriously hurt if not

335

00:17:35,430 --> 00:17:33,760

killed outright but according to what

336

00:17:40,620 --> 00:17:35,440

they said all I had was a bump on my

337

00:17:45,420 --> 00:17:40,630

head so did something or someone protect

338

00:17:48,510 --> 00:17:45,430

me I honestly say yes and the illness

339

00:17:51,390 --> 00:17:48,520

from the story that I was told if I

340

00:17:53,040 --> 00:17:51,400

remember right was scarlet fever and you

341

00:17:54,660 --> 00:17:53,050

know how deadly the children's scarlet

342

00:17:58,320 --> 00:17:54,670

fever is and I've heard stories now

343

00:18:00,450 --> 00:17:58,330

where it's coming back and is very very

344

00:18:03,740 --> 00:18:00,460

very deadly to children and parents out

345

00:18:06,570 --> 00:18:03,750

there please if you can listen to me get

346

00:18:09,630 --> 00:18:06,580

immunized get your children immunized I

347

00:18:12,810 --> 00:18:09,640

can't stress it enough I I'm not sure if

348

00:18:15,180 --> 00:18:12,820

I was there not but if I was maybe I got

349

00:18:18,420 --> 00:18:15,190

maybe not as bad as some would have but

350

00:18:21,450 --> 00:18:18,430

I urge children to please please get

351  
00:18:25,740 --> 00:18:21,460  
immunized okay I can't stress it enough

352  
00:18:28,310 --> 00:18:25,750  
get immunized on that the stuff is no

353  
00:18:33,030 --> 00:18:28,320  
joke don't play with it

354  
00:18:35,370 --> 00:18:33,040  
Russian Roulette oh yeah now I've heard

355  
00:18:40,830 --> 00:18:35,380  
of uh I've heard of other people

356  
00:18:43,800 --> 00:18:40,840  
Tim correct me if I'm remembering this

357  
00:18:50,280 --> 00:18:43,810  
name peter hurkos I think yes the

358  
00:18:52,410 --> 00:18:50,290  
gentleman's name whom he lived basically

359  
00:18:53,910 --> 00:18:52,420  
a normal life you know through adulthood

360  
00:18:55,980 --> 00:18:53,920  
and I think didn't he have an accident

361  
00:18:59,650 --> 00:18:55,990  
where he fell off a ladder and received

362  
00:19:03,210 --> 00:18:59,660  
yes a head injury yeah I believe so yeah

363  
00:19:07,660 --> 00:19:03,220

and and then he became a very well-known

364

00:19:11,050 --> 00:19:07,670

psychic and clairvoyant well I mean also

365

00:19:16,030 --> 00:19:11,060

- didn't something similar happened to

366

00:19:18,730 --> 00:19:16,040

our late friend T lumps Inca Rama oh yes

367

00:19:21,220 --> 00:19:18,740

yes that's right that's right yeah I had

368

00:19:22,930 --> 00:19:21,230

forgotten by he fell out of his right he

369

00:19:24,430 --> 00:19:22,940

was pruning a tree or something all

370

00:19:30,730 --> 00:19:24,440

right

371

00:19:33,310 --> 00:19:30,740

the fell and when he came to after I

372

00:19:36,720 --> 00:19:33,320

guess being unconscious for a while he

373

00:19:40,480 --> 00:19:36,730

had taken on the personality of a

374

00:19:43,180 --> 00:19:40,490

Tibetan lama right right so I mean it's

375

00:19:45,370 --> 00:19:43,190

not without precedent that that the

376

00:19:48,420 --> 00:19:45,380

people have had you know serious

377

00:19:50,800 --> 00:19:48,430

injuries and have come out of it with

378

00:19:53,530 --> 00:19:50,810

really you know altered states of

379

00:19:56,410 --> 00:19:53,540

consciousness altered states of

380

00:19:59,020 --> 00:19:56,420

consciousness so you know I you know I

381

00:20:02,530 --> 00:19:59,030

find your I find your story a very

382

00:20:04,830 --> 00:20:02,540

interesting Melissa about how you were

383

00:20:07,450 --> 00:20:04,840

able to do that so now you say that

384

00:20:08,650 --> 00:20:07,460

as far as you know I mean anybody else

385

00:20:10,810 --> 00:20:08,660

in your family I know you said they

386

00:20:14,230 --> 00:20:10,820

didn't talk about it but anybody else

387

00:20:17,220 --> 00:20:14,240

did your family that you know of have

388

00:20:20,950 --> 00:20:17,230

similar abilities even you know like a

389

00:20:24,040 --> 00:20:20,960

grandparent or a grandparents well I did

390

00:20:28,420 --> 00:20:24,050

some checking into my family tree and lo

391

00:20:32,410 --> 00:20:28,430

and behold yes it actually goes back 16

392

00:20:34,530 --> 00:20:32,420

maybe even 17 or more generations all

393

00:20:39,840 --> 00:20:34,540

the way back even to pre-christian times

394

00:20:43,690 --> 00:20:39,850

and I found that yes my family is lineal

395

00:20:46,930 --> 00:20:43,700

psychic whether they won't accept it

396

00:20:50,140 --> 00:20:46,940

believe it or whatever I don't really

397

00:20:52,030 --> 00:20:50,150

know but you know I mean whether they

398

00:20:55,510 --> 00:20:52,040

won't believe it or not I couldn't tell

399

00:21:02,410 --> 00:20:55,520

you but yeah we have a very very very

400

00:21:05,260 --> 00:21:02,420

long lineage of abilities mm-hmm and and

401  
00:21:08,310 --> 00:21:05,270  
you say that you're your descendant from

402  
00:21:12,780 --> 00:21:08,320  
what was that was it the the Iroquois

403  
00:21:18,510 --> 00:21:16,110  
and there there's a lot of history with

404  
00:21:22,230 --> 00:21:18,520  
the Native Americans

405  
00:21:28,070 --> 00:21:22,240  
and there's especially their there their

406  
00:21:32,040 --> 00:21:28,080  
shamans and the abilities to you know

407  
00:21:38,220 --> 00:21:32,050  
use their clairvoyant clairvoyance to to

408  
00:21:40,740 --> 00:21:38,230  
help their tribes so so I mean you feel

409  
00:21:43,590 --> 00:21:40,750  
that that that you are basically you're

410  
00:21:47,190 --> 00:21:43,600  
carrying on just a really a rich

411  
00:21:51,290 --> 00:21:47,200  
tradition here yes I am and I have

412  
00:21:56,160 --> 00:21:51,300  
actually had multiple shamans tell me

413  
00:22:00,810 --> 00:21:56,170

you're not one of us you're going to be

414

00:22:02,640 --> 00:22:00,820

and at age 21 of course you know I was

415

00:22:06,450 --> 00:22:02,650

very very skeptical up until the age of

416

00:22:08,790 --> 00:22:06,460

21 mm-hmm and my ancestors once I hit to

417

00:22:10,950 --> 00:22:08,800

him one came to me from spear and said

418

00:22:15,120 --> 00:22:10,960

you're going to be a shaman I'm going to

419

00:22:20,010 --> 00:22:15,130

be a what do you want that ball is in

420

00:22:21,780 --> 00:22:20,020

y'all's port all right well that's it

421

00:22:23,250 --> 00:22:21,790

we're gonna have to we're gonna have to

422

00:22:25,440 --> 00:22:23,260

pull our strings right now Melissa

423

00:22:27,120 --> 00:22:25,450

because we're coming up to our first

424

00:22:29,010 --> 00:22:27,130

break of the evening so when we come

425

00:22:31,320 --> 00:22:29,020

back we'll bring Lamont Hamilton into

426

00:22:40,590 --> 00:22:31,330

the conversation on exploring the bazaar

427

00:22:47,320 --> 00:22:44,740

now back to exploring the bazaars with

428

00:22:50,620 --> 00:22:47,330

two of the most electrifying researchers

429

00:22:56,919 --> 00:22:50,630

in the Paranoid your hosts Timothy Becky

430

00:22:58,840 --> 00:22:56,929

link and Tim Swift's all right welcome

431

00:23:01,389 --> 00:22:58,850

back to exploring the bazaar I'm Tim

432

00:23:03,190 --> 00:23:01,399

Schwarz we're the first part of the

433

00:23:05,580 --> 00:23:03,200

program we have been talking to Melissa

434

00:23:08,259 --> 00:23:05,590

Brian so now we want to bring Lamont

435

00:23:09,039 --> 00:23:08,269

Hamilton into the show and how are you

436

00:23:11,980 --> 00:23:09,049

doing this evening

437

00:23:14,560 --> 00:23:11,990

I'm doing fine Tim how are you Oh doing

438

00:23:16,269 --> 00:23:14,570

fantastic and can we call you Monty and

439

00:23:17,919 --> 00:23:16,279

I said that your friends call you Monty

440

00:23:23,440 --> 00:23:17,929

so can we absolutely

441

00:23:26,860 --> 00:23:23,450

fantastic thank you well let's let's

442

00:23:29,350 --> 00:23:26,870

take this like we did with Melissa

443

00:23:31,539 --> 00:23:29,360

Monty let's take it back from the very

444

00:23:39,269 --> 00:23:31,549

beginning I mean when did you first

445

00:23:43,600 --> 00:23:39,279

realize that that maybe you know you had

446

00:23:46,450 --> 00:23:43,610

abilities that other people did it my

447

00:23:49,930 --> 00:23:46,460

story started when I was about eight

448

00:23:52,810 --> 00:23:49,940

years old at the time my father had gone

449

00:23:55,720 --> 00:23:52,820

missing in action in Vietnam and so when

450

00:23:57,399 --> 00:23:55,730

a lot of the government agents came to

451  
00:23:59,919 --> 00:23:57,409  
the house and we're explaining what

452  
00:24:02,639 --> 00:23:59,929  
happened to my father I started seeing

453  
00:24:05,110 --> 00:24:02,649  
at the time what looked like a

454  
00:24:06,759 --> 00:24:05,120  
teleprompter script at the bottom like

455  
00:24:09,759 --> 00:24:06,769  
you would see now on most television

456  
00:24:12,970 --> 00:24:09,769  
shows and these will you'd see the the

457  
00:24:14,710 --> 00:24:12,980  
lettering or their vocals going across

458  
00:24:17,769 --> 00:24:14,720  
the bottom of the screen and this was

459  
00:24:19,570 --> 00:24:17,779  
something I thought was normal I wasn't

460  
00:24:22,029 --> 00:24:19,580  
aware that I was the only one that could

461  
00:24:24,789 --> 00:24:22,039  
see it but I also could tell when

462  
00:24:26,649 --> 00:24:24,799  
someone was speaking if they said

463  
00:24:28,090 --> 00:24:26,659

something that didn't match what was on

464

00:24:32,980 --> 00:24:28,100

the teleprompter did I knew they were

465

00:24:35,259 --> 00:24:32,990

lying so you say that you were eight

466

00:24:37,930 --> 00:24:35,269

years old when this happened I mean you

467

00:24:40,570 --> 00:24:37,940

know do you think that you were having

468

00:24:42,100 --> 00:24:40,580

these sort of experiences beforehand but

469

00:24:44,230 --> 00:24:42,110

you just really weren't old enough to

470

00:24:46,520 --> 00:24:44,240

you know to realize that this was

471

00:24:48,530 --> 00:24:46,530

anything really

472

00:24:51,320 --> 00:24:48,540

on normal you just because you know

473

00:24:53,450 --> 00:24:51,330

because when you're a kid when when

474

00:24:55,040 --> 00:24:53,460

these types of unusual events happen you

475

00:24:56,600 --> 00:24:55,050

don't think of them as unusual that's

476

00:24:59,630 --> 00:24:56,610

just you know it's just it just is just

477

00:25:01,700 --> 00:24:59,640

part of your life that's correct I

478

00:25:03,530 --> 00:25:01,710

believe that there were other indicators

479

00:25:06,170 --> 00:25:03,540

one of them that I was very interested

480

00:25:09,050 --> 00:25:06,180

in electronics starting at the age of

481

00:25:11,270 --> 00:25:09,060

six my father was an Air Force pilot and

482

00:25:14,030 --> 00:25:11,280

he was heavily into electronics and

483

00:25:17,720 --> 00:25:14,040

communications but it didn't really tie

484

00:25:21,260 --> 00:25:17,730

that into him until after I started

485

00:25:23,930 --> 00:25:21,270

having the experiences with the military

486

00:25:26,060 --> 00:25:23,940

and people talking about my father and

487

00:25:28,160 --> 00:25:26,070

what happened to them and what I think

488

00:25:30,680 --> 00:25:28,170

triggered it was whenever they would

489

00:25:33,700 --> 00:25:30,690

speak I would get a mental image of what

490

00:25:36,950 --> 00:25:33,710

they were saying and that did not

491

00:25:40,190 --> 00:25:36,960

coincide if they said his plane was hit

492

00:25:43,220 --> 00:25:40,200

by sound missile I saw his plane fly

493

00:25:45,740 --> 00:25:43,230

through that and so I didn't understand

494

00:25:50,170 --> 00:25:45,750

that naturally for many years but I had

495

00:25:52,310 --> 00:25:50,180

other experiences I guess you could say

496

00:25:55,640 --> 00:25:52,320

telepathic communications and things

497

00:25:58,220 --> 00:25:55,650

like that but I wasn't aware again until

498

00:26:01,640 --> 00:25:58,230

I was much older that and some of it not

499

00:26:02,870 --> 00:26:01,650

even till I got into college that there

500

00:26:04,550 --> 00:26:02,880

was something different going on I

501  
00:26:07,250 --> 00:26:04,560  
didn't believe in psychics by the way

502  
00:26:10,970 --> 00:26:07,260  
growing up I thought that was a bunch of

503  
00:26:12,980 --> 00:26:10,980  
hooy and it wasn't until I got in my

504  
00:26:15,230 --> 00:26:12,990  
early 20s that I took a class of the

505  
00:26:17,300 --> 00:26:15,240  
paranormal and started learning that I

506  
00:26:19,850 --> 00:26:17,310  
had a language barrier I did not

507  
00:26:22,640 --> 00:26:19,860  
understand the language of metaphysics

508  
00:26:25,520 --> 00:26:22,650  
and the paranormal and so I did not have

509  
00:26:27,620 --> 00:26:25,530  
an education or anyone to tell me

510  
00:26:29,840 --> 00:26:27,630  
anything and much like Melissa I didn't

511  
00:26:33,740 --> 00:26:29,850  
talk about it I'm from the south

512  
00:26:35,600 --> 00:26:33,750  
obviously in Alabama specifically and so

513  
00:26:38,060 --> 00:26:35,610

you didn't talk about things like that I

514

00:26:41,030 --> 00:26:38,070

often tell people I was psychic when

515

00:26:43,540 --> 00:26:41,040

psychic wasn't cool have you told anyone

516

00:26:46,700 --> 00:26:43,550

they would put you in a padded room

517

00:26:50,420 --> 00:26:46,710

which is really interesting because I

518

00:26:54,140 --> 00:26:50,430

have a lot of family that that came from

519

00:26:59,700 --> 00:26:54,150

the south and with a very rich tradition

520

00:27:03,080 --> 00:26:59,710

of mediumistic abilities

521

00:27:07,409 --> 00:27:03,090

I had a great grandmother who was a

522

00:27:09,720 --> 00:27:07,419

powwow woman and but you're correct

523

00:27:12,720 --> 00:27:09,730

though even though I imagined that

524

00:27:18,690 --> 00:27:12,730

practically every family has somebody

525

00:27:20,519 --> 00:27:18,700

that has these experiences and probably

526

00:27:23,279 --> 00:27:20,529

you know in my opinion everybody

527

00:27:27,510 --> 00:27:23,289

everywhere has at least one unusual

528

00:27:31,500 --> 00:27:27,520

experience in their life it's not widely

529

00:27:33,180 --> 00:27:31,510

talked about and I suppose because the

530

00:27:35,310 --> 00:27:33,190

South I mean you've got the Bible Belt

531

00:27:40,230 --> 00:27:35,320

and that's the kind of thing that you

532

00:27:42,419 --> 00:27:40,240

don't discuss because of you know just

533

00:27:44,909 --> 00:27:42,429

the idea that you know you you could be

534

00:27:46,820 --> 00:27:44,919

encroaching you know on to the devil's

535

00:27:49,470 --> 00:27:46,830

territory so to speak

536

00:27:51,419 --> 00:27:49,480

that's correct and even when I started

537

00:27:54,240 --> 00:27:51,429

reaching out to ministers and other

538

00:27:56,639 --> 00:27:54,250

people in my teens it didn't take long

539

00:27:58,620 --> 00:27:56,649

for them to shut me down and tell me

540

00:28:00,419 --> 00:27:58,630

that anything that I had or any

541

00:28:03,029 --> 00:28:00,429

abilities had to be the work of the

542

00:28:05,519 --> 00:28:03,039

devil and it was always predicated upon

543

00:28:07,230 --> 00:28:05,529

they did not know how to explain what

544

00:28:09,930 --> 00:28:07,240

happened because I would tell them what

545

00:28:12,149 --> 00:28:09,940

was going on and so it always defaulted

546

00:28:14,250 --> 00:28:12,159

to that it had to be something to do

547

00:28:16,350 --> 00:28:14,260

with the devil I was very religious

548

00:28:19,230 --> 00:28:16,360

myself even called to preach at the age

549

00:28:20,669 --> 00:28:19,240

13 and was preaching at 15 and so I

550

00:28:23,940 --> 00:28:20,679

didn't believe that I didn't believe

551

00:28:26,700 --> 00:28:23,950

that these things that I saw and was

552

00:28:29,639 --> 00:28:26,710

involved in had anything to do with

553

00:28:32,310 --> 00:28:29,649

something negative or demonic I knew

554

00:28:34,409 --> 00:28:32,320

that I was missing something in my

555

00:28:37,799 --> 00:28:34,419

education I just could not get it

556

00:28:41,330 --> 00:28:37,809

through the church at the time and I

557

00:28:44,000 --> 00:28:41,340

like I asked Melissa as far as you know

558

00:28:48,720 --> 00:28:44,010

is there anybody else in your family

559

00:28:50,669 --> 00:28:48,730

that had similar abilities you know

560

00:28:53,190 --> 00:28:50,679

parents great grandparents or anything

561

00:28:56,220 --> 00:28:53,200

like that as far as you know not that

562

00:28:58,470 --> 00:28:56,230

anyone has ever professed I've naturally

563

00:29:00,690 --> 00:28:58,480

through my own abilities I can Intuit

564

00:29:04,230 --> 00:29:00,700

and see things about family members and

565

00:29:06,899 --> 00:29:04,240

I could probably say very easily that my

566

00:29:09,360 --> 00:29:06,909

mother is highly empathic and sensitive

567

00:29:11,850 --> 00:29:09,370

and so was my father and so they don't

568

00:29:13,350 --> 00:29:11,860

call it you know psychic phenomena they

569

00:29:15,750 --> 00:29:13,360

just say you know they had

570

00:29:18,180 --> 00:29:15,760

dream or they felt something but they

571

00:29:19,380 --> 00:29:18,190

don't talk about it still again I could

572

00:29:22,049 --> 00:29:19,390

count on one hand the number of

573

00:29:24,120 --> 00:29:22,059

instances that or experiences that I

574

00:29:25,650 --> 00:29:24,130

heard from my mother and of course my

575

00:29:27,210 --> 00:29:25,660

dad went missing when I was 8 so I

576

00:29:30,539 --> 00:29:27,220

didn't have any interaction with him

577

00:29:32,340 --> 00:29:30,549

it's only after he was killed in action

578

00:29:33,690 --> 00:29:32,350

in Vietnam that I that I was able to

579

00:29:36,990 --> 00:29:33,700

communicate with him and get some of

580

00:29:40,710 --> 00:29:37,000

that information alright now I have to I

581

00:29:42,390 --> 00:29:40,720

have to ask then what put kind of

582

00:29:44,700 --> 00:29:42,400

communications have you had with your

583

00:29:46,740 --> 00:29:44,710

father since he passed away well for

584

00:29:49,710 --> 00:29:46,750

many years I didn't have any that wasn't

585

00:29:52,200 --> 00:29:49,720

part of my spiritual path it goes to

586

00:29:54,060 --> 00:29:52,210

when I was 18 I was visited by an angel

587

00:29:55,560 --> 00:29:54,070

and the angel told me that I wasn't

588

00:29:58,950 --> 00:29:55,570

gonna live to be 21

589

00:30:00,750 --> 00:29:58,960

Noah's 18 really didn't care I was been

590

00:30:03,750 --> 00:30:00,760

on my own since I was 15 had a lot of

591

00:30:05,310 --> 00:30:03,760

problems growing up and I thought that I

592

00:30:07,350 --> 00:30:05,320

would be able to trick the angel and

593

00:30:09,330 --> 00:30:07,360

saying okay can I have a wish something

594

00:30:12,180 --> 00:30:09,340

like you know rubbing the bottle with a

595

00:30:16,560 --> 00:30:12,190

genie right and the angel said yes I

596

00:30:17,789 --> 00:30:16,570

said well if I agreed what you want and

597

00:30:19,890 --> 00:30:17,799

what they wanted me to do was quit

598

00:30:22,020 --> 00:30:19,900

drinking and smoking and doing drugs and

599

00:30:25,350 --> 00:30:22,030

wanted me to use my abilities to help

600

00:30:27,150 --> 00:30:25,360

other people and I say well if you bring

601  
00:30:29,310 --> 00:30:27,160  
my father back this well you would be

602  
00:30:31,110 --> 00:30:29,320  
able to make that agreement that you

603  
00:30:33,180 --> 00:30:31,120  
bring my dad back and then I'll do what

604  
00:30:35,820 --> 00:30:33,190  
you want in my mind thinking it would

605  
00:30:38,010 --> 00:30:35,830  
only take 2 or 3 years to get my father

606  
00:30:39,870 --> 00:30:38,020  
back and it ended up being 30 years

607  
00:30:42,180 --> 00:30:39,880  
later and I'd promised not to get

608  
00:30:44,880 --> 00:30:42,190  
married or have any children and so it

609  
00:30:47,190 --> 00:30:44,890  
wasn't until 2006 that I was able to get

610  
00:30:49,799 --> 00:30:47,200  
my father's remains and return them but

611  
00:30:51,659 --> 00:30:49,809  
in that 30 year span what happened was

612  
00:30:53,970 --> 00:30:51,669  
the Angels taught me the gifts that I

613  
00:30:56,820 --> 00:30:53,980

have and they showed me how to use them

614

00:30:59,100 --> 00:30:56,830

I don't read books or watch videos or

615

00:31:00,810 --> 00:30:59,110

anything like that I'm very organic and

616

00:31:02,640 --> 00:31:00,820

that whatever I need to know they tell

617

00:31:04,770 --> 00:31:02,650

me and they have and that's why I have a

618

00:31:07,380 --> 00:31:04,780

lot of the abilities that I do but in

619

00:31:09,510 --> 00:31:07,390

communicating with my father he was

620

00:31:12,390 --> 00:31:09,520

telling me to keep looking for him

621

00:31:14,610 --> 00:31:12,400

because that was my promise that I would

622

00:31:16,680 --> 00:31:14,620

bring him home that I would use every

623

00:31:19,080 --> 00:31:16,690

ounce of my abilities to get him back

624

00:31:21,450 --> 00:31:19,090

home and naturally I was able to do that

625

00:31:23,070 --> 00:31:21,460

but there were times that he would

626  
00:31:26,670 --> 00:31:23,080  
communicate that my life was in danger

627  
00:31:28,560 --> 00:31:26,680  
that I was treading on

628  
00:31:29,880 --> 00:31:28,570  
a ground meaning that to other people

629  
00:31:32,790 --> 00:31:29,890  
watching me that they have been aware of

630  
00:31:34,350 --> 00:31:32,800  
my abilities and that creates a national

631  
00:31:37,290 --> 00:31:34,360  
security issue when you have those

632  
00:31:38,810 --> 00:31:37,300  
abilities and so he was always there to

633  
00:31:43,200 --> 00:31:38,820  
protect me

634  
00:31:46,860 --> 00:31:43,210  
so how how will your father's remains

635  
00:31:49,860 --> 00:31:46,870  
then finally located the the government

636  
00:31:52,710 --> 00:31:49,870  
what they did was they they excavate

637  
00:31:55,230 --> 00:31:52,720  
excavate a lot of the crash sites and I

638  
00:31:58,620 --> 00:31:55,240

knew in 2003 that they were close to

639

00:32:00,720 --> 00:31:58,630

finding his remains and I quit retired

640

00:32:02,280 --> 00:32:00,730

in my job because of that because I

641

00:32:05,550 --> 00:32:02,290

didn't want to be working and I wanted

642

00:32:07,650 --> 00:32:05,560

to spend the next year or so putting all

643

00:32:09,840 --> 00:32:07,660

the emphasis on trying to help you know

644

00:32:12,960 --> 00:32:09,850

our government located his remains and

645

00:32:15,210 --> 00:32:12,970

so what they did was they they took a

646

00:32:16,830 --> 00:32:15,220

tip from some villager and what they

647

00:32:19,590 --> 00:32:16,840

normally do is they go and pay a ransom

648

00:32:21,150 --> 00:32:19,600

and they show them where the remains are

649

00:32:23,070 --> 00:32:21,160

or where a plane went down and then it

650

00:32:25,680 --> 00:32:23,080

sometimes takes a year and sometimes two

651  
00:32:27,870 --> 00:32:25,690  
years to go in and and look for the

652  
00:32:30,000 --> 00:32:27,880  
remains and they're actually valid

653  
00:32:38,210 --> 00:32:30,010  
validate through DNA they're the remains

654  
00:32:43,530 --> 00:32:38,220  
of someone mmm so you you talked about

655  
00:32:46,920 --> 00:32:43,540  
the angels teaching you as as you were

656  
00:32:50,310 --> 00:32:46,930  
growing up well actually after Hugh had

657  
00:32:52,620 --> 00:32:50,320  
grown up how did they do this I mean you

658  
00:32:53,970 --> 00:32:52,630  
know it I imagined it wasn't like you

659  
00:32:56,960 --> 00:32:53,980  
know you'd go to sleep at night and then

660  
00:33:00,960 --> 00:32:56,970  
go to a celestial classroom someplace so

661  
00:33:04,440 --> 00:33:00,970  
how how were you taught most of the time

662  
00:33:07,860 --> 00:33:04,450  
it was when I say organic it meant I

663  
00:33:09,330 --> 00:33:07,870

didn't know what I was doing what case

664

00:33:12,690 --> 00:33:09,340

in point was I was working with a

665

00:33:16,620 --> 00:33:12,700

national dowser in Atlanta I went to

666

00:33:18,800 --> 00:33:16,630

hear his seminar and to hear him talk

667

00:33:21,330 --> 00:33:18,810

and he went outside and demonstrated

668

00:33:23,340 --> 00:33:21,340

some of the things that he did using

669

00:33:25,050 --> 00:33:23,350

dowsing rods and one of the things that

670

00:33:27,300 --> 00:33:25,060

I just kind of heard and then her voice

671

00:33:30,180 --> 00:33:27,310

said you don't need those and rods you

672

00:33:31,770 --> 00:33:30,190

can use your hand and so I relayed that

673

00:33:33,150 --> 00:33:31,780

to him and told him and he said why

674

00:33:36,330 --> 00:33:33,160

don't you show me what you're talking

675

00:33:38,320 --> 00:33:36,340

about and I backed up he told me to

676

00:33:40,149 --> 00:33:38,330

close my eyes and he's

677

00:33:42,759 --> 00:33:40,159

told me to walk toward him and he put a

678

00:33:44,289 --> 00:33:42,769

chalk line across the concrete and he

679

00:33:46,810 --> 00:33:44,299

told me let him know when my hands were

680

00:33:49,599 --> 00:33:46,820

across that concrete that that line that

681

00:33:51,669 --> 00:33:49,609

he drew and I did it and open my eyes

682

00:33:54,039 --> 00:33:51,679

and and he said that's impossible you

683

00:33:56,649 --> 00:33:54,049

just no way somebody can do that he said

684

00:33:58,869 --> 00:33:56,659

you cheated and I'm gonna have somebody

685

00:34:01,149 --> 00:33:58,879

put their hands over your face and make

686

00:34:03,699 --> 00:34:01,159

sure you're not looking and I repeated

687

00:34:05,560 --> 00:34:03,709

it and so most of the time the abilities

688

00:34:08,619 --> 00:34:05,570

came to me spontaneously something would

689

00:34:10,029 --> 00:34:08,629

say just do it and I would do it and

690

00:34:13,950 --> 00:34:10,039

that's how I discovered I had that

691

00:34:18,220 --> 00:34:13,960

ability and often times it was a knowing

692

00:34:19,779 --> 00:34:18,230

an intuitive knowing that something that

693

00:34:20,829 --> 00:34:19,789

someone said could not be done I could

694

00:34:22,750 --> 00:34:20,839

do mm-hmm

695

00:34:25,329 --> 00:34:22,760

and I just did it and I never had any

696

00:34:28,659 --> 00:34:25,339

fear and it never failed 100% of the

697

00:34:31,539 --> 00:34:28,669

time I was able to do whatever feat that

698

00:34:34,419 --> 00:34:31,549

I was challenged to do well obviously

699

00:34:37,240 --> 00:34:34,429

that dowser though that made that

700

00:34:39,510 --> 00:34:37,250

challenge to you hadn't kept up on his

701  
00:34:43,930 --> 00:34:39,520  
homework because I mean I have seen

702  
00:34:46,720 --> 00:34:43,940  
people do intuitive dowsing just just

703  
00:34:50,289 --> 00:34:46,730  
like you described they don't they don't

704  
00:34:52,359 --> 00:34:50,299  
need a like a go-between you know like a

705  
00:34:54,639 --> 00:34:52,369  
pendulum or the Oh Roger I think like

706  
00:34:56,230 --> 00:34:54,649  
that they just now I have seen some that

707  
00:34:58,359 --> 00:34:56,240  
they'll just use their hands you know

708  
00:35:02,500 --> 00:34:58,369  
they'll walk with their hands in front

709  
00:35:05,200 --> 00:35:02,510  
of them and if their hands say like

710  
00:35:06,609 --> 00:35:05,210  
involuntarily jerk or move up and down

711  
00:35:09,190 --> 00:35:06,619  
or anything like that that's how they

712  
00:35:11,500 --> 00:35:09,200  
get you know the clue but I've seen

713  
00:35:13,539 --> 00:35:11,510

others that will just you know though

714

00:35:15,519 --> 00:35:13,549

they'll walk up and down and they'll

715

00:35:17,410 --> 00:35:15,529

just you know point down say you know

716

00:35:19,870 --> 00:35:17,420

here here here and that's that's how

717

00:35:21,640 --> 00:35:19,880

they do it yeah that's how I do it in

718

00:35:23,380 --> 00:35:21,650

mind you this was back in the 80s this

719

00:35:25,779 --> 00:35:23,390

was myit for the internet and a lot of

720

00:35:29,019 --> 00:35:25,789

people knowing what was going on later

721

00:35:30,490 --> 00:35:29,029

in my job I worked at NASA and one of

722

00:35:32,500 --> 00:35:30,500

the things I did was worked where the

723

00:35:34,750 --> 00:35:32,510

dials are they're defined munitions that

724

00:35:36,370 --> 00:35:34,760

were buried and I could do it with my

725

00:35:38,529 --> 00:35:36,380

eyes I could just look somewhere and

726

00:35:40,329 --> 00:35:38,539

tell where to go and that's exactly what

727

00:35:45,730 --> 00:35:40,339

he did but I've never had any training

728

00:35:47,289 --> 00:35:45,740

in doing anything like that now I find I

729

00:35:51,359 --> 00:35:47,299

find it somewhat humorous you know you

730

00:35:53,910 --> 00:35:51,369

said that you work for for NASA and and

731

00:35:55,230 --> 00:35:53,920

that occasionally I don't know if you're

732

00:35:57,259 --> 00:35:55,240

familiar with this but a couple of

733

00:36:01,289 --> 00:35:57,269

months ago you know there was a big

734

00:36:04,079 --> 00:36:01,299

hullabaloo in England when it was

735

00:36:09,960 --> 00:36:04,089

revealed that a number of the water

736

00:36:14,489 --> 00:36:09,970

companies they're still employed workers

737

00:36:19,799 --> 00:36:14,499

who used a dowsing elrod specifically to

738

00:36:23,430 --> 00:36:19,809

help locate pipes and but I would say

739

00:36:27,779 --> 00:36:23,440

that if you talk to really any kind of

740

00:36:29,940 --> 00:36:27,789

company that does things like that you

741

00:36:33,180 --> 00:36:29,950

will find that a majority of them will

742

00:36:35,430 --> 00:36:33,190

use dowsers oh absolutely just about

743

00:36:39,329 --> 00:36:35,440

anybody can do it anyway the threshold

744

00:36:41,370 --> 00:36:39,339

is just a sensitivity when I was what

745

00:36:44,180 --> 00:36:41,380

happened was this individual was hired

746

00:36:47,039 --> 00:36:44,190

by NASA to use magnetometers and

747

00:36:51,299 --> 00:36:47,049

specific devices to look for munitions

748

00:36:54,539 --> 00:36:51,309

and what happened was he he lost his

749

00:36:56,489 --> 00:36:54,549

dowsing rods and I was working as an

750

00:36:59,190 --> 00:36:56,499

incident commander so I was his first

751

00:37:00,779 --> 00:36:59,200

choice and the first interface so he

752

00:37:02,700 --> 00:37:00,789

came to me and he complained that he

753

00:37:04,200 --> 00:37:02,710

couldn't find him and I just looked

754

00:37:06,170 --> 00:37:04,210

across the field and told him where to

755

00:37:08,339 --> 00:37:06,180

go and where to walk and he found him

756

00:37:10,470 --> 00:37:08,349

but it wasn't something that was

757

00:37:12,749 --> 00:37:10,480

sponsored by NASA by any means because

758

00:37:15,660 --> 00:37:12,759

she was paid contractually and he placed

759

00:37:18,029 --> 00:37:15,670

his life in jeopardy by doing that and

760

00:37:20,160 --> 00:37:18,039

after I demonstrated what I could do

761

00:37:22,529 --> 00:37:20,170

then he insisted that only I would be

762

00:37:24,870 --> 00:37:22,539

able to work with him because he was in

763

00:37:27,900 --> 00:37:24,880

a hole you know sometimes 15 20 feet

764

00:37:29,849 --> 00:37:27,910

deep by 50 feet wide and had no one else

765

00:37:31,499 --> 00:37:29,859

to literally watch his back

766

00:37:33,839 --> 00:37:31,509

and so I would stand on the edge and

767

00:37:35,759 --> 00:37:33,849

tell him go left go right that sort of

768

00:37:38,489 --> 00:37:35,769

thing and help them but like you said

769

00:37:41,370 --> 00:37:38,499

that's commonplace now a lot of things

770

00:37:43,950 --> 00:37:41,380

like that where years ago profession or

771

00:37:47,190 --> 00:37:43,960

dowsers use the pendulums and other

772

00:37:49,349 --> 00:37:47,200

devices but I've never used any time I

773

00:37:51,239 --> 00:37:49,359

call them props I don't use any props to

774

00:37:54,900 --> 00:37:51,249

do the things that I do mm-hmm

775

00:37:57,450 --> 00:37:54,910

I remember seeing a an old film or not

776

00:37:59,749 --> 00:37:57,460

not that old or at least not good not to

777

00:38:05,370 --> 00:37:59,759

me that was taken during the Vietnam War

778

00:38:09,739 --> 00:38:05,380

that that sold soldiers using

779

00:38:13,469 --> 00:38:09,749

Elrod's to locate Vietcong tunnels and

780

00:38:16,439 --> 00:38:13,479

this this film I mean they were able to

781

00:38:19,410 --> 00:38:16,449

locate these terminals practically every

782

00:38:22,890 --> 00:38:19,420

time and it was just uh it was a

783

00:38:25,049 --> 00:38:22,900

fascinating film yes and they even

784

00:38:27,660 --> 00:38:25,059

employ psychics the government's had you

785

00:38:30,630 --> 00:38:27,670

know several programs that employed

786

00:38:33,089 --> 00:38:30,640

psychics to help them with their their

787

00:38:34,979 --> 00:38:33,099

I guess counterintelligence and some of

788

00:38:37,170 --> 00:38:34,989

them even like Airy Geller and others

789

00:38:39,620 --> 00:38:37,180

that were famous I also worked in the

790

00:38:42,150 --> 00:38:39,630

security and national defense industry

791

00:38:45,089 --> 00:38:42,160

now that's that's the thing a lot of

792

00:38:47,069 --> 00:38:45,099

people a lot of skeptics still love to

793

00:38:49,709 --> 00:38:47,079

point out how uri geller

794

00:38:52,469 --> 00:38:49,719

you know was able to bend spoons and

795

00:38:55,949 --> 00:38:52,479

things like that using basically simple

796

00:39:01,289 --> 00:38:55,959

magician magician tricks yet none of

797

00:39:04,559 --> 00:39:01,299

them really care to admit that that

798

00:39:07,499 --> 00:39:04,569

Ouray has has made a lot of money later

799

00:39:12,799 --> 00:39:07,509

on in life helping oil and mineral

800

00:39:16,680 --> 00:39:12,809

companies locate very profitable

801  
00:39:19,799 --> 00:39:16,690  
locations yes I'm familiar with the

802  
00:39:22,890 --> 00:39:19,809  
uneme zhing Randi and I've been called a

803  
00:39:25,380 --> 00:39:22,900  
[h\_\_h] on his on his website as well but

804  
00:39:27,359 --> 00:39:25,390  
I know your regular and I've tested him

805  
00:39:30,660 --> 00:39:27,369  
and he's the real deal if I had to point

806  
00:39:32,370 --> 00:39:30,670  
out any one person that I would say is

807  
00:39:35,099 --> 00:39:32,380  
the best of the best

808  
00:39:37,979 --> 00:39:35,109  
not only at heart but in what he does

809  
00:39:43,349 --> 00:39:37,989  
it's irregular he works for mankind I

810  
00:39:46,650 --> 00:39:43,359  
first saw him about 1970 well 1984 New

811  
00:39:48,779 --> 00:39:46,660  
York and that was when he made mention

812  
00:39:51,359 --> 00:39:48,789  
of a lot of people would challenge them

813  
00:39:53,249 --> 00:39:51,369

and say if you're if you're so good and

814

00:39:56,549 --> 00:39:53,259

you can do all these things and why

815

00:39:58,880 --> 00:39:56,559

aren't you rich and so he set out to

816

00:40:01,739 --> 00:39:58,890

make a lot of money and they made

817

00:40:03,180 --> 00:40:01,749

contracts with major oil companies they

818

00:40:05,729 --> 00:40:03,190

took them in planes and he would point

819

00:40:07,979 --> 00:40:05,739

out whether all was and became a

820

00:40:11,370 --> 00:40:07,989

multi-millionaire doing that so you're

821

00:40:13,949 --> 00:40:11,380

right well that's that's one of the

822

00:40:17,039 --> 00:40:13,959

things that you know the skeptics always

823

00:40:19,200 --> 00:40:17,049

love to to talk about is you know well

824

00:40:22,109 --> 00:40:19,210

if these people's you know ability

825

00:40:25,230 --> 00:40:22,119

these are real why aren't they getting

826

00:40:28,079 --> 00:40:25,240

rich off of the lottery or you know the

827

00:40:30,390 --> 00:40:28,089

ponies or things like that but I mean I

828

00:40:31,849 --> 00:40:30,400

just I know from my own personal

829

00:40:34,770 --> 00:40:31,859

experiences and from you know

830

00:40:39,480 --> 00:40:34,780

experiences from other people that most

831

00:40:43,020 --> 00:40:39,490

of the time your abilities won't work

832

00:40:47,250 --> 00:40:43,030

that way it's it's extremely difficult

833

00:40:48,870 --> 00:40:47,260

if not impossible to for whatever reason

834

00:40:52,400 --> 00:40:48,880

you know karma whatever you'd want to

835

00:40:55,339 --> 00:40:52,410

call it it's it's almost impossible to

836

00:40:58,920 --> 00:40:55,349

enrich yourself using your own abilities

837

00:41:02,099 --> 00:40:58,930

that's only partially true mmm one of

838

00:41:06,089 --> 00:41:02,109

the things that I've asked over the

839

00:41:08,040 --> 00:41:06,099

years was why you know they've given me

840

00:41:09,599 --> 00:41:08,050

lottery numbers before that was hundreds

841

00:41:11,730 --> 00:41:09,609

of millions of dollars and I didn't act

842

00:41:15,060 --> 00:41:11,740

on it because I don't use my abilities

843

00:41:16,800 --> 00:41:15,070

for a financial gain windfall like that

844

00:41:19,020 --> 00:41:16,810

I used my abilities to help other people

845

00:41:21,720 --> 00:41:19,030

but they also pointed out if we gave you

846

00:41:23,370 --> 00:41:21,730

the lottery numbers and you became rich

847

00:41:25,740 --> 00:41:23,380

you would not be doing the things that

848

00:41:28,230 --> 00:41:25,750

you're doing because this is how I make

849

00:41:29,880 --> 00:41:28,240

my living and they said if we gave you

850

00:41:32,490 --> 00:41:29,890

the money you would probably just like

851

00:41:35,070 --> 00:41:32,500

Melissa made the comment she just wants

852

00:41:37,230 --> 00:41:35,080

to go off somewhere and have a store and

853

00:41:39,420 --> 00:41:37,240

and I even told my wife this week I said

854

00:41:41,690 --> 00:41:39,430

there'll come a day when I won't have to

855

00:41:44,040 --> 00:41:41,700

do this anymore that I've satisfied my

856

00:41:47,010 --> 00:41:44,050

license that let's say to the universe

857

00:41:48,540 --> 00:41:47,020

but in theory I don't really care about

858

00:41:50,670 --> 00:41:48,550

being rich there are a lot of people

859

00:41:52,740 --> 00:41:50,680

that do I've turned down million-dollar

860

00:41:55,829 --> 00:41:52,750

offers to do things I don't really care

861

00:41:58,290 --> 00:41:55,839

I just like helping people and that was

862

00:42:00,660 --> 00:41:58,300

my original agreement and even though

863

00:42:03,240 --> 00:42:00,670

that agreement expired in 2006 I've

864

00:42:06,450 --> 00:42:03,250

continued to do so but some people do

865

00:42:08,400 --> 00:42:06,460

well if you look at someone like John

866

00:42:10,079 --> 00:42:08,410

Edwards or there's some of the people

867

00:42:12,660 --> 00:42:10,089

that are out there today they do very

868

00:42:15,000 --> 00:42:12,670

well but what happens is you start

869

00:42:18,089 --> 00:42:15,010

losing your edge when you get that far

870

00:42:22,050 --> 00:42:18,099

up the the food chain it does something

871

00:42:24,960 --> 00:42:22,060

to you well it makes me wonder sometimes

872

00:42:29,520 --> 00:42:24,970

some of these people that that do manage

873

00:42:30,960 --> 00:42:29,530

to win the lottery multiple times I mean

874

00:42:31,849 --> 00:42:30,970

you know most people can play the

875

00:42:33,769 --> 00:42:31,859

numbers or what

876

00:42:35,089 --> 00:42:33,779

you know for all of their lives did not

877

00:42:36,950 --> 00:42:35,099

do anything but then you know your

878

00:42:39,680 --> 00:42:36,960

renter car sees people who you know

879

00:42:40,940 --> 00:42:39,690

they'll the \$100,000 one week and then

880

00:42:42,440 --> 00:42:40,950

two months later they wouldn't another

881

00:42:44,989 --> 00:42:42,450

hundred thousand dollars it just makes

882

00:42:47,089 --> 00:42:44,999

you wonder whether or not they they

883

00:42:51,650 --> 00:42:47,099

didn't have the ability to you know tap

884

00:42:53,900 --> 00:42:51,660

into tap into something that was able to

885

00:42:55,940 --> 00:42:53,910

pull it out or you know if it was just

886

00:42:57,799 --> 00:42:55,950

coincidence of course I don't believe in

887

00:43:00,430 --> 00:42:57,809

coincidence in Beckley and myself you

888

00:43:03,049 --> 00:43:00,440

know we often like to discuss

889

00:43:05,749 --> 00:43:03,059

synchronicity and how you know things

890

00:43:07,519 --> 00:43:05,759

things happen there's that there's a you

891

00:43:10,729 --> 00:43:07,529

know like a web throughout this universe

892

00:43:13,309 --> 00:43:10,739

and sometimes or every time things

893

00:43:14,630 --> 00:43:13,319

happen for a reason that's true and I'd

894

00:43:16,220 --> 00:43:14,640

usually call that just the law of

895

00:43:18,170 --> 00:43:16,230

attraction you don't have to be psychic

896

00:43:20,359 --> 00:43:18,180

to be able to pick the numbers as a

897

00:43:22,160 --> 00:43:20,369

person raises their vibration I know if

898

00:43:27,049 --> 00:43:22,170

they attract it to them so it's the

899

00:43:29,569 --> 00:43:27,059

other way around well and okay I'm glad

900

00:43:32,329 --> 00:43:29,579

you brought that up because you know the

901  
00:43:34,729 --> 00:43:32,339  
the the laws of attraction or you know

902  
00:43:36,829 --> 00:43:34,739  
which I mean that that whole idea has

903  
00:43:38,630 --> 00:43:36,839  
has been around for a long long time I

904  
00:43:40,430 --> 00:43:38,640  
know there a book book books written

905  
00:43:42,200 --> 00:43:40,440  
about it back in the 20s they didn't

906  
00:43:44,180 --> 00:43:42,210  
call yeah they may have called the laws

907  
00:43:46,579 --> 00:43:44,190  
of attraction but you know they the

908  
00:43:47,930 --> 00:43:46,589  
people who wrote the secret you know

909  
00:43:49,160 --> 00:43:47,940  
they made it sound like that you know

910  
00:43:50,630 --> 00:43:49,170  
this this was something you know like

911  
00:43:54,650 --> 00:43:50,640  
brand-new that was that was just

912  
00:43:57,049 --> 00:43:54,660  
discovered so what you were saying

913  
00:44:01,339 --> 00:43:57,059

though is that everybody with the right

914

00:44:04,670 --> 00:44:01,349

frame of mind can can use that can can

915

00:44:07,819 --> 00:44:04,680

bring themselves what they want out of

916

00:44:09,319 --> 00:44:07,829

life that's true and even being psychic

917

00:44:11,749 --> 00:44:09,329

it's not single dimensional it's

918

00:44:13,640 --> 00:44:11,759

multi-dimensional that you can have 20

919

00:44:15,799 --> 00:44:13,650

or 30 different gifts and under the same

920

00:44:17,779 --> 00:44:15,809

umbrella and Melissa may have you know

921

00:44:19,549 --> 00:44:17,789

ten different gifts but you call her

922

00:44:22,190 --> 00:44:19,559

psychic she's a medium she's a visionary

923

00:44:24,650 --> 00:44:22,200

she's intuitive and so you use those

924

00:44:26,539 --> 00:44:24,660

gifts and everyone does everyone has a

925

00:44:28,729 --> 00:44:26,549

tuition and they use it to whatever

926  
00:44:30,529 --> 00:44:28,739  
capacity they know how to use it but and

927  
00:44:32,450 --> 00:44:30,539  
when I say the law of attraction because

928  
00:44:34,539 --> 00:44:32,460  
that's the buzzword for it but use

929  
00:44:37,279 --> 00:44:34,549  
raising your vibration that attracted it

930  
00:44:39,109 --> 00:44:37,289  
mm-hmm well I mean and it's not just a

931  
00:44:40,460 --> 00:44:39,119  
law of attraction I mean from you know

932  
00:44:43,390 --> 00:44:40,470  
what I've read I mean there's a whole

933  
00:44:45,770 --> 00:44:43,400  
you know almost like a pantheon of

934  
00:44:48,860 --> 00:44:45,780  
various laws which the law the track

935  
00:44:51,050 --> 00:44:48,870  
is just one of them oh yes you're

936  
00:44:52,850 --> 00:44:51,060  
absolutely right it it can be just

937  
00:44:54,710 --> 00:44:52,860  
somebody was intuitively they tapped

938  
00:44:55,640 --> 00:44:54,720

into the numbers that they use something

939

00:44:59,360 --> 00:44:55,650

as simple as that

940

00:45:03,470 --> 00:44:59,370

mm-hmm there's so I mean does this

941

00:45:05,840 --> 00:45:03,480

basically mean though that the universe

942

00:45:08,600 --> 00:45:05,850

our reality consciousness whatever you'd

943

00:45:11,420 --> 00:45:08,610

want to call it I mean it's made up of

944

00:45:14,200 --> 00:45:11,430

thoughts it's it's our thoughts that is

945

00:45:17,750 --> 00:45:14,210

the determining factor and everything

946

00:45:19,310 --> 00:45:17,760

somewhat you can co-create with your

947

00:45:21,830 --> 00:45:19,320

thoughts and you can interfere with your

948

00:45:24,500 --> 00:45:21,840

thoughts but it's imaging yes we're

949

00:45:26,450 --> 00:45:24,510

co-creators and everything that happens

950

00:45:28,850 --> 00:45:26,460

in our lives and what influenced by the

951  
00:45:30,800 --> 00:45:28,860  
thoughts of even other people and so it

952  
00:45:31,700 --> 00:45:30,810  
does have a common thread there but it's

953  
00:45:33,920 --> 00:45:31,710  
not all there is

954  
00:45:35,360 --> 00:45:33,930  
oh it's not oh okay all right well

955  
00:45:38,150 --> 00:45:35,370  
because I mean you know you hear a lot

956  
00:45:42,170 --> 00:45:38,160  
of people and I've read a lot of these

957  
00:45:43,490 --> 00:45:42,180  
forums that deal with people trying to

958  
00:45:46,580 --> 00:45:43,500  
you know make the laws of attraction

959  
00:45:48,580 --> 00:45:46,590  
work for them and I mean a lot of these

960  
00:45:52,130 --> 00:45:48,590  
people boy they just try so hard and

961  
00:45:53,900 --> 00:45:52,140  
they just never seem to get it right and

962  
00:45:55,820 --> 00:45:53,910  
they just you know complain all the time

963  
00:45:57,740 --> 00:45:55,830

about it and it's just like you know I

964

00:46:00,440 --> 00:45:57,750

don't think you've got quite the right

965

00:46:03,620 --> 00:46:00,450

yeah but unfortunately the laws of

966

00:46:06,170 --> 00:46:03,630

attraction are bringing us to our top

967

00:46:08,330 --> 00:46:06,180

the hour break so when we come back we

968

00:46:16,610 --> 00:46:08,340

will continue our conversation and

969

00:46:16,620 --> 00:46:21,010

[Music]

970

00:46:27,960 --> 00:46:25,510

explore the bazaars or e-ticket ride

971

00:46:31,240 --> 00:46:27,970

into the world of the paranoid

972

00:46:35,550 --> 00:46:31,250

strap yourself in as we traverse the

973

00:46:38,670 --> 00:46:35,560

universe exploring the unexplained UFO s

974

00:46:41,050 --> 00:46:38,680

ghosts Lost Worlds

975

00:46:44,920 --> 00:46:41,060

cryptozoology as well as other

976  
00:46:50,050 --> 00:46:44,930  
dimensions it's time to take back the

977  
00:46:53,200 --> 00:46:50,060  
night now your electrifying hosts of

978  
00:47:04,260 --> 00:46:53,210  
exploring the bizarre Timothy Begley and

979  
00:47:10,510 --> 00:47:07,300  
listening to our guests talk tonight I

980  
00:47:13,320 --> 00:47:10,520  
mean now you've over over the years

981  
00:47:15,990 --> 00:47:13,330  
you've known a lot of really famous

982  
00:47:21,150 --> 00:47:16,000  
psychics and clairvoyance

983  
00:47:24,730 --> 00:47:21,160  
well I even met the the great Jean Dixon

984  
00:47:29,500 --> 00:47:24,740  
and it was it was almost impossible to

985  
00:47:33,849 --> 00:47:29,510  
get a meeting with her but she had

986  
00:47:38,340 --> 00:47:33,859  
started a Jean Dixon foundation for

987  
00:47:41,950 --> 00:47:38,350  
children and of course you know she was

988  
00:47:46,420 --> 00:47:41,960

friends with I think Nixon more than any

989

00:47:48,790 --> 00:47:46,430

other president and why I guess one of

990

00:47:51,849 --> 00:47:48,800

the reasons also but she was well

991

00:47:54,550 --> 00:47:51,859

established because she was in the upper

992

00:47:57,430 --> 00:47:54,560

echelon and the real estate business in

993

00:48:01,540 --> 00:47:57,440

Washington DC so that opened a lot of

994

00:48:05,140 --> 00:48:01,550

doors for her and her husband but also

995

00:48:07,450 --> 00:48:05,150

she was politically I could never get a

996

00:48:10,150 --> 00:48:07,460

you know agree with much of what she

997

00:48:12,340 --> 00:48:10,160

said I don't know she had Russian

998

00:48:14,230 --> 00:48:12,350

satellites for spying on us you know

999

00:48:18,730 --> 00:48:14,240

that was the old version of the

1000

00:48:21,970 --> 00:48:18,740

microwave I thank you today and but she

1001

00:48:25,000 --> 00:48:21,980

did have the uncanny ability to just

1002

00:48:28,050 --> 00:48:25,010

kind of like look at you and could read

1003

00:48:32,380 --> 00:48:28,060

you I I don't think that I could ever

1004

00:48:35,380 --> 00:48:32,390

say that I've run into other psychics

1005

00:48:37,870 --> 00:48:35,390

that were they

1006

00:48:43,960 --> 00:48:37,880

what would you call that well I guess

1007

00:48:47,370 --> 00:48:43,970

intuitive but just by looking at a an

1008

00:48:52,150 --> 00:48:47,380

individual then we had a fellow now ed

1009

00:48:57,240 --> 00:48:52,160

Snedeker I think he's been he's been

1010

00:49:00,490 --> 00:48:57,250

forgotten in time but he used to do

1011

00:49:04,090 --> 00:49:00,500

readings for racehorses

1012

00:49:06,640 --> 00:49:04,100

I guess he you know was able to let's

1013

00:49:09,310 --> 00:49:06,650

put this in quotes speak with the

1014

00:49:11,680 --> 00:49:09,320

racehorses and he would apparently know

1015

00:49:15,640 --> 00:49:11,690

which ones were going to come out win

1016

00:49:20,890 --> 00:49:15,650

place or show and then there was Daniel

1017

00:49:23,560 --> 00:49:20,900

Logan who was a fairly popular and I

1018

00:49:29,140 --> 00:49:23,570

even met well of course your your dealer

1019

00:49:31,360 --> 00:49:29,150

was a a friend he lived in Manhattan

1020

00:49:38,200 --> 00:49:31,370

here and I would often visit with him

1021

00:49:40,840 --> 00:49:38,210

and Matthew Manning who SOLAS over in

1022

00:49:43,900 --> 00:49:40,850

the UK he's a healer I've tried to get

1023

00:49:47,440 --> 00:49:43,910

him on the program but the the times

1024

00:49:53,380 --> 00:49:47,450

this don't coincide and he claims that

1025

00:49:56,230 --> 00:49:53,390

he gets his messages from the the from

1026

00:50:02,260 --> 00:49:56,240

spirits and I guess there are all kinds

1027

00:50:03,880 --> 00:50:02,270

of ways of being perceptive but would it

1028

00:50:06,790 --> 00:50:03,890

would not our guests agree on that I

1029

00:50:13,210 --> 00:50:06,800

mean that everybody seems to have a

1030

00:50:18,550 --> 00:50:13,220

unique talent yes yeah now what are

1031

00:50:20,700 --> 00:50:18,560

either I guess do they get do you get

1032

00:50:24,340 --> 00:50:20,710

messages from spirit

1033

00:50:29,250 --> 00:50:24,350

go ahead nothing sir yes I do

1034

00:50:33,100 --> 00:50:29,260

I get messages from spirit I you know I

1035

00:50:39,580 --> 00:50:33,110

read photos I do was known as

1036

00:50:47,110 --> 00:50:39,590

psychometry oh yes mm-hmm and I get a

1037

00:50:48,500 --> 00:50:47,120

lot of information that way that way I

1038

00:50:55,310 --> 00:50:48,510

also do pen

1039

00:50:58,520 --> 00:50:55,320

and I'm just now learning Tarot I don't

1040

00:51:00,740 --> 00:50:58,530

have a huge handle on it yet and the

1041

00:51:02,990 --> 00:51:00,750

operative working yet I will get the

1042

00:51:08,800 --> 00:51:03,000

hang of it eventually but I'm not there

1043

00:51:13,370 --> 00:51:08,810

yet I just sort of kind of came into it

1044

00:51:15,770 --> 00:51:13,380

knowing things and it's screwed up my

1045

00:51:18,890 --> 00:51:15,780

life in a pretty big way when I was

1046

00:51:20,930 --> 00:51:18,900

young but now I think I've kind of got a

1047

00:51:24,740 --> 00:51:20,940

little bit of a handle on it not all the

1048

00:51:27,470 --> 00:51:24,750

way but I'm getting there well you know

1049

00:51:31,270 --> 00:51:27,480

we did it when I was running I had one

1050

00:51:34,430 --> 00:51:31,280

of the first metaphysical schools

1051

00:51:38,840 --> 00:51:34,440

centres in the the country dating back

1052

00:51:41,450 --> 00:51:38,850

to the mid 1960s in New York school of

1053

00:51:44,660 --> 00:51:41,460

occult Arts and Sciences and we had

1054

00:51:51,440 --> 00:51:44,670

lectures almost every lectures almost

1055

00:51:55,460 --> 00:51:51,450

every week and work workshops and we

1056

00:51:59,870 --> 00:51:55,470

were we were very very active in the

1057

00:52:01,970 --> 00:51:59,880

occult in the 1960s in New York which

1058

00:52:05,000 --> 00:52:01,980

was there were a lot of different groups

1059

00:52:06,800 --> 00:52:05,010

that were I guess just forming at the

1060

00:52:11,530 --> 00:52:06,810

time a couple of them may still be in

1061

00:52:18,080 --> 00:52:11,540

existence most of them have since passed

1062

00:52:20,840 --> 00:52:18,090

into time into time and in space but III

1063

00:52:25,360 --> 00:52:20,850

found that I did a little bit of

1064

00:52:27,920 --> 00:52:25,370

psychometry myself where I could touch

1065

00:52:30,950 --> 00:52:27,930

you could give me an object like a key

1066

00:52:32,570 --> 00:52:30,960

or a coin or something is something that

1067

00:52:36,140 --> 00:52:32,580

you had had in your possession for a

1068

00:52:37,100 --> 00:52:36,150

while and I I can't say that I I

1069

00:52:39,800 --> 00:52:37,110

couldn't

1070

00:52:42,800 --> 00:52:39,810

I wasn't like some of these the psychics

1071

00:52:45,770 --> 00:52:42,810

that you know it came and didn't work

1072

00:52:48,350 --> 00:52:45,780

for us and that they could sit there and

1073

00:52:48,860 --> 00:52:48,360

talk to somebody for fifteen or twenty

1074

00:52:51,050 --> 00:52:48,870

minutes

1075

00:52:54,770 --> 00:52:51,060

mine was blah blah blah and that's

1076  
00:52:58,070 --> 00:52:54,780  
it you know but it was like what are one

1077  
00:53:00,320 --> 00:52:58,080  
or two things that were important and I

1078  
00:53:01,900 --> 00:53:00,330  
guess I just wasn't the type of person

1079  
00:53:04,830 --> 00:53:01,910  
who wanted to sit there and

1080  
00:53:07,000 --> 00:53:04,840  
and chat with somebody I didn't know

1081  
00:53:11,740 --> 00:53:07,010  
that much I mean here's your information

1082  
00:53:14,560 --> 00:53:11,750  
and never charged for it although I did

1083  
00:53:18,520 --> 00:53:14,570  
go on a psychic cruise once and I did

1084  
00:53:32,860 --> 00:53:18,530  
still I did just of all the readings

1085  
00:53:35,080 --> 00:53:32,870  
until I got seasick I've never been able

1086  
00:53:37,050 --> 00:53:35,090  
to I've always wanted to you know what

1087  
00:53:40,980 --> 00:53:37,060  
that's on my bucket list

1088  
00:53:45,010 --> 00:53:40,990

well you know they were for a while now

1089

00:53:48,370 --> 00:53:45,020

there were centers that popped up all

1090

00:53:52,750 --> 00:53:48,380

over the country and just so quite a few

1091

00:53:57,040 --> 00:53:52,760

of them I guess in in existence they've

1092

00:54:02,230 --> 00:53:57,050

kind of turned into a chameleons and

1093

00:54:05,200 --> 00:54:02,240

disguise themselves like new learning or

1094

00:54:07,810 --> 00:54:05,210

alternative of thoughts they don't dare

1095

00:54:12,790 --> 00:54:07,820

I think use the word you know psychic or

1096

00:54:14,790 --> 00:54:12,800

a cult in in the title of other there

1097

00:54:18,340 --> 00:54:14,800

they're centered they try to give it a

1098

00:54:21,430 --> 00:54:18,350

more what would be the word Tim holistic

1099

00:54:23,560 --> 00:54:21,440

feel yeah that's really good at one time

1100

00:54:25,600 --> 00:54:23,570

you know they would say New Age but even

1101

00:54:30,600 --> 00:54:25,610

that anymore that's almost become

1102

00:54:35,350 --> 00:54:30,610

antiquated what we had we even had

1103

00:54:40,300 --> 00:54:35,360

Herman Slater's warlock shop now yeah

1104

00:54:45,040 --> 00:54:40,310

for for a few years here in the late 60s

1105

00:54:51,060 --> 00:54:45,050

and early 70s Wicca and various other

1106

00:54:56,500 --> 00:54:51,070

forms of Witchcraft and Wizardry were

1107

00:55:01,720 --> 00:54:56,510

fairly big in Manhattan and Herman was a

1108

00:55:05,080 --> 00:55:01,730

openly declared gay witch and he had a

1109

00:55:09,700 --> 00:55:05,090

shop where you could go in and buy oils

1110

00:55:15,130 --> 00:55:09,710

and alter products and a great

1111

00:55:16,329 --> 00:55:15,140

collection of robes I must say and it

1112

00:55:18,759 --> 00:55:16,339

was kind of strange

1113

00:55:21,549 --> 00:55:18,769

because you know you went into the shop

1114

00:55:23,709 --> 00:55:21,559

and it smelled of incense and yeah you

1115

00:55:28,140 --> 00:55:23,719

know they're chimes and the whole a bit

1116

00:55:34,359 --> 00:55:28,150

and I kind of like a Miss that there

1117

00:55:36,609 --> 00:55:34,369

type of feeling to an occult is shock

1118

00:55:40,209 --> 00:55:36,619

you know I I don't think in Manhattan we

1119

00:55:47,109 --> 00:55:40,219

have anything like that anymore that I'm

1120

00:55:52,390 --> 00:55:47,119

a I'm a aware of but he had his office

1121

00:55:56,049 --> 00:55:52,400

in the back behind a sliding panel so I

1122

00:55:59,529 --> 00:55:56,059

mean I'll guess unless he wanted to have

1123

00:56:01,359 --> 00:55:59,539

you come into his inner inner sanctum

1124

00:56:02,259 --> 00:56:01,369

you would never even know he was around

1125

00:56:04,900 --> 00:56:02,269

at that

1126

00:56:09,190 --> 00:56:04,910

I guess they they had their own rituals

1127

00:56:11,859 --> 00:56:09,200

and and and things that they did you

1128

00:56:13,959 --> 00:56:11,869

know and a different sadness and so

1129

00:56:17,049 --> 00:56:13,969

forth and a lot of people said older

1130

00:56:18,700 --> 00:56:17,059

their Satanist well they weren't

1131

00:56:20,529 --> 00:56:18,710

Satanist at all they might have been a

1132

00:56:22,690 --> 00:56:20,539

little bit an Aleister Crowley or

1133

00:56:25,239 --> 00:56:22,700

something but he's gotten the reputation

1134

00:56:29,799 --> 00:56:25,249

of being a Satanist which isn't really

1135

00:56:31,779 --> 00:56:29,809

true either but I don't know do you

1136

00:56:34,180 --> 00:56:31,789

either what do you feel are there

1137

00:56:36,309 --> 00:56:34,190

negative beings out there I mean that

1138

00:56:39,249 --> 00:56:36,319

are that are trying to lead people

1139

00:56:41,799 --> 00:56:39,259

astray you get that from the deltac the

1140

00:56:46,479 --> 00:56:41,809

Christian fundamentalist flock that this

1141

00:56:50,049 --> 00:56:46,489

is all a demonic there's a lot of

1142

00:56:50,890 --> 00:56:50,059

demonic I guess spirit out there

1143

00:56:52,779 --> 00:56:50,900

negative

1144

00:56:55,180 --> 00:56:52,789

isn't that funny when you start talking

1145

00:56:56,739 --> 00:56:55,190

about them how it interferes but one of

1146

00:56:59,650 --> 00:56:56,749

the things that people are not aware of

1147

00:57:01,390 --> 00:56:59,660

is if you have a higher vibration than

1148

00:57:04,390 --> 00:57:01,400

they're less likely to interface with

1149

00:57:06,549 --> 00:57:04,400

you or or even have any effect over you

1150

00:57:09,209 --> 00:57:06,559

and so that has a lot to do with I

1151  
00:57:11,890 --> 00:57:09,219  
haven't encountered a lot of negative

1152  
00:57:13,660 --> 00:57:11,900  
beings let's say in my lifetime and then

1153  
00:57:16,959 --> 00:57:13,670  
through my experiences in one reasons

1154  
00:57:19,479 --> 00:57:16,969  
because I consider myself protected and

1155  
00:57:21,670 --> 00:57:19,489  
I'm doing you know work of for the

1156  
00:57:24,309 --> 00:57:21,680  
angels and by the angels but it doesn't

1157  
00:57:26,140 --> 00:57:24,319  
mean that they're not available if I

1158  
00:57:28,450 --> 00:57:26,150  
wanted to die off down that street and

1159  
00:57:29,830 --> 00:57:28,460  
go into somewhere where I know they are

1160  
00:57:31,600 --> 00:57:29,840  
like the question you asked me

1161  
00:57:33,970 --> 00:57:31,610  
so normally I already know before I go

1162  
00:57:35,680 --> 00:57:33,980  
in somewhere what I'm going to get into

1163  
00:57:38,500 --> 00:57:35,690

and then it gives me the chance to avoid

1164

00:57:42,310 --> 00:57:38,510

it well do you think that you can get

1165

00:57:44,890 --> 00:57:42,320

spirits to do your bidding yes there are

1166

00:57:48,250 --> 00:57:44,900

false prophets and false spirits that

1167

00:57:50,650 --> 00:57:48,260

may get with someone and try to

1168

00:57:51,850 --> 00:57:50,660

influence them and try to trick them

1169

00:57:54,640 --> 00:57:51,860

into believing that they're a positive

1170

00:57:55,870 --> 00:57:54,650

influence but I always say the proofs in

1171

00:57:57,550 --> 00:57:55,880

the pudding if you've been doing it a

1172

00:58:03,730 --> 00:57:57,560

long time you know what to look for and

1173

00:58:07,540 --> 00:58:03,740

what to expect I know what is what is

1174

00:58:10,450 --> 00:58:07,550

the source of the negativity I don't

1175

00:58:13,240 --> 00:58:10,460

look at negative entities or negative

1176

00:58:16,030 --> 00:58:13,250

spirits is it's bad that's one thing

1177

00:58:18,490 --> 00:58:16,040

it's just the polarity and that helps

1178

00:58:20,710 --> 00:58:18,500

you understand and not get caught up on

1179

00:58:24,180 --> 00:58:20,720

what's good what's bad and what to do

1180

00:58:27,930 --> 00:58:24,190

what not to do to me it's just a

1181

00:58:31,210 --> 00:58:27,940

opposite energy or opposite polarity

1182

00:58:34,180 --> 00:58:31,220

neither good or bad it's just our

1183

00:58:39,460 --> 00:58:34,190

interpretation that we make it mad hmm

1184

00:58:43,630 --> 00:58:39,470

no any of the have spirits come to you

1185

00:58:46,300 --> 00:58:43,640

and masqueraded is something that they

1186

00:58:48,520 --> 00:58:46,310

were not or pretend to be someone and

1187

00:58:51,640 --> 00:58:48,530

they're not really that individual like

1188

00:58:53,620 --> 00:58:51,650

in the case of a spirit in the early

1189

00:58:56,050 --> 00:58:53,630

time it used to I mean I've been doing

1190

00:58:59,740 --> 00:58:56,060

this 40 plus years but in my let's say

1191

00:59:02,980 --> 00:58:59,750

in the first 15 or 20 years that they

1192

00:59:04,840 --> 00:59:02,990

would but I always had a way of using a

1193

00:59:07,630 --> 00:59:04,850

filter or knowing whether they're

1194

00:59:10,180 --> 00:59:07,640

they're positive or if they're low

1195

00:59:12,430 --> 00:59:10,190

vibration and so I have encountered them

1196

00:59:14,590 --> 00:59:12,440

in even possessions through other people

1197

00:59:17,020 --> 00:59:14,600

I've witnessed that and I did paranormal

1198

00:59:19,030 --> 00:59:17,030

work even ran a partly paranormal group

1199

00:59:21,460 --> 00:59:19,040

for over 35 years so I'm aware of what's

1200

00:59:25,210 --> 00:59:21,470

out there but it's not my forte yeah I

1201  
00:59:27,730 --> 00:59:25,220  
don't mess with them and I don't try to

1202  
00:59:32,550 --> 00:59:27,740  
make a mad I observe them and learn from

1203  
00:59:40,090 --> 00:59:37,000  
me gosh I have experienced negative

1204  
00:59:44,170 --> 00:59:40,100  
things like I said earlier that property

1205  
00:59:46,329 --> 00:59:44,180  
and home that we just fled from

1206  
00:59:50,309 --> 00:59:46,339  
mainly though the majority of the bad

1207  
00:59:54,819 --> 00:59:50,319  
stuff is people a lot of it is people

1208  
00:59:57,670 --> 00:59:54,829  
humans you know very very bad energies

1209  
01:00:00,849 --> 00:59:57,680  
can attach themselves to humans yes it's

1210  
01:00:05,170 --> 01:00:00,859  
true and I've seen others that have had

1211  
01:00:08,499 --> 01:00:05,180  
it happen and you know I try to avoid it

1212  
01:00:14,279 --> 01:00:08,509  
as much as I can but I seen it a time or

1213  
01:00:18,700 --> 01:00:14,289

two no no I was just wondering you know

1214

01:00:22,660 --> 01:00:18,710

Tim you and I talked about UFOs and in

1215

01:00:27,099 --> 01:00:22,670

space aliens or altered terrestrials do

1216

01:00:34,269 --> 01:00:27,109

either of our guests have a space

1217

01:00:38,170 --> 01:00:34,279

contact I would say yes yeah and and and

1218

01:00:40,539 --> 01:00:38,180

who who who I mean who the who do they

1219

01:00:43,120 --> 01:00:40,549

say that they are what is the story

1220

01:00:45,880 --> 01:00:43,130

behind it Monty you want to go tell us

1221

01:00:49,660 --> 01:00:45,890

yes isn't there again I take a totally

1222

01:00:52,690 --> 01:00:49,670

different view and try not to segment or

1223

01:00:55,329 --> 01:00:52,700

identify necessarily what planets

1224

01:00:57,519 --> 01:00:55,339

they're from or who your guides are to

1225

01:01:00,099 --> 01:00:57,529

me that's just a distraction again I

1226

01:01:03,190 --> 01:01:00,109

look at what they produce or what they

1227

01:01:05,769 --> 01:01:03,200

provide what information and I don't

1228

01:01:07,809 --> 01:01:05,779

know about the bad guys the greys and

1229

01:01:11,140 --> 01:01:07,819

reptilians even though I'm aware of what

1230

01:01:14,200 --> 01:01:11,150

people refer to them as but my

1231

01:01:16,029 --> 01:01:14,210

experiences most of the people that I

1232

01:01:18,819 --> 01:01:16,039

have come in contact with let's say

1233

01:01:23,319 --> 01:01:18,829

thira Klee or telepathically are here to

1234

01:01:27,279 --> 01:01:23,329

help and with these identities purport

1235

01:01:30,759 --> 01:01:27,289

to be from I have never asked them do

1236

01:01:32,999 --> 01:01:30,769

they do they materialize no I haven't

1237

01:01:35,559 --> 01:01:33,009

had them materialize

1238

01:01:38,739 --> 01:01:35,569

telepathically I have communicated with

1239

01:01:40,900 --> 01:01:38,749

them and they have asked me not to try

1240

01:01:43,059 --> 01:01:40,910

to identify certain things about them or

1241

01:01:45,819 --> 01:01:43,069

make themselves materialized because

1242

01:01:48,190 --> 01:01:45,829

they purport that it would change your

1243

01:01:49,749 --> 01:01:48,200

spiritual path it would influence you

1244

01:01:51,700 --> 01:01:49,759

just like winning the lottery would

1245

01:01:54,640 --> 01:01:51,710

change the person sometimes in a

1246

01:01:57,160 --> 01:01:54,650

negative way and they have told me not

1247

01:01:59,950 --> 01:01:57,170

to ask if they materialize or

1248

01:02:03,640 --> 01:01:59,960

do anything to prove themselves for the

1249

01:02:05,800 --> 01:02:03,650

very reason that it could mess you up it

1250

01:02:08,320 --> 01:02:05,810

could change the course of Cormac Lee of

1251

01:02:10,600 --> 01:02:08,330

your life and your contract and so I

1252

01:02:13,000 --> 01:02:10,610

don't choose to communicate with them if

1253

01:02:15,280 --> 01:02:13,010

I get a communication from them I'm well

1254

01:02:17,620 --> 01:02:15,290

aware of you know it's them talking to

1255

01:02:21,220 --> 01:02:17,630

me and they have never steered me wrong

1256

01:02:25,060 --> 01:02:21,230

on anything they've ever told me are any

1257

01:02:29,800 --> 01:02:25,070

of these spirits so-called spirits time

1258

01:02:32,170 --> 01:02:29,810

travelers yes I look at it again that

1259

01:02:35,350 --> 01:02:32,180

there is no time and there's no space

1260

01:02:37,270 --> 01:02:35,360

that we're in a dimensional and even one

1261

01:02:39,250 --> 01:02:37,280

of the questions I think that Tim had on

1262

01:02:40,900 --> 01:02:39,260

on the sidebar on your webpage is

1263

01:02:44,640 --> 01:02:40,910

talking about is you know heaven really

1264

01:02:47,890 --> 01:02:44,650

real or right next to us and and we are

1265

01:02:49,420 --> 01:02:47,900

multi-dimensional beings we have

1266

01:02:51,790 --> 01:02:49,430

probable sales probably another

1267

01:02:54,400 --> 01:02:51,800

dimensions work in simultaneous as we

1268

01:02:56,290 --> 01:02:54,410

work now and the future the past and the

1269

01:03:00,490 --> 01:02:56,300

present are all the same that's kind of

1270

01:03:02,980 --> 01:03:00,500

my take on it but um I I don't subscribe

1271

01:03:06,940 --> 01:03:02,990

to a lot of the beliefs about UFOs the

1272

01:03:12,610 --> 01:03:06,950

negative stuff specifically and Melissa

1273

01:03:16,660 --> 01:03:12,620

how about how about you I've only seen

1274

01:03:18,430 --> 01:03:16,670

crafts I saw one December in fact my

1275

01:03:22,210 --> 01:03:18,440

cousin who lives with us pointed this

1276

01:03:25,180 --> 01:03:22,220

out to me we were going down the road to

1277

01:03:27,940 --> 01:03:25,190

Taos New Mexico coming into town he said

1278

01:03:29,860 --> 01:03:27,950

hey check that craft out up there you

1279

01:03:31,570 --> 01:03:29,870

know by the mountains I looked and there

1280

01:03:34,270 --> 01:03:31,580

was no wings on this thing it was like

1281

01:03:37,060 --> 01:03:34,280

the shape of a cigar if you will it was

1282

01:03:39,070 --> 01:03:37,070

very very long but I couldn't tell just

1283

01:03:41,980 --> 01:03:39,080

how big it was because it was so high up

1284

01:03:43,510 --> 01:03:41,990

and there were no wings or nothing I

1285

01:03:45,280 --> 01:03:43,520

thought it was an airplane but I looked

1286

01:03:48,100 --> 01:03:45,290

again and I realized it wasn't an

1287

01:03:51,040 --> 01:03:48,110

airplane I'm going ok this is

1288

01:03:52,690 --> 01:03:51,050

interesting it's during mid-day you know

1289

01:03:56,230 --> 01:03:52,700

or later in the day or something it's

1290

01:03:59,530 --> 01:03:56,240

like late mid to late December and I'm

1291

01:04:03,970 --> 01:03:59,540

seeing this thing going what the heck is

1292

01:04:05,890 --> 01:04:03,980

that and I've seen other such crafts and

1293

01:04:08,260 --> 01:04:05,900

we used to see things all the time at

1294

01:04:09,860 --> 01:04:08,270

our old property stuff chasing each

1295

01:04:13,190 --> 01:04:09,870

other it was it

1296

01:04:16,160 --> 01:04:13,200

what was this in Oregon no this was in

1297

01:04:18,770 --> 01:04:16,170

New Mexico Oh New Mexico yeah yeah

1298

01:04:20,990 --> 01:04:18,780

you're just saying Tahoe swell did you

1299

01:04:23,960 --> 01:04:21,000

ever hear the mysterious hum the sound

1300

01:04:28,490 --> 01:04:23,970

I've heard the hum oh yeah I've heard it

1301

01:04:31,190 --> 01:04:28,500

it's annoying is all hat is annoying Oh

1302

01:04:34,040 --> 01:04:31,200

believe me it can give you a massive

1303

01:04:36,950 --> 01:04:34,050

headache and it used to drive me nuts I

1304

01:04:38,840 --> 01:04:36,960

mean it was it was pretty bad a couple

1305

01:04:41,000 --> 01:04:38,850

times but then I learned how to block it

1306

01:04:46,070 --> 01:04:41,010

out there is a way to block it out and

1307

01:04:49,060 --> 01:04:46,080

ignore it uh you know what I do i I have

1308

01:04:52,700 --> 01:04:49,070

a end of right here with the middle of

1309

01:04:56,420 --> 01:04:52,710

Manhattan and I've noticed when the

1310

01:05:00,770 --> 01:04:56,430

cloud layer is down you know like a semi

1311

01:05:04,400 --> 01:05:00,780

foggy conditions that it keeps well it

1312

01:05:06,620 --> 01:05:04,410

just saturated saturates the whole area

1313

01:05:11,090 --> 01:05:06,630

with with all kinds of sound I mean you

1314

01:05:13,930 --> 01:05:11,100

can hear a hammer being used the two

1315

01:05:16,550 --> 01:05:13,940

blocks away he had two city blocks away

1316

01:05:18,920 --> 01:05:16,560

is to turn the fan or the air

1317

01:05:20,480 --> 01:05:18,930

conditioner on and that that covers up

1318

01:05:22,430 --> 01:05:20,490

the noise of course you can't do it in

1319

01:05:23,780 --> 01:05:22,440

the well I can do it here in the middle

1320

01:05:28,130 --> 01:05:23,790

of the winter because sometimes it's

1321

01:05:30,350 --> 01:05:28,140

like 95 degrees up here but but yeah you

1322

01:05:33,470 --> 01:05:30,360

have to learn how to live with that

1323

01:05:37,760 --> 01:05:33,480

because I know some people are more

1324

01:05:40,760 --> 01:05:37,770

sensitive than others to to you know

1325

01:05:44,870 --> 01:05:40,770

outside interference and noise and stuff

1326

01:05:48,430 --> 01:05:44,880

like that and of course now being down

1327

01:05:51,860 --> 01:05:48,440

at the Taos hum and all there are other

1328

01:05:56,870 --> 01:05:51,870

places of course with this kind of harm

1329

01:06:00,440 --> 01:05:56,880

or sound has is also heard but also to

1330

01:06:03,140 --> 01:06:00,450

Sato they've got sonic booms that people

1331

01:06:06,200 --> 01:06:03,150

have actually you know recorded and

1332

01:06:08,600 --> 01:06:06,210

that's been going on for Tim how many

1333

01:06:11,570 --> 01:06:08,610

years have we heard about these sonic

1334

01:06:13,580 --> 01:06:11,580

booms and nobody's that were able to you

1335

01:06:16,010 --> 01:06:13,590

know explain what that causes them oh

1336

01:06:18,440 --> 01:06:16,020

well I mean there were the you know like

1337

01:06:20,660 --> 01:06:18,450

the booms especially on the East Coast

1338

01:06:22,190 --> 01:06:20,670

that were heard you know back as far as

1339

01:06:23,660 --> 01:06:22,200

you know colonial times and

1340

01:06:25,849 --> 01:06:23,670

even before I mean you know the Native

1341

01:06:27,710 --> 01:06:25,859

Americans you know had specific names

1342

01:06:29,589 --> 01:06:27,720

for them so yeah I mean you know this is

1343

01:06:34,130 --> 01:06:29,599

not a new phenomenon

1344

01:06:37,099 --> 01:06:34,140

and yeah I I guess you know and they

1345

01:06:39,829 --> 01:06:37,109

people end up calling the the air force

1346

01:06:41,300 --> 01:06:39,839

or the police and and of course they

1347

01:06:46,970 --> 01:06:41,310

always say that you know they're not

1348

01:06:49,490 --> 01:06:46,980

responsible for for these the sonic boom

1349

01:06:51,140 --> 01:06:49,500

is but some of them have been so strong

1350

01:06:56,599 --> 01:06:51,150

that I think they've even been picked up

1351  
01:07:04,490 --> 01:06:56,609  
an seismographs and yeah there's no no

1352  
01:07:07,790 --> 01:07:04,500  
explanations you know for them but did

1353  
01:07:11,530 --> 01:07:07,800  
you do you think Monty that that other

1354  
01:07:15,470 --> 01:07:11,540  
that most people have a built-in

1355  
01:07:17,329 --> 01:07:15,480  
intuitive a sense or are more some

1356  
01:07:20,560 --> 01:07:17,339  
people more advanced than others and it

1357  
01:07:23,060 --> 01:07:20,570  
just comes naturally I probably would

1358  
01:07:25,099 --> 01:07:23,070  
believe that everybody has the ability

1359  
01:07:27,530 --> 01:07:25,109  
but just like running some people can

1360  
01:07:29,540 --> 01:07:27,540  
run faster because they exercise those

1361  
01:07:32,030 --> 01:07:29,550  
muscles and those that have lived in an

1362  
01:07:34,400 --> 01:07:32,040  
intuitive world are highly sensitive is

1363  
01:07:36,700 --> 01:07:34,410

specifically right brain dominant then

1364

01:07:40,370 --> 01:07:36,710

that opens that up for them a lot better

1365

01:07:44,270 --> 01:07:40,380

and what what would you what would you

1366

01:07:49,370 --> 01:07:44,280

say that you can do to if you're looking

1367

01:07:52,130 --> 01:07:49,380

to in advance yourself psychically what

1368

01:07:53,599 --> 01:07:52,140

would you recommend that people do the

1369

01:07:55,280 --> 01:07:53,609

number one thing is be aware of

1370

01:07:57,559 --> 01:07:55,290

everything pay attention to everything

1371

01:07:59,300 --> 01:07:57,569

around you and also if you're

1372

01:08:02,900 --> 01:07:59,310

right-handed switch to your left hand

1373

01:08:04,760 --> 01:08:02,910

try to be more ambidextrous and and just

1374

01:08:06,650 --> 01:08:04,770

basically pay attention to your

1375

01:08:10,819 --> 01:08:06,660

surroundings what you think and what you

1376

01:08:13,309 --> 01:08:10,829

hear and honor that are there certain

1377

01:08:17,959 --> 01:08:13,319

times of the day or certain times of the

1378

01:08:20,059 --> 01:08:17,969

month I've heard 3 a.m. it's supposed to

1379

01:08:24,519 --> 01:08:20,069

be instead of midnight really the

1380

01:08:27,440 --> 01:08:24,529

witching hour that 3 a.m. is the closest

1381

01:08:32,749 --> 01:08:27,450

when the the physical and the spirit

1382

01:08:35,390 --> 01:08:32,759

world are likely to merge or be more

1383

01:08:37,249 --> 01:08:35,400

open to each other mine

1384

01:08:40,820 --> 01:08:37,259

usually around 12 or 1 o'clock in the

1385

01:08:43,729 --> 01:08:40,830

morning it's what it's more active like

1386

01:08:45,410 --> 01:08:43,739

well alright look em I'm gonna have to

1387

01:08:48,410 --> 01:08:45,420

interrupt you all here because our

1388

01:08:50,180 --> 01:08:48,420

witching hour is fast approaching for

1389

01:08:52,760 --> 01:08:50,190

our bottom of the hour break so we'll

1390

01:08:55,189 --> 01:08:52,770

continue this conversation with our

1391

01:09:07,550 --> 01:08:55,199

guest on exploring the bizarre so stay

1392

01:09:10,010 --> 01:09:07,560

tuned for more now back to exploring the

1393

01:09:12,380 --> 01:09:10,020

bazaars with two of the most

1394

01:09:19,630 --> 01:09:12,390

electrifying researchers in the Paranoid

1395

01:09:25,490 --> 01:09:23,749

all right welcome back to the last

1396

01:09:27,140 --> 01:09:25,500

segment of exploring the bizarre

1397

01:09:29,269 --> 01:09:27,150

intimate it always seems like we just

1398

01:09:31,579 --> 01:09:29,279

get to this point and we have so many

1399

01:09:33,800 --> 01:09:31,589

questions and our guests tonight we're

1400

01:09:37,220 --> 01:09:33,810

talking with Monty Hamilton and Melissa

1401

01:09:39,110 --> 01:09:37,230

Brian and Marty I wanted to ask you one

1402

01:09:43,789 --> 01:09:39,120

of the things that you are very well

1403

01:09:47,749 --> 01:09:43,799

known for is your your predictions and I

1404

01:09:52,010 --> 01:09:47,759

know that you've made a lot of really

1405

01:09:55,640 --> 01:09:52,020

astonishing accurate predictions over

1406

01:09:58,040 --> 01:09:55,650

the years and it just it seems to me

1407

01:10:00,979 --> 01:09:58,050

that that would be something that would

1408

01:10:04,330 --> 01:10:00,989

just be really difficult to do I mean at

1409

01:10:11,209 --> 01:10:04,340

least considering the possible nature of

1410

01:10:13,700 --> 01:10:11,219

time itself and how the future may be

1411

01:10:15,530 --> 01:10:13,710

laid out or not laid out I suppose you

1412

01:10:17,899 --> 01:10:15,540

know because I I just always imagined

1413

01:10:20,600 --> 01:10:17,909

that the future is really nothing more

1414

01:10:23,479 --> 01:10:20,610

than shadows of things that could be you

1415

01:10:26,439 --> 01:10:23,489

know and it just all can happen it can

1416

01:10:28,580 --> 01:10:26,449

just all change in an instant just

1417

01:10:31,280 --> 01:10:28,590

because of the things that we do right

1418

01:10:33,950 --> 01:10:31,290

now that's correct there's a lot of

1419

01:10:35,689 --> 01:10:33,960

interference as I call it or Karma or

1420

01:10:39,649 --> 01:10:35,699

other things that could come into play

1421

01:10:40,970 --> 01:10:39,659

if you make a prediction sometimes a lot

1422

01:10:42,590 --> 01:10:40,980

of the people that make predictions

1423

01:10:44,750 --> 01:10:42,600

today are making forecasts they're not

1424

01:10:47,510 --> 01:10:44,760

making predictions and just like we were

1425

01:10:49,280 --> 01:10:47,520

talking about studio quality audio and

1426

01:10:51,740 --> 01:10:49,290

things like that I'm a big stickler

1427

01:10:53,570 --> 01:10:51,750

for people that that come out and say

1428

01:10:56,000 --> 01:10:53,580

there's gonna be an earthquake in

1429

01:10:58,010 --> 01:10:56,010

California they don't say when don't say

1430

01:11:00,970 --> 01:10:58,020

where they don't say what magnitude and

1431

01:11:03,400 --> 01:11:00,980

so I have prided myself and spent

1432

01:11:06,200 --> 01:11:03,410

thousands and thousands of hours

1433

01:11:08,720 --> 01:11:06,210

formulating predictions and a majority

1434

01:11:11,630 --> 01:11:08,730

of them have a specific time date or

1435

01:11:14,240 --> 01:11:11,640

window sometimes I can predict even on a

1436

01:11:16,250 --> 01:11:14,250

specific day but normally within a week

1437

01:11:18,800 --> 01:11:16,260

or two some things or a month or two it

1438

01:11:20,840 --> 01:11:18,810

just slides depending on what happens

1439

01:11:22,430 --> 01:11:20,850

between now and then because a lot of

1440

01:11:24,650 --> 01:11:22,440

times I make predictions twenty years

1441

01:11:28,790 --> 01:11:24,660

ahead but most of them are within a two

1442

01:11:31,670 --> 01:11:28,800

year window and what is your what is

1443

01:11:35,030 --> 01:11:31,680

your inspiration for the for these

1444

01:11:38,270 --> 01:11:35,040

predictions and and do you have favorite

1445

01:11:40,670 --> 01:11:38,280

kinds of I mean we know people in the

1446

01:11:44,030 --> 01:11:40,680

old days who used to predict the outcome

1447

01:11:49,010 --> 01:11:44,040

of sporting events and things along that

1448

01:11:50,860 --> 01:11:49,020

line I mean do you have a favor I don't

1449

01:11:55,100 --> 01:11:50,870

know if that's the proper word but a

1450

01:11:58,120 --> 01:11:55,110

favorite the type of prediction yes I

1451  
01:12:01,850 --> 01:11:58,130  
would say anything with earth changes

1452  
01:12:04,520 --> 01:12:01,860  
anything political I don't try to do any

1453  
01:12:07,130 --> 01:12:04,530  
celebrity work or I don't gamble so I

1454  
01:12:09,080 --> 01:12:07,140  
don't do sports predictions normally

1455  
01:12:10,760 --> 01:12:09,090  
because other people will be betting on

1456  
01:12:13,850 --> 01:12:10,770  
my predictions and I'm not supposed to

1457  
01:12:16,610 --> 01:12:13,860  
do that so I would say anything to do

1458  
01:12:19,550 --> 01:12:16,620  
with politics anything to do with Earth

1459  
01:12:22,460 --> 01:12:19,560  
changes or my favorites and they're

1460  
01:12:25,910 --> 01:12:22,470  
usually the most accurate so make a

1461  
01:12:30,950 --> 01:12:25,920  
couple of predictions for us so you name

1462  
01:12:32,930 --> 01:12:30,960  
the topic well earth changes I it's that

1463  
01:12:36,590 --> 01:12:32,940

a lot of things going to happen this

1464

01:12:39,650 --> 01:12:36,600

year specifically more unlikely a major

1465

01:12:44,090 --> 01:12:39,660

major earthquakes hitting Mexico hitting

1466

01:12:46,760 --> 01:12:44,100

more unlikely even the west coast the

1467

01:12:48,950 --> 01:12:46,770

Philippines has I've seen a window where

1468

01:12:52,100 --> 01:12:48,960

a lot of earth slides are not earth

1469

01:12:55,010 --> 01:12:52,110

slides but slides you know because of

1470

01:12:57,890 --> 01:12:55,020

torrential rains there's probably going

1471

01:13:00,020 --> 01:12:57,900

to be some in China as well so this year

1472

01:13:02,940 --> 01:13:00,030

we're going to see a combination of

1473

01:13:05,040 --> 01:13:02,950

tornadoes earthquakes

1474

01:13:07,350 --> 01:13:05,050

volcanoes because this is gonna be a

1475

01:13:09,740 --> 01:13:07,360

very volatile year and prior to coming

1476

01:13:12,180 --> 01:13:09,750

on the show it kind of hit me that

1477

01:13:13,350 --> 01:13:12,190

sometimes these things are organic in

1478

01:13:15,840 --> 01:13:13,360

that sense that they are just

1479

01:13:19,500 --> 01:13:15,850

spontaneous that I think the biggest

1480

01:13:21,510 --> 01:13:19,510

test for President Trump is going to be

1481

01:13:24,660 --> 01:13:21,520

something related to an earthquake or a

1482

01:13:28,530 --> 01:13:24,670

national natural disaster just like

1483

01:13:31,350 --> 01:13:28,540

George Bush had his with 9/11 and and

1484

01:13:32,940 --> 01:13:31,360

President Obama had no you don't think

1485

01:13:41,210 --> 01:13:32,950

I'll have anything to do with a point o

1486

01:13:44,610 --> 01:13:41,220

star now I think she'll fizzle out yes

1487

01:13:48,270 --> 01:13:44,620

Fe every day he makes a move it seems he

1488

01:13:51,240 --> 01:13:48,280

gets a deeper and deeper I don't know

1489

01:13:52,890 --> 01:13:51,250

and that's true that's that but that was

1490

01:13:56,370 --> 01:13:52,900

one of the rare people that predicted

1491

01:13:57,990 --> 01:13:56,380

that he would become president so he's

1492

01:14:01,050 --> 01:13:58,000

there's a lot of things are going to

1493

01:14:07,700 --> 01:14:01,060

happen under his administration I bet

1494

01:14:10,980 --> 01:14:07,710

there is yeah any any forecast as far is

1495

01:14:12,720 --> 01:14:10,990

a combat that it goes I mean it seems

1496

01:14:18,450 --> 01:14:12,730

like the Russians are getting a little

1497

01:14:20,100 --> 01:14:18,460

frisky no I'm a big proponent of the

1498

01:14:22,170 --> 01:14:20,110

Russians and all this is a smokescreen

1499

01:14:24,060 --> 01:14:22,180

I've been telling people for 20 years

1500

01:14:26,220 --> 01:14:24,070

the Russians are our biggest allies and

1501

01:14:29,670 --> 01:14:26,230

our strongest allies but we have to have

1502

01:14:32,220 --> 01:14:29,680

a boogeyman or we couldn't keep up the

1503

01:14:33,690 --> 01:14:32,230

industrial complex military complex and

1504

01:14:36,120 --> 01:14:33,700

so we're making them out to be a

1505

01:14:37,320 --> 01:14:36,130

boogeyman but they are nothing like what

1506

01:14:39,180 --> 01:14:37,330

they're being portrayed and they're not

1507

01:14:41,340 --> 01:14:39,190

doing just like the sarin gas that you

1508

01:14:43,830 --> 01:14:41,350

just heard that's a lie I never did that

1509

01:14:45,600 --> 01:14:43,840

they didn't do it in Syria either and

1510

01:14:49,290 --> 01:14:45,610

and Melissa to you do you have any

1511

01:14:52,050 --> 01:14:49,300

predictions for us I don't do

1512

01:14:54,030 --> 01:14:52,060

predictions I stay away from it

1513

01:14:57,480 --> 01:14:54,040

it has a rule I stay away from that

1514

01:14:58,770 --> 01:14:57,490

stuff because nine times I attend I'm

1515

01:15:03,870 --> 01:14:58,780

dead wrong okay

1516

01:15:06,000 --> 01:15:03,880

I don't do predictions I try not to you

1517

01:15:08,640 --> 01:15:06,010

know I've had a couple kids born that I

1518

01:15:10,470 --> 01:15:08,650

was right about you know them coming on

1519

01:15:12,600 --> 01:15:10,480

time and all that but you know how kids

1520

01:15:14,670 --> 01:15:12,610

are they come when they come and every

1521

01:15:18,560 --> 01:15:14,680

kid comes on their own right time that's

1522

01:15:25,379 --> 01:15:21,780

don't do predictions when you when you

1523

01:15:27,299 --> 01:15:25,389

talk with a client then what what is it

1524

01:15:29,729 --> 01:15:27,309

that that it that a client comes to you

1525

01:15:33,750 --> 01:15:29,739

looking for and then how do you deal

1526

01:15:36,750 --> 01:15:33,760

with that well most often I tell them

1527

01:15:38,310 --> 01:15:36,760

exactly what it is I do before they get

1528

01:15:41,640 --> 01:15:38,320

into a reading with me that way they

1529

01:15:44,609 --> 01:15:41,650

know what to expect you know because I

1530

01:15:46,140 --> 01:15:44,619

never like to leave my client feeling

1531

01:15:46,589 --> 01:15:46,150

like well I'm not gonna get what I came

1532

01:15:52,620 --> 01:15:46,599

for

1533

01:15:55,049 --> 01:15:52,630

you know and when I give a reading any

1534

01:15:57,830 --> 01:15:55,059

bit of information I get it comes like a

1535

01:16:00,299 --> 01:15:57,840

tidal wave and I mean I get everything

1536

01:16:04,049 --> 01:16:00,309

because what happens is my guide will

1537

01:16:07,370 --> 01:16:04,059

come to me and they'll sit before me the

1538

01:16:09,450 --> 01:16:07,380

chart the Acacia chart from other side

1539

01:16:11,129 --> 01:16:09,460

because I've been known to go to Hall of

1540

01:16:14,220 --> 01:16:11,139

Records so often I practically got a

1541

01:16:15,839 --> 01:16:14,230

golden pea there they'll come to me with

1542

01:16:19,370 --> 01:16:15,849

the chart of this individual and say

1543

01:16:22,379 --> 01:16:19,380

okay here's what you need to know and I

1544

01:16:26,220 --> 01:16:22,389

have to give all of the information I'm

1545

01:16:29,100 --> 01:16:26,230

getting pertaining to the reading or I

1546

01:16:30,780 --> 01:16:29,110

lose everything literally I mean I lose

1547

01:16:34,680 --> 01:16:30,790

all the information it just goes away

1548

01:16:39,930 --> 01:16:34,690

oops you know and I'm sitting here

1549

01:16:41,879 --> 01:16:39,940

reading from their chart in in the whole

1550

01:16:44,339 --> 01:16:41,889

thing of what they're asking me to read

1551

01:16:48,060 --> 01:16:44,349

for I'm reading from their exact chart

1552

01:16:49,680 --> 01:16:48,070

that's in front of me and if I say okay

1553

01:16:52,200 --> 01:16:49,690

I'm looking away from you but it's not

1554

01:16:55,290 --> 01:16:52,210

because I'm ignoring you I'm reading

1555

01:16:59,310 --> 01:16:55,300

your information because this is what my

1556

01:17:01,709 --> 01:16:59,320

guide is presenting me with here is what

1557

01:17:06,089 --> 01:17:01,719

you want to know or what you need to

1558

01:17:08,609 --> 01:17:06,099

know and here is who all else is coming

1559

01:17:11,669 --> 01:17:08,619

through because my guide is bringing

1560

01:17:14,280 --> 01:17:11,679

their whoever's coming in you know and

1561

01:17:16,200 --> 01:17:14,290

or this individual from Spirit has

1562

01:17:18,479 --> 01:17:16,210

followed them to the reading and says

1563

01:17:20,729 --> 01:17:18,489

hey I'm here and I will see them like a

1564

01:17:21,899 --> 01:17:20,739

three-dimensional person and I will give

1565

01:17:25,680 --> 01:17:21,909

the information that this other

1566

01:17:28,950 --> 01:17:25,690

individual is giving me and I have to

1567

01:17:30,100 --> 01:17:28,960

give everything or I lose the whole

1568

01:17:32,890 --> 01:17:30,110

thing

1569

01:17:37,450 --> 01:17:32,900

now are there certain people that you

1570

01:17:40,300 --> 01:17:37,460

can just not read for yes I do not read

1571

01:17:46,650 --> 01:17:40,310

skeptics I make a rule of it because

1572

01:17:50,500 --> 01:17:48,850

unless they have an experience that

1573

01:17:53,860 --> 01:17:50,510

changes their own they're not open to

1574

01:17:57,490 --> 01:17:53,870

what we did so I just make a rule not to

1575

01:17:59,290 --> 01:17:57,500

read through them now do you get most of

1576

01:18:01,060 --> 01:17:59,300

the people that you read from I mean

1577

01:18:04,960 --> 01:18:01,070

they hear about you from word of mouth

1578

01:18:07,170 --> 01:18:04,970

or recommendations from other people

1579

01:18:11,830 --> 01:18:07,180

that have done four readings before you

1580

01:18:15,310 --> 01:18:11,840

mainly word of mouth yeah I've gotten a

1581

01:18:17,980 --> 01:18:15,320

lot you know real bad stuff in the past

1582

01:18:22,110 --> 01:18:17,990

but you know I'm as accurate as what I

1583

01:18:25,210 --> 01:18:22,120

can be and I come in with at least a 90%

1584

01:18:27,490 --> 01:18:25,220

accuracy rate I leave 10% margin of

1585

01:18:29,950 --> 01:18:27,500

error because you know that accounts for

1586

01:18:32,980 --> 01:18:29,960

humanity and you know anything I might

1587

01:18:35,290 --> 01:18:32,990

say misses interpret or you know get a

1588

01:18:37,420 --> 01:18:35,300

piece of information wrong you know I

1589

01:18:44,580 --> 01:18:37,430

have to account for that so I leave it

1590

01:18:50,830 --> 01:18:47,860

and any any place that you would like to

1591

01:18:53,290 --> 01:18:50,840

take that you haven't did like delved

1592

01:18:55,410 --> 01:18:53,300

into where you haven't yeah you feel

1593

01:19:00,400 --> 01:18:55,420

that you you could develop further in

1594

01:19:04,600 --> 01:19:00,410

some area I mean is there a further step

1595

01:19:07,750 --> 01:19:04,610

in your the psychic development yeah I

1596

01:19:13,000 --> 01:19:07,760

wanted to develop in the Tarot I wanted

1597

01:19:15,730 --> 01:19:13,010

to develop into other Ria's of you know

1598

01:19:22,810 --> 01:19:15,740

other site and all that I wanted to

1599

01:19:28,390 --> 01:19:22,820

particularly go to such places as um but

1600

01:19:31,330 --> 01:19:28,400

don't own air or so I don't know I just

1601  
01:19:33,700 --> 01:19:31,340  
feel drawn to there right now I would

1602  
01:19:35,470 --> 01:19:33,710  
like to eventually visit there and I

1603  
01:19:39,810 --> 01:19:35,480  
don't you there I know I've had some

1604  
01:19:43,420 --> 01:19:39,820  
pretty amazing synchronicity what is it

1605  
01:19:47,050 --> 01:19:43,430  
yeah that have taken place there and

1606  
01:19:51,070 --> 01:19:47,060  
in in Sedona it's a higher up not only

1607  
01:19:54,190 --> 01:19:51,080  
is it a beautiful you know part of the

1608  
01:19:57,490 --> 01:19:54,200  
of the country but the Red Rocks and all

1609  
01:20:01,740 --> 01:19:57,500  
of that but just so much Paranormal

1610  
01:20:03,760 --> 01:20:01,750  
Activity that's taking place there is

1611  
01:20:04,440 --> 01:20:03,770  
everybody's got to go there at least

1612  
01:20:07,870 --> 01:20:04,450  
once

1613  
01:20:10,390 --> 01:20:07,880

mmhmm yeah I just feel like there's

1614

01:20:13,750 --> 01:20:10,400

something there I haven't seen yet or

1615

01:20:16,900 --> 01:20:13,760

haven't heard or you know the operative

1616

01:20:18,880 --> 01:20:16,910

word being yet like it's coming but it's

1617

01:20:20,550 --> 01:20:18,890

not there at this time you see what I'm

1618

01:20:23,979 --> 01:20:20,560

saying

1619

01:20:27,160 --> 01:20:23,989

now Monty would you Monty would you say

1620

01:20:28,800 --> 01:20:27,170

that there are certainly I mean and

1621

01:20:32,890 --> 01:20:28,810

you've done a lot of traveling

1622

01:20:35,950 --> 01:20:32,900

yes I've travelled extensively up until

1623

01:20:37,660 --> 01:20:35,960

the 80s and 90s pretty much all the way

1624

01:20:41,050 --> 01:20:37,670

across the country and been out of the

1625

01:20:43,900 --> 01:20:41,060

country a little bit and would you say

1626

01:20:47,530 --> 01:20:43,910

that there are certain areas that the

1627

01:20:50,410 --> 01:20:47,540

vibes are better oh absolutely you talk

1628

01:20:53,410 --> 01:20:50,420

about Sedona my first time there I was

1629

01:20:56,410 --> 01:20:53,420

told before I left that I would levitate

1630

01:20:58,210 --> 01:20:56,420

and energetically I did it threw me a

1631

01:21:00,160 --> 01:20:58,220

loop because of the vortexes there and

1632

01:21:04,450 --> 01:21:00,170

that was back in the in the late 80s

1633

01:21:07,110 --> 01:21:04,460

before a lot of people moved there no

1634

01:21:10,120 --> 01:21:07,120

you you levitate it you say

1635

01:21:12,280 --> 01:21:10,130

energetically I could feel that I was

1636

01:21:13,660 --> 01:21:12,290

when I was looking down with the people

1637

01:21:16,330 --> 01:21:13,670

that were talking to me I felt like I

1638

01:21:17,890 --> 01:21:16,340

was on a stepladder and couldn't drive I

1639

01:21:19,750 --> 01:21:17,900

had to had to have somebody drive me

1640

01:21:22,360 --> 01:21:19,760

home it was like being on a high or

1641

01:21:26,440 --> 01:21:22,370

being drunk but it's just an energy high

1642

01:21:30,100 --> 01:21:26,450

from being there the first time well we

1643

01:21:34,930 --> 01:21:30,110

we've heard or we have a saw there Tim

1644

01:21:40,180 --> 01:21:34,940

who's been on the show several times the

1645

01:21:46,530 --> 01:21:40,190

times that Tom right and he has all

1646

01:21:48,940 --> 01:21:46,540

these massive volumes volumes

1647

01:21:54,520 --> 01:21:48,950

photographs of all kinds of weird things

1648

01:21:56,520 --> 01:21:54,530

and orbs and Blue Men and and in streaks

1649

01:21:59,199 --> 01:21:56,530

of the sky and

1650

01:22:02,620 --> 01:21:59,209

things that just shouldn't be there in

1651  
01:22:05,529 --> 01:22:02,630  
fact there's a ranch there the Bradshaw

1652  
01:22:07,389 --> 01:22:05,539  
ranch was for a while was kind of like

1653  
01:22:11,739 --> 01:22:07,399  
their version of the skinwalker ranch

1654  
01:22:15,159 --> 01:22:11,749  
you know in Utah where people were

1655  
01:22:17,139 --> 01:22:15,169  
seeing these orbs and glowing balls and

1656  
01:22:22,089 --> 01:22:17,149  
light and and so forth and we've even

1657  
01:22:24,429 --> 01:22:22,099  
heard about creatures of equip tides of

1658  
01:22:29,020 --> 01:22:24,439  
one type or another actually crossing

1659  
01:22:31,589 --> 01:22:29,030  
the main highway there no I would tell I

1660  
01:22:34,299 --> 01:22:31,599  
would tell about I would tell about my

1661  
01:22:36,779 --> 01:22:34,309  
synchronicities but that would take half

1662  
01:22:38,560 --> 01:22:36,789  
a show in itself Tim I think wouldn't it

1663  
01:22:40,810 --> 01:22:38,570

go ahead go ahead buddy

1664

01:22:43,029 --> 01:22:40,820

strangely enough I went out to meet a

1665

01:22:45,699 --> 01:22:43,039

UFO group it's not something I've spent

1666

01:22:48,790 --> 01:22:45,709

a lot of time researching but it was the

1667

01:22:51,399 --> 01:22:48,800

iq4 group it was in Tempe Arizona and

1668

01:22:53,889 --> 01:22:51,409

they took me to see chief white bear he

1669

01:22:56,109 --> 01:22:53,899

was a chief of the Hopi Indians and his

1670

01:22:59,589 --> 01:22:56,119

story was that he could go out in the

1671

01:23:01,509 --> 01:22:59,599

desert called the UFOs to him and so I

1672

01:23:03,969 --> 01:23:01,519

went out there to meet with his group

1673

01:23:07,779 --> 01:23:03,979

and then they took me out to meet chief

1674

01:23:10,029 --> 01:23:07,789

white bear so that was long before I

1675

01:23:12,659 --> 01:23:10,039

really understood a lot that was going

1676

01:23:15,609 --> 01:23:12,669

on in the UFO field and again I'm not a

1677

01:23:17,429 --> 01:23:15,619

study student or anything of UFOs I'm

1678

01:23:21,689 --> 01:23:17,439

well aware of them but to me it's

1679

01:23:23,589 --> 01:23:21,699

something I accept money I have a

1680

01:23:25,359 --> 01:23:23,599

question here that a friend of mine

1681

01:23:28,810 --> 01:23:25,369

who's listening to the program just

1682

01:23:31,270 --> 01:23:28,820

texted me and she wants to know you were

1683

01:23:34,799 --> 01:23:31,280

referring earlier about Earth changes

1684

01:23:39,509 --> 01:23:34,809

and she was just curious whether or not

1685

01:23:44,409 --> 01:23:39,519

these earth changes are the result of

1686

01:23:45,879 --> 01:23:44,419

natural forces man-made causes or maybe

1687

01:23:49,299 --> 01:23:45,889

a little from column a a little from

1688

01:23:52,120 --> 01:23:49,309

column B it's both of them because we

1689

01:23:55,540 --> 01:23:52,130

have a lot of let's say special

1690

01:23:59,500 --> 01:23:55,550

equipment the military uses that if we

1691

01:24:01,060 --> 01:23:59,510

want to say the the heart system and you

1692

01:24:02,859 --> 01:24:01,070

know the woodpecker system there's so

1693

01:24:04,870 --> 01:24:02,869

much going on energetic lis

1694

01:24:07,569 --> 01:24:04,880

we've got CERN where they're of trying

1695

01:24:10,090 --> 01:24:07,579

to access some of the information from

1696

01:24:13,840 --> 01:24:10,100

black holes and in time continue

1697

01:24:15,730 --> 01:24:13,850

studies that it's disrupting Mother

1698

01:24:20,260 --> 01:24:15,740

Earth and it's going to cause some

1699

01:24:23,470 --> 01:24:20,270

problems well and what is there anything

1700

01:24:28,180 --> 01:24:23,480

that you know us as individuals can do

1701

01:24:29,950 --> 01:24:28,190

to help the matter hang on tight there's

1702

01:24:32,020 --> 01:24:29,960

not a whole lot we can do this is a

1703

01:24:34,120 --> 01:24:32,030

lesson you know most people that yeah

1704

01:24:35,710 --> 01:24:34,130

I'm sure you already know and you've got

1705

01:24:37,810 --> 01:24:35,720

a background in Atlantis that's what

1706

01:24:39,100 --> 01:24:37,820

happened to them yes they got to

1707

01:24:41,440 --> 01:24:39,110

advanced and they destroyed themselves

1708

01:24:44,680 --> 01:24:41,450

and we're almost on that purpose you

1709

01:24:47,940 --> 01:24:44,690

know that point now do you think we

1710

01:24:50,710 --> 01:24:47,950

could destroy ourselves oh absolutely

1711

01:24:52,560 --> 01:24:50,720

that's the main reason why the space

1712

01:24:55,330 --> 01:24:52,570

Brotherhood is here is to stop that

1713

01:24:57,430 --> 01:24:55,340

that's why a lot of the spacecraft

1714

01:24:59,290 --> 01:24:57,440

Elon Musk and some of the others are not

1715

01:25:00,910 --> 01:24:59,300

successful and I predicted that in my

1716

01:25:02,580 --> 01:25:00,920

vlogs they won't be successful because

1717

01:25:05,950 --> 01:25:02,590

they're not gonna let him go up in space

1718

01:25:09,040 --> 01:25:05,960

there's too much up there that could be

1719

01:25:12,850 --> 01:25:09,050

revealed and their forces at work to

1720

01:25:17,830 --> 01:25:12,860

stop them that was something that I was

1721

01:25:23,380 --> 01:25:17,840

told through several contacts is far

1722

01:25:27,880 --> 01:25:23,390

back as we mid-1960s that the the space

1723

01:25:27,880 --> 01:25:27,890

people a good bad or indifferent

1724

01:25:32,440 --> 01:25:29,740

you know I did depending but how many

1725

01:25:36,070 --> 01:25:32,450

groups there might be we're not going to

1726

01:25:40,300 --> 01:25:36,080

allow us to set up a shop on the moon or

1727

01:25:42,820 --> 01:25:40,310

on any of these other planets and you

1728

01:25:46,120 --> 01:25:42,830

know isn't it amazing here we we landed

1729

01:25:49,780 --> 01:25:46,130

on the moon back really before the age

1730

01:25:51,940 --> 01:25:49,790

of you know computerization and and all

1731

01:25:55,680 --> 01:25:51,950

the things that we have now but we can't

1732

01:25:58,630 --> 01:25:55,690

seem to get back there it's not that

1733

01:26:01,450 --> 01:25:58,640

it's not that far it's not that far away

1734

01:26:03,010 --> 01:26:01,460

I don't know yeah yeah the Russians got

1735

01:26:05,470 --> 01:26:03,020

there before we did they got there in

1736

01:26:09,340 --> 01:26:05,480

the mid-60s well you know that that was

1737

01:26:12,190 --> 01:26:09,350

just a political ploy in 69 July 19th

1738

01:26:14,410 --> 01:26:12,200

you know 69 the Russians had already

1739

01:26:16,710 --> 01:26:14,420

beat us there and in the whole space

1740

01:26:19,480 --> 01:26:16,720

program itself is a PR stunt

1741

01:26:21,940 --> 01:26:19,490

well maybe the Germans even beat the

1742

01:26:24,100 --> 01:26:21,950

Russians there that could be true as

1743

01:26:25,360 --> 01:26:24,110

well sumo

1744

01:26:27,760 --> 01:26:25,370

why haven't thrown alive and the

1745

01:26:30,100 --> 01:26:27,770

Russians have been crowing about this

1746

01:26:31,780 --> 01:26:30,110

achievement then well politically it

1747

01:26:34,690 --> 01:26:31,790

wouldn't serve them that's why I say

1748

01:26:37,990 --> 01:26:34,700

that we've been allies with them back to

1749

01:26:39,400 --> 01:26:38,000

the 60s and it was only for political

1750

01:26:41,950 --> 01:26:39,410

expedience that we had to have a

1751

01:26:43,360 --> 01:26:41,960

boogeyman and to you know stare our

1752

01:26:46,120 --> 01:26:43,370

country in one direction or the other

1753

01:26:48,970 --> 01:26:46,130

trying to get us out of the doldrums

1754

01:26:50,710 --> 01:26:48,980

that we're in that's the main reason I

1755

01:26:52,660 --> 01:26:50,720

say the Russians are our closest enemies

1756

01:26:54,370 --> 01:26:52,670

because I mean closest allies because

1757

01:26:55,930 --> 01:26:54,380

we've been working with them in the

1758

01:26:58,330 --> 01:26:55,940

space program all the way back to the

1759

01:27:00,700 --> 01:26:58,340

50s and specifically the mid 60s you

1760

01:27:02,650 --> 01:27:00,710

know their spacecraft that are up there

1761

01:27:04,330 --> 01:27:02,660

now that that were launched back in the

1762

01:27:06,730 --> 01:27:04,340

mid 60's long before we ever got our

1763

01:27:09,610 --> 01:27:06,740

space station they already had one mmm

1764

01:27:15,400 --> 01:27:09,620

we we had a boogie man and that we have

1765

01:27:17,560 --> 01:27:15,410

our rocket man that's it what about what

1766

01:27:20,830 --> 01:27:17,570

about rogue nations say like North North

1767

01:27:22,570 --> 01:27:20,840

Korea I've been predicting for several

1768

01:27:26,010 --> 01:27:22,580

years that North Korea will join forces

1769

01:27:28,300 --> 01:27:26,020

with South Korea and be a major economic

1770

01:27:30,190 --> 01:27:28,310

country to deal with and and we're

1771

01:27:32,620 --> 01:27:30,200

seeing some of that happen now behind

1772

01:27:35,380 --> 01:27:32,630

the scenes but the days are numbered I'm

1773

01:27:37,420 --> 01:27:35,390

telling you I've been preaching this for

1774

01:27:39,700 --> 01:27:37,430

the last two years specifically in

1775

01:27:42,070 --> 01:27:39,710

saying that the powers that be when I'm

1776

01:27:43,930 --> 01:27:42,080

talking about the powers upstairs do not

1777

01:27:46,440 --> 01:27:43,940

like this issue between North and South

1778

01:27:48,940 --> 01:27:46,450

Korea and they they will join forces

1779

01:27:50,590 --> 01:27:48,950

it's probably going to be in the next 18

1780

01:27:53,110 --> 01:27:50,600

months they will join forces and they'll

1781

01:27:56,770 --> 01:27:53,120

put down their their arms and remove the

1782

01:27:59,320 --> 01:27:56,780

DMZ huh well that would be I don't know

1783

01:28:02,830 --> 01:27:59,330

that that seems a little far-fetched at

1784

01:28:06,460 --> 01:28:02,840

the at the moment but you know Tim I I

1785

01:28:11,530 --> 01:28:06,470

see we're closing in on the the midnight

1786

01:28:16,420 --> 01:28:11,540

hour and I think we should invite our

1787

01:28:18,730 --> 01:28:16,430

guests to tell us how our listeners can

1788

01:28:21,280 --> 01:28:18,740

get in touch with them and the project

1789

01:28:23,620 --> 01:28:21,290

that projects that they're working on

1790

01:28:27,010 --> 01:28:23,630

and many forthcoming lectures or

1791

01:28:29,200 --> 01:28:27,020

conferences books and so forth so

1792

01:28:33,270 --> 01:28:29,210

Melissa why don't we start with you how

1793

01:28:37,930 --> 01:28:33,280

do our listeners get in touch with you

1794

01:28:50,760 --> 01:28:49,290

dot psychic mom 27.0 17.8 site.com back

1795

01:28:57,340 --> 01:28:50,770

/uv

1796

01:28:58,840 --> 01:28:57,350

p.m. and they can call me and I have all

1797

01:29:01,840 --> 01:28:58,850

the links to everything I'm doing right

1798

01:29:04,030 --> 01:29:01,850

there and currently I'm in the process

1799

01:29:07,060 --> 01:29:04,040

of working on renaming and rewriting

1800

01:29:09,460 --> 01:29:07,070

expanding my first book which basically

1801  
01:29:13,020 --> 01:29:09,470  
takes you through my life story my walk

1802  
01:29:15,760 --> 01:29:13,030  
with spirit and everything that I've

1803  
01:29:18,910 --> 01:29:15,770  
experienced in my life

1804  
01:29:22,240 --> 01:29:18,920  
which continues now of course obviously

1805  
01:29:24,430 --> 01:29:22,250  
like last night he had something happen

1806  
01:29:26,380 --> 01:29:24,440  
where it sounded like someone was trying

1807  
01:29:29,730 --> 01:29:26,390  
to get into our motel room with a key

1808  
01:29:32,200 --> 01:29:29,740  
card in our door was locked shut and

1809  
01:29:36,550 --> 01:29:32,210  
when we went to look outside in the

1810  
01:29:40,260 --> 01:29:36,560  
hallway there was nobody there yeah I

1811  
01:29:42,490 --> 01:29:40,270  
mean we'll both know and what was he

1812  
01:29:47,740 --> 01:29:42,500  
what was the original title of your book

1813  
01:29:50,890 --> 01:29:47,750

Melissa the original title was remember

1814

01:29:53,980 --> 01:29:50,900

now let me see hang on I've got thing of

1815

01:29:56,020 --> 01:29:53,990

it here my life is a medium a journey

1816

01:30:01,210 --> 01:29:56,030

through the paranormal it will now be

1817

01:30:04,960 --> 01:30:01,220

called born into shamanism alright

1818

01:30:07,990 --> 01:30:04,970

fantastic and and Monty how about you I

1819

01:30:10,930 --> 01:30:08,000

can be reached through my website pretty

1820

01:30:12,310 --> 01:30:10,940

easy it's just world psychic org and I

1821

01:30:14,860 --> 01:30:12,320

have a schedule page where i'll be

1822

01:30:17,410 --> 01:30:14,870

traveling and some of the projects that

1823

01:30:20,590 --> 01:30:17,420

I'm working on and anyone's invited to

1824

01:30:23,650 --> 01:30:20,600

contact me if you have any questions and

1825

01:30:25,360 --> 01:30:23,660

I should I should point out that both of

1826

01:30:28,660 --> 01:30:25,370

our guests

1827

01:30:33,430 --> 01:30:28,670

links to their webpages are on our web

1828

01:30:39,310 --> 01:30:33,440

page at K cor radio and so you be able

1829

01:30:42,610 --> 01:30:39,320

to click on those and get easy access to

1830

01:30:45,370 --> 01:30:42,620

these locations and Melissa go I'm sorry

1831

01:30:47,380 --> 01:30:45,380

I'm glad no no I was just going to say

1832

01:30:52,490 --> 01:30:47,390

and and Tim I know you have a busy

1833

01:30:56,910 --> 01:30:52,500

schedule well what are you working on

1834

01:31:00,180 --> 01:30:56,920

well I am working on trying to get some

1835

01:31:02,370 --> 01:31:00,190

chapters out for what of your new

1836

01:31:05,370 --> 01:31:02,380

projects at working on ID all you want

1837

01:31:12,030 --> 01:31:05,380

us to talk about the the the subject

1838

01:31:15,390 --> 01:31:12,040

right now a hostile UFO is because well

1839

01:31:17,610 --> 01:31:15,400

a Star Wars face right not necessarily a

1840

01:31:19,709 --> 01:31:17,620

sweetness and and light of course we

1841

01:31:22,350 --> 01:31:19,719

don't know if these are really a you

1842

01:31:26,370 --> 01:31:22,360

know space brothers or what are causing

1843

01:31:29,970 --> 01:31:26,380

some of these estranged aerial incidents

1844

01:31:34,320 --> 01:31:29,980

where people are being burned by close

1845

01:31:37,590 --> 01:31:34,330

approaches of UFOs radiation and and so

1846

01:31:40,110 --> 01:31:37,600

forth you've got a couple of I guess

1847

01:31:42,060 --> 01:31:40,120

over the years the incidents where our

1848

01:31:45,000 --> 01:31:42,070

planes have disappeared in the course

1849

01:31:48,030 --> 01:31:45,010

people are disappearing in national

1850

01:31:50,040 --> 01:31:48,040

parks and around the and around the

1851  
01:31:53,459 --> 01:31:50,050  
country and there doesn't seem to be an

1852  
01:31:56,850 --> 01:31:53,469  
explanation whether we can blame these

1853  
01:31:59,180 --> 01:31:56,860  
on people from elsewhere or whether

1854  
01:32:04,919 --> 01:31:59,190  
people are slipping into some sort of

1855  
01:32:10,340 --> 01:32:04,929  
into interdimensional vortex it's really

1856  
01:32:14,280 --> 01:32:10,350  
hard to say but we've got a lot of good

1857  
01:32:16,080 --> 01:32:14,290  
contributors to the the book and of

1858  
01:32:19,110 --> 01:32:16,090  
course we have a couple of new titles

1859  
01:32:22,320 --> 01:32:19,120  
that have just come out the weird winged

1860  
01:32:25,439 --> 01:32:22,330  
wonders we've got one on project magnet

1861  
01:32:26,880 --> 01:32:25,449  
about Wilbur Smith alright end the

1862  
01:32:27,240 --> 01:32:26,890  
music's playing we're gonna have to say

1863  
01:32:31,260 --> 01:32:27,250

good night

1864

01:32:33,260 --> 01:32:31,270

oh no remember our YouTube channel just

1865

01:32:35,610 --> 01:32:33,270

you upload secret files

1866

01:32:36,680 --> 01:32:35,620

thank you everyone for listening and

1867

01:32:43,479 --> 01:32:36,690

thanks to her

1868

01:32:49,720 --> 01:32:45,760

you've been listening to exploring the

1869

01:32:52,990 --> 01:32:49,730

bazaar with hosts Timothy Beckley and to

1870

01:32:55,630 --> 01:32:53,000

Swartz they're taking back the night by

1871

01:32:58,450 --> 01:32:55,640

jetting non-stop across the cosmos in

1872

01:33:02,070 --> 01:32:58,460

search of the truly bizarre and totally

1873

01:33:04,770 --> 01:33:02,080

unexplained with you as their combines

1874

01:33:09,250 --> 01:33:04,780

Thursday nights at 7:00 p.m. Pacific

1875

01:33:12,700 --> 01:33:09,260

10:00 p.m. Eastern on the K cor digital

1876

01:33:15,940 --> 01:33:12,710

radio for more information on exploring

1877

01:33:18,640 --> 01:33:15,950

the bizarre and hosts Timothy Beckley

1878

01:33:21,850 --> 01:33:18,650

and Tim Swartz check out their K cor

1879

01:33:26,880 --> 01:33:21,860

digital radio network follow their

1880

01:33:38,930 --> 01:33:26,890

YouTube channel at M our UFO 11-hundred
