11
00:01:18,700 --> 00:01:16,399

team sports oh my god I'm getting dizzy

12
00:01:19,779 --> 00:01:18,710

if parties keep spitting around like

13
00:01:23,109 --> 00:01:19,789

this I'm gonna get it

14

00:01:28,389 --> 00:01:23,119

nosebleed if I don't have one already so

15

00:01:32,950 --> 00:01:28,399

you think you're a tough guy in and out

16

00:01:36,669 --> 00:01:32,960

00:01:46,330 --> 00:01:43,250

need them you know I mean I guess he's

19

00:01:52,510 --> 00:01:46,340

suing suing somebody now anyway last

20

00:01:55,120 --> 00:01:52,520

time I play the heel oh my god aah aah I

21

00:01:58,479 --> 00:01:55,130

22

00:02:01,150 --> 00:01:58,489

body slam ohh all right let's get outta

23

00:02:03,880 --> 00:02:01,160

here to keep your big mouth shut when

24

00:02:06,669 --> 00:02:03,890

you're dealing with the champ ha ha i

25

00:02:09,699 --> 00:02:06,679

I've learned my place technically I've

26

00:02:14,559 --> 00:02:09,709

learned my place ah I've been waiting

27

00:02:19,180 --> 00:02:14,569

for this show for gosh knows how long

28

00:02:22,600 --> 00:02:19,190

it's actually a tribute show a tribute

29

00:02:28,080 --> 00:02:22,610

show to my dear friend the late Vivian

30

00:02:33,670 --> 00:02:28,090

st. John yeah who I actually know as

31

00:02:36,369 --> 00:02:33,680

Lady Suzanne Millar in 1970 I had

32

00:02:38,830 --> 00:02:36,379

organized a metaphysical group here in

33

00:02:42,970 --> 00:02:38,840

New York the New York school of occult

34

00:02:45,699 --> 00:02:42,980

arts and sciences we had lectures and

35

00:02:48,179 --> 00:02:45,709

seminars and workshops and sold books

36

00:02:50,140 --> 00:02:48,189

and Ouija boards and things along that

37

00:02:53,530 --> 00:02:50,150

line

38

00:02:56,170 --> 00:02:53,540

and we advertise in local papers mainly

39

00:02:59,530 --> 00:02:56,180

the Village Voice which catered to a

40

00:03:02,380 --> 00:02:59,540

lower Eastside a clientele and in

41

00:03:05,080 --> 00:03:02,390

Village People and young adults and so

42

00:03:09,750 --> 00:03:05,090

forth one day this rather called

43

00:03:12,850 --> 00:03:09,760

strikingly attractive young lady

44

00:03:17,850 --> 00:03:12,860

strolled up the the stairs the second

45

00:03:21,069 --> 00:03:17,860

floor and sat down we had a conversation

46

00:03:23,530 --> 00:03:21,079

she enters introduced herself as Suzanne

47

00:03:26,740 --> 00:03:23,540

and gave me a little bit about her

48

00:03:31,360 --> 00:03:26,750

background we got to know each other she

49

00:03:34,089 --> 00:03:31,370

hailed from Cincinnati and had gotten

50

00:03:36,399 --> 00:03:34,099

off the bus I guess maybe a month or so

51
00:03:39,039 --> 00:03:36,409
earlier at the Port Authority and was

52
00:03:42,970 --> 00:03:39,049
wandering around the city trying to find

53
00:03:45,460 --> 00:03:42,980
her place I guess in in life because at

54
00:03:49,539 --> 00:03:45,470
that point she would have been I guess

55
00:03:52,089 --> 00:03:49,549
about 20 years old or so anyway I

56
00:03:55,990 --> 00:03:52,099
invited her in and she told me that she

57
00:04:00,190 --> 00:03:56,000
had been a practicing psychic for a

58
00:04:03,970 --> 00:04:00,200
while and had become adept at the Ouija

59
00:04:06,610 --> 00:04:03,980
board so now over the course of the next

60
00:04:08,770 --> 00:04:06,620
year or so we experimented with the

61
00:04:11,890 --> 00:04:08,780
Ouija board and we did some other

62
00:04:15,729 --> 00:04:11,900
psychic work together and eventually she

63
00:04:21,009 --> 00:04:15,739

became a counselor and a reader at my

64

00:04:26,080 --> 00:04:21,019

metaphysical master do yeah yeah video

65

00:04:28,930 --> 00:04:26,090

and anyway we kept in touch but then she

66

00:04:33,279 --> 00:04:28,940

kind of disappeared from my life

67

00:04:35,020 --> 00:04:33,289

for a for a number of years and when she

68

00:04:38,200 --> 00:04:35,030

remarked

69

00:04:39,969 --> 00:04:38,210

she was a couple of inches taller she

70

00:04:42,159 --> 00:04:39,979

was six foot what when I when I first

71

00:04:43,659 --> 00:04:42,169

met her but if they're wrestling boots

72

00:04:46,960 --> 00:04:43,669

on you could add a couple of inches

73

00:04:50,620 --> 00:04:46,970

short sure to that gap yeah she she

74

00:04:52,810 --> 00:04:50,630

loved she loves her wrestling boots and

75

00:04:55,900 --> 00:04:52,820

in fact I wonder where they might even

76
00:04:57,879 --> 00:04:55,910
be today anyway should tell me all about

77
00:05:00,190 --> 00:04:57,889
her career and their travels around the

78
00:05:02,560 --> 00:05:00,200
world and and we had the opportunity to

79
00:05:03,950 --> 00:05:02,570
do some much traveling and got back

80
00:05:06,620 --> 00:05:03,960
together again and

81
00:05:11,270 --> 00:05:06,630
touch I don't know off till she passed

82
00:05:15,740 --> 00:05:11,280
away in December of 2013

83
00:05:18,790 --> 00:05:15,750
yes so tonight we are having a show that

84
00:05:21,379 --> 00:05:18,800
is combining as much as we possibly can

85
00:05:25,580 --> 00:05:21,389
wrestling the world of wrestling which

86
00:05:27,710 --> 00:05:25,590
I've always been fascinated by if I was

87
00:05:31,279 --> 00:05:27,720
a little bit more athletic I might be on

88
00:05:33,290 --> 00:05:31,289

the top rope now but as it is I'm like

89

00:05:35,749 --> 00:05:33,300

one of the bad managers I'm sleeping

90

00:05:40,700 --> 00:05:35,759

away to the dressing room before I get

91

00:05:43,310 --> 00:05:40,710

beat up anyway instead of sitting here

92

00:05:46,460 --> 00:05:43,320

and spending a lot of time introducing

93

00:05:48,110 --> 00:05:46,470

our guests I'm going to have them tell

94

00:05:49,909 --> 00:05:48,120

us a little bit about their history and

95

00:05:52,939 --> 00:05:49,919

background and their interest in the

96

00:05:55,070 --> 00:05:52,949

paranormal and our first guest tonight

97

00:05:58,040 --> 00:05:55,080

we're going to do a go round-robin as we

98

00:06:01,219 --> 00:05:58,050

usually do the first part of the show

99

00:06:04,850 --> 00:06:01,229

we're going to have on Teddy dick and

100

00:06:09,070 --> 00:06:04,860

I'm sure I'm mispronouncing that again

101
00:06:13,339 --> 00:06:09,080

[Laughter]

102
00:06:17,390 --> 00:06:13,349

all right well let me ask you how first

103
00:06:19,670 --> 00:06:17,400

of all how did you meet Vivian and I

104
00:06:23,480 --> 00:06:19,680

guess there was a mutual interest there

105
00:06:26,060 --> 00:06:23,490

in the in the paranormal between the two

106
00:06:28,040 --> 00:06:26,070

of you dad there must have been because

107
00:06:31,490 --> 00:06:28,050

there was an instant connection when we

108
00:06:35,330 --> 00:06:31,500

actually did meet and it was in the

109
00:06:39,170 --> 00:06:35,340

summer of 2013 actually the year of when

110
00:06:41,390 --> 00:06:39,180

she passed I was traveling it was my

111
00:06:44,360 --> 00:06:41,400

very first time out of the West Coast

112
00:06:46,879 --> 00:06:44,370

traveling to the east coast traveling

113
00:06:49,279 --> 00:06:46,889

with my manager and another lady

114

00:06:53,180 --> 00:06:49,289

wrestler Leilani Kai who was a friend a

115

00:06:55,310 --> 00:06:53,190

longtime friend of Vivian's and that's

116

00:06:59,600 --> 00:06:55,320

why ultimately got introduced to Vivian

117

00:07:02,540 --> 00:06:59,610

was truly Lanikai and we actually ended

118

00:07:05,960 --> 00:07:02,550

up staying in her home for quite some

119

00:07:09,310 --> 00:07:05,970

time and not too long but about two

120

00:07:12,170 --> 00:07:09,320

weeks did she have the that she had the

121

00:07:15,350 --> 00:07:12,180

have the same for the which she had

122

00:07:16,129 --> 00:07:15,360

Doublemint pinchers now why don't the

123

00:07:17,730 --> 00:07:16,139

big dogs

124

00:07:22,529 --> 00:07:17,740

the the dogs the big

125

00:07:26,839 --> 00:07:22,539

dogs two cats well boy you missed it

126

00:07:29,520 --> 00:07:26,849

because she had some pretty heavyweight

127

00:07:31,680 --> 00:07:29,530

Dobermans and I remember what time I

128

00:07:34,559 --> 00:07:31,690

open yeah I opened the kitchen at the

129

00:07:38,370 --> 00:07:34,569

refrigerator door and they went after me

130

00:07:39,900 --> 00:07:38,380

growling and snapping because I guess

131

00:07:42,180 --> 00:07:39,910

they they thought I was going after

132

00:07:43,040 --> 00:07:42,190

their food or something like that and

133

00:07:46,620 --> 00:07:43,050

they were gonna have me for dinner

134

00:07:49,200 --> 00:07:46,630

instead of the regular bats but oh yeah

135

00:07:52,050 --> 00:07:49,210

yes she had three did three big black

136

00:07:54,390 --> 00:07:52,060

Norman's and well they were endemic for

137

00:07:55,920 --> 00:07:54,400

many years yeah yeah well I don't know

138

00:07:57,420 --> 00:07:55,930

what happened in the Dobermans but let's

139

00:07:59,520 --> 00:07:57,430

hope that they're they're out there

140

00:08:05,189 --> 00:07:59,530

somewhere but okay so God has already

141

00:08:08,339 --> 00:08:05,199

interrupted continue yeah but so the

142

00:08:11,850 --> 00:08:08,349

minute that I walked into her home there

143

00:08:14,100 --> 00:08:11,860

was an instant connection like it was it

144

00:08:16,439 --> 00:08:14,110

was a it was a type of energy or a

145

00:08:18,420 --> 00:08:16,449

vibration that I'd never felt before and

146

00:08:19,740 --> 00:08:18,430

I instantly made a connection to it and

147

00:08:22,140 --> 00:08:19,750

I think vice versa

148

00:08:24,839 --> 00:08:22,150

she did as well one of the first things

149

00:08:27,300 --> 00:08:24,849

that Vivian told me was I knew you were

150

00:08:28,830 --> 00:08:27,310

coming I knew you were on your way you

151
00:08:32,760 --> 00:08:28,840
know and it was like you know she was

152
00:08:36,300 --> 00:08:32,770
she had she had known that I was going

153
00:08:41,100 --> 00:08:36,310
to arrive way before the moment that I

154
00:08:42,899 --> 00:08:41,110
did show up oh she was we have some room

155
00:08:44,670 --> 00:08:42,909
we had yeah yeah we have some rustling

156
00:08:46,590 --> 00:08:44,680
no knees keep it down in the background

157
00:08:51,990 --> 00:08:46,600
there before I have to slam you all to

158
00:08:56,730 --> 00:08:52,000
the mat that's right everybody behave

159
00:08:59,610 --> 00:08:56,740
there go ahead continue it was just you

160
00:09:01,410 --> 00:08:59,620
know it was very very different it was a

161
00:09:04,290 --> 00:09:01,420
very different experience for me it was

162
00:09:06,230 --> 00:09:04,300
a different kind of place to begin with

163
00:09:11,819 --> 00:09:06,240

especially for my very first time

164

00:09:14,370 --> 00:09:11,829

traveling outside of California and you

165

00:09:16,769 --> 00:09:14,380

know Vivian didn't like a lot of women

166

00:09:19,199 --> 00:09:16,779

so I heard at least that she didn't

167

00:09:20,760 --> 00:09:19,209

connect with a lot of women so when she

168

00:09:24,870 --> 00:09:20,770

connected with me you know it was pretty

169

00:09:27,900 --> 00:09:24,880

cool you know to have that and she was

170

00:09:30,900 --> 00:09:27,910

just she had such a warm heart and she

171

00:09:32,310 --> 00:09:30,910

was so giving and I think that's one of

172

00:09:33,990 --> 00:09:32,320

the things that I

173

00:09:35,310 --> 00:09:34,000

that people didn't really know about her

174

00:09:37,770 --> 00:09:35,320

and I don't know if you knew that about

175

00:09:42,540 --> 00:09:37,780

her Tim but she was extremely giving I

176

00:09:45,960 --> 00:09:42,550

mean if it was as if you know I was uh I

177

00:09:49,290 --> 00:09:45,970

was at my home away from home well yet

178

00:09:51,720 --> 00:09:49,300

you know yet you know people accused her

179

00:09:54,570 --> 00:09:51,730

if that's the word word of being a

180

00:09:58,520 --> 00:09:54,580

Satanist because she did that she did

181

00:10:02,100 --> 00:09:58,530

dabble in the arts the mad well the

182

00:10:04,950 --> 00:10:02,110

magical arts in fact there is a rather

183

00:10:07,800 --> 00:10:04,960

famous photo of me one night I think we

184

00:10:10,350 --> 00:10:07,810

got a little buzz and she was she was a

185

00:10:13,050 --> 00:10:10,360

great artist when it came to doing like

186

00:10:15,150 --> 00:10:13,060

drawing symbols and talismans I mean in

187

00:10:18,090 --> 00:10:15,160

her circles I I can't even do what if I

188

00:10:21,840 --> 00:10:18,100

had a compass and she decorated and I I

189

00:10:23,940 --> 00:10:21,850

think I had a pair of Speedos on or

190

00:10:26,160 --> 00:10:23,950

something swim trunks and she painted my

191

00:10:28,380 --> 00:10:26,170

entire body with all these talismans now

192

00:10:32,340 --> 00:10:28,390

they meant something to her I can't tell

193

00:10:35,220 --> 00:10:32,350

you exactly what they they were I think

194

00:10:38,250 --> 00:10:35,230

they were from the the lower King the

195

00:10:39,960 --> 00:10:38,260

lower key of Solomon and and if people

196

00:10:42,620 --> 00:10:39,970

are familiar with the work of like

197

00:10:45,390 --> 00:10:42,630

Aleister Crowley he used a lot of

198

00:10:46,710 --> 00:10:45,400

symbols and talismans and of course drew

199

00:10:49,890 --> 00:10:46,720

him on the floor and he had to stay in

200

00:10:52,020 --> 00:10:49,900

the circle and the whole bit there so we

201
00:10:54,540 --> 00:10:52,030
were involved in that and of course the

202
00:10:58,140 --> 00:10:54,550
the Ouija board it - that was her her

203
00:11:00,570 --> 00:10:58,150
main tool outside of reading the the

204
00:11:03,150 --> 00:11:00,580
tarot cards now I could do an hour on

205
00:11:05,610 --> 00:11:03,160
this but basically one one day she was

206
00:11:10,770 --> 00:11:05,620
in our metaphysical Center and her

207
00:11:15,180 --> 00:11:10,780
husband Stanley had had disappeared

208
00:11:17,040 --> 00:11:15,190
he had gone up to upstate New York I

209
00:11:19,050 --> 00:11:17,050
needed to see some friends or something

210
00:11:20,930 --> 00:11:19,060
like that and it was over the Labor Day

211
00:11:23,430 --> 00:11:20,940
weekend and he was supposed to come back

212
00:11:24,510 --> 00:11:23,440
you know before there was a traffic get

213
00:11:27,980 --> 00:11:24,520

build-up for anything well he never

214

00:11:31,370 --> 00:11:27,990

showed so she's got to be a little bit

215

00:11:35,010 --> 00:11:31,380

concerned so she decided let's take the

216

00:11:36,540 --> 00:11:35,020

Ouija board down from the the shelf we

217

00:11:39,210 --> 00:11:36,550

were selling him at the occult center

218

00:11:41,310 --> 00:11:39,220

there and and see if we could contact a

219

00:11:44,310 --> 00:11:41,320

spirit who would tell us where Stanley

220

00:11:45,210 --> 00:11:44,320

was so we put a little talcum powder on

221

00:11:46,829 --> 00:11:45,220

it and put

222

00:11:49,499 --> 00:11:46,839

our hands on the planchette and moved it

223

00:11:53,480 --> 00:11:49,509

around and asked us some questions and

224

00:11:57,420 --> 00:11:53,490

and basically the the spirit said that

225

00:11:59,069 --> 00:11:57,430

Stanley had been in a an automobile

226

00:12:01,949 --> 00:11:59,079

accident but not to worry

227

00:12:05,069 --> 00:12:01,959

worried that he was not seriously hurt

228

00:12:07,920 --> 00:12:05,079

and that the accident was in the town of

229

00:12:08,790 --> 00:12:07,930

well I remember it spelled out tuxedo

230

00:12:13,559 --> 00:12:08,800

New York

231

00:12:15,720 --> 00:12:13,569

well come Monday or Tuesday of the of

232

00:12:17,129 --> 00:12:15,730

that week this was over the weekend

233

00:12:20,730 --> 00:12:17,139

where we did the experiment the Ouija

234

00:12:22,679 --> 00:12:20,740

board I came back to the occult Center

235

00:12:24,990 --> 00:12:22,689

and Stanley was there a little bit

236

00:12:28,350 --> 00:12:25,000

bruised if I remember and a couple of

237

00:12:30,059 --> 00:12:28,360

bandages on his forehead I said Stanley

238

00:12:33,679 --> 00:12:30,069

what happened to you and he said oh I

239

00:12:37,170 --> 00:12:33,689

was driving near tuxedo New York and

240

00:12:39,809 --> 00:12:37,180

there was a an automobile accident on

241

00:12:42,300 --> 00:12:39,819

the side of the road and I slowed down

242

00:12:44,040 --> 00:12:42,310

to see you know if I could help or see

243

00:12:46,499 --> 00:12:44,050

what was going on rubbernecking I think

244

00:12:48,720 --> 00:12:46,509

it's called and somebody slammed in that

245

00:12:50,759 --> 00:12:48,730

somebody slammed to me slammed into me

246

00:12:53,069 --> 00:12:50,769

and I went into the you know the

247

00:12:54,569 --> 00:12:53,079

steering wheel in the dashboard and I

248

00:12:57,420 --> 00:12:54,579

went to the hospital overnight

249

00:12:59,610 --> 00:12:57,430

well he wasn't badly hurt but the Ouija

250

00:13:01,170 --> 00:12:59,620

board predicted what was going to happen

251

00:13:02,970 --> 00:13:01,180

it was a little bit more detailed than

252

00:13:04,889 --> 00:13:02,980

that because were some other they said

253

00:13:08,639 --> 00:13:04,899

came through other things that came

254

00:13:10,170 --> 00:13:08,649

through now normally Suzanne liked to do

255

00:13:12,840 --> 00:13:10,180

the Ouija board she could sit there for

256

00:13:16,019 --> 00:13:12,850

hours I found it a little bit boring but

257

00:13:19,730 --> 00:13:16,029

act anything to to placate her because I

258

00:13:21,689 --> 00:13:19,740

enjoyed her a companionship you know and

259

00:13:24,150 --> 00:13:21,699

anyway there were other things that case

260

00:13:26,160 --> 00:13:24,160

it was part of that the message that

261

00:13:29,009 --> 00:13:26,170

I've written up and people can read it

262

00:13:32,460 --> 00:13:29,019

because I'll post it and you know okay

263

00:13:36,119 --> 00:13:32,470

so did you okay she predicted that you

264

00:13:37,980 --> 00:13:36,129

would arrive now she had already tired

265

00:13:42,119 --> 00:13:37,990

she had already retired from wrestling

266

00:13:45,299 --> 00:13:42,129

correct oh yes yes she was when I met

267

00:13:47,309 --> 00:13:45,309

her she was actually bed bound and she

268

00:13:50,460 --> 00:13:47,319

was hooked up to an oxygen tank she was

269

00:13:53,220 --> 00:13:50,470

yes Nick well I I she I knew she was

270

00:13:56,220 --> 00:13:53,230

sick I had talked to her on the on the

271

00:13:58,910 --> 00:13:56,230

phone several times and I just could not

272

00:14:01,849 --> 00:13:58,920

get down to two

273

00:14:05,139 --> 00:14:01,859

she had visited me well we had gone in a

274

00:14:07,759 --> 00:14:05,149

couple of the cruises and trips and I

275

00:14:09,829 --> 00:14:07,769

guess he had come up to see me once for

276

00:14:12,199 --> 00:14:09,839

a couple of a couple of days over the

277

00:14:13,699 --> 00:14:12,209

holiday but I tried to keep in touch but

278

00:14:18,289 --> 00:14:13,709

she had her daughter and she was doing

279

00:14:22,099 --> 00:14:18,299

her own thing and so we didn't

280

00:14:24,799 --> 00:14:22,109

communicate that much but I did know

281

00:14:26,599 --> 00:14:24,809

that she went to a couple of like

282

00:14:28,549 --> 00:14:26,609

wrestling meet & Greet you know meet

283

00:14:31,879 --> 00:14:28,559

the fans and stuff like that and was

284

00:14:35,329 --> 00:14:31,889

busy selling you know signing autographs

285

00:14:38,840 --> 00:14:35,339

and and what did she ever do a reading

286

00:14:41,780 --> 00:14:38,850

for you she actually didn't she didn't

287

00:14:43,639 --> 00:14:41,790

do a reading no and I wish he did and I

288

00:14:45,199 --> 00:14:43,649

wish I actually had a picture with her I

289

00:14:48,139 --> 00:14:45,209

don't know why I don't have a picture

290

00:14:50,030 --> 00:14:48,149

with her um but that was one of the

291

00:14:51,799 --> 00:14:50,040

things that crossed my mind earlier this

292

00:14:55,039 --> 00:14:51,809

this afternoon is I can't believe I

293

00:14:57,530 --> 00:14:55,049

don't have a picture with Vivian but no

294

00:15:01,009 --> 00:14:57,540

she didn't do a reading with me to to

295

00:15:03,079 --> 00:15:01,019

answer your question again but but she

296

00:15:06,350 --> 00:15:03,089

did write no I remember you told me that

297

00:15:10,239 --> 00:15:06,360

she rode out some magical description or

298

00:15:13,999 --> 00:15:10,249

something for you she gave me a lot of

299

00:15:18,379 --> 00:15:14,009

her things and she gave me a lot of

300

00:15:19,280 --> 00:15:18,389

stones she gave me that one contract

301
00:15:23,869 --> 00:15:19,290
that I showed you

302
00:15:26,479 --> 00:15:23,879
yes that we never talked about which is

303
00:15:28,669 --> 00:15:26,489
sitting right in front of me and I still

304
00:15:33,259 --> 00:15:28,679
haven't figured it out I haven't quite

305
00:15:36,019 --> 00:15:33,269
put my finger on it but it's it's very

306
00:15:38,539 --> 00:15:36,029
old and it seems to have meaning to her

307
00:15:42,919 --> 00:15:38,549
and for some reason it ended up with me

308
00:15:44,779 --> 00:15:42,929
well it it might be written in a magical

309
00:15:49,489 --> 00:15:44,789
language I know you showed it to me and

310
00:15:53,119 --> 00:15:49,499
I couldn't really decipher it Oh to get

311
00:15:56,449 --> 00:15:53,129
back to Susanna or Vivian being as a

312
00:16:00,470 --> 00:15:56,459
Satanist she was not a saint I asserted

313
00:16:04,369 --> 00:16:00,480

no she considered herself a Luciferian

314

00:16:07,279 --> 00:16:04,379

yes okay and if you have studied the

315

00:16:09,949 --> 00:16:07,289

Bible which I don't claim to have but I

316

00:16:12,770 --> 00:16:09,959

do know for a fact big in the occult and

317

00:16:16,040 --> 00:16:12,780

so forth that Lucifer was actually

318

00:16:19,700 --> 00:16:16,050

the bearer of knowledge and light

319

00:16:23,660 --> 00:16:19,710

and somehow just like Satan is probably

320

00:16:25,730 --> 00:16:23,670

a Christian invention Christianity

321

00:16:30,730 --> 00:16:25,740

turned around a lot of things that were

322

00:16:33,530 --> 00:16:30,740

in the Bible to their own liking and

323

00:16:35,930 --> 00:16:33,540

Lucifer suddenly is Lucifer suddenly

324

00:16:39,890 --> 00:16:35,940

became the matter of the fork the fork

325

00:16:42,170 --> 00:16:39,900

for guy yeah the heel yeah right so I

326

00:16:45,080 --> 00:16:42,180

guess when you I guess when you look at

327

00:16:47,840 --> 00:16:45,090

it you could say that parts of the Bible

328

00:16:49,760 --> 00:16:47,850

are like a wrestling match good good

329

00:16:51,220 --> 00:16:49,770

against evil you think you think

330

00:16:55,280 --> 00:16:51,230

somebody thought of that whenever a

331

00:16:57,530 --> 00:16:55,290

wrestling that first started as a that

332

00:17:01,880 --> 00:16:57,540

form of entertainment oh it's a complete

333

00:17:05,090 --> 00:17:01,890

mockery yeah the whole story have you

334

00:17:06,920 --> 00:17:05,100

have you have you looked like you've

335

00:17:10,850 --> 00:17:06,930

studied at all the history of wrestling

336

00:17:14,809 --> 00:17:10,860

or do you know about Lou ghanians

337

00:17:18,140 --> 00:17:14,819

Franklin Lewis and yeah yeah I I've

338

00:17:20,240 --> 00:17:18,150

studied it enough to know about the

339

00:17:25,520 --> 00:17:20,250

details and and what I need to know

340

00:17:27,350 --> 00:17:25,530

about it a headlock a headlock if

341

00:17:34,160 --> 00:17:27,360

strangler and Louis got you the headlock

342

00:17:36,050 --> 00:17:34,170

it might last all of 1/2 an hour and

343

00:17:38,510 --> 00:17:36,060

those things in those they said was you

344

00:17:41,930 --> 00:17:38,520

know well like I say I've never been a

345

00:17:45,170 --> 00:17:41,940

nasty but I have known

346

00:17:47,120 --> 00:17:45,180

actually a few wrestlers a killer

347

00:17:49,480 --> 00:17:47,130

Kowalski Walter Kowalski of course who

348

00:17:52,130 --> 00:17:49,490

had its own a wrestling school up there

349

00:17:54,860 --> 00:17:52,140

Massachusetts he would call on the

350

00:17:57,320 --> 00:17:54,870

telephone and buy books for me he was

351

00:18:00,050 --> 00:17:57,330

very much interested at yeah he was very

352

00:18:01,910 --> 00:18:00,060

much interested in Nikola Tesla and I

353

00:18:04,610 --> 00:18:01,920

remember one time he bought a copy of

354

00:18:07,850 --> 00:18:04,620

our book on the Philadelphia Experiment

355

00:18:10,160 --> 00:18:07,860

which intrigued him and and of course

356

00:18:12,320 --> 00:18:10,170

and of course the name killer Kowalski

357

00:18:14,570 --> 00:18:12,330

was kind of you know he got that name

358

00:18:17,090 --> 00:18:14,580

because he jumped off the the top rope

359

00:18:19,550 --> 00:18:17,100

and he severed the ear of another

360

00:18:22,610 --> 00:18:19,560

wrestler by a by accident and I think he

361

00:18:23,810 --> 00:18:22,620

always felt kind of bad about that but

362

00:18:26,590 --> 00:18:23,820

you know the guy had like a cauliflower

363

00:18:29,650 --> 00:18:26,600

you ready was probably ready to come

364

00:18:31,390 --> 00:18:29,660

anyway I think that anyway I think it

365

00:18:33,850 --> 00:18:31,400

was Yukon Ericsson but I might be wrong

366

00:18:35,680 --> 00:18:33,860

I always get the whoever the the other

367

00:18:38,650 --> 00:18:35,690

guy was I think both of them were pretty

368

00:18:40,630 --> 00:18:38,660

bad guys you know I know yeah but he was

369

00:18:42,370 --> 00:18:40,640

he was he was a character I watched him

370

00:18:45,850 --> 00:18:42,380

wrestle and went to see some of the

371

00:18:47,380 --> 00:18:45,860

matches when I was a pre a teenager then

372

00:18:51,370 --> 00:18:47,390

it turned out I actually got a job

373

00:18:54,250 --> 00:18:51,380

working for Joe Bonomo no I don't know

374

00:18:58,450 --> 00:18:54,260

if you know who Joe Bonomo is but Bonomo

375

00:19:02,919 --> 00:18:58,460

Turkish taffy was named after him he was

376

00:19:05,409 --> 00:19:02,929

a strong man going back to about 1920 he

377

00:19:09,909 --> 00:19:05,419

would pull he would pull a railroad car

378

00:19:13,120 --> 00:19:09,919

with his teeth uh uh you know a long I'm

379

00:19:15,970 --> 00:19:13,130

sure a very lubricated track but he was

380

00:19:18,190 --> 00:19:15,980

the strongmen of the day and so they

381

00:19:20,830 --> 00:19:18,200

named the Turkish taffy after him that

382

00:19:25,450 --> 00:19:20,840

you couldn't you know full apart that

383

00:19:29,320 --> 00:19:25,460

easy and also I know he's still active

384

00:19:31,000 --> 00:19:29,330

the mighty I believe it's Atlas if you

385

00:19:33,730 --> 00:19:31,010

remember the comic books when you were a

386

00:19:36,610 --> 00:19:33,740

kid they were kicking sand in some wimps

387

00:19:40,000 --> 00:19:36,620

face and he took some muscle you know of

388

00:19:43,120 --> 00:19:40,010

course and became a champion the strong

389

00:19:45,130 --> 00:19:43,130

a man and they slam mail water company

390

00:19:48,640 --> 00:19:45,140

and the guy is a big fan of UFOs and

391

00:19:51,279 --> 00:19:48,650

listens to the show as does Hercules we

392

00:19:55,270 --> 00:19:51,289

actually have our own strongman Hercules

393

00:19:57,250 --> 00:19:55,280

on the on the air here but have you ever

394

00:20:04,390 --> 00:19:57,260

had like a UFO sighting or a paranormal

395

00:20:07,200 --> 00:20:04,400

experience I mean uh well I I have a

396

00:20:14,890 --> 00:20:07,210

family member who says they did actually

397

00:20:18,310 --> 00:20:14,900

and I got it do you know the name famous

398

00:20:19,870 --> 00:20:18,320

really follow just forgot his name I

399

00:20:23,740 --> 00:20:19,880

can't believe I can't remember it now

400

00:20:27,940 --> 00:20:23,750

but I was a contact with him Roger Leir

401
00:20:31,770 --> 00:20:27,950
oh oh yeah yeah yeah uh wait Roger Leir

402
00:20:35,860 --> 00:20:31,780
was the the fellow who did the alien

403
00:20:40,350 --> 00:20:35,870
implant implants dr. Leir yeah dr. Lee

404
00:20:43,080 --> 00:20:40,360
yeah he did indeed

405
00:20:45,360 --> 00:20:43,090
yes 14 and March if I'm not mistaken

406
00:20:48,030 --> 00:20:45,370
maybe I am good I got in contact with

407
00:20:52,230 --> 00:20:48,040
them for actually a family member of

408
00:20:54,900 --> 00:20:52,240
mine who claims to be an abductee and I

409
00:20:58,560 --> 00:20:54,910
met with him and he was a very

410
00:21:00,210 --> 00:20:58,570
interesting very interesting man you

411
00:21:03,480 --> 00:21:00,220
know it's it's it's it's crazy because

412
00:21:07,549 --> 00:21:03,490
my grandmother told me that one time she

413
00:21:10,260 --> 00:21:07,559

had an encounter actually in Armenia and

414

00:21:13,080 --> 00:21:10,270

and and the very first question that dr.

415

00:21:14,970 --> 00:21:13,090

Roger Leir asked me was has your

416

00:21:18,299 --> 00:21:14,980

grandmother had an encounter with the

417

00:21:19,799 --> 00:21:18,309

UFO and the answer was yes and I just

418

00:21:21,810 --> 00:21:19,809

couldn't believe that he said that

419

00:21:24,210 --> 00:21:21,820

because my grandmother told me about the

420

00:21:26,010 --> 00:21:24,220

story when I was a little girl and I

421

00:21:30,870 --> 00:21:26,020

didn't you know I didn't believe for the

422

00:21:36,000 --> 00:21:30,880

longest time but you know my my family

423

00:21:41,039 --> 00:21:36,010

member actually had an encounter in 2001

424

00:21:45,210 --> 00:21:41,049

and they said that they during this

425

00:21:50,570 --> 00:21:45,220

encounter that he was abducted and what

426
00:21:53,100 --> 00:21:50,580
he was implanted into his head and so I

427
00:21:54,180 --> 00:21:53,110
mean it was insane I didn't know what to

428
00:21:59,250 --> 00:21:54,190
make of it

429
00:22:01,530 --> 00:21:59,260
and it was very difficult because I was

430
00:22:04,650 --> 00:22:01,540
always in and out of believing him and

431
00:22:06,450 --> 00:22:04,660
not believing him and when I told my

432
00:22:08,930 --> 00:22:06,460
we've got we've got we've got to get him

433
00:22:20,669 --> 00:22:08,940
on the show some night the two of you

434
00:22:22,650 --> 00:22:20,679
would possible but he was later on you

435
00:22:26,159 --> 00:22:22,660
know diagnosed with with the mental

436
00:22:27,780 --> 00:22:26,169
illness and and that was kind of put to

437
00:22:29,580 --> 00:22:27,790
decide the possibility of him being

438
00:22:34,590 --> 00:22:29,590

abducted was put to decide and this was

439

00:22:37,440 --> 00:22:34,600

well before I I hope Rogers leader and

440

00:22:39,870 --> 00:22:37,450

and he tried to meet with him and and

441

00:22:44,070 --> 00:22:39,880

find out you know if this was indeed a

442

00:22:46,799 --> 00:22:44,080

case of an actual encounter or a case of

443

00:22:49,380 --> 00:22:46,809

the mental illness because yes there

444

00:22:54,120 --> 00:22:49,390

there's always that that line of you

445

00:22:58,320 --> 00:22:54,130

know it is a it is a sim in

446

00:23:01,860 --> 00:22:58,330

indeed now you say he he he did have an

447

00:23:05,430 --> 00:23:01,870

implant or said he had one yes yes he

448

00:23:07,860 --> 00:23:05,440

did he did but the doctor earlier never

449

00:23:11,160 --> 00:23:07,870

took an x-ray or anything he passed away

450

00:23:17,600 --> 00:23:11,170

before we can get the x-ray so it was

451

00:23:21,180 --> 00:23:17,610

right at that point of of getting him in

452

00:23:23,100 --> 00:23:21,190

but it was but yeah I don't know you all

453

00:23:23,960 --> 00:23:23,110

know I guess I'll never know I guess

454

00:23:27,570 --> 00:23:23,970

we'll never know

455

00:23:29,430 --> 00:23:27,580

well it's a it's an intra as long as you

456

00:23:31,050 --> 00:23:29,440

don't have the implant although that

457

00:23:34,890 --> 00:23:31,060

that I was thinking about this the other

458

00:23:36,540 --> 00:23:34,900

day it's about the only thing that you

459

00:23:38,760 --> 00:23:36,550

could come up in wrestling the scenario

460

00:23:41,000 --> 00:23:38,770

that nobody's tried yet that I know of

461

00:23:43,800 --> 00:23:41,010

although maybe our next guest at

462

00:23:45,860 --> 00:23:43,810

Donnybrook might have thought of it and

463

00:23:49,140 --> 00:23:45,870

we'll be back right after our break

464

00:23:57,240 --> 00:23:49,150

there's some more wrestling news and

465

00:24:03,940 --> 00:24:01,360

now back to exploring the bazaar with

466

00:24:07,240 --> 00:24:03,950

two of the most electrifying researchers

467

00:24:11,010 --> 00:24:07,250

in the Paranoid your hosts Timothy Becca

468

00:24:17,530 --> 00:24:14,260

well you know maybe I could sneak out of

469

00:24:21,790 --> 00:24:17,540

the ring here without anybody seeing me

470

00:24:25,240 --> 00:24:21,800

get back to the safety of the the

471

00:24:28,690 --> 00:24:25,250

dressing room our next guest he he's

472

00:24:31,920 --> 00:24:28,700

closing it he's circling me no no no

473

00:24:34,660 --> 00:24:31,930

Donny Donny keep keep it too since I

474

00:24:36,760 --> 00:24:34,670

didn't do it I swear I didn't kick you

475

00:24:46,150 --> 00:24:36,770

in the back while you were head his turn

476

00:24:48,280 --> 00:24:46,160

no Donnybrook Donnybrook with us

477

00:24:51,460 --> 00:24:48,290

Donnybrook yeah you helped from what is

478

00:24:54,220 --> 00:24:51,470

it's Georgia right I live in the state

479

00:25:00,160 --> 00:24:54,230

of Georgia boy I was only making raised

480

00:25:01,630 --> 00:25:00,170

in Augusta and you start you know I just

481

00:25:04,660 --> 00:25:01,640

I guess it's only bitten with it maybe

482

00:25:08,530 --> 00:25:04,670

the last six months ago or so I start

483

00:25:11,440 --> 00:25:08,540

getting these mysterious emails from

484

00:25:14,950 --> 00:25:11,450

someone who had no name I'm really

485

00:25:17,890 --> 00:25:14,960

attached to it but they were like

486

00:25:19,660 --> 00:25:17,900

strange lights in the sky and in other

487

00:25:23,410 --> 00:25:19,670

things that were coming in and it was

488

00:25:24,910 --> 00:25:23,420

always side Donny the I think the that

489

00:25:27,100 --> 00:25:24,920

he booked a wrestler or something I said

490

00:25:29,170 --> 00:25:27,110

well you know man I want to do it show I

491

00:25:33,730 --> 00:25:29,180

want to do a show on the paranormal and

492

00:25:36,760 --> 00:25:33,740

UFOs and wrestlers and in all of that

493

00:25:40,840 --> 00:25:36,770

and so I go Hearst

494

00:25:42,850 --> 00:25:40,850

dharia into coming on to the program so

495

00:25:45,390 --> 00:25:42,860

Donny why don't you start out and just

496

00:25:48,880 --> 00:25:45,400

tell us a little bit about your

497

00:25:51,670 --> 00:25:48,890

wrestling career and then we'll work

498

00:25:55,030 --> 00:25:51,680

into the the paranormal as the minutes

499

00:25:57,960 --> 00:25:55,040

tick away sure thing

500

00:26:00,670 --> 00:25:57,970

got into the restaurant business in 1989

501
00:26:02,200 --> 00:26:00,680
still a senior in high school and I

502
00:26:05,800 --> 00:26:02,210
thought it was one of the coolest things

503
00:26:06,820 --> 00:26:05,810
on TV that and like watching anything

504
00:26:09,130 --> 00:26:06,830
related to Elvis

505
00:26:10,570 --> 00:26:09,140
I mean Elvis was like he's like the king

506
00:26:15,370 --> 00:26:10,580
of rock and roll there's my favorite

507
00:26:17,410 --> 00:26:15,380
singer he does no wrong 1990 I graduated

508
00:26:18,970 --> 00:26:17,420
high school and I actually get trained

509
00:26:21,970 --> 00:26:18,980
to referee and at the time I was only

510
00:26:24,220 --> 00:26:21,980
like 120 pounds and I started to gain

511
00:26:27,760 --> 00:26:24,230
weight and so my trainer who was King

512
00:26:30,670 --> 00:26:27,770
Harley now not Harley Race but King

513
00:26:33,070 --> 00:26:30,680

Harley he did midcard spots for the WWF

514

00:26:35,620 --> 00:26:33,080

and did the regional territories they

515

00:26:37,720 --> 00:26:35,630

did a biker gimmick so anybody who would

516

00:26:41,710 --> 00:26:37,730

watch primetime wrestling on the USA

517

00:26:43,540 --> 00:26:41,720

Network in 85 and 86 saw him he would

518

00:26:46,390 --> 00:26:43,550

just go in and look really good but

519

00:26:49,450 --> 00:26:46,400

always put the big name over but um he

520

00:26:51,280 --> 00:26:49,460

was my trainer and I got into I worked

521

00:26:57,550 --> 00:26:51,290

for him here in Georgia was just to run

522

00:26:59,680 --> 00:26:57,560

regional who were your favorite like the

523

00:27:02,020 --> 00:26:59,690

wrestlers that like growing up I

524

00:27:03,910 --> 00:27:02,030

remember I was the Oh a vice president

525

00:27:07,780 --> 00:27:03,920

he's a vice president I was a vice

526

00:27:09,940 --> 00:27:07,790

president at O'Connor fan club so oh

527

00:27:13,510 --> 00:27:09,950

yeah it's like yeah

528

00:27:16,660 --> 00:27:13,520

Dickie Slater Dickie Slater to me was

529

00:27:20,500 --> 00:27:16,670

the best pound for in the end the NWA

530

00:27:26,560 --> 00:27:20,510

now in the NWA dick Slater was in the

531

00:27:27,970 --> 00:27:26,570

WWF Bret Hart - best I mean if you had

532

00:27:30,430 --> 00:27:27,980

to pick somebody else other than bread

533

00:27:31,090 --> 00:27:30,440

definitely Curt Hennig I mean they're

534

00:27:34,180 --> 00:27:31,100

even there

535

00:27:36,220 --> 00:27:34,190

they're no they're not better than each

536

00:27:39,340 --> 00:27:36,230

other they were equals and my in my eyes

537

00:27:42,430 --> 00:27:39,350

and biggest later he was unpredictable

538

00:27:43,660 --> 00:27:42,440

so no matter you saw Vicki Slater every

539

00:27:45,340 --> 00:27:43,670

week but you never knew what he was

540

00:27:48,580 --> 00:27:45,350

gonna do so you got something new every

541

00:27:50,620 --> 00:27:48,590

week that's what made him good and and

542

00:27:51,880 --> 00:27:50,630

and and I enjoyed watching Dickie Slater

543

00:27:53,740 --> 00:27:51,890

I didn't care if he was a good guy

544

00:27:57,900 --> 00:27:53,750

Rebecca I want him to beat somebody up

545

00:28:00,820 --> 00:27:57,910

and he did this well I was happy but

546

00:28:03,280 --> 00:28:00,830

when I was a kid I always cheered for

547

00:28:05,620 --> 00:28:03,290

the bad guy and all the kids at school

548

00:28:07,570 --> 00:28:05,630

with for the good guy so they always

549

00:28:09,940 --> 00:28:07,580

naturally they didn't hate me but it was

550

00:28:11,440 --> 00:28:09,950

a it was a friendly rivalry you know so

551
00:28:13,990 --> 00:28:11,450
every time the horsemen beat up Dusty

552
00:28:18,820 --> 00:28:14,000
Rhodes I was a big man on campus

553
00:28:20,470 --> 00:28:18,830
heroes I have a photo of Vivian Vivian

554
00:28:24,340 --> 00:28:20,480
leading Dusty Rhodes

555
00:28:26,080 --> 00:28:24,350
out of the rain all covered in in in the

556
00:28:28,150 --> 00:28:26,090
blood well at least this forehead I

557
00:28:30,370 --> 00:28:28,160
guess where maybe it cut himself or

558
00:28:33,010 --> 00:28:30,380
something like wow or maybe not I guess

559
00:28:34,720 --> 00:28:33,020
if you get pounded in the same spot you

560
00:28:38,740 --> 00:28:34,730
know a couple of hundred times you're

561
00:28:40,810 --> 00:28:38,750
more prone to you know bleed but the

562
00:28:43,659 --> 00:28:40,820
blood was pouring from his forehead and

563
00:28:47,080 --> 00:28:43,669

there's a Vivian leading him you know

564

00:28:49,990 --> 00:28:47,090

down the aisle back to the dressing room

565

00:28:52,030 --> 00:28:50,000

so it's okay okay so yeah you kind of

566

00:28:54,760 --> 00:28:52,040

like you kind of like the heels you were

567

00:28:55,930 --> 00:28:54,770

a fan of though absolutely yeah

568

00:29:00,789 --> 00:28:55,940

absolutely

569

00:29:03,940 --> 00:29:00,799

I mean you know to me even if a kid the

570

00:29:07,450 --> 00:29:03,950

heels had all the heat you know because

571

00:29:10,299 --> 00:29:07,460

you could go out there and have all

572

00:29:12,340 --> 00:29:10,309

these people just hating you that's like

573

00:29:14,289 --> 00:29:12,350

well they seem to have more heat on them

574

00:29:16,210 --> 00:29:14,299

or more focus on them because it seems

575

00:29:18,490 --> 00:29:16,220

like to me whatever walk something's

576

00:29:21,940 --> 00:29:18,500

going to get cheered because they want

577

00:29:27,090 --> 00:29:21,950

that person to beat up the bigmouth so I

578

00:29:34,630 --> 00:29:27,100

like bad guys that's why I did well okay

579

00:29:37,020 --> 00:29:34,640

let us cut clue in the the neophytes out

580

00:29:39,940 --> 00:29:37,030

there in the audience how much of it is

581

00:29:46,049 --> 00:29:39,950

sport entertainment would you say and

582

00:29:49,120 --> 00:29:46,059

how much of it is as actually being a

583

00:29:52,210 --> 00:29:49,130

great athlete okay

584

00:29:54,760 --> 00:29:52,220

it's it this is it and every everybody

585

00:29:56,320 --> 00:29:54,770

here in 2018 knows that professional

586

00:29:59,200 --> 00:29:56,330

wrestling is entertainment everybody

587

00:30:02,049 --> 00:29:59,210

knows that but what they don't need to

588

00:30:04,780 --> 00:30:02,059

know and I'm all upset some people is

589

00:30:06,730 --> 00:30:04,790

they don't need to know how we create

590

00:30:08,560 --> 00:30:06,740

the magic and a lot of people are

591

00:30:11,560 --> 00:30:08,570

telling people that can you keep their

592

00:30:14,549 --> 00:30:11,570

mouth shut but I'll say this the matches

593

00:30:18,789 --> 00:30:14,559

are predetermined but the physicality

594

00:30:22,570 --> 00:30:18,799

they that we have to go through to

595

00:30:25,390 --> 00:30:22,580

perform just a basic match most people

596

00:30:27,549 --> 00:30:25,400

would cringe at the pain that it will

597

00:30:30,130 --> 00:30:27,559

cause you take somebody that's will

598

00:30:31,990 --> 00:30:30,140

train even they can screw up now if they

599

00:30:34,090 --> 00:30:32,000

screw up in wrestling either you're

600

00:30:37,150 --> 00:30:34,100

going to get hurt or you're going to die

601
00:30:40,570 --> 00:30:37,160
it will happen it has happened and

602
00:30:42,310 --> 00:30:40,580
people that say wrestling's fake piss me

603
00:30:45,610 --> 00:30:42,320
off and maybe I should have said that

604
00:30:48,430 --> 00:30:45,620
word because oh yeah yes guys the guys

605
00:30:52,150 --> 00:30:48,440
the guys don't see it yeah the guys

606
00:30:54,310 --> 00:30:52,160
don't get the credit they deserve and I

607
00:30:57,490 --> 00:30:54,320
and it and it takes me to heck off

608
00:31:00,039 --> 00:30:57,500
because when people when Owen Hart died

609
00:31:01,570 --> 00:31:00,049
people said to me well that's part of

610
00:31:04,900 --> 00:31:01,580
the show and I looked at him like they

611
00:31:08,289 --> 00:31:04,910
were crazy I said that man is dead

612
00:31:10,270 --> 00:31:08,299
he failed from the top but the Kemper

613
00:31:13,000 --> 00:31:10,280

Arena for god sakes how was he gonna

614

00:31:15,250 --> 00:31:13,010

survive that and the person felt like it

615

00:31:17,020 --> 00:31:15,260

small fluid in a snake's belly and I was

616

00:31:18,570 --> 00:31:17,030

glad that they did because maybe they

617

00:31:21,549 --> 00:31:18,580

knew people need to break up that

618

00:31:24,100 --> 00:31:21,559

wrestling is entertainment but there's a

619

00:31:26,950 --> 00:31:24,110

sincere danger when you get in them

620

00:31:30,850 --> 00:31:26,960

ropes well you know what am i what am i

621

00:31:32,350 --> 00:31:30,860

one of my favorite all-time at matches

622

00:31:39,520 --> 00:31:32,360

and you talk about falling from a great

623

00:31:42,279 --> 00:31:39,530

height was Cactus Jack behind fighting

624

00:31:46,960 --> 00:31:42,289

fighting a cage cage match with the

625

00:31:49,690 --> 00:31:46,970

Undertaker that guy is supposed to yeah

626

00:31:51,039 --> 00:31:49,700

most of our listeners I guess if they

627

00:31:53,620 --> 00:31:51,049

follow the wrestling have seen cage

628

00:31:56,169 --> 00:31:53,630

matches I mean it's been under a TV and

629

00:31:59,620 --> 00:31:56,179

all they climbed to the top of the the

630

00:32:04,149 --> 00:31:59,630

cage and jump you know jump down on each

631

00:32:06,039 --> 00:32:04,159

other and occasionally the the the cage

632

00:32:10,180 --> 00:32:06,049

will a collapse of the roof will give in

633

00:32:12,360 --> 00:32:10,190

and mankind went from the top of the the

634

00:32:17,680 --> 00:32:12,370

cage right down onto the announcers

635

00:32:20,770 --> 00:32:17,690

table and smash what what a match that

636

00:32:24,460 --> 00:32:20,780

was I watched it actually on YouTube

637

00:32:28,860 --> 00:32:24,470

recently yeah but anyway I remember

638

00:32:33,039 --> 00:32:28,870

going well no I we want to get into the

639

00:32:36,159 --> 00:32:33,049

the paranormal in the UFOs I mean you

640

00:32:40,960 --> 00:32:36,169

know you sent me these these photographs

641

00:32:43,690 --> 00:32:40,970

which were formations of objects or

642

00:32:47,950 --> 00:32:43,700

lights in the in the sky tell me a

643

00:32:51,100 --> 00:32:47,960

little bit about your UFO activities and

644

00:32:54,790 --> 00:32:51,110

research into the topic okay

645

00:32:56,380 --> 00:32:54,800

well the first of all one of the photos

646

00:32:57,910 --> 00:32:56,390

I mean let me touch on that then I'll

647

00:33:01,360 --> 00:32:57,920

tell you about that we suggest yes this

648

00:33:03,610 --> 00:33:01,370

is another gust at Georgia right yeah it

649

00:33:05,350 --> 00:33:03,620

was actually in a town called Grove town

650

00:33:08,710 --> 00:33:05,360

which is a part of Augusta it's kind of

651

00:33:11,200 --> 00:33:08,720

like Tucker is to Atlanta oh it's just a

652

00:33:14,260 --> 00:33:11,210

little area outside we all considered

653

00:33:17,140 --> 00:33:14,270

Augusta it was a triangle and it was the

654

00:33:20,550 --> 00:33:17,150

classic tr-3b that you hear about if you

655

00:33:22,720 --> 00:33:20,560

can do it and it's like a triangle

656

00:33:24,550 --> 00:33:22,730

aircraft that belongs to the United

657

00:33:28,150 --> 00:33:24,560

States Air Force which is part of

658

00:33:30,250 --> 00:33:28,160

project solar warden which is president

659

00:33:32,770 --> 00:33:30,260

Trump's space force he's now talking

660

00:33:34,360 --> 00:33:32,780

about they're finally bringing this to

661

00:33:36,490 --> 00:33:34,370

the forefront

662

00:33:40,150 --> 00:33:36,500

I knew about solar warden about ten

663

00:33:43,120 --> 00:33:40,160

years ago blue gary mckinnon the story

664

00:33:44,860 --> 00:33:43,130

bro yes he had masters computers he was

665

00:33:47,290 --> 00:33:44,870

arrested in england but they dropped the

666

00:33:52,210 --> 00:33:47,300

charges well that's the way I see it is

667

00:33:53,860 --> 00:33:52,220

if he really um was in trouble if they

668

00:33:56,830 --> 00:33:53,870

really wanted to do something they could

669

00:33:58,510 --> 00:33:56,840

but they dropped the charges and the way

670

00:34:00,460 --> 00:33:58,520

I see it is they dropped the charges

671

00:34:02,200 --> 00:34:00,470

against me because whatever he found

672

00:34:03,880 --> 00:34:02,210

would have been evidence at a trial

673

00:34:05,740 --> 00:34:03,890

they didn't wanted to come out so what

674

00:34:08,800 --> 00:34:05,750

do you do you drop the charges just

675

00:34:11,590 --> 00:34:08,810

create a kid project solar warden you

676

00:34:13,210 --> 00:34:11,600

followed you excuse me the UFO community

677

00:34:15,820 --> 00:34:13,220

has known about like I said for at least

678

00:34:17,710 --> 00:34:15,830

the past ten years more and it's a

679

00:34:20,740 --> 00:34:17,720

secret space program he's probably her

680

00:34:22,900 --> 00:34:20,750

to call the secret space program because

681

00:34:26,260 --> 00:34:22,910

it's technically top-secret it's

682

00:34:30,130 --> 00:34:26,270

starting to be disclosed now but we have

683

00:34:32,520 --> 00:34:30,140

a secret space program that SpaceX and

684

00:34:35,260 --> 00:34:32,530

Bigelow Aerospace is working with NASA

685

00:34:36,390 --> 00:34:35,270

now here's where the rubber meets the

686

00:34:39,670 --> 00:34:36,400

road

687

00:34:42,790 --> 00:34:39,680

it is believed by some and it has been

688

00:34:45,190 --> 00:34:42,800

said by some that allegedly there is an

689

00:34:47,440 --> 00:34:45,200

alien race known as the Nordics that are

690

00:34:49,780 --> 00:34:47,450

wrapped up in this know that now that I

691

00:34:52,840 --> 00:34:49,790

don't know I can only tell you that's

692

00:34:55,540 --> 00:34:52,850

what people have been alleging I want to

693

00:34:58,210 --> 00:34:55,550

be clear on that but it is definitely a

694

00:35:00,550 --> 00:34:58,220

secret space program and when I say

695

00:35:01,750 --> 00:35:00,560

secret is just not totally disclosed yet

696

00:35:04,270 --> 00:35:01,760

the president Crump

697

00:35:06,220 --> 00:35:04,280

it's starting towards that towards that

698

00:35:08,920 --> 00:35:06,230

now as a triangle that was over

699

00:35:11,410 --> 00:35:08,930

Grovetown is baby is the tr-3b it's a

700

00:35:16,240 --> 00:35:11,420

part of that program it's like a step up

701

00:35:18,400 --> 00:35:16,250

and stuff that's what we believe I've

702

00:35:21,970 --> 00:35:18,410

always I've always question though why

703

00:35:25,450 --> 00:35:21,980

would a craft that's part of some secret

704

00:35:28,420 --> 00:35:25,460

promise space program appear over a

705

00:35:31,690 --> 00:35:28,430

little town like that I mean what what

706

00:35:34,960 --> 00:35:31,700

is the I'm so glad your purpose yes I'm

707

00:35:37,960 --> 00:35:34,970

so glad you asked because in society

708

00:35:41,319 --> 00:35:37,970

because of Hollywood in television if

709

00:35:43,300 --> 00:35:41,329

you say the word UFO hypothetically if

710

00:35:44,950 --> 00:35:43,310

you and I are sitting at a diner and

711

00:35:48,339 --> 00:35:44,960

we're having a conversation I say hey

712

00:35:49,930 --> 00:35:48,349

Jim I saw a UFO last night somebody and

713

00:35:53,589 --> 00:35:49,940

the other booth didn't hear that they

714

00:35:56,470 --> 00:35:53,599

heard me say alien spaceship because in

715

00:35:59,020 --> 00:35:56,480

society those three letters means alien

716

00:36:02,349 --> 00:35:59,030

but what we have to realize is these

717

00:36:05,020 --> 00:36:02,359

days a UFO is just that means or

718

00:36:06,849 --> 00:36:05,030

something fun identified and if it's fun

719

00:36:10,329 --> 00:36:06,859

identified you can't see what the heck

720

00:36:14,349 --> 00:36:10,339

of it but you are correctly correct but

721

00:36:16,990 --> 00:36:14,359

I but I will say this sir in 1947 when

722

00:36:20,770 --> 00:36:17,000

people saw UFOs we didn't have anything

723

00:36:23,920 --> 00:36:20,780

advanced those days it's a different

724

00:36:26,380 --> 00:36:23,930

ballgame if you read me but these days

725

00:36:29,680 --> 00:36:26,390

you can't say what it is it's either us

726

00:36:32,440 --> 00:36:29,690

or them I think it's a 50/50 proposition

727

00:36:33,880 --> 00:36:32,450

but I don't know sorry when you're

728

00:36:34,870 --> 00:36:33,890

standing on the ground and you see

729

00:36:38,050 --> 00:36:34,880

something in the sky you don't

730

00:36:41,200 --> 00:36:38,060

understand it's unidentified you can't

731

00:36:44,740 --> 00:36:41,210

say either way somebody making homework

732

00:36:46,420 --> 00:36:44,750

well you know I always thought that if

733

00:36:48,339 --> 00:36:46,430

you go back and you study the early

734

00:36:50,170 --> 00:36:48,349

history of the UFO a movement and we've

735

00:36:54,040 --> 00:36:50,180

talked about this on the air there

736

00:36:56,430 --> 00:36:54,050

seemed to be an attempt by the the

737

00:36:58,930 --> 00:36:56,440

authorities and the various UFO

738

00:37:01,180 --> 00:36:58,940

researchers who had their own private

739

00:37:06,579 --> 00:37:01,190

organizations to push the

740

00:37:10,359 --> 00:37:06,589

extra-terrestrial theory the ETH as we

741

00:37:12,670 --> 00:37:10,369

as we call it because they were probably

742

00:37:15,520 --> 00:37:12,680

or at least some of them were trying to

743

00:37:17,680 --> 00:37:15,530

divert attention away from

744

00:37:20,010 --> 00:37:17,690

what was really happening now my own

745

00:37:23,500 --> 00:37:20,020

opinion on this is that a lot of the

746

00:37:28,540 --> 00:37:23,510

like the early UFO crashes and UFO

747

00:37:31,360 --> 00:37:28,550

incidents involved craft that were being

748

00:37:34,390 --> 00:37:31,370

test flown by either the US government

749

00:37:38,050 --> 00:37:34,400

or engineers that have been brought over

750

00:37:39,520 --> 00:37:38,060

as a part of Project Paperclip the the

751
00:37:42,040 --> 00:37:39,530
where they were bringing the the

752
00:37:45,220 --> 00:37:42,050
scientists and the engineers a lot of

753
00:37:48,670 --> 00:37:45,230
them war criminals over from a Germany

754
00:37:51,760 --> 00:37:48,680
to work on the early space program well

755
00:37:57,130 --> 00:37:51,770
I think that yes

756
00:38:00,430 --> 00:37:57,140
yeah the UFO about the early space

757
00:38:03,760 --> 00:38:00,440
program went into two directions one

758
00:38:08,110 --> 00:38:03,770
father was the v2 uh you know a rocket

759
00:38:11,610 --> 00:38:08,120
the more so-called conventional rocketry

760
00:38:18,340 --> 00:38:11,620
program and then some followed at either

761
00:38:21,490 --> 00:38:18,350
anti-gravity or some other form of space

762
00:38:24,340 --> 00:38:21,500
travel which we were not informed about

763
00:38:27,370 --> 00:38:24,350

that the use of particularly test were

764

00:38:30,100 --> 00:38:27,380

being kept under wraps and I'm not sure

765

00:38:34,510 --> 00:38:30,110

if very many people in the government

766

00:38:37,030 --> 00:38:34,520

actually even knew what was going on and

767

00:38:40,870 --> 00:38:37,040

it could have also involved some form of

768

00:38:44,650 --> 00:38:40,880

a time travel it is possible that the

769

00:38:47,470 --> 00:38:44,660

the journey the Germans discovered the

770

00:38:49,240 --> 00:38:47,480

secret to time travel and you know they

771

00:38:53,470 --> 00:38:49,250

were in touch with these what you called

772

00:38:56,920 --> 00:38:53,480

Nordic aliens and they say well there

773

00:39:00,790 --> 00:38:56,930

was yes I'm sorry but they were

774

00:39:03,940 --> 00:39:00,800

allegedly a list they were allegedly in

775

00:39:05,980 --> 00:39:03,950

and in touch with a race of beings known

776

00:39:08,650 --> 00:39:05,990

as the area yeah

777

00:39:11,830 --> 00:39:08,660

now where have you heard the term aryan

778

00:39:15,430 --> 00:39:11,840

before you've heard the term aryan

779

00:39:19,720 --> 00:39:15,440

during World War two when Hitler wanted

780

00:39:23,620 --> 00:39:19,730

to create an Aryan race remember exactly

781

00:39:25,870 --> 00:39:23,630

blond-headed blond-headed yup scene

782

00:39:30,080 --> 00:39:25,880

you've probably seen the posters of the

783

00:39:32,450 --> 00:39:30,090

blond-headed male or flee el by the

784

00:39:33,680 --> 00:39:32,460

well that's where he got that from

785

00:39:38,090 --> 00:39:33,690

allegedly

786

00:39:41,410 --> 00:39:38,100

now you're talking about Roswell the

787

00:39:44,210 --> 00:39:41,420

most famous UFO case in our country and

788

00:39:45,650 --> 00:39:44,220

everyone has said oh my goodness it's a

789

00:39:47,810 --> 00:39:45,660

weather balloon they proved it's a

790

00:39:51,140 --> 00:39:47,820

weather balloon that's bought a lot of

791

00:39:53,150 --> 00:39:51,150

people don't really know what how things

792

00:39:56,900 --> 00:39:53,160

went down and Roz were a far as major

793

00:39:59,510 --> 00:39:56,910

Jesse Marcel was concerned and major

794

00:40:02,360 --> 00:39:59,520

Marcel when he was called to the

795

00:40:05,420 --> 00:40:02,370

sheriff's office to look at some debris

796

00:40:07,610 --> 00:40:05,430

that a gentleman named Mac Brazel Brazel

797

00:40:10,670 --> 00:40:07,620

took to the sheriff's office major

798

00:40:15,050 --> 00:40:10,680

Marcel right then was not looking at a

799

00:40:17,270 --> 00:40:15,060

little more he was looking at metal so

800

00:40:20,180 --> 00:40:17,280

this crap about it being a weather

801
00:40:22,100 --> 00:40:20,190
balloon is bull okay so when major

802
00:40:23,990 --> 00:40:22,110
Marcel goes out and he sees all this

803
00:40:25,840 --> 00:40:24,000
metal across this man's field he

804
00:40:28,790 --> 00:40:25,850
commonly seen this not a weather balloon

805
00:40:30,380 --> 00:40:28,800
major Marcel even say right before he

806
00:40:34,940 --> 00:40:30,390
passed he was a part of the cover-up but

807
00:40:37,100 --> 00:40:34,950
he was forced into it you know so so

808
00:40:39,590 --> 00:40:37,110
what would that so what was it well on

809
00:40:42,770 --> 00:40:39,600
July the 4th in Roswell there was a

810
00:40:45,500 --> 00:40:42,780
major electrical storm very very bad

811
00:40:48,530 --> 00:40:45,510
thunderstorm now it's July before is a

812
00:40:50,300 --> 00:40:48,540
federal holiday it's Independence Day so

813
00:40:52,190 --> 00:40:50,310

what the holiday they wouldn't have been

814

00:40:53,390 --> 00:40:52,200

testing anything on July the 4th number

815

00:40:54,980 --> 00:40:53,400

one and number two in the weather

816

00:40:58,700 --> 00:40:54,990

condition we wouldn't been testing

817

00:41:03,470 --> 00:40:58,710

nothing so what now is that disqualify

818

00:41:07,400 --> 00:41:03,480

us the who could have belonged to there

819

00:41:12,860 --> 00:41:07,410

you go I know well I would also say that

820

00:41:18,320 --> 00:41:12,870

if there was still a Nazi influence that

821

00:41:22,040 --> 00:41:18,330

they would pick July a 4th as a as a

822

00:41:26,240 --> 00:41:22,050

date to send up a device such as this to

823

00:41:29,870 --> 00:41:26,250

prove that they were still mighty and

824

00:41:32,000 --> 00:41:29,880

and and and strong and ahead of us in

825

00:41:34,070 --> 00:41:32,010

the in the space Department I mean it's

826

00:41:37,010 --> 00:41:34,080

just it's just it's just a theory an

827

00:41:41,660 --> 00:41:37,020

idea but it seems to it seems so tie in

828

00:41:42,850 --> 00:41:41,670

now Donny annuity and any sightings of

829

00:41:47,740 --> 00:41:42,860

your own

830

00:41:49,450 --> 00:41:47,750

oh yeah yeah I had one here just here

831

00:41:51,160 --> 00:41:49,460

just recently and I believe I forwarded

832

00:41:53,860 --> 00:41:51,170

you the picture we had a full moon here

833

00:41:56,080 --> 00:41:53,870

in town and there was a round dot below

834

00:41:58,870 --> 00:41:56,090

it and I didn't know what it was I took

835

00:42:00,460 --> 00:41:58,880

a picture of it and I'm theorizing it

836

00:42:02,350 --> 00:42:00,470

was Nibiru but I mean honestly I don't

837

00:42:04,330 --> 00:42:02,360

know because when I was out I saw the

838

00:42:06,190 --> 00:42:04,340

planet Venus towards the right towards

839

00:42:08,140 --> 00:42:06,200

the left is where the full moon was and

840

00:42:10,060 --> 00:42:08,150

there was that round dot I'm thinking

841

00:42:11,350 --> 00:42:10,070

okay stars and not that doors or what

842

00:42:12,940 --> 00:42:11,360

the heck is that it's got to be

843

00:42:14,560 --> 00:42:12,950

something there's something up there but

844

00:42:16,210 --> 00:42:14,570

I don't know what you know it's template

845

00:42:18,970 --> 00:42:16,220

once it moved was it what was it moved

846

00:42:21,850 --> 00:42:18,980

moving moving or circling about no no

847

00:42:24,160 --> 00:42:21,860

sir no sir it was stationary stationary

848

00:42:26,170 --> 00:42:24,170

and I stared at it might we'll start

849

00:42:29,500 --> 00:42:26,180

easily brighter them that let me snap a

850

00:42:31,720 --> 00:42:29,510

picture of it you know um and still to

851
00:42:33,700 --> 00:42:31,730
this moment I don't know what it was I

852
00:42:34,990 --> 00:42:33,710
mean and I may never know but it's just

853
00:42:39,790 --> 00:42:35,000
something that wasn't there was I

854
00:42:41,980 --> 00:42:39,800
unidentified the all of the other UFO

855
00:42:44,530 --> 00:42:41,990
sightings around here have been reported

856
00:42:47,380 --> 00:42:44,540
to me except for the two pictures I sent

857
00:42:49,060 --> 00:42:47,390
you of the route of the oval craft with

858
00:42:51,820 --> 00:42:49,070
the contrail coming out the back during

859
00:42:54,700 --> 00:42:51,830
the day and they like the diamond-shaped

860
00:42:57,000 --> 00:42:54,710
and not I witnessed those two they were

861
00:43:00,790 --> 00:42:57,010
right here over Augusta I'm like and

862
00:43:02,290 --> 00:43:00,800
YouTube has videos of other people that

863
00:43:04,900 --> 00:43:02,300

I've never met that are posting stuff

864

00:43:07,690 --> 00:43:04,910

about Augusta and their videos and I've

865

00:43:09,250 --> 00:43:07,700

seen them and one is on Broad Street and

866

00:43:11,050 --> 00:43:09,260

I can't remember the year it was summer

867

00:43:12,880 --> 00:43:11,060

in like the 90s I think and it was like

868

00:43:14,710 --> 00:43:12,890

seven or eight orbs of mind I'm like

869

00:43:16,420 --> 00:43:14,720

okay I know where that I know where they

870

00:43:21,280 --> 00:43:16,430

took that video but while I didn't know

871

00:43:24,910 --> 00:43:21,290

about that event now I think do you know

872

00:43:28,240 --> 00:43:24,920

where any of these reports did they get

873

00:43:31,540 --> 00:43:28,250

any paper newspaper attaching anything

874

00:43:35,920 --> 00:43:31,550

in the media radio TV yeah and president

875

00:43:38,770 --> 00:43:35,930

yeah yeah we the signing from September

876

00:43:42,880 --> 00:43:38,780

of 2017 I was on the local news here in

877

00:43:45,100 --> 00:43:42,890

reference to it and fewer website yes I

878

00:43:50,680 --> 00:43:45,110

was and I had to link out for tea tea

879

00:43:52,840 --> 00:43:50,690

tomorrow and the several websites on the

880

00:43:54,670 --> 00:43:52,850

internet picked up the story and did

881

00:43:56,089 --> 00:43:54,680

their own story about it you know ladies

882

00:43:58,640 --> 00:43:56,099

UFOs

883

00:44:01,699 --> 00:43:58,650

dot-com and George filer and all these

884

00:44:03,979 --> 00:44:01,709

other sites George because ooh yeah

885

00:44:07,039 --> 00:44:03,989

because it was a classic triangle and it

886

00:44:08,479 --> 00:44:07,049

was the classic tr-3b and once again so

887

00:44:09,709 --> 00:44:08,489

rewarding they're going to properly I

888

00:44:12,469 --> 00:44:09,719

think that's why they didn't in there

889

00:44:14,089 --> 00:44:12,479

such an obvious then if that's what it

890

00:44:15,769 --> 00:44:14,099

is because it's got four lights on in

891

00:44:16,999 --> 00:44:15,779

this guy's three got one on each in

892

00:44:19,569 --> 00:44:17,009

which is three and in the one in the

893

00:44:23,109 --> 00:44:19,579

middle and if you look at any and

894

00:44:25,999 --> 00:44:23,119

normally and normally very silent oh

895

00:44:27,709 --> 00:44:26,009

very filing because the antigravity can

896

00:44:31,099 --> 00:44:27,719

hover that's what the antigravity they

897

00:44:32,779 --> 00:44:31,109

do in comparison to a helicopter that's

898

00:44:35,420 --> 00:44:32,789

height no it's not a helicopter because

899

00:44:38,839 --> 00:44:35,430

you don't hear it on the antigravity

900

00:44:41,660 --> 00:44:38,849

makes it move really really slow or

901
00:44:44,029 --> 00:44:41,670
still and that's when you would drive

902
00:44:45,699 --> 00:44:44,039
it's what you were trying to explain why

903
00:44:49,069 --> 00:44:45,709
you thought though that they might be

904
00:44:52,370 --> 00:44:49,079
testing it over the small communities

905
00:44:54,829 --> 00:44:52,380
like this oh yeah absolutely no you take

906
00:44:56,380 --> 00:44:54,839
it tr-3b it's flying over a small area a

907
00:45:00,079 --> 00:44:56,390
small community okay

908
00:45:02,509 --> 00:45:00,089
it's a reconnaissance vehicle means

909
00:45:04,279 --> 00:45:02,519
they're there they're patrolling or

910
00:45:06,949 --> 00:45:04,289
looking for something that's what I get

911
00:45:08,420 --> 00:45:06,959
from that so I'm thinking the tr-3b if

912
00:45:10,609 --> 00:45:08,430
it's flying over now these have been

913
00:45:13,069 --> 00:45:10,619

seeing all the United States but they're

914

00:45:15,349 --> 00:45:13,079

flying over a small community why would

915

00:45:16,880 --> 00:45:15,359

that are they patrolling because the

916

00:45:19,729 --> 00:45:16,890

police departments can't well I don't

917

00:45:22,099 --> 00:45:19,739

think that's it I think the NSA is tired

918

00:45:24,410 --> 00:45:22,109

of him and what I think is what they're

919

00:45:28,099 --> 00:45:24,420

doing there's a technology aboard these

920

00:45:29,660 --> 00:45:28,109

craft they can tell what your talk to

921

00:45:32,209 --> 00:45:29,670

you talking to homeless on your cell

922

00:45:36,140 --> 00:45:32,219

phone on your computer they have a way

923

00:45:38,359 --> 00:45:36,150

to Edward Snowden it and if you will to

924

00:45:40,279 --> 00:45:38,369

spot her now

925

00:45:42,109 --> 00:45:40,289

here's my thing if they're doing it for

926

00:45:47,029 --> 00:45:42,119

the good of the country I hate to say it

927

00:45:49,789 --> 00:45:47,039

but with terrorism maybe they have to do

928

00:45:52,099 --> 00:45:49,799

the extreme to protect the country but I

929

00:45:54,439 --> 00:45:52,109

think that's what's going on of course I

930

00:45:56,900 --> 00:45:54,449

don't know but I mean that's just a

931

00:45:59,209 --> 00:45:56,910

thought because why would they be a very

932

00:46:02,449 --> 00:45:59,219

small community unless they're just

933

00:46:04,489 --> 00:46:02,459

trying to drum up a USO report knowing

934

00:46:07,279 --> 00:46:04,499

that people are gonna think a UFO is

935

00:46:08,329 --> 00:46:07,289

alien you know I mean so yeah I don't

936

00:46:09,410 --> 00:46:08,339

think they're gonna I think there are

937

00:46:11,000 --> 00:46:09,420

many yet I

938

00:46:14,780 --> 00:46:11,010

I don't think there many terrorists in

939

00:46:17,750 --> 00:46:14,790

your neck of the the woods now I have

940

00:46:22,040 --> 00:46:17,760

heard of some cases from people that

941

00:46:26,300 --> 00:46:22,050

live down along the the Mexican border

942

00:46:28,280 --> 00:46:26,310

and into Arizona that they have had what

943

00:46:29,150 --> 00:46:28,290

would have been described it's more like

944

00:46:33,940 --> 00:46:29,160

dirigibles

945

00:46:38,930 --> 00:46:33,950

type of crafts that hover up above

946

00:46:41,660 --> 00:46:38,940

keeping and tabs on smugglers and drug

947

00:46:43,730 --> 00:46:41,670

dealers and all but I mean I hate to say

948

00:46:45,440 --> 00:46:43,740

this but I don't think that stops

949

00:46:47,300 --> 00:46:45,450

anybody because they're digging their

950

00:46:51,050 --> 00:46:47,310

digging tunnels if they can't get

951
00:46:52,610 --> 00:46:51,060
through by any other means I mean the

952
00:46:54,710 --> 00:46:52,620
only rate of your trip

953
00:46:57,230 --> 00:46:54,720
the only way to prevent a drug

954
00:46:59,870 --> 00:46:57,240
trafficking is to make as much of it as

955
00:47:02,000 --> 00:46:59,880
possible legal and let the people decide

956
00:47:04,460 --> 00:47:02,010
what the heck it is they want to do you

957
00:47:07,220 --> 00:47:04,470
know themselves I totally agree

958
00:47:08,990 --> 00:47:07,230
I told me Harry and not to touch on

959
00:47:11,300 --> 00:47:09,000
anything that the president is doing now

960
00:47:13,460 --> 00:47:11,310
but he misses building a wall with all

961
00:47:14,720 --> 00:47:13,470
due respect to that idea if you build a

962
00:47:17,390 --> 00:47:14,730
wall that's not gonna keep people are

963
00:47:20,540 --> 00:47:17,400

they're gonna find out absolutely not

964

00:47:23,090 --> 00:47:20,550

you know honey if you took that money

965

00:47:26,140 --> 00:47:23,100

and spend it on something you know there

966

00:47:28,730 --> 00:47:26,150

was worthwhile to humanity

967

00:47:31,280 --> 00:47:28,740

then it would be it would be ceiling

968

00:47:33,410 --> 00:47:31,290

positive you know you got it yeah this

969

00:47:37,000 --> 00:47:33,420

one yeah that's what I mean I mean yeah

970

00:47:41,210 --> 00:47:37,010

that's what I mean like it like right if

971

00:47:43,910 --> 00:47:41,220

his theory if he build a wall you'll

972

00:47:46,010 --> 00:47:43,920

keep people in or out that's that's not

973

00:47:51,500 --> 00:47:46,020

gonna stop somehow they're gonna find a

974

00:47:55,310 --> 00:47:51,510

way so it's not you people have

975

00:47:58,310 --> 00:47:55,320

airplanes and they got if the Japanese

976

00:48:00,920 --> 00:47:58,320

could send over the so called the the

977

00:48:03,280 --> 00:48:00,930

balloons that may or may not have been

978

00:48:05,810 --> 00:48:03,290

responsible for some of the UFO scares

979

00:48:08,360 --> 00:48:05,820

you know during the latter part of the

980

00:48:11,450 --> 00:48:08,370

war they certainly send I mean you know

981

00:48:12,710 --> 00:48:11,460

it drove everybody has a drone today I'm

982

00:48:16,400 --> 00:48:12,720

the only person that doesn't have a

983

00:48:18,080 --> 00:48:16,410

drone I think anyway we're doing over at

984

00:48:20,630 --> 00:48:18,090

the halfway point and we'll be back in a

985

00:48:21,850 --> 00:48:20,640

few minutes with more of exploring the

986

00:48:23,220 --> 00:48:21,860

bizarre

987

00:48:34,120 --> 00:48:23,230

yeah

988

00:48:41,079 --> 00:48:38,420

explode the bazaars are your e-ticket

989

00:48:44,390 --> 00:48:41,089

ride into the world of the paranoid

990

00:48:48,670 --> 00:48:44,400

strap yourself in as we traverse the

991

00:48:53,120 --> 00:48:48,680

universe exploring the unexplained UFO s

992

00:48:57,289 --> 00:48:53,130

ghosts Lost Worlds cryptozoology waters

993

00:49:01,789 --> 00:48:57,299

as well as other dimensions it's time to

994

00:49:04,039 --> 00:49:01,799

take back the night now your

995

00:49:10,960 --> 00:49:04,049

electrifying hosts of exploring the

996

00:49:17,120 --> 00:49:13,910

swear there I turned my back and they're

997

00:49:19,670 --> 00:49:17,130

trying to sucker punch me these guests

998

00:49:20,599 --> 00:49:19,680

tonight there they're not not to be

999

00:49:22,759 --> 00:49:20,609

trusted

1000

00:49:27,519 --> 00:49:22,769

I I don't know who I could it could use

1001

00:49:31,549 --> 00:49:27,529

for a tag-team partner here mankind is

1002

00:49:34,670 --> 00:49:31,559

retired and and Steve Austin is too busy

1003

00:49:37,370 --> 00:49:34,680

doing movies I my goodness I guess I'm

1004

00:49:39,950 --> 00:49:37,380

gonna have to take on everybody by

1005

00:49:42,700 --> 00:49:39,960

myself but then I'm such an athletic

1006

00:49:46,519 --> 00:49:42,710

type and a weightlifter and a

1007

00:49:49,039 --> 00:49:46,529

bodybuilder yeah sure how can I fool

1008

00:49:54,650 --> 00:49:49,049

that uh anyway we're back with our guest

1009

00:49:56,829 --> 00:49:54,660

and it's bra a sling a night so be

1010

00:50:00,529 --> 00:49:56,839

prepared to be thrown over the

1011

00:50:05,329 --> 00:50:00,539

paranormal ropes and we have a question

1012

00:50:09,769 --> 00:50:05,339

from Bambi and fat she wants to know has

1013

00:50:12,769 --> 00:50:09,779

anyone here been in touch with Vivian

1014

00:50:16,849 --> 00:50:12,779

since she passed away and you know

1015

00:50:19,539 --> 00:50:16,859

something Bambi yes the answer is at

1016

00:50:22,910 --> 00:50:19,549

least I believe yes and it happened just

1017

00:50:26,599 --> 00:50:22,920

today now anybody who listens to

1018

00:50:30,589 --> 00:50:26,609

exploring the bizarre on eight cor radio

1019

00:50:33,349 --> 00:50:30,599

or watches are a youtuber show a mr. UFO

1020

00:50:37,880 --> 00:50:33,359

secret files will know that I have had

1021

00:50:41,690 --> 00:50:37,890

more synchronicities in my life than the

1022

00:50:45,710 --> 00:50:41,700

king of Egypt I don't know let's just

1023

00:50:47,720 --> 00:50:45,720

pick someplace that at random in fact

1024

00:50:51,080 --> 00:50:47,730

there there is a 405

1025

00:50:53,120 --> 00:50:51,090

the page book out that I wrote it's the

1026

00:50:55,550 --> 00:50:53,130

matrix of philip k dick and the

1027

00:50:58,370 --> 00:50:55,560

synchronicities of Tim Beck way and I'm

1028

00:51:00,500 --> 00:50:58,380

not just talking about people calling

1029

00:51:01,790 --> 00:51:00,510

you know like you're thinking of

1030

00:51:04,849 --> 00:51:01,800

somebody and they call on the telephone

1031

00:51:06,560 --> 00:51:04,859

the next day that's that to me is not

1032

00:51:07,820 --> 00:51:06,570

even worth where they ever mentioned

1033

00:51:10,099 --> 00:51:07,830

those that have heard me on this program

1034

00:51:12,530 --> 00:51:10,109

or other programs know that some of

1035

00:51:14,840 --> 00:51:12,540

these synchronicities are just totally

1036

00:51:17,510 --> 00:51:14,850

out of control

1037

00:51:21,020 --> 00:51:17,520

well I've got a synchronicity for you

1038

00:51:25,630 --> 00:51:21,030

that is totally out of control and I do

1039

00:51:29,630 --> 00:51:25,640

believe a peruse or is evidential

1040

00:51:35,480 --> 00:51:29,640

evidential that Vivian or a lady Suzanne

1041

00:51:39,200 --> 00:51:37,430

these synchronicities you know I haven't

1042

00:51:41,650 --> 00:51:39,210

had one in a while and I was just

1043

00:51:45,680 --> 00:51:41,660

thinking last night I said to myself

1044

00:51:47,990 --> 00:51:45,690

where have all the synchronicities god

1045

00:51:51,230 --> 00:51:48,000

it's been well maybe two or three months

1046

00:51:55,400 --> 00:51:51,240

since something if some coincidence has

1047

00:51:58,849 --> 00:51:55,410

happened that is beyond the pale well

1048

00:52:05,590 --> 00:51:58,859

today I had a doctor's appointment at

1049

00:52:08,330 --> 00:52:05,600

the NYU hospital and I printed out the

1050

00:52:09,830 --> 00:52:08,340

appointment a sheet that tells you who

1051
00:52:12,260 --> 00:52:09,840
you're going to see in what building you

1052
00:52:16,030 --> 00:52:12,270
have to go to in the office and so forth

1053
00:52:20,540 --> 00:52:16,040
now I've only been to see this doctor

1054
00:52:22,910 --> 00:52:20,550
one time and I know her by her last name

1055
00:52:25,580 --> 00:52:22,920
I never knew what her first name was and

1056
00:52:28,040 --> 00:52:25,590
I didn't really in inquiring it wasn't

1057
00:52:30,620 --> 00:52:28,050
important well I print this out on my a

1058
00:52:34,520 --> 00:52:30,630
little of the Hewlett Packard printer

1059
00:52:37,820 --> 00:52:34,530
here and in bold type it says across the

1060
00:52:40,780 --> 00:52:37,830
top of the page follow-up appointment

1061
00:52:44,210 --> 00:52:40,790
with Vivian dot dot dot

1062
00:52:47,570 --> 00:52:44,220
well if tonight is not a follow-up

1063
00:52:50,180 --> 00:52:47,580

appointment with Vivian I don't know

1064

00:52:52,780 --> 00:52:50,190

what is so I I do believe that there is

1065

00:52:56,660 --> 00:52:52,790

a good chance that she might be

1066

00:52:59,330 --> 00:52:56,670

listening to the program and since she

1067

00:53:00,780 --> 00:52:59,340

was a Luciferian perhaps we should all

1068

00:53:03,690 --> 00:53:00,790

be on our worst

1069

00:53:08,460 --> 00:53:03,700

maybe the heel will rot the heel will

1070

00:53:10,650 --> 00:53:08,470

rise to the top the ceiling anyway this

1071

00:53:14,370 --> 00:53:10,660

is a this is a great show and one that

1072

00:53:17,640 --> 00:53:14,380

I've looked forward to doing for a long

1073

00:53:19,770 --> 00:53:17,650

time you know we mix the parent to

1074

00:53:24,270 --> 00:53:19,780

paranormal in UFOs is something that

1075

00:53:25,440 --> 00:53:24,280

anybody can be into it crosses all kind

1076

00:53:28,260 --> 00:53:25,450

of demographics

1077

00:53:31,200 --> 00:53:28,270

I mean rich people poor people famous

1078

00:53:33,030 --> 00:53:31,210

people your average guy in the street it

1079

00:53:37,230 --> 00:53:33,040

doesn't matter whether they live in in

1080

00:53:40,010 --> 00:53:37,240

Phoenix Arizona or Timbuktu there are

1081

00:53:44,910 --> 00:53:40,020

UFOs out there and the people are having

1082

00:53:49,280 --> 00:53:44,920

strange experiences all the time anyway

1083

00:53:52,710 --> 00:53:49,290

that's my synchronicity with concerning

1084

00:53:55,740 --> 00:53:52,720

Vivian and both of our guests wanted to

1085

00:53:58,650 --> 00:53:55,750

know if Bambi there in the chat room was

1086

00:54:03,330 --> 00:53:58,660

the famous wrestler of the same name so

1087

00:54:05,700 --> 00:54:03,340

perhaps yeah yeah possibly it is and so

1088

00:54:07,470 --> 00:54:05,710

chat back to that effect everybody back

1089

00:54:09,930 --> 00:54:07,480

to their corner because we're on our

1090

00:54:13,110 --> 00:54:09,940

last break and we'll be back in just a

1091

00:54:23,070 --> 00:54:13,120

few minutes with more of exploring the

1092

00:54:29,800 --> 00:54:27,220

now back to exploring the bazaar with

1093

00:54:33,100 --> 00:54:29,810

two of the most electrifying researchers

1094

00:54:44,230 --> 00:54:33,110

in the Paranoid your hosts Timothy Becca

1095

00:54:49,330 --> 00:54:44,240

Lee and to smash in the arena

1096

00:54:50,980 --> 00:54:49,340

can i chime in and say something I've

1097

00:54:55,080 --> 00:54:50,990

got my hand raised brother I swear to

1098

00:54:57,850 --> 00:54:55,090

God I bet are you are you a referee

1099

00:55:01,150 --> 00:54:57,860

hell no angle damn referee out referee

1100

00:55:03,190 --> 00:55:01,160

well with with with you and your other

1101

00:55:04,600 --> 00:55:03,200

partner Tim heaven you're sure and I

1102

00:55:07,000 --> 00:55:04,610

know the Tim Gunn here and there to

1103

00:55:08,950 --> 00:55:07,010

co-host your show you know you guys are

1104

00:55:11,110 --> 00:55:08,960

TNT there's been a hell of a lot of

1105

00:55:15,310 --> 00:55:11,120

dynamite on this show tonight oh yeah

1106

00:55:19,290 --> 00:55:15,320

and you you UFOs are such okay and a

1107

00:55:22,900 --> 00:55:19,300

better topic and especially with what

1108

00:55:26,020 --> 00:55:22,910

the UFO subject how it killed John

1109

00:55:28,420 --> 00:55:26,030

Kennedy and that's the subject a lot of

1110

00:55:32,220 --> 00:55:28,430

people don't even know about or don't

1111

00:55:35,740 --> 00:55:32,230

talk about okay now you say that UFOs

1112

00:55:39,540 --> 00:55:35,750

were responsible for killing Kennedy the

1113

00:55:42,850 --> 00:55:39,550

subject the subject of the US okay

1114

00:55:46,960 --> 00:55:42,860

explain explain to the listeners how

1115

00:55:48,790 --> 00:55:46,970

that is yeah okay well in 1947 we all

1116

00:55:51,490 --> 00:55:48,800

know that the Roswell event happened

1117

00:55:53,350 --> 00:55:51,500

okay and what some people may not

1118

00:55:54,970 --> 00:55:53,360

realize and I have the documents and if

1119

00:55:57,280 --> 00:55:54,980

someone reaches out to me I'm happy to

1120

00:56:00,160 --> 00:55:57,290

forward them to them but there was a

1121

00:56:03,180 --> 00:56:00,170

group moon appointed by Harry Truman

1122

00:56:07,900 --> 00:56:03,190

President Truman a group called mj-12

1123

00:56:12,010 --> 00:56:07,910

majestic 12 the majestic 12 group was

1124

00:56:13,480 --> 00:56:12,020

clipped in order and I'm trying to think

1125

00:56:18,460 --> 00:56:13,490

about the best way to say this they were

1126

00:56:21,250 --> 00:56:18,470

in charge of all of the UFO and / alien

1127

00:56:24,510 --> 00:56:21,260

Intel that our country collected now

1128

00:56:27,610 --> 00:56:24,520

basically what that meant was if we had

1129

00:56:30,100 --> 00:56:27,620

technologies that works as they were in

1130

00:56:32,680 --> 00:56:30,110

charge of getting them figured out

1131

00:56:35,590 --> 00:56:32,690

basically if they we were going to use

1132

00:56:36,400 --> 00:56:35,600

their that technology which we have been

1133

00:56:38,260 --> 00:56:36,410

back engineer

1134

00:56:40,450 --> 00:56:38,270

that's why we got project solar warden

1135

00:56:44,200 --> 00:56:40,460

today but that's we don't have time to

1136

00:56:47,830 --> 00:56:44,210

get into how but John Kennedy so I had a

1137

00:56:50,290 --> 00:56:47,840

UFO sighting when he was in Hyannisport

1138

00:56:53,500 --> 00:56:50,300

he was on his boat and the story goes

1139

00:56:55,420 --> 00:56:53,510

that he saw the UFO with mrs. Kennedy

1140

00:56:58,240 --> 00:56:55,430

and some other individuals I'm sure

1141

00:57:00,760 --> 00:56:58,250

Secret Service and staff members but he

1142

00:57:01,060 --> 00:57:00,770

basically told everyone keep your mouth

1143

00:57:03,430 --> 00:57:01,070

shut

1144

00:57:06,750 --> 00:57:03,440

we didn't see anything and then JFK

1145

00:57:09,730 --> 00:57:06,760

started looking into the u.s. everything

1146

00:57:13,090 --> 00:57:09,740

the subject and he sent a letter to the

1147

00:57:15,040 --> 00:57:13,100

CIA requesting information now if you

1148

00:57:16,840 --> 00:57:15,050

knew anything about JFK basically you

1149

00:57:20,730 --> 00:57:16,850

know you should know that his Secret

1150

00:57:23,830 --> 00:57:20,740

Service code name Worth Lancer and

1151

00:57:26,640 --> 00:57:23,840

there's a document that it exists that

1152

00:57:29,860 --> 00:57:26,650

people say is fake but I think it's real

1153

00:57:32,080 --> 00:57:29,870

it's giving basically giving the order

1154

00:57:34,750 --> 00:57:32,090

to assassinate Johnson because he wanted

1155

00:57:38,860 --> 00:57:34,760

to share or it's believed that he wanted

1156

00:57:41,560 --> 00:57:38,870

to share Intel with the Russians and

1157

00:57:43,510 --> 00:57:41,570

that's something that evidently they

1158

00:57:46,900 --> 00:57:43,520

couldn't let out so evidently that tells

1159

00:57:49,150 --> 00:57:46,910

me there's something so sensitive tied

1160

00:57:52,930 --> 00:57:49,160

up with the USS subject that they were

1161

00:57:55,090 --> 00:57:52,940

willing to kill the president and Tim I

1162

00:57:58,210 --> 00:57:55,100

think I forward you forwarded you those

1163

00:58:00,100 --> 00:57:58,220

documents I've gone I will own but

1164

00:58:02,410 --> 00:58:00,110

that's where it started now Lyndon

1165

00:58:04,120 --> 00:58:02,420

Johnson like I said he did benefit from

1166

00:58:08,380 --> 00:58:04,130

it but it all started with inject work

1167

00:58:14,190 --> 00:58:08,390

so the subject matter is tied up in the

1168

00:58:19,750 --> 00:58:14,200

Kennedy assassination what is tied up

1169

00:58:22,390 --> 00:58:19,760

with the subject yes well well we know

1170

00:58:25,840 --> 00:58:22,400

we know that his brother Robert Kennedy

1171

00:58:28,570 --> 00:58:25,850

was very much interested in the subject

1172

00:58:31,570 --> 00:58:28,580

in fact uh I have in my files a letter

1173

00:58:34,090 --> 00:58:31,580

that he wrote to my first publisher

1174

00:58:36,520 --> 00:58:34,100

actually gray Barker who wrote the book

1175

00:58:38,770 --> 00:58:36,530

they knew about flying saucers about the

1176

00:58:42,820 --> 00:58:38,780

that was the original men in black story

1177

00:58:44,500 --> 00:58:42,830

and Robert Kennedy said in this letter

1178

00:58:47,980 --> 00:58:44,510

to pray that he was very much interested

1179

00:58:50,270 --> 00:58:47,990

in UFOs and extraterrestrials and and so

1180

00:58:53,050 --> 00:58:50,280

forth and that he was

1181

00:58:55,670 --> 00:58:53,060

a card-carrying member of the

1182

00:58:56,660 --> 00:58:55,680

amalgamated Flying Saucer Clubs of

1183

00:59:02,030 --> 00:58:56,670

America

1184

00:59:05,200 --> 00:59:02,040

now a FCA Malmedy fly soca

1185

00:59:09,200 --> 00:59:05,210

Gabriel green was the president of that

1186

00:59:12,430 --> 00:59:09,210

particular group he lived down in Joshua

1187

00:59:17,060 --> 00:59:12,440

Tree in California near the desert and

1188

00:59:23,530 --> 00:59:17,070

actually ran against Robert Kennedy for

1189

00:59:27,350 --> 00:59:23,540

the Senate seat in California the space

1190

00:59:29,330 --> 00:59:27,360

program taken her subjects back and he

1191

00:59:35,060 --> 00:59:29,340

actually got about a hundred and seventy

1192

00:59:38,020 --> 00:59:35,070

five thousand votes so he did he he was

1193

00:59:42,230 --> 00:59:38,030

a figure to contend with and not only

1194

00:59:45,830 --> 00:59:42,240

did he run this UFO a group but he

1195

00:59:49,130 --> 00:59:45,840

claimed to have had UFO contacts in

1196

00:59:51,500 --> 00:59:49,140

himself of course now a lot of

1197

00:59:55,670 --> 00:59:51,510

presidents uh Donny and our other guests

1198

01:00:00,020 --> 00:59:55,680

as well have had some perhaps a little

1199

01:00:02,060 --> 01:00:00,030

bit of shady dealings with the some a

1200

01:00:06,080 --> 01:00:02,070

little bit more forthright than others

1201

01:00:08,960 --> 01:00:06,090

with the UFO a subject you need to be

1202

01:00:13,490 --> 01:00:08,970

Carter of course had a sighting down in

1203

01:00:15,770 --> 01:00:13,500

down in Georgia Plains boy yeah yeah in

1204

01:00:17,630 --> 01:00:15,780

fact it's very interesting you know we

1205

01:00:21,320 --> 01:00:17,640

hear about his report I think they were

1206

01:00:22,790 --> 01:00:21,330

outside of the Alliance Club meeting the

1207

01:00:24,980 --> 01:00:22,800

hall or something that night and they

1208

01:00:27,380 --> 01:00:24,990

appointed at these a couple of objects

1209

01:00:29,900 --> 01:00:27,390

in the sky in a Jimmy admitted that he

1210

01:00:32,870 --> 01:00:29,910

had no explanation for him well later on

1211

01:00:35,570 --> 01:00:32,880

the the hardcore skeptics came out and

1212

01:00:37,880 --> 01:00:35,580

said well they were nothing more than

1213

01:00:40,160 --> 01:00:37,890

the the planet Venus or some other stars

1214

01:00:43,850 --> 01:00:40,170

and so forth well I did a little bit of

1215

01:00:46,430 --> 01:00:43,860

checking Donny on this and it turns out

1216

01:00:49,010 --> 01:00:46,440

that there had been other sightings in

1217

01:00:52,220 --> 01:00:49,020

this particular point was it Plains

1218

01:00:54,550 --> 01:00:52,230

Plains Georgia point Plains yep Plains

1219

01:00:58,490 --> 01:00:54,560

Georgia there had been other sightings

1220

01:01:01,970 --> 01:00:58,500

there around the same time maybe a few

1221

01:01:03,859 --> 01:01:01,980

days or a week in advance including an

1222

01:01:07,940 --> 01:01:03,869

object I guess that had been seen

1223

01:01:13,730 --> 01:01:07,950

mean to have a landed somewhere outside

1224

01:01:18,579 --> 01:01:13,740

of town so this would seem to add a

1225

01:01:21,589 --> 01:01:18,589

little bit of weight to Carter's

1226

01:01:24,489 --> 01:01:21,599

sighting and it's being a little bit

1227

01:01:28,910 --> 01:01:24,499

more than the plate of Venus perhaps and

1228

01:01:30,440 --> 01:01:28,920

another time he was in the in Panama and

1229

01:01:33,859 --> 01:01:30,450

he was taken

1230

01:01:36,370 --> 01:01:33,869

taking off after a some sort of meeting

1231

01:01:39,200 --> 01:01:36,380

in there and he said his helicopter and

1232

01:01:43,849 --> 01:01:39,210

not too far away from the helicopter is

1233

01:01:46,579 --> 01:01:43,859

a UFO in the sky and now the photograph

1234

01:01:49,190 --> 01:01:46,589

and I talked to the lady who who took it

1235

01:01:51,220 --> 01:01:49,200

I don't remember her name or anything

1236

01:01:56,450 --> 01:01:51,230

although it's detailed in one of my

1237

01:01:59,359 --> 01:01:56,460

special reports sent a copy I guess they

1238

01:02:00,980 --> 01:01:59,369

would it to Carter to see if maybe you'd

1239

01:02:02,960 --> 01:02:00,990

seen anything I would verify it

1240

01:02:04,670 --> 01:02:02,970

and I don't think he ever got back to

1241

01:02:08,089 --> 01:02:04,680

her outside of maybe thanking her for

1242

01:02:12,670 --> 01:02:08,099

the photograph but the picture is in the

1243

01:02:15,249 --> 01:02:12,680

Carter a library with I don't think any

1244

01:02:17,450 --> 01:02:15,259

explanation for it it just says simply

1245

01:02:23,079 --> 01:02:17,460

you know UFOs

1246

01:02:26,390 --> 01:02:23,089

now I got mixed up in a presidential UFO

1247

01:02:30,460 --> 01:02:26,400

situation just recently there is a

1248

01:02:34,910 --> 01:02:30,470

magazine out of England called 14 times

1249

01:02:37,539 --> 01:02:34,920

named after Lee yeah the great Charles

1250

01:02:40,160 --> 01:02:37,549

Ford who was the grandfather of the

1251

01:02:44,420 --> 01:02:40,170

supernatural and the paranormal he spent

1252

01:02:46,729 --> 01:02:44,430

most of his life in the library going

1253

01:02:51,259 --> 01:02:46,739

through the scientific papers and old

1254

01:02:54,789 --> 01:02:51,269

news clippings getting at UFO stories

1255

01:02:57,380 --> 01:02:54,799

and in just odd things the Falls of

1256

01:03:02,029 --> 01:02:57,390

objects from the sky such as ice and

1257

01:03:04,519 --> 01:03:02,039

fish and frogs and God knows what else

1258

01:03:07,220 --> 01:03:04,529

anyway the 14 times his British magazine

1259

01:03:09,229 --> 01:03:07,230

is named after him well there's a story

1260

01:03:14,019 --> 01:03:09,239

in the current issue on the cover is a

1261

01:03:17,670 --> 01:03:14,029

very colorful adaptation painting of

1262

01:03:20,940 --> 01:03:17,680

Richard Nixon and the great

1263

01:03:23,490 --> 01:03:20,950

comedian Jackie Gleason who of course is

1264

01:03:27,240 --> 01:03:23,500

law I know this story yeah yeah okay a

1265

01:03:31,140 --> 01:03:27,250

start in the TV series the honeymooners

1266

01:03:33,810 --> 01:03:31,150

and and and the story goes which somehow

1267

01:03:36,600 --> 01:03:33,820

I'm getting getting a credit for is if I

1268

01:03:40,170 --> 01:03:36,610

had made it up myself and was promoting

1269

01:03:41,940 --> 01:03:40,180

it I simply just you know I came up with

1270

01:03:45,390 --> 01:03:41,950

the the sources and what other people

1271

01:03:47,520 --> 01:03:45,400

told me in and quoted them accordingly

1272

01:03:50,400 --> 01:03:47,530

that one night Jackie Gleason after they

1273

01:03:52,050 --> 01:03:50,410

hit he had played 18 holes of golf with

1274

01:03:55,350 --> 01:03:52,060

the president makes it apparently they

1275

01:03:57,480 --> 01:03:55,360

were golfing buddies Nixon showed up at

1276

01:04:00,620 --> 01:03:57,490

his home one night knocked on the door

1277

01:04:02,960 --> 01:04:00,630

like it midnight took him out to the

1278

01:04:05,940 --> 01:04:02,970

local air force base which i think is

1279

01:04:08,880 --> 01:04:05,950

Andrews there in Florida they passed the

1280

01:04:11,030 --> 01:04:08,890

security guards yeah before they they

1281

01:04:15,720 --> 01:04:11,040

passed the security guards because they

1282

01:04:17,250 --> 01:04:15,730

recognized the president which I kind of

1283

01:04:20,340 --> 01:04:17,260

find difficult for me but that's the

1284

01:04:23,640 --> 01:04:20,350

story and Nixon according to this

1285

01:04:26,820 --> 01:04:23,650

account told my Jackie Gleason's ex-wife

1286

01:04:29,070 --> 01:04:26,830

by the way it was taken to a back hangar

1287

01:04:33,480 --> 01:04:29,080

and escorted inside by the President and

1288

01:04:36,030 --> 01:04:33,490

taken over to a deep freezer of some

1289

01:04:39,930 --> 01:04:36,040

sort opened it up and there inside was

1290

01:04:41,970 --> 01:04:39,940

at least one if not more alien bodies

1291

01:04:46,110 --> 01:04:41,980

supposedly from Roswell or from some

1292

01:04:48,530 --> 01:04:46,120

other UFO crash well the story has been

1293

01:04:52,280 --> 01:04:48,540

repeated many times it's all over the

1294

01:04:55,950 --> 01:04:52,290

internet there's there's no real way of

1295

01:04:58,290 --> 01:04:55,960

proving it or disproving it Jackie

1296

01:05:01,770 --> 01:04:58,300

Gleason the courses long the deceased

1297

01:05:03,030 --> 01:05:01,780

and Richard Nixon of course is no longer

1298

01:05:05,550 --> 01:05:03,040

with us either

1299

01:05:07,740 --> 01:05:05,560

and whatever Nixon said towards the

1300

01:05:11,070 --> 01:05:07,750

latter days of his life I don't know if

1301

01:05:13,380 --> 01:05:11,080

anybody would accept it or not but there

1302

01:05:16,380 --> 01:05:13,390

are a lot of celebrities who have had a

1303

01:05:20,190 --> 01:05:16,390

UFO experiences and Jackie Gleason was a

1304

01:05:24,510 --> 01:05:20,200

big fan of the subject he used to appear

1305

01:05:26,970 --> 01:05:24,520

as a guest in the wee hours on wor radio

1306

01:05:30,390 --> 01:05:26,980

in New York on the Long John double show

1307

01:05:31,470 --> 01:05:30,400

and he has quite a paranormal collection

1308

01:05:33,840 --> 01:05:31,480

in fact as a you

1309

01:05:35,880 --> 01:05:33,850

he ordered some of my first book sent me

1310

01:05:39,090 --> 01:05:35,890

a check on his land this letterhead and

1311

01:05:40,740 --> 01:05:39,100

so forth and has a quite a collection

1312

01:05:43,950 --> 01:05:40,750

that you can find in the University of

1313

01:05:47,550 --> 01:05:43,960

Miami of well over a thousand books and

1314

01:05:49,680 --> 01:05:47,560

personal papers on the subject so people

1315

01:05:53,070 --> 01:05:49,690

from all walks of life presidents and

1316

01:05:58,230 --> 01:05:53,080

non presidents and and entertainers have

1317

01:06:02,670 --> 01:05:58,240

had UFO experiences no doubt about it

1318

01:06:04,410 --> 01:06:02,680

no nice oh you talk about President

1319

01:06:07,020 --> 01:06:04,420

Lincoln you're talking about doesn't it

1320

01:06:10,890 --> 01:06:07,030

Nixon are you aware of the story of

1321

01:06:13,200 --> 01:06:10,900

value or hello of course III okay rank

1322

01:06:15,930 --> 01:06:13,210

strange Nixon who was that yeah Megan

1323

01:06:18,750 --> 01:06:15,940

was yeah friend of mine yeah Nixon was

1324

01:06:22,100 --> 01:06:18,760

the vice president when Valiant showed

1325

01:06:26,310 --> 01:06:22,110

up so Nixon got into this subject early

1326

01:06:28,140 --> 01:06:26,320

as the vice president so Nixon is a lot

1327

01:06:32,000 --> 01:06:28,150

that's a that's a court that's according

1328

01:06:35,010 --> 01:06:32,010

to the story again we latter yeah yeah

1329

01:06:37,140 --> 01:06:35,020

yeah yeah well though there recently I

1330

01:06:40,020 --> 01:06:37,150

guess you know who Linda Moulton Howe is

1331

01:06:43,140 --> 01:06:40,030

there there's a story and she yeah yeah

1332

01:06:46,500 --> 01:06:43,150

there's a story that she told on her or

1333

01:06:49,170 --> 01:06:46,510

maybe on coast to coast about how Nixon

1334

01:06:52,860 --> 01:06:49,180

actually had written a letter and and

1335

01:06:55,800 --> 01:06:52,870

stuffs it away somewhere in the a White

1336

01:06:58,770 --> 01:06:55,810

House and and that's supposedly in some

1337

01:07:00,630 --> 01:06:58,780

future date something to do with the

1338

01:07:02,610 --> 01:07:00,640

passing I think of Henry Kissinger but I

1339

01:07:06,090 --> 01:07:02,620

don't have the story you know

1340

01:07:08,340 --> 01:07:06,100

now in fact supposedly the somebody will

1341

01:07:12,600 --> 01:07:08,350

find the letter and will reveal that it

1342

01:07:14,760 --> 01:07:12,610

deals with an alien you know in invasion

1343

01:07:16,830 --> 01:07:14,770

or so I mean do you do you think if

1344

01:07:19,740 --> 01:07:16,840

there are Donny if there are aliens here

1345

01:07:23,280 --> 01:07:19,750

that there that are hostile or friendly

1346

01:07:25,020 --> 01:07:23,290

or no well first things first

1347

01:07:26,550 --> 01:07:25,030

everybody talks about is some kind of

1348

01:07:29,160 --> 01:07:26,560

alien invasion because they're looking

1349

01:07:31,980 --> 01:07:29,170

at the movie well let me pay this it's

1350

01:07:35,790 --> 01:07:31,990

already happened in my opinion and this

1351

01:07:39,840 --> 01:07:35,800

is what I mean when President Eisenhower

1352

01:07:42,690 --> 01:07:39,850

met with some alleged let me make sure

1353

01:07:43,290 --> 01:07:42,700

it's like this word clearly alleged

1354

01:07:45,570 --> 01:07:43,300

being

1355

01:07:48,390 --> 01:07:45,580

at Holloman Air Force Base the treaty

1356

01:07:52,170 --> 01:07:48,400

was made right then that Eisenhower

1357

01:07:55,980 --> 01:07:52,180

would it give them something for

1358

01:07:59,400 --> 01:07:55,990

technology help with technology and

1359

01:08:02,850 --> 01:07:59,410

that's when the abductions phenomena

1360

01:08:05,460 --> 01:08:02,860

started so you have to gather that

1361

01:08:07,380 --> 01:08:05,470

that's what he promised them know why I

1362

01:08:09,840 --> 01:08:07,390

don't know of course I don't know but

1363

01:08:11,550 --> 01:08:09,850

there's no way for me to go back in time

1364

01:08:13,410 --> 01:08:11,560

because I can't I'm sorry I won't find

1365

01:08:17,640 --> 01:08:13,420

out what's going on but that's the story

1366

01:08:20,340 --> 01:08:17,650

that Laura Eisenhower is telling well I

1367

01:08:22,440 --> 01:08:20,350

you know I have to say this but I don't

1368

01:08:25,590 --> 01:08:22,450

even know I don't even know for a fact

1369

01:08:27,570 --> 01:08:25,600

that Laura is really related to

1370

01:08:29,630 --> 01:08:27,580

President Eisenhower I don't know

1371

01:08:32,250 --> 01:08:29,640

mm-hmm if that is actually that

1372

01:08:35,670 --> 01:08:32,260

substantiated but you know I did want to

1373

01:08:38,820 --> 01:08:35,680

mention that Vivian and I we went to a

1374

01:08:42,599 --> 01:08:38,830

couple of times to like oh I think st.

1375

01:08:44,900 --> 01:08:42,609

Martin's and help me out here saved um

1376

01:08:47,579 --> 01:08:44,910

what's the other island down there this

1377

01:08:49,110 --> 01:08:47,589

chimera converging islands well of

1378

01:08:53,340 --> 01:08:49,120

course like me in the Mesa

1379

01:08:54,990 --> 01:08:53,350

don't you dare a couple of times and we

1380

01:08:56,579 --> 01:08:55,000

would we would spend a you know like a

1381

01:08:59,640 --> 01:08:56,589

couple hours on the beach at night

1382

01:09:05,400 --> 01:08:59,650

looking up in the sky oh and we also

1383

01:09:07,470 --> 01:09:05,410

went to the Chichen Itza for they have a

1384

01:09:09,180 --> 01:09:07,480

light and sound show and of course

1385

01:09:11,760 --> 01:09:09,190

they've had a lot of UFO sightings over

1386

01:09:14,039 --> 01:09:11,770

over there you know she was the

1387

01:09:16,829 --> 01:09:14,049

fascinated in the subject but not so

1388

01:09:20,039 --> 01:09:16,839

much as with her her magic and all and

1389

01:09:24,660 --> 01:09:20,049

she kept you know she did keep a diary

1390

01:09:27,090 --> 01:09:24,670

that of of a lot of her experiences and

1391

01:09:28,650 --> 01:09:27,100

stuff did you ever come across that or

1392

01:09:31,800 --> 01:09:28,660

see any of her other papers that she

1393

01:09:33,660 --> 01:09:31,810

might have had no actually I haven't

1394

01:09:36,090 --> 01:09:33,670

even I didn't even know she had that I

1395

01:09:39,059 --> 01:09:36,100

knew that she liked to write poems yeah

1396

01:09:42,690 --> 01:09:39,069

she she she loved poetry but I didn't

1397

01:09:44,460 --> 01:09:42,700

know about his diary yeah well yeah yeah

1398

01:09:48,870 --> 01:09:44,470

boy I don't you know was kind of a

1399

01:09:55,080 --> 01:09:48,880

sporadic thing I would I think to some

1400

01:09:56,510 --> 01:09:55,090

you know its extent you know I I looked

1401

01:09:58,730 --> 01:09:56,520

at it

1402

01:10:00,980 --> 01:09:58,740

times when I and she would try to

1403

01:10:02,630 --> 01:10:00,990

explain it to me but she was much more

1404

01:10:06,800 --> 01:10:02,640

into the map you know the magical

1405

01:10:10,160 --> 01:10:06,810

aspects of this then then I was I kind

1406

01:10:13,240 --> 01:10:10,170

of fought kind of found it difficult to

1407

01:10:17,600 --> 01:10:13,250

follow a lot of the rituals and things

1408

01:10:21,680 --> 01:10:17,610

you know like that she did work she did

1409

01:10:23,240 --> 01:10:21,690

work at a psychic center in a bookstore

1410

01:10:26,270 --> 01:10:23,250

yeah

1411

01:10:28,070 --> 01:10:26,280

New Age books and things and I remember

1412

01:10:30,680 --> 01:10:28,080

there's actually an article that I wrote

1413

01:10:37,310 --> 01:10:30,690

there was a guy who came into a Fort

1414

01:10:40,310 --> 01:10:37,320

Lauderdale who had a some kind of light

1415

01:10:43,720 --> 01:10:40,320

and sound show that was self-contained

1416

01:10:47,440 --> 01:10:43,730

and you put this headset on and

1417

01:10:51,380 --> 01:10:47,450

apparently it would alter your

1418

01:10:54,920 --> 01:10:51,390

consciousness I mean I tried it and I

1419

01:10:59,750 --> 01:10:54,930

didn't quite get the any great sensation

1420

01:11:02,960 --> 01:10:59,760

out of it sort of a flotation tank you

1421

01:11:08,690 --> 01:11:02,970

know without the boat engine flotation

1422

01:11:10,330 --> 01:11:08,700

device but I remember that Vivint you

1423

01:11:13,630 --> 01:11:10,340

know she couldn't she couldn't get a

1424

01:11:16,610 --> 01:11:13,640

enough of it well I think she was very

1425

01:11:19,640 --> 01:11:16,620

sensitized I guess as a lot of psychics

1426

01:11:22,610 --> 01:11:19,650

would be too to the other to the other

1427

01:11:26,090 --> 01:11:22,620

senses maybe more so than a lot of

1428

01:11:29,540 --> 01:11:26,100

people including myself might might be

1429

01:11:32,840 --> 01:11:29,550

you know yeah so what what what did she

1430

01:11:33,820 --> 01:11:32,850

I mean towards like somehow I like I

1431

01:11:36,710 --> 01:11:33,830

said I talked to her on the telephone

1432

01:11:40,340 --> 01:11:36,720

towards the the end there but she was

1433

01:11:43,640 --> 01:11:40,350

very very ill and we didn't yeah we

1434

01:11:45,950 --> 01:11:43,650

didn't really talk all that much I mean

1435

01:11:47,990 --> 01:11:45,960

what was her general feeling about the

1436

01:11:49,490 --> 01:11:48,000

you know the fact that she would she

1437

01:11:52,610 --> 01:11:49,500

must have known that she was getting a

1438

01:11:56,090 --> 01:11:52,620

ill yes oh yeah she knew she knew when

1439

01:12:00,050 --> 01:11:56,100

actually there was one one time that she

1440

01:12:02,480 --> 01:12:00,060

told me that she actually had passed and

1441

01:12:05,510 --> 01:12:02,490

this was a rather remarkable I thought

1442

01:12:10,010 --> 01:12:05,520

hearing it from Vivian she said that she

1443

01:12:11,960 --> 01:12:10,020

passed away but there was nothing there

1444

01:12:15,200 --> 01:12:11,970

she crossed the other side and this was

1445

01:12:18,500 --> 01:12:15,210

coming from her she didn't see anything

1446

01:12:19,640 --> 01:12:18,510

she said you gotta give me something you

1447

01:12:22,160 --> 01:12:19,650

got to give me something or else I'm not

1448

01:12:25,220 --> 01:12:22,170

gonna go and so she brought herself back

1449

01:12:27,710 --> 01:12:25,230

to life because when she crossed over

1450

01:12:29,900 --> 01:12:27,720

she's got nothing and she was telling

1451

01:12:31,100 --> 01:12:29,910

you the story and I thought wow you know

1452

01:12:33,680 --> 01:12:31,110

I don't I don't know whether to believe

1453

01:12:36,050 --> 01:12:33,690

her but it was real when she was telling

1454

01:12:40,580 --> 01:12:36,060

me about it it felt like she had a real

1455

01:12:43,640 --> 01:12:40,590

experience and and and and that was one

1456

01:12:45,920 --> 01:12:43,650

of the things that that really that

1457

01:12:46,810 --> 01:12:45,930

really stayed with me from from when she

1458

01:12:50,060 --> 01:12:46,820

shared it

1459

01:12:53,360 --> 01:12:50,070

well it seems from that met that printed

1460

01:12:56,300 --> 01:12:53,370

memo that I got today

1461

01:12:59,090 --> 01:12:56,310

follow-up appointment with Vivian you

1462

01:13:02,420 --> 01:12:59,100

know it's always it's always too subtle

1463

01:13:05,120 --> 01:13:02,430

things that seemed to a to point in this

1464

01:13:09,170 --> 01:13:05,130

you know the direction of there's either

1465

01:13:12,680 --> 01:13:09,180

a parallel universe or a simulated or a

1466

01:13:14,150 --> 01:13:12,690

reality I mean philip k dick who I wrote

1467

01:13:16,460 --> 01:13:14,160

a book about recently including my own

1468

01:13:19,400 --> 01:13:16,470

synchronicities was a big believer in

1469

01:13:21,590 --> 01:13:19,410

parallel universes and the fact that we

1470

01:13:25,160 --> 01:13:21,600

were all part of the real matrix that

1471

01:13:27,080 --> 01:13:25,170

this is all a computer simulation and

1472

01:13:29,870 --> 01:13:27,090

you know it well it sounds totally

1473

01:13:32,180 --> 01:13:29,880

bizarre but when you think about it you

1474

01:13:37,190 --> 01:13:32,190

know it seems like we are getting closer

1475

01:13:39,500 --> 01:13:37,200

in closer to developing you know a

1476

01:13:43,070 --> 01:13:39,510

computers and robotics to the point

1477

01:13:47,450 --> 01:13:43,080

where we may be able to create a

1478

01:13:50,990 --> 01:13:47,460

universe order and it it could it could

1479

01:13:52,940 --> 01:13:51,000

be a Dottie that these crafts or our

1480

01:13:56,030 --> 01:13:52,950

vehicles from this parallel universe or

1481

01:13:57,500 --> 01:13:56,040

from this matrix and they realize what

1482

01:13:59,870 --> 01:13:57,510

we are doing and I don't know whether

1483

01:14:02,860 --> 01:13:59,880

they want to help us or or hinder us or

1484

01:14:05,750 --> 01:14:02,870

and maybe have no regard for us what

1485

01:14:07,580 --> 01:14:05,760

whatsoever but I did have I remember

1486

01:14:10,220 --> 01:14:07,590

another paranormal experience with

1487

01:14:14,210 --> 01:14:10,230

Vivian I met her mother a few times very

1488

01:14:16,370 --> 01:14:14,220

charming lady and that we were in I

1489

01:14:20,530 --> 01:14:16,380

guess the house you know it was a house

1490

01:14:23,390 --> 01:14:20,540

the apartment there that was a I guess

1491

01:14:23,830 --> 01:14:23,400

you know Jared carried it but from her

1492

01:14:28,570 --> 01:14:23,840

mother

1493

01:14:33,250 --> 01:14:28,580

yeah and yeah and we were just talking I

1494

01:14:36,220 --> 01:14:33,260

did in the subject of her Suzanne's a a

1495

01:14:39,160 --> 01:14:36,230

dad came up and I don't remember even in

1496

01:14:42,630 --> 01:14:39,170

what context and I began just singing

1497

01:14:45,400 --> 01:14:42,640

like done me singing a song out of

1498

01:14:48,100 --> 01:14:45,410

nowhere or humming a few bars or like

1499

01:14:52,270 --> 01:14:48,110

seeing really but humming a few bars of

1500

01:14:54,520 --> 01:14:52,280

the of some song can't remember what it

1501
01:14:57,580 --> 01:14:54,530
is laughs had and her mother looked a

1502
01:14:59,920 --> 01:14:57,590
very a gas at me because it turns out

1503
01:15:03,700 --> 01:14:59,930
that it was her husband's favorite song

1504
01:15:06,370 --> 01:15:03,710
oh okay well it's these little things

1505
01:15:09,940 --> 01:15:06,380
that seem to count now I was in the

1506
01:15:12,160 --> 01:15:09,950
hospital I to get a um pacemaker or I

1507
01:15:15,250 --> 01:15:12,170
was having trouble breathing and you

1508
01:15:17,620 --> 01:15:15,260
know things were going south and so to

1509
01:15:19,600 --> 01:15:17,630
speak and I had never been in this

1510
01:15:22,830 --> 01:15:19,610
particular hospital before in fact I

1511
01:15:25,630 --> 01:15:22,840
haven't gotten a hospital in ages and

1512
01:15:27,400 --> 01:15:25,640
doctor comes out of me a comes up to me

1513
01:15:31,150 --> 01:15:27,410

I had no idea who he was and he said oh

1514

01:15:33,070 --> 01:15:31,160

are you Timothy green and I looked at

1515

01:15:34,840 --> 01:15:33,080

him and I said well how do you know what

1516

01:15:36,340 --> 01:15:34,850

my middle name is cuz it was nothing on

1517

01:15:39,880 --> 01:15:36,350

my charts nothing in the hospital

1518

01:15:42,940 --> 01:15:39,890

records only my mother called my mother

1519

01:15:45,310 --> 01:15:42,950

and my sister called me to make green so

1520

01:15:46,510 --> 01:15:45,320

I thought to myself well this has got to

1521

01:15:48,570 --> 01:15:46,520

be a message

1522

01:15:50,830 --> 01:15:48,580

you know from either my mom or my sister

1523

01:15:53,560 --> 01:15:50,840

telling me not to be a frightened or

1524

01:15:55,240 --> 01:15:53,570

telling me to be you know deadly aware I

1525

01:15:58,120 --> 01:15:55,250

don't know you could take it that either

1526

01:16:00,760 --> 01:15:58,130

way I suppose and the doctor not being

1527

01:16:02,650 --> 01:16:00,770

high on the consciousness Cosmic

1528

01:16:05,350 --> 01:16:02,660

Consciousness level looks at me and I

1529

01:16:07,540 --> 01:16:05,360

said oh that must have been the name of

1530

01:16:08,920 --> 01:16:07,550

a doctor I was talking down talking

1531

01:16:10,620 --> 01:16:08,930

through it the other end of the room

1532

01:16:13,330 --> 01:16:10,630

well that's preposterous

1533

01:16:16,630 --> 01:16:13,340

that's his phosphorous or some of the

1534

01:16:19,890 --> 01:16:16,640

UFO explanations that we hear anyway you

1535

01:16:23,710 --> 01:16:19,900

know we are coming up on the end of this

1536

01:16:26,200 --> 01:16:23,720

star-studded program and I want to give

1537

01:16:30,850 --> 01:16:26,210

each of our guests the opportunity to

1538

01:16:32,460 --> 01:16:30,860

tell us where the audience of listeners

1539

01:16:37,270 --> 01:16:32,470

might be able to get in touch with them

1540

01:16:39,040 --> 01:16:37,280

and so terrific why don't you tell us

1541

01:16:43,510 --> 01:16:39,050

what you're planning for the very near

1542

01:16:46,660 --> 01:16:43,520

future and I know you have some practice

1543

01:16:48,129 --> 01:16:46,670

on YouTube yeah and uh and your

1544

01:16:50,740 --> 01:16:48,139

listeners can actually follow me on

1545
