[Music]

2
00:00:43,829 --> 00:00:41,139

explode the bazaars are your e-ticket

3
00:00:47,110 --> 00:00:43,839

ride into the world of the paranoid

4
00:00:51,419 --> 00:00:47,120

strap yourself in as we traverse the

5
00:00:54,539 --> 00:00:51,429

universe exploring the unexplained UFO s

6
00:00:56,920 --> 00:00:54,549

ghosts Lost Worlds

7
00:01:00,759 --> 00:00:56,930

cryptozoology waters as well as other

8
00:01:05,770 --> 00:01:00,769

dimensions it's time to take back the

9
00:01:08,830 --> 00:01:05,780

NASA night now your electrifying hosts

10
00:01:15,999 --> 00:01:08,840

of exploring the bizarre Timothy Begley

11
00:01:18,820 --> 00:01:16,009

and team sports TS look at all these

12
00:01:20,919 --> 00:01:18,830

fireballs they seem to be circling all

13
00:01:23,320 --> 00:01:20,929

around this are we the only ones have

14

00:01:26,080 --> 00:01:23,330

been attacked by these things no I doubt

15

00:01:28,600 --> 00:01:26,090

that are they dangerous or just curious

16

00:01:30,070 --> 00:01:28,610

I think that one of our guests tonight

17

00:01:32,169 --> 00:01:30,080

may be able to answer those questions

18

00:01:35,070 --> 00:01:32,179

boy I sure hope so

19

00:01:38,080 --> 00:01:35,080

you know how easily frightened I can get

20

00:01:40,179 --> 00:01:38,090

well that's not what I've heard didn't

21

00:01:42,190 --> 00:01:40,189

you once ride with a famous motorcycle

22

00:01:47,139 --> 00:01:42,200

club if that's fake news then fake

23

00:01:51,070 --> 00:01:47,149

totally fake news born to be wild all

24

00:01:53,710 --> 00:01:51,080

right anyway there go the fireballs of

25

00:01:54,339 --> 00:01:53,720

circling some more so Tim what do you

26

00:01:58,150 --> 00:01:54,349

been up to

27

00:02:01,900 --> 00:01:58,160

oh just trying to stay cool and me as

28

00:02:06,609 --> 00:02:01,910

southern Indiana Heat you know how hot

29

00:02:08,380 --> 00:02:06,619

has it got in Jasper well it as they

30

00:02:11,280 --> 00:02:08,390

always say it's not so much the heat

31

00:02:18,000 --> 00:02:15,790

my my beloved friend there Helen who

32

00:02:22,960 --> 00:02:18,010

lives in some small town in California

33

00:02:26,020 --> 00:02:22,970

the temperature has hit as high as 113

34

00:02:28,570 --> 00:02:26,030

degrees this week ouch no it hasn't been

35

00:02:30,670 --> 00:02:28,580

that bad here yeah yeah well we we've

36

00:02:35,110 --> 00:02:30,680

had constant rain and flooding you've

37

00:02:38,670 --> 00:02:35,120

probably seen that on the on a TV I mean

38

00:02:41,470 --> 00:02:38,680

they're huge sinkholes opening up and

39

00:02:45,370 --> 00:02:41,480

people's cars they're floating away

40

00:02:48,100 --> 00:02:45,380

causing lots and lots of damage it just

41

00:02:50,690 --> 00:02:48,110

seems like the the weather is out of

42

00:02:54,380 --> 00:02:50,700

control and the earth is spinning

43

00:02:58,309 --> 00:02:54,390

on its axis well that's because there's

44

00:03:02,089 --> 00:02:58,319

going to be a lunar eclipse tomorrow

45

00:03:03,229 --> 00:03:02,099

night Tim oh really yeah well we're not

46

00:03:06,220 --> 00:03:03,239

going to see it it's gonna be on the

47

00:03:12,170 --> 00:03:06,230

other side it's like the the longest

48

00:03:15,830 --> 00:03:12,180

lunar eclipse we've got maybe until like

49

00:03:20,630 --> 00:03:15,840

what 20 30 years from now so we have to

50

00:03:24,410 --> 00:03:20,640

go down below the Southern Cross let's

51
00:03:28,420 --> 00:03:24,420
see Africa Asia places like that we'll

52
00:03:30,979 --> 00:03:28,430
be able to see it well I'm on my jet but

53
00:03:33,650 --> 00:03:30,989
anyway we've it we've been busy working

54
00:03:37,330 --> 00:03:33,660
on a number of books we have a very

55
00:03:40,820 --> 00:03:37,340
exciting title coming out and just say a

56
00:03:44,900 --> 00:03:40,830
couple of weeks it's I won't say it's

57
00:03:50,570 --> 00:03:44,910
for an adult adults only but it involves

58
00:03:53,930 --> 00:03:50,580
all the cases of of an adult nature I

59
00:03:56,720 --> 00:03:53,940
mean it's the sex of terrestrials is

60
00:04:01,580 --> 00:03:56,730
we're giving all these beings who seem

61
00:04:03,890 --> 00:04:01,590
to have a liking towards Earthlings so

62
00:04:07,550 --> 00:04:03,900
then we're you know it started out as a

63
00:04:12,370 --> 00:04:07,560

small a book like most of our books and

64

00:04:15,349 --> 00:04:12,380

it's now well over 400 pages oh my gosh

65

00:04:17,690 --> 00:04:15,359

we give you it we give you a suitcase

66

00:04:19,159 --> 00:04:17,700

with every one that you buy that's right

67

00:04:24,590 --> 00:04:19,169

well you know it's one of those subjects

68

00:04:26,240 --> 00:04:24,600

that has totally yeah yeah well you know

69

00:04:27,980 --> 00:04:26,250

it's it's it's been associated with a

70

00:04:29,390 --> 00:04:27,990

phenomena you know for the very

71

00:04:31,190 --> 00:04:29,400

beginning but I think a lot of

72

00:04:34,219 --> 00:04:31,200

researchers you know have shied away

73

00:04:37,250 --> 00:04:34,229

from it just because of the you know the

74

00:04:39,920 --> 00:04:37,260

the exploitive nature yeah well it is

75

00:04:42,500 --> 00:04:39,930

but we we do exploit things every once

76

00:04:45,350 --> 00:04:42,510

in a while and hope it'll be a popular

77

00:04:48,379 --> 00:04:45,360

title but in the meantime we've also got

78

00:04:50,420 --> 00:04:48,389

our UFO hostility book that's been out

79

00:04:53,540 --> 00:04:50,430

for a couple of weeks and you know

80

00:04:56,510 --> 00:04:53,550

what's really a blockbuster sales is is

81

00:04:58,850 --> 00:04:56,520

the secret diary of Admiral Byrd I just

82

00:05:02,210 --> 00:04:58,860

it's phenomenal the number of copies

83

00:05:03,590 --> 00:05:02,220

that are sold every month on Amazon

84

00:05:07,130 --> 00:05:03,600

anything with Admiral Byrd

85

00:05:09,020 --> 00:05:07,140

in the title seems to just fly fly out

86

00:05:11,360 --> 00:05:09,030

the door or fly off the printing press

87

00:05:14,990 --> 00:05:11,370

or wherever flies but anyway enough of

88

00:05:18,230 --> 00:05:15,000

our ranting and raving I'm sure the

89

00:05:21,850 --> 00:05:18,240

audience didn't tune in just to hear you

90

00:05:24,560 --> 00:05:21,860

and I mesmerized them I'm sure they're

91

00:05:26,840 --> 00:05:24,570

happy when we finally get to our guests

92

00:05:30,610 --> 00:05:26,850

and we've got two very fascinating

93

00:05:34,250 --> 00:05:30,620

guests the tonight we're climbing we're

94

00:05:37,340 --> 00:05:34,260

climbing up the ladder of respectability

95

00:05:40,910 --> 00:05:37,350

here I think because we have but two

96

00:05:43,370 --> 00:05:40,920

individuals who are certainly more have

97

00:05:46,160 --> 00:05:43,380

credibility they have a good credibility

98

00:05:49,070 --> 00:05:46,170

of factor that's right that's right well

99

00:05:51,980 --> 00:05:49,080

I'm really happy tonight because we have

100

00:05:55,310 --> 00:05:51,990

00:05:58,300 --> 00:05:55,320

159

00:08:59,250 --> 00:08:56,950

non-human intelligence at their family

160

00:09:03,269 --> 00:08:59,260

home all these family members have also

161

00:09:05,819 --> 00:09:03,279

162

00:09:09,810 --> 00:09:05,829

time with a football stadium sized craft

163

00:09:12,150 --> 00:09:09,820

wow that was a distance of only 30 feet

164

00:09:14,519 --> 00:09:12,160

from Ray and his daughter and three

00:09:24,630 --> 00:09:22,450

paranormal experiences now all of these

170

00:09:27,870 --> 00:09:24,640

contact experiences began in March of

171

00:09:29,670 --> 00:09:27,880

2012 before these experiences were a was

172

00:09:30,480 --> 00:09:29,680

totally ignorant of UFOs and the

173

00:09:34,530 --> 00:09:30,490

paranormal

174

00:09:36,870 --> 00:09:34,540

and was a atheist material rationalist

175

00:09:39,240 --> 00:09:36,880

but has been completely transformed by

176

00:09:41,880 --> 00:09:39,250

his experiences now Rey is one of the

177

00:09:44,940 --> 00:09:41,890

editors of the new book published by

178

00:09:47,900 --> 00:09:44,950

free called beyond UFOs the science of

179

00:09:50,970 --> 00:09:47,910

consciousness and contact with non-human

180

00:09:53,220 --> 00:09:50,980

intelligence so dr. Scott ray Fernandez

181

00:09:57,300 --> 00:09:53,230

182

00:10:00,780 --> 00:09:57,310

183

00:10:02,100 --> 00:10:00,790

got it thank you good evening good

184

00:10:04,380 --> 00:10:02,110

evening to both of our guests this is

185

00:10:07,490 --> 00:10:04,390

Tim Buckley here and I what I went to

186

00:10:09,660 --> 00:10:07,500

started out with a question for Irena

187

00:10:11,490 --> 00:10:09,670

we've had you on the show I think you've

188

00:10:15,269 --> 00:10:11,500

been on three times before and you've

189

00:10:17,760 --> 00:10:15,279

made a very articulate scientific study

190

00:10:23,010 --> 00:10:17,770

of the phenomena probably more so than a

191

00:10:24,870 --> 00:10:23,020

lot of people you know have but this new

192

00:10:28,230 --> 00:10:24,880

book deals with there's something I'm

193

00:10:31,019 --> 00:10:28,240

not quite them familiar with can you

194

00:10:36,240 --> 00:10:31,029

describe but what phenomena is that

195

00:10:39,420 --> 00:10:36,250

exactly you're referring to well one

196

00:10:48,720 --> 00:10:39,430

thing I was emphasizing in my book was

197

00:10:51,600 --> 00:10:48,730

the that one thing my book does is to

198

00:10:54,600 --> 00:10:51,610

try to invalidate the idea that euro

199

00:11:02,340 --> 00:10:54,610

phenomena is unacceptable with science

200

00:11:05,670 --> 00:11:02,350

and I did this by saying that scientists

201
00:11:08,430 --> 00:11:05,680
do see UFOs one of the arguments against

202
00:11:11,310 --> 00:11:08,440
your foes is that scientists do not see

203
00:11:13,230 --> 00:11:11,320
him and there's no publication about him

204
00:11:17,160 --> 00:11:13,240
in a peer-reviewed scientific literature

205
00:11:19,290 --> 00:11:17,170
and so I tried to refute this and I

206
00:11:24,000 --> 00:11:19,300
included a number of examples of

207
00:11:28,940 --> 00:11:24,010
scientists who have seen UFOs and some

208
00:11:33,060 --> 00:11:28,950
of them had repeats sightings and I also

209
00:11:35,040 --> 00:11:33,070
mentioned peer review sent peer-reviewed

210
00:11:38,250 --> 00:11:35,050
publications the scientific literature

211
00:11:43,980 --> 00:11:38,260
which I had five of so I was saying that

212
00:11:45,630 --> 00:11:43,990
it is acceptable to science and it also

213
00:11:51,630 --> 00:11:45,640

includes my own experience as a

214

00:11:54,630 --> 00:11:51,640

scientist now but in in this book here

215

00:11:59,790 --> 00:11:54,640

we talk about some sort of fireball

216

00:12:02,400 --> 00:11:59,800

phenomena I talked about I start out

217

00:12:10,889 --> 00:12:02,410

with lightning balls lightning balls

218

00:12:12,600 --> 00:12:10,899

okay compared them to UFOs now we're

219

00:12:15,900 --> 00:12:12,610

talking about ball lightning you're this

220

00:12:24,690 --> 00:12:15,910

short term phenomena that often appears

221

00:12:26,850 --> 00:12:24,700

during an electrical storm yes I well

222

00:12:28,530 --> 00:12:26,860

why didn't you explain kind of what that

223

00:12:31,199 --> 00:12:28,540

is because I'm sure a lot of our

224

00:12:34,230 --> 00:12:31,209

listeners are probably not too familiar

225

00:12:41,790 --> 00:12:34,240

with the the scientific background on

226

00:12:45,389 --> 00:12:41,800

this lightning balls are associated with

227

00:12:48,210 --> 00:12:45,399

lightning usually when a light when

228

00:12:51,960 --> 00:12:48,220

lightning strikes it may in some ways

229

00:12:55,949 --> 00:12:51,970

form a ball and in some ways these are

230

00:13:00,990 --> 00:12:55,959

like UFOs because they float around the

231

00:13:03,990 --> 00:13:01,000

sky and they're lit up and that's a

232

00:13:09,930 --> 00:13:04,000

characteristic of the UFO to a lot of

233

00:13:14,190 --> 00:13:09,940

them and some people have even explained

234

00:13:18,449 --> 00:13:14,200

all UFOs as lightning balls which is

235

00:13:22,800 --> 00:13:18,459

incorrect but they're they the study of

236

00:13:25,560 --> 00:13:22,810

lightning balls might enhance the study

237

00:13:29,460 --> 00:13:25,570

of UFOs because they're both mysterious

238

00:13:35,850 --> 00:13:31,440

scientists haven't quite hadn't

239

00:13:37,350 --> 00:13:35,860

explained lightning balls either and one

240

00:13:40,710 --> 00:13:37,360

thing interesting about it is that

241

00:13:43,700 --> 00:13:40,720

there's all kinds of theories about how

242

00:13:47,580 --> 00:13:43,710

they are formed and how they take place

243

00:13:49,560 --> 00:13:47,590

and some people have said that inside

244

00:13:52,170 --> 00:13:49,570

the lightning ball is amazing physics

245

00:13:54,930 --> 00:13:52,180

such as quantum phenomena nuclear

246

00:13:58,140 --> 00:13:54,940

reactions self organizations positrons

247

00:14:01,950 --> 00:13:58,150

antimatter many black holes cosmic

248

00:14:04,620 --> 00:14:01,960

string phenomena intelligence in dark

249

00:14:08,340 --> 00:14:04,630

matter so I was like my sounds like my

250

00:14:12,570 --> 00:14:08,350

living room so anyway they're pretty

251
00:14:15,120 --> 00:14:12,580
complex actually I intended to start out

252
00:14:18,240 --> 00:14:15,130
I had seen a lightning ball when I was

253
00:14:22,680 --> 00:14:18,250
five years old and I intended to start

254
00:14:25,200 --> 00:14:22,690
out the book with saying that I don't

255
00:14:29,820 --> 00:14:25,210
think everything I see in the sky that's

256
00:14:31,860 --> 00:14:29,830
lit up is a UFO and I was going to say

257
00:14:35,550 --> 00:14:31,870
this is a prosaic lightning ball which

258
00:14:38,970 --> 00:14:35,560
it was but as I started to study

259
00:14:40,980 --> 00:14:38,980
lightning balls I decided to include a

260
00:14:43,410 --> 00:14:40,990
whole chapter on it because they're

261
00:14:45,300 --> 00:14:43,420
really interesting and I think if

262
00:14:51,410 --> 00:14:45,310
scientists studied lightning balls they

263
00:14:54,720 --> 00:14:51,420

might have more information about UFOs

264

00:14:57,030 --> 00:14:54,730

well you know it's kind of two things

265

00:15:02,010 --> 00:14:57,040

come to mind

266

00:15:04,560 --> 00:15:02,020

now these fireballs are they not

267

00:15:10,020 --> 00:15:04,570

responsible perhaps for some of the Foo

268

00:15:12,840 --> 00:15:10,030

Fighter reports of the world war 1 - in

269

00:15:15,510 --> 00:15:12,850

the Korean conflict I mean they seem to

270

00:15:18,690 --> 00:15:15,520

there seems to be a and in some cases at

271

00:15:23,070 --> 00:15:18,700

least an intelligence behind these balls

272

00:15:26,160 --> 00:15:23,080

unlike a streak of lightning well I

273

00:15:28,680 --> 00:15:26,170

didn't I tried to discuss that - that

274

00:15:31,050 --> 00:15:28,690

there might be two or three kinds of

275

00:15:34,200 --> 00:15:31,060

that phenomena some of them might be

276

00:15:36,900 --> 00:15:34,210

just prosaic lightning bowls that happen

277

00:15:42,420 --> 00:15:36,910

after a lightning strike but some of

278

00:15:50,120 --> 00:15:48,890

some of maybe orbs or small UFOs even

279

00:15:53,010 --> 00:15:50,130

mm-hmm

280

00:15:56,940 --> 00:15:53,020

did you read up on some of the cases

281

00:15:59,490 --> 00:15:56,950

that took place during world war ii for

282

00:16:02,580 --> 00:15:59,500

example where they actually came into

283

00:16:04,530 --> 00:16:02,590

the into the cockpit or came into the

284

00:16:06,620 --> 00:16:04,540

plane I I think there's maybe even been

285

00:16:09,510 --> 00:16:06,630

one or two cases of commercial planes

286

00:16:12,450 --> 00:16:09,520

under I don't know I want to say attack

287

00:16:15,990 --> 00:16:12,460

but having these these balls appear

288

00:16:21,720 --> 00:16:16,000

inside the of the plane yes I've heard

289

00:16:25,440 --> 00:16:21,730

of that and it's unknown how some of

290

00:16:26,910 --> 00:16:25,450

them are formed some of them are

291

00:16:30,240 --> 00:16:26,920

obviously formed after your lightning

292

00:16:33,680 --> 00:16:30,250

strike but in some cases it's unknown

293

00:16:39,329 --> 00:16:37,230

now I I remember when I went down to our

294

00:16:41,240 --> 00:16:39,339

familiar well with the ghost lights

295

00:16:45,389 --> 00:16:41,250

that's another phenomena that I kind of

296

00:16:47,280 --> 00:16:45,399

associate with this back many years ago

297

00:16:49,199 --> 00:16:47,290

I went with my friend Ed Jim Mosley and

298

00:16:51,170 --> 00:16:49,209

Allan they're green fields who's been on

299

00:16:54,510 --> 00:16:51,180

the program any time and we visited

300

00:16:58,769 --> 00:16:54,520

Brown Mountain North Carolina now this

301
00:17:01,530 --> 00:16:58,779
is a spot outside of Morgantown where

302
00:17:06,360 --> 00:17:01,540
these mysterious balls of light have

303
00:17:07,919 --> 00:17:06,370
been seen hovering above the oh the fart

304
00:17:10,919 --> 00:17:07,929
of the forest in the mountain their

305
00:17:14,040 --> 00:17:10,929
areas there and they do seem to be at

306
00:17:16,049 --> 00:17:14,050
least some of them intelligent I it at

307
00:17:18,860 --> 00:17:16,059
one point in fact there was a tower

308
00:17:24,059 --> 00:17:18,870
where people would climb and watch the

309
00:17:25,650 --> 00:17:24,069
activities of these ghost lights and I

310
00:17:27,680 --> 00:17:25,660
talked to several witnesses down there

311
00:17:29,760 --> 00:17:27,690
and they seemed to think that they were

312
00:17:32,040 --> 00:17:29,770
intelligent they didn't say that they

313
00:17:35,340 --> 00:17:32,050

were interplanetary necessary although

314

00:17:36,480 --> 00:17:35,350

there was one fellow there who claimed

315

00:17:37,980 --> 00:17:36,490

that he actually went inside the

316

00:17:40,500 --> 00:17:37,990

mountain and met the aliens and things

317

00:17:43,200 --> 00:17:40,510

like that he ran a little out of Space

318

00:17:45,450 --> 00:17:43,210

Museum up on the top of the hill there

319

00:17:47,010 --> 00:17:45,460

but there were there were a few

320

00:17:49,530 --> 00:17:47,020

witnesses who actually told me that

321

00:17:52,260 --> 00:17:49,540

these things would approach them and get

322

00:17:55,860 --> 00:17:52,270

within maybe a twenty or thirty feet and

323

00:17:57,419 --> 00:17:55,870

as they would walk towards them the the

324

00:17:59,700 --> 00:17:57,429

closer they got the objects would

325

00:18:03,060 --> 00:17:59,710

disappear but if they turned around they

326

00:18:04,560 --> 00:18:03,070

wouldn't be and back of them but there

327

00:18:06,840 --> 00:18:04,570

was no way that they could have you know

328

00:18:08,640 --> 00:18:06,850

traveled the the distance without them

329

00:18:12,210 --> 00:18:08,650

seeing them or passing through them or

330

00:18:14,370 --> 00:18:12,220

or whatever and some of the folks even I

331

00:18:16,700 --> 00:18:14,380

think started signaling it to the object

332

00:18:19,110 --> 00:18:16,710

and they would make some sort of

333

00:18:22,520 --> 00:18:19,120

maneuver and of course you probably

334

00:18:26,220 --> 00:18:22,530

familiar with Ted Phillips out there and

335

00:18:27,600 --> 00:18:26,230

who has seen these objects and

336

00:18:31,560 --> 00:18:27,610

photographed and where they seem to

337

00:18:34,290 --> 00:18:31,570

appear Morley woods is that Tim is up

338

00:18:36,690 --> 00:18:34,300

right Morley woods yes that's current

339

00:18:39,150 --> 00:18:36,700

India yeah in Indiana right no it's it's

340

00:18:40,320 --> 00:18:39,160

in Missouri I'm sorry I'm sorry well

341

00:18:43,200 --> 00:18:40,330

there are a lot of ghost lights actually

342

00:18:45,210 --> 00:18:43,210

Missouri I mean do you have any feelings

343

00:18:46,720 --> 00:18:45,220

on these are studied any of those a

344

00:18:49,810 --> 00:18:46,730

particular the

345

00:18:52,419 --> 00:18:49,820

those lights yes

346

00:18:53,140 --> 00:18:52,429

in one instance I was talking about in

347

00:18:57,280 --> 00:18:53,150

my book

348

00:19:02,289 --> 00:18:57,290

I was I was in a house it was kind of

349

00:19:04,810 --> 00:19:02,299

built on top of a volcano and on one

350

00:19:07,210 --> 00:19:04,820

side was a crater and on the other side

351
00:19:07,780 --> 00:19:07,220
of the crater and where was this where

352
00:19:16,020 --> 00:19:07,790
was this

353
00:19:19,860 --> 00:19:16,030
this was in Texas on one side of it

354
00:19:20,980 --> 00:19:19,870
there was a big volcano with a complex

355
00:19:23,980 --> 00:19:20,990
yeah

356
00:19:28,659 --> 00:19:23,990
uplift in the middle and everything yes

357
00:19:32,980 --> 00:19:28,669
and I was this is prosaic I think I was

358
00:19:43,030 --> 00:19:32,990
standing on a patio it was elevated with

359
00:19:46,390 --> 00:19:43,040
my video camera on and it I was I was by

360
00:19:48,900 --> 00:19:46,400
I was kind of videotaping the crater it

361
00:19:52,900 --> 00:19:48,910
was a huge crater like miles across and

362
00:19:56,049 --> 00:19:52,910
also the McDonald telescope complex was

363
00:20:00,010 --> 00:19:56,059

there and as I was standing there a huge

364

00:20:05,409 --> 00:20:00,020

lightning bolt bolt landed right beside

365

00:20:09,070 --> 00:20:05,419

me and I was on the patio with posts

366

00:20:14,919 --> 00:20:09,080

wouldn't post and didn't hit me but I

367

00:20:19,180 --> 00:20:14,929

got a video of the of a huge whiteout

368

00:20:22,180 --> 00:20:19,190

around it and then it short and then the

369

00:20:24,909 --> 00:20:22,190

electricity shorting up a guy wire of a

370

00:20:31,120 --> 00:20:24,919

cell tower and I thought that was pretty

371

00:20:32,620 --> 00:20:31,130

unique because it it hit and the

372

00:20:36,250 --> 00:20:32,630

electricity went off from the house and

373

00:20:39,700 --> 00:20:36,260

everything well but I was in the

374

00:20:41,560 --> 00:20:39,710

whiteout and the camera filmed it and by

375

00:20:44,320 --> 00:20:41,570

some definitions that would be inside a

376

00:20:45,940 --> 00:20:44,330

lightning ball which I used the title of

377

00:20:51,490 --> 00:20:45,950

my book because I actually had this

378

00:20:54,940 --> 00:20:51,500

video of it and the whiteout lasted a

379

00:20:57,700 --> 00:20:54,950

short time but immediately after it went

380

00:21:00,580 --> 00:20:57,710

off I mean it was right beside me where

381

00:21:03,940 --> 00:21:00,590

the lightning hit about 120 feet away

382

00:21:08,890 --> 00:21:03,950

was not having 50 feet away was a cell

383

00:21:11,080 --> 00:21:08,900

tower and I actually got a video of the

384

00:21:16,779 --> 00:21:11,090

electricity shorting up a guy wire of

385

00:21:21,210 --> 00:21:16,789

the cell tower and so I thought in the

386

00:21:23,649 --> 00:21:21,220

radius of about 125 feet around me that

387

00:21:27,130 --> 00:21:23,659

anybody would have got killed if they

388

00:21:29,289 --> 00:21:27,140

hadn't been insulated it was a pretty

389

00:21:31,870 --> 00:21:29,299

interesting video because it showed the

390

00:21:34,419 --> 00:21:31,880

white out and then immediately

391

00:21:38,200 --> 00:21:34,429

afterwards it showed is huge amount

392

00:21:40,200 --> 00:21:38,210

electricity shorting up a guy wire which

393

00:21:45,279 --> 00:21:40,210

I thought was pretty interesting and

394

00:21:47,590 --> 00:21:45,289

yeah how close was it to you the guy

395

00:21:50,350 --> 00:21:47,600

wire was about her a hundred and twenty

396

00:21:53,470 --> 00:21:50,360

feet away approximately there like the

397

00:21:55,659 --> 00:21:53,480

lightning hit right beside me so a you

398

00:21:58,210 --> 00:21:55,669

could have been seriously injured if not

399

00:22:03,580 --> 00:21:58,220

killed I would have gotten probably got

400

00:22:05,529 --> 00:22:03,590

killed if I was 120 feet away yeah so it

401
00:22:12,190 --> 00:22:05,539
was pretty amazing I was just lucky

402
00:22:13,960 --> 00:22:12,200
because I was a insulated place well I

403
00:22:17,260 --> 00:22:13,970
don't think you'd you know there'd been

404
00:22:19,510 --> 00:22:17,270
some cases reported where people have

405
00:22:21,519 --> 00:22:19,520
been struck by lightning you know five

406
00:22:25,230 --> 00:22:21,529
six times during their life and survived

407
00:22:28,840 --> 00:22:25,240
I don't I I think that's a very

408
00:22:31,810 --> 00:22:28,850
terrorizing experience I know there was

409
00:22:33,669 --> 00:22:31,820
a woman just this week at tamanna in a

410
00:22:36,519 --> 00:22:33,679
rock festival was it in Tennessee who

411
00:22:39,010 --> 00:22:36,529
was hit by lightning and they she did

412
00:22:43,659 --> 00:22:39,020
manage to survive because everybody came

413
00:22:47,760 --> 00:22:43,669

to her you know rescue I guess just in

414

00:22:50,649 --> 00:22:47,770

the nick of time and they got her yeah

415

00:22:52,750 --> 00:22:50,659

resuscitated her and also uh you know

416

00:22:54,880 --> 00:22:52,760

it's a it's a dangerous thing to to have

417

00:22:56,649 --> 00:22:54,890

to deal with and then to think that they

418

00:22:58,840 --> 00:22:56,659

might be I have some intelligence behind

419

00:23:03,340 --> 00:22:58,850

it that I think makes it even a little

420

00:23:08,500 --> 00:23:03,350

bit scarier than than that yeah

421

00:23:09,760 --> 00:23:08,510

definitely because I'm sorry Doc's gone

422

00:23:12,880 --> 00:23:09,770

but before we continue this conversation

423

00:23:14,020 --> 00:23:12,890

we're going to have to pause for our

424

00:23:16,810 --> 00:23:14,030

bottom of the

425

00:23:19,510 --> 00:23:16,820

or break so when we come back we'll

426
00:23:22,210 --> 00:23:19,520
continue our conversation with dr. irina

427
00:23:25,810 --> 00:23:22,220
scott and next we'll bring in Rey

428
00:23:29,290 --> 00:23:25,820
Hernandez on exploring the bizarre right

429
00:23:37,169 --> 00:23:29,300
here on the mighty Casey Oh our digital

430
00:23:43,900 --> 00:23:41,320
now back to exploring the bazaar with

431
00:23:47,230 --> 00:23:43,910
two of the most electrifying researchers

432
00:23:52,810 --> 00:23:47,240
in the Paranoid your hosts Timothy Becca

433
00:23:55,539 --> 00:23:52,820
link Anton lists welcome back to

434
00:23:58,780 --> 00:23:55,549
exploring the bazaar I'm Tim Swartz and

435
00:24:01,450 --> 00:23:58,790
Tim why don't we bring Rey Hernandez

436
00:24:03,730 --> 00:24:01,460
into the conversation now so right thank

437
00:24:05,560 --> 00:24:03,740
you very much for being with us tonight

438
00:24:08,669 --> 00:24:05,570

it's always a real pleasure talking with

439

00:24:13,270 --> 00:24:08,679

you thank you for the invitation

440

00:24:16,270 --> 00:24:13,280

all right so before we get into the book

441

00:24:19,270 --> 00:24:16,280

beyond UFOs why don't you tell our

442

00:24:21,730 --> 00:24:19,280

audience a little bit about the dr.

443

00:24:26,230 --> 00:24:21,740

Edgar Mitchell foundation for research

444

00:24:31,150 --> 00:24:26,240

into extraterrestrial encounters okay

445

00:24:33,880 --> 00:24:31,160

it's um it's a 501c3 an academic

446

00:24:36,610 --> 00:24:33,890

research institute it was co-founded by

447

00:24:38,980 --> 00:24:36,620

four individuals one was dr. Edgar

448

00:24:41,230 --> 00:24:38,990

Mitchell the other one is dr. Rudy

449

00:24:44,049 --> 00:24:41,240

shields who is an emeritus professor of

450

00:24:46,150 --> 00:24:44,059

astrophysics at Harvard University and a

451
00:24:49,570 --> 00:24:46,160
very close friend of the late dr. John

452
00:24:53,710 --> 00:24:49,580
Mack and also a very close friend of

453
00:24:58,680 --> 00:24:53,720
Edgar Mitchell and Mary rod well who is

454
00:25:02,590 --> 00:24:58,690
a researcher in Australia who has

455
00:25:04,230 --> 00:25:02,600
investigated over 3,000 cases of

456
00:25:07,690 --> 00:25:04,240
individuals that have had ufo-related

457
00:25:12,760 --> 00:25:07,700
contact experiences and I'm the fourth

458
00:25:18,700 --> 00:25:12,770
co-founder and the mission of the free

459
00:25:22,750 --> 00:25:18,710
organization is to undertake the world's

460
00:25:25,659 --> 00:25:22,760
first comprehensive academic research

461
00:25:28,390 --> 00:25:25,669
study of individuals that have had your

462
00:25:33,690 --> 00:25:28,400
four related contact experiences with

463
00:25:37,810 --> 00:25:33,700

non-human intelligence and we've had

464

00:25:41,770 --> 00:25:37,820

over the last five years approximately

465

00:25:45,789 --> 00:25:41,780

15 PhDs most of them are retired

466

00:25:46,990 --> 00:25:45,799

academics that have worked in both

467

00:25:51,430 --> 00:25:47,000

developing the method

468

00:25:55,450 --> 00:25:51,440

dodging and analyzing the data in our

469

00:25:56,290 --> 00:25:55,460

research study and retired professor dr.

470

00:25:58,930 --> 00:25:56,300

John clemo

471

00:26:02,130 --> 00:25:58,940

who was a tenured faculty member for

472

00:26:06,730 --> 00:26:02,140

over 40 years at several institutions

473

00:26:09,430 --> 00:26:06,740

and his specialty was the paranormal one

474

00:26:14,260 --> 00:26:09,440

of the few academics to to be a tenured

475

00:26:16,930 --> 00:26:14,270

faculty member doing primarily focusing

476

00:26:20,380 --> 00:26:16,940

on on parapsychology and paranormal type

477

00:26:22,630 --> 00:26:20,390

of experiences and and so he developed

478

00:26:25,270 --> 00:26:22,640

was the main person that developed a

479

00:26:29,230 --> 00:26:25,280

research methodology for our research

480

00:26:32,290 --> 00:26:29,240

study and I can go into detail in terms

481

00:26:35,230 --> 00:26:32,300

of the methodology and before we get

482

00:26:38,470 --> 00:26:35,240

into our findings but at least your

483

00:26:41,410 --> 00:26:38,480

audience members know that we are a

484

00:26:44,350 --> 00:26:41,420

combination of retired p-a-t-h the

485

00:26:47,500 --> 00:26:44,360

academics together with individuals that

486

00:26:50,590 --> 00:26:47,510

have researched UFO contact experiences

487

00:26:52,750 --> 00:26:50,600

for many many years people such as dr.

488

00:26:56,440 --> 00:26:52,760

Leo sprinkle was a member of our board

489

00:26:59,980 --> 00:26:56,450

of directors and I guess he's now close

490

00:27:01,750 --> 00:26:59,990

to 90 years old and about a year ago he

491

00:27:05,320 --> 00:27:01,760

bailed out on us because he said that we

492

00:27:07,030 --> 00:27:05,330

were working into death we had about we

493

00:27:10,630 --> 00:27:07,040

had him on the show not too long ago

494

00:27:16,650 --> 00:27:10,640

he's a an old time a friend of mine

495

00:27:20,020 --> 00:27:16,660

going back many many years yes extremely

496

00:27:22,930 --> 00:27:20,030

helpful we have like monthly meetings

497

00:27:24,940 --> 00:27:22,940

which he participated and we had to send

498

00:27:28,570 --> 00:27:24,950

everything to him via snail mail because

499

00:27:30,820 --> 00:27:28,580

he doesn't have internet so but he did

500

00:27:33,880 --> 00:27:30,830

fully participate for over a four year

501
00:27:36,280 --> 00:27:33,890
period we also had Kathleen Martin who's

502
00:27:39,700 --> 00:27:36,290
still on our board of directors and PS

503
00:27:42,520 --> 00:27:39,710
he also wrote a chapter in our book mary

504
00:27:44,500 --> 00:27:42,530
Rodwell was with us from the very

505
00:27:49,120 --> 00:27:44,510
beginning and and she's also wrote a

506
00:27:50,560 --> 00:27:49,130
chapter in our book we had numerous

507
00:27:52,540 --> 00:27:50,570
individuals I don't gonna go through all

508
00:27:54,610 --> 00:27:52,550
of them but well I know you miss what

509
00:27:58,240 --> 00:27:54,620
your book is what eight hundred and

510
00:28:00,810 --> 00:27:58,250
fifty pages eight hundred and eighteen

511
00:28:03,399 --> 00:28:00,820
pages oh well okay

512
00:28:04,810 --> 00:28:03,409
what did you manage to what did you

513
00:28:06,639 --> 00:28:04,820

manage to put in a book

514

00:28:09,220 --> 00:28:06,649

I mean we've we've done some big books

515

00:28:13,960 --> 00:28:09,230

Tim right I mean where we've had books

516

00:28:19,539 --> 00:28:13,970

are up to around 450 pages but 800 pages

517

00:28:22,899 --> 00:28:19,549

is a heftier vai in there rheya research

518

00:28:26,499 --> 00:28:22,909

study was comprised of yes our study was

519

00:28:29,019 --> 00:28:26,509

comprised of three surveys the first two

520

00:28:32,019 --> 00:28:29,029

surveys were quantitative in nature and

521

00:28:34,629 --> 00:28:32,029

they had approximately 700 questions

522

00:28:36,909 --> 00:28:34,639

when we included the phase three

523

00:28:40,930 --> 00:28:36,919

quantitative questions so right off the

524

00:28:44,619 --> 00:28:40,940

bat 700 questions the most that had ever

525

00:28:46,810 --> 00:28:44,629

been done in the past was basically 50

526

00:28:48,909 --> 00:28:46,820

questions Kathy Martin study that she

527

00:28:52,060 --> 00:28:48,919

did have contact experiences and mainly

528

00:28:56,409 --> 00:28:52,070

abductees only had 50 questions and she

529

00:28:59,739 --> 00:28:56,419

only had 50 individuals and we wound up

530

00:29:03,639 --> 00:28:59,749

after five years with 4200 individuals

531

00:29:06,549 --> 00:29:03,649

from over 100 countries we also had a

532

00:29:09,609 --> 00:29:06,559

phase three the phase three was a

533

00:29:12,909 --> 00:29:09,619

qualitative instrument and in that

534

00:29:17,919 --> 00:29:12,919

survey instrument we had 70 open-ended

535

00:29:20,879 --> 00:29:17,929

questions and what we what we've what we

536

00:29:25,269 --> 00:29:20,889

finally received was over 10,000 pages

537

00:29:27,450 --> 00:29:25,279

of writings to these 70 questions there

538

00:29:29,739 --> 00:29:27,460

was a possibly a thousand 400

539

00:29:37,169 --> 00:29:29,749

individuals who responded to the phase

540

00:29:42,669 --> 00:29:40,149

uninviting up the formal analysis for

541

00:29:46,119 --> 00:29:42,679

the phase three these found 10,000 pages

542

00:29:51,730 --> 00:29:46,129

and we had a team of five individuals

543

00:29:54,340 --> 00:29:51,740

each of us took 100 cases and we

544

00:29:58,570 --> 00:29:54,350

selected the top 20 cases based upon

545

00:30:01,139 --> 00:29:58,580

eight different criteria and so we sent

546

00:30:03,730 --> 00:30:01,149

those materials to doctor clemo

547

00:30:06,779 --> 00:30:03,740

so he had literally thousands and

548

00:30:09,879 --> 00:30:06,789

thousands of pages on these 100

549

00:30:12,940 --> 00:30:09,889

individuals and then it took him close

550

00:30:14,560 --> 00:30:12,950

to nine months to write the analysis for

551
00:30:19,419 --> 00:30:14,570
this qualitative instrument

552
00:30:24,399 --> 00:30:19,429
and then dr. Rudi shields dr. Jon clemo

553
00:30:27,700 --> 00:30:24,409
and dr. Bob Davis was a retired

554
00:30:30,879 --> 00:30:27,710
professor of neuroscience we spent also

555
00:30:35,799 --> 00:30:30,889
nine months analyzing the quantitative

556
00:30:37,600 --> 00:30:35,809
data and and then what we did is because

557
00:30:40,269 --> 00:30:37,610
we had so many different types of

558
00:30:43,899 --> 00:30:40,279
questions along different thematic topic

559
00:30:45,669 --> 00:30:43,909
areas and the findings that we had what

560
00:30:49,090 --> 00:30:45,679
we did is we categorize them into

561
00:30:50,860 --> 00:30:49,100
different topic areas and so we asked

562
00:30:54,190 --> 00:30:50,870
different individuals to write chapters

563
00:30:57,070 --> 00:30:54,200

on the different topic areas and I could

564

00:30:59,470 --> 00:30:57,080

go into a little bit more details in the

565

00:31:00,730 --> 00:30:59,480

future about what each of these topic

566

00:31:03,549 --> 00:31:00,740

areas were and what people wrote about

567

00:31:05,860 --> 00:31:03,559

so what we did is we gave them the data

568

00:31:08,230 --> 00:31:05,870

from the both of a quantitative

569

00:31:09,580 --> 00:31:08,240

instruments and the qualitative

570

00:31:11,730 --> 00:31:09,590

instruments what the people actually

571

00:31:14,860 --> 00:31:11,740

said in writing we gave them synopses

572

00:31:20,730 --> 00:31:14,870

synopsis for them for the different

573

00:31:26,049 --> 00:31:20,740

topic areas for example what we found

574

00:31:28,810 --> 00:31:26,059

let me backtrack to say that first of

575

00:31:32,919 --> 00:31:28,820

all the reason we got into this was

576

00:31:35,560 --> 00:31:32,929

because when I had my experience I had I

577

00:31:38,289 --> 00:31:35,570

was a PC candidate at the University of

578

00:31:41,279 --> 00:31:38,299

California Berkeley before that attended

579

00:31:44,499 --> 00:31:41,289

Cornell University for a master's degree

580

00:31:46,240 --> 00:31:44,509

and I also taught for six years at two

581

00:31:49,029 --> 00:31:46,250

different universities at the New School

582

00:31:52,090 --> 00:31:49,039

for Social Research and the C University

583

00:31:54,070 --> 00:31:52,100

in New York so when I had my experience

584

00:31:56,799 --> 00:31:54,080

though one of the first things I did was

585

00:31:58,419 --> 00:31:56,809

after going obviously to the internet to

586

00:32:01,570 --> 00:31:58,429

find out you know what the hell is the

587

00:32:04,210 --> 00:32:01,580

UFO what L is the paranormal what I

588

00:32:06,970 --> 00:32:04,220

quickly discovered was that the Internet

589

00:32:09,340 --> 00:32:06,980

is full of nonsense people were

590

00:32:11,289 --> 00:32:09,350

contradicting each other and I couldn't

591

00:32:13,269 --> 00:32:11,299

get any answers any definitive answers

592

00:32:14,950 --> 00:32:13,279

it's not like you go into a library you

593

00:32:18,009 --> 00:32:14,960

research something you get a definitive

594

00:32:21,549 --> 00:32:18,019

answer and then when I went to do a peer

595

00:32:23,889 --> 00:32:21,559

an academic literature review of what

596

00:32:27,129 --> 00:32:23,899

has been written on UFO contact

597

00:32:27,940 --> 00:32:27,139

experiences what I discovered was almost

598

00:32:33,270 --> 00:32:27,950

a big

599

00:32:35,560 --> 00:32:33,280

zero what you literally had is you had

600

00:32:38,140 --> 00:32:35,570

hundreds if not thousands of books

601
00:32:40,570 --> 00:32:38,150
written by experiencers about their own

602
00:32:44,080 --> 00:32:40,580
individual experiences yes and then you

603
00:32:46,180 --> 00:32:44,090
had books written by hypnotic regression

604
00:32:47,800 --> 00:32:46,190
folks that would take people that would

605
00:32:50,260 --> 00:32:47,810
you know walk through the doors and

606
00:32:53,830 --> 00:32:50,270
would write up books upon their hypnotic

607
00:32:57,060 --> 00:32:53,840
regressions and and that's that was it

608
00:32:59,560 --> 00:32:57,070
in terms of statistical data collections

609
00:33:02,710 --> 00:32:59,570
there was a book that dr. Kenneth ring

610
00:33:05,100 --> 00:33:02,720
did but he only had like 90 people and

611
00:33:07,240 --> 00:33:05,110
he had about maybe a hundred questions

612
00:33:10,840 --> 00:33:07,250
150 questions I should say but it was

613
00:33:12,940 --> 00:33:10,850

very very focused on what's other topic

614

00:33:16,750 --> 00:33:12,950

questions of for that book which is the

615

00:33:18,520 --> 00:33:16,760

Omega project and then you had the one

616

00:33:20,940 --> 00:33:18,530

by Kathy Martin which is only fifty

617

00:33:24,540 --> 00:33:20,950

people as it was fifty abductees and

618

00:33:30,040 --> 00:33:24,550

there were a couple of other little

619

00:33:33,100 --> 00:33:30,050

doctor dr. Bessel Eric Schwartz from

620

00:33:38,580 --> 00:33:33,110

Florida used to be in Jersey first forth

621

00:33:41,140 --> 00:33:38,590

but that's a year I guess for Chet yeah

622

00:33:43,720 --> 00:33:41,150

I'm familiar with his work I have one of

623

00:33:46,090 --> 00:33:43,730

his major books and although Brent rains

624

00:33:48,220 --> 00:33:46,100

knew him very well and Brent oh he's

625

00:33:50,680 --> 00:33:48,230

great he's a great but great research

626
00:33:51,820 --> 00:33:50,690
he's a wonderful man a wonderful man a

627
00:33:53,740 --> 00:33:51,830
very knowledgeable

628
00:33:56,770 --> 00:33:53,750
extremely healthy like he was the one

629
00:33:59,980 --> 00:33:56,780
that had a hundred cases of 100 Spears

630
00:34:03,790 --> 00:33:59,990
that that he helped simplifies a few me

631
00:34:05,650 --> 00:34:03,800
twenty he had two hundred cases and we

632
00:34:08,110 --> 00:34:05,660
whittled that he whittled it down to 22

633
00:34:10,570 --> 00:34:08,120
top 20 cases so he's been working with

634
00:34:12,430 --> 00:34:10,580
us you know for the very beginning yes

635
00:34:14,890 --> 00:34:12,440
in terms of doing the data on data

636
00:34:17,290 --> 00:34:14,900
analysis so there's I was saying before

637
00:34:19,810 --> 00:34:17,300
you know there have been studies that

638
00:34:22,840 --> 00:34:19,820

are out there but miniscule studies and

639

00:34:25,270 --> 00:34:22,850

again very limited to specific questions

640

00:34:29,710 --> 00:34:25,280

specific issues there was nothing out

641

00:34:31,270 --> 00:34:29,720

there that was comprehensive and so that

642

00:34:34,630 --> 00:34:31,280

was the reason why this study because

643

00:34:37,720 --> 00:34:34,640

Edgar Mitchell you know told us that we

644

00:34:40,600 --> 00:34:37,730

have almost no data whatsoever about

645

00:34:41,830 --> 00:34:40,610

what is happening to the UFO contact

646

00:34:45,970 --> 00:34:41,840

experiences

647

00:34:48,250 --> 00:34:45,980

and Leo sprinkle Cathy Martin Mary rod

648

00:34:50,610 --> 00:34:48,260

well Brett rains you know our Barbara

649

00:34:53,320 --> 00:34:50,620

lamb who's working with us at one point

650

00:34:54,940 --> 00:34:53,330

and and many of the other people in our

651

00:34:57,400 --> 00:34:54,950

organization they all had their

652

00:34:58,720 --> 00:34:57,410

speculation of what was going on and

653

00:35:01,150 --> 00:34:58,730

everyone was pretty much in agreement

654

00:35:02,980 --> 00:35:01,160

but they didn't have the data the

655

00:35:08,050 --> 00:35:02,990

statistics of percentages to back them

656

00:35:10,960 --> 00:35:08,060

up okay and and now we do in terms of

657

00:35:14,230 --> 00:35:10,970

our findings let me just say that

658

00:35:16,450 --> 00:35:14,240

there's four very general main findings

659

00:35:20,260 --> 00:35:16,460

even though we could break it down into

660

00:35:22,660 --> 00:35:20,270

subcategories you know we can literally

661

00:35:26,260 --> 00:35:22,670

have hundreds of different findings but

662

00:35:30,820 --> 00:35:26,270

the four main ones is that overall the

663

00:35:34,030 --> 00:35:30,830

UFO contactee experience by the vast

664

00:35:37,170 --> 00:35:34,040

majority of the individuals are

665

00:35:40,570 --> 00:35:37,180

perceived as a highly positive

666

00:35:43,390 --> 00:35:40,580

experience in the very beginning of

667

00:35:46,000 --> 00:35:43,400

their contact experiences 38% of the

668

00:35:51,490 --> 00:35:46,010

individuals stated that they perceived

669

00:35:53,110 --> 00:35:51,500

it as a negative but over time most of

670

00:35:56,860 --> 00:35:53,120

us majority of these individuals have

671

00:36:00,430 --> 00:35:56,870

had subsequent experiences the largest

672

00:36:02,230 --> 00:36:00,440

category was 20-plus experiences I

673

00:36:03,820 --> 00:36:02,240

forgot the exact percentages but I think

674

00:36:05,590 --> 00:36:03,830

it was maybe like 30 percent of the

675

00:36:09,400 --> 00:36:05,600

people have had more than 20 experiences

676

00:36:11,800 --> 00:36:09,410

but but the vast majority these

677

00:36:14,380 --> 00:36:11,810

individuals have had more than one one

678

00:36:17,230 --> 00:36:14,390

one experience and these are you know

679

00:36:19,030 --> 00:36:17,240

physical few me these are contact

680

00:36:21,400 --> 00:36:19,040

experiences with non-human intelligence

681

00:36:23,800 --> 00:36:21,410

and at one time in their life they have

682

00:36:26,620 --> 00:36:23,810

seen a UFO that was the categories that

683

00:36:29,920 --> 00:36:26,630

we had used now we asked a question of

684

00:36:35,560 --> 00:36:29,930

positive negative neutral in my goodness

685

00:36:37,180 --> 00:36:35,570

more than 10 15 different questions just

686

00:36:38,530 --> 00:36:37,190

to depending how you phrased the

687

00:36:42,010 --> 00:36:38,540

question you know people respond

688

00:36:43,750 --> 00:36:42,020

differently but let me just give you we

689

00:36:47,110 --> 00:36:43,760

asked them have you experience has been

690

00:36:50,110 --> 00:36:47,120

positive negative an equal okay in terms

691

00:36:51,700 --> 00:36:50,120

of the negative experiences depending on

692

00:36:54,700 --> 00:36:51,710

the type of questions they were asked

693

00:36:56,750 --> 00:36:54,710

was anywhere from 15% all the way down

694

00:36:58,700 --> 00:36:56,760

to five

695

00:37:01,850 --> 00:36:58,710

we would ask them questions of do you

696

00:37:04,100 --> 00:37:01,860

want your contact experiences to stop 84

697

00:37:06,710 --> 00:37:04,110

percent said no you know don't make it

698

00:37:09,200 --> 00:37:06,720

fun do you believe that you know

699

00:37:10,880 --> 00:37:09,210

non-human intelligences that you have

700

00:37:13,910 --> 00:37:10,890

interacted with are they bad or

701
00:37:18,650 --> 00:37:13,920
malevolent only nine point seven percent

702
00:37:20,240 --> 00:37:18,660
said yes and so we asked that those

703
00:37:23,810 --> 00:37:20,250
types of questions in numerous numerous

704
00:37:25,490 --> 00:37:23,820
ways but overall depending on how we

705
00:37:27,470 --> 00:37:25,500
phrased the question between five to

706
00:37:29,720 --> 00:37:27,480
fifteen percent of the individuals

707
00:37:32,690 --> 00:37:29,730
perceived their experiences as negative

708
00:37:34,910 --> 00:37:32,700
the vast majority were positive even

709
00:37:36,500 --> 00:37:34,920
though there was also a large number

710
00:37:38,480 --> 00:37:36,510
that were neutral couple of experiences

711
00:37:42,080 --> 00:37:38,490
we also asked that question by the type

712
00:37:44,930 --> 00:37:42,090
of being they encountered and so we also

713
00:37:46,400 --> 00:37:44,940

have very very specific for example the

714

00:37:48,470 --> 00:37:46,410

number one type of being people

715

00:37:50,690 --> 00:37:48,480

interacting with was the energy being

716

00:37:52,790 --> 00:37:50,700

okay that was close to what they was

717

00:37:55,460 --> 00:37:52,800

about thousand two hundred individuals

718

00:37:57,290 --> 00:37:55,470

had interactions with energy beings the

719

00:38:00,140 --> 00:37:57,300

number two was the human looking being

720

00:38:03,680 --> 00:38:00,150

okay now for both of those percentages

721

00:38:05,810 --> 00:38:03,690

it was people around five percent of the

722

00:38:08,630 --> 00:38:05,820

expressions were negative with those two

723

00:38:11,540 --> 00:38:08,640

types of beings the greys the small race

724

00:38:13,520 --> 00:38:11,550

it was close to 850 people have

725

00:38:17,480 --> 00:38:13,530

encounters with small Grey's they were

726
00:38:19,250 --> 00:38:17,490
the number three group and out of those

727
00:38:21,860 --> 00:38:19,260
12 and a half percent said that their

728
00:38:22,370 --> 00:38:21,870
experiences were negative with the small

729
00:38:25,850 --> 00:38:22,380
greys

730
00:38:28,190 --> 00:38:25,860
now that's not what's being represented

731
00:38:31,430 --> 00:38:28,200
out in the internet and on YouTube etc

732
00:38:33,440 --> 00:38:31,440
okay but here we have 850 people from

733
00:38:34,790 --> 00:38:33,450
over 100 different countries saying

734
00:38:37,520 --> 00:38:34,800
they're only 12 and a half percent of

735
00:38:41,840 --> 00:38:37,530
the expressions were negative so that

736
00:38:44,320 --> 00:38:41,850
was one of the main findings that it was

737
00:38:47,860 --> 00:38:44,330
overwhelmingly a positive experience

738
00:38:53,090 --> 00:38:47,870

number two is that these experiences

739

00:38:55,550 --> 00:38:53,100

resulted in a total transformation for

740

00:38:58,340 --> 00:38:55,560

the positive of the personal personality

741

00:39:00,290 --> 00:38:58,350

profile of the individuals well we did

742

00:39:02,810 --> 00:39:00,300

is we borrowed close to 70 questions

743

00:39:06,800 --> 00:39:02,820

that dr. Kenneth ring news in the Omega

744

00:39:08,640 --> 00:39:06,810

project and these are all personality

745

00:39:12,000 --> 00:39:08,650

transformation questions for

746

00:39:13,799 --> 00:39:12,010

example we asked individuals after your

747

00:39:17,160 --> 00:39:13,809

experience as far as rather you had the

748

00:39:20,690 --> 00:39:17,170

experience are you

749

00:39:25,200 --> 00:39:20,700

we asked various questions that we asked

750

00:39:28,319 --> 00:39:25,210

for example we use the word let's say

751
00:39:29,640 --> 00:39:28,329
for example a fear of death okay for

752
00:39:32,180 --> 00:39:29,650
example okay

753
00:39:35,960 --> 00:39:32,190
greatly increased increased slightly

754
00:39:39,450 --> 00:39:35,970
stayed the same decreased slightly or

755
00:39:41,010 --> 00:39:39,460
decreased greatly okay so those are the

756
00:39:43,529 --> 00:39:41,020
categories for these different questions

757
00:39:47,400 --> 00:39:43,539
well we found out that people were much

758
00:39:52,680 --> 00:39:47,410
more spiritual were more loving and

759
00:39:56,530 --> 00:39:52,690
generous to to other human beings they

760
00:39:57,680 --> 00:39:56,540
were less egotistical they were more

761
00:40:00,599 --> 00:39:57,690
[Music]

762
00:40:04,470 --> 00:40:00,609
ecologically friendly they didn't care

763
00:40:07,079 --> 00:40:04,480

about money anymore they they are much

764

00:40:09,660 --> 00:40:07,089

more interested in in in consciousness

765

00:40:11,819 --> 00:40:09,670

awareness of what is the nature of our

766

00:40:14,460 --> 00:40:11,829

reality there was like 70 different

767

00:40:16,170 --> 00:40:14,470

questions and what you work what you

768

00:40:18,900 --> 00:40:16,180

have is you have the total

769

00:40:22,430 --> 00:40:18,910

transformation of these experiences into

770

00:40:25,769 --> 00:40:22,440

a totally different personality profile

771

00:40:27,809 --> 00:40:25,779

which is for the benefit and people are

772

00:40:29,730 --> 00:40:27,819

more spiritual they don't care about the

773

00:40:32,670 --> 00:40:29,740

importance of money they become more

774

00:40:34,710 --> 00:40:32,680

loving to each other we're polluting our

775

00:40:38,400 --> 00:40:34,720

planet to become super ecologically

776

00:40:39,890 --> 00:40:38,410

friendly they don't fear that etcetera

777

00:40:46,079 --> 00:40:39,900

shine rec7 settle settle

778

00:40:49,260 --> 00:40:46,089

so ray tell us though what what part of

779

00:40:52,589 --> 00:40:49,270

their experience led Tim into this more

780

00:40:54,539 --> 00:40:52,599

spiritual nature I mean is it the

781

00:40:58,200 --> 00:40:54,549

communications that they had with these

782

00:41:00,510 --> 00:40:58,210

these beings or or or what I mean why

783

00:41:02,069 --> 00:41:00,520

suddenly if I go out and I meet somebody

784

00:41:03,269 --> 00:41:02,079

you know on the street and have a

785

00:41:05,670 --> 00:41:03,279

conversation with them I don't know

786

00:41:09,980 --> 00:41:05,680

whether they're from you know in England

787

00:41:14,670 --> 00:41:09,990

or Canada or Mexico it's not likely to

788

00:41:17,220 --> 00:41:14,680

transform my life to that degree I mean

789

00:41:22,260 --> 00:41:17,230

what is it about their experience that

790

00:41:25,859 --> 00:41:22,270

actually takes this new approach to life

791

00:41:28,310 --> 00:41:25,869

well it's it's a we have a whole chapter

792

00:41:31,440 --> 00:41:28,320

on that on the spiritual transformation

793

00:41:34,080 --> 00:41:31,450

we have two authors for that one chapter

794

00:41:35,880 --> 00:41:34,090

it's close to fifty pages one is a

795

00:41:38,790 --> 00:41:35,890

Reverend Michael Carter who's an

796

00:41:40,650 --> 00:41:38,800

ordained minister a graduate of the New

797

00:41:43,710 --> 00:41:40,660

York Theological Seminary and he's also

798

00:41:47,609 --> 00:41:43,720

an experimenter and then the other

799

00:41:51,300 --> 00:41:47,619

co-author is Mike Marburg who is an

800

00:41:55,650 --> 00:41:51,310

attorney in Tampa he's in his mid-60s

801
00:41:57,780 --> 00:41:55,660
and he's also an experimenter and and

802
00:42:00,060 --> 00:41:57,790
both of them underwent dramatic

803
00:42:04,100 --> 00:42:00,070
spiritual transformation after the

804
00:42:08,310 --> 00:42:04,110
experiences in terms of the factors that

805
00:42:10,020 --> 00:42:08,320
that are indicators of that are triggers

806
00:42:13,940 --> 00:42:10,030
I should say for these transformations

807
00:42:16,740 --> 00:42:13,950
first of all what we found out was that

808
00:42:20,490 --> 00:42:16,750
we've had almost twice the amount of

809
00:42:22,530 --> 00:42:20,500
individuals that have been brought to

810
00:42:26,040 --> 00:42:22,540
other dimensions other realities by

811
00:42:28,170 --> 00:42:26,050
these beings than people that have had a

812
00:42:31,040 --> 00:42:28,180
quote-unquote typical abduction

813
00:42:36,140 --> 00:42:31,050

experience now that's something that

814

00:42:39,270 --> 00:42:36,150

that Kathy Martin knew Leo sprinkle knew

815

00:42:40,560 --> 00:42:39,280

Barbara lamb knew Mary rod will do you

816

00:42:42,420 --> 00:42:40,570

know all the people have been dealing

817

00:42:45,180 --> 00:42:42,430

with experiences for so many years they

818

00:42:47,330 --> 00:42:45,190

knew that that was a much more common

819

00:42:49,560 --> 00:42:47,340

phenomenon than the typical abduction

820

00:42:52,590 --> 00:42:49,570

scenario but they didn't have the data

821

00:42:55,620 --> 00:42:52,600

to back it up okay even the people that

822

00:42:57,620 --> 00:42:55,630

have had abductions okay seventy percent

823

00:43:02,910 --> 00:42:57,630

of these individuals now call themselves

824

00:43:04,380 --> 00:43:02,920

contactees okay because for many of

825

00:43:07,260 --> 00:43:04,390

these individuals the experiences

826

00:43:09,750 --> 00:43:07,270

started with a medical examination you

827

00:43:11,940 --> 00:43:09,760

know you're paralyzed you're frozen you

828

00:43:14,280 --> 00:43:11,950

find yourself on the table and you're

829

00:43:15,750 --> 00:43:14,290

having all the common indicators that

830

00:43:18,030 --> 00:43:15,760

everyone knows about you know with these

831

00:43:20,970 --> 00:43:18,040

types of medical exams and medical

832

00:43:23,790 --> 00:43:20,980

procedures okay people are petrified now

833

00:43:26,099 --> 00:43:23,800

the people that mean B answer negative

834

00:43:27,750 --> 00:43:26,109

to the negative experiences were the

835

00:43:29,220 --> 00:43:27,760

people that basically had one or two of

836

00:43:31,020 --> 00:43:29,230

these type of experiences but they had

837

00:43:33,660 --> 00:43:31,030

nothing afterwards or they can't

838

00:43:35,280 --> 00:43:33,670

remember anything afterwards now what we

839

00:43:35,970 --> 00:43:35,290

found with a lot of these individuals

840

00:43:39,150 --> 00:43:35,980

that

841

00:43:41,010 --> 00:43:39,160

later on the experience has changed all

842

00:43:42,630 --> 00:43:41,020

of a sudden they're talking to a

843

00:43:45,450 --> 00:43:42,640

human-looking being dressed in a white

844

00:43:47,609 --> 00:43:45,460

monstro okay the being is but how do you

845

00:43:50,010 --> 00:43:47,619

know the Marais I hate I hate to

846

00:43:52,230 --> 00:43:50,020

contradict you but how do you know that

847

00:43:56,780 --> 00:43:52,240

you know we hear a lot of stories about

848

00:44:00,780 --> 00:43:56,790

mind control and shape-shifting and

849

00:44:03,120 --> 00:44:00,790

people these aliens being able to cloak

850

00:44:05,720 --> 00:44:03,130

them themselves how do we know that

851
00:44:09,570 --> 00:44:05,730
whatever they're telling the these

852
00:44:12,510 --> 00:44:09,580
individuals these silent contactees John

853
00:44:14,820 --> 00:44:12,520
keel used to call them are really what's

854
00:44:18,720 --> 00:44:14,830
happening in that it's not some other

855
00:44:21,420 --> 00:44:18,730
were instrumental experience directly

856
00:44:22,770 --> 00:44:21,430
physical okay yes we've had over fifty

857
00:44:24,599 --> 00:44:22,780
percent of the people have taken a

858
00:44:25,460 --> 00:44:24,609
survey that have had a medical healing

859
00:44:27,990 --> 00:44:25,470
okay

860
00:44:30,450 --> 00:44:28,000
we ask that question because that's

861
00:44:33,930 --> 00:44:30,460
exactly what my first experience was in

862
00:44:35,790 --> 00:44:33,940
my living room with my wife okay our dog

863
00:44:38,520 --> 00:44:35,800

that we were gonna be euthanizing that

864

00:44:40,740 --> 00:44:38,530

same day my wife had been praying all

865

00:44:41,880 --> 00:44:40,750

night for some type of angelic

866

00:44:44,760 --> 00:44:41,890

intervention okay

867

00:44:48,000 --> 00:44:44,770

and then in the morning my wife's fall

868

00:44:50,070 --> 00:44:48,010

like a little upside down you look like

869

00:44:53,550 --> 00:44:50,080

a little craft inside our living room

870

00:44:54,599 --> 00:44:53,560

and then she began to pray she thought

871

00:44:55,830 --> 00:44:54,609

it was you know an angel

872

00:44:58,530 --> 00:44:55,840

because she I've been praying all night

873

00:45:00,390 --> 00:44:58,540

for it and then all of a sudden she was

874

00:45:01,980 --> 00:45:00,400

calling me and I totally ignored her so

875

00:45:04,920 --> 00:45:01,990

she ran upstairs and she pulled me out

876

00:45:06,900 --> 00:45:04,930

of bed so we went downstairs all of a

877

00:45:09,590 --> 00:45:06,910

sudden my wife and my dog disappeared

878

00:45:13,230 --> 00:45:09,600

right in front of me and what I saw was

879

00:45:16,880 --> 00:45:13,240

what I call a plasma energy being it was

880

00:45:20,820 --> 00:45:16,890

a pure plasma rectangular type in shape

881

00:45:24,300 --> 00:45:20,830

multi-coloured translucent and it

882

00:45:26,910 --> 00:45:24,310

basically put me to sleep okay when I

883

00:45:28,560 --> 00:45:26,920

woke up 45 minutes later all of a sudden

884

00:45:30,300 --> 00:45:28,570

my wife book is in the middle of living

885

00:45:33,450 --> 00:45:30,310

room saying hallelujah hallelujah the

886

00:45:36,510 --> 00:45:33,460

Angels cured angels cure and our dog who

887

00:45:38,310 --> 00:45:36,520

even before her stroke was walking

888

00:45:41,700 --> 00:45:38,320

around like an old lady generally

889

00:45:43,740 --> 00:45:41,710

because of severe heart problems and her

890

00:45:48,000 --> 00:45:43,750

arthritis now was running around the

891

00:45:50,180 --> 00:45:48,010

house like a teenager okay so we asked

892

00:45:52,970 --> 00:45:50,190

that question in our survey

893

00:45:55,860 --> 00:45:52,980

everyone in our team knew about these

894

00:45:57,810 --> 00:45:55,870

medical healings as a matter of fact

895

00:46:01,470 --> 00:45:57,820

Preston Dennett wrote a book they were

896

00:46:04,560 --> 00:46:01,480

like oh yes oh yes 20 years ago titled

897

00:46:05,700 --> 00:46:04,570

UFO healings had 200 cases in that so

898

00:46:08,850 --> 00:46:05,710

it's not something that people just

899

00:46:10,470 --> 00:46:08,860

coming up out of the blue but on the

900

00:46:12,530 --> 00:46:10,480

other on the other hand now I've been

901
00:46:15,510 --> 00:46:12,540
working on this book here for the last

902
00:46:17,610 --> 00:46:15,520
six months or so about people who have

903
00:46:22,440 --> 00:46:17,620
had abduction experiences and they've

904
00:46:25,200 --> 00:46:22,450
been mauled and clawed and had all kinds

905
00:46:27,270 --> 00:46:25,210
of perverse sexual things done to them

906
00:46:29,400 --> 00:46:27,280
and they don't feel that this is a very

907
00:46:32,100 --> 00:46:29,410
positive thing that's happened to them

908
00:46:35,040 --> 00:46:32,110
you do have a lot of cases we've had

909
00:46:36,390 --> 00:46:35,050
five we've had five to 15 percent of the

910
00:46:38,670 --> 00:46:36,400
people depending on the questions that

911
00:46:40,470 --> 00:46:38,680
were asked that stated that the

912
00:46:43,530 --> 00:46:40,480
experiences were were negative

913
00:46:46,020 --> 00:46:43,540

okay now the people who never had any

914

00:46:50,310 --> 00:46:46,030

continued experiences they remain highly

915

00:46:53,520 --> 00:46:50,320

negative okay and you know we're talking

916

invent this cuff up okay well I'm not

919

00:47:11,880 --> 00:47:02,230

saying that you did on this work but say

920

00:47:16,170 --> 00:47:11,890

that you invented it is not on when

00:48:25,650 --> 00:48:24,250
our I'm Tim Schwartz and dr. irene scott

935
00:48:29,609 --> 00:48:25,660
we're gonna bring you back into the

936
00:48:33,750 --> 00:48:29,619
conversation now one of the things that

937
00:48:37,620 --> 00:48:33,760
has always fascinated me about the UFO

938
00:48:41,069 --> 00:48:37,630

phenomena and I'm happy to see that that

939

00:48:47,030 --> 00:48:41,079

you've covered this are quite quite

940

00:48:51,359 --> 00:48:47,040

intensively in your book is how unusual

941

00:48:55,530 --> 00:48:51,369

light phenomena really goes hand-in-hand

942

00:49:00,120 --> 00:48:55,540

with with UFOs I mean it's it's it's

943

00:49:04,170 --> 00:49:00,130

rare that you hear about a UFO sighting

944

00:49:10,290 --> 00:49:04,180

that it's not glowing or covered with

945

00:49:16,859 --> 00:49:10,300

lights or beaming out a res of light a

946

00:49:19,500 --> 00:49:16,869

lot of contactees people who come into

947

00:49:22,109 --> 00:49:19,510

contact with the creatures that come out

948

00:49:23,940 --> 00:49:22,119

of UFOs a lot of times they say that

949

00:49:29,280 --> 00:49:23,950

their experience starts when they're

950

00:49:33,359 --> 00:49:29,290

blinded by a flash of light people as as

951
00:49:36,030 --> 00:49:33,369
you say in your book people see small

952
00:49:38,460 --> 00:49:36,040
balls of lights you know flying around

953
00:49:41,550 --> 00:49:38,470
their rooms almost like people used to

954
00:49:45,900 --> 00:49:41,560
describe like the the fairies and and we

955
00:49:48,049 --> 00:49:45,910
folk flitting around the forest glowing

956
00:49:54,809 --> 00:49:48,059
in the dark

957
00:49:58,559 --> 00:49:54,819
what what do you think I mean what do

958
00:50:01,469 --> 00:49:58,569
you think is the significance of unusual

959
00:50:06,509 --> 00:50:01,479
light phenomena and an association with

960
00:50:11,309 --> 00:50:06,519
the UFOs well that's the million-dollar

961
00:50:14,640 --> 00:50:11,319
question isn't it I've had more

962
00:50:16,979 --> 00:50:14,650
experience with UFOs and I have with I

963
00:50:19,620 --> 00:50:16,989

don't even know if I've had experience

964

00:50:22,259 --> 00:50:19,630

with beings or anything and I've also

965

00:50:24,900 --> 00:50:22,269

been contacted with Leo sprinkle and

966

00:50:29,190 --> 00:50:24,910

Kathleen Martin about Hopkins and others

967

00:50:32,819 --> 00:50:29,200

that said I may be a contact T or an

968

00:50:35,009 --> 00:50:32,829

experiencer or may be abducted but I've

969

00:50:37,769 --> 00:50:35,019

never been able to be hypnotized so

970

00:50:40,170 --> 00:50:37,779

that's another thing but I had the

971

00:50:42,680 --> 00:50:40,180

experiences in general with other people

972

00:50:46,920 --> 00:50:42,690

so I'm pretty sure they were real and

973

00:50:49,589 --> 00:50:46,930

one of the first ones I had was when my

974

00:50:52,380 --> 00:50:49,599

sister and I are real young we were I

975

00:50:54,509 --> 00:50:52,390

think she was not in school yet so we

976
00:51:00,509 --> 00:50:54,519
were about four or five or six or seven

977
00:51:03,839 --> 00:51:00,519
and we had this we went to sleep like

978
00:51:06,749 --> 00:51:03,849
normal people and woke up and this

979
00:51:09,059 --> 00:51:06,759
object was flying around their room we

980
00:51:14,279 --> 00:51:09,069
were had beds on either side of the room

981
00:51:16,289 --> 00:51:14,289
and it looked like hot metal and we had

982
00:51:18,959 --> 00:51:16,299
no idea what it is we had never heard of

983
00:51:21,749 --> 00:51:18,969
UFOs or lightning balls or anything else

984
00:51:26,039 --> 00:51:21,759
at the time but it was flying around the

985
00:51:28,380 --> 00:51:26,049
room and after a while we just watched

986
00:51:30,779 --> 00:51:28,390
it having no idea what it was and we

987
00:51:33,599 --> 00:51:30,789
weren't talking to each other but after

988
00:51:40,140 --> 00:51:33,609

a while I noticed that seemed to be

989

00:51:42,539 --> 00:51:40,150

guided that it would avoid obstacles it

990

00:51:45,349 --> 00:51:42,549

turned up if it went toward a wall or

991

00:51:49,439 --> 00:51:45,359

something in turn about a foot away and

992

00:51:51,630 --> 00:51:49,449

so I thought this is anama rather than

993

00:51:53,999 --> 00:51:51,640

just an inanimate thing flying around

994

00:51:56,160 --> 00:51:54,009

because it seemed to be guided and it

995

00:51:57,870 --> 00:51:56,170

went through a complex series at first

996

00:52:00,810 --> 00:51:57,880

of all it is just demander meandering

997

00:52:03,030 --> 00:52:00,820

around like it was browsing and it never

998

00:52:04,860 --> 00:52:03,040

and offer anything and then it flipped

999

00:52:07,140 --> 00:52:04,870

his ceiling but didn't hit the ceiling

1000

00:52:10,410 --> 00:52:07,150

flew across the room to a chandelier

1001
00:52:13,740 --> 00:52:10,420
which was off it was a clear night no

1002
00:52:17,970 --> 00:52:13,750
lightning or anything else and it

1003
00:52:20,670 --> 00:52:17,980
circled the chandelier and then came

1004
00:52:22,290 --> 00:52:20,680
down in a spiral below well my sister

1005
00:52:24,210 --> 00:52:22,300
and I just been watching it we weren't

1006
00:52:26,580 --> 00:52:24,220
talking to each other or anything didn't

1007
00:52:28,040 --> 00:52:26,590
I didn't know she was awake and then

1008
00:52:32,660 --> 00:52:28,050
suddenly we just became absolutely

1009
00:52:36,540 --> 00:52:32,670
terrified and ran from the room and

1010
00:52:39,180 --> 00:52:36,550
fortunately we were booked there so we

1011
00:52:41,070 --> 00:52:39,190
had somebody to compare our experience

1012
00:52:42,750 --> 00:52:41,080
with because it was something real

1013
00:52:44,610 --> 00:52:42,760

because the book saw it even though we

1014

00:52:46,280 --> 00:52:44,620

weren't talking to each other and even

1015

00:52:50,040 --> 00:52:46,290

though we didn't have a framework to

1016

00:52:52,380 --> 00:52:50,050

interpret it but I wondered since then

1017

00:52:55,800 --> 00:52:52,390

if there might have been some kind of

1018

00:53:00,690 --> 00:52:55,810

mind control going on at that very early

1019

00:53:03,120 --> 00:53:00,700

age in our life because we both woke up

1020

00:53:06,090 --> 00:53:03,130

at the same time we both became

1021

00:53:08,250 --> 00:53:06,100

terrified at the same time and there

1022

00:53:12,270 --> 00:53:08,260

wasn't any reason to think it was a

1023

00:53:15,930 --> 00:53:12,280

lightning ball we had no idea how it

1024

00:53:19,440 --> 00:53:15,940

went got into the room but many years

1025

00:53:23,060 --> 00:53:19,450

later I read Jenny Randall's book her

1026

00:53:27,000 --> 00:53:23,070

writings about bedroom visitations of

1027

00:53:30,620 --> 00:53:27,010

children and apparently some children

1028

00:53:34,170 --> 00:53:30,630

have these objects in their bedroom and

1029

00:53:39,090 --> 00:53:34,180

then some of them have experiences later

1030

00:53:41,190 --> 00:53:39,100

and we did too and so when it comes to I

1031

00:53:43,890 --> 00:53:41,200

may have been in some of those quizzes

1032

00:53:45,300 --> 00:53:43,900

but when it comes to transformation of

1033

00:53:48,330 --> 00:53:45,310

your personality and things like that

1034

00:53:50,610 --> 00:53:48,340

well this happens so young that I

1035

00:53:51,980 --> 00:53:50,620

probably didn't have a personality or

1036

00:53:57,480 --> 00:53:51,990

anything so I don't know who I was

1037

00:54:00,330 --> 00:53:57,490

transformed or not but then we had a

1038

00:54:02,370 --> 00:54:00,340

real repressive family and we were

1039

00:54:06,990 --> 00:54:02,380

allowed to talk about UFOs when we found

1040

00:54:09,390 --> 00:54:07,000

out about him but a number of years

1041

00:54:12,660 --> 00:54:09,400

later we both had other experiences and

1042

00:54:14,579 --> 00:54:12,670

what was unusual was that my sister and

1043

00:54:19,049 --> 00:54:14,589

I had both childhood experience

1044

00:54:23,759 --> 00:54:19,059

and then adult experiences and in 1968

1045

00:54:26,069 --> 00:54:23,769

July the 13th we had another birthday my

1046

00:54:31,190 --> 00:54:26,079

birthday I'm sure that sorry we have

1047

00:54:35,279 --> 00:54:31,200

very relevant synchronicity

1048

00:54:37,319 --> 00:54:35,289

synchronicity 101 yes yes go ahead but

1049

00:54:40,200 --> 00:54:37,329

anyway we were we were both living on

1050

00:54:46,109 --> 00:54:40,210

the Seacoast I and I was working at DIA

1051
00:54:50,239 --> 00:54:46,119
with a position of PhD position in photo

1052
00:54:52,920 --> 00:54:50,249
interpretation where you had identified

1053
00:54:54,839 --> 00:54:52,930
aircrafts above a particular area and I

1054
00:54:58,380 --> 00:54:54,849
had security clearances above top-secret

1055
00:55:01,650 --> 00:54:58,390
and everything so I'm certifiably saying

1056
00:55:03,989 --> 00:55:01,660
because I had this really good security

1057
00:55:07,469 --> 00:55:03,999
clearance and my sister was living and

1058
00:55:10,769 --> 00:55:07,479
going to post graduate school and since

1059
00:55:14,309 --> 00:55:10,779
we were both on the Eastern seacoast we

1060
00:55:15,329 --> 00:55:14,319
decided to go up and look around see the

1061
00:55:17,670 --> 00:55:15,339
New England states

1062
00:55:20,609 --> 00:55:17,680
and we were going to go to Boston I was

1063
00:55:24,380 --> 00:55:20,619

in Washington DC and she was in at Drew

1064

00:55:29,900 --> 00:55:24,390

University in Madison Wisconsin Madison

1065

00:55:32,759 --> 00:55:29,910

New Jersey and so we drove up to Boston

1066

00:55:35,279 --> 00:55:32,769

and it was daylight when we got there

1067

00:55:38,279 --> 00:55:35,289

and so he decided to look around and we

1068

00:55:43,289 --> 00:55:38,289

went up north into New Hampshire and I

1069

00:55:46,229 --> 00:55:43,299

took some pictures and it turned out

1070

00:55:48,299 --> 00:55:46,239

later I found out that this was the same

1071

00:55:51,930 --> 00:55:48,309

place that Betty and Barney Hill had

1072

00:55:56,880 --> 00:55:51,940

seen part of their abduction and so we

1073

00:55:58,650 --> 00:55:56,890

went back to Boston and we were dry we

1074

00:56:02,459 --> 00:55:58,660

couldn't find a motel and so we started

1075

00:56:05,459 --> 00:56:02,469

driving out of Boston and we look to the

1076
00:56:08,309 --> 00:56:05,469
south we saw this funny light we could

1077
00:56:14,969 --> 00:56:08,319
see airplanes coming in there was an

1078
00:56:16,829 --> 00:56:14,979
airport nearby Norwood mrs. Municipal

1079
00:56:21,930 --> 00:56:16,839
Airport I think was and we could see

1080
00:56:25,200 --> 00:56:21,940
airplanes landing but the object was

1081
00:56:27,569 --> 00:56:25,210
just following a meandering trail and it

1082
00:56:28,440 --> 00:56:27,579
was blinking but not like strobe lights

1083
00:56:30,839 --> 00:56:28,450
it was very

1084
00:56:34,160 --> 00:56:30,849
slow blinking it was a very white light

1085
00:56:36,329 --> 00:56:34,170
and so we were falling it along and

1086
00:56:37,980 --> 00:56:36,339
wondering what it was and arguing

1087
00:56:39,810 --> 00:56:37,990
because she kept saying this is odd I

1088
00:56:41,339 --> 00:56:39,820

kept saying it's a helicopter with its

1089

00:56:43,650 --> 00:56:41,349

landing light something I had no idea

1090

00:56:47,010 --> 00:56:43,660

what it was but being a scientific

1091

00:56:49,319 --> 00:56:47,020

person I was explaining it and so as we

1092

00:56:53,910 --> 00:56:49,329

were driving down Route 95 here we get

1093

00:56:57,839 --> 00:56:53,920

into the light phenomena to the west

1094

00:57:01,410 --> 00:56:57,849

side of the road there was a Woods and I

1095

00:57:02,940 --> 00:57:01,420

saw this basketball-sized I think it was

1096

00:57:08,130 --> 00:57:02,950

basketball-sized I couldn't tell for

1097

00:57:11,640 --> 00:57:08,140

sure it was night object that it was

1098

00:57:13,800 --> 00:57:11,650

like a glass thing that enclosed a light

1099

00:57:17,910 --> 00:57:13,810

and the light kept going to a spectrum

1100

00:57:20,010 --> 00:57:17,920

of like all shades of blue and all

1101
00:57:23,130 --> 00:57:20,020
shades of red and then all shades of

1102
00:57:25,170 --> 00:57:23,140
looking and it sort of had like the

1103
00:57:27,120 --> 00:57:25,180
thing around the bar or something that

1104
00:57:29,790 --> 00:57:27,130
seemed to be rotating well I had no idea

1105
00:57:32,069 --> 00:57:29,800
what it was and I neither of us knew

1106
00:57:35,790 --> 00:57:32,079
much about UFOs at the time either and

1107
00:57:39,690 --> 00:57:35,800
so I hate it we just didn't know but

1108
00:57:43,700 --> 00:57:39,700
anyway as we were driving by it the

1109
00:57:46,980 --> 00:57:43,710
inside of the car lit up in green I

1110
00:57:48,720 --> 00:57:46,990
didn't understand this at all and I

1111
00:57:52,260 --> 00:57:48,730
thought there must be a beam shining

1112
00:57:54,599 --> 00:57:52,270
into the car because the car was lit up

1113
00:57:56,910 --> 00:57:54,609

the inside the car was looking green but

1114

00:57:58,920 --> 00:57:56,920

I couldn't see any green anyplace I

1115

00:58:01,200 --> 00:57:58,930

couldn't see a beam pointing at me for

1116

00:58:02,940 --> 00:58:01,210

any place and I thought it if there was

1117

00:58:05,160 --> 00:58:02,950

a beam it should be from that ball of

1118

00:58:08,700 --> 00:58:05,170

light on the ground that object on the

1119

00:58:11,359 --> 00:58:08,710

ground but I saw no beam and the object

1120

00:58:18,720 --> 00:58:11,369

on the ground never had green it was

1121

00:58:20,670 --> 00:58:18,730

blue and red and so we were still

1122

00:58:24,210 --> 00:58:20,680

looking at this thing up in the air and

1123

00:58:26,880 --> 00:58:24,220

we kept on going and finally my sister

1124

00:58:31,440 --> 00:58:26,890

started yelling at me saying it's gonna

1125

00:58:33,530 --> 00:58:31,450

go over the road and so I stopped and

1126

00:58:36,180 --> 00:58:33,540

got out and she said at that time that

1127

00:58:38,880 --> 00:58:36,190

the inside the car lit up again in

1128

00:58:41,910 --> 00:58:38,890

either a strange light or blue light or

1129

00:58:43,890 --> 00:58:41,920

something I couldn't see I didn't

1130

00:58:45,900 --> 00:58:43,900

know that they didn't know about it

1131

00:58:47,640 --> 00:58:45,910

until about five or six years later

1132

00:58:50,790 --> 00:58:47,650

because we didn't see each other for

1133

00:58:53,610 --> 00:58:50,800

quite a while after that but I got out

1134

00:58:57,390 --> 00:58:53,620

and I saw this what looked like a meteor

1135

00:58:59,780 --> 00:58:57,400

and then this object came over the road

1136

00:59:04,230 --> 00:58:59,790

and at that time I agreed with her

1137

00:59:08,340 --> 00:59:04,240

because it was a big thing it had seven

1138

00:59:10,230 --> 00:59:08,350

square windows along this side and at

1139

00:59:11,700 --> 00:59:10,240

the time I wondered if these are windows

1140

00:59:15,150 --> 00:59:11,710

or panels and we had a lot of

1141

00:59:16,650 --> 00:59:15,160

experiencing blimps because we lived on

1142

00:59:19,290 --> 00:59:16,660

a farm and there was a freeway through

1143

00:59:22,080 --> 00:59:19,300

the farm and blimps followed the freeway

1144

00:59:23,190 --> 00:59:22,090

so we had we'd seen him at night and

1145

00:59:25,320 --> 00:59:23,200

with lights on their sides and

1146

00:59:29,220 --> 00:59:25,330

everything else and this wasn't anything

1147

00:59:31,490 --> 00:59:29,230

like a blimp it had seven windows and on

1148

00:59:35,160 --> 00:59:31,500

the end of the road windows there was a

1149

00:59:38,450 --> 00:59:35,170

very small red light and a very small

1150

00:59:43,190 --> 00:59:38,460

green light that weren't blinking and

1151
00:59:47,280 --> 00:59:43,200
the windows were blinking in a pattern

1152
00:59:50,970 --> 00:59:47,290
and my sister thought was a signal but

1153
00:59:54,600 --> 00:59:50,980
we thought it's we couldn't see anything

1154
00:59:57,990 --> 00:59:54,610
we couldn't see eight beings in it but

1155
01:00:00,930 --> 00:59:58,000
we thought that was like the walls are

1156
01:00:05,010 --> 01:00:00,940
glowing or the inside was just really

1157
01:00:07,920 --> 01:00:05,020
filled with bright light and I thought

1158
01:00:09,840 --> 01:00:07,930
this was amazing because it was right

1159
01:00:13,740 --> 01:00:09,850
there my sister thought it was about 70

1160
01:00:16,200 --> 01:00:13,750
feet above us and we could see inside of

1161
01:00:18,810 --> 01:00:16,210
it and so I had a camera and film they

1162
01:00:20,700 --> 01:00:18,820
were separate and it was a poor camera

1163
01:00:23,040 --> 01:00:20,710

it was hard to load but I had high-speed

1164

01:00:24,540 --> 01:00:23,050

film with me and so I began loading the

1165

01:00:27,260 --> 01:00:24,550

camera because I thought this is just

1166

01:00:29,700 --> 01:00:27,270

amazing I'm looking inside a UFO and

1167

01:00:33,030 --> 01:00:29,710

just that that just when I was ready to

1168

01:00:35,540 --> 01:00:33,040

take the picture a truck driver drove it

1169

01:00:38,160 --> 01:00:35,550

parked in front of us and came back and

1170

01:00:40,170 --> 01:00:38,170

this I don't know if this is some kind

1171

01:00:43,830 --> 01:00:40,180

of a being or not or what was going on

1172

01:00:46,230 --> 01:00:43,840

but he came up and he was standing

1173

01:00:49,410 --> 01:00:46,240

beside me and he asked what we were

1174

01:00:51,450 --> 01:00:49,420

doing and here I thought you I thought

1175

01:00:53,520 --> 01:00:51,460

he would stop to see whatever we were

1176
01:00:55,920 --> 01:00:53,530
looking at and I couldn't understand why

1177
01:00:57,840 --> 01:00:55,930
I couldn't see it and so he asked

1178
01:01:00,420 --> 01:00:57,850
what are you doing and I pointed to it

1179
01:01:02,190 --> 01:01:00,430
and asked what it was I didn't say UFO

1180
01:01:04,260 --> 01:01:02,200
or anything like that because you know

1181
01:01:07,950 --> 01:01:04,270
he was a man and we were there in night

1182
01:01:09,600 --> 01:01:07,960
and so he turned around the exact

1183
01:01:12,330 --> 01:01:09,610
opposite direction of where I was

1184
01:01:14,760 --> 01:01:12,340
playing I looked at the same altitude he

1185
01:01:17,720 --> 01:01:14,770
said I don't see anything and then he

1186
01:01:20,640 --> 01:01:17,730
just rotated back and looked at me and

1187
01:01:23,190 --> 01:01:20,650
just the same expression and voice he

1188
01:01:25,860 --> 01:01:23,200

said what are you looking at and again I

1189

01:01:27,240 --> 01:01:25,870

pointed and asked what is this because

1190

01:01:29,760 --> 01:01:27,250

it was an airport there and you know

1191

01:01:31,530 --> 01:01:29,770

maybe it was a plane and so he did the

1192

01:01:33,630 --> 01:01:31,540

same thing he turn around the opposite

1193

01:01:36,210 --> 01:01:33,640

direction pointing his head in about the

1194

01:01:38,820 --> 01:01:36,220

same altitude and said I don't see

1195

01:01:42,840 --> 01:01:38,830

anything and then he turned back any

1196

01:01:46,260 --> 01:01:42,850

point of days had like I thought it

1197

01:01:48,990 --> 01:01:46,270

suggested I was crazy and I realized

1198

01:01:52,470 --> 01:01:49,000

after my book was published I thought of

1199

01:01:54,840 --> 01:01:52,480

this but the man had to know where the

1200

01:01:56,790 --> 01:01:54,850

thing was because he turned around

1201
01:01:59,520 --> 01:01:56,800
looking the opposite direction if he

1202
01:02:01,980 --> 01:01:59,530
didn't know where it was he would search

1203
01:02:03,840 --> 01:02:01,990
around where I was playing he wouldn't

1204
01:02:07,650 --> 01:02:03,850
turn around the opposite direction and

1205
01:02:15,660 --> 01:02:07,660
so I think he was some kind of related

1206
01:02:16,110 --> 01:02:15,670
to the update we were saying but I mean

1207
01:02:19,620 --> 01:02:16,120
I just

1208
01:02:21,840 --> 01:02:19,630
he was pretty weird but anyway as we

1209
01:02:24,840 --> 01:02:21,850
were watching the object started

1210
01:02:26,730 --> 01:02:24,850
circling the airport and we didn't know

1211
01:02:28,890 --> 01:02:26,740
where it was going to go after that and

1212
01:02:33,080 --> 01:02:28,900
we were pointed car was pointed south

1213
01:02:36,780 --> 01:02:33,090

and so I thought I will go down to the

1214

01:02:38,520 --> 01:02:36,790

freeway and turn around and come back

1215

01:02:40,590 --> 01:02:38,530

because I thought it might go north even

1216

01:02:43,050 --> 01:02:40,600

though it had been going south and so I

1217

01:02:46,050 --> 01:02:43,060

pulled onto the freeway then this truck

1218

01:02:49,160 --> 01:02:46,060

I forgot right behind me just real close

1219

01:02:52,350 --> 01:02:49,170

like right on my bumper and being his

1220

01:02:57,210 --> 01:02:52,360

bright lights into my mirror and I

1221

01:02:59,190 --> 01:02:57,220

couldn't see anything so I was and he

1222

01:03:01,170 --> 01:02:59,200

was definitely chasing us because I

1223

01:03:03,150 --> 01:03:01,180

would switch lanes and things like that

1224

01:03:05,250 --> 01:03:03,160

he would switch lanes and he stayed

1225

01:03:08,130 --> 01:03:05,260

right on my bumper be beaming these

1226

01:03:09,900 --> 01:03:08,140

headlights into my mirror and I was

1227

01:03:12,569 --> 01:03:09,910

blinded and

1228

01:03:14,520 --> 01:03:12,579

so I trying to floor the accelerator and

1229

01:03:17,220 --> 01:03:14,530

started going and he stayed right there

1230

01:03:21,359 --> 01:03:17,230

and finally I decided how to get rid of

1231

01:03:24,539 --> 01:03:21,369

and might be to suddenly swerve off from

1232

01:03:27,029 --> 01:03:24,549

the left-hand side of the road without

1233

01:03:29,160 --> 01:03:27,039

giving any signal or anything maybe we

1234

01:03:30,809 --> 01:03:29,170

could get rid of it and this was a very

1235

01:03:32,520 --> 01:03:30,819

dangerous thing to do because somebody

1236

01:03:34,770 --> 01:03:32,530

was passing us on the right side it

1237

01:03:37,740 --> 01:03:34,780

would have been a collision and so I did

1238

01:03:42,089 --> 01:03:37,750

that and we survived and then I went

1239

01:03:44,520 --> 01:03:42,099

back toward and it would object was

1240

01:03:46,289 --> 01:03:44,530

still circling the airport and it had an

1241

01:03:47,760 --> 01:03:46,299

interesting circle were part of the

1242

01:03:48,799 --> 01:03:47,770

circle it was so fast you couldn't even

1243

01:03:52,980 --> 01:03:48,809

see it

1244

01:03:59,130 --> 01:03:52,990

so we went past it and then it did start

1245

01:04:03,690 --> 01:03:59,140

going north EEE Northwest and I went

1246

01:04:08,010 --> 01:04:03,700

past the place where the object on the

1247

01:04:11,910 --> 01:04:08,020

ground was and the inside the cart lit

1248

01:04:14,130 --> 01:04:11,920

up in green again and then it was hard

1249

01:04:16,260 --> 01:04:14,140

to follow because it was going Northwest

1250

01:04:16,920 --> 01:04:16,270

and the roads went north and south and

1251

01:04:19,559 --> 01:04:16,930

east and west

1252

01:04:24,420 --> 01:04:19,569

so we zigzag to well and finally I wound

1253

01:04:29,519 --> 01:04:24,430

up on this really bad road with whose

1254

01:04:31,260 --> 01:04:29,529

gravel with bumps and holes the houses

1255

01:04:33,510 --> 01:04:31,270

were so far away couldn't even see each

1256

01:04:35,579 --> 01:04:33,520

other and I kept following it but just

1257

01:04:38,910 --> 01:04:35,589

went a little bit faster and I could go

1258

01:04:41,670 --> 01:04:38,920

with my car and so I turned around went

1259

01:04:48,750 --> 01:04:41,680

back and then we drove all the way back

1260

01:04:51,630 --> 01:04:48,760

to Madison and later but Hopkinson asked

1261

01:04:54,089 --> 01:04:51,640

me for a timetable we'd both forgotten

1262

01:04:56,460 --> 01:04:54,099

our watches at the time and I made a

1263

01:04:59,519 --> 01:04:56,470

timetable and it looked like we might

1264

01:05:04,490 --> 01:04:59,529

have had some missing time and that was

1265

01:05:08,400 --> 01:05:04,500

one of our adult sightings and a lot of

1266

01:05:10,019 --> 01:05:08,410

strange lights in it well how come how

1267

01:05:12,839 --> 01:05:10,029

come do you think it's just now this

1268

01:05:14,099 --> 01:05:12,849

individual the truck driver I mean do

1269

01:05:17,190 --> 01:05:14,109

you think he really was a truck driver

1270

01:05:19,109 --> 01:05:17,200

or was that something that was projected

1271

01:05:22,140 --> 01:05:19,119

in to your mind maybe they wanted to

1272

01:05:23,609 --> 01:05:22,150

take your attention off the object at at

1273

01:05:24,870 --> 01:05:23,619

some point

1274

01:05:27,029 --> 01:05:24,880

well he definitely stopped me from

1275

01:05:28,979 --> 01:05:27,039

taking a picture I later was able to get

1276

01:05:30,900 --> 01:05:28,989

a picture I was very interested I mean I

1277

01:05:33,299 --> 01:05:30,910

was a photo interpreter I knew I

1278

01:05:34,859 --> 01:05:33,309

couldn't prove that UFOs existed but I

1279

01:05:36,900 --> 01:05:34,869

wanted to get the picture because I

1280

01:05:40,259 --> 01:05:36,910

thought it was a light from inside the

1281

01:05:43,200 --> 01:05:40,269

UFO but I didn't get the big seven

1282

01:05:44,759 --> 01:05:43,210

windows but I mean this is I've been

1283

01:05:48,209 --> 01:05:44,769

thinking about this since my book was

1284

01:05:49,829 --> 01:05:48,219

published and yes I think he you know

1285

01:05:51,930 --> 01:05:49,839

all along I was thinking maybe this is

1286

01:05:54,150 --> 01:05:51,940

just some kind of coincidence although

1287

01:05:56,910 --> 01:05:54,160

I'm sure it wasn't but yeah I think he

1288

01:06:00,120 --> 01:05:56,920

had something to do with the UFO and my

1289

01:06:01,829 --> 01:06:00,130

sister said in her report that we wrote

1290

01:06:05,489 --> 01:06:01,839

independently because we hadn't really

1291

01:06:07,489 --> 01:06:05,499

talked about that about this the same

1292

01:06:10,769 --> 01:06:07,499

time I was trying to take the picture or

1293

01:06:12,930 --> 01:06:10,779

talking to him that the object that we

1294

01:06:15,930 --> 01:06:12,940

were watching suddenly got into another

1295

01:06:20,279 --> 01:06:15,940

place and I didn't understand that but

1296

01:06:22,650 --> 01:06:20,289

she wrote it in three reports the I mean

1297

01:06:25,019 --> 01:06:22,660

when I started to take the picture it

1298

01:06:27,359 --> 01:06:25,029

was a big thing with seven windows and I

1299

01:06:30,809 --> 01:06:27,369

can look inside of it and everything

1300

01:06:33,989 --> 01:06:30,819

and then I talked to this man and then

1301

01:06:36,959 --> 01:06:33,999

she said about that time that it just

1302

01:06:40,200 --> 01:06:36,969

suddenly was someplace else and she

1303

01:06:43,529 --> 01:06:40,210

thought it moved real fast and then I

1304

01:06:45,299 --> 01:06:43,539

was still I didn't notice that and I was

1305

01:06:49,609 --> 01:06:45,309

still trying to take a picture so I ran

1306

01:06:52,380 --> 01:06:49,619

up a hill and did take some pictures but

1307

01:06:55,349 --> 01:06:52,390

how long was the duration of the whole

1308

01:06:57,660 --> 01:06:55,359

experience it was quite a while because

1309

01:06:59,880 --> 01:06:57,670

we did a lot of driving and miles and

1310

01:07:03,870 --> 01:06:59,890

miles and it was probably between an

1311

01:07:06,930 --> 01:07:03,880

hour an hour two hours that we observed

1312

01:07:08,880 --> 01:07:06,940

it and you didn't pass a lot of traffic

1313

01:07:11,729 --> 01:07:08,890

on the road I mean this was the the

1314

01:07:15,120 --> 01:07:11,739

truck the so-called truck driver was one

1315

01:07:17,759 --> 01:07:15,130

of the few with the contact you had

1316

01:07:19,620 --> 01:07:17,769

without well of anyone else during this

1317

01:07:21,150 --> 01:07:19,630

I mean they were dealt right traffic did

1318

01:07:22,950 --> 01:07:21,160

in the stall people weren't pulled over

1319

01:07:25,259 --> 01:07:22,960

to the side of the road nobody else

1320

01:07:28,920 --> 01:07:25,269

seemed to be noticing this well that's

1321

01:07:31,289 --> 01:07:28,930

why I was arguing as my sister was when

1322

01:07:33,479 --> 01:07:31,299

we were first seeing it she said this is

1323

01:07:35,759 --> 01:07:33,489

on and I kept telling her that if it

1324

01:07:37,109 --> 01:07:35,769

were a UFO that all the police and all

1325

01:07:38,759 --> 01:07:37,119

the you know bye

1326

01:07:41,400 --> 01:07:38,769

departments and everything else in TV

1327

01:07:43,680 --> 01:07:41,410

would be out watching it and so I

1328

01:07:48,630 --> 01:07:43,690

thought it couldn't possibly be a UFO

1329

01:07:50,900 --> 01:07:48,640

but then it was I think we started

1330

01:07:57,900 --> 01:07:50,910

seeing about 11 o'clock at night and

1331

01:07:59,640 --> 01:07:57,910

this was 1968 and there was traffic but

1332

01:08:06,779 --> 01:07:59,650

there wasn't a vast amount of traffic

1333

01:08:09,809 --> 01:08:06,789

yes we had we had one report that I know

1334

01:08:12,359 --> 01:08:09,819

I interviewed two of the witnesses they

1335

01:08:14,039 --> 01:08:12,369

were - oh I think they were in their

1336

01:08:16,559 --> 01:08:14,049

late teens early 20s say they were

1337

01:08:20,610 --> 01:08:16,569

driving let me get this right between

1338

01:08:23,030 --> 01:08:20,620

like San Diego and Mont Montana I think

1339

01:08:25,530 --> 01:08:23,040

it was or maybe Wyoming and they had

1340

01:08:28,829 --> 01:08:25,540

somewhat of a similar experience where

1341

01:08:32,039 --> 01:08:28,839

these lights began pacing the the

1342

01:08:34,740 --> 01:08:32,049

automobile that they were in and then

1343

01:08:38,490 --> 01:08:34,750

they even had a couple of the objects

1344

01:08:40,470 --> 01:08:38,500

turn into the into trucks or maybe it

1345

01:08:41,999 --> 01:08:40,480

was vice-versa where the trucks turned

1346

01:08:47,059 --> 01:08:42,009

into the object and then at one point

1347

01:08:49,649 --> 01:08:47,069

they even had some sort of animal like a

1348

01:08:51,390 --> 01:08:49,659

dog with glowing eyes appeared in the

1349

01:08:54,030 --> 01:08:51,400

back of the car

1350

01:08:55,709 --> 01:08:54,040

we've had a lot of these well I I can't

1351

01:08:58,530 --> 01:08:55,719

say a lot but we've had quite a number

1352

01:09:02,999 --> 01:08:58,540

of these reports where strange things do

1353

01:09:06,479 --> 01:09:03,009

seem to take a place along the the

1354

01:09:08,579 --> 01:09:06,489

highway or the back roads and there's no

1355

01:09:11,879 --> 01:09:08,589

explanation for it but the odd thing is

1356

01:09:14,879 --> 01:09:11,889

is that not everybody will witness what

1357

01:09:17,340 --> 01:09:14,889

is taking place or if they do sometimes

1358

01:09:21,300 --> 01:09:17,350

they reported in a slightly different

1359

01:09:23,099 --> 01:09:21,310

way well I wouldn't have even thought

1360

01:09:26,249 --> 01:09:23,109

about because I thought this was so

1361

01:09:29,249 --> 01:09:26,259

obvious it couldn't be anything because

1362

01:09:31,499 --> 01:09:29,259

there was nobody else watching it and so

1363

01:09:33,629 --> 01:09:31,509

you know fortunately my sister was

1364

01:09:37,320 --> 01:09:33,639

watching it a lot more intensely and I

1365

01:09:39,390 --> 01:09:37,330

was and figuring out things which I

1366

01:09:42,300 --> 01:09:39,400

would have I don't think I'd have even

1367

01:09:44,340 --> 01:09:42,310

stopped if it hadn't been for her but

1368

01:09:47,579 --> 01:09:44,350

also they say these experiences are

1369

01:09:49,829 --> 01:09:47,589

positive but in that case I think that

1370

01:09:51,039 --> 01:09:49,839

man was trying to kill us but he

1371

01:09:53,799 --> 01:09:51,049

certainly made a good at

1372

01:09:56,649 --> 01:09:53,809

that I I mean what he did could have

1373

01:09:59,350 --> 01:09:56,659

killed us and he was also you know

1374

01:10:01,660 --> 01:09:59,360

telling me I'm crazy which you know I

1375

01:10:03,280 --> 01:10:01,670

don't know I don't think he was just a

1376

01:10:06,069 --> 01:10:03,290

coincidence I think he had something to

1377

01:10:08,160 --> 01:10:06,079

do with the UFO but I couldn't

1378

01:10:13,330 --> 01:10:08,170

understand it too well

1379

01:10:16,149 --> 01:10:13,340

well that that that certainly is a you

1380

01:10:20,470 --> 01:10:16,159

know an interesting experience and

1381

01:10:24,490 --> 01:10:20,480

especially to hear it you know firsthand

1382

01:10:26,770 --> 01:10:24,500

how big was the the object actually

1383

01:10:30,850 --> 01:10:26,780

would you compare it to like the size of

1384

01:10:33,939 --> 01:10:30,860

the moon or something you know I don't

1385

01:10:37,990 --> 01:10:33,949

know because it was night and I don't

1386

01:10:41,319 --> 01:10:38,000

know how what size it was but we could

1387

01:10:43,629 --> 01:10:41,329

very very clearly see seven windows

1388

01:10:46,240 --> 01:10:43,639

these were square windows and the lights

1389

01:10:49,899 --> 01:10:46,250

on the end so it definitely had you know

1390

01:10:51,970 --> 01:10:49,909

form that we could see pretty well and

1391

01:10:53,620 --> 01:10:51,980

and they were anywhere there were there

1392

01:10:57,030 --> 01:10:53,630

were lights behind the window I mean you

1393

01:10:59,379 --> 01:10:57,040

could tell that it was glowing inside

1394

01:11:01,510 --> 01:10:59,389

yeah it looked like the hula inside

1395

01:11:03,790 --> 01:11:01,520

would just lit up if it's really white

1396

01:11:05,260 --> 01:11:03,800

wine all right let me interrupt you here

1397

01:11:07,120 --> 01:11:05,270

because we have to go to our bottom of

1398

01:11:17,330 --> 01:11:07,130

the hour break when we come back we'll

1399

01:11:24,060 --> 01:11:21,479

now back to exploring the bazaars with

1400

01:11:27,359 --> 01:11:24,070

two of the most electrifying researchers

1401
01:11:32,879 --> 01:11:27,369
in the Paranoid your hosts Timothy Becca

1402
01:11:35,100 --> 01:11:32,889
Lee panting sports all right welcome

1403
01:11:38,009 --> 01:11:35,110
back to the final segment of exploring

1404
01:11:41,069 --> 01:11:38,019
the bizarre I tell you Tim I mean I

1405
01:11:44,520 --> 01:11:41,079
can't believe here we are already the

1406
01:11:45,899 --> 01:11:44,530
show's almost over it's just a time just

1407
01:11:48,689 --> 01:11:45,909
really goes by when we have such a

1408
01:11:50,339 --> 01:11:48,699
fascinating guest well this has been

1409
01:11:52,529 --> 01:11:50,349
this has been a good day this has been a

1410
01:11:55,279 --> 01:11:52,539
good show as most of those most of

1411
01:11:58,229 --> 01:11:55,289
programs that we do are but I kind of

1412
01:12:01,259 --> 01:11:58,239
like this type of conversation because

1413
01:12:04,680 --> 01:12:01,269

it elevates the field

1414

01:12:08,490 --> 01:12:04,690

I mean we're gonna discuss it in more of

1415

01:12:11,310 --> 01:12:08,500

the scientific terms and possibly some

1416

01:12:13,709 --> 01:12:11,320

of our other guests are able to do but

1417

01:12:16,200 --> 01:12:13,719

we do have a variety of people on you

1418

01:12:18,390 --> 01:12:16,210

know we've gotten a lot of comments on

1419

01:12:21,479 --> 01:12:18,400

that show we did about a month ago Tim

1420

01:12:23,970 --> 01:12:21,489

on the alien artifact when we had John

1421

01:12:27,680 --> 01:12:23,980

Peel on all right boy I wish that that

1422

01:12:30,120 --> 01:12:27,690

that case could be necessarily in

1423

01:12:33,140 --> 01:12:30,130

investigative but a long time has passed

1424

01:12:35,700 --> 01:12:33,150

since he found the artifact while

1425

01:12:38,580 --> 01:12:35,710

running through the desert and of course

1426

01:12:40,740 --> 01:12:38,590

it it disappeared I won't say

1427

01:12:43,799 --> 01:12:40,750

mysteriously but it kind of vanished I

1428

01:12:45,810 --> 01:12:43,809

guess when he when he separated from his

1429

01:12:47,939 --> 01:12:45,820

wife and stuff were packed and

1430

01:12:49,770 --> 01:12:47,949

apparently put in storage or maybe they

1431

01:12:51,629 --> 01:12:49,780

weren't put in storage or thrown out or

1432

01:12:53,549 --> 01:12:51,639

what happens you know so there we got

1433

01:12:56,399 --> 01:12:53,559

the the golden goose that laid the

1434

01:13:00,390 --> 01:12:56,409

golden egg and the the a the egg is

1435

01:13:01,529 --> 01:13:00,400

missing and so is the goose well there

1436

01:13:03,299 --> 01:13:01,539

you go we can always come up with

1437

01:13:08,609 --> 01:13:03,309

another goose but maybe not the egg

1438

01:13:11,729 --> 01:13:08,619

anyway continue on well right I wanted

1439

01:13:13,859 --> 01:13:11,739

to ask you now the the title of your of

1440

01:13:17,689 --> 01:13:13,869

the book is beyond UFOs the science of

1441

01:13:22,770 --> 01:13:17,699

consciousness and contact with non-human

1442

01:13:25,630 --> 01:13:22,780

intelligence now somebody coming into

1443

01:13:27,760 --> 01:13:25,640

this now they when would they

1444

01:13:30,040 --> 01:13:27,770

here the term non-human intelligence

1445

01:13:34,780 --> 01:13:30,050

their minds would automatically go to

1446

01:13:37,480 --> 01:13:34,790

say like extraterrestrial but you know

1447

01:13:44,190 --> 01:13:37,490

the impression that I that I am getting

1448

01:13:50,200 --> 01:13:44,200

is that the term extraterrestrial may be

1449

01:13:53,170 --> 01:13:50,210

kind of a simplistic yes it is it's a

1450

01:13:56,950 --> 01:13:53,180

very simplistic term because just like

1451

01:13:58,870 --> 01:13:56,960

jacque de l'Est what we hypothesize in

1452

01:14:01,690 --> 01:13:58,880

our research findings is that this

1453

01:14:04,600 --> 01:14:01,700

phenomenon is much more complex

1454

01:14:09,580 --> 01:14:04,610

complicated than just extraterrestrial

1455

01:14:13,870 --> 01:14:09,590

or physical crafts all of our board

1456

01:14:16,770 --> 01:14:13,880

members hypothesize including the late

1457

01:14:21,000 --> 01:14:16,780

dr. Edgar Mitchell dr. Rudi Shields and

1458

01:14:25,240 --> 01:14:21,010

the vast majority of all board members

1459

01:14:28,030 --> 01:14:25,250

hypothesize that all of the paranormal

1460

01:14:30,010 --> 01:14:28,040

contact modalities for example

1461

01:14:33,190 --> 01:14:30,020

out-of-body experiences near-death

1462

01:14:35,650 --> 01:14:33,200

experiences channeling communication

1463

01:14:38,230 --> 01:14:35,660

would go some spirits even

1464

01:14:40,780 --> 01:14:38,240

hallucinogenic journeys people that take

1465

01:14:42,870 --> 01:14:40,790

ayahuasca magic mushrooms and have

1466

01:14:45,940 --> 01:14:42,880

interactions with non-human intelligence

1467

01:14:48,340 --> 01:14:45,950

that all of these phenomenon that

1468

01:14:53,320 --> 01:14:48,350

they're all interrelated that they're

1469

01:14:55,390 --> 01:14:53,330

all one phenomenon even though many

1470

01:14:58,390 --> 01:14:55,400

individuals many researchers use them as

1471

01:15:00,370 --> 01:14:58,400

separate and distinct phenomena we

1472

01:15:02,980 --> 01:15:00,380

believe that it's all one phenomenon and

1473

01:15:05,980 --> 01:15:02,990

that the key to understanding this

1474

01:15:10,510 --> 01:15:05,990

interconnection is consciousness which

1475

01:15:12,850 --> 01:15:10,520

is how the human being interacts with

1476

01:15:18,190 --> 01:15:12,860

the cosmological construct of our

1477

01:15:20,590 --> 01:15:18,200

reality our book has two chapters that

1478

01:15:22,510 --> 01:15:20,600

deal with that theoretical aspect of it

1479

01:15:25,810 --> 01:15:22,520

one written by the late dr. Edgar

1480

01:15:28,150 --> 01:15:25,820

Mitchell title nature's mind the quantum

1481

01:15:32,560 --> 01:15:28,160

hologram and the other one is another

1482

01:15:36,569 --> 01:15:32,570

article by Rudy shields titled local and

1483

01:15:39,330 --> 01:15:36,579

non-local aspects of consciousness

1484

01:15:41,790 --> 01:15:39,340

and we're also going to be having a

1485

01:15:44,700 --> 01:15:41,800

volume to book which is going to be

1486

01:15:47,910 --> 01:15:44,710

focused mainly on the theoretical topic

1487

01:15:49,410 --> 01:15:47,920

of consciousness and context and we have

1488

01:15:53,750 --> 01:15:49,420

various academics that are writing

1489

01:15:57,689 --> 01:15:53,760

articles for that so that that's what

1490

01:16:00,870 --> 01:15:57,699

makes our organization very different

1491

01:16:03,000 --> 01:16:00,880

from the typical ufology organization is

1492

01:16:05,370 --> 01:16:03,010

that we are not a ufology organization

1493

01:16:08,370 --> 01:16:05,380

we don't have any interest in

1494

01:16:12,149 --> 01:16:08,380

researching specific in-depth case

1495

01:16:15,540 --> 01:16:12,159

studies of individual cases photos

1496

01:16:18,810 --> 01:16:15,550

researching photos or videos the the

1497

01:16:21,419 --> 01:16:18,820

materialists nuts-and-bolts approach our

1498

01:16:24,180 --> 01:16:21,429

perspective is that over the last 70

1499

01:16:26,640 --> 01:16:24,190

years that paradigm has really

1500

01:16:28,979 --> 01:16:26,650

contributed very little to the

1501

01:16:33,120 --> 01:16:28,989

understanding of the UFO contact

1502

01:16:35,729 --> 01:16:33,130

phenomenon we believe that researching

1503

01:16:38,339 --> 01:16:35,739

the experimenter the people are having

1504

01:16:40,799 --> 01:16:38,349

these experiences contact with non-human

1505

01:16:44,430 --> 01:16:40,809

intelligence not just people just seeing

1506

01:16:46,950 --> 01:16:44,440

a UFO in the sky that that in turn can

1507

01:16:49,020 --> 01:16:46,960

give us a lot more about the other is

1508

01:16:51,140 --> 01:16:49,030

commonly called the UFO contact

1509

01:16:53,700 --> 01:16:51,150

phenomenon which we prefer the term

1510

01:16:57,089 --> 01:16:53,710

unidentified aerial phenomena instead of

1511

01:16:59,430 --> 01:16:57,099

UFO and we also have Popeyes that the

1512

01:17:02,220 --> 01:16:59,440

experimenter holds the key to

1513

01:17:04,910 --> 01:17:02,230

understanding what is consciousness what

1514

01:17:08,459 --> 01:17:04,920

is the true nature of our reality

1515

01:17:10,379 --> 01:17:08,469

because when you're having more

1516

01:17:13,020 --> 01:17:10,389

individuals that are being transported

1517

01:17:15,870 --> 01:17:13,030

to other realities sort of like an

1518

01:17:18,510 --> 01:17:15,880

out-of-body experience see really into

1519

01:17:21,299 --> 01:17:18,520

other reality then people that have been

1520

01:17:24,149 --> 01:17:21,309

abducted when you've had 80% of the

1521

01:17:26,250 --> 01:17:24,159

people that answer our surveys stating

1522

01:17:30,209 --> 01:17:26,260

that they've had out-of-body experiences

1523

01:17:32,760 --> 01:17:30,219

when you've had 95 percent of these

1524

01:17:34,410 --> 01:17:32,770

individuals in our survey that have had

1525

01:17:37,500 --> 01:17:34,420

one or more different types of

1526
01:17:41,970 --> 01:17:37,510
paranormal experiences in 37 percent of

1527
01:17:44,399 --> 01:17:41,980
had near-death experiences 67 percent

1528
01:17:47,600 --> 01:17:44,409
have had telepathic communications over

1529
01:17:50,339 --> 01:17:47,610
50 percent have physically seen orbs

1530
01:17:52,169 --> 01:17:50,349
even goes

1531
01:17:54,509 --> 01:17:52,179
people are physically seen a ghost or a

1532
01:17:57,089 --> 01:17:54,519
spirit it was over 50% of these people

1533
01:17:58,259 --> 01:17:57,099
very very kind numbers of paranormal

1534
01:18:00,509 --> 01:17:58,269
type of experiences

1535
01:18:02,790 --> 01:18:00,519
well we pray though the question the

1536
01:18:05,339 --> 01:18:02,800
question the question comes up in my

1537
01:18:08,699 --> 01:18:05,349
mind is okay you're dealing with the

1538
01:18:11,239 --> 01:18:08,709

people that have these a consciousness

1539

01:18:14,489 --> 01:18:11,249

altering experiences are these

1540

01:18:16,469 --> 01:18:14,499

necessarily related to the objects that

1541

01:18:21,629 --> 01:18:16,479

the people call UFOs that are seen in

1542

01:18:25,219 --> 01:18:21,639

the sky on 100 110 % because what make

1543

01:18:29,489 --> 01:18:25,229

sure what they just say though we've had

1544

01:18:33,029 --> 01:18:29,499

more than 75% of these people had seen

1545

01:18:36,449 --> 01:18:33,039

UFOs these are all individuals that are

1546

01:18:40,859 --> 01:18:36,459

seeing a being that will are related to

1547

01:18:43,409 --> 01:18:40,869

UFOs well how many how many of them have

1548

01:18:46,949 --> 01:18:43,419

actually seen them come out of the ship

1549

01:18:49,830 --> 01:18:46,959

let's say for example well rarely do you

1550

01:18:52,049 --> 01:18:49,840

see people fear being come out of a ship

1551

01:18:54,810 --> 01:18:52,059

just like in all the stories you read on

1552

01:18:56,819 --> 01:18:54,820

the internet all these books that's not

1553

01:18:59,969 --> 01:18:56,829

the typical scenario people seeing a

1554

01:19:02,399 --> 01:18:59,979

being coming out of a ship the typical

1555

01:19:05,549 --> 01:19:02,409

scenarios are what we actually have the

1556

01:19:08,419 --> 01:19:05,559

statistics of their interactions with

1557

01:19:11,609 --> 01:19:08,429

beings where were they when these

1558

01:19:13,290 --> 01:19:11,619

situations took place very very varied

1559

01:19:14,669 --> 01:19:13,300

experiences I would have to look it up I

1560

01:19:15,929 --> 01:19:14,679

don't have it in front of me but the

1561

01:19:18,540 --> 01:19:15,939

other experiences that were in the

1562

01:19:21,179 --> 01:19:18,550

bedroom they were in the yard

1563

01:19:23,429 --> 01:19:21,189

they were on in a car traveling all of a

1564

01:19:24,959 --> 01:19:23,439

sudden they were you know transported

1565

01:19:28,379 --> 01:19:24,969

some other place well they were taken

1566

01:19:31,020 --> 01:19:28,389

out of the car I would say the number

1567

01:19:32,939 --> 01:19:31,030

one category would be in their bedroom

1568

01:19:35,580 --> 01:19:32,949

or in somewhere in their home these

1569

01:19:37,560 --> 01:19:35,590

types of physical interactions but in

1570

01:19:40,799 --> 01:19:37,570

terms of physically seeing a beam coming

1571

01:19:45,750 --> 01:19:40,809

out that's it that's not a common

1572

01:19:49,020 --> 01:19:45,760

scenario I don't know I don't know I

1573

01:19:53,099 --> 01:19:49,030

don't know well I'm just telling you

1574

01:19:55,409 --> 01:19:53,109

yeah you know this is what 4,200 people

1575

01:19:57,479 --> 01:19:55,419

have told yeah yeah yeah but Ray on the

1576

01:19:59,549 --> 01:19:57,489

other hand the 4,000 something people

1577

01:20:02,459 --> 01:19:59,559

there are million people who have had

1578

01:20:04,110 --> 01:20:02,469

interactions with UFO so I don't know is

1579

01:20:06,660 --> 01:20:04,120

it 4,000

1580

01:20:08,850 --> 01:20:06,670

instead of getting five or ten people

1581

01:20:12,060 --> 01:20:08,860

that boat Hopkins or David Jacobs wrote

1582

01:20:15,300 --> 01:20:12,070

in their hypnotic regressions okay

1583

01:20:17,520 --> 01:20:15,310

and also being highly selective and you

1584

01:20:19,230 --> 01:20:17,530

know with leading questions here you

1585

01:20:21,740 --> 01:20:19,240

have four thousand two hundred people

1586

01:20:23,550 --> 01:20:21,750

that answered over seven hundred

1587

01:20:26,610 --> 01:20:23,560

quantitative questions then wrote

1588

01:20:29,490 --> 01:20:26,620

details out so are you saying

1589

01:20:33,510 --> 01:20:29,500

are you saying then are you saying that

1590

01:20:37,640 --> 01:20:33,520

you don't accept is valid experiences

1591

01:20:41,640 --> 01:20:37,650

that happen under hypnosis our survey

1592

01:20:44,340 --> 01:20:41,650

excluded hypnotic regression we excluded

1593

01:20:48,080 --> 01:20:44,350

channeling we excluded lucid dreams

1594

01:20:51,500 --> 01:20:48,090

because even dr. John Mack stated that

1595

01:20:53,850 --> 01:20:51,510

the problems with hypnotic regressions

1596

01:20:57,630 --> 01:20:53,860

numerous problems one of them leading

1597

01:21:01,020 --> 01:20:57,640

questions bias of the researcher etc etc

1598

01:21:03,270 --> 01:21:01,030

so that's why we only requested

1599

01:21:06,680 --> 01:21:03,280

information based upon conscious

1600

01:21:11,070 --> 01:21:06,690

explicit memories so that would include

1601

01:21:15,750 --> 01:21:11,080

exclude antibody travel astral

1602

01:21:20,670 --> 01:21:15,760

projection only conscious explicit

1603

01:21:22,560 --> 01:21:20,680

memories if they perceive that as being

1604

01:21:25,190 --> 01:21:22,570

like a lot of people that have had an

1605

01:21:29,790 --> 01:21:25,200

Ahmadi experiences as very conscious

1606

01:21:35,300 --> 01:21:29,800

okay then that was included what we

1607

01:21:40,500 --> 01:21:35,310

specifically excluded was a lucid dream

1608

01:21:43,470 --> 01:21:40,510

channeling and hypnotic regressions we

1609

01:21:45,690 --> 01:21:43,480

did however in Phase three where they

1610

01:21:49,290 --> 01:21:45,700

were asked to write out the details of

1611

01:21:52,950 --> 01:21:49,300

the seventy open-ended questions we also

1612

01:21:55,980 --> 01:21:52,960

asked them to state in their responses

1613

01:21:57,750 --> 01:21:55,990

what type of memory it was and we had

1614

01:22:00,330 --> 01:21:57,760

like seventy different types of memory

1615

01:22:02,520 --> 01:22:00,340

responses seven different types of

1616

01:22:04,680 --> 01:22:02,530

memory responses where they were able to

1617

01:22:07,470 --> 01:22:04,690

say okay I had this experience etc etc

1618

01:22:10,110 --> 01:22:07,480

etc that was a lucid dream but it seemed

1619

01:22:13,440 --> 01:22:10,120

very very real okay you know as long as

1620

01:22:16,050 --> 01:22:13,450

they categorize it what type of a memory

1621

01:22:17,550 --> 01:22:16,060

it was I had this experience blah blah

1622

01:22:19,980 --> 01:22:17,560

blah that was was a meta

1623

01:22:22,020 --> 01:22:19,990

Hey all of a sudden you know I felt like

1624

01:22:25,230 --> 01:22:22,030

I was out of my body I was robbing

1625

01:22:28,230 --> 01:22:25,240

somewhere else so they stated how that

1626
01:22:30,210 --> 01:22:28,240
experience occurred the problem is that

1627
01:22:32,220 --> 01:22:30,220
you talk to a lot of experiences and

1628
01:22:33,990 --> 01:22:32,230
that happened to be the very beginning

1629
01:22:36,360 --> 01:22:34,000
when I would listen to a lot of

1630
01:22:38,700 --> 01:22:36,370
experience their stories is that they

1631
01:22:40,050 --> 01:22:38,710
would be going on from one experience or

1632
01:22:42,330 --> 01:22:40,060
another experience or another experience

1633
01:22:43,710 --> 01:22:42,340
and what you realize was that one

1634
01:22:46,170 --> 01:22:43,720
information came from a hypnotic

1635
01:22:48,480 --> 01:22:46,180
regression another information came from

1636
01:22:52,500 --> 01:22:48,490
a lucid dream another information came

1637
01:22:54,060 --> 01:22:52,510
from you know another source so but when

1638
01:22:57,150 --> 01:22:54,070

you're listening to that person you

1639

01:22:59,310 --> 01:22:57,160

believe that it was all conscious you

1640

01:23:04,520 --> 01:22:59,320

know explicit memories but no it was

1641

01:23:07,200 --> 01:23:04,530

King from diversity of sources so we our

1642

01:23:09,240 --> 01:23:07,210

organization we took the position that

1643

01:23:11,490 --> 01:23:09,250

there's certain types of memories which

1644

01:23:14,400 --> 01:23:11,500

are much more valid and less

1645

01:23:17,310 --> 01:23:14,410

controversial than others and so well

1646

01:23:21,360 --> 01:23:17,320

what we did is we eliminated the more

1647

01:23:25,560 --> 01:23:21,370

controversial memory recollections now

1648

01:23:29,040 --> 01:23:25,570

Alyssa talk a minute about the Edgar and

1649

01:23:31,500 --> 01:23:29,050

Mitchell's involvement with this was he

1650

01:23:41,220 --> 01:23:31,510

actually he passed away what about two

1651
01:23:43,710 --> 01:23:41,230
years ago now a year and a half ago 2015

1652
01:23:47,820 --> 01:23:43,720
applause yeah yeah okay what was he

1653
01:23:50,370 --> 01:23:47,830
involved in any of the research in this

1654
01:23:55,680 --> 01:23:50,380
aspect involving the people who had

1655
01:23:57,030 --> 01:23:55,690
experiences oh yes he spoke he had a

1656
01:24:01,320 --> 01:23:57,040
relationship with hundreds of

1657
01:24:03,660 --> 01:24:01,330
experiences except that that side of

1658
01:24:06,120 --> 01:24:03,670
Edgar was another public he always heard

1659
01:24:08,790 --> 01:24:06,130
about the ufology the disclosure Edgar

1660
01:24:10,860 --> 01:24:08,800
not the part with the experience well

1661
01:24:12,570 --> 01:24:10,870
what we did it we did have a gentleman

1662
01:24:14,850 --> 01:24:12,580
we had a gentleman on our program a

1663
01:24:17,370 --> 01:24:14,860

couple of weeks ago a Wilbur Alan are

1664

01:24:20,580 --> 01:24:17,380

you familiar with him lives in there I

1665

01:24:24,240 --> 01:24:20,590

guess yeah well he he worked with the

1666

01:24:25,940 --> 01:24:24,250

dr. Mitchell and he had I don't know if

1667

01:24:28,680 --> 01:24:25,950

you would call them consciousness

1668

01:24:30,910 --> 01:24:28,690

lifting experiences but he was seeing

1669

01:24:32,530 --> 01:24:30,920

these orbs around the

1670

01:24:34,900 --> 01:24:32,540

the Capitol building and actually

1671

01:24:38,280 --> 01:24:34,910

photographing them on quite a number of

1672

01:24:42,130 --> 01:24:38,290

occasions and there was a presentation

1673

01:24:43,870 --> 01:24:42,140

given in Trenton my friend at Pat market

1674

01:24:46,540 --> 01:24:43,880

chilly Ophir I know God knows how many

1675

01:24:48,100 --> 01:24:46,550

years thirty years has been involved

1676

01:24:52,150 --> 01:24:48,110

with putting on a UFO conference there

1677

01:24:55,570 --> 01:24:52,160

and they had a dr. Mitchell I believe on

1678

01:24:57,700 --> 01:24:55,580

on skype or some other hook out and you

1679

01:25:00,930 --> 01:24:57,710

know he he seemed to be involved in this

1680

01:25:03,760 --> 01:25:00,940

particular of well photographic analysis

1681

01:25:06,400 --> 01:25:03,770

because this Wilmer Allen has a lot of

1682

01:25:09,100 --> 01:25:06,410

these the pictures that he is taken that

1683

01:25:10,420 --> 01:25:09,110

shows I wouldn't call them orbs but Tim

1684

01:25:13,630 --> 01:25:10,430

what would you say they're kind of

1685

01:25:16,690 --> 01:25:13,640

mysterious lights yeah that's probably

1686

01:25:20,080 --> 01:25:16,700

that probably as good as description as

1687

01:25:22,330 --> 01:25:20,090

any yeah and I don't know I mean that

1688

01:25:25,480 --> 01:25:22,340

dr. Mitchell they seemed and intrigued

1689

01:25:28,750 --> 01:25:25,490

enough by to to come via Skype at the

1690

01:25:31,750 --> 01:25:28,760

UFO conference you know I mean that was

1691

01:25:34,740 --> 01:25:31,760

a maybe about seven or eight or nine

1692

01:25:39,190 --> 01:25:34,750

years ago the details kind of a smear

1693

01:25:40,960 --> 01:25:39,200

yeah was a direct participant in our

1694

01:25:43,990 --> 01:25:40,970

research study he helped her develop the

1695

01:25:46,650 --> 01:25:44,000

question when the data was coming in I

1696

01:25:49,840 --> 01:25:46,660

would physically drive up to his home

1697

01:25:52,090 --> 01:25:49,850

they show him some of the printouts of

1698

01:25:55,210 --> 01:25:52,100

some of our data as it was coming in and

1699

01:26:00,130 --> 01:25:55,220

it validated you know his hypotheses

1700

01:26:02,220 --> 01:26:00,140

that these individuals are having what

1701
01:26:05,200 --> 01:26:02,230
but he turns you know parapsychological

1702
01:26:07,570 --> 01:26:05,210
type of content experiences were the

1703
01:26:10,060 --> 01:26:07,580
primary type of experiences and not

1704
01:26:12,250 --> 01:26:10,070
physical even though physical was a was

1705
01:26:15,550 --> 01:26:12,260
a component it was a minor very minor

1706
01:26:18,010 --> 01:26:15,560
component of it that well did he did he

1707
01:26:21,190 --> 01:26:18,020
claim did he claim I mean I I know

1708
01:26:23,110 --> 01:26:21,200
publicly he he didn't but did he ever

1709
01:26:24,960 --> 01:26:23,120
say anything in private that would lead

1710
01:26:28,870 --> 01:26:24,970
you to believe that he might have had

1711
01:26:31,030 --> 01:26:28,880
some sort of all consciousness alter

1712
01:26:33,970 --> 01:26:31,040
dating experience himself

1713
01:26:36,820 --> 01:26:33,980

oh yes he definitely had one in space

1714

01:26:40,030 --> 01:26:36,830

what he was returning back he called it

1715

01:26:44,900 --> 01:26:40,040

a samadhi experience where basically he

1716

01:26:46,070 --> 01:26:44,910

had universal knowledge you know

1717

01:26:47,930 --> 01:26:46,080

like a lot of people that have had a

1718

01:26:51,290 --> 01:26:47,940

near-death experience and they return

1719

01:26:54,380 --> 01:26:51,300

and they say I had all the information

1720

01:26:56,960 --> 01:26:54,390

of all reality you know like I tapped

1721

01:26:59,060 --> 01:26:56,970

into you know God source and I knew

1722

01:26:59,990 --> 01:26:59,070

everything but now it's all gone you

1723

01:27:02,090 --> 01:27:00,000

know where did it go

1724

01:27:04,250 --> 01:27:02,100

Edgar basically said the same thing that

1725

01:27:06,920 --> 01:27:04,260

all of a sudden you know many

1726

01:27:09,800 --> 01:27:06,930

experiences state the same thing contact

1727

01:27:11,570 --> 01:27:09,810

experiences mainly the ones that have

1728

01:27:15,740 --> 01:27:11,580

been brought to other realities other

1729

01:27:18,620 --> 01:27:15,750

dimensions by these beings and we've had

1730

01:27:22,010 --> 01:27:18,630

tons of these people who for example in

1731

01:27:27,350 --> 01:27:22,020

their bed they meet a human-looking be

1732

01:27:29,570 --> 01:27:27,360

with with a monk's robe as a matter of

1733

01:27:31,790 --> 01:27:29,580

fact we've had almost 450 people that

1734

01:27:33,830 --> 01:27:31,800

I've had interactions with non-human

1735

01:27:36,590 --> 01:27:33,840

intelligence addressed in a monk's robe

1736

01:27:39,440 --> 01:27:36,600

okay or Roman tunics some of them

1737

01:27:41,510 --> 01:27:39,450

described it as and all of a sudden

1738

01:27:43,520 --> 01:27:41,520

these people begin interacting with

1739

01:27:46,580 --> 01:27:43,530

these beings telepathically and they

1740

01:27:51,350 --> 01:27:46,590

bring them to another reality and then

1741

01:27:54,830 --> 01:27:51,360

these realities are sort of like you are

1742

01:27:56,480 --> 01:27:54,840

brought to a 3d reality and they're

1743

01:27:59,720 --> 01:27:56,490

they're interacting given spiritual

1744

01:28:02,930 --> 01:27:59,730

messages they're given tons of

1745

01:28:05,630 --> 01:28:02,940

telepathic communications even shown the

1746

01:28:06,890 --> 01:28:05,640

spirit world but that's like and they

1747

01:28:10,640 --> 01:28:06,900

get brought back and all of a sudden

1748

01:28:12,230 --> 01:28:10,650

they say that I had all this knowledge I

1749

01:28:13,940 --> 01:28:12,240

knew everything you know it's just like

1750

01:28:16,190 --> 01:28:13,950

a near-death experience and all of a

1751

01:28:20,690 --> 01:28:16,200

sudden it's like was taken away from us

1752

01:28:24,020 --> 01:28:20,700

what no are there okay okay I'm thinking

1753

01:28:27,800 --> 01:28:24,030

now like can we talk about any

1754

01:28:30,110 --> 01:28:27,810

individuals in particular that you think

1755

01:28:32,540 --> 01:28:30,120

have you know their stories I have a lot

1756

01:28:34,670 --> 01:28:32,550

of evidential information or they show a

1757

01:28:36,560 --> 01:28:34,680

pattern I'm not waiting for example

1758

01:28:38,720 --> 01:28:36,570

hundreds of people hundreds of these

1759

01:28:41,480 --> 01:28:38,730

people because we then followed up with

1760

01:28:45,800 --> 01:28:41,490

interviews with selected individuals to

1761

01:28:47,960 --> 01:28:45,810

write up in our book so any of them are

1762

01:28:51,770 --> 01:28:47,970

any of them mentioned by name in the in

1763

01:28:52,910 --> 01:28:51,780

the book a couple of more than a couple

1764

01:28:55,910 --> 01:28:52,920

for quite a few I'll mention my name

1765

01:28:57,650 --> 01:28:55,920

yeah okay and who would you say I mean

1766

01:28:58,610 --> 01:28:57,660

which would be at the forefront of

1767

01:29:00,710 --> 01:28:58,620

having these

1768

01:29:02,510 --> 01:29:00,720

the experiences that you give that

1769

01:29:07,810 --> 01:29:02,520

course it was a very close friend of

1770

01:29:09,680 --> 01:29:07,820

mine he's a retired federal DEA agents

1771

01:29:14,150 --> 01:29:09,690

when were people have brought down

1772

01:29:16,640 --> 01:29:14,160

Noriega his wife is a PC psychologist

1773

01:29:18,890 --> 01:29:16,650

his daughters a PhD psychologist he

1774

01:29:21,170 --> 01:29:18,900

holds a master's degree in business he

1775

01:29:22,880 --> 01:29:21,180

was a part of uh you know almost

1776

01:29:24,200 --> 01:29:22,890

three-letter agencies for many many

1777

01:29:27,500 --> 01:29:24,210

years

1778

01:29:30,200 --> 01:29:27,510

and and he's prominently mentioned in

1779

01:29:33,410 --> 01:29:30,210

our book and he's one of these people

1780

01:29:34,700 --> 01:29:33,420

out of like countries that is a being

1781

01:29:37,870 --> 01:29:34,710

appeared in their living room and

1782

01:29:41,740 --> 01:29:37,880

brought them to other realities it's

1783

01:29:44,990 --> 01:29:41,750

okay well let me finish one more point

1784

01:29:47,450 --> 01:29:45,000

people that took our survey they stated

1785

01:29:50,150 --> 01:29:47,460

that they have never told anyone else of

1786

01:29:54,860 --> 01:29:50,160

their experiences except for maybe a

1787

01:29:56,780 --> 01:29:54,870

spouse or a sibling or a child outside

1788

01:30:03,040 --> 01:29:56,790

of that it's never gone outside of that

1789

01:30:05,570 --> 01:30:03,050

very close intimate household well rehab

1790

01:30:08,740 --> 01:30:05,580

how do we get this information out to

1791

01:30:11,690 --> 01:30:08,750

the the public I mean what you were

1792

01:30:15,470 --> 01:30:11,700

composite job making they can read for

1793

01:30:17,390 --> 01:30:15,480

free we have a 90 page chapter one which

1794

01:30:20,420 --> 01:30:17,400

we're making available to the public

1795

01:30:23,270 --> 01:30:20,430

we've also have a 10 page prelude

1796

01:30:25,040 --> 01:30:23,280

written by dr. Rudi shields we have the

1797

01:30:27,350 --> 01:30:25,050

table of contents so you can see all the

1798

01:30:28,940 --> 01:30:27,360

chapters and all the authors in our book

1799

01:30:31,460 --> 01:30:28,950

one of them was actually the late brats

1800

01:30:33,680 --> 01:30:31,470

fioger he wrote all good friends I guess

1801

01:30:35,690 --> 01:30:33,690

yeah absolutely

1802

01:30:38,150 --> 01:30:35,700

he wrote the conclusion for our book

1803

01:30:38,540 --> 01:30:38,160

basically a few weeks before he passed

1804

01:30:41,420 --> 01:30:38,550

away

1805

01:30:45,410 --> 01:30:41,430

yes it was like he was right before he

1806

01:30:47,900 --> 01:30:45,420

went to hospital again you know it was

1807

01:30:52,280 --> 01:30:47,910

almost at his deathbed he he finished

1808

01:30:54,770 --> 01:30:52,290

writing that conclusion well so we know

1809

01:30:58,850 --> 01:30:54,780

I mean a magical person he and his wife

1810

01:31:02,390 --> 01:30:58,860

Cherie oh yeah I like it in contact with

1811

01:31:03,800 --> 01:31:02,400

her you know recently too and you know

1812

01:31:09,170 --> 01:31:03,810

tried to get her to come on in from

1813

01:31:11,390 --> 01:31:09,180

college so then yes people can send us

1814

01:31:14,959 --> 01:31:11,400

an email to info at

1815

01:31:19,250 --> 01:31:14,969

experencer dot org info at experience

1816

01:31:21,200 --> 01:31:19,260

org request to get the the samples from

1817

01:31:24,200 --> 01:31:21,210

our books the most important being

1818

01:31:27,530 --> 01:31:24,210

chapter one and I encourage everyone to

1819

01:31:30,080 --> 01:31:27,540

read it because it has a good majority

1820

01:31:32,720 --> 01:31:30,090

of our data from our book in the chapter

1821

01:31:35,209 --> 01:31:32,730

one it has the analysis of that data and

1822

01:31:38,840 --> 01:31:35,219

we also get into some of the speculative

1823

01:31:42,110 --> 01:31:38,850

physics the cosmological physics that

1824

01:31:45,110 --> 01:31:42,120

might explain some of this paranormal

1825

01:31:47,240 --> 01:31:45,120

phenomenon of how the experencer

1826

01:31:49,640 --> 01:31:47,250

interact with our multi-dimensional

1827

01:31:52,070 --> 01:31:49,650

reality what are the hypotheses that we

1828

01:31:54,260 --> 01:31:52,080

have as an organization especially our

1829

01:31:56,870 --> 01:31:54,270

three PhD physicist we also have dr.

1830

01:31:59,689 --> 01:31:56,880

Claude Swanson PC physicist from

1831

01:32:02,510 --> 01:31:59,699

Princeton University and he wrote the

1832

01:32:05,060 --> 01:32:02,520

book the synchronized universe all of us

1833

01:32:09,050 --> 01:32:05,070

I was just gonna say synchronicity we we

1834

01:32:12,350 --> 01:32:09,060

just did a book on synchronicities which

1835

01:32:14,840 --> 01:32:12,360

plays a very important role in all of

1836

01:32:18,890 --> 01:32:14,850

this in fact that was our last book was

1837

01:32:21,770 --> 01:32:18,900

450 pages it was the mind matrix of

1838

01:32:24,800 --> 01:32:21,780

control matrix of fill kick you know I

1839

01:32:27,380 --> 01:32:24,810

told all about my synchronicities with

1840

01:32:28,610 --> 01:32:27,390

you Emperor I did many many dozen and

1841

01:32:29,990 --> 01:32:28,620

I'm not just talking about thinking

1842

01:32:32,419 --> 01:32:30,000

about somebody in the telephone ringing

1843

01:32:34,880 --> 01:32:32,429

I mean the next day I and we were

1844

01:32:38,560 --> 01:32:34,890

talking about hardcore synchronicities

1845

01:32:43,010 --> 01:32:38,570

that have no ordinary explanation or

1846

01:32:45,620 --> 01:32:43,020

Edgar's article in our book nature's

1847

01:32:48,290 --> 01:32:45,630

mind the quantum hologram talks about

1848

01:32:51,110 --> 01:32:48,300

that how our universes all synchronize

1849

01:32:55,010 --> 01:32:51,120

it's all entangled and Rudy shields too

1850

01:32:57,830 --> 01:32:55,020

so the hypothesis that we have is that

1851

01:33:00,380 --> 01:32:57,840

this phenomenon because there's a proto

1852

01:33:02,600 --> 01:33:00,390

manipulation of space-time in these

1853

01:33:04,880 --> 01:33:02,610

experiences total manipulation even

1854

01:33:06,860 --> 01:33:04,890

Jacques Vallee stated that thirty years

1855

01:33:09,080 --> 01:33:06,870

ago and still maintains it that this

1856

01:33:12,320 --> 01:33:09,090

phenomenon is much more complicated than

1857

01:33:17,750 --> 01:33:12,330

just mainstream ecology but this is our

1858

01:33:19,610 --> 01:33:17,760

he hypothesizes it's in I I hope I hope

1859

01:33:23,540 --> 01:33:19,620

that this information I hope this

1860

01:33:24,800 --> 01:33:23,550

information gets out to a lot of people

1861

01:33:25,100 --> 01:33:24,810

and are you going to hold a press

1862

01:33:26,840 --> 01:33:25,110

conference

1863

01:33:29,240 --> 01:33:26,850

answer anything at some point and try to

1864

01:33:31,609 --> 01:33:29,250

get some media attention on this well

1865

01:33:34,820 --> 01:33:31,619

I'm gonna be presenting it several

1866

01:33:37,010 --> 01:33:34,830

conferences we're doing the radio

1867

01:33:40,280 --> 01:33:37,020

interviews and we're offering a free

1868

01:33:43,370 --> 01:33:40,290

copy of chapter one I once again it at

1869

01:33:45,340 --> 01:33:43,380

info at experience Oregon all right well

1870

01:33:47,570 --> 01:33:45,350

I do want to give a Irina's a chance to

1871

01:33:48,800 --> 01:33:47,580

tell people about her books where they

1872

01:33:53,240 --> 01:33:48,810

can get in for they get more information

1873

01:33:55,370 --> 01:33:53,250

from her and so forth oh well mines

1874

01:33:58,550 --> 01:33:55,380

inside the Lightning Bowl scientific

1875

01:34:01,760 --> 01:33:58,560

studies of lifelong UFO experiences you

1876

01:34:02,600 --> 01:34:01,770

can get it from Amazon come and I also

1877

01:34:07,250 --> 01:34:02,610

have a website

1878

01:34:09,669 --> 01:34:07,260

Irena Scott calm and it pops up and if

1879

01:34:15,169 --> 01:34:09,679

you click on it it goes right to the

1880

01:34:19,669 --> 01:34:15,179

Amazon calm place where you can buy it I

1881

01:34:22,910 --> 01:34:19,679

also think that the experiences are a

1882

01:34:26,209 --> 01:34:22,920

lot more complicated than just the

1883

01:34:30,590 --> 01:34:26,219

physical UFO but I don't understand them

1884

01:34:34,399 --> 01:34:30,600

and in my opinion from my own experience

1885

01:34:36,470 --> 01:34:34,409

I thought that it wasn't very conscious

1886

01:34:39,260 --> 01:34:36,480

I thought something was going on in my

1887

01:34:42,680 --> 01:34:39,270

mind that I wasn't conscious of that was

1888

01:34:45,590 --> 01:34:42,690

very hidden or something so I thought

1889

01:34:49,550 --> 01:34:45,600

I'd make that comment well I I think we

1890

01:34:51,950 --> 01:34:49,560

we that it covered the subjective rather

1891

01:34:54,350 --> 01:34:51,960

adequately and I do want to continue the

1892

01:34:56,720 --> 01:34:54,360

conversation at some point down the down

1893

01:34:58,220 --> 01:34:56,730

the road and a Tim I'll be talking to

1894

01:35:02,800 --> 01:34:58,230

you over the next couple of days when

1895

01:35:05,180 --> 01:35:02,810

finishing up on this book on

1896

01:35:07,820 --> 01:35:05,190

extraterrestrial relationships with

1897

01:35:10,310 --> 01:35:07,830
