

EXPLORING THE BIZARRE

1
00:00:37,459 --> 00:00:21,830

[Music]

2
00:00:44,420 --> 00:00:42,509

explode the bazaar or e-ticket ride into

3
00:00:47,700 --> 00:00:44,430

the world of the paranoid

4
00:00:52,009 --> 00:00:47,710

strap yourself in as we traverse the

5
00:00:55,100 --> 00:00:52,019

universe exploring the unexplained UFO s

6
00:00:57,509 --> 00:00:55,110

ghosts Lost Worlds

7
00:01:01,349 --> 00:00:57,519

cryptozoology waters as well as other

8
00:01:06,480 --> 00:01:01,359

dimensions it's time to take back the

9
00:01:09,600 --> 00:01:06,490

night now your electrifying hosts of

10
00:01:18,779 --> 00:01:09,610

exploring the bizarre Timothy Begley and

11
00:01:22,380 --> 00:01:18,789

team sports one two three four one two

12
00:01:25,350 --> 00:01:22,390

three four Tim oh why are you walking

13
00:01:30,029 --> 00:01:25,360

around in a circle with a ripe one over

14

00:01:33,180 --> 00:01:30,039

your shoulder well we've got some nasty

15

00:01:37,889 --> 00:01:33,190

aliens afoot tonight and I'm protecting

16

00:01:41,070 --> 00:01:37,899

our guest to the radio station I mean we

17

00:01:44,130 --> 00:01:41,080

got a vigil in here well what kind of

18

00:01:46,770 --> 00:01:44,140

gun is that you're carrying well what

19

00:01:58,459 --> 00:01:46,780

else my official issue Flash Gordon

20

00:02:00,959 --> 00:01:58,469

Raygun oh boy to get corner every week

21

00:02:07,000 --> 00:02:00,969

there's nothing there's nothing like

22

00:02:14,370 --> 00:02:10,520

[Laughter]

23

00:02:16,259 --> 00:02:14,380

Jasper Indiana Oh everything is is going

24

00:02:18,780 --> 00:02:16,269

right here in Jasper

25

00:02:22,680 --> 00:02:18,790

beautiful weather it's almost summer

26
00:02:24,750 --> 00:02:22,690
time and and and we've got a we've got a

27
00:02:29,599 --> 00:02:24,760
great show tonight because we're gonna

28
00:02:34,229 --> 00:02:29,609
be addressing our favorite subject oh

29
00:02:36,660 --> 00:02:34,239
you bet and you know just by coincidence

30
00:02:39,300 --> 00:02:36,670
and of course there is no coincidence as

31
00:02:42,090 --> 00:02:39,310
far as I'm concerned it just happens to

32
00:02:45,630 --> 00:02:42,100
coincide our topic tonight or about this

33
00:02:48,390 --> 00:02:45,640
little hazy aliens the ones that you you

34
00:02:49,940 --> 00:02:48,400
know you want to cover your back because

35
00:02:52,510 --> 00:02:49,950
you don't know whether there

36
00:02:55,369 --> 00:02:52,520
today they may not be as good as they

37
00:02:58,100 --> 00:02:55,379
seem to be a pretend to be or what other

38
00:03:00,170 --> 00:02:58,110

people say that they are because we just

39

00:03:04,570 --> 00:03:00,180

came out with a book and I mean this

40

00:03:08,979 --> 00:03:04,580

sucker is 450 pages is called UFO

41

00:03:11,240 --> 00:03:08,989

hostilities and the evil alien agenda

42

00:03:14,720 --> 00:03:11,250

lethal encounters with alter

43

00:03:17,509 --> 00:03:14,730

terrestrials exposed invasion abduction

44

00:03:19,369 --> 00:03:17,519

implants vanished and death not

45

00:03:23,539 --> 00:03:19,379

necessarily in that order

46

00:03:27,080 --> 00:03:23,549

so our guest tonight I think will have

47

00:03:32,690 --> 00:03:27,090

something to add to the the subject of

48

00:03:36,250 --> 00:03:32,700

UFO hostility and we better cover all

49

00:03:40,699 --> 00:03:36,260

our parameters so here just to be on the

50

00:03:43,400 --> 00:03:40,709

the safe side I know Darrell is the

51
00:03:47,960 --> 00:03:43,410
Alien Hunter but it could never be two

52
00:03:51,110 --> 00:03:47,970
of Shourd well that's that's right well

53
00:03:52,940 --> 00:03:51,120
I mean and with Darrell and when you say

54
00:03:59,470 --> 00:03:52,950
Darrell it's narrow Sims we also have

55
00:04:02,569 --> 00:03:59,480
Alan Godfrey so I mean this UFOs and

56
00:04:04,819 --> 00:04:02,579
possible alien interactions that's

57
00:04:08,629 --> 00:04:04,829
something that we just we love to talk

58
00:04:10,789 --> 00:04:08,639
about here on exploring the bizarre well

59
00:04:13,910 --> 00:04:10,799
why don't you go ahead and introduce our

60
00:04:17,080 --> 00:04:13,920
guests oh yeah definitely well okay Alan

61
00:04:19,550 --> 00:04:17,090
Godfrey now Alan was born in June of

62
00:04:22,009 --> 00:04:19,560
1947 now you know you're talking about

63
00:04:24,350 --> 00:04:22,019

synchronicities there you go Jay there's

64

00:04:27,500 --> 00:04:24,360

a great synchronicity well he was born

65

00:04:31,250 --> 00:04:27,510

he was born a few days.the the weeks

66

00:04:36,650 --> 00:04:31,260

before I was because I'm a July 47 baby

67

00:04:41,390 --> 00:04:36,660

myself there you go and so Alan's family

68

00:04:42,760 --> 00:04:41,400

lived in the town of Todmorden which I

69

00:04:45,560 --> 00:04:42,770

think I'm pronouncing that correctly

70

00:04:47,210 --> 00:04:45,570

which swayed at the center of Three

71

00:04:50,890 --> 00:04:47,220

Valleys merging together and they became

72

00:04:56,300 --> 00:04:50,900

known as UFO Valley in later years now

73

00:05:00,140 --> 00:04:56,310

Godfrey is probably best known for his

74

00:05:01,710 --> 00:05:00,150

discovery along with another officer of

75

00:05:05,190 --> 00:05:01,720

the body of

76

00:05:07,710 --> 00:05:05,200

Sigmund Adamski at a railway railway

77

00:05:11,040 --> 00:05:07,720

coal yard the body found at the top of a

78

00:05:13,050 --> 00:05:11,050

large stack of gold coal had burn marks

79

00:05:15,630 --> 00:05:13,060

to the crown of the head and a larger

80

00:05:19,140 --> 00:05:15,640

burn mark of the nape of the neck adapt

81

00:05:21,540 --> 00:05:19,150

skated missing for six days and no one

82

00:05:25,020 --> 00:05:21,550

has been able to quite explain how it

83

00:05:30,720 --> 00:05:25,030

made it on top of that coal pile now on

84

00:05:34,230 --> 00:05:30,730

top of that Godfrey had his own unusual

85

00:05:37,770 --> 00:05:34,240

close encounter with a UFO which which

86

00:05:39,360 --> 00:05:37,780

led to further experiences throughout

87

00:05:43,170 --> 00:05:39,370

his life now he is the author of the

88

00:05:45,000 --> 00:05:43,180

book who or what were they using the

89

00:05:47,310 --> 00:05:45,010

notes and recordings that he made over

90

00:05:51,570 --> 00:05:47,320

those years while he was still serving

91

00:05:54,360 --> 00:05:51,580

as a police officer now with us tonight

92

00:05:56,130 --> 00:05:54,370

also as I said is Derrel Sims the Alien

93

00:05:58,860 --> 00:05:56,140

Hunter now Darryl was the world's

94

00:06:01,650 --> 00:05:58,870

leading expert on alien abductions and

95

00:06:04,920 --> 00:06:01,660

he's 38 plus years of field research has

96

00:06:07,140 --> 00:06:04,930

focused on physical evidence and led to

97

00:06:12,290 --> 00:06:07,150

his groundbreaking discovery of alien

98

00:06:14,510 --> 00:06:12,300

implants and something called alien

99

00:06:17,850 --> 00:06:14,520

fluorescence am i pronouncing that right

100

00:06:19,680 --> 00:06:17,860

Darryl you are that is correct

101
00:06:21,900 --> 00:06:19,690
yeah all right so now Darryl is a former

102
00:06:24,810 --> 00:06:21,910
military police officer and CIA

103
00:06:27,240 --> 00:06:24,820
operative and has a unique insight on

104
00:06:30,180 --> 00:06:27,250
the alien organization which he believes

105
00:06:32,909 --> 00:06:30,190
functions similarly to an intelligence

106
00:06:34,680 --> 00:06:32,919
agency Sims is also a compassionate and

107
00:06:37,080 --> 00:06:34,690
skilled therapist who has helped

108
00:06:39,510 --> 00:06:37,090
hundreds of alien experiencers all over

109
00:06:41,850 --> 00:06:39,520
the world come to terms with what they

110
00:06:43,770 --> 00:06:41,860
have witnessed now Sims discovered the

111
00:06:46,350 --> 00:06:43,780
alien implant phenomenon and pioneered

112
00:06:49,580 --> 00:06:46,360
research protocols orchestrating first

113
00:06:52,950 --> 00:06:49,590

public surgeries and testing of alleged

114

00:06:55,080 --> 00:06:52,960

implants from the human body now Darryl

115

00:06:57,659 --> 00:06:55,090

zelpia also the author of the books

116

00:07:00,450 --> 00:06:57,669

Alien Hunter the evidence in light a

117

00:07:03,600 --> 00:07:00,460

book about alien abductions evidence and

118

00:07:07,050 --> 00:07:03,610

alien hunter evidence and truth about

119

00:07:08,340 --> 00:07:07,060

alien imprint the implants so Darryl

120

00:07:12,390 --> 00:07:08,350

Allen thank you very much for being with

121

00:07:14,430 --> 00:07:12,400

us tonight on exploring the bizarre well

122

00:07:15,270 --> 00:07:14,440

well you know I just wanna I just want

123

00:07:18,180 --> 00:07:15,280

to say at the beginning

124

00:07:21,330 --> 00:07:18,190

show that it I'm really excited about

125

00:07:24,000 --> 00:07:21,340

interviewing Alan and I have not spoke

126

00:07:29,159 --> 00:07:24,010

to a Darryl in in quite a number of

127

00:07:32,640 --> 00:07:29,169

years when we were putting on our UFO

128

00:07:36,659 --> 00:07:32,650

conferences out west mainly in San Diego

129

00:07:39,930 --> 00:07:36,669

and in Phoenix Arizona a Darrell would

130

00:07:42,600 --> 00:07:39,940

come and speak to our group and he's got

131

00:07:45,180 --> 00:07:42,610

some really hardcore evidence I mean you

132

00:07:47,780 --> 00:07:45,190

know hypnosis is is one thing is

133

00:07:51,990 --> 00:07:47,790

certainly and it is a controversial

134

00:07:55,620 --> 00:07:52,000

factor among UFO researchers some of

135

00:07:57,960 --> 00:07:55,630

whom say well you know under hypnosis

136

00:08:00,540 --> 00:07:57,970

you're likely to remember anything and a

137

00:08:02,850 --> 00:08:00,550

lot of business memories and I'm sure

138

00:08:06,600 --> 00:08:02,860

we'll get into that this evening but

139

00:08:10,409 --> 00:08:06,610

Darryl on the other hand he's hardcore I

140

00:08:13,490 --> 00:08:10,419

mean he comes packing evidence physical

141

00:08:17,490 --> 00:08:13,500

evidence that you're not likely to see

142

00:08:19,230 --> 00:08:17,500

you know anywhere else but I do want to

143

00:08:22,530 --> 00:08:19,240

start out our little discussion here

144

00:08:24,510 --> 00:08:22,540

this evening with Alan and you know Alan

145

00:08:28,710 --> 00:08:24,520

I must say that I was very impressed

146

00:08:32,010 --> 00:08:28,720

with your book it is a very readable and

147

00:08:35,510 --> 00:08:32,020

I think people will get a lot about a

148

00:08:37,529 --> 00:08:35,520

lot about your case by picking it up and

149

00:08:39,480 --> 00:08:37,539

reading it because it gives a lot of

150

00:08:42,899 --> 00:08:39,490

details not only about the year case

151

00:08:45,920 --> 00:08:42,909

itself but about your own your own the

152

00:08:50,640 --> 00:08:45,930

background and growing up in the UK and

153

00:08:54,240 --> 00:08:50,650

so forth now I think I want to start

154

00:08:56,579 --> 00:08:54,250

back well on the day that you found mr.

155

00:09:00,300 --> 00:08:56,589

Adam ski up there in the cold a pile

156

00:09:02,370 --> 00:09:00,310

when was that exactly and how I've

157

00:09:05,700 --> 00:09:02,380

always said I wanted to know how high up

158

00:09:10,079 --> 00:09:05,710

was the the the the body

159

00:09:12,740 --> 00:09:10,089

well good hello from the UK to Tim Kim

160

00:09:15,360 --> 00:09:12,750

and Darryl oh you're all panting well

161

00:09:19,500 --> 00:09:15,370

I'm trying my best to keep awake it's

162

00:09:23,370 --> 00:09:19,510

three o'clock in the morning here I've

163

00:09:24,329 --> 00:09:23,380

got when she coffee on the go can you

164

00:09:28,050 --> 00:09:24,339

understand me

165

00:09:30,300 --> 00:09:28,060

oh absolutely absolutely all right so go

166

00:09:32,040 --> 00:09:30,310

tell it you know tell us how you because

167

00:09:33,960 --> 00:09:32,050

you worry what you know I don't get the

168

00:09:36,180 --> 00:09:33,970

impression that you were a big you know

169

00:09:40,380 --> 00:09:36,190

fan of science fiction or UFOs or

170

00:09:43,680 --> 00:09:40,390

anything before I've never been

171

00:09:46,980 --> 00:09:43,690

interested in UFOs as such I'm certainly

172

00:09:49,740 --> 00:09:46,990

not an investigator I'm merely a witness

173

00:09:52,590 --> 00:09:49,750

to two very strange events that occurred

174

00:09:54,150 --> 00:09:52,600

in my life and the first one which

175

00:09:57,480 --> 00:09:54,160

you've mentioned I've been a police

176

00:10:02,430 --> 00:09:57,490

officer at that time for about five

177

00:10:04,920 --> 00:10:02,440

years it was June of 1980 I was on foot

178

00:10:08,880 --> 00:10:04,930

patrol in the town center of Tom burden

179

00:10:10,950 --> 00:10:08,890

and my colleague PC Malcolm apley it was

180

00:10:12,180 --> 00:10:10,960

driving one of the squad cars as you

181

00:10:15,900 --> 00:10:12,190

call them over there

182

00:10:19,170 --> 00:10:15,910

and we got a message over the car radio

183

00:10:21,450 --> 00:10:19,180

on my personal radio that there have

184

00:10:23,940 --> 00:10:21,460

been a discovery of a dead body in a

185

00:10:27,510 --> 00:10:23,950

coal yard adjacent to Tom Dan railway

186

00:10:32,520 --> 00:10:27,520

station now the coal yard is situated in

187

00:10:33,810 --> 00:10:32,530

an area which is very well not a lot of

188

00:10:36,030 --> 00:10:33,820

people actually even the town has

189

00:10:38,760 --> 00:10:36,040

probably never been up there well

190

00:10:41,990 --> 00:10:38,770

nevertheless the owner of the coal yard

191

00:10:44,820 --> 00:10:42,000

well I think it was his son actually

192

00:10:49,470 --> 00:10:44,830

discovered the body I think it was the

193

00:10:50,850 --> 00:10:49,480

June the 6th of 1980 we attended the C

194

00:11:07,290 --> 00:10:50,860

so that that would be the anniversary

195

00:11:10,290 --> 00:11:07,300

today whatever it's the anniversary ok

196

00:11:12,420 --> 00:11:10,300

it was a it was a day in June a very

197

00:11:16,110 --> 00:11:12,430

strange danger because it was absolutely

198

00:11:18,930 --> 00:11:16,120

pouring down with rain anyway we

199

00:11:21,420 --> 00:11:18,940

attended the scene and the ambulance

200

00:11:23,940 --> 00:11:21,430

service was in attendance because it was

201
00:11:27,120 --> 00:11:23,950
the ambulance service that the owner of

202
00:11:29,100 --> 00:11:27,130
the coal yard had contacted first and it

203
00:11:32,370 --> 00:11:29,110
was ambulance service that contacted was

204
00:11:34,290 --> 00:11:32,380
the police on arrival at the at the

205
00:11:36,690 --> 00:11:34,300
scene

206
00:11:40,290 --> 00:11:36,700
you concede the body from where we read

207
00:11:44,190 --> 00:11:40,300
father the car we walked into the call

208
00:11:47,250 --> 00:11:44,200
yard it was a shape a horseshoe with

209
00:11:53,100 --> 00:11:47,260
corals all around the edging and swim in

210
00:11:55,350 --> 00:11:53,110
the middle next to the call hopper as

211
00:11:57,240 --> 00:11:55,360
you walk around the front you could see

212
00:12:00,300 --> 00:11:57,250
the stack of kool-aid I'm going to guess

213
00:12:06,750 --> 00:12:00,310

he about 1215 feet high something like

214

00:12:09,390 --> 00:12:06,760

that very steep it was being held up at

215

00:12:12,000 --> 00:12:09,400

the back by railway sleepers wooden

216

00:12:14,550 --> 00:12:12,010

railway sleepers on the way to get to

217

00:12:17,240 --> 00:12:14,560

the body you have to climb these railway

218

00:12:20,010 --> 00:12:17,250

sleepers which are very wet and slippery

219

00:12:22,380 --> 00:12:20,020

Malcolm was the first one oh he was the

220

00:12:25,170 --> 00:12:22,390

more senior PC than I was he'd been in

221

00:12:29,850 --> 00:12:25,180

the job a bit longer than me and he was

222

00:12:31,710 --> 00:12:29,860

this shout anyway I I saw him climb up

223

00:12:34,530 --> 00:12:31,720

and I watched what he was doing and he

224

00:12:36,930 --> 00:12:34,540

he went he kept looking down at me and

225

00:12:38,520 --> 00:12:36,940

shaking his head and he came back down

226

00:12:43,380 --> 00:12:38,530

he says I think you better go and have a

227

00:12:47,310 --> 00:12:43,390

look so I climbed the sleepers as he got

228

00:12:49,560 --> 00:12:47,320

to the top he was quite he was level

229

00:12:51,570 --> 00:12:49,570

with the body and yeah as I looked I

230

00:12:55,230 --> 00:12:51,580

looked down I was actually looking at

231

00:12:59,400 --> 00:12:55,240

his head his face his eyes were wide

232

00:13:01,410 --> 00:12:59,410

open I noticed that he wasn't wearing a

233

00:13:05,210 --> 00:13:01,420

shirt under his jacket he was wearing

234

00:13:08,730 --> 00:13:05,220

what we call an England a string vest

235

00:13:10,290 --> 00:13:08,740

his charles's looked - ah didn't fit him

236

00:13:11,940 --> 00:13:10,300

properly or they've been poor in my

237

00:13:14,850 --> 00:13:11,950

opinion I thought he'd been dressed up

238

00:13:19,350 --> 00:13:14,860

to death and he was just lying on his

239

00:13:23,010 --> 00:13:19,360

back facing upwards daddy's out his arms

240

00:13:28,380 --> 00:13:23,020

were kinda across his body near the

241

00:13:32,330 --> 00:13:28,390

tummy area but those eyes and I've seen

242

00:13:35,580 --> 00:13:32,340

quite a few dead bodies in my service

243

00:13:38,640 --> 00:13:35,590

those eyes the there was something about

244

00:13:41,590 --> 00:13:38,650

them that it made you go backwards

245

00:13:44,230 --> 00:13:41,600

anyway Elaine

246

00:13:48,160 --> 00:13:44,240

down and I turn I turned his head over

247

00:13:50,439 --> 00:13:48,170

to the left-hand side and you could see

248

00:13:52,720 --> 00:13:50,449

the burn marks their individual burn

249

00:13:56,230 --> 00:13:52,730

marks at the as I said at the crown of

250

00:13:58,720 --> 00:13:56,240

the head the era of being here was crop

251
00:14:01,059 --> 00:13:58,730
right short but it looked roughly

252
00:14:04,509 --> 00:14:01,069
cropped he didn't look like a bar blood

253
00:14:07,269 --> 00:14:04,519
on it at all and as you turned the head

254
00:14:09,910 --> 00:14:07,279
over I could see on the nape of the neck

255
00:14:13,059 --> 00:14:09,920
this open tight room and there was a

256
00:14:14,980 --> 00:14:13,069
green yellowy substance had been smeared

257
00:14:20,650 --> 00:14:14,990
over it I think it's quite thick

258
00:14:22,480 --> 00:14:20,660
actually unto to what it was came back

259
00:14:25,449 --> 00:14:22,490
down under where we Malcolm we both

260
00:14:28,990 --> 00:14:25,459
agreed that we needed to call our way

261
00:14:31,660 --> 00:14:29,000
call CID which I don't what the

262
00:14:34,030 --> 00:14:31,670
equivalent is in in America Vote lead

263
00:14:37,930 --> 00:14:34,040

they don't wear uniforms are in that

264

00:14:42,519 --> 00:14:37,940

sippy dress the investigators if you

265

00:14:45,069 --> 00:14:42,529

like they attended the scene and then

266

00:14:49,269 --> 00:14:45,079

there was a procession then of senior

267

00:14:53,050 --> 00:14:49,279

officers and other CID and doctor and

268

00:14:57,400 --> 00:14:53,060

this poor surgeon came and pronounced

269

00:14:59,860 --> 00:14:57,410

life extinct and always like in America

270

00:15:02,620 --> 00:14:59,870

but in England the dead bodies not dead

271

00:15:07,660 --> 00:15:02,630

till the doctor says he's dead even if

272

00:15:09,340 --> 00:15:07,670

he said were missing the body then was

273

00:15:12,639 --> 00:15:09,350

photographed by Annette were scenes of

274

00:15:15,670 --> 00:15:12,649

crime officers and the body was taken

275

00:15:21,819 --> 00:15:15,680

away to Hebden Bridge the local mortuary

276

00:15:24,579 --> 00:15:21,829

and the pathologist performed as you

277

00:15:29,110 --> 00:15:24,589

could say over there an autopsy later

278

00:15:32,499 --> 00:15:29,120

that day and he took a sample of the

279

00:15:33,759 --> 00:15:32,509

substance that was smeared on the wound

280

00:15:37,509 --> 00:15:33,769

at the back of the neck

281

00:15:39,610 --> 00:15:37,519

and that was sent away to our forensic

282

00:15:41,050 --> 00:15:39,620

laboratories home office forensic

283

00:15:45,699 --> 00:15:41,060

laboratories at Weatherby North

284

00:15:49,030 --> 00:15:45,709

Yorkshire and when I jump a few bits now

285

00:15:53,920 --> 00:15:49,040

when that report came back from the

286

00:15:56,860 --> 00:15:53,930

pathology I've just lost me words for a

287

00:16:01,389 --> 00:15:56,870

minute to apologize from the forensic

288

00:16:04,689 --> 00:16:01,399

laboratories they couldn't describe or

289

00:16:07,540 --> 00:16:04,699

didn't if I what the substance was which

290

00:16:08,110 --> 00:16:07,550

was seeping gobsmacking when you think

291

00:16:13,059 --> 00:16:08,120

of everything

292

00:16:14,650 --> 00:16:13,069

I was scientists couldn't identify what

293

00:16:17,100 --> 00:16:14,660

that substance was that have been

294

00:16:20,860 --> 00:16:17,110

smear'd on the back of this guy's neck

295

00:16:23,769 --> 00:16:20,870

and investigations patrol that I've been

296

00:16:27,160 --> 00:16:23,779

going on trying to find out who the guy

297

00:16:28,509 --> 00:16:27,170

was he wasn't local and it transpired

298

00:16:31,689 --> 00:16:28,519

that he came from a little village

299

00:16:32,319 --> 00:16:31,699

called tingly near Wakefield in West

300

00:16:36,730 --> 00:16:32,329

Yorkshire

301

00:16:40,090 --> 00:16:36,740

some 20 25 miles away and he'd been

302

00:16:45,480 --> 00:16:40,100

reported missing from home for six days

303

00:16:53,379 --> 00:16:48,879

it was called Sigmund Adamski was 56

304

00:16:55,120 --> 00:16:53,389

years of age it was a semicolon he was

305

00:16:58,420 --> 00:16:55,130

retiring from the call it was a coal

306

00:17:01,389 --> 00:16:58,430

miner and it were in for early

307

00:17:04,120 --> 00:17:01,399

retirement but well he did received the

308

00:17:07,020 --> 00:17:04,130

information that he had been retired

309

00:17:09,850 --> 00:17:07,030

unfortunately it arrived after he died

310

00:17:12,669 --> 00:17:09,860

in no connection with the town of Tom

311

00:17:14,699 --> 00:17:12,679

burden whatsoever no relatives as far as

312

00:17:17,850 --> 00:17:14,709

we know he'd never been here before and

313

00:17:21,760 --> 00:17:17,860

it was just a complete mystery

314

00:17:26,220 --> 00:17:21,770

eventually it was a what we call an

315

00:17:30,100 --> 00:17:26,230

inquest and at the inquest deeper the

316

00:17:35,169 --> 00:17:30,110

home office record if you like the

317

00:17:39,039 --> 00:17:35,179

coroner said it was left an open verdict

318

00:17:40,960 --> 00:17:39,049

he wasn't very unhappy with that there

319

00:17:43,450 --> 00:17:40,970

were no information coming forward from

320

00:17:45,940 --> 00:17:43,460

anybody and by which why was a year what

321

00:17:49,539 --> 00:17:45,950

happened to him where has he been for

322

00:17:53,080 --> 00:17:49,549

the last six days there was nothing and

323

00:17:56,350 --> 00:17:53,090

he left an open verdict and but the

324

00:17:59,950 --> 00:17:56,360

surprising thing was that I wasn't

325

00:18:02,810 --> 00:17:59,960

called Malcolm wasn't called the owner

326

00:18:05,600 --> 00:18:02,820

of the coal yard I believe wasn't called

327

00:18:09,080 --> 00:18:05,610

a leading firemen who work part-time for

328

00:18:14,930 --> 00:18:09,090

the coal yard have been in attendance of

329

00:18:17,720 --> 00:18:14,940

the coal yard itself some say two hours

330

00:18:22,129 --> 00:18:17,730

before the body was discovered yet to

331

00:18:24,620 --> 00:18:22,139

post-mortem he the pathologist had given

332

00:18:29,120 --> 00:18:24,630

the time of death which would have

333

00:18:33,039 --> 00:18:29,130

coincided with being before the leading

334

00:18:35,810 --> 00:18:33,049

firemen had attended a quarry on which

335

00:18:39,590 --> 00:18:35,820

leads you to believe well if he wasn't

336

00:18:43,100 --> 00:18:39,600

there two hours after his allegedly died

337

00:18:43,940 --> 00:18:43,110

where the LED beam never there's been a

338

00:18:46,430 --> 00:18:43,950

coupler

339

00:18:48,139 --> 00:18:46,440

well I always under thought over these

340

00:18:54,860 --> 00:18:48,149

years many years ago obviously now

341

00:18:56,840 --> 00:18:54,870

there's two things one did he have a

342

00:18:59,779 --> 00:18:56,850

heart attack which is what the coroner

343

00:19:02,600 --> 00:18:59,789

said yeah and why would a man with a

344

00:19:04,369 --> 00:19:02,610

dick er climb a stack of coal in the

345

00:19:07,369 --> 00:19:04,379

pouring rain on his own

346

00:19:08,950 --> 00:19:07,379

lie down on his back and die doesn't

347

00:19:13,190 --> 00:19:08,960

make sense

348

00:19:16,909 --> 00:19:13,200

somewhere else

349

00:19:20,509 --> 00:19:16,919

moved the body why would they stick him

350

00:19:25,450 --> 00:19:20,519

on top of a pile of Holly again how

351

00:19:29,810 --> 00:19:28,730

trying to say if he died from natural

352

00:19:32,840 --> 00:19:29,820

causes

353

00:19:35,180 --> 00:19:32,850

like the pathologist said he did then

354

00:19:35,810 --> 00:19:35,190

surely wherever we was with him at the

355

00:19:37,730 --> 00:19:35,820

time

356

00:19:40,310 --> 00:19:37,740

would have called for an ambulance you

357

00:19:42,919 --> 00:19:40,320

know it makes sense to look now if he

358

00:19:45,950 --> 00:19:42,929

was with say somebody

359

00:19:49,149 --> 00:19:45,960

this is surmise and he's not never been

360

00:19:52,210 --> 00:19:49,159

proven it's just my thoughts if he'd

361

00:19:56,779 --> 00:19:52,220

been held against his will shall we say

362

00:19:58,460 --> 00:19:56,789

and he died you dumped the body I did

363

00:20:02,389 --> 00:19:58,470

you wouldn't stick it on top of a pile

364

00:20:04,940 --> 00:20:02,399

of coal they just the old scenario it

365

00:20:06,789 --> 00:20:04,950

doesn't make sense now obviously since

366

00:20:13,159 --> 00:20:06,799

that time

367

00:20:15,860 --> 00:20:13,169

plenty of media people papers radio TV

368

00:20:19,640 --> 00:20:15,870

we've all tried to get over the file and

369

00:20:21,950 --> 00:20:19,650

I'm sorry to say it's classified as soon

370

00:20:24,140 --> 00:20:21,960

as the inquest was over you cannot get

371

00:20:30,890 --> 00:20:24,150

it over that file I love them the money

372

00:20:33,649 --> 00:20:30,900

oh is it classified by you tell me their

373

00:20:35,299 --> 00:20:33,659

rubber stomach yeah because here here

374

00:20:39,350 --> 00:20:35,309

here in the US I don't know if it's the

375

00:20:40,820 --> 00:20:39,360

same in the UK if it's a police case

376

00:20:44,330 --> 00:20:40,830

like that would be a matter of public

377

00:20:46,430 --> 00:20:44,340

record all the fight files including if

378

00:20:49,190 --> 00:20:46,440

they're ready 9-1-1 calls or anything

379

00:20:52,399 --> 00:20:49,200

like that I mean are almost immediately

380

00:20:54,260 --> 00:20:52,409

made public perhaps unless it has

381

00:20:56,240 --> 00:20:54,270

something to do with a juvenile or

382

00:20:56,990 --> 00:20:56,250

something along that no I know where

383

00:20:58,399 --> 00:20:57,000

you're coming from

384

00:21:01,360 --> 00:20:58,409

well that would normally happen in

385

00:21:05,600 --> 00:21:01,370

England ninety-nine percent of the time

386

00:21:08,690 --> 00:21:05,610

yeah for some reason this particular

387

00:21:11,690 --> 00:21:08,700

case zilch

388

00:21:13,460 --> 00:21:11,700

what was their military interest in it I

389

00:21:16,100 --> 00:21:13,470

mean did somebody come along from the

390

00:21:30,320 --> 00:21:16,110

mod what was Nick Pope climbing up the

391

00:21:32,899 --> 00:21:30,330

ladder with you or well I'm a no man yes

392

00:21:35,510 --> 00:21:32,909

no no but I mean was there any military

393

00:21:38,980 --> 00:21:35,520

interest in this later on or at any

394

00:21:42,320 --> 00:21:38,990

point all I can say to you is that

395

00:21:44,779 --> 00:21:42,330

sometime later after they after all the

396

00:21:53,000 --> 00:21:44,789

incidents I'm getting a bit with sore

397

00:21:55,340 --> 00:21:53,010

throat I do apologize I was called after

398

00:21:58,520 --> 00:21:55,350

the dead body right because I'm Sigma 2

399

00:22:01,909 --> 00:21:58,530

dansgame he was six months later and had

400

00:22:06,440 --> 00:22:01,919

my encounter and when they are being

401
00:22:09,409 --> 00:22:06,450
counter I was calling to one of the

402
00:22:13,730 --> 00:22:09,419
bosses offices as you've obviously read

403
00:22:15,680 --> 00:22:13,740
in the book and I was reminded that I'd

404
00:22:17,669 --> 00:22:15,690
signed the Official Secrets Act which is

405
00:22:20,289 --> 00:22:17,679
a big thing in Britain

406
00:22:22,959 --> 00:22:20,299
and under that I was ordered not to

407
00:22:28,599 --> 00:22:22,969
speak about zigmund Adamski on our UFO

408
00:22:30,699 --> 00:22:28,609
encounter so for the consequences so the

409
00:22:45,190 --> 00:22:30,709
identity that would be that would be a

410
00:22:48,399 --> 00:22:45,200
prolonged sore throat well that just

411
00:22:52,539 --> 00:22:48,409
seems so so weird I mean talk about

412
00:22:56,139 --> 00:22:52,549
being just you know off the the wall as

413
00:22:59,349 --> 00:22:56,149

the expression goes here I mean it's a

414

00:23:02,199 --> 00:22:59,359

it's a it's a mystery I mean for darn

415

00:23:05,639 --> 00:23:02,209

sure about how the body got up there on

416

00:23:09,549 --> 00:23:05,649

the cold the pile and and what it would

417

00:23:11,889 --> 00:23:09,559

you know why I mean did it look like it

418

00:23:15,219 --> 00:23:11,899

was dropped from the from the from the

419

00:23:15,639 --> 00:23:15,229

air at all was there any nothing like

420

00:23:19,299 --> 00:23:15,649

that

421

00:23:23,319 --> 00:23:19,309

no I can't say all I can say is he was

422

00:23:26,139 --> 00:23:23,329

lying in a position on his back facing

423

00:23:30,489 --> 00:23:26,149

upwards his jacket was undone

424

00:23:33,039 --> 00:23:30,499

his shirt was missing and I hear I hear

425

00:23:37,419 --> 00:23:33,049

a commercial break coming we'll be back

426
00:23:39,759 --> 00:23:37,429
in just a couple of minutes with more of

427
00:23:50,919 --> 00:23:39,769
this exciting news story and we'll be

428
00:23:57,649 --> 00:23:55,070
now that to exploring the bazaar with

429
00:24:00,950 --> 00:23:57,659
two of the most electrifying researchers

430
00:24:06,740 --> 00:24:00,960
in the Paranoid your hosts Timothy Becky

431
00:24:09,259 --> 00:24:06,750
Lange and Taylor Swift's and welcome

432
00:24:13,460 --> 00:24:09,269
back to exploring the bazaar and we're

433
00:24:17,139 --> 00:24:13,470
certainly off to a bizarre start tonight

434
00:24:21,289 --> 00:24:17,149
Tim at this justice incredible story

435
00:24:23,180 --> 00:24:21,299
from Allen so what do we say we we bring

436
00:24:26,990 --> 00:24:23,190
Derrel Sims into the conversation now

437
00:24:28,870 --> 00:24:27,000
absolutely a Jim Dandy of a story but I

438
00:24:31,669 --> 00:24:28,880

I know

439

00:24:35,930 --> 00:24:31,679

Daryl and like I said many years and

440

00:24:40,190 --> 00:24:35,940

he's got some that will trump that case

441

00:24:41,690 --> 00:24:40,200

maybe or at least equal that Darryl tell

442

00:24:45,049 --> 00:24:41,700

us a little bit about your background I

443

00:24:47,769 --> 00:24:45,059

mean you you have some intelligence

444

00:24:50,930 --> 00:24:47,779

background you were in the military or I

445

00:24:52,730 --> 00:24:50,940

was senior military police officer as a

446

00:24:55,340 --> 00:24:52,740

combat cop

447

00:24:57,919 --> 00:24:55,350

during the Vietnam War era and I

448

00:25:01,159 --> 00:24:57,929

volunteered a left college volunteered

449

00:25:03,470 --> 00:25:01,169

for the Vietnam War and ended up sheep

450

00:25:05,960 --> 00:25:03,480

dipped that means taken out of the

451

00:25:08,629 --> 00:25:05,970

military and secretly placed into the

452

00:25:10,039 --> 00:25:08,639

intelligence community on purpose and

453

00:25:11,990 --> 00:25:10,049

you're basically your records

454

00:25:14,870 --> 00:25:12,000

disappeared for the time that you're

455

00:25:16,669 --> 00:25:14,880

involved and so nobody knew where I was

456

00:25:19,190 --> 00:25:16,679

at and nobody was supposed to inquire

457

00:25:24,470 --> 00:25:19,200

and I spent two years in covert

458

00:25:26,180 --> 00:25:24,480

operations in the CIA spy school and it

459

00:25:29,450 --> 00:25:26,190

was a weapons instructor there as well

460

00:25:31,970 --> 00:25:29,460

as a martial arts instructor then I was

461

00:25:36,820 --> 00:25:31,980

I spend my last year in the military in

462

00:25:39,320 --> 00:25:36,830

Korea my claim to fame on that one was

463

00:25:40,730 --> 00:25:39,330

fifty assassins from North Korea came

464

00:25:46,009 --> 00:25:40,740

down to kill the president of South

465

00:25:48,409 --> 00:25:46,019

Korea and we got 46 of them three of

466

00:25:49,789 --> 00:25:48,419

them got away and one of them he jumped

467

00:25:52,879 --> 00:25:49,799

out of a three-story building in North

468

00:25:54,470 --> 00:25:52,889

Korean major and shattered his knees and

469

00:25:55,850 --> 00:25:54,480

I was the one who guarded him because

470

00:25:57,350 --> 00:25:55,860

they we couldn't trust anybody else

471

00:25:58,460 --> 00:25:57,360

because the Koreans would have poison

472

00:26:01,250 --> 00:25:58,470

even

473

00:26:03,890 --> 00:26:01,260

his life was in the North Koreans later

474

00:26:07,850 --> 00:26:03,900

a few days later came back and tried to

475

00:26:11,000 --> 00:26:07,860

actually get him and me so how they knew

476
00:26:12,470 --> 00:26:11,010
where he was at was beyond me I had no

477
00:26:17,060 --> 00:26:12,480
idea how they figured that out

478
00:26:18,440 --> 00:26:17,070
they had great Intel hmm hopefully they

479
00:26:22,510 --> 00:26:18,450
don't have that anymore

480
00:26:25,490 --> 00:26:22,520
yeah yes but probably not okay okay so

481
00:26:27,409 --> 00:26:25,500
that's a law that's a law there are some

482
00:26:29,539 --> 00:26:27,419
people that are gonna say well at Daryl

483
00:26:32,029 --> 00:26:29,549
a bunch of intelligence always in

484
00:26:34,760 --> 00:26:32,039
intelligence can we clear that up and

485
00:26:38,930 --> 00:26:34,770
tell people that you're not being paid

486
00:26:40,610 --> 00:26:38,940
by some agency well if they're paying me

487
00:26:44,270 --> 00:26:40,620
I sure wish didn't send me a check

488
00:26:46,039 --> 00:26:44,280

because I haven't gotten real well for

489

00:26:49,909 --> 00:26:46,049

me you know it's been going to the wrong

490

00:26:51,919 --> 00:26:49,919

address yeah agent or something because

491

00:26:54,560 --> 00:26:51,929

there's no money involved

492

00:26:56,779 --> 00:26:54,570

now they there's a guy told me one time

493

00:26:58,010 --> 00:26:56,789

that he said once you're in you're

494

00:27:00,470 --> 00:26:58,020

always in and I said really

495

00:27:02,750 --> 00:27:00,480

I said are you familiar with the term

496

00:27:03,980 --> 00:27:02,760

family and he says no listen you really

497

00:27:06,289 --> 00:27:03,990

don't know very much about the

498

00:27:08,899 --> 00:27:06,299

intelligence community do you I said

499

00:27:12,950 --> 00:27:08,909

first of all once you're family you're

500

00:27:15,350 --> 00:27:12,960

not family forever if you do something

501
00:27:18,320 --> 00:27:15,360
wrong like write a book exposing the

502
00:27:21,640 --> 00:27:18,330
company like Frank Agee did or wolf or

503
00:27:25,789 --> 00:27:21,650
others you're no longer family you are

504
00:27:29,360 --> 00:27:25,799
you are you're out you have me it's over

505
00:27:31,789 --> 00:27:29,370
and so the idea that another guy told me

506
00:27:33,980 --> 00:27:31,799
said oh they kill all the CIA agents

507
00:27:36,799 --> 00:27:33,990
when they get older they kill them

508
00:27:40,730 --> 00:27:36,809
that's how you retire I said are you

509
00:27:41,990 --> 00:27:40,740
stupid or just mentally deranged who in

510
00:27:44,270 --> 00:27:42,000
the world would join the intelligence

511
00:27:47,080 --> 00:27:44,280
community so they say I'm gonna be shot

512
00:27:49,760 --> 00:27:47,090
in the head by the no time I'm 45 or 50

513
00:27:53,180 --> 00:27:49,770

that doesn't he makes sense I think

514

00:27:55,510 --> 00:27:53,190

you're just being stupid the fact is I

515

00:28:00,110 --> 00:27:55,520

said the CIA agent is not a

516

00:28:04,010 --> 00:28:00,120

quote/unquote spy anyway a CIA agent is

517

00:28:05,690 --> 00:28:04,020

a person who is hired by the CIA you

518

00:28:07,639 --> 00:28:05,700

know they either are witting or

519

00:28:10,639 --> 00:28:07,649

unwitting that means they know they are

520

00:28:11,779 --> 00:28:10,649

working for them or they don't but they

521

00:28:15,249 --> 00:28:11,789

still are

522

00:28:19,340 --> 00:28:15,259

used by the company for that purpose and

523

00:28:21,409 --> 00:28:19,350

I said a spy never calls himself a CIA

524

00:28:25,430 --> 00:28:21,419

agent only people like you were ignorant

525

00:28:28,070 --> 00:28:25,440

say that he is a case officer in the

526

00:28:31,519 --> 00:28:28,080

formal term for him you can look it up

527

00:28:34,669 --> 00:28:31,529

on internet if you like is a NOC and non

528

00:28:36,139 --> 00:28:34,679

official capacity he's he's a spy no

529

00:28:38,419 --> 00:28:36,149

one's gonna claim him if he gets caught

530

00:28:40,460 --> 00:28:38,429

so that's just the way it works and he's

531

00:28:43,489 --> 00:28:40,470

a case officer that is the truth of it

532

00:28:46,639 --> 00:28:43,499

and I was not a spy I did spy for the

533

00:28:47,960 --> 00:28:46,649

company for a short period of time but

534

00:28:51,589 --> 00:28:47,970

it was against their own people and

535

00:28:56,869 --> 00:28:51,599

there was a good reason for it oh okay

536

00:28:59,210 --> 00:28:56,879

so how the heck did you from that to

537

00:29:02,029 --> 00:28:59,220

becoming involved in UFOs did you hat

538

00:29:04,549 --> 00:29:02,039

you hadn't experienced yourself I did

539

00:29:10,339 --> 00:29:04,559

the best way to describe that was

540

00:29:12,680 --> 00:29:10,349

started at age four in 1952 and I was

541

00:29:15,859 --> 00:29:12,690

the best way to say that is that was a

542

00:29:18,589 --> 00:29:15,869

captive audience and entity was in my

543

00:29:21,139 --> 00:29:18,599

room I had no idea what it was or I

544

00:29:24,200 --> 00:29:21,149

thought it was a somebody you know a

545

00:29:27,169 --> 00:29:24,210

little man and whoever it was was

546

00:29:29,599 --> 00:29:27,179

walking away I woke up at the I woke up

547

00:29:31,219 --> 00:29:29,609

at the wrong time I was watching him

548

00:29:33,769 --> 00:29:31,229

walk away and he was walking toward the

549

00:29:35,299 --> 00:29:33,779

wall and I'm thinking to myself he's

550

00:29:38,119 --> 00:29:35,309

going to bump into the wall you know I

551
00:29:40,039 --> 00:29:38,129
didn't know he came through it and as

552
00:29:42,859 --> 00:29:40,049
soon as I thought that he turned around

553
00:29:47,839 --> 00:29:42,869
and I heard him without him moving his

554
00:29:53,149 --> 00:29:47,849
little mouth say it's awake and it was

555
00:29:56,389 --> 00:29:53,159
me so I was real surprised that I could

556
00:29:59,539 --> 00:29:56,399
hear without him using these little

557
00:30:00,859 --> 00:29:59,549
mouths and the first thing I noticed

558
00:30:01,969 --> 00:30:00,869
about him when he turned around can I

559
00:30:04,820 --> 00:30:01,979
had there was a little bit of light in

560
00:30:08,779 --> 00:30:04,830
the room from old well house well house

561
00:30:13,849 --> 00:30:08,789
outside the of my room and this was in

562
00:30:15,739 --> 00:30:13,859
Midland Texas 1952 and he didn't have a

563
00:30:19,639 --> 00:30:15,749

bellybutton and he didn't have genitalia

564

00:30:21,560 --> 00:30:19,649

and to the kid four years old they

565

00:30:23,720 --> 00:30:21,570

noticed things like that when you don't

566

00:30:25,030 --> 00:30:23,730

have any clothes and it's in the middle

567

00:30:28,510 --> 00:30:25,040

of winter

568

00:30:32,110 --> 00:30:28,520

so I couldn't figure that out why he

569

00:30:33,850 --> 00:30:32,120

didn't have one and we did and of course

570

00:30:35,800 --> 00:30:33,860

after years of investigating I realized

571

00:30:38,410 --> 00:30:35,810

you don't have genitalia you don't

572

00:30:41,650 --> 00:30:38,420

procreate and if you don't have a belly

573

00:30:45,640 --> 00:30:41,660

button or enable you weren't born or

574

00:30:49,810 --> 00:30:45,650

hatched cloned or manufactured so now

575

00:30:53,710 --> 00:30:49,820

did you did you carry this interest with

576
00:30:56,590 --> 00:30:53,720
you for you know the up until your adult

577
00:30:59,260 --> 00:30:56,600
life when I mean what was the catalyst

578
00:31:03,070 --> 00:30:59,270
that that then got you going again

579
00:31:06,310 --> 00:31:03,080
especially after you no longer were with

580
00:31:09,010 --> 00:31:06,320
the intelligence service well they think

581
00:31:12,130 --> 00:31:09,020
it happened which was in kind of in

582
00:31:15,280 --> 00:31:12,140
conjunction with that time as for

583
00:31:18,070 --> 00:31:15,290
between 4 years old and 17 I had

584
00:31:21,190 --> 00:31:18,080
approximately ten events hmm that

585
00:31:25,780 --> 00:31:21,200
happened and at age 17 my events ended

586
00:31:28,030 --> 00:31:25,790
violently at age 17 and I was glad that

587
00:31:30,730 --> 00:31:28,040
that all stopped and that it I put it

588
00:31:33,070 --> 00:31:30,740

all behind me and that sort of thing but

589

00:31:38,470 --> 00:31:33,080

then something horrific happened it

590

00:31:41,380 --> 00:31:38,480

changed me from a UFO abductees whatever

591

00:31:46,230 --> 00:31:41,390

you want to call it experience or or

592

00:31:50,080 --> 00:31:46,240

whatever it is before before you go on

593

00:31:52,000 --> 00:31:50,090

was there any what's the word here link

594

00:31:55,300 --> 00:31:52,010

between each of these events that

595

00:31:57,820 --> 00:31:55,310

happened I mean were you meeting the

596

00:32:00,090 --> 00:31:57,830

same entities are seeing the same

597

00:32:04,180 --> 00:32:00,100

entities did they communicate anything

598

00:32:07,690 --> 00:32:04,190

to you great question

599

00:32:09,970 --> 00:32:07,700

when I was still a little boy I was in

600

00:32:13,000 --> 00:32:09,980

3rd grade at that time I moved to my

601
00:32:15,760 --> 00:32:13,010
Hill New Mexico and I spent 13 years in

602
00:32:22,660 --> 00:32:15,770
New Mexico where I went the military and

603
00:32:25,060 --> 00:32:22,670
came to the Houston area or Texas I went

604
00:32:28,570 --> 00:32:25,070
out to the restroom we had we were

605
00:32:30,490 --> 00:32:28,580
building a house little house and the

606
00:32:32,410 --> 00:32:30,500
only restroom we had back then and

607
00:32:35,800 --> 00:32:32,420
that's like I said third grade as a long

608
00:32:37,180 --> 00:32:35,810
time ago was a little outhouse basically

609
00:32:38,310 --> 00:32:37,190
it's a bathroom it's just a little

610
00:32:40,830 --> 00:32:38,320
square box

611
00:32:43,320 --> 00:32:40,840
with a bathroom in it no commode or

612
00:32:47,040 --> 00:32:43,330
anything and I went out to use the

613
00:32:49,560 --> 00:32:47,050

bathroom is at night and when I shut the

614

00:32:52,560 --> 00:32:49,570

door I was absolutely stunned shocked

615

00:32:56,190 --> 00:32:52,570

and horrified there was the same cosmic

616

00:32:58,590 --> 00:32:56,200

skinhead that had abducted abducted me

617

00:33:01,380 --> 00:32:58,600

every time you I don't know how they all

618

00:33:03,690 --> 00:33:01,390

looked the same but if her may end up in

619

00:33:06,440 --> 00:33:03,700

a room I could pick him out and I don't

620

00:33:08,880 --> 00:33:06,450

know how I don't know why but I could

621

00:33:12,240 --> 00:33:08,890

but anyway he was there and he took me

622

00:33:14,610 --> 00:33:12,250

to see something that I could not

623

00:33:16,440 --> 00:33:14,620

understand at all

624

00:33:20,790 --> 00:33:16,450

there was a seven-foot praying mantis

625

00:33:22,500 --> 00:33:20,800

being the next day all I remember it was

626

00:33:24,630 --> 00:33:22,510

just that event but I couldn't

627

00:33:27,090 --> 00:33:24,640

understand why the next day I wonder

628

00:33:28,770 --> 00:33:27,100

Saturday I was catching little

629

00:33:30,720 --> 00:33:28,780

grasshoppers I like animals

630

00:33:32,910 --> 00:33:30,730

I mean I rescued literally thousands of

631

00:33:35,250 --> 00:33:32,920

animals of all kinds everything from

632

00:33:37,850 --> 00:33:35,260

Bengal tigers and snakes birds you

633

00:33:40,560 --> 00:33:37,860

anything you can imagine I've done and

634

00:33:43,550 --> 00:33:40,570

I'm out there tearing the heads off of

635

00:33:46,140 --> 00:33:43,560

little grasshoppers by the hundreds and

636

00:33:49,140 --> 00:33:46,150

I can't figure out why am I being cruel

637

00:33:51,300 --> 00:33:49,150

to these animals and I got the head of a

638

00:33:53,700 --> 00:33:51,310

grasshopper real close to me and I

639

00:33:57,510 --> 00:33:53,710

looked at it and I realized oh my gosh

640

00:34:00,120 --> 00:33:57,520

that's the wrong guy it was the praying

641

00:34:03,330 --> 00:34:00,130

mantis head I was looking for not the

642

00:34:07,280 --> 00:34:03,340

grasshopper well now did the praying

643

00:34:12,450 --> 00:34:07,290

mantis okay among these this a group of

644

00:34:15,360 --> 00:34:12,460

of beings did he have a purpose there or

645

00:34:17,370 --> 00:34:15,370

did he seem to be in control of the

646

00:34:20,550 --> 00:34:17,380

situation would you say that he was of

647

00:34:23,390 --> 00:34:20,560

higher intelligence and the others the

648

00:34:27,360 --> 00:34:23,400

little gray has an IQ of about eighty

649

00:34:28,919 --> 00:34:27,370

there they make huge mistakes they're

650

00:34:31,530 --> 00:34:28,929

not they're actually made this way on

651
00:34:33,000 --> 00:34:31,540
purpose your hats clone or manufactured

652
00:34:34,530 --> 00:34:33,010
like I said I don't have genitalia they

653
00:34:38,090 --> 00:34:34,540
got no bellybutton they weren't born

654
00:34:40,830 --> 00:34:38,100
they're like toasters in my opinion and

655
00:34:42,750 --> 00:34:40,840
they make huge mistakes they drop you

656
00:34:44,490 --> 00:34:42,760
off the wrong locations sometimes they

657
00:34:47,540 --> 00:34:44,500
put someone else's clothes on you and

658
00:34:50,130 --> 00:34:47,550
you have real tough time explaining that

659
00:34:52,500 --> 00:34:50,140
puts us in a wrong room outside the

660
00:34:54,300 --> 00:34:52,510
wrong house and we've got cases

661
00:34:57,870 --> 00:34:54,310
where they literally put the wrong guy

662
00:35:03,440 --> 00:34:57,880
driving the car and on top of that they

663
00:35:10,410 --> 00:35:07,470

for big boys for talents Colorado and

664

00:35:15,360 --> 00:35:10,420

then it ended up down hard Texas and the

665

00:35:16,950 --> 00:35:15,370

wrong guys driving the car so that can

666

00:35:20,430 --> 00:35:16,960

get that can get you in trouble

667

00:35:23,640 --> 00:35:20,440

yeah sure can the Mantis being is got an

668

00:35:25,710 --> 00:35:23,650

IQ of it's very high I like him take

669

00:35:27,810 --> 00:35:25,720

then there's the second kind of the

670

00:35:29,040 --> 00:35:27,820

little gray and interested one that

671

00:35:31,770 --> 00:35:29,050

looks just like him but he's bigger

672

00:35:33,570 --> 00:35:31,780

taller and he's often referred to as the

673

00:35:36,510 --> 00:35:33,580

doctor he'll sometimes where even a

674

00:35:38,840 --> 00:35:36,520

little coat and usually if they wear

675

00:35:43,020 --> 00:35:38,850

clothing it's a sign of rank or position

676
00:35:47,040 --> 00:35:43,030
and even among their kind but the

677
00:35:48,420 --> 00:35:47,050
fascinating thing about all these

678
00:35:49,320 --> 00:35:48,430
entities whether they're I don't care

679
00:35:51,810 --> 00:35:49,330
whether it's Bigfoot

680
00:35:54,440 --> 00:35:51,820
I don't care whether it's the little

681
00:35:56,850 --> 00:35:54,450
great all of them if you look at them

682
00:35:59,700 --> 00:35:56,860
objectively and we got the police

683
00:36:01,170 --> 00:35:59,710
officer here he would he would notice

684
00:36:03,210 --> 00:36:01,180
this right off the bat we start looking

685
00:36:07,170 --> 00:36:03,220
at all these entities in the I call it

686
00:36:09,090 --> 00:36:07,180
the usual suspects a lineup like a

687
00:36:12,210 --> 00:36:09,100
police lineup if you line them all up

688
00:36:14,850 --> 00:36:12,220

together look at them you're not looking

689

00:36:19,740 --> 00:36:14,860

at seven races of people you're looking

690

00:36:21,960 --> 00:36:19,750

at seven models that were made the DNA

691

00:36:25,650 --> 00:36:21,970

comes from here where'd he get praying

692

00:36:27,150 --> 00:36:25,660

mantis DNA probably not on Jupiter where

693

00:36:30,360 --> 00:36:27,160

you going to get Nordic or the human

694

00:36:32,670 --> 00:36:30,370

so-called alien that the DNA probably

695

00:36:34,410 --> 00:36:32,680

comes from Earth so when you look at

696

00:36:36,930 --> 00:36:34,420

every one of these entities Bigfoot I

697

00:36:38,520 --> 00:36:36,940

don't care what they are the DNA comes

698

00:36:42,900 --> 00:36:38,530

from here even the Native Americans my

699

00:36:46,170 --> 00:36:42,910

buddies Zuni and Navajo and other

700

00:36:47,940 --> 00:36:46,180

buddies I said yeah but the gray I said

701
00:36:50,610 --> 00:36:47,950
listen to me what did you call him a

702
00:36:53,340 --> 00:36:50,620
long time ago but we call him the ant

703
00:36:56,910 --> 00:36:53,350
people I said do you know that on your

704
00:36:59,880 --> 00:36:56,920
own petroglyphs on the walls of these

705
00:37:03,960 --> 00:36:59,890
ancient ancient walls thousand years ago

706
00:37:05,880 --> 00:37:03,970
the same grey alien the same aliens had

707
00:37:08,790 --> 00:37:05,890
antennae that's why

708
00:37:11,100 --> 00:37:08,800
you called him the ant people and they

709
00:37:14,280 --> 00:37:11,110
live in the earth I said the DNA is

710
00:37:16,320 --> 00:37:14,290
coming from here the question is why is

711
00:37:18,270 --> 00:37:16,330
somebody doing that hatching cloning

712
00:37:20,310 --> 00:37:18,280
manufacturing these guys sent them to

713
00:37:24,390 --> 00:37:20,320

here to convince us they came from

714

00:37:26,040 --> 00:37:24,400

another planet who is doing that it's

715

00:37:29,190 --> 00:37:26,050

very good question

716

00:37:31,020 --> 00:37:29,200

they're basically two theories and you

717

00:37:34,830 --> 00:37:31,030

can either accept or reject either one

718

00:37:37,430 --> 00:37:34,840

of them but Sitchin in some of his books

719

00:37:42,810 --> 00:37:37,440

and and others who follow that mentality

720

00:37:45,630 --> 00:37:42,820

claim that that the ancient ancient ones

721

00:37:47,400 --> 00:37:45,640

came down from the heavens but in the

722

00:37:49,290 --> 00:37:47,410

Hebrew that's not the way it actually

723

00:37:51,450 --> 00:37:49,300

reads I couldn't figure out why does it

724

00:37:54,570 --> 00:37:51,460

Scott was a so-called Sumerian scholar

725

00:37:56,550 --> 00:37:54,580

and he can't even translate the the the

726

00:37:58,770 --> 00:37:56,560

words properly because he's reading

727

00:38:01,260 --> 00:37:58,780

Hebrew or Sumerian it means they were

728

00:38:02,910 --> 00:38:01,270

kicked out of heaven they weren't they

729

00:38:07,560 --> 00:38:02,920

didn't leave under on the court they

730

00:38:09,570 --> 00:38:07,570

were thrown out so the two stories are

731

00:38:11,850 --> 00:38:09,580

one of his a kind of a biblical version

732

00:38:13,590 --> 00:38:11,860

the elements a Sumerian version but

733

00:38:15,600 --> 00:38:13,600

they're very very similar that's my

734

00:38:19,260 --> 00:38:15,610

whole point is they're very very similar

735

00:38:21,600 --> 00:38:19,270

these two primary views are spread

736

00:38:25,230 --> 00:38:21,610

pretty much around the world and if you

737

00:38:26,940 --> 00:38:25,240

go to India and I have in fact I did my

738

00:38:30,720 --> 00:38:26,950

last implant surgery there a year and a

739

00:38:33,390 --> 00:38:30,730

half ago at the 25th one that we've done

740

00:38:34,770 --> 00:38:33,400

so far and while I was there I went to

741

00:38:37,560 --> 00:38:34,780

their National Museum took some pictures

742

00:38:40,170 --> 00:38:37,570

the lady said is that it and I said

743

00:38:43,380 --> 00:38:40,180

that's all I want to know she says okay

744

00:38:46,530 --> 00:38:43,390

I said I'm here studying the alien she's

745

00:38:48,540 --> 00:38:46,540

but this is like ancient India's gods

746

00:38:51,690 --> 00:38:48,550

and I said no you're still looking at

747

00:38:53,700 --> 00:38:51,700

the alien unless you guys got it kind of

748

00:38:55,500 --> 00:38:53,710

backwards I said you're you're looking

749

00:38:59,550 --> 00:38:55,510

at number one - alien and - you're

750

00:39:02,070 --> 00:38:59,560

looking at his makers the ones who has

751
00:39:04,380 --> 00:39:02,080
cloned manufacturer made him for the

752
00:39:06,540 --> 00:39:04,390
purpose of doing whatever as if some of

753
00:39:09,510 --> 00:39:06,550
these guys are so violent and so mean

754
00:39:13,380 --> 00:39:09,520
that even in your own literature they

755
00:39:16,320 --> 00:39:13,390
nuke entire cities well we we've got

756
00:39:18,690 --> 00:39:16,330
we've got cases in fact in a couple of

757
00:39:22,819 --> 00:39:18,700
weeks we have a fella coming on who

758
00:39:26,190 --> 00:39:22,829
father was involved in a one of Canada's

759
00:39:29,130 --> 00:39:26,200
probably most important and well

760
00:39:32,210 --> 00:39:29,140
documented UFO encounters it Falcon Lake

761
00:39:34,680 --> 00:39:32,220
where he was out the prospecting and

762
00:39:36,240 --> 00:39:34,690
came across there well two crafts that

763
00:39:36,870 --> 00:39:36,250

were coming in one of them landed in

764

00:39:40,140 --> 00:39:36,880

front of him

765

00:39:43,470 --> 00:39:40,150

and as he got closer to the object a

766

00:39:47,420 --> 00:39:43,480

panel or a door opened of some sort and

767

00:39:49,950 --> 00:39:47,430

shot him with a dose of radiation or

768

00:39:51,750 --> 00:39:49,960

some kind of laser or something come out

769

00:39:53,579 --> 00:39:51,760

and really Burt you've probably seen the

770

00:39:55,260 --> 00:39:53,589

the photo of the fellow lying in the

771

00:39:57,359 --> 00:39:55,270

hospital bed with the yeah the you know

772

00:39:58,680 --> 00:39:57,369

the burn marks on it's just a chest so

773

00:40:02,099 --> 00:39:58,690

we're going to do we're going to do a

774

00:40:05,430 --> 00:40:02,109

show with the the the son of the the

775

00:40:07,430 --> 00:40:05,440

individual who had that to happen to him

776

00:40:10,890 --> 00:40:07,440

you know so there have been a lot of

777

00:40:14,579 --> 00:40:10,900

cases more than most people realizes

778

00:40:18,210 --> 00:40:14,589

realize where these things seem to have

779

00:40:19,829 --> 00:40:18,220

some the hustle intention now of course

780

00:40:23,430 --> 00:40:19,839

there have been a number of cases where

781

00:40:25,550 --> 00:40:23,440

we've got I tried to shoot at the aliens

782

00:40:27,780 --> 00:40:25,560

if you will for lack of a better term

783

00:40:30,450 --> 00:40:27,790

what do you call them I mean do you call

784

00:40:34,230 --> 00:40:30,460

them the aliens or alter terrestrials or

785

00:40:37,349 --> 00:40:34,240

it depends on the time of day sometimes

786

00:40:38,910 --> 00:40:37,359

I call it cosmic skinheads sometimes I

787

00:40:40,680 --> 00:40:38,920

call them I call them aliens in general

788

00:40:43,620 --> 00:40:40,690

because that's what people identify them

789

00:40:46,710 --> 00:40:43,630

with but realistically they're entities

790

00:40:47,250 --> 00:40:46,720

or in deities that that's the best term

791

00:40:50,579 --> 00:40:47,260

for it

792

00:40:52,319 --> 00:40:50,589

okay but why did why I would say why did

793

00:40:55,740 --> 00:40:52,329

they pick you but obviously they didn't

794

00:40:59,510 --> 00:40:55,750

just select you is there something about

795

00:41:03,930 --> 00:40:59,520

certain individuals that they seem to

796

00:41:06,540 --> 00:41:03,940

gravitate that to and why do some people

797

00:41:09,720 --> 00:41:06,550

have negative experiences and some

798

00:41:13,620 --> 00:41:09,730

people seem to think that they've had

799

00:41:18,150 --> 00:41:13,630

some great cosmic inspiration well your

800

00:41:20,370 --> 00:41:18,160

your questions are extremely well

801
00:41:22,260 --> 00:41:20,380
thought out and well you know I've

802
00:41:24,870 --> 00:41:22,270
Darryl I've only been doing this for 50

803
00:41:28,849 --> 00:41:24,880
years this for 50 years I mean yeah I

804
00:41:34,230 --> 00:41:31,470
I'm still kicking I'm still kicking

805
00:41:40,140 --> 00:41:37,410
the the first thing that the way to

806
00:41:42,570 --> 00:41:40,150
answer that is and I can give a give an

807
00:41:45,510 --> 00:41:42,580
anecdotal illustration as well but I

808
00:41:47,010 --> 00:41:45,520
refer to contactees and abductees when

809
00:41:50,730 --> 00:41:47,020
people have these experiences whatever

810
00:41:53,520 --> 00:41:50,740
they are UFO events and a contact see

811
00:41:56,540 --> 00:41:53,530
one two three four five whatever that

812
00:42:00,150 --> 00:41:56,550
happens it leaves you with an indelible

813
00:42:04,560 --> 00:42:00,160

imagery in your mind and in your body

814

00:42:07,680 --> 00:42:04,570

and the fact is you generally fall into

815

00:42:10,560 --> 00:42:07,690

two categories one or the other either

816

00:42:13,230 --> 00:42:10,570

one you're an abductee and abductee

817

00:42:14,670 --> 00:42:13,240

being described as a person who felt

818

00:42:17,670 --> 00:42:14,680

like they were kidnapped or taken

819

00:42:20,370 --> 00:42:17,680

against their will regardless and like

820

00:42:21,900 --> 00:42:20,380

me and others who feel like that even if

821

00:42:24,270 --> 00:42:21,910

they were taken against their will it

822

00:42:26,640 --> 00:42:24,280

was further higher best good and whoever

823

00:42:27,930 --> 00:42:26,650

did it probably had their best thoughts

824

00:42:31,320 --> 00:42:27,940

in mind and so on and so on

825

00:42:36,510 --> 00:42:31,330

these are contactees I call contact he's

826

00:42:39,690 --> 00:42:36,520

the honey bees a honey bee the nice

827

00:42:41,670 --> 00:42:39,700

thing about honey bees is they don't

828

00:42:43,230 --> 00:42:41,680

know that the funny little man in the

829

00:42:47,190 --> 00:42:43,240

white suit stealing their honey out

830

00:42:50,820 --> 00:42:47,200

there is not their friend be stealing

831

00:42:54,480 --> 00:42:50,830

their honey and abductees I call killer

832

00:42:56,820 --> 00:42:54,490

bees because you may come and steal

833

00:42:59,240 --> 00:42:56,830

their honey or you may try but you are

834

00:43:01,829 --> 00:42:59,250

going to pay the price if they catch you

835

00:43:03,150 --> 00:43:01,839

so one of them is gonna defend himself

836

00:43:05,760 --> 00:43:03,160

the other one is just gonna roll over

837

00:43:09,420 --> 00:43:05,770

and you know whatever happens is fine

838

00:43:12,450 --> 00:43:09,430

and a perfect illustration of this is a

839

00:43:14,849 --> 00:43:12,460

lady came to me one time and she was

840

00:43:16,230 --> 00:43:14,859

screaming at her support group about how

841

00:43:17,370 --> 00:43:16,240

all these people are stupid because

842

00:43:19,680 --> 00:43:17,380

they've had these negative experiences

843

00:43:21,329 --> 00:43:19,690

they just don't remember and I said this

844

00:43:23,400 --> 00:43:21,339

is the support group we're not here to

845

00:43:25,050 --> 00:43:23,410

pick on each other we're here to support

846

00:43:28,859 --> 00:43:25,060

each other said I don't care I think

847

00:43:30,089 --> 00:43:28,869

you're all stupid so I I decided well

848

00:43:32,760 --> 00:43:30,099

I'll just work whether pennant water

849

00:43:36,359 --> 00:43:32,770

event was and sure enough we did started

850

00:43:38,640 --> 00:43:36,369

working on her event and there was a

851
00:43:41,099 --> 00:43:38,650
witness by the way in her event because

852
00:43:43,920 --> 00:43:41,109
he painted the picture of the event and

853
00:43:45,970 --> 00:43:43,930
gave me the picture he painted he was

854
00:43:48,370 --> 00:43:45,980
about 18 years old

855
00:43:49,750 --> 00:43:48,380
at the time and all of a sudden her

856
00:43:51,970 --> 00:43:49,760
husband's he's sitting there as well

857
00:43:54,700 --> 00:43:51,980
listening to me work with her and she

858
00:43:55,599 --> 00:43:54,710
starts screaming turn those bright

859
00:43:56,829 --> 00:43:55,609
lights off

860
00:44:00,099 --> 00:43:56,839
of course the lights were already way

861
00:44:02,980 --> 00:44:00,109
down she didn't realize it but she's

862
00:44:05,980 --> 00:44:02,990
already in the room in with this entity

863
00:44:10,390 --> 00:44:05,990

and the entity that's over her is a

864

00:44:12,280 --> 00:44:10,400

seven foot praying mantis and she keeps

865

00:44:14,410 --> 00:44:12,290

screaming leave my little brother alone

866

00:44:17,319 --> 00:44:14,420

her little brothers on the other table

867

00:44:20,260 --> 00:44:17,329

and the witnessed a 17 year old boy is

868

00:44:22,960 --> 00:44:20,270

horrified watching this whole thing now

869

00:44:25,870 --> 00:44:22,970

here's here's the kicker she comes out

870

00:44:27,849 --> 00:44:25,880

of the event and she says see there I

871

00:44:28,990 --> 00:44:27,859

told you it was positive it's wonderful

872

00:44:32,560 --> 00:44:29,000

I was a school of higher consciousness

873

00:44:37,329 --> 00:44:32,570

don't you get it and everybody just

874

00:44:39,280 --> 00:44:37,339

laughed said okay and lo and behold the

875

00:44:40,870 --> 00:44:39,290

boy painted the picture brought it to me

876
00:44:44,200 --> 00:44:40,880
said here's what really happened I was

877
00:44:45,880 --> 00:44:44,210
standing right there and I've never

878
00:44:47,740 --> 00:44:45,890
shown her the picture I didn't want to

879
00:44:49,599 --> 00:44:47,750
break her hurt I don't mind her

880
00:44:51,700 --> 00:44:49,609
believing that they say took her to the

881
00:44:53,230 --> 00:44:51,710
school of higher consciousness and did

882
00:44:55,960 --> 00:44:53,240
all kinds of wonderful things for I

883
00:44:57,430 --> 00:44:55,970
would prefer her to believe that then to

884
00:45:01,660 --> 00:44:57,440
see what was standing over the top of

885
00:45:04,390 --> 00:45:01,670
her you know I I think that the the

886
00:45:06,250 --> 00:45:04,400
concept that that you're putting out

887
00:45:09,010 --> 00:45:06,260
there though Darrell is I mean is is

888
00:45:11,680 --> 00:45:09,020

absolutely fascinating that these

889

00:45:14,109 --> 00:45:11,690

creatures that that people have been

890

00:45:16,690 --> 00:45:14,119

seeing and experiencing you know having

891

00:45:23,220 --> 00:45:16,700

experiences with over these years whom

892

00:45:26,190 --> 00:45:23,230

they they think our aliens are actually

893

00:45:30,030 --> 00:45:26,200

creations are manufactured you know uh

894

00:45:35,609 --> 00:45:30,040

or whatever you'd want to call it from

895

00:45:40,690 --> 00:45:35,619

our own ecosystem possibly because

896

00:45:43,660 --> 00:45:40,700

whatever the originating source can't or

897

00:45:46,569 --> 00:45:43,670

won't work here and has to send it

898

00:45:49,059 --> 00:45:46,579

basically you know they're they're bully

899

00:45:55,839 --> 00:45:49,069

boys so to speak you know to do the

900

00:45:59,290 --> 00:45:55,849

dirty work for them and so it makes me

901
00:45:59,920 --> 00:45:59,300
wonder though I mean why the like the

902
00:46:02,410 --> 00:45:59,930
praying

903
00:46:04,000 --> 00:46:02,420
or you know or some people you know say

904
00:46:06,730 --> 00:46:04,010
that they you know they'll see like you

905
00:46:08,650 --> 00:46:06,740
know a reptilians or or things like that

906
00:46:11,760 --> 00:46:08,660
I mean do you think that there is a

907
00:46:15,310 --> 00:46:11,770
rhyme or a reason why these different

908
00:46:18,670 --> 00:46:15,320
types of creatures are being used you

909
00:46:20,950 --> 00:46:18,680
know is there say like a stereotypical

910
00:46:25,140 --> 00:46:20,960
fear that we all have within us that

911
00:46:28,420 --> 00:46:25,150
they that they're taking advantage of I

912
00:46:31,720 --> 00:46:28,430
your question is well placed I think

913
00:46:35,290 --> 00:46:31,730

that that there is in fact a hierarchy

914

00:46:38,020 --> 00:46:35,300

among them and I want to comment one

915

00:46:41,290 --> 00:46:38,030

more where we're in a world would you

916

00:46:45,130 --> 00:46:41,300

get Bigfoot DNA from probably not Venus

917

00:46:48,220 --> 00:46:45,140

or Jupiter or Pluto but you actually

918

00:46:50,710 --> 00:46:48,230

can't get simian DNA from Planet Earth

919

00:46:53,470 --> 00:46:50,720

mm-hmm and they did the recent DNA test

920

00:46:57,130 --> 00:46:53,480

up in Nacogdoches Texas north of us and

921

00:47:01,230 --> 00:46:57,140

the DNA test that they found they found

922

00:47:04,750 --> 00:47:01,240

in the samples of Bigfoot that they had

923

00:47:09,340 --> 00:47:04,760

mitochondrial or female DNA of a modern

924

00:47:12,730 --> 00:47:09,350

human woman not ancient modern human

925

00:47:13,600 --> 00:47:12,740

woman so the question is which goes back

926
00:47:16,060 --> 00:47:13,610
to my thesis

927
00:47:17,830 --> 00:47:16,070
these guys are hats clone manufacturer

928
00:47:20,500 --> 00:47:17,840
made for the purpose of interaction with

929
00:47:25,120 --> 00:47:20,510
mankind for whatever reason good bad or

930
00:47:27,220 --> 00:47:25,130
whatever you decide that this being is

931
00:47:30,820 --> 00:47:27,230
just part and parcel of the product I

932
00:47:33,430 --> 00:47:30,830
mean our best evidence that I've done

933
00:47:35,590 --> 00:47:33,440
and I've done this for over 50 years my

934
00:47:38,500 --> 00:47:35,600
best evidence shows that these beings or

935
00:47:41,260 --> 00:47:38,510
the basic instructions is here and this

936
00:47:43,510 --> 00:47:41,270
is the cosmic Walmart shock of this

937
00:47:45,520 --> 00:47:43,520
solar system all right let me hold you

938
00:47:47,200 --> 00:47:45,530

there Daryl because we have to go to our

939

00:47:50,440 --> 00:47:47,210

top of the hour break when we come back

940

00:47:53,020 --> 00:47:50,450

we will continue with more farm Derrel

941

00:48:04,830 --> 00:47:53,030

Sims and Helen Godfrey on exploring the

942

00:48:11,790 --> 00:48:09,340

explore the bazaars our or e-ticket ride

943

00:48:15,100 --> 00:48:11,800

into the world of the paranoid

944

00:48:19,410 --> 00:48:15,110

strap yourself in as we traverse the

945

00:48:22,530 --> 00:48:19,420

universe exploring the unexplained UFO s

946

00:48:24,910 --> 00:48:22,540

ghosts Lost Worlds

947

00:48:28,750 --> 00:48:24,920

cryptozoology waters as well as other

948

00:48:33,160 --> 00:48:28,760

dimensions it's time to take back the

949

00:48:36,400 --> 00:48:33,170

night last night now your electrifying

950

00:48:44,590 --> 00:48:36,410

hosts of exploring the bizarre Timothy

951
00:48:48,340 --> 00:48:44,600
Begley and team sports alright welcome

952
00:48:55,660 --> 00:48:48,350
back to the second exploring the bizarre

953
00:48:58,720 --> 00:48:55,670
and Alan yeah during the during one of

954
00:49:02,650 --> 00:48:58,730
our breaks here you started talking

955
00:49:07,540 --> 00:49:02,660
about mister Adamski and and how he

956
00:49:11,500 --> 00:49:07,550
disappeared and why don't you let tell

957
00:49:16,720 --> 00:49:11,510
our audience about what happened to a

958
00:49:18,910 --> 00:49:16,730
sigma Adamski up into the the time that

959
00:49:23,310 --> 00:49:18,920
he disappeared I mean you know was this

960
00:49:26,950 --> 00:49:23,320
just very strange or what Oh mr. Adam

961
00:49:30,760 --> 00:49:26,960
Scott a happy family life illiberal his

962
00:49:34,540 --> 00:49:30,770
disabled wife at a later show let's say

963
00:49:37,840 --> 00:49:34,550

that the only Davies disappearance as we

964

00:49:40,060 --> 00:49:37,850

got told by my you know this family

965

00:49:41,800 --> 00:49:40,070

they've been out shopping in Wakefield a

966

00:49:44,260 --> 00:49:41,810

big shopping center and he'd been with

967

00:49:48,640 --> 00:49:44,270

the relative that has traveled over from

968

00:49:51,130 --> 00:49:48,650

Poland and he was given away I think it

969

00:49:53,320 --> 00:49:51,140

was his goddaughter at a wedding

970

00:49:56,470 --> 00:49:53,330

the following day prior to him

971

00:50:01,330 --> 00:49:56,480

disappearing they'd sat down at lunch at

972

00:50:04,480 --> 00:50:01,340

home and after lunch is why fast zigmund

973

00:50:10,349 --> 00:50:04,490

and they called him Ziggy to go to the

974

00:50:13,810 --> 00:50:10,359

local shop to buy some groceries he left

975

00:50:16,000 --> 00:50:13,820

the house he spoke to his neighbor

976
00:50:18,940 --> 00:50:16,010
there was a sunny day when he left he

977
00:50:20,440 --> 00:50:18,950
spoke to his neighbor and the he was

978
00:50:25,510 --> 00:50:20,450
very excited about giving his

979
00:50:27,820 --> 00:50:25,520
goddaughter away at this wedding he did

980
00:50:30,910 --> 00:50:27,830
get to the shop he did buy the groceries

981
00:50:34,840 --> 00:50:30,920
and the shopkeeper said he was in good

982
00:50:38,050 --> 00:50:34,850
health and good spirit he left the shop

983
00:50:40,870 --> 00:50:38,060
and then disappeared and then he turned

984
00:50:44,050 --> 00:50:40,880
up as I say six days later in a town

985
00:50:48,780 --> 00:50:44,060
he'd never even been to in the on top of

986
00:50:52,359 --> 00:50:51,040
using years and years of years about a

987
00:50:54,880 --> 00:50:52,369
couple year ago

988
00:50:57,579 --> 00:50:54,890

Travis Walton came over to the UK

989

00:51:00,370 --> 00:50:57,589

visited me at my house and we had a long

990

00:51:05,799 --> 00:51:00,380

conversation it was for a TV show we

991

00:51:08,109 --> 00:51:05,809

were doing and I mentioned Azam to be to

992

00:51:10,259 --> 00:51:08,119

him and and the similarities are very

993

00:51:13,960 --> 00:51:10,269

very same apart from the fact that

994

00:51:17,440 --> 00:51:13,970

Travis survived and zigmund Adamski

995

00:51:19,299 --> 00:51:17,450

didn't I you know it makes me wonder all

996

00:51:25,180 --> 00:51:19,309

these years and years and years after

997

00:51:27,759 --> 00:51:25,190

whether he was abducted and that's we

998

00:51:30,339 --> 00:51:27,769

don't offer Pollock oh I don't say nice

999

00:51:33,910 --> 00:51:30,349

but he makes you wonder don't do well

1000

00:51:36,150 --> 00:51:33,920

you know we had a case here that we've

1001
00:51:41,349 --> 00:51:36,160
discussed on the air Tim a few times

1002
00:51:44,559 --> 00:51:41,359
with a butch from the Pennsylvania UFO

1003
00:51:47,470 --> 00:51:44,569
group yeah and without asking yes and

1004
00:51:51,660 --> 00:51:47,480
and he talks about this case what was

1005
00:52:00,339 --> 00:51:58,329
yeah I I couldn't tell you yeah I think

1006
00:52:02,529 --> 00:52:00,349
it's Scott as this first day but I

1007
00:52:06,460 --> 00:52:02,539
wouldn't you know I wouldn't bet on that

1008
00:52:09,370 --> 00:52:06,470
but he ended up in a tree or something

1009
00:52:12,039 --> 00:52:09,380
right I mean didn't he ever a case where

1010
00:52:15,460 --> 00:52:12,049
there's been other cases he had he had

1011
00:52:20,380 --> 00:52:15,470
gone up a local mountain to check out

1012
00:52:24,730 --> 00:52:20,390
check out the deer and and he had got up

1013
00:52:27,339 --> 00:52:24,740

on like his like four wheeler and and

1014

00:52:28,960 --> 00:52:27,349

didn't come back home and his son went

1015

00:52:30,970 --> 00:52:28,970

up to look for and found the

1016

00:52:33,400 --> 00:52:30,980

four-wheeler but but this guy wasn't

1017

00:52:34,749 --> 00:52:33,410

around they they searched up and down

1018

00:52:39,999 --> 00:52:34,759

the mountain they searched around his

1019

00:52:43,299 --> 00:52:40,009

home couldn't find him the next day one

1020

00:52:48,130 --> 00:52:43,309

of the searchers saw something in some

1021

00:52:50,829 --> 00:52:48,140

like thick brambles no more than like 50

1022

00:52:52,690 --> 00:52:50,839

yards from his house and that's where

1023

00:52:56,079 --> 00:52:52,700

they found his body but they had to like

1024

00:53:00,249 --> 00:52:56,089

hack their way through all of this brush

1025

00:53:04,210 --> 00:53:00,259

and and and sticker bushes to get at his

1026

00:53:06,430 --> 00:53:04,220

body with with no idea how he managed to

1027

00:53:08,590 --> 00:53:06,440

get into that location you know kind of

1028

00:53:10,030 --> 00:53:08,600

like mr. Adamski

1029

00:53:14,350 --> 00:53:10,040

is almost like he had just been dropped

1030

00:53:16,480 --> 00:53:14,360

from the sky well there was there was a

1031

00:53:20,500 --> 00:53:16,490

lot of apparently there was a lot of

1032

00:53:23,890 --> 00:53:20,510

sightings of UFOs at that time that mr.

1033

00:53:25,960 --> 00:53:23,900

Donsky went missing I was told unaware

1034

00:53:26,830 --> 00:53:25,970

of it I'm not a ufologist or anything

1035

00:53:30,000 --> 00:53:26,840

like that

1036

00:53:32,650 --> 00:53:30,010

I only read what I read in the papers

1037

00:53:35,770 --> 00:53:32,660

apparently there was quite a few UFO

1038

00:53:38,230 --> 00:53:35,780

sightings open around the colder Valley

1039

00:53:42,490 --> 00:53:38,240

which is where the Tomalin is situated

1040

00:53:47,940 --> 00:53:42,500

and surrounding areas and it is well a

1041

00:53:51,550 --> 00:53:47,950

lot of people say think that Adamski was

1042

00:53:53,230 --> 00:53:51,560

abducted and I don't know what happened

1043

00:53:56,380 --> 00:53:53,240

to me while I was out doctor than he was

1044

00:53:58,180 --> 00:53:56,390

and he was dropped like plop on top of

1045

00:54:00,910 --> 00:53:58,190

that pile of coal well the other well no

1046

00:54:03,640 --> 00:54:00,920

I'm a police so I'm retired now but I

1047

00:54:07,990 --> 00:54:03,650

have to deal in facts my head tells me I

1048

00:54:10,390 --> 00:54:08,000

have to deal in facts not fiction and I

1049

00:54:13,150 --> 00:54:10,400

finally found it very difficult to

1050

00:54:16,000 --> 00:54:13,160

accept an explanation when I were a cop

1051
00:54:19,510 --> 00:54:16,010
you know but as years have been years

1052
00:54:21,880 --> 00:54:19,520
have gone by and I've listened to all

1053
00:54:25,840 --> 00:54:21,890
the people and things like that then

1054
00:54:28,090 --> 00:54:25,850
your perception of what what may have

1055
00:54:31,450 --> 00:54:28,100
happened suddenly become something wrong

1056
00:54:33,940 --> 00:54:31,460
it possibly did happen if you follow me

1057
00:54:37,300 --> 00:54:33,950
reasoning then yeah well you know we

1058
00:54:40,300 --> 00:54:37,310
have we have a my old buddy Karl higdon

1059
00:54:45,070 --> 00:54:40,310
if you remember the the story he was

1060
00:54:46,750 --> 00:54:45,080
this hunter and and he was going out

1061
00:54:48,640 --> 00:54:46,760
hunting elk one day and he had this

1062
00:54:50,800 --> 00:54:48,650
really weird experience where he shot at

1063
00:54:55,180 --> 00:54:50,810

the elk and the bullet came out and try

1064

00:54:57,820 --> 00:54:55,190

and slow motion and seemed to fit some

1065

00:55:01,660 --> 00:54:57,830

sort of invisible screen and in in front

1066

00:55:04,060 --> 00:55:01,670

of him or and he ended up inside the the

1067

00:55:06,070 --> 00:55:04,070

ship with a couple of the elf

1068

00:55:08,410 --> 00:55:06,080

now the craft wood it was on the ground

1069

00:55:10,450 --> 00:55:08,420

only it was a cube and it only looked to

1070

00:55:12,580 --> 00:55:10,460

be I don't know maybe ten or fifteen

1071

00:55:15,480 --> 00:55:12,590

feet in diameter but when he got inside

1072

00:55:18,220 --> 00:55:15,490

the ship it was different proportions

1073

00:55:21,930 --> 00:55:18,230

altogether but he reported on the way

1074

00:55:23,490 --> 00:55:21,940

back from wherever he was taken that his

1075

00:55:26,089 --> 00:55:23,500

vehicle that he was in which had been

1076

00:55:28,290 --> 00:55:26,099

parked on the grassy knoll it was a

1077

00:55:31,940 --> 00:55:28,300

truck that he had used to carry his

1078

00:55:35,579 --> 00:55:31,950

equipment and in stuff around with him

1079

00:55:40,650 --> 00:55:35,589

hadn't moved from the grassy no into a

1080

00:55:43,500 --> 00:55:40,660

very marshy area of the of the the woods

1081

00:55:45,660 --> 00:55:43,510

there and in order for him to drive out

1082

00:55:48,120 --> 00:55:45,670

well when he came to and he was back

1083

00:55:50,430 --> 00:55:48,130

inside the truck he could hardly see

1084

00:55:54,150 --> 00:55:50,440

because his eyes were were swollen and

1085

00:55:57,390 --> 00:55:54,160

he had lost the least part of his memory

1086

00:55:59,730 --> 00:55:57,400

knew something very you know dramatic

1087

00:56:02,910 --> 00:55:59,740

had happened and when they came to get

1088

00:56:05,849 --> 00:56:02,920

them they had to bring a tow truck and

1089

00:56:07,380 --> 00:56:05,859

set up a series of logs on the ground so

1090

00:56:10,559 --> 00:56:07,390

that they can use that you know to get

1091

00:56:13,319 --> 00:56:10,569

the the vehicle back in an area where he

1092

00:56:17,910 --> 00:56:13,329

where it could be a driven away so you

1093

00:56:22,260 --> 00:56:17,920

do have these cases of teleportation or

1094

00:56:25,710 --> 00:56:22,270

a trance transportation or whatever you

1095

00:56:28,589 --> 00:56:25,720

want to define it as where that seems

1096

00:56:32,940 --> 00:56:28,599

the crop up from time to time in these a

1097

00:56:36,750 --> 00:56:32,950

UFO events but now Alan how did you make

1098

00:56:40,470 --> 00:56:36,760

the the transition from a being involved

1099

00:56:43,829 --> 00:56:40,480

in this particular case to becoming a

1100

00:56:47,910 --> 00:56:43,839

UFO ability or contact be on your own

1101
00:56:52,829 --> 00:56:47,920
with that within six months on the

1102
00:56:55,770 --> 00:56:52,839
Adamski case hours out in alpha Bravo 3

1103
00:56:59,069 --> 00:56:55,780
which is a squad car and we've been

1104
00:57:02,819 --> 00:56:59,079
getting messages over the radio from our

1105
00:57:05,069 --> 00:57:02,829
control room that local housing estate

1106
00:57:09,270 --> 00:57:05,079
which is which was on the right-hand

1107
00:57:11,040 --> 00:57:09,280
side of one of the valleys the weekend

1108
00:57:13,020 --> 00:57:11,050
reports have a herd of cows wandering

1109
00:57:16,620 --> 00:57:13,030
around I say a herd don't think a

1110
00:57:19,650 --> 00:57:16,630
rawhide Palio five or six cows wandering

1111
00:57:21,540 --> 00:57:19,660
around this outing yesterday me and

1112
00:57:23,640 --> 00:57:21,550
another officer and took check-in and we

1113
00:57:26,880 --> 00:57:23,650

can't find these cows and this went on

1114

00:57:28,890 --> 00:57:26,890

for several hours then about five

1115

00:57:32,190 --> 00:57:28,900

o'clock in the morning I left the police

1116

00:57:36,270 --> 00:57:32,200

station to do the final patrol of Eli

1117

00:57:38,609 --> 00:57:36,280

and I went down into Tomalin town

1118

00:57:42,510 --> 00:57:38,619

and spoke to a colleague of mine who was

1119

00:57:45,120 --> 00:57:42,520

on foot patrol asked him if he wanted to

1120

00:57:47,549 --> 00:57:45,130

jump in and when I look at the cows he

1121

00:57:48,930 --> 00:57:47,559

said no he's he's quite up we're doing

1122

00:57:52,349 --> 00:57:48,940

what he was doing he needed to check

1123

00:57:54,510 --> 00:57:52,359

some shots and what dubby so I turned

1124

00:57:56,400 --> 00:57:54,520

the vehicle around and set off back I

1125

00:58:00,630 --> 00:57:56,410

went drove past the police station

1126
00:58:02,910 --> 00:58:00,640
heading towards the housing estate which

1127
00:58:06,299 --> 00:58:02,920
is upon thee as I say on the side of the

1128
00:58:08,160 --> 00:58:06,309
valley just prior to me gonna turn up

1129
00:58:10,920 --> 00:58:08,170
the road that leads up to this housing

1130
00:58:14,190 --> 00:58:10,930
estate I was still on the main trunk

1131
00:58:16,799 --> 00:58:14,200
road through the town and I could see up

1132
00:58:23,160 --> 00:58:16,809
ahead o'clock 300 meters away

1133
00:58:26,640 --> 00:58:23,170
that's the slightly more this object at

1134
00:58:28,770 --> 00:58:26,650
first I thought it was a bus or a Bose I

1135
00:58:32,040 --> 00:58:28,780
don't recall more there were a boss you

1136
00:58:35,849 --> 00:58:32,050
know to public transport vehicle gone

1137
00:58:39,059 --> 00:58:35,859
sideways across the road if that was

1138
00:58:43,200 --> 00:58:39,069

just a quick thought it soon my doubt me

1139

00:58:44,640 --> 00:58:43,210

I do not wanna so I drew I carried on

1140

00:58:46,559 --> 00:58:44,650

driving on that you said it turning

1141

00:58:49,380 --> 00:58:46,569

towards their nests either carried on on

1142

00:58:52,380 --> 00:58:49,390

the main trunk road as I got nearer and

1143

00:58:54,450 --> 00:58:52,390

nearer I got within 20 meters and there

1144

00:58:57,750 --> 00:58:54,460

it was it was just hanging there in the

1145

00:59:00,420 --> 00:58:57,760

air it was it was hovering off the

1146

00:59:03,420 --> 00:59:00,430

ground about five feet maybe I could see

1147

00:59:06,839 --> 00:59:03,430

underneath it is our approach it was

1148

00:59:12,690 --> 00:59:06,849

approximately 20 feet wide about

1149

00:59:15,809 --> 00:59:12,700

fourteen feet i it was diamond shaped it

1150

00:59:19,049 --> 00:59:15,819

had what appeared to be black Darton

1151

00:59:24,440 --> 00:59:19,059

windows or dark paneling across the top

1152

00:59:27,059 --> 00:59:24,450

of it the bottom R appeared to be

1153

00:59:29,370 --> 00:59:27,069

rotating I can't honestly say that it

1154

00:59:32,190 --> 00:59:29,380

was really look like it was rotating

1155

00:59:35,069 --> 00:59:32,200

because it would the dead leaves it was

1156

00:59:39,359 --> 00:59:35,079

November time 20 net 28th of November

1157

00:59:41,370 --> 00:59:39,369

1918 and the it was lifting the leaves

1158

00:59:44,010 --> 00:59:41,380

up off the road surfaces have fallen

1159

00:59:47,400 --> 00:59:44,020

from the trees and they were swirling

1160

00:59:49,350 --> 00:59:47,410

round it I instantly got on to me

1161

00:59:52,440 --> 00:59:49,360

personal radio which we care

1162

00:59:55,410 --> 00:59:52,450

as person obviously and I can't get any

1163

00:59:57,450 --> 00:59:55,420

response from our control room so I

1164

00:59:59,280 --> 00:59:57,460

picked up the car radio which is on a

1165

01:00:02,960 --> 00:59:59,290

different frequency and it goes through

1166

01:00:06,930 --> 01:00:02,970

a different control room in Bradford and

1167

01:00:09,960 --> 01:00:06,940

again they're both radios were dead

1168

01:00:13,620 --> 01:00:09,970

I had me blue flashy lights going and

1169

01:00:16,110 --> 01:00:13,630

warning lights and I just didn't want to

1170

01:00:18,480 --> 01:00:16,120

do I just sat there in totally

1171

01:00:22,880 --> 01:00:18,490

gobsmacked that I didn't really know

1172

01:00:26,550 --> 01:00:22,890

what I was looking at I picked up me

1173

01:00:28,830 --> 01:00:26,560

what we call it a pallet society

1174

01:00:31,800 --> 01:00:28,840

clipboard with all different papers on

1175

01:00:34,830 --> 01:00:31,810

it for dish you know what would you call

1176

01:00:36,360 --> 01:00:34,840

their penalties and stuff that sort of

1177

01:00:37,710 --> 01:00:36,370

stuff when we carried a lot of plain

1178

01:00:41,250 --> 01:00:37,720

paper but if I wanted to draw sketches

1179

01:00:44,520 --> 01:00:41,260

of road accidents or whatever and I

1180

01:00:48,330 --> 01:00:44,530

started sketching it best I could and

1181

01:00:52,770 --> 01:00:48,340

then there were this how can I describe

1182

01:00:55,800 --> 01:00:52,780

it it was a white blinding flash it was

1183

01:00:58,230 --> 01:00:55,810

like here in a dark room we'll say is

1184

01:01:00,060 --> 01:00:58,240

the part if somebody takes a flash

1185

01:01:01,770 --> 01:01:00,070

photograph I mean the flash goes off it

1186

01:01:04,410 --> 01:01:01,780

make sure I is good for me yeah you know

1187

01:01:07,500 --> 01:01:04,420

what I mean and well you can multiply

1188

01:01:11,730 --> 01:01:07,510

that thousand times everything just went

1189

01:01:14,160 --> 01:01:11,740

wide and the next thing I know is it the

1190

01:01:16,350 --> 01:01:14,170

other side they celebrated it gone and I

1191

01:01:19,110 --> 01:01:16,360

was driving the police girl you know

1192

01:01:22,110 --> 01:01:19,120

driving a police car turned around I'm

1193

01:01:24,240 --> 01:01:22,120

back to the scene and only rolled

1194

01:01:27,210 --> 01:01:24,250

surface it had been raining most of the

1195

01:01:30,930 --> 01:01:27,220

night it was completely trying to a like

1196

01:01:34,020 --> 01:01:30,940

a whirlpool dry with these dead leaves

1197

01:01:37,050 --> 01:01:34,030

and twigs and stuff all around it and

1198

01:01:40,440 --> 01:01:37,060

went down straight back down to the town

1199

01:01:42,060 --> 01:01:40,450

center Shawnee caught my family picnic

1200

01:01:46,830 --> 01:01:42,070

colleague Oakland we went back to the

1201

01:01:51,210 --> 01:01:46,840

scene and he saw it and we decided to

1202

01:01:53,040 --> 01:01:51,220

look in the adjoining park and which was

1203

01:01:55,230 --> 01:01:53,050

right next to the road there's a river a

1204

01:01:57,960 --> 01:01:55,240

bigger River runs between the two you

1205

01:02:01,140 --> 01:01:57,970

need to go across you say you say your

1206

01:02:03,039 --> 01:02:01,150

colleague saw it okay so you won't know

1207

01:02:08,150 --> 01:02:03,049

I saw it you saw the after

1208

01:02:11,390 --> 01:02:08,160

od aftermath okay okay yeah we went into

1209

01:02:15,160 --> 01:02:11,400

the park and lo and behold there were

1210

01:02:17,299 --> 01:02:15,170

the cows on the local rugby pitch now

1211

01:02:20,900 --> 01:02:17,309

have they got in there I don't know

1212

01:02:23,059 --> 01:02:20,910

because there's a river separates the

1213

01:02:25,370 --> 01:02:23,069

two and there's a drop into the river of

1214

01:02:28,880 --> 01:02:25,380

a good ten foot before actually the

1215

01:02:31,999 --> 01:02:28,890

water knee and then the storm wali the

1216

01:02:34,609 --> 01:02:32,009

sides and across there is the entrance

1217

01:02:36,980 --> 01:02:34,619

into the park with a gate on and the

1218

01:02:40,099 --> 01:02:36,990

Gators are the shuttle locked so they

1219

01:02:42,950 --> 01:02:40,109

come to got in there on their own but

1220

01:02:43,549 --> 01:02:42,960

yet there they were that's where they

1221

01:02:50,390 --> 01:02:43,559

were found

1222

01:02:53,109 --> 01:02:50,400

now as I said about a year later I was

1223

01:02:55,789 --> 01:02:53,119

asked to go under it naughty regression

1224

01:02:58,069 --> 01:02:55,799

which I declined to start with because

1225

01:03:01,849 --> 01:02:58,079

the only of gnosis I'd ever seen was on

1226

01:03:04,039 --> 01:03:01,859

TV and it was like a Cabrio before you

1227

01:03:06,589 --> 01:03:04,049

before you go out Alan before you go on

1228

01:03:08,839 --> 01:03:06,599

to the hypnosis were there any other

1229

01:03:13,400 --> 01:03:08,849

witnesses that saw when you saw that

1230

01:03:14,809 --> 01:03:13,410

light well I was led to believe and no

1231

01:03:16,549 --> 01:03:14,819

reason to disbelieve that there were

1232

01:03:19,640 --> 01:03:16,559

three other police officers in Holly

1233

01:03:21,470 --> 01:03:19,650

flax which was which approximately

1234

01:03:25,400 --> 01:03:21,480

twelve miles away from Tom Merton

1235

01:03:27,440 --> 01:03:25,410

another name counter upon the Moors all

1236

01:03:29,599 --> 01:03:27,450

three of them saw it and there were two

1237

01:03:31,970 --> 01:03:29,609

of the police officers what would you

1238

01:03:35,420 --> 01:03:31,980

you would call them the Highway Patrol

1239

01:03:38,210 --> 01:03:35,430

we call him that traffic cops they were

1240

01:03:41,900 --> 01:03:38,220

parked up and they saw an object of rien

1241

01:03:43,779 --> 01:03:41,910

between two public tricity pylons and in

1242

01:03:46,099 --> 01:03:43,789

each case they said that they were

1243

01:03:46,579 --> 01:03:46,109

heading towards the direction of Tom

1244

01:03:49,400 --> 01:03:46,589

burden

1245

01:03:53,329 --> 01:03:49,410

there was also on the same morning in

1246

01:03:56,410 --> 01:03:53,339

Tom Madden a local chaotic of a school

1247

01:04:00,200 --> 01:03:56,420

that is on that side of the valley

1248

01:04:04,339 --> 01:04:00,210

overlooks the road he gone he gone to

1249

01:04:08,930 --> 01:04:04,349

fire the boilers up for the day's events

1250

01:04:12,620 --> 01:04:08,940

and as he's walking across the courtyard

1251
01:04:15,640 --> 01:04:12,630
or scald school playground towards the

1252
01:04:19,660 --> 01:04:15,650
building he saw a saw an object the

1253
01:04:22,060 --> 01:04:19,670
grab it just like my riser book into the

1254
01:04:27,370 --> 01:04:22,070
air and then zigzag its way up towards

1255
01:04:31,120 --> 01:04:27,380
Burnley a guy a wagon driver a truck

1256
01:04:34,030 --> 01:04:31,130
driver as you would say was at him from

1257
01:04:37,750 --> 01:04:34,040
Burnley towards Tom Madden and again

1258
01:04:40,960 --> 01:04:37,760
he's very steep valleys and this object

1259
01:04:43,630 --> 01:04:40,970
came towards him zigzagging from side to

1260
01:04:47,170 --> 01:04:43,640
side and flew straight dog at top and he

1261
01:04:49,180 --> 01:04:47,180
came in a report of what he'd seen from

1262
01:04:52,480 --> 01:04:49,190
40 it was a few couple of days later an

1263
01:04:58,300 --> 01:04:52,490

early for today but different people did

1264

01:05:03,040 --> 01:04:58,310

see it so I know what I saw and believe

1265

01:05:04,450 --> 01:05:03,050

you me from 20 meters I saw that object

1266

01:05:09,270 --> 01:05:04,460

and it was real it wasn't the

1267

01:05:11,800 --> 01:05:09,280

imagination I am Paul honestly well

1268

01:05:15,100 --> 01:05:11,810

people that said you know the command is

1269

01:05:16,480 --> 01:05:15,110

all each silly bloody anything rather

1270

01:05:18,910 --> 01:05:16,490

than believe what you're saying they

1271

01:05:20,350 --> 01:05:18,920

come out with these silly explanations

1272

01:05:22,810 --> 01:05:20,360

you know they tried to say oh well you

1273

01:05:25,450 --> 01:05:22,820

saw this this is what you said this is

1274

01:05:28,300 --> 01:05:25,460

what Oh didn't didn't somebody say that

1275

01:05:30,070 --> 01:05:28,310

you saw a bus yeah well that was me I

1276

01:05:33,240 --> 01:05:30,080

said I thought I saw a boss

1277

01:05:36,520 --> 01:05:33,250

okay well reaction when I saw it yeah

1278

01:05:38,740 --> 01:05:36,530

the kind people got mistaken because

1279

01:05:41,320 --> 01:05:38,750

it's in Britain we have a lot of

1280

01:05:43,000 --> 01:05:41,330

double-decker buses yes like you said

1281

01:05:46,210 --> 01:05:43,010

going around London you know the big

1282

01:05:48,550 --> 01:05:46,220

double-deck ISM and they tried to say

1283

01:05:50,340 --> 01:05:48,560

that it was a double-decker bus ad seen

1284

01:05:53,980 --> 01:05:50,350

that gone sideways

1285

01:05:55,600 --> 01:05:53,990

the problem was with that is the booster

1286

01:05:58,450 --> 01:05:55,610

the only bus that was around at that

1287

01:06:01,300 --> 01:05:58,460

time was a single Becca I saw it going

1288

01:06:04,240 --> 01:06:01,310

up the main road and I know the guy was

1289

01:06:10,510 --> 01:06:04,250

driving it and it certainly wasn't him

1290

01:06:15,570 --> 01:06:10,520

but yeah I know somebody once said that

1291

01:06:23,620 --> 01:06:15,580

they thought that I've seen Venus I mean

1292

01:06:27,670 --> 01:06:23,630

you're Venus that cometh you know people

1293

01:06:31,540 --> 01:06:27,680

say you know a lot of people

1294

01:06:34,990 --> 01:06:31,550

and at the time a lot of people just

1295

01:06:38,650 --> 01:06:35,000

thought our crackers well now when you

1296

01:06:41,110 --> 01:06:38,660

finally did agree to to take the

1297

01:06:45,190 --> 01:06:41,120

hypnotic regression I mean what what

1298

01:06:47,410 --> 01:06:45,200

happened right well the first I agreed

1299

01:06:49,840 --> 01:06:47,420

eventually because the people that asked

1300

01:06:51,310 --> 01:06:49,850

me to do it was a head of the frost

1301
01:06:53,560 --> 01:06:51,320
squad of the Greater Manchester Police

1302
01:06:56,140 --> 01:06:53,570
Force so he was it you know his high

1303
01:07:00,040 --> 01:06:56,150
ranking police officer and there was a

1304
01:07:02,430 --> 01:07:00,050
solicitor two of the guys they made

1305
01:07:04,660 --> 01:07:02,440
arrangements to see two different

1306
01:07:07,180 --> 01:07:04,670
psychiatrists but none of the

1307
01:07:08,980 --> 01:07:07,190
psychiatrist was totally aware of what

1308
01:07:10,990 --> 01:07:08,990
they were about to hear if the air at

1309
01:07:13,750 --> 01:07:11,000
anything at all they did nothing about

1310
01:07:15,670 --> 01:07:13,760
the case and they didn't even know that

1311
01:07:17,830 --> 01:07:15,680
each other were going to do an accept on

1312
01:07:20,230 --> 01:07:17,840
different days the first one was a

1313
01:07:22,860 --> 01:07:20,240

professor Blair it was the professor of

1314

01:07:28,300 --> 01:07:22,870

psychiatry at Manchester University

1315

01:07:33,040 --> 01:07:28,310

so a choir you know established guy that

1316

01:07:35,190 --> 01:07:33,050

particular session wasn't videotaped he

1317

01:07:39,970 --> 01:07:35,200

won't allow it

1318

01:07:43,000 --> 01:07:39,980

following is I will then went to see dr.

1319

01:07:45,520 --> 01:07:43,010

Jacque mr. Joseph Joffre again he was a

1320

01:07:47,550 --> 01:07:45,530

leading psychiatrist and he actually did

1321

01:07:50,350 --> 01:07:47,560

work for the Greater Manchester Police

1322

01:07:53,440 --> 01:07:50,360

for in case of rape cases and things

1323

01:07:57,670 --> 01:07:53,450

like that so they're very eminent now

1324

01:08:00,940 --> 01:07:57,680

that one that fit with him the beginning

1325

01:08:03,250 --> 01:08:00,950

one was videotaped and everything was

1326

01:08:07,690 --> 01:08:03,260

done under while I was on the multi

1327

01:08:12,130 --> 01:08:07,700

regression and the third one again with

1328

01:08:14,860 --> 01:08:12,140

Professor Blair was videotaped and the

1329

01:08:17,320 --> 01:08:14,870

fourth one back again with dr. Josef

1330

01:08:20,640 --> 01:08:17,330

Jaffe that was videotaped so there was

1331

01:08:23,110 --> 01:08:20,650

three videotapes from four sessions I

1332

01:08:26,110 --> 01:08:23,120

was until I had no idea what I said on

1333

01:08:28,540 --> 01:08:26,120

hypnosis no idea at all all I know is

1334

01:08:31,720 --> 01:08:28,550

that following each if not it regression

1335

01:08:33,940 --> 01:08:31,730

as I was driving home I was sick as a

1336

01:08:35,860 --> 01:08:33,950

dog get feeling sick in fact you know

1337

01:08:38,530 --> 01:08:35,870

throwing up to stop the car and get out

1338

01:08:41,059 --> 01:08:38,540

and throw so something that upset me but

1339

01:08:44,760 --> 01:08:41,069

had no idea what

1340

01:08:47,959 --> 01:08:44,770

eventually my police force with my work

1341

01:08:50,399 --> 01:08:47,969

for which was the West Yorkshire police

1342

01:08:55,169 --> 01:08:50,409

became aware of what was going on and

1343

01:09:01,229 --> 01:08:55,179

they put a stop to it you know boom

1344

01:09:06,269 --> 01:09:01,239

you can't go finito so I was then

1345

01:09:10,129 --> 01:09:06,279

allowed to see the videotapes I what I

1346

01:09:14,849 --> 01:09:10,139

said on rip noses and my god

1347

01:09:17,249 --> 01:09:14,859

Saturday watch him I'm seeing my face on

1348

01:09:19,939 --> 01:09:17,259

there and this story coming out without

1349

01:09:25,919 --> 01:09:19,949

no conscious memory of and it was like

1350

01:09:29,309 --> 01:09:25,929

do I believe what I'm saying and I still

1351

01:09:31,079 --> 01:09:29,319

to this day I don't know people say what

1352

01:09:34,800 --> 01:09:31,089

does they don't hypnosis must have

1353

01:09:37,410 --> 01:09:34,810

happened some people say no is something

1354

01:09:39,479 --> 01:09:37,420

that your brains got confused with and

1355

01:09:43,829 --> 01:09:39,489

go out on history I don't know which to

1356

01:09:46,050 --> 01:09:43,839

believe if it did happen

1357

01:09:49,950 --> 01:09:46,060

well I'm I've survived it an army yeah

1358

01:09:53,309 --> 01:09:49,960

30 audio later anyway didn't happen then

1359

01:09:54,780 --> 01:09:53,319

I can only assume that it twelve months

1360

01:09:57,689 --> 01:09:54,790

in between the encounter and actually

1361

01:10:00,030 --> 01:09:57,699

going for the aggression and I knew

1362

01:10:02,669 --> 01:10:00,040

about this missing time well how about

1363

01:10:06,359 --> 01:10:02,679

know whether it were there aliens on

1364

01:10:11,010 --> 01:10:06,369

board the craft well sorry I wanted to

1365

01:10:14,399 --> 01:10:11,020

drink some water I described one of

1366

01:10:20,180 --> 01:10:14,409

these people that were inside this

1367

01:10:26,640 --> 01:10:20,190

object a very tall humanoid looking and

1368

01:10:28,350 --> 01:10:26,650

wearing a skullcap and a long white what

1369

01:10:28,590 --> 01:10:28,360

appeared to be a long but it won't like

1370

01:10:32,729 --> 01:10:28,600

it

1371

01:10:35,640 --> 01:10:32,739

she's long she told him he was the guy

1372

01:10:39,209 --> 01:10:35,650

whose mouth he didn't have a mouth and

1373

01:10:41,430 --> 01:10:39,219

he was the guy who was communicating

1374

01:10:44,669 --> 01:10:41,440

with me font of a better word cuz I'm

1375

01:10:47,580 --> 01:10:44,679

being asked by the psychiatrist also in

1376

01:10:53,379 --> 01:10:47,590

the in this object English whatever it

1377

01:10:55,689 --> 01:10:53,389

was there was little lunch a dead

1378

01:11:02,890 --> 01:10:55,699

look like the lamb they are like ball

1379

01:11:05,620 --> 01:11:02,900

beds and about 349 small and I believe I

1380

01:11:08,859 --> 01:11:05,630

said there were eight of them and they

1381

01:11:11,919 --> 01:11:08,869

were making a noise Minnie Minnie Minnie

1382

01:11:13,899 --> 01:11:11,929

Minnie Minnie Minnie Minnie all right

1383

01:11:15,669 --> 01:11:13,909

Allen with that we're gonna have to go

1384

01:11:16,870 --> 01:11:15,679

to our bottom of the hour break so would

1385

01:11:19,390 --> 01:11:16,880

we come back we'll continue our

1386

01:11:21,160 --> 01:11:19,400

conversation on exploring the bazaar

1387

01:11:23,080 --> 01:11:21,170

what a time to have to go to a break

1388

01:11:31,850 --> 01:11:23,090

we'll be right back

1389

01:11:38,580 --> 01:11:36,000

now back to exploring the bazaars with

1390

01:11:41,880 --> 01:11:38,590

two of the most electrifying researchers

1391

01:11:47,850 --> 01:11:41,890

in the Paranoid your hosts Timothy Becca

1392

01:11:49,590 --> 01:11:47,860

Lee and Kings whoops all right welcome

1393

01:11:53,340 --> 01:11:49,600

back to exploring bazaar and we're

1394

01:11:54,959 --> 01:11:53,350

talking with Alan Godfrey and boy we

1395

01:11:59,729 --> 01:11:54,969

went to the break he was telling us

1396

01:12:02,580 --> 01:11:59,739

about his UFO experience when when he

1397

01:12:07,530 --> 01:12:02,590

was a policeman but real quick Alan we

1398

01:12:09,120 --> 01:12:07,540

got a question from Joe Glover and Joe

1399

01:12:12,300 --> 01:12:09,130

wants to know Alan would you found

1400

01:12:14,939 --> 01:12:12,310

yourself back in the car after you saw

1401

01:12:19,320 --> 01:12:14,949

that flash of light you found yourself

1402

01:12:21,270 --> 01:12:19,330

driving in the car how long was it from

1403

01:12:24,180 --> 01:12:21,280

when you were sitting there getting

1404

01:12:25,740 --> 01:12:24,190

ready to sketch this object to when you

1405

01:12:28,350 --> 01:12:25,750

found yourself driving do you have any

1406

01:12:30,510 --> 01:12:28,360

idea you know how much time elapsed not

1407

01:12:34,110 --> 01:12:30,520

the time I just thought it happened in

1408

01:12:37,650 --> 01:12:34,120

an instant book and when we got back to

1409

01:12:39,600 --> 01:12:37,660

the station afterwards I realized and

1410

01:12:40,140 --> 01:12:39,610

other people realize that about a half

1411

01:12:45,120 --> 01:12:40,150

an hour

1412

01:12:46,979 --> 01:12:45,130

could I can't be accounted for I I left

1413

01:12:49,680 --> 01:12:46,989

the police station at five o'clock then

1414

01:12:53,939 --> 01:12:49,690

counter out roughly about 10 past 5:00

1415

01:12:55,680 --> 01:12:53,949

and yet it was 6 o'clock when I got back

1416

01:12:59,340 --> 01:12:55,690

to the police station when I went to

1417

01:13:05,060 --> 01:12:59,350

pick me buddy oh it came back to the

1418

01:13:09,450 --> 01:13:05,070

scene so the render about half an hour

1419

01:13:12,000 --> 01:13:09,460

30 minutes 30 minutes right so uh but

1420

01:13:13,979 --> 01:13:12,010

before we went to our last break you

1421

01:13:15,930 --> 01:13:13,989

were telling us that that you saw

1422

01:13:17,880 --> 01:13:15,940

yourself when you were under hypnotic

1423

01:13:22,439 --> 01:13:17,890

regression yeah and you you were

1424

01:13:26,370 --> 01:13:22,449

relating how there were you know beans

1425

01:13:29,160 --> 01:13:26,380

on board this craft or whatever it was I

1426

01:13:31,770 --> 01:13:29,170

didn't work I've done as the small ones

1427

01:13:34,110 --> 01:13:31,780

as robots he said they were making a

1428

01:13:37,500 --> 01:13:34,120

strange noise I said there is robots

1429

01:13:39,109 --> 01:13:37,510

they belong to him so I I must have been

1430

01:13:41,000 --> 01:13:39,119

thinking

1431

01:13:42,859 --> 01:13:41,010

give me an explanation as to what that

1432

01:13:45,470 --> 01:13:42,869

was seeing which would a rational

1433

01:13:50,089 --> 01:13:45,480

explanation in my mind so to speak that

1434

01:13:54,770 --> 01:13:50,099

said there were robots but were they

1435

01:13:56,570 --> 01:13:54,780

were I don't know there were you know a

1436

01:13:59,120 --> 01:13:56,580

light bulb looks like don't ya

1437

01:14:04,189 --> 01:13:59,130

oh yes brother the Reg was that similar

1438

01:14:06,050 --> 01:14:04,199

to that shape and did black our darting

1439

01:14:09,459 --> 01:14:06,060

eyes but they didn't have a mouth or

1440

01:14:12,500 --> 01:14:09,469

anything neither did the tall guy and

1441

01:14:15,229 --> 01:14:12,510

yet took me but they were community only

1442

01:14:20,570 --> 01:14:15,239

his name was Joseph which I later

1443

01:14:24,140 --> 01:14:20,580

changed to Joseph and Nori's and I've no

1444

01:14:27,649 --> 01:14:24,150

reason why there you go heat either

1445

01:14:30,709 --> 01:14:27,659

happened or it didn't happen I can't I

1446

01:14:32,680 --> 01:14:30,719

can't accept it to an extent but they're

1447

01:14:35,600 --> 01:14:32,690

more likely to fall on the side of

1448

01:14:37,760 --> 01:14:35,610

between 4 to 12 months prior to the

1449

01:14:40,040 --> 01:14:37,770

encounter to the first hypnotic

1450

01:14:45,050 --> 01:14:40,050

regression was approximately 12 months I

1451

01:14:48,350 --> 01:14:45,060

think I did read some of you wait for

1452

01:14:50,379 --> 01:14:48,360

books should I say then one of them was

1453

01:14:53,780 --> 01:14:50,389

a couple called

1454

01:14:56,839 --> 01:14:53,790

Betty and Barney Hill Ursula yes

1455

01:14:59,419 --> 01:14:56,849

well I did read an A in one of these

1456

01:15:02,030 --> 01:14:59,429

books I read their story now whether I

1457

01:15:06,050 --> 01:15:02,040

my brain then started imagining

1458

01:15:10,310 --> 01:15:06,060

well if I were abducted flap Salam to me

1459

01:15:12,200 --> 01:15:10,320

and when our in 200 noses perhaps like a

1460

01:15:14,870 --> 01:15:12,210

dream I came out with this fantastic

1461

01:15:17,959 --> 01:15:14,880

story being abducted it so I don't know

1462

01:15:22,520 --> 01:15:17,969

which is true to be honest with you but

1463

01:15:25,310 --> 01:15:22,530

the thing is that met the hundred noses

1464

01:15:30,020 --> 01:15:25,320

I say that the attaching something to me

1465

01:15:33,200 --> 01:15:30,030

left foot a mere I thank me right wrist

1466

01:15:35,629 --> 01:15:33,210

now me police boots which were pretty

1467

01:15:39,680 --> 01:15:35,639

new when I talked them off that night

1468

01:15:44,330 --> 01:15:39,690

there was a big split across the width

1469

01:15:47,120 --> 01:15:44,340

of it not lengthways width and I did on

1470

01:15:51,080 --> 01:15:47,130

that into these investigators in the

1471

01:15:52,000 --> 01:15:51,090

Centre for forensic psycho inspection

1472

01:15:54,520 --> 01:15:52,010

for no

1473

01:15:57,930 --> 01:15:54,530

and actually came back of it and on the

1474

01:16:02,470 --> 01:15:57,940

instep of my left foot was a red mark

1475

01:16:05,170 --> 01:16:02,480

size of an old penny and a lot of people

1476

01:16:11,230 --> 01:16:05,180

would that be another one i big you off

1477

01:16:15,610 --> 01:16:11,240

for currency his will say probably an

1478

01:16:19,570 --> 01:16:15,620

inch across this circumference the

1479

01:16:21,970 --> 01:16:19,580

radius would be about an inch across so

1480

01:16:24,100 --> 01:16:21,980

a signs of an old penny and it was a red

1481

01:16:27,100 --> 01:16:24,110

market it was it cheaper but it wasn't

1482

01:16:31,570 --> 01:16:27,110

saw and i did go to the doctors with it

1483

01:16:34,870 --> 01:16:31,580

and he put it down as well as he called

1484

01:16:39,250 --> 01:16:34,880

it was psoriasis probably brought on by

1485

01:16:41,530 --> 01:16:39,260

shock because I didn't I didn't saw him

1486

01:16:45,310 --> 01:16:41,540

psoriasis then I've never suffered from

1487

01:16:48,750 --> 01:16:45,320

it since so then little things it makes

1488

01:16:51,790 --> 01:16:48,760

you wonder well here I am

1489

01:16:53,830 --> 01:16:51,800

nearly forty back 30 a year ago name

1490

01:16:58,930 --> 01:16:53,840

shall survived if I didn't get out

1491

01:17:03,340 --> 01:16:58,940

doctor they got so I did survive but now

1492

01:17:06,750 --> 01:17:03,350

okay no I was gonna say so now uh you

1493

01:17:09,970 --> 01:17:06,760

know you say you survived but I mean the

1494

01:17:11,440 --> 01:17:09,980

authorities and the government just

1495

01:17:15,730 --> 01:17:11,450

really ran you through the ringer

1496

01:17:20,890 --> 01:17:15,740

afterwards didn't they yes it's it

1497

01:17:25,180 --> 01:17:20,900

started little bits of things happening

1498

01:17:29,470 --> 01:17:25,190

like or aggravating things you know I've

1499

01:17:35,020 --> 01:17:29,480

been seriously injured in 1977 I think

1500

01:17:36,970 --> 01:17:35,030

he was in the groin area and I was off

1501

01:17:40,060 --> 01:17:36,980

for a little while with that but the

1502

01:17:43,060 --> 01:17:40,070

injury it meant they wanted me to ride a

1503

01:17:45,010 --> 01:17:43,070

push bike pedal cycle mm-hmm

1504

01:17:49,180 --> 01:17:45,020

and obviously I said I can't ride that

1505

01:17:50,680 --> 01:17:49,190

if it is too uncomfortable these little

1506

01:17:55,480 --> 01:17:50,690

things on that but then he got more

1507

01:17:58,630 --> 01:17:55,490

serious yeah I was off one day and

1508

01:18:01,060 --> 01:17:58,640

became a colleague of mine Jack Brown I

1509

01:18:02,250 --> 01:18:01,070

mention him in the book of course

1510

01:18:04,470 --> 01:18:02,260

[Music]

1511

01:18:07,590 --> 01:18:04,480

he came to pay he was in uniform and I

1512

01:18:09,330 --> 01:18:07,600

was in severe civilian clothing panty up

1513

01:18:12,570 --> 01:18:09,340

he was had been ordered to take me to

1514

01:18:14,880 --> 01:18:12,580

Stan Lee Roy hospital in Wakefield which

1515

01:18:17,570 --> 01:18:14,890

is a psychiatric hospital but we didn't

1516

01:18:21,570 --> 01:18:17,580

I didn't know at the time and I was

1517

01:18:24,840 --> 01:18:21,580

interviewed there by two psychiatrists

1518

01:18:29,820 --> 01:18:24,850

sat behind wig big old desk and a lady

1519

01:18:31,950 --> 01:18:29,830

shot to their left taking notes

1520

01:18:36,030 --> 01:18:31,960

Jack thankfully came into the room we

1521

01:18:38,040 --> 01:18:36,040

met at my request and I asked him what

1522

01:18:40,200 --> 01:18:38,050

what it was all about I thought I'd gone

1523

01:18:44,910 --> 01:18:40,210

for a physical medical about me injury

1524

01:18:49,890 --> 01:18:44,920

and no they said that I was there to

1525

01:18:52,140 --> 01:18:49,900

test my sanity view like he was and he

1526

01:18:56,580 --> 01:18:52,150

they were going on and on and on in the

1527

01:18:59,570 --> 01:18:56,590

end Jack got to intervene and said and

1528

01:19:02,340 --> 01:18:59,580

he stopped the interview and said look

1529

01:19:05,850 --> 01:19:02,350

what you're talking about what happened

1530

01:19:07,800 --> 01:19:05,860

two year ago and you know he's been

1531

01:19:10,350 --> 01:19:07,810

working ever since - honey why is all

1532

01:19:12,150 --> 01:19:10,360

this suddenly come out and they were a

1533

01:19:14,160 --> 01:19:12,160

bit annoyed actually that they've been

1534

01:19:19,590 --> 01:19:14,170

they have been led to believe that I was

1535

01:19:23,910 --> 01:19:19,600

having what's the word seeing things and

1536

01:19:26,100 --> 01:19:23,920

stuff hallucinations yeah yeah and I

1537

01:19:29,610 --> 01:19:26,110

said you know no no that's a lord

1538

01:19:32,610 --> 01:19:29,620

nonsense is it I was actually work you

1539

01:19:37,820 --> 01:19:32,620

know to yesterday I've been in I was CID

1540

01:19:43,130 --> 01:19:40,080

they thought they were told it that was

1541

01:19:46,500 --> 01:19:43,140

off you know I mean these elucidation

1542

01:19:49,470 --> 01:19:46,510

let me let me s Darrell something here

1543

01:19:52,080 --> 01:19:49,480

now Darrell okay so you've investigated

1544

01:19:54,270 --> 01:19:52,090

how many cases all together would you

1545

01:19:58,170 --> 01:19:54,280

say well I have two thousand clients

1546

01:20:02,250 --> 01:19:58,180

worldwide inside literally investigated

1547

01:20:06,690 --> 01:20:02,260

over 50 years just thousand tens of

1548

01:20:09,870 --> 01:20:06,700

thousands and and what what effect I

1549

01:20:11,520 --> 01:20:09,880

mean have people okay some of these

1550

01:20:14,760 --> 01:20:11,530

people obviously maybe we're not too

1551
01:20:16,230 --> 01:20:14,770
stable to begin with would you say I

1552
01:20:18,650 --> 01:20:16,240
mean but that's not this

1553
01:20:22,710 --> 01:20:18,660
the people that are unstable can't have

1554
01:20:25,080 --> 01:20:22,720
legitimate UFO experiences our contacts

1555
01:20:27,360 --> 01:20:25,090
either right I mean - Casey has two

1556
01:20:29,130 --> 01:20:27,370
answers for that first as well most

1557
01:20:31,680 --> 01:20:29,140
abductees that I've worked with and I've

1558
01:20:36,210 --> 01:20:31,690
worked with them all over the world are

1559
01:20:38,790 --> 01:20:36,220
very stable people it is very rare to

1560
01:20:43,050 --> 01:20:38,800
find somebody that is not stable but I

1561
01:20:44,940 --> 01:20:43,060
had two people sent to me from MHMR

1562
01:20:49,890 --> 01:20:44,950
that's mental health and [h__h] mental

1563
01:20:53,730 --> 01:20:49,900

retardation and I asked the guy why he

1564

01:20:54,840 --> 01:20:53,740

was there and he said well I don't want

1565

01:20:57,060 --> 01:20:54,850

to tell you and I said if you don't

1566

01:20:57,360 --> 01:20:57,070

don't tell me now I'll run you out of

1567

01:21:00,990 --> 01:20:57,370

here

1568

01:21:04,830 --> 01:21:01,000

and he did and he said my psychiatrist

1569

01:21:07,110 --> 01:21:04,840

since you sent me and I said why and he

1570

01:21:10,530 --> 01:21:07,120

like I got her number and I called her I

1571

01:21:13,440 --> 01:21:10,540

said why did you send him to me he's

1572

01:21:15,480 --> 01:21:13,450

obviously a mental patient and she said

1573

01:21:18,030 --> 01:21:15,490

I know it and I know his trauma I know

1574

01:21:21,900 --> 01:21:18,040

his condition however I thought you can

1575

01:21:25,290 --> 01:21:21,910

help him now what she didn't tell me was

1576

01:21:29,070 --> 01:21:25,300

she had the same marks on her that she

1577

01:21:32,040 --> 01:21:29,080

saw on him in her vent and she was using

1578

01:21:38,220 --> 01:21:32,050

him to get information so with her she

1579

01:21:40,700 --> 01:21:38,230

won't ask me as a doctor - mhm do these

1580

01:21:43,290 --> 01:21:40,710

people are they are they overly

1581

01:21:47,180 --> 01:21:43,300

traumatized there do some of them just

1582

01:21:53,190 --> 01:21:47,190

kind of you know a brush it off or most

1583

01:21:57,510 --> 01:21:53,200

most of the people about 60% can can

1584

01:22:00,990 --> 01:21:57,520

live with it and about another 20% are

1585

01:22:02,190 --> 01:22:01,000

at 10 20 % have a real tough time with

1586

01:22:05,040 --> 01:22:02,200

it

1587

01:22:09,210 --> 01:22:05,050

they they look at my senior investigator

1588

01:22:12,390 --> 01:22:09,220

Dale muster is a an engineer he was

1589

01:22:14,550 --> 01:22:12,400

looking at his video and he's the one

1590

01:22:17,430 --> 01:22:14,560

that ended up in another state with

1591

01:22:20,970 --> 01:22:17,440

another guy on a vacation and wrong guys

1592

01:22:23,130 --> 01:22:20,980

driving the truck and he just can't

1593

01:22:25,650 --> 01:22:23,140

believe he got a an implant through the

1594

01:22:27,810 --> 01:22:25,660

center of his forehead and of course he

1595

01:22:29,250 --> 01:22:27,820

just said I see myself screaming and

1596

01:22:30,010 --> 01:22:29,260

everything on the film I don't believe

1597

01:22:33,160 --> 01:22:30,020

it I just can't

1598

01:22:34,900 --> 01:22:33,170

Vivat he goes in the bathroom pulls back

1599

01:22:38,950 --> 01:22:34,910

the folds of his skin on his forehead

1600

01:22:43,150 --> 01:22:38,960

and finds a scar of where the needle

1601

01:22:47,110 --> 01:22:43,160

went in and he just said I just I just

1602

01:22:50,350 --> 01:22:47,120

can't hard I can't hardly imagine this

1603

01:22:53,020 --> 01:22:50,360

and not worked with professional people

1604

01:22:55,420 --> 01:22:53,030

as well and who had these events and

1605

01:22:58,540 --> 01:22:55,430

they are just it just beyond the pale

1606

01:23:01,600 --> 01:22:58,550

they just but one lady was also one of

1607

01:23:05,380 --> 01:23:01,610

his colleagues an engineer and she said

1608

01:23:07,210 --> 01:23:05,390

I fill out your forms and 35 of the 33

1609

01:23:10,210 --> 01:23:07,220

of the 35 markers you have for

1610

01:23:12,670 --> 01:23:10,220

abductions are on my chart I said okay

1611

01:23:15,190 --> 01:23:12,680

[h__\h] so do you think on abductee I said

1612

01:23:18,340 --> 01:23:15,200

I have no idea I can't make you one I

1613

01:23:21,490 --> 01:23:18,350

can't make you not one long story short

1614

01:23:23,650 --> 01:23:21,500

said it took her a year she said I want

1615

01:23:26,890 --> 01:23:23,660

to I want you to work with me I said

1616

01:23:28,480 --> 01:23:26,900

okay and I said well I'm not an abductee

1617

01:23:33,250 --> 01:23:28,490

I said I didn't say you were and you

1618

01:23:39,760 --> 01:23:33,260

probably aren't long story short is her

1619

01:23:41,380 --> 01:23:39,770

events showed that she is she her first

1620

01:23:42,880 --> 01:23:41,390

event occurred when she was very very

1621

01:23:46,270 --> 01:23:42,890

young and that's true with most of these

1622

01:23:48,550 --> 01:23:46,280

people not all of them most of them the

1623

01:23:52,210 --> 01:23:48,560

fact that she was watching a cow get

1624

01:23:54,790 --> 01:23:52,220

mutilated alive in a room as she walked

1625

01:23:56,440 --> 01:23:54,800

through the hallway she's that just

1626

01:23:58,720 --> 01:23:56,450

doesn't make kids don't make stuff up

1627

01:24:01,090 --> 01:23:58,730

like that I've never I don't even know

1628

01:24:01,920 --> 01:24:01,100

what a cattle mutilation is and there

1629

01:24:04,600 --> 01:24:01,930

was there they are

1630

01:24:07,120 --> 01:24:04,610

cutting to utter off of this thing and

1631

01:24:10,810 --> 01:24:07,130

it's screaming and bellowing and so on

1632

01:24:13,720 --> 01:24:10,820

and she that just can't be true I said I

1633

01:24:16,150 --> 01:24:13,730

know and I looked at her and smile this

1634

01:24:19,060 --> 01:24:16,160

is sleep and she went back and finished

1635

01:24:23,980 --> 01:24:19,070

the story they have a tough time with it

1636

01:24:27,820 --> 01:24:23,990

they really do I know I did well now the

1637

01:24:31,150 --> 01:24:27,830

these implants that you have what what

1638

01:24:34,960 --> 01:24:31,160

parts of the body have now I know dr.

1639

01:24:37,060 --> 01:24:34,970

Leir who's now a deceased did he not

1640

01:24:39,910 --> 01:24:37,070

work with taking implants out of

1641

01:24:43,850 --> 01:24:39,920

people's the areas of their feed right

1642

01:24:50,840 --> 01:24:43,860

only the feet he started under me back

1643

01:24:52,459 --> 01:24:50,850

in 1998 95 and I had him worked for me

1644

01:24:56,240 --> 01:24:52,469

for while he was only a podiatrist he

1645

01:24:59,000 --> 01:24:56,250

wasn't an MD so I hired the doctors to

1646

01:25:00,560 --> 01:24:59,010

to remove the implants and I would do

1647

01:25:04,129 --> 01:25:00,570

that not a kind of seizure with the

1648

01:25:08,209 --> 01:25:04,139

patients when necessary but the fact is

1649

01:25:11,629 --> 01:25:08,219

that we found the first Roger Broder who

1650

01:25:13,399 --> 01:25:11,639

wrote wrote a book and I said why did

1651
01:25:16,040 --> 01:25:13,409
you put off that all the implants from

1652
01:25:18,950 --> 01:25:16,050
the left side because that's you showed

1653
01:25:22,189 --> 01:25:18,960
me that I said no I only showed you once

1654
01:25:23,600 --> 01:25:22,199
there were on the left side I see you

1655
01:25:26,600 --> 01:25:23,610
don't know what she's talking about stop

1656
01:25:28,340 --> 01:25:26,610
writing this stuff and so I showed him

1657
01:25:30,439 --> 01:25:28,350
implants were on the left side on the

1658
01:25:32,540 --> 01:25:30,449
right side and I showed him the ones

1659
01:25:34,490 --> 01:25:32,550
that rent in the middle from the head on

1660
01:25:38,510 --> 01:25:34,500
the front of my book on implants I've

1661
01:25:42,590 --> 01:25:38,520
got an implant the size of a lifesaver

1662
01:25:44,379 --> 01:25:42,600
in a lady's right hemisphere two years

1663
01:25:49,280 --> 01:25:44,389

later it moves to the other hemisphere

1664

01:25:51,590 --> 01:25:49,290

and later it disappears she's got one in

1665

01:25:53,600 --> 01:25:51,600

her arm right now that's fascinating so

1666

01:25:56,300 --> 01:25:53,610

I'm going to go down and we'll have that

1667

01:25:57,709 --> 01:25:56,310

removed but the point is that implants

1668

01:25:59,470 --> 01:25:57,719

are very rare and I want your audience

1669

01:26:02,390 --> 01:25:59,480

to understand that they're very rare

1670

01:26:04,129 --> 01:26:02,400

that I know there are people out there

1671

01:26:06,590 --> 01:26:04,139

and some of them are in the conference's

1672

01:26:08,510 --> 01:26:06,600

I go to and they tell people oh you've

1673

01:26:11,270 --> 01:26:08,520

got fluorescence you've got implants

1674

01:26:14,720 --> 01:26:11,280

you've got everything in most cases you

1675

01:26:16,310 --> 01:26:14,730

don't it's just not true and I just hate

1676

01:26:17,660 --> 01:26:16,320

it when people scare people like that

1677

01:26:21,080 --> 01:26:17,670

when it's just no need to

1678

01:26:25,220 --> 01:26:21,090

I discovered implants in 1960 in my own

1679

01:26:28,160 --> 01:26:25,230

event at age 12 and I was wide awake and

1680

01:26:32,410 --> 01:26:28,170

and what what exactly I mean are the the

1681

01:26:34,520 --> 01:26:32,420

implants Arthur the monitoring devices

1682

01:26:36,320 --> 01:26:34,530

that would be easier to call him a

1683

01:26:38,810 --> 01:26:36,330

monitoring device than a tracking device

1684

01:26:41,090 --> 01:26:38,820

people say well they're tracking my said

1685

01:26:42,950 --> 01:26:41,100

no they're not I said if they were

1686

01:26:45,620 --> 01:26:42,960

tracking you I said how did they find

1687

01:26:46,760 --> 01:26:45,630

you to begin with well how do you think

1688

01:26:50,000 --> 01:26:46,770

they found me I said through your

1689

01:26:54,410 --> 01:26:50,010

parents I said it's your lineage they're

1690

01:26:56,600 --> 01:26:54,420

interested in not you the lineage I said

1691

01:26:57,510 --> 01:26:56,610

if you're 45% Native American Indian

1692

01:27:00,330 --> 01:26:57,520

your

1693

01:27:03,180 --> 01:27:00,340

chances are 45% better at you're going

1694

01:27:06,330 --> 01:27:03,190

to get taken Native American Indian

1695

01:27:08,550 --> 01:27:06,340

Irish Celtic 45% and are the statistics

1696

01:27:12,630 --> 01:27:08,560

that we kept on these people we started

1697

01:27:13,920 --> 01:27:12,640

that back in the 1980s and but 55

1698

01:27:15,930 --> 01:27:13,930

percent of people are not Native

1699

01:27:17,670 --> 01:27:15,940

American Indian they're just not so

1700

01:27:22,650 --> 01:27:17,680

they're getting all kinds of people

1701

01:27:24,360 --> 01:27:22,660

black people overall don't tell people

1702

01:27:26,340 --> 01:27:24,370

about their abductions if they have them

1703

01:27:29,370 --> 01:27:26,350

they they're very private about that

1704

01:27:30,930 --> 01:27:29,380

I've got one black family that back in

1705

01:27:32,730 --> 01:27:30,940

Pennsylvania and all of them in the

1706

01:27:34,800 --> 01:27:32,740

entire family and three generations or

1707

01:27:35,100 --> 01:27:34,810

all abductees with the exception of the

1708

01:27:42,930 --> 01:27:35,110

father

1709

01:27:44,400 --> 01:27:42,940

well Tim go ahead yes go ahead

1710

01:27:46,440 --> 01:27:44,410

well I'm going to have to go there

1711

01:27:48,660 --> 01:27:46,450

because it's nearly five o'clock in the

1712

01:27:50,490 --> 01:27:48,670

morning here and I'm falling asleep on

1713

01:27:52,170 --> 01:27:50,500

Portia I've been listening to Darrell

1714

01:27:56,220 --> 01:27:52,180

it's fascinated me while he's been

1715

01:27:59,220 --> 01:27:56,230

saying a lot of thing if anybody is

1716

01:28:03,840 --> 01:27:59,230

interested in the book rather than buy

1717

01:28:07,730 --> 01:28:03,850

it on Amazon I prefer eBay because I I

1718

01:28:09,810 --> 01:28:07,740

can it could the orders come to me and I

1719

01:28:13,230 --> 01:28:09,820

assign each book and if they want

1720

01:28:15,840 --> 01:28:13,240

anything you know they dedicated to

1721

01:28:18,840 --> 01:28:15,850

somebody happy but whatever I'll do that

1722

01:28:21,660 --> 01:28:18,850

for them but if they want the book they

1723

01:28:23,610 --> 01:28:21,670

can get it on eBay by entering the title

1724

01:28:25,020 --> 01:28:23,620

of the book not mine in because if you

1725

01:28:30,720 --> 01:28:25,030

said before there's a lots of Alan

1726

01:28:34,560 --> 01:28:30,730

Godfrey's so it's by the title who or

1727

01:28:36,750 --> 01:28:34,570

what were they and it's on eBay and I

1728

01:28:39,240 --> 01:28:36,760

saw quite a lot in America already and

1729

01:28:43,020 --> 01:28:39,250

in fact one of them actually I'm very

1730

01:28:52,770 --> 01:28:43,030

proud of because he's he or she a guy

1731

01:28:57,780 --> 01:28:52,780

Remini lived in the Bronx I won't ever

1732

01:29:03,030 --> 01:28:57,790

see any yeah well it's not not too far

1733

01:29:05,010 --> 01:29:03,040

from here in the Bronx some way to take

1734

01:29:08,490 --> 01:29:05,020

a little subway ride up to the Yankee

1735

01:29:10,500 --> 01:29:08,500

Stadium and catch the game and come

1736

01:29:11,490 --> 01:29:10,510

coming back you can read it you could

1737

01:29:15,030 --> 01:29:11,500

read it on the sub

1738

01:29:19,110 --> 01:29:15,040

and I must say Allen it is a wonderfully

1739

01:29:22,500 --> 01:29:19,120

written book because it's not just about

1740

01:29:25,020 --> 01:29:22,510

your UFO experiences but it gives a

1741

01:29:29,010 --> 01:29:25,030

great insight into your into your

1742

01:29:31,380 --> 01:29:29,020

background and as well and we just know

1743

01:29:33,990 --> 01:29:31,390

it's not G it's just not like a g-wiz

1744

01:29:37,800 --> 01:29:34,000

book like you know I shuttle around in

1745

01:29:39,660 --> 01:29:37,810

space and they're aliens contact me I

1746

01:29:43,740 --> 01:29:39,670

mean you you feel that you

1747

01:29:46,610 --> 01:29:43,750

it has had impact on your on your life

1748

01:29:51,150 --> 01:29:46,620

and it is one of the most mysterious

1749

01:29:53,400 --> 01:29:51,160

cases of of all of all time I would say

1750

01:29:56,340 --> 01:29:53,410

and I want to thank you get four for

1751

01:29:59,280 --> 01:29:56,350

coming on and hopefully we'll we'll try

1752

01:30:01,140 --> 01:29:59,290

to get in the future and a best of luck

1753

01:30:06,120 --> 01:30:01,150

it to you and keep away from those

1754

01:30:08,360 --> 01:30:06,130

little gray guys I have to say sorry for

1755

01:30:11,820 --> 01:30:08,370

not hanging on to the bitter end but

1756

01:30:13,680 --> 01:30:11,830

unfortunately I've been awake now for 24

1757

01:30:16,920 --> 01:30:13,690

hours and I think it's catching up with

1758

01:30:21,210 --> 01:30:16,930

me I am 70 all right will you take you

1759

01:30:24,060 --> 01:30:21,220

take care over there say British our

1760

01:30:29,250 --> 01:30:24,070

British friends yeah thank you very much

1761

01:30:34,740 --> 01:30:29,260

Tim Tim yeah it's an honor to meet you

1762

01:30:36,570 --> 01:30:34,750

but I know what a wonderful wonderful

1763

01:30:39,480 --> 01:30:36,580

story I mean it's just so you could just

1764

01:30:42,140 --> 01:30:39,490

tell the sincerity and and it's it's

1765

01:30:45,930 --> 01:30:42,150

just I mean would you say they're a

1766

01:30:49,710 --> 01:30:45,940

darryl i mean he has this episode in his

1767

01:30:53,130 --> 01:30:49,720

life where he he sees this individual up

1768

01:30:56,220 --> 01:30:53,140

in the cold down there i mean do you

1769

01:30:58,230 --> 01:30:56,230

think that the later experience that he

1770

01:31:00,900 --> 01:30:58,240

had himself was a setup i mean do they

1771

01:31:04,920 --> 01:31:00,910

is there a connection between the two

1772

01:31:09,750 --> 01:31:04,930

events it seems it seems anecdotal that

1773

01:31:11,340 --> 01:31:09,760

that is the case it is beyond me to say

1774

01:31:14,490 --> 01:31:11,350

it is ron could i don't know the case

1775

01:31:17,010 --> 01:31:14,500

perfectly but he has done a good job as

1776

01:31:19,830 --> 01:31:17,020

a police officer and certainly as an

1777

01:31:21,870 --> 01:31:19,840

honest man to forget to the bottom of

1778

01:31:24,600 --> 01:31:21,880

his own case and it's it's still eating

1779

01:31:25,370 --> 01:31:24,610

his lunch to this day and he's just a

1780

01:31:28,169 --> 01:31:25,380

decent

1781

01:31:30,660 --> 01:31:28,179

what would you say that there there is

1782

01:31:33,209 --> 01:31:30,670

the people that have these experiences

1783

01:31:35,939 --> 01:31:33,219

well can you give us one cat one case of

1784

01:31:39,330 --> 01:31:35,949

a let's say a family or an individual

1785

01:31:42,060 --> 01:31:39,340

that's seems to have more experiences

1786

01:31:46,560 --> 01:31:42,070

than anyone else or are more verifiable

1787

01:31:49,589 --> 01:31:46,570

experiences sure one of the primary

1788

01:31:52,350 --> 01:31:49,599

people was that black family I talked

1789

01:31:54,720 --> 01:31:52,360

about the black family they are all

1790

01:31:57,390 --> 01:31:54,730

abductees except for the father who did

1791

01:32:00,660 --> 01:31:57,400

not believe a word of it any of it

1792

01:32:04,970 --> 01:32:00,670

long story short on this one is simply

1793

01:32:08,370 --> 01:32:04,980

that went up to investigate the case and

1794

01:32:12,000 --> 01:32:08,380

the there was a handprint on the wall

1795

01:32:14,819 --> 01:32:12,010

and it I was fascinated by the hand

1796

01:32:16,140 --> 01:32:14,829

printing the mother took a bathroom

1797

01:32:18,890 --> 01:32:16,150

marker and drew around it and as the

1798

01:32:21,239 --> 01:32:18,900

police don't tamper with evidence ever

1799

01:32:24,419 --> 01:32:21,249

she last won't you be able to sit I said

1800

01:32:26,549 --> 01:32:24,429

sweetie I could see it for a mile and I

1801
01:32:27,870 --> 01:32:26,559
said I came here for evidence she said

1802
01:32:29,759 --> 01:32:27,880
well you just take anything he want and

1803
01:32:32,609 --> 01:32:29,769
I said I want got a hold of your wall

1804
01:32:34,799 --> 01:32:32,619
take that Chi Rock with me she says okay

1805
01:32:36,989 --> 01:32:34,809
I'm cutting it out and everything and

1806
01:32:39,020 --> 01:32:36,999
her husband walks in horrified I'm

1807
01:32:43,500 --> 01:32:39,030
cutting hold the wall

1808
01:32:46,140 --> 01:32:43,510
he gets mad at me and she's about he's

1809
01:32:49,799 --> 01:32:46,150
about five five and she's about six foot

1810
01:32:53,549 --> 01:32:49,809
two and she said I told mr. Simms

1811
01:32:56,790 --> 01:32:53,559
anything he won't he get that's it and

1812
01:33:00,989 --> 01:32:56,800
he backed off of that real quick so I

1813
01:33:02,879 --> 01:33:00,999

still have the the hand and I had the

1814

01:33:04,560 --> 01:33:02,889

camera going and I had him turn the

1815

01:33:07,799 --> 01:33:04,570

camera off for a second had young a

1816

01:33:10,319 --> 01:33:07,809

young boy a 16 year old boy in the room

1817

01:33:11,700 --> 01:33:10,329

and it was his room and I said I'm gonna

1818

01:33:13,049 --> 01:33:11,710

ask you a question I'm gonna give you a

1819

01:33:16,229 --> 01:33:13,059

chance to clean this up

1820

01:33:17,910 --> 01:33:16,239

he said what do you mean I said if I I'm

1821

01:33:21,419 --> 01:33:17,920

gonna go over and take a DNA sample off

1822

01:33:23,750 --> 01:33:21,429

that wall with that hand prints at if I

1823

01:33:26,220 --> 01:33:23,760

find out this lotion or something else

1824

01:33:30,629 --> 01:33:26,230

now would be a good time for you to say

1825

01:33:33,899 --> 01:33:30,639

that or I turn the camera mm-hmm and he

1826

01:33:36,089 --> 01:33:33,909

looked at me and said no sir I have

1827

01:33:38,340 --> 01:33:36,099

nothing nothing to change he said it's

1828

01:33:40,230 --> 01:33:38,350

it's as I found it

1829

01:33:41,550 --> 01:33:40,240

to come from he said well the beam comes

1830

01:33:43,890 --> 01:33:41,560

from in the closet

1831

01:33:45,570 --> 01:33:43,900

and which is very consistent with many

1832

01:33:47,340 --> 01:33:45,580

of these stories raised many of these

1833

01:33:49,290 --> 01:33:47,350

people have phobias of closets or

1834

01:33:51,750 --> 01:33:49,300

bathrooms have to have the door open or

1835

01:33:54,600 --> 01:33:51,760

closed all the time one of the two but

1836

01:33:57,810 --> 01:33:54,610

anyway the little girl downstairs

1837

01:33:59,640 --> 01:33:57,820

the granddaughter would never been

1838

01:34:02,610 --> 01:33:59,650

upstairs in that and has never allowed

1839

01:34:06,060 --> 01:34:02,620

in his room ever because that hand on

1840

01:34:08,280 --> 01:34:06,070

the wall I worked with her and in

1841

01:34:11,790 --> 01:34:08,290

hypnosis she drew the exact same hand

1842

01:34:14,550 --> 01:34:11,800

the exact same unbelievable and the

1843

01:34:19,680 --> 01:34:14,560

incredible thing about that is that hand

1844

01:34:22,100 --> 01:34:19,690

shows up 15 years earlier in photography

1845

01:34:23,850 --> 01:34:22,110

I've got a picture of the great alien

1846

01:34:28,640 --> 01:34:23,860

who it belongs to

1847

01:34:32,460 --> 01:34:28,650

and it's 8 by 10 color and I've a

1848

01:34:36,300 --> 01:34:32,470

surgical nurse took the picture at a

1849

01:34:37,470 --> 01:34:36,310

illegal immigrants home in 1992 - they

1850

01:34:38,820 --> 01:34:37,480

thought they had ghosts or something

1851
01:34:41,160 --> 01:34:38,830
like that and they were got scared and

1852
01:34:42,810 --> 01:34:41,170
they she's a friend of theirs they call

1853
01:34:45,060 --> 01:34:42,820
her at 2:30 in morning she goes up there

1854
01:34:47,730 --> 01:34:45,070
with the camera and films hey are you

1855
01:34:50,310 --> 01:34:47,740
ready for this in the same photograph

1856
01:34:53,010 --> 01:34:50,320
I've got a picture of a mantis being mmm

1857
01:34:54,870 --> 01:34:53,020
and a grey alien Wow and if they do not

1858
01:34:55,700 --> 01:34:54,880
look like the Hollywood version of any

1859
01:34:58,320 --> 01:34:55,710
of this stuff

1860
01:35:00,630 --> 01:34:58,330
all right Daryl I am going to have to

1861
01:35:03,000 --> 01:35:00,640
stop you here because we are absolutely

1862
01:35:04,980 --> 01:35:03,010
out of time give our listeners your

1863
01:35:07,130 --> 01:35:04,990

website or where they can find you

1864

01:35:12,630 --> 01:35:07,140

online real quick before we have leave

1865

01:35:15,480 --> 01:35:12,640

that go to wwa lien hunter org ort and

1866

01:35:17,430 --> 01:35:15,490

just click on Alien Hunter and I answer

1867

01:35:19,650 --> 01:35:17,440

all my email I'll be got answering to

1868

01:35:21,570 --> 01:35:19,660

your questions that you have all right

1869

01:35:23,460 --> 01:35:21,580

well thank you very much Daryl pleasure

1870

01:35:26,970 --> 01:35:23,470

talking to you tonight and be sure to

1871

01:35:29,370 --> 01:35:26,980

look out for our book UFO hostility so

1872

01:35:31,770 --> 01:35:29,380

for now exactly Tim Beckley and myself

1873

01:35:40,169 --> 01:35:31,780

thanks for listening and we'll be back

1874

01:35:46,989 --> 01:35:43,029

you've been listening to exploring the

1875

01:35:50,259 --> 01:35:46,999

bazaar with hosts Timothy Beckley aunty

1876
01:35:52,899 --> 01:35:50,269
swaps they're taking back the night by

1877
01:35:55,660 --> 01:35:52,909
jetting non-stop across the cosmos in

1878
01:35:59,510 --> 01:35:55,670
search of the truly bizarre and totally

1879
01:36:02,050 --> 01:35:59,520
unexplained with you as their combined

1880
01:36:06,500 --> 01:36:02,060
Thursday nights at 7:00 p.m. Pacific

1881
01:36:09,980 --> 01:36:06,510
10:00 p.m. Eastern on the K cor digital

1882
01:36:13,280 --> 01:36:09,990
radio for more information on exploring

1883
01:36:16,490 --> 01:36:13,290
the bazaar and hosts Timothy Beckley and

1884
01:36:19,580 --> 01:36:16,500
Tim Swartz check out there k cor digital

1885
01:36:25,790 --> 01:36:19,590
radio network follow their YouTube

1886
01:36:36,180 --> 01:36:25,800
channel @m r UFO 1100 explore the
