[Music]

2  
00:00:37,590 --> 00:00:32,670

hello I am Joshua P Warren and this is

3  
00:00:39,720 --> 00:00:37,600

Joshua P one daily for years one of my

4  
00:00:46,189 --> 00:00:39,730

good friends in the paranormal field has

5  
00:00:49,200 --> 00:00:46,199

been Timothy green Beckley aka mr. UFO

6  
00:00:52,200 --> 00:00:49,210

tim has been around for a long time I'm

7  
00:00:55,829 --> 00:00:52,210

telling you he was one of those guys who

8  
00:00:58,289 --> 00:00:55,839

was right in the thick of the most

9  
00:01:01,229 --> 00:00:58,299

prominent things happening in the world

10  
00:01:05,399 --> 00:01:01,239

of ufology during the Golden Age back in

11  
00:01:07,109 --> 00:01:05,409

the 60s and 70s when it was it was

12  
00:01:09,300 --> 00:01:07,119

really reaching a peak he got to go

13  
00:01:11,819 --> 00:01:09,310

around and meet celebrities who would

14

00:01:15,300 --> 00:01:11,829

talk about their strange experiences and

15

00:01:21,749 --> 00:01:15,310

I mean yeah he's just he's a treasure

16

00:01:25,590 --> 00:01:21,759

trove of information then I met Tim gosh

17

00:01:28,429 --> 00:01:25,600

I guess it was over 20 years ago at a

18

00:01:32,789 --> 00:01:28,439

film festival in Syracuse New York

19

00:01:34,520 --> 00:01:32,799

and what's funny is that well for one

20

00:01:39,450 --> 00:01:34,530

thing he was the most outstanding

21

00:01:42,840 --> 00:01:39,460

looking guy there he had a big shock of

22

00:01:45,289 --> 00:01:42,850

light hair like colored hair and it was

23

00:01:48,620 --> 00:01:45,299

covered in jewelry and always had

24

00:01:51,980 --> 00:01:48,630

beautiful starlets hanging off his arms

25

00:01:54,749 --> 00:01:51,990

everywhere he walked I'm not kidding and

26  
00:01:56,190 --> 00:01:54,759  
so you know I definitely noticed the guy

27  
00:02:01,039 --> 00:01:56,200  
and I wanted to figure out who's this

28  
00:02:03,419 --> 00:02:01,049  
fella and so we talked because I had a

29  
00:02:05,580 --> 00:02:03,429  
low-budget movie in the festival and he

30  
00:02:07,410 --> 00:02:05,590  
had low budget movie in the festival and

31  
00:02:09,740 --> 00:02:07,420  
we talked a lot about movies and stuff

32  
00:02:12,270 --> 00:02:09,750  
but we did not even realize at that time

33  
00:02:14,460 --> 00:02:12,280  
that we were both paranormal guys it

34  
00:02:16,110 --> 00:02:14,470  
wasn't until after if the festival when

35  
00:02:20,290 --> 00:02:16,120  
you know I was back home and

36  
00:02:22,120 --> 00:02:20,300  
he lives in an apartment way up in the

37  
00:02:28,180 --> 00:02:22,130  
sky next to the Empire State Building

38  
00:02:30,370 --> 00:02:28,190

there in Manhattan and I I actually it

39

00:02:33,760 --> 00:02:30,380

was so weird I got back home I opened

40

00:02:36,490 --> 00:02:33,770

the magazine and there's a big spread

41

00:02:40,330 --> 00:02:36,500

about this guy and it says mr. UFO Mike

42

00:02:43,210 --> 00:02:40,340

what the so we started corresponding him

43

00:02:47,290 --> 00:02:43,220

realized you know what each other's true

44

00:02:50,620 --> 00:02:47,300

interest was and so since then we've had

45

00:02:52,360 --> 00:02:50,630

a great friendship and we always seem to

46

00:02:55,180 --> 00:02:52,370

kind of be working within the same

47

00:02:57,700 --> 00:02:55,190

circles we've done a lot of radio shows

48

00:03:00,180 --> 00:02:57,710

together and you know if I'm working on

49

00:03:02,770 --> 00:03:00,190

a project I'll interview him I mean I've

50

00:03:04,840 --> 00:03:02,780

flew up there and interviewed him in his

51  
00:03:07,450 --> 00:03:04,850  
apartment for one of my documentaries

52  
00:03:10,900 --> 00:03:07,460  
and then you know he is a publisher and

53  
00:03:13,390 --> 00:03:10,910  
so often he'll contact me and ask me if

54  
00:03:15,310 --> 00:03:13,400  
I'd like to contribute to one of his new

55  
00:03:18,250 --> 00:03:15,320  
publications and so I've been featured

56  
00:03:19,780 --> 00:03:18,260  
in numerous books talking about ghosts

57  
00:03:23,050 --> 00:03:19,790  
with the Brown Mountain lights or

58  
00:03:25,000 --> 00:03:23,060  
whatever so we have a good a good team

59  
00:03:29,040 --> 00:03:25,010  
here you know we trade off work and help

60  
00:03:34,750 --> 00:03:29,050  
each other out and promote each other so

61  
00:03:37,780 --> 00:03:34,760  
he contacted me a while back and he said

62  
00:03:40,990 --> 00:03:37,790  
hey Josh look I'm putting this new book

63  
00:03:44,170 --> 00:03:41,000

together you have any experiences to

64

00:03:49,870 --> 00:03:44,180

share about people having sex with

65

00:03:53,290 --> 00:03:49,880

aliens and I'm like oh boy where is this

66

00:03:55,210 --> 00:03:53,300

going what's the up to now so I

67

00:03:57,400 --> 00:03:55,220

contacted him I said you know what

68

00:04:00,940 --> 00:03:57,410

amazingly you finally hit upon a topic

69

00:04:05,500 --> 00:04:00,950

that I have no direct experience with I

70

00:04:09,040 --> 00:04:05,510

have not fortunately had the encounter

71

00:04:10,480 --> 00:04:09,050

with an alien of that kind nor do I

72

00:04:13,390 --> 00:04:10,490

really know anybody

73

00:04:15,010 --> 00:04:13,400

it has told me a really credible story

74

00:04:16,450 --> 00:04:15,020

along those lines that just comes to

75

00:04:18,370 --> 00:04:16,460

mind you know not somebody I could just

76

00:04:21,220 --> 00:04:18,380

call up and say hey listen I've got an

77

00:04:22,810 --> 00:04:21,230

opportunity for you now look it's

78

00:04:24,340 --> 00:04:22,820

different when it comes to ghosts I do

79

00:04:25,960 --> 00:04:24,350

know a number of people over the years

80

00:04:27,490 --> 00:04:25,970

who've told me they've had sexual

81

00:04:29,330 --> 00:04:27,500

encounters with ghosts maybe they're

82

00:04:32,629 --> 00:04:29,340

Incubus Azur succubus is

83

00:04:34,490 --> 00:04:32,639

but it's kind of rare to find somebody

84

00:04:36,379 --> 00:04:34,500

who says they've had a sexual encounter

85

00:04:38,030 --> 00:04:36,389

with an alien now obviously you have

86

00:04:40,189 --> 00:04:38,040

your famous people out there you know

87

00:04:42,290 --> 00:04:40,199

I've interviewed whitley strieber for

88

00:04:45,770 --> 00:04:42,300

example and he's talked about that sort

89

00:04:48,050 --> 00:04:45,780

of thing but it is pretty rare so I

90

00:04:52,010 --> 00:04:48,060

didn't have anything to contribute to

91

00:04:53,930 --> 00:04:52,020

what he was working on and so finally

92

00:04:57,590 --> 00:04:53,940

the book is out right and he sent me a

93

00:05:02,360 --> 00:04:57,600

copy of this book and it's called

94

00:05:03,800 --> 00:05:02,370

screwed by the aliens now I know right

95

00:05:06,830 --> 00:05:03,810

off the bat you're like oh boy what a

96

00:05:13,510 --> 00:05:06,840

crass title but there's something

97

00:05:17,390 --> 00:05:13,520

serious here and the serious part is are

98

00:05:20,779 --> 00:05:17,400

humans being manipulated genetically by

99

00:05:25,100 --> 00:05:20,789

aliens or you could just say have we

100

00:05:27,500 --> 00:05:25,110

ever been and if so what does that

101

00:05:30,170 --> 00:05:27,510

process like is it happening in a

102

00:05:33,110 --> 00:05:30,180

laboratory with petri dishes and test

103

00:05:36,650 --> 00:05:33,120

tubes or sometimes do they just come on

104

00:05:38,390 --> 00:05:36,660

down here and do the old nasty I mean

105

00:05:42,650 --> 00:05:38,400

it's a legitimate question because

106

00:05:46,460 --> 00:05:42,660

personally I feel like the aliens have

107

00:05:49,279 --> 00:05:46,470

intervened in the creation of what we

108

00:05:51,770 --> 00:05:49,289

now consider a human I think we're so

109

00:05:53,210 --> 00:05:51,780

unlike everything else on this planet

110

00:05:55,909 --> 00:05:53,220

but we'll get back to that in a minute

111

00:05:59,180 --> 00:05:55,919

so anyway he sent me this book called

112

00:06:00,589 --> 00:05:59,190

screwed by the aliens I want to read you

113

00:06:02,570 --> 00:06:00,599

a little bit of it I have not read this

114

00:06:05,719 --> 00:06:02,580

book yet I've just give through it I

115

00:06:11,629 --> 00:06:05,729

will tell you that it does have some

116

00:06:13,250 --> 00:06:11,639

nudity in it and obviously from what I

117

00:06:16,700 --> 00:06:13,260

can see skimming through it some of the

118

00:06:17,930 --> 00:06:16,710

stories are pretty pretty detailed so

119

00:06:20,000 --> 00:06:17,940

this is not the sort of thing you'd want

120

00:06:23,240 --> 00:06:20,010

to buy for the grandkids for Christmas

121

00:06:24,920 --> 00:06:23,250

right but I'm just gonna read you a

122

00:06:28,219 --> 00:06:24,930

little bit of the beginning of this book

123

00:06:32,180 --> 00:06:28,229

and he starts it out with one of the

124

00:06:35,060 --> 00:06:32,190

most interesting things and I think our

125

00:06:37,610 --> 00:06:35,070

culture because most people have some

126

00:06:39,340 --> 00:06:37,620

kind of interest if not reverence for

127

00:06:41,380 --> 00:06:39,350

the Bible

128

00:06:43,240 --> 00:06:41,390

and this is one of the most intriguing

129

00:06:46,960 --> 00:06:43,250

parts of the Bible he has this quote

130

00:06:51,310 --> 00:06:46,970

from the book of Genesis chapter 6

131

00:06:55,420 --> 00:06:51,320

verses 1 2 & 4 here is the quote and it

132

00:06:58,420 --> 00:06:55,430

came to pass when men began to multiply

133

00:07:03,030 --> 00:06:58,430

on the face of the earth and daughters

134

00:07:06,220 --> 00:07:03,040

were born unto them that the sons of God

135

00:07:12,610 --> 00:07:06,230

saw the daughters of men that they were

136

00:07:16,810 --> 00:07:12,620

fair and they took them wives of all

137

00:07:19,690 --> 00:07:16,820

which they chose there were giants in

138

00:07:22,150 --> 00:07:19,700

the earth in those days and also after

139

00:07:25,450 --> 00:07:22,160

that when the sons of God came in unto

140

00:07:28,450 --> 00:07:25,460

the daughters of men and they bore

141

00:07:29,920 --> 00:07:28,460

children to them in quote so that's

142

00:07:31,990 --> 00:07:29,930

right there in the book of Genesis

143

00:07:34,060 --> 00:07:32,000

whether you like it or not whether you

144

00:07:37,240 --> 00:07:34,070

think this subject is crass or not it's

145

00:07:39,130 --> 00:07:37,250

right there in Genesis it says the sons

146

00:07:43,180 --> 00:07:39,140

of God came down saw the daughters of

147

00:07:47,290 --> 00:07:43,190

men made wives of them and they bore

148

00:07:49,540 --> 00:07:47,300

children so you know if you have any

149

00:07:54,070 --> 00:07:49,550

respect for the Bible you should be very

150

00:07:55,600 --> 00:07:54,080

interested in this and then here's

151

00:07:57,960 --> 00:07:55,610

another interesting quote that he puts

152

00:08:00,010 --> 00:07:57,970

in there this is from the Book of Enoch

153

00:08:01,990 --> 00:08:00,020

and by the way if you're not familiar

154

00:08:05,200 --> 00:08:02,000

with the Book of Enoch you're you're

155

00:08:07,780 --> 00:08:05,210

most likely not going to find it in in

156

00:08:11,190 --> 00:08:07,790

your regular Bible the Book of Enoch is

157

00:08:14,680 --> 00:08:11,200

an ancient Jewish religious work

158

00:08:18,070 --> 00:08:14,690

ascribed by tradition to Enoch who was

159

00:08:20,170 --> 00:08:18,080

the great-grandfather of Noah here's

160

00:08:22,780 --> 00:08:20,180

what the Wikipedia article says it says

161

00:08:26,260 --> 00:08:22,790

it is not part of the biblical canon as

162

00:08:28,720 --> 00:08:26,270

used by Jews apart from beta Israel

163

00:08:32,920 --> 00:08:28,730

which beta Israel I think is an

164

00:08:36,010 --> 00:08:32,930

Ethiopian branch it says most Christian

165

00:08:38,110 --> 00:08:36,020

denominations and traditions may accept

166

00:08:41,409 --> 00:08:38,120

the books of Enoch as having some

167

00:08:43,750 --> 00:08:41,419

historical or theological interest but

168

00:08:46,630 --> 00:08:43,760

they generally regard them as non

169

00:08:48,100 --> 00:08:46,640

canonical or whatever so anyway it's

170

00:08:49,120 --> 00:08:48,110

kind of a controversial thing but it's

171

00:08:52,720 --> 00:08:49,130

out there and

172

00:08:56,920 --> 00:08:52,730

nobody says it's fake and so here is

173

00:09:02,860 --> 00:08:56,930

what he has quoted from the Book of

174

00:09:06,009 --> 00:09:02,870

Enoch chapter 7 verses 1 2 and 10 he's

175

00:09:08,139 --> 00:09:06,019

talking about the fact that ok well I

176

00:09:11,079 --> 00:09:08,149

mean I'll just read it it happened after

177

00:09:14,499 --> 00:09:11,089

the sons of men had multiplied in those

178

00:09:17,949 --> 00:09:14,509

days that daughters were born to them

179

00:09:20,949 --> 00:09:17,959

elegant and beautiful and when the

180

00:09:24,519 --> 00:09:20,959

angels the sons of heaven beheld them

181

00:09:25,030 --> 00:09:24,529

they became enamored of them saying to

182

00:09:28,990 --> 00:09:25,040

each other

183

00:09:32,530 --> 00:09:29,000

come let us select for ourselves wives

184

00:09:36,340 --> 00:09:32,540

from the progeny of men and let us beget

185

00:09:39,790 --> 00:09:36,350

children then they took wives each

186

00:09:43,590 --> 00:09:39,800

choosing for himself whom they began to

187

00:09:47,579 --> 00:09:43,600

approach and with whom they cohabitant

188

00:09:51,879 --> 00:09:47,589

teaching them sorcery encantan

189

00:09:54,249 --> 00:09:51,889

incantations and the dividing of roots

190

00:09:57,910 --> 00:09:54,259

and trees in quote isn't that

191

00:10:00,040 --> 00:09:57,920

interesting so he's saying in this quote

192

00:10:01,809 --> 00:10:00,050

here not only are we talking about them

193

00:10:04,269 --> 00:10:01,819

coming down and having relationships

194

00:10:07,900 --> 00:10:04,279

with human women but they taught them

195

00:10:10,809 --> 00:10:07,910

sorcery incantations and the dividing of

196

00:10:13,929 --> 00:10:10,819

roots and trees which we can look into

197

00:10:19,780 --> 00:10:13,939

some early form of medicine I would

198

00:10:21,490 --> 00:10:19,790

imagine so he's you know so he starts

199

00:10:23,439 --> 00:10:21,500

with some great quotes to help you

200

00:10:27,040 --> 00:10:23,449

remember like this isn't just some book

201  
00:10:28,840 --> 00:10:27,050  
where we're trying to you know examine

202  
00:10:30,249 --> 00:10:28,850  
people who claim that they they've had

203  
00:10:33,309 --> 00:10:30,259  
an alien show up in the middle of the

204  
00:10:35,319 --> 00:10:33,319  
night and do nasty things no this this

205  
00:10:36,819 --> 00:10:35,329  
is part of a long tradition of trying to

206  
00:10:39,370 --> 00:10:36,829  
understand the relationship between

207  
00:10:41,470 --> 00:10:39,380  
humans and these more advanced beings

208  
00:10:44,350 --> 00:10:41,480  
call them gods call them angels whatever

209  
00:10:47,410 --> 00:10:44,360  
you want to call them so what I want to

210  
00:10:49,840 --> 00:10:47,420  
do now is just read to you Timothy green

211  
00:10:54,189 --> 00:10:49,850  
Beckley's introduction from this book

212  
00:10:56,170 --> 00:10:54,199  
called screwed by the aliens his

213  
00:10:59,199 --> 00:10:56,180

introduction is titled the meaning of it

214

00:11:02,310 --> 00:10:59,209

all have we all been screwed by the

215

00:11:05,970 --> 00:11:02,320

aliens by Timothy green Beckley

216

00:11:08,550 --> 00:11:05,980

he again has a quote here this is a

217

00:11:12,000 --> 00:11:08,560

quote by astrophysicist dr. jacques

218

00:11:13,950 --> 00:11:12,010

ballet from his book messengers of

219

00:11:17,460 --> 00:11:13,960

deception that's a classic book in the

220

00:11:20,330 --> 00:11:17,470

field quote the experience of a close

221

00:11:24,450 --> 00:11:20,340

encounter with a UFO is a shattering

222

00:11:27,030 --> 00:11:24,460

physical and mental ordeal the trauma

223

00:11:30,780 --> 00:11:27,040

has effects that go far beyond what the

224

00:11:33,510 --> 00:11:30,790

witness recalls consciously new types of

225

00:11:36,960 --> 00:11:33,520

behavior are conditioned and new types

226

00:11:40,020 --> 00:11:36,970

of beliefs are promoted the social

227

00:11:44,850 --> 00:11:40,030

political and religious consequences of

228

00:11:47,010 --> 00:11:44,860

the experience are enormous Inc whoa all

229

00:11:51,930 --> 00:11:47,020

right so now we get into what Tim has

230

00:11:55,140 --> 00:11:51,940

written here this book's title has a

231

00:11:57,300 --> 00:11:55,150

double meaning as you turn the pages

232

00:11:59,630 --> 00:11:57,310

here in you will see that we have

233

00:12:02,790 --> 00:11:59,640

approached the sexual nature of UFOs

234

00:12:05,100 --> 00:12:02,800

their alien occupants and the

235

00:12:09,240 --> 00:12:05,110

reproduction process of the ultra

236

00:12:11,850 --> 00:12:09,250

terrestrials with an open mind it's easy

237

00:12:14,100 --> 00:12:11,860

to laugh and goof all upon reading

238

00:12:15,780 --> 00:12:14,110

reports of anal probes and those who

239

00:12:19,440 --> 00:12:15,790

claim that they have fathered a rather

240

00:12:21,570 --> 00:12:19,450

large family of star children or who

241

00:12:25,080 --> 00:12:21,580

have sex with reptilians just about

242

00:12:27,120 --> 00:12:25,090

every Saturday night we admit a bit of

243

00:12:29,760 --> 00:12:27,130

chuckling from time to time ourselves

244

00:12:32,040 --> 00:12:29,770

but this is potentially a very important

245

00:12:35,340 --> 00:12:32,050

aspect of UFO research that for the most

246

00:12:39,960 --> 00:12:35,350

part has been neglected because of what

247

00:12:41,820 --> 00:12:39,970

some see as its offensive nature but

248

00:12:44,430 --> 00:12:41,830

just because something is offensive or

249

00:12:46,680 --> 00:12:44,440

not to your liking doesn't mean that you

250

00:12:49,110 --> 00:12:46,690

should ignore it altogether the

251  
00:12:52,080 --> 00:12:49,120  
phenomenon is not going to go away so

252  
00:12:54,930 --> 00:12:52,090  
let's study it and let the chips fall

253  
00:12:58,970 --> 00:12:54,940  
where they may a very trite statement

254  
00:13:01,710 --> 00:12:58,980  
but one that immediately comes to mind

255  
00:13:04,080 --> 00:13:01,720  
the second meaning for me at least is

256  
00:13:09,660 --> 00:13:04,090  
the fact that I sometimes feel I have

257  
00:13:13,200 --> 00:13:09,670  
been quote screwed by the aliens though

258  
00:13:15,510 --> 00:13:13,210  
I have had three UFO sightings written

259  
00:13:18,900 --> 00:13:15,520  
and published a gazillion books and

260  
00:13:23,400 --> 00:13:18,910  
scenes I'm still at a loss as to what

261  
00:13:26,210 --> 00:13:23,410  
precisely the UFO enigma consists of we

262  
00:13:29,850 --> 00:13:26,220  
have Close Encounters bedroom invaders

263  
00:13:32,730 --> 00:13:29,860

abductions government cover-ups a cry

264

00:13:36,510 --> 00:13:32,740

for disclosure and everything to the far

265

00:13:39,720 --> 00:13:36,520

left and the far right I could have gone

266

00:13:43,440 --> 00:13:39,730

out and gotten a regular job but no they

267

00:13:45,960 --> 00:13:43,450

led me to follow them to chat them up

268

00:13:50,220 --> 00:13:45,970

and to devote my life to understanding

269

00:13:55,080 --> 00:13:50,230

their purpose so in a sense yes I have

270

00:13:58,260 --> 00:13:55,090

been screwed by the aliens but like with

271

00:14:01,320 --> 00:13:58,270

sex it has been a pleasurable experience

272

00:14:03,870 --> 00:14:01,330

for the most part I have learned one

273

00:14:07,230 --> 00:14:03,880

thing over the years don't get wrapped

274

00:14:10,290 --> 00:14:07,240

up with one thing in life don't let the

275

00:14:17,280 --> 00:14:10,300

alien screw you bless you and keep well

276

00:14:19,800 --> 00:14:17,290

and out of their reach Tim Beckley then

277

00:14:25,070 --> 00:14:19,810

he says visit our YouTube channel mr.

278

00:14:30,860 --> 00:14:25,080

ufos secret files and then our blog

279

00:14:33,920 --> 00:14:30,870

spectral vision dot wordpress.com

280

00:14:36,920 --> 00:14:33,930

spectral vision

281

00:14:39,680 --> 00:14:36,930

dot wordpress.com if you go to

282

00:14:41,900 --> 00:14:39,690

amazon.com and you type in screwed by

283

00:14:46,370 --> 00:14:41,910

the aliens the first thing that pops up

284

00:14:48,620 --> 00:14:46,380

is not surprisingly this book you can

285

00:14:54,470 --> 00:14:48,630

get it on Kindle for less than ten

286

00:14:58,190 --> 00:14:54,480

dollars or paperback Prime for \$24 it's

287

00:15:02,170 --> 00:14:58,200

over three hundred pages long and it has

288

00:15:06,320 --> 00:15:02,180

all kinds of contributors zhanka steel

289

00:15:09,860 --> 00:15:06,330

alan greenfield let's see all this work

290

00:15:14,870 --> 00:15:09,870

by brad Steiger John keel scott Corrales

291

00:15:17,860 --> 00:15:14,880

William Kern Hercules Invictus evil

292

00:15:21,560 --> 00:15:17,870

organ I mean I mean this is a really

293

00:15:23,180 --> 00:15:21,570

impressive compilation and like I say I

294

00:15:24,860 --> 00:15:23,190

haven't been able to sit down and dig

295

00:15:29,510 --> 00:15:24,870

into this you know this is my busiest

296

00:15:31,610 --> 00:15:29,520

time of year so at some point I will and

297

00:15:35,150 --> 00:15:31,620

I might be too embarrassed to talk about

298

00:15:36,230 --> 00:15:35,160

what I find because I you know look he

299

00:15:39,380 --> 00:15:36,240

makes a good point

300

00:15:43,130 --> 00:15:39,390

this is something that we need to think

301  
00:15:46,190 --> 00:15:43,140  
about whether we like it or not but you

302  
00:15:48,640 --> 00:15:46,200  
know I was raised up and in the Bible

303  
00:15:51,230 --> 00:15:48,650  
Belt it is a little embarrassing for me

304  
00:15:54,560 --> 00:15:51,240  
to talk about some of this stuff to be

305  
00:15:56,780 --> 00:15:54,570  
honest with you but that's why that he

306  
00:15:59,030 --> 00:15:56,790  
has written this well written and

307  
00:16:01,070 --> 00:15:59,040  
compiled this book with all these

308  
00:16:02,630 --> 00:16:01,080  
wonderful contributors so you can just

309  
00:16:05,060 --> 00:16:02,640  
sort of check it out for yourself you

310  
00:16:06,680 --> 00:16:05,070  
don't need me to read it to you you can

311  
00:16:09,610 --> 00:16:06,690  
read it for yourself make up your own

312  
00:16:15,950 --> 00:16:09,620  
mind in the privacy of your own home I

313  
00:16:19,550 --> 00:16:15,960

will tell you this however I have

314

00:16:22,760 --> 00:16:19,560

reached the conclusion as I think just

315

00:16:25,190 --> 00:16:22,770

about any intelligent person should that

316

00:16:26,990 --> 00:16:25,200

there is no way that I'm ever going to

317

00:16:30,560 --> 00:16:27,000

know all the secrets of the universe

318

00:16:33,350 --> 00:16:30,570

okay I'm not going to live long enough

319

00:16:38,180 --> 00:16:33,360

or have enough opportunity to understand

320

00:16:40,490 --> 00:16:38,190

all the secrets of the universe so if

321

00:16:42,410 --> 00:16:40,500

you're waiting around in your life to

322

00:16:44,300 --> 00:16:42,420

have the definitive answer to everything

323

00:16:45,380 --> 00:16:44,310

that's going on well you're never gonna

324

00:16:48,829 --> 00:16:45,390

have it

325

00:16:52,310 --> 00:16:48,839

and that's okay you know you don't have

326

00:16:56,150 --> 00:16:52,320

to have the answers but I like to

327

00:17:00,290 --> 00:16:56,160

explore the possibilities I like to use

328

00:17:01,730 --> 00:17:00,300

my imagination and therefore there are

329

00:17:03,980 --> 00:17:01,740

some things where I say you know what

330

00:17:06,079 --> 00:17:03,990

I'm gonna draw some kind of a conclusion

331

00:17:08,870 --> 00:17:06,089

just for the sake of being able to

332

00:17:10,789 --> 00:17:08,880

continue thinking about this in a

333

00:17:14,840 --> 00:17:10,799

somewhat intelligent and interesting way

334

00:17:17,030 --> 00:17:14,850

and and discuss it and share it with

335

00:17:21,650 --> 00:17:17,040

others so I believe that even though I

336

00:17:25,069 --> 00:17:21,660

cannot prove 100% that humans have had

337

00:17:30,200 --> 00:17:25,079

their genes affected by some other

338

00:17:34,850 --> 00:17:30,210

beings that that is what has happened

339

00:17:36,070 --> 00:17:34,860

here and I let me let me tell you why

340

00:17:40,669 --> 00:17:36,080

let me tell you why

341

00:17:45,970 --> 00:17:40,679

okay I was looking here online at this

342

00:17:48,320 --> 00:17:45,980

article from Business Insider calm and

343

00:17:52,669 --> 00:17:48,330

apparently one of these experts on

344

00:17:59,560 --> 00:17:52,679

genetics gave a TED talk and was sharing

345

00:18:04,610 --> 00:17:59,570

some data and he said that the genetic

346

00:18:11,810 --> 00:18:04,620

similarity between you and every other

347

00:18:17,450 --> 00:18:11,820

human is 99.9% see that makes sense to

348

00:18:25,450 --> 00:18:17,460

me that all humans would be almost 100%

349

00:18:31,610 --> 00:18:29,299

chimpanzees and it says the genetic

350

00:18:39,380 --> 00:18:31,620

similarity between a human and a

351  
00:18:42,590 --> 00:18:39,390  
chimpanzee is 96% ok that's a 4 not even

352  
00:18:45,159 --> 00:18:42,600  
a full 4 percent difference 4 is being

353  
00:18:47,360 --> 00:18:45,169  
generous less than a 4% difference

354  
00:18:49,789 --> 00:18:47,370  
according to genetics between a human

355  
00:18:53,600 --> 00:18:49,799  
and a chimp so let me ask you this

356  
00:18:56,390 --> 00:18:53,610  
little hypothetical question let's say I

357  
00:18:59,390 --> 00:18:56,400  
show you a chimpanzee

358  
00:19:04,400 --> 00:18:59,400  
sitting there in the woods playing with

359  
00:19:06,170 --> 00:19:04,410  
his balls and eating a banana and then

360  
00:19:12,650 --> 00:19:06,180  
all of a sudden a helicopter comes

361  
00:19:15,680 --> 00:19:12,660  
flying down next to the chimpanzee a guy

362  
00:19:20,660 --> 00:19:15,690  
walks out wearing his expensive Italian

363  
00:19:24,440 --> 00:19:20,670

suit his gold and diamond ring he's

364

00:19:27,530 --> 00:19:24,450

talking on his cell phone and I said to

365

00:19:31,160 --> 00:19:27,540

you hey what do you think the

366

00:19:38,919 --> 00:19:31,170

differences between that chimp and that

367

00:19:45,620 --> 00:19:38,929

guy would you be like I'd say about 4%

368

00:19:48,049 --> 00:19:45,630

really if you think that there's only 4%

369

00:19:51,710 --> 00:19:48,059

difference between that chimp and that

370

00:19:53,660 --> 00:19:51,720

guy then there's something wrong with

371

00:19:56,240 --> 00:19:53,670

genetics okay there's something more

372

00:19:58,610 --> 00:19:56,250

than genetics is capable of telling us I

373

00:20:00,200 --> 00:19:58,620

don't know if the genetic stuff is out

374

00:20:01,430 --> 00:20:00,210

of whack and we're gonna realize this

375

00:20:04,640 --> 00:20:01,440

one day and be like oh ho

376

00:20:07,070 --> 00:20:04,650

how silly we were so stupid to think or

377

00:20:09,410 --> 00:20:07,080

is there something else at play here

378

00:20:10,910 --> 00:20:09,420

which genetics is not telling us about

379

00:20:14,140 --> 00:20:10,920

because I'm telling you there's a

380

00:20:18,410 --> 00:20:14,150

there's a bigger difference than 4%

381

00:20:21,590 --> 00:20:18,420

between that chimp and that guy can I

382

00:20:24,530 --> 00:20:21,600

prove that to you well I think I just

383

00:20:27,100 --> 00:20:24,540

did but if you want me to put something

384

00:20:29,540 --> 00:20:27,110

under a microscope for you you know I

385

00:20:33,580 --> 00:20:29,550

don't know how to do that at this point

386

00:20:36,350 --> 00:20:33,590

but I don't know is that common sense

387

00:20:39,590 --> 00:20:36,360

let's look at some other statistics from

388

00:20:41,990 --> 00:20:39,600

this same presentation the genetic

389

00:20:44,570 --> 00:20:42,000

similarity between a human and a cat is

390

00:20:48,320 --> 00:20:44,580

90% okay so they're telling us there's

391

00:20:51,280 --> 00:20:48,330

less than 10% difference between you and

392

00:21:00,740 --> 00:20:53,810

similarity between a human and a mouse

393

00:21:06,380 --> 00:21:00,750

85% you and a cow 80% you and a fruit

394

00:21:11,740 --> 00:21:06,390

fly 61% I wish I could fly you and a

395

00:21:19,670 --> 00:21:11,750

chicken 60% and there is a 60%

396

00:21:21,860 --> 00:21:19,680

difference between you and a banana so

397

00:21:24,440 --> 00:21:21,870

if you're relying on genetics the

398

00:21:26,540 --> 00:21:24,450

difference between you and a chicken is

399

00:21:30,500 --> 00:21:26,550

the same difference between you and the

400

00:21:33,170 --> 00:21:30,510

banana does something seem a little

401  
00:21:39,650 --> 00:21:33,180  
weird and fishy and perhaps wrong about

402  
00:21:42,560 --> 00:21:39,660  
that way of gauging things it does to me

403  
00:21:44,480 --> 00:21:42,570  
so look I'm not like I'm not saying that

404  
00:21:47,570 --> 00:21:44,490  
geneticists have got it wrong I'm just

405  
00:21:49,850 --> 00:21:47,580  
saying maybe there's a hell of a lot

406  
00:21:51,800 --> 00:21:49,860  
more going on here than genes alone can

407  
00:21:53,420 --> 00:21:51,810  
tell us about whether there was a time

408  
00:21:56,210 --> 00:21:53,430  
when we didn't know anything about genes

409  
00:21:57,470 --> 00:21:56,220  
and so there's probably something else

410  
00:22:02,930 --> 00:21:57,480  
there that we don't know anything about

411  
00:22:06,730 --> 00:22:02,940  
and it's gonna say holy [h\_\_h] humans are

412  
00:22:10,040 --> 00:22:06,740  
200 times different you know 200 percent

413  
00:22:14,510 --> 00:22:10,050

five hundred percent a thousand percent

414

00:22:18,350 --> 00:22:14,520

different than a chimpanzee you know the

415

00:22:22,970 --> 00:22:18,360

closest thing we've walked on the moon

416

00:22:26,000 --> 00:22:22,980

by the way I don't see a chimpanzee

417

00:22:29,990 --> 00:22:26,010

doing that anytime soon unless we put

418

00:22:34,460 --> 00:22:30,000

the chimp there right it's kind of funny

419

00:22:36,400 --> 00:22:34,470

how we fool ourselves this way it goes

420

00:22:40,100 --> 00:22:36,410

back to what I've said about science

421

00:22:42,290 --> 00:22:40,110

over and over you go back to Sir Isaac

422

00:22:44,480 --> 00:22:42,300

Newton you show him a cell phone a

423

00:22:46,460 --> 00:22:44,490

microwave a television he's not gonna

424

00:22:49,760 --> 00:22:46,470

understand what it is that doesn't mean

425

00:22:52,490 --> 00:22:49,770

he's stupid it just means that

426

00:22:55,970 --> 00:22:52,500

collectively things change as time goes

427

00:22:59,299 --> 00:22:55,980

on and we observed more and we develop

428

00:23:02,060 --> 00:22:59,309

more as a as a group as a species

429

00:23:03,350 --> 00:23:02,070

I guarantee you in a hundred years 200

430

00:23:05,600 --> 00:23:03,360

years what they're saying right now

431

00:23:10,419 --> 00:23:05,610

about genetics will just be kind of a

432

00:23:16,720 --> 00:23:10,429

joke it does not explain the difference

433

00:23:18,950 --> 00:23:16,730

between a human and an ape so anyway

434

00:23:20,810 --> 00:23:18,960

these are the things that you have to

435

00:23:22,759 --> 00:23:20,820

consider you know when you look at works

436

00:23:25,720 --> 00:23:22,769

like screwed by the aliens I mean yes

437

00:23:29,960 --> 00:23:25,730

it's a it's a memorable title it's a

438

00:23:32,359 --> 00:23:29,970

perhaps for some shocking title but he's

439

00:23:39,369 --> 00:23:32,369

addressing a very interesting issue here

440

00:23:48,859 --> 00:23:42,859

what it is are screwed by the aliens

441

00:23:50,989 --> 00:23:48,869

yeah what it is that determines what

442

00:23:56,749 --> 00:23:50,999

makes us so different from everything

443

00:24:01,190 --> 00:23:56,759

else here everything else here well

444

00:24:04,399 --> 00:24:01,200

anyway again you got amazon.com type in

445

00:24:09,409 --> 00:24:04,409

screwed by the aliens Timothy green

446

00:24:10,820 --> 00:24:09,419

Beckley you'll find it and if you read

447

00:24:12,950 --> 00:24:10,830

it let me know what you think about it

448

00:24:14,930 --> 00:24:12,960

by the way I'm behind on my emails I

449

00:24:18,609 --> 00:24:14,940

have seen I've gotten some really good

450

00:24:22,879 --> 00:24:18,619

emails and I apologize for not replying

451  
00:24:26,869 --> 00:24:22,889  
to some of them already I got one email

452  
00:24:29,180 --> 00:24:26,879  
in particular about my interest in

453  
00:24:31,609 --> 00:24:29,190  
trying to prevent people from being

454  
00:24:33,919 --> 00:24:31,619  
bitten by mosquitos that I'm really

455  
00:24:36,799 --> 00:24:33,929  
excited about I'll be replying to that

456  
00:24:38,810 --> 00:24:36,809  
it's a busy time busy busy time yeah

457  
00:24:41,470 --> 00:24:38,820  
last night I went out and did an

458  
00:24:44,600 --> 00:24:41,480  
investigation that was covered by Fox 5

459  
00:24:45,320 --> 00:24:44,610  
which is the the big TV station here in

460  
00:24:47,690 --> 00:24:45,330  
Las Vegas

461  
00:24:50,119 --> 00:24:47,700  
I presume they'll be airing that maybe

462  
00:24:52,369 --> 00:24:50,129  
today or tomorrow and if it appears

463  
00:24:55,369 --> 00:24:52,379

online I'll tell you about how you could

464

00:24:57,619 --> 00:24:55,379

watch that and I will therefore have a

465

00:25:00,460 --> 00:24:57,629

new interesting ghost story to share

466

00:25:04,009 --> 00:25:00,470

with you who knows maybe tomorrow

467

00:25:06,680 --> 00:25:04,019

just this morning I woke up and I did an

468

00:25:10,400 --> 00:25:06,690

interview with a major broadcaster in

469

00:25:15,140 --> 00:25:10,410

England Howard Hughes

470

00:25:17,930 --> 00:25:15,150

not not that Howard Hughes no Howard

471

00:25:20,900 --> 00:25:17,940

Hughes a fantastic English broadcaster

472

00:25:23,660 --> 00:25:20,910

who does terrestrial broadcasting and

473

00:25:26,450 --> 00:25:23,670

podcasting and he interviewed me today

474

00:25:28,850 --> 00:25:26,460

and I just have so much stuff lined up

475

00:25:32,150 --> 00:25:28,860

the rest of the week you know this is my

476

00:25:33,770 --> 00:25:32,160

busiest month of the year so again

477

00:25:36,040 --> 00:25:33,780

please forgive any delays and

478

00:25:38,180 --> 00:25:36,050

communication but I will be sharing some

479

00:25:40,220 --> 00:25:38,190

really good stuff with you soon

480

00:25:43,750 --> 00:25:40,230

including hmm

481

00:25:47,600 --> 00:25:43,760

some more ideas about what the scariest

482

00:25:51,710 --> 00:25:47,610

Halloween costume you can imagine might

483

00:25:53,990 --> 00:25:51,720
