strap yourself in as we traverse the

5
00:00:56,609 --> 00:00:52,019

universe exploring the unexplained UFO s

6
00:01:00,630 --> 00:00:56,619

ghosts Lost Worlds cryptozoology ones as

7
00:01:05,100 --> 00:01:00,640

well as other dimensions it's time to

8
00:01:07,350 --> 00:01:05,110

take back the night now your

9
00:01:15,200 --> 00:01:07,360

electrifying hosts of exploring the

10
00:01:26,809 --> 00:01:19,830

ice witchcraft wicked witch crap and I

11
00:01:33,990 --> 00:01:31,410

let me see here where is my cauldron oh

12
00:01:36,779 --> 00:01:34,000

here it is just set a little fire and

13
00:01:39,809 --> 00:01:36,789

throw a little incense and some oil in

14

00:01:44,099 --> 00:01:39,819

there and maybe God knows one of our

15

00:01:46,020 --> 00:01:44,109

enemies and we'll be all set to take

16

00:01:48,450 --> 00:01:46,030

back the night that Sam you know I'm I'm

17

00:01:50,760 --> 00:01:48,460

sitting here in a very chilly New York

18

00:01:53,789 --> 00:01:50,770

because spring is not sprung yet with a

19

00:01:56,789 --> 00:01:53,799

copy of the gypsy witch spell book in my

20

00:02:00,830 --> 00:01:56,799

hand which ritualistic secrets of

21

00:02:03,300 --> 00:02:00,840

sorcery shamanism witchcraft magic and

22

00:02:06,239 --> 00:02:03,310

fortune-telling this is the book that

23

00:02:08,699 --> 00:02:06,249

gives you all curious old Italian

24

00:02:11,280 --> 00:02:08,709

secrets the magic virtues of garlic

25

00:02:16,470 --> 00:02:11,290

calling up the spirits of Earth and air

26
00:02:19,740 --> 00:02:16,480
and egg lore and egg proverbs and a cure

27
00:02:21,780 --> 00:02:19,750
to protect animals but gosh I I guess

28
00:02:25,979 --> 00:02:21,790
this would be great if we we lived on a

29
00:02:29,059 --> 00:02:25,989
farm to him what'd you say well a lot of

30
00:02:32,490 --> 00:02:29,069
that stuff you know was a very popular

31
00:02:34,680 --> 00:02:32,500
here in the central part of the United

32
00:02:38,250 --> 00:02:34,690
States especially in the 19th and early

33
00:02:40,949 --> 00:02:38,260
20th century it was called powwow magic

34
00:02:43,680 --> 00:02:40,959
yeah and in hexing right right right

35
00:02:48,899 --> 00:02:43,690
yeah yeah in fact you have a hex sign on

36
00:02:52,860 --> 00:02:48,909
your house no but you know

37
00:02:55,530 --> 00:02:52,870
we do have a little probably maybe about

38
00:03:00,179 --> 00:02:55,540

30 miles away from where we live you

39
00:03:02,129 --> 00:03:00,189
know a several Amish communities and and

40
00:03:04,860 --> 00:03:02,139
they they you know I mean they have them

41
00:03:07,020 --> 00:03:04,870
painted on their barns even though I

42
00:03:10,140 --> 00:03:07,030
mean I don't think that they paint them

43
00:03:14,339 --> 00:03:10,150
for that reason I think they just you

44
00:03:15,449 --> 00:03:14,349
know paint it because it looks nice but

45
00:03:17,220 --> 00:03:15,459
I mean you know that's what they

46
00:03:20,369 --> 00:03:17,230
originated from I mean they they were

47
00:03:22,860 --> 00:03:20,379
heck signs to you know help the crops

48
00:03:26,789 --> 00:03:22,870
and you know stop the evil whatever is

49
00:03:29,309 --> 00:03:26,799
from arming their livestock in fact I

50
00:03:34,349 --> 00:03:29,319
believe this book we added a section on

51
00:03:41,069 --> 00:03:34,359
the black point which is a how to turn

52
00:03:46,500 --> 00:03:41,079
your hens eggs into gold possibly it's

53
00:03:48,179 --> 00:03:46,510
been a while since from your books you

54
00:03:50,429 --> 00:03:48,189
don't need to do that anymore right well

55
00:03:54,479 --> 00:03:50,439
I was I was just thinking though the the

56
00:03:56,069 --> 00:03:54,489
black poet though was a like a pamphlet

57
00:03:58,319 --> 00:03:56,079
that gosh I mean I think it was

58
00:04:00,659 --> 00:03:58,329
originally written like in the 18th

59
00:04:03,929 --> 00:04:00,669
century yeah yeah well so was this a

60
00:04:06,809 --> 00:04:03,939
gypsy witch spell book was done I don't

61
00:04:08,879 --> 00:04:06,819
know what 1930 in 1940 and we added the

62
00:04:11,429 --> 00:04:08,889
black pull it to it because people had

63
00:04:13,349 --> 00:04:11,439

actually requested it oh yeah yeah well

64

00:04:15,449 --> 00:04:13,359

I mean you know it it contained all

65

00:04:17,610 --> 00:04:15,459

kinds of hex signs and you know how to

66

00:04:20,009 --> 00:04:17,620

you know how to draw them and their

67

00:04:22,290 --> 00:04:20,019

proper use of things like that so so

68

00:04:25,649 --> 00:04:22,300

yeah I mean they're there's a long

69

00:04:26,670 --> 00:04:25,659

history of that well we don't have to do

70

00:04:28,800 --> 00:04:26,680

that tonight

71

00:04:32,129 --> 00:04:28,810

we don't have to go out to Amos country

72

00:04:34,920 --> 00:04:32,139

because we've got two fascinating guests

73

00:04:37,320 --> 00:04:34,930

on and one of them is over there and the

74

00:04:39,870 --> 00:04:37,330

UK are our old their friend have been a

75

00:04:43,550 --> 00:04:39,880

porter and he's going to tell us all

76

00:04:47,850 --> 00:04:43,560

about the the last witch that was

77

00:04:50,909 --> 00:04:47,860

prosecuted and persecuted and in the UK

78

00:04:53,969 --> 00:04:50,919

I mean you think that witchcraft went

79

00:04:58,709 --> 00:04:53,979

out with the Salem witch trials but nay

80

00:05:01,709 --> 00:04:58,719

not not true Tim yeah it's a very

81

00:05:02,510 --> 00:05:01,719

interesting case and also with us

82

00:05:07,760 --> 00:05:02,520

tonight by the

83

00:05:12,559 --> 00:05:07,770

is Jack kena and he's a member of the

84

00:05:15,920 --> 00:05:12,569

paranormal team spirits SPI are i TS of

85

00:05:18,650 --> 00:05:15,930

New England San Diego ghost hunters and

86

00:05:21,350 --> 00:05:18,660

extreme paranormal encounters response

87

00:05:23,240 --> 00:05:21,360

team well we've got a doozy of a show

88

00:05:25,820 --> 00:05:23,250

why don't you get to give the listeners

89

00:05:27,140 --> 00:05:25,830

a little bit of background on Ben if

90

00:05:31,550 --> 00:05:27,150

they haven't heard him on our show

91

00:05:34,370 --> 00:05:31,560

before he's a one of the top conspiracy

92

00:05:38,320 --> 00:05:34,380

researchers and ufologists than in

93

00:05:42,439 --> 00:05:38,330

England and he's got a really great

94

00:05:44,659 --> 00:05:42,449

YouTube channel if he hasn't been taken

95

00:05:49,730 --> 00:05:44,669

off the air no I don't think he's been

96

00:05:51,710 --> 00:05:49,740

taken off here just yet but knowing

97

00:05:52,249 --> 00:05:51,720

YouTube these days that all that'll come

98

00:05:57,469 --> 00:05:52,259

next

99

00:06:00,260 --> 00:05:57,479

yeah well boy that's true let's I'm sure

100

00:06:05,320 --> 00:06:00,270

that our video producer Peter would have

101
00:06:07,580 --> 00:06:05,330
you think about well they demonetised me

102
00:06:11,270 --> 00:06:07,590
after the first show they're gonna make

103
00:06:13,459 --> 00:06:11,280
sure that I don't make a dime on this

104
00:06:16,629 --> 00:06:13,469
but we don't we don't do it for the love

105
00:06:19,310 --> 00:06:16,639
of money we do it for the love of the

106
00:06:21,560 --> 00:06:19,320
normal that's right them love the

107
00:06:24,230 --> 00:06:21,570
subject well and now I think this is

108
00:06:28,459 --> 00:06:24,240
probably Ben's gosh maybe a fourth or

109
00:06:30,350 --> 00:06:28,469
fifth visit to exploring the bizarre we

110
00:06:34,309 --> 00:06:30,360
keep obviously we keep him locked up in

111
00:06:38,089 --> 00:06:34,319
the asylum but we keep him locked up in

112
00:06:41,029 --> 00:06:38,099
the closet over here and you know we

113
00:06:44,480 --> 00:06:41,039

once in a while we unlock the rusty old

114

00:06:48,409 --> 00:06:44,490

that door and let him out it into the K

115

00:06:52,430 --> 00:06:48,419

cor living room area and we sit around

116

00:06:56,300 --> 00:06:52,440

and and chat up a storm and hustle up

117

00:07:01,450 --> 00:06:56,310

some ghosts and goblins and Bigfoot and

118

00:07:05,839 --> 00:07:01,460

and the UFOs that go bump in the night

119

00:07:08,089 --> 00:07:05,849

well I should mention that Bette Jones

120

00:07:10,159 --> 00:07:08,099

is a researcher blogger and filmmaker on

121

00:07:15,469 --> 00:07:10,169

controversial subjects and his blog

122

00:07:16,100 --> 00:07:15,479

website is HP a NWO which stands for a

123

00:07:17,840 --> 00:07:16,110

hospital

124

00:07:20,270 --> 00:07:17,850

Porter's against the new world order

125

00:07:21,950 --> 00:07:20,280

that sounds like hail it sounds almost

126
00:07:22,670 --> 00:07:21,960
like a Doctor Who episode they're you

127
00:07:24,290 --> 00:07:22,680
know welcome

128
00:07:27,800 --> 00:07:24,300
you know you know what we found out

129
00:07:29,150 --> 00:07:27,810
early on in case people here on this

130
00:07:31,640 --> 00:07:29,160
side of the pond don't know what a

131
00:07:36,850 --> 00:07:31,650
porter is it would be similar to an

132
00:07:40,670 --> 00:07:36,860
orderly and and and Ben has started a

133
00:07:43,280 --> 00:07:40,680
UFO group made up of Porter's but I

134
00:07:44,780 --> 00:07:43,290
think last time we talked to him he had

135
00:07:45,910 --> 00:07:44,790
two members did you ever get any more

136
00:07:48,800 --> 00:07:45,920
members there Ben

137
00:07:51,140 --> 00:07:48,810
unfortunately not yet sorry too heavy

138
00:07:54,140 --> 00:07:51,150

not I'm still working on it you know I

139

00:07:56,150 --> 00:07:54,150

mean I accept him pop applicants anyone

140

00:07:58,610 --> 00:07:56,160

wants to Joey you know I make I make

141

00:08:01,430 --> 00:07:58,620

frequent visits to the hospital here in

142

00:08:05,510 --> 00:08:01,440

fact I was over at NYU today maybe I'll

143

00:08:10,010 --> 00:08:05,520

try to scurry up a couple of members on

144

00:08:13,280 --> 00:08:10,020

on this side of the Atlantic and we can

145

00:08:15,440 --> 00:08:13,290

all have a very good show two together I

146

00:08:17,750 --> 00:08:15,450

mean I that would be that would be fun I

147

00:08:20,240 --> 00:08:17,760

I know that there have been a numerous

148

00:08:22,070 --> 00:08:20,250

UFO sightings over the years over over

149

00:08:24,860 --> 00:08:22,080

hospitals I guess you must have

150

00:08:27,140 --> 00:08:24,870

collected some of those well I have

151

00:08:29,510 --> 00:08:27,150

heard of a few yeah it's for hospitals

152

00:08:32,240 --> 00:08:29,520

it's ghosts and things like that I'm

153

00:08:33,770 --> 00:08:32,250

more common in hospitals I mean I think

154

00:08:35,630 --> 00:08:33,780

more sightings there than anywhere

155

00:08:38,030 --> 00:08:35,640

actually and there's a chap called

156

00:08:41,900 --> 00:08:38,040

dr. Mitchell Gibson who's in your city

157

00:08:44,840 --> 00:08:41,910

actually New York I missed him walking

158

00:08:47,560 --> 00:08:44,850

down the street you may want her to him

159

00:08:50,630 --> 00:08:47,570

he's he's a doctor and he was very often

160

00:08:55,280 --> 00:08:50,640

he often reported seeing strange things

161

00:08:56,660 --> 00:08:55,290

like for example he would be doing he

162

00:08:58,850 --> 00:08:56,670

would be doing resuscitation on a

163

00:09:00,110 --> 00:08:58,860

patient in the in association area and

164

00:09:02,210 --> 00:09:00,120

then the patient wouldn't make it he'd

165

00:09:04,790 --> 00:09:02,220

walk out into the corridor and he'd see

166

00:09:06,500 --> 00:09:04,800

the guy there he - you know the person

167

00:09:08,420 --> 00:09:06,510

who sort of he was actually working on

168

00:09:10,850 --> 00:09:08,430

so where he actually this is the spirit

169

00:09:12,830 --> 00:09:10,860

of the person who just departed she's

170

00:09:13,460 --> 00:09:12,840

very well that way he would make an

171

00:09:17,060 --> 00:09:13,470

excellent

172

00:09:18,830 --> 00:09:17,070

I guess the he were still working in the

173

00:09:21,920 --> 00:09:18,840

in the hospital and even if he's not

174

00:09:25,430 --> 00:09:21,930

well I do remember one case up in the

175

00:09:28,160 --> 00:09:25,440

Canada where a couple of nurses were

176
00:09:30,050 --> 00:09:28,170
standing by the window and and they saw

177
00:09:34,280 --> 00:09:30,060
this a dome shape

178
00:09:35,930 --> 00:09:34,290
object with a couple of lit up portholes

179
00:09:38,840 --> 00:09:35,940
that come right along side the the

180
00:09:43,580 --> 00:09:38,850
window and I guess they close the

181
00:09:46,310 --> 00:09:43,590
curtain a real real fascist I suppose

182
00:09:49,550 --> 00:09:46,320
but yeah you know what I wanted to get

183
00:09:52,190 --> 00:09:49,560
into tonight we started off with the

184
00:09:55,040 --> 00:09:52,200
singing or I did our singing and I use

185
00:09:58,580 --> 00:09:55,050
that in quotes a couple of lives there

186
00:10:01,070 --> 00:09:58,590
from wicked witchcraft and there been a

187
00:10:05,000 --> 00:10:01,080
lot of mutant a lot of music get devoted

188
00:10:06,230 --> 00:10:05,010

to it to magic and Howlin wolf and I

189

00:10:09,530 --> 00:10:06,240

mean you know some of these are the

190

00:10:11,900 --> 00:10:09,540

Louis Prima and Keely spell I mean yeah

191

00:10:14,570 --> 00:10:11,910

you I'm sure you can name a few of your

192

00:10:18,230 --> 00:10:14,580

favorite songs that revolve around the

193

00:10:22,040 --> 00:10:18,240

witchcraft theme but what we wanted to

194

00:10:28,180 --> 00:10:22,050

get into I know you've just done a video

195

00:10:32,390 --> 00:10:28,190

of a presentation on this very

196

00:10:39,350 --> 00:10:32,400

controversial lady Helen Duncan who was

197

00:10:41,840 --> 00:10:39,360

a spirit medium in 1944 in the in Great

198

00:10:44,330 --> 00:10:41,850

Britain and she was actually convicted

199

00:10:49,700 --> 00:10:44,340

and sent to prison under the witchcraft

200

00:10:52,850 --> 00:10:49,710

act of 1735 yeah tell us tell us a

201

00:10:55,730 --> 00:10:52,860

little bit about Helen how did she get

202

00:10:57,830 --> 00:10:55,740

into how did she step into a pile of

203

00:10:59,840 --> 00:10:57,840

[h__h] so to speak I mean that that seems

204

00:11:03,770 --> 00:10:59,850

awful drastic I mean witches haven't

205

00:11:05,240 --> 00:11:03,780

been you know burnt at the stake or

206

00:11:06,920 --> 00:11:05,250

actually haunted here in the United

207

00:11:09,170 --> 00:11:06,930

States people think that there which is

208

00:11:11,960 --> 00:11:09,180

where Berta the Satan Salem but now

209

00:11:14,750 --> 00:11:11,970

they're we're actually hunt several of

210

00:11:18,290 --> 00:11:14,760

them I believe how did she get all

211

00:11:20,090 --> 00:11:18,300

wrapped up into this well it's it is bus

212

00:11:21,320 --> 00:11:20,100

beam is confusing for her it was for

213

00:11:23,270 --> 00:11:21,330

everyone else because this is a

214

00:11:25,640 --> 00:11:23,280

situation that combines the paranormal

215

00:11:28,280 --> 00:11:25,650

with conspiracies and government

216

00:11:29,840 --> 00:11:28,290

cover-ups so it was with great interest

217

00:11:32,750 --> 00:11:29,850

to me because it's these are two of my

218

00:11:34,280 --> 00:11:32,760

very pet interest so to speak it was

219

00:11:37,130 --> 00:11:34,290

also it was a terrible injustice that

220

00:11:38,960 --> 00:11:37,140

was done you know and that's something I

221

00:11:40,040 --> 00:11:38,970

always like to fight back against

222

00:11:42,320 --> 00:11:40,050

whenever I hear something like that

223

00:11:43,850 --> 00:11:42,330

happening but Helen Duncan was she's

224

00:11:46,310 --> 00:11:43,860

born in 1890

225

00:11:49,639 --> 00:11:46,320

seven in calendar which is in Scotland

226

00:11:52,639 --> 00:11:49,649

Hampton from a very young age it was

227

00:11:54,470 --> 00:11:52,649

clear she had some kind of supernatural

228

00:11:56,210 --> 00:11:54,480

ability she could she used to go to

229

00:11:57,920 --> 00:11:56,220

trance in the middle of school as she's

230

00:12:01,519 --> 00:11:57,930

to yell out portents of doom and things

231

00:12:04,930 --> 00:12:01,529

and I was terrified her classmates would

232

00:12:07,730 --> 00:12:04,940

we would we would we classify her as a

233

00:12:10,310 --> 00:12:07,740

physical medium or a trance medium or a

234

00:12:12,050 --> 00:12:10,320

channeler oh she was a manifestation

235

00:12:13,280 --> 00:12:12,060

medium I mean she this is something to

236

00:12:16,100 --> 00:12:13,290

develop through the course of her life

237

00:12:19,759 --> 00:12:16,110

but she was definitely she went through

238

00:12:21,410 --> 00:12:19,769

several different phases it seems but

239

00:12:23,240 --> 00:12:21,420

something she wasn't I mean in those

240

00:12:24,590 --> 00:12:23,250

days she was luckily she lived a couple

241

00:12:26,180 --> 00:12:24,600

of hundred years earlier she'd end up

242

00:12:28,460 --> 00:12:26,190

like the Salem witches she's been

243

00:12:30,110 --> 00:12:28,470

hanging strung up in a tree or something

244

00:12:31,850 --> 00:12:30,120

you know but luckily she lived at a time

245

00:12:34,880 --> 00:12:31,860

where well the worse she got was a few

246

00:12:37,690 --> 00:12:34,890

strange looks but she was known as

247

00:12:41,210 --> 00:12:37,700

hellish now that was her nickname and

248

00:12:42,740 --> 00:12:41,220

she she made a living out of her

249

00:12:44,300 --> 00:12:42,750

mediumship when she was old enough when

250

00:12:46,340 --> 00:12:44,310

she she got married she had some

251
00:12:47,569 --> 00:12:46,350
children and then she was in very poor

252
00:12:50,810 --> 00:12:47,579
health her and her husband were both

253
00:12:53,030 --> 00:12:50,820
quite ill so she took to performing on

254
00:12:55,939 --> 00:12:53,040
stage in various places and she very

255
00:12:57,410 --> 00:12:55,949
quickly became very famous and that's

256
00:13:00,829 --> 00:12:57,420
what she did she but from Spiritist

257
00:13:03,880 --> 00:13:00,839
churches and to various seances as

258
00:13:06,769 --> 00:13:03,890
mediums do today she traveled around and

259
00:13:08,689 --> 00:13:06,779
performed and them became very

260
00:13:12,800 --> 00:13:08,699
successful and what you know it's

261
00:13:14,540 --> 00:13:12,810
virtual spiritualism is much bigger in

262
00:13:17,750 --> 00:13:14,550
your side of the the world that it is

263
00:13:21,079 --> 00:13:17,760

here we subscribe and advertise to the

264

00:13:21,740 --> 00:13:21,089

psychic news and in the back of the

265

00:13:23,600 --> 00:13:21,750

magazine

266

00:13:26,660 --> 00:13:23,610

every month they publish a list of all

267

00:13:29,630 --> 00:13:26,670

the spiritualist churches and some of

268

00:13:31,579 --> 00:13:29,640

them seem to be very active and we don't

269

00:13:34,790 --> 00:13:31,589

have much of that here anymore we do

270

00:13:38,210 --> 00:13:34,800

have a couple of spiritualist camps like

271

00:13:39,530 --> 00:13:38,220

camp Chesterfield and oh this is another

272

00:13:44,960 --> 00:13:39,540

one there what's the one out to a

273

00:13:46,310 --> 00:13:44,970

temporary Lully Duke so is camp

274

00:13:48,790 --> 00:13:46,320

Chesterfield still going that's our

275

00:13:51,560 --> 00:13:48,800

corner yeah yeah yeah and we have down

276

00:13:53,180 --> 00:13:51,570

Cassadaga down in Florida where if you

277

00:13:56,760 --> 00:13:53,190

want to go if you want to go to sweat

278

00:14:01,260 --> 00:13:56,770

you go down to the

279

00:14:04,560 --> 00:14:01,270

Andrew Jackson a building which is where

280

00:14:07,020 --> 00:14:04,570

they still have their services on the

281

00:14:10,740 --> 00:14:07,030

weekend and there's no air conditioning

282

00:14:12,810 --> 00:14:10,750

and there's the old pews in there and I

283

00:14:14,670 --> 00:14:12,820

think maybe one or two fans and hum away

284

00:14:17,810 --> 00:14:14,680

now this is quite a few years ago maybe

285

00:14:20,310 --> 00:14:17,820

it could have even been you know

286

00:14:22,890 --> 00:14:20,320

modernized there since then but I

287

00:14:25,770 --> 00:14:22,900

remember it be it's like in the swampy

288

00:14:28,740 --> 00:14:25,780

area I mean it's like very rural and

289

00:14:31,050 --> 00:14:28,750

very kind of difficult to get to unless

290

00:14:33,540 --> 00:14:31,060

you know where you're we're going but

291

00:14:36,180 --> 00:14:33,550

it's a it's a challenge and and and

292

00:14:39,090 --> 00:14:36,190

certainly worth the visiting I know I

293

00:14:42,810 --> 00:14:39,100

miss going there you can get some good

294

00:14:46,250 --> 00:14:42,820

readings from some really fantastic a

295

00:14:48,330 --> 00:14:46,260

spiritualist but okay so she Helen was a

296

00:14:51,360 --> 00:14:48,340

manifesting a medium

297

00:14:54,360 --> 00:14:51,370

did she manifest like ectoplasm and all

298

00:14:56,370 --> 00:14:54,370

yes she's so actually people who

299

00:14:58,440 --> 00:14:56,380

described her and crossly for example

300

00:15:01,500 --> 00:14:58,450

who was her biographer described as the

301
00:15:04,190 --> 00:15:01,510
most powerful manifestation medium he'd

302
00:15:06,600 --> 00:15:04,200
ever heard of I mean she's - she used to

303
00:15:09,240 --> 00:15:06,610
create ectoplasm which used to turn to

304
00:15:12,270 --> 00:15:09,250
forms into recognizable forms including

305
00:15:13,860 --> 00:15:12,280
people who would be taking on the

306
00:15:16,260 --> 00:15:13,870
appearance of living people I mean in

307
00:15:18,570 --> 00:15:16,270
dance this is a work very often happen

308
00:15:20,240 --> 00:15:18,580
during these manifestations it wasn't it

309
00:15:23,700 --> 00:15:20,250
wasn't cheesecloth

310
00:15:25,650 --> 00:15:23,710
no that's there was this that this whole

311
00:15:28,230 --> 00:15:25,660
cheesecloth thing goes to a study that

312
00:15:29,700 --> 00:15:28,240
was done on Helen in 1930 by Harry price

313
00:15:30,510 --> 00:15:29,710

and London and though he has this

314

00:15:34,170 --> 00:15:30,520

alliance

315

00:15:36,840 --> 00:15:34,180

yet it's this sir there was this was

316

00:15:39,060 --> 00:15:36,850

basically fake the whole was study was

317

00:15:40,530 --> 00:15:39,070

fake the reason it was fake is because

318

00:15:44,430 --> 00:15:40,540

there was a lot it was basically a huge

319

00:15:45,750 --> 00:15:44,440

argument broke up between between the

320

00:15:47,010 --> 00:15:45,760

London's purchased alliance which is

321

00:15:49,620 --> 00:15:47,020

today called the College of psychic

322

00:15:52,920 --> 00:15:49,630

studies in London and Harry price who

323

00:15:55,320 --> 00:15:52,930

was this lone maverick Helen was she was

324

00:15:56,820 --> 00:15:55,330

wet decided to subject herself to

325

00:15:59,250 --> 00:15:56,830

scientific tests but she signed an

326

00:16:01,260 --> 00:15:59,260

exclusivity contract with the LSA which

327

00:16:02,550 --> 00:16:01,270

she broke because Harry price approached

328

00:16:06,500 --> 00:16:02,560

her privately and asked her to do

329

00:16:09,270 --> 00:16:06,510

sittings for him and there's a massive

330

00:16:10,079 --> 00:16:09,280

trouble as a massive a ruckus between

331

00:16:11,970 --> 00:16:10,089

various

332

00:16:14,519 --> 00:16:11,980

people Helen was caught in the middle so

333

00:16:16,559 --> 00:16:14,529

basically they decided they both both

334

00:16:18,119 --> 00:16:16,569

decided to publish but they they were in

335

00:16:19,949 --> 00:16:18,129

a kind of a rush to publish as quickly

336

00:16:22,170 --> 00:16:19,959

as possible now the whole idea of the

337

00:16:23,639 --> 00:16:22,180

cheesecloth thing that this is um this

338

00:16:26,129 --> 00:16:23,649

is quite ludicrous when you think about

339

00:16:27,989 --> 00:16:26,139

it that Helen Duncan was actually

340

00:16:31,829 --> 00:16:27,999

swallowing cheesecloth which is a

341

00:16:33,119 --> 00:16:31,839

textile and price claims she managed to

342

00:16:39,059 --> 00:16:33,129

swallow a piece of cheesecloth it was

343

00:16:41,540 --> 00:16:39,069

six feet square which in every good

344

00:16:44,009 --> 00:16:41,550

tasting unless she threw it she threw up

345

00:16:45,660 --> 00:16:44,019

without using your hands and managed to

346

00:16:47,009 --> 00:16:45,670

create these because she was tied to a

347

00:16:49,739 --> 00:16:47,019

chair she was actually strapped down to

348

00:16:53,129 --> 00:16:49,749

a chair with a tight race firmly by her

349

00:16:55,499 --> 00:16:53,139

ankles and wrists or chair and then to

350

00:16:58,679 --> 00:16:55,509

actually create these strange shapes in

351
00:17:00,660 --> 00:16:58,689
the air which some people described as

352
00:17:02,340 --> 00:17:00,670
people they knew they recognized them

353
00:17:03,960 --> 00:17:02,350
and one lady said oh it was my mother

354
00:17:08,399 --> 00:17:03,970
who noticed I recognized the mole on her

355
00:17:11,069 --> 00:17:08,409
nose so I mean the price claims to have

356
00:17:12,899 --> 00:17:11,079
actually collected a sample of this but

357
00:17:14,039 --> 00:17:12,909
I mean I wonder why he didn't get a

358
00:17:15,689 --> 00:17:14,049
bigger bit that's something you know I

359
00:17:17,460 --> 00:17:15,699
wonder what people didn't cash her out

360
00:17:19,679 --> 00:17:17,470
before it's it's all a bit it was all a

361
00:17:20,939 --> 00:17:19,689
bit bizarre but that's just all nonsense

362
00:17:23,370 --> 00:17:20,949
I mean there's Allen Golding of the

363
00:17:25,559 --> 00:17:23,380

Magic Circle actually looked into this

364

00:17:27,779 --> 00:17:25,569

and at the time when Helen was in Duncan

365

00:17:29,880 --> 00:17:27,789

Helen Duncan was in London in 1930 and

366

00:17:33,690 --> 00:17:29,890

he published his own report on this and

367

00:17:37,560 --> 00:17:33,700

said how ridiculous it was we we have we

368

00:17:40,139 --> 00:17:37,570

had over here back in the 1850s and 60s

369

00:17:43,380 --> 00:17:40,149

the Davenport brothers in fact I

370

00:17:47,970 --> 00:17:43,390

recently added a up a book on their

371

00:17:50,549 --> 00:17:47,980

career called the dark seance and they

372

00:17:53,039 --> 00:17:50,559

were they were actually the you know

373

00:17:54,240 --> 00:17:53,049

they were in a spiritualist the cabinet

374

00:17:56,789 --> 00:17:54,250

the door was locked their hands were

375

00:17:58,649 --> 00:17:56,799

tied and all these musical instruments

376

00:18:02,760 --> 00:17:58,659

would flow down to the top of the

377

00:18:05,190 --> 00:18:02,770

cabinet and kind of float or teleport

378

00:18:07,230 --> 00:18:05,200

around the room and music would be

379

00:18:12,389 --> 00:18:07,240

played and then when the doors were open

380

00:18:14,279 --> 00:18:12,399

the tambourine and the a trumpet and

381

00:18:18,180 --> 00:18:14,289

whatever else would come crashing back

382

00:18:21,389 --> 00:18:18,190

into the into the the box where they

383

00:18:22,830 --> 00:18:21,399

were located but they they were totally

384

00:18:23,720 --> 00:18:22,840

you know they were driven out of town

385

00:18:27,020 --> 00:18:23,730

they were

386

00:18:29,720 --> 00:18:27,030

nup a couple of times they had a run for

387

00:18:32,830 --> 00:18:29,730

their lives and we understand that one

388

00:18:35,780 --> 00:18:32,840

woman was shown so shocked at their

389

00:18:41,510 --> 00:18:35,790

performance that she actually fell out

390

00:18:45,830 --> 00:18:41,520

of the balcony in a hall in Philadelphia

391

00:18:47,900 --> 00:18:45,840

and was badly badly seriously hurt so

392

00:18:50,510 --> 00:18:47,910

there have been some and I use this

393

00:18:53,360 --> 00:18:50,520

perhaps in quotes great mediums over the

394

00:18:55,870 --> 00:18:53,370

years and they have been controversial

395

00:18:58,760 --> 00:18:55,880

figures I kind of always liked them

396

00:19:01,280 --> 00:18:58,770

studying and studying them and reading

397

00:19:04,580 --> 00:19:01,290

up on them then they kind of remind me

398

00:19:07,010 --> 00:19:04,590

of the UFO contactees in the 1950s and

399

00:19:09,860 --> 00:19:07,020

and some of the phenomena as I'm sure

400

00:19:11,960 --> 00:19:09,870

you will agree is quite similar yeah

401
00:19:14,600 --> 00:19:11,970
unless there's a bit of overlap actually

402
00:19:17,150 --> 00:19:14,610
because people who have 80 contacts

403
00:19:18,620 --> 00:19:17,160
often you do exhibit kind of these

404
00:19:20,660 --> 00:19:18,630
abilities the abilities which you might

405
00:19:22,460 --> 00:19:20,670
call media mystic powers there's so

406
00:19:26,150 --> 00:19:22,470
there's a lot of connection there I

407
00:19:30,440 --> 00:19:26,160
think but how did she okay how did she

408
00:19:31,730 --> 00:19:30,450
become the most one at witch in the UK I

409
00:19:33,950 --> 00:19:31,740
mean what was that all about

410
00:19:37,210 --> 00:19:33,960
oh basically it all everything went

411
00:19:40,100 --> 00:19:37,220
wrong when world war ii began in 1939

412
00:19:42,410 --> 00:19:40,110
there was obviously have everything

413
00:19:44,210 --> 00:19:42,420

changed then because there's a lot of

414

00:19:46,640 --> 00:19:44,220

uncertainty and lot of fear in the

415

00:19:48,380 --> 00:19:46,650

country oh we look back at the world war

416

00:19:49,610 --> 00:19:48,390

2 we see as a historical event it's

417

00:19:51,950 --> 00:19:49,620

almost like a story we know how it

418

00:19:53,480 --> 00:19:51,960

begins we know how it ends but to be in

419

00:19:54,080 --> 00:19:53,490

the middle of it and not know what was

420

00:19:55,340 --> 00:19:54,090

going to happen

421

00:19:57,050 --> 00:19:55,350

must have been very very different

422

00:19:58,580 --> 00:19:57,060

especially early on in the war when we

423

00:20:02,180 --> 00:19:58,590

were suffering the Blitz

424

00:20:03,800 --> 00:20:02,190

so Germany was actually bombing the the

425

00:20:05,660 --> 00:20:03,810

country actually bombing the cities and

426

00:20:08,300 --> 00:20:05,670

we had to go down to shelters at night

427

00:20:11,150 --> 00:20:08,310

and things like that and we had then we

428

00:20:14,060 --> 00:20:11,160

had the possibility invasion we had we

429

00:20:15,260 --> 00:20:14,070

lost 300,000 troops not as many seeing

430

00:20:17,240 --> 00:20:15,270

the great war batu there's a large

431

00:20:20,090 --> 00:20:17,250

number of people who were killed we have

432

00:20:24,620 --> 00:20:20,100

people 60,000 killed in the Blitz and so

433

00:20:25,400 --> 00:20:24,630

Helen was so Helen became hot property

434

00:20:28,580 --> 00:20:25,410

in a sense

435

00:20:30,950 --> 00:20:28,590

and now I'll what's happening is this it

436

00:20:33,680 --> 00:20:30,960

all got tied up in a situation - with

437

00:20:35,090 --> 00:20:33,690

espionage because the number of Secrets

438

00:20:37,520 --> 00:20:35,100

the the government wanted to keep a

439

00:20:38,780 --> 00:20:37,530

number of Secrets because of the war

440

00:20:41,540 --> 00:20:38,790

which always happens of course in

441

00:20:44,360 --> 00:20:41,550

warfare and they were worried that Helen

442

00:20:46,820 --> 00:20:44,370

Duncan might be able to actually give

443

00:20:49,280 --> 00:20:46,830

these secrets out to the to people and

444

00:20:50,330 --> 00:20:49,290

inevitably to the enemy through the

445

00:20:52,430 --> 00:20:50,340

testimonies the dead

446

00:20:54,320 --> 00:20:52,440

you always hear this if you ever watch a

447

00:20:56,750 --> 00:20:54,330

spy novel or read a spy novel or watch a

448

00:20:58,880 --> 00:20:56,760

spy movie you've heard the phrase and we

449

00:21:01,310 --> 00:20:58,890

had to kill him because he knew too much

450

00:21:06,200 --> 00:21:01,320

but what you do when you can't silence

451
00:21:08,570 --> 00:21:06,210
someone even by killing them well that

452
00:21:11,030 --> 00:21:08,580
sounds very that sounds very similar to

453
00:21:13,880 --> 00:21:11,040
some of the mysterious deaths that are

454
00:21:16,520 --> 00:21:13,890
going on in the UK right now well it's

455
00:21:18,680 --> 00:21:16,530
these things to don't change I mean you

456
00:21:20,690 --> 00:21:18,690
know the political situation comes and

457
00:21:23,510 --> 00:21:20,700
goes but the same methods often appear

458
00:21:24,800 --> 00:21:23,520
and I mean Helen this earth it's a long

459
00:21:28,190 --> 00:21:24,810
story and I know we're coming up to the

460
00:21:30,770 --> 00:21:28,200
break but Helen Duncan basically was

461
00:21:32,120 --> 00:21:30,780
carrying out medium ships demonstrations

462
00:21:33,470 --> 00:21:32,130
all adapt up and down the country I

463
00:21:37,340 --> 00:21:33,480

don't you ever went abroad but she was

464

00:21:38,870 --> 00:21:37,350

world famous and there were several

465

00:21:40,850 --> 00:21:38,880

occasions like when some ships something

466

00:21:44,090 --> 00:21:40,860

although there's a ship called HMS hood

467

00:21:45,560 --> 00:21:44,100

went down and I got basically the

468

00:21:47,120 --> 00:21:45,570

intelligence services watching her the

469

00:21:49,010 --> 00:21:47,130

guy called Brigadier Roy fire brace

470

00:21:50,990 --> 00:21:49,020

who's head of Army Intelligence was

471

00:21:53,720 --> 00:21:51,000

actually in the audience at a time when

472

00:21:57,350 --> 00:21:53,730

a sailor appeared in active plasmon is

473

00:21:59,780 --> 00:21:57,360

that square-rigged and he said they see

474

00:22:01,610 --> 00:21:59,790

the the ship HMS hood has gone down this

475

00:22:04,600 --> 00:22:01,620

is an admiral class battle cruiser sunk

476

00:22:07,340 --> 00:22:04,610

off the scapa flow in the North Sea and

477

00:22:08,750 --> 00:22:07,350

basically and brilliant fire brace was

478

00:22:11,900 --> 00:22:08,760

astonished if he went back to his office

479

00:22:13,070 --> 00:22:11,910

he phoned up from the Admiralty says

480

00:22:14,000 --> 00:22:13,080

what's going on have you lost the ship

481

00:22:15,620 --> 00:22:14,010

and I said no sir

482

00:22:17,660 --> 00:22:15,630

no but in later on they called him back

483

00:22:20,900 --> 00:22:17,670

and said oh yes we have HMS hood went

484

00:22:24,590 --> 00:22:20,910

down had Page who went down off scapa

485

00:22:26,390 --> 00:22:24,600

flow yesterday and so he said well and

486

00:22:27,500 --> 00:22:26,400

there he managed to find out exactly

487

00:22:30,590 --> 00:22:27,510

when it happened it was just before

488

00:22:33,680 --> 00:22:30,600

Helen seance so this is this is really

489

00:22:37,180 --> 00:22:33,690

really worrying so now did they think

490

00:22:39,470 --> 00:22:37,190

that she was in collusion with the Nazis

491

00:22:43,190 --> 00:22:39,480

not knowingly no I mean it wasn't her

492

00:22:46,010 --> 00:22:43,200

fault and I realized that but why why

493

00:22:49,730 --> 00:22:46,020

would they have come after her and had

494

00:22:51,350 --> 00:22:49,740

taken her to a - to court and tried to

495

00:22:54,140 --> 00:22:51,360

throw her into prison

496

00:22:56,120 --> 00:22:54,150

because she had this knowledge DJ that's

497

00:22:58,039 --> 00:22:56,130

the reason what happened was in this all

498

00:23:00,110 --> 00:22:58,049

but this all kicked off in 1944 no cuz

499

00:23:01,910 --> 00:23:00,120

she did this this dangerous hood went

500

00:23:03,740 --> 00:23:01,920

down in 1941 there's another event in

501
00:23:07,610 --> 00:23:03,750
October where another battleship HMS

502
00:23:08,539 --> 00:23:07,620
Barham went down so and they had both on

503
00:23:12,380 --> 00:23:08,549
both occasions

504
00:23:14,330 --> 00:23:12,390
Helen Duncan managed to inform people

505
00:23:15,799 --> 00:23:14,340
and in the case of Asians bar on the

506
00:23:17,330 --> 00:23:15,809
government actively tried to suppress

507
00:23:18,740 --> 00:23:17,340
information from the public because they

508
00:23:20,419 --> 00:23:18,750
were worried about morale they didn't

509
00:23:22,460 --> 00:23:20,429
want to tell people because of the

510
00:23:24,470 --> 00:23:22,470
effects it might have on them so but she

511
00:23:26,720 --> 00:23:24,480
then her guy came forward and said I

512
00:23:28,070 --> 00:23:26,730
have or her officers and men here newly

513
00:23:29,030 --> 00:23:28,080

arrived in the spirit world they drowned

514

00:23:31,430 --> 00:23:29,040

on board the ship in the Mediterranean

515

00:23:33,140 --> 00:23:31,440

when if she went down and so this was

516

00:23:34,400 --> 00:23:33,150

really worrying because if our side were

517

00:23:37,370 --> 00:23:34,410

watching them you could bet the enemy

518

00:23:39,380 --> 00:23:37,380

was - I would guess I would guess

519

00:23:41,480 --> 00:23:39,390

alright we're gonna have to hold it

520

00:23:43,909 --> 00:23:41,490

right there fellas because we are going

521

00:23:46,760 --> 00:23:43,919

to our bottom of the our break so we

522

00:23:55,690 --> 00:23:46,770

like that exploring the bazaar so did

523

00:24:02,420 --> 00:23:59,840

now back to exploring the bazaar with

524

00:24:05,720 --> 00:24:02,430

two of the most electrifying researchers

525

00:24:06,200 --> 00:24:05,730

in the Paranoid your hosts Timothy Becca

526

00:24:11,450 --> 00:24:06,210

Lee

527

00:24:13,870 --> 00:24:11,460

Antonis was now right welcome back to

528

00:24:19,460 --> 00:24:13,880

exploring the bazaar I'm Tim Schwarz and

529

00:24:22,640 --> 00:24:19,470

we will return to Ben and his story

530

00:24:24,710 --> 00:24:22,650

about the medium Helen Duncan in just a

531

00:24:29,300 --> 00:24:24,720

bit but now we want to bring Jack cannon

532

00:24:33,020 --> 00:24:29,310

into the conversation and Jack we were

533

00:24:37,280 --> 00:24:33,030

talking about Helen Duncan and and

534

00:24:41,600 --> 00:24:37,290

really she was almost at the the tail

535

00:24:44,260 --> 00:24:41,610

end of the whole spiritualist medium

536

00:24:46,580 --> 00:24:44,270

being able to actually produce

537

00:24:49,280 --> 00:24:46,590

operations you know in the seance room

538

00:24:53,240 --> 00:24:49,290

and things like that and and now here we

539

00:24:56,690 --> 00:24:53,250

are in the 21st century and we have

540

00:25:00,050 --> 00:24:56,700

available to us just all kinds of just

541

00:25:03,470 --> 00:25:00,060

fantastic and technology and things are

542

00:25:06,380 --> 00:25:03,480

really quite a bit different compared to

543

00:25:08,510 --> 00:25:06,390

how they used to do it aren't they yeah

544

00:25:10,220 --> 00:25:08,520

it really is I mean even with you I mean

545

00:25:12,860 --> 00:25:10,230

you know you're talking about spiritual

546

00:25:14,900 --> 00:25:12,870

mediums and psychics mediums stuff like

547

00:25:17,600 --> 00:25:14,910

that which we've branched farther than

548

00:25:19,820 --> 00:25:17,610

that actually now with the scientific

549

00:25:22,010 --> 00:25:19,830

and of things and and what we now call

550

00:25:25,550 --> 00:25:22,020

paranormal investigators who some are

551
00:25:28,130 --> 00:25:25,560
psychic mediums or just psychics you

552
00:25:31,460 --> 00:25:28,140
know and and so yeah it's gone a really

553
00:25:35,510 --> 00:25:31,470
kind of different direction but it's

554
00:25:37,520 --> 00:25:35,520
still at its base is the psychic mediums

555
00:25:39,890 --> 00:25:37,530
right we don't really think about that

556
00:25:41,360 --> 00:25:39,900
we don't some of us not myself but there

557
00:25:44,270 --> 00:25:41,370
I know some people don't like to think

558
00:25:45,740 --> 00:25:44,280
about that they're just total tech

559
00:25:47,150 --> 00:25:45,750
people and that's okay and there's

560
00:25:48,530 --> 00:25:47,160
nothing wrong with that you know and

561
00:25:51,200 --> 00:25:48,540
they just know you don't want to look at

562
00:25:54,620 --> 00:25:51,210
at that end but I've with what I do and

563
00:25:56,180 --> 00:25:54,630

you know really focusing on helping

564

00:25:59,300 --> 00:25:56,190

people who are experiencing hauntings

565

00:26:02,660 --> 00:25:59,310

and stuff like that to me you can't look

566

00:26:03,860 --> 00:26:02,670

at the paranormal without realizing it's

567

00:26:06,540 --> 00:26:03,870

really about the spiritual

568

00:26:08,100 --> 00:26:06,550

you know you're talking about a soul or

569

00:26:11,730 --> 00:26:08,110

you're talking about you know smokes

570

00:26:13,470 --> 00:26:11,740

passed on or or a demonic or something

571

00:26:15,870 --> 00:26:13,480

that's all spiritual stuff so no matter

572

00:26:17,400 --> 00:26:15,880

what you're trying to prove or prove for

573

00:26:19,740 --> 00:26:17,410

yourself or trying to capture evidence

574

00:26:22,560 --> 00:26:19,750

of the the afterlife or whatever with

575

00:26:24,540 --> 00:26:22,570

the equipment we're using you still have

576

00:26:27,930 --> 00:26:24,550

to consider what you're really going

577

00:26:32,250 --> 00:26:27,940

after here right so you know well yeah I

578

00:26:34,800 --> 00:26:32,260

mean I I know we work with me and I do

579

00:26:36,810 --> 00:26:34,810

have some abilities myself and and you

580

00:26:39,090 --> 00:26:36,820

work with that to try to figure out

581

00:26:41,130 --> 00:26:39,100

what's going on and and deal with it

582

00:26:44,340 --> 00:26:41,140

well I was just going to say that you

583

00:26:46,140 --> 00:26:44,350

know I I mean I know a lot of the ghost

584

00:26:52,110 --> 00:26:46,150

hunters and I really hate using that

585

00:26:53,340 --> 00:26:52,120

term but you know paranormal it's kind

586

00:26:55,530 --> 00:26:53,350

of its kind of become you know

587

00:26:57,600 --> 00:26:55,540

synonymous though with it so it's like

588

00:27:00,030 --> 00:26:57,610

you know Kleenex and band-aids you know

589

00:27:03,180 --> 00:27:00,040

and that's become the name almost but

590

00:27:05,850 --> 00:27:03,190

it's there are a lot of like you said I

591

00:27:10,230 --> 00:27:05,860

mean they are concentrating almost

592

00:27:13,820 --> 00:27:10,240

specifically on the tack and they they

593

00:27:16,140 --> 00:27:13,830

have a distrust almost of working with

594

00:27:18,450 --> 00:27:16,150

psychics or you know with somebody who

595

00:27:20,730 --> 00:27:18,460

can you know just go in and you know

596

00:27:22,290 --> 00:27:20,740

they don't require any technology they

597

00:27:24,930 --> 00:27:22,300

can just talk to the spirits on their

598

00:27:26,670 --> 00:27:24,940

own and a lot of them hate that well I

599

00:27:28,470 --> 00:27:26,680

don't know if they so much hate it as

600

00:27:30,840 --> 00:27:28,480

they're just trying to separate from it

601
00:27:32,910 --> 00:27:30,850
but the funny thing is any of these guys

602
00:27:34,650 --> 00:27:32,920
you talk to that because I know many of

603
00:27:37,260 --> 00:27:34,660
them and they know me and they they know

604
00:27:39,090 --> 00:27:37,270
I use my spiritual end of things but

605
00:27:40,380 --> 00:27:39,100
they will tell you I asked oh so well

606
00:27:41,850 --> 00:27:40,390
how do you figure out what's the best

607
00:27:43,110 --> 00:27:41,860
place you know to check out well you

608
00:27:45,360 --> 00:27:43,120
know I had a really weird feeling in

609
00:27:47,070 --> 00:27:45,370
this area and this spot felt a lot

610
00:27:49,730 --> 00:27:47,080
different than this by said what do you

611
00:27:53,220 --> 00:27:49,740
think you're doing you know you're using

612
00:27:55,050 --> 00:27:53,230
here your abilities whether you know

613
00:27:57,270 --> 00:27:55,060

whether it's just your then they say

614

00:28:00,840 --> 00:27:57,280

psychic abilities but you're using your

615

00:28:01,560 --> 00:28:00,850

senses to figure out where to best try

616

00:28:04,650 --> 00:28:01,570

to investigate

617

00:28:06,840 --> 00:28:04,660

so you're still you know going to that

618

00:28:09,060 --> 00:28:06,850

side in order to try to find evidence

619

00:28:10,890 --> 00:28:09,070

and and capture whatever you're trying

620

00:28:13,050 --> 00:28:10,900

to capture to prove the existence of the

621

00:28:17,010 --> 00:28:13,060

afterlife and they don't like to think

622

00:28:18,870 --> 00:28:17,020

about that but you're still

623

00:28:20,370 --> 00:28:18,880

she can't get away from it because it's

624

00:28:22,920 --> 00:28:20,380

a spiritual realm that we're trying to

625

00:28:24,690 --> 00:28:22,930

deal with here so you know that's a

626
00:28:26,430 --> 00:28:24,700
stickier equipment you know and and I do

627
00:28:28,050 --> 00:28:26,440
I use equipment and stuff I actually try

628
00:28:31,830 --> 00:28:28,060
to use less and less of it these days

629
00:28:33,480 --> 00:28:31,840
but but I still use it because it can

630
00:28:36,390 --> 00:28:33,490
give you a lot of things to work off of

631
00:28:38,340 --> 00:28:36,400
and and bounce better questions off of

632
00:28:40,860 --> 00:28:38,350
when you're investigating if you seem to

633
00:28:43,290 --> 00:28:40,870
be getting answers or responses or

634
00:28:45,000 --> 00:28:43,300
things like that so I use I use the

635
00:28:48,450 --> 00:28:45,010
equipment a little bit differently than

636
00:28:54,020 --> 00:28:48,460
maybe some people do I use it kind of

637
00:29:05,940 --> 00:28:59,340
going through your biography there I see

638
00:29:10,260 --> 00:29:05,950

though that I mean this is your mother

639

00:29:12,450 --> 00:29:10,270

had I guess a number of experiences and

640

00:29:14,280 --> 00:29:12,460

and and told you about him so I mean you

641

00:29:16,560 --> 00:29:14,290

know you you've been involved in this

642

00:29:18,330 --> 00:29:16,570

for for quite a long time so it was

643

00:29:20,280 --> 00:29:18,340

since I was a kid I mean you know I

644

00:29:22,380 --> 00:29:20,290

haven't been investigating since I was

645

00:29:23,850 --> 00:29:22,390

sure but I've always been involved my

646

00:29:25,650 --> 00:29:23,860

mother always told me about her

647

00:29:28,610 --> 00:29:25,660

experience seeing her father after he

648

00:29:30,990 --> 00:29:28,620

passed outside their door at their home

649

00:29:33,990 --> 00:29:31,000

which freaked her out I mean totally

650

00:29:35,970 --> 00:29:34,000

just freaked her out and but she was

651

00:29:37,620 --> 00:29:35,980

there with her father father died of

652

00:29:38,940 --> 00:29:37,630

throat cancer and she was there with her

653

00:29:40,650 --> 00:29:38,950

mother taking care of him when it

654

00:29:44,370 --> 00:29:40,660

happened and it was not a pretty scene

655

00:29:45,690 --> 00:29:44,380

either um but so she you know she's very

656

00:29:48,750 --> 00:29:45,700

down-to-earth my mother was very

657

00:29:50,940 --> 00:29:48,760

down-to-earth very spiritual person but

658

00:29:52,770 --> 00:29:50,950

not you know I mean you know Roman

659

00:29:55,320 --> 00:29:52,780

Catholic and all that but she wasn't you

660

00:29:57,000 --> 00:29:55,330

know like you know extreme Catholic or

661

00:29:58,590 --> 00:29:57,010

anything like that but but not an

662

00:30:00,210 --> 00:29:58,600

extreme churchgoer or anything like that

663

00:30:02,730 --> 00:30:00,220

but she we used to talk about a lot of

664

00:30:04,560 --> 00:30:02,740

the spiritual stuff and her her own

665

00:30:06,330 --> 00:30:04,570

mother was that way talk about spiritual

666

00:30:08,250 --> 00:30:06,340

stuff you know and seeing different

667

00:30:09,870 --> 00:30:08,260

things so I think they're just actually

668

00:30:12,000 --> 00:30:09,880

a very good psychic medium friend of

669

00:30:13,710 --> 00:30:12,010

mine told me she goes it runs in your

670

00:30:16,500 --> 00:30:13,720

family on your mother's side that's why

671

00:30:17,880 --> 00:30:16,510

you have it hung up okay cuz my mother

672

00:30:20,130 --> 00:30:17,890

used to predict stuff and she's like

673

00:30:21,750 --> 00:30:20,140

that predict predict but she'd say I

674

00:30:23,210 --> 00:30:21,760

want you to be really careful going

675

00:30:25,620 --> 00:30:23,220

going out today because something

676

00:30:27,570 --> 00:30:25,630

something might happen or something's

677

00:30:30,740 --> 00:30:27,580

gonna happen sure enough I go out that

678

00:30:33,210 --> 00:30:30,750

one day I have a car accident mmm

679

00:30:35,160 --> 00:30:33,220

but it was a bit of a winner and went

680

00:30:37,140 --> 00:30:35,170

off the road but it's like damn mom how

681

00:30:38,520 --> 00:30:37,150

do you know she goes I just knew it I

682

00:30:39,930 --> 00:30:38,530

knew something's gonna happen no it

683

00:30:42,090 --> 00:30:39,940

could tell I could sense it you know I

684

00:30:45,660 --> 00:30:42,100

was like yeah that that mother's sense I

685

00:30:47,520 --> 00:30:45,670

guess right so you know I always have to

686

00:30:49,260 --> 00:30:47,530

laugh a little bit or get a little

687

00:30:50,520 --> 00:30:49,270

chuckle when I hear you guys say oh it's

688

00:30:51,990 --> 00:30:50,530

oh it's all in the equipment you got to

689

00:30:54,600 --> 00:30:52,000

use it go here's your trusted goodness

690

00:30:56,210 --> 00:30:54,610

like yeah yeah I know what you're doing

691

00:30:59,700 --> 00:30:56,220

though because I investigate with them

692

00:31:01,830 --> 00:30:59,710

what what what what manifestations okay

693

00:31:04,200 --> 00:31:01,840

so you're using the the equipment in all

694

00:31:06,900 --> 00:31:04,210

what is actually what has actually

695

00:31:10,260 --> 00:31:06,910

appeared to you well I mean I've just

696

00:31:12,180 --> 00:31:10,270

seen shadow figures standing three feet

697

00:31:14,820 --> 00:31:12,190

from me but I put the infrared camera up

698

00:31:16,620 --> 00:31:14,830

on it's not there no I can see that dark

699

00:31:18,390 --> 00:31:16,630

shadow figure that happened on one of

700

00:31:20,580 --> 00:31:18,400

the cases matter fact it's one of the

701
00:31:23,310 --> 00:31:20,590
cases that's that I talk about in my my

702
00:31:26,370 --> 00:31:23,320
one book and it was on haunted Case

703
00:31:30,390 --> 00:31:26,380
Files last year - season one in

704
00:31:32,340 --> 00:31:30,400
Springfield Mass this female like female

705
00:31:34,740 --> 00:31:32,350
shadow figures just standing at the edge

706
00:31:36,240 --> 00:31:34,750
of a couch three feet from me and I

707
00:31:38,760 --> 00:31:36,250
looking at it and it didn't frighten me

708
00:31:41,490 --> 00:31:38,770
I just don't react that way looking at

709
00:31:45,710 --> 00:31:41,500
it going what the heck and I put the

710
00:31:48,330 --> 00:31:45,720
camera over on it and I go son of a P

711
00:31:49,920 --> 00:31:48,340
because it's not in the camera you know

712
00:31:52,410 --> 00:31:49,930
it's not showing up on the infrared and

713
00:31:55,170 --> 00:31:52,420

then it fades away but I captured an EVP

714

00:31:56,700 --> 00:31:55,180

turned out saying at that same moment

715

00:31:58,650 --> 00:31:56,710

right after pretty much I said that

716

00:32:00,990 --> 00:31:58,660

saying didn't like me female voices

717

00:32:04,770 --> 00:32:01,000

didn't like me I thought I thought I

718

00:32:07,530 --> 00:32:04,780

think she thought I swore at her know is

719

00:32:11,010 --> 00:32:07,540

a shadow person there's a shadow person

720

00:32:13,500 --> 00:32:11,020

the same as a ghost I well I believe

721

00:32:15,810 --> 00:32:13,510

it's a manifestation of who's ever soul

722

00:32:18,140 --> 00:32:15,820

that is yes so I would say yeah it's a

723

00:32:20,850 --> 00:32:18,150

ghost I guess you would say

724

00:32:24,180 --> 00:32:20,860

to me to me I don't think of them as

725

00:32:26,160 --> 00:32:24,190

like I usually say spirit or it's a soul

726

00:32:27,960 --> 00:32:26,170

all right because it's it's it's a soul

727

00:32:30,090 --> 00:32:27,970

of an individual we're people right we

728

00:32:32,040 --> 00:32:30,100

if you believe you have a soul if you

729

00:32:33,870 --> 00:32:32,050

believe in the afterlife that's what

730

00:32:38,070 --> 00:32:33,880

we're talking about right our soul who

731

00:32:42,210 --> 00:32:38,080

we are right well now some psychic

732

00:32:43,050 --> 00:32:42,220

researchers believe that some ghosts may

733

00:32:46,020 --> 00:32:43,060

be spirits

734

00:32:51,540 --> 00:32:46,030

and others are kind of an impression

735

00:32:56,010 --> 00:32:51,550

that's been left in the yeah that's what

736

00:32:57,060 --> 00:32:56,020

I call a yeah it's it's a I know what

737

00:33:01,320 --> 00:32:57,070

you're talking about there

738

00:33:03,540 --> 00:33:01,330

okay well according yeah yeah yeah yeah

739

00:33:05,190 --> 00:33:03,550

I can build up from different things

740

00:33:07,850 --> 00:33:05,200

that happen in that area and and

741

00:33:10,290 --> 00:33:07,860

whatever it's like a manifestation of

742

00:33:12,180 --> 00:33:10,300

just the energies that have built up in

743

00:33:14,400 --> 00:33:12,190

that that home over the time or in the

744

00:33:16,140 --> 00:33:14,410

location over time and it kind of having

745

00:33:17,610 --> 00:33:16,150

a bit have you been the left platform

746

00:33:20,160 --> 00:33:17,620

think of it as a thought-form

747

00:33:23,940 --> 00:33:20,170

okay have you been had any luck with

748

00:33:25,920 --> 00:33:23,950

recording EVPs yeah yeah we've caught

749

00:33:27,680 --> 00:33:25,930

quite a few in different many different

750

00:33:30,240 --> 00:33:27,690

locations we've done a lot of cases so

751
00:33:32,790 --> 00:33:30,250
one of my favorite ones was on the USS

752
00:33:34,860 --> 00:33:32,800
Constitution that we did for the Navy

753
00:33:37,260 --> 00:33:34,870
out in Charlestown mass you know Old

754
00:33:41,850 --> 00:33:37,270
Ironsides the old it's still an active

755
00:33:45,150 --> 00:33:41,860
Navy ship and we caught a voice of a

756
00:33:47,910 --> 00:33:45,160
young boy which in the 1817 1800s they

757
00:33:50,370 --> 00:33:47,920
had young boys on these ships and the

758
00:33:51,810 --> 00:33:50,380
the guys given us a tour because we had

759
00:33:53,790 --> 00:33:51,820
to have one of the people from the ship

760
00:33:56,760 --> 00:33:53,800
with us each night so the postman's

761
00:33:58,950 --> 00:33:56,770
Bossman's mate was with us in 90s

762
00:34:00,900 --> 00:33:58,960
talking about the what they called the

763
00:34:02,460 --> 00:34:00,910

manger area on that on this ship where

764

00:34:04,590 --> 00:34:02,470

they kept live animals you know cows

765

00:34:06,960 --> 00:34:04,600

pigs chickens he's he talks about that

766

00:34:09,240 --> 00:34:06,970

and then you hear this poised well this

767

00:34:12,180 --> 00:34:09,250

young boy's voice maybe teenage boy

768

00:34:13,200 --> 00:34:12,190

whatever go and to bear hmm yeah you can

769

00:34:15,780 --> 00:34:13,210

hear it loud and clear and it's got a

770

00:34:18,899 --> 00:34:15,790

very strong New England accent to us and

771

00:34:20,760 --> 00:34:18,909

a bear and when we presented that to the

772

00:34:23,250 --> 00:34:20,770

captain and crew they knew immediately

773

00:34:24,540 --> 00:34:23,260

what it was talking about and we're like

774

00:34:26,250 --> 00:34:24,550

what are you talking about we we think

775

00:34:28,409 --> 00:34:26,260

it says in a bear but we don't we didn't

776
00:34:30,540 --> 00:34:28,419
know the whole history goes Commodore

777
00:34:34,110 --> 00:34:30,550
scrappy the black bear cub they kept on

778
00:34:35,970 --> 00:34:34,120
the ship as a mascot in 1932 and if you

779
00:34:37,409 --> 00:34:35,980
go to the history on that ship you'll

780
00:34:39,320 --> 00:34:37,419
see it and there's pictures of that bear

781
00:34:43,040 --> 00:34:39,330
there and we're like what

782
00:34:45,659 --> 00:34:43,050
but the hist if you go if you look at

783
00:34:47,580 --> 00:34:45,669
any boys who died on the ship they all

784
00:34:49,950 --> 00:34:47,590
died in the 1800s it was finally five

785
00:34:53,599 --> 00:34:49,960
died on the ship and they were all

786
00:34:56,210 --> 00:34:53,609
between the ages of 11 to 14

787
00:35:00,019 --> 00:34:56,220
and to felt that one fell from the mast

788
00:35:03,229 --> 00:35:00,029

to drowned to died a bilious fever right

789

00:35:06,650 --> 00:35:03,239

so one of those boys from the 1800's

790

00:35:09,440 --> 00:35:06,660

somehow knew about a bear from 1932 so

791

00:35:11,329 --> 00:35:09,450

explain that one something right so it's

792

00:35:13,849 --> 00:35:11,339

it's really weird but it's loud and it's

793

00:35:14,539 --> 00:35:13,859

clear and we get a quite a few loud and

794

00:35:18,979 --> 00:35:14,549

clear

795

00:35:20,509 --> 00:35:18,989

EVPs I mean class-a not always but I've

796

00:35:22,549 --> 00:35:20,519

gotten quite a few over the years where

797

00:35:25,700 --> 00:35:22,559

people even one of saying bless you to

798

00:35:28,269 --> 00:35:25,710

me as I was sneezing it allocation yeah

799

00:35:32,539 --> 00:35:28,279

and that was it

800

00:35:34,430 --> 00:35:32,549

Oh up in Dedham Massachusetts Fairbanks

801
00:35:35,479 --> 00:35:34,440
house in Dedham Massachusetts oh you

802
00:35:37,670 --> 00:35:35,489
guys we're talking about

803
00:35:39,769 --> 00:35:37,680
hex marks and stuff like that the house

804
00:35:41,390 --> 00:35:39,779
is full I got eggs marks all over

805
00:35:43,609 --> 00:35:41,400
everything on there for protection and

806
00:35:47,779 --> 00:35:43,619
and all that and that's a that's a home

807
00:35:50,420 --> 00:35:47,789
that was built in 1637 so one of the

808
00:35:53,900 --> 00:35:50,430
oldest wooden homes in the United States

809
00:35:56,390 --> 00:35:53,910
so interesting places around here but

810
00:35:58,489 --> 00:35:56,400
yeah so yeah we get a lot of EVPs a lot

811
00:36:01,970 --> 00:35:58,499
of different stuff it's just I find it

812
00:36:05,210 --> 00:36:01,980
fascinating you know the majority of

813
00:36:07,220 --> 00:36:05,220

those EVPs they you don't hear them

814

00:36:09,109 --> 00:36:07,230

while they're happening and you only

815

00:36:10,729 --> 00:36:09,119

discover them when you go back later

816

00:36:12,769 --> 00:36:10,739

right that's that's the definition of an

817

00:36:14,269 --> 00:36:12,779

EVP electronic voice phenomena you only

818

00:36:16,400 --> 00:36:14,279

hear later on when you go back and

819

00:36:19,970 --> 00:36:16,410

listen to the recordings I have heard

820

00:36:22,940 --> 00:36:19,980

disembodied voices many times mm-hmm in

821

00:36:24,620 --> 00:36:22,950

fact one one one of the best ones I've

822

00:36:27,309 --> 00:36:24,630

heard in a long time was last year in

823

00:36:29,660 --> 00:36:27,319

the event at Buffalo Central Terminal

824

00:36:30,979 --> 00:36:29,670

where we've got a you know we're

825

00:36:33,259 --> 00:36:30,989

bringing a group around just

826

00:36:36,829 --> 00:36:33,269

investigating the place at night after

827

00:36:38,749 --> 00:36:36,839

the event and everybody's standing in a

828

00:36:42,049 --> 00:36:38,759

like a semicircle down in that what they

829

00:36:43,880 --> 00:36:42,059

called the trolley area and they're

830

00:36:45,109 --> 00:36:43,890

asking hey well you know well boy do you

831

00:36:46,640 --> 00:36:45,119

want to play a game there's some

832

00:36:48,920 --> 00:36:46,650

supposedly a little boy that's that's

833

00:36:50,390 --> 00:36:48,930

there boys spirit or whatever and I'm

834

00:36:52,700 --> 00:36:50,400

walking around the outside of the circle

835

00:36:55,160 --> 00:36:52,710

as if I said like doing duck-duck-goose

836

00:36:56,779 --> 00:36:55,170

or something and all sudden they asked

837

00:36:59,479 --> 00:36:56,789

that question you hear this loud and

838

00:37:02,599 --> 00:36:59,489

clear this this boy's voice saying yeah

839

00:37:03,950 --> 00:37:02,609

and I stopped dead in my tracks and

840

00:37:07,130 --> 00:37:03,960

everybody else is standing there and I

841

00:37:11,269 --> 00:37:07,140

get emails just hear that

842

00:37:15,739 --> 00:37:11,279

like the funny thing was 2/3 of the

843

00:37:18,259 --> 00:37:15,749

crowd heard it 1/3 didn't hmm so that I

844

00:37:19,970 --> 00:37:18,269

found that very interesting it's like so

845

00:37:23,329 --> 00:37:19,980

and we're all in the same area and it

846

00:37:24,859 --> 00:37:23,339

was loud and it was like so only 2/3 you

847

00:37:26,029 --> 00:37:24,869

because we talked to him he's like I

848

00:37:29,150 --> 00:37:26,039

didn't hear it

849

00:37:32,410 --> 00:37:29,160

2/3 of a certain third didn't so have

850

00:37:36,349 --> 00:37:32,420

you ever have you ever done any research

851

00:37:39,380 --> 00:37:36,359

in the stone chambers that dot New

852

00:37:41,900 --> 00:37:39,390

England no no I haven't you know we we

853

00:37:43,940 --> 00:37:41,910

don't do a lot of outside stuff or you

854

00:37:46,430 --> 00:37:43,950

know we do some historical locations

855

00:37:50,180 --> 00:37:46,440

those are places I'd like to go to yeah

856

00:37:52,999 --> 00:37:50,190

you know why is that is because we've

857

00:37:55,910 --> 00:37:53,009

heard on several occasions that people

858

00:37:58,849 --> 00:37:55,920

who has spent the night in the inside

859

00:38:02,420 --> 00:37:58,859

one of these chambers have seen as you

860

00:38:06,170 --> 00:38:02,430

know stranger spirit type light

861

00:38:15,829 --> 00:38:06,180

manifestations or orbs and have even

862

00:38:17,809 --> 00:38:15,839

heard go ahead voices so I some of these

863

00:38:20,150 --> 00:38:17,819

clients homes they do I hear some really

864

00:38:21,739 --> 00:38:20,160

weird stuff but yeah those are some

865

00:38:23,569 --> 00:38:21,749

places I really would like to check out

866

00:38:28,009 --> 00:38:23,579

you know to just out of my own curiosity

867

00:38:31,940 --> 00:38:28,019

you know but yeah I've seen I just just

868

00:38:34,130 --> 00:38:31,950

did a case a few weeks ago where I saw

869

00:38:36,200 --> 00:38:34,140

and I knew there was something kind of

870

00:38:38,299 --> 00:38:36,210

really negative there I could just tell

871

00:38:41,660 --> 00:38:38,309

by the the feel of it didn't feel right

872

00:38:42,979 --> 00:38:41,670

and I saw this went down into the

873

00:38:46,519 --> 00:38:42,989

basement where we're gonna set up some

874

00:38:48,019 --> 00:38:46,529

of our equipment and I get down to the

875

00:38:50,749 --> 00:38:48,029

bottom of the stairs one of my team

876

00:38:52,339 --> 00:38:50,759

members right behind me I said it's and

877

00:38:55,609 --> 00:38:52,349

all the lights are on and and there's

878

00:38:58,430 --> 00:38:55,619

this like dark black figure that looks

879

00:39:00,349 --> 00:38:58,440

like a I don't know how to describe it

880

00:39:03,859 --> 00:39:00,359

but he looks like a big gingerbread man

881

00:39:06,950 --> 00:39:03,869

okay just all you know rounded you know

882

00:39:09,640 --> 00:39:06,960

like all I know if you give me a cup of

883

00:39:13,700 --> 00:39:09,650

coffee he won't be there long

884

00:39:15,349 --> 00:39:13,710

I saw turned away I look it straight at

885

00:39:16,729 --> 00:39:15,359

it - it was out of the corner of your

886

00:39:19,880 --> 00:39:16,739

eye I think I was looking straight at

887

00:39:20,900 --> 00:39:19,890

this thing and it shot off and I went

888

00:39:24,170 --> 00:39:20,910

right after it might

889

00:39:25,490 --> 00:39:24,180

like fellow investigators like I said I

890

00:39:27,950 --> 00:39:25,500

just saw this thing I gotta see where

891

00:39:31,640 --> 00:39:27,960

the heck it went and we gonna say it's a

892

00:39:34,430 --> 00:39:31,650

remanence of was it Hansel and Gretel

893

00:39:37,070 --> 00:39:34,440

yeah baby I don't know you know what

894

00:39:39,020 --> 00:39:37,080

they I've heard over the years I've

895

00:39:41,090 --> 00:39:39,030

heard from other people and people who

896

00:39:43,130 --> 00:39:41,100

have seen demonic type figures is that's

897

00:39:45,170 --> 00:39:43,140

what they say they sometimes will look

898

00:39:50,720 --> 00:39:45,180

like because they can't quite take on a

899

00:39:52,730 --> 00:39:50,730

actual human shape form so you know is

900

00:39:54,110 --> 00:39:52,740

that what I saw is that what it was I

901
00:39:55,490 --> 00:39:54,120
don't know I know what I saw

902
00:39:59,060 --> 00:39:55,500
you know and I know what happened later

903
00:40:00,710 --> 00:39:59,070
on in that case but I've seen some

904
00:40:02,780 --> 00:40:00,720
really weird stuff over the years and

905
00:40:04,100 --> 00:40:02,790
I've been told that's because I'm you

906
00:40:07,520 --> 00:40:04,110
know I have some abilities and I'm

907
00:40:09,680 --> 00:40:07,530
sensitive to it so I can take heart to

908
00:40:11,090 --> 00:40:09,690
the poor lady they're over at England

909
00:40:13,160 --> 00:40:11,100
and what what they put her through you

910
00:40:14,660 --> 00:40:13,170
know because you know you can talk to

911
00:40:16,310 --> 00:40:14,670
people about it and people so some

912
00:40:18,080 --> 00:40:16,320
people think I'm nuts you know and I'm

913
00:40:19,310 --> 00:40:18,090

like look you know I work for the

914

00:40:21,560 --> 00:40:19,320

Department of Defense I work in

915

00:40:24,430 --> 00:40:21,570

engineering too so from nuts were all in

916

00:40:29,630 --> 00:40:26,720

work out may not work I don't know you

917

00:40:31,670 --> 00:40:29,640

know but that's you know that's that's

918

00:40:33,830 --> 00:40:31,680

another thing so it's just what you

919

00:40:36,080 --> 00:40:33,840

experienced and what you see and how you

920

00:40:37,880 --> 00:40:36,090

approach things and that's you know

921

00:40:40,430 --> 00:40:37,890

maybe I take it a little bit different

922

00:40:42,530 --> 00:40:40,440

perspective than some investigators or

923

00:40:46,180 --> 00:40:42,540

ghost hunters or whatever you want to

924

00:40:48,770 --> 00:40:46,190

call us these days how have your

925

00:40:52,430 --> 00:40:48,780

opinions have your opinions at all

926
00:40:55,160 --> 00:40:52,440
changed over the course of your years of

927
00:40:57,410 --> 00:40:55,170
investigating the various phenomena yeah

928
00:40:59,000 --> 00:40:57,420
yeah I mean they have you know and if

929
00:41:00,860 --> 00:40:59,010
they don't you then you're not really

930
00:41:02,480 --> 00:41:00,870
learning anything right I mean if you

931
00:41:04,460 --> 00:41:02,490
stick to the opinions you have when you

932
00:41:06,800 --> 00:41:04,470
first get into this stuff or you're

933
00:41:08,450 --> 00:41:06,810
you're you know your original theories

934
00:41:12,110 --> 00:41:08,460
of things and you're not learning

935
00:41:15,620 --> 00:41:12,120
anything I have I think come to realize

936
00:41:18,140 --> 00:41:15,630
that especially within the paranormal

937
00:41:20,000 --> 00:41:18,150
and when you're dealing with different

938
00:41:23,690 --> 00:41:20,010

types of spirits or entities or things

939

00:41:26,690 --> 00:41:23,700

like that I think sometimes very often

940

00:41:28,850 --> 00:41:26,700

what I refer to what is called elemental

941

00:41:30,680 --> 00:41:28,860

spirits are mistaken for demonic

942

00:41:32,370 --> 00:41:30,690

entities and there's a difference

943

00:41:35,220 --> 00:41:32,380

between the

944

00:41:37,559 --> 00:41:35,230

that's my own theory on things how would

945

00:41:39,420 --> 00:41:37,569

you how would you describe a what we're

946

00:41:42,000 --> 00:41:39,430

thinking of elementals as being like

947

00:41:44,700 --> 00:41:42,010

fairies oh well they could be that I

948

00:41:48,150 --> 00:41:44,710

mean these are things that no no in

949

00:41:50,849 --> 00:41:48,160

garden gnomes and trolls and I'm not so

950

00:41:53,940 --> 00:41:50,859

much thinking of that aspect of it as

951
00:41:56,069 --> 00:41:53,950
more of like the Native American aspect

952
00:41:58,140 --> 00:41:56,079
of elemental spirits and what they

953
00:41:59,880 --> 00:41:58,150
worshiped and because we deal with a lot

954
00:42:02,940 --> 00:41:59,890
with that on this East Coast over here

955
00:42:05,010 --> 00:42:02,950
you know especially in the New England

956
00:42:07,500 --> 00:42:05,020
area there's a lot of where the original

957
00:42:08,910 --> 00:42:07,510
Indian settlements were stuff like that

958
00:42:11,370 --> 00:42:08,920
so there's a lot of that I mean you

959
00:42:13,380 --> 00:42:11,380
could look at it as as fairies or gnomes

960
00:42:16,470 --> 00:42:13,390
or you know whatever you want to think

961
00:42:19,380 --> 00:42:16,480
of too but to me I mean and if you

962
00:42:21,960 --> 00:42:19,390
listen to the Indian Indians themselves

963
00:42:23,670 --> 00:42:21,970

talk about their their belief systems

964

00:42:27,900 --> 00:42:23,680

and stuff like that these were their

965

00:42:30,240 --> 00:42:27,910

gods now and they were created as part

966

00:42:33,599 --> 00:42:30,250

of the earth to look over the earth so

967

00:42:37,049 --> 00:42:33,609

they're not necessarily all evil are all

968

00:42:39,510 --> 00:42:37,059

negative but they tend to not necessary

969

00:42:40,890 --> 00:42:39,520

like humans anymore because of what we

970

00:42:44,730 --> 00:42:40,900

do to the earth right we don't really

971

00:42:46,680 --> 00:42:44,740

take good care of it anymore so they can

972

00:42:48,240 --> 00:42:46,690

in that like us and we forget into areas

973

00:42:50,490 --> 00:42:48,250

where they are they tend to try to drive

974

00:42:52,589 --> 00:42:50,500

us out they can be threatening typically

975

00:42:55,109 --> 00:42:52,599

but they typically won't try to possess

976

00:42:57,390 --> 00:42:55,119

anybody and I think that's that's where

977

00:42:59,700 --> 00:42:57,400

the difference comes in between what we

978

00:43:02,010 --> 00:42:59,710

believe is demonic spirits in this field

979

00:43:05,250 --> 00:43:02,020

and what we believe is maybe elemental

980

00:43:06,750 --> 00:43:05,260

spirits elementals just don't want you

981

00:43:09,750 --> 00:43:06,760

around basically is what I've come

982

00:43:11,400 --> 00:43:09,760

across and demonic spirits really want

983

00:43:14,670 --> 00:43:11,410

to do some harm to people you know

984

00:43:16,349 --> 00:43:14,680

there's a difference there you know so I

985

00:43:18,539 --> 00:43:16,359

have some newer theories about things

986

00:43:22,410 --> 00:43:18,549

and newer ideas about things and I used

987

00:43:24,450 --> 00:43:22,420

to have years ago you know and again

988

00:43:28,859 --> 00:43:24,460

yeah I think you guys would say the same

989

00:43:31,380 --> 00:43:28,869

thing right I mean oh yeah yeah because

990

00:43:35,630 --> 00:43:31,390

growing up growing up we all thought

991

00:43:39,900 --> 00:43:35,640

that every single UFO was interplanetary

992

00:43:41,940 --> 00:43:39,910

and and now we kind of put that on a

993

00:43:45,390 --> 00:43:41,950

scale of one to ten kind of at the

994

00:43:53,970 --> 00:43:48,060

and that's instant unless Bigfoot is

995

00:43:55,560 --> 00:43:53,980

piloting the ship then we the Squatch

996

00:43:58,740 --> 00:43:55,570

detective there I let him know that the

997

00:44:02,070 --> 00:43:58,750

pilot in the ships that we have we have

998

00:44:04,680 --> 00:44:02,080

some cases that there was a case of I

999

00:44:09,090 --> 00:44:04,690

think the fellows name was Bosco

1000

00:44:11,640 --> 00:44:09,100

William Bosco and Michigan or Wisconsin

1001
00:44:14,580 --> 00:44:11,650
back years and years ago I interviewed

1002
00:44:18,840 --> 00:44:14,590
him on the telephone and he claimed that

1003
00:44:22,950 --> 00:44:18,850
he had seen on a rather desolate length

1004
00:44:25,110 --> 00:44:22,960
of railroad a globe shaped object that

1005
00:44:28,260 --> 00:44:25,120
was transparent so that he can see

1006
00:44:31,920 --> 00:44:28,270
inside and there at the controls was

1007
00:44:34,890 --> 00:44:31,930
some big hairy dude I don't know you

1008
00:44:37,110 --> 00:44:34,900
know I mean back in those days you heard

1009
00:44:39,420 --> 00:44:37,120
the story you say well this guy must

1010
00:44:41,990 --> 00:44:39,430
have been the you know like smoke at his

1011
00:44:45,090 --> 00:44:42,000
own weed or something like that but

1012
00:44:47,160 --> 00:44:45,100
maybe maybe maybe Bigfoot was smoking is

1013
00:44:50,010 --> 00:44:47,170

only his weed I can't you can't you

1014

00:44:51,690 --> 00:44:50,020

can't really tell there are you Tim you

1015

00:44:53,460 --> 00:44:51,700

you've investigated the other two there

1016

00:44:56,790 --> 00:44:53,470

you've investigated some pretty bizarre

1017

00:45:00,770 --> 00:44:56,800

cases and on your life your career oh

1018

00:45:04,830 --> 00:45:00,780

yeah yeah well and you know I was just

1019

00:45:06,570 --> 00:45:04,840

wondering wanting to ask though when you

1020

00:45:08,700 --> 00:45:06,580

bring up the whole you know like demon

1021

00:45:10,830 --> 00:45:08,710

aspect when it you know what it comes to

1022

00:45:12,930 --> 00:45:10,840

this yeah you know investigation I mean

1023

00:45:13,950 --> 00:45:12,940

you know it's it's it's something that

1024

00:45:16,950 --> 00:45:13,960

you know I was thinking you know you

1025

00:45:20,220 --> 00:45:16,960

really do need to you know a trend

1026

00:45:22,530 --> 00:45:20,230

lightly because I've seen so many you

1027

00:45:24,840 --> 00:45:22,540

know people and you know and maybe it's

1028

00:45:26,100 --> 00:45:24,850

just I don't know you know they let

1029

00:45:28,200 --> 00:45:26,110

their I think they let their own belief

1030

00:45:29,610 --> 00:45:28,210

systems you know get in the way but you

1031

00:45:31,290 --> 00:45:29,620

know they'll go into a house and almost

1032

00:45:34,410 --> 00:45:31,300

immediately you know like oh yeah you've

1033

00:45:36,000 --> 00:45:34,420

got demons in here oh yeah they're in

1034

00:45:38,670 --> 00:45:36,010

your closet they're eating your food

1035

00:45:40,410 --> 00:45:38,680

your refrigerator you know and then you

1036

00:45:50,730 --> 00:45:40,420

know the people the house are scared

1037

00:45:52,380 --> 00:45:50,740

shitless yes the rare mmm-hmm but I mean

1038

00:45:53,460 --> 00:45:52,390

some of it yes some of these people I

1039

00:45:56,520 --> 00:45:53,470

mean you know it's just like you know

1040

00:45:58,480 --> 00:45:56,530

every creak you know it's a demon you

1041

00:46:01,270 --> 00:45:58,490

know for sure you know

1042

00:46:03,160 --> 00:46:01,280

yes sometimes I think then that you know

1043

00:46:04,720 --> 00:46:03,170

whatever you know is going on in the

1044

00:46:06,760 --> 00:46:04,730

houses like all while you think we're

1045

00:46:08,980 --> 00:46:06,770

demons okay we're demons and then start

1046

00:46:11,260 --> 00:46:08,990

you know like playing that game so to

1047

00:46:13,650 --> 00:46:11,270

speaking yeah yeah no I agree with that and

1048

00:46:16,150 --> 00:46:13,660

I get clients all the time I'm possessed

1049

00:46:17,650 --> 00:46:16,160

mmm and I really don't I have to talk

1050

00:46:19,329 --> 00:46:17,660

them down from me because it's like well

1051
00:46:21,460 --> 00:46:19,339
number one if you really were possessed

1052
00:46:23,050 --> 00:46:21,470
you wouldn't be telling me because you

1053
00:46:24,910 --> 00:46:23,060
wouldn't know you were you know they're

1054
00:46:26,560 --> 00:46:24,920
like what yeah yeah the demons don't let

1055
00:46:28,030 --> 00:46:26,570
you know they've possessed you okay it

1056
00:46:29,410 --> 00:46:28,040
just doesn't work that way you know

1057
00:46:31,870 --> 00:46:29,420
they're out there for a reason they're

1058
00:46:34,690 --> 00:46:31,880
really trying to just and it and weird

1059
00:46:36,190 --> 00:46:34,700
and it gets weird because you know that

1060
00:46:37,300 --> 00:46:36,200
they have bad things happen in their

1061
00:46:39,670 --> 00:46:37,310
life so they want to blame it on

1062
00:46:41,170 --> 00:46:39,680
something and you've get you become

1063
00:46:43,720 --> 00:46:41,180

almost like a psychologist to them

1064

00:46:45,310 --> 00:46:43,730

really and and I don't mind doing that

1065

00:46:47,200 --> 00:46:45,320

but I point them in the correct

1066

00:46:49,300 --> 00:46:47,210

direction to you know it's like well

1067

00:46:50,770 --> 00:46:49,310

you've got other things going on you

1068

00:46:52,870 --> 00:46:50,780

know anything you need to talk to a

1069

00:46:55,329 --> 00:46:52,880

professional and and but they often have

1070

00:46:56,230 --> 00:46:55,339

a haunting going on too I found that I

1071

00:46:58,210 --> 00:46:56,240

mean we have a 10

1072

00:47:00,700 --> 00:46:58,220

excuse me 11 page form we have people

1073

00:47:02,349 --> 00:47:00,710

fell out before they they we go and

1074

00:47:04,089 --> 00:47:02,359

investigate so they have to tell us

1075

00:47:05,560 --> 00:47:04,099

everything you know and you'd be

1076

00:47:07,000 --> 00:47:05,570

surprised people really want your help

1077

00:47:09,579 --> 00:47:07,010

they have that form back to you within

1078

00:47:11,440 --> 00:47:09,589

an hour you know and there's a lot of

1079

00:47:13,150 --> 00:47:11,450

questions on that form you know and then

1080

00:47:14,859 --> 00:47:13,160

the other ones who be like oh yeah I'll

1081

00:47:17,109 --> 00:47:14,869

get to I'll get to it okay you never

1082

00:47:18,640 --> 00:47:17,119

hear from them again because that's one

1083

00:47:20,770 --> 00:47:18,650

thing we do it's like I'm not gonna

1084

00:47:24,280 --> 00:47:20,780

investigate until I get that form cuz

1085

00:47:26,829 --> 00:47:24,290

I'm not gonna drive for five hours at my

1086

00:47:30,339 --> 00:47:26,839

expense to help you unless you tell me

1087

00:47:32,440 --> 00:47:30,349

what's really going on you know so you

1088

00:47:34,450 --> 00:47:32,450

know it works you know but yeah people

1089

00:47:37,060 --> 00:47:34,460

people start to believe everything's

1090

00:47:39,820 --> 00:47:37,070

paranormal when not everything is well I

1091

00:47:43,900 --> 00:47:39,830

could you know right I could see though

1092

00:47:46,720 --> 00:47:43,910

that filling out that form if a person

1093

00:47:48,339 --> 00:47:46,730

is really serious and you know really

1094

00:47:51,040 --> 00:47:48,349

think that you know something bizarre is

1095

00:47:52,960 --> 00:47:51,050

going in their house I'll be willing to

1096

00:47:57,430 --> 00:47:52,970

take the time to fall out I think that's

1097

00:47:59,079 --> 00:47:57,440

a tremendous tremendous idea yeah we've

1098

00:48:00,910 --> 00:47:59,089

been doing it for a long time and you

1099

00:48:03,310 --> 00:48:00,920

know I you know it wasn't Maya the form

1100

00:48:04,610 --> 00:48:03,320

wasn't my idea it came from another

1101

00:48:08,780 --> 00:48:04,620

group who was on TV

1102

00:48:11,300 --> 00:48:08,790

[Laughter]

1103

00:48:13,280 --> 00:48:11,310

we let that I see any well we we have

1104

00:48:15,980 --> 00:48:13,290

our own form that we have to go to right

1105

00:48:26,430 --> 00:48:15,990

now a form of a break on exploring the

1106

00:48:33,390 --> 00:48:30,730

explore the bazaars are your e-ticket

1107

00:48:36,700 --> 00:48:33,400

ride into the world of the paranormal

1108

00:48:40,980 --> 00:48:36,710

strap yourself in as we traverse the

1109

00:48:44,100 --> 00:48:40,990

universe exploring the unexplained UFO s

1110

00:48:46,480 --> 00:48:44,110

ghosts Lost Worlds

1111

00:48:50,350 --> 00:48:46,490

cryptozoology waters as well as other

1112

00:48:55,480 --> 00:48:50,360

dimensions it's time to take back the

1113

00:48:58,570 --> 00:48:55,490

night now your electrifying hosts of

1114

00:49:06,790 --> 00:48:58,580

exploring the bizarre Timothy Begley and

1115

00:49:10,740 --> 00:49:06,800

team sports welcome back to the second

1116

00:49:13,980 --> 00:49:10,750

hour of exploring the bizarre and when

1117

00:49:17,440 --> 00:49:13,990

previously been we were talking about

1118

00:49:23,830 --> 00:49:17,450

Helen Duncan and this would have been in

1119

00:49:27,340 --> 00:49:23,840

the 1940s now the spiritualist mediums

1120

00:49:28,750 --> 00:49:27,350

had made somewhat of a comeback during

1121

00:49:31,450 --> 00:49:28,760

this time it always seems like a you

1122

00:49:33,700 --> 00:49:31,460

know during war that naturally people

1123

00:49:35,680 --> 00:49:33,710

become interested in you know trying to

1124

00:49:38,320 --> 00:49:35,690

get some information on you know say

1125

00:49:44,170 --> 00:49:38,330

their loved ones who are overseas

1126

00:49:46,930 --> 00:49:44,180

fighting and she kind of put the scare

1127

00:49:49,750 --> 00:49:46,940

in the authorities when she started

1128

00:49:52,780 --> 00:49:49,760

talking and revealing information about

1129

00:49:57,670 --> 00:49:52,790

sunken ships that had not been revealed

1130

00:49:59,410 --> 00:49:57,680

publicly so I can imagine what they were

1131

00:50:02,650 --> 00:49:59,420

thinking about here they may not have

1132

00:50:05,050 --> 00:50:02,660

believed that her sources were of you

1133

00:50:08,500 --> 00:50:05,060

know paranormal nature but I'm sure they

1134

00:50:11,920 --> 00:50:08,510

must have thought something and how do

1135

00:50:14,200 --> 00:50:11,930

we shut this woman up it's exactly they

1136

00:50:15,160 --> 00:50:14,210

were mentioned the the paranoia the fear

1137

00:50:17,080 --> 00:50:15,170

that was going around as this

1138

00:50:19,180 --> 00:50:17,090

information started coming their way

1139

00:50:20,890 --> 00:50:19,190

Brigadier Roy fire brace so I mentioned

1140

00:50:23,740 --> 00:50:20,900

previously a head of Army Intelligence

1141

00:50:26,680 --> 00:50:23,750

and he was also a member of the Society

1142

00:50:28,750 --> 00:50:26,690

for psychical research and also he you

1143

00:50:31,510 --> 00:50:28,760

asked her Crowley he was very involved

1144

00:50:32,560 --> 00:50:31,520

in that sort of thing and tell me that

1145

00:50:34,150 --> 00:50:32,570

we have a letter there's a letter

1146

00:50:36,790 --> 00:50:34,160

actually in existence his daughter has

1147

00:50:39,940 --> 00:50:36,800

it his daughter's still alive and the

1148

00:50:42,580 --> 00:50:39,950

letter is he's a very worried letter he

1149

00:50:44,800 --> 00:50:42,590

he's writing almost in a form of panic

1150

00:50:47,110 --> 00:50:44,810

to the to the war office basically

1151
00:50:48,730 --> 00:50:47,120
saying you've got to do something about

1152
00:50:51,280 --> 00:50:48,740
this woman this Scottish woman Helen

1153
00:50:52,600 --> 00:50:51,290
Duncan because this because think about

1154
00:50:53,680 --> 00:50:52,610
because vibrates because of his

1155
00:50:55,510 --> 00:50:53,690
connections to intercept the

1156
00:50:58,090 --> 00:50:55,520
intelligence world in an espionage and

1157
00:50:59,800 --> 00:50:58,100
the fact that he was a member of the SPR

1158
00:51:00,910 --> 00:50:59,810
and he understood the paranormal he knew

1159
00:51:02,770 --> 00:51:00,920
all about the things that Jack was

1160
00:51:05,200 --> 00:51:02,780
talking about about soul and the

1161
00:51:07,750 --> 00:51:05,210
afterlife and the way that soul spirits

1162
00:51:10,180 --> 00:51:07,760
can communicate with the living he said

1163
00:51:11,860 --> 00:51:10,190

this is an unplugged belief you've got

1164

00:51:14,560 --> 00:51:11,870

you just got to stop her doing this and

1165

00:51:16,750 --> 00:51:14,570

it appears that the we don't know for

1166

00:51:18,400 --> 00:51:16,760

certain but whether the the actual

1167

00:51:20,160 --> 00:51:18,410

government took him seriously but we do

1168

00:51:22,870 --> 00:51:20,170

they I think they must have done because

1169

00:51:25,270 --> 00:51:22,880

because of what happened in 1944 because

1170

00:51:28,330 --> 00:51:25,280

in January 1944 she was arrested there

1171

00:51:30,040 --> 00:51:28,340

was a police raid on on a Spiritist

1172

00:51:33,790 --> 00:51:30,050

Center in Portsmouth and she was

1173

00:51:36,190 --> 00:51:33,800

basically dragged out and was locked up

1174

00:51:38,530 --> 00:51:36,200

now I suspect she was she was probably

1175

00:51:41,140 --> 00:51:38,540

wasn't expecting the the kind of trouble

1176

00:51:42,700 --> 00:51:41,150

that she got into because psychic

1177

00:51:44,710 --> 00:51:42,710

mediums would sometimes be arrested by

1178

00:51:46,240 --> 00:51:44,720

the police in those days but some they

1179

00:51:47,920 --> 00:51:46,250

just got a fine and they were let they

1180

00:51:49,570 --> 00:51:47,930

were let off and that's about there is

1181

00:51:51,850 --> 00:51:49,580

but before she knew what was happening

1182

00:51:54,130 --> 00:51:51,860

she found that her case has been

1183

00:51:56,650 --> 00:51:54,140

escalated to the the Central Criminal

1184

00:51:59,560 --> 00:51:56,660

Court of London and she was facing a

1185

00:52:02,110 --> 00:51:59,570

trial odds of the witchcraft act of 1735

1186

00:52:04,660 --> 00:52:02,120

this is this archaic law which has

1187

00:52:06,010 --> 00:52:04,670

hardly been used for over a century and

1188

00:52:07,210 --> 00:52:06,020

was basically on it was just the only

1189

00:52:08,710 --> 00:52:07,220

reason he hadn't been repealed is

1190

00:52:10,420 --> 00:52:08,720

because they couldn't get enough MPs in

1191

00:52:12,240 --> 00:52:10,430

Parliament to bother just to put the

1192

00:52:14,950 --> 00:52:12,250

rubber stamp on it and get rid of it so

1193

00:52:16,330 --> 00:52:14,960

why and this is the question but it was

1194

00:52:18,040 --> 00:52:16,340

a really serious situation because she

1195

00:52:20,560 --> 00:52:18,050

if she was found guilty she could face

1196

00:52:23,230 --> 00:52:20,570

up to nine months in jail it's it was

1197

00:52:25,330 --> 00:52:23,240

very worrying for her I mean and she did

1198

00:52:30,880 --> 00:52:25,340

she appeared in court at the Old Bailey

1199

00:52:33,340 --> 00:52:30,890

in in March of 1944 and um she wasn't D

1200

00:52:34,810 --> 00:52:33,350

convicted she's convicted and she was

1201

00:52:37,000 --> 00:52:34,820

sentenced the full nine months as she

1202

00:52:38,530 --> 00:52:37,010

was some well she had a she was kept as

1203

00:52:40,120 --> 00:52:38,540

a remand prisoner she got a bit of time

1204

00:52:43,330 --> 00:52:40,130

off but she was not released in sort of

1205

00:52:46,180 --> 00:52:43,340

September and the reason I think this

1206

00:52:48,250 --> 00:52:46,190

happened is because the the government

1207

00:52:50,380 --> 00:52:48,260

was very very worried about d-day now

1208

00:52:53,080 --> 00:52:50,390

Operation Overlord the 6th of June which

1209

00:52:53,790 --> 00:52:53,090

was the Allied invasion of Europe this

1210

00:52:55,770 --> 00:52:53,800

too

1211

00:52:57,270 --> 00:52:55,780

place under a massive amount of secrecy

1212

00:52:59,190 --> 00:52:57,280

but it had to be planned in in great

1213

00:53:02,430 --> 00:52:59,200

detail which meant a lot of people were

1214

00:53:04,650 --> 00:53:02,440

in on the secret and I suspect the the

1215

00:53:06,210 --> 00:53:04,660

reason the actual impetus term but the

1216

00:53:07,980 --> 00:53:06,220

event which made them decide to

1217

00:53:10,590 --> 00:53:07,990

prosecute Helen Duncan and get her put

1218

00:53:12,360 --> 00:53:10,600

away was in November of 1943 there was

1219

00:53:14,310 --> 00:53:12,370

an exercise off the coast of Dorset

1220

00:53:15,840 --> 00:53:14,320

involving one of the landing craft which

1221

00:53:18,090 --> 00:53:15,850

you often see in the movies the ones

1222

00:53:20,040 --> 00:53:18,100

with the the ramp at the front which

1223

00:53:22,650 --> 00:53:20,050

comes down as the boat hits the beach

1224

00:53:24,540 --> 00:53:22,660

and the soldiers come running out one of

1225

00:53:26,400 --> 00:53:24,550

those sunk off the coast of Dorset with

1226

00:53:29,130 --> 00:53:26,410

about forty troops on board everyone's

1227

00:53:32,460 --> 00:53:29,140

drowned and these were guys it was a

1228

00:53:34,230 --> 00:53:32,470

forty men in the spirit world who knew

1229

00:53:35,820 --> 00:53:34,240

lots of secrets of d-day who were

1230

00:53:37,650 --> 00:53:35,830

floating around wait waiting for an

1231

00:53:39,330 --> 00:53:37,660

opportunity to come back and maybe

1232

00:53:43,740 --> 00:53:39,340

perhaps who no fault of their own reveal

1233

00:53:45,780 --> 00:53:43,750

this secrets through Helen Duncan and he

1234

00:53:47,810 --> 00:53:45,790

too would take one enemy spy in the room

1235

00:53:50,520 --> 00:53:47,820

and careless talk costs lives etc etc

1236

00:53:52,410 --> 00:53:50,530

and that's it d-day the secrets of d-day

1237

00:53:56,250 --> 00:53:52,420

below because the government went to

1238

00:53:58,200 --> 00:53:56,260

extraordinary lengths to misinform the

1239

00:54:01,800 --> 00:53:58,210

enemy they actually put planted some

1240

00:54:03,750 --> 00:54:01,810

disinformation in on the enemy through

1241

00:54:03,990 --> 00:54:03,760

who's planted documents and things like

1242

00:54:05,640 --> 00:54:04,000

that

1243

00:54:07,380 --> 00:54:05,650

indicating they were going to invade for

1244

00:54:10,020 --> 00:54:07,390

the south through Italy I had some very

1245

00:54:12,120 --> 00:54:10,030

very believable false documents so make

1246

00:54:13,050 --> 00:54:12,130

the enemy think that when they were

1247

00:54:15,030 --> 00:54:13,060

actually planning to invade through

1248

00:54:18,240 --> 00:54:15,040

Normandy France which is what they did

1249

00:54:20,040 --> 00:54:18,250

so there was a real learn there was

1250

00:54:22,260 --> 00:54:20,050

there must been panic in in the white

1251

00:54:23,490 --> 00:54:22,270

hall in the cabinet war rooms as they

1252

00:54:26,400 --> 00:54:23,500

said well look this just let's just

1253

00:54:29,010 --> 00:54:26,410

concoct a a fake case against Helen

1254

00:54:31,260 --> 00:54:29,020

Duncan just make up something to get her

1255

00:54:33,090 --> 00:54:31,270

put away just so we she's out away for

1256

00:54:36,390 --> 00:54:33,100

d-day I think that's why they did it

1257

00:54:38,040 --> 00:54:36,400

Simo was there any indication that that

1258

00:54:39,420 --> 00:54:38,050

they may have gone to her first and just

1259

00:54:42,150 --> 00:54:39,430

said you know for the love of garden

1260

00:54:44,850 --> 00:54:42,160

country you know shut up don't don't

1261

00:54:46,590 --> 00:54:44,860

talk about this kind of thing or it all

1262

00:54:48,870 --> 00:54:46,600

be you would think that would have been

1263

00:54:51,780 --> 00:54:48,880

more like the proper thing to it least

1264

00:54:53,700 --> 00:54:51,790

give her a chance to yeah don't you

1265

00:54:57,060 --> 00:54:53,710

think though that that bringing this to

1266

00:54:59,850 --> 00:54:57,070

attention and taking her to the in front

1267

00:55:02,340 --> 00:54:59,860

of us is the bailiff over there any in

1268

00:55:05,010 --> 00:55:02,350

in yeah it'll Night Court

1269

00:55:08,590 --> 00:55:05,020

yeah Oh Bailey okay oh I like Old Bailey

1270

00:55:13,850 --> 00:55:10,850

anyway don't you think that that would

1271

00:55:15,230 --> 00:55:13,860

bring more attention to her well I mean

1272

00:55:16,910 --> 00:55:15,240

this is them this is why I think they

1273

00:55:18,710 --> 00:55:16,920

were they decided to go for broke

1274

00:55:20,900 --> 00:55:18,720

essentially it was a bit of a a double

1275

00:55:22,610 --> 00:55:20,910

or quits situation but so I mean the

1276

00:55:25,460 --> 00:55:22,620

idea that they could why didn't they

1277

00:55:27,170 --> 00:55:25,470

just simply approach her get her to sign

1278

00:55:29,030 --> 00:55:27,180

the Official Secrets Act pay her some

1279

00:55:30,650 --> 00:55:29,040

compensation and just say look do you

1280

00:55:32,810 --> 00:55:30,660

mind not practicing for the next couple

1281

00:55:34,310 --> 00:55:32,820

of months I mean they could have done

1282

00:55:37,310 --> 00:55:34,320

that and the cost would have been less

1283

00:55:39,050 --> 00:55:37,320

than probably what the trial was and she

1284

00:55:40,730 --> 00:55:39,060

was a like like everyone in the country

1285

00:55:42,710 --> 00:55:40,740

oh she was behind the war effort she was

1286

00:55:45,170 --> 00:55:42,720

a patriotic woman she would have agreed

1287

00:55:46,490 --> 00:55:45,180

this is what this is what so people are

1288

00:55:49,040 --> 00:55:46,500

saying now because there's a campaign to

1289

00:55:50,960 --> 00:55:49,050

pardon her and it's being led by a lady

1290

00:55:53,540 --> 00:55:50,970

called Margaret Hahn who is Helen's

1291

00:55:54,980 --> 00:55:53,550

granddaughter and I've been in touch

1292

00:55:58,550 --> 00:55:54,990

with her Ashish I'm trying to help her

1293

00:56:01,300 --> 00:55:58,560

as best I can because this was quite

1294

00:56:04,990 --> 00:56:01,310

clearly a this is quite clearly a

1295

00:56:08,930 --> 00:56:05,000

kangaroo court situation this is how

1296

00:56:10,910 --> 00:56:08,940

long did your movie run on this there

1297

00:56:12,650 --> 00:56:10,920

you're a little documentary that you did

1298

00:56:14,510 --> 00:56:12,660

I've made several actually I've made

1299

00:56:16,130 --> 00:56:14,520

several documentaries about this one of

1300

00:56:18,710 --> 00:56:16,140

them and it's it's a it's a power an

1301
00:56:20,930 --> 00:56:18,720
hour and forty minutes okay I saw that

1302
00:56:22,880 --> 00:56:20,940
maybe about a year ago or is there a new

1303
00:56:24,800 --> 00:56:22,890
one after that there is yeah I mean the

1304
00:56:26,960 --> 00:56:24,810
one I did it's a bit amateurish I don't

1305
00:56:28,250 --> 00:56:26,970
like the camerawork I'm I'm not very

1306
00:56:29,300 --> 00:56:28,260
pleased with it but a lot of people a

1307
00:56:31,970 --> 00:56:29,310
lot of other people seem to like it

1308
00:56:35,270 --> 00:56:31,980
which is nice but I think hey listen it

1309
00:56:37,190 --> 00:56:35,280
it's it's it's a YouTube and it's

1310
00:56:40,520 --> 00:56:37,200
content that we're interested in and not

1311
00:56:42,590 --> 00:56:40,530
not so much camerawork although I I have

1312
00:56:44,360 --> 00:56:42,600
to say you do a decent camera work I I

1313
00:56:45,890 --> 00:56:44,370

was always wondering how you did you

1314

00:56:48,260 --> 00:56:45,900

said just held the camera in front and

1315

00:56:50,840 --> 00:56:48,270

walked on a walk down down the street

1316

00:56:52,880 --> 00:56:50,850

yeah I actually went to visited the

1317

00:56:55,280 --> 00:56:52,890

locations where the the main events of

1318

00:56:57,350 --> 00:56:55,290

that happened and I even filmed I even

1319

00:56:58,790 --> 00:56:57,360

got permission to film inside the

1320

00:57:00,290 --> 00:56:58,800

original spiritualist Centre in

1321

00:57:01,940 --> 00:57:00,300

Portsmouth where Helen was arrested

1322

00:57:03,710 --> 00:57:01,950

which today oh yes it's someone's flat

1323

00:57:05,690 --> 00:57:03,720

it's it's just allowing someone's flat

1324

00:57:07,700 --> 00:57:05,700

but they gave me permission to go in and

1325

00:57:08,900 --> 00:57:07,710

film there which is really nice of them

1326
00:57:10,790 --> 00:57:08,910
and I've got so got some footage from

1327
00:57:14,090 --> 00:57:10,800
inside the room where it all took place

1328
00:57:14,930 --> 00:57:14,100
she did like drag drag around in front

1329
00:57:17,690 --> 00:57:14,940
of the press

1330
00:57:19,850 --> 00:57:17,700
yeah it was it was a big media sensation

1331
00:57:20,930 --> 00:57:19,860
they the police dragged basically raided

1332
00:57:23,599 --> 00:57:20,940
a place as if she was sunk

1333
00:57:25,970 --> 00:57:23,609
and a bank robber with her stash they

1334
00:57:27,950 --> 00:57:25,980
they rested her they detained everyone

1335
00:57:31,220 --> 00:57:27,960
they were they was like about a dozen

1336
00:57:32,510 --> 00:57:31,230
officers involved in this raid and Helen

1337
00:57:34,490 --> 00:57:32,520
could have been badly hurt actually I

1338
00:57:36,589 --> 00:57:34,500

mean if you if you looked into the

1339

00:57:38,990 --> 00:57:36,599

phenomena of manifestation mediums

1340

00:57:40,670 --> 00:57:39,000

you know that if they are disturbed when

1341

00:57:42,829 --> 00:57:40,680

they're in trial yes they can actually

1342

00:57:46,550 --> 00:57:42,839

be very very badly indeed Helen was in

1343

00:57:47,839 --> 00:57:46,560

1956 when she died in 1956 and it

1344

00:57:48,859 --> 00:57:47,849

followed an accident at well it wasn't

1345

00:57:50,900 --> 00:57:48,869

an accident it with the base of the

1346

00:57:52,370 --> 00:57:50,910

police killed her she was she had

1347

00:57:53,630 --> 00:57:52,380

arrayed in Nottingham she was doing a

1348

00:57:56,660 --> 00:57:53,640

seance in Nottingham and she suffered

1349

00:57:58,900 --> 00:57:56,670

third-degree burns to her chest as a

1350

00:58:01,480 --> 00:57:58,910

result of being disturbed in trance

1351
00:58:04,130 --> 00:58:01,490
could that be could that be documented

1352
00:58:05,569 --> 00:58:04,140
yes if there's a doctor examines her on

1353
00:58:07,220 --> 00:58:05,579
the scene if nothing was actually done

1354
00:58:08,510 --> 00:58:07,230
you see the police wanted to arrest her

1355
00:58:11,390 --> 00:58:08,520
and take away but she suffered she had

1356
00:58:13,730 --> 00:58:11,400
terrible burns to her chest and she well

1357
00:58:15,559 --> 00:58:13,740
she died about two weeks later and well

1358
00:58:17,690 --> 00:58:15,569
that's what that the Tim would you say

1359
00:58:21,349 --> 00:58:17,700
that's one of the best evidential

1360
00:58:23,569 --> 00:58:21,359
they're proof of this type of phenomena

1361
00:58:26,210 --> 00:58:23,579
oh yeah definitely but you know as Ben

1362
00:58:29,839 --> 00:58:26,220
says I mean there's been a lot of other

1363
00:58:31,460 --> 00:58:29,849

cases especially when a medium is like

1364

00:58:35,349 --> 00:58:31,470

right in the middle of say producing

1365

00:58:39,349 --> 00:58:35,359

ectoplasm and I know some scientists had

1366

00:58:42,440 --> 00:58:39,359

attempted to get samples and it would

1367

00:58:45,800 --> 00:58:42,450

cause you know like a lot of pain and

1368

00:58:48,280 --> 00:58:45,810

and injuries to the medium I think what

1369

00:58:51,550 --> 00:58:48,290

of them described it as the ectoplasm

1370

00:58:54,500 --> 00:58:51,560

snapped back into their body so hard

1371

00:58:57,980 --> 00:58:54,510

that they were physically thrown

1372

00:58:59,780 --> 00:58:57,990

backwards against the wall of the the

1373

00:59:03,109 --> 00:58:59,790

you know the spirit boot that they were

1374

00:59:04,370 --> 00:59:03,119

in its fair this is why they they have

1375

00:59:06,079 --> 00:59:04,380

to have peace and quiet where the doors

1376

00:59:08,210 --> 00:59:06,089

are locked this is why the lights are

1377

00:59:10,220 --> 00:59:08,220

dimmed it's not so they can hide wires

1378

00:59:12,349 --> 00:59:10,230

and props and dummies it's not that's

1379

00:59:15,319 --> 00:59:12,359

not why they do it they do it because

1380

00:59:16,490 --> 00:59:15,329

the the medium and trance has to be in

1381

00:59:20,390 --> 00:59:16,500

that environment for their own safety

1382

00:59:21,710 --> 00:59:20,400

and so Helen was putting enormous danger

1383

00:59:24,770 --> 00:59:21,720

they could have killed her in that raid

1384

00:59:27,859 --> 00:59:24,780

in 1944 oh but they wanted to they

1385

00:59:29,690 --> 00:59:27,869

wanted to wreak yeah I was just

1386

00:59:32,809 --> 00:59:29,700

wondering a jacket have you heard of any

1387

00:59:34,940 --> 00:59:32,819

like a psychics or mediums over here

1388

00:59:38,210 --> 00:59:34,950

that have been the

1389

00:59:40,910 --> 00:59:38,220

executed to such an extent no it hasn't

1390

00:59:44,780 --> 00:59:40,920

happened in a long time I mean there and

1391

00:59:46,819 --> 00:59:44,790

and not that are you know going through

1392

00:59:48,109 --> 00:59:46,829

that I mean that's why I want to say

1393

00:59:49,700 --> 00:59:48,119

something because you know you talk

1394

00:59:51,849 --> 00:59:49,710

about how they're you know there's

1395

00:59:54,589 --> 00:59:51,859

snapped back in and stuff like that so

1396

00:59:56,210 --> 00:59:54,599

my thought just was so you know they're

1397

00:59:59,000 --> 00:59:56,220

manifesting these things so as the

1398

01:00:02,210 --> 00:59:59,010

ectoplasmic material actually part of

1399

01:00:04,579 --> 01:00:02,220

their own system and not necessary is

1400

01:00:07,849 --> 01:00:04,589

spiritual I mean it's a manifestation of

1401

01:00:09,800 --> 01:00:07,859

a spiritual being or whatever but that

1402

01:00:12,829 --> 01:00:09,810

would tell me the ectoplasm is actually

1403

01:00:17,089 --> 01:00:12,839

part of that person you know their own

1404

01:00:19,310 --> 01:00:17,099

spiritual being city that's why you

1405

01:00:22,160 --> 01:00:19,320

right so trying to take part of it is

1406

01:00:23,960 --> 01:00:22,170

gonna do damage to them yeah it just

1407

01:00:26,120 --> 01:00:23,970

seemed to be load army some it's a very

1408

01:00:28,339 --> 01:00:26,130

delicate situation and it's almost as if

1409

01:00:29,950 --> 01:00:28,349

a part of them comes out I'm sorry

1410

01:00:32,270 --> 01:00:29,960

they're fairy quarter yeah and it's

1411

01:00:33,829 --> 01:00:32,280

because yet it does seem to be low it's

1412

01:00:35,329 --> 01:00:33,839

not actually the exit plasm isn't

1413

01:00:37,010 --> 01:00:35,339

actually the spirit it's like an image

1414

01:00:38,990 --> 01:00:37,020

of the spirit of three like a 3d

1415

01:00:41,720 --> 01:00:39,000

printing thing really it creates this

1416

01:00:43,460 --> 01:00:41,730

image but as far as as far as what you

1417

01:00:47,089 --> 01:00:43,470

guys are talking about with you know are

1418

01:00:51,109 --> 01:00:47,099

they do we have any more recent examples

1419

01:00:52,849 --> 01:00:51,119

of wow what we call witches here even up

1420

01:00:56,000 --> 01:00:52,859

in Salem up in more modern times in the

1421

01:00:58,370 --> 01:00:56,010

1950s 60s they were still being

1422

01:01:00,410 --> 01:00:58,380

persecuted up there even then no they

1423

01:01:02,420 --> 01:01:00,420

were being arrested they were being you

1424

01:01:04,040 --> 01:01:02,430

know jailed trying to be chased out it

1425

01:01:08,599 --> 01:01:04,050

kind of chased out of town for their

1426

01:01:11,089 --> 01:01:08,609

businesses in any obvious way but you

1427

01:01:13,370 --> 01:01:11,099

know you did have you did have a witch

1428

01:01:17,210 --> 01:01:13,380

up there who was the witch of Salem and

1429

01:01:19,490 --> 01:01:17,220

she was best friends with the mayor yes

1430

01:01:22,819 --> 01:01:19,500

yes yeah yeah and that's what helped

1431

01:01:24,950 --> 01:01:22,829

them kind of get in eventually yeah took

1432

01:01:27,410 --> 01:01:24,960

many years they were still being kind of

1433

01:01:29,809 --> 01:01:27,420

even within the United States persecuted

1434

01:01:31,520 --> 01:01:29,819

to a point of well we don't want you in

1435

01:01:32,930 --> 01:01:31,530

this area we don't want you around here

1436

01:01:34,490 --> 01:01:32,940

they try to make them move their

1437

01:01:36,980 --> 01:01:34,500

businesses out and stuff like that make

1438

01:01:39,020 --> 01:01:36,990

it difficult for them so not so much is

1439

01:01:43,700 --> 01:01:39,030

necessarily arresting them although that

1440

01:01:46,190 --> 01:01:43,710

did happen but more of just kind of

1441

01:01:47,320 --> 01:01:46,200

making it very difficult for them to run

1442

01:01:50,440 --> 01:01:47,330

their businesses

1443

01:01:54,700 --> 01:01:50,450

so there are there are some towns that

1444

01:01:57,640 --> 01:01:54,710

have banned any kind of witchcraft not

1445

01:01:59,830 --> 01:01:57,650

which well witchcraft but also psychic

1446

01:02:02,230 --> 01:01:59,840

readings and all in fact there was a

1447

01:02:05,950 --> 01:02:02,240

story didn't get very much attention of

1448

01:02:09,880 --> 01:02:05,960

a little town not far from Washington DC

1449

01:02:12,400 --> 01:02:09,890

recently where there was a bookstore and

1450

01:02:14,800 --> 01:02:12,410

they were doing free readings and the

1451

01:02:17,650 --> 01:02:14,810

City Council came after them and and

1452

01:02:20,320 --> 01:02:17,660

made them stop doing the the readings on

1453

01:02:23,770 --> 01:02:20,330

their threat of being a find and so

1454

01:02:28,120 --> 01:02:23,780

forth because they said that it would

1455

01:02:30,450 --> 01:02:28,130

lead to demons coming out yeah yeah and

1456

01:02:32,530 --> 01:02:30,460

that still goes on I mean that goes on

1457

01:02:38,860 --> 01:02:32,540

there already sitting on the City

1458

01:02:41,170 --> 01:02:38,870

Council already so Philadelphia you know

1459

01:02:43,060 --> 01:02:41,180

it's it's a big city um yeah they

1460

01:02:45,070 --> 01:02:43,070

actually was a there was a crackdown you

1461

01:02:46,930 --> 01:02:45,080

know very very arcade bylaw that was

1462

01:02:48,550 --> 01:02:46,940

suddenly brought we do they decide to

1463

01:02:51,160 --> 01:02:48,560

enforce all of a sudden a few years ago

1464

01:02:52,930 --> 01:02:51,170

whether City Council officials went and

1465

01:02:56,410 --> 01:02:52,940

shut down a load of a fortune tellers

1466

01:02:59,020 --> 01:02:56,420

mediums tarot readers all over the city

1467

01:03:02,530 --> 01:02:59,030

it was a really really bad situation and

1468

01:03:04,990 --> 01:03:02,540

I I mean there was I heard about it on a

1469

01:03:06,760 --> 01:03:05,000

skeptic forum and the skeptics was

1470

01:03:09,210 --> 01:03:06,770

cheering them on you know things like

1471

01:03:14,020 --> 01:03:09,220

that I was quite upset by this which

1472

01:03:20,430 --> 01:03:14,030

well you say there were a Philadelphia

1473

01:03:24,370 --> 01:03:20,440

used to be a very popular town as far as

1474

01:03:29,320 --> 01:03:24,380

people who were into I I wouldn't call

1475

01:03:32,950 --> 01:03:29,330

it so much maybe spiritism and lucky

1476

01:03:35,020 --> 01:03:32,960

lottery numbers and AD dream books there

1477

01:03:36,910 --> 01:03:35,030

must have been there must have been 15

1478

01:03:38,710 --> 01:03:36,920

or 20 dream books that you could

1479

01:03:41,850 --> 01:03:38,720

actually buy on the on the newsstand

1480

01:03:44,440 --> 01:03:41,860

there you know the night before the

1481

01:03:47,560 --> 01:03:44,450

racers at Churchill down to wherever

1482

01:03:51,400 --> 01:03:47,570

wherever they the case they register you

1483

01:03:52,960 --> 01:03:51,410

know around there and I don't know but

1484

01:03:54,550 --> 01:03:52,970

that that was quite a few years ago I

1485

01:03:57,150 --> 01:03:54,560

don't know if that's still going on and

1486

01:04:00,280 --> 01:03:57,160

mr. Silverman ran one of the big

1487

01:04:01,599 --> 01:04:00,290

bookstores are there that sold occult

1488

01:04:05,370 --> 01:04:01,609

books and all

1489

01:04:10,020 --> 01:04:05,380

of course they just passed away

1490

01:04:13,059 --> 01:04:10,030

eventually they had run the these stores

1491

01:04:15,549 --> 01:04:13,069

you know that in the family and passed

1492

01:04:18,339 --> 01:04:15,559

it down from one generation to another

1493

01:04:20,470 --> 01:04:18,349

making the talismans and selling herbs

1494

01:04:22,240 --> 01:04:20,480

and oils and things like that you you

1495

01:04:26,650 --> 01:04:22,250

can still find that quite a few of these

1496

01:04:30,900 --> 01:04:26,660

in the Spanish it neighborhoods but not

1497

01:04:32,859 --> 01:04:30,910

so much in the in Middle America anyway

1498

01:04:34,420 --> 01:04:32,869

building them up around here in the

1499

01:04:35,500 --> 01:04:34,430

Albany New York area

1500

01:04:37,120 --> 01:04:35,510

we're getting more and more of those

1501

01:04:40,299 --> 01:04:37,130

types of shops around here which is

1502

01:04:42,130 --> 01:04:40,309

interesting there's a lot of different

1503

01:04:44,079 --> 01:04:42,140

cultures in in the North America won't

1504

01:04:45,520 --> 01:04:44,089

pass more variety and you get in Britain

1505

01:04:46,900 --> 01:04:45,530

because yeah like in the villages and

1506

01:04:49,059 --> 01:04:46,910

towns where people believe in Adam and

1507

01:04:52,059 --> 01:04:49,069

even things like that no but in a big

1508

01:04:53,799 --> 01:04:52,069

cities I mean I've never been to the

1509

01:04:55,990 --> 01:04:53,809

United States I'm not American but I

1510

01:04:57,940 --> 01:04:56,000

mean that for me there's still an issue

1511

01:04:59,710 --> 01:04:57,950

of human rights here I mean I made this

1512

01:05:01,390 --> 01:04:59,720

point I skeptics on the forum and I did

1513

01:05:03,220 --> 01:05:01,400

explain I said look you're basically

1514

01:05:05,140 --> 01:05:03,230

telling the government to go in and

1515

01:05:07,390 --> 01:05:05,150

enforce the will of the skeptics on

1516

01:05:09,819 --> 01:05:07,400

people who might necessarily be skeptics

1517

01:05:11,109 --> 01:05:09,829

and that's not fair and you could you

1518

01:05:12,730 --> 01:05:11,119

could you not wanting to persuade

1519

01:05:14,410 --> 01:05:12,740

someone you just like you're stepping in

1520

01:05:16,240 --> 01:05:14,420

saying the law will force you to do this

1521

01:05:19,450 --> 01:05:16,250

wards will will get that you will use

1522

01:05:21,910 --> 01:05:19,460

the states to to basically compel you to

1523

01:05:22,990 --> 01:05:21,920

do what we tell you and I said is that's

1524

01:05:27,039 --> 01:05:23,000

not fair that's kept it so it's

1525

01:05:29,470 --> 01:05:27,049

perfectly fair they sense you yeah these

1526

01:05:31,000 --> 01:05:29,480

course it is to them yeah but these

1527

01:05:32,589 --> 01:05:31,010

would be the same guys though that

1528

01:05:35,079 --> 01:05:32,599

they'd get all you know upset and

1529

01:05:37,410 --> 01:05:35,089

butthurt if say like in Kansas and

1530

01:05:40,960 --> 01:05:37,420

someplace like that you know they

1531

01:05:43,450 --> 01:05:40,970

enforced teaching say like creationism

1532

01:05:46,630 --> 01:05:43,460

in the schools you know and passed a lot

1533

01:05:53,529 --> 01:05:46,640

and that would be the only thing then

1534

01:05:55,900 --> 01:05:53,539

yeah oh yeah no that's not fair against

1535

01:05:58,210 --> 01:05:55,910

it so that's it's very it's a very sort

1536

01:06:08,980 --> 01:05:58,220

of one way libertarianism they practice

1537

01:06:12,220 --> 01:06:08,990

yeah around here these days I guess what

1538

01:06:14,799 --> 01:06:12,230

we would call small fringe religions

1539

01:06:17,380 --> 01:06:14,809

that you might not find in the

1540

01:06:19,749 --> 01:06:17,390

you have spiritualism there in England

1541

01:06:22,269 --> 01:06:19,759

which is a course I have a many members

1542

01:06:24,880 --> 01:06:22,279

of spiritualists a spiritualist Church

1543

01:06:26,589 --> 01:06:24,890

you think there are today over their bed

1544

01:06:27,489 --> 01:06:26,599

oh we there's over a hundred churches in

1545

01:06:31,120 --> 01:06:27,499

the country there's two main

1546

01:06:32,679 --> 01:06:31,130

organizations and just it's still every

1547

01:06:34,089 --> 01:06:32,689

stack lining somewhat but it's still

1548

01:06:35,589 --> 01:06:34,099

popular I mean there's a one is what

1549

01:06:37,209 --> 01:06:35,599

used to be two in Oxford I think it's

1550

01:06:40,359 --> 01:06:37,219

just one not Church in Oxford now but I

1551

01:06:42,429 --> 01:06:40,369

do go along sometimes well you know you

1552

01:06:43,839 --> 01:06:42,439

know a sight the psychic news which is

1553

01:06:45,880 --> 01:06:43,849

the big glossy magazine that we

1554

01:06:49,529 --> 01:06:45,890

advertise it they are they are merging

1555

01:06:53,559 --> 01:06:49,539

with two worlds and both of those

1556

01:06:58,059 --> 01:06:53,569

publications have go back I don't know

1557

01:07:00,609 --> 01:06:58,069

where what - almost 80 or 90 years now

1558

01:07:04,089 --> 01:07:00,619

you know and psychic news I remember

1559

01:07:06,909 --> 01:07:04,099

reading when I was 15 years old or

1560

01:07:10,059 --> 01:07:06,919

something like that you know and they

1561

01:07:11,949 --> 01:07:10,069

got a really big glossy magazine now in

1562

01:07:12,759 --> 01:07:11,959

fact they didn't have an article on

1563

01:07:16,959 --> 01:07:12,769

Helen

1564

01:07:20,289 --> 01:07:16,969

Duncan recently and you know I mean it's

1565

01:07:22,269 --> 01:07:20,299

a it's a really flashy looking magazine

1566

01:07:24,279 --> 01:07:22,279

that it may be the only one I think

1567

01:07:29,589 --> 01:07:24,289

today in the world I can't really think

1568

01:07:32,529 --> 01:07:29,599

of a printed magazine per se anymore

1569

01:07:35,229 --> 01:07:32,539

that delves into the just the the

1570

01:07:37,959 --> 01:07:35,239

psychic you've got the 14 at times of

1571

01:07:40,630 --> 01:07:37,969

course but they're they kind of like sit

1572

01:07:42,669 --> 01:07:40,640

on the fence as far as most of this goes

1573

01:07:46,929 --> 01:07:42,679

and CAFTA articles that they do were

1574

01:07:49,659 --> 01:07:46,939

kind of a tongue-in-cheek and she we can

1575

01:07:52,149 --> 01:07:49,669

tie to what they don't like me either

1576

01:07:53,859 --> 01:07:52,159

14 times they they wrote they wrote they

1577

01:08:02,019 --> 01:07:53,869

said that was a bit of a loonies and I

1578

01:08:05,409 --> 01:08:02,029

know they wrote about me what was

1579

01:08:08,620 --> 01:08:05,419

charles fort he was a he was a he was a

1580

01:08:10,479 --> 01:08:08,630

big loony I know maybe you turn in his

1581

01:08:11,109 --> 01:08:10,489

grave if you could see them on an ft he

1582

01:08:15,009 --> 01:08:11,119

really would

1583

01:08:16,930 --> 01:08:15,019

well you know I bit his grave it's not

1584

01:08:21,669 --> 01:08:16,940

far from here it's up near it's in the

1585

01:08:23,519 --> 01:08:21,679

rural rural Albany Cemetery in fact we

1586

01:08:26,189 --> 01:08:23,529

were thinking of having a little picnic

1587

01:08:28,599 --> 01:08:26,199

up there this year but it never

1588

01:08:33,189 --> 01:08:28,609

materialized we may do it next

1589

01:08:37,180 --> 01:08:33,199

a year but the cemetery is haunted so

1590

01:08:40,470 --> 01:08:37,190

we've had will be other MIB lady Claudia

1591

01:08:42,999 --> 01:08:40,480

Cunningham she's kind of our regional

1592

01:08:45,160 --> 01:08:43,009

associate up in that part of the the

1593

01:08:49,329 --> 01:08:45,170

state and they've had all kind of

1594

01:08:51,910 --> 01:08:49,339

mysterious black cars being seen in the

1595

01:08:54,129 --> 01:08:51,920

the gravel road and it'll drive down a

1596

01:08:58,149 --> 01:08:54,139

gravel road and and disappear entirely

1597

01:09:00,280 --> 01:08:58,159

and up one of the the presidents that's

1598

01:09:04,890 --> 01:09:00,290

not very well known it is buried there

1599

01:09:13,749 --> 01:09:09,899

caravan of cars will appear in circle is

1600

01:09:16,300 --> 01:09:13,759

where he's buried his Monument and then

1601
01:09:18,309 --> 01:09:16,310
disappear I mean okay and people are

1602
01:09:21,340 --> 01:09:18,319
seen flying over the tombstones dressed

1603
01:09:23,260 --> 01:09:21,350
in pajamas and carrying candles at night

1604
01:09:25,660 --> 01:09:23,270
and then they're there these are big

1605
01:09:27,129 --> 01:09:25,670
dogs that like will growl at you but

1606
01:09:29,680 --> 01:09:27,139
then when you turn around there will

1607
01:09:32,890 --> 01:09:29,690
have disappeared I mean it's it's a it's

1608
01:09:35,019 --> 01:09:32,900
a freaky Cemetery so Charles Ford is

1609
01:09:39,300 --> 01:09:35,029
continuing his research with all this

1610
01:09:44,680 --> 01:09:39,310
weird but that's in the right place they

1611
01:09:47,010 --> 01:09:44,690
for sure in fact there is a video on our

1612
01:09:51,579 --> 01:09:47,020
YouTube channel which is mystery UFOs

1613
01:09:55,000 --> 01:09:51,589

secret files of me and Claudia in the

1614

01:09:56,830 --> 01:09:55,010

cemetery and there's some spooky things

1615

01:10:00,310 --> 01:09:56,840

that happen while we're while we're

1616

01:10:02,800 --> 01:10:00,320

there and maybe next year well this year

1617

01:10:05,109 --> 01:10:02,810

actually later on when the weather gets

1618

01:10:08,350 --> 01:10:05,119

better if it ever does we might have our

1619

01:10:12,070 --> 01:10:08,360

little outing and excursion there and

1620

01:10:14,950 --> 01:10:12,080

hopefully some phenomena may appear in

1621

01:10:17,830 --> 01:10:14,960

fact we heard that the Statehouse where

1622

01:10:19,720 --> 01:10:17,840

the governor resides has got a ghost in

1623

01:10:22,200 --> 01:10:19,730

it and then that made the paper I mean

1624

01:10:26,649 --> 01:10:22,210

it yeah people don't seem to shy away

1625

01:10:28,030 --> 01:10:26,659

from this as much as they they used to

1626

01:10:28,840 --> 01:10:28,040

wouldn't you say that Jack I mean is

1627

01:10:30,520 --> 01:10:28,850

there a little bit

1628

01:10:32,590 --> 01:10:30,530

I agree with actually they give it a or

1629

01:10:35,140 --> 01:10:32,600

at the at the mansion there every year

1630

01:10:37,089 --> 01:10:35,150

for that like the ghost tour and they

1631

01:10:38,859 --> 01:10:37,099

talk about that that spirit that's there

1632

01:10:40,390 --> 01:10:38,869

well why do we why don't we go why don't

1633

01:10:42,700 --> 01:10:40,400

we go up there and do a little bit of an

1634

01:10:44,800 --> 01:10:42,710

investigation of our own maybe

1635

01:10:57,939 --> 01:10:44,810

publicity for the show in your groups

1636

01:10:59,350 --> 01:10:57,949

and if they let us wear the media como

1637

01:11:07,990 --> 01:10:59,360

could use a little help at this point

1638

01:11:10,570 --> 01:11:08,000

now he might have to stuff develop box

1639

01:11:12,700 --> 01:11:10,580

with the with the ghost I mean I'm sure

1640

01:11:14,680 --> 01:11:12,710

Donald Trump would say that uh a million

1641

01:11:29,020 --> 01:11:14,690

ghosts voted in the last election that's

1642

01:11:30,280 --> 01:11:29,030

how we times each if you got a spirit

1643

01:11:32,320 --> 01:11:30,290

hand you could always just pull the

1644

01:11:38,350 --> 01:11:32,330

lever without anybody even realizing it

1645

01:11:43,859 --> 01:11:38,360

right hey if you're Russian ghost I mean

1646

01:11:50,169 --> 01:11:48,430

cutting me off yep I try it's time to

1647

01:11:52,330 --> 01:11:50,179

cut you off there Tim cut you off at the

1648

01:11:54,130 --> 01:11:52,340

ectoplasm ahead we'll be right back

1649

01:12:03,000 --> 01:11:54,140

before

1650

01:12:09,760 --> 01:12:07,180

now back to exploring the bazaars with

1651
01:12:12,729 --> 01:12:09,770
two of the most electrifying researchers

1652
01:12:19,479 --> 01:12:12,739
in the Paranoid your hosts Timothy

1653
01:12:21,370 --> 01:12:19,489
beckoning hunting Swift's final segment

1654
01:12:23,500 --> 01:12:21,380
of exploring the bazaar Tim so I guess

1655
01:12:25,930 --> 01:12:23,510
we better get right into it before we

1656
01:12:27,100 --> 01:12:25,940
run out of time so Jacque during the

1657
01:12:29,439 --> 01:12:27,110
break

1658
01:12:32,260 --> 01:12:29,449
Tim had asked you about whether or not

1659
01:12:35,520 --> 01:12:32,270
your group has done any UFO

1660
01:12:39,760 --> 01:12:35,530
investigations and what was your answer

1661
01:12:42,550 --> 01:12:39,770
the group has no but unrelated to even

1662
01:12:44,770 --> 01:12:42,560
doing paranormal stuff me and some

1663
01:12:46,780 --> 01:12:44,780

friends of mine we had we had a fishing

1664

01:12:49,810 --> 01:12:46,790

camp up in the wilderness of Quebec had

1665

01:12:52,359 --> 01:12:49,820

a flying to get to the camp and I saw

1666

01:12:54,669 --> 01:12:52,369

some very odd things a couple times up

1667

01:12:57,970 --> 01:12:54,679

there actually the the six of us did and

1668

01:12:59,649 --> 01:12:57,980

we weren't drinking either you know but

1669

01:13:01,810 --> 01:12:59,659

we saw I mean there was a big electric

1670

01:13:04,899 --> 01:13:01,820

storm and this is how far up north where

1671

01:13:08,050 --> 01:13:04,909

we were near the Labrador border so

1672

01:13:10,120 --> 01:13:08,060

further up in Labrador there was a big

1673

01:13:11,740 --> 01:13:10,130

electrical storm and we're just watching

1674

01:13:13,060 --> 01:13:11,750

you can see satellites it's so clear up

1675

01:13:15,010 --> 01:13:13,070

there you see the satellites go by at

1676

01:13:17,229 --> 01:13:15,020

night but there's an electrical storm

1677

01:13:19,030 --> 01:13:17,239

going on and we're just watching also do

1678

01:13:21,910 --> 01:13:19,040

we see this one thing comes shooting in

1679

01:13:24,399 --> 01:13:21,920

towards that storm now I just was a like

1680

01:13:27,310 --> 01:13:24,409

a bright light in the sky and it stopped

1681

01:13:29,399 --> 01:13:27,320

and it started gyrating above the storm

1682

01:13:31,540 --> 01:13:29,409

then another one came in from the east

1683

01:13:35,620 --> 01:13:31,550

another one from the west and the one

1684

01:13:37,120 --> 01:13:35,630

came straight down from space it's the

1685

01:13:39,010 --> 01:13:37,130

only the way I could say it and they

1686

01:13:42,189 --> 01:13:39,020

gyrated around this storm and this went

1687

01:13:44,379 --> 01:13:42,199

on for an hour and we're just sitting

1688

01:13:46,780 --> 01:13:44,389

there watching it out on our dock and go

1689

01:13:48,640 --> 01:13:46,790

like what the heck it what trying to

1690

01:13:50,560 --> 01:13:48,650

figure out what they are and then we see

1691

01:13:51,790 --> 01:13:50,570

one take off another took off we just

1692

01:13:54,850 --> 01:13:51,800

actually kind of got tired of watching

1693

01:13:55,780 --> 01:13:54,860

it we're like going to bed I never saw

1694

01:13:59,050 --> 01:13:55,790

anything like it these weren't

1695

01:14:00,520 --> 01:13:59,060

satellites they weren't Skylab that

1696

01:14:01,959 --> 01:14:00,530

there whatever it was at the time you

1697

01:14:03,040 --> 01:14:01,969

could actually even see that go by at

1698

01:14:04,839 --> 01:14:03,050

night

1699

01:14:08,020 --> 01:14:04,849

and you know the space station and stuff

1700

01:14:11,229 --> 01:14:08,030

but minoo way i don't know what these

1701

01:14:12,790 --> 01:14:11,239

things were but they they're nothing I

1702

01:14:14,560 --> 01:14:12,800

think we set up there I'll tell you that

1703

01:14:16,510 --> 01:14:14,570

I don't know what they are you know

1704

01:14:18,280 --> 01:14:16,520

least nothing the argument tells us

1705

01:14:20,200 --> 01:14:18,290

about her whatever government tells us

1706

01:14:21,760 --> 01:14:20,210

about but they almost almost seemed like

1707

01:14:24,370 --> 01:14:21,770

maybe they were drawing energy from this

1708

01:14:26,470 --> 01:14:24,380

electrical storm you know that's what it

1709

01:14:28,930 --> 01:14:26,480

seemed like to me anyway so I don't know

1710

01:14:30,549 --> 01:14:28,940

what to make of that you know and I saw

1711

01:14:33,910 --> 01:14:30,559

that actually happened a couple times

1712

01:14:36,220 --> 01:14:33,920

over a couple probably you know within a

1713

01:14:38,439 --> 01:14:36,230

four year span you know and it's just

1714

01:14:40,870 --> 01:14:38,449

really unusual so I don't know what to

1715

01:14:43,870 --> 01:14:40,880

make of it and this thing we come in so

1716

01:14:46,209 --> 01:14:43,880

fast you say boom boom and then they're

1717

01:14:48,220 --> 01:14:46,219

gone they're well we don't have anything

1718

01:14:48,490 --> 01:14:48,230

that moves that fast not that I'm aware

1719

01:14:52,540 --> 01:14:48,500

of

1720

01:14:56,229 --> 01:14:52,550

so Tim Tim and I are working on a book

1721

01:15:00,220 --> 01:14:56,239

about some of the negative effects of

1722

01:15:02,250 --> 01:15:00,230

UFOs you know we call it hostility but I

1723

01:15:05,229 --> 01:15:02,260

I'm not sure if that's the proper term

1724

01:15:09,069 --> 01:15:05,239

there there's one incident that got a

1725

01:15:12,459 --> 01:15:09,079

lot of publicity up in Canada when it

1726

01:15:15,370 --> 01:15:12,469

took place and it's actually the 50th

1727

01:15:19,000 --> 01:15:15,380

anniversary yes an encounter that took

1728

01:15:23,560 --> 01:15:19,010

place at the Falcon Lake and there was a

1729

01:15:26,709 --> 01:15:23,570

fellow who was a well let me see he was

1730

01:15:29,080 --> 01:15:26,719

a I guess an auto mechanic and he was

1731

01:15:33,100 --> 01:15:29,090

sent spending our mechanic he would

1732

01:15:36,640 --> 01:15:33,110

spend his spare time going up near

1733

01:15:40,780 --> 01:15:36,650

Falcon Lake and looking for deposits of

1734

01:15:43,359 --> 01:15:40,790

silver and quarts and a very very remote

1735

01:15:46,810 --> 01:15:43,369

area and he was up there one day and he

1736

01:15:48,879 --> 01:15:46,820

saw two objects in the sky I think one

1737

01:15:54,459 --> 01:15:48,889

was a cylindrical shaped craft and the

1738

01:15:58,810 --> 01:15:54,469

other what are your typical disco with a

1739

01:16:01,660 --> 01:15:58,820

dome to disco type UFO and all and that

1740

01:16:07,479 --> 01:16:01,670

one that don't the domed object landed

1741

01:16:10,359 --> 01:16:07,489

not too far from him and a port or a

1742

01:16:13,000 --> 01:16:10,369

door or a gangway of some sort open and

1743

01:16:15,700 --> 01:16:13,010

he got himself pretty close I guess

1744

01:16:17,590 --> 01:16:15,710

curiosity got the best of him in he

1745

01:16:21,190 --> 01:16:17,600

walked right up to

1746

01:16:27,670 --> 01:16:21,200

the craft to appear inside and he got

1747

01:16:29,260 --> 01:16:27,680

zapped by something you know Leia and

1748

01:16:32,110 --> 01:16:29,270

laser we don't know what they call it

1749

01:16:33,820 --> 01:16:32,120

from where they come from but you know

1750

01:16:37,140 --> 01:16:33,830

something gives out the hell out of them

1751

01:16:40,720 --> 01:16:37,150

and he ended up in the hospital and his

1752

01:16:44,110 --> 01:16:40,730

shirt was that he was wearing was kind

1753

01:16:46,870 --> 01:16:44,120

of destroyed in fact it left an imprint

1754

01:16:50,550 --> 01:16:46,880

on his chest the the shirt itself had

1755

01:16:56,410 --> 01:16:50,560

burned off and there was this a grid

1756

01:16:58,780 --> 01:16:56,420

system and a very very painful and the

1757

01:17:02,470 --> 01:16:58,790

the story did get a lot of attention at

1758

01:17:05,410 --> 01:17:02,480

the time and he passed away or maybe I

1759

01:17:09,250 --> 01:17:05,420

guess seven or eight years ago I sold

1760

01:17:11,140 --> 01:17:09,260

age but his son you know has still has

1761

01:17:14,100 --> 01:17:11,150

some of the garments that he was wearing

1762

01:17:18,400 --> 01:17:14,110

and they they coming up with a book and

1763

01:17:20,410 --> 01:17:18,410

pretty well or I've seen some of the the

1764

01:17:23,080 --> 01:17:20,420

government documents the Canadian

1765

01:17:26,560 --> 01:17:23,090

Mounted Police investigated in the

1766

01:17:28,510 --> 01:17:26,570

Canadian Defense Department and they

1767

01:17:30,700 --> 01:17:28,520

could never come up you know with an

1768

01:17:32,950 --> 01:17:30,710

explanation for this course the the

1769

01:17:34,930 --> 01:17:32,960

skeptics say oh it was a hoax I don't

1770

01:17:37,210 --> 01:17:34,940

know whether he was supposed to have

1771

01:17:40,390 --> 01:17:37,220

taken a blowtorch to his chest her or

1772

01:17:42,490 --> 01:17:40,400

not but the guy he certainly had the the

1773

01:17:46,360 --> 01:17:42,500

pattern I you remember the photo to him

1774

01:17:49,600 --> 01:17:46,370

right I mean it's a very popular picture

1775

01:17:51,640 --> 01:17:49,610

I mean it's been used and oh yeah yeah I

1776

01:17:54,970 --> 01:17:51,650

I can't believe that somebody would just

1777

01:17:58,060 --> 01:17:54,980

you know just to go and take a blowtorch

1778

01:18:02,740 --> 01:17:58,070

or whatever it was and bloap tort you

1779

01:18:07,740 --> 01:18:02,750

know patter you try you try to do that

1780

01:18:17,620 --> 01:18:12,910

you know okay Carol Kate hold you down I

1781

01:18:20,130 --> 01:18:17,630

let her hold me down that's okay hey Ben

1782

01:18:24,010 --> 01:18:20,140

what's going on in Rendlesham forest

1783

01:18:26,170 --> 01:18:24,020

these days well in August is going to be

1784

01:18:28,479 --> 01:18:26,180

a big event actually because we're

1785

01:18:30,160 --> 01:18:28,489

getting together do some camping you

1786

01:18:31,990 --> 01:18:30,170

ought to be allowed to go to that one

1787

01:18:33,729 --> 01:18:32,000

well they say yeah I mean there's been

1788

01:18:35,979 --> 01:18:33,739

some efforts to try to stop us but so

1789

01:18:37,450 --> 01:18:35,989

basically it says public land it's

1790

01:18:39,100 --> 01:18:37,460

fought with forestry commission land and

1791

01:18:41,560 --> 01:18:39,110

we're not breaking any rules so I don't

1792

01:18:44,290 --> 01:18:41,570

they're not gonna try and stop us yeah I

1793

01:18:46,270 --> 01:18:44,300

mean they said you got a question the

1794

01:18:46,870 --> 01:18:46,280

colonel halt again and turn off your

1795

01:18:53,260 --> 01:18:46,880

camera

1796

01:18:55,510 --> 01:18:53,270

oh well Colonel Holt won't be there that

1797

01:18:57,729 --> 01:18:55,520

is the agretti the greatest incident

1798

01:19:00,850 --> 01:18:57,739

I've ever heard of you you or anybody

1799

01:19:04,150 --> 01:19:00,860

else pulling he has a tibideaux story

1800

01:19:06,610 --> 01:19:04,160

Howie yes Colonel Hall about I guess

1801
01:19:08,770 --> 01:19:06,620
Larry Warren and Colonel Hall tell them

1802
01:19:10,660 --> 01:19:08,780
to shut the camera off and he shut the

1803
01:19:13,660 --> 01:19:10,670
camera off but then when he turned it

1804
01:19:18,100 --> 01:19:13,670
back on he just repeated the story like

1805
01:19:19,630 --> 01:19:18,110
that yeah yeah he's he and Larry burning

1806
01:19:22,420 --> 01:19:19,640
out complete loggerheads and obviously

1807
01:19:24,130 --> 01:19:22,430
there's couldn't Holt dedicates a lot of

1808
01:19:26,110 --> 01:19:24,140
his time when he's onstage now to saying

1809
01:19:30,040 --> 01:19:26,120
how he what he thinks of Larry Warren

1810
01:19:32,380 --> 01:19:30,050
which is a shame because I own

1811
01:19:34,240 --> 01:19:32,390
experience was and what he had was I'm

1812
01:19:37,690 --> 01:19:34,250
sure he's telling the truth about his

1813
01:19:40,090 --> 01:19:37,700

own experience of course he's peeved it

1814

01:19:42,310 --> 01:19:40,100

to Larry because Larry was the the

1815

01:19:44,770 --> 01:19:42,320

whistleblower here you know for all the

1816

01:19:48,970 --> 01:19:44,780

dirt that that Larry takes if it wasn't

1817

01:19:53,490 --> 01:19:48,980

for him there there would be no Linda

1818

01:19:57,280 --> 01:19:53,500

Moulton Howe or you know Pennington or

1819

01:19:59,740 --> 01:19:57,290

John John Burroughs I mean you know it

1820

01:20:02,620 --> 01:19:59,750

did dad Larry was the one who bought the

1821

01:20:04,990 --> 01:20:02,630

the story to the the attention in the

1822

01:20:06,729 --> 01:20:05,000

world it kind of got screwed if anybody

1823

01:20:09,040 --> 01:20:06,739

did because the fellow who took his the

1824

01:20:11,020 --> 01:20:09,050

information I sold it for I don't know

1825

01:20:12,670 --> 01:20:11,030

what ten thousand pounds or something

1826

01:20:13,900 --> 01:20:12,680

right well yeah but they said there's a

1827

01:20:15,850 --> 01:20:13,910

new luckily there's a new documentary

1828

01:20:17,560 --> 01:20:15,860

coming out called Capel green which is

1829

01:20:18,660 --> 01:20:17,570

all about Larry Warren and his story

1830

01:20:20,850 --> 01:20:18,670

which will hopefully set the

1831

01:20:22,439 --> 01:20:20,860

Straight But I mean it's it's true I

1832

01:20:24,510 --> 01:20:22,449

mean if you hadn't been for him and

1833

01:20:25,590 --> 01:20:24,520

basically he was his Testament that

1834

01:20:28,260 --> 01:20:25,600

triggered the whole investigation

1835

01:20:29,610 --> 01:20:28,270

process and the eventual government and

1836

01:20:31,620 --> 01:20:29,620

the government were forced to admit a

1837

01:20:33,180 --> 01:20:31,630

few things and this because it happened

1838

01:20:34,830 --> 01:20:33,190

so soon after the event it was very easy

1839

01:20:37,620 --> 01:20:34,840

unlike with Roswell where there was a 30

1840

01:20:39,750 --> 01:20:37,630

year gap because if it hadn't been for

1841

01:20:41,490 --> 01:20:39,760

Larry basically we still took probably

1842

01:20:43,020 --> 01:20:41,500

30 years later someone would have said

1843

01:20:44,220 --> 01:20:43,030

something and we said oh wow like all

1844

01:20:46,830 --> 01:20:44,230

those years ago there was this thing in

1845

01:20:48,840 --> 01:20:46,840

in Suffern whoa well Stan we we wouldn't

1846

01:20:50,550 --> 01:20:48,850

know half as much about it as we do now

1847

01:20:53,220 --> 01:20:50,560

but you know true there is it there

1848

01:20:54,810 --> 01:20:53,230

isn't there is a new book out which I've

1849

01:20:58,830 --> 01:20:54,820

read a couple of chapters are that the

1850

01:21:01,410 --> 01:20:58,840

Philip mantel of published Rendlesham

1851
01:21:02,310 --> 01:21:01,420
forest but the the author is nowhere to

1852
01:21:05,340 --> 01:21:02,320
be found

1853
01:21:07,020 --> 01:21:05,350
that's Andrew pike yeah well he said

1854
01:21:09,810 --> 01:21:07,030
he's I think he's got problems in his

1855
01:21:13,439 --> 01:21:09,820
own life he has to deal with so he can't

1856
01:21:15,540 --> 01:21:13,449
you know the book came out and he's

1857
01:21:18,300 --> 01:21:15,550
never done a show or been interviewed or

1858
01:21:20,669 --> 01:21:18,310
anything else I know I uh you know we

1859
01:21:22,229 --> 01:21:20,679
wanted to have a man because yeah I've

1860
01:21:23,939 --> 01:21:22,239
got a copy here actually the Rendlesham

1861
01:21:25,979 --> 01:21:23,949
file I've got a copy right in front and

1862
01:21:28,350 --> 01:21:25,989
yeah it's a great big book huge books

1863
01:21:30,300 --> 01:21:28,360

yes yeah I haven't the PDF of it but

1864

01:21:32,100 --> 01:21:30,310

what what good is it if you can't get

1865

01:21:34,169 --> 01:21:32,110

the author to promote a book you know I

1866

01:21:36,270 --> 01:21:34,179

mean that's about the only way you sell

1867

01:21:38,729 --> 01:21:36,280

anything these days well I hope whatever

1868

01:21:40,860 --> 01:21:38,739

it is I hope mr. Pike gets it sorted out

1869

01:21:42,270 --> 01:21:40,870

and you know I don't know what is

1870

01:21:43,979 --> 01:21:42,280

something in his own life I hope he gets

1871

01:21:45,300 --> 01:21:43,989

it so without it's an interesting book I

1872

01:21:47,250 --> 01:21:45,310

think it's a it makes a lot of errors

1873

01:21:49,709 --> 01:21:47,260

but it's it's worth reading it's a

1874

01:21:51,630 --> 01:21:49,719

historical document I think well how

1875

01:21:52,979 --> 01:21:51,640

many how many books have been have been

1876

01:21:55,680 --> 01:21:52,989

written now in bet borders

1877

01:21:57,479 --> 01:21:55,690

oh there's about about a dozen yeah

1878

01:21:59,459 --> 01:21:57,489

there's probably left east cases the

1879

01:22:01,830 --> 01:21:59,469

best one out cites yes yeah it's the

1880

01:22:04,919 --> 01:22:01,840

West we publicly published the first

1881

01:22:05,310 --> 01:22:04,929

book about waters here in the United

1882

01:22:08,010 --> 01:22:05,320

States

1883

01:22:10,979 --> 01:22:08,020

Jenny Randall's wrote from out of the

1884

01:22:13,890 --> 01:22:10,989

blue yeah yeah yeah that was yeah that

1885

01:22:17,100 --> 01:22:13,900

was uh before I think that was before

1886

01:22:20,550 --> 01:22:17,110

even Eastgate it was it was published in

1887

01:22:22,650 --> 01:22:20,560

in paperback but by that time you know

1888

01:22:24,900 --> 01:22:22,660

the cloud in the the UFO publishing

1889

01:22:27,240 --> 01:22:24,910

field that kind of dwindled and where

1890

01:22:29,610 --> 01:22:27,250

you used to be able to sell 150,000

1891

01:22:31,390 --> 01:22:29,620

books you wouldn't sell anywhere near

1892

01:22:35,470 --> 01:22:31,400

that amount today

1893

01:22:38,290 --> 01:22:35,480

it's really really crashing this guy

1894

01:22:40,900 --> 01:22:38,300

crash that's a classic sky quit well

1895

01:22:43,470 --> 01:22:40,910

that was the original word that dot dot

1896

01:22:45,580 --> 01:22:43,480

e dot Street yeah Brenda pop yeah yeah I

1897

01:22:48,190 --> 01:22:45,590

hear from her every once in a while on

1898

01:22:50,470 --> 01:22:48,200

Facebook she's lovely she is yeah yeah

1899

01:22:54,610 --> 01:22:50,480

yeah yeah I I tried to get her on the

1900

01:22:58,170 --> 01:22:54,620

show we did listen we did we did get we

1901

01:23:01,630 --> 01:22:58,180

dig deep here to get to get you know a

1902

01:23:05,560 --> 01:23:01,640

guests that haven't been on you know a

1903

01:23:08,350 --> 01:23:05,570

program either previously or are people

1904

01:23:10,330 --> 01:23:08,360

that you know have have been reclusive

1905

01:23:12,550 --> 01:23:10,340

and have been trying to stay away from

1906

01:23:15,040 --> 01:23:12,560

the the public eye for the look you know

1907

01:23:17,230 --> 01:23:15,050

the great number of years and we've

1908

01:23:20,290 --> 01:23:17,240

we've been successful where the voice of

1909

01:23:29,890 --> 01:23:20,300

the paranormal in the United States what

1910

01:23:32,410 --> 01:23:29,900

you say Tim the voice we have typically

1911

01:23:38,430 --> 01:23:32,420

a tip Schwartz of the US and Howard

1912

01:23:41,710 --> 01:23:38,440

Hughes in the UK the unexplained yeah

1913

01:23:45,460 --> 01:23:41,720

indeed yeah well I'd you're right though

1914

01:23:48,880 --> 01:23:45,470

Tim I mean we do try to find people that

1915

01:23:51,070 --> 01:23:48,890

haven't had a chance to to be on other

1916

01:23:54,670 --> 01:23:51,080

programs you know I I know they've been

1917

01:23:58,440 --> 01:23:54,680

overlooked or you know or whatever and

1918

01:24:07,330 --> 01:24:03,760

well on your show he's a ufologist here

1919

01:24:11,320 --> 01:24:07,340

and here near me actually he said area

1920

01:24:17,350 --> 01:24:11,330

what's the name again Tom Conwell Co and

1921

01:24:19,150 --> 01:24:17,360

wel he's written different books on UFOs

1922

01:24:21,610 --> 01:24:19,160

and stuff here and there in the United

1923

01:24:25,180 --> 01:24:21,620

States so yes we had a we had a fellow

1924

01:24:28,630 --> 01:24:25,190

on who wrote a book about UFO sightings

1925

01:24:31,060 --> 01:24:28,640

over Maine which always intrigued me

1926

01:24:34,060 --> 01:24:31,070

because there was an incident that took

1927

01:24:37,690 --> 01:24:34,070

place there in the 1960s where this

1928

01:24:40,380 --> 01:24:37,700

fellow actually shot at a UFO and he

1929

01:24:43,600 --> 01:24:40,390

could hear the the bullets ricocheting

1930

01:24:45,850 --> 01:24:43,610

off of the that was I think it Tim and

1931

01:24:48,430 --> 01:24:45,860

Langer yes which is what

1932

01:24:53,320 --> 01:24:48,440

at appropriate day for hitting anyone

1933

01:24:57,129 --> 01:24:53,330

phones yeah yeah finger hey I want to

1934

01:25:02,260 --> 01:24:57,139

ask Jack a question here before we run

1935

01:25:05,979 --> 01:25:02,270

out of time and have you ever gone to a

1936

01:25:08,500 --> 01:25:05,989

scene you know your group really not

1937

01:25:09,700 --> 01:25:08,510

expecting that much you know I mean I

1938

01:25:12,609 --> 01:25:09,710

know that even people have to fill out

1939

01:25:18,370 --> 01:25:12,619

all the format yeah you go into it just

1940

01:25:20,439 --> 01:25:18,380

like yeah well I usually but then it

1941

01:25:22,350 --> 01:25:20,449

just turns out to be like you know wow

1942

01:25:25,419 --> 01:25:22,360

this is like the most incredible

1943

01:25:29,020 --> 01:25:25,429

situation that we have ever seen before

1944

01:25:31,450 --> 01:25:29,030

yeah they actually was it's been a few

1945

01:25:33,820 --> 01:25:31,460

of those well it was a Springfield case

1946

01:25:35,439 --> 01:25:33,830

Springfield bass case where I really

1947

01:25:38,140 --> 01:25:35,449

just thought the guy was really having

1948

01:25:41,530 --> 01:25:38,150

some issues and wow we experienced

1949

01:25:42,729 --> 01:25:41,540

everything he did and I was that was the

1950

01:25:43,450 --> 01:25:42,739

one with the shadow figure and

1951

01:25:46,510 --> 01:25:43,460

everything else

1952

01:25:51,280 --> 01:25:46,520

and it's like I got grabbed by something

1953

01:25:53,859 --> 01:25:51,290

there and I'm on the calf of my leg yeah

1954

01:25:56,169 --> 01:25:53,869

it was that was a crazy we heard

1955

01:25:59,439 --> 01:25:56,179

somebody walking through the one

1956

01:26:01,450 --> 01:25:59,449

downstairs which was a guy's apartment

1957

01:26:03,370 --> 01:26:01,460

and his mother's in his mother's house

1958

01:26:04,600 --> 01:26:03,380

somebody walked down the stairs from the

1959

01:26:06,520 --> 01:26:04,610

kitchen walk all the way through the

1960

01:26:09,189 --> 01:26:06,530

room and there's nobody there nothing

1961

01:26:10,750 --> 01:26:09,199

was on the DVR camera as there are two

1962

01:26:13,600 --> 01:26:10,760

investigators who were in the downstairs

1963

01:26:14,800 --> 01:26:13,610

section heard it nobody walked through

1964

01:26:17,050 --> 01:26:14,810

there but you could hear us and you

1965

01:26:18,609 --> 01:26:17,060

could hear a woman humming and the

1966

01:26:22,060 --> 01:26:18,619

investigators heard it and one didn't

1967

01:26:24,189 --> 01:26:22,070

and you know it was it was Wiest that

1968

01:26:27,760 --> 01:26:24,199

was a crazy one that was like wow this

1969

01:26:30,399 --> 01:26:27,770

is real true haunting I mean something's

1970

01:26:32,470 --> 01:26:30,409

going on there and we were able to

1971

01:26:34,180 --> 01:26:32,480

figure out it wasn't anything serious at

1972

01:26:36,250 --> 01:26:34,190

least anyway but we experienced

1973

01:26:37,899 --> 01:26:36,260

everything he did and I would say the

1974

01:26:39,760 --> 01:26:37,909

Constitution was another one where we

1975

01:26:42,220 --> 01:26:39,770

had a lot of experiences on that ship

1976

01:26:44,260 --> 01:26:42,230

and and a lot of different things weird

1977

01:26:46,300 --> 01:26:44,270

things happen and and weren't really

1978

01:26:48,129 --> 01:26:46,310

expecting that you know I mean it's like

1979

01:26:51,669 --> 01:26:48,139

it's it's a Navy ship what are you ready

1980

01:26:54,250 --> 01:26:51,679

come on really I mean you know but we

1981

01:26:55,839 --> 01:26:54,260

validated a lot of stuff for the crew

1982

01:26:58,030 --> 01:26:55,849

that said yeah we're experiencing this

1983

01:26:59,500 --> 01:26:58,040

and then I was like wow oh you are

1984

01:27:01,390 --> 01:26:59,510

you're right you're are

1985

01:27:03,400 --> 01:27:01,400

so yeah I could say there's been quite a

1986

01:27:06,430 --> 01:27:03,410

few like that well now okay now when

1987

01:27:11,760 --> 01:27:06,440

when people bring you into some of these

1988

01:27:14,530 --> 01:27:11,770

cases do some of them expect you to like

1989

01:27:16,150 --> 01:27:14,540

put the activity to rest you know they

1990

01:27:17,260 --> 01:27:16,160

want you to come in there's like get rid

1991

01:27:17,590 --> 01:27:17,270

of all that stuff we don't want it

1992

01:27:19,330 --> 01:27:17,600

anymore

1993

01:27:21,640 --> 01:27:19,340

yeah that's what they do and we actually

1994

01:27:23,950 --> 01:27:21,650

work to do that it's not easy there's

1995

01:27:25,750 --> 01:27:23,960

like you always tell people because it's

1996

01:27:28,390 --> 01:27:25,760

it's a combination of things combination

1997

01:27:31,210 --> 01:27:28,400

of okay there is activity going on and

1998

01:27:32,920 --> 01:27:31,220

what I found based on the information

1999

01:27:36,130 --> 01:27:32,930

people give us and working with these

2000

01:27:39,100 --> 01:27:36,140

people is a lot of it has to do I

2001

01:27:41,020 --> 01:27:39,110

believe with things in their past they

2002

01:27:45,940 --> 01:27:41,030

have not dealt with that draws a lot of

2003

01:27:48,610 --> 01:27:45,950

this crazy energy to them okay it's like

2004

01:27:52,030 --> 01:27:48,620

the the the moth to the flame okay and

2005

01:27:54,280 --> 01:27:52,040

you have to help them I hope them more

2006

01:27:56,710 --> 01:27:54,290

get straightening out their lives in

2007

01:27:58,350 --> 01:27:56,720

order to keep this activity away and

2008

01:28:00,970 --> 01:27:58,360

there's things we can do we we do

2009

01:28:03,250 --> 01:28:00,980

different prayer things we do you know

2010

01:28:05,620 --> 01:28:03,260

saging we do a lot of things too and we

2011

01:28:08,229 --> 01:28:05,630

teach them some of that that's stuff and

2012

01:28:10,240 --> 01:28:08,239

tell them reconnect with whatever belief

2013

01:28:11,890 --> 01:28:10,250

system you you believe in you know I'm

2014

01:28:13,750 --> 01:28:11,900

not gonna tell you that oh it's only the

2015

01:28:14,110 --> 01:28:13,760

Catholic Way or it's only this way or

2016

01:28:15,670 --> 01:28:14,120

that way

2017

01:28:18,070 --> 01:28:15,680

hey everybody believes their own stuff

2018

01:28:19,870 --> 01:28:18,080

connect to that go for it and you know

2019

01:28:22,120 --> 01:28:19,880

keep in touch you know with that

2020

01:28:24,700 --> 01:28:22,130

spiritual side of yourself well that's

2021

01:28:27,580 --> 01:28:24,710

why that's why many years ago we decided

2022

01:28:29,890 --> 01:28:27,590

to call our little publishing company

2023

01:28:31,950 --> 01:28:29,900

inner light publications because you

2024

01:28:37,450 --> 01:28:31,960

must follow the paths that lead you to

2025

01:28:39,760 --> 01:28:37,460

whatever and the race exactly what I

2026

01:28:41,800 --> 01:28:39,770

tell these people these people are

2027

01:28:44,500 --> 01:28:41,810

people have problems and there's things

2028

01:28:46,570 --> 01:28:44,510

in their past they've never told anybody

2029

01:28:48,490 --> 01:28:46,580

that they'll tell you and these are bad

2030

01:28:50,320 --> 01:28:48,500

things the bad things had happened to

2031

01:28:52,660 --> 01:28:50,330

them and they never dealt with them and

2032

01:28:55,120 --> 01:28:52,670

I really believe that draws this kind of

2033

01:28:58,540 --> 01:28:55,130

crazy negative energy to them you know

2034

01:29:00,190 --> 01:28:58,550

and and I've seen people their lives

2035

01:29:03,400 --> 01:29:00,200

turn around because they'll listen to

2036

01:29:05,290 --> 01:29:03,410

you to go somebody talk to somebody deal

2037

01:29:08,590 --> 01:29:05,300

with these issues and then we'll go in

2038

01:29:09,970 --> 01:29:08,600

and we'll do our part to try to help get

2039

01:29:11,560 --> 01:29:09,980

things quiet you know and that take

2040

01:29:13,360 --> 01:29:11,570

months that's not something you do one

2041

01:29:15,010 --> 01:29:13,370

day this takes months to do

2042

01:29:17,260 --> 01:29:15,020

you know we have to keep going back a

2043

01:29:18,940 --> 01:29:17,270

lot of times you know and it's not a

2044

01:29:20,560 --> 01:29:18,950

one-and-done like I always tell them

2045

01:29:22,030 --> 01:29:20,570

there's no magic wand I can wave and

2046

01:29:24,250 --> 01:29:22,040

make everything go away it doesn't work

2047

01:29:26,380 --> 01:29:24,260

that way now are there any kind are

2048

01:29:30,190 --> 01:29:26,390

there any kind of cases that you refuse

2049

01:29:34,480 --> 01:29:30,200

to handle um no not yet not yet I mean

2050

01:29:37,750 --> 01:29:34,490

if I I do know of some friends of mine

2051

01:29:40,630 --> 01:29:37,760

who are real exorcists and they've told

2052

01:29:43,000 --> 01:29:40,640

me how to identify those real serious

2053

01:29:44,710 --> 01:29:43,010

types of cases and they've told me you

2054

01:29:47,020 --> 01:29:44,720

don't want to do that yourself if you

2055

01:29:49,810 --> 01:29:47,030

ever do you know come to them and they

2056

01:29:51,690 --> 01:29:49,820

know what to do you know and they don't

2057

01:29:54,810 --> 01:29:51,700

charge either but they know how to help

2058

01:29:58,480 --> 01:29:54,820

now you have you have two organizations

2059

01:30:06,400 --> 01:29:58,490

there that you're you're part of the one

2060

01:30:09,460 --> 01:30:06,410

is looking it's words of New England and

2061

01:30:12,940 --> 01:30:09,470

San Diego Ghost Hunters yep what would

2062

01:30:17,080 --> 01:30:12,950

they would they handle this type of work

2063

01:30:18,940 --> 01:30:17,090

differently know that the two teams I

2064

01:30:21,160 --> 01:30:18,950

mean our team spirit of New England San

2065

01:30:23,140 --> 01:30:21,170

Diego ghost hunters are are very similar

2066

01:30:25,180 --> 01:30:23,150

those my friends out in San Diego they

2067

01:30:28,150 --> 01:30:25,190

don't do too many client investigations

2068

01:30:30,700 --> 01:30:28,160

they do a lot of historical places so

2069

01:30:33,820 --> 01:30:30,710

that's a little bit different and they

2070

01:30:35,560 --> 01:30:33,830

run like you know events where people

2071

01:30:37,960 --> 01:30:35,570

can come and learn how to investigate

2072

01:30:39,940 --> 01:30:37,970

and things like that so that's a little

2073

01:30:41,920 --> 01:30:39,950

bit different but they're all good

2074

01:30:44,080 --> 01:30:41,930

people you know and they do try to help

2075

01:30:46,360 --> 01:30:44,090

other people at times when they can even

2076

01:30:49,900 --> 01:30:46,370

out in San Diego Wow well speaking of

2077

01:30:52,390 --> 01:30:49,910

speaking of speaking of learning yes we

2078

01:30:55,210 --> 01:30:52,400

want our listeners here in the last two

2079

01:30:57,820 --> 01:30:55,220

minutes of the show to learn how to it

2080

01:31:01,120 --> 01:30:57,830

they can get in touch with both of you

2081

01:31:05,530 --> 01:31:01,130

gentlemen so Jack why don't you tell us

2082

01:31:07,360 --> 01:31:05,540

where we can go to if we want to speak

2083

01:31:09,190 --> 01:31:07,370

with you well the best way to get a hold

2084

01:31:11,670 --> 01:31:09,200

of me actually probably is on Facebook

2085

01:31:14,160 --> 01:31:11,680

you can look up just Jack Kenna and

2086

01:31:19,420 --> 01:31:14,170

you'll find me right there on Facebook

2087

01:31:21,490 --> 01:31:19,430

and just message me there I actually

2088

01:31:23,170 --> 01:31:21,500

even have a phone number people can

2089

01:31:25,060 --> 01:31:23,180

reach me at if they really want to talk

2090

01:31:26,520 --> 01:31:25,070

or they need some assistance or just

2091

01:31:29,220 --> 01:31:26,530

have some questions

2092

01:31:33,390 --> 01:31:29,230

you can actually call me at 533 zero

2093

01:31:36,920 --> 01:31:33,400

zero two seven seven it's kind of yeah I

2094

01:31:38,250 --> 01:31:36,930

see we both contribute to a paranormal

2095

01:31:45,390 --> 01:31:38,260

underground

2096

01:31:49,620 --> 01:31:45,400

we've had you have you have how many

2097

01:31:50,880 --> 01:31:49,630

books now out I have currently my one

2098

01:31:53,070 --> 01:31:50,890

book that's out right now called

2099

01:31:55,500 --> 01:31:53,080

hauntings ghosts and demons which is

2100

01:31:57,810 --> 01:31:55,510

available on amazon.com and I have a

2101
01:32:01,260 --> 01:31:57,820
book coming out this June should be out

2102
01:32:03,330 --> 01:32:01,270
on the 28th called paranormal what did

2103
01:32:08,730 --> 01:32:03,340
they end up call my publisher called oh

2104
01:32:10,950 --> 01:32:08,740
yes paranormal research building a

2105
01:32:16,020 --> 01:32:10,960
comprehensive team or something like I

2106
01:32:20,760 --> 01:32:16,030
can't comprehend subscribe to building a

2107
01:32:22,350 --> 01:32:20,770
strong shipper by shipping which is one

2108
01:32:27,120 --> 01:32:22,360
of our favorite publishers they put out

2109
01:32:30,300 --> 01:32:27,130
some really nice-looking books and then

2110
01:32:33,000 --> 01:32:30,310
I want to go and watch more of your your

2111
01:32:35,310 --> 01:32:33,010
shows on YouTube how do I find you oh

2112
01:32:37,260 --> 01:32:35,320
the best way to get a hold of me via my

2113
01:32:39,210 --> 01:32:37,270

website which is called hospital porters

2114

01:32:45,930 --> 01:32:39,220

against the new world order it's a hate

2115

01:32:49,320 --> 01:32:45,940

people even if they're only two of them

2116

01:32:50,400 --> 01:32:49,330

currently that's right yeah you don't

2117

01:32:52,200 --> 01:32:50,410

have to cheat you don't have to be a

2118

01:32:52,950 --> 01:32:52,210

hospital porter against the alleged

2119

01:32:54,780 --> 01:32:52,960

Podesta Peter

2120

01:32:57,240 --> 01:32:54,790

yeah the website actually has a lot of

2121

01:32:58,800 --> 01:32:57,250

different bits to it in my youtube

2122

01:33:01,770 --> 01:32:58,810

channel as you mentioned my own radio

2123

01:33:03,150 --> 01:33:01,780

show hosts my own shows and I've got

2124

01:33:05,670 --> 01:33:03,160

books like Jack I've written a couple of

2125

01:33:07,170 --> 01:33:05,680

books there's one called Roswell rising

2126

01:33:09,390 --> 01:33:07,180

a novel of disclosure and Roswell

2127

01:33:11,750 --> 01:33:09,400

revealed a world after disclosure which

2128

01:33:14,010 --> 01:33:11,760

is all about the UFO crash retrieval

2129

01:33:15,870 --> 01:33:14,020

Exopolitics disclosure issue they're

2130

01:33:18,000 --> 01:33:15,880

fictional books but they're imaginary

2131

01:33:20,340 --> 01:33:18,010

stories about the the very very serious

2132

01:33:22,890 --> 01:33:20,350

subject so you get a copy that they're

2133

01:33:25,680 --> 01:33:22,900

10 pounds each on Amazon code at UK or

2134

01:33:26,880 --> 01:33:25,690

amazon.com and you couldn't pick one of

2135

01:33:29,100 --> 01:33:26,890

those up and there's a new one coming

2136

01:33:30,750 --> 01:33:29,110

out hopefully I won't probably won't get

2137

01:33:33,240 --> 01:33:30,760

it done but before Jack's new book but I

2138

01:33:36,720 --> 01:33:33,250

will still hopefully get my new book out

2139

01:33:39,330 --> 01:33:36,730

sometime this year I'm looking at well

2140

01:33:40,290 --> 01:33:39,340

and if we want to I know people will

2141

01:33:44,280 --> 01:33:40,300

want to see the

2142

01:33:45,899 --> 01:33:44,290

Duncan story if we go to Google that's

2143

01:33:47,850 --> 01:33:45,909

the easiest way what do we type in

2144

01:33:50,490 --> 01:33:47,860

what's the name of it it's just put in

2145

01:33:52,470 --> 01:33:50,500

her name is probably Helen Duncan hele n

2146

01:33:54,810 --> 01:33:52,480

and d UNC and you'll you'll come across

2147

01:33:56,520 --> 01:33:54,820

various videos and websites including my

2148

01:33:58,319 --> 01:33:56,530

own production so I've got a high

2149

01:34:01,709 --> 01:33:58,329

quality studio version of my original

2150

01:34:04,020 --> 01:34:01,719

Helen Duncan movie so I might go and

2151
01:34:05,939 --> 01:34:04,030
watch that this it's either that or

2152
01:34:08,580 --> 01:34:05,949
professional wrestling I don't know what

2153
01:34:11,129 --> 01:34:08,590
though and I went oh oh there's no

2154
01:34:14,310 --> 01:34:11,139
choice here but you know honestly it's a

2155
01:34:16,530 --> 01:34:14,320
pretty obvious choice if anyone's in the

2156
01:34:19,109 --> 01:34:16,540
vicinity of Manchester England it's on

2157
01:34:20,879 --> 01:34:19,119
Saturday evening you can come to the

2158
01:34:23,220 --> 01:34:20,889
original advice book community center

2159
01:34:24,689 --> 01:34:23,230
where I am doing a live talk about Helen

2160
01:34:28,049 --> 01:34:24,699
Duncan so you know she come on make me

2161
01:34:30,240 --> 01:34:28,059
and why don't you have somebody taped

2162
01:34:31,979 --> 01:34:30,250
that so you can send it around you know

2163
01:34:35,850 --> 01:34:31,989

I think they I think the organizers of

2164

01:34:39,240 --> 01:34:35,860

the event we love we'd love to sneak in

2165

01:34:41,580 --> 01:34:39,250

and see some of these private shows even

2166

01:34:43,319 --> 01:34:41,590

on YouTube you know even if only 45

2167

01:34:47,459 --> 01:34:43,329

people have watched it or something I

2168

01:34:50,250 --> 01:34:47,469

mean this weekend the weekend author is

2169

01:34:52,379 --> 01:34:50,260

that's the event so yeah and and when

2170

01:34:55,640 --> 01:34:52,389

Tim and I have been very busy have we

2171

01:34:57,839 --> 01:34:55,650

not Tim oh yes always busy we got the

2172

01:35:02,370 --> 01:34:57,849

have we come up with the title yet for

2173

01:35:04,890 --> 01:35:02,380

the hostility yeah I think I I think

2174

01:35:07,080 --> 01:35:04,900

it's it's I've upset to him about that

2175

01:35:11,540 --> 01:35:07,090

I'm sorry Tim but we do we've got the

2176

01:35:13,979 --> 01:35:11,550

bit about hostile UFOs coming out

2177

01:35:17,129 --> 01:35:13,989

sometime soon you're breaking it up a

2178

01:35:18,330 --> 01:35:17,139

little bit there Tim okay well okay now

2179

01:35:22,229 --> 01:35:18,340

right now I can hear you go ahead

2180

01:35:26,310 --> 01:35:22,239

god I was slouching in the in the

2181

01:35:28,950 --> 01:35:26,320

chair and yeah the weird winged wonders

2182

01:35:33,569 --> 01:35:28,960

that's our book on crypto the flying

2183

01:35:35,850 --> 01:35:33,579

cryptid creatures and hovering aliens

2184

01:35:38,030 --> 01:35:35,860

that can be seen outside your office

2185

01:35:41,939 --> 01:35:38,040

building or something in a quick glance

2186

01:35:44,720 --> 01:35:41,949

and that's a an excellent book and we

2187

01:35:48,330 --> 01:35:44,730

have another book it was it Hitler's

2188

01:35:50,879 --> 01:35:48,340

secret societies yeah well we'll have to

2189

01:35:51,660 --> 01:35:50,889

leave it affect him because we are out

2190

01:35:53,850 --> 01:35:51,670

of time

2191

01:35:56,490 --> 01:35:53,860
