

**EXPLORING
THE
BIZARRE
#153**

CALVIN PARKER * JEROME CLARK

1
00:00:37,370 --> 00:00:21,840

[Music]

2
00:00:44,330 --> 00:00:41,670

explode the bazaars are your e-ticket

3
00:00:47,610 --> 00:00:44,340

ride into the world of the paranoid

4
00:00:50,660 --> 00:00:47,620

strap yourself in as we traverse the

5
00:00:55,040 --> 00:00:50,670

universe exploring the unexplained UFO

6
00:00:57,420 --> 00:00:55,050

of ghosts Lost Worlds

7
00:01:01,260 --> 00:00:57,430

cryptozoology waters as well as other

8
00:01:06,420 --> 00:01:01,270

dimensions it's time to take back the

9
00:01:09,330 --> 00:01:06,430

night now your electrifying hosts of

10
00:01:16,740 --> 00:01:09,340

exploring the bizarre Timothy Beckley

11
00:01:20,100 --> 00:01:16,750

and Tim Schwartz voice-off dark out here

12
00:01:21,290 --> 00:01:20,110

who in their right mind goes fishing so

13
00:01:24,240 --> 00:01:21,300

late at night

14

00:01:26,790 --> 00:01:24,250

Shh keep your voice down you'll scare

15

00:01:28,230 --> 00:01:26,800

the fish away this is the best time you

16

00:01:31,620 --> 00:01:28,240

know the fish are really jumping tonight

17

00:01:33,570 --> 00:01:31,630

well I'm getting pretty jumpy myself for

18

00:01:36,210 --> 00:01:33,580

sure see that white off in the distance

19

00:01:39,780 --> 00:01:36,220

it seems to be coming closer and closer

20

00:01:43,500 --> 00:01:39,790

you think it's an airplane mm-hmm nope

21

00:01:45,330 --> 00:01:43,510

looks like a spaceship to me huh

22

00:01:48,120 --> 00:01:45,340

I hope they heard in the mood to fish

23

00:01:55,350 --> 00:01:48,130

for humans well we'll have to be careful

24

00:01:57,300 --> 00:01:55,360

about there we go all right Tim how ya

25

00:02:00,690 --> 00:01:57,310

out there in Jasper Indiana

26

00:02:04,680 --> 00:02:00,700

we got a historic program tonight yes

27

00:02:07,109 --> 00:02:04,690

I'm looking forward to talking with with

28

00:02:13,080 --> 00:02:07,119

Calvin tonight you know I I remember

29

00:02:16,650 --> 00:02:13,090

when very clearly in 1973 when you know

30

00:02:19,800 --> 00:02:16,660

the media just jumped all over their

31

00:02:22,020 --> 00:02:19,810

their encounter you know in 1973 was a

32

00:02:25,680 --> 00:02:22,030

was a pretty interesting year when it

33

00:02:28,710 --> 00:02:25,690

came to UFO sightings and so I mean and

34

00:02:31,410 --> 00:02:28,720

they're they're incident really stands

35

00:02:34,530 --> 00:02:31,420

out in my memory well I think even

36

00:02:38,640 --> 00:02:34,540

Rolling Stone magazine who very seldom

37

00:02:41,759 --> 00:02:38,650

ever if ever does a article or news

38

00:02:44,520 --> 00:02:41,769

piece on on UFOs did a did a piece on

39

00:02:46,500 --> 00:02:44,530

this particular case but why don't you

40

00:02:50,040 --> 00:02:46,510

come a little closer to the mic there

41

00:02:50,730 --> 00:02:50,050

Tim and introduce our award-winning

42

00:02:52,800 --> 00:02:50,740

guests with

43

00:02:56,130 --> 00:02:52,810

evening Oh it'd be my pleasure well

44

00:03:00,780 --> 00:02:56,140

tonight we have with us Calvin Parker

45

00:03:02,850 --> 00:03:00,790

now Calvin was born in 1954 in Seminole

46

00:03:04,890 --> 00:03:02,860

Texas and by the age of three his

47

00:03:07,470 --> 00:03:04,900

parents moved to the Laurel Mississippi

48

00:03:09,990 --> 00:03:07,480

region which is about 110 miles

49

00:03:11,430 --> 00:03:10,000

northwest of Pascagoula now Calvin's

50

00:03:13,350 --> 00:03:11,440

father I didn't know if you knew this

51
00:03:16,470 --> 00:03:13,360
Tim worked for the Atomic Energy

52
00:03:19,620 --> 00:03:16,480
Commission and his work was to drill

53
00:03:22,350 --> 00:03:19,630
test holes to detonate nuclear weapons

54
00:03:27,090 --> 00:03:22,360
deep underground some of which I guess

55
00:03:29,130 --> 00:03:27,100
they detonated therein in Mississippi so

56
00:03:30,420 --> 00:03:29,140
by the age of 18 Calvin dropped out of

57
00:03:34,170 --> 00:03:30,430
high school in Laurel and took a job

58
00:03:37,860 --> 00:03:34,180
building trip boats in Pascagoula at the

59
00:03:39,750 --> 00:03:37,870
F be Walker & söhne shipyard in 1973

60
00:03:43,890 --> 00:03:39,760
Parker had rented a room for one of his

61
00:03:48,180 --> 00:03:43,900
shipyard colleagues Charles Hickson so

62
00:03:50,130 --> 00:03:48,190
now on October 11th 1973 Calvin and

63
00:03:52,320 --> 00:03:50,140

Charles set off to do some fishing at an

64

00:03:54,000 --> 00:03:52,330

abandoned shipyard called Shaw Peters

65

00:03:56,700 --> 00:03:54,010

which was on the west bank of the

66

00:03:58,770 --> 00:03:56,710

Pascagoula Pascagoula River as a two men

67

00:04:00,750 --> 00:03:58,780

fished a football shaped UFO with

68

00:04:03,420 --> 00:04:00,760

blinding light swooped down out of the

69

00:04:04,140 --> 00:04:03,430

night sky and landed nearby what

70

00:04:06,720 --> 00:04:04,150

happened next

71

00:04:08,880 --> 00:04:06,730

turn the two men into media sensations

72

00:04:11,130 --> 00:04:08,890

and their case went on to become one of

73

00:04:13,500 --> 00:04:11,140

the most high-profile UFO stories in

74

00:04:15,870 --> 00:04:13,510

American history Parker says that he's

75

00:04:18,660 --> 00:04:15,880

still grappling with an encounter that

76

00:04:19,979 --> 00:04:18,670

turned his life upside down and we will

77

00:04:24,480 --> 00:04:19,989

be talking to

78

00:04:27,240 --> 00:04:24,490

Calvin tonight because he has just

79

00:04:30,750 --> 00:04:27,250

recently released a new book called

80

00:04:33,540 --> 00:04:30,760

Pascagoula the closest encounter now

81

00:04:35,340 --> 00:04:33,550

also with us tonight is Jerome Clark

82

00:04:39,710 --> 00:04:35,350

now Jerome's been interested in UFOs and

83

00:04:41,640 --> 00:04:39,720

anomalies since his antelope adolescence

84

00:04:43,920 --> 00:04:41,650

Clark is the author of more than 20

85

00:04:46,370 --> 00:04:43,930

books on these subjects including the

86

00:04:48,960 --> 00:04:46,380

prize-winning multi-volume UFO

87

00:04:52,260 --> 00:04:48,970

encyclopedia he's the former editor of

88

00:04:54,570 --> 00:04:52,270

fate as well as of international UFO

89

00:04:58,020 --> 00:04:54,580

reporter the magazine of the Center for

90

00:05:00,870 --> 00:04:58,030

UFO studies on whose board he served for

91

00:05:02,909 --> 00:05:00,880

years working with Jael and honey his

92

00:05:04,470 --> 00:05:02,919

feature articles and reviews are

93

00:05:06,810 --> 00:05:04,480

regularly published

94

00:05:09,570 --> 00:05:06,820

in the world's premier anomaly magazine

95

00:05:12,300 --> 00:05:09,580

14 times a keen student of folk and

96

00:05:15,090 --> 00:05:12,310

roots music his written songs recorded

97

00:05:18,710 --> 00:05:15,100

by among others Emmylou Harris Mary

98

00:05:22,290 --> 00:05:18,720

Chapin carpenter and his reviews of

99

00:05:25,770 --> 00:05:22,300

current CDs in these genres are posted

100

00:05:27,150 --> 00:05:25,780

weekly at rambles dotnet so Calvin

101

00:05:27,810 --> 00:05:27,160

Jerome thank you very much for being

102

00:05:31,350 --> 00:05:27,820

with us tonight

103

00:05:34,260 --> 00:05:31,360

on exploring the bizarre oh you mighty

104

00:05:37,830 --> 00:05:34,270

welcome it's good where does any day you

105

00:05:39,870 --> 00:05:37,840

wake up to good day yeah yeah you know

106

00:05:43,560 --> 00:05:39,880

I've known Jerry we were both

107

00:05:44,970 --> 00:05:43,570

adolescents in fact I call instead of

108

00:05:47,700 --> 00:05:44,980

growing in Jerome I call him Jerry

109

00:05:50,570 --> 00:05:47,710

because we know known each other since

110

00:05:53,310 --> 00:05:50,580

we were both in he we were teen

111

00:05:57,150 --> 00:05:53,320

ufologists and of course we've grown up

112

00:05:58,740 --> 00:05:57,160

and we're in middle middle ufology now I

113

00:06:01,770 --> 00:05:58,750

believe Jerry wouldn't just say that

114

00:06:04,140 --> 00:06:01,780

middle you middle middle ufology and mmm

115

00:06:07,710 --> 00:06:04,150

it seems me that we got started this

116

00:06:10,890 --> 00:06:07,720

what was it three four years ago ah at

117

00:06:12,390 --> 00:06:10,900

least at least that's what I know that's

118

00:06:15,930 --> 00:06:12,400

where you know more about the subject

119

00:06:18,210 --> 00:06:15,940

then than most people and by the way

120

00:06:21,150 --> 00:06:18,220

your UFO encyclopedia it's a brand new

121

00:06:24,060 --> 00:06:21,160

edition isn't that correct yeah it'll be

122

00:06:27,990 --> 00:06:24,070

the third edition which is a two volumes

123

00:06:31,650 --> 00:06:28,000

1500 pages will be released a week from

124

00:06:33,450 --> 00:06:31,660

today wonderful wonderful wonderful and

125

00:06:36,300 --> 00:06:33,460

Calvin has got a great book out I know

126
00:06:38,760 --> 00:06:36,310
I've been going through it for the last

127
00:06:42,120 --> 00:06:38,770
several days and I want to start out

128
00:06:44,160 --> 00:06:42,130
instead of my telling the story now I

129
00:06:47,310 --> 00:06:44,170
don't think that there's anybody in the

130
00:06:50,430 --> 00:06:47,320
United States who hasn't heard of this

131
00:06:53,630 --> 00:06:50,440
particular abduction experience it but

132
00:06:57,330 --> 00:06:53,640
let's hear it from from Calvin

133
00:07:00,240 --> 00:06:57,340
first-hand account set the stage you

134
00:07:01,830 --> 00:07:00,250
knew it at Charlie Higson you you had a

135
00:07:05,130 --> 00:07:01,840
lift with a live with him for a while he

136
00:07:08,550 --> 00:07:05,140
was a friend of the family I'd been

137
00:07:11,940 --> 00:07:08,560
knowing Charlie most all my childhood

138
00:07:14,460 --> 00:07:11,950

life you know I went to church with his

139

00:07:16,350 --> 00:07:14,470

children went to school with some of

140

00:07:17,970 --> 00:07:16,360

them and they lived close by there was

141

00:07:20,490 --> 00:07:17,980

neighbors so

142

00:07:22,770 --> 00:07:20,500

Charlie took a job on the coast and I

143

00:07:24,780 --> 00:07:22,780

was working in the old field now

144

00:07:27,420 --> 00:07:24,790

actually Charlie and my father was

145

00:07:30,240 --> 00:07:27,430

really good friends he was a good deal

146

00:07:33,690 --> 00:07:30,250

older than what I was but uh when I

147

00:07:38,130 --> 00:07:33,700

ended up coming to the coast to work for

148

00:07:39,690 --> 00:07:38,140

him he had stable jobs down here and

149

00:07:42,900 --> 00:07:39,700

that's what I was hunting I was in the

150

00:07:45,360 --> 00:07:42,910

old field working 16 hours a day seven

151
00:07:47,370 --> 00:07:45,370
days a week I'm fixing to get married so

152
00:07:48,960 --> 00:07:47,380
I didn't want to hang around in senders

153
00:07:52,200 --> 00:07:48,970
field Mississippi or Laurel Mississippi

154
00:07:56,190 --> 00:07:52,210
and work that many hours to make fixin

155
00:07:58,860 --> 00:07:56,200
to be married so well I called Charlie

156
00:08:01,290 --> 00:07:58,870
up and he told me well come on down I

157
00:08:03,960 --> 00:08:01,300
have an opening in the shipyard so when

158
00:08:06,900 --> 00:08:03,970
came down Randy the room for Charlie a

159
00:08:09,290 --> 00:08:06,910
matter of fact the first day I was down

160
00:08:13,140 --> 00:08:09,300
I stayed one night over in his house

161
00:08:16,650 --> 00:08:13,150
then the next day was October 11th of 73

162
00:08:19,230 --> 00:08:16,660
we got up went to work so when we went

163
00:08:21,180 --> 00:08:19,240

to work we got our paperwork filled out

164

00:08:23,640 --> 00:08:21,190

and got brass tin and got straightened

165

00:08:26,490 --> 00:08:23,650

out and did it work till about five

166

00:08:28,710 --> 00:08:26,500

o'clock that day and we got off Charlie

167

00:08:31,530 --> 00:08:28,720

said you know instead of going home and

168

00:08:33,120 --> 00:08:31,540

eating and cleaning up and being bored

169

00:08:34,610 --> 00:08:33,130

all this time let's go do a little

170

00:08:38,940 --> 00:08:34,620

fishing we hadn't done that in a while

171

00:08:40,680 --> 00:08:38,950

so we decided to go fishing we went to

172

00:08:44,060 --> 00:08:40,690

his house of course I didn't have my

173

00:08:46,770 --> 00:08:44,070

fishing equipment and I borrow you know

174

00:08:48,540 --> 00:08:46,780

normally people from the South don't use

175

00:08:51,030 --> 00:08:48,550

each other's fishing equipment that's

176
00:08:53,670 --> 00:08:51,040
just unheard of and don't happen but in

177
00:08:58,020 --> 00:08:53,680
this case I went ahead being I knew him

178
00:09:01,170 --> 00:08:58,030
and agreed more histo and we went to a

179
00:09:03,180 --> 00:09:01,180
place called do saltpeter shipyard which

180
00:09:05,550 --> 00:09:03,190
used to be an old grain elevator that

181
00:09:08,310 --> 00:09:05,560
where they unloaded the ships and the

182
00:09:09,780 --> 00:09:08,320
grain would fall off the shelves and the

183
00:09:12,780 --> 00:09:09,790
fish would come up meet the grain you

184
00:09:14,670 --> 00:09:12,790
can usually catch a lot of fish now this

185
00:09:16,860 --> 00:09:14,680
is my first time going but I'd heard

186
00:09:19,950 --> 00:09:16,870
Charlie talk about it a good deal I was

187
00:09:21,750 --> 00:09:19,960
kind of excited about getting there so

188
00:09:24,240 --> 00:09:21,760

when we pulled up and I looked at the

189

00:09:26,760 --> 00:09:24,250

location I thought back in my mind why

190

00:09:28,410 --> 00:09:26,770

in the world why would somebody want to

191

00:09:31,350 --> 00:09:28,420

walk through this mess because it was

192

00:09:34,139 --> 00:09:31,360

trash everywhere no refrigerators and

193

00:09:36,990 --> 00:09:34,149

a lot of oak debris sold out in this

194

00:09:39,660 --> 00:09:37,000

marsh grass and I said where this just

195

00:09:41,490 --> 00:09:39,670

comes with the territory so we got out

196

00:09:44,250 --> 00:09:41,500

of the car got our equipment if we walk

197

00:09:46,590 --> 00:09:44,260

down to the edge of the river it took it

198

00:09:52,050 --> 00:09:46,600

was about a foot but length of a

199

00:09:56,400 --> 00:09:52,060

football field about 300 yards where we

200

00:09:58,350 --> 00:09:56,410

had to fish from the car and there was

201
00:10:00,509 --> 00:09:58,360
no way to drive down there because of

202
00:10:04,460 --> 00:10:00,519
all that so it took a little while to

203
00:10:09,389 --> 00:10:04,470
walk down because of the debris we owe

204
00:10:11,759 --> 00:10:09,399
got to the river and we made it up

205
00:10:14,340 --> 00:10:11,769
cashed it out pulled up an old log on a

206
00:10:17,670 --> 00:10:14,350
steel pier and I was looking across the

207
00:10:20,490 --> 00:10:17,680
river and I was looking at a Coast Guard

208
00:10:22,680 --> 00:10:20,500
Cutter and I was thinking to myself how

209
00:10:26,430 --> 00:10:22,690
in the world does something made out of

210
00:10:28,800 --> 00:10:26,440
steel float and that's what I was

211
00:10:31,470 --> 00:10:28,810
thinking woman the blue lights come

212
00:10:33,360 --> 00:10:31,480
across from behind me across the top of

213
00:10:38,040 --> 00:10:33,370

my head and reflected out across the

214

00:10:39,960 --> 00:10:38,050

water I thought Lord the law was here to

215

00:10:42,990 --> 00:10:39,970

make us move because we got to be

216

00:10:44,819 --> 00:10:43,000

trespassing on his property but they

217

00:10:47,160 --> 00:10:44,829

don't have to get down here so that's a

218

00:10:49,829 --> 00:10:47,170

big act but I was sitting there watching

219

00:10:52,800 --> 00:10:49,839

them blue lights reflecting from behind

220

00:10:54,480 --> 00:10:52,810

us across that water so we both stood up

221

00:10:56,579 --> 00:10:54,490

about the same time because that's how

222

00:10:59,699 --> 00:10:56,589

bright the lights were looked around and

223

00:11:03,660 --> 00:10:59,709

then when we did that the lights got so

224

00:11:06,150 --> 00:11:03,670

bright it was blinding and I knew right

225

00:11:07,889 --> 00:11:06,160

then it couldn't be the law because back

226

00:11:13,230 --> 00:11:07,899

in the seventies there wasn't any lights

227

00:11:15,689 --> 00:11:13,240

how bright then that I knew of so but

228

00:11:19,019 --> 00:11:15,699

what had happened or what I figure had

229

00:11:21,329 --> 00:11:19,029

happened the door must have opened up on

230

00:11:23,280 --> 00:11:21,339

this craft and we still didn't know what

231

00:11:25,800 --> 00:11:23,290

it was because it was blinded it was

232

00:11:28,410 --> 00:11:25,810

just like throwing lots in your eyes and

233

00:11:29,780 --> 00:11:28,420

that dark and just kind of blocks your

234

00:11:35,340 --> 00:11:29,790

vision there for a minute

235

00:11:39,730 --> 00:11:35,350

so in just a few seconds and it didn't

236

00:11:41,830 --> 00:11:39,740

take long we noticed three three

237

00:11:44,290 --> 00:11:41,840

figures approaching us we still could

238

00:11:47,770 --> 00:11:44,300

make out what it was until they got a

239

00:11:49,890 --> 00:11:47,780

little closer but I in my mind I was

240

00:11:52,690 --> 00:11:49,900

sitting here thinking I how did they get

241

00:11:54,870 --> 00:11:52,700

illness that quick you know it took us a

242

00:11:57,220 --> 00:11:54,880

long time to walk through all this mess

243

00:12:00,870 --> 00:11:57,230

but what they were doing that was

244

00:12:03,700 --> 00:12:00,880

floating about two foot off the ground

245

00:12:04,420 --> 00:12:03,710

across the top of that marsh grass and

246

00:12:07,060 --> 00:12:04,430

the debris

247

00:12:09,430 --> 00:12:07,070

well they floated right up and we see

248

00:12:12,310 --> 00:12:09,440

there was a mistake right then we should

249

00:12:14,230 --> 00:12:12,320

have run or tried to run but it was

250

00:12:16,180 --> 00:12:14,240

nowhere to run there was water on the

251
00:12:18,370 --> 00:12:16,190
Left watering the right and water dead

252
00:12:20,320 --> 00:12:18,380
in front of us and it had all trash and

253
00:12:24,100 --> 00:12:20,330
debris and the water old steel pilings

254
00:12:25,510 --> 00:12:24,110
and stuff so two of them got ahold of

255
00:12:28,060 --> 00:12:25,520
Charlie and one of them got ahold of

256
00:12:32,070 --> 00:12:28,070
myself well this is the last time I st.

257
00:12:37,630 --> 00:12:35,110
immediately when they got ahold of it

258
00:12:39,850 --> 00:12:37,640
felt like a little puncher in my arm and

259
00:12:43,330 --> 00:12:39,860
that's when they must have be ejected

260
00:12:45,160 --> 00:12:43,340
something or if they're like you might

261
00:12:48,250 --> 00:12:45,170
inject you something because I got real

262
00:12:50,470 --> 00:12:48,260
relaxed no the fear just kinda left

263
00:12:55,120 --> 00:12:50,480

right there because up until that minute

264

00:12:58,990 --> 00:12:55,130

I was kind of afraid but uh when I felt

265

00:13:02,230 --> 00:12:59,000

that plunger then we automatically just

266

00:13:04,810 --> 00:13:02,240

automatically lifted us up and I was

267

00:13:08,110 --> 00:13:04,820

thinking to myself Nike think clean and

268

00:13:10,360 --> 00:13:08,120

I can see but I couldn't turn my head no

269

00:13:13,420 --> 00:13:10,370

way or I could couldn't move anything on

270

00:13:15,550 --> 00:13:13,430

my body so this thing were we

271

00:13:16,990 --> 00:13:15,560

automatically came up a couple of foot

272

00:13:19,510 --> 00:13:17,000

off the ground was gliding through the

273

00:13:21,340 --> 00:13:19,520

crowd and I was thinking to myself how

274

00:13:24,640 --> 00:13:21,350

come it's didn't break my arm if he

275

00:13:26,650 --> 00:13:24,650

cooked me up but it didn't take but a

276

00:13:30,010 --> 00:13:26,660

second for us to get to the craft and

277

00:13:30,730 --> 00:13:30,020

we'll went in he took a left turn with

278

00:13:33,280 --> 00:13:30,740

me now

279

00:13:35,170 --> 00:13:33,290

keep in mind I still couldn't turn my

280

00:13:37,870 --> 00:13:35,180

head to look because I wanted to see if

281

00:13:40,420 --> 00:13:37,880

Charlie was around say what was going on

282

00:13:42,610 --> 00:13:40,430

with him and then he took another little

283

00:13:47,230 --> 00:13:42,620

right and put me in a room and in here

284

00:13:49,750 --> 00:13:47,240

on a table so now I say he put me on the

285

00:13:52,809 --> 00:13:49,760

table I've never seen the table but I

286

00:13:55,710 --> 00:13:52,819

could tell well actually

287

00:13:58,329 --> 00:13:55,720

I couldn't feel the table I was living

288

00:14:02,439 --> 00:13:58,339

levitating there and I figured I was on

289

00:14:05,259 --> 00:14:02,449

the table about a 45 degree angles and

290

00:14:07,269 --> 00:14:05,269

then there's something look like a deck

291

00:14:09,789 --> 00:14:07,279

of cards about the size of a deck of

292

00:14:12,189 --> 00:14:09,799

cards came out of the wall I have a

293

00:14:14,529 --> 00:14:12,199

seedling and then went down and stopped

294

00:14:17,499 --> 00:14:14,539

right between my eyes about a foot

295

00:14:21,129 --> 00:14:17,509

between miles and it rotated around my

296

00:14:23,710 --> 00:14:21,139

head it went around one full term but it

297

00:14:26,739 --> 00:14:23,720

clicked on each side of my head and in

298

00:14:28,629 --> 00:14:26,749

front in the back about four times and

299

00:14:32,499 --> 00:14:28,639

then it went right back up in the

300

00:14:35,979 --> 00:14:32,509

ceiling and that's when though I noticed

301
00:14:38,489 --> 00:14:35,989
there was a different Hall being other

302
00:14:41,769 --> 00:14:38,499
than what I call the big ugly creature

303
00:14:45,219 --> 00:14:41,779
it was a different one came out and I

304
00:14:48,069 --> 00:14:45,229
don't know but as male or female it was

305
00:14:51,279 --> 00:14:48,079
more of a and what this frightening is

306
00:14:53,489 --> 00:14:51,289
what had come in and I would call it a

307
00:14:56,769 --> 00:14:53,499
female because it was feminine looking

308
00:15:00,460 --> 00:14:56,779
but came out and took her hands or its

309
00:15:01,299 --> 00:15:00,470
hands and pulled on my cheeks look down

310
00:15:03,789 --> 00:15:01,309
my throat

311
00:15:07,239 --> 00:15:03,799
and run her finger down in the back of

312
00:15:09,219 --> 00:15:07,249
my throat and took it out and I didn't

313
00:15:11,919 --> 00:15:09,229

feel no feelings on the fingers I don't

314

00:15:13,869 --> 00:15:11,929

know they was warm or cold but I

315

00:15:16,299 --> 00:15:13,879

couldn't feel nothing and then the fear

316

00:15:18,279 --> 00:15:16,309

started coming back to me and I was

317

00:15:21,099 --> 00:15:18,289

laying there you know I was starting to

318

00:15:25,599 --> 00:15:21,109

come out of the little bit of trance I

319

00:15:29,049 --> 00:15:25,609

was in and I distinctly remember it was

320

00:15:32,469 --> 00:15:29,059

just like she had talked or said

321

00:15:35,799 --> 00:15:32,479

something don't be afraid and but her

322

00:15:37,359 --> 00:15:35,809

lips never moved and it kind of calmed

323

00:15:40,419 --> 00:15:37,369

me down for a minute we're not gonna

324

00:15:43,359 --> 00:15:40,429

hurt you don't be afraid and then she

325

00:15:45,939 --> 00:15:43,369

turned around and went back up to the

326

00:15:48,309 --> 00:15:45,949

another room or somewhere cuz I didn't

327

00:15:50,259 --> 00:15:48,319

see her no more and the old big ugly

328

00:15:52,569 --> 00:15:50,269

wouldn't come back in there carried us

329

00:15:55,449 --> 00:15:52,579

back out to the river or carried me back

330

00:15:57,909 --> 00:15:55,459

out set me down in front of the river my

331

00:16:00,039 --> 00:15:57,919

orange was stretched out of pacing the

332

00:16:02,470 --> 00:16:00,049

river and that's when I heard Charlie's

333

00:16:06,009 --> 00:16:02,480

again Charlie said kalvin kalvin you

334

00:16:06,460 --> 00:16:06,019

okay son you okay and that kind of

335

00:16:08,440 --> 00:16:06,470

brought me

336

00:16:11,140 --> 00:16:08,450

and I turn around and watched and I

337

00:16:13,630 --> 00:16:11,150

heard the craft just kind of pick up and

338

00:16:16,180 --> 00:16:13,640

leave then it made of zipping noise and

339

00:16:17,830 --> 00:16:16,190

when it come up off the ground it was

340

00:16:20,070 --> 00:16:17,840

gone I mean you couldn't see it no more

341

00:16:23,910 --> 00:16:20,080

just disappeared

342

00:16:30,550 --> 00:16:23,920

well now Calvin when they picked you up

343

00:16:33,220 --> 00:16:30,560

you know bodily what did their flesh

344

00:16:35,460 --> 00:16:33,230

feel like could you tell I've been

345

00:16:38,200 --> 00:16:35,470

getting a feeling as to what they were

346

00:16:40,060 --> 00:16:38,210

composition might have been I couldn't

347

00:16:43,090 --> 00:16:40,070

feel nothing I

348

00:16:43,780 --> 00:16:43,100

as far as failing their flesh either one

349

00:16:46,780 --> 00:16:43,790

of them you know

350

00:16:49,510 --> 00:16:46,790

Avery the big the big when they come out

351

00:16:52,330 --> 00:16:49,520

and got me I think it was all more

352

00:16:56,110 --> 00:16:52,340

robotic robot anything anything because

353

00:16:58,660 --> 00:16:56,120

he just moved a lot mechanical wise no

354

00:17:02,260 --> 00:16:58,670

no is this the what is this the one that

355

00:17:04,510 --> 00:17:02,270

I referred to is the mummy yeah kinda

356

00:17:10,270 --> 00:17:04,520

look kind of looks like a mummy right it

357

00:17:12,250 --> 00:17:10,280

may at ha hey I had a painting I might

358

00:17:14,920 --> 00:17:12,260

still have it in the the closet here

359

00:17:16,930 --> 00:17:14,930

somewhere and if I ever find it out said

360

00:17:19,690 --> 00:17:16,940

that to its rightful owner which is

361

00:17:24,150 --> 00:17:19,700

probably you that was done while you

362

00:17:28,270 --> 00:17:24,160

were under hypnosis by Curtis Watkins

363

00:17:31,840 --> 00:17:28,280

rod yeah okay anyway sure you know we

364

00:17:33,520 --> 00:17:31,850

yet to me it always looked like I always

365

00:17:36,670 --> 00:17:33,530

say the mummies were Avenger or

366

00:17:40,360 --> 00:17:36,680

something like that you know could you

367

00:17:42,880 --> 00:17:40,370

tell how did it have substance though I

368

00:17:44,950 --> 00:17:42,890

mean did it feel you say it felt more

369

00:17:47,740 --> 00:17:44,960

like it was real better robotic than it

370

00:17:50,650 --> 00:17:47,750

was flesh and blood yeah the movement

371

00:17:53,650 --> 00:17:50,660

was now I could see it but I couldn't

372

00:17:56,020 --> 00:17:53,660

feel nothing you know you'd figure you'd

373

00:17:58,540 --> 00:17:56,030

feel maybe the heat off their body or

374

00:18:00,370 --> 00:17:58,550

their skin when it raked on you you know

375

00:18:02,560 --> 00:18:00,380

I was thinking it probably felt like a

376

00:18:04,180 --> 00:18:02,570

pair of gloves but I don't know yeah I

377

00:18:07,600 --> 00:18:04,190

didn't feel nothing except for that

378

00:18:10,210 --> 00:18:07,610

puncher in my arm at the time and later

379

00:18:12,790 --> 00:18:10,220

on they confirmed that it was probably a

380

00:18:14,950 --> 00:18:12,800

shot that they gave you some kind or an

381

00:18:18,600 --> 00:18:14,960

injection they

382

00:18:23,200 --> 00:18:18,610

it's a shock but some kind of injection

383

00:18:24,610 --> 00:18:23,210

now okay what once the episode was was

384

00:18:26,799 --> 00:18:24,620

finished and done with and I know you

385

00:18:29,320 --> 00:18:26,809

spent the night and in the cell with the

386

00:18:31,960 --> 00:18:29,330

Charlie and we'll get to that but did

387

00:18:34,299 --> 00:18:31,970

you feel that this the shot that they

388

00:18:37,769 --> 00:18:34,309

give you gave you did it have any effect

389

00:18:41,529 --> 00:18:37,779

at all on your body that you know it

390

00:18:44,200 --> 00:18:41,539

calmed me down I it must have been kind

391

00:18:46,180 --> 00:18:44,210

of like a tranquilizer or something and

392

00:18:49,480 --> 00:18:46,190

I'm just guessing at this I don't know

393

00:18:52,419 --> 00:18:49,490

for sure but uh you know I was scared

394

00:18:54,940 --> 00:18:52,429

anybody would be secured right then but

395

00:18:57,310 --> 00:18:54,950

then when they grabbed me enough and

396

00:19:01,090 --> 00:18:57,320

actually I heard something like a shot

397

00:19:03,460 --> 00:19:01,100

of air going to my arm and it was real

398

00:19:05,440 --> 00:19:03,470

sore for day or two after day but it

399

00:19:06,820 --> 00:19:05,450

just kind of really calmed me down but

400

00:19:10,419 --> 00:19:06,830

it was something that didn't last

401
00:19:12,340 --> 00:19:10,429
because from the time we went inside the

402
00:19:14,669 --> 00:19:12,350
craft you know it was starting to wear

403
00:19:19,799 --> 00:19:14,679
off when this other creature was all

404
00:19:23,470 --> 00:19:19,809
examining me now do you think okay how

405
00:19:25,389 --> 00:19:23,480
from outside how large was the craft

406
00:19:30,549 --> 00:19:25,399
would you say Alan let's say compared to

407
00:19:35,019 --> 00:19:30,559
an automobile or was it a 747 no it

408
00:19:37,240 --> 00:19:35,029
wasn't the size of a 747 it was old it's

409
00:19:40,090 --> 00:19:37,250
really just hard to tell because life

410
00:19:44,529 --> 00:19:40,100
was so bright coming off but it was all

411
00:19:47,380 --> 00:19:44,539
I don't know probably I'm gonna say a

412
00:19:50,350 --> 00:19:47,390
hundred fifty foot long

413
00:19:52,510 --> 00:19:50,360

I don't know how wide it was but it was

414

00:19:55,810 --> 00:19:52,520

somewhere in that area you know I don't

415

00:19:57,519 --> 00:19:55,820

exactly know yeah well now it obviously

416

00:20:00,220 --> 00:19:57,529

was made up of various compartments

417

00:20:03,460 --> 00:20:00,230

inside would you say that the dimensions

418

00:20:04,990 --> 00:20:03,470

inside were different than you would

419

00:20:07,990 --> 00:20:05,000

imagine it when compared to what you saw

420

00:20:10,180 --> 00:20:08,000

from the outside actually from what I

421

00:20:12,039 --> 00:20:10,190

seen inside you know they just took me

422

00:20:13,779 --> 00:20:12,049

in the hallway and then they made a

423

00:20:17,139 --> 00:20:13,789

little left and they went into a little

424

00:20:21,850 --> 00:20:17,149

small a smaller room and I'm gonna say

425

00:20:24,669 --> 00:20:21,860

the room was probably like a 12 by 12 or

426

00:20:26,950 --> 00:20:24,679

10 but twelve or something like that but

427

00:20:28,960 --> 00:20:26,960

I didn't see any doors or nothing

428

00:20:32,649 --> 00:20:28,970

room and I know she come out of them

429

00:20:34,360 --> 00:20:32,659

come out of something but then again you

430

00:20:37,419 --> 00:20:34,370

know I couldn't turn my head and really

431

00:20:39,940 --> 00:20:37,429

get a good look all I know is I look for

432

00:20:41,440 --> 00:20:39,950

some wall or some light fixtures when I

433

00:20:43,899 --> 00:20:41,450

went in because the lights were so

434

00:20:46,149 --> 00:20:43,909

bright and I said well maybe you know

435

00:20:48,519 --> 00:20:46,159

I'll see some light fixtures in here can

436

00:20:50,529 --> 00:20:48,529

make something male but the lights was

437

00:20:52,149 --> 00:20:50,539

coming out of the wall like a like it

438

00:20:55,720 --> 00:20:52,159

was in the paint or something I'll only

439

00:20:59,440 --> 00:20:55,730

made now the walls and I've never dated

440

00:21:01,960 --> 00:20:59,450

that out what do you figure charlie was

441

00:21:03,970 --> 00:21:01,970

now why did they separate the two of you

442

00:21:07,750 --> 00:21:03,980

do you think and his story is slightly

443

00:21:10,060 --> 00:21:07,760

different obviously than yours I don't

444

00:21:12,659 --> 00:21:10,070

know why they might have separated just

445

00:21:14,980 --> 00:21:12,669

and you know to be honest with you

446

00:21:17,110 --> 00:21:14,990

Charlie's got a book out and I never

447

00:21:19,480 --> 00:21:17,120

read the book or I never really talked

448

00:21:21,760 --> 00:21:19,490

to Charlie about what we'll know because

449

00:21:23,560 --> 00:21:21,770

once we got out of this craft and went

450

00:21:26,350 --> 00:21:23,570

through what we did for the next two or

451
00:21:29,320 --> 00:21:26,360
three days we was pretty well separated

452
00:21:31,539 --> 00:21:29,330
except for our drive home and all so we

453
00:21:33,700 --> 00:21:31,549
never really talked about this the only

454
00:21:35,889 --> 00:21:33,710
thing we was telling each other don't

455
00:21:37,690 --> 00:21:35,899
tell nobody you know I said Charlie

456
00:21:39,460 --> 00:21:37,700
please don't mention this I don't want

457
00:21:41,649 --> 00:21:39,470
nobody to know I was even involved in

458
00:21:43,000 --> 00:21:41,659
none of this and he kept saying well

459
00:21:45,370 --> 00:21:43,010
I've got to tell somebody

460
00:21:47,950 --> 00:21:45,380
I'm gonna call Keesler and Keesler as

461
00:21:50,700 --> 00:21:47,960
the local air force base in Biloxi

462
00:21:53,320 --> 00:21:50,710
Mississippi and that's who he called and

463
00:21:54,940 --> 00:21:53,330

they told him to call the local

464

00:21:58,480 --> 00:21:54,950

authorities which would be the Sheriff's

465

00:22:00,399 --> 00:21:58,490

Department and that's that's where we

466

00:22:02,380 --> 00:22:00,409

messed up I guess because they must have

467

00:22:05,470 --> 00:22:02,390

told somebody or somebody was listening

468

00:22:07,539 --> 00:22:05,480

in on a scammer or something and Hurley

469

00:22:10,350 --> 00:22:07,549

because back in there were no cell

470

00:22:13,090 --> 00:22:10,360

phones or anything just oh I know

471

00:22:17,019 --> 00:22:13,100

did did you did you drive over to the

472

00:22:19,450 --> 00:22:17,029

police station I did well what what

473

00:22:22,570 --> 00:22:19,460

actually happened when we left the same

474

00:22:25,480 --> 00:22:22,580

now when I got back to the car that was

475

00:22:27,100 --> 00:22:25,490

a brand-new dolore 73 Rambler Hornet I

476

00:22:30,480 --> 00:22:27,110

had just got that little car and it was

477

00:22:32,919 --> 00:22:30,490

new and the windows was shattered on the

478

00:22:36,190 --> 00:22:32,929

passenger side of the car cuz that was

479

00:22:38,860 --> 00:22:36,200

the side facing the craft and we got in

480

00:22:40,649 --> 00:22:38,870

a car and OH trying to crank it they

481

00:22:43,440 --> 00:22:40,659

wouldn't crank for

482

00:22:45,450 --> 00:22:43,450

probably 15 minutes and I can remember

483

00:22:46,710 --> 00:22:45,460

being amazed that the battery would

484

00:22:49,859 --> 00:22:46,720

stand up that long

485

00:22:53,820 --> 00:22:49,869

oh trying to crank it but it eventually

486

00:22:55,919 --> 00:22:53,830

got busted off and it didn't run real

487

00:22:58,799 --> 00:22:55,929

good for a little while but it leveled

488

00:23:00,599 --> 00:22:58,809

out and we made it to a store and that's

489

00:23:03,570 --> 00:23:00,609

word charlie made the phone call to

490

00:23:05,639 --> 00:23:03,580

Keisler and they told him call the local

491

00:23:07,289 --> 00:23:05,649

authorities and he called the sheriff's

492

00:23:09,570 --> 00:23:07,299

department and they said y'all don't go

493

00:23:11,249 --> 00:23:09,580

nowhere just sit right there will y'all

494

00:23:15,239 --> 00:23:11,259

I guess they thought we was drinking

495

00:23:19,830 --> 00:23:15,249

right just leave your leave your beer on

496

00:23:23,820 --> 00:23:19,840

the shelf right in yeah time to had

497

00:23:25,409 --> 00:23:23,830

wanted weird one alright well that's a

498

00:23:27,690 --> 00:23:25,419

that's an incredible story and it

499

00:23:31,259 --> 00:23:27,700

certainly made a quite a bit of

500

00:23:32,909 --> 00:23:31,269

attention how long before the the actual

501
00:23:35,909 --> 00:23:32,919
incident made it into the newspapers

502
00:23:39,690 --> 00:23:35,919
would it have been two days later no the

503
00:23:42,539 --> 00:23:39,700
next morning and if I waited it probably

504
00:23:45,330 --> 00:23:42,549
made it into it that night if I had been

505
00:23:47,549 --> 00:23:45,340
around a newspaper or something but

506
00:23:50,399 --> 00:23:47,559
alright alright gentlemen

507
00:23:52,169 --> 00:23:50,409
yep yep yep go ahead it's our first

508
00:23:54,269 --> 00:23:52,179
break of the evening so do we come back

509
00:24:01,210 --> 00:23:54,279
we'll continue our conversation with

510
00:24:07,940 --> 00:24:05,390
now back to exploring the bazaar with

511
00:24:11,270 --> 00:24:07,950
two of the most electrifying researchers

512
00:24:14,920 --> 00:24:11,280
in the Paranoid your hosts Timothy Becca

513
00:24:20,990 --> 00:24:17,840

and welcome back to exploring the bazaar

514

00:24:25,850 --> 00:24:21,000

so templates bring a Jerome Clark into

515

00:24:28,510 --> 00:24:25,860

the conversation and Jerome as similarly

516

00:24:30,680 --> 00:24:28,520

no okay all right well thank you and

517

00:24:34,190 --> 00:24:30,690

it's it's great to have you back on the

518

00:24:37,550 --> 00:24:34,200

show by the way as Tim alluded to

519

00:24:42,020 --> 00:24:37,560

earlier in the program you two knew each

520

00:24:45,290 --> 00:24:42,030

other when you were teenagers so I mean

521

00:24:48,200 --> 00:24:45,300

what what got you interested in the the

522

00:24:51,530 --> 00:24:48,210

whole UFO subject to begin with oh I

523

00:24:55,070 --> 00:24:51,540

read a book that's probably where those

524

00:24:58,220 --> 00:24:55,080

of us who got seriously active in you

525

00:25:00,680 --> 00:24:58,230

know organized ufology most of us got

526

00:25:03,280 --> 00:25:00,690

started most of us our generation got

527

00:25:05,900 --> 00:25:03,290

started reading the book report

528

00:25:09,530 --> 00:25:05,910

unidentified flying objects by Edward

529

00:25:12,530 --> 00:25:09,540

Group else who was the chief of project

530

00:25:15,320 --> 00:25:12,540

Bluebook in the early 1950s and he wrote

531

00:25:18,020 --> 00:25:15,330

this book which was published in 1956 it

532

00:25:19,910 --> 00:25:18,030

was really rare among the books

533

00:25:22,370 --> 00:25:19,920

published at the period of first of all

534

00:25:25,160 --> 00:25:22,380

just telling a lot of stuff that the Air

535

00:25:27,650 --> 00:25:25,170

Force had done well it was investigating

536

00:25:31,310 --> 00:25:27,660

UFOs in the late 40s early 50s stuff

537

00:25:33,260 --> 00:25:31,320

that wasn't generally known and Bru pal

538

00:25:36,950 --> 00:25:33,270

wrote this book in the tone of a

539

00:25:39,410 --> 00:25:36,960

completely rational open-minded guy and

540

00:25:41,780 --> 00:25:39,420

so you read the book and it I liked a

541

00:25:44,540 --> 00:25:41,790

lot of the UFO literature and then and

542

00:25:46,790 --> 00:25:44,550

how it was you know I didn't insult your

543

00:25:49,460 --> 00:25:46,800

intelligence it just got down to really

544

00:25:57,830 --> 00:25:49,470

what the questions are what the evidence

545

00:26:04,490 --> 00:25:57,840

is and and he kind of let you make up

546

00:26:08,200 --> 00:26:04,500

your own mind but we know now that group

547

00:26:10,490 --> 00:26:08,210

al was deeply skeptical Beautiful's but

548

00:26:12,830 --> 00:26:10,500

apparently he figured that if he brought

549

00:26:14,629 --> 00:26:12,840

a book like that it wouldn't sell

550

00:26:16,879 --> 00:26:14,639

mm-hmm but in any case it's still a

551

00:26:20,659 --> 00:26:16,889

pretty good book it's got a lot of us

552

00:26:26,239 --> 00:26:20,669

hooked and Tim I don't know if you're if

553

00:26:28,820 --> 00:26:26,249

you're back on Mike I mean did did you

554

00:26:30,649 --> 00:26:28,830

you think and and you know Jerry can you

555

00:26:34,430 --> 00:26:30,659

know comment on this too when it comes

556

00:26:40,129 --> 00:26:34,440

back that you know when you started all

557

00:26:43,070 --> 00:26:40,139

of this that here it is how many years

558

00:26:50,269 --> 00:26:43,080

later that you would still be involved

559

00:26:54,619 --> 00:26:50,279

in UFOs this you know considering all of

560

00:26:57,710 --> 00:26:54,629

the things that has happened you know in

561

00:27:01,989 --> 00:26:57,720

between when you started and now and it

562

00:27:05,570 --> 00:27:01,999

seems to me that a lot of the stuff is

563

00:27:11,799 --> 00:27:05,580

is is still the same it hasn't changed a

564

00:27:14,269 --> 00:27:11,809

lot you know as as Jerry pointed out a

565

00:27:18,289 --> 00:27:14,279

lot of the books that were being written

566

00:27:21,609 --> 00:27:18,299

at the time are pretty sensational and I

567

00:27:26,899 --> 00:27:21,619

think that you know the same can be said

568

00:27:29,930 --> 00:27:26,909

today so I mean you know not for our

569

00:27:31,879 --> 00:27:29,940

title certainly no no no no but I mean

570

00:27:36,169 --> 00:27:31,889

yeah you know what I you know what I'm

571

00:27:39,499 --> 00:27:36,179

talking about yeah but did you think do

572

00:27:43,700 --> 00:27:39,509

I love you I mean do you think that you

573

00:27:45,590 --> 00:27:43,710

do that looking back that when you were

574

00:27:47,899 --> 00:27:45,600

teenagers that you would still be at

575

00:27:49,850 --> 00:27:47,909

this you know how many years later you

576
00:27:56,810 --> 00:27:49,860
know five or six years since you started

577
00:27:59,659 --> 00:27:56,820
I don't think that we were thinking long

578
00:28:02,749 --> 00:27:59,669
term we just stumbled into this it was

579
00:28:05,419 --> 00:28:02,759
fascinating and it was fun and he

580
00:28:07,820 --> 00:28:05,429
started meeting other people like other

581
00:28:09,799 --> 00:28:07,830
young people in those days we're

582
00:28:11,239 --> 00:28:09,809
interested in you glad to get to know

583
00:28:15,320 --> 00:28:11,249
people from other parts of the country

584
00:28:19,039 --> 00:28:15,330
and Tim was publishing even then and I

585
00:28:21,499 --> 00:28:19,049
was the like the associate editor of one

586
00:28:25,880 --> 00:28:21,509
of his newsletters you corrected my

587
00:28:30,980 --> 00:28:29,600
and yeah we had a good time but we did I

588
00:28:33,350 --> 00:28:30,990

don't think we were thinking long-term

589

00:28:36,230 --> 00:28:33,360

we were just living day to day and you

590

00:28:38,000 --> 00:28:36,240

know I think I can't speak for Tim but I

591

00:28:39,560 --> 00:28:38,010

don't think he would object when I say

592

00:28:42,680 --> 00:28:39,570

that I think both of us are kind of

593

00:28:45,289 --> 00:28:42,690

shocked all these years later here we

594

00:28:46,880 --> 00:28:45,299

are still talking about this thinking

595

00:28:51,740 --> 00:28:46,890

about it trying to make sense of it and

596

00:28:53,960 --> 00:28:51,750

writing about it well okay do you do you

597

00:28:56,410 --> 00:28:53,970

think that much has changed you know in

598

00:28:59,900 --> 00:28:56,420

the whole field from from then to now

599

00:29:02,860 --> 00:28:59,910

well yes and no what one thing remains

600

00:29:04,310 --> 00:29:02,870

constant the phenomenon remains beyond

601
00:29:06,710 --> 00:29:04,320
human knowledge

602
00:29:09,200 --> 00:29:06,720
we just don't know you know the longer

603
00:29:10,580 --> 00:29:09,210
we when we started out I think we all

604
00:29:14,150 --> 00:29:10,590
thought that it was going to be solved

605
00:29:16,159 --> 00:29:14,160
in a few years and then the longer we

606
00:29:19,310 --> 00:29:16,169
were with us a longer we looked at more

607
00:29:22,909 --> 00:29:19,320
complicated God and the stranger it got

608
00:29:26,060 --> 00:29:22,919
and new elements were continually being

609
00:29:29,140 --> 00:29:26,070
added we started with this just core of

610
00:29:32,710 --> 00:29:29,150
what we now call daylight disks

611
00:29:35,210 --> 00:29:32,720
sometimes tracked on radar seen by

612
00:29:38,900 --> 00:29:35,220
reliable people so it seemed as if there

613
00:29:41,180 --> 00:29:38,910

was really a core of mystery there but

614

00:29:44,000 --> 00:29:41,190

over time it just got stranger and

615

00:29:45,919 --> 00:29:44,010

stranger and yes it did change it got

616

00:29:49,010 --> 00:29:45,929

more impenetrable it got harder and

617

00:29:52,250 --> 00:29:49,020

harder to understand to get a grasp on

618

00:29:55,340 --> 00:29:52,260

and we all ran down what turned out to

619

00:29:57,860 --> 00:29:55,350

be blind alleys and if we were paying

620

00:29:59,750 --> 00:29:57,870

attention we had to change our mind as

621

00:30:02,600 --> 00:29:59,760

there's new data and new possibilities

622

00:30:05,330 --> 00:30:02,610

new theories came to light so you know

623

00:30:07,159 --> 00:30:05,340

it's bent me in particularly my later

624

00:30:09,980 --> 00:30:07,169

years I look back on it's just been a

625

00:30:14,510 --> 00:30:09,990

great intellectual challenge it's just

626

00:30:17,180 --> 00:30:14,520

you know it's just very strange and it

627

00:30:20,600 --> 00:30:17,190

has taught me if nothing else that just

628

00:30:23,450 --> 00:30:20,610

the kind of hidden dimensions of of life

629

00:30:25,280 --> 00:30:23,460

and history and given me kind of a much

630

00:30:29,299 --> 00:30:25,290

fuller and richer sense of the

631

00:30:34,190 --> 00:30:29,309

possibilities of this world so now

632

00:30:38,419 --> 00:30:34,200

looking at Calvin's story which which

633

00:30:39,710 --> 00:30:38,429

took place in 1973 that was a very

634

00:30:42,919 --> 00:30:39,720

interesting year for

635

00:30:46,390 --> 00:30:42,929

UFOs in the United States yeah

636

00:30:49,520 --> 00:30:46,400

particularly that month October 1973

637

00:30:53,120 --> 00:30:49,530

which was the beginning of perhaps the

638

00:30:56,029 --> 00:30:53,130

last great American wave the phenomenon

639

00:30:58,220 --> 00:30:56,039

had been characterized by a series of

640

00:31:01,039 --> 00:30:58,230

waves that would come on every two three

641

00:31:04,310 --> 00:31:01,049

years there'd be all kinds of sightings

642

00:31:06,350 --> 00:31:04,320

and then the wave would recede and

643

00:31:08,510 --> 00:31:06,360

sightings would continue they always

644

00:31:11,680 --> 00:31:08,520

continues but there are periods when

645

00:31:16,190 --> 00:31:11,690

they were just at seemingly incredible

646

00:31:18,350 --> 00:31:16,200

intensity in October 1973 was really the

647

00:31:21,260 --> 00:31:18,360

last one of them in the United States

648

00:31:24,560 --> 00:31:21,270

and then the phenomenon seems to have

649

00:31:26,840 --> 00:31:24,570

become more diffuse and it continued and

650

00:31:30,230 --> 00:31:26,850

people had experiences and sightings and

651
00:31:33,289 --> 00:31:30,240
radar continued tracking strange objects

652
00:31:36,200 --> 00:31:33,299
and people saw sometimes entities

653
00:31:39,970 --> 00:31:36,210
associated with with these phenomena and

654
00:31:42,890 --> 00:31:39,980
that went on but not in specifically

655
00:31:45,620 --> 00:31:42,900
wave form and that's one of the changes

656
00:31:47,960 --> 00:31:45,630
that have happened over the course of

657
00:31:50,570 --> 00:31:47,970
the phenomenon you know where you know

658
00:31:54,320 --> 00:31:50,580
we all know that public awareness of the

659
00:31:56,360 --> 00:31:54,330
UFO phenomenon began in June 1947 so we

660
00:31:58,640 --> 00:31:56,370
although it certainly was around before

661
00:32:00,049 --> 00:31:58,650
then the only people who seemed to know

662
00:32:01,880 --> 00:32:00,059
about it where the people had the

663
00:32:05,360 --> 00:32:01,890

experiences which were sometimes

664

00:32:07,940 --> 00:32:05,370

recorded in newspapers or journals or

665

00:32:10,640 --> 00:32:07,950

scientific publications but it wasn't

666

00:32:13,430 --> 00:32:10,650

until 1947 so when we talk about the UFO

667

00:32:16,880 --> 00:32:13,440

phenomenon we usually just for purposes

668

00:32:21,260 --> 00:32:16,890

of convenience began counting in late

669

00:32:24,799 --> 00:32:21,270

June 1947 so since 1947 no it hasn't all

670

00:32:28,970 --> 00:32:24,809

been the same it's been a steady

671

00:32:31,909 --> 00:32:28,980

addition of odder and odder and weirder

672

00:32:34,820 --> 00:32:31,919

elements and what started out as a

673

00:32:38,270 --> 00:32:34,830

seemingly solvable problem within

674

00:32:40,460 --> 00:32:38,280

current knowledge you're just a somewhat

675

00:32:41,539 --> 00:32:40,470

of something of a slight extension of

676

00:32:44,450 --> 00:32:41,549

current knowledge would be

677

00:32:46,909 --> 00:32:44,460

understandable and explainable when it

678

00:32:49,490 --> 00:32:46,919

started out people who were not thinking

679

00:32:52,039 --> 00:32:49,500

of UFOs from outer space that was an

680

00:32:53,139 --> 00:32:52,049

idea that really didn't take hold in the

681

00:32:56,409 --> 00:32:53,149

popular mind

682

00:32:58,690 --> 00:32:56,419

the early 1950s and in the early polling

683

00:33:01,989 --> 00:32:58,700

on the subject in the late summer of

684

00:33:02,979 --> 00:33:01,999

1947 people who thought these could be

685

00:33:06,369 --> 00:33:02,989

interplanetary

686

00:33:10,389 --> 00:33:06,379

flying objects that view was so rare it

687

00:33:12,549 --> 00:33:10,399

didn't even register the polls and so

688

00:33:14,349 --> 00:33:12,559

there was over time over the next few

689

00:33:17,229 --> 00:33:14,359

years there was this sort of process of

690

00:33:20,229 --> 00:33:17,239

elimination of the alternative theories

691

00:33:22,389 --> 00:33:20,239

because the first theory of course is

692

00:33:24,369 --> 00:33:22,399

always all it's all nonsense people are

693

00:33:27,399 --> 00:33:24,379

imagining this they're seeing familiar

694

00:33:29,139 --> 00:33:27,409

things and misunderstanding them but in

695

00:33:30,339 --> 00:33:29,149

the phenomenon continued some of these

696

00:33:32,289 --> 00:33:30,349

sightings particularly you know

697

00:33:35,139 --> 00:33:32,299

sightings by Air Force pilots and

698

00:33:38,139 --> 00:33:35,149

airline pilots you know some pretty

699

00:33:40,930 --> 00:33:38,149

reliable people it became clear that to

700

00:33:42,999 --> 00:33:40,940

those who were open-minded about it that

701
00:33:45,969 --> 00:33:43,009
this was a phenomenon that appeared to

702
00:33:49,749 --> 00:33:45,979
be technological and then it was clear

703
00:33:51,639 --> 00:33:49,759
that it wasn't an American technology it

704
00:33:55,629 --> 00:33:51,649
wasn't a Soviet technology it didn't

705
00:33:58,060 --> 00:33:55,639
seem to be anybody's technology and so

706
00:34:00,009 --> 00:33:58,070
finally by the process of elimination by

707
00:34:02,049 --> 00:34:00,019
the early 1950s people were starting to

708
00:34:05,070 --> 00:34:02,059
think about visitors from other planets

709
00:34:07,719 --> 00:34:05,080
and in those days that was Mars with the

710
00:34:10,569 --> 00:34:07,729
suspected planets because even the

711
00:34:14,109 --> 00:34:10,579
stronger thought in those days that Mars

712
00:34:16,299 --> 00:34:14,119
could Harbor intelligent life and we

713
00:34:18,909 --> 00:34:16,309

know of course that Mars does not and

714

00:34:20,680 --> 00:34:18,919

could not Harbor intelligent life but in

715

00:34:24,010 --> 00:34:20,690

those days is seeing the reasonable

716

00:34:27,129 --> 00:34:24,020

theory and that's kind of where we start

717

00:34:30,220 --> 00:34:27,139

with the awareness that UFOs are not

718

00:34:33,460 --> 00:34:30,230

ours they're not conventional they're

719

00:34:35,440 --> 00:34:33,470

not explainable and we've come a long

720

00:34:38,680 --> 00:34:35,450

way since we thought about flying

721

00:34:42,849 --> 00:34:38,690

saucers from Mars and now we have really

722

00:34:46,480 --> 00:34:42,859

my sense is in in my late years looking

723

00:34:49,359 --> 00:34:46,490

back at the suspect we're dealing with

724

00:34:54,159 --> 00:34:49,369

something that we have a hard time being

725

00:34:58,510 --> 00:34:54,169

conceptualizing yeah it always you know

726
00:35:02,470 --> 00:34:58,520
to me the early days of the modern UFO

727
00:35:05,589 --> 00:35:02,480
air as I like to call it from 1947

728
00:35:06,740 --> 00:35:05,599
onward you had these people who who

729
00:35:10,460 --> 00:35:06,750
claimed to have had

730
00:35:12,710 --> 00:35:10,470
encounters with the occupants of these

731
00:35:14,090 --> 00:35:12,720
crafts and you know the occupants would

732
00:35:18,140 --> 00:35:14,100
tell them well yeah you know we're from

733
00:35:21,650 --> 00:35:18,150
Mars or Venus even you know Jupiter like

734
00:35:24,140 --> 00:35:21,660
that but then as time went on and we had

735
00:35:25,820 --> 00:35:24,150
our own probes to these planets and

736
00:35:26,990 --> 00:35:25,830
found that that was pretty much

737
00:35:29,500 --> 00:35:27,000
impossible

738
00:35:32,060 --> 00:35:29,510

and then the story started to change

739

00:35:34,430 --> 00:35:32,070

from these occupants you know they they

740

00:35:36,710 --> 00:35:34,440

got further and further out you oh yeah

741

00:35:39,920 --> 00:35:36,720

we're from was that a reticular yeah

742

00:35:41,510 --> 00:35:39,930

that's it that a reticular it's a little

743

00:35:45,560 --> 00:35:41,520

little more difficult right now to check

744

00:35:50,420 --> 00:35:45,570

up on well Jerry what would you say that

745

00:35:52,880 --> 00:35:50,430

the the subject has made it more

746

00:35:56,120 --> 00:35:52,890

difficult for us to contemplate I mean

747

00:35:58,160 --> 00:35:56,130

is there somebody behind the I would say

748

00:36:02,210 --> 00:35:58,170

controls of the ship but I'll mean it in

749

00:36:05,840 --> 00:36:02,220

a not in quite a literal sense trying to

750

00:36:08,870 --> 00:36:05,850

keep us maybe even interested or or are

751
00:36:12,890 --> 00:36:08,880
making us I've always thought that UFOs

752
00:36:15,710 --> 00:36:12,900
in a sense are very symbolic to the fact

753
00:36:17,870 --> 00:36:15,720
that it is a thinking process I mean

754
00:36:19,850 --> 00:36:17,880
it's made certainly a lot of us in the

755
00:36:22,730 --> 00:36:19,860
field think about things that we would

756
00:36:26,480 --> 00:36:22,740
never have possibly contemplated before

757
00:36:30,020 --> 00:36:26,490
it is it pushing science ahead or

758
00:36:32,630 --> 00:36:30,030
keeping it back hmm I I have no idea

759
00:36:36,320 --> 00:36:32,640
what is on the other side of this and

760
00:36:40,250 --> 00:36:36,330
what the other side is thinking of

761
00:36:44,270 --> 00:36:40,260
thinking is even relevant yeah I don't

762
00:36:46,790 --> 00:36:44,280
know I mean I think that I I believe

763
00:36:48,680 --> 00:36:46,800

that it's possible we're dealing with

764

00:36:51,740 --> 00:36:48,690

two different things and and we're

765

00:36:54,770 --> 00:36:51,750

confusing two categories and part of the

766

00:36:56,660 --> 00:36:54,780

confusion as well as inevitable because

767

00:36:59,240 --> 00:36:56,670

as I say I think this is just beyond

768

00:37:00,140 --> 00:36:59,250

anything we know now or may know for a

769

00:37:02,960 --> 00:37:00,150

long time

770

00:37:03,980 --> 00:37:02,970

but I think that when we started out and

771

00:37:06,200 --> 00:37:03,990

there were these sightings

772

00:37:08,960 --> 00:37:06,210

you know the radar sightings and the

773

00:37:11,660 --> 00:37:08,970

sightings of you know they like disks

774

00:37:13,040 --> 00:37:11,670

and metallic looking objects and so on

775

00:37:15,740 --> 00:37:13,050

that may have been a different

776

00:37:19,010 --> 00:37:15,750

phenomenon from the one that that

777

00:37:20,630 --> 00:37:19,020

evolved over time the one thing that I

778

00:37:23,059 --> 00:37:20,640

keep going back to

779

00:37:25,339 --> 00:37:23,069

the realization that human beings have

780

00:37:26,900 --> 00:37:25,349

been having extraordinary experiences

781

00:37:29,539 --> 00:37:26,910

for as long as have been human beings

782

00:37:32,630 --> 00:37:29,549

and they were explained different ways

783

00:37:35,019 --> 00:37:32,640

at different kinds of categories but

784

00:37:38,450 --> 00:37:35,029

these experiences were not just

785

00:37:41,390 --> 00:37:38,460

imaginary or loosen Airy loosen Ettore I

786

00:37:44,089 --> 00:37:41,400

mean they were very strange and dramatic

787

00:37:46,849 --> 00:37:44,099

they were vivid experiences that people

788

00:37:51,289 --> 00:37:46,859

were unlikely to be fooled about and I

789

00:37:55,700 --> 00:37:51,299

think that UFOs are connected with kind

790

00:37:58,460 --> 00:37:55,710

of worldwide traditions of supernatural

791

00:38:01,460 --> 00:37:58,470

entities of all kinds now there may be a

792

00:38:03,980 --> 00:38:01,470

core UFO phenomenon which mate which for

793

00:38:07,099 --> 00:38:03,990

all I know is genuinely extraterrestrial

794

00:38:09,319 --> 00:38:07,109

and this is the phenomenon of what I

795

00:38:11,870 --> 00:38:09,329

call the event phenomenon and this is

796

00:38:13,700 --> 00:38:11,880

the where these UFO events happen that

797

00:38:15,799 --> 00:38:13,710

they're really his independent

798

00:38:18,589 --> 00:38:15,809

instrumented evidence if something was

799

00:38:21,759 --> 00:38:18,599

there and that something was had some

800

00:38:25,069 --> 00:38:21,769

kind of fantastic unearthly technology

801

00:38:26,990 --> 00:38:25,079

driving it and of course that was the

802

00:38:30,650 --> 00:38:27,000

phenomenon that we grew up with in the

803

00:38:32,990 --> 00:38:30,660

early years and they learnt okay had you

804

00:38:35,269 --> 00:38:33,000

gone car then different all these other

805

00:38:37,490 --> 00:38:35,279

things be starting we really begin

806

00:38:40,789 --> 00:38:37,500

analysis in the later 60s all these

807

00:38:46,059 --> 00:38:40,799

other strange things seem to get

808

00:38:48,140 --> 00:38:46,069

attached to this core of arguably

809

00:38:49,970 --> 00:38:48,150

extraterrestrial phenomena I'm not

810

00:38:51,380 --> 00:38:49,980

saying that they were extraterrestrial

811

00:38:54,710 --> 00:38:51,390

but I think that it is not unreasonable

812

00:38:56,870 --> 00:38:54,720

to speculate like that when you're

813

00:38:59,509 --> 00:38:56,880

dealing with hardcore evidence of

814

00:39:01,910 --> 00:38:59,519

somebody else's technology but then you

815

00:39:08,259 --> 00:39:01,920

begin when did you when did you start

816

00:39:19,970 --> 00:39:15,769

mid 1980s Alan Hynek asked me to which

817

00:39:23,980 --> 00:39:19,980

was this magazine mm-hmm and had he

818

00:39:26,960 --> 00:39:23,990

mentioned the the Pascagoula incident

819

00:39:29,839 --> 00:39:26,970

you know we talked about so many things

820

00:39:33,230 --> 00:39:29,849

over the 10 years that I was around him

821

00:39:34,430 --> 00:39:33,240

he died in 1986 his I started being

822

00:39:37,420 --> 00:39:34,440

around him a lot

823

00:39:39,920 --> 00:39:37,430

10-12 years before that I don't

824

00:39:44,060 --> 00:39:39,930

specifically remember his talking about

825

00:39:46,220 --> 00:39:44,070

Pascagoula but he may have you know I we

826

00:39:48,230 --> 00:39:46,230

as I say we talked about so many

827

00:39:50,420 --> 00:39:48,240

different things in my memory his buddy

828

00:39:52,670 --> 00:39:50,430

used to be yeah so I just can't tell you

829

00:39:56,230 --> 00:39:52,680

but he was certainly interested in cases

830

00:39:59,810 --> 00:39:56,240

like basketball and you know abduction

831

00:40:02,300 --> 00:39:59,820

stories and high strangeness UFO cases

832

00:40:04,550 --> 00:40:02,310

and we would talk about that and we'd

833

00:40:08,210 --> 00:40:04,560

sometimes argue about how we need how to

834

00:40:11,350 --> 00:40:08,220

interpret these things now he started

835

00:40:14,780 --> 00:40:11,360

getting towards the the end of his

836

00:40:17,200 --> 00:40:14,790

career a little bit more liberal-minded

837

00:40:20,260 --> 00:40:17,210

I mean we think of him as the mighty

838

00:40:23,240 --> 00:40:20,270

astronomer and the pipe smoking a

839

00:40:26,210 --> 00:40:23,250

scientist who of course was in Close

840

00:40:27,830 --> 00:40:26,220

Encounters but I met him several times I

841

00:40:30,560 --> 00:40:27,840

can't say that we were close associates

842

00:40:32,990 --> 00:40:30,570

or anything but I did do a spent the

843

00:40:37,100 --> 00:40:33,000

whole afternoon with him one time doing

844

00:40:39,890 --> 00:40:37,110

an interview for UFO report magazine and

845

00:40:43,520 --> 00:40:39,900

he talked about some fairly incredible

846

00:40:46,090 --> 00:40:43,530

things there including visitations by

847

00:40:50,360 --> 00:40:46,100

men and black and UFO witnesses being

848

00:40:53,420 --> 00:40:50,370

threatened and so forth well first of

849

00:40:57,710 --> 00:40:53,430

all Alan's for much of his life had a

850

00:40:59,900 --> 00:40:57,720

mystical side I mean that's true and so

851

00:41:03,170 --> 00:40:59,910

eventually he be through the

852

00:41:05,240 --> 00:41:03,180

encouragement of Jacques Soleil he began

853

00:41:07,900 --> 00:41:05,250

to incorporating the kind of mystical

854

00:41:10,490 --> 00:41:07,910

occult side of his personality which

855

00:41:13,150 --> 00:41:10,500

ordinarily he kept out of public view

856

00:41:15,770 --> 00:41:13,160

for obvious reasons but he began

857

00:41:19,310 --> 00:41:15,780

incorporating those ideas and talking

858

00:41:21,710 --> 00:41:19,320

somewhat incautiously in public about

859

00:41:23,990 --> 00:41:21,720

how these things might apply to UFOs of

860

00:41:26,180 --> 00:41:24,000

course the debunkers were thrilled to

861

00:41:29,090 --> 00:41:26,190

hear this because they could use that to

862

00:41:31,100 --> 00:41:29,100

beat him up with which they did but now

863

00:41:33,590 --> 00:41:31,110

on was was involved in things that have

864

00:41:37,160 --> 00:41:33,600

never been particularly if any interest

865

00:41:39,980 --> 00:41:37,170

to me namely you know like boo Dolph

866

00:41:41,540 --> 00:41:39,990

Steiner and Rosicrucianism and I just

867

00:41:43,430 --> 00:41:41,550

not interested in those things I might

868

00:41:45,650 --> 00:41:43,440

even talk about that my eyes are kind of

869

00:41:48,230 --> 00:41:45,660

glazed over

870

00:41:51,200 --> 00:41:48,240

I just wish that he wouldn't talk about

871

00:41:53,120 --> 00:41:51,210

them publicly mmm

872

00:41:55,009 --> 00:41:53,130

know what I mean he was also very

873

00:41:57,019 --> 00:41:55,019

serious scientist I don't want it I

874

00:41:59,480 --> 00:41:57,029

don't want yes yes I like that

875

00:42:02,900 --> 00:41:59,490

he loves science and he was a serious

876

00:42:06,499 --> 00:42:02,910

scientist so he did also have a a keen

877

00:42:08,120 --> 00:42:06,509

analytical side to his intelligence well

878

00:42:11,269 --> 00:42:08,130

that's why if you ask me that would be a

879

00:42:14,859 --> 00:42:11,279

fairly well-balanced individual you

880

00:42:18,650 --> 00:42:14,869

don't find many people in the scientific

881

00:42:22,700 --> 00:42:18,660

community who have a very open mind

882

00:42:25,220 --> 00:42:22,710

towards now most of this now it could be

883

00:42:28,549 --> 00:42:25,230

changing I don't know because I never

884

00:42:33,289 --> 00:42:28,559

claimed to be a scientist nor have I

885

00:42:37,190 --> 00:42:33,299

ever hung out really with academics but

886

00:42:39,740 --> 00:42:37,200

I mean you you should seem to feel that

887

00:42:42,140 --> 00:42:39,750

there are some involvement

888

00:42:45,950 --> 00:42:42,150

well now the Center for UFO studies who

889

00:42:49,069 --> 00:42:45,960

what was this main body of members well

890

00:42:52,730 --> 00:42:49,079

it was of course it was started by Alan

891

00:42:56,690 --> 00:42:52,740

and Sherman Larsen who had a small local

892

00:42:59,569 --> 00:42:56,700

Chicago UFO group and someone Larsen

893

00:43:01,339 --> 00:42:59,579

yeah Ellen and insure work together

894

00:43:03,230 --> 00:43:01,349

Sherman was an insurance salesman they

895

00:43:05,480 --> 00:43:03,240

were very different in their

896

00:43:07,759 --> 00:43:05,490

personalities and education the way they

897

00:43:10,220 --> 00:43:07,769

thought but I think they were probably a

898

00:43:12,380 --> 00:43:10,230

good pair because Sherman had good

899

00:43:14,450 --> 00:43:12,390

organizational skills he knew how to put

900

00:43:16,370 --> 00:43:14,460

together a group how to operate a

901
00:43:20,930 --> 00:43:16,380
business and all those things that Alan

902
00:43:22,960 --> 00:43:20,940
had no clue about nor do I but so he and

903
00:43:26,029 --> 00:43:22,970
Sherm work together productively and and

904
00:43:29,960 --> 00:43:26,039
so Alan took his idea for a group called

905
00:43:32,660 --> 00:43:29,970
the Center for UFO studies and combined

906
00:43:35,630 --> 00:43:32,670
it with Sherm's little local UFO group

907
00:43:37,849 --> 00:43:35,640
and that was the core of the Center for

908
00:43:41,599 --> 00:43:37,859
UFO studies and I think that was in late

909
00:43:44,109 --> 00:43:41,609
1973 in the wake of the of the big wave

910
00:43:48,349 --> 00:43:44,119
that Calvin's experience was part of

911
00:43:51,140 --> 00:43:48,359
mm-hmm now do you remember any specific

912
00:43:55,190 --> 00:43:51,150
incidents from that that the period

913
00:43:57,230 --> 00:43:55,200

outside of Pascagoula well of course the

914

00:43:59,120 --> 00:43:57,240

most famous cases right there are two

915

00:44:02,330 --> 00:43:59,130

classic cases the other one was the

916

00:44:04,370 --> 00:44:02,340

coin helicopter incident in Manziel Ohio

917

00:44:05,360 --> 00:44:04,380

that occurred exactly one week after

918

00:44:08,090 --> 00:44:05,370

Calvin

919

00:44:11,480 --> 00:44:08,100

Charlie Hickson's experience and that

920

00:44:14,030 --> 00:44:11,490

was a Connor with a helicopter that was

921

00:44:15,920 --> 00:44:14,040

apparently levitated in an aerial

922

00:44:19,430 --> 00:44:15,930

encounter with the UFO which shot a

923

00:44:23,300 --> 00:44:19,440

green beam at it and a plane

924

00:44:25,940 --> 00:44:23,310

there was a 1,800 feet good was a

925

00:44:27,410 --> 00:44:25,950

descent that really could not be

926

00:44:29,210 --> 00:44:27,420

accounted for and the incident was

927

00:44:32,330 --> 00:44:29,220

witnessed by various people on the

928

00:44:35,950 --> 00:44:32,340

ground was investigated meticulously by

929

00:44:39,920 --> 00:44:35,960

Jenny Zeidman who was associated with

930

00:44:44,330 --> 00:44:39,930

and it actually met I actually met I

931

00:44:48,370 --> 00:44:44,340

actually met him he appeared at the UN

932

00:44:52,910 --> 00:44:48,380

UFO community was one of the Lauren mine

933

00:44:56,390 --> 00:44:52,920

yes mm-hmm there were four guys in the

934

00:44:59,540 --> 00:44:56,400

helicopter and he was baby guy in charge

935

00:45:03,590 --> 00:44:59,550

yeah and you said there was one other

936

00:45:07,160 --> 00:45:03,600

case you remember well there were two

937

00:45:11,030 --> 00:45:07,170

cases that really you know stand out in

938

00:45:13,430 --> 00:45:11,040

memory from that way and then there was

939

00:45:14,990 --> 00:45:13,440

you know the Pascagoula case which is

940

00:45:17,720 --> 00:45:15,000

remembered because it's so incredibly

941

00:45:20,210 --> 00:45:17,730

strange and just you know you know

942

00:45:21,920 --> 00:45:20,220

unsettling one of these incidents were

943

00:45:23,420 --> 00:45:21,930

two guys they're just mind your own

944

00:45:26,360 --> 00:45:23,430

business and living their ordinary lives

945

00:45:28,700 --> 00:45:26,370

and suddenly disrupted by something that

946

00:45:30,680 --> 00:45:28,710

they could never have imagined was even

947

00:45:37,070 --> 00:45:30,690

possible much less that it could happen

948

00:45:38,510 --> 00:45:37,080

to them and but of course in the end the

949

00:45:41,090 --> 00:45:38,520

Pascagoula case although there were

950

00:45:42,530 --> 00:45:41,100

people who did see strange objects that

951
00:45:45,680 --> 00:45:42,540
one of which may have actually been the

952
00:45:49,040 --> 00:45:45,690
UFO that that took Galvin to Charlie but

953
00:45:51,620 --> 00:45:49,050
you know that was these were the two

954
00:45:53,870 --> 00:45:51,630
guys who had the full experience with a

955
00:45:55,340 --> 00:45:53,880
coin case there were there was four guys

956
00:45:58,460 --> 00:45:55,350
a helicopter and there were people on

957
00:46:01,880 --> 00:45:58,470
the ground separate groups of people

958
00:46:04,780 --> 00:46:01,890
independently witnessed this so you know

959
00:46:07,720 --> 00:46:04,790
it's an incredibly evidential case

960
00:46:11,320 --> 00:46:07,730
and then it stood up you know attempts

961
00:46:15,280 --> 00:46:11,330
many attempts to debunk it was it picked

962
00:46:17,920 --> 00:46:15,290
up on radar the UFO no no

963
00:46:20,680 --> 00:46:17,930

well that isn't that kind of strange

964

00:46:24,640 --> 00:46:20,690

that it wasn't do you think yeah no no

965

00:46:27,430 --> 00:46:24,650

because radar doesn't cover 100% of this

966

00:46:30,250 --> 00:46:27,440

guy and that's what covered many places

967

00:46:32,830 --> 00:46:30,260

particularly that radar was interested

968

00:46:36,280 --> 00:46:32,840

in it was just it wasn't him just like

969

00:46:38,410 --> 00:46:36,290

my memory is hazy of course but it was

970

00:46:40,260 --> 00:46:38,420

an I believe just a you know routine

971

00:46:43,600 --> 00:46:40,270

flight that had no larger significance

972

00:46:45,280 --> 00:46:43,610

no there's nobody nobody thought that

973

00:46:49,380 --> 00:46:45,290

there should be radar I only I don't

974

00:46:50,940 --> 00:46:49,390

think even debunker like fell class

975

00:46:55,090 --> 00:46:50,950

racehorses

976

00:46:59,320 --> 00:46:55,100

don't upset my stomach I just say okay

977

00:47:00,910 --> 00:46:59,330

well now there were the abduction

978

00:47:04,510 --> 00:47:00,920

phenomena I guess was just kind of

979

00:47:08,020 --> 00:47:04,520

coming to the forefront I mean of course

980

00:47:09,940 --> 00:47:08,030

it was Betty and Barney Hill but they

981

00:47:12,340 --> 00:47:09,950

were they were in increasing a number

982

00:47:14,380 --> 00:47:12,350

and this might have been the the

983

00:47:18,810 --> 00:47:14,390

incident perhaps that tipped the scale

984

00:47:22,420 --> 00:47:18,820

as far as the national attention went

985

00:47:23,910 --> 00:47:22,430

yeah well of course the hill case was

986

00:47:26,710 --> 00:47:23,920

the one that got all the attention but

987

00:47:28,900 --> 00:47:26,720

yes I think that in terms of bringing

988

00:47:31,120 --> 00:47:28,910

the phenomenon to larger attention the

989

00:47:32,140 --> 00:47:31,130

Pascagoula case certainly has a large

990

00:47:34,150 --> 00:47:32,150

role in that

991

00:47:35,560 --> 00:47:34,160

alright gentlemen only interrupt you

992

00:47:37,120 --> 00:47:35,570

here because we have to go to our top of

993

00:47:38,950 --> 00:47:37,130

the hour break so when we come back

994

00:47:41,620 --> 00:47:38,960

we'll bring Calvin back into the

995

00:47:52,690 --> 00:47:41,630

conversation with more or in the besides

996

00:47:59,640 --> 00:47:57,160

explode the bazaars or e-ticket ride

997

00:48:02,920 --> 00:47:59,650

into the world of the paranoid

998

00:48:05,940 --> 00:48:02,930

strap yourself e'en as we traverse the

999

00:48:10,349 --> 00:48:05,950

universe exploring the unexplained UFO

1000

00:48:12,730 --> 00:48:10,359

of ghosts Lost Worlds

1001
00:48:16,569 --> 00:48:12,740
cryptozoology waters as well as other

1002
00:48:20,950 --> 00:48:16,579
dimensions it's time to take back the

1003
00:48:24,220 --> 00:48:20,960
night last night now your electrifying

1004
00:48:30,579 --> 00:48:24,230
hosts of exploring the bizarre Timothy

1005
00:48:32,859 --> 00:48:30,589
Begley and Tim Schwartz welcome back to

1006
00:48:35,140 --> 00:48:32,869
the second hour of exploring the bizarre

1007
00:48:37,510 --> 00:48:35,150
tonight we are talking with Calvin

1008
00:48:44,290 --> 00:48:37,520
Parker and Jerry Clark we're talking

1009
00:48:48,660 --> 00:48:44,300
about Calvin Parkers 1973 UFO experience

1010
00:48:51,550 --> 00:48:48,670
encounter at Pascagoula Mississippi so

1011
00:48:53,380 --> 00:48:51,560
Jerry you said that you had some

1012
00:48:54,220 --> 00:48:53,390
questions that you'd like to ask Calvin

1013
00:48:57,160 --> 00:48:54,230

so go right ahead

1014

00:48:58,540 --> 00:48:57,170

yeah Calvin this Jerry Clark and I just

1015

00:49:00,210 --> 00:48:58,550

want to say before I say anything else

1016

00:49:02,650 --> 00:49:00,220

it's really an honor to talk with you

1017

00:49:04,420 --> 00:49:02,660

I've been familiar with you for a long

1018

00:49:06,790 --> 00:49:04,430

time I never thought I would actually be

1019

00:49:12,579 --> 00:49:06,800

talking with you so well the hours

1020

00:49:15,670 --> 00:49:12,589

really right here were may well I don't

1021

00:49:19,630 --> 00:49:15,680

know about that but I I I was reading

1022

00:49:22,750 --> 00:49:19,640

your book this this week and really read

1023

00:49:25,359 --> 00:49:22,760

you know reading it with interest and I

1024

00:49:28,390 --> 00:49:25,369

was particularly understood in the

1025

00:49:30,520 --> 00:49:28,400

account that I was unaware of and Budd

1026

00:49:32,410 --> 00:49:30,530

Hopkins was a very good friend of mine

1027

00:49:34,329 --> 00:49:32,420

by the way but he had never mentioned

1028

00:49:36,670 --> 00:49:34,339

this to me for some reason I guess they

1029

00:49:40,300 --> 00:49:36,680

just had a lot to talk about when we get

1030

00:49:43,120 --> 00:49:40,310

together and it never came up but this

1031

00:49:45,819 --> 00:49:43,130

you talk about this is all new to me

1032

00:49:49,530 --> 00:49:45,829

this encounter with with this was it a

1033

00:49:53,290 --> 00:49:49,540

woman or some kind of female entity

1034

00:49:56,530 --> 00:49:53,300

that's what I'm guessing oh you know

1035

00:49:59,800 --> 00:49:56,540

it's really hard to say there was just

1036

00:50:02,650 --> 00:49:59,810

an entity but it looked kinda like a

1037

00:50:05,030 --> 00:50:02,660

female instead of a male you know a male

1038

00:50:07,940 --> 00:50:05,040

usually is bulky and

1039

00:50:11,780 --> 00:50:07,950

a little bit she was coming feminine now

1040

00:50:13,730 --> 00:50:11,790

I did look to see if I could see breasts

1041

00:50:17,150 --> 00:50:13,740

or anything like that and I couldn't see

1042

00:50:21,050 --> 00:50:17,160

nothing like that you know owner trying

1043

00:50:24,860 --> 00:50:21,060

to distinguish was this like a like a

1044

00:50:26,510 --> 00:50:24,870

kind of female equivalent to the this

1045

00:50:28,760 --> 00:50:26,520

other character you were dealing with

1046

00:50:35,420 --> 00:50:28,770

who you felt was male I mean was it the

1047

00:50:38,570 --> 00:50:35,430

same no this is I don't see any relation

1048

00:50:42,500 --> 00:50:38,580

to as far as I'm concerned to the one

1049

00:50:46,580 --> 00:50:42,510

that all the the male that what I call

1050

00:50:49,460 --> 00:50:46,590

the big ugly one in this one oh you know

1051
00:50:52,550 --> 00:50:49,470
like in animal kingdom usually the male

1052
00:50:54,890 --> 00:50:52,560
is the better-looking one because I got

1053
00:50:59,450 --> 00:50:54,900
more feathers and more colors and I like

1054
00:51:03,080 --> 00:50:59,460
that but in this you know you could look

1055
00:51:05,330 --> 00:51:03,090
and tell that this was pure able looking

1056
00:51:08,330 --> 00:51:05,340
them the robotic looking the creature

1057
00:51:11,780 --> 00:51:08,340
that I seen and I think the reason bud

1058
00:51:13,970 --> 00:51:11,790
never mentioned it but has always been a

1059
00:51:16,610 --> 00:51:13,980
man of his word from what I understood

1060
00:51:18,830 --> 00:51:16,620
because I talked to him several times on

1061
00:51:20,540 --> 00:51:18,840
the phone after that and he promised me

1062
00:51:22,550 --> 00:51:20,550
he would never tell nobody to bring it

1063
00:51:25,910 --> 00:51:22,560

up in any of his conferences or anything

1064

00:51:28,040 --> 00:51:25,920

like that and then but it's a shame I

1065

00:51:36,020 --> 00:51:28,050

never didn't know when he even passed

1066

00:51:39,980 --> 00:51:36,030

away yeah but is a good guy but in your

1067

00:51:45,740 --> 00:51:39,990

book you talk about this now this female

1068

00:51:50,690 --> 00:51:45,750

I mean was this like a like a human

1069

00:51:54,620 --> 00:51:50,700

being with skin and all that I didn't

1070

00:51:59,210 --> 00:51:54,630

see any hair and the skin was more like

1071

00:52:02,660 --> 00:51:59,220

a y'all well it's hard to really

1072

00:52:07,160 --> 00:52:02,670

describe the skin it was a grayish

1073

00:52:10,070 --> 00:52:07,170

looking color like Oh like I had been

1074

00:52:12,200 --> 00:52:10,080

seeing and I described it one time kind

1075

00:52:14,090 --> 00:52:12,210

of like a manatees Canyon in a way you

1076
00:52:16,490 --> 00:52:14,100
know you look at these manatees that

1077
00:52:18,089 --> 00:52:16,500
swim around in Florida that kind of

1078
00:52:20,969 --> 00:52:18,099
resembles their skinning

1079
00:52:22,710 --> 00:52:20,979
except it was a it wasn't as wrinkled

1080
00:52:27,719 --> 00:52:22,720
and all of that but it was about the

1081
00:52:30,359 --> 00:52:27,729
same colors as the skiing man and all I

1082
00:52:33,259 --> 00:52:30,369
all I know was you know she was pretty

1083
00:52:38,160 --> 00:52:33,269
treacherous if it wasn't she

1084
00:52:40,589 --> 00:52:38,170
well now when you came out of the

1085
00:52:43,229 --> 00:52:40,599
immediate aftermath of your experience

1086
00:52:46,440 --> 00:52:43,239
and you know you and Charlie are trying

1087
00:52:48,930 --> 00:52:46,450
to come down and you're taking you you

1088
00:52:52,859 --> 00:52:48,940

know a while to process all this and

1089

00:52:53,910 --> 00:52:52,869

over the the days that that passed after

1090

00:52:56,370 --> 00:52:53,920

the experience

1091

00:53:00,200 --> 00:52:56,380

did you remember this clearly this

1092

00:53:04,289 --> 00:53:00,210

encounter with this female I did Oh

1093

00:53:06,089 --> 00:53:04,299

but the thing were the thing about this

1094

00:53:09,539 --> 00:53:06,099

when we come out I didn't want to talk

1095

00:53:12,569 --> 00:53:09,549

about none of this so Charlie and I said

1096

00:53:15,059 --> 00:53:12,579

on the pier after after this and this

1097

00:53:16,950 --> 00:53:15,069

happened to us and I said Charlie I'm

1098

00:53:19,259 --> 00:53:16,960

not talking about it I don't want to

1099

00:53:21,120 --> 00:53:19,269

talk about it well he said well I'll

1100

00:53:22,890 --> 00:53:21,130

think of something he said I'll just

1101
00:53:24,870 --> 00:53:22,900
tell him you passed out or something

1102
00:53:26,670 --> 00:53:24,880
said I don't care what you tell him I

1103
00:53:27,299 --> 00:53:26,680
just don't want to talk about this to

1104
00:53:30,539 --> 00:53:27,309
nobody

1105
00:53:32,089 --> 00:53:30,549
I had though I said passing out sounds

1106
00:53:35,999 --> 00:53:32,099
like a good deal to me

1107
00:53:38,009 --> 00:53:36,009
so that's kind of the story we stayed

1108
00:53:40,529 --> 00:53:38,019
with and Charlie stayed with that I

1109
00:53:44,999 --> 00:53:40,539
guess to protect my feelings and no

1110
00:53:46,920 --> 00:53:45,009
because I had known him as a child for

1111
00:53:49,410 --> 00:53:46,930
years and I really looked up to Charlie

1112
00:53:51,719 --> 00:53:49,420
you know he was a constable there in

1113
00:53:53,969 --> 00:53:51,729

Sandersville and law enforcement then

1114

00:53:56,700 --> 00:53:53,979

though I thought a lot of his children

1115

00:53:59,459 --> 00:53:56,710

and him and his whole family would I

1116

00:54:01,499 --> 00:53:59,469

remember on weekends we would all go

1117

00:54:03,630 --> 00:54:01,509

over and eat at each others house and

1118

00:54:06,150 --> 00:54:03,640

all the kids were playing he had a

1119

00:54:08,039 --> 00:54:06,160

little farm out there we got to enjoy

1120

00:54:12,180 --> 00:54:08,049

some of the cattle you know watching

1121

00:54:13,709 --> 00:54:12,190

them but uh and I think I put Charlie

1122

00:54:18,479 --> 00:54:13,719

into protection mode

1123

00:54:20,579 --> 00:54:18,489

I even remember one time limo I was we

1124

00:54:23,430 --> 00:54:20,589

went fishing together on the Pearl River

1125

00:54:25,380 --> 00:54:23,440

and I fell off in the water and Charlie

1126

00:54:28,019 --> 00:54:25,390

didn't hesitate at all to come off and

1127

00:54:31,120 --> 00:54:28,029

there and get me and you know I was just

1128

00:54:34,120 --> 00:54:31,130

a young boy so

1129

00:54:38,830 --> 00:54:34,130

to me you know he was like a hero yeah I

1130

00:54:41,590 --> 00:54:38,840

sound like a good guy I know you talked

1131

00:54:45,190 --> 00:54:41,600

about this in in the book you described

1132

00:54:47,530 --> 00:54:45,200

the female entity is really menacing and

1133

00:54:51,220 --> 00:54:47,540

evil and you and you thought she was

1134

00:54:54,400 --> 00:54:51,230

going to do harm and you hated her did

1135

00:54:57,160 --> 00:54:54,410

was that what you thought about like in

1136

00:55:03,330 --> 00:54:57,170

the aftermath of the experience or did

1137

00:55:06,550 --> 00:55:03,340

that come out in 1993 with hypnosis a

1138

00:55:10,030 --> 00:55:06,560

lot of it came out and hypnosis and to

1139

00:55:13,420 --> 00:55:10,040

be honest we I have the original tape

1140

00:55:15,910 --> 00:55:13,430

one of the original tapes a bird had let

1141

00:55:18,610 --> 00:55:15,920

me hypnotize me and I've never listened

1142

00:55:20,920 --> 00:55:18,620

to it all the way through because he put

1143

00:55:23,440 --> 00:55:20,930

like a posthypnotic suggestion in my

1144

00:55:26,440 --> 00:55:23,450

head that as I could handle it I could

1145

00:55:28,690 --> 00:55:26,450

remember it and though I didn't want to

1146

00:55:31,960 --> 00:55:28,700

listen above and get a get ahead of

1147

00:55:34,810 --> 00:55:31,970

myself and get any kind of all ideals

1148

00:55:37,270 --> 00:55:34,820

that's not original in my head of course

1149

00:55:40,150 --> 00:55:37,280

them came out of my head I guess but I

1150

00:55:42,760 --> 00:55:40,160

wasn't sure after this and he didn't

1151
00:55:45,010 --> 00:55:42,770
implant them you know I'm sure you're

1152
00:55:48,100 --> 00:55:45,020
aware of the controversy about hypnosis

1153
00:55:49,980 --> 00:55:48,110
and you know people who are unwilling to

1154
00:55:52,120 --> 00:55:49,990
accept accounts of abductions

1155
00:55:55,780 --> 00:55:52,130
experiences that are retrieved through

1156
00:55:58,240 --> 00:55:55,790
hypnosis say well it just made it up or

1157
00:56:00,250 --> 00:55:58,250
the hypnotist led you to believe this

1158
00:56:02,860 --> 00:56:00,260
happen but it didn't really happen

1159
00:56:04,600 --> 00:56:02,870
so that's that's why I'm asking this

1160
00:56:05,890 --> 00:56:04,610
question because I'm just trying to get

1161
00:56:08,470 --> 00:56:05,900
it clear in my own head

1162
00:56:10,420 --> 00:56:08,480
I think that bud was a very good

1163
00:56:12,130 --> 00:56:10,430

hypnotist and he was really sensitive to

1164

00:56:13,840 --> 00:56:12,140

these questions the fact that I know it

1165

00:56:16,180 --> 00:56:13,850

was but they're always going to be

1166

00:56:18,730 --> 00:56:16,190

raised and so I'm asked so that's why I

1167

00:56:21,220 --> 00:56:18,740

want to know how much of this stuff

1168

00:56:25,780 --> 00:56:21,230

you remembered consciously before the

1169

00:56:27,820 --> 00:56:25,790

hypnosis I remember a good deal of it

1170

00:56:31,300 --> 00:56:27,830

you know consciously but I don't

1171

00:56:34,570 --> 00:56:31,310

remember all the details that was in and

1172

00:56:38,050 --> 00:56:34,580

oh well like for example one thing that

1173

00:56:41,650 --> 00:56:38,060

oh that I didn't remember when we

1174

00:56:44,960 --> 00:56:41,660

originally come off in 73 there was a

1175

00:56:47,780 --> 00:56:44,970

car after and I remember seeing the car

1176

00:56:49,700 --> 00:56:47,790

clearly you know I but I didn't want to

1177

00:56:52,820 --> 00:56:49,710

take time to see they seen anything or

1178

00:56:55,430 --> 00:56:52,830

not but I called the tag number out well

1179

00:56:57,740 --> 00:56:55,440

but had me hypnotized and here recently

1180

00:57:00,440 --> 00:56:57,750

I checked out that tag number we was

1181

00:57:04,280 --> 00:57:00,450

able to go back and look it up and I

1182

00:57:07,460 --> 00:57:04,290

actually found the people that was

1183

00:57:10,190 --> 00:57:07,470

involved in that now one of them is they

1184

00:57:12,830 --> 00:57:10,200

got married they was there partying one

1185

00:57:15,140 --> 00:57:12,840

of them passed away they got endo the

1186

00:57:17,720 --> 00:57:15,150

other ones in a nursing home now we'll

1187

00:57:19,520 --> 00:57:17,730

kind of dementia in a way but she did

1188

00:57:21,410 --> 00:57:19,530

remember that but she didn't want her

1189

00:57:23,780 --> 00:57:21,420

Lane broke up or anything so out of

1190

00:57:26,810 --> 00:57:23,790

respect her you know I didn't tell what

1191

00:57:29,720 --> 00:57:26,820

nursing home she's in or all her name or

1192

00:57:31,820 --> 00:57:29,730

anything but that was for me there when

1193

00:57:35,450 --> 00:57:31,830

I looked her up that was strictly for me

1194

00:57:40,190 --> 00:57:35,460

to confirm this part of the hypnosis

1195

00:57:42,580 --> 00:57:40,200

session because I've seen acts on TV I

1196

00:57:46,220 --> 00:57:42,590

don't know if it was acts or not world

1197

00:57:48,500 --> 00:57:46,230

somebody was in Las Vegas you know the

1198

00:57:51,440 --> 00:57:48,510

hypnotized the whole audience and I

1199

00:57:54,800 --> 00:57:51,450

always thought that was bull and I just

1200

00:57:58,030 --> 00:57:54,810

wasn't real sure about it but on the

1201
00:58:00,829 --> 00:57:58,040
other hand when I went in to agree when

1202
00:58:02,359 --> 00:58:00,839
when I found bud at this conference in

1203
00:58:03,070 --> 00:58:02,369
that friend of mine I was telling you

1204
00:58:06,859 --> 00:58:03,080
about

1205
00:58:10,160 --> 00:58:06,869
or had mentioned he was a good friend of

1206
00:58:11,240 --> 00:58:10,170
mine he was very very smart he was in

1207
00:58:14,599 --> 00:58:11,250
the medical field

1208
00:58:18,050 --> 00:58:14,609
he used to end meant different things in

1209
00:58:20,720 --> 00:58:18,060
the all for the medical field and also

1210
00:58:23,329 --> 00:58:20,730
he you know he was up and I trusted him

1211
00:58:25,040 --> 00:58:23,339
and he went in with me and I got him to

1212
00:58:27,829 --> 00:58:25,050
sit right there and I said don't let

1213
00:58:30,560 --> 00:58:27,839

this man clean anything phony in my head

1214

00:58:33,370 --> 00:58:30,570

and I even told it in front of bud you

1215

00:58:37,730 --> 00:58:33,380

know we had a long deep conversation and

1216

00:58:41,930 --> 00:58:37,740

him and all his wife were in the room

1217

00:58:44,089 --> 00:58:41,940

with me and you know they agreed to keep

1218

00:58:46,940 --> 00:58:44,099

it quiet and not tell me nothing about

1219

00:58:49,490 --> 00:58:46,950

it because that's what bud wanted and

1220

00:58:51,740 --> 00:58:49,500

wanting me to remember it on my own and

1221

00:58:53,930 --> 00:58:51,750

I wanted them to watch but Hopkins cuz I

1222

00:58:55,980 --> 00:58:53,940

didn't know but Hopkins from anybody at

1223

00:58:59,430 --> 00:58:55,990

this time

1224

00:59:01,530 --> 00:58:59,440

so that's our amount of distrust well it

1225

00:59:03,870 --> 00:59:01,540

sounds like you went into this with some

1226

00:59:07,950 --> 00:59:03,880

you know proper and intelligent caution

1227

00:59:10,140 --> 00:59:07,960

and you know I know from you know you

1228

00:59:12,300 --> 00:59:10,150

didn't know bud and and you did the

1229

00:59:14,820 --> 00:59:12,310

right thing and calling in you're you

1230

00:59:16,710 --> 00:59:14,830

know you're qualified friend I do but

1231

00:59:19,560 --> 00:59:16,720

for many years and he was really a

1232

00:59:22,260 --> 00:59:19,570

conscientious guy you know he he was

1233

00:59:24,780 --> 00:59:22,270

really on the side of the you know the

1234

00:59:27,390 --> 00:59:24,790

witnesses he dealt with he really wanted

1235

00:59:29,370 --> 00:59:27,400

to right by them and he felt that they'd

1236

00:59:32,190 --> 00:59:29,380

been through enough and he didn't want

1237

00:59:34,830 --> 00:59:32,200

to add to their burden so but I have

1238

00:59:36,960 --> 00:59:34,840

note one more question for you now in

1239

00:59:40,160 --> 00:59:36,970

your in the account in you in the book

1240

00:59:43,920 --> 00:59:40,170

which I believe is the hypnosis stuff

1241

00:59:45,900 --> 00:59:43,930

you talk about how this female was

1242

00:59:48,270 --> 00:59:45,910

clawing at your eyes and you thought

1243

00:59:51,780 --> 00:59:48,280

that she was going to by trying to claw

1244

00:59:56,250 --> 00:59:51,790

your eyes out well that's what I thought

1245

00:59:58,320 --> 00:59:56,260

because originally she went in and she

1246

01:00:00,630 --> 00:59:58,330

run her fingers down my throat and tried

1247

01:00:02,910 --> 01:00:00,640

to come up in my nasal cavities from the

1248

01:00:06,349 --> 01:00:02,920

inside I guess that's what she was

1249

01:00:09,359 --> 01:00:06,359

trying and I was in a lot of pain and

1250

01:00:13,140 --> 01:00:09,369

when it was my dream one got stared up

1251

01:00:16,349 --> 01:00:13,150

and you know I guess she had a temper

1252

01:00:18,510 --> 01:00:16,359

also and I had a temper because I at

1253

01:00:20,820 --> 01:00:18,520

this time in my life I was tired of

1254

01:00:23,460 --> 01:00:20,830

being messed with all I wanted to do was

1255

01:00:26,070 --> 01:00:23,470

go fishing eat my lunch go back home

1256

01:00:28,890 --> 01:00:26,080

cleaning my fish and you know be with my

1257

01:00:31,500 --> 01:00:28,900

family and then they just pull you out

1258

01:00:35,640 --> 01:00:31,510

of clear blue air and that really upsets

1259

01:00:38,820 --> 01:00:35,650

you oh yeah so but but but but when you

1260

01:00:41,849 --> 01:00:38,830

came out of the experience with the one

1261

01:00:48,480 --> 01:00:41,859

on the river with Charlie they were your

1262

01:00:52,410 --> 01:00:48,490

eyes bleeding no I remember them being

1263

01:00:54,840 --> 01:00:52,420

irritated really bad it was kind of like

1264

01:00:57,300 --> 01:00:54,850

but what I chopped that up too you know

1265

01:01:00,120 --> 01:00:57,310

we worked in a shipyard and we was

1266

01:01:02,460 --> 01:01:00,130

around welding all day long and if you

1267

01:01:05,520 --> 01:01:02,470

don't put your helmet on and you watch

1268

01:01:08,580 --> 01:01:05,530

somebody weld in your eyes you get what

1269

01:01:09,860 --> 01:01:08,590

they call the blue eye and you have to

1270

01:01:11,630 --> 01:01:09,870

really treat them

1271

01:01:13,460 --> 01:01:11,640

might be two or three days for you see

1272

01:01:17,620 --> 01:01:13,470

again and that's what I was kind of

1273

01:01:21,020 --> 01:01:17,630

chalking all that up to then yeah and

1274

01:01:24,380 --> 01:01:21,030

even even that's what they treated me

1275

01:01:27,380 --> 01:01:24,390

for when I was all went to the hospital

1276

01:01:31,490 --> 01:01:27,390

the next day after all and got the

1277

01:01:33,500 --> 01:01:31,500

examination now I would give anything if

1278

01:01:37,730 --> 01:01:33,510

we could come up with the hospital

1279

01:01:39,680 --> 01:01:37,740

records for the indica because of what

1280

01:01:44,150 --> 01:01:39,690

they said and the bloodwork and things

1281

01:01:46,820 --> 01:01:44,160

like that that they perform but Katrina

1282

01:01:50,000 --> 01:01:46,830

came by and back then they didn't keep

1283

01:01:52,640 --> 01:01:50,010

all computers you know where you could

1284

01:01:55,310 --> 01:01:52,650

back the backlog they put it on the desk

1285

01:01:58,130 --> 01:01:55,320

and send it somewhere else everything

1286

01:02:00,050 --> 01:01:58,140

was about hand and that's what a lot of

1287

01:02:02,660 --> 01:02:00,060

people don't understand what wanting you

1288

01:02:04,490 --> 01:02:02,670

call here you had a phone wanted you

1289

01:02:07,670 --> 01:02:04,500

take picture you don't have cell phones

1290

01:02:09,710 --> 01:02:07,680

back in you didn't have computers you

1291

01:02:14,090 --> 01:02:09,720

didn't have the information highway that

1292

01:02:16,730 --> 01:02:14,100

you have now I know it all I had written

1293

01:02:20,540 --> 01:02:16,740

a book back then that wouldn't have got

1294

01:02:23,000 --> 01:02:20,550

off the newsstand but nowadays you got

1295

01:02:25,910 --> 01:02:23,010

this computer here and you got thousands

1296

01:02:28,940 --> 01:02:25,920

of people that uh are interested and

1297

01:02:31,010 --> 01:02:28,950

come in and look at it and read it it's

1298

01:02:33,140 --> 01:02:31,020

just amazing the information that you

1299

01:02:35,690 --> 01:02:33,150

can get your hands on I didn't even know

1300

01:02:38,900 --> 01:02:35,700

what a UFO was I had never looked into

1301

01:02:42,560 --> 01:02:38,910

that or heard of anything such as a UFO

1302

01:02:45,440 --> 01:02:42,570

now I did think that I was scared by a

1303

01:02:47,930 --> 01:02:45,450

ghost a time or two in my life but um

1304

01:02:50,150 --> 01:02:47,940

that might have been something else so

1305

01:02:53,330 --> 01:02:50,160

you know I'm not putting it out there

1306

01:02:58,550 --> 01:02:53,340

right now what was that before or after

1307

01:03:03,050 --> 01:02:58,560

the UFO abduction oh this was back when

1308

01:03:04,760 --> 01:03:03,060

Kennedy was assassinated and that's the

1309

01:03:05,990 --> 01:03:04,770

time frame that I'm putting it in

1310

01:03:08,450 --> 01:03:06,000

because I remember him being

1311

01:03:10,760 --> 01:03:08,460

assassinated not too long after that my

1312

01:03:13,370 --> 01:03:10,770

brother and I shared a room together

1313

01:03:16,400 --> 01:03:13,380

because we had a small house you know a

1314

01:03:19,100 --> 01:03:16,410

couple of bedrooms so they all put the

1315

01:03:22,160 --> 01:03:19,110

kids in one room and we shared a room in

1316

01:03:23,220 --> 01:03:22,170

there together and even he woke up

1317

01:03:26,370 --> 01:03:23,230

screaming and said

1318

01:03:28,770 --> 01:03:26,380

he's seen something all messing with my

1319

01:03:30,930 --> 01:03:28,780

ear or something in there and and I had

1320

01:03:35,190 --> 01:03:30,940

felt it I had heard it that night and it

1321

01:03:37,980 --> 01:03:35,200

scared me then and you know it did him

1322

01:03:40,050 --> 01:03:37,990

and he was afraid to even be in the same

1323

01:03:42,210 --> 01:03:40,060

room with me matter of fact it scared

1324

01:03:47,400 --> 01:03:42,220

him so bad he went all over his self

1325

01:03:49,470 --> 01:03:47,410

they was back I'm sure he'd like to I'd

1326

01:03:53,340 --> 01:03:49,480

like to hear that today I'm sure yes

1327

01:03:55,320 --> 01:03:53,350

yeah yeah if they had passed away you

1328

01:04:00,210 --> 01:03:55,330

know who I would have never said that

1329

01:04:03,599 --> 01:04:00,220

about it but it's a truth well you know

1330

01:04:06,060 --> 01:04:03,609

I I have to ask you a Calvin yeah you

1331

01:04:09,410 --> 01:04:06,070

and I met I don't remember what year it

1332

01:04:12,480 --> 01:04:09,420

was do you think it's about 1990 maybe

1333

01:04:16,020 --> 01:04:12,490

it was probably right in that time right

1334

01:04:19,680 --> 01:04:16,030

there because matter of fact the only

1335

01:04:21,180 --> 01:04:19,690

reason I was at that conference the

1336

01:04:24,120 --> 01:04:21,190

friend of mine that I was telling you

1337

01:04:26,940 --> 01:04:24,130

Matt that was in will ball went were

1338

01:04:29,460 --> 01:04:26,950

Budd Hopkins he loaded me up and took me

1339

01:04:31,980 --> 01:04:29,470

down there because he he wasn't really

1340

01:04:33,960 --> 01:04:31,990

interested in all this and I didn't want

1341

01:04:35,700 --> 01:04:33,970

to talk but you know I figured he was a

1342

01:04:38,400 --> 01:04:35,710

pretty smart man and I was good friends

1343

01:04:40,050 --> 01:04:38,410

of mine and he just wanted to go to one

1344

01:04:42,690 --> 01:04:40,060

to see what it was about that was the

1345

01:04:45,510 --> 01:04:42,700

only reason I went there when out

1346

01:04:47,640 --> 01:04:45,520

weren't you trying to get involved or

1347

01:04:50,099 --> 01:04:47,650

where I went

1348

01:04:54,540 --> 01:04:50,109

some people trying to get you involved

1349

01:04:58,680 --> 01:04:54,550

in doing a TV series they were and we

1350

01:05:02,670 --> 01:04:58,690

actually cut up cut a few tapes now what

1351

01:05:05,790 --> 01:05:02,680

my involvement was Oh like I say this

1352

01:05:07,800 --> 01:05:05,800

friend of mine and I'm not calling his

1353

01:05:10,020 --> 01:05:07,810

name right now because I had heard from

1354

01:05:14,240 --> 01:05:10,030

him in a long time but just friend of

1355

01:05:18,810 --> 01:05:14,250

mine he had money and he had all the

1356

01:05:23,030 --> 01:05:18,820

knowledge and someone else had hooked

1357

01:05:25,740 --> 01:05:23,040

him up in a law there that was a

1358

01:05:27,780 --> 01:05:25,750

newscaster on TV and he was telling him

1359

01:05:29,790 --> 01:05:27,790

about he interviewed me right after this

1360

01:05:31,950 --> 01:05:29,800

happened and actually I don't never

1361

01:05:34,290 --> 01:05:31,960

never remembered this guy interviewing

1362

01:05:36,420 --> 01:05:34,300

me but he did and he said I tell you

1363

01:05:40,950 --> 01:05:36,430

what would go over good

1364

01:05:44,400 --> 01:05:40,960

if we started a young thing about UFOs

1365

01:05:48,089 --> 01:05:44,410

and things like that and investigated

1366

01:05:50,460 --> 01:05:48,099

them and I'll get us on TV and you pay

1367

01:05:52,319 --> 01:05:50,470

for it and we'll it just Calvin do

1368

01:05:55,819 --> 01:05:52,329

whatever he wants to in it so they made

1369

01:05:59,819 --> 01:05:55,829

me executive vice president of UFO

1370

01:06:02,490 --> 01:05:59,829

investigations which didn't really mean

1371

01:06:04,799 --> 01:06:02,500

nothing to me I mean I was there and

1372

01:06:08,549 --> 01:06:04,809

this guy paid me a little salary for

1373

01:06:13,410 --> 01:06:08,559

being there because uh you know I wasn't

1374

01:06:15,960 --> 01:06:13,420

working right at the time and it lasted

1375

01:06:17,789 --> 01:06:15,970

we cut a few tapes a few talk shows and

1376

01:06:20,760 --> 01:06:17,799

invited people and we even had Charlie

1377

01:06:22,559 --> 01:06:20,770

on one time yeah you know I remember I

1378

01:06:24,990 --> 01:06:22,569

remember seeing it now I don't know how

1379

01:06:27,450 --> 01:06:25,000

it was broadcaster maybe it was passed

1380

01:06:29,190 --> 01:06:27,460

around on on videotape or something but

1381

01:06:31,440 --> 01:06:29,200

Tim Schwartz and I were talking about

1382

01:06:32,700 --> 01:06:31,450

that just the other day about how we

1383

01:06:35,279 --> 01:06:32,710

remember seeing it

1384

01:06:38,670 --> 01:06:35,289

what was it broadcast locally down in

1385

01:06:41,160 --> 01:06:38,680

the Mississippi now is broadcast out of

1386

01:06:43,890 --> 01:06:41,170

New Orleans and oh it was just the four

1387

01:06:45,630 --> 01:06:43,900

go in national in a matter of fact the

1388

01:06:48,420 --> 01:06:45,640

only reason I got involved with that

1389

01:06:51,750 --> 01:06:48,430

bunch on the deal they wanted to make a

1390

01:06:54,809 --> 01:06:51,760

fishing show and back then fishing shows

1391

01:06:59,039 --> 01:06:54,819

was real popular you know yeah we when I

1392

01:07:01,950 --> 01:06:59,049

started that and then though Jimmy or

1393

01:07:06,180 --> 01:07:01,960

these guys got involved in these UFOs

1394

01:07:08,370 --> 01:07:06,190

you know and psychics so well that's how

1395

01:07:10,950 --> 01:07:08,380

I ended up getting all that but it just

1396

01:07:12,599 --> 01:07:10,960

lost interest I lost interest in it went

1397

01:07:15,150 --> 01:07:12,609

on to something else and I think they

1398

01:07:18,059 --> 01:07:15,160

kept it going for a little while but we

1399

01:07:20,819 --> 01:07:18,069

went and made some real good talk shows

1400

01:07:23,010 --> 01:07:20,829

and they cut it on three-quarter one

1401

01:07:26,039 --> 01:07:23,020

inch tape you know for regular

1402

01:07:30,210 --> 01:07:26,049

commercial TVs you know it went over

1403

01:07:33,900 --> 01:07:30,220

good hit him so for a little while and

1404

01:07:36,120 --> 01:07:33,910

they had it all syndicated but I was at

1405

01:07:37,859 --> 01:07:36,130

that time I was gonna get into that for

1406

01:07:39,779 --> 01:07:37,869

a little bit and I just got tired and

1407

01:07:42,539 --> 01:07:39,789

the reason why I wanted to hear

1408

01:07:46,410 --> 01:07:42,549

everybody else's story I was looking for

1409

01:07:48,690 --> 01:07:46,420

information in oh because I was still

1410

01:07:49,920 --> 01:07:48,700

having a hard time myself believing what

1411

01:07:51,720 --> 01:07:49,930

had happened to me

1412

01:07:53,700 --> 01:07:51,730

I was trying to throw it off on

1413

01:07:56,460 --> 01:07:53,710

everything else and they said no you

1414

01:08:00,900 --> 01:07:56,470

know this happened and I really felt

1415

01:08:01,789 --> 01:08:00,910

like myself I felt like if it was a UFO

1416

01:08:07,289 --> 01:08:01,799

was something's probably

1417

01:08:10,470 --> 01:08:07,299

interdimensional mm-hmm but here now do

1418

01:08:13,859 --> 01:08:10,480

you remember I vaguely remember you you

1419

01:08:17,720 --> 01:08:13,869

said saying it you're doing your lecture

1420

01:08:20,070 --> 01:08:17,730

that the this space of a woman or this

1421

01:08:23,510 --> 01:08:20,080

individual told you that they were

1422

01:08:26,910 --> 01:08:23,520

responsible for bringing aids to earth

1423

01:08:30,360 --> 01:08:26,920

now I don't think I ever said that but

1424

01:08:33,149 --> 01:08:30,370

uh you know I've always said that that

1425

01:08:38,430 --> 01:08:33,159

was more like demons and kind of afraid

1426

01:08:40,019 --> 01:08:38,440

you know instead of instead of from

1427

01:08:42,209 --> 01:08:40,029

other planets or something I always

1428

01:08:44,519 --> 01:08:42,219

thought they were kind of like a demon

1429

01:08:47,490 --> 01:08:44,529

you know you know you hear demons being

1430

01:08:49,439 --> 01:08:47,500

spoke of in the Bible and stuff now your

1431

01:08:51,360 --> 01:08:49,449

mind I was just trying to place them

1432

01:08:53,820 --> 01:08:51,370

where they was from and what they was

1433

01:08:57,809 --> 01:08:53,830

doing here and while they was a mess and

1434

01:09:03,390 --> 01:08:57,819

will mean well now what do you think

1435

01:09:07,260 --> 01:09:03,400

though that now Charlie when he went

1436

01:09:09,510 --> 01:09:07,270

public he seemed to have a more well

1437

01:09:12,780 --> 01:09:09,520

would you call a spiritual approach to

1438

01:09:16,950 --> 01:09:12,790

the experience in fact he kind of

1439

01:09:19,680 --> 01:09:16,960

insinuated that he was the chosen that

1440

01:09:22,289 --> 01:09:19,690

that he was respondent and I don't

1441

01:09:25,410 --> 01:09:22,299

remember Tim do you remember what his

1442

01:09:28,050 --> 01:09:25,420

message was I think he had Deb oh maybe

1443

01:09:31,860 --> 01:09:28,060

some prophecies or things that he said

1444

01:09:33,510 --> 01:09:31,870

we're going to to transpire no I can't I

1445

01:09:37,019 --> 01:09:33,520

can't remember what the what the details

1446

01:09:39,930 --> 01:09:37,029

were on that too but yeah I remember

1447

01:09:46,200 --> 01:09:39,940

that aspect but I guess yeah what the

1448

01:09:48,720 --> 01:09:46,210

details were I don't remember you know

1449

01:09:50,970 --> 01:09:48,730

for myself as far as Charlie I never

1450

01:09:53,240 --> 01:09:50,980

really sat down until we had him one

1451
01:09:55,860 --> 01:09:53,250
time on a show and talk to him and know

1452
01:09:57,780 --> 01:09:55,870
you know even though I was with him

1453
01:10:01,290 --> 01:09:57,790
these things in my mind that I doubted

1454
01:10:03,810 --> 01:10:01,300
about it too and that's just me though

1455
01:10:05,850 --> 01:10:03,820
I'm one of these type people show me

1456
01:10:09,300 --> 01:10:05,860
and I believe it unless she showed me I

1457
01:10:11,310 --> 01:10:09,310
don't believe nothing you say and that's

1458
01:10:15,270 --> 01:10:11,320
just where I was at that point in time

1459
01:10:18,959 --> 01:10:15,280
in my life but I know it was abducted

1460
01:10:21,569 --> 01:10:18,969
because I was there waiting or I didn't

1461
01:10:25,950 --> 01:10:21,579
seem in a shield but I you know he was

1462
01:10:27,750 --> 01:10:25,960
there we was together now once you had

1463
01:10:31,830 --> 01:10:27,760

this experience together

1464

01:10:37,200 --> 01:10:31,840

did you fall apart as friends or see

1465

01:10:42,330 --> 01:10:37,210

less of each other we did how I worked

1466

01:10:45,240 --> 01:10:42,340

one day at that shipyard the next day we

1467

01:10:48,089 --> 01:10:45,250

spent a case were in the hospital then

1468

01:10:51,839 --> 01:10:48,099

the next day dr. Hynek and the harder'

1469

01:10:54,240 --> 01:10:51,849

came down and then after all that I left

1470

01:10:56,669 --> 01:10:54,250

and I didn't want to see Charlie no more

1471

01:10:58,890 --> 01:10:56,679

you know I could care less and we bumped

1472

01:11:01,290 --> 01:10:58,900

into each other at places you know

1473

01:11:03,180 --> 01:11:01,300

sometime he would come home the

1474

01:11:05,839 --> 01:11:03,190

Sandersville and all not here he was

1475

01:11:07,830 --> 01:11:05,849

there but as far as talking or

1476

01:11:10,100 --> 01:11:07,840

communicating of each other that was

1477

01:11:11,220 --> 01:11:10,110

pretty much the end of our relationship

1478

01:11:14,339 --> 01:11:11,230

hmm

1479

01:11:16,260 --> 01:11:14,349

all right Tim will you need to go to our

1480

01:11:19,620 --> 01:11:16,270

bottom of the outlet break so that we

1481

01:11:27,820 --> 01:11:19,630

come back we have Warren exploring the

1482

01:11:34,550 --> 01:11:32,000

now back to exploring the bazaars with

1483

01:11:37,880 --> 01:11:34,560

two of the most electrifying researchers

1484

01:11:42,530 --> 01:11:37,890

in the Paranoid your hosts Timothy Becca

1485

01:11:44,660 --> 01:11:42,540

Lee panting sports all right welcome

1486

01:11:47,840 --> 01:11:44,670

back to exploring the bazaar in Tim here

1487

01:11:52,990 --> 01:11:47,850

we are the final segment of program yeah

1488

01:11:55,820 --> 01:11:53,000

it just seems like we just get started

1489

01:11:57,620 --> 01:11:55,830

the only reason that I'm so electrifying

1490

01:12:02,570 --> 01:11:57,630

because I said here with one finger in

1491

01:12:05,540 --> 01:12:02,580

this electric socket that's that makes

1492

01:12:07,640 --> 01:12:05,550

me electrifying other than that these

1493

01:12:10,640 --> 01:12:07,650

things are not quite as electrifying as

1494

01:12:12,380 --> 01:12:10,650

I yeah as I used to be in fact I feel

1495

01:12:14,210 --> 01:12:12,390

some days like I've been hit by a bolt

1496

01:12:15,560 --> 01:12:14,220

of lightning or something and we're

1497

01:12:19,430 --> 01:12:15,570

gonna start calling we're gonna start

1498

01:12:29,210 --> 01:12:19,440

calling you crankenstein well that's

1499

01:12:32,330 --> 01:12:29,220

okay we were just reminiscing during the

1500

01:12:35,050 --> 01:12:32,340

break at Jerry and I about how we've

1501

01:12:39,110 --> 01:12:35,060

known each other since probably about

1502

01:12:40,880 --> 01:12:39,120

1964 65 I would guess right we all you

1503

01:12:45,830 --> 01:12:40,890

have to read the high school so it would

1504

01:12:49,130 --> 01:12:45,840

have been probably 64 maybe 63 yeah we

1505

01:12:52,640 --> 01:12:49,140

we used to read we used to read Ray

1506

01:12:55,880 --> 01:12:52,650

Palmer's flying saucers magazine that

1507

01:12:59,570 --> 01:12:55,890

was yeah we all did I think that was the

1508

01:13:01,610 --> 01:12:59,580

only publication that I can think of of

1509

01:13:04,880 --> 01:13:01,620

course there are no publications anymore

1510

01:13:07,370 --> 01:13:04,890

today the last in the last printed

1511

01:13:09,590 --> 01:13:07,380

magazine in the English language is not

1512

01:13:13,070 --> 01:13:09,600

including 14 times because that's not

1513

01:13:17,080 --> 01:13:13,080

really all UFOs just folded and that was

1514

01:13:19,880 --> 01:13:17,090

the ufology magazine published out of

1515

01:13:22,460 --> 01:13:19,890

Australia that was the as far as I know

1516

01:13:26,960 --> 01:13:22,470

the last of the print magazines in

1517

01:13:30,950 --> 01:13:26,970

English and that and they kept it going

1518

01:13:32,270 --> 01:13:30,960

for about 25 years and that was a pretty

1519

01:13:34,130 --> 01:13:32,280

good magazine of course it was my

1520

01:13:35,360 --> 01:13:34,140

articles and Scott Perales and Tim

1521

01:13:38,660 --> 01:13:35,370

Schwartz and

1522

01:13:40,850 --> 01:13:38,670

a bill Chalker got in there once in a

1523

01:13:45,470 --> 01:13:40,860

while they they had a pretty big

1524

01:13:47,420 --> 01:13:45,480

international you know a flavor and then

1525

01:13:48,800 --> 01:13:47,430

that just all of a sudden boom they

1526

01:13:51,700 --> 01:13:48,810

weren't there anymore

1527

01:13:55,430 --> 01:13:51,710

of course there are the or there are the

1528

01:13:58,580 --> 01:13:55,440

internet publications the e magazines

1529

01:14:02,320 --> 01:13:58,590

most of which seem to come out of the UK

1530

01:14:05,300 --> 01:14:02,330

you've got phenomenon magazine you got

1531

01:14:07,490 --> 01:14:05,310

underground can't remember the name

1532

01:14:09,800 --> 01:14:07,500

they're going to kill me you've got

1533

01:14:13,580 --> 01:14:09,810

quite a few you know that are really

1534

01:14:15,500 --> 01:14:13,590

spectacular jobs but they're not in

1535

01:14:17,480 --> 01:14:15,510

print if I see an article and I want to

1536

01:14:20,780 --> 01:14:17,490

read it I print it out Jerry I can't

1537

01:14:23,180 --> 01:14:20,790

read it honestly no no it's my if the

1538

01:14:27,860 --> 01:14:23,190

articles of any length it's much easier

1539

01:14:31,280 --> 01:14:27,870

to read it on a piece of paper yeah I

1540

01:14:33,470 --> 01:14:31,290

don't know I now my Kindle I've got a

1541

01:14:35,480 --> 01:14:33,480

big 10 inch screen Kindle that's not too

1542

01:14:38,210 --> 01:14:35,490

bad because you tend maneuver the type

1543

01:14:39,440 --> 01:14:38,220

you know up and up and down and do you

1544

01:14:41,150 --> 01:14:39,450

think there are some people out there

1545

01:14:46,460 --> 01:14:41,160

Jerry that have never read an actual

1546

01:14:49,370 --> 01:14:46,470

book probably I was on an airplane last

1547

01:14:52,040 --> 01:14:49,380

year and I realized and there were a

1548

01:14:54,320 --> 01:14:52,050

bunch of people reading on the plane and

1549

01:14:56,900 --> 01:14:54,330

I realized that I was the only one who

1550

01:15:02,810 --> 01:14:56,910

was holding an actual book in his hand

1551

01:15:07,370 --> 01:15:02,820

ah well there yeah I think well yeah I

1552

01:15:10,130 --> 01:15:07,380

can't quite get into it but it is it is

1553

01:15:13,130 --> 01:15:10,140

what it is and just think long after

1554

01:15:15,890 --> 01:15:13,140

we're gone let's say another 30 years

1555

01:15:18,410 --> 01:15:15,900

from now what the heck will it be then

1556

01:15:21,560 --> 01:15:18,420

because you know it's going to change I

1557

01:15:24,050 --> 01:15:21,570

mean that's the whole idea of technology

1558

01:15:27,040 --> 01:15:24,060

but also to a business somebody else is

1559

01:15:30,650 --> 01:15:27,050

going to come along and try to you know

1560

01:15:32,690 --> 01:15:30,660

do the next guy one up and and so they

1561

01:15:34,970 --> 01:15:32,700

come up with some other form and I guess

1562

01:15:38,600 --> 01:15:34,980

eventually it'll be you know the

1563

01:15:40,910 --> 01:15:38,610

Holograms in your living room and then

1564

01:15:44,990 --> 01:15:40,920

I'm glad that I won't be around to have

1565

01:15:48,260 --> 01:15:45,000

to deal with that yeah from so we won't

1566

01:15:49,189 --> 01:15:48,270

know what's real or not well maybe the

1567

01:15:51,500 --> 01:15:49,199

aliens have this

1568

01:15:54,080 --> 01:15:51,510

technology maybe this is all of course

1569

01:15:57,350 --> 01:15:54,090

Richard shaver said this in the 1940s

1570

01:16:01,160 --> 01:15:57,360

that you know it was all holograms and

1571

01:16:03,229 --> 01:16:01,170

illusions to take our mind the way our

1572

01:16:05,899 --> 01:16:03,239

thoughts away from what really was

1573

01:16:07,910 --> 01:16:05,909

happening which was not necessarily the

1574

01:16:10,520 --> 01:16:07,920

objects in the sky it could have been

1575

01:16:13,790 --> 01:16:10,530

something you know going on on the on

1576

01:16:17,439 --> 01:16:13,800

the ground so I don't know I mean we're

1577

01:16:18,919 --> 01:16:17,449

jury where would you like to see this go

1578

01:16:22,459 --> 01:16:18,929

what gold

1579

01:16:26,750 --> 01:16:22,469

ufology yeah ufology yeah well what what

1580

01:16:29,180 --> 01:16:26,760

direction should we head I well I can

1581

01:16:31,129 --> 01:16:29,190

tell you that my direction is gone too I

1582

01:16:33,500 --> 01:16:31,139

don't even consider myself the ethology

1583

01:16:36,890 --> 01:16:33,510

anymore I think of myself as an

1584

01:16:43,009 --> 01:16:36,900

anomalous which is a fancy word for 40

1585

01:16:44,839 --> 01:16:43,019

in I really yes yeah yeah that I don't

1586

01:16:48,739 --> 01:16:44,849

really the people that I'm most

1587

01:16:51,319 --> 01:16:48,749

connected with I really kind of see the

1588

01:16:54,739 --> 01:16:51,329

UFO phenomenon it's just part of a much

1589

01:16:57,649 --> 01:16:54,749

larger tapestry of things that are all

1590

01:17:00,350 --> 01:16:57,659

related in some way that we just don't

1591

01:17:02,569 --> 01:17:00,360

understand but I mean I have ideas that

1592

01:17:06,439 --> 01:17:02,579

I this isn't the forum to go into them

1593

01:17:08,750 --> 01:17:06,449

because this is Calvin show but that's

1594

01:17:13,580 --> 01:17:08,760

generally how I have a broad outlook on

1595

01:17:15,259 --> 01:17:13,590

these things well okay we wanted we have

1596

01:17:18,290 --> 01:17:15,269

a few minutes left and we'll get back to

1597

01:17:20,959 --> 01:17:18,300

Calvin but what would you say Jerry are

1598

01:17:24,259 --> 01:17:20,969

your top three in cases I mean that you

1599

01:17:27,549 --> 01:17:24,269

believe are really our evidential that

1600

01:17:31,129 --> 01:17:27,559

proves that this is a you know all worth

1601

01:17:33,739 --> 01:17:31,139

investigating well I think that in terms

1602

01:17:37,339 --> 01:17:33,749

of the core phenomenon you know the

1603

01:17:39,350 --> 01:17:37,349

phenomenon that we attracted to us when

1604

01:17:42,319 --> 01:17:39,360

we were young and in the cases that

1605

01:17:45,049 --> 01:17:42,329

dominated the literature mass cases like

1606

01:17:47,750 --> 01:17:45,059

you know they're some of these airline

1607

01:17:51,640 --> 01:17:47,760

sightings and radar visual cases and

1608

01:17:55,459 --> 01:17:51,650

some of the SI toos the the well

1609

01:17:58,969 --> 01:17:55,469

investigated drone ground trace cases

1610

01:18:02,700 --> 01:17:58,979

are really quite evidential and they

1611

01:18:04,290 --> 01:18:02,710

really do speak to some kind of

1612

01:18:06,330 --> 01:18:04,300

technology and in fact in the new

1613

01:18:08,209 --> 01:18:06,340

edition of the encyclopedia which comes

1614

01:18:11,640 --> 01:18:08,219

out next week

1615

01:18:13,860 --> 01:18:11,650

Brad sparks an aerospace engineer in

1616

01:18:15,150 --> 01:18:13,870

Southern California is extremely

1617

01:18:17,130 --> 01:18:15,160

knowledgeable he's been studying

1618

01:18:19,709 --> 01:18:17,140

beautiful phenomenon all his life he's

1619

01:18:23,490 --> 01:18:19,719

very smart guy writes about these

1620

01:18:26,280 --> 01:18:23,500

technical cases and in the argues that

1621

01:18:31,050 --> 01:18:26,290

they are really strong and they're not

1622

01:18:33,030 --> 01:18:31,060

debunk able and and one day when science

1623

01:18:35,610 --> 01:18:33,040

decides it is not good to ignore this

1624

01:18:37,890 --> 01:18:35,620

subject and look at it seriously that's

1625

01:18:40,979 --> 01:18:37,900

where it will start and that may be a

1626

01:18:43,470 --> 01:18:40,989

whole category of its own that has

1627

01:18:45,900 --> 01:18:43,480

nothing to do with men in black and all

1628

01:18:48,330 --> 01:18:45,910

these other kinds of you know weirdness

1629

01:18:53,340 --> 01:18:48,340

it's gotten associated that that's the

1630

01:18:55,920 --> 01:18:53,350

only similarity between being the core

1631

01:18:59,370 --> 01:18:55,930

phenomenon the event Mahna Mahna and the

1632

01:19:01,140 --> 01:18:59,380

experience phenomenon is that the first

1633

01:19:04,229 --> 01:19:01,150

is really what it appears to be

1634

01:19:06,390 --> 01:19:04,239

somebody's alien technology and the

1635

01:19:08,040 --> 01:19:06,400

other the experience phenomenon is

1636

01:19:11,160 --> 01:19:08,050

something that's just taken on this

1637

01:19:12,660 --> 01:19:11,170

Toleration in our time that in another

1638

01:19:15,690 --> 01:19:12,670

time it would have taken on another

1639

01:19:16,830 --> 01:19:15,700

coloration you know for example you know

1640

01:19:18,959 --> 01:19:16,840

there was a long there's been a

1641

01:19:22,080 --> 01:19:18,969

long-standing tradition of encounters

1642

01:19:24,570 --> 01:19:22,090

with you know fairy folk oh yeah and you

1643

01:19:26,490 --> 01:19:24,580

study these encounters and they don't

1644

01:19:29,490 --> 01:19:26,500

convince you that there's a very real

1645

01:19:31,800 --> 01:19:29,500

but you do become convinced if you're it

1646

01:19:35,340 --> 01:19:31,810

all open mind about that it is entirely

1647

01:19:37,950 --> 01:19:35,350

possible to have these experiences which

1648

01:19:40,050 --> 01:19:37,960

are you know vivid and memorable and

1649

01:19:42,270 --> 01:19:40,060

people have encounters with monsters and

1650

01:19:45,120 --> 01:19:42,280

other kinds of extraordinary creatures

1651
01:19:49,170 --> 01:19:45,130
and these experiences probably are not

1652
01:19:51,570 --> 01:19:49,180
taking place and consensus reality but

1653
01:19:53,700 --> 01:19:51,580
they're happening on experiential level

1654
01:19:57,030 --> 01:19:53,710
and they're very real and highly

1655
01:19:59,430 --> 01:19:57,040
anomalous and so I think that like you

1656
01:20:02,100 --> 01:19:59,440
know arguably abductions to at least

1657
01:20:05,250 --> 01:20:02,110
some of them many of them most of them

1658
01:20:07,940 --> 01:20:05,260
are part of this experience phenomenon

1659
01:20:11,880 --> 01:20:07,950
that is you know just attached to us

1660
01:20:13,770 --> 01:20:11,890
attached to the UFO phenomenon enough of

1661
01:20:15,930 --> 01:20:13,780
the close encounter of the second kind

1662
01:20:16,890 --> 01:20:15,940
of radar visual just taking on that

1663
01:20:18,870 --> 01:20:16,900

color

1664

01:20:21,510 --> 01:20:18,880

but it's not the same thing it's

1665

01:20:23,729 --> 01:20:21,520

fundamentally different it has only a

1666

01:20:25,410 --> 01:20:23,739

superficial resemblance this is the

1667

01:20:28,500 --> 01:20:25,420

conclusion that I have come to it

1668

01:20:32,339 --> 01:20:28,510

written about it well that's going to be

1669

01:20:35,339 --> 01:20:32,349

pretty hard to proof I mean like the

1670

01:20:38,280 --> 01:20:35,349

paranormal aspect of any of this because

1671

01:20:41,879 --> 01:20:38,290

it's kind of like they're not provable

1672

01:20:44,879 --> 01:20:41,889

it's provable yeah happen it happens in

1673

01:20:48,870 --> 01:20:44,889

experience but it doesn't happen

1674

01:20:51,000 --> 01:20:48,880

in the kind of material reality that the

1675

01:20:53,760 --> 01:20:51,010

core UFO phenomenon seems to be

1676

01:20:57,390 --> 01:20:53,770

occurring it in other words in a core

1677

01:20:59,760 --> 01:20:57,400

event you can track it on radar you can

1678

01:21:02,550 --> 01:20:59,770

study the traces of leaves on the ground

1679

01:21:06,270 --> 01:21:02,560

and find really very strange content in

1680

01:21:10,020 --> 01:21:06,280

the soil but the other kinds of

1681

01:21:13,050 --> 01:21:10,030

experiences feel just as real but

1682

01:21:16,319 --> 01:21:13,060

they're really not happening within the

1683

01:21:19,370 --> 01:21:16,329

reality that we commonly refer to is you

1684

01:21:23,300 --> 01:21:19,380

know the consensus reality level reality

1685

01:21:25,800 --> 01:21:23,310

well you know I just saw today I

1686

01:21:30,030 --> 01:21:25,810

purchased a copy of the hunt for the

1687

01:21:35,970 --> 01:21:30,040

skinwalker which is a two hour and a 15

1688

01:21:39,899 --> 01:21:35,980

minute video production with Elena's

1689

01:21:42,660 --> 01:21:39,909

Gary Carell and George Knapp and of

1690

01:21:46,580 --> 01:21:42,670

course there you've got the whole litany

1691

01:21:52,200 --> 01:21:46,590

of UFO and paranormal phenomena from

1692

01:21:56,430 --> 01:21:52,210

lights in the sky and crypto 8 creatures

1693

01:22:00,240 --> 01:21:56,440

and a holes being dug and the sound of

1694

01:22:05,459 --> 01:22:00,250

machinery coming from underground very

1695

01:22:07,439 --> 01:22:05,469

very bizarre and very strange but I have

1696

01:22:10,140 --> 01:22:07,449

Jerry one last the question here to

1697

01:22:12,629 --> 01:22:10,150

throw at you regarding Pascagoula Philip

1698

01:22:16,260 --> 01:22:12,639

mantle the publisher of Calvin's book

1699

01:22:18,660 --> 01:22:16,270

has asked me I guess and a lot of other

1700

01:22:23,580 --> 01:22:18,670

people on Facebook what happened to dr.

1701

01:22:27,540 --> 01:22:23,590

Hynek files on the subject well they're

1702

01:22:29,510 --> 01:22:27,550

still there there I mean the the office

1703

01:22:32,510 --> 01:22:29,520

for the center fee of all sizes

1704

01:22:35,690 --> 01:22:32,520

down some years ago but the material it

1705

01:22:37,880 --> 01:22:35,700

was in there which was extremely helpful

1706

01:22:40,730 --> 01:22:37,890

to me in writing the uf1 cyclopædia

1707

01:22:42,560 --> 01:22:40,740

series by the way still there it's in a

1708

01:22:45,410 --> 01:22:42,570

private residence a woman who's

1709

01:22:48,980 --> 01:22:45,420

associated with the center who lives in

1710

01:22:52,490 --> 01:22:48,990

a suburb in North Side Chicago the

1711

01:22:56,450 --> 01:22:52,500

Northside suburb of Chicago all that

1712

01:22:59,060 --> 01:22:56,460

stuff is there and one that wasn't what

1713

01:23:05,920 --> 01:22:59,070

wasn't some of the material they'll put

1714

01:23:08,240 --> 01:23:05,930

in storage somewhere in Tucson no I

1715

01:23:14,990 --> 01:23:08,250

understand the source of the question

1716

01:23:21,460 --> 01:23:15,000

but no Charles our state it was the a

1717

01:23:26,570 --> 01:23:21,470

profiles that were disappeared in Tucson

1718

01:23:29,600 --> 01:23:26,580

in a private ownership inaccessible as I

1719

01:23:32,690 --> 01:23:29,610

understand I'm putting it kindly yeah

1720

01:23:34,670 --> 01:23:32,700

yes okay well I I have had a weird

1721

01:23:36,320 --> 01:23:34,680

experience with a pro which I described

1722

01:23:38,630 --> 01:23:36,330

as synchronicity with the license plate

1723

01:23:40,940 --> 01:23:38,640

no bit but I won't go into that tonight

1724

01:23:45,560 --> 01:23:40,950

but Calvin getting it getting back to

1725

01:23:48,110 --> 01:23:45,570

your experience in your story if you had

1726

01:23:49,420 --> 01:23:48,120

to do it all over again wait not that

1727

01:23:53,000 --> 01:23:49,430

you were in control of the situation

1728

01:23:56,600 --> 01:23:53,010

would you have rather that the aliens or

1729

01:23:58,580 --> 01:23:56,610

whoever was piloting the the craft had

1730

01:24:03,640 --> 01:23:58,590

flown over your head and picked up the

1731

01:24:06,710 --> 01:24:03,650

next guy fishing on the pier or are you

1732

01:24:09,920 --> 01:24:06,720

happy well maybe happy isn't the best

1733

01:24:11,600 --> 01:24:09,930

word but you know lucky that you were

1734

01:24:14,240 --> 01:24:11,610

chosen I mean it is an earth-shaking

1735

01:24:17,510 --> 01:24:14,250

experience but it's one that few other

1736

01:24:19,010 --> 01:24:17,520

people have I would hate to see anyone

1737

01:24:25,130 --> 01:24:19,020

have to go through what I've been

1738

01:24:28,250 --> 01:24:25,140

through of all this I don't know chosen

1739

01:24:32,240 --> 01:24:28,260

would be the right word or not at times

1740

01:24:34,370 --> 01:24:32,250

it was torture and that's my outlook on

1741

01:24:37,370 --> 01:24:34,380

things then times just been pretty good

1742

01:24:41,180 --> 01:24:37,380

here lately hadn't been so bad since

1743

01:24:43,330 --> 01:24:41,190

I've written a book and the reason I

1744

01:24:46,250 --> 01:24:43,340

wanted to write this book

1745

01:24:48,589 --> 01:24:46,260

everybody has an expiration date on her

1746

01:24:51,320 --> 01:24:48,599

head and minds getting a little closer

1747

01:24:54,790 --> 01:24:51,330

than most anybody hmm yeah you and me

1748

01:24:57,830 --> 01:24:54,800

both yeah yeah and if you think about it

1749

01:25:00,290 --> 01:24:57,840

everybody's kind of dying out and I

1750

01:25:02,540 --> 01:25:00,300

wanted to document this you know

1751

01:25:06,140 --> 01:25:02,550

philipson want to talk me into really

1752

01:25:09,500 --> 01:25:06,150

doing it oh yeah your legacy where it

1753

01:25:11,600 --> 01:25:09,510

won't change and that's what I wanted to

1754

01:25:15,410 --> 01:25:11,610

do cuz I've never told my story you know

1755

01:25:17,000 --> 01:25:15,420

I've never I tell reporters anything

1756

01:25:18,680 --> 01:25:17,010

they want to hear it didn't matter to me

1757

01:25:22,550 --> 01:25:18,690

because I didn't like reporters

1758

01:25:24,919 --> 01:25:22,560

and just here lately I'm getting where I

1759

01:25:26,930 --> 01:25:24,929

feel a little better about them because

1760

01:25:28,879 --> 01:25:26,940

they make a little more sense of what

1761

01:25:30,470 --> 01:25:28,889

they used to back then used to they

1762

01:25:32,629 --> 01:25:30,480

thought they had a they like a

1763

01:25:35,120 --> 01:25:32,639

weatherman you know you see a weatherman

1764

01:25:37,220 --> 01:25:35,130

go out go sit through a hurricane he's

1765

01:25:39,140 --> 01:25:37,230

gonna find I rough his place he can find

1766

01:25:39,589 --> 01:25:39,150

will the rain gutter pouring down on his

1767

01:25:44,030 --> 01:25:39,599

head

1768

01:25:45,950 --> 01:25:44,040

and get out there a night like that's

1769

01:25:48,080 --> 01:25:45,960

for sure I've see I've seen that on the

1770

01:25:50,270 --> 01:25:48,090

on the TV they'll find a place that's

1771

01:25:52,250 --> 01:25:50,280

like a a wind tunnel so it looks like

1772

01:25:54,500 --> 01:25:52,260

they're being not you know bowled over

1773

01:25:56,120 --> 01:25:54,510

by the storm or something course now

1774

01:25:57,680 --> 01:25:56,130

with the storm out there today I don't

1775

01:26:02,030 --> 01:25:57,690

know if they're necessarily gonna have

1776

01:26:05,000 --> 01:26:02,040

to do that is there anything that you

1777

01:26:07,760 --> 01:26:05,010

would have changed or anything that you

1778

01:26:13,430 --> 01:26:07,770

didn't reveal that you would like to

1779

01:26:16,270 --> 01:26:13,440

reveal uh not right now it's kinda like

1780

01:26:19,250 --> 01:26:16,280

I say I got the bull kiss after Oh

1781

01:26:22,220 --> 01:26:19,260

actually if I had my choice I never

1782

01:26:25,220 --> 01:26:22,230

would have roped a bull you know but now

1783

01:26:27,290 --> 01:26:25,230

that I'm into it it's good speaking

1784

01:26:32,419 --> 01:26:27,300

about it and being able to talk about it

1785

01:26:34,490 --> 01:26:32,429

and I hope to open up more people that's

1786

01:26:38,500 --> 01:26:34,500

had some kind of experience where it's

1787

01:26:43,129 --> 01:26:38,510

been a UFO reduction or maybe you

1788

01:26:45,589 --> 01:26:43,139

paranormal some yeah you know to talk

1789

01:26:49,129 --> 01:26:45,599

about things and not just keep it under

1790

01:26:51,140 --> 01:26:49,139

her hat like I did for years I didn't

1791

01:26:54,470 --> 01:26:51,150

want nobody didn't know I'd seen one

1792

01:26:56,360 --> 01:26:54,480

well you didn't have a choice as much

1793

01:26:58,190 --> 01:26:56,370

medias attention now

1794

01:27:01,940 --> 01:26:58,200

they thought the media would calm down

1795

01:27:03,860 --> 01:27:01,950

over this after 45 years but they just

1796

01:27:06,730 --> 01:27:03,870

they worse now than what they were then

1797

01:27:07,910 --> 01:27:06,740

but that's because of the book I guess

1798

01:27:12,920 --> 01:27:07,920

mm-hmm

1799

01:27:17,570 --> 01:27:12,930

so has anybody come forward over the

1800

01:27:19,220 --> 01:27:17,580

years to a claim that they were involved

1801
01:27:22,130 --> 01:27:19,230
in this I mean maybe had a sighting the

1802
01:27:27,350 --> 01:27:22,140
same night or I can validate the same

1803
01:27:30,620 --> 01:27:27,360
type of experience while they have it

1804
01:27:33,860 --> 01:27:30,630
had been too long ago that I was I

1805
01:27:37,460 --> 01:27:33,870
forget her name come fold got a hold of

1806
01:27:41,630 --> 01:27:37,470
Philip and actually laid some

1807
01:27:44,090 --> 01:27:41,640
documentation out and he had translated

1808
01:27:47,710 --> 01:27:44,100
into English because they was from I

1809
01:27:50,600 --> 01:27:47,720
forget where they was from but anyhow he

1810
01:27:53,390 --> 01:27:50,610
translated it into English and put it up

1811
01:27:56,210 --> 01:27:53,400
and they had actually come down to see

1812
01:27:58,940 --> 01:27:56,220
Charlie you know I was gone they said

1813
01:28:04,420 --> 01:27:58,950

they'd seen me but I wasn't at that time

1814

01:28:09,560 --> 01:28:04,430

I was in Laurel Mississippi hiding but

1815

01:28:12,560 --> 01:28:09,570

they all actually had documented this

1816

01:28:14,780 --> 01:28:12,570

case and it's been a lot of people come

1817

01:28:18,010 --> 01:28:14,790

forward believable people and then

1818

01:28:21,230 --> 01:28:18,020

agents and nuts to come forward on it I

1819

01:28:24,290 --> 01:28:21,240

bet you Tim you have a couple questions

1820

01:28:27,110 --> 01:28:24,300

there evidence well yeah one of the

1821

01:28:28,250 --> 01:28:27,120

things that that the Calvin you said

1822

01:28:32,180 --> 01:28:28,260

earlier and I found this interesting

1823

01:28:33,860 --> 01:28:32,190

because you know that naturally there's

1824

01:28:35,030 --> 01:28:33,870

a little bit a lot of people says oh you

1825

01:28:36,680 --> 01:28:35,040

know these guys sisters you know this

1826

01:28:39,560 --> 01:28:36,690

Manor all have it as a hoax just to try

1827

01:28:43,460 --> 01:28:39,570

to make you know money however you had

1828

01:28:46,460 --> 01:28:43,470

said that before this incident you had

1829

01:28:49,960 --> 01:28:46,470

never even heard of UFOs no sir

1830

01:28:52,420 --> 01:28:49,970

I didn't have any clue I'm out of

1831

01:28:57,610 --> 01:28:52,430

suspected ghosts or something like that

1832

01:29:00,800 --> 01:28:57,620

but oh no UFOs I did when they said a

1833

01:29:03,500 --> 01:29:00,810

UFO inducted somebody you know I did

1834

01:29:06,230 --> 01:29:03,510

I never heard until after this happened

1835

01:29:08,930 --> 01:29:06,240

I never heard of the bonny Barney and

1836

01:29:10,129 --> 01:29:08,940

Betty hill case or the Travis walk well

1837

01:29:14,659 --> 01:29:10,139

sir I think Travis

1838

01:29:17,299 --> 01:29:14,669

was after hours or going back to Roswell

1839

01:29:21,020 --> 01:29:17,309

and all but after that you know I've

1840

01:29:24,139 --> 01:29:21,030

been around like Jesse Marcel Colonel

1841

01:29:26,899 --> 01:29:24,149

Jesse Marcel on his deathbed he sent a

1842

01:29:30,080 --> 01:29:26,909

lady over to get me to come talk to him

1843

01:29:32,509 --> 01:29:30,090

and I sat down and talked to the man

1844

01:29:35,899 --> 01:29:32,519

probably 45 minutes to read give out and

1845

01:29:38,029 --> 01:29:35,909

then I left but he swears everything was

1846

01:29:40,850 --> 01:29:38,039

true and you know a man's deathbed he's

1847

01:29:43,639 --> 01:29:40,860

not gonna lie to you like Betty and

1848

01:29:46,040 --> 01:29:43,649

Barney Hill last thing they want to do

1849

01:29:47,779 --> 01:29:46,050

is draw attention to herself a white

1850

01:29:50,600 --> 01:29:47,789

woman married to a black man in the

1851
01:29:56,770 --> 01:29:50,610
sixties that was unheard of last thing

1852
01:30:00,799 --> 01:29:56,780
more boys attention oh yeah and so after

1853
01:30:04,009 --> 01:30:00,809
after this you have you have you ever

1854
01:30:07,549 --> 01:30:04,019
had any other experiences or you know

1855
01:30:10,009 --> 01:30:07,559
seen anything else you know in the sky

1856
01:30:11,810 --> 01:30:10,019
I would imagine though that I mean you

1857
01:30:13,729 --> 01:30:11,820
know considering what's your initial

1858
01:30:15,620 --> 01:30:13,739
reaction to your experience and if you

1859
01:30:20,359 --> 01:30:15,630
didn't see something this guy's like I'm

1860
01:30:23,120 --> 01:30:20,369
just gonna go and go inside now well I

1861
01:30:26,120 --> 01:30:23,130
still do a lot of fishing and I do alot

1862
01:30:28,100 --> 01:30:26,130
of fishing at night and the reason that

1863
01:30:31,969 --> 01:30:28,110

I fish at night you know a lot being I

1864

01:30:34,069 --> 01:30:31,979

talk to myself and you look up in the

1865

01:30:37,580 --> 01:30:34,079

sky and you see some it could be a

1866

01:30:39,830 --> 01:30:37,590

shooting star some one one morning my

1867

01:30:43,279 --> 01:30:39,840

wife and I was fishing and I was

1868

01:30:45,979 --> 01:30:43,289

stretched out on the boat taking a nap

1869

01:30:48,319 --> 01:30:45,989

we got a pontoon boat and I was looking

1870

01:30:50,600 --> 01:30:48,329

up there was a big silver thing just

1871

01:30:53,509 --> 01:30:50,610

come over but it just so happened to be

1872

01:30:54,169 --> 01:30:53,519

the Goodyear blimp so but that was kind

1873

01:30:58,639 --> 01:30:54,179

of scary

1874

01:31:01,339 --> 01:30:58,649

I bet well I had and your wife I know

1875

01:31:04,189 --> 01:31:01,349

that you've said that the the support of

1876

01:31:08,239 --> 01:31:04,199

your wife has been really a crucial

1877

01:31:10,399 --> 01:31:08,249

through all this yeah and you know her

1878

01:31:13,129 --> 01:31:10,409

and I never have talked about this up

1879

01:31:15,919 --> 01:31:13,139

until lately and the reason we talked

1880

01:31:18,620 --> 01:31:15,929

about it she got to want me to do a book

1881

01:31:21,560 --> 01:31:18,630

to put it all in there but we had went

1882

01:31:23,750 --> 01:31:21,570

to awake that a friend of ours and a

1883

01:31:26,660 --> 01:31:23,760

neighbor had passed away

1884

01:31:29,600 --> 01:31:26,670

and I have signed a register now you'd

1885

01:31:32,300 --> 01:31:29,610

figure after 40 40 something years that

1886

01:31:35,150 --> 01:31:32,310

uh people wouldn't remember you but

1887

01:31:37,610 --> 01:31:35,160

people recognize my name and where we

1888

01:31:39,650 --> 01:31:37,620

was from down here on the coast and they

1889

01:31:42,710 --> 01:31:39,660

come over started asking me questions

1890

01:31:44,750 --> 01:31:42,720

about it no and I just got um left the

1891

01:31:46,430 --> 01:31:44,760

way cuz I didn't want to take away from

1892

01:31:48,130 --> 01:31:46,440

the family you know and that was no

1893

01:31:51,260 --> 01:31:48,140

place for none of this

1894

01:31:54,710 --> 01:31:51,270

mmm so on the way home she said maybe

1895

01:31:57,290 --> 01:31:54,720

you're to write a book I said okay I

1896

01:32:00,290 --> 01:31:57,300

said you know I don't have much

1897

01:32:02,690 --> 01:32:00,300

education I don't I don't you know

1898

01:32:07,490 --> 01:32:02,700

English so my worst subject in

1899

01:32:11,210 --> 01:32:07,500

literature so uh but I got home and a

1900

01:32:13,729 --> 01:32:11,220

day or two later Phillip Mandel with a

1901

01:32:16,610 --> 01:32:13,739

flying disc had called and just wanted

1902

01:32:19,850 --> 01:32:16,620

to talk to me and he mention well Calvin

1903

01:32:22,160 --> 01:32:19,860

why don't you do a book you documented

1904

01:32:24,110 --> 01:32:22,170

and you write it down like you want it

1905

01:32:26,660 --> 01:32:24,120

and people can't change it it's in there

1906

01:32:29,330 --> 01:32:26,670

is documented and that made a lot of

1907

01:32:32,630 --> 01:32:29,340

sense to me so that's why I decided to

1908

01:32:35,210 --> 01:32:32,640

do a bull it wasn't for me because I'm

1909

01:32:37,040 --> 01:32:35,220

retired and got my living maiden was

1910

01:32:38,780 --> 01:32:37,050

fishing four or five days a week

1911

01:32:43,130 --> 01:32:38,790

and I hadn't been fishing since his

1912

01:32:46,760 --> 01:32:43,140

books come out and well well you know

1913

01:32:48,530 --> 01:32:46,770

I've semi-retired myself I'm 71 but I

1914

01:32:52,040 --> 01:32:48,540

still published three books a month and

1915

01:32:54,190 --> 01:32:52,050

of course our most recent one that just

1916

01:32:57,140 --> 01:32:54,200

came out a couple of days ago is called

1917

01:32:58,820 --> 01:32:57,150

screwed by the aliens it's about people

1918

01:33:02,750 --> 01:32:58,830

who have a claim that they've had actual

1919

01:33:05,020 --> 01:33:02,760

sexual encounters with ETS very strange

1920

01:33:07,430 --> 01:33:05,030

subject but fairly well documented

1921

01:33:10,280 --> 01:33:07,440

anyway we're we're approaching the

1922

01:33:16,790 --> 01:33:10,290

midnight hour here on the East Coast and

1923

01:33:19,820 --> 01:33:16,800

so one one time around the table Jerry

1924

01:33:21,650 --> 01:33:19,830

your book it's available in a week one

1925

01:33:24,380 --> 01:33:21,660

volume er is that how many volumes is it

1926

01:33:26,780 --> 01:33:24,390

it's it's a third edition the UFO on

1927

01:33:28,520 --> 01:33:26,790

cyclopædia the full title of the UFO

1928

01:33:30,920 --> 01:33:28,530

encyclopedia third edition the

1929

01:33:36,620 --> 01:33:30,930

phenomenon from the beginning it's two

1930

01:33:37,310 --> 01:33:36,630

volumes 1500 pages total and it's

1931

01:33:40,760 --> 01:33:37,320

available

1932

01:33:43,040 --> 01:33:40,770

I assure from from the usual book

1933

01:33:45,470 --> 01:33:43,050

answers there you go

1934

01:33:47,240 --> 01:33:45,480

well it's a it's a phenomenal a job was

1935

01:33:50,000 --> 01:33:47,250

it updated at all or is it pretty much

1936

01:33:52,760 --> 01:33:50,010

oh yeah no there's it was updated

1937

01:33:55,790 --> 01:33:52,770

there's a no it's not just the third

1938

01:33:58,310 --> 01:33:55,800

printing it is literally quite quite

1939

01:34:01,729 --> 01:33:58,320

different from the second dition plenty

1940

01:34:04,609 --> 01:34:01,739

of new material updated material sneak

1941

01:34:07,609 --> 01:34:04,619

peeks take me sneak me a review copy and

1942

01:34:10,310 --> 01:34:07,619

and Calvin bless you for being on and

1943

01:34:14,270 --> 01:34:10,320

for telling your your story and us

1944

01:34:19,580 --> 01:34:14,280

hooking up again after all these years

1945

01:34:23,030 --> 01:34:19,590

and the title of your book pass pagolo

1946

01:34:25,729 --> 01:34:23,040

the closest encounter my story Calvin

1947

01:34:31,189 --> 01:34:25,739

Parker you get it through Amazon right

1948

01:34:32,990 --> 01:34:31,199

now I'm sure people will be reading it

1949

01:34:37,149 --> 01:34:33,000

are are you going on a lecture tour I

1950

01:34:40,819 --> 01:34:37,159

mean are you appearing anywhere publicly

1951

01:34:42,530 --> 01:34:40,829

the only conference event that I think

1952

01:34:45,740 --> 01:34:42,540

about that I'm gonna make would be the

1953

01:34:48,200 --> 01:34:45,750

Ozark Mountain Conference yeah

1954

01:34:50,689 --> 01:34:48,210

they contacted me to go there and April

1955

01:34:52,879 --> 01:34:50,699

so I am going I agreed to go that one

1956

01:34:55,819 --> 01:34:52,889

and then it's just up in the air after

1957

01:34:58,310 --> 01:34:55,829

that depends on though what happened

1958

01:35:00,560 --> 01:34:58,320

Philip I've never met Philip in about to

1959

01:35:02,780 --> 01:35:00,570

get one going on in the UK you know I

1960

01:35:05,419 --> 01:35:02,790

would yeah yeah yeah well there are

1961

01:35:07,280 --> 01:35:05,429

there are some conferences there well

1962

01:35:09,379 --> 01:35:07,290

yeah we've we've run out of time and

1963

01:35:12,890 --> 01:35:09,389

it's been a spectacular show and I want

1964

01:35:14,930 --> 01:35:12,900

to thank our co-host the court so Tim

1965

01:35:17,209 --> 01:35:14,940

Schwartz and our guest tonight in Peter

1966

01:35:20,060 --> 01:35:17,219

Bernard and Helen and Carol Rodriguez

1967

01:35:22,970 --> 01:35:20,070

and Tina our producer and everybody who

1968

01:35:31,149 --> 01:35:22,980

helps us put this together god bless and

1969

01:35:37,570 --> 01:35:33,580
