

**EXPLORING  
THE  
BIZARRE**

1  
00:00:37,600 --> 00:00:21,830

[Music]

2  
00:00:44,560 --> 00:00:42,080

explode the bazaars or e-ticket ride

3  
00:00:47,840 --> 00:00:44,570

into the world of the paranoid

4  
00:00:52,150 --> 00:00:47,850

strap yourself e'en as we traverse the

5  
00:00:55,270 --> 00:00:52,160

universe exploring the unexplained UFO s

6  
00:00:57,650 --> 00:00:55,280

ghosts Lost Worlds

7  
00:01:01,490 --> 00:00:57,660

cryptozoology waters as well as other

8  
00:01:03,729 --> 00:01:01,500

dimensions it's time to take back the

9  
00:01:07,370 --> 00:01:03,739

NASA night

10  
00:01:10,609 --> 00:01:07,380

now your electrifying hosts of exploring

11  
00:01:18,290 --> 00:01:10,619

the bizarre Timothy Begley and team

12  
00:01:24,710 --> 00:01:18,300

sports photos

13  
00:01:29,420 --> 00:01:24,720

I'm sure Oh are these are these family

14

00:01:33,770 --> 00:01:29,430

shots your grandparents cousins is this

15

00:01:37,810 --> 00:01:33,780

your family tree oh no not at all

16

00:01:39,260 --> 00:01:37,820

something downright spooky and weird oh

17

00:01:42,859 --> 00:01:39,270

yeah

18

00:01:45,859 --> 00:01:42,869

what is it it's photos of spirits of the

19

00:01:49,490 --> 00:01:45,869

Dead ghost people have gone beyond the

20

00:01:52,190 --> 00:01:49,500

pale well I thought all those pictures

21

00:01:55,460 --> 00:01:52,200

from the ages of spiritualism were just

22

00:01:58,669 --> 00:01:55,470

proven to be fake you know bloaty

23

00:02:00,980 --> 00:01:58,679

oh I can see you were a fan of Houdini

24

00:02:02,930 --> 00:02:00,990

that's not true at all they could be the

25

00:02:06,139 --> 00:02:02,940

real thing and I think one of our guests

26  
00:02:08,660 --> 00:02:06,149  
will try to prove it this evening oh wow

27  
00:02:11,900 --> 00:02:08,670  
wait a minute there's my aunt Seeley

28  
00:02:15,830 --> 00:02:11,910  
that sure looks like her but she's been

29  
00:02:16,580 --> 00:02:15,840  
passed over for over 50 years now there

30  
00:02:18,620 --> 00:02:16,590  
you go

31  
00:02:23,770 --> 00:02:18,630  
see I told you there was something to

32  
00:02:27,160 --> 00:02:23,780  
this how you out there ingest but oh

33  
00:02:30,110 --> 00:02:27,170  
well it's a it's another beautiful

34  
00:02:32,570 --> 00:02:30,120  
evening in Jasper that kids went off to

35  
00:02:35,780 --> 00:02:32,580  
school for the first time today so all

36  
00:02:39,280 --> 00:02:35,790  
is good in my world isn't it true that

37  
00:02:40,760 --> 00:02:39,290  
the Brady Bunch live next door to you I

38  
00:02:45,110 --> 00:02:40,770

hope not

39

00:02:48,199 --> 00:02:45,120

I don't I don't think they could handle

40

00:02:50,720 --> 00:02:48,209

the likes of our family oh boy well I'm

41

00:02:52,220 --> 00:02:50,730

uh you know I don't

42

00:02:53,869 --> 00:02:52,230

I don't know I don't know I hear their

43

00:02:57,940 --> 00:02:53,879

house went for what several million

44

00:03:03,559 --> 00:02:57,950

dollars yeah yeah well HGTV bought it

45

00:03:05,570 --> 00:03:03,569

all right the cable network yeah yeah

46

00:03:07,910 --> 00:03:05,580

yeah well the kiss just go Sakuya

47

00:03:10,640 --> 00:03:07,920

there's something in a name just like

48

00:03:12,559 --> 00:03:10,650

our name your name in my name I'm sure

49

00:03:17,539 --> 00:03:12,569

we could get a couple of million dollars

50

00:03:20,690 --> 00:03:17,549

for use of our name right then yeah sure

51  
00:03:23,229 --> 00:03:20,700  
I'm waiting for that well you know you

52  
00:03:25,640 --> 00:03:23,239  
know for this chatter chatter chatter

53  
00:03:27,170 --> 00:03:25,650  
because we want to bring our guest on

54  
00:03:28,550 --> 00:03:27,180  
right away because it gets it very

55  
00:03:30,680 --> 00:03:28,560  
interesting things to say and I'm

56  
00:03:34,910 --> 00:03:30,690  
looking forward to talking personally

57  
00:03:40,369 --> 00:03:34,920  
when you're in silly pants ceiling yeah

58  
00:03:42,530 --> 00:03:40,379  
Oh silly silly anyway what did you tell

59  
00:03:45,080 --> 00:03:42,540  
our our audience who were going to be

60  
00:03:46,670 --> 00:03:45,090  
speaking with it oh well be my pleasure

61  
00:03:49,339 --> 00:03:46,680  
well we've got a couple of great guests

62  
00:03:49,970 --> 00:03:49,349  
tonight first of all we have Daryl

63  
00:03:52,460 --> 00:03:49,980

Edgehill

64

00:03:54,890 --> 00:03:52,470

now daryl is a photographer who grew up

65

00:03:57,920 --> 00:03:54,900

listening to his mother and her sisters

66

00:04:01,370 --> 00:03:57,930

talk about seeing the apparation

67

00:04:03,379 --> 00:04:01,380

of their deceased brother so now we got

68

00:04:06,949 --> 00:04:03,389

to find out about that story so

69

00:04:09,860 --> 00:04:06,959

obviously there was you know something

70

00:04:12,409 --> 00:04:09,870

in the family genes there because it

71

00:04:15,890 --> 00:04:12,419

wasn't until Daryl was about 19 years

72

00:04:17,770 --> 00:04:15,900

old and living in Bethel Ohio that he

73

00:04:20,479 --> 00:04:17,780

had his first encounter with the unknown

74

00:04:22,909 --> 00:04:20,489

one night while he was cooking dinner a

75

00:04:25,460 --> 00:04:22,919

little girl stepped out of the back

76  
00:04:27,650 --> 00:04:25,470  
bedroom and approached him he said that

77  
00:04:30,080 --> 00:04:27,660  
she was about four or five years old

78  
00:04:31,730 --> 00:04:30,090  
and he could see right through her she

79  
00:04:33,469 --> 00:04:31,740  
stood right in front of him looking

80  
00:04:35,420 --> 00:04:33,479  
straight in the eyes before she

81  
00:04:36,920 --> 00:04:35,430  
disappeared how weird is that

82  
00:04:38,960 --> 00:04:36,930  
lady were bad evening while watching

83  
00:04:41,379 --> 00:04:38,970  
television with his girlfriend the

84  
00:04:44,510 --> 00:04:41,389  
ghostly girl made another appearance

85  
00:04:46,339 --> 00:04:44,520  
Daryl says that they continued to be

86  
00:04:47,089 --> 00:04:46,349  
haunted by the little girl until they

87  
00:04:49,219 --> 00:04:47,099  
moved away

88  
00:04:50,420 --> 00:04:49,229

five years later I'm surprised she

89

00:04:52,939 --> 00:04:50,430

didn't want to move along with them

90

00:04:54,290 --> 00:04:52,949

since then agile says that he's been on

91

00:04:56,990 --> 00:04:54,300

the hot pursuit on scene another

92

00:04:58,670 --> 00:04:57,000

apparition and filming it he searched in

93

00:05:01,700 --> 00:04:58,680

places such as Florida Alabama

94

00:05:04,070 --> 00:05:01,710

Mississippi Louisiana Texas and the East

95

00:05:06,589 --> 00:05:04,080

Coast he says that he has spent three

96

00:05:09,230 --> 00:05:06,599

eight years ghost-hunting and we'll

97

00:05:12,140 --> 00:05:09,240

never get tired of it I expect so much

98

00:05:15,080 --> 00:05:12,150

time on it he says that it's just a big

99

00:05:19,700 --> 00:05:15,090

part of me so now also with us tonight

100

00:05:22,010 --> 00:05:19,710

is D night aka the Kentucky Gosar Tara

101  
00:05:26,570 --> 00:05:22,020  
Dean obviously doesn't live too far away

102  
00:05:28,879 --> 00:05:26,580  
from me now hunting may be a strong

103  
00:05:30,529 --> 00:05:28,889  
world he's a word he says but accurate

104  
00:05:33,439 --> 00:05:30,539  
there's something out there that we do

105  
00:05:35,179 --> 00:05:33,449  
not understand we know it's there but

106  
00:05:37,300 --> 00:05:35,189  
because of the limited knowledge or

107  
00:05:41,029 --> 00:05:37,310  
understanding of it becomes complicated

108  
00:05:42,499 --> 00:05:41,039  
almost in spa impossible now Dean says

109  
00:05:44,990 --> 00:05:42,509  
that he goes places with the

110  
00:05:47,719 --> 00:05:45,000  
understanding that these things do exist

111  
00:05:50,930 --> 00:05:47,729  
and that he doesn't need to investigate

112  
00:05:53,420 --> 00:05:50,940  
the likelihood of that existence he uses

113  
00:05:56,390 --> 00:05:53,430

hunting techniques to find or bring to

114

00:05:58,550 --> 00:05:56,400

unknown to him and then once he has it

115

00:06:02,360 --> 00:05:58,560

he says I am determined to prove exactly

116

00:06:04,790 --> 00:06:02,370

what it is that goes bump in the night

117

00:06:06,439 --> 00:06:04,800

our Dean says that a person can ask for

118

00:06:09,740 --> 00:06:06,449

help and that he has a network of people

119

00:06:12,619 --> 00:06:09,750

who deal in the paranormal globally so

120

00:06:13,339 --> 00:06:12,629

he says don't be afraid to ask I can get

121

00:06:15,559 --> 00:06:13,349

you help

122

00:06:16,339 --> 00:06:15,569

so Dean Darryl thank you very much for

123

00:06:22,670 --> 00:06:16,349

being with us tonight

124

00:06:28,070 --> 00:06:25,839

[Laughter]

125

00:06:36,999 --> 00:06:28,080

do you want to start with here do I

126

00:06:40,189 --> 00:06:37,009

start with a Darryl Tim I think that

127

00:06:43,430 --> 00:06:40,199

Darryl the the the story that you you

128

00:06:46,219 --> 00:06:43,440

said in your biography about your mother

129

00:06:48,499 --> 00:06:46,229

and your sister talking about seeing

130

00:06:50,029 --> 00:06:48,509

their deceased brother that just

131

00:06:52,219 --> 00:06:50,039

fascinated me and I want to know a

132

00:06:56,499 --> 00:06:52,229

little bit more details about that do

133

00:06:59,329 --> 00:06:56,509

you remember and what was going on with

134

00:07:02,779 --> 00:06:59,339

what they were seeing or did they tell

135

00:07:06,439 --> 00:07:02,789

you yes they did they actually told me

136

00:07:09,619 --> 00:07:06,449

that they were in bed at night and their

137

00:07:12,800 --> 00:07:09,629

deceased brother had walked into their

138

00:07:15,890 --> 00:07:12,810

bedroom and sat down on the bed beside

139

00:07:20,570 --> 00:07:15,900

them and it was their brother

140

00:07:25,189 --> 00:07:20,580

he was a full apparition and he was

141

00:07:30,740 --> 00:07:25,199

transparent and they saw him several

142

00:07:33,230 --> 00:07:30,750

times in their younger years so they

143

00:07:35,029 --> 00:07:33,240

were pretty young when they saw him yes

144

00:07:38,900 --> 00:07:35,039

they were in their teens and when they

145

00:07:42,860 --> 00:07:38,910

saw it actually that had to have been

146

00:07:49,240 --> 00:07:42,870

pretty freaky for him well yeah I would

147

00:07:53,510 --> 00:07:49,250

I would imagine when when I saw my

148

00:07:56,420 --> 00:07:53,520

apparition I just didn't know what to do

149

00:08:01,390 --> 00:07:56,430

I was standing there my knees started

150

00:08:04,580 --> 00:08:01,400

buckling that's the first time I've ever

151

00:08:10,370 --> 00:08:04,590

experienced anything like that and I

152

00:08:12,379 --> 00:08:10,380

know that she knew that she was freaking

153

00:08:14,900 --> 00:08:12,389

me out and I could I could sense that

154

00:08:17,240 --> 00:08:14,910

and she could sense that she was you

155

00:08:20,870 --> 00:08:17,250

know doing that and she turned around

156

00:08:24,860 --> 00:08:20,880

and walked away so I never said anything

157

00:08:26,900 --> 00:08:24,870

to anyone and my ex-girlfriend that we

158

00:08:30,800 --> 00:08:26,910

were sitting on the couch watching TV

159

00:08:35,329 --> 00:08:30,810

and she came out of the kitchen area and

160

00:08:38,690 --> 00:08:35,339

into the living room and Wow

161

00:08:42,469 --> 00:08:38,700

my girlfriend's she just she just went

162

00:08:46,130 --> 00:08:42,479

all to pieces but it wasn't very long

163

00:08:47,660 --> 00:08:46,140

until we started feeling like she was

164

00:08:50,960 --> 00:08:47,670

part of the family and I'll tell you

165

00:08:53,260 --> 00:08:50,970

what to this day 38 years later I miss

166

00:08:59,870 --> 00:08:53,270

her and I would love to see her again

167

00:09:02,210 --> 00:08:59,880

she was a normal four year old she was

168

00:09:05,690 --> 00:09:02,220

playful she would run her fingers

169

00:09:08,500 --> 00:09:05,700

through my hair at night she would she

170

00:09:13,550 --> 00:09:08,510

loved touching me on the shoulder and

171

00:09:15,890 --> 00:09:13,560

she would get a big kick out of pulling

172

00:09:20,120 --> 00:09:15,900

the covers right off the bed I mean that

173

00:09:24,350 --> 00:09:20,130

was all the time and she was just a

174

00:09:27,800 --> 00:09:24,360

normal playful little kid but she could

175

00:09:29,560 --> 00:09:27,810

only stay visible for about three to

176

00:09:33,880 --> 00:09:29,570

five minutes out of the time

177

00:09:36,940 --> 00:09:33,890

a ton but she would appear probably a

178

00:09:40,180 --> 00:09:36,950

half a dozen times out of the day huh

179

00:09:45,880 --> 00:09:40,190

but but that happened for five years and

180

00:09:48,190 --> 00:09:45,890

until we moved to Kentucky and I'll tell

181

00:09:50,050 --> 00:09:48,200

you I miss her boy would I love to see

182

00:09:51,820 --> 00:09:50,060

her again well what kind of place were

183

00:09:53,230 --> 00:09:51,830

you living at I mean was it a you know

184

00:09:58,210 --> 00:09:53,240

like apartment building in an older

185

00:10:04,230 --> 00:09:58,220

house or what it was an old early 1900

186

00:10:10,770 --> 00:10:08,620

I've been trying my best to find the

187

00:10:14,920 --> 00:10:10,780

history on that place I don't know if

188

00:10:22,150 --> 00:10:14,930

something happened if the child had died

189

00:10:26,220 --> 00:10:22,160

there or spirits they can be in and

190

00:10:33,430 --> 00:10:26,230

around a building or a site many years

191

00:10:37,210 --> 00:10:33,440

you know three 1900s you know it's hard

192

00:10:40,450 --> 00:10:37,220

to tell what dimension she came from but

193

00:10:45,180 --> 00:10:40,460

I've been I've been trying to find out

194

00:10:49,500 --> 00:10:45,190

if I can go back to Bethel Ohio and

195

00:10:54,940 --> 00:10:49,510

spend a couple nights in that apartment

196

00:10:57,970 --> 00:10:54,950

just to see if I can film her and talk

197

00:11:01,300 --> 00:10:57,980

to her and see what I can get if I knew

198

00:11:06,040 --> 00:11:01,310

then what I know now about spirits and

199

00:11:06,640 --> 00:11:06,050

ghost hunting oh man there's no doubt

200

00:11:09,040 --> 00:11:06,650

buddy

201  
00:11:12,760 --> 00:11:09,050  
oh yeah hides hindsight's always 20/20

202  
00:11:15,070 --> 00:11:12,770  
is yes it is okay now was it because of

203  
00:11:19,620 --> 00:11:15,080  
this experience is that what got you

204  
00:11:23,940 --> 00:11:19,630  
interested in the paranormal yes it is

205  
00:11:26,350 --> 00:11:23,950  
after she had left out of our lives I

206  
00:11:30,790 --> 00:11:26,360  
knew that there was other spirits out

207  
00:11:35,290 --> 00:11:30,800  
there and I was going to search high low

208  
00:11:40,600 --> 00:11:35,300  
for the next full apparition and I've

209  
00:11:44,040 --> 00:11:40,610  
come close I've come close to filling a

210  
00:11:56,740 --> 00:11:50,560  
mok's in southern Texas I see I see

211  
00:11:59,670 --> 00:11:56,750  
actually spirits and orbs flying through

212  
00:12:02,379 --> 00:11:59,680  
the air now my partner

213  
00:12:07,949 --> 00:12:02,389

Linda Wolfe Lee she works at River edge

214

00:12:11,439 --> 00:12:07,959

hospital she and I have been doing this

215

00:12:15,100 --> 00:12:11,449

together she's been doing this now for a

216

00:12:21,550 --> 00:12:15,110

year and a couple months and she's a big

217

00:12:26,110 --> 00:12:21,560

part of this ghost hunting expedition up

218

00:12:29,530 --> 00:12:26,120

here in Chicago a lot of the pictures

219

00:12:33,490 --> 00:12:29,540

that we've taken and that's in some of

220

00:12:36,430 --> 00:12:33,500

our books came from her and she's we've

221

00:12:40,629 --> 00:12:36,440

been out the cemeteries the cold and the

222

00:12:44,199 --> 00:12:40,639

zero degree weather go sunning and she's

223

00:12:49,410 --> 00:12:44,209

a real she's a real trooper and I just

224

00:12:54,309 --> 00:12:49,420

got to thank her and her efforts in

225

00:12:58,319 --> 00:12:54,319

hunting with me but it's just amazing

226

00:13:02,670 --> 00:12:58,329

that the spirits that we have found now

227

00:13:07,629 --> 00:13:02,680

we have honestly now this might sound

228

00:13:11,800 --> 00:13:07,639

crazy but we feel like there's this one

229

00:13:16,240 --> 00:13:11,810

cemetery that we go to we feel like the

230

00:13:22,600 --> 00:13:16,250

spirits there are our friends now it

231

00:13:24,910 --> 00:13:22,610

might sound crazy we have got okay where

232

00:13:25,870 --> 00:13:24,920

the cemetery is is about five minutes

233

00:13:28,990 --> 00:13:25,880

from where we live

234

00:13:32,350 --> 00:13:29,000

so we visit it all the time and I know

235

00:13:35,379 --> 00:13:32,360

for a fact as I'm sitting here that we

236

00:13:39,189 --> 00:13:35,389

have visited that cemetery over 300

237

00:13:44,530 --> 00:13:39,199

times that's a fact and we have gotten

238

00:13:48,340 --> 00:13:44,540

to where we can say hit you'll hit the

239

00:13:52,300 --> 00:13:48,350

back of the car do whatever and they

240

00:13:54,250 --> 00:13:52,310

will do it we we speak to them just like

241

00:13:56,329 --> 00:13:54,260

I'm talking to the audience right now

242

00:14:01,189 --> 00:13:56,339

mm-hmm

243

00:14:06,639 --> 00:14:01,199

they they respond they are not they are

244

00:14:11,090 --> 00:14:06,649

not dumb they are very smart individuals

245

00:14:14,239 --> 00:14:11,100

we've we've heard a woman talk in the

246

00:14:16,910 --> 00:14:14,249

front seat right in between us we have

247

00:14:23,269 --> 00:14:16,920

seen light shows out there there's just

248

00:14:27,199 --> 00:14:23,279

just out of this world the smoke the the

249

00:14:30,489 --> 00:14:27,209

spirit smoke we have so much of that in

250

00:14:35,960 --> 00:14:30,499

pictures that it's just it's just it's

251  
00:14:40,610 --> 00:14:35,970  
just unbelievable and we we really have

252  
00:14:44,569 --> 00:14:40,620  
a rapport with these spirits and I

253  
00:14:49,809 --> 00:14:44,579  
believe if you are in the paranormal

254  
00:14:55,670 --> 00:14:49,819  
ghosts any it is imperative to actually

255  
00:14:58,189 --> 00:14:55,680  
friend these people if you can you will

256  
00:15:01,579 --> 00:14:58,199  
absolutely and I'm telling you you will

257  
00:15:05,169 --> 00:15:01,589  
absolutely get positive results if you

258  
00:15:08,860 --> 00:15:05,179  
do that I guess I always figured that

259  
00:15:10,699 --> 00:15:08,870  
cemeteries would be the least haunted of

260  
00:15:13,850 --> 00:15:10,709  
locations you know I mean I would

261  
00:15:15,619 --> 00:15:13,860  
understand you know locations where

262  
00:15:19,879 --> 00:15:15,629  
maybe somebody had an emotional

263  
00:15:22,449 --> 00:15:19,889

attachment you you know or or you know

264

00:15:25,249 --> 00:15:22,459

maybe a place where somebody died

265

00:15:26,780 --> 00:15:25,259

unpleasantly like that yeah you know I

266

00:15:28,579 --> 00:15:26,790

mean I wouldn't think that you know

267

00:15:31,129 --> 00:15:28,589

people would be spending a lot of time

268

00:15:34,939 --> 00:15:31,139

hanging around where where their body

269

00:15:36,769 --> 00:15:34,949

used to be yes not where they used to be

270

00:15:40,610 --> 00:15:36,779

but where their body is is currently

271

00:15:42,530 --> 00:15:40,620

right I understand yeah you know I had

272

00:15:44,840 --> 00:15:42,540

thought about that you know when I first

273

00:15:48,290 --> 00:15:44,850

started in this but there are so many

274

00:15:52,699 --> 00:15:48,300

now st. Augustine Florida is another

275

00:15:57,079 --> 00:15:52,709

place that's very haunted 1565 is or it

276

00:16:01,900 --> 00:15:57,089

was founded and it's just amazing that

277

00:16:06,559 --> 00:16:01,910

this the spirit world is just just

278

00:16:09,049 --> 00:16:06,569

absolutely just crazy there especially

279

00:16:10,100 --> 00:16:09,059

in the yeah isn't there an old hotel

280

00:16:12,079 --> 00:16:10,110

there that's

281

00:16:14,870 --> 00:16:12,089

I think I was there years ago it's

282

00:16:18,620 --> 00:16:14,880

painted think you don't know yeah yes

283

00:16:21,650 --> 00:16:18,630

yes yes that that's very haunted and and

284

00:16:22,790 --> 00:16:21,660

the st. Augustine lighthouse is another

285

00:16:28,220 --> 00:16:22,800

one that's haunted

286

00:16:31,280 --> 00:16:28,230

I have taken a EVPs there and EMF

287

00:16:35,720 --> 00:16:31,290

readings and they just spiked off the

288

00:16:42,290 --> 00:16:35,730

charts you know down in the basement of

289

00:16:47,269 --> 00:16:42,300

the lighthouse and they're in the bottom

290

00:16:52,790 --> 00:16:47,279

of well it's a long area or a cannon is

291

00:16:55,819 --> 00:16:52,800

I have been attacked three times three

292

00:16:59,600 --> 00:16:55,829

different places three different times

293

00:17:03,350 --> 00:16:59,610

there and it would act actually get on

294

00:17:06,350 --> 00:17:03,360

top of my back and just seemed like it

295

00:17:10,130 --> 00:17:06,360

was choking me to death it was it was

296

00:17:14,600 --> 00:17:10,140

driving the air out of my lungs and I

297

00:17:18,110 --> 00:17:14,610

would have to leave out of that area to

298

00:17:21,289 --> 00:17:18,120

regain composure there there's something

299

00:17:23,090 --> 00:17:21,299

in there that just isn't right but now

300

00:17:27,020 --> 00:17:23,100

why do you think that you were attacked

301  
00:17:30,830 --> 00:17:27,030  
like that you know I really don't know I

302  
00:17:34,400 --> 00:17:30,840  
have been trying to talk to it take

303  
00:17:37,310 --> 00:17:34,410  
pictures and all three times that I

304  
00:17:41,360 --> 00:17:37,320  
would go there it would just get on my

305  
00:17:43,490 --> 00:17:41,370  
back and just just trying to drive the

306  
00:17:47,049 --> 00:17:43,500  
air right out of it now I don't know if

307  
00:17:52,039 --> 00:17:47,059  
anyone else has had that experience

308  
00:17:56,900 --> 00:17:52,049  
there but something just is something is

309  
00:18:00,590 --> 00:17:56,910  
just very heavy there that it's just

310  
00:18:02,690 --> 00:18:00,600  
there's just not right now how many

311  
00:18:05,539 --> 00:18:02,700  
would you say I mean you've been

312  
00:18:10,630 --> 00:18:05,549  
involved in a lot of cases how many

313  
00:18:13,730 --> 00:18:10,640

cases would you say are are benevolent

314

00:18:16,280 --> 00:18:13,740

ghosts and others that are like this one

315

00:18:19,640 --> 00:18:16,290

I mean outside of poltergeist cases we

316

00:18:21,530 --> 00:18:19,650

don't hear about too many cases I mean

317

00:18:23,960 --> 00:18:21,540

the overly majority of them just seem to

318

00:18:26,780 --> 00:18:23,970

be either wandering spirits or something

319

00:18:28,670 --> 00:18:26,790

exists in another dimension or parallel

320

00:18:34,400 --> 00:18:28,680

universe or however you want to explain

321

00:18:36,770 --> 00:18:34,410

the phenomena that one in the st.

322

00:18:41,380 --> 00:18:36,780

Augustine Florida and there was one

323

00:18:44,750 --> 00:18:41,390

other and that was here in Chicago

324

00:18:45,920 --> 00:18:44,760

probably six months ago or so we were

325

00:18:50,590 --> 00:18:45,930

out in the cemetery

326

00:18:55,820 --> 00:18:50,600

and something just didn't seem right I

327

00:19:01,370 --> 00:18:55,830

was apprehensive of going into a certain

328

00:19:05,030 --> 00:19:01,380

area and I drove around for a while it's

329

00:19:06,380 --> 00:19:05,040

a every time I go by there something new

330

00:19:12,710 --> 00:19:06,390

just about make me sick to my stomach

331

00:19:15,140 --> 00:19:12,720

and I'm I said to myself okay you are an

332

00:19:17,900 --> 00:19:15,150

investigator of the paranormal you got

333

00:19:20,690 --> 00:19:17,910

to get your butt out there and see what

334

00:19:24,140 --> 00:19:20,700

it is well I made myself go out there

335

00:19:27,770 --> 00:19:24,150

and there were some dark entities out

336

00:19:31,300 --> 00:19:27,780

there and one actually followed us home

337

00:19:34,340 --> 00:19:31,310

and I was cooking one night and

338

00:19:37,010 --> 00:19:34,350

something just made me stab myself on

339

00:19:39,530 --> 00:19:37,020

the friggin hand a couple times and I

340

00:19:42,860 --> 00:19:39,540

still got the scar in my hand I mean it

341

00:19:49,400 --> 00:19:42,870

just just made me take my hand just just

342

00:19:55,250 --> 00:19:49,410

stab myself and so Linda and myself we

343

00:19:57,620 --> 00:19:55,260

got together and we made it we made it

344

00:20:00,290 --> 00:19:57,630

leave we got in the car and we told it

345

00:20:04,040 --> 00:20:00,300

you've got to get out of here you're not

346

00:20:07,160 --> 00:20:04,050

wanted you've got to get out of our

347

00:20:14,210 --> 00:20:07,170

lives so we did go back to the cemetery

348

00:20:17,390 --> 00:20:14,220

and it did leave and we never had any

349

00:20:23,020 --> 00:20:17,400

more problems with that at all but I was

350

00:20:28,780 --> 00:20:23,030

talking to a lady see she is going to be

351

00:20:30,970 --> 00:20:28,790

a client and she has paranormal

352

00:20:36,440 --> 00:20:30,980

activities she has poltergeist

353

00:20:38,379 --> 00:20:36,450

activities and she's experiencing some

354

00:20:45,230 --> 00:20:38,389

of the things

355

00:20:48,080 --> 00:20:45,240

that I have and I I keep holy water with

356

00:20:51,289 --> 00:20:48,090

me at all times and I told her I said

357

00:20:53,509 --> 00:20:51,299

you know maybe keeping some holy water

358

00:20:54,909 --> 00:20:53,519

around and just forcing it around you

359

00:20:57,529 --> 00:20:54,919

know when these things happen

360

00:21:01,190 --> 00:20:57,539

might help either that you might need to

361

00:21:03,289 --> 00:21:01,200

get a priest or something and well how

362

00:21:09,019 --> 00:21:03,299

do you how do you know it's dark energy

363

00:21:14,950 --> 00:21:09,029

I can see it I could lend in myself we

364

00:21:18,399 --> 00:21:14,960

can actually see the spirits we can see

365

00:21:22,039 --> 00:21:18,409

the ghosts that's how come we have

366

00:21:26,450 --> 00:21:22,049

hundreds of pictures of ghosts and

367

00:21:32,299 --> 00:21:26,460

Stroke a smoke is because we can see it

368

00:21:35,419 --> 00:21:32,309

and I see dark energy quite a bit not

369

00:21:38,720 --> 00:21:35,429

only out in the cemetery but other

370

00:21:43,580 --> 00:21:38,730

places and I can actually see the the

371

00:21:46,930 --> 00:21:43,590

the entity itself and I try my best to

372

00:21:50,240 --> 00:21:46,940

keep away from it and you know I keep

373

00:21:56,629 --> 00:21:50,250

the holy water with me that I get a

374

00:21:57,049 --> 00:21:56,639

local Catholic Church and so far go

375

00:21:59,480 --> 00:21:57,059

ahead

376

00:22:01,999 --> 00:21:59,490

well I I just have to able to answer

377

00:22:05,330 --> 00:22:02,009

question if I'm a spirit why do I want

378

00:22:06,139 --> 00:22:05,340

to want a cemetery you know that's a

379

00:22:18,169 --> 00:22:06,149

good question

380

00:22:20,509 --> 00:22:18,179

of course it is about answering it I'm

381

00:22:24,320 --> 00:22:20,519

gonna play the dumb person I really

382

00:22:31,190 --> 00:22:24,330

don't know but I know I know I've found

383

00:22:35,090 --> 00:22:31,200

more entities in most cemeteries and I

384

00:22:40,850 --> 00:22:35,100

do that most haunted forts haunted

385

00:22:43,669 --> 00:22:40,860

hotels places that are known haunted the

386

00:22:46,609 --> 00:22:43,679

most haunted place I ever visited

387

00:22:50,450 --> 00:22:46,619

they had like hundreds of EVPs in there

388

00:22:51,320 --> 00:22:50,460

was a bordello and I can't remember the

389

00:22:55,070 --> 00:22:51,330

name of the

390

00:22:56,330 --> 00:22:55,080

we shot a segment of UFOs in the town

391

00:23:00,950 --> 00:22:56,340

which had nothing to do with the

392

00:23:02,950 --> 00:23:00,960

bordello but they had more EVP and the

393

00:23:07,460 --> 00:23:02,960

woman stay there for an hour who was

394

00:23:10,400 --> 00:23:07,470

running Li I say - recreated the you

395

00:23:14,420 --> 00:23:10,410

know the hotel going back to the day you

396

00:23:18,080 --> 00:23:14,430

know 18 40 50 whatever it was and I mean

397

00:23:19,820 --> 00:23:18,090

and unless the EVPs were all hoax then I

398

00:23:22,220 --> 00:23:19,830

don't see why it if you got a hoax an

399

00:23:23,960 --> 00:23:22,230

EVP maybe do one or two you're not going

400

00:23:25,490 --> 00:23:23,970

to come out with a you know why isn't I

401

00:23:27,740 --> 00:23:25,500

spend all the time they do does is it

402

00:23:30,080 --> 00:23:27,750

does very very spooky I don't know down

403

00:23:33,110 --> 00:23:30,090

upstairs and said bordello downstairs

404

00:23:35,360 --> 00:23:33,120

there's a bakery yeah well we've got

405

00:23:37,280 --> 00:23:35,370

we've got our own EVPs coming up here in

406

00:23:39,140 --> 00:23:37,290

just a few seconds so we'll go to our

407

00:23:45,790 --> 00:23:39,150

break and we'll be back with more

408

00:23:52,520 --> 00:23:49,940

now back to exploring the bazaars with

409

00:23:55,820 --> 00:23:52,530

two of the most electrifying researchers

410

00:24:02,960 --> 00:23:55,830

in the Paranoid your hosts Timothy Becky

411

00:24:05,300 --> 00:24:02,970

Lee panting swoops and welcome back to

412

00:24:08,440 --> 00:24:05,310

exploring the bazaar tonight we're

413

00:24:11,240 --> 00:24:08,450

talking about ghost hunting and

414

00:24:13,990 --> 00:24:11,250

paranormal photography I know that's

415

00:24:17,510 --> 00:24:14,000

something that I've been fascinated with

416

00:24:20,750 --> 00:24:17,520

for quite a long time I know I've told

417

00:24:24,560 --> 00:24:20,760

Tim before my own experience when I

418

00:24:27,980 --> 00:24:24,570

tried to use a video camera years and

419

00:24:33,340 --> 00:24:27,990

years ago to interview some people at a

420

00:24:36,200 --> 00:24:33,350

poltergeist haunting the batteries just

421

00:24:37,610 --> 00:24:36,210

drained in an instance and you know of

422

00:24:42,110 --> 00:24:37,620

course at that time that would have been

423

00:24:44,810 --> 00:24:42,120

mm the early 1980s nobody really knew

424

00:24:47,240 --> 00:24:44,820

about that kind of phenomena but I tell

425

00:24:50,750 --> 00:24:47,250

you it was really disappointed when that

426  
00:24:52,850 --> 00:24:50,760  
happen but we're gonna bring D night the

427  
00:24:54,860 --> 00:24:52,860  
kentucky ghost hunter into the

428  
00:25:00,290 --> 00:24:54,870  
conversation now so i dean how you doing

429  
00:25:03,470 --> 00:25:00,300  
tonight pretty good what you know I just

430  
00:25:06,800 --> 00:25:03,480  
want to say before we get on with the

431  
00:25:10,610 --> 00:25:06,810  
interview my family at least my on my

432  
00:25:12,530 --> 00:25:10,620  
father's side was from Kentucky from the

433  
00:25:16,400 --> 00:25:12,540  
show we go I don't know how close that

434  
00:25:21,080 --> 00:25:16,410  
is where you are but my grandfather had

435  
00:25:24,530 --> 00:25:21,090  
a an experience apparently behind the

436  
00:25:27,400 --> 00:25:24,540  
barn and he never told he only talked

437  
00:25:33,440 --> 00:25:27,410  
about this once and then he refused to

438  
00:25:37,550 --> 00:25:33,450

discuss the subject again he was a very

439

00:25:40,760 --> 00:25:37,560

devout Baptist then factors as a rule

440

00:25:42,680 --> 00:25:40,770

don't believe in ghosts and if they do

441

00:25:45,860 --> 00:25:42,690

believe in spirits well then they have

442

00:25:49,670 --> 00:25:45,870

to be usually demonic and in nature

443

00:25:53,210 --> 00:25:49,680

anyway he was behind the bar one evening

444

00:25:55,640 --> 00:25:53,220

as I understand it and he ran into or

445

00:25:59,150 --> 00:25:55,650

maybe he was almost run into by

446

00:26:02,060 --> 00:25:59,160

a headless horseman in fact I want to

447

00:26:04,250 --> 00:26:02,070

ask you there are any number of cases

448

00:26:06,820 --> 00:26:04,260

involving headless horseman why they

449

00:26:09,470 --> 00:26:06,830

seem to pop up from time to time now I

450

00:26:11,660 --> 00:26:09,480

understand in this particular incident

451  
00:26:13,940 --> 00:26:11,670  
involving my grandfather that there had

452  
00:26:16,400 --> 00:26:13,950  
been a skirmish between the north and

453  
00:26:19,940 --> 00:26:16,410  
the south there and apparently the

454  
00:26:23,630 --> 00:26:19,950  
skirmish had that the soldiers had had

455  
00:26:25,460 --> 00:26:23,640  
been blown off by a cannonball anyway

456  
00:26:27,530 --> 00:26:25,470  
that's the story he never talked about

457  
00:26:29,750 --> 00:26:27,540  
it I never talked to him directly that

458  
00:26:34,820 --> 00:26:29,760  
was just word of mouth that was passed

459  
00:26:38,090 --> 00:26:34,830  
down tree yeah yeah that's a good story

460  
00:26:41,210 --> 00:26:38,100  
though the way it is indeed any anyway

461  
00:26:44,510 --> 00:26:41,220  
why don't you tell us how did you get

462  
00:26:46,490 --> 00:26:44,520  
involved in all of this and ghost

463  
00:26:47,930 --> 00:26:46,500

hunting and what's the difference

464

00:26:50,480 --> 00:26:47,940

between the Kentucky ghosts that are

465

00:26:53,780 --> 00:26:50,490

vetti and anybody else from Ohio or

466

00:26:55,370 --> 00:26:53,790

Pennsylvania well from what I understand

467

00:27:00,680 --> 00:26:55,380

it's just a good name Kentucky ghost

468

00:27:04,460 --> 00:27:00,690

honor I'm about like it is but I guess

469

00:27:06,350 --> 00:27:04,470

it was back in 1999 I got involved in

470

00:27:08,570 --> 00:27:06,360

ghost I was kind of by accident somebody

471

00:27:11,090 --> 00:27:08,580

asked me to go out with him to cemetery

472

00:27:13,790 --> 00:27:11,100

and Mammoth Cave and take some pictures

473

00:27:15,050 --> 00:27:13,800

of a cemetery out there and we went out

474

00:27:17,210 --> 00:27:15,060

there and were goofing off for a while

475

00:27:20,660 --> 00:27:17,220

and we caught caught some what they call

476

00:27:22,570 --> 00:27:20,670

orbs and at first we didn't really know

477

00:27:24,950 --> 00:27:22,580

what they were I just thought it was

478

00:27:25,940 --> 00:27:24,960

basically water drops or bugs or

479

00:27:28,490 --> 00:27:25,950

something like that that we took a

480

00:27:30,290 --> 00:27:28,500

picture of and lo and behold we sent it

481

00:27:31,550 --> 00:27:30,300

to a professional photographer expert

482

00:27:33,140 --> 00:27:31,560

and he came back saying he didn't know

483

00:27:37,430 --> 00:27:33,150

what it was and he blew it up and it was

484

00:27:38,510 --> 00:27:37,440

a it was a funny looking I guess the

485

00:27:40,130 --> 00:27:38,520

best way to describe it looked like a

486

00:27:42,950 --> 00:27:40,140

flower floating in the air once you blew

487

00:27:45,200 --> 00:27:42,960

it up except it was neon green and that

488

00:27:48,260 --> 00:27:45,210

was my first official experience with an

489

00:27:50,150 --> 00:27:48,270

orb and since then I've been just doing

490

00:27:51,590 --> 00:27:50,160

some different things and somebody said

491

00:27:52,940 --> 00:27:51,600

hey you're from Kentucky near a ghost

492

00:27:54,410 --> 00:27:52,950

town you must be the Kentucky ghost

493

00:27:58,190 --> 00:27:54,420

owner and ever since then the name just

494

00:28:01,070 --> 00:27:58,200

stuck with me and it's 2018 I'm still

495

00:28:04,220 --> 00:28:01,080

going strong hunting ghosts and how many

496

00:28:07,190 --> 00:28:04,230

ghosts have you hunted probably quite a

497

00:28:08,150 --> 00:28:07,200

bit I guess my experience has have been

498

00:28:09,230 --> 00:28:08,160

a little bit different like I said I've

499

00:28:11,330 --> 00:28:09,240

been sitting back

500

00:28:13,280 --> 00:28:11,340

the brightness I was biting my my lip

501  
00:28:16,520 --> 00:28:13,290  
for a little bit here because there's a

502  
00:28:19,130 --> 00:28:16,530  
question asked about why spirits are in

503  
00:28:20,960 --> 00:28:19,140  
cemeteries and I it's a theory of mine

504  
00:28:22,970 --> 00:28:20,970  
based on I'm going to answer it from my

505  
00:28:25,640 --> 00:28:22,980  
perspective because absolutely

506  
00:28:28,280 --> 00:28:25,650  
interesting but what I have found I've

507  
00:28:32,060 --> 00:28:28,290  
been to a lot of different places Bobby

508  
00:28:33,620 --> 00:28:32,070  
Mackey's been this from Edinburgh Asylum

509  
00:28:36,530 --> 00:28:33,630  
up and I what we just got back from it

510  
00:28:38,390 --> 00:28:36,540  
make a long story short everywhere I've

511  
00:28:40,340 --> 00:28:38,400  
ever went we've experienced I've always

512  
00:28:41,840 --> 00:28:40,350  
asked a question or wires spiritual why

513  
00:28:42,830 --> 00:28:41,850

in the heck do they stick around doesn't

514

00:28:45,050 --> 00:28:42,840

make any sense why are they in

515

00:28:48,140 --> 00:28:45,060

cemeteries and why is there always more

516

00:28:49,820 --> 00:28:48,150

than one and from what I've experienced

517

00:28:51,740 --> 00:28:49,830

it seems like there's always a dominant

518

00:28:53,750 --> 00:28:51,750

spirit involved somewhere a spirit that

519

00:28:56,590 --> 00:28:53,760

it's a little bit more powerful than

520

00:28:59,960 --> 00:28:56,600

everybody else and my group of myself

521

00:29:01,640 --> 00:28:59,970

have experienced a circumstance where we

522

00:29:04,190 --> 00:29:01,650

try to talk to spirit it would talk to

523

00:29:06,590 --> 00:29:04,200

this to a spirit box or through EVPs and

524

00:29:08,780 --> 00:29:06,600

it would just shut up and we couldn't

525

00:29:11,120 --> 00:29:08,790

figure out what it was but my theory is

526

00:29:12,980 --> 00:29:11,130

and we've nicknamed them wardens is we

527

00:29:14,680 --> 00:29:12,990

believe that there is an entity there

528

00:29:16,760 --> 00:29:14,690

that is stronger than the rest of them I

529

00:29:18,230 --> 00:29:16,770

personally don't believe spirits are

530

00:29:19,880 --> 00:29:18,240

here on their own freewill I think if

531

00:29:21,860 --> 00:29:19,890

they can move on they will and I think

532

00:29:23,870 --> 00:29:21,870

the weaker spirits are sometimes trapped

533

00:29:26,660 --> 00:29:23,880

in areas like cemeteries and haunted

534

00:29:27,920 --> 00:29:26,670

houses and places like Bobby Mackey's in

535

00:29:29,810 --> 00:29:27,930

place like that because they don't have

536

00:29:31,430 --> 00:29:29,820

the strength to escape and this entity

537

00:29:34,460 --> 00:29:31,440

we call a warden is holding them there

538

00:29:36,710 --> 00:29:34,470

and won't let them go so when that

539

00:29:38,300 --> 00:29:36,720

question was asked why do a spirit stay

540

00:29:40,840 --> 00:29:38,310

in the cemetery from my experience

541

00:29:43,550 --> 00:29:40,850

that's one of the reasons we have a

542

00:29:46,400 --> 00:29:43,560

cemetery up here in Kentucky it's in

543

00:29:48,410 --> 00:29:46,410

Ohio County that we go to several times

544

00:29:50,690 --> 00:29:48,420

we've not really had good experiences

545

00:29:52,120 --> 00:29:50,700

there we've caught things but we've had

546

00:29:54,950 --> 00:29:52,130

people that's been scratched

547

00:29:57,530 --> 00:29:54,960

we've got threatening EVPs and stuff

548

00:30:01,040 --> 00:29:57,540

like that there and it's always when we

549

00:30:03,080 --> 00:30:01,050

do find a entity there that is basically

550

00:30:05,120 --> 00:30:03,090

friendly it seems to be shut up and then

551  
00:30:07,160 --> 00:30:05,130  
somebody takes over so that's just some

552  
00:30:10,640 --> 00:30:07,170  
examples of what we found in areas a lot

553  
00:30:13,850 --> 00:30:10,650  
of spirits to us what what does the EVP

554  
00:30:16,760 --> 00:30:13,860  
say well we can well let's just say one

555  
00:30:18,440 --> 00:30:16,770  
with the EVP just as an example we would

556  
00:30:20,630 --> 00:30:18,450  
hear some a little child say I'm going

557  
00:30:22,970 --> 00:30:20,640  
to kill IVA now you have to understand

558  
00:30:25,030 --> 00:30:22,980  
that wasn't a threatening IVP

559  
00:30:27,530 --> 00:30:25,040  
what it was is like if a child would say

560  
00:30:28,760 --> 00:30:27,540  
drop somebody's totally in the South I'm

561  
00:30:30,590 --> 00:30:28,770  
gonna kill you for doing that

562  
00:30:32,930 --> 00:30:30,600  
well that's what it sounded like it was

563  
00:30:35,330 --> 00:30:32,940

friendly but then another EVP we'd get

564

00:30:36,980 --> 00:30:35,340

we'd say quiet or hush or something like

565

00:30:39,620 --> 00:30:36,990

that and then we were dead we didn't

566

00:30:41,360 --> 00:30:39,630

hear anything else for a long time so in

567

00:30:42,590 --> 00:30:41,370

every instance we've seen something like

568

00:30:45,409 --> 00:30:42,600

that there has been an entity that's

569

00:30:48,500 --> 00:30:45,419

told somebody to stop or go away or just

570

00:30:54,530 --> 00:30:48,510

basically shut up and we've at that

571

00:30:56,270 --> 00:30:54,540

instance our evidence quit so it's just

572

00:30:58,549 --> 00:30:56,280

you know it's just a theory we've got

573

00:31:00,730 --> 00:30:58,559

and it's the theories been working out

574

00:31:04,130 --> 00:31:00,740

quite well we've had an instance weapon

575

00:31:05,750 --> 00:31:04,140

it's in Franklin Kentucky in Simpson

576

00:31:06,860 --> 00:31:05,760

County it's called the octagon Hall up

577

00:31:08,120 --> 00:31:06,870

there if there's anybody ever wants go

578

00:31:10,400 --> 00:31:08,130

investigate a place they need to go

579

00:31:13,909 --> 00:31:10,410

there it used to be a civil war hospital

580

00:31:16,010 --> 00:31:13,919

but we've used a X cam out there and a

581

00:31:19,039 --> 00:31:16,020

couple of things and we've captured the

582

00:31:21,860 --> 00:31:19,049

stick figure of a lady and it's actually

583

00:31:23,750 --> 00:31:21,870

our YouTube page but she's very friendly

584

00:31:26,060 --> 00:31:23,760

and then some other entity shows up and

585

00:31:28,490 --> 00:31:26,070

she disappears and we believe that that

586

00:31:30,080 --> 00:31:28,500

entity we had a medium there to psyche

587

00:31:31,970 --> 00:31:30,090

at the same time they told me the guy

588

00:31:34,280 --> 00:31:31,980

didn't like us too much basically me

589

00:31:35,570 --> 00:31:34,290

didn't like too much and he was

590

00:31:37,760 --> 00:31:35,580

determined that we weren't going to talk

591

00:31:39,230 --> 00:31:37,770

to anybody there so those are just some

592

00:31:41,000 --> 00:31:39,240

of the experiences we have that's why

593

00:31:42,110 --> 00:31:41,010

I'm saying you know but the cemetery

594

00:31:43,280 --> 00:31:42,120

part when that question was asked

595

00:31:45,200 --> 00:31:43,290

there's a good chance to the most

596

00:31:46,430 --> 00:31:45,210

circumstances that the entities don't

597

00:31:49,820 --> 00:31:46,440

want to be there but they're forced to

598

00:31:53,990 --> 00:31:49,830

stay there in my opinion well now who do

599

00:31:58,940 --> 00:31:54,000

you think this is this dominating the

600

00:32:00,440 --> 00:31:58,950

force is well it's usually just somebody

601  
00:32:02,659 --> 00:32:00,450  
that's more powerful than the rest of

602  
00:32:07,070 --> 00:32:02,669  
them I believe there's a power in each

603  
00:32:09,200 --> 00:32:07,080  
of us and when you pass on somebody

604  
00:32:11,600 --> 00:32:09,210  
that's passed on before as it's just

605  
00:32:13,190 --> 00:32:11,610  
like if you play a sport use as an

606  
00:32:15,020 --> 00:32:13,200  
example if you go out and play sports

607  
00:32:16,909 --> 00:32:15,030  
when you're three years old you're doing

608  
00:32:17,990 --> 00:32:16,919  
good and when you get to be 31 or

609  
00:32:20,090 --> 00:32:18,000  
something like that you're doing great

610  
00:32:22,070 --> 00:32:20,100  
you learn you learn what to do with your

611  
00:32:23,510 --> 00:32:22,080  
with your abilities and I think these

612  
00:32:25,610 --> 00:32:23,520  
spirits that are warns have learned what

613  
00:32:27,110 --> 00:32:25,620

to do with their abilities and then when

614

00:32:28,520 --> 00:32:27,120

other spirits come on that do not have

615

00:32:29,900 --> 00:32:28,530

the same knowledge they are actually

616

00:32:32,100 --> 00:32:29,910

trapped there because he won't let them

617

00:32:35,580 --> 00:32:32,110

or he she or it whatever it is

618

00:32:38,520 --> 00:32:35,590

on what what's the most haunted place

619

00:32:40,260 --> 00:32:38,530

you've ever visible I have to live most

620

00:32:43,470 --> 00:32:40,270

haunted places after me in Iowa which is

621

00:32:44,789 --> 00:32:43,480

Edinburgh and I we had some experiences

622

00:32:48,090 --> 00:32:44,799

of one I won't talk about because I

623

00:32:49,620 --> 00:32:48,100

promised I wouldn't but I'm actually two

624

00:32:51,720 --> 00:32:49,630

of our individuals witnessed an

625

00:32:53,640 --> 00:32:51,730

apparition there when I was one of them

626

00:32:55,200 --> 00:32:53,650

and shocked the heck out I mean I was

627

00:32:56,370 --> 00:32:55,210

walking upstairs from the basement and I

628

00:32:59,340 --> 00:32:56,380

turned to look to the right and there

629

00:33:01,049 --> 00:32:59,350

was a man standing there he was fully

630

00:33:02,310 --> 00:33:01,059

dressed and he was looking at the door

631

00:33:04,980 --> 00:33:02,320

as soon as I turned looked at him he

632

00:33:07,289 --> 00:33:04,990

just disappeared and I said a few

633

00:33:08,880 --> 00:33:07,299

custards and when I do that they knew

634

00:33:10,470 --> 00:33:08,890

something was wrong my crew did and

635

00:33:11,700 --> 00:33:10,480

asked me what was wrong I said there's a

636

00:33:14,220 --> 00:33:11,710

man it was standing right there but

637

00:33:16,470 --> 00:33:14,230

we've had some we've had some

638

00:33:18,120 --> 00:33:16,480

experiences there and let's just say

639

00:33:19,590 --> 00:33:18,130

this at the end of the night I was

640

00:33:21,120 --> 00:33:19,600

outside with one of the crew members

641

00:33:23,730 --> 00:33:21,130

calming them down and the rest of the

642

00:33:25,530 --> 00:33:23,740

crew was quickly getting the equipment

643

00:33:26,820 --> 00:33:25,540

to get out of there so that was probably

644

00:33:28,710 --> 00:33:26,830

one of the scariest places we've ever

645

00:33:30,120 --> 00:33:28,720

been to and I think there too we were

646

00:33:33,330 --> 00:33:30,130

dealing with a warden because you have

647

00:33:35,430 --> 00:33:33,340

to understand Edinburgh at one time when

648

00:33:37,470 --> 00:33:35,440

it first started it was a poorhouse

649

00:33:38,820 --> 00:33:37,480

which meant that you know back in the

650

00:33:40,350 --> 00:33:38,830

depression you don't have anywhere to go

651  
00:33:42,870 --> 00:33:40,360  
or survive you went to this place it was

652  
00:33:45,570 --> 00:33:42,880  
a farmhouse and he would work for your

653  
00:33:47,760 --> 00:33:45,580  
food and board by farming the land and

654  
00:33:50,070 --> 00:33:47,770  
then it eventually became a sort of like

655  
00:33:52,740 --> 00:33:50,080  
a YMCA on the bottom half of it on the

656  
00:33:55,320 --> 00:33:52,750  
top half it became what they called it

657  
00:33:56,970 --> 00:33:55,330  
insane asylum but you can understand

658  
00:33:59,820 --> 00:33:56,980  
back in the day of a sane asylum you

659  
00:34:01,230 --> 00:33:59,830  
know you could you could have a bipolar

660  
00:34:04,110 --> 00:34:01,240  
and they considered you being insane

661  
00:34:07,890 --> 00:34:04,120  
sometimes a lot of people tortured I

662  
00:34:09,510 --> 00:34:07,900  
mean yeah they had I guess they had over

663  
00:34:11,040 --> 00:34:09,520

a hundred and eighty five confirmed

664

00:34:14,010 --> 00:34:11,050

deaths at this place a lot of more

665

00:34:15,210 --> 00:34:14,020

suicides from the second floor and it

666

00:34:16,409 --> 00:34:15,220

was because people are put in there

667

00:34:18,180 --> 00:34:16,419

shouldn't have been put in there and

668

00:34:21,090 --> 00:34:18,190

they you know depression they committed

669

00:34:22,379 --> 00:34:21,100

suicide so the whole place is filled

670

00:34:25,740 --> 00:34:22,389

with a lot of negative energy especially

671

00:34:28,740 --> 00:34:25,750

upstairs and we felt it severely when we

672

00:34:30,899 --> 00:34:28,750

went there is this past week well if I

673

00:34:32,730 --> 00:34:30,909

were a spirit I would want to get the

674

00:34:35,609 --> 00:34:32,740

hell out of there I don't think I know

675

00:34:37,260 --> 00:34:35,619

that my whole point yes why would you

676

00:34:38,520 --> 00:34:37,270

stay there it doesn't make any sense

677

00:34:41,129 --> 00:34:38,530

why would you put yourself in a position

678

00:34:43,710 --> 00:34:41,139

to spend eternity in a place like that

679

00:34:45,960 --> 00:34:43,720

if you could leave the point is I just

680

00:34:49,770 --> 00:34:45,970

think they believe well here's the

681

00:34:51,180 --> 00:34:49,780

for you where do spirits go I mean

682

00:34:54,599 --> 00:34:51,190

suppose you break out of that or you're

683

00:34:57,359 --> 00:34:54,609

not in that you know that atmosphere

684

00:34:59,220 --> 00:34:57,369

being held captive somewhere you go to

685

00:35:01,410 --> 00:34:59,230

the summer land do you go to heaven do

686

00:35:05,040 --> 00:35:01,420

you go to hell do you go to a parallel

687

00:35:06,660 --> 00:35:05,050

universe are you reincarnated I think

688

00:35:08,160 --> 00:35:06,670

that's the 50 dollar question because we

689

00:35:10,050 --> 00:35:08,170

don't know I mean there's a lot of

690

00:35:12,450 --> 00:35:10,060

things in the paranormal world there's a

691

00:35:14,099 --> 00:35:12,460

lot of people say oh I'm an expert I'm a

692

00:35:15,150 --> 00:35:14,109

professional I know everything there is

693

00:35:16,170 --> 00:35:15,160

to know and they really don't know

694

00:35:18,330 --> 00:35:16,180

anything

695

00:35:19,740 --> 00:35:18,340

Kevon quantum on which works with me at

696

00:35:21,960 --> 00:35:19,750

Stone Creek reader natural and I work

697

00:35:23,220 --> 00:35:21,970

with a bunch of different groups but we

698

00:35:24,930 --> 00:35:23,230

were sitting down one time he said do me

699

00:35:27,420 --> 00:35:24,940

a favor he said draw a big circle on a

700

00:35:29,099 --> 00:35:27,430

piece of paper and I did that and he

701  
00:35:30,540 --> 00:35:29,109  
said okay that's all the knowledge of

702  
00:35:31,980 --> 00:35:30,550  
the universe and the paranormal world

703  
00:35:33,240 --> 00:35:31,990  
and everything and he said how much

704  
00:35:35,849 --> 00:35:33,250  
knowledge do you think we have right now

705  
00:35:37,290 --> 00:35:35,859  
and I could only draw a little dot in

706  
00:35:39,450 --> 00:35:37,300  
the middle of it because we hardly know

707  
00:35:41,520 --> 00:35:39,460  
anything that's going on we act like we

708  
00:35:42,900 --> 00:35:41,530  
do and we think we do but the truth is

709  
00:35:44,310 --> 00:35:42,910  
sometimes we can get some dangerous

710  
00:35:48,960 --> 00:35:44,320  
positions because we're fooling with

711  
00:35:50,820 --> 00:35:48,970  
stuff we don't understand and if the bio

712  
00:35:52,859 --> 00:35:50,830  
you guys rose from an article I did in a

713  
00:35:54,030 --> 00:35:52,869

newspaper and there was more to that

714

00:35:56,370 --> 00:35:54,040

interview than before but what I

715

00:35:58,349 --> 00:35:56,380

specifically told them was that we have

716

00:36:00,030 --> 00:35:58,359

to be careful about what we're dealing

717

00:36:01,859 --> 00:36:00,040

with because what we think we're dealing

718

00:36:03,089 --> 00:36:01,869

with we may not be and we could be

719

00:36:06,540 --> 00:36:03,099

getting into some serious trouble

720

00:36:08,550 --> 00:36:06,550

because nobody knows what spirit is we

721

00:36:11,250 --> 00:36:08,560

think we do we have an idea what it is

722

00:36:12,900 --> 00:36:11,260

but a hundred years ago science thought

723

00:36:14,790 --> 00:36:12,910

that the universe was made the plasma

724

00:36:16,589 --> 00:36:14,800

now they know it's dark matter things

725

00:36:17,790 --> 00:36:16,599

change you think you may know one thing

726

00:36:19,740 --> 00:36:17,800

one day and the next thing everything

727

00:36:21,900 --> 00:36:19,750

changes because of a new discovery I

728

00:36:24,270 --> 00:36:21,910

think at this point we're at a phase of

729

00:36:25,410 --> 00:36:24,280

discovery just like we're going into a

730

00:36:27,270 --> 00:36:25,420

new world we don't really know what

731

00:36:30,599 --> 00:36:27,280

we're dealing with and we need to kind

732

00:36:32,599 --> 00:36:30,609

of fall back and be careful about what

733

00:36:36,089 --> 00:36:32,609

we're doing especially if we start

734

00:36:37,440 --> 00:36:36,099

naming vortexes and portals and stuff

735

00:36:38,940 --> 00:36:37,450

like that we don't even know what they

736

00:36:42,329 --> 00:36:38,950

are what we're dealing we assume we do

737

00:36:43,740 --> 00:36:42,339

but we don't really know so a lot of

738

00:36:45,060 --> 00:36:43,750

people are first starting ghost hunting

739

00:36:46,500 --> 00:36:45,070

or something like that I say what you

740

00:36:48,990 --> 00:36:46,510

need to do is you need to go slow you

741

00:36:50,609 --> 00:36:49,000

need to know what you're doing it's like

742

00:36:51,870 --> 00:36:50,619

my grandfather used to tell me you don't

743

00:36:52,470 --> 00:36:51,880

jump into a river to you know how to

744

00:36:54,329 --> 00:36:52,480

swim

745

00:36:55,650 --> 00:36:54,339

a lot of people jump into rivers without

746

00:36:59,050 --> 00:36:55,660

knowing how to swim and it gets into

747

00:37:02,440 --> 00:36:59,060

more trouble well what what could what

748

00:37:04,690 --> 00:37:02,450

kid what could ghosts in spirits be you

749

00:37:07,990 --> 00:37:04,700

talk about do you think that some of

750

00:37:09,970 --> 00:37:08,000

them could be from a parallel universe

751

00:37:13,510 --> 00:37:09,980

or a parallel dimension

752

00:37:15,970 --> 00:37:13,520

are there certain hotspots with ghosts

753

00:37:18,940 --> 00:37:15,980

and spirits and another pair of

754

00:37:21,700 --> 00:37:18,950

phenomenon I'm gonna appear more

755

00:37:24,180 --> 00:37:21,710

frequently than other places well I

756

00:37:26,080 --> 00:37:24,190

think there is but we think there's also

757

00:37:27,910 --> 00:37:26,090

something that a lot of people need to

758

00:37:30,000 --> 00:37:27,920

be aware of I don't believe that the

759

00:37:32,910 --> 00:37:30,010

apparition I saw was actually a spirit

760

00:37:35,080 --> 00:37:32,920

and I think it was more of a residual

761

00:37:37,270 --> 00:37:35,090

something from the past that I saw in

762

00:37:39,100 --> 00:37:37,280

the future and you know I could go

763

00:37:41,890 --> 00:37:39,110

really deep into this with you guys and

764

00:37:43,870 --> 00:37:41,900

I'm you know why not but right now we

765

00:37:46,570 --> 00:37:43,880

know that the black hole's

766

00:37:48,670 --> 00:37:46,580

have such a strong gravity can ripped it

767

00:37:50,470 --> 00:37:48,680

repulsion time so how do we know that's

768

00:37:52,270 --> 00:37:50,480

not affecting us right now we can see

769

00:37:54,970 --> 00:37:52,280

into the past or the past can see us or

770

00:37:56,290 --> 00:37:54,980

the future can see us I guess my main

771

00:37:57,580 --> 00:37:56,300

question would be for a lot of people to

772

00:38:00,940 --> 00:37:57,590

see apparitions is why in the world

773

00:38:03,460 --> 00:38:00,950

would a dress a ghost be dressed they

774

00:38:05,080 --> 00:38:03,470

didn't you know yeah why would they be

775

00:38:06,430 --> 00:38:05,090

dressed I don't think when you see an

776

00:38:08,590 --> 00:38:06,440

apparition that's dressed that you're

777

00:38:09,910 --> 00:38:08,600

actually seeing a spirit I think you're

778

00:38:12,250 --> 00:38:09,920

seeing something that was there at one

779

00:38:14,500 --> 00:38:12,260

time and you're either if it is

780

00:38:16,120 --> 00:38:14,510

interdimensional you're seeing something

781

00:38:18,130 --> 00:38:16,130

from the past are you seeing something

782

00:38:19,270 --> 00:38:18,140

from the future through that process I

783

00:38:21,790 --> 00:38:19,280

don't believe that we're actually seeing

784

00:38:24,100 --> 00:38:21,800

a spirit because even if you're

785

00:38:25,900 --> 00:38:24,110

religious and you go by what the Bible

786

00:38:28,300 --> 00:38:25,910

says and most people do when they're

787

00:38:30,730 --> 00:38:28,310

religious but every every religion that

788

00:38:34,030 --> 00:38:30,740

I ever know says that once the body dies

789

00:38:37,090 --> 00:38:34,040

the spirit leaves the body and it takes

790

00:38:39,550 --> 00:38:37,100

on a different form and I do not believe

791

00:38:41,650 --> 00:38:39,560

that when we leave the body at spirit

792

00:38:44,950 --> 00:38:41,660

farms we're going to be dressed in 1980

793

00:38:45,820 --> 00:38:44,960

garbs or you know 1870 garbs or whatever

794

00:38:48,790 --> 00:38:45,830

it is I don't say we're going to keep

795

00:38:50,590 --> 00:38:48,800

our civil war uniforms on or something

796

00:38:53,620 --> 00:38:50,600

like that I don't think we materialized

797

00:38:55,210 --> 00:38:53,630

back with clothes so I don't think those

798

00:38:56,380 --> 00:38:55,220

are actually spirits I could be wrong

799

00:38:57,880 --> 00:38:56,390

cuz like I said I don't have much

800

00:38:58,780 --> 00:38:57,890

knowledge compared to what we're going

801  
00:39:02,050 --> 00:38:58,790  
to find out tomorrow

802  
00:39:09,130 --> 00:39:02,060  
but well well I hope I hope god I hope

803  
00:39:13,210 --> 00:39:09,140  
God buys me a newest suit well you know

804  
00:39:17,530 --> 00:39:13,220  
that's that's right that's a story I

805  
00:39:20,560 --> 00:39:17,540  
I heard one time where the the

806  
00:39:23,710 --> 00:39:20,570  
interviewer was interviewing this person

807  
00:39:25,750 --> 00:39:23,720  
who was having a ghostly experience

808  
00:39:28,480 --> 00:39:25,760  
where they had moved into a house and

809  
00:39:30,099 --> 00:39:28,490  
the apparently the little lady who had

810  
00:39:32,620 --> 00:39:30,109  
lived there before was still living

811  
00:39:36,160 --> 00:39:32,630  
there and this person would would see

812  
00:39:38,050 --> 00:39:36,170  
this apparition and you know and she was

813  
00:39:40,120 --> 00:39:38,060

dressed and everything like that well

814

00:39:44,589 --> 00:39:40,130

they brought a medium into the house and

815

00:39:48,970 --> 00:39:44,599

this medium would talk to the spirit and

816

00:39:52,390 --> 00:39:48,980

the spirit tole said that her natural

817

00:39:55,660 --> 00:39:52,400

form was more as she described it like a

818

00:40:00,130 --> 00:39:55,670

ball of energy but that she could

819

00:40:02,859 --> 00:40:00,140

impress herself upon the mind of

820

00:40:05,140 --> 00:40:02,869

somebody where they would think that

821

00:40:08,680 --> 00:40:05,150

they were seeing her and she could make

822

00:40:11,230 --> 00:40:08,690

them see I guess her as she looked used

823

00:40:14,500 --> 00:40:11,240

to look or really any way that she

824

00:40:18,130 --> 00:40:14,510

wanted to look so you know I just I just

825

00:40:20,530 --> 00:40:18,140

always found that interesting because of

826

00:40:22,750 --> 00:40:20,540

you know that that question whether you

827

00:40:26,380 --> 00:40:22,760

know why why are there more naked ghost

828

00:40:28,329 --> 00:40:26,390

scene and also the the balls of energy

829

00:40:30,490 --> 00:40:28,339

that are photographed a lot of times as

830

00:40:33,460 --> 00:40:30,500

well because this this spirit said that

831

00:40:36,130 --> 00:40:33,470

her natural state was more like a ball

832

00:40:37,780 --> 00:40:36,140

of energy well I've been on a couple

833

00:40:39,400 --> 00:40:37,790

shows I've had people call in and asked

834

00:40:40,990 --> 00:40:39,410

me the same thing and the question I've

835

00:40:43,630 --> 00:40:41,000

always asked him is what was the

836

00:40:46,870 --> 00:40:43,640

apparition doing when you saw him and

837

00:40:49,599 --> 00:40:46,880

I'd say 99% of the time the apparition

838

00:40:53,050 --> 00:40:49,609

did the same thing day after day after

839

00:40:55,510 --> 00:40:53,060

day after day I had one lady that called

840

00:40:57,670 --> 00:40:55,520

in and said that she saw her husband who

841

00:40:58,780 --> 00:40:57,680

had passed away would walk across the

842

00:40:59,349 --> 00:40:58,790

living room floor and getting his

843

00:41:02,680 --> 00:40:59,359

easy-chair

844

00:41:03,520 --> 00:41:02,690

to watch wheel of fortune and you know I

845

00:41:04,810 --> 00:41:03,530

don't know if you're in the afterlife

846

00:41:09,040 --> 00:41:04,820

people want to watch wheel of fortune

847

00:41:10,900 --> 00:41:09,050

every day but that to me is more of a

848

00:41:12,820 --> 00:41:10,910

residual haunting of something that the

849

00:41:14,530 --> 00:41:12,830

man did for a long period of time over

850

00:41:15,790 --> 00:41:14,540

and over and over again I do believe

851  
00:41:19,560 --> 00:41:15,800  
there's an impression that can be made

852  
00:41:22,599 --> 00:41:19,570  
in you know in the universe we live in

853  
00:41:24,370 --> 00:41:22,609  
the energy or whatever it is it's done

854  
00:41:26,170 --> 00:41:24,380  
through our own personal energy but I

855  
00:41:27,880 --> 00:41:26,180  
believe she was seeing it residuals

856  
00:41:29,980 --> 00:41:27,890  
most every time I've ever experienced

857  
00:41:32,499 --> 00:41:29,990  
that it's been a residual haunting or

858  
00:41:39,069 --> 00:41:32,509  
what they call a residual haunting in my

859  
00:41:42,839 --> 00:41:39,079  
opinion course the Hawaiians the Native

860  
00:41:48,730 --> 00:41:42,849  
Hawaiians believed that that we have

861  
00:41:53,049 --> 00:41:48,740  
seven spiritual bodies and when we pass

862  
00:41:55,829 --> 00:41:53,059  
on those spiritual bodies all go in

863  
00:41:59,440 --> 00:41:55,839

their own different directions but they

864

00:42:01,870 --> 00:41:59,450

represents they they have their own

865

00:42:07,269 --> 00:42:01,880

different types of characteristics some

866

00:42:10,779 --> 00:42:07,279

of them are a very low intelligent

867

00:42:14,589 --> 00:42:10,789

almost more like right like the animal

868

00:42:17,559 --> 00:42:14,599

part of you it's it's it figures a lot

869

00:42:19,029 --> 00:42:17,569

into like modern-day psychology you know

870

00:42:23,470 --> 00:42:19,039

with the it'd and the ego and things

871

00:42:26,349 --> 00:42:23,480

like that but the Hawaiians explanation

872

00:42:32,620 --> 00:42:26,359

for various kinds of hauntings is that

873

00:42:36,609 --> 00:42:32,630

these are the lower spirits from you

874

00:42:38,440 --> 00:42:36,619

know from you you know that the higher

875

00:42:40,599 --> 00:42:38,450

part of you you know the your your

876

00:42:43,210 --> 00:42:40,609

intelligence your personality that's

877

00:42:45,700 --> 00:42:43,220

gone on to someplace else but this lower

878

00:42:50,710 --> 00:42:45,710

part of you they're like you said it's

879

00:42:53,589 --> 00:42:50,720

almost like a recording of your your

880

00:42:55,479 --> 00:42:53,599

desires and your you know daily

881

00:42:57,339 --> 00:42:55,489

activities and things like that those

882

00:43:01,120 --> 00:42:57,349

are the ones that tend to stick around

883

00:43:03,190 --> 00:43:01,130

so to speak I believe the Egyptians had

884

00:43:04,599 --> 00:43:03,200

something like that too didn't they I'm

885

00:43:07,120 --> 00:43:04,609

not mistaken they believed sort of like

886

00:43:09,279 --> 00:43:07,130

the same thing yes yeah very much so

887

00:43:10,900 --> 00:43:09,289

yeah and you know it could because like

888

00:43:13,329 --> 00:43:10,910

I said we don't know really what goes on

889

00:43:15,759 --> 00:43:13,339

we die we can assume it we can guess we

890

00:43:17,380 --> 00:43:15,769

can you know beat on our chests and tell

891

00:43:18,460 --> 00:43:17,390

one person one thing that other person

892

00:43:21,400 --> 00:43:18,470

will beat on their chest and tell us

893

00:43:22,839 --> 00:43:21,410

something else but I personally believe

894

00:43:25,809 --> 00:43:22,849

until the paranormal world comes

895

00:43:27,099 --> 00:43:25,819

together is one and we really put our

896

00:43:30,450 --> 00:43:27,109

heads together and start doing a

897

00:43:32,890 --> 00:43:30,460

detailed recording of what we do and

898

00:43:34,359 --> 00:43:32,900

actually have our evidence verified

899

00:43:36,940 --> 00:43:34,369

through other things except just our

900

00:43:38,440 --> 00:43:36,950

opinions until that happens that we're

901  
00:43:40,270 --> 00:43:38,450  
going to be in a stall mode

902  
00:43:44,339 --> 00:43:40,280  
people outside the paranormal world

903  
00:43:53,640 --> 00:43:48,400  
well very you know I I do agree very

904  
00:44:00,400 --> 00:43:53,650  
much that our our current belief systems

905  
00:44:02,859 --> 00:44:00,410  
tend to reflect on to the investigations

906  
00:44:05,500 --> 00:44:02,869  
because if you look at the way that

907  
00:44:07,270 --> 00:44:05,510  
people would conduct paranormal

908  
00:44:10,120 --> 00:44:07,280  
investigations you know a hundred years

909  
00:44:12,220 --> 00:44:10,130  
ago or you know all I can say in the

910  
00:44:15,339 --> 00:44:12,230  
days when the Fox sisters you know first

911  
00:44:21,359 --> 00:44:15,349  
started or then up into you know like

912  
00:44:24,880 --> 00:44:21,369  
where you had full-body apparitions in

913  
00:44:26,800 --> 00:44:24,890

sitting rooms with seances under red

914

00:44:29,319 --> 00:44:26,810

lights and things like that you know

915

00:44:34,450 --> 00:44:29,329

people had a completely different idea

916

00:44:37,410 --> 00:44:34,460

of the afterlife and and why spirits

917

00:44:41,410 --> 00:44:37,420

would visit us then then really we do

918

00:44:43,120 --> 00:44:41,420

today so it'll be interesting to see and

919

00:44:47,079 --> 00:44:43,130

you know 50 years a hundred years time

920

00:44:49,780 --> 00:44:47,089

for now what you know what the ideas

921

00:44:54,690 --> 00:44:49,790

will be and whether or not the phenomena

922

00:44:57,010 --> 00:44:54,700

will reflect those beliefs back to us

923

00:44:58,809 --> 00:44:57,020

and I thought enough that we need to

924

00:44:59,859 --> 00:44:58,819

think about as far as that path whether

925

00:45:02,079 --> 00:44:59,869

you're going there think of the

926

00:45:04,930 --> 00:45:02,089

religious aspects to what we do if we

927

00:45:06,550 --> 00:45:04,940

can prove there is life after death that

928

00:45:08,710 --> 00:45:06,560

brings a whole new perspective on

929

00:45:11,440 --> 00:45:08,720

religion we're right now religion is

930

00:45:13,900 --> 00:45:11,450

under attack a lot of people just

931

00:45:16,120 --> 00:45:13,910

flat-out refuse to believe that there is

932

00:45:18,670 --> 00:45:16,130

life after death at all and that we just

933

00:45:21,099 --> 00:45:18,680

you know absorb our energy into the

934

00:45:25,440 --> 00:45:21,109

universe and we're gone forever but well

935

00:45:29,980 --> 00:45:25,450

I think it's because the the evidence

936

00:45:33,040 --> 00:45:29,990

has been withheld I mean okay you have

937

00:45:36,430 --> 00:45:33,050

all these shows on TV

938

00:45:39,550 --> 00:45:36,440

which to be are very dubious because

939

00:45:41,620 --> 00:45:39,560

certainly you cannot go every week to a

940

00:45:43,420 --> 00:45:41,630

place and find that the place that

941

00:45:45,280 --> 00:45:43,430

you're going to respond it or see

942

00:45:48,150 --> 00:45:45,290

mysterious lights or hear things moving

943

00:45:51,040 --> 00:45:48,160

around I don't know I find them kind of

944

00:45:52,440 --> 00:45:51,050

just to me they're boring

945

00:45:54,730 --> 00:45:52,450

I mean to be honest

946

00:45:57,490 --> 00:45:54,740

it may be because I lived in a house

947

00:46:00,670 --> 00:45:57,500

that was I had only guys phenomenon in

948

00:46:03,970 --> 00:46:00,680

when I was you know growing up but the

949

00:46:06,610 --> 00:46:03,980

you talk about how our belief system

950

00:46:08,740 --> 00:46:06,620

changes well you know there's a a belief

951  
00:46:11,260 --> 00:46:08,750  
system kind of flustered by John Muir

952  
00:46:16,000 --> 00:46:11,270  
but he's not the only one that says that

953  
00:46:18,250 --> 00:46:16,010  
the UFOs are actually coming here or one

954  
00:46:21,490 --> 00:46:18,260  
of their missions is to take our souls

955  
00:46:26,230 --> 00:46:21,500  
over to the other side now at first this

956  
00:46:28,420 --> 00:46:26,240  
may seem to be a downright weird and

957  
00:46:30,430 --> 00:46:28,430  
unsubstantiated but you know I've

958  
00:46:33,310 --> 00:46:30,440  
written about in my book on the

959  
00:46:40,980 --> 00:46:33,320  
synchronicities about what I call the

960  
00:46:44,230 --> 00:46:40,990  
June 24th enigma June 24 1947 was the

961  
00:46:46,630 --> 00:46:44,240  
first of the modern day UFO sightings

962  
00:46:48,400 --> 00:46:46,640  
Kenneth Arnold saw nine a gleaming

963  
00:46:50,290 --> 00:46:48,410

crescent shaped objects over Mount

964

00:46:51,850 --> 00:46:50,300

Ranier flying information everybody

965

00:46:55,990 --> 00:46:51,860

knows the story we're repeating it over

966

00:46:58,390 --> 00:46:56,000

and over again but it's not

967

00:47:01,210 --> 00:46:58,400

I guess very well known that at least a

968

00:47:04,810 --> 00:47:01,220

dozen UFO researchers have passed away

969

00:47:07,600 --> 00:47:04,820

on June 24th now it's not on a regular

970

00:47:09,460 --> 00:47:07,610

basis it's not every year but a dozen

971

00:47:14,050 --> 00:47:09,470

people on that day that were involved in

972

00:47:17,980 --> 00:47:14,060

UFO research is kind of a more than a

973

00:47:20,200 --> 00:47:17,990

coincidence I would say now those among

974

00:47:23,920 --> 00:47:20,210

those that have passed away on on the

975

00:47:28,000 --> 00:47:23,930

particular date will be frank Scully who

976  
00:47:30,610 --> 00:47:28,010  
wrote the before even Roswell was ever

977  
00:47:33,300 --> 00:47:30,620  
heard of wrote the book behind the

978  
00:47:38,500 --> 00:47:33,310  
flying saucers took about told about a

979  
00:47:40,980 --> 00:47:38,510  
UFO crash then there was Jackie Gleason

980  
00:47:44,200 --> 00:47:40,990  
who actually had one of the largest

981  
00:47:46,120 --> 00:47:44,210  
collection of UFO books of UFOs in the

982  
00:47:50,260 --> 00:47:46,130  
paranormal all right now I'm gonna have

983  
00:48:00,870 --> 00:47:50,270  
it here we have good or a break we'll be

984  
00:48:07,829 --> 00:48:05,319  
explode the bazaars are your e-ticket

985  
00:48:11,109 --> 00:48:07,839  
ride into the world of the paranoid

986  
00:48:15,420 --> 00:48:11,119  
strap yourself in as we traverse the

987  
00:48:18,539 --> 00:48:15,430  
universe exploring the unexplained UFO s

988  
00:48:20,920 --> 00:48:18,549

## ghosts Lost Worlds

989

00:48:24,759 --> 00:48:20,930

cryptozoology waters as well as other

990

00:48:26,999 --> 00:48:24,769

dimensions it's time to take back the

991

00:48:29,890 --> 00:48:27,009

NASA night

992

00:48:33,009 --> 00:48:29,900

now you are electrifying hosts of

993

00:48:41,709 --> 00:48:33,019

exploring the bizarre Timothy Begley and

994

00:48:44,349 --> 00:48:41,719

team sports alright welcome back to the

995

00:48:47,199 --> 00:48:44,359

second power of exploring the bizarre

996

00:48:50,650 --> 00:48:47,209

and tonight our guests are Daryl agile

997

00:48:52,809 --> 00:48:50,660

and D night aka the Kentucky ghost

998

00:48:54,640 --> 00:48:52,819

hunter and typically I just wanted to

999

00:48:56,650 --> 00:48:54,650

make a quick comment you were talking

1000

00:49:00,940 --> 00:48:56,660

about before we had to go to our last

1001  
00:49:04,029 --> 00:49:00,950  
break about people like John Lear and I

1002  
00:49:08,469 --> 00:49:04,039  
guess even Kenneth Arnold theorized that

1003  
00:49:12,370 --> 00:49:08,479  
the UFOs were actually here as I guess

1004  
00:49:16,779 --> 00:49:12,380  
transports for the the newly deceased

1005  
00:49:19,949 --> 00:49:16,789  
and you know that's that is a really old

1006  
00:49:24,640 --> 00:49:19,959  
concept though I mean there are a lot of

1007  
00:49:28,509 --> 00:49:24,650  
past societies that their myths and

1008  
00:49:31,900 --> 00:49:28,519  
legends really had the same thing and I

1009  
00:49:34,120 --> 00:49:31,910  
know this isn't probably he had hoped

1010  
00:49:37,120 --> 00:49:34,130  
based on anything too factual but I

1011  
00:49:39,759 --> 00:49:37,130  
remember the movie Darby O'Gill and the

1012  
00:49:42,039 --> 00:49:39,769  
little people when one of the characters

1013  
00:49:44,289 --> 00:49:42,049

was getting ready to die you know like

1014

00:49:48,039 --> 00:49:44,299

the the grim grim reaper showed up but

1015

00:49:50,140 --> 00:49:48,049

he had the the carriage driven by horses

1016

00:49:52,719 --> 00:49:50,150

that was going to you know take him away

1017

00:49:57,509 --> 00:49:52,729

to the afterlife and yeah it just sounds

1018

00:50:00,660 --> 00:49:57,519

to me like the these theories about ufos

1019

00:50:04,539 --> 00:50:00,670

doing that it's just kind of modernizing

1020

00:50:06,819 --> 00:50:04,549

these these older ideas so I believe

1021

00:50:09,609 --> 00:50:06,829

what the Egyptian is going to take

1022

00:50:12,729 --> 00:50:09,619

people in a boat over never Niles yes

1023

00:50:13,950 --> 00:50:12,739

yeah that's right that's right so I mean

1024

00:50:17,099 --> 00:50:13,960

it's it's a

1025

00:50:19,589 --> 00:50:17,109

you know everything old is new again you

1026

00:50:23,420 --> 00:50:19,599

know you've got these old ideas that

1027

00:50:28,620 --> 00:50:23,430

have been given a new given a new face a

1028

00:50:30,870 --> 00:50:28,630

fresh coating of chrome and except

1029

00:50:33,810 --> 00:50:30,880

instead of angels now you've got little

1030

00:50:37,170 --> 00:50:33,820

guys with a little gray guys with big

1031

00:50:39,150 --> 00:50:37,180

eyes who are taking our souls to the

1032

00:50:40,950 --> 00:50:39,160

moon and that was our layer is thinking

1033

00:50:43,530 --> 00:50:40,960

that there is something on the other

1034

00:50:45,210 --> 00:50:43,540

side of the Moon that yeah well and

1035

00:50:50,099 --> 00:50:45,220

they're also coming with blowtorch yes

1036

00:50:52,710 --> 00:50:50,109

so yeah okay oh you wrote you wrote

1037

00:50:54,960 --> 00:50:52,720

about that in the UFO hostilities yeah I

1038

00:50:56,870 --> 00:50:54,970

write I write so much stuff Tim it's

1039

00:51:00,240 --> 00:50:56,880

hard for me to remember sometimes

1040

00:51:02,730 --> 00:51:00,250

butylated you don't you belated bodies

1041

00:51:04,980 --> 00:51:02,740

oh yes that's right that's right well

1042

00:51:08,250 --> 00:51:04,990

that's that's off that's off subject

1043

00:51:11,940 --> 00:51:08,260

here well I wanted to I wanted to ask

1044

00:51:15,630 --> 00:51:11,950

Darryl here we got a question that we

1045

00:51:18,780 --> 00:51:15,640

had in the previous segment and Darryl

1046

00:51:21,839 --> 00:51:18,790

this the question was was asking if you

1047

00:51:25,530 --> 00:51:21,849

think that possibly you may be a medium

1048

00:51:29,010 --> 00:51:25,540

or or you know maybe psychically gifted

1049

00:51:31,170 --> 00:51:29,020

if you have the ability to to see you

1050

00:51:36,329 --> 00:51:31,180

know like dark spirits and and dark

1051  
00:51:40,950 --> 00:51:36,339  
energy well I believe that I have some

1052  
00:51:43,440 --> 00:51:40,960  
sort of special gift yes there's been

1053  
00:51:47,570 --> 00:51:43,450  
many times where we would be out in the

1054  
00:51:53,310 --> 00:51:47,580  
cemetery or at a haunted location and

1055  
00:51:54,770 --> 00:51:53,320  
actually see the spirits flying through

1056  
00:52:03,260 --> 00:51:54,780  
the air

1057  
00:52:07,260 --> 00:52:03,270  
they look like blue electric bolts just

1058  
00:52:13,650 --> 00:52:07,270  
just going through the air and they they

1059  
00:52:16,440 --> 00:52:13,660  
they fly very fast and you can if you've

1060  
00:52:20,820 --> 00:52:16,450  
ever hunted like rabbits and you lead

1061  
00:52:23,940 --> 00:52:20,830  
the rabbits well that's what we do when

1062  
00:52:26,359 --> 00:52:23,950  
we see these go by we will lead them

1063  
00:52:27,680 --> 00:52:26,369

just a little bit and then we will take

1064

00:52:37,170 --> 00:52:27,690

photo

1065

00:52:42,420 --> 00:52:37,180

would love to show people we've made a

1066

00:52:47,100 --> 00:52:42,430

couple books and they just just out of

1067

00:52:53,280 --> 00:52:47,110

this world yes I do believe that we have

1068

00:52:59,780 --> 00:52:53,290

the ability to see the spirits and I am

1069

00:53:03,980 --> 00:52:59,790

I have been training linda whitley to

1070

00:53:09,690 --> 00:53:03,990

open up her eyes and open up her mind to

1071

00:53:15,890 --> 00:53:09,700

actually see these and she is very good

1072

00:53:22,310 --> 00:53:15,900

at it now and her and i we we are a good

1073

00:53:27,510 --> 00:53:22,320

team out in the field and we just have

1074

00:53:31,650 --> 00:53:27,520

more years more time to to get even more

1075

00:53:36,360 --> 00:53:31,660

proof and evidence and hopefully we will

1076  
00:53:38,790 --> 00:53:36,370  
get something extraordinary on film and

1077  
00:53:43,910 --> 00:53:38,800  
that's my main goal that's my life's

1078  
00:53:46,860 --> 00:53:43,920  
work is to do that now when it comes to

1079  
00:53:50,130 --> 00:53:46,870  
paranormal photography i mean how did

1080  
00:53:54,630 --> 00:53:50,140  
you how did you get interested in in

1081  
00:53:57,750 --> 00:53:54,640  
trying to use you know cameras and

1082  
00:53:59,820 --> 00:53:57,760  
photography to to assist you in in ghost

1083  
00:54:04,170 --> 00:53:59,830  
i mean i know your your bio said that

1084  
00:54:06,630 --> 00:54:04,180  
you you you taught photography in

1085  
00:54:07,440 --> 00:54:06,640  
college is that is that correct yes I

1086  
00:54:14,570 --> 00:54:07,450  
did

1087  
00:54:19,250 --> 00:54:14,580  
I taught peripherals digital photography

1088  
00:54:23,370 --> 00:54:19,260

it was it was fun I loved it

1089

00:54:26,240 --> 00:54:23,380

I've taken Oh God so many so many

1090

00:54:29,730 --> 00:54:26,250

pictures of my own the whole life and

1091

00:54:35,220 --> 00:54:29,740

once I started getting into the

1092

00:54:36,540 --> 00:54:35,230

paranormal you know I got orbs and I

1093

00:54:39,810 --> 00:54:36,550

thought that was the best thing in the

1094

00:54:41,070 --> 00:54:39,820

world you know you know start now very

1095

00:54:46,160 --> 00:54:41,080

young

1096

00:54:51,570 --> 00:54:46,170

and then the orbs started getting well

1097

00:54:55,170 --> 00:54:51,580

monotonous started getting so many even

1098

00:55:00,030 --> 00:54:55,180

though I get extraordinary pictures of

1099

00:55:04,410 --> 00:55:00,040

orbs I bet you I have to lead it at

1100

00:55:08,130 --> 00:55:04,420

least a half a million orbs in the last

1101

00:55:10,770 --> 00:55:08,140

past year or so we get with just get

1102

00:55:14,490 --> 00:55:10,780

bombarded with them my thing is when I

1103

00:55:18,420 --> 00:55:14,500

first got my good picture of spirit

1104

00:55:21,000 --> 00:55:18,430

smoke that has been at that it was the

1105

00:55:22,440 --> 00:55:21,010

Coupe de Gras that just turned me on

1106

00:55:24,990 --> 00:55:22,450

like you wouldn't believe

1107

00:55:29,340 --> 00:55:25,000

okay tell West what's what spirits smoke

1108

00:55:35,460 --> 00:55:29,350

tell us what that is the ectoplasm the

1109

00:55:41,660 --> 00:55:35,470

the smoke that emanates from spirits

1110

00:55:48,990 --> 00:55:41,670

I believe my thought is the smoke is

1111

00:55:54,810 --> 00:55:49,000

either before they turn into a full

1112

00:55:59,490 --> 00:55:54,820

apparition or the after they were in the

1113

00:56:02,870 --> 00:55:59,500

full apparition in other words my belief

1114

00:56:06,810 --> 00:56:02,880

is the the spirit smoke is catching them

1115

00:56:12,090 --> 00:56:06,820

either before or after and there are

1116

00:56:13,950 --> 00:56:12,100

just so many I have a I have what you

1117

00:56:18,690 --> 00:56:13,960

call a protector

1118

00:56:26,100 --> 00:56:18,700

she lives in Houston Texas and the

1119

00:56:29,730 --> 00:56:26,110

protector protects me from all the evil

1120

00:56:31,910 --> 00:56:29,740

stuff that I come in contact with she

1121

00:56:36,600 --> 00:56:31,920

told me about three weeks ago she says

1122

00:56:39,840 --> 00:56:36,610

you are wearing me out says what she

1123

00:56:42,630 --> 00:56:39,850

says all the places that you go and all

1124

00:56:44,820 --> 00:56:42,640

the things that you do you run into a

1125

00:56:48,290 --> 00:56:44,830

lot of dark spirits a lot of dark

1126

00:56:54,050 --> 00:56:48,300

entities and it's just wearing me out

1127

00:56:58,490 --> 00:56:54,060

keeping you safe so the

1128

00:57:01,760 --> 00:56:58,500

the entities to the smoke I believe is

1129

00:57:09,740 --> 00:57:01,770

just catching them either before or

1130

00:57:13,370 --> 00:57:09,750

after they actually you know were in the

1131

00:57:17,740 --> 00:57:13,380

full-figured apparition or you know

1132

00:57:22,970 --> 00:57:17,750

before or after that's what I think

1133

00:57:24,260 --> 00:57:22,980

now can you can you see this smoke with

1134

00:57:25,760 --> 00:57:24,270

you know with it with the naked eye

1135

00:57:28,360 --> 00:57:25,770

before you take the pictures or do you

1136

00:57:34,880 --> 00:57:28,370

take the pictures and the smoke appears

1137

00:57:38,870 --> 00:57:34,890

on the film the most part probably 90%

1138

00:57:45,710 --> 00:57:38,880

of it I see it with my eye you can

1139

00:57:50,230 --> 00:57:45,720

actually see the the blue the the whole

1140

00:57:57,230 --> 00:57:50,240

sky in a certain area is just

1141

00:58:02,360 --> 00:57:57,240

illuminated with with bright blue light

1142

00:58:05,240 --> 00:58:02,370

and that's when we will take a picture

1143

00:58:08,230 --> 00:58:05,250

you know that's why I say when we see it

1144

00:58:11,780 --> 00:58:08,240

we lead it you know like you you lead a

1145

00:58:14,860 --> 00:58:11,790

rabbit and when we actually see this

1146

00:58:21,860 --> 00:58:14,870

going on we take a picture of it and we

1147

00:58:25,790 --> 00:58:21,870

have caught so many on on this film yet

1148

00:58:28,910 --> 00:58:25,800

you know you talk about disappearing is

1149

00:58:33,800 --> 00:58:28,920

like smoke are you familiar with the

1150

00:58:36,710 --> 00:58:33,810

legend of the Djinn I've read oh I've

1151  
00:58:40,220 --> 00:58:36,720  
read a little bit about the Djinn but as

1152  
00:58:43,760 --> 00:58:40,230  
far as go hell they they are they aren't

1153  
00:58:48,970 --> 00:58:43,770  
they are supposedly made of fireless

1154  
00:58:51,500 --> 00:58:48,980  
smoke and that's how they appear to most

1155  
00:58:54,200 --> 00:58:51,510  
members usually of the Islamic of faith

1156  
00:58:57,620 --> 00:58:54,210  
but they could also be a pure year and

1157  
00:59:04,299 --> 00:58:57,630  
we think of them as ghosts perhaps

1158  
00:59:10,160 --> 00:59:07,009  
we've had that rosemary ellen guiley on

1159  
00:59:13,400 --> 00:59:10,170  
who's written pretty extensible about

1160  
00:59:18,229 --> 00:59:13,410  
the gin but they appear as like i say

1161  
00:59:21,289 --> 00:59:18,239  
fire lets us know the students i bought

1162  
00:59:24,470 --> 00:59:21,299  
yeah anyway that's a you know something

1163  
00:59:27,349 --> 00:59:24,480

to consider and maybe to look into why

1164

00:59:38,180 --> 00:59:27,359

would they okay what i do ghosts appear

1165

00:59:41,120 --> 00:59:38,190

transparent this open everybody this is

1166

00:59:44,420 --> 00:59:41,130

my opinion and transparency energies

1167

00:59:46,999 --> 00:59:44,430

transparent and the firm belief in the

1168

00:59:50,180 --> 00:59:47,009

paranormal right now is that a spirit or

1169

00:59:51,739 --> 00:59:50,190

whatever is energizing energy and i

1170

00:59:52,999 --> 00:59:51,749

think they're transparents a lot of the

1171

00:59:57,170 --> 00:59:53,009

time because of the fact that this

1172

01:00:01,789 --> 00:59:57,180

energy yes I think that's a simple

1173

01:00:05,839 --> 01:00:01,799

answer yes and I agree with that it is

1174

01:00:09,019 --> 01:00:05,849

it's nothing but energy and I also have

1175

01:00:11,120 --> 01:00:09,029

had my cameras a lot of times go

1176

01:00:13,489 --> 01:00:11,130

completely dead and my flashlight see

1177

01:00:17,299 --> 01:00:13,499

how they they suck up energy you know

1178

01:00:20,450 --> 01:00:17,309

that's what they thrive on and yes I

1179

01:00:23,720 --> 01:00:20,460

agree you know it's spooky being

1180

01:00:26,479 --> 01:00:23,730

somewhere and your lights just go dead

1181

01:00:29,839 --> 01:00:26,489

and you're trying to find your way you

1182

01:00:32,720 --> 01:00:29,849

know back to the car or whatever but you

1183

01:00:34,430 --> 01:00:32,730

know I on the other hand you have either

1184

01:00:38,539 --> 01:00:34,440

what do you can answer this or both of

1185

01:00:41,029 --> 01:00:38,549

you in order do you have a ghost they're

1186

01:00:44,479 --> 01:00:41,039

spirits that take on physical form and

1187

01:00:47,720 --> 01:00:44,489

can leave footprints or handprints on

1188

01:00:48,670 --> 01:00:47,730

the windows or something in to that

1189

01:00:54,829 --> 01:00:48,680

effect

1190

01:00:59,599 --> 01:00:54,839

well I believe they can because the the

1191

01:01:04,309 --> 01:00:59,609

entity that lived with us it was able to

1192

01:01:06,170 --> 01:01:04,319

move things it was able to touch it was

1193

01:01:09,890 --> 01:01:06,180

able to pull the covers off so I you

1194

01:01:16,259 --> 01:01:09,900

know why couldn't it leave a footprint

1195

01:01:18,659 --> 01:01:16,269

say like in the sand or in sprinkle baby

1196

01:01:22,589 --> 01:01:18,669

or something you know why couldn't leave

1197

01:01:24,329 --> 01:01:22,599

a fingerprint somewhere well I've got an

1198

01:01:25,739 --> 01:01:24,339

actual experience of that and I believe

1199

01:01:27,269 --> 01:01:25,749

I've been trying to think of where it

1200

01:01:29,669 --> 01:01:27,279

was I think it was at thornhaven this

1201  
01:01:31,109 --> 01:01:29,679  
happened but I was and I when I go out I

1202  
01:01:33,329 --> 01:01:31,119  
go out with different groups I don't

1203  
01:01:34,769 --> 01:01:33,339  
really have a crew that's my own crew

1204  
01:01:36,269 --> 01:01:34,779  
and once again I was going out with

1205  
01:01:38,879 --> 01:01:36,279  
Stone Creek preternatural out of

1206  
01:01:40,079 --> 01:01:38,889  
Cincinnati and they have a medium there

1207  
01:01:42,359 --> 01:01:40,089  
that's a really good friend of mine her

1208  
01:01:45,659 --> 01:01:42,369  
name is Denise Wilkins and Kevin Robbins

1209  
01:01:48,479 --> 01:01:45,669  
our lead investigator but make a long

1210  
01:01:51,659 --> 01:01:48,489  
story short she was upstairs and she was

1211  
01:01:53,219 --> 01:01:51,669  
sensing children and when she came

1212  
01:01:55,949 --> 01:01:53,229  
downstairs somebody said what's that on

1213  
01:01:57,359 --> 01:01:55,959

your back and Kevin turned around put a

1214

01:02:00,329 --> 01:01:57,369

light on it she actually had a child's

1215

01:02:02,249 --> 01:02:00,339

handprint on her back and that pictures

1216

01:02:03,899 --> 01:02:02,259

actually on the website kentucky ghost

1217

01:02:06,119 --> 01:02:03,909

on her comp anybody wanted to look at it

1218

01:02:09,629 --> 01:02:06,129

when the picture section but you can see

1219

01:02:11,579 --> 01:02:09,639

a complete it is it's like it's like

1220

01:02:13,649 --> 01:02:11,589

somebody put their hand in dust and then

1221

01:02:14,939 --> 01:02:13,659

put it on her back so I don't know what

1222

01:02:16,139 --> 01:02:14,949

that how to explain that but they

1223

01:02:18,029 --> 01:02:16,149

actually left the fingerprint on her

1224

01:02:20,009 --> 01:02:18,039

back and Kevin put his hand up next to

1225

01:02:20,749 --> 01:02:20,019

hers to show that it was a child's

1226

01:02:23,819 --> 01:02:20,759

handprint

1227

01:02:25,139 --> 01:02:23,829

so I know 100 percent positive they can

1228

01:02:26,519 --> 01:02:25,149

leave marks like that or they can leave

1229

01:02:27,809 --> 01:02:26,529

their impressions if they really want to

1230

01:02:29,819 --> 01:02:27,819

I don't know how they do it but I know

1231

01:02:31,619 --> 01:02:29,829

they do it well you know it's funny that

1232

01:02:35,359 --> 01:02:31,629

you should mention that because just

1233

01:02:42,359 --> 01:02:35,369

this evening I'm working on our next

1234

01:02:46,099 --> 01:02:42,369

book which is on Oh like the sexual

1235

01:02:51,029 --> 01:02:46,109

relation between aliens and humans and

1236

01:02:53,219 --> 01:02:51,039

we have a lady Eva down in the blue

1237

01:02:55,379 --> 01:02:53,229

she's in Texas too if I'm right

1238

01:02:57,929 --> 01:02:55,389

who has written a book called the love

1239

01:03:02,189 --> 01:02:57,939

bite and she's investigated many many

1240

01:03:07,529 --> 01:03:02,199

cases of this nature and apparently

1241

01:03:10,979 --> 01:03:07,539

under fluorescent lion a she is able to

1242

01:03:15,529 --> 01:03:10,989

find the markings on people's of bodies

1243

01:03:20,729 --> 01:03:15,539

that these let's call them entities for

1244

01:03:23,249 --> 01:03:20,739

lack of a more sufficient term and some

1245

01:03:27,539 --> 01:03:23,259

of the people she says have actually

1246

01:03:30,000 --> 01:03:27,549

been branded by like what she describes

1247

01:03:31,920 --> 01:03:30,010

as aliens but they could be a pair

1248

01:03:34,320 --> 01:03:31,930

normal or some other sort of uh

1249

01:03:35,880 --> 01:03:34,330

phenomena and people interpret him

1250

01:03:38,270 --> 01:03:35,890

accordingly you know of course

1251

01:03:42,120 --> 01:03:38,280

throughout history we had all these

1252

01:03:47,580 --> 01:03:42,130

stories regarding Tsukuba and Incubus

1253

01:03:52,290 --> 01:03:47,590

that supposedly came at night and made

1254

01:03:56,730 --> 01:03:52,300

it or made love or molested human beings

1255

01:04:00,870 --> 01:03:56,740

so again what's uh what's old as made

1256

01:04:02,130 --> 01:04:00,880

new again when I was in the in the

1257

01:04:05,100 --> 01:04:02,140

paranormal world I'm sure you guys have

1258

01:04:07,290 --> 01:04:05,110

heard about this but there is a my wife

1259

01:04:09,210 --> 01:04:07,300

Chris she she's had this experience

1260

01:04:11,490 --> 01:04:09,220

several times I think two or three times

1261

01:04:13,890 --> 01:04:11,500

about where they actually an entity will

1262

01:04:16,860 --> 01:04:13,900

touch us or go through it and we three

1263

01:04:18,810 --> 01:04:16,870

marks on who they call them scratches

1264

01:04:21,240 --> 01:04:18,820

and they say it's demonic and everything

1265

01:04:23,040 --> 01:04:21,250

but there's two different theories that

1266

01:04:24,120 --> 01:04:23,050

one is they're demonic and another is if

1267

01:04:25,740 --> 01:04:24,130

you're dealing with energy and the

1268

01:04:27,810 --> 01:04:25,750

energy pushes against you we don't have

1269

01:04:30,180 --> 01:04:27,820

a clue what that effect will have on our

1270

01:04:31,620 --> 01:04:30,190

body that could just be a spirit or

1271

01:04:34,110 --> 01:04:31,630

entity just trying to say hey Here I am

1272

01:04:36,030 --> 01:04:34,120

and the results of them touching you

1273

01:04:37,470 --> 01:04:36,040

causes with three marks but that's sort

1274

01:04:41,130 --> 01:04:37,480

of like a branding thing - there's a lot

1275

01:04:42,840 --> 01:04:41,140

of people in those again it's

1276

01:04:45,900 --> 01:04:42,850

interesting that note the similarity

1277

01:04:48,210 --> 01:04:45,910

between ghostly phenomenon and the UFO

1278

01:04:50,760 --> 01:04:48,220

phenomena in fact I think more and more

1279

01:04:53,790 --> 01:04:50,770

people are beginning to see that there

1280

01:04:56,100 --> 01:04:53,800

is a certain unity or correlation

1281

01:04:59,430 --> 01:04:56,110

between pretty much everything that goes

1282

01:05:01,530 --> 01:04:59,440

on in the well you know if you think

1283

01:05:04,920 --> 01:05:01,540

about it it's basically the same thing

1284

01:05:07,410 --> 01:05:04,930

if we if we die or we pass on we're not

1285

01:05:09,840 --> 01:05:07,420

meant to be here we're really aliens

1286

01:05:12,060 --> 01:05:09,850

here so if you think about it it's the

1287

01:05:13,710 --> 01:05:12,070

same exactly yes if they're you know and

1288

01:05:15,300 --> 01:05:13,720

I'm saying if I believe in it but some

1289

01:05:17,640 --> 01:05:15,310

people don't but if there is you know

1290

01:05:19,320 --> 01:05:17,650

angels and stuff like that they didn't

1291

01:05:21,030 --> 01:05:19,330

come from Earth they came from somewhere

1292

01:05:23,190 --> 01:05:21,040

outside of Earth so by definition of

1293

01:05:27,540 --> 01:05:23,200

science those are aliens food so you

1294

01:05:30,090 --> 01:05:27,550

know it is courtly we have a closer

1295

01:05:32,610 --> 01:05:30,100

friend and associate there's a show

1296

01:05:34,530 --> 01:05:32,620

and I'm not an overly religious person

1297

01:05:36,630 --> 01:05:34,540

I've had a few administrators who were

1298

01:05:39,030 --> 01:05:36,640

friends of mine mainly because they were

1299

01:05:42,530 --> 01:05:39,040

interested in your clothes but Reverend

1300

01:05:44,100 --> 01:05:42,540

Barry Downing has written a book on UFO

1301

01:05:47,160 --> 01:05:44,110

rebel

1302

01:05:49,860 --> 01:05:47,170

relations that we published recently and

1303

01:05:51,720 --> 01:05:49,870

he sees most of the things or a lot of

1304

01:05:55,530 --> 01:05:51,730

the things that took place in the Bible

1305

01:05:58,050 --> 01:05:55,540

is actually being physical in nature in

1306

01:05:59,610 --> 01:05:58,060

other words the angels were real I mean

1307

01:06:02,310 --> 01:05:59,620

they weren't just something that could

1308

01:06:03,210 --> 01:06:02,320

materialize home although I guess it

1309

01:06:05,370 --> 01:06:03,220

could do that too

1310

01:06:07,020 --> 01:06:05,380

but they were they were flesh flesh and

1311

01:06:10,920 --> 01:06:07,030

blood and they might have come down in a

1312

01:06:13,350 --> 01:06:10,930

yeah a UFO and if Jesus really was

1313

01:06:15,810 --> 01:06:13,360

lifted in the heaven he could have gone

1314

01:06:20,970 --> 01:06:15,820

there in some sort of what we would call

1315

01:06:24,480 --> 01:06:20,980

a spaceship so maybe heaven is really up

1316

01:06:25,800 --> 01:06:24,490

among the stars but you have to you know

1317

01:06:28,560 --> 01:06:25,810

let's go really deep here since you

1318

01:06:30,150 --> 01:06:28,570

brought it up yeah you have to think of

1319

01:06:33,690 --> 01:06:30,160

it this way before the universe was

1320

01:06:35,610 --> 01:06:33,700

created what was out there nobody really

1321

01:06:37,290 --> 01:06:35,620

knows the science now knows that the

1322

01:06:40,110 --> 01:06:37,300

hearse being bomb or not the earth but

1323

01:06:42,540 --> 01:06:40,120

the universe is being bombarded by dark

1324

01:06:44,580 --> 01:06:42,550

matter on a constant basis so that

1325

01:06:45,930 --> 01:06:44,590

probably gives us a good detail that

1326

01:06:47,400 --> 01:06:45,940

outside of our universe is another

1327

01:06:50,220 --> 01:06:47,410

universe that's mostly made up of dark

1328

01:06:51,570 --> 01:06:50,230

matter which does not have light because

1329

01:06:52,980 --> 01:06:51,580

light really can't go through dark

1330

01:06:55,860 --> 01:06:52,990

matter that's why they call it dark

1331

01:06:58,680 --> 01:06:55,870

matter and if that be the case when God

1332

01:07:00,540 --> 01:06:58,690

created light it would have been the

1333

01:07:02,750 --> 01:07:00,550

first light because of outside the

1334

01:07:05,160 --> 01:07:02,760

universe I wouldn't have been lying so

1335

01:07:06,750 --> 01:07:05,170

if there is angels that's where they

1336

01:07:08,730 --> 01:07:06,760

came from was actually outside of our

1337

01:07:10,320 --> 01:07:08,740

universe to here on earth which means

1338

01:07:11,370 --> 01:07:10,330

that you know people say they're dark

1339

01:07:13,800 --> 01:07:11,380

spirits well that would kind of

1340

01:07:15,990 --> 01:07:13,810

correlate with what what you could

1341

01:07:17,780 --> 01:07:16,000

consider an angel that has fallen from

1342

01:07:20,430 --> 01:07:17,790

somewhere that doesn't have light to be

1343

01:07:22,020 --> 01:07:20,440

and you know we have shadow figures we

1344

01:07:23,610 --> 01:07:22,030

have all this other stuff and if you're

1345

01:07:26,580 --> 01:07:23,620

religious like that like I said this is

1346

01:07:29,370 --> 01:07:26,590

really neat but you could correlate or

1347

01:07:31,170 --> 01:07:29,380

say hey look that's why we see shadow

1348

01:07:32,640 --> 01:07:31,180

figures and we have entities that hide

1349

01:07:37,770 --> 01:07:32,650

in the darker because they just don't

1350

01:07:39,690 --> 01:07:37,780

like the light I think that right now

1351  
01:07:44,730 --> 01:07:39,700  
they're saying that the universe is made

1352  
01:07:49,080 --> 01:07:44,740  
up of at least was it 70 or 80% of dark

1353  
01:07:50,520 --> 01:07:49,090  
matter and dark energy so yeah I mean

1354  
01:07:52,230 --> 01:07:50,530  
it's two equals four you should keep

1355  
01:07:53,880 --> 01:07:52,240  
with it I guess it's one night that's

1356  
01:07:58,339 --> 01:07:53,890  
all you so tell me sometimes I'm on the

1357  
01:08:03,180 --> 01:08:01,950  
like determines your philosophy I guess

1358  
01:08:07,920 --> 01:08:03,190  
whether you're on the right page or the

1359  
01:08:09,450 --> 01:08:07,930  
wrong page the least I guess Darrell I

1360  
01:08:10,530 --> 01:08:09,460  
want to ask you where we're coming up we

1361  
01:08:12,620 --> 01:08:10,540  
got about four minutes until our

1362  
01:08:14,880 --> 01:08:12,630  
breakout wouldn't you would you go out

1363  
01:08:16,860 --> 01:08:14,890

ghost hunting with your cameras what

1364

01:08:19,800 --> 01:08:16,870

kind of cameras do you use I mean you

1365

01:08:23,010 --> 01:08:19,810

know using anything special polarizing

1366

01:08:26,130 --> 01:08:23,020

filters and farad things like that well

1367

01:08:33,180 --> 01:08:26,140

I'll be honest with you uh Linda she

1368

01:08:38,329 --> 01:08:33,190

uses a \$130 luminix camera I think it's

1369

01:08:42,950 --> 01:08:38,339

uh eight megapixel I have a Canon 16

1370

01:08:48,990 --> 01:08:42,960

megapixel sure shop and I just bought a

1371

01:08:51,840 --> 01:08:49,000

really nice Canon camcorder so you know

1372

01:08:58,130 --> 01:08:51,850

you you don't have to go into high

1373

01:09:03,720 --> 01:08:58,140

dollar equipment to get these things

1374

01:09:07,050 --> 01:09:03,730

just ordinary cameras you know eight

1375

01:09:09,180 --> 01:09:07,060

eight megapixel or you know and bigger

1376

01:09:11,760 --> 01:09:09,190

you know I would I would suggest to

1377

01:09:16,200 --> 01:09:11,770

anyone didn't want to do this

1378

01:09:18,300 --> 01:09:16,210

no no special filters you know just out

1379

01:09:19,950 --> 01:09:18,310

of the box out of the store camera

1380

01:09:23,519 --> 01:09:19,960

mm-hmm

1381

01:09:26,789 --> 01:09:23,529

have you used film cameras so I mean is

1382

01:09:29,430 --> 01:09:26,799

there any difference between digital and

1383

01:09:32,309 --> 01:09:29,440

a film camera you know the ability to be

1384

01:09:33,329 --> 01:09:32,319

able to capture paranormal images no

1385

01:09:36,870 --> 01:09:33,339

there isn't

1386

01:09:41,190 --> 01:09:36,880

I have had SLR as I have you know the

1387

01:09:50,280 --> 01:09:41,200

film cameras and and caught smoke of

1388

01:09:56,420 --> 01:09:50,290

called warps no really there isn't I had

1389

01:10:02,610 --> 01:09:56,430

I went to a st. Augustine and I had a

1390

01:10:05,490 --> 01:10:02,620

really good ghost picture and I went to

1391

01:10:08,430 --> 01:10:05,500

I was warned I knew what it was but I

1392

01:10:09,589 --> 01:10:08,440

was warning at professionals you know

1393

01:10:12,649 --> 01:10:09,599

opinion

1394

01:10:15,319 --> 01:10:12,659

so I took it to a photographer now says

1395

01:10:20,300 --> 01:10:15,329

what is this but he looked at and he

1396

01:10:25,910 --> 01:10:20,310

says well it couldn't be added he says

1397

01:10:29,030 --> 01:10:25,920

whatever was on your film it that it got

1398

01:10:34,910 --> 01:10:29,040

in between you know the camera lens and

1399

01:10:39,790 --> 01:10:34,920

it you know so whatever you take a

1400

01:10:43,490 --> 01:10:39,800

picture of like like entities orbs

1401

01:10:45,050 --> 01:10:43,500

that's usually you know like WYSIWYG you

1402

01:10:47,720 --> 01:10:45,060

know what you see is what you get you

1403

01:10:51,530 --> 01:10:47,730

know and you don't have to have

1404

01:10:56,660 --> 01:10:51,540

Photoshop or any of that stuff to add it

1405

01:11:00,470 --> 01:10:56,670

on words and spirits are real and you

1406

01:11:03,560 --> 01:11:00,480

know like my website you know says yeah

1407

01:11:05,689 --> 01:11:03,570

I am trying to prove it each and every

1408

01:11:08,810 --> 01:11:05,699

day you know and a lot of people you

1409

01:11:11,629 --> 01:11:08,820

know they don't believe spirits or orbs

1410

01:11:15,319 --> 01:11:11,639

they don't believe some of the pictures

1411

01:11:20,089 --> 01:11:15,329

but I'll tell you what everybody here in

1412

01:11:22,479 --> 01:11:20,099

the Grange Park Illinois just about God

1413

01:11:25,370 --> 01:11:22,489

about 98% of them all convinced that

1414

01:11:28,910 --> 01:11:25,380

there is afterlife and it's real buddy

1415

01:11:31,250 --> 01:11:28,920

yeah all right well we need to go to our

1416

01:11:33,410 --> 01:11:31,260

break because that's definitely real so

1417

01:11:35,810 --> 01:11:33,420

when we come back we'll be at the last

1418

01:11:38,460 --> 01:11:35,820

segment of exploring the bizarre so stay

1419

01:11:45,190 --> 01:11:42,610

now back to exploring the bazaars with

1420

01:11:48,490 --> 01:11:45,200

two of the most electrifying researchers

1421

01:11:53,980 --> 01:11:48,500

in the Paranoid your hosts Timothy Becky

1422

01:11:56,770 --> 01:11:53,990

Lee panting Swift's all right welcome

1423

01:11:58,930 --> 01:11:56,780

back to the final segment of exploring

1424

01:12:00,790 --> 01:11:58,940

the bazaar and as always when we reach

1425

01:12:03,430 --> 01:12:00,800

this point it just amazes me how fast

1426

01:12:07,870 --> 01:12:03,440

time goes by when we have such

1427

01:12:10,150 --> 01:12:07,880

fascinating guests so Dean I wanted to

1428

01:12:15,490 --> 01:12:10,160

ask you now Darrell in a previous

1429

01:12:17,500 --> 01:12:15,500

segment had talked about how at least

1430

01:12:21,940 --> 01:12:17,510

one time maybe several times you know

1431

01:12:23,560 --> 01:12:21,950

like unfriendly spirits or well maybe

1432

01:12:26,950 --> 01:12:23,570

just two friendly spirits I don't know

1433

01:12:32,950 --> 01:12:26,960

had had actually followed him home and

1434

01:12:35,890 --> 01:12:32,960

I've seen some of these reality ghost

1435

01:12:38,790 --> 01:12:35,900

hunting shows where you've you you you

1436

01:12:42,400 --> 01:12:38,800

have the investigators and I'll put

1437

01:12:45,700 --> 01:12:42,410

quotation marks around that word they'll

1438

01:12:48,160 --> 01:12:45,710

go to these places and they'll yell at

1439

01:12:50,290 --> 01:12:48,170

the spirits or call them bad names or

1440

01:12:52,870 --> 01:12:50,300

you know actually even go as far as to

1441

01:12:55,090 --> 01:12:52,880

invite them to come home with them and

1442

01:12:57,630 --> 01:12:55,100

to me that just sounds just that's just

1443

01:13:00,340 --> 01:12:57,640

so reckless I mean you know have you had

1444

01:13:02,580 --> 01:13:00,350

similar experiences to you know what

1445

01:13:05,050 --> 01:13:02,590

what Darryl has talking about or

1446

01:13:08,530 --> 01:13:05,060

have you been you know lucky and you

1447

01:13:09,910 --> 01:13:08,540

know kept yourself fairly protected well

1448

01:13:13,450 --> 01:13:09,920

I guess I've been lucky and kept myself

1449

01:13:14,650 --> 01:13:13,460

fairly protected like I said he said you

1450

01:13:16,270 --> 01:13:14,660

know sometimes ghost hunters were

1451  
01:13:17,620 --> 01:13:16,280  
special my mom used to say I was real

1452  
01:13:18,310 --> 01:13:17,630  
special when I was a child so maybe

1453  
01:13:20,340 --> 01:13:18,320  
that's it

1454  
01:13:23,110 --> 01:13:20,350  
they just don't want to go home with me

1455  
01:13:25,450 --> 01:13:23,120  
I have had some experiences out there

1456  
01:13:28,510 --> 01:13:25,460  
where there had been spirits just went

1457  
01:13:29,710 --> 01:13:28,520  
home with people one in particular was a

1458  
01:13:31,180 --> 01:13:29,720  
friend of mine at the Bowling Green

1459  
01:13:35,530 --> 01:13:31,190  
Kentucky he's actually a ghost Turner

1460  
01:13:37,150 --> 01:13:35,540  
himself he well a couple years ago he

1461  
01:13:39,370 --> 01:13:37,160  
did a couple shows with me they called

1462  
01:13:41,770 --> 01:13:39,380  
him Kentucky the seeing ghost hunter

1463  
01:13:43,870 --> 01:13:41,780

because he was a karaoke guy and a

1464

01:13:46,120 --> 01:13:43,880

terrible voice but he did sing sometimes

1465

01:13:48,580 --> 01:13:46,130

and scared a lot of people away that's a

1466

01:13:51,129 --> 01:13:48,590

totally different subject but he was at

1467

01:13:54,040 --> 01:13:51,139

the octagon house in Franklin Kentucky

1468

01:13:55,389 --> 01:13:54,050

they had a spiritual medium there who I

1469

01:13:56,830 --> 01:13:55,399

think she doesn't like every year on

1470

01:13:58,839 --> 01:13:56,840

Halloween you know how these haunted

1471

01:14:01,509 --> 01:13:58,849

houses have their big Halloween haunted

1472

01:14:04,209 --> 01:14:01,519

house extravaganza or whatever isn't

1473

01:14:05,529 --> 01:14:04,219

really and he was there doing that he

1474

01:14:07,959 --> 01:14:05,539

walked around her and then when he went

1475

01:14:10,989 --> 01:14:07,969

home he woke up in the middle of night

1476

01:14:14,469 --> 01:14:10,999

joking and he said that he looked up and

1477

01:14:16,899 --> 01:14:14,479

there was a dark entity above him that

1478

01:14:18,479 --> 01:14:16,909

was just standing there and he said it

1479

01:14:21,159 --> 01:14:18,489

was it looked like a Civil War soldier

1480

01:14:24,009 --> 01:14:21,169

that would have been injured world

1481

01:14:25,509 --> 01:14:24,019

famous headless horseman I guess but it

1482

01:14:28,689 --> 01:14:25,519

was standing above him and he told it it

1483

01:14:30,040 --> 01:14:28,699

had to go home and his girlfriend woke

1484

01:14:32,889 --> 01:14:30,050

up and said that he was talking in

1485

01:14:35,279 --> 01:14:32,899

somebody else's voice and the gentleman

1486

01:14:37,600 --> 01:14:35,289

told me that what happened was that he

1487

01:14:40,020 --> 01:14:37,610

began speaking but he didn't know what

1488

01:14:42,819 --> 01:14:40,030

he was saying and it wasn't his voice so

1489

01:14:44,080 --> 01:14:42,829

there is instances I know of it and

1490

01:14:46,179 --> 01:14:44,090

there's other things that's happened

1491

01:14:49,330 --> 01:14:46,189

like that too but there is a lot of a

1492

01:14:52,029 --> 01:14:49,340

lot of that going on that people don't

1493

01:14:53,229 --> 01:14:52,039

really realize and the ghost shows I

1494

01:14:54,520 --> 01:14:53,239

mean I got say something about those are

1495

01:14:55,750 --> 01:14:54,530

probably the worst things that for the

1496

01:14:57,189 --> 01:14:55,760

paranormal world you could ever think

1497

01:15:00,219 --> 01:14:57,199

yes thank you

1498

01:15:01,600 --> 01:15:00,229

yeah yes I have and I'm not going to

1499

01:15:02,889 --> 01:15:01,610

mention any shows but I've went behind

1500

01:15:05,049 --> 01:15:02,899

some of those shows and done

1501

01:15:08,169 --> 01:15:05,059

investigations and the people on those

1502

01:15:10,719 --> 01:15:08,179

you know those haunted places they go to

1503

01:15:12,250 --> 01:15:10,729

can take some serious stories about when

1504

01:15:13,929 --> 01:15:12,260

they don't catch stuff what they do to

1505

01:15:16,299 --> 01:15:13,939

catch stuff down the road and they call

1506

01:15:18,909 --> 01:15:16,309

it drama to dramatize our dramatization

1507

01:15:22,239 --> 01:15:18,919

or something or a sensation yeah yeah to

1508

01:15:25,209 --> 01:15:22,249

keep the ratings up and you know if you

1509

01:15:27,339 --> 01:15:25,219

guys I've been on a lot of ghost hunts

1510

01:15:30,370 --> 01:15:27,349

and and I've been on a lot of

1511

01:15:31,839 --> 01:15:30,380

investigations those guys catch more

1512

01:15:33,639 --> 01:15:31,849

than anybody I've ever seen in my life

1513

01:15:35,199 --> 01:15:33,649

and they get possessed more than anybody

1514

01:15:36,850 --> 01:15:35,209

I've seen in my life like it's scratched

1515

01:15:39,819 --> 01:15:36,860

more than anybody seen in my life

1516

01:15:41,049 --> 01:15:39,829

I just my personal opinion is they're

1517

01:15:42,580 --> 01:15:41,059

probably one of the worst things for the

1518

01:15:44,109 --> 01:15:42,590

paranormal world there is because when

1519

01:15:46,359 --> 01:15:44,119

people that don't believe look at those

1520

01:15:47,290 --> 01:15:46,369

things the first thing they say is these

1521

01:15:51,179 --> 01:15:47,300

guys are crazy

1522

01:15:53,199 --> 01:15:51,189

and he legitimizes everything we do I

1523

01:15:54,159 --> 01:15:53,209

just had to put that plug in there

1524

01:15:58,209 --> 01:15:54,169

because you guys were talking about

1525

01:16:01,120 --> 01:15:58,219

shelves and stuff no no no fact what

1526

01:16:03,159 --> 01:16:01,130

you're saying though it is a and I tell

1527

01:16:04,299 --> 01:16:03,169

this to everybody we did I said like a

1528

01:16:04,930 --> 01:16:04,309

beginning here we don't know what we're

1529

01:16:07,930 --> 01:16:04,940

dealing with

1530

01:16:10,180 --> 01:16:07,940

and a lot of times and I'm sure the

1531

01:16:11,440 --> 01:16:10,190

other guests will verify this force too

1532

01:16:14,110 --> 01:16:11,450

when people go out and they take

1533

01:16:15,160 --> 01:16:14,120

photographs and stuff they really need

1534

01:16:16,660 --> 01:16:15,170

to know what they're photographing

1535

01:16:18,940 --> 01:16:16,670

before they presented his evidence

1536

01:16:20,680 --> 01:16:18,950

because and I was even the state when I

1537

01:16:22,330 --> 01:16:20,690

first started out I took some pictures I

1538

01:16:24,730 --> 01:16:22,340

thought oh look it I've got this smoke

1539

01:16:26,230 --> 01:16:24,740

cloud that they're talking about but

1540

01:16:28,450 --> 01:16:26,240

then I realized I took the pictures in

1541

01:16:29,860 --> 01:16:28,460

30-degree weather and I was breathing so

1542

01:16:32,980 --> 01:16:29,870

when I was actually taking pictures of

1543

01:16:34,810 --> 01:16:32,990

us my own breath and professional

1544

01:16:37,920 --> 01:16:34,820

photographers like our guest doesn't do

1545

01:16:40,360 --> 01:16:37,930

things like this but a lot of newcomers

1546

01:16:43,150 --> 01:16:40,370

they'll see stuff like shadow figures

1547

01:16:45,130 --> 01:16:43,160

and well just an example that just

1548

01:16:47,080 --> 01:16:45,140

recently went to a school I'm not going

1549

01:16:48,580 --> 01:16:47,090

to name the name of it but and they were

1550

01:16:50,290 --> 01:16:48,590

saying they had this shadow figure that

1551

01:16:52,780 --> 01:16:50,300

would go in front of this door back and

1552

01:16:54,280 --> 01:16:52,790

forth and I reproduced the shadow figure

1553

01:16:57,070 --> 01:16:54,290

in two seconds because there was a metal

1554

01:16:58,480 --> 01:16:57,080

plate inside the door and down the

1555

01:16:59,770 --> 01:16:58,490

hallway there was a door that opened up

1556

01:17:01,350 --> 01:16:59,780

and the light would shine through it so

1557

01:17:03,850 --> 01:17:01,360

when you walked in from that metal plate

1558

01:17:07,420 --> 01:17:03,860

behind you guess what you have a shadow

1559

01:17:09,520 --> 01:17:07,430

figure hmm so it's important if you're

1560

01:17:12,040 --> 01:17:09,530

going to take pictures and you're going

1561

01:17:14,620 --> 01:17:12,050

to present evidence out there don't be a

1562

01:17:15,400 --> 01:17:14,630

reality show do the real thing do your

1563

01:17:17,080 --> 01:17:15,410

research

1564

01:17:19,150 --> 01:17:17,090

protect yourself because you don't know

1565

01:17:21,460 --> 01:17:19,160

what you're dealing with and above all

1566

01:17:23,290 --> 01:17:21,470

you know like I said before don't try to

1567

01:17:27,790 --> 01:17:23,300

swim in a river if you don't know how to

1568

01:17:30,280 --> 01:17:27,800

swim learn the facts before you go well

1569

01:17:33,760 --> 01:17:30,290

I think I think a lot of people who see

1570

01:17:36,010 --> 01:17:33,770

these Riyaz reality shows and start

1571

01:17:38,380 --> 01:17:36,020

their own you know say like your ghost

1572

01:17:40,690 --> 01:17:38,390

hunting club or whatever you would want

1573

01:17:43,360 --> 01:17:40,700

to call it end up becoming disillusioned

1574

01:17:48,280 --> 01:17:43,370

because they don't get the results that

1575

01:17:50,200 --> 01:17:48,290

they're seeing on television and the

1576

01:17:51,790 --> 01:17:50,210

spirit boxes everybody hears about how

1577

01:17:53,890 --> 01:17:51,800

those and you know what I'm talking

1578

01:17:56,320 --> 01:17:53,900

about below yeah box that goes through

1579

01:17:58,270 --> 01:17:56,330

the radio frequencies what a lot of

1580

01:18:00,130 --> 01:17:58,280

people do not know when they use a

1581

01:18:01,990 --> 01:18:00,140

spirit box and they do not show it on

1582

01:18:04,750 --> 01:18:02,000

the shows is that spirit box picks up

1583

01:18:06,190 --> 01:18:04,760

all kinds of radio stations you can hear

1584

01:18:08,500 --> 01:18:06,200

the radio stations as it goes through

1585

01:18:09,910 --> 01:18:08,510

it's all like they want a certain

1586

01:18:11,290 --> 01:18:09,920

reality show they used a lot of times

1587

01:18:12,640 --> 01:18:11,300

you never hear anything but static and

1588

01:18:17,050 --> 01:18:12,650

and I'll send you'll hear and noise come

1589

01:18:19,180 --> 01:18:17,060

out that's edited you will hear

1590

01:18:21,030 --> 01:18:19,190

things that you think are ghosts and

1591

01:18:23,770 --> 01:18:21,040

they're not they're actually radio

1592

01:18:26,290 --> 01:18:23,780

programs that are I have one person that

1593

01:18:27,850 --> 01:18:26,300

thought they heard a ghost through the

1594

01:18:30,820 --> 01:18:27,860

spirit box and I'd listen to it real

1595

01:18:35,170 --> 01:18:30,830

closely it said something like wk CT mmm

1596

01:18:38,320 --> 01:18:35,180

no that's a radio station and there is a

1597

01:18:39,790 --> 01:18:38,330

technique that that we use right now and

1598

01:18:43,540 --> 01:18:39,800

actually Denise look doesn't want it

1599

01:18:45,310 --> 01:18:43,550

that created this technique but a lot of

1600

01:18:47,950 --> 01:18:45,320

people if you're first starting out in

1601  
01:18:49,870 --> 01:18:47,960  
ghost hunting if you have one person

1602  
01:18:52,810 --> 01:18:49,880  
that holds the spirit box and actually

1603  
01:18:55,630 --> 01:18:52,820  
puts a headset in it and listens and the

1604  
01:18:57,190 --> 01:18:55,640  
other person speaks it whatever the

1605  
01:18:59,560 --> 01:18:57,200  
person hears they can blurt out the

1606  
01:19:00,730 --> 01:18:59,570  
answer and that will correlate what

1607  
01:19:03,010 --> 01:19:00,740  
you're saying so if you say is there

1608  
01:19:05,740 --> 01:19:03,020  
anybody here and then the person says my

1609  
01:19:07,120 --> 01:19:05,750  
name is Jack and they heard that on the

1610  
01:19:10,330 --> 01:19:07,130  
spirit box they have no idea what

1611  
01:19:11,740 --> 01:19:10,340  
question you asked so then you can

1612  
01:19:13,330 --> 01:19:11,750  
verify whether you're actually

1613  
01:19:19,000 --> 01:19:13,340

communicating or you're here in a radio

1614

01:19:22,330 --> 01:19:19,010

station we had we had a guest not too

1615

01:19:24,640 --> 01:19:22,340

long ago they've got a a YouTube channel

1616

01:19:26,980 --> 01:19:24,650

called what was a tip like the

1617

01:19:32,020 --> 01:19:26,990

naughty-naughty a ghost box or something

1618

01:19:35,200 --> 01:19:32,030

like that yeah yeah but they they put up

1619

01:19:38,440 --> 01:19:35,210

these the results that they get where

1620

01:19:41,350 --> 01:19:38,450

the the spirits or whatever you know it

1621

01:19:44,200 --> 01:19:41,360

is it's talking to them uses language

1622

01:19:45,760 --> 01:19:44,210

that's not not really appropriate and

1623

01:19:49,420 --> 01:19:45,770

and definitely language that you

1624

01:19:51,910 --> 01:19:49,430

wouldn't find being broadcast over most

1625

01:19:53,530 --> 01:19:51,920

radio stations and I don't know then you

1626  
01:19:55,750 --> 01:19:53,540  
got to be very careful of - and you have

1627  
01:19:57,310 --> 01:19:55,760  
a spirit that starts cussing you you're

1628  
01:20:00,310 --> 01:19:57,320  
probably not dealing with a very happy

1629  
01:20:01,720 --> 01:20:00,320  
spirit I don't think they go out they're

1630  
01:20:03,700 --> 01:20:01,730  
just you know cuss you out for no reason

1631  
01:20:10,680 --> 01:20:03,710  
there's a reason they do it usually well

1632  
01:20:17,770 --> 01:20:14,140  
me I come up with some words you never

1633  
01:20:19,240 --> 01:20:17,780  
got in your you have but then you know

1634  
01:20:20,620 --> 01:20:19,250  
that's going to get edited out by the

1635  
01:20:23,650 --> 01:20:20,630  
editor so it doesn't do you any good

1636  
01:20:27,880 --> 01:20:23,660  
just mine oh oh yeah we're with it were

1637  
01:20:30,359 --> 01:20:27,890  
the editors we cut nothing yeah we're

1638  
01:20:35,100 --> 01:20:30,369

not we're not regulated by the f

1639

01:20:37,859 --> 01:20:35,110

see see I mean now no matter we can and

1640

01:20:40,770 --> 01:20:37,869

we broadcast from Las Vegas what could

1641

01:20:45,770 --> 01:20:40,780

you possibly say why everybody's here

1642

01:20:50,850 --> 01:20:49,620

hey you know I I was in the town there's

1643

01:20:53,729 --> 01:20:50,860

a town that's supposed to be the most

1644

01:20:56,760 --> 01:20:53,739

haunted town in America I'm sure some

1645

01:20:58,500 --> 01:20:56,770

people some places make that plain where

1646

01:21:02,660 --> 01:20:58,510

there are more spirits than there are

1647

01:21:05,790 --> 01:21:02,670

humans it is the town of Jerome Arizona

1648

01:21:11,330 --> 01:21:05,800

which is halfway between Tucson and

1649

01:21:14,750 --> 01:21:11,340

Sedona and it's known for the ghosts of

1650

01:21:20,580 --> 01:21:17,450

firefighters because there were five

1651

01:21:22,470 --> 01:21:20,590

different the fire zone were talking

1652

01:21:23,910 --> 01:21:22,480

about a hundred years ago a hundred

1653

01:21:28,890 --> 01:21:23,920

years or so

1654

01:21:31,070 --> 01:21:28,900

and people who died in the asylum there

1655

01:21:33,629 --> 01:21:31,080

or went crazy there because there was a

1656

01:21:36,959 --> 01:21:33,639

an asylum that I think is now a hotel

1657

01:21:41,070 --> 01:21:36,969

and furthermore the the ghosts and

1658

01:21:43,589 --> 01:21:41,080

spirits of prostitutes because there

1659

01:21:48,300 --> 01:21:43,599

were a heck of a lot of prostitutes in

1660

01:21:52,109 --> 01:21:48,310

the town of Jerome to service the the

1661

01:21:56,459 --> 01:21:52,119

gentlemen it was known as one of the

1662

01:22:00,180 --> 01:21:56,469

richest mining towns in America until

1663

01:22:03,959 --> 01:22:00,190

the town slid down the side of the hill

1664

01:22:07,109 --> 01:22:03,969

and that worked out a lot of people -

1665

01:22:10,370 --> 01:22:07,119

not as many as the fire but they slid

1666

01:22:14,700 --> 01:22:10,380

right on down but you can visit the town

1667

01:22:17,640 --> 01:22:14,710

today and they will take you on what the

1668

01:22:21,419 --> 01:22:17,650

purports to be authentic and goes tours

1669

01:22:25,830 --> 01:22:21,429

of drunk and so there are more spirits

1670

01:22:28,680 --> 01:22:25,840

there then there are the Living Well you

1671

01:22:30,959 --> 01:22:28,690

know Kentucky is full of ghosts Ares

1672

01:22:32,550 --> 01:22:30,969

like that too and the reason that it's

1673

01:22:35,609 --> 01:22:32,560

like that is because let's take the

1674

01:22:36,990 --> 01:22:35,619

Mammoth Cave region for example and you

1675

01:22:39,300 --> 01:22:37,000

go to these cold countries where the

1676

01:22:41,040 --> 01:22:39,310

coal mines have taken over there used to

1677

01:22:42,629 --> 01:22:41,050

be communities at these places we're

1678

01:22:43,950 --> 01:22:42,639

getting ready to investigating one here

1679

01:22:46,439 --> 01:22:43,960

called Paradise

1680

01:22:48,090 --> 01:22:46,449

city which is on I want to say rough

1681

01:22:51,360 --> 01:22:48,100

River no it's on Green River in

1682

01:22:52,800 --> 01:22:51,370

Muhlenberg County Kentucky and there was

1683

01:22:54,510 --> 01:22:52,810

actually a town there with a haunted

1684

01:22:56,280 --> 01:22:54,520

hotel but when Peabody called took it

1685

01:22:58,320 --> 01:22:56,290

over they wiped the town out completely

1686

01:23:00,660 --> 01:22:58,330

they left the old Civil War prisoner

1687

01:23:03,870 --> 01:23:00,670

which used to be a steel mill and it

1688

01:23:05,880 --> 01:23:03,880

still has the the chimneys and stuff to

1689

01:23:07,590 --> 01:23:05,890

it we're going to investigate that but

1690

01:23:08,850 --> 01:23:07,600

we've got a lot of haunted locations

1691

01:23:10,110 --> 01:23:08,860

like that where there's a lot of

1692

01:23:12,060 --> 01:23:10,120

restless spirits do they let the

1693

01:23:14,550 --> 01:23:12,070

cemeteries they tore down the churches

1694

01:23:16,560 --> 01:23:14,560

they tore down the towns but they had to

1695

01:23:18,419 --> 01:23:16,570

leave the cemeteries and you could be

1696

01:23:20,850 --> 01:23:18,429

walking through especially in Eastern

1697

01:23:22,229 --> 01:23:20,860

Kentucky and in the coal countries you

1698

01:23:23,669 --> 01:23:22,239

can walk through the woods and actually

1699

01:23:25,740 --> 01:23:23,679

come up on cemeteries that are just

1700

01:23:27,750 --> 01:23:25,750

being overgrown with trees and stuff and

1701

01:23:28,709 --> 01:23:27,760

there are good places to ghost hunt I

1702

01:23:30,270 --> 01:23:28,719

don't think I'd want to live there for

1703

01:23:38,430 --> 01:23:30,280

eternity but they're good places to

1704

01:23:41,910 --> 01:23:38,440

ghost time mm-hmm so uh Darryl when you

1705

01:23:44,669 --> 01:23:41,920

are getting ready to to go out to a

1706

01:23:47,760 --> 01:23:44,679

location I mean how do you how do you

1707

01:23:50,490 --> 01:23:47,770

prepare I mean you know uh what do you

1708

01:23:55,830 --> 01:23:50,500

do to make sure that you're ready for

1709

01:23:59,430 --> 01:23:55,840

any likelihood when you're going to a an

1710

01:24:02,640 --> 01:23:59,440

investigation well I'll make sure that

1711

01:24:06,419 --> 01:24:02,650

my equipment is up and running good the

1712

01:24:13,680 --> 01:24:06,429

batteries are fully charged but when I

1713

01:24:20,100 --> 01:24:13,690

go out I try to debunk my own self I try

1714

01:24:24,080 --> 01:24:20,110

to get a make sure that the lens on

1715

01:24:27,660 --> 01:24:24,090

everything is white probably about every

1716

01:24:31,950 --> 01:24:27,670

five minutes or so or less I wipe them

1717

01:24:35,760 --> 01:24:31,960

down I keep my camera when I take

1718

01:24:39,780 --> 01:24:35,770

pictures at arm's length you know even

1719

01:24:44,550 --> 01:24:39,790

you like the Kentucky yeah ghosts are

1720

01:24:51,930 --> 01:24:44,560

said a lot of people will film their own

1721

01:24:54,120 --> 01:24:51,940

breath if they if the ghost owners would

1722

01:24:57,570 --> 01:24:54,130

keep their hand you know keep the camera

1723

01:25:01,230 --> 01:24:57,580

at arm's length then

1724

01:25:05,460 --> 01:25:01,240

there's no way especially when you I've

1725

01:25:10,100 --> 01:25:05,470

learned to breathe shallow because I

1726  
01:25:13,590 --> 01:25:10,110  
don't I do everything in my knowledge to

1727  
01:25:17,490 --> 01:25:13,600  
make sure that what I'm doing is

1728  
01:25:22,130 --> 01:25:17,500  
absolutely correct so you know when I

1729  
01:25:25,140 --> 01:25:22,140  
take a picture that picture is

1730  
01:25:29,240 --> 01:25:25,150  
absolutely 100% when I'm taking a

1731  
01:25:37,320 --> 01:25:29,250  
picture of without the possibility of

1732  
01:25:41,070 --> 01:25:37,330  
breath a smudge on the the lens I double

1733  
01:25:45,720 --> 01:25:41,080  
check myself every moment that I'm out

1734  
01:25:49,770 --> 01:25:45,730  
on a location because I do my thing is

1735  
01:25:53,400 --> 01:25:49,780  
is I want to prove to people that what

1736  
01:25:57,630 --> 01:25:53,410  
they're seeing is real and I go to great

1737  
01:26:01,200 --> 01:25:57,640  
lengths to make sure that what I'm doing

1738  
01:26:03,630 --> 01:26:01,210

is absolutely correct without question

1739

01:26:06,870 --> 01:26:03,640

without anybody coming back well this

1740

01:26:10,320 --> 01:26:06,880

and that and that and that no this is

1741

01:26:14,120 --> 01:26:10,330

true and this is real because I've been

1742

01:26:20,420 --> 01:26:14,130

doing this for so long that that I do

1743

01:26:23,040 --> 01:26:20,430

everything according to as you say as

1744

01:26:27,870 --> 01:26:23,050

perfect a picture as you could possibly

1745

01:26:31,340 --> 01:26:27,880

get all right if we have a question from

1746

01:26:36,060 --> 01:26:31,350

Barbara and Barbara wants to know and

1747

01:26:38,040 --> 01:26:36,070

this goes out to both of you do do your

1748

01:26:40,770 --> 01:26:38,050

guests think spirits are attached to

1749

01:26:42,240 --> 01:26:40,780

buildings or objects and she says I mean

1750

01:26:44,820 --> 01:26:42,250

there have been reports of buildings

1751

01:26:47,040 --> 01:26:44,830

being haunted and then torn down do

1752

01:26:52,290 --> 01:26:47,050

these spirits now leave or will they

1753

01:26:57,150 --> 01:26:52,300

attach to the new building well I

1754

01:27:00,480 --> 01:26:57,160

believe that the spirit is just say

1755

01:27:06,510 --> 01:27:00,490

hypothetically if they had died in the

1756

01:27:10,709 --> 01:27:06,520

house or on the property my knowledge is

1757

01:27:12,270 --> 01:27:10,719

they they hang around for well

1758

01:27:15,530 --> 01:27:12,280

and until they move on to whatever

1759

01:27:22,800 --> 01:27:15,540

plateau that they're moving - because

1760

01:27:24,720 --> 01:27:22,810

I've visited a lot of old places and you

1761

01:27:29,850 --> 01:27:24,730

know they got torn down and though you

1762

01:27:33,800 --> 01:27:29,860

go back again and you still see orbs and

1763

01:27:36,810 --> 01:27:33,810

shadows and different figures you know I

1764

01:27:40,650 --> 01:27:36,820

would say they still hang around no

1765

01:27:46,380 --> 01:27:40,660

matter what all right Dean what about

1766

01:27:48,450 --> 01:27:46,390

you I've experienced some things as far

1767

01:27:49,350 --> 01:27:48,460

as what they call attachments to objects

1768

01:27:53,130 --> 01:27:49,360

and stuff like that

1769

01:27:55,590 --> 01:27:53,140

and what I have a lot of times that I

1770

01:27:59,250 --> 01:27:55,600

found I voices appears from people in

1771

01:28:01,680 --> 01:27:59,260

the past and if you think about what I

1772

01:28:04,740 --> 01:28:01,690

said before about dark entities they

1773

01:28:07,170 --> 01:28:04,750

have a hard time dealing with light a

1774

01:28:08,550 --> 01:28:07,180

lot of times attached objects you're

1775

01:28:10,140 --> 01:28:08,560

dealing with an energy particle you're

1776

01:28:12,689 --> 01:28:10,150

not dealing with an actual person a lot

1777

01:28:14,760 --> 01:28:12,699

of people confuse that which energy you

1778

01:28:17,490 --> 01:28:14,770

can manipulate energy if I had a can of

1779

01:28:18,630 --> 01:28:17,500

coke sitting here if you were a large

1780

01:28:20,580 --> 01:28:18,640

ball of energy you could actually

1781

01:28:23,490 --> 01:28:20,590

condense yourself and go into the can of

1782

01:28:26,270 --> 01:28:23,500

coke and the reason I brought that up is

1783

01:28:29,280 --> 01:28:26,280

because a lot of times these entities

1784

01:28:32,070 --> 01:28:29,290

that can't stand the light will actually

1785

01:28:33,840 --> 01:28:32,080

enter into objects where it's darker so

1786

01:28:35,220 --> 01:28:33,850

they can survive without I would say I

1787

01:28:37,320 --> 01:28:35,230

don't want to say Pink's I don't believe

1788

01:28:39,470 --> 01:28:37,330

it's a pain I don't really know what it

1789

01:28:41,760 --> 01:28:39,480

is but they can survive in dark places

1790

01:28:44,100 --> 01:28:41,770

so a lot of times like you see a doll

1791

01:28:45,479 --> 01:28:44,110

it's possessed by something the reason I

1792

01:28:47,130 --> 01:28:45,489

think of the possession is because

1793

01:28:49,110 --> 01:28:47,140

something's went inside of it to keep

1794

01:28:51,120 --> 01:28:49,120

out of the light that's why you see

1795

01:28:53,459 --> 01:28:51,130

mostly dark figures shadow figures at

1796

01:28:55,140 --> 01:28:53,469

night it's because they're hiding during

1797

01:28:56,880 --> 01:28:55,150

the day and they don't really want to

1798

01:28:59,040 --> 01:28:56,890

come out during the day because it

1799

01:29:01,410 --> 01:28:59,050

affects them somehow that doesn't affect

1800

01:29:05,010 --> 01:29:01,420

regular things so when a haunted house

1801  
01:29:06,510 --> 01:29:05,020  
is consumed or whatever it is by spirits

1802  
01:29:08,760 --> 01:29:06,520  
or several spirits I believe when it's

1803  
01:29:10,830 --> 01:29:08,770  
tore down they'll either enter into an

1804  
01:29:12,870 --> 01:29:10,840  
object or go into another location in

1805  
01:29:15,900 --> 01:29:12,880  
this area that we're getting ready to

1806  
01:29:18,570 --> 01:29:15,910  
investigate called paradise the haunted

1807  
01:29:21,209 --> 01:29:18,580  
hotel was tore down and soon as the

1808  
01:29:23,130 --> 01:29:21,219  
haunted hotel was tore down then the

1809  
01:29:24,390 --> 01:29:23,140  
Confederate prison became the haunted

1810  
01:29:27,180 --> 01:29:24,400  
location

1811  
01:29:29,190 --> 01:29:27,190  
that's kind of moving from one speck to

1812  
01:29:30,540 --> 01:29:29,200  
another in my opinion like I said I

1813  
01:29:32,880 --> 01:29:30,550

could be wrong because we really don't

1814

01:29:36,990 --> 01:29:32,890

know anything yet no that's how I for my

1815

01:29:40,110 --> 01:29:37,000

investigations I see hey you know if you

1816

01:29:43,140 --> 01:29:40,120

could do that investigation on a

1817

01:29:45,750 --> 01:29:43,150

Thursday night at the attentive midnight

1818

01:29:48,330 --> 01:29:45,760

the eastern we'd be happy to a broadcast

1819

01:29:55,320 --> 01:29:48,340

at least part of it I think that would

1820

01:29:57,870 --> 01:29:55,330

be a you know we have to we were going

1821

01:30:00,390 --> 01:29:57,880

to go by boat but we found out because

1822

01:30:02,910 --> 01:30:00,400

the talents built right on the river but

1823

01:30:05,040 --> 01:30:02,920

over the time the the legend is corroded

1824

01:30:06,360 --> 01:30:05,050

and it's now a sheer Mountain so we're

1825

01:30:08,040 --> 01:30:06,370

going to have to walk through the woods

1826

01:30:10,530 --> 01:30:08,050

tomorrow and a half with all our

1827

01:30:11,670 --> 01:30:10,540

equipment to get there but once we get

1828

01:30:14,400 --> 01:30:11,680

there and light the fire because there's

1829

01:30:15,990 --> 01:30:14,410

no electricity we'll be glad to call you

1830

01:30:20,280 --> 01:30:16,000

guys up on cell phones they do have cell

1831

01:30:22,890 --> 01:30:20,290

phone service if it's a Thursday night

1832

01:30:25,350 --> 01:30:22,900

they just give us an advance notice and

1833

01:30:27,510 --> 01:30:25,360

we'll we'll do a segment at least I'd be

1834

01:30:29,010 --> 01:30:27,520

glad to because we've also got there's

1835

01:30:30,270 --> 01:30:29,020

going to be a couple of we're probably

1836

01:30:33,000 --> 01:30:30,280

gonna do it in October and there's a

1837

01:30:36,690 --> 01:30:33,010

couple of newspapers going with us or

1838

01:30:39,090 --> 01:30:36,700

some other people - yeah good good for

1839

01:30:43,200 --> 01:30:39,100

you know you do you have a youtube

1840

01:30:46,650 --> 01:30:43,210

channel no no no you know I've been

1841

01:30:47,970 --> 01:30:46,660

asked and asked and asked but I just

1842

01:30:50,370 --> 01:30:47,980

haven't done it yet we probably are

1843

01:30:52,560 --> 01:30:50,380

going to do it but we do have like

1844

01:30:53,940 --> 01:30:52,570

Kentucky go center coms our website and

1845

01:30:55,740 --> 01:30:53,950

you can find the guy thank you go start

1846

01:30:57,720 --> 01:30:55,750

on Facebook and we got a group all the

1847

01:30:59,580 --> 01:30:57,730

Kentucky ghost town so you know

1848

01:31:01,920 --> 01:30:59,590

sometimes we put videos on we don't but

1849

01:31:04,350 --> 01:31:01,930

we're about ways away from being talked

1850

01:31:08,850 --> 01:31:04,360

into doing a YouTube oh okay well you

1851  
01:31:12,510 --> 01:31:08,860  
know we make a YouTube this show is not

1852  
01:31:14,580 --> 01:31:12,520  
only archived on k cor radio.com which

1853  
01:31:18,900 --> 01:31:14,590  
of course originates the show every

1854  
01:31:23,760 --> 01:31:18,910  
Thursday night but we also are archived

1855  
01:31:27,300 --> 01:31:23,770  
there put up on stitcher itunes google

1856  
01:31:30,180 --> 01:31:27,310  
play and we have our own YouTube channel

1857  
01:31:35,400 --> 01:31:30,190  
which is mr. UFO mr. UFO secret files

1858  
01:31:38,250 --> 01:31:35,410  
and there are associate Peter adds some

1859  
01:31:40,560 --> 01:31:38,260  
graphics so we'll probably with your

1860  
01:31:43,140 --> 01:31:40,570  
both of you look up a couple of photos

1861  
01:31:45,390 --> 01:31:43,150  
from your a website and as you were

1862  
01:31:47,759 --> 01:31:45,400  
talking people listen to you

1863  
01:31:49,890 --> 01:31:47,769

I think they will be able to see some of

1864

01:31:51,359 --> 01:31:49,900

the graphics that involve what we spoken

1865

01:31:53,790 --> 01:31:51,369

of this evening

1866

01:31:56,040 --> 01:31:53,800

so we liked it we like to keep it visual

1867

01:32:04,770 --> 01:31:56,050

where our audio we'd like to keep our

1868

01:32:08,729 --> 01:32:04,780

audio as visual as possible well on the

1869

01:32:10,169 --> 01:32:08,739

website that smoke yeah yeah talk about

1870

01:32:12,089 --> 01:32:10,179

we've got one of those on our website

1871

01:32:15,450 --> 01:32:12,099

too where it's actually shows a couple

1872

01:32:17,100 --> 01:32:15,460

faces in it's very distinct Ritchie

1873

01:32:18,600 --> 01:32:17,110

Ritchie Blackmore must have been

1874

01:32:31,470 --> 01:32:18,610

thinking that when he wrote the song

1875

01:32:33,089 --> 01:32:31,480

smoke on the water you know I hate to

1876

01:32:34,919 --> 01:32:33,099

say this I guess he's still alive but

1877

01:32:37,049 --> 01:32:34,929

Ritchie Blackmore is one of the few

1878

01:32:40,439 --> 01:32:37,059

artists that I ever walked out of a live

1879

01:32:42,359 --> 01:32:40,449

concert on but because they were known

1880

01:32:44,399 --> 01:32:42,369

was a deep purple right they were right

1881

01:32:48,089 --> 01:32:44,409

they were known for having the loudest

1882

01:32:51,419 --> 01:32:48,099

audio of any I guess of performing a

1883

01:32:54,750 --> 01:32:51,429

group and I was alert either backstage

1884

01:32:57,089 --> 01:32:54,760

or in the first couple of rows and boy

1885

01:33:01,680 --> 01:32:57,099

that was allowed so if there was smoke

1886

01:33:03,270 --> 01:33:01,690

on the water I never saw it alright imp

1887

01:33:05,370 --> 01:33:03,280

we got about three minutes left in the

1888

01:33:09,779 --> 01:33:05,380

program so we better better go around

1889

01:33:12,450 --> 01:33:09,789

and find out from our guest where our

1890

01:33:14,850 --> 01:33:12,460

audience can learn more about you your

1891

01:33:16,910 --> 01:33:14,860

websites upcoming appearances things

1892

01:33:20,640 --> 01:33:16,920

like that so Darryl let's start with you

1893

01:33:25,859 --> 01:33:20,650

well I have a website paranormal

1894

01:33:30,450 --> 01:33:25,869

evidence consulting.com it has quite a

1895

01:33:32,879 --> 01:33:30,460

few pictures that are excellent I keep

1896

01:33:38,689 --> 01:33:32,889

adding more pictures to it you know

1897

01:33:40,560 --> 01:33:38,699

whenever I go out and get good stuff and

1898

01:33:44,250 --> 01:33:40,570

my partner

1899

01:33:49,389 --> 01:33:44,260

Linda wolf Elise she's a wonderful asset

1900

01:33:54,069 --> 01:33:49,399

to to what I'm doing so

1901

01:33:55,929 --> 01:33:54,079

glad to have her loan very good and Dean

1902

01:33:57,790 --> 01:33:55,939

what about you well it's pretty simple

1903

01:34:00,100 --> 01:33:57,800

the website is Kentucky ghost hunter

1904

01:34:01,810 --> 01:34:00,110

calm it's there's no D in front of it's

1905

01:34:04,060 --> 01:34:01,820

just Kentucky ghost hunter calm and if

1906

01:34:05,919 --> 01:34:04,070

you want to go to Facebook then the D

1907

01:34:08,379 --> 01:34:05,929

appears it's the Kentucky ghost hunter

1908

01:34:09,759 --> 01:34:08,389

and the group discussion also is the

1909

01:34:11,589 --> 01:34:09,769

Kentucky get started but I just wanted

1910

01:34:12,850 --> 01:34:11,599

to give a shout out to my wife Chris I

1911

01:34:14,109 --> 01:34:12,860

love you very much and thank you for

1912

01:34:16,060 --> 01:34:14,119

letting me stay up so late to talk to

1913

01:34:19,569 --> 01:34:16,070

these fine folks usually I'm in bed by

1914

01:34:21,489 --> 01:34:19,579

9:00 out here in the country wow I'm up

1915

01:34:23,560 --> 01:34:21,499

to 6:00 in the morning but hey you know

1916

01:34:27,100 --> 01:34:23,570

we got to give a shout out and thank you

1917

01:34:31,239 --> 01:34:27,110

to our staff you know our producer and

1918

01:34:32,589 --> 01:34:31,249

engineer a Peter our animator and

1919

01:34:37,330 --> 01:34:32,599

YouTube

1920

01:34:39,129 --> 01:34:37,340

chief dead Carol who makes sure that I

1921

01:34:39,850 --> 01:34:39,139

get everything organized as much as

1922

01:34:42,369 --> 01:34:39,860

possible

1923

01:34:46,989 --> 01:34:42,379

Michelle Helen I'm sure that I've

1924

01:34:50,020 --> 01:34:46,999

forgotten somebody and I guess our

1925

01:34:52,119 --> 01:34:50,030

friends in the the other the other

1926

01:34:55,959 --> 01:34:52,129

worlds the paranormal universes them and

1927

01:34:58,989 --> 01:34:55,969

and you anybody like show no oh well I

1928

01:35:01,089 --> 01:34:58,999

just I was just like to remind everybody

1929

01:35:03,189 --> 01:35:01,099

that when they have a chance to go visit

1930

01:35:05,439 --> 01:35:03,199

our website which is conspiracy journal

1931

01:35:07,810 --> 01:35:05,449

calm I don't get a chance to tell people

1932

01:35:09,669 --> 01:35:07,820

that very often there and that sign up

1933

01:35:12,609 --> 01:35:09,679

yeah I sign up for our free newsletter

1934

01:35:14,409 --> 01:35:12,619

because it's been going on now for gosh

1935

01:35:18,060 --> 01:35:14,419

I think almost twenty years at this

1936

01:35:23,549 --> 01:35:18,070

point so yeah you know and also to

1937

01:35:25,779 --> 01:35:23,559

Tesla's lab calm because Tim is written

1938

01:35:27,310 --> 01:35:25,789

probably the best-selling book on Nikola

1939

01:35:29,469 --> 01:35:27,320

Tesla in the last three years and was

1940

01:35:33,520 --> 01:35:29,479

colonel significant Destler and we have

1941

01:35:34,479 --> 01:35:33,530

a new book out the Tesla's purple energy

1942

01:35:36,399 --> 01:35:34,489

lates

1943

01:35:40,089 --> 01:35:36,409

and you can get of course all of our

1944

01:35:42,939 --> 01:35:40,099

books on Amazon our blogs are up there I

1945

01:35:44,979 --> 01:35:42,949

just go to Amazon and type in that

1946

01:35:46,810 --> 01:35:44,989

Timothy a definitely look for my photo

1947

01:35:49,119 --> 01:35:46,820

in my top hat and you all have a

1948

01:35:50,500 --> 01:35:49,129

wonderful week in Milwaukee and next

1949

01:35:53,350 --> 01:35:50,510

weekend we'll have some great guests

1950

01:35:59,929 --> 01:35:53,360

coming up at the future including Calvin

1951

01:36:06,169 --> 01:36:02,270

you've been listening to exploring the

1952

01:36:07,029 --> 01:36:06,179

bazaar with hosts Timothy Becky and T

1953

01:36:09,890 --> 01:36:07,039

Swartz

1954

01:36:12,799 --> 01:36:09,900

they're taking back the night by jetting

1955

01:36:14,839 --> 01:36:12,809

non-stop across the cosmos in search of

1956

01:36:18,709 --> 01:36:14,849

the truly bizarre and totally

1957

01:36:21,189 --> 01:36:18,719

unexplained with you as their cold

1958

01:36:25,700 --> 01:36:21,199

Thursday nights at 7:00 p.m. Pacific

1959

01:36:26,520 --> 01:36:25,710

10:00 p.m. Eastern on the K cor digital

1960

01:36:29,340 --> 01:36:26,530

radio

1961

01:36:32,790 --> 01:36:29,350

for more information on exploring the

1962

01:36:35,640 --> 01:36:32,800

bazaar and hosts Timothy Becca anthem

1963

01:36:38,760 --> 01:36:35,650

Swartz check out their kco our digital

1964

01:36:44,970 --> 01:36:38,770

radio network follow their YouTube
