

**EXPLORING  
THE  
BIZARRE**

1  
00:00:37,569 --> 00:00:21,830

[Music]

2  
00:00:44,520 --> 00:00:41,860

explode the bazaars are your e-ticket

3  
00:00:47,829 --> 00:00:44,530

ride into the world of the paranoid

4  
00:00:52,110 --> 00:00:47,839

strap yourself in as we traverse the

5  
00:00:55,259 --> 00:00:52,120

universe exploring the unexplained UFO s

6  
00:00:57,639 --> 00:00:55,269

ghosts Lost Worlds

7  
00:01:01,479 --> 00:00:57,649

cryptozoology waters as well as other

8  
00:01:06,609 --> 00:01:01,489

dimensions it's time to take back the

9  
00:01:09,730 --> 00:01:06,619

night now you are electrifying hosts of

10  
00:01:26,949 --> 00:01:09,740

exploring the bizarre Timothy Begley and

11  
00:01:30,130 --> 00:01:26,959

team sports Oh Tim Tim I don't mean to

12  
00:01:33,940 --> 00:01:30,140

disturb you by meditating but what are

13  
00:01:36,609 --> 00:01:33,950

you chanting about I'm chanting for

14

00:01:38,559 --> 00:01:36,619

world peace a healthy life for me and my

15

00:01:42,969 --> 00:01:38,569

friends and most of all for the

16

00:01:46,869 --> 00:01:42,979

continued success that's that's very

17

00:01:48,160 --> 00:01:46,879

commendable of you mind if I join well

18

00:02:01,749 --> 00:01:48,170

absolutely not

19

00:02:04,740 --> 00:02:01,759

let's go oh well hey good evening Tim

20

00:02:12,220 --> 00:02:08,680

oh it's another beautiful day in the

21

00:02:14,830 --> 00:02:12,230

neighborhood here Tim it's Thursday

22

00:02:17,050 --> 00:02:14,840

night and I'm ready and I'm sure our

23

00:02:19,660 --> 00:02:17,060

audience is ready again for another

24

00:02:23,830 --> 00:02:19,670

fantabulous episode of exploring the

25

00:02:26,290 --> 00:02:23,840

bizarre we are going new age tonight all

26

00:02:27,910 --> 00:02:26,300

the way new age you know we have a lot

27

00:02:29,740 --> 00:02:27,920

of friends who are new agers I don't

28

00:02:31,860 --> 00:02:29,750

know if I put myself necessarily in that

29

00:02:34,899 --> 00:02:31,870

category I mean people who write books

30

00:02:37,360 --> 00:02:34,909

like UFO hostilities and the evil agenda

31

00:02:39,580 --> 00:02:37,370

of the aliens I don't know if we could

32

00:02:45,520 --> 00:02:39,590

be considered to new age but we do give

33

00:02:51,400 --> 00:02:45,530

equal time to the yin and the yang and

34

00:02:54,660 --> 00:02:51,410

tonight it's time for the yang or is

35

00:02:58,270 --> 00:02:54,670

the yang anyway well suppose both equal

36

00:03:01,890 --> 00:02:58,280

alright well we'll soon find out where

37

00:03:05,800 --> 00:03:01,900

we are positioned in the universal flow

38

00:03:08,260 --> 00:03:05,810

energy and we've got two great guess

39

00:03:10,630 --> 00:03:08,270

that with us tonight one of them in

40

00:03:13,900 --> 00:03:10,640

particularly has been a longtime friend

41

00:03:18,310 --> 00:03:13,910

of either at least on the internet and

42

00:03:20,500 --> 00:03:18,320

is responsible for a great advertising

43

00:03:25,120 --> 00:03:20,510

campaign for some of our titles with a

44

00:03:27,730 --> 00:03:25,130

come out he isn't a great service where

45

00:03:29,050 --> 00:03:27,740

he provides I guess several hundred

46

00:03:31,840 --> 00:03:29,060

thousand names of people who are

47

00:03:35,140 --> 00:03:31,850

interested in a subject and sends out

48

00:03:38,170 --> 00:03:35,150

the notifications all over the world but

49

00:03:42,100 --> 00:03:38,180

Tim why should I tell the audience who

50

00:03:43,990 --> 00:03:42,110

we have on when that's your task that's

51  
00:03:46,990 --> 00:03:44,000  
right now I'm and I'm happy to have this

52  
00:03:49,270 --> 00:03:47,000  
task Tim well tonight we're we're very

53  
00:03:52,810 --> 00:03:49,280  
happy to have with us dr. Roger mark

54  
00:03:55,870 --> 00:03:52,820  
dove and dr. Susan Chomsky now we'll

55  
00:03:58,780 --> 00:03:55,880  
start first with dr. Raja we worked of

56  
00:04:02,220 --> 00:03:58,790  
now Raja is a licensed minister with a

57  
00:04:04,360 --> 00:04:02,230  
doctorate in naturopathy majoring in

58  
00:04:06,640 --> 00:04:04,370  
urology and I'm not sure if I'm

59  
00:04:08,800 --> 00:04:06,650  
pronouncing it correctly a nutrition he

60  
00:04:10,660 --> 00:04:08,810  
practiced for over a decade with an

61  
00:04:12,820 --> 00:04:10,670  
Alabama state license around the world

62  
00:04:16,810 --> 00:04:12,830  
before becoming a full-time et

63  
00:04:19,630 --> 00:04:16,820

ambassador after a direct et contact in

64

00:04:21,430 --> 00:04:19,640

the Yucatan jungles in 1980 we'll have

65

00:04:23,470 --> 00:04:21,440

to talk to him about that one having

66

00:04:25,200 --> 00:04:23,480

traveled this the planet performing

67

00:04:26,350 --> 00:04:25,210

sacred rituals with goodly

68

00:04:29,050 --> 00:04:26,360

extraterrestrials

69

00:04:31,960 --> 00:04:29,060

after being awakened by the work of

70

00:04:36,700 --> 00:04:31,970

Brad's tiger in his revelations to my

71

00:04:39,820 --> 00:04:36,710

goodness there you know my friend Brad

72

00:04:43,660 --> 00:04:39,830

god bless no I I know I know Brad's

73

00:04:45,850 --> 00:04:43,670

writings influenced so many people in

74

00:04:48,760 --> 00:04:45,860

his life well the book the writer was

75

00:04:51,970 --> 00:04:48,770

talking about was Brad's revelations the

76  
00:04:57,240 --> 00:04:51,980  
divine fire now Roger then led 12

77  
00:05:01,800 --> 00:04:57,250  
disciples of the light to Palin cue

78  
00:05:05,080 --> 00:05:01,810  
celebrating the harmonic convergence in

79  
00:05:07,240 --> 00:05:05,090  
1987 he also led 11 workers

80  
00:05:09,010 --> 00:05:07,250  
to the light of the light to Egypt to

81  
00:05:12,820 --> 00:05:09,020  
inaugurate 1111

82  
00:05:18,700 --> 00:05:12,830  
higher dimensional gateway and in 92

83  
00:05:20,770 --> 00:05:18,710  
that in 1991 so now dr. Roger Burke LOM

84  
00:05:23,640 --> 00:05:20,780  
founded the Aquarian perspectives

85  
00:05:26,710 --> 00:05:23,650  
interplanetary mission that offers a

86  
00:05:30,040 --> 00:05:26,720  
Syrian and play at ease Pleiades

87  
00:05:33,550 --> 00:05:30,050  
blessing sacraments to life-forms on

88  
00:05:36,670 --> 00:05:33,560

this planet and probably others as well

89

00:05:38,710 --> 00:05:36,680

also with us tonight is dr. Susan

90

00:05:40,840 --> 00:05:38,720

Chomsky now dr. Chomsky has dedicated

91

00:05:43,450 --> 00:05:40,850

her life to helping people take command

92

00:05:46,629 --> 00:05:43,460

of their lives in highly effective

93

00:05:49,210 --> 00:05:46,639

powerful positive ways she's the author

94

00:05:49,870 --> 00:05:49,220

of 14 books published by Simon &

95

00:05:52,629 --> 00:05:49,880

Schuster

96

00:05:55,240 --> 00:05:52,639

Random House new page and skyhorse

97

00:05:57,610 --> 00:05:55,250

publishing a pioneer in the human

98

00:05:59,400 --> 00:05:57,620

potential field she spent more than 50

99

00:06:02,969 --> 00:05:59,410

years training thousands of people

100

00:06:05,290 --> 00:06:02,979

meditation prayer affirmation and

101  
00:06:07,540 --> 00:06:05,300  
intuition her books have been published

102  
00:06:10,029 --> 00:06:07,550  
in several languages worldwide and

103  
00:06:11,950 --> 00:06:10,039  
several word number one amazon.com

104  
00:06:14,560 --> 00:06:11,960  
bestsellers they include divine

105  
00:06:17,770 --> 00:06:14,570  
revelation Miracle prayer how to hear

106  
00:06:21,070 --> 00:06:17,780  
the voice of God ascension exploring

107  
00:06:24,400 --> 00:06:21,080  
meditation exploring auras and her most

108  
00:06:27,730 --> 00:06:24,410  
recent is Mary she and me seeking

109  
00:06:28,839 --> 00:06:27,740  
enlightenment with The Beatles guru so

110  
00:06:31,659 --> 00:06:28,849  
dr. Tomsy

111  
00:06:32,950 --> 00:06:31,669  
and dr. Raja murk dove thank you very

112  
00:06:36,100 --> 00:06:32,960  
much for being with us tonight on

113  
00:06:38,680 --> 00:06:36,110

exploring the bazaar thank you

114

00:06:41,080 --> 00:06:38,690

oh this is this is gonna be at this is

115

00:06:44,320 --> 00:06:41,090

we're gonna really get into this yeah I

116

00:06:46,360 --> 00:06:44,330

want to ask you should I quit dr. dub or

117

00:06:51,930 --> 00:06:46,370

dub or Raja or how would you like to be

118

00:06:53,920 --> 00:06:51,940

addressed yeah Raja is fine okay Roger

119

00:06:57,640 --> 00:06:53,930

I've known you at least through

120

00:07:01,480 --> 00:06:57,650

correspondence for I don't know 15 years

121

00:07:03,219 --> 00:07:01,490

maybe longer than that but I I never did

122

00:07:05,200 --> 00:07:03,229

really learned too much about your

123

00:07:09,400 --> 00:07:05,210

background although I've known you've

124

00:07:15,690 --> 00:07:09,410

been very active in interplanetary and

125

00:07:23,219 --> 00:07:18,780

consciousness of where I

126

00:07:27,250 --> 00:07:23,229

let's go back to your to your youthful

127

00:07:29,740 --> 00:07:27,260

days two weeks ago and tell me a little

128

00:07:31,750 --> 00:07:29,750

bit about yourself tell me a little bit

129

00:07:38,050 --> 00:07:31,760

about yourself here your beginning in

130

00:07:44,340 --> 00:07:38,060

your origins yes I suppose I was always

131

00:07:49,840 --> 00:07:44,350

different in that when I became aware of

132

00:07:53,310 --> 00:07:49,850

having my own mind that I seemed to

133

00:07:56,350 --> 00:07:53,320

think differently than the way the

134

00:08:00,460 --> 00:07:56,360

average person was being trained to

135

00:08:03,000 --> 00:08:00,470

think in the schools I I felt that the

136

00:08:09,430 --> 00:08:03,010

schools were training grounds

137

00:08:15,129 --> 00:08:09,440

to make Americans good whatever that was

138

00:08:17,950 --> 00:08:15,139

and my consumers and loading a certain

139

00:08:21,100 --> 00:08:17,960

way and believing a certain way and

140

00:08:25,020 --> 00:08:21,110

everything was supposed to be matched up

141

00:08:29,830 --> 00:08:25,030

and yet if you didn't walk to if you

142

00:08:31,750 --> 00:08:29,840

marched or step to a different beat to a

143

00:08:35,459 --> 00:08:31,760

different drum you were considered odd

144

00:08:40,810 --> 00:08:35,469

at least yes and if you believe in

145

00:08:44,260 --> 00:08:40,820

extraterrestrials well you were really

146

00:08:47,590 --> 00:08:44,270

after the deep end and then if you were

147

00:08:49,930 --> 00:08:47,600

to add health foods back in the day you

148

00:08:54,730 --> 00:08:49,940

would call the health food nut if you

149

00:08:57,790 --> 00:08:54,740

were to eat healthy foods yeah so yes I

150

00:09:00,449 --> 00:08:57,800

was saying just very fact that believing

151

00:09:04,120 --> 00:09:00,459

in extraterrestrials and believing and

152

00:09:07,480 --> 00:09:04,130

eating health healthy foods was was good

153

00:09:10,120 --> 00:09:07,490

for a human being and there was more to

154

00:09:12,790 --> 00:09:10,130

life than what we were taught in the in

155

00:09:15,400 --> 00:09:12,800

the Catholic schools and that even the

156

00:09:19,630 --> 00:09:15,410

parochial schools the public schools and

157

00:09:22,570 --> 00:09:19,640

that we needed to reach out now luckily

158

00:09:24,880 --> 00:09:22,580

I did believe that the United States of

159

00:09:28,829 --> 00:09:24,890

America was good because it was offering

160

00:09:32,730 --> 00:09:28,839

us the true possibility for freedom in

161

00:09:36,510 --> 00:09:32,740

in the Constitution and the preamble and

162

00:09:39,810 --> 00:09:36,520

the loss but the actuality of it has not

163

00:09:44,220 --> 00:09:39,820

been realized in fact it it's been taken

164

00:09:48,150 --> 00:09:44,230

over by many different beasts in fact

165

00:09:52,500 --> 00:09:48,160

the whole planet is sort of taken over

166

00:09:55,670 --> 00:09:52,510

by many different kinds of beasts now

167

00:09:59,510 --> 00:09:55,680

what would you say was your first

168

00:10:02,100 --> 00:09:59,520

experience I mean is there any pivotal

169

00:10:04,500 --> 00:10:02,110

point epiphany I believe that's the word

170

00:10:08,940 --> 00:10:04,510

I've heard thrown around from time to

171

00:10:14,210 --> 00:10:08,950

time that yeah did you in a you know in

172

00:10:20,190 --> 00:10:14,220

a different direction when I was 30 I

173

00:10:23,010 --> 00:10:20,200

they say that the Kundalini rises up the

174

00:10:24,840 --> 00:10:23,020

chakras and the spinal column up fully

175

00:10:30,960 --> 00:10:24,850

into the third eye on the ground

176

00:10:35,240 --> 00:10:30,970

chocolate at age 30 is when the the man

177

00:10:39,210 --> 00:10:35,250

has opportunity to fully become aware

178

00:10:44,040 --> 00:10:39,220

physiologically I was in the jungles of

179

00:10:49,470 --> 00:10:44,050

the Yucatan and I had an experience at

180

00:10:51,480 --> 00:10:49,480

the foot of the temple after eating some

181

00:10:56,820 --> 00:10:51,490

mushrooms that were growing down there

182

00:10:59,880 --> 00:10:56,830

and I had precognition and teleportal

183

00:11:03,600 --> 00:10:59,890

app telepathy and I could talk with the

184

00:11:07,860 --> 00:11:03,610

gorillas and I was told that I am

185

00:11:12,330 --> 00:11:07,870

actually lived in them in that village

186

00:11:16,380 --> 00:11:12,340

before as an extraterrestrial then I had

187

00:11:20,700 --> 00:11:16,390

come to that village and helped to bring

188

00:11:23,750 --> 00:11:20,710

information and energy to it to uplift

189

00:11:27,630 --> 00:11:23,760

it to raise it up to a higher level and

190

00:11:30,570 --> 00:11:27,640

and that I had come back now as the

191

00:11:33,120 --> 00:11:30,580

person that I am now to help bring back

192

00:11:37,650 --> 00:11:33,130

that information in the in that

193

00:11:47,830 --> 00:11:37,660

technology to a planet that needs to be

194

00:11:53,810 --> 00:11:51,140

it was that was what my mind told me

195

00:11:55,040 --> 00:11:53,820

that my research okay okay all right I

196

00:11:57,050 --> 00:11:55,050

got you all right

197

00:12:03,890 --> 00:11:57,060

you were you were were you out of your

198

00:12:05,900 --> 00:12:03,900

body or well no that potenti talking

199

00:12:10,550 --> 00:12:05,910

about there there during the time with

200

00:12:13,790 --> 00:12:10,560

the mushroom yeah that was that was like

201  
00:12:17,630 --> 00:12:13,800  
the main experience that let me know

202  
00:12:22,340 --> 00:12:17,640  
that I was dealing with energies or that

203  
00:12:26,840 --> 00:12:22,350  
were beyond the normal because I awoke

204  
00:12:29,060 --> 00:12:26,850  
in the field of the pyramids to hear

205  
00:12:34,040 --> 00:12:29,070  
people talking about me

206  
00:12:36,020 --> 00:12:34,050  
oh maybe 60 feet behind me and I thought

207  
00:12:37,790 --> 00:12:36,030  
well that's odd and they said and that

208  
00:12:41,630 --> 00:12:37,800  
they were they were saying how odd I

209  
00:12:45,590 --> 00:12:41,640  
look sitting over there in meditation

210  
00:12:50,000 --> 00:12:45,600  
pose under the tree and I thought what

211  
00:12:54,860 --> 00:12:50,010  
where are we talking about the 60s far

212  
00:12:59,510 --> 00:12:54,870  
1960s are we talking about the 1960s no

213  
00:13:04,280 --> 00:12:59,520

this was 1980s Oh 1980 okay you're a

214

00:13:12,250 --> 00:13:04,290

late bloomer the early eighties yeah and

215

00:13:17,440 --> 00:13:12,260

then and then I I heard the monkeys were

216

00:13:21,680 --> 00:13:17,450

calling out like like they were it was

217

00:13:26,780 --> 00:13:21,690

really it's like a fearsome call and

218

00:13:29,870 --> 00:13:26,790

then I realized I had a realization that

219

00:13:32,890 --> 00:13:29,880

no I wasn't to be afraid those monkeys

220

00:13:38,140 --> 00:13:32,900

that I had lived there before with them

221

00:13:41,360 --> 00:13:38,150

and that I had come in and a shift and

222

00:13:44,750 --> 00:13:41,370

worked with the village people in that

223

00:13:48,770 --> 00:13:44,760

area including the monkeys and we all

224

00:13:51,500 --> 00:13:48,780

communicated together telepathically and

225

00:13:55,070 --> 00:13:51,510

use our imagination yeah had you done a

226

00:13:57,430 --> 00:13:55,080

lot of traveling at that point

227

00:14:00,320 --> 00:13:57,440

no that was the beginning of my trips

228

00:14:04,520 --> 00:14:00,330

because that was where you might say

229

00:14:06,860 --> 00:14:04,530

that I was given my mission okay

230

00:14:09,610 --> 00:14:06,870

and what that one how would you how

231

00:14:13,730 --> 00:14:09,620

would you describe your your mission

232

00:14:18,560 --> 00:14:13,740

well it wasn't until later that I went

233

00:14:20,900 --> 00:14:18,570

back up to Arizona from that experience

234

00:14:23,300 --> 00:14:20,910

and a few others and I was I had

235

00:14:27,050 --> 00:14:23,310

hepatitis you might even say I was dying

236

00:14:29,180 --> 00:14:27,060

from hepatitis I was where I was turned

237

00:14:32,060 --> 00:14:29,190

I was very yellow and yellow jaundice

238

00:14:35,120 --> 00:14:32,070

and I had just barely made it over the

239

00:14:37,850 --> 00:14:35,130

border I was in Tucson and I went into

240

00:14:40,190 --> 00:14:37,860

the doctor their medical doctor because

241

00:14:43,700 --> 00:14:40,200

I was nature fabric doctor but it was

242

00:14:46,220 --> 00:14:43,710

beyond my abilities to do anything to

243

00:14:49,820 --> 00:14:46,230

move it I was really sick sick very

244

00:14:52,400 --> 00:14:49,830

sickly and I went to see DM Dean he said

245

00:14:56,150 --> 00:14:52,410

no sign there's nothing much that can be

246

00:15:00,380 --> 00:14:56,160

done because you're already very sick

247

00:15:03,260 --> 00:15:00,390

with hepatitis and your liver is floun

248

00:15:08,210 --> 00:15:03,270

up to 3 centimeters fast but it's normal

249

00:15:10,100 --> 00:15:08,220

and you're either you either die or your

250

00:15:11,900 --> 00:15:10,110

liver will get strong and you'll and

251

00:15:13,670 --> 00:15:11,910

you'll be okay but there's nothing that

252

00:15:17,300 --> 00:15:13,680

I can do for you there's no medicine

253

00:15:20,420 --> 00:15:17,310

nothing so I wrote back from that doctor

254

00:15:24,890 --> 00:15:20,430

on the bus as I was researching my books

255

00:15:26,990 --> 00:15:24,900

on on extraterrestrial phenomenon and

256

00:15:30,170 --> 00:15:27,000

what I was doing in the jungles and why

257

00:15:33,170 --> 00:15:30,180

I was researching this sort of in a very

258

00:15:36,410 --> 00:15:33,180

possessive way and I came across a book

259

00:15:41,450 --> 00:15:36,420

by grad stager regulation the divine

260

00:15:43,880 --> 00:15:41,460

fire we published an addition to that I

261

00:15:46,280 --> 00:15:43,890

don't know if it's the yeah and what are

262

00:15:48,170 --> 00:15:46,290

not very editions of that yeah yeah I

263

00:15:50,000 --> 00:15:48,180

still have a few copies left but I think

264

00:15:51,710 --> 00:15:50,010

they were the badly prettier ones where

265

00:15:53,540 --> 00:15:51,720

some of the pages are upside down but

266

00:15:54,950 --> 00:15:53,550

then a good Brad stager book you

267

00:15:58,370 --> 00:15:54,960

couldn't read it you know standing on

268

00:16:01,300 --> 00:15:58,380

your head so that's okay yelling fight

269

00:16:05,090 --> 00:16:01,310

fight a great book very felt one of his

270

00:16:07,490 --> 00:16:05,100

finest no doubt yes yeah it was a

271

00:16:08,980 --> 00:16:07,500

wonderful book and it it was in a

272

00:16:10,600 --> 00:16:08,990

library and

273

00:16:13,810 --> 00:16:10,610

I had just come out of that doctor's

274

00:16:16,780 --> 00:16:13,820

office and it seemingly fell into my

275

00:16:21,100 --> 00:16:16,790

hands and I was reading it and in there

276

00:16:23,680 --> 00:16:21,110

it said that there was an he was

277

00:16:26,800 --> 00:16:23,690

reporting an extraterrestrial experience

278

00:16:28,870 --> 00:16:26,810

with the guy who was down in the South

279

00:16:31,900 --> 00:16:28,880

American villages maybe Ecuador or

280

00:16:35,440 --> 00:16:31,910

something and then he was he was dying

281

00:16:39,040 --> 00:16:35,450

of hepatitis and his liver had flown up

282

00:16:42,150 --> 00:16:39,050

to 3 centimeters past what was normal

283

00:16:46,650 --> 00:16:42,160

for and he was dying but that he had an

284

00:16:49,269 --> 00:16:46,660

authentic extraterrestrial visitation

285

00:16:53,170 --> 00:16:49,279

where the extra-terrestrial said that

286

00:16:55,329 --> 00:16:53,180

they can heal him of that and he said oh

287

00:17:00,040 --> 00:16:55,339

thank you and they healed him of it and

288

00:17:02,500 --> 00:17:00,050

he was instantly healed and uh I said

289

00:17:06,429 --> 00:17:02,510

that's what's happening to me and I said

290

00:17:07,980 --> 00:17:06,439

not only it might heat dying of this but

291

00:17:11,470 --> 00:17:07,990

I also just had an extraterrestrial

292

00:17:14,260 --> 00:17:11,480

contact and I put the book I said surely

293

00:17:18,100 --> 00:17:14,270

to God I'm reading this miraculous

294

00:17:20,919 --> 00:17:18,110

experience to know that I too could be

295

00:17:23,199 --> 00:17:20,929

healed of this by an extraterrestrial I

296

00:17:26,949 --> 00:17:23,209

mean that's why it's happening and sure

297

00:17:28,990 --> 00:17:26,959

enough I put the book down and when I

298

00:17:32,530 --> 00:17:29,000

got off the book something told me that

299

00:17:35,620 --> 00:17:32,540

I was healed that I felt better I did

300

00:17:38,650 --> 00:17:35,630

feel better I didn't have to have

301

00:17:42,010 --> 00:17:38,660

something tell me that I felt better I

302

00:17:44,590 --> 00:17:42,020

felt better and I knew I was better and

303

00:17:47,620 --> 00:17:44,600

I knew I was healed I didn't need the

304

00:17:50,470 --> 00:17:47,630

doctor or even my advice or any advice

305

00:17:54,880 --> 00:17:50,480

the yellowness had gone away and I was

306

00:17:57,850 --> 00:17:54,890

healed right after reading that so to me

307

00:18:00,220 --> 00:17:57,860

that was like miraculous that was an

308

00:18:03,850 --> 00:18:00,230

event in my life that was taking me

309

00:18:06,850 --> 00:18:03,860

another step toward showing me that the

310

00:18:09,330 --> 00:18:06,860

extraterrestrials were guiding me so

311

00:18:12,940 --> 00:18:09,340

that's when I began to realize that

312

00:18:16,090 --> 00:18:12,950

there I'm I have they chose me to do a

313

00:18:19,900 --> 00:18:16,100

mission and so I had to figure out what

314

00:18:22,150 --> 00:18:19,910

what in the world with the mission be so

315

00:18:24,670 --> 00:18:22,160

little things like this began happening

316

00:18:27,720 --> 00:18:24,680

all around all the time including three

317

00:18:33,040 --> 00:18:27,730

or four other experiences with beloved

318

00:18:36,160 --> 00:18:33,050

Brad stager and Ken Beckley and at some

319

00:18:38,520 --> 00:18:36,170

of the UFO Expos that you know and

320

00:18:41,290 --> 00:18:38,530

nowadays it's there's many

321

00:18:47,260 --> 00:18:41,300

extraterrestrial ambassadors and star

322

00:18:52,180 --> 00:18:47,270

seeds and even breadstick people that

323

00:18:54,280 --> 00:18:52,190

are from here who actually are strong

324

00:18:54,790 --> 00:18:54,290

seeds they're seated they're human

325

00:18:58,210 --> 00:18:54,800

beings

326

00:18:58,720 --> 00:18:58,220

but they're seated with seed from the

327

00:19:04,270 --> 00:18:58,730

stars

328

00:19:06,690 --> 00:19:04,280

giving them an extraterrestrial life a

329

00:19:10,480 --> 00:19:06,700

different a different reason for being

330

00:19:11,110 --> 00:19:10,490

did you ever have a face-to-face contact

331

00:19:18,370 --> 00:19:11,120

with anyone

332

00:19:28,180 --> 00:19:18,380

oh I did in meditation and nothing about

333

00:19:34,480 --> 00:19:28,190

that well I had had visitation with

334

00:19:35,890 --> 00:19:34,490

saint-germain and for our audience I was

335

00:19:37,360 --> 00:19:35,900

just going to say yeah maybe there are

336

00:19:39,970 --> 00:19:37,370

some people in our audience that don't

337

00:19:42,580 --> 00:19:39,980

know who saint-germain is he is the the

338

00:19:46,420 --> 00:19:42,590

violent ray energy I mean that's how I

339

00:19:48,550 --> 00:19:46,430

always describe him but and he has

340

00:19:52,240 --> 00:19:48,560

appeared physically to two people

341

00:19:56,050 --> 00:19:52,250

especially in on the Mount Shasta and

342

00:19:58,330 --> 00:19:56,060

California and he is the man who is said

343

00:20:02,740 --> 00:19:58,340

to be ageless but give us your

344

00:20:05,580 --> 00:20:02,750

definition on passive yes that's

345

00:20:06,910 --> 00:20:05,590

everything there is certainly true

346

00:20:10,890 --> 00:20:06,920

description

347

00:20:15,990 --> 00:20:10,900

he's also ascended master and the

348

00:20:20,170 --> 00:20:16,000

hierarchal master of the Age of Aquarius

349

00:20:23,500 --> 00:20:20,180

which gives him the status of being in

350

00:20:26,320 --> 00:20:23,510

charge moves us of all the things that

351  
00:20:30,010 --> 00:20:26,330  
are going on in the in the Age of

352  
00:20:33,210 --> 00:20:30,020  
Aquarius in the fish'll capacity if if

353  
00:20:35,500 --> 00:20:33,220  
there is such in the hierarchal

354  
00:20:38,860 --> 00:20:35,510  
understanding there is

355  
00:20:41,620 --> 00:20:38,870  
and I've been to Tibet and and also

356  
00:20:44,590 --> 00:20:41,630  
India and meditated in these and he's

357  
00:20:49,810 --> 00:20:44,600  
he's come into the and the meditations

358  
00:20:54,310 --> 00:20:49,820  
there in India where he has one of the

359  
00:20:57,100 --> 00:20:54,320  
Masters of Theosophical society and one

360  
00:21:01,300 --> 00:20:57,110  
of the lodges that we stayed at there in

361  
00:21:05,740 --> 00:21:01,310  
India was a Theosophical raj where some

362  
00:21:08,560 --> 00:21:05,750  
of the Masters and present past

363  
00:21:11,440 --> 00:21:08,570

presidents of that Lodge in touch with

364

00:21:16,630 --> 00:21:11,450

him and say he's baby like his students

365

00:21:18,220 --> 00:21:16,640

and he would manifest at the gravesite

366

00:21:20,350 --> 00:21:18,230

all right Tammany dinner up to here

367

00:21:22,360 --> 00:21:20,360

because we need to go to our bottom of

368

00:21:24,160 --> 00:21:22,370

the hour break so would we come back we

369

00:21:26,770 --> 00:21:24,170

will continue our fascinating

370

00:21:30,520 --> 00:21:26,780

conversation on exploring the bazaar so

371

00:21:34,240 --> 00:21:30,530

stay tuned explore the bazaars are now

372

00:21:36,460 --> 00:21:34,250

back to exploring the bazaar with two of

373

00:21:39,820 --> 00:21:36,470

the most electrifying researchers in the

374

00:21:44,460 --> 00:21:39,830

Paranoid your hosts Timothy Becca Lee

375

00:21:49,900 --> 00:21:47,350

all right welcome back to exploring the

376

00:21:53,860 --> 00:21:49,910

bazaar and Tim if you don't mind I'd

377

00:21:56,560 --> 00:21:53,870

like to ask Raja a quick yeah besides I

378

00:21:58,600 --> 00:21:56,570

jumped I jumped you high in the chat

379

00:22:03,070 --> 00:21:58,610

room and maybe I'm just too high for

380

00:22:06,880 --> 00:22:03,080

those anyway let's pass them around are

381

00:22:08,640 --> 00:22:06,890

you all right why and we'll bring a dr.

382

00:22:13,260 --> 00:22:08,650

Susan Chomsky into the conversation

383

00:22:16,360 --> 00:22:13,270

presently but there's there Susan Susan

384

00:22:17,680 --> 00:22:16,370

we're gonna ask a Raja a quick question

385

00:22:24,490 --> 00:22:17,690

here and then we'll bring you in

386

00:22:28,570 --> 00:22:24,500

oh my question has to do with the the

387

00:22:31,800 --> 00:22:28,580

magic mushrooms it's interesting to me

388

00:22:38,020 --> 00:22:31,810

because I have heard other people talk

389

00:22:44,110 --> 00:22:38,030

about how they feel like that there is

390

00:22:50,080 --> 00:22:44,120

an intelligence with these mushrooms and

391

00:22:53,020 --> 00:22:50,090

that by consuming them it's it almost I

392

00:22:55,510 --> 00:22:53,030

don't know how to describe it it almost

393

00:22:57,940 --> 00:22:55,520

leads to like almost like a permanent

394

00:23:03,160 --> 00:22:57,950

connection between you and this

395

00:23:05,410 --> 00:23:03,170

intelligence and I know that Terence

396

00:23:07,690 --> 00:23:05,420

Mckenna at one time

397

00:23:10,630 --> 00:23:07,700

him and his brother had had speculated

398

00:23:17,320 --> 00:23:10,640

that you know the the mushroom

399

00:23:24,420 --> 00:23:17,330

intelligence it's it's kind of their way

400

00:23:30,550 --> 00:23:24,430

to assist humanity you know into finding

401  
00:23:36,930 --> 00:23:30,560  
our place you know from the just really

402  
00:23:40,630 --> 00:23:36,940  
the the material world and in at least

403  
00:23:43,900 --> 00:23:40,640  
pointing us into a direction that that

404  
00:23:46,740 --> 00:23:43,910  
takes us beyond you know what we would

405  
00:23:50,020 --> 00:23:46,750  
call this reality and to become aware of

406  
00:23:52,990 --> 00:23:50,030  
other realities you know and and so I

407  
00:23:57,010 --> 00:23:53,000  
mean when when you had your experience I

408  
00:23:59,470 --> 00:23:57,020  
mean did you feel like that that this

409  
00:24:01,840 --> 00:23:59,480  
the case that you were actually in

410  
00:24:06,640 --> 00:24:01,850  
communication with with another

411  
00:24:10,660 --> 00:24:06,650  
intelligence yes and that's very lovely

412  
00:24:12,460 --> 00:24:10,670  
that that is true that's a good thing in

413  
00:24:14,470 --> 00:24:12,470

the Bible that says that all the

414

00:24:17,890 --> 00:24:14,480

laborers in the field of the Lord have a

415

00:24:20,440 --> 00:24:17,900

mission in the spirit of the mushroom

416

00:24:23,710 --> 00:24:20,450

has a mission - and you're right and

417

00:24:27,810 --> 00:24:23,720

that was to beat humanity into the

418

00:24:30,580 --> 00:24:27,820

realizations of the realities of

419

00:24:34,330 --> 00:24:30,590

interdimensional communication with

420

00:24:38,590 --> 00:24:34,340

interest interdimensional species and in

421

00:24:41,380 --> 00:24:38,600

the Don Juan in the Carlos Castaneda

422

00:24:44,880 --> 00:24:41,390

books called the spirit of masks of the

423

00:24:48,600 --> 00:24:44,890

peyote cactus mescaline mescal lto and

424

00:24:51,430 --> 00:24:48,610

said that it definitely has a definite

425

00:24:55,830 --> 00:24:51,440

personality and spirit consciousness and

426

00:24:59,020 --> 00:24:55,840

it was there to help educate and teach

427

00:25:03,150 --> 00:24:59,030

humans who were very young in their

428

00:25:07,510 --> 00:25:03,160

thinking and so the these ancient plant

429

00:25:10,150 --> 00:25:07,520

consciousness and the whale also whales

430

00:25:13,180 --> 00:25:10,160

and the Dolphins are supposed to be very

431

00:25:17,880 --> 00:25:13,190

ancient consciousness can teach human

432

00:25:21,580 --> 00:25:17,890

humanity and through ingesting a the

433

00:25:24,760 --> 00:25:21,590

mushroom the mescaline and the cactus in

434

00:25:28,110 --> 00:25:24,770

various ayahuasca we can have

435

00:25:30,400 --> 00:25:28,120

experiences and even the frog medicine

436

00:25:32,260 --> 00:25:30,410

injecting frog nests and we can have

437

00:25:35,590 --> 00:25:32,270

experiences with other levels of

438

00:25:38,380 --> 00:25:35,600

consciousness that lead us towards even

439

00:25:40,870 --> 00:25:38,390

other levels of consciousness which down

440

00:25:45,640 --> 00:25:40,880

there and those youngest for me was

441

00:25:48,610 --> 00:25:45,650

where aliens and in the monkeys became

442

00:25:53,530 --> 00:25:48,620

aliens and and I realized that there was

443

00:25:55,090 --> 00:25:53,540

another time and I I had expressing this

444

00:25:58,390 --> 00:25:55,100

to a Mayan shaman

445

00:26:00,670 --> 00:25:58,400

and I told him of that experience

446

00:26:02,020 --> 00:26:00,680

because the people were laughing at me

447

00:26:04,420 --> 00:26:02,030

and saying haha

448

00:26:08,320 --> 00:26:04,430

this doesn't happen these are just

449

00:26:10,610 --> 00:26:08,330

legends this never really happened and I

450

00:26:13,070 --> 00:26:10,620

thought I

451  
00:26:15,740 --> 00:26:13,080  
thought this is true and then all of you

452  
00:26:17,990 --> 00:26:15,750  
folks down here believed then aliens

453  
00:26:21,290 --> 00:26:18,000  
came here and built these pyramids and

454  
00:26:24,730 --> 00:26:21,300  
then some of them are buried there and

455  
00:26:27,290 --> 00:26:24,740  
that they had times when there was some

456  
00:26:30,830 --> 00:26:27,300  
contact between the aliens and the

457  
00:26:33,950 --> 00:26:30,840  
humans and they said oh no no that

458  
00:26:37,220 --> 00:26:33,960  
happened hundreds and thousands of years

459  
00:26:39,920 --> 00:26:37,230  
ago maybe that's not now we don't we

460  
00:26:42,680 --> 00:26:39,930  
don't believe that I know what's wrong

461  
00:26:44,750 --> 00:26:42,690  
with the people even in the the ones

462  
00:26:47,000 --> 00:26:44,760  
that believe the Bible they don't

463  
00:26:49,370 --> 00:26:47,010

believe in the things that happened a

464

00:26:52,100 --> 00:26:49,380

long time ago as a thing as if they

465

00:26:53,950 --> 00:26:52,110

didn't really ever happen and I said no

466

00:26:56,480 --> 00:26:53,960

these things happen and there's

467

00:26:59,960 --> 00:26:56,490

extraterrestrials come down and they

468

00:27:04,940 --> 00:26:59,970

live with the villagers and in the and

469

00:27:07,970 --> 00:27:04,950

the aches in speaks some unintelligible

470

00:27:08,630 --> 00:27:07,980

language as if they were a monster an

471

00:27:11,600 --> 00:27:08,640

animal

472

00:27:14,510 --> 00:27:11,610

they spoke as intelligently as the human

473

00:27:17,720 --> 00:27:14,520

or the extra-terrestrial in all three

474

00:27:20,270 --> 00:27:17,730

species got along evenly with even

475

00:27:22,549 --> 00:27:20,280

respect I don't know how that actually

476

00:27:26,090 --> 00:27:22,559

worked out but I thought that was a

477

00:27:27,610 --> 00:27:26,100

marvelous principle that they there was

478

00:27:31,240 --> 00:27:27,620

a time on earth when the

479

00:27:33,770 --> 00:27:31,250

extraterrestrial and human and the ape

480

00:27:36,320 --> 00:27:33,780

the English vested with all these plan

481

00:27:39,020 --> 00:27:36,330

of the ape movie sitting when we were

482

00:27:43,340 --> 00:27:39,030

all equals in love one another and

483

00:27:47,510 --> 00:27:43,350

treated each others as as an equal of

484

00:27:52,010 --> 00:27:47,520

being of equality not trying to conquer

485

00:27:52,700 --> 00:27:52,020

one another he was a time when there was

486

00:27:56,210 --> 00:27:52,710

peace

487

00:27:58,940 --> 00:27:56,220

times have changed seven thing hmm

488

00:28:01,930 --> 00:27:58,950

I said the time that have changed since

489

00:28:09,620 --> 00:28:04,910

Roger let's let's bring out dr. Tomsky

490

00:28:12,620 --> 00:28:09,630

into the conversation here so uh Susan

491

00:28:16,850 --> 00:28:12,630

thank you very much for your for your

492

00:28:21,410 --> 00:28:16,860

patience and like we asked Roger now you

493

00:28:23,360 --> 00:28:21,420

know I mean you gosh you have so many so

494

00:28:27,680 --> 00:28:23,370

many books that you have have

495

00:28:30,049 --> 00:28:27,690

published here so what what got you

496

00:28:31,430 --> 00:28:30,059

started into all this you know a lot of

497

00:28:32,960 --> 00:28:31,440

our guests we talked to them and you

498

00:28:35,840 --> 00:28:32,970

know they had you know some kind of

499

00:28:38,690 --> 00:28:35,850

childhood experience or at least you

500

00:28:42,320 --> 00:28:38,700

know became interested in this kind of

501  
00:28:43,870 --> 00:28:42,330  
stuff extremely early on was was this

502  
00:28:50,560 --> 00:28:43,880  
the case with you as well

503  
00:28:54,520 --> 00:28:50,570  
no it wasn't until Bob Dylan and the

504  
00:28:57,049 --> 00:28:54,530  
spiritual revolution of the 1960s oh

505  
00:28:59,960 --> 00:28:57,059  
when I lived in the San Francisco Bay

506  
00:29:03,020 --> 00:28:59,970  
Area and I was a hippie and those of us

507  
00:29:06,020 --> 00:29:03,030  
who were flower children we were really

508  
00:29:08,660 --> 00:29:06,030  
very serious about seeking spiritual

509  
00:29:10,850 --> 00:29:08,670  
awakening spiritual enlightenment yeah

510  
00:29:14,930 --> 00:29:10,860  
thanks for this yay for the Jefferson

511  
00:29:17,030 --> 00:29:14,940  
Airplane absolutely have you seen this

512  
00:29:24,049 --> 00:29:17,040  
saucers one of my favorite songs they

513  
00:29:27,410 --> 00:29:24,059

did so I was living there and I was

514

00:29:30,290 --> 00:29:27,420

trying to read up as much as I could

515

00:29:32,720 --> 00:29:30,300

about anything related to altered states

516

00:29:35,930 --> 00:29:32,730

of consciousness and higher states of

517

00:29:38,650 --> 00:29:35,940

consciousness and I was listening to the

518

00:29:42,169 --> 00:29:38,660

Guru's our gurus at the time who were

519

00:29:44,720 --> 00:29:42,179

Timothy Leary and Richard Alpert who

520

00:29:47,930 --> 00:29:44,730

later became ROM Das and then we're

521

00:29:52,130 --> 00:29:47,940

telling us to turn on tune in and drop

522

00:29:56,590 --> 00:29:52,140

out so that's what I did and I was

523

00:30:00,770 --> 00:29:56,600

living as a flower child and so I read

524

00:30:02,930 --> 00:30:00,780

the Tibetan Book of the Dead Leary and

525

00:30:05,120 --> 00:30:02,940

Alpert had written a book called the

526

00:30:06,830 --> 00:30:05,130

psychedelic experience and they you know

527

00:30:07,190 --> 00:30:06,840

that was a lot about the Tibetan Book of

528

00:30:09,140 --> 00:30:07,200

the Dead

529

00:30:11,030 --> 00:30:09,150

and I was reading the Buddhist

530

00:30:13,430 --> 00:30:11,040

scriptures I was reading autobiography

531

00:30:15,799 --> 00:30:13,440

of a yogi' by Paramahansa Yogananda and

532

00:30:18,890 --> 00:30:15,809

I was reading the way of Zen and other

533

00:30:21,460 --> 00:30:18,900

books by Ellen Watts and in Alan Watts

534

00:30:25,880 --> 00:30:21,470

books it said that you have to find a

535

00:30:27,710 --> 00:30:25,890

meditation guide well in 1966 in

536

00:30:30,500 --> 00:30:27,720

Berkeley California you didn't exactly

537

00:30:33,590 --> 00:30:30,510

go to the yellow pages and find

538

00:30:37,190 --> 00:30:33,600

meditation guide or anything remotely

539

00:30:40,430 --> 00:30:37,200

similar to that so I asked

540

00:30:41,930 --> 00:30:40,440

a roommate I said well you know Alan

541

00:30:44,570 --> 00:30:41,940

watch says you have to find a meditation

542

00:30:46,129 --> 00:30:44,580

guy so how do I find one and he said

543

00:30:49,370 --> 00:30:46,139

well have you ever tried to meditate on

544

00:30:51,320 --> 00:30:49,380

your own I said okay I'll give it a shot

545

00:30:52,909 --> 00:30:51,330

so I lay down on my bed that's how

546

00:30:54,350 --> 00:30:52,919

clueless I was it didn't even know

547

00:30:56,930 --> 00:30:54,360

you're supposed to sit up when you

548

00:31:00,279 --> 00:30:56,940

meditate I land my bed and I sort of

549

00:31:02,570 --> 00:31:00,289

prayed for or asked for in meditation

550

00:31:04,549 --> 00:31:02,580

immediately I was propelled into this

551

00:31:06,710 --> 00:31:04,559

ecstatic state I could feel this

552

00:31:08,450 --> 00:31:06,720

corridor rush of energy rushing from the

553

00:31:10,879 --> 00:31:08,460

tips of my toes all the way to the top

554

00:31:14,810 --> 00:31:10,889

of my head and I felt like I was plugged

555

00:31:18,769 --> 00:31:14,820

into a cosmic electric socket but in a

556

00:31:21,649 --> 00:31:18,779

most ecstatic way and I figured well I

557

00:31:23,720 --> 00:31:21,659

guess this is meditation little did I

558

00:31:25,970 --> 00:31:23,730

know that not only did I have my first

559

00:31:28,430 --> 00:31:25,980

meditation experience but also Kundalini

560

00:31:31,450 --> 00:31:28,440

awakening all at the same time without

561

00:31:34,519 --> 00:31:31,460

drugs or anything completely sober and

562

00:31:37,759 --> 00:31:34,529

that's that was my first experience of

563

00:31:40,129 --> 00:31:37,769

meditation and not too long after that a

564

00:31:43,129 --> 00:31:40,139

friend took me to the Transcendental

565

00:31:46,159 --> 00:31:43,139

Meditation Center in Berkeley there

566

00:31:48,590 --> 00:31:46,169

wasn't any teacher there but I signed up

567

00:31:51,379 --> 00:31:48,600

to learn and then nine months later I

568

00:31:53,659 --> 00:31:51,389

had to wait for nine months and then the

569

00:31:55,909 --> 00:31:53,669

summer of love happened it was August of

570

00:31:57,830 --> 00:31:55,919

1967 during the summer of love and

571

00:32:02,409 --> 00:31:57,840

that's when I learned Transcendental

572

00:32:05,029 --> 00:32:02,419

Meditation so that was my introduction

573

00:32:07,820 --> 00:32:05,039

wow that's that's amazing though that

574

00:32:10,730 --> 00:32:07,830

you're the first time that you tried it

575

00:32:13,250 --> 00:32:10,740

that you you'll waken your Kundalini I

576  
00:32:15,350 --> 00:32:13,260  
mean most people you know have spent

577  
00:32:21,470 --> 00:32:15,360  
years trying to do that and and a lot of

578  
00:32:23,840 --> 00:32:21,480  
never never got anyway but Kundalini is

579  
00:32:25,370 --> 00:32:23,850  
not the only not the end-all be-all it

580  
00:32:27,289 --> 00:32:25,380  
isn't the only way that a person can

581  
00:32:28,909 --> 00:32:27,299  
experience spiritual awakening and

582  
00:32:31,970 --> 00:32:28,919  
spiritual enlightenment it's just one of

583  
00:32:34,879 --> 00:32:31,980  
the signs that the energy is moving up

584  
00:32:36,169 --> 00:32:34,889  
through your body the energy can move up

585  
00:32:37,149 --> 00:32:36,179  
through your body without you even

586  
00:32:40,430 --> 00:32:37,159  
noticing it

587  
00:32:41,930 --> 00:32:40,440  
my guru who was Maharishi Mahesh Yogi he

588  
00:32:44,960 --> 00:32:41,940

used to always say that Kundalini

589

00:32:47,000 --> 00:32:44,970

just meant that you were not spiritually

590

00:32:48,590 --> 00:32:47,010

awake because if you were spiritually

591

00:32:50,960 --> 00:32:48,600

awake he wouldn't have those sensations

592

00:32:53,360 --> 00:32:50,970

it would just you would just have the

593

00:32:56,180 --> 00:32:53,370

listen sation you would just feel the

594

00:32:59,360 --> 00:32:56,190

expansion and that's all now a lot of

595

00:33:00,830 --> 00:32:59,370

people when they think of you know

596

00:33:02,750 --> 00:33:00,840

meditation and and you know

597

00:33:05,750 --> 00:33:02,760

Transcendental Meditation I mean they

598

00:33:10,850 --> 00:33:05,760

they they think of something that you

599

00:33:13,880 --> 00:33:10,860

know even though I know that meditation

600

00:33:16,640 --> 00:33:13,890

was plastic practiced by the veneks for

601  
00:33:20,000 --> 00:33:16,650  
you know over you know more than

602  
00:33:27,470 --> 00:33:20,010  
thousand years ago but that TM itself is

603  
00:33:30,740 --> 00:33:27,480  
a relatively recent introduction to the

604  
00:33:34,580 --> 00:33:30,750  
Western world I mean it it came about

605  
00:33:37,399 --> 00:33:34,590  
and what the I think the early 1960s is

606  
00:33:41,750 --> 00:33:37,409  
you know when most people became aware

607  
00:33:44,810 --> 00:33:41,760  
of it well in 1959 was when Maharishi

608  
00:33:47,450 --> 00:33:44,820  
first came to the United States at that

609  
00:33:50,870 --> 00:33:47,460  
time there was no meditation virtually

610  
00:33:52,730 --> 00:33:50,880  
no meditation no mantra no yoga yes

611  
00:33:55,039 --> 00:33:52,740  
there was the Theosophical Society which

612  
00:33:57,409 --> 00:33:55,049  
dr. Raja was talking about and there

613  
00:33:59,720 --> 00:33:57,419

were there were small pockets of people

614

00:34:01,669 --> 00:33:59,730

who knew about these sorts of things but

615

00:34:03,140 --> 00:34:01,679

in general the general population didn't

616

00:34:04,760 --> 00:34:03,150

know anything about it they'd never

617

00:34:07,610 --> 00:34:04,770

heard the word mantra they didn't know

618

00:34:10,280 --> 00:34:07,620

what yoga was you know they didn't they

619

00:34:13,220 --> 00:34:10,290

had no clue and within 10 years

620

00:34:16,970 --> 00:34:13,230

Maharishi Mahesh Yogi made those into

621

00:34:19,659 --> 00:34:16,980

household words so he did so because of

622

00:34:22,460 --> 00:34:19,669

the fact that he became so famous he was

623

00:34:25,639 --> 00:34:22,470

its a mentor of the Beatles the Rolling

624

00:34:28,790 --> 00:34:25,649

Stones The Doors Mia Farrow Deepak

625

00:34:33,609 --> 00:34:28,800

Chopra you name it he you know he was

626

00:34:38,619 --> 00:34:33,619

their guru and hundreds and hundreds of

627

00:34:40,849 --> 00:34:38,629

superstar celebrities learned TM and

628

00:34:42,919 --> 00:34:40,859

Maharishi was on the Johnny Carson show

629

00:34:45,440 --> 00:34:42,929

many times he was on the Merv Griffin

630

00:34:46,300 --> 00:34:45,450

Show it was on the cover of every major

631

00:34:49,879 --> 00:34:46,310

magazine

632

00:34:51,950 --> 00:34:49,889

time-life look Saturday Evening Post he

633

00:34:54,889 --> 00:34:51,960

was everywhere and everyone knew who he

634

00:34:59,000 --> 00:34:54,899

was that was back in the 70s you know

635

00:35:00,890 --> 00:34:59,010

60s 70s and then later really you know

636

00:35:02,060 --> 00:35:00,900

people forgot about it but they didn't

637

00:35:04,910 --> 00:35:02,070

forget about Transcendental Meditation

638

00:35:07,220 --> 00:35:04,920

and in fact it's become

639

00:35:08,839 --> 00:35:07,230

like a generic word for meditation when

640

00:35:12,920 --> 00:35:08,849

in fact it's a cart

641

00:35:17,059 --> 00:35:12,930

it's a trademarked title of the form of

642

00:35:18,980 --> 00:35:17,069

meditation that Maharishi teaches so but

643

00:35:22,250 --> 00:35:18,990

it isn't you know like I'm really a new

644

00:35:23,930 --> 00:35:22,260

technique so much it uses ancient

645

00:35:25,789 --> 00:35:23,940

mantras that are just traditional

646

00:35:27,890 --> 00:35:25,799

mantras that are used in India that

647

00:35:31,250 --> 00:35:27,900

everybody knows there's nothing unusual

648

00:35:33,710 --> 00:35:31,260

about the mantras or anything but he did

649

00:35:37,460 --> 00:35:33,720

teach it in a way he had it had the way

650

00:35:39,950 --> 00:35:37,470

the technique of TM helps people to go

651  
00:35:43,220 --> 00:35:39,960  
very deep into meditation very quickly

652  
00:35:46,430 --> 00:35:43,230  
and really easily so that was what was

653  
00:35:50,559 --> 00:35:46,440  
revolutionary about it well I think that

654  
00:35:53,809 --> 00:35:50,569  
a lot of people first became aware of TM

655  
00:35:56,000 --> 00:35:53,819  
because of its popularity with you know

656  
00:35:59,329 --> 00:35:56,010  
he said with celebrities especially the

657  
00:36:01,339 --> 00:35:59,339  
Beatles and The Rolling Stones that is

658  
00:36:04,339 --> 00:36:01,349  
correct and when the Beatles went to

659  
00:36:07,549 --> 00:36:04,349  
India to spend a couple months with

660  
00:36:09,819 --> 00:36:07,559  
Maharishi know everybody knew about it

661  
00:36:14,059 --> 00:36:09,829  
it was a big deal at the time

662  
00:36:16,609 --> 00:36:14,069  
1968 that was 50 years ago oh my gosh

663  
00:36:19,779 --> 00:36:16,619

oh and one of the interesting things to

664

00:36:23,319 --> 00:36:19,789

me was how big of an influence

665

00:36:26,950 --> 00:36:23,329

especially with the Beatles

666

00:36:29,980 --> 00:36:26,960

TM and and the Maha Maha Rishi's

667

00:36:33,009 --> 00:36:29,990

teachings were I mean you could see

668

00:36:37,150 --> 00:36:33,019

really a radical change in their music

669

00:36:39,710 --> 00:36:37,160

from you know before and after

670

00:36:43,490 --> 00:36:39,720

absolutely they learned Transcendental

671

00:36:45,109 --> 00:36:43,500

Meditation in August of 1967 the same

672

00:36:48,499 --> 00:36:45,119

month that I learned they learned later

673

00:36:52,039 --> 00:36:48,509

in that month the same month and after

674

00:36:55,940 --> 00:36:52,049

that you know their their music really

675

00:36:58,190 --> 00:36:55,950

changed it became a very spiritually

676

00:37:00,920 --> 00:36:58,200

oriented the lyrics were very spiritual

677

00:37:03,710 --> 00:37:00,930

but even before that they were into they

678

00:37:05,269 --> 00:37:03,720

go as soon as they got into LSD that's

679

00:37:08,150 --> 00:37:05,279

when their music started to really

680

00:37:12,920 --> 00:37:08,160

change a lot because they started

681

00:37:14,900 --> 00:37:12,930

singing about things like Tibetan Book

682

00:37:17,930 --> 00:37:14,910

of the bit of the Dead you know turn off

683

00:37:18,770 --> 00:37:17,940

your mind relax and slow down stream you

684

00:37:22,190 --> 00:37:18,780

know that's

685

00:37:26,300 --> 00:37:22,200

is about that book the psychedelic

686

00:37:29,840 --> 00:37:26,310

experience actually and so you can

687

00:37:32,480 --> 00:37:29,850

really see it in their lyrics altered

688

00:37:35,450 --> 00:37:32,490

consciousness' higher consciousness they

689

00:37:39,050 --> 00:37:35,460

were really taking a lot of LSD the

690

00:37:40,340 --> 00:37:39,060

Beatles and then for about five minutes

691

00:37:42,200 --> 00:37:40,350

they stopped when they learned

692

00:37:45,440 --> 00:37:42,210

Transcendental Meditation because there

693

00:37:47,510 --> 00:37:45,450

was a required you couldn't learn TM

694

00:37:50,180 --> 00:37:47,520

without stopping taking drugs

695

00:37:53,720 --> 00:37:50,190

so yeah they learned they learned and

696

00:37:56,480 --> 00:37:53,730

they stopped but they started it in

697

00:37:58,100 --> 00:37:56,490

again soon after that in fact he got

698

00:38:02,140 --> 00:37:58,110

worse especially with John London

699

00:38:07,190 --> 00:38:02,150

because he became a heroin addict I know

700

00:38:09,350 --> 00:38:07,200

George especially was at first was

701  
00:38:13,190 --> 00:38:09,360  
really into the the you know the whole

702  
00:38:15,440 --> 00:38:13,200  
psychedelic movement but you know a lot

703  
00:38:18,110 --> 00:38:15,450  
of his songs and and music you know

704  
00:38:21,350 --> 00:38:18,120  
really do seem to reflect you know that

705  
00:38:23,690 --> 00:38:21,360  
that TM influenced a lot more I think

706  
00:38:27,380 --> 00:38:23,700  
then you know like John and Paul later

707  
00:38:30,290 --> 00:38:27,390  
on yes that's very true

708  
00:38:34,070 --> 00:38:30,300  
yeah his music is very spiritually

709  
00:38:34,640 --> 00:38:34,080  
oriented and even the song which is My

710  
00:38:38,540 --> 00:38:34,650  
Sweet Lord

711  
00:38:41,000 --> 00:38:38,550  
it has some Sanskrit words which are

712  
00:38:43,010 --> 00:38:41,010  
guru brahma guru vishnu or guru devo

713  
00:38:46,430 --> 00:38:43,020

maheswara guru sakshat for humble i'm

714

00:38:48,740 --> 00:38:46,440

hottest my sri gurave namaha and that

715

00:38:52,370 --> 00:38:48,750

particular verse those verses are from

716

00:38:54,440 --> 00:38:52,380

the guru gita and those are the words

717

00:38:56,180 --> 00:38:54,450

that are in what they call the puja

718

00:38:58,070 --> 00:38:56,190

ceremony that is done when you learn

719

00:39:00,860 --> 00:38:58,080

Transcendental Meditation they do a

720

00:39:03,350 --> 00:39:00,870

ceremony and they sing those words

721

00:39:06,290 --> 00:39:03,360

during the ceremony and the words

722

00:39:09,680 --> 00:39:06,300

themselves they mean the following I

723

00:39:12,740 --> 00:39:09,690

mean the guru is brahma vishnu and the

724

00:39:15,380 --> 00:39:12,750

great lord shiva the guru is the eternal

725

00:39:18,800 --> 00:39:15,390

Brahman the transcendental absolute I

726

00:39:21,980 --> 00:39:18,810

bow to the supreme guru adorned with

727

00:39:23,780 --> 00:39:21,990

glory all right let me interrupt you

728

00:39:25,820 --> 00:39:23,790

here because we are coming up to our top

729

00:39:29,339 --> 00:39:25,830

of the hour break so when we come back

730

00:39:33,150 --> 00:39:29,349

we will continue our journey in

731

00:39:46,800 --> 00:39:33,160

to the consciousness with dr. Raja and

732

00:39:54,760 --> 00:39:51,280

explore the bazaars or e-ticket ride

733

00:39:57,630 --> 00:39:54,770

into the world of the paranoid strap

734

00:40:02,350 --> 00:39:57,640

yourself in as we traverse the universe

735

00:40:04,470 --> 00:40:02,360

exploring the unexplained UFO s ghosts

736

00:40:06,850 --> 00:40:04,480

Lost Worlds

737

00:40:10,690 --> 00:40:06,860

cryptozoology waters as well as other

738

00:40:12,930 --> 00:40:10,700

dimensions it's time to take back the

739

00:40:16,570 --> 00:40:12,940

NASA night

740

00:40:19,810 --> 00:40:16,580

now your electrifying hosts of exploring

741

00:40:26,260 --> 00:40:19,820

the bizarre Timothy Begley and teams

742

00:40:30,190 --> 00:40:26,270

wars the second hour of Explorer in the

743

00:40:35,260 --> 00:40:30,200

bizarre and tonight we are talking with

744

00:40:40,570 --> 00:40:35,270

dr. Susan Chomsky and dr. Raja market

745

00:40:42,550 --> 00:40:40,580

dove so Susan I want to continue our

746

00:40:47,380 --> 00:40:42,560

conversation here

747

00:40:50,410 --> 00:40:47,390

and what what led you to write the book

748

00:40:52,150 --> 00:40:50,420

your most current book Maharishi and me

749

00:41:07,560 --> 00:40:52,160

seeking enlightenment with the beetles

750

00:41:13,660 --> 00:41:10,270

publisher I wasn't sitting with an

751  
00:41:17,680 --> 00:41:13,670  
editor in her office at Macmillan

752  
00:41:23,860 --> 00:41:17,690  
publishing and she was looking at what I

753  
00:41:26,410 --> 00:41:23,870  
was proposing to her and she said after

754  
00:41:28,510 --> 00:41:26,420  
she looked over my proposal and so on

755  
00:41:31,330 --> 00:41:28,520  
she said the book I want you to write is

756  
00:41:37,510 --> 00:41:31,340  
the book about your life that's the book

757  
00:41:40,030 --> 00:41:37,520  
I'm interested in this is in 1998 and it

758  
00:41:43,330 --> 00:41:40,040  
was two years after my first book was

759  
00:41:47,830 --> 00:41:43,340  
published which was 1996 so I said okay

760  
00:41:50,800 --> 00:41:47,840  
I can write that book meanwhile within a

761  
00:41:55,450 --> 00:41:50,810  
few months she was fired from that

762  
00:41:58,570 --> 00:41:55,460  
publishing company so you know meanwhile

763  
00:42:00,370 --> 00:41:58,580

I'd already started in this endeavor

764

00:42:04,120 --> 00:42:00,380

which took me year

765

00:42:05,980 --> 00:42:04,130

years to do and so I completed it but

766

00:42:08,589 --> 00:42:05,990

you know meanwhile I tried to sell it

767

00:42:10,450 --> 00:42:08,599

several times through my agent and I

768

00:42:11,920 --> 00:42:10,460

could never get it sold and I think it's

769

00:42:14,910 --> 00:42:11,930

because I didn't have the right angle

770

00:42:17,799 --> 00:42:14,920

for it but then finally in nineteen

771

00:42:21,039 --> 00:42:17,809

sixteen or seventeen or whenever I got

772

00:42:24,460 --> 00:42:21,049

my contract I finally got a contract

773

00:42:27,400 --> 00:42:24,470

with skyhorse and so I the book came out

774

00:42:30,160 --> 00:42:27,410

and I'm glad that it took this long

775

00:42:33,009 --> 00:42:30,170

because everybody tells me is such an

776

00:42:35,230 --> 00:42:33,019

amazing book and they tell me it's so

777

00:42:37,870 --> 00:42:35,240

well written I mean that just everybody

778

00:42:40,599 --> 00:42:37,880

says it's so amazingly well written so

779

00:42:44,769 --> 00:42:40,609

you know it took me forever to write it

780

00:42:48,009 --> 00:42:44,779

and I edited it 50 times but it's a good

781

00:42:52,390 --> 00:42:48,019

book so that's the truth of why I wrote

782

00:42:56,490 --> 00:42:52,400

the book I mean I I know that I've been

783

00:43:00,279 --> 00:42:56,500

enjoying it's great yeah verse that you

784

00:43:03,819 --> 00:43:00,289

sent me and well and and I have to admit

785

00:43:06,309 --> 00:43:03,829

I mean it it's country it really came

786

00:43:08,349 --> 00:43:06,319

out at a great time because I was just

787

00:43:10,559 --> 00:43:08,359

you know wondering when I started

788

00:43:14,200 --> 00:43:10,569

reading it you know how many people

789

00:43:18,069 --> 00:43:14,210

anymore really remember this part of you

790

00:43:21,519 --> 00:43:18,079

know of you know a music history or just

791

00:43:24,160 --> 00:43:21,529

you know you know history in general

792

00:43:27,009 --> 00:43:24,170

because I mean it was I mean I remember

793

00:43:33,460 --> 00:43:27,019

at that time I mean it was it was such a

794

00:43:37,269 --> 00:43:33,470

big influence on society and and now

795

00:43:40,170 --> 00:43:37,279

it's just you know not so much well but

796

00:43:43,240 --> 00:43:40,180

strangely not more popular than ever

797

00:43:46,089 --> 00:43:43,250

meditation and yoga are now the big

798

00:43:49,420 --> 00:43:46,099

thing especially yoga is the thing you

799

00:43:52,650 --> 00:43:49,430

know so that influence has definitely

800

00:43:54,819 --> 00:43:52,660

lasted and it's becoming an even

801  
00:43:57,670 --> 00:43:54,829  
Transcendental Meditation itself is

802  
00:44:01,539 --> 00:43:57,680  
enjoying a huge resurgence because of

803  
00:44:04,870 --> 00:44:01,549  
the David Lynch foundation which has

804  
00:44:07,990 --> 00:44:04,880  
been teaching a lot of celebrity

805  
00:44:11,740 --> 00:44:08,000  
Superstars to meditate and also they're

806  
00:44:13,779 --> 00:44:11,750  
endeavoring to teach people who are in

807  
00:44:14,410 --> 00:44:13,789  
need who are suffering like people in

808  
00:44:17,950 --> 00:44:14,420  
prison

809  
00:44:20,470 --> 00:44:17,960  
kids at-risk veterans women who are

810  
00:44:23,289 --> 00:44:20,480  
abused they're going over after those

811  
00:44:26,440 --> 00:44:23,299  
kinds of populations to try to help them

812  
00:44:29,589 --> 00:44:26,450  
and really reach out to them so yeah TM

813  
00:44:32,500 --> 00:44:29,599

is definitely becoming cool again let's

814

00:44:34,299 --> 00:44:32,510

put it that way when people like Katy

815

00:44:36,609 --> 00:44:34,309

Perry are going to the Vatican and

816

00:44:38,740 --> 00:44:36,619

giving lectures on TM at the Vatican

817

00:44:42,150 --> 00:44:38,750

which he did about a month ago

818

00:44:44,799 --> 00:44:42,160

so it says wow that's long overdue yeah

819

00:44:48,549 --> 00:44:44,809

hey did you did you ever get to meet any

820

00:44:51,970 --> 00:44:48,559

of the Beatles firsthand no I did not

821

00:44:54,339 --> 00:44:51,980

okay so I learned the same month as they

822

00:44:55,809 --> 00:44:54,349

did and then I started applying for

823

00:44:58,059 --> 00:44:55,819

teacher training when I started applying

824

00:45:00,609 --> 00:44:58,069

to every course I could apply to because

825

00:45:03,370 --> 00:45:00,619

I was so entranced with Transcendental

826

00:45:05,920 --> 00:45:03,380

Meditation and I had my life had changed

827

00:45:08,049 --> 00:45:05,930

so dramatically that I really wanted to

828

00:45:10,299 --> 00:45:08,059

become a teacher so I started applying

829

00:45:11,559 --> 00:45:10,309

and I kept getting rejected over and

830

00:45:14,319 --> 00:45:11,569

over and over because they kept telling

831

00:45:16,359 --> 00:45:14,329

me that I was too young so in fact I did

832

00:45:19,000 --> 00:45:16,369

apply to the course that the Beatles

833

00:45:24,039 --> 00:45:19,010

went on but you know I was too young so

834

00:45:26,410 --> 00:45:24,049

I didn't get accepted so Mia Mia Farrow

835

00:45:28,930 --> 00:45:26,420

sister prudence dear Prudence Farrell

836

00:45:31,780 --> 00:45:28,940

she got to go to that course though

837

00:45:33,370 --> 00:45:31,790

because her sister went because she was

838

00:45:35,109 --> 00:45:33,380

getting the same thing happen to her she

839

00:45:36,640 --> 00:45:35,119

kept getting rejected and rejected and

840

00:45:40,089 --> 00:45:36,650

rejected because she's the same exact

841

00:45:42,940 --> 00:45:40,099

age that I am but finally I did get

842

00:45:46,299 --> 00:45:42,950

accepted and I went to India the course

843

00:45:49,210 --> 00:45:46,309

started in 1970 and first you know

844

00:45:51,339 --> 00:45:49,220

January of 1970 it started and that's

845

00:45:54,880 --> 00:45:51,349

when I spent six months with Maharishi

846

00:45:57,010 --> 00:45:54,890

Zarin in Rishikesh India the course

847

00:45:58,870 --> 00:45:57,020

itself was three months and then I spent

848

00:46:00,670 --> 00:45:58,880

another three months with him and about

849

00:46:03,280 --> 00:46:00,680

six other people there was hardly

850

00:46:05,049 --> 00:46:03,290

anybody there so I had a lot of private

851

00:46:09,460 --> 00:46:05,059

time with him during that period of time

852

00:46:12,190 --> 00:46:09,470

and it was quite an experience and I was

853

00:46:14,380 --> 00:46:12,200

21 years old at the time that was a

854

00:46:17,400 --> 00:46:14,390

course where he allowed younger kids to

855

00:46:20,380 --> 00:46:17,410

go what would you say we're your biggest

856

00:46:23,170 --> 00:46:20,390

revelaed revelations after meeting him I

857

00:46:26,289 --> 00:46:23,180

mean out how did it exactly transform

858

00:46:28,030 --> 00:46:26,299

your your life it was really TM that

859

00:46:30,760 --> 00:46:28,040

transformed my life not

860

00:46:33,460 --> 00:46:30,770

not necessarily meeting Maharishi it was

861

00:46:35,860 --> 00:46:33,470

actual the technique of TM that changed

862

00:46:38,770 --> 00:46:35,870

my life dramatically because I I had

863

00:46:42,070 --> 00:46:38,780

suffered a lot I was I was very unhappy

864

00:46:45,790 --> 00:46:42,080

and also I had taken these drugs which

865

00:46:48,790 --> 00:46:45,800

caused me to have a mental breakdown LSD

866

00:46:51,160 --> 00:46:48,800

had caused me to have a really

867

00:46:56,230 --> 00:46:51,170

terrifying and horrifying mental

868

00:46:57,640 --> 00:46:56,240

breakdown and once I stopped taking the

869

00:47:00,220 --> 00:46:57,650

psychedelic drugs and learned

870

00:47:01,960 --> 00:47:00,230

Transcendental Meditation for the first

871

00:47:04,570 --> 00:47:01,970

time in my life I experienced something

872

00:47:07,870 --> 00:47:04,580

I'd never experienced before and that

873

00:47:12,760 --> 00:47:07,880

was happiness I had never really been

874

00:47:17,410 --> 00:47:12,770

happy so it was quite dramatic change

875

00:47:21,190 --> 00:47:17,420

I felt I felt so happy and I felt so

876

00:47:24,340 --> 00:47:21,200

calm peaceful and integrated and I was

877

00:47:27,310 --> 00:47:24,350

no longer having LSD flashbacks all the

878

00:47:31,170 --> 00:47:27,320

time and Horrible's really terrifying

879

00:47:34,720 --> 00:47:31,180

scary hallucinations and experiences so

880

00:47:37,600 --> 00:47:34,730

my life changed so much for the better

881

00:47:39,580 --> 00:47:37,610

that I became a TM walking advertisement

882

00:47:42,220 --> 00:47:39,590

I was like trying to get everybody else

883

00:47:44,500 --> 00:47:42,230

it was like okay Susan we've heard

884

00:47:48,640 --> 00:47:44,510

enough stop talking we don't want to

885

00:47:51,720 --> 00:47:48,650

hear you anymore so anyway I became a TM

886

00:47:55,510 --> 00:47:51,730

teacher and and then I also spent

887

00:47:58,450 --> 00:47:55,520

actually 22 years in maharishi's ashrams

888

00:48:04,180 --> 00:47:58,460

and six of those years I spent on his

889

00:48:06,610 --> 00:48:04,190

personal staff and when and when did he

890

00:48:11,230 --> 00:48:06,620

will finally come back to the United

891

00:48:13,510 --> 00:48:11,240

States it was 1976 when I came back to

892

00:48:15,430 --> 00:48:13,520

the United States Maharishi told me to

893

00:48:18,250 --> 00:48:15,440

leave and come back to the United States

894

00:48:21,300 --> 00:48:18,260

because he said you're too dependent on

895

00:48:24,940 --> 00:48:21,310

me as a person I won't always be here

896

00:48:27,180 --> 00:48:24,950

you should go so he sent me away that

897

00:48:29,460 --> 00:48:27,190

was completely devastating it was so

898

00:48:32,470 --> 00:48:29,470

horrible oh my god

899

00:48:34,960 --> 00:48:32,480

now did you find when you got back to

900

00:48:37,750 --> 00:48:34,970

the car the country and the atmosphere

901  
00:48:40,300 --> 00:48:37,760  
had changed either for the good or not

902  
00:48:41,980 --> 00:48:40,310  
so good yeah when I came back to the

903  
00:48:45,910 --> 00:48:41,990  
states it was just

904  
00:48:47,230 --> 00:48:45,920  
oh gosh it was such a contrast to

905  
00:48:49,660 --> 00:48:47,240  
Switzerland I'd been living in

906  
00:48:52,180 --> 00:48:49,670  
Switzerland with Maharishi for almost

907  
00:48:54,329 --> 00:48:52,190  
six years was mostly in Switzerland

908  
00:48:57,750 --> 00:48:54,339  
which is this pristine and beautiful

909  
00:49:02,079 --> 00:48:57,760  
beautiful country and you know there's

910  
00:49:09,070 --> 00:49:02,089  
cowbells and open horns and velvety

911  
00:49:11,200 --> 00:49:09,080  
green countryside Hill hills and you

912  
00:49:13,720 --> 00:49:11,210  
know you're ready to burst out in song

913  
00:49:16,660 --> 00:49:13,730

like the sound of music or something it

914

00:49:18,160 --> 00:49:16,670

was done like paradise in swiss alone

915

00:49:22,599 --> 00:49:18,170

and then I come back to New York City

916

00:49:25,270 --> 00:49:22,609

where it's like oh my god 1976 in New

917

00:49:27,730 --> 00:49:25,280

York City that's not the best time in

918

00:49:29,650 --> 00:49:27,740

New York City you know if you recall and

919

00:49:34,000 --> 00:49:29,660

if you're around at that time but oh

920

00:49:37,359 --> 00:49:34,010

I've been here I've been in the same

921

00:49:40,359 --> 00:49:37,369

spot here for like 47 years but I

922

00:49:44,230 --> 00:49:40,369

haven't I haven't moved but now I'm

923

00:49:47,470 --> 00:49:44,240

being totally surrounded by skyscrapers

924

00:49:49,480 --> 00:49:47,480

I mean if you have you been to New York

925

00:49:51,700 --> 00:49:49,490

like in the last couple of years yeah

926  
00:49:54,730 --> 00:49:51,710  
they're all they all they all look the

927  
00:49:57,690 --> 00:49:54,740  
same and they just go up and up and up

928  
00:50:00,339 --> 00:49:57,700  
and there's no individuality and it's

929  
00:50:01,839 --> 00:50:00,349  
you know you go out to dinner and it's a

930  
00:50:02,500 --> 00:50:01,849  
hundred bucks and that's if you go by

931  
00:50:07,060 --> 00:50:02,510  
yourself

932  
00:50:10,930 --> 00:50:07,070  
exactly yeah you know it's a it has lost

933  
00:50:13,540 --> 00:50:10,940  
its I don't know I get I guess basically

934  
00:50:16,329 --> 00:50:13,550  
it's aimed at a different it was just a

935  
00:50:18,820 --> 00:50:16,339  
class of people I'm not a you know into

936  
00:50:22,030 --> 00:50:18,830  
class structure here and that much you

937  
00:50:25,420 --> 00:50:22,040  
know I mean but it just seems like it's

938  
00:50:30,370 --> 00:50:25,430

shut out the rest of the of the world I

939

00:50:32,140 --> 00:50:30,380

suppose if I had it to do again I maybe

940

00:50:34,329 --> 00:50:32,150

should have well I would I would have

941

00:50:37,510 --> 00:50:34,339

liked to have problem more myself and

942

00:50:39,010 --> 00:50:37,520

now my health and it's part you get

943

00:50:42,579 --> 00:50:39,020

around but that was always my big

944

00:50:45,400 --> 00:50:42,589

pleasure in in life is it just a head

945

00:50:48,490 --> 00:50:45,410

out on the open road how many countries

946

00:50:50,530 --> 00:50:48,500

have you been with - I never really

947

00:50:51,849 --> 00:50:50,540

never really counted how many countries

948

00:50:54,609 --> 00:50:51,859

I've been - I've been to a lot of

949

00:50:56,380 --> 00:50:54,619

countries and I every state in the

950

00:50:59,500 --> 00:50:56,390

United States because I live in an hour

951  
00:51:02,259 --> 00:50:59,510  
me and I have known bass Oh not only do

952  
00:51:06,250 --> 00:51:02,269  
I have an RV but I also travel really a

953  
00:51:09,370 --> 00:51:06,260  
lot because I I produce tours to sacred

954  
00:51:15,549 --> 00:51:09,380  
destinations I produce seminars that see

955  
00:51:21,009 --> 00:51:15,559  
I produce holistic conferences that see

956  
00:51:23,349 --> 00:51:21,019  
and I'm surprised I'm surprised I

957  
00:51:31,450 --> 00:51:23,359  
haven't run into you like it's Sedona or

958  
00:51:35,349 --> 00:51:31,460  
something along been just about yeah I

959  
00:51:37,150 --> 00:51:35,359  
travel really a lot and I'm and people

960  
00:51:40,329 --> 00:51:37,160  
tell me how you need to get a house you

961  
00:51:48,519 --> 00:51:40,339  
need to settle down I don't want to do

962  
00:51:53,109 --> 00:51:48,529  
that my nieces daughter just bought a

963  
00:51:56,440 --> 00:51:53,119

motor cycle and I told her man now you

964

00:51:58,690 --> 00:51:56,450

got freedom get out on the road and just

965

00:52:01,450 --> 00:51:58,700

keep well she has done a bit of

966

00:52:03,910 --> 00:52:01,460

traveling but just keep keep going you

967

00:52:07,539 --> 00:52:03,920

know I mean if you could if you could

968

00:52:09,880 --> 00:52:07,549

take if you could be self-sufficient and

969

00:52:15,220 --> 00:52:09,890

and be able to go out and do all of that

970

00:52:17,009 --> 00:52:15,230

fine now doves there mister dove looking

971

00:52:22,809 --> 00:52:17,019

at your resume it looks like you've been

972

00:52:27,220 --> 00:52:22,819

everywhere but maybe China yeah that's

973

00:52:33,339 --> 00:52:27,230

about true and and maybe North Korea

974

00:52:37,230 --> 00:52:33,349

which I wouldn't suggest though not

975

00:52:40,650 --> 00:52:37,240

unless you play basketball then maybe

976  
00:52:46,660 --> 00:52:40,660  
pretty safe but where where did you find

977  
00:52:48,130 --> 00:52:46,670  
in your travels that were the most spear

978  
00:52:49,839 --> 00:52:48,140  
mean where were the people not

979  
00:52:52,990 --> 00:52:49,849  
necessarily you know meditating every

980  
00:52:55,450 --> 00:52:53,000  
day or or going to church or even having

981  
00:52:59,609 --> 00:52:55,460  
UFO sightings but which places would you

982  
00:53:03,299 --> 00:52:59,619  
say war more consciousness actually

983  
00:53:07,140 --> 00:53:03,309  
aware of everything that was going on

984  
00:53:11,790 --> 00:53:07,150  
well I in a sense

985  
00:53:16,470 --> 00:53:11,800  
I found Hawaii and India to be the most

986  
00:53:20,730 --> 00:53:16,480  
alive with spirit Energon and I think

987  
00:53:24,960 --> 00:53:20,740  
the most Oh aware I don't know maybe

988  
00:53:27,060 --> 00:53:24,970

California yeah that's that's kind of a

989

00:53:33,570 --> 00:53:27,070

surprise what way do where do you live

990

00:53:35,730 --> 00:53:33,580

now are you in Florida yeah oh you but

991

00:53:37,260 --> 00:53:35,740

you have you have the trout you have

992

00:53:39,600 --> 00:53:37,270

travel though I mean even here in the

993

00:53:43,940 --> 00:53:39,610

United States I mean your your base of

994

00:53:49,920 --> 00:53:43,950

operation has varied from time to time

995

00:53:56,730 --> 00:53:49,930

yes yes we've centered in Scotland and

996

00:54:01,770 --> 00:53:56,740

England Glastonbury London Mexico

997

00:54:03,630 --> 00:54:01,780

Central America well give me it give me

998

00:54:08,160 --> 00:54:03,640

it give me a ticket

999

00:54:10,410 --> 00:54:08,170

you know I yeah I never been to Egypt

1000

00:54:13,530 --> 00:54:10,420

did you like did you like Egypt I mean

1001  
00:54:17,160 --> 00:54:13,540  
were you tuned into hell you know it's a

1002  
00:54:20,430 --> 00:54:17,170  
very enslaved country and it's been

1003  
00:54:23,610 --> 00:54:20,440  
enslaved for so long that there's not

1004  
00:54:26,750 --> 00:54:23,620  
much you know it's nice to look at the

1005  
00:54:29,580 --> 00:54:26,760  
pyramids in the endless tanks and the

1006  
00:54:32,550 --> 00:54:29,590  
museums but there they're all it's like

1007  
00:54:34,890 --> 00:54:32,560  
in a hostile territory yeah taken over

1008  
00:54:37,560 --> 00:54:34,900  
by it people who don't appreciate or

1009  
00:54:41,580 --> 00:54:37,570  
understand what it's all about and they

1010  
00:54:43,860 --> 00:54:41,590  
just use it as tourist traps we haven't

1011  
00:54:45,870 --> 00:54:43,870  
we have a we have a lady

1012  
00:54:49,170 --> 00:54:45,880  
I guess she's back in Australia now that

1013  
00:54:50,910 --> 00:54:49,180

we stay in touch with and she moved them

1014

00:54:54,270 --> 00:54:50,920

there she got married and moved to Egypt

1015

00:54:56,310 --> 00:54:54,280

and she could not even open a post

1016

00:55:02,060 --> 00:54:56,320

office box on her own she had to get her

1017

00:55:04,800 --> 00:55:02,070

husband to sign the papers for her okay

1018

00:55:07,590 --> 00:55:04,810

so I you know I don't know I I guess

1019

00:55:11,690 --> 00:55:07,600

maybe perchance it maybe has improved in

1020

00:55:16,830 --> 00:55:14,820

I don't have a sexist attitude but I

1021

00:55:21,029 --> 00:55:16,840

think a lot of people regardless of

1022

00:55:24,989 --> 00:55:21,039

their gender should be kept off the road

1023

00:55:29,219 --> 00:55:24,999

for for for sure you know so what what

1024

00:55:32,370 --> 00:55:29,229

is your main scope of operation that

1025

00:55:34,439 --> 00:55:32,380

today what do you I know you you've

1026  
00:55:38,849 --> 00:55:34,449  
worked with me and sending out and

1027  
00:55:40,769 --> 00:55:38,859  
distributing information to literally a

1028  
00:55:45,029 --> 00:55:40,779  
ton of people you probably have the

1029  
00:55:50,069 --> 00:55:45,039  
largest email list of anybody that I

1030  
00:55:53,400 --> 00:55:50,079  
certainly know that's a plugged into how

1031  
00:55:56,279 --> 00:55:53,410  
did you generate that and and and you

1032  
00:55:58,589 --> 00:55:56,289  
know what a what do you kind of you know

1033  
00:56:00,120 --> 00:55:58,599  
like what are you kind of into yourself

1034  
00:56:02,909 --> 00:56:00,130  
you know I see all these other mailings

1035  
00:56:05,999 --> 00:56:02,919  
that you do but I I'm not too aware of

1036  
00:56:08,630 --> 00:56:06,009  
your own shenanigans there we started

1037  
00:56:12,089 --> 00:56:08,640  
the New Age marketing program like

1038  
00:56:14,609 --> 00:56:12,099

working with the International new-age

1039

00:56:20,400 --> 00:56:14,619

trade show yes

1040

00:56:23,249 --> 00:56:20,410

oh yeah yes and then we have marketing

1041

00:56:27,689 --> 00:56:23,259

teams and New Age websites and buyers

1042

00:56:30,539 --> 00:56:27,699

New Age products all over the world and

1043

00:56:32,819 --> 00:56:30,549

then we formed an email marketing

1044

00:56:36,449 --> 00:56:32,829

program so people that didn't want to

1045

00:56:39,049 --> 00:56:36,459

have to go to the Expos could still stay

1046

00:56:42,779 --> 00:56:39,059

in touch with other over the internet so

1047

00:56:45,959 --> 00:56:42,789

it's been very good to have over on a

1048

00:56:48,209 --> 00:56:45,969

thousand meters of people who stay in

1049

00:56:51,719 --> 00:56:48,219

touch and it's very helpful in selling

1050

00:56:54,120 --> 00:56:51,729

products staying in touch and what I'm

1051

00:56:58,679 --> 00:56:54,130

doing now is working for right party

1052

00:57:00,599 --> 00:56:58,689

calm as the ad vice president and the

1053

00:57:04,559 --> 00:57:00,609

head of that team is a medical doctor

1054

00:57:11,489 --> 00:57:04,569

with the Global Peace Foundation dot org

1055

00:57:15,049 --> 00:57:11,499

and this is a program to bring health

1056

00:57:18,479 --> 00:57:15,059

wealth peace freedom and justice to all

1057

00:57:21,359 --> 00:57:18,489

people in the United States and it's

1058

00:57:25,469 --> 00:57:21,369

it's a new political paradigm party

1059

00:57:29,659 --> 00:57:25,479

called light party calm health wealth

1060

00:57:37,500 --> 00:57:33,240

bye-bye the truth realizing that

1061

00:57:40,620 --> 00:57:37,510

happy joyful family love and might know

1062

00:57:44,250 --> 00:57:40,630

we need to do is get together and love

1063

00:57:47,300 --> 00:57:44,260

one another and it's it's a reality

1064

00:57:51,540 --> 00:57:47,310

instead of you know having fights and

1065

00:57:54,900 --> 00:57:51,550

Wars and killings we can actually here

1066

00:57:57,630 --> 00:57:54,910

care care for each other love wasn't and

1067

00:58:01,050 --> 00:57:57,640

that's the extraterrestrials message was

1068

00:58:04,590 --> 00:58:01,060

how can we come down there that have a

1069

00:58:06,750 --> 00:58:04,600

visual landing and be amongst people

1070

00:58:08,610 --> 00:58:06,760

when that you're killing everybody it's

1071

00:58:12,360 --> 00:58:08,620

like live it would be like landing in

1072

00:58:13,950 --> 00:58:12,370

the dense ground snakes oh man I got you

1073

00:58:16,850 --> 00:58:13,960

know come come on their or they're

1074

00:58:23,790 --> 00:58:16,860

already talking about having a space

1075

00:58:27,060 --> 00:58:23,800

space force I don't know who I I can't

1076

00:58:31,080 --> 00:58:27,070

imagine that our president is to wear of

1077

00:58:34,440 --> 00:58:31,090

the cosmic you know beings that might

1078

00:58:36,360 --> 00:58:34,450

exist all around this uh parallel

1079

00:58:38,400 --> 00:58:36,370

dimensions and other time zones and

1080

00:58:40,650 --> 00:58:38,410

things like that so I don't know

1081

00:58:44,940 --> 00:58:40,660

exactly he's going to protect us from

1082

00:58:47,910 --> 00:58:44,950

the Democrats I suppose I have no I I

1083

00:58:51,300 --> 00:58:47,920

have no idea it just seems very very

1084

00:58:51,600 --> 00:58:51,310

peculiar but that's that that's what it

1085

00:58:54,500 --> 00:58:51,610

is

1086

00:59:01,940 --> 00:58:54,510

but now okay did you ever see like a

1087

00:59:08,370 --> 00:59:01,950

fleet of UFOs or go inside a ship yes

1088

00:59:16,290 --> 00:59:08,380

yes but that's not a specific scope or

1089

00:59:21,000 --> 00:59:16,300

focus for me was to actually go inside

1090

00:59:23,940 --> 00:59:21,010

the spaceship and fly around different

1091

00:59:27,120 --> 00:59:23,950

planets of course that would be

1092

00:59:32,070 --> 00:59:27,130

wonderful but I don't think that that

1093

00:59:34,020 --> 00:59:32,080

that was the reality that's possible now

1094

00:59:36,980 --> 00:59:34,030

we don't really have ships that come

1095

00:59:40,560 --> 00:59:36,990

here and they say okay let's go pick up

1096

00:59:44,790 --> 00:59:40,570

people captain it's very handsome math

1097

00:59:46,440 --> 00:59:44,800

and giving my design thing it doesn't

1098

00:59:50,630 --> 00:59:46,450

really happen like

1099

00:59:55,620 --> 00:59:50,640

but what I found out is that there is

1100

00:59:58,140 --> 00:59:55,630

there are advanced beings that live on

1101

01:00:02,280 --> 00:59:58,150

in higher dimensions and even other

1102

01:00:04,740 --> 01:00:02,290

planet joint bodies and that there is a

1103

01:00:07,380 --> 01:00:04,750

better way of living than how we're

1104

01:00:10,799 --> 01:00:07,390

living on this planet how about an

1105

01:00:14,160 --> 01:00:10,809

either the earth I was just going to

1106

01:00:16,859 --> 01:00:14,170

mention that inside the earth is Talos

1107

01:00:20,160 --> 01:00:16,869

and there's beings that live on the

1108

01:00:23,520 --> 01:00:20,170

inside the earth also they live down

1109

01:00:26,309 --> 01:00:23,530

there because the outside was got into

1110

01:00:29,190 --> 01:00:26,319

warring and killing and fighting so they

1111

01:00:30,960 --> 01:00:29,200

all went and stuff that's it we're not

1112

01:00:34,289 --> 01:00:30,970

going out in there anymore because it's

1113

01:00:36,539 --> 01:00:34,299

like never ended at around six so the

1114

01:00:39,839 --> 01:00:36,549

higher dimensional kings and the in

1115

01:00:43,410 --> 01:00:39,849

their inner earth beings don't come out

1116

01:00:45,359 --> 01:00:43,420

and have relations with human humanity

1117

01:00:50,130 --> 01:00:45,369

yet because they considered humanity

1118

01:00:52,559 --> 01:00:50,140

backward fallen raised group of people

1119

01:00:54,240 --> 01:00:52,569

that are still killing one another and

1120

01:00:58,349 --> 01:00:54,250

they're not learning to live with one

1121

01:01:01,440 --> 01:00:58,359

another and then kelpy do this prophecy

1122

01:01:03,690 --> 01:01:01,450

or this time of peace when all nations

1123

01:01:06,200 --> 01:01:03,700

including the Inner Earth and the other

1124

01:01:09,750 --> 01:01:06,210

planets will all get together

1125

01:01:12,390 --> 01:01:09,760

his some time off in the future I

1126

01:01:13,520 --> 01:01:12,400

remember his it hasn't gotten better or

1127

01:01:16,349 --> 01:01:13,530

worse than you think

1128

01:01:20,190 --> 01:01:16,359

God it seems to me like it's gotten

1129

01:01:21,380 --> 01:01:20,200

worse in some ways but until that's not

1130

01:01:24,839 --> 01:01:21,390

true

1131

01:01:27,839 --> 01:01:24,849

it just seems worse and when the outer

1132

01:01:31,799 --> 01:01:27,849

seems the worse we can know that the

1133

01:01:36,809 --> 01:01:31,809

inner is is moving and doing what it

1134

01:01:40,440 --> 01:01:36,819

needs to do you know I I used to really

1135

01:01:44,819 --> 01:01:40,450

work avidly when I was younger with lots

1136

01:01:47,460 --> 01:01:44,829

of energy in in motivation for peace the

1137

01:01:51,380 --> 01:01:47,470

work and lecture and go over and talk

1138

01:01:55,950 --> 01:01:51,390

about peace and law and now I just don't

1139

01:01:58,950 --> 01:01:55,960

relax and realize it you know it's all

1140

01:02:00,000 --> 01:01:58,960

coming about whether I ever lived

1141

01:02:03,180 --> 01:02:00,010

or not

1142

01:02:06,300 --> 01:02:03,190

no extraterrestrials ever saw them the

1143

01:02:07,980 --> 01:02:06,310

world is still going on and things are

1144

01:02:11,820 --> 01:02:07,990

still happening and people are dying

1145

01:02:15,630 --> 01:02:11,830

left and right to it of us but yeah you

1146

01:02:19,200 --> 01:02:15,640

had roots in the reactor you for many

1147

01:02:22,890 --> 01:02:19,210

years had a really wonderful soulmate

1148

01:02:26,070 --> 01:02:22,900

that you worked with hold well we got a

1149

01:02:27,840 --> 01:02:26,080

got a break coming up with yep let's

1150

01:02:31,530 --> 01:02:27,850

take our break here and we'll continue

1151  
01:02:33,120 --> 01:02:31,540  
on conversation when we come back for

1152  
01:02:35,940 --> 01:02:33,130  
the last segment of exploring the

1153  
01:02:42,000 --> 01:02:35,950  
bizarre so stay tuned we got cheated at

1154  
01:02:48,730 --> 01:02:46,180  
now back to exploring the bazaar with

1155  
01:02:52,030 --> 01:02:48,740  
two of the most electrifying researchers

1156  
01:02:58,750 --> 01:02:52,040  
in the Paranoid your hosts Timothy Becca

1157  
01:03:01,030 --> 01:02:58,760  
Lee Anton's was back again and it's the

1158  
01:03:04,450 --> 01:03:01,040  
final segment of exploring the bazaar

1159  
01:03:06,190 --> 01:03:04,460  
for tonight and Susan well we've got to

1160  
01:03:08,920 --> 01:03:06,200  
here real quick why don't you tell us a

1161  
01:03:13,420 --> 01:03:08,930  
little bit about your UFO cruise it's

1162  
01:03:16,540 --> 01:03:13,430  
gonna take place in October of 2019 yeah

1163  
01:03:19,630 --> 01:03:16,550

you know I do these holistic themed

1164

01:03:22,839 --> 01:03:19,640

cruises and they're really a whole lot

1165

01:03:26,140 --> 01:03:22,849

of fun and we invite various speakers

1166

01:03:30,040 --> 01:03:26,150

and authors and teachers and researchers

1167

01:03:33,940 --> 01:03:30,050

and investigators and so on to come on

1168

01:03:38,560 --> 01:03:33,950

the cruise ship and then you know we go

1169

01:03:41,530 --> 01:03:38,570

on a cruise and we use the conference

1170

01:03:44,320 --> 01:03:41,540

room on the cruise ship and so we have a

1171

01:03:46,030 --> 01:03:44,330

conference at conference at sea so we're

1172

01:03:47,680 --> 01:03:46,040

in the we're on the cruise we're

1173

01:03:50,380 --> 01:03:47,690

enjoying all the amenities of the cruise

1174

01:03:52,480 --> 01:03:50,390

but we're also learning we're having a

1175

01:03:54,420 --> 01:03:52,490

wonderful time with the teachers that

1176  
01:03:57,400 --> 01:03:54,430  
that come on these cruises so I've done

1177  
01:03:59,890 --> 01:03:57,410  
already 15 of these and they've been

1178  
01:04:04,089 --> 01:03:59,900  
extremely successful and really so much

1179  
01:04:06,540 --> 01:04:04,099  
fun so I'm doing this UFO cruise that'll

1180  
01:04:11,380 --> 01:04:06,550  
be October 6 to the 13th

1181  
01:04:15,160 --> 01:04:11,390  
where were you go honey 19 20 19 we're

1182  
01:04:17,560 --> 01:04:15,170  
gonna go from San Diego to Mexico so

1183  
01:04:22,930 --> 01:04:17,570  
we're gonna go to cabo san lucas porta

1184  
01:04:25,510 --> 01:04:22,940  
viar-toe and Mazatlan nice yeah go on

1185  
01:04:27,990 --> 01:04:25,520  
all in America which is a really nice

1186  
01:04:30,579 --> 01:04:28,000  
cruise line that has fantastic food and

1187  
01:04:33,730 --> 01:04:30,589  
we're going to visit some of these

1188  
01:04:36,130 --> 01:04:33,740

amazing places for example near Mazatlan

1189

01:04:38,980 --> 01:04:36,140

there's an amazing petroglyph site

1190

01:04:42,609 --> 01:04:38,990

that's a UNESCO heritage site that

1191

01:04:44,530 --> 01:04:42,619

nobody knows about and never goes to in

1192

01:04:46,870 --> 01:04:44,540

fact really the only groups that ever

1193

01:04:50,500 --> 01:04:46,880

visit there are my groups that I take

1194

01:04:52,420 --> 01:04:50,510

there but it's a wonderful really

1195

01:04:54,010 --> 01:04:52,430

important archaeological site it has a

1196

01:04:58,000 --> 01:04:54,020

thousand Petra

1197

01:05:01,240 --> 01:04:58,010

so long this gorgeous beach there and so

1198

01:05:03,760 --> 01:05:01,250

it's a fabulous destination and I always

1199

01:05:05,830 --> 01:05:03,770

find these really rare destinations to

1200

01:05:08,620 --> 01:05:05,840

go to at the ports whenever we go to

1201

01:05:11,320 --> 01:05:08,630

these places and often I'll invite like

1202

01:05:12,100 --> 01:05:11,330

a Mayan elder like for example Elizabeth

1203

01:05:15,850 --> 01:05:12,110

or Ajo

1204

01:05:19,030 --> 01:05:15,860

I'll have her she's from the council

1205

01:05:21,160 --> 01:05:19,040

Mayan elders in Guatemala and I invite

1206

01:05:23,530 --> 01:05:21,170

her to come and do a fire ceremony right

1207

01:05:25,750 --> 01:05:23,540

there on the land at one of the like

1208

01:05:29,970 --> 01:05:25,760

Maya temples or something like that on

1209

01:05:33,940 --> 01:05:29,980

our cruises so we have very unusual

1210

01:05:37,570 --> 01:05:33,950

kinds of shore excursions and always

1211

01:05:38,650 --> 01:05:37,580

some kind of sacred ceremony or

1212

01:05:40,900 --> 01:05:38,660

something like that

1213

01:05:43,630 --> 01:05:40,910

so my next cruise actually is going to

1214

01:05:44,610 --> 01:05:43,640

Tahiti and that's coming up in a couple

1215

01:05:49,390 --> 01:05:44,620

of weeks

1216

01:05:49,400 --> 01:05:54,100

[Music]

1217

01:06:00,130 --> 01:05:57,220

I've actually I actually spent a

1218

01:06:05,950 --> 01:06:00,140

vacation there with Pamela Anderson with

1219

01:06:07,810 --> 01:06:05,960

Pamela Anderson okay that was gone yeah

1220

01:06:11,290 --> 01:06:07,820

well she wasn't she wasn't in the same

1221

01:06:13,600 --> 01:06:11,300

well yeah actually she yeah she wasn't a

1222

01:06:16,390 --> 01:06:13,610

great superstar in those days and she

1223

01:06:18,490 --> 01:06:16,400

was doing a special for Showtime or

1224

01:06:21,100 --> 01:06:18,500

something like that the exotic girls of

1225

01:06:24,670 --> 01:06:21,110

the power Asia or something like that it

1226

01:06:26,710 --> 01:06:24,680

was a it was an extra bonus that they

1227

01:06:28,930 --> 01:06:26,720

didn't tell me about what I when I

1228

01:06:32,050 --> 01:06:28,940

signed up for the tour so I mean it was

1229

01:06:35,530 --> 01:06:32,060

it were it worked out pretty uh you know

1230

01:06:41,470 --> 01:06:35,540

pretty pretty well and it's a course

1231

01:06:44,500 --> 01:06:41,480

it's near Bora Bora right and you get to

1232

01:06:48,040 --> 01:06:44,510

handle the moray eels if you're not

1233

01:06:50,680 --> 01:06:48,050

afraid of big electrocuted to fight with

1234

01:06:53,290 --> 01:06:50,690

that which actually is a superstition

1235

01:06:55,540 --> 01:06:53,300

because what happens when you get there

1236

01:06:56,920 --> 01:06:55,550

and they're the moray eels and people

1237

01:06:58,630 --> 01:06:56,930

are like you know they're giving a

1238

01:07:00,340 --> 01:06:58,640

little shock out and maybe lighting up a

1239

01:07:03,070 --> 01:07:00,350

little the little children of the

1240

01:07:05,650 --> 01:07:03,080

village like you know eight years old or

1241

01:07:08,020 --> 01:07:05,660

ten years old after school go down and

1242

01:07:10,210 --> 01:07:08,030

pick up the you know the

1243

01:07:15,580 --> 01:07:10,220

Orioles and pretend to throw them as a

1244

01:07:17,020 --> 01:07:15,590

tourist I don't it's not like crocodile

1245

01:07:22,480 --> 01:07:17,030

havens so I don't think you have to

1246

01:07:25,060 --> 01:07:22,490

worry too much and yeah but fabulous

1247

01:07:27,520 --> 01:07:25,070

place they were to a visit and even

1248

01:07:30,910 --> 01:07:27,530

years ago when I went there you could

1249

01:07:33,150 --> 01:07:30,920

grow two ounces or two pounds of pot or

1250

01:07:38,350 --> 01:07:33,160

something on your own land you know

1251

01:07:40,000 --> 01:07:38,360

whatever you know everything so I mean

1252

01:07:41,620 --> 01:07:40,010

not that I was a great pot smoker but I

1253

01:07:44,110 --> 01:07:41,630

do remember the tour guide coming along

1254

01:07:49,420 --> 01:07:44,120

with a pipe to help me through the hot

1255

01:07:50,550 --> 01:07:49,430

summer afternoon and it has quite a

1256

01:07:54,640 --> 01:07:50,560

history

1257

01:07:56,410 --> 01:07:54,650

that's cool so I think probably a lot of

1258

01:08:00,190 --> 01:07:56,420

the people listening to this show would

1259

01:08:02,110 --> 01:08:00,200

really like to would enjoy going on the

1260

01:08:05,050 --> 01:08:02,120

UFO cruise you know because I think

1261

01:08:10,540 --> 01:08:05,060

that's quite a theme for your show well

1262

01:08:12,880 --> 01:08:10,550

it's probably our most what would you

1263

01:08:14,410 --> 01:08:12,890

say request that the topic may be by us

1264

01:08:18,099 --> 01:08:14,420

because we're the hosts and once you say

1265

01:08:22,750 --> 01:08:18,109

that we can't we keep it going the UFOs

1266

01:08:24,970 --> 01:08:22,760

and they like cryptozoology ah yeah

1267

01:08:26,849 --> 01:08:24,980

what's the what's what's the website if

1268

01:08:37,780 --> 01:08:26,859

people want to find out about the UFO

1269

01:08:39,670 --> 01:08:37,790

UFO cruise dot-com I don't have any

1270

01:08:41,500 --> 01:08:39,680

speakers up yet in fact some of the page

1271

01:08:43,090 --> 01:08:41,510

the pages are not all even done because

1272

01:08:44,320 --> 01:08:43,100

I just put it up recently

1273

01:08:47,320 --> 01:08:44,330

well you that you have a little bit of

1274

01:08:52,030 --> 01:08:47,330

time now oh definitely it's it's 2019

1275

01:08:54,670 --> 01:08:52,040

october 2019 so UFO cruise comm is the

1276

01:08:59,590 --> 01:08:54,680

place to go well you got to get you got

1277

01:09:01,300 --> 01:08:59,600

to get a few local UFO people you know

1278

01:09:03,789 --> 01:09:01,310

to meet you out there at the ruins there

1279

01:09:06,250 --> 01:09:03,799

we're ever gonna go to the describe

1280

01:09:08,230 --> 01:09:06,260

what's been going on you know Mexico of

1281

01:09:12,700 --> 01:09:08,240

course has been a very very you know

1282

01:09:14,890 --> 01:09:12,710

active places for going back

1283

01:09:17,800 --> 01:09:14,900

dov would you say remember back in the

1284

01:09:19,570 --> 01:09:17,810

early 1950s they were even having their

1285

01:09:22,000 --> 01:09:19,580

contacts and all work down there that

1286

01:09:24,460 --> 01:09:22,010

George Adamski he he was a

1287

01:09:28,090 --> 01:09:24,470

write it down to lecture and they sold

1288

01:09:30,210 --> 01:09:28,100

out a bull bull stadium whatever you

1289

01:09:33,670 --> 01:09:30,220

call that lay you know like the outdoor

1290

01:09:36,190 --> 01:09:33,680

stadium and they had they had a fellow

1291

01:09:39,040 --> 01:09:36,200

there he was a chauffeur I think he

1292

01:09:40,810 --> 01:09:39,050

actually drove a rundown taxi or

1293

01:09:43,350 --> 01:09:40,820

something but there was the they called

1294

01:09:47,140 --> 01:09:43,360

him the chauffeur and he had a contact

1295

01:09:49,510 --> 01:09:47,150

pretty much similar to what a Adamski

1296

01:09:52,930 --> 01:09:49,520

claimed of that and they they spoke

1297

01:09:55,540 --> 01:09:52,940

together he was a celebrity and Adamski

1298

01:10:01,150 --> 01:09:55,550

was pretty well known south of the

1299

01:10:03,600 --> 01:10:01,160

border as as well where did you find now

1300

01:10:07,060 --> 01:10:03,610

you did say you had a couple of UFO

1301

01:10:10,330 --> 01:10:07,070

sightings or so what we did what did you

1302

01:10:14,440 --> 01:10:10,340

have like your most the points are

1303

01:10:18,300 --> 01:10:14,450

concentrated area Doug he just

1304

01:10:20,770 --> 01:10:18,310

disappeared he's up in a higher

1305

01:10:25,000 --> 01:10:20,780

dimension there were you thinking to me

1306

01:10:27,220 --> 01:10:25,010

yeah yeah no I was in I was yes I was

1307

01:10:31,540 --> 01:10:27,230

asking if you ever went to an area that

1308

01:10:33,130 --> 01:10:31,550

you felt was all right well we'll take

1309

01:10:35,860 --> 01:10:33,140

it we'll take it around the table here

1310

01:10:38,440 --> 01:10:35,870

that was electrifying as far as the UFOs

1311

01:10:39,670 --> 01:10:38,450

when I know personal sightings or other

1312

01:10:40,960 --> 01:10:39,680

things that you had heard it you know

1313

01:10:43,240 --> 01:10:40,970

heard about what you were there any

1314

01:10:45,190 --> 01:10:43,250

place you can think of a fan that was

1315

01:10:48,610 --> 01:10:45,200

really energized as far as the

1316

01:10:55,320 --> 01:10:48,620

spaceships are concerned well I know in

1317

01:11:04,800 --> 01:10:55,330

Mexico in in Yucatan in Oaxaca and

1318

01:11:08,040 --> 01:11:04,810

Merida and Palenque and even Guatemala

1319

01:11:13,240 --> 01:11:08,050

they they believe very much in

1320

01:11:15,340 --> 01:11:13,250

extraterrestrial intermingling with the

1321

01:11:20,620 --> 01:11:15,350

people that then helped to build those

1322

01:11:23,850 --> 01:11:20,630

temples yes now I found him but I went

1323

01:11:27,370 --> 01:11:23,860

down there one time it was called the

1324

01:11:29,920 --> 01:11:27,380

blowhole and it was out in the you know

1325

01:11:32,980 --> 01:11:29,930

Alda on the shoreline and the water

1326

01:11:34,660 --> 01:11:32,990

would come it was like a you know a

1327

01:11:35,140 --> 01:11:34,670

Yosemite Park or something the water

1328

01:11:37,150 --> 01:11:35,150

would

1329

01:11:40,510 --> 01:11:37,160

rolled through there it shoot up into

1330

01:11:42,010 --> 01:11:40,520

the air every oh I don't know 25 minutes

1331

01:11:45,430 --> 01:11:42,020

or so you know right out right on time

1332

01:11:46,920 --> 01:11:45,440

this is it was predictable and settle

1333

01:11:49,810 --> 01:11:46,930

this is great it's a good tourist

1334

01:11:51,970 --> 01:11:49,820

attraction and then I go into town and

1335

01:11:53,380 --> 01:11:51,980

and here are they were big and doing

1336

01:11:56,410 --> 01:11:53,390

these like they're felt in velvet

1337

01:11:59,580 --> 01:11:56,420

paintings and they had this tapestry all

1338

01:12:02,470 --> 01:11:59,590

over town with a UFO hovering over this

1339

01:12:04,600 --> 01:12:02,480

this a tourist attraction to blow ho and

1340

01:12:06,790 --> 01:12:04,610

I I tried to communicate with a couple

1341

01:12:08,530 --> 01:12:06,800

people they said yeah you know yeah

1342

01:12:11,590 --> 01:12:08,540

there were many many sightings along the

1343

01:12:15,780 --> 01:12:11,600

coastline I don't know whether they were

1344

01:12:18,250 --> 01:12:15,790

had a base under the the border there or

1345

01:12:22,060 --> 01:12:18,260

we're just coming because it was a

1346

01:12:24,250 --> 01:12:22,070

glamorous place perhaps they'd like to

1347

01:12:26,170 --> 01:12:24,260

do a little bit of tourism themselves

1348

01:12:28,780 --> 01:12:26,180

you know I mean why why go to an ugly

1349

01:12:31,510 --> 01:12:28,790

spot we can go to Mexico and I've heard

1350

01:12:35,260 --> 01:12:31,520

above you know that's a beautiful place

1351

01:12:39,220 --> 01:12:35,270

and then but that reminds me of

1352

01:12:41,080 --> 01:12:39,230

operation in Hawaii or they they loved

1353

01:12:45,190 --> 01:12:41,090

the dolphins and they said that the

1354

01:12:50,140 --> 01:12:45,200

dolphins have a UFO base right off the

1355

01:12:53,530 --> 01:12:50,150

beach and some groups of people even

1356

01:12:55,600 --> 01:12:53,540

wrote books about it that they see the

1357

01:12:58,930 --> 01:12:55,610

spaceships going down in the bay in

1358

01:13:02,650 --> 01:12:58,940

those sea and coming out again and that

1359

01:13:04,360 --> 01:13:02,660

the Dolphins telepathically communicate

1360

01:13:07,030 --> 01:13:04,370

it to some of the people that go there

1361

01:13:11,080 --> 01:13:07,040

and do dolphin swims that there's an

1362

01:13:15,910 --> 01:13:11,090

Lemurian star base right beneath the sea

1363

01:13:18,600 --> 01:13:15,920

and it's a crystal made of crystals so

1364

01:13:20,710 --> 01:13:18,610

there's an underground crystal city with

1365

01:13:23,440 --> 01:13:20,720

extraterrestrials coming and going from

1366

01:13:26,130 --> 01:13:23,450

it and dolphins lived there and can

1367

01:13:28,750 --> 01:13:26,140

communicate with the extraterrestrials

1368

01:13:32,080 --> 01:13:28,760

and I guess the humans that are in the

1369

01:13:37,390 --> 01:13:32,090

area so that was a very interesting well

1370

01:13:39,700 --> 01:13:37,400

and they're watching India and in India

1371

01:13:42,370 --> 01:13:39,710

we had a contact with a group of

1372

01:13:47,040 --> 01:13:42,380

villagers who said they were in touch

1373

01:13:50,760 --> 01:13:47,050

with see mermaids

1374

01:13:53,910 --> 01:13:50,770

actual true living mermaids right then

1375

01:13:57,330 --> 01:13:53,920

and there and that they they had a face

1376

01:13:59,790 --> 01:13:57,340

off of the coast of where we were right

1377

01:14:02,970 --> 01:13:59,800

there and that spaceships would come in

1378

01:14:09,540 --> 01:14:02,980

and out in contact with a city of

1379

01:14:11,600 --> 01:14:09,550

mermaids in aqua men well and that yeah

1380

01:14:15,840 --> 01:14:11,610

that was similar to the like the

1381

01:14:19,610 --> 01:14:15,850

Atlantis and even the recent movie the

1382

01:14:25,920 --> 01:14:19,620

Justice League with the Aquaman linear

1383

01:14:28,740 --> 01:14:25,930

and way they did that what we did a book

1384

01:14:31,110 --> 01:14:28,750

Kahuna power and I went a couple of

1385

01:14:33,420 --> 01:14:31,120

times to Hawaii and met with the the

1386

01:14:36,450 --> 01:14:33,430

people there who had a study the

1387

01:14:38,310 --> 01:14:36,460

different you know legends and they have

1388

01:14:40,560 --> 01:14:38,320

they have their own name in all four

1389

01:14:46,260 --> 01:14:40,570

UFOs and they see them quite frequently

1390

01:14:49,230 --> 01:14:46,270

coming up out of the volcanoes there and

1391

01:14:51,630 --> 01:14:49,240

going across the sky and in some of them

1392

01:14:53,940 --> 01:14:51,640

actually land in people's trees and

1393

01:14:57,210 --> 01:14:53,950

other lose and and things like that

1394

01:15:00,600 --> 01:14:57,220

there's a whole Hawaiian culture in fact

1395

01:15:02,900 --> 01:15:00,610

it Jimi Hendrix is a an old video back

1396

01:15:07,920 --> 01:15:02,910

from the 70s I think it's called a

1397

01:15:11,580 --> 01:15:07,930

rainbow bridge and at his a concert that

1398

01:15:14,040 --> 01:15:11,590

he had there on a Maui after the the

1399

01:15:17,880 --> 01:15:14,050

show he plays a couple songs and all he

1400

01:15:20,310 --> 01:15:17,890

goes into a tent of some sort and he

1401

01:15:22,260 --> 01:15:20,320

sits cross-legged on the ground and he

1402

01:15:25,980 --> 01:15:22,270

shares with the other people their

1403

01:15:27,810 --> 01:15:25,990

stories about the space brothers and for

1404

01:15:29,850 --> 01:15:27,820

I don't know about 10 minutes or so he

1405

01:15:32,370 --> 01:15:29,860

sits there and he raps and they had they

1406

01:15:34,740 --> 01:15:32,380

had UFO sightings are doing his his

1407

01:15:37,200 --> 01:15:34,750

performance there but they were having

1408

01:15:40,200 --> 01:15:37,210

UFO sightings anyway I mean I don't know

1409

01:15:42,690 --> 01:15:40,210

whether I'm sure the music brought them

1410

01:15:45,270 --> 01:15:42,700

you know about the men that closer his

1411

01:15:46,800 --> 01:15:45,280

stunning guitar work but they did have

1412

01:15:48,360 --> 01:15:46,810

the you know I've been there and I've

1413

01:15:50,460 --> 01:15:48,370

talked to other people who had sightings

1414

01:15:55,440 --> 01:15:50,470

on a pretty regular basis and of course

1415

01:15:58,290 --> 01:15:55,450

when the volcano is ready to explode the

1416

01:16:00,870 --> 01:15:58,300

goddess Pele with her flaming red hair

1417

01:16:03,540 --> 01:16:00,880

is often seen walk

1418

01:16:04,620 --> 01:16:03,550

along the highway and people will pick

1419

01:16:06,900 --> 01:16:04,630

her up you know should be like

1420

01:16:10,980 --> 01:16:06,910

hitchhiking and she'll sit in the car

1421

01:16:14,430 --> 01:16:10,990

and say not a word but usually you know

1422

01:16:17,070 --> 01:16:14,440

she'll disappear and then a day or two

1423

01:16:23,610 --> 01:16:17,080

later the volcano will you know after

1424

01:16:26,100 --> 01:16:23,620

the novel will start flowing yes but

1425

01:16:31,940 --> 01:16:26,110

when my wife and I were there they used

1426

01:16:35,730 --> 01:16:31,950

to call her Pele she was a small older

1427

01:16:38,220 --> 01:16:35,740

oriental woman and and that's the who

1428

01:16:41,160 --> 01:16:38,230

the legend of Pele is when she came back

1429

01:16:43,080 --> 01:16:41,170

she was fears a small older Hawaiian

1430

01:16:47,330 --> 01:16:43,090

woman hitchhiking and they said you

1431

01:17:01,440 --> 01:16:59,430

whenever our cars break down now you say

1432

01:17:05,610 --> 01:17:01,450

you're in touch with her that she is on

1433

01:17:08,010 --> 01:17:05,620

Venus yes good because we did an

1434

01:17:10,680 --> 01:17:08,020

interplanetary mission together for 27

1435

01:17:13,530 --> 01:17:10,690

years on this planet and our teachings

1436

01:17:15,510 --> 01:17:13,540

were that we weren't from here we were

1437

01:17:18,390 --> 01:17:15,520

from other planets and she was from

1438

01:17:20,670 --> 01:17:18,400

Venus and I was from Jupiter and we were

1439

01:17:24,090 --> 01:17:20,680

here doing doing a mission for the

1440

01:17:27,030 --> 01:17:24,100

people so when she passed on it wasn't

1441

01:17:30,240 --> 01:17:27,040

the end she just went to Venus and so

1442

01:17:33,200 --> 01:17:30,250

she's there now and there's been so many

1443

01:17:36,150 --> 01:17:33,210

instances that have occurred in my life

1444

01:17:38,550 --> 01:17:36,160

that make me know that she really is on

1445

01:17:40,950 --> 01:17:38,560

Venus and that we're communicating and

1446

01:17:45,440 --> 01:17:40,960

she's still in touch with me and still

1447

01:17:49,320 --> 01:17:45,450

assisting the work that we're doing and

1448

01:17:51,600 --> 01:17:49,330

so it's very important that people know

1449

01:17:53,850 --> 01:17:51,610

that their loved ones are Twin Flames

1450

01:17:56,130 --> 01:17:53,860

their soul mates when they died if they

1451

01:17:58,580 --> 01:17:56,140

don't just die I mean every team again

1452

01:18:01,290 --> 01:17:58,590

that's there they are

1453

01:18:04,290 --> 01:18:01,300

that's factors we you know Susan I

1454

01:18:06,330 --> 01:18:04,300

wanted I wanted to ask you Susan have

1455

01:18:09,420 --> 01:18:06,340

you ever had any UFO experiences or

1456

01:18:10,590 --> 01:18:09,430

anything out of the paranormal well I

1457

01:18:14,490 --> 01:18:10,600

I've had

1458

01:18:16,230 --> 01:18:14,500

I have mystical paranormal

1459

01:18:17,850 --> 01:18:16,240

says all the time I communicate with

1460

01:18:20,640 --> 01:18:17,860

divine beings I communicate with

1461

01:18:22,890 --> 01:18:20,650

ascended masters and all the things that

1462

01:18:25,290 --> 01:18:22,900

dr. Raj has been talking about I have

1463

01:18:28,770 --> 01:18:25,300

experienced these kinds of things as far

1464

01:18:31,560 --> 01:18:28,780

as UFOs when we were up in on amantani

1465

01:18:36,840 --> 01:18:31,570

island in the middle of lake titicaca in

1466

01:18:40,970 --> 01:18:36,850

peru and i people go on tours to crew

1467

01:18:43,740 --> 01:18:40,980

every year through my divine travels

1468

01:18:46,530 --> 01:18:43,750

company I have a company where where we

1469

01:18:51,180 --> 01:18:46,540

have a people can go there anytime but

1470

01:18:53,250 --> 01:18:51,190

we have a set one for the set tour for

1471

01:18:55,620 --> 01:18:53,260

the Solstice for the June solstice every

1472

01:18:58,020 --> 01:18:55,630

year so one time we were up there on

1473

01:19:00,210 --> 01:18:58,030

amantani island which is as I said in

1474

01:19:04,080 --> 01:19:00,220

the middle of Lake Titicaca it's a very

1475

01:19:06,530 --> 01:19:04,090

steep island you you walk up it's

1476

01:19:10,530 --> 01:19:06,540

probably a thousand feet as you walk up

1477

01:19:17,550 --> 01:19:10,540

but as far as the altitude goes and it's

1478

01:19:23,010 --> 01:19:17,560

it's 40,000 I'm sorry it's at 14,000

1479

01:19:24,750 --> 01:19:23,020

feet so it's really high altitude and we

1480

01:19:26,760 --> 01:19:24,760

were doing a ceremony up there there was

1481

01:19:29,010 --> 01:19:26,770

a shaman and he was doing a fire

1482

01:19:32,000 --> 01:19:29,020

ceremony and in the middle of the fire

1483

01:19:36,650 --> 01:19:32,010

ceremony where there was about 30 of us

1484

01:19:40,800 --> 01:19:36,660

on that on that particular tour and

1485

01:19:42,620 --> 01:19:40,810

there was a sighting of it of a what we

1486

01:19:46,740 --> 01:19:42,630

thought was a flying saucer that that

1487

01:19:49,110 --> 01:19:46,750

visited us during the ceremony oh yeah

1488

01:19:51,960 --> 01:19:49,120

that was the only time I've ever had any

1489

01:19:53,870 --> 01:19:51,970

kind of experience like that well we had

1490

01:19:55,200 --> 01:19:53,880

we have one of our waters you know a

1491

01:19:58,920 --> 01:19:55,210

publishing company

1492

01:20:00,990 --> 01:19:58,930

Joshua Shapiro has been to Peru

1493

01:20:04,110 --> 01:20:01,000

of course he's he's big he's written on

1494

01:20:06,690 --> 01:20:04,120

the Crystal Skull yeah you know a

1495

01:20:09,450 --> 01:20:06,700

collection then yeah he's had UFO

1496

01:20:12,480 --> 01:20:09,460

experiences while he was there more Peru

1497

01:20:17,970 --> 01:20:12,490

and in fact that we have a series of

1498

01:20:19,350 --> 01:20:17,980

books by a George hunt Williamson Roger

1499

01:20:23,820 --> 01:20:19,360

I'm sure you're familiar with that name

1500

01:20:25,680 --> 01:20:23,830

and I hear about yeah yeah he talks he

1501

01:20:27,810 --> 01:20:25,690

yeah he wrote it under the name of

1502

01:20:31,470 --> 01:20:27,820

brother Phillip

1503

01:20:36,000 --> 01:20:31,480

about the the Sun disc from mu which is

1504

01:20:43,680 --> 01:20:40,379

it's an enchanting country you know for

1505

01:20:46,200 --> 01:20:43,690

sure at an experience that people should

1506

01:20:53,879 --> 01:20:46,210

if they have the opportunity to get to

1507

01:20:57,319 --> 01:20:53,889

get involved all involved so now you

1508

01:21:00,390 --> 01:20:57,329

know I have to ask you there Roger about

1509

01:21:02,339 --> 01:21:00,400

the ashtar command have you ever done

1510

01:21:11,939 --> 01:21:02,349

anything like that the direct channeling

1511

01:21:14,819 --> 01:21:11,949

yourself yes Ill did I did I came in

1512

01:21:19,169 --> 01:21:14,829

touch with the a shark man in a very

1513

01:21:24,479 --> 01:21:19,179

special way and at that time we were

1514

01:21:30,020 --> 01:21:24,489

given them inner circle meetings and

1515

01:21:37,819 --> 01:21:30,030

workings with some Ashtar and monka and

1516

01:21:41,069 --> 01:21:37,829

court Ron on the mountaintop of

1517

01:21:43,109 --> 01:21:41,079

California and there was a temple built

1518

01:21:45,450 --> 01:21:43,119

for them and they came and we sat in

1519

01:21:50,629 --> 01:21:45,460

Council with them receiving lots of

1520

01:21:54,629 --> 01:21:50,639

messages from Ashtar and the Lord monka

1521

01:21:57,180 --> 01:21:54,639

in court Ron the space Confederation

1522

01:22:00,569 --> 01:21:57,190

well that must have been long short was

1523

01:22:03,780 --> 01:22:00,579

Bob short with you know but we met him

1524

01:22:07,410 --> 01:22:03,790

at another time yeah I was important he

1525

01:22:12,300 --> 01:22:07,420

always channeled yeah we're done yeah he

1526

01:22:14,700 --> 01:22:12,310

went with us in the UFO meeting down in

1527

01:22:17,700 --> 01:22:14,710

the Yucatan and he went with us when we

1528

01:22:20,550 --> 01:22:17,710

went to the temple there in the pyramids

1529

01:22:23,069 --> 01:22:20,560

he was doing with the blue blue rose

1530

01:22:25,350 --> 01:22:23,079

ministry that's right yeah he's he

1531

01:22:28,919 --> 01:22:25,360

stilled he's one of the he's one of the

1532

01:22:31,709 --> 01:22:28,929

last remaining giant rock boys you know

1533

01:22:35,689 --> 01:22:31,719

he still lives with the Shirley out

1534

01:22:41,549 --> 01:22:35,699

there in Cottonwood I believe they are

1535

01:22:43,109 --> 01:22:41,559

there and what is the late latest

1536

01:22:44,669 --> 01:22:43,119

you know people say to me well what's

1537

01:22:47,010 --> 01:22:44,679

the latest in the Antarctic man because

1538

01:22:48,720 --> 01:22:47,020

there aren't a lot of people that are

1539

01:22:53,370 --> 01:22:48,730

publishing they're channeling messages

1540

01:22:58,069 --> 01:22:53,380

anymore well I don't know one thing that

1541

01:23:00,080 --> 01:22:58,079

I noticed is there began to be 101

1542

01:23:04,529 --> 01:23:00,090

dalmations

1543

01:23:06,299 --> 01:23:04,539

variations of Ashtar accountings with

1544

01:23:09,270 --> 01:23:06,309

the air the proliferation of the

1545

01:23:12,839 --> 01:23:09,280

internet and everybody in their brother

1546

01:23:15,419 --> 01:23:12,849

was confused about what was the real

1547

01:23:18,660 --> 01:23:15,429

Lashkar and visited real life star and

1548

01:23:20,879 --> 01:23:18,670

this Darrell I'm sorry it's the same

1549

01:23:24,479 --> 01:23:20,889

story you know that those aren't even

1550

01:23:27,899 --> 01:23:24,489

about Jesus and Buddha and Muhammad and

1551

01:23:29,549 --> 01:23:27,909

all the spiritual teachers and then they

1552

01:23:33,089 --> 01:23:29,559

come when they go and then they become

1553

01:23:36,029 --> 01:23:33,099

question specified or or in doubt as to

1554

01:23:38,970 --> 01:23:36,039

whether they really even existed and I

1555

01:23:42,299 --> 01:23:38,980

think the ashtar phenomena it might go

1556

01:23:44,069 --> 01:23:42,309

into that kind of a situation how do you

1557

01:23:47,910 --> 01:23:44,079

know if you're having a legitimate to

1558

01:23:51,270 --> 01:23:47,920

contact or the person that you're your

1559

01:23:54,540 --> 01:23:51,280

head country channel for you that it's a

1560

01:23:57,359 --> 01:23:54,550

legitimate and not some wayward just

1561

01:24:01,080 --> 01:23:57,369

spirit well that is a very good question

1562

01:24:03,209 --> 01:24:01,090

and it's been a question of Ages and I

1563

01:24:06,600 --> 01:24:03,219

think there's two ways that we've been

1564

01:24:10,439 --> 01:24:06,610

told to know and one is that our inner

1565

01:24:12,750 --> 01:24:10,449

voice our inner voice will let us know

1566

01:24:16,049 --> 01:24:12,760

the truth our inner feelings our

1567

01:24:19,919 --> 01:24:16,059

intercut the gut feeling and if we don't

1568

01:24:24,419 --> 01:24:19,929

seem to have that then they say by their

1569

01:24:27,299 --> 01:24:24,429

fruit you will know it so well we are we

1570

01:24:30,510 --> 01:24:27,309

are running we are running down to the

1571

01:24:32,640 --> 01:24:30,520

wire as they say here one last time

1572

01:24:38,359 --> 01:24:32,650

Roger how do people get in touch with

1573

01:24:41,760 --> 01:24:38,369

you what is the website star star Cubs

1574

01:24:44,040 --> 01:24:41,770

calm all right and look for some great

1575

01:24:47,549 --> 01:24:44,050

has to be yeah has to be put on the

1576

01:24:49,649 --> 01:24:47,559

mailing list or yeah therefore that we

1577

01:24:52,200 --> 01:24:49,659

they can go to marketing with the stars

1578

01:24:53,779 --> 01:24:52,210

are Tom and see our marketing program

1579

01:24:57,290 --> 01:24:53,789

and they

1580

01:25:03,410 --> 01:24:57,300

some email to me asking to go on the

1581

01:25:04,100 --> 01:25:03,420

list you are a and star doves calm all

1582

01:25:07,520 --> 01:25:04,110

right

1583

01:25:12,709 --> 01:25:07,530

and Susan one last time what's your main

1584

01:25:16,759 --> 01:25:12,719

site there dr. Susan or RG that's dr.

1585

01:25:20,509 --> 01:25:16,769

Susan dot o-r-g and then I have also

1586

01:25:25,490 --> 01:25:20,519

divine travels that's plural on the

1587

01:25:29,600 --> 01:25:25,500

travels divine travels dot-com and the

1588

01:25:31,359 --> 01:25:29,610

UFO also UFO cruise calm and of course

1589

01:25:35,660 --> 01:25:31,369

your books are available I'm sure on

1590

01:25:40,339 --> 01:25:35,670

Amazon and I wanted to yeah I want to

1591

01:25:43,580 --> 01:25:40,349

thank our producer Tina our guest this

1592

01:25:46,549 --> 01:25:43,590

evening my co-host in shorts I want to

1593

01:25:50,839 --> 01:25:46,559

thank Peter for his indulgence and

1594

01:25:54,529 --> 01:25:50,849

getting us up on YouTube every week I

1595

01:25:57,770 --> 01:25:54,539

want to thank Carol and Helen and all

1596

01:26:01,299 --> 01:25:57,780

the great listeners out there tell your

1597

01:26:05,450 --> 01:26:01,309

friends tune in every Thursday night for

1598

01:26:07,700 --> 01:26:05,460

exploring the bizarre and Tim I guess

1599

01:26:10,160 --> 01:26:07,710

we'll uh we'll be talking over the

1600

01:26:13,069 --> 01:26:10,170

weekend that we've got some really great

1601

01:26:17,020 --> 01:26:13,079

shows I think lined up in the next

1602

01:26:21,620 --> 01:26:17,030

couple of weeks right that's right and

1603

01:26:22,390 --> 01:26:21,630

anyway here comes the the master of us

1604

01:26:30,030 --> 01:26:22,400

all

1605

01:26:34,290 --> 01:26:30,040

been listening to exploring the bazaar

1606

01:26:37,149 --> 01:26:34,300

with hosts Timothy Beckley and to Swartz

1607

01:26:40,060 --> 01:26:37,159

they're taking back the night by jetting

1608

01:26:42,160 --> 01:26:40,070

non-stop across the cosmos in search of

1609

01:26:45,960 --> 01:26:42,170

the truly bizarre and totally

1610

01:26:48,470 --> 01:26:45,970

unexplained with you as they're cold

1611

01:26:50,879 --> 01:26:48,480

Thursday nights at 7:00 p.m. Pacific

1612

01:26:54,130 --> 01:26:50,889

10:00 p.m.

1613

01:26:56,590 --> 01:26:54,140

on the K cor digital radio

1614

01:27:00,040 --> 01:26:56,600

for more information on exploring the

1615

01:27:02,920 --> 01:27:00,050

bazaars and hosts Timothy Becca and Tim

1616

01:27:06,010 --> 01:27:02,930

Swartz check out their K cor digital

1617

01:27:12,220 --> 01:27:06,020

radio network follow their YouTube
