strap yourself in as we traverse the

5
00:00:55,930 --> 00:00:51,489

universe exploring the unexplained UFO s

6
00:01:00,069 --> 00:00:55,940

ghosts Lost Worlds cryptozoology waters

7
00:01:04,570 --> 00:01:00,079

as well as other dimensions it's time to

8
00:01:06,820 --> 00:01:04,580

take back the night last night now your

9
00:01:17,370 --> 00:01:06,830

electrifying hosts of exploring the

10
00:01:28,440 --> 00:01:23,199

rolling down the ever knew me and my

11
00:01:31,389 --> 00:01:28,450

shadow nada so to tell our troubles to

12
00:01:34,410 --> 00:01:31,399

Tim why are you thinking of something

13
00:01:37,419 --> 00:01:34,420

why are you singing a song about shadows

14

00:01:40,270 --> 00:01:37,429

can't you see they're all around us with

15

00:01:42,789 --> 00:01:40,280

their tall hats and long hands they're

16

00:01:47,050 --> 00:01:42,799

creeping and crawling and coming towards

17

00:01:50,440 --> 00:01:47,060

us okay well I thought you were going a

18

00:01:51,819 --> 00:01:50,450

bit deaf there but but yeah all right I

19

00:01:54,760 --> 00:01:51,829

see what you mean

20

00:01:58,300 --> 00:01:54,770

I guess you thought your singing would

21

00:02:00,459 --> 00:01:58,310

would keep them away I know it's doing a

22

00:02:02,459 --> 00:02:00,469

number for me well maybe we should get

23

00:02:05,440 --> 00:02:02,469

back to the case er our radio station

24

00:02:09,160 --> 00:02:05,450

where it's bound to be safe

25

00:02:11,050 --> 00:02:09,170

ah you're right Tina could always hit

26

00:02:13,960 --> 00:02:11,060

him with one of her 10 pound bowling

27

00:02:16,569 --> 00:02:13,970

balls no no come to think of it oh no

28

00:02:19,020 --> 00:02:16,579

come to think of us they wouldn't work

29

00:02:26,160 --> 00:02:19,030

their shadows and they would be immune

30

00:02:30,970 --> 00:02:26,170

me and my shadow are you still there

31

00:02:36,340 --> 00:02:30,980

shadows got you yeah the question is are

32

00:02:38,050 --> 00:02:36,350

you all still there that's yeah well

33

00:02:43,720 --> 00:02:38,060

after that I think we lost both our

34

00:02:46,589 --> 00:02:43,730

guests so they'll be well in fact it may

35

00:02:48,619 --> 00:02:46,599

have been hey I've been doing all right

36

00:02:51,979 --> 00:02:48,629

just

37

00:02:55,670 --> 00:02:51,989

I know that that you said you may be a

38

00:02:57,440 --> 00:02:55,680

little bit under the weather but our our

39

00:03:00,259 --> 00:02:57,450

whole state has been under the weather

40

00:03:02,989 --> 00:03:00,269

in this past week I think we've got more

41

00:03:05,959 --> 00:03:02,999

rain this this past week and we have the

42

00:03:08,240 --> 00:03:05,969

last two months well we had the great

43

00:03:10,640 --> 00:03:08,250

you know I remember and one of my books

44

00:03:13,190 --> 00:03:10,650

years ago I was psychic in UFO

45

00:03:15,319 --> 00:03:13,200

revelations and yeah yesterday in the

46

00:03:17,839 --> 00:03:15,329

last days we talked about New York City

47

00:03:20,809 --> 00:03:17,849

being under water well New York City

48

00:03:22,909 --> 00:03:20,819

seems to be pretty immune but boy you go

49

00:03:25,490 --> 00:03:22,919

to the suburbs and some of these sounds

50

00:03:28,039 --> 00:03:25,500

I mean they were really they were really

51
00:03:30,289 --> 00:03:28,049
submerged and usually outside of a few

52
00:03:32,360 --> 00:03:30,299
towns like bound bound brook now I ask

53
00:03:35,209 --> 00:03:32,370
you why would you move to a town like

54
00:03:36,649 --> 00:03:35,219
New Jersey and not expect that every

55
00:03:38,959 --> 00:03:36,659
once in a while you're going to get

56
00:03:43,959 --> 00:03:38,969
flooded out must be the founding fathers

57
00:03:51,259 --> 00:03:49,309
it's a pretty bad flooding and of course

58
00:03:55,249 --> 00:03:51,269
we're we're well above ground here in

59
00:03:58,249 --> 00:03:55,259
our skyscrapers at house yeah yeah yeah

60
00:04:01,369 --> 00:03:58,259
I mean you're about but 20 30 stories up

61
00:04:04,039 --> 00:04:01,379
aren't you Oh Oh at least at least yes

62
00:04:05,719 --> 00:04:04,049
uh-huh and it takes about an hour and 10

63
00:04:08,960 --> 00:04:05,729

minutes for the elevator to get up there

64

00:04:12,740 --> 00:04:08,970

and I and I had a and I had a walk this

65

00:04:13,280 --> 00:04:12,750

week because the other was oh I'm sorry

66

00:04:16,420 --> 00:04:13,290

to hear that

67

00:04:20,560 --> 00:04:16,430

yes yes and I was carrying up all the

68

00:04:22,969 --> 00:04:20,570

all the real the real tapes from the old

69

00:04:26,420 --> 00:04:22,979

exploring a bizarre show so you could

70

00:04:28,640 --> 00:04:26,430

imagine that kind of held me down yeah

71

00:04:30,529 --> 00:04:28,650

we get that he believes there's nobody

72

00:04:33,439 --> 00:04:30,539

believes that I gotta get those

73

00:04:40,310 --> 00:04:33,449

converted to a digital format well I'll

74

00:04:42,830 --> 00:04:40,320

be sending them to you still well Tim

75

00:04:45,890 --> 00:04:42,840

we're we're really lucky tonight because

76

00:04:47,810 --> 00:04:45,900

we have two fantastic guests and it's

77

00:04:50,149 --> 00:04:47,820

beyond a shadow of a doubt that they're

78

00:04:51,589 --> 00:04:50,159

that they're excellent guests that's

79

00:04:55,399 --> 00:04:51,599

going to be a wonderful show well first

80

00:04:59,060 --> 00:04:55,409

off we have Heidi Hollis how Heidi is a

81

00:05:01,399 --> 00:04:59,070

an old friend of both of ours and I

82

00:05:02,220 --> 00:05:01,409

think I think this is her first

83

00:05:05,010 --> 00:05:02,230

appearance

84

00:05:08,460 --> 00:05:05,020

136

00:07:29,340 --> 00:07:26,620

encountered ghosts and elementals on a

145

00:07:52,350 --> 00:07:50,050

regular basis her ghostly experiences

146

00:07:54,870 --> 00:07:52,360

have fueled her passion for seeking the

147

00:07:57,240 --> 00:07:54,880

supernatural and finding answers to some

148

00:07:58,680 --> 00:07:57,250

of life's plaguing questions and she has

149

00:08:02,550 --> 00:07:58,690

eradicating unwanted spirits as well as

151

00:08:06,720 --> 00:08:04,330

well in their spiritual pursuits

152

00:08:09,180 --> 00:08:06,730

believing the paranormal in mystical

153

00:08:12,510 --> 00:08:09,190

realms are one of the same and Nicole

161

00:08:44,219 --> 00:08:43,000

much for being Heidi I mean thank you

162

00:08:46,170 --> 00:08:44,229

for being with us tonight or and

163

00:08:48,630 --> 00:08:46,180

exploring the bizarre thank you

164

00:08:52,830 --> 00:08:48,640

well you know I I've got it I've got to

165

00:08:57,000 --> 00:08:52,840

say something here a disclosure a bit my

166

00:09:00,000 --> 00:08:57,010

sister was deceased now used to see a

167

00:09:01,710 --> 00:09:00,010

shadow people well in fact it Heidi I

168

00:09:04,680 --> 00:09:01,720

want you to give a definition of what a

169

00:09:06,960 --> 00:09:04,690

shadow person is but let me explain and

170

00:09:09,180 --> 00:09:06,970

she would be sitting me in the living

171

00:09:11,370 --> 00:09:09,190

room and from there she and her recliner

172

00:09:16,020 --> 00:09:11,380

she could see into the kitchen and she

173

00:09:18,240 --> 00:09:16,030

said that she could see this shadow of

174

00:09:19,830 --> 00:09:18,250

reflection or maybe the shadow I

175

00:09:23,100 --> 00:09:19,840

wouldn't call it a reflection up against

176

00:09:26,490 --> 00:09:23,110

the refrigerator and it would disappear

177

00:09:28,950 --> 00:09:26,500

into the wall between the refrigerator

178

00:09:29,730 --> 00:09:28,960

and the stove so it had to be a pretty

179

00:09:35,370 --> 00:09:29,740

narrow

180

00:09:37,530 --> 00:09:35,380

oh I would guess but where did the I

181

00:09:40,770 --> 00:09:37,540

mean of course people have been

182

00:09:42,840 --> 00:09:40,780

frightened of their shadows for for a

183

00:09:44,430 --> 00:09:42,850

long long time and they've certainly

184

00:09:46,020 --> 00:09:44,440

been frightened of other people's

185

00:09:48,150 --> 00:09:46,030

shadows I mean that's one of the

186

00:09:50,400 --> 00:09:48,160

mainstays of horror movies

187

00:09:52,830 --> 00:09:50,410

yeah even going back Tim - what nest

188

00:09:55,830 --> 00:09:52,840

Verado we always saw that the figure on

189

00:09:59,070 --> 00:09:55,840

the on the wall so he's not even see not

190

00:10:01,710 --> 00:09:59,080

even not even saying the the so called

191

00:10:05,760 --> 00:10:01,720

the monster but try to give us a little

192

00:10:08,790 --> 00:10:05,770

background as far as the occult aspects

193

00:10:12,860 --> 00:10:08,800

of this all goes well the shadow people

194

00:10:16,050 --> 00:10:12,870

these things are shape-shifting mass I

195

00:10:17,850 --> 00:10:16,060

gave the definition of several different

196

00:10:20,700 --> 00:10:17,860

shapes that they could take which are

197

00:10:22,830 --> 00:10:20,710

shadow spiders which are the most common

198

00:10:25,230 --> 00:10:22,840

ones that I personally experienced yeah

199

00:10:28,290 --> 00:10:25,240

nasty that could be in multitudes of

200

00:10:31,970 --> 00:10:28,300

many many many tiny little shadowy black

201
00:10:36,120 --> 00:10:31,980
spider things or most commonly like big

202
00:10:37,860 --> 00:10:36,130
tentacle sprouting shadow blobs that's

203
00:10:39,210 --> 00:10:37,870
that's a pretty common one and then

204
00:10:41,640 --> 00:10:39,220
there's one that I called head and

205
00:10:44,850 --> 00:10:41,650
shoulder shadow which are these things

206
00:10:46,290 --> 00:10:44,860
that are kind of shaped like a person

207
00:10:49,170 --> 00:10:46,300
but it's like this

208
00:10:51,360 --> 00:10:49,180
Ted is directly connected to some broad

209
00:10:53,250 --> 00:10:51,370
shoulders and they you may see some

210
00:10:55,590 --> 00:10:53,260
glowing red eyes coming out from it but

211
00:10:58,470 --> 00:10:55,600
and then you see shadows streaks shadow

212
00:11:02,250 --> 00:10:58,480
clouds those are what I categorize as

213
00:11:04,920 --> 00:11:02,260

being more of a shadow being I used to

214

00:11:08,490 --> 00:11:04,930

in the beginning I categorize something

215

00:11:12,440 --> 00:11:08,500

I called the hat man shadow but I now

216

00:11:16,200 --> 00:11:12,450

just refer to him as the hat man he is

217

00:11:17,820 --> 00:11:16,210

something that it just could take your

218

00:11:21,090 --> 00:11:17,830

breath away and having experienced him

219

00:11:23,910 --> 00:11:21,100

he is very much solid and he can be

220

00:11:26,490 --> 00:11:23,920

solid black but you could literally

221

00:11:29,160 --> 00:11:26,500

reach out and touch him as I have once

222

00:11:36,120 --> 00:11:29,170

done and shoved his hat in his face and

223

00:11:39,030 --> 00:11:36,130

threw him to the ground but anyways it's

224

00:11:41,910 --> 00:11:39,040

just it's crazy I'm never that was just

225

00:11:43,420 --> 00:11:41,920

recent I'll have to go into detail on

226

00:11:45,790 --> 00:11:43,430

that a little bit but so

227

00:11:48,250 --> 00:11:45,800

the hat man channel he the hat man I

228

00:11:50,230 --> 00:11:48,260

should just say hat man he if you see

229

00:11:53,590 --> 00:11:50,240

him clearly you can see a three-piece

230

00:11:56,350 --> 00:11:53,600

suit a cape or a trench coat a top hat

231

00:11:58,360 --> 00:11:56,360

or a gaucho hat are the most common

232

00:12:01,000 --> 00:11:58,370

sometimes he doesn't wear any hat and

233

00:12:04,240 --> 00:12:01,010

god forbid you see his smile it is

234

00:12:07,450 --> 00:12:04,250

something of horror films jagged sharp

235

00:12:10,360 --> 00:12:07,460

teeth and his eyes can be solid black if

236

00:12:14,020 --> 00:12:10,370

you see his skin but usually glowing red

237

00:12:16,990 --> 00:12:14,030

eyes and just a sinister presence and he

238

00:12:20,200 --> 00:12:17,000

can be quite tall I've heard 12 feet

239

00:12:22,060 --> 00:12:20,210

tall even bigger sometimes yeah but your

240

00:12:27,910 --> 00:12:22,070

knock his hat off and he could get him

241

00:12:31,450 --> 00:12:27,920

down the sighs well the Hat I mean that

242

00:12:35,890 --> 00:12:31,460

seems to be his outstanding feature is

243

00:12:39,210 --> 00:12:35,900

that always the the same no it changes

244

00:12:42,060 --> 00:12:39,220

I've heard everything from a cowboy hat

245

00:12:44,590 --> 00:12:42,070

yeah is that funny - a little Derby cap

246

00:12:47,230 --> 00:12:44,600

- no hat but the most common is the

247

00:12:50,320 --> 00:12:47,240

gaucho flat rimmed legs or Oh looking

248

00:12:53,560 --> 00:12:50,330

hat or Freddy Krueger looking hat and

249

00:12:55,510 --> 00:12:53,570

then there is the top hat and it seems

250

00:12:58,420 --> 00:12:55,520

when he has the top hat on he'll wear a

251
00:13:00,640 --> 00:12:58,430
cape so he changes it up sometimes

252
00:13:04,270 --> 00:13:00,650
people haven't seen like pinstripes on

253
00:13:07,750 --> 00:13:04,280
his pants so yeah interesting combos

254
00:13:12,790 --> 00:13:07,760
that he uses but sounds like that sounds

255
00:13:20,740 --> 00:13:12,800
like Uncle Sam yeah honestly it's it's

256
00:13:24,910 --> 00:13:20,750
the tax collector run and hide for sure

257
00:13:28,390 --> 00:13:24,920
yeah yeah but the the practices of

258
00:13:30,910 --> 00:13:28,400
shadow beings in hat man are quite

259
00:13:34,600 --> 00:13:30,920
similar they both pounce on people's

260
00:13:38,380 --> 00:13:34,610
chests and choke them out and paralyzes

261
00:13:42,340 --> 00:13:38,390
them and but shadow beings they might

262
00:13:44,770 --> 00:13:42,350
whisper things or growl hat men he might

263
00:13:46,390 --> 00:13:44,780

do the same but he he speaks he can

264

00:13:48,100 --> 00:13:46,400

speak straight out to you and it's

265

00:13:50,890 --> 00:13:48,110

something you'll never forget it's the

266

00:13:54,160 --> 00:13:50,900

most deep guttural voice you'd ever

267

00:13:57,240 --> 00:13:54,170

heard and quite threatening very

268

00:13:59,769 --> 00:13:57,250

threatening well what what is he what

269

00:14:02,710 --> 00:13:59,779

well the number one thing that he loves

270

00:14:05,050 --> 00:14:02,720

to grab is while you're lying in bed is

271

00:14:08,470 --> 00:14:05,060

reach into your chest and pull your soul

272

00:14:11,019 --> 00:14:08,480

right out of your body oh and I thought

273

00:14:13,569 --> 00:14:11,029

we just said a a book recently called

274

00:14:15,550 --> 00:14:13,579

screwed by the aliens where aliens are

275

00:14:17,199 --> 00:14:15,560

hopping around you know a midnight

276

00:14:19,810 --> 00:14:17,209

invaders and stuff like that and I

277

00:14:24,220 --> 00:14:19,820

thought that was bad but I don't know I

278

00:14:26,470 --> 00:14:24,230

don't think I want a one of these shadow

279

00:14:29,170 --> 00:14:26,480

where people are hat men come in my bed

280

00:14:31,120 --> 00:14:29,180

and stealing stealing my soul though

281

00:14:35,319 --> 00:14:31,130

some people might say they sold it a

282

00:14:39,810 --> 00:14:35,329

long time ago but I'm searching for it

283

00:14:41,980 --> 00:14:39,820

I'm looking for Tim have you ever had

284

00:14:45,430 --> 00:14:41,990

encounters or heard of encounters with

285

00:14:49,000 --> 00:14:45,440

the shadow people oh whoa I mean

286

00:14:51,250 --> 00:14:49,010

naturally I've you know I mean what what

287

00:14:54,519 --> 00:14:51,260

out there Tim haven't haven't I heard

288

00:14:56,380 --> 00:14:54,529

about and written about but you know it

289

00:14:59,310 --> 00:14:56,390

was interesting though that you know

290

00:15:01,660 --> 00:14:59,320

Holly you talked about the the the

291

00:15:04,509 --> 00:15:01,670

spider shadows and things like that

292

00:15:08,980 --> 00:15:04,519

because I I went through a period when I

293

00:15:12,759 --> 00:15:08,990

was when I was a teenager where I was

294

00:15:14,500 --> 00:15:12,769

having and you know I died you know it

295

00:15:18,569 --> 00:15:14,510

could have just been do what is they the

296

00:15:24,189 --> 00:15:18,579

hypnagogic hypnagogic types of

297

00:15:26,290 --> 00:15:24,199

situations where I would see spiders in

298

00:15:28,030 --> 00:15:26,300

my room but they they weren't just like

299

00:15:31,389 --> 00:15:28,040

you know little spiders they were like

300

00:15:35,500 --> 00:15:31,399

you know very you know huge Bert I

301
00:15:38,350 --> 00:15:35,510
Gordon types of giant spiders running up

302
00:15:43,150 --> 00:15:38,360
the curtains coming up coming up over

303
00:15:45,280 --> 00:15:43,160
the edge of my bed I ran through those a

304
00:15:50,410 --> 00:15:45,290
couple of times when I hadn't slept for

305
00:15:52,860 --> 00:15:50,420
about three days which you know kind of

306
00:15:55,269 --> 00:15:52,870
brings us to the to the point our

307
00:15:59,189 --> 00:15:55,279
hallucinations really hallucinations or

308
00:16:02,920 --> 00:15:59,199
are we peering into the some other

309
00:16:04,900 --> 00:16:02,930
domain course spiders have always kind

310
00:16:07,600 --> 00:16:04,910
of been freaked people out I mean I've

311
00:16:09,699 --> 00:16:07,610
had two friends of mine who would see a

312
00:16:10,930 --> 00:16:09,709
a spider and they would they would

313
00:16:14,260 --> 00:16:10,940

become paralyzed there

314

00:16:16,290 --> 00:16:14,270

a gal who was a UFO abductees now she

315

00:16:18,880 --> 00:16:16,300

could go into outer space with the

316

00:16:21,430 --> 00:16:18,890

Venetians or something but if she saw a

317

00:16:23,710 --> 00:16:21,440

spider on the wall here she would freeze

318

00:16:25,600 --> 00:16:23,720

until I took a broom and knocked it down

319

00:16:27,370 --> 00:16:25,610

we're not talking about it we're not

320

00:16:29,440 --> 00:16:27,380

talking about a tarantula we're talking

321

00:16:31,900 --> 00:16:29,450

about a little spider I mean yeah to be

322

00:16:34,270 --> 00:16:31,910

nothing like that kind of freaks me out

323

00:16:38,560 --> 00:16:34,280

I wouldn't say and Alice Cooper of

324

00:16:40,630 --> 00:16:38,570

course including spider Acton and in

325

00:16:43,120 --> 00:16:40,640

spiders I guess or something that a lot

326

00:16:46,390 --> 00:16:43,130

of people so now do you think that the

327

00:16:49,060 --> 00:16:46,400

these beings are they out to frighten us

328

00:16:52,240 --> 00:16:49,070

or would they like to have some sort of

329

00:16:54,550 --> 00:16:52,250

a dialogue with us I mean just because

330

00:16:56,890 --> 00:16:54,560

they're their shadows and guys with 12

331

00:16:59,860 --> 00:16:56,900

hats I mean they could have different

332

00:17:04,900 --> 00:16:59,870

agendas just like the ultra terrestrials

333

00:17:06,730 --> 00:17:04,910

though these these guys the shadow

334

00:17:10,150 --> 00:17:06,740

beings themselves they take their orders

335

00:17:12,640 --> 00:17:10,160

from the hat man so you may see them

336

00:17:15,760 --> 00:17:12,650

side by side and also in conjunction

337

00:17:18,699 --> 00:17:15,770

with so-called alien beings to the greys

338

00:17:20,230 --> 00:17:18,709

the reptilians they may they get seen

339

00:17:24,689 --> 00:17:20,240

right alongside of these shadow beings

340

00:17:27,220 --> 00:17:24,699

as well so their ultimate goal is to

341

00:17:30,010 --> 00:17:27,230

feed off your negative energy I mean

342

00:17:32,200 --> 00:17:30,020

they really they really do try to get

343

00:17:34,440 --> 00:17:32,210

you get the juices going in you to scare

344

00:17:38,470 --> 00:17:34,450

you to death and and take it from you

345

00:17:44,290 --> 00:17:38,480

hat man he is he's looking for dedicated

346

00:17:46,930 --> 00:17:44,300

workers he's looking for allies if I saw

347

00:17:48,550 --> 00:17:46,940

a guy with a hat in his hand around this

348

00:17:51,940 --> 00:17:48,560

neighborhood I think in looking for a

349

00:17:53,110 --> 00:17:51,950

handout no I think you'd be surprised

350

00:17:55,900 --> 00:17:53,120

some of the stories that have come

351

00:17:58,410 --> 00:17:55,910

across it's really horrific stuff and

352

00:18:02,050 --> 00:17:58,420

it's in the thousands I mean terrible

353

00:18:04,630 --> 00:18:02,060

well how do people do most people find

354

00:18:06,660 --> 00:18:04,640

you that have a story of this type of

355

00:18:10,470 --> 00:18:06,670

through show or I guess you've written a

356

00:18:13,210 --> 00:18:10,480

number of books on the topic now yeah um

357

00:18:16,240 --> 00:18:13,220

through my show or when they go to

358

00:18:19,210 --> 00:18:16,250

Google or even Wikipedia there's

359

00:18:21,250 --> 00:18:19,220

mentioning of my work and I still get

360

00:18:23,480 --> 00:18:21,260

almost on a weekly basis somebody saying

361

00:18:25,870 --> 00:18:23,490

wow I thought I was the only one

362

00:18:30,140 --> 00:18:25,880

and it doesn't matter doctors lawyers

363

00:18:32,180 --> 00:18:30,150

businessmen they're all writing I kind

364

00:18:37,700 --> 00:18:32,190

of email from Transylvania the other

365

00:18:42,590 --> 00:18:37,710

daling hold on it's like my goodness you

366

00:18:44,930 --> 00:18:42,600

have never rot oh yeah yeah no limit it

367

00:18:47,390 --> 00:18:44,940

blows my mind the people that reach out

368

00:18:49,340 --> 00:18:47,400

and are just like wow thank you for

369

00:18:51,770 --> 00:18:49,350

putting this out there it's like it's

370

00:18:54,740 --> 00:18:51,780

it's been uh it's been a wild ride it's

371

00:18:58,250 --> 00:18:54,750

it's been some time - I first um wrote

372

00:19:00,650 --> 00:18:58,260

my book in 97 and and it started to get

373

00:19:02,180 --> 00:19:00,660

circulated among other authors and and

374

00:19:05,030 --> 00:19:02,190

whatnot in hopes of getting it published

375

00:19:08,480 --> 00:19:05,040

and and then finally got it out in 2001

376

00:19:11,060 --> 00:19:08,490

so it's it's been some time and lots of

377

00:19:12,530 --> 00:19:11,070

people just pouring I thought I was the

378

00:19:16,040 --> 00:19:12,540

only one at the time when I wrote it

379

00:19:18,290 --> 00:19:16,050

hmm boy it's never slowed down I tell ya

380

00:19:20,750 --> 00:19:18,300

the influx of emails it's been crazy

381

00:19:23,000 --> 00:19:20,760

it's funny when um you know you

382

00:19:25,640 --> 00:19:23,010

experienced something so profound and

383

00:19:26,840 --> 00:19:25,650

then you uh all of a sudden you you

384

00:19:29,050 --> 00:19:26,850

start doing some research and you

385

00:19:31,220 --> 00:19:29,060

realize that it's not just you it's like

386

00:19:32,810 --> 00:19:31,230

thousands upon thousands of other people

387

00:19:33,770 --> 00:19:32,820

that are experiencing the same thing

388

00:19:39,110 --> 00:19:33,780

it's pretty wild

389

00:19:42,950 --> 00:19:39,120

ya know it's Lord so this is a phenomena

390

00:19:45,620 --> 00:19:42,960

that is universal basically I mean it it

391

00:19:47,840 --> 00:19:45,630

crosses all cultures and you know

392

00:19:49,250 --> 00:19:47,850

societies and people are reporting

393

00:19:53,000 --> 00:19:49,260

basically the same thing from all over

394

00:19:54,740 --> 00:19:53,010

the world they really are and they

395

00:19:57,650 --> 00:19:54,750

called it different things all over the

396

00:19:59,780 --> 00:19:57,660

world - so there's a certain belief

397

00:20:02,810 --> 00:19:59,790

system behind it the Native Americans

398

00:20:06,440 --> 00:20:02,820

call them walking Sam and just all sorts

399

00:20:13,910 --> 00:20:06,450

of odd nicknames for this guy walking

400

00:20:15,620 --> 00:20:13,920

Sam if I am I am that's interesting and

401
00:20:17,360 --> 00:20:15,630
then people have little nicknames for

402
00:20:20,980 --> 00:20:17,370
the thing that they experience as well

403
00:20:23,480 --> 00:20:20,990
so it's uh yeah it's been a fascinating

404
00:20:24,020 --> 00:20:23,490
subject it just making my parents proud

405
00:20:30,770 --> 00:20:24,030
you know

406
00:20:33,620 --> 00:20:30,780
naming demon all right so okay you

407
00:20:41,200 --> 00:20:33,630
talked about the the Hat man now has

408
00:20:44,060 --> 00:20:41,210
anybody ever reported a hat woman a

409
00:20:49,070 --> 00:20:44,070
couple of people say something about

410
00:20:51,560 --> 00:20:49,080
that and it's usually this old hag short

411
00:20:53,900 --> 00:20:51,570
little wretched looking thing that done

412
00:20:55,940 --> 00:20:53,910
that's been involved in I mean he

413
00:20:59,300 --> 00:20:55,950

directs them all there's a Grim Reaper

414

00:21:02,870 --> 00:20:59,310

looking thing the shadow beings and the

415

00:21:05,030 --> 00:21:02,880

old hag the hat man will literally point

416

00:21:06,620 --> 00:21:05,040

at them and tell them to go over there

417

00:21:08,840 --> 00:21:06,630

and mess with a person laying in the bed

418

00:21:11,120 --> 00:21:08,850

and they're just paralyzed going oh my

419

00:21:15,410 --> 00:21:11,130

god don't send that wretched looking

420

00:21:19,390 --> 00:21:15,420

woman my way so yeah so there's but she

421

00:21:22,130 --> 00:21:19,400

doesn't wear a hat a hood perhaps but I

422

00:21:26,480 --> 00:21:22,140

just I just encountered her recently

423

00:21:28,460 --> 00:21:26,490

actually oh did you yeah yeah um

424

00:21:30,350 --> 00:21:28,470

probably about six months ago

425

00:21:33,350 --> 00:21:30,360

I've only been I've had sleep paralysis

426
00:21:35,870 --> 00:21:33,360
a few times in my life but a few months

427
00:21:39,920 --> 00:21:35,880
back is when I woke up or I thought I

428
00:21:41,780 --> 00:21:39,930
woke up and I couldn't move and there

429
00:21:45,290 --> 00:21:41,790
was an old woman in the room and she

430
00:21:46,970 --> 00:21:45,300
jumped on me and I just remember

431
00:21:48,770 --> 00:21:46,980
screaming or trying to scream and not

432
00:21:53,750 --> 00:21:48,780
being able to and finally broke loose

433
00:21:57,800 --> 00:21:53,760
and woke up fully and was like oh look

434
00:22:01,580 --> 00:21:57,810
like it's hard to explain like I don't

435
00:22:04,070 --> 00:22:01,590
remember a full appearance I just knew

436
00:22:06,230 --> 00:22:04,080
that she was old and raggedy you know

437
00:22:10,730 --> 00:22:06,240
kind of how you described her was she

438
00:22:13,130 --> 00:22:10,740

really tiny or what yes small yeah yeah

439

00:22:14,690 --> 00:22:13,140

that's that's her yeah it's just a nasty

440

00:22:17,360 --> 00:22:14,700

looking thing like you wouldn't want to

441

00:22:19,970 --> 00:22:17,370

touch with a stick exactly yep

442

00:22:20,990 --> 00:22:19,980

yeah I mean the the old hag phenomena I

443

00:22:23,690 --> 00:22:21,000

mean that's been written about

444

00:22:25,340 --> 00:22:23,700

extensively and I mean and we're not

445

00:22:27,320 --> 00:22:25,350

just talking about something recent

446

00:22:30,230 --> 00:22:27,330

either I mean there are accounts that go

447

00:22:37,130 --> 00:22:30,240

back hundreds of years yeah about the

448

00:22:41,480 --> 00:22:37,140

old hag yeah yeah wide and and how

449

00:22:44,180 --> 00:22:41,490

do you say that the the Hat man is the

450

00:22:47,360 --> 00:22:44,190

he's the ringleader he is the one

451
00:22:50,810 --> 00:22:47,370
or it whatever yeah he's the one that

452
00:22:54,500 --> 00:22:50,820
controls it all he's the one that really

453
00:22:56,240 --> 00:22:54,510
kind of directs and points and is in

454
00:22:59,410 --> 00:22:56,250
charge of it all yeah and I've had

455
00:23:02,270 --> 00:22:59,420
reports come in where they people see

456
00:23:05,090 --> 00:23:02,280
dozens of shadow beings in the room and

457
00:23:07,610 --> 00:23:05,100
one hat man one hat man right in the

458
00:23:11,000 --> 00:23:07,620
middle of it all and it's like wow so

459
00:23:12,500 --> 00:23:11,010
it's uh yeah pretty pretty disgusting

460
00:23:14,000 --> 00:23:12,510
stuff I I know that you're going to go

461
00:23:16,300 --> 00:23:14,010
to break here soon but there's a lot

462
00:23:18,620 --> 00:23:16,310
more detail to what he does to people

463
00:23:20,690 --> 00:23:18,630

well we want to hear we want to hear

464

00:23:24,020 --> 00:23:20,700

about that and we also want to hear

465

00:23:27,080 --> 00:23:24,030

about how to defend ourselves yes

466

00:23:30,140 --> 00:23:27,090

that's a big deal yeah we've got booth

467

00:23:37,370 --> 00:23:30,150

at less less than a minute to go before

468

00:23:39,380 --> 00:23:37,380

we have to go to our well when we come

469

00:23:40,880 --> 00:23:39,390

back we'll bring yeah I mean you know

470

00:23:42,290 --> 00:23:40,890

Nicole's already come in but we'll find

471

00:23:42,740 --> 00:23:42,300

out a little bit more about our other

472

00:23:45,170 --> 00:23:42,750

guests

473

00:23:50,840 --> 00:23:45,180

Nicole Canfield you know when we come

474

00:23:54,700 --> 00:23:50,850

back and so everyone just needs to hang

475

00:24:05,540 --> 00:23:54,710

on the edge of their seats because oh

476
00:24:08,990 --> 00:24:05,550
hang on to me taking my jokes now back

477
00:24:11,030 --> 00:24:09,000
to exploring the bazaars with two of the

478
00:24:11,779 --> 00:24:11,040
most electrifying researchers in the

479
00:24:15,349 --> 00:24:11,789
paranoid

480
00:24:20,629 --> 00:24:15,359
your hosts Timothy Becca Lee hunting

481
00:24:23,930 --> 00:24:20,639
sports man welcome back to exploring the

482
00:24:26,749 --> 00:24:23,940
bazaar I'm Tim Schwarz and tonight we

483
00:24:29,479 --> 00:24:26,759
are talking with Heidi Hollis and Nicole

484
00:24:33,859 --> 00:24:29,489
Canfield and Nicole let's bring you up

485
00:24:35,779 --> 00:24:33,869
to the mic now in your biography you

486
00:24:38,840 --> 00:24:35,789
were talking about that you grew up in

487
00:24:41,389 --> 00:24:38,850
an old haunted house in Maryland and why

488
00:24:43,849 --> 00:24:41,399

don't you tell us about that oh my

489

00:24:48,440 --> 00:24:43,859

goodness okay

490

00:24:53,810 --> 00:24:48,450

so where I grew up is situated on some

491

00:24:58,849 --> 00:24:53,820

farmland and the backyard a little ways

492

00:25:00,710 --> 00:24:58,859

out there's an was an old train track so

493

00:25:03,440 --> 00:25:00,720

they've since converted the train track

494

00:25:05,389 --> 00:25:03,450

into like an actual county trail there

495

00:25:08,389 --> 00:25:05,399

that people you know ride their bikes

496

00:25:10,749 --> 00:25:08,399

and you know even the Amish will drive

497

00:25:14,119 --> 00:25:10,759

their buggies up and down the trail but

498

00:25:17,210 --> 00:25:14,129

anyway I think the fact that the house

499

00:25:19,609 --> 00:25:17,220

was over 100 years old

500

00:25:22,580 --> 00:25:19,619

you know it's seen its share of people

501
00:25:24,529 --> 00:25:22,590
living and passing away there that

502
00:25:27,830 --> 00:25:24,539
coupled with the fact that there was a

503
00:25:30,049 --> 00:25:27,840
train track behind the house that dates

504
00:25:32,869 --> 00:25:30,059
back to the late 1800s so there was a

505
00:25:36,229 --> 00:25:32,879
lot of traffic going all through that

506
00:25:38,930 --> 00:25:36,239
area I think those two dynamics kind of

507
00:25:40,310 --> 00:25:38,940
mixed and I wouldn't say it was like a

508
00:25:42,409 --> 00:25:40,320
portal or anything but there was

509
00:25:45,440 --> 00:25:42,419
definitely a lot of activity

510
00:25:50,899 --> 00:25:45,450
growing up there for sure yeah well I

511
00:25:52,969 --> 00:25:50,909
mean were you seen apparitions yeah well

512
00:25:55,549 --> 00:25:52,979
I wouldn't say that I ever saw an

513
00:25:58,609 --> 00:25:55,559

apparition it was more or less hearing a

514

00:26:00,589 --> 00:25:58,619

lot of weird things we would take

515

00:26:02,539 --> 00:26:00,599

pictures and sometimes there would be

516

00:26:05,180 --> 00:26:02,549

apparitions in the pictures and we would

517

00:26:07,009 --> 00:26:05,190

be like where did that come from what is

518

00:26:09,049 --> 00:26:07,019

that you know there's this picture of me

519

00:26:11,060 --> 00:26:09,059

that my mom actually just asked me for

520

00:26:13,009 --> 00:26:11,070

it again the other day but I was really

521

00:26:15,859 --> 00:26:13,019

sick and I was like 16 and I'm standing

522

00:26:17,180 --> 00:26:15,869

in the living room and you know someone

523

00:26:18,529 --> 00:26:17,190

snapped a picture of me for whatever

524

00:26:21,619 --> 00:26:18,539

reason because I looked terrible in the

525

00:26:24,220 --> 00:26:21,629

picture but um beside me looking out the

526

00:26:25,670 --> 00:26:24,230

window is the silhouette of a little boy

527

00:26:28,310 --> 00:26:25,680

and you can

528

00:26:31,670 --> 00:26:28,320

see his hair his collar of his jacket

529

00:26:34,130 --> 00:26:31,680

that he's wearing his ear and everything

530

00:26:37,190 --> 00:26:34,140

and come to find out I guess a little

531

00:26:41,690 --> 00:26:37,200

boy had passed away in the house you

532

00:26:44,300 --> 00:26:41,700

know many years before so another

533

00:26:46,880 --> 00:26:44,310

related incident to that is when I first

534

00:26:48,410 --> 00:26:46,890

moved I was the only bedroom on the

535

00:26:50,720 --> 00:26:48,420

first level and when I first moved down

536

00:26:53,380 --> 00:26:50,730

there from the top level from the second

537

00:26:56,240 --> 00:26:53,390

level the first night I was hearing like

538

00:26:58,880 --> 00:26:56,250

toys like a child playing like out in

539

00:27:00,860 --> 00:26:58,890

the living room and I think I just

540

00:27:02,810 --> 00:27:00,870

remember shutting my door and going okay

541

00:27:05,870 --> 00:27:02,820

I must be just imagining this you know

542

00:27:07,340 --> 00:27:05,880

but I was hearing like that kind of like

543

00:27:10,160 --> 00:27:07,350

that old-school like Bell like on a

544

00:27:11,780 --> 00:27:10,170

tricycle like a bring-bring you know I

545

00:27:13,850 --> 00:27:11,790

was hearing that out in the living room

546

00:27:16,580 --> 00:27:13,860

and needless to say I was pretty freaked

547

00:27:17,840 --> 00:27:16,590

out but uh all those things together we

548

00:27:24,220 --> 00:27:17,850

were pretty sure that there is a little

549

00:27:31,190 --> 00:27:26,690

yeah I think I'd want to move back

550

00:27:34,790 --> 00:27:31,200

upstairs again after it's like you know

551
00:27:36,500 --> 00:27:34,800
you kind of Malev a long side of them

552
00:27:38,360 --> 00:27:36,510
eventually I mean there's some times

553
00:27:40,130 --> 00:27:38,370
where you know I'd be walking up the

554
00:27:41,480 --> 00:27:40,140
steps and my mom describes us a lot

555
00:27:43,670 --> 00:27:41,490
because she still lives there but it's

556
00:27:45,740 --> 00:27:43,680
like you feel something behind you and

557
00:27:48,080 --> 00:27:45,750
you just want to shoot up the steps and

558
00:27:50,210 --> 00:27:48,090
run away screaming you know like there's

559
00:27:52,250 --> 00:27:50,220
someone right behind you about to grab

560
00:27:54,350 --> 00:27:52,260
you or chase you you know it's it's a

561
00:27:58,430 --> 00:27:54,360
creepy feeling but otherwise you know it

562
00:28:09,830 --> 00:27:58,440
can be fairly peaceful sounds like Brett

563
00:28:11,920 --> 00:28:09,840

Kavanaugh I'm just kidding or drink you

564

00:28:19,910 --> 00:28:11,930

under the table

565

00:28:22,760 --> 00:28:19,920

strong drinker so okay now you also said

566

00:28:25,910 --> 00:28:22,770

in your biography that you had

567

00:28:28,880 --> 00:28:25,920

experience there with with elementals

568

00:28:30,860 --> 00:28:28,890

yeah okay so know what's difference

569

00:28:34,250 --> 00:28:30,870

between say like you know ghosts spirits

570

00:28:36,110 --> 00:28:34,260

and an elemental to me from what I

571

00:28:39,139 --> 00:28:36,120

understand and my experience in

572

00:28:43,399 --> 00:28:39,149

elemental is a spirit that

573

00:28:45,919 --> 00:28:43,409

is just a nature spirit basically

574

00:28:48,379 --> 00:28:45,929

whether it's the spirit of a tree or or

575

00:28:50,659 --> 00:28:48,389

the land that you're on or maybe like a

576

00:28:54,229 --> 00:28:50,669

guardian spirit of the of the land that

577

00:28:58,729 --> 00:28:54,239

you're on that's what an elemental is to

578

00:29:00,769 --> 00:28:58,739

me so we have a lot of trees out back

579

00:29:03,560 --> 00:29:00,779

and then we had some oak trees

580

00:29:07,190 --> 00:29:03,570

surrounding the house and on different

581

00:29:09,169 --> 00:29:07,200

occasions it's like people that have

582

00:29:11,919 --> 00:29:09,179

been to the house and stand outside can

583

00:29:15,079 --> 00:29:11,929

see my mom it describes it as like a

584

00:29:17,389 --> 00:29:15,089

like a quick white mist that flies by

585

00:29:17,599 --> 00:29:17,399

real quick and multiple people have seen

586

00:29:21,889 --> 00:29:17,609

it

587

00:29:25,879 --> 00:29:21,899

at the same time usually darting like

588

00:29:28,159 --> 00:29:25,889

between from one tree to another and we

589

00:29:31,129 --> 00:29:28,169

had a woman that we knew back in the day

590

00:29:32,719 --> 00:29:31,139

who was kind of psychic you know she's a

591

00:29:35,419 --> 00:29:32,729

little clairvoyant and she pointed out

592

00:29:37,549 --> 00:29:35,429

the fact that one of the trees had what

593

00:29:39,259 --> 00:29:37,559

she thought looked like fairies or what

594

00:29:41,539 --> 00:29:39,269

I would consider elementals kind of

595

00:29:45,229 --> 00:29:41,549

dancing from from branch to branch on it

596

00:29:49,070 --> 00:29:45,239

so yeah pretty interesting place to grow

597

00:29:53,239 --> 00:29:49,080

up and we just the show that we had on

598

00:29:56,089 --> 00:29:53,249

last week entirely dealt with you know

599

00:29:59,869 --> 00:29:56,099

fairies and changelings and and I was

600

00:30:04,940 --> 00:29:59,879

like that we had susan Demeter's Saint

601
00:30:08,019 --> 00:30:04,950
Claire she she was telling us that she

602
00:30:10,879 --> 00:30:08,029
had been approached by this woman who

603
00:30:13,570 --> 00:30:10,889
just had recently moved to Canada from

604
00:30:18,079 --> 00:30:13,580
Colombia that the country Colombia and

605
00:30:21,320 --> 00:30:18,089
was seen seen fairies at a at a nearby

606
00:30:24,139 --> 00:30:21,330
park and you know that this was not

607
00:30:26,389 --> 00:30:24,149
something that was you know part of her

608
00:30:28,729 --> 00:30:26,399
experience and she was kind of wondering

609
00:30:32,989 --> 00:30:28,739
if this was you know okay does everybody

610
00:30:35,329 --> 00:30:32,999
see these things in camera yeah she was

611
00:30:37,369 --> 00:30:35,339
kind of surprised you know and you know

612
00:30:39,950 --> 00:30:37,379
Susan told her is like nope nope you

613
00:30:43,009 --> 00:30:39,960

know you're this is not something that

614

00:30:47,089 --> 00:30:43,019

everybody around around here sees well

615

00:30:50,329 --> 00:30:47,099

you know I have to ask why why are why

616

00:30:53,060 --> 00:30:50,339

do certain people attract anything from

617

00:30:54,710 --> 00:30:53,070

hatman to shadow people to to fairies

618

00:31:01,570 --> 00:30:54,720

and others can go through their whole

619

00:31:12,050 --> 00:31:08,120

who's that for me yeah Heidi you take it

620

00:31:14,180 --> 00:31:12,060

further I I think that some people are

621

00:31:16,190 --> 00:31:14,190

just more sensitive to seeing these

622

00:31:18,530 --> 00:31:16,200

things and feeling these things and and

623

00:31:20,390 --> 00:31:18,540

it's been my experience personally that

624

00:31:21,860 --> 00:31:20,400

if one thing sees you could see them

625

00:31:23,930 --> 00:31:21,870

it's like they call their friends over

626

00:31:26,540 --> 00:31:23,940

or something it's like you know hey

627

00:31:29,240 --> 00:31:26,550

Heidi could spot us and you know I think

628

00:31:33,140 --> 00:31:29,250

I experienced an elemental of some sort

629

00:31:36,890 --> 00:31:33,150

- I just I have seen ghosts I have seen

630

00:31:39,680 --> 00:31:36,900

demons I've seen little people I don't

631

00:31:46,550 --> 00:31:39,690

know better and I've had Jesus encounter

632

00:31:51,380 --> 00:31:46,560

it's like what on earth yeah you

633

00:31:52,400 --> 00:31:51,390

disappointment what do you mean I don't

634

00:31:55,160 --> 00:31:52,410

know I just

635

00:31:58,370 --> 00:31:55,170

what why would Jesus want to hang out

636

00:32:00,020 --> 00:31:58,380

with these other yeah I don't know does

637

00:32:06,010 --> 00:32:00,030

he have a different does he have a

638

00:32:09,950 --> 00:32:08,510

you say them a portal I would assume

639

00:32:13,040 --> 00:32:09,960

they're all coming through the same oh

640

00:32:14,510 --> 00:32:13,050

no oh no no it wasn't like he was

641

00:32:17,330 --> 00:32:14,520

hanging out with them no no it was a

642

00:32:19,070 --> 00:32:17,340

totally unexpected totally very

643

00:32:20,660 --> 00:32:19,080

different experience than from anything

644

00:32:23,510 --> 00:32:20,670

I'd ever experienced before it was in

645

00:32:25,610 --> 00:32:23,520

fact I was such a skeptic of those who

646

00:32:29,180 --> 00:32:25,620

claim to have had Jesus encounters I

647

00:32:30,980 --> 00:32:29,190

wrote it in my first I guess I am Julia

648

00:32:33,080 --> 00:32:30,990

I was a huge skeptic I put it in the

649

00:32:34,670 --> 00:32:33,090

first book I bashed the heck out of it

650

00:32:37,400 --> 00:32:34,680

like what is he in your bowl of soup -

651
00:32:41,410 --> 00:32:37,410
you know it was I was just really really

652
00:32:44,420 --> 00:32:41,420
hard on it and I had to eat those words

653
00:32:47,360 --> 00:32:44,430
write that chapter and explain myself

654
00:32:48,800 --> 00:32:47,370
because I just figured you know I had

655
00:32:50,930 --> 00:32:48,810
seen so many odd things in my lifetime

656
00:32:51,980 --> 00:32:50,940
that if Jesus were around I think it

657
00:32:53,990 --> 00:32:51,990
would have seen him by now and I

658
00:32:57,890 --> 00:32:54,000
literally put that in the book I was

659
00:32:59,450 --> 00:32:57,900
really really skeptical I and I would

660
00:33:00,950 --> 00:32:59,460
always tell my friends who would go to

661
00:33:02,750 --> 00:33:00,960
church I'm like say a prayer for me I

662
00:33:05,000 --> 00:33:02,760
probably start on fire if I step foot in

663
00:33:06,830 --> 00:33:05,010

there you know it's just just for just

664

00:33:08,180 --> 00:33:06,840

for fun you know but

665

00:33:10,730 --> 00:33:08,190

I would have never anticipated to have

666

00:33:13,400 --> 00:33:10,740

had the encounters that I did I had a

667

00:33:15,530 --> 00:33:13,410

handful of them and just changed

668

00:33:17,540 --> 00:33:15,540

everything and yeah but totally

669

00:33:19,100 --> 00:33:17,550

different but I just think that people

670

00:33:21,890 --> 00:33:19,110

some people are more sensitive than

671

00:33:24,140 --> 00:33:21,900

others and not not that they're special

672

00:33:26,060 --> 00:33:24,150

or anything I think that everybody has

673

00:33:28,130 --> 00:33:26,070

opportunity to see these things but I

674

00:33:30,110 --> 00:33:28,140

think we're too busy we're not paying

675

00:33:32,660 --> 00:33:30,120

attention or my favorite is from the

676

00:33:34,010 --> 00:33:32,670

emails I get is um I think my eyes were

677

00:33:35,300 --> 00:33:34,020

playing tricks on me I'm like hold on

678

00:33:37,550 --> 00:33:35,310

those are the same eyes it gets you to

679

00:33:39,230 --> 00:33:37,560

him from work every day what you know

680

00:33:41,420 --> 00:33:39,240

suddenly they're just not trustworthy

681

00:33:43,490 --> 00:33:41,430

they're tricky I'm like come on now

682

00:33:45,950 --> 00:33:43,500

I think people doubt themselves way too

683

00:33:48,500 --> 00:33:45,960

much and I always get like first or

684

00:33:51,140 --> 00:33:48,510

second line so I wasn't drinking and I

685

00:33:53,480 --> 00:33:51,150

am that I'm not on drugs but I saw they

686

00:33:55,760 --> 00:33:53,490

doubt themselves and they take years to

687

00:33:57,440 --> 00:33:55,770

talk about it and I'm like you know I

688

00:33:58,730 --> 00:33:57,450

think there's a lot more going on at

689

00:34:01,490 --> 00:33:58,740

people are experiencing they just don't

690

00:34:03,170 --> 00:34:01,500

give themselves credit for oh well let

691

00:34:05,660 --> 00:34:03,180

me let me just ask you this before we

692

00:34:08,120 --> 00:34:05,670

move on from Jesus how do you know I

693

00:34:11,180 --> 00:34:08,130

mean how do you define yeah how do you

694

00:34:12,890 --> 00:34:11,190

know it's Jesus I get that one all the

695

00:34:14,450 --> 00:34:12,900

time like I tell people I could have

696

00:34:18,580 --> 00:34:14,460

been blind and seen it was him because

697

00:34:24,340 --> 00:34:18,590

every cell and my body scream it's Jesus

698

00:34:28,970 --> 00:34:24,350

it was that abrupt it was that just I

699

00:34:30,530 --> 00:34:28,980

just in my face I I just um it's just it

700

00:34:32,960 --> 00:34:30,540

was unbelievable it changed everything

701
00:34:35,000 --> 00:34:32,970
for me and is the reason why I'm able to

702
00:34:38,240 --> 00:34:35,010
do everything that I do in fact because

703
00:34:40,460 --> 00:34:38,250
I surely didn't have the interest to go

704
00:34:42,260 --> 00:34:40,470
forward and doing the things that I'm

705
00:34:45,350 --> 00:34:42,270
doing now and talking on all these odd

706
00:34:47,030 --> 00:34:45,360
topics but you know he promised me he'd

707
00:34:48,620 --> 00:34:47,040
give me the words and I'm holding him to

708
00:34:52,940 --> 00:34:48,630
it and I say that every time before I do

709
00:34:56,230 --> 00:34:52,950
a radio show to be honest yet yeah yet

710
00:35:00,590 --> 00:34:56,240
most people would say that Jesus was

711
00:35:04,280 --> 00:35:00,600
opposed to any of this type of phenomena

712
00:35:06,710 --> 00:35:04,290
considered at the witchcraft I didn't

713
00:35:11,180 --> 00:35:06,720

know everybody lived during Jesus's

714

00:35:14,330 --> 00:35:11,190

times I mean well I'm I'm just giving

715

00:35:16,250 --> 00:35:14,340

you the I guess the fundamentalist well

716

00:35:19,370 --> 00:35:16,260

not even just a fundamentalist so almost

717

00:35:20,690 --> 00:35:19,380

any year organize a Christian religion I

718

00:35:23,780 --> 00:35:20,700

mean they

719

00:35:26,450 --> 00:35:23,790

come down on the the sight of any of

720

00:35:28,940 --> 00:35:26,460

this phenomena being a demonic and they

721

00:35:31,810 --> 00:35:28,950

would probably say I mean listen it took

722

00:35:35,270 --> 00:35:31,820

years for the Catholic Church even to

723

00:35:37,960 --> 00:35:35,280

recognize the vision at Fatima and most

724

00:35:41,750 --> 00:35:37,970

of the other visions or miracles they've

725

00:35:43,940 --> 00:35:41,760

claimed we're not visions I'm not

726

00:35:47,180 --> 00:35:43,950

Catholic so that is a whole different

727

00:35:49,970 --> 00:35:47,190

realm of systemic things that I don't

728

00:35:53,620 --> 00:35:49,980

understand I mean it's just too systemic

729

00:35:57,020 --> 00:35:53,630

this abuse I'm like I am so not in that

730

00:35:59,660 --> 00:35:57,030

but you know even in the Bible what did

731

00:36:00,890 --> 00:35:59,670

the Jesus was walking on the water and

732

00:36:01,609 --> 00:36:00,900

what did they say we thought you were a

733

00:36:03,770 --> 00:36:01,619

ghost

734

00:36:06,859 --> 00:36:03,780

so it was acknowledged in the Bible and

735

00:36:08,569 --> 00:36:06,869

I'm not a bible thumper I hate it pop up

736

00:36:12,500 --> 00:36:08,579

and have a whole heck of a lot to say to

737

00:36:14,780 --> 00:36:12,510

me and I just you know all I could do is

738

00:36:16,640 --> 00:36:14,790

be as painfully honest as I can and had

739

00:36:19,220 --> 00:36:16,650

to eat my words and be as honest as I

740

00:36:20,660 --> 00:36:19,230

could about my experiences with them and

741

00:36:22,370 --> 00:36:20,670

I have to tell you guys out of I've

742

00:36:25,400 --> 00:36:22,380

written I've got seven books published

743

00:36:27,770 --> 00:36:25,410

and yeah Jesus book I put out on my own

744

00:36:30,079 --> 00:36:27,780

because my my agent couldn't get it out

745

00:36:31,609 --> 00:36:30,089

there and all this stuff and I put it

746

00:36:34,250 --> 00:36:31,619

out there on my own it was number one in

747

00:36:36,109 --> 00:36:34,260

its category for eight months on Amazon

748

00:36:39,980 --> 00:36:36,119

what what is the title

749

00:36:42,500 --> 00:36:39,990

Jesus is no joke because that's all I

750

00:36:45,020 --> 00:36:42,510

could kept telling my friends because I

751
00:36:47,240 --> 00:36:45,030
had a blast teasing my friends who went

752
00:36:49,490 --> 00:36:47,250
to church and then to have the

753
00:36:51,170 --> 00:36:49,500
experiences that I did I mean they knew

754
00:36:53,240 --> 00:36:51,180
something happened to me that I had

755
00:36:55,640 --> 00:36:53,250
changed my tune and was like all I kept

756
00:36:58,339 --> 00:36:55,650
saying is Jesus no joke he's for real I

757
00:37:00,079 --> 00:36:58,349
I just thought he was in a historical

758
00:37:02,450 --> 00:37:00,089
figure that did his thing and he'd come

759
00:37:06,069 --> 00:37:02,460
back someday but changed my whole tune

760
00:37:10,849 --> 00:37:06,079
I'm not I'm not ashamed to say it

761
00:37:15,020 --> 00:37:10,859
well okay Jesus has has arrived you're

762
00:37:17,540 --> 00:37:15,030
coming here periodically how about you

763
00:37:21,109 --> 00:37:17,550

UFOs I mean are they from the same realm

764

00:37:24,410 --> 00:37:21,119

I mean we one of our authors is Reverend

765

00:37:26,210 --> 00:37:24,420

Barry downing who's written a book UFOs

766

00:37:29,089 --> 00:37:26,220

and biblical revelations that we just

767

00:37:31,550 --> 00:37:29,099

recently published and he believes that

768

00:37:34,370 --> 00:37:31,560

you know the angels were real physical

769

00:37:34,640 --> 00:37:34,380

flesh blood beings that they could come

770

00:37:36,500 --> 00:37:34,650

into

771

00:37:38,260 --> 00:37:36,510

your house he could sit there and chat

772

00:37:41,600 --> 00:37:38,270

with them and have dinner with them and

773

00:37:44,110 --> 00:37:41,610

they might have piloted the UFOs and

774

00:37:47,990 --> 00:37:44,120

they were responsible for parting the

775

00:37:50,300 --> 00:37:48,000

Red Sea and and and so forth I mean is

776

00:37:55,070 --> 00:37:50,310

there a connection between UFOs and

777

00:37:57,650 --> 00:37:55,080

these other beings I didn't see Jesus on

778

00:37:59,780 --> 00:37:57,660

a ship I know there's people who believe

779

00:38:02,660 --> 00:37:59,790

in that type of thing all I could do is

780

00:38:05,360 --> 00:38:02,670

speak to what I am familiar with but um

781

00:38:07,790 --> 00:38:05,370

and I had several what may have been

782

00:38:09,830 --> 00:38:07,800

near-death experiences and I didn't pop

783

00:38:12,770 --> 00:38:09,840

up on a ship to see the angels there

784

00:38:16,490 --> 00:38:12,780

either so I think there are beings who

785

00:38:18,320 --> 00:38:16,500

work for God because some of the alien

786

00:38:20,990 --> 00:38:18,330

beings that I personally had some

787

00:38:23,450 --> 00:38:21,000

encounters with directly spoke of that

788

00:38:25,520 --> 00:38:23,460

and they didn't look like any beings

789

00:38:29,390 --> 00:38:25,530

that I've ever heard of or read about

790

00:38:32,780 --> 00:38:29,400

anywhere so and I asked them well you

791

00:38:34,960 --> 00:38:32,790

guys what angel sometimes I said we've

792

00:38:38,030 --> 00:38:34,970

been called many things you know we

793

00:38:40,730 --> 00:38:38,040

speak on behalf of the one true source

794

00:38:45,970 --> 00:38:40,740

and the light source which is God and

795

00:38:54,250 --> 00:38:51,200

so okay so now as far as the UFOs go

796

00:38:57,830 --> 00:38:54,260

have you had encounters or sightings

797

00:39:00,410 --> 00:38:57,840

myself yes oh yeah yeah

798

00:39:03,010 --> 00:39:00,420

I wasn't abducted thank God no but um

799

00:39:06,740 --> 00:39:03,020

yeah I've had some encounters with

800

00:39:08,360 --> 00:39:06,750

several yeah ha Heidi tell us about I

801
00:39:12,470 --> 00:39:08,370
know you had mentioned that they saw on

802
00:39:15,040 --> 00:39:12,480
I think it was when we were on a Kevin

803
00:39:18,140 --> 00:39:15,050
Cooke show the light the last time the

804
00:39:22,300 --> 00:39:18,150
when you went down into your dark house

805
00:39:25,610 --> 00:39:22,310
and the broom had some visitors

806
00:39:29,960 --> 00:39:25,620
I found out really yes I found that

807
00:39:32,390 --> 00:39:29,970
story really interesting yeah I guess

808
00:39:36,020 --> 00:39:32,400
I've shared it on coast to coast I think

809
00:39:39,760 --> 00:39:36,030
a couple of times to it I I lived alone

810
00:39:41,930 --> 00:39:39,770
I woke up to sounds in my apartment and

811
00:39:43,160 --> 00:39:41,940
my dad always told me you know girl

812
00:39:45,230 --> 00:39:43,170
living on the first floor in our own

813
00:39:47,270 --> 00:39:45,240

apartment it's not a good thing somebody

814

00:39:48,230 --> 00:39:47,280

might break in I'm like huh I had my dad

815

00:39:50,150 --> 00:39:48,240

beat

816

00:39:52,190 --> 00:39:50,160

an apartment that had bars on the window

817

00:39:53,960 --> 00:39:52,200

so hot nobody's gonna get in here well I

818

00:39:55,640 --> 00:39:53,970

woke up to sounds of somebody haven't

819

00:39:58,460 --> 00:39:55,650

broken my apartment I'm like oh my god

820

00:40:00,829 --> 00:39:58,470

my dad was right and I'm somebody's

821

00:40:04,280 --> 00:40:00,839

ruffling through my stuff and it's loud

822

00:40:05,420 --> 00:40:04,290

my door is open to my bedroom and I just

823

00:40:06,710 --> 00:40:05,430

thought as soon as I put my feet down

824

00:40:09,800 --> 00:40:06,720

who's ever in my living room is gonna

825

00:40:11,630 --> 00:40:09,810

see me I just have to run like heck to

826

00:40:13,070 --> 00:40:11,640

the front door and get the heck out of

827

00:40:16,160 --> 00:40:13,080

there cuz I couldn't get out of a window

828

00:40:17,690 --> 00:40:16,170

and so I put my feet down and I just

829

00:40:23,270 --> 00:40:17,700

started running through the living room

830

00:40:26,359 --> 00:40:23,280

and I stopped Midway when I saw who had

831

00:40:29,540 --> 00:40:26,369

come into my place and they were the

832

00:40:33,140 --> 00:40:29,550

size of four-year-olds and I'm like what

833

00:40:34,760 --> 00:40:33,150

you know I'm being invaded by kids and I

834

00:40:37,040 --> 00:40:34,770

suddenly you know some of the fear

835

00:40:40,579 --> 00:40:37,050

leaves me and I and they have their back

836

00:40:42,829 --> 00:40:40,589

to me I'm like what was this and what's

837

00:40:44,720 --> 00:40:42,839

going on here I step in between the two

838

00:40:47,810 --> 00:40:44,730

of them and their backs were towards me

839

00:40:49,880 --> 00:40:47,820

going through a bookshelf of mine and

840

00:40:52,820 --> 00:40:49,890

had my stuff in their hands and I again

841

00:40:54,020 --> 00:40:52,830

I was in this this panic mode of I

842

00:40:55,970 --> 00:40:54,030

thought I was going to die and then I

843

00:40:58,040 --> 00:40:55,980

see these little kids in there and and I

844

00:41:00,140 --> 00:40:58,050

get between them and I say who are you

845

00:41:02,930 --> 00:41:00,150

what are you doing here and they turned

846

00:41:06,530 --> 00:41:02,940

and turned their heads towards me and

847

00:41:10,460 --> 00:41:06,540

that's when I saw they were not kids and

848

00:41:13,130 --> 00:41:10,470

they were these gray alien beings and I

849

00:41:15,290 --> 00:41:13,140

remember and like I saw the big black

850

00:41:17,870 --> 00:41:15,300

almond eyes and the slit for a mouth and

851
00:41:21,200 --> 00:41:17,880
two slits for her nose and and the mouth

852
00:41:23,630 --> 00:41:21,210
was in a circle like oh crap she's up I

853
00:41:25,700 --> 00:41:23,640
think like and they just froze and

854
00:41:28,849 --> 00:41:25,710
looked at me and I'm looking at them and

855
00:41:31,760 --> 00:41:28,859
I knew what they were because I had just

856
00:41:33,859 --> 00:41:31,770
joined a UFO discussion group and

857
00:41:36,740 --> 00:41:33,869
everybody in the group were abductees

858
00:41:39,800 --> 00:41:36,750
but me I was only one that had seen UFOs

859
00:41:41,089 --> 00:41:39,810
and was like wow this is neat I get to

860
00:41:43,550 --> 00:41:41,099
listen to all these alien abduction

861
00:41:45,020 --> 00:41:43,560
stories and then lo and behold I see

862
00:41:46,640 --> 00:41:45,030
these little stinkers in there and I

863
00:41:48,470 --> 00:41:46,650

grab my stuff out of their hands and I

864

00:41:50,300 --> 00:41:48,480

put this down who are you what are you

865

00:41:52,940 --> 00:41:50,310

doing here and I heard some noise behind

866

00:41:55,070 --> 00:41:52,950

me don't make a long story short there

867

00:41:57,530 --> 00:41:55,080

was two more in my walk-in closet two

868

00:41:59,430 --> 00:41:57,540

more in my kitchen and they're making

869

00:42:03,720 --> 00:41:59,440

all sorts of noise

870

00:42:08,220 --> 00:42:03,730

and I I went into the bathroom we call

871

00:42:10,230 --> 00:42:08,230

the exterminator or bud crazy but

872

00:42:12,120 --> 00:42:10,240

there's two more in my bathroom and long

873

00:42:18,420 --> 00:42:12,130

story short I picked one of them up and

874

00:42:22,109 --> 00:42:18,430

shook it I just that none of the rattle

875

00:42:24,359 --> 00:42:22,119

he was this one did not look like the

876

00:42:25,620 --> 00:42:24,369

others I'm asking them ah who are you

877

00:42:26,760 --> 00:42:25,630

what are you doing here who are you what

878

00:42:28,529 --> 00:42:26,770

he doing here we're going really fast

879

00:42:31,079 --> 00:42:28,539

I'm like what's happening in my place

880

00:42:32,579 --> 00:42:31,089

and I opened up my bathroom door because

881

00:42:34,380 --> 00:42:32,589

the light was on the door is closed I'm

882

00:42:37,859 --> 00:42:34,390

like well heck no who's in my bathroom

883

00:42:39,240 --> 00:42:37,869

and I see when I open up the door one of

884

00:42:42,210 --> 00:42:39,250

them I had accidentally knocked him to

885

00:42:44,849 --> 00:42:42,220

the floor and he was laying there with

886

00:42:47,520 --> 00:42:44,859

his hands up in the air and he's the

887

00:42:48,720 --> 00:42:47,530

only one who thought to answer me when

888

00:42:50,940 --> 00:42:48,730

I'm asking who are you what are you

889

00:42:52,829 --> 00:42:50,950

doing here and there was one that was

890

00:42:55,680 --> 00:42:52,839

grabbing reaching for something on the

891

00:42:58,500 --> 00:42:55,690

back of my toilet and this one had on

892

00:43:00,839 --> 00:42:58,510

clothes the others did not and it was

893

00:43:03,720 --> 00:43:00,849

like a tight bodysuit like almost with

894

00:43:06,539 --> 00:43:03,730

suspender like straps and I grabbed it

895

00:43:08,370 --> 00:43:06,549

by its suspenders and I shook it with

896

00:43:11,460 --> 00:43:08,380

every word and I said who are you and

897

00:43:14,370 --> 00:43:11,470

what are you doing here and the one on

898

00:43:17,549 --> 00:43:14,380

the floor I heard him say I'm your

899

00:43:20,299 --> 00:43:17,559

nephew I'm your nephew and I'm like I

900

00:43:24,569 --> 00:43:20,309

turned and I watched this thing

901
00:43:28,109 --> 00:43:24,579
shape-shift into my nephew with a big

902
00:43:30,000 --> 00:43:28,119
afro and a baby blue suit and I'm like

903
00:43:31,950 --> 00:43:30,010
you're not my nephew look like him when

904
00:43:33,480 --> 00:43:31,960
it was ten you know he's 20-something

905
00:43:36,510 --> 00:43:33,490
now he was almost the same age as myself

906
00:43:38,970 --> 00:43:36,520
and I turned my attention back to the

907
00:43:41,849 --> 00:43:38,980
other women in my hands and I realized I

908
00:43:44,370 --> 00:43:41,859
had scared this thing to death and this

909
00:43:46,980 --> 00:43:44,380
one it sounds like it scared you to

910
00:43:51,319 --> 00:43:46,990
death well it did but this one looked

911
00:43:53,940 --> 00:43:51,329
like a kid half US and half them and I

912
00:43:56,039 --> 00:43:53,950
put it down and I said look and it was

913
00:43:57,359 --> 00:43:56,049

shaking like it was short-circuiting or

914

00:43:59,099 --> 00:43:57,369

something I'm like look I'm sorry I

915

00:44:00,510 --> 00:43:59,109

didn't mean to scare you you guys are

916

00:44:03,059 --> 00:44:00,520

all in my apartment nobody's answering

917

00:44:06,150 --> 00:44:03,069

me this one's lying saying he's my

918

00:44:08,309 --> 00:44:06,160

nephew and it just it was crazy

919

00:44:09,960 --> 00:44:08,319

I later realized what they were looking

920

00:44:11,559 --> 00:44:09,970

at and what I took out on their hands

921

00:44:14,079 --> 00:44:11,569

the first two they had

922

00:44:16,299 --> 00:44:14,089

my little picture booklet and I had a

923

00:44:19,059 --> 00:44:16,309

picture of my nephew just like that one

924

00:44:20,920 --> 00:44:19,069

that was shape-shifted on the floor like

925

00:44:22,749 --> 00:44:20,930

I I didn't even know that picture was in

926

00:44:25,479 --> 00:44:22,759

there it's just crazy

927

00:44:26,380 --> 00:44:25,489

that's like right out of the twilight

928

00:44:30,219 --> 00:44:26,390

zone or something

929

00:44:35,349 --> 00:44:30,229

I don't we years ago we did an interview

930

00:44:38,140 --> 00:44:35,359

with dr. Carlock Turner deceased now and

931

00:44:41,829 --> 00:44:38,150

she she talks about in fact in our books

932

00:44:46,390 --> 00:44:41,839

and all she talks about how these

933

00:44:51,819 --> 00:44:46,400

entities are able to disguise themselves

934

00:44:56,349 --> 00:44:51,829

as members of our family and cohorts the

935

00:44:58,539 --> 00:44:56,359

even members of the certain groups that

936

00:45:00,160 --> 00:44:58,549

have a sexual intercourse with people

937

00:45:03,489 --> 00:45:00,170

that they think was their deceased

938

00:45:06,670 --> 00:45:03,499

maiden and so very very very weird stuff

939

00:45:11,319 --> 00:45:06,680

but the the stories under hypnosis all

940

00:45:15,989 --> 00:45:11,329

seem quite quite similar but and if you

941

00:45:18,749 --> 00:45:15,999

take them at face value it really gets

942

00:45:21,670 --> 00:45:18,759

frightening I mean to say the least

943

00:45:25,870 --> 00:45:21,680

which leads me to the next question

944

00:45:27,759 --> 00:45:25,880

how do we protect ourselves uh well I

945

00:45:31,479 --> 00:45:27,769

say sprinkle a little Jesus on it

946

00:45:32,739 --> 00:45:31,489

honestly I'm very much about telling

947

00:45:36,459 --> 00:45:32,749

people how to bless their home

948

00:45:38,439 --> 00:45:36,469

themselves and these things why do they

949

00:45:39,999 --> 00:45:38,449

respond to that name of Jesus I think it

950

00:45:43,239 --> 00:45:40,009

was one of the first researchers to put

951
00:45:45,549 --> 00:45:43,249
it out there to say you know say in the

952
00:45:48,849 --> 00:45:45,559
name of Jesus get out leave me alone and

953
00:45:50,650 --> 00:45:48,859
I've had probably hundreds and hundreds

954
00:45:53,140 --> 00:45:50,660
of reports of like wow that worked Heidi

955
00:45:56,499 --> 00:45:53,150
and that works in the case of shadow

956
00:46:00,430 --> 00:45:56,509
people hatman so-called alien beings

957
00:46:04,180 --> 00:46:00,440
it's like if they're up to anything good

958
00:46:05,589 --> 00:46:04,190
that wouldn't work but it does work so

959
00:46:09,130 --> 00:46:05,599
what does that say

960
00:46:12,640 --> 00:46:09,140
and I've heard I can't remember which

961
00:46:14,829 --> 00:46:12,650
which author had said oh no that that

962
00:46:16,809 --> 00:46:14,839
doesn't work the alien abduction was

963
00:46:18,370 --> 00:46:16,819

done that's why it seemed to have worked

964

00:46:21,789 --> 00:46:18,380

so when you said in Jesus name get out

965

00:46:24,009 --> 00:46:21,799

they left but I'm like no it's worked

966

00:46:24,819 --> 00:46:24,019

for me for years to keep negative

967

00:46:26,709 --> 00:46:24,829

entities

968

00:46:27,910 --> 00:46:26,719

and otherwise I surely wouldn't be able

969

00:46:31,410 --> 00:46:27,920

to talk about this stuff

970

00:46:35,190 --> 00:46:31,420

Ill think and ruffle who was one of the

971

00:46:37,479 --> 00:46:35,200

original original investigators for the

972

00:46:41,049 --> 00:46:37,489

National investigations committee an

973

00:46:44,589 --> 00:46:41,059

area phenomena and has written a couple

974

00:46:47,079 --> 00:46:44,599

of books one about that well dr. James

975

00:46:49,839 --> 00:46:47,089

McDonald and also she's written quite

976

00:46:52,749 --> 00:46:49,849

widely extensively about the Djinn I

977

00:46:59,319 --> 00:46:52,759

think she talks about how she raises the

978

00:47:02,559 --> 00:46:59,329

name of Jesus to wear ruffle and raffle

979

00:47:06,370 --> 00:47:02,569

okay I didn't hear that's awesome I'm

980

00:47:07,839 --> 00:47:06,380

glad yeah yeah yeah in fact you know Tim

981

00:47:11,440 --> 00:47:07,849

I don't know if you realize this or not

982

00:47:14,380 --> 00:47:11,450

but her Anna's getting up there you know

983

00:47:17,589 --> 00:47:14,390

up there in years but her daughter has

984

00:47:21,039 --> 00:47:17,599

started doing lectures and shows and

985

00:47:23,380 --> 00:47:21,049

things so continuing the work anyway our

986

00:47:26,650 --> 00:47:23,390

our shadow our shadow people are coming

987

00:47:28,479 --> 00:47:26,660

to a block are watching top of the hour

988

00:47:32,410 --> 00:47:28,489

break coming up here so when we return

989

00:47:43,960 --> 00:47:32,420

we'll have more with Heidi and Nicole on

990

00:47:50,880 --> 00:47:48,430

explore the bazaars your e-ticket ride

991

00:47:54,160 --> 00:47:50,890

into the world of the paranoid

992

00:47:58,470 --> 00:47:54,170

strap yourself in as we traverse the

993

00:47:59,680 --> 00:47:58,480

universe exploring the unexplained UFO s

994

00:48:03,370 --> 00:47:59,690

ghosts

995

00:48:07,330 --> 00:48:03,380

Lost Worlds cryptozoology waters as well

996

00:48:11,560 --> 00:48:07,340

as other dimensions it's time to take

997

00:48:13,810 --> 00:48:11,570

back the night last night now your

998

00:48:21,150 --> 00:48:13,820

electrifying hosts of exploring the

999

00:48:26,020 --> 00:48:24,010

all right welcome back to the second

1000

00:48:28,930 --> 00:48:26,030

hour of exploring the Bazaar and our

1001
00:48:32,500 --> 00:48:28,940
host tonight tonight I know myself

1002
00:48:35,410 --> 00:48:32,510
intimately our guest tonight Nicole

1003
00:48:39,430 --> 00:48:35,420
Canfield and Heidi Hollis and we're

1004
00:48:41,530 --> 00:48:39,440
talking about shadow people the hat man

1005
00:48:45,280 --> 00:48:41,540
pesky Halley and this is going through

1006
00:48:48,160 --> 00:48:45,290
your stuff in your outs and all kinds of

1007
00:48:52,330 --> 00:48:48,170
fascinating things and Nicole I want to

1008
00:48:56,260 --> 00:48:52,340
ask you now just do a little research on

1009
00:48:57,730 --> 00:48:56,270
you I mean you've got just articles this

1010
00:49:01,360 --> 00:48:57,740
article after article you're very

1011
00:49:04,930 --> 00:49:01,370
prolific writer especially especially

1012
00:49:08,950 --> 00:49:04,940
when it comes to our favorite subjects

1013
00:49:10,750 --> 00:49:08,960

now what what got you interested in this

1014

00:49:11,980 --> 00:49:10,760

kind of stuff now you know I mean a lot

1015

00:49:13,900 --> 00:49:11,990

of people would say oh well you know

1016

00:49:15,730 --> 00:49:13,910

because I lived in Hana Gallants but I

1017

00:49:19,750 --> 00:49:15,740

think with you is probably a little bit

1018

00:49:23,140 --> 00:49:19,760

more than that it is I I never stopped

1019

00:49:26,440 --> 00:49:23,150

having experiences since since I was you

1020

00:49:30,000 --> 00:49:26,450

know a little girl so even moving away

1021

00:49:32,740 --> 00:49:30,010

from there moving to Florida I had

1022

00:49:34,660 --> 00:49:32,750

probably what I would consider my first

1023

00:49:37,390 --> 00:49:34,670

shadow being experience

1024

00:49:40,450 --> 00:49:37,400

mhm mhm which had to do with sleep

1025

00:49:45,880 --> 00:49:40,460

paralysis as well but I guess I was

1026
00:49:47,800 --> 00:49:45,890
about 20 maybe 19 and I for whatever

1027
00:49:49,540 --> 00:49:47,810
reason I just started feeling like there

1028
00:49:51,280 --> 00:49:49,550
was always something following me or

1029
00:49:54,910 --> 00:49:51,290
watching me and I didn't really have a

1030
00:49:56,680 --> 00:49:54,920
reason to feel like that but it was in

1031
00:50:00,130 --> 00:49:56,690
that like hypnagogic state that you were

1032
00:50:02,050 --> 00:50:00,140
talking about earlier that I woke up and

1033
00:50:03,610 --> 00:50:02,060
I was paralyzed in my sleep it was the

1034
00:50:07,960 --> 00:50:03,620
first time I'd ever experienced sleep

1035
00:50:11,770 --> 00:50:07,970
paralysis and there was a shadow man or

1036
00:50:15,730 --> 00:50:11,780
being staring at me from my window in my

1037
00:50:19,750 --> 00:50:15,740
room from outside looking in and I just

1038
00:50:22,740 --> 00:50:19,760

remember him like just a figure of a man

1039

00:50:25,450 --> 00:50:22,750

that there wasn't like eyes it wasn't

1040

00:50:27,970 --> 00:50:25,460

there was no hat it was just a figure of

1041

00:50:34,150 --> 00:50:27,980

a man a tall man stared like looking in

1042

00:50:34,480 --> 00:50:34,160

at me and I think after that I had

1043

00:50:37,359 --> 00:50:34,490

another

1044

00:50:39,460 --> 00:50:37,369

sleep paralysis shadow being experienced

1045

00:50:42,340 --> 00:50:39,470

probably like five years later after

1046

00:50:44,530 --> 00:50:42,350

that but I mean I've just had I just had

1047

00:50:47,920 --> 00:50:44,540

experience after experience and they

1048

00:50:50,350 --> 00:50:47,930

don't really stop so I can't really turn

1049

00:50:53,260 --> 00:50:50,360

them off like it's more peaceful in my

1050

00:50:55,300 --> 00:50:53,270

house where I'm living now and I think

1051

00:50:56,740 --> 00:50:55,310

it's because on a certain level I can I

1052

00:51:00,100 --> 00:50:56,750

know how to spiritually cleanse and

1053

00:51:02,109 --> 00:51:00,110

protect my home so you know I can cancel

1054

00:51:04,120 --> 00:51:02,119

a lot of it out but yeah my experience

1055

00:51:06,580 --> 00:51:04,130

has never really stopped and so I just

1056

00:51:08,320 --> 00:51:06,590

started writing about it and putting it

1057

00:51:10,390 --> 00:51:08,330

out there and come to find out a lot of

1058

00:51:16,090 --> 00:51:10,400

people have the same experiences so it's

1059

00:51:18,940 --> 00:51:16,100

pretty cool and we have a question and

1060

00:51:21,370 --> 00:51:18,950

this is for you know for both of you and

1061

00:51:24,640 --> 00:51:21,380

you know yeah both who you can give your

1062

00:51:27,940 --> 00:51:24,650

interpretation Jerry wants to know the

1063

00:51:32,400 --> 00:51:27,950

hat man is it the same hat man or are

1064

00:51:38,890 --> 00:51:32,410

there many I've wondered that myself

1065

00:51:42,190 --> 00:51:38,900

yeah okay for the most part I've only

1066

00:51:47,290 --> 00:51:42,200

received a handful of people who say

1067

00:51:48,730 --> 00:51:47,300

they've seen more than one I am NOT it's

1068

00:51:51,790 --> 00:51:48,740

like the verdict is still a bit out

1069

00:51:53,620 --> 00:51:51,800

there because um my understanding is

1070

00:51:55,450 --> 00:51:53,630

this is the same guy pulling the same

1071

00:51:57,520 --> 00:51:55,460

stuff everywhere but sometimes he's

1072

00:51:58,930 --> 00:51:57,530

clean-shaven sometimes he's got a goatee

1073

00:52:02,349 --> 00:51:58,940

Chinese's clothes

1074

00:52:04,570 --> 00:52:02,359

um but though this is the weird thing to

1075

00:52:07,470 --> 00:52:04,580

me I I really believe he's trying to put

1076
00:52:10,750 --> 00:52:07,480
the message out there that he exists

1077
00:52:13,810 --> 00:52:10,760
because if he didn't want to be

1078
00:52:16,120 --> 00:52:13,820
recognized and be known he'd hide but he

1079
00:52:18,990 --> 00:52:16,130
waits to you see him in the room and

1080
00:52:21,820 --> 00:52:19,000
then approaches he is purposefully

1081
00:52:23,560 --> 00:52:21,830
waiting to be seen and recognized and

1082
00:52:25,870 --> 00:52:23,570
wearing that distinctive hat or having

1083
00:52:28,930 --> 00:52:25,880
that distinctive presence so people are

1084
00:52:32,980 --> 00:52:28,940
connecting the dots to know he's on the

1085
00:52:35,200 --> 00:52:32,990
prowl and so I think that you know if

1086
00:52:37,240 --> 00:52:35,210
there was a ton of different ones I

1087
00:52:39,099 --> 00:52:37,250
surely would have had a lot more reports

1088
00:52:41,920 --> 00:52:39,109

over the years but it's probably been

1089

00:52:44,080 --> 00:52:41,930

just a handful maybe five over all these

1090

00:52:46,570 --> 00:52:44,090

years that people say they've seen more

1091

00:52:47,890 --> 00:52:46,580

than one but I mean but and then there's

1092

00:52:49,599 --> 00:52:47,900

that argument of well

1093

00:52:51,099 --> 00:52:49,609

how could that be you know that there's

1094

00:52:53,079 --> 00:52:51,109

just the one I'm like well God could be

1095

00:52:56,980 --> 00:52:53,089

everywhere and if this is the opposite

1096

00:52:59,980 --> 00:52:56,990

to to God it can he be in more places

1097

00:53:04,089 --> 00:52:59,990

than one I believe so because he will

1098

00:53:07,960 --> 00:53:04,099

claim to be the devil it when he speaks

1099

00:53:12,510 --> 00:53:07,970

to some people but then again you know

1100

00:53:17,529 --> 00:53:12,520

you you go and look at say like old

1101
00:53:21,640 --> 00:53:17,539
demonic mythology's where you know the

1102
00:53:24,069 --> 00:53:21,650
the demons all will just you know jump

1103
00:53:26,140 --> 00:53:24,079
to claiming that they're the devil no

1104
00:53:29,710 --> 00:53:26,150
I'm the devil no I was you know it says

1105
00:53:32,289 --> 00:53:29,720
that that seems to be a favorite motif

1106
00:53:35,500 --> 00:53:32,299
to put the scare in people claiming to

1107
00:53:38,410 --> 00:53:35,510
be the devil well he won't just say that

1108
00:53:40,180 --> 00:53:38,420
the devil he says his name a scratch was

1109
00:53:43,960 --> 00:53:40,190
just the Old Norse term you know old

1110
00:53:46,930 --> 00:53:43,970
scratch for the devil but he'll just say

1111
00:53:48,579 --> 00:53:46,940
you know oh that you know Jesus think he

1112
00:53:50,079 --> 00:53:48,589
want he wants to the name Jesus he says

1113
00:53:52,599 --> 00:53:50,089

their religion won't work on me and

1114

00:53:56,049 --> 00:53:52,609

things like that he tries to get you to

1115

00:53:57,609 --> 00:53:56,059

doubt things but well yeah the religion

1116

00:54:03,579 --> 00:53:57,619

wouldn't work on me either but I'm not

1117

00:54:05,680 --> 00:54:03,589

the devil I don't know I suppose to me

1118

00:54:09,519 --> 00:54:05,690

you know it these these beings

1119

00:54:13,380 --> 00:54:09,529

they certainly have the ability to lie

1120

00:54:17,400 --> 00:54:13,390

to us and mislead us sounds like

1121

00:54:19,990 --> 00:54:17,410

politicians there now we're gonna

1122

00:54:22,089 --> 00:54:20,000

darndest to let people but you know I'll

1123

00:54:25,299 --> 00:54:22,099

tell you this for the longest time for

1124

00:54:27,339 --> 00:54:25,309

many years there was no name given no

1125

00:54:29,980 --> 00:54:27,349

nothing given and for the most part he

1126
00:54:32,920 --> 00:54:29,990
doesn't give a name but the presence

1127
00:54:35,200 --> 00:54:32,930
speaks very loudly it's just like when I

1128
00:54:38,710 --> 00:54:35,210
had that counter with Jesus he didn't

1129
00:54:41,529 --> 00:54:38,720
say hey I'm Jesus mice my cell and my

1130
00:54:43,839 --> 00:54:41,539
soul recognized who was there before me

1131
00:54:44,799 --> 00:54:43,849
and people would ask me in these emails

1132
00:54:46,480 --> 00:54:44,809
who is he

1133
00:54:48,760 --> 00:54:46,490
he's the devil isn't he they would

1134
00:54:51,460 --> 00:54:48,770
answer their own question all the time

1135
00:54:54,160 --> 00:54:51,470
all the time and it wasn't like the the

1136
00:54:59,589 --> 00:54:54,170
name was given they just knew from that

1137
00:55:01,840 --> 00:54:59,599
presence they recognized him so are they

1138
00:55:05,140 --> 00:55:01,850

all would you say they're all under

1139

00:55:08,170 --> 00:55:05,150

the jurisdiction or either the devil or

1140

00:55:12,220 --> 00:55:08,180

of the let's just say the creator for

1141

00:55:13,450 --> 00:55:12,230

short there are they all under the

1142

00:55:15,790 --> 00:55:13,460

jurisdiction what do you mean it's

1143

00:55:20,020 --> 00:55:15,800

diction in other words are they are are

1144

00:55:21,970 --> 00:55:20,030

all these entities that that we see in

1145

00:55:25,740 --> 00:55:21,980

contact I mean they're all part of some

1146

00:55:28,780 --> 00:55:25,750

either negative or a positive force I

1147

00:55:31,120 --> 00:55:28,790

mean they can't be independent operators

1148

00:55:34,110 --> 00:55:31,130

oh well a band of thieves never got

1149

00:55:37,840 --> 00:55:34,120

along really well I think that they do

1150

00:55:40,420 --> 00:55:37,850

essentially have a common goal though

1151

00:55:41,860 --> 00:55:40,430

they may not always be very perfect in

1152

00:55:44,860 --> 00:55:41,870

the way that they go about doing things

1153

00:55:46,120 --> 00:55:44,870

but for the most part yeah there's on

1154

00:55:50,440 --> 00:55:46,130

one side of the fence and then the other

1155

00:55:56,050 --> 00:55:50,450

but I'll let let miss Cantrell here take

1156

00:55:58,710 --> 00:55:56,060

the question - I would say there's

1157

00:56:01,930 --> 00:55:58,720

definitely spirits that are of a more

1158

00:56:03,660 --> 00:56:01,940

darker or evil nature and there's

1159

00:56:07,390 --> 00:56:03,670

definitely spirits that are more of a

1160

00:56:09,700 --> 00:56:07,400

protective angelic type as well but I do

1161

00:56:12,430 --> 00:56:09,710

believe that there are some neutral

1162

00:56:17,470 --> 00:56:12,440

spirits and those would be the spirits

1163

00:56:19,090 --> 00:56:17,480

of the land for me elementals they in my

1164

00:56:21,850 --> 00:56:19,100

opinion they kind of they have their own

1165

00:56:27,280 --> 00:56:21,860

set of rules and they don't really they

1166

00:56:30,030 --> 00:56:27,290

don't follow our concept of evil and

1167

00:56:33,390 --> 00:56:30,040

good they more or less have you know

1168

00:56:36,010 --> 00:56:33,400

their goals of protecting the land or

1169

00:56:38,490 --> 00:56:36,020

helping things grow or whatever it has

1170

00:56:41,350 --> 00:56:38,500

to do with nature and and they don't

1171

00:56:45,880 --> 00:56:41,360

they can be very mischievous towards

1172

00:56:48,730 --> 00:56:45,890

human beings but but they can also be

1173

00:56:49,960 --> 00:56:48,740

very helpful so yeah I think they're

1174

00:56:52,180 --> 00:56:49,970

kind of neutral there's somewhere in

1175

00:56:55,500 --> 00:56:52,190

between I don't see them as either/or if

1176
00:56:59,740 --> 00:56:55,510
that makes sense so you're talking about

1177
00:57:05,500 --> 00:56:59,750
gnomes and fairies and absolutely

1178
00:57:08,130 --> 00:57:05,510
trolls yeah but that's that's just the

1179
00:57:10,360 --> 00:57:08,140
names that we've given them right I

1180
00:57:12,010 --> 00:57:10,370
don't know if you've ever I don't know

1181
00:57:13,300 --> 00:57:12,020
if there's ever been cases yeah I mean

1182
00:57:14,830 --> 00:57:13,310
there may have been well you know we're

1183
00:57:15,579 --> 00:57:14,840
you know the fairies would be like hi

1184
00:57:24,370 --> 00:57:15,589
we're fairy

1185
00:57:30,910 --> 00:57:24,380
no they don't call themselves that's a

1186
00:57:34,749 --> 00:57:30,920
water elemental sprites yeah yeah

1187
00:57:37,599 --> 00:57:34,759
sprites and well we I remember we had a

1188
00:57:41,650 --> 00:57:37,609

fellow now deceased uh buy him a bill

1189

00:57:45,729 --> 00:57:41,660

Cox he wrote a book first the pyramid

1190

00:57:45,940 --> 00:57:45,739

speak and he he was probably as far as I

1191

00:57:50,410 --> 00:57:45,950

know

1192

00:57:53,019 --> 00:57:50,420

well him is a wife or probably the the

1193

00:57:56,229 --> 00:57:53,029

leading authorities on that kind of you

1194

00:57:57,459 --> 00:57:56,239

know phenomena and they had they had not

1195

00:58:01,029 --> 00:57:57,469

only photographs but a lot of

1196

00:58:04,120 --> 00:58:01,039

testimonials from people and the spirits

1197

00:58:09,190 --> 00:58:04,130

of the trees and of course the Green Man

1198

00:58:11,259 --> 00:58:09,200

oh I'm so glad you brought that up my

1199

00:58:12,609 --> 00:58:11,269

knowledge is extensive well what what

1200

00:58:15,479 --> 00:58:12,619

did she tell us about the Green Man

1201
00:58:19,259 --> 00:58:15,489
because that is that primarily British

1202
00:58:23,680 --> 00:58:19,269
no no the Green Man I think is worldwide

1203
00:58:25,599 --> 00:58:23,690
he is definitely the I don't I don't

1204
00:58:27,670 --> 00:58:25,609
know if I would say omnipresent but he

1205
00:58:30,370 --> 00:58:27,680
is the spirit of the woods and like the

1206
00:58:32,849 --> 00:58:30,380
main protector of the woods so my mom

1207
00:58:35,890 --> 00:58:32,859
has actually recently had some

1208
00:58:38,799 --> 00:58:35,900
experience along with me we took a trip

1209
00:58:40,959 --> 00:58:38,809
and she was taking pictures of the woods

1210
00:58:44,319 --> 00:58:40,969
my mom's a paranormal investigator too

1211
00:58:46,180 --> 00:58:44,329
so she was taking pictures of the woods

1212
00:58:49,269 --> 00:58:46,190
where we were at in the mountains and

1213
00:58:53,229 --> 00:58:49,279

there was some definites green man faces

1214

00:58:56,259 --> 00:58:53,239

popping up there very evident it's

1215

00:58:59,229 --> 00:58:56,269

pretty wild so I think I see him as

1216

00:59:01,690 --> 00:58:59,239

being kind of like an omnipresent being

1217

00:59:05,859 --> 00:59:01,700

but it's just the overall protector of

1218

00:59:08,979 --> 00:59:05,869

the forest and if you if you traipse on

1219

00:59:10,630 --> 00:59:08,989

some territory that maybe he feels like

1220

00:59:12,609 --> 00:59:10,640

you're getting too comfortable or you're

1221

00:59:15,940 --> 00:59:12,619

you're going somewhere sacred to him

1222

00:59:21,759 --> 00:59:15,950

then it's possible that he will try to

1223

00:59:25,109 --> 00:59:21,769

scare you away so well could you give us

1224

00:59:27,440 --> 00:59:25,119

a at this description of the Green Man

1225

00:59:33,410 --> 00:59:27,450

yeah Green

1226

00:59:36,289 --> 00:59:33,420

yeah Tom tall I mean well he can pop up

1227

00:59:39,579 --> 00:59:36,299

as a smaller being too but usually the

1228

00:59:42,920 --> 00:59:39,589

Green Man is depicted or seen as a tall

1229

00:59:46,880 --> 00:59:42,930

man that is covered in foliage of some

1230

00:59:48,559 --> 00:59:46,890

kind be it oak leaves or holly leaves or

1231

00:59:50,329 --> 00:59:48,569

just leaves of the forest wherever

1232

00:59:54,049 --> 00:59:50,339

wherever you're at wherever you see him

1233

00:59:56,660 --> 00:59:54,059

and that that he actually dates back I

1234

00:59:58,970 --> 00:59:56,670

mean probably thousands of years some of

1235

01:00:01,970 --> 00:59:58,980

the older churches in Europe actually

1236

01:00:03,769 --> 01:00:01,980

have motifs and parties on a church I

1237

01:00:05,809 --> 01:00:03,779

was just gonna I was just gonna mention

1238

01:00:07,779 --> 01:00:05,819

that and of course some people's door

1239

01:00:12,950 --> 01:00:07,789

knockers mm-hmm

1240

01:00:15,589 --> 01:00:12,960

are often of the the green man

1241

01:00:18,859 --> 01:00:15,599

i it's I'm wondering if there's a

1242

01:00:22,400 --> 01:00:18,869

connection you know we have the green

1243

01:00:24,980 --> 01:00:22,410

man of the woods but we also have the

1244

01:00:26,930 --> 01:00:24,990

green men of the UFO phenomena which

1245

01:00:29,420 --> 01:00:26,940

actually you might kind of like it

1246

01:00:32,839 --> 01:00:29,430

forgiveth that's trying to be facetious

1247

01:00:35,480 --> 01:00:32,849

or funny but you know where the the the

1248

01:00:39,650 --> 01:00:35,490

term green man actually came from as far

1249

01:00:42,259 --> 01:00:39,660

as UFOs go it had nothing to do whether

1250

01:00:44,900 --> 01:00:42,269

you a UFO sighting there was a fella by

1251

01:00:46,849 --> 01:00:44,910

the name of Harold Sherman it was

1252

01:00:50,690 --> 01:00:46,859

probably one of the top of the psychics

1253

01:00:53,440 --> 01:00:50,700

in the United States he he wrote it was

1254

01:00:56,150 --> 01:00:53,450

very popular he had his own radio show

1255

01:00:58,309 --> 01:00:56,160

kind of it like a positive thinking

1256

01:01:00,799 --> 01:00:58,319

norman vincent peale but included

1257

01:01:03,680 --> 01:01:00,809

elements of the metaphysics and all in

1258

01:01:06,589 --> 01:01:03,690

it and he wrote a book well actually it

1259

01:01:10,160 --> 01:01:06,599

was a novel let for amazing stories back

1260

01:01:12,829 --> 01:01:10,170

in the 1940s called the Green Man and

1261

01:01:16,940 --> 01:01:12,839

the story the story was so popular that

1262

01:01:18,920 --> 01:01:16,950

he actually wrote a second novel it

1263

01:01:21,499 --> 01:01:18,930

called the return of the Green Man and

1264

01:01:23,809 --> 01:01:21,509

when we say novel that I don't know as

1265

01:01:25,430 --> 01:01:23,819

well there are no more magazines really

1266

01:01:27,559 --> 01:01:25,440

so you can't even justify what you're

1267

01:01:29,990 --> 01:01:27,569

talking about but in those days the pulp

1268

01:01:31,460 --> 01:01:30,000

magazines would have maybe about five or

1269

01:01:33,890 --> 01:01:31,470

six stories him and then they would have

1270

01:01:38,720 --> 01:01:33,900

one that took up after magazines yeah

1271

01:01:41,210 --> 01:01:38,730

yeah and which was your novel let but

1272

01:01:45,470 --> 01:01:41,220

you know we had copies of that

1273

01:01:47,930 --> 01:01:45,480

for a while I I knew his daughter and he

1274

01:01:51,109 --> 01:01:47,940

he was well aware of all the you know

1275

01:01:54,200 --> 01:01:51,119

the metaphysical and occult aspects of

1276

01:01:55,550 --> 01:01:54,210

that but a little green little green men

1277

01:01:57,500 --> 01:01:55,560

I don't know how they weren't

1278

01:02:00,560 --> 01:01:57,510

necessarily little didn't really start

1279

01:02:03,260 --> 01:02:00,570

with the UFO phenomena because I don't

1280

01:02:06,349 --> 01:02:03,270

think it's him how many UFO occupants

1281

01:02:12,290 --> 01:02:06,359

ever been Green oh yeah there's there's

1282

01:02:16,099 --> 01:02:12,300

been some that's been recorded yeah well

1283

01:02:20,330 --> 01:02:16,109

and there were some South American cases

1284

01:02:23,120 --> 01:02:20,340

especially in the 1960s and then there

1285

01:02:28,339 --> 01:02:23,130

was a few in the French UFO flap of the

1286

01:02:35,900 --> 01:02:28,349

the early 1950s but but yeah I mean you

1287

01:02:38,390 --> 01:02:35,910

know not not not a bunch well they have

1288

01:02:40,940 --> 01:02:38,400

cleverly but of course some of them now

1289

01:02:43,700 --> 01:02:40,950

to their uniforms have been different

1290

01:02:46,010 --> 01:02:43,710

you know of color so uniforms that may

1291

01:02:48,589 --> 01:02:46,020

not be their outfit spacesuits then

1292

01:02:50,570 --> 01:02:48,599

that's the word I'm trying to come up

1293

01:02:53,210 --> 01:02:50,580

with but some of them of course don't

1294

01:02:57,500 --> 01:02:53,220

even wear spacesuits but some of them do

1295

01:03:05,770 --> 01:02:57,510

why did color okay are either one of our

1296

01:03:08,630 --> 01:03:05,780

guests tonight into leprechauns at all I

1297

01:03:11,990 --> 01:03:08,640

didn't have a do any any leprechaun

1298

01:03:14,960 --> 01:03:12,000

stories I've got one of something I saw

1299

01:03:20,540 --> 01:03:14,970

not a leprechaun but I guess it was a

1300

01:03:22,700 --> 01:03:20,550

gnome okay uh okay this is this is

1301

01:03:25,120 --> 01:03:22,710

bizarre I lived in I shared this

1302

01:03:27,859 --> 01:03:25,130

apartment with a college roommate that I

1303

01:03:30,290 --> 01:03:27,869

based my book the secret war off from

1304

01:03:35,390 --> 01:03:30,300

and we just had so much stuff going on

1305

01:03:40,160 --> 01:03:35,400

in this one night I woke up because I

1306

01:03:43,010 --> 01:03:40,170

heard and like lip smacking like you

1307

01:03:46,700 --> 01:03:43,020

know just like and and then I felt like

1308

01:03:50,450 --> 01:03:46,710

a light pressure on my bed and I open my

1309

01:03:54,080 --> 01:03:50,460

eyes and I see this thing that kind of

1310

01:03:57,080 --> 01:03:54,090

looked like Gollum it

1311

01:04:01,610 --> 01:03:57,090

was gray in color but it was like an old

1312

01:04:04,040 --> 01:04:01,620

tiny little man just like looking over

1313

01:04:06,260 --> 01:04:04,050

me gumming his mouth like it had no

1314

01:04:09,860 --> 01:04:06,270

teeth in his head and just looking at me

1315

01:04:12,260 --> 01:04:09,870

it's just like I don't know like just

1316

01:04:16,430 --> 01:04:12,270

just having it and I'm sinking into the

1317

01:04:18,830 --> 01:04:16,440

bed like Oh what is that and he's really

1318

01:04:20,870 --> 01:04:18,840

kind of close looking at me like I don't

1319

01:04:22,820 --> 01:04:20,880

know like I was something from

1320

01:04:25,490 --> 01:04:22,830

Gulliver's Travels I don't know it was

1321

01:04:28,220 --> 01:04:25,500

so bizarre and then he just he just kind

1322

01:04:31,160 --> 01:04:28,230

of slowly looked at me and backed up and

1323

01:04:33,680 --> 01:04:31,170

walked out of the room and I sit up and

1324

01:04:36,800 --> 01:04:33,690

I'm watching him and I'm like that's a

1325

01:04:39,230 --> 01:04:36,810

little gray man that is a little gray

1326

01:04:41,510 --> 01:04:39,240

man and then I want to say it was

1327

01:04:47,030 --> 01:04:41,520

several days later my college roommate

1328

01:04:50,090 --> 01:04:47,040

Jesus she saw him - like what was that

1329

01:04:52,430 --> 01:04:50,100

unknown I don't know but he he looked

1330

01:04:57,380 --> 01:04:52,440

like a regular guy but really tiny and

1331

01:05:01,640 --> 01:04:57,390

gray skin so there you have it he live

1332

01:05:05,810 --> 01:05:01,650

in an old house this apartment was

1333

01:05:07,370 --> 01:05:05,820

actually above what used to be it was in

1334

01:05:08,600 --> 01:05:07,380

a old Polish neighborhood or something

1335

01:05:11,630 --> 01:05:08,610

like that and there they used to have a

1336

01:05:15,950 --> 01:05:11,640

butcher downstairs he would sell out of

1337

01:05:19,250 --> 01:05:15,960

the lower front of this building hmm so

1338

01:05:22,300 --> 01:05:19,260

yeah so I don't know weird I started

1339

01:05:27,320 --> 01:05:22,310

saying you should do some research into

1340

01:05:30,650 --> 01:05:27,330

some of the Polish mythology well yeah

1341

01:05:33,140 --> 01:05:30,660

of elementals especially ones that may

1342

01:05:34,910 --> 01:05:33,150

be associated with you know butcher

1343

01:05:37,550 --> 01:05:34,920

shops or you know slaughter you know

1344

01:05:40,640 --> 01:05:37,560

abattoir house things like that wow

1345

01:05:42,080 --> 01:05:40,650

that's wild I just I'd never seen him

1346

01:05:44,660 --> 01:05:42,090

before never seen him since I've never

1347

01:05:46,280 --> 01:05:44,670

seen anything like it when he said that

1348

01:05:48,800 --> 01:05:46,290

I was thinking actually of the Scottish

1349

01:05:52,310 --> 01:05:48,810

brownie or there's a finnish version

1350

01:05:54,560 --> 01:05:52,320

called the Tantra which are little

1351

01:05:58,730 --> 01:05:54,570

little beings that are basically

1352

01:06:00,560 --> 01:05:58,740

attached to families or older homes so

1353

01:06:05,510 --> 01:06:00,570

yeah that's pretty interesting

1354

01:06:07,970 --> 01:06:05,520

that's so weird I don't even know how to

1355

01:06:10,700 --> 01:06:07,980

categorize what

1356

01:06:14,480 --> 01:06:10,710

things that I have noticed about a lot

1357

01:06:17,210 --> 01:06:14,490

of these types of experiences and you

1358

01:06:20,750 --> 01:06:17,220

know and I've had a number of people you

1359

01:06:25,880 --> 01:06:20,760

know personally give me these details is

1360

01:06:27,260 --> 01:06:25,890

that a lot of times when somebody will

1361

01:06:30,170 --> 01:06:27,270

see something like you know take you

1362

01:06:35,470 --> 01:06:30,180

know you Heidi for example you know your

1363

01:06:38,960 --> 01:06:35,480

your your story when they see you know

1364

01:06:42,080 --> 01:06:38,970

definitely an unusual being or creature

1365

01:06:45,140 --> 01:06:42,090

a lot of times the creature will then

1366

01:06:51,349 --> 01:06:45,150

notice that they're being seen and will

1367

01:06:52,640 --> 01:06:51,359

look surprised like but I've had a lot

1368

01:06:53,990 --> 01:06:52,650

of people will tell me that you know

1369

01:06:56,210 --> 01:06:54,000

Lambie they'll be you know like walking

1370

01:06:58,040 --> 01:06:56,220

down the street or something and you

1371

01:07:01,099 --> 01:06:58,050

know something will walk past them

1372

01:07:03,320 --> 01:07:01,109

obviously very bizarre and that will be

1373

01:07:05,810 --> 01:07:03,330

shocked or will look shocked you know

1374

01:07:07,940 --> 01:07:05,820

that that they're being seen and it just

1375

01:07:10,970 --> 01:07:07,950

makes you wonder that you know if these

1376

01:07:14,210 --> 01:07:10,980

things aren't with us all the time and

1377

01:07:17,840 --> 01:07:14,220

that's you know some people just you

1378

01:07:19,970 --> 01:07:17,850

know kinda you'll have that ability to

1379

01:07:21,080 --> 01:07:19,980

occasional see these things or if you're

1380

01:07:23,990 --> 01:07:21,090

just in the right place in the right

1381

01:07:29,599 --> 01:07:24,000

time you know be able to see these

1382

01:07:32,150 --> 01:07:29,609

things because at one time I was in a

1383

01:07:35,470 --> 01:07:32,160

crowd of people gosh I don't know

1384

01:07:38,150 --> 01:07:35,480

probably 3040 people and there was a

1385

01:07:40,430 --> 01:07:38,160

diamond-like like if to pyramid bottoms

1386

01:07:43,820 --> 01:07:40,440

flat sides were put together a diamond

1387

01:07:44,480 --> 01:07:43,830

UFO tumbled through the sky for like 20

1388

01:07:48,080 --> 01:07:44,490

minutes

1389

01:07:52,359 --> 01:07:48,090

I saw purple and a handful of people saw

1390

01:07:55,099 --> 01:07:52,369

a rich royal blue I'm like so is it our

1391

01:07:57,290 --> 01:07:55,109

perception I don't know but it was

1392

01:07:58,099 --> 01:07:57,300

pretty interesting to me how we saw

1393

01:08:01,070 --> 01:07:58,109

different things

1394

01:08:08,990 --> 01:08:01,080

hmmm well what about you Nicole what do

1395

01:08:11,570 --> 01:08:09,000

you think well I I think as far as these

1396

01:08:13,849 --> 01:08:11,580

experiences go I think sometimes there

1397

01:08:16,910 --> 01:08:13,859

are certain beings that are attracted to

1398

01:08:20,599 --> 01:08:16,920

certain people because they are more

1399

01:08:22,160 --> 01:08:20,609

sensitive than others but you know I

1400

01:08:24,890 --> 01:08:22,170

don't know like in the case of

1401

01:08:26,840 --> 01:08:24,900

ghost though I think it can vary I

1402

01:08:28,189 --> 01:08:26,850

really don't know much about aliens to

1403

01:08:30,320 --> 01:08:28,199

be fully honest with you I definitely

1404

01:08:32,660 --> 01:08:30,330

believe in the probability I'm sure they

1405

01:08:35,689 --> 01:08:32,670

happen but I've just never had

1406

01:08:37,519 --> 01:08:35,699

experience with that but definitely if

1407

01:08:39,439 --> 01:08:37,529

you're more sensitive to these things I

1408

01:08:43,099 --> 01:08:39,449

feel like they have a fine way of kind

1409

01:08:48,860 --> 01:08:43,109

of finding you of course not you know

1410

01:08:50,479 --> 01:08:48,870

what we say aliens on this show and you

1411

01:08:52,400 --> 01:08:50,489

know typically add myself I mean we both

1412

01:08:54,410 --> 01:08:52,410

agree that I mean we're just using a

1413

01:08:56,720 --> 01:08:54,420

term for really a lack of a better term

1414

01:08:58,459 --> 01:08:56,730

because you know there's no proof one

1415

01:08:59,630 --> 01:08:58,469

way or the other that you know you're

1416

01:09:01,640 --> 01:08:59,640

dealing with that you know like

1417

01:09:03,050 --> 01:09:01,650

extraterrestrials or whatever I mean you

1418

01:09:04,579 --> 01:09:03,060

know more likely you're probably dealing

1419

01:09:07,820 --> 01:09:04,589

with something that wants you to think

1420

01:09:11,450 --> 01:09:07,830

yeah that that they're extraterrestrials

1421

01:09:13,039 --> 01:09:11,460

but outside of the space brothers I

1422

01:09:15,470 --> 01:09:13,049

don't even know if they necessarily want

1423

01:09:23,390 --> 01:09:15,480

us to think that they're from space they

1424

01:09:25,209 --> 01:09:23,400

don't sometimes they point up but you

1425

01:09:28,039 --> 01:09:25,219

know I don't know if they necessarily

1426

01:09:31,550 --> 01:09:28,049

want to sit maybe they can't define

1427

01:09:33,349 --> 01:09:31,560

where they're from that could make it

1428

01:09:36,229 --> 01:09:33,359

very well be I mean you know but I mean

1429

01:09:39,019 --> 01:09:36,239

there have been cases you know like I'll

1430

01:09:45,289 --> 01:09:39,029

point to the sky from we're from the

1431

01:09:54,560 --> 01:09:45,299

inside of the tall man's hat not a fun

1432

01:09:56,300 --> 01:09:54,570

place but you know I think that a lot of

1433

01:09:59,660 --> 01:09:56,310

these cases that you know that that we

1434

01:10:01,820 --> 01:09:59,670

talk about and we use the term alien you

1435

01:10:03,620 --> 01:10:01,830

know there's there's probably a good

1436

01:10:06,470 --> 01:10:03,630

possibility that we're dealing with the

1437

01:10:09,520 --> 01:10:06,480

same kind of phenomena as all the other

1438

01:10:12,950 --> 01:10:09,530

stuff that we've just been talking about

1439

01:10:18,560 --> 01:10:12,960

yeah yeah I mean you know some people

1440

01:10:20,180 --> 01:10:18,570

will will call them tricksters and and

1441

01:10:22,160 --> 01:10:20,190

yeah I mean some people have gone as far

1442

01:10:27,890 --> 01:10:22,170

as the you know say that they're they're

1443

01:10:29,419 --> 01:10:27,900

hungry ghosts or or the the jinn you

1444

01:10:32,800 --> 01:10:29,429

know that's that's been a popular and

1445

01:10:38,120 --> 01:10:35,390

yeah well I mean

1446

01:10:41,600 --> 01:10:38,130

you look at some of this you know the

1447

01:10:44,450 --> 01:10:41,610

old stories about the gin I mean it's

1448

01:10:47,419 --> 01:10:44,460

very reminiscent of a lot of the stuff

1449

01:10:51,050 --> 01:10:47,429

that is going on today and unfortunately

1450

01:10:54,110 --> 01:10:51,060

we are coming up to our bottom of the

1451

01:10:56,180 --> 01:10:54,120

hour break so let's go ahead and go to

1452

01:10:59,120 --> 01:10:56,190

that Tim and when we come back we will

1453

01:11:02,000 --> 01:10:59,130

finish up our conversation with Nicole

1454

01:11:05,030 --> 01:11:02,010

Canfield and Heidi Hollis on exploring

1455

01:11:15,379 --> 01:11:05,040

the bizarre 62 Hannibal I'm going to

1456

01:11:22,109 --> 01:11:19,530

now back to exploring the bazaars with

1457

01:11:25,410 --> 01:11:22,119

two of the most electrifying researchers

1458

01:11:31,379 --> 01:11:25,420

in the Paranoid your hosts Timothy Becca

1459

01:11:34,649 --> 01:11:31,389

Lee panting Swift's and welcome back to

1460

01:11:37,320 --> 01:11:34,659

the final segment of exploring bizarre

1461

01:11:39,600 --> 01:11:37,330

Tim here it is the bottom of the hour

1462

01:11:42,330 --> 01:11:39,610

just seems like the show gets started

1463

01:11:44,030 --> 01:11:42,340

and we've got less than a half hour to

1464

01:11:46,919 --> 01:11:44,040

go where does the time go

1465

01:11:51,120 --> 01:11:46,929

well you know we have to have an

1466

01:11:52,439 --> 01:11:51,130

Einstein on some night they're asking we

1467

01:11:54,570 --> 01:11:52,449

have to get our Ouija board out to do

1468

01:11:57,899 --> 01:11:54,580

that I think well you know we haven't

1469

01:12:00,750 --> 01:11:57,909

had a seance on the air I wonder how

1470

01:12:03,680 --> 01:12:00,760

that would go over I know on other shows

1471

01:12:07,890 --> 01:12:03,690

they're very frightened about using the

1472

01:12:12,270 --> 01:12:07,900

the Ouija board but I had a I had a bit

1473

01:12:14,459 --> 01:12:12,280

of well I had an experience with a Ouija

1474

01:12:17,399 --> 01:12:14,469

board I I discussed that I think on the

1475

01:12:20,370 --> 01:12:17,409

show we did a month or so ago about my

1476

01:12:22,890 --> 01:12:20,380

late friend Vivian st. John the wrestler

1477

01:12:26,689 --> 01:12:22,900

otherwise known as a lady

1478

01:12:29,879 --> 01:12:26,699

Suzanne and Miller and we had a rather

1479

01:12:32,129 --> 01:12:29,889

interesting experience with a Ouija

1480

01:12:35,879 --> 01:12:32,139

board that told us some things that were

1481

01:12:37,500 --> 01:12:35,889

darn right accurate you know and and

1482

01:12:39,419 --> 01:12:37,510

then of course I fooled around with the

1483

01:12:43,410 --> 01:12:39,429

Ouija board not so much in recent years

1484

01:12:46,050 --> 01:12:43,420

because I get bored by it I kind of put

1485

01:12:47,910 --> 01:12:46,060

that in the same category of as gambling

1486

01:12:49,830 --> 01:12:47,920

unless you're getting a message a minute

1487

01:12:52,050 --> 01:12:49,840

or or pulling the slot machine the

1488

01:12:54,300 --> 01:12:52,060

quarters are coming out after a while

1489

01:12:57,030 --> 01:12:54,310

you just feel like you wanting and

1490

01:12:58,229 --> 01:12:57,040

walking away from it and and that

1491

01:13:01,160 --> 01:12:58,239

happens a lot

1492

01:13:03,390 --> 01:13:01,170

anything that do with spirit you know

1493

01:13:05,820 --> 01:13:03,400

manifestations let me look at these the

1494

01:13:07,530 --> 01:13:05,830

TV shows where they can't be real the

1495

01:13:11,550 --> 01:13:07,540

spirit is not going to show up every

1496

01:13:14,310 --> 01:13:11,560

time you you know walk across the the

1497

01:13:17,339 --> 01:13:14,320

bottom deck of the Queen Elizabeth or

1498

01:13:19,649 --> 01:13:17,349

the what's a bit what's the big hotel

1499

01:13:21,750 --> 01:13:19,659

there that they won't go to in Colorado

1500

01:13:27,300 --> 01:13:21,760

The Shining yeah

1501

01:13:29,310 --> 01:13:27,310

I was thinking about the the Waverly you

1502

01:13:31,730 --> 01:13:29,320

know I mean a ghost er goes through her

1503

01:13:34,290 --> 01:13:31,740

plenty well I was in the Jerome Arizona

1504

01:13:38,580 --> 01:13:34,300

where there are more ghosts than there

1505

01:13:41,550 --> 01:13:38,590

are actual humans living there I well my

1506

01:13:44,430 --> 01:13:41,560

friend that is Sharla who would listen

1507

01:13:46,380 --> 01:13:44,440

to the show and assist me in taking

1508

01:13:48,810 --> 01:13:46,390

photographs from time to time when we're

1509

01:13:52,920 --> 01:13:48,820

on the road but they had an interest

1510

01:13:58,550 --> 01:13:52,930

that interesting a haunted town because

1511

01:14:05,010 --> 01:13:58,560

most of the ghosts were of drunkards

1512

01:14:07,680 --> 01:14:05,020

prospectors and prostitutes being in

1513

01:14:09,510 --> 01:14:07,690

fact there's one brothel

1514

01:14:11,430 --> 01:14:09,520

you know that's made up to it was

1515

01:14:15,390 --> 01:14:11,440

originally a brothel under seven years

1516

01:14:18,740 --> 01:14:15,400

ago that the silver season has some

1517

01:14:22,110 --> 01:14:18,750

ghosts in it and they've recorded some

1518

01:14:30,590 --> 01:14:22,120

EVP I'm not talking i guess real moaning

1519

01:14:35,640 --> 01:14:33,630

ghosts and spirits and all that around

1520

01:14:40,670 --> 01:14:35,650

us but you know I wanted to ask Nicole

1521

01:14:44,310 --> 01:14:40,680

we we just talked up briefly during the

1522

01:14:46,200 --> 01:14:44,320

commercial break about ancestors and I

1523

01:14:48,750 --> 01:14:46,210

wasn't sure exactly what that is and I

1524

01:14:51,390 --> 01:14:48,760

asked her probably a foolish question

1525

01:14:53,940 --> 01:14:51,400

was that akin to shamanism and she said

1526

01:14:57,750 --> 01:14:53,950

well I'm not exactly so perhaps she

1527

01:15:01,070 --> 01:14:57,760

would like to explain um so what I had

1528

01:15:04,560 --> 01:15:01,080

said was my spiritual practice is very

1529

01:15:07,340 --> 01:15:04,570

centered around my ancestors so I I

1530

01:15:10,440 --> 01:15:07,350

would say that shamanism is a worldwide

1531

01:15:12,510 --> 01:15:10,450

piece of different like ancient cultures

1532

01:15:14,970 --> 01:15:12,520

it still survives a day in different

1533

01:15:17,940 --> 01:15:14,980

forms and in different cultures and yes

1534

01:15:19,860 --> 01:15:17,950

they could include ancestral worship or

1535

01:15:22,680 --> 01:15:19,870

other their ancestors in the practice

1536

01:15:25,260 --> 01:15:22,690

but I think shamanism in and of itself

1537

01:15:27,960 --> 01:15:25,270

is something special

1538

01:15:30,720 --> 01:15:27,970

shamans you know will travel to other

1539

01:15:33,360 --> 01:15:30,730

realms and learn how to heal people

1540

01:15:35,709 --> 01:15:33,370

around them and bring messages from the

1541

01:15:39,160 --> 01:15:35,719

other side but for me I don't

1542

01:15:41,649 --> 01:15:39,170

I don't really do any of this that I

1543

01:15:44,859 --> 01:15:41,659

know of I just I feel a deep connection

1544

01:15:46,589 --> 01:15:44,869

to my ancestors I feel like something

1545

01:15:48,669 --> 01:15:46,599

that's very tangible for me and my

1546

01:15:51,250 --> 01:15:48,679

spirituality is the fact that my

1547

01:15:53,290 --> 01:15:51,260

ancestors live through me and so I feel

1548

01:15:56,739 --> 01:15:53,300

that it's very easy to reach out to them

1549

01:15:59,529 --> 01:15:56,749

and yeah I call on them to protect me as

1550

01:16:02,890 --> 01:15:59,539

far as my household to protect me from

1551
01:16:06,339 --> 01:16:02,900
any shadow beings or you know other

1552
01:16:13,689 --> 01:16:06,349
negative entities so well now isn't that

1553
01:16:15,339 --> 01:16:13,699
the basis of cannibalism well yes in

1554
01:16:20,229 --> 01:16:15,349
some of the cultures they would they

1555
01:16:21,669 --> 01:16:20,239
would they would eat the flesh of people

1556
01:16:25,109 --> 01:16:21,679
in their family and all after they were

1557
01:16:27,279 --> 01:16:25,119
deceased because they sounds delicious

1558
01:16:28,660 --> 01:16:27,289
they thought that they would pick up on

1559
01:16:32,169 --> 01:16:28,670
the energy of that person and the

1560
01:16:36,100 --> 01:16:32,179
knowledge and and things along that line

1561
01:16:38,680 --> 01:16:36,110
well ancestral worship actually is I

1562
01:16:41,020 --> 01:16:38,690
mean it dates back hundreds of thousands

1563
01:16:44,919 --> 01:16:41,030

of years but in every ancient culture

1564

01:16:47,529 --> 01:16:44,929

there was some form of ancestor where

1565

01:16:51,060 --> 01:16:47,539

where we honored our ancestors I don't I

1566

01:16:58,540 --> 01:16:51,070

don't know anything about cannibalism

1567

01:17:01,299 --> 01:16:58,550

that scares me a little bit well

1568

01:17:07,919 --> 01:17:01,309

actually Tim what is our next book

1569

01:17:12,700 --> 01:17:07,929

called alien blood lust by Scott

1570

01:17:16,419 --> 01:17:12,710

Corrales who's been a longtime associate

1571

01:17:19,120 --> 01:17:16,429

of ours now he's a travel that

1572

01:17:21,430 --> 01:17:19,130

investigated the the chupacabra which

1573

01:17:23,439 --> 01:17:21,440

are all familiar with but we've gathered

1574

01:17:26,649 --> 01:17:23,449

together a lot of other stories that

1575

01:17:30,850 --> 01:17:26,659

have to do with them also terrestrials

1576

01:17:34,770 --> 01:17:30,860

and and blood I mean there been cases in

1577

01:17:38,259 --> 01:17:34,780

South America that we wrote about in UFO

1578

01:17:40,750 --> 01:17:38,269

hostilities we're up to three or four

1579

01:17:43,359 --> 01:17:40,760

hundred people in an entire village they

1580

01:17:45,430 --> 01:17:43,369

had the blood drained or sucked from

1581

01:17:48,850 --> 01:17:45,440

them I mean that not to the point of

1582

01:17:49,440 --> 01:17:48,860

being you know well I think a couple of

1583

01:17:52,230 --> 01:17:49,450

them did

1584

01:17:53,760 --> 01:17:52,240

died mysteriously but some of them had

1585

01:17:56,100 --> 01:17:53,770

bite marks on their neck and on

1586

01:18:00,090 --> 01:17:56,110

different parts of their their body and

1587

01:18:02,820 --> 01:18:00,100

the the objects were described as a

1588

01:18:05,760 --> 01:18:02,830

cylinder shaped and they were coming

1589

01:18:10,530 --> 01:18:05,770

down over this a coastal town not too

1590

01:18:13,020 --> 01:18:10,540

far from the Amazon and in fact the

1591

01:18:17,720 --> 01:18:13,030

Brazilian government was so intrigued by

1592

01:18:20,460 --> 01:18:17,730

this they actually set up a an

1593

01:18:24,510 --> 01:18:20,470

observation post I guess you would call

1594

01:18:26,550 --> 01:18:24,520

it a knee or on the beach and I've seen

1595

01:18:29,130 --> 01:18:26,560

some of the photographs that they they

1596

01:18:32,370 --> 01:18:29,140

took over a period of I don't know maybe

1597

01:18:36,150 --> 01:18:32,380

six or eight months or a year a very

1598

01:18:39,390 --> 01:18:36,160

phenomenal phenomena in the the sky and

1599

01:18:44,220 --> 01:18:39,400

and then for some reason supposedly they

1600

01:18:45,690 --> 01:18:44,230

closed down the there their project

1601
01:18:48,990 --> 01:18:45,700
there even though they were getting some

1602
01:18:50,850 --> 01:18:49,000
very startling startling a you know a

1603
01:18:53,100 --> 01:18:50,860
proof that these things we were real but

1604
01:18:54,840 --> 01:18:53,110
of course nobody really believes that

1605
01:18:58,980 --> 01:18:54,850
they close it down they just sort of

1606
01:19:03,840 --> 01:18:58,990
went underground but there you talk

1607
01:19:06,330 --> 01:19:03,850
about a negative you know aspect of this

1608
01:19:08,670 --> 01:19:06,340
phenomena I mean it has it has happened

1609
01:19:10,740 --> 01:19:08,680
we think about just you know animal

1610
01:19:13,500 --> 01:19:10,750
mutilations and maybe the chupacabra but

1611
01:19:17,670 --> 01:19:13,510
there there are all sorts of weird

1612
01:19:19,820 --> 01:19:17,680
things that are going on of course going

1613
01:19:23,310 --> 01:19:19,830

back through history you also had the

1614

01:19:25,650 --> 01:19:23,320

succubus and the inked Incubus which

1615

01:19:30,480 --> 01:19:25,660

would attack people in the in the dead

1616

01:19:34,380 --> 01:19:30,490

of night and of course a lot of people

1617

01:19:36,690 --> 01:19:34,390

now say that they're having Night

1618

01:19:39,260 --> 01:19:36,700

Visitors and being abducted aboard UFOs

1619

01:19:43,410 --> 01:19:39,270

and undergoing some of the same

1620

01:19:45,860 --> 01:19:43,420

molestation and rituals that have been

1621

01:19:49,170 --> 01:19:45,870

reported as other phenomena throughout

1622

01:19:51,750 --> 01:19:49,180

the history of the occult it's all very

1623

01:19:53,010 --> 01:19:51,760

strange and all very bizarre only tim

1624

01:19:59,030 --> 01:19:53,020

schwartz claims to have all the answers

1625

01:20:02,640 --> 01:19:59,040

to it oh yeah that's right well and that

1626
01:20:06,390 --> 01:20:02,650
that kind of brings me around though too

1627
01:20:08,520 --> 01:20:06,400
to a question to both of our guests that

1628
01:20:11,850 --> 01:20:08,530
we were talking about like ghosts and

1629
01:20:14,939 --> 01:20:11,860
hauntings and things like that so when

1630
01:20:16,410 --> 01:20:14,949
it comes to the shadow people and you

1631
01:20:18,750 --> 01:20:16,420
know the hat man what's the difference

1632
01:20:23,880 --> 01:20:18,760
between say like a ghost and these

1633
01:20:25,530 --> 01:20:23,890
entities the the difference between a

1634
01:20:27,380 --> 01:20:25,540
ghost and these are it's just so a world

1635
01:20:30,030 --> 01:20:27,390
of difference I remember in the

1636
01:20:32,880 --> 01:20:30,040
beginning when I was first putting word

1637
01:20:35,189 --> 01:20:32,890
out there it was a lot of pooh-pooing

1638
01:20:37,590 --> 01:20:35,199

by ghost hunters oh those are just the

1639

01:20:39,750 --> 01:20:37,600

shadows of ghosts you're experiencing

1640

01:20:42,000 --> 01:20:39,760

you know I'm like well wait to see one

1641

01:20:44,459 --> 01:20:42,010

because I have a good feeling you're

1642

01:20:46,380 --> 01:20:44,469

gonna see one and luckily a lot of those

1643

01:20:48,180 --> 01:20:46,390

ghost hunters got back to me after they

1644

01:20:51,570 --> 01:20:48,190

did experience them and they're like wow

1645

01:20:54,870 --> 01:20:51,580

what a difference very threatening very

1646

01:21:00,090 --> 01:20:54,880

intimidating their presence is very much

1647

01:21:01,890 --> 01:21:00,100

about just sucking you dry and and one

1648

01:21:04,439 --> 01:21:01,900

of their favorite pastime things to do

1649

01:21:08,850 --> 01:21:04,449

is to get on your chest and choke you

1650

01:21:11,370 --> 01:21:08,860

and just make you be so fearful now the

1651

01:21:15,390 --> 01:21:11,380

one thing that that I find really

1652

01:21:17,669 --> 01:21:15,400

interesting like shadow beings are wispy

1653

01:21:19,649 --> 01:21:17,679

they run away generally but if you spot

1654

01:21:23,700 --> 01:21:19,659

them and they spot you spotting them

1655

01:21:26,010 --> 01:21:23,710

they usually will charge you down it's

1656

01:21:29,250 --> 01:21:26,020

it's it's it's intimidating game that

1657

01:21:32,040 --> 01:21:29,260

they play in there they're really trying

1658

01:21:36,140 --> 01:21:32,050

not to be seen hat man he'll wait til

1659

01:21:39,060 --> 01:21:36,150

you wake up hey how you doing it's like

1660

01:21:41,520 --> 01:21:39,070

he's a different sort he wants to be

1661

01:21:46,890 --> 01:21:41,530

recognized he wants you to give him

1662

01:21:49,320 --> 01:21:46,900

respectful fear ghosts they're nosy and

1663

01:21:52,229 --> 01:21:49,330

they play games they do silly things I

1664

01:21:54,300 --> 01:21:52,239

mean yeah they may be not the nicest

1665

01:21:56,189 --> 01:21:54,310

person you know and when they were alive

1666

01:22:00,270 --> 01:21:56,199

so they may smack you they may play

1667

01:22:02,490 --> 01:22:00,280

tricks on you but I believe behind every

1668

01:22:09,120 --> 01:22:02,500

haunting there is a shadow being believe

1669

01:22:11,010 --> 01:22:09,130

it or not Nicole what about you yeah

1670

01:22:13,709 --> 01:22:11,020

there's definitely a difference and from

1671

01:22:15,680 --> 01:22:13,719

my experience with shadow beings versus

1672

01:22:17,540 --> 01:22:15,690

ghosts ghost

1673

01:22:21,800 --> 01:22:17,550

sir well for me they've always been a

1674

01:22:25,840 --> 01:22:21,810

little more subtle you can still feel

1675

01:22:28,280 --> 01:22:25,850

their presence and they can be scary but

1676

01:22:32,750 --> 01:22:28,290

my experience of shadow beings was

1677

01:22:34,490 --> 01:22:32,760

always just sheer terror and waking up

1678

01:22:38,270 --> 01:22:34,500

the next day and just being in complete

1679

01:22:39,950 --> 01:22:38,280

disbelief and just hoping that I didn't

1680

01:22:41,740 --> 01:22:39,960

have the experience again you know

1681

01:22:45,920 --> 01:22:41,750

because it was just that frightening so

1682

01:22:48,680 --> 01:22:45,930

yeah they have this this energy of

1683

01:22:51,230 --> 01:22:48,690

domination they just want to scare you

1684

01:22:56,690 --> 01:22:51,240

and I definitely believe they feed off

1685

01:22:59,660 --> 01:22:56,700

of that energy no do you think that

1686

01:23:04,000 --> 01:22:59,670

there is a difference now our friend

1687

01:23:06,080 --> 01:23:04,010

Paul you know he has investigated

1688

01:23:08,870 --> 01:23:06,090

poltergeist cases there was one in

1689

01:23:12,950 --> 01:23:08,880

particular that he investigated where he

1690

01:23:18,140 --> 01:23:12,960

actually the whatever these beans were

1691

01:23:20,720 --> 01:23:18,150

they started to attack a teenage girl

1692

01:23:22,550 --> 01:23:20,730

who was the focus of their intent in the

1693

01:23:26,360 --> 01:23:22,560

house and he stood in between him and

1694

01:23:30,890 --> 01:23:26,370

actually grabbed one and he said that it

1695

01:23:32,300 --> 01:23:30,900

felt like the bones were almost like how

1696

01:23:35,540 --> 01:23:32,310

do you put it in I think he said wasn't

1697

01:23:39,050 --> 01:23:35,550

like like bird bones almost but that but

1698

01:23:42,170 --> 01:23:39,060

that this was an actual at least

1699

01:23:44,180 --> 01:23:42,180

temporarily physical thing but he was

1700

01:23:48,610 --> 01:23:44,190

under the impression that these things

1701

01:23:52,250 --> 01:23:48,620

were parasites that they were out to

1702

01:23:54,830 --> 01:23:52,260

create a charged atmosphere fear and

1703

01:23:57,890 --> 01:23:54,840

then that that they they would feed off

1704

01:24:00,170 --> 01:23:57,900

of it but they weren't ghosts in the

1705

01:24:01,640 --> 01:24:00,180

traditional sense then they were you

1706

01:24:03,920 --> 01:24:01,650

know like somebody's you know grandpa

1707

01:24:05,330 --> 01:24:03,930

Floyd who had passed away there's now

1708

01:24:08,050 --> 01:24:05,340

coming back and you know haunted the

1709

01:24:11,900 --> 01:24:08,060

place for whatever reason different

1710

01:24:13,370 --> 01:24:11,910

mm-hmm well I mean so do you think do

1711

01:24:15,620 --> 01:24:13,380

you think the shadow people will fall

1712

01:24:17,030 --> 01:24:15,630

into that category or the Hat Manor you

1713

01:24:18,470 --> 01:24:17,040

know whatever that is that these are

1714

01:24:22,130 --> 01:24:18,480

parasites

1715

01:24:24,320 --> 01:24:22,140

that somehow you know are able to you

1716

01:24:26,960 --> 01:24:24,330

know get their jollies or you know get

1717

01:24:30,460 --> 01:24:26,970

their I mean we we are there

1718

01:24:34,300 --> 01:24:30,470

their food their source of energy mm-hmm

1719

01:24:37,840 --> 01:24:34,310

yeah I would believe that round

1720

01:24:42,620 --> 01:24:37,850

definitely suck off the energy of us

1721

01:24:44,900 --> 01:24:42,630

feeding thriving converting possessing

1722

01:24:48,350 --> 01:24:44,910

that's a raping biting scratching

1723

01:24:50,360 --> 01:24:48,360

kicking there they're horrible anything

1724

01:24:53,090 --> 01:24:50,370

and everything you can imagine for them

1725

01:24:56,780 --> 01:24:53,100

to do to a person they have done at some

1726

01:24:58,820 --> 01:24:56,790

it's brutal stuff and you know sometimes

1727

01:25:00,950 --> 01:24:58,830

people are fortunate to just experience

1728

01:25:03,590 --> 01:25:00,960

it once but if it's something that has

1729

01:25:06,370 --> 01:25:03,600

really got its focus on you I've had

1730

01:25:10,070 --> 01:25:06,380

people write me who have had 40 years of

1731

01:25:13,370 --> 01:25:10,080

infiltration oh yeah well we had a case

1732

01:25:17,270 --> 01:25:13,380

that we wrote up in the UFO hostilities

1733

01:25:20,600 --> 01:25:17,280

book about a young woman who lives in

1734

01:25:23,260 --> 01:25:20,610

the Philippines and as she reported that

1735

01:25:25,760 --> 01:25:23,270

she was being bitten and scratched and

1736

01:25:27,290 --> 01:25:25,770

of course the authorities thought she

1737

01:25:30,950 --> 01:25:27,300

was just either making it up or

1738

01:25:32,930 --> 01:25:30,960

scratching her you know herself you know

1739

01:25:35,030 --> 01:25:32,940

when nobody was looking but they they

1740

01:25:37,730 --> 01:25:35,040

actually witnessed that you know with

1741

01:25:40,490 --> 01:25:37,740

their own eyes and they even put her in

1742

01:25:45,260 --> 01:25:40,500

a locked cell thinking that somehow this

1743

01:25:50,540 --> 01:25:45,270

would ward off the demonic forces and

1744

01:25:53,720 --> 01:25:50,550

she still was a attacked by them in fact

1745

01:25:56,240 --> 01:25:53,730

him didn't we have a lady on who was

1746

01:25:58,310 --> 01:25:56,250

raised in the Philippines or born in

1747

01:26:00,590 --> 01:25:58,320

Philippines who had an incident where

1748

01:26:03,380 --> 01:26:00,600

her father might actually have committed

1749

01:26:05,540 --> 01:26:03,390

suicide after seeing some creature that

1750

01:26:08,770 --> 01:26:05,550

was trying to get into the house it was

1751
01:26:12,800 --> 01:26:08,780
kind of almost like I'm along a Mothman

1752
01:26:17,900 --> 01:26:12,810
yeah type of creature that would hover

1753
01:26:20,060 --> 01:26:17,910
outside of his window his office window

1754
01:26:22,640 --> 01:26:20,070
well yeah his officers at his house but

1755
01:26:24,740 --> 01:26:22,650
yeah yeah the second floor was the

1756
01:26:28,070 --> 01:26:24,750
second floor right all right well she

1757
01:26:29,720 --> 01:26:28,080
she found out later though that you know

1758
01:26:32,960 --> 01:26:29,730
because his he was you know he was a

1759
01:26:35,420 --> 01:26:32,970
doctor and that his his facility in the

1760
01:26:39,590 --> 01:26:35,430
lower part of the house that he had a

1761
01:26:40,590 --> 01:26:39,600
lot of human remains baby you know

1762
01:26:43,080 --> 01:26:40,600
fetuses in

1763
01:26:44,930 --> 01:26:43,090

and things like that which you know in

1764

01:26:47,940 --> 01:26:44,940

their culture that's that's pretty taboo

1765

01:26:50,850 --> 01:26:47,950

well you know Tim I was just thinking we

1766

01:26:54,390 --> 01:26:50,860

have a Halloween coming up shortly

1767

01:26:55,800 --> 01:26:54,400

perhaps we should get her to come on one

1768

01:26:58,350 --> 01:26:55,810

of the segments and tell that story

1769

01:27:00,180 --> 01:26:58,360

again because it's certainly one of the

1770

01:27:04,100 --> 01:27:00,190

more frightening words that we have

1771

01:27:07,410 --> 01:27:04,110

heard you know you know first person the

1772

01:27:10,050 --> 01:27:07,420

experience yeah that was it was there

1773

01:27:13,100 --> 01:27:10,060

was a good story and you know

1774

01:27:16,250 --> 01:27:13,110

frightening and sad at the same time I

1775

01:27:21,000 --> 01:27:16,260

in fact the her father I believe

1776

01:27:28,470 --> 01:27:21,010

committed suicide possible I can't

1777

01:27:30,300 --> 01:27:28,480

remember I got an interesting phenomena

1778

01:27:33,600 --> 01:27:30,310

that I've had several people write me

1779

01:27:35,700 --> 01:27:33,610

who have attempted suicide and you know

1780

01:27:38,880 --> 01:27:35,710

they wake up in the hospital and they're

1781

01:27:40,860 --> 01:27:38,890

strapped down to the bed and have the

1782

01:27:45,120 --> 01:27:40,870

hat man be the first one to greet him

1783

01:27:46,710 --> 01:27:45,130

and one one person said he got within an

1784

01:27:50,040 --> 01:27:46,720

inch of his face and brought his

1785

01:27:52,080 --> 01:27:50,050

claw-like hand up in a showing like an

1786

01:27:57,300 --> 01:27:52,090

inch and he said I was this close to

1787

01:28:06,530 --> 01:27:57,310

having you and then he disappeared yeah

1788

01:28:12,600 --> 01:28:10,320

guess it's uh I don't know that's why we

1789

01:28:16,260 --> 01:28:12,610

go into the medical field as paranormal

1790

01:28:18,630 --> 01:28:16,270

folks apparently you know I would think

1791

01:28:20,700 --> 01:28:18,640

that having an experience like that okay

1792

01:28:23,580 --> 01:28:20,710

try to hit suicide you know you wake up

1793

01:28:25,500 --> 01:28:23,590

and there's the hat man yes I would

1794

01:28:27,630 --> 01:28:25,510

think that that would have just the

1795

01:28:29,460 --> 01:28:27,640

opposite effect that I I would stay that

1796

01:28:34,620 --> 01:28:29,470

on the very straight and narrow for the

1797

01:28:37,800 --> 01:28:34,630

rest of my life yeah yeah I you know I I

1798

01:28:39,510 --> 01:28:37,810

had a oh gosh I'm so bad with names but

1799

01:28:41,190 --> 01:28:39,520

I had a lady that was on my show once

1800

01:28:42,930 --> 01:28:41,200

and she writes books all a near-death

1801

01:28:45,030 --> 01:28:42,940

experience and everything is love and

1802

01:28:46,650 --> 01:28:45,040

light and fluffy and here I deal with

1803

01:28:48,330 --> 01:28:46,660

demons I'm like okay yeah yeah

1804

01:28:50,040 --> 01:28:48,340

near-death experience how about the

1805

01:28:52,710 --> 01:28:50,050

negative ones and she goes oh well

1806

01:28:53,730 --> 01:28:52,720

interesting enough these people they see

1807

01:28:56,490 --> 01:28:53,740

a man and

1808

01:28:59,040 --> 01:28:56,500

in a suit then have the negative

1809

01:29:02,700 --> 01:28:59,050

experience as I said that's my boy boy

1810

01:29:05,940 --> 01:29:02,710

yeah let's talk about those three we

1811

01:29:07,650 --> 01:29:05,950

have we have a couple Ill mean I don't

1812

01:29:10,790 --> 01:29:07,660

know them personally but we have a

1813

01:29:13,370 --> 01:29:10,800

couple well there's a haunted cemetery

1814

01:29:17,130 --> 01:29:13,380

rule it's the albanian rural cemetery

1815

01:29:21,600 --> 01:29:17,140

Albanian New York where the men in black

1816

01:29:27,360 --> 01:29:21,610

have been seen black cars demon dogs and

1817

01:29:31,710 --> 01:29:27,370

they even have a couple that fly over

1818

01:29:35,820 --> 01:29:31,720

the tombstones wearing their pajamas and

1819

01:29:38,670 --> 01:29:35,830

carrying lit candles now I don't know as

1820

01:29:42,720 --> 01:29:38,680

if they're particularly demonic but we

1821

01:29:44,280 --> 01:29:42,730

have we have a lady friend of ours who

1822

01:29:46,200 --> 01:29:44,290

comes on the show from time to time in

1823

01:29:49,860 --> 01:29:46,210

fact we should have her Halloween is

1824

01:29:53,190 --> 01:29:49,870

well the MIB lady we call her Claudia

1825

01:29:55,980 --> 01:29:53,200

Cunningham and she's got some great

1826

01:30:00,240 --> 01:29:55,990

stories about some very phenomenal

1827

01:30:02,550 --> 01:30:00,250

ghosts in fact the State House Inn in

1828

01:30:03,810 --> 01:30:02,560

Albany you know where the governor no no

1829

01:30:05,460 --> 01:30:03,820

if he lives there but the you know

1830

01:30:08,820 --> 01:30:05,470

resides or they had their meetings and

1831

01:30:10,350 --> 01:30:08,830

stuff like that it's haunted and I guess

1832

01:30:12,390 --> 01:30:10,360

they've talked about it it's been on TV

1833

01:30:15,000 --> 01:30:12,400

and stuff like that so you know in the

1834

01:30:17,220 --> 01:30:15,010

old days if you had a haunting you you

1835

01:30:20,790 --> 01:30:17,230

didn't want anybody discuss it because

1836

01:30:23,280 --> 01:30:20,800

you thought it would you know ruin your

1837

01:30:24,990 --> 01:30:23,290

business and and now people realize well

1838

01:30:29,790 --> 01:30:25,000

there might be a crowd outside if you

1839

01:30:36,600 --> 01:30:29,800

got a good enough warning I I suppose

1840

01:30:38,460 --> 01:30:36,610

but okay so this is where what is it I

1841

01:30:40,590 --> 01:30:38,470

mean is there any are there any new

1842

01:30:43,470 --> 01:30:40,600

phenomena that's developing out there I

1843

01:30:45,810 --> 01:30:43,480

mean what's the what's the latest craze

1844

01:30:52,500 --> 01:30:45,820

would you say Heidi is there anything

1845

01:30:54,450 --> 01:30:52,510

you see well the behavior of the Hat man

1846

01:30:57,180 --> 01:30:54,460

I guess you could say he is um

1847

01:30:58,950 --> 01:30:57,190

he's he's really he's taken a lot of

1848

01:31:02,820 --> 01:30:58,960

people out of their bodies a lot of

1849

01:31:04,950 --> 01:31:02,830

astral projecting going on and trying to

1850

01:31:06,290 --> 01:31:04,960

drag these people away and they're

1851
01:31:09,709 --> 01:31:06,300
fighting

1852
01:31:12,700 --> 01:31:09,719
gotten a lot of those lately

1853
01:31:15,439 --> 01:31:12,710
so behavior is changing that's for sure

1854
01:31:18,649 --> 01:31:15,449
fist-fighting I mean if you hit the hat

1855
01:31:20,930 --> 01:31:18,659
man that does it do you feel him or does

1856
01:31:27,950 --> 01:31:20,940
it does it sound you know like I feel

1857
01:31:30,290 --> 01:31:27,960
and you know I'll tell you okay so like

1858
01:31:33,229 --> 01:31:30,300
I have not had to confront that man

1859
01:31:36,410 --> 01:31:33,239
physically myself but literally probably

1860
01:31:39,290 --> 01:31:36,420
a month ago or so I I'm having a regular

1861
01:31:40,850 --> 01:31:39,300
dream and he appeared in between the

1862
01:31:44,660 --> 01:31:40,860
conversation I was having with somebody

1863
01:31:47,899 --> 01:31:44,670

and I grabbed him from the top of his

1864

01:31:50,660 --> 01:31:47,909

head on the Hat and I was like wow he is

1865

01:31:53,359 --> 01:31:50,670

solid black and I could feel the edge of

1866

01:31:56,240 --> 01:31:53,369

this hat and I took the hat and I shoved

1867

01:31:58,220 --> 01:31:56,250

it down to his face and pushed him down

1868

01:32:00,859 --> 01:31:58,230

to the ground and said I don't like you

1869

01:32:01,819 --> 01:32:00,869

and I never will he's very solid it's

1870

01:32:07,120 --> 01:32:01,829

very solid

1871

01:32:10,250 --> 01:32:07,130

yeah all right hey we're coming upon the

1872

01:32:12,229 --> 01:32:10,260

midnight hour and we're all going to

1873

01:32:13,879 --> 01:32:12,239

turn into we're all going to turn into

1874

01:32:16,459 --> 01:32:13,889

pumpkins or something to that effect so

1875

01:32:18,859 --> 01:32:16,469

I do want to go around the eye I do want

1876

01:32:23,140 --> 01:32:18,869

to go around the room one last time here

1877

01:32:27,979 --> 01:32:23,150

at the kco our radio studios and tell us

1878

01:32:30,919 --> 01:32:27,989

1879

word so the other F word calm on that

1894

01:33:14,280 --> 01:33:12,960

thing called face that the other Tim

1895

01:33:23,720 --> 01:33:14,290

doesn't like

1896

01:33:28,650 --> 01:33:26,220

unbated on comics and the other F word

1897

01:33:32,070 --> 01:33:28,660

01:33:46,650 --> 01:33:45,310

paranormal and the spiritual and how

1905

01:33:50,790 --> 01:33:46,660

1910

01:34:04,700 --> 01:34:00,340

internet and I'm working on a printed

1914

01:34:17,340 --> 01:34:13,900

copy of the conspiracy at a journal that

1915

01:34:20,070 --> 01:34:17,350

we do a couple of times a year for those

1916

01:34:23,430 --> 01:34:20,080

1918

01:34:30,450 --> 01:34:27,280

know a rarity these days and of course

1919

1925

01:35:01,170 --> 01:34:58,240

been I've been promoting quite a bit our

1926

01:35:03,540 --> 01:35:01,180

newest book the screwed by the aliens

1927

01:35:07,260 --> 01:35:03,550

that's even though that even though the

1928

01:35:08,640 --> 01:35:07,270

title was pretty salacious people just

1929

01:35:10,620 --> 01:35:08,650

love this subject I've been getting a

1930

01:35:15,050 --> 01:35:10,630

lot of requests to come on and talk

1931

01:35:19,170 --> 01:35:15,060

about it well it does have a double

1932

01:35:23,090 --> 01:35:19,180

meaning but you have to buy the book to
