

EXPLORING THE BIZARRE

#163

ALIEN BLOOD LUST
SCOTT CORRALES
DR BRUCE CORNET

1
00:00:37,630 --> 00:00:21,830

[Music]

2
00:00:44,580 --> 00:00:42,100

explode the bazaars are your e-ticket

3
00:00:47,890 --> 00:00:44,590

ride into the world of the paranoid

4
00:00:52,170 --> 00:00:47,900

strap yourself in as we traverse the

5
00:00:55,619 --> 00:00:52,180

universe exploring the unexplained UFO s

6
00:01:00,069 --> 00:00:55,629

ghosts Lost Worlds of cryptozoology

7
00:01:03,780 --> 00:01:00,079

waters as well as other dimensions it's

8
00:01:07,420 --> 00:01:03,790

time to take back the night last night

9
00:01:10,630 --> 00:01:07,430

now your electrifying hosts of exploring

10
00:01:17,859 --> 00:01:10,640

the bizarre Timothy Begley and team

11
00:01:20,529 --> 00:01:17,869

sports hey bird seems mad and restless

12
00:01:23,320 --> 00:01:20,539

tonight seems to be all sorts of

13
00:01:25,660 --> 00:01:23,330

stomping coming from the pians

14

00:01:28,990 --> 00:01:25,670

I bet it's those damned chupacabras

15

00:01:32,139 --> 00:01:29,000

again all they want to do is suck blood

16

00:01:34,300 --> 00:01:32,149

blood day and night last week to get

17

00:01:35,609 --> 00:01:34,310

into the chicken coops that made a real

18

00:01:38,080 --> 00:01:35,619

bloody mess

19

00:01:40,389 --> 00:01:38,090

hmm well I'd really hate to get the

20

00:01:43,330 --> 00:01:40,399

shotgun out for the most part they were

21

00:01:46,960 --> 00:01:43,340

pretty spineless creatures aren't they

22

00:01:48,580 --> 00:01:46,970

any suggestions what we should do well I

23

00:01:51,069 --> 00:01:48,590

think we should ask one of our guests

24

00:01:52,710 --> 00:01:51,079

tonight Scott karelis he's been chasing

25

00:01:57,160 --> 00:01:52,720

them for years

26
00:01:59,319 --> 00:01:57,170
whoa whoa better ask him soon here comes

27
00:02:00,120 --> 00:01:59,329
a couple of them Coopers now I'm out of

28
00:02:03,249 --> 00:02:00,130
here

29
00:02:07,510 --> 00:02:03,259
Jesus let's go back to the studio Mike

30
00:02:13,240 --> 00:02:07,520
oh look at them I won't let them get you

31
00:02:16,750 --> 00:02:13,250
a threat well they got you yeah I guess

32
00:02:24,850 --> 00:02:16,760
I'm here alone I Tim are you alive now

33
00:02:26,560 --> 00:02:24,860
I'm okay yeah whatever yeah got a little

34
00:02:29,229 --> 00:02:26,570
drool on me here but I guess I'm okay

35
00:02:31,210 --> 00:02:29,239
yeah you know what what are you gonna do

36
00:02:33,430 --> 00:02:31,220
you know I I I swear those chupacabras

37
00:02:37,870 --> 00:02:33,440
are all over the place

38
00:02:38,890 --> 00:02:37,880

alas I I heard they were in Argentina oh

39

00:02:41,830 --> 00:02:38,900

really

40

00:02:44,400 --> 00:02:41,840

yeah yeah that's just a couple of days

41

00:02:46,900 --> 00:02:44,410

ago but we'll find out more about that

42

00:02:51,309 --> 00:02:46,910

what you tell us what we're gonna be

43

00:02:54,280 --> 00:02:51,319

getting ourselves in for tonight well

44

00:02:57,250 --> 00:02:54,290

we've got a couple of really fantastic

45

00:02:59,020 --> 00:02:57,260

guests tonight and you know we're going

46

00:03:03,250 --> 00:02:59,030

to be running the gambit here we'll be

47

00:03:07,600 --> 00:03:03,260

talking about two Cabras blood monsters

48

00:03:14,470 --> 00:03:07,610

things like that and then we're going to

49

00:03:17,830 --> 00:03:14,480

be also talking about oh you know what

50

00:03:20,800 --> 00:03:17,840

we'll be some of it as well as just

51
00:03:27,180 --> 00:03:20,810
really the you know the whole bizarre

52
00:03:30,369 --> 00:03:27,190
nature of the UFO phenomena you know its

53
00:03:32,830 --> 00:03:30,379
visitors from other planets secret

54
00:03:36,460 --> 00:03:32,840
military black projects extra

55
00:03:38,879 --> 00:03:36,470
dimensional sentient energy entities you

56
00:03:41,920 --> 00:03:38,889
know your guess is as good as mine and

57
00:03:44,050 --> 00:03:41,930
that's you know that's why we have this

58
00:03:47,110 --> 00:03:44,060
show because you know we could bring in

59
00:03:50,110 --> 00:03:47,120
these great guests and you know I mean

60
00:03:52,149 --> 00:03:50,120
we may not be able to answer any

61
00:03:54,580 --> 00:03:52,159
questions but we sure have a great time

62
00:03:58,629 --> 00:03:54,590
talking about it we've got we got the

63
00:04:02,559 --> 00:03:58,639

best I guess I mean look we just put our

64

00:04:05,409 --> 00:04:02,569

heart and soul and into this a program

65

00:04:08,289 --> 00:04:05,419

and I know our audience is increasing

66

00:04:10,569 --> 00:04:08,299

and we get a lot of emails and please do

67

00:04:13,599 --> 00:04:10,579

it send us your suggestions for guest

68

00:04:15,550 --> 00:04:13,609

and also we welcome a hearing from you

69

00:04:18,879 --> 00:04:15,560

anyway what you tell us what we're gonna

70

00:04:20,500 --> 00:04:18,889

have on this evening well first of all

71

00:04:24,159 --> 00:04:20,510

this evening

72

00:04:28,089 --> 00:04:24,169

I'm really happy we've got a Scott cross

73

00:04:30,909 --> 00:04:28,099

with us now this is Scott's first time

74

00:04:34,180 --> 00:04:30,919

on our show so you know we're gonna have

75

00:04:39,089 --> 00:04:34,190

to treat him nicely and so now a Scott

76

00:04:41,170 --> 00:04:39,099

is I tied the chupacabras up so we're I

77

00:04:42,879 --> 00:04:41,180

guess we better get through this and

78

00:04:45,760 --> 00:04:42,889

because they'll chew through their

79

00:04:47,770 --> 00:04:45,770

change pretty quickly so now Scott's a

80

00:04:50,110 --> 00:04:47,780

yeah a prolific writer an investigator

81

00:04:52,570 --> 00:04:50,120

of UFO and paranormal events in the

82

00:04:53,920 --> 00:04:52,580

Hispanic communities worldwide he's one

83

00:04:56,860 --> 00:04:53,930

of the most respected names in the

84

00:05:00,430 --> 00:04:56,870

global world of ufology with contacts in

85

00:05:03,670 --> 00:05:00,440

South and Central America Mexico Spain

86

00:05:04,930 --> 00:05:03,680

and the Caribbean the institute of

87

00:05:07,770 --> 00:05:04,940

hispanic UFO

88

00:05:10,630 --> 00:05:07,780

she was established in October of 1998

89

00:05:14,530 --> 00:05:10,640

with the appearance of the first issue

90

00:05:16,060 --> 00:05:14,540

of what Scott you're gonna have to help

91

00:05:16,360 --> 00:05:16,070

me with this one I always mess this one

92

00:05:19,420 --> 00:05:16,370

up

93

00:05:24,100 --> 00:05:19,430

in split in split you gotta am I saying

94

00:05:27,040 --> 00:05:24,110

that right he's got his microphone muted

95

00:05:29,410 --> 00:05:27,050

so that were batteries pulling his hair

96

00:05:32,140 --> 00:05:29,420

out door how you got it all in

97

00:05:33,400 --> 00:05:32,150

explicator in explicator in explicator

98

00:05:35,440 --> 00:05:33,410

thank you

99

00:05:36,790 --> 00:05:35,450

alright so now the organization

100

00:05:39,690 --> 00:05:36,800

currently has representatives and

101

00:05:43,000 --> 00:05:39,700

contributing editors in over a dozen

102

00:05:45,160 --> 00:05:43,010

spanish-speaking countries now Scott's

103

00:05:47,410 --> 00:05:45,170

research into sightings and hair-raising

104

00:05:53,410 --> 00:05:47,420

encounters with the chupacabra are the

105

00:05:56,290 --> 00:05:53,420

inspiration for the the fascination with

106

00:05:58,600 --> 00:05:56,300

the lust for blood by the ultra

107

00:06:03,340 --> 00:05:58,610

terrestrials and emails also contributor

108

00:06:06,400 --> 00:06:03,350

to the dark side of UF ology trilogy

109

00:06:08,440 --> 00:06:06,410

which includes the books alien bloodlust

110

00:06:11,080 --> 00:06:08,450

that's our most recent one this has come

111

00:06:13,870 --> 00:06:11,090

out UFO hostilities and of course my

112

00:06:18,100 --> 00:06:13,880

favorite sexual encounters with the ETS

113

00:06:20,260 --> 00:06:18,110

now now later on in the program we'll

114

00:06:23,380 --> 00:06:20,270

bring in dr. Bruce Cornett now Bruce has

115

00:06:27,730 --> 00:06:23,390

been on our show before but we're always

116

00:06:29,790 --> 00:06:27,740

happy to have a dr. quartet with him now

117

00:06:32,650 --> 00:06:29,800

Bruce Cornett conducted extensive

118

00:06:34,840 --> 00:06:32,660

investigations concerning the Pine Bush

119

00:06:36,070 --> 00:06:34,850

New York UFO sightings during his

120

00:06:38,320 --> 00:06:36,080

investigations

121

00:06:40,480 --> 00:06:38,330

dr. Cornett had his own personal

122

00:06:44,170 --> 00:06:40,490

experiences in which he obtained video

123

00:06:47,110 --> 00:06:44,180

and audio recordings of UFOs dr. Cornett

124

00:06:49,360 --> 00:06:47,120

also initiated a research project to

125

00:06:52,330 --> 00:06:49,370

install passive detection and monitoring

126
00:06:56,730 --> 00:06:52,340
devices at UFO hot spots around the

127
00:07:02,100 --> 00:06:56,740
United States and as Tim pointed out

128
00:07:06,190 --> 00:07:02,110
there's some involvement with the

129
00:07:09,159 --> 00:07:06,200
skinwalker ranch and dr. Cornett and so

130
00:07:11,860 --> 00:07:09,169
we'll have to ask him about that when he

131
00:07:13,870 --> 00:07:11,870
joins us on exploring the bizarre so Tim

132
00:07:18,720 --> 00:07:13,880
what we're gonna start with uh Scott

133
00:07:21,480 --> 00:07:18,730
first so uh I think so I think so

134
00:07:22,980 --> 00:07:21,490
Scott and I have known each other now

135
00:07:27,330 --> 00:07:22,990
for many years

136
00:07:30,930 --> 00:07:27,340
Scott was a regular contributor to UFO a

137
00:07:33,270 --> 00:07:30,940
universe as were you Tim and those

138
00:07:35,010 --> 00:07:33,280

probably bran that yeah yeah we were in

139

00:07:39,750 --> 00:07:35,020

that magazine into the ground I mean we

140

00:07:42,890 --> 00:07:39,760

ran that magazine for for for for 11

141

00:07:45,060 --> 00:07:42,900

years well which actually is probably a

142

00:07:48,720 --> 00:07:45,070

historical amount of years most UFO

143

00:07:51,960 --> 00:07:48,730

magazines came and what came and gone

144

00:07:54,150 --> 00:07:51,970

except for maybe fate magazine which

145

00:07:56,640 --> 00:07:54,160

still may be around pardon the

146

00:07:58,800 --> 00:07:56,650

expression in a skeleton form although I

147

00:08:01,440 --> 00:07:58,810

haven't seen a printed issue in a while

148

00:08:03,330 --> 00:08:01,450

but I know what Phyllis's is got one

149

00:08:07,140 --> 00:08:03,340

upper sleeve and you never know when an

150

00:08:10,110 --> 00:08:07,150

issue might appear but Scott how did you

151
00:08:11,730 --> 00:08:10,120
get into this I mean you're the the man

152
00:08:14,040 --> 00:08:11,740
behind the scenes as far as the

153
00:08:18,420 --> 00:08:14,050
chupacabra goes but yeah you've got a

154
00:08:20,550 --> 00:08:18,430
wealth of information on all these Close

155
00:08:25,700 --> 00:08:20,560
Encounters and events that have taken

156
00:08:30,720 --> 00:08:25,710
place and the Caribbean in Mexico and a

157
00:08:32,360 --> 00:08:30,730
Cuba and Puerto Rico and what what the

158
00:08:34,590 --> 00:08:32,370
heck is going on what got you started

159
00:08:37,830 --> 00:08:34,600
well you know this is interesting

160
00:08:40,890 --> 00:08:37,840
I always tell people I blame it on a

161
00:08:42,660 --> 00:08:40,900
little Spanish children's magazine

162
00:08:46,260 --> 00:08:42,670
called strong that used to publish in

163
00:08:47,790 --> 00:08:46,270

the late 1960s it had a little section

164

00:08:49,710 --> 00:08:47,800

and you will talk about the space

165

00:08:52,290 --> 00:08:49,720

program you know the Apollo moon

166

00:08:55,140 --> 00:08:52,300

launches and what is it like is that

167

00:08:59,580 --> 00:08:55,150

like our weekly world news no no no

168

00:09:02,480 --> 00:08:59,590

imagine the world is we had the Weekly

169

00:09:04,350 --> 00:09:02,490

Reader when we were yet closer less

170

00:09:06,030 --> 00:09:04,360

scholastic good chance to put it on

171

00:09:08,460 --> 00:09:06,040

scholastic yeah I remember

172

00:09:10,920 --> 00:09:08,470

yeah well yeah yes but imagine something

173

00:09:12,720 --> 00:09:10,930

more commercial full of cartoons and

174

00:09:15,080 --> 00:09:12,730

things that you know kids might be

175

00:09:18,930 --> 00:09:15,090

interested in and one of their sections

176

00:09:21,750 --> 00:09:18,940

was is could there possibly be life on

177

00:09:24,360 --> 00:09:21,760

other planets and that got me hooked

178

00:09:32,840 --> 00:09:24,370

and it's coincided with the great

179

00:09:36,720 --> 00:09:32,850

Mexican UFO wave of the lead 70

180

00:09:39,570 --> 00:09:36,730

okay seventy and more or less you

181

00:09:42,750 --> 00:09:39,580

started to see people you know our

182

00:09:44,610 --> 00:09:42,760

teachers were so into let's say the

183

00:09:47,790 --> 00:09:44,620

space program they took it to heart and

184

00:09:50,190 --> 00:09:47,800

their thing their line of dialogue to us

185

00:09:53,720 --> 00:09:50,200

is you kids are going to be so lucky we

186

00:09:57,150 --> 00:09:53,730

have seen men on the moon you will see

187

00:09:59,100 --> 00:09:57,160

people from other worlds visiting us so

188

00:10:01,530 --> 00:09:59,110

we were ment alized and this was a great

189

00:10:04,080 --> 00:10:01,540

thing and we had all our magazines we

190

00:10:06,390 --> 00:10:04,090

had doula which was published by the

191

00:10:08,820 --> 00:10:06,400

authorial Posada I mean it's the that

192

00:10:12,030 --> 00:10:08,830

was probably the main magazine at the

193

00:10:16,050 --> 00:10:12,040

time it explored everything from UFOs to

194

00:10:18,990 --> 00:10:16,060

you know Noah's Ark and you know the

195

00:10:20,940 --> 00:10:19,000

Templar is it at all kinds of things now

196

00:10:24,000 --> 00:10:20,950

so it was it was a perfect environment

197

00:10:26,760 --> 00:10:24,010

in which to develop a healthy interest

198

00:10:28,980 --> 00:10:26,770

in these subjects plus you had all the

199

00:10:31,080 --> 00:10:28,990

books by the European authors like I'm

200

00:10:32,940 --> 00:10:31,090

I'm trying to shock burrs yay for

201
00:10:34,920 --> 00:10:32,950
example we're all being translated into

202
00:10:36,630 --> 00:10:34,930
Spanish and we could read them for

203
00:10:38,790 --> 00:10:36,640
moderate price you know you're just a

204
00:10:40,560 --> 00:10:38,800
kid you can buy a paperback you know for

205
00:10:45,080 --> 00:10:40,570
10 pesos which was 80 cents at the time

206
00:10:51,360 --> 00:10:49,110
so I sort of you know throughout my time

207
00:10:53,400 --> 00:10:51,370
in Mexico I was very interested we moved

208
00:10:58,740 --> 00:10:53,410
to Puerto Rico and I happened to arrive

209
00:11:01,890 --> 00:10:58,750
in Puerto Rico just as the 1975 wave was

210
00:11:04,400 --> 00:11:01,900
breaking out and our predecessor Don the

211
00:11:08,400 --> 00:11:04,410
Tupac I would ask the MOCA vampire ah

212
00:11:11,360 --> 00:11:08,410
that was going on at the time so I know

213
00:11:15,330 --> 00:11:11,370

you've written about that in the alien

214

00:11:18,210 --> 00:11:15,340

alien Bloodless book that doesn't

215

00:11:20,160 --> 00:11:18,220

actually it's just a just out probably a

216

00:11:22,560 --> 00:11:20,170

day or two ago I I don't even have my

217

00:11:27,030 --> 00:11:22,570

copy yet and I don't think you do either

218

00:11:28,440 --> 00:11:27,040

but we'll we'll wing it so to speak now

219

00:11:31,050 --> 00:11:28,450

what was the first case that you

220

00:11:34,260 --> 00:11:31,060

actually you know investigated or wrote

221

00:11:36,780 --> 00:11:34,270

up you know it's interesting you mean

222

00:11:41,490 --> 00:11:36,790

about chupacabras well no just in

223

00:11:42,900 --> 00:11:41,500

general UFOs what are UFOs called in the

224

00:11:44,910 --> 00:11:42,910

Hispanic world they have a couple of

225

00:11:46,050 --> 00:11:44,920

different names right true they have

226

00:11:48,590 --> 00:11:46,060

Nava nice

227

00:11:52,380 --> 00:11:48,600

which is literally unidentified flying

228

00:11:54,180 --> 00:11:52,390

objects then the contactee movement came

229

00:11:58,020 --> 00:11:54,190

up with a very interesting acronym

230

00:12:00,030 --> 00:11:58,030

called vidi ve D which is V equal no

231

00:12:02,420 --> 00:12:00,040

sixth at the wrists that is the DeVos

232

00:12:04,830 --> 00:12:02,430

guided extraterrestrial vehicles

233

00:12:06,690 --> 00:12:04,840

presupposing an alien origin to the

234

00:12:08,160 --> 00:12:06,700

phenomenon but that was that's clearly

235

00:12:10,500 --> 00:12:08,170

something that when you see it written

236

00:12:12,630 --> 00:12:10,510

down you know it's a contacting who's

237

00:12:15,480 --> 00:12:12,640

writing about it and in fact not acti

238

00:12:18,630 --> 00:12:15,490

ism is still hot and heavy in Latin

239

00:12:21,090 --> 00:12:18,640

America it ever really faded away you

240

00:12:24,780 --> 00:12:21,100

still have such stupid stupid six to

241

00:12:27,630 --> 00:12:24,790

paws of Sixto Paz that's right yeah yeah

242

00:12:29,670 --> 00:12:27,640

yeah yeah and you have also in Argentina

243

00:12:32,000 --> 00:12:29,680

and Mexico you have renewed contact he

244

00:12:35,790 --> 00:12:32,010

is in Venezuela also hazard contactees

245

00:12:37,620 --> 00:12:35,800

it never ever faded away and you have to

246

00:12:41,250 --> 00:12:37,630

be careful many times because you find

247

00:12:43,140 --> 00:12:41,260

people still you know what will drag

248

00:12:46,110 --> 00:12:43,150

that into the mix and you do not quite

249

00:12:49,290 --> 00:12:46,120

sure what they're doing but yes are they

250

00:12:52,380 --> 00:12:49,300

are the the contact these are they taken

251
00:12:56,970 --> 00:12:52,390
more seriously would you say in the in

252
00:13:00,000 --> 00:12:56,980
the Hispanic community ah let's say that

253
00:13:03,140 --> 00:13:00,010
their cherished because the message is

254
00:13:05,820 --> 00:13:03,150
of course you know the brothers of light

255
00:13:08,550 --> 00:13:05,830
you know the same old same old same old

256
00:13:09,540 --> 00:13:08,560
but also in Latin America it dubs in

257
00:13:15,900 --> 00:13:09,550
with spiritism

258
00:13:17,730 --> 00:13:15,910
which is known as big you'll go to every

259
00:13:20,400 --> 00:13:17,740
house will probably have its little

260
00:13:21,270 --> 00:13:20,410
allan kardec book next to the bible you

261
00:13:23,430 --> 00:13:21,280
know or something

262
00:13:25,470 --> 00:13:23,440
they have Christian this Christian

263
00:13:27,660 --> 00:13:25,480

spiritism I think they've got going on

264

00:13:29,760 --> 00:13:27,670

so yeah so that has that's that seemed

265

00:13:31,830 --> 00:13:29,770

great favor yeah yeah you know I

266

00:13:35,070 --> 00:13:31,840

actually picked up two girls at a bar

267

00:13:36,750 --> 00:13:35,080

one night because I asked them I asked

268

00:13:38,550 --> 00:13:36,760

them where they were from and they said

269

00:13:41,730 --> 00:13:38,560

you know I guess they had been born in

270

00:13:43,310 --> 00:13:41,740

Cuba or something oh they were so

271

00:13:45,390 --> 00:13:43,320

impressed that a you know like a

272

00:13:47,520 --> 00:13:45,400

somebody living here in the United

273

00:13:50,460 --> 00:13:47,530

States would know who Alan Kardec was

274

00:13:53,580 --> 00:13:50,470

but he was French right correct his name

275

00:13:55,740 --> 00:13:53,590

was I guess just on bail I think and he

276

00:13:57,630 --> 00:13:55,750

started he started that table tipping I

277

00:13:59,500 --> 00:13:57,640

believe that that was his thing that's

278

00:14:01,690 --> 00:13:59,510

right and then he started

279

00:14:04,150 --> 00:14:01,700

these prayers and meditation Wheatsheaf

280

00:14:06,660 --> 00:14:04,160

war - Ouija board I think pretty much

281

00:14:09,820 --> 00:14:06,670

something along those lines and was huge

282

00:14:13,600 --> 00:14:09,830

huge at his time and I guess at the very

283

00:14:17,050 --> 00:14:13,610

same time still there still is and I

284

00:14:19,290 --> 00:14:17,060

believe in in Brazil and in Cuba correct

285

00:14:22,600 --> 00:14:19,300

especially in Brazil where spiritism

286

00:14:27,160 --> 00:14:22,610

sees aliens as the highest level of

287

00:14:29,680 --> 00:14:27,170

spirit time so we reached our would they

288

00:14:33,160 --> 00:14:29,690

have Ashtar they have Ashtar they have

289

00:14:35,260 --> 00:14:33,170

the oh gosh I'm drawing a blank but they

290

00:14:37,660 --> 00:14:35,270

have all these other that's where

291

00:14:40,120 --> 00:14:37,670

they've all gone to them pretty much

292

00:14:41,710 --> 00:14:40,130

it's a good place to be I was going to

293

00:14:42,910 --> 00:14:41,720

say they like weather what the hell

294

00:14:45,700 --> 00:14:42,920

would you want to be around here for

295

00:14:49,000 --> 00:14:45,710

would be to be relaxing on the bikini

296

00:14:50,650 --> 00:14:49,010

beach in Rio de Janeiro in fact the last

297

00:14:52,480 --> 00:14:50,660

time I saw Ash tire ever mentioned I

298

00:14:54,130 --> 00:14:52,490

think wasn't a Warren Smith book back in

299

00:14:58,540 --> 00:14:54,140

the 70s he was never seen around here

300

00:15:00,820 --> 00:14:58,550

again yeah okay so yeah you but you you

301
00:15:03,910 --> 00:15:00,830
wouldn't you went straight so to speak I

302
00:15:06,190 --> 00:15:03,920
mean you weren't too much into the into

303
00:15:09,610 --> 00:15:06,200
the contact do you never a movie you

304
00:15:11,890 --> 00:15:09,620
know hey you okay okay so what what was

305
00:15:14,470 --> 00:15:11,900
the the first a couple of cases that you

306
00:15:16,060 --> 00:15:14,480
remember that you were impressed by very

307
00:15:17,170 --> 00:15:16,070
impressed I'll tell you what happened I

308
00:15:19,600 --> 00:15:17,180
think I was happened to be in Puerto

309
00:15:22,330 --> 00:15:19,610
Rico on vacation picked up a copy of

310
00:15:24,820 --> 00:15:22,340
Jacques valets dimensions and in the end

311
00:15:27,190 --> 00:15:24,830
toward the end he says it's a shame that

312
00:15:29,980 --> 00:15:27,200
no one has ever translated Salvador free

313
00:15:32,530 --> 00:15:29,990

share those different demos and los

314

00:15:34,750 --> 00:15:32,540

Dioses beware for God's into English and

315

00:15:37,510 --> 00:15:34,760

I said hello that's something I'm going

316

00:15:38,890 --> 00:15:37,520

to do and I set out to do it and of

317

00:15:40,480 --> 00:15:38,900

course the book you know it's still out

318

00:15:43,360 --> 00:15:40,490

there remains unpublished yeah yeah I

319

00:15:45,880 --> 00:15:43,370

started to write about the cases going

320

00:15:49,300 --> 00:15:45,890

on in Puerto Rico in the late 1980s

321

00:15:53,350 --> 00:15:49,310

early 90s remember that the late 80s

322

00:15:55,000 --> 00:15:53,360

were the time when you had laguna kata

323

00:15:56,920 --> 00:15:55,010

henna that body of water in the

324

00:15:59,500 --> 00:15:56,930

southwestern corner of Puerto Rico that

325

00:16:02,080 --> 00:15:59,510

was supposed to be an alien base people

326

00:16:03,640 --> 00:16:02,090

were seeing objects emerging plunging

327

00:16:05,380 --> 00:16:03,650

into it

328

00:16:09,100 --> 00:16:05,390

you had that entire southwestern corner

329

00:16:11,430 --> 00:16:09,110

of puerto rico's awash in UFO sightings

330

00:16:13,210 --> 00:16:11,440

in sightings of greys

331

00:16:15,340 --> 00:16:13,220

abductions

332

00:16:18,100 --> 00:16:15,350

and a number of different researchers

333

00:16:18,550 --> 00:16:18,110

from around the world valet himself went

334

00:16:22,990 --> 00:16:18,560

down

335

00:16:26,470 --> 00:16:23,000

you had japan's nhk network produced one

336

00:16:28,690 --> 00:16:26,480

of the best UFO documentaries there but

337

00:16:32,290 --> 00:16:28,700

it's available only in Japanese and it

338

00:16:34,800 --> 00:16:32,300

was all about ego at that time and of

339

00:16:37,240 --> 00:16:34,810

course I started just documenting that

340

00:16:39,610 --> 00:16:37,250

pretty soon I started getting in touch

341

00:16:42,820 --> 00:16:39,620

with a group called deaf incognito in

342

00:16:44,890 --> 00:16:42,830

Mexico we began exchanging materials I

343

00:16:48,190 --> 00:16:44,900

started rekindling contacts that I had

344

00:16:50,130 --> 00:16:48,200

in Mexico with Spain we started dealing

345

00:16:52,720 --> 00:16:50,140

with Mankato by n who's one of the

346

00:16:56,470 --> 00:16:52,730

foremost writers my God he's completely

347

00:16:59,470 --> 00:16:56,480

moved out of UFO into mainstream and

348

00:17:01,300 --> 00:16:59,480

certainly the the network grew through

349

00:17:03,190 --> 00:17:01,310

recommendations through the rekindling

350

00:17:06,010 --> 00:17:03,200

of old friendships and acquaintances and

351

00:17:09,520 --> 00:17:06,020

before you know it we had a virtual

352

00:17:13,480 --> 00:17:09,530

Institute which became in explicator the

353

00:17:17,410 --> 00:17:13,490

it suit of Hispanic ecology now what was

354

00:17:20,740 --> 00:17:17,420

what was the okay what what reports did

355

00:17:23,500 --> 00:17:20,750

you consider like you know serious what

356

00:17:26,140 --> 00:17:23,510

what impressed you the the most I mean

357

00:17:29,320 --> 00:17:26,150

was it self-aware there are certain

358

00:17:32,280 --> 00:17:29,330

researchers that you that you look to to

359

00:17:35,080 --> 00:17:32,290

provide you know information that you

360

00:17:38,050 --> 00:17:35,090

thought was more valid than coming from

361

00:17:42,220 --> 00:17:38,060

other sources well you know going back

362

00:17:44,890 --> 00:17:42,230

to the classics let's say I I had had a

363

00:17:46,840 --> 00:17:44,900

great friendship with people that you

364

00:17:48,460 --> 00:17:46,850

know like like Berthold Schwarz I mean

365

00:17:50,800 --> 00:17:48,470

we had all yes been exchanging

366

00:17:53,770 --> 00:17:50,810

correspondence max Edwards over in in

367

00:17:56,350 --> 00:17:53,780

Canada and they were also directing me

368

00:17:58,360 --> 00:17:56,360

to who was a a trustworthy source so in

369

00:18:01,960 --> 00:17:58,370

Mexico was always the works of Pedro

370

00:18:05,500 --> 00:18:01,970

Feliz in Puerto Rico you had Orlando

371

00:18:10,000 --> 00:18:05,510

remax who had the only radio show of his

372

00:18:12,790 --> 00:18:10,010

time but then again the problem with his

373

00:18:15,160 --> 00:18:12,800

show he would give you the actual cases

374

00:18:17,830 --> 00:18:15,170

as they happened but he was a contact

375

00:18:20,650 --> 00:18:17,840

team he himself was a contact he and his

376

00:18:22,600 --> 00:18:20,660

group in nuclear asean was also contact

377

00:18:25,360 --> 00:18:22,610

he organization so you had to sort of

378

00:18:26,930 --> 00:18:25,370

know how to filter things but then again

379

00:18:29,630 --> 00:18:26,940

you would eventually get

380

00:18:32,410 --> 00:18:29,640

to the nitty-gritty I think that one

381

00:18:38,060 --> 00:18:32,420

thing at the time that was lacking was a

382

00:18:41,030 --> 00:18:38,070

major UFO magazine in Spanish Spain had

383

00:18:43,250 --> 00:18:41,040

several and still does to this day but

384

00:18:45,950 --> 00:18:43,260

Mexico had already gone through its

385

00:18:48,860 --> 00:18:45,960

phase Porto Rico had none and I believe

386

00:18:50,720 --> 00:18:48,870

Argentina had two or three which have

387

00:18:54,320 --> 00:18:50,730

since disappeared Argentina has always

388

00:18:57,530 --> 00:18:54,330

had a tremendous UFO community to the

389

00:19:02,570 --> 00:18:57,540

present day Brazil has one of the AJ

390

00:19:05,330 --> 00:19:02,580

Gerard has the magazine their UFO Brazil

391

00:19:08,360 --> 00:19:05,340

yes that has been steady for the past

392

00:19:11,300 --> 00:19:08,370

thirty years at least I mean I think it

393

00:19:14,150 --> 00:19:11,310

picked up from some of the older authors

394

00:19:17,600 --> 00:19:14,160

like dr. la Fuente said believe his name

395

00:19:20,000 --> 00:19:17,610

was he had been big in the 60s he had

396

00:19:21,920 --> 00:19:20,010

something called only in Portuguese only

397

00:19:25,250 --> 00:19:21,930

Verdot Bronco though so nice the white

398

00:19:26,330 --> 00:19:25,260

book on UFOs and I think that became the

399

00:19:29,320 --> 00:19:26,340

wellspring of a lot of other

400

00:19:30,950 --> 00:19:29,330

publications there's a we had

401

00:19:35,480 --> 00:19:30,960

correspondence with we had

402

00:19:37,790 --> 00:19:35,490

correspondence with SB DVM is that the

403

00:19:39,440 --> 00:19:37,800

right initials yes that the organization

404

00:19:43,220 --> 00:19:39,450

Bueller what they're beauties yeah

405

00:19:47,510 --> 00:19:43,230

Walter realization correct yes yes he

406

00:19:49,190 --> 00:19:47,520

put out he put out an English edition of

407

00:19:52,550 --> 00:19:49,200

the newsletter now it was a little

408

00:19:55,340 --> 00:19:52,560

choppy the English was not exactly all

409

00:19:57,350 --> 00:19:55,350

that great but if you read it I found

410

00:20:00,380 --> 00:19:57,360

that if you you read material that's

411

00:20:02,000 --> 00:20:00,390

translated you read it a paragraph at a

412

00:20:02,840 --> 00:20:02,010

time you have to kind of you can't read

413

00:20:05,510 --> 00:20:02,850

it word for word

414

00:20:07,310 --> 00:20:05,520

you got to consume it a paragraph or two

415

00:20:10,580 --> 00:20:07,320

at a time and then you kind of you

416

00:20:13,490 --> 00:20:10,590

couldn't hold it yeah well we try to

417

00:20:15,170 --> 00:20:13,500

make it better for Indiana so they said

418

00:20:17,780 --> 00:20:15,180

read so there's some kind of poetry to

419

00:20:19,430 --> 00:20:17,790

it but I understand yes and it certainly

420

00:20:22,130 --> 00:20:19,440

happy yes now that we use machine

421

00:20:23,660 --> 00:20:22,140

translation so much for languages that

422

00:20:26,600 --> 00:20:23,670

we don't understand like Chinese and

423

00:20:28,400 --> 00:20:26,610

Japanese and at least but you like you

424

00:20:31,520 --> 00:20:28,410

said dr. Bueller's organization

425

00:20:36,500 --> 00:20:31,530

certainly had a wide network and it was

426

00:20:38,900 --> 00:20:36,510

he who was following up on the BS boas

427

00:20:40,100 --> 00:20:38,910

case and whatever hats curious blow us

428

00:20:46,549 --> 00:20:40,110

after

429

00:20:50,840 --> 00:20:46,559

encounter you know went on to become a

430

00:20:55,130 --> 00:20:50,850

judge he came a judge in the court

431

00:20:57,950 --> 00:20:55,140

system and he never again had any

432

00:21:00,019 --> 00:20:57,960

experiences and was reticent about

433

00:21:04,159 --> 00:21:00,029

talking about them what happened back in

434

00:21:07,279 --> 00:21:04,169

the 50s uh-huh well now he passed away

435

00:21:09,500 --> 00:21:07,289

at a rather early age correct ah I

436

00:21:12,019 --> 00:21:09,510

believe he did I think he died in them

437

00:21:14,419 --> 00:21:12,029

well maybe not so young I think his his

438

00:21:17,450 --> 00:21:14,429

death was announced in the 90s in the

439

00:21:19,490 --> 00:21:17,460

early 90s that that's as far as I recall

440

00:21:21,980 --> 00:21:19,500

and there were few photographs of him

441

00:21:25,009 --> 00:21:21,990

circulating but and people had not seen

442

00:21:26,690 --> 00:21:25,019

him yeah since that that famous

443

00:21:29,930 --> 00:21:26,700

black-and-white photo that appeared in

444

00:21:33,279 --> 00:21:29,940

flying saucer you well I think we found

445

00:21:36,830 --> 00:21:33,289

a couple that I believe we used in the

446

00:21:41,480 --> 00:21:36,840

book pardon the expression and the title

447

00:21:44,810 --> 00:21:41,490

screwed by the alien brilliant brilliant

448

00:21:46,519 --> 00:21:44,820

I will go to my grave with that maybe

449

00:21:54,350 --> 00:21:46,529

I'll have that engraved on my tombstone

450

00:21:57,259 --> 00:21:54,360

yes very appropriate yes but no Brazil

451
00:22:02,750 --> 00:21:57,269
has its own community and Argentine as I

452
00:22:06,350 --> 00:22:02,760
said is prolific mm-hmm oh how have the

453
00:22:09,259 --> 00:22:06,360
reports changed over the years well

454
00:22:11,600 --> 00:22:09,269
remember those early reports followed

455
00:22:13,009 --> 00:22:11,610
very much were we used to in the u.s.

456
00:22:13,820 --> 00:22:13,019
first you had your close encounters of

457
00:22:15,860 --> 00:22:13,830
the first kind

458
00:22:18,950 --> 00:22:15,870
then you had landings than you had

459
00:22:20,840 --> 00:22:18,960
humanoids now the one thing that didn't

460
00:22:25,039 --> 00:22:20,850
happen in Latin America to a great

461
00:22:27,620 --> 00:22:25,049
extent were the abductions abduction

462
00:22:30,200 --> 00:22:27,630
phenomena did not have the strength that

463
00:22:33,049 --> 00:22:30,210

it did in the States and in Britain and

464

00:22:36,680 --> 00:22:33,059

maybe in Australia there were cases in

465

00:22:40,279 --> 00:22:36,690

Spain some in Argentina but not - not

466

00:22:44,360 --> 00:22:40,289

that mass awareness of that we had in

467

00:22:47,360 --> 00:22:44,370

the 90s persona I do remember in in in

468

00:22:50,210 --> 00:22:47,370

Mexico even around the time of a damn

469

00:22:52,879 --> 00:22:50,220

ski and before there were there was a

470

00:22:54,220 --> 00:22:52,889

chauffeur or a cab driver maybe who had

471

00:22:59,149 --> 00:22:54,230

that experience

472

00:23:00,950 --> 00:22:59,159

a vehicle kind of run out of gas or yeah

473

00:23:05,330 --> 00:23:00,960

it was probably a beat-up old wreck or

474

00:23:07,580 --> 00:23:05,340

something and Salvadorian women yeah

475

00:23:10,129 --> 00:23:07,590

yeah and and he had their quite quite an

476

00:23:12,830 --> 00:23:10,139

encounter and didn't they even bring a

477

00:23:15,740 --> 00:23:12,840

damn ski down and they had a big lecture

478

00:23:17,779 --> 00:23:15,750

a big event and a bullfighting ring you

479

00:23:20,779 --> 00:23:17,789

know that's very possible I know that

480

00:23:24,320 --> 00:23:20,789

beyond waiver was active for a long time

481

00:23:27,499 --> 00:23:24,330

people respected him it was very funny

482

00:23:29,720 --> 00:23:27,509

about his cases as you mentioned his car

483

00:23:31,700 --> 00:23:29,730

broke down in the middle of a road he

484

00:23:34,129 --> 00:23:31,710

was taking to American tourists driving

485

00:23:36,110 --> 00:23:34,139

them back to the border car breaks down

486

00:23:37,519 --> 00:23:36,120

the two tourists just you know

487

00:23:38,990 --> 00:23:37,529

disappeared they had to walk to the

488

00:23:41,840 --> 00:23:39,000

nearest town and see what they did they

489

00:23:43,850 --> 00:23:41,850

simply dropped out of history but then

490

00:23:46,509 --> 00:23:43,860

the his encounter proceeded they don't

491

00:23:48,860 --> 00:23:46,519

know what they missed

492

00:23:50,389 --> 00:23:48,870

gentlemen I have interrupt you here

493

00:23:52,070 --> 00:23:50,399

because we have to go to our bottom of

494

00:23:54,139 --> 00:23:52,080

the hour break so when we come back we

495

00:24:04,850 --> 00:23:54,149

continue our conversation with Scott

496

00:24:11,610 --> 00:24:09,029

now back to exploring the bazaars with

497

00:24:14,580 --> 00:24:11,620

two of the most electrifying researchers

498

00:24:20,220 --> 00:24:14,590

in the Paranoid your hosts Timothy

499

00:24:22,200 --> 00:24:20,230

beckoning hunting Swift's welcome back

500

00:24:24,779 --> 00:24:22,210

to exploring the bazaar right now we're

501
00:24:28,169 --> 00:24:24,789
talking with Scott Corrales and Scott

502
00:24:30,060 --> 00:24:28,179
before I had to so rudely interrupt you

503
00:24:33,259 --> 00:24:30,070
to go to our bottom of the hour break

504
00:24:36,899 --> 00:24:33,269
you were telling us a story about the

505
00:24:39,529 --> 00:24:36,909
Mexican cab driver and his experience

506
00:24:44,190 --> 00:24:39,539
that's right Salvadorian river he's

507
00:24:46,850 --> 00:24:44,200
among the two main Mexican contactees of

508
00:24:49,440 --> 00:24:46,860
that time but Salvadorian we have a

509
00:24:52,049 --> 00:24:49,450
acquired international attention because

510
00:24:55,019 --> 00:24:52,059
of the contactee experience he was taken

511
00:24:56,820 --> 00:24:55,029
aboard the craft he was taken on the the

512
00:24:58,740 --> 00:24:56,830
ability the obligatory tour of the solar

513
00:25:03,060 --> 00:24:58,750

system that aliens used to give you back

514

00:25:06,090 --> 00:25:03,070

then but then if as I said I've had been

515

00:25:10,440 --> 00:25:06,100

having not I thanked him for remembering

516

00:25:13,620 --> 00:25:10,450

you know via Noah I believe that he

517

00:25:16,080 --> 00:25:13,630

disappeared mysteriously that to

518

00:25:18,810 --> 00:25:16,090

stateside researchers had gone to see

519

00:25:22,470 --> 00:25:18,820

him and he had developed some kind of

520

00:25:25,289 --> 00:25:22,480

medical complication that he had said

521

00:25:28,529 --> 00:25:25,299

was a result of his involvement with the

522

00:25:31,500 --> 00:25:28,539

with the kind space brothers and he sort

523

00:25:33,269 --> 00:25:31,510

of drops out from UFO history at least

524

00:25:35,909 --> 00:25:33,279

from contactee history mmm

525

00:25:38,940 --> 00:25:35,919

but I'm not sure if I may be mistaken

526
00:25:41,009 --> 00:25:38,950
him for someone else but one of the US

527
00:25:44,250 --> 00:25:41,019
researchers I think was called Al Nye

528
00:25:46,350 --> 00:25:44,260
that name seems to to stick for some

529
00:25:50,850 --> 00:25:46,360
reason and very very you a very very

530
00:25:51,870 --> 00:25:50,860
creepy end to his contactee saga you

531
00:25:56,340 --> 00:25:51,880
know that's one of the things that I

532
00:25:59,850 --> 00:25:56,350
enjoy about your blog Scott is that you

533
00:26:01,889 --> 00:25:59,860
bring you bring it out a lot of stories

534
00:26:06,960 --> 00:26:01,899
from you know especially Central and

535
00:26:10,230 --> 00:26:06,970
South America that we really would not

536
00:26:11,760 --> 00:26:10,240
hear anything about up here in the

537
00:26:14,820 --> 00:26:11,770
states and

538
00:26:19,529 --> 00:26:14,830

and some relays and some really creepy

539

00:26:23,669 --> 00:26:19,539

stories to that you know it it seems to

540

00:26:27,389 --> 00:26:23,679

be that there's a lot more of those kind

541

00:26:28,710 --> 00:26:27,399

of stories down south I'm afraid so I'm

542

00:26:30,690 --> 00:26:28,720

afraid so in fact I think there was a

543

00:26:33,330 --> 00:26:30,700

magazine out in California that told me

544

00:26:36,600 --> 00:26:33,340

do not submit any more articles we're

545

00:26:37,710 --> 00:26:36,610

not interested in the creeps but that

546

00:26:40,860 --> 00:26:37,720

was then this is now

547

00:26:42,500 --> 00:26:40,870

oh okay why do you think I be poor do

548

00:26:44,490 --> 00:26:42,510

you think that is I mean you know what's

549

00:26:49,010 --> 00:26:44,500

what's a divot you know you were talking

550

00:26:51,990 --> 00:26:49,020

earlier about how you know the the whole

551
00:26:55,889 --> 00:26:52,000
abduction scenario never really took off

552
00:26:57,840 --> 00:26:55,899
in central in South America or at least

553
00:27:00,510 --> 00:26:57,850
if it did it didn't get the publicity

554
00:27:05,130 --> 00:27:00,520
that it got up you know around here so I

555
00:27:10,139 --> 00:27:05,140
mean you know why would there be such a

556
00:27:12,919 --> 00:27:10,149
difference in locations and these you

557
00:27:17,549 --> 00:27:12,929
know just sometimes really bizarre or

558
00:27:20,130 --> 00:27:17,559
oftentimes uh just abundant UFO reports

559
00:27:22,740 --> 00:27:20,140
well if you think about it go back to

560
00:27:25,710 --> 00:27:22,750
let's say the 60s when people would say

561
00:27:27,240 --> 00:27:25,720
look at how the aliens quote-unquote

562
00:27:29,039 --> 00:27:27,250
that manifests themselves in South

563
00:27:30,480 --> 00:27:29,049

America are so different from from what

564

00:27:32,909 --> 00:27:30,490

we see in Europe but they had you know

565

00:27:35,730 --> 00:27:32,919

the friendly blondes in platinum

566

00:27:38,279 --> 00:27:35,740

spacesuits here we were getting you know

567

00:27:39,450 --> 00:27:38,289

I guess the Adamski type but in Latin

568

00:27:42,210 --> 00:27:39,460

America they were getting those

569

00:27:44,580 --> 00:27:42,220

bellicose dwarves that would try to drag

570

00:27:47,549 --> 00:27:44,590

you into saucers they would get

571

00:27:53,070 --> 00:27:47,559

screaming three eyed giants in Brazil

572

00:27:55,860 --> 00:27:53,080

very very lurid very visceral entities

573

00:27:58,740 --> 00:27:55,870

manifestations shall we say is what they

574

00:28:00,600 --> 00:27:58,750

were actually getting out there and and

575

00:28:03,810 --> 00:28:00,610

and it seemed that there was something

576

00:28:09,600 --> 00:28:03,820

the spirit of the land seemed to evoke

577

00:28:11,850 --> 00:28:09,610

these different types of beings that's

578

00:28:14,700 --> 00:28:11,860

what comes to mind that when it comes to

579

00:28:16,649 --> 00:28:14,710

the abductee situation there may have

580

00:28:20,750 --> 00:28:16,659

been an effect there were a couple of

581

00:28:22,830 --> 00:28:20,760

prominent ones but maybe the religious

582

00:28:25,999 --> 00:28:22,840

implications you know are we dealing

583

00:28:28,680 --> 00:28:26,009

with demons made people

584

00:28:31,169 --> 00:28:28,690

religious advice rather than run to the

585

00:28:32,789 --> 00:28:31,179

neighborhood ufologist before you know

586

00:28:35,129 --> 00:28:32,799

how can you put me in touch with Budd

587

00:28:38,759 --> 00:28:35,139

Hopkins so I can get a regression mob

588

00:28:43,139 --> 00:28:38,769

that did not happen at all a lot of some

589

00:28:45,449 --> 00:28:43,149

local ufologists were practicing

590

00:28:48,119 --> 00:28:45,459

hypnosis they did do regressions some of

591

00:28:50,849 --> 00:28:48,129

them made it to the magazines perhaps

592

00:28:55,949 --> 00:28:50,859

the most important one was back in as

593

00:28:58,919 --> 00:28:55,959

far back as 1975 a woman who was visited

594

00:29:02,519 --> 00:28:58,929

but day times I encounter humanoid in

595

00:29:05,430 --> 00:29:02,529

her backyard but it all had to be

596

00:29:07,379 --> 00:29:05,440

recovered by a psychologist using

597

00:29:13,169 --> 00:29:07,389

hypnosis that was probably the best

598

00:29:16,469 --> 00:29:13,179

documented abduction of the 70s in the

599

00:29:19,469 --> 00:29:16,479

spanish-speaking sphere shall we say

600

00:29:21,359 --> 00:29:19,479

mm-hmm and I was in Puerto Rico in Spain

601
00:29:24,959 --> 00:29:21,369
they had their own they had the Prospero

602
00:29:28,109 --> 00:29:24,969
Munoz case were women in the 80s or 90s

603
00:29:32,029 --> 00:29:28,119
was remembering having been abducted in

604
00:29:34,769 --> 00:29:32,039
the 40s in the late 1940s but somehow

605
00:29:37,199 --> 00:29:34,779
she had conflated everything to say that

606
00:29:39,329 --> 00:29:37,209
the creatures had visited her were

607
00:29:42,329 --> 00:29:39,339
gypsies were evil gypsies who had come

608
00:29:45,979 --> 00:29:42,339
by and you know had their way with her

609
00:29:49,069 --> 00:29:45,989
or what have you so there's a lot of

610
00:29:51,869 --> 00:29:49,079
they said there were ways of covering up

611
00:29:56,039 --> 00:29:51,879
the experience usually with either

612
00:29:58,199 --> 00:29:56,049
political manifestations or religious

613
00:30:01,409 --> 00:29:58,209

manifestations and by political I'm

614

00:30:03,569 --> 00:30:01,419

trying to say even as far in the 90s

615

00:30:06,269 --> 00:30:03,579

when the chupacabras was being seen in

616

00:30:07,859 --> 00:30:06,279

Central America you had people in Costa

617

00:30:09,180 --> 00:30:07,869

Rica saying none others don't you

618

00:30:12,659 --> 00:30:09,190

Buckeye with us this is just a

619

00:30:14,459 --> 00:30:12,669

manifestation of people's discomfort

620

00:30:16,409 --> 00:30:14,469

with capitalism we should all be

621

00:30:18,779 --> 00:30:16,419

Marxists mmm and that we wouldn't see

622

00:30:21,389 --> 00:30:18,789

these things and of course in Puerto

623

00:30:24,389 --> 00:30:21,399

Rico it played differently

624

00:30:25,919 --> 00:30:24,399

you had biologists and scientists at the

625

00:30:27,869 --> 00:30:25,929

University of Puerto Rico saying no no

626
00:30:29,339 --> 00:30:27,879
this has to do with the political status

627
00:30:30,810 --> 00:30:29,349
of the island if we were either a

628
00:30:32,639 --> 00:30:30,820
republic or a state we wouldn't be

629
00:30:34,979 --> 00:30:32,649
seeing these things so it's

630
00:30:38,600 --> 00:30:34,989
schizophrenia it's schizophrenia due to

631
00:30:40,250 --> 00:30:38,610
the political status in Mexico

632
00:30:42,980 --> 00:30:40,260
they said the young chupacabras is

633
00:30:47,480 --> 00:30:42,990
president Salinas who's made off with

634
00:30:49,190 --> 00:30:47,490
five hundred billion dollars from from

635
00:30:51,500 --> 00:30:49,200
the country he's a Jewpacabra us not

636
00:30:53,270 --> 00:30:51,510
some creature so you know so there were

637
00:30:55,160 --> 00:30:53,280
different different ways of seeing the

638
00:30:57,830 --> 00:30:55,170

situation aside from what was actually

639

00:31:00,230 --> 00:30:57,840

going on and what was actually being

640

00:31:03,230 --> 00:31:00,240

reported let's say whether it was in

641

00:31:06,380 --> 00:31:03,240

magazines and television seemed to be

642

00:31:08,270 --> 00:31:06,390

brushed aside by officialdom into

643

00:31:09,770 --> 00:31:08,280

something well let's say I'm not a man

644

00:31:12,140 --> 00:31:09,780

I'm not gonna say respectable but

645

00:31:14,870 --> 00:31:12,150

palatable yeah st. has to do with your

646

00:31:16,789 --> 00:31:14,880

monetary crisis with social uncertainty

647

00:31:18,980 --> 00:31:16,799

political uncertainty and then we can

648

00:31:21,799 --> 00:31:18,990

just say it was a psychological social

649

00:31:23,750 --> 00:31:21,809

psychosocial phenomenon which would have

650

00:31:26,870 --> 00:31:23,760

pleased the European psycho Socialist

651
00:31:30,289 --> 00:31:26,880
know when back in the 70s when our

652
00:31:34,700 --> 00:31:30,299
speaking of the gia chupacabra our new

653
00:31:37,900 --> 00:31:34,710
book alien bloodlust has a huge section

654
00:31:42,820 --> 00:31:37,910
of your contributions in your research

655
00:31:45,890 --> 00:31:42,830
about chupacabra what what got you

656
00:31:48,860 --> 00:31:45,900
involved in that to begin with well I'll

657
00:31:52,460 --> 00:31:48,870
tell you I had always been interested in

658
00:31:54,350 --> 00:31:52,470
the Mothman as everyone is man in

659
00:31:56,289 --> 00:31:54,360
Bigfoot and certainly their

660
00:32:00,470 --> 00:31:56,299
manifestations south of the border and

661
00:32:03,950 --> 00:32:00,480
to suddenly start seeing that a similar

662
00:32:06,560 --> 00:32:03,960
creature a winged weirdo was now

663
00:32:10,280 --> 00:32:06,570

appearing in Puerto Rico was impossible

664

00:32:12,770 --> 00:32:10,290

to resist especially as you know it's

665

00:32:15,500 --> 00:32:12,780

been overlooked that the chupacabras had

666

00:32:20,020 --> 00:32:15,510

a precedent it manifests at first as a

667

00:32:23,060 --> 00:32:20,030

very strange winged ape-like entity and

668

00:32:26,900 --> 00:32:23,070

before that the MOCA vampire 20 years

669

00:32:29,690 --> 00:32:26,910

earlier no one had ever seen until there

670

00:32:32,030 --> 00:32:29,700

was a sketch that appeared in a local

671

00:32:35,419 --> 00:32:32,040

magazine showing a similar ape-like

672

00:32:38,320 --> 00:32:35,429

creature but no one ever got to see it

673

00:32:40,789 --> 00:32:38,330

unlike the chupacabras which had several

674

00:32:44,200 --> 00:32:40,799

let's say incarnations before it

675

00:32:49,610 --> 00:32:44,210

achieved its final form of you know the

676
00:32:51,450 --> 00:32:49,620
gray-headed a body wing spine creature

677
00:32:54,200 --> 00:32:51,460
that

678
00:32:56,910 --> 00:32:54,210
you know captured imaginations worldwide

679
00:32:58,530 --> 00:32:56,920
however that was not the creature that

680
00:33:01,260 --> 00:32:58,540
was seen in Mexico it was not the

681
00:33:03,510 --> 00:33:01,270
creature seen in Chile it was not what

682
00:33:07,410 --> 00:33:03,520
was seen in Brazil so you have this

683
00:33:09,540 --> 00:33:07,420
protium entity that seemed to be all

684
00:33:12,900 --> 00:33:09,550
things to all people but have the same

685
00:33:17,330 --> 00:33:12,910
effect drawing blood from animals

686
00:33:21,930 --> 00:33:17,340
ranging from chickens to large livestock

687
00:33:25,380 --> 00:33:21,940
through this one proboscis or tube that

688
00:33:28,800 --> 00:33:25,390

could draw blood and always leave some

689

00:33:31,560 --> 00:33:28,810

kind of residue behind and that residue

690

00:33:33,090 --> 00:33:31,570

was actually collected and analyzed but

691

00:33:37,790 --> 00:33:33,100

the results of usually with these things

692

00:33:40,140 --> 00:33:37,800

were inconclusive it's too bad that

693

00:33:42,330 --> 00:33:40,150

those residues can't couldn't be

694

00:33:44,370 --> 00:33:42,340

analyzed today you know with the

695

00:33:46,650 --> 00:33:44,380

progress that we've made in a DNA

696

00:33:49,470 --> 00:33:46,660

research you know if somebody actually

697

00:33:51,840 --> 00:33:49,480

took that seriously we could probably do

698

00:33:53,880 --> 00:33:51,850

our little Lots yeah I think now we have

699

00:33:55,740 --> 00:33:53,890

all these advanced techniques like what

700

00:33:57,660 --> 00:33:55,750

CRISPR I think it's called it's just a

701
00:34:00,180 --> 00:33:57,670
new thing it would be completely

702
00:34:03,540 --> 00:34:00,190
different but I remember talking about

703
00:34:05,550 --> 00:34:03,550
let's say 1995 it seemed that he had

704
00:34:08,790 --> 00:34:05,560
some lovely some of the animals that had

705
00:34:10,770 --> 00:34:08,800
survived or just her carcasses showed

706
00:34:14,010 --> 00:34:10,780
the examination complete loss of blood

707
00:34:18,240 --> 00:34:14,020
but then some kind of goo chupacabras

708
00:34:21,960 --> 00:34:18,250
residue that was theorized it was being

709
00:34:26,490 --> 00:34:21,970
injected into the animals carcass to

710
00:34:28,470 --> 00:34:26,500
liquefy the interior and then the entity

711
00:34:29,880 --> 00:34:28,480
would be able to draw everything out and

712
00:34:32,160 --> 00:34:29,890
remember some of those early reports

713
00:34:34,470 --> 00:34:32,170

said that the carcass was completely

714

00:34:38,310 --> 00:34:34,480

liquefied the organs had been liquefied

715

00:34:40,800 --> 00:34:38,320

like a lie a spider that's where so yeah

716

00:34:43,770 --> 00:34:40,810

so what were we dealing with I mean now

717

00:34:48,480 --> 00:34:43,780

you go back into that old theory of

718

00:34:50,040 --> 00:34:48,490

aliens as insects which I think some of

719

00:34:53,970 --> 00:34:50,050

the very early founders were saying in

720

00:34:56,160 --> 00:34:53,980

order to withstand the strange maneuvers

721

00:34:58,920 --> 00:34:56,170

that we see UFOs being able to do their

722

00:35:01,170 --> 00:34:58,930

occupants would have to be insects now

723

00:35:05,120 --> 00:35:01,180

how they reach that the conclusion I'll

724

00:35:08,870 --> 00:35:05,130

leave to a to a biologist but

725

00:35:12,039 --> 00:35:08,880

was being said and yes Oh Gerald gerald

726

00:35:18,130 --> 00:35:12,049

heard I think one of the first UFO books

727

00:35:21,079 --> 00:35:18,140

that was his theory that he put forward

728

00:35:22,999 --> 00:35:21,089

1950 maybe hit again it would make sense

729

00:35:25,930 --> 00:35:23,009

as it was an early theory it was an

730

00:35:29,630 --> 00:35:25,940

early theory and I think it was also

731

00:35:32,960 --> 00:35:29,640

when people started looking into ancient

732

00:35:35,180 --> 00:35:32,970

aliens they looked at that one statue of

733

00:35:36,559 --> 00:35:35,190

the God in Tiahuanaco and in Bolivia and

734

00:35:37,339 --> 00:35:36,569

they said okay this is some kind of

735

00:35:39,640 --> 00:35:37,349

insect God

736

00:35:41,749 --> 00:35:39,650

maybe yes it was some kind of worship of

737

00:35:45,470 --> 00:35:41,759

insects which other cultures have

738

00:35:47,390 --> 00:35:45,480

worshiped Birds you know and mammals but

739

00:35:49,759 --> 00:35:47,400

this culture was perhaps they were

740

00:35:51,529 --> 00:35:49,769

venerating these forms and in the insect

741

00:35:53,870 --> 00:35:51,539

form something to that effect

742

00:35:56,720 --> 00:35:53,880

so that that was going on that was going

743

00:35:58,999 --> 00:35:56,730

on but to go back to to the chupacabras

744

00:36:02,089 --> 00:35:59,009

the manifestations that we had let's say

745

00:36:03,859 --> 00:36:02,099

1995 in Puerto Rico completely different

746

00:36:07,690 --> 00:36:03,869

by the year 2000 and Chile where they

747

00:36:11,480 --> 00:36:07,700

were seeing large winged creatures

748

00:36:16,160 --> 00:36:11,490

simian very simian creatures attacking

749

00:36:17,480 --> 00:36:16,170

people on buses truckers were having

750

00:36:23,210 --> 00:36:17,490

encounters as they made their deliveries

751
00:36:25,130 --> 00:36:23,220
and yet that entire Chilean phase of the

752
00:36:28,309 --> 00:36:25,140
chupacabras phenomenon has gone

753
00:36:32,180 --> 00:36:28,319
unnoticed despite the fact that a local

754
00:36:35,150 --> 00:36:32,190
well as a Chilean senator said I don't

755
00:36:37,660 --> 00:36:35,160
care what's killing these animals we

756
00:36:40,730 --> 00:36:37,670
have to investigate it because the

757
00:36:42,109 --> 00:36:40,740
livestock farmers have to receive some

758
00:36:44,749 --> 00:36:42,119
kind of compensation for their losses

759
00:36:46,880 --> 00:36:44,759
and that's where people started taking

760
00:36:48,609 --> 00:36:46,890
it seriously in that country and then

761
00:36:51,680 --> 00:36:48,619
percolated and Argentina

762
00:36:54,529 --> 00:36:51,690
well now you in in your in this book

763
00:36:57,200 --> 00:36:54,539

that we just published the alien blood

764

00:37:01,039 --> 00:36:57,210

lust you have probably well over a

765

00:37:04,249 --> 00:37:01,049

hundred large-size pages devoted to the

766

00:37:06,380 --> 00:37:04,259

chupacabra Diaries now did you actually

767

00:37:09,950 --> 00:37:06,390

go out and talk to some of the witnesses

768

00:37:12,789 --> 00:37:09,960

yourself yes I did yes I did we went to

769

00:37:17,690 --> 00:37:12,799

Puerto Rico in belief it was December of

770

00:37:18,880 --> 00:37:17,700

1995 with let's say several months of

771

00:37:21,819 --> 00:37:18,890

information

772

00:37:24,029 --> 00:37:21,829

behind us through the intercession of

773

00:37:26,200 --> 00:37:24,039

local ufologists we managed to meet

774

00:37:28,990 --> 00:37:26,210

people these are religious people who

775

00:37:31,809 --> 00:37:29,000

had had an encounter on their property

776

00:37:34,990 --> 00:37:31,819

and the first man to ever to our

777

00:37:36,960 --> 00:37:35,000

knowledge to actually fight back at the

778

00:37:39,670 --> 00:37:36,970

chupacabras and hit it with his machete

779

00:37:41,769 --> 00:37:39,680

now this is interesting because no one

780

00:37:44,970 --> 00:37:41,779

had ever gone on the offensive so to

781

00:37:49,630 --> 00:37:44,980

speak but he said when his machete

782

00:37:52,569 --> 00:37:49,640

contacted the creature he said yes oh so

783

00:37:56,200 --> 00:37:52,579

no homo own tambour that thing sounded

784

00:37:59,980 --> 00:37:56,210

like a drum suggesting that it was

785

00:38:03,309 --> 00:37:59,990

either hollow mechanical to whether that

786

00:38:06,130 --> 00:38:03,319

he was very very distressed and our

787

00:38:08,440 --> 00:38:06,140

interview was cut short by members of

788

00:38:13,140 --> 00:38:08,450

his family who were religious and began

789

00:38:17,470 --> 00:38:13,150

singing religious songs like let's chase

790

00:38:18,640 --> 00:38:17,480

yeah so we sort of took were you the

791

00:38:22,420 --> 00:38:18,650

devil they would meet with the Jeffs

792

00:38:24,519 --> 00:38:22,430

away yeah talking about this stuff so we

793

00:38:27,880 --> 00:38:24,529

were chased away gently by religious

794

00:38:30,670 --> 00:38:27,890

songs now the next person was actually

795

00:38:34,809 --> 00:38:30,680

thinking forget the family's name but

796

00:38:36,370 --> 00:38:34,819

their dog a lovable pooch had had its

797

00:38:40,029 --> 00:38:36,380

close encounters with it with the

798

00:38:42,039 --> 00:38:40,039

chupacabras had held it at bay and the

799

00:38:43,630 --> 00:38:42,049

woman came out to see the entity

800

00:38:46,240 --> 00:38:43,640

confronted it and said you're the

801
00:38:48,160 --> 00:38:46,250
ugliest thing I've ever seen to which

802
00:38:50,410 --> 00:38:48,170
that you ever has sort of lifted its

803
00:38:58,720 --> 00:38:50,420
puny arm and wing and covered its face

804
00:39:00,880 --> 00:38:58,730
and shame and then it just flew away it

805
00:39:04,269 --> 00:39:00,890
fluttered away after having hidden

806
00:39:09,910 --> 00:39:04,279
behind a washing machine which we saw I

807
00:39:12,549 --> 00:39:09,920
mean we went there and proof all I can

808
00:39:15,880 --> 00:39:12,559
tell you is that the people were not

809
00:39:17,769 --> 00:39:15,890
interested in becoming famous they just

810
00:39:20,920 --> 00:39:17,779
said okay now we have told you

811
00:39:24,519 --> 00:39:20,930
everything we know now you tell us what

812
00:39:27,039 --> 00:39:24,529
it was we saw well they was they saw

813
00:39:29,140 --> 00:39:27,049

well what does it see well I tell them

814

00:39:30,880 --> 00:39:29,150

look but you have seen is something

815

00:39:32,480 --> 00:39:30,890

that's being reported widely in the

816

00:39:35,300 --> 00:39:32,490

press and perhaps

817

00:39:37,940 --> 00:39:35,310

is connected with the sightings of

818

00:39:39,650 --> 00:39:37,950

strange creatures that come in perhaps

819

00:39:41,330 --> 00:39:39,660

from other dimensions we don't know in

820

00:39:43,490 --> 00:39:41,340

the United States and other countries

821

00:39:45,080 --> 00:39:43,500

and that's when I started telling him

822

00:39:46,700 --> 00:39:45,090

about my but Mothman about other

823

00:39:51,740 --> 00:39:46,710

entities that had been reported similar

824

00:39:54,590 --> 00:39:51,750

the winged weirdos that he was right in

825

00:39:57,020 --> 00:39:54,600

Ohio in Ohio after the the age of

826

00:39:58,520 --> 00:39:57,030

Mothman that were being seen and did

827

00:40:00,980 --> 00:39:58,530

that seemed to mollify them and they

828

00:40:03,410 --> 00:40:00,990

were they were comforted to certain

829

00:40:05,480 --> 00:40:03,420

extent to be able to hear that they

830

00:40:07,640 --> 00:40:05,490

weren't crazy this had not been visited

831

00:40:09,320 --> 00:40:07,650

upon other this is something that was

832

00:40:12,680 --> 00:40:09,330

actually happening to other people and

833

00:40:16,790 --> 00:40:12,690

it certainly was well now why don't we

834

00:40:19,100 --> 00:40:16,800

have a chupacabra you know a lot of

835

00:40:22,190 --> 00:40:19,110

people went to Puerto Rico in during

836

00:40:24,620 --> 00:40:22,200

those crazy days those crazy 10 to 12

837

00:40:27,560 --> 00:40:24,630

months with the intention of capturing

838

00:40:30,680 --> 00:40:27,570

one the mayor of the town of Gahan

839

00:40:33,790 --> 00:40:30,690

Ivana's even commissioned a cage he had

840

00:40:36,710 --> 00:40:33,800

a cage he had bait he had 200 people

841

00:40:38,930 --> 00:40:36,720

doing you know forays at night to try to

842

00:40:43,480 --> 00:40:38,940

catch chupacabras and it never took the

843

00:40:46,450 --> 00:40:43,490

bait so it wasn't for lack of trying

844

00:40:48,650 --> 00:40:46,460

night watchman happened to see

845

00:40:50,480 --> 00:40:48,660

processions they say one two three

846

00:40:52,640 --> 00:40:50,490

creatures of the similar description

847

00:40:55,160 --> 00:40:52,650

going into the property of certain

848

00:40:58,430 --> 00:40:55,170

corporations at night and yet they

849

00:41:00,560 --> 00:40:58,440

didn't have the I'm gonna say resolve to

850

00:41:02,780 --> 00:41:00,570

be able with their nightsticks to to say

851
00:41:04,550 --> 00:41:02,790
you stop or do something in to detain

852
00:41:08,950 --> 00:41:04,560
them yeah so there were opportunities

853
00:41:11,990 --> 00:41:08,960
but either they were missed or not taken

854
00:41:13,910 --> 00:41:12,000
in Mexico as far as I know no effort was

855
00:41:16,670 --> 00:41:13,920
ever made they were too busy with their

856
00:41:18,380 --> 00:41:16,680
political situation saying that any

857
00:41:20,720 --> 00:41:18,390
discussion of chupacabras was

858
00:41:23,690 --> 00:41:20,730
distracting from a political problem and

859
00:41:25,730 --> 00:41:23,700
that it was just a smokescreen being put

860
00:41:27,859 --> 00:41:25,740
up yet those cases were happening now

861
00:41:31,599 --> 00:41:27,869
what I liked about the Mexico situation

862
00:41:34,160 --> 00:41:31,609
was that now you saw scientists

863
00:41:37,460 --> 00:41:34,170

discreetly writing letters writing me

864

00:41:40,520 --> 00:41:37,470

letters saying you know we believe that

865

00:41:43,760 --> 00:41:40,530

this is actually a vampire bat color

866

00:41:46,279 --> 00:41:43,770

vampire spec tree that had been brought

867

00:41:50,150 --> 00:41:46,289

into Mexico by then again a

868

00:41:53,419 --> 00:41:50,160

devil-worshipping cult called the golden

869

00:41:57,109 --> 00:41:53,429

lucifer i believe and now we start

870

00:42:00,799 --> 00:41:57,119

getting in to the black magic that is

871

00:42:05,390 --> 00:42:00,809

all over mexico and which in recent

872

00:42:09,890 --> 00:42:05,400

years the local politicians involvement

873

00:42:11,269 --> 00:42:09,900

in black magic became known you know it

874

00:42:13,909 --> 00:42:11,279

became a matter of public record I

875

00:42:16,039 --> 00:42:13,919

should say so was word was that

876

00:42:18,229 --> 00:42:16,049

chupacabra seen in Mexico that actually

877

00:42:21,229 --> 00:42:18,239

attacked a woman named Laura jana in

878

00:42:24,799 --> 00:42:21,239

1997 was that one of these enormous

879

00:42:28,009 --> 00:42:24,809

vampire bats I mean the question remains

880

00:42:31,269 --> 00:42:28,019

unanswered yeah that doesn't seem very

881

00:42:33,409 --> 00:42:31,279

likely right uh okay so the the

882

00:42:35,779 --> 00:42:33,419

chupacabra that you would describe that

883

00:42:37,999 --> 00:42:35,789

differently in different countries or

884

00:42:40,039 --> 00:42:38,009

different areas they all didn't look the

885

00:42:42,469 --> 00:42:40,049

same right they did not look the same

886

00:42:44,900 --> 00:42:42,479

but the modus operandi seemed to be the

887

00:42:46,849 --> 00:42:44,910

same attacking animals drawing blood

888

00:42:48,769 --> 00:42:46,859

through a single puncture mark

889

00:42:50,959 --> 00:42:48,779

completely different from the cattle

890

00:42:55,009 --> 00:42:50,969

mutilations that Argentina has been

891

00:42:57,049 --> 00:42:55,019

suffering since 2002 which are

892

00:42:59,509 --> 00:42:57,059

traditional channel mutes like we used

893

00:43:03,019 --> 00:42:59,519

to have in Nebraska and Kansas yeah

894

00:43:05,539 --> 00:43:03,029

there were some reports that just came

895

00:43:10,609 --> 00:43:05,549

to my attention from last week actually

896

00:43:14,809 --> 00:43:10,619

I think a seven herd of cattle it was a

897

00:43:16,640 --> 00:43:14,819

cattle were killed there mutilated or

898

00:43:18,620 --> 00:43:16,650

whatever happened that's been going on

899

00:43:21,549 --> 00:43:18,630

if you go to the next blue kata blog

900

00:43:24,919 --> 00:43:21,559

you'll see all the cases that we've had

901
00:43:26,989 --> 00:43:24,929
in fact it we've we stopped doing

902
00:43:28,819 --> 00:43:26,999
mutilations because usually we get

903
00:43:30,469 --> 00:43:28,829
reported by people who say oh this is

904
00:43:34,609 --> 00:43:30,479
ugly we don't want to see you know

905
00:43:37,269 --> 00:43:34,619
damaged animals don't do that and so you

906
00:43:39,559 --> 00:43:37,279
know we tried to sometimes just

907
00:43:41,359 --> 00:43:39,569
translate present the information and

908
00:43:44,659 --> 00:43:41,369
put a link to the photographs to avoid

909
00:43:46,339 --> 00:43:44,669
trouble yeah but but I think that there

910
00:43:47,689 --> 00:43:46,349
was a gentleman down there a couple of

911
00:43:51,469 --> 00:43:47,699
years ago when they had another major

912
00:43:54,799 --> 00:43:51,479
outbreak he was looking into one head of

913
00:43:59,180 --> 00:43:54,809

cattle that had actually survived being

914

00:44:01,849 --> 00:43:59,190

mutilated and apparently with

915

00:44:04,430 --> 00:44:01,859

ever force is involved in these attacks

916

00:44:08,540 --> 00:44:04,440

kept coming back for the same animal but

917

00:44:09,559 --> 00:44:08,550

it wouldn't die so they named and Linda

918

00:44:12,079 --> 00:44:09,569

if you're on the air I hope you're not

919

00:44:12,740 --> 00:44:12,089

offended they named it Linda after Linda

920

00:44:19,670 --> 00:44:12,750

Moulton Howe

921

00:44:23,120 --> 00:44:19,680

so asked I have to ask the gentleman

922

00:44:26,510 --> 00:44:23,130

what has what has become of Linda the

923

00:44:28,609 --> 00:44:26,520

heifer to see you know what do they get

924

00:44:30,950 --> 00:44:28,619

to keep tracking to this creature or

925

00:44:33,470 --> 00:44:30,960

force keep attacking this animal and it

926

00:44:37,160 --> 00:44:33,480

showed some kind of resistance to it

927

00:44:39,650 --> 00:44:37,170

some kind of immunity it's a it's a

928

00:44:41,210 --> 00:44:39,660

fascinating situation and it does not

929

00:44:43,670 --> 00:44:41,220

involve the chupacabras but just

930

00:44:49,700 --> 00:44:43,680

traditional mutilations going back to

931

00:44:53,740 --> 00:44:49,710

the summer of 2002 my my my favorite the

932

00:44:57,470 --> 00:44:53,750

bloodletting a case is the island of

933

00:45:01,790 --> 00:44:57,480

Flores Briana yes yeah yeah back in

934

00:45:06,050 --> 00:45:01,800

nineteen well 77 and 78 where I guess

935

00:45:08,390 --> 00:45:06,060

over 400 people were attacked by well an

936

00:45:11,240 --> 00:45:08,400

object that they described as being a

937

00:45:13,609 --> 00:45:11,250

horizontal refrigerator I mean every

938

00:45:15,980 --> 00:45:13,619

peculiar type of UFO it looked like a

939

00:45:17,390 --> 00:45:15,990

railroad car I mean the photographs that

940

00:45:19,940 --> 00:45:17,400

I've seen of it I guess that would be

941

00:45:23,089 --> 00:45:19,950

the way that I I would describe it but

942

00:45:25,190 --> 00:45:23,099

these people were struck by a horizontal

943

00:45:29,329 --> 00:45:25,200

a beam of light that came out of the

944

00:45:32,569 --> 00:45:29,339

craft and now this beam of light would

945

00:45:38,559 --> 00:45:32,579

penetrate their homes it would go

946

00:45:41,540 --> 00:45:38,569

through walls and windows and roofs and

947

00:45:43,040 --> 00:45:41,550

there were markings on the well as some

948

00:45:47,059 --> 00:45:43,050

of the witness I guess there were over

949

00:45:49,160 --> 00:45:47,069

400 individuals and they had their

950

00:45:51,020 --> 00:45:49,170

markings on their body it fairly added

951
00:45:54,589 --> 00:45:51,030
this beam of light that shot out at him

952
00:45:57,470 --> 00:45:54,599
came some sort of device which would

953
00:46:00,950 --> 00:45:57,480
actually adhere to their skin and draw

954
00:46:04,940 --> 00:46:00,960
the blood so now they weren't entirely a

955
00:46:08,630 --> 00:46:04,950
drained of blood but it was enough to

956
00:46:11,750 --> 00:46:08,640
cause them to feel very fatigued over an

957
00:46:13,100 --> 00:46:11,760
extended period of time and they they

958
00:46:16,490 --> 00:46:13,110
shot at the object

959
00:46:19,160 --> 00:46:16,500
said they they they beat the pots and

960
00:46:20,840 --> 00:46:19,170
pans and in this screen data and

961
00:46:23,810 --> 00:46:20,850
everything else they could think of in

962
00:46:24,470 --> 00:46:23,820
still the objects came on a regular

963
00:46:27,470 --> 00:46:24,480

basis

964

00:46:34,040 --> 00:46:27,480

and even if they would try to hide the

965

00:46:35,690 --> 00:46:34,050

objects chupa-chupa the time yeah Tim

966

00:46:37,100 --> 00:46:35,700

I'm gonna have to I'm gonna have to

967

00:46:38,930 --> 00:46:37,110

interrupt you here because we only have

968

00:46:40,550 --> 00:46:38,940

about two minutes left before we have to

969

00:46:45,380 --> 00:46:40,560

go to our break so I think you need to

970

00:46:48,530 --> 00:46:45,390

have well we're gonna have to have a

971

00:46:51,770 --> 00:46:48,540

Scott tell our audience where they can

972

00:46:53,450 --> 00:46:51,780

find out more about him online and you

973

00:46:56,510 --> 00:46:53,460

know anything that he's doing in the

974

00:47:01,970 --> 00:46:56,520

near future certainly please stop by W

975

00:47:06,530 --> 00:47:01,980

in explicar at blogspot.com and but we

976
00:47:08,530 --> 00:47:06,540
try to update the blog regularly and not

977
00:47:11,540 --> 00:47:08,540
working on anything right now other than

978
00:47:14,600 --> 00:47:11,550
that translating and keeping it keeping

979
00:47:16,550 --> 00:47:14,610
tabs on South America well it's the

980
00:47:18,980 --> 00:47:16,560
greatest it's the greatest blog going

981
00:47:21,200 --> 00:47:18,990
there certainly one of the the best in

982
00:47:23,990 --> 00:47:21,210
you you've got some sensationalistic

983
00:47:26,960 --> 00:47:24,000
reports there never mind trips to the

984
00:47:28,700 --> 00:47:26,970
Moon and Mars and Venus you've got some

985
00:47:31,520 --> 00:47:28,710
really incredible things in there how

986
00:47:33,500 --> 00:47:31,530
many issues have you put out I mean yeah

987
00:47:35,150 --> 00:47:33,510
I guess issues we would call it oh my

988
00:47:40,700 --> 00:47:35,160

gosh like it's it's hard to tell we've

989

00:47:42,980 --> 00:47:40,710

been at it since what 2005 I maybe 2000

990

00:47:45,910 --> 00:47:42,990

articles maybe Oh wonderful wonderful

991

00:47:48,530 --> 00:47:45,920

well that's a that's a heck of a lot of

992

00:47:50,720 --> 00:47:48,540

material maybe someday we want to roll

993

00:47:56,360 --> 00:47:50,730

it together and put it out in a in a in

994

00:47:56,660 --> 00:47:56,370

a book let's do it let's do it man to me

995

00:48:02,570 --> 00:47:56,670

next

996

00:48:05,060 --> 00:48:02,580

that dinner up to here because we have

997

00:48:06,920 --> 00:48:05,070

to go to our top of the hour break so

998

00:48:09,740 --> 00:48:06,930

we'll be talking about that Scott

999

00:48:12,560 --> 00:48:09,750

Corrales who's featured predominantly in

1000

00:48:19,820 --> 00:48:12,570

our new book alien a bloodless now

1001
00:48:21,960 --> 00:48:19,830
available on Amazon and we'll be right

1002
00:48:33,499 --> 00:48:21,970
back after this break with more

1003
00:48:40,449 --> 00:48:37,999
explode the bazaars your e-ticket ride

1004
00:48:43,729 --> 00:48:40,459
into the world of the paranoid

1005
00:48:48,039 --> 00:48:43,739
strap yourself even as we traverse the

1006
00:48:51,159 --> 00:48:48,049
universe exploring the unexplained UFO s

1007
00:48:53,539 --> 00:48:51,169
ghosts Lost Worlds

1008
00:48:57,379 --> 00:48:53,549
cryptozoology waters as well as other

1009
00:49:01,789 --> 00:48:57,389
dimensions it's time to take back the

1010
00:49:05,029 --> 00:49:01,799
night last night now your electrifying

1011
00:49:10,639 --> 00:49:05,039
hosts of exploring the bizarre Timothy

1012
00:49:13,849 --> 00:49:10,649
Begley and Tim Schwartz right here we

1013
00:49:17,870 --> 00:49:13,859

are back at the second hour of exploring

1014

00:49:20,929 --> 00:49:17,880

the bizarre and Tim that was a great

1015

00:49:22,969 --> 00:49:20,939

segment with Scott Corrales I would get

1016

00:49:24,709 --> 00:49:22,979

him on more often because you know he

1017

00:49:31,279 --> 00:49:24,719

just always has so many fascinating

1018

00:49:33,679 --> 00:49:31,289

things so but we'll leave this the first

1019

00:49:36,829 --> 00:49:33,689

segment buy this and start the second

1020

00:49:41,929 --> 00:49:36,839

one because we're now have dr. Bruce

1021

00:49:43,999 --> 00:49:41,939

credit on the line and Bruce great great

1022

00:49:46,549 --> 00:49:44,009

to have you back with us again it's been

1023

00:49:49,489 --> 00:49:46,559

a while yes it has and I'm glad to be

1024

00:49:52,989 --> 00:49:49,499

back I've enjoyed being on your show

1025

00:49:55,639 --> 00:49:52,999

before and hopefully I can provide some

1026

00:49:57,229 --> 00:49:55,649

interesting information a lot has been

1027

00:50:02,469 --> 00:49:57,239

happening in the last couple of years

1028

00:50:07,609 --> 00:50:02,479

well I know that this is not the primary

1029

00:50:09,229 --> 00:50:07,619

subject of tonight's show and our

1030

00:50:11,529 --> 00:50:09,239

discussion with you but I know that Tim

1031

00:50:16,239 --> 00:50:11,539

Beckley has been chomping at the bit to

1032

00:50:18,429 --> 00:50:16,249

to find out more information about but

1033

00:50:22,159 --> 00:50:18,439

recently I guess they came out with a

1034

00:50:24,559 --> 00:50:22,169

new documentary I wasn't was it is that

1035

00:50:27,709 --> 00:50:24,569

the hunt for the skinwalker ranch or

1036

00:50:33,429 --> 00:50:27,719

something along those lines and I guess

1037

00:50:36,169 --> 00:50:33,439

that you kind of had a little roundabout

1038

00:50:40,129 --> 00:50:36,179

involvement in the the whole skinwalker

1039

00:50:43,999 --> 00:50:40,139

ranch right I was hired by knits back in

1040

00:50:46,069 --> 00:50:44,009

early 2004 and I was rubbing shoulders

1041

00:50:47,350 --> 00:50:46,079

with all the people that had gone out

1042

00:50:51,250 --> 00:50:47,360

into the field to that

1043

00:50:55,120 --> 00:50:51,260

ranch and investigated it so I got a lot

1044

00:50:58,180 --> 00:50:55,130

of information that they presented and

1045

00:51:00,280 --> 00:50:58,190

told me shared with me at the time

1046

00:51:03,270 --> 00:51:00,290

and but I've learned actually learned

1047

00:51:07,750 --> 00:51:03,280

more since I've been working at needs

1048

00:51:10,090 --> 00:51:07,760

from various other people George Knapp

1049

00:51:14,470 --> 00:51:10,100

for example has presented a number of

1050

00:51:16,650 --> 00:51:14,480

good talks on the skinwalker ranch and

1051
00:51:19,780 --> 00:51:16,660
the phenomenon but perhaps the most

1052
00:51:26,260 --> 00:51:19,790
incredible encounter counters I've ever

1053
00:51:30,630 --> 00:51:26,270
heard or by a Ryan Skinner and his

1054
00:51:34,900 --> 00:51:30,640
friend another Ryan who actually

1055
00:51:40,240 --> 00:51:34,910
encountered the skinwalker out there in

1056
00:51:44,700 --> 00:51:40,250
that area and it was capable of morphing

1057
00:51:47,950 --> 00:51:44,710
and changing into a humanoid form and

1058
00:51:52,480 --> 00:51:47,960
when they first found it first

1059
00:51:55,780 --> 00:51:52,490
encountered it it was somebody was

1060
00:51:57,580 --> 00:51:55,790
driving along a in a dirt road and saw

1061
00:52:00,220 --> 00:51:57,590
this what appeared to be an Indian

1062
00:52:04,990 --> 00:52:00,230
sitting on the side of the road and

1063
00:52:07,180 --> 00:52:05,000

stopped to see if he was okay and and he

1064

00:52:10,870 --> 00:52:07,190

offered him a ride and he got into the

1065

00:52:13,090 --> 00:52:10,880

back seat and he said he couldn't he had

1066

00:52:16,570 --> 00:52:13,100

a hood over his head and he couldn't see

1067

00:52:19,090 --> 00:52:16,580

his face but his eyes glowed red as I

1068

00:52:22,960 --> 00:52:19,100

recall and he got a little bit concerned

1069

00:52:26,680 --> 00:52:22,970

at that particular point and he drove

1070

00:52:28,960 --> 00:52:26,690

him for a distance and then was told to

1071

00:52:33,910 --> 00:52:28,970

stop and he and in the in the skinwalker

1072

00:52:37,690 --> 00:52:33,920

just disappeared and in another case the

1073

00:52:41,560 --> 00:52:37,700

two Ryan's were on the cliff over seeing

1074

00:52:45,010 --> 00:52:41,570

the ranch and they actually had the the

1075

00:52:50,290 --> 00:52:45,020

wolf that was depicted there approached

1076

00:52:53,470 --> 00:52:50,300

them so they saw it firsthand and it it

1077

00:52:57,940 --> 00:52:53,480

morphed into what was it appeared to be

1078

00:52:59,920 --> 00:52:57,950

a rabbit and then disappeared so they

1079

00:53:01,270 --> 00:52:59,930

had quite a story they told us on

1080

00:53:04,480 --> 00:53:01,280

midnight in the dead

1081

00:53:07,770 --> 00:53:04,490

about a month ago and I'd listened to

1082

00:53:10,330 --> 00:53:07,780

that show and I was just blown away by

1083

00:53:12,100 --> 00:53:10,340

what the phenomena was because I had

1084

00:53:15,010 --> 00:53:12,110

only gotten bits and pieces of

1085

00:53:16,660 --> 00:53:15,020

information from people like dr. Cole

1086

00:53:20,200 --> 00:53:16,670

and Kelleher at knids

1087

00:53:23,110 --> 00:53:20,210

and Eric Davis who told me some of the

1088

00:53:26,110 --> 00:53:23,120

things that had happened did you ever

1089

00:53:29,890 --> 00:53:26,120

make it out to the ranch no I was

1090

00:53:33,580 --> 00:53:29,900

actually told that they had were closing

1091

00:53:36,490 --> 00:53:33,590

that operation down I did get to see

1092

00:53:39,010 --> 00:53:36,500

videos that they were recording and

1093

00:53:41,380 --> 00:53:39,020

continued to record and so I sat on a

1094

00:53:43,900 --> 00:53:41,390

monitor and watched for hours to see if

1095

00:53:46,510 --> 00:53:43,910

I could see anything in the videos and I

1096

00:53:51,160 --> 00:53:46,520

I saw a strange animal at one point but

1097

00:53:53,200 --> 00:53:51,170

I that was the extent of it and but I

1098

00:53:54,270 --> 00:53:53,210

had never got to go out to the actual

1099

00:53:57,790 --> 00:53:54,280

ranch No

1100

00:54:01,750 --> 00:53:57,800

so what was going on there I mean why a

1101
00:54:06,360 --> 00:54:01,760
portal to another dimension a time slip

1102
00:54:10,480 --> 00:54:06,370
or what what do you make of it well

1103
00:54:13,210 --> 00:54:10,490
whatever the phenomenon is it it reads

1104
00:54:14,770 --> 00:54:13,220
people's minds it knows what is

1105
00:54:18,010 --> 00:54:14,780
happening with the people that are

1106
00:54:22,080 --> 00:54:18,020
around and can mimic certain things

1107
00:54:25,960 --> 00:54:22,090
I mean I'm now telling a story that ryan

1108
00:54:30,040 --> 00:54:25,970
told on that radio show about how they

1109
00:54:32,020 --> 00:54:30,050
went out into the night they were scared

1110
00:54:34,510 --> 00:54:32,030
driving on Indian reservations they

1111
00:54:37,810 --> 00:54:34,520
didn't know if the local police would

1112
00:54:40,270 --> 00:54:37,820
stop them and pick them up you know and

1113
00:54:43,240 --> 00:54:40,280

question them for being with their

1114

00:54:48,040 --> 00:54:43,250

without permission and as they were

1115

00:54:50,590 --> 00:54:48,050

driving along they saw the blue and red

1116

00:54:53,830 --> 00:54:50,600

flashing lights that normally would be

1117

00:54:57,730 --> 00:54:53,840

on the top of a police car off in the

1118

00:55:00,820 --> 00:54:57,740

distance so they stopped and where I

1119

00:55:03,550 --> 00:55:00,830

think they were at a campsite or a place

1120

00:55:06,910 --> 00:55:03,560

where they were planning on camping and

1121

00:55:09,490 --> 00:55:06,920

the lights just kept on blinking off in

1122

00:55:11,800 --> 00:55:09,500

the distance and they were wondering

1123

00:55:13,280 --> 00:55:11,810

what in the world why aren't they coming

1124

00:55:17,590 --> 00:55:13,290

over

1125

00:55:22,460 --> 00:55:17,600

and encountering the Ryan's and they

1126
00:55:24,440 --> 00:55:22,470
decided to go out to see investigate and

1127
00:55:27,800 --> 00:55:24,450
then the lights started coming towards

1128
00:55:30,110 --> 00:55:27,810
them and before it they got to them it

1129
00:55:33,800 --> 00:55:30,120
the lights just disappeared and there

1130
00:55:38,150 --> 00:55:33,810
wasn't anything so the the fear that

1131
00:55:40,190 --> 00:55:38,160
they had of seeing a police car what

1132
00:55:42,170 --> 00:55:40,200
seems to been manifested by that

1133
00:55:46,220 --> 00:55:42,180
phenomenon which I find to be

1134
00:55:49,910 --> 00:55:46,230
fascinating and there's a lot of new

1135
00:55:51,410 --> 00:55:49,920
interest being taken seriously about the

1136
00:55:54,410 --> 00:55:51,420
paranormal phenomenon the

1137
00:55:59,180 --> 00:55:54,420
interdimensional phenomenon and I've

1138
00:56:02,840 --> 00:55:59,190

seen images of entities coming through

1139

00:56:07,040 --> 00:56:02,850

portals in near Wanaque New Jersey that

1140

00:56:10,940 --> 00:56:07,050

were taken by Brian Williams known as

1141

00:56:15,860 --> 00:56:10,950

sargol 18 and Tommy Sena see I was there

1142

00:56:18,230 --> 00:56:15,870

in the field with them and saw them

1143

00:56:20,150 --> 00:56:18,240

doing all of this work there and the

1144

00:56:23,980 --> 00:56:20,160

results they were getting on there with

1145

00:56:27,110 --> 00:56:23,990

their cameras and it was quite amazing

1146

00:56:31,640 --> 00:56:27,120

that they had actually identified a

1147

00:56:34,310 --> 00:56:31,650

portal where entities from another

1148

00:56:36,410 --> 00:56:34,320

dimension would be coming into our world

1149

00:56:44,510 --> 00:56:36,420

and they could photograph them with a

1150

00:56:47,860 --> 00:56:44,520

flash at night now let's go back what is

1151

00:56:50,360 --> 00:56:47,870

your your your background you do have a

1152

00:56:53,090 --> 00:56:50,370

academic and scientific credentials oh

1153

00:56:54,620 --> 00:56:53,100

yeah quite a few 13 years of college

1154

00:56:57,800 --> 00:56:54,630

three degrees

1155

00:57:01,310 --> 00:56:57,810

you know bachelor's master's in in

1156

00:57:07,600 --> 00:57:01,320

botany and PhD in geology and and botany

1157

00:57:12,530 --> 00:57:07,610

and from Penn State University and I

1158

00:57:14,840 --> 00:57:12,540

started out in the oil industry and some

1159

00:57:20,540 --> 00:57:14,850

very unusual things began happening to

1160

00:57:22,730 --> 00:57:20,550

me in 1980 1981 up until that time to

1161

00:57:26,000 --> 00:57:22,740

put it into a time frame I graduated

1162

00:57:27,170 --> 00:57:26,010

from Penn State in 1977 went to work in

1163

00:57:31,070 --> 00:57:27,180

Houston

1164

00:57:34,010 --> 00:57:31,080
and by 1980-81

1165

00:57:36,620 --> 00:57:34,020
I was on my own forming my own oil

1166

00:57:40,880 --> 00:57:36,630
company and we were going to be drilling

1167

00:57:44,030 --> 00:57:40,890
in Virginia and ended up at the well

1168

00:57:48,560 --> 00:57:44,040
site being abducted right in front of my

1169

00:57:51,980 --> 00:57:48,570
entire drill crew anyway yes and there's

1170

00:57:55,100 --> 00:57:51,990
a whole website on that and that was I

1171

00:57:59,540 --> 00:57:55,110
at that time I didn't know anything

1172

00:58:06,830 --> 00:57:59,550
about UFOs I thought I had never seen

1173

00:58:09,500 --> 00:58:06,840
any and I was a part my company

1174

00:58:12,380 --> 00:58:09,510
Gemini L was a partnership with Cornell

1175

00:58:14,750 --> 00:58:12,390
oil out of Dallas and we were drilling a

1176

00:58:19,160 --> 00:58:14,760

couple deep wells in the richmond basin

1177

00:58:23,330 --> 00:58:19,170

outside of Richmond Virginia and I came

1178

00:58:25,430 --> 00:58:23,340

to work one day and there was this the

1179

00:58:28,430 --> 00:58:25,440

crew was all excited because they have

1180

00:58:31,310 --> 00:58:28,440

you know eight-hour towers they call

1181

00:58:34,580 --> 00:58:31,320

them or shifts three eight-hour shifts

1182

00:58:37,460 --> 00:58:34,590

and the night shift had reported to the

1183

00:58:40,310 --> 00:58:37,470

morning shift that a UFO had come and

1184

00:58:43,400 --> 00:58:40,320

and hovered over the cut forest cut

1185

00:58:46,760 --> 00:58:43,410

field next to the well site and they all

1186

00:58:49,390 --> 00:58:46,770

had stopped and and watched it and and I

1187

00:58:53,420 --> 00:58:49,400

said well boy maybe it might come back

1188

00:58:55,760 --> 00:58:53,430

again tonight so I put in my normal 12

1189

00:58:58,310 --> 00:58:55,770

hours and I was getting really tired and

1190

00:59:00,110 --> 00:58:58,320

I told my mud logging crew that I'm

1191

00:59:04,310 --> 00:59:00,120

going into the back of the mud logging

1192

00:59:06,470 --> 00:59:04,320

trailer to take a nap and if the UFO

1193

00:59:09,890 --> 00:59:06,480

comes back please come and get me and

1194

00:59:13,190 --> 00:59:09,900

they said oh sure we'll come and get you

1195

00:59:16,340 --> 00:59:13,200

I went to sleep and I was rudely

1196

00:59:19,580 --> 00:59:16,350

awakened by these three beings that were

1197

00:59:22,160 --> 00:59:19,590

floating over me and one took a rod and

1198

00:59:25,160 --> 00:59:22,170

touched it to my head and I felt this

1199

00:59:26,960 --> 00:59:25,170

energy go through me and they 11 me and

1200

00:59:29,630 --> 00:59:26,970

passed me through the wall of the

1201
00:59:31,940 --> 00:59:29,640
trailer and that freaked me out and I

1202
00:59:34,160 --> 00:59:31,950
don't remember anything after that I had

1203
00:59:37,100 --> 00:59:34,170
to go through a regressive hypnosis to

1204
00:59:39,550 --> 00:59:37,110
recover the actual abduction but after I

1205
00:59:41,000 --> 00:59:39,560
was brought back I was brought back

1206
00:59:43,550 --> 00:59:41,010
hypothermic

1207
00:59:45,020 --> 00:59:43,560
which means the inside of that craft was

1208
00:59:48,349 --> 00:59:45,030
like a for inside of a walk-in

1209
00:59:50,810 --> 00:59:48,359
refrigerator and I would my joints ache

1210
00:59:54,580 --> 00:59:50,820
and and and different parts of my body

1211
00:59:57,109 --> 00:59:54,590
ached and I stumbled out of the bunk and

1212
01:00:00,080 --> 00:59:57,119
went into the front of the trailer and

1213
01:00:03,920 --> 01:00:00,090

nobody was there now this is a 24/7

1214

01:00:05,650 --> 01:00:03,930

drilling operation so I went to the door

1215

01:00:08,300 --> 01:00:05,660

of the trailer and I looked out to see

1216

01:00:12,320 --> 01:00:08,310

what was going on and nobody was at the

1217

01:00:14,870 --> 01:00:12,330

drilling rig the drilling a pipe was

1218

01:00:18,050 --> 01:00:14,880

just turning very slowly and so they

1219

01:00:20,630 --> 01:00:18,060

weren't drilling said what the heck you

1220

01:00:23,300 --> 01:00:20,640

know and where is everybody and I looked

1221

01:00:25,790 --> 01:00:23,310

around the corner of the of the trailer

1222

01:00:27,410 --> 01:00:25,800

and here everybody all the drill crew

1223

01:00:29,150 --> 01:00:27,420

and the mud logging crew was standing

1224

01:00:31,640 --> 01:00:29,160

together looking up into the sky and

1225

01:00:34,190 --> 01:00:31,650

here was this UFO and this moment I saw

1226

01:00:36,410 --> 01:00:34,200

it it was all lit up with multicolored

1227

01:00:39,349 --> 01:00:36,420

lights it just took off and then they

1228

01:00:41,150 --> 01:00:39,359

the drill crew started coming back to

1229

01:00:42,710 --> 01:00:41,160

their stations and the mud logging crew

1230

01:00:44,660 --> 01:00:42,720

came back and I said well what were you

1231

01:00:47,720 --> 01:00:44,670

doing out there he says we're watching

1232

01:00:50,840 --> 01:00:47,730

the UFO and I said well why didn't you

1233

01:00:55,130 --> 01:00:50,850

come and get me and they said we did but

1234

01:00:57,320 --> 01:00:55,140

you weren't there and so I took a wreck

1235

01:00:58,910 --> 01:00:57,330

by the hand and I let him back to the to

1236

01:01:01,040 --> 01:00:58,920

the bunk where I was sleeping I said did

1237

01:01:04,760 --> 01:01:01,050

you look in this bunk and he said yes

1238

01:01:06,920 --> 01:01:04,770

but you weren't there and so I was

1239

01:01:11,570 --> 01:01:06,930

totally confused I was in a lot of pain

1240

01:01:13,880 --> 01:01:11,580

and so I just went back to my motel and

1241

01:01:16,490 --> 01:01:13,890

went to sleep not knowing what the heck

1242

01:01:19,340 --> 01:01:16,500

had happened the next day they they they

1243

01:01:20,870 --> 01:01:19,350

told me about what they had seen how a

1244

01:01:23,870 --> 01:01:20,880

beam of light came down from the craft

1245

01:01:25,700 --> 01:01:23,880

they saw these small beings floating

1246

01:01:28,660 --> 01:01:25,710

through the beam into the trailer and

1247

01:01:31,940 --> 01:01:28,670

they that they brought out a larger

1248

01:01:36,050 --> 01:01:31,950

person which was me and they saw that

1249

01:01:38,900 --> 01:01:36,060

thing me being taken into the craft so

1250

01:01:40,310 --> 01:01:38,910

but I couldn't believe it I mean at that

1251
01:01:43,160 --> 01:01:40,320
patina point I'd never had an experience

1252
01:01:45,920 --> 01:01:43,170
like this that I remembered consciously

1253
01:01:47,780 --> 01:01:45,930
so I just put it out of my mind even

1254
01:01:50,450 --> 01:01:47,790
though I wrote the information down in

1255
01:01:54,350 --> 01:01:50,460
my log which I have it as evidence that

1256
01:01:57,440 --> 01:01:54,360
this really did take place so that

1257
01:02:00,860 --> 01:01:57,450
was the event that took that started my

1258
01:02:05,690 --> 01:02:00,870
whole series of events in my life but it

1259
01:02:07,340 --> 01:02:05,700
wasn't until 1992 when I weed my family

1260
01:02:11,270 --> 01:02:07,350
that I had moved up to Middletown New

1261
01:02:14,990 --> 01:02:11,280
York from Houston Texas that things

1262
01:02:19,070 --> 01:02:15,000
really got bizarre after my wife died in

1263
01:02:21,260 --> 01:02:19,080

1991 I started having contact in the

1264

01:02:25,430 --> 01:02:21,270

field around the Pine Bush area of New

1265

01:02:27,670 --> 01:02:25,440

York quite a bit of contact in fact I've

1266

01:02:30,920 --> 01:02:27,680

documented over an 11-year period over

1267

01:02:33,470 --> 01:02:30,930

140 close encounters with photographs

1268

01:02:36,260 --> 01:02:33,480

and videos and and many of them with

1269

01:02:40,820 --> 01:02:36,270

multiple witnesses watching what was

1270

01:02:44,210 --> 01:02:40,830

going on so well now that was quite a

1271

01:02:47,180 --> 01:02:44,220

flap when it was going on in fact I just

1272

01:02:51,830 --> 01:02:47,190

attended the last summer they have a

1273

01:02:56,630 --> 01:02:51,840

little alien festival in in Pine Bush

1274

01:02:58,520 --> 01:02:56,640

but back in in its day there were a lot

1275

01:03:00,580 --> 01:02:58,530

of people that were traveling even from

1276

01:03:02,960 --> 01:03:00,590

Manhattan here to go up there to have

1277

01:03:05,180 --> 01:03:02,970

sightings there were different locales

1278

01:03:08,420 --> 01:03:05,190

where these things were being seen

1279

01:03:11,990 --> 01:03:08,430

pretty much a regular basis of course

1280

01:03:14,630 --> 01:03:12,000

the main participant was a young lady by

1281

01:03:17,060 --> 01:03:14,640

the name of Ellen notice the Crystal

1282

01:03:19,760 --> 01:03:17,070

right yeah yeah who is now unfortunately

1283

01:03:23,120 --> 01:03:19,770

a deceased but she went up there with

1284

01:03:25,160 --> 01:03:23,130

her camera and you know a people kind of

1285

01:03:27,710 --> 01:03:25,170

tried to cool all the events that he

1286

01:03:30,140 --> 01:03:27,720

just said oh she's I don't know if they

1287

01:03:32,270 --> 01:03:30,150

choose her making it up but you know

1288

01:03:35,000 --> 01:03:32,280

these are conventional objects and

1289

01:03:38,900 --> 01:03:35,010

people are just misinterpreting them but

1290

01:03:41,000 --> 01:03:38,910

she did put out a book very nicely

1291

01:03:44,270 --> 01:03:41,010

illustrated and we used the quite a few

1292

01:03:46,970 --> 01:03:44,280

of the photographs and a UFO universe

1293

01:03:48,920 --> 01:03:46,980

magazine yeah is that how you first

1294

01:03:50,050 --> 01:03:48,930

heard of the flap was through of Ellen

1295

01:03:53,510 --> 01:03:50,060

yes

1296

01:03:57,170 --> 01:03:53,520

actually I saw the miniseries on

1297

01:04:00,280 --> 01:03:57,180

television intruders but Hopkins with a

1298

01:04:02,630 --> 01:04:00,290

foreword I think by John Mac and I

1299

01:04:04,010 --> 01:04:02,640

wanted to get a copy of that book so I

1300

01:04:07,220 --> 01:04:04,020

went to the local bookstore in

1301
01:04:09,740 --> 01:04:07,230
Middletown New York and the manager

1302
01:04:11,450 --> 01:04:09,750
went to the shelf and pulled out a copy

1303
01:04:13,250 --> 01:04:11,460
of intruders

1304
01:04:15,140 --> 01:04:13,260
he said well you might want to read this

1305
01:04:18,109 --> 01:04:15,150
other book which was silent invasion

1306
01:04:19,820 --> 01:04:18,119
that Ellen crystal had written and when

1307
01:04:21,740 --> 01:04:19,830
I got home I was started reading and I

1308
01:04:24,170 --> 01:04:21,750
say wait a minute this is about the area

1309
01:04:25,910 --> 01:04:24,180
I'm living in it's just right what

1310
01:04:29,810 --> 01:04:25,920
happening all around me in the different

1311
01:04:31,700 --> 01:04:29,820
towns and I was shocked and I called

1312
01:04:33,290 --> 01:04:31,710
some of my friends I said do you know

1313
01:04:34,700 --> 01:04:33,300

about Ellen Crystal and they said oh

1314

01:04:37,730 --> 01:04:34,710

yeah we know about him we've met we've

1315

01:04:41,090 --> 01:04:37,740

met her does anybody have her phone

1316

01:04:43,190 --> 01:04:41,100

number and somebody said well I know

1317

01:04:45,260 --> 01:04:43,200

somebody who does let me get back to you

1318

01:04:48,320 --> 01:04:45,270

so I got her phone number and I called

1319

01:04:49,970 --> 01:04:48,330

her up and I introduced myself and I

1320

01:04:50,630 --> 01:04:49,980

said I would like to see what's going on

1321

01:04:52,550 --> 01:04:50,640

out there

1322

01:04:57,830 --> 01:04:52,560

you know because I was at that time a

1323

01:05:00,710 --> 01:04:57,840

you know a university scientist who and

1324

01:05:04,609 --> 01:05:00,720

and then in universities we were

1325

01:05:13,210 --> 01:05:04,619

supposed to talk about or research the

1326

01:05:16,400 --> 01:05:13,220

UFO phenomenon and I said that she's a a

1327

01:05:19,340 --> 01:05:16,410

musician and that she gives a little

1328

01:05:23,390 --> 01:05:19,350

information in her book and my last name

1329

01:05:26,020 --> 01:05:23,400

is cornet and a psychologist she lived

1330

01:05:27,140 --> 01:05:26,030

next door to Steven Tyler from Aerosmith

1331

01:05:30,440 --> 01:05:27,150

Wow

1332

01:05:33,560 --> 01:05:30,450

did you know that no in fact in the in

1333

01:05:36,290 --> 01:05:33,570

the magazine a UFO universe we had two

1334

01:05:40,120 --> 01:05:36,300

two of them a photograph that's with him

1335

01:05:42,670 --> 01:05:40,130

sitting there chatting together Wow Wow

1336

01:05:45,020 --> 01:05:42,680

well this is good information to have

1337

01:05:46,880 --> 01:05:45,030

additional information about what was

1338

01:05:48,050 --> 01:05:46,890

going on but she took me out into the

1339

01:05:49,880 --> 01:05:48,060

field and the first night I was out

1340

01:05:54,770 --> 01:05:49,890

there the ships were flying around us

1341

01:05:56,420 --> 01:05:54,780

and that hooked me and I I couldn't stop

1342

01:05:59,930 --> 01:05:56,430

going out into the field whenever I

1343

01:06:02,660 --> 01:05:59,940

could after work well now what did the

1344

01:06:05,270 --> 01:06:02,670

ships look like most of them were just

1345

01:06:06,980 --> 01:06:05,280

lights we because it was at night they

1346

01:06:09,050 --> 01:06:06,990

were all stealth black but you could

1347

01:06:10,730 --> 01:06:09,060

tell get an idea of the shape by the

1348

01:06:13,120 --> 01:06:10,740

distribution of the lights on them and

1349

01:06:14,359 --> 01:06:13,130

many of them were triangles are

1350

01:06:17,990 --> 01:06:14,369

diamond-shaped

1351

01:06:20,270 --> 01:06:18,000

not circular craft although there were

1352

01:06:20,750 --> 01:06:20,280

circular craft that were spotted in the

1353

01:06:24,140 --> 01:06:20,760

over the

1354

01:06:27,980 --> 01:06:24,150

area the triangles were probably the

1355

01:06:29,960 --> 01:06:27,990

most common but the the the

1356

01:06:31,730 --> 01:06:29,970

diamond-shaped ones I nicknamed the

1357

01:06:34,670 --> 01:06:31,740

manta ray because they it looks like a

1358

01:06:36,770 --> 01:06:34,680

man ray but it was a long tail on it and

1359

01:06:40,310 --> 01:06:36,780

it could retract the tail and turn into

1360

01:06:43,730 --> 01:06:40,320

a triangle and I have quite a few

1361

01:06:47,600 --> 01:06:43,740

encounters with that on both on

1362

01:06:49,820 --> 01:06:47,610

videotape and on time exposures and I

1363

01:06:52,970 --> 01:06:49,830

have put much of that information on on

1364

01:06:57,740 --> 01:06:52,980

my websites but the thing that is

1365

01:07:00,770 --> 01:06:57,750

fascinating about this is that this was

1366

01:07:04,100 --> 01:07:00,780

a local phenomenon the military knew

1367

01:07:05,830 --> 01:07:04,110

that this area what was going on in the

1368

01:07:09,410 --> 01:07:05,840

area and they were investigating it

1369

01:07:11,510 --> 01:07:09,420

constantly constantly monitoring it I

1370

01:07:13,730 --> 01:07:11,520

asked you know well don't you pick

1371

01:07:17,180 --> 01:07:13,740

anything up on radar they said all of

1372

01:07:20,450 --> 01:07:17,190

the radar information we get from that

1373

01:07:24,580 --> 01:07:20,460

area is been classified it's been

1374

01:07:26,810 --> 01:07:24,590

blocked out so nobody could access it

1375

01:07:31,520 --> 01:07:26,820

and I thought this was rather strange

1376

01:07:36,310 --> 01:07:31,530

and people had seen the military people

1377

01:07:39,680 --> 01:07:36,320

in the area not too infrequently and

1378

01:07:43,010 --> 01:07:39,690

trying to monitor this area activity

1379

01:07:49,100 --> 01:07:43,020

that was going on there one of the

1380

01:07:53,030 --> 01:07:49,110

things that I encountered was that the

1381

01:07:59,210 --> 01:07:53,040

c-5 at the Stewart Air Force Base at new

1382

01:08:04,070 --> 01:07:59,220

Burke is a c5 training facility for that

1383

01:08:06,500 --> 01:08:04,080

very large cargo area and they would

1384

01:08:10,220 --> 01:08:06,510

you'd see them in flying in the night

1385

01:08:13,040 --> 01:08:10,230

sky quite a bit and quite frequently

1386

01:08:15,470 --> 01:08:13,050

they would be circling the the areas

1387

01:08:22,039 --> 01:08:15,480

where all of this UFO activity was

1388

01:08:25,730 --> 01:08:22,049

taking place and so I tracked one all

1389

01:08:28,220 --> 01:08:25,740

the way back to the Stewart Airport and

1390

01:08:30,200 --> 01:08:28,230

so I knew that this is what they were

1391

01:08:33,160 --> 01:08:30,210

doing they were monitoring what was

1392

01:08:35,039 --> 01:08:33,170

going on and and have you heard of

1393

01:08:37,860 --> 01:08:35,049

Vincent

1394

01:08:42,899 --> 01:08:37,870

who wrote the the Pine Bush phenomenon

1395

01:08:45,599 --> 01:08:42,909

the book he you know I don't he reported

1396

01:08:50,070 --> 01:08:45,609

that he and his friends were out in the

1397

01:08:52,499 --> 01:08:50,080

field once and the they'd seen one of

1398

01:08:55,470 --> 01:08:52,509

these craft and within a matter of

1399

01:08:59,129 --> 01:08:55,480

minutes one of the C Phi's was roaring

1400

01:09:01,709 --> 01:08:59,139

over their heads and tracing it and I

1401
01:09:04,559 --> 01:09:01,719
thought this was rather interesting so

1402
01:09:08,220 --> 01:09:04,569
what is going on here I have actual

1403
01:09:11,340 --> 01:09:08,230
photographs of these ships diving into

1404
01:09:14,099 --> 01:09:11,350
the ground passing through trees D

1405
01:09:16,439 --> 01:09:14,109
materializing and there's no question

1406
01:09:20,970 --> 01:09:16,449
that they are passing into a and another

1407
01:09:23,939 --> 01:09:20,980
dimension a parallel dimension but who

1408
01:09:25,919 --> 01:09:23,949
are they and I have located at the

1409
01:09:29,129 --> 01:09:25,929
entrances to at least two of their

1410
01:09:30,840 --> 01:09:29,139
underground bases and Ellen crystal put

1411
01:09:34,530 --> 01:09:30,850
this information out there in her book

1412
01:09:36,899 --> 01:09:34,540
she said she's seen these the ships dive

1413
01:09:40,559 --> 01:09:36,909

into the ground and disappear and she

1414

01:09:44,099 --> 01:09:40,569

said I'm just thinking we have a book

1415

01:09:47,059 --> 01:09:44,109

called the UFO repeaters the camera

1416

01:09:52,229 --> 01:09:47,069

doesn't lie and that has a very good

1417

01:09:54,870 --> 01:09:52,239

synopsis of her encounters in there

1418

01:09:56,729 --> 01:09:54,880

because the the book that she wrote is I

1419

01:09:58,620 --> 01:09:56,739

guess you can still find it but it's

1420

01:10:00,360 --> 01:09:58,630

technically out of print I think the

1421

01:10:01,890 --> 01:10:00,370

publisher I don't know whether they ever

1422

01:10:05,970 --> 01:10:01,900

published anything else besides your

1423

01:10:09,360 --> 01:10:05,980

book but it didn't become very difficult

1424

01:10:11,370 --> 01:10:09,370

to find after a after a while I'm sure

1425

01:10:13,950 --> 01:10:11,380

you could probably abide you know as a

1426

01:10:17,370 --> 01:10:13,960

used book somewhere probably grossly

1427

01:10:19,260 --> 01:10:17,380

overpriced right well it's still

1428

01:10:20,820 --> 01:10:19,270

available for those who are interested

1429

01:10:22,709 --> 01:10:20,830

and there were multiple printings

1430

01:10:25,320 --> 01:10:22,719

because even though the cover picture

1431

01:10:30,120 --> 01:10:25,330

changed and they didn't rent a version

1432

01:10:33,000 --> 01:10:30,130

in Spanish to now she we were talking

1433

01:10:33,990 --> 01:10:33,010

about with Scott earlier about how some

1434

01:10:37,290 --> 01:10:34,000

of these occupants

1435

01:10:39,270 --> 01:10:37,300

it could be insecticides now I think

1436

01:10:41,340 --> 01:10:39,280

that that's what she believes because

1437

01:10:44,160 --> 01:10:41,350

some of these photograph when you

1438

01:10:46,350 --> 01:10:44,170

analyze them it seemed that they were

1439

01:10:48,540 --> 01:10:46,360

standing in the you know in the open

1440

01:10:52,260 --> 01:10:48,550

hatchway and they seem to be

1441

01:10:54,149 --> 01:10:52,270

giant praying mantis well some of them

1442

01:10:57,080 --> 01:10:54,159

though that one photograph she took of

1443

01:10:59,729 --> 01:10:57,090

the several of them standing in in in

1444

01:11:02,609 --> 01:10:59,739

reflected light of high-energy light

1445

01:11:03,930 --> 01:11:02,619

around the craft some of them look very

1446

01:11:07,680 --> 01:11:03,940

strange I agree

1447

01:11:11,520 --> 01:11:07,690

others look more humanoid so we really

1448

01:11:13,649 --> 01:11:11,530

don't know who these beings are but we

1449

01:11:16,770 --> 01:11:13,659

don't know that they have established a

1450

01:11:18,419 --> 01:11:16,780

underground basis there and my and I

1451

01:11:21,870 --> 01:11:18,429

went out and did a 24 square mile

1452

01:11:24,060 --> 01:11:21,880

magnetic survey between 1992 and 95 at

1453

01:11:26,640 --> 01:11:24,070

the time I was working for

1454

01:11:29,669 --> 01:11:26,650

lamont-doherty Earth Observatory in

1455

01:11:32,850 --> 01:11:29,679

Palisades New York and I borrowed one of

1456

01:11:35,520 --> 01:11:32,860

their proton magnetometers and I would

1457

01:11:39,330 --> 01:11:35,530

go out into the field and take readings

1458

01:11:41,250 --> 01:11:39,340

at different stations after work and on

1459

01:11:44,760 --> 01:11:41,260

the weekends and it took me three years

1460

01:11:46,950 --> 01:11:44,770

to accumulate a 1800 station's worth of

1461

01:11:50,250 --> 01:11:46,960

data and when I put the map together

1462

01:11:54,089 --> 01:11:50,260

from that I was absolutely blown away as

1463

01:11:58,430 --> 01:11:54,099

to what was under the ground there were

1464

01:12:01,470 --> 01:11:58,440

the all of these magnetic anomalies are

1465

01:12:04,250 --> 01:12:01,480

representing Bruce I need to interrupt

1466

01:12:06,899 --> 01:12:04,260

you here and will continue your

1467

01:12:08,440 --> 01:12:06,909

conversation on exploring the bizarre in

1468

01:12:16,530 --> 01:12:08,450

just a few minutes so stay tuned

1469

01:12:23,260 --> 01:12:20,680

now back to exploring the bazaars with

1470

01:12:26,560 --> 01:12:23,270

two of the most electrifying researchers

1471

01:12:30,700 --> 01:12:26,570

in the Paranoid your hosts Timothy Becca

1472

01:12:32,290 --> 01:12:30,710

Lee panting Swartz welcome back to the

1473

01:12:35,650 --> 01:12:32,300

final segment of exploring the bazaar

1474

01:12:37,900 --> 01:12:35,660

and our guest dr. Bruce Cornett was

1475

01:12:41,890 --> 01:12:37,910

telling us before we had to go to our

1476

01:12:44,140 --> 01:12:41,900

last break about a little ground

1477

01:12:46,840 --> 01:12:44,150

analysis that that he was doing in the

1478

01:12:50,170 --> 01:12:46,850

Pine Bush region so uh dr. Cornett

1479

01:12:53,470 --> 01:12:50,180

please continue your a story what I

1480

01:12:56,350 --> 01:12:53,480

discovered were the magnetic anomalies

1481

01:12:59,170 --> 01:12:56,360

they were what we call dipole anomalies

1482

01:13:02,979 --> 01:12:59,180

usually caused by a high concentration

1483

01:13:05,470 --> 01:13:02,989

of iron ore in the ground and these I

1484

01:13:08,410 --> 01:13:05,480

discovered based on my geologic work

1485

01:13:12,459 --> 01:13:08,420

were coming from ancient granitic

1486

01:13:19,990 --> 01:13:12,469

islands that were surrounded and and

1487

01:13:22,540 --> 01:13:20,000

buried by ancient sea muds and and these

1488

01:13:25,360 --> 01:13:22,550

and I discovered signals coming out of

1489

01:13:29,050 --> 01:13:25,370

the ground over some of these magnetic

1490

01:13:32,620 --> 01:13:29,060

anomalies or ancient islands and it

1491

01:13:35,350 --> 01:13:32,630

would appear that these alien probes had

1492

01:13:38,170 --> 01:13:35,360

landed on some of the islands when they

1493

01:13:41,860 --> 01:13:38,180

we had an ocean at that location and

1494

01:13:44,440 --> 01:13:41,870

they remained there on the area sank and

1495

01:13:45,040 --> 01:13:44,450

the the islands were covered over by

1496

01:13:48,250 --> 01:13:45,050

muds

1497

01:13:50,500 --> 01:13:48,260

than by younger rock and eventually the

1498

01:13:53,590 --> 01:13:50,510

rock the muds were turned to rock and

1499

01:13:56,770 --> 01:13:53,600

then the uplift and erosion has brought

1500

01:13:59,020 --> 01:13:56,780

some of these ancient probes very close

1501
01:14:02,410 --> 01:13:59,030
to the surface and I discovered one of

1502
01:14:05,979 --> 01:14:02,420
them between Walden and Pine Bush based

1503
01:14:09,850 --> 01:14:05,989
on the readings of the my magnetometer

1504
01:14:12,130 --> 01:14:09,860
and I was actually recording these

1505
01:14:15,430 --> 01:14:12,140
incredible magnetic pulses that are

1506
01:14:18,540 --> 01:14:15,440
coming out of the ground and many people

1507
01:14:22,209 --> 01:14:18,550
had seen some strange things about this

1508
01:14:24,220 --> 01:14:22,219
this area and a Jewish cemetery had been

1509
01:14:26,860 --> 01:14:24,230
built on on half of it

1510
01:14:30,070 --> 01:14:26,870
and so there were all of these anomalies

1511
01:14:33,010 --> 01:14:30,080
that were associated with the the

1512
01:14:36,729 --> 01:14:33,020
underlying craft which we did the

1513
01:14:40,090 --> 01:14:36,739

History Channel came and did a ground

1514

01:14:42,729 --> 01:14:40,100

penetrating radar survey and we imaged

1515

01:14:45,370 --> 01:14:42,739

it the craft it's only nine feet below

1516

01:14:50,220 --> 01:14:45,380

the surfaces and over over 25 feet and

1517

01:14:54,040 --> 01:14:50,230

thickness and it's a Norma's triangle

1518

01:14:57,210 --> 01:14:54,050

565 feet on a side and they're at each

1519

01:15:00,280 --> 01:14:57,220

of the apices of it there are these

1520

01:15:02,920 --> 01:15:00,290

beams of magnetic energy that come out

1521

01:15:05,530 --> 01:15:02,930

that are some times stronger than the

1522

01:15:08,140 --> 01:15:05,540

entire Earth's magnetic field and these

1523

01:15:13,210 --> 01:15:08,150

pulses go out into space and there's a

1524

01:15:14,950 --> 01:15:13,220

central beam in presumably a signal beam

1525

01:15:18,070 --> 01:15:14,960

coming out of the center of this

1526

01:15:22,290 --> 01:15:18,080

triangle and whenever the constellation

1527

01:15:25,150 --> 01:15:22,300

Bootes is overhead the temperatures on

1528

01:15:27,520 --> 01:15:25,160

above-ground during the summer are over

1529

01:15:30,040 --> 01:15:27,530

this triangle tend to drop significantly

1530

01:15:32,800 --> 01:15:30,050

as by as much as ten to fifteen degrees

1531

01:15:35,530 --> 01:15:32,810

and during the winter they are elevated

1532

01:15:39,550 --> 01:15:35,540

by that much and snow we've actually

1533

01:15:43,780 --> 01:15:39,560

recorded it and pictured it a melting on

1534

01:15:46,150 --> 01:15:43,790

top of this triangle so we know it's

1535

01:15:48,100 --> 01:15:46,160

there current we know and it's people

1536

01:15:52,720 --> 01:15:48,110

who have said that they felt the ground

1537

01:15:54,430 --> 01:15:52,730

humming at different times and I with a

1538

01:15:57,610 --> 01:15:54,440

Geiger counter I've determined that it

1539

01:16:01,060 --> 01:15:57,620

is definitely nuclear-powered so it is

1540

01:16:06,400 --> 01:16:01,070

been there functioning for the last 400

1541

01:16:08,290 --> 01:16:06,410

million years back when some alien from

1542

01:16:12,790 --> 01:16:08,300

an ancient civilization that may no

1543

01:16:17,170 --> 01:16:12,800

longer exist came to earth looking for

1544

01:16:20,320 --> 01:16:17,180

probably a rare earth elements and they

1545

01:16:24,220 --> 01:16:20,330

their probes remain there and then

1546

01:16:26,530 --> 01:16:24,230

became entombed in rock and now some of

1547

01:16:29,410 --> 01:16:26,540

them are very close to the surface and I

1548

01:16:32,070 --> 01:16:29,420

found evidence during my magnetic survey

1549

01:16:35,620 --> 01:16:32,080

that there are at least three of them

1550

01:16:38,199 --> 01:16:35,630

sending signals out into space oh and

1551

01:16:41,140 --> 01:16:38,209

what what frequencies are

1552

01:16:45,000 --> 01:16:41,150

are they broadcasting well the the

1553

01:16:48,330 --> 01:16:45,010

magnetic pulses are measured in gammas

1554

01:16:52,299 --> 01:16:48,340

the Earth's magnetic field is around

1555

01:16:55,359 --> 01:16:52,309

35,000 gammas and you these pulses were

1556

01:16:58,449 --> 01:16:55,369

normally about 11,000 gammas and

1557

01:17:03,040 --> 01:16:58,459

sometimes went up well over 40,000

1558

01:17:06,520 --> 01:17:03,050

gammas and there were narrow beams maybe

1559

01:17:09,520 --> 01:17:06,530

no more than 2 feet in diameter but you

1560

01:17:12,129 --> 01:17:09,530

know it's sort of it's sobering to think

1561

01:17:14,739 --> 01:17:12,139

that I was sticking my hand in these

1562

01:17:18,069 --> 01:17:14,749

beams when I was taking measurements of

1563

01:17:19,989 --> 01:17:18,079

them with the magnetometer you'd think

1564

01:17:25,929 --> 01:17:19,999

that maybe my hand would be have been

1565

01:17:28,209 --> 01:17:25,939

fried or injured also plants we thought

1566

01:17:30,580 --> 01:17:28,219

look saw the energy coming out of ground

1567

01:17:32,589 --> 01:17:30,590

and they mistook it for the Sun so a lot

1568

01:17:35,469 --> 01:17:32,599

of herbaceous plants that there as they

1569

01:17:38,830 --> 01:17:35,479

are growing very rapidly would be

1570

01:17:41,229 --> 01:17:38,840

growing towards these beams and bending

1571

01:17:45,429 --> 01:17:41,239

towards the beams and that was pretty

1572

01:17:47,679 --> 01:17:45,439

freaky too so that there really is a

1573

01:17:49,390 --> 01:17:47,689

craft there and the military knows about

1574

01:17:51,969 --> 01:17:49,400

it thanks to my putting this information

1575

01:17:54,699 --> 01:17:51,979

on my website and people are seeing

1576

01:17:58,089 --> 01:17:54,709

caravans come out there and military men

1577

01:18:00,879 --> 01:17:58,099

in military outfits go into the cemetery

1578

01:18:03,069 --> 01:18:00,889

in area and dig holes and put probably

1579

01:18:07,390 --> 01:18:03,079

sensing devices in there and and then

1580

01:18:09,910 --> 01:18:07,400

leave but nobody you can't that this

1581

01:18:13,600 --> 01:18:09,920

whatever this object is is way too big

1582

01:18:16,810 --> 01:18:13,610

for you know recovery by the military

1583

01:18:19,959 --> 01:18:16,820

the but at best even it's about the size

1584

01:18:24,069 --> 01:18:19,969

of two football fields or of a football

1585

01:18:25,540 --> 01:18:24,079

stadium and you know they can't very

1586

01:18:28,719 --> 01:18:25,550

well hide that if they dug it up they

1587

01:18:31,120 --> 01:18:28,729

can build a huge hangar over it and and

1588

01:18:33,569 --> 01:18:31,130

but then that's just saying telling

1589

01:18:39,060 --> 01:18:33,579

everybody look what we have you know

1590

01:18:42,069 --> 01:18:39,070

well now is it in a is it in a cave or

1591

01:18:44,109 --> 01:18:42,079

where exactly you say underground but

1592

01:18:47,290 --> 01:18:44,119

that it's it's an internal within it

1593

01:18:50,259 --> 01:18:47,300

it's entombed within black shale the

1594

01:18:51,580 --> 01:18:50,269

black shale was mud at the time that can

1595

01:18:55,900 --> 01:18:51,590

Buble Lee Barry

1596

01:18:58,450 --> 01:18:55,910

with overtime and then with more a mud

1597

01:19:02,410 --> 01:18:58,460

and rock on top of it it was turned into

1598

01:19:06,160 --> 01:19:02,420

a solid black shale so that the craft is

1599

01:19:08,980 --> 01:19:06,170

encased within black shale it's all

1600

01:19:12,430 --> 01:19:08,990

encased within cement basically well you

1601
01:19:15,790 --> 01:19:12,440
know there may be other other craft like

1602
01:19:18,430 --> 01:19:15,800
this in other parts of the the world in

1603
01:19:20,440 --> 01:19:18,440
fact we've had Ted Phillips on the the

1604
01:19:23,620 --> 01:19:20,450
show I don't know if you're I know him

1605
01:19:27,040 --> 01:19:23,630
or not he he worked with dr. Hynek for

1606
01:19:31,210 --> 01:19:27,050
many many years he's best known for his

1607
01:19:33,340 --> 01:19:31,220
physical trace cases and he was he's

1608
01:19:38,920 --> 01:19:33,350
involved with a gentleman and while they

1609
01:19:44,320 --> 01:19:38,930
were going to explore this cave and Tim

1610
01:19:46,750 --> 01:19:44,330
was at chess lavake or hungry hmm yes

1611
01:19:49,240 --> 01:19:46,760
one of those countries my first thought

1612
01:19:52,690 --> 01:19:49,250
was Poland but I think actually your I

1613
01:19:55,570 --> 01:19:52,700

think it was hungry yes and underground

1614

01:19:58,840 --> 01:19:55,580

they they they they know there's a

1615

01:20:04,620 --> 01:19:58,850

device of some kind but they they can't

1616

01:20:08,530 --> 01:20:04,630

get to it now ted has the the like the

1617

01:20:12,870 --> 01:20:08,540

maps of where this object is located but

1618

01:20:18,820 --> 01:20:12,880

it would take a team of very seasoned

1619

01:20:21,700 --> 01:20:18,830

explorers and Cave spelunkers or or what

1620

01:20:25,150 --> 01:20:21,710

have you to to to get there to it and

1621

01:20:26,860 --> 01:20:25,160

part of the cavern wall I think has

1622

01:20:30,310 --> 01:20:26,870

covered it up it's kind of like you know

1623

01:20:32,800 --> 01:20:30,320

moved over the course of the half

1624

01:20:35,680 --> 01:20:32,810

million years or something like that but

1625

01:20:38,560 --> 01:20:35,690

take it they can still hear it but now

1626

01:20:40,570 --> 01:20:38,570

it's at Ted wanted to go there many he's

1627

01:20:43,480 --> 01:20:40,580

talking about going there many many

1628

01:20:45,760 --> 01:20:43,490

times over the years but like all of us

1629

01:20:49,570 --> 01:20:45,770

he's getting up there in in the years

1630

01:20:52,270 --> 01:20:49,580

and I think a little bit of bad health

1631

01:20:54,970 --> 01:20:52,280

hasn't helped him and so I don't know if

1632

01:20:57,370 --> 01:20:54,980

he's ever going to turn this a project

1633

01:21:01,450 --> 01:20:57,380

over to anybody else or not which is a

1634

01:21:04,330 --> 01:21:01,460

shame because it seems like it way might

1635

01:21:05,440 --> 01:21:04,340

lead to some very startling up findings

1636

01:21:08,350 --> 01:21:05,450

that them I I know

1637

01:21:13,780 --> 01:21:08,360

I was very impressed by his research

1638

01:21:17,470 --> 01:21:13,790

into this a question Bruce Senate that

1639

01:21:21,370 --> 01:21:17,480

that occurs to me is are these buried

1640

01:21:26,140 --> 01:21:21,380

craft responsible for these areas

1641

01:21:28,600 --> 01:21:26,150

becoming portal areas or were they

1642

01:21:30,910 --> 01:21:28,610

attracted and landed there to begin with

1643

01:21:33,730 --> 01:21:30,920

because they were portal areas I don't

1644

01:21:35,950 --> 01:21:33,740

know I would suspect they were there for

1645

01:21:38,680 --> 01:21:35,960

mining purposes because these granitic

1646

01:21:41,680 --> 01:21:38,690

Islands have been mined in Franklin New

1647

01:21:44,440 --> 01:21:41,690

Jersey and they're just loaded with all

1648

01:21:49,180 --> 01:21:44,450

types of rare earth elements that are

1649

01:21:51,190 --> 01:21:49,190

very valuable and so and these Granite's

1650

01:21:54,990 --> 01:21:51,200

formed very early in the Earth's history

1651
01:21:58,390 --> 01:21:55,000
when you would have a lot very little

1652
01:22:00,520 --> 01:21:58,400
differentiation of all of the startups

1653
01:22:03,340 --> 01:22:00,530
that went into making earth so you would

1654
01:22:06,550 --> 01:22:03,350
have a mixture of many different kinds

1655
01:22:09,070 --> 01:22:06,560
of elements so that's my assumption that

1656
01:22:13,930 --> 01:22:09,080
they came here looking for these rare

1657
01:22:21,090 --> 01:22:13,940
earths and now these areas have become

1658
01:22:25,120 --> 01:22:21,100
literally signal beacons out into space

1659
01:22:31,240 --> 01:22:25,130
you could call them the each one being

1660
01:22:34,480 --> 01:22:31,250
like a microwave dish sending signals

1661
01:22:39,220 --> 01:22:34,490
that are attracting other craft to the

1662
01:22:42,730 --> 01:22:39,230
area as far as their portals there is a

1663
01:22:46,870 --> 01:22:42,740

portal just west of the downtown Pine

1664

01:22:49,450 --> 01:22:46,880

Bush that has been documented and all

1665

01:22:52,720 --> 01:22:49,460

sorts of strange things time warps occur

1666

01:22:55,270 --> 01:22:52,730

there so you may be correct that the

1667

01:22:58,210 --> 01:22:55,280

there's some correlation between these

1668

01:23:01,240 --> 01:22:58,220

areas and yet we're finding out with

1669

01:23:03,700 --> 01:23:01,250

more and more study that there are

1670

01:23:06,640 --> 01:23:03,710

portals all over the place and people

1671

01:23:08,740 --> 01:23:06,650

just don't realize it and if some seem

1672

01:23:09,730 --> 01:23:08,750

to be more active than others yes

1673

01:23:12,880 --> 01:23:09,740

absolutely

1674

01:23:18,010 --> 01:23:12,890

like the Wanaque one that was being

1675

01:23:19,330 --> 01:23:18,020

studied back in the late 90s that Brian

1676

01:23:22,570 --> 01:23:19,340

Williams has put a

1677

01:23:24,970 --> 01:23:22,580

this information out on YouTube for

1678

01:23:27,370 --> 01:23:24,980

those who are interested they just have

1679

01:23:29,709 --> 01:23:27,380

to you know Google wanna queue New

1680

01:23:35,320 --> 01:23:29,719

Jersey and you know pull up his

1681

01:23:38,080 --> 01:23:35,330

information and he has documented that

1682

01:23:41,970 --> 01:23:38,090

this is not just the local Wanaque where

1683

01:23:45,310 --> 01:23:41,980

this is happening but it's over a large

1684

01:23:50,520 --> 01:23:45,320

trapezoid area that covers goes all the

1685

01:23:57,669 --> 01:23:50,530

way from Montauk on Long Island across

1686

01:24:04,419 --> 01:23:57,679

1rq Southern Pennsylvania and then a

1687

01:24:07,240 --> 01:24:04,429

West to Pine Bush so we have a lot of

1688

01:24:12,609 --> 01:24:07,250

stuff going on there that people just

1689

01:24:15,220 --> 01:24:12,619

don't realize is happening I can't

1690

01:24:19,839 --> 01:24:15,230

remember who pointed this out one time

1691

01:24:25,180 --> 01:24:19,849

but it was suggested that you know as

1692

01:24:27,220 --> 01:24:25,190

the earth as the Earth rotates around

1693

01:24:30,669 --> 01:24:27,230

the Sun as the Sun rotates around the

1694

01:24:33,640 --> 01:24:30,679

galaxy and you know as the galaxy goes

1695

01:24:39,220 --> 01:24:33,650

about its business that we're constantly

1696

01:24:43,060 --> 01:24:39,230

entering a new energized areas in space

1697

01:24:46,600 --> 01:24:43,070

and that could explain why there are

1698

01:24:49,030 --> 01:24:46,610

certain portal areas that will be active

1699

01:24:50,740 --> 01:24:49,040

for a while and then they'll just kind

1700

01:24:52,149 --> 01:24:50,750

of fade away and new ones will pop up

1701

01:24:54,459 --> 01:24:52,159

you know they're being you know

1702

01:24:57,820 --> 01:24:54,469

energized by you know these these

1703

01:24:59,890 --> 01:24:57,830

different regions in space and they

1704

01:25:04,930 --> 01:24:59,900

don't makes me wonder you know also if

1705

01:25:06,520 --> 01:25:04,940

this may be why and as you and you know

1706

01:25:10,930 --> 01:25:06,530

typically you know well know you know

1707

01:25:14,399 --> 01:25:10,940

back in the 50s and early 60s you had

1708

01:25:18,310 --> 01:25:14,409

kind of a almost a different groups of

1709

01:25:19,990 --> 01:25:18,320

aliens seen running around or you know

1710

01:25:23,439 --> 01:25:20,000

alter terrestrials whatever you want to

1711

01:25:26,320 --> 01:25:23,449

call them then we have now you know it

1712

01:25:29,379 --> 01:25:26,330

seems like that a new door or you know

1713

01:25:31,330 --> 01:25:29,389

doors open and close new ones appear and

1714

01:25:35,050 --> 01:25:31,340

different groups

1715

01:25:38,290 --> 01:25:35,060

seemed to infiltrate onto the planet

1716

01:25:40,959 --> 01:25:38,300

also I think that there are a lot

1717

01:25:43,959 --> 01:25:40,969

more groups here than there were in the

1718

01:25:46,629 --> 01:25:43,969

past and that they have divided the area

1719

01:25:49,149 --> 01:25:46,639

into territories the reason I say that

1720

01:25:52,569 --> 01:25:49,159

is that I've encountered at least four

1721

01:25:55,419 --> 01:25:52,579

different types of ETS and they each are

1722

01:25:57,250 --> 01:25:55,429

found only in a certain area the ones

1723

01:25:59,140 --> 01:25:57,260

down of Virginia are different from the

1724

01:26:02,169 --> 01:25:59,150

ones in Connecticut that are different

1725

01:26:04,839 --> 01:26:02,179

from the ones in New York for example so

1726

01:26:08,669 --> 01:26:04,849

you this may foot go along with what

1727

01:26:11,410 --> 01:26:08,679

you're saying that there are different

1728

01:26:14,080 --> 01:26:11,420

portals associated with different areas

1729

01:26:18,189 --> 01:26:14,090

or they could just simply have decided

1730

01:26:22,720 --> 01:26:18,199

to you know carve out the earth into

1731

01:26:25,780 --> 01:26:22,730

different operational regions what about

1732

01:26:29,229 --> 01:26:25,790

the the the woman that you met in

1733

01:26:34,300 --> 01:26:29,239

Amsterdam in 1963 that's a pretty

1734

01:26:37,149 --> 01:26:34,310

fascinating story yeah and I let me yeah

1735

01:26:39,790 --> 01:26:37,159

this was with my French class after

1736

01:26:41,859 --> 01:26:39,800

graduation from high school we went over

1737

01:26:45,879 --> 01:26:41,869

to France spent most of the summer in

1738

01:26:49,120 --> 01:26:45,889

the city of con on the Riviera which was

1739

01:26:52,300 --> 01:26:49,130

extraordinary for a 17-year old to go on

1740

01:26:54,819 --> 01:26:52,310

see all of the coastal areas along the

1741

01:26:57,609 --> 01:26:54,829

Mediterranean and on the way back home

1742

01:27:02,740 --> 01:26:57,619

we stopped in Paris and then we stopped

1743

01:27:05,530 --> 01:27:02,750

at Amsterdam and at Amsterdam we stayed

1744

01:27:08,319 --> 01:27:05,540

in the American hotel just down the

1745

01:27:11,109 --> 01:27:08,329

street from the house where Anna Frank

1746

01:27:11,620 --> 01:27:11,119

had lived of that story during World War

1747

01:27:17,500 --> 01:27:11,630

two

1748

01:27:19,209 --> 01:27:17,510

and a group of us guys decided that we

1749

01:27:23,140 --> 01:27:19,219

were gonna meet in the lobby in the

1750

01:27:26,800 --> 01:27:23,150

morning and and decide which tourist

1751

01:27:30,030 --> 01:27:26,810

attractions we would go see so we went

1752

01:27:34,569 --> 01:27:30,040

down there and then met in the lobby and

1753

01:27:37,270 --> 01:27:34,579

as I was standing there I noticed this

1754

01:27:39,850 --> 01:27:37,280

woman standing off to the side and what

1755

01:27:42,729 --> 01:27:39,860

I made eye contact with her she came

1756

01:27:44,960 --> 01:27:42,739

over and she introduced herself she says

1757

01:27:47,270 --> 01:27:44,970

hi I'm Maya what are you

1758

01:27:51,410 --> 01:27:47,280

and I said we're planning on going out

1759

01:27:54,230 --> 01:27:51,420

to to to the different tourist

1760

01:27:58,970 --> 01:27:54,240

attractions in the city and she said

1761

01:28:01,280 --> 01:27:58,980

would I would like to be your guide if

1762

01:28:04,280 --> 01:28:01,290

you would be willing I will I will show

1763

01:28:06,770 --> 01:28:04,290

you the city and I said well she's a lot

1764

01:28:09,800 --> 01:28:06,780

more attractive than these guys are so I

1765

01:28:12,860 --> 01:28:09,810

took her up on that offer and for three

1766

01:28:14,810 --> 01:28:12,870

days we would meet in the at the front

1767

01:28:18,380 --> 01:28:14,820

of the lobby and she would we would go

1768

01:28:20,570 --> 01:28:18,390

to different tourist attractions and she

1769

01:28:22,790 --> 01:28:20,580

was asking you all sorts of questions we

1770

01:28:26,540 --> 01:28:22,800

talked about many different subjects we

1771

01:28:30,080 --> 01:28:26,550

even talked about space travel and on

1772

01:28:33,320 --> 01:28:30,090

the third day she wanted to introduce me

1773

01:28:37,040 --> 01:28:33,330

to her friend Lyra so we went back to

1774

01:28:42,380 --> 01:28:37,050

the zoo and I met Lyra and then we went

1775

01:28:45,290 --> 01:28:42,390

about our way and part of the the plans

1776

01:28:51,950 --> 01:28:45,300

for the French class group was to go to

1777

01:28:54,980 --> 01:28:51,960

this a winery then in so we Maya came

1778

01:28:56,720 --> 01:28:54,990

with me and we went out there and I

1779

01:28:59,300 --> 01:28:56,730

asked her if I could take get a picture

1780

01:29:01,970 --> 01:28:59,310

of her and she said no she didn't want a

1781

01:29:05,840 --> 01:29:01,980

picture of her being taken but when we

1782

01:29:07,900 --> 01:29:05,850

were at that winery I had a my picture

1783

01:29:14,390 --> 01:29:07,910

taken and she was in the background and

1784

01:29:18,410 --> 01:29:14,400

so I have a picture of her and I I this

1785

01:29:21,470 --> 01:29:18,420

just was filed away in my memory I'm no

1786

01:29:25,850 --> 01:29:21,480

no big deal at the last day when I took

1787

01:29:28,430 --> 01:29:25,860

her back to her her room I I asked if we

1788

01:29:30,050 --> 01:29:28,440

could communicate and we write to each

1789

01:29:30,560 --> 01:29:30,060

other and she said no that will not be

1790

01:29:32,990 --> 01:29:30,570

possible

1791

01:29:37,760 --> 01:29:33,000

I said why and she says I don't live

1792

01:29:39,860 --> 01:29:37,770

here and she knew Amsterdam so well that

1793

01:29:42,980 --> 01:29:39,870

I was rather surprised I thought she

1794

01:29:47,060 --> 01:29:42,990

lived there and she was she only had her

1795

01:29:47,930 --> 01:29:47,070

friend Lyra with her and so I said where

1796

01:29:50,210 --> 01:29:47,940

do you live

1797

01:29:52,280 --> 01:29:50,220

she says in the mountains and I said

1798

01:29:56,030 --> 01:29:52,290

what mountains she says the Andes

1799

01:29:58,030 --> 01:29:56,040

Mountains and I said Wow

1800

01:30:00,680 --> 01:29:58,040

you know she lives in South America and

1801

01:30:04,120 --> 01:30:00,690

she's all the way over here and that

1802

01:30:07,850 --> 01:30:04,130

that puzzled me it wasn't until I read

1803

01:30:10,430 --> 01:30:07,860

dr. Karla Turner's book masquerade of

1804

01:30:14,480 --> 01:30:10,440

angels which is about the Ted Wright

1805

01:30:17,990 --> 01:30:14,490

story who a year before I met Maya and

1806

01:30:21,230 --> 01:30:18,000

Lera he met them at the Sun Valley ski

1807

01:30:24,050 --> 01:30:21,240

resort in in Idaho during the summer

1808

01:30:28,760 --> 01:30:24,060

they had a summer job there he was in

1809

01:30:31,640 --> 01:30:28,770

high school as well and every he met

1810

01:30:34,160 --> 01:30:31,650

Maya and they would go on walks and they

1811

01:30:40,400 --> 01:30:34,170

would talk and then occasionally alehrer

1812

01:30:42,500 --> 01:30:40,410

would show up and this you know he tried

1813

01:30:43,970 --> 01:30:42,510

to get to find out more information

1814

01:30:46,490 --> 01:30:43,980

about her who she was

1815

01:30:48,110 --> 01:30:46,500

and the only thing she would say is that

1816

01:30:50,960 --> 01:30:48,120

I live in the mountains so what

1817

01:30:53,000 --> 01:30:50,970

mountains the Andes Mountains and that's

1818

01:30:55,000 --> 01:30:53,010

the most that she would ever talk about

1819

01:30:58,160 --> 01:30:55,010

where she came from

1820

01:31:02,510 --> 01:30:58,170

but on the last day something very

1821

01:31:08,510 --> 01:31:02,520

different happened and she was Ted was

1822

01:31:12,400 --> 01:31:08,520

regressed hypnotically to find out what

1823

01:31:15,230 --> 01:31:12,410

that what happened on that last day and

1824

01:31:19,040 --> 01:31:15,240

Maya and lyric came and picked him up

1825

01:31:22,130 --> 01:31:19,050

and they walked out into the mountains

1826

01:31:25,940 --> 01:31:22,140

and climbed up into a box canyon in a

1827

01:31:28,850 --> 01:31:25,950

mountain and there was a an alien craft

1828

01:31:31,850 --> 01:31:28,860

and they boarded the craft and they took

1829

01:31:34,970 --> 01:31:31,860

him to their underground cave in the

1830

01:31:40,100 --> 01:31:34,980

Andes Mountains now what is important

1831

01:31:42,560 --> 01:31:40,110

about this story is that they showed him

1832

01:31:46,760 --> 01:31:42,570

not only where they lived underground

1833

01:31:49,970 --> 01:31:46,770

but they also showed him how they grew a

1834

01:31:52,370 --> 01:31:49,980

human clones and they showed as they

1835

01:31:55,010 --> 01:31:52,380

said that when one of our bodies wears

1836

01:31:59,180 --> 01:31:55,020

out we switch our consciousness to a new

1837

01:32:04,190 --> 01:31:59,190

clone and so the implication is that

1838

01:32:06,830 --> 01:32:04,200

Mayan lair are clones and they said well

1839

01:32:09,800 --> 01:32:06,840

he didn't believe it at first he says

1840

01:32:13,790 --> 01:32:09,810

well let's here lie down on this table

1841

01:32:15,950 --> 01:32:13,800

to this other clone and we'll transfer

1842

01:32:17,990 --> 01:32:15,960

you your consciousness into it and we'll

1843

01:32:20,000 --> 01:32:18,000

prove to you that this works and they

1844

01:32:22,790 --> 01:32:20,010

did and he was freaked out when he woke

1845

01:32:25,760 --> 01:32:22,800

up or became conscious again he was in a

1846

01:32:27,680 --> 01:32:25,770

woman's body and he asked them will

1847

01:32:29,570 --> 01:32:27,690

please take put me back in my original

1848

01:32:33,020 --> 01:32:29,580

body which they did and then they took

1849

01:32:34,970 --> 01:32:33,030

him back to the ski resort and that's

1850

01:32:39,260 --> 01:32:34,980

what they recovered from the hypnotic

1851
01:32:43,810 --> 01:32:39,270
regression so they apparently have found

1852
01:32:48,680 --> 01:32:43,820
a way to have eternal life here on earth

1853
01:32:51,970 --> 01:32:48,690
by growing clones of themselves and just

1854
01:32:56,050 --> 01:32:51,980
switching vessels whenever one wears out

1855
01:32:59,840 --> 01:32:56,060
so why do you think that they they

1856
01:33:03,530 --> 01:32:59,850
communicated with you they one of the

1857
01:33:07,370 --> 01:33:03,540
things that they also found out or Ted

1858
01:33:10,850 --> 01:33:07,380
from interviewing Ted is that Maya

1859
01:33:12,770 --> 01:33:10,860
showed Ted a photo album and it had

1860
01:33:15,290 --> 01:33:12,780
pictures of all the people that she had

1861
01:33:17,300 --> 01:33:15,300
interviewed that was one of the things

1862
01:33:19,100 --> 01:33:17,310
that she was doing one of her jobs or

1863
01:33:23,210 --> 01:33:19,110

assignments was to interview different

1864

01:33:26,390 --> 01:33:23,220

people that they had chosen for various

1865

01:33:32,480 --> 01:33:26,400

reasons to follow and to in throughout

1866

01:33:35,440 --> 01:33:32,490

their life and even though I in 1992 saw

1867

01:33:39,560 --> 01:33:35,450

my what I consciously saw my first UFOs

1868

01:33:42,020 --> 01:33:39,570

I did not realize until that time until

1869

01:33:45,170 --> 01:33:42,030

my memory started coming back that I am

1870

01:33:48,650 --> 01:33:45,180

an abductee from childhood so I have all

1871

01:33:52,460 --> 01:33:48,660

through my childhood been and had these

1872

01:33:55,400 --> 01:33:52,470

encounters and that my mind was memory

1873

01:33:57,860 --> 01:33:55,410

of them has been blocked until that time

1874

01:33:59,630 --> 01:33:57,870

all right well unfortunately we are

1875

01:34:01,790 --> 01:33:59,640

going to have to leave it at that

1876

01:34:05,570 --> 01:34:01,800

because we are almost at the end of the

1877

01:34:08,570 --> 01:34:05,580

program and I want to give you a chance

1878

01:34:11,140 --> 01:34:08,580

to let our listeners know where they can

1879

01:34:15,220 --> 01:34:11,150

find you online and any upcoming

1880

01:34:20,030 --> 01:34:15,230

projects that you're working on okay

1881

01:34:22,930 --> 01:34:20,040

they can contact me at the Coronet Bruce

1882

01:34:30,490 --> 01:34:22,940

at yahoo.com

1883

01:34:35,260 --> 01:34:30,500

and also they can go to my website which

1884

01:34:43,000 --> 01:34:35,270

is that the mamma's internet location

1885

01:34:47,320 --> 01:34:43,010

and it's well we've we've got we've got

1886

01:34:51,010 --> 01:34:47,330

links to your website's pages dot mamas

1887

01:34:54,160 --> 01:34:51,020

yeah dot-com and the tilde Bruce Cornett

1888

01:34:57,310 --> 01:34:54,170

our B cornet and and they can get to my

1889

01:35:00,130 --> 01:34:57,320

different webpages through that link and

1890

01:35:00,730 --> 01:35:00,140

you have some YouTube videos up to

1891

01:35:03,850 --> 01:35:00,740

alright

1892

01:35:06,960 --> 01:35:03,860

yes I do they just ya know do a search

1893

01:35:10,180 --> 01:35:06,970

of Google for Bruce Cornett on YouTube

1894

01:35:12,910 --> 01:35:10,190

very very interesting videos and and

1895

01:35:15,610 --> 01:35:12,920

again we should remind people if they

1896

01:35:18,820 --> 01:35:15,620

want a pretty lengthy synopsis of the

1897

01:35:22,510 --> 01:35:18,830

Pine Bush sightings they can obtain our

1898

01:35:26,230 --> 01:35:22,520

book a UFO repeaters the camera does not

1899

01:35:29,170 --> 01:35:26,240

lie and earlier tonight we we talked

1900

01:35:31,620 --> 01:35:29,180

about alien bloodlust and Tim we've got

1901

01:35:34,690 --> 01:35:31,630

a very big special going on at

1902

01:35:36,970 --> 01:35:34,700

conspiracy journal dot-com with three of

1903

01:35:39,970 --> 01:35:36,980

the books at a very special price

1904

01:35:44,650 --> 01:35:39,980

that's totally insane it's like we've

1905

01:35:47,050 --> 01:35:44,660

resurrected crazy Eddie yeah that's

1906

01:35:48,940 --> 01:35:47,060

right we got three special books for you

1907

01:35:55,090 --> 01:35:48,950

or for only forty nine ninety five right

1908

01:35:58,030 --> 01:35:55,100

here at crazy Tim's what a wonderful

1909

01:36:02,410 --> 01:35:58,040

show this was I think we we learned we

1910

01:36:05,020 --> 01:36:02,420

learned a lot and also to the the vibes

1911

01:36:08,650 --> 01:36:05,030

were just right with our two guests this

1912

01:36:10,960 --> 01:36:08,660

evening and that's why we host exploring

1913

01:36:12,880 --> 01:36:10,970

the bizarre and I think I don't know how

1914

01:36:14,590 --> 01:36:12,890

many episode I would know how many

1915

01:36:17,560 --> 01:36:14,600

episodes we have but anyway I want to

1916

01:36:20,920 --> 01:36:17,570

thank everybody at inna the producer and

1917

01:36:24,430 --> 01:36:20,930

peter bernard and helen and carol of

1918

01:36:28,090 --> 01:36:24,440

course and everybody who makes this show

1919

01:36:30,569 --> 01:36:28,100

possible especially our wonderful guests

1920

01:36:37,500 --> 01:36:30,579

and thank you for having me

1921

01:36:41,339 --> 01:36:37,510

you betcha you've been listening to

1922

01:36:45,120 --> 01:36:41,349

exploring the bazaar with hosts Timothy

1923

01:36:47,609 --> 01:36:45,130

Beckley and T Swartz they're taking back

1924

01:36:48,390 --> 01:36:47,619

the night by jetting non-stop across the

1925

01:36:50,729 --> 01:36:48,400

cosmos

1926

01:36:53,790 --> 01:36:50,739

in search of the truly bizarre and

1927

01:36:55,110 --> 01:36:53,800

totally unexplained with you as their

1928

01:36:57,620 --> 01:36:55,120

Commons

1929

01:37:02,100 --> 01:36:57,630

Thursday nights at 7:00 p.m. Pacific

1930

01:37:03,310 --> 01:37:02,110

10:00 p.m. Eastern on the K cor digital

1931

01:37:05,770 --> 01:37:03,320

rating

1932

01:37:08,980 --> 01:37:05,780

for more information on exploring the

1933

01:37:11,500 --> 01:37:08,990

bazaars and hosts Timothy Beckley and

1934

01:37:14,680 --> 01:37:11,510

Tim Swartz check out their kco our

1935

01:37:20,740 --> 01:37:14,690

digital radio network follow their
