14

00:01:29,530 --> 00:01:28,130

15

00:01:31,540 --> 00:01:29,540

18

00:01:38,740 --> 00:01:36,649

little body on the ground

19

00:01:42,490 --> 00:01:38,750

it's very strange I don't think this is

20

00:01:48,120 --> 00:01:42,500

this is from Earth at all Tim what do we

21

00:01:51,160 --> 00:01:48,130

do call the medics Tim that that was my

22

00:01:55,090 --> 00:01:51,170

\$500 drone that just crashed into the

23

00:01:56,890 --> 00:01:55,100

windmill oh well I don't know Tim it's a

24

00:02:00,190 --> 00:01:56,900

hundred years ago I don't think you had

25

00:02:02,200 --> 00:02:00,200

a drone then uh-huh any and anyway it's

26

00:02:05,800 --> 00:02:02,210

it's very is very peculiar very strange

27

00:02:09,249 --> 00:02:05,810

and but then again what are we hosting

28

00:02:12,970 --> 00:02:09,259

it's exploring the bazaar and we've got

29

00:02:16,600 --> 00:02:12,980

a real strange one tonight oh I'm

30

00:02:19,000 --> 00:02:16,610

looking forward to this I just love UFO

31

00:02:22,120 --> 00:02:19,010

shows I feel right at home

32

00:02:24,970 --> 00:02:22,130

just like I landed here in a spaceship

33

00:02:26,229 --> 00:02:24,980

did I land here in a spaceship my

34

00:02:30,100 --> 00:02:26,239

goodness you know I might have done that

35

00:02:32,710 --> 00:02:30,110

I came in right after Roswell or maybe

36

00:02:35,620 --> 00:02:32,720

right before Roswell or on the day of

37

00:02:39,400 --> 00:02:35,630

Roswell maybe I should be somewhere else

38

00:02:42,490 --> 00:02:39,410

but I'm here now and it's a it's there

39

00:02:45,789 --> 00:02:42,500

it's Thursday night well it is now when

40

00:02:47,680 --> 00:02:45,799

41

00:02:51,220 --> 00:02:47,690

fascinating guests on tonight and we're

42

00:02:54,460 --> 00:02:51,230

going to get go deep into

43

00:02:55,479 --> 00:02:54,470

the UFO mystery like we've never done

44

00:02:57,970 --> 00:02:55,489

before

45

00:03:00,339 --> 00:02:57,980

no that's right we've never done it

46

00:03:04,210 --> 00:03:00,349

before but I'm still I'm still upset

47

00:03:06,160 --> 00:03:04,220

about my my new \$500 drone talent but I

48

00:03:07,449 --> 00:03:06,170

I just I don't know if I can make it

49

00:03:12,400 --> 00:03:07,459

through the rest of the show now I'm

50

00:03:15,039 --> 00:03:12,410

just so verklempt yeah we'll we'll look

51
00:03:19,690 --> 00:03:15,049

52
00:03:21,670 --> 00:03:19,700
thanks but in the meantime we got out of

53
00:03:26,339 --> 00:03:21,680
this evening oh we've got great guests

54
00:03:30,640 --> 00:03:26,349
tonight just so happy we we have with us

55
00:03:34,059 --> 00:03:30,650
Carrie trent haggard and kathleen Mardon

56
00:03:37,750 --> 00:03:34,069
who's been on the show several times so

57
00:03:40,300 --> 00:03:37,760
it's just really great to have these two

58
00:03:45,580 --> 00:03:40,310
fantastic people now Carrie Trent

59
00:03:48,789 --> 00:03:45,590
Haggard he is a devoted antique car

60
00:03:53,020 --> 00:03:48,799
collector judge and restore for the

61
00:03:55,599 --> 00:03:53,030
better part of 25 years now Carrie is

62
00:03:56,860 --> 00:03:55,609
the founder writer and host of wheels of

63
00:04:00,280 --> 00:03:56,870

the past productions

64

00:04:02,830 --> 00:04:00,290

based in Beaver Falls Pennsylvania he's

65

00:04:07,059 --> 00:04:02,840

a longtime enthusiast of classic horror

66

00:04:09,690 --> 00:04:07,069

and UFOs Carrie first learned of the

67

00:04:12,640 --> 00:04:09,700

Aurora Texas alien crash which we were

68

00:04:16,569 --> 00:04:12,650

talking about earlier in the show and

69

00:04:22,120 --> 00:04:16,579

making a wish I lost my my brand-new

70

00:04:24,909 --> 00:04:22,130

drone he learned about this crash from a

71

00:04:27,700 --> 00:04:24,919

friend and Texas native John Cochran in

72

00:04:29,320 --> 00:04:27,710

the summer of 2015 now due to an

73

00:04:32,170 --> 00:04:29,330

incident which Kerry witnessed during

74

00:04:34,390 --> 00:04:32,180

his childhood of a flying saucer landing

75

00:04:36,370 --> 00:04:34,400

in his small hometown no one asked him

76

00:04:38,320 --> 00:04:36,380

about that the story hit him with such

77

00:04:40,330 --> 00:04:38,330

passion that he had John spent the next

78

00:04:42,610 --> 00:04:40,340

several months working day and night to

79

00:04:45,089 --> 00:04:42,620

form an outline for a screenplay based

80

00:04:47,770 --> 00:04:45,099

on the fictional hunt for the buried

81

00:04:51,760 --> 00:04:47,780

extraterrestrial 100 years later from

82

00:04:56,469 --> 00:04:51,770

there it grew into the novel traveler

83

00:04:59,200 --> 00:04:56,479

which we were talking about tonight with

84

00:05:00,430 --> 00:04:59,210

mr. Haggard now of course with this is

85

00:05:02,740 --> 00:05:00,440

Kathleen Mardon

86

00:05:05,080 --> 00:05:02,750

Kathleen is a leading UFO researcher

87

00:05:07,750 --> 00:05:05,090

author and lecturer or educational

88

00:05:09,879 --> 00:05:07,760

and the social scientist Sciences has

89

00:05:11,050 --> 00:05:09,889

shaped her interest in scientific

90

00:05:13,060 --> 00:05:11,060

ufology

91

00:05:15,310 --> 00:05:13,070

she's lectured nationally and

92

00:05:18,189 --> 00:05:15,320

internationally and is a frequent guest

93

00:05:21,490 --> 00:05:18,199

on radio shows such as exploring the

94

00:05:22,990 --> 00:05:21,500

bizarre now many know Kathleen as the

95

00:05:24,760 --> 00:05:23,000

niece of Betty and Barney Hill whose

96

00:05:28,180 --> 00:05:24,770

close encounter and UFO abduction in

97

00:05:29,980 --> 00:05:28,190

1961 stirred worldwide interest and she

98

00:05:33,250 --> 00:05:29,990

researched the hills controversial case

99

00:05:35,500 --> 00:05:33,260

leaving no stone unturned to separate

100

00:05:38,770 --> 00:05:35,510

fact from fiction this led to a new

101
00:05:41,050 --> 00:05:38,780
passion for the ufological truth and the

102
00:05:43,060 --> 00:05:41,060
publication of her books with nuclear

103
00:05:45,340 --> 00:05:43,070
physicist scientist you apologist

104
00:05:48,310 --> 00:05:45,350
Stanton Friedman that book was captured

105
00:05:50,890 --> 00:05:48,320
the Betty and Barney Hill UFO experience

106
00:05:53,740 --> 00:05:50,900
now she also wrote science was wrong and

107
00:05:55,780 --> 00:05:53,750
fact fiction and flying saucers

108
00:05:57,909 --> 00:05:55,790
she's also the co-author of the alien

109
00:06:00,100 --> 00:05:57,919
abduction files with Denise stoner and

110
00:06:02,590 --> 00:06:00,110
she has expanded her work to include the

111
00:06:04,870 --> 00:06:02,600
investigation of contact with non-human

112
00:06:06,969 --> 00:06:04,880
entities the perplexing phenomena

113
00:06:08,860 --> 00:06:06,979

related to it the history of government

114

00:06:11,529 --> 00:06:08,870

involvement in the investigation and

115

00:06:13,060 --> 00:06:11,539

study of UFOs and the cover-up the

116

00:06:15,640 --> 00:06:13,070

commonalities that experienced your

117

00:06:17,770 --> 00:06:15,650

share and consciousness studies so

118

00:06:19,600 --> 00:06:17,780

Kathleen Kerry thank you very much for

119

00:06:23,500 --> 00:06:19,610

being with us tonight on exploring the

120

00:06:27,490 --> 00:06:23,510

bizarre it's a pleasure to be back you

121

00:06:30,219 --> 00:06:27,500

know just like right yeah just like I

122

00:06:38,200 --> 00:06:30,229

said we could have cut that down to one

123

00:06:40,540 --> 00:06:38,210

word UFOs III Matt just ass Kerry I

124

00:06:43,240 --> 00:06:40,550

first heard about the Aurora incident

125

00:06:46,089 --> 00:06:43,250

and of course it's a very controversial

126
00:06:49,540 --> 00:06:46,099
one there are some that say yeah it was

127
00:06:52,600 --> 00:06:49,550
indeed a legitimate UFO crash while

128
00:06:56,219 --> 00:06:52,610
others say well it's just an urban

129
00:06:59,730 --> 00:06:56,229
legend that has grown over the years but

130
00:07:02,680 --> 00:06:59,740
one of the first investigators of this

131
00:07:05,260 --> 00:07:02,690
case was a gentleman who just passed

132
00:07:10,029 --> 00:07:05,270
away within the last year by name a

133
00:07:11,620 --> 00:07:10,039
Hayden Hughes now Hayden Hughes who

134
00:07:13,060 --> 00:07:11,630
happens to do you know Tim that Hayden

135
00:07:15,820 --> 00:07:13,070
Hughes who of course was the UFO

136
00:07:18,970 --> 00:07:15,830
investigator and put out a very sharp

137
00:07:22,420 --> 00:07:18,980
magazine for its time was also a

138
00:07:27,430 --> 00:07:22,430

a music manager and booking agent and he

139

00:07:29,350 --> 00:07:27,440

was Shawn castles manager for a while

140

00:07:32,310 --> 00:07:29,360

back when him and Shawn was there

141

00:07:35,620 --> 00:07:32,320

playing folk music they're both from

142

00:07:40,300 --> 00:07:35,630

Oklahoma but it always struck me as

143

00:07:43,440 --> 00:07:40,310

being a very of course very unusual case

144

00:07:46,120 --> 00:07:43,450

and one that involved not only a downed

145

00:07:50,560 --> 00:07:46,130

craft possibly from another planet but

146

00:07:54,700 --> 00:07:50,570

we also had here the remains long before

147

00:07:59,410 --> 00:07:54,710

Roswell of a an alien bit as opposed to

148

00:08:03,100 --> 00:07:59,420

alien there being and so now Kari have

149

00:08:06,840 --> 00:08:03,110

it how did you first get hooked on on

150

00:08:09,400 --> 00:08:06,850

this I mean it it seems like a rather

151

00:08:11,230 --> 00:08:09,410

well well let's start out perhaps with

152

00:08:13,380 --> 00:08:11,240

your own UFO incident obviously that

153

00:08:16,720 --> 00:08:13,390

must have had something to do with it

154

00:08:19,000 --> 00:08:16,730

well I grew up in a little town in North

155

00:08:20,730 --> 00:08:19,010

Georgia called commerce it's between

156

00:08:28,030 --> 00:08:20,740

Atlanta and Greenville South Carolina

157

00:08:30,550 --> 00:08:28,040

and in 1970 during the great UFO wave of

158

00:08:33,790 --> 00:08:30,560

1973 with all these sightings all all

159

00:08:36,850 --> 00:08:33,800

around the country and the in Georgia my

160

00:08:39,940 --> 00:08:36,860

father was a staunch follower of the

161

00:08:42,880 --> 00:08:39,950

local police department so he had a one

162

00:08:45,700 --> 00:08:42,890

of those realistic brand scanners beside

163

00:08:47,680 --> 00:08:45,710

his chair that ran day and night and

164

00:08:51,970 --> 00:08:47,690

there'd been chatter for weeks probably

165

00:08:53,980 --> 00:08:51,980

months of low-flying craft in the area

166

00:08:58,120 --> 00:08:53,990

people getting all frantic and calling

167

00:09:01,960 --> 00:08:58,130

in it well one night the the little

168

00:09:05,710 --> 00:09:01,970

piddy squawk box went crazy about low

169

00:09:08,530 --> 00:09:05,720

flying craft flaming object setting down

170

00:09:10,630 --> 00:09:08,540

at the Medical Center clinic there been

171

00:09:13,810 --> 00:09:10,640

calls from all over coming in with

172

00:09:17,080 --> 00:09:13,820

police and the clinic they were talking

173

00:09:19,000 --> 00:09:17,090

about was the same parking lot clinic

174

00:09:22,710 --> 00:09:19,010

next to the hospital that my mother

175

00:09:25,900 --> 00:09:22,720

worked at she'd been a nurse since 1955

176
00:09:27,610 --> 00:09:25,910
so me and her went barreling over there

177
00:09:29,200 --> 00:09:27,620
of course I'm nine years old but I'm

178
00:09:31,900 --> 00:09:29,210
jumping up and down saying okay we gotta

179
00:09:32,410 --> 00:09:31,910
go see about this and so we get in her

180
00:09:35,560 --> 00:09:32,420
night

181
00:09:37,509 --> 00:09:35,570
69 green panel station wagon and go

182
00:09:39,550 --> 00:09:37,519
tearing off over there and there's a

183
00:09:41,800 --> 00:09:39,560
fire truck and there's two police cars

184
00:09:42,850 --> 00:09:41,810
and there's four or five of the cars

185
00:09:46,000 --> 00:09:42,860
they've probably heard the same

186
00:09:47,769 --> 00:09:46,010
broadcast what we did but there was no

187
00:09:50,889 --> 00:09:47,779
UFO in the parking lot but what it was

188
00:09:53,530 --> 00:09:50,899

amazing was there was about a 30-foot

189

00:09:56,860 --> 00:09:53,540

circle in the corner of the parking lot

190

00:10:01,629 --> 00:09:56,870

that was like smoldering hot in the ass

191

00:10:05,259 --> 00:10:01,639

way Wow yep okay I mean I'm impressed

192

00:10:10,319 --> 00:10:05,269

should I be impressed and all around it

193

00:10:13,870 --> 00:10:10,329

were drips of molten metal like a silver

194

00:10:15,970 --> 00:10:13,880

or LED it dripped into the parking lot

195

00:10:18,129 --> 00:10:15,980

and this is not something that you hear

196

00:10:19,180 --> 00:10:18,139

about it's something that I saw with my

197

00:10:22,509 --> 00:10:19,190

own two eyes

198

00:10:25,900 --> 00:10:22,519

yeah this should be right up there you

199

00:10:28,780 --> 00:10:25,910

know and well did anybody investigate it

200

00:10:30,430 --> 00:10:28,790

I mean you're obviously nine years old

201
00:10:32,560 --> 00:10:30,440
but I don't think you were a member of

202
00:10:36,280 --> 00:10:32,570
nycap wrapper or the mutual UFO network

203
00:10:38,949 --> 00:10:36,290
at that time well here's the kicker my

204
00:10:41,880 --> 00:10:38,959
mom came home from work on Monday this

205
00:10:44,949 --> 00:10:41,890
was probably on Thursday or Friday and

206
00:10:47,590 --> 00:10:44,959
word have got around people had been

207
00:10:48,819 --> 00:10:47,600
going to see it for several days you

208
00:10:50,740 --> 00:10:48,829
know everybody's going over there

209
00:10:53,230 --> 00:10:50,750
looking at this big burnt circle in the

210
00:10:55,960 --> 00:10:53,240
parking lot where obviously something

211
00:10:58,800 --> 00:10:55,970
that put out a lot of heat sat down and

212
00:11:01,780 --> 00:10:58,810
took off again and my mom come home all

213
00:11:03,970 --> 00:11:01,790

flustered on Monday and she said you'll

214

00:11:12,630 --> 00:11:03,980

never believe what they did and I said

215

00:11:15,250 --> 00:11:12,640

what she said they repaved the entire so

216

00:11:18,100 --> 00:11:15,260

now you got to remember in the Bible

217

00:11:20,920 --> 00:11:18,110

Belt south or on a Saturday night Sunday

218

00:11:24,160 --> 00:11:20,930

morning nobody's out doing anything well

219

00:11:26,230 --> 00:11:24,170

this asphalt crew moved in there early

220

00:11:28,720 --> 00:11:26,240

Sunday morning before the good folks of

221

00:11:34,530 --> 00:11:28,730

Commerce was out and about the parking

222

00:11:37,629 --> 00:11:34,540

lot had been completely rias faulted Wow

223

00:11:40,600 --> 00:11:37,639

did did this get any kind of attention

224

00:11:44,380 --> 00:11:40,610

in the media I mean it was another local

225

00:11:46,150 --> 00:11:44,390

radio it was a local newspaper now this

226

00:11:49,240 --> 00:11:46,160

was the time this was a time

227

00:11:52,390 --> 00:11:49,250

in Daniels Vail Georgia which is 12

228

00:11:54,460 --> 00:11:52,400

miles from commerce same year 1973 July

229

00:11:58,300 --> 00:11:54,470

I think July first

230

00:12:00,400 --> 00:11:58,310

there was a documented landing whether

231

00:12:03,400 --> 00:12:00,410

there were witnesses that actually saw

232

00:12:06,880 --> 00:12:03,410

the craft land in Daniels Vail like I

233

00:12:09,400 --> 00:12:06,890

said 12 miles away in July of 73 so I

234

00:12:12,400 --> 00:12:09,410

imagine this I don't know when this was

235

00:12:14,850 --> 00:12:12,410

but I know that it was in 73 and I would

236

00:12:18,160 --> 00:12:14,860

imagine it was a month or two before

237

00:12:20,800 --> 00:12:18,170

before or after this happened and it was

238

00:12:24,810 --> 00:12:20,810

the same during the same period where

239

00:12:28,120 --> 00:12:24,820

three Atlanta television news crew

240

00:12:32,320 --> 00:12:28,130

captured flying saucers flying objects

241

00:12:36,090 --> 00:12:32,330

on some of their cameras that were that

242

00:12:38,530 --> 00:12:36,100

were reported on the Atlanta TV news

243

00:12:41,920 --> 00:12:38,540

well Tim Tim wouldn't you say that

244

00:12:45,240 --> 00:12:41,930

that's a pretty doggone well-documented

245

00:12:47,290 --> 00:12:45,250

the case I'd be more than

246

00:12:49,810 --> 00:12:47,300

research even though it's quite a few

247

00:12:52,210 --> 00:12:49,820

years ago oh yeah yeah well I mean I

248

00:12:55,600 --> 00:12:52,220

wish that and who knows I mean you know

249

00:12:59,560 --> 00:12:55,610

somebody may have gotten a a picture of

250

00:13:02,770 --> 00:12:59,570

this bird asphalt or maybe even scooped

251

00:13:05,590 --> 00:13:02,780

up some of that that molten sir was

252

00:13:08,200 --> 00:13:05,600

molten metal that was surrounding it I

253

00:13:09,610 --> 00:13:08,210

mean it would be oh my gosh if somebody

254

00:13:12,490 --> 00:13:09,620

could produce that that would be

255

00:13:16,420 --> 00:13:12,500

fantastic Ted Ted Ted Phillips would go

256

00:13:18,340 --> 00:13:16,430

crazy get that yeah especially in those

257

00:13:23,710 --> 00:13:18,350

days when he was actively I guess he had

258

00:13:25,240 --> 00:13:23,720

about 400 physical trace up you know

259

00:13:28,600 --> 00:13:25,250

material from physical traces where

260

00:13:30,100 --> 00:13:28,610

these things have landed you know there

261

00:13:33,130 --> 00:13:30,110

and you know there aren't too many cases

262

00:13:35,770 --> 00:13:33,140

I could think of a handful where these

263

00:13:38,920 --> 00:13:35,780

things actually land on you know a

264

00:13:41,680 --> 00:13:38,930

concrete or asphalt usually they land in

265

00:13:42,850 --> 00:13:41,690

a field there where you you're lucky if

266

00:13:47,410 --> 00:13:42,860

you could find a little baby bird

267

00:13:48,760 --> 00:13:47,420

attached of a grass or or or something I

268

00:13:52,030 --> 00:13:48,770

do remember though that there was a

269

00:13:53,410 --> 00:13:52,040

major case and I think it was Virginia

270

00:13:58,150 --> 00:13:53,420

and I couldn't tell you the day that

271

00:14:00,040 --> 00:13:58,160

this point but it was a top shaped UFO

272

00:14:02,650 --> 00:14:00,050

and it landed in the

273

00:14:05,229 --> 00:14:02,660

of the the highway and Block B of the

274

00:14:07,780 --> 00:14:05,239

road for a few minutes and left some

275

00:14:09,639 --> 00:14:07,790

impression and the in the ground and

276

00:14:12,309 --> 00:14:09,649

then of course you have you know the

277

00:14:16,059 --> 00:14:12,319

cash Landrum a case which we have a

278

00:14:20,139 --> 00:14:16,069

delve into in our book a UFO hostilities

279

00:14:23,919 --> 00:14:20,149

and the evil alien agenda that just came

280

00:14:25,869 --> 00:14:23,929

out a week or so ago now have the same

281

00:14:27,669 --> 00:14:25,879

sort of thing happened in the cache

282

00:14:31,449 --> 00:14:27,679

random case where this object came down

283

00:14:35,559 --> 00:14:31,459

and very close to the the witnesses and

284

00:14:36,879 --> 00:14:35,569

even burnt them severely I mean in the

285

00:14:38,979 --> 00:14:36,889

book we have photographs of the

286

00:14:41,439 --> 00:14:38,989

witnesses after they lost their hair and

287

00:14:43,479 --> 00:14:41,449

their your hand is all burnt but also

288

00:14:45,999 --> 00:14:43,489

this this thing burnt the [h__h] on the

289

00:14:51,699 --> 00:14:46,009

highway and and the road crew came out

290

00:14:53,259 --> 00:14:51,709

and and black black topped it over seems

291

00:14:55,900 --> 00:14:53,269

to me the case that you were referring

292

00:14:57,850 --> 00:14:55,910

to earlier with the tops a top shaped

293

00:14:59,470 --> 00:14:57,860

UFO flying over the road it was a

294

00:15:02,710 --> 00:14:59,480

similar situation we're not too long

295

00:15:03,939 --> 00:15:02,720

afterwards the road crew came out and

296

00:15:09,160 --> 00:15:03,949

replaced the asphalt

297

00:15:11,650 --> 00:15:09,170

I says as soon as Kerry said that his

298

00:15:13,869 --> 00:15:11,660

mom came home on a Monday and was

299

00:15:17,019 --> 00:15:13,879

visibly upset I you know I could have

300

00:15:19,210 --> 00:15:17,029

told them the rest of the story yeah

301
00:15:22,509 --> 00:15:19,220
because I've heard I've heard that that

302
00:15:22,900 --> 00:15:22,519
same scenario time and time again there

303
00:15:24,489 --> 00:15:22,910
you go

304
00:15:26,169 --> 00:15:24,499
alright well Tim why don't you wanted to

305
00:15:29,759 --> 00:15:26,179
continue on with our guests and let's

306
00:15:32,379 --> 00:15:29,769
let's tell the a deeper into his

307
00:15:35,499 --> 00:15:32,389
interest in the subject and and get up

308
00:15:39,340 --> 00:15:35,509
to the to the incident there in that

309
00:15:42,879 --> 00:15:39,350
Texas where the windmill was a struck by

310
00:15:45,100 --> 00:15:42,889
the UFO and alien was left behind on the

311
00:15:47,139 --> 00:15:45,110
the ground I guess I'm pretty bad a

312
00:15:55,929 --> 00:15:47,149
tradition I don't remember you just told

313
00:15:58,269 --> 00:15:55,939

a little story there Tim well I just I

314

00:16:01,179 --> 00:15:58,279

just have to say Kerry that this

315

00:16:03,909 --> 00:16:01,189

incident I mean that had to have made a

316

00:16:06,280 --> 00:16:03,919

lasting impression on you I mean you

317

00:16:08,169 --> 00:16:06,290

know most people the closest they ever

318

00:16:09,639 --> 00:16:08,179

come to something like that is seen you

319

00:16:12,039 --> 00:16:09,649

know like maybe you're vague lights of

320

00:16:13,600 --> 00:16:12,049

the sky but they're you and your dad

321

00:16:18,509 --> 00:16:13,610

were not too long after it

322

00:16:22,660 --> 00:16:18,519

landed and seen the physical evidence

323

00:16:25,840 --> 00:16:22,670

yeah ever since that moment I was a firm

324

00:16:27,970 --> 00:16:25,850

believer in the enigma of flying saucers

325

00:16:31,150 --> 00:16:27,980

and extraterrestrials I mean there was

326

00:16:34,000 --> 00:16:31,160

no doubt that something in the in the

327

00:16:36,940 --> 00:16:34,010

very brief time that frantic phone calls

328

00:16:38,560 --> 00:16:36,950

came in to the police and we made it

329

00:16:40,569 --> 00:16:38,570

over there which is only a couple of

330

00:16:44,829 --> 00:16:40,579

miles you know you're talking seven a

331

00:16:46,840 --> 00:16:44,839

and it's it was gone so something

332

00:16:52,480 --> 00:16:46,850

something landed and took off again in a

333

00:16:55,360 --> 00:16:52,490

very short time I believed I've been a

334

00:16:57,040 --> 00:16:55,370

believer and when I and I've you know

335

00:16:59,199 --> 00:16:57,050

I've heard about Roswell studied about

336

00:17:01,449 --> 00:16:59,209

Roswell watch documentaries and read

337

00:17:03,419 --> 00:17:01,459

books on Roswell all my life but I've

338

00:17:09,549 --> 00:17:03,429

never heard anything about Aurora and

339

00:17:11,590 --> 00:17:09,559

like I said in 2015 my co-author was and

340

00:17:13,990 --> 00:17:11,600

into Ty Lee just a good friend

341

00:17:16,449 --> 00:17:14,000

we were we were walking threat one day

342

00:17:18,789 --> 00:17:16,459

and he said he said you ever hear about

343

00:17:20,500 --> 00:17:18,799

a little alien that got killed in Texas

344

00:17:22,870 --> 00:17:20,510

and buried in the local cemetery and I

345

00:17:26,590 --> 00:17:22,880

said no and that's really how it started

346

00:17:29,970 --> 00:17:26,600

he told me about it I watched the

347

00:17:34,299 --> 00:17:29,980

episode of ancient aliens where they

348

00:17:37,810 --> 00:17:34,309

highlighted it and told the story and he

349

00:17:40,150 --> 00:17:37,820

had been I've been documenting some some

350

00:17:43,720 --> 00:17:40,160

of the tales from his past some of the

351
00:17:45,549 --> 00:17:43,730
tales from my past to do something with

352
00:17:47,080 --> 00:17:45,559
to make some kind of screenplay either

353
00:17:49,539 --> 00:17:47,090
but I didn't know where I was going with

354
00:17:53,680 --> 00:17:49,549
it and once I started researching the

355
00:17:57,210 --> 00:17:53,690
Aurora incident I decided to weave it

356
00:18:01,659 --> 00:17:57,220
all together and make a two part

357
00:18:03,850 --> 00:18:01,669
screenplay the first part is 1897 which

358
00:18:07,120 --> 00:18:03,860
I tried to make as historically accurate

359
00:18:13,690 --> 00:18:07,130
as possible with what little there is to

360
00:18:15,640 --> 00:18:13,700
go on from the newspaper reports and in

361
00:18:19,990 --> 00:18:15,650
a conversation I had with Jim Marrs

362
00:18:23,380 --> 00:18:20,000
couple years ago and and some other you

363
00:18:26,970 --> 00:18:23,390

know in research that idea in the we

364

00:18:29,070 --> 00:18:26,980

can't we can't we kept just the four

365

00:18:33,210 --> 00:18:29,080

exactly what happened you have the date

366

00:18:36,780 --> 00:18:33,220

and in the time of day and set it up for

367

00:18:44,130 --> 00:18:36,790

us here all right 6:00 a.m. April 17

368

00:18:47,700 --> 00:18:44,140

1897 a single alien craft small maybe 15

369

00:18:51,240 --> 00:18:47,710

17 feet long clipped the edge of a

370

00:18:53,580 --> 00:18:51,250

fast-moving windmill in Aurora Texas 20

371

00:18:57,570 --> 00:18:53,590

miles north of Fort Worth and slammed

372

00:18:59,910 --> 00:18:57,580

into the town's look-the the local towns

373

00:19:02,700 --> 00:18:59,920

water tower well the water tower

374

00:19:07,980 --> 00:19:02,710

exploded and the craft shattered to the

375

00:19:10,110 --> 00:19:07,990

ground this single alien was dead

376

00:19:14,400 --> 00:19:10,120

chorus it probably woke up the entire

377

00:19:18,660 --> 00:19:14,410

community they went out they found he em

378

00:19:22,170 --> 00:19:18,670

they hauled off the ship they buried him

379

00:19:24,270 --> 00:19:22,180

in the local cemetery that's basically

380

00:19:28,890 --> 00:19:24,280

the nuts and bolts of the story it was

381

00:19:33,320 --> 00:19:28,900

reported that a Air Corps officer that

382

00:19:35,760 --> 00:19:33,330

was or US Army Signal service guy

383

00:19:37,650 --> 00:19:35,770

claimed that he was from the planet Mars

384

00:19:41,400 --> 00:19:37,660

will of course back then they thought

385

00:19:43,440 --> 00:19:41,410

every thing that like that was from the

386

00:19:45,360 --> 00:19:43,450

planet Mars but they didn't know what

387

00:19:49,170 --> 00:19:45,370

they did know is they did know that he

388

00:19:52,860 --> 00:19:49,180

was not from this world what did he look

389

00:19:56,850 --> 00:19:52,870

like he he looked like your typical gray

390

00:20:01,520 --> 00:19:56,860

he was small had no hair the large

391

00:20:05,430 --> 00:20:01,530

protruding eyes bright silver metallic

392

00:20:11,030 --> 00:20:05,440

suit he was your typical gray probably a

393

00:20:16,350 --> 00:20:11,040

scout probably a you know a single scout

394

00:20:19,680 --> 00:20:16,360

but this was 50 years before Roswell so

395

00:20:22,380 --> 00:20:19,690

I tried to write in and nobody knew

396

00:20:24,870 --> 00:20:22,390

anything about about all this nobody

397

00:20:26,940 --> 00:20:24,880

this was a time when only birds flew in

398

00:20:28,800 --> 00:20:26,950

the sky so what I tried to do in the

399

00:20:30,390 --> 00:20:28,810

novel and and the screenplay was written

400

00:20:31,650 --> 00:20:30,400

before the novel but then the novel came

401
00:20:33,180 --> 00:20:31,660
about because everybody loved the

402
00:20:36,240 --> 00:20:33,190
screenplay and they said oh you gotta

403
00:20:39,390 --> 00:20:36,250
expand this into the novel I tried to

404
00:20:40,620 --> 00:20:39,400
write and get into detail of the

405
00:20:43,620 --> 00:20:40,630
characters

406
00:20:45,630 --> 00:20:43,630
from 1897 that would be involved and yes

407
00:20:48,600 --> 00:20:45,640
what they would think how they would

408
00:20:51,270 --> 00:20:48,610
react how they would cope with the the

409
00:20:54,030 --> 00:20:51,280
the knowledge and the realization that

410
00:20:56,010 --> 00:20:54,040
this was an extraterrestrial from

411
00:20:57,900 --> 00:20:56,020
another planet from another world that

412
00:21:02,730 --> 00:20:57,910
crashed into their little bitty tiny

413
00:21:05,940 --> 00:21:02,740

town of like 219 residents now did they

414

00:21:07,560 --> 00:21:05,950

give him a proper burial yes he was

415

00:21:09,750 --> 00:21:07,570

buried in the local cemetery with

416

00:21:14,640 --> 00:21:09,760

Christian rights as reported in the

417

00:21:17,910 --> 00:21:14,650

newspaper and as far as most people know

418

00:21:21,120 --> 00:21:17,920

he is still buried there to this day now

419

00:21:24,540 --> 00:21:21,130

they've been when UPI picked up the

420

00:21:27,210 --> 00:21:24,550

story that was long forgotten in 1973

421

00:21:29,400 --> 00:21:27,220

people went running out there with picks

422

00:21:33,390 --> 00:21:29,410

and shovels ready to dig him up the

423

00:21:33,720 --> 00:21:33,400

local Aurora City Council put a stop to

424

00:21:36,030 --> 00:21:33,730

it

425

00:21:39,750 --> 00:21:36,040

put armed guards in the cemetery at

426
00:21:41,880 --> 00:21:39,760
night to keep people away and then of

427
00:21:45,440 --> 00:21:41,890
course the hoop log finally died down

428
00:21:48,750 --> 00:21:45,450
but they have took sonar and

429
00:21:52,680 --> 00:21:48,760
ground-penetrating radar and there is a

430
00:21:55,350 --> 00:21:52,690
small body buried in this in this it's

431
00:21:58,140 --> 00:21:55,360
you know it's very been ironed 21 years

432
00:22:00,990 --> 00:21:58,150
now and so but there's something there's

433
00:22:07,500 --> 00:22:01,000
a small grave in the spot where he

434
00:22:10,890 --> 00:22:07,510
reported he was buried there was a there

435
00:22:13,200 --> 00:22:10,900
was actually a tombstone there that

436
00:22:16,920 --> 00:22:13,210
somebody uh took off with originally

437
00:22:20,060 --> 00:22:16,930
right yeah and there's so many theories

438
00:22:23,010 --> 00:22:20,070

about what happened to the tombstone it

439

00:22:25,710 --> 00:22:23,020

it was there it was probably put there

440

00:22:31,110 --> 00:22:25,720

in 1897 when it happened and it was

441

00:22:35,970 --> 00:22:31,120

still there in 1973 but in 73 when all

442

00:22:37,620 --> 00:22:35,980

this excitement got to going well we

443

00:22:40,020 --> 00:22:37,630

carry we need to interrupt you here

444

00:22:42,480 --> 00:22:40,030

because we have some stolen time of our

445

00:22:44,710 --> 00:22:42,490

own as we go to our break so stay tuned

446

00:22:51,490 --> 00:22:44,720

we'll be back in just a few minutes more

447

00:22:54,279 --> 00:22:51,500

or in the bazaar now back to exploring

448

00:22:56,680 --> 00:22:54,289

the bazaars with two of the most

449

00:22:59,740 --> 00:22:56,690

electrifying researchers in the Paranoid

450

00:23:05,020 --> 00:22:59,750

your hosts Timothy Becca Lee

451
00:23:07,110 --> 00:23:05,030
hunting Swift's band welcome back to

452
00:23:09,580 --> 00:23:07,120
exploring the bazaar on Tim Schwarz

453
00:23:11,590 --> 00:23:09,590
along with Timothy green Beckley and so

454
00:23:13,990 --> 00:23:11,600
it's time let's bring to Kathleen

455
00:23:16,690 --> 00:23:14,000
Kathleen Martin into the conversation

456
00:23:19,090 --> 00:23:16,700
it's Kathleen it's it's great to have

457
00:23:20,770 --> 00:23:19,100
you with us again it's it's been a while

458
00:23:23,289 --> 00:23:20,780
since you've been on exploring the

459
00:23:28,299 --> 00:23:23,299
bazaar well thank you and it's great to

460
00:23:32,520 --> 00:23:28,309
be back so now the last time that you

461
00:23:36,640 --> 00:23:32,530
were on we were talking about this

462
00:23:40,630 --> 00:23:36,650
questionnaire that that you had you had

463
00:23:42,789 --> 00:23:40,640

put together not by yourself but that

464

00:23:47,549 --> 00:23:42,799

you would put them together

465

00:23:54,100 --> 00:23:47,559

concerning abductees and their

466

00:23:56,440 --> 00:23:54,110

experiences and so has there been any

467

00:23:58,330 --> 00:23:56,450

results yet of that questionnaire I mean

468

00:24:02,110 --> 00:23:58,340

it's it's been a few years now I mean

469

00:24:05,049 --> 00:24:02,120

are you at liberty to to to talk about

470

00:24:08,409 --> 00:24:05,059

what has happened since that time I can

471

00:24:12,039 --> 00:24:08,419

I can talk about it but not in great

472

00:24:15,640 --> 00:24:12,049

detail okay I have been talking about it

473

00:24:20,830 --> 00:24:15,650

this was is called the MUFON experience

474

00:24:22,840 --> 00:24:20,840

or questionnaire our survey and we have

475

00:24:26,409 --> 00:24:22,850

been working on this for three full

476

00:24:30,100 --> 00:24:26,419

years now dr. Don seed Andheri and

477

00:24:32,740 --> 00:24:30,110

myself and dr. Don Derry is a retired

478

00:24:37,210 --> 00:24:32,750

psychology professor and statistician

479

00:24:40,029 --> 00:24:37,220

from McGill University and he was one of

480

00:24:41,890 --> 00:24:40,039

three people who worked on the

481

00:24:45,159 --> 00:24:41,900

development of what is known as the

482

00:24:50,680 --> 00:24:45,169

American personality inventory the

483

00:24:52,510 --> 00:24:50,690

American personality inventory is a test

484

00:24:55,990 --> 00:24:52,520

that's based upon the Minnesota

485

00:24:58,570 --> 00:24:56,000

multiphasic personality inventory which

486

00:25:01,919 --> 00:24:58,580

is a psychiatric

487

00:25:06,990 --> 00:25:01,929

to determine whether or not a person is

488

00:25:10,120 --> 00:25:07,000

mentally stable but this particular

489

00:25:14,500 --> 00:25:10,130

inventory which was very well developed

490

00:25:18,070 --> 00:25:14,510

and researched can determine whether or

491

00:25:22,330 --> 00:25:18,080

not a person is suffering from UFO

492

00:25:25,529 --> 00:25:22,340

abduction syndrome now there were three

493

00:25:30,100 --> 00:25:25,539

categories those who had the syndrome

494

00:25:32,409 --> 00:25:30,110

those who were fakers or simulators who

495

00:25:34,750 --> 00:25:32,419

are wannabes and then there was a third

496

00:25:38,169 --> 00:25:34,760

category and those were the ones who

497

00:25:40,570 --> 00:25:38,179

were just the control group feed the

498

00:25:45,220 --> 00:25:40,580

average guy walking down the street who

499

00:25:48,580 --> 00:25:45,230

didn't know very much about UFOs and we

500

00:25:52,419 --> 00:25:48,590

had some very interesting results on

501
00:25:56,500 --> 00:25:52,429
that we had more than 500 people who

502
00:26:02,169 --> 00:25:56,510
actually completed the experimenter

503
00:26:05,370 --> 00:26:02,179
survey whose exams we could use he had

504
00:26:08,019 --> 00:26:05,380
about a hundred and fifty more who

505
00:26:10,810 --> 00:26:08,029
checked off the wrong questions and it

506
00:26:14,409 --> 00:26:10,820
looked like they were fakers already or

507
00:26:16,870 --> 00:26:14,419
they simply didn't complete the exam so

508
00:26:22,810 --> 00:26:16,880
we had to throw those out we ended up

509
00:26:25,659 --> 00:26:22,820
with 516 useable surveys and of those a

510
00:26:28,720 --> 00:26:25,669
hundred and eighty-eight were willing to

511
00:26:32,169 --> 00:26:28,730
go on to Phase two so they took the

512
00:26:36,090 --> 00:26:32,179
American personality inventory what we

513
00:26:41,409 --> 00:26:36,100

did is we compared the results of those

514

00:26:45,039 --> 00:26:41,419

individuals who were the the people who

515

00:26:48,639 --> 00:26:45,049

had UFO abduction syndrome the knowledge

516

00:26:53,139 --> 00:26:48,649

and the emotional makeup of people who

517

00:26:58,720 --> 00:26:53,149

had been abducted versus those who were

518

00:27:02,100 --> 00:26:58,730

just survey takers or and those actually

519

00:27:07,529 --> 00:27:02,110

at the farthest end of the spectrum -

520

00:27:12,610 --> 00:27:07,539

they were still in the category of being

521

00:27:15,130 --> 00:27:12,620

experiences of contact of some type

522

00:27:19,180 --> 00:27:15,140

they weren't in the fakir category or in

523

00:27:21,940 --> 00:27:19,190

the guy on the street category and so we

524

00:27:25,840 --> 00:27:21,950

had some pretty interesting results

525

00:27:32,470 --> 00:27:25,850

because those people who were actually

526

00:27:35,080 --> 00:27:32,480

the the UFO abductees those who had all

527

00:27:38,680 --> 00:27:35,090

of the characteristics of actually being

528

00:27:44,080 --> 00:27:38,690

abducted and having UFO abduction

529

00:27:47,200 --> 00:27:44,090

syndrome had things very much in common

530

00:27:52,210 --> 00:27:47,210

that the others did not have in common

531

00:27:54,850 --> 00:27:52,220

as much those are the generational

532

00:27:57,669 --> 00:27:54,860

contact a very high level of

533

00:28:00,970 --> 00:27:57,679

generational contact among that

534

00:28:03,240 --> 00:28:00,980

particular group they had had close

535

00:28:08,700 --> 00:28:03,250

encounters and missing time experiences

536

00:28:12,540 --> 00:28:08,710

and their family members had as well

537

00:28:16,330 --> 00:28:12,550

they were in the group who said that

538

00:28:19,750 --> 00:28:16,340

when asked about their experiences if

539

00:28:21,730 --> 00:28:19,760

you know if they were positive if they

540

00:28:25,180 --> 00:28:21,740

were negative if these non-human

541

00:28:27,520 --> 00:28:25,190

entities were kind to them or if they

542

00:28:30,820 --> 00:28:27,530

were considered them to be evil what

543

00:28:35,470 --> 00:28:30,830

what were they they were the ones who

544

00:28:39,130 --> 00:28:35,480

said most often that their contact was

545

00:28:42,310 --> 00:28:39,140

pretty much businesslike that there were

546

00:28:46,830 --> 00:28:42,320

both positive and negative aspects to it

547

00:28:52,870 --> 00:28:46,840

but it was just pretty much businesslike

548

00:28:58,060 --> 00:28:52,880

they said that they underwent changes as

549

00:29:02,049 --> 00:28:58,070

a result of contact and some of those

550

00:29:07,210 --> 00:29:02,059

changes were an increase in spirituality

551
00:29:10,740 --> 00:29:07,220
a very very high percentage became more

552
00:29:14,350 --> 00:29:10,750
spiritual as the result of these contact

553
00:29:18,730 --> 00:29:14,360
experiences about half of them had been

554
00:29:22,530 --> 00:29:18,740
practicing religion before they were

555
00:29:25,419 --> 00:29:22,540
aware that they were having contact but

556
00:29:26,200 --> 00:29:25,429
even though many of them continued to

557
00:29:29,350 --> 00:29:26,210
practice

558
00:29:33,520 --> 00:29:29,360
religious their religious doctrine they

559
00:29:39,580 --> 00:29:33,530
became more spiritual in their beliefs a

560
00:29:42,550 --> 00:29:39,590
very high percentage of them have had

561
00:29:46,600 --> 00:29:42,560
paranormal experiences in their homes

562
00:29:49,690 --> 00:29:46,610
such as light orbs that sometimes appear

563
00:29:52,960 --> 00:29:49,700

to be intelligently controlled that that

564

00:29:56,560 --> 00:29:52,970

float through the air or ever seem to

565

00:30:00,700 --> 00:29:56,570

attempt to interact with them that was

566

00:30:04,330 --> 00:30:00,710

the most common paranormal experience

567

00:30:10,630 --> 00:30:04,340

that they had in their homes most of

568

00:30:14,260 --> 00:30:10,640

them said are 95 percent said that they

569

00:30:18,340 --> 00:30:14,270

felt that these non-human entities that

570

00:30:21,670 --> 00:30:18,350

they interacted with could feel their

571

00:30:26,970 --> 00:30:21,680

emotions they could sense their emotions

572

00:30:30,160 --> 00:30:26,980

and 100 percent of these of these

573

00:30:34,060 --> 00:30:30,170

abductees stated that they themselves

574

00:30:38,200 --> 00:30:34,070

are empathic so they can feel other

575

00:30:41,860 --> 00:30:38,210

people's emotions about half of them

576

00:30:45,610 --> 00:30:41,870

said that they had been healed from a

577

00:30:48,910 --> 00:30:45,620

disease and a variety of different

578

00:30:51,280 --> 00:30:48,920

diseases some cancer some heart disease

579

00:30:55,180 --> 00:30:51,290

but they said that these non-human

580

00:30:59,110 --> 00:30:55,190

entities had actually healed them

581

00:31:02,770 --> 00:30:59,120

so I think that that is very important

582

00:31:09,450 --> 00:31:02,780

because it pretty much runs the gamut of

583

00:31:13,030 --> 00:31:09,460

experience when you talk to the 500

584

00:31:16,180 --> 00:31:13,040

people who are at one end who are having

585

00:31:18,940 --> 00:31:16,190

highly negative experiences who are

586

00:31:23,410 --> 00:31:18,950

being harmed who feel that they're

587

00:31:25,720 --> 00:31:23,420

interacting with evil entities and at

588

00:31:29,860 --> 00:31:25,730

the other end of the spectrum you have

589

00:31:32,080 --> 00:31:29,870

people who are so joyful that they're

590

00:31:35,860 --> 00:31:32,090

having these experiences that they're

591

00:31:38,899 --> 00:31:35,870

wonderful that they're interacting they

592

00:31:42,710 --> 00:31:38,909

have conscious interaction

593

00:31:45,919 --> 00:31:42,720

with these entities and so you can see

594

00:31:49,930 --> 00:31:45,929

there's a very wide spectrum there but

595

00:31:56,139 --> 00:31:49,940

those in the center who are the actual

596

00:32:00,349 --> 00:31:56,149

abductees who have this syndrome had

597

00:32:04,339 --> 00:32:00,359

answers that were very very much alike

598

00:32:08,330 --> 00:32:04,349

and we found that incredibly interesting

599

00:32:11,629 --> 00:32:08,340

and we also we asked open-ended

600

00:32:17,330 --> 00:32:11,639

questions and in terms of open-ended

601
00:32:20,509 --> 00:32:17,340
questions we asked for example have you

602
00:32:23,029 --> 00:32:20,519
been given any information when you were

603
00:32:27,710 --> 00:32:23,039
on this craft by these non-human

604
00:32:32,060 --> 00:32:27,720
entities and many of them stated that

605
00:32:35,089 --> 00:32:32,070
these entities had voiced concern over

606
00:32:38,450 --> 00:32:35,099
our use of nuclear weapons that they

607
00:32:42,529 --> 00:32:38,460
said that and this dates all the way

608
00:32:45,889 --> 00:32:42,539
back to the mid 1950s to a woman from

609
00:32:48,680 --> 00:32:45,899
Maine from Elliott Maine named Nick

610
00:32:52,369 --> 00:32:48,690
Francis Swan who was worth oh yes very

611
00:32:54,859 --> 00:32:52,379
very famous a case where she actually

612
00:32:57,440 --> 00:32:54,869
did the automatic writing and the drew

613
00:32:59,529 --> 00:32:57,450

people in a circle and they had you know

614

00:33:02,359 --> 00:32:59,539

sightings and experiences of their own

615

00:33:05,649 --> 00:33:02,369

including a what was it a navy

616

00:33:09,799 --> 00:33:05,659

intelligence officer a commander well

617

00:33:12,979 --> 00:33:09,809

there was Admiral Herbert Knowles who

618

00:33:15,409 --> 00:33:12,989

was lived in the same town and Admiral

619

00:33:18,169 --> 00:33:15,419

Knowles had just retired at that time

620

00:33:23,060 --> 00:33:18,179

and she took a thick packet of

621

00:33:26,869 --> 00:33:23,070

information to him and after she began

622

00:33:33,349 --> 00:33:26,879

to have these communication experiences

623

00:33:36,729 --> 00:33:33,359

and he read them and he said that the

624

00:33:40,190 --> 00:33:36,739

level of knowledge scientific knowledge

625

00:33:46,219 --> 00:33:40,200

that was in those documents would have

626
00:33:48,739 --> 00:33:46,229
been impossible for her to have and he

627
00:33:51,499 --> 00:33:48,749
was so impressed by this packet that he

628
00:33:52,040 --> 00:33:51,509
sent it to Washington with a letter to

629
00:33:54,290 --> 00:33:52,050
Dwight

630
00:33:57,470 --> 00:33:54,300
Eisenhower it went to the Office of

631
00:33:59,690 --> 00:33:57,480
Naval Research it went to the Office of

632
00:34:03,860 --> 00:33:59,700
Naval Intelligence it went to the Air

633
00:34:07,100 --> 00:34:03,870
Force it went to the CIA and there was a

634
00:34:10,790 --> 00:34:07,110
group of top brass who actually went up

635
00:34:13,520 --> 00:34:10,800
to Elliot main and interviewed Francis

636
00:34:17,870 --> 00:34:13,530
Swan and attempted one of them actually

637
00:34:21,200 --> 00:34:17,880
attempted to use her technique to learn

638
00:34:25,210 --> 00:34:21,210

to communicate with these nonhumans the

639

00:34:30,650 --> 00:34:25,220

way that she did and I believe it was in

640

00:34:33,320 --> 00:34:30,660

1959 in Washington DC he was there he

641

00:34:36,560 --> 00:34:33,330

had had a couple of failed attempts but

642

00:34:39,980 --> 00:34:36,570

he had a group of other intelligence

643

00:34:43,700 --> 00:34:39,990

officers in the room with him and he

644

00:34:45,950 --> 00:34:43,710

asked for a craft to appear they all

645

00:34:49,100 --> 00:34:45,960

went to the window and they looked out

646

00:34:52,040 --> 00:34:49,110

and there was a UFO they called

647

00:34:54,890 --> 00:34:52,050

Washington National Airport and said

648

00:34:57,500 --> 00:34:54,900

what do you see on your radar and what

649

00:35:01,490 --> 00:34:57,510

the what the radar controller at

650

00:35:05,210 --> 00:35:01,500

Washington National Airport said is all

651
00:35:09,380 --> 00:35:05,220
of the metro magnetic activity in that

652
00:35:11,720 --> 00:35:09,390
section of the sky is blocked so they

653
00:35:15,260 --> 00:35:11,730
could see it but they couldn't see it on

654
00:35:17,390 --> 00:35:15,270
radar there there was somebody else who

655
00:35:20,720 --> 00:35:17,400
was involved in all of this too and that

656
00:35:22,910 --> 00:35:20,730
was will Burt Smith that's in fact

657
00:35:25,250 --> 00:35:22,920
that's where I remember the case from

658
00:35:26,750 --> 00:35:25,260
because we wrote it up do you have a lot

659
00:35:29,450 --> 00:35:26,760
more detail but we wrote it up in our

660
00:35:31,520 --> 00:35:29,460
book project magnet which just came out

661
00:35:34,340 --> 00:35:31,530
a couple of months ago we got some

662
00:35:37,690 --> 00:35:34,350
documents on it in fact I had done of

663
00:35:40,250 --> 00:35:37,700

course bonded with the will Burt Smith

664

00:35:42,560 --> 00:35:40,260

many many you know years ago when they

665

00:35:45,680 --> 00:35:42,570

had they had quite a file of material

666

00:35:47,360 --> 00:35:45,690

after he passed away but then that

667

00:35:49,040 --> 00:35:47,370

people tried to come in and confiscate

668

00:35:51,980 --> 00:35:49,050

it I mean there were even some talk of

669

00:35:53,510 --> 00:35:51,990

some rust on there agents and CIA and in

670

00:35:55,820 --> 00:35:53,520

all they wanted to get their hands on

671

00:35:57,890 --> 00:35:55,830

this he had actually set up a project

672

00:36:01,070 --> 00:35:57,900

with the Canadian government back in the

673

00:36:04,910 --> 00:36:01,080

early 1950s and they had tracked they

674

00:36:05,880 --> 00:36:04,920

had tracked the UFO coming in and thus

675

00:36:07,620 --> 00:36:05,890

the name project

676

00:36:10,500 --> 00:36:07,630

magnet that was the the name of the the

677

00:36:14,070 --> 00:36:10,510

project that he did all of his research

678

00:36:17,390 --> 00:36:14,080

under in fact do you know to it Kathleen

679

00:36:20,040 --> 00:36:17,400

that he actually had done his own survey

680

00:36:22,890 --> 00:36:20,050

back in oh I guess this would have been

681

00:36:25,740 --> 00:36:22,900

the the nineteen late 1950s and early

682

00:36:28,880 --> 00:36:25,750

1960s he had a guru Burt Smith had a

683

00:36:31,020 --> 00:36:28,890

group of seventy contactees and

684

00:36:33,210 --> 00:36:31,030

questionnaires made up and he would ask

685

00:36:35,040 --> 00:36:33,220

them questions and compare the

686

00:36:38,150 --> 00:36:35,050

information that they would were

687

00:36:42,030 --> 00:36:38,160

receiving from their individual sources

688

00:36:45,360 --> 00:36:42,040

yes I'm aware of this and he was the

689

00:36:47,930 --> 00:36:45,370

head of project second story and what he

690

00:36:50,580 --> 00:36:47,940

was doing as part of second story is

691

00:36:52,680 --> 00:36:50,590

that he was interviewing these

692

00:36:59,270 --> 00:36:52,690

contactees who are receiving information

693

00:37:02,910 --> 00:36:59,280

and Francis Swan wasn't was working

694

00:37:05,250 --> 00:37:02,920

confidentially and her identity was not

695

00:37:07,530 --> 00:37:05,260

known to anyone else she was not

696

00:37:10,860 --> 00:37:07,540

communicating with anyone else so she

697

00:37:13,260 --> 00:37:10,870

was the primary subject but he was

698

00:37:16,200 --> 00:37:13,270

looking at others some of them were

699

00:37:18,990 --> 00:37:16,210

hoaxers he found out some of them were

700

00:37:22,020 --> 00:37:19,000

not giving accurate information but he

701
00:37:24,330 --> 00:37:22,030
did find that some of them did give

702
00:37:27,120 --> 00:37:24,340
accurate information that was similar to

703
00:37:29,490 --> 00:37:27,130
what Francis Wan was giving and they

704
00:37:33,740 --> 00:37:29,500
were actually looking for scientific

705
00:37:37,220 --> 00:37:33,750
evidence that any of this was real and

706
00:37:41,160 --> 00:37:37,230
one thing that these non-human entities

707
00:37:43,350 --> 00:37:41,170
said is that they were concerned about

708
00:37:46,320 --> 00:37:43,360
the collapsing of the Earth's magnetic

709
00:37:50,790 --> 00:37:46,330
field and that they had been working in

710
00:37:54,890 --> 00:37:50,800
a certain part of the world to attempt

711
00:37:58,230 --> 00:37:54,900
to repair the Earth's magnetic field and

712
00:38:02,250 --> 00:37:58,240
Wilbert Smith was able to find a

713
00:38:05,940 --> 00:38:02,260

scientific article that validated that

714

00:38:11,940 --> 00:38:05,950

statement I was not able to find that

715

00:38:15,060 --> 00:38:11,950

article but I do have the correspondence

716

00:38:18,150 --> 00:38:15,070

between Admiral Knowles and Wilbert

717

00:38:19,589 --> 00:38:18,160

Smith when I out captured the Betty and

718

00:38:23,069 --> 00:38:19,599

Barney Hill UFO works

719

00:38:25,019 --> 00:38:23,079

variance I had looked for Wilbert

720

00:38:28,410 --> 00:38:25,029

Smith's family

721

00:38:31,709 --> 00:38:28,420

I'm not Wilbert Admiral Knowles's family

722

00:38:34,199 --> 00:38:31,719

in Maine I wasn't able to find them but

723

00:38:37,589 --> 00:38:34,209

I did write what I knew about this

724

00:38:41,160 --> 00:38:37,599

project because my aunt and uncle had

725

00:38:44,130 --> 00:38:41,170

been invited to to meet with Admiral

726

00:38:47,069 --> 00:38:44,140

nulls and and a group of Canadian

727

00:38:49,109 --> 00:38:47,079

scientists and met with them many times

728

00:38:54,439 --> 00:38:49,119

in fact after they had their own

729

00:38:55,910 --> 00:38:54,449

experience and so Admiral Knowles's

730

00:38:58,890 --> 00:38:55,920

granddaughter

731

00:39:01,709 --> 00:38:58,900

finally found me when I was speaking at

732

00:39:06,390 --> 00:39:01,719

a conference and brought me a packet of

733

00:39:09,209 --> 00:39:06,400

information which it was a wealth of

734

00:39:11,160 --> 00:39:09,219

knowledge in fact I've written about it

735

00:39:13,829 --> 00:39:11,170

in a book that's going to be published

736

00:39:15,469 --> 00:39:13,839

by the Edgar Mitchell foundation for

737

00:39:19,949 --> 00:39:15,479

research into extraterrestrial

738

00:39:22,589 --> 00:39:19,959

encounters and I'm not when it wished

739

00:39:25,979 --> 00:39:22,599

but it I have written a chapter for that

740

00:39:27,689 --> 00:39:25,989

book and that's good that's good news

741

00:39:31,529 --> 00:39:27,699

because that that's certainly one of the

742

00:39:34,709 --> 00:39:31,539

the four most foremost incidents that

743

00:39:37,949 --> 00:39:34,719

happened during that period but now I

744

00:39:40,829 --> 00:39:37,959

want to ask you about your you're an now

745

00:39:44,660 --> 00:39:40,839

how did she stand on all of this I mean

746

00:39:47,699 --> 00:39:44,670

she didn't claim that she had any great

747

00:39:50,069 --> 00:39:47,709

like a knowledge imparted to her did she

748

00:39:53,309 --> 00:39:50,079

I mean did she ever claim that she was

749

00:39:55,219 --> 00:39:53,319

receiving information from these beings

750

00:39:59,009 --> 00:39:55,229

or that they ever communicated with her

751
00:40:02,160 --> 00:39:59,019
no she had no memory of communication

752
00:40:04,529 --> 00:40:02,170
with these nonhumans except for when

753
00:40:07,499 --> 00:40:04,539
they abducted her and what she

754
00:40:09,959 --> 00:40:07,509
remembered under hypnosis with dr.

755
00:40:12,390 --> 00:40:09,969
Benjamin Simon and that was that they

756
00:40:15,120 --> 00:40:12,400
kept reassuring her that they were not

757
00:40:18,479 --> 00:40:15,130
going to harm her they had to just do a

758
00:40:21,299 --> 00:40:18,489
few simple tests that she and my uncle

759
00:40:22,949 --> 00:40:21,309
would be on their way home that they

760
00:40:27,630 --> 00:40:22,959
were going to do this as quickly as

761
00:40:30,359 --> 00:40:27,640
possible and that and they even

762
00:40:33,000 --> 00:40:30,369
apologized in a sense at the end for

763
00:40:34,980 --> 00:40:33,010

frightening them so badly

764

00:40:38,640 --> 00:40:34,990

so that was about the extent of the

765

00:40:43,500 --> 00:40:38,650

communication that my aunt received but

766

00:40:46,130 --> 00:40:43,510

somehow after that experience it seemed

767

00:40:49,770 --> 00:40:46,140

that there were craft that would be

768

00:40:53,910 --> 00:40:49,780

interested in her so perhaps she had an

769

00:40:56,700 --> 00:40:53,920

implant because sometimes when she was

770

00:41:01,230 --> 00:40:56,710

in a location a craft would show up and

771

00:41:04,970 --> 00:41:01,240

she actually did an experiment with a

772

00:41:10,950 --> 00:41:04,980

team of scientists back in the

773

00:41:14,370 --> 00:41:10,960

mid-nineteen we've seen it was 1967 that

774

00:41:17,970 --> 00:41:14,380

they did this they called it a psycho

775

00:41:21,020 --> 00:41:17,980

physics experiment where Betty would go

776

00:41:24,750 --> 00:41:21,030

onto her back porch and telepathically

777

00:41:28,110 --> 00:41:24,760

send messages that the scientists had

778

00:41:33,870 --> 00:41:28,120

written down that she was to send to try

779

00:41:36,930 --> 00:41:33,880

to bring a UFO into a certain location

780

00:41:40,350 --> 00:41:36,940

so that these scientists could go out

781

00:41:42,780 --> 00:41:40,360

and they could look at that location to

782

00:41:48,270 --> 00:41:42,790

see if they could actually see a craft

783

00:41:52,590 --> 00:41:48,280

and did yes sometimes they did this this

784

00:41:54,390 --> 00:41:52,600

was the near the railroad trestle there

785

00:41:57,120 --> 00:41:54,400

was yeah part of it was near the

786

00:42:00,450 --> 00:41:57,130

railroad tracks the science - of these

787

00:42:02,730 --> 00:42:00,460

scientists were from New York and one of

788

00:42:06,270 --> 00:42:02,740

them had moved south after that and the

789

00:42:09,450 --> 00:42:06,280

experiments continued and she was

790

00:42:12,870 --> 00:42:09,460

attempting to bring a craft in to land

791

00:42:19,860 --> 00:42:12,880

on my grandparents farm in Kingston New

792

00:42:23,640 --> 00:42:19,870

Hampshire and in 1966 February of 1966

793

00:42:27,540 --> 00:42:23,650

one actually did land on my grandparents

794

00:42:30,210 --> 00:42:27,550

farm it awakened my grandmother if she

795

00:42:31,260 --> 00:42:30,220

was asleep she she looked out her

796

00:42:33,480 --> 00:42:31,270

bedroom window

797

00:42:36,540 --> 00:42:33,490

she saw it coming in there was a

798

00:42:39,240 --> 00:42:36,550

commercial pilot who lived on our street

799

00:42:43,050 --> 00:42:39,250

and he was driving home at that time of

800

00:42:44,910 --> 00:42:43,060

night and he saw the craft as well there

801
00:42:45,670 --> 00:42:44,920
was physical trace evidence on the

802
00:42:49,510 --> 00:42:45,680
ground

803
00:42:53,440 --> 00:42:49,520
as well so I do believe that Betty did

804
00:42:56,680 --> 00:42:53,450
have some success with all of that but

805
00:43:00,460 --> 00:42:56,690
she also became a huge target for

806
00:43:03,180 --> 00:43:00,470
debunkers yes my uncle died because of

807
00:43:08,170 --> 00:43:03,190
these what they thought were crazy

808
00:43:09,850 --> 00:43:08,180
experiments that she was conducting well

809
00:43:13,570 --> 00:43:09,860
you know you know what I wanted to ask

810
00:43:15,790 --> 00:43:13,580
you two now one of my favorite UFO the

811
00:43:18,100 --> 00:43:15,800
movies it seems to be very realistic is

812
00:43:21,100 --> 00:43:18,110
the one that the sub Parsons and James

813
00:43:25,210 --> 00:43:21,110

Earl Jones played there Betty and Barney

814

00:43:26,910 --> 00:43:25,220

had she seen that and who's seen it

815

00:43:30,040 --> 00:43:26,920

Betty

816

00:43:32,320 --> 00:43:30,050

the the movie that the TV had

817

00:43:36,490 --> 00:43:32,330

made-for-tv movie yes the movie was made

818

00:43:42,910 --> 00:43:36,500

in 1975 yes buddy betty was a consultant

819

00:43:45,100 --> 00:43:42,920

on the mall and and and had met James

820

00:43:49,510 --> 00:43:45,110

Earl Jones and Estelle Parsons I believe

821

00:43:54,220 --> 00:43:49,520

and and yes she did see the movie and

822

00:43:57,070 --> 00:43:54,230

she was a consultant as well yeah did

823

00:44:00,400 --> 00:43:57,080

she think it was pretty accurate well

824

00:44:02,740 --> 00:44:00,410

she was disappointed in part of it the

825

00:44:05,320 --> 00:44:02,750

her disappointment came because the

826
00:44:09,220 --> 00:44:05,330
movie gave the impression that she and

827
00:44:13,210 --> 00:44:09,230
Barney recalled almost nothing about the

828
00:44:14,050 --> 00:44:13,220
craft when in fact they they had a close

829
00:44:16,450 --> 00:44:14,060
encounter

830
00:44:18,820 --> 00:44:16,460
Barney even had conscious recall of

831
00:44:22,000 --> 00:44:18,830
observing these non-human entities

832
00:44:25,720 --> 00:44:22,010
looking down at him and this was over

833
00:44:28,660 --> 00:44:25,730
quite about an hour where this craft

834
00:44:31,360 --> 00:44:28,670
came in closer and closer that they

835
00:44:33,700 --> 00:44:31,370
observed it so the movie gave the

836
00:44:36,910 --> 00:44:33,710
impression that it was more of a light

837
00:44:38,980 --> 00:44:36,920
in the sky and that's all there was and

838
00:44:42,970 --> 00:44:38,990

then you know they were bothered by the

839

00:44:46,120 --> 00:44:42,980

light but it was far more than that but

840

00:44:46,870 --> 00:44:46,130

she was very impressed with James Earl

841

00:44:49,630 --> 00:44:46,880

Jones

842

00:44:55,960 --> 00:44:49,640

oh he's tremendous he was a fantastic

843

00:44:58,940 --> 00:44:55,970

actor yeah absolutely but now he Barty

844

00:45:02,329 --> 00:44:58,950

was was more frightened than Betty

845

00:45:05,510 --> 00:45:02,339

he have a revolver with him yes it was

846

00:45:08,359 --> 00:45:05,520

actually Betty's revolver and they did

847

00:45:11,329 --> 00:45:08,369

have it they they actually took it

848

00:45:14,380 --> 00:45:11,339

Bonnie took it because when he and his

849

00:45:17,480 --> 00:45:14,390

first wife were on a trip to Detroit

850

00:45:19,339 --> 00:45:17,490

they ended up spending one night he

851
00:45:21,829 --> 00:45:19,349
threw very tired driving and they

852
00:45:25,130 --> 00:45:21,839
stopped by the side of the road and he

853
00:45:27,680 --> 00:45:25,140
was very very worried that criminals

854
00:45:30,620 --> 00:45:27,690
might come along and he thought that he

855
00:45:34,880 --> 00:45:30,630
would be safer with a gun particularly

856
00:45:37,849 --> 00:45:34,890
because here is 1961 interracial couple

857
00:45:42,740 --> 00:45:37,859
and they were going on to Canada Barney

858
00:45:45,230 --> 00:45:42,750
had no idea what the racial climate was

859
00:45:47,150 --> 00:45:45,240
up in Canada which it was money better

860
00:45:50,930 --> 00:45:47,160
than it was in the United States but he

861
00:45:54,319 --> 00:45:50,940
didn't know that he also made this a

862
00:45:57,380 --> 00:45:54,329
surprise trip for Betty so they had only

863
00:45:59,540 --> 00:45:57,390

the cash that they had in the house she

864

00:46:03,970 --> 00:45:59,550

didn't have time to go to the bank to

865

00:46:09,470 --> 00:46:03,980

get some extra money and it was the

866

00:46:11,569 --> 00:46:09,480

white team's then I guess any credit

867

00:46:14,450 --> 00:46:11,579

cards would have been gasoline credit

868

00:46:16,490 --> 00:46:14,460

cards I guess yeah anyway he thought

869

00:46:20,059 --> 00:46:16,500

maybe they would have to spend the night

870

00:46:23,809 --> 00:46:20,069

beside the road and so he took that gun

871

00:46:26,150 --> 00:46:23,819

for that reason and he took the gun and

872

00:46:28,760 --> 00:46:26,160

put it into his pocket when the craft

873

00:46:32,750 --> 00:46:28,770

was hovering a hundred feet above their

874

00:46:35,000 --> 00:46:32,760

car he stepped out of that car and he he

875

00:46:38,240 --> 00:46:35,010

used the binoculars to look up at the

876

00:46:40,990 --> 00:46:38,250

craft and when he was doing it he the

877

00:46:45,890 --> 00:46:41,000

craft then shifted to an adjacent field

878

00:46:49,040 --> 00:46:45,900

to the east and he walked toward the

879

00:46:53,030 --> 00:46:49,050

craft and that is when he saw these

880

00:46:56,630 --> 00:46:53,040

non-human entities looking down at him

881

00:46:58,339 --> 00:46:56,640

and he became terribly frightened he

882

00:47:02,180 --> 00:46:58,349

said that he felt he was going to be

883

00:47:04,910 --> 00:47:02,190

captured like a bug in a net he knew

884

00:47:08,569 --> 00:47:04,920

that they had a plan for him when all

885

00:47:09,920 --> 00:47:08,579

but one moved away from this I'm gonna

886

00:47:10,340 --> 00:47:09,930

ghosts Lost Worlds

895

00:47:49,859 --> 00:47:46,000

cryptozoology waters as well as other

896

00:47:54,990 --> 00:47:49,869

dimensions it's time to take back the

897

00:47:58,079 --> 00:47:55,000

night now your electrifying hosts of

898

00:48:04,319 --> 00:47:58,089

exploring the bizarre Timothy Begley and

899

00:48:06,270 --> 00:48:04,329

team sports alright welcome back to the

900

00:48:10,170 --> 00:48:06,280

second hour of exploring the bizarre I'm

901
00:48:13,049 --> 00:48:10,180
Tim Schwarz tonight we've got just a

902
00:48:15,630 --> 00:48:13,059
fantastic UFO related program I know

903
00:48:18,000 --> 00:48:15,640
UFOs that's that's our favorite subject

904
00:48:20,940 --> 00:48:18,010
and we have carried Trent Haggard and

905
00:48:25,589 --> 00:48:20,950
Kathleen Mardon and so I want to bring

906
00:48:29,089 --> 00:48:25,599
Carey back into the conversation when we

907
00:48:33,720 --> 00:48:29,099
had to go to our previous break Carrie

908
00:48:36,210 --> 00:48:33,730
we were talking about the tombstone that

909
00:48:38,990 --> 00:48:36,220
had been you know allegedly at the

910
00:48:43,980 --> 00:48:39,000
Aurora Cemetery now I I mean I remember

911
00:48:47,370 --> 00:48:43,990
when in your in 1973 when all this came

912
00:48:48,690 --> 00:48:47,380
to light and there had I seem to

913
00:48:51,630 --> 00:48:48,700

remember that there was an actual

914

00:48:55,589 --> 00:48:51,640

picture you know like maybe an AP a

915

00:48:57,630 --> 00:48:55,599

photo of this tombstone rather crudely

916

00:48:59,819 --> 00:48:57,640

made but then shortly thereafter it

917

00:49:02,010 --> 00:48:59,829

disappeared you know people were blaming

918

00:49:03,839 --> 00:49:02,020

you know sightseers or like that but I

919

00:49:07,559 --> 00:49:03,849

I've often wondered whether or not the

920

00:49:11,280 --> 00:49:07,569

town of Aurora themselves just took it

921

00:49:12,720 --> 00:49:11,290

away to try to you know who's like you

922

00:49:15,450 --> 00:49:12,730

said you know there there were a lot of

923

00:49:18,750 --> 00:49:15,460

people going there with shovels and

924

00:49:21,329 --> 00:49:18,760

pickaxes trying to dig this thing up and

925

00:49:22,789 --> 00:49:21,339

if they didn't know where to dig well

926

00:49:26,480 --> 00:49:22,799

all the better

927

00:49:32,940 --> 00:49:26,490

yeah that's that's one of the theories

928

00:49:37,589 --> 00:49:32,950

the the the it disappeared in 73 in the

929

00:49:39,630 --> 00:49:37,599

middle of the night so one of the

930

00:49:41,730 --> 00:49:39,640

theories is that the Aurora

931

00:49:43,500 --> 00:49:41,740

people the City Council people said okay

932

00:49:45,990 --> 00:49:43,510

we've got to get rid of this thing

933

00:49:49,110 --> 00:49:46,000

another is that somebody stole it just

934

00:49:50,250 --> 00:49:49,120

to have just to have a souvenir but it's

935

00:49:52,710 --> 00:49:50,260

never been found

936

00:49:56,580 --> 00:49:52,720

interesting note here in the last few

937

00:50:00,320 --> 00:49:56,590

months a Dallas I think he's a Dallas or

938

00:50:04,410 --> 00:50:00,330

Fort Worth lawyer as each issued a

939

00:50:07,710 --> 00:50:04,420

thousand dollar reward if somebody it

940

00:50:12,750 --> 00:50:07,720

with information to its whereabouts for

941

00:50:15,840 --> 00:50:12,760

to to bring it back or return it no

942

00:50:19,580 --> 00:50:15,850

questions asked what was what was there

943

00:50:23,690 --> 00:50:19,590

something in scripted on the under here

944

00:50:28,230 --> 00:50:23,700

tombstone yeah Harry yeah it had a

945

00:50:35,310 --> 00:50:28,240

sketch of a cigar-shaped craft with

946

00:50:37,470 --> 00:50:35,320

three windows well now why okay so it

947

00:50:39,930 --> 00:50:37,480

seems like there this is substantial

948

00:50:42,510 --> 00:50:39,940

amount of evidence at this case took

949

00:50:44,700 --> 00:50:42,520

place but yet there are some out there

950

00:50:49,020 --> 00:50:44,710

who are very skeptical and say that the

951
00:50:51,810 --> 00:50:49,030
whole thing is a is nothing but a urban

952
00:50:55,770 --> 00:50:51,820
legend when was made up by the newspaper

953
00:50:58,170 --> 00:50:55,780
at the time right well you know Aurora

954
00:51:00,630 --> 00:50:58,180
had had a tough time wasn't too long

955
00:51:03,480 --> 00:51:00,640
after the Civil War they'd had a boll

956
00:51:06,540 --> 00:51:03,490
weevil infestation that wiped out most

957
00:51:08,430 --> 00:51:06,550
of their crops the railroad had skirted

958
00:51:11,250 --> 00:51:08,440
them for another town which they were

959
00:51:15,410 --> 00:51:11,260
really counting on to bring bring people

960
00:51:20,090 --> 00:51:15,420
in and tourists and revenue and money

961
00:51:23,570 --> 00:51:20,100
they had a fire burnt down half a town

962
00:51:26,940 --> 00:51:23,580
they'd had an outbreak of spotted fever

963
00:51:30,930 --> 00:51:26,950

one of the one of the theories is that

964

00:51:34,770 --> 00:51:30,940

all this was made up to save the dying

965

00:51:37,620 --> 00:51:34,780

town but the truth is in 1897

966

00:51:42,050 --> 00:51:37,630

how could a UFO incident save a dying

967

00:51:45,960 --> 00:51:42,060

town it's not it's not logical because

968

00:51:49,410 --> 00:51:45,970

and over the counter we took how big of

969

00:51:51,780 --> 00:51:49,420

a town are we talking about 1897 it was

970

00:51:53,250 --> 00:51:51,790

like two three hundred people and so

971

00:51:56,550 --> 00:51:53,260

nobody's gonna go rushing

972

00:52:00,060 --> 00:51:56,560

over there in 1897 but to to investigate

973

00:52:02,420 --> 00:52:00,070

this they were right no parades once a

974

00:52:08,100 --> 00:52:02,430

year no Museum in town

975

00:52:10,410 --> 00:52:08,110

no no need for no excuse whatsoever to

976

00:52:15,030 --> 00:52:10,420

to make up a story like this to try to

977

00:52:18,210 --> 00:52:15,040

save the town it it wasn't feasible but

978

00:52:20,360 --> 00:52:18,220

I think that's just one more excuse to

979

00:52:24,600 --> 00:52:20,370

dismiss the story

980

00:52:27,630 --> 00:52:24,610

well I'm Plus that that whole bring in

981

00:52:30,630 --> 00:52:27,640

the tourist type of scenario that's

982

00:52:32,040 --> 00:52:30,640

really more of a modern construct like

983

00:52:36,630 --> 00:52:32,050

you said I mean you know here we are at

984

00:52:41,400 --> 00:52:36,640

the the end of the 19th century and you

985

00:52:44,280 --> 00:52:41,410

know unless they actually had the body

986

00:52:46,710 --> 00:52:44,290

you know pickled and hung up in the

987

00:52:47,480 --> 00:52:46,720

local tavern you know it would have done

988

00:52:51,960 --> 00:52:47,490

him much good

989

00:52:54,990 --> 00:52:51,970

no the the the the idea of making up

990

00:52:56,850 --> 00:52:55,000

that to try to help their revenue and

991

00:53:06,330 --> 00:52:56,860

makes no sense mm-hmm

992

00:53:09,600 --> 00:53:06,340

now 1897 there had been a airship flap

993

00:53:12,570 --> 00:53:09,610

going you know taking place across the

994

00:53:16,440 --> 00:53:12,580

country so this incident did in a did

995

00:53:20,580 --> 00:53:16,450

not occur in a vacuum no there had been

996

00:53:23,220 --> 00:53:20,590

hundreds and hundreds of sightings Civil

997

00:53:26,850 --> 00:53:23,230

War soldiers had signed affidavits

998

00:53:30,330 --> 00:53:26,860

saying that they saw flying craft in the

999

00:53:34,460 --> 00:53:30,340

air there were reports all throughout

1000

00:53:41,780 --> 00:53:34,470

the Midwest from ate them 1860s 1870s

1001
00:53:51,450 --> 00:53:41,790
1880s one from one from let's see here

1002
00:53:56,870 --> 00:53:51,460
one from September 1864 says that here

1003
00:54:00,500 --> 00:53:56,880
it is a skyrocket streak through the sky

1004
00:54:03,570 --> 00:54:00,510
above the Great Falls upper Missouri

1005
00:54:05,880 --> 00:54:03,580
which moments later crashed with a

1006
00:54:06,870 --> 00:54:05,890
monstrous explosion that shook the

1007
00:54:10,349 --> 00:54:06,880
entire four

1008
00:54:16,200 --> 00:54:10,359
Forest and emanated such heat on impact

1009
00:54:18,299 --> 00:54:16,210
that it turned the ground to glass that

1010
00:54:22,109 --> 00:54:18,309
was reported in the Cincinnati

1011
00:54:23,849 --> 00:54:22,119
commercial September 1864 so I mean

1012
00:54:29,720 --> 00:54:23,859
there was there's hundreds and hundreds

1013
00:54:34,259 --> 00:54:29,730

of reports of strange flying craft

1014

00:54:37,829 --> 00:54:34,269

airships if you will it's not like there

1015

00:54:41,579 --> 00:54:37,839

was one airship hovering over for three

1016

00:54:44,490 --> 00:54:41,589

years this was multiple multiple craft

1017

00:54:46,440 --> 00:54:44,500

that had been sighted and reported but

1018

00:54:52,470 --> 00:54:46,450

there's lots of documentation of UFOs

1019

00:54:55,980 --> 00:54:52,480

Neal west so the original story ran by

1020

00:54:59,700 --> 00:54:55,990

the local newspaper after the crash was

1021

00:55:02,910 --> 00:54:59,710

this picked up and and carried by the

1022

00:55:06,900 --> 00:55:02,920

wire services or was it pretty much

1023

00:55:09,299 --> 00:55:06,910

contained to that location it was in the

1024

00:55:12,210 --> 00:55:09,309

Dallas and the Fort Worth newspaper on

1025

00:55:14,490 --> 00:55:12,220

April 19th two days after the crash I

1026
00:55:19,799 --> 00:55:14,500
mean this is a time when the telegraph

1027
00:55:20,549 --> 00:55:19,809
office was the only way to to do wire

1028
00:55:22,950 --> 00:55:20,559
yep

1029
00:55:24,990 --> 00:55:22,960
I don't think it was that it was no

1030
00:55:27,660 --> 00:55:25,000
Associated Press I don't think back at

1031
00:55:29,339 --> 00:55:27,670
those days doubt no and you're talking

1032
00:55:31,799 --> 00:55:29,349
about a time when the fastest mode of

1033
00:55:33,890 --> 00:55:31,809
transportation was the railroad train

1034
00:55:37,259 --> 00:55:33,900
that collected along at 40 miles an hour

1035
00:55:39,589 --> 00:55:37,269
this story went moved very slowly and

1036
00:55:45,120 --> 00:55:39,599
probably didn't go anywhere beyond

1037
00:55:48,180 --> 00:55:45,130
Dallas and Fort Worth so how then was

1038
00:55:50,609 --> 00:55:48,190

the story milking it because I think it

1039

00:55:52,680 --> 00:55:50,619

then the the story basically then just

1040

00:55:54,299 --> 00:55:52,690

this died and disappeared everyone had

1041

00:55:57,140 --> 00:55:54,309

forgotten about it except for the locals

1042

00:56:01,890 --> 00:55:57,150

how was it rediscovered again

1043

00:56:04,740 --> 00:56:01,900

well now that's again bad I don't know

1044

00:56:09,420 --> 00:56:04,750

what I do know is that it was

1045

00:56:12,900 --> 00:56:09,430

investigated in 1965 on a small scale

1046

00:56:17,930 --> 00:56:12,910

and a UPI like I said got a hold with a

1047

00:56:20,670 --> 00:56:17,940

story in 1973 and did big front page

1048

00:56:23,790 --> 00:56:20,680

articles of a extraterrestrials

1049

00:56:26,970 --> 00:56:23,800

drill crashed in the turn of the century

1050

00:56:30,599 --> 00:56:26,980

and was buried in the local Aurora Texas

1051

00:56:33,000 --> 00:56:30,609

cemetery so that's that's what got all

1052

00:56:35,250 --> 00:56:33,010

the hoopla going in but yeah the story

1053

00:56:38,069 --> 00:56:35,260

had basically been forgotten and only

1054

00:56:40,680 --> 00:56:38,079

some real did a few dedicated real UFO

1055

00:56:43,410 --> 00:56:40,690

adjusts knew about it and they had

1056

00:56:47,130 --> 00:56:43,420

actually done a small study on it 1965

1057

00:56:50,370 --> 00:56:47,140

but it didn't really get attention again

1058

00:56:52,559 --> 00:56:50,380

until 73 yeah that would probably have

1059

00:56:55,640 --> 00:56:52,569

been the early investigation by Hayden a

1060

00:56:59,910 --> 00:56:55,650

huge Hughes I think he wrote a young

1061

00:57:02,460 --> 00:56:59,920

well he had this a little magazine and

1062

00:57:05,700 --> 00:57:02,470

that he put out because I used to write

1063

00:57:08,400 --> 00:57:05,710

for it and he also wrote up a paperback

1064

00:57:10,319 --> 00:57:08,410

book with Brad stager the name of which

1065

00:57:13,349 --> 00:57:10,329

escapes me and I'm pretty sure that it

1066

00:57:16,440 --> 00:57:13,359

was in there at the yet time now I I

1067

00:57:17,190 --> 00:57:16,450

remember seeing on UFO Hunters on the

1068

00:57:20,280 --> 00:57:17,200

History Channel

1069

00:57:23,010 --> 00:57:20,290

wasn't there a story attached to this

1070

00:57:24,920 --> 00:57:23,020

that the alien had ended up where they

1071

00:57:28,220 --> 00:57:24,930

had buried him in the well or something

1072

00:57:31,770 --> 00:57:28,230

no the craft was dumped in a well or

1073

00:57:33,750 --> 00:57:31,780

hapless okay yeah but the remains of the

1074

00:57:39,299 --> 00:57:33,760

craft were dumped in an abandoned whale

1075

00:57:41,510 --> 00:57:39,309

and it it poisoned the well so they they

1076

00:57:43,799 --> 00:57:41,520

I think they got it out of there in like

1077

00:57:45,930 --> 00:57:43,809

1957 and I don't know what they did with

1078

00:57:48,319 --> 00:57:45,940

it from there but the people that had

1079

00:57:52,410 --> 00:57:48,329

drank out of that whale during the time

1080

00:57:55,049 --> 00:57:52,420

developed some horrible arthritis like

1081

00:57:57,420 --> 00:57:55,059

develop debilitating arthritis form yes

1082

00:57:59,910 --> 00:57:57,430

yes I remember seeing I remember seeing

1083

00:58:02,460 --> 00:57:59,920

photographs of at least wasn't a

1084

00:58:04,349 --> 00:58:02,470

gentleman who was stricken with the

1085

00:58:07,109 --> 00:58:04,359

arthritis in his hands and all because

1086

00:58:10,010 --> 00:58:07,119

of supposedly because of drinking the in

1087

00:58:11,970 --> 00:58:10,020

the water now okay you you would you

1088

00:58:16,020 --> 00:58:11,980

investigated this case and you you've

1089

00:58:19,589 --> 00:58:16,030

written a written it up in the novelized

1090

00:58:22,620 --> 00:58:19,599

the form has anyone approached you

1091

00:58:25,289 --> 00:58:22,630

either to tell you to maybe you you

1092

00:58:27,990 --> 00:58:25,299

should leave well enough alone or on the

1093

00:58:30,470 --> 00:58:28,000

other hand tell you that they might have

1094

00:58:34,289 --> 00:58:30,480

some additional information

1095

00:58:36,329 --> 00:58:34,299

well no find this prayer so

1096

00:58:39,620 --> 00:58:36,339

over in England published them all oh

1097

00:58:43,229 --> 00:58:39,630

yes make that back yep Philip mental

1098

00:58:45,239 --> 00:58:43,239

philip mantofa sh the novel for me back

1099

00:58:49,529 --> 00:58:45,249

a couple of months ago and i've done

1100

00:58:52,709 --> 00:58:49,539

probably a dozen radio shows and we've

1101
00:58:54,719 --> 00:58:52,719
got some pretty good press and done you

1102
00:58:57,419 --> 00:58:54,729
know several interviews i have a couple

1103
00:58:59,479 --> 00:58:57,429
of i have a couple of MUFON speaking

1104
00:59:02,999 --> 00:58:59,489
events lined up I'm doing a book signing

1105
00:59:07,019 --> 00:59:03,009
at the big conference in New Jersey in

1106
00:59:09,109 --> 00:59:07,029
July and no nobody's nobody's approached

1107
00:59:11,459 --> 00:59:09,119
me to tell me anything like that

1108
00:59:12,719 --> 00:59:11,469
nobody's contacted me and said you know

1109
00:59:15,209 --> 00:59:12,729
you need to stop talking about there's

1110
00:59:17,910 --> 00:59:15,219
nothing like that I did have one very

1111
00:59:20,519 --> 00:59:17,920
interesting conversation with a guy

1112
00:59:23,969 --> 00:59:20,529
through Facebook he found me on there

1113
00:59:26,249 --> 00:59:23,979

and and saying we we correspondent a

1114

00:59:29,370 --> 00:59:26,259

couple of times he said that his

1115

00:59:32,519 --> 00:59:29,380

great-grandfather buried the alien and

1116

00:59:35,160 --> 00:59:32,529

there wasn't one there was - I don't

1117

00:59:37,529 --> 00:59:35,170

ever never heard that story before

1118

00:59:41,870 --> 00:59:37,539

city's great said his great grandmother

1119

00:59:48,870 --> 00:59:41,880

or his grandmother told him the story in

1120

00:59:52,559 --> 00:59:48,880

1972 that a craft about the size of a

1121

00:59:55,199 --> 00:59:52,569

small car crashed and into the water

1122

00:59:58,469 --> 00:59:55,209

tower and windmill and that they there

1123

00:59:59,969 --> 00:59:58,479

was two aliens and they were buried one

1124

01:00:01,049 --> 00:59:59,979

was buried and he didn't know what

1125

01:00:02,969 --> 01:00:01,059

happened to the other one because he's

1126
01:00:05,819 --> 01:00:02,979
uncle or Grammy our great-grandfather

1127
01:00:08,609 --> 01:00:05,829
buried the one now you know I don't know

1128
01:00:12,929 --> 01:00:08,619
but he was from Fort Worth and he said

1129
01:00:16,739 --> 01:00:12,939
that he you know his his kin folks was

1130
01:00:19,079 --> 01:00:16,749
from Aurora so you know me don't you

1131
01:00:21,449 --> 01:00:19,089
who knows if it's true it's not true or

1132
01:00:23,609 --> 01:00:21,459
whatever but I never ever heard that

1133
01:00:23,969 --> 01:00:23,619
they were two before I'd always heard it

1134
01:00:26,519 --> 01:00:23,979
before

1135
01:00:28,919 --> 01:00:26,529
well now there was i I remember there

1136
01:00:31,559 --> 01:00:28,929
were some witnesses that were very

1137
01:00:35,249 --> 01:00:31,569
elderly but they were still with us at

1138
01:00:39,449 --> 01:00:35,259

the time who were interviewed for one of

1139

01:00:40,709 --> 01:00:39,459

these TV shows like unsolved mysteries

1140

01:00:46,499 --> 01:00:40,719

or something I don't remember exactly

1141

01:00:47,859 --> 01:00:46,509

which one yes there was a one woman she

1142

01:00:52,089 --> 01:00:47,869

claimed that the whole

1143

01:00:55,210 --> 01:00:52,099

was a hoax but she never saw anything

1144

01:00:57,670 --> 01:00:55,220

there was an another guy on there that

1145

01:00:59,559 --> 01:00:57,680

claimed that yep it was real that he was

1146

01:01:02,200 --> 01:00:59,569

a little boy at the time that his father

1147

01:01:04,150 --> 01:01:02,210

went into town and came back and told

1148

01:01:07,109 --> 01:01:04,160

him all about it so there's pieces of it

1149

01:01:11,079 --> 01:01:07,119

everywhere and the little bitty guy was

1150

01:01:13,989 --> 01:01:11,089

you know that he saw the little guy my

1151

01:01:16,690 --> 01:01:13,999

thing is my thinking is and this was

1152

01:01:19,210 --> 01:01:16,700

never published but I and this is the

1153

01:01:21,430 --> 01:01:19,220

way I wrote it in my novel is you know

1154

01:01:23,980 --> 01:01:21,440

outlaws and famous people at the time

1155

01:01:24,880 --> 01:01:23,990

they built coffins for I'm going to put

1156

01:01:27,130 --> 01:01:24,890

him in it and they put him on the

1157

01:01:29,829 --> 01:01:27,140

boardwalk and took pictures of I just

1158

01:01:32,920 --> 01:01:29,839

wonder if they put this little guy on

1159

01:01:34,749 --> 01:01:32,930

display for a day before they bury were

1160

01:01:36,579 --> 01:01:34,759

people that did hear about it from the

1161

01:01:39,700 --> 01:01:36,589

area could come in and take a look in

1162

01:01:42,819 --> 01:01:39,710

from the way from the way they it talked

1163

01:01:45,249 --> 01:01:42,829

of this this this boy talked of his

1164

01:01:47,380 --> 01:01:45,259

father going into town there was a lot

1165

01:01:51,640 --> 01:01:47,390

of people going into town to see him and

1166

01:01:54,160 --> 01:01:51,650

they did so yes you get some when they

1167

01:01:56,380 --> 01:01:54,170

when they did these interviews back then

1168

01:01:59,440 --> 01:01:56,390

I mean everybody from that time it's

1169

01:02:02,380 --> 01:01:59,450

done now but when they did it way back

1170

01:02:04,059 --> 01:02:02,390

then several of them said yes it was

1171

01:02:06,880 --> 01:02:04,069

true and it was a couple said no it was

1172

01:02:10,120 --> 01:02:06,890

a fake so you know you get 5050 yeah

1173

01:02:13,539 --> 01:02:10,130

personally personally I believe it

1174

01:02:15,460 --> 01:02:13,549

absolutely happened I spoke to Jim Marrs

1175

01:02:19,779 --> 01:02:15,470

like I said and he believed it

1176

01:02:23,680 --> 01:02:19,789

absolutely happened so there you go now

1177

01:02:25,749 --> 01:02:23,690

Jim Barse had the opportunity to very

1178

01:02:28,509 --> 01:02:25,759

early on to to get in there and actually

1179

01:02:32,410 --> 01:02:28,519

interview some of the people who were

1180

01:02:35,859 --> 01:02:32,420

still alive you know that that had

1181

01:02:37,930 --> 01:02:35,869

witnessed this this event and and you're

1182

01:02:41,460 --> 01:02:37,940

probably right though I mean I find that

1183

01:02:43,809 --> 01:02:41,470

really interesting that that this this

1184

01:02:46,120 --> 01:02:43,819

creature entity whatever you want to

1185

01:02:47,710 --> 01:02:46,130

call it you know probably was sitting in

1186

01:02:50,259 --> 01:02:47,720

a coffin for a little while before they

1187

01:02:52,630 --> 01:02:50,269

they finally buried it but I'm like you

1188

01:02:57,430 --> 01:02:52,640

I've I have never heard anybody ever

1189

01:03:01,300 --> 01:02:57,440

mentioned that there were two creatures

1190

01:03:03,760 --> 01:03:01,310

found at this cry it was always one no I

1191

01:03:05,470 --> 01:03:03,770

neither in like and talk about Jim Marrs

1192

01:03:08,860 --> 01:03:05,480

he was one of the investigators there in

1193

01:03:12,010 --> 01:03:08,870

1973 mm-hm so he had been investigating

1194

01:03:14,320 --> 01:03:12,020

there since 1973 up until the time he

1195

01:03:16,870 --> 01:03:14,330

died he done documentaries he'd wrote

1196

01:03:19,540 --> 01:03:16,880

books he'd wrote articles he'd spoke at

1197

01:03:23,890 --> 01:03:19,550

conferences he knew the Aurora case

1198

01:03:26,140 --> 01:03:23,900

better than anyone and he was a 80 mean

1199

01:03:28,510 --> 01:03:26,150

he firmly believed that it happened and

1200

01:03:31,990 --> 01:03:28,520

he was thrilled that I was doing this

1201

01:03:34,210 --> 01:03:32,000

novel even though it was a part fiction

1202

01:03:37,330 --> 01:03:34,220

but it was it was paying homage to the

1203

01:03:39,400 --> 01:03:37,340

crash that to get the word out about it

1204

01:03:41,380 --> 01:03:39,410

because it's it's such one it's one of

1205

01:03:44,920 --> 01:03:41,390

those cases that just doesn't get talked

1206

01:03:48,190 --> 01:03:44,930

about well now why did you decide to

1207

01:03:50,920 --> 01:03:48,200

take the novelization approach to this

1208

01:03:52,780 --> 01:03:50,930

book well I wrote the screenplay and

1209

01:03:55,420 --> 01:03:52,790

that was my whole goal was to make a

1210

01:03:57,490 --> 01:03:55,430

great movie out of it but the people

1211

01:03:59,140 --> 01:03:57,500

that read the screenplay said oh my gosh

1212

01:04:01,090 --> 01:03:59,150

this is so good you need to do it as a

1213

01:04:03,040 --> 01:04:01,100

novel so I went back and spent another

1214

01:04:06,640 --> 01:04:03,050

year and a half and developed it into a

1215

01:04:09,100 --> 01:04:06,650

novel expanded it wrote backgrounds for

1216

01:04:15,040 --> 01:04:09,110

the characters and and just let it form

1217

01:04:16,710 --> 01:04:15,050

itself into a 260 page novel and again

1218

01:04:21,010 --> 01:04:16,720

though the screenplay was written first

1219

01:04:22,990 --> 01:04:21,020

so I'm just I'm just hoping that one of

1220

01:04:25,600 --> 01:04:23,000

these days I can find somebody that is

1221

01:04:30,010 --> 01:04:25,610

interested enough to make the screenplay

1222

01:04:35,290 --> 01:04:30,020

into a full full movie where's Oliver

1223

01:04:37,780 --> 01:04:35,300

Stone when you need them so now your

1224

01:04:40,210 --> 01:04:37,790

novel is in two parts one part takes

1225

01:04:42,910 --> 01:04:40,220

place you know in the the 19th century

1226

01:04:45,340 --> 01:04:42,920

at the crash and then it brings it up to

1227

01:04:47,980 --> 01:04:45,350

modern times with with what are they

1228

01:04:50,520 --> 01:04:47,990

like trying to you know find the body or

1229

01:04:53,920 --> 01:04:50,530

the the crash site or what's going on

1230

01:04:57,480 --> 01:04:53,930

well it goes back and forth from 1897 to

1231

01:05:01,390 --> 01:04:57,490

1997 and the premise of the book is in

1232

01:05:03,550 --> 01:05:01,400

1997 this girl reporter in Gainesville

1233

01:05:06,190 --> 01:05:03,560

Texas which is like 50 miles from Aurora

1234

01:05:08,650 --> 01:05:06,200

is she writes a column called the

1235

01:05:11,800 --> 01:05:08,660

century and the names and discovers this

1236

01:05:14,300 --> 01:05:11,810

old ancient article about this the the

1237

01:05:17,150 --> 01:05:14,310

original article about the crashed

1238

01:05:19,099 --> 01:05:17,160

into the windmill and she takes it to

1239

01:05:22,430 --> 01:05:19,109

her editor he gets all excited he sends

1240

01:05:24,170 --> 01:05:22,440

her over to find out what's going on

1241

01:05:27,290 --> 01:05:24,180

find out where he's buried write a

1242

01:05:29,900 --> 01:05:27,300

follow-up story to it and of course that

1243

01:05:31,910 --> 01:05:29,910

stirs up all kinds of trouble because

1244

01:05:34,790 --> 01:05:31,920

the locals have been trying to keep this

1245

01:05:37,460 --> 01:05:34,800

quiet and keep where he was buried

1246

01:05:39,470 --> 01:05:37,470

hidden for the last hundred years and

1247

01:05:43,010 --> 01:05:39,480

she's over there and turning over stones

1248

01:05:44,660 --> 01:05:43,020

and getting the FBI involved and and and

1249

01:05:46,220 --> 01:05:44,670

causing all this trouble now all that's

1250

01:05:50,570 --> 01:05:46,230

all that's fiction

1251

01:05:53,690 --> 01:05:50,580

but that the the the flashback sequences

1252

01:05:57,560 --> 01:05:53,700

to 1897 are written and described

1253

01:05:59,750 --> 01:05:57,570

exactly as it would have happened so

1254

01:06:02,690 --> 01:05:59,760

again it's it's it's a the novel is

1255

01:06:12,200 --> 01:06:02,700

basically historical fiction based on

1256

01:06:14,120 --> 01:06:12,210

the actual event do you see do you is

1257

01:06:15,710 --> 01:06:14,130

there a similarity okay you talked about

1258

01:06:18,680 --> 01:06:15,720

how the locals you know in the

1259

01:06:20,150 --> 01:06:18,690

novelization part are trying to keep

1260

01:06:22,550 --> 01:06:20,160

this a secret and trying to you know

1261

01:06:27,230 --> 01:06:22,560

keep people away do you think that

1262

01:06:29,750 --> 01:06:27,240

that's you know more than likely that

1263

01:06:32,540 --> 01:06:29,760

was going on in the 1970s is that still

1264

01:06:37,099 --> 01:06:32,550

the case or do you think it's it's now

1265

01:06:41,290 --> 01:06:37,109

there the locals are wanting to embrace

1266

01:06:45,349 --> 01:06:41,300

this unique story oh now the locals are

1267

01:06:48,800 --> 01:06:45,359

they got a little spaceship built out

1268

01:06:52,070 --> 01:06:48,810

and a little Aurora park celebrating the

1269

01:06:55,099 --> 01:06:52,080

event they have an annual visit to the

1270

01:06:58,040 --> 01:06:55,109

cemetery and a keynote speaker that

1271

01:06:59,390 --> 01:06:58,050

comes out so yeah of course well now

1272

01:07:02,000 --> 01:06:59,400

they're making money off of it there

1273

01:07:05,030 --> 01:07:02,010

it's a tourist attraction now if you go

1274

01:07:07,370 --> 01:07:05,040

to the Aurora website there's a flying

1275

01:07:10,460 --> 01:07:07,380

saucer front flying around on there

1276

01:07:13,480 --> 01:07:10,470

Aurora City website so yeah they're

1277

01:07:17,210 --> 01:07:13,490

there they're capitalizing on it now

1278

01:07:21,920 --> 01:07:17,220

after all what's the population of

1279

01:07:25,880 --> 01:07:21,930

Aurora these days I have no idea it's

1280

01:07:27,500 --> 01:07:25,890

whether the 300 yeah I'm sure it is that

1281

01:07:28,430 --> 01:07:27,510

but they do have a they do have a

1282

01:07:31,609 --> 01:07:28,440

nice-looking web

1283

01:07:33,859 --> 01:07:31,619

so and it it it shows the Flying Saucer

1284

01:07:36,800 --> 01:07:33,869

on it so the other they're capitalizing

1285

01:07:39,050 --> 01:07:36,810

on it now but I think in 1973 they just

1286

01:07:40,460 --> 01:07:39,060

wish the whole event would go away

1287

01:07:41,720 --> 01:07:40,470

because people were over there asking

1288

01:07:44,870 --> 01:07:41,730

questions that they didn't want to talk

1289

01:07:48,620 --> 01:07:44,880

about and why do you think they didn't

1290

01:07:51,620 --> 01:07:48,630

want to talk about it then well well you

1291

01:07:52,339 --> 01:07:51,630

know that's a good question that would

1292

01:07:54,410 --> 01:07:52,349

have been that would have been a

1293

01:07:58,160 --> 01:07:54,420

question for Jim Marrs as far as I know

1294

01:07:58,940 --> 01:07:58,170

they just you know country people at the

1295

01:08:01,190 --> 01:07:58,950

time back then

1296

01:08:04,160 --> 01:08:01,200

it wasn't a popular subject for them

1297

01:08:05,720 --> 01:08:04,170

it'd been so long ago they didn't want

1298

01:08:07,849 --> 01:08:05,730

to discuss it they didn't want to they

1299

01:08:11,089 --> 01:08:07,859

didn't want all this trampling through

1300

01:08:14,960 --> 01:08:11,099

their graveyard for one thing yeah and

1301

01:08:17,780 --> 01:08:14,970

if you if aliens did exist a lot of them

1302

01:08:21,439 --> 01:08:17,790

would have the seen them as being

1303

01:08:23,630 --> 01:08:21,449

demonic yeah the seventies you know back

1304

01:08:25,880 --> 01:08:23,640

then that was a whole different time

1305

01:08:29,150 --> 01:08:25,890

than man and they won't talk about this

1306

01:08:31,420 --> 01:08:29,160

back then and where today they're there

1307

01:08:35,030 --> 01:08:31,430

like I said they're capitalized

1308

01:08:37,700 --> 01:08:35,040

well and plus back back then and I mean

1309

01:08:40,760 --> 01:08:37,710

I know I mean I grew up in it you know

1310

01:08:42,499 --> 01:08:40,770

in rural communities you didn't you

1311

01:08:46,099 --> 01:08:42,509

didn't air your dirty laundry to

1312

01:08:48,650 --> 01:08:46,109

outsiders and a story like that that

1313

01:08:50,329 --> 01:08:48,660

yeah you you don't talk about that

1314

01:08:53,090 --> 01:08:50,339

that's a something you know it's just

1315

01:08:57,410 --> 01:08:53,100

like nope you know we're just not gonna

1316

01:08:59,300 --> 01:08:57,420

talk to it right so yeah so I could I

1317

01:09:01,400 --> 01:08:59,310

could under I can understand that that

1318

01:09:06,050 --> 01:09:01,410

part completely so I wonder how long

1319

01:09:08,380 --> 01:09:06,060

it'll be Tim before they like well like

1320

01:09:11,120 --> 01:09:08,390

oh gosh

1321

01:09:14,450 --> 01:09:11,130

Point Pleasant and places like that

1322

01:09:19,430 --> 01:09:14,460

before they have a yearly can convention

1323

01:09:21,320 --> 01:09:19,440

and fair and festival and all that well

1324

01:09:24,410 --> 01:09:21,330

I'm sure they I'm sure they're probably

1325

01:09:29,990 --> 01:09:24,420

setting it up and organizing it as we

1326

01:09:30,439 --> 01:09:30,000

speaking as we speak but now have you

1327

01:09:32,209 --> 01:09:30,449

in

1328

01:09:35,110 --> 01:09:32,219

are there other cases that you've

1329

01:09:39,979 --> 01:09:35,120

investigated the outside of this one

1330

01:09:41,990 --> 01:09:39,989

Aurora yes no no I'm really

1331

01:09:44,030 --> 01:09:42,000

investigating yeah

1332

01:09:46,660 --> 01:09:44,040

except for UFOs in the Old West like I

1333

01:09:49,130 --> 01:09:46,670

said I got to do I got to do some some

1334

01:09:51,170 --> 01:09:49,140

presentations that a couple of MUFON

1335

01:09:55,940 --> 01:09:51,180

events coming up so I put together a

1336

01:09:58,850 --> 01:09:55,950

nice slideshow that kept that talks

1337

01:10:01,460 --> 01:09:58,860

about UFOs Old West shows some some

1338

01:10:04,550 --> 01:10:01,470

photos from the Old West of flying

1339

01:10:08,030 --> 01:10:04,560

saucers and and I've got several several

1340

01:10:12,140 --> 01:10:08,040

accounts from the 1860s and 70s to read

1341

01:10:15,410 --> 01:10:12,150

and but but to delve into a specific

1342

01:10:18,830 --> 01:10:15,420

event no I've read a lot about Roswell

1343

01:10:21,410 --> 01:10:18,840

and understand what happened yeah no no

1344

01:10:23,060 --> 01:10:21,420

I remembered there's a case we wrote up

1345

01:10:25,190 --> 01:10:23,070

in one of our books all right I don't

1346

01:10:26,630 --> 01:10:25,200

know how well it's documented I don't

1347

01:10:28,940 --> 01:10:26,640

know how much detail we had been an

1348

01:10:30,350 --> 01:10:28,950

object supposedly crashed and they they

1349

01:10:33,380 --> 01:10:30,360

had some of the wreckage and they left

1350

01:10:38,210 --> 01:10:33,390

it in the window of one of the you know

1351

01:10:39,770 --> 01:10:38,220

stores and in in town and somebody came

1352

01:10:41,840 --> 01:10:39,780

and offered a money for it and that I

1353

01:10:43,480 --> 01:10:41,850

think it disappeared from the window I

1354

01:10:45,770 --> 01:10:43,490

think that that was in Missouri

1355

01:10:48,130 --> 01:10:45,780

somewhere of course then that was that

1356

01:10:51,860 --> 01:10:48,140

was you're starting to get out west

1357

01:10:53,720 --> 01:10:51,870

about the 1860s all right we need to go

1358

01:10:56,450 --> 01:10:53,730

to our bottom of the hour break here so

1359

01:11:05,580 --> 01:10:56,460

we will continue with more UFOs on

1360

01:11:12,310 --> 01:11:09,729

now back to exploring the bazaars with

1361

01:11:15,310 --> 01:11:12,320

two of the most electrifying researchers

1362

01:11:23,229 --> 01:11:15,320

in the Paranoid your hosts Timothy

1363

01:11:24,520 --> 01:11:23,239

beckoning Anton Swiss final sexy show so

1364

01:11:28,479 --> 01:11:24,530

we need to get right into it and

1365

01:11:31,899 --> 01:11:28,489

Kathleen I wanted to ask you you were

1366

01:11:35,080 --> 01:11:31,909

talking during during a previous segment

1367

01:11:39,220 --> 01:11:35,090

about the the questionnaire and I I just

1368

01:11:44,580 --> 01:11:39,230

I I find it really intriguing so many of

1369

01:11:47,529 --> 01:11:44,590

these people that that you talked to had

1370

01:11:51,089 --> 01:11:47,539

experienced what you know for one of a

1371

01:11:55,200 --> 01:11:51,099

better word paranormal experiences after

1372

01:12:00,640 --> 01:11:55,210

there were after during hello continuing

1373

01:12:03,430 --> 01:12:00,650

there are their experiences now I I know

1374

01:12:05,979 --> 01:12:03,440

that that you know we really are we're

1375

01:12:07,959 --> 01:12:05,989

just we're just shouting in the dark but

1376

01:12:13,359 --> 01:12:07,969

but I know that a lot of the you know

1377

01:12:14,620 --> 01:12:13,369

like nuts and bolts UFO believers just I

1378

01:12:16,529 --> 01:12:14,630

mean they just want to you know put

1379

01:12:18,879 --> 01:12:16,539

their hands up over the years and go I

1380

01:12:21,430 --> 01:12:18,889

would you when you start talking about

1381

01:12:26,439 --> 01:12:21,440

you know parent the paranormal and UFOs

1382

01:12:29,549 --> 01:12:26,449

yet time and time again we see this crop

1383

01:12:36,430 --> 01:12:29,559

up so there has to be something going on

1384

01:12:39,640 --> 01:12:36,440

absolutely I mean it at least 65% of the

1385

01:12:44,259 --> 01:12:39,650

experiencers who participated in this

1386

01:12:50,350 --> 01:12:44,269

research project have light orbs in

1387

01:12:52,089 --> 01:12:50,360

their homes that float one of them when

1388

01:12:55,899 --> 01:12:52,099

one of the big cases that I have

1389

01:13:00,279 --> 01:12:55,909

investigated had a lot of photographs of

1390

01:13:07,209 --> 01:13:00,289

light orbs and this man was diagnosed

1391

01:13:09,509 --> 01:13:07,219

with cancer lymphoma and they believed

1392

01:13:13,390 --> 01:13:09,519

that it might have been metastatic and

1393

01:13:15,939 --> 01:13:13,400

the he went to bed one night

1394

01:13:18,640 --> 01:13:15,949

and this light orb slid down the wall

1395

01:13:22,330 --> 01:13:18,650

flew across the room sort of like a

1396

01:13:26,770 --> 01:13:22,340

butterfly and just dove down into his

1397

01:13:31,000 --> 01:13:26,780

body when he woke up 12 to 14 hours

1398

01:13:35,229 --> 01:13:31,010

later and he caught the Sun video when

1399

01:13:39,399 --> 01:13:35,239

he woke up the nodes in his neck were

1400

01:13:41,680 --> 01:13:39,409

almost gone where it had they had been

1401

01:13:45,040 --> 01:13:41,690

very swollen and wrapped around to the

1402

01:13:47,649 --> 01:13:45,050

back of his neck pretty you know what

1403

01:13:49,990 --> 01:13:47,659

was it was was this associated though it

1404

01:13:53,950 --> 01:13:50,000

with UFO it sightings I mean a certain

1405

01:13:58,000 --> 01:13:53,960

connection oh yes he's an experiencer

1406

01:14:00,430 --> 01:13:58,010

he's an abductee and there is a definite

1407

01:14:03,570 --> 01:14:00,440

connection between experiencers

1408

01:14:08,939 --> 01:14:03,580

contactees abductees all of them have it

1409

01:14:12,580 --> 01:14:08,949

and these light orbs in their homes a

1410

01:14:15,910 --> 01:14:12,590

lot of people think that the ETS are

1411

01:14:23,200 --> 01:14:15,920

able to insert their consciousness into

1412

01:14:27,310 --> 01:14:23,210

a ball of light which will help set the

1413

01:14:30,540 --> 01:14:27,320

nuts and bolts people know yeah I would

1414

01:14:34,380 --> 01:14:30,550

think I would think so but okay so now

1415

01:14:37,680 --> 01:14:34,390

do these these beings these entities

1416

01:14:41,500 --> 01:14:37,690

today obviously you're not from the same

1417

01:14:45,070 --> 01:14:41,510

locations well they certainly look

1418

01:14:48,270 --> 01:14:45,080

different yeah I have some photographs

1419

01:14:51,160 --> 01:14:48,280

that some people have taken off them

1420

01:14:55,470 --> 01:14:51,170

they're less selves to be photographed

1421

01:14:57,640 --> 01:14:55,480

more more now than ever the the

1422

01:15:00,610 --> 01:14:57,650

electromagnetic field that they would

1423

01:15:02,380 --> 01:15:00,620

put up previously was so intense it

1424

01:15:04,630 --> 01:15:02,390

would you know drain the batteries of

1425

01:15:08,830 --> 01:15:04,640

the camera or or you get just blurry

1426

01:15:11,950 --> 01:15:08,840

lines I've been receiving some fairly

1427

01:15:14,590 --> 01:15:11,960

clear photographs okay is there anything

1428

01:15:19,000 --> 01:15:14,600

that you could share with us for our

1429

01:15:22,350 --> 01:15:19,010

YouTube presentation I'm going to be no

1430

01:15:24,200 --> 01:15:22,360

I can't but I'm going to be showing some

1431

01:15:29,330 --> 01:15:24,210

of this

1432

01:15:32,260 --> 01:15:29,340

when I'm speaking this year and so I

1433

01:15:36,050 --> 01:15:32,270

swear you swear where are you speaking

1434

01:15:40,810 --> 01:15:36,060

well one place where I'll be speaking is

1435

01:15:44,000 --> 01:15:40,820

that the mutual UFO network s--

1436

01:15:48,709 --> 01:15:44,010

international symposium and that is

1437

01:15:52,220 --> 01:15:48,719

going to be in July in Cherry Hill New

1438

01:15:55,880 --> 01:15:52,230

Jersey I'm going to be doing two

1439

01:16:00,380 --> 01:15:55,890

sessions for experiencers at 7:30 and

1440

01:16:02,870 --> 01:16:00,390

morning on Saturday and Sunday and I

1441

01:16:06,500 --> 01:16:02,880

will be showing that those photographs

1442

01:16:10,399 --> 01:16:06,510

then and then on Sunday I'm also

1443

01:16:14,000 --> 01:16:10,409

lecturing from the main stage well if I

1444

01:16:17,689 --> 01:16:14,010

if I am in a good health at the time I I

1445

01:16:21,080 --> 01:16:17,699

will come down to attend I'm not all

1446

01:16:23,600 --> 01:16:21,090

that far far away I've been to a a good

1447

01:16:26,390 --> 01:16:23,610

UFO conference in a in a while there's a

1448

01:16:27,800 --> 01:16:26,400

fella by name a pet market Illya used to

1449

01:16:32,660 --> 01:16:27,810

have but conventions there and

1450

01:16:34,850 --> 01:16:32,670

interested and yes he's a I was

1451

01:16:36,320 --> 01:16:34,860

wondering a perhaps we should invite him

1452

01:16:38,419 --> 01:16:36,330

on the show I haven't spoke to him in a

1453

01:16:41,959 --> 01:16:38,429

while he's kind of a charming your

1454

01:16:43,880 --> 01:16:41,969

fellow a doctor a UFO I believe he first

1455

01:16:47,840 --> 01:16:43,890

himself oh yes I know we had he had a

1456

01:16:53,600 --> 01:16:47,850

license car vanity plates were dr. UFO

1457

01:16:58,550 --> 01:16:53,610

or something yeah yeah and he has his

1458

01:17:06,950 --> 01:16:58,560

own little traveling UFO Museum there

1459

01:17:08,840 --> 01:17:06,960

there you go but so in Roswell at the

1460

01:17:15,620 --> 01:17:08,850

beginning of July and I'll be up in

1461

01:17:16,270 --> 01:17:15,630

Toronto June 22nd or a 4th what's going

1462

01:17:21,200 --> 01:17:16,280

on up there

1463

01:17:23,689 --> 01:17:21,210

it's the UFO conference uh-huh yeah and

1464

01:17:26,899 --> 01:17:23,699

that the is that the one Richard Syrett

1465

01:17:27,620 --> 01:17:26,909

puts together um well I've been talking

1466

01:17:32,120 --> 01:17:27,630

to

1467

01:17:34,000 --> 01:17:32,130

Stu Bundy ah Richard Richard you've

1468

01:17:37,990 --> 01:17:34,010

probably been on his show he has the

1469

01:17:42,950 --> 01:17:38,000

conspiracy program on

1470

01:17:45,770 --> 01:17:42,960

Zoomer is a Zoomer radio Tim yes because

1471

01:17:48,640 --> 01:17:45,780

we've been on there a couple of times

1472

01:17:51,440 --> 01:17:48,650

ourselves but okay so you have these now

1473

01:17:53,780 --> 01:17:51,450

what size are the orbs of you are we

1474

01:17:55,280 --> 01:17:53,790

talking about baseball size of you know

1475

01:17:58,340 --> 01:17:55,290

they're usually pretty small are they

1476

01:18:02,060 --> 01:17:58,350

all the same they're all generally about

1477

01:18:05,390 --> 01:18:02,070

the size of a baseball or a softball and

1478

01:18:10,700 --> 01:18:05,400

the photographs they they appear to have

1479

01:18:13,010 --> 01:18:10,710

a white interior and a blue exterior

1480

01:18:15,080 --> 01:18:13,020

they're not all the same color I've

1481

01:18:20,300 --> 01:18:15,090

received other ones from from

1482

01:18:23,120 --> 01:18:20,310

individuals some a red some are yellow

1483

01:18:27,620 --> 01:18:23,130

with some more gray but those were more

1484

01:18:32,900 --> 01:18:27,630

in negative experiences but in the more

1485

01:18:37,010 --> 01:18:32,910

positive experiences and from from the

1486

01:18:40,850 --> 01:18:37,020

reports that I have they have that sort

1487

01:18:43,930 --> 01:18:40,860

of light blue outer surface and and seem

1488

01:18:48,470 --> 01:18:43,940

to be white on the inside

1489

01:18:51,470 --> 01:18:48,480

anybody try to capture one I don't think

1490

01:18:53,810 --> 01:18:51,480

they can capture them I don't know if

1491

01:18:57,440 --> 01:18:53,820

anybody has tried to get the background

1492

01:19:01,240 --> 01:18:57,450

cleaner out you a story about a personal

1493

01:19:05,660 --> 01:19:01,250

experience I had yeah after that craft

1494

01:19:08,150 --> 01:19:05,670

landed across the street from my

1495

01:19:12,050 --> 01:19:08,160

childhood home on my grandparents farm

1496

01:19:14,930 --> 01:19:12,060

that Betty tried to vector in we started

1497

01:19:16,580 --> 01:19:14,940

to have light orbs in my childhood home

1498

01:19:20,150 --> 01:19:16,590

and that was about the time I was going

1499

01:19:22,250 --> 01:19:20,160

off to college so I you know I sort of

1500

01:19:24,050 --> 01:19:22,260

took it with a grain of salt I thought

1501

01:19:27,230 --> 01:19:24,060

maybe my family was getting a little

1502

01:19:31,250 --> 01:19:27,240

kooky at that time but I'll tell you

1503

01:19:34,100 --> 01:19:31,260

years later Here I am married I have two

1504

01:19:39,380 --> 01:19:34,110

children and I'm back at my parents

1505

01:19:42,230 --> 01:19:39,390

house with my kids and my son wakes me

1506

01:19:45,050 --> 01:19:42,240

up in the middle of the night he's in my

1507

01:19:47,450 --> 01:19:45,060

brother's bedroom which because my

1508

01:19:48,920 --> 01:19:47,460

brother's grown up and gone but he's in

1509

01:19:51,350 --> 01:19:48,930

that bedroom where a lot of that

1510

01:19:53,629 --> 01:19:51,360

activity took place

1511

01:19:56,390 --> 01:19:53,639

he's wreaking havoc in the middle of the

1512

01:19:59,600 --> 01:19:56,400

night yelling and running around so I I

1513

01:20:00,220 --> 01:19:59,610

get up I go into his bedroom and there

1514

01:20:03,590 --> 01:20:00,230

he is

1515

01:20:07,310 --> 01:20:03,600

chasing one of those orbs around trying

1516

01:20:09,979 --> 01:20:07,320

to jump up and bat it it it looked like

1517

01:20:13,010 --> 01:20:09,989

it was having fun too scared the heck

1518

01:20:17,120 --> 01:20:13,020

out of me I picked my son up and

1519

01:20:20,060 --> 01:20:17,130

immediately took him into my bedroom but

1520

01:20:21,859 --> 01:20:20,070

I have seen one and it was I'd say about

1521

01:20:25,010 --> 01:20:21,869

the size of a baseball softball

1522

01:20:27,620 --> 01:20:25,020

something like that not little they are

1523

01:20:30,229 --> 01:20:27,630

they able to pass through objects so

1524

01:20:34,189 --> 01:20:30,239

they make any sound yes they can pass

1525

01:20:40,160 --> 01:20:34,199

through objects hmm and I've never heard

1526

01:20:43,280 --> 01:20:40,170

of them making a sound and okay so they

1527

01:20:46,220 --> 01:20:43,290

they pass through objects they they

1528

01:20:48,290 --> 01:20:46,230

seemed obviously are they remote control

1529

01:20:52,010 --> 01:20:48,300

there are are they in intelligence of

1530

01:20:56,000 --> 01:20:52,020

their own you know I I just think that

1531

01:20:59,740 --> 01:20:56,010

the I agree that these non-human aid

1532

01:21:04,040 --> 01:20:59,750

entities are able to insert intelligence

1533

01:21:07,939 --> 01:21:04,050

into this like little plasma ball of

1534

01:21:11,090 --> 01:21:07,949

light and they seem to have intention

1535

01:21:15,859 --> 01:21:11,100

and people report that sometimes they

1536

01:21:16,550 --> 01:21:15,869

expand into a nonhuman entity perhaps

1537

01:21:18,129 --> 01:21:16,560

that's it

1538

01:21:22,520 --> 01:21:18,139

perhaps it's the other way around

1539

01:21:26,660 --> 01:21:22,530

because we have all of these different

1540

01:21:29,840 --> 01:21:26,670

shapes sizes of these entities that are

1541

01:21:33,320 --> 01:21:29,850

being seen perhaps that's their natural

1542

01:21:37,250 --> 01:21:33,330

form perhaps they are just balls of

1543

01:21:39,470 --> 01:21:37,260

light and they're able to assume really

1544

01:21:42,979 --> 01:21:39,480

any kind of shape I suppose maybe based

1545

01:21:47,060 --> 01:21:42,989

on the the perception of the human eye

1546

01:21:52,959 --> 01:21:47,070

witness well could be for some of them

1547

01:21:56,090 --> 01:21:52,969

you know and I do believe that they are

1548

01:21:57,709 --> 01:21:56,100

interdimensional to begin with from from

1549

01:22:01,180 --> 01:21:57,719

all of the research that I have done

1550

01:22:03,750 --> 01:22:01,190

because certainly they can pass through

1551

01:22:09,450 --> 01:22:03,760

solid surfaces

1552

01:22:13,320 --> 01:22:09,460

and so I you know maybe they are you

1553

01:22:16,890 --> 01:22:13,330

hear of experiencers that and I've

1554

01:22:19,110 --> 01:22:16,900

talked to Susie Hanson for example and

1555

01:22:22,380 --> 01:22:19,120

she's from New Zealand and she talks

1556

01:22:26,570 --> 01:22:22,390

about these light orbs and when she was

1557

01:22:29,990 --> 01:22:26,580

a child she would go to a craft and

1558

01:22:34,979 --> 01:22:30,000

these nonhumans would have these blue

1559

01:22:38,790 --> 01:22:34,989

balls of light and the children would

1560

01:22:41,729 --> 01:22:38,800

practice using their minds in order to

1561

01:22:44,310 --> 01:22:41,739

sort of play a game with these light

1562

01:22:47,010 --> 01:22:44,320

orbs where they would become buoyant and

1563

01:22:49,140 --> 01:22:47,020

they would move in the air and a child

1564

01:22:52,410 --> 01:22:49,150

would move it to another child and that

1565

01:22:59,280 --> 01:22:52,420

sort of thing and what Susie said is

1566

01:23:02,660 --> 01:22:59,290

that they contain Souls and she said

1567

01:23:07,170 --> 01:23:02,670

that one of them contained the soul of

1568

01:23:12,420 --> 01:23:07,180

the son that she was going to have when

1569

01:23:15,900 --> 01:23:12,430

she grew up well that's that's mind

1570

01:23:19,229 --> 01:23:15,910

blowing it's very mind blowing and I

1571

01:23:22,170 --> 01:23:19,239

have to tell you dr. Rudy shield who's

1572

01:23:27,479 --> 01:23:22,180

an astrophysicist who recently retired

1573

01:23:31,500 --> 01:23:27,489

from Harvard wrote commentary in Susie's

1574

01:23:36,360 --> 01:23:31,510

book based upon the quantum holographic

1575

01:23:40,050 --> 01:23:36,370

theory so what is the lady's name Susie

1576

01:23:43,260 --> 01:23:40,060

Hansen okay I've read some of her stuff

1577

01:23:46,860 --> 01:23:43,270

we we were regular contributors to the

1578

01:23:49,380 --> 01:23:46,870

Sur magazine ufology which was published

1579

01:23:52,200 --> 01:23:49,390

in Australia and in fact it was the last

1580

01:23:54,690 --> 01:23:52,210

English magazine on the subject you know

1581

01:23:56,940 --> 01:23:54,700

printed I feel pretty magazine when she

1582

01:24:00,110 --> 01:23:56,950

just fold a couple months ago but yeah

1583

01:24:03,060 --> 01:24:00,120

her she's had some fairly incredible

1584

01:24:04,830 --> 01:24:03,070

experiences if there wasn't such a time

1585

01:24:07,770 --> 01:24:04,840

difference between here in Australia we

1586

01:24:12,660 --> 01:24:07,780

would like to have her on but I've been

1587

01:24:15,180 --> 01:24:12,670

able to make contact but okay now we

1588

01:24:16,830 --> 01:24:15,190

have we have this okay why do they need

1589

01:24:17,459 --> 01:24:16,840

physical craft that if they're able to

1590

01:24:22,529 --> 01:24:17,469

come here

1591

01:24:24,719 --> 01:24:22,539

it take on these plasma type of balls or

1592

01:24:27,049 --> 01:24:24,729

orbs as we call them what do they need

1593

01:24:30,709 --> 01:24:27,059

to come in metallic spacecraft for them

1594

01:24:34,979 --> 01:24:30,719

well the the craft appears to be

1595

01:24:36,959 --> 01:24:34,989

biomechanical and some people even

1596

01:24:43,379 --> 01:24:36,969

believe that it's all biological but I

1597

01:24:45,689 --> 01:24:43,389

don't agree with that but and and I am

1598

01:24:49,109 --> 01:24:45,699

NOT a physicist I've only taken one

1599

01:24:52,979 --> 01:24:49,119

course in physics so I say a lot of this

1600

01:24:56,989 --> 01:24:52,989

is better understood by theoretical

1601
01:25:02,759 --> 01:24:56,999
physicists than certainly by myself but

1602
01:25:05,310 --> 01:25:02,769
they do even though the craft is has a

1603
01:25:08,790 --> 01:25:05,320
metallic component and we know that it

1604
01:25:11,520 --> 01:25:08,800
has because the evidence has been

1605
01:25:14,669 --> 01:25:11,530
collected and analyzed over the the

1606
01:25:19,919 --> 01:25:14,679
years and laboratories so we know that

1607
01:25:23,810 --> 01:25:19,929
it has this mechanical component but it

1608
01:25:28,219 --> 01:25:23,820
also based upon the reports that I

1609
01:25:31,919 --> 01:25:28,229
receive seems to have a biological

1610
01:25:35,129 --> 01:25:31,929
component as well that it it seems to

1611
01:25:37,439 --> 01:25:35,139
control the craft that being in the

1612
01:25:40,560 --> 01:25:37,449
central core of that craft is almost

1613
01:25:44,450 --> 01:25:40,570

like being inside of a beating heart and

1614

01:25:49,919 --> 01:25:44,460

there seems to be intelligence inside of

1615

01:25:54,830 --> 01:25:49,929

that central core and I mean it sounds

1616

01:25:57,689 --> 01:25:54,840

crazy to us because we are so primitive

1617

01:26:01,339 --> 01:25:57,699

technologically and it doesn't seem to

1618

01:26:06,839 --> 01:26:01,349

be possible given our materialistic

1619

01:26:10,939 --> 01:26:06,849

scientific laws but I receive these

1620

01:26:13,739 --> 01:26:10,949

reports over and over and over again

1621

01:26:18,089 --> 01:26:13,749

even though some of this information

1622

01:26:20,160 --> 01:26:18,099

hasn't even been publicized well is it

1623

01:26:22,020 --> 01:26:20,170

really it really does make sense though

1624

01:26:24,719 --> 01:26:22,030

if you think about it because look at

1625

01:26:26,729 --> 01:26:24,729

all these reports that that people have

1626

01:26:29,009 --> 01:26:26,739

I mean just just regular you know like

1627

01:26:31,200 --> 01:26:29,019

that they see a UFO flying over their

1628

01:26:34,260 --> 01:26:31,210

house and they'll say

1629

01:26:37,170 --> 01:26:34,270

that they had the impression that the

1630

01:26:38,970 --> 01:26:37,180

craft knew that they were there that it

1631

01:26:42,260 --> 01:26:38,980

was aware of them that they just got

1632

01:26:45,830 --> 01:26:42,270

this feeling that whatever the UFO was

1633

01:26:51,030 --> 01:26:45,840

it was aware of them mm-hmm

1634

01:26:54,060 --> 01:26:51,040

yes that and supposedly the intelligence

1635

01:26:57,600 --> 01:26:54,070

of the non-human entities on that craft

1636

01:27:02,700 --> 01:26:57,610

is able to connect with the intelligence

1637

01:27:08,610 --> 01:27:02,710

of the craft so that they almost become

1638

01:27:12,000 --> 01:27:08,620

like one unit where everyone knows what

1639

01:27:15,150 --> 01:27:12,010

everyone else is doing and where they

1640

01:27:18,630 --> 01:27:15,160

are and I've been told that the the

1641

01:27:21,870 --> 01:27:18,640

craft is capable of deflecting anything

1642

01:27:24,660 --> 01:27:21,880

that is thrown at it so that it can

1643

01:27:29,430 --> 01:27:24,670

travel through space without being

1644

01:27:31,710 --> 01:27:29,440

destroyed I have a question of what to

1645

01:27:33,750 --> 01:27:31,720

throw out to both of you we hear so much

1646

01:27:36,510 --> 01:27:33,760

about well recently of course the

1647

01:27:38,400 --> 01:27:36,520

disclosure supposes disclosure has been

1648

01:27:41,070 --> 01:27:38,410

in the news there's been the article in

1649

01:27:46,530 --> 01:27:41,080

The New York Times and in some release

1650

01:27:51,930 --> 01:27:46,540

of video videos of these objects taken

1651
01:27:54,690 --> 01:27:51,940
under very good conditions who's holding

1652
01:27:57,720 --> 01:27:54,700
back on this and and and why would you

1653
01:27:59,610 --> 01:27:57,730
say it Kerry let's start out with that

1654
01:28:02,480 --> 01:27:59,620
with you what what I mean do you think

1655
01:28:05,850 --> 01:28:02,490
that there's a cover-up going on here

1656
01:28:08,850 --> 01:28:05,860
well most countries around the world

1657
01:28:14,430 --> 01:28:08,860
have released their UFO files the US

1658
01:28:16,350 --> 01:28:14,440
still remains defiant to do that there's

1659
01:28:19,890 --> 01:28:16,360
not so much of a cover-up anymore I

1660
01:28:22,590 --> 01:28:19,900
don't think is it's it's just the the

1661
01:28:26,910 --> 01:28:22,600
there's so much other world news going

1662
01:28:29,880 --> 01:28:26,920
on it Dwarfs event but yeah but there

1663
01:28:34,470 --> 01:28:29,890

hasn't been any major events either to

1664

01:28:38,160 --> 01:28:34,480

cover up so you know I I don't know I do

1665

01:28:39,780 --> 01:28:38,170

know that most other countries are going

1666

01:28:42,150 --> 01:28:39,790

ahead and saying yeah you know this has

1667

01:28:44,940 --> 01:28:42,160

been true and yeah we have been holding

1668

01:28:48,920 --> 01:28:44,950

back but this I mean they've been

1669

01:28:54,570 --> 01:28:48,930

releasing files for the last the US

1670

01:28:56,610 --> 01:28:54,580

doesn't want to do that but then on the

1671

01:28:58,290 --> 01:28:56,620

other hand the president gets on the

1672

01:29:01,920 --> 01:28:58,300

Gerry Kimmel show and he sits there and

1673

01:29:05,970 --> 01:29:01,930

talks about UFOs for you know five or

1674

01:29:08,220 --> 01:29:05,980

six minutes I mean so I mean yeah I

1675

01:29:10,530 --> 01:29:08,230

always say disclosure hell this was

1676

01:29:12,750 --> 01:29:10,540

disclosed a long time ago if you don't

1677

01:29:13,950 --> 01:29:12,760

if you don't want to you know a look at

1678

01:29:16,950 --> 01:29:13,960

it and you want to sweep it under the

1679

01:29:19,890 --> 01:29:16,960

carpet and say well it doesn't exist or

1680

01:29:24,150 --> 01:29:19,900

it doesn't I don't want it to exist in

1681

01:29:26,550 --> 01:29:24,160

my you know my my life I'd rather ignore

1682

01:29:30,900 --> 01:29:26,560

it well the information is there I mean

1683

01:29:33,330 --> 01:29:30,910

there have been the in fact it Tim when

1684

01:29:33,900 --> 01:29:33,340

I looked it up on Amazon 20,000 books on

1685

01:29:37,050 --> 01:29:33,910

the subject

1686

01:29:38,880 --> 01:29:37,060

UFOs and even if half of them are crap I

1687

01:29:40,830 --> 01:29:38,890

mean there's got to be a couple of

1688

01:29:42,360 --> 01:29:40,840

thousand then alright I mean we've had

1689

01:29:43,800 --> 01:29:42,370

some great guests on the show there are

1690

01:29:46,020 --> 01:29:43,810

people out there that have looked in

1691

01:29:49,890 --> 01:29:46,030

this you know and looked into this

1692

01:29:53,190 --> 01:29:49,900

subject very seriously for many many

1693

01:29:56,940 --> 01:29:53,200

years you know so the information is

1694

01:29:59,670 --> 01:29:56,950

there if you want to you know make it

1695

01:30:02,670 --> 01:29:59,680

available to yourself and if you don't

1696

01:30:04,200 --> 01:30:02,680

well that's your problem you know that's

1697

01:30:05,790 --> 01:30:04,210

what I always say I don't think anybody

1698

01:30:08,400 --> 01:30:05,800

has to get on the news at six o'clock

1699

01:30:11,730 --> 01:30:08,410

and and say the aliens are arrived

1700

01:30:13,320 --> 01:30:11,740

because those people I think there's a

1701

01:30:16,530 --> 01:30:13,330

good chance that they realize and if

1702

01:30:18,240 --> 01:30:16,540

they do and if they don't so what you

1703

01:30:21,930 --> 01:30:18,250

know I mean that's kind of my opinion on

1704

01:30:24,870 --> 01:30:21,940

this we either accept it or you don't

1705

01:30:27,510 --> 01:30:24,880

accept it you're open-minded people have

1706

01:30:30,150 --> 01:30:27,520

had the opportunity to understand that

1707

01:30:31,830 --> 01:30:30,160

we've been visited for decades they're

1708

01:30:34,680 --> 01:30:31,840

not gonna get on the six o'clock news

1709

01:30:36,420 --> 01:30:34,690

and do a presentation so yeah we covered

1710

01:30:39,000 --> 01:30:36,430

all this up because I mean it would

1711

01:30:42,030 --> 01:30:39,010

destroy it would it would cause panic it

1712

01:30:44,370 --> 01:30:42,040

would destroy I don't know if he would

1713

01:30:46,440 --> 01:30:44,380

cause I don't hey if this country can

1714

01:30:48,720 --> 01:30:46,450

get away with what's going on now in

1715

01:30:51,030 --> 01:30:48,730

this world I don't know if anything

1716

01:30:53,700 --> 01:30:51,040

would cause panic at this point you know

1717

01:30:55,500 --> 01:30:53,710

I don't know panic i i I think I would

1718

01:30:58,740 --> 01:30:55,510

well I I think a lot of people would

1719

01:31:01,740 --> 01:30:58,750

welcome a little attention from

1720

01:31:03,840 --> 01:31:01,750

you know out of space but Kathleen

1721

01:31:07,500 --> 01:31:03,850

you're you're in the you're in the

1722

01:31:10,050 --> 01:31:07,510

middle of this I mean do you see any any

1723

01:31:13,920 --> 01:31:10,060

major breakthrough it I mean is anybody

1724

01:31:15,900 --> 01:31:13,930

going to open the open the valve so to

1725

01:31:18,750 --> 01:31:15,910

speak and let out more of this

1726

01:31:21,210 --> 01:31:18,760

information or make some outstanding you

1727

01:31:23,400 --> 01:31:21,220

know a statement that will send us a

1728

01:31:26,160 --> 01:31:23,410

reeling out of the room or back on our

1729

01:31:28,530 --> 01:31:26,170

heels I'm somewhat pessimistic about

1730

01:31:32,190 --> 01:31:28,540

that and the reason for that is the

1731

01:31:35,300 --> 01:31:32,200

experience or survey demonstrated to me

1732

01:31:38,280 --> 01:31:35,310

that experiencers view themselves

1733

01:31:42,330 --> 01:31:38,290

differently than those who are not they

1734

01:31:46,860 --> 01:31:42,340

view themselves as people of Earth not

1735

01:31:50,480 --> 01:31:46,870

as someone who has a loyalty to a little

1736

01:31:55,470 --> 01:31:50,490

nationalistic country yeah yeah the

1737

01:32:00,890 --> 01:31:55,480

government's view themselves in a very

1738

01:32:07,200 --> 01:32:00,900

nationalistic kind of way our economy is

1739

01:32:10,370 --> 01:32:07,210

based upon war and and and building

1740

01:32:14,910 --> 01:32:10,380

weapons and a lot of money is to be made

1741

01:32:21,960 --> 01:32:14,920

by doing that yes though you be there's

1742

01:32:24,710 --> 01:32:21,970

no money in orbs that we are being

1743

01:32:28,140 --> 01:32:24,720

visited by an X or several

1744

01:32:30,000 --> 01:32:28,150

extraterrestrial civilizations 70 of

1745

01:32:32,520 --> 01:32:30,010

them I I heard I don't know 70 of them

1746

01:32:36,990 --> 01:32:32,530

they're coming yeah we would begin to

1747

01:32:40,140 --> 01:32:37,000

view ourselves as one world and that

1748

01:32:44,580 --> 01:32:40,150

would be a financial disaster for those

1749

01:32:48,510 --> 01:32:44,590

who have an interest in making money

1750

01:32:51,440 --> 01:32:48,520

through war and through I guess so hey

1751

01:32:55,230 --> 01:32:51,450

we're coming up we're coming up on the

1752

01:32:57,150 --> 01:32:55,240

gonna say witching hour here and we're

1753

01:32:58,950 --> 01:32:57,160

all gonna turn into orbs in a couple of

1754

01:33:01,140 --> 01:32:58,960

minutes so I want to give you all the

1755

01:33:02,610 --> 01:33:01,150

opportunity I carried to tell us where

1756

01:33:05,430 --> 01:33:02,620

can they get your book what are you up

1757

01:33:10,350 --> 01:33:05,440

to and how can people get in touch with

1758

01:33:11,710 --> 01:33:10,360

you well it's gonna Mazon the name of

1759

01:33:14,620 --> 01:33:11,720

the novelist traveler

1760

01:33:16,630 --> 01:33:14,630

it's by me Carrie Trent Haggard that's

1761

01:33:19,510 --> 01:33:16,640

the easiest way to find it's just my

1762

01:33:22,840 --> 01:33:19,520

name's ke rry Trent Haggard and

1763

01:33:25,900 --> 01:33:22,850

1765

01:33:31,630 --> 01:33:28,190

antique car so that's what I'm doing

1766

01:33:34,810 --> 01:33:31,640

all right antique car you know I used to

1767

01:33:36,370 --> 01:33:34,820

go and visit Muhammad Ali and he had

1768

01:33:37,900 --> 01:33:36,380

what he had classic cars I don't know if

1769

01:33:40,900 --> 01:33:37,910

there would be considered antique or not

1770

01:33:44,670 --> 01:33:40,910

but he had quite a collection of cars

1771

01:33:50,560 --> 01:33:44,680

and Kathleen where do you go from here

1772

01:33:52,270 --> 01:33:50,570

1776

01:34:04,210 --> 01:34:00,440
