

EXPLORING THE BIZARRE #161

1
00:00:37,380 --> 00:00:21,830

[Music]

2
00:00:44,330 --> 00:00:41,820

explore the bazaars are your e-ticket

3
00:00:47,610 --> 00:00:44,340

ride into the world of the paranoid

4
00:00:51,920 --> 00:00:47,620

strap yourself in as we traverse the

5
00:00:55,010 --> 00:00:51,930

universe exploring the unexplained UFO s

6
00:00:57,420 --> 00:00:55,020

ghosts Lost Worlds

7
00:01:01,260 --> 00:00:57,430

cryptozoology waters as well as other

8
00:01:03,530 --> 00:01:01,270

dimensions it's time to take back the

9
00:01:07,140 --> 00:01:03,540

NASA night

10
00:01:10,350 --> 00:01:07,150

now your electrifying hosts of exploring

11
00:01:11,370 --> 00:01:10,360

the bizarre Timothy Beckley and Tim

12
00:01:18,260 --> 00:01:11,380

Swartz

13
00:01:24,749 --> 00:01:18,270

oh how much is that doggy in the window

14

00:01:28,230 --> 00:01:24,759

the one with the waggly tail how much is

15

00:01:36,900 --> 00:01:28,240

that doggy in the window

16

00:01:41,520 --> 00:01:36,910

I do hope that doggies for sale I don't

17

00:01:46,320 --> 00:01:41,530

one up on Eeyore a kitty I don't want a

18

00:01:49,640 --> 00:01:46,330

parrot that talks I don't want a ball of

19

00:01:54,300 --> 00:01:49,650

little fish bees he can't take a

20

00:01:56,520 --> 00:01:54,310

goldfish for a walk oh what's gotten

21

00:01:59,700 --> 00:01:56,530

into you this evening I didn't know that

22

00:02:01,230 --> 00:01:59,710

you were such a pet lover yeah see

23

00:02:04,170 --> 00:02:01,240

there's a Tim there's a lot you don't

24

00:02:08,280 --> 00:02:04,180

know about me I want to read card eight

25

00:02:10,380 --> 00:02:08,290

as a dog so people will pet me and I can

26

00:02:12,210 --> 00:02:10,390

do other things to other people that I

27

00:02:14,910 --> 00:02:12,220

don't particularly like I can pretend

28

00:02:16,860 --> 00:02:14,920

they're a fire hydrant and just think I

29

00:02:19,560 --> 00:02:16,870

wouldn't have to work I could just sit

30

00:02:24,140 --> 00:02:19,570

around a little day and sleep and I

31

00:02:28,830 --> 00:02:24,150

certainly would win Best Inn Yeow oh

32

00:02:34,020 --> 00:02:28,840

well speaking of shows this is a perfect

33

00:02:43,110 --> 00:02:34,030

open for tonight really a tail wagging

34

00:02:45,830 --> 00:02:43,120

program well Tim we've got two fantastic

35

00:02:50,430 --> 00:02:45,840

guests and we are going to talking about

36

00:02:54,360 --> 00:02:50,440

well psychic communication with

37

00:02:56,760 --> 00:02:54,370

animals and pets not only a living but

38

00:02:59,340 --> 00:02:56,770

those who are passed on as well I

39

00:03:03,240 --> 00:02:59,350

imagine that we'll talk a little bit

40

00:03:06,960 --> 00:03:03,250

about communication with humans that

41

00:03:10,500 --> 00:03:06,970

have passed on as as well but I think

42

00:03:13,080 --> 00:03:10,510

that everyone's interested in wanting to

43

00:03:16,260 --> 00:03:13,090

know what you know you're a little fur

44

00:03:17,940 --> 00:03:16,270

babies or are thinking or or maybe with

45

00:03:20,520 --> 00:03:17,950

some people they they don't want to know

46

00:03:23,250 --> 00:03:20,530

what their fur babies are are thinking

47

00:03:28,200 --> 00:03:23,260

about them well you know I I did have

48

00:03:32,210 --> 00:03:28,210

one psychic experience with a pet

49

00:03:36,570 --> 00:03:32,220

we always had cats when I was growing up

50

00:03:38,270 --> 00:03:36,580

alley cats Persian cats there was alert

51

00:03:41,550 --> 00:03:38,280

allergic to the hair after a while

52

00:03:45,450 --> 00:03:41,560

anyway we had one great cat whose name

53

00:03:50,730 --> 00:03:45,460

was Nikki and the cat you know cats

54

00:03:52,680 --> 00:03:50,740

don't live forever and anyway Nikki

55

00:03:54,240 --> 00:03:52,690

passed the way yeah I must have been

56

00:03:57,390 --> 00:03:54,250

pretty young maybe eight or nine years

57

00:04:00,300 --> 00:03:57,400

old anyway one day I was upstairs in the

58

00:04:03,030 --> 00:04:00,310

apartment above where I live with my

59

00:04:08,610 --> 00:04:03,040

parents my grandmother and grandfather

60

00:04:11,940 --> 00:04:08,620

lived upstairs and I hear the like a

61

00:04:16,400 --> 00:04:11,950

ball rolling on the floor and and and

62

00:04:19,440 --> 00:04:16,410

there is this the cat except the cat was

63

00:04:21,930 --> 00:04:19,450

deceased the high I mean it had passed

64

00:04:25,920 --> 00:04:21,940

away a couple of years before and he

65

00:04:28,250 --> 00:04:25,930

chased the ball down the hall and went

66

00:04:32,190 --> 00:04:28,260

through the wall hmm

67

00:04:34,650 --> 00:04:32,200

so you know I yeah you know I mean it's

68

00:04:37,700 --> 00:04:34,660

just another one of those odd

69

00:04:41,760 --> 00:04:37,710

occurrences that have kind of dotted my

70

00:04:45,480 --> 00:04:41,770

my my life you know so I you know I I

71

00:04:48,750 --> 00:04:45,490

think that cats are just wonderful I

72

00:04:52,160 --> 00:04:48,760

don't know however is if I necessarily

73

00:04:55,530 --> 00:04:52,170

believe that we can talk to them and

74

00:04:57,780 --> 00:04:55,540

maybe we can and I'm interested in

75

00:05:00,110 --> 00:04:57,790

knowing if I can reincarnate as a dog or

76

00:05:02,610 --> 00:05:00,120

am I just going backwards

77

00:05:03,800 --> 00:05:02,620

well I don't I don't know I think that

78

00:05:06,140 --> 00:05:03,810

maybe you know they

79

00:05:08,960 --> 00:05:06,150

people say that you know like a dog or a

80

00:05:10,460 --> 00:05:08,970

cat could reincarnate as a person but I

81

00:05:20,080 --> 00:05:10,470

think for them that would be going

82

00:05:24,320 --> 00:05:20,090

backwards yeah you're right I wonder if

83

00:05:26,750 --> 00:05:24,330

animals can well I guess some animals do

84

00:05:30,379 --> 00:05:26,760

take on kind of the the likeness and the

85

00:05:32,600 --> 00:05:30,389

behavior of their their owners and and I

86

00:05:36,350 --> 00:05:32,610

wonder if an animal can be possessed by

87

00:05:39,560 --> 00:05:36,360

a human hmm strange but there you go you

88

00:05:47,360 --> 00:05:39,570

got you got questions to to it to ask

89

00:05:50,480 --> 00:05:47,370

and there you go hey there's all kinds

90

00:05:55,070 --> 00:05:50,490

of things that just spiral around in my

91

00:05:57,980 --> 00:05:55,080

mind and so why don't you introduce our

92

00:05:59,900 --> 00:05:57,990

you know tell the audience about what

93

00:06:02,659 --> 00:05:59,910

we're going to be discussing tonight and

94

00:06:05,840 --> 00:06:02,669

a little bit more detail sure well our

95

00:06:08,990 --> 00:06:05,850

guest tonight and and and I'm just so

96

00:06:12,140 --> 00:06:09,000

grateful that we were able to line them

97

00:06:15,650 --> 00:06:12,150

up we have Karen Anderson and Jun

98

00:06:17,510 --> 00:06:15,660

Lundgren now Karen Karen Anderson is a

99

00:06:20,440 --> 00:06:17,520

number one best-selling and

100

00:06:23,330 --> 00:06:20,450

international award-winning author an

101
00:06:26,029 --> 00:06:23,340
award-winning animal communicator and

102
00:06:28,010 --> 00:06:26,039
psychic medium and has been

103
00:06:31,370 --> 00:06:28,020
professionally communicating with pets

104
00:06:31,700 --> 00:06:31,380
and departed human spirits for over 20

105
00:06:35,360 --> 00:06:31,710
years

106
00:06:37,100 --> 00:06:35,370
her amazingly accurate psychic abilities

107
00:06:40,820 --> 00:06:37,110
earned the prestigious first-place award

108
00:06:43,730 --> 00:06:40,830
for the 2013 Readers Choice Award for

109
00:06:46,820 --> 00:06:43,740
best animal communicator and the second

110
00:06:49,040 --> 00:06:46,830
place award the prior year now Karen

111
00:06:50,960 --> 00:06:49,050
discovered her special gift as a child

112
00:06:53,330 --> 00:06:50,970
and her abilities developed over the

113
00:06:55,730 --> 00:06:53,340

years and became particularly

114

00:06:57,170 --> 00:06:55,740

significant when she was a deputy

115

00:06:59,240 --> 00:06:57,180

sheriff

116

00:07:01,460 --> 00:06:59,250

it was during a police investigation

117

00:07:03,890 --> 00:07:01,470

that she realized that animals could

118

00:07:08,240 --> 00:07:03,900

provide accurate and detailed

119

00:07:10,640 --> 00:07:08,250

information on crime scenes I guess

120

00:07:12,500 --> 00:07:10,650

that's where the term stool pigeon came

121

00:07:13,969 --> 00:07:12,510

from combining her law enforcement

122

00:07:16,339 --> 00:07:13,979

background with her psychic abilities

123

00:07:17,719 --> 00:07:16,349

Karen now works closely with law

124

00:07:20,149 --> 00:07:17,729

enforcement agencies

125

00:07:22,519 --> 00:07:20,159

solve cold cases and missing-person

126

00:07:24,350 --> 00:07:22,529

cases bringing closure to victims and

127

00:07:27,200 --> 00:07:24,360

their families McCarran has written two

128

00:07:29,899 --> 00:07:27,210

books the best-selling and international

129

00:07:32,929 --> 00:07:29,909

award-winning the amazing afterlife of

130

00:07:37,489 --> 00:07:32,939

animals and the best-selling book here

131

00:07:42,350 --> 00:07:37,499

all creatures so she's also collaborated

132

00:07:45,140 --> 00:07:42,360

with let's see what it says leading

133

00:07:47,390 --> 00:07:45,150

psychologist dr. Patricia Carrington for

134

00:07:49,640 --> 00:07:47,400

her book the secret in her life of pets

135

00:07:53,209 --> 00:07:49,650

and as a co-author for amazing

136

00:07:55,369 --> 00:07:53,219

paranormal encounters of volume 2 with

137

00:07:57,860 --> 00:07:55,379

us as well tonight is June Lundgren now

138

00:08:00,139 --> 00:07:57,870

June is a psychic medium animal

139

00:08:03,769 --> 00:08:00,149

communicator healer professional nurse

140

00:08:05,869 --> 00:08:03,779

demon seer and international author she

141

00:08:08,360 --> 00:08:05,879

comes from a long line of psychic women

142

00:08:10,969 --> 00:08:08,370

mentored by her maternal grandmother

143

00:08:13,790 --> 00:08:10,979

June learned at an early age how to use

144

00:08:16,610 --> 00:08:13,800

her gifts of mediumship ability to see

145

00:08:19,249 --> 00:08:16,620

negative entities and to look into the

146

00:08:21,320 --> 00:08:19,259

future to help others as a psychic

147

00:08:24,079 --> 00:08:21,330

medium June communicates with those who

148

00:08:26,600 --> 00:08:24,089

have died in angels to find answers and

149

00:08:29,199 --> 00:08:26,610

peace of mind for the living she has

150

00:08:31,579 --> 00:08:29,209

talked animals since she was a child in

151

00:08:33,649 --> 00:08:31,589

2009 she wrote her first public book

152

00:08:37,879 --> 00:08:33,659

published book to let people know that

153

00:08:40,129 --> 00:08:37,889

God does hear our prayers but that what

154

00:08:40,670 --> 00:08:40,139

they want is not necessarily what we

155

00:08:42,680 --> 00:08:40,680

need

156

00:08:44,840 --> 00:08:42,690

the result was her first book a medium

157

00:08:46,550 --> 00:08:44,850

which guide to the paranormal since then

158

00:08:49,370 --> 00:08:46,560

she's written three other paranormal

159

00:08:52,490 --> 00:08:49,380

base books paranormal encounters book 1

160

00:08:55,160 --> 00:08:52,500

and 2 the dark side of the paranormal

161

00:08:57,650 --> 00:08:55,170

a paranormal romance called out of time

162

00:09:00,650 --> 00:08:57,660

and then two children's books petals

163

00:09:02,290 --> 00:09:00,660

golden wings and Suzi's they adventure

164

00:09:06,139 --> 00:09:02,300

she has a new fantasy series entitled

165

00:09:07,430 --> 00:09:06,149

demon seekers the journey begins like

166

00:09:09,650 --> 00:09:07,440

the title of that one oh are we done

167

00:09:12,290 --> 00:09:09,660

June is also the co-founder of ghosts

168

00:09:14,949 --> 00:09:12,300

and girls paranormal as well as a member

169

00:09:18,319 --> 00:09:14,959

of the Northwest paranormal

170

00:09:19,490 --> 00:09:18,329

investigative team so June Karen thank

171

00:09:25,220 --> 00:09:19,500

you very much for being with us tonight

172

00:09:27,500 --> 00:09:25,230

on exploring the bizarre well thanks

173

00:09:31,280 --> 00:09:27,510

that was a great intro kind of long

174

00:09:33,740 --> 00:09:31,290

though we want to

175

00:09:38,540 --> 00:09:33,750

suitors to to know what they're getting

176

00:09:41,540 --> 00:09:38,550

into before before the show actually

177

00:09:46,699 --> 00:09:41,550

starts so let's let's start with with

178

00:09:51,559 --> 00:09:46,709

Karen here now Karen I understand that

179

00:09:54,170 --> 00:09:51,569

and like Jim that you you realize that a

180

00:09:57,439 --> 00:09:54,180

pretty young aides that that that

181

00:10:00,860 --> 00:09:57,449

animals aren't just dumb creatures you

182

00:10:04,100 --> 00:10:00,870

know with no no no thinking ability or

183

00:10:06,650 --> 00:10:04,110

just relying solely on instinct that

184

00:10:10,129 --> 00:10:06,660

there's a little more going on in their

185

00:10:12,980 --> 00:10:10,139

little leathery heads oh yeah in fact

186

00:10:14,900 --> 00:10:12,990

the earliest memories I have my closest

187

00:10:17,720 --> 00:10:14,910

friends were animals when I was a little

188

00:10:19,670 --> 00:10:17,730

kid in fact I could understand them and

189

00:10:21,889 --> 00:10:19,680

thought everyone could I didn't know

190

00:10:23,269 --> 00:10:21,899

that it was doing I was doing something

191

00:10:25,639 --> 00:10:23,279

different or unique I just thought

192

00:10:29,509 --> 00:10:25,649

everyone could hear their thoughts like

193

00:10:31,790 --> 00:10:29,519

I did so yeah it goes way back that my

194

00:10:33,920 --> 00:10:31,800

earliest memories are my childhood pets

195

00:10:36,170 --> 00:10:33,930

and being able to understand I'm

196

00:10:39,230 --> 00:10:36,180

certainly not on the level that I do now

197

00:10:42,100 --> 00:10:39,240

but as a small child I would know things

198

00:10:47,269 --> 00:10:42,110

about them that I shouldn't have known

199

00:10:50,329 --> 00:10:47,279

now did and I assess of a lot of people

200

00:10:52,879 --> 00:10:50,339

who are on our show was there anybody

201
00:10:55,059 --> 00:10:52,889
else in your family that that that had

202
00:10:58,970 --> 00:10:55,069
psychic abilities I mean a mother

203
00:11:02,449 --> 00:10:58,980
grandparent somebody like that they do

204
00:11:07,340 --> 00:11:02,459
but they're afraid of it so surfing

205
00:11:08,780 --> 00:11:07,350
their skills they still my mom doesn't

206
00:11:11,389 --> 00:11:08,790
quite know what to do with it sometimes

207
00:11:14,030 --> 00:11:11,399
even though she's very intuitive herself

208
00:11:17,030 --> 00:11:14,040
and even my grandmother but nobody

209
00:11:26,750 --> 00:11:17,040
really uses their abilities the way that

210
00:11:28,759 --> 00:11:26,760
I do I I found the part of the book was

211
00:11:32,269 --> 00:11:28,769
an amazing afterlife of animals where

212
00:11:40,040 --> 00:11:32,279
you were talking about how you first got

213
00:11:43,759 --> 00:11:40,050

into law enforcement and and and how you

214

00:11:46,879 --> 00:11:43,769

were assistant actually by animals

215

00:11:49,009 --> 00:11:46,889

several cases you want to tell us about

216

00:11:53,030 --> 00:11:49,019

that well okay let me back to her a

217

00:11:55,189 --> 00:11:53,040

little bit it started I think you were

218

00:11:59,119 --> 00:11:55,199

saying that that you had a cat that had

219

00:12:00,970 --> 00:11:59,129

a urinary tract a problem that told you

220

00:12:03,350 --> 00:12:00,980

about it

221

00:12:05,179 --> 00:12:03,360

well that was where everything started

222

00:12:07,819 --> 00:12:05,189

to snowball is when I was a police

223

00:12:10,519 --> 00:12:07,829

officer because I worked in a mountain

224

00:12:12,530 --> 00:12:10,529

district and right out of the Academy

225

00:12:14,720 --> 00:12:12,540

they put me on the night shift and I

226

00:12:16,850 --> 00:12:14,730

also worked alone or the nearest backup

227

00:12:18,799 --> 00:12:16,860

car was sometimes a half an hour or more

228

00:12:23,119 --> 00:12:18,809

away so I was responding to all these

229

00:12:25,039 --> 00:12:23,129

different calls for help by myself so it

230

00:12:26,960 --> 00:12:25,049

was during that time that I started to

231

00:12:29,269 --> 00:12:26,970

pay attention to that little voice in

232

00:12:31,309 --> 00:12:29,279

the back of my head and my psychic

233

00:12:33,019 --> 00:12:31,319

ability started to get heightened and

234

00:12:35,840 --> 00:12:33,029

sharpened because just for my own

235

00:12:38,780 --> 00:12:35,850

personal safety and so during that time

236

00:12:41,710 --> 00:12:38,790

as a police officer that's when

237

00:12:44,509 --> 00:12:41,720

everything started to kick in again and

238

00:12:46,519 --> 00:12:44,519

and yes it was one of my own cats that I

239

00:12:49,669 --> 00:12:46,529

got the first message from where I heard

240

00:12:51,439 --> 00:12:49,679

it very clearly in my head and it was an

241

00:12:53,629 --> 00:12:51,449

urgent message because he was having a

242

00:12:55,699 --> 00:12:53,639

medical emergency I thought I was

243

00:12:58,699 --> 00:12:55,709

literally crazy I thought I was hearing

244

00:13:00,590 --> 00:12:58,709

things that I was hearing voices looking

245

00:13:04,309 --> 00:13:00,600

around the room to see who said it but

246

00:13:07,699 --> 00:13:04,319

it was in my own voice in my own head so

247

00:13:10,039 --> 00:13:07,709

that was kind of a weird experience and

248

00:13:12,559 --> 00:13:10,049

then what happened after that is once I

249

00:13:16,039 --> 00:13:12,569

realized what was going on I realized

250

00:13:20,359 --> 00:13:16,049

that animals on crime scenes could give

251
00:13:23,239 --> 00:13:20,369
me information and and they often could

252
00:13:25,819 --> 00:13:23,249
tell me what happened even before I got

253
00:13:27,769 --> 00:13:25,829
on scene or who a perpetrator was so

254
00:13:35,299 --> 00:13:27,779
yeah they became a wealth of information

255
00:13:37,909 --> 00:13:35,309
I can think of so many cases that that

256
00:13:40,400 --> 00:13:37,919
could probably be solved if more people

257
00:13:43,669 --> 00:13:40,410
had that ability to listen to what

258
00:13:47,840 --> 00:13:43,679
animals say when there is no you know

259
00:13:51,619 --> 00:13:47,850
human survivors or witnesses now you

260
00:13:54,889 --> 00:13:51,629
know when you in in some of these cases

261
00:13:57,270 --> 00:13:54,899
that the two are investigating you know

262
00:14:00,700 --> 00:13:57,280
you say that you

263
00:14:03,040 --> 00:14:00,710

heard the animals voices in your head

264

00:14:05,020 --> 00:14:03,050

and I've talked to other animal psychics

265

00:14:08,530 --> 00:14:05,030

and a lot of times they'll say that that

266

00:14:10,300 --> 00:14:08,540

animals tend not to communicate in words

267

00:14:13,510 --> 00:14:10,310

but there tend to be more visually

268

00:14:15,190 --> 00:14:13,520

oriented but you know you your

269

00:14:17,520 --> 00:14:15,200

impressions almost is that you know

270

00:14:20,410 --> 00:14:17,530

you're hearing words in your own voice

271

00:14:22,840 --> 00:14:20,420

well it just depends on the individual

272

00:14:25,900 --> 00:14:22,850

it also depends on the animal I happen

273

00:14:27,850 --> 00:14:25,910

to have a very very good psychic ear

274

00:14:28,690 --> 00:14:27,860

which is an inner ear and so I'm

275

00:14:31,570 --> 00:14:28,700

clairaudience

276

00:14:34,540 --> 00:14:31,580

so I will hear voices it's actually my

277

00:14:36,820 --> 00:14:34,550

voice it's usually my voice but yes the

278

00:14:39,460 --> 00:14:36,830

animals can also send images they can

279

00:14:41,770 --> 00:14:39,470

send you a feeling or an emotion and

280

00:14:43,480 --> 00:14:41,780

some of them are really good at sending

281

00:14:47,110 --> 00:14:43,490

all of those and some of them are only

282

00:14:48,790 --> 00:14:47,120

good at sending messages one way one

283

00:14:50,860 --> 00:14:48,800

particular way just depends they're all

284

00:14:51,790 --> 00:14:50,870

different just like you know humans are

285

00:14:58,180 --> 00:14:51,800

all different they all have different

286

00:15:00,970 --> 00:14:58,190

abilities what I'm gonna ask here have

287

00:15:06,160 --> 00:15:00,980

you ever tried to bring this up in an

288

00:15:08,470 --> 00:15:06,170

actual court case of course not you know

289

00:15:09,790 --> 00:15:08,480

I kept it to myself when I was on a

290

00:15:13,030 --> 00:15:09,800

department I would have been the

291

00:15:15,700 --> 00:15:13,040

laughingstock of of the Sheriff's

292

00:15:17,590 --> 00:15:15,710

Department so no I mean that's not going

293

00:15:20,620 --> 00:15:17,600

to hold up in court but I'll tell you

294

00:15:23,890 --> 00:15:20,630

what that's what that's what that's what

295

00:15:25,900 --> 00:15:23,900

I would I would think is there any way

296

00:15:28,300 --> 00:15:25,910

of getting around that though I mean can

297

00:15:30,220 --> 00:15:28,310

you bring out the infirm well you would

298

00:15:34,510 --> 00:15:30,230

have to verify the information in some

299

00:15:36,790 --> 00:15:34,520

other way right right and and no nothing

300

00:15:39,040 --> 00:15:36,800

was ever brought up in court I mean that

301
00:15:40,870 --> 00:15:39,050
was that's you know something for maybe

302
00:15:42,970 --> 00:15:40,880
for the movies but not in real life

303
00:15:45,220 --> 00:15:42,980
but no they were able to give me

304
00:15:48,580 --> 00:15:45,230
information who the perpetrator was on a

305
00:15:51,090 --> 00:15:48,590
domestic violence case a resident that

306
00:15:53,500 --> 00:15:51,100
could tell me who the aggressor was

307
00:15:55,420 --> 00:15:53,510
before I even arrived on scene they were

308
00:15:56,890 --> 00:15:55,430
witness to what happened and they could

309
00:15:57,610 --> 00:15:56,900
tell me what happened it could show me

310
00:16:01,300 --> 00:15:57,620
what happened

311
00:16:03,460 --> 00:16:01,310
I had a resident cat at a crime scene of

312
00:16:05,200 --> 00:16:03,470
a case of domestic violence tell me

313
00:16:06,940 --> 00:16:05,210

where the perpetrator was hiding he had

314

00:16:09,640 --> 00:16:06,950

fled on foot

315

00:16:12,100 --> 00:16:09,650

and I was out taking a statement from

316

00:16:13,690 --> 00:16:12,110

the victim and her cat came out of the

317

00:16:16,420 --> 00:16:13,700

house and went right over to his shed

318

00:16:18,070 --> 00:16:16,430

looked right at me and said inside now

319

00:16:21,670 --> 00:16:18,080

this was a shed that had already been

320

00:16:23,470 --> 00:16:21,680

searched and somehow he snuck in there

321

00:16:26,440 --> 00:16:23,480

when nobody was paying attention or

322

00:16:28,750 --> 00:16:26,450

nobody saw him so he was hiding right

323

00:16:30,850 --> 00:16:28,760

there right where we were standing and

324

00:16:34,480 --> 00:16:30,860

the cat told me that he was inside the

325

00:16:37,900 --> 00:16:34,490

shed so you know there's information

326

00:16:39,550 --> 00:16:37,910

that they can share in in the way that

327

00:16:43,240 --> 00:16:39,560

they're capable of sending information

328

00:16:46,210 --> 00:16:43,250

and some of that is limiting I've had

329

00:16:47,770 --> 00:16:46,220

had to tell me we're a lost boy was in

330

00:16:51,730 --> 00:16:47,780

the National Forest told me which

331

00:16:54,820 --> 00:16:51,740

direction he went and those types of

332

00:16:58,420 --> 00:16:54,830

things happen and and that's what I was

333

00:17:00,040 --> 00:16:58,430

able to it blew my mind when it first

334

00:17:03,610 --> 00:17:00,050

started happening I was like oh my gosh

335

00:17:05,470 --> 00:17:03,620

this is crazy but why not I just never

336

00:17:10,680 --> 00:17:05,480

told anyone that my confidential

337

00:17:13,960 --> 00:17:10,690

informants had four legs and a tail now

338

00:17:17,140 --> 00:17:13,970

can you tell okay obviously all all

339

00:17:19,480 --> 00:17:17,150

animals that cannot do this but you work

340

00:17:21,300 --> 00:17:19,490

mainly with the dogs and cats or other

341

00:17:24,699 --> 00:17:21,310

animals as well

342

00:17:27,819 --> 00:17:24,709

well I'm primarily I work with people's

343

00:17:29,380 --> 00:17:27,829

pets so cats and dogs horses there's a

344

00:17:31,600 --> 00:17:29,390

few birds mixed in there but I can

345

00:17:34,240 --> 00:17:31,610

communicate with all animals as you know

346

00:17:36,910 --> 00:17:34,250

June we'll be able to chime in on me

347

00:17:38,620 --> 00:17:36,920

with me there too that any animal can

348

00:17:40,660 --> 00:17:38,630

communicate with us in various different

349

00:17:43,330 --> 00:17:40,670

ways it doesn't have to be a pet you can

350

00:17:45,790 --> 00:17:43,340

also communicate with wild animals but

351
00:17:51,160 --> 00:17:45,800
the majority of my work is scared around

352
00:17:53,550 --> 00:17:51,170
people's pets mm-hmm and is there any

353
00:17:55,480 --> 00:17:53,560
type of animal would you say that's more

354
00:17:57,630 --> 00:17:55,490
intelligent and the other in other words

355
00:17:59,890 --> 00:17:57,640
are you more likely to get the

356
00:18:04,380 --> 00:17:59,900
information that can be validated out of

357
00:18:07,810 --> 00:18:04,390
a horse as opposed to a cat or a dog

358
00:18:11,560 --> 00:18:07,820
well I'll explain it this way within

359
00:18:13,650 --> 00:18:11,570
every species so within the dog group

360
00:18:16,300 --> 00:18:13,660
that group horses whales dolphins

361
00:18:18,220 --> 00:18:16,310
everything across the board within that

362
00:18:19,049 --> 00:18:18,230
group just like with humans you're going

363
00:18:20,850 --> 00:18:19,059

to have some that are

364

00:18:22,739 --> 00:18:20,860

super intelligent very communicative

365

00:18:24,509 --> 00:18:22,749

you're going to have some that aren't

366

00:18:29,489 --> 00:18:24,519

and the majority of them fall right in

367

00:18:36,299 --> 00:18:29,499

the middle can you take or think of one

368

00:18:38,850 --> 00:18:36,309

specific case of what of an animal

369

00:18:44,749 --> 00:18:38,860

communicating with you or something

370

00:18:48,419 --> 00:18:44,759

you know panned out later on well yeah I

371

00:18:51,840 --> 00:18:48,429

have a lot of those that panned out one

372

00:18:55,230 --> 00:18:51,850

that jumps into my head that's really

373

00:18:58,049 --> 00:18:55,240

incredible is I had a cold case that I

374

00:19:00,119 --> 00:18:58,059

was working on and there were two cats

375

00:19:03,989 --> 00:19:00,129

that were in the apartment when the

376

00:19:06,019 --> 00:19:03,999

victim was abducted and he had been

377

00:19:08,700 --> 00:19:06,029

missing for approximately three years

378

00:19:11,489 --> 00:19:08,710

and of course he was assumed dead but

379

00:19:13,950 --> 00:19:11,499

there was no body so there were no leads

380

00:19:17,249 --> 00:19:13,960

there were no suspects and the case had

381

00:19:18,840 --> 00:19:17,259

gone cold and my client contacted me to

382

00:19:20,549 --> 00:19:18,850

see if the cats could share any

383

00:19:22,470 --> 00:19:20,559

information after she heard about my

384

00:19:25,320 --> 00:19:22,480

work and what I did and the cats

385

00:19:28,649 --> 00:19:25,330

actually one of the cats gave me the

386

00:19:31,470 --> 00:19:28,659

initials which I didn't know ahead of

387

00:19:34,889 --> 00:19:31,480

time the initials of the prime suspect

388

00:19:36,389 --> 00:19:34,899

now the problem there was they didn't

389

00:19:39,299 --> 00:19:36,399

have enough evidence to make an arrest

390

00:19:43,159 --> 00:19:39,309

but without knowing anything about the

391

00:19:45,389 --> 00:19:43,169

case I was able to give my client

392

00:19:50,060 --> 00:19:45,399

confirmation of what they suspected as

393

00:19:54,060 --> 00:19:50,070

to who actually killed her brother and

394

00:19:55,289 --> 00:19:54,070

that to me is amazing so when I work

395

00:19:58,499 --> 00:19:55,299

with law enforcement

396

00:20:01,200 --> 00:19:58,509

you know they any information is good

397

00:20:03,899 --> 00:20:01,210

information and if it helps to close a

398

00:20:06,749 --> 00:20:03,909

case if it helps bring closure to the

399

00:20:08,789 --> 00:20:06,759

victims and their families you know most

400

00:20:10,739 --> 00:20:08,799

people are open to that do they all want

401

00:20:12,899 --> 00:20:10,749

to work with psychics no but a lot of

402

00:20:14,789 --> 00:20:12,909

law enforcement agencies are now working

403

00:20:17,580 --> 00:20:14,799

with psychics I tend to have more

404

00:20:19,259 --> 00:20:17,590

credibility because I'm an ex-cop so

405

00:20:21,930 --> 00:20:19,269

they know that when they're talking to

406

00:20:24,359 --> 00:20:21,940

me they're not talking to you know just

407

00:20:27,330 --> 00:20:24,369

the average psychic that I actually have

408

00:20:29,639 --> 00:20:27,340

a law enforcement background and so that

409

00:20:32,070 --> 00:20:29,649

carries some credibility so when I do

410

00:20:35,850 --> 00:20:32,080

work with law enforcement agencies

411

00:20:38,220 --> 00:20:35,860

that truly helps and and there truly

412

00:20:41,190 --> 00:20:38,230

it's the tide is turning more and more

413

00:20:43,440 --> 00:20:41,200

agencies are open to working with

414

00:20:45,509 --> 00:20:43,450

psychics because why not would you

415

00:20:46,830 --> 00:20:45,519

rather have no information about a case

416

00:20:49,230 --> 00:20:46,840

or would you rather have some

417

00:20:55,409 --> 00:20:49,240

information and possibly really good

418

00:20:58,139 --> 00:20:55,419

information well how do how do people

419

00:21:00,570 --> 00:20:58,149

approach you I mean how do they hear

420

00:21:04,220 --> 00:21:00,580

that your services are available I mean

421

00:21:08,610 --> 00:21:04,230

is the kind of like word of mouth or

422

00:21:12,389 --> 00:21:08,620

well most of my work now is generated

423

00:21:14,519 --> 00:21:12,399

from people have read my book my books

424

00:21:16,080 --> 00:21:14,529

the amazing afterlife of animals and

425

00:21:19,049 --> 00:21:16,090

here all creatures so that's where the

426

00:21:21,000 --> 00:21:19,059

majority of my clients find me is

427

00:21:22,649 --> 00:21:21,010

through that work but you know I've been

428

00:21:24,710 --> 00:21:22,659

around for a long time I've been doing

429

00:21:27,060 --> 00:21:24,720

this now for over 20 years so I've

430

00:21:29,009 --> 00:21:27,070

established quite a reputation for

431

00:21:32,850 --> 00:21:29,019

myself and I get a lot of referral

432

00:21:34,710 --> 00:21:32,860

business too so I'd say it's probably

433

00:21:37,200 --> 00:21:34,720

about half and half right now half

434

00:21:47,090 --> 00:21:37,210

referral business and half through my my

435

00:21:49,850 --> 00:21:47,100

book so now when it you talked about the

436

00:21:55,590 --> 00:21:49,860

cooperation that you do at times with

437

00:22:00,450 --> 00:21:55,600

various police agencies I know that you

438

00:22:02,850 --> 00:22:00,460

know for my own experience that a lot of

439

00:22:04,970 --> 00:22:02,860

cops I mean they they tend to at least

440

00:22:09,629 --> 00:22:04,980

publicly look down their nose at

441

00:22:11,879 --> 00:22:09,639

psychics yet a lot of them admit that

442

00:22:16,110 --> 00:22:11,889

they have their own abilities you know

443

00:22:17,879 --> 00:22:16,120

like work out the blue sets and then you

444

00:22:19,590 --> 00:22:17,889

know if they can't work it out they'll

445

00:22:23,190 --> 00:22:19,600

they'll bring in a psychic but they'll

446

00:22:28,230 --> 00:22:23,200

they'll keep it quiet keep it on the

447

00:22:32,669 --> 00:22:28,240

down-low so to speak but I mean do you

448

00:22:35,370 --> 00:22:32,679

do you find that a lot of agencies you

449

00:22:40,100 --> 00:22:35,380

know will bring you in but ask you to be

450

00:22:44,220 --> 00:22:40,110

discreet about it oh absolutely they

451
00:22:46,230 --> 00:22:44,230
they work very privately the information

452
00:22:48,740 --> 00:22:46,240
is all confidential and

453
00:22:50,940 --> 00:22:48,750
you know once you confirm and validate

454
00:22:52,740 --> 00:22:50,950
information on a case that they know

455
00:22:54,900 --> 00:22:52,750
that there's no possible way you could

456
00:22:57,419 --> 00:22:54,910
know it you know the mood changes real

457
00:22:59,669 --> 00:22:57,429
quickly so they go from maybe having

458
00:23:02,340 --> 00:22:59,679
half-closed ears to now their ears are

459
00:23:05,280 --> 00:23:02,350
you know ninety percent open to hearing

460
00:23:08,100 --> 00:23:05,290
what you have to say and I'm actually

461
00:23:11,070 --> 00:23:08,110
working a local case right now there's a

462
00:23:13,950 --> 00:23:11,080
gentleman that's been missing in my area

463
00:23:18,780 --> 00:23:13,960

where I live for over a year now and his

464

00:23:22,770 --> 00:23:18,790

two dogs were on the scene when he was

465

00:23:27,390 --> 00:23:22,780

abducted the problem is is that the dogs

466

00:23:30,330 --> 00:23:27,400

are left behind so they can tell me who

467

00:23:31,980 --> 00:23:30,340

the perpetrators what they look like

468

00:23:33,950 --> 00:23:31,990

they can tell me details about

469

00:23:36,090 --> 00:23:33,960

perpetrators how many were their

470

00:23:37,830 --> 00:23:36,100

descriptions of the vehicle they can

471

00:23:40,980 --> 00:23:37,840

tell me those sort of things but we're

472

00:23:42,990 --> 00:23:40,990

still searching for the body mmm okay

473

00:23:45,630 --> 00:23:43,000

well unfortunately we have to go to our

474

00:23:47,130 --> 00:23:45,640

bottom of the hour break here so when we

475

00:23:49,560 --> 00:23:47,140

come back we'll continue our

476
00:23:52,260 --> 00:23:49,570
conversation with Karen Anderson and Jun

477
00:24:00,419 --> 00:23:52,270
Lundgren on exploring the bizarre so

478
00:24:07,150 --> 00:24:04,570
now back to exploring the bazaar with

479
00:24:10,150 --> 00:24:07,160
two of the most electrifying researchers

480
00:24:15,700 --> 00:24:10,160
in the Paranoid your hosts Timothy

481
00:24:21,070 --> 00:24:15,710
Rebecca Lee and tastes all right welcome

482
00:24:22,870 --> 00:24:21,080
back to the second segment of exploring

483
00:24:26,020 --> 00:24:22,880
the Bazaar tonight we're talking with

484
00:24:30,690 --> 00:24:26,030
Karen Anderson and Jun Lundgren we're

485
00:24:36,340 --> 00:24:30,700
talking about pets animal communication

486
00:24:39,130 --> 00:24:36,350
due to our beloved cats and dogs and

487
00:24:41,890 --> 00:24:39,140
horses we do they do they think do they

488
00:24:46,680 --> 00:24:41,900

have minds of the road do they continue

489

00:24:50,049 --> 00:24:46,690

on after they they pass away and so

490

00:24:54,760 --> 00:24:50,059

Karen I suppose we'll get a little you

491

00:24:58,030 --> 00:24:54,770

know esoteric here and talk about you

492

00:25:01,210 --> 00:24:58,040

know for a millennia

493

00:25:04,000 --> 00:25:01,220

you know people had the conceit that we

494

00:25:07,750 --> 00:25:04,010

were the only ones who could who could

495

00:25:12,580 --> 00:25:07,760

think or really even had a soul and and

496

00:25:17,650 --> 00:25:12,590

and could exist on words yet I know a

497

00:25:22,169 --> 00:25:17,660

lot of animal communicators say that not

498

00:25:25,799 --> 00:25:22,179

only do do our pets and animals have

499

00:25:28,630 --> 00:25:25,809

minds of their own but they don't just

500

00:25:30,669 --> 00:25:28,640

they don't just disappear when they they

501
00:25:34,270 --> 00:25:30,679
pass away that they they continue on

502
00:25:36,299 --> 00:25:34,280
afterwards so I mean have you found that

503
00:25:38,140 --> 00:25:36,309
to be true

504
00:25:41,169 --> 00:25:38,150
absolutely I've written a whole book

505
00:25:45,070 --> 00:25:41,179
about messages from the afterlife and

506
00:25:46,510 --> 00:25:45,080
what animals talk about as they're

507
00:25:48,760 --> 00:25:46,520
approaching the end of their life and

508
00:25:51,490 --> 00:25:48,770
even sharing their insights about

509
00:25:53,740 --> 00:25:51,500
euthanasia and cremation and burial and

510
00:25:58,450 --> 00:25:53,750
what they think of what we do with their

511
00:26:00,640 --> 00:25:58,460
remains and know the soul continues on

512
00:26:04,919 --> 00:26:00,650
it there's so much more out there than

513
00:26:09,159 --> 00:26:04,929

we've even scratched the surface on and

514

00:26:12,669 --> 00:26:09,169

why why would animals have a better

515

00:26:15,549 --> 00:26:12,679

inside track on that kind of information

516

00:26:17,620 --> 00:26:15,559

than people do or you know people just

517

00:26:19,860 --> 00:26:17,630

have a tendency to be just to be

518

00:26:22,120 --> 00:26:19,870

closed-minded about things like that I

519

00:26:23,560 --> 00:26:22,130

don't know that they have more of an

520

00:26:25,840 --> 00:26:23,570

inside track but they can share their

521

00:26:27,549 --> 00:26:25,850

personal experience I know a lot of

522

00:26:30,250 --> 00:26:27,559

people that have pets that are listening

523

00:26:32,620 --> 00:26:30,260

or probably you know wondering how pets

524

00:26:35,440 --> 00:26:32,630

feel about things like euthanasia and

525

00:26:36,730 --> 00:26:35,450

and how an animal feels about the end of

526

00:26:40,330 --> 00:26:36,740

their life and having to make that

527

00:26:42,970 --> 00:26:40,340

horrible decision and you know those are

528

00:26:44,409 --> 00:26:42,980

some really difficult times to go

529

00:26:47,200 --> 00:26:44,419

through when you have to say goodbye to

530

00:26:49,120 --> 00:26:47,210

a beloved pet and there's you know this

531

00:26:52,000 --> 00:26:49,130

is like a part of the family that you're

532

00:26:53,799 --> 00:26:52,010

saying goodbye to so knowing what's

533

00:26:56,470 --> 00:26:53,809

going on with your pet and knowing how

534

00:26:59,650 --> 00:26:56,480

they feel knowing if they're ready to go

535

00:27:01,840 --> 00:26:59,660

or if they're okay if they still want to

536

00:27:04,180 --> 00:27:01,850

stay here and and hang out with you a

537

00:27:07,780 --> 00:27:04,190

little bit more those are all reasons

538

00:27:09,460 --> 00:27:07,790

why clients contact me and and mainly

539

00:27:11,169 --> 00:27:09,470

just to see if there's anything more

540

00:27:13,600 --> 00:27:11,179

they can do for their pets to make them

541

00:27:15,790 --> 00:27:13,610

more comfortable and also once they've

542

00:27:17,919 --> 00:27:15,800

passed on they want to make sure that

543

00:27:19,750 --> 00:27:17,929

they're okay and find out who they're

544

00:27:21,100 --> 00:27:19,760

with or see who greeted them when they

545

00:27:22,720 --> 00:27:21,110

made it to the other side there's

546

00:27:25,360 --> 00:27:22,730

there's all kinds of different reasons

547

00:27:27,190 --> 00:27:25,370

why people would want to see how their

548

00:27:30,430 --> 00:27:27,200

pets are and check in with them even

549

00:27:33,430 --> 00:27:30,440

after they've passed on now do what do

550

00:27:39,880 --> 00:27:33,440

pets go to a different place than a

551
00:27:42,610 --> 00:27:39,890
human spirit would theirs in my

552
00:27:44,830 --> 00:27:42,620
experience the departed's

553
00:27:47,230 --> 00:27:44,840
and the part of human loved ones can

554
00:27:50,409 --> 00:27:47,240
come through together and what I call

555
00:27:53,049 --> 00:27:50,419
soul group or a family soul group so

556
00:27:54,820 --> 00:27:53,059
everybody that you're connected to for

557
00:27:56,950 --> 00:27:54,830
instance your family your loved ones

558
00:27:59,409 --> 00:27:56,960
your friends co-workers even next-door

559
00:28:01,330 --> 00:27:59,419
neighbors they would be in your soul

560
00:28:03,789 --> 00:28:01,340
group because you're connected to them

561
00:28:05,770 --> 00:28:03,799
so when I have a session and I open up

562
00:28:08,620 --> 00:28:05,780
the space I basically open up a door

563
00:28:10,600 --> 00:28:08,630

window a portal for the animals to come

564

00:28:12,460 --> 00:28:10,610

through and they can also bring through

565

00:28:15,430 --> 00:28:12,470

with them anybody in your soul group

566

00:28:18,100 --> 00:28:15,440

it's usually your close family members

567

00:28:19,940 --> 00:28:18,110

but we have had other people pop in to

568

00:28:24,289 --> 00:28:19,950

that aren't necessarily

569

00:28:25,930 --> 00:28:24,299

related by blood and and and I wouldn't

570

00:28:29,779 --> 00:28:25,940

say that they go to a different place

571

00:28:32,210 --> 00:28:29,789

they can come through together during a

572

00:28:35,210 --> 00:28:32,220

session and there are very various

573

00:28:37,070 --> 00:28:35,220

different levels on the other side so

574

00:28:40,820 --> 00:28:37,080

there isn't just one like after life

575

00:28:42,769 --> 00:28:40,830

there's various different levels and for

576

00:28:48,259 --> 00:28:42,779

humans too and humans can be on

577

00:28:50,149 --> 00:28:48,269

different levels so it just depends on

578

00:28:54,019 --> 00:28:50,159

what level that their soul has

579

00:28:56,269 --> 00:28:54,029

progressed how highly they vibrate as an

580

00:29:00,409 --> 00:28:56,279

energetic being and where they are on

581

00:29:02,509 --> 00:29:00,419

their journey but they definitely do

582

00:29:04,669 --> 00:29:02,519

they definitely can come back now would

583

00:29:08,779 --> 00:29:04,679

they come back as the same animal or

584

00:29:11,500 --> 00:29:08,789

would they return as some other pet you

585

00:29:12,820 --> 00:29:11,510

mean we even has really reincarnated

586

00:29:15,529 --> 00:29:12,830

mm-hmm

587

00:29:18,409 --> 00:29:15,539

well generally speaking and just for the

588

00:29:21,860 --> 00:29:18,419

sake of the show I'll speak in general

589

00:29:24,470 --> 00:29:21,870

terms most of the time dogs return as

590

00:29:27,590 --> 00:29:24,480

dogs cats return as cats people return

591

00:29:31,909 --> 00:29:27,600

as people so on and so forth but I have

592

00:29:33,940 --> 00:29:31,919

seen other cases where they have changed

593

00:29:38,019 --> 00:29:33,950

back and forth or if it's in that

594

00:29:41,210 --> 00:29:38,029

particular sole highest and best

595

00:29:44,840 --> 00:29:41,220

interest to return in some other form

596

00:29:47,509 --> 00:29:44,850

then I have had cases like that happen

597

00:29:52,159 --> 00:29:47,519

but the majority of the time it's

598

00:29:54,350 --> 00:29:52,169

usually how they were last here you know

599

00:29:58,340 --> 00:29:54,360

I've always I've always said that I want

600

00:30:07,070 --> 00:29:58,350

to I want to be reincarnated as one of

601
00:30:08,870 --> 00:30:07,080
my house cats maybe not I said yeah yeah

602
00:30:11,960 --> 00:30:08,880
Thursday not you know not necessarily

603
00:30:15,259 --> 00:30:11,970
just any cat but one of the one of the

604
00:30:18,940 --> 00:30:15,269
cats that we've taken care of over the

605
00:30:24,950 --> 00:30:18,950
others because they are so spoiled and

606
00:30:28,070 --> 00:30:24,960
and hopefully so happy yeah they will

607
00:30:31,100 --> 00:30:28,080
often come back to us more than one time

608
00:30:32,360 --> 00:30:31,110
in a lifetime and not every animal comes

609
00:30:35,780 --> 00:30:32,370
back it depends on

610
00:30:37,130 --> 00:30:35,790
Souls progression and and again what's

611
00:30:40,400 --> 00:30:37,140
in the highest and best interest for

612
00:30:42,680 --> 00:30:40,410
each particular pet but they can come

613
00:30:44,780 --> 00:30:42,690

back to us more than once in our

614

00:30:47,270 --> 00:30:44,790

lifetime and they're usually with us

615

00:30:49,640 --> 00:30:47,280

like the one telling if you guys have

616

00:30:51,650 --> 00:30:49,650

pets at home there's always that one pet

617

00:30:53,299 --> 00:30:51,660

that you just love more than anything

618

00:30:56,060 --> 00:30:53,309

you love your other pets but there's

619

00:30:58,340 --> 00:30:56,070

just one you just are so closely

620

00:31:01,190 --> 00:30:58,350

connected to and you just can't quite

621

00:31:04,310 --> 00:31:01,200

describe it there's just this sense of

622

00:31:06,169 --> 00:31:04,320

being somehow you know connected on a

623

00:31:08,780 --> 00:31:06,179

soul level well there's a reason for

624

00:31:10,790 --> 00:31:08,790

that and the reason is and my experience

625

00:31:14,030 --> 00:31:10,800

I have found that the more times that we

626
00:31:16,370 --> 00:31:14,040
have reincarnated together the longer

627
00:31:18,980 --> 00:31:16,380
past life history that we have with the

628
00:31:21,560 --> 00:31:18,990
pet the closer we're going to feel to

629
00:31:23,930 --> 00:31:21,570
them in this lifetime so we're not

630
00:31:26,000 --> 00:31:23,940
really playing favorites per se because

631
00:31:29,600 --> 00:31:26,010
we're just honoring our soul contracts

632
00:31:31,160 --> 00:31:29,610
from the past we're just really we know

633
00:31:33,650 --> 00:31:31,170
each other better because we've been

634
00:31:35,870 --> 00:31:33,660
together in more incarnations than the

635
00:31:37,940 --> 00:31:35,880
pets that we aren't as closely connected

636
00:31:39,590 --> 00:31:37,950
to but that's why that's why there's

637
00:31:42,020 --> 00:31:39,600
always that one pet that it's just like

638
00:31:43,430 --> 00:31:42,030

oh my god I just love him more than

639

00:31:45,410 --> 00:31:43,440

anything we're so connected we're so

640

00:31:47,600 --> 00:31:45,420

bonded well there's a reason for that

641

00:31:51,040 --> 00:31:47,610

it's the souls remember the soul

642

00:31:55,340 --> 00:31:51,050

recognition is there going back in time

643

00:31:58,220 --> 00:31:55,350

you know we were kind of a ahead of the

644

00:31:59,830 --> 00:31:58,230

curve on this because years ago we we

645

00:32:02,900 --> 00:31:59,840

published a book which is still

646

00:32:07,880 --> 00:32:02,910

available I believe it's called a [h__\h]

647

00:32:10,669 --> 00:32:07,890

willow which is the I was gonna say

648

00:32:14,270 --> 00:32:10,679

written but it was telepathically it

649

00:32:18,669 --> 00:32:14,280

communicated to our a good different the

650

00:32:21,440 --> 00:32:18,679

late T lumps in grappa yeah I think

651
00:32:24,380 --> 00:32:21,450
didn't [h__\h] willow come out originally

652
00:32:28,490 --> 00:32:24,390
like in the my dear yeah middle late

653
00:32:29,960 --> 00:32:28,500
1960s well well it's it's it's been out

654
00:32:33,770 --> 00:32:29,970
there for a while now there's a couple

655
00:32:36,080 --> 00:32:33,780
of books there was some his his wife his

656
00:32:39,820 --> 00:32:36,090
name I can't remember offhand but she

657
00:32:42,770 --> 00:32:39,830
also communicated a book but he had one

658
00:32:44,930 --> 00:32:42,780
what was it a Siamese cat I think right

659
00:32:46,240 --> 00:32:44,940
yes that would have been [h__\h] willow

660
00:32:49,820 --> 00:32:46,250
that

661
00:32:51,110 --> 00:32:49,830
followed the wrapper around and was very

662
00:32:55,220 --> 00:32:51,120
opinionated

663
00:32:58,550 --> 00:32:55,230

if I remember correctly right I mean I

664

00:33:03,170 --> 00:32:58,560

know I I'm sure he loved his owner but

665

00:33:06,290 --> 00:33:03,180

he wasn't beyond having a few words or

666

00:33:11,210 --> 00:33:06,300

two to describe perhaps some of our

667

00:33:16,370 --> 00:33:11,220

oppas failings I think that's just like

668

00:33:19,490 --> 00:33:16,380

a lot of Siamese cats in general well

669

00:33:21,860 --> 00:33:19,500

what would you say if animals have

670

00:33:26,840 --> 00:33:21,870

different dispositions according to

671

00:33:29,660 --> 00:33:26,850

their breed that you know a breed comes

672

00:33:34,370 --> 00:33:29,670

into it how they were raised and there's

673

00:33:37,160 --> 00:33:34,380

so much that goes into it well and that

674

00:33:39,350 --> 00:33:37,170

you know that that also it makes me

675

00:33:42,290 --> 00:33:39,360

think you know we're talking about you

676

00:33:46,900 --> 00:33:42,300

know animals and and and people and and

677

00:33:56,930 --> 00:33:50,590

we have these you know a delineation of

678

00:34:01,070 --> 00:33:56,940

species but after that I mean or maybe

679

00:34:05,600 --> 00:34:01,080

even before consciousness is

680

00:34:11,870 --> 00:34:05,610

consciousness I you know I I think and I

681

00:34:16,100 --> 00:34:11,880

just I I wonder afterwards when we don't

682

00:34:19,700 --> 00:34:16,110

have our physical bodies are we still

683

00:34:21,980 --> 00:34:19,710

perceiving each other by those physical

684

00:34:23,660 --> 00:34:21,990

characteristics oh well this is you know

685

00:34:26,930 --> 00:34:23,670

this is uncle George he was a human oh

686

00:34:29,750 --> 00:34:26,940

well there's fluffy she was a cat or you

687

00:34:32,030 --> 00:34:29,760

know is there a point where we get past

688

00:34:35,990 --> 00:34:32,040

all of that and we're just we're just

689

00:34:37,640 --> 00:34:36,000

consciousness I think there's all

690

00:34:39,710 --> 00:34:37,650

different levels of consciousness I I

691

00:34:41,210 --> 00:34:39,720

know many of the pets I communicate with

692

00:34:44,480 --> 00:34:41,220

are a lot smarter than some of the

693

00:34:45,920 --> 00:34:44,490

humans I've had to deal with so you know

694

00:34:48,530 --> 00:34:45,930

you you're really talking about

695

00:34:51,430 --> 00:34:48,540

something that is so unique and

696

00:34:54,800 --> 00:34:51,440

different to every individual soul and

697

00:34:57,770 --> 00:34:54,810

certainly anyone who has a pet and loves

698

00:34:59,430 --> 00:34:57,780

a pet knows that there's something there

699

00:35:02,339 --> 00:34:59,440

that goes beyond the spoken word

700

00:35:05,700 --> 00:35:02,349

goes beyond intelligence it's it's

701
00:35:07,230 --> 00:35:05,710
deeper than that and and there's there's

702
00:35:10,680 --> 00:35:07,240
something very special about the

703
00:35:12,630 --> 00:35:10,690
human-animal bond and why our pets are

704
00:35:14,490 --> 00:35:12,640
with us they're here to help us learn

705
00:35:16,530 --> 00:35:14,500
lessons here on earth they're here to

706
00:35:18,900 --> 00:35:16,540
teach us things to expand our mind to

707
00:35:22,260 --> 00:35:18,910
expand our consciousness so I think

708
00:35:24,089 --> 00:35:22,270
there's just so much involved with it it

709
00:35:26,970 --> 00:35:24,099
doesn't just come down to a level of

710
00:35:29,339 --> 00:35:26,980
consciousness you know any living thing

711
00:35:30,480 --> 00:35:29,349
has some kind some level of

712
00:35:32,520 --> 00:35:30,490
consciousness but we're talking about

713
00:35:35,730 --> 00:35:32,530

our babies our pets the ones that we

714

00:35:38,099 --> 00:35:35,740

spend our our lives with sometimes we

715

00:35:40,140 --> 00:35:38,109

have pets longer than we have a spouse

716

00:35:43,200 --> 00:35:40,150

you know they last longer than marriages

717

00:35:45,480 --> 00:35:43,210

and we love them more deeply than some

718

00:35:48,290 --> 00:35:45,490

of our human relationships so you know

719

00:35:51,780 --> 00:35:48,300

that's the work that I do is is to bring

720

00:35:54,450 --> 00:35:51,790

together and celebrate that connection

721

00:35:58,230 --> 00:35:54,460

and by bringing through the animals

722

00:36:00,210 --> 00:35:58,240

messages it raises the connection

723

00:36:01,829 --> 00:36:00,220

between the person and their pet and it

724

00:36:03,900 --> 00:36:01,839

helps them understand each other better

725

00:36:05,640 --> 00:36:03,910

it gives them insight to what's going on

726

00:36:08,609 --> 00:36:05,650

in their life and even on the afterlife

727

00:36:10,230 --> 00:36:08,619

it's it's truly just getting to know

728

00:36:14,000 --> 00:36:10,240

them better and getting to know them on

729

00:36:18,780 --> 00:36:14,010

a much higher and more spiritual level

730

00:36:22,559 --> 00:36:18,790

yeah I fully expect you know when when

731

00:36:25,530 --> 00:36:22,569

my time comes to you know to to leave

732

00:36:28,650 --> 00:36:25,540

that you know the the mortal a plane

733

00:36:32,550 --> 00:36:28,660

that not only will there be you know

734

00:36:35,069 --> 00:36:32,560

some of my relatives hopefully waiting

735

00:36:40,260 --> 00:36:35,079

to assist me on the other side but also

736

00:36:43,290 --> 00:36:40,270

probably a lot of my favorite cats from

737

00:36:46,200 --> 00:36:43,300

and and if that's the case then there's

738

00:36:48,930 --> 00:36:46,210

going to be a whole roomful more than a

739

00:36:53,090 --> 00:36:48,940

roof or hallway full all the cats that

740

00:36:59,090 --> 00:36:53,100

I've had over the years loved waiting to

741

00:37:01,040 --> 00:36:59,100

to take me to that great beyond it'll be

742

00:37:04,340 --> 00:37:01,050

kind of like that Verizon commercial

743

00:37:09,950 --> 00:37:04,350

where that that whole group of cats is

744

00:37:13,730 --> 00:37:09,960

following that's that's that's me well

745

00:37:17,270 --> 00:37:13,740

and is as you know and as Tim knows you

746

00:37:18,830 --> 00:37:17,280

know I've I'm somewhat of a cat

747

00:37:24,160 --> 00:37:18,840

whisperer

748

00:37:27,080 --> 00:37:24,170

there's hasn't been very often that I

749

00:37:30,110 --> 00:37:27,090

will not be able to make a make friends

750

00:37:33,350 --> 00:37:30,120

with a cat even even feral cats or very

751
00:37:34,880 --> 00:37:33,360
you know like a loof house cats and and

752
00:37:36,470 --> 00:37:34,890
I don't do anything all's I have to do

753
00:37:39,020 --> 00:37:36,480
is this you know go to a room and sit

754
00:37:44,990 --> 00:37:39,030
down and and and pretty soon though they

755
00:37:49,880 --> 00:37:45,000
will come to me and I suppose my next

756
00:37:54,380 --> 00:37:49,890
question would be the the difference

757
00:37:59,630 --> 00:37:54,390
between our domestic pets and say like

758
00:38:01,430 --> 00:37:59,640
like wild animals because at one time it

759
00:38:05,080 --> 00:38:01,440
was just what you know us and wild

760
00:38:10,160 --> 00:38:05,090
animals I mean what any idea what that

761
00:38:12,320 --> 00:38:10,170
schism was that occurred that that then

762
00:38:15,500 --> 00:38:12,330
created that special relationship

763
00:38:18,650 --> 00:38:15,510

between humans and what later would be

764

00:38:24,110 --> 00:38:18,660

known as domestic pets domestic animals

765

00:38:26,750 --> 00:38:24,120

say well I think for in my experience

766

00:38:29,330 --> 00:38:26,760

that I would relate that to you know the

767

00:38:33,290 --> 00:38:29,340

dogs served us some form of protection

768

00:38:35,600 --> 00:38:33,300

you know back when mankind was bonding

769

00:38:38,750 --> 00:38:35,610

with them and mankind offered them food

770

00:38:40,820 --> 00:38:38,760

and shelter and you know they they work

771

00:38:42,620 --> 00:38:40,830

together there was something in it for

772

00:38:44,060 --> 00:38:42,630

both of them so that's probably why they

773

00:38:46,040 --> 00:38:44,070

were brought together and then the

774

00:38:49,550 --> 00:38:46,050

relationships started to form the bond

775

00:38:51,110 --> 00:38:49,560

started to form and look what horses

776

00:38:54,080 --> 00:38:51,120

have been throughout history you know

777

00:38:55,760 --> 00:38:54,090

horses now are just recreational for the

778

00:38:57,500 --> 00:38:55,770

most part but look at it horses in

779

00:39:00,080 --> 00:38:57,510

history what they have done for humans

780

00:39:02,390 --> 00:39:00,090

and how how long incredible the bonds

781

00:39:03,800 --> 00:39:02,400

are between horse and rider going went

782

00:39:06,650 --> 00:39:03,810

way back in time

783

00:39:09,800 --> 00:39:06,660

you know eons back in time so you know

784

00:39:12,380 --> 00:39:09,810

these relationships form over need and

785

00:39:16,120 --> 00:39:12,390

necessity and certainly when horses were

786

00:39:20,330 --> 00:39:16,130

in the workforce and had jobs and had

787

00:39:22,790 --> 00:39:20,340

fields to plow and and carts to pull and

788

00:39:26,150 --> 00:39:22,800

now you know we have these bonds that we

789

00:39:27,680 --> 00:39:26,160

form with the pets that we have in our

790

00:39:30,050 --> 00:39:27,690

lives right now

791

00:39:31,880 --> 00:39:30,060

we love the relationship we love the

792

00:39:35,090 --> 00:39:31,890

connection we love having that closeness

793

00:39:37,640 --> 00:39:35,100

with an animal and and having that place

794

00:39:39,980 --> 00:39:37,650

in our heart with them that nobody else

795

00:39:42,920 --> 00:39:39,990

comes close to I know personally

796

00:39:45,470 --> 00:39:42,930

speaking I've had pets in my life that

797

00:39:47,390 --> 00:39:45,480

I've bonded with so closely that you

798

00:39:50,510 --> 00:39:47,400

can't even hold a candle to it in

799

00:39:51,980 --> 00:39:50,520

comparison to a human connection there's

800

00:39:53,800 --> 00:39:51,990

just nothing else like it in the world

801
00:39:56,620 --> 00:39:53,810
it's one of the most special and

802
00:40:00,890 --> 00:39:56,630
honorable connections that I've ever

803
00:40:02,660 --> 00:40:00,900
experienced and I know for for me my

804
00:40:04,430 --> 00:40:02,670
life has been so much fuller and so much

805
00:40:05,870 --> 00:40:04,440
richer because of the animals that I

806
00:40:07,040 --> 00:40:05,880
have had around me and I'm sure a lot of

807
00:40:10,100 --> 00:40:07,050
people would agree with that

808
00:40:10,550 --> 00:40:10,110
they never betray us they never stab us

809
00:40:13,490 --> 00:40:10,560
in the back

810
00:40:15,740 --> 00:40:13,500
they never cheat on us they don't steal

811
00:40:19,580 --> 00:40:15,750
from us I mean they might steal a sock

812
00:40:21,860 --> 00:40:19,590
or two but you know the human animal

813
00:40:23,540 --> 00:40:21,870

there's a lot to be said about the human

814

00:40:25,670 --> 00:40:23,550

animal who's really more intelligent

815

00:40:28,670 --> 00:40:25,680

here you know it's truly that in my

816

00:40:31,370 --> 00:40:28,680

opinion animals have incredibly high

817

00:40:33,050 --> 00:40:31,380

intelligence more so than most of the

818

00:40:35,540 --> 00:40:33,060

humans especially being a police officer

819

00:40:37,280 --> 00:40:35,550

you got to remember I got to deal with

820

00:40:42,110 --> 00:40:37,290

all the people that nobody else wanted

821

00:40:44,570 --> 00:40:42,120

to deal with and truly the the criminals

822

00:40:46,550 --> 00:40:44,580

of the world so when you compare the

823

00:40:50,480 --> 00:40:46,560

intelligence of an animal versus that of

824

00:40:53,560 --> 00:40:50,490

a human yeah I'm a little bit jaded as

825

00:40:56,330 --> 00:40:53,570

to what I have experienced

826

00:40:58,490 --> 00:40:56,340

you know Tim when we come back from our

827

00:41:00,050 --> 00:40:58,500

next break I want you to tell the

828

00:41:03,590 --> 00:41:00,060

audience about what you're working on

829

00:41:08,810 --> 00:41:03,600

now the the book about the talking

830

00:41:11,660 --> 00:41:08,820

animal mm-hmm yep yeah Wallace we'll

831

00:41:13,190 --> 00:41:11,670

save that for the next segment of the

832

00:41:14,840 --> 00:41:13,200

program because it is it is a

833

00:41:16,710 --> 00:41:14,850

fascinating program

834

00:41:19,350 --> 00:41:16,720

[Music]

835

00:41:24,030 --> 00:41:19,360

No you know I wonder they ask now you've

836

00:41:28,320 --> 00:41:24,040

been working it says with a psychologist

837

00:41:30,270 --> 00:41:28,330

dr. Patricia Carrington and in what in

838

00:41:32,970 --> 00:41:30,280

what respect I mean how the how did the

839

00:41:35,130 --> 00:41:32,980

two of you work together well she

840

00:41:39,180 --> 00:41:35,140

actually found me because she wanted to

841

00:41:43,200 --> 00:41:39,190

have a session with her her cat who was

842

00:41:44,880 --> 00:41:43,210

in his last few months of life and she

843

00:41:46,680 --> 00:41:44,890

was really concerned about him and I

844

00:41:48,810 --> 00:41:46,690

didn't know what she did for a living

845

00:41:51,660 --> 00:41:48,820

when she scheduled her appointment and

846

00:41:53,940 --> 00:41:51,670

we had this incredible session and and

847

00:41:56,190 --> 00:41:53,950

the cat came through and told me all

848

00:41:59,430 --> 00:41:56,200

kinds of things about her and about him

849

00:42:00,870 --> 00:41:59,440

and their life together and his favorite

850

00:42:02,700 --> 00:42:00,880

memories and what he needed going

851
00:42:06,120 --> 00:42:02,710
forward and she was just so blown away

852
00:42:09,000 --> 00:42:06,130
by that and having been in the field of

853
00:42:12,540 --> 00:42:09,010
psychology for the majority of her

854
00:42:16,010 --> 00:42:12,550
career she wanted to combine what she

855
00:42:18,390 --> 00:42:16,020
had learned about human psychology and

856
00:42:21,450 --> 00:42:18,400
especially dealing with things such as

857
00:42:24,030 --> 00:42:21,460
PTSD and how pets can help us break

858
00:42:26,030 --> 00:42:24,040
through some of those barriers and

859
00:42:28,560 --> 00:42:26,040
challenges in our life and so she

860
00:42:30,450 --> 00:42:28,570
decided that she wanted to collaborate

861
00:42:32,010 --> 00:42:30,460
on a book with me based on her

862
00:42:33,930 --> 00:42:32,020
experience that she had during the

863
00:42:35,460 --> 00:42:33,940

session it was so profound her session

864

00:42:37,380 --> 00:42:35,470

moved her so much that she wanted to

865

00:42:40,100 --> 00:42:37,390

write a book about it so she did is

866

00:42:47,210 --> 00:42:40,110

called the secret afterlife of pets and

867

00:42:52,100 --> 00:42:47,220

can get all of our books on Amazon when

868

00:42:54,660 --> 00:42:52,110

when a person contacts you and is

869

00:43:03,030 --> 00:42:54,670

looking for information what would you

870

00:43:04,950 --> 00:43:03,040

say would be the most common types of

871

00:43:09,530 --> 00:43:04,960

information that they that they are

872

00:43:17,910 --> 00:43:14,340

well right now I would say the biggest

873

00:43:21,390 --> 00:43:17,920

concerns are end-of-life questions pain

874

00:43:23,010 --> 00:43:21,400

levels how a pet is feeling if the

875

00:43:25,020 --> 00:43:23,020

treatment they're going through is

876

00:43:27,210 --> 00:43:25,030

working if they want to stay here if

877

00:43:29,130 --> 00:43:27,220

they're ready to leave their body those

878

00:43:29,930 --> 00:43:29,140

are some of the the biggest questions

879

00:43:32,510 --> 00:43:29,940

that I get

880

00:43:35,630 --> 00:43:32,520

and also I get the afterlife questions

881

00:43:38,450 --> 00:43:35,640

are they okay who are they with who

882

00:43:40,670 --> 00:43:38,460

greeted them and in just getting that

883

00:43:42,700 --> 00:43:40,680

validation most of my clients want some

884

00:43:46,069 --> 00:43:42,710

kind of validation some kind of proof

885

00:43:49,670 --> 00:43:46,079

quote/unquote proof that their animal is

886

00:43:53,109 --> 00:43:49,680

is doing well and still connected to

887

00:43:56,660 --> 00:43:53,119

them and that's what I strive very hard

888

00:43:58,490 --> 00:43:56,670

to deliver during a session as I try to

889

00:44:01,819 --> 00:43:58,500

get very detailed information that could

890

00:44:05,030 --> 00:44:01,829

only be validated by that person and

891

00:44:06,650 --> 00:44:05,040

their pet and that's my goal is to get

892

00:44:08,059 --> 00:44:06,660

that one message you know it might just

893

00:44:10,069 --> 00:44:08,069

be one thing it might be something

894

00:44:11,450 --> 00:44:10,079

really small and insignificant like

895

00:44:13,280 --> 00:44:11,460

maybe what you ate for breakfast this

896

00:44:15,530 --> 00:44:13,290

morning or what you're doing tomorrow or

897

00:44:17,359 --> 00:44:15,540

a week from Friday it'll be something

898

00:44:19,609 --> 00:44:17,369

very specific but it'll be that one

899

00:44:21,440 --> 00:44:19,619

message that no one else in the world

900

00:44:24,170 --> 00:44:21,450

wouldn't know about and that's what I

901
00:44:28,250 --> 00:44:24,180
strive to get for my clients they know

902
00:44:30,109 --> 00:44:28,260
could you okay so you pets tell you

903
00:44:37,160 --> 00:44:30,119
things about different crimes and law

904
00:44:44,540 --> 00:44:41,540
you know I wouldn't even think to do

905
00:44:48,950 --> 00:44:44,550
that I mean why would I want a pet to be

906
00:44:51,680 --> 00:44:48,960
a spy but if you want to if you want to

907
00:44:53,510 --> 00:44:51,690
find out something you know find out

908
00:44:55,849 --> 00:44:53,520
something that's going on with an

909
00:45:00,140 --> 00:44:55,859
individual yeah it may be you can't walk

910
00:45:01,700 --> 00:45:00,150
into their house that easy but the the

911
00:45:04,550 --> 00:45:01,710
bird could be flying in the window or

912
00:45:07,849 --> 00:45:04,560
the cat could be you know in the front

913
00:45:10,040 --> 00:45:07,859

porch or something well I have had

914

00:45:21,349 --> 00:45:10,050

clients contact me to find out if their

915

00:45:23,420 --> 00:45:21,359

spouse was cheating on them think about

916

00:45:26,620 --> 00:45:23,430

all right think about this this is a

917

00:45:29,150 --> 00:45:26,630

good one to ponder think about all the

918

00:45:31,059 --> 00:45:29,160

compromising positions that our pets

919

00:45:33,740 --> 00:45:31,069

have seen us in throughout their lives

920

00:45:35,630 --> 00:45:33,750

certainly they would be able to share if

921

00:45:38,210 --> 00:45:35,640

there was someone new or different

922

00:45:41,120 --> 00:45:38,220

coming over to the house or spending

923

00:45:43,130 --> 00:45:41,130

time with or our individual smell would

924

00:45:43,970 --> 00:45:43,140

be as an individual smell would be

925

00:45:46,460 --> 00:45:43,980

different than their

926

00:45:48,890 --> 00:45:46,470

owners or something to that well they

927

00:45:50,630 --> 00:45:48,900

they can tell me in much more detail

928

00:45:53,750 --> 00:45:50,640

than that they can tell me who's there

929

00:45:55,880 --> 00:45:53,760

they can tell me they can yeah you'd be

930

00:45:58,220 --> 00:45:55,890

surprised and shocked and how accurate

931

00:46:01,310 --> 00:45:58,230

the information is that comes through I

932

00:46:03,230 --> 00:46:01,320

mean I don't I don't get lotto numbers

933

00:46:05,359 --> 00:46:03,240

you know that's always everybody always

934

00:46:09,020 --> 00:46:05,369

ask us that oh if you're so I could give

935

00:46:11,840 --> 00:46:09,030

us a lot of numbers like that but they

936

00:46:14,900 --> 00:46:11,850

can tell us you know about your medical

937

00:46:17,180 --> 00:46:14,910

issues animals even those that have

938

00:46:19,220 --> 00:46:17,190

passed on will tell me what's going on

939

00:46:21,440 --> 00:46:19,230

right now currently with their human's

940

00:46:23,630 --> 00:46:21,450

health situation or if they have an

941

00:46:25,970 --> 00:46:23,640

upcoming surgery they'll show me that we

942

00:46:27,710 --> 00:46:25,980

nurse so much that they know that you

943

00:46:29,720 --> 00:46:27,720

wouldn't even think that would be on

944

00:46:31,520 --> 00:46:29,730

their minds but they're so connected to

945

00:46:33,890 --> 00:46:31,530

us they love us so much that they can

946

00:46:36,710 --> 00:46:33,900

share all that information and they

947

00:46:37,940 --> 00:46:36,720

often do and every session is different

948

00:46:39,950 --> 00:46:37,950

I never know what's going to come

949

00:46:41,720 --> 00:46:39,960

through I never know who they're going

950

00:46:43,670 --> 00:46:41,730

to bring through with them so that's

951
00:46:45,830 --> 00:46:43,680
what's fun for me because I never know

952
00:46:48,560 --> 00:46:45,840
what is going to be uncovered or what

953
00:46:51,400 --> 00:46:48,570
messages will be shared and every

954
00:46:56,240 --> 00:46:51,410
session is different and unique that way

955
00:46:58,160 --> 00:46:56,250
all right we're coming up to our top of

956
00:47:01,460 --> 00:46:58,170
the hour break so why don't you let our

957
00:47:05,530 --> 00:47:01,470
audience know where they can find you

958
00:47:08,210 --> 00:47:05,540
online and where they can get your books

959
00:47:10,490 --> 00:47:08,220
absolutely we'll the easiest place to

960
00:47:14,180 --> 00:47:10,500
reach me is my website which is very

961
00:47:16,730 --> 00:47:14,190
simply Karen Anderson net and there it

962
00:47:21,620 --> 00:47:16,740
has all the links for the book and

963
00:47:24,140 --> 00:47:21,630

Facebook and also my books are on Amazon

964

00:47:26,359 --> 00:47:24,150

the amazing afterlife of animals here

965

00:47:28,460 --> 00:47:26,369

all creatures you can find those on

966

00:47:30,710 --> 00:47:28,470

Amazon on audible on Barnes & Noble

967

00:47:36,140 --> 00:47:30,720

Smashwords and just about every other

968

00:47:39,770 --> 00:47:36,150

retailer out there so yeah and I and

969

00:47:42,830 --> 00:47:39,780

I've been reading your example afterlife

970

00:47:45,920 --> 00:47:42,840

of animals and I love it it's just a

971

00:47:48,650 --> 00:47:45,930

fantastic book so thank you for being

972

00:47:51,650 --> 00:47:48,660

with us tonight Karen and Tim we have to

973

00:47:53,270 --> 00:47:51,660

go to our top of the hour break so when

974

00:47:56,090 --> 00:47:53,280

we come back we'll

975

00:48:06,720 --> 00:47:56,100

Joan Lunden into the conversation on

976

00:48:14,680 --> 00:48:11,200

explode the bazaars or e-ticket ride

977

00:48:17,550 --> 00:48:14,690

into the world of the paranoid strap

978

00:48:22,270 --> 00:48:17,560

yourself in as we traverse the universe

979

00:48:24,359 --> 00:48:22,280

exploring the unexplained UFO s ghosts

980

00:48:26,770 --> 00:48:24,369

Lost Worlds

981

00:48:30,609 --> 00:48:26,780

cryptozoology waters as well as other

982

00:48:32,849 --> 00:48:30,619

dimensions it's time to take back the

983

00:48:35,740 --> 00:48:32,859

NASA night

984

00:48:38,859 --> 00:48:35,750

now you are electrifying hosts of

985

00:48:45,910 --> 00:48:38,869

exploring the bizarre Timothy Begley and

986

00:48:48,130 --> 00:48:45,920

team sports all right Tim second hour of

987

00:48:52,630 --> 00:48:48,140

explore in the bizarre here we are back

988

00:48:54,609 --> 00:48:52,640

again well you know of course like you

989

00:48:57,880 --> 00:48:54,619

say this is exploring the bizarre now

990

00:49:02,940 --> 00:48:57,890

there's an item you know we broadcast

991

00:49:05,650 --> 00:49:02,950

there live from the KC or radio

992

00:49:08,710 --> 00:49:05,660

facilities out there in Las Vegas and

993

00:49:11,530 --> 00:49:08,720

there was a passing of an individual

994

00:49:14,530 --> 00:49:11,540

that made the news who is running for a

995

00:49:17,079 --> 00:49:14,540

political office and even though he is

996

00:49:21,040 --> 00:49:17,089

deceased I guess he passed away about a

997

00:49:24,640 --> 00:49:21,050

week or two ago he still won the local

998

00:49:28,630 --> 00:49:24,650

election and it's some fellow who had a

999

00:49:31,270 --> 00:49:28,640

a reality show on HBO and he is the

1000

00:49:34,210 --> 00:49:31,280

owner or was the owner of a string of

1001

00:49:37,320 --> 00:49:34,220

legal brothels including

1002

00:49:41,250 --> 00:49:37,330

the alien path house I kid you not

1003

00:49:43,859 --> 00:49:41,260

the alien cat house because it's in the

1004

00:49:49,930 --> 00:49:43,869

Pahrump Nevada which of course is very

1005

00:49:53,890 --> 00:49:49,940

close to area 51 and prostitution is

1006

00:49:57,250 --> 00:49:53,900

very legal there but now anyway he won

1007

00:49:58,690 --> 00:49:57,260

the election but the lost his life I

1008

00:50:01,839 --> 00:49:58,700

don't think that there's anything

1009

00:50:04,770 --> 00:50:01,849

suspicious necessarily about it although

1010

00:50:07,660 --> 00:50:04,780

I don't believe they've performed a

1011

00:50:09,720 --> 00:50:07,670

autopsy yet but that certainly is

1012

00:50:12,900 --> 00:50:09,730

bizarre that's somebody who is deceased

1013

00:50:16,030 --> 00:50:12,910

can still run away with the election

1014

00:50:18,190 --> 00:50:16,040

which which makes his I'm sure his

1015

00:50:21,970 --> 00:50:18,200

opponent feels really good about knowing

1016

00:50:25,730 --> 00:50:21,980

that she she lost to a dead man

1017

00:50:27,140 --> 00:50:25,740

it could it could happen to the I guess

1018

00:50:31,099 --> 00:50:27,150

a good happen to the I was going to say

1019

00:50:34,640 --> 00:50:31,109

the best of us but I'm sure you're there

1020

00:50:36,560 --> 00:50:34,650

in the in the afterlife and in some

1021

00:50:39,320 --> 00:50:36,570

little brothel in the in the sky I

1022

00:50:41,260 --> 00:50:39,330

wouldn't I would assume but it's

1023

00:50:44,329 --> 00:50:41,270

interesting that he he had one of his

1024

00:50:47,570 --> 00:50:44,339

houses was the alien cat house I mean

1025

00:50:49,310 --> 00:50:47,580

exactly I didn't know yeah yeah in fact

1026

00:50:52,359 --> 00:50:49,320

it's on the Billboard if you google it

1027

00:50:56,570 --> 00:50:52,369

you'll you'll see you know and the

1028

00:50:57,890 --> 00:50:56,580

illustration of a lady there an alien on

1029

00:51:02,390 --> 00:50:57,900

the posterior should come down the

1030

00:51:04,760 --> 00:51:02,400

highway so mmm-hmm and anyway yeah we've

1031

00:51:07,670 --> 00:51:04,770

got a new book coming out this week that

1032

00:51:10,609 --> 00:51:07,680

we should tell people about I I haven't

1033

00:51:12,530 --> 00:51:10,619

even got a physical copy yet because

1034

00:51:14,390 --> 00:51:12,540

it's just been released

1035

00:51:19,940 --> 00:51:14,400

today and it should be going up on

1036

00:51:22,250 --> 00:51:19,950

Amazon it's called alien bloodlust are

1037

00:51:26,349 --> 00:51:22,260

there vampires in outer space now I know

1038

00:51:28,670 --> 00:51:26,359

that sounds strange but Tim we are the

1039

00:51:31,910 --> 00:51:28,680

publishers of some of the most bizarre

1040

00:51:35,359 --> 00:51:31,920

and strange literature in the in the

1041

00:51:39,410 --> 00:51:35,369

paranormal field now the main content

1042

00:51:43,099 --> 00:51:39,420

here is by our old-time friend has got

1043

00:51:47,359 --> 00:51:43,109

corrales who is a veteran researcher of

1044

00:51:50,660 --> 00:51:47,369

all events including the chupacabra and

1045

00:51:52,670 --> 00:51:50,670

UFO landings and abductions in the

1046

00:51:55,040 --> 00:51:52,680

Hispanic communities around the world

1047

00:51:58,700 --> 00:51:55,050

including Puerto Rico in Mexico and

1048

00:52:01,940 --> 00:51:58,710

Central and South America if there's

1049

00:52:05,570 --> 00:52:01,950

something going on in the Latin speaking

1050

00:52:07,640 --> 00:52:05,580

world Scott is right on top of it so

1051
00:52:10,790 --> 00:52:07,650
he's the major contributor and of course

1052
00:52:15,230 --> 00:52:10,800
we you and I both wrote that a chapters

1053
00:52:19,339 --> 00:52:15,240
as did Hercules and Shawn Castile and

1054
00:52:22,880 --> 00:52:19,349
our British friend over there in the UK

1055
00:52:23,839 --> 00:52:22,890
Nigel Watson in fact his chapter is and

1056
00:52:26,960 --> 00:52:23,849
I kid you not

1057
00:52:31,579 --> 00:52:26,970
was Dracula an alien and we have proof

1058
00:52:33,560 --> 00:52:31,589
pretty damn good proof that Vlad might

1059
00:52:36,110 --> 00:52:33,570
have been from up there

1060
00:52:39,230 --> 00:52:36,120
and these aliens are coming down and

1061
00:52:40,700 --> 00:52:39,240
they are sucking our be blood and I'm

1062
00:52:42,290 --> 00:52:40,710
not talking just about animal

1063
00:52:44,360 --> 00:52:42,300

mutilations and stuff like that we're

1064

00:52:48,170 --> 00:52:44,370

talking about real bloodsuckers

1065

00:52:52,040 --> 00:52:48,180

chupa-chupa III believe is the the name

1066

00:52:54,860 --> 00:52:52,050

that they use along the the Amazon where

1067

00:52:57,200 --> 00:52:54,870

these refrigerators shaped objects come

1068

00:53:00,890 --> 00:52:57,210

down either out of the sky or up out of

1069

00:53:03,500 --> 00:53:00,900

the ocean and shoot out a beam alighted

1070

00:53:06,260 --> 00:53:03,510

people down up from which it comes like

1071

00:53:08,770 --> 00:53:06,270

a pincher type device and actually

1072

00:53:11,710 --> 00:53:08,780

punctures their skin and drains them of

1073

00:53:13,880 --> 00:53:11,720

some blood not all their blood but

1074

00:53:17,990 --> 00:53:13,890

certainly quite enough of it to be

1075

00:53:22,280 --> 00:53:18,000

noticed over 400 cases fabulous fabulous

1076
00:53:25,610 --> 00:53:22,290
most mysterious a youthful logical event

1077
00:53:31,340 --> 00:53:25,620
along the the Amazon that really hasn't

1078
00:53:33,680 --> 00:53:31,350
got as much attention as it it it should

1079
00:53:36,560 --> 00:53:33,690
be and we hope now it will get the

1080
00:53:39,440 --> 00:53:36,570
attention that it deserves so that's a

1081
00:53:42,680 --> 00:53:39,450
alien bloodless that should be up on

1082
00:53:45,080 --> 00:53:42,690
Amazon in a day or two but what did you

1083
00:53:47,930 --> 00:53:45,090
tell people about the sensitizing with

1084
00:53:50,990 --> 00:53:47,940
our subject tonight what you're working

1085
00:53:57,050 --> 00:53:51,000
on currently all right well I am putting

1086
00:54:01,670 --> 00:53:57,060
together actually I'm adapting a book

1087
00:54:04,900 --> 00:54:01,680
for for modern readers about the the

1088
00:54:09,290 --> 00:54:04,910

famous case from the Isle of Man about

1089

00:54:12,980 --> 00:54:09,300

Jeff the talking Mongoose this was a

1090

00:54:19,030 --> 00:54:12,990

case that occurred in the the the 1930s

1091

00:54:22,160 --> 00:54:19,040

and this isolated farmhouse with this

1092

00:54:22,880 --> 00:54:22,170

older couple a couple by the name of the

1093

00:54:27,590 --> 00:54:22,890

Irving's

1094

00:54:29,000 --> 00:54:27,600

and their their their daughter who when

1095

00:54:32,870 --> 00:54:29,010

the phenomena first started she was

1096

00:54:34,970 --> 00:54:32,880

around 14 years old and it had

1097

00:54:37,970 --> 00:54:34,980

progressed up until she was passed the

1098

00:54:40,840 --> 00:54:37,980

age of 18 and I'm not quite sure how you

1099

00:54:44,450 --> 00:54:40,850

would how you pronounce her name it's a

1100

00:54:45,410 --> 00:54:44,460

it's it's the the makes a version of

1101
00:54:48,410 --> 00:54:45,420
mayor

1102
00:54:51,789 --> 00:54:48,420
was her name but it's like vory I think

1103
00:54:56,150 --> 00:54:51,799
it's how it's how it's pronounced but

1104
00:54:59,510 --> 00:54:56,160
the their their house was invaded by

1105
00:55:01,760 --> 00:54:59,520
what they first thought was a ghost you

1106
00:55:04,280 --> 00:55:01,770
know it had all the earmarks yeah yeah

1107
00:55:08,780 --> 00:55:04,290
earmarks with traditional poltergeist

1108
00:55:11,900 --> 00:55:08,790
but then it started talking and it

1109
00:55:14,270 --> 00:55:11,910
they caught glimpses of it and it looked

1110
00:55:17,299 --> 00:55:14,280
to be like a they first thought it was

1111
00:55:20,599 --> 00:55:17,309
like a weasel and in fact it it or its

1112
00:55:23,839 --> 00:55:20,609
earlier names was like the the the the

1113
00:55:25,640 --> 00:55:23,849

bank's weasel talking weasel but it

1114

00:55:28,339 --> 00:55:25,650

later claimed that it was it was a

1115

00:55:32,030 --> 00:55:28,349

mongoose that could talk and this thing

1116

00:55:38,230 --> 00:55:32,040

had had long conversations with the

1117

00:55:51,200 --> 00:55:43,180

some visitors it it was notoriously shy

1118

00:55:54,670 --> 00:55:51,210

some people did hear a talk but few

1119

00:55:58,720 --> 00:55:54,680

four-letter words oh yeah yeah so the

1120

00:56:00,680 --> 00:55:58,730

the original writer of the book was a

1121

00:56:04,400 --> 00:56:00,690

investigated by the name of Harry price

1122

00:56:08,829 --> 00:56:04,410

and he went there a couple of times but

1123

00:56:13,400 --> 00:56:08,839

the Jeff the Mongoose always always hid

1124

00:56:16,190 --> 00:56:13,410

from him and Harry thought he heard it

1125

00:56:18,650 --> 00:56:16,200

once screaming at him but some other

1126

00:56:20,750 --> 00:56:18,660

people did hear it so I mean we're

1127

00:56:24,440 --> 00:56:20,760

left wondering whether you know this was

1128

00:56:25,730 --> 00:56:24,450

an actual what the case was you know we

1129

00:56:27,799 --> 00:56:25,740

really don't know well you know Boulder

1130

00:56:29,750 --> 00:56:27,809

guys you know was the girl a very

1131

00:56:31,609 --> 00:56:29,760

talented ventriloquist

1132

00:56:35,120 --> 00:56:31,619

you know who knows it's a fascinating

1133

00:56:37,520 --> 00:56:35,130

story well and we look forward to

1134

00:56:40,069 --> 00:56:37,530

bringing that out because I have looked

1135

00:56:41,990 --> 00:56:40,079

high and low for years to find that book

1136

00:56:44,599 --> 00:56:42,000

and it was available

1137

00:56:47,450 --> 00:56:44,609

you know from rare booksellers for like

1138

00:56:49,309 --> 00:56:47,460

800 to a thousand dollars and of course

1139

00:56:52,730 --> 00:56:49,319

I was gonna pay that kind of money and

1140

00:56:56,359 --> 00:56:52,740

for it but finally somebody had a copy

1141

00:56:59,190 --> 00:56:56,369

and they made of a file out of it there

1142

00:57:01,530 --> 00:56:59,200

for us and happily sent us to it to us

1143

00:57:04,530 --> 00:57:01,540

so we'll be publishing the original

1144

00:57:09,240 --> 00:57:04,540

manuscript and including our own take on

1145

00:57:11,609 --> 00:57:09,250

it we have other animals and things in

1146

00:57:14,790 --> 00:57:11,619

supposedly inanimate objects that

1147

00:57:17,430 --> 00:57:14,800

actually have spoken to people it's all

1148

00:57:19,950 --> 00:57:17,440

very strange but let's get on with the

1149

00:57:24,180 --> 00:57:19,960

the show and introduce our second guest

1150

00:57:27,720 --> 00:57:24,190

for the evening yeah we have June a

1151
00:57:32,760 --> 00:57:27,730
longer'n who has been patiently waiting

1152
00:57:34,980 --> 00:57:32,770
for for her chance in the the spotlight

1153
00:57:37,020 --> 00:57:34,990
but you know normally you know we'll

1154
00:57:39,089 --> 00:57:37,030
have both guests on at the same time but

1155
00:57:44,430 --> 00:57:39,099
since Karen could only do the first hour

1156
00:57:46,950 --> 00:57:44,440
of the show we'll let Jim have the the

1157
00:57:49,230 --> 00:57:46,960
entire second hour so June thanks for

1158
00:57:53,970 --> 00:57:49,240
being with us tonight thanks for having

1159
00:57:57,750 --> 00:57:53,980
me really it's our pleasure now we

1160
00:58:00,540 --> 00:57:57,760
talked quite a bit about you know animal

1161
00:58:03,540 --> 00:58:00,550
communication and you know you know pet

1162
00:58:08,370 --> 00:58:03,550
psychics and things like that and and I

1163
00:58:13,220 --> 00:58:08,380

know that you do that as well but you

1164

00:58:16,050 --> 00:58:13,230

know you do so much more than that so

1165

00:58:18,450 --> 00:58:16,060

what got you started in this I mean you

1166

00:58:22,530 --> 00:58:18,460

know it's like we asked Karen at the

1167

00:58:24,480 --> 00:58:22,540

beginning was this something that that

1168

00:58:26,940 --> 00:58:24,490

you discovered that you could do as a

1169

00:58:30,540 --> 00:58:26,950

kid I mean not just talk to animals but

1170

00:58:33,990 --> 00:58:30,550

just the the whole psychic abilities you

1171

00:58:36,210 --> 00:58:34,000

know maybe even seeing spirits and you

1172

00:58:38,849 --> 00:58:36,220

know people who had gone on but for some

1173

00:58:41,010 --> 00:58:38,859

reason they're still hanging around yeah

1174

00:58:44,280 --> 00:58:41,020

my grandmother raised me my maternal

1175

00:58:46,890 --> 00:58:44,290

grandmother and she was a medium and all

1176

00:58:50,700 --> 00:58:46,900

the women in our family back to the

1177

00:58:52,650 --> 00:58:50,710

1600s they all had abilities and it

1178

00:58:57,630 --> 00:58:52,660

seems to be handed down from the females

1179

00:59:00,079 --> 00:58:57,640

in the family and when my mother dumped

1180

00:59:02,460 --> 00:59:00,089

me off on my grandmother when I was born

1181

00:59:06,000 --> 00:59:02,470

my grandmother knew right away that I

1182

00:59:09,270 --> 00:59:06,010

had gifts because animals would come and

1183

00:59:12,180 --> 00:59:09,280

just you know stare at me and sleep

1184

00:59:12,880 --> 00:59:12,190

under my crib and and she would see

1185

00:59:17,410 --> 00:59:12,890

spirit

1186

00:59:21,010 --> 00:59:17,420

some angels around me all the time so

1187

00:59:24,210 --> 00:59:21,020

she knew that she had to you know start

1188

00:59:26,920 --> 00:59:24,220

helping me understand from a young age

1189

00:59:30,670 --> 00:59:26,930

what was going on and everything like

1190

00:59:34,680 --> 00:59:30,680

that and so that we so I would learn to

1191

00:59:37,270 --> 00:59:34,690

tell the good ones from the bad ones and

1192

00:59:40,300 --> 00:59:37,280

Michael the Archangel has always been a

1193

00:59:44,620 --> 00:59:40,310

constant companion since I was born

1194

00:59:46,740 --> 00:59:44,630

so you know he hangs with me a lot we

1195

00:59:51,370 --> 00:59:46,750

get there we have a lot of interesting

1196

00:59:56,500 --> 00:59:51,380

conversations oh no okay how how would

1197

00:59:59,530 --> 00:59:56,510

your grandmother teach you these things

1198

01:00:01,530 --> 00:59:59,540

I mean you know I I imagine that there

1199

01:00:04,930 --> 01:00:01,540

you know there's not a handbook

1200

01:00:08,080 --> 01:00:04,940

available you know teacher you know how

1201

01:00:10,270 --> 01:00:08,090

to teach her grand daughter to you know

1202

01:00:12,310 --> 01:00:10,280

recognize the good from the bad or you

1203

01:00:16,150 --> 01:00:12,320

know or whatever so I mean you know what

1204

01:00:19,660 --> 01:00:16,160

what was her her process for you know

1205

01:00:21,910 --> 01:00:19,670

introducing you to this this world that

1206

01:00:24,280 --> 01:00:21,920

you know basically was you know I mean

1207

01:00:27,670 --> 01:00:24,290

it it was going to be with you no matter

1208

01:00:30,130 --> 01:00:27,680

what well it was you know she she taught

1209

01:00:32,590 --> 01:00:30,140

me the way her mother taught her me it

1210

01:00:34,930 --> 01:00:32,600

was you know each each child that was

1211

01:00:36,880 --> 01:00:34,940

born was taught by the mother you know

1212

01:00:40,780 --> 01:00:36,890

and given all the information that that

1213

01:00:44,020 --> 01:00:40,790

person knew again my grandmother knew

1214

01:00:47,650 --> 01:00:44,030

that she only had like a quarter of the

1215

01:00:49,780 --> 01:00:47,660

information that I would need but you

1216

01:00:52,090 --> 01:00:49,790

know she taught me everything she could

1217

01:00:53,940 --> 01:00:52,100

you know when we would she would run

1218

01:00:56,800 --> 01:00:53,950

into a bad one she would say you know

1219

01:00:59,980 --> 01:00:56,810

this is how you you know how do you feel

1220

01:01:04,030 --> 01:00:59,990

you know how you can recognize them you

1221

01:01:05,890 --> 01:01:04,040

know what you should do about it and you

1222

01:01:08,590 --> 01:01:05,900

know she would teach she taught me how

1223

01:01:10,300 --> 01:01:08,600

to help people cross over and to tell

1224

01:01:13,900 --> 01:01:10,310

the difference between an earthbound

1225

01:01:16,510 --> 01:01:13,910

spirit and earthbound ghost and her

1226

01:01:19,090 --> 01:01:16,520

spirit that's already ascended to the

1227

01:01:22,090 --> 01:01:19,100

other side so it was we would have long

1228

01:01:24,130 --> 01:01:22,100

sessions at night and you know she knew

1229

01:01:26,650 --> 01:01:24,140

that my eyes were she said your eyes

1230

01:01:29,320 --> 01:01:26,660

were old soul and so she knew

1231

01:01:33,970 --> 01:01:29,330

that I would understand I you know why

1232

01:01:36,280 --> 01:01:33,980

I'm telling you my IQ is 146 but the

1233

01:01:39,310 --> 01:01:36,290

thing is you know that's got nothing to

1234

01:01:42,550 --> 01:01:39,320

do with it because really if you're

1235

01:01:44,370 --> 01:01:42,560

willing to learn and I was then you know

1236

01:01:46,980 --> 01:01:44,380

you're basically an open-book

1237

01:01:49,780 --> 01:01:46,990

so we had many conversations

1238

01:01:53,110 --> 01:01:49,790

unfortunately my mother took me back to

1239

01:01:58,510 --> 01:01:53,120

live with her when I was about between

1240

01:01:59,800 --> 01:01:58,520

five and six and and she didn't want to

1241

01:02:03,580 --> 01:01:59,810

have anything to do with that even

1242

01:02:06,280 --> 01:02:03,590

though at one time she had gifts she

1243

01:02:08,020 --> 01:02:06,290

basically turned her back on God and

1244

01:02:15,730 --> 01:02:08,030

when you do that you know you lose your

1245

01:02:19,120 --> 01:02:15,740

gifts so for someone okay now like you

1246

01:02:24,250 --> 01:02:19,130

know take take care of your mother for

1247

01:02:25,660 --> 01:02:24,260

for instance some people you know like

1248

01:02:27,640 --> 01:02:25,670

like yourself and your grandmother and

1249

01:02:32,560 --> 01:02:27,650

and and another members of your family

1250

01:02:40,180 --> 01:02:32,570

are born with these abilities if you

1251

01:02:42,760 --> 01:02:40,190

don't work with them what does that what

1252

01:02:48,070 --> 01:02:42,770

does that do for you for for your life I

1253

01:02:54,100 --> 01:02:48,080

mean I I have heard some psychic mediums

1254

01:02:57,940 --> 01:02:54,110

talk about how before they learned how

1255

01:02:59,980 --> 01:02:57,950

to harness their abilities that at times

1256

01:03:03,460 --> 01:02:59,990

that they could almost be driven insane

1257

01:03:06,570 --> 01:03:03,470

by what's going on around them all of

1258

01:03:10,510 --> 01:03:06,580

the time it can be very overwhelming

1259

01:03:14,440 --> 01:03:10,520

it's like I'll give you an example or my

1260

01:03:17,590 --> 01:03:14,450

grandmother said okay we were you know

1261

01:03:20,590 --> 01:03:17,600

we're in a shopping area and we sat down

1262

01:03:24,040 --> 01:03:20,600

on a bench and my grandma said well

1263

01:03:30,670 --> 01:03:24,050

close your eyes and tell me what you

1264

01:03:34,270 --> 01:03:30,680

hear and it was like being say in your

1265

01:03:37,270 --> 01:03:34,280

home and it was filled with wall-to-wall

1266

01:03:40,300 --> 01:03:37,280

bodies and everybody was talking at the

1267

01:03:43,030 --> 01:03:40,310

same time hmm and you couldn't read

1268

01:03:44,890 --> 01:03:43,040

we make out you couldn't really make out

1269

01:03:47,620 --> 01:03:44,900

the conversations because everybody was

1270

01:03:49,870 --> 01:03:47,630

talking at the same time and it was you

1271

01:03:52,090 --> 01:03:49,880

know they were on top of each other in

1272

01:03:55,090 --> 01:03:52,100

what they were saying and I told her

1273

01:03:58,570 --> 01:03:55,100

that she said okay pick a voice pick a

1274

01:04:02,410 --> 01:03:58,580

voice to listen to find one that you're

1275

01:04:03,700 --> 01:04:02,420

drawn to and listen to it and so that's

1276

01:04:06,810 --> 01:04:03,710

what I did

1277

01:04:08,980 --> 01:04:06,820

and I could focus in on that particular

1278

01:04:12,010 --> 01:04:08,990

conversation or what that person was

1279

01:04:15,490 --> 01:04:12,020

saying and she you know after the

1280

01:04:18,970 --> 01:04:15,500

exercise she says no that's what you

1281

01:04:21,520 --> 01:04:18,980

need to do each time because souls are

1282

01:04:23,830 --> 01:04:21,530

all around you all the time it's not

1283

01:04:25,930 --> 01:04:23,840

like you know on the ghost whisperer or

1284

01:04:28,120 --> 01:04:25,940

something like that whereas like one

1285

01:04:30,670 --> 01:04:28,130

comes through at a time that's not the

1286

01:04:31,210 --> 01:04:30,680

way it is they're always there all the

1287

01:04:35,830 --> 01:04:31,220

time

1288

01:04:38,230 --> 01:04:35,840

it depends upon if they want to talk to

1289

01:04:41,230 --> 01:04:38,240

you or not most of them are just like

1290

01:04:43,630 --> 01:04:41,240

it's like in being in New York a rush

1291

01:04:45,270 --> 01:04:43,640

hour going down the sidewalk and

1292

01:04:47,890 --> 01:04:45,280

everybody's going in the same direction

1293

01:04:50,790 --> 01:04:47,900

and then you got the one person that's

1294

01:04:53,410 --> 01:04:50,800

going office it going against the flow

1295

01:04:55,060 --> 01:04:53,420

that's the that's the soul that wants to

1296

01:04:58,240 --> 01:04:55,070

talk to you the one that's going against

1297

01:05:06,660 --> 01:04:58,250

this this the flow of the people and so

1298

01:05:12,360 --> 01:05:06,670

that's kind of how you differentiy so is

1299

01:05:17,170 --> 01:05:12,370

is the earth plane so to speak filled

1300

01:05:20,590 --> 01:05:17,180

with people who for whatever reason have

1301

01:05:22,450 --> 01:05:20,600

not gone on you know you talked about

1302

01:05:24,070 --> 01:05:22,460

the you know the shopping mall with

1303

01:05:28,060 --> 01:05:24,080

everybody you know crowd around talking

1304

01:05:30,540 --> 01:05:28,070

and bumping bumping into each other is

1305

01:05:34,420 --> 01:05:30,550

it the same kind of situation you know

1306

01:05:37,150 --> 01:05:34,430

here on earth with discarnate spirits I

1307

01:05:41,020 --> 01:05:37,160

mean is it you know there is everything

1308

01:05:44,770 --> 01:05:41,030

just deal fold overflowing with them

1309

01:05:47,590 --> 01:05:44,780

there are a lot of haven't crossed over

1310

01:05:51,810 --> 01:05:47,600

for one reason or the other but when I

1311

01:05:53,900 --> 01:05:51,820

tuned in to all those people it was on

1312

01:05:56,420 --> 01:05:53,910

the higher

1313

01:05:59,690 --> 01:05:56,430

vibrational plain it wasn't it's more

1314

01:06:04,190 --> 01:05:59,700

like angelic plain mm-hmm I can tune in

1315

01:06:07,220 --> 01:06:04,200

all the way up I was a - from - God and

1316

01:06:09,020 --> 01:06:07,230

the Archangels and each one of them

1317

01:06:12,460 --> 01:06:09,030

resonates on a different frequency a

1318

01:06:15,770 --> 01:06:12,470

higher frequency and if I was just to

1319

01:06:19,130 --> 01:06:15,780

focus on the earth plane you know

1320

01:06:22,340 --> 01:06:19,140

there's there some it's not like they're

1321

01:06:25,130 --> 01:06:22,350

all over the place all the time there

1322

01:06:27,410 --> 01:06:25,140

are some that know that you can talk to

1323

01:06:30,260 --> 01:06:27,420

them know that you could hear them so

1324

01:06:33,830 --> 01:06:30,270

they'll seek you out and so if I happen

1325

01:06:36,400 --> 01:06:33,840

to be going somewhere like you know I

1326

01:06:38,540 --> 01:06:36,410

don't go to graveyards because it's like

1327

01:06:41,390 --> 01:06:38,550

everybody and their brother wants to

1328

01:06:43,310 --> 01:06:41,400

talk to me when I go to graveyards it's

1329

01:06:44,780 --> 01:06:43,320

not like people die you know people drop

1330

01:06:48,740 --> 01:06:44,790

dead in the graveyard that's not the

1331

01:06:51,070 --> 01:06:48,750

fact fact is they know I'm coming so

1332

01:06:53,240 --> 01:06:51,080

they like come from every direction to

1333

01:06:56,210 --> 01:06:53,250

get there you know to get a message

1334

01:06:57,950 --> 01:06:56,220

through or to talk to me or to help you

1335

01:07:00,470 --> 01:06:57,960

know for me to help them cross over I

1336

01:07:03,440 --> 01:07:00,480

went to a local graveyard strictly by

1337

01:07:06,310 --> 01:07:03,450

accident one Halloween because my sister

1338

01:07:10,190 --> 01:07:06,320

and I wanted to go on a ghost tour and

1339

01:07:13,310 --> 01:07:10,200

we ended up on the wrong bus and then a

1340

01:07:17,480 --> 01:07:13,320

bright smack at the Pioneer regard mmm

1341

01:07:19,070 --> 01:07:17,490

and I'm like really so I get out and

1342

01:07:23,870 --> 01:07:19,080

here comes all these people all these

1343

01:07:26,150 --> 01:07:23,880

Souls I'm like crap about like 30 of

1344

01:07:29,270 --> 01:07:26,160

them you know I'm like my sister-in-law

1345

01:07:30,920 --> 01:07:29,280

just thinks this is hysterical I told

1346

01:07:33,350 --> 01:07:30,930

her says shut up I said I'm gonna have

1347

01:07:37,630 --> 01:07:33,360

these ghosts go over there and stand by

1348

01:07:42,590 --> 01:07:40,280

she's like why is it so cold I said come

1349

01:07:45,080 --> 01:07:42,600

on the stand over there I told him I

1350

01:07:46,850 --> 01:07:45,090

said okay raise your hand everybody that

1351
01:07:49,730 --> 01:07:46,860
wants me to give a message to a loved

1352
01:07:51,890 --> 01:07:49,740
one and you know about 90% of them raise

1353
01:07:54,500 --> 01:07:51,900
their hand I said okay put your hands

1354
01:07:56,180 --> 01:07:54,510
down it's not happening unless you can

1355
01:07:58,610 --> 01:07:56,190
give me a phone number in an address

1356
01:08:00,950 --> 01:07:58,620
it ain't happening they're like Oh

1357
01:08:04,070 --> 01:08:00,960
bummer and I said I can help you to

1358
01:08:07,010 --> 01:08:04,080
cross nobody wants to cross I'm good I

1359
01:08:07,470 --> 01:08:07,020
hope you're with that no problem so all

1360
01:08:10,800 --> 01:08:07,480
of them

1361
01:08:13,080 --> 01:08:10,810
but one guy and he was still stuck in

1362
01:08:15,480 --> 01:08:13,090
when I call his death state where he had

1363
01:08:18,240 --> 01:08:15,490

blood on him and everything he died in a

1364

01:08:21,539 --> 01:08:18,250

car accident and I'm like what's your

1365

01:08:25,559 --> 01:08:21,549

issue I said why don't you cross and he

1366

01:08:28,920 --> 01:08:25,569

says I was on my way to meet my lover

1367

01:08:31,470 --> 01:08:28,930

you know he was a Catholic and he says

1368

01:08:33,390 --> 01:08:31,480

you know I can't I can't go to heaven

1369

01:08:36,300 --> 01:08:33,400

like that I mean you know it was

1370

01:08:37,950 --> 01:08:36,310

committing adultery and I told him I

1371

01:08:40,410 --> 01:08:37,960

said you know move on from your death

1372

01:08:43,140 --> 01:08:40,420

state please I said you know that's your

1373

01:08:45,150 --> 01:08:43,150

hang-up not mine I said when you're

1374

01:08:47,910 --> 01:08:45,160

ready give me a shout and I hope you

1375

01:08:52,349 --> 01:08:47,920

cross but until then you know you need

1376

01:08:56,099 --> 01:08:52,359

to let go of all that baggage you talked

1377

01:08:59,010 --> 01:08:56,109

about the Ghost Whisperer earlier and it

1378

01:09:00,479 --> 01:08:59,020

reminded me of a you talking about you

1379

01:09:01,740 --> 01:09:00,489

know being a up Cemetery with the you

1380

01:09:04,289 --> 01:09:01,750

know everybody crowding around you

1381

01:09:06,720 --> 01:09:04,299

reminds me of a scene from the Ghost

1382

01:09:10,110 --> 01:09:06,730

Whisperer where she had gone to a

1383

01:09:13,590 --> 01:09:10,120

hospital but before she did she had she

1384

01:09:16,499 --> 01:09:13,600

put like headphones on and kept her you

1385

01:09:19,380 --> 01:09:16,509

know her eyes to the ground and that it

1386

01:09:21,599 --> 01:09:19,390

showed like a perspective of what she

1387

01:09:23,670 --> 01:09:21,609

was actually experiences and there was

1388

01:09:26,820 --> 01:09:23,680

you know she was surrounded by hundreds

1389

01:09:29,490 --> 01:09:26,830

of people who had passed on but hadn't

1390

01:09:33,990 --> 01:09:29,500

you know gone gone over yet all trying

1391

01:09:40,579 --> 01:09:34,000

to talk to her at at once and I'm a

1392

01:09:43,620 --> 01:09:40,589

nurse I mean yo you'll find maybe ten

1393

01:09:44,789 --> 01:09:43,630

five to ten of them you know and they

1394

01:09:46,229 --> 01:09:44,799

know you have to do is talk to them

1395

01:09:51,120 --> 01:09:46,239

telepathically and tell them you know

1396

01:09:54,269 --> 01:09:51,130

what yeah we want why you're dead get a

1397

01:09:56,250 --> 01:09:54,279

clue move on that's it that's

1398

01:09:58,470 --> 01:09:56,260

interesting you know and you know you

1399

01:10:01,170 --> 01:09:58,480

talk about you know the cemetery I you

1400

01:10:04,200 --> 01:10:01,180

know I always thought that you know why

1401
01:10:06,570 --> 01:10:04,210
would cemeteries be haunted you know

1402
01:10:08,100 --> 01:10:06,580
people didn't die there you know they're

1403
01:10:10,080 --> 01:10:08,110
their mortal remains are there and

1404
01:10:12,330 --> 01:10:10,090
unless you're just you know really

1405
01:10:14,130 --> 01:10:12,340
clinging to that cemetery to be the last

1406
01:10:15,720 --> 01:10:14,140
place I would think it's spirit you know

1407
01:10:17,940 --> 01:10:15,730
would want to go and hang out there's a

1408
01:10:21,029 --> 01:10:17,950
couple reasons why that hang out there

1409
01:10:24,270 --> 01:10:21,039
I had woman one woman came up to me

1410
01:10:26,850 --> 01:10:24,280
do you see this dress do you see it I

1411
01:10:28,589 --> 01:10:26,860
didn't want to be drawn I didn't want to

1412
01:10:31,169 --> 01:10:28,599
be buried in this dress look at it it's

1413
01:10:34,649 --> 01:10:31,179

ugly she go keep going on around am i

1414

01:10:36,509 --> 01:10:34,659

good okay fine whatever the other time

1415

01:10:38,430 --> 01:10:36,519

the guy was like I didn't want to be

1416

01:10:40,080 --> 01:10:38,440

buried here I didn't want to be I wanted

1417

01:10:44,359 --> 01:10:40,090

to be up on the hill and look where they

1418

01:10:47,279 --> 01:10:44,369

put me I'm like you know get over it

1419

01:10:49,680 --> 01:10:47,289

yeah it's really they're not bad ones

1420

01:10:55,109 --> 01:10:49,690

it's just like they're complainers you

1421

01:10:58,020 --> 01:10:55,119

know it's it's sad to think though that

1422

01:11:00,600 --> 01:10:58,030

you know the same kind of things that

1423

01:11:03,600 --> 01:11:00,610

that pissed you off in life that you can

1424

01:11:06,209 --> 01:11:03,610

carry with you to the afterlife for a

1425

01:11:08,790 --> 01:11:06,219

while at least it's true unless they

1426

01:11:12,240 --> 01:11:08,800

ascend fully you know they're still

1427

01:11:15,060 --> 01:11:12,250

stuck in their physical world mentality

1428

01:11:17,220 --> 01:11:15,070

and say you know and so there that's all

1429

01:11:20,100 --> 01:11:17,230

they're thinking about at that but once

1430

01:11:23,399 --> 01:11:20,110

they can move past that and see the

1431

01:11:26,100 --> 01:11:23,409

light and move on it's okay but before

1432

01:11:29,100 --> 01:11:26,110

that you know some people just that's

1433

01:11:31,200 --> 01:11:29,110

why animals are so nice because they

1434

01:11:34,020 --> 01:11:31,210

cross they don't have the baggage we

1435

01:11:36,569 --> 01:11:34,030

have mm man it's like it's a clean break

1436

01:11:38,580 --> 01:11:36,579

and they're closer to God than we are

1437

01:11:40,470 --> 01:11:38,590

all right I've got I'm gonna have to

1438

01:11:42,750 --> 01:11:40,480

make a clean break here because we are

1439

01:11:44,040 --> 01:11:42,760

at our bottom of the our break so when

1440

01:11:45,990 --> 01:11:44,050

we come back we'll continue our

1441

01:11:48,029 --> 01:11:46,000

conversation with Jun Lundgren on

1442

01:11:55,540 --> 01:11:48,039

exploring the deck their bizarre stick

1443

01:12:02,270 --> 01:11:59,689

now back to exploring the bazaars with

1444

01:12:05,570 --> 01:12:02,280

two of the most electrifying researchers

1445

01:12:11,300 --> 01:12:05,580

in the Paranoid your hosts Timothy Becky

1446

01:12:13,010 --> 01:12:11,310

Lee panting sports alright welcome back

1447

01:12:15,830 --> 01:12:13,020

to exploring the bizarre right now we

1448

01:12:18,290 --> 01:12:15,840

have with this June Lundgren and June is

1449

01:12:22,400 --> 01:12:18,300

a psychic medium animal communicator

1450

01:12:25,010 --> 01:12:22,410

healer professional nurse demon seer and

1451

01:12:26,930 --> 01:12:25,020

an international author I would think

1452

01:12:28,970 --> 01:12:26,940

after all that stuff how would you have

1453

01:12:33,350 --> 01:12:28,980

time to be an international author as

1454

01:12:36,170 --> 01:12:33,360

well June you know four to five days a

1455

01:12:39,380 --> 01:12:36,180

week as a nurse and I have to use my

1456

01:12:42,350 --> 01:12:39,390

like lunch hour and a my weekends and

1457

01:12:46,280 --> 01:12:42,360

stuff to do write my books and stuff

1458

01:12:50,840 --> 01:12:46,290

that's about the only time I have okay

1459

01:12:53,360 --> 01:12:50,850

before we had to go to our last break

1460

01:12:54,650 --> 01:12:53,370

you had brought up and we talked about

1461

01:13:00,080 --> 01:12:54,660

this the first hour of the show about

1462

01:13:04,490 --> 01:13:00,090

you know animal communication so what's

1463

01:13:07,280 --> 01:13:04,500

what's your experience been with talking

1464

01:13:11,420 --> 01:13:07,290

with the animals you know Karen gave her

1465

01:13:13,970 --> 01:13:11,430

or her perspective what about you I get

1466

01:13:17,500 --> 01:13:13,980

I receive my information like I'm

1467

01:13:22,220 --> 01:13:17,510

talking to you know regular conversation

1468

01:13:25,520 --> 01:13:22,230

I've been around animals forever and you

1469

01:13:26,959 --> 01:13:25,530

know first if I talk to a one you know

1470

01:13:30,020 --> 01:13:26,969

somebody calls me and says I need you to

1471

01:13:33,500 --> 01:13:30,030

talk to my animal you know when I go to

1472

01:13:35,720 --> 01:13:33,510

talk to them they're at first startled

1473

01:13:38,120 --> 01:13:35,730

that someone can actually hear them and

1474

01:13:40,490 --> 01:13:38,130

understand them and once they get over

1475

01:13:42,979 --> 01:13:40,500

that then they open up about you know

1476

01:13:46,790 --> 01:13:42,989

where they hurts or what they need you

1477

01:13:50,390 --> 01:13:46,800

what their concerns are I went recently

1478

01:13:53,000 --> 01:13:50,400

I went gentleman asked me to come over

1479

01:13:56,689 --> 01:13:53,010

because they had moved up from here from

1480

01:13:59,630 --> 01:13:56,699

California to Oregon and you know before

1481

01:14:02,800 --> 01:13:59,640

they moved everything was fine and when

1482

01:14:06,500 --> 01:14:02,810

they got here the dog was just really

1483

01:14:08,920 --> 01:14:06,510

you know not dealing well with the wife

1484

01:14:11,230 --> 01:14:08,930

was it was like

1485

01:14:13,840 --> 01:14:11,240

not wanting to be around her or wanting

1486

01:14:16,450 --> 01:14:13,850

to stay away from her not wanting to be

1487

01:14:18,250 --> 01:14:16,460

close to her and he says I really need

1488

01:14:20,670 --> 01:14:18,260

you to come and talk to him and find out

1489

01:14:24,670 --> 01:14:20,680

I get there's like four different dogs

1490

01:14:28,570 --> 01:14:24,680

and I'm like okay so your wife is

1491

01:14:30,700 --> 01:14:28,580

unstable her energy is unstable they

1492

01:14:34,270 --> 01:14:30,710

don't like it they don't want to be

1493

01:14:37,780 --> 01:14:34,280

around that energy and she's full of

1494

01:14:39,820 --> 01:14:37,790

worry she's full of stress and they

1495

01:14:43,150 --> 01:14:39,830

don't like it and they don't want to

1496

01:14:46,390 --> 01:14:43,160

deal with it and I took so I talked to

1497

01:14:48,340 --> 01:14:46,400

that animals all four of them told him

1498

01:14:50,920 --> 01:14:48,350

what was going on and everything and and

1499

01:14:59,680 --> 01:14:50,930

they settle down and it was fine after

1500

01:15:02,980 --> 01:14:59,690

that hmm when it comes to the time that

1501

01:15:07,120 --> 01:15:02,990

an animal has to pass on you know like a

1502

01:15:11,890 --> 01:15:07,130

person is it is it a similar situation

1503

01:15:15,460 --> 01:15:11,900

where some remain behind for a while for

1504

01:15:18,670 --> 01:15:15,470

whatever reason and then go on or you

1505

01:15:20,650 --> 01:15:18,680

know a like you like you said you know

1506

01:15:23,110 --> 01:15:20,660

earlier I mean they don't have any any

1507

01:15:24,400 --> 01:15:23,120

kinds of baggage or you know worried on

1508

01:15:27,160 --> 01:15:24,410

what kind of clothes they were dressed

1509

01:15:30,550 --> 01:15:27,170

in before they were married or you know

1510

01:15:33,670 --> 01:15:30,560

or do they just just just go on it

1511

01:15:37,060 --> 01:15:33,680

depends you know some of them on fact I

1512

01:15:40,950 --> 01:15:37,070

just had to put down with my cocker

1513

01:15:45,490 --> 01:15:40,960

spaniel about a month ago

1514

01:15:50,040 --> 01:15:45,500

he was 14 and she was having these

1515

01:15:56,140 --> 01:15:52,810

end up he ended up having an aneurysm

1516

01:15:58,060 --> 01:15:56,150

burst in his brain mm-hmm so his you

1517

01:16:01,060 --> 01:15:58,070

know his eyes wouldn't track he was

1518

01:16:03,190 --> 01:16:01,070

confused he couldn't walk all of that

1519

01:16:05,920 --> 01:16:03,200

and I told him I said listen you know I

1520

01:16:08,730 --> 01:16:05,930

know you don't want to be like this

1521

01:16:12,850 --> 01:16:08,740

there's nothing they can do to fix it I

1522

01:16:15,250 --> 01:16:12,860

said you know do you want to leave is it

1523

01:16:19,720 --> 01:16:15,260

your time you know that is that what you

1524

01:16:21,220 --> 01:16:19,730

want and he was I did what I explained

1525

01:16:22,510 --> 01:16:21,230

to him what was gonna happen and he was

1526

01:16:24,430 --> 01:16:22,520

good with it

1527

01:16:28,330 --> 01:16:24,440

and he just went to sleep in my arms and

1528

01:16:31,630 --> 01:16:28,340

then that was it mm-hmm I've seen you

1529

01:16:34,840 --> 01:16:31,640

know I had my mail Dobie he was 12 when

1530

01:16:37,180 --> 01:16:34,850

he died and he's like you know it got up

1531

01:16:38,920 --> 01:16:37,190

in the morning before I went to bed I

1532

01:16:41,530 --> 01:16:38,930

said well you know it's up to you I said

1533

01:16:45,840 --> 01:16:41,540

but you know don't stay here if you're

1534

01:16:51,210 --> 01:16:45,850

miserable do not stay here just go yeah

1535

01:16:57,460 --> 01:16:53,650

pretty much I've always been able to see

1536

01:17:00,060 --> 01:16:57,470

the soul leave the body so for me that's

1537

01:17:04,900 --> 01:17:00,070

just normal

1538

01:17:08,710 --> 01:17:04,910

well as as typically asked in in the

1539

01:17:11,880 --> 01:17:08,720

first hour you know I mean when when

1540

01:17:15,250 --> 01:17:11,890

you're raised kids you know your talk

1541

01:17:17,080 --> 01:17:15,260

you got human heaven doggy heaven kitty

1542

01:17:21,430 --> 01:17:17,090

heaven you know things like that I mean

1543

01:17:23,770 --> 01:17:21,440

it's is is that the case or is just you

1544

01:17:26,920 --> 01:17:23,780

know the afterlife or you know there's

1545

01:17:30,600 --> 01:17:26,930

no no you know there's no there's no

1546

01:17:33,370 --> 01:17:30,610

walls surrounding each species

1547

01:17:36,850 --> 01:17:33,380

separation mmm he died in a motorcycle

1548

01:17:39,310 --> 01:17:36,860

accident in 1988 so I wasn't dead for

1549

01:17:41,620 --> 01:17:39,320

two minutes and when I went to the other

1550

01:17:43,450 --> 01:17:41,630

side it's like oh this is cool you know

1551

01:17:47,290 --> 01:17:43,460

my grandma and grandpa met me and and

1552

01:17:52,960 --> 01:17:47,300

it's like you know it's like you become

1553

01:17:56,770 --> 01:17:52,970

a part of a bigger hole you can hear the

1554

01:17:58,810 --> 01:17:56,780

thoughts of the other souls but they're

1555

01:18:01,120 --> 01:17:58,820

like kind of like in the background you

1556

01:18:05,020 --> 01:18:01,130

know like background noise and you can

1557

01:18:07,540 --> 01:18:05,030

feel the connection to what some people

1558

01:18:10,330 --> 01:18:07,550

call the God consciousness you could

1559

01:18:13,990 --> 01:18:10,340

feel that and there's no walls there's

1560

01:18:15,760 --> 01:18:14,000

no time there's no distance on the other

1561

01:18:17,650 --> 01:18:15,770

side one of the main things I learned

1562

01:18:21,010 --> 01:18:17,660

was that time you thought thoughts

1563

01:18:23,800 --> 01:18:21,020

become reality before you even finish

1564

01:18:27,550 --> 01:18:23,810

the thought it's you know about going to

1565

01:18:29,260 --> 01:18:27,560

Bermuda you're there mmm that's why you

1566

01:18:31,270 --> 01:18:29,270

know Michael the Archangel can be in a

1567

01:18:35,170 --> 01:18:31,280

hundred places at the same time because

1568

01:18:35,890 --> 01:18:35,180

there is no space there is no so you

1569

01:18:38,020 --> 01:18:35,900

know it's not

1570

01:18:40,990 --> 01:18:38,030

walking across the floor and you know

1571

01:18:44,229 --> 01:18:41,000

there you are in the same room but it's

1572

01:18:47,790 --> 01:18:44,239

it is different but there are dog you

1573

01:18:52,120 --> 01:18:47,800

know animals there people there you know

1574

01:18:55,360 --> 01:18:52,130

angelic beings but it's not it's it's a

1575

01:18:57,520 --> 01:18:55,370

world of energy but my brain was

1576

01:19:00,550 --> 01:18:57,530

perceiving it because you know it's hard

1577

01:19:04,560 --> 01:19:00,560

for the human brain to wrap wrap itself

1578

01:19:07,140 --> 01:19:04,570

around what is there so you create

1579

01:19:11,350 --> 01:19:07,150

because I was still stuck on my physical

1580

01:19:12,939 --> 01:19:11,360

mentality yeah you create what you think

1581

01:19:17,560 --> 01:19:12,949

it should look like mmm

1582

01:19:20,470 --> 01:19:17,570

it was clouds and Michael the Archangel

1583

01:19:23,200 --> 01:19:20,480

was there and you know and you know

1584

01:19:28,390 --> 01:19:23,210

you're walking on the floors of a kind

1585

01:19:29,979 --> 01:19:28,400

I saw clouds you know Michael says you

1586

01:19:31,479 --> 01:19:29,989

know you need to come because you need

1587

01:19:34,600 --> 01:19:31,489

to understand who and what you are and

1588

01:19:36,459 --> 01:19:34,610

you have a job to do and my grandfather

1589

01:19:41,200 --> 01:19:36,469

told me you're going to have a son

1590

01:19:44,320 --> 01:19:41,210

in the next year and so I just met my

1591

01:19:48,520 --> 01:19:44,330

husband at that time and about a year

1592

01:19:51,520 --> 01:19:48,530

later my son was one hmm

1593

01:19:54,840 --> 01:19:51,530

I'm surprised your son you didn't meet

1594

01:19:58,860 --> 01:19:54,850

your son there and say hey go back I

1595

01:20:00,939 --> 01:19:58,870

need my chance he was the one of my

1596

01:20:07,149 --> 01:20:00,949

Guardians mmm

1597

01:20:09,550 --> 01:20:07,159

I get I get the impression from hearing

1598

01:20:15,130 --> 01:20:09,560

descriptions from people who have had

1599

01:20:20,560 --> 01:20:15,140

near-death experiences that at least for

1600

01:20:25,810 --> 01:20:20,570

a while your your perception of the

1601

01:20:30,160 --> 01:20:25,820

afterlife is based a lot on your

1602

01:20:31,899 --> 01:20:30,170

conceptions of what you were of what you

1603

01:20:34,180 --> 01:20:31,909

were going to expect while you were

1604

01:20:36,340 --> 01:20:34,190

living so you know I you know if you're

1605

01:20:37,689 --> 01:20:36,350

if you're a Catholic you know you would

1606

01:20:39,630 --> 01:20:37,699

you would go to you know you you would

1607

01:20:43,270 --> 01:20:39,640

experience like a Catholic heaven and

1608

01:20:45,040 --> 01:20:43,280

yeah and you know if you were a bad

1609

01:20:47,299 --> 01:20:45,050

person and knew you that you were a bad

1610

01:20:49,879 --> 01:20:47,309

person for why you had end up

1611

01:20:56,239 --> 01:20:49,889

you know in in you know like the land of

1612

01:20:57,919 --> 01:20:56,249

shadows so to speak you are stuck in

1613

01:21:01,279 --> 01:20:57,929

your you know your physical world

1614

01:21:04,219 --> 01:21:01,289

mentality because people that are have

1615

01:21:06,349 --> 01:21:04,229

the you know near-death experience or

1616

01:21:08,750 --> 01:21:06,359

whatever they want to call it it's

1617

01:21:12,229 --> 01:21:08,760

because you're stuck in there because

1618

01:21:14,569 --> 01:21:12,239

you're going back if you had died if you

1619

01:21:17,839 --> 01:21:14,579

died and you know we're not going back

1620

01:21:20,809 --> 01:21:17,849

then you believe all that behind mm-hmm

1621

01:21:22,520 --> 01:21:20,819

because you're meant to go back you

1622

01:21:27,949 --> 01:21:22,530

still maintain that physical world

1623

01:21:30,949 --> 01:21:27,959

mentality well and plus there's there's

1624

01:21:33,079 --> 01:21:30,959

probably and you talked about this

1625

01:21:37,389 --> 01:21:33,089

before you know like different

1626
01:21:41,119 --> 01:21:37,399
vibrational levels when you first ascend

1627
01:21:43,790 --> 01:21:41,129
you're going to be you know like a new

1628
01:21:45,439 --> 01:21:43,800
spirit so to speak unless you go for

1629
01:21:49,790 --> 01:21:45,449
that red light and find yourself

1630
01:21:53,079 --> 01:21:49,800
reincarnated again you know after you

1631
01:21:55,879 --> 01:21:53,089
know you've been deceased for a while

1632
01:21:57,799 --> 01:21:55,889
you your you know your vibrational

1633
01:21:59,859 --> 01:21:57,809
frequency you know shifts and you go

1634
01:22:03,229 --> 01:21:59,869
higher or whatever you'd want to call it

1635
01:22:06,290 --> 01:22:03,239
it's all about freewill we don't we

1636
01:22:08,059 --> 01:22:06,300
aren't made to come back and most people

1637
01:22:11,479 --> 01:22:08,069
Souls do not want to come back right

1638
01:22:13,969 --> 01:22:11,489

away be you know what we there's no

1639

01:22:16,609 --> 01:22:13,979

concept of time over there I'll give you

1640

01:22:21,139 --> 01:22:16,619

an example my husband died on the

1641

01:22:27,500 --> 01:22:21,149

Arizona in 1941 and he was reborn in

1642

01:22:30,529 --> 01:22:27,510

1945 so he was reborn quickly and when

1643

01:22:32,899 --> 01:22:30,539

he was reborn he had an absolute fear of

1644

01:22:37,339 --> 01:22:32,909

drowning without ever having the

1645

01:22:39,319 --> 01:22:37,349

experience and so some of that ministry

1646

01:22:42,919 --> 01:22:39,329

matic like that holds over into the next

1647

01:22:44,750 --> 01:22:42,929

lifetime and so you know he says his

1648

01:22:47,629 --> 01:22:44,760

mother said never have slip in the

1649

01:22:51,020 --> 01:22:47,639

bathtub nothing but he's always had that

1650

01:22:53,270 --> 01:22:51,030

absolute fear and then one day one night

1651
01:22:53,989 --> 01:22:53,280
he said to you know he woke up the next

1652
01:22:56,709 --> 01:22:53,999
morning

1653
01:22:59,660 --> 01:22:56,719
listen I've had this dream for the last

1654
01:23:01,459 --> 01:22:59,670
I've had this dream for the last

1655
01:23:04,250 --> 01:23:01,469
three nights in a row it's always the

1656
01:23:05,840 --> 01:23:04,260
same he says I'm on the Arizona I'm

1657
01:23:08,030 --> 01:23:05,850
walking through water like you walked

1658
01:23:11,209 --> 01:23:08,040
through air and the big topic of

1659
01:23:14,570 --> 01:23:11,219
conversation is why didn't they come for

1660
01:23:17,209 --> 01:23:14,580
us he said next thing I know I'm on the

1661
01:23:20,030 --> 01:23:17,219
monument and I'm running my finger down

1662
01:23:22,220 --> 01:23:20,040
to find my name he says I find it and

1663
01:23:24,370 --> 01:23:22,230

there wake up you think can you get me a

1664

01:23:29,600 --> 01:23:24,380

list to the men that died on the Arizona

1665

01:23:32,720 --> 01:23:29,610

and I'm like okay 18 pages later he

1666

01:23:35,450 --> 01:23:32,730

comes he says this is it this is who I

1667

01:23:37,910 --> 01:23:35,460

was this is a man if you can't touch it

1668

01:23:39,919 --> 01:23:37,920

feel it or see it it doesn't exist

1669

01:23:42,939 --> 01:23:39,929

he's an auditor so he's very left

1670

01:23:46,220 --> 01:23:42,949

brained mmm just this is who I was I

1671

01:23:50,090 --> 01:23:46,230

named you know the name that he found

1672

01:23:53,209 --> 01:23:50,100

was Raymond Arthur Ruby I need my son

1673

01:23:57,200 --> 01:23:53,219

after my grandfather Ray Arthur Palmer

1674

01:24:01,520 --> 01:23:57,210

huh no such thing as coincidence no no

1675

01:24:03,169 --> 01:24:01,530

not at all well you know when it when it

1676

01:24:06,680 --> 01:24:03,179

comes to reincarnation I've often

1677

01:24:11,410 --> 01:24:06,690

wondered because you know like yourself

1678

01:24:15,350 --> 01:24:11,420

it's often talked about how you know the

1679

01:24:19,880 --> 01:24:15,360

the level out of the Material Plane is

1680

01:24:21,830 --> 01:24:19,890

timeless and when we refer to

1681

01:24:24,020 --> 01:24:21,840

reincarnation we you know we talk about

1682

01:24:29,390 --> 01:24:24,030

past lives and that sort of thing

1683

01:24:34,820 --> 01:24:29,400

but if the after world is timeless are

1684

01:24:37,700 --> 01:24:34,830

we actually experiencing our other lives

1685

01:24:39,919 --> 01:24:37,710

right now at this very moment you know

1686

01:24:43,580 --> 01:24:39,929

there's it's not it's not a past life

1687

01:24:45,320 --> 01:24:43,590

it's it's a current life as well just

1688

01:24:48,169 --> 01:24:45,330

the same time as we're living here you

1689

01:24:50,240 --> 01:24:48,179

know in the 21st century our souls are

1690

01:24:53,000 --> 01:24:50,250

also living in you know the 19th century

1691

01:24:55,010 --> 01:24:53,010

18 you know whatever and you know into

1692

01:24:57,770 --> 01:24:55,020

the future as well

1693

01:25:00,080 --> 01:24:57,780

all of it existing simultaneously you

1694

01:25:02,600 --> 01:25:00,090

know I asked that question too because I

1695

01:25:07,550 --> 01:25:02,610

thought you know much the same thing but

1696

01:25:11,479 --> 01:25:07,560

they're like no said you can look at the

1697

01:25:12,080 --> 01:25:11,489

past and see you know what you did in

1698

01:25:13,170 --> 01:25:12,090

the past

1699

01:25:18,690 --> 01:25:13,180

how you

1700

01:25:22,320 --> 01:25:18,700

who you were but you cannot live in the

1701
01:25:24,630 --> 01:25:22,330
past you must progress you know that

1702
01:25:27,420 --> 01:25:24,640
Michael says you must progress you

1703
01:25:30,630 --> 01:25:27,430
cannot stay locked in the past

1704
01:25:32,190 --> 01:25:30,640
he says everything moves forward even

1705
01:25:34,650 --> 01:25:32,200
over here he says everything moves

1706
01:25:36,320 --> 01:25:34,660
forward so this is my hundred and thirty

1707
01:25:39,540 --> 01:25:36,330
first life hmm

1708
01:25:43,740 --> 01:25:39,550
so but the thing is you know you learn

1709
01:25:47,580 --> 01:25:43,750
once you cross everything is purged from

1710
01:25:50,460 --> 01:25:47,590
that lifetime except for the experiences

1711
01:25:52,440 --> 01:25:50,470
that you wish to have it's kind of yet

1712
01:25:54,150 --> 01:25:52,450
to figure okay there are certain things

1713
01:25:56,310 --> 01:25:54,160

that are set in stone the time we come

1714

01:25:58,620 --> 01:25:56,320

in the time we leave the method in which

1715

01:26:01,440 --> 01:25:58,630

we leave and what we want to accomplish

1716

01:26:05,190 --> 01:26:01,450

during that time say we want to be born

1717

01:26:08,550 --> 01:26:05,200

on you know November 27th we want to be

1718

01:26:12,720 --> 01:26:08,560

a doctor and we want to die you know on

1719

01:26:16,350 --> 01:26:12,730

the 18th of April you know 40 years

1720

01:26:18,090 --> 01:26:16,360

later so all of this happened and I want

1721

01:26:18,630 --> 01:26:18,100

to get hit by a car and that's how I'm

1722

01:26:22,710 --> 01:26:18,640

going to die

1723

01:26:24,570 --> 01:26:22,720

oh yeah but you know we think oh my god

1724

01:26:26,850 --> 01:26:24,580

you know that's gonna hurt but on the

1725

01:26:29,460 --> 01:26:26,860

other side it doesn't equate that way

1726

01:26:32,460 --> 01:26:29,470

it's like no never experience that I

1727

01:26:35,460 --> 01:26:32,470

would like to experience that it's all

1728

01:26:36,900 --> 01:26:35,470

about the experience you know like son

1729

01:26:39,180 --> 01:26:36,910

says I bet you know the secret of life

1730

01:26:42,270 --> 01:26:39,190

and I said yeah I said it's all about

1731

01:26:44,700 --> 01:26:42,280

the experience they want to come back

1732

01:26:47,610 --> 01:26:44,710

and Rehab life doing things they've

1733

01:26:49,890 --> 01:26:47,620

never done before maybe dying of cancer

1734

01:26:52,830 --> 01:26:49,900

maybe just dying of old age and maybe

1735

01:26:57,090 --> 01:26:52,840

having a child maybe you know being an

1736

01:27:00,870 --> 01:26:57,100

opera singer or whatever well that

1737

01:27:04,230 --> 01:27:00,880

brings it brings to mind then is the

1738

01:27:06,710 --> 01:27:04,240

future already determines you know are

1739

01:27:11,750 --> 01:27:06,720

we are we living in a block universe

1740

01:27:16,530 --> 01:27:11,760

where the future it's already sets

1741

01:27:18,300 --> 01:27:16,540

certain things are set like with each

1742

01:27:22,320 --> 01:27:18,310

individual and certain things that are

1743

01:27:23,430 --> 01:27:22,330

going to happen are known to happen that

1744

01:27:26,140 --> 01:27:23,440

are coming in the future

1745

01:27:29,560 --> 01:27:26,150

but personal

1746

01:27:31,530 --> 01:27:29,570

things you know like there is free will

1747

01:27:33,910 --> 01:27:31,540

instead of turning left you turn right

1748

01:27:37,150 --> 01:27:33,920

mister instead of going to the story

1749

01:27:41,500 --> 01:27:37,160

state home now that we do have that

1750

01:27:42,880 --> 01:27:41,510

ability to change certain aspects but

1751

01:27:45,640 --> 01:27:42,890

like I said the things that are set in

1752

01:27:47,020 --> 01:27:45,650

stone you can't change mmm I'm recommand

1753

01:27:49,630 --> 01:27:47,030

time you leave the method in which you

1754

01:27:51,760 --> 01:27:49,640

leave even you know what you want to

1755

01:27:54,520 --> 01:27:51,770

accomplish can be changed if you change

1756

01:27:58,120 --> 01:27:54,530

your mind during it but you know that's

1757

01:28:00,640 --> 01:27:58,130

just that's just the way it is we are

1758

01:28:04,330 --> 01:28:00,650

not living in you know certain things

1759

01:28:07,540 --> 01:28:04,340

are fixed in my book of mediums guide to

1760

01:28:08,950 --> 01:28:07,550

the paranormal I was sick one day and my

1761

01:28:11,680 --> 01:28:08,960

husband went to the store to get me some

1762

01:28:14,620 --> 01:28:11,690

juice and I had a high fever and God

1763

01:28:17,620 --> 01:28:14,630

says this I'm going to give you some

1764

01:28:19,150 --> 01:28:17,630

information about what's coming and I

1765

01:28:22,720 --> 01:28:19,160

want you to write it down so I just

1766

01:28:23,190 --> 01:28:22,730

basically started you know automatic

1767

01:28:26,850 --> 01:28:23,200

writing

1768

01:28:29,950 --> 01:28:26,860

mmm information just came and there's a

1769

01:28:31,780 --> 01:28:29,960

chapter of my book about it talks about

1770

01:28:33,310 --> 01:28:31,790

the things that are coming and one of

1771

01:28:40,290 --> 01:28:33,320

the things about it has already come to

1772

01:28:43,180 --> 01:28:40,300

pass so mmm I have to look for that book

1773

01:28:46,870 --> 01:28:43,190

because right now here in the United

1774

01:28:50,350 --> 01:28:46,880

States it seems to me that things aren't

1775

01:28:52,240 --> 01:28:50,360

very pleasant and the future isn't

1776

01:28:54,850 --> 01:28:52,250

looking very pleasant but you know

1777

01:28:56,890 --> 01:28:54,860

hopefully it's just a phase so to

1778

01:29:03,850 --> 01:28:56,900

say this too shall pass

1779

01:29:06,880 --> 01:29:03,860

yeah you talked about the the Archangels

1780

01:29:09,850 --> 01:29:06,890

will Michael and and the other so what

1781

01:29:12,340 --> 01:29:09,860

exactly is an archangel an archangel is

1782

01:29:15,850 --> 01:29:12,350

someone who has progressed to the

1783

01:29:19,330 --> 01:29:15,860

highest level outside of you know the

1784

01:29:22,210 --> 01:29:19,340

God consciousness mm-hmm and they have

1785

01:29:24,910 --> 01:29:22,220

lived for hundreds of thousands of years

1786

01:29:27,430 --> 01:29:24,920

and they have a lot of knowledge a lot

1787

01:29:31,150 --> 01:29:27,440

of experience there are certain ones

1788

01:29:35,550 --> 01:29:31,160

that are basically the elite ones and

1789

01:29:38,919 --> 01:29:35,560

that's Michael and Gabriel Raphael

1790

01:29:41,620 --> 01:29:38,929

Ezekiel and Ariel

1791

01:29:44,320 --> 01:29:41,630

and these ones are what they called

1792

01:29:47,680 --> 01:29:44,330

avenging angels they were also demon

1793

01:29:51,760 --> 01:29:47,690

Slayers and when I die to my motorcycle

1794

01:29:54,189 --> 01:29:51,770

accident Michael said you know this this

1795

01:29:56,560 --> 01:29:54,199

is who you are you are areally Archangel

1796

01:29:59,080 --> 01:29:56,570

you were sent back to relive mortal

1797

01:30:02,290 --> 01:29:59,090

lives until you learn to have compassion

1798

01:30:04,360 --> 01:30:02,300

for mankind because you had no

1799

01:30:06,780 --> 01:30:04,370

compassion you've been a here so long

1800

01:30:10,680 --> 01:30:06,790

you forgot how to care about people

1801

01:30:13,479 --> 01:30:10,690

there's a guest in the 1700s she was

1802

01:30:16,810 --> 01:30:13,489

removing a demon from a living woman and

1803

01:30:18,220 --> 01:30:16,820

the woman died and God said do you know

1804

01:30:20,560 --> 01:30:18,230

what this isn't the first time this

1805

01:30:22,479 --> 01:30:20,570

happened you don't care that the body

1806

01:30:25,720 --> 01:30:22,489

died you don't care that the person died

1807

01:30:27,700 --> 01:30:25,730

so you need to go back and relive mortal

1808

01:30:30,160 --> 01:30:27,710

life that's why it's so easy for me to

1809

01:30:32,830 --> 01:30:30,170

remove demons within a matter of minutes

1810

01:30:35,770 --> 01:30:32,840

because of what come what's inside of me

1811

01:30:38,320 --> 01:30:35,780

and people say that when she comes

1812

01:30:41,020 --> 01:30:38,330

forward I'm able to pull her forward

1813

01:30:43,649 --> 01:30:41,030

then my face changes my eyes go white

1814

01:30:46,360 --> 01:30:43,659

and my face changes and my voice changes

1815

01:30:48,250 --> 01:30:46,370

but I don't you know I don't see that

1816

01:30:51,520 --> 01:30:48,260

because I'm busy removing things

1817

01:30:54,910 --> 01:30:51,530

mm-hmm and you know doesn't matter to me

1818

01:30:56,800 --> 01:30:54,920

matters to me is helping the people you

1819

01:30:59,800 --> 01:30:56,810

know if I can remove the demons and I'm

1820

01:31:03,340 --> 01:30:59,810

back where they need to go and help the

1821

01:31:05,439 --> 01:31:03,350

families then that's what I do all right

1822

01:31:07,649 --> 01:31:05,449

well we asked about the Archangels what

1823

01:31:12,399 --> 01:31:07,659

about what about demons what are demons

1824

01:31:13,840 --> 01:31:12,409

demons demons are you have to understand

1825

01:31:16,330 --> 01:31:13,850

where they came from they they were

1826

01:31:18,970 --> 01:31:16,340

white angels at one time mm-hmm

1827

01:31:20,080 --> 01:31:18,980

there's just you know you talk about

1828

01:31:23,050 --> 01:31:20,090

people talking about the war between

1829

01:31:26,320 --> 01:31:23,060

heaven and hell what happened was we had

1830

01:31:29,290 --> 01:31:26,330

more we had physical bodies before you

1831

01:31:32,260 --> 01:31:29,300

know so long ago and in a different

1832

01:31:35,890 --> 01:31:32,270

galaxy we were you know had physical

1833

01:31:38,320 --> 01:31:35,900

bodies but we all evolved as after time

1834

01:31:41,649 --> 01:31:38,330

we all evolved and we traveled the known

1835

01:31:44,740 --> 01:31:41,659

universe and everything around seed did

1836

01:31:47,500 --> 01:31:44,750

everything observed everything and then

1837

01:31:49,750 --> 01:31:47,510

it came to a point where some of them

1838

01:31:52,299 --> 01:31:49,760

said you know we really want to have

1839

01:31:54,819 --> 01:31:52,309

children again we want to

1840

01:31:55,959 --> 01:31:54,829

experience physical love you know a

1841

01:31:59,169 --> 01:31:55,969

physical life

1842

01:32:00,849 --> 01:31:59,179

we're tired of traveling and and not

1843

01:32:03,569 --> 01:32:00,859

have really not having a life of our own

1844

01:32:07,449 --> 01:32:03,579

and then there arose a division between

1845

01:32:09,399 --> 01:32:07,459

you know the souls yet one side said no

1846

01:32:13,149 --> 01:32:09,409

way we don't want to be subject to

1847

01:32:15,279 --> 01:32:13,159

growing old having pain dying none of

1848

01:32:17,859 --> 01:32:15,289

that stuff cancer disease we don't want

1849

01:32:22,779 --> 01:32:17,869

it so that's what caused the war and

1850

01:32:26,049 --> 01:32:22,789

when Michael disarmed Lucifer and Ariel

1851

01:32:28,209 --> 01:32:26,059

disarmed his son yeah God told him

1852

01:32:30,579 --> 01:32:28,219

you're gonna give you exactly what you

1853

01:32:34,959 --> 01:32:30,589

want you're never gonna be able to have

1854

01:32:36,639 --> 01:32:34,969

physical form again and but you will

1855

01:32:38,199 --> 01:32:36,649

live in darkness mm-hmm

1856

01:32:40,419 --> 01:32:38,209

and they were good with that at first

1857

01:32:42,099 --> 01:32:40,429

they were like we don't care we don't

1858

01:32:44,709 --> 01:32:42,109

even wanna you know be doing that stuff

1859

01:32:47,919 --> 01:32:44,719

but over the centuries like a little

1860

01:32:50,559 --> 01:32:47,929

upset and pissy and started obsessing

1861

01:32:52,750 --> 01:32:50,569

about well you know if the white light

1862

01:32:55,599 --> 01:32:52,760

souls are coming and living physical

1863

01:32:57,969 --> 01:32:55,609

body in physical bodies they have

1864

01:32:59,889 --> 01:32:57,979

they're weak so that's where we're going

1865

01:33:03,429 --> 01:32:59,899

to attack them we're gonna make their

1866

01:33:08,859 --> 01:33:03,439

life a living hell and so that's what

1867

01:33:10,989 --> 01:33:08,869

they try to do so is is there is there

1868

01:33:12,639 --> 01:33:10,999

no hope for them because I mean you know

1869

01:33:14,829 --> 01:33:12,649

here in that that makes me kind of sad

1870

01:33:17,139 --> 01:33:14,839

you know to think that they're there you

1871

01:33:19,359 --> 01:33:17,149

know that here's these souls that you

1872

01:33:21,429 --> 01:33:19,369

know are possibly forever in darkness

1873

01:33:25,119 --> 01:33:21,439

you know doing bad things

1874

01:33:28,799 --> 01:33:25,129

no because as you're Oh had voluntarily

1875

01:33:31,629 --> 01:33:28,809

with an archangel I still is he

1876

01:33:35,859 --> 01:33:31,639

volunteered him and twelve others

1877

01:33:38,409 --> 01:33:35,869

volunteered to go to the entrance of the

1878

01:33:41,859 --> 01:33:38,419

darkness and stay there and be vigilant

1879

01:33:45,129 --> 01:33:41,869

for those who wish to come back to the

1880

01:33:47,889 --> 01:33:45,139

light and if they want to come back to

1881

01:33:50,709 --> 01:33:47,899

the light you know they'll go before God

1882

01:33:52,689 --> 01:33:50,719

and he'll make the judgment and if he

1883

01:33:54,129 --> 01:33:52,699

finds it there that they're worthy of

1884

01:33:56,619 --> 01:33:54,139

coming back to the light then he'll let

1885

01:34:00,429 --> 01:33:56,629

them come back they're not stuck there

1886

01:34:04,540 --> 01:34:00,439

forever but they have to mean it and

1887

01:34:05,540 --> 01:34:04,550

they have to you know believe that they

1888

01:34:07,610 --> 01:34:05,550

need that they are

1889

01:34:10,490 --> 01:34:07,620

changing you know they want a change and

1890

01:34:13,660 --> 01:34:10,500

he'll take them before God and so

1891

01:34:16,850 --> 01:34:13,670

there's always somebody there for them

1892

01:34:18,920 --> 01:34:16,860

all right Jun well we only have about

1893

01:34:22,490 --> 01:34:18,930

two minutes left in tonight's program

1894

01:34:25,430 --> 01:34:22,500

time always flies why don't you let our

1895

01:34:27,980 --> 01:34:25,440

audience know where they can find out

1896

01:34:31,220 --> 01:34:27,990

more about you and where they can find

1897

01:34:34,940 --> 01:34:31,230

your books um you can find my books on

1898

01:34:37,750 --> 01:34:34,950

amazon.com if you look up Jun Lundgren

1899

01:34:42,830 --> 01:34:37,760

you'll you'll find all eight of them and

1900

01:34:48,530 --> 01:34:42,840

my website is mystic connections that o

1901
01:34:51,080 --> 01:34:48,540
RG or you can also type in demon seer

1902
01:34:54,110 --> 01:34:51,090
calm and it'll bring you to the same one

1903
01:34:56,590 --> 01:34:54,120
and you can contact me there you can

1904
01:34:59,780 --> 01:34:56,600
also you know schedule a reading or

1905
01:35:02,120 --> 01:34:59,790
animal communication or you know if you

1906
01:35:03,530 --> 01:35:02,130
need help with a negative entity or

1907
01:35:07,790 --> 01:35:03,540
something like that you can contact me

1908
01:35:11,510 --> 01:35:07,800
as well mm-hmm all right and I guess

1909
01:35:14,450 --> 01:35:11,520
that just recently you were on

1910
01:35:15,950 --> 01:35:14,460
Ghost Adventures that aired in the

1911
01:35:18,140 --> 01:35:15,960
middle of October of what was those

1912
01:35:21,140 --> 01:35:18,150
episodes called it was it was a

1913
01:35:24,590 --> 01:35:21,150

four-part special called graveyards of

1914

01:35:27,200 --> 01:35:24,600

the Pacific mine was the graveyards of

1915

01:35:30,860 --> 01:35:27,210

the Pacific it was the nor bled hostile

1916

01:35:32,300 --> 01:35:30,870

and I was I was with the Ghost

1917

01:35:34,820 --> 01:35:32,310

Adventures crew on that

1918

01:35:38,480 --> 01:35:34,830

all right well and I know that those

1919

01:35:40,280 --> 01:35:38,490

will be repeated ad infinitum so we'll

1920

01:35:42,290 --> 01:35:40,290

have to watch for that all right well

1921

01:35:45,320 --> 01:35:42,300

we're gonna have to wrap up the program

1922

01:35:48,620 --> 01:35:45,330

so Thank You June thank you Karen

1923

01:35:51,800 --> 01:35:48,630

thank you Tim Tina Peter and everyone

1924

01:35:57,260 --> 01:35:51,810

else you've been listening to Tim you're

1925

01:35:58,970 --> 01:35:57,270

still there so muscle alright well we're

1926

01:36:02,120 --> 01:35:58,980

gonna have to move now because the show

1927

01:36:06,040 --> 01:36:02,130

is over so good night everyone taking my

1928

01:36:12,919 --> 01:36:08,870

you've been listening to exploring the

1929

01:36:16,160 --> 01:36:12,929

bazaar with hosts Timothy Becky panty

1930

01:36:19,070 --> 01:36:16,170

Swartz they're taking back the night by

1931

01:36:21,649 --> 01:36:19,080

jetting non-stop across the cosmos in

1932

01:36:25,439 --> 01:36:21,659

search of the truly bizarre and totally

1933

01:36:27,950 --> 01:36:25,449

unexplained with you as their cold

1934

01:36:32,430 --> 01:36:27,960

Thursday nights at 7:00 p.m. Pacific

1935

01:36:33,640 --> 01:36:32,440

10:00 p.m. Eastern on the K cor digital

1936

01:36:36,220 --> 01:36:33,650

radio

1937

01:36:39,550 --> 01:36:36,230

for more information on exploring the

1938

01:36:40,270 --> 01:36:39,560

bazaar and hosts timothy Beckley and Tim

1939

01:36:42,790 --> 01:36:40,280

Swartz

1940

01:36:46,150 --> 01:36:42,800

check out their kco our digital radio

1941

01:37:02,110 --> 01:36:46,160

network follow their youtube channel at
